Rules Suspended -- CONGRATULATIONS EXTENDED TO FIRE
MARSHAL JASON MARDIROSIAN ON RECEIPT OF
"INVESTIGATOR OF THE YEAR" AWARD FROM
STATE OF ILLINOIS AND INTERNATIONAL
ASSOCIATION OF ARSON INVESTIGATORS
FOR INVESTIGATION OF FIRE AT
1300 PARKSIDE AVENUE.

The Honorable Richard M. Daley, Mayor, presented the following communication:

OFFICE OF THE MAYOR
CITY OF CHICAGO

October 4, 2006.

To the Honorable, The City Council of the City of Chicago:

LADIES AND GENTLEMEN -- I transmit herewith a congratulatory resolution concerning Fire Marshal Jason Mardirosian of the Chicago Fire Department and his exemplary conduct following the events of March 10, 2001.

Your favorable consideration of this resolution will be appreciated.

Very truly yours,

(Signed) RICHARD M. DALEY,
Mayor.

Alderman Burke moved to *Suspend the Rules Temporarily* to permit immediate consideration of and action upon the said proposed resolution. The motion *Prevailed*.

The following is said proposed resolution:

WHEREAS, On March 10, 2001, Chicago Fire Marshal Jason Mardirosian arrived at the 1300 block of Parkside Avenue to begin an investigation of a fire in a two-story residential building; and

WHEREAS, Immediately after arriving on the scene, where the fire was still burning, fire Marshal Mardirosian began to interview and gather statements from the battalion chief and first-arriving firefighters; and

WHEREAS, Fire Marshal Mardirosian learned that the main body of fire was in the first floor living room, and, according to a firefighter, that the fire had been doused with hose lines but kept coming back. This caused Fire Marshal Mardirosian to suspect the presence of ignitable liquid. Following his hunch, he began an exterior examination of the building, where he found a fully assembled but unused "Molotov Cocktail" in the rear yard. He secured the area and arranged for this vital piece of evidence to be collected; and

WHEREAS, Once the fire had been extinguished, the Fire Marshal entered the charred structure, where he processed the scene carefully and discovered that the fire had been started by persons throwing additional firebombs through the front window; and

WHEREAS, Fire Marshal Mardirosian kept up his investigation, and he eventually tracked down an eyewitness to the event, who lived in an apartment across the street; and

WHEREAS, A follow-up investigation by the Chicago Police Department's Violent Crimes Unit led to the arrest and prosecution of four known gang members. Two of the men accepted plea bargaining deals and the other two went to trial; and

WHEREAS, Spurred on by the knowledge that the fire had claimed several victims, including the life of a young girl, Fire Marshal Mardirosian gave his all to the case. He met several times with the State's Attorney's Gang Prosecution Section, helping to choose the most effective photographs of the scene, finding the proper resource materials and preparing for his testimony. He devoted untold hours of off-duty time to help pursue convictions for the perpetrators of this deadly fire; and

WHEREAS, The case went to trial in mid March of 2005. Thanks in significant part to Fire Marshal Mardirosian's sustained efforts, the gang member accused of throwing the Molotov Cocktails into the building was found guilty of murder and sentenced to life in prison without parole, plus sixty years for aggravated arson and battery. His accomplice received a sentence of one hundred ten years for his part in the crime; and

WHEREAS, Thanks to his skilled and diligent work, in April of this year Fire Marshal Mardirosian was honored as "Investigator of the Year" by both the State of Illinois and the International Association of Arson Investigators. It is significant that this marks the first time ever that the Chicago Fire Department's Office of Fire Investigations has received this award; now, therefore,

Be It Resolved, That we, the Mayor and members of the City Council of the City of Chicago, assembled this fourth day of October, 2006, do hereby honor Fire Marshal Jason Mardirosian for his professionalism, dedication and exceptional efforts on behalf of the citizenry of Chicago; and

Be It Further Resolved, That a suitable copy of this resolution be presented to Fire Marshal Jason Mardirosian, and placed on permanent record in his personnel file, as a token of our esteem.

On motion of Alderman Burke, seconded by Aldermen Cárdenas and Carothers, the foregoing proposed resolution was *Adopted* by yeas and nays as follows:

(d) In the event that the City shall determine to issue 2006 Bonds bearing interest at Variable Rates that include the option to establish the interest rate by an auction ("Auction Rate Securities") then the provisions of the Twenty-Third Supplemental Indenture shall be modified to incorporate the Auction Rate Securities Provisions.

(e) If determined by the Authorized Officer to be in the best financial interest of the City in the operation of the Airport, modifications may be made to the form of Twenty-Third Supplemental Indenture providing (a) for 2006 Bonds bearing interest at a Variable Rate to be secured by a Letter of Credit, and (b) for an interest rate mode in which the 2006 Bonds bear interest at a rate that reflects inflation and deflation as of a specified date prior to each interest payment date.

(a) If determined by the Authorized Officer to be in the best financial interest of the City in the operation of the Airport, the Authorized Officer is authorized to execute and deliver from time to time in the name and on behalf of the City one or more agreements with counterparties selected by the Authorized Officer, the purpose of which is to limit, reduce or manage the City's interest rate exposure with respect to the 2006 Bonds. The stated aggregate notional amount under all such agreements (net of offsetting transactions) at any one time shall not exceed the aggregate principal amount of such 2006 Bonds at the time outstanding. Such registration of transfer or exchange of Bonds shall be without charge to the owners of such Bonds, but any taxes or other governmental charges required to be paid with respect to the same shall be paid by the owners of the Bond requesting such transfer or exchange as a condition precedent to the exercise of such privilege.

The Bond Registrar shall not be required to register for transfer or exchange any undelivered Bond or Bonds after the giving of notice calling such Bond for redemption or partial redemption has been made.

The person in whose name any Bond is registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of or on account of principal, premium, if any, or interest shall be made only to or upon the order of the registered owner thereof or his duly authorized attorney, but such registration may be changed as hereinabove provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

The Bonds maturing on January 1, 20__ are subject to mandatory redemption, in part by lot as provided in the Indenture from mandatory Sinking Fund Payments, on January 1 in each of the years and in the respective principal amounts set forth below, at a redemption price equal to the principal amount thereof to be redeemed:

<u>Year</u>	<u>Principal Amount</u>
20__	\$,000
20__	,000
20__	,000
20__ (maturity)	,000

If the City redeems Bonds pursuant to optional redemption or purchases Bonds subject to mandatory redemption and cancels the same, then an amount equal to the principal amount of Bonds of such maturity so redeemed or purchased shall be deducted from the mandatory redemption requirements as provided for such Bonds of such maturity in such order as the City shall determine.

The Bonds maturing on or after January 1, 20__ are subject to redemption otherwise than from mandatory Sinking Fund Payments, at the option of the City, on or after January 1, 20__, as a whole or in part at any time, and if in part, in such order of maturity as the

City shall determine and within any maturity by lot, at a redemption price equal to the principal amount of each Bond to be redeemed, plus accrued interest to the date of the redemption.

Notice of any such redemption must be given by the Trustee by first-class mail (or registered mail in the case of registered owners of at least \$1,000,000 of Bonds) not less than 30 or more than 60 days prior thereto to the registered owners of the Bonds. Failure to mail any such notice to the registered owner of any Bond or any defect therein shall not affect the validity of the proceedings for such redemption of Bonds.

This Bond and all other Bonds of the series of which it forms a part are issued pursuant to and in full compliance with the Constitution and laws of the State of Illinois, particularly Article VII, Section 6(a) of the 1970 Constitution of the State of Illinois, and pursuant to an ordinance adopted by the City Council of the City, which ordinance authorizes the execution and delivery of the Indenture. This Bond and the series of which it forms a part are limited obligations of the City payable solely from the amounts pledged therefor under the Indenture.

No recourse shall be had for the payment of the principal of, premium, if any, or interest on any of the Bonds or for any claim based thereon or upon any obligation, covenant or agreement in the Indenture contained against any past, present or future officer, employee or agent, or member of the City Council of the City, or any successor to the City, as such, either directly or through the City, or any successor to the City, under any rule of law or equity, statute or constitution or by the enforcement of any assessment or penalty or otherwise, and all such liability of any such officer, employee or agent, or member of the City Council, as such, is hereby expressly waived and released as a condition of and in consideration for the execution of the Indenture and the issuance of any of the Bonds.

The owner of this Bond shall have no right to enforce the provisions of the Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any event of default under the Indenture, or to institute, appear in or defend any suit or other proceedings with respect thereto, except as provided in the Indenture.

The Indenture prescribes the manner in which it may be discharged and after which the Bonds shall no longer be secured by or entitled to the benefits of the Indenture, except as provided in the Indenture and for the purposes of registration and exchange of Bonds and of such payment, including a provision that the Bonds shall be deemed to be paid if Federal Obligations, as defined therein, maturing as to principal and interest in such amounts and at such times as to insure the availability of sufficient moneys to pay the principal of, premium, if any, and interest on the Bonds and all necessary and proper fees, compensation and expenses of the Trustee shall have been deposited with the Trustee.

Modifications or alterations of the Indenture, or of any supplements thereto, may be made only to the extent and in the circumstances permitted by the Indenture.

Section 2.08. Mutilated, Lost, Stolen or Destroyed Bonds. If any Bond is mutilated, lost, stolen or destroyed, the City may execute and the Trustee may authenticate a new Bond of like date, maturity, interest rate and denomination as the Bond mutilated, lost, stolen or destroyed, *provided* that, in the case of any mutilated Bond, such mutilated Bond shall first be surrendered to the Trustee, and in the case of any lost, stolen or destroyed Bond, there shall be

first furnished to the City and the Trustee evidence of such loss, theft or destruction satisfactory to the City and the Trustee, together with indemnity satisfactory to them. In the event any such Bond shall have matured, instead of issuing a substitute Bond the City may pay the same without surrender thereof. The City and the Trustee may charge the Registered Owner of such Bond with their reasonable fees and expenses in this connection. All Bonds so surrendered to the Trustee shall be cancelled and destroyed, and evidence of such destruction shall be given to the City. Upon the date of final maturity or redemption of all of the Bonds, the Trustee shall destroy any inventory of unissued certificates.

Section 2.09. Registration and Exchange of Bonds; Persons Treated as Owners. The City shall cause books for the registration and for the transfer of the Bonds as provided in this Twenty-Second Supplemental Indenture to be kept by the Trustee as the Bond Registrar of the City. Upon surrender for transfer of any Bond at the principal office of the Bond Registrar, duly endorsed for transfer or accompanied by an assignment duly executed by the Registered Owner or his or her attorney duly authorized in writing, the City shall execute and the Bond Registrar shall authenticate and deliver in the name of the transferee or transferees a fully registered Bond for a like aggregate principal amount.

Bonds may be exchanged at the principal office of the Bond Registrar for a like aggregate principal amount of fully registered Bonds of the same maturity of other authorized denominations. The City shall execute and the Bond Registrar shall authenticate and deliver Bonds which the Bondowners making the exchange are entitled to receive, bearing numbers not contemporaneously then outstanding. The execution by the City of any Bond of any denomination shall constitute full and due authorization of such denomination and the Bond Registrar shall thereby be authorized to authenticate and deliver such Bond.

The Bond Registrar shall not be required to register for transfer or exchange any undelivered Bond or any Bond after the giving of notice calling such Bond for redemption or partial redemption.

The person in whose name any fully registered Bond is registered at the close of business on any Record Date with respect to any Interest Payment Date shall be entitled to receive the interest payable on such Interest Payment Date notwithstanding the cancellation of such registered Bond upon any transfer or exchange thereof subsequent to the Record Date and prior to such Interest Payment Date, except if and to the extent there shall be a default in the payment of the interest due on such Interest Payment Date, in which case such defaulted interest shall be paid to the person in whose name such Bond is registered either at the close of business on the day preceding the date of payment of such defaulted interest or on a subsequent Record Date for such payment if one shall have been established as hereinafter provided. A subsequent Record Date may be established by or on behalf of the City by notice mailed to the Registered Owners of Bonds not less than 10 days preceding such Record Date, which Record Date shall be not more than 30 days prior to the subsequent interest payment date.

Except as provided in the Indenture, as to any Bond the person in whose name the same shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of principal, premium, if any, or interest on any Bond shall be made only to or upon the written order of the Registered Owner thereof or his legal representative. All such

payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

In each case the Bond Registrar shall require the payment by the Bondowner requesting exchange or transfer of any tax or other governmental charge required to be paid with respect to such exchange or transfer, but otherwise no charge shall be made to the Bondowner for such exchange or transfer.

Section 2.10. Book-Entry Provisions. The provisions of this Section shall apply so long as the Bonds are maintained in book-entry form with DTC or another Securities Depository, any provisions of this Twenty-Second Supplemental Indenture to the contrary notwithstanding.

(a) *Payments.* The Bonds shall be payable to the Securities Depository, or its nominee, as the Registered Owner of the Bonds, in next day funds on each date on which the principal of, premium, if any, and interest on the Bonds is due as set forth in this Twenty-Second Supplemental Indenture and in the Bonds. Such payments shall be made to the offices of the Securities Depository specified by the Securities Depository to the City and the Trustee in writing. Without notice to or the consent of the beneficial owners of the Bonds, the City and the Securities Depository may agree in writing to make payments of principal and interest in a manner different from that set forth herein. If such different manner of payment is agreed upon, the City shall give the Trustee notice thereof, and the Trustee shall make payments with respect to the Bonds in the manner specified in such notice as set forth herein. Neither the City nor the Trustee shall have any obligation with respect to the transfer or crediting of the principal of, premium, if any, and interest on the Bonds to Participants or the beneficial owners of the Bonds or their nominees.

(b) *Replacement of the Securities Depository.* If the City receives notice that the Securities Depository has received notice from its Participants having interests in at least 50% in principal amount of the Bonds that the Securities Depository or its successor is incapable of discharging its responsibilities as a securities depository or that it is in the best interests of the beneficial owners that they obtain certificated Bonds, the City shall cause the Trustee to authenticate and deliver Bond certificates. The City shall have no obligation to make any investigation to determine the occurrence of any events that would permit the City to make any determination described in this paragraph.

(c) *Discontinuance of Book-Entry or Change of Securities Depository.* If, following a determination or event specified in paragraph (b) above, the City discontinues the maintenance of the Bonds in book-entry form with the then current Securities Depository, the City will issue replacement Bonds to the replacement Securities Depository, if any, or, if no replacement Securities Depository is selected for the Bonds, directly to the Participants as shown on the records of the former Securities Depository or, to the extent requested by any Participant, to the beneficial owners of the Bonds shown on the records of such Participant. Replacement Bonds shall be in fully registered form and in Authorized Denominations, be payable as to interest on the Interest Payment Date of the Bonds by check or draft mailed to each Registered Owner at the address of such Registered Owner as it appears on the bond registration books maintained by the City for such purpose at the principal corporate trust office of the Trustee or at

the option of any Registered Owner of not less than \$1,000,000 original principal amount of Bonds, by wire transfer to any address in the continental United States of America on such Interest Payment Date to such Registered Owner as of such Record Date, if such Registered Owner provides the Trustee with written notice of such wire transfer address not later than the Record Date (which notice may provide that it will remain in effect with respect to subsequent Interest Payment Dates unless and until changed or revoked by subsequent notice). Principal and redemption premium, if any, on the replacement Bonds are payable only upon presentation and surrender of such replacement Bond or Bonds at the principal corporate trust office of the Trustee.

(d) *Effect of Book-Entry System.* The Securities Depository and its Participants and the beneficial owners of the Bonds, by their acceptance of the Bonds, agree that the City and the Trustee shall not have liability for the failure of such Securities Depository to perform its obligations to the Participants and the beneficial owners of the Bonds, nor shall the City or the Trustee be liable for the failure of any Participant or other nominee of the beneficial owners to perform any obligation of the Participant to a beneficial owner of the Bonds.

ARTICLE III

Redemption of Bonds Before Maturity

Section 3.01. Redemption Dates and Prices. The Bonds shall be subject to redemption prior to maturity in the amounts, at the times and in the manner provided in this Article III.

(a) *Optional Redemption.* The Bonds maturing on and after January 1, 20__ are subject to redemption at the option of the City on or after January 1, 20__, as a whole or in part at any time, and if in part, in such order of maturity as the City shall determine and within any maturity by lot, at a redemption price equal to the principal amount of each Bond to be redeemed, plus accrued interest to the date of the redemption.

(b) *Mandatory Sinking Fund Redemption.* The Bonds maturing on January 1, 20__ are subject to mandatory redemption, in part by lot as provided in the Indenture from mandatory Sinking Fund Payments, on January 1 in each of the years and in the respective principal amounts set forth below, at a redemption price equal to the principal amount thereof to be redeemed:

If the City redeems Bonds pursuant to optional redemption or purchases Bonds subject to mandatory redemption and cancels the same, then an amount equal to the principal

amount of Bonds of such maturity so redeemed or purchased shall be deducted from the mandatory redemption requirements as provided for such Bonds of such maturity in such order as the Chief Financial Officer of the City shall determine.

Section 3.02. Notice of Redemption. Notice of the redemption of Bonds or any portion thereof pursuant to Section 3.01 hereof identifying the Bonds or portions thereof to be redeemed, specifying the redemption date, the Redemption Price, the places and dates of payment and that from the redemption date interest will cease to accrue, shall be given by the Trustee by mailing a copy of such redemption notice not less than 30 nor more than 60 days prior to the date fixed for redemption, to the Registered Owner of each Bond to be redeemed in whole or in part at the address shown on the registration books. Redemption notices shall be sent by first class mail, except that notices to Registered Owners of at least \$1,000,000 of Bonds shall be sent by registered mail. Failure to mail any such notice to the Registered Owner of any Bond or any defect therein shall not affect the validity of the proceedings for such redemption of Bonds.

Any notice mailed as provided in this Section shall be conclusively presumed to have been duly given, whether or not the Registered Owner of any Bond receives the notice.

Section 3.03. Deposit of Funds. For the redemption of any of the Bonds, the City shall cause to be deposited in the Principal and Interest Account moneys sufficient to pay when due the principal of and premium, if any, and interest on the redemption date to be applied in accordance with the provisions of Section 4.05 hereof.

Section 3.04. Partial Redemption of Bonds. (a) If a Bond is of a denomination larger than the minimum Authorized Denomination, all or a portion of such Bond (equal to the minimum Authorized Denomination or any integral multiple thereof) may be redeemed but such Bond shall be redeemed only in a principal amount equal to the minimum Authorized Denomination or any integral multiple thereof.

(b) Upon surrender of any Bond for redemption in part only, the City shall execute and the Bond Registrar shall authenticate and deliver to the Registered Owner thereof, at the expense of the City, a new Bond or Bonds of Authorized Denominations in aggregate principal amount equal to the unredeemed portion of the Bond surrendered.

Section 4.05. Use of Moneys in Principal and Interest Account for Payment of Bonds. Section 4.06. Use of Moneys in the Capitalized Interest Account, the Costs of Issuance Account and the Program Fee Account. Moneys in the Capitalized Interest Account shall be used for transfer on the Deposit Date to the Principal and Interest Account to pay interest on the Bonds. Moneys in the Capitalized Interest Account may be used for such other purposes as are set forth in an opinion of Bond Counsel to the effect that such other use of such moneys is necessary in such counsel's opinion to preserve the exemption from Federal income taxes of interest on the Bonds.

Moneys in the Costs of Issuance Account shall be used solely for the payment or reimbursement of Costs of Issuance of the Bonds as directed in a Certificate filed with the Trustee. If after the payment of all Costs of Issuance, as specified in a Certificate filed with the

Trustee, there shall be any balance remaining in the Costs of Issuance Account, such balance shall be transferred to the Program Fee Account.

Moneys in the Program Fee Account shall be used solely for the payment of fees and expenses with respect to the Bonds as set forth in a Certificate filed with the Trustee.

Section 4.07. Tax Covenant. The City covenants to take any action required by the provisions of the Code and within its power to take in order to preserve the exemption from federal income taxation of interest on the Bonds (other than with respect to an alternative minimum tax imposed on interest on the Bonds), including, but not limited to, the provisions of Section 148 of the Code relating to "arbitrage bonds."

The City covenants to comply with the provisions of the Tax Certificates.

Section 4.08. Nonpresentment of Bonds. If any Bond shall not be presented for payment when the principal thereof becomes due, either at maturity, or at the date fixed for redemption thereof, or otherwise, if moneys sufficient to pay any such Bond shall have been made available to the Trustee for the benefit of the Registered Owner or Owners thereof, subject to the provisions of the immediately following paragraph, all liability of the City to the Registered Owner thereof for the payment of such Bond shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of the Trustee to hold such moneys, without liability for interest thereon, for the benefit of the Registered Owner of such Bond who shall thereafter be restricted exclusively to such moneys, for any claim of whatever nature on his or her part under the Indenture or this Twenty-Second Supplemental Indenture or on, or with respect to, such Bond.

Any moneys so deposited with and held by the Trustee not so applied to the payment of Bonds within two years after the date on which the same shall have become due shall be repaid by the Trustee to the City upon direction of an Authorized Officer, and thereafter the Registered Owners of such Bonds shall be entitled to look only to the City for payment, and then only to the extent of the amount so repaid, and all liability of the Trustee with respect to such moneys shall thereupon cease, and the City shall not be liable for any interest thereon and shall not be regarded as a trustee of such moneys.

Before being required to make any such payment to the City, the Trustee may, at the expense of the City, publish such notice as may be deemed appropriate by the Trustee listing the Bonds so payable and not presented, and stating that such moneys remain unclaimed and that after a date set forth therein any balance thereof then remaining will be paid to the City. The obligation of the Trustee under this Section 4.08 to pay any such funds to the City shall be subject, however, to any provisions of law applicable to the Trustee or to such funds providing other requirements for disposition of unclaimed property.

Section 4.09. Moneys to Be Held in Trust. All moneys required to be deposited with or paid to the Trustee for the account of any Fund or Account referred to in any provision of this Twenty-Second Supplemental Indenture shall be held by the Trustee in trust as provided in Section 1003 of the Indenture, and shall, while held by the Trustee, constitute part of the Trust Estate and be subject to the lien or security interest created hereby.

Section 4.10. Common Debt Service Reserve Account. (a) The City shall maintain the Common Debt Service Reserve Account in an amount equal to the Reserve Requirement, which requirement may be satisfied with (i) one or more Qualified Reserve Account Credit Instruments, (ii) Qualified Investments, or (iii) a combination thereof. Any Qualified Investments held to the credit of the Common Debt Service Reserve Account shall not have maturities extending beyond five years (except for any investment agreement, repurchase agreement or forward purchase agreement approved by the Insurer and each other insurer at the time insuring payment of any Common Reserve Bonds) and shall be valued in accordance with Section 305 of the Indenture. If on any valuation date as provided in Section 305 of the Indenture the amount on deposit in the Common Debt Service Reserve Account is more than the Reserve Requirement, the amount of such excess shall be transferred by the Trustee to the First Lien Trustee for deposit into the Revenue Fund established under the General Airport Revenue Bond Ordinance.

(b) If at any time the Common Debt Service Reserve Account holds both a Qualified Reserve Account Credit Instrument and Qualified Investments, the Qualified Investments shall be liquidated and the proceeds applied for the purposes for which Common Debt Service Reserve Account moneys may be applied under the Second Supplemental Indenture prior to any draw being made on the Qualified Reserve Account Credit Instrument. If the Common Debt Service Reserve Account holds Qualified Reserve Account Credit Instruments issued by more than one issuer, draws shall be made under such credit instruments on a *pro rata* basis to the extent of available funds. Amounts deposited in the 2006__ Dedicated Sub-Fund for the purpose of restoring amounts withdrawn from the Common Debt Service Reserve Account shall be applied first to reimburse the Qualified Credit Provider and thereby reinstate the Qualified Reserve Account Credit Instrument and next to make deposits into the Common Debt Service Reserve Account.

(c) The moneys in the Common Debt Service Reserve Account are held for the benefit of all Common Reserve Bonds issued or to be issued under the Indenture. On the date of initial issuance and sale of any Series of Third Lien Obligations intended to be Common Reserve Bonds, the City shall provide the Trustee a Certificate of the Chief Financial Officer to that effect and setting forth the amount of the deposit to be made from bond proceeds to fund the Reserve Requirement. Moneys in the Common Debt Service Reserve Account shall be held and disbursed for the benefit of all Common Reserve Bonds and such moneys are hereby pledged and assigned for that purpose.

(d) The City and the Trustee covenant and agree that the Common Debt Service Reserve Account is to be administered for the equal benefit, protection and security of the Owners of the Common Reserve Bonds and that, with respect to the Common Debt Service Reserve Account, all Outstanding Common Reserve Bonds are on a parity and rank equally without preference, priority or distinction.

Alternate Section 4.10. Debt Service Reserve Account. (a) The City shall maintain the Debt Service Reserve Account in an amount equal to the Reserve Requirement, which requirement may be satisfied with (i) one or more Qualified Reserve Account Credit Instruments, (ii) Qualified Investments, or (iii) a combination thereof. Any Qualified Investments held to the credit of the Debt Service Reserve Account shall not have maturities

extending beyond five years (except for any investment agreement, repurchase agreement or forward purchase agreement approved by the Insurer) and shall be valued in accordance with Section 305 of the Indenture. If on any valuation date as provided in Section 305 of the Indenture the amount on deposit in the Debt Service Reserve Account is more than the Reserve Requirement, the amount of such excess shall be transferred by the Trustee to the First Lien Trustee for deposit into the Revenue Fund established under the General Airport Revenue Bond Ordinance.

(b) If at any time the Debt Service Reserve Account holds both a Qualified Reserve Account Credit Instrument and Qualified Investments, the Qualified Investments shall be liquidated and the proceeds applied for the purposes for which Debt Service Reserve Account moneys may be applied under this Twenty-Second Supplemental Indenture prior to any draw being made on the Qualified Reserve Account Credit Instrument. If the Debt Service Reserve Account holds Qualified Reserve Account Credit Instruments issued by more than one issuer, draws shall be made under such credit instruments on a *pro rata* basis to the extent of available funds. Amounts deposited in the 2006__ Dedicated Sub-Fund for the purpose of restoring amounts withdrawn from the Debt Service Reserve Account shall be applied first to reimburse the Qualified Credit Provider and thereby reinstate the Qualified Reserve Account Credit Instrument and next to make deposits into the Debt Service Reserve Account.

[FORM OF REVERSE OF SERIES 2006__ BOND]

This Bond is one of an authorized series of bonds limited in aggregate principal amount to \$_____ (the "Bonds") issued pursuant to, under authority of and in full compliance with the Constitution and laws of the State of Illinois, particularly Article VII, Section 6(a) of the 1970 Constitution of the State of Illinois and an ordinance of the City Council of the City, and executed under a Master Indenture of Trust Securing Chicago O'Hare International Airport Third Lien Obligations dated as of March 1, 2002, as amended, from the City to LaSalle Bank National Association, in the City of Chicago, Illinois (the "Trustee"), as supplemented by a Twenty-Third Supplemental Indenture Securing Chicago O'Hare International Airport General Airport Third Lien Revenue Refunding Bonds, Series 2006__, dated as of _____, 2006, from the City to the Trustee (collectively, the "Indenture"), for the purpose of (i) refunding prior to maturity or paying at maturity certain outstanding Prior Airport Obligations (as defined in the Indenture), and (ii) paying costs and expenses incidental thereto and to the issuance of the Bonds.

The Bonds and the interest thereon are payable from Third Lien Revenues (as defined in the Indenture) pledged to the payment thereof under the Indenture and certain other moneys held by or on behalf of the Trustee, including all moneys drawn by the Trustee under the irrevocable Letter of Credit (together with any Alternate Letter of Credit or Fixed Rate Letter of Credit, the "Letter of Credit") of [Name of Bank], a banking corporation organized under the laws of _____ (together with any bank issuing an Alternate Letter of Credit or Fixed Rate Letter of Credit, the "Bank"), in favor of the Trustee, issued at the request and for the account of the City, and from any other moneys held by the Trustee under the Indenture for such purpose. The City and [Name of Bank], as issuer of the initial Letter of Credit, have entered into a Reimbursement Agreement dated as of _____, 2006, pursuant to which the City has agreed, among other things, to reimburse [Name of Bank], for amounts drawn under the initial Letter of Credit.

The initial Letter of Credit expires on _____, _____, and terminates upon the earlier occurrence of certain events described therein. The City may, but is not required, to extend the initial Letter of Credit or provide an Alternate Letter of Credit or Fixed Rate Letter of Credit after the expiration or termination of the initial Letter of Credit. Upon the expiration or termination of the initial Letter of Credit, any Alternate Letter of Credit or a Fixed Rate Letter of Credit, the Bonds shall be subject to mandatory tender for purchase five Business Days preceding the proposed expiration or termination date (the "Credit Substitution Date").

Copies of the Indenture are on file at the principal corporate trust office of the Trustee, and reference to the Indenture and any and all supplements thereto and modifications and amendments thereof is made for a description of the pledge and covenants securing the Bonds, the nature, extent and manner of enforcement of such pledge, the rights and remedies of the registered owners of the Bonds, and the limitations on such rights and remedies.

The Bonds are issuable only as fully registered Bonds in the authorized denominations described in the Indenture.

Interest Rate on Bonds

Prior to the Fixed Rate Conversion (as defined in the Indenture), the Bonds shall bear interest at a Variable Rate which may be a Weekly Rate or Flexible Rate. Interest on the Bonds shall be payable in arrears on each Interest Payment Date. "Interest Payment Date" means as to any Weekly Mode, the first Business Day of each calendar month, commencing _____, 2006; as to any Flexible Period, the Flexible Date on which the next succeeding Flexible Period begins and the Mode Adjustment Date at the end of a Flexible Mode; and as to the Fixed Mode, January 1 and July 1. The interest on the Bonds in a Weekly Mode or Flexible Mode shall be payable on the applicable Interest Payment Date as herein described, computed on the basis of a 365 or 366-day year, as applicable, for the number of days actually elapsed. The interest on the Bonds in the Fixed Mode shall be payable semiannually on January 1 and July 1 of each year, computed on the basis of a 360-day year, consisting of twelve 30-day months. The Bonds shall bear interest for each Rate Period at the rate determined by the Remarketing Agent (hereinafter defined) for such Rate Period.

During each Rate Period within an Interest Mode prior to Fixed Rate Conversion, the Bonds shall bear interest at the applicable Variable Rate determined as set forth below.

(A) During each Rate Period, the Variable Rate shall be that interest rate that, in the sole judgment of [Name of Remarketing Agent], or its successors or assigns as the Remarketing Agent (the "Remarketing Agent"), is necessary to enable the Remarketing Agent to sell the Bonds at a price equal to 100% of the principal amount thereof and accrued interest, if any, thereon. The Remarketing Agent shall determine the Variable Rate on each Rate Determination Date. The Variable Rate so determined shall become effective on the next succeeding Rate Adjustment Date unless the Rate Determination Date is also the Rate Adjustment Date, in which case, it shall become effective on such date.

(B) In determining the Variable Rate pursuant to the Indenture, the Remarketing Agent shall take into account to the extent applicable (1) market interest rates for comparable securities held by tax-exempt open-end municipal bond funds or other institutional or private investors with substantial portfolios (a) with interest rate adjustment periods and demand purchase options substantially identical to the Bonds, (b) bearing interest at a variable rate intended to maintain a value equal to 100 percent of the principal amount thereof, and (c) rated by a national credit rating agency in the same category as the Bonds; (2) other financial market rates and indices which may have a bearing on the Variable Rate (including, but not limited to, rates borne by commercial paper, tax-exempt commercial paper, HUD project notes, Treasury Bills, commercial bank prime rates, certificate of deposit rates, federal funds rates, the London Interbank Offered Rate, indices maintained by *The Bond Buyer* and other publicly available tax-exempt interest rate indices); (3) general financial market conditions (including current forward supply); and (4) industry, economic or financial conditions which may affect or be relevant to the Bonds.

(C) The determination by the Remarketing Agent in accordance with the Indenture of the Variable Rate to be borne by the Bonds shall be conclusive and binding on the owners of the Bonds. Failure by the Trustee to give any notice required under the Indenture, or

any defect therein, shall not affect the interest rate borne by the Bonds or the rights of the owners of the Bonds to tender such Bonds for purchase pursuant to the Indenture.

(D) If for any reason the position of Remarketing Agent is vacant or the Remarketing Agent fails to act on the Rate Determination Date, the Variable Rate shall be determined by the Trustee in the manner set forth in the Indenture.

(E) Anything in the Indenture or in the Bonds to the contrary notwithstanding, the maximum interest rate on the Bonds shall be the lesser of (i) 18 percent per annum, or (ii) if the Bonds are secured by a Letter of Credit, the maximum interest rate on the Bonds used for purposes of calculating the stated amount of the Letter of Credit.

Conversion to Fixed Rate on Bonds

(A) At the option of the City, the rate of interest payable on the Bonds shall be permanently converted from a Variable Rate to a Fixed Rate. The Fixed Rate Conversion Date shall be any Interest Payment Date for which the applicable notices described in the Indenture have been given. In order to exercise the Fixed Rate Conversion option, the City shall deliver a Mode Adjustment Notice to the Notice Parties directing such Fixed Rate Conversion, which notice must be accompanied by a Fixed Rate Letter of Credit or a binding commitment therefor or a statement by the City to the effect that no Fixed Rate Letter of Credit will be effective after the Fixed Rate Conversion Date. The City shall also deliver to the Trustee the opinion of Bond Counsel described below. The notice shall specify the Fixed Rate Conversion Date, which shall be not less than 35 days following the receipt by the Trustee of the Fixed Rate Conversion notice.

(B) No Fixed Rate shall be established unless, on or before 35 days prior to the Fixed Rate Conversion Date, an opinion of Bond Counsel has been delivered to the Trustee to the effect that the Fixed Rate Conversion in accordance with the provisions of the Indenture (1) is lawful under the Constitution and laws of the State of Illinois and complies with the provisions of the Indenture, and (2) will not adversely affect the exemption of interest on the Bonds from Federal income taxation (other than with respect to an alternative minimum tax imposed on interest on the Bonds). Such opinion shall be confirmed by such Bond Counsel on the Fixed Rate Conversion Date. Unless and until the conditions for Fixed Rate Conversion set forth in the Indenture are satisfied, the Bonds shall continue to bear interest at a Variable Rate as provided in the Indenture.

(C) Upon the Fixed Rate Conversion, the Bonds shall be subject to mandatory purchase as provided below, and the owners shall be notified of the Fixed Rate Conversion as provided herein and in the Indenture.

Interest Modes

(A) Prior to the Fixed Rate Conversion, each Interest Mode shall be either a Weekly Mode or Flexible Mode as described in the Indenture. The Interest Mode from the Date of Issuance until further designated by the Remarketing Agent will be a Weekly Mode. Thereafter, unless Fixed Rate Conversion has occurred, from time to time, the Remarketing Agent may designate an alternate Interest Mode (other than a Fixed Mode). The Remarketing

Agent shall evidence each such designation by giving a Mode Adjustment Notice to the Notice Parties in accordance with the Indenture. If, at the end of any Interest Mode, the Remarketing Agent does not designate an alternate Interest Mode as described herein, the next succeeding Interest Mode shall be of the same length as the Interest Mode then ending; provided, however, no Interest Mode shall extend beyond the final maturity date of the Bonds.

(B) Not later than five days following receipt by the Trustee of such Mode Adjustment Notice, the Trustee shall notify each owner in accordance with the Indenture of the new interest Mode. Failure by the Trustee to give such notice by mail, or any defect therein, shall not affect the validity of any mandatory purchase or extend the time when such mandatory purchase shall be made.

(C) For each Interest Mode, the frequency of each Interest Payment Date, the Record Date, the Rate Determination Date, the Rate Adjustment Date, the Mode Adjustment Notice, the Tender Notice, the Purchase Date, the Mandatory Purchase Date and the Notice of Mode Adjustment Date, shall be determined in accordance with the provisions of the Indenture.

Purchase of Bonds Upon Demand of Owners

(A) During any Weekly Mode, any Bond (other than a Pledged Bond or a Bank-owned Bond) shall be purchased by the Trustee in accordance with the Indenture on any Purchase Date at the Purchase Price thereof upon the demand of the owner. As a condition precedent to the purchase of Bonds on any Purchase Date, the owner must deliver to the Trustee at the Delivery Office of the Trustee (i) a Tender Notice not later than the time specified in the Indenture and (ii) unless other delivery has been made satisfactory to the Trustee at any time the Bonds are held in book-entry form by a Securities Depository (as defined in the Indenture), the Bonds, together with an appropriate instrument of transfer or a bond power endorsed in blank, not later than 12:00 noon (New York City time) on the Purchase Date. Owners delivering Bonds to the Trustee after the applicable time on the applicable date as set forth above during a Weekly Mode shall not be entitled to receive payment from the Trustee until the Business Day following the date of delivery of the Bonds.

(B) Provided the Tender Notice and the Bonds are delivered by the times and in the manner specified herein, tendered Bonds shall be purchased by the Trustee on the Purchase Date which shall be on the Business Day specified in the Tender Notice which is at least seven days (which day must be a Business Day) immediately following receipt of the Tender Notice by the Trustee and not later than the then next succeeding Mode Adjustment Date.

(C) Any Tender Notice received by the Trustee pursuant to the provisions hereof and the Indenture shall be effective upon receipt and shall be irrevocable. Owners of Bonds not providing the Trustee with the Bonds for which a Tender Notice has been delivered to the Trustee ("Undelivered Bonds") shall be deemed to have tendered such Bonds in accordance with the Indenture, provided there shall have been irrevocably deposited in trust with the Trustee amounts sufficient to pay the Purchase Price of the Undelivered Bonds on the Purchase Date. In the event of a failure by an owner to deliver his or her Bond on or prior to the Purchase Date, such owner shall not be entitled to any payment (including any interest accrued from or subsequent to such Purchase Date) other than the Purchase Price for such Undelivered Bonds,

and any Undelivered Bonds shall no longer be entitled to the benefits of the Indenture except for the purpose of payment of the Purchase Price therefor and interest thereon to such Purchase Date.

Mandatory Purchase

(A) The Bonds shall be subject to mandatory purchase prior to maturity at the Purchase Price:

- (1) on the Mode Adjustment Date beginning any Flexible Mode,
- (2) on the Fixed Rate Conversion Date,
- (3) on any Credit Substitution Date,
- (4) on the Interest Payment Date for any Flexible Period, and
- (5) on the day ten days after the Bank delivers notice to the Trustee of the occurrence of an event of default under the Reimbursement Agreement and that the Letter of Credit is being terminated pursuant to its terms by the Bank

(each such date to be a "Mandatory Purchase Date").

(B) The Trustee shall give notice to each owner that his or her Bond is subject to mandatory purchase on the Mandatory Purchase Date as provided in the Indenture.

Exchange and Transfer of Bonds

Bonds (other than Undelivered Bonds) may be transferred on the books of registration kept by the Bond Registrar by the owner in person or by his or her duly authorized attorney, upon surrender thereof, together with a written instrument of transfer executed by the owner or his or her duly authorized attorney. Upon surrender for registration of transfer of any Bond with all partial redemptions endorsed thereon at the principal office of the Bond Registrar, the City shall execute and the Trustee shall authenticate and deliver in the name of the transferee or transferees a new Bond or Bonds of the same maturity and interest rate, aggregate principal amount and tenor and of any authorized denomination or denominations and bearing numbers not contemporaneously outstanding under the Indenture.

Bonds (other than Undelivered Bonds) may be exchanged at the principal office of the Bond Registrar for an equal aggregate principal amount of Bonds in the appropriate form and in the same maturity and interest rate, aggregate principal amount and tenor and of any authorized denomination or denominations. The City shall execute and the Trustee shall authenticate and deliver Bonds which the Bondholder making the exchange is entitled to receive.

Such registration of transfer or exchange of Bonds shall be without charge to the owners of such Bonds, but any taxes or other governmental charges required to be paid with respect to the same shall be paid by the owners of the Bond requesting such transfer or exchange as a condition precedent to the exercise of such privilege.

The Bond Registrar shall not be required to register for transfer or exchange any Undelivered Bond or any Bond (i) with respect to which the Trustee or the Remarketing Agent, as the case may be, shall have received a Tender Notice, (ii) after the giving of notice calling such Bond for redemption or partial redemption has been made, (iii) after the giving of notice of the Credit Substitution Date or Mandatory Purchase Date (following receipt by the Trustee of notice from the Bank of the occurrence of an event of default under the Reimbursement Agreement), or (iv) after the Remarketing Agent has given a Mode Adjustment Notice pursuant to the Indenture or the City has given a notice of Fixed Rate Conversion pursuant to the Indenture; provided that after such Mode Adjustment Date, Credit Substitution Date, Mandatory Purchase Date or Fixed Rate Conversion, the Bond Registrar shall be required to register the transfer or exchange of Bonds.

The person in whose name any Bond is registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of or on account of principal, premium, if any, or interest shall be made only to or upon the order of the registered owner thereof or his or her duly authorized attorney, but such registration may be changed as hereinabove provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

Redemption Prior to Maturity

So long as the Bonds do not bear interest at a Fixed Rate, the Bonds are subject to redemption at the option of the City on any Interest Payment Date in whole or in part at a redemption price of 100% of the principal amount thereof, without premium, plus accrued interest to the redemption date.

When the Bonds bear interest at a Fixed Rate, the Bonds shall be subject to redemption at the option of the City in whole on any date or in part on any Interest Payment Date occurring on or after the date determined in accordance with the provisions of the Indenture at the redemption prices determined in accordance with the provisions of the Indenture.

The Bonds are subject to mandatory redemption, in part by lot as provided in the Indenture from mandatory Sinking Fund Payments, on January 1 in each of the years and in the respective principal amounts set forth below, at a redemption price equal to the principal amount thereof to be redeemed plus accrued interest to the date of redemption:

<u>Year</u>	<u>Principal Amount</u>
	\$

(maturity)

If the City redeems Bonds pursuant to optional redemption or purchases such Bonds and cancels the same, then an amount equal to the principal amount of Bonds of such maturity so redeemed or purchased shall be deducted from the mandatory redemption

requirements as provided for such Bonds of such maturity in such order as the City shall determine.

Upon the conversion of the Bonds to a Fixed Rate in accordance with the provisions of the Indenture, the City may direct the Trustee to select in advance of the date on which the Trustee would otherwise do so the Bonds to be redeemed pursuant to the foregoing schedule.

Notice of any such redemption must be given by the Trustee by first class mail not less than 30 nor more than 60 days prior thereto to the registered owners of the Bonds. Failure to mail any such notice to the registered owner of any Bond or any defect therein shall not affect the validity of the proceedings for such redemption of Bonds.

This Bond and all other Bonds of the series of which it forms a part are issued pursuant to an ordinance adopted by the City Council of the City, which ordinance authorizes the execution and delivery of the Indenture. This Bond and the series of which it forms a part are limited obligations of the City payable solely from the amounts pledged therefor under the Indenture.

No recourse shall be had for the payment of the principal of, premium, if any, or interest on any of the Bonds or for any claim based thereon or upon any obligation, covenant or agreement in the Indenture contained, against any past, present or future officer, employee or agent, or member of the City Council, of the City, or any successor to the City, as such, either directly or through the City, or any successor to the City, under any rule of law or equity, statute or constitution or by the enforcement of any assessment or penalty or otherwise, and all such liability of any such officer, employee or agent, or member of the City Council, as such, is hereby expressly waived and released as a condition of and in consideration for the execution of the Indenture and the issuance of any of the Bonds.

The owner of this Bond shall have no right to enforce the provisions of the Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any event of default under the Indenture, or to institute, appear in or defend any suit or other proceedings with respect thereto, except as provided in the Indenture.

The Indenture prescribes the manner in which it may be discharged and after which the Bonds shall no longer be secured by or entitled to the benefits of the Indenture, except as provided in the Indenture and for the purposes of registration and exchange of Bonds and of such payment, including a provision that the Bonds shall be deemed to be paid if Federal Obligations, as defined therein, maturing as to principal and interest in such amounts and at such times as to insure the availability of sufficient moneys to pay the principal of, premium, if any, and interest on the Bonds and all necessary and proper fees, compensation and expenses of the Trustee shall have been deposited with the Trustee.

Modifications or alterations of the Indenture, or of any supplements thereto, may be made only to the extent and in the circumstances permitted by the Indenture.

Section 2.03. Interest Rates on Bonds.

(a) **General.** The interest on the Bonds in a Weekly Mode or Flexible Mode shall be payable on the applicable Interest Payment Date as herein described, computed on the basis of a 365 or 366-day year, as applicable, for the number of days actually elapsed. The initial Interest Payment Date shall be _____, 2006. The interest on the Bonds in the Fixed Mode shall be payable semiannually on January 1 and July 1 of each year, computed on the basis of a 360-day year, consisting of twelve 30-day months. The Bonds shall bear interest for each Rate Period at the rate determined by the Remarketing Agent for such Rate Period. For the period from and including the date of initial authentication and delivery of the Bonds to and including _____, 2006, the interest rate on the Bonds shall be _____ % per annum.

(b) **Weekly Mode.** For a Weekly Mode the interest rate for the Bonds shall be determined in the following manner. At or before 2:00 p.m., New York City time, on each Rate Determination Date for each Weekly Mode the Remarketing Agent shall determine, in accordance with subparagraph (d) hereof, the Weekly Rate to be borne by the Bonds during the relevant Rate Period. The Weekly Rate so determined shall be effective as of the relevant Rate Adjustment Date. The Remarketing Agent shall promptly notify the Trustee of the Weekly Rate, promptly confirmed in writing.

(c) **Flexible Mode.** (1) For a Flexible Mode the interest rate on the Bonds shall be determined in the following manner. At or before 12:30 p.m., New York City time, on the Rate Determination Date for each Flexible Period the Remarketing Agent shall determine, in accordance with subparagraph (d) hereof, the Flexible Rate to be borne by the related Bond or Bonds during the relevant Rate Period. The Flexible Rate so determined shall be effective as of the relevant Rate Adjustment Date.

(2) Each Flexible Period shall be determined by the Remarketing Agent (which may be from one to 270 days) based upon the Remarketing Agent's judgment after consultation with the City that the length of the Flexible Period will be beneficial to the City. Interest on the Bonds bearing interest at a Flexible Rate will accrue from the Flexible Date commencing such Flexible Period to, and including, the last day of such Period.

Each Flexible Period shall be established by the Remarketing Agent such that:

(i) the Interest Payment Date for such Flexible Period is not less than ten days prior to the stated expiration date or termination date of the Letter of Credit then in effect;

(ii) the Interest Payment Date for such Flexible Period shall be a Business Day;

(iii) in the event any Bonds are subject to mandatory redemption or the City has given a directive to the Trustee to redeem Bonds pursuant to Section 3.01 hereof, no Flexible Period for such Bonds shall extend beyond the mandatory redemption date or redemption date provided in such directive; provided that in either case if the Bonds shall be redeemed in part, the Flexible Period for the Bonds not to be so redeemed may, but shall not be required to, extend beyond the redemption date provided in such directive; and

(iv) no Flexible Period determined by the Remarketing Agent shall extend beyond a Mode Adjustment Date, Fixed Rate Conversion Date or Credit Substitution Date.

There can be different Flexible Periods and thus different Flexible Rates for the Bonds at any one time.

The Flexible Period for each Bond that is not remarketed by the Remarketing Agent shall have a duration of one day; provided, however, that if the day succeeding any Flexible Period of one day's duration would not be a Business Day, such Flexible Period shall have a duration equal to the number of days required so that the day immediately succeeding the last day of such Flexible Period shall be a Business Day. Such Bond shall bear interest at the Flexible Rate corresponding to the duration of such Flexible Period, as determined by the Remarketing Agent, from the applicable Rate Adjustment Date through the expiration of such Flexible Period.

(3) The Remarketing Agent shall promptly notify the City, the Trustee and the Bank of the Flexible Rate and Flexible Period so determined, promptly confirmed in writing.

(d) The Remarketing Agent shall determine each Variable Rate on each Rate Determination Date as that rate which, in the sole judgment of the Remarketing Agent, shall be the interest rate borne by a Bond necessary to enable the Remarketing Agent to sell such Bond on such Rate Determination Date at a price equal to 100% of the principal amount and accrued interest, if any, thereon. In determining each Variable Rate pursuant to this Section 2.03, the Remarketing Agent shall take into account to the extent applicable (1) market interest rates for comparable securities held by tax exempt, open-end municipal bond funds or other institutional or private investors with substantial portfolios (i) with interest rate adjustment periods and demand purchase options substantially identical to the Bonds, (ii) bearing interest at a variable rate intended to maintain a value equal to 100% of the principal amount thereof, and (iii) rated by a national credit rating agency in the same category as the Bonds; (2) other financial market rates and indices which may have a bearing on the Variable Rate (including, but not limited to, rates borne by commercial paper, tax-exempt commercial paper, HUD project notes, Treasury Bills, commercial bank prime rates, certificate of deposit rates, federal funds rates, the London Interbank Offered Rate, indices maintained by *The Bond Buyer*, and other publicly available tax-exempt interest rate indices); (3) general financial market conditions (including current forward

supply); and (4) industry, economic or financial conditions which may affect or be relevant to the Bonds.

(e) The determination by the Remarketing Agent in accordance with this Section 2.03 of the Weekly Rate, the Flexible Period and the Flexible Rate shall be conclusive and binding on the owners of the Bonds and the Notice Parties. Failure by the Trustee or any Paying Agent to give any notice required hereunder, or any defect therein, shall not affect the interest rate borne by the Bonds or the rights of the owners thereof pursuant to Section 2.06 hereof.

(f) If for any reason the position of Remarketing Agent is vacant or the Remarketing Agent fails to act on the Rate Determination Date, (i) if the Bonds are in a Weekly Mode, the Weekly Rate for the immediately preceding Rate Period shall remain in effect until a new Remarketing Agent is appointed or the Remarketing Agent determines a new Weekly Rate, and (ii) if the Bonds are in the Flexible Mode, each successive Flexible Period shall be equal to 30 days and the Flexible Rate shall be equal to *The Bond Buyer Tax-Exempt Prime Commercial Paper Rate (30 days)* for the most recent period or any comparable composite rate for short-term, tax-exempt securities, as determined by the Trustee.

(g) Anything herein or in the Bonds to the contrary notwithstanding, no payment constituting interest on the Bonds shall be required to the extent that it exceeds the lesser of (i) ___% per annum, or (ii) if the Bonds are secured by a Letter of Credit, the maximum interest rate on the Bonds used for purposes of calculating the stated amount of the Letter of Credit.

Section 2.04. Conversion to Fixed Rate on Bonds. (a) At the option of the City, the rate of interest payable on the Bonds shall be permanently converted from a Variable Rate to the Fixed Rate. The Fixed Rate Conversion Date shall be any Interest Payment Date for which the applicable notices described in subparagraph (d) of this Section 2.04 have been given. In order to exercise the Fixed Rate Conversion option, the City shall deliver a Mode Adjustment Notice to the Notice Parties directing such Fixed Rate Conversion. The Mode Adjustment Notice shall specify the period during which the Fixed Rate shall be determined and the Fixed Rate Conversion Date, which shall be not less than 35 days following the receipt by the Trustee of such Fixed Rate Conversion notice. Such notice shall be accompanied by a Fixed Rate Letter of Credit or a binding commitment therefor or if no Fixed Rate Letter of Credit will be effective after the Fixed Rate Conversion Date, a statement by the City to that effect.

(b) No Fixed Rate shall be established unless, on or before 35 days prior to the Fixed Rate Conversion Date, an opinion of Bond Counsel has been delivered to the Trustee to the effect that the Fixed Rate Conversion in accordance with the provisions of this Twenty-Third Supplemental Indenture (1) is lawful under the Constitution and laws of the State and complies with the provisions of this Twenty-Third Supplemental Indenture, and (2) will not adversely affect the exclusion of interest on the Bonds from gross income for Federal income tax purposes (other than with respect to an alternative minimum tax imposed on interest on the Bonds). Such opinion of Bond Counsel shall be confirmed in writing by such Bond Counsel on the Fixed Rate Conversion Date.

(c) Unless and until the conditions for Fixed Rate Conversion set forth in this Section 2.04 are satisfied, the Bonds shall continue in the then current Interest Mode and continue to bear interest at a Variable Rate determined as provided in Section 2.03 hereof.

(d) Unless the City exercises its option not to convert as described in subparagraph (e) below, the Trustee shall give telephonic notice, confirmed in writing, to the Bank of the date of the Fixed Rate Conversion and shall mail by first class mail a notice to each owner of the Bonds not less than 30 days prior to the Fixed Rate Conversion Date stated in the notice from the City stating:

- (1) that the interest rate on the Bonds may be converted to a Fixed Rate;
- (2) the Fixed Rate Conversion Date;
- (3) that after the Fixed Rate Conversion the owners of the Bonds will no longer have the right to tender Bonds to the Trustee for purchase, specifying the last times and dates prior to the Fixed Rate Conversion Date on which such Bonds must be delivered for purchase, and upon which notice must be given; and
- (4) that all Bonds will be purchased pursuant to Section 2.08 hereof on the Fixed Rate Conversion Date.

(e) The City shall have the option, to be exercised prior to the date the Trustee mails a notice to each owner of the Bonds pursuant to subparagraph (d) above, to elect not to convert the Bonds to the Fixed Mode. The City shall give any such notice to the Notice Parties in writing. If the City elects not to convert the Bonds to the Fixed Mode, the Bonds shall continue in the then current Interest Mode and continue to bear interest at a Variable Rate determined as provided in Section 2.03 hereof.

(f) Not later than the last Business Day preceding the Fixed Rate Conversion Date, the Remarketing Agent shall determine the Fixed Rate as that rate of interest which, in the sole judgment of the Remarketing Agent, would result as nearly as practicable in the market value of the Bonds on the Fixed Rate Conversion Date being equal to 100% of the principal amount thereof. Notice of the Fixed Rate shall be promptly given by the Remarketing Agent to the Trustee and the other Notice Parties. In determining the Fixed Rate pursuant to this Section, the Remarketing Agent shall take into account to the extent applicable (1) market interest rates for comparable securities which are held by institutional and private investors with substantial portfolios (i) with a term equal to the period to maturity remaining on the Bonds, (ii) the interest on which is exempt from Federal income taxation, (iii) rated, if the Bonds are rated by a national credit rating agency, in the same rating category as the Bonds, and (iv) with redemption provisions similar to those of the Bonds; (2) other financial market rates and indices which have a bearing on the Fixed Rate (including, but not limited to, rates borne by industrial development bonds, pollution control revenue bonds, public power bonds, housing bonds, other revenue bonds, general obligation bonds, United States Treasury obligations, commercial bank prime rates, certificate of deposit rates, federal funds rates, indices maintained by *The Bond Buyer* and other publicly available tax-exempt interest rate indices); (3) general financial market conditions (including current forward supply); and (4) industry, economic or financial conditions which may affect or be relevant to the Bonds. Upon the date stated in the Mode Adjustment Notice as

the Fixed Rate Conversion Date, the Fixed Rate shall be effective and shall be equal to the Fixed Rate so determined by the Remarketing Agent.

(g) The determination of the Fixed Rate by the Remarketing Agent in accordance with this Section shall be conclusive and binding on the owners of the Bonds and the other Notice Parties.

(h) If for any reason the position of Remarketing Agent is vacant or the Remarketing Agent fails to act by the Fixed Rate Conversion Date, the Bonds shall continue to bear interest in the then current Interest Mode and continue to bear interest at the Variable Rate determined as provided in Section 2.03 hereof.

(i) Upon any Fixed Rate Conversion as provided in this Section, the Bonds shall be subject to mandatory purchase in accordance with Section 2.08 hereof, and the owners shall be notified of the Fixed Rate Conversion as provided herein and therein. No Bonds (other than Bonds remarketed as Fixed Rate Bonds) shall be remarketed by the Remarketing Agent subsequent to the date of notice of Fixed Rate Conversion unless the Remarketing Agent procures an acknowledgment from the purchaser of such remarketed Bonds of receipt of notice of (1) the Fixed Rate Conversion and (2) the fact that there may not be a Fixed Rate Letter of Credit in effect after the Fixed Rate Conversion. The Bonds shall be deemed purchased and shall be delivered to the Remarketing Agent for remarketing in accordance with Section 2.07 hereof.

(j) Not later than 31 days prior to a proposed Fixed Rate Conversion Date, the City may direct the Trustee in writing to select in advance of the date on which the Trustee would otherwise do so the Bonds to be redeemed prior to maturity pursuant to Section 3.01(b) hereof on each subsequent mandatory redemption date specified in such direction. Thereafter, but not later than ten days prior to the effective date of such conversion, the Trustee shall:

(1) assign a distinctive number (a "Tentative Serial Bond Number") to each \$5,000 in principal amount of the Bonds then outstanding;

(2) treating each Tentative Serial Bond Number as a separate Bond, select by lot in such manner as the Trustee deems appropriate and fair the particular Bonds to be redeemed on each subsequent mandatory redemption date specified in the City's direction, in such manner that the aggregate principal amount of Bonds required by Section 3.01(b) hereof to be redeemed on each such date shall be so redeemed;

(3) assign to each Bond selected to be redeemed prior to maturity a distinctive number (a "Permanent Serial Bond Number") corresponding to its Tentative Serial Bond Number, whereupon the Tentative Serial Bond Numbers previously assigned to all such Bonds and to any Bonds not so selected shall lapse and shall no longer be effective; and

(4) provide the City, the Remarketing Agent and the Bank with copies of a list of all Permanent Serial Bond Numbers assigned to the Bonds and the date on which each Bond bearing a Permanent Serial Bond Number is scheduled to be redeemed prior to its stated maturity.

The Trustee shall cause to be noted on each Bond thereafter authenticated the Permanent Serial Bond Number or Numbers, if any, assigned to such Bond and the date on which the Bond or a portion thereof in the principal amount of \$5,000 bearing such permanent Serial Bond Number is scheduled to be redeemed. In addition the Remarketing Agent shall apply for and, if available, cause to be printed on each Bond scheduled to be redeemed on a particular date pursuant to the preceding provisions of this Section a separate CUSIP number that, either on its face or by reference to an index or directory or otherwise, identifies the date on which such Bond is scheduled to be redeemed prior to its stated maturity date.

Solely for the purpose of selecting Bonds for redemption prior to maturity, whether at the option of the City pursuant to Section 3.01(b) hereof or otherwise, all of the Bonds scheduled to be redeemed on a particular date pursuant to the preceding provisions of this Section shall be deemed to mature on that date.

If any condition to the Fixed Rate Conversion to a Fixed Rate shall not have been satisfied on the Fixed Rate Conversion Date, the mandatory redemption dates determined pursuant to this Section 2.04(j) shall be of no force or effect.

Section 2.05. Interest Modes. (a) The Interest Mode from the Date of Issuance until further designated by the Remarketing Agent shall be a Weekly Mode. Thereafter, in order to designate a new Interest Mode which shall apply to all Bonds (other than as provided in Section 2.04 hereof which allows the City to convert to the Fixed Mode), the Remarketing Agent, in consultation with the City, shall provide a Mode Adjustment Notice to the Notice Parties stating (1) the Mode Adjustment Date, which date shall be an Interest Payment Date at least 20 days, in the case of a change to a Weekly Mode or Flexible Mode, after the date on which the Mode Adjustment Notice is received by the Trustee, and (2) the Interest Mode that will be effective on such Mode Adjustment Date; furthermore, in the case of a change from a Flexible Mode to any other Interest Mode, such Mode Adjustment Date must be an Interest Payment Date with respect to all Bonds. The Remarketing Agent may designate a new Interest Mode upon a determination by the Remarketing Agent that a change to the Interest Mode would result in the lowest overall cost to the City.

(b) Not later than five days following receipt by the Trustee of a Mode Adjustment Notice, the Trustee shall mail to each Bond owner by registered or certified mail a notice containing the same information as that contained in the Mode Adjustment Notice.

(c) The owners of the Bonds, by their acceptance of the Bonds, agree to tender their Bonds to the Trustee, as more specifically provided for in Section 2.08 hereof.

(d) If for any reason following the delivery of any Mode Adjustment Notice, a new Interest Mode, a new Rate Period or the Fixed Rate is not effective, the Bonds shall continue to bear interest in the then current Interest Mode, and all rights, privileges and obligations of the Bondholders and the Notice Parties shall continue as they were as though such Mode Adjustment Notice had not been given, except the provisions of Section 2.08 hereof shall be applicable. The failure of a new Interest Mode, a new Rate Period or the Fixed Rate to become effective shall not be deemed to be a default under this Twenty-Third Supplemental Indenture.

(e) From the date on which (1) the City gives notice to the Trustee of its election to redeem any Bonds pursuant to Section 3.01 hereof, (2) the Trustee gives the notice of a mandatory purchase pursuant to Section 2.08 hereof, or (3) the Remarketing Agent gives a Mode Adjustment Notice, to the day on which such redemption, purchase or Interest Mode adjustment is scheduled to occur, no new Interest Mode may become effective with respect to Bonds affected by such events. The Remarketing Agent shall upon designation of a Mode Adjustment Date or Fixed Rate Conversion Date only remarket Bonds for delivery not later than such Mode Adjustment Date or Fixed Rate Conversion Date, as the case may be.

(f) For each Interest Mode, the Interest Payment Date and method of calculating interest due, the Record Date, the dates of the Mode Adjustment Notice, the Optional Tender Notice, the Optional Tender Date, the date of delivery of Bonds upon Optional Tender, the Rate Determination Date, the Rate Adjustment Date and the date of the Notice of Variable/Fixed Rate shall be determined in accordance with the schedule set forth upon the following pages, provided that in the event of any conflict between the provisions of this Section 2.05(f) and any other provisions of this Twenty-Third Supplemental Indenture, such other provisions shall govern:

Section 2.06. Purchase of Bonds. (a) During any Weekly Mode, any Bond (other than Pledged Bonds or Bank-owned Bonds) shall be purchased by the Trustee in accordance with Section 9.06 hereof on any Purchase Date at the Purchase Price thereof upon the demand of the owner. As a condition precedent to the purchase of Bonds on any Purchase Date, the owner must deliver to the Trustee at its Delivery Office (i) a Tender Notice not later than 3:00 p.m., New York City time, on any Business Day, and (ii) unless other delivery has been made satisfactory to the Trustee at any time the Bonds are held in book-entry form by a Securities Depository, the Bonds, together with an appropriate instrument of transfer or a blank bond power, not later than 12:00 noon, New York City time, on the Purchase Date. Owners delivering Bonds to the Trustee after the applicable time on the applicable date as set forth above shall not be entitled to receive payment of the Purchase Price from the Trustee until the Business Day following the date of delivery of the Bonds.

Provided the Tender Notice and Bonds are delivered by the time and in the manner specified herein, tendered Bonds shall be purchased by the Trustee on the Purchase Date which shall be on the Business Day specified in the Tender Notice which is at least seven days (which day must be a Business Day) immediately following receipt of the Tender Notice by the Trustee and not later than the then next succeeding Mode Adjustment Date.

(b) Any Tender Notice received by the Trustee pursuant to this Section shall be effective upon receipt and shall be irrevocable. Any Bond for which such Tender Notice has been received shall be deemed to have been tendered on the Purchase Date, and such owner shall not be entitled to any payment (including any interest accrued from or subsequent to the Purchase Date) other than the Purchase Price for such Undelivered Bonds, and any Undelivered Bonds shall no longer be entitled to the benefits of the Indenture, except for the payment of the Purchase Price therefor and interest thereon to such Purchase Date.

(c) It is the express intention of the parties hereto that any purchase, sale or transfer of Bonds, as provided in this Section, shall not constitute or be construed to be the extinguishment of any Bonds or the reissuance of any Bonds.

(d) The Tender Notice shall state (i) the CUSIP number of the Bond, (ii) the principal amount thereof, and if less than all of the Bond is being tendered for purchase, the amount being tendered, (iii) the name of the registered owner of the Bond and (iv) the date such Bond is to be purchased, and the written Tender Notice shall be signed by the owner thereof, with such signature guaranteed by a commercial bank or trust company having an office or correspondent in New York City or a member organization of a registered national stock exchange.

Section 2.07. Remarketing of Bonds. (a) Upon the tender of any Bonds in accordance with Section 2.06 or 2.08 hereof, the Remarketing Agent shall offer for sale and use its best efforts to sell such Bonds (or portion thereof) on any Purchase Date or Mandatory Purchase Date for such Bonds at the Purchase Price. If the Bonds are not remarketed, the Remarketing Agent shall continue to use its best efforts to remarket the Bonds unless otherwise directed by the City.

(b) The Remarketing Agent shall not remarket any Bonds pursuant to this Section 2.07 (i) if an Event of Default shall have occurred and be continuing hereunder with respect to the Bonds or (ii) except in compliance with this Twenty-Third Supplemental Indenture.

Section 2.08. Mandatory Purchase. (a) The Bonds shall be subject to mandatory purchase prior to maturity at the Purchase Price (1) on the Mode Adjustment Date beginning any Flexible Mode, (2) on the Fixed Rate Conversion Date or on any Credit Substitution Date, (3) on the Interest Payment Date for any Flexible Period, and (4) on the day ten days after the Bank delivers notice to the Trustee of the occurrence of an event of default under the Reimbursement Agreement and that the Letter of Credit is being terminated pursuant to its terms by the Bank.

(b) The Trustee shall, prior to the Fixed Rate Conversion Date, give notice to each owner pursuant to Section 2.04(d) hereof.

(c) In connection with any mandatory purchase of Bonds upon a Mode Adjustment Date, the Trustee shall not later than five days following receipt of the Mode Adjustment Notice from the Remarketing Agent pursuant to Section 2.05(a) hereof send by first class mail a notice of mandatory purchase to each owner which in substance shall state the following:

- (1) the Mode Adjustment Date as set forth in Section 2.05 hereof;
- (2) that all owners of Bonds shall be deemed to have tendered their Bonds for purchase on the applicable Mode Adjustment Date; and
- (3) delivery instructions for the Bonds to be surrendered for mandatory purchase and the time by which such Bonds must be delivered.

Failure by the Trustee to give such notice by mail or any defect therein shall not affect the validity of any mandatory purchase or extend the time when such mandatory purchase shall be made.

(d) In connection with any mandatory purchase of Bonds upon a day described in paragraph (a)(4) of this Section, the Trustee shall not later than five days following receipt of the notice from the Bank send by registered or certified mail a notice of mandatory purchase to each owner which in substance shall state the following:

- (1) the Mandatory Purchase Date;
- (2) that all owners of Bonds subject to such mandatory purchase shall be deemed to have tendered their Bonds for purchase; and
- (3) delivery instructions for the Bonds to be surrendered for mandatory purchase and the time by which the Bonds must be delivered.

Failure to give any such notice to any owner of the Bonds or any defect therein shall not affect the validity of any such mandatory purchase or extend the time when such mandatory purchase shall be made.

(e) In connection with any Credit Substitution Date (other than as described in (d) above), the Trustee shall promptly give immediate notice by registered or certified mail, not less than 20 days and not more than 25 days prior to each Credit Substitution Date, to the Bank and to each owner of Bonds that all Bonds shall be subject to mandatory purchase on such Credit Substitution Date. Such notice shall state in substance the following:

- (1) on and after such Credit Substitution Date the Bonds will not be entitled to the benefit of the then existing Letter of Credit, and whether any Alternate Letter of Credit or Fixed Rate Letter of Credit will thereafter be in effect;
- (2) whether any rating on the Bonds issued by Moody's, S&P or any other rating agency then in effect will be reduced, suspended or withdrawn; provided if the Trustee shall not have been given notice and evidence that any such rating will or will not be reduced, suspended or withdrawn, the notice shall state that such rating on the Bonds may be reduced, suspended or withdrawn; and
- (3) that all owners of Bonds shall be deemed to have tendered such Bonds for purchase on such Credit Substitution Date.

Failure to give any such notice to any owner of the Bonds or any defect therein shall not affect the validity of any such mandatory purchase or extend the time when such mandatory purchase shall be made.

(f) In connection with Bonds in a Flexible Mode, the Remarketing Agent shall send by first class mail a confirmation notice to owners upon the purchase of Bonds by such owner which in substance shall state the following:

- (1) the Flexible Rate;
- (2) the Flexible Period;
- (3) the Interest Payment Date; and
- (4) the Mandatory Purchase Date.

(g) In the event the Bonds become subject to mandatory purchase pursuant to this Section 2.08, the Trustee shall hold any investments (or the proceeds thereof) in the Letter of Credit Account without reinvestment until the applicable Mandatory Purchase Date.

Section 2.09. Execution; Limited Obligations. The Bonds shall be executed on behalf of the City with the official manual or facsimile signature of the Mayor of the City and attested with the official manual or facsimile signature of its City Clerk, and shall have affixed, impressed, imprinted or otherwise reproduced thereon the corporate seal of the City or a facsimile thereof. The Bonds are issued pursuant to and in full compliance with the Constitution and laws of the State, and pursuant to an ordinance duly adopted by the City Council of the City, which ordinance authorizes the execution and delivery of this Twenty-Third Supplemental Indenture. The Bonds and the Series 2006__ Bank Obligations are not general obligations of the City but limited obligations payable solely from the Third Lien Revenues (except to the extent paid out of moneys attributable to the proceeds derived from the sale of the Bonds or to income from the temporary investment thereof) and from moneys drawn under the Letter of Credit and shall be a valid claim of the respective Registered Owners thereof only against the 2006__ Dedicated Sub-Fund and other moneys held by the Trustee or otherwise pledged therefor, which amounts are hereby pledged, assigned and otherwise held as security for the equal and ratable payment of the Bonds and the Series 2006__ Bank Obligations and shall be used for no other purpose than to pay the principal of, premium, if any, and interest on the Bonds and the Series 2006__ Bank Obligations, except as may be otherwise expressly authorized in the Indenture or in this Twenty-Third Supplemental Indenture. The Bonds shall not constitute an indebtedness of the City or a loan of credit thereof within the meaning of any constitutional or statutory limitation, and neither the faith and credit nor the taxing power of the City, the State or any political subdivision thereof is pledged to the payment of the principal of, premium, if any, or the interest on the Bonds or other costs incident thereto. In case any officer whose signature or a facsimile of whose signature shall appear on the Bonds shall cease to be such officer before the delivery of such Bonds, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes, as if he or she had remained in office until delivery.

Section 2.10. Authentication. No Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit under this Twenty-Third Supplemental Indenture unless and until such certificate of authentication in substantially the form hereinabove set forth shall have been duly executed by the Trustee, and such executed certificate of the Trustee, upon any such Bond shall be conclusive evidence that such Bond has been authenticated and delivered under this Twenty-Third Supplemental Indenture. The Trustee's certificate of authentication on any Bond shall be deemed to have been executed by it if (a) signed by an authorized signatory of the Trustee, but it shall not be necessary that the same signatory sign the certificate of authentication on all of the Bonds issued hereunder, and (b) the date of authentication on the Bond is inserted in the place provided therefor on the certificate of authentication.

Section 2.11. Form of Bonds; Temporary Bonds. The Bonds issued under this Twenty-Third Supplemental Indenture shall be substantially in the form hereinbefore set forth, with such appropriate variations, omissions and insertions as are permitted or required by this Twenty-Third Supplemental Indenture.

Pending preparation of definitive Bonds, or by agreement with the purchasers of the Bonds, the City may issue and, upon its request, the Trustee shall authenticate, in lieu of definitive Bonds, one or more temporary printed or typewritten Bonds in Authorized Denominations of substantially the tenor recited above. Upon request of the City, the Trustee shall authenticate definitive Bonds in exchange for and upon surrender of an equal principal amount of temporary Bonds. Until so exchanged, temporary Bonds shall have the same rights, remedies and security hereunder as definitive Bonds.

Section 2.12. Delivery of Bonds. Upon the execution and delivery of this Twenty-Third Supplemental Indenture, the City shall execute and deliver to the Trustee, and the Trustee shall authenticate, the Bonds and deliver them to the purchasers as may be directed by the City as hereinafter in this Section 2.12 provided.

Prior to the delivery by the Trustee of any of the Bonds there shall be filed with the Trustee:

- (1) A copy, duly certified by the City Clerk of the City, of the Ordinance;
- (2) A copy, duly certified by the City Clerk of the City, of the General Airport Revenue Bond Ordinance;
- (3) Original executed counterparts of the Indenture, this Twenty-Third Supplemental Indenture, the Reimbursement Agreement and the Remarketing Agreement and the executed Letter of Credit;

(4) A Counsel's Opinion or Opinions to the effect that (i) the City had the right and power to adopt the General Airport Revenue Bond Ordinance and the Ordinance; (ii) the General Airport Revenue Bond Ordinance and the Ordinance have been duly and lawfully adopted by the City Council, are in full force and effect and are valid and binding upon the City and enforceable in accordance with their terms; (iii) the Indenture and this Twenty-Third Supplemental Indenture have been duly and lawfully authorized by all necessary action on the part of the City, have been duly and lawfully executed by authorized officers of the City, are in full force and effect and are valid and binding upon the City and enforceable in accordance with their terms (except as limited by any applicable bankruptcy, liquidation, reorganization, insolvency or other similar laws or by general principles of equity if equitable remedies are sought); (iv) the Indenture and this Twenty-Third Supplemental Indenture create the valid pledge of Third Lien Revenues and moneys and securities which they purport to create; and (v) upon the execution, authentication and delivery thereof, the Bonds will have been duly and validly authorized and issued in accordance with the Constitution and laws of the State, the Indenture, this Twenty-Third Supplemental Indenture and the Ordinance;

(5) A written order as to the delivery of the Bonds, signed by an Authorized Officer and stating (i) the identity of the purchasers, the aggregate purchase price and date and place of delivery and (ii) that no Event of Default has occurred and is continuing under the General Airport Revenue Bond Ordinance, the Indenture or this Twenty-Third Supplemental Indenture;

(6) The certificate of the City required by Section 206(e) of the Indenture; and

(7) Either (a) a Certificate of an Independent Airport Consultant or a Certificate of the City complying with Section 206(f) of the Indenture or (b) a Certificate of the City complying with Section 207(b) of the Indenture.

Section 2.13. Mutilated, Lost, Stolen or Destroyed Bonds. In the event any Bond is mutilated, lost, stolen or destroyed, the City may execute and the Trustee may authenticate a new Bond of like date, maturity, interest rate and denomination as the Bond mutilated, lost, stolen or destroyed; provided that, in the case of any mutilated Bond, such mutilated Bond shall first be surrendered to the Trustee, and in the case of any lost, stolen or destroyed Bond, there shall be first furnished to the City and the Trustee evidence of such loss, theft or destruction satisfactory to the City and the Trustee, together with indemnity satisfactory to them. In the event any such Bond shall have matured, instead of issuing a substitute Bond the City may pay the same without surrender thereof. The City and the Trustee may charge the Registered Owner of such Bond with their reasonable fees and expenses in this connection. All Bonds so surrendered to the Trustee shall be cancelled and destroyed, and evidence of such destruction shall be given to the City. Upon the date of final maturity or redemption of all of the Bonds, the Trustee shall destroy any inventory of unissued certificates.

Section 2.14. Registration and Exchange of Bonds; Persons Treated as Owners. The City shall cause books for the registration and for the transfer of the Bonds as provided in this Twenty-Third Supplemental Indenture to be kept by the Trustee as the Bond Registrar of the City. Upon surrender for transfer of any Bond at the principal office of the Bond

Registrar, duly endorsed for transfer or accompanied by an assignment duly executed by the Registered Owner or his or her attorney duly authorized in writing, the City shall execute and the Bond Registrar shall authenticate and deliver in the name of the transferee or transferees a new fully registered Bond for a like aggregate principal amount.

Bonds may be exchanged at the principal office of the Bond Registrar for a like aggregate principal amount of fully registered Bonds of the same maturity of other authorized denominations. The City shall execute and the Bond Registrar shall authenticate and deliver Bonds which the Bondowners making the exchange are entitled to receive, bearing numbers not contemporaneously then outstanding. The execution by the City of any Bond of any denomination shall constitute full and due authorization of such denomination and the Bond Registrar shall thereby be authorized to authenticate and deliver such Bond.

The Bond Registrar shall not be required to register for transfer or exchange any Undelivered Bond or any Bond (a) with respect to which any Paying Agent, the Trustee or the Remarketing Agent shall have received a Tender Notice, (b) after the giving of notice calling such Bond for redemption or partial redemption, (c) after the giving of notice of a Credit Substitution Date or Mandatory Purchase Date (following receipt of notice of default from the Bank), or (d) after the City has given a Mode Adjustment Notice or a notice of the Fixed Rate Conversion; provided that on the applicable Purchase Date for such Bonds or after such Mode Adjustment Date, Credit Substitution Date, Mandatory Purchase Date or Fixed Rate Conversion, the Bond Registrar shall be required to register the transfer or exchange of Bonds.

The person in whose name any fully registered Bond is registered at the close of business on any Record Date with respect to any Interest Payment Date shall be entitled to receive the interest payable on such Interest Payment Date notwithstanding the cancellation of such registered Bond upon any transfer or exchange thereof subsequent to the Record Date and prior to such Interest Payment Date, except if and to the extent there shall be a default in the payment of the interest due on such Interest Payment Date, in which case such defaulted interest shall be paid to the person in whose name such Bond is registered either at the close of business on the day preceding the date of payment of such defaulted interest or on a subsequent Record Date for such payment if one shall have been established as hereinafter provided. A subsequent Record Date may be established by or on behalf of the City by notice mailed to the Registered Owners of Bonds not less than ten days preceding such Record Date, which Record Date shall be not more than 30 days prior to the subsequent Interest Payment Date.

Except as provided in the Indenture, as to any Bond the person in whose name the same shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of principal, premium, if any, or interest on any Bond shall be made only to or upon the written order of the Registered Owner thereof or his or her legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

The Bond Registrar shall require the payment by any Registered Owner requesting any exchange or transfer of any tax or other governmental charge required to be paid with respect to such exchange or transfer, but otherwise no charge shall be made to the Registered Owner for such exchange or transfer.

Section 2.15. Book-Entry Provisions. The provisions of this Section shall apply so long as the Bonds are maintained in book-entry form with DTC or another Securities Depository, any provisions of this Twenty-Third Supplemental Indenture to the contrary notwithstanding.

(a) Payments. The Bonds shall be payable to the Securities Depository, or its nominee, as the Registered Owner of the Bonds, in same day funds on each date on which the principal of, premium, if any, and interest on the Bonds is due as set forth in this Twenty-Third Supplemental Indenture and in the Bonds. Such payments shall be made to the offices of the Securities Depository specified by the Securities Depository to the City and the Trustee in writing. Without notice to or the consent of the beneficial owners of the Bonds, the City and the Securities Depository may agree in writing to make payments of principal and interest in a manner different from that set forth herein. If such different manner of payment is agreed upon, the City shall give the Trustee notice thereof, and the Trustee shall make payments with respect to the Bonds in the manner specified in such notice as set forth herein. Neither the City nor the Trustee shall have any obligation with respect to the transfer or crediting of the principal of, premium, if any, and interest on the Bonds to Participants or the beneficial owners of the Bonds or their nominees.

(b) Replacement of the Securities Depository. If the City receives notice that the Securities Depository has received notice from its Participants having interests in at least 50% in principal amount of the Bonds that the Securities Depository or its successor is incapable of discharging its responsibilities as a securities depository or that it is in the best interests of the beneficial owners that they obtain certificated Bonds, the City shall cause the Trustee to authenticate and deliver Bond certificates. The City shall have no obligation to make any investigation to determine the occurrence of any events that would permit the City to make any determination described in this paragraph.

(c) Discontinuance of Book-Entry or Change of Securities Depository. If, following a determination or event specified in paragraph (b) above, the City discontinues the maintenance of the Bonds in book-entry form with the then current Securities Depository, the City will issue replacement Bonds to the replacement Securities Depository, if any, or, if no replacement Securities Depository is selected for the Bonds, directly to the Participants as shown on the records of the former Securities Depository or, to the extent requested by any Participant, to the beneficial owners of the Bonds shown on the records of such Participant. Replacement Bonds shall be in fully registered form and in Authorized Denominations, be payable as to interest on the Interest Payment Dates of the Bonds by check or draft mailed to each Registered Owner at the address of such Registered Owner as it appears on the bond registration books maintained by the City for such purpose at the principal corporate trust office of the Trustee or at the option of any Registered Owner of not less than \$1,000,000 principal amount of Bonds, by wire transfer to any address in the continental United States of America on such Interest Payment Date to such Registered Owner as of such Record Date, if such Registered Owner provides the Trustee with written notice of such wire transfer address not later than the Record Date (which notice may provide that it will remain in effect with respect to subsequent Interest Payment Dates unless and until changed or revoked by subsequent notice). Principal and premium, if any, on the replacement Bonds are payable only upon presentation and surrender of such replacement Bond or Bonds at the principal corporate trust office of the Trustee.

(d) Effect of Book-Entry System. The Securities Depository and its Participants and the beneficial owners of the Bonds, by their acceptance of the Bonds, agree that the City and the Trustee shall not have liability for the failure of such Securities Depository to perform its obligations to the Participants and the beneficial owners of the Bonds, nor shall the City or the Trustee be liable for the failure of any Participant or other nominee of the beneficial owners to perform any obligation of the Participant to a beneficial owner of the Bonds.

(e) So long as Cede & Co. is the Registered Owner of the Bonds, as nominee of DTC, references herein to the Registered Owners or owners of the Bonds shall mean Cede & Co. and shall not mean the Beneficial Owners of the Bonds.

(f) So long as Cede & Co. is the Registered Owner of the Bonds:

(i) selection of Bonds to be redeemed upon partial redemption, presentation of Bonds to the Trustee upon partial redemption, delivery of Bonds to the Trustee in connection with an optional or mandatory tender, or redelivery of such Bonds by the Trustee to owners following a remarketing or failed conversion to the Fixed Rate shall be deemed made when the right to exercise ownership rights in such Bonds through DTC or DTC's Participants is transferred by DTC on its books;

(ii) notice of a demand for purchase of Bonds pursuant to Section 2.06 hereof shall be given by the beneficial owner of such Bonds exercising ownership rights to the Remarketing Agent (pursuant to DTC's Deliver Order procedures) by telephonic notice (confirmed in writing) or written notice;

(iii) any notices of the interest rate on the Bonds to be provided by the Trustee shall be provided to anyone identifying itself to the Trustee as a person entitled to exercise ownership rights with respect to such Bonds through DTC or its Participants;

(iv) DTC may present notices, approvals, waivers or other communications required or permitted to be made by owners under this Indenture on a fractionalized basis on behalf of some or all of those persons entitled to exercise ownership rights in the Bonds through DTC or its Participants; and

(v) Beneficial interests in Bonds deemed to be held in the Custody Account shall be held for the account of the Trustee (or its Participant) on the records of DTC.

ARTICLE III

Redemption of Bonds Before Maturity

Section 3.01. Redemption Dates and Prices. The Bonds shall be subject to redemption prior to maturity in the amounts, at the times and in the manner provided in this Article III. When Bonds bear interest at a Variable Rate, all payments of the redemption price of the Bonds shall be made on the dates hereinafter required in Federal or other immediately available funds.

(a) Optional Redemption.

(1) Optional Redemption Without Premium During Variable Interest Rate Periods. So long as the Bonds do not bear interest at a Fixed Rate, the Bonds are subject to redemption at the option of the City on any Interest Payment Date in whole or in part, at a redemption price of 100 percent of the principal amount thereof, without premium, plus accrued interest to the redemption date upon receipt by the Trustee not less than 45 days prior to such redemption date of a written direction from the City stating that it intends to exercise its option to effect redemption of such Bonds.

(2) Optional Redemption With Premium During Fixed Rate Period. When the Bonds bear interest at a Fixed Rate, the Bonds shall be non-callable for redemption for the first ten years after the Fixed Rate Conversion Date. On and after the Interest Payment Date which is or which next follows the tenth anniversary of the Fixed Rate Conversion Date, the Bonds shall be subject to redemption at a redemption price of 102 percent, which redemption price shall decline by one percent per annum.

Mandatory Sinking Fund Redemption. The Bonds are subject to mandatory redemption, in part by lot as provided in the Indenture from mandatory Sinking Fund Payments, on January 1 in each of the years and in the respective principal amounts set forth below, at a redemption price equal to the principal amount thereof to be redeemed:

<u>Year</u>	<u>Principal Amount</u>
	\$

(maturity)

If the City redeems Bonds pursuant to optional redemption or purchases such Bonds and cancels the same, then an amount equal to the principal amount of Bonds of such maturity so redeemed or purchased shall be deducted from the mandatory redemption requirements as provided for such Bonds of such maturity in such order as the Chief Financial Officer of the City shall determine.

Section 3.02. Notice of Redemption.

(a) Notice of the redemption of Bonds or any portion thereof pursuant to Section 3.01 hereof identifying the Bonds or portions thereof to be redeemed, specifying the redemption date, the Redemption Price, the places and dates of payment and that from the redemption date interest will cease to accrue, shall be given by the Trustee by mailing a copy of such redemption notice by first class mail not less than 30 nor more than 60 days prior to the date fixed for redemption, to the Registered Owner of each Bond to be redeemed in whole or in part at the address shown on the registration books. Failure to mail any such notice to the Registered Owner of any Bond or any defect therein shall not affect the validity of the proceedings for such redemption of Bonds.

(b) In addition to the requirements of subsection (a), notice of the redemption of Bonds or any portion thereof pursuant to Section 3.01 hereof identifying the Bonds or portions thereof to be redeemed shall specify (i) the series name and designation and certificate numbers of Bonds being redeemed, (ii) the CUSIP numbers of the Bonds being redeemed, (iii) the principal amount of Bonds being redeemed and the redeemed amount for each certificate (for partial calls), (iv) the redemption date, (v) the Redemption Price, (vi) the Date of Issuance, (vii) the interest rate and maturity date of the Bonds being redeemed, (viii) the date of mailing of notices to Registered Owners and information services, and (ix) the name of the employee of the Trustee which may be contacted with regard to such notice.

(c) Redemption notices shall be sent by first class mail, postage prepaid.

(d) Redemption notices shall also be sent by registered mail, at least 30 days but not more than 60 days prior to the redemption date, to two national information services that disseminate redemption information as determined by the Trustee so long as such services exist.

(e) A second redemption notice shall be sent by first class mail, not more than 60 days after the redemption date to any Registered Owner of a Bond called for redemption who has not presented Bonds within 30 days following the redemption date.

(f) In the event of an advance refunding of the Bonds, a notice of such event shall be given as required above for redemptions at least 30 days but not more than 60 days prior to the actual redemption date.

Notwithstanding the forgoing, failure to comply with the provisions of paragraph (b) through (g), inclusive, of this Section 3.02 shall not affect the validity of proceedings for the redemption of Bonds.

Section 3.03. Deposit of Funds. For the redemption of any of the Bonds, the City shall cause to be deposited in the Principal and Interest Account moneys sufficient to pay when due the principal of and premium, if any, and interest on the redemption date to be applied in accordance with the provisions of Section 4.05 hereof.

Section 3.04. Partial Redemption of Bonds; Selection of Bonds for Redemption.

(a) In case a Bond is of a denomination larger than the minimum Authorized Denomination, all or a portion of such Bond (equal to the minimum Authorized Denomination or any integral multiple thereof) may be redeemed but such Bond shall be redeemed only in a principal amount equal to the minimum Authorized Denomination or any integral multiple thereof.

(b) Upon surrender of any Bond for redemption in part only, the City shall execute and the Bond Registrar shall authenticate and deliver to the Registered Owner thereof, at the expense of the City, a new Bond or Bonds of Authorized Denominations in aggregate principal amount equal to the unredeemed portion of the Bond surrendered.

(c) If less than all of the Bonds of a maturity are called for redemption, the Bonds (or portions thereof) to be redeemed shall be selected by lot by the Trustee; provided, however, that in the event of the redemption of any Bonds pursuant to the provisions of Section 3.01(b) hereof, or, at the option of the City, in the event of the redemption of any other Bonds, any Bonds on deposit in the Custody Account shall be redeemed prior to the redemption of any other Bonds. The Trustee shall promptly notify the other Notice Parties in writing of the Bonds (or portions thereof) selected for redemption.

If the owner of any such Bond of a denomination greater than the minimum Authorized Denomination shall fail to present such Bond to the Bond Registrar for payment and exchange as aforesaid, such Bond shall, nevertheless, become due and payable on the date fixed for redemption to the extent of the unit or units of principal amount called for redemption (and to that extent only).

On January 1 and July 1 of each year, commencing _____, ____ (each such date referred to herein as the "Deposit Date") there shall be deposited into the 2006__ Dedicated Sub-Fund from amounts on deposit in the Third Lien Revenue Fund an amount equal to the aggregate of the following amounts, which amounts shall have been calculated by the Trustee on the next preceding December 5 or June 5 (in the case of each January 1 or July 1, respectively) (such aggregate amount with respect to any Deposit Date being referred to herein as the "Series 2006__ Deposit Requirement"):

(a) for deposit into the Principal and Interest Account, the amount, projected to be required as of the close of business on the applicable January 1 or July 1 next succeeding

such date of calculation to restore the Principal and Interest Account to an amount equal to the Principal and Interest Account Requirement;

(b) for deposit into the Debt Service Reserve Account, the amount, if any, projected to be required as of the close of business on the applicable January 1 or July 1 next succeeding such date of calculation to restore the Debt Service Reserve Account to an amount equal to the Reserve Requirement; and

In addition to the Series 2006__ Deposit Requirement, there shall be deposited into the 2006__ Dedicated Sub-Fund any other moneys received by the Trustee under and pursuant to the Indenture or this Twenty-Third Supplemental Indenture, when accompanied by directions from the person depositing such moneys that such moneys are to be paid into the 2006__ Dedicated Sub-Fund and to one or more accounts therein.

Upon calculation by the Trustee of each Series 2006__ Deposit Requirement under this Section 4.05, the Trustee shall notify the City of the Series 2006__ Deposit Requirement and the Deposit Date to which it relates together with such supporting documentation and calculations as the City may reasonably request.

Section 4.06. Use of Moneys in Certain Accounts for Payment of Bonds and Series 2006__ Bank Note. Moneys in the Letter of Credit Account, the Principal and Interest Account and the Debt Service Reserve Account shall be used solely for the payment of the principal of, premium, if any, and interest on the Bonds, for the redemption of the Bonds prior to maturity, for the reimbursement of the Bank for draws on the Letter of Credit and for the payment of the principal of and interest on the Series 2006__ Bank Note. Funds for such payments shall be derived from the following source or sources but only in the following order of priority:

(a) for payment of principal of and interest on the Bonds on each Payment Date with respect to the Bonds (except for Pledged Bonds and Bank-owned Bonds), so long as the Letter of Credit shall be in effect, from moneys held in the Letter of Credit Account, which Account shall be held for the sole and exclusive benefit of the owners of the Bonds;

(b) for payment of principal of, premium, if any, and interest due on each Payment Date with respect to the Bonds (including the optional redemption of Bonds pursuant to Section 3.01(a) hereof) and not otherwise provided for, for payment of principal of and interest due on each Payment Date with respect to the Series 2006__ Bank Note, from moneys held in the Principal and Interest Account, ratably, without preference or priority of any kind; provided,

however, that so long as the Letter of Credit shall be in effect, such principal of and interest on the Bonds (except for Pledged Bonds and Bank-owned Bonds) shall be paid from a draw or draws on the Letter of Credit and moneys held in the Principal and Interest Account shall be used on such Payment Date to reimburse the Bank in an amount not to exceed such draw or draws; and

(c) for payment of principal of, premium, if any, and interest due on each Payment Date with respect to the Bonds and not otherwise provided for, and for payment of principal of and interest due on each Payment Date with respect to the Series 2006__ Bank Note, from amounts held in the Debt Service Reserve Account (except for amounts therein representing investment income required to be paid to the First Lien Trustee pursuant to Section 6.02 hereof), ratably, without preference or priority of any kind; provided, however, that so long as the Letter of Credit shall be in effect, such principal of and interest on the Bonds (except for Pledged Bonds and Bank-owned Bonds) shall be paid from a draw or draws on the Letter of Credit and moneys held in the Debt Service Reserve Account shall be used on such Payment Date to reimburse the Bank in an amount not to exceed such draw or draws.

When the Bonds bear interest at a Flexible Rate, on the first Business Day of each month or on such date as may be required pursuant to Section 5.02(c) hereof, the Trustee shall withdraw from the Principal and Interest Account and pay to the Bank an amount sufficient to reimburse the Bank for the draw made on the Letter of Credit pursuant to Section 5.02(c) hereof on such date.

Section 4.07. Use of Moneys in the Costs of Issuance Account and the Program Fee Account. Moneys deposited into the Costs of Issuance Account pursuant to Section 4.03(g) shall be used solely for the payment of Costs of Issuance of the Bonds as directed in a Certificate filed with the Trustee. If after the payment of all Costs of Issuance, as specified in a certificate filed with the Trustee, there shall be any balance remaining in the Costs of Issuance Account, such balance shall be transferred to the Program Fee Account. Moneys deposited into the Program Fee Account pursuant to Section 4.03(d) hereof shall be used solely for the payment of Program Fees payable by the City to third parties, including the Bank, with respect to the Bonds as set forth in a Certificate filed with the Trustee.

Section 4.08. Tax Covenants. The City covenants to take any action required by the provisions of the Code and within its power to take in order to preserve the exclusion of interest on the Bonds from gross income for Federal income tax purposes (other than with respect to an alternative minimum tax imposed on interest on the Bonds), including, but not limited to, the provisions of Section 148 of the Code relating to "arbitrage bonds."

