Clerk's Welcome

Chicago's small businesses are the heart of our neighborhoods, bringing creativity, culture and opportunity to communities across our city.

This holiday season, I'm proud to introduce our first-ever **Holiday Small Business Gift Guide**, featuring incredible local businesses we've had the pleasure of supporting through our CityKey Business Partner Program and our Shopping in Solidarity initiative.

Whether you're searching for the perfect gift, a little something for yourself or a new neighborhood favorite, I encourage you to shop local and discover the treasures right here in Chicago.

Every purchase is an opportunity to support a neighbor; celebrate a local entrepreneur and invest in the communities we call home. It's all about shopping your values and this season I'm encouraging you to...shop small, gift big and show Chicago's small businesses some love!

Sincerely,

Anna M. Valencia
