(m) neither the Developer nor any affiliate of the Developer is listed on any of the following lists maintained by the Office of Foreign Assets Control of the United State Department of the Treasury, the Bureau of Industry and Security of the United States Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. For purposes of this subparagraph (m) only, the term "affiliate," when used to indicate a relationship with a specified person or entity, means a person or entity that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with such specified person or entity, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

8.02 Covenant To Redevelop.

Upon D.P.D.'s approval of the Project Budget, the Scope Drawings and Plans and Specifications as provided in Sections 3.02 and 3.03 hereof, and the Developer's

receipt of all required building permits and governmental approvals, the Developer shall complete the Project in accordance with this Agreement and all exhibits attached hereto, the T.I.F. Ordinances, the T.I.F. Bond Ordinance, the Scope Drawings, Plans and Specifications, Project Budget and all amendments thereto, and all federal, state and local laws, ordinances, rules, regulations, executive orders and codes applicable to the Project, the Property and/or the Developer. The covenants set forth in this section shall run with the land and be binding upon any transferee, but shall be deemed satisfied upon issuance by the City of the Certificate with respect thereto.

In addition, the Developer shall, not later than twelve (12) months after the Closing Date, make the completed C.H.A. Units available for sale to the City or to a party to be designated by the City (e.g., the C.H.A.) and, once such availability occurs, the Developer shall, upon request by the City, convey or cause to be conveyed to the City or to the party designated by the City the twelve (12) units comprising the completed C.H.A. Units.

8.03 Redevelopment Plan.

The Developer represents that the Project is and shall be in compliance with all of the terms of the Redevelopment Plan.

8.04 Use of City Funds.

City Funds disbursed to the Developer shall be used by the Developer solely to pay for (or to reimburse the Developer for its payment for) the T.I.F.-Eligible Improvements as provided in this Agreement.

8.05 Other Bonds

The Developer shall, at the request of the City, agree to any reasonable amendments to this Agreement that are necessary or desirable in order for the City to issue (in its sole discretion) any additional bonds in connection with either of the Near North Redevelopment Area, the proceeds of which may be used to reimburse the City for expenditures made in connection with, or provide a source of funds for the payment for, the TIF-Eligible Improvements (the "Other Bonds"); provided, however, that any such amendments shall not have a material adverse effect on the Developer or the Project. The Developer shall, at the Developer's expense, cooperate and provide reasonable assistance in connection with the marketing of any such Other Bonds, including but not limited to providing written descriptions of the Project, making representations, providing information regarding its financial condition and assisting the City in preparing an offering statement with respect thereto.

8.06 Job Creation And Retention; Covenant To Remain In The City.

[Not applicable]

8.07 Employment Opportunity; Progress Reports.

The Developer covenants and agrees to abide by, and contractually obligate and use reasonable efforts to cause the General Contractor and each subcontractor to abide by the terms set forth in Section 10 hereof. The Developer shall deliver to the City written progress reports detailing compliance with the requirements of Sections 8.09, 10.02 and 10.03 of this Agreement. Such reports shall be delivered to the City when the Project is one hundred percent (100%) completed (based on the amount of expenditures incurred in relation to the Project Budget). If any such reports indicate a shortfall in compliance, the Developer shall also deliver a plan to D.P.D. which shall outline, to D.P.D.'s satisfaction, the manner in which the Developer shall correct any shortfall.

8.08 Employment Profile.

The Developer shall submit, and contractually obligate and cause the General Contractor or any subcontractor to submit, to D.P.D., from time to time, statements of its employment profile upon D.P.D.'s request.

8.09 Prevailing Wage.

If applicable pursuant to Illinois law, the parties agree that prevailing wages (820 ILCS 130/1, et seq.) apply to the Project.

8.10 Arms-Length Transactions.

Unless D.P.D. has given its prior written consent with respect thereto, no Affiliate of the Developer may receive any portion of City Funds, directly or indirectly, in payment for work done, services provided or materials supplied in connection with any T.I.F.-Eligible Improvement. The Developer shall provide information with respect to any entity to receive City Funds directly or indirectly (whether through payment to the Affiliate by the Developer and reimbursement to the Developer for such costs using City Funds, or otherwise), upon D.P.D.'s request, prior to any such disbursement. Notwithstanding the foregoing, the City hereby consents to the following Affiliates of the Developer receiving a portion of City Funds: (i) The RJ Group, Ltd.; (ii) LaRon Construction Company; (iii) EDC Development, L.L.C.; and (iv) member entities of Kingsbury Larrabee, L.L.C.

8.11 Conflict Of Interest.

Pursuant to Section 5/11-74.4-4(n) of the Act, the Developer represents, warrants and covenants that, to the best of its knowledge, no member, official or employee of the City, or of any commission or committee exercising authority over the Project, the Redevelopment Area or the Redevelopment Plan, or any consultant hired by the City or the Developer with respect thereto, owns or controls, has owned or controlled or will own or control any interest, and no such person shall represent any person, as agent or otherwise, who owns or controls, has owned or controlled, or will own or control any interest, direct or indirect, in the Developer's business, the Property or any other property in the Redevelopment Area.

8.12 Disclosure Of Interest.

The Developer's counsel has no direct or indirect financial ownership interest in the Developer, the Property or any other aspect of the Project.

8.13 Financial Statements.

The Developer shall obtain and provide to D.P.D. Financial Statements for the Developer's fiscal year ended 2005 and each fiscal year thereafter for the Term of the Agreement or until the entirety of the Project has been sold to one or more residential buyers acceptable to the City, whichever is earlier. In addition, the Developer shall submit unaudited financial statements as soon as reasonably practical following the close of each fiscal year and for such other periods as D.P.D. may request.

8.14 Insurance.

The Developer, at its own expense, shall comply with all provisions of Section 12 hereof.

8.15 Non-Governmental Charges.

(a) Payment Of Non-Governmental Charges. Until the entirety of the Project has been sold to one or more residential buyers, except for the Permitted Liens, the Developer agrees to pay or cause to be paid when due any Non-Governmental Charge assessed or imposed upon the Project, the Property or any fixtures that are or may become attached thereto, which creates, may create, or appears to create a lien upon all or any portion of the Property or Project; provided however, that if such Non-Governmental Charge may be paid in installments, the Developer may pay the same together with any accrued interest thereon in installments as they become due and before any fine, penalty, interest, or cost may be added thereto for nonpayment.

The Developer shall furnish to D.P.D., within thirty (30) days of D.P.D.'s request, official receipts from the appropriate entity, or other proof satisfactory to D.P.D., evidencing payment of the Non-Governmental Charge in question.

(b) Right To Contest. The Developer has the right, before any delinquency occurs:

(i) to contest or object in good faith to the amount or validity of any Non-Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted, in such manner as shall stay the collection of the contested Non-Governmental Charge, prevent the imposition of a lien or remove such lien, or prevent the sale or forfeiture of the Property (so long as no such contest or objection shall be deemed or construed to relieve, modify or extend the Developer's covenants to pay any such Non-Governmental Charge at the time and in the manner provided in this Section 8.15); or

(ii) at D.P.D.'s sole option, to furnish a good and sufficient bond or other security satisfactory to D.P.D. in such form and amounts as D.P.D. shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property or any portion thereof or any fixtures that are or may be attached thereto, during the pendency of such contest, adequate to pay fully any such contested Non-Governmental Charge and all interest and penalties upon the adverse determination of such contest.

8.16 Developer's Liabilities.

The Developer shall not enter into any transaction that would materially and adversely affect its ability to perform its obligations hereunder or to repay any material liabilities or perform any material obligations of the Developer to any other person or entity. The Developer shall immediately notify D.P.D. of any and all events or actions which may materially affect the Developer's ability to carry on its business operations or perform its obligations under this Agreement or any other documents and agreements.

8.17 Compliance With Laws.

To the best of the Developer's knowledge, after diligent inquiry, the Property and the Project are and shall be in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, executive orders and codes pertaining to or affecting the Project and the Property. Upon the City's request, the Developer shall provide evidence satisfactory to the City of such compliance.

8.18 Recording And Filing.

The Developer shall cause this Agreement, certain exhibits (as specified by Corporation Counsel), all amendments and supplements hereto to be recorded and

filed against the Property on the date hereof in the conveyance and real property records of the county in which the Project is located. This Agreement shall be recorded prior to any mortgage made in connection with Lender Financing or, if one or more such mortgages exist, then a Subordination Agreement, in a form acceptable to the City such as the form set forth in (Sub)Exhibit O hereto, shall be executed on or prior to the Closing Date and recorded, at the expense of the Developer, with the Office of the Recorder of Deeds of Cook County. Upon recording, the Developer shall immediately transmit to the City an executed original of this Agreement showing the date and recording number of record.

8.19 Real Estate Provisions.

(a) Governmental Charges.

(i) Payment Of Governmental Charges. Until the entirety of the Project has been sold to one or more residential buyers, the Developer agrees to pay or cause to be paid when due all Governmental Charges (as defined below) which are assessed or imposed upon the Developer, the Property or the Project, or become due and payable, and which create, may create, or appear to create a lien upon the Developer or all or any portion of the Property or the Project. "Governmental Charge" shall mean all federal, State, county, the City, or other governmental (or any instrumentality, division, agency, body, or department thereof) taxes, levies, assessments, charges, liens, claims or encumbrances (except for those assessed by foreign nations, states other than the State of Illinois, counties of the State other than Cook County, and municipalities other than the City) relating to the Developer, the Property or the Project including but not limited to real estate taxes.

(ii) Right To Contest. The Developer has the right before any delinquency occurs to contest or object in good faith to the amount or validity of any Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted in such manner as shall stay the collection of the contested Governmental Charge and prevent the imposition of a lien or the sale or forfeiture of the Property. No such contest or objection shall be deemed or construed in any way as relieving, modifying or extending the Developer's covenants to pay any such Governmental Charge at the time and in the manner provided in this Agreement unless the Developer has given prior written notice to D.P.D. of the Developer's intent to contest or object to a Governmental Charge and, unless, at D.P.D.'s sole option,

(i) the Developer shall demonstrate to D.P.D.'s satisfaction that legal proceedings instituted by the Developer contesting or objecting to a Governmental Charge shall conclusively operate to prevent or remove a lien against, or the sale or forfeiture of, all or any part of the Property to satisfy such Governmental Charge prior to final determination of such proceedings; and/or

(ii) the Developer shall furnish a good and sufficient bond or other security satisfactory to D.P.D. in such form and amounts as D.P.D. shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property during the pendency of such contest, adequate to pay fully any such contested Governmental Charge and all interest and penalties upon the adverse determination of such contest.

(b) Developer's Failure To Pay Or Discharge Lien. If the Developer fails to pay any Governmental Charge or to obtain discharge of the same, the Developer shall advise D.P.D. thereof in writing, at which time D.P.D. may, but shall not be obligated to, and without waiving or releasing any obligation or liability of the Developer under this Agreement, in D.P.D.'s sole discretion, make such payment, or any part thereof, or obtain such discharge and take any other action with respect thereto which D.P.D. deems advisable. All sums so paid by D.P.D., if any, and any expenses, if any, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, shall be promptly disbursed to D.P.D. by the Developer. Notwithstanding anything contained herein to the contrary, this paragraph shall not be construed to obligate the city to pay any such Governmental Charge. Additionally, if the Developer fails to pay any Governmental Charge, the City, in its sole discretion, may require the Developer to submit to the City audited Financial Statements at the Developer's own expense.

8.20 Adaptable Housing.

Approximately twenty percent (20%) of the C.H.A. Units will be adaptable, all of which can be made fully accessible to accommodate people with disabilities. All affordability and adaptability requirements set forth above will be maintained for the entire Term of this Agreement.

8.21 Affordable Housing Covenant.

(a) The Developer agrees and covenants to the City that it shall meet the intent and purpose of the City's Affordable Housing Ordinance, Section 2-44-090 of the Municipal Code of Chicago, by undertaking the following:

(i) eleven (11) of the Project's dwelling units (which, along with the twelve (12) C.H.A. Units, total greater than twenty percent (20%) of the dwelling units comprising the Project) will be or have been sold by Developer at initial base purchase prices not greater than those shown in the table below (which prices have already been approved by the City's Department of Housing) to buyers whose annual income does not exceed one hundred percent (100%) of the median income of the correspondingly-sized household in the City as determined from time to time by the City's Department of Housing ("Affordable Units"):

Number Of Units	Unit Configuration	Affordable Initial Sale Price
3	1 bedroom, 1 bath; 909 square feet; 2 nd floor; 1 parking space	\$138,300
3	1 bedroom; 1 bath; 909 square feet; 3 rd floor; 1 parking space	\$137,500
3	1 bedroom; 1 bath; 909 square feet; 4 th floor; 1 parking space	\$136,800
2	1 bedroom; 1 bath; 909 square feet; 4 th and 5 th floors; 1 parking space	\$135,900

[above prices subject to adjustment prior to Closing Date
if the H.U.D. A.M.I. guideline for the area changes]

(ii) it will ensure that a recapture mortgage running in favor of the City, which instrument includes verbatim the text set forth in the model recapture mortgage form set forth in (Sub)Exhibit E hereto, is recorded in the Office of the Cook County Recorder of Deeds against each Affordable Unit at the time of the Developer's initial sale of each such unit; and

(iii) it will ensure that a photocopy of each of the eleven (11) recorded recapture mortgages is provided to D.P.D. promptly upon the closing of each initial sale of each Affordable Unit.

(b) The covenants set forth in this Section 8.21 shall run with the land and be binding upon any transferee.

(c) The Developer acknowledges and agrees that any default under this Section 8.21, in addition to triggering an Event of Default under this Agreement, may also be an event of default under the City's Affordable Housing Ordinance, Section 2-44-090 of the Municipal Code of Chicago, and may result in the City's assessment of Affordable Housing Opportunity Fund fees (as defined in that ordinance) of One Hundred Thousand Dollars (\$100,000) per Affordable Unit not completed as set forth herein.

8.22 Public Benefits Program.

The Developer shall, prior to the issuance of the Certificate, undertake and complete the public benefits program described on (Sub)Exhibit N hereto. On a semi-annual

basis commencing the half-year following the Closing Date and running through the issuance of the Certificate, the Developer shall provide the City a status report describing in detail the Developer's progress on the public benefits program.

8.23 Survival Of Covenants.

All warranties, representations, covenants and agreements of the Developer contained in this Section 8 and elsewhere in this Agreement shall be true, accurate and complete at the time of the Developer's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and (except as provided in Section 7 hereof upon the issuance of a Certificate) shall be in effect throughout the Term of the Agreement.

Section 9.

Covenants/Representations/Warranties Of City.

9.01 General Covenants.

The City represents that it has the authority as a home rule unit of local government to execute and deliver this Agreement and to perform its obligations hereunder.

9.02 Survival Of Covenants.

All warranties, representations, and covenants of the City contained in this Section 9 or elsewhere in this Agreement shall be true, accurate, and complete at the time of the City's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and be in effect throughout the Term of the Agreement.

Section 10.

Developer's Employment Obligations.

10.01 Employment Opportunity.

The Developer, on behalf of itself and its successors and assigns, hereby agrees, and shall contractually obligate its or their various contractors, subcontractors or any

Affiliate of the Developer operating on the Property (collectively, with the Developer, the "Employers" and individually an "Employer") to agree, that for the Term of this Agreement with respect to Developer and during the period of any other party's provision of services in connection with the construction of the Project or occupation of the Property:

(a) No Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Chapter 2-160, Section 2-160-010, et seq., Municipal Code, except as otherwise provided by said ordinance and as amended from time to time (the "Human Rights Ordinance"). Each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a nondiscriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

(b) To the greatest extent feasible, each Employer is required to present opportunities for training and employment of low- and moderate-income residents of the City and preferably of the Redevelopment Area; and to provide that contracts for work in connection with the construction of the Project be awarded to business concerns that are located in, or owned in substantial part by persons residing in, the City and preferably in the Redevelopment Area.

(c) Each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the City's Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101, et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

(d) Each Employer, in order to demonstrate compliance with the terms of this section, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) Each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any Affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or Affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 10.01 shall be a basis for the City to pursue remedies under the provisions of Section 15.02 hereof.

10.02 City Resident Construction Worker Employment Requirement.

The Developer agrees for itself and its successors and assigns, and shall contractually obligate its General Contractor and shall cause the General Contractor to contractually obligate its subcontractors, as applicable, to agree, that during the construction of the Project they shall comply with the minimum percentage of total worker hours performed by actual residents of the City as specified in Section 2-92-330 of the Municipal Code of Chicago (at least fifty percent (50%) of the total worker hours worked by persons on the site of the Project shall be performed by actual residents of the City); provided, however, that in addition to complying with this percentage, the Developer, its General Contractor and each subcontractor shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

The Developer may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the Chief Procurement Officer of the City.

“Actual residents of the City” shall mean persons domiciled within the City. The domicile is an individual’s one and only true, fixed and permanent home and principal establishment.

The Developer, the General Contractor and each subcontractor shall provide for the maintenance of adequate employee residency records to show that actual Chicago residents are employed on the Project. Each Employer shall maintain copies of personal documents supportive of every Chicago employee’s actual record of residence.

Weekly certified payroll reports (United States Department of Labor Form WH-347 or equivalent) shall be submitted to the Commissioner of D.P.D. in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee’s name appears on a payroll, the date that the Employer hired the employee should be written in after the employee’s name.

The Developer, the General Contractor and each subcontractor shall provide full access to their employment records to the Chief Procurement Officer, the Commissioner of D.P.D., the Superintendent of the Chicago Police Department, the Inspector General or any duly authorized representative of any of them. The Developer, the General Contractor and each subcontractor shall maintain all relevant personnel data and records for a period of at least three (3) years after final acceptance of the work constituting the Project.

At the direction of D.P.D., affidavits and other supporting documentation will be required of the Developer, the General Contractor and each subcontractor to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

Good faith efforts on the part of the Developer, the General Contractor and each subcontractor to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) shall not suffice to replace the actual, verified achievement of the requirements of this section concerning the worker hours performed by actual Chicago residents.

When work at the Project is completed, in the event that the City has determined that the Developer has failed to ensure the fulfillment of the requirement of this section concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this section. Therefore, in such a case of noncompliance, it is agreed that one-twentieth of one percent (0.0005) of the aggregate hard construction costs set forth in the Project budget (the product of .0005 x such aggregate hard construction costs) (as the same shall be evidenced by approved contract value for the actual contracts) shall be surrendered by the Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer, the General Contractor and/or the subcontractors to prosecution. Any retainage to cover contract performance that may become due to the Developer pursuant to Section 2-92-250 of the Municipal Code of Chicago may be withheld by the City pending the Chief Procurement Officer's determination as to whether the Developer must surrender damages as provided in this paragraph.

Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246", or other affirmative action required for equal opportunity under the provisions of this Agreement or related documents.

The Developer shall cause or require the provisions of this Section 10.02 to be included in all construction contracts and subcontracts related to the Project.

10.03 M.B.E./W.B.E. Commitment.

The Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the General Contractor to agree that during the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420, et seq., Municipal Code of Chicago (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650, et seq., Municipal Code of Chicago (the "Construction Program", and collectively with the Procurement Program, the "M.B.E./W.B.E. Program"), and in reliance upon the provisions of the M.B.E./W.B.E. Program to the extent contained in, and as qualified by, the provisions of this Section 10.03, during the course of the Project, at least the following percentages of the M.B.E./W.B.E. Budget (as set forth in (Sub)Exhibit H-2 hereto) shall be expended for contract participation by M.B.E.s and by W.B.E.s:

(1) At least twenty-four percent (24%) by M.B.E.s.

(2) At least four percent (4%) by W.B.E.s.

(b) For purposes of this Section 10.03 only, the Developer (and any party to whom a contract is let by the Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by the Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code of Chicago, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code of Chicago, the Developer's M.B.E./W.B.E. commitment may be achieved in part by the Developer's status as an M.B.E. or W.B.E. (but only to the extent of any actual work performed on the Project by the Developer) or by a joint venture with one or more M.B.E.s or W.B.E.s (but only to the extent of the lesser of (i) the M.B.E. or W.B.E. participation in such joint venture or (ii) the amount of any actual work performed on the Project by the M.B.E. or W.B.E.), by the Developer utilizing a M.B.E. or a W.B.E. as the General Contractor (but only to the extent of any actual work performed on the Project by the General Contractor), by subcontracting or causing the General Contractor to subcontract a portion of the Project to one or more M.B.E.s or W.B.E.s, or by the purchase of materials or services used in the Project from one or more M.B.E.s or W.B.E.s, or by any combination of the foregoing. Those entities which constitute both a M.B.E. and a W.B.E. shall not be credited more than once with regard to the Developer's M.B.E./W.B.E. commitment as described in this Section 10.03. In accordance with Section 2-92-730, Municipal Code of Chicago, the Developer shall not substitute any M.B.E. or W.B.E. General Contractor or subcontractor without the prior written approval of D.P.D.

(d) The Developer shall deliver quarterly reports to the City's monitoring staff during the Project describing its efforts to achieve compliance with this M.B.E./W.B.E. commitment. Such reports shall include, inter alia, the name and business address of each M.B.E. and W.B.E. solicited by the Developer or the General Contractor to work on the Project, and the responses received from such solicitation, the name and business address of each M.B.E. or W.B.E. actually involved in the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining the Developer's compliance with this M.B.E./W.B.E. commitment. The Developer shall maintain records of all relevant data with respect to the utilization of M.B.E.s and W.B.E.s in connection with the Project for at least five (5) years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by the Developer, on five (5) business days notice, to allow the City to review the Developer's compliance with its commitment to M.B.E./W.B.E. participation and the status of any M.B.E. or W.B.E. performing any portion of the Project.

(e) Upon the disqualification of any M.B.E. or W.B.E. General Contractor or subcontractor, if such status was misrepresented by the disqualified party, the Developer shall be obligated to discharge or cause to be discharged the disqualified General Contractor or subcontractor, and, if possible, identify and engage a qualified M.B.E. or W.B.E. as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code of Chicago, as applicable.

(f) Any reduction or waiver of the Developer's M.B.E./W.B.E. commitment as described in this Section 10.03 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code of Chicago, as applicable.

(g) Prior to the commencement of the Project, the Developer shall be required to meet with the City's monitoring staff with regard to the Developer's compliance with its obligations under this Section 10.03. The General Contractor and all major subcontractors shall be required to attend this pre-construction meeting. During said meeting, the Developer shall demonstrate to the City's monitoring staff its plan to achieve its obligations under this Section 10.03, the sufficiency of which shall be approved by the City's monitoring staff. During the Project, the Developer shall submit the documentation required by this Section 10.03 to the City's monitoring staff, including the following: (i) subcontractor's activity report; (ii) contractor's certification concerning labor standards and prevailing wage requirements; (iii) contractor letter of understanding; (iv) monthly utilization report; (v) authorization for payroll agent; (vi) certified payroll; (vii) evidence that M.B.E./W.B.E. contractor associations have been informed of the Project via written notice and hearings; and (viii) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that the Developer is not complying with its obligations under this Section 10.03, shall, upon the delivery of

written notice to the Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (1) withhold any further payment of any City Funds to the Developer or the General Contractor, or (2) seek any other remedies against the Developer available at law or in equity.

Section 11.

Environmental Matters.

The Developer hereby represents and warrants to the City that the Developer has conducted environmental studies sufficient to conclude that the Project may be constructed, completed and operated in accordance with all Environmental Laws and this Agreement and all exhibits attached hereto, the Scope Drawings, Plans and Specifications and all amendments thereto, and the Redevelopment Plan.

The Developer must submit evidence of insurance on the City of Chicago Insurance Certificate Form (copy attached) or equivalent prior to closing. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from Developer is not a waiver by the City of any requirements for the Developer to obtain and maintain the specified coverages. The Developer shall advise all insurers of the Agreement provisions regarding insurance. Nonconforming insurance does not relieve Developer of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to stop work and/or terminate agreement until proper evidence of insurance is provided.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

The City of Chicago Risk Management Department maintains the right to modify, delete, alter or change these requirements.

Section 13.

(i) the Developer's failure to comply with any of the terms, covenants and conditions contained within this Agreement; or

(ii) the Developer's or any contractor's failure to pay General Contractors, subcontractors or materialmen in connection with the T.I.F.-Eligible Improvements or any other Project improvement; or

provided, however, that Developer shall have no obligation to an Indemnitee arising from the wanton or willful misconduct of that Indemnitee. To the extent that the preceding sentence maybe unenforceable because it is violative of any law or public policy, Developer shall contribute the maximum portion that it is permitted to pay and satisfy under the applicable law, to the payment and satisfaction of all indemnified liabilities incurred by the Indemnitees or any of them. The provisions of the undertakings and indemnification set out in this Section 13.01 shall survive the termination of this Agreement.

(b) the failure of the Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Developer under any other agreement with any person or entity if such failure may have a material adverse effect on the Developer's business, property, assets, operations or condition, financial or otherwise;

(c) the making or furnishing by the Developer to the City of any representation, warranty, certificate, schedule, report or other communication within or in connection with this Agreement or any related agreement which is untrue or misleading in any material respect;

(e) the commencement of any proceedings in bankruptcy by or against the Developer or for the liquidation or reorganization of the Developer, or alleging that the Developer is insolvent or unable to pay its debts as they mature, or for the readjustment or arrangement of the Developer's debts, whether under the United States Bankruptcy Code or under any other state or federal law, now or hereafter

existing for the relief of debtors, or the commencement of any analogous statutory or non-statutory proceedings involving the Developer; provided, however, that if such commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such proceedings are not dismissed within sixty (60) days after the commencement of such proceedings;

(f) the appointment of a receiver or trustee for the Developer, for any substantial part of the Developer's assets or the institution of any proceedings for the dissolution, or the full or partial liquidation, or the merger or consolidation, of the Developer; provided, however, that if such appointment or commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such appointment is not revoked or such proceedings are not dismissed within sixty (60) days after the commencement thereof;

(g) the entry of any judgment or order against the Developer which remains unsatisfied or undischarged and in effect for sixty (60) days after such entry without a stay of enforcement or execution;

(k) prior to the issuance of the Certificate, the sale or transfer of any of the ownership interests of the Developer without the prior written consent of the City.

For purposes of Sections 15.01(i) and 15.01(j) hereof, a person with a material interest in the Developer shall be one owning in excess of ten percent (10%) of the Developer's membership interests.

15.02 Remedies.

Upon the occurrence of an Event of Default, the City may terminate this Agreement and all related agreements, and may suspend disbursement of City Funds or suspend any increase in the principal amount of the City Note otherwise

due. The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to injunctive relief or the specific performance of the agreements contained herein.

15.03 Curative Period.

In the event the Developer shall fail to perform a monetary covenant which the Developer is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the Developer has failed to perform such monetary covenant within ten (10) days of its receipt of a written notice from the City specifying that it has failed to perform such monetary covenant. In the event the Developer shall fail to perform a non-monetary covenant which the Developer is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the Developer has failed to cure such default within thirty (30) days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those non-monetary defaults which are not capable of being cured within such thirty (30) day period, the Developer shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

Section 16.

Mortgaging Of The Project.

All mortgages or deeds of trust in place as of the date hereof with respect to the Property or any portion thereof are listed on (Sub)Exhibit G hereto (including but not limited to mortgages made prior to or on the date hereof in connection with Lender Financing) and are referred to herein as the "Existing Mortgages". Any mortgage or deed of trust that the Developer may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof is referred to herein as a "New Mortgage". Any New Mortgage that the Developer may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof with the prior written consent of the City is referred to herein as a "Permitted Mortgage". It is hereby agreed by and between the City and the Developer as follows:

(a) In the event that a mortgagee or any other party shall succeed to the Developer's interest in the Property or any portion thereof pursuant to the exercise

of remedies under a New Mortgage (other than a Permitted Mortgage), whether by foreclosure or deed in lieu of foreclosure and in conjunction therewith accepts an assignment of the Developer's interest hereunder in accordance with Section 18.15 hereof, the City may, but shall not be obligated to, attorn to and recognize such party as the successor in interest to the Developer for all purposes under this Agreement and, unless so recognized by the City as the successor in interest, such party shall be entitled to no rights or benefits under this Agreement, but such party shall be bound by those provisions of this Agreement that are covenants expressly running with the land.

(b) In the event that any mortgagee shall succeed to the Developer's interest in the Property or any portion thereof pursuant to the exercise of remedies under an Existing Mortgage or a Permitted Mortgage, whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of the Developer's interest hereunder in accordance with Section 18.15 hereof, the City hereby agrees to attorn to and recognize such party as the successor in interest to the Developer for all purposes under this Agreement so long as such party accepts all of the obligations and liabilities of "the Developer" hereunder; provided, however, that, notwithstanding any other provision of this Agreement to the contrary, it is understood and agreed that if such party accepts an assignment of the Developer's interest under this Agreement, such party has no liability under this Agreement for any Event of Default of the Developer which accrued prior to the time such party succeeded to the interest of the Developer under this Agreement, in which case the Developer shall be solely responsible. However, if such mortgagee under a Permitted Mortgage or an Existing Mortgage does not expressly accept an assignment of the Developer's interest hereunder, such party shall be entitled to no rights and benefits under this Agreement and such party shall be bound only by those provisions of this Agreement, if any, which are covenants expressly running with the land.

(c) Prior to the issuance by the City to the Developer of a Certificate pursuant to Section 7 hereof, no New Mortgage shall be executed with respect to the Property or any portion thereof without the prior written consent of the Commissioner of D.P.D.

(d) Notwithstanding the foregoing, any purchaser of a condominium unit or units in the Project may place a mortgage on such unit or units without the consent of the City.

without the prior written consent of the parties hereto; provided, however, that the City, in its sole discretion, may amend, modify or supplement (Sub)Exhibit D hereto without the consent of any party hereto. It is agreed that no material amendment or change to this Agreement shall be made or be effective unless ratified or authorized by an ordinance duly adopted by the City Council. The term "material" for the purpose of this Section 18.01 shall be defined as any deviation from the terms of the Agreement which operates to cancel or otherwise reduce any developmental, housing, construction or job-creating obligations of Developer (including those set forth in Sections 8.21, 10.02 and 10.03 hereof) by more than five percent (5%) or materially changes the Project site or character of the Project or any activities undertaken by Developer affecting the Project site, the Project, or both, or increases any time agreed for performance by the Developer by more than ninety (90) days.

Waiver by the City or the Developer with respect to any breach of this Agreement shall not be considered or treated as a waiver of the rights of the respective party with respect to any other default or with respect to any particular default, except to the extent specifically waived by the City or the Developer in writing. No delay or omission on the part of a party in exercising any right shall operate as a waiver

of such right or any other right unless pursuant to the specific terms hereof. A waiver by a party of a provision of this Agreement shall not prejudice or constitute a waiver of such party's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by a party, nor any course of dealing between the parties hereto, shall constitute a waiver of any such parties' rights or of any obligations of any other party hereto as to any future transactions.

18.06 Remedies Cumulative.

The remedies of a party hereunder are cumulative and the exercise of any one or more of the remedies provided for herein shall not be construed as a waiver of any other remedies of such party unless specifically so provided herein.

18.07 Disclaimer.

Nothing contained in this Agreement nor any act of the City shall be deemed or construed by any of the parties, or by any third person, to create or imply any relationship of third party beneficiary, principal or agent, limited or general partnership or joint venture, or to create or imply any association or relationship involving the City.

If any provision in this Agreement, or any paragraph, sentence, clause, phrase, word or the application thereof, in any circumstance, is held invalid, this Agreement shall be construed as if such invalid part were never included herein and the remainder of this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

18.11 Conflict.

In the event of a conflict between any provisions of this Agreement and the provisions of the T.I.F. Ordinances, such ordinance(s) shall prevail and control.

This Mortgage, Security and Recapture Agreement, including Residency, Transfer, Financing and Affordability Covenants (this "Mortgage") is made as of this ____ day of _____, 200__ from [Insert Name(s) and Describe Marital Status] [If Recipient Is One Person: (the "Mortgagor") [If Recipient Is More Than One Person: (collectively, jointly and severally referred to herein as the "Mortgagor"),] to the City of Chicago, an Illinois municipal corporation, acting by and through its Department of Planning and Development, and having its principal office at City Hall, 121 North LaSalle Street -- Room 1000, Chicago, Illinois 60602 (the "City" or "Mortgagee"). Capitalized terms not otherwise defined herein shall have the meaning set forth in Section 1.

Recitals.

A. The City Council of the City, by ordinance adopted April 9, 2003, adopted an Affordable Housing Ordinance (the "A.H.O."), codified at Chapter 2-44-090 of the Municipal Code of the City, which obligates the City to impose certain affordability and recapture requirements upon developers who undertake residential development projects that receive City assistance in the form of either the sale of City land at less than fair market value or in the form of financial assistance.

B. The City and Kingsbury Larrabee, L.L.C., a Delaware limited liability company ("Developer"), have executed that certain Kingsbury Larrabee, L.L.C. Redevelopment Agreement, dated _____, 2006 and recorded in the Office of the Recorder of Deeds of Cook County as Document Number _____ (the "Redevelopment Agreement"). Pursuant to the Redevelopment Agreement, the Developer has constructed River Village Pointe on the real property legally described on (Sub)Exhibit A (such real property, the "Property" and such project, the "Project"). As part of the Project, the Developer has constructed on the real property legally described on (Sub)Exhibit B attached hereto (the "Land") a single-family housing unit (the "Home").

C. Pursuant to the Redevelopment Agreement, the City provided a grant of City funds to the Developer in the amount not to exceed Four Million Nine Hundred Fifty Thousand Nine Hundred Seventy-two Dollars (\$4,950,972), to be paid to Developer from certain available incremental taxes and property tax bond proceeds, as described in more detail in the Redevelopment Agreement.

D. Pursuant to the A.H.O., the Developer acknowledges that it is required to sell the Mortgaged Property to Mortgagor for the Base Purchase Price, plus upgrades, subject to Mortgagor's execution of this Mortgage in favor of Mortgagee, which Mortgage secures the residency, transfer, financing and affordability covenants set forth in Section 3 of this Mortgage (such covenants, the "Affordability Covenants"), which covenants shall run with the Land and are intended to assure that the City achieves the affordable housing objectives of the A.H.O. and complies with the affordability and recapture provisions of the A.H.O.

E. The Affordability Covenants require that, among other things, with respect to the initial sale of the Mortgaged Property (in connection with which this Mortgage is being granted), and with respect to each resale of the Mortgaged Property during the Affordability Period (unless mortgagor is permitted and elects to repay to the City the Recapture Amount), such Mortgaged Property may only be sold to a Qualified Household for an Affordable Price.

F. Mortgagor has covenanted to Mortgagee herein that it is a Qualified Household and that the Base Purchase Price is an Affordable Price.

G. Mortgagor acknowledges and agrees that, as of the Purchase Date, the Base Purchase Price is less than the fair market price for the Mortgaged Property by an amount equal to the City Affordability Amount, as evidenced by contemporaneous or projected sales of comparable homes.

H. Mortgagor acknowledges and agrees that, but for the City's imposition of the Affordability Covenants, Mortgagor would have been unable to purchase the Mortgaged Property for an Affordable Price.

I. The City has required Mortgagor to execute this Mortgage in order to both (a) impose the Affordability Covenants upon the Mortgaged Property and give notice of the Affordability Covenants to Mortgagor, to any subsequent purchaser of the Mortgaged Property, and to any lender having a mortgage secured by the Mortgaged Property, and (b) to secure the payment of the Recapture Amount described in Section 4.02 hereof and Mortgagor's other obligations under this Mortgage.

J. In consideration of the benefits accruing to Mortgagor as a result of its purchase of the Mortgaged Property for an Affordable Price, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Mortgagor has executed and delivered to the City this Mortgage.

K. In addition to the Affordability Covenants arising in connection with the A.H.O., the Developer and the Mortgagor acknowledge that the City imposed additional affordability covenants on the Mortgaged Property (the "Eport Affordability Covenants") by and through that certain Eport 600, L.L.C., Eport 600 Riverwalk Owner, L.L.C., and Eport 600 Property Owner, L.L.C. Redevelopment Agreement (the "Eport Redevelopment Agreement") dated December 29, 2003 and recorded in the Office of the Recorder of Deeds of Cook County on December 31, 2003 as Document Number 0336518133. The parties hereto acknowledge that, for the first five (5) years of the Affordability Period, the Eport Affordability Covenants run concurrently with the Affordability Covenants and have the same household income, Mortgaged Property sale and Mortgaged Property resale requirements as do the Affordability Covenants. The parties further acknowledge that the Eport Affordability Covenants shall run with the Land and are intended to assure that the City achieves the affordable housing objectives of the Eport Redevelopment Agreement and complies with the affordability and recapture provisions of the Eport Redevelopment Agreement.

Now, Therefore, To secure the performance and observance by Mortgagor of all the terms, covenants and conditions described herein, and in order to charge the properties, interests and rights hereinafter described with such consideration, Mortgagor has executed and delivered this Mortgage and does hereby grant, convey, assign, mortgage, grant a security interest in, and confirm unto Mortgagee and its successors and assigns forever, all of Mortgagor's right, title and interest in the following described property (which is hereinafter sometimes referred to as "Mortgaged Property"):

(D) all rents and issues of the Land, Home and Improvements from time to time and all of the estate, right, title, interest, property, possession, claim and demand at law, as well as in equity of Mortgagor, in and to the same.

To Have And To Hold The Mortgaged Property and all parts thereof unto Mortgagee, its successors and assigns, to its own proper use, benefit and advantage forever, subject, however, to the terms, covenants and conditions herein;

Without Limitation of the foregoing, Mortgagor hereby further grants unto Mortgagee, pursuant to the provisions of the Uniform Commercial Code of the State of Illinois, a security interest in all of the above-described property, which are or are to become fixtures.

The City shall have the following remedies, depending on the nature and timing of the Event of Default:

(a) Recapture Defaults. If an Event of Default arising from a breach of one or more of the covenants set forth in (Sub)Exhibit C occurs (such a default, a "Recapture Default"), the City may seek specific enforcement of the Affordability Covenants and any other remedies available under this Mortgage. The City, in its sole discretion, and in lieu of its specific enforcement of the Affordability Covenants, may elect to require payment of the Recapture Amount in the event that the City determines that specific enforcement of the Affordability Covenants is impractical or inappropriate. If Mortgagor pays to the City the Recapture Amount pursuant to an election by the City to accept same, then the City shall have no other remedy with respect to such Event of Default and shall be obligated to execute and deliver a release of this Mortgage in recordable form and any subsequent transferee shall not be bound by any Affordability Covenants or otherwise required to execute and deliver any mortgage in favor of the City.

(b) Other Mortgage Defaults. If an Event of Default occurs that is not a Recapture Default, and such default involves a failure to make timely payment of any amount due and secured by this Mortgage or the Senior Mortgage and such failure is not cured within ten (10) days of the Mortgagee's delivery of written notice of such failure to Mortgagor (a "Monetary Event of Default"), then Mortgagee shall be entitled to immediately: (i) declare the Recapture Amount immediately due and payable (with such Monetary Event of Default date being also being deemed the Recapture Default date for purposes of computing such amount); and (ii) exercise any other remedies available under this Mortgage (including, without limitation, specific enforcement of the Affordability Covenants any time prior to the end of the Affordability Period of this Mortgage), in either instance without further notice or demand.

(c) If an Event of Default occurs by Mortgagor failing to perform any other non-monetary obligation required under this Mortgage that is not described in Section 4.02(a) or (b) and such failure is not cured within sixty (60) days of the Mortgagee's delivery of written notice of such failure to Mortgagor, Mortgagee shall

be entitled to immediately: (i) declare the Recapture Amount immediately due and payable (with such non-monetary Event of Default date being also being deemed the Recapture Default date for purposes of computing such amount); and (ii) exercise any other remedies available under this Mortgage (including, without limitation, specific enforcement of the Affordability Covenants any time prior to the end of the Affordability Period of this Mortgage), in either instance without further notice or demand. In the event such default cannot reasonably be cured within such sixty (60) day period, however, and if Mortgagor has commenced efforts to cure such default, then the time to cure shall be extended so long as said party diligently continues to cure such default.

(d) If an event of default occurs under the Senior Lender's security documents (after the giving of any applicable notice and lapse of any applicable cure period, if any) and the Senior Lender commences efforts to foreclose its mortgage (or obtain a deed-in-lieu-of-foreclosure), obtain appointment of a receiver for the Mortgaged Property, or obtain possession of the Mortgaged Property, such event of default shall (notwithstanding anything in this Section 4.02 to the contrary) constitute an immediate Event of Default under this Mortgage and the Mortgagee shall be entitled to immediately: (i) declare the Recapture Amount immediately due and payable (with such commencement date being also deemed the Recapture Default date for purposes of computing the Recapture Amount); and (ii) exercise any other remedies available under this Mortgage, in either instance without further notice or demand.

4.03 Other Remedies.

(a) If any amounts due under and secured by this Mortgage shall become due, whether by acceleration or otherwise, Mortgagee shall have the right to foreclose the lien hereof for such indebtedness or part thereof. This Mortgage and the right of foreclosure hereunder shall not be impaired or exhausted by any foreclosure of the Senior Mortgage, and may be foreclosed successively and in parts, until all of the Mortgaged Property has been foreclosed against. In any such foreclosure, or upon the enforcement of any other remedy of Mortgagee, there shall be allowed and included as additional indebtedness all expenditures and expenses which may be paid or incurred by or on behalf of Mortgagee for reasonable attorneys' fees, appraisers' fees, outlays for documentary and expert evidence, stenographers' charges, publication costs, and costs involved in title insurance and title examinations. All expenditures and expenses of the nature in this Section 4.03 mentioned, and such expenses and fees as may be incurred in the protection of the Mortgaged Property and the maintenance of the lien of this Mortgage, including the reasonable fees of any attorney employed by Mortgagee in any litigation or proceeding affecting this Mortgage, or the Mortgaged Property, including probate and bankruptcy proceedings, or in preparation for the commencement or defense of any proceeding or threatened suit or proceeding, shall be immediately due and payable by Mortgagor, with interest thereon at the lesser of the highest rate permitted by law or fifteen percent (15%) per annum, and shall be secured by this Mortgage. The proceeds of any foreclosure sale of the Mortgaged Property shall be

distributed and applied in the following order of priority: (i) on account of all costs and expenses incidental to the foreclosure proceedings, including all such items as are mentioned in this section; (ii) repayment of the indebtedness owed to the Senior Lender, subject to the limitation in Section 2.04; (iii) repayment of any other amounts due under this Mortgage; and (iv) payment of any remaining amounts due to Mortgagor, its successors or assigns, as their rights may appear.

(b) Mortgagor shall not and will not apply for or avail itself of any appraisement, valuation, stay, extension or exemption laws, or any so-called "Moratorium Laws", now existing or hereafter enacted, in order to prevent or hinder the enforcement or foreclosure of this Mortgage, but hereby waives the benefit of such laws. Mortgagor, for itself and all who may claim through or under it, waives any and all right to have the property and estates comprising the Mortgaged Property marshaled upon any foreclosure of the lien hereof, and agrees that any court having jurisdiction to foreclose such lien may order the Mortgaged Property sold as an entirety. To the extent permitted by law, Mortgagor hereby waives any and all rights of redemption from sale under any order or decree of foreclosure of this Mortgage on such Mortgagor's behalf and on behalf of each and every person, except decree or judgment creditors of Mortgagor, acquiring any interest in or title to the Mortgaged Property subsequent to the date of this Mortgage.

(c) Upon any other entering upon or taking of possession of the Mortgaged Property after the occurrence of an Event of Default and the expiration of the applicable cure period and other than by means of a foreclosure, Mortgagee, subject to the rights of the Senior Lender, may hold, use, manage and control the Mortgaged Property and, from time to time: (i) make all necessary and proper maintenance, repairs, renewals, replacements, additions, betterments and improvements thereto and thereon and purchase or otherwise acquire additional fixtures, personalty and other property required in connection therewith; (ii) insure or keep the Mortgaged Property insured; (iii) manage the Mortgaged Property and exercise all the rights and powers of Mortgagor to the same extent as Mortgagor could in its own name or otherwise with respect to the same; and (iv) enter into any and all agreements with respect to the exercise by others of any of the powers herein granted to Mortgagee, all as Mortgagee from time to time may reasonably determine to be to its best advantage. Mortgagee may collect and receive all the rents, issues, profits and revenues of the same, including those past due as well as those accruing thereafter, and, after deducting to the extent reasonable: (aa) expenses of taking, holding and managing the Mortgaged Property (including compensation for the services of all persons employed for such purposes); (bb) the cost of all such maintenance, repairs, renewals, replacements, additions, betterments, improvements and purchases and acquisitions; (cc) the cost of such insurance; (dd) such taxes, assessments and other similar charges as Mortgagee may determine to pay; (ee) other proper charges upon the Mortgaged Property or any part thereof; and (ff) the reasonable compensation, expenses and disbursements of the attorneys and agents of Mortgagee, shall apply the remainder to the payment of amounts due under this Mortgage. The balance of such funds, if any, after payment in full, of all of the aforesaid amounts shall be paid to Mortgagor.

(d) Mortgagee may also seek specific performance or injunctive relief in order to enforce the provisions of this Mortgage.

4.04 Receiver.

Subject to the rights of the Senior Lender, if an Event of Default shall have occurred and be continuing after an applicable cure period has expired, Mortgagee, upon application to a court of competent jurisdiction, shall be entitled to the appointment of a receiver to take possession of and to operate the Mortgaged Property and to collect and apply the rents, issues, profits and revenues thereof. The receiver shall otherwise have all of the rights and powers to the fullest extent permitted by law.

4.05 Purchase By Mortgagee.

Upon any foreclosure sale, Mortgagee may bid for and purchase the Mortgaged Property and shall be entitled to apply all or any part the Recapture Amount and other amounts due under and secured by this Mortgage as a credit to the purchase price.

4.06 Remedies Cumulative.

No right, power or remedy conferred upon or reserved to Mortgagee by this Mortgage is intended to be exclusive of any other right, power or remedy, but each and every right, power and remedy shall be cumulative and concurrent and shall be in addition to any other right, power and remedy given hereunder or now or hereafter existing at law, in equity or by statute.

4.07 Waiver.

No delay or omission of Mortgagee to exercise any right, power or remedy accruing upon any Event of Default shall exhaust or impair any such right, power or remedy or shall be construed to be a waiver of any such Event of Default or acquiescence therein; and every right, power and remedy given by this Mortgage to Mortgagee may be exercised from time to time as often as may be deemed expedient by Mortgagee. No consent or waiver, expressed or implied, by Mortgagee to or of any breach or Event of Default by Mortgagor in the performance of its obligations hereunder shall be deemed or construed to be a consent or waiver to or of any other breach or Event of Default in the performance of the same or any other obligations of Mortgagor hereunder. Failure on the part of Mortgagee to complain of any act or failure to act or to declare an Event of Default, irrespective of how long such failure continues, shall not constitute a waiver by Mortgagee of its rights hereunder or impair any rights, powers or remedies on account of any breach or default by Mortgagor.

Article V.

5.05 Modification.

No change, amendment, modification, cancellation or discharge hereof, or of any part hereof, shall be valid unless in writing and signed by the parties hereto or their

respective successors and assigns. Mortgagor shall have no right to convey the Mortgaged Property into a land trust without obtaining the prior written consent of the City.

5.06 No Merger.

(To Text Of Recapture Mortgage)

Residency, Transfer, Financing And Affordability Covenants.

In consideration of the requirements of the A.H.O. that apply to the Developer and that have enabled the Mortgagor to Purchase the Mortgaged Property for the Base Purchase Price, Mortgagor covenants to Mortgagee that:

- (a) Mortgagor meets the income eligibility requirements established under the A.H.O. in order to qualify as a Qualified Household under such ordinance;

(b) During the Affordability Period, Mortgagor shall own the Mortgaged Property, shall not lease the Mortgaged Property, shall use the Mortgaged Property as its primary residence (and the primary residence of Mortgagor's Qualified Household), and will not let any other person occupy or use the property without the prior written consent of the City, which shall be in the City's reasonable discretion, and which, if granted, will require that the total amount payable by any tenant household not exceed the amount set forth to qualify such housing as "affordable housing" as defined in the Illinois Affordable Housing Act, 310 ILCS 65/1, et seq.

(c) During the Affordability Period, Mortgagor shall not sell or otherwise directly or indirectly transfer ownership of the Mortgaged Property, except (i) to a Qualified Household, (ii) for an Affordable Price, and provided that (iii) the transferee Qualified Household executes a mortgage, security and recapture agreement in similar form to this Mortgage. Mortgagor shall confer with the City's Department of Planning and Development before entering into a sale contract involving the Mortgaged Property for assistance in determining the qualifications of any proposed transferee and the eligible resale price of the Mortgaged Property. Any transfer of ownership (x) resulting from Mortgagor's death and occurring pursuant to (i) the terms of a written land trust, personal trust or will, or (ii) state intestacy law, (y) to a spouse or member of Mortgagor's Qualified Household, or (z) that simply consists of Mortgagor's transfer (with the prior written consent of the City to such transfer) of the Mortgaged Property into a land trust or personal trust of which Mortgagor is the sole beneficiary and holder of power of direction, as applicable, shall not be subject to the foregoing transfer restriction, provided, however, that the transferee in any such transfer shall be bound by all of the affordable housing covenants contained in this Mortgage. If Mortgagor attempts or purports to transfer the Mortgaged Property to a transferee in violation of any one or more of the conditions in clauses (i), (ii) and (iii), such attempted or purported transfer shall constitute an immediate Event of Default under Section 4.01(a).

(d) During the Affordability Period, it shall not encumber the Mortgaged Property with any one or more mortgages which, individually or in aggregate, secures initial principal indebtedness in excess of the Base Purchase Price.

The Affordability Covenants in this (Sub)Exhibit C may be waived or modified in writing by the City, upon a showing of undue hardship or changed circumstances that would make the enforcement of such covenants inequitable or impractical, as determined by the City in its sole discretion.

Upon either a permitted transfer described in clause (c)(iii) above or a transfer accompanied by a repayment of the Recapture Amount in accordance with the terms of this Mortgage, the City will, upon ten (10) business days prior written notice, execute and deliver a "Certificate of Transfer" confirming that such transfer is a permitted transfer hereunder and effective to deliver legal title to the transferee. Opinion Of Developer's Counsel.

[To Be Retyped On The Developer's Counsel's Letterhead]

City of Chicago
121 North LaSalle Street
Chicago, Illinois 60602

Attention: Corporation Counsel

Ladies and Gentlemen:

We have acted as counsel to _____, an [name the state of organization] _____ (the "Developer"), in connection with the

purchase of certain land and the construction of certain facilities thereon located in the _____ Redevelopment Project Area (the "Project"). In that capacity, we have examined, among other things, the following agreements, instruments and documents of even date herewith, hereinafter referred to as the "Documents":

- (a) _____ Redevelopment Agreement (the "Agreement") of even date herewith, executed by the Developer and the City of Chicago (the "City");
- (b) [insert other documents including but not limited to documents related to purchase and financing of the Property and all lender financing related to the Project]; and
- (c) all other agreements, instruments and documents executed in connection with the foregoing.

In addition to the foregoing, we have examined:

- (a) [revise to conform to Developer's structure] the original or certified, conformed or photostatic copies of the Developer's (i) Articles of Incorporation, as amended to date, (ii) qualifications to do business and certificates of good standing in all states in which the Developer is qualified to do business, (iii) Bylaws, as amended to date, and (iv) records of all corporate proceedings relating to the Project; and
- (b) such other documents, records and legal matters as we have deemed necessary or relevant for purposes of issuing the opinions hereinafter expressed.

In all such examinations, we have assumed the genuineness of all signatures (other than those of the Developer), the authenticity of documents submitted to us as originals and conformity to the originals of all documents submitted to us as certified, conformed or photostatic copies.

Based on the foregoing, it is our opinion that:

1. The Developer is a corporation duly organized, validly existing and in good standing under the laws of its state of [incorporation] [organization], has full power and authority to own and lease its properties and to carry on its business as presently conducted, and is in good standing and duly qualified to do business as a foreign [corporation] [entity] under the laws of every state in which the conduct of its affairs or the ownership of its assets requires such qualification, except for those states in which its failure to qualify to do business would not have a material adverse effect on it or its business.
2. The Developer has full right, power and authority to execute and deliver the Documents to which it is a party and to perform its obligations thereunder. Such

execution, delivery and performance will not conflict with, or result in a breach of, the Developer's [Articles of Incorporation or Bylaws] [describe any formation documents if the Developer is not a corporation] or result in a breach or other violation of any of the terms, conditions or provisions of any law or regulation, order, writ, injunction or decree of any court, government or regulatory authority, or, to the best of our knowledge after diligent inquiry, any of the terms, conditions or provisions of any agreement, instrument or document to which the Developer is a party or by which the Developer or its properties is bound. To the best of our knowledge after diligent inquiry, such execution, delivery and performance will not constitute grounds for acceleration of the maturity of any agreement, indenture, undertaking or other instrument to which the Developer is a party or by which it or any of its property may be bound, or result in the creation or imposition of (or the obligation to create or impose) any lien, charge or encumbrance on, or security interest in, any of its property pursuant to the provisions of any of the foregoing, other than liens or security interests in favor of the lender providing Lender Financing (as defined in the Agreement).

3. The execution and delivery of each Document and the performance of the transactions contemplated thereby have been duly authorized and approved by all requisite action on the part of the Developer.

4. Each of the Documents to which the Developer is a party has been duly executed and delivered by a duly authorized officer of the Developer, and each such Document constitutes the legal, valid and binding obligation of the Developer, enforceable in accordance with its terms, except as limited by applicable bankruptcy, reorganization, insolvency or similar laws affecting the enforcement of creditors' rights generally.

5. (Sub)Exhibit A attached hereto (a) identifies each class of capital stock of the Developer, (b) sets forth the number of issued and authorized shares of each such class, and (c) identifies the record owners of shares of each class of capital stock of the Developer and the number of shares held of record by each such holder. To the best of our knowledge after diligent inquiry, except as set forth on (Sub)Exhibit A, there are no warrants, options, rights or commitments of purchase, conversion, call or exchange or other rights or restrictions with respect to any of the capital stock of the Developer. Each outstanding share of the capital stock of the Developer is duly authorized, validly issued, fully paid and nonassessable.

6. To the best of our knowledge after diligent inquiry, no judgments are outstanding against the Developer, nor is there now pending or threatened, any litigation, contested claim or governmental proceeding by or against the Developer or affecting the Developer or its property, or seeking to restrain or enjoin the performance by the Developer of the Agreement or the transactions contemplated by the Agreement, or contesting the validity thereof. To the best of our knowledge after diligent inquiry, the Developer is not in default with respect to any order, writ, injunction or decree of any court, government or regulatory authority or in default in any respect under any law, order, regulation or demand of any

governmental agency or instrumentality, a default under which would have a material adverse effect on the Developer or its business.

7. To the best of our knowledge after diligent inquiry, there is no default by the Developer or any other party under any material contract, lease, agreement, instrument or commitment to which the Developer is a party or by which the company or its properties is bound.

8. To the best of our knowledge after diligent inquiry, all of the assets of the Developer are free and clear of mortgages, liens, pledges, security interests and encumbrances except for those specifically set forth in the Documents.

9. The execution, delivery and performance of the Documents by the Developer have not and will not require the consent of any person or the giving of notice to, any exemption by, any registration, declaration or filing with or any taking of any other actions in respect of, any person, including without limitation any court, government or regulatory authority.

10. To the best of our knowledge after diligent inquiry, the Developer owns or possesses or is licensed or otherwise has the right to use all licenses, permits and other governmental approvals and authorizations, operating authorities, certificates of public convenience, goods carriers permits, authorizations and other rights that are necessary for the operation of its business.

11. A federal or state court sitting in the State of Illinois and applying the choice of law provisions of the State of Illinois would enforce the choice of law contained in the Documents and apply the law of the State of Illinois to the transactions evidenced thereby.

We are attorneys admitted to practice in the State of Illinois and we express no opinion as to any laws other than federal laws of the United States of America and the laws of the State of Illinois.

This opinion is issued at the Developer's request for the benefit of the City and its counsel, and may not be disclosed to or relied upon by any other person.

Very truly yours,

the City's notice of Losses the City believes are Losses Arising under this Agreement, unless and until a court of competent jurisdiction finally determines otherwise and all opportunities for appeal have been exhausted or have lapsed.

The City, however, does not waive any limitations it may have on its liability under the Worker's Compensation Act or under the Illinois Pension Code.

D. The City has the right, at its option and at its own expense, to participate in the defense of any suit without relieving Contractor of any of its obligations under this indemnity provision. The requirements set forth in this indemnity provision are separate from and not limited by the amount of insurance Contractor is required to obtain under this Agreement or by its bonds pursuant to other provisions in this Agreement. Further, the indemnitees contained in this provision survive the expiration or termination of this Agreement.

3.07 Records and Audits

The Contractor shall deliver or cause to be delivered all documents, data, studies, reports, findings or information to the SSAC promptly in accordance with the time limits prescribed herein and if no time limit is specified, then upon reasonable demand therefore, or upon termination or completion of the Services hereunder.

The Contractor and any Subcontractors shall furnish the SSAC with semi-annual reports or provide such information as may be requested relative to the performance and cost of the Services.

The Contractor shall maintain records showing actual time devoted and costs incurred. The Contractor shall keep books, documents, paper, records and accounts in connection with the Services open to inspection, copying, abstracting, transcription, and an independent audit by City employees or agents or third parties, and shall make these records available to the City and any other interested governmental agency at reasonable times during the performance of its Services. In addition, Contractor shall retain them in a safe place and make them available for an independent audit, inspection, copying and abstracting for at least five years after the final payment made in connection with this Agreement.

THE CONTRACTOR SHALL NOT COMMINGLE SERVICE TAX FUNDS WITH FUNDS FROM OTHER SOURCES, and to the extent that the Contractor conducts any business operations separate and apart from the Services hereunder using, for example, personnel, equipment, supplies or facilities also used in connection with this Agreement, then the Contractor shall maintain and make similarly available to the City detailed records supporting the Contractor's allocation to this Agreement of the costs and expenses attributable to any such shared usages.

The Contractor shall provide an annual audited financial statement to the Department and the SSAC within 120 calendar days after the end of the calendar year and the system of accounting shall be in accordance with generally accepted accounting principles and practices, consistently applied throughout. No provision in this Agreement granting the City a right of access to records and documents is intended to impair, limit or affect any right of access to such records and documents that the City would have had in the absence of such provisions.

The City may in its sole discretion audit the records of Contractor or its Subcontractors, or both, at any time during the term of this Agreement or within five years after the Agreement ends, in connection with the goods, work, or services provided under this Agreement. Each calendar year or partial calendar year is considered an "audited period." If, as a result of such an audit, it is determined that Contractor or any of its Subcontractors has overcharged the City in the audited period, the City will notify Contractor. Contractor must then promptly reimburse the City for any amounts the City has paid Contractor due to the overcharges and also some or all of the cost of the audit, as follows:

- A. If the audit has revealed overcharges to the City representing less than 5% of the total value, based on the Agreement prices, of the goods, work, or services provided in the audited period, then the Contractor must reimburse the City for 50% of the cost of the audit and 50% of the cost of each subsequent audit that the City conducts;
- B. If, however, the audit has revealed overcharges to the City representing 5% or more of the total value, based on the Agreement prices, of the goods, work, or services provided in the audited period, then Contractor must reimburse the City for the full cost of the audit and of each subsequent audit.

Failure of Contractor to promptly reimburse the City in accordance with Section A or B above is an event of default under Section 7.01 of this Agreement, and Contractor will be liable for all of the City's costs of collection, including any court costs and attorneys' fees.

3.08 Subcontracts and Assignments

The Contractor shall not assign, delegate, subcontract or otherwise transfer all or any part of its rights or obligations under this Agreement or any part hereof, unless otherwise provided for herein or without the express written consent of the SSAC. The absence of such provision or written consent shall void the attempted assignment, delegation or transfer and shall be of no effect as to the Services or this Agreement.

All subcontracts, all approvals of Subcontractors and any assignment to which the SSAC consents are, regardless of their form, deemed conditioned upon performance by the Subcontractor or assignee in accordance with the terms and conditions of this Agreement.

If the Contractor subcontracts for security services, the Subcontractor shall be a Security Firm certified by the State of Illinois and the Security Firm's employees shall be licensed by the State of Illinois. The Contractor, upon entering into any subcontract with a Security Firm, shall furnish the SSAC and the Department with a copy of the subcontract for their approval. The City expressly reserves the right to approve all Security Firm subcontracts.

3.09 License, Permits and Safety Considerations

A. Licenses and Permits

If the Contractor engages in Construction, it is responsible for and, in a timely manner consistent with its obligations hereunder, shall secure and maintain at its expense such permits, licenses, authorizations and approvals as are necessary for it to engage Construction under this Agreement.

B. Safety Considerations

If the Contractor engages in Construction, it shall at all times exercise reasonable care, shall comply with all applicable provisions of federal, state and local laws to prevent accidents or injuries, and shall take all appropriate precautions to avoid damage to and loss of City property and the property of third parties in connection with the Construction. The Contractor shall erect and properly maintain at all times all necessary safeguards, barriers, flags and lights for the protection of its and its Subcontractors' employees, City employees, and the public.

If the Contractor engages in Construction, it shall report to the Department any damage on, about, under or adjacent to City property or the property of third persons resulting from its performance under this Agreement. The Contractor is responsible for any damage to City property

and the property of third parties due, in whole or in part, to the Contractor's Construction activities under this Agreement, and the Contractor shall repair such damage to a reasonably acceptable standard.

3.10 Performance Bond

If the Contractor engages in Construction work where expenditures exceed \$100,000, it shall, not later than the date the Contractor begins such work or executes a subcontract for such work, provide or cause to be provided to the Department a performance and payment bond in the amount allocated for the Construction work (but not including the amount allocated for design and preparation of specifications), by a surety or sureties acceptable to the City. The performance bond shall be in the form and to the effect of Exhibit 7 hereto, which is incorporated by reference as if fully set forth here.

If any of the sureties on such bond at any time fail financially, or are deemed to be insufficient security for the penalty of the bond, then the City may, on giving 10 days notice thereof in writing, require the Contractor to furnish a new and additional bond with sureties satisfactory to the City, and, if so required, Contractor must promptly provide such bond.

ARTICLE 4 TERM OF SERVICES

This Agreement shall take effect as of July 1, 2006 ("Effective Date") and shall continue through December 31, 2006, or until the Agreement is terminated earlier in accordance with its terms.

ARTICLE 5 COMPENSATION

5.01 Basis of Payment

The maximum compensation that the Contractor may be paid under this Agreement between July 1, 2006 and December 31, 2006 is \$105,100.00 or the total amount of Service Tax Funds actually collected for tax year 2005, whichever is less.

For each subsequent year of this Agreement, the maximum compensation that the Contractor may be paid under this Agreement is the amount set forth in the Budget for that year, pursuant to Section 5.02 and 8.03, or the amount of Service Tax funds actually collected for the preceding tax year, whichever is less; provided that the maximum amount of compensation for such year of this Agreement may also include the amount of Service Tax Funds collected for prior tax years which remain previously unspent.

The City Comptroller will transfer the Service Tax Funds to the Contractor as received. The Contractor shall reimburse its Subcontractors for Services satisfactorily performed pursuant to the Budget.

5.02 Budget for Services

The Contractor in conjunction with the SSAC has prepared a Budget through December 31, 2006, attached hereto as Exhibit 2 and incorporated by reference as if fully set forth here, covering all services described in the Scope of Services. Subject to the restriction that the maximum amount that may be spent in calendar year 2006 may not exceed \$105,100.00, the SSAC reserves the right to transfer funds between line items or make Budget revisions that do not affect the maximum compensation set forth in Section 5.01. The SSAC shall revise the Budget if any part of the Contractor's Services is terminated.

For each subsequent year of this Agreement, and subject to the provisions of Section 3.01, a Budget for that year shall be incorporated into this Agreement by written amendment pursuant to Section 8.03.

5.03 Method of Payment

The Contractor shall establish a separate checking account ("Account") in a bank authorized to do business in the State of Illinois that is insured by the Federal Deposit Insurance Corporation. All Service Tax Funds that the Comptroller transfers to the Contractor shall be deposited in the Account and disbursements from the Account shall be pursuant to this Agreement. THE CONTRACTOR SHALL NOT COMMINGLE SERVICE TAX FUNDS WITH FUNDS FROM OTHER SOURCES. The Contractor shall provide to the SSAC the signature card and sample check from the bank which shows the signature(s) of the Contractor's authorized representative(s). The SSAC reserves the right to audit the account and require the Contractor to refund any funds that were not spent pursuant to the Budget or that were not approved by the SSAC. The name and address of the bank is _____ and the wire transfer and the Account numbers are _____.