Section 4.09. Non-presentment of Bonds. In the event any Bond shall not be presented for payment when the principal thereof becomes due, either at maturity, or at the date fixed for redemption thereof, or otherwise, if moneys sufficient to pay any such Bond shall have been made available to the Trustee for the benefit of the Registered Owner or Owners thereof, subject to the provisions of the immediately following paragraph, all liability of the City to the

Registered Owner thereof for the payment of such Bond shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of the Trustee to hold such moneys, without liability for interest thereon, for the benefit of the Registered Owner of such Bond who shall thereafter be restricted exclusively to such moneys, for any claim of whatever nature on his or her part under the Indenture or this Twenty-Third Supplemental Indenture or on, or with respect to, such Bond.

Any moneys so deposited with and held by the Trustee not so applied to the payment of Bonds within two years after the date on which the same shall have become due shall be repaid by the Trustee to the City upon direction of an Authorized Officer, and thereafter the Registered Owners of such Bonds shall be entitled to look only to the City for payment, and then only to the extent of the amount so repaid, and all liability of the Trustee with respect to such moneys shall thereupon cease, and the City shall not be liable for any interest thereon and shall not be regarded as a trustee of such moneys. The obligation of the Trustee under this Section 4.10 to pay any such funds to the City shall be subject, however, to any provisions of law applicable to the Trustee or to such funds providing other requirements for disposition of unclaimed property.

Section 4.10. Moneys to be Held in Trust. All moneys required to be deposited with or paid to the Trustee for the account of any Fund or Account referred to in any provision of this Twenty-Third Supplemental Indenture shall be held by the Trustee in trust as provided in Section 1003 of the Indenture, and shall, while held by the Trustee, constitute part of the Trust Estate and be subject to the lien or security interest created hereby.

Section 4.11. Debt Service Reserve Account. The City shall maintain the Debt Service Reserve Account in an amount equal to the Reserve Requirement. Any Qualified Investments held to the credit of the Debt Service Reserve Account shall be valued in accordance with Section 305 of the Indenture.

Section 4.12. Adjustment of Reserve Requirement at Beginning of Fixed Rate Period. Notwithstanding any other provision of this Twenty-Third Supplemental Indenture, as of the Fixed Rate Conversion Date, the Reserve Requirement shall consist of an amount equal to the maximum Annual Third Lien Debt Service on the Bonds during any current or future Bond Year while the Bonds bear interest at the Fixed Rate. Prior to the Fixed Rate Conversion Date, the Trustee shall determine the amount on deposit in the Debt Service Reserve Account, including the valuation of investments thereof pursuant to Section 305 of the Indenture. If the amount then on deposit in the Debt Service Reserve Account exceeds the Reserve Requirement determined pursuant to this Section 4.13, the Trustee shall, if so instructed by the City in a Certificate filed with the Trustee, transfer the excess to the Project Account for the purpose of paying the cost of Capital Projects, and in the absence of receipt by the Trustee of such Certificate apply such excess to the redemption of Bonds in Authorized Denominations pursuant to the provisions of Section 3.01(a) hereof on the Fixed Rate Conversion Date. If at the time of such redemption the Letter of Credit shall be in effect, the Trustee shall draw on the Letter of Credit to effect such redemption and shall reimburse the Bank in an amount equal to such draw from such excess moneys in the Debt Service Reserve Account. If the amount then on deposit in the Debt Service Reserve Account is less than the Reserve Requirement determined pursuant to this Section 4.13, the Trustee shall notify the City in writing of the amount of such deficiency.

ARTICLE V**Credit Facilities****Section 5.01. Letter of Credit.**

(a) Initial Letter of Credit - Requirements. The Letter of Credit shall provide for direct payments to or upon the order of the Trustee as hereinafter set forth and shall be the irrevocable obligation of the Bank to pay to or upon the order of the Trustee, upon certification and in accordance with the terms thereof, up to (a) an amount sufficient (i) to pay the principal of the Bonds when due whether at stated maturity or upon redemption, or (ii) to enable the Trustee to pay the portion of the purchase price equal to the principal amount of Bonds delivered for purchase pursuant to Section 2.06 hereof and not remarketed, or (iii) to pay the portion of the purchase price of Bonds purchased by the City pursuant to Section 2.08 hereof equal to the principal amount of such Bonds, plus (b) an amount equal to [54] days' interest accrued on the outstanding Bonds (and for the purpose of calculating the amount thereof the Letter of Credit shall state on its face the maximum rate of interest on the Bonds covered by the Letter of Credit) (i) to pay interest on the Bonds when due or (ii) to enable the Trustee to pay the portion of the purchase price of the Bonds delivered for purchase pursuant to Section 2.06 hereof equal to the interest accrued, if any, on such Bonds, or (iii) to pay the portion of the purchase price equal to interest on Bonds purchased by the City pursuant to Section 2.08 hereof.

The Letter of Credit shall terminate on the earliest of (i) the expiration date set forth therein (which shall be a date at least ten days after the last Interest Payment Date of the coverage period thereof), unless renewed or extended by the Bank, (ii) the close of business of the Bank on the tenth day after the day on which an Alternate Letter of Credit becomes effective (but not earlier than the tenth day following the last Interest Payment Date covered by the Letter of Credit to be terminated or such earlier date within such ten-day period as the Trustee shall designate at the request of the City pursuant to paragraph (d) of this Section 5.01), (iii) the close of business of the Bank on the tenth day after the Fixed Rate Conversion Date (but not earlier than the tenth day following the last Interest Payment Date covered by the Letter of Credit to be terminated or such earlier date within such ten-day period as the Trustee shall designate at the request of the City pursuant to paragraph (d) of this Section 5.01), (iv) subject to the provisions of Section 8.02 hereof, the date on which there has been a drawing under the Letter of Credit upon the maturity of the Bonds or redemption of all the Bonds, (v) the date on which there is no Bond Outstanding, (vi) the close of business of the Bank on the 15th day after the date on which the Trustee receives notice from the Bank that an event of default under the Reimbursement Agreement has occurred and that the Letter of Credit will expire and (vii) the surrender by the Trustee to the Bank of the Letter of Credit for cancellation.

(b) Alternate Letter of Credit. At any time the City may, at its option, provide for the delivery to the Trustee of an Alternate Letter of Credit. An Alternate Letter of Credit shall be an irrevocable direct pay letter of credit, issued by a commercial bank or banks, the terms of which shall in all material respects be the same as the then current Letter of Credit, if any. Such Alternate Letter of Credit shall set forth a maximum interest rate on the Bonds with respect to which draws may be made. On or prior to the date of delivery of an Alternate Letter of Credit to the Trustee, the City shall furnish to the Trustee (i) an opinion of Counsel stating that

the delivery of such an Alternate Letter of Credit to the Trustee is authorized under this Twenty-Third Supplemental Indenture and complies with the terms hereof, and (ii) an opinion of Bond Counsel stating that the delivery of such an Alternate Letter of Credit will not adversely affect the exclusion of interest on the Bonds from gross income for Federal income tax purposes (other than with respect to an alternative minimum tax imposed on interest on the Bonds). The Trustee shall then accept such Alternate Letter of Credit and surrender the previously held Letter of Credit, if any, to the previous Bank for cancellation as provided in subsection (d) of this Section 5.01. Each Alternate Letter of Credit shall become effective and commence coverage as of the applicable Credit Substitution Date determined in reference to the previously held Letter of Credit and shall not expire earlier than one year following its date of issuance. No Alternate Letter of Credit may terminate earlier than ten days after the last Interest Payment Date of the coverage period thereof.

(c) Fixed Rate Letter of Credit. No later than thirty days prior to the Fixed Rate Conversion, the City may, at its option, provide for the delivery to the Trustee of a Fixed Rate Letter of Credit issued by a commercial bank, which shall be effective on the Fixed Rate Conversion Date and may terminate not earlier than one year thereafter. The Fixed Rate Letter of Credit shall be an irrevocable direct pay obligation of the Bank to pay the Trustee, upon request and in accordance with the terms thereof, up to (a) an amount sufficient to pay the principal of the Bonds when due whether at stated maturity or upon redemption thereof, plus (b) an amount equal to seven months' interest accrued on the Outstanding Bonds to pay interest on the Bonds on or prior to the expiration date of such Fixed Rate Letter of Credit. The Fixed Rate Letter of Credit shall be delivered to the Trustee. On or prior to the date of the delivery of the Fixed Rate Letter of Credit to the Trustee, the City shall furnish to the Trustee an Opinion of Counsel stating that the delivery of such Fixed Rate Letter of Credit to the Trustee is authorized under this Twenty-Third Supplemental Indenture and complies with the terms hereof. The Trustee shall then accept such Fixed Rate Letter of Credit and surrender the previously held Letter of Credit to the Bank issuing the same for cancellation as provided in subsection (d) of this Section 5.01.

(d) Delivery to Trustee of Alternate Letter of Credit or Fixed Rate Letter of Credit; Surrender of Letter of Credit for Cancellation. If at any time there shall have been delivered to the Trustee (i) an Alternate Letter of Credit or a Fixed Rate Letter of Credit pursuant to the preceding subsections of this Section 5.01, and (ii) when required under the preceding subsections of this Section 5.01, an opinion of Counsel stating that the delivery of such Alternate Letter of Credit or Fixed Rate Letter of Credit to the Trustee is authorized under this Section 5.01 and complies with the terms hereof, then the Trustee shall accept such Alternate Letter of Credit or Fixed Rate Letter of Credit, as the case may be, and surrender the previously held Letter of Credit to the Bank issuing the same for cancellation; provided, however, that (a) in no event shall such Letter of Credit be surrendered prior to the effective date of the Alternate Letter of Credit or Fixed Rate Letter of Credit, as the case may be, and (b) on the applicable Credit Substitution Date, the Trustee shall draw upon the existing Letter of Credit rather than the new Alternate Letter of Credit or Fixed Rate Letter of Credit, as the case may be, in order to provide funds to pay the Purchase Price of Bonds subject to mandatory purchase on such Credit Substitution Date pursuant to Section 2.08 hereof. If at any time there shall cease to be any Bonds Outstanding hereunder, the Trustee shall promptly surrender the Letter of Credit to the Bank for cancellation.

The Trustee shall comply with the procedures set forth in the Letter of Credit relating to the termination thereof.

(e) Notice of Expiration of Letter of Credit. The Trustee shall give notice by first class mail of the expiration of the term of the Letter of Credit, which notice shall (i) specify the date of the expiration of the term of the Letter of Credit, (ii) state that such expiration may result in reduction or withdrawal of Moody's or S&P's ratings of the Bonds from those which then prevail, (iii) if the Bonds bear interest at a Variable Rate, specify the last times and dates prior to such expiration on which Bonds must be delivered, or on which notice must be given, for the purchase of Bonds pursuant to Section 2.08 hereof and the place where such Bonds must be delivered for such purchase and (iv) state that on the Interest Payment Date immediately preceding the date of the expiration of the term of the Letter of Credit, the Bonds shall be subject to mandatory purchase on such date. Such notice shall be given by first class mail at least 30 days prior to such Interest Payment Date to the owners of Bonds appearing on the Bond Registrar's registration books.

Section 5.02. Draws on the Letter of Credit.

(a) Trustee's Duty to Draw on Letter of Credit to Pay Principal of and Interest on Bonds. The City hereby authorizes and directs the Trustee, and the Trustee hereby agrees, to draw moneys under the Letter of Credit for the benefit of the owners of the Bonds in accordance with the terms thereof in amounts sufficient to make timely payments of the principal of and interest on the Bonds (other than Pledged Bonds or Bank-owned Bonds) in accordance with the provisions of Section 4.06 hereof after taking into account any amounts held in the Letter of Credit Account as a result of draws on the Letter of Credit pursuant to subsection (c) of this Section 5.02.

(b) Trustee's Duty to Draw on Letter of Credit to Pay Purchase or Redemption Price of Bonds. The Trustee shall also (i) draw moneys under the Letter of Credit in accordance with the terms thereof to the extent necessary to make timely payments required to be made pursuant to, and in accordance with, Sections 2.06 and 2.08 hereof, and (ii) draw moneys under the Letter of Credit to pay the redemption price of Bonds (other than Pledged Bonds or Bank-owned Bonds) pursuant to Section 3.01 hereof in accordance with the terms thereof in the amounts required by said Section 3.01. It is understood and agreed that the Trustee when drawing amounts under the Letter of Credit as provided in clauses (i) and (ii) of this subsection (b) is not acting as an agent of the City. The Trustee shall make draws under the Letter of Credit in accordance with the terms thereof to pay the purchase price of Bonds pursuant to Sections 2.06 and 2.08 hereof, or to pay the redemption price or purchase price of Bonds pursuant to Article III hereof, so as to provide immediately available funds in New York, New York, by the close of business on the date such purchase or redemption is to be made.

(c) Drawings Under Letter of Credit When Bonds Bear Interest at Flexible Rate. On the first Business Day of each month while the Bonds bear interest at a Flexible Rate and on any Mode Adjustment Date commencing a Flexible Mode that is not the first Business Day of a month, the Trustee shall make draws under the Letter of Credit in accordance with the terms thereof in an amount that would be sufficient to cause the amount on deposit in the Letter of Credit Account on such day to equal the accrued and unpaid interest on the Bonds (other than

Pledged Bonds and Bank-owned Bonds) plus the interest that would accrue on the Bonds from such date to and including the first Business Day of the following calendar month if the Bonds were outstanding at all times during such period calculated on the basis of the interest rate used in the Letter of Credit for purposes of calculating the stated amount thereof for any day interest is to accrue at a rate unknown on the date such draw is made. In either case, the Trustee shall apply amounts held to the credit of the Principal and Interest Account to reimburse the Bank the amount of such draw pursuant to Section 4.06 hereof. The Trustee shall provide any Paying Agent with the amounts calculated by the Trustee to be drawn under the Letter of Credit by such Paying Agent pursuant to this Section 5.02. Notwithstanding the deposit of such moneys in the Letter of Credit Account and the reimbursement of the Bank, the City shall have no right, title or interest in such moneys, and such moneys shall be held exclusively for the Registered Owners and paid over in accordance with the provisions of this Twenty-Third Supplemental Indenture.

Section 5.03. Maintenance of Letter of Credit. The City covenants and agrees that during such period as the Bonds bear interest at a Variable Rate it will cause a Letter of Credit or Alternate Letter of Credit to be delivered to the Trustee. The Letter of Credit shall not be transferred to a successor Trustee except in full compliance with the terms of the Letter of Credit.

ARTICLE VI

Investment of Moneys

Section 6.01. Investment of Moneys. Moneys held in the funds, accounts and sub-accounts established hereunder shall be invested and reinvested in accordance with the provisions governing investments contained in the Indenture; provided, however, that moneys held in the Letter of Credit Account which are proceeds of a draw or draws on the Letter of Credit shall only be invested in Federal Obligations maturing on the earlier of (a) nine days from the date of the investment, or (b) the date upon which such moneys will be required to be used in accordance herewith. All such investments shall be held by or under the control of the Trustee and shall be deemed at all times a part of the fund, account or sub-account for which they were made.

Section 6.02. Investment Income. The interest earned on any investment of moneys held hereunder, any profit realized from such investment and any loss resulting from such investment shall be credited or charged to the fund, account or sub-account for which such investment was made; provided, however, that any interest earned on, and any profit resulting from, the investment of moneys on deposit in the Debt Service Reserve Account shall be transferred by the Trustee to the First Lien Trustee for deposit into the Revenue Fund established under the General Airport Revenue Bond Ordinance.

ARTICLE VII

Section 7.01. Defeasance. If the City shall pay to the owners of the Bonds and the Series 2006__ Bank Obligations, or provide for the payment of, the principal, and interest and Redemption Price, if any, to become due thereon, at the times and in the manner stipulated in Section 1101 of the Indenture, then this Twenty-Third Supplemental Indenture shall be fully discharged and satisfied; provided, however, that (1) in the event the Letter of Credit is in effect, the City shall pay, or make provision for the payment of, the Bonds solely from amounts drawn under the Letter of Credit or from other Available Moneys, and (2) unless the interest rate on the Bonds has been converted to a Fixed Rate, this Twenty-Third Supplemental Indenture may not be satisfied and discharged pursuant to Section 1101(b) of the Indenture. Upon the satisfaction and discharge of this Twenty-Third Supplemental Indenture, the Trustee shall, upon the request of the City, execute and deliver to the City all such instruments as may be desirable to evidence such discharge and satisfaction and the Fiduciaries shall pay over or deliver to the City all Funds, Accounts and other moneys or securities held by them pursuant to this Twenty-Third Supplemental Indenture which are not required for the payment or redemption of the Bonds or the Series 2006__ Bank Obligations not theretofore surrendered or presented for such payment or redemption.

Section 8.02. Remedies. The provisions of Article IX of the Indenture shall be applicable to any Event of Default which shall have occurred and be continuing hereunder; provided, however, that so long as the Letter of Credit shall be in effect and the Bank shall have satisfied its obligations thereunder, the Bank shall be entitled to exercise all of the rights granted to the owners of the Bonds under Section 905 of the Indenture and in such event shall be further entitled, at such time as no Bonds remain outstanding hereunder, to direct the Trustee, notwithstanding the provisions of Section 903 of the Indenture, with respect to the use and disposition of moneys on deposit in the 2006__ Dedicated Sub-Fund and the Custody Account (including without limitation the right to direct the Trustee to pay over all or any part of such moneys to the Bank) until all of the obligations to the Bank secured by the Trust Estate shall have been satisfied in full. Notwithstanding any other provision of this Twenty-Third

Supplemental Indenture, amounts drawn on the Letter of Credit may be used only for the purposes described in Section 5.02 hereof.

ARTICLE IX

Trustee, Remarketing Agent and Paying Agent

Section 9.01. Acceptance of Trusts. The Trustee hereby accepts the trusts imposed upon it by this Twenty-Third Supplemental Indenture, and agrees to perform said trusts, but only upon and subject to the express terms and conditions set forth herein and in the Indenture. Except as otherwise expressly set forth in this Twenty-Third Supplemental Indenture, the Trustee assumes no duties, responsibilities or liabilities by reason of its execution of this Twenty-Third Supplemental Indenture other than as set forth in the Indenture and this Twenty-Third Supplemental Indenture, and this Twenty-Third Supplemental Indenture is executed and accepted by the Trustee subject to all the terms and conditions of its acceptance of the trust under the Indenture, as fully as if said terms and conditions were herein set forth at length. Notwithstanding the provisions of Section 1005 or 1006 of the Indenture, the Trustee shall have no lien or security interest in and to amounts drawn under the Letter of Credit or the proceeds of remarketed Bonds for the purpose of paying the fees or expenses of the Trustee. The Trustee shall draw upon the Letter of Credit as required in Section 5.02 hereof whether or not its fees and expenses have been fully paid. Notwithstanding any provision of the Indenture, the Trustee may not resign or be removed until a successor Trustee shall have been appointed as herein provided and the Letter of Credit duly and effectively transferred to such successor Trustee.

Section 9.02. Dealing in Bonds. The Remarketing Agent, in its individual capacity, may buy, sell, own, hold and deal in any of the Bonds, and may join in any action which the owner of any Bond may be entitled to take with like effect as if it did not act in any capacity hereunder. The Trustee or the Remarketing Agent, in its individual capacity, either as principal or agent, may also engage in or be interested in any financial or other transaction with the City, and may act as depository, trustee, or agent for any committee or body of the owners of Bonds secured hereby or other obligations of the City as freely as if it did not act in any capacity hereunder. It is expressly understood that the Trustee in carrying out its duties under this Twenty-Third Supplemental Indenture shall be acting as a conduit with respect to deliveries of Bonds for purchase and purchases pursuant to Sections 2.06 and 2.08 hereof.

Section 9.03. Remarketing Agent. The City shall designate the Remarketing Agent for the purpose of determining the interest rate on the Bonds, subject to the conditions set forth in Section 9.04 hereof, and for the purpose of remarketing the Bonds as provided herein. The Remarketing Agent shall designate to the Trustee its Delivery Office and signify its acceptance of the duties and obligations imposed upon it hereunder by written instruments of acceptance delivered to the City and the Trustee.

Section 9.04. Qualifications of Remarketing Agent. The Remarketing Agent shall be (i) a member of the National Association of Securities Dealers, Inc., having a capitalization of at least \$15,000,000, and (ii) authorized by law to perform all the duties imposed upon it by this Twenty-Third Supplemental Indenture and the Remarketing Agreement.

In the event of the resignation or removal of the Remarketing Agent, the Remarketing Agent shall pay over, assign and deliver any moneys and Bonds held by it in such capacity to its successor or, if there be no successor, to the Trustee.

Section 9.05. Remarketing of Bonds.

(a) Remarketing of Bonds. Except as provided in subsections (b), (d) and (e) of this Section 9.05, upon the delivery of Bonds to the Trustee by the owner of any Bond pursuant to Sections 2.06 or 2.08 hereof and the giving of notice to the Remarketing Agent as provided in subsection (c) of this Section 9.05, the Remarketing Agent shall offer for sale and use its best efforts to sell such Bonds, any such sale to be made on the date on which such Bonds are to be purchased as provided in Sections 2.06 or 2.08 hereof at not less than 100% of the principal amount thereof plus accrued interest, if any. The Remarketing Agent, for its own account and not as an agent of the City or the Trustee, may purchase any Bonds remarketed by it hereunder. Any such purchase may not be for the account of the City or the Trustee.

(b) No Remarketing of Certain Bonds. Notwithstanding the provisions of subsection (a) of this Section 9.05, to the extent that any moneys on deposit in the Project Account as described in Section 9.06(a)(i) hereof shall be on deposit with the Trustee at the time any Bonds are delivered to the Trustee, such Bonds shall be purchased with such moneys and cancelled by the Trustee and shall not be sold by the Remarketing Agent. Upon receipt of notice from the owner of a Bond pursuant to subsection (c) of this Section 9.05, the Trustee shall immediately notify the Remarketing Agent if any moneys described in Section 9.06(a)(i) hereof are to be used for such purchase and thereafter such Bonds so purchased are to be cancelled and not remarketed.

(c) Required Notices. Promptly, but in no event later than 3:00 P.M., New York City time, on the Business Day on which the Trustee receives notice from the owner of any Bond of its demand to have the Trustee purchase Bonds pursuant to Section 2.06 hereof, the Trustee shall give telegraphic or telephonic notice, promptly confirmed by a written notice, to the Remarketing Agent and the Bank specifying the principal amount of Bonds which such owner has demanded to have purchased, and the Trustee shall promptly deliver a copy of such written notice from such owner to each of such parties. On each date on which Bonds are delivered to the Trustee pursuant to Section 2.06 or 2.08 hereof, the Trustee shall give telegraphic or telephonic notice, promptly confirmed by a written notice, to the Remarketing Agent and the Bank specifying the principal amount of Bonds so delivered. The Remarketing Agent shall give telegraphic or telephonic notice promptly confirmed in writing to the Trustee and the Bank specifying the names, addresses, and taxpayer identification numbers of the purchasers of, and the principal amount and denominations of, Bonds, if any, sold by it, the purchase price at which the Bonds were sold, and their date of sale. With respect to any Bond which bears interest at a Weekly Rate or Flexible Rate or is in a denomination of at least \$100,000, such information must be given to the Trustee at or prior to 5:00 P.M., New York City time, on the Business Day prior to the date such Bond is to be delivered to the purchaser thereof so as to enable the Trustee to register such Bond in the name of the purchaser thereof. If such information is not received by the Trustee at or prior to the applicable time and date specified above, the Trustee shall cause such Bond to be registered in the name of the Remarketing Agent and shall hold such Bond for delivery to the Remarketing Agent in accordance with Section 9.07 hereof.

(d) Remarketing of Bonds held in Custody Account. Subject to the provisions of Section 9.11 hereof, the Remarketing Agent shall offer for sale and use its best efforts to sell any Bonds held in the Custody Account, unless otherwise directed by the City.

(e) No Remarketing of Bank-owned Bonds. No Bond which constitutes a Bank-owned Bond shall be remarketed by the Remarketing Agent without the express written consent of the Bank.

Section 9.06. Purchase of Bonds.

(a) Source of Funds to Purchase Bonds. On each date that Bonds are to be purchased pursuant to Section 2.06 or 2.08 hereof, the Trustee shall purchase, but only from the funds listed below, such Bonds from the owners thereof at a purchase price equal to the principal amount thereof plus accrued interest, if any, to the date of purchase. Funds for the payment of such purchase price shall be derived from the following sources in the order of priority indicated:

(i) moneys on deposit in the Project Account which are directed by the City to be used for the purchase of Bonds in accordance with Section 4.08 hereof; provided, however, that so long as the Letter of Credit shall be in effect, the purchase price of such Bonds shall be paid from a draw or draws on the Letter of Credit and moneys held in the Project Account shall be used on the purchase date to reimburse the Bank in an amount not to exceed the amount of such draw or draws;

authority. If such corporation publishes reports of condition at least annually pursuant to law or the requirements of such authority, then for the purposes of this Section the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published.

Any corporation into which such Paying Agent may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, consolidation or conversion to which such Paying Agent shall be a party, or any corporation succeeding to the corporate trust business of such Paying Agent, shall be a successor of such Paying Agent hereunder, if such successor corporation is otherwise eligible under this Section, without the execution or filing or any further act on the part of the parties hereto or such Paying Agent or such successor corporation.

Any Paying Agent may at any time resign by giving written notice of resignation to the Trustee, the Remarketing Agent, the Bank and the City, and such resignation shall take effect at the appointment by the Trustee of a successor Paying Agent pursuant to the succeeding provisions of this Section 9.12 and the acceptance by the successor Paying Agent of such appointment. The Trustee may at any time terminate the agency of any Paying Agent by giving written notice of termination to such Paying Agent, the Remarketing Agent, the Bank and the City. Upon receiving such a notice of resignation or upon such a termination, or in case at any time such Paying Agent shall cease to be eligible under this Section, the Trustee shall promptly appoint a successor Paying Agent, shall give written notice of such appointment to the City, the Remarketing Agent and the Bank, and shall mail notice of such appointment to all owners of Bonds.

Notwithstanding anything herein to the contrary, any Paying Agent shall be entitled to rely on information furnished to it orally or in writing by the Trustee, and in the case of notices pursuant to Section 9.05(c) hereof, by the Remarketing Agent, and shall be protected hereunder in relying thereon.

Section 101. Global Form; Depository.

(a) The Series 2006__ Bonds and the Series 2006__ Bonds shall be initially issued as Tax-Exempt Auction Rate Certificates. Except as otherwise provided under this heading, the Bonds, in the form of one Bond for each maturity of each Series of Bonds, shall be registered in the name of the Depository, and ownership thereof shall be maintained in book-entry form by the Depository for the account of the Participants. Initially, the Bonds shall be registered in the name of Cede & Co., as the nominee of DTC. Except as provided in paragraph (c) below, the Bonds may be transferred, in whole but not in part, only to DTC, or to a successor of DTC selected or approved by the City or to a nominee of such successor Depository.

(b) Neither the City, the Market Agent, the Trustee nor any of their respective affiliates shall have any responsibility or obligation with respect to:

(i) the accuracy of the records of the Depository or any Participant with respect to any beneficial ownership interest in the Bonds;

(ii) the delivery to any Participant, any beneficial owner of the Bonds or any other Person, other than the Depository, of any notice with respect to the Bonds; or

(iii) the payment to any Participant, any beneficial owner of the Bonds or any other Person, other than the Depository, of any amount with respect to the principal, premium, if any, or interest on the Bonds.

So long as the certificates for the Bonds are not issued pursuant to paragraph (c) below, the City and the Trustee may treat the Depository as, and deem the Depository to be, the absolute owner of the Bonds for all purposes whatsoever, including without limitation:

(i) the payment of principal, premium, if any, and interest on the Bonds;

(ii) giving notices of redemption and other matters with respect to the Bonds;

(iii) registering transfer with respect to the Bonds; and

(iv) the selection of Bonds for redemption.

(b) The rate of interest on the Series 2006___ Bonds and the Series 2006___ Bonds for the Initial Interest Period shall be the respective rates of interest per annum, as shall be set forth in the Purchase Contract. The rate of interest on the Bonds of each Series for each subsequent Interest Period shall be the Auction Rate unless the Auction Rate exceeds the Maximum Rate, in which case the rate of interest on the respective Bonds for such Interest Period shall be the Maximum Rate, or unless the Maximum Rate shall actually be lower than the All-Hold Rate, in which case the rate of interest on the respective Bonds for such Interest Period shall be the Maximum Rate; provided that, except as provided in Section 116, if, on any Auction Date, an Auction is not held for any reason, then the rate of interest for the next succeeding Interest Period shall equal the Maximum Rate on such Auction Date. Notwithstanding the foregoing, if

(i) the ownership of the Bonds is no longer maintained in book-entry form by the Depository, the rate of interest on the Bonds for any Interest Period commencing after the delivery of certificates representing Bonds pursuant to clause (c) above under Section 101 "Global Form; Depository" shall equal the Maximum Rate on the Business Day immediately preceding the first day of such Interest Period; or

(ii) if a Payment Default occurs, Auctions will be suspended and the Applicable Bonds Rate for the Interest Period commencing on or after such Payment Default and for each Interest Period thereafter to and including the Interest Period, if any, during which, or commencing fewer than the Applicable Number of Business Days after, such Payment Default is cured will equal the Default Rate.

The rate per annum at which interest is payable on the Bonds for any Interest Period is referred to in this Appendix A as the "Applicable Bonds Rate." Notwithstanding anything herein to the contrary, the Applicable Bonds Rate cannot exceed the Maximum Rate.

(c) Notwithstanding anything herein to the contrary, if any Bond or portion thereof has been selected for redemption during the next succeeding Interest Period, that Bond or portion thereof, will not be included in the Auction preceding such Redemption Date, and that Bond or portion thereof, will continue to bear interest until the Redemption Date at the rate established for the Interest Period prior to that Auction.

Section 103. Payments. So long as the Bonds are registered in the name of the Depository, or the nominee thereof, payment (other than at maturity) of interest and premium, if any, on, and of principal at redemption of, the Bonds shall be made to the Depository by wire transfer provided proper wire instructions are received. Each Holder of Bonds, by such Holder's

purchase of Bonds, appoints the Trustee as its agent in connection with the payment by such Holder of its share, if any, of the amounts payable to the Auction Agent and the Broker-Dealers pursuant to Section 106 of this Appendix A.

(ii) (A) Subject to the provisions of subsection (b) below, a Bid by an Existing Holder shall constitute an irrevocable offer to sell, unless revoked prior to the Internal Submission Deadline:

(I) the principal amount of Outstanding Bonds specified in such Bid if the Auction Rate determined as provided under this heading shall be less than the rate specified in such Bid; or

(II) such principal amount or a lesser principal amount of Outstanding Bonds to be determined as set forth in clause (D) of paragraph (i) of subsection (d) of this Section 104, if the Auction Rate determined as provided under this heading shall be equal to the rate specified in such Bid; or

(III) such principal amount or a lesser principal amount of Outstanding Bonds to be determined as set forth in clause (C) of paragraph (ii) of subsection (d) of this Section 104 if the rate specified shall be higher than the Maximum Interest Rate and Sufficient Clearing Bids have not been made.

(B) *Subject to the provisions of subsection (b) below, a Sell Order by an Existing Holder shall constitute an irrevocable offer to sell, unless revoked prior to the Internal Submission Deadline:*

(I) the principal amount of Outstanding Bonds specified in such Sell Order, or

(II) such principal amount or a lesser principal amount of Outstanding Bonds as set forth in clause (C) of paragraph (ii) of subsection (d) of this Section 104 if Sufficient Clearing Bids have not been made.

(C) *Subject to the provisions of subsection (b) below, a Bid by a Potential Holder shall constitute an irrevocable offer to purchase, unless revoked prior to the Internal Submission Deadline:*

(I) the principal amount of Outstanding Bonds specified in such Bid if the Auction Rate determined as provided under this heading shall be higher than the rate specified in such Bid; or

(II) such principal amount or a lesser principal amount of Outstanding Bonds as set forth in clause (E) of paragraph (i) of subsection (d) of this Section 104 if the Auction Rate determined as provided under this heading shall be equal to the rate specified in such Bid.

(D) No Bids or Orders that are "all or none" shall be accepted.

(E) No "market Orders" shall be accepted.

(iii) BD shall submit an Order to sell in an Auction all ARCs for that Auction of which it is a beneficial owner. BD may place a Bid for its own account in an Auction

at any time until the Submission Deadline, as long as any Bid it places is at an Estimated Market Rate, and may withdraw any Bid so placed prior to the Submission Deadline. BD may place one or more Cover Bids for all or part of the Auction as long as any Bid it places is at an Estimated Market Rate.

(b) Submissions by Broker-Dealers to the Auction Agent.

(i) Each Broker-Dealer shall submit by Electronic Means to the Auction Agent prior to the Submission Deadline (subject to subsection (e) below) on each Auction Date all Orders obtained by such Broker-Dealer and shall specify with respect to each such Order:

(A) the name of the Bidder placing such Order;

(B) the aggregate principal amount of Bonds that are the subject of such Order;

(C) to the extent that such Bidder is an Existing Holder:

(I) the principal amount of Bonds, if any, subject to any Hold Order placed by such Existing Holder;

(II) the principal amount of Bonds, if any, subject to any Bid placed by such Existing Holder and the rate specified in such Bid; and

(III) the principal amount of Bonds, if any, subject to any Sell Order placed by such Existing Holder; and

(D) to the extent such Bidder is a Potential Holder, the rate and amount specified in such Potential Holder's Bid.

(ii) If any rate specified in any Bid contains more than three figures to the right of the decimal point, the Auction Agent shall round such rate up to the next highest one thousandth (.001) of 1%.

(iii) If an Order or Orders covering all Outstanding Bonds held by any Existing Holder is not submitted to the Auction Agent prior to the Submission Deadline, the Auction Agent shall deem a Hold Order to have been submitted on behalf of such Existing Holder covering the principal amount of Outstanding Bonds held by such Existing Holder and not subject to an Order submitted to the Auction Agent.

(iv) Neither the City, the Trustee nor the Auction Agent shall be responsible for any failure of a Broker-Dealer to submit an Order to the Auction Agent on behalf of any Existing Holder or Potential Holder, nor shall any such party be responsible for failure by any Securities Depository to effect any transfer or to provide the Auction Agent with current information regarding registration of transfers.

(v) If any Existing Holder submits through a Broker-Dealer to the Auction Agent one or more Orders covering in the aggregate more than the principal amount of Outstanding Bonds held by such Existing Holder, such Orders shall be considered valid as follows and in the following order of priority:

(A) all Hold Orders shall be considered valid, but only up to and including in the aggregate the principal amount of Bonds held by such Existing Holder, and if the aggregate principal amount of Bonds subject to such Hold Orders exceeds the aggregate principal amount of Bonds held by such Existing Holder, the aggregate principal amount of Bonds subject to each such Hold Order shall be reduced so that the aggregate principal amount of Bonds subject to such Hold Orders equals the aggregate principal amount of Outstanding Bonds held by such Existing Holder;

(B) (I) any Bid shall be considered valid up to and including the excess of the principal amount of Outstanding Bonds held by such Existing Holder over the aggregate principal amount of Bonds subject to any Hold Orders referred to in clause (A) of this paragraph (iv);

(II) subject to subclause (I) of this clause (B), if more than one Bid with the same rate is submitted on behalf of such Existing Holder and the aggregate principal amount of Outstanding Bonds subject to such Bids is greater than such excess, such Bids shall be considered valid up to and including the amount of such excess and the stated amount of Bonds subject to each Bid with the same rate shall be reduced pro rata to cover the stated amount of Bonds equal to such excess;

(III) subject to subclauses (I) and (II) of this clause (B), if more than one Bid with different rates is submitted on behalf of such Existing Holder, such Bids shall be considered valid first in the ascending order of their respective rates until the highest rate is reached at which such excess exists and then at such rate up to and including the amount of such excess; and

(IV) in any such event, the aggregate principal amount of Outstanding Bonds, if any, subject to Bids not valid under this clause (B) shall be treated as the subject of a Bid by a Potential Holder at the rate therein specified; and

(C) all Sell Orders shall be considered valid up to and including the excess of the principal amount of Outstanding Bonds held by such Existing Holder over the aggregate principal amount of Bonds subject to valid Hold Orders referred to in clause (A) of this paragraph (iv) and valid Bids referred to in clause (B) of this paragraph (v).

(vi) If more than one Bid for Bonds is submitted on behalf of any Potential Holder, each Bid submitted shall be a separate Bid with the rate and principal amount therein specified.

(vii) Any Bid or Sell Order submitted by an Existing Holder covering an aggregate principal amount of Bonds not equal to an Authorized Denomination therefor shall be rejected and shall be deemed a Hold Order. Any Bid submitted by a Potential

Holder covering an aggregate principal amount of Bonds not equal to an Authorized Denomination therefor shall be rejected.

(viii) Any Bid specifying a rate higher than the Maximum Rate will (1) be treated as a Sell Order if submitted by an Existing Holder and (2) not be accepted if submitted by a Potential Holder.

(ix) An Existing Holder that offers to purchase additional Bonds is, for purposes of such offer, treated as a Potential Holder.

(c) Determination of Sufficient Clearing Bids, Auction Rate and Winning Bid Rate.

(i) Not earlier than the Submission Deadline on each Auction Date, the Auction Agent shall assemble all valid Orders submitted or deemed submitted to it by the Broker-Dealers (each such Order as submitted or deemed submitted by a Broker-Dealer being hereinafter referred to individually as a "Submitted Hold Order," a "Submitted Bid" or a "Submitted Sell Order," as the case may be, or as a "Submitted Order" and collectively as "Submitted Hold Orders," "Submitted Bids" or "Submitted Sell Orders," as the case may be, or as "Submitted Orders") and shall determine:

(A) the excess of the total principal amount of Outstanding Bonds over the sum of the aggregate principal amount of Outstanding Bonds subject to Submitted Hold Orders (such excess being hereinafter referred to as the "Available Bonds"); and

(B) from such Submitted Orders whether:

(I) the aggregate principal amount of Outstanding Bonds subject to Submitted Bids by Potential Holders specifying one or more rates equal to or lower than the Maximum Rate; exceeds or is equal to the sum of:

(II) the aggregate principal amount of Outstanding Bonds subject to Submitted Bids by Existing Holders specifying one or more rates higher than the Maximum Rate; and

(III) the aggregate principal amount of Outstanding Bonds subject to Submitted Sell Orders (in the event such excess or such equality exists, other than because the sum of the principal amounts of Bonds in subclauses (II) and (III) above is zero because all of the Outstanding Bonds are subject to Submitted Hold Orders, such Submitted Bids in subclause (I) above are hereinafter referred to collectively as "Sufficient Clearing Bids"), and

(C) if Sufficient Clearing Bids have been made, the lowest rate specified in such Submitted Bids (which shall be the "Winning Bid Rate") such that if

(I) (aa) each such Submitted Bid from Existing Holders specifying such lowest rate and (bb) all other Submitted Bids from Existing Holders specifying lower rates were rejected, thus entitling such Existing Holders to

continue to hold the principal amount of Bond's subject to such Submitted Bids;
and

(II) (aa) each such Submitted Bid from Potential Holders specifying such lowest rate and (bb) all other Submitted Bids from Potential Holders specifying lower rates were accepted,

the result would be that such Existing Holders described in subclause (I) above would continue to hold an aggregate principal amount of Outstanding Bonds which, when added to the aggregate principal amount of Outstanding Bonds to be purchased by such Potential Holders described in subclause (II) above, would equal not less than the Available Bonds.

(ii) Promptly after the Auction Agent has made the determinations pursuant to paragraph (i) of this subsection (c), the Auction Agent shall advise the Trustee of the Maximum Rate and the All-Hold Rate and the components thereof on the Auction Date and, based on such determinations, the Auction Rate for the next succeeding Interest Period as follows:

(A) if Sufficient Clearing Bids have been made, that the Auction Rate for the next succeeding Interest Period shall be equal to the Winning Bid Rate so determined;

(B) if Sufficient Clearing Bids have not been made (other than because all of the Outstanding Bonds are subject to Submitted Hold Orders), that the Auction Rate for the next succeeding Interest Period shall be equal to the Maximum Rate; or

(C) if all Outstanding Bonds are subject to Submitted Hold Orders, that the Auction Rate for the next succeeding Interest Period shall be equal to the All-Hold Rate.

(d) Acceptance and Rejection of Submitted Bids and Submitted Sell Orders and Allocation of Bonds. Existing Holders shall continue to hold the principal amount of Bonds that are subject to Submitted Hold Orders, and, based on the determinations made pursuant to paragraph (i) of this subsection (d), Submitted Bids and Submitted Sell Orders shall be accepted or rejected and the Auction Agent shall take such other action as set forth below:

(i) If Sufficient Clearing Bids have been made, all Submitted Sell Orders shall be accepted and, subject to the provisions of paragraph (iv) of this subsection (d), Submitted Bids shall be accepted or rejected as follows in the following order of priority and all other Submitted Bids shall be rejected:

(A) Existing Holders' Submitted Bids specifying any rate that is higher than the Winning Bid Rate shall be accepted, thus requiring each such Existing Holder to sell the aggregate principal amount of Bonds subject to such Submitted Bids;

(B) Existing Holders' Submitted Bids specifying any rate that is lower than the Winning Bid Rate shall be rejected, thus entitling each such Existing Holder to continue to hold the aggregate principal amount of Bonds subject to such Submitted Bids;

(C) Potential Holders' Submitted Bids specifying any rate that is lower than the Winning Bid Rate shall be accepted, thus requiring such Potential Holder to purchase the aggregate principal amount of Bonds subject to such Submitted Bids;

(D) Each Existing Holder's Submitted Bid specifying a rate that is equal to the Winning Bid Rate shall be rejected, thus entitling such Existing Holder to continue to hold the aggregate principal amount of Bonds subject to such Submitted Bid, unless the aggregate principal amount of Outstanding Bonds subject to all such Submitted Bids shall be greater than the principal amount of Bonds (the "remaining principal amount") equal to the excess of the Available Bonds over the aggregate principal amount of Bonds subject to Submitted Bids described in clauses (B) and (C) of this paragraph (i), in which event such Submitted Bid of such Existing Holder shall be rejected in part, and such Existing Holder shall be entitled to continue to hold the principal amount of Bonds subject to such Submitted Bid, but only in an amount equal to the aggregate principal amount of Bonds obtained by multiplying the remaining principal amount by a fraction the numerator of which shall be the principal amount of Outstanding Bonds held by such Existing Holder subject to such Submitted Bid and the denominator of which shall be the sum of the principal amount of Outstanding Bonds subject to such Submitted Bids made by all such Existing Holders that specified a rate equal to the Winning Bid Rate; and

(E) Each Potential Holder's Submitted Bid specifying a rate that is equal to the Winning Bid Rate shall be accepted but only in an amount equal to the principal amount of Bonds obtained by multiplying the excess of the aggregate principal amount of Available Bonds over the aggregate principal amount of Bonds subject to Submitted Bids described in clauses (B), (C) and (D) of this paragraph (i) by a fraction the numerator of which shall be the aggregate principal amount of Outstanding Bonds subject to such Submitted Bid and the denominator of which shall be the sum of the principal amounts of Outstanding Bonds subject to Submitted Bids made by all such Potential Holders that specified a rate equal to the Winning Bid Rate.

(ii) If Sufficient Clearing Bids have not been made (other than because all of the Outstanding Bonds are subject to Submitted Hold Orders), subject to the provisions of paragraph (iv) of this subsection (d), Submitted Orders shall be accepted or rejected as follows in the following order of priority and all other Submitted Bids shall be rejected:

(A) Existing Holders' Submitted Bids specifying any rate that is equal to or lower than the Maximum Rate shall be rejected, thus entitling such Existing Holders to continue to hold the aggregate principal amount of Bonds subject to such Submitted Bids;

(B) Potential Holders' Submitted Bids specifying any rate that is equal to or lower than the Maximum Rate shall be accepted, thus requiring each Potential Holder to purchase the aggregate principal amount of Bonds subject to such Submitted Bids, and

(C) Each Existing Holder's Submitted Bid specifying any rate that is higher than the Maximum Rate and the Submitted Sell Order of each Existing Holder shall be accepted, thus entitling each Existing Holder that submitted any such Submitted Bid or Submitted Sell Order to sell the Bonds subject to such Submitted Bid or Submitted Sell

Order, but in both cases only in an amount equal to the aggregate principal amount of Bonds obtained by multiplying the aggregate principal amount of Bonds subject to Submitted Bids described in clause (B) of this paragraph (ii) by a fraction the numerator of which shall be the aggregate principal amount of Outstanding Bonds held by such Existing Holder subject to such Submitted Bid or Submitted Sell Order and the denominator of which shall be the aggregate principal amount of Outstanding Bonds subject to all such Submitted Bids and Submitted Sell Orders.

(iii) If all Outstanding Bonds are subject to Submitted Hold Orders, all Submitted Bids shall be rejected.

(iv) If, as a result of the procedures described in paragraph (i) or (ii) of this subsection (d), any Existing Holder would be entitled or required to sell, or any Potential Holder would be entitled or required to purchase, a principal amount of Bonds that is not equal to an Authorized Denomination therefor, the Auction Agent shall, in such manner as it shall, in its sole discretion, determine, round up or down the principal amount of Bonds to be sold by any Existing Holder or purchased by a Potential Holder so that the principal amount of Bonds purchased or sold by each Existing Holder or purchased by a Potential Holder shall be equal to an Authorized Denomination therefor, if such allocation results in one or more of such Potential Holders not purchasing any Bonds.

(v) The City, the Broker-Dealer, the Trustee and the Auction Agent shall have no liability in the event that there are not Sufficient Clearing Bids from time to time pursuant to the Auction Procedures.

(vi) Based on the results of each Auction, the Auction Agent shall determine the aggregate principal amount of Bonds to be purchased and the aggregate principal amount of Bonds to be sold by Potential Holders and Existing Holders on whose behalf each Broker-Dealer submitted Bids or Sell Orders and, with respect to each Broker-Dealer, to the extent that such aggregate principal amount of Bonds to be sold differs from such aggregate principal amount of Bonds to be purchased, determine to which other Broker-Dealer or Broker-Dealers acting for one or more purchasers such Broker-Dealer shall deliver, or from which other Broker-Dealer or Broker-Dealers acting for one or more sellers such Broker-Dealer shall receive, as the case may be, Bonds.

(e) Broker-Dealers may submit an Order, after the Submission Deadline and prior to the Submission Processing Deadline if the Order was (i) received by the Broker-Dealer from Existing Holders or Potential Holders prior to the Submission Deadline or (ii) initiated internally by the Broker-Dealer for its own account prior to the Submission Deadline. Each Order submitted to the Auction Agent after the Submission Deadline and prior to the Submission Processing Deadline shall constitute a representation by the Broker-Dealer that such Order was (i) received from an Existing Holder or Potential Holder prior to the Submission Deadline or (ii) initiated internally by the Broker-Dealer for its own account prior to the Submission Deadline (the "Submission Processing Representation").

(f) BD and the Auction Agent may correct clerical errors in Orders submitted to the Auction Agent at any time up to one hour after the time the Auction results are first

provided to BD as set forth in paragraph (a) of the Settlement Procedures. The Auction Agent may rely on the submission by BD of a change as a representation by BD as to the existence of a clerical error. Auction Agent may, but is not obligated to, advise BD, prior to posting the final Auction results, if it believes there has been a clerical error. Determining whether an error was a clerical error is within the reasonable judgment of BD.

(g) BD may report suspected clerical errors on the part of the Auction Agent at any time up to one hour after the time the Auction results are first provided to BD as set forth in paragraph (a) of the Settlement Procedures. If the Auction Agent confirms the existence of such an error prior to the final settlement of transfers with respect to such Auction at Depository, the Auction Agent shall correct the error and notify the Broker-Dealers of the corrected results. If a clerical error by the Auction Agent is discovered after such final settlement, the Auction Agent may make the change and post new results if the Auction Agent receives consent from all Broker-Dealers that participated in the Auction.

Section 105. Certain Orders Not Permitted. The City may not submit an Order in any Auction. The Auction Agent shall have no duty or liability in monitoring or enforcing compliance with this Section 105.

Section 106. Payment of Service Charges; Notice of Payment Defaults and Cures.

(a) The City shall pay to the Auction Agent, on behalf of the Holders of the Bonds, (i) when due, an amount equal to the Auction Agent Fee as calculated in the Auction Agent Agreement and (ii) when due, an amount equal to the Broker-Dealer Fee as calculated in the Broker-Dealer Agreement.

(b) By 12:30 p.m., New York City time, on the Business Day immediately succeeding each Interest Payment Date, the Trustee will determine if a Payment Default has occurred. If a Payment Default has occurred, the Trustee shall notify the Auction Agent and Broker-Dealer by 1:00 p.m., New York City time, on that date. If a Payment Default has been cured, the Trustee shall so notify the Auction Agent and the Broker-Dealer by 5:00 p.m., New York City time, on the day such Payment Default is cured.

Section 107. Calculation of the Rates. The Auction Agent shall calculate the Maximum Rate and the All-Hold Rate on each Auction Date. The determination by the Auction Agent of each of such rates will (in the absence of manifest error) be final and binding upon all Holders and upon all other parties. If the ownership of the Bonds is no longer maintained in book-entry form by the Depository, the Market Agent shall calculate the Maximum Rate on the Business Day immediately preceding the first day of each Interest Period commencing after the delivery of certificates representing the Bonds pursuant to Subsection (c) under the heading "Global Form; Depository." If a Payment Default shall have occurred, the Market Agent shall calculate the Default Rate on the first day of (i) each Interest Period commencing after the occurrence and during the continuance of such Payment Default and (ii) any Interest Period commencing less than the Applicable Number of Business Days after the cure of any Payment Default.

Section 108. Computation of Interest. The amount of interest distributable to Holders of Bonds in respect of each \$50,000 in principal amount thereof for any Interest Period or part thereof shall be calculated by applying the Applicable Bonds Rate for such Interest Period or part thereof to the principal amount of \$50,000, multiplying such product by the actual number of days in the Interest Period or part thereof concerned divided by 360, and truncating the resultant figure to the nearest one cent. Interest on the Bonds shall be computed by the Trustee (i) during an ARC's Rate Period of 180 days or more, on the basis of a 360-day year of twelve 30-day months and (ii) during an ARC's Rate Period of less than 180 days, on the basis of a 360-day year for the number of days actually elapsed. In the event an Interest Payment Date occurs in any Interest Period on a date other than the first day of such Interest Period, the Trustee, after confirming the calculation required above, shall calculate the portion of the Interest Amount payable on such Interest Payment Date and the portion payable on the next succeeding Interest Payment Date. The Trustee shall make the calculation required by the foregoing provisions not later than the close of business on each Auction Date.

Section 109. Notification of Rates, Amounts and Payment Dates.

(a) The Trustee shall determine the aggregate amount of interest distributable on the next succeeding Interest Payment Date to the Holders of the Bonds. So long as the ownership of the Bonds is maintained in book-entry form by the Depository, the Trustee shall advise the Depository of each Record Date for the Bonds at least two Business Days prior thereto.

(b) Promptly after the Date of Delivery and promptly after each determination of the rate of interest on Bonds and the Interest Amount and in any event at least three days prior to each Interest Payment Date, the Trustee shall:

(i) so long as no Payment Default has occurred and is continuing and the ownership of the Bonds is maintained in book-entry form by the Depository, confirm the Auction Agent's determination of (A) the date of such Interest Payment Date, (B) interest rate applicable to the Bonds for the related Interest Period and (C) the amount payable to the Auction Agent on that Interest Payment Date pursuant to the provisions described under the heading "Payment of Service Charges; Notice of Payment Defaults and Cures" and notify the Auction Agent of any discrepancy therein; and

(ii) advise the Depository, so long as the ownership of the Bonds is maintained in book-entry form by the Depository, and the City of the Applicable Bonds Rate and the interest amount calculated in accordance with the provisions described under the heading "Calculation of Interest" in respect of the next succeeding Interest Payment Date.

In the event that any day that is scheduled to be an Interest Payment Date shall be changed after the Trustee shall have given the notice referred to in clause (i) of the preceding sentence, not later than 9:15 a.m., New York City time, on the Business Day next preceding the earlier of the new Interest Payment Date or the old Interest Payment Date, the Trustee shall, by such means as the Trustee deems practicable, give notice of such change to the City and, so long

as no Payment Default has occurred and is continuing and the ownership of the Bonds is maintained in book-entry form by the Depository, the Auction Agent.

The Market Agent may be removed at any time by the Trustee, acting at the direction of (a) the City or (b) the Holders of _____% of the aggregate principal amount of the Bonds, provided that such removal shall not take effect until the appointment of a successor Market Agent. The Market Agent may resign upon 30 days' written notice delivered to the City, the Trustee and the Bond Insurer. The City shall use its best efforts to appoint a successor Market Agent effective as of the effectiveness of any such resignation or removal. Notwithstanding that the Market Agent is the agent of the Trustee under the Market Agent Agreement, the Trustee shall not be liable in any way for any action taken, suffered or omitted, or for any error of judgment made by the Market Agent, whether in the performance of its duties under the Market Agent Agreement or otherwise. In addition, the Trustee shall not be responsible for the fees and expenses of the Market Agent.

Section 112. Auction Agent.

(a) [Name of Auction Agent], _____, _____, shall serve as the initial Auction Agent for the Bonds. The Trustee is authorized and directed pursuant to the Indenture to enter into an agreement with the Auction Agent which shall provide as follows: The Auction Agent shall be (i) a bank or trust company duly organized under the laws of the United States of America or any state or territory thereof having its principal place of business in the Borough of Manhattan, The City of New York, and having a combined capital stock, surplus and undivided profits of at least \$15,000,000 or (ii) a member of the National Association of Securities Dealers, Inc., having a capitalization of at least \$15,000,000 and, in either case, authorized by law to perform all the duties imposed upon it under the Indenture and under the Auction Agent Agreement. The Auction Agent may resign and be discharged of the duties and obligations created by the Indenture by giving at least 90 days' written notice to the City, the Trustee and the Market Agent (45 days' written notice if the Auction Agent has not been paid its fee for more than 45 days after such fee is due). The Auction Agent may be removed at any time by the Trustee if the Auction Agent is an entity other than the Trustee, acting at the direction of (i) the City or (ii) the Holders of _____% of the aggregate principal amount of the Bonds, by an instrument signed by the Trustee and filed with the Auction Agent, the City and the Market Agent upon at least 90 days' notice; provided that, if required by the Market Agent, an agreement in substantially the form of the Auction Agent Agreement shall be entered into with a successor Auction Agent. If the Auction Agent and the Trustee are the same entity, the Auction Agent may be removed as described above, with the City acting in lieu of the Trustee.

(b) In the event that the Auction Agent shall resign or be removed or dissolved, or if the property or affairs of the Auction Agent shall be taken under the control of any state or federal court or administrative body because of bankruptcy or insolvency, or for any other reason, the City shall use its best efforts to appoint a successor as Auction Agent, and the Trustee shall thereupon enter into an Auction Agent Agreement with such successor.

(c) The Auction Agent shall be acting as agent for the Trustee and the City in connection with Auctions. In the absence of bad faith or negligence on its part, the Auction Agent shall not be liable for any action taken, suffered or omitted or for any error of judgment made by it in the performance of its duties under the Auction Agent Agreement and shall not be liable for any error of judgment made in good faith unless the Auction Agent shall have been negligent in ascertaining (or failing to ascertain) the pertinent facts necessary to make such judgment.

(d) Notwithstanding that the Auction Agent is the agent of the Trustee under the Indenture and under the Auction Agent Agreement, the Trustee shall not be liable in any way for any action taken, suffered or omitted, or for any error of judgment made by the Auction Agent, whether in the performance of its duties under the Auction Agent Agreement or otherwise, subject to the Auction Agent Agreement. In addition, the Trustee shall not be responsible for the fees and expenses of the Auction Agent.

Section 113. Broker-Dealers.

(a) The Auction Agent shall enter into a Broker-Dealer Agreement with [Name of Broker-Dealer], as the initial Broker-Dealer. The Market Agent may from time to time approve one or more additional Persons to serve as Broker-Dealers under Broker-Dealer Agreements with the consent of the Bond Insurer.

(b) Any Broker-Dealer may be removed at any time by the City, but there shall, at all times, be at least one Broker-Dealer appointed and acting as such.

Section 114. Changes in Auction Periods or Auction Date.

(a) Changes in Auction Period or Periods.

(i) While any of the Bonds are Outstanding as Auction Rate Certificates, the Market Agent:

(A) in order to conform with then current market practice with respect to similar securities, shall; or

(B) in order to accommodate economic and financial factors that may affect or be relevant to the length of the Auction Period and the interest rate borne by the Bonds and with the written consent of the City, may change, from time to time, the length of one or more Auction Periods (an "Auction Period Adjustment"). The City shall not consent to such change in the length of the Auction Period, if such consent is required above, unless the City shall have received from the Market Agent not less than three days nor more than 20 days prior to the effective date of such change a written request for consent

together with a certificate demonstrating the need for change in reliance on such factors. The Market Agent shall initiate the Auction Period Adjustment by giving written notice to the Trustee, the Auction Agent, the City and the Depository at least 10 days prior to the Auction Date for such Auction Period.

(ii) Any such changed Auction Period shall not be fewer than seven days.

(iii) The Auction Period Adjustment shall not be allowed unless Sufficient Clearing Bids existed at both the Auction before the date on which the notice of the proposed change was given as provided under this heading and the Auction immediately preceding the proposed change.

(iv) The Auction Period Adjustment shall take effect only if (A) the Trustee and the Auction Agent receive, by 11:00 a.m., New York City time, on the Business Day before the Auction Date for the first such Auction Period, a certificate from the Market Agent, authorizing the Auction Period Adjustment specified in such certificate and (B) Sufficient Clearing Bids exist at the Auction on the Auction Date for such first Auction Period. If the condition referred to in (A) above is not met, the Applicable Bonds Rate for the next Auction Period shall be determined pursuant to the Auction Procedures and the Auction Period shall be the Auction Period determined without reference to the proposed change. If the condition referred to in (A) is met but the condition referred to in (B) above is not met, the Applicable Bonds Rate for the next Auction Period shall be the Maximum Rate and the Auction Period shall be the Auction Period determined without reference to the proposed change. In connection with any Auction Period Adjustment, the Auction Agent shall provide such further notice to such parties as is specified in the Auction Agent Agreement.

(v) If Auction Periods are changed as provided herein and if an Auction is scheduled to occur for the next Interest Period on a date that was reasonably expected to be a Business Day, but such Auction does not occur because such date is later not considered to be a Business Day, the Auction shall nevertheless be deemed to have occurred, and the Applicable Bonds Rate in effect for the next Interest Period will be the Auction Rate in effect for the preceding Interest Period and such Interest Period will generally be 35 days in duration, beginning on the calendar day following the date of the deemed Auction and ending on (and including) the applicable Auction Date (unless such Auction Date is not followed by a Business Day, in which case on the next succeeding Business Day). If the preceding Interest Period was other than generally 35 days in duration, the Auction Rate for the deemed Auction will instead be the rate of interest determined by the Market Agent on equivalently rated auction securities with a comparable length of auction period.

(vi) If the Auction Period Adjustment is either (A) from an Auction Period of one year or less to an Auction Period of more than one year or (B) from an Auction

Period of more than one year to an Auction Period of one year or less, the Auction Rate Adjustment shall not occur unless the Trustee, the Bond Insurer and the City have been provided with a Favorable Opinion of Bond Counsel.

(b) Changes in the Auction Dates. While any of the Bonds are outstanding as Auction Rate Certificates, the Market Agent:

(i) in order to conform with then current market practice with respect to similar securities, shall; or

(ii) in order to accommodate economic and financial factors that may affect or be relevant to the day of the week constituting an Auction Date and the interest rate borne on the Bonds and with the written consent of the City, may specify an earlier Auction Date (but in no event more than five Business Days earlier) than the Auction Date that would otherwise be determined in accordance with the definition of "Auction Date" in this Appendix A with respect to one or more specified Auction Periods. The City shall not consent to such change in the Auction Date, if such consent is required in this subparagraph (b)(ii) unless the City shall have received from the Market Agent not less than three days nor more than 20 days prior to the effective date of such change a written request for consent together within a certificate demonstrating the need for change in reliance on such factors. The Market Agent shall provide notice of any determination to specify an earlier Auction Date for one or more Auction Periods by means of a written notice delivered at least 10 days prior to the proposed changed Auction Date to the Trustee, the Auction Agent, the City and the Depository.

(c) In connection with any change described above, the Auction Agent shall provide such further notice to such parties as is specified in the Auction Agent Agreement.

(d) No change shall be made to the Auction Period or Auction Date unless the City shall give notice thereof to any rating agency then rating the Bonds, and no change shall be made unless such change will not adversely affect the ratings on the Bonds.

Section 115. Credit Ratings. The City shall take all reasonable action necessary to enable at least one nationally recognized statistical rating organization (as that term is used in the rules and regulations of the SEC under the Securities Exchange Act of 1934) to provide credit ratings for the Bonds.

Section 116. Disruption in Auction Procedures. Notwithstanding anything herein to the contrary, if an Auction does not occur because it was not foreseeable that the scheduled Auction Date would not be a Business Day (a "*Scheduled Auction Date*"), the following shall apply:

(a) an Auction shall be deemed to have occurred on the Scheduled Auction Date as if such day were a Business Day;

(b) the Auction Rate for such deemed Auction in effect for the succeeding Interest Period shall be equal to the Auction Rate for the preceding Interest Period; provided, however, that in the event the preceding Interest Period was other than generally seven days in duration, in the case of the Series 2006___ Bonds, or 35 days in duration in the case of the Series 2006___ Bonds, the Auction Rate shall be the rate of interest determined by the Market Agent on equivalently rated auction securities with a comparable length of auction period; and

(c) the succeeding Interest Period shall generally be seven days in duration, in the case of the Series 2006___ Bonds, or 35 days in duration in the case of the Series 2006___ Bonds, beginning on the calendar day following the Scheduled Auction Date and ending on (and including) a Thursday (unless such Thursday is not followed by a Business Day, in which case on the next succeeding day that is followed by a Business Day).

Section 117. Purchases of Bonds. The City shall not purchase or otherwise acquire Bonds unless such Bonds are redeemed or otherwise canceled on the day of any purchase.

Section 118. Notice of Payment Default.

(a) If the City determines that a Payment Default has occurred the City shall promptly notify the Trustee in writing thereof.

(b) So long as the ownership of the Bonds is maintained in book-entry form by the Depository, upon the occurrence of a Payment Default the Trustee shall promptly send a notice thereof to the Auction Agent and Market Agent by telecopy or similar means.

(c) So long as the ownership of the Bonds is maintained in book-entry form by the Depository, the Trustee shall promptly send notice to the Auction Agent by telecopy or similar means if a Payment Default is cured.

Section 119. Redemption Dates and Prices; Mandatory Purchase. The outstanding Bonds are subject to redemption in accordance with Article III of the [Twenty-Third] Supplemental Indenture. For this purpose, the ARCs are treated the same as other Variable Rate Bonds. The Bonds shall be subject to mandatory purchase prior to maturity at the Purchase Price on the Mode Adjustment Date beginning any ARCs Mode.

Section 120. Additional Conditions to Changes of Interest Modes.

(a) No change in Interest Modes shall take effect unless, in addition to other conditions set forth herein, the following conditions, as applicable, shall have been satisfied:

(i) If the conversion is to an ARCs Mode, prior to the Mode Adjustment Date, (A) the City shall have appointed an Auction Agent, Broker-Dealer and Market Agent and (B) the City shall have furnished to the Trustee and the Bond Insurer an Auction Agent Agreement, a Broker-Dealer Agreement and a Market Agent Agreement and (c) the City shall deliver to the Trustee an opinion of bond counsel to the effect that the conversion to an ARCs Mode (1) is lawful under the Constitution and laws of the State and complies with the provisions of the [Twenty-Third] Supplemental Indenture and (2) will not adversely affect the exclusion from gross income for Federal income tax purposes of the Bonds.

(ii) If the conversion is from an ARCs Mode to a Weekly Mode or a Flexible Mode, prior to the Mode Adjustment Date, the City shall have appointed a Remarketing Agent and a Liquidity Provider and shall have executed and delivered a Remarketing Agreement and a Liquidity Facility. A bond insurance policy and a Liquidity Facility or, with the prior consent of the Bond Insurer, the City acting as a Liquidity Provider and providing self-liquidity, may be substituted on any Credit Substitution Date or Mode Adjustment Date for a Letter of Credit or Alternate Letter of Credit under the [Twenty-Third] Supplemental Indenture.

(b) In the event any condition precedent to a conversion to an Interest Mode other than an ARCs Mode is not fulfilled, (i) the Mode Adjustment Date shall not occur, (ii) the mandatory tender pursuant to Section 2.08 shall not occur, (iii) any affected ARCs Rate Bond shall continue to be an ARCs Rate Bond and shall continue to be payable at the applicable ARCs Rate for the balance of the ARCs Interest Period then applicable thereto (without regard to the attempted conversion) and shall bear interest for the next succeeding ARCs Interest Period at (1) the applicable ARCs Rate determined in accordance with the ARCs Provisions if the City withdraws notice of the exercise of its option to effect conversion and the next succeeding Auction Date occurs more than two Business Days after the Business Day on which the Trustee receives notice of withdrawal of the conversion from the City or (2) the Maximum Rate determined by the Auction Agent as provided in the ARCs Provisions in all other cases.

(c) Notice of withdrawal of a conversion notice shall be given by the City to the Broker-Dealer, the Trustee, the Remarketing Agent, the Tender Agent, the Bond Insurer and the Auction Agent (in the case of conversion of ARCs) by telephone, promptly confirmed in writing, and shall thereafter be promptly given to the Bondowners by the Trustee by first-class mail. No failure or cancellation of conversion pursuant to this Subsection (c) shall constitute an Event of Default.

All percentages resulting from such calculations shall be rounded upwards, if necessary, to the nearest one-hundredth of one percent.

Section 101. Global Form; Depository.

(a) The Series 2006__ Bonds shall be initially issued as Taxable Auction Rate Certificates. Except as otherwise provided under this heading, the Bonds, in the form of one Bond for each maturity of each Series of Bonds, shall be registered in the name of the Depository, and ownership thereof shall be maintained in book-entry form by the Depository for the account of the Participants. Initially, the Bonds shall be registered in the name of Cede & Co., as the nominee of DTC. Except as provided in paragraph (c) below, the Bonds may be transferred, in whole but not in part, only to DTC, or to a successor of DTC selected or approved by the City or to a nominee of such successor Depository.

(b) Neither the City, the Market Agent the Trustee nor any of their respective affiliates shall have any responsibility or obligation with respect to:

(i) the accuracy of the records of the Depository or any Participant with respect to any beneficial ownership interest in the Bonds;

- (ii) the delivery to any Participant, any beneficial owner of the Bonds or any other Person, other than the Depository, of any notice with respect to the Bonds; or
- (iii) the payment to any Participant, any beneficial owner of the Bonds or any other Person, other than the Depository, of any amount with respect to the principal, premium, if any, or interest on the Bonds.

So long as the certificates for the Bonds are not issued pursuant to subsection (c) below, the City and the Trustee may treat the Depository as, and deem the Depository to be, the absolute owner of the Bonds for all purposes whatsoever, including without limitation:

- (i) the payment of principal, premium, if any, and interest on the Bonds;
- (ii) giving notices of redemption and other matters with respect to the Bonds;
- (iii) registering transfer with respect to the Bonds; and
- (iv) the selection of Bonds for redemption.

(c) If at any time the Market Agent has notified the City that the Bonds should not be maintained in book-entry form or the Depository notifies the City that it is unwilling or unable to continue as Depository with respect to the Bonds, or if at any time the Depository shall no longer be registered or in good standing under the Securities Exchange Act or other applicable statute or regulation and a successor Depository is not appointed by the City within 90 days after the City receives notice or becomes aware of such condition, as the case may be, then this Section shall no longer be applicable and the City shall execute (but need not prepare) and the Trustee shall authenticate and deliver certificates representing the Bonds as provided below. Certificates for the Bonds issued in exchange for a global certificate pursuant to this paragraph (c) shall be registered in such names and authorized denominations as the Depository, pursuant to instructions from the Participants or otherwise, shall instruct the City and the Trustee in writing. Based on information provided by the Depository, the Trustee shall promptly deliver such certificates representing the Bonds to the persons in whose names such Bonds are so registered on the Business Day immediately preceding the first day of an Interest Period.

(d) So long as the ownership of the Bonds is maintained in book-entry form by the Depository, an Existing Holder may sell, transfer or otherwise dispose of its beneficial interest in Bonds only pursuant to a Bid or Sell Order placed in any Auction or to or through a Broker-Dealer, provided that in the case of all transfers other than pursuant to Auctions such Existing Holder, its Broker-Dealer or its Participant advises the Auction Agent of such transfer.

Section 102. Interest on Bonds.

(a) Interest on the Bonds shall accrue for each Interest Period and shall be payable in arrears, commencing on the Initial Interest Payment Date and on each Interest Payment Date thereafter. The amount of interest payable on the Bonds on any Interest Payment Date shall be calculated (i) during an ARCs Rate Period of 180 days or more, on the basis of a 360-day year of twelve 30-day months and (ii) during an ARCs Rate Period of less than 180 days, on the basis of a 360-day year for the number of days actually elapsed.

(b) The rate of interest on the Bonds for the Initial Interest Period shall be the rate of interest per annum, as shall be set forth in the Purchase Contract. The rate of interest on the Bonds for each subsequent Interest Period shall be the Auction Rate unless the Auction Rate exceeds the Maximum Rate, in which case the rate of interest on the respective Bonds for such Interest Period shall be the Maximum Rate, or unless the Maximum Rate shall actually be lower than the All-Hold Rate, in which case the rate of interest on the respective Bonds for such Interest Period shall be the Maximum Rate; provided that, except as provided in Section 116, if, on any Auction Date, an Auction is not held for any reason, then the rate of interest for the next succeeding Interest Period shall equal the Maximum Rate on such Auction Date. Notwithstanding the foregoing, if

(i) the ownership of the Bonds is no longer maintained in book-entry form by the Depository, the rate of interest on the Bonds for any Interest Period commencing after the delivery of certificates representing Bonds pursuant to clause (c) of Section 101 shall equal the Maximum Rate on the Business Day immediately preceding the first day of such Interest Period; or

(ii) if a Payment Default occurs, Auctions will be suspended and the Applicable Bonds Rate for the Interest Period commencing on or after such Payment Default and for each Interest Period thereafter to and including the Interest Period, if any, during which, or commencing less than the Applicable Number of Business Days after, such Payment Default is cured will equal the Default Rate.

The rate per annum at which interest is payable on the Bonds for any Interest Period is referred to in this Appendix B as the "Applicable Bonds Rate." Notwithstanding anything herein to the contrary, the Applicable Bonds Rate cannot exceed the Maximum Rate.

(c) If the Auction Rate for any Interest Period is greater than the Maximum Rate, then the interest rate applicable to the Bonds for that Interest Period will be the Maximum Rate. If the interest rate applicable to the Bonds for any Interest Period is the Maximum Rate, the Trustee shall determine the Carry-over Amount, if any, for such Interest Period. To the extent permitted by law, such Carry-over Amount shall bear interest calculated at a rate equal to One-Month LIBOR (as determined by the Auction Agent, provided the Trustee has received notice of One-Month LIBOR from the Auction Agent, and if the Trustee shall not have received such notice from the Auction Agent, then as determined by the Trustee) from the Interest Payment Date for the Interest Period with respect to which such Carry-over Amount was calculated, until paid. Any payment in respect of Carry-over Amount shall be applied, first, to any accrued interest payable thereon and, second, in reduction of such Carry-over Amount. For purposes of the Indenture, any reference to "principal" or "interest" shall not include within the meaning of such words the Carry-over Amount or any interest accrued on any such Carry-over Amount. Such Carry-over Amount shall be separately calculated for each Bond by the Trustee during such Interest Period in sufficient time for the Trustee to give notice to each Owner of such Carry-over Amount as required in the next succeeding sentence. On the Interest Payment Date for an Interest Period with respect to which such Carry-over Amount has been calculated by the Trustee, the Trustee shall give written notice to each Owner of the Carry-over Amount applicable to such Owner's Bonds, which written notice may accompany the payment of interest by check made to each such Owner on such Interest Payment Date or otherwise shall be mailed on such Interest Payment Date by first-class mail, postage prepaid, to each such Owner at such

Owner's address as it appears on the registration records maintained by the Trustee. Such notice shall state, in addition to such Carry-over Amount, that, unless and until a Bond has been redeemed or has been deemed no longer Outstanding under the Indenture (after which all accrued Carry-over Amount, and all accrued interest thereon, that remains unpaid shall be canceled and no Carry-over Amount, or interest accrued thereon, shall be paid with respect to such Bond), (i) the Carry-over Amount (and interest accrued thereon calculated at a rate equal to One-Month LIBOR) shall be paid by the Trustee on a Bond on the first occurring Interest Payment Date for a subsequent Interest Period if and to the extent that (1) the Eligible Carry-over Make-Up Amount with respect to such Interest Period is greater than zero, and (2) moneys are available pursuant to the terms of the Indenture in an amount sufficient to pay all or a portion of such Carry-over Amount (and interest accrued thereon), and (ii) interest shall accrue on the Carry-over Amount at a rate equal to One-Month LIBOR until such Carry-over Amount is paid in full or is canceled.

(d) The Carry-over Amount (and interest accrued thereon) for the Bonds shall be paid by the Trustee, if ever, on the first occurring Interest Payment Date for a subsequent Interest Period if and to the extent that (i) the Eligible Carry-over Make-Up Amount with respect to such Interest Period is greater than zero, and (ii) on such Interest Payment Date there are sufficient moneys to pay, and available for payment of, all interest due on the Bonds on such Interest Payment Date. Any Carry-over Amount (and any interest accrued thereon) on any Bond which is due and payable on an Interest Payment Date, which Bond is to be redeemed (other than by optional redemption from proceeds of a refunding) or deemed no longer outstanding under the Indenture on that Interest Payment Date, shall be paid to the Owner thereof on that Interest Payment Date to the extent that moneys are available therefor in accordance with the provisions of the Indenture; provided, however, that any Carry-over Amount (and any interest accrued thereon) which is not yet due and payable on that Interest Payment Date shall be canceled with respect to that Bond that is to be redeemed (other than by optional redemption from proceeds of a refunding) or deemed no longer outstanding under the Indenture on that Interest Payment Date and shall not be paid on any succeeding Interest Payment Date. To the extent that any portion of the Carry-over Amount (and any interest accrued thereon) remains unpaid after payment of a portion thereof, such unpaid portion shall be paid in whole or in part as required hereunder until fully paid by the Trustee on the next occurring Interest Payment Date or Dates, as necessary, for a subsequent Interest Period or Periods, if and to the extent that the conditions in the second preceding sentence are satisfied. On any Interest Payment Date on which the Trustee pays only a portion of the Carry-over Amount (and any interest accrued thereon) on a Bond, the Trustee shall give written notice in the manner set forth in the immediately preceding paragraph to the Owner of such Bond receiving such partial payment of the Carry-over Amount remaining unpaid on such Bond. The Interest Payment Date in such subsequent Interest Period on which such Carry-over Amount (or any interest accrued thereon) for a Bond shall be paid shall be determined by the Trustee in accordance with the provisions of this paragraph, and the Trustee shall make payment of the Carry-over Amount (and any interest accrued thereon) in the same manner as, and from the same account from which, it pays interest on the Bonds on an Interest Payment Date. Any Carry-over Amount which remains unpaid on the date of optional redemption of the Bonds from proceeds of a refunding shall be paid on the date of such redemption.

(e) Notwithstanding anything herein to the contrary, if any Bond or portion thereof has been selected for redemption during the next succeeding Interest Period, that Bond or portion thereof, will not be included in the Auction preceding such Redemption Date, and that Bond or portion thereof, will continue to bear interest until the Redemption Date at the rate established for the Interest Period prior to that Auction.

Section 103. Payments. So long as the Bonds are registered in the name of the Depository, or the nominee thereof, payment (other than at maturity) of interest and premium, if any, on, and of principal at redemption of, the Bonds shall be made to the Depository by wire transfer provided proper wire instructions are received. Each Holder of Bonds, by such Holder's purchase of Bonds, appoints the Trustee as its agent in connection with the payment by such Holder of its share, if any, of the amounts payable to the Auction Agent and the Broker-Dealers pursuant to Section 106 of this Appendix B.

Section 104. Auction Procedures. Auctions shall be conducted on each Auction Date (other than the Auction Date immediately preceding (i) each Interest Period commencing after the ownership of the Bonds is no longer maintained in book-entry form by the Depository; (ii) each Interest Period commencing after the occurrence and during the continuance of a Payment Default; or (iii) any Interest Period commencing fewer than the Applicable Number of Business Days after the cure of a Payment Default). If there is an Auction Agent on such Auction Date, Auctions shall be conducted in the following manner:

(a) Orders by Existing Holders and Potential Holders.

(i) Prior to the Submission Deadline on each Auction Date:

(A) each Existing Holder of Bonds may submit to a Broker-Dealer information as to:

(I) the principal amount of Outstanding Bonds, if any, held by such Existing Holder which such Existing Holder desires to continue to hold without regard to the Auction Rate for the next succeeding Interest Period;

(II) the principal amount of Outstanding Bonds, if any, which such Existing Holder offers to sell if the Auction Rate for the next succeeding Interest Period shall be less than the rate per annum specified by such Existing Holder; and/or

(III) the principal amount of Outstanding Bonds, if any, held by such Existing Holder which such Existing Holder offers to sell without regard to the Auction Rate for the next succeeding Interest Period; and

(B) one or more Broker-Dealers may contact Potential Holders to determine the principal amount of Bonds which each such Potential Holder offers to purchase if the Auction Rate for the next succeeding Interest Period shall not be less than the rate per annum specified by such Potential Holder.

The communication to a Broker-Dealer of information referred to in clause (A)(I), (A)(II), (A)(III) or (B) of this paragraph (i) is hereinafter referred to as an "Order" and collectively as "Orders" and each Existing Holder and each Potential Holder placing an Order is hereinafter referred to as a "Bidder" and collectively as "Bidders;" an Order containing the information referred to in (x) clause (A) (I) of this paragraph (i) is hereinafter referred to as a "Hold Order" and collectively as "Hold Orders," (y) clause (A)(II) or (B) of this paragraph (i) is hereinafter referred to as a "Bid" and collectively as "Bids" and (z) clause (A)(III) of this paragraph (i) is hereinafter referred to as a "Sell Order" and collectively as "Sell Orders."

(ii) (A) Subject to the provisions of subsection (b) below, a Bid by an Existing Holder shall constitute an irrevocable offer to sell (in each case for settlement in same day funds on the next Interest Payment Date therefor at a price equal to 100% of the principal amount thereof):

(I) the principal amount of Outstanding Bonds specified in such Bid if the Auction Rate determined as provided under this heading shall be less than the rate specified in such Bid; or

(II) such principal amount or a lesser principal amount of Outstanding Bonds to be determined as set forth in clause (D) of paragraph (i) of subsection (d) of this Section 104, if the Auction Rate determined as provided under this heading shall be equal to the rate specified in such Bid; or

(III) such principal amount or a lesser principal amount of Outstanding Bonds to be determined as set forth in clause (C) of paragraph (ii) of subsection (d) of this Section 104 if the rate specified shall be higher than the Maximum Interest Rate and Sufficient Clearing Bids have not been made.

(B) Subject to the provisions of subsection (b) below, a Sell Order by an Existing Holder shall constitute an irrevocable offer to sell (in each case for settlement in same day funds on the next Interest Payment Date therefor at a price equal to 100% of the principal amount thereof):

(I) the principal amount of Outstanding Bonds specified in such Sell Order, or

(II) such principal amount or a lesser principal amount of Outstanding Bonds as set forth in clause (C) of paragraph (ii) of subsection (d) of this Section 104 if Sufficient Clearing Bids have not been made.

(C) Subject to the provisions of subsection (b) below, a Bid by a Potential Holder shall constitute an irrevocable offer to purchase (in each case for settlement in same day funds on the next Interest Payment Date therefor at a price equal to 100% of the principal amount thereof):

(I) the principal amount of Outstanding Bonds specified in such Bid if the Auction Rate determined as provided under this heading shall be higher than the rate specified in such Bid; or

(II) such principal amount or a lesser principal amount of Outstanding Bonds as set forth in clause (E) of paragraph (i) of subsection (d) of this Section 104 if the Auction Rate determined as provided under this heading shall be equal to the rate specified in such Bid.

(b) Submissions by Broker-Dealers to the Auction Agent.

(i) Each Broker-Dealer shall submit in writing to the Auction Agent prior to the Submission Deadline on each Auction Date all Orders obtained by such Broker-Dealer and shall specify with respect to each such Order:

(A) the name of the Bidder placing such Order;

(B) the aggregate principal amount of Bonds that are the subject of such Order;

(C) to the extent that such Bidder is an Existing Holder:

(I) the principal amount of Bonds, if any, subject to any Hold Order placed by such Existing Holder;

(II) the principal amount of Bonds, if any, subject to any Bid placed by such Existing Holder and the rate specified in such Bid; and

(III) the principal amount of Bonds, if any, subject to any Sell Order placed by such Existing Holder; and

(D) to the extent such Bidder is a Potential Holder, the rate and amount specified in such Potential Holder's Bid.

(ii) If any rate specified in any Bid contains more than three figures to the right of the decimal point, the Auction Agent shall round such rate up to the next highest one thousandth (.001) of 1%.

(iii) If an Order or Orders covering all Outstanding Bonds held by any Existing Holder is not submitted to the Auction Agent prior to the Submission Deadline, the Auction Agent shall deem a Hold Order to have been submitted on behalf of such Existing Holder covering the principal amount of Outstanding Bonds held by such Existing Holder and not subject to an Order submitted to the Auction Agent.

(iv) Neither the City, the Trustee nor the Auction Agent shall be responsible for any failure of a Broker-Dealer to submit an Order to the Auction Agent on behalf of any Existing Holder or Potential Holder, nor shall any such party be responsible for failure by any Securities Depository to effect any transfer or to provide the Auction Agent with current information regarding registration of transfers.

(v) If any Existing Holder submits through a Broker-Dealer to the Auction Agent one or more Orders covering in the aggregate more than the principal amount of Outstanding Bonds held by such Existing Holder, such Orders shall be considered valid as follows and in the following order of priority:

(A) all Hold Orders shall be considered valid, but only up to and including in the aggregate the principal amount of Bonds held by such Existing Holder, and if the aggregate principal amount of Bonds subject to such Hold Orders exceeds the aggregate principal amount of Bonds held by such Existing Holder, the aggregate principal amount of Bonds subject to each such Hold Order shall be reduced so that the aggregate principal amount of Bonds subject to such Hold Orders equals the aggregate principal amount of Outstanding Bonds held by such Existing Holder;

(B) (I) any Bid shall be considered valid up to and including the excess of the principal amount of Outstanding Bonds held by such Existing Holder over the aggregate principal amount of Bonds subject to any Hold Orders referred to in clause (A) of this paragraph (iv);

(II) subject to subclause (I) of this clause (B), if more than one Bid with the same rate is submitted on behalf of such Existing Holder and the aggregate principal amount of Outstanding Bonds subject to such Bids is greater than such excess, such Bids shall be considered valid up to and including the amount of such excess;

(III) subject to subclauses (I) and (II) of this clause (B), if more than one Bid with different rates is submitted on behalf of such Existing Holder, such Bids shall be considered valid first in the ascending order, of their respective rates until the highest rate is reached at which such excess exists and then at such rate up to and including the amount of such excess; and

(IV) in any such event, the aggregate principal amount of Outstanding Bonds, if any, subject to Bids not valid under this clause (B) shall be treated as the subject of a Bid by a Potential Holder at the rate therein specified; and

(C) all Sell Orders shall be considered valid up to and including the excess of the principal amount of Outstanding Bonds held by such Existing Holder over the aggregate principal amount of Bonds subject to valid Hold Orders referred to in clause (A) of this paragraph (v) and valid Bids referred to in clause (B) of this paragraph (v).

(vi) If more than one Bid for Bonds is submitted on behalf of any Potential Holder, each Bid submitted shall be a separate Bid with the rate and principal amount therein specified.

(vii) Any Bid or Sell Order submitted by an Existing Holder covering an aggregate principal amount of Bonds not equal to an Authorized Denomination therefor shall be rejected and shall be deemed a Hold Order. Any Bid submitted by a Potential Holder covering an aggregate principal amount of Bonds not equal to an Authorized Denomination therefor shall be rejected.

(viii) Any Bid specifying a rate higher than the Maximum Rate will (1) be treated as a Sell Order if submitted by an Existing Holder and (2) not be accepted if submitted by a Potential Holder.

(ix) Any Bid submitted by an Existing Holder or a Potential Holder specifying a rate lower than the All-Hold Rate shall be treated as a Bid specifying the All-Hold Rate and any such Bid shall be considered as valid and shall be selected in the ascending order of the respective rates in the Submitted Bids.

(x) An Existing Holder that offers to purchase additional Bonds is, for purposes of such offer, treated as a Potential Holder.

(c) Determination of Sufficient Clearing Bids, Auction Rate and Winning Bid Rate.

(i) Not earlier than the Submission Deadline on each Auction Date, the Auction Agent shall assemble all valid Orders submitted or deemed submitted to it by the Broker-Dealers (each such Order as submitted or deemed submitted by a Broker-Dealer being hereinafter referred to individually as a "Submitted Hold Order," a "Submitted Bid" or a "Submitted Sell Order," as the case may be, or as a "Submitted Order" and collectively as "Submitted Hold Orders," "Submitted Bids" or "Submitted Sell Orders," as the case may be, or as "Submitted Orders") and shall determine:

(A) the excess of the total principal amount of Outstanding Bonds over the sum of the aggregate principal amount of Outstanding Bonds subject to Submitted Hold Orders (such excess being hereinafter referred to as the "Available Bonds"); and

(B) from such Submitted Orders whether:

(I) the aggregate principal amount of Outstanding Bonds subject to Submitted Bids by Potential Holders specifying one or more rates equal to or lower than the Maximum Rate; exceeds or is equal to the sum of:

(II) the aggregate principal amount of Outstanding Bonds subject to Submitted Bids by Existing Holders specifying one or more rates higher than the Maximum Rate; and

(III) the aggregate principal amount of Outstanding Bonds subject to Submitted Sell Orders (in the event such excess or such equality exists, other than because the sum of the principal amounts of Bonds in subclauses (II) and (III) above is zero because all of the Outstanding Bonds are subject to Submitted Hold Orders, such Submitted Bids in subclause (I) above are hereinafter referred to collectively as "Sufficient Clearing Bids"), and

(C) if Sufficient Clearing Bids have been made, the lowest rate specified in such Submitted Bids (which shall be the "Winning Bid Rate") such that if

(I) (aa) each such Submitted Bid from Existing Holders specifying such lowest rate and (bb) all other Submitted Bids from Existing Holders specifying lower rates were rejected, thus entitling such Existing Holders to continue to hold the principal amount of Bond's subject to such Submitted Bids; and

(II) (aa) each such Submitted Bid from Potential Holders specifying such lowest rate and (bb) all other Submitted Bids from Potential Holders specifying lower rates were accepted,

the result would be that such Existing Holders described in subclause (I) above would continue to hold an aggregate principal amount of Outstanding Bonds which, when added to the aggregate principal amount of Outstanding Bonds to be purchased by such Potential Holders described in subclause (II) above, would equal not less than the Available Bonds.

(ii) Promptly after the Auction Agent has made the determinations pursuant to paragraph (i) of this subsection (c), the Auction Agent shall advise the Trustee of the Maximum Rate and the All-Hold Rate and the components thereof on the Auction Date and, based on such determinations, the Auction Rate for the next succeeding Interest Period as follows:

(A) if Sufficient Clearing Bids have been made, that the Auction Rate for the next succeeding Interest Period shall be equal to the Winning Bid Rate so determined;

(B) if Sufficient Clearing Bids have not been made (other than because all of the Outstanding Bonds are subject to Submitted Hold Orders), that the Auction Rate for the next succeeding Interest Period shall be equal to the Maximum Rate; or

(C) if all Outstanding Bonds are subject to Submitted Hold Orders, that the Auction Rate for the next succeeding Interest Period shall be equal to the All-Hold Rate.

(d) Acceptance and Rejection of Submitted Bids and Submitted Sell Orders and Allocation of Bonds. Existing Holders shall continue to hold the principal amount of Bonds that are subject to Submitted Hold Orders, and, based on the determinations made pursuant to paragraph (i) of this subsection (d), Submitted Bids and Submitted Sell Orders shall be accepted or rejected and the Auction Agent shall take such other action as set forth below:

(i) If Sufficient Clearing Bids have been made, all Submitted Sell Orders shall be accepted and, subject to the provisions of paragraph (iv) of this subsection (d), Submitted Bids shall be accepted or rejected as follows in the following order of priority and all other Submitted Bids shall be rejected:

(A) Existing Holders' Submitted Bids specifying any rate that is higher than the Winning Bid Rate shall be accepted, thus requiring each such Existing Holder to sell the aggregate principal amount of Bonds subject to such Submitted Bids;

(B) Existing Holders' Submitted Bids specifying any rate that is lower than the Winning Bid Rate shall be rejected, thus entitling each such Existing Holder to continue to hold the aggregate principal amount of Bonds subject to such Submitted Bids;

(C) Potential Holders' Submitted Bids specifying any rate that is lower than the Winning Bid Rate shall be accepted, thus requiring such Potential Holder to purchase the aggregate principal amount of Bonds subject to such Submitted Bids;

(D) Each Existing Holder's Submitted Bid specifying a rate that is equal to the Winning Bid Rate shall be rejected, thus entitling such Existing Holder to continue to hold the aggregate principal amount of Bonds subject to such Submitted Bid, unless the aggregate principal amount of Outstanding Bonds subject to all such Submitted Bids shall be greater than the principal amount of Bonds (the "remaining principal amount") equal to the excess of the Available Bonds over the aggregate principal amount of Bonds subject to Submitted Bids

described in clauses (B) and (C) of this paragraph (i), in which event such Submitted Bid of such Existing Holder shall be rejected in part, and such Existing Holder shall be entitled to continue to hold the principal amount of Bonds subject to such Submitted Bid, but only in an amount equal to the aggregate principal amount of Bonds obtained by multiplying the remaining principal amount by a fraction the numerator of which shall be the principal amount of Outstanding Bonds held by such Existing Holder subject to such Submitted Bid and the denominator of which shall be the sum of the principal amount of Outstanding Bonds subject to such Submitted Bids made by all such Existing Holders that specified a rate equal to the Winning Bid Rate; and

(E) Each Potential Holder's Submitted Bid specifying a rate that is equal to the Winning Bid Rate shall be accepted but only in an amount equal to the principal amount of Bonds obtained by multiplying the excess of the aggregate principal amount of Available Bonds over the aggregate principal amount of Bonds subject to Submitted Bids described in clauses (B), (C) and (D) of this paragraph (i) by a fraction the numerator of which shall be the aggregate principal amount of Outstanding Bonds subject to such Submitted Bid and the denominator of which shall be the sum of the principal amounts of Outstanding Bonds subject to Submitted Bids made by all such Potential Holders that specified a rate equal to the Winning Bid Rate.

(ii) If Sufficient Clearing Bids have not been made (other than because all of the Outstanding Bonds are subject to Submitted Hold Orders), subject to the provisions of paragraph (iv) of this subsection (d), Submitted Orders shall be accepted or rejected as follows in the following order of priority and all other Submitted Bids shall be rejected:

(A) Existing Holders' Submitted Bids specifying any rate that is equal to or lower than the Maximum Rate shall be rejected, thus entitling such Existing Holders to continue to hold the aggregate principal amount of Bonds subject to such Submitted Bids;

(B) Potential Holders' Submitted Bids specifying any rate that is equal to or lower than the Maximum Rate shall be accepted, thus requiring each Potential Holder to purchase the aggregate principal amount of Bonds subject to such Submitted Bids, and

(C) Each Existing Holder's Submitted Bid specifying any rate that is higher than the Maximum Rate and the Submitted Sell Order of each Existing Holder shall be accepted, thus entitling each Existing Holder that submitted any such Submitted Bid or Submitted Sell Order to sell the Bonds subject to such Submitted Bid or Submitted Sell Order, but in both cases only in an amount equal

to the aggregate principal amount of Bonds obtained by multiplying the aggregate principal amount of Bonds subject to Submitted Bids described in clause (B) of this paragraph (ii) by a fraction the numerator of which shall be the aggregate principal amount of Outstanding Bonds held by such Existing Holder subject to such Submitted Bid or Submitted Sell Order and the denominator of which shall be the aggregate principal amount of Outstanding Bonds subject to all such Submitted Bids and Submitted Sell Orders.

(iii) If all Outstanding Bonds are subject to Submitted Hold Orders, all Submitted Bids shall be rejected.

(iv) If, as a result of the procedures described in paragraph (i) or (ii) of this subsection (d), any Existing Holder would be entitled or required to sell, or any Potential Holder would be entitled or required to purchase, a principal amount of Bonds that is not equal to an Authorized Denomination therefor the Auction Agent shall, in such manner as it shall, in its sole discretion, determine, round up or down the principal amount of Bonds to be purchased or sold by any Existing Holder or Potential Holder so that the principal amount of Bonds sold by each Existing Holder or be purchased by a Potential Holder shall be equal to an Authorized Denomination therefore.

