RULE 20. The result of all votes by roll call shall not be announced by the Clerk, but shall be handed by him to the Presiding Officer for announcement, and no vote shall be changed after the tally list has passed from the hands of the Clerk.

9. to defer or postpone (without reference to time).

Numbers 2, 4 and 5 shall be decided without debate.

Motion To Adjourn.

RULE 22. A motion to adjourn the Council shall always be in order, except:

1. when a member is in possession of the floor;
2. when the members are voting;
3. when adjournment was the last preceding motion; and
4. when it has been decided that the previous question shall be taken.

RULE 23. A motion to adjourn shall not be subject to amendment. But a motion to adjourn to a time certain shall be amendable.

Previous Question.

RULE 24. When the previous question is moved on the main question, it shall be put in this form: "Shall the main question now be put?". If such motion is carried by a majority of all the members authorized by law to be elected, no further amendment, motion or debate shall be allowed and the question shall be put without delay upon the pending amendments or motion in inverse order of presentation, and then upon the main question.

Motions To Lay On The Table And  
To Take From The Table.

RULE 25. A motion to lay a question on the table shall not be debatable. A motion to take a question from the table shall not be debatable.

A motion to lay on the table and publish, or with any other condition, shall be subject to amendment and debate.

A motion to take any question from the table may be proposed at the same meeting at which such question was laid upon the table, provided two-thirds ( $\frac{2}{3}$ ) of the Aldermen vote therefor.

RULE 26. A motion to lay any particular motion or proposition on the table shall apply to that motion or proposition only. An amendment to the main motion or proposition or other pending motion or proposition may be laid on the table and neither the main motion or proposition nor such other pending motion or proposition shall be affected thereby.

Postponement; Motion To Defer  
Or Postpone Without Any  
Reference To Time.

RULE 27. Subject to the provisions of Rule 25, consideration of a motion or other proposition may not be postponed indefinitely. Unless a definite time is set for its subsequent consideration and final action, a motion to defer or postpone, without any reference to time, shall be construed as a motion to postpone to the next succeeding regular meeting.

Motion To Refer.

RULE 28. A motion to refer to a standing committee shall take precedence over a similar motion to refer to a special committee.

#### Motion To Amend.

RULE 29. A motion to amend an amendment shall be in order, but one to amend an amendment to an amendment shall not be entertained.

RULE 30. An amendment modifying the intention of a motion shall be in order; but an amendment relating to a different subject shall not be in order.

On an amendment to "strike out and insert", the paragraph to be amended shall first be read as it stands, then the words proposed to be stricken out, then, those to be inserted, and finally the paragraph as it will stand if so amended shall be read.

RULE 31. An amendment to the main motion or proposition or other pending motion or proposition may be referred to a committee and neither the main motion or proposition nor such other pending motion or proposition shall be affected thereby.

#### Filling The Blanks.

RULE 32. When a blank is to be filled, and different sums or time proposed, the motion or proposition shall be taken first on the least sum or the longest time.

#### Motion To Substitute.

RULE 33. A substitute for any original proposition under debate or for any pending amendment to such proposition may be entertained notwithstanding that at such time further amendment is admissible; and if accepted by the Council by a majority vote shall entirely supersede such original proposition or amendment, as the case may be, and cut off all amendments appertaining thereto.

#### Reconsideration.

RULE 34. A vote or question may be reconsidered at any time during the same meeting, or at the first regular meeting held thereafter. A motion for reconsideration, having been once made and decided in the negative, shall not be renewed, nor shall a motion to reconsider be reconsidered.

A motion to reconsider must be made by a member who voted on the prevailing side of the question to be reconsidered, unless otherwise provided by law; provided however, that where a motion has received a majority vote in the affirmative, but is declared lost solely on the ground that a greater number of affirmative votes is required by statute for the passage

or adoption of such motion, then in such case a motion to reconsider may be made only by a member who voted in the affirmative on such question to be reconsidered.

Notice of all subcommittee meetings shall be given to all members of the City Council.

Referring Of New Business To Committees;

RULE 41. All ordinances, orders, petitions, resolutions, motions, communications or other propositions shall be referred, without debate, to the appropriate committees and only acted

- (b) Motions listed in Rule 21 and purely procedural motions.
- (c) Resolutions determining the membership, Chairman or Vice-Chairman of Council committees, Vice Mayor or President Pro Tempore.

Resolutions calling for the expenditure of funds or directing investigations shall not be subject to the agreed resolution procedures. Each matter so recommended shall be briefly described by subject and sponsor by the member(s) reporting agreed resolutions. Any matter on the Agreed Calendar shall be removed on the motion of any Alderman and shall then be subject to the Rules of Order and Procedure of the City Council as provided in this Rule 41. For the purpose of facilitating the review of such resolutions, all matters to be considered shall be filed with the City Clerk forty-eight (48) hours in advance of the Council meeting at which they will be considered and made available to the Aldermen selected to review such matters.

Nothing in this Rule 41 or the Rules of Order and Procedure of the City Council shall preclude the introduction or submission of ordinances, orders or resolutions, petitions or other propositions into a committee of the City Council by an operating department, office or agency in order to facilitate an expeditious hearing on said matter or where an emergency exists. In addition, routine or repetitive matters may also be introduced directly into a committee of the City Council for hearing. This provision shall not apply to matters described in paragraphs (a), (b) or (c) of this Rule.