All funds remaining in the Account at the expiration or early termination of this Agreement, including any interest earned, belong to the City for the benefit of the Area and shall be returned to the City to be used only for Special Services.

5.04 Criteria for Payment

The SSAC, in its sole discretion, shall determine the reasonableness, allocability and allowability of any rates, costs and expenses charged or incurred by the Contractor.

5.05 Funding

Payments under this Agreement shall be made from Service Tax Funds in fund number _____ and are subject to the availability of funds therein.

5.06 Non-Appropriation

In the event that no funds or insufficient funds are appropriated and budgeted in any City fiscal period for payments to be made under this Agreement, then the City will notify the Contractor of such occurrence and this Agreement shall terminate on the earlier of the last day of the fiscal period for which sufficient appropriation was made or whenever the funds appropriated for payment under this Agreement are exhausted. No payments shall be made or due to the Contractor under this Agreement beyond those amounts appropriated and budgeted by the City to fund payments hereunder.

ARTICLE 6 SPECIAL CONDITIONS

6.01 Warranties and Representations

In connection with the execution of this Agreement, the Contractor warrants and represents:

- A. That it is financially solvent; that it and each of its employees, agents, and Subcontractors are competent to perform the Services required; that it is legally authorized to execute and perform or cause to be performed this Agreement under the terms and conditions stated herein; and
- B. That it shall not knowingly use the services of any ineligible Subcontractor for any purpose in the performance of the Services; and
- C. That it and its Subcontractors are not in default at the time of the execution of this Agreement, or deemed by the Department to have, within five years immediately preceding the date of this Agreement, been found to be in default on any contract awarded by the City; and
- D. That it and, to the best of its knowledge, its Subcontractors are not in violation of the provisions of §2-92-320 of the Municipal Code of Chicago, 720 ILCS 5/33E-1 et seq. of the Criminal Code of 1961, and 65 ILCS 5/11-42.1-1 of the Illinois Municipal Code; and
- E. That it, all Subcontractors and their respective officers, directors, agents, partners, and employees shall cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code of Chicago; that it understands and will abide by all provisions of Chapter 2-56 of the Municipal Code of Chicago and all subcontracts shall inform Subcontractors of such provision and require understanding and compliance therewith; and
- F. That, except only for those representations, statements, or promises expressly contained in this Agreement and any exhibits attached hereto, no representation, statement or promise, oral or written, or of any kind whatsoever, by the City, its officials, agents, or employees, has induced the Contractor to enter into this Agreement; and

- G. That the Contractor understands and agrees that any certification, affidavit or acknowledgment made under oath in connection with this Agreement is made under penalty of perjury and, if false, is also cause for termination for default.

6.02 Economic Disclosure Statement and Affidavit

The Contractor has provided the City with an Economic Disclosure Statement (EDS), which is attached hereto as Exhibit 3 and incorporated by reference as if fully set forth herein. Contractor shall apprise the Department promptly of any changes in the information provided in the EDS by completing and submitting a revised EDS.

In addition, the Contractor shall provide the City with copies of its latest articles of incorporation, by-laws and resolutions, or partnership or joint venture agreement, as applicable, and evidence of its authority to do business in the State of Illinois, including without limitation, registrations of assumed names or limited partnerships and certifications of good standing with the Office of the Secretary of State of Illinois.

6.03 Conflict of Interest

Pursuant to Chapter 2-156 of the Municipal Code of Chicago, and 65 ILCS 5/3.1-55-10, no member of the governing body of the City or other unit of government, no other officer, employee, SSAC member, or agent of the City or other unit of government who exercises any functions or responsibilities in connection with the Services to which this Agreement or any related subcontract pertain, and no relative of any SSAC member shall have any personal economic or financial interest, directly or indirectly, in this Agreement or any such subcontract except to the extent that such benefits are provided equally to all residents and/or business owners in the Area. Furthermore, no SSAC member, relative of any SSAC member, City official, agent or employee shall be a Subcontractor, employee or shareholder of the Contractor or receive anything of value from the Contractor.

No member of or delegate to the Congress of the United States or the Illinois General Assembly and no alderman of the City or City employee shall be admitted to any share or part of this Agreement or to any financial benefit to arise from it. The Contractor acknowledges that any agreement entered into, negotiated or performed in violation of any of the provisions of Chapter 2-156 shall be voidable by the City.

The Contractor covenants that it, its officers, directors and employees, and the officers, directors and employees of each of its members if a joint venture, and Subcontractors presently have no financial interest and shall acquire no interest, direct or indirect, in the Services undertaken by the Contractor pursuant to the Agreement that would conflict in any manner or degree with the performance of the Services. The Contractor further covenants that in the performance of this Agreement no person having any such interest shall be employed. The Contractor agrees that if the Commissioner in his reasonable judgment determines that any of the Contractor's services for others

conflict with the Services the Contractor is to provide for the City under this Agreement, the Contractor shall terminate such other services immediately upon request of the City.

6.04 Non-liability of Public Officials

No official, employee or agent of the City shall be charged personally by the Contractor, or by any assignee or Subcontractor of the Contractor, with any liability or expenses of defense or be held personally liable to them under any term or provision hereof, because of the City's execution or attempted execution hereof, or because of any breach hereof.

6.05 Independent Contractor

The Contractor shall perform under this Agreement as an independent contractor to the City and not as a representative, employee, agent, or partner of the City.

6.06 Business Relationships with Elected Officials

Pursuant to Section 2-156-030(b) of the Municipal Code of the City of Chicago, it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected official has a business relationship, or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a business relationship. **Violation of Section 2-156-030(b) by any elected official with respect to this Agreement is grounds for termination of this Agreement.** The term business relationship is defined as set forth in Section 2-156-080 of the Municipal Code of Chicago.

Section 2-156-080 defines a “**business relationship**” as any contractual or other private business dealing of an official, or his or her spouse, or of any entity in which an official or his or her spouse has a financial interest, with a person or entity which entitles an official to compensation or payment in the amount of \$2,500 or more in a calendar year; provided, however, a financial interest shall not include: (i) any ownership through purchase at fair market value or inheritance of less than one percent of the share of a corporation, or any corporate subsidiary, parent or affiliate thereof, regardless of the value of or dividends on such shares, if such shares are registered on a securities exchange pursuant to the Securities Exchange Act of 1934, as amended; (ii) the authorized compensation paid to an official or employee for his office or employment; (iii) any economic benefit provided equally to all residents of the City; (iv) a time or demand deposit in a financial institution; or (v) an endowment or insurance policy or annuity contract purchased from an insurance company. A “contractual or other private business dealing” shall not include any employment relationship of an official’s spouse with an entity when such spouse has no discretion concerning or input relating to the relationship between that entity and the City.

6.07 Chicago "Living Wage" Ordinance

(a) Section 2-92-610 of the Municipal Code of Chicago provides for a living wage for certain categories of workers employed in the performance of City contracts, specifically non-City employed security guards, parking attendants, day laborers, home and health care workers, cashiers, elevator operators, custodial workers and clerical workers ("**Covered Employees**"). Accordingly, pursuant to Section 2-92-610 and regulations promulgated under it:

- (i) If Contractor has 25 or more full-time employees, and
- (ii) If at any time during the performance of this Agreement, Contractor and/or any Subcontractor or any other entity that provides any portion of the Services (collectively "**Performing Parties**") uses 25 or more full-time security guards, or any number of other full-time Covered Employees, then
- (iii) Contractor must pay its Covered Employees, and must assure that all other Performing Parties pay their Covered Employees, not less than the minimum hourly rate as determined in accordance with this provision (the "**Base Wage**") for all Services performed under this Agreement.

(b) Contractor's obligation to pay, and to assure payment of, the Base Wage will begin at any time during the term of this Agreement when the conditions set forth in (a)(i) and (a)(ii) above are met, and will continue until the end of the term of this Agreement.

(c) As of July 1, 2006, the Base Wage is \$10.00, and each July 1 thereafter, the Base Wage will be adjusted, using the most recent federal poverty guidelines for a family of four as published annually by the U.S. Department of Health and Human Services, to constitute the following: the poverty guidelines for a family of four divided by 2000 hours or the current base wage, whichever is higher. At all times during the term of this Agreement, Contractor and all other Performing Parties must pay the Base Wage (as adjusted in accordance with the above). If the payment of prevailing wages is required for Services done under this Agreement, and the prevailing wages for Covered Employees are higher than the Base Wage, then Contractor and all other Performing Parties must pay the prevailing wage rates.

(d) Contractor must include provisions in all subcontracts requiring its Subcontractors to pay the Base Wage to Covered Employees. Contractor agrees to provide the City with documentation acceptable to the Chief Procurement Officer demonstrating that all Covered Employees, whether employed by Contractor or by a Subcontractor, have been paid the Base Wage, upon the City's request for such documentation. The City may independently audit Contractor and/or Subcontractors to verify compliance with this section. Failure to comply with the requirements of this section will be an event of default under this Agreement, and further, failure to comply may result in ineligibility for any award of a City contract or subcontract for up to 3 years.

(e) Not-for-Profit Corporations: If Contractor is a corporation having federal tax-exempt status under Section 501(c)(3) of the Internal Revenue Code and is recognized under Illinois not-for-profit law, then the provisions of Sections (a) through (d) above do not apply.

6.08 Deemed Inclusion

Provisions required by law, ordinances, rules, regulations, or executive orders to be inserted in this Agreement are deemed inserted in this Agreement whether or not they appear in this Agreement or, upon application by either party, this Agreement will be amended to make the insertion; however, in no event will the failure to insert the provisions before or after this Agreement is signed prevent its enforcement.

6.09 Environmental Warranties and Representations

In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Contractor warrants and represents that it, and to the best of its knowledge, its subcontractors have not violated and are not in violation of the following sections of the Code (collectively, the Waste Sections):

- 7-28-390 Dumping on public way;
- 7-28-440 Dumping on real estate without permit;
- 11-4-1410 Disposal in waters prohibited;
- 11-4-1420 Ballast tank, bilge tank or other discharge;
- 11-4-1450 Gas manufacturing residue;
- 11-4-1500 Treatment and disposal of solid or liquid waste;
- 11-4-1530 Compliance with rules and regulations required;
- 11-4-1550 Operational requirements; and
- 11-4-1560 Screening requirements.

During the period while this Agreement is executory, Contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Commissioner. Such breach and default entitles the City to all remedies under the Agreement, at law or in equity.

This section does not limit Contractor's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Agreement.

Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Agreement, and may further affect Contractor's eligibility for future contract awards.

ARTICLE 7 EVENTS OF DEFAULT, REMEDIES, TERMINATION, RIGHT TO OFFSET, SUSPENSION

7.01 Events of Default Defined

The following constitute events of default:

- A. Any material misrepresentation, whether negligent or willful and whether in the inducement or in the performance, made by Contractor to the City.

- B. Contractor's material failure to perform any of its obligations under the Agreement including, but not limited to, the following:
- (1) failure to commence or ensure timely completion of the Services due to a reason or circumstance within Contractor's reasonable control;
 - (2) failure to perform the Services in a manner satisfactory to the City;
 - (3) failure to promptly re-perform within a reasonable time Services that were rejected as erroneous or unsatisfactory;
 - (4) discontinuance of the Services for reasons within the Contractor's reasonable control;
 - (5) failure to comply with a material term of this Agreement, including but not limited to the provisions concerning insurance and nondiscrimination; and
 - (6) any other acts specifically and expressly stated in this Agreement as constituting an event of default.
- C. The Contractor's default under any other agreement it may presently have or may enter into with the City during the life of this Agreement. The Contractor acknowledges and agrees that in the event of a default under this Agreement the City may also declare a default under any such other agreements.

7.02 Remedies

The occurrence of any event of default which the Contractor fails to cure within 30 calendar days after receipt of notice specifying such default or which, if such event of default cannot reasonably be cured within 30 calendar days after notice, the Contractor fails, in the sole opinion of the Commissioner, to commence and continue diligent efforts to cure, permits the City to declare the Contractor in default. Whether to declare the Contractor in default is within the sole discretion of the Commissioner. Written notification of the default, and any intention of the City to terminate the Agreement, shall be provided to Contractor and such decision is final and effective upon Contractor's receipt of such notice. Upon receipt of such notice, the Contractor must discontinue any services, unless otherwise directed in the notice, and deliver all materials accumulated in the performance of this Agreement, whether completed or in the process of completion, to the City. At such time the City may invoke any legal or equitable remedy available to it including, but not limited to, the following:

- A. The right to take over and complete the Services or any part thereof as agent for and at the cost of the Contractor, either directly or through others. The Contractor shall have, in such event, the right to offset from such cost the amount it would have cost the City under the terms and conditions herein had the Contractor completed the Services.

- B. The right to terminate this Agreement as to any or all of the Services yet to be performed, effective at a time specified by the City.
- C. The right of specific performance, an injunction or any other appropriate equitable remedy.
- D. The right to money damages.
- E. The right to withhold all or any part of Contractor's compensation hereunder.
- F. The right to deem Contractor non-responsible in future contracts to be awarded by the City.

If the City considers it to be in its best interest, it may elect not to declare default or to terminate this Agreement. The parties acknowledge that this provision is solely for the benefit of the City and that if the City permits the Contractor to continue to provide the Services despite one or more events of default, the Contractor is in no way relieved of any of its responsibilities, duties or obligations under this Agreement nor does the City waive or relinquish any of its rights. No delay or omission to exercise any right accruing upon any event of default impairs any such right nor shall it be construed as a waiver of any event of default or acquiescence therein, and every such right may be exercised from time to time and as often as may be deemed expedient.

7.03 Right to Offset

The City reserves its rights under §2-92-380 of the Municipal Code of Chicago and the Commissioner shall consult with the SSAC before exercising such rights.

7.04 Suspension

The City may at any time request that the Contractor suspend its Services, or any part thereof, by giving 15 days prior written notice to the Contractor or upon no notice in the event of emergency. No costs incurred after the effective date of such suspension shall be allowed. The Contractor shall promptly resume its performance upon written notice by the Department. The Budget may be revised pursuant to Section 5.02 to account for any additional costs or expenses actually incurred by the Contractor as a result of recommencing the Services.

7.05 No Damages for Delay

The Contractor agrees that it, its members, if a partnership or joint venture and its Subcontractors shall make no claims against the City for damages, charges, additional costs or hourly fees for costs incurred by reason of delays or hindrances by the City in the performance of its obligations under this Agreement.

7.06 Early Termination

In addition to termination for default, the City may, at any time, elect to terminate this Agreement or any portion of the Services to be performed under it at the sole discretion of the Commissioner by a written notice to the Contractor. If the City elects to terminate the Agreement in full, all Services shall cease and all materials accumulated in performing this Agreement, whether completed or in the process of completion, shall be delivered to the Department within 10 days after receipt of the notice or by the date stated in the notice.

During the final ten days or other time period stated in the notice, the Contractor shall restrict its activities, and those of its Subcontractors, to winding down any reports, analyses, or other activities previously begun. No costs incurred after the effective date of the termination are allowed. Payment for any Services actually and satisfactorily performed before the effective date of the termination shall be on the same basis as set forth in Article 5 hereof, but if any compensation is described or provided for on the basis of a period longer than ten days, then the compensation shall be prorated accordingly.

If a court of competent jurisdiction determines that the City's election to terminate this Agreement for default has been wrongful, then such termination shall be deemed to be an early termination.

ARTICLE 8 GENERAL CONDITIONS

Admin. Code tit. 71, ch. 1, § 400.110. In the event that the above cited standards are inconsistent, the Contractor shall comply with the standard providing greater accessibility. If the Contractor fails to comply with the foregoing standards, it shall perform again at no expense all services required to be reperfomed as a direct or indirect result of such failure.

8.08 Severability

If any provision of this Agreement is held or deemed to be or shall in fact be inoperative or unenforceable as applied in any particular case in any jurisdiction or in all cases because it conflicts with any other provision hereof or of any constitution, statute, ordinance, rule of law or public policy, or for any other reason, such circumstances shall not have the effect of rendering such provision inoperative or unenforceable in any other case or circumstances, or of rendering any other provision herein invalid, inoperative, or unenforceable to any extent. The invalidity of any one or more phrases, sentences, clauses or sections herein shall not effect the remaining portions of this Agreement or any part thereof.

8.09 Interpretation

All references to persons or entities are deemed to include any persons or entities succeeding to the rights, duties, and obligations of such persons or entities in accordance with the terms and conditions herein.

8.10 Miscellaneous Provisions

Whenever under this Agreement the City by a proper authority waives the Contractor's performance in any respect or waives a requirement or condition to the Contractor's performance, the waiver, whether express or implied, applies only to that particular instance and is not a waiver forever or for subsequent instances of the performance, requirement or condition. No waiver shall be construed as a modification of the Agreement regardless of the number of times the City may have waived the performance, requirement or condition.

8.11 Disputes

Except as otherwise provided in this Agreement, Contractor must and the City may bring any dispute arising under this Agreement which is not resolved by the parties to the Chief Procurement Officer for decision based upon the written submissions of the parties. LaSalle Street, Room 301, Bid and Bond Room, Chicago, Illinois 60602.) The Chief Procurement will issue a written decision and send it to the Contractor and the SSAC by mail. The decision of the Chief Procurement Officer is final and binding. The sole and exclusive remedy to challenge the decision of the Chief Procurement Officer is judicial review by means of a common law writ of certiorari.

8.12 Contractor Affidavit

The Contractor must provide to the City, no later than thirty days after the end of each year,

8.13 Prohibition on Certain Contributions

Contractor agrees that Contractor, any person or entity who directly or indirectly has an ownership or beneficial interest in Contractor of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Contractor's subcontractors, any person or entity who directly or indirectly has an ownership or beneficial interest in any subcontractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Contractor and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago ("Mayor") or to his political fundraising committee (i) after execution of this Agreement by Contractor, (ii) while this Agreement or any Other Contract is executory, (iii) during the term of this Agreement or any Other Contract between Contractor and the City, or (iv) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

Contractor represents and warrants that since the date of public advertisement of the specification, request for qualifications, request for proposals or request for information (or any combination of those requests) or, if not competitively procured, from the date the City approached Contractor or the date Contractor approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Contractor agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Contractor agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 05-1 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Contractor violates this provision or Mayoral Executive Order No. 05-1 prior to award of the Agreement resulting from this specification, the Commissioner may reject Contractor's bid.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

- (A) they are each other's sole domestic partner, responsible for each other's common welfare; and
- (B) neither party is married; and
- (C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and

- (E) two of the following four conditions exist for the partners:

The City of Chicago is to be named as an additional insured on a primary, non-contributory basis for any liability arising directly or indirectly from the Services.

4) Professional Liability.

When any professional consultants (e.g.: C.P.A.s, attorneys, architects, engineers, construction managers) perform Services in connection with this Agreement, Professional Liability Insurance covering acts, errors or omissions must be maintained with limits of not less than Five Hundred Thousand Dollars (\$500,000). B. Security Firms.

If the Contractor enters into a subcontract with a Security Firm, such Security Firm must be certified by the State of Illinois, and the Security Firm's employees must be registered and certified by the State. Contractor must submit evidence of insurance on the City of Chicago Insurance Certificate Form (copy attached as exhibit) or equivalent prior to award of this Agreement. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from Contractor is not a waiver by the City of any requirements for the Contractor to obtain and maintain the specified coverages. Contractor must advise all insurers of the Agreement provisions regarding insurance. Non-conforming insurance does not relieve Contractor of the obligation to provide insurance as specified in this agreement. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to stop work and suspend this agreement until proper evidence of insurance is provided, or the Agreement may be terminated.

The insurance must provide for sixty (60) days prior written notice to be given to the City in the event coverage is substantially changed, canceled or non-renewed.

Any deductibles or self-insured retentions on referenced insurance coverages must be borne by Contractor.

Contractor hereby waives and agrees to require their insurers to waive their rights of subrogation against the City of Chicago, its employees, elected officials, agents or representatives.

The coverages and limits furnished by Contractor in no way limit the Contractor's liabilities and responsibilities specified within the Agreement or by law.

Any insurance or self- insurance programs maintained by the City of Chicago do not contribute with insurance provided by Contractor under this Agreement.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this agreement or any limitation placed on the indemnity in this agreement given as a matter of law.

If Contractor is a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

Contractor must require all subcontractors to provide the insurance required in this Agreement, or Contractor may provide the coverages for Subcontractors. All Subcontractors are subject to the same insurance requirements of Contractor unless otherwise specified in this agreement.

If Contractor or subcontractor desire additional coverages, the party desiring the additional coverages is responsible for the acquisition and cost.

The City of Chicago Risk Management Department maintains the right to modify, delete, alter or change these requirements.

Explanations.

COOK COUNTY

TRUCK DRIVERS (WEST) - That part of the county West of Barrington Road.

The following list is considered as those days for which holiday rates of wages for work performed apply: New Years Day, Memorial/Decoration Day, Fourth of July, Labor Day, Veterans Day, Thanksgiving Day, Christmas Day. Generally, any of these holidays which fall on a Sunday is celebrated on the following Monday. This then makes work performed on that Monday payable at the appropriate overtime rate for holiday pay. Common practice in a given local may alter certain days of celebration such as the day after Thanksgiving for Veterans Day. If in doubt, please check with IDOL.

EXPLANATION OF CLASSES

ASBESTOS - GENERAL - removal of asbestos material/mold and hazardous materials from any place in a building, including mechanical systems where those mechanical systems are to be removed. This includes the removal of asbestos materials/mold and hazardous materials from ductwork or pipes in a building when the building is to be demolished at the time or at some close future date.

ASBESTOS - MECHANICAL - removal of asbestos material from mechanical systems, such as pipes, ducts, and boilers, where the mechanical systems are to remain.

Upon the occurrence of the event causing such interruption or decrease, the City shall, promptly give written notice to the Village.

- E. Subject to Sections 2B, 2C and 2D of this Agreement, the City shall not be responsible in damages for any failure to provide the Sewage Discharge Service hereunder or for any interruption of the Sewage Discharge Service furnished hereunder unless such failure or interruption shall result from the City's wilful breach of this Agreement. The City shall, upon notice, restore services to the Village within a reasonable time.

Section 3.

Charges.

- A. The fee for each Connection shall be calculated using the rate schedule for Sewage Discharge Services provided to users beyond the City's limits, as established by City ordinance, from time to time, according to the size of the pipe at each Connection.
- B. In the case of a single Connection serving two (2) or more Premises, the fee shall be the product of the applicable rate for the size of the pipe at the Connection multiplied by the number of individual Premises discharging through the single Connection into the City's Sewer System.
- C. Charges shall be assessed annually following the schedule of rates as the City shall be legally authorized to charge, said rate or rates being fixed by City ordinance setting the sewer rate schedule for Sewage Discharge Service provided to users beyond the City's limits (the "Annual Charge"). For each calendar year of Sewage Discharge Service provided by the City, the Annual Charge shall be paid in four (4) quarterly installments as billed by the City.
- D. The Annual Charge shall be subject to any changes as directed from time to time by City ordinances setting the sewer rate schedule for Sewage Discharge Services, applicable to users beyond the City limits (each a "Rate Ordinance"). Notice of any change in the Annual Charge shall be communicated by the City to the Village no later than the first day of

December of the year prior to the date on which such Annual Charge change takes effect. (Sub)Exhibit B contains the rate schedule for Sewage Discharge Service provided to users beyond the City's limits adopted by the City Council on December 15, 2004 and contained in Section 3-12-060 of the Municipal Code. The Commissioner may amend (Sub)Exhibit B from time to time to update rate schedule as provided in this Section 3.D. Amendments pursuant to this Section 3.D shall be effective and binding on the City and the Village on the first day of January following the date of adoption of the applicable Rate Ordinance without the need for further action by the City Council or the governing body of the Village.

- E. The Village shall be charged a penalty for late payment of the Charges similar to that charged to customers inside the City as described in Section 6.D. Such late penalty shall be established by City ordinance from time to time. The late penalty described in Section 6.D is authorized by Section 3-12-070 of the Municipal Code.
- F. The Village agrees to exercise best efforts to appropriate annually sufficient funds to provide for the payment to the City of the Charges.
- G. The Village agrees to pay the City Five Hundred Forty-five Thousand Eight Hundred Thirty-seven and 08/100 Dollars (\$545,837.08) by July 1, 2007, in full settlement for all claims due and owing as of _____ against Owners and Nonresident Users indebted to the City for Sewage Discharge Service provided by the City, pursuant to the terms and conditions set forth in the settlement agreement between the City and the Village dated June 22, 2006.

Section 4.

Operation And Maintenance.

- A. The Direct Connection shall mark the limit of the City's responsibility for maintenance of the City's Sewer System. The Village bears the responsibility for maintaining the quality of sewer services at any point within the Village's Sewer System up to and including the Direct Connection. Each Direct Connection and any future Direct Connection shall be equipped with a Junction Structure or Manhole located within the City limits and under the sole and complete control of the City. The City shall bear the cost and responsibility of maintaining or replacing Junction Structures or Manholes.

- B. Plans, drawings and specifications of the Village's Sewer System must be submitted to the Commissioner as a precondition to the execution of this Agreement.
- C. The Village shall provide and maintain the Village's Sewer System and bear the costs for severing any portion of it from the City's Sewer System. The rate of discharge from the Village's Sewer System into the City's Sewer System shall be limited to the capacity of the City's Sewer System as determined by the Commissioner. As such, on future improvements, the Village must install and maintain within its Sewer System, in-line flow restrictor devices along with adequate upstream storm water storage capacity in its roadside ditches, sewers and/or appurtenant sewer structures.
- D. The Village shall cooperate with the City in implementing measures to limit the amount of flow entering the City's Sewer System at the Connections during rain storms. These measures include but are not limited to establishing a program to educate any residents of the Village within the drainage area of the Direct Connection on (i) the advantages of disconnecting downspouts, (ii) establishing incentives for residents to disconnect downspouts, and (iii) installing and maintaining restrictors in catch basins to prevent excess flow from entering the Village's Sewer System.
- E. The Village shall not make or allow any additional Direct Connections other than those shown on (Sub)Exhibit A, without the approval of the Commissioner and the City Council.
- F. The Village may authorize the disconnection of an Indirect Connection at any time and must notify the Commissioner of such decrease in the number of Indirect Connections promptly. The Parties may amend (Sub)Exhibit A to reflect a decrease in the number of Indirect Connections. Amendments pursuant to this Section 4.F shall be effective and binding on the City and the Village on the date set forth in the applicable amendment without the need for further action by the City Council or the governing body of the Village. The Village may authorize rehabilitation or construction of the Premises served by a six (6) inch Indirect Connection and the temporary interruption of up to twelve (12) months of Sewer Discharge Service through such Indirect Connection by giving forty-five (45) days prior written notice to the City as long as such rehabilitation or construction does not, as reasonably determined by the Commissioner, materially alter the rate of flow or volume of Sewage discharge through such Indirect Connection. A "material alteration" in discharge subject to the City's current or future requirements for storm water management and permit authority shall include, but not be limited to, any rehabilitation or construction involving; (i) the resurfacing, grading, filling or excavating of

fifteen thousand (15,000) square feet or more of contiguous area, with the exception of Village maintenance and resurfacing work within any public right-of-way; (ii) the construction of parking lots or other contiguous impervious areas measuring more than seven thousand five hundred (7,500) square feet; (iii) construction of over fifteen thousand (15,000) square feet of roof area for additional stories on building rehabilitations; or (iv) an increase of the existing dry weather flow by more than ten percent (10%); provided, however, a material alteration shall not include, seal-coating where a surface coating is added to the existing surface without the alteration or removal of the existing surface.

- G. The Village shall not overburden the Connections by letting any consumer of services provided by the Village's Sewer System (other than Owners or Nonresident Users) discharge Sewage into or through a Connection. The Village shall not allow Owners and Nonresident Users to overburden the Connection and the City's Sewer System by permitting discharge through a Connection not produced within the Premises served by such Connection.
- H. The Village agrees to comply with and shall cause Nonresident Users and Owners to comply with any and all present and future (i) sanitary and stone regulations of the City affecting sewer services, (ii) regulations and directives of the Department, including but not limited to the Storm Water Detention Requirements set forth in the then current Sewer Permit Requirements and Fees Booklet issued by the Department, (iii) rules and regulations of the M.W.R.D.G.C., and (iv) regulations and directives of the environmental protection agencies of the City, the State and the United States applicable to Sewage disposal as are in force in the City.
- I. The Village agrees to keep the Village's Sewer System of similar efficiency as and operational with the City's Sewer System. The Village agrees that duly authorized engineers and inspectors of the City, in collaboration with representatives of the Village, shall be allowed to make inspections and tests upon due notice to the Village to determine whether the Village's Sewer System is operating properly and complies with all State and Federal laws and regulations, City ordinances and other rules and regulations set forth in Sections 4.H and 4.G. If as a result of any such inspection or test, the City shall determine that the Village's Sewer System, a portion thereof or any facility thereof is out of compliance with any such law, rule, regulation or ordinance (each a "Noncompliance Event"), the City shall give the Village notice thereof. Such notice shall specify (i) what portion or facility of the Village's Sewer System is out of compliance, (ii) what Alteration the City deems necessary to bring the Village's Sewer System in compliance with such laws and regulations, and (iii) a reasonable time to complete the requested Alteration. Thereafter, the Village shall have a reasonable time within which to make such Alteration.

The Commissioner shall determine what shall be a reasonable time for the Village to make such Alteration with regard to the following: (i) the nature and extent of the Noncompliance Event; (ii) the effect, if any, of the Noncompliance Event upon the operation or efficiency of the City's Sewer System; and (iii) the difficulty, time and cost of bringing the Village's Sewer System into compliance. The failure, neglect or refusal of the Village to make said repairs, installations or changes as required by this Section 4.I upon notice in writing so to do from the Commissioner within the time periods specified shall furnish sufficient grounds for the City to interrupt, limit or terminate Sewage Discharge Services through the Direct Connections.

- J. If the Village desires to make any Alterations, all drawings, plans and specifications for such Alterations, which shall be prepared by a professional engineer licensed to practice in the State of Illinois and shall include profiles showing United States Geological Survey elevations and the location of each affected Connection, must be submitted to the Commissioner and approved by the Commissioner prior to the start of any construction, installation or change. All equipment installed or used in connection with the Alteration shall comply with all applicable laws and regulations and shall be of a manufacture and type meeting City standards for comparable equipment as adopted by the City by ordinance, as set forth in the Municipal Code, or as set forth in regulations issued by the Department consistent with standards adopted by A.S.T.M., A.W.W.A. or other broadly recognized standards for sewer equipment. All Alteration work shall be performed by a qualified sewer contractor licensed and bonded in the State of Illinois. The Village shall not make or allow any additional Indirect Connections other than those shown on (Sub)Exhibit A, without the approval of the Commissioner. If an Alteration adds an Indirect Connection or changes the location or size of Indirect Connections and such Alteration is approved by the Commissioner pursuant to authority granted under the Chicago Municipal Code or the City's Authorizing Ordinance, the Parties may amend (Sub)Exhibit A to reflect the change in the number or size of Indirect Connections. Amendments pursuant to this Section 4.J shall be effective and binding on the City and the Village on the date set forth in the applicable amendment without the need for further action by the City Council or the governing body of the Village.

Section 5.

Emergency.

- A. The Village shall not permit any Sewage discharge through a Connection furnished hereunder by any party outside the municipal boundaries of the

Village, except that it may allow such use in an emergency to other users if it provides notice to the Commissioner within one (1) Business Day of such emergency discharge.

- B. The Parties agree to notify one another as promptly as possible of all emergency and other conditions which may directly or indirectly affect the Connections, the Village's Sewer System or the City's Sewer System, or which may affect the quality of sewer services in either Party's Sewer System.
- C. The Village shall allow duly authorized engineers and inspectors of the City to make inspections of any condition identified under Section 5.B hereof. This inspection shall include any tests required at the City's discretion.

Section 6.

Remedies.

- A. If the Village fails to comply with or perform any of the conditions or obligations on its part which may materially affect the health and safety of the residents of the City of Chicago or the integrity of the City's Sewer System, and if after such failure the City shall notify the Village in writing of its intention to terminate, limit or interrupt Sewage Discharge Services (the "Emergency Notice") on account of such failure, refusal or neglect, then the City shall have a right to terminate, limit or interrupt Sewage Discharge Service at the expiration of ten (10) days after the giving of such notice and to terminate this Agreement unless within this ten (10) day period the Village makes repairs or performs the conditions or obligations requested by the Commissioner. At the written request of the Village delivered to the City no less than three (3) Business Days prior to the expiration of the ten (10) day period as set forth in the notice issued by the City under this Section 6A, the Commissioner or a designee of the Commissioner shall meet with Village representatives to provide the Village an opportunity to contest the grounds for termination, interruption or limitation of the Sewer Discharge Service. Nothing in this Section 6.A shall limit the right of the City to reduce or limit Sewage Discharge Service under the provisions of Section 2 of this Agreement.
- B. If the Village fails to comply with or perform any of the conditions or obligations on its part which do not materially affect the health and safety of the residents of the City of Chicago or the integrity of the City's Sewer System, and if after such failure the City shall notify the Village in writing

of its intention to terminate, limit or interrupt Sewage Discharge Service on account of such failure, refusal or neglect, then the City shall have a right to terminate, limit or interrupt Sewage Discharge Service at the expiration of ninety (90) days after the giving of such notice and to terminate this Agreement unless within this ninety (90) day period the Village makes repairs or performs the conditions or obligations requested by the Commissioner. At the written request of the Village delivered to the City no less than ten (10) Business Days after receipt of the City's notice issued under this Section 6.B, the Commissioner or a designee of the Commissioner shall meet with Village representatives to provide the Village an opportunity to contest the grounds for termination, interruption or limitation of the Sewer Discharge Service. Nothing in this Section 6.B shall reduce the grace periods and provisions specified in Section 4.I of this Agreement.

- C. The limitation, termination or interruption of Sewage Discharge Services and/or the disconnection of a Connection under Section 6.A or 6.B shall not release the Village from its obligation to make payments on past due services rendered under this Agreement. The City reserves the right to initiate actions to recover charges as permitted by 65 ILCS 5/11-141-7.
- D. An accrued past due sewer service liability in excess of Ten Thousand Dollars (\$10,000) may subject the Owner or the Nonresident User of the subject Premises to an additional penalty, to be imposed in a separate hearing, in an amount not less than Fifty Dollars (\$50) and not more than Five Hundred Dollars (\$500) for the delinquency. Each day that a past due service liability exceeds Ten Thousand Dollars (\$10,000) shall constitute a separate delinquency. In determining whether to impose this additional penalty, the hearing officer may consider all reasons for the failure to make timely payment. The amount of this additional penalty does not include the delinquent amount owed for sewer service and any applicable late payment penalties, nor does it affect any other remedies of the City pursuant to the provisions of the Municipal Code, including right to a lien on the subject Premises.
- E. Charges for sewer service hereunder shall be a lien upon the Premises served pursuant to the law thereto pertaining. When such charges have been delinquent for a period of sixty (60) days, the superintendent of water collections shall cause a statement of lien to be recorded against the Premises served and delinquent in the form and manner provided by law. The failure to record such a lien or to mail notice thereof shall not affect the right of the City to foreclose or adjudicate such lien, by an equitable action in accordance with the statutory requirements therefor and in the same manner as provided for water service in Section 11-12-490 et seq., of the Municipal Code. The superintendent of water collections shall execute releases of such liens on behalf of the City upon receipt of payment thereof.

Section 7.

Indemnity.

- A. The Village agrees to indemnify the City, its officials, agents and employees (collectively, the "Indemnitees") against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including reasonable attorneys' and expert witnesses' fees and court costs for such Indemnitees in connection with any investigative, administrative or judicial proceeding before an agency or court of competent jurisdiction, whether or not such Indemnitees shall be designated as parties thereto) (each a "Loss" and collectively the "Losses") that may be imposed on, suffered, incurred by or asserted against the Indemnitees in any manner relating or arising out of:
- (i) the Village's failure to comply with any of the terms, covenants and conditions contained within this Agreement; or
 - (ii) the existence of any material misrepresentation or omission in this Agreement, or any other document related to this Agreement that is the result of information supplied or omitted by the Village or any agents, employees, contractors or persons acting under the control or at the request of the Village; or
 - (iii) the Village's failure to cure any misrepresentation in this Agreement;

provided, however, that the Village shall have no obligation to an Indemnitee arising from any wrongful act of the Indemnitee. The provisions of the undertakings and indemnification set out in this Section 7 shall survive the termination of this Agreement.

- B. To the extent permissible by law, the Village waives any limits to the amount of its obligations to indemnify, defend or contribute to any sums due under any Losses, including any claim by any employee of the Village that may be subject to the Workers' Compensation Act, 820 ILCS 305/1 et seq. or any other related law or judicial decision (such as, *Kotecki v. Cyclops Welding Corporation*, 146 Ill. 2d 155 (1991)). The City, however, does not waive any limitations it may have on its liability under the Illinois Workers' Compensation Act, the Illinois Pension Code, any other statute or judicial decision.

- C. If a Connection is lawfully disconnected by the City, the Village hereby releases and forever discharges the City from any loss it may sustain or claim to sustain by reason of such service being disconnected.

Section 8.

No Personal Liability.

No elected or appointed official or member or employee or agent of the City or the Village shall be individually or personally liable in connection with this Agreement.

Section 9.

Term.

Subject to the survival and early termination provisions herein, this Agreement shall be in force and effect for a period starting on the Closing Date and ending on, _____, 2016; provided, however, that the City and the Village may agree to renew this Agreement (without the need for further action by the City Council or the governing body of the Village) for three (3) successive ten (10) year terms, not to exceed in the aggregate forty (40) years from _____, 2006. If either Party shall desire to renew this Agreement, such Party shall provide written notice thereof to the other Party by June 1st of the year on which said ten (10) year term expires. This Agreement shall be a continuing valid and binding obligation of the Village as hereinafter provided for the term and each separate renewal term thereof (each such renewal term to be treated as the term of a new agreement).

WHEREAS, The City is authorized under its home rule powers to regulate the use and development of land; and

WHEREAS, It is a reasonable condition of development approval to ensure that adequate open space and recreational facilities exist within the City; and

WHEREAS, On April 1, 1998, the City Council of the City (the "City Council") adopted the Open Space Impact Fee Ordinance codified at Chapter 18 of Title 16 (the "Open Space Ordinance") of the Municipal Code of Chicago (the "Code") to address the need for additional public space and recreational facilities for the benefit of the residents of newly created residential developments in the City; and

WHEREAS, The Open Space Ordinance authorizes, among other things, the collection of fees from residential developments that create new dwelling units without contributing a proportionate share of open space and recreational facilities for the benefit of their residents as part of the overall development (the "Fee-Paying Developments"); and

WHEREAS, The balance of the Purchase Price shall come from other funds legally available to the City; and

WHEREAS, The Open Space Ordinance requires that the Open Space Fees be used for open space acquisition or capital improvements, or both, which provide a direct and material benefit to the new development from which the fees are collected; and

WHEREAS, The Open Space Ordinance requires that the Open Space Fees be expended within the same or a contiguous Community Area from which they were collected after a legislative finding by the City Council that the expenditure of the Open Space Fees will directly and materially benefit the developments from which the Open Space Fees were collected; and

WHEREAS, D.P.D. has determined that the use of the Open Space Fees to assist the Project will provide a direct and material benefit to each of the Fee-Paying Developments from which the Open Space Fees were collected in that the Open Space Fees used for the Project will come from the specific fund set up by D.O.R. for the corresponding Community Area in which a Fee-Paying Development is located and from which the Open Space Fees were collected; and

WHEREAS, D.P.D. has recommended that the City Council approve the use of the Open Space Fees for the Project; and

Oral Health Program.

2.1 Statement Of Purpose.

The Board and City enter into this collaborative Agreement for the purpose of promoting the dental health of C.P.S. students ("Students") and maximizing their learning potential.

2.2 Scope Of Program.

A. Program Overview:

1) In conformance with the standards, guidelines and policies set forth in the Illinois Dental Practice Act (225 ILCS 25/ (the "Act")) and the C.D.P.H./C.P.S. School-Based Oral Health Program Protocol (the "Protocol"), as revised from time to time, the City, acting through dentists employed by the C.D.P.H. ("C.D.P.H. Dentists") and subcontractor dentists ("Provider Dentists"), collectively referred to as "Oral Health Providers", shall furnish the school-based preventative dentistry services listed in Subsection 2.2 B(1) herein below (collectively, the "Oral Health Services") to Students as follows: during the first (1st) year of the Term, as described in Article III below, Oral Health Services shall be provided to Students in Pre-Kindergarten, Kindergarten, Grades 2 and 3, and Grades 6 and 8, subject to the permission of the participating school's principal and parental/guardian consent. Thereafter, the City shall provide Oral Health Services to all pre-high school Students. As specified in this Agreement, the Board shall collaborate with the City to see that the Oral Health Services are provided as specified in this Agreement.

2) Oral Health Services furnished hereunder shall be provided at no charge to the Board, or the Students, or their families. It is understood and agreed that the City may bill the Health and Family Services ("H.F.S.") for Oral Health Services furnished by C.D.P.H. Dentists to Students who are enrolled in Medicaid, AllKids, or both; and each Provider Dentist may bill the H.F.S. for Oral Health Services that such Provider Dentist furnishes to these Students.

With respect to Oral Health Services provided to Students who are not enrolled in either Medicaid or AllKids, the City may bill private insurance for Oral Health Services provided by C.D.P.H. Dentists, or it may utilize other funding sources, as applicable; and each Provider Dentist may bill private insurance for Oral Health Services that such Provider Dentist provides. If a Student is not covered by Medicaid or AllKids, and does not have private insurance, the provided Oral Health Services shall be deemed to be "donated".

The City agrees to advise all Provider Dentists of the following in writing:

- neither the Board, nor the City, nor the Students, nor their families shall be responsible for paying for any Oral Health Services furnished by a Provider Dentist; and
- the above-described rights of Provider Dentists to bill H.F.S. and private insurance for the furnished Oral Health Services; and that neither the City nor the Board will assist Provider Dentist with such billings; and

- if a Student is not covered by Medicaid or AllKids, and does not have private insurance, the Oral Health Services provided shall be deemed to be "donated".

B. Oral Health Services.

1) Oral Health Services to be provided by Oral Health Providers under this Agreement consist of the following: an exam/screening, prophylaxis (cleaning) and fluoride treatment ("Dental Exam/Screening"), and applying dental sealants to Students at their Dental Exam/Screening, as needed.

2) It is understood and agreed that prior to providing any Oral Health Services to a Student, the Oral Health Provider must receive from the school, a signed original of such Student's Consent Form. While obtaining a signed Authorization Form for each Student participating in the Program is desirable, no Student shall be excluded from receiving Oral Health Services if s/he does not have a signed Authorization Form. (For the Consent Form and Authorization Form, refer to Section 2.2 C (1) herein below).

3) An Oral Health Provider may turn away a scheduled Student only if the Oral Health Provider has not received the required signed Consent Form for that Student, or if the Oral Health Provider and the school principal or his/her authorized representative ("School Representative") jointly determine that concerns related to such Student's health or safety preclude the Oral Health Provider from providing Oral Health Services to that Student in whole or in part at that time. It is understood and agreed that any such joint determination must be documented in a writing signed by the Oral Health Provider and acknowledged by the school Representative, and must describe the underlying health and/or safety concerns. The signed original shall go in the Student's Medical Folder that is kept at the school and the Oral Health Provider shall receive a copy. It is the responsibility of the Oral Health Provider to provide a copy of this document to the C.D.P.H. Contact.

C. Program Support And Administrative Services.

It is understood and agreed that the City shall have no liability relating to the form or substance of any such additional translations and that the Board assumes full liability and responsibility for such translations. It is understood and agreed that the Consent Forms and Authorization Forms and any modifications thereto, must be preapproved by the Board and the City. Attached hereto and incorporated herein by reference as Group (Sub)Exhibit A and Group (Sub)Exhibit B, respectively, are the current English and Spanish versions of the Consent Form and the Authorization Form.

2) Scheduling. City agrees to require its Provider Dentists and C.D.P.H., as applicable, to collaborate with designated Board and school staff to schedule Oral Health Services and other Program Services such as presentations to C.P.S. staff and parents, if applicable. If fewer than thirty (30) children having the requisite signed Consent Forms have been scheduled to be seen at a school on a given day, it is understood and agreed that the C.D.P.H. or the Provider Dentist, as applicable shall have the option to choose not to come to the school on that day. The Board Contact and the City Contact shall jointly determine the process for having the school advise Provider Dentist or C.D.P.H., as applicable, that fewer than thirty (30) Students are eligible to receive Oral Health Services on a given day and for having C.D.P.H. or the Provider Dentist, as applicable, advise the school that they choose not to provide Oral Health Services on that scheduled day. It is understood and agreed that the City, the schools, and the schools' assigned Oral Health Providers shall collaborate to increase the number of participating Students so that the schools can meet or exceed the threshold participation level of thirty (30) Students who have the requisite signed Consent Forms.

4) Education. City agrees to provide dental education services and the associated instructional materials as deemed appropriate, subject to review by the Board.

5) Referrals. City agrees to provide referrals to community dentists for follow-up dentistry services when Students require follow-up care, and shall provide dental referral letters as needed.

6) Quality Assurance And Improvement Program. City shall design and implement a Quality Assurance and Improvement Program to monitor the Oral Health Providers' performance and their compliance with i) the standards, rules and guidelines set forth in the Act, ii) all applicable local, state and federal laws and regulations, and iii) the Protocol, as amended from time to time. This Quality Assurance and Improvement Program also shall monitor compliance of the Program with the Act and applicable local, state and federal law and regulations. It is understood and agreed that City shall remove any Oral Health Provider from the Program if the City determines that such removal is warranted under its Quality Assurance and Improvement Program. It is understood and agreed that the provisions of this paragraph 6 are not intended to limit City's ability to have an Oral Health Provider improve his/her performance by participating in a remediation program.

7) Documentation. Using the Illinois Department of Public Health Proof of School Dental Examination Form ("I.D.P.H. Dental Exam Form"), as such form may be revised by the I.D.P.H. from time to time, the Oral Health Providers shall report the oral health finding for each Student that they see and shall provide a copy of the completed form(s) to each Student and to the C.D.P.H. Contact. In addition to the foregoing, the Oral Health Provider will submit to the Student's school, a copy of the completed form for each Student whose parent/guardian has signed the Authorization Form and such Authorization Form has been given to the Oral Health Provider. If the Authorization Form has not been signed by a Student's parent/guardian, the I.D.P.H. [See Legal Description Attached Hereto As (Sub)Exhibit A]

Further, this quitclaim deed ("Deed") is made and executed upon, and is subject to the conditions and covenants set forth below in paragraphs First through Seventh, said conditions and covenants being a part of the consideration for the Property and being covenants running with the land from the date on which this Deed is recorded, which conditions and covenants shall be binding upon Grantee and its successors and assigns, but which covenants shall terminate upon the issuance of a certificate of completion ("Certificate") by the Department of Planning and Development of the City of Chicago ("D.P.D.") upon Grantee's completion of construction in accordance with the following covenants:

First: Grantee shall use the Property only to construct a single-family home which shall have the following construction features: it shall be constructed with quality exterior materials on all four (4) sides, in addition to all four (4) exterior walls of the garage; it shall comply with the Chicago Landscape Ordinance; it shall include at least two (2) new parking spaces on the Property; it shall reflect facade elements found in the surrounding neighborhood including building style, material, proportions and height and reflect RT4 zoning requirements; it shall ensure all street facing facades.

Second: Grantee shall pay real estate taxes and assessments on the Property or any part thereof when due;

Third: Grantee shall not encumber the Property, or portion thereof, except to secure financing solely to obtain a construction loan for the aforesaid improvements, and any permanent refinancing(s) of such construction loan;

Fourth: Grantee shall not suffer or permit any levy or attachment to be made or any other encumbrance or lien to attach to the Property or any portion thereof;

Fifth: Grantee shall diligently proceed with the construction of the Single-Family Home by commencing construction of the Single-Family Home by January 1, 2007 and by completing construction by January 2, 2008;

Sixth: Grantee shall have no rights to convey any right, title or interest in the Property subject to paragraph "Seventh" below; and

Seventh: Grantee agrees for itself and any successor in interest not to discriminate based upon race, religion, color, sex, national origin or ancestry, age, handicap, sexual orientation, military status, parental status or source of income in the construction and of the Single-Family Home.

In the event that subsequent to the conveyance of the Property and prior to delivery of the Certificate of Completion by Grantor, Grantee defaults in or breaches any of the terms or conditions described in this Deed which have not been cured or remedied within the thirty (30) days of Grantee's receipt of written notice from the Grantor, Grantor may, upon payment to Grantee (or any holder of a first mortgage) of the purchase price recited above (or such lesser amount as may be owed the first mortgagee), re-enter and take possession of the Property or portion thereof, terminate the estate conveyed by the Deed to Grantee as well as Grantee's right of title and all other rights and interests in and to the Property conveyed by the Deed to Grantee, and re-vest title in said Property or portion thereof with the City; provided, however, that said re-vesting of title in the City shall always be limited by, and shall not defeat, render invalid, or limit in any way, the lien of any first mortgage for the protection of the holder of the first mortgage (except to the extent that any such first mortgagee is paid, as provided for above). The Property shall thereafter be developed in accordance with the terms of this Deed, unless the City elects otherwise.

Notwithstanding any of the provisions of the Deed, the holder of a first mortgage or a holder who obtains title to the Property as a result of foreclosure of the first mortgage (or deed in lieu thereof) shall not itself be obligated by the provisions of the Deed to construct or complete the construction of the Single-Family Home or guarantee such construction or completion, nor shall any covenant or any other provision in the Deed be construed to so obligate such holder. Nothing in this section shall be construed to permit any such holder to devote the Property or any part thereof to use or to construct improvements thereon except as permitted under this Deed.

When Grantee provides D.P.D. with a certificate of occupancy for the Single-Family Home, and provided that Developer has performed all of its other obligations under this Deed, D.P.D. shall furnish Grantee with a Certificate of Completion in recordable form, and covenants One through Seven above shall terminate upon the recording of such Certificate of Completion and the D.P.D. shall return the Seven Thousand Three Hundred Fifty Dollar (\$7,350) performance deposit to the Grantee. Such Certificate of Completion shall not constitute, however, evidence that Developer has complied with any applicable provisions of federal, state or local laws, ordinances and regulations with regard to the completion of the Single-Family Home and shall not serve as any "guaranty" as to the quality of the construction of said structure.

The City, as a home rule unit under the 1970 Constitution of the State of Illinois, has the authority to promote the health, safety and welfare of its inhabitants, to prevent the spread of blight and to encourage private development in order to enhance the local tax base and create employment, and to enter into contractual agreements with third parties for the purpose of achieving the aforesaid purposes.

B. The City Council of the City, by Ordinance first adopted June 7, 1990 and published in the Journal of Proceedings of the City Council ("J.O.P.") for such date at pages 17038-17045, and most recently amended and restated April 26, 2006 and published in the J.O.P. for such date at pages 75201-75212, has established the New Homes for Chicago Program (as amended, the "New Homes Program") to assist with the construction of affordable, new, high-quality, owner-occupied housing.

C. Developer has previously submitted an application package to DOH describing its proposal for participation in the New Homes Program by constructing single family housing in the Austin neighborhood.

D. Based in part on the representations and proposals contained in Developer's application package, the City Council of the City, by Ordinance adopted _____, 2006 and published in the J.O.P. for such date at pages _____ (the "Project Ordinance"), approved the selection of Developer for participation in the New Homes Program and approved the allocation of the subsidies described in Section 4.5(b) to subsidize certain development costs associated with the Project and homebuyers' purchase of Homes.

E. Developer, subject to the terms of the Agreement, shall construct up to twelve (12) housing units (the "Home(s)") in single family homes ("Single Family Home(s)"), all of which must be sold to homebuyers meeting the income eligibility requirements of the New Homes Program for a base sales price not to exceed One Hundred Ninety-Five Thousand Dollars (\$195,000) and must otherwise be developed and sold in conformance with the New Homes Program and this Agreement (the "Project").

F. The Homes shall be constructed on the parcels presently owned by the City ("City Lots") and listed on Exhibit A attached hereto. The City Lots are located within the boundaries of the Harrison Central Tax Increment Financing Redevelopment Project Area (the "Area"), which was established pursuant to ordinances adopted by the City Council on July 28, 2006. The development of such lots shall be in accordance with all laws, rules and regulations concerning tax increment financing, including, without limitation, Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1 et seq., as amended from time to time. The City Lots are legally described on Exhibit B attached hereto.

G. City Lots with a fair market value of Fifty Thousand Dollars (\$50,000) or less may be conveyed by the City to Developer for the sum of One Dollar (\$1.00) per City Lot. City Lots with a fair market value in excess of Fifty Thousand Dollars (\$50,000) may also be conveyed by the City to Developer in accordance with the procedures described in Section 4.5(b)(1) below. Furthermore, Developer shall also receive waivers of certain City fees and deposits relating to new construction of Homes as described on Exhibit C attached hereto.

H. In connection with the development and sale of the Homes, and subject to the terms of this Agreement, the City shall also make available, at the time of the sale of a Home to a homebuyer, the subsidies described in Section 4.5(b), provided, however, that the maximum aggregate subsidies to be made available pursuant to the Agreement shall not exceed the amount set forth therein.

I. Developer and the City acknowledge that the implementation of the policies and provisions described in the Agreement will be of mutual benefit to the Developer and the City.

INCORPORATION OF RECITALS AND DEFINITIONS

The recitations and definitions set forth above constitute an integral part of the Agreement and are incorporated herein by this reference with the same force and effect as if set forth herein as agreements of the parties.

SECTION II
COVENANTS, REPRESENTATIONS AND WARRANTIES

2.1 Covenants, Representations and Warranties of Developer. To induce the City to execute the Agreement and perform the obligations of the City hereunder, Developer hereby covenants, represents and warrants to the City as follows:

(a) Developer is a duly organized and existing corporation in good standing under the laws of the State of Illinois. Developer agrees that the Articles of Incorporation, inasmuch as it affects the performance of Developer pursuant to the terms of this Agreement, shall not be modified or amended without the express written consent of the DOH.

(b) No litigation or proceedings are pending, or are threatened against Developer, or any party affiliated with Developer, which could: (i) adversely affect the ability of Developer to perform its obligations pursuant to and as contemplated by the terms and provisions of the Agreement; or (ii) adversely materially affect the operation or financial condition of Developer.

(c) The execution, delivery and performance by Developer of the Agreement have not constituted or will not, upon the giving of notice or lapse of time, or both, constitute a breach or default under any other agreement to which Developer or any party affiliated with Developer is a party or may be bound or affected, or a violation of any law, regulation or court order which currently affects the Project, any part thereof, any interest therein or the use thereof.

(d) The parties executing the Agreement on behalf of Developer have been duly authorized by all appropriate action to enter into, execute and deliver the Agreement and to cause Developer to perform the terms and obligations contained herein.

(e) The construction of the Homes and the development of the Project pursuant to the terms of this Agreement will not violate: (i) any statute, law, regulation, rule, ordinance or executive or judicial order of any kind (including, without limitation, zoning and building laws, ordinances, codes or approvals and environmental protection laws or regulations); or (ii) any building permit, restriction of record or any agreement affecting any City Lot or any part thereof.

not in the ordinary course of business of Developer which materially or adversely affects Developer's ability to perform its obligations under the terms of the Agreement.

(g) Developer has and shall maintain all government permits, certificates and consents (including, without limitation, appropriate environmental approvals) necessary to conduct its business and to construct and complete the Homes.

(h) Developer has not made or caused to be made, directly or indirectly, any payment, gratuity or offer of employment in connection with this Agreement or any contract paid from the City treasury or pursuant to City ordinance, for services to any City agency ("City Contract") as an inducement for the City to enter into the Agreement or any City Contract with Developer in violation of Chapter 2-156-020 of the Municipal Code of Chicago.

(i) The financial statements of Developer are, and when hereafter required to be submitted will be, complete in all material respects and accurately present the assets, liabilities, results of operations and financial condition of Developer, and there has been no material adverse change in the assets, liabilities, results of operations or financial condition of Developer since the date of Developer's financial statements.

SECTION III **CONVEYANCE OF THE CITY LOTS**

3.1 Form of Deed. The City shall convey to Developer fee simple title to each City Lot (upon the request of Developer pursuant to the terms of the Agreement) by quitclaim deed substantially in the form attached hereto as Exhibit F ("Deed"). The conveyance and title of each City Lot, in addition to the provisions of the Agreement, shall, without limiting the quitclaim nature of the Deed, be subject to the following ("Permitted Exceptions"):

1. Covenants and restrictions set forth in the Deed.
2. Schedule B exceptions in the title policy described in Section 3.3.
3. General real estate taxes.
4. Easements of record and not shown of record.
5. Such defects which cannot reasonably be cured but will not affect the use, marketability and insurability of the City Lots.
6. Title objections caused by Developer.
7. The Land Value Lien, this Agreement and the right of reverter retained in this Agreement.

In addition, each City Lot shall be conveyed to Developer with no warranty, express or implied, by the City as to the condition of the soil, its geology, or the presence of known or unknown faults. It shall be the sole responsibility of Developer, at its sole expense, to investigate and determine the soil and environmental condition existing in each City Lot. At the City's request, such investigation shall at the minimum consist of a Phase I environmental assessment and a soil test or, in the alternative, an engineering test subsequent to excavation of the City Lot. If the soil conditions are not in all respects entirely suitable for construction of a Home, then it shall be the sole responsibility and obligation of Developer to take such action as may be necessary to place the soil and environmental condition of each City Lot in a condition entirely suitable for such intended use. If Developer's soil or environmental testing reveals soil conditions or environmental contamination and Developer is able to demonstrate, to the reasonable satisfaction of the DOH, that the cost of any corrective action or environmental clean-up of the City Lot will cause the ceiling base price for the proposed Single Family Home to exceed the sum of \$195,000 (before taking into Purchase Price Subsidy and HOME Purchase Price Subsidy contemplated under this Agreement, then: (a) if such soil testing occurs before the conveyance of the City Lot, said City Lot shall not be conveyed to Developer; or (b) if such soil testing occurs after the conveyance of the City Lot, Developer may re-convey said City Lot to the City. Concurrent with any said reconveyance, Developer agrees to: (a) restore the City Lot to its condition immediately prior to the commencement of any testing conducted by or on behalf of Developer (said obligation to restore the City Lot does not include any requirement of Developer to undertake any landscaping of the City Lot), and (b) provide the City

with copies of any and all soil and environmental reports prepared on behalf of Developer with regard to the City Lot. If any City Lot is re-conveyed by Developer to the City in accordance with the terms of this Section 3.1, the City shall be under no obligation to remedy the soil or environmental condition of the City Lot, and such reconveyance shall be for One Dollar (\$1.00).

3.2 Conveyance of the City Lots. Before the City shall deliver a Deed to Developer for any City Lot, and before any construction may commence on any City Lot, DOH shall have reviewed and approved the following closing deliveries (fully executed and acknowledged, where applicable), each of which, unless waived in writing by DOH, shall be a condition precedent to the City's obligation to deliver any Deed:

- (a) Working Drawings and Specifications for each model of Home to be constructed (as described in Section 4.2 below);
- (b) Developer's Budget;
- (c) Developer's Financing;
- (d) the building permit received by the Developer with regard to the construction of the Home on the Lot;
- (e) this Agreement, which shall constitute the Land Value Lien instrument securing the Land Value Lien Amount and any Additional Land Value Lien Amount;
- (f) a certified copy of the contract between Developer and its general contractor, and all executed contracts covering the completion of the Project from the major subcontractors, if available;
- (g) the condition of title with regard to the Lot;
- (h) a final plat of survey for the Lot certified by a licensed engineer showing all easements, encroachments and containing a legal description of the Lot;
- (i) a certificate of good standing for the Developer from the State of Illinois, a certificate of incumbency identifying Developer's current officers and including specimen signatures, copy of the Developer's bylaws and resolutions authorizing the Developer's performance of its obligations under this Agreement;
- (j) Internal Revenue Service taxpayer identification numbers;
- (k) originals of the Construction Loan documents or evidence of Financing acceptable to the DOH;
- (l) Developer's written request for the conveyance of the specified City Lot(s);
- (m) such transfer tax declarations, ALTA statements and similar customary transaction documents as may be necessary to consummate the conveyance; and
- (n) the Escrow Agreement.

The Escrowee shall also have received the following documents submitted by the City (if required by the Escrowee): (a) one copy of this Agreement; and (b) a certified copy of the Project Ordinance Subject to the Developer's satisfaction of the conditions precedent described above in Section 3.2(a) through (n) above, the City shall deliver to the Escrowee the Deed, and, if applicable, a check for the City's initial deposit (if any) of the Purchase Price Subsidy, which shall be deposited in a separate Escrow subaccount subject to the City's sole control (the "NHFC Account"). The City shall

thereafter deposit the balance of Purchase Price Subsidy funds and any HOME Additional Purchase Price Subsidy funds on a mutually-agreed upon schedule.

If the conditions described in this Section 3.2 (a) through (n) are not achieved by Developer for the construction of the first Home in the Project within three (3) months of the execution date of this Agreement (except in the instance of the occurrence of any Permitted Delay described in Section 6.2 below), then the Agreement, at the option of the City, shall become null and void and the City shall be under no further obligation to Developer. The City shall have no obligation to convey any further City Lots pursuant to this Agreement after the date that is eighteen (18) months after the execution date of this Agreement.

3.3 Title Insurance. Upon the conveyance of each City Lot, the Developer shall obtain at the Developer's sole expense, title insurance from the Title Company, consisting of an Owner's Policy ALTA form B (1987), dated as of the date of conveyance, insuring the title of Developer with regard to the City Lot, subject only to the reservations and exceptions provided in this Section 3 and such endorsements as it may require. The City agrees to use reasonable efforts to assist Developer in obtaining said endorsements.

3.4 Real Estate Taxes. The City shall take all appropriate steps to secure the exemption or waiver of general real estate taxes due and payable prior to the date of recording of the Deed to the extent such an exemption or waiver may be obtained through the City's preparation of a so-called "216(e) Letter" or the filing to vacate a tax sale in error. If any general real estate taxes for a City Lot cannot be so cleared, the City shall be under no further obligation and the Developer may either elect to close and accept conveyance of the City Lot subject to such general real estate taxes or decline to accept such City Lot. Developer shall also be responsible for payment of all real estate taxes payable after the recording of said Deed.

3.5 No Substitution of Lots. If the City cannot clear tax liens or other exceptions to title in a manner suitable for purposes of the Agreement, or Developer's investigation of the soil and environmental condition leads Developer to refuse the conveyance of said Lots (or to re-convey said City Lots to the City) then the City shall have no duty to provide substitute lots for development under this Agreement. Moreover, under no circumstances, shall the City be compelled by Developer, with regard to any City Lot, to remedy any tax lien, title exception, or soil or environmental condition described in this Section 3.

3.6 Recordation of Deed. The Developer shall promptly file each Deed for recordation with the Office of the Recorder of Deeds of Cook County, Illinois ("Recorder's Office") and pay all recording costs.

SECTION IV THE CONSTRUCTION OF THE PROJECT

4.1 Schedule of Construction Progress. Developer shall construct the Homes on the City Lots in accordance with that certain construction timetable schedule dated as of _____, 2006 ("Schedule"), prepared by Developer, approved by the DOH, and

attached hereto as Exhibit G. The Schedule represents an estimate of the number of Homes to be completed by Developer by the expiration of certain time periods within the eighteen (18) month time frame for commencement and completion of the Project as described further in Section 4.7 below. If Developer's construction of Homes falls short of its completion obligations under the Schedule, certain of the City Lots (and the corresponding amount of subsidies allocated to the Project pursuant to Section 4.5(b)) may be released from the terms of this Agreement and thereafter may be made available to the City for alternative redevelopment plans.

Developer covenants that the Homes shall be constructed in accordance with the Working Drawings and Specifications. Upon completion of the construction of each Home, the City shall issue to Developer the Certificate pursuant to Section 4.8.

4.2 Working Drawings and Specifications. The preliminary Working Drawings and Specifications dated _____, 2006, containing the preliminary plans and drawings with regard to the construction of each model of Home, are approved by the DOH and listed on Exhibit D attached hereto. Within thirty (30) days of the execution date of the Agreement, Developer shall submit to the DOH for its approval Developer's proposed final Working Drawings and Specifications with regard to each model of Home. The DOH shall have thirty (30) days within which to approve or reject said drawings and specifications. If the DOH rejects the Working Drawings and Specifications, Developer shall have sixty (60) days in order to correct such documents and resubmit them to the DOH for its approval. The DOH shall thereafter have thirty (30) days within which to approve or reject the corrected documents. Upon the approval of the DOH, said Working Drawings and Specifications shall constitute the final Working Drawings and Specifications.