(v) The City, the Broker-Dealer, the Trustee and the Auction Agent shall have no liability in the event that there are not Sufficient Clearing Bids from time to time pursuant to the Auction Procedures.

(vi) Based on the results of each Auction, the Auction Agent shall determine the aggregate principal amount of Bonds to be purchased and the aggregate principal amount of Bonds to be sold by Potential Holders and Existing Holders on whose behalf each Broker-Dealer submitted Bids or Sell Orders and, with respect to each Broker-Dealer, to the extent that such aggregate principal amount of Bonds to be sold differs from such aggregate principal amount of Bonds to be purchased, determine to which other Broker-Dealer or Broker-Dealers acting for one or more purchasers such Broker-Dealer shall deliver, or from which other Broker-Dealer or Broker-Dealers acting for one or more sellers such Broker-Dealer shall receive, as the case may be, Bonds.

Section 105. Certain Orders Not Permitted. The City may not submit an Order in any Auction. The Auction Agent shall have no duty or liability in monitoring or enforcing compliance with this Section 105.

Section 106. Payment of Service Charges; Notice of Payment Defaults and Cures.

(a) The City shall pay to the Auction Agent, on behalf of the Holders of the Bonds, (i) when due, an amount equal to the Auction Agent Fee as calculated in the Auction Agent Agreement and (ii) when due, an amount equal to the Broker-Dealer Fee as calculated in the Broker-Dealer Agreement.

(b) By 12:30 p.m., New York City time, on the Business Day immediately succeeding each Interest Payment Date, the Trustee will determine if a Payment Default has occurred. If a Payment Default has occurred, the Trustee shall notify the Auction Agent and Broker-Dealer by 1:00 p.m., New York City time, on that date. If a Payment Default has been cured, the Trustee shall so notify the Auction Agent and the Broker-Dealer by 5:00 p.m., New York City time, on the day such Payment Default is cured.

Section 107. Calculation of the Rates. The Auction Agent shall calculate the Maximum Rate, the Applicable LIBOR-Based Rate, and the All-Hold Rate on each Auction Date. The determination by the Auction Agent of each of such rates will (in the absence of manifest error) be final and binding upon all Holders and upon all other parties. If the ownership of the Bonds is no longer maintained in book-entry form by the Depository, the Market Agent shall calculate the Maximum Rate on the Business Day immediately preceding the first day of each Interest Period commencing after the delivery of certificates representing the Bonds pursuant to Subsection (c) under the heading "Global Form; Depository." If a Payment Default shall have occurred, the Market Agent shall calculate the Default Rate on the first day of (i) each Interest Period commencing after the occurrence and during the continuance of such Payment Default and (ii) any Interest Period commencing less than the Applicable Number of Business Days after the cure of any Payment Default.

Section 108. Computation of Interest. The amount of interest distributable to Holders of Bonds in respect of each \$50,000 in principal amount thereof for any Interest Period or part thereof shall be calculated by applying the Applicable Bonds Rate for such Interest Period or part thereof to the principal amount of \$50,000, multiplying such product by the actual number of days in the Interest Period or part thereof concerned divided by 360, and truncating the resultant figure to the nearest one cent. Interest on the Bonds shall be computed by the Trustee (i) during an ARCs Rate Period of 180 days or more, on the basis of a 360-day year of twelve 30-day months and (ii) during an ARCs Rate Period of less than 180 days, on the basis of a 360-day year for the number of days **actually** elapsed. In the event an Interest Payment Date occurs in any Interest Period on a date **other** than the first day of such Interest Period, the Trustee, after confirming the calculation required above, shall calculate the portion of the Interest Amount payable on such Interest Payment Date and the portion payable on the next succeeding Interest Payment Date. The Trustee shall make the calculation required by the foregoing provisions not later than the close of business on each Auction Date.

Section 109. Notification of Rates, Amounts and Payment Dates.

(a) The Trustee shall determine the aggregate amount of interest distributable on the next succeeding Interest Payment Date to the Holders of the Bonds. So long as the ownership of the Bonds is maintained in book-entry form by the Depository, the Trustee shall advise the Depository of each Record Date for the Bonds at least two Business Days prior thereto.

(b) Promptly after the Date of Delivery and promptly after each determination of the rate of interest on Bonds and the Interest Amount and in any event at least three days prior to each Interest Payment Date, the Trustee shall:

(i) so long as no Payment Default has occurred and is continuing and the ownership of the Bonds is maintained in book-entry form by the Depository, confirm the Auction Agent's determination of (A) the date of such Interest Payment Date, (B) interest rate applicable to the Bonds for the related Interest Period and (C) the amount payable to the Auction Agent on that Interest Payment Date pursuant to the provisions described under the heading "Payment of Service Charges; Notice of Payment Defaults and Cures" and notify the Auction Agent of any discrepancy therein; and

(ii) pursuant to Section 1.02(c) hereof, advise the Owners of the Bonds of any Carry-over amount accruing on such Bonds; and

(iii) advise the Depository, so long as the ownership of the Bonds is maintained in book-entry form by the Depository, and the City of the Applicable Bonds Rate and the interest amount calculated in accordance with the provisions described under the heading "Calculation of Interest" in respect of the next succeeding Interest Payment Date.

In the event that any day that is scheduled to be an Interest Payment Date shall be changed after the Trustee shall have given the notice referred to in clause (i) of the preceding sentence, not later than 9:15 a.m., New York City time, on the Business Day next preceding the earlier of the new Interest Payment Date or the old Interest Payment Date, the Trustee shall, by such means as the Trustee deems practicable, give notice of such change to the City and, so long as no Payment Default has occurred and is continuing and the ownership of the Bonds is maintained in book-entry form by the Depository, the Auction Agent.

Section 110. Reserved.

Section 111. Market Agent. The Trustee is authorized and directed pursuant to the Indenture to enter into a Market Agent Agreement with [Name of Market Agent], as the initial Market Agent. The Market Agent shall serve as such under the terms and provisions of the Indenture and of the Market Agent Agreement. The Market Agent, including any successor appointed pursuant hereto, shall be a member of the National Association of Securities Dealers, Inc. having capitalization of at least \$25,000,000, and be authorized by law to perform all the duties imposed upon it by the Indenture and the Market Agent Agreement. The Market Agent may be removed at any time by the Trustee, acting at the direction of (a) the City or (b) the Holders of [_____] % of the aggregate principal amount of the Bonds, provided that such removal shall not take effect until the appointment of a successor Market Agent. The Market Agent may resign upon 30 days' written notice delivered to the City, the Trustee and the Bond Insurer. The City shall use its best efforts to appoint a successor Market Agent, effective as of

the effectiveness of any such resignation or removal. Notwithstanding that the Market Agent is the agent of the Trustee under the Market Agent Agreement, the Trustee shall not be liable in any way for any action taken, suffered, or omitted, or for any error of judgment made by the Market Agent, whether in the performance of its duties under the Market Agent Agreement or otherwise. In addition, the Trustee shall not be responsible for the fees and expenses of the Market Agent.

Section 112. Auction Agent.

(a) [Name of Auction Agent], _____, _____, shall serve as the initial Auction Agent for the Bonds. The Trustee is authorized and directed pursuant to the Indenture to enter into an agreement with the Auction Agent which shall provide as follows: The Auction Agent shall be (i) a bank or trust company duly organized under the laws of the United States of America or any state or territory thereof having its principal place of business in the Borough of Manhattan, The City of New York, and having a combined capital stock, surplus and undivided profits of at least \$15,000,000 or (ii) a member of the National Association of Securities Dealers, Inc., having a capitalization of at least \$15,000,000 and, in either case, authorized by law to perform all the duties imposed upon it under the Indenture and under the Auction Agent Agreement. The Auction Agent may resign and be discharged of the duties and obligations created by the Indenture by, giving at least 90 days' written notice to the City, the Trustee and the Market Agent (45 days' written notice if the Auction Agent has not been paid its fee for more than 45 days' after such fee is due). The Auction Agent may be removed at any time by the Trustee if the Auction Agent is an entity other than the Trustee, acting at the direction of (i) the City or (ii) the Holders of [___%] of the aggregate principal amount of the Bonds, by an instrument signed by the Trustee and filed with the Auction Agent, the City and the Market Agent upon at least 90 days' notice; provided that, if required by the Market Agent, an agreement in substantially the form of the Auction Agent Agreement shall be entered into with a successor Auction Agent. If the Auction Agent and the Trustee are the same entity, the Auction Agent may be removed as described above, with the City acting in lieu of the Trustee.

(b) In the event that the Auction Agent shall resign or be removed or dissolved, or if the property or affairs of the Auction Agent shall be taken under the control of any state or federal court or administrative body because of bankruptcy or insolvency, or for any other reason, the City shall use its best efforts to appoint a successor as Auction Agent, and the Trustee shall thereupon enter into an Auction Agent Agreement with such successor.

(c) The Auction Agent shall be acting as agent for the Trustee and the City in connection with Auctions. In the absence of bad faith or negligence on its part, the Auction Agent shall not be liable for any action taken, suffered or omitted or for any error of judgment made by it in the performance of its duties under the Auction Agent Agreement and shall not be liable for any error of judgment made in good faith unless the Auction Agent shall have been negligent in ascertaining (or failing to ascertain) the pertinent facts necessary to make such judgment.

(d) Notwithstanding that the Auction Agent is the agent of the Trustee under the Indenture and under the Auction Agent Agreement, the Trustee shall not be liable in any way

for any action taken, suffered or omitted, or for any error of judgment made by the Auction Agent, whether in the performance of its duties under the Auction Agent Agreement or otherwise, subject to the Auction Agent Agreement. In addition, the Trustee shall not be responsible for the fees and expenses of the Auction Agent.

Section 113. Broker-Dealers.

(a) The Auction Agent shall enter into a Broker-Dealer Agreement with [Name of Broker-Dealer], as the initial Broker-Dealer. The Market Agent may from time to time approve one or more additional Persons to serve as Broker-Dealers under Broker-Dealer Agreements with the consent of the Bond Insurer.

(b) Any Broker-Dealer may be removed at any time by the City, but there shall, at all times, be at least one Broker-Dealer appointed and acting as such.

Section 114. Changes in Auction Periods or Auction Date.

(a) Changes in Auction Period or Periods.

(i) While any of the Bonds are Outstanding as Auction Rate Certificates, the Market Agent:

(A) in order to conform with then current market practice with respect to similar securities, shall; or

(B) in order to accommodate economic and financial factors that may affect or be relevant to the length of the Auction Period and the interest rate borne by the Bonds and with the written consent of the City, may change, from time to time, the length of one or more Auction Periods (an "Auction Period Adjustment"). The City shall not consent to such change in the length of the Auction Period, if such consent is required above, unless the City shall have received from the Market Agent not less than three days nor more than 20 days prior to the effective date of such change a written request for consent together with a certificate demonstrating the need for change in reliance on such factors. The Market Agent shall initiate the Auction Period Adjustment by giving written notice to the Trustee, the Auction Agent, the City and the Depository at least 10 days prior to the Auction Date for such Auction Period.

(ii) Any such changed Auction Period shall not be fewer than seven days.

(iii) The Auction Period Adjustment shall not be allowed unless Sufficient Clearing Bids existed at both the Auction before the date on which the notice of the proposed change was given as provided under this heading and the Auction immediately preceding the proposed change.

(iv) The Auction Period Adjustment shall take effect only if (A) the Trustee and the Auction Agent receive, by 11:00 a.m., New York City time, on the Business Day before the Auction Date for the first such Auction Period, a certificate from the Market Agent, authorizing the Auction Period Adjustment specified in such certificate and (B)

Sufficient Clearing Bids exist at the Auction on the Auction Date for such first Auction Period. If the condition referred to in (A) above is not met, the Applicable Bonds Rate for the next Auction Period shall be determined pursuant to the Auction Procedures and the Auction Period shall be the Auction Period determined without reference to the proposed change. If the condition referred to in (A) is met but the condition referred to in (B) above is not met, the Applicable Bonds Rate for the next Auction Period shall be the Maximum Rate and the Auction Period shall be the Auction Period determined without reference to the proposed change. In connection with any Auction Period Adjustment, the Auction Agent shall provide such further notice to such parties as is specified in the Auction Agent Agreement.

(v) If Auction Periods are changed as provided herein and if an Auction is scheduled to occur for the next Interest Period on a date that was reasonably expected to be a Business Day, but such Auction does not occur because such date is later not considered to be a Business Day, the Auction shall nevertheless be deemed to have occurred, and the Applicable Bonds Rate in effect for the next Interest Period will be the Auction Rate in effect for the preceding Interest Period and such Interest Period will generally be 35 days in duration, beginning on the calendar day following the date of the deemed Auction and ending on (and including) the applicable Auction Date (unless such Auction Date is not followed by a Business Day, in which case on the next succeeding Business Day). If the preceding Interest Period was other than generally 35 days in duration, the Auction Rate for the deemed Auction will instead be the rate of interest determined by the Market Agent on equivalently rated auction securities with a comparable length of auction period.

(b) Changes in the Auction Dates. While any of the Bonds are outstanding as Auction Rate Certificates, the Market Agent:

(i) in order to conform with then current market practice with respect to similar securities, shall; or

(ii) in order to accommodate economic and financial factors that may affect or be relevant to the day of the week constituting an Auction Date and the interest rate borne on the Bonds and with the written consent of the City, may specify an earlier Auction Date (but in no event more than five Business Days earlier) than the Auction Date that would otherwise be determined in accordance with the definition of "Auction Date" in this Appendix B with respect to one or more specified Auction Periods. The City shall not consent to such change in the Auction Date, if such consent is required in this subparagraph (b)(ii) unless the City shall have received from the Market Agent not less than three days nor more than 20 days prior to the effective date of such change a written request for consent together within a certificate demonstrating the need for change in reliance on such factors. The Market Agent shall provide notice of any determination to specify an earlier Auction Date for one or more Auction Periods by means of a written notice delivered at least 10 days prior to the proposed changed Auction Date to the Trustee, the Auction Agent, the City and the Depository.

(c) In connection with any change described above, the Auction Agent shall provide such further notice to such parties as is specified in the Auction Agent Agreement.

(d) No change shall be made to the Auction Period or Auction Date unless the City shall give notice thereof to any rating agency then rating the Bonds, and no change shall be made unless such change will not adversely affect the ratings on the Bonds.

Section 115. Credit Ratings. The City shall take all reasonable action necessary to enable at least one nationally recognized statistical rating organization (as that term is used in the rules and regulations of the SEC under the Securities Exchange Act of 1934) to provide credit ratings for the Bonds.

Section 116. Disruption in Auction Procedures. Notwithstanding anything herein to the contrary, if an Auction does not occur because it was not foreseeable that the scheduled Auction Date would not be a Business Day (a "*Scheduled Auction Date*"), the following shall apply:

(a) an Auction shall be deemed to have occurred on the Scheduled Auction Date as if such day were a Business Day;

(b) the Auction Rate for such deemed Auction in effect for the succeeding Interest Period shall be equal to the Auction Rate for the preceding Interest Period; provided, however, that in the event the preceding Interest Period was other than generally 28 days in duration, the Auction Rate shall be the rate of interest determined by the Market Agent on equivalently rated auction securities with a comparable length of auction period; and

(c) the succeeding Interest Period shall generally be 28 days in duration, beginning on the calendar day following the Scheduled Auction Date [and ending on (and including) a Thursday (unless such Thursday is not followed by a Business Day, in which case on the next succeeding day that is followed by a Business Day)].

Section 117. Purchases of Bonds. The City shall not purchase or otherwise acquire Bonds unless such Bonds are redeemed or otherwise canceled on the day of any purchase.

Section 118. Notice of Payment Default.

(a) If the City determines that a Payment Default has occurred the City shall promptly notify the Trustee in writing thereof.

(b) So long as the ownership of the Bonds is maintained in book-entry form by the Depository, upon the occurrence of a Payment Default the Trustee shall promptly send a notice thereof to the Auction Agent and Market Agent by telecopy or similar means.

(c) So long as the ownership of the Bonds is maintained in book-entry form by the Depository, the Trustee shall promptly send notice to the Auction Agent by telecopy or similar means if a Payment Default is cured.

Section 119. Redemption Dates and Prices. The outstanding Bonds are subject to redemption in accordance with Article III of the [Twenty-Third] Supplemental Indenture. For

this purpose, the ARCs are treated the same as other Variable Rate Bonds. The Bonds shall be subject to mandatory purchase prior to maturity at the Purchase Price on the Mode Adjustment Date beginning any ARCs Mode.

Section 120. Additional Conditions to Changes of Interest Modes.

(a) No change in Interest Modes shall take effect unless, in addition to other conditions set forth herein, the following conditions, as applicable, shall have been satisfied:

(i) If the conversion is to an ARCs Mode, prior to the Mode Adjustment Date, (A) the City shall have appointed an Auction Agent, Broker-Dealer and Market Agent and (B) the City shall have furnished to the Trustee and the Bond Insurer an Auction Agent Agreement, a Broker-Dealer Agreement and a Market Agent Agreement and (c) the City shall deliver to the Trustee an opinion of bond counsel to the effect that the conversion to an ARCs Mode (1) is lawful under the Constitution and laws of the State and complies with the provisions of the [Twenty-Third] Supplemental Indenture and (2) will not adversely affect the exclusion from gross income for Federal income tax purposes of the Bonds.

(ii) If the conversion is from an ARCs Mode to a Weekly Mode or a Flexible Mode, prior to the Mode Adjustment Date, the City shall have appointed a Remarketing Agent and a Liquidity Provider and shall have executed and delivered a Remarketing Agreement and a Liquidity Facility. A bond insurance policy and a Liquidity Facility or, with the prior consent of the Bond Insurer, the City acting as a Liquidity Provider and providing self-liquidity, may be substituted on any Credit Substitution Date or Mode Adjustment Date for a Letter of Credit or Alternate Letter of Credit under the [Twenty-Third] Supplemental Indenture.

(b) In the event any condition precedent to a conversion to an Interest Mode other than an ARCs Mode is not fulfilled, (i) the Mode Adjustment Date shall not occur, (ii) the mandatory tender pursuant to Section 2.08 shall not occur, (iii) any affected ARCs Rate Bond shall continue to be an ARCs Rate Bond and shall continue to be payable at the applicable ARCs Rate for the balance of the ARCs Interest Period then applicable thereto (without regard to the attempted conversion) and shall bear interest for the next succeeding ARCs Interest Period at (1) the applicable ARCs Rate determined in accordance with the ARCs Provisions if the City withdraws notice of the exercise of its option to effect conversion and the next succeeding Auction Date occurs more than two Business Days after the Business Day on which the Trustee receives notice of withdrawal of the conversion from the City or (2) the Maximum Rate determined by the Auction Agent as provided in the ARCs Provisions in all other cases.

(c) Notice of withdrawal of a conversion notice shall be given by the City to the Broker-Dealer, the Trustee, the Remarketing Agent, the Tender Agent, the Bond Insurer and the Auction Agent (in the case of conversion of ARCs) by telephone, promptly confirmed in writing, and shall thereafter be promptly given to the Bondowners by the Trustee by first-class mail. No failure or cancellation of conversion pursuant to this Subsection (c) shall constitute an Event of Default.

In the event the Auction Agent receives from the Trustee written notice of any partial redemption or notice from any Broker-Dealer of any mandatory tender of any Tax-Exempt ARCs, the Auction Agent shall, at least three Business Days prior to the redemption date or tender date with respect to such Tax-Exempt ARCs, request the Securities Depository to notify the Auction Agent of the identities of the Participants (and the respective principal amounts) from the accounts of which Tax-Exempt ARCs have been called for redemption or mandatory tender and the person or department at such Participant to contact regarding such redemption or mandatory tender and, at least two Business Days prior to the redemption date or tender date with respect to Tax-Exempt ARCs being partially redeemed or tendered, the Auction Agent shall request each Participant so identified to disclose to the Auction Agent (upon selection by such Participant of the Existing Holders whose Tax-Exempt ARCs are to be redeemed or tendered) the aggregate principal amount of such Tax-Exempt ARCs of each such Existing Holder, if any, which are to be redeemed or tendered; provided, however, that, the Auction Agent has been furnished with the name and telephone number of a person or department at such Participant from which it is to request such information. In the absence of receiving any such information with respect to any Existing Holder from such Existing Holder's Participant or otherwise, the Auction Agent may continue to treat such Existing Holder as the Beneficial Owner of the principal amount of Tax-Exempt ARCs shown in the Existing Holder Registry.

(iii) The Auction Agent shall register in the Existing Holder Registry a transfer of Tax-Exempt ARCs only if (A) such transfer is pursuant to an Auction or (B) if such transfer is made other than pursuant to an Auction, the Auction Agent has been notified in writing by a Notice of Transfer by the Broker-Dealer of such Existing Holder, the Participant of such Existing Holder or the Existing Holder of such transfer. The Auction Agent shall keep confidential any such information and shall not disclose any such information so provided to any person other than the relevant Broker-Dealer, the City and the Trustee, provided that the Auction Agent reserves the right to disclose any such information if it is advised by its counsel that its failure to do so would be unlawful.

(c) In the event that any day that is scheduled to be an Auction Date shall be changed after the Auction Agent shall have given the notice referred to in Section 3(a)(vii) of the Auction and Settlement Procedures, the Auction Agent, by such means as the Auction Agent deems practicable, shall give notice of such change to the Broker-Dealers not later than 9:15 a.m., New York City time, on the earlier of the new Auction Date or the old Auction Date.

The Applicable Bonds Rate for each Auction Period commencing at least two Business Days after any cure or waiver of a Payment Default shall be determined through implementation of the Auction Procedures and the Broker-Dealer Fee.

(iv) If the ownership of the Tax-Exempt ARCs is no longer maintained in book-entry form by the Securities Depository, no further Auctions will be held and the Applicable Bonds Rate for each Auction Period commencing after the delivery of certificates pursuant to the [Twenty-Third] Supplemental Indenture will equal the Maximum Rate as determined by the Auction Agent on the Business Day immediately preceding the first day of such Auction Period as provided in the [Twenty-Third] Supplemental Indenture.

(D) to the extent such Bidder is a Potential Holder, the rate specified in such Potential Holder's Bid.

(ii) If any rate specified in any Bid contains more than three (3) figures to the right of the decimal point, the Auction Agent shall round such rate up to the next higher one thousandth (0.001) of one percent (1%).

(iii) If an Order or Orders covering all Outstanding Tax-Exempt ARCs held by an Existing Holder is not submitted to the Auction Agent prior to the Submission Deadline, the Auction Agent shall deem a Hold Order to have been submitted on behalf of such Existing Holder covering the principal amount of Outstanding Tax-Exempt ARCs held by such Existing Holder and not subject to an Order submitted to the Auction Agent.

(iv) Neither the City, the Trustee nor the Auction Agent shall be responsible for any failure of a Broker-Dealer to submit an Order to the Auction Agent on behalf of any Existing Holder or Potential Holder, nor shall any such party be responsible for failure by any Securities Depository to effect any transfer or to provide the Auction Agent with current information regarding registration of transfers.

(v) If any Existing Holder submits through a Broker-Dealer to the Auction Agent one or more Orders covering in the aggregate more than the principal amount of Outstanding Tax-Exempt ARCs held by such Existing Holder, such Orders shall be considered valid as follows and in the following order of priority:

(A) all Hold Orders shall be considered valid, but only up to and including in the aggregate the principal amount of Outstanding Tax-Exempt ARCs held by such Existing Holder, and if the aggregate principal amount of Tax-Exempt ARCs subject to such Hold Orders exceeds the aggregate principal amount of Tax-Exempt ARCs held by such Existing Holder, the aggregate principal amount of Tax-Exempt ARCs subject to each such Hold Order shall be reduced so that the aggregate principal amount of Tax-Exempt ARCs subject to such Hold Orders equals the aggregate principal amount of Outstanding Tax-Exempt ARCs held by such Existing Holder;

(B) (I) any Bid shall be considered valid up to and including the excess of the principal amount of Outstanding Tax-Exempt ARCs held by such Existing Holder over the aggregate principal amount of Tax-Exempt ARCs subject to any Hold Order referred to in subsection (v)(A) above;

(II) subject to subsection (v)(B)(I) above, if more than one Bid with the same rate is submitted on behalf of such Existing Holder and the aggregate principal amount of Outstanding Tax-Exempt ARCs subject to such Bid is greater than such excess, such Bids shall be considered valid up to and including the amount of such excess;

(III) subject to subsections (v)(B)(I) and (v)(B)(II) above, if more than one Bid with different rates is submitted on behalf of such Existing Holder, such Bids shall be considered valid first in the ascending order of their respective rates until the highest rate is reached at which such excess exists and then at such rate up to and including the amount of such excess; and

(IV) in any such event, the amount of Outstanding Tax-Exempt ARCs, if any, subject to Bids not valid under this subsection (B) shall be treated as the subject of a Bid by a Potential Holder at the rate therein specified; and

(C) all Sell Orders shall be considered valid up to and including the excess of the principal amount of Outstanding Tax-Exempt ARCs held by such Existing Holder over the aggregate principal amount of Tax-Exempt ARCs subject to Hold Orders referred to in subsection (v)(A) and valid Bids referred to in subsection (v)(B).

(vi) If more than one Bid for Tax-Exempt ARCs is submitted on behalf of any Potential Holder, each Bid submitted shall be a separate Bid with the rate and principal amount therein specified.

(vii) Any Bid or Sell Order submitted by an Existing Holder covering an aggregate principal amount of Tax-Exempt ARCs not equal to an Authorized Denomination shall be rejected and shall be deemed a Hold Order. Any Bid submitted by a Potential Holder covering an aggregate principal amount of Tax-Exempt ARCs not equal to an Authorized Denomination shall be rejected.

(viii) Any Bid specifying a rate higher than the Maximum Rate will be treated as a Sell Order if submitted by an Existing Holder and will not be accepted if submitted by a Potential Holder.

(ix) Any Bid submitted by an Existing Holder or on behalf of a Potential Holder specifying a rate lower than the All-Hold Rate shall be treated as a Bid specifying the All-Hold Rate, and each such Bid shall be considered as valid and shall be selected in the ascending order of their respective rates contained in the Submitted Bids.

(x) An Existing Holder that offers to purchase additional Tax-Exempt ARCs is, for purposes of such offer, treated as a Potential Holder.

(c) (i) Not earlier than the Submission Deadline on each Auction Date, the Auction Agent shall assemble all valid Orders submitted or deemed submitted to it by the Broker-Dealers (each such Order as submitted or deemed submitted by a Broker-Dealer being hereinafter referred to individually as a "Submitted Hold Order", a "Submitted Bid" or a "Submitted Sell Order", as the case may be, or as a "Submitted Order" and collectively as "Submitted Hold Orders", "Submitted Bids" or "Submitted Sell Orders", as the case may be, or as "Submitted Orders") and shall determine:

(A) the excess of the total principal amount of Outstanding Tax-Exempt ARCs over the sum of the aggregate principal amount of Outstanding Tax-Exempt ARCs subject to Submitted Hold Orders (such excess being hereinafter referred to as the "Available Tax-Exempt ARCs"); and

(B) from the Submitted Orders whether:

(I) the aggregate principal amount of Outstanding Tax-Exempt ARCs subject to Submitted Bids by Potential Holders specifying one or more rates equal to or lower than the Maximum Rate exceeds or is equal to the sum of:

(II) the aggregate principal amount of Outstanding Tax-Exempt ARCs subject to Submitted Bids by Existing Holders specifying one or more rates higher than the Maximum Rate; and

(III) the aggregate principal amount of Outstanding Tax-Exempt ARCs subject to Submitted Sell Orders (in the event such excess or such equality exists, other than because the sum of the principal amounts of Tax-Exempt ARCs in subclauses (II) and (III) above is zero because all of the Outstanding Tax-Exempt ARCs are subject to Submitted Hold Orders, such Submitted Bid described in subclause (I) above shall be referred to collectively as "Sufficient Clearing Bids"); and

(C) if Sufficient Clearing Bids exist, the lowest rate specified in such Submitted Bids (the "Winning Bid Rate") such that if:

(I) (aa) each such Submitted Bid from Existing Holders specifying such lowest rate and (bb) all other Submitted Bids from Existing Holders specifying lower rates were rejected, thus entitling such Existing Holders to continue to hold the principal amount of Tax-Exempt ARCs subject to such Submitted Bids; and

(II) (aa) each such Submitted Bid from Potential Holders specifying such lowest rate and (bb) all other Submitted Bids from Potential Holders specifying lower rates were accepted,

the result would be that such Existing Holders described in subsection (C)(I) above would continue to hold an aggregate principal amount of Outstanding Tax-Exempt ARCs which, when added to the aggregate principal amount of Outstanding Tax-Exempt ARCs to be purchased by such Potential Holders described in subsection (C)(II) above, would equal not less than the Available Tax-Exempt ARCs.

(ii) Promptly after the Auction Agent has made the determinations pursuant to Section 2(c)(i) hereof, the Auction Agent shall advise the Trustee of the Maximum Rate and the All-Hold Rate and the components thereof on the Auction Date and, based on such determinations, the Auction Rate for the next succeeding Auction Period as follows:

(A) if Sufficient Clearing Bids exist, that the Auction Rate for the next succeeding Auction Period shall be equal to the Winning Bid Rate so determined;

(B) if Sufficient Clearing Bids do not exist (other than because all of the Outstanding Tax-Exempt ARCs are subject to Submitted Hold Orders), that the Auction Rate for the next succeeding Auction Period shall be equal to the Maximum Rate; or

(C) if all Outstanding Tax-Exempt ARCs are subject to Submitted Hold Orders, that the Auction Rate for the next succeeding Auction Period shall be equal to the All-Hold Rate.

(d) Existing Holders shall continue to hold the principal amount of Tax-Exempt ARCs that are subject to Submitted Hold Orders, and, based on the determinations made pursuant to Section 2(c)(i) hereof, Submitted Bids and Submitted Sell Orders shall be accepted or rejected and the Auction Agent shall take such other action as set forth below:

(i) if Sufficient Clearing Bids have been made, all Submitted Sell Orders shall be accepted and, subject to the provisions of Sections 2(d)(iv) and 2(d)(v) hereof,

Submitted Bids shall be accepted or rejected as follows in the following order of priority and all other Submitted Bids shall be rejected:

(A) Existing Holders' Submitted Bids specifying any rate that is higher than the Winning Bid Rate shall be accepted, thus requiring each such Existing Holder to sell the aggregate principal amount of Tax-Exempt ARCs subject to such Submitted Bids;

(B) Existing Holders' Submitted Bids specifying any rate that is lower than the Winning Bid Rate shall be rejected, thus entitling each such Existing Holder to continue to hold the aggregate principal amount of Tax-Exempt ARCs subject to such Submitted Bids;

(C) Potential Holders' Submitted Bids specifying any rate that is lower than the Winning Bid Rate shall be accepted, thus requiring such Potential Holder to purchase the aggregate principal amount of Tax-Exempt ARCs subject to such Submitted Bids;

(D) each Existing Holders' Submitted Bid specifying a rate that is equal to the Winning Bid Rate shall be rejected, thus entitling such Existing Holder to continue to hold the aggregate principal amount of Tax-Exempt ARCs subject to such Submitted Bid, unless the aggregate principal amount of Outstanding Tax-Exempt ARCs subject to all such Submitted Bids shall be greater than the principal amount of Tax-Exempt ARCs (the "remaining principal amount") equal to the excess of the Available Tax-Exempt ARCs over the aggregate principal amount of Tax-Exempt ARCs subject to Submitted Bids described in subsections (B) and (C) of this Section 2(d)(i), in which event such Submitted Bid of such Existing Holder shall be rejected in part, and such Existing Holder shall be entitled to continue to hold the principal amount of Tax-Exempt ARCs subject to such Submitted Bid, but only in an amount equal to the aggregate principal amount of Tax-Exempt ARCs obtained by multiplying the remaining principal amount by a fraction, the numerator of which shall be the principal amount of Outstanding Tax-Exempt ARCs held by such Existing Holder subject to such Submitted Bid and the denominator of which shall be the sum of the principal amount of Outstanding Tax-Exempt ARCs subject to such Submitted Bids made by all such Existing Holders that specified a rate equal to the Winning Bid Rate; and

(E) each Potential Holder's Submitted Bid specifying a rate that is equal to the Winning Bid Rate shall be accepted, but only in an amount equal to the principal amount of Tax-Exempt ARCs obtained by multiplying the excess of the aggregate principal amount of Available Tax-Exempt ARCs over the aggregate principal amount of Tax-Exempt ARCs subject to Submitted Bids described in subsections (B), (C) and (D) of this Section 2(d)(i) by a fraction the numerator of which shall be the aggregate principal amount of Outstanding Tax-Exempt ARCs subject to such Submitted Bid and the denominator of which shall be the sum of the principal amount of Outstanding Tax-Exempt ARCs subject to Submitted Bids made by all such Potential Holders that specified a rate equal to the Winning Bid Rate.

(ii) If Sufficient Clearing Bids have not been made (other than because all of the Outstanding Tax-Exempt ARCs are subject to submitted Hold Orders), subject to the provisions of Section 2(d)(iv) hereof, Submitted Orders shall be accepted or rejected as follows in the following order of priority and all other Submitted Bids shall be rejected:

(A) Existing Holders' Submitted Bids specifying any rate that is equal to or lower than the Maximum Rate shall be accepted, thus entitling such Existing Holders to continue to hold the aggregate principal amount of Tax-Exempt ARCs subject to such Submitted Bids; and

(B) Potential Holders' Submitted Bids specifying any rate that is equal to or lower than the Maximum Rate shall be accepted, thus requiring each Potential Holder to purchase the aggregate principal amount of Tax-Exempt ARCs subject to such Submitted Bids; and

(C) each Existing Holder's Submitted Bid specifying any rate that is higher than the Maximum Rate and the Submitted Sell Order of each Existing Holder shall be accepted, thus entitling each Existing Holder that submitted any such Submitted Bid or Submitted Sell Order to sell the Tax-Exempt ARCs subject to such Submitted Bid or Submitted Sell Order, but in both cases only in an amount equal to the aggregate principal amount of Tax-Exempt ARCs obtained by multiplying the aggregate principal amount of Tax-Exempt ARCs subject to Submitted Bids described in subsection (B) of this Section 2(d)(ii) by a fraction the numerator of which shall be the aggregate principal amount of Outstanding Tax-Exempt ARCs held by such Existing Holder subject to such Submitted Bid or Submitted Sell Order and the denominator of which shall be the aggregate principal amount of Outstanding Tax-Exempt ARCs subject to all such Submitted Bids and Submitted Sell Orders.

(iii) If all Outstanding Tax-Exempt ARCs are subject to Submitted Hold Orders, all Submitted Bids shall be rejected.

(iv) If, as a result of the procedures described in Section 2(d)(i) or 2(d)(ii) hereof, any Existing Holder would be entitled or required to sell, or any Potential Holder would be entitled or required to purchase, a principal amount of Tax-Exempt ARCs that is not equal to an Authorized Denomination the Auction Agent shall, in such manner as in its sole discretion it shall determine, round up or down the principal amount of Tax-Exempt ARCs to be sold by any Existing Holder or to be purchased by any Potential Holder so that the principal amount of Tax-Exempt ARCs sold by each Existing Holder or purchased by each Potential Holder shall be equal to an Authorized Denomination.

(v) The City, the Broker-Dealer, the Trustee and the Auction Agent shall have no liability in the event that there are not Sufficient Clearing Bids from time to time pursuant to the Auction Procedures.

(e) Based on the result of each Auction, the Auction Agent shall determine the aggregate principal amount of Tax-Exempt ARCs to be purchased and the aggregate principal amount of Tax-Exempt ARCs to be sold by Potential Holders and Existing Holders on whose behalf each Broker-Dealer submitted Bids or Sell Orders and, with respect to each Broker-Dealer, to the extent that such aggregate principal amount of Tax-Exempt ARCs to be sold differs from such aggregate principal amount of Tax-Exempt ARCs to be purchased, determine to which other Broker-Dealer or Broker Dealers acting for one or more purchasers such Broker-Dealer shall deliver, or from which other Broker-Dealer or Broker-Dealers acting for one or more sellers such Broker-Dealer shall receive, as the case may be, Tax-Exempt ARCs.

(f) Any calculation by the Auction Agent (or the Trustee, if applicable) of the Maximum Rate, the All-Hold Rate and the Default Rate shall, in the absence of manifest error, be binding on all Beneficial Owners and all other parties.

Section 3. Settlement Procedures.

(a) Not later than 3:00 P.M., New York City time, on each Auction Date, the Auction Agent shall notify by telephone each Broker-Dealer that participated in the Auction held on such Auction Date and submitted an Order on behalf of an Existing Holder or Potential Holder of:

- (i) the Auction Rate fixed for the next Auction Period;
- (ii) whether there were Sufficient Clearing Bids in such Auction;
- (iii) if such Broker-Dealer (a "Seller's Broker-Dealer") submitted a Bid or a Sell Order on behalf of an Existing Holder, whether such Bid or Sell Order was accepted or rejected, in whole or in part, and the principal amount of Tax-Exempt ARCs, if any, to be sold by such Existing Holder;
- (iv) if such Broker-Dealer (a "Buyer's Broker-Dealer") submitted a Bid on behalf of a Potential Holder, whether such Bid was accepted or rejected, in whole or in part, and the principal amount of Tax-exempt ARCs, if any, to be purchased by such Potential Holder;
- (v) if the aggregate amount of Tax-Exempt ARCs to be sold by all Existing Holders on whose behalf such Broker-Dealer submitted a Bid or a Sell Order exceeds the aggregate principal amount of Tax-Exempt ARCs to be purchased by all Potential Holders on whose behalf such Broker-Dealer submitted a Bid, the name or names of one or more Buyer's Broker-Dealers (and the name of the Participant, if any, of each such Buyer's Broker-Dealer) acting for one or more purchasers of such excess principal amount of Tax-Exempt ARCs and the principal amount of Tax-Exempt ARCs to be purchased from one or more Existing Holders on whose behalf such Broker-Dealer acted by one or more Potential Holders on whose behalf each of such Buyer's Broker-Dealers acted;

(vi) if the principal amount of Tax-Exempt ARCs to be purchased by all Potential Holders on whose behalf such Broker-Dealer submitted a Bid exceeds the amount of Tax-Exempt ARCs to be sold by all Existing Holders on whose behalf such Broker-Dealer submitted a Bid or a Sell Order, the name or names of one or more Seller's Broker-Dealers (and the name of the Participant, if any, of each such Seller's Broker-Dealer) acting for one or more sellers of such excess principal amount of Tax-Exempt ARCs and the principal amount of Tax-Exempt ARCs to be sold to one or more Potential Holders on whose behalf such Broker-Dealer acted by one or more Existing Holders on whose behalf each of such Seller's Broker-Dealers acted; and

(vii) the Auction Date for the next succeeding Auction.

(b) On each Auction Date, each Broker-Dealer that submitted an Order on behalf of any Existing Holder or Potential Holder shall:

(i) advise each Existing Holder and Potential Holder on whose behalf such Broker-Dealer submitted a Bid or Sell Order in the Auction on such Auction Date whether such Bid or Sell Order was accepted or rejected, in whole or in part;

(ii) in the case of a Broker-Dealer that is a Buyer's Broker-Dealer, advise each Potential Holder on whose behalf such Broker-Dealer submitted a Bid that was accepted, in whole or in part, to instruct such Potential Holder's Participant to pay to such Broker-Dealer (or its Participant) through the Securities Depository the amount necessary to purchase the principal amount of Tax-Exempt ARCs to be purchased pursuant to such Bid against receipt of such Tax-Exempt ARCs;

(iii) in the case of a Broker-Dealer that is a Seller's Broker-Dealer, instruct each Existing Holder on whose behalf such Broker-Dealer submitted a Sell Order that was accepted, in whole or in part, or a Bid that was accepted, in whole or in part, to instruct such Existing Holder's Participant to deliver to such Broker-Dealer (or its Participant) through the Securities Depository the principal amount of Tax-Exempt ARCs to be sold pursuant to such Order against payment therefor;

(iv) advise each Existing Holder on whose behalf such Broker-Dealer submitted an Order and each Potential Holder on whose behalf such Broker-Dealer submitted a Bid of the Auction Rate for the next Auction Period;

(v) advise each Existing Holder on whose behalf such Broker-Dealer submitted an Order of the next Auction Date; and

(vi) advise each Potential Holder on whose behalf such Broker-Dealer submitted a Bid that was accepted, in whole or in part, of the next Auction Date.

(c) On the basis of the information provided to it pursuant to Section 3(a) hereof, each Broker-Dealer that submitted a Bid or Sell Order in an Auction is required to

allocate any funds received by it in connection with such Auction pursuant to Section 3(b)(ii) hereof, and any Tax-Exempt ARCs received by it in connection with such Auction pursuant to Section 3(b)(iii) hereof among the Potential Holders, if any, on whose behalf such Broker-Dealer submitted Bids, the Existing Holders, if any on whose behalf such Broker-Dealer submitted Bids or Sell Orders in such Auction, and any Broker-Dealers identified to it by the Auction Agent following such Auction pursuant to Section 3(a)(v) or 3(a)(vi) hereof.

(d) On each Auction Date:

(i) each Potential Holder and Existing Holder with an Order in the Auction on such Auction Date shall instruct its Participant as provided in Section 3(b)(ii) or 3(b)(iii) hereof, as the case may be;

(ii) each Seller's Broker-Dealer that is not a Participant of the Securities Depository shall instruct its Participant to (A) pay through the Securities Depository to the Participant of the Existing Holder delivering Tax-Exempt ARCs to such Broker-Dealer following such Auction pursuant to Section 3(b)(iii) hereof the amount necessary to purchase such Tax-Exempt ARCs against receipt of such Tax-Exempt ARCs, and (B) deliver such Tax-Exempt ARCs through the Securities Depository to a Buyer's Broker-Dealer (or its Participant) identified to such Seller's Broker-Dealer pursuant to Section 3(a)(v) hereof against payment therefor; and

(iii) each Buyer's Broker-Dealer that is not a Participant in the Securities Depository shall instruct its Participant to (A) pay through the Securities Depository to the Seller's Broker-Dealer (or its Participant) identified following such Auction pursuant to Section 3(a)(vi) hereof the amount necessary to purchase the Tax-Exempt ARCs to be purchased pursuant to Section 3(b)(ii) hereof against receipt of such Tax-Exempt ARCs, and (B) deliver such Tax-Exempt ARCs through the Securities Depository to the Participant of the purchaser thereof against payment therefor.

(e) On the Business Day following each Auction Date:

(i) each Participant for a Bidder in the Auction on such Auction Date referred to in Section 3(d)(i) hereof shall instruct the Securities Depository to execute the transactions described under Section 3(b)(ii) or 3(b)(iii) hereof for such Auction, and the Securities Depository shall execute such transactions;

(ii) each Seller's Broker-Dealer or its Participant shall instruct the Securities Depository to execute the transactions described in Section 3(d)(ii) hereof for such Auction, and the Securities Depository shall execute such transactions; and

(iii) each Buyer's Broker-Dealer or its Participant shall instruct the Securities Depository to execute the transactions described in Section 3(d)(iii) hereof for such Auction, and the Securities Depository shall execute such transactions.

(f) If an Existing Holder selling Tax-Exempt ARCs in an Auction fails to deliver such Tax-Exempt ARCs (by authorized book-entry), a Broker-Dealer may deliver to the Potential Holder on behalf of which it submitted a Bid that was accepted a principal amount of Tax-Exempt ARCs that is less than the principal amount of Tax-Exempt ARCs that otherwise was to be purchased by such Potential Holder. In such event, the principal amount of Tax-Exempt ARCs to be so delivered shall be determined solely by such Broker-Dealer. Delivery of such lesser principal amount of Tax-Exempt ARCs shall constitute good delivery. Notwithstanding the foregoing terms of this subsection, any delivery or nondelivery of Tax-Exempt ARCs which shall represent any departure from the results of an Auction, as determined by the Auction Agent, shall be of no effect unless and until the Auction Agent shall have been notified of such delivery or nondelivery in accordance with the provisions of the Auction Agent Agreement and the Broker-Dealer Agreements.

(b) In the event that the Auction Date for any Auction shall be changed after the Auction Agent has given notice of such Auction Date pursuant to clause (vii) of paragraph (a) of the Settlement Procedures, the Auction Agent, by such means as the Auction Agent deems practicable, shall give notice of such change to the Broker-Dealer as soon as possible but not later than the earliest of (i) 9:15 a.m. on the new Auction Date, (ii) 9:15 a.m. on the originally scheduled Auction Date, and (iii) 9:15 a.m. on the next Interest Payment Date. Thereafter, the Broker-Dealer shall promptly notify its customers that the Broker-Dealer believes are Existing Holders of such change in the Auction Date.

(c) The Auction Agent from time to time may request the Broker-Dealer to provide it with the aggregate principal amounts of the ARCs specifically held by each such Broker-Dealer as an Existing Holder; provided, however, that the Broker-Dealer shall not be required to provide information as to the identity of Existing Holders other than the Broker-Dealer, or Potential Holders other than the Broker-Dealer, in any Auction. Except as provided in the immediately preceding sentence, the Broker-Dealer shall comply with any reasonable request for information, and the Auction Agent shall treat as confidential any such information, and shall not disclose any such information so provided to any Person other than the Trustee, the City, and the Broker-Dealer; provided, however, that the Auction Agent reserves the right and is authorized to disclose any such information as confidential information to (i) its internal and external accountants, auditors and counsel, its regulators and examiners, and (ii) any other Person (A) if the Auction Agent is ordered to do so by a court of competent jurisdiction or a regulatory, judicial, or quasi-judicial agency or authority having the authority to compel such disclosure, (B) if the Auction Agent has been advised by counsel that the failure to disclose such information would be unlawful or (C) if the failure to do so would expose the Auction Agent to any loss, liability, claim or damage for which the Auction Agent shall not have been previously adequately indemnified.

2.3 Auction Schedule: Method of Submission of Orders.

(a) The Auction Agent shall conduct Auctions for the Tax-Exempt ARCs in accordance with the schedule set forth below. Such schedule may be changed at any time by the Auction Agent upon the direction of the Broker-Dealer and the Trustee. Such notice shall be received prior to the close of business on the Business Day next preceding the first Auction Date

on which such change shall be effective. Notwithstanding the foregoing, the Auction Agent will follow The Bond Market Association's (or its successor's) Market Practice U.S. Holiday Recommendations (the "BMA Recommendation") for shortened trading days for the bond markets, unless the Auction Agent is instructed otherwise by the Broker-Dealer and the Trustee. In the event of a BMA Recommendation on an Auction Date, the Submission Deadline will be 11:30 a.m., instead of 1:00 p.m., and as a result the notice set forth in Section 2.4 will occur earlier.

Time on Auction Date	Event
As promptly as practicable, but in no event later than the Submission Deadline applicable to such Auction Date.	The Auction Agent advises the Bond Trustee and the Broker-Dealers of the Maximum Rate and the All-Hold Rate [for Taxable ARCs, the Applicable LIBOR Based Rate].
10:30 a.m. – Internal Submission Deadline	Bids and Orders may be submitted to the Broker-Dealer.
10:30 a.m. – Submission Deadline	Broker-Dealers assemble information received from each Bidder (Existing Holders and any Potential Holders) and any internally initiated Broker-Dealers' Bids in accordance with Auction Procedures.
Not earlier than Submission Deadline	Auction Agent makes determinations pursuant to Section 104(c)(i) of the Auction Procedures.
Not later than Submission Processing Deadline	Auction Agent accepts any Orders submitted subject to a Submission Processing Representation and makes determinations pursuant to Section 104(c)(i) of the Auction Procedures.
Not later than 3:00 p.m.	Auction Agent advises the Broker-Dealers, the Bond Trustee and the Issuer of the results of the Auction as provided in Section 104(c)(ii) of the Auction Procedures and of the Auction Rate for the next ARCs Interest Period. Submitted Bids and Submitted Sell Orders are accepted and rejected in whole or in part, and principal amounts of ARCs are allocated as provided in Sections 104(d) of the Auction Procedures. Auction Agent gives notice of Auction results as set forth in Section 2.4(a) hereof.

Not later than 1 hour after Auction results are first provided to BD as set forth in paragraph (a) of Exhibit A hereto.

The Broker-Dealer and Auction Agent may correct clerical errors made by the Broker-Dealer. The Broker-Dealer may notify Auction Agent of suspected clerical errors by Auction Agent.

(b) The Broker-Dealer shall submit Orders to the Auction Agent by Electronic Means. In each Auction in which the Broker-Dealer submits one or more Orders, the Broker-Dealer may aggregate the Orders of different Potential Holders or Existing Holders on whose behalf the Broker-Dealer is submitting Orders; provided, however, Orders may only be aggregated if the interest rates on the Bids are the same when rounded pursuant to the provisions Section 104(b)(ii) of the Auction Procedures.

(c) The Broker-Dealer shall deliver to the Auction Agent (i) a notice by Electronic Means of transfers of ARCs, made through the Broker-Dealer by an Existing Holder to another Person other than pursuant to an Auction, and (ii) a notice by Electronic Means of the failure of any Tax-Exempt ARCs to be transferred to or by any Person that purchased or sold Tax-Exempt ARCs through the Broker-Dealer pursuant to an Auction. The Auction Agent is not required to accept any notice delivered pursuant to the terms of the foregoing sentence with respect to an Auction unless it is received by the Auction Agent by 3:00 p.m. on the Business Day next preceding the applicable Auction Date.

(d) The Broker-Dealer agrees to handle its customers' Orders in accordance with its duties under applicable securities laws and rules.

(e) Broker-Dealers may submit an Order after the Submission Deadline and prior to the Submission Processing Deadline if the Order was (i) received by the Broker-Dealer from Existing Holders or Potential Holders prior to the Submission Deadline or (ii) initiated internally by the Broker-Dealer for its own account prior to the Submission Deadline. Each Order submitted to the Auction Agent after the Submission Deadline and prior to the Submission Processing Deadline shall constitute a representation by the Broker-Dealer that such Order was (i) received from an Existing Holder or Potential Holder prior to the Submission Deadline or (ii) initiated internally by the Broker-Dealer for its own account prior to the Submission Deadline (the "Submission Processing Representation").

(f) The Broker-Dealer and the Auction Agent may correct clerical errors in Orders submitted to the Auction Agent at any time up to one hour after the time the Auction results are first provided to the Broker-Dealer as set forth in paragraph (a) of the Settlement Procedures. The Auction Agent may rely conclusively on the submission by the Broker-Dealer of a change as a representation by the Broker-Dealer as to the existence of a clerical error. Auction Agent may, but is not obligated to, advise the Broker-Dealer, prior to posting the final Auction results, if it believes there has been a clerical error. Determining whether an error was a clerical error is within the reasonable judgment of the Broker-Dealer.

(g) The Broker-Dealer may report suspected clerical errors on the part of the Auction Agent at any time up to one hour after the time the Auction results are first provided to

the Broker-Dealer as set forth in paragraph (a) of the Settlement Procedures. If the Auction Agent confirms the existence of such an error prior to the final settlement of transfers with respect to such Auction at the Securities Depository, the Auction Agent shall correct the error and notify the Broker-Dealers of the corrected results. If a clerical error by the Auction Agent is discovered after such final settlement, the Auction Agent may make the change and post new results if the Auction Agent receives consent from all Broker-Dealers that participated in the Auction.

2.4 Notices.

(a) On each Auction Date, the Auction Agent shall notify the Broker-Dealer by Electronic Means of the results of the Auction as set forth in paragraph (a) of the Settlement Procedures. If requested by the Broker-Dealer, the Auction Agent shall as soon as practicable following any such request, notify the Broker-Dealer by Electronic Means of the disposition of all Orders submitted by the Broker-Dealer in the Auction held on such Auction Date.

(b) The Broker-Dealer shall notify each Existing Holder or Potential Holder on whose behalf the Broker-Dealer has submitted an Order as set forth in paragraph (b) of the Settlement Procedures and take such other action as is required of the Broker-Dealer pursuant to the Settlement Procedures.

(c) The Auction Agent shall deliver to the Broker-Dealer, after receipt, all notices and certificates which the Auction Agent is required to deliver to the Broker-Dealer pursuant to Section ___ of the Auction Agent Agreement at the times and in the manner set forth in the Auction Agent Agreement, except that, in the circumstances in which this Agreement permits delivery of notice by the Auction Agent by Electronic Means, the Auction Agent may deliver such notice by Electronic Means.

2.5 Broker-Dealer Fee to Be Paid to the Broker-Dealer.

(a) On each Interest Payment Date for the ARCs, the City shall pay to the Auction Agent, for the benefit of the Broker-Dealer, the fees determined as set forth in subsection 2.5(b) hereof, in arrears, as compensation for the services of the Broker-Dealer in facilitating Auctions for the benefit of the beneficial owners of the Bonds.

(b) On each Interest Payment Date for each Auction Period, the Auction Agent shall pay to the Broker-Dealer solely from funds the Auction Agent has received from the City or the Trustee pursuant to Section ___ of the ARCs Provisions for services rendered hereunder during the immediately preceding ARCs Interest Period (or longer period in the case of the initial period), an amount (the "Broker-Dealer Fee") equal to the product of (i) a fraction, the numerator of which is the actual number of days since the last fee payment (or, in the case of the initial period or any period in which the Bonds are not Outstanding as ARCs for the entire period, the actual number of days elapsed since the date of delivery of the ARCs or that the Bonds are Outstanding as ARCs during that period) and the denominator of which is 360, times (ii) the Broker-Dealer Fee Rate (as defined below) times (iii) the sum of (A) the aggregate principal amount of the ARCs placed by the Broker-Dealer in such Auction that were (1) the subject of Submitted Bids of Existing Holders submitted by the Broker-Dealer and continued to

be held as a result of such submission and (2) the subject of Submitted Bids of Potential Holders submitted by the Broker-Dealer and purchased as a result of such submission and (B) the aggregate principal amount of the ARCs subject to valid Hold Orders (determined in accordance with the ARCs Provisions) submitted to the Auction Agent by the Broker-Dealer and (C) the principal amount of the ARCs deemed to be subject to Hold Orders by Existing Holders pursuant to the ARCs Provisions that were acquired by such Existing Holders through the Broker-Dealer. For purposes of subclause (iii)(C) of the foregoing sentence, if any Existing Holder who acquired ARCs through [Name of Broker-Dealer] transfers those ARCs to another Person other than pursuant to an Auction, then the Broker-Dealer for the ARCs so transferred shall continue to be the Broker-Dealer; provided, however, that if the transfer was effected by, or if the transferee is, a Broker-Dealer other than the [Name of Broker-Dealer], then such Broker-Dealer shall be the Broker-Dealer for such ARCs. If for any reason an Auction is not held on an Auction Date, there shall be no Broker-Dealer Fee applicable with respect to such Auction Date. The Broker-Dealer Fee Rate shall be ___ of 1.00% (___ basis points) per annum. The Broker-Dealer Fee shall be calculated by the Auction Agent, which shall be conclusive absent manifest error.

2.6 Settlement.

(a) If any Existing Holder on whose behalf the Broker-Dealer has submitted a Bid or Sell Order for Tax-Exempt ARCs that was accepted in whole or in part fails to instruct its Participant to deliver the Tax-Exempt ARCs subject to such Bid or Sell Order against payment therefor, the Broker-Dealer shall instruct such Participant to deliver such Tax-Exempt ARCs against payment therefor, and the Broker-Dealer may deliver to the Potential Holder on whose behalf the Broker-Dealer submitted a Bid that was accepted in whole or in part, a principal amount of the Tax-Exempt ARCs that is less than the principal amount of the Tax-Exempt ARCs specified in such Bid to be purchased by such Potential Holder. Notwithstanding the foregoing terms of this Section 2.6, any delivery or non-delivery of Tax-Exempt ARCs which represents any departure from the results of an Auction, as determined by the Auction Agent, shall be of no effect unless and until the Auction Agent shall have been notified of such delivery or non-delivery in accordance with the terms of Section 2.3(c) hereof. The Auction Agent shall have no duty or liability with respect to monitoring or enforcement requirements of this subsection (a).

(b) Neither the Auction Agent, the Trustee, nor the City shall have any responsibility or liability with respect to the failure of an Existing Holder, a Potential Holder or its respective Participant or any of them to deliver Tax-Exempt ARCs or to pay for Tax-Exempt ARCs sold or purchased pursuant to the Auction Procedures or otherwise. The Auction Agent shall have no responsibility or liability for any adjustment to the fees paid pursuant to Section 2.5 hereof as a result of any failure described in this Section 2.6(b).

2.7 Adjustment in Percentages.

(a) The Broker-Dealer shall adjust the percentage used in determining the All-Hold Rate, if any such adjustment is necessary, in the judgment of the Broker-Dealer, to reflect any change in market condition. In making any such adjustment, the Broker-Dealer shall take the following factors, as in existence both before and after such change in market conditions, into account:

- (i) short-term taxable and tax-exempt market rates and indices of such short term rates;
- (ii) the market supply and demand for short term tax-exempt securities;
- (iii) yield curves for short-term and long-term tax-exempt securities or obligations having a credit rating that is comparable to the ARCs;
- (iv) general economic conditions; and
- (v) economic and financial factors present in the securities industry that may affect or that may be relevant to the ARCs.

(b) The Broker-Dealer shall effectuate an adjustment in the percentage used in determining the All-Hold Rate pursuant to Section 2.7(a) hereof by delivering to the City, the Trustee, and the Auction Agent at least 10 days prior to the Auction Date on which the Broker-Dealer desires to effect such change a Favorable Opinion of Bond Counsel and a certificate (i) authorizing the adjustment of the percentage used in determining the All-Hold Rate, which shall be specified in such certificate, and (ii) describing the changes in market conditions referred to in Section 2.7(a) hereof.

2.8 Changes in Auction Periods or Auction Dates.

(a) Changes in Auction Period or Periods.

(i) While any of the Bonds are Outstanding as ARCs, the Broker-Dealer:

(1) in order to conform with then current market practice with respect to similar securities, shall, or

(2) in order to accommodate economic and financial factors that may affect or be relevant to the length of the Auction Period and the interest rate borne by the ARCs and with the written consent of the City, may

change, from time to time, the length of one or more Auction Periods (an "Auction Period Adjustment"). The City shall not consent to such change in the length of the Auction Period, if such consent is required in subclause (i)(2) above, unless the City shall have received from the Broker-Dealer not less than three days nor more than 20 days prior to the effective date of such change a written request for consent together with a certificate demonstrating the need for change in reliance on such factors. The Broker-Dealer shall initiate the Auction Period Adjustment by giving written notice to the Auction Agent, the City, and the Depository at least 10 days prior to the Auction Date for such Auction Period.

(ii) Any such changed Auction Period shall not be less than seven days.

(iii) The Auction Period Adjustment shall not be allowed unless Sufficient Clearing Bids existed at both the Auction before the date on which the notice of the

proposed change was given as provided in this Section 2.8 and the Auction immediately preceding the proposed change.

(iv) The Auction Period Adjustment shall take effect only if (A) the Trustee receives, by 11:00 a.m. on the Business Day before the Auction Date for the first such revised Auction Period, a certificate from the Auction Agent, authorizing the Auction Period Adjustment specified in such certificate, including the Auction Agent's consent to such revised Auction Period and (B) Sufficient Clearing Bids exist at the Auction on the Auction Date for such first revised Auction Period. If the condition referred to in (A) above is not met, the Applicable Bonds Rate for the next Auction Period shall be determined pursuant to the Auction Procedures and the Auction Period shall be the Auction Period determined without reference to the proposed change. If the condition referred to in (A) is met but the condition referred to in (B) above is not met, the Applicable Bonds Rate for the next Auction Period shall be the Maximum Rate and the Auction Period shall be the Auction Period determined without reference to the proposed change. In connection with any Auction Period Adjustment, the Auction Agent shall provide such further notice to such parties as is specified in the Auction Agency Agreement. The Auction Agent's consent shall not be unreasonably withheld.

(v) If Auction Periods are changed as provided herein and if an Auction is scheduled to occur for the next Interest Period on a date that was reasonably expected to be a Business Day, but such Auction does not occur because such date is later not considered to be a Business Day, the Auction shall nevertheless be deemed to have occurred, and the Applicable Bonds Rate in effect for the next Auction Period will be the Auction Rate in effect for the preceding Auction Period and such Auction Period will generally be 7 days in duration, beginning on the calendar day following the date of the deemed Auction and ending on (and including) the applicable Auction Date (unless such Auction Date is not followed by a Business Day, in which case on the next succeeding Business Day). If the preceding Auction Period was other than generally 7 days in duration, the Auction Rate for the deemed Auction will instead be the rate of interest determined by the Auction Agent on equivalently rated auction securities with a comparable length of auction period.

(vi) If the Auction Period Adjustment is either (A) from an Auction Period of one year or less to an Auction Period of more than one year or (B) from an Auction Period of more than one year to an Auction Period of one year or less, the Auction Rate Adjustment shall not occur unless the Trustee and the City have been provided with a Favorable Opinion of Bond Counsel.

(b) Changes in the Auction Dates. While any of the Bonds are outstanding as ARCs, the Broker-Dealer:

(i) in order to conform with then current market practice with respect to similar securities, shall, or

(ii) in order to accommodate economic and financial factors that may affect or be relevant to the day of the week constituting an Auction Date and the interest rate borne

on the Tax-Exempt ARCs and, with the written consent of the City and the Auction Agent, which shall not be unreasonably withheld, may

specify an earlier Auction Date (but in no event more than five Business Days earlier) than the Auction Date that would otherwise be determined in accordance with the definition of "Auction Date" in Section 100 of the ARCs Provisions with respect to one or more specified Auction Periods. The City shall not consent to such change in the Auction Date, if such consent is required in subparagraph (b)(ii) above, unless the City shall have received from the Broker-Dealer not less than three days nor more than 20 days prior to the effective date of such change a written request for consent together with a certificate demonstrating the need for change in reliance on such factors. The Broker-Dealer shall initiate the change in Auction Date by giving written notice to the Auction Agent, the City, and the Depository at least 10 days prior to the proposed change in Auction Date.

(c) No change shall be made to the Auction Period or Auction Date unless the City shall give notice thereof to any rating agency then rating the Bonds, and no change shall be made unless such change will not adversely affect the ratings on the Bonds.

Section 3. The Auction Agent.

3.1 Duties and Responsibilities.

(a) The Auction Agent is acting solely as agent for the Trustee hereunder and owes no fiduciary duties to any other person by reason of this Agreement.

(b) The Auction Agent undertakes to perform such duties and only such duties of the Auction Agent as are specifically set forth in this Agreement.

(c) In the absence of bad faith or negligence on its part, the Auction Agent shall not be liable for any action taken, suffered or omitted or for any error of judgment made by it in the performance of its duties under this Agreement. The Auction Agent shall not be liable for any error of judgment made in good faith unless the Auction Agent shall have been negligent in ascertaining or failing to ascertain the pertinent facts. The Trustee shall not be liable for any action taken, suffered or omitted, or for any error of judgment made, by the Auction Agent.

3.2 Rights of the Auction Agent.

(a) The Auction Agent may conclusively rely and shall be protected in acting or refraining from acting upon any communication authorized by this Agreement and upon any written instruction, notice, request, direction, consent, report, certificate, share certificate or other instrument, paper or document reasonably believed by it to be genuine. The Auction Agent shall not be liable for acting upon any communication by Electronic Means authorized by this Agreement which the Auction Agent believes in good faith to have been given by the Trustee or by the Broker-Dealer. The Auction Agent may record telephone communications with the Broker-Dealer.

(b) The Auction Agent may consult with counsel of its own choice, and the advice of such counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(c) The Auction Agent shall not be required to advance, expend or risk its own funds or otherwise incur or become exposed to financial liability in the performance of its duties hereunder.

(d) With the prior written consent of the City, the Auction Agent may perform its duties and exercise its rights hereunder either directly or by or through agents or attorneys and shall not be responsible for any willful misconduct or negligence on the part of any agent or attorney appointed by it with due care hereunder.

Section 4. Furnishing of Information and Offering Materials.

4.1 Furnishing of Information. The City agrees to furnish, or cause to be furnished, the Broker-Dealer with as many copies as the Broker-Dealer may reasonably request, of the Official Statement, as the same may be supplemented or amended from time to time, and such other information with respect to the City, the [Twenty-Third] Supplemental Indenture, and the Bonds as the Broker-Dealer shall reasonably request from time to time.

4.2 Supplements and Amendments to Official Statement. *if, at any time during the term of this Agreement, any event or condition known to the City relating to or affecting the City, the Bonds, the [Twenty-Third] Supplemental Indenture, or the documents or transactions contemplated thereby, shall occur which in the reasonable judgment of the City or the Broker-Dealer might affect the accuracy, correctness or completeness of any statement of a material fact contained in the Official Statement, as it shall be have been supplemented or amended from time to time pursuant to this Section or included in any report or notice filed by the City (each, a "Disclosure Statement") pursuant to the undertaking entered into by the City pursuant to the requirements of Rule 15c2-12 of the Securities and Exchange Commission (the "Continuing Disclosure Undertaking"), which in the reasonable judgment of the City or the Broker-Dealer might result in the Official Statement, as so supplemented or amended with the information furnished from time to time pursuant to this Section or by any Disclosure Statement filed by the City pursuant to the Continuing Disclosure Undertaking, containing any untrue, incorrect or misleading statement of a material fact or omitting to state a material fact necessary in order to make the statements contained therein, in light of the circumstances under which they were made, not misleading, (i) the City shall promptly notify the Broker-Dealer of the circumstances and details of such event, (ii) if, in the opinion of the Broker-Dealer, such event or condition requires the preparation and publication of an amendment or supplement to the Official Statement, the City at its expense will promptly prepare or cause to be prepared an appropriate amendment or supplement thereto, in a form and manner approved by the Broker-Dealer, so that the statements in the Official Statement, as so amended or supplemented with the information furnished from time to time pursuant to this Section or by any Disclosure Statement filed by the City pursuant to the Continuing Disclosure Undertaking, will not contain any untrue, incorrect or misleading statement of a material fact or omit to state a material fact necessary in order to make the statements contained therein, in light of the circumstances under which they were made, not*

misleading, and (iii) the City shall take all necessary action to approve such supplement or amendment.

4.3 Additional Information. Without limiting the foregoing, the City shall notify the Broker-Dealer of:

- (a) any adverse change, or threatened adverse change, in the federal income tax treatment of the Bonds, of which the City shall have knowledge;
- (b) any replacement of the Trustee under the [Twenty-Third] Supplemental Indenture;

- (e) the occurrence of any of the following events with respect to the Bonds:
 - (i) principal and interest payment delinquencies; (ii) non-payment related defaults; (iii) unscheduled draws on debt service reserves; (iv) unscheduled draws on credit enhancements; (v) substitution of credit provider or liquidity provider, or their failure to perform; (vi) adverse tax opinions or events affecting the tax-exempt status of the Bonds; (vii) modifications to rights of security holders; (viii) bond calls; (ix) defeasances; (x) release, substitution, or sale of property securing repayment of the securities; (xi) rating changes; and (xii) failure of the City to provide "annual financial information" in accordance with Rule 15c2-12(b)(5)(i)(D) under the Securities Exchange Act.

Section 5. Miscellaneous.

5.1 Termination. Any party may terminate this Agreement at any time upon thirty (30) days' prior notice to the other party. In addition, the Broker-Dealer may terminate this Agreement at any time if an event similar to those permitting termination under the bond purchase agreement shall have occurred.

Any remarketing agreement shall be in substantially the form of the remarketing agreements previously entered into by the City in connection with the sale of variable rate bonds or notes, but with such revisions in text as the Authorized Officer shall determine are necessary or desirable, the execution thereof by the Authorized Officer to evidence the City Council's approval of all such revisions. The annual fee paid to any remarketing agent shall not exceed one-half of one percent (.50%) of the average principal amount of the 2006 Bonds subject to such remarketing agreement outstanding during such annual period. Upon the conversion of any 2006 Bonds to bear interest at a fixed rate, the remarketing agent's fee shall not exceed one percent (1%) of the principal amount of the 2006 Bonds being remarketed as fixed rate 2006 Bonds. The final form of remarketing agreement to be entered into by the City with respect to any Series 2006 Bonds shall be attached to the applicable Determination Certificate.

(e) The Authorized Officer is hereby also authorized to obtain one or more Credit Facilities with one or more financial institutions with respect to the 2006 Bonds. The Authorized Officer is hereby authorized to enter into a reimbursement agreement and to execute and issue a promissory note in connection with the provision of each Credit Facility. Any Credit Facility and any reimbursement agreement shall be in substantially the form of the credit facilities and reimbursement agreements previously entered into by the City in connection with the sale of variable rate bonds or notes, but with such revisions in text as the Authorized Officer shall determine are necessary or desirable, the execution thereof by the Authorized Officer to evidence the City Council's approval of all such revisions. The annual fee paid to any financial institution that provides a Credit Facility shall not exceed one percent (1%) of the average principal amount of such

2006 Bonds outstanding during such annual period. The final form of reimbursement agreement entered into by the City with respect to the 2006 Bonds of a series shall be attached to the applicable Determination Certificate. The interest rate payable on any promissory note shall not exceed twenty percent (20%) per annum and the maturity thereof shall not be greater than the longest maturity of the related series of 2006 Bonds. The obligations of the City under each reimbursement agreement and under each promissory note do not now and shall never constitute an indebtedness or a loan of credit of the City, or a charge against its general credit or taxing powers, within the making of any constitutional or statutory limitation of the State of Illinois. Such obligations shall be limited obligations of the City payable only from Net Revenues Available for Bonds on a parity with the related series of 2006 Bonds. The Authorized Officer is hereby authorized to execute and deliver each such reimbursement agreement, under the seal of the City affixed and attached by the Clerk.

(f) Upon a finding by the Authorized Officer that the purchase of municipal bond insurance for the 2006 Bonds or the 2007 Bonds of a series is likely to facilitate the marketing and sale of such 2006 Bonds or 2007 Bonds and permit completion of such sale in a timely fashion, and that such insurance is available at an acceptable premium, the Authorized Officer is authorized to cause the City to purchase a policy of municipal bond insurance for such 2006 Bonds or 2007 Bonds, payable from amounts received upon the sale of such 2006 Bonds or 2007 Bonds or from available funds in the Sewer Revenue Fund, and to execute any related agreements with the provider of such municipal bond insurance. Such policy shall be provided by a bond insurance company or association approved by the Authorized Officer. In addition, upon a finding by the Authorized Officer that the purchase of a Debt Service Reserve Account Credit Instrument is appropriate, and that such Debt Service Reserve Account Credit Instrument is available at an acceptable cost, the Authorized Officer is authorized to cause the City to obtain a Debt Service Reserve Account Credit Instrument to satisfy the Debt Service Reserve Requirement for the 2006 Bonds or 2007 Bonds of a series, the cost of which shall be payable from amounts received upon the sale of such 2006 Bonds or 2007 Bonds or from available funds in the Sewer Revenue Fund, and to execute a Debt Service Reserve Reimbursement Agreement and any related agreements with the Debt Service Reserve Provider of such Debt Service Reserve Account Credit Instrument. The Authorized Officer may on behalf of the City make necessary covenants with respect to any municipal bond insurance or Debt Service Reserve Account Credit Instrument consistent with this Ordinance.

(g) Subsequent to each such sale, the Authorized Officer shall file in the Office of the City Clerk, directed to the City Council (i) a Determination Certificate setting forth, or referring to the 2006 Bonds Indenture or 2007 Bonds Indenture, respectively, filed pursuant to clause (iv), below, to evidence (A) the terms of sale of the 2006 Bonds or 2007 Bonds of a series, (B) the interest rate or rates or interest rate determination method or methods for such 2006 Bonds or 2007 Bonds, if any, (C) the identities of the 2006 Bonds Trustee, the 2007 Bonds Trustee, the Initial Purchasers and any remarketing agent, (D) designating any Capital Appreciation 2006 Bonds, (E) setting forth the method by which and rate at which the Compound

Accreted Value of Capital Appreciation 2006 Bonds shall be established, (F) identifying the specific amounts and maturities of the Outstanding Bonds to be refunded with proceeds of the 2006 Bonds or the 2007 Bonds, respectively, of such series (the "Refunded Bonds"), (G) the date or dates on and price or prices at which the Refunded Bonds are to be redeemed, (H) setting forth the amount of any original issue discount, (I) any arrangements made for a Credit Facility, municipal bond insurance or Debt Service Reserve Account Credit Instrument, including any covenants made by the City with respect thereto, (J) the lien status of each series of 2006 Bonds and 2007 Bonds and (K) the determination made pursuant to Section 3.4 of this Ordinance with respect to the amounts to be borrowed for Project Costs and to provide for the refunding of the Refunded Bonds; (ii) an executed copy of the Bond Purchase Agreement or Forward Purchase Agreement, as the case may be, reflecting concurrence of the Chairman of the Committee on Finance of the City Council in the determinations made by the Authorized Officer as to the terms of sale of the 2006 Bonds and 2007 Bonds of such series; (iii) the final Official Statement of the City or other disclosure document as provided in Section 3.5(c) above with respect to the 2006 Bonds; and (iv) the 2006 Bonds Indenture and the 2007 Bonds Indenture, if applicable, authorizing such series in the form to be executed and delivered by the City.

(h) The 2006 Bonds and the 2007 Bonds may be issued in either certificated or book-entry form as determined by the Authorized Officer. In connection with the issuance of any 2006 Bonds and 2007 Bonds issued in book-entry form, the Authorized Officer is authorized to select the book-entry depository and to execute and deliver a representation letter to the book-entry depository.

(i) The Mayor or the Authorized Officer is authorized to execute and deliver a Continuing Disclosure Undertaking with respect to each series of the 2006 Bonds or 2007 Bonds (the "Continuing Disclosure Undertaking") evidencing the City's agreement to comply with the requirements of Section (b)(5) of Rule 15c2-12 (the "Rule") adopted by the Securities and Exchange Commission pursuant to the Securities Exchange Act of 1934 in a form approved by the Corporation Counsel if required by the Rule. Upon its execution and delivery on behalf of the City as herein provided, each Continuing Disclosure Undertaking shall be binding upon the City and the officers, employees and agents of the City are authorized to do all such acts and things and to execute all such documents as may be necessary to carry out and comply with the provisions of the Continuing Disclosure Undertaking as executed. The Authorized Officer is further authorized to amend each Continuing Disclosure Undertaking in accordance with its terms from time to time following its execution and delivery as said officer shall deem necessary. Notwithstanding any other provision of this Ordinance, the sole remedies for failure to comply with any Continuing Disclosure Undertaking shall be the ability of the beneficial owner of any 2006 Bond or 2007 Bond to seek mandamus or specific performance by court order to cause the City to comply with its obligations under any Continuing Disclosure Undertaking. No failure by the City to comply with the Continuing Disclosure Undertaking shall constitute a default under this Ordinance, the 2006 Bonds Indenture, the 2007 Bonds Indenture, the 2006 Bonds or the 2007 Bonds.

SECTION 3.6 Interest Rate Hedge Agreements. The Mayor or the Authorized Officer is authorized to execute and deliver from time to time one or more Interest Rate Hedge Agreements with counterparties selected by the Authorized Officer, the purpose of which is to limit, reduce or manage the City's interest rate exposure with respect to any 2006 Bonds, to establish an interest rate or interest rates or range of interest rates for the 2006 Bonds prior to the execution of the Bond Purchase Agreement or to insure, protect or preserve its investments from any loss (including, without limitation, loss caused by fluctuations in interest rates, markets or in securities). The stated aggregate notional amount under all such agreements authorized under this Ordinance shall not exceed the principal amount of 2006 Bonds issued (net of Offsetting Transactions entered into by the City). Any such agreement to the extent practicable shall be in substantially the form of either the Local Currency -- Single Jurisdiction version or the Multicurrency -- Cross Border version of the 1992 I.S.D.A. Master Agreement accompanied by the United States Municipal Counterparty Schedule published by the International Swap Dealers Association (the "I.S.D.A.") or any successor form to either published by I.S.D.A., and in the appropriate confirmations of transactions governed by that agreement, with such insertions, completions and modifications of such agreement as shall be approved by the officer of the City executing the same, his or her execution to constitute conclusive evidence of the City Council's approval of such insertions, completions and modifications of such agreement. Amounts payable by the City under any such agreement shall be payable only from the 2006 Bonds Subaccount of the Bonds Account of the same lien status of the 2006 Bonds subject to such agreement, or the Sewer Rate Stabilization Account if the 2006 Bonds are not issued. Such amounts shall not constitute "indebtedness" of the City for which its full faith and credit is pledged or for any other purpose. Any amounts received by the City pursuant to any agreements or options described in this Section 3.6 are authorized to be expended for any purpose for which proceeds of the 2006 Bonds are authorized to be expended and for the payment or prepayment of any Outstanding Bonds or Outstanding Subordinate Lien Obligations. Nothing contained in this Section 3.6 shall limit or restrict the authority of the Mayor or the Authorized Officer to enter into similar agreements pursuant to prior or subsequent authorization of the City Council.

From the amounts received upon the sale of the 2006 Bonds or the 2007 Bonds, as set forth in the Determination Certificate, the City shall make an irrevocable deposit into each Escrow Account of an amount sufficient to purchase investment obligations and to deposit cash that shall be sufficient to defease the Refunded Bonds to be so refunded, as provided in the ordinances or trust indentures authorizing each series of Refunded Bonds to be so refunded. The City shall enter into an escrow agreement with each such Escrow Agent (each, an "Escrow Agreement") in a form as shall be determined by the Authorized Officer. The Authorized Officer is authorized to execute and deliver each Escrow Agreement on behalf of the City. The City, by entering into the Escrow Agreement, shall irrevocably determine to call for redemption each such Refunded Bond to be refunded at its earliest optional redemption date, to the extent deemed by the Authorized Officer to be in the best financial interests of the City. In connection with the execution of each Escrow Agreement, the Authorized Officer is authorized to execute and deliver, or to direct the Escrow Agent to execute and deliver, agreements providing for the investment or reinvestment of funds held in the Escrow Account.

Pursuant to such authority to issue Senior Lien Bonds, the City has heretofore issued its Outstanding Series 1993 Senior Lien Bonds, Outstanding Series 1995 Senior Lien Bonds and Outstanding Series 1998 Senior Lien Bonds (each as defined below and collectively, the "*Outstanding Senior Lien Bonds*").

The City has heretofore issued its Outstanding Series 1998 Second Lien Bonds, Outstanding Series 2000 Second Lien Bonds, Outstanding Series 2001 Second Lien Bonds, Outstanding Series 2001A Second Lien Bonds, Outstanding Series 2004 Second Lien Bonds (each as defined below and collectively, the "*Outstanding Second Lien Bonds*" and, collectively with the Outstanding Senior Lien Bonds, the "Outstanding Bonds") with a claim for payment solely from Second Lien Bond Revenues (as defined below) of the Sewer System. The City has also previously adopted the Series 2006 Bond Ordinance authorizing the issuance of the Series 2006A Second Lien Bonds which are being issued simultaneously with the 2006B Second Lien Bonds, defined below.

The City has determined to refund in advance of maturity and defease the Refunded Bonds, as defined below. The estimated cost of refunding the Refunded Bonds exceeds \$_____. The City does not have available funds sufficient to provide for the refunding of the Refunding Bonds.

Pursuant to an ordinance duly adopted by the City Council on _____, 2006 (the "*Series 2006 Bond Ordinance*"), the City has determined to authorize the issuance of its Second Lien Wastewater Transmission Revenue Refunding Bonds, Series 2006B (the "*2006B Second Lien Bonds*") for the purposes of (i) refunding a portion of the Refunded Bonds, (ii) paying Costs of Issuance of the 2006B Second Lien Bonds, including costs of acquiring a Debt Service Reserve Account Credit Instrument and an Insurance Policy (as defined below), and (iii) providing for premium on the 2006B Second Lien Bonds.

Simultaneously with the issuance of the 2006B Second Lien Bonds, pursuant to the Series 2006 Bond Ordinance, the City has determined to issue its Second Lien Wastewater Transmission Variable Rate Revenue Bonds, Series 2006A (the "*Series 2006A Second Lien Bonds*," and, together with the 2006B Second Lien Bonds, the "*2006 Second Lien Bonds*") on a

parity with the 2006B Second Lien Bonds for the purpose of (i) paying Project Costs, (ii) refunding a portion of certain Outstanding Senior Lien Bonds and Second Lien Bonds (the "Refunded Bonds"), and (iii) paying Costs of Issuance of the Series 2006A Second Lien Bonds, including costs of acquiring a debt service reserve account credit instrument, the premium for a bond insurance policy and certain costs relating to a liquidity facility.

Pursuant to the Series 2006 Bond Ordinance, the City has authorized the issuance and sale of the 2006 Second Lien Bonds in an aggregate principal amount of not to exceed \$175,000,000.

The aggregate amount of the Series 2006A Second Lien Bonds and the 2006B Second Lien Bonds does not exceed that amount.

The 2006B Second Lien Bonds will have a claim for payment solely from Second Lien Bond Revenues (as defined below) and the other sources pledged under this Indenture and shall be valid claims of their registered owners only against the funds and assets and other money held by the Trustee with respect to the 2006B Second Lien Bonds and, together with other Second Lien Bonds, against Second Lien Bond Revenues and amounts on deposit in the Second Lien Construction Accounts (as defined below).

The Insurer (as defined below) has issued the Insurance Policy (as defined below) insuring the payment of the principal of and interest on the 2006B Second Lien Bonds, as provided therein.

The execution and delivery of the 2006B Second Lien Bonds and this Indenture have in all respects been duly authorized. All things necessary to make the 2006B Second Lien Bonds, when executed by the City and authenticated by the Trustee, the valid and binding legal obligations of the City and to make this Indenture a valid and binding agreement, have been done.

ARTICLE I

DEFINITIONS; CONSTRUCTION

Section 1.1. Definitions. Terms defined in the Series 2006 Bond Ordinance are used with the same meanings in this Indenture, unless the context clearly requires otherwise. The terms defined in this Section shall, for all purposes of this Indenture, have the meanings specified in this Indenture, unless the context clearly requires otherwise.

“Aggregate Second Lien Debt Service” means, as of any particular date of computation and with respect to a particular Fiscal Year or other specified 12-month period, an amount of money equal to the aggregate of the amounts of Annual Second Lien Debt Service with respect to such Fiscal Year or other specified 12-month period for the Second Lien Bonds of all series.

“Aggregate Senior Lien Debt Service” means, as of any particular date of computation and with respect to a particular Fiscal Year or other specified 12-month period, an amount of money equal to the aggregate of the amounts of Annual Senior Lien Debt Service with respect to such Fiscal Year or other specified 12-month period for the Senior Lien Bonds of all series.

“Annual Second Lien Debt Service” means, as of any particular date of computation and with respect to a particular Fiscal Year or other specified 12-month period for Second Lien Bonds of a particular series, an amount of money equal to the sum of (a) all interest payable during such Fiscal Year or other specified 12-month period on all Second Lien Bonds of said series Outstanding on said date of computation and (b) all Principal Installments payable during such Fiscal Year or other specified 12-month period with respect to all Second Lien Bonds of said series Outstanding on said date of computation, all calculated on the assumption that such Second Lien Bonds will after said date of computation cease to be Outstanding by reason, but only by reason, of the payment when due and application in accordance with the ordinances and trust indentures creating such series of Second Lien Bonds of Principal Installments payable at or after said date of computation. For purposes of computing the interest payable on any Variable Rate Bonds constituting Second Lien Bonds in any future Fiscal Year or other specified future 12-month period, the rate of interest shall be assumed to equal the highest monthly average rate of interest paid with respect to such Variable Rate Bonds during the 12 months preceding the date of such calculation, plus 0.5 percent, or if such Variable Rate Bonds were not Outstanding during the entire 12-month period preceding the date of calculation, the highest monthly average rate of interest paid with respect to comparable debt obligations having a comparable interest rate determination method, interest rate period and rating during such 12-month period, plus 0.5 percent. In the event the City has entered into an Interest Rate Hedge Agreement with respect to any Second Lien Bonds, the interest payable on such Second Lien Bonds shall be deemed to be the sum of (i) the amount payable under the Interest Rate Hedge Agreement for the years in which the Interest Rate Hedge Agreement is in effect, plus (ii) the difference between the amount paid as interest on such Second Lien Bonds and the amount received by the City pursuant to the Interest Rate Hedge Agreement (but not less than zero). If the City is to pay a variable rate

pursuant to the Interest Rate Hedge Agreement, the variable rate calculation shall be made in the same manner as for Variable Rate Bonds. Amounts deposited in the Principal and Interest Account pursuant to Section 5.5 hereof, or similar provisions in any trust indenture or ordinance securing Second Lien Bonds, and capitalized or funded interest from proceeds of Second Lien Bonds and used only to pay interest on such Second Lien Bonds, shall be credited against Annual Second Lien Debt Service.

The 2006B Second Lien Bonds shall be dated as of the Interest Payment Date next preceding their date of authentication, unless such date of authentication is an Interest Payment Date, in which case the 2006B Second Lien Bonds shall be dated as of such Interest Payment Date, or unless such 2006B Second Lien Bonds are authenticated prior to the first Interest Payment Date, in which event the 2006B Second Lien Bonds shall be dated as of their date of issue.

(ii) Subject to the provisions of subparagraph (iii) below, the interest due on any such 2006B Second Lien Bond on any Interest Payment Date shall be paid to the Owner of such 2006B Second Lien Bond as shown on the registration books kept by the Trustee on the applicable Record Date. The amount of interest so payable on any Interest Payment Date shall be computed by the Trustee on the basis of a 360-day year of twelve 30-day months.

(iii) If the available funds under this Indenture are insufficient on any Interest Payment Date to pay the interest then due, the regular applicable Record Date shall no longer be applicable with respect to such 2006B Second Lien Bonds. If sufficient funds for the payment of such overdue interest shall thereafter become available, the Trustee immediately shall establish a special interest payment date for the payment of the overdue interest and a special record date (which shall be a Business Day) for determining the Bondholders entitled to such payments. Notice of each date so established shall be mailed by the Trustee to each such Bondholder at least 10 days prior to the special record date, but not more than 30 days prior to the special interest payment date. The overdue interest shall be paid on the special interest payment date to such Bondholders as shown on the registration books kept by the Trustee as of the close of business on the special record date.

(iv) All payments of interest on the 2006B Second Lien Bonds shall be paid to the persons entitled to such payments pursuant to Section 2.6(d)(ii) or (iii) above by the Trustee on the Interest Payment Date or special interest payment date, as applicable, (A) upon request of any Owner of such 2006B Second Lien Bonds in the principal amount of \$1,000,000 or more, by federal funds wire on the Interest Payment Date to any address in the continental United States, if such Owner provides the Trustee with written notice of such wire transfer address at least 15 days prior to the applicable Record Date (which notice may provide that it will remain in effect with respect to subsequent Interest

Payment Dates unless or until changed or revoked by subsequent notice), or (B) if no instructions are given as aforesaid, by clearinghouse funds check or draft mailed on the Interest Payment Date to the persons entitled to such payment at such address appearing on the registration books of the Trustee or such other address as has been furnished to the Trustee in writing by such person.

Section 2.7. Execution of 2006B Second Lien Bonds. Each of the 2006B Second Lien Bonds shall be executed on behalf of the City by the manual or facsimile signature of the Mayor and attested by the manual or facsimile signature of its City Clerk, and the corporate seal of the City shall be impressed, printed or lithographed on each 2006B Second Lien Bond. The 2006B Second Lien Bonds bearing the manual or facsimile signatures of individuals who were at the time of the execution of this Indenture the proper officers of the City shall bind the City notwithstanding that such individuals shall cease to hold such offices prior to the registration, authentication or delivery of such 2006B Second Lien Bonds or shall not have held such offices at the dated date of such 2006B Second Lien Bonds.

Section 2.8. Delivery and Registration. No 2006B Second Lien Bond shall be entitled to any right or benefit under this Indenture, or be valid or obligatory for any purpose, unless there appears on such 2006B Second Lien Bond a certificate of authentication substantially in the form provided in *Exhibit A* to this Indenture, executed by the Trustee by manual signature, and such certificate upon any such 2006B Second Lien Bond shall be conclusive evidence that such 2006B Second Lien Bond has been duly authenticated, registered and delivered.

Section 2.9. Lost, Destroyed, Improperly Canceled or Undelivered 2006B Second Lien Bonds. If any 2006B Second Lien Bond, whether in temporary or definitive form, is lost (whether by reason of theft or otherwise), destroyed (whether by mutilation, damage or otherwise) or improperly canceled, the Trustee may authenticate a new 2006B Second Lien Bond of the same date and denomination and bearing a number not contemporaneously outstanding; provided that (a) in the case of any mutilated 2006B Second Lien Bond, such mutilated 2006B Second Lien Bond shall first be surrendered to the Trustee and (b) in the case of any lost 2006B Second Lien Bond or 2006B Second Lien Bond destroyed in whole, there shall be first furnished to the Trustee evidence of such loss or destruction, together with indemnification of the City and the Trustee, satisfactory to each of them. If any lost, destroyed or improperly canceled 2006B Second Lien Bond shall have matured or is about to mature, instead of issuing a duplicate 2006B Second Lien Bond, the Trustee shall pay the same without surrender of such 2006B Second Lien Bond if there shall be first furnished to the Trustee evidence of such loss, destruction or cancellation, together with indemnification of the City and the Trustee, satisfactory to each of them. Upon the issuance of any substitute 2006B Second Lien Bond, the Trustee may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation to such issuance. The Trustee may charge the Bondholder reasonable fees and expenses in connection with any transaction described in this Section 2.9, except for improper cancellation by the Trustee.

All 2006B Second Lien Bonds shall be owned upon the express condition that, to the extent permitted by law, the foregoing provisions are exclusive with respect to the replacement or payment of lost, destroyed or improperly canceled 2006B Second Lien Bonds, notwithstanding any law or statute now existing or enacted after the date of this Indenture.

Section 2.10. Transfer, Registration and Exchange of 2006B Second Lien Bonds.

The Trustee shall maintain and keep, at its Principal Office, books for the registration and transfer of 2006B Second Lien Bonds, which at all reasonable times shall be open for inspection by the City and the Bond Insurer.

The transfer of any 2006B Second Lien Bond shall be registered upon the books of the Trustee at the written request of the Bondholder or its attorney duly authorized in writing, upon surrender of such 2006B Second Lien Bond at the Principal Office of the Trustee, together with a written instrument of transfer satisfactory to the Trustee duly executed by the Bondholder or its attorney duly authorized in writing.

The City and the Trustee may deem and treat the Bondholder as the absolute owner of such 2006B Second Lien Bond, whether such 2006B Second Lien Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal of and interest on, such 2006B Second Lien Bond and for all other purposes, and neither the City nor the Trustee shall be affected by any notice to the contrary. All such payments so made to any such Bondholder shall be valid and effectual to satisfy and discharge the liability upon such 2006B Second Lien Bond to the extent of the sum or sums so paid.

Any 2006B Second Lien Bond, upon surrender of such 2006B Second Lien Bond at the Principal Office of the Trustee may, at the option of the Bondholder, be exchanged for an equal aggregate principal amount of 2006B Second Lien Bond or 2006B Second Lien Bonds of any Authorized Denomination of the same interest rate and maturity as the 2006B Second Lien Bond being surrendered.

In all cases in which the privilege of exchanging 2006B Second Lien Bonds or registering the transfer of 2006B Second Lien Bonds is exercised, the City shall execute and the Trustee shall authenticate and deliver 2006B Second Lien Bonds in accordance with the provisions of this Indenture. For every such exchange or registration of transfer of 2006B Second Lien Bonds, whether temporary or definitive, the Trustee may make a charge in an amount sufficient to reimburse it for any tax or other governmental charge required to be paid with respect to such exchange or registration of transfer, which sum or sums shall be paid by the person requesting such exchange or registration of transfer as a condition precedent to the exercise of the privilege of making such exchange or registration of transfer.

Section 2.11. Temporary 2006B Second Lien Bonds. Pending the preparation of definitive 2006B Second Lien Bonds, the City may execute and the Trustee shall authenticate and deliver temporary 2006B Second Lien Bonds. Temporary 2006B Second Lien Bonds may be issuable as 2006B Second Lien Bonds of any Authorized Denomination and substantially in the form of the definitive 2006B Second Lien Bonds but with omissions, insertions and variations as may be appropriate for temporary 2006B Second Lien Bonds, all as may be approved by the City, as evidenced by the execution and delivery of such 2006B Second Lien Bonds. Temporary 2006B Second Lien Bonds may contain such reference to any provisions of this Indenture as may be appropriate. Every temporary 2006B Second Lien Bond shall be executed by the City and be authenticated by the Trustee upon the same conditions and in substantially the same manner, and with like effect, as the definitive 2006B Second Lien Bonds. As promptly as practicable the City shall execute and shall furnish definitive 2006B Second Lien Bonds and thereupon temporary 2006B Second Lien Bonds may be surrendered in exchange

therefor without charge at the Principal Office of the Trustee, and the Trustee shall authenticate and deliver in exchange for such temporary 2006B Second Lien Bonds the same aggregate principal amount of definitive 2006B Second Lien Bonds of Authorized Denominations. Until so exchanged the temporary 2006B Second Lien Bonds shall be entitled to the same benefits under this Indenture as definitive 2006B Second Lien Bonds.

Section 2.12. Cancellation of 2006B Second Lien Bonds. All 2006B Second Lien Bonds which shall have been surrendered to the Trustee for payment and all 2006B Second Lien Bonds which shall have been surrendered to the Trustee for exchange or registration of transfer, shall be canceled by the Trustee and cremated or otherwise destroyed, and counterparts of a certificate of destruction evidencing such cremation or other destruction shall be furnished by the Trustee to the City. The Trustee shall furnish to the City a certificate evidencing any such cancellation and specifying such 2006B Second Lien Bonds by number.