An amendment filling in blanks, correcting spelling, correcting a typographical error or correcting punctuation may be made on the face of the ordinance or other proposition to be amended. An amendment for any other purpose shall be produced in a separate document, and shall set forth the entire section of the ordinance or proposition affected by the proposed amendment, with insertions and deletions indicated as provided in Rule 46. Except as otherwise provided herein, no committee shall vote on a proposed amendment, except an amendment on the face of an ordinance or other proposition as permitted by this paragraph of this Rule 41, until and unless a formal amendment complying with the requirements of this paragraph has been prepared and a copy presented to every committee member present. Such report of the committee chairman shall be presented under the order of "Reports of Committees".

Whenever any referred matter shall not have been reported back to the City Council by the committee to which referred, within a period of sixty (60) days from the date of referral, any Alderman may move to discharge the committee from further consideration of that matter. In order to afford a committee chairman an opportunity to convene a hearing on a pending matter and provide the Aldermen sufficient time to review such matter, no motion to discharge shall be called for a vote unless a written notice, identifying the matter, is delivered to, and time stamped by, the City Clerk and copies delivered to all Aldermen no later than by the close of business on the fifth business day prior to the City Council meeting. The motion to discharge shall be posted by the City Clerk no later than by the close of business on the fifth business day prior to the City Council meeting at which it is scheduled to be heard. The motion to discharge shall be made under the order of "Miscellaneous Business", and shall require the affirmative vote of a majority of all the Aldermen entitled by law to be elected.

No deferred matter, whether deferred pursuant to these rules or pursuant to statute, may be called for a vote unless written notice, identifying each matter to be called for a vote, is delivered to, and time stamped by, the City Clerk and copies delivered to all Aldermen at least forty-eight (48) hours in advance of the City Council meeting.

#### Procedure When Two Or More Committees Are Called.

Rule 42. Each subject-matter considered by a committee shall be presented to the City Council in a separate report except claims, payment of hospital and medical expenses of police officers and firefighters injured in the line of duty, routine traffic matters and condominium refuse rebate claims.

Reports of all committees dealing with proposed ordinances, orders and resolutions shall recommend that such proposed ordinances, orders or resolutions "pass" or "do not pass".

Each committee report recommending action by the City Council shall be presented to the Council by the Chairman of the committee or by any other member of the committee designated by the Chairman, or if the Chairman has recused under Rule 14, the Vice-Chairman, or by any other member of the committee designated by the Vice-Chairman, on the specific item from which a recusal was requested. The Chairman or member presenting the report may have up to five (5) minutes for the purpose of explaining the report, notwithstanding a motion or demand to defer and publish.

If a committee report recommends that the Council adopt or pass an ordinance, resolution or order, the report may be taken up and acted upon after its presentation, subject to deferral by appropriate action.

If a committee report recommends that the Council do not adopt or do not pass an ordinance, resolution or order, at the time such report is presented, or at the next meeting of the Council if action on such report has been deferred, such ordinance, resolution, or order shall be automatically tabled and may not be further considered, unless a member of the

body moves to disapprove the committee report and such motion is adopted by the affirmative vote of a majority of the Aldermen entitled by law to be elected. The motion to disapprove the committee report may be deferred only until the next regular meeting of the Council, and may not be renewed thereafter. If the motion to disapprove is adopted, the ordinance, resolution or order shall be before the Council.

A committee may report a substitute for ordinances, resolutions and orders referred to it, and such substitute shall be reported with a "do pass" recommendation. WHEREAS, From his earliest years he developed a deep affection for family and at age nine his family relocated to Chicago where he received his formal education. There he developed a love for playing basketball with friends; and

WHEREAS, Ed met and married the love of his life, Veronica Peppers. While in high school, one of Ed's basketball teammates Cory thought that Veronica Peppers and Ed would be a great couple. He began delivering messages to both Ed and Veronica that showed interest in each other. Surprisingly, neither of them sent any of the messages at all; it was all part of Cory's plan to get them together. They passed each other in the hall one day and began to talk and laugh about Cory's plan. Ed married Veronica on October 24, 1964, and they began a journey in life that lasted 54 years. They became proud parents of two sons, Lynn and Byron; and

WHEREAS, To provide for his family, Ed continued his education and graduated from Coyne College. He became an electrician with an emphasis on air-conditioning, heating and refrigeration. He decided he wanted to spend more time enjoying the outdoors, so he purchased some land, and built an A-frame summer home for his family to enjoy on Paradise Lake in Michigan. Friends and family all helped and donated their time to complete the home. Having his own private property allowed them to own their boat, go fishing, and entertain visitors. Knowing Ed and Veronica meant visiting their cabin, enjoying the lake, their boat, and eating good too. Ed enjoyed golfing, and he loved jazz and blues. He would make time to visit Mr. Rick's to see all the jazz greats before the club closed; and

WHEREAS, Ed had an unwavering adherence to the religious practices taught to him by his beloved grandmother. In 2010 on New Year's Eve, Ed was baptized as his wife stood next to him in the baptism pool. It was such a joyous occasion that most in attendance were in tears. He often enjoyed sitting on the front porch, and most of the neighbors passing by knew him. Recently, he did not travel much and if he did decide to ride with you, you couldn't drive over 55 miles an hour; and

WHEREAS, Ed leaves to cherish his memory his wife, Veronica; sons, Lynn and Byron; brother, Donald; sisters, Bobbie (Irving) Wallace, Zella Snell, and Vanessa (Joe) Schumert; sisters-in-law, Joyce Peppers, Alice Peppers, and Shirley Peppers; adoptive son, Robert Colin; adoptive daughter, Ann Guynes; nephews; nieces; cousins, Robyne, Tracy, Candace, Melvin; and extended family and friends; and