If, after executing this Agreement, the Developer desires to construct a different type of model Home than that reflected in the Working Drawings and Specifications listed on Exhibit D attached hereto, Developer shall submit to the DOH Working Drawings and Specifications for said model. The DOH shall have thirty (30) days within which to approve or reject said Working Drawings and Specifications. If the DOH rejects the Working Drawings and Specifications, Developer shall have sixty (60) days in order to correct such documents and resubmit them to the DOH for approval. Upon the approval of the DOH, said Working Drawings and Specifications shall constitute final Working Drawings and Specifications.

The Working Drawings and Specifications shall conform to the terms of the Agreement, the New Homes Program, and all applicable federal, state and local laws, ordinances and regulations, including, without limitation, the Zoning Ordinance of the City of Chicago, Title 17, Municipal Code of Chicago, the current edition of the Model Energy Code published by the Council of American Building Officials, and the housing quality standards contained in 24 C.F.R. Section 882.109.

Any material amendment to the Working Drawings and Specifications must be submitted to the DOH for its approval, which approval shall not be unreasonably withheld or delayed.

4.3 Preparation of the Lots; General Requirements. Developer and the City acknowledge that some of the Lots may have "atypical" conditions (sunken lot and other site elevation problems, ingress and egress problems, parking problems, and/or issues concerning the location of the Homes vis-a-vis existing buildings located on the parcels adjacent to the Lots) which dictate that special consideration should be given to the construction of Homes on such Lots. These "atypical" conditions do not include matters which are routinely considered by the City's Department of Buildings with regard to the issuance of building permits. Accordingly, prior to the commencement of construction of the Project, a representative of Developer and the DOH shall conduct a site visit of each of the Lots listed on Exhibit A to determine if any special, "atypical" conditions exist. Those lots shall be deemed as "Special Lots" for purposes of the Agreement.

Prior to the commencement of construction by Developer on any Special Lot, the DOH must approve a site-specific, final plat of survey (including grading elevations) identifying the proposed location of the model type, showing the resolution of any elevation, ingress/egress, parking and location issues. Subject to the limitations in Section 4.5(b), the City may provide the assistance described therein to remedy such atypical conditions.

In addition, prior to the commencement of construction on any of the Lots, the environmental effect of the development and construction of the Project must be assessed in accordance with the provisions of the National Environmental Policy Act of 1969 and implementing regulations contained in 24 C.F.R. Parts 50 and 58. In such regard, the City may grant to Developer a right of entry to the City Lots for the purpose of allowing Developer's architects and engineers to inspect each City Lot and to investigate the soil and environmental condition existing in each City Lot.

Construction and development of any of the Homes shall be in accordance with the Lead-Based Paint Poisoning Prevention Act, 42 U.S.C. 4821 et seq., and the corresponding regulations contained in 24 C.F.R. Part 35. In addition, Developer shall comply with the Flood Disaster Protection Act of 1973, 42 U.S.C. 4001-4128).

4.4 Limited Applicability of DOH's Approval. Any approvals of the Working Drawings and Specifications made by the DOH are for the purposes of the Agreement only and do not affect or constitute approvals required for building permits or approvals required pursuant to any other ordinance or code of the City, nor does any approval by the DOH pursuant to the Agreement constitute approval of the quality, structural soundness or the safety of the Homes. The City, however, agrees to assist Developer in expeditiously obtaining approvals for building permits and driveways affecting the Project.

4.5 Financing and Constructing the Project.

(a) **Budget.** Concurrent with the execution of the Agreement by Developer and its delivery to the City, Developer shall deliver to the DOH for its approval a written budget ("Budget") for the construction of the Homes. Developer shall also submit to the DOH a description of Developer's financing ("Financing"), which shall include the amount of Developer's equity in the Project and evidence of: (i) a commitment for adequate financing ("Commitment") obtained from a financial

institution or lender, specifying the source and the amount of the loan, length of the term and the applicable interest rate, or (ii) evidence of a line of credit or other funding source necessary to fund the construction of the Homes. Within seven (7) business days of receipt, the DOH shall review and approve or reject the Financing, and the Commitment. The Financing shall be subject and subordinate to the terms and conditions of the Agreement.

Provided that the Commitment is approved by the City, Developer shall obtain financing from the lender identified in the Commitment ("Construction Lender") to permit the construction of the Project ("Construction Loan"). The Construction Lender shall be permitted to secure and evidence its loan by a mortgage ("First Mortgage") and mortgage note ("First Mortgage Note") encumbering the Lots. The Construction Loan funds shall be disbursed pursuant to the Escrow described in Section 4.5(c) below.

(b) City's Incentives.

(1) Sales Price. Subject to all of the terms, covenants and conditions of the Agreement, the City shall convey each City Lot for the consideration of One Dollar (\$1.00) if the fair market value of the City Lot is Fifty Thousand Dollars (\$50,000) or less. For purposes of the Agreement, the "fair market value" for each City Lot has been established as of the execution date of the Agreement and is listed on Exhibit A-1 attached hereto. The Developer acknowledges that upon the recording of this Agreement, the City shall have a lien against each City Lot conveyed pursuant hereto in the amount of the fair market value of such City Lot, as set forth on Exhibit A-1 (the "Land Value Lien"). The fair market value of a particular City Lot, up to the first \$50,000 in value (the "Land Value Lien Amount") shall be added to and included in the amount of monies secured by this Agreement and the City Junior Mortgage and potentially due and owing under such instruments. The amount by which the fair market value of a City Lot exceeds the sum of \$50,000 (if any) (such excess amount, the "Additional Land Value Lien Amount") shall also be secured by this Agreement and the City Junior Mortgage and subject to the special repayment provisions described in the following paragraph.

After the recording of this Agreement, and prior to a City Lot's conveyance to a homebuyer, the Land Value Lien Amount and any Additional Land Value Lien Amount shall not amortize and shall be immediately be due and payable to the City if the City Lot is sold, or refinanced except as expressly contemplated and permitted under this Agreement and the City Junior Mortgage. When a City Lot is conveyed to a homebuyer, the lien of this Agreement shall be released and be replaced by the lien of the City Junior Mortgage. The Land Value Lien Amount shall thereafter reduce in four equal installments on each anniversary date of such conveyance, and after the fourth anniversary date shall be zero. The Additional Land Value Lien Amount shall not amortize, but shall be an amount potentially due and owing the City calculated as the Additional Land Value Lien Amount, plus interest thereon at an annual rate of three percent (3%), from the date of such conveyance. The principal amount of and any accrued interest on the Additional Land Value Lien Amount shall become due upon the sale or refinancing (except a refinancing in an amount equal to or less than the homebuyer's purchase price for the Home) of said Home during the forty (40) year period commencing on the date of such conveyance; provided, however, that if the subsequent homebuyer meets the income eligibility requirements of the New Homes Program, such purchaser

may assume the obligations of the Land Value Lien as to such Additional Land Value Lien Amount for the balance of such forty (40) year term. The Land Value Lien, as initially evidenced by this Agreement and then evidenced by the City Junior Mortgage, shall be junior to the lien of any construction loan mortgage and any First Mortgage, and any subsequent purchase money mortgage obtained by any a homebuyer of a Home (if such homebuyer is income-eligible under the New Homes Program), and any refinancing of such purchase money mortgage, provided such refinancing is in an amount equal to or less than the homebuyer's purchase price for the Home.

(2) Purchase Price Subsidy. The City shall grant a Purchase Price Subsidy in an amount not to exceed the sum of One Hundred Twenty Thousand Dollars (\$120,000) in the aggregate to cover hard construction costs of certain of the Homes. The Purchase Price Subsidy for each Single Family Home shall not exceed the sum of Ten Thousand Dollars (\$10,000) per Home, and shall only be available to homebuyers whose household incomes are less than or equal to one hundred percent (100%) of the AMI. The specific amount of Purchase Price Subsidy to be allocated to each model type of Home is described further on Exhibit H attached hereto.

The Purchase Price Subsidy shall be disbursed to Developer at the closing of the sale of each Home to the initial homebuyer, but only if that Developer: (a) obtains from the City the Certificate; (b) conveys the Home to an eligible homebuyer as described in Section 5.3 below; (c) complies with the covenants described in Section 5.1 below; and (d) provides the initial homebuyer with an Owner's Policy ALTA form B (1987) policy of title insurance issued by the Title Company, dated as of the closing date in the amount of the purchase price.

Developer advise each initial homebuyer that such homebuyer shall be required to execute and record at the time of the homebuyer's closing (and the Developer shall attach as an exhibit to the homebuyer's sales contract) a mortgage, security and recapture agreement in favor of the City (the "City Junior Mortgage"), in the form of Exhibit I to this Agreement, which shall also include the homebuyer's covenant to use the Home as the homebuyer's principal residence, and shall secure all amounts described in this Agreement as being subject to recapture or repayment . The amount of any Purchase Price Subsidy provided with respect to a Home shall be secured by the City Junior Mortgage and shall be repaid by the homebuyer to the City in accordance with its terms if the Home is sold or refinanced (except in an amount equal to or less than the homebuyer's purchase price for the Home) by the initial homebuyer within four (4) years of purchase. The City Junior Mortgage shall be subordinate to the lien in favor of the homebuyer's permanent purchase mortgage, and any refinancing of such purchase money mortgage, provided such refinancing is in an amount equal to or less than the homebuyer's purchase price for the Home.

(3) HOME Additional Purchase Price Subsidy. Homebuyers purchasing a Single Family Home (other than an MR-Home) and whose household incomes are at or below 80% of the AMI (hereafter, a "HOME Homebuyer") may request from the City, by application to the DOH, a financial subsidy ("HOME Additional Purchase Price Subsidy") derived from an allocation to the City of HOME Investment Partnerships Program grant funds, pursuant to the Cranston-Gonzalez National Affordable Housing Act, 42 U.S.C. Section 12701 et seq. (1992) and the regulations

promulgated thereto in 24 C.F.R. Part 92 (such regulations, the "HOME Regulations"). The amount of HOME Additional Purchase Price Subsidy available for a particular HOME Homebuyer shall not exceed the amount of Twenty Thousand Dollars (\$20,000) per HOME Homebuyer whose household income range is between 61% to 80% of the AMI, and the amount of Thirty Thousand Dollars (\$30,000) per HOME Homebuyer whose household income range is up to 60% of the median income for the AMI.

Subject to the availability of HOME Additional Purchase Price Subsidy Funds, the HOME Additional Purchase Price Subsidy shall be provided to the HOME Homebuyer at the closing of the sale of the Single Family Home to the HOME Homebuyer, but only if the Developer: (a) obtains from the City the Certificate; (b) conveys the Single Family Home to a HOME Homebuyer described in this Section and Section 5.3 below; (c) complies with the covenants described in Section 5.1 below; and (d) provides the HOME Homebuyer with an Owner's Policy ALTA form B (1987) policy of title insurance issued by the Title Company, dated as of the closing date in the amount of the purchase price. The HOME Additional Purchase Price Subsidy funds provided to a particular HOME Homebuyer shall be wired to the Title Company at closing, in accordance with the Escrow Agreement.

Developer shall advise said HOME Homebuyer and it shall be a condition of such sale, that the HOME Homebuyer must execute: (a) the City Junior Mortgage in favor of the City, which shall secure, among other things, an amount equal to the HOME Additional Purchase Price Subsidy received by the HOME Homebuyer, which shall incorporate any additional requirements of the HOME Regulations, and which shall also include the HOME Homebuyer's covenant to use the Home as the homebuyer's principal residence. The HOME Additional Purchase Price Subsidy secured by the City Junior Mortgage shall be repaid in the event that the Single Family Home is sold by the HOME Homebuyer within the applicable affordability period (as prescribed by the HOME Regulations). If, however, the mortgage obtained by the HOME Homebuyer from the permanent lender is insured by the FHA, the affordability period shall be extended to conform to the terms of the FHA-insured mortgage, as is required under the HOME Regulations. The City Junior Mortgage lien shall be subordinate to the lien in favor of the HOME Homebuyer's purchase money mortgage, and any refinancing of such purchase money mortgage, provided such refinancing is in an amount equal to or less than the homebuyer's purchase price for the Home.

(4) **Waiver of City Fees.** In conjunction with the construction by Developer of the Homes the City shall waive those certain fees and deposits as described in Exhibit C attached hereto.

(5) **Perimeter Site Improvements.** In connection with the construction by Developer of the Homes, the City may expend City general obligation bond proceeds or other legally available funds, up to a maximum amount of \$5,000 per City Lot, or \$60,000 in the aggregate, to complete Perimeter Site Improvement Work if the City, in its sole discretion, determines that such work is necessary to the construction of such new Homes, and subject to the availability of such bond proceeds or other legally available funds.

(c) **Escrow.** Prior to the commencement of construction of any Home, Developer and the City shall execute an escrow agreement ("Escrow Agreement") and open an escrow account ("Escrow") held by an institutional escrowee ("Escrowee") mutually acceptable to the parties. The Escrow shall be used to convey City Lots pursuant to the terms of the Agreement. The respective rights, liabilities and duties of the Escrowee are contained in the Agreement. If any conflict exists between the terms of the Agreement and the Escrow Agreement or any other instructions or other documents affecting the Escrow, the terms and provisions of the Agreement shall govern.

(d) **Review of Construction Progress.** During the construction of the Project, Developer shall submit to the City for its review any documentation relating to the construction work, including, without limitation, all additional building permits issued, an Owner's sworn statement and the general contractor's sworn statement.

During the construction of the Project by Developer, the Construction Lender shall employ, at the sole expense of Developer, an inspecting architect ("Inspector") (other than the architect who prepared the Working Drawings and Specifications) acceptable to the DOH, to review for the parties all activities undertaken with regard to the construction of the Home. If no Construction Lender exists (or if the Construction Lender does not wish to hire the Inspector), then the DOH, at the sole expense of Developer, shall utilize an Inspector which has been previously approved by the DOH.

The scope of the Inspector's work shall be contained in the terms of the contract between the Inspector and the Construction Lender, or the Inspector and the DOH, as the case may be, and shall include *inter alia*, providing a certification for the benefit of the Construction Lender and the DOH on the form attached hereto as Exhibit J that the construction of said Home complies with the Working Drawings and Specifications. The Inspector shall notify the DOH and the Construction Lender of any discrepancies between the Working Drawings and Specifications and the actual construction of any Home, and shall provide the DOH with a copy of each and every Inspector's certification. The receipt by the DOH of the Inspector's Conditional Certificate shall be a condition precedent to the disbursement of the applicable amount of Purchase Price Subsidy to Developer and, if applicable, any HOME Additional Purchase Price Subsidy funds. A representative of the DOH shall have the right, but not the obligation, to accompany the Inspector during his inspection of the progress of the construction of the Homes .

(e) **Homebuyer Closings and Disbursement of Subsidies.** As long as Developer is not in material default in the due, prompt and complete performance or observance of any of its covenants or obligations contained in the Agreement, the conveyances of Homes and disbursement of Section 4.5(b) may proceed to closing provided the following conditions precedent are satisfied:

- (i) Developer and the homebuyer shall have complied with the applicable provisions described in Section 4.5(b), including, the execution of the City Junior Mortgage;
- (ii) The Inspector shall have delivered to the City its conditional certificate for said Home in the form of Exhibit J, conditioned and subject only to the completion of punch list items or such other items agreed to by the City, the Inspector and Developer ("Conditional Certificate");

- (iii) The City shall have issued its Certificate in accordance with Section 4.8 below;
- (iv) Developer, in the form of an owner's sworn statement and the general contractor's sworn statement, shall have submitted to the Escrowee and the Inspector affirmative proof that there are no materialmen's liens or claims exist affecting the Home, or that Developer has taken such appropriate action to cause the Title Company to insure over any title encumbrances caused by such liens or claims; provided, however, that the Title Company shall have received from Developer acceptable waivers or releases of lien covering at least seventy five percent (75%) of the hard construction costs associated with the construction of the Home;
- (v) Developer shall have submitted to the City a copy of the Owner's sworn statement and the general contractor's sworn statement describing all construction costs for the Home; and
- (vi) Developer shall have furnished to the City one (1) copy of an "as-built" survey showing the location of all completed improvements, including all walks, drives and other on-site appurtenances and improvements, showing site elevations, and showing no encroachments by any such improvements across the boundary lines of the Lot; and
- (vii) The DOH shall have issued a letter to Developer that the homebuyer meets the income eligibility requirements of the New Homes Program (unless the Home is a MR-Home).

Developer shall be obligated to complete those items listed on the Conditional Certificate (including the punch list items) in a timely and expeditious manner subsequent to the closing. The City reserves the right to request that Developer deposit or reserve with the Escrowee funds (or in lieu thereof, deliver to the Escrowee a letter of credit) in an amount to pay for the cost of such incomplete work, including, without limitation, any landscaping or other work that was not completed prior to closing because of weather-related conditions. Once such work has been completed, the Inspector shall conduct an on-site inspection in order to facilitate the issuance of a final certificate indicating that construction of the Home is complete ("Final Certificate"). Any funds retained by the Escrowee pursuant to this paragraph shall not be released until a copy of the Final Certificate is delivered to the Escrowee and the DOH.

Developer does also certify and agree that it shall not take its fee until the closing for the sale of a Home to a homebuyer.

4.6 Relocation of Utilities. If Developer requests the relocation, repair or replacement of any existing City utility lines in order to construct a Home, such utilities shall be relocated at Developer's sole expense. The DOH shall assist Developer in obtaining the cooperation of any City agency with regard to the relocation, repair or replacement of existing utility lines. Under no

circumstances shall the City pay for any such relocation, repair or replacement costs. In addition, Developer shall be solely responsible for the payment of any costs associated with the repair, replacement or relocation of any private utility lines necessary to construct a Home.

4.7 Commencement and Completion of the Project. Developer, subject to the occurrence of Permitted Delays described in Section 6.2 below, shall commence with the construction of the Project within three (3) months of the execution date of the Agreement. Except as otherwise provided in the Agreement, Developer shall complete the Project within eighteen (18) months from said execution date. Developer, its successors and assigns, shall promptly begin and diligently complete the Project within such time periods. The Commissioner of DOH, in the Commissioner's sole discretion, may extend the completion upon the Developer's written request, by executing a written extension letter.

4.8 Certificate of Compliance. As each Home is substantially completed in accordance with the Working Drawings and Specifications (as evidenced by the issuance of the Inspector's Conditional Certificate or Final Certificate, as the case may be) and Developer has performed all of its other obligations under this Agreement, including without limitation, the closing conditions precedent specified in Section 4.5(e) above, the DOH, upon written request by Developer, shall furnish Developer with an appropriate compliance certificate ("Certificate"). The Certificate shall be evidence the Developer's compliance with respect to its obligation to construct such Home in accordance with the terms of this Agreement. The Certificate, however, shall not constitute evidence that Developer has complied with any applicable provisions of federal, state and local laws, ordinances and regulations with regard to the completion of the Home and furthermore, shall not serve as any "guaranty" as to the quality of the construction of said structure.

The Certificate shall be in recordable form and shall be delivered by the DOH to the Escrowee at the closing conveying the Home from Developer to the initial homebuyer. Once the Certificate is recorded with the Recorder's Office, the Agreement shall no longer encumber the Lot.

4.9 Prohibition Against Unpermitted Encumbrances. Prior to the City's issuance of the Certificate for a Home on a particular Lot, neither Developer nor any successor in interest to the Lot shall engage in any financing or other transaction the effect of which creates an encumbrance or lien upon said Lot; provided, however, that Developer, after receiving the prior written consent of the City, may mortgage the Lot for the purpose of obtaining the Construction Loan or other financing source as described in Section 4.5(a) above to the extent necessary to construct the Home. Notwithstanding the above, no mortgage may be recorded against a City Lot until such City Lot is conveyed to Developer.

4.10 Mortgagees Not Obligated to Construct. Notwithstanding any of the provisions of the Agreement, no holder of a mortgage authorized by the Agreement (including any holder who obtains title to a City Lot as a result of foreclosure proceedings, or action in lieu therefor), shall be obligated to construct or complete the construction of any Home on the City Lot, or to guarantee such construction or completion. However, any such holder shall take its lien or hold such title subject to this Agreement and must devote the City Lot to those uses or improvements provided for

or permitted in the New Homes Program and this Agreement. If the Construction Lender, due to a default by Developer obtains possession or title to any of the City Lots by foreclosure or deed in lieu of foreclosure, the Construction Lender may request that the City make the subsidies described in Section 4.5(b) available in order to construct or to complete the Homes on said Lots and convey such homes to homebuyers, as originally contemplated. The City shall not unreasonably withhold its consent to such a request, so long as the Construction Lender complies with the terms and conditions of the Agreement. In such event, the Construction Lender shall be required to execute such economic disclosure documents as the City deems appropriate.

Whenever the City shall deliver a notice or demand pursuant to Section 6.3(a), the City shall at the same time forward a copy of such notice or demand to any Construction Lender identified in Section 8.8. After the expiration of any applicable cure period, each such Construction Lender shall have the right, at its option, to remedy such default within an additional thirty (30) day cure period.

Whenever the Construction Lender shall deliver a default notice or demand to Developer under the Construction Loan documents, it shall at the same time forward a copy of such notice or demand to the City at the addresses listed in Section 8.8 below. After the expiration of any applicable cure period, the City shall have the right, at the City's option, to remedy such default within an additional thirty (30) day cure period.

SECTION V

CONVEYANCE OF THE HOMES

5.1 Developer's Covenants for Participation in the New Homes Program.

(a) **Sales Price.** Developer acknowledges and affirms the objectives of the City with regard to the creation of the New Homes Program as a means of achieving the construction of affordable, new, high quality, owner-occupied housing within the corporate boundaries of the City. Developer affirmatively covenants that it shall sell and convey each Home for a base price per model, as set forth on Exhibit K, attached hereto, but in no event shall said base price for a particular Single Family Home exceed the sum of \$195,000, such amount being the current inflation-adjusted price limit under the New Homes Program. Developer's projected final sales pricing of the various models of the Homes to be constructed by Developer are described on Exhibit K. The parties acknowledge that said base price does not include options described on Exhibit L attached hereto which may be desired by individual homebuyers. The parties further acknowledge that said base price may further be slightly adjusted due to inflation, upon the written agreement of the parties.

(b) **Compliance with Fair Housing and Non-Discrimination Laws.** Developer shall not discriminate based upon race, color, religion, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military status, parental status or source of income in the design, marketing and sale of any Home constructed by Developer pursuant to the terms of the Agreement, and shall comply with any and all federal, state and local laws, statutes, ordinances or regulations with regard to non-discrimination in the sale and marketing of housing, including, without

limitation, the Fair Housing Act, 42 U.S.C. sec. 3601-20 et seq. (1988) and implementing regulations at 24 C.F.R. Part 100; Executive Order 11063, as amended by Executive Order 12259 (3 C.F.R., 1958-1963 Comp., p. 652 and 3 C.F.R., 1980 Comp., p. 307)(Equal Opportunity in Housing) and implementing regulations at 24 C.F.R. Part 107; and Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d)(Nondiscrimination in Federally Assisted Programs) and implementing regulations issued at 24 C.F.R. Part 1; 42 U.S.C. sec. 1982 (1988), and sections 17-19 of Article I of the Constitution of the State of Illinois; the Age Discrimination Act of 1975, 42 U.S.C. sect. 6101-07, and implementing regulations at 24 C.F.R. Part 146, Section 504 of the Rehabilitation Act of 1973, 29 U.S.C. 794 and implementing regulations at 24 C.F.R. Part 8.

(c) **Warranty of Habitability.** At the closing for the conveyance of a Home from Developer to an initial homebuyer, Developer shall deliver to said homebuyer a warranty of habitability in the form of Exhibit M attached hereto. Said warranty of habitability shall have a duration of one year and shall be deemed to run with the land.

5.2 Marketing. Developer shall comply with the affirmative marketing requirements described in Section 5.1(b) above. In addition, Developer shall comply with the marketing plan which has been approved by the DOH and is attached hereto as Exhibit N, and to utilize solely those marketing materials which have been approved by the DOH either prior to or subsequent to the execution date of the Agreement with regard to the marketing of the Homes to prospective homebuyers. Developer also agrees to place on at least one of the Lots a sign stating that the Home was (or shall be) constructed by Developer pursuant to the New Homes Program.

5.3 Income Eligibility Standards. Every potential homebuyer in conjunction with the homebuyer's execution of a purchase contract for the purchase of a Home, must be approved in writing by the DOH as meeting the income eligibility standards of the New Homes Program. Developer must provide the DOH with any and all information required by the DOH to confirm such homebuyer's income eligibility. The DOH shall have ten (10) business days from the date of receipt of a "complete information package" (which shall include, by means of illustration and not limitation, the W-2 forms from the initial homebuyer's employer(s), U.S. 1040 income tax returns for the previous two years, an affidavit or verification from the homebuyer with regard to household size, and the employer verification form utilized by the Federal National Mortgage Association within which to qualify potential homebuyers.

5.4 Pre-Purchase Qualification. Developer shall refer each prospective homebuyer for pre-purchase counseling, which shall be offered either by the DOH, a qualified community organization or lending institution. Each homebuyer must participate in pre-purchase counseling, and provide the DOH with a certificate or other evidence of participation.

5.5 Review of Renters of Two-flat Buildings. [INTENTIONALLY DELETED]

SECTION VI **PERFORMANCE**

6.1 Time of the Essence. Time is of the essence of the Agreement.

6.2 Permitted Delays. Neither the City, Developer, or any successor in interest to Developer, shall be considered in breach of its obligations to commence or complete the Project in the event of delay in the performance of such obligations due to unforeseeable causes beyond such party's control and without such party's fault or negligence, including but not limited to, any delays or halts in the construction of the Homes, compelled by court order, acts of God, acts of the public enemy, acts of the United States or other governmental body, acts of the other party, fires, floods, epidemics, quarantine restrictions, strikes, vandalism, embargoes and unusually severe weather or delays of subcontractors due to such cause. The time for the performance of the obligations shall be extended only for the period of the permitted delay if the party seeking the extension shall request it in writing of the other party within twenty (20) days after the beginning of any such delay.

6.3 Breach.

(a) **Generally.** If the Developer defaults in the performance of its obligations under the Agreement, the Developer shall, upon written notice from the City, commence to immediately cure or remedy such default but, in any event, by not later than thirty (30) days after receipt of such notice (or such other cure period, if any, as may be expressly provided for in Section 6.3(b)). If the default is not cured within such thirty (30) day period (or such other cure period), the City may institute such proceedings at law or in equity as may be necessary or desirable in its sole discretion to cure and remedy such default, including but not limited to, proceedings to compel specific performance and foreclosure of the City Junior Mortgage.

(b) **Event of Default.** For purposes of the Agreement, the occurrence of any one or more of the following, which is not cured by the specified cure period, if any, shall constitute an "Event of Default":

- (1) Any warranty, representation or statement made or furnished by Developer is not true and correct, or any covenant is not complied with in any material respect; (30 day cure period); or
- (2) Any petition or proceeding is filed by Developer under the Federal Bankruptcy Code or any similar state or federal law, whether now or hereafter existing (no cure period) or any such petition or proceeding is involuntarily filed and not vacated, stayed or set aside (60 day cure period); or
- (3) Failure of Developer to finalize the Working Drawings and Specifications in accordance with Section 4.2 (30 day cure period); or
- (4) If Developer fails to commence or complete construction of a Home or the Homes (including the nature of and the dates of the beginning and completion thereof) or abandons or substantially suspends construction work of any Home (30 day cure period); or

- (5) If Developer conveys any Home to a homebuyer in excess of the consideration described in Section 5.1 above, or conveys any Home to a homebuyer ineligible to participate in the New Homes Program (no cure period); or
- (6) Developer fails to comply with the non-discrimination covenants in Section 5.2 above with regard to the marketing and sale of the Homes constructed by Developer (30 day cure period); or
- (7) Failure of Developer to pay real estate taxes or assessments affecting any Lots (accruing after the date of conveyance by the City to Developer with respect to the City Lots) when due, or placing thereon any encumbrance or lien unauthorized by the Agreement, or suffering any levy or attachment to be made, or any materialmen's or mechanics' lien, or any other unauthorized encumbrance or lien to attach to the Lots or any part thereof (unless Developer has taken such appropriate action to cause the Title Company to insure over any title encumbrances caused by such liens or encumbrances), and such taxes or assessments shall not have been paid, or the encumbrance or lien removed or discharged or provision satisfactory to the City made for such payment, removal or discharge; (30 day cure period); or
- (8) The occurrence of an event of default within the context of the First Mortgage, if any, which is not cured within the applicable time periods, if any, contained therein; or
- (9) The financial statements of Developer are not complete in all material respects or do not accurately present the assets, liabilities, results of operations and financial condition of Developer or there is a material adverse change in the assets, liabilities, results of operations or financial condition of Developer since the date of Developer's most recent financial statements; (30 day cure period); or
- (10) Developer makes or causes to be made, directly or indirectly, any payment, gratuity or offer of employment in connection with this Agreement or any contract paid from the City treasury or pursuant to any City ordinance, for services to any City agency ("City Contract") as an inducement for the City to enter into the Agreement or any City Contract in violation of Chapter 2-156-120 of the Municipal Code of Chicago; (no cure period); or
- (11) Any assignment, pledge, encumbrance, transfer or other disposition is made in violation of Section 8.2 below (no cure period).

(c) **Prior to Commencement of Construction.** If prior to the commencement of construction of any Home, an Event of Default occurs, the City may immediately terminate this Agreement and institute any action or proceeding at law or in equity against Developer.

(d) After Commencement of Construction Until Issuance of Certificate. If after commencement of construction by Developer of a Home on any City Lot but before the City issues its Certificate for such Home, an Event of Default occurs, the City may immediately terminate the Agreement and institute any action or proceeding at law or in equity against Developer. In such event, Developer shall have no further right or interest regarding any City Lot not conveyed to Developer prior to the default.

In addition, the City shall have the right to re-enter and take possession of each City Lot previously conveyed, to terminate the Developer's title to such City Lots and all other rights and interests of Developer to said Lots and any improvements constructed thereon, and revest title in said City in the City without any compensation whatsoever to Developer; provided, however, that such condition subsequent and revesting of title in the City shall always be limited by, and shall not defeat, render invalid, or limit in any way, the lien of the First Mortgage.

Upon such revesting of title to the City Lots in the City, the DOH may complete the construction of any Homes on the City Lots, including, if necessary, the hiring of an alternative contractor to complete the construction. Upon completion of construction, the DOH shall employ its best efforts to convey the Homes (subject to the First Mortgage liens described above, if any) to a homebuyer under the New Homes Program, and in accordance with all applicable federal, state and local laws, ordinances and regulations. In the event a First Mortgage encumbers the City Lot on which the Home is built, then at the closing of the conveyance of such Home, the net sales proceeds from the sale of the Home shall be applied to repay an allocable share of the unpaid principal of the First Mortgage attributable to said City Lot and the interest accrued thereon due and payable as of the date of conveyance. When the City sells all of the Homes in accordance with the provisions described in this paragraph, then upon repayment of all amounts under the First Mortgage any remaining proceeds shall be distributed pursuant to Section 6.3(e) below. In the alternative, the City may allow the Construction Lender to enter into possession of such Lots and cause the completion of construction of the Homes so long as the Construction Lender complies with the terms and provisions of the Agreement.

(e) Distribution of Sale Proceeds. Upon the sale of all of the Homes by the City pursuant to Section 6.3(d) above, the proceeds from said conveyance(s) shall be utilized first to reimburse the City for:

- (1) costs and expenses incurred by the City with regard to the reconveyance of the City Lots, management of the City Lots, and the subsequent conveyance of the City Lots to the Homebuyers;
- (2) all taxes, assessments, and water and sewer charges paid with respect to the City Lots;
- (3) any payments made or necessary to be made (including attorneys' fees) to discharge or prevent from attaching or being made any subsequent encumbrances or liens against the City Lots;

- (4) any expenditures made or obligations incurred with respect to the construction and maintenance of any Homes constructed on the City Lots;
- (5) any other amounts owed to the City by Developer, its successors or transferees under this Agreement, the City Junior Mortgage or otherwise; and
- (6) any remaining sums shall be delivered to Developer.

(f) After Conveyance. If an Event of Default occurs under Section 6.3(b)(5) or Section 6.3(b)(6), then the City shall have the right to institute a suit for injunctive relief against Developer, or alternatively, at the option of the City solely with regard to an Event of Default under Section 6.3(b)(5), Developer, within twenty (20) days after the receipt of written notice of default from the City, shall deliver the sum of one and one-half times the amount by which the sales price exceeds the permitted consideration described in Section 5.1, per violation to the City, said sum representing an amount of liquidated damages and not a penalty.

6.4 Waiver and Estoppel. Any delay by the City in instituting or prosecuting any actions or proceedings or otherwise asserting its rights shall not operate as a waiver of such rights or operate to deprive the City of or limit such rights in any way. No waiver made by the City with respect to any specific default by Developer shall be construed, considered or treated as a waiver of the rights of the City with respect to any other defaults of Developer.

6.5 Indemnity. Developer hereby agrees to indemnify, defend and hold the City harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, attorneys' fees and court costs), suffered or incurred by the City (except due to the negligence of the City) arising from or in connection with: (i) the failure of Developer to perform its obligations under the Agreement; (ii) the failure of Developer or any contractor to pay contractors, subcontractors or materialmen in connection with the construction of the Homes (unless Developer has taken such appropriate action to cause the Title Company to insure over any title encumbrances caused by such liens and encumbrances); (iii) a material misrepresentation or material omission in Developer's application to participate in the New Homes Program or in the Agreement which is the result of information supplied or omitted by Developer or by agents, employees, contractors, subcontractors, or persons acting under the control or at the request of Developer; (iv) the failure of Developer to redress any misrepresentations or omissions in the Agreement or any other agreement relating hereto; (v) any activity undertaken by Developer on any of the City Lots or any part thereof; and (vi) any claim or cost relating to any soil or environmental condition existing at, or created by Developer on, any City Lot.

6.6 Access to the Lots. Any duly authorized representative of the City shall, at all reasonable times, have access to any Lot, or part thereof, from the execution date of the Agreement until the City issues its Certificate with regard to the completion of the Home on the Lot, for the purpose of confirming Developer's compliance with this Agreement.

6.7 City's Right to Inspect Records. Until the date that is three years after the date on which the City issues its Certificate with regard to the completion of the final Home, the City shall have the right and authority to review and audit, from time to time, Developer's books and records relating to the Project, including, without limitation, Developer's loan statements, the construction manager's sworn statements, general contracts, subcontracts, purchase orders, waivers of lien, paid receipts and invoices. All such books, records and other documents shall be available at the offices of Developer for inspection, copying, audit and examination by any duly authorized representative of the City; provided, however, that the City shall provide Developer with at least two (2) business days' written notice of any proposed inspection of Developer's books and records.

SECTION VII DEVELOPER'S EMPLOYMENT OBLIGATIONS

7.1 Employment Opportunity. Developer agrees for itself and its successors and assigns, and shall contractually obligate its or their various contractors, subcontractors or any Affiliate of Developer operating on the Project (collectively, with Developer, the "Employers" and individually an "Employer") to agree, that for the term of this Agreement with respect to Developer and during the period of any other party's provision of services in connection with the construction of the Project and the occupation of the Lots with regard thereto:

- A. No Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Chapter 2-160, Section 2-160-010 *et seq.*, Municipal Code of Chicago, except as otherwise provided by said ordinance and as amended from time to time (the "Human Rights Ordinance"). Each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.
- B. Each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including, but not limited to, the

Human Rights Ordinance, and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

- C. Developer, in order to demonstrate compliance with the terms of this Section, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.
- D. Developer and each Employer shall include the foregoing provisions of subparagraphs A through C in every contract entered into in connection with the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any Affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or affiliate, as the case may be.
- E. Failure to comply with the employment obligations described in this Section 7.1 shall be a basis for the City to pursue remedies under the provisions of Section 6 above.

7.2 City Resident Employment Requirement. Developer agrees for itself and its successors and assigns, and shall contractually obligate the other Employers, as applicable, to agree, that during the construction of the Project they shall comply with the minimum percentage of total worker hours performed by actual residents of the City of Chicago as specified in Section 2-92-330 of the Municipal Code of Chicago (at least fifty percent of the total worker hours worked by persons on the site of the construction for the Project shall be performed by actual residents of the City of Chicago); provided, however, that in addition to complying with this percentage, Developer and the other Employers shall be required to make good faith efforts to utilize qualified residents of the City of Chicago in both unskilled and skilled labor positions.

Developer and the other Employers may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the Purchasing Agent of the City of Chicago.

"Actual residents of the City of Chicago" shall mean persons domiciled within the City of Chicago. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

Developer and the other Employers shall provide for the maintenance of adequate employee residency records to ensure that actual Chicago residents are employed on the Project. Developer and the other Employers shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) shall be submitted to the Commissioner of the DOH in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the company hired the employee should be written in after the employee's name.

Developer and the other Employers shall provide full access to their employment records to the Purchasing Agent, the Commissioner of the DOH, the Superintendent of the Chicago Police Department, the Inspector General, or any duly authorized representative thereof. Developer and the other Employers shall maintain all relevant personnel data and records for a period of at least three (3) years after final acceptance of the work constituting the Project as evidenced by the issuance of the Certificate for the last Home constructed by Developer.

At the direction of the DOH, affidavits and other supporting documentation will be required of Developer and the other Employers to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

Good faith efforts on the part of Developer and the other Employers to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Purchasing Agent) shall not suffice to replace the actual, verified achievement of the requirements of this Section concerning the worker hours performed by actual Chicago residents.

When work at the Project is completed, in the event that the City has determined that Developer and the other Employers failed to ensure the fulfillment of the requirement of this Section concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section. Therefore, in such a case of non-compliance it is agreed that 1 / 20 of 1 percent (.05%), 0.0005, of the aggregate hard construction costs set forth in the Budget (as the same shall be evidenced by approved contract value for the actual contracts) shall be surrendered by Developer and/or the other Employers to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject Developer and/or the other Employers or employee to prosecution. Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement.

Developer shall cause or require the provisions of this Section 7.2 to be included in all construction contracts and subcontracts related to the Project.

7.3 Developer's MBE/WBE Commitment. The Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the General Contractor to agree that during the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code of Chicago (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code of Chicago (the "Construction Program," and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 7.3, during the course of the Project, at least the following percentages of the MBE/WBE budget to be approved by DOH's monitoring staff shall be expended for contract participation by minority-owned businesses ("MBEs") and by women-owned businesses ("WBEs"):

- (1) At least 24 percent by MBEs.
- (2) At least four percent by WBEs.

(b) For purposes of this Section 7.3 only:

(i) The Developer (and any party to whom a contract is let by the Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by the Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code of Chicago, as applicable.

(ii) The term "minority-owned business" or "MBE" shall mean a business identified in the Directory of Certified Minority Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a minority-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(iii) The term "women-owned business" or "WBE" shall mean a business identified in the Directory of Certified Women Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a women-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code of Chicago, the Developer's MBE/WBE commitment may be achieved in part by the Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture or (ii) the amount of any actual work performed on the Project by the MBE or WBE), by the Developer utilizing a MBE or a WBE as the General

Contractor (but only to the extent of any actual work performed on the Project by the General Contractor), by subcontracting or causing the General Contractor to subcontract a portion of the Project to one or more MBEs or WBEs, or by the purchase of materials or services used in the Project from one or more MBEs or WBEs, or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer's MBE/WBE commitment as described in this Section 7.3. In accordance with Section 2-92-730, Municipal Code of Chicago, the Developer shall not substitute any MBE or WBE General Contractor or subcontractor without the prior written approval of DOH.

(d) The Developer shall deliver quarterly reports to the City's monitoring staff during the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by the Developer or the General Contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining the Developer's compliance with this MBE/WBE commitment. The Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the Project for at least five years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by the Developer, on five Business Days' notice, to allow the City to review the Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the Project.

(e) Upon the disqualification of any MBE or WBE General Contractor or subcontractor, if such status was misrepresented by the disqualified party, the Developer shall be obligated to discharge or cause to be discharged the disqualified General Contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this Section (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code of Chicago, as applicable.

(f) Any reduction or waiver of the Developer's MBE/WBE commitment as described in this Section 7.3 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code of Chicago, as applicable.

(g) Prior to the commencement of the Project, the Developer shall be required to meet with the City's monitoring staff with regard to the Developer's compliance with its obligations under this Section 7.3. The General Contractor and all major subcontractors shall be required to attend this pre-construction meeting. During said meeting, the Developer shall demonstrate to the City's monitoring staff its plan to achieve its obligations under this Section 7.3, the sufficiency of which shall be approved by the City's monitoring staff. During the Project, the Developer shall submit the documentation required by this Section 7.3 to the City's monitoring staff, including the following: (i) subcontractor's activity report; (ii) contractor's certification concerning labor standards and prevailing wage requirements; (iii) contractor letter of understanding; (iv) monthly utilization report; (v) authorization for payroll agent; (vi) certified payroll; (vii) evidence that MBE/WBE

contractor associations have been informed of the Project via written notice and hearings; and (viii) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that the Developer is not complying with its obligations under this Section 7.3, shall, upon the delivery of written notice to the Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (1) issue a written demand to the Developer to halt the Project, (2) withhold any further payment of any City Funds to the Developer or the General Contractor, or (3) seek any other remedies against the Developer available at law or in equity.

SECTION VIII

MISCELLANEOUS PROVISIONS

8.1 Entire Agreement. This Agreement contains the entire agreement of the parties with respect to the Project and supersedes all prior agreements, negotiations and discussions with respect thereto. It shall not be modified, amended or changed in any material manner whatsoever except by mutual consent of the parties as reflected by written instrument executed by the parties hereto. The term "material" for the purpose of this Section 8.1 shall be defined as any deviation from the terms of the Agreement which operates to cancel or otherwise reduce any developmental, construction or job-creating obligation of Developer by more than five percent (5%) or substantially changes the character of the Project or any activities undertaken by Developer affecting the Project, or increases any time agreed for performance by either party by more than thirty (30) days.

8.2 Assignability and Transfer. Unless permitted under Section 4.9 above, prior to the City's issuance of the Certificate with regard to the completion of a Home, the Developer shall not assign, transfer or convey any right, title or interest in the Lot on which such Home is constructed. Notwithstanding the above, Developer may sign purchase contracts with initial homebuyers prior to the issuance of the Certificate. In addition, Developer may convey its right, title and interest to any of the Lots to a land trust formed under the laws of the state of Illinois and of which Developer is the sole beneficiary; provided, however, that the City must receive prior notification of such transfer accompanied by a certified copy of the land trust agreement, and the City, Developer and the land trustee shall execute a document granting the City the irrevocable right to approve the land trust documents.

8.3 Conflict of Interest - City's Representatives Not Individually Liable. Prior to the issuance of the Certificate by the City with regard to the completion of the final Home, no member of any City board, commission or agency, or official or employee of the City shall have any personal interest, direct or indirect, in Developer, the Agreement or the Project; nor shall any such member, official or employee participate in any decision relating to the Agreement which affects his or her personal interest or the interests of any corporation, partnership or association in which he or she is directly or indirectly interested. This prohibition shall include those public officials who have exercised any functions or responsibilities with respect to this Project or the New Homes Program or who are in a position to participate in a decision making process or gain inside information with

regard to the Project or the New Homes Program or may obtain a financial interest or benefit from this Project, or have an interest in any contract, subcontract, or agreement with respect thereto, or the proceeds therefore, either for themselves or those with whom the officials have family or business ties, during the tenure or employment of said public officials and for a period of one year thereafter. The foregoing shall not be deemed to exclude employees of the City who meet the requirements of the New Homes Program from purchasing Homes for their primary residences, and who are able to do so pursuant to an ordinance passed by the City Council of the City. No member, official or employee of the City shall be personally liable to Developer, or any successor in interest, to perform any commitment or obligation of the City under the Agreement nor shall any such person be personally liable in the event of any default or breach by the City.

8.4 Survival. All representations and warranties contained in the Agreement shall survive execution date of the Agreement and the execution, delivery and acceptance hereof by the parties shall not constitute a waiver of rights arising by reasons of any misrepresentation.

8.5 Mutual Assistance. The parties agree to perform their respective obligations, including the execution and delivery of any documents, instruments, petitions and certifications, as may be necessary or appropriate, consistent with the terms and provisions of the Agreement.

8.6 Cumulative Remedies. The remedies of the City hereunder are cumulative and the exercise of any one or more of the remedies provided by the Agreement shall not be construed as a waiver of any of the other remedies of the City unless specifically so provided herein.

8.7 Disclaimer. No provision of the Agreement, nor any act of the City, shall be deemed or construed by any of the parties, or by third persons, to create any relationship of third-party beneficiary, or of principal or agent, or of limited or general partnership, or of joint venture, or of any association or relationship involving the City.

8.8 Notices. Any notice called for herein shall be in writing and shall be mailed postage prepaid by registered or certified mail with return receipt requested, or hand delivered and receipted, as follows:

8.9 Headings. The headings of the various sections and Sections of the Agreement have been inserted for convenient reference only and shall not in any manner be construed as modifying, amending or affecting in any way the express terms and provisions hereof.

8.10 Governing Law. The Agreement shall be governed by and construed in accordance with the laws of the State of Illinois and, where applicable, the laws of the United States of America.

8.11 References to Statutes. All references herein to statutes, regulations, rules, executive orders, ordinances, resolutions, rulings, notices or circulars issued by any governmental body shall be deemed to include any and all amendments, supplements and restatements from time to time to or of such statutes, regulations, rules, executive orders, ordinances, resolutions, rulings, notices or circulars.

8.12 Recordation of the Agreement. Upon execution of the Agreement by the parties, the City shall promptly record one original of the Agreement with the Office of the Recorder of Deeds of Cook County, Illinois.

8.13 No Third Party Beneficiary. The approvals given by the City pursuant to the Agreement and the Certificate when issued by the City shall be only for the benefit of Developer, the First Mortgagee, and their successors in interest in the Project and no other person or party may assert against the City or claim the benefit of such approval or certificate.

8.14 Successors and Assigns. The terms of the Agreement shall be binding upon the City and Developer, and the Developer's successors and assigns.

8.15 Severability. If any provision of the Agreement, or any paragraph, sentence, clause, phrase, or word, or the application thereof, in any circumstance, is held invalid, the remainder of the Agreement shall be construed as if such invalid part were never included herein and the Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

8.16 Counterparts. The Agreement shall be executed in triplicate, each of which shall constitute an original instrument.

8.17 Executive Order 2005-1. Developer agrees that Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in Developer of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Developer's contractors (i.e., any person or entity in direct contractual privity with Developer regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Developer and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (i) after execution of this Agreement by Developer, (ii) while this Agreement or any Other Contract is executory, (iii) during the term of this Agreement or any Other Contract between Developer and the City, or (iv) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

Developer represents and warrants that from the later of (i) February 10, 2005, or (ii) the date the City approached the Developer or the date the Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Developer agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Developer agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 05-1 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 05-1.

Developer agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 05-1 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Developer intentionally violates this provision or Mayoral Executive Order No. 05-1 prior to the closing of this Agreement, the City may elect to decline to close the transaction contemplated by this Agreement.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source which are then delivered by one person to the Mayor or to his political fundraising committee.

"Other Contract" means any other agreement with the City of Chicago to which Developer is a party that is (i) formed under the authority of chapter 2-92 of the Municipal Code of Chicago;

(ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council of the City of Chicago.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

- (A) they are each other's sole domestic partner, responsible for each other's common welfare; and
- (B) neither party is married; and
- (C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and
- (D) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
- (E) two of the following four conditions exist for the partners:
 - 1. The partners have been residing together for at least 12 months.
 - 2. The partners have common or joint ownership of a residence.
 - 3. The partners have at least two of the following arrangements:
 - a. joint ownership of a motor vehicle;
 - b. a joint credit account;
 - c. a joint checking account;
 - d. a lease for a residence identifying both domestic partners as tenants.
 - 4. Each partner identifies the other partner as a primary beneficiary in a will.

"Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

8.18. Patriot Act Certification. The Developer represents and warrants that neither the Developer nor any Affiliate thereof (as defined in the next paragraph) is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List

As used in the above paragraph, an "Affiliate" shall be deemed to be a person or entity related to the Developer that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Developer, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

8.19. Business Relationships. The Developer acknowledges (A) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (B) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (c) notwithstanding anything to the contrary contained in this Amendment, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Amendment shall be grounds for termination of this Amendment and the transactions contemplated hereby. The Developer hereby represents and warrants that no violation of Section 2-145-030 (b) has occurred with respect to this Amendment or the transactions contemplated hereby.

8.20. Waste Ordinance Provisions. In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Developer warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this Amendment is executory, Developer's, any general contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Amendment, constitutes a breach of and an event of default under this Amendment, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Chief Procurement Officer. Such breach and default entitles the City to all remedies under the Amendment, at law or in equity. This section does not limit the Developer's, general contractor's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Amendment. Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Amendment, and may further affect the Developer's eligibility for future contract awards.

IN WITNESS WHEREOF, the parties hereto have executed or caused the Agreement to be executed, all as of the date first written above.

[Insert Legal Description]

Commonly Known As: [Insert Address], Chicago, Illinois

Permanent Index Number: [Insert Permanent Index Number]

This Transfer Is Exempt Under The Provisions Of The Real State Transfer Tax Act, 35 ILCS 200/31-45(B) and 35 ILCS 200/31-45(E) and Section 3-33-060.B and Section 3-33-060.E Of The Municipal Code Of Chicago.

Further, this quitclaim deed ("Deed") is made and executed upon, and is subject to certain express conditions and covenants hereinafter contained, said conditions and covenants being a part of the consideration for the Property and are to be taken and construed as running with the land, and Grantee hereby binds itself and its successors, assigns, grantees and lessees to these covenants and conditions, which covenants and conditions are as follows:

First: Grantee shall devote the Property only to the uses authorized by Grantor and specified in the applicable provisions of: (i) The New Homes For Chicago Program, initially approved by the City Council of the City of Chicago by ordinance adopted June 7, 1990, as amended from time to time, ("Program"), and (ii) that certain agreement known as "Redevelopment Agreement, New Homes For Chicago Program, West Monroe Street Development" entered into between Grantor and Grantee as of _____, 2006 and recorded with the Office of the Recorder of Deeds of Cook County, Illinois on _____, 2006 as document

Number _____ ("Agreement"). Specifically, in accordance with the terms of the Agreement, Grantee shall construct a single-family home ("Single-Family Home") on the Property to be sold to the initial homebuyer for a price not to exceed the ceiling base price (excluding options or extras) of One Hundred Ninety-five Thousand Dollars (\$195,000) all as further described in Section 4.5(b)(1) and Section 5.1 of the Agreement. Grantee shall advise each initial homebuyer and such homebuyer shall be required to execute and record at the time of the homebuyer's closing the City Junior Mortgage described in the Agreement.

Second: Grantee shall pay real estate taxes and assessments on the Property or any part thereof when due. Prior to the issuance by Grantor of a Certificate of Compliance (as hereafter defined) with regard to the Property, Grantee shall not encumber the Property, or portion thereof except to secure financing solely to obtain the First Mortgage (as such term is defined in the Agreement). Grantee shall not suffer or permit any levy or attachment to be made or any other encumbrance or lien to attach to the Property or portion thereof until Grantor issues a Certificate of Compliance with respect to the completion of the Single-Family Home on the Property (unless Grantee has taken such appropriate action to cause the Title Company (as such term is described in the Agreement) to insure over any title encumbrances caused by such liens or claims).

Third: Grantee shall construct the Single-Family Home on the Property in accordance with the terms of the Agreement. Grantee shall diligently proceed with the construction of such Single-Family Home to completion, which construction shall commence within three (3) months from the date of conveyance of the Deed by Grantor to Grantee, and shall be completed by Grantee within the time frame described in the Agreement.

Fourth: Until Grantor issues the Certificate with regard to the completion of the Single-Family Home, Grantee shall have no right to convey any right, title or interest in the Property without the prior written approval of Grantor, excepting as provided for in Section 8.2 of the Agreement.

Fifth: Grantee agrees for itself and any successor in interest not to discriminate based upon race, religion, color, sex, national origin or ancestry, age, handicap, sexual orientation, military status, parental status or source of income in the sale of the Single-Family Home improving the Property.

Sixth: Grantee shall comply with those certain employment obligations described in Section VII of the Agreement.

The covenants and agreements contained in the covenant numbered Fifth shall remain without any limitation as to time. The covenants and agreements contained in covenants numbered First, Second, Third, Fourth and Sixth shall terminate on the date Grantor issues the Certificate of Compliance with respect to the Property upon which the pertinent Single-Family Home is constructed, except that the termination of the covenant numbered Second shall in no way be construed to release Grantee

from its obligation to pay real estate taxes and assessments on the Property or any part thereof.

In the event that subsequent to the conveyance of the Property and prior to delivery of the Certificate of Compliance by Grantor with regard to the completion of the Single-Family Home on the Property, Grantee defaults in or breaches any of the terms or conditions described in Section 6.3(b) of the Agreement or covenants First and Third in the Deed which have not been cured or remedied within the period and in the manner provided for in the Agreement, Grantor may re-enter and take possession of the Property or portion thereof, terminate the estate conveyed by the Deed to Grantee as well as Grantee's right of title and all other rights and interests in and to the Property conveyed by the Deed to Grantee, and revest title in said Property or portion thereof with the City; provided, however, that said revesting of title in the City shall always be limited by, and shall not defeat, render invalid, or limit in any way, the lien of the First Mortgage (as defined in the Agreement) for the protection of the holders of the First Mortgage. The Property shall thereafter be developed in accordance with the terms of the Program and the Agreement, including but not limited to, Section 6.3(d) of the Agreement.

Notwithstanding any of the provisions of the Deed or the Agreement, including but not limited to those which are intended to be covenants running with the land, the holder of the First Mortgage or a holder who obtains title to the Property as a result of foreclosure of the First Mortgage shall not be obligated by the provisions of the Deed or the Agreement to construct or complete the construction of the pertinent Single-Family Home or guarantee such construction or completion, nor shall any covenant or any other provision in the Deed or the Agreement be construed to so obligate such holder. Nothing in this section or any section or provision of the Agreement or the Deed shall be construed to permit any such holder to devote the Property or any part thereof to a use or to construct improvements thereon other than those permitted in the Program.

In accordance with Section 4.8 of the Agreement, after the substantial completion of construction of the Single-Family Home improving the Property (as evidenced by, and based solely on, the issuance of the Conditional Certificate or Final Certificate by the Inspector), and provided that Developer has performed all of its other contractual obligations pursuant to the provisions contained in the Agreement and the objectives of the Program, Grantor shall furnish Grantee with an appropriate instrument in accordance with the terms of the Agreement ("Certificate of Compliance"). The Certificate of Compliance shall be issued by the City as a conclusive determination of satisfaction and termination of the covenants contained in the Agreement and Deed with respect to the obligations of Developer and its successors and assigns to complete such Single-Family Home and the dates for beginning and completion thereof. The Certificate shall not constitute evidence that Developer has complied with any applicable provisions of federal, state or local laws, ordinances and regulations with regard to the completion of the Single-Family Home in question, and shall not serve as any "guaranty" as to the quality of the construction of said structure.

(a) Developer is a duly organized and existing not-for-profit corporation in good standing under the laws of the State of Illinois. Developer agrees that the Articles of Incorporation, inasmuch as it affects the performance of Developer pursuant to the terms of this Agreement, shall not be modified or amended without the express written consent of the DOH.

(b) No litigation or proceedings are pending, or are threatened against Developer, or any party affiliated with Developer, which could: (i) adversely affect the ability of Developer to perform its obligations pursuant to and as contemplated by the terms and provisions of the Agreement; or (ii) adversely materially affect the operation or financial condition of Developer.

(c) The execution, delivery and performance by Developer of the Agreement have not constituted or will not, upon the giving of notice or lapse of time, or both, constitute a breach or default under any other agreement to which Developer or any party affiliated with Developer is a party or may be bound or affected, or a violation of any law, regulation or court order which currently affects the Project, any part thereof, any interest therein or the use thereof.

SECTION III CONVEYANCE OF THE CITY LOTS

3.1 Form of Deed. The City shall convey to Developer fee simple title to each City Lot (upon the request of Developer pursuant to the terms of the Agreement) by quitclaim deed substantially in the form attached hereto as Exhibit F ("Deed"). The conveyance and title of each City Lot, in addition to the provisions of the Agreement, shall, without limiting the quitclaim nature of the Deed, be subject to the following ("Permitted Exceptions"):

1. Covenants and restrictions set forth in the Deed.
2. Schedule B exceptions in the title policy described in Section 3.3.
3. General real estate taxes.
4. Easements of record and not shown of record.
5. Such defects which cannot reasonably be cured but will not affect the use, marketability and insurability of the City Lots.
6. Title objections caused by Developer.
7. The Land Value Lien, this Agreement and the right of reverter retained in this Agreement.

In addition, each City Lot shall be conveyed to Developer with no warranty, express or implied, by the City as to the condition of the soil, its geology, or the presence of known or unknown faults. It shall be the sole responsibility of Developer, at its sole expense, to investigate and determine the soil and environmental condition existing in each City Lot. At the City's request, such investigation shall at the minimum consist of a Phase I environmental assessment and a soil test or, in the alternative, an engineering test subsequent to excavation of the City Lot. If the soil conditions are not in all respects entirely suitable for construction of a Home, then if the Developer elects to nonetheless take title to such City Lot, it shall be the sole responsibility and obligation of Developer to take such action as may be necessary to place the soil and environmental condition of each City Lot in a condition entirely suitable for such intended use. However, in the alternative, the Developer may elect to not take title to such City Lot, in which instance neither the City nor the Developer shall have any further rights or obligations with respect to such City Lot under this Agreement. If the Developer does any soil testing and elects to not take title to a City Lot, then the Developer agrees to: (a) restore the City Lot to its condition immediately prior to the commencement of any testing conducted by or on behalf of Developer (said obligation to restore the City Lot does not include any requirement of Developer to undertake any landscaping of the City Lot), and (b) provide the City with copies of any and all soil and environmental reports prepared on behalf of Developer with regard to the City Lot.

3.2 Conveyance of the City Lots. Before the City shall deliver a Deed to Developer for any City Lot, and before any construction may commence on any City Lot, DOH shall have reviewed and approved the following closing deliveries (fully executed and acknowledged, where applicable), each of which, unless waived in writing by DOH, shall be a condition precedent to the City's obligation to deliver any Deed:

- (a) Working Drawings and Specifications for each model of Home to be constructed (as described in Section 4.2 below);
- (b) Developer's Budget;
- (c) Developer's Financing;
- (d) the building permit received by the Developer with regard to the construction of the Home on the Lot;
- (e) this Agreement, which shall constitute the Land Value Lien instrument securing the Land Value Lien Amount and any Additional Land Value Lien Amount;
- (f) a certified copy of the contract between Developer and its general contractor, and all executed contracts covering the completion of the Project from the major subcontractors, if available;
- (g) the condition of title with regard to the Lot;
- (h) a final plat of survey for the Lot certified by a licensed engineer showing all easements, encroachments and containing a legal description of the Lot;
- (i) a certificate of good standing for the Developer from the State of Illinois, a certificate of incumbency identifying Developer's current officers and including specimen signatures, copy of the Developer's bylaws and resolutions authorizing the Developer's performance of its obligations under this Agreement;
- (j) Internal Revenue Service taxpayer identification numbers;
- (k) originals of the Construction Loan documents or evidence of Financing acceptable to the DOH;
- (l) Developer's written request for the conveyance of the specified City Lot(s);
- (m) such transfer tax declarations, ALTA statements and similar customary transaction documents as may be necessary to consummate the conveyance; and
- (n) the Escrow Agreement.

The Escrowee shall also have received the following documents submitted by the City (if required by the Escrowee): (a) one copy of this Agreement; and (b) a certified copy of the Project Ordinance Subject to the Developer's satisfaction of the conditions precedent described above in Section 3.2(a) through (n) above, the City shall deliver to the Escrowee the Deed.

If the conditions described in this Section 3.2 (a) through (n) are not achieved by Developer for the construction of the first Home in the Project within three (3) months of the execution date of this Agreement (except in the instance of the occurrence of any Permitted Delay described in Section 6.2 below), then the Agreement, at the option of the City, shall become null and void and the City shall be under no further obligation to Developer. The City shall have no obligation to

convey any further City Lots pursuant to this Agreement after the date that is twenty-four (24) months after the execution date of this Agreement.

3.3 Title Insurance. Upon the conveyance of each City Lot, the Developer shall obtain at the Developer's sole expense, title insurance from the Title Company, consisting of an Owner's Policy ALTA form B (1987), dated as of the date of conveyance, insuring the title of Developer with regard to the City Lot, subject only to the reservations and exceptions provided in this Section 3 and such endorsements as it may require. The City agrees to use reasonable efforts to assist Developer in obtaining said endorsements.

3.4 Real Estate Taxes. The City shall take all appropriate steps to secure the exemption or waiver of general real estate taxes due and payable prior to the date of recording of the Deed to the extent such an exemption or waiver may be obtained through the City's preparation of a so-called "216(e) Letter" or the filing to vacate a tax sale in error. If any general real estate taxes for a City Lot cannot be so cleared, the City shall be under no further obligation and the Developer may either elect to close and accept conveyance of the City Lot subject to such general real estate taxes or decline to accept such City Lot. Developer shall also be responsible for payment of all real estate taxes payable after the recording of said Deed.

3.5 No Substitution of Lots. If the City cannot clear tax liens or other exceptions to title in a manner suitable for purposes of the Agreement, or Developer's investigation of the soil and environmental condition leads Developer to refuse the conveyance of said Lots (or to re-convey said City Lots to the City) then the City shall have no duty to provide substitute lots for development under this Agreement. Moreover, under no circumstances, shall the City be compelled by Developer, with regard to any City Lot, to remedy any tax lien, title exception, or soil or environmental condition described in this Section 3.

3.6 Recordation of Deed. The Developer shall promptly file each Deed for recordation with the Office of the Recorder of Deeds of Cook County, Illinois ("Recorder's Office") and pay all recording costs.

SECTION IV THE CONSTRUCTION OF THE PROJECT

4.1 Schedule of Construction Progress. Developer shall construct the Homes on the City Lots in accordance with that certain construction timetable schedule dated as of _____, 2006 ("Schedule"), prepared by Developer, approved by the DOH, and attached hereto as Exhibit G. The Schedule represents an estimate of the number of Homes to be completed by Developer by the expiration of certain time periods within the twenty-four (24) month time frame for commencement and completion of the Project as described further in Section 4.7 below. If Developer's construction of Homes falls short of its completion obligations under the Schedule, certain of the City Lots (and the corresponding amount of subsidies allocated to the Project pursuant to Section 4.5(b)) may be released from the terms of this Agreement and thereafter may be made available to the City for alternative redevelopment plans.

Developer covenants that the Homes shall be constructed in accordance with the Working Drawings and Specifications. Upon completion of the construction of each Home, the City shall issue to Developer the Certificate pursuant to Section 4.8.

4.2 Working Drawings and Specifications. The preliminary Working Drawings and Specifications dated _____, 2006, containing the preliminary plans and drawings with regard to the construction of each model of Home, are approved by the DOH and listed on Exhibit D attached hereto. Within thirty (30) days of the execution date of the Agreement, Developer shall submit to the DOH for its approval Developer's proposed final Working Drawings and Specifications with regard to each model of Home. The DOH shall have thirty (30) days within which to approve or reject said drawings and specifications. If the DOH rejects the Working Drawings and Specifications, Developer shall have sixty (60) days in order to correct such documents and resubmit them to the DOH for its approval. The DOH shall thereafter have thirty (30) days within which to approve or reject the corrected documents. Upon the approval of the DOH, said Working Drawings and Specifications shall constitute the final Working Drawings and Specifications.

If, after executing this Agreement, the Developer desires to construct a different type of model Home than that reflected in the Working Drawings and Specifications listed on Exhibit D attached hereto, Developer shall submit to the DOH Working Drawings and Specifications for said model. The DOH shall have thirty (30) days within which to approve or reject said Working Drawings and Specifications. If the DOH rejects the Working Drawings and Specifications, Developer shall have sixty (60) days in order to correct such documents and resubmit them to the DOH for approval. Upon the approval of the DOH, said Working Drawings and Specifications shall constitute final Working Drawings and Specifications.

The Working Drawings and Specifications shall conform to the terms of the Agreement, the City Lots Program, and all applicable federal, state and local laws, ordinances and regulations, including, without limitation, the Zoning Ordinance of the City of Chicago, Title 17, Municipal Code of Chicago, the current edition of the Model Energy Code published by the Council of American Building Officials, and the housing quality standards contained in 24 C.F.R. Section 882.109.

Any material amendment to the Working Drawings and Specifications must be submitted to the DOH for its approval, which approval shall not be unreasonably withheld or delayed.