Section 2.13. Book-Entry Provisions.

(a) Except as provided in paragraph (c) below, the Owner of all of the 2006B Second Lien Bonds shall be DTC, and the 2006B Second Lien Bonds shall be registered in the name of Cede & Co., as nominee for DTC. Payment of interest for any 2006B Second Lien Bond registered in the name of Cede & Co. shall be made by wire transfer of immediately available funds to the account of Cede & Co. on the applicable Interest Payment Date for the 2006B Second Lien Bonds at the address indicated for Cede & Co. in the registration books of the City kept by the Trustee.

(b) The Trustee and the City may treat DTC (or its nominee) as the sole and exclusive Owner of such 2006B Second Lien Bonds registered in its name for the purposes of payment of the principal or redemption price of or interest on such 2006B Second Lien Bonds, selecting such 2006B Second Lien Bonds or portions of such 2006B Second Lien Bonds to be redeemed, giving any notice permitted or required to be given to Bondholders under this Indenture, registering the transfer of such 2006B Second Lien Bonds, obtaining any consent or other action to be taken by Bondholders and for all other purposes whatsoever, and neither the Trustee nor the City shall be affected by any notice to the contrary. Except as otherwise provided in paragraph (c) below, no Beneficial Owner shall receive an authenticated 2006B Second Lien Bond certificate. Upon delivery by DTC to the Trustee of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions of this Indenture with respect to transfers of 2006B Second Lien Bonds, the words "Cede & Co." in this Indenture shall refer to such new nominee of DTC.

(c) If the Owner of all the 2006B Second Lien Bonds shall be DTC and the City determines to discontinue DTC's book-entry system, the City may notify DTC and the Trustee, whereupon DTC will notify its participating organizations (the "Participants") of the availability through DTC of certificated 2006B Second Lien Bonds. In such event, the Trustee shall issue, transfer and exchange such 2006B Second Lien Bond certificates as requested by DTC in appropriate amounts in accordance with the provisions of this Indenture. DTC may determine to discontinue providing its services with respect to all, but not less than all, of the 2006B Second Lien Bonds at any time by giving written notice to the City and the Trustee and discharging its responsibilities with respect to this Indenture under applicable law. Under such circumstances (if there is no successor securities depository), the City and the Trustee shall be obligated (at the

sole cost and expense of the City) to make available for delivery 2006B Second Lien Bond certificates as described in this Indenture. Whenever DTC requests the City and the Trustee to do so, the City will direct the Trustee (at the sole cost and expense of the City) to cooperate with DTC in taking appropriate action after reasonable notice (i) to make available one or more separate certificates evidencing the 2006B Second Lien Bonds to any Participant having 2006B Second Lien Bonds credited to its DTC account or (ii) to arrange for another securities depository to maintain custody of certificates evidencing such 2006B Second Lien Bonds.

(d) So long as any 2006B Second Lien Bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to the principal or redemption price of and interest on such 2006B Second Lien Bond and all notices with respect to such 2006B Second Lien Bond shall be made and given, respectively, to DTC or its nominee as provided in the City's representation letter to DTC.

(e) In connection with any notice or other communication to be provided to Bondholders pursuant to this Indenture by the City or the Trustee, or by the Trustee with respect to any consent or other action to be taken by Bondholders, the City or the Trustee, as the case may be, shall establish a record date for such consent or other action and give DTC notice of such record date not less than 15 calendar days in advance of such record date to the extent possible. Such notice to DTC or its nominee shall be given only when DTC is the sole Bondholder.

(f) Neither the City nor the Trustee shall have any responsibility or obligation to the Participants or the Beneficial Owners with respect to (i) the accuracy of any records maintained by DTC or any Participant; (ii) the payment by DTC or any Participant of any amount due to any Beneficial Owner in respect of the principal or redemption price of or interest on the 2006B Second Lien Bonds; (iii) the delivery by DTC or any Participant of any notice to any Beneficial Owner which is required or permitted under the terms of this Indenture to be given to Bondholders; (iv) the selection of the Beneficial Owners to receive payment in the event of any partial redemption of the 2006B Second Lien Bonds; or (v) any consent given or other action taken by DTC as Bondholder.

(g) As long as Cede & Co. is the registered owner of the 2006B Second Lien Bonds, as nominee of DTC, references in this Indenture to the Bondholders of the 2006B Second Lien Bonds or Owners of the 2006B Second Lien Bonds shall mean Cede & Co. and shall not mean the Beneficial Owners of the 2006B Second Lien Bonds.

(h) So long as DTC is the registered owner of the 2006B Second Lien Bonds:

(i) selection of 2006B Second Lien Bonds to be redeemed upon partial redemption and presentation of 2006B Second Lien Bonds to the Trustee upon partial redemption, shall be deemed made when the right to exercise ownership rights in such 2006B Second Lien Bonds through DTC or DTC's Participants is transferred by DTC on its books; and

(ii) DTC may present notices, approvals, waivers or other communications required or permitted to be made by Bondholders under this Indenture on a fractionalized

basis on behalf of some or all of those persons entitled to exercise ownership rights in the 2006B Second Lien Bonds through DTC or its Participants.

(d) The Trustee is hereby irrevocably designated, appointed, directed and authorized to act as attorney-in-fact for the Owners of the 2006B Second Lien Bonds as follows:

(i) If and to the extent there is a deficiency in amounts required to pay interest on the 2006B Second Lien Bonds, the Trustee shall (a) execute and deliver to U.S. Bank Trust National Association, or its successors under the Insurance Policy (the "Insurance Paying Agent"), in form satisfactory to the Insurance Paying Agent, an instrument appointing the Insurer as agent for such Owners in any legal proceeding related to the payment of such interest and an assignment to the Insurer of the claims for interest to which such deficiency relates and which are paid by the Insurer. (b) receive as designee of the Owners (and not as Insurance Paying Agent) in accordance with the tenor of the Insurance Policy payment from the Insurance Paying Agent with respect to the claims for interest so assigned, and (c) disburse the same to the Owners; and

(ii) If and to the extent of a deficiency in amounts required to pay principal of the 2006B Second Lien Bonds, the Trustee shall (a) execute and deliver to the Insurance Paying Agent in form satisfactory to the Insurance Paying Agent an instrument

appointing the Insurer as agent for the Owner in any legal proceeding relating to the payment of such principal and an assignment to the Insurer of any of the 2006B Second Lien Bonds surrendered to the Insurance Paying Agent of so much of the principal amount thereof as has not previously been paid or for which moneys are not held by the Trustee and available for such payment (but such assignment shall be delivered only if payment from the Insurance Paying Agent is received), (b) receive as designee of the Owners (and not as Trustee) in accordance with the tenor of the Insurance Policy payment therefor from the Insurance Paying Agent, and (c) disburse the same to the Owners.

(e) Payments with respect to claims for interest on and principal of 2006B Second Lien Bonds disbursed by the Trustee from proceeds of the Insurance Policy shall not be considered to discharge the obligation of the City with respect to such 2006B Second Lien Bonds, and the Insurer shall become the owner of such unpaid 2006B Second Lien Bond and claims for the interest in accordance with the tenor of the assignment made to it under the provisions of this subsection or otherwise.

(f) Irrespective of whether any such assignment is executed and delivered, the City and the Trustee hereby agree for the benefit of the Insurer that:

(i) They recognize that to the extent the Insurer makes payments, directly or indirectly (as by paying through the Trustee), on account of principal of or interest on the 2006B Second Lien Bonds, the Insurer will be subrogated to the rights of such Owners to receive the amount of such principal and interest from the City, with interest thereon as provided and solely from the sources stated in this Indenture and the 2006B Second Lien Bonds; and

(ii) They will accordingly pay to the Insurer the amount of such principal and interest (including principal and interest recovered under subparagraph (ii) of the first paragraph of the Insurance Policy, which principal and interest shall be deemed past due and not to have been paid), with interest thereon as provided in this Indenture and the 2006B Second Lien Bonds, but only from the sources and in the manner provided herein for the payment of principal of and interest on the 2006B Second Lien Bonds to Owners, and will otherwise treat the Insurer as the owner of such rights to the amount of such principal and interest.

Section 3.2. Consent of Insurer in Lieu of Bondholder Consent. So long as the rights of the Insurer have not ceased or terminated pursuant to Section 3.5 hereof, the consent of the Insurer in lieu of the consent of Bondholders shall be sufficient for the following purposes: (i) execution and delivery of any Supplemental Indenture entered into pursuant to Section 8.3 of this Indenture or any other amendment hereto which adversely affects the rights of the Insurer; and (ii) initiation or approval of any action not described in clause (i) above which requires Bondholder consent. The Trustee shall furnish the Insurer and S&P with copies of any Supplemental Indentures entered into pursuant to Section 8.3 of this Indenture.

Section 3.3. Consent of Insurer Upon Default. Anything in this Indenture to the contrary notwithstanding and subject to Section 3.5 hereof, the Insurer is entitled to control and

direct the enforcement of all rights and remedies granted to the Bondholders or the Trustee for the benefit of the Bondholders under this Indenture.

Section 3.4. Notice Provisions.

While the Insurance Policy is in effect, the City shall furnish to the Insurer (to the attention of the Insured Portfolio Management, unless otherwise indicated):

(a) copies of material event notifications delivered to a Nationally Recognized Municipal Securities Information Repository ("NRMSIR") pursuant to the Undertaking following delivery of such information to a NRMSIR;

(b) upon the written request of the Insurer, and if available, copies of the annual financial information and audited financial statements delivered to a NRMSIR pursuant to the Undertaking following delivery of such information to a NRMSIR; and

(c) any notices required to be given to Bondholders or the Trustee under this Indenture.

Section 3.5. Rights of the Insurer. Anything herein to the contrary notwithstanding, all rights given to the Insurer hereunder with respect to the giving of consents or approvals are expressly conditioned upon the timely and full performance of the Insurer under its Insurance Policy and Surety Bond. All rights of the Insurer hereunder shall cease and terminate if: (i) the Insurer fails to make any payment pursuant to the terms of the Insurance Policy or Surety Bond; (ii) the Insurance Policy or Surety Bond ceases to be valid and binding on the Insurer or is declared to be null and void, or the validity or enforceability of any provision thereof is being contested by the Insurer, or the Insurer is denying further liability or obligation under such Insurance Policy or Surety Bond; (iii) a petition has been filed and is pending against the Insurer under any bankruptcy, reorganization, arrangement, insolvency, readjustment of debt, dissolution, liquidation or rehabilitation law of any jurisdiction, and has not been dismissed within 60 days after such filing; (iv) the Insurer has filed a petition, which is still pending, in voluntary bankruptcy or is seeking relief under any provision of any bankruptcy, reorganization, arrangement, insolvency, readjustment of debt, dissolution, liquidation or rehabilitation law of any jurisdiction, or has consented to the filing of any petition against it under any such law; or (v) a receiver has been appointed for the Insurer under the insurance laws of any jurisdiction. The City and the Trustee each acknowledge that the Insurer is a third party beneficiary of this Indenture so long as the Insurance Policy is in full force and effect and the Insurer is in compliance with its payment obligations under the provisions of the Insurance Policy and the Surety Bond.

Section 3.6. Additional Covenants for the Benefit of the Insurer.

(a) The City agrees not to use the Insurer's name in any public document, including, without limitation, a press release or presentation, announcement or forum without the Insurer's prior consent; provided, however, such prohibition on the use of the Insurer's name shall not relate to the use of the Insurer's standard approved form of disclosure in public documents issued in connection with the 2006B Second Lien Bonds; and provided further, such prohibition shall

not apply to the use of the Insurer's name in order to comply with public notice, public meeting or public reporting requirements.

(b) The City shall not enter into any agreement nor shall it consent to or participate in any arrangement pursuant to which 2006B Second Lien Bonds are tendered or purchased for any purpose other than the cancellation or legal defeasance of such 2006B Second Lien Bonds without the prior written consent of the Insurer.

Section 3.7. Payments to the Insurer. The City agrees to reimburse the Insurer, upon demand:

(a) to the extent permitted by law and subject to paragraph (b) below, upon written notice from the Insurer of the amount so owed, all reasonable expenses, including attorneys' fees and expenses, incurred by the Insurer in connection with (i) the enforcement by the Insurer of the City's obligations, or the preservation or defense of any rights of the Insurer, under this Indenture or any other document executed in connection with the issuance of the 2006B Second Lien Bonds, and (ii) any consent, amendment, waiver or other action with respect to this Indenture or any other document executed in connection with the issuance of the 2006B Second Lien Bonds, together with interest on all such expenses from and including the date incurred to the date of payment at Citibank's Prime Rate plus 2% per annum or a maximum interest rate of 18% per annum, whichever is less.

(b) Notwithstanding the provisions of (a) above, (i) the City shall not be obligated to reimburse the Insurer for any expenses incurred in connection with any request by the City for any consent, amendment, waiver or other action with respect to this Indenture or any other document executed in connection with the issuance of the 2006B Second Lien Bonds which is not approved by the Insurer; and (ii) the City shall not be obligated to reimburse the Insurer for any expenses as described in (a) above which are attributable to time and expenses of officers, directors or employees of the Insurer, except for an action requested by the City in connection with a material change to this Indenture or the structure of the 2006B Second Lien Bonds.

(c) Upon the City's request, the Insurer shall provide to the City a fee cap for each consent, amendment, waiver or other action requested by the City pursuant to this Section 3.7.

REVENUES AND FUNDS

Section 5.1. Source of Payment of 2006B Second Lien Bonds. The 2006B Second Lien Bonds are not general obligations of the City but are limited obligations as described in Section 2.2 hereof and as provided herein.

Section 5.2. The 2006B Second Lien Bonds Revenue Fund.

(a) There is by this Indenture created by the City and established with the Trustee a separate and segregated trust fund to be designated "City of Chicago Second Lien Wastewater Transmission Revenue Refunding Bonds Series 2006B Revenue Fund" (the "2006B Second Lien Bonds Revenue Fund").

(b) The amounts on deposit in the accounts in the 2006B Second Lien Bonds Revenue Fund created by this Indenture shall be held by the Trustee for the sole and exclusive benefit of the 2006B Second Lien Bonds. Any moneys and securities held in the 2006B Second Lien Bonds Revenue Fund or any account created pursuant to this Article shall be held in trust by the Trustee, as provided in this Indenture, and shall be applied, used and withdrawn only for the purposes authorized in this Indenture. The City will cause all moneys and securities held in the funds and accounts created by the Senior Lien Bond Ordinances to be applied, used and withdrawn solely for the purposes authorized in those ordinances.

Section 5.3. Deposit of 2006B Second Lien Bond Revenues. On the second Business Day immediately preceding each January 1 and July 1, the Authorized Officer shall withdraw from the 2006B Second Lien Bonds Subaccount of the Second Lien Bonds Account, and transfer to the Trustee for deposit into the 2006B Second Lien Bonds Revenue Fund, the amounts required (i) to be on deposit in the Principal and Interest Account as specified in the certificate delivered pursuant to Section 2.4(d) hereof and (ii) to satisfy any deficiency in the Debt Service Reserve Account as provided in Section 5.4(a)(i) hereof. Upon receipt of such amounts, the Trustee shall deposit the same in the accounts of the 2006B Second Lien Bonds Revenue Fund. The Trustee shall be accountable only for moneys actually so received. Such certificate of the Authorized Officer, or any subsequent or supplemental certificate, shall be revised or supplemented from time to time whenever necessary to reflect changes in the deposit requirements relating to the 2006B Second Lien Bonds Revenue Fund as a result of the prepayment of 2006B Second Lien Bonds.

Section 5.4. Creation of Accounts in the 2006B Second Lien Bonds Revenue Fund.

(a) *Creation of Debt Service Reserve Account.* By this Indenture, the City creates and orders established with the Trustee a separate and segregated account within the 2006B Second Lien Bonds Revenue Fund, such account to be designated the "2006B Second Lien Bonds Debt Service Reserve Account" (the "*Debt Service Reserve Account*"). The City shall maintain the Debt Service Reserve Account in an amount equal to the Debt Service Reserve Requirement. The Debt Service Reserve Requirement may be satisfied with (1) one or more Debt Service Reserve Account Credit Instruments, (2) Permitted Investments or (3) a combination thereof. Any Permitted Investments on deposit in the Debt Service Reserve Account shall be valued at fair market value (determined in accordance with generally accepted accounting principles applicable to governmental units) on or about December 31 in each year.

(i) At the time of the delivery of the 2006B Second Lien Bonds, the Surety Bond, which constitutes a Debt Service Reserve Account Credit Instrument, shall be deposited to the credit of the Debt Service Reserve Account, to establish a balance in that Account at least equal to the Debt Service Reserve Requirement. Whenever the balance in the Debt Service Reserve Account is less than the Debt Service Reserve Requirement,

except as permitted pursuant to subparagraph (iii) below, the City shall transfer to the Debt Service Reserve Account within the next 12 months sufficient funds from Second Lien Bond Revenues to maintain a balance in the Debt Service Reserve Account at least equal to the Debt Service Reserve Requirement for the 2006B Second Lien Bonds.

Funds in the Debt Service Reserve Account and any Debt Service Reserve Account Credit Instrument in that account shall be held by the Trustee for the sole and exclusive benefit of the 2006B Second Lien Bonds and shall be used to pay principal of and interest on the 2006B Second Lien Bonds as the same become due at any time when there are insufficient funds available for such purpose in the Principal and Interest Account. Any Debt Service Reserve Account Credit Instrument to be acquired by the City with respect to the 2006B Second Lien Bonds at all times shall secure only the 2006B Second Lien Bonds and shall not be used in any manner to satisfy the Debt Service Reserve Requirement for any Second Lien Parity Bonds or other Outstanding Second Lien Bonds nor shall it be used to pay principal of, redemption premium, if any, or interest on any Second Lien Parity Bonds or other Outstanding Second Lien Bonds. Unless replaced or unless cash and Permitted Investments are deposited in lieu thereof, any Debt Service Reserve Account Credit Instrument shall not terminate prior to the earlier of (i) the date of the last maturity of any of the 2006B Second Lien Bonds or (ii) the date on which no 2006B Second Lien Bonds are Outstanding.

(ii) Any amounts in the Debt Service Reserve Account which are not required to be transferred to the Principal and Interest Account may, from time to time, be used to pay costs of acquiring a Debt Service Reserve Account Credit Instrument for the Debt Service Reserve Account or to make payments due under a reimbursement agreement with the provider of a Debt Service Reserve Account Credit Instrument, but only if after such payment, the value of the Debt Service Reserve Account shall not be less than the Debt Service Reserve Requirement for the 2006B Second Lien Bonds. The City pledges and grants a lien on and security interest in the amounts on deposit in the Debt Service Reserve Account to any provider of a Debt Service Reserve Account Credit Instrument, provided that the pledge, lien and security interest shall be junior to any claim for the benefit of the Owners of the 2006B Second Lien Bonds.

(iii) If at any time the Debt Service Reserve Account holds both a Debt Service Reserve Account Credit Instrument and Permitted Investments, the Permitted Investments shall be liquidated and the proceeds applied for the purposes for which Debt Service Reserve Account moneys may be applied under this Indenture prior to any draw being made on the Debt Service Reserve Account Credit Instruments. If the Debt Service Reserve Account holds Debt Service Reserve Account Credit Instruments issued by more than one issuer, draws shall be made under such credit instruments on a pro rata basis to the extent of available funds.

(iv) The City has purchased the Surety Bond from the Insurer and has delivered the Surety Bond to the Trustee for deposit in the Debt Service Reserve Account. The Trustee shall hold the Surety Bond and make demands for payment in accordance with its terms whenever there are insufficient funds to pay debt service on the 2006B Second Lien Bonds in the Debt Service Account or from cash and Permitted Investments in the Debt Service Reserve Account.

(v) Any earnings on amounts held in the Debt Service Reserve Account shall first be applied to any deficiency with respect to the Debt Service Reserve Requirement, and thereafter, the excess shall be credited to the Principal and Interest Account pursuant to Section 5.5 hereof.

(b) *Creation of Principal and Interest Account.* By this Indenture, the City creates and orders established with the Trustee a separate and segregated account within the 2006B Second Lien Bonds Revenue Fund, such account to be designated the "2006B Second Lien Bonds Principal and Interest Account" (the "*Principal and Interest Account*"). Moneys on deposit in the Principal and Interest Account shall be held by the Trustee for the sole and exclusive benefit of the 2006B Second Lien Bonds and shall be used for the purpose of paying the principal of and interest on such 2006B Second Lien Bonds as it becomes due.

Section 5.5. Investment of Moneys. Pending the use of moneys held in an account of the 2006B Second Lien Bonds Revenue Fund, the Trustee shall invest such moneys in Permitted Investments upon the written direction of the Authorized Officer or any person designated to sign on behalf of the Authorized Officer. Any realized income from such investments shall be credited to the Principal and Interest Account of the 2006B Second Lien Bonds Revenue Fund.

Section 5.6. 2006B Second Lien Bonds Not Presented for Payment.

(a) If any 2006B Second Lien Bonds shall not be presented for payment when the principal of such 2006B Second Lien Bonds becomes due under this Indenture or otherwise, if moneys sufficient to pay such 2006B Second Lien Bonds are held by the Trustee for the benefit of the Owners of such 2006B Second Lien Bonds, the Trustee shall segregate and hold such moneys in a trust account separate and apart from the other funds and accounts held under this Indenture, without liability for interest on such moneys, for the benefit of such Bondholders who shall (except as provided in the following paragraph) thereafter be restricted exclusively to such fund or funds for the satisfaction of any claim of whatever nature under this Indenture.

(b) Any moneys which the Trustee shall segregate and hold in trust for the payment of the principal of or interest on any 2006B Second Lien Bond and which shall remain unclaimed for two years after such principal or interest has become due and payable shall, upon the City's written request to the Trustee, be paid to the City. After the payment of such unclaimed moneys to the City, the Owner of such 2006B Second Lien Bond shall thereafter look only to the City for the payment of such 2006B Second Lien Bonds, unless an abandoned property law designates another person, and all liability of the Trustee with respect to such moneys shall thereupon cease.

ARTICLE VI

GENERAL COVENANTS OF CITY

Section 6.1. Equality of 2006B Second Lien Bonds. Each 2006B Second Lien Bond authorized under this Indenture shall be on a parity and rank equally without preference, priority or distinction over any other 2006B Second Lien Bond as to security, and the provisions, covenants and agreements set forth in this Indenture to be performed by and on behalf of the City shall be for the equal benefit, protection and security of the Owners of any and all 2006B Second Lien Bonds. The City covenants that it will not issue any obligations with a claim for payment

or secured by the Second Lien Bond Revenues or, except as otherwise provided in Section 6.5 of this Indenture, any other moneys pledged under this Indenture having priority over or, except for Second Lien Parity Bonds, being on a parity with the 2006B Second Lien Bonds.

Section 6.2. Punctual Payment. The City covenants that it will duly and punctually pay or cause to be paid the principal of and interest on, all 2006B Second Lien Bonds in strict conformity with the terms of such 2006B Second Lien Bonds and of this Indenture, and that it will faithfully observe and perform all the conditions, covenants and requirements of the Series 2006 Bond Ordinance, this Indenture, and of the 2006B Second Lien Bonds issued or incurred under them.

Section 6.3. Maintenance and Continued Operation of Sewer System. The City will maintain the Sewer System in good repair and working order, will continuously operate it on a Fiscal Year basis, and will punctually perform all duties with respect to the Sewer System required by the Constitution and laws of the State.

So long as the 2006B Second Lien Bonds are Outstanding, the City will continue to operate the Sewer System as a revenue-producing system so as to produce Gross Revenues sufficient to satisfy the covenants of this Indenture.

Section 6.4. Rate Covenant. The City will establish, maintain and collect at all times fees, charges and rates for the use and service of the Sewer System sufficient at all times to (a) pay Operation and Maintenance Costs and (b) produce Net Revenues Available for Bonds sufficient to pay the principal (at maturity or pursuant to mandatory sinking fund redemption) of and applicable redemption premium and interest on all Senior Lien Bonds and all Second Lien Bonds then Outstanding from time to time, to establish and maintain the Bond Principal and Interest Account and the Bond Debt Service Reserve Account as may be covenanted in the Senior Lien Bond Ordinances and to establish and maintain the Principal and Interest Account and the Debt Service Reserve Account as required by this Indenture, which Net Revenues Available for Bonds shall each Fiscal Year at least equal 100 percent of the sum of (i) the amount required to pay promptly when due the Aggregate Senior Lien Debt Service for the Fiscal Year on all Senior Lien Bonds then Outstanding and (ii) the amount required to pay promptly when due the Aggregate Second Lien Debt Service for the Fiscal Year on all Second Lien Bonds then Outstanding. These fees, charges and rates shall not be reduced while any 2006B Second Lien Bonds are Outstanding below the level necessary to ensure compliance with the covenants of this Section 6.4.

The City will, prior to the end of each Fiscal Year, conduct a review to determine if it has been and will be in compliance with the rate covenant set forth above. Whenever the annual review indicates that projected Gross Revenues will not be sufficient to comply with the rate covenant, the City shall prepare or cause to be prepared a rate study for the Sewer System identifying the rate changes necessary to comply with the rate covenant and the Director of the Office of the Budget and Management of the City and the Authorized Officer shall recommend appropriate action to the City Council to comply with this rate covenant.

Section 6.5. Issuance of Second Lien Parity Bonds.

(a) As long as there are any Outstanding 2006B Second Lien Bonds, the City may issue Second Lien Parity Bonds for any lawful purpose of the Sewer System, including to refund Outstanding Senior Lien Bonds, Second Lien Bonds or obligations payable from revenues of the Sewer System on a basis subordinate to the Second Lien Bonds, upon compliance with the following conditions:

(i) the funds required to be transferred to the Principal and Interest Account and the Debt Service Reserve Account shall have been transferred in full up to the date of delivery of such Second Lien Parity Bonds; and

(ii) Net Revenues Available for Bonds for the last completed Fiscal Year prior to the issuance of the Second Lien Parity Bonds (as shown by the audit of an independent certified public accountant), or Net Revenues Available for Bonds for such last completed Fiscal Year, adjusted as described below, shall equal at least 100 percent of the sum of the Aggregate Senior Lien Debt Service and the Aggregate Second Lien Debt Service in each Fiscal Year following the issuance of the proposed Second Lien Parity Bonds, computed on a pro forma basis assuming the issuance of the proposed Second Lien Parity Bonds and the application of the proceeds of any Second Lien Parity Bonds as provided in the ordinance or trust indenture authorizing their issuance, sale and delivery. Net Revenues Available for Bonds may be adjusted as follows for purposes of this paragraph (ii):

(1) if prior to the issuance of such Second Lien Parity Bonds, the City shall have enacted an increase in the rates of the Sewer System from the rates in effect for such last completed Fiscal Year, Net Revenues Available for Bonds may be adjusted to reflect the Net Revenues Available for Bonds for such last completed Fiscal Year as they would have been had the increased rates been in effect during all of that last completed Fiscal Year; and

(2) any such adjustment shall be evidenced by a certificate of the Authorized Officer.

For purposes of calculating the adjustment described in this paragraph (ii), any rate increase enacted by the City and scheduled to take effect in a future Fiscal Year may be reflected in Net Revenues Available for Bonds for purposes of calculating debt service coverage for that and each succeeding Fiscal Year.

If during the first six months of a Fiscal Year, an audit of the Sewer System for the preceding Fiscal Year by an independent certified public accountant is not available, the conditions of paragraph (ii) above shall be deemed to have been satisfied if both (A) Net Revenues Available for Bonds for the second preceding Fiscal Year (as shown by the audit of an independent certified public accountant), adjusted as described in this paragraph (ii) above, and (B) Net Revenues Available for Bonds for the preceding Fiscal Year (as estimated by the Authorized Officer), adjusted as described in this paragraph (ii) above, shall equal at least 100 percent of the sum of the Aggregate Senior Lien Debt Service and the Aggregate Second Lien Debt Service in each Fiscal Year following the

issuance of the proposed Second Lien Parity Bonds, computed on a *pro forma* basis assuming the issuance of the proposed Second Lien Parity Bonds and the application of the proceeds of any Second Lien Parity Bonds as provided in the ordinance or trust indenture authorizing their issuance, sale and delivery.

(b) The City may issue Second Lien Parity Bonds without complying with either of the requirements of paragraph (a)(ii) of this Section 6.5:

(i) to pay, redeem or refund Senior Lien Bonds or Second Lien Bonds if in the judgment of the City there will be no money available to make payments of interest on or principal of those Senior Lien Bonds or Second Lien Bonds (at maturity or on Sinking Fund Payments dates) as such amounts become due; and

(ii) to pay, redeem or refund any Senior Lien Bonds or Second Lien Bonds if the sum of the Aggregate Senior Lien Debt Service and the Aggregate Second Lien Debt Service after the issuance of the Second Lien Parity Bonds and the payment, redemption or refunding of such Senior Lien Bonds or Second Lien Bonds will not be in excess of the sum of the Aggregate Senior Lien Debt Service or Aggregate Second Lien Debt Service prior to the issuance of the Second Lien Parity Bonds in each Fiscal Year in which there was to be any Aggregate Senior Lien Debt Service or Aggregate Second Lien Debt Service on those prior Outstanding Senior Lien Bonds or Second Lien Bonds.

(c) Other obligations, including Subordinate Lien Obligations, may be issued payable from Net Revenues Available for Bonds on a basis subordinate to the Second Lien Bonds.

Section 6.6. Against Pledge of Second Lien Bond Revenues. The City shall not hereafter issue any bonds, notes, or other evidences of indebtedness secured by the pledge contained in Section 2.2 of this Indenture, other than Second Lien Parity Bonds, and shall not create or cause to be created any lien or charge on Net Revenues Available for Bonds, or on any amounts pledged for the benefit of Owners of 2006B Second Lien Bonds under this Indenture, other than the pledge contained in Section 2.2 of this Indenture, provided that neither this Section nor any other provision of this Indenture shall prevent the City from (a) issuing Senior Lien Bonds, (b) issuing bonds, notes or other evidences of indebtedness payable out of, or secured by a pledge of Net Revenues Available for Bonds to be derived on and after such date as the pledge contained in Section 2.2 of this Indenture shall be discharged and satisfied as provided in Section 9.1, (c) issuing bonds, notes or other evidences of indebtedness which are payable out of, or secured by the pledge of amounts which may be withdrawn from or secured by the Second Lien Bonds Account so long as such pledge is expressly junior and subordinate to the pledge contained in Section 2.2 of this Indenture or (d) issuing Subordinate Lien Obligations.

Section 6.7. Repairs, Replacements, Additions, Betterments. The City from time to time will make all necessary and proper repairs, replacements, additions and betterments to the Sewer System so that the Sewer System may at all times be operated efficiently, economically and properly. When any necessary equipment or facility shall have been worn out, destroyed or otherwise is insufficient for proper use, it shall be promptly replaced so that the value and efficiency of the Sewer System shall be at all times fully maintained.

Section 6.8. Control and Operation of Sewer System. The City will establish such rules and regulations for the control and operation of the Sewer System as are necessary for the safe, lawful, efficient and economical operation of the Sewer System.

Section 6.9. Indenture to Constitute Contract. In consideration of the purchase and acceptance of the 2006B Second Lien Bonds by the Owners from time to time of such 2006B Second Lien Bonds, the provisions of this Indenture shall constitute a contract among the City, the Trustee and the Owners from time to time of the 2006B Second Lien Bonds.

Section 6.10. Performance of Covenants; Authority. The City shall faithfully perform at all times to the extent applicable to the City any and all covenants, undertakings, stipulations and provisions contained in the Series 2006 Bond Ordinance, this Indenture, in any and every 2006B Second Lien Bond executed, authenticated and delivered under this Indenture, and in all proceedings pertaining to this Indenture.

Section 6.11. Arbitrage and Tax Exemption Covenants.

(a) The City will not direct or permit any action which (or fail to take any action the failure of which) would cause any 2006B Second Lien Bond to be an "arbitrage bond" within the meaning of the Code, and the regulations under the Code as promulgated and as amended from time to time and as applicable to the 2006B Second Lien Bonds.

(b) The covenants and agreements of the City set forth in this Section 6.11 shall apply as long as any of the 2006B Second Lien Bonds continue to bear interest (whether or not they are Outstanding Bonds within the meaning of this Indenture) and shall also apply after the 2006B Second Lien Bonds cease to bear interest but only within such subsequent period as shall be required for the City to comply with the covenants of this Section 6.11.

(c) The City (i) will take all actions that are necessary to be taken (and avoid taking any action that it is necessary to avoid being taken) so that interest on the 2006B Second Lien Bonds will not be or become subject to federal income taxation under present law, and (ii) will take all actions reasonably within its power to take that are necessary to be taken (and avoid taking any actions that are reasonably within its power to avoid taking and that it is necessary to avoid) so that interest on the 2006B Second Lien Bonds will not be or become includible in gross income for federal income tax purposes under the federal income tax laws as in effect from time to time.

(d) The City will, without limitation, (i) to the extent required by the Code and applicable regulations, restrict the yield on investments of amounts received upon the sale of the 2006B Second Lien Bonds and other amounts, and (ii) timely rebate to the United States of America certain amounts that may be received as interest or other investment earnings on accounts of the Sewer Revenue Fund, all as shall be necessary to comply with this Section. The City shall also make or cause to be made identifiable investments of amounts allocable to the 2006B Second Lien Bonds as shall be necessary or appropriate to be able to ascertain the amounts that may be required so to be rebated to the United States of America. The City shall from time to time determine the amounts in accounts of the Sewer Revenue Fund that shall be subject so to be rebated and those amounts from time to time shall be held by the City in a rebate account for the 2006B Second Lien Bonds and shall be rebated to the United States of America

in the amounts and at the times as required. Such amounts so subject from time to time so to be rebated shall not be available for the other purposes for which the Sewer Revenue Fund and its accounts and sub-accounts established by this Indenture may be applied, and, for purposes of computing the balance in the Sewer Revenue Fund and such various accounts shall be disregarded.

(e) The City will not take any of the following actions without in each such event obtaining the Opinion of Bond Counsel (which may represent the City from time to time in other matters) that such action will not contravene any covenant of this Indenture and will not make compliance with those covenants impossible: (i) defease any 2006B Second Lien Bonds; (ii) sell, lease or otherwise dispose of any material portion of the Sewer System; (iii) enter into or amend any short-term or long-term contract for sewer service by the City other than pursuant to general rates charged to the general public; or (iv) enter into or amend any contract or arrangement for persons other than its employees to manage the Sewer System.

(f) The provisions of this Section 6.11 shall not be interpreted to impose upon the City any obligation to redeem or to purchase any 2006B Second Lien Bonds other than with proceeds or other amounts available under this Indenture.

Section 6.12. Owner Remedy. Any Owner of a 2006B Second Lien Bond may proceed by civil action to compel performance of all duties required by this Indenture, including the establishment and collection of sufficient fees, charges and rates for services supplied by the Sewer System, and the application of Gross Revenues as provided by this Indenture. Subject to Section 3.5 hereof, the Insurer shall be treated as an Owner of the 2006B Second Lien Bonds for purposes of exercising remedies under this Indenture, and the Insurer is entitled to all rights and remedies granted to the Owners of the 2006B Second Lien Bonds and the Trustee under this Indenture.

ARTICLE VII

APPOINTMENT AND DUTIES OF TRUSTEE

Section 7.1. Appointment of Trustee. The City appoints [TRUSTEE], Chicago, Illinois, as Trustee, for the purposes and upon the express terms and conditions set forth in this Indenture. The acceptance by the Trustee shall be evidenced by its execution and delivery of this Indenture. The City by its delivery and the Bondholders by their acceptance of delivery of any of the 2006B Second Lien Bonds agree to the terms set forth in this Indenture.

Section 7.2. No Responsibility for Recitals. The recitals, statements and representations contained in this Indenture or in the 2006B Second Lien Bonds, except for the Trustee's authentication upon the 2006B Second Lien Bonds, shall be taken and construed as made by and on the part of the City, and not by the Trustee, and the Trustee does not assume, and shall not have, any responsibility or obligation for the correctness of this Indenture. Nothing contained in this Section 7.2 shall limit the responsibilities of the Trustee expressly set forth in this Indenture.

Section 7.3. Limitations on Liability. The Trustee may execute any of the trusts or powers of this Indenture and perform the duties required under this Indenture by or through

attorneys, agents or receivers, and shall be entitled to, and may rely upon, written advice of counsel concerning all matters of trust and duty under this Indenture, and the Trustee shall not be answerable for the negligence or misconduct of any such attorney or agent selected with reasonable care. The Trustee need perform only those duties that are specifically set forth in this Indenture and no others. The Trustee shall not be answerable for the exercise of any discretion or power under this Indenture or for anything whatsoever in connection with the trust created by this Indenture, except only for its own negligence or bad faith. The Trustee shall not be accountable for the use or application of the proceeds of any of the 2006B Second Lien Bonds issued under this Indenture.

Section 7.4. Compensation, Expenses and Advances. The Trustee shall be entitled to reasonable compensation for its services rendered under this Indenture (not limited by any provision of law in regard to the compensation of the Trustee of an express trust) and to reimbursement for its actual out-of-pocket expenses (including the reasonable compensation and the expenses and disbursements of its agents and counsel) reasonably incurred in connection therewith except for such expenses incurred as a result of its negligence or bad faith. The City shall have the right to contest in good faith any fees or expenses of the Trustee without creating a default under this Indenture.

Section 7.5. Good Faith Reliance. The Trustee in the absence of bad faith on its part shall be protected and shall incur no liability in acting upon any resolution, notice, telegram, request, consent, waiver, certificate, statement, affidavit, voucher, bond, requisition or other paper or document or telephonic notice (where authorized by this Indenture) which it shall believe to be genuine and to have been passed or signed by the proper board, body or person or to have been prepared and furnished pursuant to any of the provisions of this Indenture, or upon the written opinion of any attorney, engineer, accountant or other expert, and the Trustee shall be under no duty to make any investigation or inquiry as to any statements contained or matters referred to in any such instrument, but may accept and rely upon the same as conclusive evidence of the truth and accuracy of such statements; provided that the Trustee shall not be so protected if the Trustee has actual knowledge with respect to such matters to the contrary.

The Trustee shall not be bound to recognize any person as an Owner of 2006B Second Lien Bonds or to take any action at the request of such person unless satisfactory evidence of the ownership of such 2006B Second Lien Bond shall be furnished to the Trustee.

Any request or direction of the City as provided in this Indenture shall be sufficiently evidenced by, and the Trustee may conclusively rely upon, a written instrument from the City signed by the Authorized Officer or any person designated to sign on behalf of the Authorized Officer. As to any fact or circumstance concerning which the Trustee requests verification, the Trustee may conclusively rely upon a certificate signed by the Authorized Officer or any person designated to sign on behalf of the Authorized Officer.

Section 7.6. Dealings in 2006B Second Lien Bonds and with City. The Trustee may buy, sell, own, hold and deal in any of the 2006B Second Lien Bonds issued under this Indenture for its own account or that of any other person, and may join in any action which any Bondholder may be entitled to take with like effect as if it did not act in any capacity under this Indenture. The Trustee, either as principal or agent, also may engage in or be interested in any financial or other transaction with the City and may act as depository, trustee or agent for any

committee or body of Bondholders secured by this Indenture or other obligations of the City as freely as if it did not act in any capacity under this Indenture.

Section 7.7. Resignation of Trustee. The Trustee may resign and be discharged of the trusts created by this Indenture by executing an instrument in writing resigning such trusts and specifying the date when such resignation shall take effect, and filing the same with the City, not fewer than 45 days before the date specified in such instrument when such resignation shall take effect, and by giving Notice by Mail of such resignation, not fewer than 21 days prior to such resignation date, to the Owners of Outstanding 2006B Second Lien Bonds. Such resignation shall take effect on the day specified in such instrument and notice, but only if a successor Trustee shall have been appointed and shall have accepted the duties of the Trustee set forth as in this Indenture. If the successor Trustee shall not have been appointed within a period of 90 days following the giving of such notice, then the Trustee shall be authorized to petition any court of competent jurisdiction to appoint a successor Trustee as provided in Section 7.11 of this Indenture.

Section 7.8. Removal of Trustee. The Trustee may be removed by the City at any time by filing with the Trustee an instrument or instruments in writing executed by the City, appointing a successor. Such removal shall be effective 30 days (or such longer period as may be set forth in such instrument) after delivery of the instrument; provided that no such removal shall be effective until the successor Trustee appointed under this Indenture shall execute, acknowledge and deliver to the City an instrument accepting such appointment under this Indenture.

Section 7.9. Appointment of Successor Trustee. If at any time the Trustee shall be removed, or be dissolved, or if its property or affairs shall be taken under the control of any state or federal court or administrative body because of insolvency or bankruptcy, or for any other reason, then a vacancy shall immediately and *ipso facto* exist in the office of the Trustee and a successor may be appointed, and if the Trustee shall resign, then a successor may be appointed by the City. After any appointment by the City, it shall cause notice of such appointment to be given to the predecessor Trustee and the successor Trustee, and shall cause Notice by Mail to be given to all Bondholders. No such appointment shall be effective until the successor Trustee shall have accepted such appointment.

Section 7.10. Qualifications of Successor Trustee. Every successor Trustee shall be a commercial bank with trust powers or a trust company (a) duly organized under the laws of the United States or any state or territory of the United States, (b) authorized by law to perform all the duties imposed upon it by this Indenture and the laws of the State, and (c) capable of meeting its obligations under this Indenture.

Section 7.11. Judicial Appointment of Successor Trustee. If the Trustee resigns and no appointment of a successor Trustee is made pursuant to the foregoing provisions of this Indenture prior to the date specified in the notice of resignation as the date when such resignation is to take effect, the retiring Trustee may immediately apply to a court of competent jurisdiction for the appointment of a successor Trustee. Such court may thereupon, after such notice, if any, as it may deem proper and prescribe, appoint a successor Trustee meeting the qualifications set forth in Section 7.10 of this Indenture.

Section 7.12. Acceptance of Trusts by Successor Trustee. In order to evidence the acceptance of the position of Trustee under this Indenture, any successor Trustee appointed under this Indenture shall execute, acknowledge and deliver to the City an instrument accepting such appointment under this Indenture, and thereupon such successor Trustee, without any further act, deed or conveyance, shall become duly vested with all the estates, property, rights, powers, trusts, duties and obligations of its predecessor in the trust under this Indenture, with like effect as if originally named Trustee in this Indenture. Upon request of such Trustee, such predecessor Trustee and the City shall execute and deliver an instrument transferring to such successor Trustee all the estates, property, rights, powers and trusts under this Indenture of such predecessor Trustee and, subject to the provisions of Section 7.4 of this Indenture, such predecessor Trustee shall pay over and deliver to the successor Trustee all moneys and other assets at the time held by it under this Indenture.

Section 7.13. Successor by Merger or Consolidation. Any corporation into which any Trustee under this Indenture may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger or consolidation to which any Trustee under this Indenture shall be a party, or any company to which all or substantially all of the corporate trust business of the Trustee may be sold or transferred, shall be the successor Trustee under this Indenture, without the execution or filing of any paper or any further act on the part of the parties to this Indenture, anything in this Indenture to the contrary notwithstanding.

Section 7.14. Standard of Care; Action by Trustee. Notwithstanding any other provisions of this Indenture, the Trustee shall exercise such of the rights and powers vested in it by this Indenture and use the same degree of skill and care in its exercise as a prudent person would use and exercise under the circumstances in the conduct of his or her own affairs; provided that the Trustee shall be under no obligation to take any action in respect of the execution or enforcement of any of the trusts created by this Indenture, or to institute, appear in or defend any suit or other proceeding in connection with such execution or enforcement, unless requested in writing so to do by Bondholders of at least a majority in aggregate principal amount of the 2006B Second Lien Bonds then Outstanding, and, if in its opinion such action may tend to involve it in expense or liability, unless furnished from time to time as often as it may require, with security and indemnity satisfactory to it; but the foregoing provision is intended only for the protection of the Trustee.

Except as otherwise provided in this Indenture, the Trustee need perform only those duties that are specifically set forth in this Indenture and no others. Nothing in this Section 7.14 shall permit the Trustee to delay the exercise of any mandatory power or direction under this Indenture.

Section 7.15. Duties of the Trustee. The Trustee covenants and agrees:

(a) to keep such books and records as shall be consistent with prudent industry practice, and to make such books and records available for inspection by the City at all reasonable times; and

(b) to provide such information and reports to the Authorized Officer as shall be reasonably requested by the Authorized Officer

AMENDMENTS TO THIS INDENTURE

Section 8.1. Limitations on Amendments to this Indenture. This Indenture shall not be modified or amended in any respect subsequent to the issuance of the 2006B Second Lien Bonds except as provided in and in accordance with and subject to the provisions of this Article VIII.

Section 8.2. Amendments Without Bondholder Consent.

(a) The City and the Trustee may, from time to time and at any time, without the consent of or notice to the Bondholders, amend this Indenture as follows:

(i) to cure any formal defect, omission, inconsistency or ambiguity in this Indenture;

(ii) to provide limitations and restrictions in addition to the limitations and restrictions contained in this Indenture on, the issuance of Second Lien Parity Bonds or other evidences of indebtedness;

(iii) to grant to or confer or impose upon the Trustee for the benefit of the Bondholders any additional rights, remedies, powers, authority, security, liabilities or duties which may lawfully be granted, conferred or imposed and which are not contrary to or inconsistent with this Indenture as to heretofore in effect, provided that no such additional liabilities or duties shall be imposed upon the Trustee without its consent;

(iv) to add to the covenants and agreements of, and limitations and restrictions upon the City in this Indenture, other covenants, agreements, limitations and restrictions to be observed by the City which are not contrary to or inconsistent with this Indenture;

(v) to confirm, as further assurance, any pledge under, and the subjection to any claim, lien or pledge created or to be created by, this Indenture, or of any moneys, securities or funds;

(vi) to authorize a different denomination or denominations of the 2006B Second Lien Bonds and to make correlative amendments and modifications to this Indenture regarding exchangeability of 2006B Second Lien Bonds of different denominations and similar amendments and modifications of a technical nature;

(vii) to comply with any applicable requirements of the Trust Indenture Act of 1939, as from time to time amended; or

(viii) to modify, alter, amend or supplement this Indenture in any other respect which is not materially adverse to the Bondholders and which does not involve a change described in clause (i), (ii) or (iii) of Section 8.3(a) of this Indenture and which, in the judgment of the Trustee (which may rely upon an Opinion of Bond Counsel), is not to the material prejudice of the Trustee.

(b) Before the City and the Trustee shall amend this Indenture pursuant to this Section 8.2, there shall have been delivered to the Trustee an Opinion of Bond Counsel stating that such amendment is authorized or permitted by this Indenture, complies with the terms of this Indenture, will, upon the adoption of this Indenture, be valid and binding upon the City in accordance with its terms and will not adversely affect the exclusion of interest on any 2006B Second Lien Bonds from the gross income of the owners of 2006B Second Lien Bonds for federal income tax purposes under the Code, and the Trustee may rely conclusively upon such opinion as to such matters.

(c) The City shall notify the Insurer of any amendments entered into pursuant to this Section 8.2.

Section 8.3. Amendments with Bondholder Consent.

(a) Except for any amendment adopted pursuant to Section 8.2 of this Indenture, subject to the terms and provisions contained in this Section and not otherwise, the City and the Trustee may, from time to time, with the written consent of the Insurer and with the consent of Bondholders of more than 50 percent in aggregate principal amount of the 2006B Second Lien Bonds then Outstanding (excluding therefrom any 2006B Second Lien Bonds then owned by the City), enter into any Supplemental Indenture deemed necessary or desirable by the City for the purposes of modifying, altering, amending, supplementing or rescinding, in any particular, any of the terms or provisions contained in this Indenture; provided that, unless approved in writing by the Owners of all the 2006B Second Lien Bonds then Outstanding, nothing in this Indenture shall permit, or be construed as permitting: (i) a change in the times, amounts or currency of payment of the principal of or interest on any Outstanding 2006B Second Lien Bond, or a reduction in the principal amount of any Outstanding 2006B Second Lien Bond or the rate of interest on such 2006B Second Lien Bonds, or (ii) a preference or priority of any 2006B Second Lien Bond or 2006B Second Lien Bonds over any other 2006B Second Lien Bond or 2006B Second Lien Bonds, or (iii) a reduction in the aggregate principal amount of 2006B Second Lien Bonds, the consent of the Owners of which is required for any such amendment.

(b) If at any time the City shall propose to enter into any Supplemental Indenture for any of the purposes of the Section, the Trustee shall cause Notice by Mail of the proposed Supplemental Indenture to be given to all Bondholders owning Outstanding 2006B Second Lien Bonds. Such notice shall briefly set forth the nature of the proposed Supplemental Indenture and shall state that a copy of this Indenture is on file at the Principal Office of the Trustee for inspection by all Bondholders.

(c) Within six months after the date of the first mailing of such notice, the City and the Trustee may enter into such Supplemental Indenture in substantially the form described in such notice, but only if there shall have first been delivered to the Trustee (i) the required consents, in writing, of the Bondholders and the Insurer, and (ii) an Opinion of Bond Counsel stating that such Supplemental Indenture is authorized or permitted by this Indenture, complies with the terms of this Indenture and, upon the execution and delivery of this Indenture, will be valid and binding upon the City in accordance with its terms and will not adversely affect the exclusion of interest on any 2006B Second Lien Bonds entitled to such exclusion from the gross income of the owners of the 2006B Second Lien Bonds for federal income tax purposes under the Code. The Trustee may rely conclusively upon such opinion as to such matters.

(d) If Owners of not less than the percentage of 2006B Second Lien Bonds required by this Section shall have consented to and approved the execution and delivery of a Supplemental Indenture as provided in this Indenture, no Bondholder shall have any right to object to the execution and delivery of such Supplemental Indenture, or to object to any of the terms and provisions contained in such Supplemental Indenture or the operation of such Supplemental Indenture, or in any manner question the propriety of the execution and delivery of such Supplemental Indenture, or to enjoin or restrain the City or the Trustee from executing and delivering the same or from taking any action pursuant to the provisions of such Supplemental Indenture.

(e) Notwithstanding anything herein to the contrary and pursuant to Section 3.2 hereof, the consent of the Insurer to any amendment or Supplemental Indenture described in this Section 8.3 shall be sufficient, and no consent of Bondholders shall be required.

Section 8.4. Effect of Supplemental Indenture. Upon the execution and delivery of any Supplemental Indenture pursuant to the provisions of this Indenture, this Indenture shall be and be deemed to be, modified and amended in accordance therewith, and the respective rights, duties and obligations under this Indenture of the City, the Trustee and all Bondholders owning 2006B Second Lien Bonds then Outstanding shall thereafter be determined, exercised and enforced under this Indenture subject in all respects to such modifications and amendments.

ARTICLE IX

MISCELLANEOUS SECTION

Section 9.1. Defeasance.

(a) If the City shall pay or cause to be paid to the Owners of all Outstanding 2006B Second Lien Bonds, the principal or and interest to become due on the 2006B Second Lien Bonds, at the times and in the manner stipulated in the 2006B Second Lien Bonds and in this Indenture, then the pledge of any moneys, securities, funds and property pledged by this Indenture and all other rights granted by this Indenture shall be discharged and satisfied. In such event, the Trustee shall, upon the request of the City, execute and deliver to the City all such instruments as may be desirable to evidence such discharge and satisfaction, and the Trustee shall pay over or deliver all moneys or securities held by it pursuant to this Indenture which are not required for the payment of 2006B Second Lien Bonds theretofore surrendered for such payment. If the City shall pay or cause to be paid, or there shall otherwise be paid, to the Owners of any Outstanding 2006B Second Lien Bonds the principal of and interest due or to become due on such 2006B Second Lien Bonds, at the times and in the manner stipulated in the 2006B Second Lien Bonds and in this Indenture, such 2006B Second Lien Bonds shall cease to be entitled to any benefit or security under this Indenture and all covenants, agreements and obligations of the City to the Owners of such 2006B Second Lien Bonds shall thereupon cease, terminate and become void and be discharged and satisfied.

(b) Outstanding 2006B Second Lien Bonds shall, prior to the maturity of such 2006B Second Lien Bonds, be deemed to have been paid as meant and with the effect expressed in paragraph (a) of this Section if: (i) there shall have been deposited with or held by the Trustee or any escrow agent either moneys in an amount which shall be sufficient, or noncallable,

nonprepayable Defeasance Obligations the principal of and the interest on which when due will provide moneys which, together with the moneys, if any, deposited with or held by the Trustee or escrow agent at the same time, shall be sufficient to pay when due the principal of and interest due and to become due on said 2006B Second Lien Bonds on and prior to the maturity date of such 2006B Second Lien Bonds, as the case may be, as certified by an independent certified public accountant acceptable to the Trustee, provided that such certification may be made by the Trustee, escrow agent or an investment banking firm in connection with a current refunding, and (ii) if any 2006B Second Lien Bonds do not mature within the next succeeding 60 days, the City shall have given the Trustee or escrow agent in form satisfactory to it irrevocable instructions to provide Notice by Mail, as soon as practicable, to the Owners of such 2006B Second Lien Bonds that the deposit required by clause (i) above has been made with the Trustee or escrow agent and that said 2006B Second Lien Bonds are deemed to have been paid in accordance with this Section and stating such maturity upon which moneys are to be available for the payment of the principal of and interest on said 2006B Second Lien Bonds. Neither Defeasance Obligations nor moneys deposited with the Trustee or escrow agent pursuant to this Section nor principal or interest payments on any such Defeasance Obligations shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal of and interest on said 2006B Second Lien Bonds, and such 2006B Second Lien Bonds not so defeased shall have no right to such moneys and Defeasance Obligations; but any cash received from such principal or interest payments on such Defeasance Obligations deposited with the Trustee or escrow agent, if not then needed for such purpose, shall to the extent practicable, be reinvested in Defeasance Obligations maturing at times and in amounts sufficient to pay when due the principal of and interest to become due on said 2006B Second Lien Bonds on and prior to maturity date of such 2006B Second Lien Bonds, as the case may be, and interest earned from such reinvestments shall be paid over to the City free and clear of any trust, lien or pledge.

(c) Nothing in this Indenture shall prohibit any deposit of Defeasance Obligations, as provided in paragraph (b) above, from being subject to a subsequent sale of such Defeasance Obligations and reinvestment of all or a portion of the proceeds of that sale in Defeasance Obligations which, together with money to remain so held in trust with the Trustee or escrow agent, shall be sufficient to provide for the payment of the principal of and interest on any 2006B Second Lien Bonds deemed to have been paid as provided in paragraph (b) above. Amounts held by the Trustee or escrow agent in excess of the amounts needed so to provide for the payment of such 2006B Second Lien Bonds may be subject to withdrawal by the City for deposit in the Sewer Revenue Fund.

(d) Notwithstanding anything herein to the contrary, in the event that the principal and/or interest due on the 2006B Second Lien Bonds shall be paid by the Insurer pursuant to the Insurance Policy, the 2006B Second Lien Bonds shall remain Outstanding for all purposes, not be defeased or otherwise satisfied and not be considered paid by the City, and the assignment and pledge of the Trust Estate and all covenants, agreements and other obligations of the City to the Owners shall continue to exist and shall run to the benefit of the Insurer and the Insurer shall be subrogated to the rights of such Owners.

(e) Any defeasance made pursuant to this Section 9.1 must be consented to by the Insurer unless the Insurer is provided with the certification set forth in Section 9.1(b)(i) above

and an Opinion of Counsel that all conditions precedent to the satisfaction and discharge of this Indenture with respect to the 2006B Second Lien Bonds being so defeased have been met.

(f) There shall be no defeasance of 2006 Second Lien Bonds unless all amounts owed to the Insurer have been paid.

Section 9.2. Parties in Interest. Except as otherwise specifically provided in this Indenture, nothing in this Indenture expressed or implied is intended or shall be construed to confer upon or to give or grant to any person, or entity other than the City, the Trustee, the Insurer and the Bondholders any right, remedy or claim under or by reason of this Indenture, or as any covenant, condition or stipulation hereof, and all covenants, stipulations, promises, and agreements in this Indenture contained by and on behalf of the City shall be for the sole and exclusive benefit of the City, the Trustee, the Insurer and the Bondholders.

Section 9.3. Severability. If any one or more of the provisions of this Indenture or of the 2006B Second Lien Bonds issued under this Indenture shall, for any reason be held to be illegal or invalid, such illegality or invalidity shall not affect any other provisions of this Indenture or such 2006B Second Lien Bonds, and this Indenture and such 2006B Second Lien Bonds shall be construed and enforced as if such illegal or invalid provision or provisions had not been contained in this Indenture or such 2006B Second Lien Bonds.

Section 9.4. No Personal Liability of Officials of City. No covenant or agreement contained in the 2006B Second Lien Bonds or in this Indenture shall be deemed to be the covenant or agreement of any official, officer, agent or employee of the City in his or her individual capacity, and neither the members of the City Council nor any official executing the 2006B Second Lien Bonds shall be liable personally on the 2006B Second Lien Bonds or this Indenture, or be subject to any personal liability or accountability by reason of the issuance of the 2006B Second Lien Bonds or the execution and delivery of the 2006B Second Lien Bonds or this Indenture.

Section 9.5. Counterparts. This Indenture may be executed in any number of counterparts, each of which, when so executed and delivered, shall be an original; but such counterparts shall together constitute but one and the same Indenture.

Section 9.6. Governing Law. The laws of the State shall govern the construction and enforcement of this Indenture and of all 2006B Second Lien Bonds issued under this Indenture.

Section 9.7. Notices. Except as otherwise provided in this Indenture, all notices, certificates, requests, requisitions or other communications by the City, the Trustee or the Insurer pursuant to this Indenture shall be in writing and shall be sufficiently given and shall be deemed given when sent by facsimile, followed by hard copy mailed by first class mail, postage prepaid, addressed as follows: if to the City, at the City Comptroller's Office, Department of Finance, 33 North LaSalle Street, 6th Floor, Chicago, Illinois 60602, Attention: City Comptroller; if to the Trustee, at One West Monroe Street, Chicago, Illinois 60603, Attention: Corporate Trust Department; and if to the Insurer, at 113 King Street, Armonk, New York 10504, Attention: Insured Portfolio Management. Any of the foregoing may, by notice given under this Indenture to each of the others, designate any further or different addresses to which subsequent notices,

certificates, requests or other communications shall be sent under this Indenture, including without limitation, telephonic, facsimile or other similar forms of notice.

Section 9.8. Business Days and Times. If the date for making any payment or the last date for performance of any act or the exercising of any right, as provided in this Indenture, shall not be a Business Day, such payment may be made or act performed or right exercised on the next succeeding Business Day, with the same force and effect as if done on the nominal date provided in this Indenture, and no interest shall accrue for the period after such nominal date.

Section 9.9. Partial Validity. If any section, paragraph, clause or provision of this Indenture shall be held invalid, the invalidity of such section, paragraph, clause or provisions shall not affect any of the other provisions of this Indenture.

IN WITNESS WHEREOF, the City of Chicago has caused this Indenture to be executed by its City Comptroller, attested by its City Clerk and its corporate seal to be affixed to this Indenture; and the Trustee has caused this Indenture to be executed by one of its Authorized Officers, all as of the day and year first above written.

such Rate Period which shall be designated by the Remarketing Agent pursuant to Section 2.6(k), 4.1(d) or 4.2(b) hereof, and during which the Series 2006A Second Lien Bonds which bear interest during such Adjustment Period bear interest at the Term Rate.

"Weekly Rate" means, for each Rate Period during any Weekly Mode, the rate of interest established pursuant to Section 2.6(i) hereof equal to the lowest interest rate which, in the judgment of the Remarketing Agent, would enable such Series 2006A Second Lien Bond to be remarketed at the principal amount thereof, plus accrued interest thereon, if any, on the Rate Change Date for such Rate Period.

"Winning Bid Rate" means, if Sufficient Clearing Bids exist, the lowest rate specified in Submitted Bids such that if: (i) each Submitted Bid from Existing Owners specifying such lowest rate and all other Submitted Bids from Existing Owners specifying lower rates were accepted, thus entitling such Existing Owners to continue to hold the principal amount of ARS Bonds subject to such Submitted Bids, and (ii) each Submitted Bid from Potential Owners specifying such lowest rate and all other Submitted Bids from Potential Owners specifying lower rates were accepted, then the Existing Owners described in clause (i) would continue to hold an amount of outstanding ARS Bonds which, when added to the amount of outstanding ARS Bonds to be purchased by Potential Owners described in clause (ii), would be equal to not less than the Available Bonds of such Sub-series.

(d) The principal and purchase price of, premium, if any, and interest on the Series 2006A Second Lien Bonds shall be payable in any coin or currency of the United States of America which, at the respective dates of payment thereof, is legal tender for the payment of public and private debts.

Payment of interest on Bank Bonds shall be made to the Bank by wire transfer on each Interest Payment Date at the wire transfer address specified in the Liquidity Agreement (or such other wire transfer address as is specified by the Bank in writing from time to time).

(g) The net proceeds of the Series 2006A Second Lien Bonds, upon receipt, shall be applied as provided in Article V hereof.

(h) *Interest Rate Determination Methods.* The Series 2006A Second Lien Bonds shall bear interest from and including the date of issuance until payment of the principal or redemption price thereof shall have been made or provided for in accordance with the provisions hereof, whether at the Maturity Date, upon redemption, or otherwise. The Series 2006A Second Lien Bonds shall be initially issued in the Weekly Mode and thereafter shall continue to bear interest at the Weekly Rate until and unless converted in whole or in part to a different Interest Mode as provided in Section 4.1, 4.2 or 4.3 hereof.

Interest accrued on the Series 2006A Second Lien Bonds during each Rate Period shall be paid in arrears on each Interest Payment Date. Interest on the Series 2006A Second Lien Bonds shall be computed (i) during any Short Mode upon the basis of a 365- or 366-day year, as applicable, for the number of days actually elapsed, (ii) during a Term Rate Mode or Fixed Mode, upon the basis of a 360-day year comprised of twelve 30-day months, (iii) during an Auction Rate Mode, (x) for Auction Periods other than Special Auction Periods of more than 180 days, upon the basis of a 360-day year and the actual number of days elapsed, and (y) for Special Auction Periods of more than 180 days, upon the basis of a 360-day year consisting of twelve 30-day months, and (iv) with respect to Bank Bonds, upon the basis of a 365/366-day year and the actual number of days elapsed. Each Bank Bond shall bear interest at the Bank Rate. At no time shall the Series 2006A Second Lien Bonds (including Bank Bonds) bear interest at a rate higher than the Maximum Interest Rate and at no time shall Series 2006A Second Lien Bonds entitled to the benefit of a Liquidity Facility bear interest at a rate higher than the Interest Coverage Rate. No Rate Period shall be established during a Flexible Mode which extends beyond the Business Day preceding the Stated Termination Date.

(i) *Weekly Mode.*

(i) For each Rate Period during any Weekly Mode, Series 2006A Second Lien Bonds in such Interest Mode shall bear interest beginning on the Rate Change Date at the Weekly Rate determined on the Rate Determination Date in the following manner for each such Rate Period. No later than 3:00 p.m., Chicago time, on the Rate Determination Date for each such Rate Period, the Remarketing Agent will determine the Weekly Rate and will give electronic notice or telephonic notice (confirmed by telecopy) to the Trustee of the Weekly Rate by 1:00 p.m., Chicago time, on the following Rate Change Date. Except on an Adjustment Date, in the event that the Weekly Rate is not determined by the Remarketing Agent on a Rate Determination Date, the rate of interest borne by the Series 2006A Second Lien Bonds bearing interest at a Weekly Rate shall be equal to the BMA Municipal Index until the Remarketing Agent next determines the Weekly Rate as required hereunder.

(ii) If at any time the Remarketing Agent shall determine that, in its judgment, the scheduled Rate Determination Dates or Rate Change Dates during a Weekly Mode have become inappropriate (taking into account general market practice with respect to periodic adjustment of rates on instruments comparable to the Series 2006A Second Lien Bonds bearing interest at the Weekly Rate, whether based upon the time of compilation or reporting of any interest rate or financial index or indicator or otherwise), the Remarketing Agent may, after consultation with the City, designate new scheduled Rate Determination Dates and/or Rate Change Dates, to remain in effect until another redetermination of scheduled Rate Determination Dates or Rate Change Dates in accordance with this subparagraph. The Remarketing Agent shall give written notice of any change in scheduled Rate Determination Dates and/or Rate Change Dates during a Weekly Mode to the City, the Trustee, the Trustee's Agent, the Bank and the Bond Insurer, and such change shall become effective on the first scheduled Rate

Determination Date or Rate Change Date, as the case may be, so designated occurring not less than 14 days following the giving of such notice. Promptly upon receipt of such notice, the Trustee shall notify or cause the Remarketing Agent to notify each affected Owner of such change in writing.

(j) *Flexible Mode.*

(i) For each Rate Period during any Flexible Mode, each Series 2006A Second Lien Bond which will bear interest at a Flexible Rate for such Rate Period shall bear interest beginning on the Rate Change Date at the Flexible Rate determined on the Rate Determination Date in the following manner for each such Rate Period. No later than 11:00 a.m., Chicago time, on the Rate Determination Date for a Series 2006A Second Lien Bond bearing interest at the Flexible Rate, the Remarketing Agent will determine, and is required to give electronic notice or telephonic notice (confirmed by telecopy) to the Trustee of, (a) the duration of the Rate Period for such Series 2006A Second Lien Bond by specifying the succeeding Rate Change Date (which shall also be the succeeding Rate Determination Date) for such Series 2006A Second Lien Bond which Rate Change Date shall (i) be no later than the Business Day prior to the Stated Termination Date, and (ii) not extend beyond the number of days of interest coverage provided by the then-current Liquidity Facility, in either case if a Liquidity Facility is required to be in place, and (b) the Flexible Rate applicable to such Series 2006A Second Lien Bonds bearing interest at the Flexible Rate during such Rate Period. The last day of such Rate Period must be a Business Day and the day next succeeding such Business Day must also be a Business Day. No Rate Period during any Flexible Mode shall extend beyond January 1 of any year unless Series 2006A Second Lien Bonds in an aggregate principal amount equal to the mandatory sinking fund redemption requirement on January 1 of such year shall remain Outstanding and callable for redemption or subject to purchase in lieu of redemption on such January 1. Except on an Adjustment Date, in the event that the Flexible Rate for any Series 2006A Second Lien Bond is not determined by the Remarketing Agent on any Rate Determination Date, such Series 2006A Second Lien Bond shall bear interest at a Flexible Rate equal to the BMA Municipal Index for a Rate Period of the shortest possible duration until the Remarketing Agent next determines the Flexible Rate, as required hereunder.

(ii) The Remarketing Agent shall determine the duration of Rate Periods during a Flexible Mode as will, in the judgment of the Remarketing Agent, result in the lowest aggregate cost being payable by the City with respect to the Series 2006A Second Lien Bonds bearing interest at Flexible Rates, taking into account interest and any other determinable fees and expenses. The Remarketing Agent may establish different Rate Periods on the same Rate Change Date for Series 2006A Second Lien Bonds in the Flexible Mode in order to achieve an average duration of Rate Periods that, in the judgment of the Remarketing Agent, is most likely to achieve the lowest total aggregate cost being payable by the City with respect to such Series 2006A Second Lien Bonds, taking into account interest and any other determinable fees and expenses. The

Remarketing Agent's determination shall be based upon the market for, and the relative yields of, the Series 2006A Second Lien Bonds and other securities that bear interest at variable rates or at fixed rates that, in the judgment of the Remarketing Agent, are otherwise comparable to the Series 2006A Second Lien Bonds, or any fact or circumstance relating to the Series 2006A Second Lien Bonds, affecting the market for the Series 2006A Second Lien Bonds or affecting such other comparable securities in a manner that, in the judgment of the Remarketing Agent, will affect the market for the Series 2006A Second Lien Bonds. The Remarketing Agent's determination shall be conclusive and binding upon all parties. Except on an Adjustment Date, in the event that the Rate Period for any Series 2006A Second Lien Bond in a Flexible Mode is not determined by the Remarketing Agent as provided in this clause, the Rate Period for such Series 2006A Second Lien Bond shall be a Rate Period of the shortest possible duration.

(k) *Term Rate Mode.*

(i) For each Rate Period during any Term Rate Mode, each Series 2006A Second Lien Bond which will bear interest at a Term Rate for such Rate Period shall bear interest beginning on the Rate Change Date at the Term Rate determined on the Rate Determination Date in the following manner for each such Rate Period. No later than 11:00 a.m., Chicago time, on the Rate Determination Date for a Series 2006A Second Lien Bond bearing interest at the Term Rate, the Remarketing Agent will determine, and is required to give electronic notice or telephonic notice (confirmed by telecopy) to the Trustee of, (a) the duration of the Rate Period for such Series 2006A Second Lien Bond by specifying the succeeding Rate Change Date (which shall also be the succeeding Rate Determination Date) for such Series 2006A Second Lien Bond which Rate Change Date shall (i) be no later than the Business Day prior to the Stated Termination Date and (ii) not extend beyond the number of days of interest coverage provided by the then-current Liquidity Facility, in either case if a Liquidity Facility is required to be in place, and (b) the Term Rate applicable to such Series 2006A Second Lien Bonds bearing interest at the Term Rate during such Rate Period. Except on an Adjustment Date, in the event that the Term Rate for any Series 2006A Second Lien Bond is not determined by the Remarketing Agent on any Rate Determination Date, such Series 2006A Second Lien Bond shall bear interest at a Term Rate equal to the Term Rate for the immediately preceding Rate Period.

(ii) The Remarketing Agent shall determine the duration of Rate Periods during a Term Rate Mode as will, in the judgment of the Remarketing Agent, result in the lowest aggregate cost being payable by the City with respect to the Series 2006A Second Lien Bonds bearing interest at Term Rates, taking into account interest and any other determinable fees and expenses. The Remarketing Agent may establish different Rate Periods on the same Rate Change Date for Series 2006A Second Lien Bonds in the Term Rate Mode in order to achieve an average duration of Rate Periods that, in the judgment of the

Remarketing Agent, is most likely to achieve the lowest total aggregate cost being payable by the City with respect to such Series 2006A Second Lien Bonds, taking into account interest and any other determinable fees and expenses. The Remarketing Agent's determination shall be based upon the market for, and the relative yields of, the Series 2006A Second Lien Bonds and other securities that bear interest at variable rates or at fixed rates that, in the judgment of the Remarketing Agent, are otherwise comparable to the Series 2006A Second Lien Bonds, or any fact or circumstance relating to the Series 2006A Second Lien Bonds, affecting the market for the Series 2006A Second Lien Bonds or affecting such other comparable securities in a manner that, in the judgment of the Remarketing Agent, will affect the market for the Series 2006A Second Lien Bonds. The Remarketing Agent's determination shall be conclusive and binding upon all parties. Except on an Adjustment Date, in the event that the Rate Period for any Series 2006A Second Lien Bond in a Term Rate Mode is not determined by the Remarketing Agent as provided in this clause, the Rate Period for such Series 2006A Second Lien Bond shall be a Rate Period of the same length as the current Rate Period (or such lesser period as shall be necessary to comply with the next sentence). No Rate Period in the Term Rate Mode may extend beyond the applicable Maturity Date.

(l) *Auction Rate Mode.* From and after the first day of any Auction Period for a Series 2006A Second Lien Bond, such Series 2006A Second Lien Bond shall bear interest at the ARS Rate with respect thereto, determined as provided in Section 4.5 hereof.

(m) *Fixed Rate.* From and after the Fixed Rate Conversion Date for a Series 2006A Second Lien Bond, such Series 2006A Second Lien Bond shall bear interest at the Fixed Rate with respect thereto established as provided in Section 4.3 hereof.

(n) *Defaulted Interest.* Defaulted Interest with respect to any Series 2006A Second Lien Bond shall cease to be payable to the Owner of such Series 2006A Second Lien Bond on the relevant Record Date, and shall be payable to the Owner in whose name such Series 2006A Second Lien Bond is registered at the close of business of the Trustee on the Special Record Date for the payment of such Defaulted Interest, which shall be fixed in the following manner. The City shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on each Series 2006A Second Lien Bond and the date of the proposed payment (which date shall be such as will enable the Trustee to comply with the next sentence hereof), and at the same time the City shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Owners entitled to such Defaulted Interest as provided in this Section. Following receipt of such funds, the Trustee shall fix a Special Record Date for the payment of such Defaulted Interest which shall be not more than 15 nor less than ten days prior to the date of the proposed payment and not less than ten days after the receipt by the Trustee of the notice of the proposed payment. The

Trustee shall promptly notify the City of such Special Record Date and, in the name and at the expense of the City shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first class postage prepaid, to each Owner of a Series 2006A Second Lien Bond at the address of such Owner as it appears on the bond register not less than ten days prior to such Special Record Date. Such Defaulted Interest shall be paid to the Owners in whose names the Series 2006A Second Lien Bonds on which such Defaulted Interest is to be paid are registered on such Special Record Date.

(o) *Information for Owners.* The Trustee agrees to provide to any Owner, upon the written request of such Owner, information regarding the Adjustment Periods, Rate Periods, Interest Payment Dates, optional redemption provisions and interest rate or rates applicable to such Owner's Series 2006A Second Lien Bonds.

(p) *Notices to City.* The Remarketing Agent agrees to provide to the City, at such address and to the attention of the officers of the City named in the Remarketing Agreement, notice of all determinations made by the Remarketing Agent pursuant to the Indenture, including, but not limited to, interest rate determinations and duration of Rate Periods, on a timely basis.

Section 2.7 Form, Payment and Dating of Series 2006A Second Lien Bonds; Authorized Denominations.

(a) The Series 2006A Second Lien Bonds and the certificate of authentication to be executed on the Series 2006A Second Lien Bonds by the Trustee are to be in substantially the form set forth in *Exhibit A* to this Indenture, with necessary or appropriate variations, omissions and insertions as permitted or required by this Indenture.

(b) The Series 2006A Second Lien Bonds shall be issuable only as fully registered Series 2006A Second Lien Bonds in Authorized Denominations. The Series 2006A Second Lien Bonds shall be numbered from R-1 consecutively upwards and shall contain an appropriate prefix to such numbers to identify such Series 2006A Second Lien Bonds.

(c) The principal or redemption price of each Series 2006A Second Lien Bond shall be payable upon surrender of such Series 2006A Second Lien Bond at the Principal Office of the Trustee. While any Series 2006A Second Lien Bonds (or Sub-series, if applicable) bear interest at a Weekly Rate, Auction Rate, Term Rate or a Short Rate, payments of principal or redemption price of such Series 2006A Second Lien Bonds shall be payable in immediately available funds except as provided in paragraph (d)(iv) below. While any Series 2006A Second Lien Bonds (or Sub-series, if applicable) bear interest at a Fixed Rate, payments of principal or redemption price of the Series 2006A Second Lien Bonds shall be payable in clearinghouse funds except as provided in paragraph (d)(iv) below. Such payments shall be made to the holder of the Series 2006A Second Lien Bond so surrendered, as shown on the registration books maintained by the Trustee on the applicable Record Date.

(d) Each such Series 2006A Second Lien Bond (or Sub-Series, if applicable) shall bear interest and be payable as to interest as follows:

(i) Each such Series 2006A Second Lien Bond shall bear interest (at the applicable rate determined pursuant to Article II of this Indenture) from the date of authentication, if authenticated on an Interest Payment Date to which interest has been paid, or from the preceding Interest Payment Date to which interest has been paid (or the date of original issuance of such Series 2006A Second Lien Bond if no interest on such Series 2006A Second Lien Bond has been paid) in all other cases.

(ii) Subject to the provisions of subparagraph (iii) below, the interest due on any such Series 2006A Second Lien Bond on any Interest Payment Date shall be paid to the holder of such Series 2006A Second Lien Bond as shown on the registration books kept by the Trustee on the applicable Record Date. The amount of interest so payable on any Interest Payment Date shall be computed by the Trustee on the basis of a 365- or 366-day year as applicable for the number of days actually elapsed while such Series 2006A Second Lien Bonds bear interest at a Weekly Rate, Auction Rate or a Short Rate, on the basis of a 360-day year of twelve 30-day months while such Series 2006A Second Lien Bonds bear interest at a Term Rate or a Fixed Rate, and as described in Section 2.6(h) with respect to Bank Bonds.

(iii) If the available funds under this Indenture or the Bond Insurance Policy are insufficient on any Interest Payment Date to pay the interest then due, the regular applicable Record Date shall no longer be applicable with respect to such Series 2006A Second Lien Bonds. If sufficient funds for the payment of such overdue interest shall thereafter become available, the Trustee immediately shall establish a special Interest Payment Date for the payment of the overdue interest and a Special Record Date (which shall be a Business Day) for determining the Bondholders entitled to such payments. Notice of each date so established shall be mailed by the Trustee to each such Bondholder at least 10 days prior to the Special Record Date, but not more than 30 days prior to the related special Interest Payment Date. The overdue interest shall be paid on the special Interest Payment Date to such Bondholders as shown on the registration books kept by the Trustee as of the close of business on the Special Record Date.

(iv) All payments of interest on such Series 2006A Second Lien Bonds shall be paid to the persons entitled to such payments pursuant to this Section 2.7(d)(ii) or (iii) above by the Trustee on the Interest Payment Date or special Interest Payment Date, as applicable, (x) upon instructions to the Trustee from such person entitled to payment in immediately available funds (by federal funds check or by deposit to the account of the owner of such Series 2006A Second Lien Bonds if such owner maintains an account with the Trustee or, upon request of any owner of such Series 2006A Second Lien Bonds in the principal amount of \$1,000,000 or more, by federal funds wire) on the Interest Payment Date according to such instructions, or (y) if no instructions are given as aforesaid, and during a period when such Series 2006A Second Lien Bonds bear

interest at a Fixed Rate, by clearinghouse funds check or draft mailed on the Interest Payment Date to the persons entitled to such payment at such address appearing on the registration books of the Trustee or such other address as has been furnished to the Trustee in writing by such person.

(v) The payment of the purchase price of such Series 2006A Second Lien Bonds tendered pursuant to Article III of this Indenture shall be made in immediately available funds to the tendering Bondholder in the same manner as interest on Series 2006A Second Lien Bonds pursuant to subparagraph (iv) above.

(vi) All Series 2006A Second Lien Bonds will be dated the date of their original issuance.

(e) Interest on the Series 2006A Second Lien Bonds will accrue and be payable during the periods and at the times provided for in the form of Series 2006A Second Lien Bond attached to this Indenture as Exhibit A.

Section 2.8 Execution of Series 2006A Second Lien Bonds. Each of the Series 2006A Second Lien Bonds shall be executed on behalf of the City by the manual or facsimile signature of the Mayor and attested by the manual or facsimile signature of its City Clerk or Deputy City Clerk, and the corporate seal of the City shall be impressed, printed or lithographed on each Series 2006A Second Lien Bond. The Series 2006A Second Lien Bonds bearing the manual or facsimile signatures of individuals who were at the time of the execution of this Indenture the proper officers of the City shall bind the City notwithstanding that such individuals shall cease to hold such offices prior to the registration, authentication or delivery of such Series 2006A Second Lien Bonds or shall not have held such offices at the dated date of such Series 2006A Second Lien Bonds.

Section 2.9 Delivery and Registration. No Series 2006A Second Lien Bond shall be entitled to any right or benefit under this Indenture, or be valid or obligatory for any purpose, unless there appears on such Series 2006A Second Lien Bond a certificate of authentication substantially in the form provided in *Exhibit A* to this Indenture, executed by the Trustee by manual signature, and such certificate upon any such Series 2006A Second Lien Bond shall be conclusive evidence that such Series 2006A Second Lien Bond has been duly authenticated, registered and delivered.

Section 2.10 Lost, Destroyed, Improperly Canceled or Undelivered Series 2006A Second Lien Bonds. If any Series 2006A Second Lien Bond, whether in temporary or definitive form, is lost (whether by reason of theft or otherwise), destroyed (whether by mutilation, damage or otherwise) or improperly canceled, the Trustee may authenticate a new Series 2006A Second Lien Bond of the same date and denomination and bearing a number not contemporaneously outstanding; provided that (a) in the case of any mutilated Series 2006A Second Lien Bond, such mutilated Series 2006A Second Lien Bond shall first be surrendered to the Trustee and (b) in the case of any lost Series 2006A Second Lien Bond or Series 2006A Second Lien Bond destroyed in whole, there shall be first furnished to the Trustee evidence of such loss or destruction, together with indemnification of the City and the Trustee, satisfactory to each of them. If any lost, destroyed or improperly canceled Series 2006A Second Lien Bond shall have matured or is about to mature, or has been called for redemption, instead of issuing a duplicate Series 2006A

Second Lien Bond, the Trustee shall pay the same without surrender of such Series 2006A Second Lien Bond if there shall be first furnished to the Trustee evidence of such loss, destruction or cancellation, together with indemnification of the City, the Trustee and such Bank, satisfactory to each of them. Upon the issuance of any substitute Series 2006A Second Lien Bond, the Trustee may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation to such issuance. The Trustee may charge the Bondholder reasonable fees and expenses in connection with any transaction described in this Section 2.10, except for improper cancellation by the Trustee.

If the City elects to purchase for cancellation any Series 2006A Second Lien Bond tendered for purchase as provided in Section 3.16 and funds are deposited with the Trustee sufficient for the purchase, whether or not the Series 2006A Second Lien Bond subject to tender is ever delivered, interest on such Series 2006A Second Lien Bond shall cease to be payable to the prior holder of such Series 2006A Second Lien Bond from and after the purchase date, such holder shall cease to be entitled to the benefits or security of this Indenture and shall have recourse solely to the funds held by the Trustee for the purchase of such Series 2006A Second Lien Bond and the Trustee shall not register any further transfer of such Series 2006A Second Lien Bond by such prior holder.

All Series 2006A Second Lien Bonds shall be owned upon the express condition that, to the extent permitted by law, the foregoing provisions are exclusive with respect to the replacement or payment of lost, destroyed or improperly canceled Series 2006A Second Lien Bonds, notwithstanding any law or statute now existing or enacted after the date of this Indenture.

Section 2.11 Transfer, Registration and Exchange of Series 2006A Second Lien Bonds. The Trustee shall maintain and keep, at its Principal Office, books for the registration and transfer of Series 2006A Second Lien Bonds, which at all reasonable times shall be open for inspection by the City and the Bond Insurer.

The transfer of any Series 2006A Second Lien Bond shall be registered upon the books of the Trustee at the written request of the Bondholder or its attorney duly authorized in writing, upon surrender of such Series 2006A Second Lien Bond at the Principal Office of the Trustee, together with a written instrument of transfer satisfactory to the Trustee duly executed by the Bondholder or its attorney duly authorized in writing.

The City, the Trustee and the Remarketing Agent may deem and treat the Bondholder as the absolute owner of such Series 2006A Second Lien Bond, whether such Series 2006A Second Lien Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal of and interest on, or the purchase price of, such Series 2006A Second Lien Bond and for all other purposes, and neither the City, the Trustee nor the Remarketing Agent shall be affected by any notice to the contrary. All such payments so made to any such Bondholder shall be valid and effectual to satisfy and discharge the liability upon such Series 2006A Second Lien Bond to the extent of the sum or sums so paid.

Any Series 2006A Second Lien Bond, upon surrender of such Series 2006A Second Lien Bond at the Principal Office of the Trustee may, at the option of the Bondholder, be exchanged for an equal aggregate principal amount of Series 2006A Second Lien Bond or Series 2006A

Second Lien Bonds of the same Sub-series as applicable of any Authorized Denomination bearing interest pursuant to the same Interest Rate Determination Method as the Series 2006A Second Lien Bond being surrendered.

In all cases in which the privilege of exchanging Series 2006A Second Lien Bonds or registering the transfer of Series 2006A Second Lien Bonds is exercised, the City shall execute and the Trustee shall authenticate and deliver Series 2006A Second Lien Bonds in accordance with the provisions of this Indenture. For every such exchange or registration of transfer of Series 2006A Second Lien Bonds, whether temporary or definitive, the Trustee may make a charge in an amount sufficient to reimburse it for any tax or other governmental charge required to be paid with respect to such exchange or registration of transfer, which sum or sums shall be paid by the person requesting such exchange or registration of transfer as a condition precedent to the exercise of the privilege of making such exchange or registration of transfer. During the Fixed Mode for any Series 2006A Second Lien Bonds, the Trustee shall not be obligated to make any such exchange or registration of transfer of such Series 2006A Second Lien Bonds during the 10 days next preceding the date of the mailing of notice of any redemption of such Series 2006A Second Lien Bonds nor shall the Trustee be required to make any exchange or registration of transfer of any such Series 2006A Second Lien Bonds called for redemption.

Section 2.12 Temporary Series 2006A Second Lien Bonds. Pending the preparation of definitive Series 2006A Second Lien Bonds, the City may execute and the Trustee shall authenticate and deliver temporary Series 2006A Second Lien Bonds. Temporary Series 2006A Second Lien Bonds may be issuable as Series 2006A Second Lien Bonds of any Authorized Denomination and substantially in the form of the definitive Series 2006A Second Lien Bonds but with omissions, insertions and variations as may be appropriate for temporary Series 2006A Second Lien Bonds, all as may be approved by the City, as evidenced by the execution and delivery of such Series 2006A Second Lien Bonds. Temporary Series 2006A Second Lien Bonds may contain such reference to any provisions of this Indenture as may be appropriate. Every temporary Series 2006A Second Lien Bond shall be executed by the City and be authenticated by the Trustee upon the same conditions and in substantially the same manner, and with like effect, as the definitive Series 2006A Second Lien Bonds. As promptly as practicable the City shall execute and shall furnish definitive Series 2006A Second Lien Bonds and thereupon temporary Series 2006A Second Lien Bonds may be surrendered in exchange therefor without charge at the Principal Office of the Trustee, and the Trustee shall authenticate and deliver in exchange for such temporary Series 2006A Second Lien Bonds a like aggregate principal amount of definitive Series 2006A Second Lien Bonds and of Authorized Denominations. Until so exchanged, the temporary Series 2006A Second Lien Bonds shall be entitled to the same benefits under this Indenture as definitive Series 2006A Second Lien Bonds.

Section 2.13 Cancellation of Series 2006A Second Lien Bonds. All Series 2006A Second Lien Bonds which shall have been surrendered to the Trustee for payment or redemption, and all Series 2006A Second Lien Bonds which shall have been surrendered to the Trustee for exchange or registration of transfer, shall be canceled by the Trustee and cremated or otherwise destroyed, and counterparts of a certificate of destruction evidencing such cremation or other destruction shall be furnished by the Trustee to the City. The Trustee shall furnish to the City and the Remarketing Agent, a certificate evidencing any such cancellation and specifying such Series 2006A Second Lien Bonds by number.

Section 2.14 Book-Entry Provisions.

(a) Except as provided in paragraph (c) below, the Owner of all of the Series 2006A Second Lien Bonds shall be DTC, and the Series 2006A Second Lien Bonds shall be registered in the name of Cede & Co., as nominee for DTC. Payment of interest for any Series 2006A Second Lien Bond registered in the name of Cede & Co. shall be made by wire transfer of immediately available funds to the account of Cede & Co. on the applicable Interest Payment Date for the Series 2006A Second Lien Bonds at the address indicated for Cede & Co. in the registration books of the City kept by the Trustee.

(b) The Trustee and the City may treat DTC (or its nominee) as the sole and exclusive Owner of such Series 2006A Second Lien Bonds registered in its name for the purposes of payment of the principal or redemption price of or interest on such Series 2006A Second Lien Bonds, selecting such Series 2006A Second Lien Bonds or portions of such Series 2006A Second Lien Bonds to be redeemed, giving any notice permitted or required to be given to Bondholders under this Indenture, registering the transfer of such Series 2006A Second Lien Bonds, obtaining any consent or other action to be taken by Bondholders and for all other purposes whatsoever, and neither the Trustee nor the City shall be affected by any notice to the contrary. Except as otherwise provided in paragraph (c) below, no Beneficial Owner shall receive an authenticated Series 2006A Second Lien Bond certificate. Upon delivery by DTC to the Trustee of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions of this Indenture with respect to transfers of Series 2006A Second Lien Bonds, the words "Cede & Co." in this Indenture shall refer to such new nominee of DTC.

(c) If the Owner of all the Series 2006A Second Lien Bonds shall be DTC and the City determines to discontinue DTC's book-entry system, the City may notify DTC and the Trustee, whereupon DTC will notify its participating organizations (the "*Participants*") of the availability through DTC of certificated Series 2006A Second Lien Bonds, and such Participants may utilize DTC's withdrawal procedure to withdraw the Series 2006A Second Lien Bonds from DTC. In the event a Participant utilizes such process, the Trustee shall issue, transfer and exchange such Series 2006A Second Lien Bond certificates as requested by DTC in appropriate amounts in accordance with the provisions of this Indenture. DTC may determine to discontinue providing its services with respect to all, but not less than all, of the Series 2006A Second Lien Bonds at any time by giving written notice to the City and the Trustee and discharging its responsibilities with respect to this Indenture under applicable law. Under such circumstances (if there is no successor securities depository), the City and the Trustee shall be obligated (at the sole cost and expense of the City) to make available for delivery Series 2006A Second Lien Bond certificates as described in this Indenture. Whenever DTC requests the City and the Trustee to do so, the City will direct the Trustee (at the sole cost and expense of the City) to cooperate with DTC in taking appropriate action after reasonable notice (i) to make available one or more separate certificates evidencing the Series 2006A Second Lien Bonds to any Participant having the Series 2006A Second

Lien Bonds credited to its DTC account or (ii) to arrange for another securities depository to maintain custody of certificates evidencing such Series 2006A Second Lien Bonds.

(d) So long as any Series 2006A Second Lien Bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to the principal or redemption price of and interest on such Series 2006A Second Lien Bond and all notices with respect to such Series 2006A Second Lien Bond shall be made and given, respectively, to DTC or its nominee as provided in the City's representation letter to DTC.

(e) *In connection with any notice or other communication to be provided to Bondholders pursuant to this Indenture by the City or the Trustee, or by the Trustee with respect to any consent or other action to be taken by Bondholders, the City or the Trustee, as the case may be, shall establish a record date for such consent or other action and give DTC notice of such record date not less than 15 calendar days in advance of such record date to the extent possible. Such notice to DTC or its nominee shall be given only when DTC is the sole Bondholder.*

(f) Neither the City nor the Trustee shall have any responsibility or obligation to the Participants or the Beneficial Owners with respect to (i) the accuracy of any records maintained by DTC or any Participant; (ii) the payment by DTC or any Participant of any amount due to any Beneficial Owner in respect of the principal or redemption price of or interest on the Series 2006A Second Lien Bonds; (iii) the delivery by DTC or any Participant of any notice to any Beneficial Owner which is required or permitted under the terms of this Indenture to be given to Bondholders; (iv) the selection of the Beneficial Owners to receive payment in the event of any partial redemption of the Series 2006A Second Lien Bonds; or (v) any consent given or other action taken by DTC as Bondholder.

(g) So long as Cede & Co. is the registered owner of the Series 2006A Second Lien Bonds, as nominee of DTC, references in this Indenture to the Bondholders of the Series 2006A Second Lien Bonds or Owners of the Series 2006A Second Lien Bonds shall mean Cede & Co. and shall not mean the Beneficial Owners of the Series 2006A Second Lien Bonds.

(h) So long as DTC is the registered owner of the Series 2006A Second Lien Bonds:

(i) selection of the Series 2006A Second Lien Bonds to be redeemed upon partial redemption and presentation of the Series 2006A Second Lien Bonds to the Trustee upon partial redemption. shall be deemed made when the right to exercise ownership rights in such Series 2006A Second Lien Bonds through DTC or DTC's Participants is transferred by DTC on its books; and

(ii) DTC may present notices, approvals, waivers or other communications required or permitted to be made by Bondholders under this Indenture on a fractionalized basis on behalf of some or all of those persons

entitled to exercise ownership rights in the Series 2006A Second Lien Bonds through DTC or its Participants.

ARTICLE III

PURCHASE AND REDEMPTION OF SERIES 2006A SECOND LIEN BONDS

Section 3.1 Purchase on Demand of Owner While Series 2006A Second Lien Bonds Bear Weekly Rate.

(a) While a Series 2006A Second Lien Bond (other than a Bank Bond) bears interest at a Weekly Rate, such Series 2006A Second Lien Bond (or portion thereof in an Authorized Denomination) shall be purchased on a Demand Date therefor upon the demand of the Owner thereof, at a purchase price equal to 100 percent of the principal amount thereof plus accrued interest, if any, to such Demand Date, upon irrevocable written notice (which may be given by telecopy) to the Trustee's Agent and the Remarketing Agent, which notice must be received by the Trustee's Agent and the Remarketing Agent not later than 4:00 p.m., Chicago time, on a Business Day in order to be effective on that day. Any notice received after 4:00 p.m., Chicago time, on a Business Day shall be deemed given on the next succeeding Business Day. Such notice must specify (i) the principal amount and number of such Series 2006A Second Lien Bond, the name and the address of such Owner and the taxpayer identification number, if any, of such Owner, and (ii) the Demand Date on which such Series 2006A Second Lien Bond is to be purchased. The Trustee's Agent shall give immediate notice (which notice shall be given no later than 4:30 p.m., Chicago time, on the Business Day on which it receives notice of tender) to the Trustee, the Remarketing Agent, the City and the Bank as to the contents of any such notices received by it.

(b) The determination of the Trustee's Agent as to whether a notice of tender has been properly delivered pursuant to the foregoing shall be conclusive and binding upon the Owner of such Series 2006A Second Lien Bond. Any notice received by the Trustee's Agent pursuant to this Section from any person reasonably believed by the Trustee's Agent to be the Owner of a Series 2006A Second Lien Bond may be conclusively relied upon by the Trustee's Agent as a true, irrevocable notice of demand with respect to such Series 2006A Second Lien Bond.

Section 3.2 Purchase on Notice of Certain Events of Default Under Liquidity Agreement While Liquidity Facility is Required; Notice of Special Liquidity Default. During the period a Liquidity Facility is required by Section 5.7 hereof, the Series 2006A Second Lien Bonds (other than Bank Bonds and Series 2006A Second Lien Bonds bearing interest at an ARS Rate or a Fixed Rate) are subject to mandatory tender by the Owners thereof to the Trustee when the Trustee gives immediate notice to the Owners of such Series 2006A Second Lien Bonds and the Remarketing Agent (with a copy to the Bond Insurer) of the occurrence and continuation of a Liquidity Agreement Default. Upon the giving of such immediate notice, such Series 2006A Second Lien Bonds shall be purchased, on a date designated by the Trustee, which date is no more than 15 days after the date of the immediate notice to the Owners, and in no event later than the Business Day prior to the last day on which funds will be available under the Liquidity Facility, at a purchase price equal to 100 percent of the principal amount thereof plus

accrued interest, if any, to the purchase date. In such case, the Owner of any such Series 2006A Second Lien Bond required to be purchased may not elect to retain its Series 2006A Second Lien Bond and by the acceptance of such Series 2006A Second Lien Bond shall be deemed to have agreed to deliver such Series 2006A Second Lien Bond to the Trustee on the date specified pursuant to this Section. The Trustee shall give such immediate notice upon receipt by the Trustee of a written notice from the Bank of the occurrence of a Liquidity Agreement Default.

Upon receipt by the Trustee of a written notice from the Bank of the occurrence of a Special Liquidity Default under the Liquidity Agreement, the Trustee shall give immediate notice thereof to the Owners of all the Series 2006A Second Lien Bonds and the Remarketing Agent (with a copy to the Bond Insurer), which notice shall state that (i) there will be no mandatory purchase of the Series 2006A Second Lien Bonds as a result of such Special Liquidity Default, (ii) the Series 2006A Second Lien Bonds will no longer be entitled to the benefits of a Liquidity Facility and (iii) all rights granted to the Owners to tender the Series 2006A Second Lien Bonds for purchase pursuant to this Indenture are suspended until such time as the Trustee shall give immediate notice to such Owners that the Special Liquidity Default is cured and the obligation of the Bank to purchase Series 2006A Second Lien Bonds pursuant to the Liquidity Facility has been reinstated or that a Substitute Liquidity Facility is in place. If immediate notice of a mandatory tender has been given due to receipt by the Trustee of written notice from the Bank of the occurrence of a Liquidity Agreement Default but a Special Liquidity Default occurs prior to the mandatory tender date, the Trustee shall give immediate notice of such Special Liquidity Default to the Owners of all the Series 2006A Second Lien Bonds and the Remarketing Agent as provided above and the Series 2006A Second Lien Bonds shall not be subject to mandatory tender on such date.

Section 3.3 Purchase While Series 2006A Second Lien Bonds Bear Flexible Rate.

While any Series 2006A Second Lien Bond (other than a Bank Bond) bears interest at a Flexible Rate, such Series 2006A Second Lien Bond shall be purchased pursuant to this Section on each Rate Change Date for such Series 2006A Second Lien Bond, other than the Rate Change Date which is the first day of a Flexible Mode applicable to such Series 2006A Second Lien Bond, and on the Adjustment Date immediately following the last day of the Flexible Mode at a purchase price equal to 100 percent of the principal amount thereof. The Owner of such Series 2006A Second Lien Bond may not elect to retain its Series 2006A Second Lien Bond and by acceptance of such Series 2006A Second Lien Bond shall be deemed to have agreed to deliver such Series 2006A Second Lien Bond to the Trustee on the date specified pursuant to this Section.

Section 3.4 Purchase Prior to Stated Termination Date When Required Substitute Liquidity Facility Not in Place; Purchase Prior to Liquidity Substitution Date; Purchase Prior to Liquidity Facility Cancellation Date; Purchase Prior to Bond Insurance Substitution Date. (a) If, during the period a Liquidity Facility is required pursuant to the terms of Section 5.7 hereof, by the 20th day preceding any Stated Termination Date of the Liquidity Facility the Trustee has not received notice of an extension of the then current Liquidity Facility or a Substitute Liquidity Facility in accordance with the terms of this Indenture, all Series 2006A Second Lien Bonds (other than Bank Bonds and Series 2006A Second Lien Bonds bearing interest at an ARS Rate or a Fixed Rate) shall be purchased on the Business Day prior to the Stated Termination Date of the Liquidity Facility pursuant to this

Section. If a Liquidity Facility is required pursuant to the terms of this Indenture, and the City gives notice to the Trustee that it will provide a Substitute Liquidity Facility pursuant to Section 5.6 hereof, Series 2006A Second Lien Bonds shall be subject to purchase hereunder on the Liquidity Substitution Date; provided that any draw in connection with a tender on the Liquidity Substitution Date shall be made on the existing Liquidity Facility and not the Substitute Liquidity Facility. In addition, if a Liquidity Facility is no longer required pursuant to Section 5.7 hereof, all Series 2006A Second Lien Bonds (other than Bank Bonds and Series 2006A Second Lien Bonds bearing interest at an ARS Rate or a Fixed Rate) shall be purchased on the Business Day prior to the Liquidity Facility Cancellation Date pursuant to the mandatory tender described in Section 5.7(b) hereof. In addition, all Series 2006A Second Lien Bonds (other than Bank Bonds and Series 2006A Second Lien Bonds bearing interest at an ARS Rate or a Fixed Rate) shall be purchased on the Bond Insurance Substitution Date pursuant to this Section; provided that if no Liquidity Facility is in effect in any Interest Mode, other than the Weekly Mode, and the Bond Insurer has waived the rating requirement of Section 5.7(a)(iii), then such tender shall only occur if the Remarketing Agent has successfully remarketed all of the Series 2006A Second Lien Bonds subject to such mandatory tender. If not all the Series 2006A Second Lien Bonds are successfully remarketed, then such mandatory tender shall be cancelled, and all the Series 2006A Second Lien Bonds shall be returned to their respective Owners. A purchase of Series 2006A Second Lien Bonds pursuant to this Section shall be at a purchase price for each such Series 2006A Second Lien Bond equal to the principal amount thereof plus accrued interest, if any, to the purchase date. The Owner of any Series 2006A Second Lien Bond subject to purchase pursuant to this Section may not elect to retain its Series 2006A Second Lien Bond and by acceptance of such Series 2006A Second Lien Bond shall be deemed to have agreed to deliver such Series 2006A Second Lien Bond to the Trustee on the date specified pursuant to this Section.

(b) Not later than the 15th day preceding the Stated Termination Date of the Liquidity Facility, if no extension of such Liquidity Facility or Substitute Liquidity Facility has been delivered, the Trustee shall give immediate notice to the Owners of the Series 2006A Second Lien Bonds (other than Bank Bonds and Series 2006A Second Lien Bonds bearing interest at an ARS Rate or a Fixed Rate) and the Bond Insurer stating (i) the Stated Termination Date, (ii) that no Substitute Liquidity Facility has been received as of the date of such notice, and (iii) that the Series 2006A Second Lien Bonds are required to be purchased on the Stated Termination Date.

(c) Not later than the 15th day preceding a Liquidity Substitution Date or a Bond Insurance Substitution Date, the Trustee shall give immediate notice to the Owners of the Series 2006A Second Lien Bonds (other than Bank Bonds and Series 2006A Second Lien Bonds bearing interest at an ARS Rate or a Fixed Rate) and the Bond Insurer stating (i) the Liquidity Substitution Date or the Bond Insurance Substitution Date, and (ii) the Series 2006A Second Lien Bonds are required to be purchased on the Liquidity Substitution Date or the Bond Insurance Substitution Date.

(d) If pursuant to subsection (a) of this Section the Series 2006A Second Lien Bonds are subject to mandatory tender and purchase, not later than the 15th day preceding the Liquidity Facility Cancellation Date, the Trustee shall give immediate notice to the Owners of the Series 2006A Second Lien Bonds (other than Bank Bonds

and Series 2006A Second Lien Bonds bearing interest at an ARS Rate or a Fixed Rate) and the Bond Insurer stating (i) that the existing Liquidity Facility is to be canceled pursuant to Section 5.7 hereof, and (ii) the Series 2006A Second Lien Bonds are required to be purchased on the Business Day prior to the Liquidity Facility Cancellation Date.

Section 3.5 Purchase on Adjustment Date. On each Adjustment Date with respect to a Series 2006A Second Lien Bond (other than a Bank Bond), including, without limitation, a proposed Fixed Rate Conversion Date or a Substitute Adjustment Date, such Series 2006A Second Lien Bond shall be purchased pursuant to this Section at a purchase price equal to 100 percent of the principal amount thereof, except that a Series 2006A Second Lien Bond which is to be purchased on an Adjustment Date which immediately follows the last day of a Flexible Mode shall be purchased pursuant to Section 3.3 hereof. The Owner of such Series 2006A Second Lien Bond may not elect to retain its Series 2006A Second Lien Bond and by acceptance of such Series 2006A Second Lien Bond shall be deemed to have agreed to deliver such Series 2006A Second Lien Bond to the Trustee on the date specified pursuant to this Section.

Not later than the 15th day next preceding the Adjustment Date for any Series 2006A Second Lien Bond bearing interest at a Weekly Rate or an ARS Rate, the Trustee shall give immediate notice to the Owner of such Series 2006A Second Lien Bond stating (i) the last day of the Adjustment Period then ending, and (ii) that such Series 2006A Second Lien Bond is required to be purchased on the Adjustment Date.

Section 3.6 Purchase of Tendered Bonds Delivered to Trustee's Agent; Notices.
(a) Tendered Bonds shall be purchased from the Owners thereof at a purchase price equal to 100 percent of the principal amount thereof, plus accrued interest thereon (unless purchased on an Interest Payment Date, in which event such accrued interest shall not be paid as part of the purchase price secured by the Liquidity Facility), from amounts in the Bond Purchase Fund but solely from the following sources in order of priority indicated, neither the City, the Trustee, the Trustee's Agent nor the Remarketing Agent having an obligation to use funds from any other source:

(i) proceeds of the sale of such Tendered Bonds pursuant to Section 3.7 hereof (other than Tendered Bonds sold to the City for purchase or purchase and cancellation pursuant to Section 3.14(b) hereof);

(ii) moneys received from the underwriter or purchaser (other than the City) of Tendered Bonds upon the conversion of the interest rate thereon to a Fixed Rate;

(iii) proceeds of the Liquidity Facility, to the extent such a Liquidity Facility is available; and

(iv) moneys furnished by the City to the Trustee for the purchase, or purchase and cancellation, of Tendered Bonds pursuant to Section 3.14(b) hereof.

(b) The Trustee's Agent shall pay the purchase price specified above from the sources specified above of each Tendered Bond to the Owner thereof by 1:30 p.m., Chicago time, on the purchase date; provided that the Trustee's Agent shall have

confirmed that such Owner has delivered such Tendered Bond (with any necessary endorsements) to the Principal Office of the Trustee's Agent no later than 12:00 noon, Chicago time, on such date.

(c) If funds described in Section 3.6(a) shall not be available to purchase a Tendered Bond, the Owner shall continue to hold such Series 2006A Second Lien Bond and it shall bear interest, commencing on the date on which such Series 2006A Second Lien Bond was tendered for purchase, at an interest rate equal to the lesser of (i) the BMA Municipal Index for Series 2006A Second Lien Bonds in the Weekly Mode or the Flexible Mode, or the then-existing Term Rate for Series 2006A Second Lien Bonds in the Term Rate Mode, or (ii) the Maximum Interest Rate.

Section 3.7 Remarketing of Tendered Bonds by Remarketing Agent. Upon the delivery or deemed delivery of Tendered Bonds by the Owners thereof in accordance with the provisions hereof, the Remarketing Agent shall offer for sale and use all reasonable efforts to remarket such Tendered Bonds pursuant to the Remarketing Agreement, any such remarketing to be made on the date on which such Tendered Bonds are to be purchased, at a price equal to 100 percent of the principal amount thereof plus accrued interest, if any.

If Series 2006A Second Lien Bonds are delivered or deemed delivered for purchase under Section 3.1(a) hereof, the Remarketing Agent shall give telephonic notice (promptly confirmed by telecopy) to the Trustee, the Trustee's Agent, the City, the Bond Insurer and the Bank no later than 11:00 a.m., Chicago time, on the date on which such Series 2006A Second Lien Bonds are to be so delivered or deemed delivered, of the aggregate principal amount of such Series 2006A Second Lien Bonds to be purchased on such date which it has reasonable grounds to expect will not be remarketed on such date.

In addition, with respect to Series 2006A Second Lien Bonds delivered or deemed delivered for purchase under Section 3.1(a), 3.2, 3.3, 3.4 or 3.5 hereof, the Remarketing Agent shall give telephonic notice (promptly confirmed by telecopy) to the Trustee, the Trustee's Agent, the City, the Bond Insurer and the Bank no later than 11:00 a.m., Chicago time, on the Business Day next preceding the date on which such Series 2006A Second Lien Bonds are to be so delivered or deemed delivered, of the aggregate principal amount of such Series 2006A Second Lien Bonds to be purchased on such date which it has reasonable grounds to expect will not be remarketed on such date.

The Remarketing Agent shall remarket Bank Bonds to the extent, and subject to the conditions, set forth herein and in the Remarketing Agreement; provided, however, that no Bank Bond may be remarketed unless the amount of funds which are available and may be loaned under the Liquidity Facility has been reinstated to the amount which was available prior to the purchase of such Bank Bonds, unless the Liquidity Facility has been reduced pursuant to Section 5.6 hereof or the Liquidity Facility is no longer required pursuant to Section 5.7 hereof. Bank Bonds shall be remarketed at a price of par plus accrued interest, if any, at the Bank Variable Rate until the Sale Date; accrued interest on Bank Bonds at the Differential Interest Amount shall be due to the Bank from the City on the Sale Date. Purchasers of Bank Bonds will receive on the next Interest Payment Date following purchase, interest at the applicable rate from the purchase thereof plus accrued interest paid at the date of purchase. Upon the remarketing of Bank Bonds, the Remarketing Agent shall immediately provide telephonic notice, promptly

confirmed by telecopy, of such remarketing to the Trustee, the City, the Bank and the Bond Insurer, and thereupon the Trustee shall, subject to Section 3.8(a)(ii) hereof, immediately deliver or provide for transfer of beneficial interest in such Series 2006A Second Lien Bonds for delivery to the purchasers thereof upon payment to the Bank of the principal amount of such Bank Bonds.

Section 3.8 Delivery of Series 2006A Second Lien Bonds and Proceeds of Sale.

(a) (i) Subject to Section 3.9 hereof, Series 2006A Second Lien Bonds remarketed by the Remarketing Agent pursuant to Section 3.7 hereof shall be delivered by the Trustee or the Trustee's Agent as directed by the Remarketing Agent by 11:00 a.m., Chicago time, on the date of purchase against payment therefor. The proceeds of sale by the Remarketing Agent shall be delivered to the Trustee by 10:45 a.m., Chicago time, on the date of purchase.

(ii) Bank Bonds shall be delivered to the Trustee or otherwise at the direction of the Bank, or for as long as the Series 2006A Second Lien Bonds are in the book-entry system described in Section 2.14 hereof, credited to the designated account of the Bank or its designee as beneficial owner of such Bank Bonds by DTC (in its capacity as custodian) pursuant to the Liquidity Agreement or the Custody Agreement, if any. Notwithstanding anything herein to the contrary, if the Trustee holds Bank Bonds as custodian for the Bank pursuant to the Liquidity Agreement or the Custody Agreement, if any, the Trustee shall not release to the purchaser thereof Bank Bonds remarketed pursuant to Section 3.7 hereof unless the Bank shall have given written notification (which may be by facsimile communication) to the Trustee that it has reinstated the Liquidity Facility as required pursuant to Section 3.7. The Trustee hereby agrees to follow the provisions of the Liquidity Agreement or the Custody Agreement, if any, as to registration and procedures for Bank Bonds during the effective period of the Liquidity Facility.

(b) Except as otherwise provided in the Liquidity Agreement or the Custody Agreement, if any, Tendered Bonds delivered as provided in this Section shall be registered in the manner directed by the purchaser thereof, except that Bank Bonds shall be registered in the name of the Bank or its designee, and beneficial interest therein shall be transferred as provided in paragraph (a)(ii) above.

(c) The Trustee's Agent shall notify the Trustee in writing (which may be delivered by telecopy) no later than 4:30 p.m., Chicago time, on the Business Day prior to the day on which Tendered Bonds in any Interest Mode, are delivered or deemed delivered for purchase under Section 3.1, 3.2, 3.3, 3.4 or 3.5 hereof of the aggregate principal amount of Tendered Bonds to be purchased on such date. The Trustee shall take such actions as are necessary to draw or obtain funds under the applicable Liquidity Facility in accordance with its terms to pay the purchase price of all Tendered Bonds (of a Sub-series, as applicable, other than Bank Bonds or Series 2006A Second Lien Bonds owned by the City) by 1:30 p.m., Chicago time, on such date. If surplus moneys from the Bank remain after the payment in full of all Tendered Bonds, the Trustee shall provide immediate notice to the Bank of the amount of funds made available by the Bank on such

date which are not required for the payment of Tendered Bonds and shall promptly return such excess funds to the Bank.

(d) If sufficient moneys are on deposit with the Trustee or the Trustee's Agent pursuant to Section 3.6(a) to pay the applicable purchase price of any Tendered Bond, such Tendered Bond shall be deemed to have been purchased whether or not delivered by the Owner thereof on the date such Tendered Bond is to be purchased. If any such purchased Tendered Bond is not so delivered, the City shall execute, and the Trustee shall authenticate and deliver, a replacement Series 2006A Second Lien Bond of like Sub-series, date, Maturity Date and denomination as the Tendered Bond and bearing a number not contemporaneously outstanding.

Section 3.9 No Remarketing After Certain Defaults. Unless directed to do so in writing by the City and the Bond Insurer, there shall be no remarketing of Tendered Bonds during the period when there is no Liquidity Facility in effect when such Liquidity Facility is required pursuant to Section 5.7 of this Indenture. Unless directed not to do so in writing by the City and the Bond Insurer, the Remarketing Agent shall use all reasonable efforts to remarket the Tendered Bonds pursuant to Section 3.7 hereof if there shall have occurred and be continuing a breach under this Indenture of which an authorized officer of the Remarketing Agent or an authorized officer of the Trustee has actual knowledge; provided, however, that the Initial Bond Insurer may provide such direction to the Remarketing Agent if the City shall fail to make payments pursuant to Section 6.2 hereof. In addition, the Remarketing Agent shall be under no obligation to remarket Series 2006A Second Lien Bonds upon the occurrence and continuance of a Special Liquidity Default or Liquidity Agreement Default.

Section 3.10 Redemption Terms, Dates and Prices. The Series 2006A Second Lien Bonds shall be subject to redemption prior to their Maturity Date in the amounts, at the times and in the manner provided in this Section. Anything herein to the contrary notwithstanding, any redemption of less than all of the Series 2006A Second Lien Bonds Outstanding made pursuant to this Section 3.10 shall be made first from Bank Bonds then Outstanding.

(a) *Optional Redemption.*

(i) Series 2006A Second Lien Bonds in a Weekly Mode shall be subject to redemption prior to their Maturity Date at the option of the City, in whole or in part (and, if in part, in an Authorized Denomination) on any Business Day during such Weekly Mode, at a redemption price equal to 100 percent of the principal amount thereof plus accrued interest, if any, to the redemption date.

(ii) Series 2006A Second Lien Bonds in the Term Rate Mode or Fixed Mode shall be subject to redemption prior to their Maturity Date at the option of the City, in whole or in part (and, if in part, in an Authorized Denomination) on any Business Day after the No-Call Period described below, at the following redemption prices (expressed as percentages of the principal amount of the Series 2006A Second Lien Bonds called for redemption) plus accrued interest, if any, to the redemption date:

Term of Maturity	No-Call Period	Redemption Price
greater than 10 years	10 years from the Fixed Rate Conversion Date	100%
less than or equal to 10 years	term to the Maturity Date	not subject to optional redemption

The City may deliver to the Trustee an alternative redemption schedule to the schedule shown above, if the City delivers to the Bond Insurer and the Trustee an Opinion of Bond Counsel to the effect that the alternative schedule of redemption will not adversely affect the validity and enforceability of the Series 2006A Second Lien Bonds in accordance with their terms, and will not have an adverse effect on any exclusion from gross income of the interest thereon for federal income tax purposes. Series 2006A Second Lien Bonds which commence bearing interest at a Fixed Rate on or after the delivery of such alternative schedule and Opinion of Bond Counsel shall be subject to redemption in accordance with the provisions of such alternative schedule.

(iii) Series 2006A Second Lien Bonds bearing interest at an ARS Rate shall be subject to optional redemption prior to their Maturity Date at the option of the City, in whole or in part (and, if in part, in an Authorized Denomination) on the Business Day immediately succeeding any Auction Date, at a redemption price equal to 100 percent of the principal amount thereof plus accrued interest, if any, to the redemption date.

(iv) Series 2006A Second Lien Bonds bearing interest at a Flexible Rate shall be subject to optional redemption prior to their Maturity Date at the option of the City, in whole or in part (and, if in part, in an Authorized Denomination) on any Rate Change Date therefor, at a redemption price equal to 100 percent of the principal amount thereof plus accrued interest, if any, to the redemption date.

(b) *Mandatory Sinking Fund Redemption.* The Series 2006A Second Lien Bonds (including Bank Bonds) shall be subject to redemption prior to their Maturity Date at a redemption price equal to 100 percent of the principal amount thereof, plus accrued interest, if any, by application by the Trustee in accordance with Section 5.2 hereof of funds on deposit to the credit of the Principal and Interest Account. Deposits shall be made into the Principal and Interest Account in amounts which will make possible the retirement by redemption of Series 2006A Second Lien Bonds on January 1 of the years and in the amounts set forth in the respective tables, as adjusted pursuant to Section 3.10(d)(vi), below.

(c) *Redemption of Bank Bonds.*

(i) Bank Bonds shall be subject to redemption prior to their Maturity Date at the option of the City, in whole or in part (and, if in part, in an Authorized Denomination) on any Business Day at a redemption price equal to 100 percent of the principal amount thereof plus accrued interest, if any, to the redemption date.

(ii) Bank Bonds shall be subject to mandatory redemption in accordance with the Liquidity Agreement.

(d) *General Provisions Regarding Redemptions.*

(i) No redemption of less than all of the Series 2006A Second Lien Bonds Outstanding (or Sub-series, if applicable) shall be made pursuant to Section 3.10(a) or (c) hereof unless (1) if such redemption is of Series 2006A Second Lien Bonds bearing interest at a Short Rate, the aggregate principal amount of Series 2006A Second Lien Bonds to be redeemed is equal to \$100,000 or integral multiples thereof, (2) if such redemption is of Series 2006A Second Lien Bonds bearing interest at an ARS Rate, the aggregate principal amount of Series 2006A Second Lien Bonds to be redeemed is equal to \$25,000 or integral multiples thereof and (3) if such redemption is with respect to Series 2006A Second Lien Bonds bearing interest at a Term Rate or a Fixed Rate, the aggregate principal amount of Series 2006A Second Lien Bonds to be redeemed is equal to \$100,000 or \$5,000 multiples in excess thereof. Any redemption of less than all of the Series 2006A Second Lien Bonds Outstanding (or Sub-series, if applicable) shall be made in such a manner that all Series 2006A Second Lien Bonds (or Sub-series, if applicable) outstanding after such redemption are in Authorized Denominations.

(ii) Series 2006A Second Lien Bonds may be called for redemption by the Trustee pursuant to Section 3.10(a) hereof (1) in the case of Series 2006A Second Lien Bonds bearing interest at a Short Rate or an ARS Rate, upon receipt by the Trustee at least 35 days prior to the redemption date (or such shorter period as shall be acceptable to the Trustee) of a written request of the City requesting such redemption or (2) in the case of Series 2006A Second Lien Bonds bearing

interest at a Term Rate or a Fixed Rate, upon receipt by the Trustee at least 45 days prior to the redemption date (or such shorter period as shall be acceptable to the Trustee) of a written request of the City requesting such redemption.

(iii) Series 2006A Second Lien Bonds may be called for redemption by the Trustee pursuant to Section 3.10(c) hereof upon receipt by the Trustee at least two Business Days prior to the redemption date of a written request of the City requesting such redemption. The Trustee or the Trustee's Agent shall give notice to the Bank one Business Day prior to any redemption of Bank Bonds pursuant to Section 3.10(c) hereof.

(iv) Series 2006A Second Lien Bonds shall be called for redemption by the Trustee pursuant to Section 3.10(b) hereof without further request or direction of the City.

(v) In lieu of redeeming Series 2006A Second Lien Bonds pursuant to Section 3.10(a) or (b) hereof, subject to Section 3.16, the Trustee may, at the request of the City, use such funds available hereunder for redemption of Series 2006A Second Lien Bonds to purchase Series 2006A Second Lien Bonds in the open market at a price not exceeding the redemption price then applicable hereunder. Any Series 2006A Second Lien Bond so purchased in lieu of redemption shall be delivered to the Trustee for cancellation and shall be canceled.

(vi) At its option, to be exercised on or before the 60th day next preceding any mandatory sinking fund redemption date for the Series 2006A Second Lien Bonds (or such shorter period as may be acceptable to the Trustee), the City may (i) deliver to the Trustee for cancellation, Series 2006A Second Lien Bonds or portions thereof in Authorized Denominations subject to mandatory sinking fund redemption or (ii) receive a credit in respect of its mandatory sinking fund redemption obligation for Series 2006A Second Lien Bonds or portions thereof in Authorized Denominations which prior to said date have been redeemed (otherwise than through the operation of such mandatory sinking fund redemption) and canceled by the Trustee and not theretofore applied as a credit against any mandatory sinking fund redemption obligation. Each such Series 2006A Second Lien Bond or portion thereof subject to mandatory sinking fund redemption so delivered or previously redeemed shall be credited against future mandatory sinking fund redemption obligations on Series 2006A Second Lien Bonds in such order as the City shall designate, or if no such designation is made, in chronological order, the principal amount of such Series 2006A Second Lien Bonds to be redeemed by operation of such mandatory redemption to be accordingly reduced.

Section 3.11 Notice of Redemption. (a) Except as hereinafter provided, a copy of the notice of the call for any redemption identifying the Series 2006A Second Lien Bonds to be redeemed shall be given by first class mail, postage prepaid, with respect to Series 2006A Second Lien Bonds bearing interest at a Short Rate or an ARS Rate, not less than 30 days or more than 45 days prior to the date fixed for redemption and shall be given by first class mail,

postage prepaid, or by facsimile transmission, and with respect to Series 2006A Second Lien Bonds bearing interest at a Term Rate or a Fixed Rate, not less than 30 or more than 60 days prior to the date fixed for redemption, to the Bank, the Bond Insurer, the Remarketing Agent and the Owners of the Series 2006A Second Lien Bonds to be redeemed at their addresses as shown on the bond register. Such notice shall specify the redemption date, the redemption price, the place and manner of payment, and that from the redemption date interest will cease to accrue on the Series 2006A Second Lien Bonds which are the subject of such notice, and shall include such other information as the Trustee shall deem appropriate or necessary at the time such notice is given to comply with any applicable law, regulation or industry standard. Prior to the date that the redemption notice is first given as aforesaid, funds shall be placed with the Trustee to pay such Series 2006A Second Lien Bonds, any premium thereon, and accrued interest thereon to the redemption date, or (except in the case of a mandatory sinking fund redemption pursuant to Section 3.10(b) hereof) such notice shall state that any redemption is conditional on such funds being deposited on the redemption date, and that failure to deposit such funds shall not constitute a breach under this Indenture; any funds so deposited with the Trustee and held in the Series 2006A Second Lien Bonds Revenue Fund shall be invested solely in Government Obligations maturing no later than the earlier of (i) 30 days after the date of placement with the Trustee, or (ii) the redemption date.

(b) Notwithstanding Section 3.11(a) hereof, if Bank Bonds are to be redeemed pursuant to Section 3.10(c) hereof, the Trustee shall give immediate notice of a redemption of Bank Bonds to the Bank at least one Business Day prior to the date fixed for redemption.

(c) In addition to the requirements of subsections (a) and (b) of this Section 3.11, notice of the redemption of Series 2006A Second Lien Bonds or any portion thereof identifying the Series 2006A Second Lien Bonds or portions thereof to be redeemed shall specify (i) the series name and designation and certificate numbers of Series 2006A Second Lien Bonds being redeemed, (ii) the CUSIP numbers of the Series 2006A Second Lien Bonds being redeemed, (iii) the principal amount of Series 2006A Second Lien Bonds being redeemed and the redeemed amount for each certificate (for partial calls), (iv) the redemption date, (v) the redemption price, (vi) the date of issuance, (vii) the interest rate and Maturity Date of the Series 2006A Second Lien Bonds being redeemed, (viii) the date of mailing of notices to Owners and information services (if required), and (ix) the name of the employee of the Trustee which may be contacted with regard to such notice.

(d) Redemption notices shall also be sent by registered mail or facsimile transmission, at least 30 days but not more than 60 days prior to the redemption date, to two national information services that disseminate redemption information as determined by the Trustee as long as such services exist.

(e) A second redemption notice shall be sent by first class mail, not more than 60 days after the redemption date to each Owner of Series 2006A Second Lien Bonds called for redemption who has not presented such Series 2006A Second Lien Bonds within 30 days following the redemption date.

(f) Failure to give notice in the manner prescribed in subsections (a), (b) and (c) hereunder with respect to any Series 2006A Second Lien Bond, or any defect in such notice, shall not affect the validity of the proceedings for redemption for any Series 2006A Second Lien Bond with respect to which notice was properly given. Failure to give any of the notices described in subsections (d) or (e) above shall not affect the validity of the proceedings for redemption of any Series 2006A Second Lien Bonds hereunder. Upon the happening of the above conditions and if sufficient moneys are on deposit with the Trustee on the applicable redemption date to redeem the Series 2006A Second Lien Bonds to be redeemed and to pay interest due thereon and premium, if any, the Series 2006A Second Lien Bonds thus called shall not, after the applicable redemption date, bear interest, be protected by this Indenture (except with respect to such deposited moneys) or be deemed to be Outstanding under the provisions of this Indenture.

(g) If any Series 2006A Second Lien Bond is transferred or exchanged on the bond register after notice has been given calling such Series 2006A Second Lien Bond for redemption, the Trustee will attach a copy of such notice to the Series 2006A Second Lien Bond issued in connection with such transfer or exchange.

(h) There shall be no optional redemption of Series 2006A Second Lien Bonds unless all amounts owed to the Initial Bond Insurer (as a result of a payment made by the Initial Bond Insurer with respect to the Surety Bond) have been paid.

Section 3.12 No Partial Redemption After Breach. Anything in this Indenture to the contrary notwithstanding, if there shall have occurred and be continuing a breach of Section 6.2 of this Indenture with respect to any Series 2006A Second Lien Bonds of which an officer of the Trustee has actual knowledge, there shall be no redemption of less than all of the Series 2006A Second Lien Bonds at the time outstanding, other than mandatory sinking fund redemptions pursuant to Section 3.10(b).

Section 3.13 Selection of Series 2006A Second Lien Bonds for Redemption. If less than all of the Series 2006A Second Lien Bonds shall be called for redemption under any provision of this Indenture permitting or requiring such partial redemption, the particular Series 2006A Second Lien Bonds or portions thereof to be redeemed (including as among any Sub-series) shall be selected by the City (except as otherwise provided in the first paragraph of Section 3.10 hereof and in Section 3.10(d)(iv)), in the principal amount designated to the Trustee by the City, which designation shall include the Interest Mode and Maturity Date of the particular Series 2006A Second Lien Bonds to be redeemed, or otherwise as required by this Indenture; provided, however, that redemptions be made first from Bank Bonds, (i) in the case of the redemption of less than all of Series 2006A Second Lien Bonds which bear interest in the same Interest Mode at the same rates for the same Rate Periods, and which, in the case of Series 2006A Second Lien Bonds bearing interest at a Fixed Rate, were converted on the same date, such redemption shall be by lot in such manner as the Trustee may determine among such Series 2006A Second Lien Bonds, and (ii) subject to other applicable provisions of this Indenture, the portion of any Series 2006A Second Lien Bond to be redeemed shall be in a principal amount equal to an Authorized Denomination. In selecting Series 2006A Second Lien Bonds for redemption, the Trustee shall treat each Series 2006A Second Lien Bond as representing that number of Series 2006A Second Lien Bonds which is obtained by dividing the

principal amount of such Series 2006A Second Lien Bond by the minimum Authorized Denomination. If it is determined that one or more, but not all, of the integral multiples of the Authorized Denomination of principal amount represented by any Series 2006A Second Lien Bond is to be called for redemption, then, upon notice of intention to redeem such integral multiple of an Authorized Denomination, the Owner of such Series 2006A Second Lien Bond shall forthwith surrender such Series 2006A Second Lien Bond to the Trustee for (a) payment to such Owner of the redemption price of the integral multiple of the Authorized Denomination of principal amount called for redemption, and (b) delivery to such Owner of a new Series 2006A Second Lien Bond or Series 2006A Second Lien Bonds in the aggregate principal amount of the unredeemed balance of the principal amount of such Series 2006A Second Lien Bond. New Series 2006A Second Lien Bonds representing the unredeemed balance of the principal amount of such Series 2006A Second Lien Bond shall be issued to the Owner thereof without charge therefor.

Section 3.14 Limitations on Remarketing. (a) Any Series 2006A Second Lien Bond purchased pursuant to Section 3.1, 3.2, 3.3, 3.4 or 3.5 hereof from the date notice is given of redemption of such Series 2006A Second Lien Bond pursuant to Section 3.11 hereof through the date for such redemption, or from the date of notice of mandatory purchase of such Series 2006A Second Lien Bond pursuant to Section 3.2, 3.3, 3.4 or 3.5 hereof through the date for such mandatory purchase, shall not be remarketed except to a purchaser who has been notified at the time of such purchase of the requirement to deliver such Series 2006A Second Lien Bond for redemption or purchase to the Trustee on the redemption or purchase date.

(b) Tendered Bonds shall not be remarketed to the City; *provided* that the City, acting through its Authorized Officer, reserves the right to purchase any Tendered Bond or any Bank Bond by giving immediate notice to the Trustee, the Remarketing Agent, the Bank and the Bond Insurer not later than 1:00 p.m., Chicago time, on the second-to-last Business Day preceding such day of purchase. Such immediate notice shall state the principal amount of Tendered Bonds to be purchased and the Business Day upon which such Tendered Bonds are to be purchased (which shall be the date such Series 2006A Second Lien Bonds are scheduled to be tendered or deemed tendered for purchase). Prior to the applicable date of purchase, the City shall deposit with the Trustee funds sufficient to purchase such Tendered Bonds or Bank Bonds. Any Series 2006A Second Lien Bonds so purchased shall be selected first, from Bank Bonds and thereafter from any Tendered Bonds, and may be cancelled or remarketed as provided in Section 3.16.

Subject to receipt of Bond Insurer Approval (a copy of which shall be provided to the Trustee) and the limitations contained in paragraphs (c) and (d) below, Tendered Bonds may be remarketed to the City and the City may, but shall not be obligated to, purchase such Tendered Bonds without providing for the cancellation thereof when there is either (a) a default under the Liquidity Facility then in effect with respect to the Series 2006A Second Lien Bonds, or (b) no Liquidity Facility in effect pursuant to Section 5.7 hereof.

(c) Notwithstanding the provisions of the preceding paragraph (b), the City may, with Bond Insurer Approval (a copy of which shall be provided to the Trustee), buy on the open market, sell, own and hold any of the Series 2006A Second Lien Bonds for its own account; provided, however, that such Series 2006A Second Lien Bonds may be

sold or remarketed only if the City and the Remarketing Agent have received an Opinion of Bond Counsel that such sale or remarketing will not adversely affect the exclusion of interest on the Series 2006A Second Lien Bonds from the gross income of the owners thereof for federal income tax purposes under the Code. No purchase of Series 2006A Second Lien Bonds by the City or use of any funds to effectuate any such purchase shall be deemed to be a payment or redemption of the Series 2006A Second Lien Bonds or of any portion thereof and such purchase shall not operate to extinguish or discharge the indebtedness evidenced by such Series 2006A Second Lien Bonds.

(d) Notwithstanding anything else herein to the contrary, in no event shall any Series 2006A Second Lien Bond owned by the City be entitled to the benefit of the Bond Insurance Policy or the tender provisions hereof, and, consequently, in no event shall proceeds of the Liquidity Facility or the Bond Insurance Policy ever be applied to the payment of such City-owned Series 2006A Second Lien Bonds (and, as such, the Trustee shall make no drawings under such Liquidity Facility or claims under the Bond Insurance Policy with respect thereto).

(e) Series 2006A Second Lien Bonds shall not be remarketed upon tender thereof after defeasance pursuant to Section 9.1(g) hereof.

Section 3.15 Deposit of Funds. For the redemption of any of the Series 2006A Second Lien Bonds, the City shall cause to be deposited in the Series 2006A Second Lien Bonds Revenue Fund moneys sufficient to pay when due the principal of, and premium, if any, and interest on, the Series 2006A Second Lien Bonds to be redeemed on the applicable redemption date to be applied in accordance with the provisions hereof.

Section 3.16 Purchase of Series 2006A Second Lien Bonds by City.

(a) The City, acting through the Authorized Officer, reserves the right to purchase for immediate cancellation any Series 2006A Second Lien Bond tendered for purchase or subject to mandatory tender pursuant to this Article III or to purchase any Series 2006A Second Lien Bond held to the credit of the Custody Account, upon notice to the Trustee and the Remarketing Agent for such Series 2006A Second Lien Bonds given by irrevocable telephonic or facsimile notice (promptly confirmed in writing) (i) in the case of the purchase of a Series 2006A Second Lien Bond optionally tendered pursuant to Section 3.1(a) of this Indenture or a Series 2006A Second Lien Bond held to the credit of the Custody Account, given not later than 2:00 p.m., New York City time, on the Business Day preceding such day of purchase and (ii) in the case of the purchase of a Series 2006A Second Lien Bond subject to mandatory tender pursuant to Article III of this Indenture, given not later than 3:00 p.m., New York City time, on the second-to-last Business Day before the mandatory tender date for such Series 2006A Second Lien Bond (or the first Business Day of any Rate Period for Series 2006A Second Lien Bonds in a Short Mode which is shorter than two Business Days for Series 2006A Second Lien Bonds subject to mandatory tender at the end of such Rate Period). Such notice from the Authorized Officer shall state the principal amount of such Series 2006A Second Lien Bonds to be purchased and whether any of such Series 2006A Second Lien Bonds to be purchased are being purchased on a mandatory tender date pursuant to Article III of this Indenture. Prior to the applicable date of notice set forth in the first sentence of this

Section 3.16(a), the City shall deposit with the Trustee funds sufficient to purchase such Series 2006A Second Lien Bonds. Any such Series 2006A Second Lien Bonds so purchased for cancellation shall be selected first, from Series 2006A Second Lien Bonds held to the credit of the Custody Account, second, from such Series 2006A Second Lien Bonds as such become available upon optional tender, and thereafter from such Series 2006A Second Lien Bonds as such become available upon mandatory tender pursuant to Article III of this Indenture; provided that if fewer than all of the Series 2006A Second Lien Bonds subject to mandatory tender pursuant to Article III of this Indenture are to be purchased for cancellation, the Series 2006A Second Lien Bonds so purchased shall be selected by lot in such manner as the Trustee deems appropriate.

(b) Notwithstanding the provisions of Section 3.16(a), but subject to the provisions of Section 3.14, the City may buy, sell, own and hold any of the Series 2006A Second Lien Bonds for its own account; provided that such Series 2006A Second Lien Bonds may be sold or remarketed only if the Trustee, the City and the Remarketing Agent have received an Opinion of Bond Counsel that such sale or remarketing will not adversely affect the exclusion of interest on any Series 2006A Second Lien Bonds entitled to such exclusion from the gross income of the owners of such Series 2006A Second Lien Bonds for federal income tax purposes under the Code. No purchase of Series 2006A Second Lien Bonds by the City or use of any funds to effectuate any such purchase shall be deemed to be a payment or redemption of such Series 2006A Second Lien Bonds or of any portion of such Series 2006A Second Lien Bonds and such purchase shall not operate to extinguish or discharge the indebtedness evidenced by such Series 2006A Second Lien Bonds.

ARTICLE IV

MODE CONVERSION; AUCTION RATE MODE

Section 4.1 Authority for and Conditions to Conversion to Short Mode or Auction Rate Mode. (a) It is not necessary that all of the Series 2006A Second Lien Bonds operate in the same Interest Mode at the same time; provided that, without consent from the Initial Bond Insurer, the Series 2006A Second Lien Bonds within each Sub-series shall operate in the same Interest Mode at the same time, and if a breach by the City of Section 6.2 hereof should occur, the Initial Bond Insurer may direct a conversion of the Interest Mode, in whole or in part. In connection with any conversion of any Series 2006A Second Lien Bonds to another Interest Mode, on the applicable Adjustment Date two or more Sub-series of Series 2006A Second Lien Bonds may be combined into one with such numerical designations as the City shall designate. The City may designate a different Interest Mode with respect to any Series 2006A Second Lien Bond during a Flexible Mode or Term Rate Mode on any Rate Change Date, or during a Weekly Mode on any Business Day upon compliance with the provisions of this Section, and during an Auction Rate Mode on the last Interest Payment Date for any Auction Period, upon compliance with Section 4.5(j) hereof. The City may select such subsequent Interest Mode and, within a Flexible Mode, the Remarketing Agent may designate such Rate Periods from time to time, as will, in its judgment, result in the lowest aggregate cost being payable by the City with respect to the Series 2006A Second Lien Bonds, taking into account interest and any other determinable fees and expenses relating to such Series 2006A Second Lien

Bonds. The City may establish different Interest Modes and, within a Flexible Mode or Term Rate Mode, the Remarketing Agent may from time to time, establish different Rate Periods, for Series 2006A Second Lien Bonds on the same Adjustment Date in order to achieve an average duration of Rate Periods that, in the judgment of the Remarketing Agent, is most likely to achieve the lowest total aggregate cost being payable by the City with respect to the Series 2006A Second Lien Bonds, taking into account interest and any other determinable fees and expenses relating to such Series 2006A Second Lien Bonds, including amounts payable on applicable Interest Rate Hedge Agreements. The Remarketing Agent's determination shall be based upon the market for and the relative yields of the Series 2006A Second Lien Bonds and other securities that bear interest at a variable rate or at fixed rates that, in the judgment of the Remarketing Agent, are otherwise comparable to the Series 2006A Second Lien Bonds, or any fact or circumstance relating to the Series 2006A Second Lien Bonds or affecting the market for the Series 2006A Second Lien Bonds, or affecting such other comparable securities, in a manner that, in the judgment of the Remarketing Agent, will affect the market for the Series 2006A Second Lien Bonds. The Remarketing Agent, in its discretion, may consider such information and resources as it deems appropriate in making the determinations required by this Section, but the Remarketing Agent's determination shall be based solely upon the Remarketing Agent's judgment, and the Remarketing Agent's determination shall be conclusive and binding upon all parties. The foregoing notwithstanding, the City may select any Interest Mode and, within a Flexible Mode or Term Rate Mode, the Remarketing Agent may designate any Rate Period which does not meet the foregoing standards if the Initial Bond Insurer has consented and the conditions of Section 4.1(g)(ii) hereof are satisfied. The City shall select such a principal amount of Series 2006A Second Lien Bonds for conversion from one Interest Mode to another as will allow Series 2006A Second Lien Bonds after conversion to be sold in the minimum Authorized Denominations applicable to such Interest Mode.

(b) At the option of the City, a portion of Series 2006A Second Lien Bonds (in an amount which is an Authorized Denomination for the new Rate Period) may be converted from another Interest Mode to an Auction Rate Mode, provided there shall not be less than \$10,000,000 in aggregate principal amount of such Series 2006A Second Lien Bonds bearing interest at an ARS Rate unless otherwise consented to by the Broker-Dealers.

(c) The City shall evidence each designation of a subsequent Interest Mode and Adjustment Date for Series 2006A Second Lien Bonds (or Sub-series, if applicable) pursuant to Section 4.1(a) hereof by giving written notice to the Trustee, the Trustee's Agent, the Remarketing Agent, the Auction Agent, the Bank, the Bond Insurer and each of the Rating Agencies, which written notice shall be received by each such party not less than 20 days prior to the Adjustment Date with respect to the new Adjustment Period, specifying the Interest Mode or Modes in which such Series 2006A Second Lien Bonds shall operate during such Adjustment Period and the commencement date of such Adjustment Period and the identity of the provider of any Liquidity Facility with respect to a Sub-series if other than the Bank; provided, however, that (i) if such Adjustment Period is a Flexible Mode, the first day following each Rate Period therein shall be a Business Day, and (ii) not later than the 20th day prior to the Adjustment Date with respect to the new Adjustment Period, the Trustee must have received written evidence from each of the Rating Agencies then maintaining a rating with respect to the

Series 2006A Second Lien Bonds that the then current rating on the Series 2006A Second Lien Bonds will not be reduced or withdrawn due to the conversion of the Series 2006A Second Lien Bonds to the Flexible Mode unless the provisions of Section 5.7(a)(iii) apply. In addition, the Liquidity Facility must provide enough days of interest coverage after the Adjustment Date as may be required by any of the Rating Agencies to continue its rating, if any, unless no Liquidity Facility is required pursuant to Section 5.6 or Section 5.7 hereof.

(d) No later than 10:00 a.m., Chicago time, on an Adjustment Date which is the first day of a Flexible Mode, the Remarketing Agent shall give telephonic notice (confirmed by telecopy) to the City and the Trustee of (i) the initial Rate Period and initial Flexible Rate to be borne by each Series 2006A Second Lien Bond designated to operate in a Flexible Mode, and (ii) the Rate Change Date which immediately succeeds such initial Rate Period. No later than 10:00 a.m., Chicago time, on any Adjustment Date which is the first day of a Term Rate Mode, the Remarketing Agent shall give telephonic notice (confirmed by telecopy) to the City and the Trustee of (i) the initial Rate Period and initial Term Rate to be borne by each Series 2006A Second Lien Bond designated to operate in a Term Rate Mode, and (ii) the Rate Change Date which immediately succeeds such initial Rate Period. No later than 10:00 a.m., Chicago time, on the Rate Determination Date preceding an Adjustment Date which is the first day of a Weekly Mode, the Remarketing Agent shall give telephonic notice (confirmed by telecopy) to the City and the Trustee of the initial Weekly Rate to be borne by the Series 2006A Second Lien Bonds designated to operate in a Weekly Mode.

(e) Except with respect to (i) the ARS Rate, which shall be governed by the Auction Procedures as provided in Section 4.5, or (ii) the Term Rate, which shall be governed by the procedures as provided in Section 2.6(k), in the event the Remarketing Agent does not determine the interest rate applicable to the initial Rate Period during a new Interest Mode with respect to any Series 2006A Second Lien Bond as provided in Section 4.1(a) hereof, the immediately succeeding Interest Mode with respect to the Series 2006A Second Lien Bonds in the Interest Mode then ending shall be a Weekly Mode with a Weekly Rate established by the Remarketing Agent, or if the Remarketing Agent fails to set such Weekly Rate, such Weekly Rate shall be equal to the BMA Municipal Index.

(f) Upon receipt of notice from the City as provided in Section 4.1(c) hereof, the Trustee, at least 15 days prior to each succeeding Adjustment Date, shall give the immediate notice described in Section 3.5 hereof to each Owner of Series 2006A Second Lien Bonds thereby affected bearing interest at a Weekly Rate or an ARS Rate of the mandatory tender for purchase of the affected Series 2006A Second Lien Bonds on the Adjustment Date.

(g) Any designation pursuant to Section 4.1(a) of a subsequent Adjustment Period shall be subject to approval of the Initial Bond Insurer and be accompanied by (i) a written statement from the Remarketing Agent, addressed to the City, the Bank, the Bond Insurer and the Trustee, to the effect that the Remarketing Agent has determined that such change satisfies the standards provided in Section 4.1(a) hereof, or (ii) an approval in writing of such change by an Authorized Officer or an Opinion of Bond

Counsel to the effect that such approval is not required for the continued validity and enforceability of the Series 2006A Second Lien Bonds in accordance with their terms.

(h) During such time as a Liquidity Facility is required under Section 5.6 hereof, but subject to Section 5.7 hereof, no conversion of Interest Modes shall be effective unless the City has certified to the Trustee that the Liquidity Agreement in effect on and after such Interest Mode change permits requests to be made and funds to be made available at such times and in such amounts to the Trustee's Agent so the Trustee's Agent can comply with Section 3.5 hereof.

(i) No Series 2006A Second Lien Bonds may be converted to the Auction Mode unless such Series 2006A Second Lien Bonds are held by a securities depository in book-entry form.

(j) The City may create multiple Sub-series of Series 2006A Second Lien Bonds at any time Series 2006A Second Lien Bonds are subject to mandatory tender pursuant to Article III hereof.

Section 4.2 Designation of Substitute Adjustment Date. (a) The City may designate a Substitute Adjustment Date for any Bank Bonds (provided that such Bank Bonds shall continue to bear interest at the Bank Rate as long as they remain Bank Bonds), with Bond Insurer Approval and Bank Approval, on any Business Day. The Substitute Adjustment Date shall be the next succeeding Adjustment Date for such Series 2006A Second Lien Bonds for all purposes of this Indenture.

(b) The City shall evidence each such designation of a Substitute Adjustment Date by giving written notice to the Remarketing Agent, the Auction Agent, the Bank, the Bond Insurer and the Trustee, which written notice shall be received by the Remarketing Agent and the Trustee not less than one day prior to each such Substitute Adjustment Date for Bank Bonds, specifying the Interest Mode in which such Series 2006A Second Lien Bonds shall operate commencing with such Substitute Adjustment Date; provided, however, that clauses (i) and (ii) of the proviso of Section 4.1(b) hereof shall apply to the designation by the City of a Substitute Adjustment Date and the selection of the Rate Change Date or Dates applicable thereto. If the succeeding Adjustment Period is to be a Flexible Mode, the Remarketing Agent shall give telephonic notice (confirmed by telecopy) to the Trustee, no later than 10:00 a.m., Chicago time, on the Adjustment Date which is the first day of a Flexible Mode, of (i) the duration of the initial Rate Periods during such Flexible Mode and the initial Flexible Rates to be borne by the Series 2006A Second Lien Bonds designated to operate in a Flexible Mode during such Rate Periods, and (ii) the Rate Change Dates upon which such Rate Periods shall terminate. If the succeeding Adjustment Period is to be a Term Rate Mode, the Remarketing Agent shall give telephonic notice (confirmed by telecopy) to the City and the Trustee, no later than 10:00 a.m., Chicago time, on the Adjustment Date which is the first day of a Term Rate Mode, of (i) the duration of the initial Rate Periods during such Term Rate Mode and the initial Term Rates to be born by the Series 2006A Second Lien Bonds designated to operate in a Term Rate Mode during such Rate Periods and (ii) the Rate Change Dates upon which such Rate Periods shall terminate. If the succeeding Adjustment Period is to be a Weekly Mode, the

Remarketing Agent shall give telephonic notice (confirmed by telecopy) to the City and the Trustee, no later than 10:00 a.m., Chicago time, on the Business Day immediately preceding the Substitute Adjustment Date, specifying the interest rate which will be effective commencing on such Substitute Adjustment Date.

(c) If the City shall designate a Substitute Adjustment Date for any Series 2006A Second Lien Bonds, it shall cause to be delivered to the Trustee, the Remarketing Agent, the Auction Agent, the Bank and the Bond Insurer concurrently with the notice described in (b) above, and no such designation of a Substitute Adjustment Date shall take effect without an Opinion of Bond Counsel to the effect that the designation of such Substitute Adjustment Date (i) is authorized or permitted by this Indenture, (ii) will not have an adverse effect on the exclusion from gross income for federal income tax purposes of interest on the Series 2006A Second Lien Bonds, and (iii) will not have an adverse effect on the validity or enforceability of any such Series 2006A Second Lien Bond. The Substitute Adjustment Date shall not be effective unless prior to 10:00 a.m., Chicago time, on the Substitute Adjustment Date, the Trustee shall have received an Opinion of Bond Counsel, dated such Adjustment Date, reaffirming the conclusions of the opinion accompanying the notice delivered as above required.

(d) Any designation by the City pursuant to Section 4.2(a) of a Substitute Adjustment Date shall be accompanied by (i) a written statement from the Remarketing Agent, addressed to the City and the Trustee, to the effect that the Remarketing Agent has determined that such change satisfies the standards provided in Section 4.1(a) hereof, or (ii) an Opinion of Bond Counsel to the effect that such approval is not required for the continued validity and enforceability of the Series 2006A Second Lien Bonds in accordance with their terms.

Section 4.3 Authority for and Conditions to Conversion to Term Rate or Fixed Rate; Reductions in Liquidity Facility. (a) On any Rate Change Date during a Flexible Mode, on any Business Day during a Weekly Mode, or on the last Interest Payment Date during an Auction Rate Mode, the interest rate to be borne by all or any portion of the Series 2006A Second Lien Bonds in such Interest Mode may be converted to a Term Rate or a Fixed Rate, and such Series 2006A Second Lien Bonds so converted shall thereafter bear interest at such Term Rate or Fixed Rate until payment of the principal or redemption price thereof shall have been made or provided for in accordance with the provisions hereof, whether at the Maturity Date, upon redemption or otherwise, upon receipt by the Trustee of (i) a written direction from an Authorized Officer specifying a Term Rate Conversion Date or Fixed Rate Conversion Date, the principal amount of the Series 2006A Second Lien Bonds to be converted and the mandatory sinking fund requirements (determined by reference to, and consistent with, the schedule set forth in Section 3.10(b) hereof) applicable thereto, (ii) a firm underwriting or purchase contract from a recognized firm of bond underwriters or recognized institutional investors to underwrite or purchase all the Series 2006A Second Lien Bonds which are to be converted on such Term Rate Conversion Date or Fixed Rate Conversion Date at a price of 100 percent of the principal amount thereof, (iii) written consent of the Initial Bond Insurer if the Series 2006A Second Lien Bonds are to be converted to a Fixed Rate, and (iv) an Opinion of Bond Counsel addressed to the City, the Bond Insurer and the Trustee to the effect that such conversion (1) is authorized or

permitted by this Indenture, (2) will not have an adverse effect on the exclusion from gross income for federal income tax purposes of the interest on the Series 2006A Second Lien Bonds, and (3) will not have an adverse effect on the validity or enforceability of any Series 2006A Second Lien Bond, all of which direction, certificates, contract and opinion shall be received not less than 20 days prior to the Term Rate Conversion Date or Fixed Rate Conversion Date. The conversion of the interest rate borne by Series 2006A Second Lien Bonds pursuant to this Section shall not become effective unless prior to 10:00 a.m., Chicago time, on the Term Rate Conversion Date or Fixed Rate Conversion Date the Trustee shall have received an Opinion of Bond Counsel, dated the Term Rate Conversion Date or Fixed Rate Conversion Date, reaffirming the conclusions of the opinion accompanying the written direction of the City delivered as above required.

(b) The City agrees to offer for sale on reasonable and customary terms, all, but not less than all, of the Outstanding Series 2006A Second Lien Bonds at a Term Rate or Fixed Rate and thereby convert the Series 2006A Second Lien Bonds to a Term Rate or Fixed Rate (subject to compliance with each of the requirements of subsection (a) above), within 60 days after receipt by the City of the Initial Bond Insurer's written direction to do so, after the occurrence and continuance of a failure by the City to make payments on the Series 2006A Second Lien Bonds pursuant to Section 6.2 hereof.

(c) At least 15 days prior to the Term Rate Conversion Date or Fixed Rate Conversion Date, the Trustee shall give or cause the Remarketing Agent to give written notice of such election by the City to the Owners of all Series 2006A Second Lien Bonds (or all of a Sub-series, if applicable) to be converted bearing interest at a Flexible Rate, a Weekly Rate or an ARS Rate, which notice shall state (i) the Term Rate Conversion Date or Fixed Rate Conversion Date, and (ii) that the Series 2006A Second Lien Bonds shall be subject to mandatory purchase on the Term Rate Conversion Date or Fixed Rate Conversion Date. The Trustee shall give written notice by first class mail to the Remarketing Agent, the Bond Insurer and the Bank of the foregoing information.

(d) The City shall deliver replacement Series 2006A Second Lien Bonds bearing the Term Rate or Fixed Rate for converted Series 2006A Second Lien Bonds surrendered or deemed surrendered by the Owner thereof. Any such replacement Series 2006A Second Lien Bonds shall be executed and authenticated as provided in Section 2.8 hereof; provided, however, that, unless the form of the Series 2006A Second Lien Bonds is revised pursuant to this Indenture, the Trustee shall affix a legend on the face of each Series 2006A Second Lien Bond authenticated on or after the Term Rate Conversion Date or Fixed Rate Conversion Date therefor in substantially the following form:

This Series 2006A Second Lien Bond bears interest at the Term Rate or Fixed Rate, as applicable, as defined in this Series 2006A Second Lien Bond, of _____ percent per annum from and after _____. This Series 2006A Second Lien Bond is neither (i) subject to optional or mandatory tender for purchase nor (ii) secured by a Liquidity Facility. This Series 2006A Second Lien Bond matures on _____.

(e) From the date notice of the proposed establishment of a Term Rate or Fixed Rate with respect to any Series 2006A Second Lien Bond is received by the Trustee as provided in subsection (a) of this Section 4.3 through the Term Rate Conversion Date or Fixed Rate Conversion Date therefor, such Series 2006A Second Lien Bond shall not be remarketed by the Remarketing Agent except to a buyer who is notified in writing of the mandatory purchase of such Series 2006A Second Lien Bond on such Term Rate Conversion Date or Fixed Rate Conversion Date.

(f) After the Term Rate Conversion Date or Fixed Rate Conversion Date for any Series 2006A Second Lien Bonds, interest on such Series 2006A Second Lien Bonds shall be payable semiannually on each January 1 and July 1 until all of such Series 2006A Second Lien Bonds shall have been paid or payment shall have been duly provided for. The interest payable on the January 1 or July 1, as the case may be, next following the Term Rate Conversion Date or Fixed Rate Conversion Date for such Series 2006A Second Lien Bonds shall be for the period, which may be less than six months, commencing on such Fixed Rate Conversion Date until such January 1 or July 1. The determination of the Fixed Rate for any Series 2006A Second Lien Bonds shall be conclusive and binding upon the Owners of such Series 2006A Second Lien Bonds, the City, the Bond Insurer and the Trustee.

(g) If the conversion of the interest rate on any Series 2006A Second Lien Bond does not occur for any reason, including in the event that any condition precedent to the conversion shall not occur, such Series 2006A Second Lien Bonds shall bear interest from and after the proposed Term Rate Conversion Date or Fixed Rate Conversion Date in the same Interest Mode as the Interest Mode applicable to such Series 2006A Second Lien Bond prior to the proposed Term Rate Conversion Date or Fixed Rate Conversion Date, at the interest rate calculated in the manner set forth in Section 2.6 hereof for such Interest Mode.

(h) No Liquidity Facility is required for Series 2006A Second Lien Bonds bearing interest at a Fixed Rate or an ARS Rate, so the amount of the Liquidity Facility, if any, may be (i) permanently reduced on or after the Fixed Rate Conversion Date with respect to Series 2006A Second Lien Bonds bearing interest at the Fixed Rate and (ii) reduced, subject to Sections 5.6 and 5.7 hereof with respect to subsequent conversions to a Short Mode or Term Rate Mode and with respect to Series 2006A Second Lien Bonds bearing interest at an ARS Rate, as provided in the Liquidity Agreement.

Section 4.4 Selection of Series 2006A Second Lien Bonds for Mandatory Redemption Upon Conversion to Fixed Rate. Not later than 20 days prior to a proposed Term Rate Conversion Date or Fixed Rate Conversion Date, the City may direct the Trustee in writing to select in advance of the dates on which the Trustee would otherwise do so the Series 2006A Second Lien Bonds to be redeemed prior to maturity pursuant to Section 3.10(b) hereof on each subsequent mandatory redemption date specified in such direction. Thereafter, but not later than 10 days prior to the effective date of such conversion, the Trustee (or, at the Trustee's request, the Trustee's Agent) shall:

(a) Assign a distinctive number (a "Tentative Serial Bond Number") to each \$5,000 in principal amount of the Series 2006A Second Lien Bonds then Outstanding;

(b) Treating each Tentative Serial Bond Number as a separate Series 2006A Second Lien Bond, select by lot in such manner as the Trustee deems appropriate and fair the particular Series 2006A Second Lien Bonds to be redeemed on each subsequent mandatory redemption date specified in the City's direction, in such manner that the aggregate principal amount of Series 2006A Second Lien Bonds required by Section 3.10(b) hereof to be redeemed on each such date shall be so redeemed;

(c) Assign to each Series 2006A Second Lien Bond selected to be redeemed prior to maturity a distinctive number (a "*Permanent Serial Bond Number*") corresponding to its Tentative Serial Bond Number, whereupon the Tentative Serial Bond Numbers previously assigned to all such Series 2006A Second Lien Bonds and to any Series 2006A Second Lien Bonds not so selected shall lapse and shall no longer be effective; and

(d) Provide the City, the Remarketing Agent and the Auction Agent with copies of a list of all Permanent Serial Bond Numbers assigned to the Series 2006A Second Lien Bonds and the date on which each Series 2006A Second Lien Bond bearing a Permanent Serial Bond Number is scheduled to be redeemed prior to its stated maturity.

The Trustee shall cause to be noted on each Series 2006A Second Lien Bond thereafter authenticated the Permanent Serial Bond Number or Numbers, if any, assigned to such Series 2006A Second Lien Bond and the date on which the Series 2006A Second Lien Bond or a portion thereof in the principal amount of \$5,000 bearing such Permanent Serial Bond number is scheduled to be redeemed. In addition, the Trustee shall apply for and, if available, cause to be printed on each Series 2006A Second Lien Bond scheduled to be redeemed on a particular date pursuant to the preceding provisions of this Section a separate CUSIP number that, either on its face or by reference to an index or directory or otherwise, identifies the date on which such Series 2006A Second Lien Bond is scheduled to be redeemed prior to its stated Maturity Date.

Solely for the purpose of selecting the Series 2006A Second Lien Bonds for redemption prior to maturity, whether at the option of the City pursuant to Section 3.10(a) hereof, by operation of Section 3.10(b) hereof, or otherwise, all of the Series 2006A Second Lien Bonds scheduled to be redeemed on a particular date pursuant to the preceding provisions of this Section shall be deemed to mature on that date; provided that only payments on the Series 2006A Second Lien Bonds scheduled to be redeemed pursuant to the requirements of Section 3.10(b) shall be covered by the Bond Insurance Policy on such date.

If any condition to the conversion of the Series 2006A Second Lien Bonds to a Term Rate Mode or a Fixed Mode shall not have been satisfied as of the Term Rate Conversion Date or the Fixed Rate Conversion Date, as applicable, the mandatory redemption dates determined pursuant to this Section 4.4 shall be of no force and effect.

Section 4.5 Auction Procedures.

(a) *General.* During any Auction Period, the ARS Bonds shall bear interest at the ARS Rate determined as set forth in this Section 4.5. Unless otherwise provided herein, the provisions of this Section 4.5 shall apply separately to each Sub-series of ARS Bonds.

(b) *Changes in Auction Period.*

(i) During any ARS Rate Period, the City with the consent of the Initial Bond Insurer or, in the event of a failure by the City to make payments pursuant to Section 6.2 hereof, the Initial Bond Insurer may from time to time on any Interest Payment Date, change the length of the Auction Period with respect to any of the ARS Bonds among seven days, 28 days, 35 days, three months, six months and a Special Auction Period. The City shall initiate the change in the length of the Auction Period by giving written notice to the Trustee, the Bond Insurer, the Auction Agent, the Broker-Dealers and DTC that the Auction Period for the ARS Bonds specified in such notice shall change if the conditions described herein are satisfied and the proposed effective date of the change, at least 10 Business Days prior to the Auction Date for such Auction Period; except that in the case of a change from a Special Auction Period of 92 or more days, the date of such change shall be the Interest Payment Date immediately following the last day of such Special Auction Period.

(ii) The change in length of the Auction Period shall take effect only if Sufficient Clearing Bids exist at the Auction on the Auction Date for such first Auction Period. For purposes of the Auction for the first Auction Period only, each Existing Owner shall be deemed to have submitted Sell Orders with respect to all of its ARS Bonds for which there is to be a change in the length of the Auction Period except to the extent such Existing Owner submits an Order with respect to such ARS Bonds. If the condition referred to above is not met, the ARS Rate for the next Auction Period shall be the Maximum ARS Rate and the Auction Period shall be a seven-day Auction Period.

(iii) On the conversion date for ARS Bonds from one Auction Period to another, any ARS Bonds which are not the subject of a specific Hold Order or Bid shall be deemed to be subject to a Sell Order.

(c) *Changes in Auction Date.*

During any ARS Rate Period, the Auction Agent, with the written consent of the City, may specify an Auction Date for ARS Bonds other than the Auction Date that would otherwise be determined in accordance with the definition of "Auction Date." The Auction Agent shall provide notice of its determination to specify an earlier Auction Date for an Auction Period by means of a written notice delivered at least 45 days prior to the proposed changed Auction Date to the Trustee, the City, the Bond Insurer, the Broker-Dealers and DTC.

(d) *Orders by Existing Owners and Potential Owners.*

(i) Prior to the Submission Deadline on each Auction Date during an Auction Period:

(a) each Existing Owner may submit to a Broker-Dealer, in writing or by such other method as shall be reasonably acceptable to such Broker-Dealer, information as to:

(x) the principal amount of the ARS Bonds, if any, held by such Existing Owner which such Existing Owner irrevocably commits to continue to hold for the next succeeding Auction Period without regard to the rate determined by the Auction Procedures for such Auction Period;

(y) the principal amount of the ARS Bonds, if any, held by such Existing Owner which such Existing Owner irrevocably commits to continue to hold for the next succeeding Auction Period if the rate determined by the Auction Procedures for such Auction Period shall not be less than the rate per annum then specified by such Existing Owner (and which such Existing Owner irrevocably offers to sell on the next succeeding Interest Payment Date if the rate determined by the Auction Procedures for the next succeeding Auction Period shall be less than the rate per annum then specified by such Existing Owner); and/or

(z) the principal amount of the ARS Bonds, if any, held by such Existing Owner which such Existing Owner irrevocably offers to sell on the next succeeding Interest Payment Date without regard to the rate determined by the Auction Procedures for the next succeeding Auction Period; and

(b) for the purpose of implementing the Auctions and thereby to achieve the lowest possible interest rate on the ARS Bonds, the Broker-Dealers shall contact Potential Owners, including Persons that are Existing Owners, to determine the principal amount of the ARS Bonds, if any, which each such Potential Owner irrevocably offers to purchase if the rate determined by the Auction Procedures for the next succeeding Auction Period is not less than the rate per annum then specified by such Potential Owner.

For the purposes hereof, an Order containing the information referred to in clause (a)(x) above is herein referred to as a "Hold Order," an Order containing the information referred to in clause (a)(y) or (b) above is herein referred to as a "Bid," and an Order containing the information referred to in clause (a)(z) above is herein referred to as a "Sell Order."

(ii) (a) A Bid by an Existing Owner shall constitute an irrevocable offer to sell:

(x) the principal amount of the ARS Bonds specified in such Bid if the rate determined by the Auction Procedures on such Auction Date shall be less than the rate specified therein; or

(y) such principal amount or a lesser principal amount of the ARS Bonds to be determined as provided in subsection 4.5(g)(i)(e) if the rate determined by the Auction

Procedures on such Auction Date shall be equal to such specified rate; or

(z) a lesser principal amount of the ARS Bonds to be determined as provided in subsection 4.5(g)(ii)(d) if such specified rate shall be higher than the Maximum ARS Rate and Sufficient Clearing Bids do not exist.

(b) A Sell Order by an Existing Owner shall constitute an irrevocable offer to sell:

(y) the principal amount of the ARS Bonds specified in such Sell Order; or

(z) such principal amount or a lesser principal amount of the ARS Bonds as determined in subsection 4.5(g)(ii)(d) if Sufficient Clearing Bids do not exist.

(c) A Bid by a Potential Owner shall constitute an irrevocable offer to purchase:

(y) the principal amount of the ARS Bonds specified in such Bid if the rate determined by the Auction Procedures on such Auction Date shall be higher than the rate specified therein; or

(z) such principal amount or a lesser principal amount of the ARS Bonds as determined in subsection 4.5(g)(i)(f) if the rate determined by the Auction Procedures on such Auction Date shall be equal to such specified rate.

(iii) Anything herein to the contrary notwithstanding:

(a) for purposes of any Auction, any Order which specifies the ARS Bonds to be held, purchased or sold in a principal amount which is not equal to the Authorized Denomination for ARS Bonds or an integral multiple thereof shall be rounded down to the nearest amount that is equal to the Authorized Denomination for ARS Bonds, and the Auction Agent shall conduct the Auction Procedures as if such Order had been submitted in such lower amount;

(b) for purposes of any Auction, any portion of an Order of an Existing Owner which relates to the ARS Bond which has been called for redemption on or prior to the Interest Payment Date next succeeding such Auction shall be invalid with respect to such portion and the Auction Agent shall conduct the Auction Procedures as if such portion of such Order had not been submitted;

(c) for purposes of any Auction, no portion of the ARS Bond which has been called for redemption on or prior to the Interest Payment Date next succeeding such Auction shall be included in the calculation of Available Bonds for such Auction; and

(d) the Auction Procedures shall be suspended during the period commencing on the date of the Auction Agent's receipt of notice from the Trustee or the City of the occurrence or failure by the City to pay debt service on the Series 2006A Second Lien Bonds pursuant to Section 6.2 hereof and the failure by the Bond Insurer to pay amounts due under the Bond Insurance Policy (a "Payment Default") in respect thereof but shall resume two Business Days after the date on which the Auction Agent receives notice from the Trustee that such failure has been cured, with the next Auction to occur on the next regularly scheduled Auction Date occurring thereafter. The ARS Rate for the Auction Period during which a Payment Default shall have occurred and each Auction Period thereafter commencing prior to two Business Days after the date on which such Payment Default shall have ceased to continue, shall be the Default Auction Rate for such Auction Period.

(e) *Submission of Orders by Broker-Dealers to Auction Agent.*

(i) Each Broker-Dealer shall submit to the Auction Agent in writing or by such other method as shall be reasonably acceptable to the Auction Agent, including such electronic communication acceptable to the parties, prior to the Submission Deadline on each Auction Date, all Orders obtained by such Broker-Dealer and, if requested, specifying with respect to each Order:

(a) the aggregate principal amount of the ARS Bonds, if any, that are the subject of such Order;

(b) to the extent that such Bidder is an Existing Owner:

(x) the principal amount of the ARS Bonds, if any, subject to any Hold Order placed by such Existing Owner;

(y) the principal amount of the ARS Bonds, if any, subject to any Bid placed by such Existing Owner and the rate specified in such Bid; and

(z) the principal amount of the ARS Bonds, if any, subject to any Sell Order placed by such Existing Owner;

(c) to the extent such Bidder is a Potential Owner, the rate specified in such Bid.

(ii) If any rate specified in any Bid contains more than three figures to the right of the decimal point, the Auction Agent shall round such rate up to the next highest one thousandth of one percent (0.001%).

(iii) If an Order or Orders covering all of the ARS Bonds held by an Existing Owner is not submitted to the Auction Agent prior to the Submission Deadline, the Auction Agent shall deem a Hold Order to have been submitted on behalf of such Existing Owner covering the principal amount of the ARS Bonds held by such Existing Owner and not subject to Orders submitted to the Auction Agent; but that if there is a conversion from one Auction Period to another Auction Period and Orders have not been submitted to the Auction Agent prior to the Submission Deadline covering the aggregate principal amount of the ARS Bonds to be converted held by such Existing Owner, the Auction Agent shall deem a Sell Order to have been submitted on behalf of such Existing Owner covering the principal amount of ARS Bonds to be converted held by such Existing Owner not subject to Orders submitted to the Auction Agent.

(iv) If one or more Orders covering in the aggregate more than the principal amount of Outstanding ARS Bonds held by any Existing Owner are submitted to the Auction Agent, such Orders shall be considered valid as follows:

(a) all Hold Orders shall be considered Hold Orders, but only up to and including in the aggregate the principal amount of the ARS Bonds held by such Existing Owner;

(b) (w) any Bid of an Existing Owner shall be considered valid as a Bid of an Existing Owner up to and including the excess of the principal amount of the ARS Bonds held by such Existing Owner over the principal amount of the ARS Bonds subject to Hold Orders referred to in paragraph (a) above;

(x) subject to clause (w) above, all Bids of an Existing Owner with the same rate shall be aggregated and considered a single Bid of an Existing Owner up to and including the excess of the principal amount of the ARS Bonds held by such Existing Owner over the principal amount of the ARS Bonds held by such Existing Owner subject to Hold Orders referred to in paragraph (i) above;

(y) subject to clause (w) above, if more than one Bid with different rates is submitted on behalf of such Existing Owner, such Bids shall be considered Bids of an Existing Owner in the ascending order of their respective rates up to the amount of the excess of the principal amount of the ARS Bonds held by such Existing Owner over the principal amount of the ARS Bonds held by such Existing Owner subject to Hold Orders referred to in paragraph (a) above; and

(z) the principal amount, if any, of such ARS Bonds of such Sub-series subject to Bids not considered to be Bids of an Existing Owner under this paragraph (b) shall be treated as the subject of a Bid by a Potential Owner;

(c) all Sell Orders shall be considered Sell Orders, but only up to and including a principal amount of the ARS Bonds equal to the excess of the principal amount of the ARS Bonds held by such Existing Owner over the sum of the principal amount of the ARS Bonds considered to be subject to Hold Orders pursuant to paragraph (a) above and the principal amount of ARS Bonds considered to be subject to Bids of such Existing Owner pursuant to paragraph (b) above.

(v) If more than one Bid is submitted on behalf of any Potential Owner, each Bid submitted with the same rate shall be aggregated and considered a single Bid and each Bid submitted with a different rate shall be considered a separate Bid with the rate and the principal amount of ARS Bonds specified therein.

(vi) Neither the City, the Trustee nor the Auction Agent shall be responsible for the failure of any Broker-Dealer to submit an Order to the Auction Agent on behalf of any Existing Owner or Potential Owner.

(vii) Any Bid submitted by an Existing Owner or a Potential Owner specifying a rate lower than the Minimum ARS Rate, if any, shall be treated as a Bid specifying the Minimum ARS Rate.

(f) *Determination of ARS Rate.*

(i) Not later than 9:30 a.m., New York City time, on each Auction Date for each Sub-series of ARS Bonds, the Auction Agent shall advise the Broker-Dealers and the Trustee by telephone or other electronic communication acceptable to the parties of the Minimum ARS Rate, the Maximum ARS Rate and the ARS Index for the ARS Bonds.

(ii) Promptly after the Submission Deadline on each Auction Date for each Sub-series of ARS Bonds, the Auction Agent shall assemble all Orders submitted or deemed submitted to it by the Broker-Dealers (each such Order as submitted or deemed submitted by a Broker-Dealer being hereinafter referred to as a "Submitted Hold Order," a "Submitted Bid" or a "Submitted Sell Order," as the case may be, and collectively as a "Submitted Order") and shall determine (i) the Available Bonds, (ii) whether there are Sufficient Clearing Bids, and if so, the Winning Bid Rate, and (iii) the Auction Rate.

(iii) Promptly after the Auction Agent has made the determinations pursuant to subsection (ii) above, the Auction Agent shall advise the Trustee by telephone (promptly confirmed in writing), telex or facsimile transmission or other electronic communication acceptable to the parties of the Auction Rate for

the next succeeding Auction Period and the Trustee shall promptly notify DTC of such Auction Rate.

(iv) In the event the Auction Agent fails to calculate, or for any reason fails to timely provide, the Auction Rate for any Auction Period, the Auction Rate for such Auction Period shall be the No Auction Rate; but if the Auction Procedures are suspended pursuant to subsection 4.5(d)(iii)(d), the ARS Rate for the next succeeding Auction Period (and each succeeding Auction Period thereafter until the Auction Procedures are resumed in accordance with said subsection) shall be the Default Auction Rate.

(v) In the event that all of the conditions for a change in the Interest Mode applicable to the ARS Bonds from an Auction Rate Mode to any other Interest Mode have not been met or in the event of a failure to change the length of the current Auction Period due to the lack of Sufficient Clearing Bids at the Auction on the Auction Date for the first new Auction Period, the ARS Rates for the next Auction Period shall be the Maximum ARS Rate and the Auction Period shall be a seven-day Auction Period.

(vi) If the ARS Bonds are no longer maintained in book-entry form by DTC, then the ARS Rates for the subsequent Auction Period shall be the Maximum ARS Rate and such Auction Period shall be for seven days, and the City shall convert the ARS Bonds from the Auction Rate Mode to another Interest Mode as soon as practicable.

(g) *Allocation of ARS Bonds.*

(i) In the event of Sufficient Clearing Bids for a Sub-series of ARS Bonds, subject to the further provisions of subsections (iii) and (iv) below, Submitted Orders for such Bonds shall be accepted or rejected as follows in the following order of priority:

(a) the Submitted Hold Order of each Existing Owner shall be accepted, thus requiring each such Existing Owner to continue to hold the ARS Bonds that are the subject of such Submitted Hold Order;

(b) the Submitted Sell Order of each Existing Owner shall be accepted and the Submitted Bid of each Existing Owner specifying any rate that is higher than the Winning Bid Rate shall be rejected, thus requiring each such Existing Owner to sell the ARS Bonds that are the subject of such Submitted Sell Order or Submitted Bid;

(c) the Submitted Bid of each Existing Owner specifying any rate that is lower than the Winning Bid Rate shall be accepted, thus requiring each such Existing Owner to continue to hold the ARS Bonds that are the subject of such Submitted Bid;

(d) the Submitted Bid of each Potential Owner specifying any rate that is lower than the Winning Bid Rate shall be accepted, thus requiring each such Potential Owner to purchase the ARS Bonds that are the subject of such Submitted Bid;

(e) the Submitted Bid of each Existing Owner specifying a rate that is equal to the Winning Bid Rate shall be accepted, thus requiring each such Existing Owner to continue to hold the ARS Bonds that are the subject of such Submitted Bid, but only up to and including the principal amount of ARS Bonds obtained by multiplying (A) the aggregate principal amount of Outstanding ARS Bonds which are not the subject of Submitted Hold Orders described in paragraph (a) above or of Submitted Bids described in paragraph (c) or (d) above by (B) a fraction the numerator of which shall be the principal amount of Outstanding ARS Bonds held by such Existing Owner subject to such Submitted Bid and the denominator of which shall be the aggregate principal amount of Outstanding ARS Bonds subject to such Submitted Bids made by all such Existing Owners that specified a rate equal to the Winning Bid Rate, and the remainder, if any, of such Submitted Bid shall be rejected, thus requiring each such Existing Owner to sell any excess amount of ARS Bonds;

(f) the Submitted Bid of each Potential Owner specifying a rate that is equal to the Winning Bid Rate shall be accepted, thus requiring each such Potential Owner to purchase the ARS Bonds that are the subject of such Submitted Bid, but only in an amount equal to the principal amount of ARS Bonds obtained by multiplying (A) the aggregate principal amount of Outstanding ARS Bonds which are not the subject of Submitted Hold Orders described in paragraph (a) above or of Submitted Bids described in paragraphs (c), (d) or (e) above by (B) a fraction the numerator of which shall be the principal amount of Outstanding ARS Bonds subject to such Submitted Bid and the denominator of which shall be the sum of the aggregate principal amount of Outstanding ARS Bonds subject to such Submitted Bids made by all such Potential Owners that specified a rate equal to the Winning Bid Rate, and the remainder of such Submitted Bid shall be rejected; and

(g) the Submitted Bid of each Potential Owner specifying any rate that is higher than the Winning Bid Rate shall be rejected.

(ii) In the event there are not Sufficient Clearing Bids for ARS Bonds, subject to the further provisions of subsections (iii) and (iv) below, Submitted Orders for ARS Bonds shall be accepted or rejected as follows in the following order of priority:

(a) the Submitted Hold Order of each Existing Owner shall be accepted, thus requiring each such Existing Owner to continue to hold the ARS Bonds that are the subject of such Submitted Hold Order;

(b) the Submitted Bid of each Existing Owner specifying any rate that is not higher than the Maximum ARS Rate, shall be accepted, thus requiring each such Existing Owner to continue to hold the ARS Bonds that are the subject of such Submitted Bid;

(c) the Submitted Bid of each Potential Owner specifying any rate that is not higher than the Maximum ARS Rate, shall be accepted, thus requiring each such Potential Owner to purchase the ARS Bonds that are the subject of such Submitted Bid;

(d) the Submitted Sell Orders of each Existing Owner shall be accepted as Submitted Sell Orders and the Submitted Bids of each Existing Owner specifying any rate that is higher than the Maximum ARS Rate, shall be deemed to be and shall be accepted as Submitted Sell Orders, in both cases only up to and including the principal amount of ARS Bonds obtained by multiplying (A) the aggregate principal amount of ARS Bonds subject to Submitted Bids described in paragraph (c) of this subsection (ii) by (B) a fraction the numerator of which shall be the principal amount of Outstanding ARS Bonds held by such Existing Owner subject to such Submitted Sell Order or such Submitted Bid deemed to be a Submitted Sell Order and the denominator of which shall be the principal amount of Outstanding ARS Bonds subject to all such Submitted Sell Orders and such Submitted Bids deemed to be Submitted Sell Orders, and the remainder of each such Submitted Sell Order or Submitted Bid shall be deemed to be and shall be accepted as a Hold Order and each such Existing Owner shall be required to continue to hold such excess amount of the ARS Bonds; and

(e) the Submitted Bid of each Potential Owner specifying any rate that is higher than the Maximum ARS Rate shall be rejected.

(iii) If, as a result of the procedures described in subsection (i) or (ii) above, any Existing Owner or Potential Owner would be required to purchase or sell an aggregate principal amount of the ARS Bonds which is not an integral multiple of the Authorized Denomination for ARS Bonds on any Auction Date, the applicable Broker-Dealer shall by lot, in such manner as it shall determine in its sole discretion, round up or down the principal amount of the ARS Bonds to be purchased or sold by any Existing Owner or Potential Owner on such Auction Date so that the aggregate principal amount of the ARS Bonds purchased or sold by each Existing Owner or Potential Owner on such Auction Date shall be an Authorized Denomination, even if such allocation results in one or more of such Existing Owners or Potential Owners not purchasing or selling any ARS Bonds on such Auction Date.

(iv) If, as a result of the procedures described in subsection (i) above, any Potential Owner would be required to purchase a principal amount of ARS Bonds that is less than the Authorized Denomination for ARS Bonds on any Auction Date, the applicable Broker-Dealer shall by lot, in such manner as it shall

determine in its sole discretion, allocate such ARS Bonds for purchase among Potential Owners so that the principal amount of ARS Bonds purchased on such Auction Date by any Potential Owner shall be an Authorized Denomination, even if such allocation results in one or more of such Potential Owners not purchasing such ARS Bonds on such Auction Date.

(h) *Notice of ARS Rate.*

(i) On each Auction Date, the Auction Agent shall notify by telephone or other telecommunication device or other electronic communication acceptable to the parties or in writing each Broker-Dealer that participated in the Auction held on such Auction Date of the following with respect to ARS Bonds for which an Auction was held on such Auction Date:

(a) the ARS Rate determined on such Auction Date for the succeeding Auction Period;

(b) whether Sufficient Clearing Bids existed for the determination of the Winning Bid Rate;

(c) if such Broker-Dealer submitted a Bid or a Sell Order on behalf of an Existing Owner, whether such Bid or Sell Order was accepted or rejected and the principal amount of the ARS Bonds, if any, to be sold by such Existing Owner;

(d) if such Broker-Dealer submitted a Bid on behalf of a Potential Owner, whether such Bid was accepted or rejected and the principal amount of the ARS Bonds, if any, to be purchased by such Potential Owner;

(e) if the aggregate principal amount of the ARS Bonds to be sold by all Existing Owners on whose behalf such Broker-Dealer submitted Bids or Sell Orders is different from the aggregate principal amount of the ARS Bonds to be purchased by all Potential Owners on whose behalf such Broker-Dealer submitted a Bid, the name or names of one or more Broker-Dealers (and the Agent Member, if any, of each such other Broker-Dealer) and the principal amount of the ARS Bonds to be (A) purchased from one or more Existing Owners on whose behalf such other Broker-Dealers submitted Bids or Sell Orders or (B) sold to one or more Potential Owners on whose behalf such Broker-Dealer submitted Bids; and

(f) the immediately succeeding Auction Date.

(ii) On each Auction Date, with respect to each Sub-series of ARS Bonds for which an Auction was held on such Auction Date, each Broker-Dealer that submitted an Order on behalf of any Existing Owner or Potential Owner shall: (i) advise each Existing Owner and Potential Owner on whose behalf such

Broker-Dealer submitted an Order as to (A) the ARS Rates determined on such Auction Date, (B) whether any Bid or Sell Order submitted on behalf of each such Owner was accepted or rejected and (C) the immediately succeeding Auction Date; (ii) instruct each Potential Owner on whose behalf such Broker-Dealer submitted a Bid that was accepted, in whole or in part, to instruct such Existing Owner's Agent Member to pay to such Broker-Dealer (or its Agent Member) through DTC the amount necessary to purchase the principal amount of such ARS Bonds to be purchased pursuant to such Bid against receipt of such ARS Bonds; and (iii) instruct each Existing Owner on whose behalf such Broker-Dealer submitted a Sell Order that was accepted or a Bid that was rejected, in whole or in part, to instruct such Existing Owner's Agent Member to deliver to such Broker-Dealer (or its Agent Member) through DTC the principal amount of such Bonds to be sold pursuant to such Bid or Sell Order against payment therefor.

(i) *ARS Index.*

(i) The ARS Index on any Auction Date with respect to the ARS Bonds in any Auction Period of 35 days or less shall be the greater of (a) the Thirty-Day "AA" Composite Non-Financial Commercial Paper Rate (defined below) on such date or (b) one month LIBOR, if any, on such date. The ARS Index with respect to the ARS Bonds in any Auction Period greater than 35 days shall be the greater rate of (a) the rate on United States Treasury Securities having a maturity which most closely approximates the length of the Auction Period, as last published in The Bond Buyer, or (b) LIBOR, if any, which most closely approximates the length of the Auction Period on such Auction Date. If either rate is unavailable, the ARS Index shall be an index or rate agreed to by all Broker-Dealers and consented to by the City and the Bond Insurer.

"Thirty-Day "AA" Composite Non-Financial Commercial Paper Rate" on any date of determination, means the interest equivalent of the thirty-day rate on commercial paper placed on behalf of non-financial issuers whose corporate bonds are rated "AA" by S&P, or the equivalent of such rating by S&P, as made available on a discount basis or otherwise by the Federal Reserve Bank of New York for the Business Day immediately preceding such date of determination, or if the Federal Reserve Bank of New York does not make available any such rate, then the arithmetic average of such rates, as quoted on a discount basis or otherwise, by Lehman Commercial Paper Inc. and Merrill Lynch, Pierce, Fenner & Smith Incorporated or, in lieu of any thereof, their respective affiliates or successors which are commercial paper dealers (the "Commercial Paper Dealers"), to the Auction Agent before the close of business on the Business Day immediately preceding such date of determination.

For purposes of the definitions of Thirty-Day "AA" Composite Non-Financial Commercial Paper Rate, the "interest equivalent" means the equivalent yield on a 360-day basis of a discount-basis security to an interest-bearing security. If any Commercial Paper Dealer does not quote a commercial paper rate required to determine the Thirty-Day "AA" Composite Non-Financial Commercial Paper Rate, the Thirty-Day "AA" Composite Non-Financial

Commercial Paper Rate shall be determined on the basis of the quotation or quotations furnished by the remaining Commercial Paper Dealer and any substitute commercial paper dealer not included within the definition of Commercial Paper Dealer above, which may be Goldman, Sachs & Co., Morgan Stanley & Co. Incorporated or Citigroup Global Markets Inc. or their respective affiliates or successors which are commercial paper dealers (a "Substitute Commercial Paper Dealer") selected by the City (who shall be under no liability for such selection) to provide such commercial paper rate or rates not being supplied by any Commercial Paper Dealer or Commercial Paper Dealers, as the case may be, or if the City does not select any such Substitute Commercial Paper Dealer or Substitute Commercial Paper Dealers, by the remaining Commercial Paper Dealer or Commercial Paper Dealers.

(ii) If for any reason on any Auction Date the ARS Index shall not be determined as hereinabove provided in this Section, the ARS Index shall be the ARS Index for the Auction Period ending on such Auction Date.

(iii) The determination of the ARS Index as provided herein shall be conclusive and binding upon the City, the Trustee, the Broker-Dealers, the Auction Agent and the Owners of the Bonds.

(j) *Conversions from ARS Rate Periods.* Subject to Sections 4.1 and 4.2 hereof, at the option of the City, but only with the consent of the Initial Bond Insurer, all or any portion of any Sub-series of ARS Bonds may be converted from an Auction Rate Mode to a Weekly Mode, Flexible Mode, Term Rate Mode or Fixed Mode, provided that after any partial conversion there are no less than \$10,000,000 of any series or Sub-series of ARS Bonds outstanding, bearing interest at an ARS Rate, unless consented to by all Broker-Dealers, as follows:

(i) If any of the ARS Bonds are in an Auction Period, the Adjustment Date to a Weekly Rate or a Flexible Rate will be the second regularly scheduled Interest Payment Date following the final Auction Date; provided, however, that in the case of a Special Auction Period, the Adjustment Date to a Weekly Rate or a Flexible Rate shall be the Interest Payment Date immediately following the last day of the Special Auction Period.

(ii) The City will give written notice of any such conversion to the Bond Insurer, the Trustee, the Auction Agent, the Remarketing Agent, if any, and each Broker-Dealer not less than five Business Days prior to the date on which the Trustee is required to notify the Owners of the conversion pursuant to Section 4.1(f) hereof. Such notice shall be delivered in accordance with Section 4.1(c) hereof. Together with such notice, the City will file with the Bond Insurer and the Trustee an Opinion of Bond Counsel to the effect that the conversion of the ARS Bonds to a Weekly Mode or a Flexible Mode, including the assignment of Maturity Dates and sinking fund payment dates, will not adversely affect the validity of the ARS Bonds or any exemption from federal income taxation to which interest on the ARS Bonds would otherwise be entitled. No change to a Weekly Mode or a Flexible Mode will become effective unless the

City will also file with, the Bond Insurer and the Trustee, such an opinion dated the applicable Adjustment Date.

(iii) If on an Adjustment Date from the Auction Rate Mode, any condition precedent to such conversion required under the Indenture is not satisfied, the Trustee will give written notice by first class mail postage prepaid as soon as practicable and in any event not later than the next succeeding Business Day to the ARS Owners, the City and the Bond Insurer that such conversion has not occurred, that the ARS Bonds will not be purchased on the failed Adjustment Date, that the Auction Agent will continue to implement the Auction Procedures on the Auction Dates with respect to the ARS Bonds which otherwise would have been converted excluding however, the Auction Date falling on the Business Day next preceding the failed Adjustment Date, and that the interest rate will continue to be the ARS Rate; provided, however, that the interest rate borne by the ARS Bonds during the Auction Period commencing on such failed Adjustment Date will be the Maximum ARS Rate and the Auction Period will be the seven-day Auction Period.

(iv) All or a portion of the ARS Bonds may be converted to a Fixed Mode pursuant to Section 4.3 hereof.

(v) If a Statutory Maximum Rate Failed Auction shall occur and each Auction held during the succeeding 90 days shall also be a Statutory Maximum Rate Failed Auction (a "*Conversion Trigger Event*"), the City covenants thereafter to use all reasonable efforts to convert the interest rate on the Bonds to another Interest Mode in accordance with the foregoing provisions of this subsection 4.5(j), to the extent such conversion can be accomplished in accordance with the laws of the State (including the Statutory Maximum Rate) on reasonable and customary terms; provided, however, that any such conversion shall be subject to the City obtaining, if necessary, a Liquidity Facility approved by the Initial Bond Insurer having reasonable and customary terms and provisions. On each Auction Date following a Conversion Trigger Event and prior to the conversion of interest rate on the Bonds to another the Interest Mode as provided herein, the Auction Agent shall continue to conduct Auctions in accordance with the Auction Procedures. If any Auction so held shall not be a Statutory Maximum Rate Failed Auction, the City shall have no continuing obligation to convert the interest rate on the Bonds to another Interest Mode. If each such Auction shall be a Statutory Maximum Rate Failed Auction, the City shall continue to use all reasonable efforts to convert the interest rate on the Bonds to another Interest Mode.