4.3 Preparation of the Lots; General Requirements. Developer and the City acknowledge that some of the Lots may have "atypical" conditions (sunken lot and other site elevation problems, ingress and egress problems, parking problems, and/or issues concerning the location of the Homes vis-a-vis existing buildings located on the parcels adjacent to the Lots) which dictate that special consideration should be given to the construction of Homes on such Lots. These "atypical" conditions do not include matters which are routinely considered by the City's Department of Buildings with regard to the issuance of building permits. Accordingly, prior to the commencement of construction of the Project, a representative of Developer and the DOH shall conduct a site visit of each of the Lots listed on Exhibit A to determine if any special, "atypical" conditions exist. Those lots shall be deemed as "Special Lots" for purposes of the Agreement.

Prior to the commencement of construction by Developer on any Special Lot, the DOH must approve a site-specific, final plat of survey (including grading elevations) identifying the proposed location of the model type, showing the resolution of any elevation, ingress/egress, parking and location issues. Subject to the limitations in Section 4.5(b), the City may provide the assistance described therein to remedy such atypical conditions.

In addition, prior to the commencement of construction on any of the Lots, the environmental effect of the development and construction of the Project must be assessed in accordance with the provisions of the National Environmental Policy Act of 1969 and implementing regulations contained in 24 C.F.R. Parts 50 and 58. In such regard, the City may grant to Developer a right of entry to the City Lots for the purpose of allowing Developer's architects and engineers to inspect each City Lot and to investigate the soil and environmental condition existing in each City Lot.

Construction and development of any of the Homes shall be in accordance with the Lead-Based Paint Poisoning Prevention Act, 42 U.S.C. 4821 et seq., and the corresponding regulations contained in 24 C.F.R. Part 35. In addition, Developer shall comply with the Flood Disaster Protection Act of 1973, 42 U.S.C. 4001-4128).

4.4 Limited Applicability of DOH's Approval. Any approvals of the Working Drawings and Specifications made by the DOH are for the purposes of the Agreement only and do not affect or constitute approvals required for building permits or approvals required pursuant to any other ordinance or code of the City, nor does any approval by the DOH pursuant to the Agreement constitute approval of the quality, structural soundness or the safety of the Homes. The City, however, agrees to assist Developer in expeditiously obtaining approvals for building permits and driveways affecting the Project.

4.5 Financing and Constructing the Project.

(a) Budget. Concurrent with the execution of the Agreement by Developer and its delivery to the City, Developer shall deliver to the DOH for its approval a written budget ("Budget") for the construction of the Homes. Developer shall also submit to the DOH a description of Developer's financing ("Financing"), which shall include the amount of Developer's equity in the Project and evidence of: (i) a commitment for adequate financing ("Commitment") obtained from a financial institution or lender, specifying the source and the amount of the loan, length of the term and the applicable interest rate, or (ii) evidence of a line of credit or other funding source necessary to fund the construction of the Homes. Within seven (7) business days of receipt, the DOH shall review and approve or reject the Financing, and the Commitment. The Financing shall be subject and subordinate to the terms and conditions of the Agreement.

Provided that the Commitment is approved by the City, Developer shall obtain financing from the lender identified in the Commitment ("Construction Lender") to permit the construction of the Project ("Construction Loan"). The Construction Lender shall be permitted to secure and evidence its loan by a mortgage ("First Mortgage") and mortgage note ("First Mortgage Note") encumbering the Lots. The Construction Loan funds shall be disbursed pursuant to the Escrow described in Section 4.5(c) below.

(b) City's Incentives.

(1) Sales Price. Subject to all of the terms, covenants and conditions of the Agreement, the City shall convey each City Lot for the consideration of One Dollar (\$1.00) if the fair market value of the City Lot is Fifty Thousand Dollars (\$50,000) or less, subject to the recapture and repayment provisions provided for herein. For purposes of the Agreement, the "fair market value" for each City Lot has been established as of the execution date of the Agreement and is listed on Exhibit A-1 attached hereto. The Developer acknowledges that upon the recording of this Agreement, the City shall have a lien against each City Lot conveyed pursuant hereto in the amount of the fair market value of such City Lot, as set forth on Exhibit A-1 (the "Land Value Lien"). The fair market value of a particular City Lot, up to the first \$50,000 in value (the "Land Value Lien Amount") shall be added to and included in the amount of monies secured by this Agreement and the City Junior Mortgage and potentially due and owing under such instruments. The amount by which the fair market value of a City Lot exceeds the sum of \$50,000 (if any) (such excess amount, the "Additional Land Value Lien Amount") shall also be secured by this Agreement and the City Junior Mortgage and subject to the special repayment provisions described in the final paragraph of this Section 4.5(b)(1).

Developer advise each initial homebuyer that such homebuyer shall be required to execute and record at the time of the homebuyer's purchase of the Two-Flat Building (and the Developer shall attach as an exhibit to the homebuyer's sales contract) a mortgage, security and recapture agreement in favor of the City (the "City Junior Mortgage"), in the form of Exhibit I to this Agreement, which shall also include the homebuyer's covenant to use the Two-Flat Building (or one unit therein) as the homebuyer's principal residence, and shall secure all amounts described in this Agreement as being subject to recapture or repayment . The amount of Land Value Lien Amount and any Additional Land Value Lien Amount shall be secured by the City Junior Mortgage and shall be repaid by the homebuyer to the City in accordance with its terms if the Two-Flat Building is sold or refinanced (except if such refinancing is in an amount equal to or less than the homebuyer's purchase price for the Home) by the initial homebuyer within four (4) years of purchase. The City Junior Mortgage shall be subordinate to the lien in favor of the homebuyer's permanent purchase mortgage, and any refinancing of such purchase money mortgage, provided such refinancing is in an amount equal to or less than the homebuyer's purchase price for the Two-Flat Building.

After the recording of this Agreement, and prior to a City Lot's conveyance to a homebuyer, the Land Value Lien Amount and any Additional Land Value Lien Amount shall not amortize and shall be immediately be due and payable to the City if the City Lot is sold except as expressly contemplated and permitted under this Agreement and the City Junior Mortgage. When a City Lot is conveyed to a homebuyer, the lien of this Agreement shall be released and be replaced by the lien of the City Junior Mortgage. The Land Value Lien Amount shall thereafter reduce in four equal installments on each anniversary date of such conveyance, and after the fourth anniversary date shall be zero. The Additional Land Value Lien Amount shall not amortize, but shall be an amount potentially due and owing the City calculated as the Additional Land Value Lien Amount, plus interest thereon at an annual rate of three percent (3%), from the date of such conveyance. The principal amount of and any accrued interest on the Additional Land Value Lien Amount shall become due upon the sale or refinancing (except a refinancing in an amount equal to or less than the

homebuyer's purchase price for the Home) of said Home during the forty (40) year period commencing on the date of such conveyance; provided, however, that if the subsequent homebuyer meets the income eligibility requirements of the City Lots Program, such purchaser may assume the obligations of the Land Value Lien as to such Additional Land Value Lien Amount for the balance of such forty (40) year term. The Land Value Lien, as initially evidenced by this Agreement and then evidenced by the City Junior Mortgage, shall be junior to the lien of any construction loan mortgage and any First Mortgage, and any subsequent purchase money mortgage obtained by any a homebuyer of a Home (if such homebuyer is income-eligible under the City Lots Program), and any refinancing of such purchase money mortgage, provided such refinancing is in an amount equal to or less than the homebuyer's purchase price for the Home.

(2) **Waiver of City Fees.** In conjunction with the construction by Developer of the Homes the City shall waive those certain fees and deposits as described in Exhibit C attached hereto.

(3) **Perimeter Site Improvements.** In connection with the construction by Developer of the Homes, the City may expend City general obligation bond proceeds or other legally available funds, up to a maximum amount of \$5,000 per City Lot, or \$50,000 in the aggregate, to complete Perimeter Site Improvement Work if the City, in its sole discretion, determines that such work is necessary to the construction of such new Homes, and subject to the availability of such bond proceeds or other legally available funds.

(c) **Escrow.** Prior to the commencement of construction of any Home, Developer and the City shall execute an escrow agreement ("Escrow Agreement") and open an escrow account ("Escrow") held by an institutional escrowee ("Escrowee") mutually acceptable to the parties. The Escrow shall be used to convey City Lots pursuant to the terms of the Agreement. The respective rights, liabilities and duties of the Escrowee are contained in the Agreement. If any conflict exists between the terms of the Agreement and the Escrow Agreement or any other instructions or other documents affecting the Escrow, the terms and provisions of the Agreement shall govern.

(d) **Review of Construction Progress.** During the construction of the Project, Developer shall submit to the City for its review any documentation relating to the construction work, including, without limitation, all additional building permits issued, an Owner's sworn statement and the general contractor's sworn statement.

During the construction of the Project by Developer, the Construction Lender shall employ, at the sole expense of Developer, an inspecting architect ("Inspector") (other than the architect who prepared the Working Drawings and Specifications) acceptable to the DOH, to review for the parties all activities undertaken with regard to the construction of the Home. If no Construction Lender exists (or if the Construction Lender does not wish to hire the Inspector), then the DOH, at the sole expense of Developer, shall utilize an Inspector which has been previously approved by the DOH.

The scope of the Inspector's work shall be contained in the terms of the contract between the Inspector and the Construction Lender, or the Inspector and the DOH, as the case may be, and shall include inter alia, providing a certification for the benefit of the Construction Lender and the DOH on the form attached hereto as Exhibit I that the construction of said Home complies with the Working Drawings and Specifications. The Inspector shall notify the DOH and the Construction

Lender of any discrepancies between the Working Drawings and Specifications and the actual construction of any Home, and shall provide the DOH with a copy of each and every Inspector's certification. A representative of the DOH shall have the right, but not the obligation, to accompany the Inspector during his inspection of the progress of the construction of the Homes .

(e) Homebuyer Closings and Disbursement of Subsidies. As long as Developer is not in material default in the due, prompt and complete performance or observance of any of its covenants or obligations contained in the Agreement, the conveyances of Homes and disbursement of Section 4.5(b) may proceed to closing provided the following conditions precedent are satisfied:

- (i) Developer and the homebuyer shall have complied with the applicable provisions described in Section 4.5(b), including, the execution of the City Junior Mortgage;
- (ii) The Inspector shall have delivered to the City its conditional certificate for said Home in the form of Exhibit I, conditioned and subject only to the completion of punch list items or such other items agreed to by the City, the Inspector and Developer ("Conditional Certificate");
- (iii) The City shall have issued its Certificate in accordance with Section 4.8 below;
- (iv) Developer, in the form of an owner's sworn statement and the general contractor's sworn statement, shall have submitted to the Escrowee and the Inspector affirmative proof that there are no materialmen's liens or claims exist affecting the Home, or that Developer has taken such appropriate action to cause the Title Company to insure over any title encumbrances caused by such liens or claims; provided, however, that the Title Company shall have received from Developer acceptable waivers or releases of lien covering at least seventy five percent (75%) of the hard construction costs associated with the construction of the Home;
- (v) Developer shall have submitted to the City a copy of the Owner's sworn statement and the general contractor's sworn statement describing all construction costs for the Home; and
- (vi) Developer shall have furnished to the City one (1) copy of an "as-built" survey showing the location of all completed improvements, including all walks, drives and other on-site appurtenances and improvements, showing site elevations, and showing no encroachments by any such improvements across the boundary lines of the Lot; and
- (vii) The DOH shall have issued a letter to Developer that the homebuyer meets the income eligibility requirements of the City Lots Program.

Developer shall be obligated to complete those items listed on the Conditional Certificate (including the punch list items) in a timely and expeditious manner subsequent to the closing. The City reserves the right to request that Developer deposit or reserve with the Escrowee funds (or in lieu thereof, deliver to the Escrowee a letter of credit) in an amount to pay for the cost of such

incomplete work, including, without limitation, any landscaping or other work that was not completed prior to closing because of weather-related conditions. Once such work has been completed, the Inspector shall conduct an on-site inspection in order to facilitate the issuance of a final certificate indicating that construction of the Home is complete ("Final Certificate"). Any funds retained by the Escrowee pursuant to this paragraph shall not be released until a copy of the Final Certificate is delivered to the Escrowee and the DOH.

Developer does also certify and agree that it shall not take its fee until the closing for the sale of a Home to a homebuyer.

4.6 Relocation of Utilities. If Developer requests the relocation, repair or replacement of any existing City utility lines in order to construct a Home, such utilities shall be relocated at Developer's sole expense. The DOH shall assist Developer in obtaining the cooperation of any City agency with regard to the relocation, repair or replacement of existing utility lines. Under no circumstances shall the City pay for any such relocation, repair or replacement costs. In addition, Developer shall be solely responsible for the payment of any costs associated with the repair, replacement or relocation of any private utility lines necessary to construct a Home.

4.7 Commencement and Completion of the Project. Developer, subject to the occurrence of Permitted Delays described in Section 6.2 below, shall commence with the construction of the Project within three (3) months of the execution date of the Agreement. Except as otherwise provided in the Agreement, Developer shall complete the Project within twenty-four (24) from said execution date. Developer, its successors and assigns, shall promptly begin and diligently complete the Project within such time periods. The Commissioner of DOH, in the Commissioner's sole discretion, may extend the completion upon the Developer's written request, by executing a written extension letter.

4.8 Certificate of Compliance. As each Home is substantially completed in accordance with the Working Drawings and Specifications (as evidenced by the issuance of the Inspector's Conditional Certificate or Final Certificate, as the case may be) and Developer has performed all of its other obligations under this Agreement, including without limitation, the closing conditions precedent specified in Section 4.5(e) above, the DOH, upon written request by Developer, shall furnish Developer with an appropriate compliance certificate ("Certificate"). The Certificate shall be evidence the Developer's compliance with respect to its obligation to construct such Home in accordance with the terms of this Agreement. The Certificate, however, shall not constitute evidence that Developer has complied with any applicable provisions of federal, state and local laws, ordinances and regulations with regard to the completion of the Home and furthermore, shall not serve as any "guaranty" as to the quality of the construction of said structure.

The Certificate shall be in recordable form and shall be delivered by the DOH to the Escrowee at the closing conveying the Home from Developer to the initial homebuyer. At such closing, the Developer shall provide the initial homebuyer with an Owner's Policy ALTA form B (1987) policy of title insurance issued by the Title Company, dated as of the closing date in the amount of the purchase price. Once the Certificate is recorded with the Recorder's Office, the Agreement shall no longer encumber the Lot.

4.9 Prohibition Against Unpermitted Encumbrances. Prior to the City's issuance of the Certificate for a Home on a particular Lot, neither Developer nor any successor in interest to the Lot shall engage in any financing or other transaction the effect of which creates an encumbrance or lien upon said Lot; provided, however, that Developer, after receiving the prior written consent of the City, may mortgage the Lot for the purpose of obtaining the Construction Loan or other financing source as described in Section 4.5(a) above to the extent necessary to construct the Home. Notwithstanding the above, no mortgage may be recorded against a City Lot until such City Lot is conveyed to Developer.

4.10 Mortgagees Not Obligated to Construct. Notwithstanding any of the provisions of the Agreement, no holder of a mortgage authorized by the Agreement (including any holder who obtains title to a City Lot as a result of foreclosure proceedings, or action in lieu therefor), shall be obligated to construct or complete the construction of any Home on the City Lot, or to guarantee such construction or completion. However, any such holder shall take its lien or hold such title subject to this Agreement and must devote the City Lot to those uses or improvements provided for or permitted in the City Lots Program and this Agreement, i.e., it may only complete the Homes on said Lots and convey such homes to homebuyers, as originally contemplated. The City shall not unreasonably withhold its consent to such a request, so long as the Construction Lender complies with the terms and conditions of the Agreement. In such event, the Construction Lender shall be required to execute such economic disclosure documents as the City deems appropriate.

Whenever the City shall deliver a notice or demand pursuant to Section 6.3(a), the City shall at the same time forward a copy of such notice or demand to any Construction Lender identified in Section 8.8. After the expiration of any applicable cure period, each such Construction Lender shall have the right, at its option, to remedy such default within an additional thirty (30) day cure period.

Whenever the Construction Lender shall deliver a default notice or demand to Developer under the Construction Loan documents, it shall at the same time forward a copy of such notice or demand to the City at the addresses listed in Section 8.8 below. After the expiration of any applicable cure period, the City shall have the right, at the City's option, to remedy such default within an additional thirty (30) day cure period.

SECTION V **CONVEYANCE OF THE HOMES**

5.1 Developer's Covenants for Participation in the City Lots Program.

(a) **Sales Price.** Developer acknowledges and affirms the objectives of the City with regard to the creation of the City Lots Program as a means of achieving the construction of affordable, new, high quality, owner-occupied housing within the corporate boundaries of the City. Developer affirmatively covenants that it shall sell and convey each Two-Flat Building for a base price per model, as set forth on Exhibit J, attached hereto, but in no event shall said base price for a particular Two-Flat Building exceed the sum of Two Hundred Sixty-Five Thousand Dollars (\$265,000), such amount being the current inflation-adjusted price limit under the City Lots Program. Developer's projected final sales pricing of the various models of the Two-Flat Buildings to be constructed by Developer are described on Exhibit J. The parties acknowledge that said base price does not include

options described on Exhibit K attached hereto which may be desired by individual homebuyers. The parties further acknowledge that said base price may further be slightly adjusted due to inflation, upon the written agreement of the parties.

(b) Compliance with Fair Housing and Non-Discrimination Laws. Developer shall not discriminate based upon race, color, religion, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military status, parental status or source of income in the design, marketing and sale of any Two-Flat Building constructed by Developer pursuant to the terms of the Agreement, and shall comply with any and all federal, state and local laws, statutes, ordinances or regulations with regard to non-discrimination in the sale and marketing of housing, including, without limitation, the Fair Housing Act, 42 U.S.C. sec. 3601-20 et seq. (1988) and implementing regulations at 24 C.F.R. Part 100; Executive Order 11063, as amended by Executive Order 12259 (3 C.F.R., 1958-1963 Comp., p. 652 and 3 C.F.R., 1980 Comp., p. 307)(Equal Opportunity in Housing) and implementing regulations at 24 C.F.R. Part 107; and Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d)(Nondiscrimination in Federally Assisted Programs) and implementing regulations issued at 24 C.F.R. Part 1; 42 U.S.C. sec. 1982 (1988), and sections 17-19 of Article I of the Constitution of the State of Illinois; the Age Discrimination Act of 1975, 42 U.S.C. sect. 6101-07, and implementing regulations at 24 C.F.R. Part 146, Section 504 of the Rehabilitation Act of 1973, 29 U.S.C. 794 and implementing regulations at 24 C.F.R. Part 8.

(c) Warranty of Habitability. At the closing for the conveyance of a Two-Flat Building from Developer to an initial homebuyer, Developer shall deliver to said homebuyer a warranty of habitability in the form of Exhibit L attached hereto. Said warranty of habitability shall have a duration of one year and shall be deemed to run with the land.

5.2 Marketing. Developer shall comply with the affirmative marketing requirements described in Section 5.1(b) above. In addition, Developer shall comply with the marketing plan which has been approved by the DOH and is attached hereto as Exhibit M, and to utilize solely those marketing materials which have been approved by the DOH either prior to or subsequent to the execution date of the Agreement with regard to the marketing of the Two-Flat Buildings to prospective homebuyers. Developer also agrees to place on at least one of the Lots a sign stating that the Two-Flat Building was (or shall be) constructed by Developer pursuant to the City Lots Program.

5.3 Income Eligibility Standards. Every potential homebuyer in conjunction with the homebuyer's execution of a purchase contract for the purchase of a Two-Flat Building, must be approved in writing by the DOH as meeting the income eligibility standards of the City Lots Program. Developer must provide the DOH with any and all information required by the DOH to confirm such homebuyer's income eligibility. The DOH shall have ten (10) business days from the date of receipt of a "complete information package" (which shall include, by means of illustration and not limitation, the W-2 forms from the initial homebuyer's employer(s), U.S. 1040 income tax returns for the previous two years, an affidavit or verification from the homebuyer with regard to household size, and the employer verification form utilized by the Federal National Mortgage Association within which to qualify potential homebuyers.

5.4 Pre-Purchase Qualification. Developer shall refer each prospective homebuyer for pre-purchase counseling, which shall be offered either by the DOH, a qualified community organization or lending institution. Each homebuyer must participate in pre-purchase counseling, and provide the DOH with a certificate or other evidence of participation.

5.5 Rental Units. Prior to the fourth anniversary date of the Two-Flat Building to a homebuyer, the homebuyer shall at all times rent the Rental Unit and is expressly prohibited from selling the Rental Unit as a condominium unit, townhome unit, a cooperative unit or under any other form of separate ownership, and is expressly prohibited from entering into a lease for such Rental Unit for a period longer than one year.

SECTION VI **PERFORMANCE**

6.1 Time of the Essence. Time is of the essence of the Agreement.

6.2 Permitted Delays. Neither the City, Developer, or any successor in interest to Developer, shall be considered in breach of its obligations to commence or complete the Project in the event of delay in the performance of such obligations due to unforeseeable causes beyond such party's control and without such party's fault or negligence, including but not limited to, any delays or halts in the construction of the Two-Flat Buildings, compelled by court order, acts of God, acts of the public enemy, acts of the United States or other governmental body, acts of the other party, fires, floods, epidemics, quarantine restrictions, strikes, vandalism, embargoes and unusually severe weather or delays of subcontractors due to such cause. The time for the performance of the obligations shall be extended only for the period of the permitted delay if the party seeking the extension shall request it in writing of the other party within twenty (20) days after the beginning of any such delay.

6.3 Breach.

(a) Generally. If the Developer defaults in the performance of its obligations under the Agreement, the Developer shall, upon written notice from the City, commence to immediately cure or remedy such default but, in any event, by not later than thirty (30) days after receipt of such notice (or such other cure period, if any, as may be expressly provided for in Section 6.3(b)). If the default is not cured within such thirty (30) day period (or such other cure period), the City may institute such proceedings at law or in equity as may be necessary or desirable in its sole discretion to cure and remedy such default, including but not limited to, proceedings to compel specific performance and foreclosure of the City Junior Mortgage.

(b) Event of Default. For purposes of the Agreement, the occurrence of any one or more of the following, which is not cured by the specified cure period, if any, shall constitute an "Event of Default":

- (1) Any warranty, representation or statement made or furnished by Developer is not true and correct, or any covenant is not complied with in any material respect; (30 day cure period); or

- (2) Any petition or proceeding is filed by Developer under the Federal Bankruptcy Code or any similar state or federal law, whether now or hereafter existing (no cure period) or any such petition or proceeding is involuntarily filed and not vacated, stayed or set aside (60 day cure period); or
- (3) Failure of Developer to finalize the Working Drawings and Specifications in accordance with Section 4.2 (30 day cure period); or
- (4) If Developer fails to commence or complete construction of a Two-Flat Building (including the nature of and the dates of the beginning and completion thereof) or abandons or substantially suspends construction work of any Two-Flat Building (30 day cure period); or
- (5) If Developer conveys any Two-Flat Building to a homebuyer in excess of the consideration described in Section 5.1 above, or conveys any Two-Flat Building to a homebuyer ineligible to participate in the City Lots Program (no cure period); or
- (6) Developer fails to comply with the non-discrimination covenants in Section 5.2 above with regard to the marketing and sale of the Two-Flat Buildings constructed by Developer (30 day cure period); or
- (7) Failure of Developer to pay real estate taxes or assessments affecting any Lots (accruing after the date of conveyance by the City to Developer with respect to the City Lots) when due, or placing thereon any encumbrance or lien unauthorized by the Agreement, or suffering any levy or attachment to be made, or any materialmen's or mechanics' lien, or any other unauthorized encumbrance or lien to attach to the Lots or any part thereof (unless Developer has taken such appropriate action to cause the Title Company to insure over any title encumbrances caused by such liens or encumbrances), and such taxes or assessments shall not have been paid, or the encumbrance or lien removed or discharged or provision satisfactory to the City made for such payment, removal or discharge; (30 day cure period); or
- (8) The occurrence of an event of default within the context of the First Mortgage, if any, which is not cured within the applicable time periods, if any, contained therein; or
- (9) The financial statements of Developer are not complete in all material respects or do not accurately present the assets, liabilities, results of operations and financial condition of Developer or there is a material adverse change in the assets, liabilities, results of operations or financial condition of Developer since the date of Developer's most recent financial statements; (30 day cure period); or
- (10) Developer makes or causes to be made, directly or indirectly, any payment, gratuity or offer of employment in connection with this Agreement or any contract paid from the City treasury or pursuant to any City ordinance, for services to any City agency ("City Contract") as an inducement for the City to enter into the Agreement or any

City Contract in violation of Chapter 2-156-120 of the Municipal Code of Chicago; (no cure period); or

- (11) Any assignment, pledge, encumbrance, transfer or other disposition is made in violation of Section 8.2 below (no cure period).

(c) **Prior to Commencement of Construction.** If prior to the commencement of construction of any Two-Flat Building, an Event of Default occurs, the City may immediately terminate this Agreement and institute any action or proceeding at law or in equity against Developer.

(d) **After Commencement of Construction Until Issuance of Certificate.** If after commencement of construction by Developer of a Two-Flat Building on any City Lot but before the City issues its Certificate for such Two-Flat Building, an Event of Default occurs, the City may immediately terminate the Agreement and institute any action or proceeding at law or in equity against Developer. In such event, Developer shall have no further right or interest regarding any City Lot not conveyed to Developer prior to the default.

In addition, the City shall have the right to re-enter and take possession of each City Lot previously conveyed, to terminate the Developer's title to such City Lots and all other rights and interests of Developer to said Lots and any improvements constructed thereon, and revert title in said City in the City without any compensation whatsoever to Developer; provided, however, that such condition subsequent and reversion of title in the City shall always be limited by, and shall not defeat, render invalid, or limit in any way, the lien of the First Mortgage.

Upon such reversion of title to the City Lots in the City, the DOH may complete the construction of any Two-Flat Buildings on the City Lots, including, if necessary, the hiring of an alternative contractor to complete the construction. Upon completion of construction, the DOH shall employ its best efforts to convey the Two-Flat Building (subject to the First Mortgage liens described above, if any) to a homebuyer under the City Lots Program, and in accordance with all applicable federal, state and local laws, ordinances and regulations. In the event a First Mortgage encumbers the City Lot on which the Two-Flat Building is built, then at the closing of the conveyance of such Two-Flat Building, the net sales proceeds from the sale of the Two-Flat Building shall be applied to repay an allocable share of the unpaid principal of the First Mortgage attributable to said City Lot and the interest accrued thereon due and payable as of the date of conveyance. When the City sells all of the Two-Flat Buildings in accordance with the provisions described in this paragraph, then upon repayment of all amounts under the First Mortgage any remaining proceeds shall be distributed pursuant to Section 6.3(e) below. In the alternative, the City may allow the Construction Lender to enter into possession of such Lots and cause the completion of construction of the Two-Flat Buildings so long as the Construction Lender complies with the terms and provisions of the Agreement.

(e) **Distribution of Sale Proceeds.** Upon the sale of all of the Two-Flat Buildings by the City pursuant to Section 6.3(d) above, the proceeds from said conveyance(s) shall be utilized first to reimburse the City for:

- (1) costs and expenses incurred by the City with regard to the reconveyance of the City Lots, management of the City Lots, and the subsequent conveyance of the City Lots to the homebuyers;
- (2) all taxes, assessments, and water and sewer charges paid with respect to the City Lots;
- (3) any payments made or necessary to be made (including attorneys' fees) to discharge or prevent from attaching or being made any subsequent encumbrances or liens against the City Lots;
- (4) any expenditures made or obligations incurred with respect to the construction and maintenance of any Two-Flat Buildings constructed on the City Lots;
- (5) any other amounts owed to the City by Developer, its successors or transferees under this Agreement, the City Junior Mortgage or otherwise; and
- (6) any remaining sums shall be delivered to Developer.

(f) After Conveyance. If an Event of Default occurs under Section 6.3(b)(5) or Section 6.3(b)(6), then the City shall have the right to institute a suit for injunctive relief against Developer, or alternatively, at the option of the City solely with regard to an Event of Default under Section 6.3(b)(5), Developer, within twenty (20) days after the receipt of written notice of default from the City, shall deliver the sum of one and one-half times the amount by which the sales price exceeds the permitted consideration described in Section 5.1, per violation to the City, said sum representing an amount of liquidated damages and not a penalty.

6.4 Waiver and Estoppel. Any delay by the City in instituting or prosecuting any actions or proceedings or otherwise asserting its rights shall not operate as a waiver of such rights or operate to deprive the City of or limit such rights in any way. No waiver made by the City with respect to any specific default by Developer shall be construed, considered or treated as a waiver of the rights of the City with respect to any other defaults of Developer.

6.5 Indemnity. Developer hereby agrees to indemnify, defend and hold the City harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, attorneys' fees and court costs), suffered or incurred by the City (except due to the negligence of the City) arising from or in connection with: (i) the failure of Developer to perform its obligations under the Agreement; (ii) the failure of Developer or any contractor to pay contractors, subcontractors or materialmen in connection with the construction of the Two-Flat Buildings (unless Developer has taken such appropriate action to cause the Title Company to insure over any title encumbrances caused by such liens and encumbrances); (iii) a material misrepresentation or material omission in Developer's application to participate in the City Lots Program or in the Agreement which is the result of information supplied or omitted by Developer or by agents, employees, contractors, subcontractors, or persons acting under the control or at the request of Developer; (iv) the failure of Developer to redress any misrepresentations or omissions in the Agreement or any other agreement relating hereto; (v) any activity undertaken by

Developer on any of the City Lots or any part thereof; and (vi) any claim or cost relating to any soil or environmental condition existing at, or created by Developer on, any City Lot.

6.6 Access to the Lots. Any duly authorized representative of the City shall, at all reasonable times, have access to any Lot, or part thereof, from the execution date of the Agreement until the City issues its Certificate with regard to the completion of the Two-Flat Building on the Lot, for the purpose of confirming Developer's compliance with this Agreement.

6.7 City's Right to Inspect Records. Until the date that is three years after the date on which the City issues its Certificate with regard to the completion of the final Two-Flat Building, the City shall have the right and authority to review and audit, from time to time, Developer's books and records relating to the Project, including, without limitation, Developer's loan statements, the construction manager's sworn statements, general contracts, subcontracts, purchase orders, waivers of lien, paid receipts and invoices. All such books, records and other documents shall be available at the offices of Developer for inspection, copying, audit and examination by any duly authorized representative of the City; provided, however, that the City shall provide Developer with at least five (5) business days' written notice of any proposed inspection of Developer's books and records.

SECTION VII DEVELOPER'S EMPLOYMENT OBLIGATIONS

7.1 Employment Opportunity. Developer agrees for itself and its successors and assigns, and shall contractually obligate its or their various contractors, subcontractors or any Affiliate of Developer operating on the Project (collectively, with Developer, the "Employers" and individually an "Employer") to agree, that for the term of this Agreement with respect to Developer and during the period of any other party's provision of services in connection with the construction of the Project and the occupation of the Lots with regard thereto:

- A. No Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Chapter 2-160, Section 2-160-010 et seq., Municipal Code of Chicago, except as otherwise provided by said ordinance and as amended from time to time (the "Human Rights Ordinance"). Each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, shall state that all qualified applicants

shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

- B. Each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including, but not limited to, the Human Rights Ordinance, and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.
- C. Developer, in order to demonstrate compliance with the terms of this Section, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.
- D. Developer and each Employer shall include the foregoing provisions of subparagraphs A through C in every contract entered into in connection with the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any Affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or affiliate, as the case may be.
- E. Failure to comply with the employment obligations described in this Section 7.1 shall be a basis for the City to pursue remedies under the provisions of Section 6 above.

7.2 City Resident Employment Requirement. Developer agrees for itself and its successors and assigns, and shall contractually obligate the other Employers, as applicable, to agree, that during the construction of the Project they shall comply with the minimum percentage of total worker hours performed by actual residents of the City of Chicago as specified in Section 2-92-330 of the Municipal Code of Chicago (at least fifty percent of the total worker hours worked by persons on the site of the construction for the Project shall be performed by actual residents of the City of Chicago); provided, however, that in addition to complying with this percentage, Developer and the other Employers shall be required to make good faith efforts to utilize qualified residents of the City of Chicago in both unskilled and skilled labor positions.

Developer and the other Employers may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the Purchasing Agent of the City of Chicago.

"Actual residents of the City of Chicago" shall mean persons domiciled within the City of Chicago. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

Developer and the other Employers shall provide for the maintenance of adequate employee residency records to ensure that actual Chicago residents are employed on the Project. Developer and the other Employers shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) shall be submitted to the Commissioner of the DOH in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the company hired the employee should be written in after the employee's name.

Developer and the other Employers shall provide full access to their employment records to the Purchasing Agent, the Commissioner of the DOH, the Superintendent of the Chicago Police Department, the Inspector General, or any duly authorized representative thereof. Developer and the other Employers shall maintain all relevant personnel data and records for a period of at least three (3) years after final acceptance of the work constituting the Project as evidenced by the issuance of the Certificate for the last Two-Flat Building constructed by Developer.

At the direction of the DOH, affidavits and other supporting documentation will be required of Developer and the other Employers to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

Good faith efforts on the part of Developer and the other Employers to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Purchasing Agent) shall not suffice to replace the actual, verified achievement of the requirements of this Section concerning the worker hours performed by actual Chicago residents.

When work at the Project is completed, in the event that the City has determined that Developer and the other Employers failed to ensure the fulfillment of the requirement of this Section concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section. Therefore, in such a case of non-compliance it is agreed that 1 / 20 of 1 percent (.05%), 0.0005, of the aggregate hard construction costs set forth in the Budget (as the same shall be evidenced by approved contract value for the actual contracts) shall be surrendered by Developer and/or the other Employers to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject Developer and/or the other Employers or employee to prosecution. Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement.

Developer shall cause or require the provisions of this Section 7.2 to be included in all construction contracts and subcontracts related to the Project.

7.3 Developer's MBE/WBE Commitment. The Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the General Contractor to agree that during the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code of Chicago (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code of Chicago (the "Construction Program," and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 7.3, during the course of the Project, at least the following percentages of the MBE/WBE budget to be approved by DOH's monitoring staff shall be expended for contract participation by minority-owned businesses ("MBEs") and by women-owned businesses ("WBEs"):

- (1) At least 24 percent by MBEs.
- (2) At least four percent by WBEs.

(b) For purposes of this Section 7.3 only:

(i) The Developer (and any party to whom a contract is let by the Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by the Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code of Chicago, as applicable.

(ii) The term "minority-owned business" or "MBE" shall mean a business identified in the Directory of Certified Minority Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a minority-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(iii) The term "women-owned business" or "WBE" shall mean a business identified in the Directory of Certified Women Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a women-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code of Chicago, the Developer's MBE/WBE commitment may be achieved in part by the Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture or (ii) the amount of any actual work performed

on the Project by the MBE or WBE), by the Developer utilizing a MBE or a WBE as the General Contractor (but only to the extent of any actual work performed on the Project by the General Contractor), by subcontracting or causing the General Contractor to subcontract a portion of the Project to one or more MBEs or WBEs, or by the purchase of materials or services used in the Project from one or more MBEs or WBEs, or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer's MBE/WBE commitment as described in this Section 7.3. In accordance with Section 2-92-730, Municipal Code of Chicago, the Developer shall not substitute any MBE or WBE General Contractor or subcontractor without the prior written approval of DOH.

(d) The Developer shall deliver quarterly reports to the City's monitoring staff during the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, *inter alia*, the name and business address of each MBE and WBE solicited by the Developer or the General Contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining the Developer's compliance with this MBE/WBE commitment. The Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the Project for at least five years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by the Developer, on five Business Days' notice, to allow the City to review the Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the Project.

(e) Upon the disqualification of any MBE or WBE General Contractor or subcontractor, if such status was misrepresented by the disqualified party, the Developer shall be obligated to discharge or cause to be discharged the disqualified General Contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this Section (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code of Chicago, as applicable.

(f) Any reduction or waiver of the Developer's MBE/WBE commitment as described in this Section 7.3 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code of Chicago, as applicable.

(g) *Prior to the commencement of the Project, the Developer shall be required to meet with the City's monitoring staff with regard to the Developer's compliance with its obligations under this Section 7.3. The General Contractor and all major subcontractors shall be required to attend this pre-construction meeting. During said meeting, the Developer shall demonstrate to the City's monitoring staff its plan to achieve its obligations under this Section 7.3, the sufficiency of which shall be approved by the City's monitoring staff. During the Project, the Developer shall submit the documentation required by this Section 7.3 to the City's monitoring staff, including the following:* (i) subcontractor's activity report; (ii) contractor's certification concerning labor standards and prevailing wage requirements; (iii) contractor letter of understanding; (iv) monthly utilization report; (v) authorization for payroll agent; (vi) certified payroll; (vii) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (viii)

evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that the Developer is not complying with its obligations under this Section 7.3, shall, upon the delivery of written notice to the Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (1) issue a written demand to the Developer to halt the Project, (2) withhold any further payment of any City Funds to the Developer or the General Contractor, or (3) seek any other remedies against the Developer available at law or in equity.

SECTION VIII **MISCELLANEOUS PROVISIONS**

8.1 Entire Agreement. This Agreement contains the entire agreement of the parties with respect to the Project and supersedes all prior agreements, negotiations and discussions with respect thereto. It shall not be modified, amended or changed in any material manner whatsoever except by mutual consent of the parties as reflected by written instrument executed by the parties hereto. The term "material" for the purpose of this Section 8.1 shall be defined as any deviation from the terms of the Agreement which operates to cancel or otherwise reduce any developmental, construction or job-creating obligation of Developer by more than five percent (5%) or substantially changes the character of the Project or any activities undertaken by Developer affecting the Project, or increases any time agreed for performance by either party by more than thirty (30) days, subject to Section 4.7.

8.2 Assignability and Transfer. Unless permitted under Section 4.9 above, prior to the City's issuance of the Certificate with regard to the completion of a Two-Flat Building, the Developer shall not assign, transfer or convey any right, title or interest in the Lot on which such Two-Flat Building is constructed. Notwithstanding the above, Developer may sign purchase contracts with initial homebuyers prior to the issuance of the Certificate. In addition, Developer may convey its right, title and interest to any of the Lots to a land trust formed under the laws of the state of Illinois and of which Developer is the sole beneficiary; provided, however, that the City must receive prior notification of such transfer accompanied by a certified copy of the land trust agreement, and the City, Developer and the land trustee shall execute a document granting the City the irrevocable right to approve the land trust documents.

8.3 Conflict of Interest - City's Representatives Not Individually Liable. Prior to the issuance of the Certificate by the City with regard to the completion of the final Two-Flat Building, no member of any City board, commission or agency, or official or employee of the City shall have any personal interest, direct or indirect, in Developer, the Agreement or the Project; nor shall any such member, official or employee participate in any decision relating to the Agreement which affects his or her personal interest or the interests of any corporation, partnership or association in which he or she is directly or indirectly interested. This prohibition shall include those public officials who have exercised any functions or responsibilities with respect to this Project or the City Lots Program or who are in a position to participate in a decision making process or gain inside information with regard to the Project or the City Lots Program or may obtain a financial interest or benefit from this Project, or have an interest in any contract, subcontract, or agreement with

respect thereto, or the proceeds therefore, either for themselves or those with whom the officials have family or business ties, during the tenure or employment of said public officials and for a period of one year thereafter. The foregoing shall not be deemed to exclude employees of the City who meet the requirements of the City Lots Program from purchasing Two-Flat Buildings for their primary residences, and who are able to do so pursuant to an ordinance passed by the City Council of the City. No member, official or employee of the City shall be personally liable to Developer, or any successor in interest, to perform any commitment or obligation of the City under the Agreement nor shall any such person be personally liable in the event of any default or breach by the City.

8.4 Survival. All representations and warranties contained in the Agreement shall survive execution date of the Agreement and the execution, delivery and acceptance hereof by the parties shall not constitute a waiver of rights arising by reasons of any misrepresentation.

8.5 Mutual Assistance. The parties agree to perform their respective obligations, including the execution and delivery of any documents, instruments, petitions and certifications, as may be necessary or appropriate, consistent with the terms and provisions of the Agreement.

8.6 Cumulative Remedies. The remedies of the City hereunder are cumulative and the exercise of any one or more of the remedies provided by the Agreement shall not be construed as a waiver of any of the other remedies of the City unless specifically so provided herein.

8.7 Disclaimer. No provision of the Agreement, nor any act of the City, shall be deemed or construed by any of the parties, or by third persons, to create any relationship of third-party beneficiary, or of principal or agent, or of limited or general partnership, or of joint venture, or of any association or relationship involving the City.

8.8 Notices. Any notice called for herein shall be in writing and shall be mailed postage prepaid by registered or certified mail with return receipt requested, or hand delivered and receipted, as follows:

8.10 Governing Law. The Agreement shall be governed by and construed in accordance with the laws of the State of Illinois and, where applicable, the laws of the United States of America.

8.11 References to Statutes. All references herein to statutes, regulations, rules, executive orders, ordinances, resolutions, rulings, notices or circulars issued by any governmental body shall be deemed to include any and all amendments, supplements and restatements from time to time to or of such statutes, regulations, rules, executive orders, ordinances, resolutions, rulings, notices or circulars.

8.12 Recordation of the Agreement. Upon execution of the Agreement by the parties, the City shall promptly record one original of the Agreement with the Office of the Recorder of Deeds of Cook County, Illinois.

8.13 No Third Party Beneficiary. The approvals given by the City pursuant to the Agreement and the Certificate when issued by the City shall be only for the benefit of Developer, the First Mortgagee, and their successors in interest in the Project and no other person or party may assert against the City or claim the benefit of such approval or certificate.

8.14 Successors and Assigns. The terms of the Agreement shall be binding upon the City and Developer, and the Developer's successors and assigns.

8.15 Severability. If any provision of the Agreement, or any paragraph, sentence, clause, phrase, or word, or the application thereof, in any circumstance, is held invalid, the remainder of the Agreement shall be construed as if such invalid part were never included herein and the Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

8.16 Counterparts. The Agreement shall be executed in triplicate, each of which shall constitute an original instrument.

8.17 Executive Order 2005-1. Developer agrees that Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in Developer of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Developer's contractors (i.e., any person or entity in direct contractual privity with Developer regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Developer and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (i) after execution of this Agreement by Developer, (ii) while this Agreement or any Other Contract is executory, (iii) during the term of this Agreement or any Other Contract between Developer and the City, or (iv) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

Developer represents and warrants that from the later of (i) February 10, 2005, or (ii) the date the City approached the Developer or the date the Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Developer agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Developer agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 05-1 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 05-1.

Developer agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 05-1 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Developer intentionally violates this provision or Mayoral Executive Order No. 05-1 prior to the closing of this Agreement, the City may elect to decline to close the transaction contemplated by this Agreement.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source which are then delivered by one person to the Mayor or to his political fundraising committee.

"Other Contract" means any other agreement with the City of Chicago to which Developer is a party that is (i) formed under the authority of chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council of the City of Chicago.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

- (A) they are each other's sole domestic partner, responsible for each other's common welfare; and
- (B) neither party is married; and
- (C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and
- (D) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
- (E) two of the following four conditions exist for the partners:
 - 1. The partners have been residing together for at least 12 months.
 - 2. The partners have common or joint ownership of a residence.
 - 3. The partners have at least two of the following arrangements:
 - a. joint ownership of a motor vehicle;
 - b. a joint credit account;
 - c. a joint checking account;
 - d. a lease for a residence identifying both domestic partners as tenants.
 - 4. Each partner identifies the other partner as a primary beneficiary in a will.

"Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

8.18. Patriot Act Certification. The Developer represents and warrants that neither the Developer nor any Affiliate thereof (as defined in the next paragraph) is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List

As used in the above paragraph, an "Affiliate" shall be deemed to be a person or entity related to the Developer that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Developer, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

8.19. Business Relationships. The Developer acknowledges (A) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (B) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (c) notwithstanding anything to the contrary contained in this Amendment, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Amendment shall be grounds for termination of this Amendment and the transactions contemplated hereby. The Developer hereby represents and warrants that no violation of Section 2-145-030 (b) has occurred with respect to this Amendment or the transactions contemplated hereby.

8.20. Waste Ordinance Provisions. In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Developer warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this Amendment is executory, Developer's, any general contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Amendment, constitutes a breach of and an event of default under this Amendment, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Chief Procurement Officer. Such breach and default entitles the City to all remedies under the Amendment, at law or in equity. This section does not limit the Developer's, general contractor's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Amendment. Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Amendment, and may further affect the Developer's eligibility for future contract awards.

Further, this quitclaim deed ("Deed") is made and executed upon, and is subject to certain express conditions and covenants hereinafter contained, said conditions and covenants being a part of the consideration for the Property and are to be taken and construed as running with the land, and Grantee hereby binds itself and its successors, assigns, grantees and lessees to these covenants and conditions, which covenants and conditions are as follows:

First: Grantee shall devote the Property only to the uses authorized by Grantor and specified in the applicable provisions of: (i) the City Lots For City Living Program ordinance, first adopted October 2, 1995 and published in the *Journal of the Proceedings of the City Council of the City of Chicago* for such date at pages 8086 -- 8089, as most recently amended and restated by that certain ordinance adopted April 26, 2006 and published in the *Journal of the Proceedings of the City Council of the City of Chicago* for such date at pages 75201 -- 75212 ("Program"), and (ii) that certain agreement known as "Redevelopment Agreement, City Lots For City Living Program, Community Male Empowerment Project" entered into between Grantor and Grantee as of _____, 2006 and recorded with the Office of the Recorder of Deeds of Cook County, Illinois on _____, 2006 as Document Number _____ ("Agreement"). Specifically, in accordance with the terms of the Agreement, Grantee shall construct a Two-Flat Building on the Property to be sold to the initial homebuyer for a price not to exceed the ceiling base price (excluding options or extras) of Two Hundred Sixty-five Thousand Dollars (\$265,000) all as further described in Section 4.5(b)(1) and Section 5.1 of the Agreement. Grantee shall advise each initial homebuyer and such homebuyer shall be required to execute and record at the time of the homebuyer's closing the City Junior Mortgage described in the Agreement.

Second: Grantee shall pay real estate taxes and assessments on the Property or any part thereof when due. Prior to the issuance by Grantor of a Certificate of Compliance (as hereafter defined) with regard to the Property, Grantee shall not encumber the Property, or portion thereof except to secure financing solely to obtain the First Mortgage (as such term is defined in the Agreement). Grantee shall not suffer or permit any levy or attachment to be made or any other encumbrance or lien to attach to the Property or portion thereof until Grantor issues a Certificate of Compliance with respect to the completion of the Two-Flat Buildings on the Property (unless Grantee has taken such appropriate action to cause the Title Company (as such term is described in the Agreement) to insure over any title encumbrances caused by such liens or claims).

Third: Grantee shall construct the Two-Flat Building on the Property in accordance with the terms of the Agreement. Grantee shall diligently proceed with the construction of such Two-Flat Building to completion, which construction shall commence within three (3) months from the date of conveyance of the Deed by Grantor to Grantee, and shall be completed by Grantee within the time frame described in the Agreement.

Fourth: Until Grantor issues the Certificate with regard to the completion of the Two-Flat Building, Grantee shall have no right to convey any right, title or interest in the Property without the prior written approval of Grantor, excepting as provided for in Section 8.2 of the Agreement.

Fifth: Grantee agrees for itself and any successor in interest not to discriminate based upon race, religion, color, sex, national origin or ancestry, age, handicap, sexual orientation, military status, parental status or source of income in the sale of the Two-Flat Building improving the Property.

Sixth: Grantee shall comply with those certain employment obligations described in Section VII of the Agreement.

The covenants and agreements contained in the covenant numbered Fifth shall remain without any limitation as to time. The covenants and agreements contained in covenants numbered First, Second, Third, Fourth and Sixth shall terminate on the date Grantor issues the Certificate of Compliance with respect to the Property upon which the pertinent Two-Flat Building is constructed, except that the termination of the covenant numbered Second shall in no way be construed to release Grantee from its obligation to pay real estate taxes and assessments on the Property or any part thereof.

In the event that subsequent to the conveyance of the Property and prior to delivery of the Certificate of Compliance by Grantor with regard to the completion of the Two-Flat Building on the Property, Grantee defaults in or breaches any of the terms or conditions described in Section 6.3(b) of the Agreement or covenants First and Third in the Deed which have not been cured or remedied within the period and in the manner provided for in the Agreement, Grantor may re-enter and take possession of the Property or portion thereof, terminate the estate conveyed by the Deed to Grantee as well as Grantee's right of title and all other rights and interests in and to the Property conveyed by the Deed to Grantee, and revert title in said Property or portion thereof with the City; provided, however, that said reversion of title in the City shall always be limited by, and shall not defeat, render invalid, or limit in any way, the lien of the First Mortgage (as defined in the Agreement) for the protection of the holders of the First Mortgage. The Property shall thereafter be developed in accordance with the terms of the Program and the Agreement, including but not limited to, Section 6.3(d) of the Agreement.

Notwithstanding any of the provisions of the Deed or the Agreement, including but not limited to those which are intended to be covenants running with the land, the holder of the First Mortgage or a holder who obtains title to the Property as a result of foreclosure of the First Mortgage shall not be obligated by the provisions of the Deed or the Agreement to construct or complete the construction of the pertinent Two-Flat Building or guarantee such construction or completion, nor shall any covenant or any other provision in the Deed or the Agreement be construed to so obligate such holder. Nothing in this section or any section or provision of the Agreement or the Deed shall be construed to permit any such holder to devote the Property or any part thereof to a use or to construct improvements thereon other than those permitted in the Program.

In accordance with Section 4.8 of the Agreement, after the substantial completion of construction of the Two-Flat Building improving the Property (as evidenced by, and based solely on, the issuance of the Conditional Certificate or Final Certificate by the Inspector), and provided that Developer has performed all of its other contractual obligations pursuant to the provisions contained in the Agreement and the objectives of the Program, Grantor shall furnish Grantee with an appropriate instrument in accordance with the terms of the Agreement ("Certificate of Compliance"). The Certificate of Compliance shall be issued by the City as a conclusive determination of satisfaction and termination of the covenants contained in the Agreement and Deed with respect to the obligations of Developer and its successors and assigns to complete such Two-Flat Building and the dates for beginning and completion thereof. The Certificate shall not constitute evidence that Developer has complied with any applicable provisions of federal, state or local laws, ordinances and regulations with regard to the completion of the Two-Flat Building in question, and shall not serve as any "guaranty" as to the quality of the construction of said structure.

In Witness Whereof, Grantor has caused this instrument to be duly executed in its name and behalf and its seal to be hereunto duly affixed and attested, by the Mayor and by the City Clerk, on or as of the ____ day of _____, 2006.

The Developer shall be solely responsible for and shall pay all costs associated with obtaining any title insurance, extended coverage or other endorsements it deems necessary.

C. Survey. The Developer shall be responsible for obtaining, at its sole cost and expense, any survey it deems necessary; provided, however, that in the event such survey discloses any title matters other than the Permitted Exceptions which the Title Company will not remove or insure over to the Developer's reasonable satisfaction prior to the Closing (as defined in Section 4.D below), the Developer may terminate this Agreement by delivery of written notice to the City, in which event the City shall return the Earnest Money and Performance Deposit to the Developer and this Agreement shall be null and void and, except as otherwise specifically provided herein, neither party shall have any further right, duty or obligation hereunder.

D. Closing. The closing of the transaction contemplated by this Agreement ("Closing") shall take place at the downtown offices of the Title Company, 120 N. LaSalle Street, Suite 900,

Chicago, Illinois 60602, on _____, 200__, or on such later date and at such place as the parties mutually agree to in writing (the "Closing Date"); provided, however, notwithstanding the parties' execution of this Agreement, in no event shall the Closing occur (i) unless and until the conditions precedent set forth in Sections 4, 5 and 8 are all satisfied, and (ii) any later than March 31, 2007 (the "Outside Closing Date"). Failure by the Developer to close by the aforementioned Outside Closing Date shall be considered an "Event of Default" as defined in Section 15 below. Notwithstanding the foregoing, the Commissioner of DPD shall have the right to unilaterally extend the Outside Closing Date one time by up to six (6) months for good cause shown.

E. **Building Permits.** The Developer shall apply for all necessary building permits and zoning approvals for the Project no later than fourteen (14) days after the City Council authorizes the sale of the Property and shall deliver evidence of all such permits and approvals to DPD at least fourteen (14) days prior to the Closing.

F. **Real Estate Taxes.** The City shall use reasonable efforts to obtain the waiver of any delinquent real estate tax liens on the Property prior to the Closing, to the extent such tax liens can be waived or released by the City's writing of an abatement letter to the Cook County Treasurer or a motion to vacate a tax sale. If the City is unable to obtain the waiver of any such tax liens, the Developer shall have the option to do one of the following: (i) accept title to the Property subject to the tax liens, without reduction in the Purchase Price; or (ii) terminate this Agreement by delivery of written notice to the City, in which event the City shall return the Earnest Money and Performance Deposit to the Developer and this Agreement shall be null and void. If the Developer elects to close, the Developer shall assume the responsibility for any such delinquent real estate taxes. The Developer shall also be responsible for all taxes accruing after the Closing. Until the City issues a Final Certificate of Completion (as defined in Section 9), the Developer shall notify the City that the real estate taxes have been paid in full within ten (10) days of such payment.

G. **Recording Costs.** The Developer shall pay to record the Deed and this Agreement and any other documents incident to the conveyance of the Property to the Developer.

H. **Escrow.** If the Developer requires conveyance through escrow, Developer shall pay all escrow fees.

I. **Insurance.** The Developer shall procure and maintain or cause to be maintained by its contractors, subcontractors, agents, and/or employees, at all times throughout the term of this Agreement, the following insurance coverages:

- (i) commercial general liability insurance with a combined single limit of not less than \$1,000,000.00 per occurrence for bodily injury, personal injury and property damage liability. Coverages shall include the following: all premises and operations, products/completed operations, independent contractors, separation of insureds, defense, and contractual liability (with no limitation endorsement). The City is to be

named as an additional insured on a primary, non-contributory basis for any liability arising directly or indirectly from the Project on the Property.

- (ii) Automobile Liability Insurance (Primary and Umbrella). When any motor vehicles (owned, non-owned and hired) are used in connection with work to be performed, the Developer shall provide automobile liability insurance with limits of not less than \$1,000,000.00 per occurrence, for bodily injury and property damage. The City shall be named as an additional insured on a primary non-contributory basis. Any contractors doing environmental remediation work shall endorse their automobile liability insurance policy to include the MSC90 Endorsement.
- (iii) Workers Compensation and Employers Liability Insurance. Workers compensation and employers liability insurance, as prescribed by applicable law covering all employees who are to provide a service under this Agreement and employers liability coverage with limits of not less than \$100,000.00 each accident or illness.

Evidence of such insurance, in the form of an Accord 27 Certificate or actual insurance policy or binder, shall be provided to the City. This Section 4.I. shall survive the Closing.

J. Due Diligence. The Developer shall deliver to DPD at least fourteen (14) days prior to the Closing due diligence searches in its name (UCC, state and federal tax lien, pending litigation and judgment in Cook County and N.D. Ill., and bankruptcy in Cook County and U.S. Bankr. Ct.), showing no unacceptable liens, litigation, judgments or filings, as reasonably determined by the Corporation Counsel.

K. Organization and Authority Documents. The Developer shall deliver to DPD at least fourteen (14) days prior to the Closing certified articles of organization, operating agreement, resolutions authorizing the Developer to enter into this transaction and such other corporate authority and organizational documents as the City may reasonably request.

SECTION 5. PROJECT BUDGET; PROOF OF FINANCING.

The total project budget is currently estimated to be Two Million Five Hundred Eight Thousand Three and 00/100 Dollars (\$2,508,003.00) (the "Preliminary Project Budget"). Not less than thirty (30) days prior to the Closing, the Developer shall submit to DPD for approval a final project budget materially consistent with the Preliminary Project Budget ("Budget") and evidence of equity and loan funds committed and available and adequate to finance the purchase of the Property and the construction of the Improvements. If the Developer fails to provide the City with a Budget or proof of financing to the City's reasonable satisfaction within the time period provided for herein, the City may, at its option, declare this Agreement null and void or delay the Closing until such time as the Developer complies with this Section 5.

SECTION 6. SITE PLANS AND ARCHITECTURAL DRAWINGS.

A. Site Plans. The Developer shall construct the Improvements in accordance with the renderings prepared by Atelier'7, Inc., 3340 Dundee Road, Northbrook, Illinois 60062, dated _____, and the site plans and architectural drawings prepared pursuant thereto, which have been approved by DPD and which are listed on Exhibit C attached hereto and incorporated herein by reference ("Drawings"). Parking spaces shall be made available to the dwelling units as per Exhibit C and shall be included in the purchase price for such units. The Project will comply with Leadership in Energy and Environmental Design (LEED) standards. In addition, the Developer shall comply with the City's Landscape Ordinance and shall install a green roof covering 50% of the net roof area which shall be Energy-Star certified. No material deviation from the Drawings may be made without the prior written approval of DPD, which shall be in DPD's sole discretion. A deviation that changes the square footage of any dwelling unit by more than 5%, changes the number of dwelling units in the Project or changes the basic use of the Property shall be deemed material. In the event the Developer submits and DPD approves revised site plans and/or architectural drawings after the date of this Agreement, the term "Drawings" as used herein shall refer to the revised site plans and/or architectural drawings upon DPD's written approval of the same.

B. Subsidized Units. The Developer shall sell one of the condominium units to be constructed on Property for a sum not to exceed One Hundred Eighty-Five Thousand Five Hundred and 00/100 Dollars (\$185,500.00) to households earning no more than 100% of the median income for the Chicago Primary Metropolitan Statistical Area ("PMSA"). Throughout this Agreement, the above-referenced subsidized unit shall be referred to as "Affordable Unit" and households qualifying for the Affordable Unit shall be referred to as "Qualified Household" or "Qualified Households".

C. Relocation of Utilities, Curb Cuts and Driveways. The Developer shall be solely responsible for and shall pay all costs associated with: (i) the relocation, installation or construction of public or private utilities, curb cuts and driveways; (ii) the repair or reconstruction of any curbs, vaults, sidewalks or parkways required in connection with or damaged as a result of the Developer's redevelopment; (iii) the removal of existing pipes, utility equipment or building foundations; and (iv) the termination of existing water or other services. The City shall have the right to approve any streetscaping, including any paving of sidewalks, landscaping and lighting provided by the Developer as part of the Project.

D. Inspection by the City. During the construction of the Project, the Developer shall permit any duly authorized representative of the City to enter onto the Property and the Developer Parcel for the purpose of determining whether the work is being performed in accordance with the terms of this Agreement and all applicable laws and codes.

E. Barricades and Signs. The Developer shall, at its sole cost and expense, erect and maintain such signs as the City may reasonably require identifying the Property as a City

redevelopment project. Prior to the commencement of any construction activity requiring barricades, the Developer shall install barricades of a type and appearance satisfactory to the City and constructed in compliance with all applicable federal, state and local laws, ordinances and regulations. The City shall have the right to approve the maintenance, appearance, color scheme, painting, nature, type, content and design of all signage and barricades, which approval shall not be unreasonably withheld or delayed. Upon start of construction, and with DPD's consent, a sales trailer may also be erected on the property.

F. Survival. The provisions of this Section 6 shall survive the Closing.

SECTION 7. LIMITED APPLICABILITY.

DPD's approval of the Drawings is for the purposes of this Agreement only and does not constitute the approval required by the City's Department of Construction and Permits ("DCAP") or any other City department; nor does the approval by DPD pursuant to this Agreement constitute an approval of the quality, structural soundness or safety of any improvements located or to be located on the Property or the Developer Parcel. DPD's approval shall be only for the benefit of the Developer and any lienholder authorized by this Agreement.

SECTION 8. COMMENCEMENT AND COMPLETION OF IMPROVEMENTS.

The Closing shall not occur unless and until the Developer is prepared to immediately commence construction of the Improvements. In no instance shall (a) construction commence later than March 31, 2007, or (b) construction be completed later than June 30, 2008. DPD shall have discretion to extend the dates in (a) and (b) by up to six (6) months each (i.e., no more than twelve (12) months in the aggregate) for good cause shown by issuing a written extension letter. The Developer shall give written notice to the City within five (5) days after it commences construction. The Improvements shall be constructed in accordance with the Drawings and all applicable laws, regulations, codes, and recorded encumbrances and restrictions.

SECTION 9. CERTIFICATE OF COMPLETION.

Upon completion of each of the residential units comprising the Project, the Developer shall deliver to the City a notice of closing ("Notice of Closing") in substantially the form attached hereto as Exhibit D. The Notice of Closing must include a Certificate of Substantial Completion from the project architect in substantially the form attached hereto as Exhibit E. Within thirty (30) days after receipt of a Notice of Closing and the accompanying Certificate of Substantial Completion, the City shall inspect the subject unit to determine whether it is substantially complete (i.e., complete except for punch list items) and constructed in accordance with this Agreement, and shall thereafter deliver to the Developer either a Partial Certificate of Completion for the unit ("Partial Certificate of Completion") or a written statement indicating in adequate detail how the Developer has failed to complete the unit in compliance with this Agreement or is otherwise in default, and what measures

or acts are necessary, in the sole opinion of the City, for the Developer to take or perform in order to obtain the Partial Certificate of Completion. If the City requires additional measures or acts to assure compliance, the Developer shall have thirty (30) days to correct any deficiencies and resubmit a Notice of Closing. The Partial Certificate of Completion shall be in recordable form, and shall, upon recording, constitute a conclusive determination of satisfaction and termination of the covenants in this Agreement and the Deed with respect to the Developer's obligations to construct any single dwelling unit. The Partial Certificate of Completion shall not, however, constitute evidence that the Developer has complied with any Laws relating to the construction of the subject unit, nor shall it serve as any guaranty as to the quality of the construction.

Upon completion of the entire Project, the Developer shall deliver to the City a Notice of Closing. The Notice of Closing must include a Certificate of Substantial Completion from the project architect. Within thirty (30) days after receipt of a Notice of Closing and the accompanying Certificate of Substantial Completion, the City shall inspect the entire Project to determine whether it is substantially complete (i.e., complete except for punch list items) and constructed in accordance with this Agreement, and shall thereafter deliver to the Developer either a Final Certificate of Completion ("Final Certificate of Completion") or a written statement indicating in adequate detail how the Developer has failed to complete the unit in compliance with this Agreement or is otherwise in default, and what measures or acts are necessary, in the sole opinion of the City, for the Developer to take or perform in order to obtain the Final Certificate of Completion. If the City requires additional measures or acts to assure compliance, the Developer shall have thirty (30) days to correct any deficiencies and resubmit a Notice of Closing. The Final Certificate of Completion shall be in recordable form, and shall, upon recording, constitute a conclusive determination of satisfaction and termination of the covenants in this Agreement and the Deeds with respect to the Developer's obligations construct the Project. The Final Certificate of Completion shall not, however, constitute evidence that the Developer has complied with any Laws relating to the construction of the Project, nor shall it serve as any guaranty as to the quality of the construction. Upon recordation of a Final Certificate of Completion for the Project and the sale of all Affordable Units to Qualified Households in accordance with Section 10.C hereof, the City shall return the Performance Deposit to the Developer.

SECTION 10. RESTRICTIONS ON USE.

The Developer agrees that it:

- A. Shall devote the Property to a use approved by Plan until October 14, 2032.
- B. Shall not discriminate based upon race, color, religion, sex, national origin or ancestry, military status, sexual orientation, gender identity, source of income, age, handicap or disability, in the sale of the Property or the dwelling units comprising the Improvements to be constructed on the Property. This covenant shall have no expiration date.