(k) *Miscellaneous Provisions Regarding Auctions.*

(i) In this Section 4.5, each reference to the purchase, sale or holding of ARS Bonds will refer to beneficial interests in ARS Bonds, unless the context clearly requires otherwise.

(ii) Notwithstanding anything herein to the contrary, the definitions in this Indenture of Broker-Dealer Rate, Maximum ARS Rate, Minimum ARS Rate, No Auction Rate, ARS Index, ARS Multiple and ARS Rates may not be amended pursuant to this Indenture without first obtaining Bond Insurer Approval, and the consent of the Owners of all Outstanding ARS Bonds bearing interest at an ARS Rate as follows. If on the first Auction Date occurring at least 20 days after the date on which the Trustee mailed notice of such proposed amendment to the registered Owners of the Outstanding ARS Bonds as required by the Indenture, (i) the ARS Rates which are determined on such date are the Winning Bid Rates and (ii) there is delivered to the City, the Bond Insurer and the Trustee an Opinion of Bond Counsel to the effect that such amendment will not adversely affect the validity of the ARS Bonds or any exemption from federal income tax to which the interest on the ARS Bonds would otherwise be entitled, the proposed amendment will be deemed to have been consented to by the Owners of all affected Outstanding ARS Bonds bearing interest at the ARS Rates.

(iii) During an ARS Rate Period, so long as the ownership of the ARS Bonds is maintained in book-entry form by DTC, an Existing Owner or a beneficial owner may sell, transfer or otherwise dispose of an ARS Bond only pursuant to a Bid or Sell Order in accordance with the Auction Procedures or to or through a Broker-Dealer, provided that (i) in the case of all transfers other than pursuant to Auctions such Existing Owner or its Broker-Dealer or its Agent Member advises the Auction Agent of such transfer and (ii) a sale, transfer or other disposition of ARS Bonds from a customer of a Broker-Dealer who is listed on the records of that Broker-Dealer as the holder of such ARS Bonds to that Broker-Dealer or another customer of that Broker-Dealer will not be deemed to be a sale, transfer or other disposition for purposes of this paragraph if such Broker-Dealer remains the Existing Owner of the ARS Bonds so sold, transferred or disposed of immediately after such sale, transfer or disposition.

(iv) In the event that the Auction Rate is equal to the Maximum ARS Rate for the lesser of (i) three consecutive auction periods or (ii) 90 days, then the City shall promptly commence the process of converting the ARS Bonds to another Interest Mode acceptable to the Initial Bond Insurer.

(l) *Amendment of Auction Procedures.* Subject to subsection (k) above, the City may provide by Supplemental Indenture delivered pursuant to Section 8.2(a)(ix) hereof for the amendment of the Auction Procedures in effect from time to time in order to conform such procedures to then-current market practices by delivering to the Trustee and the Bond Insurer an opinion of Bond Counsel to the effect that such amendment is (1) authorized or permitted by this Indenture. (2) will not have an adverse effect on the exclusion from gross income for federal income tax purposes of the interest on the Series 2006A Second Lien Bonds and (3) will not have an adverse effect on the validity or enforceability of any Series 2006A Second Lien Bond.

Section 4.6 Authorized Officer. Any actions to be taken pursuant to this Article IV by the City may be taken by a Authorized Officer unless the context requires otherwise or action is required to be taken by the City in order to secure any opinion required by this Article IV.

Section 4.7 Effect of Notices. Any notice mailed as provided herein shall be conclusively presumed to have been given, whether or not the Owners of the Series 2006A Second Lien Bonds receive the same.

ARTICLE V

CREATION OF FUNDS AND SECURITY FOR SERIES 2006A SECOND LIEN BONDS

Section 5.1 The Series 2006A Second Lien Bonds Revenue Fund.

(a) There is by this Indenture created by the City and established with the Trustee a separate and segregated trust fund to be designated "City of Chicago Wastewater Transmission Variable Rate Revenue Bonds Series 2006A Second Lien Bonds Revenue Fund" (the "*Series 2006A Second Lien Bonds Revenue Fund*").

(b) The amounts on deposit in the accounts created by this Indenture shall be held by the Trustee for the sole and exclusive benefit of the Series 2006A Second Lien Bonds, the Bank, the Bond Insurer and the Initial Swap Provider. Any moneys and securities held in the Series 2006A Second Lien Bonds Revenue Fund or any account created pursuant to this Article shall be held in trust by the Trustee, as provided in this Indenture, and shall be applied, used and withdrawn only for the purposes authorized in this Indenture. The City will cause all moneys and securities held in the funds and accounts created by the Senior Lien Bond Ordinances to be applied, used and withdrawn solely for the purposes authorized in those ordinances.

(c) The Series 2006A Second Lien Bonds are not general obligations of the City, but are limited obligations as described in Section 2.2 hereof and as provided herein.

Section 5.2 Deposit of Series 2006A Second Lien Bond Revenues. Two Business Days immediately preceding each Interest Payment Date and each January 1, the Authorized Officer shall withdraw from the 2006A Second Lien Bonds Subaccount of the Second Lien Bonds Account, and transfer to the Trustee for deposit into the Series 2006A Second Lien Bonds Revenue Fund, the amounts required (i) to be on deposit in the Principal and Interest Account to pay debt service then due on the Series 2006A Second Lien Bonds, (ii) to satisfy any deficiency in the Debt Service Reserve Account as provided in Section 5.3 hereof, (iii) to make any swap payments, and (iv) to make the payment described in Section 5.3(e) to the extent not previously paid by the City. The Trustee shall deposit the same in the accounts of the Series 2006A Second Lien Bonds Revenue Fund. The Trustee shall be accountable only for moneys actually so received. Such certificates of the Authorized Officer, or any subsequent or supplemental certificate, shall be revised or supplemented from time to time whenever necessary to reflect changes in the deposit requirements relating to the Series 2006A Second Lien Bonds Revenue Fund as a result of the prepayment, redemption, purchase or remarketing of Series 2006A Second Lien Bonds, increases or decreases in the rates of interest borne by Series 2006A Second Lien Bonds.

Section 5.3 Use of Moneys in Series 2006A Second Lien Bonds Revenue Fund. Moneys on deposit in the Series 2006A Second Lien Bonds Revenue Fund and which have been

credited to such accounts in such Fund as may have been created for the benefit of the Series 2006A Second Lien Bonds shall, subject to the limitations in Section 5.1(b) of this Indenture, be used for the purposes specified in this Indenture.

(a) *Creation of Debt Service Reserve Account.* (i) By this Indenture, the City creates and orders established with the Trustee a separate and segregated account within the Series 2006A Second Lien Bonds Revenue Fund, such account to be designated the "Series 2006A Second Lien Bonds Debt Service Reserve Account" (the "Debt Service Reserve Account"). The City shall maintain the Debt Service Reserve Account in an amount equal to the Debt Service Reserve Requirement. The Debt Service Reserve Requirement may be satisfied with (i) one or more Debt Service Reserve Account Credit Instruments, (ii) Permitted Investments or (iii) a combination thereof. Any Permitted Investments on deposit in the Debt Service Reserve Account shall be valued at fair market value (determined in accordance with generally accepted accounting principles applicable to governmental units) on or about December 31 in each year.

(ii) At the time of the delivery of the Series 2006A Second Lien Bonds, the Surety Bond, which constitutes a Debt Service Reserve Account Credit Instrument, shall be deposited to the credit of the Debt Service Reserve Account, to establish a balance in that Account at least equal to the Debt Service Reserve Requirement. Whenever the balance in the Debt Service Reserve Account is less than the Debt Service Reserve Requirement, except as permitted pursuant to subparagraph (iii) below, the City shall transfer to the Debt Service Reserve Account within the next 12 months sufficient funds from Second Lien Bond Revenues to maintain a balance in the Debt Service Reserve Account at least equal to the Debt Service Reserve Requirement for the Series 2006A Second Lien Bonds.

Funds in the Debt Service Reserve Account and any Debt Service Reserve Account Credit Instrument in that account shall be held by the Trustee for the sole and exclusive benefit of the Series 2006A Second Lien Bonds and shall be used to pay principal of, redemption premium, if any, and interest on the Series 2006A Second Lien Bonds as the same become due at any time when there are insufficient funds available for such purpose in the Principal and Interest Account. Any Debt Service Reserve Account Credit Instrument to be acquired by the City with respect to the Series 2006A Second Lien Bonds at all times shall secure only the Series 2006A Second Lien Bonds and shall not be used in any manner to satisfy the Debt Service Reserve Requirement for any Second Lien Parity Bonds or other Outstanding Second Lien Bonds nor shall it be used to pay principal of, redemption premium, if any, or interest on any Second Lien Parity Bonds or other Outstanding Second Lien Bonds. Unless replaced or unless cash and Permitted Investments are deposited in lieu thereof, any Debt Service Reserve Account Credit Instrument shall not terminate prior to the earlier of (i) the date of the last maturity of any of the Series 2006A Second Lien Bonds or (ii) the date on which no Series 2006A Second Lien Bonds are Outstanding.

(iii) Any amounts in the Debt Service Reserve Account which are not required to be transferred to the Principal and Interest Account may, from time to

time, be used to pay costs of acquiring a Debt Service Reserve Account Credit Instrument for the Debt Service Reserve Account or to make payments due under a reimbursement agreement with the provider of a Debt Service Reserve Account Credit Instrument, but only if after such payment, the value of the Debt Service Reserve Account shall not be less than the Debt Service Reserve Requirement for the Series 2006A Second Lien Bonds. The City pledges and grants a lien on and security interest in the amounts on deposit in the Debt Service Reserve Account to any provider of a Debt Service Reserve Account Credit Instrument, provided that the pledge, lien and security interest shall be junior to any claim for the benefit of the Owners of the Series 2006A Second Lien Bonds.

(iv) If at any time the Debt Service Reserve Account holds both a Debt Service Reserve Account Credit Instrument and Permitted Investments, the Permitted Investments shall be liquidated and the proceeds applied for the purposes for which Debt Service Reserve Account moneys may be applied under this Indenture prior to any draw being made on the Debt Service Reserve Account Credit Instruments. If the Debt Service Reserve Account holds Debt Service Reserve Account Credit Instruments issued by more than one issuer, draws shall be made under such credit instruments on a *pro rata* basis to the extent of available funds.

(v) The City has purchased the Surety Bond from the Bond Insurer and has delivered the Surety Bond to the Trustee for deposit in the Debt Service Reserve Account. The Trustee shall hold the Surety Bond and make demands for payment in accordance with its terms whenever there are insufficient funds to pay debt service on the Series 2006A Second Lien Bonds in the Principal and Interest Account or from cash and Permitted Investments in the Debt Service Reserve Account.

(b) *Creation of Principal and Interest Account.* By this Indenture, the City creates and orders established with the Trustee a separate and segregated account within the Series 2006A Second Lien Bonds Revenue Fund, such account to be designated the "Series 2006A Second Lien Bonds Principal and Interest Account" (the "*Principal and Interest Account*"). Moneys on deposit in the Principal and Interest Account shall be held by the Trustee for the sole and exclusive benefit of the Series 2006A Second Lien Bonds and shall be used for the purpose of paying the principal of, redemption premium, if any, and interest (including the Differential Interest Amount and Deferred Interest, as defined in the Liquidity Agreement) on such Series 2006A Second Lien Bonds as it becomes due. The City shall deposit as received all amounts received by it with respect to the Initial Swap Agreement in the Principal and Interest Account.

(c) *Investments.* Pending the use of moneys held in an account of the Series 2006A Second Lien Bonds Revenue Fund, the Trustee shall invest such moneys in Permitted Investments upon the direction of the Authorized Officer, but subject to the requirements of the Liquidity Agreement, if applicable. Income from such investments shall be credited to the Principal and Interest Account; provided that investment earnings on amounts in the Debt Service Reserve Account shall be maintained therein if necessary

to satisfy the Debt Service Reserve Requirement, and any excess shall be deposited in the Principal and Interest Account.

(d) *Creation of Swap Payment Account.* By this Indenture, the City creates and orders established with the Trustee a separate and segregated account within the Series 2006A Second Lien Bonds Revenue Fund, such account to be designated the "Swap Payment Account" (the "*Swap Payment Account*"). There shall be transferred into the Swap Payment Account on or before each Interest Payment Date, or such other dates specified in the relevant Swap Agreements which the City shall identify in a written notice delivered to the Trustee (each, a "*Swap Payment Date*"), from moneys on deposit in the Series 2006A Second Lien Bonds Revenue Fund, an amount equal to the sum of the Swap Payment then owing under such Swap Agreement on such Swap Payment Date. The Trustee shall pay each Swap Provider the Swap Payment on each Swap Payment Date from amounts then on deposit in the Swap Payment Account pursuant to payment instructions specified in the relevant Swap Agreements and provided to the Trustee and the City by such Swap Provider. On or prior to each Swap Payment Date, the City shall provide the Trustee with written notice of the amount of each Swap Payment owing to such Swap Provider on each Swap Payment Date. The City shall promptly notify the Trustee in writing if the amount of any Swap Payments shall change from the amounts identified in such notice. Any non-scheduled payments to be made by the City in connection with an applicable Interest Rate Hedge Agreement shall be subordinate to the payment of principal and interest on the Series 2006 Second Lien Bonds, to the repayment of any amounts owed to the provider of any Debt Service Reserve Account Credit Instrument, to the repayment of the Bond Insurer for payments made under the Bond Insurance Policy and to the repayment of Administrative Expenses.

(e) Administrative Expenses shall be paid after providing for all amounts owed pursuant to (a), (b), (c) and (d) of this Section 5.3 except for the payments with respect to Interest Rated Hedge Agreements described in the last sentence of (d) above.

(f) Any funds remaining in the Series 2006A Second Lien Bonds Revenue Fund after making the deposits described in (a), (b), (c), (d) and (e) above shall be used to make any non-scheduled payments, including termination payments, on the Initial Swap Agreement.

Section 5.4 Series 2006A Second Lien Bonds Not Presented for Payment

(a) If any Series 2006A Second Lien Bonds shall not be presented for payment when the principal of such Series 2006A Second Lien Bonds becomes due, either at maturity or at the date fixed for redemption of this Indenture or otherwise, if moneys sufficient to pay such Series 2006A Second Lien Bonds are held by the Trustee for the benefit of the Bondholders of such Series 2006A Second Lien Bonds, the Trustee shall segregate and hold such moneys in a trust account separate and apart from the other funds and accounts held under this Indenture, without liability for interest on such moneys for the benefit of such Bondholders who shall (except as provided in the following paragraph) thereafter be restricted exclusively to such fund or funds for the satisfaction of any claim of whatever nature under this Indenture.

(b) Any moneys which the Trustee shall segregate and hold in trust for the payment of the principal or purchase price of or interest on any Series 2006A Second Lien Bond and which shall remain unclaimed for two years after such principal or purchase price or interest has become due and payable shall, upon the City's, and, so long as the Liquidity Agreement is in effect, the Bank's, written request to the Trustee, be paid to the City. After the payment of such unclaimed moneys to the City, the holder of such Series 2006A Second Lien Bond shall thereafter look only to the City for the payment of such Series 2006A Second Lien Bonds, unless an abandoned property law designates another person, and all liability of the Trustee and the Bank with respect to such moneys shall thereupon cease.

Section 5.5 Bond Purchase Fund. The Trustee shall establish and maintain (but shall not have a lien on as part of the Trust Estate), as long as any Series 2006A Second Lien Bonds are outstanding which have not been converted to a Fixed Rate, a separate fund to be known as the "Bond Purchase Fund" (the "*Bond Purchase Fund*"). Within the Bond Purchase Fund, there shall be established and maintained a separate account for each Sub-series of Series 2006A Second Lien Bonds. There shall be deposited into the applicable account of the Bond Purchase Fund from time to time the following:

- (i) moneys received upon the remarketing of Tendered Bonds to any person pursuant to the Remarketing Agreement (other than Tendered Bonds sold to the City for purchase and cancellation in pursuant to Section 3.14(b) hereof);
- (ii) moneys received from the underwriter or purchaser (other than the City) of Tendered Bonds upon the conversion of the interest rate thereon to a Fixed Rate;
- (iii) moneys obtained by the Trustee pursuant to the Liquidity Facility, if any, then in effect to be applied to pay the purchase price of Tendered Bonds; and
- (iv) moneys received from the City for the optional purchase, or the optional purchase and cancellation, of Tendered Bonds pursuant to Section 3.14(b) hereof.

Moneys in the Bond Purchase Fund shall be held in trust exclusively for the payment of the purchase price of Tendered Bonds; provided, however, that under no circumstances shall proceeds of a loan or draw made pursuant to the Liquidity Facility be used to purchase Bank Bonds or Series 2006A Second Lien Bonds held by the City. Moneys obtained by the Trustee pursuant to the applicable Liquidity Facility in excess of the amount needed for the payment of the purchase price of Tendered Bonds shall be promptly paid to the Bank. The Trustee shall reimburse the City for any interest costs incurred by the City as a result of the failure of the Trustee to remit such funds to the Bank. Moneys on deposit in the Bond Purchase Fund shall be invested only in Government Obligations with a term not exceeding the earlier of 30 days from the date of investment of such moneys or the date or dates that moneys therefrom are anticipated to be required. Amounts held to pay the purchase price shall be applied in the same manner as provided in Section 5.4(b) hereof with respect to unclaimed payments of principal and interest.

Section 5.6 Liquidity Facility. (a) The City covenants and agrees that at all times while any Series 2006A Second Lien Bonds are outstanding which bear interest at a Short Rate or Term Rate, it will maintain a Liquidity Facility in full force and effect with respect to all such Series 2006A Second Lien Bonds bearing interest at a Short Rate or Term Rate, except as otherwise provided in Section 5.7. In connection with the delivery of a Liquidity Facility delivered in connection with a conversion of Series 2006A Second Lien Bonds to a Short Rate or Term Rate, the City shall cause a draft of such Liquidity Facility in substantially final form and a commitment letter with respect thereto, together with written evidence from S&P, Moody's and any other Rating Agency rating the Series 2006A Second Lien Bonds prior to the delivery of such Liquidity Facility (the "*Liquidity Facility Delivery Date*") that the Bank qualifies for the highest short-term credit rating from such Rating Agencies (without giving effect to numeric or other qualifiers), to be delivered to the Trustee, the Trustee's Agent, the Remarketing Agent and the Bond Insurer, not less than 15 days prior to the proposed Liquidity Facility Delivery Date. Any Bank shall be subject to Bond Insurer Approval. On the Liquidity Facility Delivery Date, the City, the Bond Insurer, the Remarketing Agent, the Trustee and the Trustee's Agent shall also receive (i) an opinion of counsel for the Bank regarding the enforceability of the Liquidity Facility, (ii) an Opinion of Bond Counsel to the effect that the delivery of such Liquidity Facility will not adversely affect the validity of the Series 2006A Second Lien Bonds or any exclusion from gross income for federal income tax purposes of interest on the Series 2006A Second Lien Bonds would otherwise be entitled, (iii) an Opinion of Bond Counsel to the effect that such Liquidity Facility qualifies as a Liquidity Facility under this Indenture and (iv) a copy of the Liquidity Agreement relating to such Liquidity Facility. In addition, the City covenants and agrees that at all times while any Series 2006A Second Lien Bonds are outstanding which bear interest at a Short Rate or a Term Rate, if the rating of the Bank shall be lowered by any Rating Agency below the top two short-term rating categories assigned by such Rating Agency (without giving effect to numeric or other qualifiers), then the City shall use all reasonable efforts to obtain a Substitute Liquidity Facility.

(b) Upon the receipt by the Trustee of a written request of the City stating that the amount available under the Liquidity Facility for the Series 2006A Second Lien Bonds may be reduced in compliance with this Section 5.6 hereof, the Trustee shall direct or send appropriate notice to the Bank requesting or directing that such amount be reduced and specifying the amount that shall thereafter be available under the Liquidity Facility, subject to any requirements of the Liquidity Agreement. In no event shall the Liquidity Facility be reduced to an amount less than the principal amount of the Series 2006A Second Lien Bonds outstanding which bear interest at other than a Fixed Rate or an ARS Rate, plus an amount equal to interest thereon at the Interest Coverage Rate then required by any Rating Agency for the number of days then required by any such Rating Agency, unless the City has deposited a Substitute Liquidity Facility with the Trustee in accordance with the terms of this Section, or unless the requirements set forth in Section 5.7 hereof are satisfied; in no event shall any Substitute Liquidity Facility replace only in part any then current Liquidity Facility. Notwithstanding the foregoing, immediately after payment in full has been made on any Series 2006A Second Lien Bond, either at its Maturity Date, by optional or mandatory sinking fund redemption or otherwise, the Trustee shall direct or send appropriate notice to the Bank requesting or directing that the amount available under the Liquidity Facility be reduced by an amount

equal to such principal so paid plus the amount of interest theretofore provided for under the Liquidity Facility on such principal amount.

(c) While any Series 2006A Second Lien Bonds bear interest at a Short Rate, a Substitute Liquidity Facility may become effective on any Business Day, which shall be a Liquidity Substitution Date. While any Series 2006A Second Lien Bonds bear interest at a Term Rate, a Substitute Liquidity Facility may be effective on any Rate Change Date. The City shall cause a draft of any Substitute Liquidity Facility in substantially final form and a commitment letter with respect thereto, together with written evidence from each Rating Agency rating the Series 2006A Second Lien Bonds prior to the Liquidity Substitution Date of the rating on the Series 2006A Second Lien Bonds after the Liquidity Substitution Date, to be delivered to the Trustee, the Trustee's Agent, the Remarketing Agent and the Bond Insurer, not less than 15 days prior to the proposed Liquidity Substitution Date, provided that not less than 30 days prior to the proposed Liquidity Substitution Date, the City will provide written notice to the Bond Insurer and the Trustee, who shall promptly notify the Owners, of the identity of the provider of the Substitute Liquidity Facility. Any Bank providing a Substitute Liquidity Facility shall be subject to Bond Insurer Approval. On each Liquidity Substitution Date the City, the Bond Insurer, the Remarketing Agent, the Trustee and the Trustee's Agent shall also receive (i) an opinion of counsel for the Substitute Bank regarding the enforceability of the Substitute Liquidity Facility in substantially the form delivered to the Trustee upon execution and delivery of the Liquidity Facility then in effect, (ii) an Opinion of Bond Counsel to the effect that the substitution of the Liquidity Facility then in effect will not adversely affect the validity of the Series 2006A Second Lien Bonds or any exclusion from gross income for federal income tax purposes of interest on the Series 2006A Second Lien Bonds would otherwise be entitled, (iii) an opinion of counsel (other than counsel for the Substitute Bank) to the effect that such Substitute Liquidity Facility qualifies as a Substitute Liquidity Facility under this Indenture and (iv) a copy of the Substitute Liquidity Agreement. The City shall not execute and deliver a Substitute Liquidity Facility unless all obligations owing to the then current Bank under the Liquidity Agreement have been paid in full.

(d) On any Liquidity Substitution Date on which a Substitute Liquidity Facility becomes effective in accordance with the provisions of this Section, the Trustee shall take such action as is required under the Liquidity Agreement to cause the cancellation of the Liquidity Facility then in effect provided that all drawings requested thereunder have been honored.

(e) Immediate notice shall be given by the Trustee to the Bank, the City, the Bond Insurer, the Remarketing Agent, the Trustee's Agent and each of the Rating Agencies in accordance with Section 3.4(b) if no satisfactory Substitute Liquidity Facility shall be furnished to the Trustee in accordance with this Section, unless the requirements of Section 5.7 hereof are satisfied.

(f) Each Substitute Liquidity Facility shall provide for the submission of draws thereunder, and the payment of properly submitted draws, on the same timing and in the same amounts (subject to Section 5.7 hereof) as that of the Liquidity Facility being substituted for, unless each Rating Agency shall agree to some other timing.

Section 5.7 Liquidity Facility Not Required in Certain Circumstances. (a) While any Series 2006A Second Lien Bonds bear interest at a Short Rate or Term Rate, such Series 2006A Second Lien Bonds are required to have the benefit of a Liquidity Facility with respect to 100 percent of the outstanding principal amount of such Series 2006A Second Lien Bonds unless, prior to the expiration or termination of the Liquidity Facility then in effect, there is delivered to the City, the Remarketing Agent, the Bond Insurer, the Trustee and the Trustee's Agent (i) an Opinion of Bond Counsel to the effect that the expiration or termination of the Liquidity Facility then in effect will not adversely affect the validity of the Series 2006A Second Lien Bonds or any exclusion from gross income for federal income tax purposes of interest on the Series 2006A Second Lien Bonds, (ii) Bond Insurer Approval and (iii) unless waived by the Bond Insurer, written evidence from each Rating Agency that the short term ratings on the Series 2006A Second Lien Bonds (other than Series 2006A Second Lien Bonds in the Fixed Mode or Auction Mode) following the expiration or termination of the Liquidity Facility will not be reduced or withdrawn from the short term ratings on the Series 2006A Second Lien Bonds immediately prior to such expiration or termination. Series 2006A Second Lien Bonds bearing interest at an ARS Rate or at a Fixed Rate shall not be required to have the benefit of a Liquidity Facility.

(b) Upon satisfaction of the requirements described in subparagraph (a) above, (i) the Trustee, upon receipt of a written request of the City, shall direct or send appropriate notice to the Bank requesting or directing the cancellation of the Liquidity Facility then in effect on the date (the "*Liquidity Facility Cancellation Date*") requested by the City in such written request, which date may not be less than 30 days, or such longer period as is required by the Liquidity Agreement for its termination at the request of the City, from the date the Trustee receives such written request, and (ii) following the date of such cancellation, all Tendered Bonds may be remarketed by the Remarketing Agent pursuant to the Remarketing Agreement without the benefit of a Liquidity Facility until such time, if any, as the Series 2006A Second Lien Bonds are thereafter entitled to the benefits of a Liquidity Facility pursuant to the provisions of Section 5.6 of this Indenture, but only if there is delivered to the City, the Bond Insurer, the Trustee, the Trustee's Agent and the Remarketing Agent an Opinion of Bond Counsel to the effect that the execution and delivery of the Liquidity Facility will not adversely affect the validity of the Series 2006A Second Lien Bonds or any exclusion from gross income for federal income tax purposes of interest on the Series 2006A Second Lien Bonds. In the event of a Liquidity Facility Cancellation Date, the Series 2006A Second Lien Bonds bearing interest at a Short Rate or Term Rate shall be subject to mandatory tender pursuant to Section 3.4 hereof. If at any time no Liquidity Facility is required for the Series 2006A Second Lien Bonds, the Trustee shall affix a legend on the face of each Series 2006A Second Lien Bond which does not bear interest at a Fixed Rate or ARS Rate authenticated on or after the date on which a Liquidity Facility is no longer required in substantially the following form:

A Liquidity Facility is not required with respect to this Bond. If a Liquidity Facility is currently provided, it may be discontinued at any time without prior notice to, or a right to tender by, the Owner.

Section 5.8 Substitution of Bond Insurance Policy. While the Series 2006A Second Lien Bonds bear interest at a Short Rate or Term Rate and thus require a Liquidity Facility to be in effect, if the rating of the Bond Insurer shall be lowered by any two of Moody's, S&P and Fitch below the two top rating categories assigned by such Rating Agencies (without giving effect to numeric or other qualifiers), then the City may, if directed to do so by the Liquidity Facility Provider, obtain a Substitute Bond Insurance Policy. On or prior to the date of the delivery of the Substitute Bond Insurance Policy, the City shall furnish to the Trustee (i) an Opinion of Bond Counsel to the effect that the furnishing of such Substitute Bond Insurance Policy is authorized under this Indenture, complies with the terms hereof and will not cause the interest on the Series 2006A Second Lien Bonds to be includable in gross income for federal income tax purposes and (ii) written evidence from each Rating Agency to the effect that each such Rating Agency has reviewed the proposed Substitute Bond Insurance Policy, and that, taking into account the substitution of the proposed Substitute Bond Insurance Policy for the then current Bond Insurance Policy, the Series 2006A Second Lien Bonds will be given a rating which is not lower than the then current rating (for purposes of this clause (ii), the withdrawal of a rating on the Series 2006A Second Lien Bonds, due to the failure of a Rating Agency to rate the Substitute Bond Insurer, shall be deemed an impermissible lowering of the rating assigned to the Series 2006A Second Lien Bonds). The Trustee shall not consent to any surrender, cancellation, termination, amendment or modification of the Bond Insurance Policy or to the delivery of any Substitute Bond Insurance Policy, except in accordance with the provisions of this Section and the written consent of the Bank.

Each Substitute Bond Insurance Policy shall provide for the submission of claims thereunder, and the payment of properly submitted claims, on the same timing as that of the Bond Insurance Policy being substituted for, unless each Rating Agency shall agree to some other timing.

Section 5.9 Actions by Trustee to Provide for Payment Under Initial Bond Insurance Policy. The Trustee shall take the following actions in connection with payments to be made by the Initial Bond Insurer under the Initial Bond Insurance Policy:

(a) In the event that, on the second Business Day, and again on the Business Day prior to payment date on the Series 2006A Second Lien Bonds, the Trustee has not received sufficient moneys to pay all principal of and interest on the Series 2006A Second Lien Bonds due on the second following or following, as the case may be, Business Day, the Trustee shall immediately notify the Initial Bond Insurer or its designee on the same Business Day by telephone or telegraph, confirmed in writing by registered or certified mail, of the amount of the deficiency.

(b) If the deficiency is made up in whole or in part prior to or on the payment date, the Trustee shall so notify the Initial Bond Insurer or its designee.

(c) In addition, if the Trustee has written notice that any Owner has been required to disgorge payments of principal or interest on the Series 2006A Second Lien Bonds to a trustee in bankruptcy or creditors or others pursuant to a final judgment by a court of competent jurisdiction that such payment constitutes an avoidable preference to such Owner within the meaning of any applicable bankruptcy laws, then the Trustee shall

notify the Initial Bond Insurer or its designee of such fact by telephone or telegraphic notice, confirmed in writing by registered or certified mail.

(d) The Trustee is hereby irrevocably designated, appointed, directed and authorized to act as attorney-in-fact for the Owners of the Series 2006A Second Lien Bonds as follows:

(i) If and to the extent there is a deficiency in amounts required to pay interest on the Series 2006A Second Lien Bonds, the Trustee shall (a) execute and deliver to U.S. Bank Trust National Association, or its successors under the Initial Bond Insurance Policy (the "Insurance Paying Agent"), in form satisfactory to the Insurance Paying Agent, an instrument appointing the Initial Bond Insurer as agent for such Owners in any legal proceeding related to the payment of such interest and an assignment to the Initial Bond Insurer of the claims for interest to which such deficiency relates and which are paid by the Initial Bond Insurer, (b) receive as designee of the respective Owners (and not as Trustee) in accordance with the tenor of the Initial Bond Policy payment from the Insurance Paying Agent with respect to the claims for interest so assigned, and (c) disburse the same to such respective Owners; and

(ii) If and to the extent of a deficiency in amounts required to pay principal of the Series 2006A Second Lien Bonds, the Trustee shall (a) execute and deliver to the Insurance Paying Agent in form satisfactory to the Insurance Paying Agent an instrument appointing the Initial Bond Insurer as agent for such Owner in any legal proceeding relating to the payment of such principal and an assignment to the Initial Bond Insurer of any of the Series 2006A Second Lien Bonds surrendered to the Insurance Paying Agent of so much of the principal amount thereof as has not previously been paid or for which moneys are not held by the Trustee and available for such payment (but such assignment shall be delivered only if payment from the Insurance Paying Agent is received), (b) receive as designee of the respective Owners (and not as Trustee) in accordance with the tenor of the Initial Bond Insurance Policy payment therefor from the Insurance Paying Agent, and (c) disburse the same to such Owners.

(e) Payments with respect to claims for interest on and principal of Series 2006A Second Lien Bonds disbursed by the Trustee from proceeds of the Initial Bond Insurance Policy shall not be considered to discharge the obligation of the City with respect to such Series 2006A Second Lien Bonds, and the Initial Bond Insurer shall become the owner of such unpaid Series 2006A Second Lien Bond and claims for the interest in accordance with the tenor of the assignment made to it under the provisions of this subsection or otherwise.

(f) Irrespective of whether any such assignment is executed and delivered, the City and the Trustee hereby agree for the benefit of the Initial Bond Insurer that:

(i) They recognize that to the extent the Initial Bond Insurer makes payments, directly or indirectly (as by paying through the Trustee), on account of principal of or interest on the Series 2006A Second Lien Bonds, the Initial Bond

Insurer will be subrogated to the rights of such Owners to receive the amount of such principal and interest from the Bond Issuer, with interest thereon as provided and solely from the sources stated in this Indenture and the Series 2006A Second Lien Bonds; and

(ii) They will accordingly pay to the Initial Bond Insurer the amount of such principal and interest (including principal and interest recovered under subparagraph (ii) of the first paragraph of the Initial Bond Insurance Policy, which principal and interest shall be deemed past due and not to have been paid), with interest thereon as provided in this Indenture and the Series 2006A Second Lien Bonds, but only from the sources and in the manner provided herein for the payment of principal of and interest on the Series 2006A Second Lien Bonds to Owners, and will otherwise treat the Initial Bond Insurer as the owner of such rights to the amount of such principal and interest.

Section 5.10 Rights of Bond Insurer. Anything contained in this Indenture or in the Series 2006A Second Lien Bonds to the contrary notwithstanding:

(a) So long as the rights of the Bond Insurer have not ceased or terminated pursuant to this Section, the consent of the Bond Insurer in lieu of the consent of Bondholders shall be sufficient for the following purposes: (i) execution and delivery of any Supplemental Indenture entered into pursuant to Section 8.3 of this Indenture; and (ii) initiation or approval of any action not described in clause (i) above which requires Bondholder consent. The Trustee shall furnish the Initial Bond Insurer and S&P with copies of any Supplemental Indentures entered into pursuant to Section 8.3 of this Indenture.

(b) Anything in this Indenture to the contrary notwithstanding and subject to this Section, the Bond Insurer is entitled to control and direct the enforcement of all rights and remedies granted to the Bondholders or the Trustee for the benefit of the Bondholders under this Indenture.

(c) While the Initial Bond Insurance Policy is in effect, the City shall furnish to the Initial Bond Insurer (to the attention of Insured Portfolio Management, unless otherwise indicated):

(i) copies of material event notifications delivered to a Nationally Recognized Municipal Securities Information Repository ("NRMSIR") pursuant to the Undertaking following delivery of such information to a NRMSIR;

(ii) upon the written request of the Initial Bond Insurer, and if available, copies of the annual financial information and audited financial statements delivered to a NRMSIR pursuant to the Undertaking, if any, following delivery of such information to a NRMSIR; and

(iii) any notices required to be given to Bondholders or the Trustee under this Indenture.

(d) Anything herein to the contrary notwithstanding, all rights given to the Bond Insurer hereunder with respect to the giving of consents or approvals are expressly conditioned upon the timely and full performance of the Bond Insurer under its Bond Insurance Policy and Surety Bond. All rights of the Bond Insurer hereunder shall cease and terminate if: (i) the Bond Insurer fails to make any payment pursuant to the terms of the Bond Insurance Policy or Surety Bond; (ii) the Bond Insurance Policy or Surety Bond ceases to be valid and binding on the Bond Insurer or is declared to be null and void, or the validity or enforceability of any provision thereof is being contested by the Bond Insurer, or the Bond Insurer is denying further liability or obligation under such Bond Insurance Policy or Surety Bond; (iii) a petition has been filed and is pending against the Bond Insurer under any bankruptcy, reorganization, arrangement, insolvency, readjustment of debt, dissolution, liquidation or rehabilitation law of any jurisdiction, and has not been dismissed within 60 days after such filing; (iv) the Bond Insurer has filed a petition, which is still pending, in voluntary bankruptcy or is seeking relief under any provision of any bankruptcy, reorganization, arrangement, insolvency, readjustment of debt, dissolution, liquidation or rehabilitation law of any jurisdiction, or has consented to the filing of any petition against it under any such law; or (v) a receiver has been appointed for the Bond Insurer under the insurance laws of any jurisdiction.

(e) The City agrees not to use the Initial Bond Insurer's name in any public document, including, without limitation, a press release or presentation, announcement or forum without the Initial Bond Insurer's prior consent; provided, however, such prohibition on the use of the Initial Bond Insurer's name shall not relate to the use of the Initial Bond Insurer's standard approved form of disclosure in public documents issued in connection with the Series 2006A Second Lien Bonds; and provided further, such prohibition shall not apply to the use of the Initial Bond Insurer's name in order to comply with public notice, public meeting or public reporting requirements.

(f) The City, the Trustee and the Bank each acknowledge that the Bond Insurer is a third party beneficiary of this Indenture so long as the Bond Insurance Policy is in full force and effect and the Bond Insurer is in compliance with its payment obligations under the provisions of the Bond Insurance Policy and the Surety Bond.

Section 5.11 Rights of Bank. Anything in this Indenture or the Series 2006A Second Lien Bonds to the contrary notwithstanding, the Bank may exercise any option, vote, right, power or the like granted to the Owners of the Series 2006A Second Lien Bonds hereunder, with respect to any Bank Bonds held by it at any time, but such rights are subject to the rights of the Bond Insurer provided there has been no payment default under the Bond Insurance Policy. Except to the extent that the Bank owns any Bank Bonds and is entitled to any rights as a Bondholder hereunder, no consent of or notice to the Bank shall be required under any provision of this Indenture, nor shall the Bank have any right to receive notice of, consent to, direct or control any actions, restrictions, rights, remedies, waivers or accelerations pursuant to any provision of this Indenture, during any time which:

(i) the Bank is in default in its obligation to make loans under and in compliance with the terms of the Liquidity Facility;

(ii) the Liquidity Facility for any reason ceases to be valid and binding on the Bank or is declared to be null and void, or the validity or enforceability of any provision of the Liquidity Facility is denied by the Bank or any governmental agency or authority, or the Bank is denying further liability or obligation under the Liquidity Facility, in all of the above cases contrary to the terms of the Liquidity Facility;

(iii) a petition has been filed and is pending against the Bank under any bankruptcy, reorganization, arrangement, insolvency, readjustment of debt, dissolution or liquidation law of any jurisdiction, whether now or hereafter in effect, and has not been dismissed within 30 days after such filing;

(iv) the Bank has filed a petition, which is pending, under any bankruptcy, reorganization, arrangement, insolvency, readjustment of debt, dissolution or liquidation law, of any jurisdiction, whether now or hereafter in effect, or has consented to the filing of any petition against it under such law; or

(v) the Bank is dissolved or confiscated by action of government due to war or peace time emergency or the United States government declares a moratorium on the Bank's activities.

Section 5.12 Additional Notices. The Trustee agrees to give notices to the Bank in accordance with the Liquidity Agreement.

Section 5.13 Draws on Liquidity Facility and Bond Insurance Policy. The City and the Trustee shall take all actions necessary under (i) the Liquidity Facility, to provide funds for the timely payment of the purchase price of Tendered Bonds and (ii) the Bond Insurance Policy for the scheduled principal of and interest on the Series 2006A Second Lien Bonds as the same shall become due (whether at maturity or upon mandatory sinking fund redemption).

ARTICLE VI

GENERAL COVENANTS OF CITY

Section 6.1 Equality of Series 2006A Second Lien Bonds. Each of the Series 2006A Second Lien Bonds authorized under this Indenture shall be on a parity and rank equally without preference, priority or distinction over any other Series of Series 2006A Second Lien Bonds as to security, regardless of the time or times of their issue, and the provisions, covenants and agreements set forth in this Indenture to be performed by and on behalf of the City shall be for the equal benefit, protection and security of the Owners of any and all Series 2006A Second Lien Bonds. The City covenants that it will not issue any obligations with a claim for payment or secured by the Second Lien Bond Revenues or, except as otherwise provided in Section 6.5 of this Indenture, any other moneys pledged in this Indenture having priority over or, except for Second Lien Parity Bonds, being on a parity with the Series 2006A Second Lien Bonds.

Section 6.2 Punctual Payment. The City covenants that it will duly and punctually pay or cause to be paid the principal of, premium, if any, and interest on, all Series 2006A Second Lien Bonds in strict conformity with the terms of such Series 2006A Second Lien Bonds

and of this Indenture, and that it will faithfully observe and perform all the conditions, covenants and requirements of the Series 2006 Bond Ordinance, this Indenture and of the Series 2006A Second Lien Bonds issued or incurred under them.

Section 6.3 Maintenance and Continued Operation of Sewer System. The City will maintain the Sewer System in good repair and working order, will continuously operate it on a Fiscal Year basis, and will punctually perform all duties with respect to the Sewer System required by the Constitution and laws of the State.

So long as the Series 2006A Second Lien Bonds are Outstanding, the City will continue to operate the Sewer System as a revenue-producing system so as to produce Gross Revenues sufficient to satisfy the covenants of this Indenture.

Section 6.4 Rate Covenant. The City will establish, maintain and collect at all times fees, charges and rates for the use and service of the Sewer System sufficient at all times to (a) pay Operation and Maintenance Costs and (b) produce Net Revenues Available for Bonds sufficient to pay the principal (at maturity or pursuant to mandatory sinking fund redemption) of and applicable redemption premium and interest on all Senior Lien Bonds and all Second Lien Bonds then Outstanding from time to time, to establish and maintain the Bond Principal and Interest Account and the Bond Debt Service Reserve Account as may be covenanted in the Senior Lien Bond Ordinances and to establish and maintain the Principal and Interest Account and the Debt Service Reserve Account as required by this Indenture, which Net Revenues Available for Bonds shall each Fiscal Year at least equal 100 percent of the sum of (i) the amount required to pay promptly when due the Aggregate Senior Lien Debt Service for the Fiscal Year on all Senior Lien Bonds then Outstanding and (ii) the amount required to pay promptly when due the Aggregate Second Lien Debt Service for the Fiscal Year on all Second Lien Bonds then Outstanding. These fees, charges and rates shall not be reduced while any Series 2006A Second Lien Bonds are Outstanding below the level necessary to ensure compliance with the covenants of this Section 6.4.

The City will, prior to the end of each Fiscal Year, conduct a review to determine if it has been and will be in compliance with the rate covenant set forth above. Whenever the annual review indicates that projected Gross Revenues will not be sufficient to comply with the rate covenant, the City shall prepare or cause to be prepared a rate study for the Sewer System identifying the rate changes necessary to comply with the rate covenant and the Director of the Office of the Budget and Management of the City and the Authorized Officer shall recommend appropriate action to the City Council to comply with this rate covenant.

Section 6.5 Issuance of Second Lien Parity Bonds.

(a) As long as there are any Outstanding Series 2006A Second Lien Bonds, the City may issue Second Lien Parity Bonds for any lawful purpose of the Sewer System, including to refund Outstanding (x) Senior Lien Bonds, (y) Second Lien Bonds or (z) Subordinate Lien Obligations, upon compliance with the following conditions:

(i) the funds required to be transferred to the Principal and Interest Account, the Debt Service Reserve Account and the Swap Payment Account shall

have been transferred in full up to the date of delivery of such Second Lien Parity Bonds and all amounts owed pursuant to Section 5.3(e) shall have been paid; and

(ii) Net Revenues Available for Bonds for the last completed Fiscal Year prior to the issuance of the Second Lien Parity Bonds (as shown by the audit of an independent certified public accountant), or Net Revenues Available for Bonds for such last completed Fiscal Year, adjusted as described below, shall equal at least 100 percent of the sum of the Aggregate Senior Lien Debt Service and the Aggregate Second Lien Debt Service in each Fiscal Year following the issuance of the proposed Second Lien Parity Bonds, computed on a *pro forma* basis assuming the issuance of the proposed Second Lien Parity Bonds and the application of the proceeds of any Second Lien Parity Bonds as provided in the ordinance or trust indenture authorizing their issuance, sale and delivery. Net Revenues Available for Bonds may be adjusted as follows for purposes of this paragraph (ii):

(1) if prior to the issuance of such Second Lien Parity Bonds, the City shall have enacted an increase in the rates of the Sewer System from the rates in effect for such last completed Fiscal Year, Net Revenues Available for Bonds may be adjusted to reflect the Net Revenues Available for Bonds for such last completed Fiscal Year as they would have been had the increased rates been in effect during all of that last completed Fiscal Year; and

(2) any such adjustment shall be evidenced by a certificate of the Authorized Officer.

For purposes of calculating the adjustment described in this paragraph (ii), any rate increase enacted by the City and scheduled to take effect in a future Fiscal Year may be reflected in Net Revenues Available for Bonds for purposes of calculating debt service coverage for that and each succeeding Fiscal Year.

If during the first six months of a Fiscal Year, an audit of the Sewer System for the preceding Fiscal Year by an independent certified public accountant is not available, the conditions of paragraph (ii) above shall be deemed to have been satisfied if both (A) Net Revenues Available for Bonds for the second preceding Fiscal Year (as shown by the audit of an independent certified public accountant), adjusted as described in this paragraph (ii) above, and (B) Net Revenues Available for Bonds for the preceding Fiscal Year (as estimated by the Authorized Officer), adjusted as described in this paragraph (ii) above, shall equal at least 100 percent of the sum of the Aggregate Senior Lien Debt Service and the Aggregate Second Lien Debt Service in each Fiscal Year following the issuance of the proposed Second Lien Parity Bonds, computed on a *pro forma* basis assuming the issuance of the proposed Second Lien Parity Bonds and the application of the proceeds of any Second Lien Parity Bonds as provided in the ordinance or trust indenture authorizing their issuance, sale and delivery.

(b) The City may issue Second Lien Parity Bonds without complying with either of the requirements of paragraph (a)(ii) of this Section 6.5:

(i) to pay, redeem or refund Senior Lien Bonds or Second Lien Bonds if in the judgment of the City there will be no money available to make payments of interest on or principal of those Senior Lien Bonds or Second Lien Bonds (at maturity or on Sinking Fund Payments dates) as such amounts become due; and

(ii) to pay, redeem or refund any Senior Lien Bonds or Second Lien Bonds if the sum of the Aggregate Senior Lien Debt Service and the Aggregate Second Lien Debt Service after the issuance of the Second Lien Parity Bonds and the payment, redemption or refunding of such Senior Lien Bonds or Second Lien Bonds will not be in excess of the sum of the Aggregate Senior Lien Debt Service or Aggregate Second Lien Debt Service prior to the issuance of the Second Lien Parity Bonds in each Fiscal Year in which there was to be any Aggregate Senior Lien Debt Service or Aggregate Second Lien Debt Service on those prior Outstanding Senior Lien Bonds or Second Lien Bonds.

(c) Other obligations, including Subordinate Lien Obligations, may be issued payable from Net Revenues Available for Bonds on a basis subordinate to the Second Lien Bonds.

Section 6.6 Covenant Against Pledge of Second Lien Bond Revenues. The City shall not hereafter issue any bonds, notes, or other evidences of indebtedness secured by the pledge contained in Section 2.2 of this Indenture, other than Second Lien Parity Bonds, and shall not create or cause to be created any lien or charge on Net Revenues Available for Bonds, or on any amounts pledged for the benefit of Owners of Series 2006A Second Lien Bonds under this Indenture, other than the pledge contained in Section 2.2 of this Indenture, provided that neither this Section nor any other provision of this Indenture shall prevent the City from (a) issuing Senior Lien Bonds, (b) issuing bonds, notes or other evidences of indebtedness payable out of, or secured by a pledge of, Net Revenues Available for Bonds to be derived on and after such date as the pledge contained in Section 2.2 of this Indenture shall be discharged and satisfied as provided in Section 9.1, or (c) issuing bonds, notes or other evidences of indebtedness which are payable out of, or secured by, the pledge of amounts which may be withdrawn from or secured by the Second Lien Bonds Account, so long as such pledge is expressly junior and subordinate to the pledge contained in Section 2.2 of this Indenture, or (d) issuing Subordinate Lien Obligations.

Section 6.7 Repairs, Replacements, Additions, Betterments. The City from time to time will make all necessary and proper repairs, replacements, additions and betterments to the Sewer System so that the Sewer System may at all times be operated efficiently, economically and properly. When any necessary equipment or facility shall have been worn out, destroyed or otherwise is insufficient for proper use, it shall be promptly replaced so that the value and efficiency of the Sewer System shall be at all times fully maintained.

Section 6.8 Control and Operation of Sewer System. The City will establish such rules and regulations for the control and operation of the Sewer System as are necessary for the safe, lawful, efficient and economical operation of the Sewer System.

Section 6.9 Indenture to Constitute Contract. In consideration of the purchase and acceptance of the Series 2006A Second Lien Bonds by the Owners from time to time of such Series 2006A Second Lien Bonds, the provisions of this Indenture shall constitute a contract among the City, the Trustee and the Owners from time to time of the Series 2006A Second Lien Bonds.

Section 6.10 Performance of Covenants; Authority. The City shall faithfully perform at all times to the extent applicable to the City any and all covenants, undertakings, stipulations and provisions contained in this Indenture, in any and every Series 2006A Second Lien Bond executed, authenticated and delivered under this Indenture, in the Liquidity Agreement, in the Bank Obligation and in the Remarketing Agreement, and in all proceedings pertaining to this Indenture.

Section 6.11 Arbitrage and Tax Exemption Covenants:

(a) The City will not direct or permit any action which (or fail to take any action the failure of which) would cause any Series 2006A Second Lien Bond to be an "arbitrage bond" within the meaning of the Code, and the regulations under that Code as promulgated and as amended from time to time and as applicable to the Series 2006A Second Lien Bonds.

(b) The covenants and agreements of the City set forth in this Section 6.11 shall apply as long as any of the Series 2006A Second Lien Bonds continue to bear interest (whether or not they are Outstanding Series 2006A Second Lien Bonds within the meaning of this Indenture) and shall also apply after the Series 2006A Second Lien Bonds cease to bear interest but only within such subsequent period as shall be required for the City to comply with the covenants of this Section 6.11.

(c) The City (i) will take all actions that are necessary to be taken (and avoid taking any action that it is necessary to avoid being taken) so that interest on the Series 2006A Second Lien Bonds will not be or become subject to federal income taxation under present law, and (ii) will take all actions reasonably within its power to take that are necessary to be taken (and avoid taking any actions that are reasonably within its power to avoid taking and that it is necessary to avoid) so that interest on the Series 2006A Second Lien Bonds will not be or become includible in gross income for federal income tax purposes under the federal income tax laws as in effect from time to time.

(d) The City will, without limitation, (i) to the extent required by the Code and applicable regulations, restrict the yield on investments of amounts received upon the sale of the Series 2006A Second Lien Bonds and other amounts, and (ii) timely rebate to the United States of America certain amounts that may be received as interest or other investment earnings on Accounts of the Sewer Revenue Fund, all as shall be necessary to comply with this Section. The City shall also make or cause to be made identifiable investments of amounts allocable to the Series 2006A Second Lien Bonds as shall be necessary or appropriate to be able to ascertain the amounts that may be required so to be rebated to the United States of America. The City shall from time to time determine the amounts in accounts of the Sewer Revenue Fund that shall be subject so to be rebated and

those amounts from time to time shall be held by the City in the rebate account for the Series 2006A Second Lien Bonds and shall be rebated to the United States of America in the amounts and at the times as required. Such amounts so subject from time to time so to be rebated shall not be available for the other purposes for which the Sewer Revenue Fund and its accounts and sub-accounts established by this Indenture may be applied, and, for purposes of computing the balance in the Sewer Revenue Fund and such various accounts shall be disregarded.

(e) The City will not take any of the following actions without in each such event obtaining the Opinion of Bond Counsel (which may represent the City from time to time in other matters) that such action will not contravene any covenant of this Indenture and will not make compliance with those covenants impossible: (i) defease any Series 2006A Second Lien Bonds; (ii) sell, lease or otherwise dispose of any material portion of the Sewer System; (iii) enter into or amend any short-term or long-term contract for sewer service by the City other than pursuant to general rates charged to the general public; or (iv) enter into or amend any contract or arrangement for persons other than its employees to manage the Sewer System.

(f) The provisions of this Section 6.11 shall not be interpreted to impose upon the City any obligation to redeem or to purchase any Series 2006A Second Lien Bonds other than with proceeds or other amounts available under this Indenture.

Section 6.12 Registered Owner Remedy. Subject to Section 5.10(b), any Owner of a Series 2006A Second Lien Bond may proceed by civil action to compel performance of all duties required by this Indenture, including the establishment and collection of sufficient fees, charges and rates for services supplied by the Sewer System, and the application of Gross Revenues as provided by this Indenture.

ARTICLE VII

APPOINTMENT AND DUTIES OF TRUSTEE AND REMARKETING AGENT

Section 7.1 Appointment of Trustee. The City appoints Amalgamated Bank of Chicago, Chicago, Illinois, as Trustee, for the purposes and upon the express terms and conditions set forth in this Indenture. The acceptance by the Trustee shall be evidenced by its execution and delivery of this Indenture. The City and the Bondholders by its delivery and their acceptance of delivery of any of the Series 2006A Second Lien Bonds agree to the terms set forth in this Indenture. The Trustee shall have no lien or security interest in and to the proceeds of the Liquidity Facility or the Bond Insurance Policy, or the proceeds of remarketed Series 2006A Second Lien Bonds, for the purpose of paying the fees or expenses of the Trustee and shall not use such amounts for such purpose. The Trustee shall draw on the Liquidity Facility and make claims against the Bond Insurance Policy, when required, whether or not its fees and expenses have been fully paid. Notwithstanding any provision of this Indenture to the contrary, the Trustee may not resign or be removed until a successor Trustee shall have been appointed as herein provided, and until the Liquidity Facility and the Bond Insurance Policy have been duly and effectively transferred to such successor Trustee.

The Trustee may, and, if the Series 2006A Second Lien Bonds bear interest at a Short Rate and are no longer registered in the name of a nominee of DTC, shall, appoint a Trustee's Agent with power to act on its behalf and subject to its direction (i) in the authentication, registration and delivery of Series 2006A Second Lien Bonds in connection with transfers and exchanges hereunder, as fully to all intents and purposes as though such Trustee's Agent had been expressly authorized by this Indenture to authenticate, register and deliver Series 2006A Second Lien Bonds, (ii) for effecting purchases and sales of such Series 2006A Second Lien Bonds pursuant hereto and accepting deliveries of Series 2006A Second Lien Bonds, making deliveries of Series 2006A Second Lien Bonds and holding Series 2006A Second Lien Bonds pursuant hereto, and (iii) in the making of draws and accepting notice of reinstatements under the Liquidity Facility, including in the case of clauses (ii) and (iii) the establishment of required trust accounts in the name and on behalf of the Trustee. The foregoing notwithstanding, the Trustee need not appoint a Trustee's Agent for as long as the Trustee shall have an office in New York, New York capable of handling the duties of Trustee's Agent hereunder. Any Trustee's Agent appointed pursuant to this Section shall evidence its acceptance by a certificate filed with the Trustee and the City. For all purposes of this Indenture, the authentication, registration and delivery of Series 2006A Second Lien Bonds by or to any Trustee's Agent pursuant to this Section shall be deemed to be the authentication, registration and delivery of Series 2006A Second Lien Bonds "by or to the Trustee." Such Trustee's Agent shall at all times be a commercial bank having an office in New York, New York, and shall at all times be a corporation organized and doing business under the laws of the United States or of any state with combined capital and surplus of at least \$15,000,000 and authorized under such laws to exercise corporate trust powers and subject to supervision or examination by Federal or state authority. If such corporation publishes reports of condition at least annually pursuant to law or the requirements of such authority, then for the purposes of this Section the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. Any Trustee's Agent appointed hereunder shall also be a paying agent for purposes of this Indenture.

Section 7.2 No Responsibility for Recitals. The recitals, statements and representations contained in this Indenture or in the Series 2006A Second Lien Bonds, save only the Trustee's authentication upon the Series 2006A Second Lien Bonds, shall be taken and construed as made by and on the part of the City, and not by the Trustee, and the Trustee does not assume, and shall not have, any responsibility or obligation for the correctness of this Indenture. Nothing contained in this Section 7.2 shall limit the responsibilities of the Trustee expressly set forth in this Indenture.

Section 7.3 Limitations on Liability. The Trustee may execute any of the trusts or powers of this Indenture and perform the duties required under this Indenture by or through attorneys, agents or receivers, and shall be entitled to, and may rely upon, written advice of counsel concerning all matters of trust and duty under this Indenture, and the Trustee shall not be answerable for the negligence or misconduct of any such attorney or agent selected with reasonable care. The Trustee need perform only those duties that are specifically set forth in this Indenture and no others. The Trustee shall not be answerable for the exercise of any discretion or power under this Indenture or for anything whatsoever in connection with the trust created by this Indenture, except only for its own negligence or bad faith. The Trustee shall not be

accountable for the use or application of the proceeds of any of the Series 2006A Second Lien Bonds issued under this Indenture.

Section 7.4 Compensation, Expenses and Advances. The Trustee shall be entitled to reasonable compensation for its services rendered under this Indenture (not limited by any provision of law in regard to the compensation of the Trustee of an express trust) and to reimbursement for its actual out-of-pocket expenses (including the reasonable compensation and the expenses and disbursements of its agents and counsel) reasonably incurred in connection therewith except for such expenses incurred as a result of its negligence or bad faith. The City shall have the right to contest in good faith any fees or expenses of the Trustee without creating a breach under this Indenture. Nothing contained in this Section 7.4 shall limit or restrict the obligations of the Trustee (i) to draw upon the Liquidity Facility at the times and in the manner required under this Indenture or (ii) apply the proceeds of such draws to the payment of the principal of, redemption or purchase price, and interest on the Series 2006A Second Lien Bonds as required in this Indenture and in the Series 2006A Second Lien Bonds.

Section 7.5 Trustee to Maintain Office. If the City has discontinued the use of a book-entry only system, the Trustee shall maintain an office in New York, New York, where Series 2006A Second Lien Bonds bearing interest in a Short Rate may be presented for payment of the principal amount of such Series 2006A Second Lien Bonds upon maturity, redemption or tender.

Section 7.6 Good Faith Reliance. The Trustee in the absence of bad faith on its part shall be protected and shall incur no liability in acting upon any resolution, notice, telegram, request, consent, waiver, certificate, statement, affidavit, voucher, bond, requisition or other paper or document or telephonic notice (where authorized by this Indenture) which it shall believe to be genuine and to have been passed or signed by the proper board, body or person or to have been prepared and furnished pursuant to any of the provisions of this Indenture, or upon the written opinion of any attorney, engineer, accountant or other expert, and the Trustee shall be under no duty to make any investigation or inquiry as to any statements contained or matters referred to in any such instrument, but may accept and rely upon the same as conclusive evidence of the truth and accuracy of such statements; provided that the Trustee shall not be so protected if the Trustee has actual knowledge with respect to such matters to the contrary.

Neither the Trustee nor the Remarketing Agent for the Series 2006A Second Lien Bonds shall be bound to recognize any person as a Bondholder of Series 2006A Second Lien Bonds or to take any action at the request of such person unless satisfactory evidence of the ownership of such Series 2006A Second Lien Bond shall be furnished to such entity.

Any request or direction of the City as provided in this Indenture shall be sufficiently evidenced by, and the Trustee may conclusively rely upon, a written instrument from the City signed by the Authorized Officer. As to any fact or circumstance concerning which the Trustee requests verification, the Trustee may conclusively rely upon a certificate signed by the Authorized Officer.

Section 7.7 Dealings in Series 2006A Second Lien Bonds and with City. The Trustee, the Bank, the Bond Insurer and the Remarketing Agent, in their individual capacities, may buy, sell, own, hold and deal in any of the Series 2006A Second Lien Bonds issued under

this Indenture for their own account or that of any other person, and may join in any action which any Bondholder may be entitled to take with like effect as if they did not act in any capacity under this Indenture. The Trustee, the Bank, the Bond Insurer and the Remarketing Agent, in their individual capacities, either as principal or agent, may also engage in or be interested in any financial or other transaction with the City and may act as depository, trustee or agent for any committee or body of Bondholders secured by this Indenture or other obligations of the City as freely as if they did not act in any capacity under this Indenture.

Section 7.8 Resignation of Trustee. The Trustee may resign and be discharged of the trusts created by this Indenture by executing an instrument in writing resigning such trusts and specifying the date when such resignation shall take effect, and filing the same with the City, the Remarketing Agent, the Bond Insurer and the Bank, not less than 45 days before the date specified in such instrument when such resignation shall take effect, and by giving Notice by Mail of such resignation, not less than 21 days prior to such resignation date, to the Owners of Outstanding Series 2006A Second Lien Bonds. Such resignation shall take effect on the day specified in such instrument and notice, but only if (i) a successor Trustee shall have been appointed and shall have accepted the duties of the Trustee as in this Indenture provided, and (ii) the resigning Trustee transfers and assigns the Liquidity Facility, if any, in accordance with its terms to the successor Trustee, in which event such resignation shall take effect immediately upon the appointment of and acceptance by such successor Trustee and the transfer and assignment of the Liquidity Facility. If the successor Trustee shall not have been appointed within a period of 90 days following the giving of such notice, then the Trustee shall be authorized to petition any court of competent jurisdiction to appoint a successor Trustee as provided in Section 7.12 of this Indenture.

Section 7.9 Removal of Trustee. The Trustee may be removed by the City at any time by filing with the Trustee, the Bank, the Bond Insurer and the Remarketing Agent, an instrument or instruments in writing executed by the City, appointing a successor. Such removal shall be effective 30 days (or such longer period as may be set forth in such instrument) after delivery of the instrument; provided that no such removal shall be effective until the successor Trustee appointed under this Indenture shall execute, acknowledge and deliver to the City an instrument accepting such appointment under this Indenture; and provided further, that the Trustee shall transfer and assign the Liquidity Facility in accordance with its terms to the successor Trustee upon such removal.

Section 7.10 Appointment of Successor Trustee. In case at any time the Trustee shall be removed, or be dissolved, or if its property or affairs shall be taken under the control of any state or federal court or administrative body because of insolvency or bankruptcy, or for any other reason, then a vacancy shall immediately and *ipso facto* exist in the office of the Trustee and a successor may be appointed, and in case at any time the Trustee shall resign, then a successor may be appointed by the City, by an instrument authorized by ordinance of the City. After any appointment by the City, it shall cause notice of such appointment to be given to the predecessor Trustee, the successor Trustee, the Bond Insurer, the Remarketing Agent and the Bank, and shall cause Notice by Mail to be given to all Bondholders. No such appointment shall be effective until the successor Trustee shall have accepted such appointment and the predecessor Trustee shall have transferred the Liquidity Facility to the successor Trustee in accordance with its terms.

Section 7.11 Qualifications of Successor Trustee. Every successor Trustee shall be a commercial bank with trust powers or a trust company, other than any issuer of the Liquidity Facility, (a) duly organized under the laws of the United States or any state or territory of the United States, (b) authorized by law to perform all the duties imposed upon it by this Indenture and the laws of the State, and (c) capable of meeting its obligations under this Indenture.

Section 7.12 Judicial Appointment of Successor Trustee. In case at any time the Trustee shall resign and no appointment of a successor Trustee shall be made pursuant to the foregoing provisions of this Indenture prior to the date specified in the notice of resignation as the date when such resignation is to take effect, the retiring Trustee may immediately apply to a court of competent jurisdiction for the appointment of a successor Trustee. Such court may thereupon, after such notice, if any, as it may deem proper and prescribe, appoint a successor Trustee meeting the qualifications set forth in Section 7.11 of this Indenture.

Section 7.13 Acceptance of Trusts by Successor Trustee. In order to evidence the acceptance of the position of Trustee under this Indenture, any successor Trustee appointed under this Indenture shall execute, acknowledge and deliver to the City an instrument accepting such appointment under this Indenture, and thereupon such successor Trustee, without any further act, deed or conveyance, shall become duly vested with all the estates, property, rights, powers, trusts, duties and obligations of its predecessor in the trust under this Indenture, with like effect as if originally named Trustee in this Indenture. Upon request of such Trustee, such predecessor Trustee and the City shall execute and deliver an instrument transferring to such successor Trustee all the estates, property, rights, powers and trusts under this Indenture of such predecessor Trustee and, subject to the provisions of Section 7.4 of this Indenture, such predecessor Trustee shall pay over and deliver to the successor Trustee all moneys and other assets at the time held by it under this Indenture.

Section 7.14 Successor by Merger or Consolidation. Any corporation into which any Trustee under this Indenture may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger or consolidation to which any Trustee under this Indenture shall be a party, shall be the successor Trustee under this Indenture, without the execution or filing of any paper or any further act on the part of the parties to this Indenture, anything in this Indenture to the contrary notwithstanding.

Section 7.15 Standard of Care; Action by Trustee. Notwithstanding any other provisions of this Indenture, the Trustee shall exercise such of the rights and powers vested in it by this Indenture and use the same degree of skill and care in its exercise as a prudent person would use and exercise under the circumstances in the conduct of his or her own affairs; provided that the Trustee shall be under no obligation to take any action in respect of the execution or enforcement of any of the trusts created by this Indenture, or to institute, appear in or defend any suit or other proceeding in connection with such execution or enforcement, unless requested in writing so to do by Bondholders of at least a majority in aggregate principal amount of the Series 2006A Second Lien Bonds then Outstanding, and, if in its opinion such action may tend to involve it in expense or liability, unless furnished from time to time as often as it may require, with security and indemnity satisfactory to it; but the foregoing provision is intended only for the protection of the Trustee.

Except as otherwise provided in this Indenture, the Trustee need perform only those duties that are specifically set forth in this Indenture and no others. Nothing in this Section 7.15 shall permit the Trustee to delay the exercise of any mandatory power or direction under this Indenture, including but not limited to, giving of notice of mandatory tender or redemption or drawing upon the Liquidity Facility at the times and in the manner set forth in this Indenture.

Section 7.16 Duties of the Trustee. The Trustee covenants and agrees:

(a) to keep such books and records as shall be consistent with prudent industry practice, and to make such books and records available for inspection by the City at all reasonable times; and

(b) to provide such information and reports to the Authorized Officer and the Bank as shall be reasonably requested in writing by the Authorized Officer or the Bank.

Section 7.17 Remarketing Agent. The City shall appoint a Remarketing Agent for the Series 2006A Second Lien Bonds bearing interest at a Short Rate or Term Rate, subject to the approval of the Initial Bond Insurer, for the purposes and upon the express terms set forth in the Remarketing Agreement. The initial Remarketing Agent is Lehman Brothers.

Upon 30 Business Days' written notice, a Remarketing Agent for the Series 2006A Second Lien Bonds may at any time resign or be removed and be discharged of the duties and obligations created by this Indenture under the terms described in the Remarketing Agreement. In the event of the resignation or removal of a Remarketing Agent, such Remarketing Agent shall pay over, assign and deliver any moneys and Series 2006A Second Lien Bonds held by it in such capacity to its successor or, if there is no successor, to the Trustee.

If the City shall fail to appoint a Remarketing Agent for the Series 2006A Second Lien Bonds, or in the event that a Remarketing Agent shall resign or be removed, or be dissolved, or if the property or affairs of a Remarketing Agent shall be taken under the control of any state or federal court or administrative body because of bankruptcy or insolvency or for any other reason, and the City shall not have appointed its successor as Remarketing Agent, the Trustee shall be deemed to be the Remarketing Agent for such Series 2006A Second Lien Bonds for all purposes of this Indenture until the appointment by the City of and the acceptance of such appointment by a Remarketing Agent or successor Remarketing Agent as the case may be; provided that the Trustee, in its capacity as Remarketing Agent, shall not be required to sell Series 2006A Second Lien Bonds or to calculate the interest rate with respect to the Series 2006A Second Lien Bonds set forth in Section 2.6 of this Indenture.

ARTICLE VIII

AMENDMENTS TO THIS INDENTURE

Section 8.1 Limitations on Amendments to this Indenture. This Indenture shall not be modified or amended in any respect subsequent to the issuance of the Series 2006A Second Lien Bonds except as provided in and in accordance with and subject to the provisions of this Article VIII.

Section 8.2 Amendments Without Bondholder Consent.

(a) The City and the Trustee may, from time to time and at any time, without the consent of or notice to the Bondholders, amend this Indenture as follows:

(i) to cure any formal defect, omission, inconsistency or ambiguity in this Indenture;

(ii) to close this Indenture against, or provide limitations and restrictions in addition to the limitations and restrictions contained in this Indenture on, the issuance of Second Lien Parity Bonds or other evidences of indebtedness;

(iii) to grant to or confer or impose upon the Trustee for the benefit of the Bondholders any additional rights, remedies, powers, authority, security, liabilities or duties which may lawfully be granted, conferred or imposed and which are not contrary to or inconsistent with this Indenture as to heretofore in effect, provided that no such additional liabilities or duties shall be imposed upon the Trustee without its consent;

(iv) to add to the covenants and agreements of, and limitations and restrictions upon the City in this Indenture, other covenants, agreements, limitations and restrictions to be observed by the City which are not contrary to or inconsistent with this Indenture as to this Indenture in effect;

(v) to confirm, as further assurance, any pledge under, and the subjection to any claim, lien or pledge created or to be created by, this Indenture, or of any moneys, securities or funds;

(vi) to authorize a different denomination or denominations of the Series 2006A Second Lien Bonds and to make correlative amendments and modifications to this Indenture regarding exchangeability of Series 2006A Second Lien Bonds of different denominations, redemptions of portions of Series 2006A Second Lien Bonds of particular denominations and similar amendments and modifications of a technical nature;

(vii) to comply with any applicable requirements of the Trust Indenture Act of 1939, as from time to time amended;

(xiv) to effect a change in the optional redemption schedule for Series 2006A Second Lien Bonds in a Fixed Mode pursuant to Section 3.10(a)(ii) hereof, or to effect a change in redemption price in accordance with Section 3.10(d) hereof; or

(xv) to modify, alter, amend or supplement this Indenture in any other respect which is not materially adverse to the Bondholders or the Bank and which does not involve a change described in clause (i), (ii) or (iii) of Section 8.3(a) of this Indenture and which, in the judgment of the Trustee (which may rely upon an Opinion of Bond Counsel), is not to the material prejudice of the Trustee.

(b) Before the City and the Trustee shall amend this Indenture pursuant to this Section 8.2, there shall have been delivered to the Trustee an Opinion of Bond Counsel

stating that such amendment is authorized or permitted by this Indenture, complies with the terms of this Indenture, will, upon the adoption of this Indenture, be valid and binding upon the City in accordance with its terms and will not adversely affect the exclusion of interest on any Series 2006A Second Lien Bonds from the gross income of the Owners of Series 2006A Second Lien Bonds for federal income tax purposes under the Code, and the Trustee may rely conclusively upon such opinion as to such matters.

(c) The City shall notify the Bond Insurer of any amendments entered into pursuant to this Section 8.2.

Section 8.3 Amendments with Bondholder Consent.

(a) Except for any amendment adopted pursuant to Section 8.2 of this Indenture, subject to the terms and provisions contained in this Section and not otherwise, the City and the Trustee may, from time to time, with the written consent of the Bond Insurer and the consent of Bondholders of more than 50 percent in aggregate principal amount of the Series 2006A Second Lien Bonds then Outstanding (excluding therefrom any Series 2006A Second Lien Bonds then owned by the City), enter into any Supplemental Indenture deemed necessary or desirable by the City for the purposes of modifying, altering, amending, supplementing or rescinding, in any particular, any of the terms or provisions contained in this Indenture; provided, however, that, unless approved in writing by the Bank and the Bondholders of all the Series 2006A Second Lien Bonds then Outstanding, nothing in this Indenture contained shall permit, or be construed as permitting, (i) a change in the times, amounts or currency of payment of the principal of or interest on any Outstanding Series 2006A Second Lien Bond, a change in the terms of the purchase of this Indenture by the Trustee, or a reduction in the principal amount or redemption price of any such Outstanding Series 2006A Second Lien Bond or the rate of interest on such Series 2006A Second Lien Bonds, or (ii) a preference or priority of any Series 2006A Second Lien Bond or Series 2006A Second Lien Bonds over any other Series 2006A Second Lien Bond or Series 2006A Second Lien Bonds, or (iii) a reduction in the aggregate principal amount of Series 2006A Second Lien Bonds, the consent of the Bondholders of which is required for any such amendment.

(b) If at any time the City shall propose to enter into any Supplemental Indenture for any of the purposes of this Section, the Trustee shall cause notice by mail of the proposed Supplemental Indenture to be given to all Bondholders owning Outstanding Series 2006A Second Lien Bonds. (e) Notwithstanding anything herein to the contrary and pursuant to Section 5.10 hereof, the consent of the Bond Insurer to any amendment or Supplemental Indenture described in this Section 8.3 shall be sufficient, and no consent of Bondholders shall be required.

Section 8.4 Effect of Supplemental Indenture. Upon the execution and delivery of any Supplemental Indenture pursuant to the provisions of this Indenture, this Indenture shall be and be deemed to be, modified and amended in accordance therewith, and the respective rights, duties and obligations under this Indenture of the City, the Trustee, the Bank, the Bond Insurer and all Bondholders owning Series 2006A Second Lien Bonds then Outstanding shall thereafter be determined, exercised and enforced under this Indenture subject in all respects to such modifications and amendments.

(a) If the City shall pay or cause to be paid to the Bondholders of all Outstanding Series 2006A Second Lien Bonds, the principal of and interest to become due on such Series 2006A Second Lien Bonds, at the times and in the manner stipulated in the Series 2006A Second Lien Bonds and in this Indenture, then the pledge of any moneys, securities, funds and property pledged by this Indenture and all other rights granted by this Indenture shall be discharged and satisfied. In such event, the Trustee shall, upon the request of the City, execute and deliver to the City all such instruments as may be desirable to evidence such discharge and satisfaction, and the Trustee shall pay over or deliver all moneys or securities held by it pursuant to this Indenture which are not

required for the payment or redemption of Series 2006A Second Lien Bonds theretofore surrendered for such payment or redemption. If the City shall pay or cause to be paid, or there shall otherwise be paid, to the Bondholders of any Outstanding Series 2006A Second Lien Bonds the principal of, redemption premium, if any, and interest due or to become due on such Series 2006A Second Lien Bonds, at the times and in the manner stipulated in such Series 2006A Second Lien Bonds and in this Indenture, such Series 2006A Second Lien Bonds shall cease to be entitled to any benefit or security under this Indenture and all covenants, agreements and obligations of the City to the Owners of such Series 2006A Second Lien Bonds shall thereupon cease, terminate and become void and be discharged and satisfied.

(b) Outstanding Series 2006A Second Lien Bonds shall, prior to the maturity or redemption date of such Series 2006A Second Lien Bonds, be deemed to have been paid as meant and with the effect expressed in paragraph (a) of this Section if: (i) in case any of said Series 2006A Second Lien Bonds are to be redeemed on any date prior to their maturity, the City shall have given to the Trustee or an escrow agent in form satisfactory to it irrevocable instructions to give as provided in Article IV notice of redemption on said date of such notice, (ii) there shall have been deposited with or held by the Trustee or escrow agent either moneys in an amount which shall be sufficient, or noncallable, nonprepayable Defeasance Obligations the principal of and the interest on which when due will provide moneys which, together with the moneys, if any, deposited with or held by the Trustee or escrow agent at the same time, shall be sufficient to pay when due the principal of, redemption premium, if any, and interest due and to become due on said Series 2006A Second Lien Bonds on and prior to the redemption date or Maturity Date of such Series 2006A Second Lien Bonds, as the case may be, as certified by an independent certified public accountant acceptable to the Trustee or escrow agent provided that such certification may be made by the Trustee, the escrow agent or an investment banking firm in connection with a current refunding, and (iii) in the event any Series 2006A Second Lien Bonds do not mature and are not by their terms subject to redemption with the next succeeding 60 days, the City shall have given the Trustee or escrow agent in form satisfactory to it irrevocable instructions to mail, as soon as practicable, by first class mail, postage prepaid a notice to the Owners of such Series 2006A Second Lien Bonds that the deposit required by (ii) above has been made with the Trustee or escrow agent and that said Series 2006A Second Lien Bonds are deemed to have been paid in accordance with this Section and stating such maturity or redemption date upon which moneys are to be available for the payment of the principal of, redemption premium, if any, and interest on said Series 2006A Second Lien Bonds. Neither Defeasance Obligations nor moneys deposited with the Trustee or escrow agent pursuant to this Section nor principal or interest payments on any such Defeasance Obligations shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal of, redemption premium, if any, and interest on said Series 2006A Second Lien Bonds and such Series 2006A Second Lien Bonds not so

defeased shall have no right to such moneys or Defeasance Obligations; but any cash received from such principal or interest payments on such Defeasance Obligations deposited with the Trustee or escrow agent, if not then needed for such purpose, shall to the extent practicable, be reinvested in Defeasance Obligations maturing at times and in amounts sufficient to pay when due the principal of, redemption premium, if any, and interest to become due on said Series 2006A Second Lien Bonds on and prior to such redemption date or Maturity Date of such Series 2006A Second Lien Bonds, as the case may be, and interest earned from such reinvestments shall be paid over to the City free and clear of any trust, lien or pledge, subject to any rights of the Bank under the Liquidity Agreement. If the Outstanding Series 2006A Second Lien Bonds are Variable Rate Bonds, then the interest rate on the Outstanding Series 2006A Second Lien Bonds for purposes of this paragraph shall be deemed to be the Maximum Interest Rate until the applicable redemption date or Maturity Date.

(c) Upon the payment or the provision for payment of the Series 2006A Second Lien Bonds in accordance with this Section 9.1, the Trustee shall return each Liquidity Facility to the Bank which issued such Liquidity Facility.

(d) Nothing in this Indenture shall prohibit any deposit of Defeasance Obligations, as provided in paragraph (b) above, from being subject to a subsequent sale of such Defeasance Obligations and reinvestment of all or a portion of the proceeds of that sale in Defeasance Obligations which, together with money to remain so held in trust with the Trustee or escrow agent, shall be sufficient to provide for the payment of the principal of, redemption premium, if any, and interest on any Series 2006A Second Lien Bonds deemed to have been paid as provided in paragraph (b) above. Amounts held by the Trustee or escrow agent in excess of the amounts needed so to provide for the payment of such Series 2006A Second Lien Bonds may be subject to withdrawal by the City for deposit in the Sewer Revenue Fund.

The Remarketing Agent will determine, and is required to give electronic or telephonic notice (confirmed by telecopy) to the Trustee of, the duration of the Rate Period and the Flexible Rate in the manner set forth in the Indenture. Except on an Adjustment Date, in the event that the Flexible Rate for any Series 2006A Second Lien Bond is not determined by the Remarketing Agent on any Rate Determination Date, such Series 2006A Second Lien Bond shall bear interest at a Flexible Rate equal to the

BMA Municipal Index for a Rate Period of the shortest possible duration until the Remarketing Agent next determines the Flexible Rate in accordance with the procedures set forth in the Indenture.

9. Term Rate Mode.

The Remarketing Agent will determine, and is required to give electronic or telephonic notice (confirmed by telecopy) to the Trustee of, the duration of the Rate Period and the Term Rate in the manner set forth in the Indenture. Except on an Adjustment Date, in the event that the Term Rate for any Series 2006A Second Lien Bond is not determined by the Remarketing Agent on any Rate Determination Date, such Series 2006A Second Lien Bond shall bear interest at a Term Rate equal to the Term Rate for the immediately preceding Rate Period. No Rate Period in the Term Rate Mode may extend beyond the applicable Maturity Date.

10. Fixed Mode.

From and after the Fixed Rate Conversion Date for a Series 2006A Second Lien Bond, such Series 2006A Second Lien Bond shall bear interest at the Fixed Rate with respect thereto established as provided below under "Conversion to a Fixed Rate".

11. Bank Rate.

Each Bank Bond shall bear interest at the Bank Rate.

12. Maximum Interest Rate.

At no time shall the Series 2006A Second Lien Bonds (including Bank Bonds) bear interest at a rate higher than the Maximum Interest Rate, and at no time shall Series 2006A Second Lien Bonds entitled to the benefit of a Liquidity Facility bear interest at a rate higher than the Interest Coverage Rate.

13. Purchase On Demand Date.

While a Series 2006A Second Lien Bond (other than a Bank Bond) bears interest at a Weekly Rate, such Series 2006A Second Lien Bond (or portion thereof in an Authorized Denomination) shall be purchased on a Demand Date therefor upon the demand of the Owner thereof, at a purchase price equal to one hundred percent (100%) of the principal amount thereof plus accrued interest, if any, to such Demand Date, upon irrevocable written notice (which may be given by telecopy) to the Trustee's Agent and the Remarketing Agent, which notice must be received by the Trustee's

Agent and the Remarketing Agent not later than 4:00 P.M. Chicago time, on a Business Day in order to be effective on that day. Any notice received after 4:00 P.M., Chicago time, on a Business Day shall be deemed given on the next succeeding Business Day. During the period a Liquidity Facility is required by the Indenture, the Series 2006A Second Lien Bonds (other than Bank Bonds and Series 2006A Second Lien Bonds bearing interest at an ARS Rate or a Fixed Rate) are subject to mandatory tender by the Owners thereof to the Trustee when the Trustee gives immediate notice to the Owners of such Series 2006A Second Lien Bonds and the Remarketing Agent (with a copy to the Bond Insurer) of the occurrence and continuation of a Liquidity Agreement Default. In such case, the Owner of any such Series 2006A Second Lien Bond required to be purchased may not elect to retain its Series 2006A Second Lien Bond, and by the acceptance of such Series 2006A Second Lien Bond shall be deemed to have agreed to deliver such Series 2006A Second Lien Bond to the Trustee on the date specified pursuant to the Indenture.

Upon receipt by the Trustee of a written notice from the Bank of the occurrence of a Special Liquidity Default under the Liquidity Agreement, the Trustee shall give immediate notice thereof to the Owners of all the Series 2006A Second Lien Bonds and the Remarketing Agent (with a copy to the Bond Insurer), which notice shall state that (i) there will be no mandatory purchase of the Series 2006A Second Lien Bonds as a result of such Special Liquidity Default, (ii) the Series 2006A Second Lien Bonds will no longer be entitled to the benefits of a Liquidity Facility and (iii) all rights granted to Owners to tender the Series 2006A Second Lien Bonds for purchase pursuant to the Indenture are suspended until such time as the Trustee shall give immediate notice to such Owners that the Special Liquidity Default is cured and the obligation of the Bank to purchase Series 2006A Second Lien Bonds pursuant to the Liquidity Facility has been reinstated or that a Substitute Liquidity Facility is in place. If immediate notice of a mandatory tender has been given due to receipt by the Trustee of written notice from the Bank of the occurrence of a Liquidity Agreement Default but a Special Liquidity Default occurs prior to the mandatory tender date, the Series 2006A Second Lien Bonds (other than Bank Bonds and Series 2006A Second Lien Bonds bearing interest at an ARS Rate or a Fixed Rate) shall not be subject to mandatory tender on such date.

15. Purchase While Series 2006A Second Lien Bonds Bear Flexible Rate.

The Owner of such Series 2006A Second Lien Bond may not elect to retain its Series 2006A Second Lien Bond, and by acceptance of such Series 2006A Second Lien Bond, shall be deemed to have agreed to deliver such Series 2006A Second Lien Bond to the Trustee on the date specified pursuant to the Indenture.

16. Purchase Prior To Stated Termination Date When Required Substitute Liquidity Facility Not In Place; Purchase Prior To Liquidity Substitution Date; Purchase Prior To Liquidity Facility Cancellation Date; Purchase Prior To Bond Insurance Substitution Date.

During the period a Liquidity Facility is required under the Indenture, all Series 2006A Second Lien Bonds (other than Bank Bonds and Series 2006A Second Lien Bonds bearing interest at an ARS Rate or a Fixed Rate) shall be purchased (a) on the Business Day prior to each Stated Termination Date of the Liquidity Facility, and (b) on the Liquidity Substitution Date. If a Liquidity Facility is no longer required pursuant to the Indenture, all Series 2006A Second Lien Bonds (other than Bank Bonds and Series 2006A Second Lien Bonds bearing interest at an ARS Rate or a Fixed Rate) shall be purchased on the Business Day prior to the Liquidity Facility Cancellation Date. All Series 2006A Second Lien Bonds (other than Bank Bonds and Series 2006A Second Lien Bonds bearing interest at an ARS Rate or a Fixed Rate) shall be purchased on the Bond Insurance Substitution Date, provided that if no Liquidity Facility is in effect in any Interest Mode, other than the Weekly Mode, and the Bond Insurer has waived the rating requirement, then such tender shall only occur if the Remarketing Agent has successfully remarketed all of the Series 2006A Second Lien Bonds subject to such mandatory tender. If not all the Series 2006A Second Lien Bonds are successfully remarketed, then such mandatory tender shall be cancelled, and all the Series 2006A Second Lien Bonds shall be returned to their respective Owner. A purchase of Series 2006A Second Lien Bonds pursuant to this paragraph shall be at a purchase price for each such Series 2006A Second Lien Bond equal to the principal amount thereof plus accrued interest, if any, to the purchase date. The Owner of such Series 2006A Second Lien Bond may not elect to retain its Series 2006A Second Lien Bond, and by acceptance of such Series 2006A Second Lien Bond, shall be deemed to have agreed to deliver such Series 2006A Second Lien Bond to the Trustee on the date specified pursuant to the Indenture.

17. Purchase On Adjustment Date.

On each Adjustment Date with respect to a Series 2006A Second Lien Bond (other than a Bank Bond), including, without limitation, a proposed Fixed Rate Conversion Date or a Substitute Adjustment Date, such Series 2006A Second Lien Bond shall be purchased at a purchase price equal to one hundred percent (100%) of the principal

amount thereof, except that a Series 2006A Second Lien Bond which is to be purchased on an Adjustment Date which immediately follows the last day of a Flexible Mode shall be purchased as described under "Purchase While Series 2006A Second Lien Bonds Bear Flexible Rate" above. The Owner of such Series 2006A Second Lien Bond may not elect to retain its Series 2006A Second Lien Bond, and by acceptance of such Series 2006A Second Lien Bond, shall be deemed to have agreed to deliver such Series 2006A Second Lien Bond to the Trustee on the date specified pursuant to the Indenture.

18. Payment Of Purchase Price.

Series 2006A Second Lien Bonds remarketed by the Remarketing Agent shall be delivered by the Trustee or the Trustee's Agent as directed by the Remarketing Agent by 11:00 A.M., Chicago time, on the date of purchase against payment therefor. The proceeds of sale by the Remarketing Agent shall be delivered to the Trustee by 11:00 A.M.; Chicago time, on the date of purchase. The Trustee's Agent shall pay the purchase price of each Tendered Bond from the sources specified in the Indenture, to the Owner thereof by 1:30 P.M., Chicago time, on the purchase date; provided that the Trustee's Agent shall have confirmed that such Owner has delivered such Tendered Bond (with any necessary endorsements) to the Principal Office of the Trustee's Agent no later than 12:00 Noon, Chicago time, on such date.

In the event that sufficient monies are on deposit with the Trustee to pay the applicable purchase price of any Tendered Bond, such Tendered Bond will be deemed to have been purchased whether or not delivered by the Owner thereof on the date such Tendered Bond is to be purchased. In the event any such purchased Tendered Bond is not so delivered, the City will execute and the Trustee will authenticate and deliver a replacement Series 2006A Second Lien Bond of like date, Maturity Date and denomination as the Tendered Bond and bearing a number, not contemporaneously outstanding.

19. Purchase Price Of Bank Bonds.

The purchase price of remarketed Bank Bonds shall be one hundred percent (100%) of the principal amount thereof plus accrued interest, if any, at the Bank Variable Rate through the Sale Date.

20. No Remarketing After Certain Breaches.

Unless directed to do so in writing by the City and the Bond Insurer, there shall be no remarketing of Tendered Bonds during the period when there is no Liquidity Facility in effect when such Liquidity Facility is required pursuant to the Indenture. Unless directed not to do so in writing by the City and the Bond Insurer, the

Remarketing Agent shall use all reasonable efforts to remarket the Tendered Bonds if there shall have occurred and be continuing a breach under the Indenture of which an authorized officer of the Remarketing Agent or an authorized officer of the Trustee has actual knowledge. In addition, the Remarketing Agent shall be under no obligation to remarket Series 2006A Second Lien Bonds upon the occurrence and continuance of a Special Liquidity Default or a Liquidity Agreement Default under the Indenture.

21. Conversions.

The City may designate a different Interest Mode with respect to any Series 2006A Second Lien Bond (a) during a Flexible Mode or Term Rate Mode on any Rate Change Date, (b) during a Weekly Mode on any Business Day and (c) during an Auction Rate Mode on the last Interest Payment Date for the Auction Period, upon compliance with the Indenture.

In the event that the Remarketing Agent does not determine the interest rate applicable to the initial Rate Period during a new Interest Mode with respect to any Series 2006A Second Lien Bond or if any relevant opinion required is not delivered, the immediately succeeding Interest Mode with respect to the Series 2006A Second Lien Bonds in the Interest Mode then ending shall be determined as provided in the Indenture.

22. Designation Of Substitute Adjustment Date.

The City may designate a Substitute Adjustment Date or any Bank Bonds (provided that such Bank Bonds shall continue to bear interest at the Bank Rate as long as they remain Bank Bonds), with Bond Insurer Approval and Bank Approval, on any Business Day. The Substitute Adjustment Date shall be the next succeeding Adjustment Date for such Series 2006A Second Lien Bonds for all purposes of the Indenture.

23. Term Rate Conversion Or Fixed Rate Conversion.

On any Rate Change Date during a Flexible Mode, on any Business Day during a Weekly Mode, or on the last Interest Payment Date during an Auction Rate Mode, the interest rate to be borne by all or any portion of the Series 2006A Second Lien Bonds in such Interest Mode may be converted to a Term Rate or a Fixed Rate, and such Series 2006A Second Lien Bonds so converted shall thereafter bear interest at such Term Rate or Fixed Rate until payment of the principal or redemption price thereof shall have been made or provided for in accordance with the provisions of the Indenture.

If the conversion of the interest rate of any Series 2006A Second Lien Bond does not occur for any reason, including in the event that any condition precedent to the Term Rate Conversion or Fixed Rate Conversion shall not occur, such Series 2006A

Second Lien Bonds shall bear interest from and after the proposed Term Rate Conversion Date or Fixed Rate Conversion Date as provided in the Indenture.

24. Effect Of Notices.

Any notice mailed as provided herein shall be conclusively presumed to have been given, whether or not the Owner of Series 2006A Second Lien Bonds receives the notice.

The Series 2006A Second Lien Bonds shall be subject to redemption prior to their Maturity Date in the amounts, at the times and in the manner provided below.

(a) Optional Redemption.

- (i) Series 2006A Second Lien Bonds in a Weekly Mode shall be subject to redemption prior to their Maturity Date at the option of the City, in whole or in part (and, if in part, in an Authorized Denomination) on any Business Day during such Weekly Mode at a redemption price equal to one hundred percent (100%) of the principal amount thereof plus accrued interest, if any, to the redemption date.

The City may deliver to the Trustee an alternative redemption schedule to the schedule shown above, if the City delivers to the Bond Insurer and the Trustee an Opinion of Bond Counsel to the effect that the alternative schedule of redemption will not adversely affect the validity and enforceability of the Series 2006A Second Lien Bonds in accordance with their terms, and will not have an adverse effect on any exclusion from gross income of the interest thereon for federal income tax purposes. Series 2006A Second Lien Bonds which commence bearing interest at a Fixed Rate on or after the delivery of such alternative schedule and Opinion of Bond Counsel shall be subject to redemption in accordance with the provisions of such alternative schedule.

26. General Provisions Regarding Redemptions.

No redemption of less than all of the Series 2006A Second Lien Bonds Outstanding shall be made pursuant to (a) or (c) above unless (i) if such redemption

is of Series 2006A Second Lien Bonds bearing interest at a Short Rate, the aggregate principal amount of Series 2006A Second Lien Bonds to be redeemed is equal to One Hundred Thousand Dollars (\$100,000) or integral multiples thereof, (ii) if such redemption is of Series 2006A Second Lien Bonds bearing interest at an ARS Rate, the aggregate principal amount of Series 2006A Second Lien Bonds to be redeemed is equal to Twenty-five Thousand Dollars (\$25,000) or integral multiples thereof and (iii) if such redemption is with respect to Series 2006A Second Lien Bonds bearing interest at a Term Rate or a Fixed Rate, the aggregate principal amount of Series 2006A Second Lien Bonds to be redeemed is equal to One Hundred Thousand Dollars (\$100,000) or Five Thousand Dollar (\$5,000) multiples in excess thereof. - (i) Series 2006A Second Lien Bonds may be called for redemption by the Trustee pursuant to (a) above (A) in the case of Series 2006A Second Lien Bonds bearing interest at a Short Rate or an ARS Rate, upon receipt by the Trustee at least thirty-five (35) days prior to the redemption date of a written request of the City requesting such redemption, or (B) in the case of Series 2006A Second Lien Bonds bearing interest at a Term Rate or Fixed Rate, upon receipt by the Trustee at least forty-five (45) days prior to the redemption date (or such shorter period as shall be acceptable to the Trustee) of a written request of the City requesting such redemption.
- (ii) Series 2006A Second Lien Bonds may be called for redemption by the Trustee pursuant to (c) above upon receipt by the Trustee at least two (2) Business Days prior to the redemption date of a written request of the City requesting such redemption. 27. Notice Of Redemption.