C. Shall develop and sell the Affordable Unit in accordance with the following provisions:

- (i) The Developer shall design and construct the Affordable Unit comparably to the market-rate units in the Project. The purchase price for the Affordable Unit shall not exceed One Hundred Eighty-Five Thousand Five Hundred and 00/100 Dollars (\$185,500.00) per unit, excluding any upgrades selected by the unit purchaser.
- (ii) The Developer shall sell the Affordable Unit to Qualified Households, as per Section 6.B above. The Developer shall attach the Mortgage (as hereinafter defined) as an exhibit to the purchase agreement for the Affordable Unit and such purchase agreement shall advise the purchaser of its obligation to execute such mortgage at the closing for the purchase of such Affordable Unit.
- (iii) The City must approve the income eligibility of the buyer of the Affordable Unit to confirm that the buyer is a Qualified Household. Toward this end, the Developer shall deliver to DPD any information required by DPD in order to determine the buyers income eligibility. DPD shall have ten (10) business days from the date of receipt of a "complete information package" to qualify buyers. A "complete information package" shall include, by means of illustration and not limitation, the fully-executed real estate sales contract, the W-2 forms from the buyer's employers, U.S. 1040 income tax returns from the previous two (2) years, an affidavit or verification from the buyer with regard to household size, and the employer verification form utilized by the Federal National Mortgage Association ("Fannie Mae"). The City shall not issue a Partial Certificate of Completion for the Affordable Unit until it has reviewed and approved said documentation.
- (iv) At the closing of the Affordable Unit, the Developer shall require the buyer to execute an Affidavit in substantially the form attached hereto as Exhibit F and a Mortgage, Security and Recapture Agreement ("Mortgage") in substantially the form attached hereto as Exhibit G, securing the difference between the market rate sales price for a similar type of unit and the sales price for the Affordable Unit in favor of the City to be dated as of the date of the closing. The Mortgage shall have a term of thirty (30) years commencing on the date of closing in an amount representing the difference between the market rate sales price for a similar type of unit and the sales price for the Affordable Unit. The indebtedness subject to recapture under the Mortgage shall be due and payable by the Affordable Unit buyer if, during the Mortgage Term, the Affordable Unit buyer sells the Affordable Unit for an amount that renders the Affordable Unit not affordable or to a buyer who does not meet the income eligibility requirements set forth herein. The Mortgage shall also be due and payable if the Affordable Unit buyer leases the Affordable Unit or refinances its first mortgage in an amount greater than the initial principal indebtedness secured thereby, or obtains home equity or other financing secured by the Affordable Unit which,

when added to the then-outstanding balance of such first mortgage, exceeds the original principal amount of such first mortgage indebtedness. The City, in its sole discretion, shall have the right to waive or modify such mandatory pre-payment provisions in the event the enforcement thereof would be inequitable or cause undue hardship. The Mortgage shall be subordinate to the lien in favor of the permanent lender, if any.

The Developer acknowledges and agrees that the use restrictions set forth in this Section 10 constitute material, bargained for consideration for the City and are intended to further the public policy of creating long-term affordable housing, and that, but for such use and affordability restrictions, the City would not have agreed to convey the Property to the Developer.

SECTION 11. PROHIBITION AGAINST TRANSFER OF PROPERTY.

Prior to the issuance of the Final Certificate of Completion, the Developer may not, without the prior written consent of DPD, which consent shall be in DPD's sole discretion: (a) directly or indirectly sell or convey (except for the sale and conveyance of the residential units to bona fide purchasers) the Property or any part thereof or any interest therein or the Developer's controlling interests therein; or (b) directly or indirectly assign this Agreement. If the Developer is a business entity, no principal party of the Developer (e.g., a general partner, member, manager or shareholder) may sell, transfer or assign any of its interest in the Developer prior to the issuance of the Final Certificate of Completion to anyone other than another principal party of the Developer without the prior written consent of DPD, which consent shall be in DPD's sole discretion. The Developer must disclose the identity of all members to the City at the time such members obtain an interest in the Developer. In the event of a proposed sale (except for the sale and conveyance of the residential units to private purchasers), the Developer shall provide DPD copies of any and all sales contracts, legal descriptions, descriptions of intended use, certifications from the proposed buyer regarding this Agreement and such other information as the City may reasonably request. The proposed buyer must be qualified to do business with the City (including, without limitation, the anti-scofflaw requirement).

SECTION 12. LIMITATION UPON ENCUMBRANCE OF PROPERTY.

Except as otherwise provided herein, prior to the issuance of the Final Certificate of Completion, the Developer shall not, without DPD's prior written consent, which shall be in DPD's sole discretion, engage in any financing or other transaction which creates an encumbrance or lien on the Property, except for the initial construction financing approved by DPD pursuant to Section 5.

SECTION 13. MORTGAGEES NOT OBLIGATED TO CONSTRUCT.

Notwithstanding any other provision of this Agreement or of the Deed, the holder of any mortgage on the Property authorized by Section 12 of this Agreement shall not itself be obligated

to construct or complete the Improvements but shall be bound by the covenants running with the land specified in Section 14 and, at Closing, shall execute a subordination agreement to such effect. If any such mortgagee succeeds to the Developer's interest in the Property prior to issuance of a Final Certificate of Completion, whether by foreclosure, deed-in-lieu of foreclosure or otherwise, and thereafter transfers its interest in the Property to another party, such transferee shall be obligated to complete the Improvements, and shall also be bound by the other covenants running with the land specified in Section 14.

SECTION 14. COVENANTS RUNNING WITH THE LAND.

The parties agree, and the Deed shall so expressly provide, that the covenants provided in Sections 8, 10, 11 and 12 will be covenants running with the land, binding on the Developer and its successors and assigns (subject to the limitation set forth in Section 13 above as to any permitted mortgagee) to the fullest extent permitted by law and equity for the benefit and in favor of the City, and shall be enforceable by the City. The covenants provided in Sections 8, 11 and 12 shall terminate for each of the dwelling units comprising the Project upon the issuance of the Partial Certificate of Completion for such unit and the subsequent sale of such unit to a bon fide purchaser. The covenants provided in Section 10 shall expire as set forth in said Section 10. The covenants provided in Sections 8, 11 and 12 shall terminate for any portions of the Project for which Partial Certificates of Completion have not been issued upon the issuance of the Final Certificate of Completion

SECTION 15. PERFORMANCE AND BREACH.

A. Time of the Essence. Time is of the essence in the Developer's performance of its obligations under this Agreement.

B. Permitted Delays. The Developer shall not be considered in breach of its obligations under this Agreement in the event of a delay due to unforeseeable causes beyond the Developer's control and without the Developer's fault or negligence, including, without limitation, acts of God, acts of the public enemy, acts of the United States government, fires, floods, epidemics, quarantine restrictions, strikes, embargoes and unusually severe weather or delays of subcontractors due to such causes. The time for the performance of the obligations shall be extended only for the period of the delay and only if the Developer requests an extension in writing within twenty (20) days after the beginning of any such delay.

C. Cure. If the Developer defaults in the performance of its obligations under this Agreement, the Developer shall have sixty (60) days after written notice of default from the City to cure the default, or such longer period as shall be reasonably necessary to cure such default provided the Developer promptly commences such cure and thereafter diligently pursues such cure to completion (so long as continuation of the default does not create material risk to the Project or to persons using the Project). If the default is not cured in the time period provided for herein, the City may institute such proceedings at law or in equity as may be necessary or desirable in its sole discretion to cure and remedy the default, including, without limitation, proceedings to compel

specific performance. Notwithstanding the preceding two sentences, no notice or cure period shall apply to defaults under Sections 15.D.(iv), (vi) and (ix). Any default under Sections 15.D.(iv), (vi), and (ix) shall constitute an immediate "Event of Default" and shall entitle the City to terminate this Agreement, retain the Earnest Money and Performance Deposit, and exercise such other remedies at law and at equity as may be available to recover the City's land write-down subsidy and attain the City's affordable housing objectives.

D. Default. The occurrence of any one or more of the following shall constitute an "Event of Default" under this Agreement:

- (i) The Developer fails to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations under this Agreement; or
- (ii) The Developer makes or furnishes a warranty, representation, statement or certification to the City (whether in this Agreement, an Economic Disclosure Form, or another document) which is not true and correct; or
- (iii) A petition is filed by or against the Developer under the Federal Bankruptcy Code or any similar state or federal law, whether now or hereafter existing, which is not vacated, stayed or set aside within thirty (30) days after filing; or
- (iv) The Developer abandons or substantially suspends construction of the Improvements; or
- (v) The Developer fails to timely pay real estate taxes or assessments affecting the Property or suffers or permits any levy or attachment, material suppliers' or mechanics' lien, or any other lien or encumbrance unauthorized by this Agreement to attach to the Property; or
- (vi) The Developer makes an assignment, pledge, unpermitted financing, encumbrance, transfer or other disposition in violation of this Agreement; or
- (vii) There is a change in Developer's financial condition or operations that would materially affect the Developer's ability to complete the Improvements; or
- (viii) The Developer fails to comply with the terms of any other written agreement entered into with the City with respect to the Project; or
- (ix) The Developer fails to close by the Outside Closing Date.

E. Prior to Closing. If an Event of Default occurs prior to the Closing, the City may terminate this Agreement and retain the Earnest Money and Performance Deposit as liquidated damages.

F. After Closing. If an Event of Default occurs after the Closing but prior to the issuance of the Final Certificate of Completion for the Project, and the default is not cured in the time period provided for herein, the City may exercise any and all remedies available to it at law or in equity, including, without limitation, the right to re-enter and take possession of the Property, terminate the estate conveyed to the Developer, and re-vest title to the Property in the City; provided, however, the re-vesting of title in the City shall be subject to, limited by, and shall not defeat, render invalid, or limit in any way, the lien of any mortgage authorized by this Agreement. Notwithstanding the foregoing, after the issuance of a Partial Certificate of Completion for any individual dwelling unit, the City's right of reverter shall no longer be enforceable with respect to that unit, but the City shall be entitled to all other remedies, including, without limitation, specific enforcement of the covenants that run with the land. The Commissioner of DPD, at her sole discretion, may amend the terms of this Section 15.F.

G. Resale of the Property. Upon the re-vesting in the City of title to the Property as provided in Section 15.F., the City shall employ its best efforts to convey the Property (subject to any first mortgage lien described in this Section 15) to a qualified and financially responsible party (reasonably acceptable to the first mortgagee) who shall assume the obligation of completing the construction of the Improvements or such other improvements as shall be satisfactory to the City, and complying with the covenants that run with the land, as specified in Section 14.

H. Disposition of Resale Proceeds. If the City sells the Property as provided for in Section 15.G., the proceeds from the sale shall be utilized to reimburse the City for:

- (i) costs and expenses incurred by the City (including, without limitation, salaries of personnel) in connection with the recapture, management and resale of the Property (less any income derived by the City from the Property in connection with such management); and
- (ii) all unpaid taxes, assessments, and water and sewer charges assessed against the Property; and
- (iii) any payments made (including, without limitation, reasonable attorneys' fees and court costs) to discharge or prevent from attaching or being made any subsequent encumbrances or liens due to obligations, defaults or acts of the Developer; and
- (iv) any expenditures made or obligations incurred by the City with respect to construction or maintenance of the Improvements; and

- (v) the fair market value of the land comprising the Property (without any Improvements or partially constructed Improvements thereon) as determined by such sale, less the Purchase Price previously paid to the City on the Closing Date;
- (vi) any other amounts owed to the City by the Developer.

The Developer shall be entitled to receive any remaining proceeds up to the amount of the Developer's equity investment in the Property.

In addition to, and without in any way limiting the City's rights under this Section 15, the City shall have the right to retain the Performance Deposit in the event of a default by the Developer.

I. Waiver and Estoppel. Any delay by the City in instituting or prosecuting any actions or proceedings or otherwise asserting its rights shall not operate as a waiver of such rights or operate to deprive the City of or limit such rights in any way. No waiver made by the City with respect to any specific default by the Developer shall be construed, considered or treated as a waiver of the rights of the City with respect to any other defaults of the Developer.

J. No Remedies Against Bona Fide Purchasers. Notwithstanding anything in this Section 15 or otherwise, the City shall have no rights or remedies against a buyer of a dwelling unit, or against such dwelling unit, after the sale of such unit to such buyer except such rights as may be secured by the Mortgage in the case of a purchaser of an Affordable Unit. By operation of this Section 15.J., each dwelling unit shall be released from the encumbrance of this Agreement at the time of such unit's sale to a bona fide purchaser.

SECTION 16. CONFLICT OF INTEREST; CITY'S REPRESENTATIVES NOT INDIVIDUALLY LIABLE.

The Developer warrants that no agent, official or employee of the City shall have any personal interest, direct or indirect, in this Agreement or the Property, nor shall any such agent, official or employee participate in any decision relating to this Agreement which affects his or her personal interests or the interests of any entity or association in which he or she is directly or indirectly interested. No agent, official or employee of the City shall be personally liable to the Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to the Developer or successor or on any obligation under the terms of this Agreement.

SECTION 17. INDEMNIFICATION.

The Developer agrees to indemnify, defend and hold the City harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including,

without limitation, reasonable attorneys' fees and court costs) suffered or incurred by the City arising from or in connection with: (a) the failure of the Developer to perform its obligations under this Agreement; (b) the failure of the Developer or any contractor to pay contractors, subcontractors or material suppliers in connection with the construction of the Improvements; (c) any material misrepresentation or omission in the Plan which is the result of information supplied or omitted by the Developer or agents, employees, contractors or other persons acting under the control or at the request of Developer; (d) the failure of the Developer to redress any misrepresentations or omissions in this Agreement or any other agreement relating hereto; and (e) any activity undertaken by the Developer on the Property prior to or after the Closing. This indemnification shall survive the Closing or any termination of this Agreement (regardless of the reason for such termination).

SECTION 18. ENVIRONMENTAL MATTERS.

A. "As Is" Sale. The City makes no covenant, representation or warranty as to the environmental condition of the Property or the suitability of the Property for any purpose whatsoever, and the Developer agrees to accept the Property "as is."

B. Right of Entry. It shall be the responsibility of the Developer, at its sole cost and expense, to investigate and determine the soil and environmental condition of the Property. The Developer shall have the right to request a right of entry for the purpose of conducting environmental tests on the Property. If the Developer makes such a request within thirty (30) days after the date of this Agreement, the City shall grant the Developer the right to enter the Property for a period of thirty (30) days (the "Inspection Period") pursuant to a Right of Entry Agreement in form and substance acceptable to the City. The granting of the right of entry shall be contingent upon the Developer obtaining all necessary permits and the following types and amounts of insurance: (i) commercial general liability insurance with a combined single limit of not less than \$1,000,000.00 per occurrence for bodily injury, personal injury and property damage liability with the City named as an additional insured; (ii) automobile liability insurance with a combined single limit of not less than \$1,000,000.00 per occurrence for bodily injury and property damage; and (iii) worker's compensation and occupational disease insurance in statutory amounts covering all employees and agents who are to do any work on the Property. All insurance policies shall be from insurance companies authorized to do business in the State of Illinois, and shall remain in effect until completion of all environmental testing activity on the Property. The Developer shall deliver duplicate policies or certificates of insurance to the City prior to commencing any activity on the Property. The Developer expressly understands and agrees that any coverage and limits furnished by the Developer shall in no way limit the Developer's liabilities and responsibilities set forth in this Agreement.

The Developer agrees to carefully inspect the Property prior to the commencement of any activity on the Property to make sure that such activity shall not damage surrounding property, structures, utility lines or any subsurface lines or cables. The Developer shall be solely responsible for the safety and protection of the public. The City reserves the right to inspect any work being

done on the Property. The Developer's activities on the Property shall be limited to those reasonably necessary to perform the environmental testing. Upon completion of the work, the Developer agrees to restore the Property to its original condition. The Developer shall keep the Property free from any and all liens and encumbrances arising out of any work performed, materials supplied or obligations incurred by or for the Developer, and agrees to indemnify and hold the City harmless against any such liens. The foregoing indemnification shall survive the Closing or any termination of this Agreement (regardless of the reason for such termination).

The Developer agrees to deliver to the City a copy of each report prepared by or for the Developer regarding the environmental condition of the Property within fourteen (14) days after receipt. If, prior to the Closing, the Developer's environmental consultant determines that contamination exists on the Property to such an extent that the parties agree that the estimated cost of remediation (such estimated cost being determined by the consultant) is too excessive for the Developer, the Developer may declare this Agreement null and void by giving written notice thereof to the City within thirty (30) days after the expiration of the Inspection Period, whereupon the City shall return the Earnest Money and Performance Deposit to the Developer. The Developer agrees that it will not exercise its right to terminate this Agreement until the City has reviewed all reports concerning the condition of the Property and the parties have had an opportunity to try to resolve the issue. If the Developer elects not to terminate this Agreement pursuant to this Section 18, Developer shall be deemed satisfied with the condition of the Property.

If, after the Closing, the environmental condition of the Property is not in all respects entirely suitable for its intended use, it shall be the Developer's sole responsibility and obligation to take such action as is necessary to put the Property in a condition which is suitable for its intended use. The Developer hereby waives, releases and indemnifies the City from any claims and liabilities relating to or arising from the environmental condition of the Property, including, without limitation, claims arising under the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended ("CERCLA"), and shall undertake and discharge all liabilities of the City arising from any environmental condition which existed on the Property prior to the Closing, including, without limitation, liabilities arising under CERCLA. The provisions of this paragraph shall survive the Closing or any termination of this Agreement (regardless of the reason for such termination).

The Developer hereby acknowledges that, in purchasing the Property, Developer is relying solely upon its environmental due diligence activities and not upon any information (including, without limitation, environmental studies or reports of any kind) provided by or on behalf of the City or its agents or employees with respect thereto.

SECTION 19. DEVELOPER'S EMPLOYMENT OBLIGATIONS.

A. **Employment Opportunity.** The Developer agrees, and shall contractually obligate its various contractors, subcontractors and any affiliate of the Developer operating on the Property and the Developer Parcel (collectively, the "Employers" and individually, an "Employer") to agree that

with respect to the provision of services in connection with the construction of the Improvements or occupation of the Property or the Developer Parcel during the construction period:

- (i) Neither the Developer nor any Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, gender identity, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Section 2-160-010 et seq. of the Municipal Code of Chicago, as amended from time to time (the "Human Rights Ordinance"). The Developer and each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, gender identity, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including, without limitation: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Developer and each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Developer and each Employer, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, gender identity, military discharge status, marital status, parental status or source of income.
- (ii) To the greatest extent feasible, the Developer and each Employer shall present opportunities for training and employment of low and moderate income residents of the City, and provide that contracts for work in connection with the construction of the Improvements be awarded to business concerns which are located in, or owned in substantial part by persons residing in, the City.
- (iii) The Developer and each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including, without limitation, the Human Rights Ordinance, and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.
- (iv) The Developer, in order to demonstrate compliance with the terms of this Section, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

- (v) The Developer and each Employer shall include the foregoing provisions of subparagraphs (i) through (iv) in every contract entered into in connection with the construction of the Improvements, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any affiliate operating on the Property or the Developer Parcel, so that each such provision shall be binding upon each contractor, subcontractor or affiliate, as the case may be.
- (vi) Failure to comply with the employment obligations described in this Section 19.A. shall be a basis for the City to pursue remedies under the provisions of Section 15.

B. City Resident Employment Requirement. The Developer agrees, and shall contractually obligate each Employer to agree, that during the construction of the Improvements, it and they shall comply with the minimum percentage of total worker hours performed by actual residents of the City of Chicago as specified in Section 2-92-330 of the Municipal Code of Chicago (at least fifty percent of the total worker hours worked by persons on the construction of the Improvements shall be performed by actual residents of the City of Chicago); provided, however, that in addition to complying with this percentage, the Developer and each Employer shall be required to make good faith efforts to utilize qualified residents of the City of Chicago in both unskilled and skilled labor positions.

The Developer and the Employers may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the Purchasing Agent of the City of Chicago.

“Actual residents of the City of Chicago” shall mean persons domiciled within the City of Chicago. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

The Developer and the Employers shall provide for the maintenance of adequate employee residency records to ensure that actual Chicago residents are employed on the construction of the Improvements. The Developer and the Employers shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) shall be submitted to the Commissioner of the City of Chicago Department of Housing (“DOH”) in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the company hired the employee should be written in after the employee's name.

The Developer and the Employers shall provide full access to their employment records to the Chief Procurement Officer, the Commissioner of DOH, the Superintendent of the Chicago Police Department, the Inspector General, or any duly authorized representative thereof. The Developer and the Employers shall maintain all relevant personnel data and records for a period of at least three (3) years from and after the issuance of the Final Certificate of Completion.

At the direction of DOH, the Developer and the Employers shall provide affidavits and other supporting documentation to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

Good faith efforts on the part of the Developer and the Employers to provide work for actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section concerning the worker hours performed by actual Chicago residents.

If the City determines that the Developer or an Employer failed to ensure the fulfillment of the requirements of this Section concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section. If such non-compliance is not remedied in accordance with the breach and cure provisions of Section 15.C., the parties agree that 1/20 of 1 percent (.05%) of the aggregate hard construction costs set forth in the Budget shall be surrendered by the Developer and for the Employers to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer and/or the other Employers or employees to prosecution.

Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement.

The Developer shall cause or require the provisions of this Section 19.B. to be included in all construction contracts and subcontracts related to the construction of the Improvements.

C. Developer's MBE/WBE Commitment. The Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the general contractor to agree that during the construction of the Project:

- (i) Consistent with the findings which support, as applicable, (a) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code of Chicago (the "Procurement Program"), and (b) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code of Chicago (the "Construction Program," and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 19.C., during the course of the Project, the following percentages of the MBE/WBE Budget (as set forth in Exhibit H hereto) shall be expended for contract participation by minority-owned businesses ("MBEs") and by women-owned businesses ("WBEs"): (1) At least 24% by MBEs; and (2) At least 4% by WBEs.
- (ii) For purposes of this Section 19.C. only:
 - (a) The Developer (and any party to whom a contract is let by the Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by the Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code of Chicago, as applicable.
 - (b) The term "minority-owned business" or "MBE" shall mean a business identified in the Directory of Certified Minority Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a minority-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.
 - (c) The term "women-owned business" or "WBE" shall mean a business identified in the Directory of Certified Women Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a women-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.
- (iii) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code of Chicago, the Developer's MBE/WBE commitment may be achieved in part by the Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (a) the MBE or WBE participation in such joint venture, or (b) the amount of any actual work performed on the Project by the MBE or WBE); by the Developer utilizing a MBE or a WBE as the general contractor (but

only to the extent of any actual work performed on the Project by the general contractor); by subcontracting or causing the general contractor to subcontract a portion of the construction of the Project to one or more MBEs or WBEs; by the purchase of materials or services used in the construction of the Project from one or more MBEs or WBEs; or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer's MBE/WBE commitment as described in this Section 19.C. In accordance with Section 2-92-730, Municipal Code of Chicago, the Developer shall not substitute any MBE or WBE general contractor or subcontractor without the prior written approval of DOH.

- (iv) The Developer shall deliver quarterly reports to the City's monitoring staff during the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by the Developer or the general contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining the Developer's compliance with this MBE/WBE commitment. The Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the Project for at least five years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by the Developer, on five business days notice, to allow the City to review the Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the Project.
- (v) Upon the disqualification of any MBE or WBE general contractor or subcontractor, if such status was misrepresented by the disqualified party, the Developer shall be obligated to discharge or cause to be discharged the disqualified general contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (v), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code of Chicago, as applicable.
- (vi) Any reduction or waiver of the Developer's MBE/WBE commitment as described in this Section 19.C. shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code of Chicago, as applicable.
- (vii) Prior to the commencement of the Project, the Developer shall meet with the City's monitoring staff with regard to the Developer's compliance with its obligations under

this Section 19.C. The general contractor and all major subcontractors shall be required to attend this pre-construction meeting. During said meeting, the Developer shall demonstrate to the City's monitoring staff its plan to achieve its obligations under this Section 19.C., the sufficiency of which shall be approved by the City's monitoring staff. During the Project, the Developer shall submit the documentation required by this Section 19.C. to the City's monitoring staff, including the following: (a) MBE/WBE utilization plan and record; (b) subcontractor's activity report; (c) contractor's certification concerning labor standards and prevailing wage requirements; (d) contractor letter of understanding; (e) monthly utilization report; (f) authorization for payroll agent; (g) certified payroll; (h) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (i) evidence of compliance with job creation requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that the Developer is not complying with its obligations under this Section 19.C., shall, upon the delivery of written notice to the Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (1) issue a written demand to the Developer to halt the Project, (2) withhold any further payment of any city funds to the Developer or the general contractor, or (3) seek any other remedies against the Developer available at law or in equity.

SECTION 20. PROVISIONS NOT MERGED WITH DEED.

SECTION 30. PATRIOT ACT CERTIFICATION.

Neither Developer nor any Affiliate thereof is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List

As used in the above paragraph, an "Affiliate" shall be deemed to be a person or entity related to Developer that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Developer, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

SECTION 31. BUSINESS RELATIONSHIPS.

The Developer acknowledges (A) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (B) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (c) that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement and the transactions contemplated hereby. The Developer hereby represents and warrants that, to the best of its knowledge after due inquiry, no violation of Section 2-156-030 (b) has occurred with respect to this Agreement or the transaction contemplated hereby.

SECTION 32. PROHIBITION ON CERTAIN CONTRIBUTIONS - MAYORAL EXECUTIVE ORDER NO. 05-1.

Consistent with the intent of Mayoral Executive Order No. 05-1, compliance with the substance of which is intended by this Section 32, the Developer hereby agrees that the Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in the Developer of more than 7.5 percent, the General Partner or Managing Member, any person or entity who directly or indirectly has an ownership or beneficial interest in the General Partner or Managing Member of more than 7.5 percent, Owner, any person or entity who directly or indirectly has an ownership, beneficial or other controlling interest in Owner of more than 7.5 percent (collectively, "Controlling Owners"), spouses and domestic partners of such Controlling Owners, (collectively, all the preceding classes of persons and entities are hereinafter referred to as the "Ownership Parties") shall not make a contribution of any amount to the Mayor of the City ("Mayor") or to his political fundraising committee (i) after execution of this Agreement by the Developer, and (ii) while this Agreement or any Other Contract is executory, (iii) during the term of this Agreement or any Other Contract between the Developer and the City, or (iv) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

The Developer hereby agrees to require that the General Contractor, any person or entity who directly or indirectly has an ownership or beneficial interest in the General Contractor of more than 7.5 percent, any Subcontractor, any person or entity who directly or indirectly has an ownership or beneficial interest in any Subcontractor of more than 7.5 percent (collectively, "Interested Parties"), and spouses and domestic partners of such Interested Parties (collectively, all the preceding classes of persons and entities are hereinafter referred to, together with the Ownership Parties, as the "Identified Parties") shall not make a contribution of any amount to the Mayor or to his political fundraising committee (i) after execution of this Agreement by the Developer, and (ii) while the

Construction Contract or any Subcontract is executory, (iii) during the term of the Construction Contract or any Subcontract, or (iv) during any period while an extension of the Construction Contract or any Subcontract is being sought or negotiated.

The Developer represents and warrants that as of the later of (i) February 10, 2005, or (ii) the date that the City approached the Developer, or the Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

The Developer agrees that it shall not and it shall require all other Identified Parties to not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

The Developer agrees that it must not and it shall require all other Identified Parties to not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 05-1 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 05-1. The Developer shall impose the restrictions of this Section 32 in the Construction Contract and shall specifically require the General Contractor to impose the restrictions of this Section 32 in all Subcontracts.

The Developer agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 05-1 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, and under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source that are then delivered by one person to the Mayor or to his political fundraising committee.

"Other Contract" means any other agreement with the City to which the Developer is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

- (A) they are each other's sole domestic partner, responsible for each other's common welfare; and
- (B) neither party is married; and
- (C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and
- (D) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
- (E) two of the following four conditions exist for the partners:
 - 1. The partners have been residing together for at least 12 months.
 - 2. The partners have common or joint ownership of a residence.
 - 3. The partners have at least two of the following arrangements:
 - a. joint ownership of a motor vehicle;
 - b. a joint credit account;
 - c. a joint checking account;
 - d. a lease for a residence identifying both domestic partners as tenants.
 - 4. Each partner identifies the other partner as a primary beneficiary in a will.

"Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

SECTION 33. WASTE ORDINANCE PROVISIONS.

In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, the Developer warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of the following sections of the Code (collectively, the "Waste Sections"):

- 7-28-390 Dumping on public way;
- 7-28-440 Dumping on real estate without permit;
- 11-4-1410 Disposal in waters prohibited;
- 11-4-1420 Ballast tank, bilge tank or other discharge;
- 11-4-1450 Gas manufacturing residue;
- 11-4-1500 Treatment and disposal of solid or liquid waste;
- 11-4-1530 Compliance with rules and regulations required;
- 11-4-1550 Operational requirements; and
- 11-4-1560 Screening requirements.

During the period while this Agreement is executory, Developer's, general contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole discretion of the Chief Procurement Officer. Such breach and default entitles the City to all remedies under the Agreement, at law or in equity.

This section does not limit the Developer, general contractor's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Agreement.

Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Agreement, and may further affect the Developer's eligibility for future contract awards.

SECTION 34. GOVERNING LAW.

This Agreement shall be governed by and construed in accordance with the laws of the State of Illinois.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed on or as of the date first above written.

This Mortgage, Security and Recapture Agreement, Including Residency, Transfer, Financing and Affordability Covenants (this "Mortgage") is made as of this ____ day of _____, 200__ from [Insert Name(s) And Describe Marital Status]

_____ [If Recipient Is One Person: (the "Mortgagor").] [If Recipient Is More than One Person: (collectively, jointly and severally referred to herein as the "Mortgagor")], to the City of Chicago, an Illinois municipal corporation, acting by and through its Department of Planning and Development, and having its principal office at City Hall, 121 North LaSalle Street, Room 1000, Chicago, Illinois 60602 (the "City" or "Mortgagee"). Capitalized terms not otherwise defined herein shall have the meanings set forth in Section 1.

Recitals.

A. On April 9, 2003, the City Council of the City adopted the Affordable Housing Ordinance (the "A.H.O."), codified at Chapter 2-44-090 of the Municipal Code of the City, which obligates the City to impose certain affordability and recapture requirements upon developers who undertake residential development projects that receive City assistance either in the form of the sale of City land at less than fair market value or in the form of financial assistance.

B. The City and Maktub Chicago Development, L.L.C., an Illinois limited liability company ("Developer"), have executed that certain Agreement for the Sale and Redevelopment of Land, dated _____, 200__ and recorded in the Office of the Recorder of Deeds of Cook County as Document Number _____ (the "Redevelopment Agreement"). Pursuant to the Redevelopment Agreement, the Developer has constructed [Give Name Or Address Of Residential Project] on the real property legally described on (Sub) Exhibit A (such real property, the "Property" and such project, the "Project"). As part of the Project, the Developer has constructed on the real property legally described on (Sub) Exhibit B attached hereto (the "Land") a single-family housing unit (the "Home").

C. Pursuant to the Redevelopment Agreement, the City sold and conveyed all of the Property to the Developer for a price that is less than the fair market value of the Property.

D. Pursuant to the A.H.O., the Developer acknowledges that it is required to sell the Mortgaged Property to Mortgagor for the Base Purchase Price, plus upgrades, subject to Mortgagors execution of this Mortgage in favor of Mortgagee, which Mortgage secures the residency, transfer, financing and affordability covenants set forth in Section 3 of this Mortgage (such covenants, the Affordability Covenants), which covenants shall run with the Land and are intended to assure that the City achieves the affordable housing objectives of the A.H.O. and complies with the affordability and recapture provisions of the A.H.O.

E. The Affordability Covenants require that, among other things, with respect to the initial sale of the Mortgaged Property (in connection with which this Mortgage

is being granted), and with respect to each resale of the Mortgaged Property during the Affordability Period (unless Mortgagor is permitted and elects to repay to the City the Recapture Amount), such Mortgaged Property may only be sold to a Qualified Household for an Affordable Price.

F. Mortgagor has covenanted to Mortgagee herein that it is a Qualified Household and that the Base Purchase Price is an Affordable Price.

G. Mortgagor acknowledges and agrees that, as of the Purchase Date, the Base Purchase Price is less than the fair market price for the Mortgaged Property by an amount equal to the City Affordability Amount, as evidenced by contemporaneous or projected sales of comparable homes.

H. Mortgagor acknowledges and agrees that, but for the City's imposition of the Affordability Covenants, Mortgagor would have been unable to purchase the Mortgaged Property for an Affordable Price.

I. The City has required Mortgagor to execute this Mortgage in order to both (a) impose the Affordability Covenants upon the Mortgaged Property and give notice of the Affordability Covenants to Mortgagor, to any subsequent purchaser of the Mortgaged Property, and to any lender having a mortgage secured by the Mortgaged Property, and (b) to secure the payment of the Recapture Amount described in Section 4.02 hereof and Mortgagors other obligations under this Mortgage.

J. In consideration of the benefits accruing to Mortgagor as a result of its purchase of the Mortgaged Property for an Affordable Price, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Mortgagor has executed and delivered to the City this Mortgage.

Now, Therefore, To secure the performance and observance by Mortgagor of all the terms, covenants and conditions described herein, and in order to charge the properties, interests and rights hereinafter described with such consideration, Mortgagor has executed and delivered this Mortgage and does hereby grant, convey, assign, mortgage, grant a security interest in, and confirm unto Mortgagee and its successors and assigns forever, all of Mortgagors right, title and interest in the following described property (which is hereinafter sometimes referred to as "Mortgaged Property"):

(A) The Land and, if such Land constitutes a common element under applicable condominium property law, Mortgagor's undivided interest therein and in any common elements and limited common elements associated therewith;

(B) The Home and all easements, rights, interests and appurtenances thereto, including, without limitation, any deeded, reserved or assigned parking area or storage space and any interest in common elements and limited common elements associated therewith;

(C) All structures and improvements of every nature whatsoever now or hereafter located on the Land or situated within or comprising a part of the Home, including, without limitation, all fixtures of every kind and nature whatsoever which are or shall be attached to said buildings, structures or improvements, and now or hereafter owned by Mortgagor, including all extensions, additions, improvements, betterments, renewals and replacements of any of the foregoing (the "Improvements"); and

(D) All rents and issues of the Land, Home and Improvements from time to time and all of the estate, right, title, interest, property, possession, claim and demand at law, as well as in equity of Mortgagor, in and to the same;

To Have And To Hold The Mortgaged Property and all parts thereof unto Mortgagee, its successors and assigns, to its own proper use, benefit and advantage forever, subject, however, to the terms, covenants and conditions herein;

Without limitation of the foregoing, Mortgagor hereby further grants unto Mortgagee, pursuant to the provisions of the Uniform Commercial Code of the State of Illinois, a security interest in all of the above-described property, which are or are to become fixtures.

This Mortgage Is Given To Secure: (a) payment of all Recapture Amounts described herein, (b) performance of the Affordability Covenants, and (b) the payment and performance of all other obligations, covenants, conditions and agreements contained herein and in any other agreement, document or instrument to which reference is expressly made in the Mortgage.

Article I.

Incorporation Of Recitals; Definitions.

The recitals set forth above constitute an integral part of the Mortgage and are hereby incorporated herein by this reference with the same force and effect as if set forth herein as the agreement of the Mortgagor.

As used herein, the following capitalized terms shall be defined as follows:

"Affordability Covenants" shall mean the affordability covenants and requirements contained in Section 3 hereof and (Sub)Exhibit C hereto.

“Affordability Period” shall mean the thirty (30) year period commencing on the Purchase Date.

“Affordable Price” shall mean an amount less than or equal to the price at which Monthly Homeownership Costs for the Mortgaged Property would total not more than thirty percent (30%) of household income for a household with a family size equal to the product of one and five-tenths (1.5) multiplied by the number of bedrooms in the Mortgaged Property whose income is the maximum amount allowable for such household to qualify as a Qualified Household.

“Base Purchase Price” shall mean \$_____, which is the base purchase price the Mortgagor paid the Developer for the Mortgaged Property pursuant to the requirements of the Redevelopment Agreement.

“City Affordability Amount” shall mean \$_____, constituting the dollar difference between the market value of the Mortgaged Property at the time of its purchase from Developer (based on appraisals, comparable sales or similar evidence reasonably acceptable to the City’s Department of Planning and Development or any successor department thereof) and the Base Purchase Price.

“Monthly Homeownership Costs” shall mean the sum of the following estimated amounts:

- (i) monthly principal and interest payments on a thirty (30) year fixed rate purchase money mortgage in the amount of ninety-five percent (95%) of the purchase price of the Mortgaged Property, bearing interest at a rate equal to the prevailing rate as published in the *Chicago Tribune* (or posted on the internet website maintained by the *Chicago Tribune*) as of the date of calculation of Monthly Homeownership Costs, rounded up to the nearest quarter percent;
- (ii) annual estimated real property taxes for the Mortgaged Property (based upon the most recently issued real estate tax bill), divided by twelve (12);
- (iii) annual insurance premiums for the Mortgaged Property, divided by twelve (12), for homeowners insurance in the amount of the replacement value of the Mortgaged Property, and
- (iv) monthly condominium assessment payments or similar homeowners association payments for the Mortgaged Property, if applicable.

“Purchase Date” shall mean the date on which the Mortgagor purchased the Mortgaged Property, which shall be deemed to be the date on which this Mortgage is recorded.

"Purchase Price" shall mean \$_____, being the sum of the Base Purchase Price plus upgrades.

"Qualified Household" shall mean a single person, family or unrelated persons living together whose adjusted income is not more than one hundred percent (100%) of the Chicago-area median income, adjusted for family size, as such adjusted income and Chicago-area median income are determined from time to time by the United States Department of Housing and Urban Development for purposes of Section 8 of the United States Housing Act of 1937. As of the Purchase Date, such income limitations are as follows [Current Information Must Be Obtained From H.U.D. Just Prior to Closing Date]:

Number Of Persons In Household	100% Of A.M.I.
1	\$52,800
2	\$60,300
3	\$67,900
4	\$75,400
5	\$81,400
6	\$87,500

"Recapture Amount" shall mean an amount, determined as of any applicable determination date, equal to the City Affordability Amount plus simple, non-compounding interest on such amount at the rate of three percent (3.0%) per annum (assuming twelve (12) thirty (30) day months) calculated from the Purchase Date to the date of the Recapture Default. For example, if (a) this Mortgage was recorded January 1, 2005, (b) the date of the Recapture Default was July 1, 2011, and (c) the City Affordability Amount was Twenty Thousand Dollars (\$20,000), then (i) the interest on the City Affordability Amount would be Three Thousand Nine Hundred Dollars (\$3,900) (Six Hundred Dollars (\$600)/year for six (6) years, plus Three Hundred Dollars (\$300) for one-half (½) year), and (ii) the Recapture Amount would be Twenty-three Thousand Nine Hundred Dollars (\$23,900) (Twenty Thousand Dollars (\$20,000) plus Three Thousand Nine Hundred Dollars (\$3,900)).

Article II.

Covenants, Representations And Warranties.

Mortgagor covenants and agrees with Mortgagee that, at all times during the Affordability Period:

2.01 Taxes And Assessments.

(a) Mortgagor will pay when due all general taxes and assessments (including, without limitation, any condominium or homeowners association assessments, if applicable), special assessments, water charges and all of the charges against the Mortgaged Property and shall, upon written request, furnish to Mortgagee receipts evidencing payment thereof, provided that Mortgagor, in good faith and with reasonable diligence, may contest the validity or amount of any such taxes, assessments or charges, provided that during any such contest the enforcement of the lien of such taxes, assessments or charges is stayed.

(b) Mortgagor will not suffer (unless bonded or insured over) any mechanic's, laborer's, materialmen's or statutory lien to remain outstanding upon any of the Mortgaged Property. Mortgagor may contest such lien, provided that Mortgagor shall first post a bond in the amount of the contested lien, or provide title insurance over such contested lien, and further provided that Mortgagor shall diligently prosecute the contested lien and cause the removal of the same.

2.02 Insurance.

Mortgagor shall keep the Mortgaged Property continuously insured (or shall use reasonable efforts to cause the condominium or homeowners association, as applicable, to keep insured such parts of the Mortgaged Property as may be required to be insured by such association under the applicable declaration) in such amounts and against such risks as required of Mortgagor by the Senior Lender, paying the premiums for said insurance as they become due. Policies of insurance shall name Mortgagee as an additional insured. All policies of insurance shall provide that the same shall not be canceled, except upon thirty (30) days prior written notice to Mortgagee.

2.03 Maintenance Of The Property.

(a) Mortgagor shall preserve and maintain the Mortgaged Property in good condition and repair, will not commit or suffer any waste thereof, and will keep the same in a clean, orderly and attractive condition. Mortgagor shall not do or suffer

to be done anything which will increase the risk of fire or other hazard to the Mortgaged Property or any part thereof.

(b) If the Mortgaged Property or any part thereof is damaged by fire or any other cause, Mortgagor will immediately give written notice of the same to Mortgagee.

(c) Mortgagee or its representatives shall have the right to inspect the Mortgaged Property to assure compliance with the terms of this Mortgage.

(d) Mortgagor shall promptly comply, and cause the Mortgaged Property to comply, with all present and future laws, ordinances, orders, rules and regulations and other requirements of any governmental authority affecting the Mortgaged Property or any part thereof and with all instruments and documents of record or otherwise affecting the Mortgaged Property or any part thereof.

(e) If all or any part of the Mortgaged Property shall be damaged by fire or other casualty, Mortgagor (subject to the rights of the Board of Managers of the condominium or homeowners association, if applicable, with respect to any proceeds applicable to common elements or limited common elements), will promptly restore the Mortgaged Property to the equivalent of its condition prior to the casualty, to the extent of any insurance proceeds made available to Mortgagor for that purpose.

2.04 Subordination.

This Mortgage shall be subject and subordinate in all respects to that certain mortgage dated as of _____, 200__, between Mortgagor and _____ (the "Senior Lender"), recorded with the Office of the Recorder of Deeds of Cook County, Illinois on _____, 200 __ as document Number ____ (the "Senior Mortgage"), to secure indebtedness in the original principal amount not to exceed the Base Purchase Price. This Mortgage shall also be subordinate to any subsequent mortgage that refinances the Senior Mortgage, so long as such refinancing is not in an amount greater than the Base Purchase Price.

2.05 Income Eligibility.

Mortgagor represents and warrants to Mortgagee that, based on Mortgagor's household income, as of the time of Mortgagor's execution of its purchase contract for the Mortgaged Property, Mortgagor's household was a Qualified Household as of such date.

2.06 Foreclosure Of Senior Mortgage.

In the event of a transfer of title of the Mortgaged Property through foreclosure or recording of deed in lieu of foreclosure to the Senior Lender pursuant to the Senior

Mortgage, Mortgagee acknowledges and agrees that the Affordability Covenants and any other provisions contained herein restricting the sale and occupancy of the Mortgaged Property to buyers or occupants which meet the income eligibility requirements of the A.H.O. shall be released and shall have no further force or effect; provided, however, that all such Affordability Covenants and restrictions shall be revived according to the original terms if, during the Affordability Period, the Mortgagor or any member of Mortgagor's household or family reacquires an ownership interest in the Mortgaged Property. Any other person (including the successors and/or assigns of Senior Lender) receiving title to the Mortgaged Property through a foreclosure or deed in lieu of foreclosure of the Senior Mortgage shall also receive title to the Mortgaged Property free and clear of such restrictions.

Further, if Senior Lender acquires title to the Mortgaged Property pursuant to a deed in lieu of foreclosure, the lien of this Mortgage and the restrictions contained herein shall automatically terminate upon the Senior Lender's acquisition of title to the Mortgaged Property, provided that: (i) the Senior Lender has given written notice to Mortgagor of a default under the Senior Mortgage in accordance with its terms, (ii) the Mortgagor shall not have cured the default under the Senior Mortgage within any applicable cure period(s) provided for therein; and (iii) any proceeds from any subsequent sale of the Mortgaged Property, if any, which Mortgagee is entitled to receive after payment of all amounts due pursuant to the Senior Mortgage and pursuant to this Mortgage, are paid to Mortgagee.

Article III.

Residency, Transfer, Financing And Affordability Covenants.

Mortgagor covenants to comply with the residency, transfer, financing and affordability covenants set forth in (Sub)Exhibit C, which covenants are materially related to the City's affordable housing objectives of the A.H.O.

Article IV.

Default.

4.01 Events Of Default.

The terms "Event of Default" or "Events of Default", wherever used in the Mortgage, shall mean any one or more of the following events:

(a) a failure by Mortgagor to comply with any of the Affordability Covenants set forth in (Sub)Exhibit C;

(b) failure by Mortgagor to duly observe or perform any other material term, covenant, condition or agreement in the Mortgage after the expiration of the applicable cure periods provided in Section 4.02; or

(c) a default continuing beyond all applicable cure periods under the Senior Mortgage and permitting foreclosure thereunder.

4.02 City Remedies.

The City shall have the following remedies, depending on the nature and timing of the Event of Default:

(a) Recapture Defaults. If an Event of Default arising from a breach of one or more of the covenants set forth in (Sub)Exhibit C occurs (such a default, a "Recapture Default"), the City may seek specific enforcement of the Affordability Covenants and any other remedies available under this Mortgage. The City, in its sole discretion and in lieu of its specific enforcement of the Affordability Covenants, may elect to require payment of the Recapture Amount in the event that the City determines that specific enforcement of the Affordability Covenants is impractical or inappropriate. If Mortgagor pays to the City the Recapture Amount pursuant to an election by the City to accept the same, then the City shall have no other remedy with respect to such Event of Default and shall be obligated to execute and deliver a release of this Mortgage in recordable form and any subsequent transferee shall not be bound by any Affordability Covenants or otherwise required to execute and deliver any mortgage in favor of the City.

(b) Other Mortgage Defaults. If an Event of Default occurs that is not a Recapture Default, and such default involves a failure to make timely payment of any amount due and secured by this Mortgage or the Senior Mortgage and such failure is not cured within ten (10) days of the Mortgagee's delivery of written notice of such failure to Mortgagor (a "Monetary Event of Default"), then Mortgagee shall be entitled to immediately: (i) declare the Recapture Amount immediately due and payable (with such Monetary Event of Default date being also being deemed the Recapture Default date for purposes of computing such amount); and (ii) exercise any other remedies available under this Mortgage (including, without limitation, specific enforcement of the Affordability Covenants any time prior to the end of the Affordability Period of this Mortgage), in either instance without further notice or demand.

(c) If an Event of Default occurs by Mortgagor failing to perform any other non-monetary obligation required under this Mortgage that is not described in Section 4.02(a) or (b) and such failure is not cured within sixty (60) days of the

Mortgagee's delivery of written notice of such failure to Mortgagor, Mortgagee shall be entitled to immediately: (i) declare the Recapture Amount immediately due and payable (with such non-monetary Event of Default date being also being deemed the Recapture Default date for purposes of computing such amount); and (ii) exercise any other remedies available under this Mortgage (including, without limitation, specific enforcement of the Affordability Covenants any time prior to the end of the Affordability Period of this Mortgage), in either instance without further notice or demand. In the event such default cannot reasonably be cured within such sixty (60) day period, however, and if Mortgagor has commenced efforts to cure such default, then the time to cure shall be extended so long as said party diligently continues to cure such default.

(d) If an Event of Default occurs under the Senior Lender's security documents (after the giving of any applicable notice and lapse of any applicable cure period, if any) and the Senior Lender commences efforts to foreclose its mortgage (or obtain a deed in lieu of foreclosure), obtain appointment of a receiver for the Mortgaged Property, or obtain possession of the Mortgaged Property, such Event of Default shall (notwithstanding anything in this Section 4.02 to the contrary) constitute an immediate Event of Default under this Mortgage and the Mortgagee shall be entitled to immediately: (i) declare the Recapture Amount immediately due and payable (with such commencement date being also deemed the Recapture Default date for purposes of computing the Recapture Amount); and (ii) exercise any other remedies available under this Mortgage, in either instance without further notice or demand.

4.03 Other Remedies.

(a) If any amounts due under and secured by this Mortgage shall become due, whether by acceleration or otherwise, Mortgagee shall have the right to foreclose the lien hereof for such indebtedness or part thereof. This Mortgage and the right of foreclosure hereunder shall not be impaired or exhausted by any foreclosure of the Senior Mortgage, and may be foreclosed successively and in parts, until all of the Mortgaged Property has been foreclosed against. In any such foreclosure, or upon the enforcement of any other remedy of Mortgagee, there shall be allowed and included as additional indebtedness all expenditures and expenses which may be paid or incurred by or on behalf of Mortgagee for reasonable attorneys' fees, appraisers' fees, outlays for documentary and expert evidence, stenographers' charges, publication costs and costs involved in title insurance and title examinations. All expenditures and expenses of the nature in this Section 4.03 mentioned, and such expenses and fees as may be incurred in the protection of the Mortgaged Property and the maintenance of the lien of this Mortgage, including the reasonable fees of any attorney employed by Mortgagee in any litigation or proceeding affecting this Mortgage, or the Mortgaged Property, including probate and bankruptcy proceedings, or in preparation for the commencement or defense of any proceeding or threatened suit or proceeding, shall be immediately due and

payable by Mortgagor, with interest thereon at the lesser of the highest rate permitted by law or fifteen percent (15%) per annum, and shall be secured by this Mortgage. The proceeds of any foreclosure sale of the Mortgaged Property shall be distributed and applied in the following order of priority: (i) on account of all costs and expenses incidental to the foreclosure proceedings, including all such items as are mentioned in this section; (ii) repayment of the indebtedness owed to the Senior Lender, subject to the limitation in Section 2.04; (iii) repayment of any other amounts due under this Mortgage; and (iv) payment of any remaining amounts due to Mortgagor, its successors or assigns, as their rights may appear.

(b) Mortgagor shall not and will not apply for or avail itself of any appraisal, valuation, stay, extension or exemption laws, or any so-called "Moratorium Laws", now existing or hereafter enacted, in order to prevent or hinder the enforcement or foreclosure of this Mortgage, but hereby waives the benefit of such laws. Mortgagor, for itself and all who may claim through or under it, waives any and all right to have the property and estates comprising the Mortgaged Property marshaled upon any foreclosure of the lien hereof, and agrees that any court having jurisdiction to foreclose such lien may order the Mortgaged Property sold as an entirety. To the extent permitted by law, Mortgagor hereby waives any and all rights of redemption from sale under any order or decree of foreclosure of this Mortgage on such Mortgagor's behalf and on behalf of each and every person, except decree or judgment creditors of Mortgagor, acquiring any interest in or title to the Mortgaged Property subsequent to the date of this Mortgage.

(c) Upon any other entering upon or taking of possession of the Mortgaged Property after the occurrence of an Event of Default and the expiration of the applicable cure period and other than by means of a foreclosure, Mortgagee, subject to the rights of the Senior Lender, may hold, use, manage and control the Mortgaged Property and, from time to time: (i) make all necessary and proper maintenance, repairs, renewals, replacements, additions, betterments and improvements thereto and thereon and purchase or otherwise acquire additional fixtures, personalty and other property required in connection therewith; (ii) insure or keep the Mortgaged Property insured; (iii) manage the Mortgaged Property and exercise all the rights and powers of Mortgagor to the same extent as Mortgagor could in its own name or otherwise with respect to the same; and (iv) enter into any and all agreements with respect to the exercise by others of any of the powers herein granted to Mortgagee, all as Mortgagee from time to time may reasonably determine to be to its best advantage. Mortgagee may collect and receive all the rents, issues, profits and revenues of the same, including those past due as well as those accruing thereafter, and, after deducting to the extent reasonable: (aa) expenses of taking, holding and managing the Mortgaged Property (including compensation for the services of all persons employed for such purposes); (bb) the cost of all such maintenance, repairs, renewals, replacements, additions, betterments, improvements and purchases and acquisitions; (cc) the cost of such insurance; (dd) such taxes, assessments and other similar charges as Mortgagee may determine to pay; (ee) other proper charges upon the Mortgaged Property or

any part thereof; and (ff) the reasonable compensation, expenses and disbursements of the attorneys and agents of Mortgagee, shall apply the remainder to the payment of amounts due under this Mortgage. The balance of such funds, if any, after payment in full of all of the aforesaid amounts shall be paid to Mortgagor.

(d) Mortgagee may also seek specific performance or injunctive relief in order to enforce the provisions of this Mortgage.

4.04 Receiver.

Subject to the rights of the Senior Lender, if an Event of Default shall have occurred and be continuing after an applicable cure period has expired, Mortgagee, upon application to a court of competent jurisdiction, shall be entitled to the appointment of a receiver to take possession of and to operate the Mortgaged Property and to collect and apply the rents, issues, profits and revenues thereof. The receiver shall otherwise have all of the rights and powers to the fullest extent permitted by law.

4.05 Purchase By Mortgage.

Upon any foreclosure sale, Mortgagee may bid for and purchase the Mortgaged Property and shall be entitled to apply all or any part the Recapture Amount and other amounts due under and secured by this Mortgage as a credit to the purchase price.

4.06 Remedies Cumulative.

No right, power or remedy conferred upon or reserved to Mortgagee by this Mortgage is intended to be exclusive of any other right, power or remedy, but each and every right, power and remedy shall be cumulative and concurrent and shall be in addition to any other right, power and remedy given hereunder or now or hereafter existing at law, in equity or by statute.

4.07 Waiver.

No delay or omission of Mortgagee to exercise any right, power or remedy accruing upon any Event of Default shall exhaust or impair any such right, power or remedy or shall be construed to be a waiver of any such Event of Default or acquiescence therein; and every right, power and remedy given by this Mortgage to Mortgagee may be exercised from time to time as often as may be deemed expedient by Mortgagee. No consent or waiver, expressed or implied, by Mortgagee to or of any breach or Event of Default by Mortgagor in the performance of its obligations

hereunder shall be deemed or construed to be a consent or waiver to or of any other breach or Event of Default in the performance of the same or any other obligations of Mortgagor hereunder. Failure on the part of Mortgagee to complain of any act or failure to act or to declare an Event of Default, irrespective of how long such failure continues, shall not constitute a waiver by Mortgagee of its rights hereunder or impair any rights, powers or remedies on account of any breach or default by Mortgagor.

Article V.

Mortgagor shall have no right to convey the Mortgaged Property into a land trust without obtaining the prior written consent of the City.

5.06 No Merger.

(Sub)Exhibit "C" referred to in this Mortgage, Security and Recapture Agreement reads as follows:

(Sub)Exhibit "C".

(To Mortgage, Security And Recapture Agreement)

*Residency, Transfer, Financing
And Affordability Covenants.*

In consideration of the requirements of the A.H.O. that apply to the Developer and that have enabled the Mortgagor to Purchase the Mortgaged Property for the Base Purchase Price, Mortgagor covenants to Mortgagee that:

(a) Mortgagor meets the income eligibility requirements established under the A.H.O. in order to qualify as a Qualified Household under such ordinance.

(b) During the Affordability Period, Mortgagor shall own the Mortgaged Property, shall not lease the Mortgaged Property, shall use the Mortgaged Property as its primary residence (and the primary residence of Mortgagor's Qualified Household), and will not let any other person occupy or use the property without the prior written consent of the City, which shall be in the City's reasonable discretion, and which, if granted, will require that the total amount payable by any tenant household not exceed the amount set forth to qualify such housing as "affordable housing" as defined in the Illinois Affordable Housing Act, 310 ILCS 65/1, et seq.

(c) During the Affordability Period, Mortgagor shall not sell or otherwise directly or indirectly transfer ownership of the Mortgaged Property, except (i) to a Qualified Household, (ii) for an Affordable Price, and provided that (iii) the transferee Qualified Household executes a mortgage, security and recapture agreement in similar form to this Mortgage. Mortgagor shall confer with the City's Department of Planning and Development (or any successor department thereof) before entering into a sale contract involving the Mortgaged Property for assistance in determining the qualifications of any proposed transferee and the eligible resale price of the Mortgaged Property. Any transfer of ownership (x) resulting from Mortgagor's death and occurring pursuant to (i) the terms of a written land trust, personal trust or will, or (ii) state intestacy law, (y) to a spouse or member of Mortgagor's Qualified Household, or (z) that simply consists of Mortgagor's transfer (with the prior written consent of the City to such transfer) of the Mortgaged Property into a land trust or personal trust of which Mortgagor is the sole beneficiary and holder of power of direction, as applicable, shall not be subject to the foregoing transfer restriction; provided, however, that the transferee in any such transfer shall be bound by all of the affordable housing covenants contained in this Mortgage. If Mortgagor attempts or purports to transfer the Mortgaged Property to a transferee in violation of any one or more of the conditions in clauses (i), (ii) and (iii), such attempted or purported transfer shall constitute an immediate Event of Default under Section 4.01(a).

(d) During the Affordability Period, it shall not encumber the Mortgaged Property with any one or more mortgages which, individually or in aggregate, secures initial principal indebtedness in excess of the Base Purchase Price.

The Affordability Covenants in this (Sub)Exhibit C may be waived or modified in writing by the City, upon a showing of undue hardship or changed circumstances that would make the enforcement of such covenants inequitable or impractical, as determined by the City in its sole discretion.

Upon either a permitted transfer described in clause (c) (iii) above or a transfer accompanied by a repayment of the Recapture Amount in accordance with the terms of this Mortgage, the City will, upon ten (10) business days prior written notice, execute and deliver a "Certificate of Transfer" confirming that such transfer is a permitted transfer hereunder and effective to deliver legal title to the transferee. In addition, within thirty (30) days of receipt of a written request from Mortgagee, Mortgagee shall execute a release of the Mortgage in recordable form.

Mortgagor Acknowledges And Agrees That To The Extent The Affordability Covenants, Anything In This (Sub)Exhibit C, Or Any Other Provision In This Mortgage Could Be Deemed A Restraint On Alienation, That Any Such Restraint (A) Is Reasonable, (B) Is, As Explained In The Recitals Hereto, Supported By Adequate Consideration, (C) Is Necessary To Implement The City's Public Policy Objective Of Developing And Maintaining Affordable Housing, (D) Should Be Enforced As Written And (E) Was A Material Inducement To The City's Decision To Provide The Land To The Developer, Which Decision Has Implemented The Affordability Covenants Required By Law And Has Enabled Mortgagor To Buy The Mortgaged Property For The Purchase Price, Which Price Is Materially Less Than The Fair Market Value Price. Mortgagor, Therefore, Knowingly And Voluntarily, To The Fullest Extent Permitted By Law, Waives The Right To Raise Any Defense To The Enforcement Of The Affordability Covenants, Whether At Law Or In Equity.

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

SECTION 1. INCORPORATION OF RECITALS.

The recitals set forth above constitute an integral part of this Agreement and are incorporated herein by this reference with the same force and effect as if set forth herein as agreements of the parties.

SECTION 2. SALE AND PURCHASE PRICE.

Subject to the terms, covenants and conditions of this Agreement, the City agrees to sell the Property to Developer, and Developer agrees to purchase the Property from the City, for the sum of Three Hundred Thirty-Six Thousand and 00/100 Dollars (\$336,000.00) ("Purchase Price"), to be paid to the City at the Closing by cashier's or certified check or wire transfer of immediately available funds or such other form of payment as acceptable to the City at its sole discretion, less the Earnest Money (as defined in Section 3.A). Except as specifically provided herein to the contrary, the Developer shall pay all closing costs. The Developer acknowledges that the Purchase Price is approximately One Hundred Twenty-Four Thousand and 00/100 Dollars (\$124,000.00) less than the fair market value of the Property and that the City has only agreed to sell the Property to the Developer for the Purchase Price because the Developer has agreed to execute this Agreement and comply with its terms and conditions, including, without limitation, Section 10.

SECTION 3. EARNEST MONEY AND PERFORMANCE DEPOSIT.

A. Earnest Money. Upon execution of this Agreement, the Developer shall deposit with the City the amount of Seventeen Thousand and 00/100 Dollars (\$17,000.00) which will be credited against the Purchase Price ("Earnest Money") at the Closing (as defined in Section 4.D. below).

C. Interest. The City will pay no interest to the Developer on the Earnest Money or Performance Deposit.

SECTION 4. CONVEYANCE OF PROPERTY.

A. Form of Deed. The City shall convey the Property to Developer by quitclaim deed ("Deed"), subject to the terms of this Agreement and the following:

B. Title Commitment and Insurance. The Developer acknowledges that the City has delivered to the Developer a commitment for an owner's policy of title insurance from Greater Illinois Title Company ("Title Company") showing the City in title to the Property. Any updated title commitment shall be obtained at Developer's expense. The Developer shall be solely responsible for and shall pay all costs associated with obtaining any title insurance, extended coverage or other endorsements it deems necessary.

C. Survey. D. Closing. The closing of the transaction contemplated by this Agreement ("Closing") shall take place at the downtown offices of the Title Company, 120 N. LaSalle Street, Suite 900, Chicago, Illinois 60602, on _____, 200__, or on such later date and at such place as the parties mutually agree to in writing (the "Closing Date"); provided, however, notwithstanding the parties' execution of this Agreement, in no event shall the Closing occur (i) unless and until the conditions precedent set forth in Sections 4, 5 and 8 are all satisfied, and (ii) any later than March 31, 2007 (the "Outside Closing Date"). Failure by the Developer to close by the aforementioned Outside Closing Date shall be considered an "Event of Default" as defined in Section 15 below. Notwithstanding the foregoing, the Commissioner of DPD shall have the right to unilaterally extend

the Outside Closing Date one time by up to six (6) months for good cause shown.

E. **Building Permits.** The Developer shall apply for all necessary building permits and zoning approvals for the Project no later than fourteen (14) days after the City Council authorizes the sale of the Property and shall deliver evidence of all such permits and approvals to DPD at least fourteen (14) days prior to the Closing.

F. **Real Estate Taxes.** The City shall use reasonable efforts to obtain the waiver of any delinquent real estate tax liens on the Property prior to the Closing, to the extent such tax liens can be waived or released by the City's writing of an abatement letter to the Cook County Treasurer or a motion to vacate a tax sale. If the City is unable to obtain the waiver of any such tax liens, the Developer shall have the option to do one of the following: (i) accept title to the Property subject to the tax liens, without reduction in the Purchase Price; or (ii) terminate this Agreement by delivery of written notice to the City, in which event the City shall return the Earnest Money and Performance Deposit to the Developer to the Developer and this Agreement shall be null and void. If the Developer elects to close, the Developer shall assume the responsibility for any such delinquent real estate taxes. The Developer shall also be responsible for all taxes accruing after the Closing. Until the City issues a Final Certificate of Completion (as defined in Section 9), the Developer shall notify the City that the real estate taxes have been paid in full within ten (10) days of such payment.

G. **Recording Costs.** The Developer shall pay to record the Deed and this Agreement and any other documents incident to the conveyance of the Property to the Developer.

H. **Escrow.** If the Developer requires conveyance through escrow, Developer shall pay all escrow fees.

- (i) commercial general liability insurance with a combined single limit of not less than \$1,000,000.00 per occurrence for bodily injury, personal injury and property damage liability. Coverages shall include the following: all premises and operations, products/completed operations, independent contractors, separation of insureds, defense, and contractual liability (with no limitation endorsement). The City is to be named as an additional insured on a primary, non-contributory basis for any liability arising directly or indirectly from the Project on the Property.
- (ii) Automobile Liability Insurance (Primary and Umbrella). When any motor vehicles (owned, non-owned and hired) are used in connection with work to be performed, the Developer shall provide automobile liability insurance with limits of not less than \$1,000,000.00 per occurrence, for bodily injury and property damage. The City shall be named as an additional insured on a primary non-contributory basis. Any contractors doing environmental remediation work shall endorse their automobile liability insurance policy to include the MSC90 Endorsement.

- (iii) Workers Compensation and Employers Liability Insurance. Workers compensation and employers liability insurance, as prescribed by applicable law covering all employees who are to provide a service under this Agreement and employers liability coverage with limits of not less than \$100,000.00 each accident or illness.

Evidence of such insurance, in the form of an Accord 27 Certificate or actual insurance policy or binder, shall be provided to the City. This Section 4.I. shall survive the Closing.

J. Due Diligence. The Developer shall deliver to DPD at least fourteen (14) days prior to the Closing due diligence searches in its name (UCC, state and federal tax lien, pending litigation and judgment in Cook County and N.D. Ill., and bankruptcy in Cook County and U.S. Bankr. Ct.), showing no unacceptable liens, litigation, judgments or filings, as reasonably determined by the Corporation Counsel.

K. Organization and Authority Documents. The Developer shall deliver to DPD at least fourteen (14) days prior to the Closing certified articles of organization, operating agreement, resolutions authorizing the Developer to enter into this transaction and such other corporate authority and organizational documents as the City may reasonably request.

SECTION 5. PROJECT BUDGET; PROOF OF FINANCING.

The total project budget is currently estimated to be Two Million Three Hundred Twenty-Eight Thousand Five Hundred Sixty and 00/100 Dollars (\$2,328,560.00) (the "Preliminary Project Budget"). Not less than thirty (30) days prior to the Closing, the Developer shall submit to DPD for approval a final project budget materially consistent with the Preliminary Project Budget ("Budget") and evidence of equity and loan funds committed and available and adequate to finance the purchase of the Property and the construction of the Improvements. If the Developer fails to provide the City with a Budget or proof of financing to the City's reasonable satisfaction within the time period provided for herein, the City may, at its option, declare this Agreement null and void or delay the Closing until such time as the Developer complies with this Section 5.

SECTION 6. SITE PLANS AND ARCHITECTURAL DRAWINGS.

A. Site Plans. The Developer shall construct the Improvements in accordance with the renderings prepared by Atelier'7, Inc., 3340 Dundee Road, Northbrook, Illinois 60062, dated _____, and the site plans and architectural drawings prepared pursuant thereto, which have been approved by DPD and which are listed on Exhibit C attached hereto and incorporated herein by reference ("Drawings"). Parking spaces shall be made available to the dwelling units as per Exhibit C and shall be included in the purchase price for such units. The Project will comply with Leadership in Energy and Environmental Design (LEED) standards. In addition, the Developer shall comply with the City's Landscape Ordinance and shall install a green roof covering 50% of the net roof area which shall be Energy-Star certified. No material deviation from the Drawings may be made without the prior written approval of DPD, which shall be in DPD's sole discretion. A deviation that changes the square footage of any dwelling unit by more than 5%, changes the number of dwelling units in the Project or changes the basic use of the Property shall be deemed material. In the event the Developer submits and DPD approves revised site plans and/or

architectural drawings after the date of this Agreement, the term "Drawings" as used herein shall refer to the revised site plans and/or architectural drawings upon DPD's written approval of the same.

B. **Subsidized Units.** The Developer shall sell one of the condominium units to be constructed on Property for a sum not to exceed One Hundred Eighty-Five Thousand Five Hundred and 00/100 Dollars (\$185,500.00) to households earning no more than 100% of the median income for the Chicago Primary Metropolitan Statistical Area ("PMSA"). Throughout this Agreement, the above-referenced subsidized unit shall be referred to as "Affordable Unit" and households qualifying for the Affordable Unit shall be referred to as "Qualified Household" or "Qualified Households".

C. **Relocation of Utilities, Curb Cuts and Driveways.** The Developer shall be solely responsible for and shall pay all costs associated with: (i) the relocation, installation or construction of public or private utilities, curb cuts and driveways; (ii) the repair or reconstruction of any curbs, vaults, sidewalks or parkways required in connection with or damaged as a result of the Developer's redevelopment; (iii) the removal of existing pipes, utility equipment or building foundations; and (iv) the termination of existing water or other services. The City shall have the right to approve any streetscaping, including any paving of sidewalks, landscaping and lighting provided by the Developer as part of the Project.

D. **Inspection by the City.** During the construction of the Project, the Developer shall permit any duly authorized representative of the City to enter onto the Property and the Developer Parcel for the purpose of determining whether the work is being performed in accordance with the terms of this Agreement and all applicable laws and codes.

E. **Barricades and Signs.** The Developer shall, at its sole cost and expense, erect and maintain such signs as the City may reasonably require identifying the Property as a City redevelopment project. Prior to the commencement of any construction activity requiring barricades, the Developer shall install barricades of a type and appearance satisfactory to the City and constructed in compliance with all applicable federal, state and local laws, ordinances and regulations. The City shall have the right to approve the maintenance, appearance, color scheme, painting, nature, type, content and design of all signage and barricades, which approval shall not be unreasonably withheld or delayed. Upon start of construction, and with DPD's consent, a sales trailer may also be erected on the property.

F. **Survival.** The provisions of this Section 6 shall survive the Closing.

SECTION 7. LIMITED APPLICABILITY.

DPD's approval of the Drawings is for the purposes of this Agreement only and does not constitute the approval required by the City's Department of Construction and Permits ("DCAP") or any other City department; nor does the approval by DPD pursuant to this Agreement constitute an approval of the quality, structural soundness or safety of any improvements located or to be located on the Property or the Developer Parcel. DPD's approval shall be only for the benefit of the Developer and any lienholder authorized by this Agreement.

SECTION 8. COMMENCEMENT AND COMPLETION OF IMPROVEMENTS.

The Closing shall not occur unless and until the Developer is prepared to immediately commence construction of the Improvements. In no instance shall (a) construction commence later than March 31, 2007, or (b) construction be completed later than June 30, 2008. DPD shall have discretion to extend the dates in (a) and (b) by up to six (6) months each (i.e., no more than twelve (12) months in the aggregate) for good cause shown by issuing a written extension letter. The Developer shall give written notice to the City within five (5) days after it commences construction. The Improvements shall be constructed in accordance with the Drawings and all applicable laws, regulations, codes, and recorded encumbrances and restrictions.

SECTION 9. CERTIFICATE OF COMPLETION.

Upon completion of each of the residential units comprising the Project, the Developer shall deliver to the City a notice of closing ("Notice of Closing") in substantially the form attached hereto as Exhibit D. The Notice of Closing must include a Certificate of Substantial Completion from the project architect in substantially the form attached hereto as Exhibit E. Within thirty (30) days after receipt of a Notice of Closing and the accompanying Certificate of Substantial Completion, the City shall inspect the subject unit to determine whether it is substantially complete (i.e., complete except for punch list items) and constructed in accordance with this Agreement, and shall thereafter deliver to the Developer either a Partial Certificate of Completion for the unit ("Partial Certificate of Completion") or a written statement indicating in adequate detail how the Developer has failed to complete the unit in compliance with this Agreement or is otherwise in default, and what measures or acts are necessary, in the sole opinion of the City, for the Developer to take or perform in order to obtain the Partial Certificate of Completion. If the City requires additional measures or acts to assure compliance, the Developer shall have thirty (30) days to correct any deficiencies and resubmit a Notice of Closing. The Partial Certificate of Completion shall be in recordable form, and shall, upon recording, constitute a conclusive determination of satisfaction and termination of the covenants in this Agreement and the Deed with respect to the Developer's obligations to construct any single dwelling unit. The Partial Certificate of Completion shall not, however, constitute evidence that the Developer has complied with any Laws relating to the construction of the subject unit, nor shall it serve as any guaranty as to the quality of the construction.

Upon completion of the entire Project, the Developer shall deliver to the City a Notice of Closing. The Notice of Closing must include a Certificate of Substantial Completion from the project architect. Within thirty (30) days after receipt of a Notice of Closing and the accompanying Certificate of Substantial Completion, the City shall inspect the entire Project to determine whether it is substantially complete (i.e., complete except for punch list items) and constructed in accordance with this Agreement, and shall thereafter deliver to the Developer either a Final Certificate of Completion ("Final Certificate of Completion") or a written statement indicating in adequate detail how the Developer has failed to complete the unit in compliance with this Agreement or is otherwise in default, and what measures or acts are necessary, in the sole opinion of the City, for the Developer to take or perform in order to obtain the Final Certificate of Completion. If the City requires additional measures or acts to assure compliance, the Developer shall have thirty (30) days to correct any deficiencies and resubmit a Notice of Closing. The Final Certificate of Completion shall be in recordable form, and shall, upon recording, constitute a conclusive determination of satisfaction and

termination of the covenants in this Agreement and the Deeds with respect to the Developer's obligations construct the Project. The Final Certificate of Completion shall not, however, constitute evidence that the Developer has complied with any Laws relating to the construction of the Project, nor shall it serve as any guaranty as to the quality of the construction. Upon recordation of a Final Certificate of Completion for the Project and the sale of all Affordable Units to Qualified Households in accordance with Section 10.C hereof, the City shall return the Performance Deposit to the Developer.

SECTION 10. RESTRICTIONS ON USE.

The Developer agrees that it:

- A. Shall devote the Property to a use approved by Plan until October 14, 2032.
- B. Shall not discriminate based upon race, color, religion, sex, national origin or ancestry, military status, sexual orientation, gender identity, source of income, age, handicap or disability, in the sale of the Property or the dwelling units comprising the Improvements to be constructed on the Property. This covenant shall have no expiration date.
- C. Shall develop and sell the Affordable Unit in accordance with the following provisions:
 - (i) The Developer shall design and construct the Affordable Unit comparably to the market-rate units in the Project. The purchase price for the Affordable Unit shall not exceed One Hundred Eighty-Five Thousand Five Hundred and 00/100 Dollars (\$185,500.00) per unit, excluding any upgrades selected by the unit purchaser.
 - (ii) The Developer shall sell the Affordable Unit to Qualified Households, as per Section 6.B above. The Developer shall attach the Mortgage (as hereinafter defined) as an exhibit to the purchase agreement for the Affordable Unit and such purchase agreement shall advise the purchaser of its obligation to execute such mortgage at the closing for the purchase of such Affordable Unit.
 - (iii) The City must approve the income eligibility of the buyer of the Affordable Unit to confirm that the buyer is a Qualified Household. Toward this end, the Developer shall deliver to DPD any information required by DPD in order to determine the buyers income eligibility. DPD shall have ten (10) business days from the date of receipt of a "complete information package" to qualify buyers. A "complete information package" shall include, by means of illustration and not limitation, the fully-executed real estate sales contract, the W-2 forms from the buyer's employers, U.S. 1040 income tax returns from the previous two (2) years, an affidavit or verification from the buyer with regard to household size, and the employer verification form utilized by the Federal National Mortgage Association ("Fannie Mae"). The City shall not issue a Partial Certificate of Completion for the Affordable Unit until it has reviewed and approved said documentation.

- (iv) At the closing of the Affordable Unit, the Developer shall require the buyer to execute an Affidavit in substantially the form attached hereto as Exhibit F and a Mortgage, Security and Recapture Agreement ("Mortgage") in substantially the form attached hereto as Exhibit G, securing the difference between the market rate sales price for a similar type of unit and the sales price for the Affordable Unit in favor of the City to be dated as of the date of the closing. The Mortgage shall have a term of thirty (30) years commencing on the date of closing in an amount representing the difference between the market rate sales price for a similar type of unit and the sales price for the Affordable Unit. The indebtedness subject to recapture under the Mortgage shall be due and payable by the Affordable Unit buyer if, during the Mortgage Term, the Affordable Unit buyer sells the Affordable Unit for an amount that renders the Affordable Unit not affordable or to a buyer who does not meet the income eligibility requirements set forth herein. The Mortgage shall also be due and payable if the Affordable Unit buyer leases the Affordable Unit or refinances its first mortgage in an amount greater than the initial principal indebtedness secured thereby, or obtains home equity or other financing secured by the Affordable Unit which, when added to the then-outstanding balance of such first mortgage, exceeds the original principal amount of such first mortgage indebtedness. The City, in its sole discretion, shall have the right to waive or modify such mandatory pre-payment provisions in the event the enforcement thereof would be inequitable or cause undue hardship. The Mortgage shall be subordinate to the lien in favor of the permanent lender, if any.

The Developer acknowledges and agrees that the use restrictions set forth in this Section 10 constitute material, bargained for consideration for the City and are intended to further the public policy of creating long-term affordable housing, and that, but for such use and affordability restrictions, the City would not have agreed to convey the Property to the Developer.

SECTION 11. PROHIBITION AGAINST TRANSFER OF PROPERTY.

Prior to the issuance of the Final Certificate of Completion, the Developer may not, without the prior written consent of DPD, which consent shall be in DPD's sole discretion: (a) directly or indirectly sell or convey (except for the sale and conveyance of the residential units to bona fide purchasers) the Property or any part thereof or any interest therein or the Developer's controlling interests therein; or (b) directly or indirectly assign this Agreement. If the Developer is a business entity, no principal party of the Developer (e.g., a general partner, member, manager or shareholder) may sell, transfer or assign any of its interest in the Developer prior to the issuance of the Final Certificate of Completion to anyone other than another principal party of the Developer without the prior written consent of DPD, which consent shall be in DPD's sole discretion. The Developer must disclose the identity of all members to the City at the time such members obtain an interest in the Developer. In the event of a proposed sale (except for the sale and conveyance of the residential units to private purchasers), the Developer shall provide DPD copies of any and all sales contracts, legal descriptions, descriptions of intended use, certifications from the proposed buyer regarding this Agreement and such other information as the City may reasonably request. The proposed buyer must be qualified to do business with the City (including, without limitation, the anti-scofflaw requirement).

SECTION 12. LIMITATION UPON ENCUMBRANCE OF PROPERTY.

Except as otherwise provided herein, prior to the issuance of the Final Certificate of Completion, the Developer shall not, without DPD's prior written consent, which shall be in DPD's sole discretion, engage in any financing or other transaction which creates an encumbrance or lien on the Property, except for the initial construction financing approved by DPD pursuant to Section 5.

SECTION 13. MORTGAGEES NOT OBLIGATED TO CONSTRUCT.

Notwithstanding any other provision of this Agreement or of the Deed, the holder of any mortgage on the Property authorized by Section 12 of this Agreement shall not itself be obligated to construct or complete the Improvements but shall be bound by the covenants running with the land specified in Section 14 and, at Closing, shall execute a subordination agreement to such effect. If any such mortgagee succeeds to the Developer's interest in the Property prior to issuance of a Final Certificate of Completion, whether by foreclosure, deed-in-lieu of foreclosure or otherwise, and thereafter transfers its interest in the Property to another party, such transferee shall be obligated to complete the Improvements, and shall also be bound by the other covenants running with the land specified in Section 14.

SECTION 14. COVENANTS RUNNING WITH THE LAND.

The parties agree, and the Deed shall so expressly provide, that the covenants provided in Sections 8, 10, 11 and 12 will be covenants running with the land, binding on the Developer and its successors and assigns (subject to the limitation set forth in Section 13 above as to any permitted mortgagee) to the fullest extent permitted by law and equity for the benefit and in favor of the City, and shall be enforceable by the City. The covenants provided in Sections 8, 11 and 12 shall terminate for each of the dwelling units comprising the Project upon the issuance of the Partial Certificate of Completion for such unit and the subsequent sale of such unit to a bon fide purchaser. The covenants provided in Section 10 shall expire as set forth in said Section 10. The covenants provided in Sections 8, 11 and 12 shall terminate for any portions of the Project for which Partial Certificates of Completion have not been issued upon the issuance of the Final Certificate of Completion.

SECTION 15. PERFORMANCE AND BREACH.

A. Time of the Essence. Time is of the essence in the Developer's performance of its obligations under this Agreement.

B. Permitted Delays. The Developer shall not be considered in breach of its obligations under this Agreement in the event of a delay due to unforeseeable causes beyond the Developer's control and without the Developer's fault or negligence, including, without limitation, acts of God, acts of the public enemy, acts of the United States government, fires, floods, epidemics, quarantine restrictions, strikes, embargoes and unusually severe weather or delays of subcontractors due to such causes. The time for the performance of the obligations shall be extended only for the period of the delay and only if the Developer requests an extension in writing within twenty (20) days after the beginning of any such delay.

C. Cure. If the Developer defaults in the performance of its obligations under this Agreement, the Developer shall have sixty (60) days after written notice of default from the City to cure the default, or such longer period as shall be reasonably necessary to cure such default provided the Developer promptly commences such cure and thereafter diligently pursues such cure to completion (so long as continuation of the default does not create material risk to the Project or to persons using the Project). If the default is not cured in the time period provided for herein, the City may institute such proceedings at law or in equity as may be necessary or desirable in its sole discretion to cure and remedy the default, including, without limitation, proceedings to compel specific performance. Notwithstanding the preceding two sentences, no notice or cure period shall apply to defaults under Sections 15.D.(iv), (vi) and (ix). Any default under Sections 15.D.(iv), (vi), and (ix) shall constitute an immediate "Event of Default" and shall entitle the City to terminate this Agreement, retain the Earnest Money and Performance Deposit, and exercise such other remedies at law and at equity as may be available to recover the City's land write-down subsidy and attain the City's affordable housing objectives.

D. Default. The occurrence of any one or more of the following shall constitute an "Event of Default" under this Agreement:

- (i) The Developer fails to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations under this Agreement; or
- (ii) The Developer makes or furnishes a warranty, representation, statement or certification to the City (whether in this Agreement, an Economic Disclosure Form, or another document) which is not true and correct; or
- (iii) A petition is filed by or against the Developer under the Federal Bankruptcy Code or any similar state or federal law, whether now or hereafter existing, which is not vacated, stayed or set aside within thirty (30) days after filing; or
- (iv) The Developer abandons or substantially suspends construction of the Improvements; or
- (v) The Developer fails to timely pay real estate taxes or assessments affecting the Property or suffers or permits any levy or attachment, material suppliers' or mechanics' lien, or any other lien or encumbrance unauthorized by this Agreement to attach to the Property; or
- (vi) The Developer makes an assignment, pledge, unpermitted financing, encumbrance, transfer or other disposition in violation of this Agreement; or
- (vii) There is a change in Developer's financial condition or operations that would materially affect the Developer's ability to complete the Improvements; or
- (viii) The Developer fails to comply with the terms of any other written agreement entered into with the City with respect to the Project; or

(ix) The Developer fails to close by the Outside Closing Date.

E. Prior to Closing. If an Event of Default occurs prior to the Closing, the City may terminate this Agreement and retain the Earnest Money and Performance Deposit as liquidated damages.

F. After Closing. If an Event of Default occurs after the Closing but prior to the issuance of the Final Certificate of Completion for the Project, and the default is not cured in the time period provided for herein, the City may exercise any and all remedies available to it at law or in equity, including, without limitation, the right to re-enter and take possession of the Property, terminate the estate conveyed to the Developer, and re-vest title to the Property in the City; provided, however, the re-vesting of title in the City shall be subject to, limited by, and shall not defeat, render invalid, or limit in any way, the lien of any mortgage authorized by this Agreement. Notwithstanding the foregoing, after the issuance of a Partial Certificate of Completion for any individual dwelling unit, the City's right of reverter shall no longer be enforceable with respect to that unit, but the City shall be entitled to all other remedies, including, without limitation, specific enforcement of the covenants that run with the land. The Commissioner of DPD, at her sole discretion, may amend the terms of this Section 15.F.

G. Resale of the Property. Upon the re-vesting in the City of title to the Property as provided in Section 15.F., the City shall employ its best efforts to convey the Property (subject to any first mortgage lien described in this Section 15) to a qualified and financially responsible party (reasonably acceptable to the first mortgagee) who shall assume the obligation of completing the construction of the Improvements or such other improvements as shall be satisfactory to the City, and complying with the covenants that run with the land, as specified in Section 14.

H. Disposition of Resale Proceeds. If the City sells the Property as provided for in Section 15.G., the proceeds from the sale shall be utilized to reimburse the City for:

- (i) costs and expenses incurred by the City (including, without limitation, salaries of personnel) in connection with the recapture, management and resale of the Property (less any income derived by the City from the Property in connection with such management); and
- (ii) all unpaid taxes, assessments, and water and sewer charges assessed against the Property; and
- (iii) any payments made (including, without limitation, reasonable attorneys' fees and court costs) to discharge or prevent from attaching or being made any subsequent encumbrances or liens due to obligations, defaults or acts of the Developer; and
- (iv) any expenditures made or obligations incurred by the City with respect to construction or maintenance of the Improvements; and
- (v) the fair market value of the land comprising the Property (without any Improvements or partially constructed Improvements thereon) as determined by such sale, less the

Purchase Price previously paid to the City on the Closing Date;

(vi) any other amounts owed to the City by the Developer.

The Developer shall be entitled to receive any remaining proceeds up to the amount of the Developer's equity investment in the Property.

In addition to, and without in any way limiting the City's rights under this Section 15, the City shall have the right to retain the Performance Deposit in the event of a default by the Developer.

I. Waiver and Estoppel. Any delay by the City in instituting or prosecuting any actions or proceedings or otherwise asserting its rights shall not operate as a waiver of such rights or operate to deprive the City of or limit such rights in any way. No waiver made by the City with respect to any specific default by the Developer shall be construed, considered or treated as a waiver of the rights of the City with respect to any other defaults of the Developer.

J. No Remedies Against Bona Fide Purchasers. Notwithstanding anything in this Section 15 or otherwise, the City shall have no rights or remedies against a buyer of a dwelling unit, or against such dwelling unit, after the sale of such unit to such buyer except such rights as may be secured by the Mortgage in the case of a purchaser of an Affordable Unit. By operation of this Section 15.J., each dwelling unit shall be released from the encumbrance of this Agreement at the time of such unit's sale to a bona fide purchaser.

SECTION 16. CONFLICT OF INTEREST; CITY'S REPRESENTATIVES NOT INDIVIDUALLY LIABLE.

The Developer warrants that no agent, official or employee of the City shall have any personal interest, direct or indirect, in this Agreement or the Property, nor shall any such agent, official or employee participate in any decision relating to this Agreement which affects his or her personal interests or the interests of any entity or association in which he or she is directly or indirectly interested. No agent, official or employee of the City shall be personally liable to the Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to the Developer or successor or on any obligation under the terms of this Agreement.

SECTION 17. INDEMNIFICATION.

The Developer agrees to indemnify, defend and hold the City harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, reasonable attorneys' fees and court costs) suffered or incurred by the City arising from or in connection with: (a) the failure of the Developer to perform its obligations under this Agreement; (b) the failure of the Developer or any contractor to pay contractors, subcontractors or material suppliers in connection with the construction of the Improvements; (c) any material misrepresentation or omission in the Plan which is the result of information supplied or omitted by the Developer or agents, employees, contractors or other persons acting under the control or at the request of Developer; (d) the failure of the Developer to redress any misrepresentations or omissions

in this Agreement or any other agreement relating hereto; and (e) any activity undertaken by the Developer on the Property prior to or after the Closing. This indemnification shall survive the Closing or any termination of this Agreement (regardless of the reason for such termination).

SECTION 18. ENVIRONMENTAL MATTERS.

A. "As Is" Sale. The City makes no covenant, representation or warranty as to the environmental condition of the Property or the suitability of the Property for any purpose whatsoever, and the Developer agrees to accept the Property "as is."

B. Right of Entry. It shall be the responsibility of the Developer, at its sole cost and expense, to investigate and determine the soil and environmental condition of the Property. The Developer shall have the right to request a right of entry for the purpose of conducting environmental tests on the Property. If the Developer makes such a request within thirty (30) days after the date of this Agreement, the City shall grant the Developer the right to enter the Property for a period of thirty (30) days (the "Inspection Period") pursuant to a Right of Entry Agreement in form and substance acceptable to the City. The granting of the right of entry shall be contingent upon the Developer obtaining all necessary permits and the following types and amounts of insurance: (i) commercial general liability insurance with a combined single limit of not less than \$1,000,000.00 per occurrence for bodily injury, personal injury and property damage liability with the City named as an additional insured; (ii) automobile liability insurance with a combined single limit of not less than \$1,000,000.00 per occurrence for bodily injury and property damage; and (iii) worker's compensation and occupational disease insurance in statutory amounts covering all employees and agents who are to do any work on the Property. All insurance policies shall be from insurance companies authorized to do business in the State of Illinois, and shall remain in effect until completion of all environmental testing activity on the Property. The Developer shall deliver duplicate policies or certificates of insurance to the City prior to commencing any activity on the Property. The Developer expressly understands and agrees that any coverage and limits furnished by the Developer shall in no way limit the Developer's liabilities and responsibilities set forth in this Agreement.

The Developer agrees to carefully inspect the Property prior to the commencement of any activity on the Property to make sure that such activity shall not damage surrounding property, structures, utility lines or any subsurface lines or cables. The Developer shall be solely responsible for the safety and protection of the public. The City reserves the right to inspect any work being done on the Property. The Developer's activities on the Property shall be limited to those reasonably necessary to perform the environmental testing. Upon completion of the work, the Developer agrees to restore the Property to its original condition. The Developer shall keep the Property free from any and all liens and encumbrances arising out of any work performed, materials supplied or obligations incurred by or for the Developer, and agrees to indemnify and hold the City harmless against any such liens. The foregoing indemnification shall survive the Closing or any termination of this Agreement (regardless of the reason for such termination).

The Developer agrees to deliver to the City a copy of each report prepared by or for the Developer regarding the environmental condition of the Property within fourteen (14) days after receipt. If, prior to the Closing, the Developer's environmental consultant determines that contamination exists on the Property to such an extent that the parties agree that the estimated cost

of remediation (such estimated cost being determined by the consultant) is too excessive for the Developer, the Developer may declare this Agreement null and void by giving written notice thereof to the City within thirty (30) days after the expiration of the Inspection Period, whereupon the City shall return the Earnest Money and Performance Deposit to the Developer. The Developer agrees that it will not exercise its right to terminate this Agreement until the City has reviewed all reports concerning the condition of the Property and the parties have had an opportunity to try to resolve the issue. If the Developer elects not to terminate this Agreement pursuant to this Section 18, Developer shall be deemed satisfied with the condition of the Property.

If, after the Closing, the environmental condition of the Property is not in all respects entirely suitable for its intended use, it shall be the Developer's sole responsibility and obligation to take such action as is necessary to put the Property in a condition which is suitable for its intended use. The Developer hereby waives, releases and indemnifies the City from any claims and liabilities relating to or arising from the environmental condition of the Property, including, without limitation, claims arising under the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended ("CERCLA"), and shall undertake and discharge all liabilities of the City arising from any environmental condition which existed on the Property prior to the Closing, including, without limitation, liabilities arising under CERCLA. The provisions of this paragraph shall survive the Closing or any termination of this Agreement (regardless of the reason for such termination).

The Developer hereby acknowledges that, in purchasing the Property, Developer is relying solely upon its environmental due diligence activities and not upon any information (including, without limitation, environmental studies or reports of any kind) provided by or on behalf of the City or its agents or employees with respect thereto.

SECTION 19. DEVELOPER'S EMPLOYMENT OBLIGATIONS.

A. **Employment Opportunity.** The Developer agrees, and shall contractually obligate its various contractors, subcontractors and any affiliate of the Developer operating on the Property and the Developer Parcel (collectively, the "Employers" and individually, an "Employer") to agree that with respect to the provision of services in connection with the construction of the Improvements or occupation of the Property or the Developer Parcel during the construction period:

- (i) Neither the Developer nor any Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, gender identity, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Section 2-160-010 et seq. of the Municipal Code of Chicago, as amended from time to time (the "Human Rights Ordinance"). The Developer and each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, gender identity, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including, without limitation: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination;

rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Developer and each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Developer and each Employer, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, gender identity, military discharge status, marital status, parental status or source of income.

- (ii) To the greatest extent feasible, the Developer and each Employer shall present opportunities for training and employment of low and moderate income residents of the City, and provide that contracts for work in connection with the construction of the Improvements be awarded to business concerns which are located in, or owned in substantial part by persons residing in, the City.
- (iii) The Developer and each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including, without limitation, the Human Rights Ordinance, and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.
- (iv) The Developer, in order to demonstrate compliance with the terms of this Section, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.
- (v) The Developer and each Employer shall include the foregoing provisions of subparagraphs (i) through (iv) in every contract entered into in connection with the construction of the Improvements, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any affiliate operating on the Property or the Developer Parcel, so that each such provision shall be binding upon each contractor, subcontractor or affiliate, as the case may be.
- (vi) Failure to comply with the employment obligations described in this Section 19.A. shall be a basis for the City to pursue remedies under the provisions of Section 15.

B. City Resident Employment Requirement. The Developer agrees, and shall contractually obligate each Employer to agree, that during the construction of the Improvements, it and they shall comply with the minimum percentage of total worker hours performed by actual residents of the City of Chicago as specified in Section 2-92-330 of the Municipal Code of Chicago (at least fifty percent of the total worker hours worked by persons on the construction of the Improvements shall be performed by actual residents of the City of Chicago); provided, however, that in addition to complying with this percentage, the Developer and each Employer shall be required to make good faith efforts to utilize qualified residents of the City of Chicago in both

unskilled and skilled labor positions.

The Developer and the Employers may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the Purchasing Agent of the City of Chicago.

“Actual residents of the City of Chicago” shall mean persons domiciled within the City of Chicago. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

The Developer and the Employers shall provide for the maintenance of adequate employee residency records to ensure that actual Chicago residents are employed on the construction of the Improvements. The Developer and the Employers shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) shall be submitted to the Commissioner of the City of Chicago Department of Housing (“DOH”) in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the company hired the employee should be written in after the employee's name.

The Developer and the Employers shall provide full access to their employment records to the Chief Procurement Officer, the Commissioner of DOH, the Superintendent of the Chicago Police Department, the Inspector General, or any duly authorized representative thereof. The Developer and the Employers shall maintain all relevant personnel data and records for a period of at least three (3) years from and after the issuance of the Final Certificate of Completion.

At the direction of DOH, the Developer and the Employers shall provide affidavits and other supporting documentation to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

Good faith efforts on the part of the Developer and the Employers to provide work for actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section concerning the worker hours performed by actual Chicago residents.

If the City determines that the Developer or an Employer failed to ensure the fulfillment of the requirements of this Section concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section. If such non-compliance is not remedied in accordance with the breach and cure provisions of Section 15.C., the parties agree that 1/20 of 1 percent (.05%) of the aggregate hard construction costs set forth in the Budget shall be surrendered by the Developer and for the Employers to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to

report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer and/or the other Employers or employees to prosecution.

Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement.

The Developer shall cause or require the provisions of this Section 19.B. to be included in all construction contracts and subcontracts related to the construction of the Improvements.

C. Developer's MBE/WBE Commitment. The Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the general contractor to agree that during the construction of the Project:

- (i) Consistent with the findings which support, as applicable, (a) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code of Chicago (the "Procurement Program"), and (b) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code of Chicago (the "Construction Program," and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 19.C., during the course of the Project, the following percentages of the MBE/WBE Budget (as set forth in Exhibit H hereto) shall be expended for contract participation by minority-owned businesses ("MBEs") and by women-owned businesses ("WBEs"): (1) At least 24% by MBEs; and (2) At least 4% by WBEs.
- (ii) For purposes of this Section 19.C. only:
 - (a) The Developer (and any party to whom a contract is let by the Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by the Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code of Chicago, as applicable.
 - (b) The term "minority-owned business" or "MBE" shall mean a business identified in the Directory of Certified Minority Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a minority-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

- (c) The term "women-owned business" or "WBE" shall mean a business identified in the Directory of Certified Women Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a women-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.
- (iii) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code of Chicago, the Developer's MBE/WBE commitment may be achieved in part by the Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (a) the MBE or WBE participation in such joint venture, or (b) the amount of any actual work performed on the Project by the MBE or WBE); by the Developer utilizing a MBE or a WBE as the general contractor (but only to the extent of any actual work performed on the Project by the general contractor); by subcontracting or causing the general contractor to subcontract a portion of the construction of the Project to one or more MBEs or WBEs; by the purchase of materials or services used in the construction of the Project from one or more MBEs or WBEs; or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer's MBE/WBE commitment as described in this Section 19.C. In accordance with Section 2-92-730, Municipal Code of Chicago, the Developer shall not substitute any MBE or WBE general contractor or subcontractor without the prior written approval of DOH.
- (iv) The Developer shall deliver quarterly reports to the City's monitoring staff during the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by the Developer or the general contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining the Developer's compliance with this MBE/WBE commitment. The Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the Project for at least five years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by the Developer, on five business days notice, to allow the City to review the Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the Project.
- (v) Upon the disqualification of any MBE or WBE general contractor or subcontractor, if such status was misrepresented by the disqualified party, the Developer shall be obligated to discharge or cause to be discharged the disqualified general contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as

a replacement. For purposes of this subsection (v), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code of Chicago, as applicable.

- (vi) Any reduction or waiver of the Developer's MBE/WBE commitment as described in this Section 19.C. shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code of Chicago, as applicable.
- (vii) Prior to the commencement of the Project, the Developer shall meet with the City's monitoring staff with regard to the Developer's compliance with its obligations under this Section 19.C. The general contractor and all major subcontractors shall be required to attend this pre-construction meeting. During said meeting, the Developer shall demonstrate to the City's monitoring staff its plan to achieve its obligations under this Section 19.C., the sufficiency of which shall be approved by the City's monitoring staff. During the Project, the Developer shall submit the documentation required by this Section 19.C. to the City's monitoring staff, including the following: (a) MBE/WBE utilization plan and record; (b) subcontractor's activity report; (c) contractor's certification concerning labor standards and prevailing wage requirements; (d) contractor letter of understanding; (e) monthly utilization report; (f) authorization for payroll agent; (g) certified payroll; (h) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (i) evidence of compliance with job creation requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that the Developer is not complying with its obligations under this Section 19.C., shall, upon the delivery of written notice to the Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (1) issue a written demand to the Developer to halt the Project, (2) withhold any further payment of any city funds to the Developer or the general contractor, or (3) seek any other remedies against the Developer available at law or in equity.

SECTION 20. PROVISIONS NOT MERGED WITH DEED.

The provisions of this Agreement shall not be merged with the Deed, and the delivery of the Deed shall not be deemed to affect or impair the provisions of this Agreement.

Neither Developer nor any Affiliate thereof is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List

As used in the above paragraph, an "Affiliate" shall be deemed to be a person or entity related to Developer that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Developer, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

SECTION 31. BUSINESS RELATIONSHIPS.

The Developer acknowledges (A) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (B) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (c) that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement and the transactions contemplated hereby. The Developer hereby represents and warrants that, to the best of its knowledge after due inquiry, no violation of Section 2-156-030 (b) has occurred with respect to this Agreement or the transaction contemplated hereby.

SECTION 32. PROHIBITION ON CERTAIN CONTRIBUTIONS - MAYORAL EXECUTIVE ORDER NO. 05-1.

Consistent with the intent of Mayoral Executive Order No. 05-1, compliance with the substance of which is intended by this Section 32, the Developer hereby agrees that the Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in the Developer of more than 7.5 percent, the General Partner or Managing Member, any person or entity who directly or indirectly has an ownership or beneficial interest in the General Partner or Managing Member of more than 7.5 percent, Owner, any person or entity who directly or indirectly has an ownership, beneficial or other controlling interest in Owner of more than 7.5 percent (collectively, "Controlling Owners"), spouses and domestic partners of such Controlling Owners, (collectively, all the preceding classes of persons and entities are hereinafter referred to as the "Ownership Parties") shall not make a contribution of any amount to the Mayor of the City ("Mayor") or to his political fundraising committee (i) after execution of this Agreement by the Developer, and (ii) while this Agreement or any Other Contract is executory, (iii) during the term of this Agreement or any Other Contract between the Developer and the City, or (iv) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

The Developer hereby agrees to require that the General Contractor, any person or entity who directly or indirectly has an ownership or beneficial interest in the General Contractor of more than 7.5 percent, any Subcontractor, any person or entity who directly or indirectly has an ownership or beneficial interest in any Subcontractor of more than 7.5 percent (collectively, "Interested Parties"), and spouses and domestic partners of such Interested Parties (collectively, all the preceding classes of persons and entities are hereinafter referred to, together with the Ownership Parties, as the "Identified Parties") shall not make a contribution of any amount to the Mayor or to his political fundraising committee (i) after execution of this Agreement by the Developer, and (ii) while the Construction Contract or any Subcontract is executory, (iii) during the term of the Construction Contract or any Subcontract, or (iv) during any period while an extension of the Construction Contract or any Subcontract is being sought or negotiated.

The Developer represents and warrants that as of the later of (i) February 10, 2005, or (ii) the date that the City approached the Developer, or the Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

The Developer agrees that it shall not and it shall require all other Identified Parties to not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

The Developer agrees that it must not and it shall require all other Identified Parties to not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 05-1 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 05-1. The Developer shall impose the restrictions of this Section 32 in the Construction Contract and shall specifically require the General Contractor to impose the restrictions of this Section 32 in all Subcontracts.

The Developer agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 05-1 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, and under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source that are then delivered by one person to the Mayor or to his political fundraising committee.

"Other Contract" means any other agreement with the City to which the Developer is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

- (A) they are each other's sole domestic partner, responsible for each other's common welfare; and
- (B) neither party is married; and
- (C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and
- (D) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
- (E) two of the following four conditions exist for the partners:
 - 1. The partners have been residing together for at least 12 months.
 - 2. The partners have common or joint ownership of a residence.
 - 3. The partners have at least two of the following arrangements:
 - a. joint ownership of a motor vehicle;
 - b. a joint credit account;
 - c. a joint checking account;
 - d. a lease for a residence identifying both domestic partners as tenants.
 - 4. Each partner identifies the other partner as a primary beneficiary in a will.

"Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

SECTION 33. WASTE ORDINANCE PROVISIONS.

In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, the Developer warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of the following sections of the Code (collectively, the "Waste Sections"):

- 7-28-390 Dumping on public way;
- 7-28-440 Dumping on real estate without permit;
- 11-4-1410 Disposal in waters prohibited;
- 11-4-1420 Ballast tank, bilge tank or other discharge;
- 11-4-1450 Gas manufacturing residue;
- 11-4-1500 Treatment and disposal of solid or liquid waste;
- 11-4-1530 Compliance with rules and regulations required;
- 11-4-1550 Operational requirements; and
- 11-4-1560 Screening requirements.

During the period while this Agreement is executory, Developer's, general contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole discretion of the Chief Procurement Officer. Such breach and default entitles the City to all remedies under the Agreement, at law or in equity.

This section does not limit the Developer, general contractor's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Agreement.

Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Agreement, and may further affect the Developer's eligibility for future contract awards.

SECTION 34. GOVERNING LAW.

This Agreement shall be governed by and construed in accordance with the laws of the State of Illinois.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed on or as of the date first above written.

THIS MORTGAGE, SECURITY AND RECAPTURE AGREEMENT, INCLUDING RESIDENCY, TRANSFER, FINANCING AND AFFORDABILITY COVENANTS (this "**Mortgage**") is made as of this ___ day of _____, 200__ from [INSERT NAME(S) AND DESCRIBE MARITAL STATUS] _____ [IF RECIPIENT IS ONE PERSON: (the "**Mortgagor**"),] [IF RECIPIENT IS MORE THAN ONE PERSON: (collectively, jointly and severally referred to herein as the "**Mortgagor**"),] to the CITY OF CHICAGO, an Illinois municipal corporation, acting by and through its Department of Planning and Development, and having its principal office at City Hall, 121 N. LaSalle Street - Room 1000, Chicago, Illinois 60602 (the "**City**" or "**Mortgagee**"). Capitalized terms not otherwise defined herein shall have the meaning set forth in Section 1.

RECITALS

- A. On April 9, 2003, the City Council of the City adopted the Affordable Housing Ordinance (the **AHO**), codified at Chapter 2-44-090 of the Municipal Code of the City, which obligates the City to impose certain affordability and recapture requirements upon developers who undertake residential development projects that receive City assistance either in the form of the sale of City land at less than fair market value or in the form of financial assistance.
- B. The City and Maktub Chicago Development, LLC, an Illinois limited liability company (**Developer**), have executed that certain Agreement for the Sale and Redevelopment of Land, DATED _____, 200__ and recorded in the Office of the Recorder of Deeds of Cook County as document # _____ (the **Redevelopment Agreement**). Pursuant to the Redevelopment Agreement, the Developer has constructed [GIVE NAME OR ADDRESS OF RESIDENTIAL PROJECT] on the real property legally described on **Exhibit A** (such

- real property, the Property and such project, the Project). As part of the Project, the Developer has constructed on the real property legally described on Exhibit B attached hereto (the Land) a single family housing unit (the Home).
- C. Pursuant to the Redevelopment Agreement, the City sold and conveyed all of the Property to the Developer for a price that is less than the fair market value of the Property.
- D. Pursuant to the AHO, the Developer acknowledges that it is required to sell the Mortgaged Property to Mortgagor for the Base Purchase Price, plus upgrades, subject to Mortgagor's execution of this Mortgage in favor of Mortgagee, which Mortgage secures the residency, transfer, financing and affordability covenants set forth in Section 3 of this Mortgage (such covenants, the Affordability Covenants), which covenants shall run with the Land and are intended to assure that the City achieves the affordable housing objectives of the AHO and complies with the affordability and recapture provisions of the AHO.
- E. The Affordability Covenants require that, among other things, with respect to the initial sale of the Mortgaged Property (in connection with which this Mortgage is being granted), and with respect to each resale of the Mortgaged Property during the Affordability Period (unless Mortgagor is permitted and elects to repay to the City the Recapture Amount), such Mortgaged Property may only be sold to a Qualified Household for an Affordable Price.
- F. Mortgagor has covenanted to Mortgagee herein that it is a Qualified Household and that the Base Purchase Price is an Affordable Price.
- G. Mortgagor acknowledges and agrees that, as of the Purchase Date, the Base Purchase Price is less than the fair market price for the Mortgaged Property by an amount equal to the City Affordability Amount, as evidenced by contemporaneous or projected sales of comparable homes.
- H. Mortgagor acknowledges and agrees that, but for the City's imposition of the Affordability Covenants, Mortgagor would have been unable to purchase the Mortgaged Property for an Affordable Price.
- I. The City has required Mortgagor to execute this Mortgage in order to both (a) impose the Affordability Covenants upon the Mortgaged Property and give notice of the Affordability Covenants to Mortgagor, to any subsequent purchaser of the Mortgaged Property, and to any lender having a mortgage secured by the Mortgaged Property, and (b) to secure the payment of the Recapture Amount described in Section 4.02 hereof and Mortgagor's other obligations under this Mortgage.
- J. In consideration of the benefits accruing to Mortgagor as a result of its purchase of the Mortgaged Property for an Affordable Price, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Mortgagor has executed and delivered to the City this Mortgage.

NOW, THEREFORE, to secure the performance and observance by Mortgagor of all the terms, covenants and conditions described herein, and in order to charge the properties, interests and rights hereinafter described with such consideration, Mortgagor has executed and delivered this Mortgage and does hereby grant, convey, assign, mortgage, grant a security interest in, and confirm unto Mortgagee and its successors and assigns forever, all of Mortgagor's right, title and interest in the following described property (which is hereinafter sometimes referred to as "Mortgaged Property"):

- (A) The Land and, if such Land constitutes a common element under applicable condominium property law, Mortgagor's undivided interest therein and in any common elements and limited common elements associated therewith;
- (B) The Home and all easements, rights, interests and appurtenances thereto, including, without limitation, any deeded, reserved or assigned parking area or storage space and any interest in common elements and limited common elements associated therewith;
- (C) All structures and improvements of every nature whatsoever now or hereafter located on the Land or situated within or comprising a part of the Home, including, without limitation, all fixtures of every kind and nature whatsoever which are or shall be attached to said buildings, structures or improvements, and now or hereafter owned by Mortgagor, including all extensions, additions, improvements, betterments, renewals and replacements of any of the foregoing (the "Improvements"); and
- (D) All rents and issues of the Land, Home and Improvements from time to time and all of the estate, right, title, interest, property, possession, claim and demand at law, as well as in equity of Mortgagor, in and to the same;

TO HAVE AND TO HOLD the Mortgaged Property and all parts thereof unto Mortgagee, its successors and assigns, to its own proper use, benefit and advantage forever, subject, however, to the terms, covenants and conditions herein;

WITHOUT limitation of the foregoing, Mortgagor hereby further grants unto Mortgagee, pursuant to the provisions of the Uniform Commercial Code of the State of Illinois, a security interest in all of the above-described property, which are or are to become fixtures.

THIS MORTGAGE IS GIVEN TO SECURE: (a) payment of all Recapture Amounts described herein, (b) performance of the Affordability Covenants, and © the payment and performance of all other obligations, covenants, conditions and agreements contained herein and in any other agreement, document or instrument to which reference is expressly made in the Mortgage.

ARTICLE I

INCORPORATION OF RECITALS; DEFINITIONS

The recitals set forth above constitute an integral part of the Mortgage and are hereby incorporated

herein by this reference with the same force and effect as if set forth herein as the agreement of the Mortgagor.

As used herein, the following capitalized terms shall be defined as follows:

"Affordability Covenants" shall mean the affordability covenants and requirements contained in Section 3 hereof and Exhibit C hereto.

"Affordability Period" shall mean the 30-year period commencing on the Purchase Date.

"Affordable Price" shall mean an amount less than or equal to the price at which Monthly Homeownership Costs for the Mortgaged Property would total not more than 30% of household income for a household with a family size equal to the product of 1.5 multiplied by the number of bedrooms in the Mortgaged Property whose income is the maximum amount allowable for such household to qualify as a Qualified Household.

"Base Purchase Price" shall mean \$ _____, which is the base purchase price the Mortgagor paid the Developer for the Mortgaged Property pursuant to the requirements of the Redevelopment Agreement.

"City Affordability Amount" shall mean \$ _____, constituting the dollar difference between the market value of the Mortgaged Property at the time of its purchase from Developer (based on appraisals, comparable sales or similar evidence reasonably acceptable to the City's Department of Planning and Development or any successor department thereof) and the Base Purchase Price.

"Monthly Homeownership Costs" shall mean the sum of the following estimated amounts:

- (i) monthly principal and interest payments on a 30-year fixed rate purchase money mortgage in the amount of 95% of the purchase price of the Mortgaged Property, bearing interest at a rate equal to the prevailing rate as published in the Chicago Tribune (or posted on the internet website maintained by the Chicago Tribune) as of the date of calculation of Monthly Homeownership Costs, rounded up to the nearest quarter percent,
- (ii) annual estimated real property taxes for the Mortgaged Property (based upon the most recently issued real estate tax bill), divided by 12,
- (iii) annual insurance premiums for the Mortgaged Property, divided by 12, for homeowners insurance in the amount of the replacement value of the Mortgaged Property, and
- (iv) monthly condominium assessment payments or similar homeowners association payments for the Mortgaged Property, if applicable.

"Purchase Date" shall mean the date on which the Mortgagor purchased the Mortgaged Property, which shall be deemed to be the date on which this Mortgage is recorded.

"Purchase Price" shall mean \$ _____, being the sum of the Base Purchase Price plus upgrades.

"Qualified Household" shall mean a single person, family or unrelated persons living together whose adjusted income is not more than 100% of the Chicago-area median income, adjusted for family size, as such adjusted income and Chicago-area median income are determined from time to time by the United States Department of Housing and Urban Development for purposes of Section 8 of the United States Housing Act of 1937. As of the Purchase Date, such income limitations are as follows [**CURRENT INFORMATION MUST BE OBTAINED FROM HUD JUST PRIOR TO CLOSING DATE**]:

<u># of Persons In Household</u>	<u>100% of AMI</u>
1	\$52,800
2	\$60,300
3	\$67,900
4	\$75,400
5	\$81,400
6	\$87,500

"Recapture Amount" shall mean an amount, determined as of any applicable determination date, equal to the City Affordability Amount plus simple, non-compounding interest on such amount at the rate of three percent (3.0%) per annum (assuming twelve 30 day months) calculated from the Purchase Date to the date of the Recapture Default. For example, if (a) this Mortgage was recorded January 1, 2005, (b) the date of the Recapture Default was July 1, 2011, and (c) the City Affordability Amount was \$20,000, then (i) the interest on the City Affordability Amount would be \$3,900 (\$600/year for 6 years, plus \$300 for one half-year), and (ii) the Recapture Amount would be \$23,900 (\$20,000 plus \$3,900).

ARTICLE II

COVENANTS, REPRESENTATIONS AND WARRANTIES

Mortgagor covenants and agrees with Mortgagee that, at all times during the Affordability Period:

2.01 Taxes and Assessments. (a) Mortgagor will pay when due all general taxes and assessments (including, without limitation, any condominium or homeowners association assessments, if applicable), special assessments, water charges and all of the charges against the Mortgaged Property and shall, upon written request, furnish to Mortgagee receipts evidencing payment thereof, provided that Mortgagor, in good faith and with reasonable diligence, may contest the validity or amount of any such taxes, assessments or charges,

provided that during any such contest the enforcement of the lien of such taxes, assessments or charges is stayed.

- (b) Mortgagor will not suffer (unless bonded or insured over) any mechanic's, laborer's, materialmen's or statutory lien to remain outstanding upon any of the Mortgaged Property. Mortgagor may contest such lien, provided that Mortgagor shall first post a bond in the amount of the contested lien, or provide title insurance over such contested lien, and further provided that Mortgagor shall diligently prosecute the contested lien and cause the removal of the same.

2.02 Insurance. Mortgagor shall keep the Mortgaged Property continuously insured (or shall use reasonable efforts to cause the condominium or homeowners association, as applicable, to keep insured such parts of the Mortgaged Property as may be required to be insured by such association under the applicable declaration) in such amounts and against such risks as required of Mortgagor by the Senior Lender, paying the premiums for said insurance as they become due. Policies of insurance shall name Mortgagee as an additional insured. All policies of insurance shall provide that the same shall not be canceled, except upon 30 days prior written notice to Mortgagee.

2.03 Maintenance of the Property. (a) Mortgagor shall preserve and maintain the Mortgaged Property in good condition and repair, will not commit or suffer any waste thereof, and will keep the same in a clean, orderly and attractive condition. Mortgagor shall not do or suffer to be done anything which will increase the risk of fire or other hazard to the Mortgaged Property or any part thereof.

- (b) If the Mortgaged Property or any part thereof is damaged by fire or any other cause, Mortgagor will immediately give written notice of the same to Mortgagee.
- (c) Mortgagee or its representatives shall have the right to inspect the Mortgaged Property to assure compliance with the terms of this Mortgage.
- (d) Mortgagor shall promptly comply, and cause the Mortgaged Property to comply, with all present and future laws, ordinances, orders, rules and regulations and other requirements of any governmental authority affecting the Mortgaged Property or any part thereof and with all instruments and documents of record or otherwise affecting the Mortgaged Property or any part thereof.
- (e) If all or any part of the Mortgaged Property shall be damaged by fire or other casualty, Mortgagor (subject to the rights of the Board of Managers of the condominium or homeowners association, if applicable, with respect to any proceeds applicable to common elements or limited common elements), will promptly restore the Mortgaged Property to the equivalent of its condition prior to the casualty, to the extent of any insurance proceeds made available to Mortgagor for that purpose.

- 2.04 Subordination. This Mortgage shall be subject and subordinate in all respects to that certain mortgage dated as of _____, 200__, between Mortgagor and _____ (the **Senior Lender**), recorded with the Office of the Recorder of Deeds of Cook County, Illinois on _____, 200__ as document # _____ (the **Senior Mortgage**), to secure indebtedness in the original principal amount not to exceed the Base Purchase Price. This Mortgage shall also be subordinate to any subsequent mortgage that refinances the Senior Mortgage, so long as such refinancing is not in an amount greater than the Base Purchase Price.
- 2.05 Income Eligibility. Mortgagor represents and warrants to Mortgagee that, based on Mortgagor's household income, as of the time of Mortgagor's execution of its purchase contract for the Mortgaged Property, Mortgagor's household was a Qualified Household as of such date.
- 2.06 Foreclosure of Senior Mortgage. In the event of a transfer of title of the Mortgaged Property through foreclosure or recording of deed in lieu of foreclosure to the Senior Lender pursuant to the Senior Mortgage, Mortgagee acknowledges and agrees that the Affordability Covenants and any other provisions contained herein restricting the sale and occupancy of the Mortgaged Property to buyers or occupants which meet the income eligibility requirements of the AHO shall be released and shall have no further force or effect; provided, however, that all such Affordability Covenants and restrictions shall be revived according to the original terms if, during the Affordability Period, the Mortgagor or any member of Mortgagor's household or family reacquires an ownership interest in the Mortgaged Property. Any other person (including the successors and/or assigns of Senior Lender) receiving title to the Mortgaged Property through a foreclosure or deed in lieu of foreclosure of the Senior Mortgage shall also receive title to the Mortgaged Property free and clear of such restrictions.

Further, if Senior Lender acquires title to the Mortgaged Property pursuant to a deed in lieu of foreclosure, the lien of this Mortgage and the restrictions contained herein shall automatically terminate upon the Senior Lender's acquisition of title to the Mortgaged Property, provided that: (i) the Senior Lender has given written notice to Mortgagor of a default under the Senior Mortgage in accordance with its terms, (ii) the Mortgagor shall not have cured the default under the Senior Mortgage within any applicable cure period(s) provided for therein; and (iii) any proceeds from any subsequent sale of the Mortgaged Property, if any, which Mortgagee is entitled to receive after payment of all amounts due pursuant to the Senior Mortgage and pursuant to this Mortgage, are paid to Mortgagee.

ARTICLE III

RESIDENCY, TRANSFER, FINANCING AND AFFORDABILITY COVENANTS

Mortgagor covenants to comply with the residency, transfer, financing and affordability covenants set forth in Exhibit C, which covenants are materially related to the City's affordable housing objectives of the AHO.

ARTICLE IV

DEFAULT

4.01 Events of Default. The terms "**Event of Default**" or "**Events of Default**," wherever used in the Mortgage, shall mean any one or more of the following events:

- (a) a failure by Mortgagor to comply with any of the Affordability Covenants set forth in Exhibit C.
- (b) failure by Mortgagor to duly observe or perform any other material term, covenant, condition or agreement in the Mortgage after the expiration of the applicable cure periods provided in Section 4.02; or
- (c) a default continuing beyond all applicable cure periods under the Senior Mortgage and permitting foreclosure thereunder.

4.02 City Remedies. The City shall have the following remedies, depending on the nature and timing of the Event of Default:

- (a) Recapture Defaults. If an Event of Default arising from a breach of one or more of the covenants set forth in Exhibit C occurs, (such a default, a "**Recapture Default**"), the City may seek specific enforcement of the Affordability Covenants and any other remedies available under this Mortgage. The City, in its sole discretion, and in lieu of its specific enforcement of the Affordability Covenants, may elect to require payment of the Recapture Amount in the event that the City determines that specific enforcement of the Affordability Covenants is impractical or inappropriate. If Mortgagor pays to the City the Recapture Amount pursuant to an election by the City to accept same, then the City shall have no other remedy with respect to such Event of Default and shall be obligated to execute and deliver a release of this Mortgage in recordable form and any subsequent transferee shall not be bound by any Affordability Covenants or otherwise required to execute and deliver any mortgage in favor of the City.
- (b) Other Mortgage Defaults. If an Event of Default occurs that is not a Recapture Default, and such default involves a failure to make timely payment of any amount due and secured by this Mortgage or the Senior Mortgage and such failure is not cured within 10 days of the Mortgagee's delivery of written notice of such failure to Mortgagor (a "**Monetary Event of Default**"), then Mortgagee shall be entitled to immediately: (i) declare the Recapture Amount immediately due and payable (with such Monetary Event of Default date being also being deemed the Recapture Default date for purposes of computing such amount); and (ii) exercise any other remedies available under this Mortgage (including, without limitation, specific enforcement of the Affordability Covenants any time prior to the end of the Affordability Period of this Mortgage), in either instance without further notice or demand.

- (c) If an Event of Default occurs by Mortgagor failing to perform any other non-monetary obligation required under this Mortgage that is not described in Section 4.02(a) or (b) and such failure is not cured within 60 days of the Mortgagee's delivery of written notice of such failure to Mortgagor, Mortgagee shall be entitled to immediately: (i) declare the Recapture Amount immediately due and payable (with such non-monetary Event of Default date being also being deemed the Recapture Default date for purposes of computing such amount); and (ii) exercise any other remedies available under this Mortgage (including, without limitation, specific enforcement of the Affordability Covenants any time prior to the end of the Affordability Period of this Mortgage), in either instance without further notice or demand. In the event such default cannot reasonably be cured within such 60-day period, however, and if Mortgagor has commenced efforts to cure such default, then the time to cure shall be extended so long as said party diligently continues to cure such default.
- (d) If an event of default occurs under the Senior Lender's security documents (after the giving of any applicable notice and lapse of any applicable cure period, if any) and the Senior Lender commences efforts to foreclose its mortgage (or obtain a deed-in-lieu-of-foreclosure), obtain appointment of a receiver for the Mortgaged Property, or obtain possession of the Mortgaged Property, such event of default shall (notwithstanding anything in this Section 4.02 to the contrary) constitute an immediate Event of Default under this Mortgage and the Mortgagee shall be entitled to immediately: (i) declare the Recapture Amount immediately due and payable (with such commencement date being also deemed the Recapture Default date for purposes of computing the Recapture Amount); and (ii) exercise any other remedies available under this Mortgage, in either instance without further notice or demand.

4.03 Other Remedies. (a) If any amounts due under and secured by this Mortgage shall become due, whether by acceleration or otherwise, Mortgagee shall have the right to foreclose the lien hereof for such indebtedness or part thereof. This Mortgage and the right of foreclosure hereunder shall not be impaired or exhausted by any foreclosure of the Senior Mortgage, and may be foreclosed successively and in parts, until all of the Mortgaged Property has been foreclosed against. In any such foreclosure, or upon the enforcement of any other remedy of Mortgagee, there shall be allowed and included as additional indebtedness all expenditures and expenses which may be paid or incurred by or on behalf of Mortgagee for reasonable attorneys fees, appraisers fees, outlays for documentary and expert evidence, stenographers' charges, publication costs, and costs involved in title insurance and title examinations. All expenditures and expenses of the nature in this Section 4.03 mentioned, and such expenses and fees as may be incurred in the protection of the Mortgaged Property and the maintenance of the lien of this Mortgage, including the reasonable fees of any attorney employed by Mortgagee in any litigation or proceeding affecting this Mortgage, or the Mortgaged Property, including probate and bankruptcy proceedings, or in preparation for the commencement or defense of any proceeding or threatened suit or proceeding, shall be immediately due and payable by Mortgagor, with interest thereon at the lesser of the highest rate permitted by law or fifteen percent (15%) per annum, and shall be secured by this Mortgage. The proceeds of any foreclosure sale of the Mortgaged Property shall be distributed and applied in the following order of priority: (i) on account of all costs and

expenses incidental to the foreclosure proceedings, including all such items as are mentioned in this section; (ii) repayment of the indebtedness owed to the Senior Lender, subject to the limitation in Section 2.04; (iii) repayment of any other amounts due under this Mortgage; and (iv) payment of any remaining amounts due to Mortgagor, its successors or assigns, as their rights may appear.

- (b) Mortgagor shall not and will not apply for or avail itself of any appraisal, valuation, stay, extension or exemption laws, or any so-called "Moratorium Laws," now existing or hereafter enacted, in order to prevent or hinder the enforcement or foreclosure of this Mortgage, but hereby waives the benefit of such laws. Mortgagor, for itself and all who may claim through or under it, waives any and all right to have the property and estates comprising the Mortgaged Property marshaled upon any foreclosure of the lien hereof, and agrees that any court having jurisdiction to foreclose such lien may order the Mortgaged Property sold as an entirety. To the extent permitted by law, Mortgagor hereby waives any and all rights of redemption from sale under any order or decree of foreclosure of this Mortgage on such Mortgagor's behalf and on behalf of each and every person, except decree or judgment creditors of Mortgagor, acquiring any interest in or title to the Mortgaged Property subsequent to the date of this Mortgage.
- (c) Upon any other entering upon or taking of possession of the Mortgaged Property after the occurrence of an Event of Default and the expiration of the applicable cure period and other than by means of a foreclosure, Mortgagee, subject to the rights of the Senior Lender, may hold, use, manage and control the Mortgaged Property and, from time to time: (i) make all necessary and proper maintenance, repairs, renewals, replacements, additions, betterments and improvements thereto and thereon and purchase or otherwise acquire additional fixtures, personalty and other property required in connection therewith; (ii) insure or keep the Mortgaged Property insured; (iii) manage the Mortgaged Property and exercise all the rights and powers of Mortgagor to the same extent as Mortgagor could in its own name or otherwise with respect to the same; and (iv) enter into any and all agreements with respect to the exercise by others of any of the powers herein granted to Mortgagee, all as Mortgagee from time to time may reasonably determine to be to its best advantage. Mortgagee may collect and receive all the rents, issues, profits and revenues of the same, including those past due as well as those accruing thereafter, and, after deducting to the extent reasonable: (aa) expenses of taking, holding and managing the Mortgaged Property (including compensation for the services of all persons employed for such purposes); (bb) the cost of all such maintenance, repairs, renewals, replacements, additions, betterments, improvements and purchases and acquisitions; (cc) the cost of such insurance; (dd) such taxes, assessments and other similar charges as Mortgagee may determine to pay; (ee) other proper charges upon the Mortgaged Property or any part thereof; and (ff) the reasonable compensation, expenses and disbursements of the attorneys and agents of Mortgagee, shall apply the remainder to the payment of amounts due under this Mortgage. The balance of such funds, if any, after payment in full, of all of the aforesaid amounts shall be paid to Mortgagor.
- (d) Mortgagee may also seek specific performance or injunctive relief in order to enforce the

provisions of this Mortgage.

- 4.04 Receiver. Subject to the rights of the Senior Lender, if an Event of Default shall have occurred and be continuing after an applicable cure period has expired, Mortgagee, upon application to a court of competent jurisdiction, shall be entitled to the appointment of a receiver to take possession of and to operate the Mortgaged Property and to collect and apply the rents, issues, profits and revenues thereof. The receiver shall otherwise have all of the rights and powers to the fullest extent permitted by law.
- 4.05 Purchase by Mortgagee. Upon any foreclosure sale, Mortgagee may bid for and purchase the Mortgaged Property and shall be entitled to apply all or any part the Recapture Amount and other amounts due under and secured by this Mortgage as a credit to the purchase price.
- 4.06 Remedies Cumulative. No right, power or remedy conferred upon or reserved to Mortgagee by this Mortgage is intended to be exclusive of any other right, power or remedy, but each and every right, power and remedy shall be cumulative and concurrent and shall be in addition to any other right, power and remedy given hereunder or now or hereafter existing at law, in equity or by statute.
- 4.07 Waiver. No delay or omission of Mortgagee to exercise any right, power or remedy accruing upon any Event of Default shall exhaust or impair any such right, power or remedy or shall be construed to be a waiver of any such Event of Default or acquiescence therein; and every right, power and remedy given by this Mortgage to Mortgagee may be exercised from time to time as often as may be deemed expedient by Mortgagee. No consent or waiver, expressed or implied, by Mortgagee to or of any breach or Event of Default by Mortgagor in the performance of its obligations hereunder shall be deemed or construed to be a consent or waiver to or of any other breach or Event of Default in the performance of the same or any other obligations of Mortgagor hereunder. Failure on the part of Mortgagee to complain of any act or failure to act or to declare an Event of Default, irrespective of how long such failure continues, shall not constitute a waiver by Mortgagee of its rights hereunder or impair any rights, powers or remedies on account of any breach or default by Mortgagor.

(Sub)Exhibit "C".
(To Mortgage, Security And Recapture Agreement)

*Residency, Transfer, Financing
And Affordability Covenants.*

In consideration of the requirements of the A.H.O. that apply to the Developer and that have enabled the Mortgagor to Purchase the Mortgaged Property for the Base Purchase Price, Mortgagor covenants to Mortgagee that:

(a) Mortgagor meets the income eligibility requirements established under the A.H.O. in order to qualify as a Qualified Household under such ordinance.

(b) During the Affordability Period, Mortgagor shall own the Mortgaged Property, shall not lease the Mortgaged Property, shall use the Mortgaged Property as its primary residence (and the primary residence of Mortgagor's Qualified Household) and will not let any other person occupy or use the property without the prior written consent of the City, which shall be in the City's reasonable discretion, and which, if granted, will require that the total amount payable by any tenant household not exceed the amount set forth to qualify such housing as "affordable housing" as defined in the Illinois Affordable Housing Act, 310 ILCS 65/1, et seq.

(c) During the Affordability Period, Mortgagor shall not sell or otherwise directly or indirectly transfer ownership of the Mortgaged Property, except (i) to a Qualified Household, (ii) for an Affordable Price, and provided that (iii) the transferee Qualified Household executes a mortgage, security and recapture agreement in similar form to this Mortgage. Mortgagor shall confer with the City's Department of Planning and Development (or any successor department thereof) before entering into a sale contract involving the Mortgaged Property for assistance in determining the qualifications of any proposed transferee and the eligible resale price of the Mortgaged Property. Any transfer of ownership (x) resulting from Mortgagor's death and occurring pursuant to (i) the terms of a written land trust, personal trust or will, or (ii) state intestacy law, (y) to a spouse or member of Mortgagor's Qualified Household, or (z) that simply consists of Mortgagor's transfer (with the prior written consent of the City to such transfer) of the Mortgaged Property into a land trust or personal trust of which Mortgagor is the sole beneficiary and holder of power of direction, as applicable, shall not be subject to the foregoing transfer restriction, provided, however, that the transferee in any such transfer shall be bound by all of the affordable housing covenants contained in this Mortgage. If Mortgagor attempts or purports to transfer the Mortgaged Property to a transferee in violation of any one or more of the conditions in clauses (i), (ii) and (iii), such attempted or purported transfer shall constitute an immediate Event of Default under Section 4.01(a).

(d) During the Affordability Period, it shall not encumber the Mortgaged Property

with any one or more mortgages which, individually or in aggregate, secures initial principal indebtedness in excess of the Base Purchase Price.

The Affordability Covenants in this (Sub)Exhibit C may be waived or modified in writing by the City, upon a showing of undue hardship or changed circumstances that would make the enforcement of such covenants inequitable or impractical, as determined by the City in its sole discretion.

Upon either a permitted transfer described in clause (c)(iii) above or a transfer accompanied by a repayment of the Recapture Amount in accordance with the terms of this Mortgage, the City will, upon ten (10) business days prior written notice, execute and deliver a "Certificate of Transfer" confirming that such transfer is a permitted transfer hereunder and effective to deliver legal title to the transferee. In addition, within thirty (30) days of receipt of a written request from Mortgagor, Mortgagee shall execute a release of the Mortgage in recordable form.