Except as otherwise provided with respect to Bank Bonds in the Indenture, notice of the call for any redemption identifying the Series 2006A Second Lien Bonds to be redeemed shall be given by first class mail, postage prepaid, with respect to Series 2006A Second Lien Bonds bearing interest at a Short Rate or an ARS Rate, not less than thirty (30) or more than forty-five (45) days prior to the date fixed for redemption, and shall be given by first class mail, postage prepaid, with respect to Series 2006A Second Lien Bonds bearing interest at a Term Rate or Fixed Rate, not less than thirty (30) or more than sixty (60) days prior to the date fixed for redemption, to the Bank, Bond Insurer, Remarketing Agent and the Owners of Series 2006A Second Lien Bonds to be redeemed at their addresses as shown on the bond register. Failure to give notice in the manner prescribed with respect to any Series 2006A Second Lien Bond, or any defect in such notice, shall not affect the

validity of the proceedings for redemption for any Series 2006A Second Lien Bond with respect to which notice was properly given. Upon the happening of the above conditions and if sufficient monies are on deposit with the Trustee on the applicable redemption date to redeem the Series 2006A Second Lien Bonds to be redeemed and to pay interest due thereon and premium, if any, the Series 2006A Second Lien Bonds thus called shall not after the applicable redemption date, bear interest, be protected by the Indenture (except with respect to such deposited monies) or be deemed to be Outstanding under the provisions of the Indenture. Any notice of redemption may be conditioned on sufficient amounts for such redemption being on deposit with the Trustee as of the redemption date.

28. Selection Of Series 2006A Second Lien Bonds To Be Redeemed.

If less than all the Series 2006A Second Lien Bonds shall be called for redemption under any provision of the Indenture permitting such partial redemption, the particular Series 2006A Second Lien Bonds or portions thereof to be redeemed shall be selected by the City and designated to the Trustee, provided, however, that (1) in the case of the redemption of less than all Series 2006A Second Lien Bonds which bear interest in the same Interest Mode at the same rates for the same Rate Periods, and which, in the case of Series 2006A Second Lien Bonds bearing interest at a Fixed Rate, were converted on the same date, such redemption shall be by lot in such manner as the Trustee may determine among such Series 2006A Second Lien Bonds, and (ii) subject to other applicable provisions of the Indenture, the portion of any Series 2006A Second Lien Bond to be redeemed shall be in a principal amount equal to an Authorized Denomination. Any redemption of less than all of the Series 2006A Second Lien Bonds outstanding shall be made first from Bank Bonds.

In the event of a Liquidity Substitution Date, the Series 2006A Second Lien Bonds shall be subject to mandatory purchase pursuant to the Indenture.

If certain conditions described in the Indenture are satisfied prior to the expiration or termination of the Liquidity Facility then in effect, Series 2006A Second Lien Bonds bearing interest at a Short Rate or Term Rate are not required to have the benefit of a Liquidity Facility. An official, officer, agent or employee, as such, of the City shall not have any liability for any obligations of the City under the Series 2006A Second Lien Bonds or the Indenture or for any claim based on such obligations or their creation. Each Bondholder by accepting a Series 2006A Second Lien Bond waives and releases all such liability. The waiver and release are part of the consideration for the issue of the Series 2006A Second Lien Bonds.

(a) The Representative, on behalf of the Underwriters, may terminate this Purchase Agreement, without liability therefor as provided in Section 16(d) hereof, by notification to the City if at any time on or after the acceptance by the City of this Purchase Agreement and on or prior to the Closing Date:

(i) the marketability of the Bonds or the market price thereof, in the opinion of the Representative, has been materially adversely affected by:

(1) an amendment to the Constitution of the United States or of the State, or

(2) any state or federal legislation (whether or not yet introduced in the General Assembly of the State (the "General Assembly"), or Congress, as applicable) enacted or being actively considered for enactment by the General Assembly or Congress or recommended to the General Assembly or Congress for passage by the Governor of the State or the President of the United States, as applicable, or favorably reported for passage to either House of the General Assembly or of the Congress by any committee of such House to which such legislation has been referred for consideration; or

(3) any decision of any court of the United States or by any ruling or regulation (final, temporary, or proposed) on behalf of the Treasury Department of the United States, the Internal Revenue Service or any other authority of the United States, or

(iii) there shall have occurred the declaration of a general banking moratorium by any authority of the United States or the States of New York or Illinois; or

(iv) an event described in Section 5(d) hereof shall have occurred prior to the Closing Date which in the opinion of the Representative requires the preparation and publication of a supplement or amendment to the Official Statement and which in the Representative's reasonable judgment materially impairs the value of the Bonds; or

(v) there shall be in force a general suspension of trading, minimum or maximum prices for trading shall have been fixed and be in force or maximum ranges or prices for securities shall have been required and be in force on the New York Stock Exchange or other national stock exchange whether by virtue of a determination by that Exchange or by order of the Securities and Exchange Commission or any other governmental issuer having jurisdiction, which, in the reasonable judgment of the Representative, would make it impracticable for the Underwriters to market the Bonds or to enforce contracts for the sale of the Bonds.

(b) The Representative, on behalf of the Underwriters, may terminate this Purchase Agreement, without liability as provided in Section 16(e) hereof to pay the Liquidated Damages (as defined therein), by notification to the City if, at any time on or prior to the Settlement Date, there shall occur any event comprising a Change in Law.

(i) The Ordinance, the 2007 Bond Indenture, and this Purchase Agreement shall be in full force and effect and shall not have been amended or modified except as may have been consented to by the Underwriters, which consent shall not be unreasonably withheld.

regulation proposed or enacted by any governmental body, department, or agency affecting the Underwriters, and no judgments, rulings, or orders issued by any court or administrative body, would prohibit the Underwriters from honoring their joint and several obligations to purchase the Bonds as provided herein; it being understood that for purposes of this section, if any of the Underwriters are legally able to purchase the Bonds as provided herein, then they would be required to purchase all of the Bonds (or such amount as may be apportioned among the remaining eligible Underwriters) regardless of any legal prohibition on purchase that may apply to any of the other Underwriters.

(v) On the Settlement Date, unless otherwise agreed to in writing by the Representative, the Representative shall receive the following:

If said one-time payment is not sufficient to discharge the amount due under this Agreement, then subsequent amounts shall be paid annually by the City to the Developer upon submission by the Developer to D.P.D. of an executed Requisition Form. The Requisition Form (for all payments subsequent to the first one) shall be sent to D.P.D. on or after November 1

of each year that payment is requested, and shall set forth the date for payment, which shall be not less than sixty (60) days from the date of its receipt by D.P.D.. D.P.D. shall first verify that the matters set forth in the Requisition Form are true and correct, and if so, shall direct the City Comptroller to pay, to the extent of any Annual Available Excess Near North Incremental Taxes then available in the Incremental Taxes Fund, the amount requested in the Requisition Form within sixty (60) days of its receipt.

(c) With each Requisition Form submitted, the Developer shall submit to D.P.D. and the Department of Finance at the addresses specified in Section 17 hereof, copies of sworn contractor/subcontractor statements and lien waivers demonstrating the actual amount paid by the Developer or, if the City's payments are to be directed payable to the order of C.C.L.P. or N.W.S.C.D.C., then said copies shall demonstrate the actual amount paid by said entity, to the General Contractor and/or subcontractors and/or their payees that have performed work on the Project during the year for which payment is sought, all based on the Developer's most recent Financial Statements (or such other substantiating evidence as the City may accept) to evidence the accrual of such amounts as T.I.F.-Eligible Costs. The City acknowledges and agrees that the Developer shall have a first priority claim to the Annual Available Excess Near North Incremental Taxes committed and reserved under this Section 4.04.

4.05 Cost Overruns.

If the aggregate cost of the T.I.F.-Eligible Costs exceeds City Funds available pursuant to Section 4.04 hereof, or if the cost of completing the Project exceeds the Project Budget, the Developer shall be solely responsible for such excess cost, and shall hold the City harmless from any and all costs and expenses of completing the T.I.F.-Eligible Costs in excess of City Funds and of completing the Project.

Section 5.

General Provisions.

5.01 D.P.D. Approval.

Any approval granted by D.P.D. pursuant to this Agreement is for the purposes of this Agreement only and does not affect or constitute any approval required by any other department of the City or pursuant to any City ordinance, code, regulation or any other governmental approval, nor does any approval by D.P.D. pursuant to this Agreement constitute approval of the quality, structural soundness or safety of the Property or the Project.

5.02 Other Approvals.

Any D.P.D. approval under this Agreement shall have no effect upon, nor shall it operate as a waiver of, the Developer's obligations to comply with the provisions of Sections 3.02 and 3.04 hereof.

5.03 Signs And Public Relations.

The Developer shall erect a sign of size and style approved by the City in a conspicuous location on the Property during the construction of the Project indicating that partial financing is being provided by the City. The City reserves the right to include the name, photograph, artistic rendering of the Project and other pertinent information regarding the Developer, the Property and the Project in the City's promotional literature and communications.

5.04 Utility Connections.

The Developer may connect all on-site water, sanitary, storm and sewer lines constructed on the Property to the City utility lines existing on or near the perimeter of the Property, provided the Developer first complies with all the City requirements governing such connections, including the payment of customary fees and costs related thereto, subject to any fee and/or cost waivers provided to the Developer by the City, if any.

5.05 Permit Fees.

In connection with the Project, the Developer shall be obligated to pay only those building, permit, engineering, tap on and inspection fees that are assessed on a uniform basis throughout the City and are of general applicability to other property within the City, subject to any fee waivers provided to the Developer by the City, if any.

Section 6.

Conditions.

The following conditions shall be complied with to the City's satisfaction within the time periods set forth below:

6.01 Title Policy.

On the Closing Date, the Developer shall provide the City with a copy of the Title Policy showing the Developer in the title to (or holding a leasehold interest in, as applicable) each site comprising the Property.

6.02 Survey.

6.04 Opinion Of Developer's Counsel.

The Developer shall furnish the City with an opinion of counsel upon the execution of this Agreement in the form as may be reasonably required by or acceptable to Corporation Counsel.

Section 7.

Agreements With Contractors.

7.01 City Resident Employment Requirement.

The Developer agrees for itself and its successors and assigns, and shall contractually obligate its or their various contractors, subcontractors or any Affiliate of the Developer operating on the Property (individually an "Employer" and collectively, "Employers"), as applicable, to agree, that during the construction of the Project they shall comply with the minimum percentage of total worker hours performed by actual residents of the City of Chicago specified in Section 2-92-330 of the Municipal Code of Chicago (at least fifty percent (50%) of the total worker hours worked by persons on the site of the construction of the Project shall be performed by actual residents of the City of Chicago); provided, however, that in addition to complying with this percentage, the Developer and the other Employers shall be required to make good faith efforts to utilize qualified residents of the City of Chicago in both skilled and unskilled labor positions.

The Developer and the other Employers may request a reduction or waiver of this minimum percentage level of total worker hours performed by actual residents of the City of Chicago as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the Purchasing Agent of the City of Chicago.

"Actual residents of the City of Chicago" shall mean persons domiciled within the City of Chicago. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

The Developer and the other Employers shall provide for the maintenance of adequate employee residency records to ensure that actual Chicago residents are employed on the Project. The Developer and the other Employers shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

Weekly certified payroll reports (United States Department of Labor Form WH-347 or equivalent) shall be submitted to the Commissioner of D.P.D. in triplicate, which

shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the company hired the employee should be written in after the employee's name.

The Developer and the other Employers shall provide full access to their employment records to the Purchasing Agent, the Commissioner of D.P.D., Superintendent of the Chicago Police Department, the Inspector General, or any duly authorized representative thereof. The Developer and the other Employers shall maintain all relevant personnel data and records for a period of at least three (3) years after final acceptance of the work constituting the Project as evidenced by the (final) Certificate.

At the direction of D.P.D. affidavits and other supporting documentation will be required of the Developer and the other Employers to verify or clarify an employee's actual address when in doubt or lack of clarity has arisen.

Good faith efforts on the part of the Developer and the other Employers to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Purchasing Agent) shall not suffice to replace the actual, verified achievement of the requirements of this section concerning the worker hours performed by actual Chicago residents.

When work at the Project is completed, in the event that the City has determined that the Developer and the other Employers failed to ensure the fulfillment of the requirement of this section concerning the worker hours performed by actual Chicago residents or has failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicago to the degree stipulated in this section. Therefore, in such case of non-compliance it is agreed that one-twentieth of one percent (.05%) of the aggregate hard construction costs set forth in the Project Budget (as the same shall be evidenced by approved contract value for the actual contracts), shall be surrendered by the Developer and/or the other Employers to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer and/or the other Employers or employee to prosecution. Any retainage to cover contract performance that may become due to the Developer and the other Employers pursuant to Section 2-92-250 of the Municipal Code of Chicago may be withheld by the City pending the Purchasing Agent's determination whether the Developer and the other Employers must surrender damages as provided in this paragraph. Any monetary obligations of the Developer hereunder shall be satisfied from distributable Surplus Cash only. In addition, the Developer shall make good faith efforts that all other contracts entered into in connection with the Project for work done, services provided or materials supplied shall be let to persons or entities whose main office and place of business are located within the City, subject to applicable H.U.D. regulations.

Nothing herein provided shall be construed to be a limitation upon the "Notice of Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246", or other affirmative action required for equal opportunity under the provisions of this Agreement.

The Developer shall cause or require the provisions of this Section 7.01 to be included in all construction contracts and subcontracts related to the Project.

7.02 Maintaining Records.

On a monthly basis until completion of construction of the Project, the Developer shall provide to D.P.D. reports in a form satisfactory to D.P.D. evidencing its compliance with Section 7.01.

7.03 Other Provisions.

Photocopies of all contracts or subcontracts entered into by the Developer in connection with the Project shall be made available to D.P.D. upon request. The Developer has the right to delete proprietary information from such contracts or subcontracts, provided, however, that upon D.P.D.'s request, the Developer shall make available such proprietary information for review by any authorized City representative.

Section 8.

Completion Of Construction.

8.01 Certificate Of Completion.

Upon the completion of the following:

(v) _____% of the retail space in the Project has been occupied, and

(vi) _____% of the market rate rental units have been leased and occupied,

all in accordance with the terms of this Agreement, and upon the Developer's written request, D.P.D. shall issue to the Developer a Certificate in recordable form certifying that the Developer has fulfilled its obligation to complete the Project in accordance with the terms of this Agreement. D.P.D. shall respond to the Developer's written request for a Certificate by issuing either a Certificate or a written statement detailing the ways in which the Project does not conform to this Agreement or has not been satisfactorily completed, and the measures which must be taken by the Developer in order to obtain the Certificate. The Developer may resubmit a written request for a Certificate upon completion of such measures.

8.02 Effect Of Issuance Of Certificate; Continuing Obligations.

The Certificate relates only to the construction of the Project and related redevelopment activities constituting the Project, and upon its issuance, the City will certify that the terms of the Agreement specifically related to the Developer's obligation to complete such activities have been satisfied. After the issuance of a Certificate, however, all executory terms and conditions of this Agreement and all representations and covenants contained herein will continue to remain in full force and effect throughout the Term of the Agreement as to the parties described in the following paragraph, and the issuance of the Certificate shall not be construed as a waiver by the City of any of its rights and remedies pursuant to such executory terms.

That covenant specifically described at Section 9.02 as a covenant that runs with the land is the only covenant in this Agreement intended to be binding upon any transferee of the Property (including an assignee as described in the following sentence) throughout the Term of the Agreement notwithstanding the issuance of a Certificate. The other executory terms of this Agreement that remain after the issuance of a Certificate shall be binding only upon the Developer or a permitted assignee of the Developer who, pursuant to Section 18.14 of this Agreement, has contracted to take an assignment of the Developer's rights under this Agreement and assume the Developer's liabilities hereunder.

8.03 Failure To Complete.

If the Developer fails to complete the Project in accordance with the terms of the Agreement, then the City shall have, but shall not be limited to, any of the following rights and remedies:

(a) subject to the provisions of Section 16.02, the right to terminate this Agreement and cease all disbursement of City Funds not yet disbursed pursuant hereto;

(b) the right (but not the obligation) to complete the Project and to pay for its costs out of City Funds or other City monies. In the event that the aggregate cost of completing the Project exceeds the amount of City Funds available, the Developer shall reimburse the City for all reasonable costs and expenses incurred by the City in completing such work in excess of the available City Funds; and

(c) the right to seek reimbursement of the City Funds from the Developer.

8.04 Notice Of Expiration Of Term Of Agreement.

Upon the expiration of the Term of the Agreement, D.P.D. shall provide the Developer, at the Developer's written request, with a written notice in recordable form stating that the Term of the Agreement has expired.

Section 9.

Covenants/Representations/Warranties Of Developer.

The Developer represents, warrants and covenants to the City as follows:

9.01 General.

The Developer represents, warrants and covenants that:

The Developer shall maintain records of all relevant data with respect to the utilization of M.B.E.s and W.B.E.s in connection with the Project for at least five (5) years after completion of the Project, and D.P.D. shall have access to all such records maintained by the Developer, on five (5) Business Days' notice, to allow the City to review the Developer's compliance with its commitment to M.B.E./W.B.E. participation and the status of any M.B.E. or W.B.E. performing any portion of the Project.

Subcontractors shall be required to attend this pre-construction meeting. During said meeting, the Developer shall demonstrate to D.P.D. its plan to achieve its obligations under this Section 11, the sufficiency of which shall be approved by D.P.D.. During the Project, the Developer shall submit the documentation required by this Section 11 to the monitoring staff of D.P.D.. Failure to submit such documentation on a timely basis, or a determination by D.P.D., upon analysis of the documentation, that the Developer is not complying with its obligations under this Section 11, shall, upon the delivery of written notice to the Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided hereunder, the City may: (1) issue a written demand to the Developer to halt the Project, (2) withhold any further payments to, or on behalf of the Developer, or (3) seek any remedies against the Developer available at law or in equity.

In the event the Developer shall fail to perform a non-monetary covenant which the Developer is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the Developer has failed to cure such default within thirty (30) days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those non-monetary defaults which are not capable of being cured within such thirty (30) day period, the Developer shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such thirty (30) day period and

thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

Section 17A.

Mortgaging Of The Project.

All mortgages or deeds of trust in place as of the date hereof with respect to the Property or any portion thereof are listed on (Sub)Exhibit G hereto (including but not limited to mortgages made prior to or on the date hereof in connection with Lender Financing) and are referred to herein as the "Existing Mortgages". Any mortgage or deed of trust that the Developer may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof is referred to herein as a "New Mortgage". Any New Mortgage that the Developer may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof with the prior written consent of the City is referred to herein as a "Permitted Mortgage". It is hereby agreed by and between the City and the Developer as follows:

(a) In the event that a mortgagee or any other party shall succeed to the Developer's interest in the Property or any portion thereof pursuant to the exercise of remedies under a New Mortgage (other than a Permitted Mortgage), whether by foreclosure or deed in lieu of foreclosure and in conjunction therewith accepts an assignment of the Developer's interest hereunder in accordance with Section 18.14 hereof, the City may, but shall not be obligated to, attorn to and recognize such party as the successor in interest to the Developer for all purposes under this Agreement and, unless so recognized by the City as the successor in interest, such party shall be entitled to no rights or benefits under this Agreement, but such party shall be bound by those provisions of this Agreement that are covenants expressly running with the land.

(b) In the event that any mortgagee shall succeed to the Developer's interest in the Property or any portion thereof pursuant to the exercise of remedies under an Existing Mortgage or a Permitted Mortgage, whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of the Developer's interest hereunder in accordance with Section 18.14 hereof, the City hereby agrees to attorn to and recognize such party as the successor in interest to the Developer for all purposes under this Agreement so long as such party accepts all of the obligations and liabilities of "the Developer" hereunder; provided, however, that, notwithstanding any other provision of this Agreement to the contrary, it is understood and agreed that if such party accepts an assignment of the Developer's interest under this Agreement, such party has no liability under this Agreement for any Event of Default of the Developer which accrued prior to the time such party

succeeded to the interest of the Developer under this Agreement, in which case the Developer shall be solely responsible. However, if such mortgagee under a Permitted Mortgage or an Existing Mortgage does not expressly accept an assignment of the Developer's interest hereunder, such party shall be entitled to no rights and benefits under this Agreement, and such party shall be bound only by those provisions of this Agreement, if any, which are covenants expressly running with the land.

On motion of Alderman Burke, the said proposed ordinance transmitted with the foregoing committee report was *Passed* by yeas and nays as follows:

Yeas -- Aldermen Flores, Haithcock, Tillman, Preckwinkle, Hairston, Lyle, Beavers, Stroger, Beale, Pope, Balcer, Olivo, Burke, T. Thomas, Coleman, L. Thomas, Murphy, Rugai, Troutman, Brookins, Muñoz, Zalewski, Chandler, Solis, E. Alderman Beavers moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

Recitals.

A. The City of Chicago (the "City") is a duly constituted and existing municipality within the meaning of Section 1 of Article VII of the 1970 Constitution of the State of Illinois (the "Constitution") having a population in excess of 25,000 and is a home rule unit of local government under Section 6(a) of Article VII of the Constitution.

B. As a home rule unit and pursuant to the Constitution, the City is authorized and empowered to issue multi-family housing revenue bonds for the purpose of financing the cost of acquiring, rehabilitating and equipping a senior citizen residential facility located in the City.

C. By this ordinance, the City Council of the City (the "City Council") has determined that it is necessary and in the best interests of the City to provide financing to Charles A. Beckett Associates Limited Partnership, an Illinois limited partnership (the "Borrower"), which is a partnership of (i) Peoples Co-Op For Affordable Elderly Housing, an Illinois not-for-profit corporation, the sole general partner (the "General Partner") and (ii) others to be selected as limited partners, by issuing a series of tax-exempt revenue bonds and using the proceeds of the sale thereof to purchase fully-modified mortgage-backed securities, the payment of principal and interest on which corresponds to payments on a mortgage loan insured by the Federal Housing Administration ("F.H.A.") and backing those securities to be made to the Borrower, and which are guaranteed as to timely payment by the Government National Mortgage Association ("G.N.M.A.").

D. The Borrower desires that the City issue, sell and deliver the City's Multi-Family Housing Revenue Bonds (Paul G. Stewart Phases I and II) Series 2006 (F.H.A.-Insured/G.N.M.A.), in the aggregate principal amount of not to exceed Thirty-five Million Dollars (\$35,000,000) (the "Bonds"), to be issued in one or more series as herein provided under the terms and conditions of this ordinance, and lend the proceeds therefrom to the Borrower, to enable it to pay a portion of the costs of the acquisition of real estate, rehabilitation of buildings thereon and equipping of an approximately four hundred twenty (420) unit senior citizen multi-family housing project (the "Project") located generally at 400 East 41st Street in Chicago, Illinois 60653 (the "Site"), and pay a portion of the costs of issuance and other costs in connection therewith.

E. In connection with the issuance of the Bonds, the City Council has determined by this ordinance that it is necessary and in the best interests of the City to enter into (i) a Trust Indenture (the "Indenture") between the City and a trustee to be

selected by the Executive Officer (as defined in Section 5 hereof) as provided herein (the "Trustee") providing for the security for and terms and conditions of the Bonds to be issued and providing for the use of the proceeds of the Bonds to purchase fully modified mortgage-backed securities guaranteed by G.N.M.A. from Prairie Mortgage Company, an Illinois corporation, or another entity acceptable to the City (the "Lender"), and the corresponding making of a mortgage loan by the Lender to the Borrower backing those securities and insured by F.H.A., all for the purposes described above, (ii) a Financing Agreement (the "Financing Agreement") among the City, the Borrower and the Trustee, (iii) a Bond Purchase Agreement (a "Bond Purchase Agreement") among the City, the Borrower and the Underwriter (as defined below) for the Bonds, providing for the sale of the Bonds and the preparation and circulation of a preliminary offering document for the Bonds (the "Preliminary Official Statements") and official statement for the Bonds (the "Official Statement"), and (iv) a Regulatory Agreement (the "Regulatory Agreement") among the City, the Borrower and the Trustee.

F. The Bonds issued pursuant to this ordinance, together with interest thereon, shall be special, limited obligations of the City secured under the Indenture for the benefit of the owners of the Bonds. The Bonds shall be payable solely from (i) all right, title and interest of the City in the G.N.M.A. mortgage-backed securities purchased pursuant to the Financing Agreement, (ii) all right, title and interest of the City (other than the rights of the City to indemnification and to receive notices, make requests or give its consent or approval) in the Financing Agreement, and (iii) the proceeds of the Bonds and income from the temporary investment thereof, as provided in the Indenture. In order to secure the payment of the principal of, premium, if any, and interest on the Bonds, such rights, proceeds and investment income are hereby pledged to the extent and for the purposes as provided in the Indenture and are hereby appropriated for the purposes set forth in the Indenture. Nothing contained in this ordinance shall limit or restrict the subordination of the pledge of such rights, proceeds and investment income, as set forth in the Indenture, to the payment of any other obligations of the City enjoying a lien or claim on such rights, proceeds and investment income as of the date of issuance of the Bonds, all as shall be determined by the Executive Officer at the time of the sale of the Bonds. The Indenture shall set forth such covenants with respect to the application of such rights, proceeds and investment income as shall be deemed necessary by the Executive Officer in connection with the sale of the Bonds.

G. The Bonds and the obligation to pay interest thereon do not now and shall never constitute an indebtedness or an obligation of the City, the State of Illinois or any political subdivision thereof, within the purview of any Constitutional limitation or statutory provision, or a charge against the general credit or taxing powers of any of them. No owner of the Bonds shall have the right to compel the taxing power of the City, the State of Illinois or any political subdivision thereof to pay any principal installment of, premium, if any, or interest on the Bonds.

H. In order that interest on the Bonds be excluded from gross income for federal income tax purposes under the Internal Revenue Code of 1986, as amended (the

"Code"), the Borrower must comply with certain restrictions on the use and occupancy of the Project, as set forth in the Regulatory Agreement.

I. There has been presented to this meeting of the City Council of the City forms of the following documents in connection with the Bonds:

(1) the form of the Indenture, which includes a form of the Bonds to be issued by the City, attached as Exhibit B hereto;

(2) the form of the Financing Agreement, attached as Exhibit C hereto; and

(3) the form of the Regulatory Agreement, attached as Exhibit D hereto; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

1. Findings And Determinations. The City Council hereby finds and determines that the delegations of authority that are contained in this ordinance, including the authority to make the specific determinations described herein, are necessary and desirable because the City Council cannot itself as advantageously, expeditiously or conveniently exercise such authority and make such specific determinations. Thus, authority is granted to the Executive Officer to determine to sell the Bonds on such terms as and to the extent such officer determines that such sale or sales is desirable and in the best financial interest of the City.

2. The Bonds. The issuance of the Bonds by the City in the principal amount of not to exceed Thirty-five Million Dollars (\$35,000,000) in one or more series is hereby authorized, subject to the provisions of this ordinance and the Indenture hereinafter authorized. The aggregate principal amount of the Bonds to be issued shall be set forth in the Notification of Sale (as defined in Section 13 hereof).

The Bonds shall contain a provision that they are issued under authority of the Constitution and this ordinance. The Bonds shall mature not later than forty-five (45) years from the first day of the month immediately succeeding the date of issue of the Bonds and shall bear interest, subject to the last sentence of this paragraph, at such rate or rates as shall be determined pursuant to the Indenture and the related Notification of Sale, which interest shall be payable on the interest payment dates set forth in the Indenture and the related Notification of Sale. The Bonds shall be dated, shall be subject to redemption prior to maturity, shall be payable in such places and in such manner and shall have such other details and provisions as prescribed by the Indenture and form of the Bonds therein. The interest rate on the Bonds and the method of determining such interest rate from time to time is subject to the terms of the related Indenture; notwithstanding any of the foregoing, no such interest rate shall exceed the rate of ten percent (10%) per annum.

The provisions for execution, signatures, authentication, payment and prepayment, with respect to the Bonds, shall be as set forth in the related Indenture and the form of the Bonds therein.

3. Assignment Of Rights. The right, title and interest of the City (except for certain rights to notice, indemnification and reimbursement) in, to and under the Financing Agreement, and the revenues to be derived by the City thereunder will be assigned to the Trustee in its respective capacity as trustee for the Bonds. The payment of the principal of and interest on the Bonds and the purchase price therefor will be secured as specified in the Indenture.

4. Limited Obligations. The Bonds, when issued and outstanding, will be a limited obligation of the City. The Bonds and the interest thereon shall never constitute a debt or general obligation or a pledge of the faith, the credit or the taxing power of the City within the meaning of any Constitutional or statutory provision of the State of Illinois. The City shall not be liable on the Bonds, nor shall the Bonds be payable out of any funds of the City other than those pledged therefor pursuant to the terms of the Indenture. The Bonds shall be limited obligations of the City, payable solely from (i) all right, title and interest of the City in the G.N.M.A. mortgage-backed securities purchased pursuant to the Financing Agreement, (ii) all right, title and interest of the City (other than certain reserved rights of the City, as described in the Financing Agreement) in the Financing Agreement, and (iii) the proceeds of the Bonds and income from the temporary investment thereof, as provided in the Indenture. In order to secure the payment of the principal of, premium, if any, and interest on the Bonds, such rights, proceeds and investment income shall be pledged to the extent and for the purposes as provided in the Indenture and are hereby appropriated for the purposes set forth in the Indenture.

5. The Indenture. The execution and delivery of the Indenture, substantially in the form attached hereto as Exhibit B, is hereby authorized. Each of (i) the Mayor of the City (the "Mayor"), (ii) the Chief Financial Officer of the City (as defined below) or (iii) any other officer designated in writing by the Mayor (the Mayor, the Chief Financial Officer and any such other officer being hereinafter referred to collectively as the "Executive Officer") is hereby authorized to execute, acknowledge and deliver the Indenture with such changes, insertions and omissions as may be approved by the Executive Officer. The Executive Officer is hereby authorized to make such changes, insertions and omissions to the form of Indenture as shall be determined by the Executive Officer to be necessary and appropriate. The execution of the Indenture by the Executive Officer shall be conclusive evidence of such approval.

As used herein, the term "Chief Financial Officer" shall mean the Chief Financial Officer of the City appointed by the Mayor, or, if there is no such officer then holding said office, the City Comptroller.

The Executive Officer is hereby authorized to execute, acknowledge and deliver the Financing Agreement with such changes, insertions and omissions as may be approved by the Executive Officer. The Executive Officer is hereby authorized to make such changes, insertions and omissions to the form of Financing Agreement attached hereto as Exhibit C as shall be determined by the

Executive Officer to be necessary and appropriate. The execution of the Financing Agreement by the Executive Officer shall be conclusive evidence of such approval.

7. Bond Purchase Agreement. The Bonds shall be sold in accordance with the provisions of Bond Purchase Agreement (which may contemplate an underwriting or a private placement) among the City, the Borrower and such underwriter, underwriters or placement agent as shall be selected by the Executive Officer (the "Underwriter"), substantially in a form of similar agreements executed by the City in transactions similar to the Bonds, with such changes, insertions and omissions as may be approved by the Executive Officer. The Executive Officer is hereby authorized to execute and deliver the Bond Purchase Agreement and the Chairman of the Committee on Finance of the City Council shall concur in the execution and delivery of the Bond Purchase Agreement. The execution of Bond Purchase Agreement by the Executive Officer and the concurrence by the Chairman of the Committee on Finance of the City Council shall be conclusive evidence of such approval.

The Executive Officer is hereby authorized to participate in the preparation of, and to execute on behalf of the City, if necessary, a Preliminary Official Statement and an Official Statement (which may be private placement memoranda or other disclosure documents) as shall be determined by the Executive Officer to be necessary or appropriate in connection with the placement of the Bonds by the Underwriter (the "Disclosure Document"), provided that the City shall not be responsible for the content of the Disclosure Document except as specifically provided in the Bond Purchase Agreement executed by the Executive Officer. Any such Disclosure Document shall be in a form determined by the Executive Officer to adequately describe the terms and provisions of and the security for the Bonds and may contain such other information relating to the Bonds as the Executive Officer shall deem necessary or appropriate. The distribution and use of any such Disclosure Document in connection with the placement of the Bonds is hereby approved.

8. The Tax Agreement. The execution and delivery of one or more agreements regarding arbitrage and regulations regarding the issuance of tax-exempt obligations (each, a "Tax Agreement") among the City, the Borrower and the Trustee, substantially in the form of similar agreements executed by the City in transactions similar to the issuance of the Bonds, with such changes, insertions and omissions as may be approved by the Executive Officer, is hereby authorized. The Executive Officer is hereby authorized to execute, acknowledge and deliver one or more Tax Agreements for the Bonds with such changes, insertions and omissions as may be approved by the Executive Officer. The execution of each Tax Agreement by the Executive Officer shall be conclusive evidence of such approval.

The execution of the Regulatory Agreement by the Executive Officer shall be conclusive evidence of such approval.

10. Sale Of Bonds. The Bonds are hereby authorized to be sold by the Underwriter at the purchase price (which shall be not less than ninety-seven and five-tenths percent (97.5%) of the principal amount of the Bonds, without giving effect to any original issue discount for the Bonds) and on the terms and conditions set forth in the Indenture and the Bond Purchase Agreement and as may be approved by the Executive Officer.

11. Execution Of Bonds And Notes. The Bonds shall be executed by manual or facsimile signature of the Mayor of the City or the Chief Financial Officer and the seal of the City shall be affixed or imprinted and attested to by the manual or facsimile signature of the City Clerk or the Deputy Clerk, as set forth in the Indenture and the same shall be delivered to the Trustee for proper authentication and delivery upon instructions to that effect.

12. Trustee. The Executive Officer is authorized to select the Trustee under the Indenture. The City shall have no obligation or liability as principal of the Trustee, for acts of the Trustee.

13. Notification Of Sale. Subsequent to the sale of the Bonds the Executive Officer shall file in the Office of the City Clerk or the Deputy City Clerk the Notification of Sale (the "Notification of Sale") for the Bonds directed to the City Council setting forth (i) the aggregate original principal amount of, maturity schedule, redemption provisions for and nature of the Bonds sold, (ii) the identity of the Trustee, (iii) the interest rates on the Bonds, (iv) the identity of any Underwriter or institutional investors who purchase the Bonds directly from the City or through the Underwriter, and (v) the compensation paid to the Underwriter in connection with such sale. The Project shall be deemed to qualify as "Affordable Housing" for purposes of Chapter 16-18 of the Municipal Code of Chicago (the "Municipal Code").

18. No Recourse. No recourse shall be had for the payment of the principal of, premium, if any, or interest on any of the Bonds, or for any claim based thereon, or upon any obligation, covenant or agreement contained in this ordinance, the Indenture, the Financing Agreement, the Bond Purchase Agreement, the Regulatory Agreement or the Tax Agreements against any past, present or future officer, member or employee of the City, or any officer, employee, director or trustee of any successor, as such, either directly or through the City, or any such successor, under any rule of law or equity, statute or constitution or by the enforcement of any assessment or penalty or otherwise, and all such liability of any such member, officer, employee, director or trustee as such is hereby expressly waived and released as a condition of and consideration for the execution of any of such documents or the issuance of the Bonds.

Section 2-44-090 of the Municipal Code shall not apply to the Project or the Site.

22. Proxies. The Mayor and the Chief Financial Officer may each designate another to act as their respective proxy and to affix their respective signatures to, in the case of the Mayor, each Bond, whether in temporary or definitive form, and to any other instrument, certificate or document required or authorized to be signed by the Mayor or the Chief Financial Officer pursuant to this ordinance. Any facsimile signatures shall have the same force and effect as if said officers had manually signed said Bonds. Any reproduction of the official seal of the Issuer on the Bonds shall have the same force and effect as if the official seal of the Issuer had been impressed on the Bonds.

In case any officer whose manual or facsimile signature shall appear on any Bonds shall cease to be such officer before the delivery of such Bonds, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes, the same as if he had remained in office until delivery, and also any Bond may bear the facsimile signatures of, or may be signed by, such persons as at the actual time of the execution of such Bond shall be the proper officers to sign such Bond although at the date of such Bond such persons may not have been such officers.

Section 2.07 Authentication. Only such Bonds as shall have endorsed thereon a certificate of authentication substantially in the form on the attached *Exhibit A* set forth duly executed by the Trustee shall be entitled to any right or benefit under this Indenture. No Bond shall be valid or obligatory for any purpose unless and until such certificate of authentication shall have been duly executed manually by the Trustee; and such executed certificate upon any such Bond shall be conclusive evidence that such Bond has been authenticated and delivered under this Indenture. The Trustee's certificate of authentication on any Bond shall be deemed to have been executed by it if signed by an authorized officer of the Trustee, but it shall not be necessary that the same person sign the certificate of authentication of all of the Bonds.

Section 2.08 Mutilated, Lost, Stolen or Destroyed Bonds. In the event any Bond is mutilated, lost, stolen or destroyed, the Issuer shall execute and the Trustee shall authenticate a new Bond, of like date, interest rate, maturity and denomination as that mutilated, lost, stolen or destroyed. Any mutilated Bond shall first be surrendered to the Trustee; and in the case of any lost, stolen or destroyed Bond, there shall first be furnished to the Issuer and the Trustee evidence of such loss, theft or destruction reasonably satisfactory to them together with indemnity reasonably satisfactory to them. In the event any such Bond shall have matured,

instead of issuing a duplicate Bond or Bonds the Trustee may pay the same without surrender thereof. The Issuer and the Trustee may charge the holder or owner of such Bond with their reasonable fees and expenses, including the cost of printing replacement Bonds.

Every new Bond issued pursuant to this Section shall, with respect to such Bond, constitute an additional contractual obligation of the Issuer, whether or not the mutilated, lost, stolen or destroyed Bond shall be found at any time, and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Bonds duly issued hereunder. All Bonds shall be held and owned on the express condition that the foregoing provisions of this Section are exclusive with respect to the replacement or payment of mutilated, lost, stolen or destroyed Bonds and shall preclude any and all rights or remedies, notwithstanding any law or statute existing or hereafter enacted to the contrary with respect to the replacement or payment of negotiable instruments or other securities without their surrender.

Section 2.09 Transfer and Exchange of Bonds; Persons Treated as Holders.

The Trustee as Registrar shall cause a bond register (herein sometimes referred to as the "**Bond Register**") to be kept for the registration of transfers of Bonds. Any Bond may be transferred only upon an assignment duly executed by the registered Holder or his or her duly authorized representative in such form as shall be satisfactory to the Registrar, and upon surrender of such Bond to the Trustee for cancellation. Whenever any Bond or Bonds shall be surrendered for transfer, the Issuer shall execute and the Trustee shall authenticate and deliver to the transferee a replacement fully registered Bond or Bonds of Authorized Denomination in an aggregate principal amount equal to the unmatured and unredeemed principal amount of, and bearing interest at the same rate and maturing on the same date or dates as, the Bonds being presented and surrendered for transfer.

Any Bond may, in accordance with its terms, be exchanged, at the office of the Trustee, for a new fully registered Bond or Bonds, of the same maturity, of any Authorized Denomination or Denominations in an aggregate principal amount equal to the unmatured and unredeemed principal amount of, and bearing interest at the same rate as, the Bonds being exchanged.

In all cases in which Bonds shall be transferred or exchanged hereunder, the Trustee may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such transfer or exchange.

All Bonds issued upon any transfer or exchange of Bonds shall be the valid limited obligations of the Issuer, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Bonds surrendered upon transfer or exchange. Neither the Issuer nor the Trustee shall be required to make any exchange or transfer of a Bond during a period beginning at the opening of business 15 days before (i) any Interest Payment Date (including any special interest payment date described in Section 2.02 hereof), or (ii) the day of the mailing of a notice of redemption of Bonds and ending at the close of business on the day of such mailing or such Interest Payment Date, or to transfer or exchange any Bonds selected for redemption, in whole or in part.

The Person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes and payment of or on account of the principal of and premium and interest on any such Bond shall be made only to or upon the order of the registered Holder thereof or his legal representative, and neither the Issuer nor the Trustee shall be affected by any notice to the contrary. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums to be paid.

Section 2.10 Temporary Bonds. Until definitive Bonds are ready for delivery, there may be executed, and upon the request of the Issuer, the Trustee shall authenticate and deliver, in lieu of definitive Bonds, temporary printed, typewritten, engraved or lithographed Bonds, in such Authorized Denomination as shall be determined by the Issuer, in fully registered form, in substantially the tenor hereinabove set forth and with such appropriate omissions, insertions and variations as may be required.

If temporary Bonds shall be issued, the Issuer shall cause the definitive Bonds to be prepared and to be executed and delivered to the Trustee, and the Trustee, upon presentation to it at its principal corporate trust office of any temporary Bonds, shall cancel the same and authenticate and deliver in exchange therefor, without charge to the holder or owner thereof, a definitive Bond or Bonds, as the case may be, of an equal aggregate principal amount in Authorized Denominations, of the same series and maturities and bearing interest at the same rates as the temporary Bond surrendered. Until so exchanged, the temporary Bonds shall in all respects be entitled to the same benefit and security of this Indenture as the definitive Bonds to be issued and authenticated hereunder. Interest on temporary Bonds, when due and payable, if the definitive Bonds shall not be ready for exchange, shall be paid in the manner provided in Section 2.02 hereof.

Section 2.11 Safekeeping and Cancellation of Bonds. Any Bond surrendered for the purpose of payment or retirement, or for exchange, or for replacement or payment pursuant to Section 2.08, shall be cancelled upon surrender thereof to the Trustee. Certification of such surrender and cancellation shall be made to the Issuer by the Trustee. Cancelled Bonds, or unissued Bond inventory held in blank by the Trustee upon the maturity or total redemption of the Bonds, shall be destroyed by shredding or cremation by the Trustee, and certificates of such destruction (describing the manner thereof) shall be provided by the Trustee to the Issuer.

Section 2.12 Book-Entry Provisions. The provisions of this Section shall apply so long as the Bonds are maintained in book-entry form with The Depository Trust Company or another Securities Depository, any provisions of this Indenture to the contrary notwithstanding.

(a) **Payments.** The Bonds shall be payable to the Securities Depository, or its nominee, as the registered owner of the Bonds, on each date on which the principal of, interest on, and premium, if any, on the Bonds is due as set forth in this Indenture and in the Bonds. Such payments shall be made to the offices of the Securities Depository specified by the Securities Depository to the Issuer and the Trustee in writing. Without notice to or the consent of the beneficial owners of the Bonds, the Issuer and the Securities Depository may agree in writing to make payments of principal, premium, if any, and interest in a manner different from

that set forth herein. If such different manner of payment is agreed upon, the Issuer shall give the Trustee notice thereof, and the Trustee shall make payments with respect to the Bonds in the manner specified in such notice as set forth herein. Neither the Issuer nor the Trustee shall have any obligation with respect to the transfer or crediting of the principal of, interest on, and premium, if any, on the Bonds to Participants or the beneficial owners of the Bonds or their nominees.

(b) Replacement of the Securities Depository. The Issuer may, and in the case of subparagraph (ii) below shall, discontinue use of a Securities Depository as the depository of the Bonds if (i) the Issuer, in its sole discretion, determines that (A) such Securities Depository is incapable of discharging its duties with respect to the Bonds, or (B) the interest of the beneficial owners of the Bonds might be adversely affected by the continuation of the book-entry system with such Securities Depository as the depository for the Bonds, (ii) the beneficial owners of 100% of the Bonds Outstanding direct the Issuer to do so, or (iii) such Securities Depository determines not to continue to act as a depository for the Bonds or is no longer permitted to act as such depository. Notice of any determination pursuant to clause (i) shall be given to such Securities Depository at least 30 days prior to any such determination (or such fewer number of days as shall be acceptable to such Securities Depository). The Issuer shall have no obligation to make any investigation to determine the occurrence of any events that would permit the Issuer to make any determination described in this paragraph.

(c) Discontinuance of Book-Entry or Change of Securities Depository. If, following a determination or event specified in paragraph (b) above, the Issuer discontinues the maintenance of the Bonds in book-entry form with the then current Securities Depository, the Issuer will issue replacement Bonds to the successor Securities Depository, if any, or, if no replacement Securities Depository is selected for the Bonds, directly to the Participants as shown on the records of the former Securities Depository or, to the extent requested by any Participant or if directed to do so by the beneficial owners of 100% of the Bonds Outstanding pursuant to subparagraph (b)(ii) above, to the beneficial owners of the Bonds shown on the records of such Participant. Replacement Bonds shall be in fully registered form and in authorized denominations, be payable as to interest on the Interest Payment Dates of the Bonds by check or draft mailed to each registered owner at the address of such owner as it appears on the bond registration books maintained by the Bond Registrar for such purpose at the principal corporate trust office of the Trustee or at the option of any registered owner of not less than \$1,000,000 principal amount of Bonds, by wire transfer to any address in the continental United States of America on such Interest Payment Date to such registered owner as of the Regular Record Date relating to such Interest Payment Date, if such registered owner provides the Trustee with written notice of such wire transfer address not later than such Regular Record Date (which notice may provide that it will remain in effect with respect to subsequent Interest Payment Dates unless and until changed or revoked by subsequent notice). Principal and redemption premium, if any, on the replacement Bonds are payable only upon presentation and surrender of such replacement Bond or Bonds at the principal corporate trust office of the Trustee.

(d) Effect of Book-Entry System. The Securities Depository and its Participants and the beneficial owners of the Bonds, by their acceptance of the Bonds, agree that the Issuer and the Trustee shall not have liability for the failure of such Securities Depository to perform its obligations to the Participants and the beneficial owners of the Bonds, nor shall the Issuer or the Trustee be liable for the failure of any Participant or other nominee of the beneficial owners to perform any obligation of the Participant to a beneficial owner of the Bonds.

Section 2.13 Delivery of the Bonds. Upon execution and delivery of this Indenture, the Trustee shall authenticate and deliver the Bonds upon the order of the Issuer, but only upon the receipt of the following:

- (a) An order of the Issuer directing the Trustee to authenticate and deliver the Bonds against receipt of the purchase price therefor;
- (b) A certified copy of the Ordinance;
- (c) An approving opinion of Bond Counsel regarding the validity of the Bonds and the exclusion of interest on the Bonds from federal income taxation;
- (d) An executed copy of the Purchase and Sale Agreement;
- (e) Evidence that the Mortgage Loan has been initially endorsed for FHA Insurance by FHA under the applicable provisions of the National Housing Act;
- (f) An executed copy of the Financing Agreement;
- (g) An executed counterpart of the Continuing Disclosure Agreement;
- (h) A certification of the GNMA Issuer (substantially in the form of *Exhibit B* hereto) that it has sufficient commitment authority to issue the GNMA Securities;
- (i) An opinion of counsel to the GNMA Issuer to the effect that the GNMA Issuer is authorized under the GNMA Commitment to Guaranty Mortgage-Backed Securities to issue the GNMA Securities in an aggregate principal amount equal to at least \$ _____;
- (j) Copies of the executed FHA-insured Mortgage Note and Mortgage;
- (k) Executed copies of the Investment Agreement; and
- (l) Evidence of recordation of the Regulatory Agreement (which may be in the form of a title company certified copy).

ARTICLE III

REDEMPTION OF BONDS

Section 3.01 Redemption of Bonds.

(a) Extraordinary Mandatory Redemption. The Bonds are subject to mandatory redemption prior to maturity on the earliest practicable date for which notice of redemption can be given by the Trustee pursuant to Section 3.03 hereof, unless otherwise provided, at a redemption price equal to the principal amount thereof plus accrued interest to the Redemption Date without premium (i) as a whole if the PLC is not delivered to the Trustee by the PLC Delivery Date (or such later date as shall be permitted under Section 4.03(d) of this Indenture) in the amounts and on the dates determined as follows: on (x) _____ (or such later date as shall be permitted under Section 4.03(d) of this Indenture), from amounts on deposit in or held for the benefit of the Project Fund, the Reserve Fund and the Bond Fund (excluding the principal of the CLCs) and (y) on _____, from the principal of the CLCs, (ii) in part after delivery of the PLC to the Trustee to the extent the principal amount of the PLC, as delivered, is less than \$ _____ from amounts on deposit in the Project Fund; (iii) as a whole or in part, if the Trustee receives payments on the GNMA Securities exceeding regularly scheduled payments of principal and interest thereon (other than optional prepayments of the Mortgage Loan), including payments representing (A) casualty insurance proceeds, condemnation awards or other amounts applied to the prepayment of the Mortgage Loan following a partial or total destruction or condemnation of the Project, (B) mortgage insurance proceeds or other amounts received with respect to the Mortgage Loan following the acceleration thereof upon the occurrence of an event of default thereunder, (C) a prepayment of the Mortgage Loan required by applicable rules, regulations, policies and procedures of HUD or GNMA (including the possible exercise by HUD of its right to override the prepayment and premium provisions of the Mortgage Note if HUD determines that prepayment of the Mortgage Loan will avoid a mortgage insurance claim and is therefore in the best interest of the Federal government) or (D) prepayments on the GNMA Security derived from prepayments on the Mortgage Loan made by the Borrower without notice or prepayment penalty while under the supervision of a trustee in bankruptcy; or (iv) in part on any date on or after the PLC Delivery Date, in the event and to the extent funds on deposit in the General Account of the Bond Fund on any Interest Payment Date exceed \$ _____. If less than all the Bonds then outstanding shall be called for redemption, Bonds to be redeemed shall be selected as provided in Section 3.02 hereof.

(b) Mandatory Sinking Fund Redemption of Bonds. Bonds maturing on _____, 20____ are subject to mandatory redemption prior to maturity by lot, at a redemption price of par, plus accrued interest to the Redemption Date, from mandatory Sinking Fund Installments which are required to be made in amounts sufficient to redeem or pay on _____ 20 and _____ 20 of each year specified below the respective principal amount of such Bonds specified for each such date, as hereinafter set forth:

(c) Optional Redemption of Bonds. The Bonds are also subject to redemption at the option of the Issuer at the direction of the Borrower in whole or in part at any time, on or after _____ 20, 201__ (and then at the earliest practical date for which notice of redemption can be given by the Trustee pursuant to Section 3.03 hereof), from (i) payments on

the GNMA Securities representing optional prepayments on the Mortgage Loan, (ii) Seasoned Funds, (iii) refunding bond proceeds or (iv) any other source provided that the Trustee shall have received an opinion of Bond Counsel or bankruptcy counsel to the effect that moneys derived from such other source are not subject to the provisions of Sections 362(a), 547 and 550 of the United States Bankruptcy Code at the redemption prices (expressed as percentages of their principal amount) set forth in the table below plus accrued interest to the Redemption Date:

Section 3.02 Selection of Bonds for Redemption.

(a) If less than all the Bonds shall be called for extraordinary mandatory redemption pursuant to Section 3.01(a)(iii), the Trustee shall determine the amount of principal payments under the Mortgage Note that have been made prior to the purchase of the PLC (including any principal payment due on the dated date of the PLC) as specified in the certificate of the GNMA Issuer required by Section 4.03(b)(iii)(E)(4), and the Trustee shall transfer from the Project Fund to the Bond Fund an amount equal to such amount of principal payments. The amount so transferred shall be applied to the next scheduled principal payment of the Bonds. If less than all of the Bonds are to be called for extraordinary redemption pursuant to Section 3.01(a)(iv) or optional redemption or Section 3.01(a)(ii) (other than any amount specified in the two preceding sentences as determined in the certificate of the GNMA Issuer required by Section 4.03(b)(iii)(E)(4), the Trustee shall redeem (and adjust the mandatory sinking fund schedules set forth in Section 3.01(b) above accordingly), an amount of Bonds of each maturity so that the resulting decrease in debt service on the Bonds during each six-month period ending on each Interest Payment Date, is proportional, as nearly as practicable, to the decrease in the payments on the GNMA Securities in each six-month period. The decrease in the payments on the GNMA Securities shall be determined by comparing the originally scheduled payments on the GNMA Securities (as submitted by the Rating Agency in connection with the initial rating of the Bonds) to the revised schedule of payments on the GNMA Securities as set forth in the certificate of the GNMA Issuer required by Section 4.04(h). If less than all of the Bonds are to be called for mandatory sinking fund redemption pursuant to Section 3.01(a)(v), the Trustee shall redeem (and adjust the mandatory sinking fund schedules as set forth in Section 3.01(b) above) an amount of Bonds so that the resulting decrease in debt service on the Bonds during each six month period ending on each Interest Payment Date is proportional, as nearly as practicable.

(b) If less than all the Bonds of any maturity then Outstanding shall be called for redemption, the Bonds (or portions of Bonds in the Authorized Denominations) of such maturity to be redeemed shall be selected by the Trustee by lot.

(c) The portion of any Bond to be redeemed shall be in the principal amount of an Authorized Denomination, and, in selecting Bonds for redemption, the Trustee shall treat each Bond as representing that number of Bonds which is obtained by dividing the principal amount of such Bond by \$5,000.

In case part but not all of an Outstanding Bond shall be selected for redemption, the Holder thereof or his attorney or legal representative shall present and surrender such Bond to the Trustee for payment of the principal amount thereof so called for redemption, and the Issuer shall execute and the Trustee shall authenticate and deliver to or upon the order to such Holder or his legal representative, without charge therefor, for the unredeemed portion of the Bond so surrendered a Bond of the same maturity and bearing interest at the same rate.

Section 3.03 Notice of Redemption. Unless waived by any Holder of Bonds to be redeemed, official notice of redemption shall be given by the Trustee on behalf of the Issuer by mailing a copy of an official redemption notice by first class mail to the Holder of each Bond to be redeemed, at the address of such Holder shown on the Bond Register, not less than 15 days nor more than 60 days prior to the date fixed for redemption. Except in the case of mandatory sinking fund redemptions pursuant to Section 3.01(b) hereof, the Trustee shall not mail a notice of redemption until it has received funds to affect such redemption. As provided in Section 3.01(a) hereof, the Trustee shall redeem any Bonds to be redeemed under said Section 3.01(a) on the earliest practicable date for which notice can be given by the Trustee under this Section 3.03 and shall provide the shortest practicable notice period permitted hereunder.

All official notices of redemption shall be dated and shall state:

- (a) the Redemption Date,
- (b) the redemption price,
- (c) if less than all Outstanding Bonds are to be redeemed, the identification and the respective principal amounts of the Bonds to be redeemed,
- (d) that on the Redemption Date the redemption price will become due and payable upon each such Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date, and
- (e) the place where such Bonds are to be surrendered for payment of the redemption price, which place of payment shall be the principal corporate trust office of the Trustee.

In addition to the foregoing official notice, further notice shall be given by the Trustee as set out below, but no defect in said further notice nor any delay in giving such notice

nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if the official notice thereof is given as above prescribed.

(i) Each further notice of redemption given hereunder shall contain the information required above for an official notice of redemption plus (i) the CUSIP numbers of all Bonds being redeemed; (ii) the date of issue of the Bonds as originally issued; (iii) the rate of interest borne by each Bond being redeemed; (iv) the maturity date of each Bond being redeemed; and (v) any other descriptive information needed to identify accurately the Bonds being redeemed.

(ii) Each further notice of redemption shall be sent at least 30 days before the Redemption Date by registered or certified mail or overnight delivery service to all registered security depositories then in the business of holding substantial amounts of obligations of types comprising the Bonds (such depositories now being The Depository Trust Company of New York, New York) and to one or more national information services that disseminate notices of redemption of obligations such as the Bonds.

(iii) Upon the payment of the redemption price of Bonds being redeemed, each check or other transfer of funds issued for such purpose shall identify, by issue and maturity, the Bonds being redeemed with the proceeds of such check or other transfer.

Failure to duly give official notice of redemption by mail or any defect therein shall not affect the validity of the proceedings for the redemption of any Bond or Bonds. Any notice mailed as provided in this Section shall be conclusively presumed to have been duly given, whether or not the registered Holder receives notice.

Additionally, in the event of an optional redemption of Bonds on a date on which the redemption price includes a redemption premium, the Trustee shall not give notice of such redemption unless the Trustee shall have received: (a) written notice of prepayment from the GNMA Issuer or the Borrower not less than 45 days prior to the applicable scheduled GNMA prepayment date; (b) at least 15 days prior to the anticipated GNMA prepayment date, written notice from the GNMA Issuer of its receipt of the amount of the prepayment, which amount shall include the principal to be prepaid under the GNMA Security plus accrued interest through the last day of the preceding month; (c) the prepayment premium from the Borrower in Seasoned Funds; and (d) a written certificate of the Borrower, upon which the Trustee may conclusively rely, that no Act of Bankruptcy has occurred during the 366-day period prior to the deposit by the Borrower of the prepayment premium with the Trustee, *provided* that if the Trustee shall receive a written commitment by the GNMA Issuer (with the written consent of GNMA) to make or pass through payment of the required prepayment premium, then the requirements of (c) and (d) shall no longer apply. The Borrower is required under the Financing Agreement to cause additional amounts, if any, necessary to effect the redemption of the Bonds to be paid to the Trustee, if any, to assure payment of all interest due on the Bonds to the Redemption Date, taking into account the anticipated earnings on the reinvestment of funds held under the

Indenture, or to deposit such amounts with the Trustee, *provided* that the payment of such amounts meets the requirements of (c) and (d) above.

Section 3.04 Effect of Notice of Redemption. Notice of Redemption having been given in the manner provided in this Article III, and money sufficient for the redemption being held by the Trustee for that purpose, the Bonds so called for redemption shall become due and payable on the Redemption Date, and interest thereon shall cease to accrue on such date; and the Holders of the Bonds so called for redemption shall thereafter no longer have any security or benefit under this Indenture except to receive payment of the redemption price for such Bonds and, to the extent provided in Section 3.02 hereof, to receive Bonds for any unredeemed portions of such Bonds.

Section 3.05 Cancellation. All Bonds which shall have been redeemed shall be cancelled and destroyed by the Trustee and shall not be reissued. A counterpart of the certificate of destruction evidencing such destruction shall be furnished by the Trustee to the Issuer.

ARTICLE IV

- (a) Project Fund;
- (b) Bond Fund;
- (c) Reserve Fund;
- (d) Costs of Issuance Fund; and
- (e) Rebate Fund.

Section 4.02 Application of Bond Proceeds and Other Moneys. Upon delivery of the Bonds, the proceeds thereof shall be deposited with the Trustee, together with \$ _____ received from other moneys received from _____ ("Underwriter"), and shall be applied as follows:

- (a) \$ _____ of accrued interest on the Bonds shall be deposited in the General Account of the Bond Fund;
- (b) \$ _____ shall be deposited in the Reserve Fund; and
- (c) \$ _____ shall be deposited in the Project Fund.

Section 4.03 Project Fund.

(a) The Trustee shall deposit into the Project Fund the amounts required by Section 4.02(c) and any amounts paid to the Trustee for deposit into the Project Fund in accordance with Section 4.03(c) or Section 4.03(d) and shall invest such proceeds under the Investment Agreement. The Trustee shall request funds invested under the Investment Agreement in accordance with the terms thereof such that funds will be timely available in advance of the date such funds are needed to fund advances hereunder. No funds shall be advanced from the Project Fund prior to recordation of the Regulatory Agreement.

(b) Moneys in the Project Fund shall be disbursed by the Trustee as follows:

(i) On each date upon which the Trustee acquires from the GNMA Issuer a CLC, the Trustee shall transfer simultaneously to the GNMA Issuer in payment thereof from the Project Fund all moneys then on deposit therein such amount as shall be equal to 100% of the principal amount of such CLC, plus accrued and unpaid interest on such CLC at the Pass-Through Rate.

(ii) Without limiting the provisions of subsection (b)(i) above, with respect to the acquisition of the Initial CLC, the Trustee must receive, in addition to a requisition signed by the Borrower in the form required by the Financing Agreement, the items specified in Section 3.2(a) of the Financing Agreement to be delivered in connection with the Initial Advance.

(iii) Following the delivery to the Trustee of the Initial CLC, the Trustee shall disburse from the Project Fund to the GNMA Issuer, on behalf of the Owner, the amount necessary to purchase each CLC issued for a subsequent advance of the Mortgage Loan, determined in accordance with the Purchase and Sale Agreement, but only if the Trustee has (A) received a copy of the Application for Insurance of Advance of Mortgage Proceeds with respect to such advance executed by the GNMA Issuer, (B) received confirmation that all CLCs representing prior advances have been registered in the name of the Trustee or its designees, (C) received the CLC representing the current advance (the CLC shall be delivered to the Trustee simultaneously with payment by the Trustee of the purchase price therefor), (D) received a certificate of the GNMA Issuer to the effect that neither the GNMA Issuer, nor, to its actual knowledge, the Owner, is in default under any of the Mortgage Loan Documents and a certificate of the Owner to the effect that it is not in default under any of the Mortgage Loan Documents or the Financing Agreement, (E) received a certificate of the GNMA Issuer that (1) the unpaid principal amount balance of the Mortgage Loan, after such advance, will be equal to the aggregate principal amount of all CLCs, (2) the CLCs previously issued are valid and binding obligations of the GNMA Issuer, (3) the CLCs are validly issued and subject to the guaranty of GNMA as to the payments of the principal and interest thereon, and (4) if the disbursement by the Trustee is to purchase the final CLC and the aggregate principal amount of the final CLC then being issued and all previously issued CLCs is less than

\$ _____ notification of (x) the amount, if any, of FHA-required reduction of the Mortgage Loan at Final Endorsement and (y) the amount, if any, of scheduled principal amortization payments for the Mortgage Loan prior to the acquisition of the final CLC by the Trustee, (F) received a statement of the Owner that such disbursement will not violate the provisions of the Financing Agreement, (G) confirmed that the requirements of Section 403(c) and 404(g) will be satisfied, and (H) received notice of the amount of such disbursement no later than two Business Days prior to such disbursement; *provided; however*, that the Trustee shall not purchase CLCs in an aggregate principal amount in excess of \$ _____ and shall not purchase the PLC if its principal amount exceeds \$ _____; and *provided further, however*, that the Trustee shall not purchase any CLC unless, immediately after such purchase, the amount on deposit in the Project Fund will at least be equal to the sum of \$ _____ minus the sum of (i) the principal amount of the CLC being purchased and (ii) the aggregate principal amount of all CLCs previously delivered to the Trustee or requested from GNMA.

(iv) The Trustee shall acquire the PLC by surrendering to the GNMA Issuer for cancellation concurrently with such payment all CLCs owned by the Trustee, *provided* that the PLC shall have a principal amount equal to the aggregate principal amount of outstanding CLCs and shall be dated the first day of the month in which the final CLC is acquired.

(c) The PLC Delivery Date may be extended for no more than 24 successive 30-day periods if an Event of Default has not occurred and is not then continuing and the Trustee shall have received no later than the Business Day next preceding _____ (or any date to which such date is extended pursuant to the provisions hereof) a written request from either the GNMA Issuer or the Borrower for such delay (whether or not a conflicting request is received from the other such party) accompanied by (i) a cash flow projection prepared by financial consultants acceptable to the Issuer or the underwriter for the Bonds demonstrating that the sum of (A) the amounts in the Project Fund, the Reserve Fund and the Bond Fund, (B) the investment earnings to accrue on the amounts held in the Project Fund, the Reserve Fund and the Bond Fund during the period ending 30 days after the end of any period of delay requested, and (C) any additional sums paid to or held by the Trustee by or on behalf of the Borrower or the GNMA Issuer (including payments on the CLCs) for deposit into the Project Fund or Bond Fund (accompanied by an opinion of counsel acceptable to the Trustee to the effect that such sums are not subject to the provisions of Sections 362(a) and 547 of the Federal Bankruptcy Code in the event of a bankruptcy of the Borrower) will be at least equal to (1) the debt service on the Bonds as originally scheduled and will also be at least equal to (2) the debt service on the Bonds through the date which is 30 days after the end of any such period, plus, in each case, originally scheduled and accrued unpaid Trustee fees and rebate calculation fees (assuming redemption of all Bonds on the date set forth in this clause (2)) and any other amounts which were shown to be available at such time for debt service on the Bonds in the original cash flows prepared and submitted to the Rating Agency in connection with the issuance of the Bonds; (ii) an opinion of Bond Counsel to the effect that such extension will not adversely affect the exclusion of interest on the Bonds from gross income for federal income tax purposes; (iii) arrangements satisfactory

to the Trustee for the making of the investments contemplated by the cash flow projection; and (iv) written notice from the Rating Agency that the rating then assigned to the Bonds will not be lowered or withdrawn as a result of such extension of the PLC Delivery Date. Upon the receipt of the documents and upon the arrangements listed in this subdivision, the Trustee shall permit the extension(s); *provided, however*, that if such documents have not been received and such arrangements have not been made by the Business Day next preceding _____, then the moneys remaining on deposit in the Project Fund on such date shall be transferred to the Bond Fund on the Business Day next preceding _____ (or such later date as previously established under this paragraph (d)), and applied, together with amounts on deposit in the Reserve Fund and the Bond Fund, to the redemption of Bonds pursuant to Section 3.01(a)(ii).

In the event Commencement of Amortization occurs prior to the PLC Delivery Date, under no circumstances shall the GNMA Issuer pass through to the Trustee principal payments on the Mortgage Note prior to the PLC Delivery Date (except to the extent provided in the CLCs); such principal payments shall be paid only pursuant to the terms of the Mortgage Note.

On the PLC Delivery Date, amounts remaining in the Project Fund shall be transferred to the Bond Fund either (i) for the redemption of the Bonds as set forth in Section 3.01(a)(iii) hereof but only to the extent that the remaining amounts are attributable, as certified by the GNMA Issuer to the Trustee, to a reduction in the mortgage loan principal amount by the FHA or (ii) otherwise to be applied to pay debt service on the next Interest Payment Date. The Trustee shall transfer for cancellation pursuant to the book-entry system all CLCs held by it in exchange for the PLC. Notwithstanding such transfer by the Trustee of the CLCs, all such CLCs shall remain registered in the name of the Trustee and continue to be enforceable by the Trustee until such time as the Trustee has received delivery of the PLC.

(d) The Trustee shall not be required to acquire a GNMA Security unless it may receive funds for such acquisition under the terms and conditions of the Investment Agreement and unless the GNMA Security pays interest at the Pass-Through Rate and, in the case of the PLC, matures no later than _____ 15, 204 __. The GNMA Security shall be registered in accordance with the provisions of Section 4.04(g).

(e) If the PLC is not delivered by the PLC Delivery Date, as such date may be extended pursuant to Section 4.03(d), the Trustee shall redeem all CLCs held by it upon their maturity and use the funds derived therefrom, together with the proceeds remaining in the Project Fund and transferred to the Bond Fund pursuant to Section 4.03(d), to redeem Bonds as provided in Section 3.01(a), on _____.

(f) The Trustee shall compare the GNMA Security or its book-entry form with the GNMA prospectus relating to the GNMA Security and GNMA Guaranty Agreement provided by the GNMA Issuer to assure delivery of the correct GNMA Security.

Section 4.04 Bond Fund.

(a) There shall be established and maintained by the Trustee in the Bond Fund three Accounts - the General Account, the Optional Redemption Account [and the Seasoned Funds Account]. The Trustee shall deposit into the General Account of the Bond Fund (i) the amounts required by Section 4.02 hereof, (ii) all amounts received by the Trustee from or with respect to the GNMA Security (other than payments on the GNMA Security resulting from optional prepayments of the Mortgage Loan), (iii) excess moneys in the Costs of Issuance Fund pursuant to Section 4.06 hereof and (iv) investment earnings on amounts held by the Trustee hereunder. The Trustee shall deposit into the Optional Redemption Account of the Bond Fund all payments on the GNMA Security resulting from optional prepayments of the Mortgage Loan.

(b) The Trustee shall apply amounts on deposit in the General Account (i) first, to pay the principal of and interest on the Bonds as the same becomes due; (ii) second, to pay the fees and expenses of the Trustee (not in excess of the amount set forth in Section 7.07 hereof and (iii) third, to pay the cost (in an amount not to exceed 0. __ % of the aggregate principal amount of the Bonds then Outstanding for each five year period, commencing upon the date of issuance of the Bonds) of a rebate analyst required to be retained pursuant to the Tax Agreement. If and to the extent the amount on deposit in the General Account exceeds the amount required under clauses (i) and (ii) above as of any Interest Payment Date after the PLC Delivery Date, such excess to the extent it exceeds \$ _____ shall be applied to the redemption of Bonds in accordance with Section 3.01 (a)[(v)] hereof.

(c) The Trustee shall apply amounts on deposit in the Optional Redemption Account to the optional redemption of Bonds pursuant to Section 3.01(c) hereof, *provided* that the Trustee shall apply such amounts for such purpose unless such amounts are derived from (i) a payment on the GNMA Securities representing optional prepayment on the Mortgage Loan, (ii) refunding bond proceeds or (iii) any other source, *provided* that in the case of (iii) the Trustee must also be in receipt of an opinion of bankruptcy counsel to the effect that the amounts to be applied to the optional redemption of the Bonds will not be subject to an automatic stay or avoidance as a preferential transfer in the event of an Act of Bankruptcy.

(d) The GNMA Security shall be held at all times for the benefit of the Bond Fund. If the Trustee does not receive a payment on the GNMA Security when due by the close of business on the sixteenth day of any month, the Trustee shall notify and demand payment from GNMA by the close of business on the next succeeding Business Day. The Trustee shall demand payment from GNMA for all CLCs held by it upon their maturity (as such maturity may be extended pursuant to Section 4.03(c)) in return for payment of their principal amount or shall transfer the CLCs to the MBS (as defined below) for cancellation in connection with delivery of the PLC.

(e) The Trustee shall deposit into the Seasoned Funds Account of the Bond Fund and in subaccounts thereof, which the Trustee shall establish, for each such payment, without commingling the same with any other amounts in the Bond Fund, all amounts representing payments made to the Trustee by the Borrower for deposit therein as specified by the Borrower. Moneys on deposit in the Seasoned Funds Account which represent Seasoned

Funds shall be applied only to pay the premium, if any, on the Bonds as the same shall become due and payable by redemption. Such moneys shall be paid to the Bondholders only if they constitute Seasoned Funds.

(f) The Trustee shall transfer to the Rebate Fund from the Bond Fund the amounts, if any, required pursuant to the Tax Agreement.

(g) All GNMA Securities shall be in book-entry only form and the following shall apply:

(i) the GNMA Securities shall be registered in the name of the Trustee at the MBS Division of the Depository Trust Company ("MBS") acting as depository for such book-entry designation at the time of purchase of the GNMA Securities by the Trustee;

(ii) the Trustee shall be or shall become a participant in MBS or shall have entered into a custody agreement with respect to the GNMA Securities with a participant of MBS and shall have a perfected security interest in and to the GNMA Securities;

(iii) the Trustee or the participant acting on behalf of the Trustee (in either case, the "Receiving Participant") shall establish a limited-purpose account with MBS for this Indenture to be called the "Limited Purpose Account";

(iv) the Receiving Participant shall deliver an irrevocable instruction to MBS to the effect that all fees arising in connection with the Limited Purpose Account are to be charged to another account maintained by MBS for the Receiving Participant;

(v) MBS shall deliver a certificate to the Receiving Participant acknowledging that the Receiving Participant will not charge the specified Limited Purpose Account at all times that the instruction in paragraph (iv) above remains in effect (with exceptions only for mistake or to secure and repay any advance or principal and interest made by MBS);

(vi) there must be written evidenced from MBS or the Receiving Participant that MBS has made an appropriate entry in its records of the transfer of such book-entry security to the Receiving Participant's account'

(vii) the GNMA Securities shall have been transferred and received into the Limited Purpose Account free of any payment obligation other than the Trustee's obligation to pay the GNMA Issuer for the GNMA Securities;

The provisions of paragraphs (iii), (iv), (v) and (vii) shall not apply if the Trustee receives written evidence from MBS and the Receiving Participant that MBS will not offset its fees against the Receiving Participant's custodial account.

(h) The GNMA Issuer shall deliver to the Trustee a certificate setting forth the revised regularly scheduled future principal and interest payments on the GNMA Securities on (x) the PLC Delivery Date if the principal amount of the PLC is less than \$_____ due to mortgage reduction at Final Endorsement and (y) each instance that the Trustee receives payment on the GNMA Securities exceeding regularly scheduled payments of principal and interest thereon. Such certificate of the GNMA Issuer will include all regularly scheduled future principal and interest payments on the GNMA Securities until scheduled maturity and will aggregate the scheduled future payments for each future six-payment interval that begins each January through the following June and that begins each July through the following December.

Section 4.05 Reserve Fund. The Trustee shall deposit into the Reserve Fund (i) the amounts required by Section 4.02(b) hereof, (ii) the portion of an interest payment on a CLC representing accrued and unpaid interest on such CLC at the Pass-Through Rate on the date such CLC was acquired by the Trustee and (iii) any additional amounts required by the provisions of the Indenture to be deposited therein.

The Trustee shall apply amounts on deposit in the Reserve Fund on each Interest Payment Date or any Redemption Date to pay or provide for the payment of (i) the portion the purchase price of a CLC representing accrued and unpaid interest on such CLC at the Pass-Through Rate and (iii) the principal of, premium, if any, or interest on the Bonds becoming due and payable, whether at maturity or by prior redemption, on such date, and for which sufficient moneys are not yet available for such purpose in the Bond Fund.

On the Business Day after the first Interest Payment Date occurring after the later of (i) _____, and (ii) the PLC Delivery Date (as such date shall be extended pursuant to Section 4.03(d)), all amounts on deposit in the Reserve Fund shall first be transferred to the Bond Fund, but only to the extent required to bring the balance in the Bond Fund to \$_____. All remaining amounts shall be paid to the Borrower upon delivery to the Trustee of the following:

(a) a cash flow projection prepared by financial consultants acceptable to the Issuer or the underwriter for the Bonds demonstrating that the sum of (i) the amounts in the Project Fund and the Bond Fund and investment earnings thereon and (ii) scheduled payments to be received on the GNMA Security will at least be equal to scheduled debt service on the Bonds; and

(b) written notice from the Rating Agency that the rating then assigned to the Bonds will not be lowered or withdrawn as a result of the payment of the amounts then on deposit in the Reserve Fund to the Borrower.

Notwithstanding the foregoing, if the PLC is not delivered to the Trustee by the PLC Delivery Date, no amounts remaining in the Reserve Fund shall be paid to the Borrower until such time as no Bonds remain Outstanding.

Section 4.06 Costs of Issuance Fund. The Trustee shall deposit into the Costs of Issuance Fund any amounts deposited with the Trustee by the Borrower for deposit into the Costs of Issuance Fund.

The Trustee shall apply amounts on deposit in the Costs of Issuance Fund to pay costs of issuance of the Bonds pursuant to the written direction of the Borrower filed with the Trustee. Any amounts remaining in the Costs of Issuance Fund on _____, shall be transferred to the Project Fund, except that, with respect to such amounts remaining in the Cost of Issuance Fund that do not constitute Bond proceeds (within the meaning of the Code), such amounts shall be applied toward any amounts due to the Issuer by the Borrower.

Section 4.07 Rebate Fund. The purpose of the Rebate Fund is to facilitate compliance with Section 148(f) of the Code. Any Rebate Amount (as defined in the Tax Agreement) deposited in such Fund shall be for the sole benefit of the United States of America and shall not be subject to the lien of the Indenture or to the claim of any other person, including, without limitation, the Bondholders and the Issuer. The requirements of this Section 4.07 are subject to, and shall be interpreted in accordance with, Section 148(f) of the Code and the Treasury Regulations applicable thereto (the "**Regulations**") and shall apply except to the extent the Trustee is furnished with an opinion of Bond Counsel or other satisfactory evidence that the Regulations contain an applicable exception. The Trustee shall make all payments, and file all forms, under the direction of the Borrower and pursuant to the Tax Agreement.

Promptly at the end of each five year period after the issue date of the Bonds and also upon the retirement of the Bonds, the Trustee shall provide the Borrower with a statement of earnings on funds and accounts held under this Indenture during any period not covered by a prior statement. Each statement shall include the purchase and sale prices of each investment, if any (including any commission paid thereon which shall be separately stated if such information is available), the dates of each investment transaction, information as to whether such transactions were made at a discount or premium and such other information known or reasonably available to the Trustee as the Borrower or rebate analyst shall reasonably require. If so requested by the Borrower at any time, the Trustee shall create within the Bond Fund separate accounts for purposes of accounting for earnings on amounts attributable to the Bonds.

The Trustee shall promptly transfer to the Rebate Fund each amount required to be deposited therein pursuant to the written direction of the Borrower or the rebate analyst pursuant to the Tax Agreement, first from earnings in the Project Fund, and, second, to the extent amounts in the Project Fund are insufficient, from revenues which have been deposited into the Bond Fund and earnings thereon. To the extent that the amount to be deposited into the Rebate Fund exceeds the amount which can be transferred from such funds, the Trustee shall promptly notify the Borrower and an amount equal to such deficiency shall be paid promptly by the Borrower to the Trustee for deposit into the Rebate Fund.

The Borrower and the Trustee, on behalf of the Issuer, shall keep such records as will enable them to fulfill their respective responsibilities under this Section 4.07 and Section 148(f) of the Code, and the Borrower shall engage a rebate analyst as may be necessary in connection with such responsibilities. The Trustee, to the extent furnished to it, will retain

records of all calculations performed by the rebate analyst until six years after the retirement of the last obligation of the Bonds. The fees and expenses of the rebate analyst shall be paid by the Borrower pursuant to the Financing Agreement to the extent amounts provided hereunder are insufficient for such purpose. For purposes of the computation of the Rebate Amount required under the Tax Agreement, the Trustee shall make available to the Borrower and the Issuer during normal business hours all information in the Trustee's control which is necessary to such computations.

Section 4.08 Investment of Funds. The Trustee is hereby directed to enter into the Investment Agreement. Any moneys held as part of any fund created in this Article and not able to be invested pursuant to the Investment Agreement shall be invested or reinvested by the Trustee in Qualified Investments at the written or telephonic direction of the Authorized Borrower Representative, such telephonic direction to be promptly confirmed in writing. Such moneys may only be invested in Qualified Investments which mature or are subject to redemption or repurchase at par plus accrued interest at the option of the Trustee (i) on or prior to the date or dates on which the Trustee anticipates that cash funds will be required, or (ii) within six months of the date of investment. The investments so made and earnings thereon shall be held by the Trustee and shall be deemed at all times to be a part of the fund in which such moneys were held; *provided* that for purposes of investment moneys held in any of the funds established hereunder may be commingled. The Trustee is directed to sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund shall be insufficient to cover a proper disbursement from any fund. The Trustee shall incur no liability resulting from any investments made pursuant to this Section.

The Trustee may make any and all investments permitted by this Section through its own bond or investment department, unless otherwise directed in writing by the Authorized Borrower Representative.

Section 4.09 Custody of Funds; Moneys to Be Held in Trust. The funds created under this Indenture shall be in the custody of the Trustee in its trust capacity hereunder; and the Issuer authorizes and directs the Trustee to withdraw moneys from said funds for the purposes specified herein, which authorization and direction the Trustee hereby accepts. All moneys required to be deposited with or paid to the Trustee under any provision of this Article IV shall be held by the Trustee in trust, and except for moneys held in the Rebate Fund or deposited with or paid to the Trustee for the redemption of Bonds, notice of redemption of which has been duly given, shall while held by the Trustee constitute part of the security for the Holders and be subject to the lien hereof.

Section 4.10 Final Balances. Upon final payment of all principal of, premium, if any, and interest on the Bonds, and upon satisfaction of all claims against the Issuer hereunder, including the payment of all fees, charges and expenses of the Trustee which are due and payable hereunder, or upon the making of adequate provision for the payment of such amounts, as permitted hereby, and after satisfaction of all of the Borrower's obligations under the Financing Agreement, all money and securities remaining hereunder shall be remitted to the Issuer.

Section 4.11 Nonpresentment of Bonds. In the event any Bond shall not be presented for payment when the principal thereof becomes due in whole or in part, whether at maturity, at the Redemption Date or otherwise, or a check or draft for interest is uncashed, if funds sufficient to pay such Bonds shall have been made available to the Trustee for the benefit of the Holder or Holders thereof, all liabilities of the Issuer to the Holder thereof for the payment of such Bond, as the case may be, shall thereupon cease and be completely discharged, and it shall be the duty of the Trustee to hold such funds for a period of six years after maturity of all Bonds, without liability for interest thereon, in a separate account in the Bond Fund for the benefit of the Holder of such Bond, who shall thereafter be restricted exclusively to such funds for any claim of whatever nature on his part under this Indenture or on, or with respect to, said Bond. After the expiration of such six-year period, the Trustee shall return said funds to the Issuer upon its written request and the Holder or Holders of any such unrepresented Bond shall be entitled to payment of said Bond only from said funds held by the Issuer. The obligation of the Trustee under this Section to pay any such funds to the Issuer shall be subject to any provisions of law applicable to the Trustee or to such funds providing other requirements for disposition of unclaimed property.

ARTICLE V

GENERAL COVENANTS AND REPRESENTATIONS

Section 5.01 Payment of Principal or Redemption Price of and Interest on Bonds. The Issuer shall promptly pay or cause to be paid the principal or redemption price of, and the interest on, every Bond issued hereunder according to the terms thereof, but shall be required to make such payment or cause such payment to be made only out of revenues available therefor under this Indenture. The Issuer hereby designates the principal corporate trust office of the Trustee as the place of payment for the Bonds.

Section 5.02 Instruments of Further Assurance. The Issuer and the Trustee shall do, execute, acknowledge and deliver, such indentures supplemental hereto, and such further acts, instruments and transfers as the Trustee may reasonably require for the better assuring, transferring, conveying, pledging, assigning and confirming unto the Trustee all its interest in the property herein described and the revenues, receipts and other amounts pledged hereby to the payment of the principal of, premium, if any, and interest on the Bonds paid solely from the Trust Estate. Any and all interest in property hereafter acquired which is of any kind or nature herein provided to be and become subject to the lien hereof shall and without any further conveyance, assignment or act on the part of the Issuer or the Trustee, become and be subject to the lien of this Indenture as fully and completely as though specifically described herein, but nothing contained in this sentence shall be deemed to modify or change the obligations of the Issuer under this Section.

Section 5.03 Recordation and Filing. Pursuant to the Financing Agreement, the Borrower shall cause financing statements with respect to the Trust Estate described in this Indenture to be at all times filed in such manner and in such places if required by law in order to fully preserve and protect the rights of the Issuer and the Trustee hereunder and to perfect the security interest created by this Indenture in the Trust Estate described herein. To the extent

possible under applicable law, as in effect in the jurisdiction(s) in which the Trust Estate is located, the Borrower will maintain the priority of the security interest herein created in the Trust Estate as a first lien thereon, and warrant, protect, preserve and defend its interest in the Trust Estate and the security interest of the Trustee herein and all rights of the Trustee under this Indenture against all actions, proceedings, claims and demands of all Persons, all paid for by the Borrower.

Section 5.04 No Modification of Security. The Issuer shall not, without the written consent of the Trustee, alter, modify or cancel, or agree to consent to alter, modify or cancel any agreement which relates to or affects the security for the Bonds. The Trustee shall not consent to any change in the maturity of the GNMA Security or the Mortgage Note, except as provided in Sections 4.03(c), 4.03(d), 5.07 and Article VIII hereof.

Section 5.05 Reports. The Trustee shall furnish annually, to the Borrower (which shall furnish copies thereof to HUD), the GNMA Issuer and any Bondholder who requests copies thereof and furnishes an address to which such reports and statements are to be sent, copies of (a) any reports furnished to the Trustee with regard to the Project and (b) annual statements of the Trustee with regard to fund balances. The Trustee shall be reimbursed by the Borrower for its reasonable costs in preparing any such statements.

Section 5.06 Tax Covenants.

(a) The Issuer, to the extent that it has control over any of the following proceeds or payments, and the Trustee, to the extent that it has discretion with respect to investment of such proceeds, covenant and agree that they will not take any action or fail to take any action with respect to the investment of the proceeds of any Bonds issued under this Indenture or with respect to the payments derived from the security pledged hereunder or from the Financing Agreement which would result in constituting the Bonds "arbitrage bonds" within the meaning of such term as used in Section 148 of the Code. The Issuer and the Trustee further covenant and agree that they will comply with and take all actions required by the Tax Agreement. The Trustee shall cause to be prepared all rebate calculations required to be performed pursuant to the Tax Agreement.

(b) The Issuer covenants that it shall not use or cause the use of any proceeds of Bonds or any other funds of the Issuer, directly or indirectly, in any manner, and shall not take or cause to be taken any other action or actions, or fail to take any action or actions, which would result in interest on any of the Bonds becoming includable in gross income of any holder thereof. The Issuer further covenants that it shall at all times do and perform all acts and things permitted by law and necessary or desirable in order to assure that interest paid by the Issuer on the Bonds shall be excluded from the gross income of the recipients thereof for federal income tax purposes.

Section 5.07 Concerning the GNMA Security.

(a) The Trustee shall defend its rights in and to the GNMA Security for the benefit of the Bonds against the claims and demands of all Persons whomsoever.

(b) The Trustee shall not sell or otherwise dispose of the GNMA Security for an amount less than the amount sufficient, together with other amounts held under this Indenture, to provide for the payment of the Bonds in accordance with Article IX hereof.

(c) Except as otherwise specifically permitted by this Indenture, the Trustee shall not consent to any sale, modification or amendment of the GNMA Security without (i) notifying the Rating Agency of any proposed sale, modification or amendment, and (ii) obtaining the express written consent of 100% of the Holders of the Bonds.

ARTICLE VI

DEFAULT PROVISIONS AND REMEDIES OF TRUSTEE AND HOLDERS

Section 6.01 Events of Default. Each of the following shall be an "Event of Default":

- (a) default in the due and punctual payment of any interest on any Bond; or
- (b) default in the due and punctual payment of the principal of or premium, if any, on any Bond whether at the stated maturity thereof, or on proceedings for redemption thereof, or on the maturity thereof by declaration; or
- (c) default in the performance or observance of any other of the covenants, agreements or conditions on the part of the Issuer in this Indenture or in the Bonds; or
- (d) the occurrence and continuation of an event of default under the Financing Agreement of which the Trustee has actual notice or of which the Trustee is deemed to have notice pursuant to Section 7.04(i) hereof.

The Trustee and the Issuer agree that notwithstanding the provisions hereof, no default under the terms of this Indenture shall be construed as resulting in a default under the Mortgage Loan Documents unless such event also constitutes a default thereunder.

Section 6.02 Acceleration. Upon the occurrence of an Event of Default described in Section 6.01(a) or (b) hereof, and *provided* that the Mortgage Loan shall have been paid in full as certified by the GNMA Issuer to the Trustee, the Trustee may, and upon the written request of the holders of not less than 25% in aggregate principal amount of all Bonds then Outstanding shall, by notice in writing delivered to the Borrower and the Issuer, declare the principal of all Bonds then Outstanding and the interest accrued thereon immediately due and payable and such principal and interest shall thereupon become and be immediately due and payable.

Section 6.03 Rights of Holders. If any Event of Default shall have occurred and be continuing, then the Trustee may and, if requested so to do by the Holders of not less than 25% in aggregate principal amount of Bonds affected by such default, and if indemnified as provided herein, the Trustee shall:

- (a) by mandamus or other suit, action or proceeding at law or in equity require the Issuer to perform its covenants and duties under this Indenture;
- (b) bring suit upon the Bonds;
- (c) by action or suit in equity require the Issuer to account for its actions as if it were the trustee of an express trust for the holders of the Bonds;
- (d) by action or suit in equity enjoin any acts or things that may be unlawful or in violation of the rights of the holders of the Bonds;
- (e) take any action to enforce its remedies under the Financing Agreement; or
- (f) take such other steps to protect and enforce its rights and the rights of the holders of the Bonds, whether by action, suit or proceeding in aid of the execution of any power herein granted or for the enforcement of any other appropriate legal or equitable remedy.

Section 6.04 Rights of Holders to Direct Proceedings. Subject to the provisions of Section 6.08 hereof, the Holders of a majority in principal amount of the Bonds shall have the right at any time, by an instrument in writing executed and delivered to the Trustee, to direct the time, method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of this Indenture for the benefit of the Bonds, or for the appointment of a receiver or any other proceedings hereunder for the benefit of the Bonds, in accordance with the provisions of law and of this Indenture.

Section 6.05 Waiver by Issuer. Upon the occurrence of an Event of Default, to the extent that such right may then lawfully be waived, neither the Issuer nor anyone claiming through or under it shall set up, claim or seek to take advantage of any appraisal, valuation, stay, extension or redemption laws now or hereinafter in force, in order to prevent or hinder the enforcement of this Indenture; and the Issuer, for itself and all who may claim through or under it, hereby waives, to the extent that it lawfully may do so, the benefit of all such laws and all right of appraisement and redemption to which it may be entitled under the laws of the State.

Section 6.06 Application of Moneys. All moneys received by the Trustee or a receiver pursuant to any right given or action taken pursuant to a default under Section 6.01(a) or (b) hereof and all moneys in the possession of the Trustee shall, after payment of the cost and expenses of any proceedings resulting in the collection of such moneys and after payment of the fees and expenses of the Trustee, its agents and attorneys, be deposited in the Bond Fund; and all moneys in the Bond Fund shall be applied, together with the other moneys held by the Trustee hereunder, except the Rebate Fund, as follows:

- (a) Unless the principal of all the Bonds shall have become due and payable or have been declared due and payable, all such moneys shall be applied:

FIRST: to the payment to the Persons entitled thereto of all installments of interest then due on the Bonds, in the order of the maturity of the installments of such interest and, if the amount available shall not be sufficient to pay in full any particular

installment, then to the payment thereof ratably, according to the amounts due on such installment, to the Persons entitled thereto, without any discrimination or privilege except as to any difference in the respective rates of interest specified in the Bonds;

SECOND: to the payment to the Persons entitled thereto of the unpaid principal of and premium, if any, on any of the Bonds which shall have become due (other than Bonds called for redemption for the payment of which money shall be held pursuant to Section 4.12 of this Indenture) whether at maturity or by call for redemption, in the order of their due dates and beginning with the earliest such due date, with interest on such Bonds from the date upon which they become due and, if the amount available shall not be sufficient to pay in full principal of, premium, if any, and interest on the Bonds due on any particular date, together with such interest, then to the payment thereof ratably, according to the amount of the principal, interest, and premium, if any, due on such date, to the Persons entitled thereto without any discrimination or privilege; and

THIRD: to the payment of any unpaid fees and expenses of the Issuer and the GNMA Issuer.

Any moneys remaining after application as described above shall be deposited in the General Account of the Bond Fund.

(b) If the principal of all the Bonds shall have become due and payable or shall have been declared due and payable, all such moneys shall be applied to the payment of the principal, premium, if any, and interest then due and unpaid upon the Bonds, without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of premium over principal or interest or of principal or interest over premium or of any Bond over any other Bond, ratably, according to the amounts due respectively for principal, premium, if any, and interest, to the persons entitled thereto without any discrimination or privilege, except as to any difference in the respective Interest Rates specified in the Bonds.

Whenever moneys are to be applied pursuant to the provisions of this Section, such moneys shall be applied at such times, and from time to time as the Trustee shall determine, having due regard to the amount of such moneys available for such application in the future. Whenever the Trustee shall apply such funds, it shall fix the date (which shall be an Interest Payment Date unless it shall deem another date more suitable) upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such date shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the deposit with it of any such moneys and of the fixing of any such date, and shall not be required to make payment to the Holder of any Bond until such Bond shall be presented to the Trustee for appropriate endorsement or for cancellation if fully paid.

Section 6.07 Remedies Vested in Trustee. All rights of action, including the right to file proof of claims, under this Indenture or under any of the Bonds may be enforced by the Trustee without the possession of any of the Bonds or the production thereof in any trial or other proceedings relating thereto and any such suit or proceeding instituted by the Trustee shall

be brought in its name as Trustee without the necessity of joining as plaintiffs or defendants any Holders of the Bonds, and any recovery of judgment shall be for the benefit as provided herein of Holders of the Outstanding Bonds.

Section 6.08 Remedies of Holders. No Holder of any Bonds shall have any right to institute any suit, action or proceeding in equity or at law for the enforcement of any provision of this Indenture or for the execution of any trust hereunder or for the appointment of a receiver or any other remedy hereunder, unless: (a) a default shall have occurred of which the Trustee shall have been notified as provided herein; (b) such default shall have become an Event of Default; (c) the Holders of at least 25% in aggregate principal amount of the Outstanding Bonds shall have made written request to the Trustee and shall have offered reasonable opportunity either to proceed to exercise the powers hereinbefore granted or to institute such action, suit or proceeding in its own name; (d) such Holders shall have offered to the Trustee indemnity as provided herein; and (e) the Trustee shall within 60 days thereafter fail or refuse to exercise the powers hereinbefore granted, or to institute such action, suit or proceeding, and such notification, request and offer of indemnity are hereby declared in every case at the option of the Trustee to be conditions precedent to the execution of the powers and trusts under this Article VI, and to any action or cause of action for the enforcement of this Indenture, or for any other remedy hereunder; it being understood and intended that no one or more Holders of the Bonds shall have any right in any manner whatsoever to affect, disturb or prejudice the lien of this Indenture or the rights of any other Holders of the Bonds or to obtain priority or preference over any other Holders (other than as provided herein) or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all Holders of Bonds. Nothing contained in this Indenture shall, however, affect or impair the right of any Holder to enforce the payment of the principal of, the premium, if any, and interest on any Bond at the maturity thereof or the obligation of the Issuer to pay the principal of, premium, if any, and interest on the Bonds issued hereunder to the respective Holders thereof, at the time, in the place, from the sources and in the manner expressed herein and in said Bonds.

Section 6.09 Termination of Proceedings. In case the Trustee shall have proceeded to enforce any right under this Indenture by the appointment of a receiver, by entry or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case the Issuer and the Trustee shall be restored to their former positions and rights hereunder with respect to the Trust Estate herein conveyed, and all rights, remedies and powers of the Trustee shall continue as if no such proceedings had been taken.