Mortgagor Acknowledges And Agrees That, To The Extent The Affordability Covenants, Anything In This (Sub)Exhibit C, Or Any Other Provision In This Mortgage Could Be Deemed A Restraint On Alienation, That Any Such Restraint (A) Is Reasonable, (B) Is, As Explained In The Recitals Hereto, Supported By Adequate Consideration, (C) Is Necessary To Implement The City's Public Policy Objective Of Developing And Maintaining Affordable Housing, (D) Should Be Enforced As Written, And (E) Was A Material Inducement To The City's Decision To Provide The Land To The Developer, Which Decision Has Implemented The Affordability Covenants Required By Law And Has Enabled Mortgagor To Buy The Mortgaged Property For The Purchase Price, Which Price Is Materially Less Than The Fair Market Value Price. Mortgagor, Therefore, Knowingly And Voluntarily, To The Fullest Extent Permitted By Law, Waives The Right To Raise Any Defense To The Enforcement Of The Affordability Covenants, Whether At Law Or In Equity.

WHEREAS, the City Council by ordinance adopted _____, _____, authorized the sale of the Property to the Developer, subject to the execution, delivery and recording of this Agreement.

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

SECTION 1. INCORPORATION OF RECITALS.

The recitals set forth above constitute an integral part of this Agreement and are incorporated herein by this reference with the same force and effect as if set forth herein as agreements of the parties.

SECTION 2. SALE AND PURCHASE PRICE.

Subject to the terms, covenants and conditions of this Agreement, the City agrees to sell the Property to Developer, and Developer agrees to purchase the Property from the City, for the sum of Two Hundred Seventy-Three Thousand Eight Hundred Ten and 00/100 Dollars (\$273,810.00) ("Purchase Price"), to be paid to the City at the Closing by cashier's or certified check or wire transfer of immediately available funds or such other form of payment as acceptable to the City at its sole discretion, less the Earnest Money (as defined in Section 3.A). Except as specifically provided herein to the contrary, the Developer shall pay all closing costs. The Developer acknowledges that the Purchase Price is approximately One Hundred Seventy-One Thousand One Hundred Ninety and 00/100 Dollars (\$171,190.00) less than the fair market value of the Property and that the City has only agreed to sell the Property to the Developer for the Purchase Price because the Developer has agreed to execute this Agreement and comply with its terms and conditions, including, without limitation, Section 10.

SECTION 3. EARNEST MONEY AND PERFORMANCE DEPOSIT.

A. **Earnest Money.** Upon execution of this Agreement, the Developer shall deposit with the City the amount of Twelve Thousand and 00/100 Dollars (\$12,000.00) which will be credited against the Purchase Price ("Earnest Money") at the Closing (as defined in Section 4.D. below).

B. **Performance Deposit.** Upon execution of this Agreement, the Developer shall also deposit with the City an additional amount of Twelve Thousand and 00/100 Dollars (\$12,000.00) as security for the performance of its obligations of this Agreement ("Performance Deposit") which

will be retained by the City until a Final Certificate of Completion (as described in Section 9 below) has been issued by the City for the Project.

C. Interest. The City will pay no interest to the Developer on the Earnest Money or Performance Deposit.

SECTION 4. CONVEYANCE OF PROPERTY:

A. Form of Deed. The City shall convey the Property to Developer by quitclaim deed ("Deed"), subject to the terms of this Agreement and the following:

- (i) the Plan for the Area;
- (ii) the standard exceptions in Schedule B of an ALTA title insurance policy;
- (iii) general real estate taxes and any special assessments or other taxes;
- (iv) easements, encroachments, covenants and restrictions of record and not shown of record;
- (v) such other title defects as may exist; and
- (vi) any and all exceptions caused by the acts of the Developer or its agents.

B. Title Commitment and Insurance. The Developer acknowledges that the City has delivered to the Developer a commitment for an owner's policy of title insurance from Greater Illinois Title Company ("Title Company") showing the City in title to the Property. Any updated title commitment shall be obtained at Developer's expense. The Developer shall be solely responsible for and shall pay all costs associated with obtaining any title insurance, extended coverage or other endorsements it deems necessary.

C. Survey. The Developer shall be responsible for obtaining, at its sole cost and expense, any survey it deems necessary; provided, however, that in the event such survey discloses any title matters other than the Permitted Exceptions which the Title Company will not remove or insure over to the Developer's reasonable satisfaction prior to the Closing (as defined in Section 4.D below), the Developer may terminate this Agreement by delivery of written notice to the City, in which event the City shall return the Earnest Money and Performance Deposit to the Developer and this Agreement shall be null and void and, except as otherwise specifically provided herein, neither party shall have any further right, duty or obligation hereunder.

D. Closing. The closing of the transaction contemplated by this Agreement ("Closing") shall take place at the downtown offices of the Title Company, 120 N. LaSalle Street, Suite 900, Chicago, Illinois 60602, on _____, 200__, or on such later date and at such place as the parties mutually agree to in writing (the "Closing Date"); provided, however, notwithstanding the parties' execution of this Agreement, in no event shall the Closing occur (i) unless and until the conditions precedent set forth in Sections 4, 5 and 8 are all satisfied, and (ii) any later than March

31, 2007 (the "Outside Closing Date"). Failure by the Developer to close by the Outside Closing Date shall be considered an "Event of Default" as defined in Section 15 below. Notwithstanding the foregoing, the Commissioner of DPD shall have the right to unilaterally extend the Outside Closing Date one time by up to six (6) months for good cause shown.

E. Building Permits. The Developer shall apply for all necessary building permits and zoning approvals for the Project no later than fourteen (14) days after the City Council authorizes the sale of the Property and shall deliver evidence of all such permits and approvals to DPD at least fourteen (14) days prior to the Closing.

F. Real Estate Taxes. The City shall use reasonable efforts to obtain the waiver of any delinquent real estate tax liens on the Property prior to the Closing, to the extent such tax liens can be waived or released by the City's writing of an abatement letter to the Cook County Treasurer or a motion to vacate a tax sale. If the City is unable to obtain the waiver of any such tax liens, the Developer shall have the option to do one of the following: (i) accept title to the Property subject to the tax liens, without reduction in the Purchase Price; or (ii) terminate this Agreement by delivery of written notice to the City, in which event the City shall return the Earnest Money and Performance Deposit to the Developer and this Agreement shall be null and void. If the Developer elects to close, the Developer shall assume the responsibility for any such delinquent real estate taxes. The Developer shall also be responsible for all taxes accruing after the Closing. Until the City issues a Final Certificate of Completion (as defined in Section 9), the Developer shall notify the City that the real estate taxes have been paid in full within ten (10) days of such payment.

G. Recording Costs. The Developer shall pay to record the Deed and this Agreement and any other documents incident to the conveyance of the Property to the Developer.

H. Escrow. If the Developer requires conveyance through escrow, Developer shall pay all escrow fees.

I. Insurance. The Developer shall procure and maintain or cause to be maintained by its contractors, subcontractors, agents, and/or employees, at all times throughout the term of this Agreement, the following insurance coverages:

- (i) commercial general liability insurance with a combined single limit of not less than \$1,000,000.00 per occurrence for bodily injury, personal injury and property damage liability. Coverages shall include the following: all premises and operations, products/completed operations, independent contractors, separation of insureds, defense, and contractual liability (with no limitation endorsement). The City is to be named as an additional insured on a primary, non-contributory basis for any liability arising directly or indirectly from the Project on the Property.
- (ii) Automobile Liability Insurance (Primary and Umbrella). When any motor vehicles (owned, non-owned and hired) are used in connection with work to be performed, the Developer shall provide automobile liability insurance with limits of not less than \$1,000,000.00 per occurrence, for bodily injury and property damage. The City shall be named as an additional insured on a primary non-contributory basis. Any

contractors doing environmental remediation work shall endorse their automobile liability insurance policy to include the MSC90 Endorsement.

- (iii) Workers Compensation and Employers Liability Insurance. Workers compensation and employers liability insurance, as prescribed by applicable law covering all employees who are to provide a service under this Agreement and employers liability coverage with limits of not less than \$100,000.00 each accident or illness.

Evidence of such insurance, in the form of an Accord 27 Certificate or actual insurance policy or binder, shall be provided to the City. This Section 4.I. shall survive the Closing.

J. Due Diligence. The Developer shall deliver to DPD at least fourteen (14) days prior to the Closing due diligence searches in its name (UCC, state and federal tax lien, pending litigation and judgment in Cook County and N.D. Ill., and bankruptcy in Cook County and U.S. Bankr. Ct.), showing no unacceptable liens, litigation, judgments or filings, as reasonably determined by the Corporation Counsel.

K. Organization and Authority Documents. The Developer shall deliver to DPD at least fourteen (14) days prior to the Closing certified articles of organization, operating agreement, resolutions authorizing the Developer to enter into this transaction and such other corporate authority and organizational documents as the City may reasonably request.

SECTION 5. PROJECT BUDGET; PROOF OF FINANCING.

The total project budget is currently estimated to be Two Million Seven Hundred Eighty-Five Thousand One Hundred Forty-Six and 00/100 Dollars (\$2,785,146.00) (the "Preliminary Project Budget"). Not less than thirty (30) days prior to the Closing, the Developer shall submit to DPD for approval a final project budget materially consistent with the Preliminary Project Budget ("Budget") and evidence of equity and loan funds committed and available and adequate to finance both the purchase of the Property and the construction of the Improvements. If the Developer fails to provide the City with a Budget or proof of financing to the City's reasonable satisfaction within the time period provided for herein, the City may, at its option, declare this Agreement null and void or delay the Closing until such time as the Developer complies with this Section 5.

SECTION 6. SITE PLANS AND ARCHITECTURAL DRAWINGS.

A. Site Plans. The Developer shall construct the Improvements in accordance with the renderings prepared by Victor M. Laporte, 1440 W. Rosemont Avenue, Chicago, Illinois 60660, dated _____, 200__, and the site plans and architectural drawings prepared pursuant thereto, which have been approved by DPD and which are listed on Exhibit C attached hereto and incorporated herein by reference ("Drawings"). Parking spaces shall be made available to the dwelling units as per Exhibit C and shall be included in the purchase price for such units (one parking space per unit, as a limited common element, and one parking space to remain part of the Project's common elements for guest parking). The Project will comply with Leadership in Energy and Environmental Design (LEED) standards. In addition, the Developer shall comply with the City's Landscape Ordinance and shall install a green roof covering 50% of the net roof area which

shall be Energy-Star certified. No material deviation from the Drawings may be made without the prior written approval of DPD, which shall be in DPD's sole discretion. A deviation that changes the square footage of any dwelling unit by more than 5%, changes the number of dwelling units in the Project or changes the basic use of the Property shall be deemed material. In the event the Developer submits and DPD approves revised site plans and/or architectural drawings after the date of this Agreement, the term "Drawings" as used herein shall refer to the revised site plans and/or architectural drawings upon DPD's written approval of the same.

B. Subsidized Units. The Developer shall sell two of the condominium units to be constructed on Property for a sum not to exceed One Hundred Seventy-Four Thousand Three Hundred Five and 00/100 Dollars (\$174,305.00) per unit to households earning no more than 100% of the median income for the Chicago Primary Metropolitan Statistical Area ("PMSA"). Throughout this Agreement, the above-referenced subsidized unit shall be referred to as "Affordable Unit" and households qualifying for the Affordable Unit shall be referred to as "Qualified Household" or "Qualified Households".

C. Relocation of Utilities, Curb Cuts and Driveways. The Developer shall be solely responsible for and shall pay all costs associated with: (i) the relocation, installation or construction of public or private utilities, curb cuts and driveways; (ii) the repair or reconstruction of any curbs, vaults, sidewalks or parkways required in connection with or damaged as a result of the Developer's redevelopment; (iii) the removal of existing pipes, utility equipment or building foundations; and (iv) the termination of existing water or other services. The City shall have the right to approve any streetscaping, including any paving of sidewalks, landscaping and lighting provided by the Developer as part of the Project.

D. Inspection by the City. During the construction of the Project, the Developer shall permit any duly authorized representative of the City to enter onto the Property and the Developer Parcel for the purpose of determining whether the work is being performed in accordance with the terms of this Agreement and all applicable laws and codes.

E. Barricades and Signs. The Developer shall, at its sole cost and expense, erect and maintain such signs as the City may reasonably require identifying the Property as a City redevelopment project. Prior to the commencement of any construction activity requiring barricades, the Developer shall install barricades of a type and appearance satisfactory to the City and constructed in compliance with all applicable federal, state and local laws, ordinances and regulations. The City shall have the right to approve the maintenance, appearance, color scheme, painting, nature, type, content and design of all signage and barricades, which approval shall not be unreasonably withheld or delayed. Upon start of construction, and with DPD's consent, a sales trailer may also be erected on the property.

F. Survival. The provisions of this Section 6 shall survive the Closing.

SECTION 7. LIMITED APPLICABILITY.

DPD's approval of the Drawings is for the purposes of this Agreement only and does not constitute the approval required by the City's Department of Construction and Permits ("DCAP")

or any other City department; nor does the approval by DPD pursuant to this Agreement constitute an approval of the quality, structural soundness or safety of any improvements located or to be located on the Property or the Developer Parcel. DPD's approval shall be only for the benefit of the Developer and any lienholder authorized by this Agreement.

SECTION 8. COMMENCEMENT AND COMPLETION OF IMPROVEMENTS.

The Closing shall not occur unless and until the Developer is prepared to immediately commence construction of the Improvements. In no instance shall (a) construction commence later than March 31, 2007, or (b) construction be completed later than September 30, 2008. DPD shall have discretion to extend the dates in (a) and (b) by up to six (6) months each (i.e., no more than twelve (12) months in the aggregate) for good cause shown by issuing a written extension letter. In addition, if pursuant to Section 4.D. the City extends the Outside Closing Date, the construction commencement date and the construction completion date each will be extended by a number of calendar days equal to the number of calendar days that the City extended the Outside Closing Date. The Developer shall give written notice to the City within five (5) days after it commences construction. The Improvements shall be constructed in accordance with the Drawings and all applicable laws, regulations, codes, and recorded encumbrances and restrictions.

SECTION 9. CERTIFICATE OF COMPLETION.

Upon completion of each of the residential units comprising the Project, the Developer shall deliver to the City a notice of closing ("Notice of Closing") in substantially the form attached hereto as Exhibit D. The Notice of Closing must include a Certificate of Substantial Completion from the project architect in substantially the form attached hereto as Exhibit E. Within thirty (30) days after receipt of a Notice of Closing and the accompanying Certificate of Substantial Completion, the City shall inspect the subject unit to determine whether it is substantially complete (i.e., complete except for punch list items) and constructed in accordance with this Agreement, and shall thereafter deliver to the Developer either a Partial Certificate of Completion for the unit ("Partial Certificate of Completion") or a written statement indicating in adequate detail how the Developer has failed to complete the unit in compliance with this Agreement or is otherwise in default, and what measures or acts are necessary, in the sole opinion of the City, for the Developer to take or perform in order to obtain the Partial Certificate of Completion. If the City requires additional measures or acts to assure compliance, the Developer shall have thirty (30) days to correct any deficiencies and resubmit a Notice of Closing. The Partial Certificate of Completion shall be in recordable form, and shall, upon recording, constitute a conclusive determination of satisfaction and termination of the covenants in this Agreement and the Deed with respect to the Developer's obligations to construct any single dwelling unit. The Partial Certificate of Completion shall not, however, constitute evidence that the Developer has complied with any Laws relating to the construction of the subject unit, nor shall it serve as any guaranty as to the quality of the construction.

Upon completion of the entire Project, the Developer shall deliver to the City a Notice of Closing. The Notice of Closing must include a Certificate of Substantial Completion from the project architect. Within thirty (30) days after receipt of a Notice of Closing and the accompanying Certificate of Substantial Completion, the City shall inspect the entire Project to determine whether it is substantially complete (i.e., complete except for punch list items) and constructed in accordance

with this Agreement, and shall thereafter deliver to the Developer either a Final Certificate of Completion ("Final Certificate of Completion") or a written statement indicating in adequate detail how the Developer has failed to complete the unit in compliance with this Agreement or is otherwise in default, and what measures or acts are necessary, in the sole opinion of the City, for the Developer to take or perform in order to obtain the Final Certificate of Completion. If the City requires additional measures or acts to assure compliance, the Developer shall have thirty (30) days to correct any deficiencies and resubmit a Notice of Closing. The Final Certificate of Completion shall be in recordable form, and shall, upon recording, constitute a conclusive determination of satisfaction and termination of the covenants in this Agreement and the Deeds with respect to the Developer's obligations construct the Project. The Final Certificate of Completion shall not, however, constitute evidence that the Developer has complied with any Laws relating to the construction of the Project, nor shall it serve as any guaranty as to the quality of the construction. Upon recordation of a Final Certificate of Completion for the Project and the sale of all Affordable Units to Qualified Households in accordance with Section 10.C hereof, the City shall return the Performance Deposit to the Developer.

SECTION 10. RESTRICTIONS ON USE.

The Developer agrees that it:

- A. Shall devote the Property to a use approved by Plan until October 14, 2032.
- B. Shall not discriminate based upon race, color, religion, sex, national origin or ancestry, military status, sexual orientation, gender identity, source of income, age, handicap or disability, in the sale of the Property or the dwelling units comprising the Improvements to be constructed on the Property. This covenant shall have no expiration date.
- C. Shall develop and sell the Affordable Units in accordance with the following provisions:
 - (i) The Developer shall design and construct the Affordable Units comparably to the market-rate units in the Project. The purchase price for the Affordable Units shall not exceed One Hundred Seventy-Four Thousand Three Hundred Five and 00/100 Dollars (\$174,305.00) per unit, excluding any upgrades selected by the unit purchaser.
 - (ii) The Developer shall sell the Affordable Units to Qualified Households, as per Section 6.B above. The Developer shall attach the Mortgage (as hereinafter defined) as an exhibit to the purchase agreement for each Affordable Unit and such purchase agreement shall advise the purchaser of its obligation to execute such mortgage at the closing for the purchase of such Affordable Unit.
 - (iii) The City must approve the income eligibility of the buyer of each Affordable Unit to confirm that the buyer is a Qualified Household. Toward this end, the Developer shall deliver to DPD any information required by DPD in order to determine the buyers income eligibility. DPD shall have ten (10) business days from the date of

receipt of a "complete information package" to qualify buyers. A "complete information package" shall include, by means of illustration and not limitation, the fully-executed real estate sales contract, the W-2 forms from the buyer's employers, U.S. 1040 income tax returns from the previous two (2) years, an affidavit or verification from the buyer with regard to household size, and the employer verification form utilized by the Federal National Mortgage Association ("Fannie Mae"). The City shall not issue a Partial Certificate of Completion for the Affordable Units until it has reviewed and approved said documentation.

- (iv) At the closing of each Affordable Unit, the Developer shall require the buyer to execute an Affidavit in substantially the form attached hereto as Exhibit F and a Mortgage, Security and Recapture Agreement ("Mortgage") in substantially the form attached hereto as Exhibit G, securing the difference between the market rate sales price for a similar type of unit and the sales price for the Affordable Unit in favor of the City to be dated as of the date of the closing. The Mortgage shall have a term of thirty (30) years commencing on the date of closing in an amount representing the difference between the market rate sales price for a similar type of unit and the sales price for the Affordable Unit. The indebtedness subject to recapture under the Mortgage shall be due and payable by the Affordable Unit buyer if, during the Mortgage Term, the Affordable Unit buyer sells the Affordable Unit for an amount that renders the Affordable Unit not affordable or to a buyer who does not meet the income eligibility requirements set forth herein. The Mortgage shall also be due and payable if the Affordable Unit buyer leases the Affordable Unit or refinances its first mortgage in an amount greater than the initial principal indebtedness secured thereby, or obtains home equity or other financing secured by the Affordable Unit which, when added to the then-outstanding balance of such first mortgage, exceeds the original principal amount of such first mortgage indebtedness. The City, in its sole discretion, shall have the right to waive or modify such mandatory pre-payment provisions in the event the enforcement thereof would be inequitable or cause undue hardship. The Mortgage shall be subordinate to the lien in favor of the permanent lender, if any.

The Developer acknowledges and agrees that the use restrictions set forth in this Section 10 constitute material, bargained for consideration for the City and are intended to further the public policy of creating long-term affordable housing, and that, but for such use and affordability restrictions, the City would not have agreed to convey the Property to the Developer.

SECTION 11. PROHIBITION AGAINST TRANSFER OF PROPERTY.

Prior to the issuance of the Final Certificate of Completion, the Developer may not, without the prior written consent of DPD; which consent shall be in DPD's sole discretion: (a) directly or indirectly sell or convey (except for the sale and conveyance of the residential units to bona fide purchasers) the Property or any part thereof or any interest therein or the Developer's controlling interests therein; or (b) directly or indirectly assign this Agreement. If the Developer is a business entity, no principal party of the Developer (e.g., a general partner, member, manager or shareholder) may sell, transfer or assign any of its interest in the Developer prior to the issuance of the Final

Certificate of Completion to anyone other than another principal party of the Developer without the prior written consent of DPD, which consent shall be in DPD's sole discretion. The Developer must disclose the identity of all members to the City at the time such members obtain an interest in the Developer. In the event of a proposed sale (except for the sale and conveyance of the residential units to private purchasers), the Developer shall provide DPD copies of any and all sales contracts, legal descriptions, descriptions of intended use, certifications from the proposed buyer regarding this Agreement and such other information as the City may reasonably request. The proposed buyer must be qualified to do business with the City (including, without limitation, the anti-scofflaw requirement).

SECTION 12. LIMITATION UPON ENCUMBRANCE OF PROPERTY.

Except as otherwise provided herein, prior to the issuance of the Final Certificate of Completion, the Developer shall not, without DPD's prior written consent, which shall be in DPD's sole discretion, engage in any financing or other transaction which creates an encumbrance or lien on the Property, except for the initial acquisition and construction financing approved by DPD pursuant to Section 5.

SECTION 13. MORTGAGEES NOT OBLIGATED TO CONSTRUCT.

Notwithstanding any other provision of this Agreement or of the Deed, the holder of any mortgage on the Property authorized by Section 12 of this Agreement shall not itself be obligated to construct or complete the Improvements but shall be bound by the covenants running with the land specified in Section 14 and, at Closing, shall execute a subordination agreement to such effect. If any such mortgagee succeeds to the Developer's interest in the Property prior to issuance of a Final Certificate of Completion, whether by foreclosure, deed-in-lieu of foreclosure or otherwise, and thereafter transfers its interest in the Property to another party, such transferee shall be obligated to complete the Improvements, and shall also be bound by the other covenants running with the land specified in Section 14.

SECTION 14. COVENANTS RUNNING WITH THE LAND.

The parties agree, and the Deed shall so expressly provide, that the covenants provided in Sections 8, 10, 11 and 12 will be covenants running with the land, binding on the Developer and its successors and assigns (subject to the limitation set forth in Section 13 above as to any permitted mortgagee) to the fullest extent permitted by law and equity for the benefit and in favor of the City, and shall be enforceable by the City. The covenants provided in Sections 8, 11 and 12 shall terminate for each of the dwelling units comprising the Project upon the issuance of the Partial Certificate of Completion for such unit and the subsequent sale of such unit to a bon fide purchaser. The covenants provided in Section 10 shall expire as set forth in said Section 10. The covenants provided in Sections 8, 11 and 12 shall terminate for any portions of the Project for which Partial Certificates of Completion have not been issued upon the issuance of the Final Certificate of Completion

SECTION 15. PERFORMANCE AND BREACH.

A. Time of the Essence. Time is of the essence in the Developer's performance of its

obligations under this Agreement.

B. Permitted Delays. The Developer shall not be considered in breach of its obligations under this Agreement in the event of a delay due to unforeseeable causes beyond the Developer's control and without the Developer's fault or negligence, including, without limitation, acts of God, acts of the public enemy, acts of the United States government, fires, floods, epidemics, quarantine restrictions, strikes, embargoes and unusually severe weather or delays of subcontractors due to such causes. The time for the performance of the obligations shall be extended only for the period of the delay and only if the Developer requests an extension in writing within twenty (20) days after the beginning of any such delay.

C. Cure. If the Developer defaults in the performance of its obligations under this Agreement, the Developer shall have sixty (60) days after written notice of default from the City to cure the default, or such longer period as shall be reasonably necessary to cure such default provided the Developer promptly commences such cure and thereafter diligently pursues such cure to completion (so long as continuation of the default does not create material risk to the Project or to persons using the Project). If the default is not cured in the time period provided for herein, the City may institute such proceedings at law or in equity as may be necessary or desirable in its sole discretion to cure and remedy the default, including, without limitation, proceedings to compel specific performance. Notwithstanding the preceding two sentences, no notice or cure period shall apply to defaults under Sections 15.D.(iv), (vi) and (ix). Any default under Sections 15.D.(iv), (vi), and (ix) shall constitute an immediate "Event of Default" and shall entitle the City to terminate this Agreement, retain the Earnest Money and Performance Deposit, and exercise such other remedies at law and at equity as may be available to recover the City's land write-down subsidy and attain the City's affordable housing objectives.

D. Default. The occurrence of any one or more of the following shall constitute an "Event of Default" under this Agreement:

- (i) The Developer fails to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations under this Agreement; or
- (ii) The Developer makes or furnishes a warranty, representation, statement or certification to the City (whether in this Agreement, an Economic Disclosure Form, or another document) which is not true and correct; or
- (iii) A petition is filed by or against the Developer under the Federal Bankruptcy Code or any similar state or federal law, whether now or hereafter existing, which is not vacated, stayed or set aside within thirty (30) days after filing; or
- (iv) The Developer abandons or substantially suspends construction of the Improvements; or
- (v) The Developer fails to timely pay real estate taxes or assessments affecting the Property or suffers or permits any levy or attachment, material suppliers' or mechanics' lien, or any other lien or encumbrance unauthorized by this Agreement

to attach to the Property; or

- (vi) The Developer makes an assignment, pledge, unpermitted financing, encumbrance, transfer or other disposition in violation of this Agreement; or
- (vii) There is a change in Developer's financial condition or operations that would materially affect the Developer's ability to complete the Improvements; or
- (viii) The Developer fails to comply with the terms of any other written agreement entered into with the City with respect to the Project; or
- (ix) The Developer fails to close by the Outside Closing Date.

E. Prior to Closing. If an Event of Default occurs prior to the Closing, the City may terminate this Agreement and retain the Earnest Money and Performance Deposit as liquidated damages.

F. After Closing. If an Event of Default occurs after the Closing but prior to the issuance of the Final Certificate of Completion for the Project, and the default is not cured in the time period provided for herein, the City may exercise any and all remedies available to it at law or in equity, including, without limitation, the right to re-enter and take possession of the Property, terminate the estate conveyed to the Developer, and revest title to the Property in the City; provided, however, the revesting of title in the City shall be subject to, limited by, and shall not defeat, render invalid, or limit in any way, the lien of any mortgage authorized by this Agreement. Notwithstanding the foregoing, after the issuance of a Partial Certificate of Completion for any individual dwelling unit, the City's right of reverter shall no longer be enforceable with respect to that unit, but the City shall be entitled to all other remedies, including, without limitation, specific enforcement of the covenants that run with the land. The Commissioner of DPD, at her sole discretion, may amend the terms of this Section 15.F.

G. Resale of the Property. Upon the revesting in the City of title to the Property as provided in Section 15.F., the City shall employ its best efforts to convey the Property (subject to any first mortgage lien described in this Section 15) to a qualified and financially responsible party (reasonably acceptable to the first mortgagee) who shall assume the obligation of completing the construction of the Improvements or such other improvements as shall be satisfactory to the City, and complying with the covenants that run with the land, as specified in Section 14.

H. Disposition of Resale Proceeds. If the City sells the Property as provided for in Section 15.G., the proceeds from the sale shall be utilized to reimburse the City for:

- (i) costs and expenses incurred by the City (including, without limitation, salaries of personnel) in connection with the recapture, management and resale of the Property (less any income derived by the City from the Property in connection with such management); and
- (ii) all unpaid taxes, assessments, and water and sewer charges assessed against the

Property; and

- (iii) any payments made (including, without limitation, reasonable attorneys' fees and court costs) to discharge or prevent from attaching or being made any subsequent encumbrances or liens due to obligations, defaults or acts of the Developer; and
- (iv) any expenditures made or obligations incurred by the City with respect to construction or maintenance of the Improvements; and
- (v) the fair market value of the land comprising the Property (without any Improvements or partially constructed Improvements thereon) as determined by such sale, less the Purchase Price previously paid to the City on the Closing Date;
- (vi) any other amounts owed to the City by the Developer.

The Developer shall be entitled to receive any remaining proceeds up to the amount of the Developer's equity investment in the Property.

In addition to, and without in any way limiting the City's rights under this Section 15, the City shall have the right to retain the Performance Deposit in the event of a default by the Developer.

I. Waiver and Estoppel. Any delay by the City in instituting or prosecuting any actions or proceedings or otherwise asserting its rights shall not operate as a waiver of such rights or operate to deprive the City of or limit such rights in any way. No waiver made by the City with respect to any specific default by the Developer shall be construed, considered or treated as a waiver of the rights of the City with respect to any other defaults of the Developer.

J. No Remedies Against Bona Fide Purchasers. Notwithstanding anything in this Section 15 or otherwise, the City shall have no rights or remedies against a buyer of a dwelling unit, or against such dwelling unit, after the sale of such unit to such buyer except such rights as may be secured by the Mortgage in the case of a purchaser of an Affordable Unit. By operation of this Section 15.J., each dwelling unit shall be released from the encumbrance of this Agreement at the time of such unit's sale to a bona fide purchaser.

SECTION 16. CONFLICT OF INTEREST; CITY'S REPRESENTATIVES NOT INDIVIDUALLY LIABLE.

The Developer warrants that no agent, official or employee of the City shall have any personal interest, direct or indirect, in this Agreement or the Property, nor shall any such agent, official or employee participate in any decision relating to this Agreement which affects his or her personal interests or the interests of any entity or association in which he or she is directly or indirectly interested. No agent, official or employee of the City shall be personally liable to the Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to the Developer or successor or on any obligation under the terms of this Agreement.

SECTION 17. INDEMNIFICATION.

The Developer agrees to indemnify, defend and hold the City harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, reasonable attorneys' fees and court costs) suffered or incurred by the City arising from or in connection with: (a) the failure of the Developer to perform its obligations under this Agreement; (b) the failure of the Developer or any contractor to pay contractors, subcontractors or material suppliers in connection with the construction of the Improvements; (c) any material misrepresentation or omission in the Plan which is the result of information supplied or omitted by the Developer or agents, employees, contractors or other persons acting under the control or at the request of Developer; (d) the failure of the Developer to redress any misrepresentations or omissions in this Agreement or any other agreement relating hereto; and (e) any activity undertaken by the Developer on the Property prior to or after the Closing. This indemnification shall survive the Closing or any termination of this Agreement (regardless of the reason for such termination).

SECTION 18. ENVIRONMENTAL MATTERS.

A. "As Is" Sale. The City makes no covenant, representation or warranty as to the environmental condition of the Property or the suitability of the Property for any purpose whatsoever, and the Developer agrees to accept the Property "as is."

B. Right of Entry. It shall be the responsibility of the Developer, at its sole cost and expense, to investigate and determine the soil and environmental condition of the Property. The Developer shall have the right to request a right of entry for the purpose of conducting environmental tests on the Property. If the Developer makes such a request within thirty (30) days after the date of this Agreement, the City shall grant the Developer the right to enter the Property for a period of thirty (30) days (the "Inspection Period") pursuant to a Right of Entry Agreement in form and substance acceptable to the City. The granting of the right of entry shall be contingent upon the Developer obtaining all necessary permits and the following types and amounts of insurance: (i) commercial general liability insurance with a combined single limit of not less than \$1,000,000.00 per occurrence for bodily injury, personal injury and property damage liability with the City named as an additional insured; (ii) automobile liability insurance with a combined single limit of not less than \$1,000,000.00 per occurrence for bodily injury and property damage; and (iii) worker's compensation and occupational disease insurance in statutory amounts covering all employees and agents who are to do any work on the Property. All insurance policies shall be from insurance companies authorized to do business in the State of Illinois, and shall remain in effect until completion of all environmental testing activity on the Property. The Developer shall deliver duplicate policies or certificates of insurance to the City prior to commencing any activity on the Property. The Developer expressly understands and agrees that any coverage and limits furnished by the Developer shall in no way limit the Developer's liabilities and responsibilities set forth in this Agreement.

The Developer agrees to carefully inspect the Property prior to the commencement of any activity on the Property to make sure that such activity shall not damage surrounding property, structures, utility lines or any subsurface lines or cables. The Developer shall be solely responsible for the safety and protection of the public. The City reserves the right to inspect any work being done on the Property. The Developer's activities on the Property shall be limited to those reasonably

necessary to perform the environmental testing. Upon completion of the work, the Developer agrees to restore the Property to its original condition. The Developer shall keep the Property free from any and all liens and encumbrances arising out of any work performed, materials supplied or obligations incurred by or for the Developer, and agrees to indemnify and hold the City harmless against any such liens. The foregoing indemnification shall survive the Closing or any termination of this Agreement (regardless of the reason for such termination).

The Developer agrees to deliver to the City a copy of each report prepared by or for the Developer regarding the environmental condition of the Property within fourteen (14) days after receipt. If, prior to the Closing, the Developer's environmental consultant determines that contamination exists on the Property to such an extent that the parties agree that the estimated cost of remediation (such estimated cost being determined by the consultant) is too excessive for the Developer, the Developer may declare this Agreement null and void by giving written notice thereof to the City within thirty (30) days after the expiration of the Inspection Period, whereupon the City shall return the Earnest Money and Performance Deposit to the Developer. The Developer agrees that it will not exercise its right to terminate this Agreement until the City has reviewed all reports concerning the condition of the Property and the parties have had an opportunity to try to resolve the issue. If the Developer elects not to terminate this Agreement pursuant to this Section 18, Developer shall be deemed satisfied with the condition of the Property.

If, after the Closing, the environmental condition of the Property is not in all respects entirely suitable for its intended use, it shall be the Developer's sole responsibility and obligation to take such action as is necessary to put the Property in a condition which is suitable for its intended use. The Developer hereby waives, releases and indemnifies the City from any claims and liabilities relating to or arising from the environmental condition of the Property, including, without limitation, claims arising under the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended ("CERCLA"), and shall undertake and discharge all liabilities of the City arising from any environmental condition which existed on the Property prior to the Closing, including, without limitation, liabilities arising under CERCLA. The provisions of this paragraph shall survive the Closing or any termination of this Agreement (regardless of the reason for such termination).

The Developer hereby acknowledges that, in purchasing the Property, Developer is relying solely upon its environmental due diligence activities and not upon any information (including, without limitation, environmental studies or reports of any kind) provided by or on behalf of the City or its agents or employees with respect thereto.

SECTION 19. DEVELOPER'S EMPLOYMENT OBLIGATIONS.

A. Employment Opportunity. The Developer agrees, and shall contractually obligate its various contractors, subcontractors and any affiliate of the Developer operating on the Property and the Developer Parcel (collectively, the "Employers" and individually, an "Employer") to agree that with respect to the provision of services in connection with the construction of the Improvements or occupation of the Property or the Developer Parcel during the construction period:

- (i) Neither the Developer nor any Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or

ancestry, age, handicap or disability, sexual orientation, gender identity, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Section 2-160-010 et seq. of the Municipal Code of Chicago, as amended from time to time (the "Human Rights Ordinance"). The Developer and each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, gender identity, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including, without limitation: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Developer and each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Developer and each Employer, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, gender identity, military discharge status, marital status, parental status or source of income.

- (ii) To the greatest extent feasible, the Developer and each Employer shall present opportunities for training and employment of low and moderate income residents of the City, and provide that contracts for work in connection with the construction of the Improvements be awarded to business concerns which are located in, or owned in substantial part by persons residing in, the City.
- (iii) The Developer and each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including, without limitation, the Human Rights Ordinance, and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.
- (iv) The Developer, in order to demonstrate compliance with the terms of this Section, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.
- (v) The Developer and each Employer shall include the foregoing provisions of subparagraphs (i) through (iv) in every contract entered into in connection with the construction of the Improvements, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any affiliate operating on the Property or the Developer Parcel, so that each such provision shall be binding upon each contractor, subcontractor or affiliate, as the case may be.

- (vi) Failure to comply with the employment obligations described in this Section 19.A. shall be a basis for the City to pursue remedies under the provisions of Section 15.

B. City Resident Employment Requirement. The Developer agrees, and shall contractually obligate each Employer to agree, that during the construction of the Improvements, it and they shall comply with the minimum percentage of total worker hours performed by actual residents of the City of Chicago as specified in Section 2-92-330 of the Municipal Code of Chicago (at least fifty percent of the total worker hours worked by persons on the construction of the Improvements shall be performed by actual residents of the City of Chicago); provided, however, that in addition to complying with this percentage, the Developer and each Employer shall be required to make good faith efforts to utilize qualified residents of the City of Chicago in both unskilled and skilled labor positions.

The Developer and the Employers may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the Purchasing Agent of the City of Chicago.

“Actual residents of the City of Chicago” shall mean persons domiciled within the City of Chicago. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

The Developer and the Employers shall provide for the maintenance of adequate employee residency records to ensure that actual Chicago residents are employed on the construction of the Improvements. The Developer and the Employers shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) shall be submitted to the Commissioner of the City of Chicago Department of Housing (“DOH”) in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the company hired the employee should be written in after the employee's name.

The Developer and the Employers shall provide full access to their employment records to the Chief Procurement Officer, the Commissioner of DOH, the Superintendent of the Chicago Police Department, the Inspector General, or any duly authorized representative thereof. The Developer and the Employers shall maintain all relevant personnel data and records for a period of at least three (3) years from and after the issuance of the Final Certificate of Completion.

At the direction of DOH, the Developer and the Employers shall provide affidavits and other supporting documentation to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

Good faith efforts on the part of the Developer and the Employers to provide work for actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) shall not suffice to replace

the actual, verified achievement of the requirements of this Section concerning the worker hours performed by actual Chicago residents.

If the City determines that the Developer or an Employer failed to ensure the fulfillment of the requirements of this Section concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section. If such non-compliance is not remedied in accordance with the breach and cure provisions of Section 15.C., the parties agree that 1/20 of 1 percent (.05%) of the aggregate hard construction costs set forth in the Budget shall be surrendered by the Developer and for the Employers to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer and/or the other Employers or employees to prosecution.

Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement.

The Developer shall cause or require the provisions of this Section 19.B. to be included in all construction contracts and subcontracts related to the construction of the Improvements.

C. Developer's MBE/WBE Commitment. The Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the general contractor to agree that during the construction of the Project:

- (i) Consistent with the findings which support, as applicable, (a) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code of Chicago (the "Procurement Program"), and (b) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code of Chicago (the "Construction Program," and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 19.C., during the course of the Project, the following percentages of the MBE/WBE Budget (as set forth in Exhibit H hereto) shall be expended for contract participation by minority-owned businesses ("MBEs") and by women-owned businesses ("WBEs"): (1) At least 24% by MBEs; and (2) At least 4% by WBEs.
- (ii) For purposes of this Section 19.C. only:
 - (a) The Developer (and any party to whom a contract is let by the Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by the Developer in connection with the

Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code of Chicago, as applicable.

- (b) The term "minority-owned business" or "MBE" shall mean a business identified in the Directory of Certified Minority Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a minority-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.
 - (c) The term "women-owned business" or "WBE" shall mean a business identified in the Directory of Certified Women Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a women-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.
- (iii) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code of Chicago, the Developer's MBE/WBE commitment may be achieved in part by the Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (a) the MBE or WBE participation in such joint venture, or (b) the amount of any actual work performed on the Project by the MBE or WBE); by the Developer utilizing a MBE or a WBE as the general contractor (but only to the extent of any actual work performed on the Project by the general contractor); by subcontracting or causing the general contractor to subcontract a portion of the construction of the Project to one or more MBEs or WBEs; by the purchase of materials or services used in the construction of the Project from one or more MBEs or WBEs; or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer's MBE/WBE commitment as described in this Section 19.C. In accordance with Section 2-92-730, Municipal Code of Chicago, the Developer shall not substitute any MBE or WBE general contractor or subcontractor without the prior written approval of DOH.
- (iv) The Developer shall deliver quarterly reports to the City's monitoring staff during the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by the Developer or the general contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining the Developer's compliance with this MBE/WBE commitment. The Developer shall maintain records of all relevant data with respect

to the utilization of MBEs and WBEs in connection with the Project for at least five years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by the Developer, on five business days notice, to allow the City to review the Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the Project.

- (v) Upon the disqualification of any MBE or WBE general contractor or subcontractor, if such status was misrepresented by the disqualified party, the Developer shall be obligated to discharge or cause to be discharged the disqualified general contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (v), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code of Chicago, as applicable.
- (vi) Any reduction or waiver of the Developer's MBE/WBE commitment as described in this Section 19.C. shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code of Chicago, as applicable.
- (vii) Prior to the commencement of the Project, the Developer shall meet with the City's monitoring staff with regard to the Developer's compliance with its obligations under this Section 19.C. The general contractor and all major subcontractors shall be required to attend this pre-construction meeting. During said meeting, the Developer shall demonstrate to the City's monitoring staff its plan to achieve its obligations under this Section 19.C., the sufficiency of which shall be approved by the City's monitoring staff. During the Project, the Developer shall submit the documentation required by this Section 19.C. to the City's monitoring staff, including the following: (a) MBE/WBE utilization plan and record; (b) subcontractor's activity report; (c) contractor's certification concerning labor standards and prevailing wage requirements; (d) contractor letter of understanding; (e) monthly utilization report; (f) authorization for payroll agent; (g) certified payroll; (h) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (i) evidence of compliance with job creation requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that the Developer is not complying with its obligations under this Section 19.C., shall, upon the delivery of written notice to the Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (1) issue a written demand to the Developer to halt the Project, (2) withhold any further payment of any city funds to the Developer or the general contractor, or (3) seek any other remedies against the Developer available at law or in equity.

As used in the above paragraph, an "Affiliate" shall be deemed to be a person or entity related to Developer that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Developer, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

SECTION 31. BUSINESS RELATIONSHIPS.

The Developer acknowledges (A) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (B) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (c) that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement and the transactions contemplated hereby. The Developer hereby represents and warrants that, to the best of its knowledge after due inquiry, no violation of Section 2-156-030 (b) has occurred with respect to this Agreement or the transaction contemplated hereby.

SECTION 32. PROHIBITION ON CERTAIN CONTRIBUTIONS - MAYORAL EXECUTIVE ORDER NO. 05-1.

Consistent with the intent of Mayoral Executive Order No. 05-1, compliance with the substance of which is intended by this Section 32, the Developer hereby agrees that the Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in the Developer of more than 7.5 percent, the General Partner or Managing Member, any person or entity who directly or indirectly has an ownership or beneficial interest in the General Partner or Managing Member of more than 7.5 percent, Owner, any person or entity who directly or indirectly has an ownership, beneficial or other controlling interest in Owner of more than 7.5 percent (collectively, "Controlling Owners"), spouses and domestic partners of such Controlling Owners, (collectively, all the preceding classes of persons and entities are hereinafter referred to as the "Ownership Parties") shall not make a contribution of any amount to the Mayor of the City ("Mayor") or to his

political fundraising committee (i) after execution of this Agreement by the Developer, and (ii) while this Agreement or any Other Contract is executory, (iii) during the term of this Agreement or any Other Contract between the Developer and the City, or (iv) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

The Developer hereby agrees to require that the General Contractor, any person or entity who directly or indirectly has an ownership or beneficial interest in the General Contractor of more than 7.5 percent, any Subcontractor, any person or entity who directly or indirectly has an ownership or beneficial interest in any Subcontractor of more than 7.5 percent (collectively, "Interested Parties"), and spouses and domestic partners of such Interested Parties (collectively, all the preceding classes of persons and entities are hereinafter referred to, together with the Ownership Parties, as the "Identified Parties") shall not make a contribution of any amount to the Mayor or to his political fundraising committee (i) after execution of this Agreement by the Developer, and (ii) while the Construction Contract or any Subcontract is executory, (iii) during the term of the Construction Contract or any Subcontract, or (iv) during any period while an extension of the Construction Contract or any Subcontract is being sought or negotiated.

The Developer represents and warrants that as of the later of (i) February 10, 2005, or (ii) the date that the City approached the Developer, or the Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

The Developer agrees that it shall not and it shall require all other Identified Parties to not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

The Developer agrees that it must not and it shall require all other Identified Parties to not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 05-1 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 05-1. The Developer shall impose the restrictions of this Section 32 in the Construction Contract and shall specifically require the General Contractor to impose the restrictions of this Section 32 in all Subcontracts.

The Developer agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 05-1 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, and under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source that are then delivered by one person to the Mayor or to his political fundraising committee.

"Other Contract" means any other agreement with the City to which the Developer is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

- (A) they are each other's sole domestic partner, responsible for each other's common welfare; and
- (B) neither party is married; and
- (C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and
- (D) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
- (E) two of the following four conditions exist for the partners:
 - 1. The partners have been residing together for at least 12 months.
 - 2. The partners have common or joint ownership of a residence.
 - 3. The partners have at least two of the following arrangements:
 - a. joint ownership of a motor vehicle;
 - b. a joint credit account;
 - c. a joint checking account;
 - d. a lease for a residence identifying both domestic partners as tenants.
 - 4. Each partner identifies the other partner as a primary beneficiary in a will.

"Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

SECTION 33. WASTE ORDINANCE PROVISIONS.

In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, the Developer warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of the following sections of the Code (collectively, the "Waste Sections"):

- 7-28-390 Dumping on public way;
- 7-28-440 Dumping on real estate without permit;
- 11-4-1410 Disposal in waters prohibited;
- 11-4-1420 Ballast tank, bilge tank or other discharge;
- 11-4-1450 Gas manufacturing residue;
- 11-4-1500 Treatment and disposal of solid or liquid waste;
- 11-4-1530 Compliance with rules and regulations required;
- 11-4-1550 Operational requirements; and
- 11-4-1560 Screening requirements.

During the period while this Agreement is executory, Developer's, general contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole discretion of the Chief Procurement Officer. Such breach and default entitles the City to all remedies under the Agreement, at law or in equity.

This section does not limit the Developer, general contractor's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Agreement.

Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Agreement, and may further affect the Developer's eligibility for future contract awards.

SECTION 34. GOVERNING LAW.

This Agreement shall be governed by and construed in accordance with the laws of the State of Illinois.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed on or as of the date first above written.

This Mortgage, Security and Recapture Agreement, including Residency, Transfer, Financing and Affordability Covenants (this "Mortgage") is made as of this day ____ of _____, 200__ from [Insert Name(s) And Describe Marital Status] _____ [If Recipient Is One Person: (the "Mortgagor"), [If Recipient Is More Than One Person: (collectively, jointly and severally referred to herein as the "Mortgagor"),] to the City of Chicago, an Illinois municipal corporation, acting by and through its Department of Planning and Development, and having its principal office at City Hall, 121 North LaSalle Street -- Room 1000, Chicago, Illinois 60602 (the "City" or "Mortgagee"). Capitalized terms not otherwise defined herein shall have the meaning set forth in Section 1.

Recitals.

A. On April 9, 2003, the City Council of the City adopted the Affordable Housing Ordinance (the A.H.O.), codified at Chapter 2-44-090 of the Municipal Code of the City, which obligates the City to impose certain affordability and recapture requirements upon developers who undertake residential development projects that receive City assistance either in the form of the sale of City land at less than fair market value or in the form of financial assistance.

B. The City and 40th & Lake Park L.L.C., an Illinois limited liability company (Developer), have executed that certain Agreement for the Sale and Redevelopment of Land, dated _____, 200__ and recorded in the Office of the Recorder of

As part of the Project, the Developer has constructed on the real property legally described on (Sub)Exhibit B attached hereto (the "Land") a single-family housing unit (the "Home").

C. Pursuant to the Redevelopment Agreement, the City sold and conveyed all of the Property to the Developer for a price that is less than the fair market value of the Property.

D. Pursuant to the A.H.O., the Developer acknowledges that it is required to sell the Mortgaged Property to Mortgagor for the Base Purchase Price, plus upgrades, subject to Mortgagor's execution of this Mortgage in favor of Mortgagee, which Mortgage secures the residency, transfer, financing and affordability covenants set forth in Section 3 of this Mortgage (such covenants, the "Affordability Covenants"), which covenants shall run with the Land and are intended to assure that the City achieves the affordable housing objectives of the A.H.O. and complies with the affordability and recapture provisions of the A.H.O.

E. The Affordability Covenants require that, among other things, with respect to the initial sale of the Mortgaged Property (in connection with which this Mortgage is being granted), and with respect to each resale of the Mortgaged Property during the Affordability Period (unless Mortgagor is permitted and elects to repay to the City the Recapture Amount), such Mortgaged Property may only be sold to a Qualified Household for an Affordable Price.

F. Mortgagor has covenanted to Mortgagee herein that it is a Qualified Household and that the Base Purchase Price is an Affordable Price.

G. Mortgagor acknowledges and agrees that, as of the Purchase Date, the Base Purchase Price is less than the fair market price for the Mortgaged Property by an amount equal to the City Affordability Amount, as evidenced by contemporaneous or projected sales of comparable homes.

H. Mortgagor acknowledges and agrees that, but for the City's imposition of the Affordability Covenants, Mortgagor would have been unable to purchase the Mortgaged Property for an Affordable Price.

I. The City has required Mortgagor to execute this Mortgage in order to both (a) impose the Affordability Covenants upon the Mortgaged Property and give notice of the Affordability Covenants to Mortgagor, to any subsequent purchaser of the Mortgaged Property, and to any lender having a mortgage secured by the Mortgaged Property, and (b) to secure the payment of the Recapture Amount described in Section 4.02 hereof and Mortgagor's other obligations under this Mortgage.

J. In consideration of the benefits accruing to Mortgagor as a result of its purchase of the Mortgaged Property for an Affordable Price, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Mortgagor has executed and delivered to the City this Mortgage.

Now, Therefore, To secure the performance and observance by Mortgagor of all the terms, covenants and conditions described herein, and in order to charge the properties, interests and rights hereinafter described with such consideration, Mortgagor has executed and delivered this Mortgage and does hereby grant, convey, assign, mortgage, grant a security interest in, and confirm unto Mortgagee and its successors and assigns forever, all of Mortgagor's right, title and interest in the following described property (which is hereinafter sometimes referred to as "Mortgaged Property"):

(A) the Land and, if such Land constitutes a common element under applicable condominium property law, Mortgagor's undivided interest therein and in any common elements and limited common elements associated therewith;

(B) the Home and all easements, rights, interests and appurtenances thereto, including, without limitation, any deeded, reserved or assigned parking area or storage space and any interest in common elements and limited common elements associated therewith;

(C) all structures and improvements of every nature whatsoever now or hereafter located on the Land or situated within or comprising a part of the Home, including, without limitation, all fixtures of every kind and nature whatsoever which are or shall be attached to said buildings, structures or improvements, and now or hereafter owned by Mortgagor, including all extensions, additions, improvements, betterments, renewals and replacements of any of the foregoing (the "Improvements"); and

(D) all rents and issues of the Land, Home and Improvements from time to time and all of the estate, right, title, interest, property, possession, claim and demand at law, as well as in equity of Mortgagor, in and to the same;

To Have And To Hold The Mortgaged Property and all parts thereof unto Mortgagee, its successors and assigns, to its own proper use, benefit and advantage forever, subject, however, to the terms, covenants and conditions herein;

Without Limitation of the foregoing, Mortgagor hereby further grants unto Mortgagee, pursuant to the provisions of the Uniform Commercial Code of the State of Illinois, a security interest in all of the above-described property, which are or are to become fixtures.

This Mortgage Is Given To Secure: (a) payment of all Recapture Amounts described herein, (b) performance of the Affordability Covenants, and (c) the payment and performance of all other obligations, covenants, conditions and agreements contained herein and in any other agreement, document or instrument to which reference is expressly made in the Mortgage.

Article I.

Incorporation Of Recitals; Definitions.

The recitals set forth above constitute an integral part of the Mortgage and are hereby incorporated herein by this reference with the same force and effect as if set forth herein as the agreement of the Mortgagor.

As used herein, the following capitalized terms shall be defined as follows:

“Affordability Covenants” shall mean the affordability covenants and requirements contained in Section 3 hereof and (Sub)Exhibit C hereto.

“Affordability Period” shall mean the thirty (30)-year period commencing on the Purchase Date.

“Affordable Price” shall mean an amount less than or equal to the price at which Monthly Homeownership Costs for the Mortgaged Property would total not more than thirty percent (30%) of household income for a household with a family size equal to the product of one and five-tenths (1.5) multiplied by the number of bedrooms in the Mortgaged Property whose income is the maximum amount allowable for such household to qualify as a Qualified Household.

“Base Purchase Price” _____ shall mean \$ _____, which is the base purchase price the Mortgagor paid the Developer for the Mortgaged Property pursuant to the requirements of the Redevelopment Agreement.

“City Affordability Amount” shall mean \$ _____, constituting the dollar difference between the market value of the Mortgaged Property at the time of its purchase from Developer (based on appraisals, comparable sales or similar evidence reasonably acceptable to the City’s Department of Planning and Development or any successor department thereof) and the Base Purchase Price.

“Monthly Homeownership Costs” shall mean the sum of the following estimated amounts:

- (i) monthly principal and interest payments on a thirty (30) year fixed rate purchase money mortgage in the amount of ninety-five percent (95%) of the purchase price of the Mortgaged Property, bearing interest at a rate equal to the prevailing rate as published in the *Chicago Tribune* (or posted on the internet website maintained by the *Chicago Tribune*) as of the date of calculation of Monthly Homeownership Costs, rounded up to the nearest quarter percent;
- (ii) annual estimated real property taxes for the Mortgaged Property (based upon the most recently issued real estate tax bill), divided by twelve (12),
- (iii) annual insurance premiums for the Mortgaged Property, divided by twelve (12), for homeowners insurance in the amount of the replacement value of the Mortgaged Property, and
- (iv) monthly condominium assessment payments or similar homeowners association payments for the Mortgaged Property, if applicable.

"Purchase Date" shall mean the date on which the Mortgagor purchased the Mortgaged Property, which shall be deemed to be the date on which this Mortgage is recorded.

"Purchase Price" shall mean \$_____, being the sum of the Base Purchase Price plus upgrades.

"Qualified Household" shall mean a single person, family or unrelated persons living together whose adjusted income is not more than one hundred percent (100%) of the Chicago-area median income, adjusted for family size, as such adjusted income and Chicago-area median income are determined from time to time by the United States Department of Housing and Urban Development for purposes of Section 8 of the United States Housing Act of 1937. As of the Purchase Date, such income limitations are as follows [Current Information Must Be Obtained From H.U.D. Just Prior To Closing Date]:

Number Of Persons In Household	100% Of A.M.I.
1	\$52,800
2	\$60,300
3	\$67,900

Number Of Persons In Household	100% Of A.M.I.
4	\$75,400
5	\$81,400
6	\$87,500

“Recapture Amount” shall mean an amount, determined as of any applicable determination date, equal to the City Affordability Amount plus simple, non-compounding interest on such amount at the rate of three percent (3.0%) per annum (assuming twelve (12) thirty (30) day months) calculated from the Purchase Date to the date of the Recapture Default. For example, if (a) this Mortgage was recorded January 1, 2005, (b) the date of the Recapture Default was July 1, 2011, and (c) the City Affordability Amount was Twenty Thousand Dollars (\$20,000), then (i) the interest on the City Affordability Amount would be Three Thousand Nine Hundred Dollars (\$3,900) (Six Hundred Dollars (\$600)/year for six (6) years, plus Three Hundred Dollars (\$300) for one-half (½) year), and (ii) the Recapture Amount would be Twenty-three Thousand Nine Hundred Dollars (\$23,900) (Twenty Thousand Dollars (\$20,000) plus Three Thousand Nine Hundred Dollars (\$3,900)).

Article II.

Covenants, Representations And Warranties.

Mortgagor covenants and agrees with Mortgagee that, at all times during the Affordability Period:

2.01 Taxes And Assessments.

(a) Mortgagor will pay when due all general taxes and assessments (including, without limitation, any condominium or homeowners association assessments, if applicable), special assessments, water charges and all of the charges against the Mortgaged Property and shall, upon written request, furnish to Mortgagee receipts evidencing payment thereof, provided that Mortgagor, in good faith and with reasonable diligence, may contest the validity or amount of any such taxes, assessments or charges, provided that during any such contest the enforcement of the lien of such taxes, assessments or charges is stayed.

(b) Mortgagor will not suffer (unless bonded or insured over) any mechanic's, laborer's, materialmen's or statutory lien to remain outstanding upon any of the Mortgaged Property. Mortgagor may contest such lien, provided that Mortgagor shall first post a bond in the amount of the contested lien, or provide title insurance over such contested lien, and further provided that Mortgagor shall diligently prosecute the contested lien and cause the removal of the same.

2.02 Insurance.

Mortgagor shall keep the Mortgaged Property continuously insured (or shall use reasonable efforts to cause the condominium or homeowners association, as applicable, to keep insured such parts of the Mortgaged Property as may be required to be insured by such association under the applicable declaration) in such amounts and against such risks as required of Mortgagor by the Senior Lender, paying the premiums for said insurance as they become due. Policies of insurance shall name Mortgagee as an additional insured. All policies of insurance shall provide that the same shall not be canceled, except upon thirty (30) days prior written notice to Mortgagee.

2.03 Maintenance Of The Property.

(a) Mortgagor shall preserve and maintain the Mortgaged Property in good condition and repair, will not commit or suffer any waste thereof, and will keep the same in a clean, orderly and attractive condition. Mortgagor shall not do or suffer to be done anything which will increase the risk of fire or other hazard to the Mortgaged Property or any part thereof.

(b) If the Mortgaged Property or any part thereof is damaged by fire or any other cause, Mortgagor will immediately give written notice of the same to Mortgagee.

(c) Mortgagee or its representatives shall have the right to inspect the Mortgaged Property to assure compliance with the terms of this Mortgage.

(d) Mortgagor shall promptly comply, and cause the Mortgaged Property to comply, with all present and future laws, ordinances, orders, rules and regulations and other requirements of any governmental authority affecting the Mortgaged Property or any part thereof and with all instruments and documents of record or otherwise affecting the Mortgaged Property or any part thereof.

(e) If all or any part of the Mortgaged Property shall be damaged by fire or other casualty, Mortgagor (subject to the rights of the Board of Managers of the condominium or homeowners association, if applicable, with respect to any proceeds applicable to common elements or limited common elements), will promptly restore the Mortgaged Property to the equivalent of its condition prior to

the casualty, to the extent of any insurance proceeds made available to Mortgagor for that purpose.

2.04 Subordination.

This Mortgage shall be subject and subordinate in all respects to that certain mortgage dated as of _____, 200__, between Mortgagor and _____ (the Senior Lender), recorded with the Office of the Recorder of Deeds of Cook County, Illinois on _____, 200__, as Document Number _____ (the Senior Mortgage), to secure indebtedness in the original principal amount not to exceed the Base Purchase Price. This Mortgage shall also be subordinate to any subsequent mortgage that refinances the Senior Mortgage, so long as such refinancing is not in an amount greater than the Base Purchase Price.

2.05 Income Eligibility.

Mortgagor represents and warrants to Mortgagee that, based on Mortgagor's household income, as of the time of Mortgagor's execution of its purchase contract for the Mortgaged Property, Mortgagor's household was a Qualified Household as of such date.

2.06 Foreclosure Of Senior Mortgage.

In the event of a transfer of title of the Mortgaged Property through foreclosure or recording of deed in lieu of foreclosure to the Senior Lender pursuant to the Senior Mortgage, Mortgagee acknowledges and agrees that the Affordability Covenants and any other provisions contained herein restricting the sale and occupancy of the Mortgaged Property to buyers or occupants which meet the income eligibility requirements of the A.H.O. shall be released and shall have no further force or effect; provided, however, that all such Affordability Covenants and restrictions shall be revived according to the original terms if, during the Affordability Period, the Mortgagor or any member of Mortgagor's household or family reacquires an ownership interest in the Mortgaged Property. Any other person (including the successors and/or assigns of Senior Lender) receiving title to the Mortgaged Property through a foreclosure or deed in lieu of foreclosure of the Senior Mortgage shall also receive title to the Mortgaged Property free and clear of such restrictions.

Further, if Senior Lender acquires title to the Mortgaged Property pursuant to a deed in lieu of foreclosure, the lien of this Mortgage and the restrictions contained herein shall automatically terminate upon the Senior Lender's acquisition of title to the Mortgaged Property, provided that: (i) the Senior Lender

has given written notice to Mortgagor of a default under the Senior Mortgage in accordance with its terms, (ii) the Mortgagor shall not have cured the default under the Senior Mortgage within any applicable cure period(s) provided for therein; and (iii) any proceeds from any subsequent sale of the Mortgaged Property, if any, which Mortgagee is entitled to receive after payment of all amounts due pursuant to the Senior Mortgage and pursuant to this Mortgage, are paid to Mortgagee.

Article III.

*Residency, Transfer, Financing
And Affordability Covenants.*

Mortgagor covenants to comply with the residency, transfer, financing and affordability covenants set forth in (Sub)Exhibit C, which covenants are materially related to the City's affordable housing objectives of the A.H.O.

Article IV.

Default.

4.01 Events Of Default.

The terms "Event of Default" or "Events of Default", wherever used in the Mortgage, shall mean any one or more of the following events:

- (a) a failure by Mortgagor to comply with any of the Affordability Covenants set forth in (Sub)Exhibit C;
- (b) a failure by Mortgagor to duly observe or perform any other material term, covenant, condition or agreement in the Mortgage after the expiration of the applicable cure periods provided in Section 4.02; or
- (c) a default continuing beyond all applicable cure periods under the Senior Mortgage and permitting foreclosure thereunder.

4.02 City Remedies.

The City shall have the following remedies, depending on the nature and timing of the Event of Default:

(a) **Recapture Defaults.** If an Event of Default arising from a breach of one (1) or more of the covenants set forth in (Sub)Exhibit C occurs, (such a default, a "Recapture Default"), the City may seek specific enforcement of the Affordability Covenants and any other remedies available under this Mortgage. The City, in its sole discretion, and in lieu of its specific enforcement of the Affordability Covenants, may elect to require payment of the Recapture Amount in the event that the City determines that specific enforcement of the Affordability Covenants is impractical or inappropriate. If Mortgagor pays to the City the Recapture Amount pursuant to an election by the City to accept same, then the City shall have no other remedy with respect to such Event of Default and shall be obligated to execute and deliver a release of this Mortgage in recordable form and any subsequent transferee shall not be bound by any Affordability Covenants or otherwise required to execute and deliver any mortgage in favor of the City.

(b) **Other Mortgage Defaults.** If an Event of Default occurs that is not a Recapture Default, and such default involves a failure to make timely payment of any amount due and secured by this Mortgage or the Senior Mortgage and such failure is not cured within ten (10) days of the Mortgagee's delivery of written notice of such failure to Mortgagor (a "Monetary Event of Default"), then Mortgagee shall be entitled to immediately: (i) declare the Recapture Amount immediately due and payable (with such Monetary Event of Default date being also being deemed the Recapture Default date for purposes of computing such amount); and (ii) exercise any other remedies available under this Mortgage (including, without limitation, specific enforcement of the Affordability Covenants any time prior to the end of the Affordability Period of this Mortgage), in either instance without further notice or demand.

(c) If an Event of Default occurs by Mortgagor failing to perform any other non-monetary obligation required under this Mortgage that is not described in Section 4.02(a) or (b) and such failure is not cured within sixty (60) days of the Mortgagee's delivery of written notice of such failure to Mortgagor, Mortgagee shall be entitled to immediately: (i) declare the Recapture Amount immediately due and payable (with such non-monetary Event of Default date being also being deemed the Recapture Default date for purposes of computing such amount); and (ii) exercise any other remedies available under this Mortgage (including, without limitation, specific enforcement of the Affordability Covenants any time prior to the end of the Affordability Period of this Mortgage), in either instance without further notice or demand. In the event such default cannot reasonably be cured within such sixty (60) day period, however, and if Mortgagor has commenced efforts to cure such default, then the time to cure shall be extended so long as said party diligently continues to cure such default.

(d) If an Event of Default occurs under the Senior Lender's security documents (after the giving of any applicable notice and lapse of any applicable cure period, if any) and the Senior Lender commences efforts to foreclose its mortgage (or obtain a deed-in-lieu-of-foreclosure), obtain appointment of a receiver for the

Mortgaged Property, or obtain possession of the Mortgaged Property, such event of default shall (notwithstanding anything in this Section 4.02 to the contrary) constitute an immediate Event of Default under this Mortgage and the Mortgagee shall be entitled to immediately: (i) declare the Recapture Amount immediately due and payable (with such commencement date being also deemed the Recapture Default date for purposes of computing the Recapture Amount); and (ii) exercise any other remedies available under this Mortgage, in either instance without further notice or demand.