Section 6.10 Waivers of Events of Default. The Trustee shall waive any Event of Default hereunder and its consequences and rescind any declaration of maturity of principal of and interest on the Bonds upon the written request of the Holders of a majority of the

Outstanding Bonds; *provided, however*, that there shall not be waived (a) any default in the payment of the principal of any Bonds at the date of maturity specified therein, or upon proceedings for mandatory redemption, or (b) any default in the payment when due of the interest or premium on any such Bonds, unless prior to such waiver or rescission all arrears of interest, with interest (to the extent permitted by law) at the rate borne by the Bonds on overdue installments of interest or all arrears of payments of principal or premium, if any, when due (whether at the stated maturity thereof or upon proceedings for mandatory redemption) as the case may be, and all fees, costs, and expenses of the Trustee, in connection with such default shall have been paid or provided for, and in case of any such waiver or rescission, or in case any proceeding taken by the Trustee on account of any such default shall have been discontinued or abandoned or determined adversely, then and in every such case the Issuer, the Trustee and the Bondholders shall be restored to their former positions and rights hereunder, respectively, but no such waiver or rescission shall extend to any subsequent or other default, or impair any right consequent thereto.

Section 6.11 Notice of Defaults; Opportunity of the Issuer, the Borrower and the GNMA Issuer to Cure Defaults. Anything herein to the contrary notwithstanding no default under subsection (c) of Section 6.01 hereof (other than a default occasioned by the nonpayment of money) shall constitute an Event of Default until (i) actual notice of such default by registered or certified mail shall have been received by the Trustee, and a notice of default shall have been given by the Trustee or by the Holders of not less than 25% in aggregate principal amount of the Outstanding Bonds to the Borrower, the GNMA Issuer and the Issuer, and (ii) the Borrower and the Issuer shall have had with respect to a default under such subsection (c), 30 days after receipt of such notice, to correct said default or cause said default to be corrected, and shall not have corrected said default or caused said default to be corrected within the applicable period, and thereafter, with respect to a default described in such subsection (c), the GNMA Issuer shall have had 30 days to correct said default or cause said default to be corrected, and shall not have corrected said default or caused said default to be corrected within the applicable period; *provided, however*, if a default under such subsection (c) be such that it cannot be corrected within the applicable period, it shall not constitute an Event of Default if corrective action is instituted by the Borrower, the Issuer or the GNMA Issuer, as the case may be, within the applicable period and diligently pursued until the default is corrected.

With regard to any alleged default concerning which notice has been given to the Borrower under the provisions of this Section, the Issuer hereby grants the Borrower full authority for the account of the Issuer to perform any covenant or obligation alleged in said notice to constitute a default, in the name and stead of the Issuer with full power to do any and all things and acts to the same extent that the Issuer could do and perform any such things and acts and with power of substitution.

In the event the Issuer fails to perform any of its covenants or obligations under this Indenture, the Borrower shall have the right to perform such covenants or obligations and the Issuer hereby consents to such fulfillment and waives any right it may have to interfere therewith.

ARTICLE VII**THE TRUSTEE****Section 7.01 Certain Duties and Responsibilities.**

(a) Except during the continuance of an Event of Default:

(i) The Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; but in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether they conform to the requirements of this Indenture.

(b) In case an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of his or her own affairs.

(c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that

(i) This subsection (c) shall not be construed to limit the effect of subsection (a) of this Section;

(ii) The Trustee shall not be liable for any error of judgment made in good faith by a responsible officer, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts; and

(iii) The Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with directions received pursuant to Section 6.04 or the direction of the Holders of a majority in principal amount of Outstanding Bonds relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture.

(d) No provisions of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers.

(e) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section.

Section 7.02 Notice of Default. Within 30 days after the occurrence of any default hereunder of which the Trustee is deemed to have notice hereunder, the Trustee shall transmit by first class mail, to the Holders of all Bonds then Outstanding notice of such default hereunder known to the Trustee, unless such default shall have been cured or waived prior thereto; *provided, however,* that, except in the case of a default in the payment of the principal of (or premium, if any) or interest on any Bond when due, the Trustee shall be protected in withholding such notice if and so long as the Trustee in good faith determines that the withholding of such notice is in the interests of the Holders of the Bonds. For the purpose of this Section the term "default" means any event which is, or after notice or lapse of time or both would become, an Event of Default.

Section 7.03 Required Reporting. The Trustee shall provide to the Rating Agency (with copies to the Issuer and the Borrower):

(a) notice of any of the following events: (i) any GNMA Security is sold (except for the exchange of the CLCs for the PLC), (ii) a partial prepayment is made on any GNMA Security, (iii) the Investment Agreement is amended or replaced by a new Investment Agreement, (iv) the Bonds are no longer Outstanding in accordance with Article IX hereof, (v) this Indenture or any Mortgage Loan Document is amended in accordance with Article VIII hereof, and (vi) the appointment of any successor Trustee or co-trustee.

(c) a copy of any notices sent to the GNMA Issuer, HUD or GNMA after the Trustee has become entitled to claim any benefits under the GNMA Security; and

(d) such other information as the Rating Agency may reasonably request from time to time (i) in connection with its ongoing surveillance of the rating on the Bonds and (ii) in order to maintain the rating on the Bonds.

Section 7.04 Certain Rights of Trustee. Except as otherwise provided in Section 10.01 hereof:

(a) the Trustee may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order or other paper or document conforming to the requirements, if any, of this Indenture, and believed by it to be genuine, and to have been signed or presented by the proper party or parties;

(b) any Request or Statement of the Issuer mentioned herein shall be sufficiently evidenced by an order or Request of the Issuer signed by an Authorized Issuer

Representative and any resolution or ordinance of the governing body of the Issuer may be sufficiently evidenced by a Certificate of the Issuer;

(c) any notice, request, direction, election, order or demand of the Borrower mentioned herein shall be sufficiently evidenced by an instrument purporting to be signed in the name of the Borrower by an Authorized Borrower Representative (unless other evidence in respect thereof be herein specifically prescribed);

(d) whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon a Certificate of the Issuer;

(e) the Trustee may consult with counsel, architects and engineers and other experts, and the written advice of such counsel, architects or engineers and other experts shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

(f) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders of the Bonds pursuant to this Indenture, unless such Holders shall have offered to the Trustee reasonable security or indemnity against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction;

(g) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such fact or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuer, the GNMA Issuer and the Borrower, including the Project, personally or by agent or attorney;

(h) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder whether directly or by or through agents or attorneys, but the Trustee shall be responsible for any misconduct or negligence on the part of any agent or attorney so appointed;

(i) the Trustee shall not be required to take notice or be deemed to have notice of any default hereunder (except for any default due to the Trustee's failure to make any of the payments required to be made by Article IV hereof) unless the Trustee shall be specifically notified in writing of such default by the Issuer or the Holders of at least 25% in principal amount of Bonds affected thereby; and

(j) all notices or other instruments required by this Indenture to be delivered to the Trustee must, in order to be effective, be delivered at the principal corporate trust office of the Trustee at the Notice Address referred to in Section 1.01 hereof.

Section 7.05 Not Responsible for Recitals or Issuance of Bonds. The recitals contained herein and in the Bonds, except the certificates of authentication, shall be taken as the statements of the Issuer, and the Trustee assumes no responsibility for their correctness. The Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Bonds.

Section 7.06 Trustee May Hold Bonds. The Trustee in its individual or any other capacity may become the owner or pledgee of Bonds and may otherwise deal with the Issuer with the same rights it would have if it were not Trustee.

Section 7.07 Compensation. The Trustee may on each Interest Payment Date reimburse itself as provided in Section 4.04 hereof for all reasonable expenses, disbursements and advances incurred or made by the Trustee in performing its obligations in accordance with any provision of this Indenture (including the compensation and the expenses and disbursements of any Paying Agent, separate Trustee or co-trustee, its agents and counsel) *provided, however,* that the Trustee's monthly compensation under this Section 7.07 shall be limited to _____% of the aggregate principal amount of the Bonds per year (payable monthly as provided in Section 4.04 hereof), including its services as dissemination agent under the Continuing Disclosure Agreement, which amount shall reduce ratably if and to the extent of the redemption or maturity of Outstanding Bonds.

Any amounts payable to the Trustee in excess of the amounts specified in the preceding paragraph shall be paid by the Borrower in accordance with Section 4.7 of the Financing Agreement and not from funds held under this Indenture.

Section 7.08 Successor Trustee. Any corporation or association into which the Trustee may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer its trust business and assets as a whole or substantially as a whole, or any corporation or association resulting from any such conversion, sale, merger, consolidation or transfer to which it is a party shall, ipso facto, be and become successor Trustee hereunder and vested with all title to the whole property or Trust Estate and all the trusts, powers, discretions, immunities, privileges and all other matters as was its predecessor, without the execution or filing of any instruments or any further act, deed or conveyance on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

Section 7.09 Resignation by the Trustee. The Trustee and any successor Trustee may at any time resign from the trusts hereby created by giving 60 days' written notice by registered or certified mail to the Issuer and to each Holder of the Bonds then Outstanding; *provided* that no such resignation shall take effect until a successor Trustee shall have been appointed and shall have accepted such appointment as provided in Section 7.11. If no successor Trustee shall have been appointed and have accepted appointment within 60 days following the giving of all required notices of resignation, the resigning Trustee may petition any court of competent jurisdiction for the appointment of a successor Trustee.

Section 7.10 Removal of the Trustee. The Trustee may be removed at any time, by an instrument or concurrent instruments in writing delivered to the Trustee and the

Issuer, and signed (a) by the Holders of a majority of the Bonds Outstanding at the time, or (b) with the written concurrence of the Issuer and the GNMA Issuer, *provided*, that such removal shall not be effective until all reasonable fees and expenses of the Trustee have been paid in full, and *provided, further*, that the Trustee shall continue to serve as Trustee hereunder until a new Trustee has been appointed.

Section 7.11 Appointment of Successor Trustee by the Holders; Temporary Trustee. In case the Trustee hereunder shall resign or be removed, or be dissolved, or shall be in the course of dissolution or liquidation, or otherwise become incapable of acting hereunder, or in case it shall be taken under the control of any public officer or officers, or of a receiver appointed by a court, a successor may be appointed by the Holders of a majority of the principal amount of the Outstanding Bonds, with the consent of the Borrower and notice to the GNMA Issuer, which consent shall not be unreasonably withheld, by an instrument or concurrent instruments in writing signed by such Holders, or by their duly authorized attorneys; *provided*, nevertheless, that in case of vacancy the Issuer, with the consent of the Borrower, which consent shall not be unreasonably withheld, may appoint a temporary Trustee to fill such vacancy until a successor Trustee shall be appointed by such Holders in the manner above provided; and any such temporary Trustee so appointed by the Issuer shall immediately and without further act be superseded by the trustee so appointed by such Bondholders.

Section 7.12 Concerning Any Successor Trustee. Every successor Trustee appointed hereunder shall execute, acknowledge and deliver to its predecessor and also to the Issuer an instrument in writing accepting such appointment hereunder and thereupon such successor, without any further act, deed or conveyance, shall become fully vested with all the estates, properties, rights, powers, trusts, duties and obligations of its predecessor; but such predecessor shall, nevertheless, on the written request of the Issuer, or of its successor, and upon payment of all amounts due such predecessor, execute and deliver an instrument transferring to such successor Trustee all the estates, properties, rights, powers, trusts, duties and obligations of such predecessor hereunder; and every predecessor Trustee shall deliver all securities and money held by it as Trustee hereunder to its successor. Should any instrument in writing from the Issuer be required by a successor Trustee for more fully and certainly vesting in such successor the estate, rights, powers and duties hereby vested or intended to be vested in the predecessor, any and all such instruments in writing shall, on request be executed, acknowledged and delivered by the Issuer. The resignation of any Trustee and the instrument or instruments removing any Trustee and appointing a successor hereunder, together with all other instruments provided for in this Article, shall be filed and/or recorded by the successor Trustee in any recording office where the Indenture shall have been filed and/or recorded. Any such successor Trustee shall be bound by all of the provisions hereof, including but not limited to Section 7.07 hereof. Every such Trustee appointed pursuant to the provisions of this Section shall be a trust company or bank organized under the laws of the United States of America or any state thereof and which is in good standing, within or outside the State, having a reported capital and surplus of not less than \$10,000,000 if there be such an institution willing, qualified and able to accept the trust upon reasonable or customary terms.

Section 7.13 Trustee as Paying Agent and Bond Registrar; Additional Paying Agents. The Trustee is hereby designated and agrees to act as Paying Agent and Registrar for and in respect to the Bonds.

The Issuer from time to time may appoint one or more additional Paying Agents and, in the event of the resignation or removal of any Paying Agent, successor Paying Agents. Any such additional Paying Agent or successor Paying Agent shall signify its acceptance of the duties and obligations imposed upon it by this Indenture by executing and delivering to the Issuer and the Trustee a written acceptance thereof.

Section 7.14 Successor Trustee as Trustee, Paying Agent and Bond Registrar. In the event of a change in the office of Trustee, the predecessor Trustee which shall have resigned or shall have been removed shall cease to be Trustee and Paying Agent on the Bonds and Bond Registrar, and the successor Trustee shall become such Trustee, Paying Agent and Bond Registrar.

Section 7.15 Co-Trustee or Separate Trustee. At any time, but subject to compliance with all applicable regulations, for the purpose of meeting any legal requirements of any jurisdiction in which any part of the Trust Estate may at the time be located or for the purpose of enforcing any provisions of this Indenture or the Financing Agreement, the Issuer and the Trustee shall have power to appoint an additional Person as a co-trustee or separate trustee (*provided, however*, that the total fee payable to the Trustee and the co-trustee or the Trustee and the separate trustee, may not exceed the fee payable to the Trustee prior to that appointment), and upon the request of the Trustee or of the Holders of at least 25% in aggregate principal amount of Outstanding Bonds the Issuer shall for such purpose join with the Trustee in the execution, delivery and performance of all instruments and agreements necessary or proper to appoint such Person to act as co-trustee of all or any part of the Trust Estate, and to vest in such Person or institution, in such capacity, such title to the Trust Estate, or any part thereof, and such rights, powers, duties, trusts or obligations as the Issuer and the Trustee may consider necessary or desirable, subject to the remaining provisions of this Section.

If the Issuer shall not have made such appointment within 30 days after the receipt by it of a request to do so, or in case an event of default shall have occurred and be continuing, the Trustee alone shall have the power to make such appointment.

The Trustee, the Issuer and the Borrower shall execute, acknowledge and deliver all such instruments as may be reasonably required by any such co-trustee or separate trustee for more fully confirming such title, rights, powers, trusts, duties and obligations to such co-trustee or separate trustee.

Every co-trustee or separate trustee shall, to the extent permitted by law, but to such extent only, be appointed subject to the following terms, namely:

- (a) the Bonds shall be authenticated and delivered, and all rights, powers, trusts, duties and obligations by this Indenture conferred upon the Trustee in respect of

the custody, control or management of money, papers, securities and other personal property shall be exercised solely by the Trustee;

(b) all rights, powers, duties and obligations conferred or imposed upon the Trustee shall be conferred or imposed upon or exercised or performed by the Trustee, or by the Trustee and such co-trustee or separate trustee jointly, as shall be provided in the instrument appointing such co-trustee or separate trustee, except to the extent that under the law of any jurisdiction in which any particular act or acts are to be performed the Trustee shall be incompetent or unqualified to perform such act or acts, in which event such act or acts shall be performed by such co-trustee or separate trustee;

(c) any request in writing by the Trustee to any co-trustee or separate trustee to take or to refrain from taking any action hereunder shall be sufficient warrant for the taking or the refraining from taking of such action by such co-trustee or separate trustee;

(d) any co-trustee or separate trustee to the extent permitted by law may delegate to the Trustee the exercise of any right, power, trust, duty or obligation, discretionary or otherwise;

(e) the Trustee at any time by an instrument in writing with the concurrence of the Issuer may accept the resignation of or remove any co-trustee or separate trustee appointed under this Section and in case an Event of Default shall have occurred and be continuing, the Trustee shall have power to accept the resignation of or remove any such co-trustee or separate trustee without the concurrence of the Issuer, and, upon the request of the Trustee, the Issuer shall join with the Trustee in the execution, delivery, and performance of all instruments and agreement necessary or proper to effectuate such resignation or removal. A successor to any co-trustee or separate trustee so resigned or removed may be appointed in the manner provided in this Section;

(f) no trustee hereunder shall be personally liable by reason of any act or omission of any other trustee hereunder;

(g) any demand, request, direction, appointment, removal, notice, consent, waiver or other action in writing executed by the Holders and delivered to the Trustee shall be deemed to have been delivered to each such co-trustee or separate trustee; and

(h) any money, paper, securities or other items of personal property received by any such co-trustee or separate trustee hereunder shall forthwith, so far as may be permitted by law, be turned over to the Trustee.

Upon the acceptance in writing of such appointment, any such co-trustee or separate trustee shall be vested with such title to the Trust Estate or any part thereof, and with such rights, powers, duties, trusts or obligations as shall be specified in the instrument of appointment jointly with the Trustee (except insofar as local law makes it necessary for any such co-trustee or separate trustee to act alone) subject to all the terms of this Indenture. Every such acceptance shall be filed with the Trustee and the Issuer.

In case any co-trustee or separate trustee shall die, become incapable of acting, resign or be removed, the title to the Trust Estate and all rights, powers, trusts, duties and obligations of said co-trustee or separate trustee shall, so far as permitted by law, vest in and be exercised by the Trustee unless and until a successor co-trustee or separate trustee shall be appointed in the manner herein provided.

Section 7.16 Representation by Trustee. The Trustee hereby represents and warrants that as of the date of execution of this Indenture:

(a) It is duly organized and validly existing in good standing under the laws of the jurisdiction of its organization and has the power and authority to enter into and perform its obligations under this Indenture;

(b) this Indenture has been duly authorized, executed and delivered by it; and

(c) to the best of the Trustee's knowledge, the execution of this Indenture by the Trustee does not violate laws, statutes, ordinances, regulations or agreements which are binding on the Trustee.

Section 7.17 Interpretation of Intent. The Trustee, in exercising its authority under this Indenture, may interpret the intent of the parties hereunder. In exercising such authority, the Trustee shall be held to a reasonable fiduciary standard subject to Section 7.01 hereof.

ARTICLE VIII

SUPPLEMENTAL INDENTURE

Section 8.01 Supplemental Indentures Not Requiring Consent of Bondholders. The Issuer and the Trustee, without the consent of or notice to any of the Bondholders, may enter into an indenture or indentures supplemental to this Indenture as shall not be inconsistent with the terms and provisions hereof or materially adverse to the interest of the Holders of the Bonds for any one or more of the following reasons:

(a) to cure any ambiguity or formal defect or omission in this Indenture:

(b) to subject to the lien and pledge of this Indenture additional revenues, properties or collateral;

(c) to grant to or confer upon the Trustee for the benefit of the Bondholders any additional rights, remedies, powers or authority that may lawfully be granted to or conferred upon the Bondholders or the Trustee or any of them;

(d) to modify, amend or supplement this Indenture or any indenture supplemental hereto in such manner as to permit the qualification hereof and thereof under the

Trust Indenture Act of 1939 or any similar federal statute hereafter in effect or under any state securities laws;

(e) to permit the Trustee to comply with any obligations imposed upon it by law;

(f) to achieve compliance of this Indenture with any applicable federal securities or tax laws or state securities laws;

(g) to maintain the exclusion from gross income for federal income taxation of interest on the Bonds;

(h) to obtain, improve or maintain the rating on the Bonds from any nationally recognized securities rating agency so long as such change does not affect the interest rates, maturities or redemption provisions of the Bonds and does not, in the opinion of Bond Counsel, adversely affect the exclusion from gross income for federal income taxation of interest on the Bonds; or

(i) in connection with any other change in this Indenture which, in the judgment of the Trustee, is not to the prejudice of the Trustee or the Bondholders.

The Trustee may rely upon an opinion of counsel as conclusive evidence that execution and delivery of a supplemental indenture have been effected in compliance with the provisions of this Article.

Section 8.02 Supplemental Indentures Requiring Consent of Bondholders.

With the consent of the Holders of not less than a majority in aggregate principal amount of the Outstanding Bonds, the Trustee, from time to time, may enter into supplemental indentures for the purpose of modifying, altering, amending, adding to or rescinding any of the terms or provisions contained in this Indenture or in any supplemental indenture; *provided, however*, that nothing in this Article contained shall permit, or be construed as permitting without the consent of the Holders of 100% of the Bonds outstanding: (a) an extension of the stated maturity or a reduction in the principal amount or reduction in the rate, or extension of time of payment of interest on, or reduction of any premium payable on the redemption of, any Bonds; (b) the creation of any lien on the Trust Estate prior to or on a parity with the lien of this Indenture; (c) a reduction in the amount of the Bonds, the Holders of which are required to approve any such supplemental indenture, without the consent of the Holders of all Bonds at the time Outstanding which would be affected by the action to be taken; (d) the modification of the rights, duties or immunities of the Trustee without the consent of the Trustee; (e) a privilege or priority of any Bond over any other Bonds; (f) any reduction in the Borrower's obligations under the Mortgage Note, or change in the GNMA Issuer's obligations under (or GNMA's guaranty of) the GNMA Securities; (g) any amendment to Section 5.07 or Article VIII hereof, or (h) any action which may result in the denial of the exclusion of interest on the Bonds from gross income for federal income taxation.

If at any time the Issuer shall request the Trustee to enter into any such supplemental indenture for any of the purposes of this Section, the Trustee shall, upon being

satisfactorily indemnified with respect to expenses, cause notice of the proposed execution of such supplemental indenture to be mailed, postage prepaid, to all Bondholders. Such notice shall briefly set forth the nature of the proposed supplemental indenture and shall state that copies thereof are on file at the corporate trust office of the Trustee for inspection by all Bondholders. If, within 60 days or such longer period as shall be prescribed by the Issuer following the mailing of such notice, the Holders of not less than two-thirds in aggregate principal amount of Outstanding Bonds at the time of the execution of any such supplemental indenture shall have consented to and approved the execution thereof as herein provided, no Holder of any Bond shall have any right to object to any of the terms and provisions contained therein, or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Trustee or the Issuer from executing the same or from taking any action pursuant to the provisions thereof. Upon the execution of any such supplemental indenture as in this Section permitted and provided, this Indenture shall be and be deemed to be modified and amended in accordance therewith. The Trustee may rely upon an opinion of counsel as conclusive evidence that execution and delivery of a supplemental indenture have been effected in compliance with the provisions of this Article.

Anything herein to the contrary notwithstanding, a supplemental indenture under this Article which affects any rights of the Borrower shall not become effective unless and until the Borrower shall have consented to the execution and delivery of such supplemental indenture. In this regard, the Trustee shall cause notice of the proposed execution and delivery of any such supplemental indenture to be mailed by certified or registered mail to the Borrower at least 15 days prior to the proposed date of execution and delivery of any supplemental indenture. The Borrower shall be deemed to have consented to the execution and delivery of any such supplemental indenture if the Trustee does not receive a letter of protest or objection thereto signed by or on behalf of the Borrower on or before the close of business of the Trustee on the fifteenth day after the mailing of said notice and a copy of the proposed supplemental indenture.

Section 8.03 Amendments to Financing Agreement Not Requiring Consent of the Bondholders. The Issuer and the Borrower, without the consent of the Bondholders, may enter into any amendment, change or modification to the Financing Agreement as shall not be inconsistent with the terms of the Financing Agreement or materially adverse to the interests of the Holder of the Bonds for any one or more of the following purposes:

- (a) to cure any ambiguity or formal defect or omission in the Financing Agreement;
- (b) to grant to or confer upon the Issuer or the Trustee for the benefit of the Bondholders any additional rights, remedies, powers or authority that may be lawfully granted to or conferred upon the Issuer or the Trustee or either of them;
- (c) to maintain the exclusion from gross income for federal income taxation of interest of the Bonds;
- (d) to obtain, improve or maintain the rating on the Bonds so long as such change does not affect the interest rates, maturities or redemption provisions of the Bonds and

does not, in the opinion of Bond Counsel, adversely affect the exclusion from gross income for federal income taxation of interest on the Bonds; or

(e) in connection with any other change which, in the judgment of the Trustee, is not to the prejudice of the Trustee or the Bondholders.

(f) The Trustee may rely upon an opinion of counsel as conclusive evidence that such amendment, change or modification has been effected in compliance with the provisions of this Article.

Section 8.04 Amendments to Financing Agreement Requiring Consent of Bondholders. With the consent of the Holders of not less than a majority in aggregate principal amount of the Bonds at the time Outstanding, the Issuer, the Trustee and the Borrower may from time to time enter into amendments, changes and modifications to the Financing Agreement for the purpose of modifying, altering, amending, adding to or rescinding any of the terms or provisions contained therein; *provided, however*, that no such amendment, change or modification shall permit or be construed as permitting: (a) any adverse effect on the security for the Bonds, (b) a reduction in the amount of Bonds, the Holders of which are required to approve any such amendment, change or modification without the consent of Holders of all Bonds at the time Outstanding which would be affected by the action to be taken; or (c) any action which may result in the denial of the exclusion of the interest on the Bonds from gross income for federal income tax purposes.

If at any time, the Borrower or the Issuer shall request the consent of the Trustee to any such amendment, change or modification of the Financing Agreement, the Trustee shall, upon being satisfactorily indemnified by the Borrower with respect to expenses, cause notice of such proposed amendment, change or modification to be given in the same manner as provided above with respect to supplemental indentures. Such notice shall briefly set forth the nature of such proposed amendment, change or modification and shall state that copies of the instrument embodying the same are on file at the corporate trust office of the Trustee for inspection by all Bondholders. If, within 60 days following the giving of such notice the Holders of not less than two-thirds in aggregate principal amount of Outstanding Bonds at the time of the execution of any such amendment, change or modification shall have consented to and approved the execution thereof as described above, no Holder of any Bond shall have any right to object to the terms and provisions contained therein, or to the operation thereof, or in any manner to question the propriety of the execution thereof or to enjoin or to restrain the Issuer or the Trustee from consenting to the execution thereof. The Trustee may rely upon an opinion of counsel as conclusive evidence that such amendment, change or modification has been effected in compliance with the provisions of this Article.

Section 8.05 Modification of Mortgage Loan Documents. Nothing contained herein or in the Financing Agreement shall limit or impair the right of the GNMA Issuer to require or agree to any amendment, change or modification of the Mortgage Loan Documents for the purpose of curing any ambiguity, or of curing, correcting or supplementing any defective or inconsistent provision contained therein, or in regard to matters or questions arising under said

Mortgage Loan Documents so long as any such amendment, change or modification shall not adversely affect the payment terms of, the security for or the tax-exempt status of the Bonds.

ARTICLE IX

SATISFACTION AND DISCHARGE OF INDENTURE

Section 9.01 Discharge of Lien. If the Issuer shall pay or cause to be paid to the Holders of the Bonds the principal, interest and premium, if any, to become due thereon at the times and in the manner stipulated therein and herein (including without limitation, as provided in Section 3.01(d) hereof), and shall have paid all fees and expenses of the Trustee, and if the Issuer shall keep, perform and observe all and singular the covenants and promises in the Bonds and in this Indenture expressed as to be kept, performed and observed by it or on its part, then these presents and the estate and rights hereby granted shall, at the option of the Issuer, cease, determine and be void, and thereupon the Trustee shall cancel and discharge the lien of this Indenture and execute and deliver to the Issuer such instruments in writing as shall be requisite to satisfy the lien hereof, shall reconvey to the Issuer the estate hereby conveyed, and shall assign and deliver to the Issuer (to the extent that the Issuer certifies to the Trustee that the Issuer is owed money by the Borrower) or to Borrower (if no such certification of the Issuer is delivered to the Trustee) any interest in property at the time subject to the lien of this Indenture which may then be in its possession, except amounts held by the Trustee for the payment of principal of and interest and premium, if any, on the Bonds.

All Outstanding Bonds shall, prior to the maturity or redemption date thereof, be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this Section if, under circumstances which, in the opinion of Bond Counsel, do not cause interest on the Bonds to be includable in gross income for federal income purposes, the following conditions shall have been fulfilled: (a) in case any of the Bonds are to be redeemed on any date prior to their maturity, the Issuer shall have given to the Trustee, in form satisfactory to it, irrevocable instructions to mail, as provided in Article III hereof, notice of redemption of such bonds on said date; and (b) there shall be on deposit with the Trustee either money or direct non-callable obligations of, or non-callable obligations guaranteed by, the United States of America in an amount sufficient, as certified to the Trustee by independent public accountants of national standing, to pay when due the principal or redemption price, if applicable, and interest due and to become due on the Bonds on and prior to the Redemption Date or maturity date thereof, as the case may be. Upon satisfaction and discharge of this Indenture as aforesaid, the Trustee shall provide notice of such discharge by first class mail to Holders of all Bonds Outstanding, *provided* that for any Bonds subject to optional redemption within 90 days of the discharge of this Indenture no such notice need be given.

Section 9.02 Survival of Certain Provisions. Notwithstanding the foregoing, any provisions of this Indenture which relate to the maturity of Bonds, interest payments and dates thereof, optional and mandatory redemption provisions, credit against mandatory sinking fund requirements, exchange, transfer and registration of Bonds, replacement of mutilated, destroyed, lost or stolen Bonds, the safekeeping and cancellation of Bonds, non-presentment of Bonds, the holding of moneys in trust, and repayments of moneys in funds held hereunder, and

the duties of the Trustee and the Registrar in connection with all of the foregoing, shall remain in effect and be binding upon the Trustee, the Registrar, the Paying Agent and the Holders notwithstanding the release and discharge of this Indenture. The provisions of this Article shall survive the release, discharge and satisfaction of this Indenture.

ARTICLE X

MISCELLANEOUS

Section 10.01 Consents and Other Instruments of Bondholders. Any consent, request, direction, approval, waiver, objection, appointment or other instrument required by this Indenture to be signed and executed by the Bondholders may be signed and executed in any number of concurrent writings of similar tenor and may be signed or executed by such Bondholders in person or by agent appointed in writing. Proof of the execution of any such instrument, if made in the following manner, shall be sufficient for any of the purposes of this Indenture and shall be conclusive in favor of the Trustee with regard to any action taken under such instrument, namely:

(a) The fact and date of the execution by any Person of any such instrument may be proved by the affidavit of a witness of such execution or by the certificate of any notary public or other officer of any jurisdiction, authorized by the laws thereof to take acknowledgments of deeds, certifying that the Person signing such instrument acknowledged to him the execution thereof. Where such execution is by an officer of a corporation or association or a member of a limited liability company or a partner of a partnership on behalf of such corporation, association, limited liability company or partnership, such affidavit or certificate shall also constitute sufficient proof of his authority.

(b) The ownership of Bonds shall be proven by the Bond Register.

(c) Any request, consent or vote of the Holder of any Bond shall bind every future Holder of any Bond issued in exchange therefor or in lieu thereof, in respect of anything done or permitted to be done by the Trustee or the Issuer pursuant to such request, consent or vote.

(d) In determining whether the Holders of the requisite amount of the principal amount of the Bonds then Outstanding have concurred in any demand, request, direction, consent or waiver under this Indenture, Bonds which are owned by the Issuer or the Borrower or by any Person directly or indirectly controlling or controlled by, or under direct or indirect common control with the Issuer or the Borrower shall be disregarded and deemed not to be Outstanding for the purpose of determining whether the Trustee shall be protected in relying on any such demand, request, direction, consent or waiver. Only Bonds which the Trustee knows to be so owned shall be disregarded. Bonds so owned which have been pledged in good faith may be regarded as Outstanding for the purposes of this Section if the pledgee shall establish to the satisfaction of the Trustee the pledgee's right to vote such Bonds. In case of a dispute as to such right, any decision by the Trustee taken upon the advice of counsel shall be full protection to the Trustee.

Section 10.02 Limitation of Rights. With the exception of rights herein expressly conferred, nothing expressed or implied in this Indenture or the Bonds is intended or shall be construed to give to any Person other than the parties hereto, the Borrower and the Holders of the Bonds, any legal or equitable right, remedy or claim under or in respect to this Indenture or any covenants, conditions and provisions hereof.

Section 10.03 Severability. If any provision of this Indenture shall be held or deemed to be or shall in fact be inoperative or unenforceable as applied in any particular case in any jurisdiction or jurisdictions or in all jurisdictions, or in all cases because it conflicts with any other provision or provisions hereof or any constitution, statute, rule of law or public policy, or for any other reason, such circumstances shall not have the effect of rendering the provision in question inoperative or unenforceable in any other case or circumstances, or of rendering any other provision or provisions herein contained invalid, inoperative or unenforceable to any extent whatever.

The invalidity of any one or more phrases, sentences, clauses or sections in this Indenture contained shall not affect the remaining portions of this Indenture or any part thereof.

Section 10.04 Notices. All notices, certificates or other communications hereunder shall be sufficiently given and shall be deemed given three days after deposit by first-class mail, except any notice specifically required to be given by certified or registered mail shall be deemed given three days after being mailed by certified or registered mail, postage prepaid, and any notice dispatched by messenger, facsimile or telegram, addressed to the Notice Address of the person to whom such notices, certificates or other communications are given shall be deemed given when delivered.

Section 10.05 Payments Due on Saturdays, Sundays and Holidays. In any case where the date of maturity of interest on or principal of the Bonds or the GNMA Securities, or the date fixed for redemption of any Bonds, shall be a Saturday, Sunday, legal holiday or a day on which banking institutions are authorized by law to close, then payment of interest or principal need not be made on such date but may be made on the next succeeding Business Day with the same force and effect as if made on the date of maturity or the date fixed for redemption, and no interest shall accrue for the period after such date.

Section 10.06 Counterparts. This Indenture may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

Section 10.07 Situs of Contract. The State shall be deemed to be the situs of contract for all purposes of this Indenture.

Section 10.08 No Recourse. No recourse shall be had for the principal of, redemption premium, if any, and interest on any of the Bonds or for any claim based thereon or upon any obligation, covenant or agreement contained in the Indenture or the Financing Agreement against any past, present or future official, officer or employee of the Issuer, as such, either directly or through the Issuer or any successor, under any rule of law, statute or constitution or by the enforcement of any assessment or penalty or otherwise, and all such liability is hereby expressly waived and released as a condition of and consideration for the execution of the Indenture and the Financing Agreement and the issuance of the Bonds.

Section 10.09 Successors and Assigns. All the covenants and representations contained in this Indenture, by or on behalf of the Issuer, shall bind and inure to the benefit of its successors and assigns, whether or expressed or not.

Section 10.10 Books, Records and Accounts. The Trustee agrees to keep proper books, records and accounts in which complete and correct entries shall be made of all transactions relating to the receipt, disbursements, investment, allocation and application of the proceeds received from the sale of the Bonds, the revenues received in connection with the

GNMA Security, the revenues received from the Funds created pursuant to this Indenture and all other money held by the Trustee hereunder. The Trustee shall make such books, records and accounts available for inspection by the Issuer or the Holder of any Bond during reasonable hours and under reasonable conditions.

Section 10.11 HUD and GNMA Requirements to Control. Notwithstanding anything in this Indenture to the contrary, the provisions of this Indenture and the Financing Agreement are subject and subordinate to the National Housing Act, all applicable HUD insurance regulations and related administrative requirements and the Mortgage Loan Documents and all applicable GNMA regulations and related administrative requirements; and in the event of any conflict between the provisions of this Indenture or the Financing Agreement and the provisions of the National Housing Act, any applicable HUD regulations, related administrative requirements and the Mortgage Loan Documents, any applicable GNMA regulations and related administrative requirements, the said National Housing Act, HUD regulations, related administrative requirements and Mortgage Loan Documents, and the said GNMA regulations and related administrative requirements shall be controlling in all respects.

Section 10.12 HUD Regulations. Notwithstanding anything in this Indenture to the contrary, the Issuer, its designee or any person shall not and cannot acquire or succeed to Peoples Co-Op For Affordable Elderly Housing's interest as general partner of the Borrower or exercise Peoples Co-Op For Affordable Elderly Housing's rights or powers as such general partner unless and until the Issuer, its designee or any person first complies with all HUD requirements pertaining to transfers of physical assets and received HUD's written preliminary approval. Prior to satisfying the requirements pertaining to transfers of physical assets neither the Issuer, its designee nor any person will assert any claim or interest in the HUD Project (HUD Project No. 071-32146) by reasons of the provisions of this Indenture.

IN WITNESS WHEREOF, the parties hereto have caused this Indenture to be duly executed and their respective corporate seals to be hereunto affixed and attested, all as of the date and year first above written.

Notice of the Special Record Date shall be mailed to Holders not less than 10 days prior thereto. So long as this Bond is restricted to being registered in the registration books of the Issuer in the name of a Securities Depository (as defined in the Indenture), the provisions of the Indenture governing Book-Entry Bonds shall govern the payment of principal of, premium, if any, and interest on this Bond.

This Bond is one of a duly authorized series of bonds of the Issuer designated as its Multi-Family Housing Revenue Bonds (Paul G. Stewart Phases I and II) Series 2006 (FHA Insured/GNMA), in the aggregate principal amount of \$x,xxx,xxx (the “**Bonds**”), pursuant to Article VII, Section 6 of the 1970 Constitution of the State of Illinois, and pursuant to the Ordinance adopted by the Issuer on _____, 2006. The Bonds are issued under and are equally and ratably secured as to principal, premium, if any, and interest by a Trust Indenture dated as of [Month] 1, 2006, from the Issuer to the Trustee (the “**Indenture**”), to which Indenture and all indentures supplemental thereto (copies of which are on file at the office of the Trustee) reference is hereby made. By the acceptance of this Bond, the Holder hereof assents to all of the provisions of the Indenture.

The Bonds are limited obligations of the Issuer payable solely from funds, moneys and securities held by the Trustee under the Indenture and amounts derived under the Financing Agreement (as defined in the Indenture), including amounts derived from the GNMA Security described herein.

The Bonds, together with premium, if any, and interest thereon, do not constitute an indebtedness, liability, general or moral obligation or a pledge of the full faith or loan of credit of the Issuer, the State of Illinois, or any political subdivision of the State of Illinois within the meaning of any constitutional or statutory provisions. Neither the Issuer, the State of Illinois nor any political subdivision thereof shall be obligated to pay the principal of, premium, if any, or interest on the Bonds or other costs incident thereto except from the revenues and assets pledged with respect thereto. Neither the full faith and credit nor the taxing power of the United States of America, the Issuer, the State of Illinois or any political subdivision thereof is pledged to the payment of the principal of, premium, if any, or interest on the Bonds or other costs incident thereto. The Bonds are not a debt of the United States of America or any agency thereof, and are not guaranteed by the United States of America or any agency thereof.

This Bond shall not be entitled to any benefit under the Indenture or become valid or obligatory for any purpose until the certificate of authentication shall have been signed by the Trustee.

The Bonds are being issued by the Issuer for the purpose of financing a FHA-insured mortgage loan (the "Mortgage Loan") to be made to Charles A. Beckett Associates Limited Partnership, an Illinois limited partnership (the "Borrower"), for the purpose of financing a portion of the cost of acquiring, rehabilitating and equipping a multi-family residential project situated in the City of Chicago and known as "Paul G. Stewart Phases I and II."

To secure payment of principal of and interest on the Bonds, the Borrower has arranged for the acquisition by the Trustee of fully modified mortgage-backed securities (the "GNMA Security") to be issued by Prairie Mortgage Company (the "GNMA Issuer"), which will be guaranteed as to timely payment of principal and interest by the Government National Mortgage Association ("GNMA").

The Bonds are subject to mandatory redemption prior to maturity on the earliest practicable date for which notice of redemption can be given by the Trustee pursuant to the Indenture, unless otherwise provided, at a redemption price equal to the principal amount thereof plus accrued interest to the Redemption Date without premium (i) as a whole if the PLC is not delivered to the Trustee by the PLC Delivery Date (or such later date as shall be permitted under the Indenture) in the amounts and on the dates determined as follows: on (x) _____ (or such later date as shall be permitted under the Indenture), from amounts on deposit in or held for the benefit of the Project Fund, the Reserve Fund and the Bond Fund (excluding the principal of the CLCs) and (y) on _____, from the principal of the CLCs, (ii) in part after delivery of the PLC to the Trustee to the extent the principal amount of the PLC, as delivered, is less than \$ _____ from amounts on deposit in the Project Fund; (iii) as a whole or in part, if the Trustee receives payments on the GNMA Securities exceeding regularly scheduled payments of principal

and interest thereon (other than optional prepayments of the Mortgage Loan), including payments representing (A) casualty insurance proceeds, condemnation awards or other amounts applied to the prepayment of the Mortgage Loan following a partial or total destruction or condemnation of the Project, (B) mortgage insurance proceeds or other amounts received with respect to the Mortgage Loan following the acceleration thereof upon the occurrence of an event of default thereunder, (C) a prepayment of the Mortgage Loan required by applicable rules, regulations, policies and procedures of HUD or GNMA (including the possible exercise by HUD of its right to override the prepayment and premium provisions of the Mortgage Note if HUD determines that prepayment of the Mortgage Loan will avoid a mortgage insurance claim and is therefore in the best interest of the Federal government) or (D) prepayments on the GNMA Security derived from prepayments on the Mortgage Loan made by the Borrower without notice or prepayment penalty while under the supervision of a trustee in bankruptcy; or (iv) in part on any date on or after the PLC Delivery Date, in the event and to the extent funds on deposit in the General Account of the Bond Fund on any Interest Payment Date exceed \$ _____. If less than all the Bonds then outstanding shall be called for redemption, Bonds to be redeemed shall be selected as provided in the Indenture.

Bonds are also subject to redemption in whole or in part on the earliest practicable date for which notice of redemption can be given by the Trustee pursuant to the Indenture at the option of the Issuer at the direction of the Borrower, at any time on or after _____, 201__, from payments on the GNMA Security representing optional prepayments on the Mortgage Loan or any other source, at the redemption prices (expressed as percentages of their principal amount) set forth in the table below plus accrued interest to the redemption date:

<u>Redemption Dates</u>	<u>Redemption Prices</u>
_____ 20, 201__ to _____ 19, 201__	101%
_____ 20, 201__ and thereafter	100%

The Bonds are subject to mandatory redemption prior to maturity by lot, at a redemption price of par, plus accrued interest to the Redemption Date, from mandatory Sinking Fund Installments which are required to be made in amounts sufficient to redeem or pay on _____ 20 and _____ 20 of each year specified below the respective principal amount of such Bonds specified for each such date, as hereinafter set forth:

<u>Date</u>	<u>Principal Amount</u>	<u>Date</u>	<u>Principal Amount</u>
-------------	-------------------------	-------------	-------------------------

Bonds subject to scheduled mandatory redemption as set forth above shall be subject to pro rata reduction of such scheduled mandatory redemption payments to the extent that such Bonds are redeemed prior to maturity otherwise than pursuant to such scheduled mandatory redemption.

Except as otherwise provided in the Indenture, notice of redemption, unless waived, is to be given by the Trustee by mailing an official redemption notice by first class mail not less than 30 nor more than 60 days prior to the redemption date to the Holder of each Bond to be redeemed at the address of such Holder as shown on the Trustee's registration records. Notice of redemption having been given as aforesaid, the Bonds or portions of Bonds so to be redeemed shall, on the redemption date, become due and payable at the redemption price therein specified, and from and after such date (unless the Issuer shall default in the payment of the redemption price) such Bonds or portions of Bonds shall cease to bear interest. Failure to duly give such notice by mail or any defect therein shall not affect the validity of the proceedings for the redemption of any Bond or Bonds. Any notice mailed as provided in this paragraph shall be conclusively presumed to have been duly given, whether or not the Holder receives notice.

The Holder of this Bond shall have no right to enforce the provisions of the Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any event of default thereunder, or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Indenture.

Neither the Issuer nor the Borrower shall be liable for an acceleration of the Bonds or payment of additional interest thereon in the event that interest on the Bonds is declared or becomes includable in gross income for federal income tax purposes.

Modifications or alterations of the Indenture or of any indenture supplemental thereto may be made only to the extent and in the circumstances permitted by the Indenture.

This Bond is transferable by the Holder hereof in person or by his attorney duly authorized in writing at the principal corporate trust office of the Trustee, but only in the manner and subject to the limitations provided in the Indenture upon payment of any tax, fee or other governmental charge required to be paid with respect to such transfer, and upon surrender and cancellation of this Bond. Upon such transfer a new registered Bond or Bonds of the same maturity and interest rate and of authorized denomination or denominations for the same aggregate principal amount will be issued to the transferee in exchange therefor.

The Issuer and the Trustee may deem and treat the registered owner hereof as the absolute owner hereof for the purpose of receiving payment of or on account of principal hereof and interest due hereon and for all other purposes and neither the Issuer nor the Trustee shall be affected by any notice to the contrary.

The Bonds are issuable only as registered Bonds without coupons in denominations of \$5,000 principal amount, and any integral multiple thereof. Subject to the limitations of the Indenture and upon payment of any tax, fee or other governmental charge required to be paid with respect to such exchange, Bonds may be exchanged for a like aggregate principal amount of Bonds of the same maturity and interest rate of other authorized denominations.

The principal hereof may be declared or may become due on the conditions and in the manner and at the time set forth in the Indenture upon the occurrence of an event of default as provided in the Indenture.

(c) To the extent the amount on deposit in the Bond Fund pursuant to Section 4.04 of the Indenture is insufficient to pay the fees of the Trustee, the dissemination agent under the Continuing Disclosure Agreement or the rebate analyst, the Borrower shall, not later than five (5) days after notification from the Trustee of such deficiency, pay such amount to the Trustee, the dissemination agent or the rebate analyst, as appropriate.

(d) All fees, expenses and responsibilities of the Borrower to the G.N.M.A. Issuer or of either the Borrower or the G.N.M.A. Issuer to F.H.A. or G.N.M.A. in connection with the Mortgage Loan, which obligations shall be the obligations of the Borrower or the G.N.M.A. Issuer, as the case may be, and shall not be the obligations of the Issuer.

Regulatory Agreement) and from no other source. If "Surplus Cash" is not available for such purpose, the General Partner shall pay such amounts. The obligation of the General Partner to make such payments shall be a recourse obligation of the General Partner, and no lien or claim shall be made by such General Partner against the revenues and assets of the Project except from "Surplus Cash" to the extent available. The General Partner's obligation to make such payments shall be evidenced by the General Partner's execution and acceptance of this Agreement.

(h) Any amounts required to be paid in connection with the redemption of Bonds pursuant to Section 3.01 of the Indenture.

Section 3.4 Sufficiency Of The Project Fund.

The Issuer Does Not Make Any Warranty, Either Express Or Implied, That The Monies Deposited Under The Indenture And Available For The Purposes Therein Specified Will Be Sufficient To Pay All Of The Cost Thereof. The Borrower agrees that if after disbursement of all the monies in the Project Fund, the Borrower should pay any cost relating to the Project, the Borrower shall not be entitled to any reimbursement therefor from the Issuer, the Trustee or the holders of the Bonds, except to the extent the Issuer has agreed in writing.

Section 3.5 Investment Of Monies.

Any monies held as part of the Project Fund, the Bond Fund, the Reserve Fund or the Costs of Issuance Fund under the Indenture shall initially be invested and reinvested by the Trustee in Qualified Investments, as provided in Section 4.09 of the Indenture. The Borrower has reviewed those provisions of the Indenture relating to investment of funds held under the Indenture and the use of such investment earnings, and has reviewed the Trustee's proposed initial investment of funds deposited to the Project Fund, the Bond Fund, the Reserve Fund or the Costs of

Issuance Fund, and hereby approves of the same. The Issuer, the Trustee and the Borrower jointly and severally covenant (to the extent of their control over such matters) that the use of the proceeds of the Bonds, including any monies held as part of any fund under the Indenture and any other amounts received by the Issuer in respect to property directly or indirectly financed with the proceeds of the Bonds, and proceeds from interest earned on the investment and reinvestment of such fund and proceeds, shall be invested or otherwise used and shall be restricted in such manner and to such extent, if any, as may be necessary, after taking into account reasonable expectations at the time of issuance of the Bonds, so that the Bonds will not constitute "arbitrage bonds" within the meaning of Section 148 of the Code.

Article IV.

Additional Covenants And Agreements.

Section 4.1 F.H.A. Regulations Control.

In the event of any conflict between the provisions of this Agreement and the applicable rules and regulations of F.H.A. in effect on the date of the initial endorsement of the Mortgage Loan by H.U.D, such rules and regulations of F.H.A. shall control. Section 4.3 Reports And Information.

At the request of the Issuer or the Trustee, their agents, employees or attorneys, the Borrower shall furnish to the Issuer and the Trustee, concurrently with delivery to F.H.A. or H.U.D., copies of any reports and information furnished to F.H.A. or H.U.D. pursuant to the Mortgage Loan Documents. Additionally, the Borrower shall furnish to the Issuer and the Trustee, if so requested, such information as may be

reasonably requested in writing from time to time relative to compliance by the Borrower with the provisions of this Agreement and the Regulatory Agreement.

Section 4.4 Assignment.

No transfer of title to the Project shall be made unless (1) F.H.A. consents to such transfer, as long as the Mortgage Loan is insured or held by F.H.A., (2) the G.N.M.A. Issuer consents to such transfer, as long as any G.N.M.A. Security is outstanding, and (3) the transferee assumes all of the duties of the Borrower under this Agreement, the Continuing Disclosure Agreement, the Regulatory Agreement and the Mortgage Loan Documents, provided that such assumption may contain an exculpation of the assignee from liability with respect to any obligation hereunder except for the General Partner's obligations under Section 3.3(g) hereunder. Upon the assumption of the duties of the Borrower, the Borrower shall be released from all executory obligations so assumed.

Section 4.5 Use Of Proceeds.

The Borrower shall not take any action or omit to take any action within its control, which action or omission would in any way cause the Trustee to apply the proceeds from the sale of the Bonds in a manner contrary to that provided for in the Indenture or the Mortgage Loan Documents.

Section 4.6 Indemnification.

(a) The Borrower hereby assumes liability for and at its expense agrees to indemnify, protect, have and keep harmless, the Issuer and the Trustee, their respective successors, assigns, agents and servants, from and against any and all liabilities, obligations, losses, damages, penalties, claims, actions, suits, costs, expenses and disbursements (including reasonable legal fees and disbursements) of whatsoever kind and nature which arise out of or are based upon the alleged inaccuracy of information furnished to the Issuer or the Trustee by the Borrower for inclusion in the Official Statement relating to the Bonds.

(b) The Borrower will pay, and will protect, indemnify and save the Issuer harmless from and against, any and all liabilities, losses, damages, costs and expenses (including reasonable attorneys' fees and expenses of the Issuer), causes of action, suits, claims, demands and judgments of whatsoever kind and nature (including those arising or resulting from any injury to or death of any person or damage to property) arising out of the following, to the extent permitted by law:

- (i) the design, rehabilitation and installation of the Project;

(ii) the use of the Project by the Borrower;

(iii) violation by the Borrower of any agreement, warranty, covenant or condition of this Agreement, the Tax Agreement, the Regulatory Agreement or the Mortgage Loan Documents;

(v) violation by the Borrower of any law, ordinance, regulation or court order affecting the Project or the ownership, occupancy or use thereof.

(c) The Borrower will pay, and will protect, indemnify and save the Trustee harmless from and against, any and all liabilities, losses, damages, costs, and expenses (including reasonable attorneys' fees and expenses of the Trustee), causes of action, suits, claims, demands and judgments of whatsoever kind and nature arising out of the violation by the Borrower of any agreement, warranty, covenant or condition of the Regulatory Agreement, except when caused by the Trustee's own negligence or willful misconduct or by the joint negligence or willful misconduct of the Trustee and any other person (other than the Borrower and related entities).

(d) The Issuer or the Trustee, as the case may be, shall notify the Borrower in writing of any claim or action brought against the Issuer or the Trustee, as the case may be, in respect of which indemnity may be sought against the Borrower, setting forth the particulars of such claim or action, and the Borrower will assume the defense thereof, including the employment of counsel, and the payment of all reasonable expenses. The Issuer or the Trustee, as the case may be, may employ separate counsel in any such action and participate in the defense thereof. The fees and expenses of such separate counsel so incurred shall be at the expense of the Borrower without regard to any authorization of such employment by the Borrower.

Section 4.7 Fees.

Reference is hereby made to Section 7.07 of the Indenture which sets forth the compensation and reimbursement to which the Trustee is entitled for ordinary fees and expenses. The Borrower agrees to pay, whether out of the proceeds of the Mortgage Loan or other funds, all reasonable fees and expenses of the Trustee (to the extent not paid in accordance with Section 7.07 of the Indenture), the rebate analyst and the dissemination agent (including the reasonable fees and expenses of their counsel) in connection with the issuance of the Bonds and the performance of their duties in connection with the transactions contemplated hereby, including, without limitation, all costs of recording and filing, to the extent such fees and expenses are not otherwise paid from the Costs of Issuance Fund in accordance with Section 4.06 of the Indenture. All such amounts shall be paid directly to the

parties entitled thereto for their own account as and when such amounts become due and payable. The Borrower will also pay any reasonable expenses in connection with any redemption of the Bonds. Specifically, and without limiting the foregoing, the Borrower agrees to pay to the Issuer or to any payee designated by the Issuer, within thirty (30) days after receipt of request for payment thereof, all expenses of the Issuer related to the Project and the financing thereof which are not paid from the funds held under the Indenture, including, without limitation, legal fees and expenses incurred in connection with the interpretation, performance, enforcement or amendment of any documents relating to the Project or the Bonds or in connection with questions or other matters arising under such documents.

The obligations of the Borrower under this section shall survive the termination of this Agreement and the payment and performance of all of the other obligations of the Borrower hereunder and under the Mortgage Loan Documents, the Tax Agreement and the Regulatory Agreement.

Section 4.8 Establishment Of Completion Date.

Within sixty (60) days of the Completion Date, the Borrower shall furnish to the Issuer and the Trustee a certificate stating that the Project has been completed.

Section 4.9 Continuing Disclosure.

The Borrower hereby covenants and agrees to enter into and comply with the provisions of the Continuing Disclosure Agreement. Notwithstanding any other provision of this Agreement, failure of the Borrower to comply with the Continuing Disclosure Agreement shall not be considered an event of default under this Agreement; however, the Trustee, at the written request of the holders of at least twenty-five percent (25%) aggregate principal amount of Outstanding Bonds, shall (only to the extent the Trustee has been provided indemnity satisfactory to it from any costs, liabilities or expenses, including reasonable fees and expenses of its attorneys), or any Bondholders may take such actions as may be necessary and appropriate, including seeking mandamus or specific performance by court order, to cause the Borrower to comply with its obligations pursuant to this Section 4.9.

Section 4.10 Recordation And Filing.

The Borrower shall cause financing statements with respect to the Trust Estate described in the Indenture to be at all times filed in such manner and in such places if required by law in order to fully preserve and protect the rights of the Issuer and the Trustee hereunder and to perfect the security interest created by the Indenture in the Trust Estate described herein. To the extent possible under applicable law, as in the effect in the jurisdiction(s) in which the Trust Estate is located, the

Borrower will maintain the priority of the security interest herein created in the Trust Estate as a first lien thereon, and warrant, protect, preserve and defend its interest in the Trust Estate and the security interest of the Trustee herein and all rights of the Trustee under the Indenture against all actions proceedings, claims and demands of all Persons, all paid for by the Borrower.

Section 4.11 Purchase Of Issuer's Bonds.

Article V.

Events Of Default; Remedies.

Section 5.1 Events Of Default; Remedies.

Upon violation of any of the provisions of this Agreement by the Borrower, the Issuer or the Trustee shall give written notice thereof to the Borrower by messenger, overnight courier or registered or certified mail, postage prepaid, return receipt requested. If such violation is not corrected or action commenced and diligently pursued to effect such correction to the reasonable satisfaction of the Issuer and the Trustee within thirty (30) days after the date such notice is received by Borrower, or within such further time as the Issuer or the Trustee permits, which permission shall not be unreasonably withheld, without further notice the Issuer or the Trustee may declare a default under this Agreement effective on the date of such declaration of default, and upon such default the Issuer or the Trustee may apply to any state or federal court having jurisdiction for specific performance of this Agreement, for an injunction against any violation of this Agreement, for the appointment of a receiver to take over and operate the Project in accordance with the terms of this Agreement, or for such other relief in law or equity as may be appropriate, since the injury to the Issuer and the Trustee arising from a default under any of the terms of this Agreement would be irreparable, and the amount of damage would be difficult to ascertain; provided, however, that nothing herein is intended to affect or extend any period of time established by the Mortgage or to impose any personal liability upon the Borrower or any of the partners of the Borrower or to constitute a default under the Mortgage Loan Documents, except as provided therein.

The prevailing party in any suit, in law or equity, against the Borrower with respect to any breach of this Agreement shall be entitled to reimbursement from the other

party to such suit for all attorneys' fees and disbursements of the prevailing party reasonably connected therewith or incidental thereto except, in the case of fees and disbursements due the Issuer or the Trustee, to the extent such attorneys' fees are paid from monies available therefor under the Indenture.

any officer of the Issuer signing the Indenture, the Bonds, the Tax Agreement, the Regulatory Agreement, the H.U.D. Regulatory Agreement or this Agreement shall be liable personally or be subject to any personal liability or accountability by reason of the execution thereof.

Section 6.9 Enforcement Not To Affect Mortgage Loan Or G.N.M.A. Security.

Notwithstanding any provision in this Agreement to the contrary, enforcement of this Agreement will not result in any claim under the Mortgage Loan or the G.N.M.A. Security, or claim against the Project, the Mortgage Loan proceeds, any reserve or deposit made with the Mortgagee or another Person required by H.U.D. in connection with the Mortgage Loan or the G.N.M.A. Security, or against the rents or other income from the Project (other than available "Surplus Cash", as defined in the H.U.D. Multi-Family Housing Revenue Bonds
(Paul G. Stewart Phases I And II) Series 2006 (F.H.A.-Insured/G.N.M.A.)*

Dated As Of [Month] 1, 2006.

This Regulatory Agreement and Declaration of Restrictive Covenants, dated as of [Month] 1, 2006 (this "Agreement"), is entered into by and among Charles A. Beckett Associates Limited Partnership, an Illinois limited partnership, and any approved successor or assignee to its rights and obligations (the "Borrower"), [Trustee], as Trustee (the "Trustee") under the Indenture (as defined in this Agreement) and the City of Chicago, a municipality and home rule unit of government duly organized and validly existing under the Constitution and the laws of the State of Illinois (the "Issuer") under the circumstances summarized in the following recitals.

Witnesseth.

Whereas, The City of Chicago (the "Issuer") has authorized the issuance of its \$x,xxx,xxx Multi-Family Housing Revenue Bonds (Paul G. Stewart Phases I and II) Series 2006 (F.H.A.-Insured/G.N.M.A.) (the "Bonds"), in order to finance a portion of the costs of acquiring, rehabilitating and equipping the Development (as defined below) and to pay certain costs of issuing the Bonds; and

Whereas, Pursuant to a Financing Agreement, dated as of [Month] 1, 2006, among the Issuer, the Trustee and the Borrower (the "Financing Agreement"), the proceeds of the Bonds will be loaned (the "Loan") to the Borrower to finance a portion of the costs of the acquisition, rehabilitation and equipping of buildings consisting of approximately four hundred twenty (420) residential dwelling units located generally at 400 East 41st Street in the City of Chicago, Illinois and legally described on (Sub)Exhibit A to this Agreement (the "Real Estate") (the Real Estate and the improvements on the Real Estate related to the development are referred to in this Agreement as the "Development"); and

Whereas, In connection with the Loan, the Borrower has agreed to rent or lease at least forty percent (40%) of the dwelling units in the Development to families or individuals whose income is sixty percent (60%) or less of area median gross income, all for the public purpose of assisting persons of low- and moderate-income to afford the costs of decent, safe and sanitary housing; and

Whereas, The Code and the Regulations (as those terms are defined below) prescribe that the use and operation of the Development be restricted in certain respects in order to assure the continuing tax-exempt status of the interest on the Bonds, and in order to ensure that the Development will be acquired, constructed, used and operated in accordance with such requirements of the Code, the Regulations and the Act, the Trustee and the Borrower have determined to enter into this Agreement in order to set forth certain terms and conditions relating to the acquisition, rehabilitation, occupancy, use and operation of the Development.

Now, Therefore, In consideration of the Loan and the mutual covenants and undertakings set forth in this Regulatory Agreement, and other good and valuable consideration, the receipt and sufficiency of which are acknowledged, the parties covenant, agree and declare as follows:

Section 1. Definitions And Interpretations.

Except as otherwise defined in this Agreement, the terms used in this Agreement, including its preambles and recitals, shall for all purposes have the meanings specified in the preceding language of this Agreement or Article I of the Trust Indenture dated as of [Month] 1, 2006, between the Issuer and the Trustee, securing the Bonds (the "Indenture"), or Article I of the Financing Agreement,

unless the context clearly requires otherwise. In addition, unless the context clearly requires otherwise, the following terms used in this Agreement shall have the following meanings:

“Certificate of Continuing Program Compliance” means the certificate from the Borrower in substantially the form and covering the matters set forth in (Sub)Exhibit C to this Agreement.

“F.H.A. Loan Documents” means collectively, the Mortgage Note, the Mortgage, the F.H.A. Regulatory Agreement and all other documents required by the F.H.A. in connection with the Mortgage Loan.

“F.H.A. Regulatory Agreement” means the Regulatory Agreement for Multi-Family Housing Projects, dated as of [Month] 1, 2006 between the Borrower and F.H.A., together with any and all amendments hereto.

“Low- and Moderate-Income Tenants” means and includes individuals or families with adjusted income, calculated in the manner prescribed in Regulation Section 1.167(k)-3(b)(3) as it shall be in effect on the date that the Bonds are issued (or, if not issued on the same date, the earliest issuance date of the Bonds), which does not exceed sixty percent (60%) of the median gross income for the area in which the Development is located, determined in a manner consistent with determinations of median gross income made under the leased housing program established under Section 8 of the United States Housing Act of 1937, as amended, or if that program is terminated, under that program as in effect immediately before termination. That determination shall include adjustments for family size. In no event, however, will the occupants of a unit of the Development be considered to be Low- and Moderate-Income Tenants if all the occupants are students, no one of whom is entitled to file a joint return for federal income tax purposes.

“Mortgage” means the mortgage on the Development granted by the Borrower pursuant to Section 220 of the National Housing Act of 1934, as amended, executed on [Month] 1, 2006.

“Qualified Development Period” means the period beginning on the date on which ten percent (10%) of the units in the Development are first occupied and ending on the latest of the date (i) which is fifteen (15) years after the date on which at least fifty percent (50%) of the residential units in the Development are occupied, (ii) which is the first date on which no tax-exempt private activity bond issued with respect to the Development is outstanding, or (iii) on which any assistance presently provided with respect to the Development under Section 8 of the United States Housing Act of 1937, as amended, terminates.

“Regulations” means the United States Treasury Regulations promulgated with respect to the Code.

“Tenant Income Certificate” means a sworn and notarized certificate in substantially the form and covering the matters set forth in (Sub)Exhibit B to this Agreement.

The rules of interpretation set forth in Section 102 of the Indenture shall apply equally to this Agreement. This Agreement and all of its terms and provisions shall be construed to effectuate the purposes set forth in and to sustain the validity of this Agreement.

Section 2. The Development To Be Residential Rental Property.

The Borrower represents, agrees, covenants and warrants as follows:

(a) The Development is being acquired and constructed for the purpose of providing a “qualified residential rental project”, within the meaning of the Code. The Borrower shall own, manage and operate the Development as a “residential rental project” comprised of residential units and facilities functionally related and subordinate to them, in accordance with Section 142(d) of the Code and Section 1.103-8(b)(4) of the Regulations, as the same may be amended from time to time, to the extent applicable to the Bonds. Upon the completion of the rehabilitation, the Development will consist of approximately four hundred twenty (420) residential units located in two buildings at 400 East 41st Street in the City of Chicago, Illinois. The Development will consist of two (2) buildings containing residential units and functionally related and subordinate facilities of a size and character commensurate with the size and character of the residential units, as provided in the Regulations. Acquisition, rehabbing and equipping of the residential units and the functionally related and subordinate facilities are being funded in part by the Bonds. The buildings, when completed, will be discrete edifices or other person-made constructions with (i) independent foundations, (ii) independent outer walls, and (iii) independent roofs, each building containing one (1) or more similarly constructed units.

(b) Each residential unit in the Development does and shall contain separate and complete facilities for living, sleeping, eating, cooking and sanitation.

(c) None of the residential units in the Development is or shall at any time be used on a transient basis and no portion of the Development shall ever be used as a hotel, motel, dormitory, fraternity house, sorority house, rooming house, hospital, nursing home, sanitarium, rest home or trailer park or court. No part of the Development is or will be used as an airplane, a skybox or other luxury box, a health club facility, a facility primarily used for gambling, or a store the principal business of which is the sale of alcoholic beverages for consumption off-premises. No part of the Development is or will at any time be owned by a cooperative housing corporation or other form of cooperative ownership.

(d) The Borrower shall not give preference in renting residential units in the Development to any particular class or group of persons, other than senior citizens and to Low- and Moderate-Income Tenants as provided in this Regulatory Agreement, to comply with eligibility standards in place as a result of the fact that the Development shall operate as required by law.

(e) At no time shall the Borrower occupy a residential unit in the Development, provided that a person employed by the Borrower to assist in the management of the Development who has no ownership or other interest in the Borrower may occupy a residential unit.

(f) Any functionally related and subordinate facilities (e.g., parking garages or other areas, swimming pools, tennis courts, et cetera) which are to be included as part of the Development will be made available to all tenants on an equal basis. Fees will only be charged with respect to the use of those facilities if the charging of fees is customary for the use of such facilities and in any event, any fees charged will not be discriminatory or exclusionary as to the Low- and Moderate-Income Tenants.

Section 3. Continuous Rental.

(a) The Borrower represents, covenants, agrees and warrants that at all times during the Qualified Development Period, each unit in the Development shall be rented or available for rental to members of the general public on a continuous basis, except as allowed by Section 2(d) above, and that it shall not grant any commercial leases or permit commercial uses for any space in the Development, and otherwise upon receipt by the Trustee of an opinion of Bond Counsel, which opinion is acceptable to the Trustee, that the lease or use will not adversely affect the exclusion of interest on any of the Bonds from gross income of their holders for federal income tax purposes.

(b) The Borrower shall not make any change in use of any portion of the Development except upon approval of the Issuer or upon receipt by the Trustee of an opinion of Bond Counsel, acceptable to the Trustee, that the change will not adversely affect the exclusion of interest on any of the Bonds from gross income of their holders for federal income tax purposes.

Section 4. Low- And Moderate-Income Tenants.

To the end of satisfying the requirements of Section 142(d)(2)(B) of the Code relating to individuals of low- and moderate-income during the Qualified Development Period and related Regulations, the Borrower represents, covenants, agrees and warrants as follows:

(a) At all times during the Qualified Development Period, at least forty percent (40%) of the completed residential units shall be occupied by Low- and Moderate-Income Tenants. For purposes of satisfying that requirement, a unit occupied by an individual or family who at the commencement of occupancy is a Low- and Moderate-Income Tenant shall be treated as occupied by such an individual or family during their tenancy in such unit, even though that individual or family subsequently ceases to be a Low- and Moderate-Income Tenant. The preceding sentence shall, however, cease to apply to any resident whose income as of the most recent determination exceeds one hundred forty percent (140%) of the sixty percent (60%) income limitation amount if, after such determination, but before the next determination, any residential unit of comparable or smaller size in the Development is occupied by a new resident whose income exceeds that sixty percent (60%) limitation. A unit treated as occupied by a Low- and Moderate-Income Tenant shall be treated as occupied after it is vacated until reoccupied (other than for a temporary period not to exceed thirty-one (31) days), at which time the character of the unit shall be redetermined.

(b) If necessary, the Borrower shall refrain from renting residential units to persons other than Low- and Moderate-Income Tenants in order to avoid violating the requirement that at all times during the Qualified Development Period at least forty percent (40%) of the occupied residential units in the Development shall be occupied by Low- and Moderate-Income Tenants.

(c) The Borrower shall determine annually the current income of each tenant treated as a Low- and Moderate-Income Tenant.

(d) The Borrower shall obtain a Tenant Income Certificate with respect to each occupant in the Development who is intended to be a Low- or Moderate-Income Tenant signed by the tenant or tenants (i.e., the person or persons whose names appear on the lease). The Borrower shall obtain such a Tenant Income Certificate prior to such tenant or tenants signing a lease with respect to a unit and commencing occupancy in it and also shall obtain such a Tenant Income Certificate for each subsequent year the tenant lives in the Development, signed by such person or persons and obtained at such time or times, all as may be required by applicable rules, rulings, procedures, official statements, regulations or policies now or later promulgated or proposed by the Department of the Treasury or the Internal Revenue Service with respect to obligations issued under Section 142(d) of the Code. The Borrower shall maintain on file all Tenant Income Certificates.

(e) The Borrower shall prepare and submit to the Trustee and the Issuer on or before the first day of each March, June, September and December of each year during the Qualified Development Period, a Certificate of Continuing Program Compliance in substantially the form attached to this Agreement as (Sub)Exhibit C executed by Borrower's Representative.

(f) The Borrower shall submit to the Secretary of the Treasury an annual certification as to whether the Development continues to meet the low- and moderate-income occupancy requirements set forth in the Code. Failure to comply with the requirements set forth in the preceding sentence shall not constitute a default under this Agreement, but may subject the Borrower to a penalty as provided in Section 6652(j) of the Code.

Section 5. Tenants And Tenant Leases.

In addition to the requirements contained in other sections of this Agreement, the Borrower represents, covenants, agrees and warrants as follows:

(a) All tenant lists, applications, certificates and waiting lists relating to the Development shall at all times be kept separate and identifiable from any other business of the Borrower which is unrelated to the Development and shall be maintained, as required by the Issuer or the Trustee from time to time, in a reasonable condition for proper audit and subject to examination during business hours by representatives of the Trustee. Failure to keep such lists and applications or to make them available to the Issuer or the Trustee shall be a default under this Agreement.

(b) Each tenant lease for a Low- and Moderate-Income Tenant shall require the tenant to submit annual Tenant Income Certificates and to provide further information as the Borrower may reasonably require concerning such a Tenant Income Certificate, and that a failure to comply with these requirements or the filing of a false Tenant Income Certificate shall be a violation of a substantial obligation of his tenancy. The provisions of this Section 5 shall apply throughout the Qualified Development Period.

Section 6. Transfer Restrictions.

During the Qualified Development Period, the Borrower shall not do any of the following: sell, transfer, assign, convey, change title to or otherwise dispose of the Development or any interest in it (other than a transfer of non-managing partnership interests in the Borrower) (a "Transfer"), in whole or in part, unless: (1) the purchaser or assignee shall execute any necessary or appropriate document reasonably requested by the Trustee with respect to assuming its obligations under this Agreement and the Loan Agreement (the "Assumption Agreement"), which document shall be recorded in the Cook County Recorder's Office; (2) the Trustee or the Issuer shall have received an opinion of Bond Counsel, which opinion is acceptable to such recipient, to the effect that such transfer will not adversely affect the exclusion of interest on any of the Bonds from gross income of their holders for purposes of federal income taxation; (3) the Borrower shall deliver to the Trustee and the Issuer an opinion of counsel to the

transferee that the transferee has duly assumed the obligations of the Borrower under this Agreement and that such obligations and this Agreement are binding on the transferee; and (4) such other conditions are met as are set forth in or referred to in the Financing Agreement or as the Trustee or the Issuer may reasonably impose (upon advice of Bond Counsel) as part of the Assumption Agreement to protect the exclusion from gross income of interest on the Bonds for federal income tax purposes.

Section 7. Tax-Exempt Status Of The Bonds.

The Borrower, the Issuer and the Trustee each represent, agree and warrant that to the best of their ability and knowledge:

(a) It will not take or permit, or omit to take or cause to be taken, as is appropriate, any action that would adversely affect the exclusion of the interest on the Bonds from the gross income of their holders for federal income tax purposes and, in particular, the Borrower will not permit any Person to obtain an ownership interest in the Borrower unless, upon advice of Bond Counsel, the Trustee or the Issuer concludes that the exclusion of the interest on the Bonds from gross income for federal income tax purposes is not adversely affected by such Person obtaining such ownership interest. If it should take or permit, or omit to take or cause to be taken, any such action, it will take all lawful actions necessary to rescind or correct such actions or omissions promptly upon obtaining knowledge of them.

(b) It will take such action or actions as may be necessary, in the written opinion of Bond Counsel filed with the Trustee or the Issuer, to comply fully with all applicable rules, rulings, policies, procedures, Regulations or other official statements promulgated, proposed or made by the Department of the Treasury or the Internal Revenue Service pertaining to obligations the exemption of interest on which depends upon continuing compliance with Section 142(d) of the Code and the Regulations under that section.

(c) It will file or record such documents and take such other steps as are necessary, in the written opinion of Bond Counsel filed with the Trustee or the Issuer, in order to ensure that the requirements and restrictions of this Agreement will be binding upon all owners of the Development.

Section 8. Notice Of Noncompliance; Corrective Action.

As soon as is reasonably possible, the Borrower shall notify the Trustee and the Issuer of the existence of any situation or the occurrence of any event of which the Borrower has knowledge, the existence or occurrence of which would violate any of the provisions of this Agreement or cause the interest on the Bonds to become

includable in gross income of their holders for federal income tax purposes unless promptly corrected. The Trustee shall promptly notify the Issuer of such event or situation upon receipt of notice from the Borrower. The Borrower covenants to commence appropriate corrective action within a reasonable period of time, but in no event later than thirty (30) days after such noncompliance is first discovered or should have been discovered by the exercise of reasonable diligence.

Section 9. Reliance; Compliance.

The Borrower recognizes and agrees that the representations, warranties, agreements and covenants set forth in this Agreement may be relied upon by all Persons interested in the legality and validity of the Bonds and in the exclusion of the interest on the Bonds from gross income of their holders for federal income tax purposes. In performing their respective duties and obligations under this Agreement, the Trustee and the Issuer may rely upon statements and certificates of the Borrower and tenants, and upon audits of the books and records of the Borrower pertaining to the Development. In addition, the Trustee may consult with counsel, and the written opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by the Trustee under this Agreement in good faith and in conformity with such opinion.

Section 10. Nondiscrimination.

The Borrower shall not, in the selection of tenants, in employment, in the provision of services or in any other manner, discriminate against any person on the ground of race, color, national origin, religion, creed, sex, handicap, family status or marital status or by reason of the fact that there are children in a prospective tenant's family.

Section 11. Term.

This Agreement shall become effective upon its execution and delivery. Unless the Trustee or the Issuer shall have received a written opinion of Bond Counsel addressed to such party to the effect that early termination of this Agreement will not adversely affect the exclusion of the interest on all of the Bonds from gross income of their holders for federal income tax purposes, this Agreement shall remain in full force and effect for a term equal to the Qualified Development Period, it being expressly agreed and understood that the provisions of this Agreement are intended to survive the retirement of the Bonds and expiration of the indenture and the Financing Agreement. Notwithstanding the immediately preceding sentence, this Agreement, and all and several of the terms of it, shall terminate and be of no further force and effect in the event of (x) involuntary noncompliance with the provisions of this Agreement caused by fire, seizure,

requisition, foreclosure or delivery of a deed in lieu of foreclosure, change in a federal law or an action of a federal agency after the date of this Agreement which prevents the Trustee or the Issuer from enforcing the requirements of this Agreement, condemnation or other similar event and (y) the payment in full and retirement of the Bonds within a reasonable period after that event. However, the preceding sentence shall cease to apply and the restrictions contained in this section shall be automatically reinstated if, at any time subsequent to the foreclosure or the delivery of a deed in lieu of foreclosure or similar event, the Borrower or any "related person" (within the meaning of Section 147 of the Code), obtains an ownership interest in the Development for federal income tax purposes. Upon the termination of all and several of the terms of this Agreement, the parties agree to execute, deliver and record appropriate instruments of release and discharge of the terms of this Agreement. However, the execution and delivery of such instruments shall not be a necessary prerequisite to the termination of this Agreement in accordance with its terms.

Section 12. Covenants To Run With The Development.

The Borrower subjects the Development to the covenants, reservations and restrictions set forth in this Agreement. The Borrower declares its express intent that the covenants, reservations and restrictions set forth in this Agreement shall be deemed covenants running with the Real Estate and the Development to the extent permitted by law and shall pass to and be binding upon the successors in title to the Development throughout the term of this Agreement. Each and every contract, deed, mortgage, assignment, sublease or other instrument executed covering or conveying the Development or any portion of it shall conclusively be held to have been executed, delivered and accepted subject to such covenants, reservations and restrictions, regardless of whether such covenants, reservations and restrictions are set forth in such contract, deed or other instrument.

Section 13. Enforcement.

If the Borrower defaults in the performance or observation of any covenant, agreement or obligation of the Borrower set forth in this Agreement, and if such default remains uncured for a period of thirty (30) days after written notice of the default shall have been given to the Borrower by the Issuer or the Trustee, then the Issuer, or the Trustee, acting on behalf of the Bondholders or on behalf of the Issuer, shall declare an "Event of Default" to have occurred, and, at its option, may take any one or more of the following steps:

- (a) by mandamus or other suit, action or proceeding at law or in equity, including injunctive relief, require the Borrower to perform its obligations and covenants under this Agreement or enjoin any acts or things which may be unlawful or in violation of the rights of the Issuer or the Trustee under this Agreement;

(b) have access to and inspect, examine and make copies of all the books and records of the Borrower pertaining to the Development; or

(c) take such other action at law or in equity as may appear necessary or desirable to specifically enforce, or prohibit violations of, the obligations, covenants and agreements of the Borrower under this Agreement.

The Trustee shall have the right, in accordance with this section and the provisions of the Indenture, without the consent, approval or knowledge of the Issuer or any Person to exercise any or all of the rights or remedies under this Agreement. All reasonable fees, costs and expenses of the Trustee incurred in taking any action pursuant to this section shall be the sole responsibility of the Borrower.

Notwithstanding the preceding paragraph, if the failure stated in the written notice cannot be corrected within such thirty (30) day period, the Trustee may consent in writing to an extension of such time period, which consent shall not be unreasonably withheld, if corrective action is instituted within such thirty (30) day period and diligently pursued to completion and if such extension does not, in the Trustee's judgment, adversely affect the interests of the holders of the Bonds.

Section 14. Bankruptcy.

Neither the Borrower nor any permitted successor owner of the Development shall file any petition in bankruptcy or for the appointment of a receiver, or for insolvency, or for reorganization or composition, or make any assignment for the benefit of creditors or to a trustee for creditors, or permit an adjudication in bankruptcy, the taking of possession of the Development or any part of the Development under judicial process pursuant to any power of sale. However, in the case of an involuntary petition, action or proceeding for an adjudication in bankruptcy, or for the appointment of a receiver or trustee of the property of the Borrower or any other owner of the Development, not initiated by the Borrower or any other owner of the Development, the Borrower or such other owner of the Development shall have ninety (90) days after the service of such petition or the commencement of such action or proceeding, as the case may be, within which to obtain a dismissal of such petition, action or proceeding.

Section 15. Recording And Filing.

The Borrower shall cause this Agreement and all amendments and supplements to it to be recorded and filed in the conveyance and real property records of Cook County, Illinois. The Borrower shall pay all fees and charges incurred in connection with any such recording.

Section 16. Indemnification.

The Borrower shall be required and agrees to pay, indemnify and hold the Trustee, the Issuer and its respective officers, officials and employees (except for claims arising out of acts or omissions of the Trustee or the Issuer, as applicable, resulting from its gross negligence or willful misconduct) harmless from any and all loss, damage, cost, expense, suit, judgment, action, injury or liability which they, or any of them, may suffer or incur (including, without limitation, any costs, fees and expenses, including attorneys' fees, costs and expenses) by reason of any violation of the restrictions or provisions of this Agreement.

Section 17. Agent Of The Trustee.

The Trustee shall have the right to appoint an agent or administrator to carry out any of its duties and obligations under this Agreement, and shall inform the other parties to this Agreement of any such agency appointment by written notice.

Section 18. No Conflict With Other Documents.

The Borrower warrants that it has not executed and will not execute any other agreement with provisions contradictory to, or in opposition to, the provisions of this Agreement, and that, in any event and except to the extent expressly provided in this Agreement, the requirements of this Agreement are paramount and controlling as to the rights and obligations in this Agreement set forth and supersede any other requirements in conflict with this Agreement.

Section 19. Interpretation.

Any terms not defined in this Agreement, or defined as provided in this Agreement, shall have the same meaning as terms defined for purposes of Section 142(d) of the Code and in the Regulations.

Section 20. Amendments.

This Agreement shall be amended only by a written instrument executed by the parties to it or their successors in title, and duly recorded in the real property records of Cook County, Illinois, the county in which the Development is located. The Borrower shall pay all fees and charges incurred in connection with any such recording.

No amendment to this Agreement concerning matters governed by the Code or

the Regulations shall be effective unless there shall have been filed with the Issuer a written opinion of Bond Counsel to the effect that (a) such amendment will not cause or result in interest on the Bonds becoming includable in gross income of their holders for federal income tax purposes, and (b) compliance with the terms and provisions of the Agreement, as so amended, will be sufficient to ensure full compliance with the requirements of Section 142(d) of the Code and all then-applicable rules, rulings, policies, procedures, portions of the Regulations, or other statements promulgated, proposed or made by the Department of the Treasury or the Internal Revenue Service pertaining to obligations the exclusion of interest from gross income on which depends on continuing compliance with that Section 142(d).

Section 21. Notices.

Any notice, demand or other communication required or permitted under this Agreement shall be in writing and shall be deemed to have been given if and when personally delivered and receipted for, or, if sent by private courier service or sent by overnight mail service, shall be deemed to have been given if and when received (unless the addressee refuses to accept delivery, in which case it shall be deemed to have been given when first presented to the addressee for acceptance), or on the first (1st) day after being sent by telegram, or on the third (3rd) day after being deposited in United States registered or certified mail, return receipt requested, postage prepaid. Any such notice, demand or other communication shall be addressed to a party at its address set forth below or to such other address as the party to receive such notice may have designated to all other parties by notice in accordance with this Agreement:

If To The Trustee:

Section 22. Binding Successors.

This Agreement shall bind, and the benefits shall inure to, the respective parties to this Agreement, their legal representatives, executors, administrators,

successors in office or interest, and assigns, provided that the Borrower may not assign this Agreement or any of its obligations under it without the prior written approval of the Issuer.

Section 23. Captions.

The captions used in this Agreement are inserted only as a matter of convenience and for reference and in no way define, limit or describe the scope or the intent of this Agreement.

Section 24. Severability.

If any provision of this Agreement shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired.

Section 25. Governing Law.

This Agreement shall be construed in accordance with and governed by the laws of the State of Illinois, other than the choice of law rules of the State of Illinois and, where applicable, the laws of the United States of America.

Section 26. Limited Recourse.

Notwithstanding any provisions of this Agreement to the contrary, enforcement of the provisions of this Agreement shall not result in any claim against the Development, Loan or Loan proceeds, or the rents or other income from the Development. Notwithstanding any other provision of this Agreement, any monetary obligation created under this Agreement shall not be enforceable personally against the Borrower or any partner of the Borrower, their successors and assigns, or against the assets of the Borrower, its successors or assigns.

Section 27. Conflict With Mortgage And H.U.D. Regulations; Supremacy Of Mortgage And H.U.D.

(a) Notwithstanding anything in this Agreement to the contrary, the provisions of this Agreement are subject and subordinate to the National Housing Act, all applicable H.U.D. insurance (and Section 8, if applicable) regulations and related administrative requirements, and the F.H.A. Loan Documents, and all applicable G.N.M.A. regulations and related administrative requirements; and in the event of any conflict between the provisions of this Agreement and the provisions of the

National Housing Act, any applicable H.U.D. (and Section 8, if applicable) regulations, related H.U.D. administrative requirements and the F.H.A. Loan Documents, and any applicable G.N.M.A. regulations and related G.N.M.A. requirements, the said National Housing Act, H.U.D. (and Section 8, if applicable) regulations, related administrative requirements and F.H.A. Loan Documents, and the said G.N.M.A. regulations and related requirements shall be controlling in all respects.

(b) The failure on the part of the Borrower to comply with the provisions of this Agreement cannot be and will not be deemed to be the basis for a default under the F.H.A. Loan Documents.

(c) Enforcement of the provisions of this Agreement shall not result in any claim against the Developments, the proceeds of the Mortgage Loan or the Loan, any reserve or deposit made with the Lender or another Person required by H.U.D. in connection with the Mortgage Loan, or the rents or other income from the Developments other than available "Surplus Cash" (as such term is defined in the F.H.A. Regulatory Agreements).

(d) The Borrower shall not be deemed to be in violation of this Agreement if it shall take (or refrain from taking) any actions required (or prohibited) by H.U.D. pursuant to the National Housing Act, applicable H.U.D. (and Section 8, if applicable) insurance regulations, related administrative requirements, the F.H.A. Loan Documents, applicable G.N.M.A. regulations and related G.N.M.A. requirements.

(e) This Agreement and the restrictions hereunder are subject and subordinate to the lien and security interest granted by the Mortgage. In the event of foreclosure or transfer of title by deed in lieu of foreclosure, this Agreement and the restrictions hereunder shall automatically and immediately terminate and shall thereafter be of no further force and effect.

(f) Any funds held by the Lender for or on behalf of the Borrower under the contract of mortgage insurance with F.H.A. shall be maintained separate and apart from the funds established and held by the Trustee for the owners of the Bonds and the various escrows and funds, if any, under the Indenture.

(g) This Agreement may not be amended without the prior written approval of H.U.D.

(h) The provisions of this Agreement shall inure to the benefit of H.U.D., its successors and assigns.

(i) In consideration of H.U.D.'s agreeing to insure the Mortgage Loan, and in reliance by H.U.D. upon the promises of the Borrower, the Trustee and the Issuer to comply with this Agreement, H.U.D. has reserved the right to require the Issuer

and the Trustee to remove or void the restrictions found in this Agreement (to the extent and only to the extent that these restrictions exceed those required by the Internal Revenue Code, as amended) upon a determination by H.U.D. that the restrictions are threatening the financial viability of the Development (i.e., impairing the Borrower's ability to sustain a level of income sufficient to meet all financial obligations of the Development (as defined in this Agreement and the F.H.A.. Loan Documents)), including the debt service costs, H.U.D.-required escrows and operation expenses with respect to the Development. In the absence of the Issuer's and the Trustee's compliance with H.U.D.'s request that it remove or void restrictions, the Issuer and the Trustee expressly recognize the power of H.U.D. to take the appropriate action to unilaterally remove or void these restrictions, and agrees that H.U.D. shall not have to look any further than this Agreement for the power to remove or void said restrictions.

In Witness Whereof, The Trustee, the Borrower and the Issuer have each caused this Regulatory Agreement and Declaration of Restrictive Covenants to be duly executed and attested in their respective names by their duly authorized representatives, all as of the day and year first above written.

SECTION 6. This ordinance shall be effective as of the date of its passage.

Exhibits "A" and "B" referred to in this ordinance read as follows:

Exhibit "A".

Program Rules.

City Of Chicago
Department Of Planning And Development
Facade Rebate Program Rules.

The City of Chicago's Commercial Facade Rebate Program (the "Program") reimburses eligible building owners and tenants for investments, as described below, that result in a publicly visible and permanent improvement to their commercial or industrial facility and also have the purpose of preserving building stock, improving neighborhood appearance or economic value, and will enable businesses to stay in the neighborhood, remain competitive, or even expand within their communities.

Funding.

- Grants only, in the form of reimbursement.
- A Commercial applicant with a project located in a T.I.F. area is eligible for a rebate of up to seventy-five percent (75%) of the approved project costs, up to a maximum of Forty Thousand Dollars (\$40,000).
- An Industrial applicant with a project located in a T.I.F. area is eligible for a rebate of up to fifty percent (50%), up to a maximum of Forty Thousand Dollars (\$40,000).
- Commercial or Industrial applicants with projects that are not located in T.I.F. areas are eligible for a rebate of up to thirty percent (30%), up to a maximum of Twenty-four Thousand Dollars (\$24,000).

Eligible Applicants.

- A Commercial or Industrial property owner or tenant (with owner consent), whose business is not located in a Small Business Improvement Fund area at the time of the submission of the application.

- Businesses which are not eligible include, but may not be limited to: free-standing auto-related businesses, franchise restaurants; chain businesses; branch banks; employment agencies; currency exchanges, pay day loan stores; pawn shops; astrology, palm-reading; liquor stores, bars; adult bookstores, massage parlors; hotels or motels; track waging facilities; trailer-storage yards; and junk yards, or any uses similar to those listed as determined in the discretion of D.P.D.
- Applicants with projects with a total budget exceeding Five Hundred Thousand Dollars (\$500,000) are ineligible to participate.
- A Commercial applicant is a property owner that has an ownership interest in a commercial business, located on the property to be improved, with a maximum average annual sales of One Million Five Hundred Thousand Dollars (\$1,500,000) for the past three (3) years, or a business plan for a new business showing the same level of projected maximum average annual sales for three (3) years (the "Annual Sales Requirement"). Property owners that would otherwise be evaluated for eligibility under the Annual Sales Requirement under this paragraph, but lease any part of the property to one or more entities in which they do not have an ownership interest are to be evaluated for eligibility under the Net Worth Requirement (defined below).
- An Industrial applicant is a business currently employing a maximum of one hundred (100) full-time equivalent employees or a property owner of an industrial business currently employing a maximum of one hundred (100) full-time employees. Property owners that would otherwise be evaluated for eligibility under this paragraph, but lease any part of the property to one or more entities in which they do not have an ownership interest are to be evaluated for eligibility under the Net Worth Requirement (defined below).
- Property owners or ownership entities who apply for Program funds and who lease space to eligible commercial or industrial tenants must conform to a maximum total net worth and liquidity of no more than Four Million Dollars (\$4,000,000), and a maximum total liquidity of no more than Three Hundred Thousand Dollars (\$300,000) referred to hereafter as the "Net Worth Requirement."
- Tenants who apply for Program funds must meet the Annual Sales Requirement, have a leasehold interest in the property they would like to improve pursuant to a lease agreement with the property owner and have express prior property owner approval to make specific improvements. The property owner's eligibility will not be a requirement for the Tenant's eligibility.

- Because the program is principally aimed at small businesses, applicants with commercial businesses with an average annual sales over One Million Five Hundred Thousand Dollars (\$1,500,000) for the past three (3) years and applicants with industrial businesses with more than one hundred (100) employees are ineligible to participate.
- Commercial applicants may reapply to the Program five (5) years from the date on which they receive final payment for any immediately preceding Program grant, provided they have met D.P.D.'s guidelines and procedures regarding reapplication. Industrial applicants may reapply to the Program ten (10) years from the date on which they receive final payment for any immediately preceding Program grant, provided they have met D.P.D.'s guidelines and procedures regarding reapplication. Priority for Program funds will be given to Eligible Applicants that have not previously received Program funds.

Eligible Costs.

Any eligible improvement which permits a building owner to attract new commercial or industrial tenants, allows an eligible business owner to maintain or expand operations, or contributes to the improved appearance and viability of a property. This includes, but is not limited to, rehabilitation, remodeling, or renovation of items such as:

- facade;
- masonry repairs and tuck-pointing;
- storefront windows, display area, windows and doors;
- signs and graphics, awnings, exterior lighting.

For projects located in T.I.F. areas, only projects which conform with the uses and goals defined in the governing Redevelopment Plan for the relevant T.I.F. district will be accepted for funding.

The following items that are not eligible for reimbursement, include but are not limited to the following and therefore will not be counted toward total project cost:

- work to a roof, rear facade, or alley facade, or work to a secondary facade not plainly visible from a main commercial thoroughfare;
- new construction and additions;

- work that involves principally routine maintenance such as painting or cleaning;
- work to buildings less than five (5) years old for commercial projects or buildings less than ten (10) years old for industrial projects;
- billboards; landscaping and paving;
- work that disturbs painted surfaces on a residential portion of the building.

Design Requirements For Facade Work.

In order to receive funding, projects must conform to minimum design requirements. In addition, projects will be encouraged to meet design goals and guidelines. Applicants are strongly advised to consult with D.P.D. staff on design requirements and guidelines before drawing up plans for work. Work which is potentially damaging to the building, such as use of incorrect tuck-pointing materials, will not be reimbursed. Plans must be submitted for design approval prior to beginning construction, or the project will be automatically disqualified.

Compliance.

- Checks will be performed on all applicants prior to funding to insure that they are not indebted to the City and that they are in compliance with child support laws.
- Each applicant will sign an Economic Disclosure Affidavit.
- Grantees will be required to sign an affidavit certifying that they will not relocate out of the T.I.F. district or sell the business within a three (3) year period following disbursement of funds under the Program. This will be monitored.
- Upon completion of the project, fifty percent (50%) of the ground-floor leasable commercial space or seventy percent (70%) of the leasable industrial space must have leasing commitments of at least one (1) year.

Time Limits.

- Projects must be completed within the timetable outlined in the Program booklet to be eligible for a rebate. Extensions may be granted on a case-by-case basis based on demonstrated progress towards completion.

The registered owner(s) of the Note shall not have the right to compel any exercise of the taxing power of the City, the State of Illinois or any political subdivision thereof to pay the principal of or interest on the Note.

SECTION 14. Available Site G, Site H1 and Site I Project-Generated Incremental Taxes may be invested as allowed under Section 2-32-520 of the Municipal Code of the City of Chicago. SECTION 18. If any provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such provision shall not affect any of the other provisions of this ordinance.