4.03 Other Remedies.

(a) If any amounts due under and secured by this Mortgage shall become due, whether by acceleration or otherwise, Mortgagee shall have the right to foreclose the lien hereof for such indebtedness or part thereof. This Mortgage and the right of foreclosure hereunder shall not be impaired or exhausted by any foreclosure of the Senior Mortgage, and may be foreclosed successively and in parts, until all of the Mortgaged Property has been foreclosed against. In any such foreclosure, or upon the enforcement of any other remedy of Mortgagee, there shall be allowed and included as additional indebtedness all expenditures and expenses which may be paid or incurred by or on behalf of Mortgagee for reasonable attorneys fees, appraisers fees, outlays for documentary and expert evidence, stenographers' charges, publication costs and costs involved in title insurance and title examinations. All expenditures and expenses of the nature in this Section 4.03 mentioned, and such expenses and fees as maybe incurred in the protection of the Mortgaged Property and the maintenance of the lien of this Mortgage, including the reasonable fees of any attorney employed by Mortgagee in any litigation or proceeding affecting this Mortgage, or the Mortgaged Property, including probate and bankruptcy proceedings, or in preparation for the commencement or defense of any proceeding or threatened suit or proceeding, shall be immediately due and payable by Mortgagor, with interest thereon at the lesser of the highest rate permitted by law or fifteen percent (15%) per annum, and shall be secured by this Mortgage. The proceeds of any foreclosure sale of the Mortgaged Property shall be distributed and applied in the following order of priority: (i) on account of all costs and expenses incidental to the foreclosure proceedings, including all such items as are mentioned in this section; (ii) repayment of the indebtedness owed to the Senior Lender, subject to the limitation in Section 2.04; (iii) repayment of any other amounts due under this Mortgage; and (iv) payment of any remaining amounts due to Mortgagor, its successors or assigns, as their rights may appear.

(b) Mortgagor shall not and will not apply for or avail itself of any appraisalment, valuation, stay, extension or exemption laws, or any so-called "Moratorium Laws", now existing or hereafter enacted, in order to prevent or hinder the enforcement or foreclosure of this Mortgage, but hereby waives the benefit of such laws. Mortgagor, for itself and all who may claim through or under it, waives any and all right to have the property and estates comprising the Mortgaged Property marshaled upon any foreclosure of the lien hereof, and agrees that any court having jurisdiction to

foreclose such lien may order the Mortgaged Property sold as an entirety. To the extent permitted by law, Mortgagor hereby waives any and all rights of redemption from sale under any order or decree of foreclosure of this Mortgage on such Mortgagor's behalf and on behalf of each and every person, except decree or judgment creditors of Mortgagor, acquiring any interest in or title to the Mortgaged Property subsequent to the date of this Mortgage.

(c) Upon any other entering upon or taking of possession of the Mortgaged Property after the occurrence of an Event of Default and the expiration of the applicable cure period and other than by means of a foreclosure, Mortgagee, subject to the rights of the Senior Lender, may hold, use, manage and control the Mortgaged Property and, from time to time: (i) make all necessary and proper maintenance, repairs, renewals, replacements, additions, betterments and improvements thereto and thereon and purchase or otherwise acquire additional fixtures, personalty and other property required in connection therewith; (ii) insure or keep the Mortgaged Property insured; (iii) manage the Mortgaged Property and exercise all the rights and powers of Mortgagor to the same extent as Mortgagor could in its own name or otherwise with respect to the same; and (iv) enter into any and all agreements with respect to the exercise by others of any of the powers herein granted to Mortgagee, all as Mortgagee from time to time may reasonably determine to be to its best advantage. Mortgagee may collect and receive all the rents, issues, profits and revenues of the same, including those past due as well as those accruing thereafter, and, after deducting to the extent reasonable: (aa) expenses of taking, holding and managing the Mortgaged Property (including compensation for the services of all persons employed for such purposes); (bb) the cost of all such maintenance, repairs, renewals, replacements, additions, betterments, improvements and purchases and acquisitions; (cc) the cost of such insurance; (dd) such taxes, assessments and other similar charges as Mortgagee may determine to pay; (ee) other proper charges upon the Mortgaged Property or any part thereof; and (ff) the reasonable compensation, expenses and disbursements of the attorneys and agents of Mortgagee, shall apply the remainder to the payment of amounts due under this Mortgage. The balance of such funds, if any, after payment in full, of all of the aforesaid amounts shall be paid to Mortgagor.

(d) Mortgagee may also seek specific performance or injunctive relief in order to enforce the provisions of this Mortgage.

4.04 Receiver.

Subject to the rights of the Senior Lender, if an Event of Default shall have occurred and be continuing after an applicable cure period has expired, Mortgagee, upon application to a court of competent jurisdiction, shall be entitled to the appointment of a receiver to take possession of and to operate the Mortgaged Property and to collect and apply the rents, issues, profits and revenues thereof. The receiver shall otherwise have all of the rights and powers to the fullest extent permitted by law.

4.05 Purchase By Mortgagee.

Upon any foreclosure sale, Mortgagee may bid for and purchase the Mortgaged Property and shall be entitled to apply all or any part of the Recapture Amount and other amounts due under and secured by this Mortgage as a credit to the purchase price.

4.06 Remedies Cumulative.

No right, power or remedy conferred upon or reserved to Mortgagee by this Mortgage is intended to be exclusive of any other right, power or remedy, but each and every right, power and remedy shall be cumulative and concurrent and shall be in addition to any other right, power and remedy given hereunder or now or hereafter existing at law, in equity or by statute.

4.07 Waiver.

No delay or omission of Mortgagee to exercise any right, power or remedy accruing upon any Event of Default shall exhaust or impair any such right, power or remedy or shall be construed to be a waiver of any such Event of Default or acquiescence therein; and every right, power and remedy given by this Mortgage to Mortgagee may be exercised from time to time as often as may be deemed expedient by Mortgagee. No consent or waiver, expressed or implied, by Mortgagee to or of any breach or Event of Default by Mortgagor in the performance of its obligations hereunder shall be deemed or construed to be a consent or waiver to or of any other breach or Event of Default in the performance of the same or any other obligations of Mortgagor hereunder. Failure on the part of Mortgagee to complain of any act or failure to act or to declare an Event of Default, irrespective of how long such failure continues, shall not constitute a waiver by Mortgagee of its rights hereunder or impair any rights, powers or remedies on account of any breach or default by Mortgagor.

Article V.

5.05 Modification.

Mortgagor shall have no right to convey the Mortgaged Property into a land trust without obtaining the prior written consent of the City.

5.06 No Merger.

It being the desire and intention of the parties that this Mortgage and the lien hereof do not merge in fee simple title to the Mortgaged Property, it is hereby understood and agreed that should Mortgagee acquire any additional or other interests in or to said property or the ownership thereof, then, unless a contrary interest is manifested by Mortgagee as evidenced by an appropriate document duly

(Sub)Exhibit "C" referred to in the Mortgage, Security and Recapture Agreement
reads as follows:

(Sub)Exhibit "C".
(To Mortgage, Security And Recapture Agreement)

*Residency, Transfer, Financing
And Affordability Covenants.*

In consideration of the requirements of the A.H.O. that apply to the Developer and that have enabled the Mortgagor to Purchase the Mortgaged Property for the Base Purchase Price, Mortgagor covenants to Mortgagee that:

(a) Mortgagor meets the income eligibility requirements established under the A.H.O. in order to qualify as a Qualified Household under such ordinance.

(b) During the Affordability Period, Mortgagor shall own the Mortgaged Property, shall not lease the Mortgaged Property, shall use the Mortgaged Property as its primary residence (and the primary residence of Mortgagor's Qualified Household), and will not let any other person occupy or use the property without the prior written consent of the City, which shall be in the City's reasonable discretion, and which, if granted, will require that the total amount payable by any tenant household not exceed the amount set forth to qualify such housing as "affordable housing" as defined in the Illinois Affordable Housing Act, 310 ILCS 65/1, et seq.

(c) During the Affordability Period, Mortgagor shall not sell or otherwise directly or indirectly transfer ownership of the Mortgaged Property, except (i) to a Qualified Household, (ii) for an Affordable Price, and provided that (iii) the transferee Qualified Household executes a mortgage, security and recapture agreement in similar form to this Mortgage. Mortgagor shall confer with the City's Department of Planning and Development before entering into a sale contract involving the Mortgaged Property for assistance in determining the qualifications of any proposed transferee and the eligible resale price of the Mortgaged Property. Any transfer of ownership (x) resulting from Mortgagor's death and occurring pursuant to (i) the terms of a written land trust, personal trust or will, or (ii) state intestacy law, (y) to a spouse or member of Mortgagor's Qualified Household, or (z) that simply consists of Mortgagor's transfer (with the prior written consent of the City to such transfer) of the Mortgaged Property into a land trust or personal trust of which Mortgagor is the sole beneficiary and holder of power of direction, as applicable, shall not be subject to the foregoing transfer restriction, provided, however, that the transferee in any such transfer shall be bound by all of the affordable housing covenants contained in this Mortgage. If Mortgagor attempts or purports to transfer the Mortgaged Property to a transferee in violation of any one or more of the conditions in clauses (i), (ii) and (iii), such attempted or purported transfer shall constitute an immediate Event of Default under Section 4.01(a).

(d) During the Affordability Period, it shall not encumber the Mortgaged Property with any one or more mortgages which, individually or in aggregate, secures initial principal indebtedness in excess of the Base Purchase Price.

The Affordability Covenants in this (Sub)Exhibit C may be waived or modified in writing by the City, upon a showing of undue hardship or changed circumstances that would make the enforcement of such covenants inequitable or impractical, as determined by the City in its sole discretion.

Upon either a permitted transfer described in clause (c)(iii) above or a transfer accompanied by a repayment of the Recapture Amount in accordance with the terms of this Mortgage, the City will, upon ten (10) business days prior written notice, execute and deliver a "Certificate of Transfer" confirming that such transfer is a permitted transfer hereunder and effective to deliver legal title to the transferee. In addition, within thirty (30) days of receipt of a written request from Mortgagor, Mortgagee shall execute a release of the Mortgage in recordable form.

Mortgagor Acknowledges And Agrees That, To The Extent The Affordability Covenants, Anything In This (Sub)Exhibit C, Or Any Other Provision In This Mortgage Could Be Deemed A Restraint On Alienation, That Any Such Restraint (A) Is Reasonable, (B) Is, As Explained In The Recitals Hereto, Supported By Adequate

Consideration, (C) Is Necessary To Implement The City's Public Policy Objective Of Developing And Maintaining Affordable Housing, (D) Should Be Enforced As Written, And (E) Was A Material Inducement To The City's Decision To Provide The Land To The Developer, Which Decision Has Implemented The Affordability Covenants Required By Law And Has Enabled Mortgagor To Buy The Mortgaged Property For The Purchase Price, Which Price Is Materially Less Than The Fair Market Value Price. Mortgagor, Therefore, Knowingly And Voluntarily, To The Fullest Extent Permitted By Law, Waives The Right To Raise Any Defense To The Enforcement Of The Affordability Covenants, Whether At Law Or In Equity.

WHEREAS, the Project is consistent with the Tax Increment Financing Redevelopment Plan and Project for the Redevelopment Area ("Redevelopment Plan"); and

WHEREAS, the City Council, pursuant to an ordinance adopted on _____, 2006, and published at pages _____ through _____ in the Journal of the Proceedings

of the City Council of such date, authorized the sale of the City Land to the Developer, subject to the execution, delivery and recording of this Agreement; and

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

SECTION 1. INCORPORATION OF RECITALS.

The foregoing recitals constitute an integral part of this Agreement and are incorporated herein by this reference with the same force and effect as if set forth herein as agreements of the parties.

SECTION 2. PURCHASE PRICE.

The City hereby agrees to sell, and the Developer hereby agrees to purchase, upon and subject to the terms and conditions of this Agreement, the City Land, for the sum of Thirty Five Thousand and 00/100 Dollars (\$35,000) ("Purchase Price"), which represents the fair market value of the City Land, to be paid to the City at the Closing (as defined in Section 4) in cash or by certified or cashier's check or wire transfer of immediately available funds, less the Earnest Money (as defined in Section 3.1). Except as specifically provided herein to the contrary, the Developer shall pay all escrow fees and other title insurance fees and closing costs.

SECTION 3. EARNEST MONEY AND PERFORMANCE DEPOSIT.

3.1 Earnest Money. Upon the Developer's execution of this Agreement, the Developer shall deposit with the City the amount of One Thousand Seven Hundred and 00/100 Dollars (\$1,700) ("Earnest Money"), which shall be credited against the Purchase Price at the Closing (as defined in Section 4 below).

3.2 Performance Deposit. Upon the Developer's execution of this Agreement, the Developer shall deposit with the City the amount of One Thousand Seven Hundred and 00/100 Dollars (\$1,700), as security for the performance of its obligations under this Agreement ("Performance Deposit"), which the City will retain until the City issues the Certificate of Completion (as defined in Section 13) for the Project.

3.3 Interest. The City will pay no interest to the Developer on the Earnest Money or Performance Deposit.

SECTION 4. CLOSING.

The closing of the transaction contemplated by this Agreement ("Closing") shall take place at the downtown offices of Chicago Title Insurance Company ("Title Company"), 171 North Clark Street, Chicago, Illinois 60601, within thirty (30) days after the Developer has obtained all necessary building permits and other governmental approvals for the Project, as required pursuant to Section 9 hereof, or on such date and at such place as the parties mutually

agree upon in writing (the "Closing Date"); provided, however, in no event shall the Closing occur (a) unless and until the Developer has satisfied all conditions precedent set forth in Section 9 hereof, unless the Commissioner of DPD, in her sole discretion, waives such conditions, and (b) any later than March 14, 2007 (the "Outside Closing Date"), unless the Commissioner of DPD, in her sole discretion, extends such Outside Closing Date in accordance with Section 12. On or before the Closing Date, the City shall deliver to the Title Company the Deed, all necessary state, county and municipal real estate transfer tax declarations, and an ALTA statement.

SECTION 5. CONVEYANCE OF TITLE.

5.1 Form of Deed. The City shall convey the City Land to the Developer by quitclaim deed ("Deed"), subject to the terms of this Agreement and the following:

- (a) the Redevelopment Plan for the Redevelopment Area;
- (b) the standard exceptions in an ALTA title insurance policy;
- (c) general real estate taxes and any special assessments or other taxes;
- (d) all easements, encroachments, covenants and restrictions of record and not shown of record;
- (e) such other title defects as may exist; and
- (f) any and all exceptions caused by the acts of the Developer or its agents.

5.2 Recording Costs. The Developer shall pay to record the Deed, this Agreement, and any other documents incident to the conveyance of the City Land to the Developer.

SECTION 6. TITLE AND SURVEY.

6.1 The Developer acknowledges that the City has delivered to the Developer a commitment for an owner's policy of title insurance for the City Land, Commitment No. 8276454, with an effective date of June 15, 2005, issued by the Title Company (the "Title Commitment"), showing the City in title to the City Land. The Developer shall be solely responsible for and shall pay all costs associated with updating the Title Commitment (including all search, continuation and later-date fees), and obtaining any title insurance, extended coverage or other endorsements it deems necessary. The Developer shall also be solely responsible for and shall pay all costs associated with obtaining any survey it deems necessary.

6.2 If necessary to clear title of exceptions for general real estate tax liens attributable to taxes due and payable prior to the Closing Date, the City shall submit to the county a tax abatement letter and/or file a motion to vacate a tax sale in the Circuit Court of Cook County, seeking the exemption or waiver of such pre-closing tax liabilities, but shall not have further duties with respect to any such taxes. If, after taking the foregoing actions, the City Land

remains subject to any tax liens, or if the City Land is encumbered with any other exceptions that would adversely affect the use and insurability of the City Land for the development of the Project, the Developer shall have the option to do one of the following: (a) accept title to the City Land subject to the exceptions, without reduction in the Purchase Price; or (b) terminate this Agreement by delivery of written notice to the City at least fourteen (14) days prior to the Closing Date, in which event the City shall return the Earnest Money and Performance Deposit to the Developer, this Agreement shall be null and void and, except as otherwise specifically provided herein, neither party shall have any further right, duty or obligation hereunder. If the Developer elects not to terminate this Agreement as aforesaid, the Developer agrees to accept title subject to all exceptions. The Developer shall be responsible for all taxes accruing after the Closing.

SECTION 7. BUILDING PERMITS AND OTHER GOVERNMENTAL APPROVALS.

The Developer shall apply for all necessary building permits and other required permits and approvals for the construction of the Project, including, without limitation, approval for a curb cut and driveway, no later than fourteen (14) days after the City Council authorizes the sale of the City Land, unless DPD, in its sole discretion, extends such application date, and shall pursue such permits and approvals in good faith and with all due diligence.

SECTION 8. PROJECT BUDGET AND PROOF OF FINANCING.

The total budget for the Project as of the date of this Agreement is estimated to be One Hundred Ninety Six Thousand and 00/100 Dollars (\$196,000) (the "Preliminary Project Budget"). Not less than fourteen (14) days prior to the Closing Date, the Developer shall submit to DPD for approval a final project budget materially consistent with the Preliminary Project Budget ("Budget") and evidence of funds adequate to finance the purchase of the City Land and the construction of the Project ("Proof of Financing"). The Proof of Financing shall include binding commitment letters from the Developer's lenders, if any, and evidence of the Developer's ability to make an equity contribution in the amount of any gap in financing.

SECTION 9. CONDITIONS TO THE CITY'S OBLIGATION TO CLOSE.

The obligations of the City under this Agreement are contingent upon the delivery or satisfaction of each of the following items (unless waived by DPD in its sole discretion) at least fourteen (14) days prior to the Closing Date, unless another time period is specified below,:

9.1 Final Governmental Approvals. The Developer shall deliver to the City evidence of all building permits and other final governmental approvals necessary to construct the Project.

9.2 Budget and Proof of Financing. The City shall have approved the Developer's Budget and Proof of Financing.

9.3 Simultaneous Loan Closing. On the Closing Date, the Developer shall simultaneously close all financing approved pursuant to Section 9.2, and be in a position to immediately commence construction of the Project.

9.4 Insurance. The Developer shall deliver to the City evidence of insurance reasonably acceptable to the City. The City shall be named as an additional insured on all liability insurance policies and as a loss payee (subject to the prior rights of any first mortgagee) on all property insurance policies from the Closing Date through the date the City issues a Certificate of Completion (as defined in Section 13 below) for the Project. With respect to property insurance, the City will accept an ACORD 28 form. With respect to liability insurance, the City will accept an ACORD 25 form, together with a copy of the endorsement that is added to the Developer's policy showing the City as an additional insured.

9.5 Legal Opinion. The Developer shall deliver to the City a legal opinion in substantially the form attached hereto as Exhibit C.

9.6 Due Diligence. The Developer shall deliver to the City the following due diligence searches in its name, showing no unacceptable liens, litigation, judgments or filings, as reasonably determined by the Corporation Counsel: (a) Bankruptcy Search, U.S. Bankruptcy Court for the N.D. Illinois; (b) Federal Judgment Search and Federal Defendant Suit Search, U.S. District Court for the N.D. Illinois; (c) UCC Debtor Search and Federal Tax Lien Search, Illinois Secretary of State; (d) UCC Debtor Search and State and Federal Tax Lien Searches, Cook County; and (e) Local Judgment Search and Local Defendant Suit Search, Circuit Court of Cook County.

9.7 Organization and Authority Documents. The Developer shall deliver to the City the Developer's articles of incorporation, including all amendments thereto, as furnished and certified by the Illinois Secretary of State; the by-laws of the Developer, as certified by the secretary of the Developer; resolutions authorizing the Developer to execute and deliver this Agreement and any other documents required to complete the transaction contemplated by this Agreement and to perform its obligations under this Agreement; a certificate of good standing from the Illinois Secretary of State dated no more than thirty (30) days prior to the Closing; and such other corporate authority and organizational documents as the City may reasonably request.

9.8 Subordination Agreement. On the Closing Date, and prior to recording any mortgage approved pursuant to Section 9.2, the Developer shall deliver to the City a subordination agreement substantially in the form attached hereto as Exhibit D ("Subordination Agreement").

9.9 MBE/WBE, City Residency Hiring and Prevailing Wage Compliance Plan. The Developer and the Developer's general contractor and all major subcontractors shall meet with staff from the Department of Housing ("DOH") regarding compliance with the MBE/WBE, city residency hiring, prevailing wage and other requirements set forth in Section 23, and at least seven (7) days prior to the Closing Date, the City shall have approved the Developer's compliance plan in accordance with Section 23.4.

9.10 Representations and Warranties. On the Closing Date, each of the representations and warranties of the Developer in Section 24 and elsewhere in this Agreement shall be true and correct.

9.11 Other Obligations. On the Closing Date, the Developer shall have performed all of the other obligations required to be performed by the Developer under this Agreement as and when required under this Agreement.

If any of the conditions in this Section 9 have not been satisfied to DPD's reasonable satisfaction within the time periods provided for herein, DPD may, at its option, terminate this Agreement by delivery of written notice to the Developer at any time after the expiration of the applicable time period, in which event this Agreement shall be null and void and, except as otherwise specifically provided, neither party shall have any further right, duty or obligation hereunder. Any forbearance by DPD in exercising its right to terminate this Agreement upon a default hereunder shall not be construed as a waiver of such right.

SECTION 10. CONSTRUCTION REQUIREMENTS.

10.1 Drawings. The Developer shall construct the Project on the City Land in accordance with the site plan, floor plans and elevations prepared by NIA Architects, Inc. (the "Architect") attached hereto as Exhibit E, and the final plans and specifications prepared by the Architect dated May 2006, which have been approved by DPD and which are incorporated herein by this reference (collectively, "Drawings"). No material deviation from the Drawings may be made without the prior written approval of DPD. If the Developer submits and DPD approves revised site plans or architectural drawings after the date of this Agreement, the term "Drawings" as used herein shall refer to the revised site plans and architectural drawings upon DPD's written approval of the same.

10.2 Relocation of Utilities, Curb Cuts and Driveways. The Developer shall be solely responsible for and shall pay all costs associated with: (a) the relocation, installation or construction of public or private utilities, curb cuts and driveways; (b) the repair or reconstruction of any curbs, vaults, sidewalks or parkways required in connection with or damaged as a result of the Developer's construction of the Project; (c) the removal of existing pipes, utility equipment or building foundations; and (d) the termination of existing water or other services. The City shall have the right to approve any streetscaping provided by the Developer as part of the Project, including, without limitation, any paving of sidewalks, landscaping and lighting.

10.3 City's Right to Inspect City Land. For the period commencing on the Closing Date and continuing through the date the City issues a Certificate of Completion (as defined in Section 13 below), any duly authorized representative of the City shall have access to the City Land at all reasonable times for the purpose of determining whether the Developer is constructing the Project in accordance with the terms of this Agreement and all applicable federal, state and local statutes, laws, ordinances, codes, rules, regulations, orders and judgments, including, without limitation, Sections 7-28 and 11-4 of the Municipal Code of Chicago relating to waste disposal (collectively, "Laws").

10.4 Barricades and Signs. Promptly after the execution of this Agreement, the Developer shall, at its sole cost and expense, erect and maintain such signs as the City may

reasonably require identifying the City Land as a City redevelopment project. Prior to the commencement of any construction activity requiring barricades, the Developer shall install barricades of a type and appearance satisfactory to the City and constructed in compliance with all applicable Laws. DPD shall have the right to approve the maintenance, appearance, color scheme, painting, nature, type, content and design of all barricades, which approval shall not be unreasonably withheld or delayed. The Developer shall erect all signs and barricades so as not to interfere with or affect any bus stop or train station in the vicinity of the City Land.

10.5 Survival. The provisions of this Section 10 shall survive the Closing.

SECTION 11. LIMITED APPLICABILITY.

Any approval given by DPD pursuant to this Agreement is for the purpose of this Agreement only and does not constitute the approval required by the City's Department of Construction and Permits ("DCAP") or any other City department, nor does such approval constitute an approval of the quality, structural soundness or safety of any improvements located or to be located on the City Land, or the compliance of said improvements with any Laws, private covenants, restrictions of record, or any agreement affecting the City Land or any part thereof.

SECTION 12. COMMENCEMENT AND COMPLETION OF PROJECT.

The Developer shall commence construction of the Project no later than March 30, 2007, and shall complete the Project (as evidenced by the issuance of a Certificate of Completion) no later than March 28, 2008; provided, however, DPD, in its sole discretion, may extend the construction commencement and completion dates by up to six (6) months each (i.e., twelve (12) months in the aggregate). The Developer shall give written notice to the City within five (5) days after it commences construction. The Developer shall construct the Project in accordance with the Drawings, and all Laws and covenants and restrictions of record.

SECTION 13. CERTIFICATE OF COMPLETION.

Upon completion of the Project, the Developer shall deliver to the City a request for inspection ("Request for Inspection") in substantially the form attached hereto as Exhibit F. The Request for Inspection must include a Certificate of Substantial Completion from the project architect in substantially the form attached hereto as Exhibit G. Within forty-five (45) days after receipt of a Request for Inspection and the accompanying Certificate of Substantial Completion, the City shall inspect the Project to determine whether it is substantially complete (i.e., complete except for punch list items) and constructed in accordance with this Agreement, and shall thereafter deliver to the Developer either a Certificate of Completion ("Certificate of Completion") or a written statement indicating in adequate detail how the Developer has failed to complete the Project in compliance with this Agreement or is otherwise in default, and what measures or acts are necessary, in the sole opinion of the City, for the Developer to take or perform in order to obtain the Certificate of Completion. If the City requires additional measures or acts to assure compliance, the Developer shall have thirty (30) days to correct any deficiencies and resubmit a Request for Inspection. The Certificate of Completion shall be in recordable

form, and shall, upon recording, constitute a conclusive determination of satisfaction and termination of the covenants in this Agreement and the Deed with respect to the Developer's obligations to construct the Project. The Certificate of Completion shall not, however, constitute evidence that the Developer has complied with any Laws relating to the construction of the Project, nor shall it serve as any guaranty as to the quality of the construction. Upon recordation of the Certificate of Completion for the Project, the City shall return the Performance Deposit to the Developer.

SECTION 14. RESTRICTIONS ON USE.

The Developer agrees that it:

14.1 Shall devote the City Land to a use that complies with the Redevelopment Plan until the Redevelopment Plan expires.

14.2 Shall not discriminate on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status, or source of income in the sale, lease, rental, use or occupancy of the City Land or any part thereof or the Project or any part thereof.

The Developer acknowledges and agrees that the use restrictions set forth in this Section 14 constitute material, bargained-for consideration for the City, and that, but for such use restrictions, the City would not have agreed to convey the City Land to the Developer.

SECTION 15. PROHIBITION AGAINST SALE OR TRANSFER OF CITY LAND.

Prior to the issuance of the Certificate of Completion for the Project, the Developer may not, without the prior written consent of DPD, which consent shall be in DPD's sole discretion: (a) directly or indirectly sell, transfer or otherwise dispose of the City Land or any part thereof or any interest therein or the Developer's controlling interests therein (including without limitation, a transfer by assignment of any beneficial interest under a land trust); or (b) directly or indirectly assign this Agreement. The Developer acknowledges and agrees that DPD may withhold its consent under (a) or (b) above if, among other reasons, the proposed purchaser, transferee or assignee (or such entity's principal officers or directors) is in violation of any Laws, or if the Developer fails to submit sufficient evidence of the financial responsibility, business background and reputation of the proposed purchaser, transferee or assignee. If the Developer is a business entity, no principal party of the Developer (e.g., a general partner, member, manager or shareholder) may sell, transfer or assign any of its interest in the entity prior to the issuance of the Certificate of Completion to anyone other than another principal party, without the prior written consent of DPD, which consent shall be in DPD's sole discretion. The Developer must disclose the identity of all limited partners to the City at the time such limited partners obtain an interest in the Developer. The provisions of this Section 15 shall not prohibit the Developer from contracting to sell or from selling the single-family home in the ordinary course of development.

SECTION 16. LIMITATION UPON ENCUMBRANCE OF CITY LAND.

Prior to the issuance of the Certificate of Completion, the Developer shall not, without DPD's prior written consent, which shall be in DPD's sole discretion, engage in any financing or other transaction which would create an encumbrance or lien on the City Land, except for the acquisition and construction financing approved pursuant to Section 9.2 hereof.

SECTION 17. MORTGAGEES NOT OBLIGATED TO CONSTRUCT.

Notwithstanding any other provision of this Agreement or of the Deed, the holder of any mortgage authorized by this Agreement (or any affiliate of such holder) shall not itself be obligated to construct or complete the Project, or to guarantee such construction or completion, but shall be bound by the other covenants running with the land specified in Section 18 and, at Closing, shall execute a Subordination Agreement (as defined in Section 9.8). If any such mortgagee or its affiliate succeeds to the Developer's interest in the City Land prior to the issuance of the Certificate of Completion, whether by foreclosure, deed-in-lieu of foreclosure or otherwise, and thereafter transfers its interest in the City Land to another party, such transferee shall be obligated to complete the Project, and shall also be bound by the other covenants running with the land specified in Section 18.

SECTION 18. COVENANTS RUNNING WITH THE LAND.

The parties agree, and the Deed shall so expressly provide, that the covenants provided in Section 12 (Commencement and Completion of Project), Section 14 (Restrictions on Use), Section 15 (Prohibition Against Sale or Transfer of City Land) and Section 16 (Limitation Upon Encumbrance of City Land) will be covenants running with the land, binding on the Developer and its successors and assigns (subject to the limitation set forth in Section 17 above as to any permitted mortgagee) to the fullest extent permitted by law and equity for the benefit and in favor of the City, and shall be enforceable by the City. The covenants provided in Sections 12, 15 and 16 shall terminate upon the issuance of the Certificate of Completion. The covenant contained in Section 14.1 shall terminate on the date the Redevelopment Plan expires, and the covenant contained in Section 14.2 shall have no limitation as to time.

SECTION 19. PERFORMANCE AND BREACH.

19.1 Time of the Essence. Time is of the essence in the Developer's performance of its obligations under this Agreement.

19.2 Permitted Delays. The Developer shall not be considered in breach of its obligations under this Agreement in the event of a delay due to unforeseeable causes beyond the Developer's control and without the Developer's fault or negligence, including, without limitation, acts of God, acts of the public enemy, acts of the United States government, fires, floods, epidemics, quarantine restrictions, strikes, embargoes and unusually severe weather or delays of subcontractors due to such causes. The time for the performance of the obligations shall be extended only for the period of the delay and only if the Developer requests an extension in writing within twenty (20) days after the beginning of any such delay.

19.3 Cure. If the Developer defaults in the performance of its obligations under this Agreement, the Developer shall have sixty (60) days after written notice of default from the City to cure the default, or such longer period as shall be reasonably necessary to cure such default provided the Developer promptly commences such cure and thereafter diligently pursues such cure to completion (so long as continuation of the default does not create material risk to the Project or to persons using the Project). Notwithstanding the foregoing, no notice or cure period shall apply to defaults under Sections 19.4(c), (e) and (g).

19.4 Event of Default. The occurrence of any one or more of the following shall constitute an "Event of Default" under this Agreement:

(a) The Developer makes or furnishes a warranty, representation, statement or certification to the City (whether in this Agreement, an Economic Disclosure Statement, or another document) that is not true and correct.

(b) A petition is filed by or against the Developer under the Federal Bankruptcy Code or any similar state or federal law, whether now or hereafter existing, which is not vacated, stayed or set aside within thirty (30) days after filing.

(c) The Developer fails to complete the Project in accordance with the time line outlined in Section 12 above, or the Developer abandons or substantially suspends construction of the Project.

(d) The Developer fails to pay real estate taxes or assessments affecting the City Land or any part thereof when due, or places thereon any encumbrance or lien unauthorized by this Agreement, or suffers or permits any levy or attachment, mechanic's, laborer's, material supplier's, or any other lien or encumbrance unauthorized by this Agreement to attach to the City Land unless bonded or insured over.

(e) The Developer makes an assignment, pledge, unpermitted financing, encumbrance, transfer or other disposition in violation of this Agreement.

(f) There is a material and adverse change in the Developer's financial condition or operations.

(g) The Developer fails to close by the Outside Closing Date, unless DPD, in its sole discretion, extends the Outside Closing Date.

(h) The Developer fails to perform, keep or observe any of the other covenants, conditions, promises, agreements or obligations under this Agreement or any other written agreement entered into with the City with respect to the Project.

19.5 Prior to Closing. If an Event of Default occurs prior to the Closing, and the default is not cured in the time period provided for in Section 19.3 above, the City may terminate

this Agreement, institute any action or proceeding at law or in equity against the Developer, or retain the Earnest Money and Performance Deposit as liquidated damages.

19.6 After Closing. If an Event of Default occurs after the Closing but prior to the issuance of the Certificate of Completion, and the default is not cured in the time period provided for in Section 19.3 above, the City may terminate this Agreement and exercise any and all remedies available to it at law or in equity, including, without limitation, the right to re-enter and take possession of the City Land, terminate the estate conveyed to the Developer, and revert title to the City Land in the City (the "Right of Reverter"); provided, however, the City's Right of Reverter shall be limited by, and shall not defeat, render invalid, or limit in any way, the lien of any mortgage authorized by this Agreement.

19.7 Resale of the City Land. Upon the reversioning in the City of title to the City Land as provided in Section 19.6, the City may complete the Project or convey the City Land, subject to any first mortgage lien, to a qualified and financially responsible party reasonably acceptable to the first mortgagee, who shall assume the obligation of completing the Project or such other improvements as shall be satisfactory to DPD, and otherwise comply with the covenants that run with the land as specified in Section 18.

19.8 Disposition of Resale Proceeds. If the City sells the City Land as provided for in Section 19.7, the net proceeds from the sale, after payment of all amounts owed under any mortgage liens authorized by this Agreement in order of lien priority, shall be utilized to reimburse the City for:

- (a) costs and expenses incurred by the City (including, without limitation, salaries of personnel) in connection with the recapture, management and resale of the City Land (less any income derived by the City from the City Land in connection with such management); and
- (b) all unpaid taxes, assessments, and water and sewer charges assessed against the City Land; and
- (c) any payments made (including, without limitation, reasonable attorneys' fees and court costs) to discharge or prevent from attaching or being made any subsequent encumbrances or liens due to obligations, defaults or acts of the Developer; and
- (d) any expenditures made or obligations incurred with respect to construction or maintenance of the Project; and
- (e) any other amounts owed to the City by the Developer.

The Developer shall be entitled to receive any remaining proceeds up to the amount of the Developer's equity investment in the City Land.

19.9 No Remedies Against Home or Purchasers. Notwithstanding anything in this Section 19 or otherwise, the City shall have no rights or remedies against a purchaser of the single-family home, or against such home, after the sale of such home to such purchaser. By operation of this Section 19.9, the single-family home shall be released from the encumbrance of this Agreement at the time of such home's sale to a bona fide purchaser.

SECTION 20. CONFLICT OF INTEREST; CITY'S REPRESENTATIVES NOT INDIVIDUALLY LIABLE.

The Developer represents and warrants that no agent, official or employee of the City shall have any personal interest, direct or indirect, in the Developer, this Agreement, the City Land or the Project, nor shall any such agent, official or employee participate in any decision relating to this Agreement which affects his or her personal interests or the interests of any corporation, partnership, association or other entity in which he or she is directly or indirectly interested. No agent, official or employee of the City shall be personally liable to the Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to the Developer or successor or with respect to any commitment or obligation of the City under the terms of this Agreement.

SECTION 21. INDEMNIFICATION.

The Developer agrees to indemnify, defend and hold the City harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, reasonable attorneys' fees and court costs) suffered or incurred by the City arising from or in connection with: (a) the failure of the Developer to perform its obligations under this Agreement; (b) the failure of the Developer or any contractor or other agent, entity or individual acting under the control or at the request of the Developer ("Agent") to pay contractors, subcontractors or material suppliers in connection with the construction and management of the Project; (c) any misrepresentation or omission made by the Developer or any Agent; (d) the failure of the Developer to redress any misrepresentations or omissions in this Agreement or any other agreement relating hereto; and (e) any activity undertaken by the Developer or any Agent on the City Land prior to or after the Closing. This indemnification shall survive the Closing or any termination of this Agreement (regardless of the reason for such termination).

SECTION 22. INSPECTION; CONDITION OF CITY LAND AT CLOSING.

22.1 "As Is" Sale. The City makes no covenant, representation or warranty, express or implied, of any kind, as to the structural, physical or environmental condition of the City Land or the suitability of the City Land for any purpose whatsoever, and the Developer agrees to accept the City Land in its "as is," "where is" and "with all faults" condition.

22.2 Right of Entry.

(a) The Developer's obligations hereunder are conditioned upon the Developer being satisfied with the condition of the City Land for the construction,

development and operation of the Project. Upon the Developer's request, the City shall grant the Developer the right, at its sole cost and expense, to enter the City Land for a period of thirty (30) days (the "Inspection Period") pursuant to a Right of Entry Agreement in form and substance reasonably acceptable to the City to inspect the same, perform surveys, environmental assessments, soil and any other due diligence it deems necessary or desirable to satisfy itself as to the condition of the City Land.

(b) If the Developer determines that it is not satisfied, in its sole discretion, with the condition of the City Land, the Developer may terminate this Agreement by written notice to the City within thirty (30) days after the expiration of the Inspection Period, whereupon the City shall return the Earnest Money and Performance Deposit to the Developer and this Agreement shall be null and void and, except as otherwise specifically provided, neither party shall have any further right, duty or obligation hereunder. If the Developer elects not to terminate this Agreement pursuant to this Section 22.2, the Developer shall be deemed satisfied with the condition of the City Land.

22.3 Indemnity. The Developer hereby waives and releases, and indemnifies the City from and against, any claims and liabilities relating to or arising from the structural, physical or environmental condition of the City Land, including, without limitation, claims arising under the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended ("CERCLA"), and shall undertake and discharge all liabilities of the City arising from any structural, physical or environmental condition that existed on the City Land prior to the Closing, including, without limitation, liabilities arising under CERCLA. The Developer hereby acknowledges that, in purchasing the City Land, the Developer is relying solely upon its own inspection and other due diligence activities and not upon any information (including, without limitation, environmental studies or reports of any kind) provided by or on behalf of the City or its agents or employees with respect thereto. The Developer shall perform such studies and investigations, conduct such tests and surveys, and engage such specialists as the Developer deems appropriate to evaluate fairly the structural, physical and environmental condition and risks of the City Land. If, after the Closing, the structural, physical and environmental condition of the City Land is not in all respects entirely suitable for its intended use, it shall be the Developer's sole responsibility and obligation to take such action as is necessary to put the City Land in a condition which is suitable for its intended use. The provisions of this Section 22.3 shall survive the Closing.

SECTION 23. DEVELOPER'S EMPLOYMENT OBLIGATIONS.

23.1 Employment Opportunity. The Developer agrees, and shall contractually obligate its various contractors, subcontractors and any affiliate of the Developer operating on the City Land (collectively, the "Employers" and individually, an "Employer") to agree, that with respect to the provision of services in connection with the construction of the Project or occupation of the City Land:

(a) Neither the Developer nor any Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national

origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Section 2-160-010 *et seq.* of the Municipal Code of Chicago, as amended from time to time (the "Human Rights Ordinance"). The Developer and each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon the foregoing grounds, and are treated in a non-discriminatory manner with regard to all job-related matters, including, without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Developer and each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Developer and each Employer, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon the foregoing grounds.

(b) To the greatest extent feasible, the Developer and each Employer shall present opportunities for training and employment of low and moderate income residents of the City, and provide that contracts for work in connection with the construction of the Project be awarded to business concerns which are located in or owned in substantial part by persons residing in, the City.

(c) The Developer and each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including, without limitation, the Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 *et seq.* (1993), both as amended from time to time, and any regulations promulgated thereunder.

(d) The Developer, in order to demonstrate compliance with the terms of this Section 23.1, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) The Developer and each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the construction of the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any affiliate operating on the City Land, so that each such provision shall be binding upon each contractor, subcontractor or affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 23.1 shall be a basis for the City to pursue remedies under the provisions of Section 19.

23.2 City Resident Employment Requirement.

(a) The Developer agrees, and shall contractually obligate each Employer to agree, that during the construction of the Project, the Developer and each Employer shall comply with the minimum percentage of total worker hours performed by actual residents of the City of Chicago as specified in Section 2-92-330 of the Municipal Code of Chicago (at least fifty percent); provided, however, that in addition to complying with this percentage, the Developer and each Employer shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

(b) The Developer and the Employers may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the chief procurement officer of the City of Chicago.

(c) "Actual residents of the City of Chicago" shall mean persons domiciled within the City of Chicago. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

(d) The Developer and the Employers shall provide for the maintenance of adequate employee residency records to ensure that actual Chicago residents are employed on the construction of the Project. The Developer and the Employers shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

(e) The Developer and the Employers shall submit weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) to DOH in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Developer or Employer hired the employee should be written in after the employee's name.

(f) The Developer and the Employers shall provide full access to their employment records to the chief procurement officer, DOH, the Superintendent of the Chicago Police Department, the inspector general, or any duly authorized representative thereof. The Developer and the Employers shall maintain all relevant personnel data and records for a period of at least three (3) years after the issuance of the Certificate of Completion.

(g) At the direction of DOH, the Developer and the Employers shall provide affidavits and other supporting documentation to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

(h) Good faith efforts on the part of the Developer and the Employers to provide work for actual Chicago residents (but not sufficient for the granting of a waiver

request as provided for in the standards and procedures developed by the chief procurement officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section 23.2 concerning the worker hours performed by actual Chicago residents.

(i) If the City determines that the Developer or an Employer failed to ensure the fulfillment of the requirements of this Section 23.2 concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section 23.2. If such non-compliance is not remedied in accordance with the breach and cure provisions of Section 19.3, the parties agree that 1/20 of 1 percent (.05%) of the aggregate hard construction costs set forth in the Budget shall be surrendered by the Developer and for the Employers to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer and/or the other Employers or employees to prosecution.

(j) Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement.

(k) The Developer shall cause or require the provisions of this Section 23.2 to be included in all construction contracts and subcontracts related to the construction of the Project.

23.3 Developer's MBE/WBE Commitment. The Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the general contractor to agree, that during the construction of the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code of Chicago (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code of Chicago (the "Construction Program," and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 23.3, during the course of construction of the Project, at least 24% of the aggregate hard construction costs, as set forth in Exhibit H hereto (the "MBE/WBE Budget") shall be expended for contract participation by minority-owned businesses and at least 4% of the MBE/WBE Budget shall be expended for contract participation by women-owned businesses.

(b) For purposes of this Section 23.3 only:

(i) The Developer (and any party to whom a contract is let by the Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by the Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code of Chicago, as applicable.

(ii) The term "minority-owned business" or "MBE" shall mean a business identified in the Directory of Certified Minority Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a minority-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(iii) The term "women-owned business" or "WBE" shall mean a business identified in the Directory of Certified Women Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a women-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code of Chicago, the Developer's MBE/WBE commitment may be achieved in part by the Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture, or (ii) the amount of any actual work performed on the Project by the MBE or WBE); by the Developer utilizing a MBE or a WBE as the general contractor (but only to the extent of any actual work performed on the Project by the general contractor); by subcontracting or causing the general contractor to subcontract a portion of the construction of the Project to one or more MBEs or WBEs; by the purchase of materials or services used in the construction of the Project from one or more MBEs or WBEs; or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer's MBE/WBE commitment as described in this Section 23.3. In accordance with Section 2-92-730, Municipal Code of Chicago, the Developer shall not substitute any MBE or WBE general contractor or subcontractor without the prior written approval of DOH.

(d) The Developer shall deliver quarterly reports to the City's monitoring staff during the construction of the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by the Developer or the general contractor to work on the Project, and the responses received from such solicitation, the

name and business address of each MBE or WBE actually involved in the construction of the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining the Developer's compliance with this MBE/WBE commitment. The Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the construction of the Project for at least five (5) years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by the Developer, on prior notice of at least five (5) business days, to allow the City to review the Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the construction of the Project.

(e) Upon the disqualification of any MBE or WBE general contractor or subcontractor, if the disqualified party misrepresented such status, the Developer shall be obligated to discharge or cause to be discharged the disqualified general contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code of Chicago, as applicable.

(f) Any reduction or waiver of the Developer's MBE/WBE commitment as described in this Section 23.3 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code of Chicago, as applicable.

23.4 Pre-Construction Conference and Post-Closing Compliance Requirements. Not less than fourteen (14) days prior to the Closing Date, the Developer and the Developer's general contractor and all major subcontractors shall meet with DOH monitoring staff regarding compliance with all Section 23 requirements. During this pre-construction meeting, the Developer shall present its plan to achieve its obligations under this Section 23, the sufficiency of which the City's monitoring staff shall approve as a precondition to the Closing. During the construction of the Project, the Developer shall submit all documentation required by this Section 23 to the City's monitoring staff, including, without limitation, the following: (a) subcontractor's activity report; (b) contractor's certification concerning labor standards and prevailing wage requirements; (c) contractor letter of understanding; (d) monthly utilization report; (e) authorization for payroll agent; (f) certified payroll; (g) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (h) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that the Developer is not complying with its obligations under this Section 23, shall, upon the delivery of written notice to the Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (x) issue a written demand to the Developer to halt construction of the Project, (y) withhold any further payment of any City funds to the Developer or the general contractor, or (z) seek any other remedies against the Developer available at law or in equity.

SECTION 24. REPRESENTATIONS AND WARRANTIES.

24.1 Representations and Warranties of the Developer. To induce the City to execute this Agreement and perform its obligations hereunder, the Developer hereby represents and warrants to the City that as of the date of this Agreement and as of the Closing Date the following shall be true and correct in all respects:

(a) The Developer is a corporation duly organized, validly existing and in good standing under the laws of the State of Illinois with full power and authority to acquire, own and redevelop the City Land, and the person signing this Agreement on behalf of the Developer has the authority to do so.

(b) All certifications and statements contained in the Economic Disclosure Statement last submitted to the City by the Developer (and any legal entity holding an interest in the Developer) are true, accurate and complete.

(c) The Developer's execution, delivery and performance of this Agreement and all instruments and agreements contemplated hereby will not, upon the giving of notice or lapse of time, or both, result in a breach or violation of, or constitute a default under, any other agreement to which the Developer, or any party affiliated with the Developer, is a party or by which the Developer or the City Land is bound.

(d) To the best of the Developer's knowledge, no action, litigation, investigation or proceeding of any kind is pending or threatened against the Developer, or any party affiliated with the Developer, and the Developer knows of no facts which could give rise to any such action, litigation, investigation or proceeding, which could: (i) affect the ability of the Developer to perform its obligations hereunder; or (ii) materially affect the operation or financial condition of the Developer.

(e) To the best of the Developer's knowledge, the Project will not violate: (i) any Laws, including, without limitation, any zoning and building codes and environmental regulations; or (ii) any building permit, restriction of record or other agreement affecting the City Land.

24.2 Representations and Warranties of the City. To induce the Developer to execute this Agreement and perform its obligations hereunder, the City hereby represents and warrants to the Developer that the City has authority under its home rule powers to execute and deliver this Agreement and perform the terms and obligations contained herein.

24.3 Survival of Representations and Warranties. Each of the parties agrees that all of its representations and warranties set forth in this Section 24 or elsewhere in this Agreement are true as of the date of this Agreement and will be true in all material respects at all times thereafter, except with respect to matters which have been disclosed in writing and approved by the other party.

SECTION 26. BUSINESS RELATIONSHIPS.

The Developer acknowledges (a) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (b) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or

employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (c) notwithstanding anything to the contrary contained in this Agreement, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. The Developer hereby represents and warrants that no violation of Section 2-145-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

SECTION 27. PATRIOT ACT CERTIFICATION.

The Developer represents and warrants that neither the Developer nor any Affiliate (as hereafter defined) thereof is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable Laws: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. As used in this Section 27, an "Affiliate" shall be deemed to be a person or entity related to the Developer that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with the Developer, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

SECTION 28. PROHIBITION ON CERTAIN CONTRIBUTIONS - MAYORAL EXECUTIVE ORDER NO. 05-1.

28.1 The Developer agrees that the Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in the Developer of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, the Developer's contractors (i.e., any person or entity in direct contractual privity with the Developer regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (the Developer and all the other preceding classes of persons and entities are together the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (a) after execution of this Agreement by the Developer, (b) while this Agreement or any Other Contract (as hereinafter defined) is executory, (c) during the term of this Agreement or any Other Contract, or (d) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to February 10, 2005, the effective date of Executive Order 2005-1.

28.2 The Developer represents and warrants that from the later of (a) February 10, 2005, or (b) the date the City approached the Developer, or the date the Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

28.3 The Developer agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

28.4 The Developer agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 05-1 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 05-1.

28.5 Notwithstanding anything to the contrary contained herein, the Developer agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this Section 28 or violation of Mayoral Executive Order No. 05-1 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this Agreement, and under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

28.6 If the Developer intentionally violates this provision or Mayoral Executive Order No. 05-1 prior to the Closing, the City may elect to decline to close the transaction contemplated by this Agreement.

28.7 For purposes of this provision:

(a) "Bundle" means to collect contributions from more than one source, which contributions are then delivered by one person to the Mayor or to his political fundraising committee.

(b) "Other Contract" means any other agreement with the City to which the Developer is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council.

(c) "Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

(d) Individuals are "domestic partners" if they satisfy the following criteria:

- (i) they are each other's sole domestic partner, responsible for each other's common welfare; and
- (ii) neither party is married; and
- (iii) the partners are not related by blood closer than would bar marriage in the State of Illinois; and
- (iv) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
- (v) two of the following four conditions exist for the partners:
 - (1) The partners have been residing together for at least 12 months.
 - (2) The partners have common or joint ownership of a residence.
 - (3) The partners have at least two of the following arrangements:
 - (A) joint ownership of a motor vehicle;
 - (B) joint credit account;
 - (C) a joint checking account;
 - (D) a lease for a residence identifying both domestic partners as tenants.
 - (4) Each partner identifies the other partner as a primary beneficiary in a will.
- (e) "Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

29.8 No Merger. The terms of this Agreement shall not be merged with the Deed, and the delivery of the Deed shall not be deemed to affect or impair the terms of this Agreement.

29.9 No Waiver. No waiver by the City with respect to any specific default by the Developer shall be deemed to be a waiver of the rights of the City with respect to any other defaults of the Developer, nor shall any forbearance by the City to seek a remedy for any breach or default be deemed a waiver of its rights and remedies with respect to such breach or default, nor shall the City be deemed to have waived any of its rights and remedies unless such waiver is in writing.

29.10 Severability. If any term of this Agreement or any application thereof is held invalid or unenforceable, the remainder of this Agreement shall be construed as if such invalid part were never included herein and this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

29.11 Successors and Assigns. Except as otherwise provided in this Agreement, the terms and conditions of this Agreement shall apply to and bind the successors and assigns of the parties.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed on or as of the date first above written.

RECITALS

WHEREAS, the Developer desires to purchase from the City the real property located within the Washington Park Community which is legally described on Exhibit A attached hereto and made apart hereof ("Property"); and

WHEREAS, the Developer intends to construct a total of forty-four (44) units of for-sale housing on the Property in the following building types: four (4) 6-flat condo buildings, four (4) 4-flat condo buildings, and four (4) detached single family homes on the Property, as more fully described on Exhibit B attached hereto ("Improvements" or "Project"); and

WHEREAS, the Developer has agreed to make certain cash payments to the City as partial consideration for the transfer of the Property; and

WHEREAS, the City Council by ordinance adopted _____, _____, authorized the sale of the Property to the Developer, subject to the execution, delivery and recording of this Agreement.

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

SECTION 1. INCORPORATION OF RECITALS.

The recitals set forth above constitute an integral part of this Agreement and are incorporated herein by this reference with the same force and effect as if set forth herein as agreements of the parties.

SECTION 2. SALE AND PURCHASE PRICE.

Subject to the terms, covenants and conditions of this Agreement, the City agrees to sell the Property to Developer, and Developer agrees to purchase the Property from the City, for the sum of One Million Seven Hundred Thirty Eight Thousand Nine Hundred Forty One and 00/100 Dollars (\$1,738,941.00) ("Purchase Price"), to be paid to the City at the Closing by cashier's or certified check or wire transfer of immediately available funds or such other form of payment as acceptable to the City at its sole discretion, less the Earnest Money (as defined in Section 3.A). Except as specifically provided herein to the contrary, the Developer shall pay all closing costs. The Developer acknowledges that the Purchase Price is approximately One Million One Hundred Sixty One Thousand Fifty Nine and 00/100 Dollars (\$1,161,059.00) less than the fair market value of the Property and that the City has only agreed to sell the Property to the Developer for the Purchase Price because the Developer has agreed to execute this Agreement and comply with its terms and conditions, including, without limitation, Section 10.

SECTION 3. EARNEST MONEY AND PERFORMANCE DEPOSIT.

A. **Earnest Money.** Upon execution of this Agreement, the Developer shall deposit with the City the amount of Forty Three Thousand Five Hundred and 00/100 Dollars (\$43,500.00) which will be credited against the Purchase Price ("Earnest Money") at the Closing (as defined in Section 4.D. below).

B. **Performance Deposit.** Upon execution of this Agreement, the Developer shall also deposit with the City an additional amount of Forty Three Thousand Five Hundred and 00/100 Dollars (\$43,500.00) as security for the performance of its obligations of this Agreement ("Performance Deposit") which will be retained by the City until a Final Certificate of Completion (as described in Section 9 below) has been issued by the City for the Project.

C. Interest. The City will pay no interest to the Developer on the Earnest Money or Performance Deposit.

SECTION 4. CONVEYANCE OF PROPERTY.

A. Form of Deed. The City shall convey the Property to Developer by quitclaim deed ("Deed"), subject to the terms of this Agreement and the following:

- (i) the standard exceptions in an ALTA title insurance policy;
- (ii) general real estate taxes and any special assessments or other taxes;
- (iii) easements, encroachments, covenants and restrictions of record and not shown of record; and
- (iv) such other title defects as may exist.

B. Title Commitment and Insurance. The Developer acknowledges that the City has delivered to the Developer a commitment for an owner's policy of title insurance from Chicago Title Insurance Company ("Title Company") showing the City in title to the Property. Any updated title commitment shall be obtained at Developer's expense. The Developer shall be solely responsible for and shall pay all costs associated with obtaining any title insurance, extended coverage or other endorsements it deems necessary.

C. Survey. The Developer shall be responsible for obtaining, at its sole cost and expense, any survey it deems necessary; provided, however, that in the event such survey discloses any title matters other than the Permitted Exceptions which the Title Company will not remove or insure over to the Developer's reasonable satisfaction prior to the Closing (as defined in Section 4.D below), the Developer may terminate this Agreement by delivery of written notice to the City, in which event the City shall return the Earnest Money and Performance Deposit to the Developer and this Agreement shall be null and void and, except as otherwise specifically provided herein, neither party shall have any further right, duty or obligation hereunder.

D. Closing. The closing of the transaction contemplated by this Agreement ("Closing") shall take place at the downtown offices of the Title Company, 171 North Clark Street, Chicago, Illinois 60601, on February 1, 2007, or on such later date and at such place as the parties mutually agree to in writing; provided, however, notwithstanding the parties' execution of this Agreement, in no event shall the Closing occur (i) unless and until the conditions precedent set forth in Sections 4, 5 and 8 are all satisfied, and (ii) any later than March 15, 2007 (the "Outside Closing Date"). Failure by the Developer to close by the aforementioned date shall be considered an "Event of Default" as defined in Section 15 below. Notwithstanding the foregoing, the Commissioner of DPD, in her sole discretion, shall have the right to unilaterally extend the Closing Date in accordance with Section 8 below.

E. **Building Permits.** The Developer shall apply for all necessary building permits and zoning approvals for the Project no later than January 15, 2007 and shall deliver evidence of all such permits and approvals to DPD at least fourteen (14) days prior to the Closing.

F. **Real Estate Taxes.** The City shall use reasonable efforts to obtain the waiver of any delinquent real estate tax liens on the Property prior to the Closing, to the extent such tax liens can be waived or released by the City's writing of an abatement letter to the Cook County Treasurer or a motion to vacate a tax sale. If the City is unable to obtain the waiver of any such tax liens, the Developer shall have the option to do one of the following: (i) accept title to the Property subject to the tax liens, without reduction in the Purchase Price; or (ii) terminate this Agreement by delivery of written notice to the City, in which event the City shall return the Earnest Money and Performance Deposit to the Developer to the Developer and this Agreement shall be null and void. If the Developer elects to close, the Developer shall assume the responsibility for any such delinquent real estate taxes. The Developer shall also be responsible for all taxes accruing after the Closing. Until the City issues a Final Certificate of Completion (as defined in Section 9), the Developer shall notify the City that the real estate taxes have been paid in full within ten (10) days of such payment.

G. **Recording Costs.** The Developer shall pay to record the Deed and this Agreement and any other documents incident to the conveyance of the Property to the Developer.

H. **Escrow.** If the Developer requires conveyance through escrow, Developer shall pay all escrow fees.

I. **Insurance.** The Developer shall procure and maintain or cause to be maintained by its contractors, subcontractors, agents, and/or employees, at all times throughout the term of this Agreement, the following insurance coverages:

- (i) commercial general liability insurance with a combined single limit of not less than \$1,000,000.00 per occurrence for bodily injury, personal injury and property damage liability. Coverages shall include the following: all premises and operations, products/completed operations, independent contractors, separation of insureds, defense, and contractual liability (with no limitation endorsement). The City is to be named as an additional insured on a primary, non-contributory basis for any liability arising directly or indirectly from the Project on the Property.
- (ii) Automobile Liability Insurance (Primary and Umbrella). When any motor vehicles (owned, non-owned and hired) are used in connection with work to be performed, the Developer shall provide automobile liability insurance with limits of not less than \$1,000,000.00 per occurrence, for bodily injury and property damage. The City shall be named as an additional insured on a primary non-contributory basis. Any contractors doing environmental remediation work shall endorse their automobile liability insurance policy to include the MSC90 Endorsement.

- (iii) **Workers Compensation and Employers Liability Insurance.** Workers compensation and employers liability insurance, as prescribed by applicable law covering all employees who are to provide a service under this Agreement and employers liability coverage with limits of not less than \$100,000.00 each accident or illness.

Evidence of such insurance, in the form of an Accord 27 Certificate or actual insurance policy or binder, shall be provided to the City. This Section 4.I. shall survive the Closing.

J. **Due Diligence.** The Developer shall deliver to DPD at least fourteen (14) days prior to the Closing due diligence searches in its name (UCC, state and federal tax lien, pending litigation and judgment in Cook County and N.D. Ill., and bankruptcy in Cook County and U.S. Bankr. Ct.), showing no unacceptable liens, litigation, judgments or filings, as reasonably determined by the Corporation Counsel.

K. **Organization and Authority Documents.** The Developer shall deliver to DPD at least fourteen (14) days prior to the Closing the following certified documents: Operating Agreement, consent of members authorizing the Developer to enter into this transaction, and such other organizational documents as the City may reasonably request. The Developer shall also provide a Certificate of Good Standing dated no more than thirty (30) days prior to the Closing issued by the Office of the Secretary of State of the State of Illinois as to the good standing of the Developer.

SECTION 5. PROJECT BUDGET; PROOF OF FINANCING.

The total project budget is currently estimated to be Thirteen Million Six Hundred Twenty Five Thousand Six Hundred Thirteen and 00/100 Dollars (\$13,625,613.00) (the "Preliminary Project Budget"). Not less than thirty (30) days prior to the Closing, the Developer shall submit to DPD for approval a final project budget materially consistent with the Preliminary Project Budget ("Budget") and evidence of equity and loan funds committed, available to be drawn down on the Closing and adequate to finance the purchase of the Property and the construction of the Improvements. If the Developer fails to provide the City with a Budget or proof of financing to the City's reasonable satisfaction within the time period provided for herein, the City may, at its option, declare this Agreement null and void or delay the Closing until such time as the Developer complies with this Section 5.

SECTION 6. SITE PLANS AND ARCHITECTURAL DRAWINGS.

A. **Site Plans.** The Developer shall construct the Improvements in accordance with the renderings prepared by Smith Smith Associates, Inc. and Johnson and Lee, dated _____, and the site plans and architectural drawings prepared pursuant thereto, which have been approved by DPD and which are listed on Exhibit C attached hereto and incorporated herein by reference ("Drawings"). Parking spaces shall be made available to the dwelling units as per Exhibits B and C and shall be included in the purchase price for such units.

In addition, the Developer shall comply with the City's Landscape Ordinance and construction of the Project shall be Energy-Star certified. No material deviation from the Drawings may be made without the prior written approval of DPD, which shall be in DPD's sole discretion. A green roof or Energy Star roof over 50% of the total roof area and LEED Certification shall be required for the four (4) six-flat condo buildings comprising a portion of the Project. A deviation that changes the square footage of any dwelling unit by more than 5%, changes the number of dwelling units in the Project or changes the basic use of the Property shall be deemed material. In the event the Developer submits and DPD approves revised site plans and/or architectural drawings after the date of this Agreement, the term "Drawings" as used herein shall refer to the revised site plans and/or architectural drawings upon DPD's written approval of the same.

B. Subsidized Units. The Developer shall sell eight of the condominium units to be constructed on the Property for a sum not to exceed One Hundred Eighty Thousand and 00/100 Dollars (\$180,000.00) per unit to households earning no more than 100% of the median income for the Chicago Primary Metropolitan Statistical Area ("PMSA"). Throughout this Agreement, the above-referenced subsidized units shall be referred to as "Affordable Unit" or "Affordable Units" and households qualifying for Affordable Units shall be referred to as "Qualified Household" or "Qualified Households".

C. Relocation of Utilities, Curb Cuts and Driveways. The Developer shall be solely responsible for and shall pay all costs associated with: (i) the relocation, installation or construction of public or private utilities, curb cuts and driveways; (ii) the repair or reconstruction of any curbs, vaults, sidewalks or parkways required in connection with or damaged as a result of the Developer's redevelopment; (iii) the removal of existing pipes, utility equipment or building foundations; and (iv) the termination of existing water or other services. The City shall have the right to approve any streetscaping, including any paving of sidewalks, landscaping and lighting provided by the Developer as part of the Project.

D. Inspection by the City. During the construction of the Project, the Developer shall permit any duly authorized representative of the City to enter onto the Property for the purpose of determining whether the work is being performed in accordance with the terms of this Agreement and all applicable laws and codes.

E. Barricades and Signs. The Developer shall, at its sole cost and expense, erect and maintain such signs as the City may reasonably require identifying the Property as a City redevelopment project. Prior to the commencement of any construction activity requiring barricades, the Developer shall install barricades of a type and appearance satisfactory to the City and constructed in compliance with all applicable federal, state and local laws, ordinances and regulations. The City shall have the right to approve the maintenance, appearance, color scheme, painting, nature, type, content and design of all signage and barricades, which approval shall not be unreasonably withheld or delayed. Upon start of construction, and with DPD's consent, a sales trailer may also be erected on the property.

F. Survival. The provisions of this Section 6 shall survive the Closing.

SECTION 7. LIMITED APPLICABILITY.

DPD's approval of the Drawings is for the purposes of this Agreement only and does not constitute the approval required by the City's Department of Construction and Permits ("DCAP") or any other City department; nor does the approval by DPD pursuant to this Agreement constitute an approval of the quality, structural soundness or safety of any improvements located or to be located on the Property. DPD's approval shall be only for the benefit of the Developer and any lienholder authorized by this Agreement.

SECTION 8. COMMENCEMENT AND COMPLETION OF IMPROVEMENTS.

The Closing shall not occur unless and until the Developer is prepared to immediately commence construction of the Improvements. In no instance shall (a) construction commence later than March 30, 2007, or (b) construction be completed later than September 30, 2009. DPD shall have discretion to extend the dates in (a) and (b) by up to six (6) months each (i.e., no more than twelve (12) months in the aggregate) by issuing a written extension letter. The Developer shall give written notice to the City within five (5) days after it commences construction. The Improvements shall be constructed in accordance with the Drawings and all applicable laws (including, without limitation, Chapters 7-28 and 11-4 of the Municipal Code), regulations, codes, and recorded encumbrances and restrictions. Notwithstanding the foregoing, the Commissioner of DPD, at her sole discretion, shall have the right to unilaterally extend the dates contained herein.

SECTION 9. CERTIFICATE OF COMPLETION.

Upon completion of each of the residential units comprising the Project, the Developer shall deliver to the City a notice of closing ("Notice of Closing") in substantially the form attached hereto as Exhibit D. The Notice of Closing must include a Certificate of Substantial Completion from the project architect in substantially the form attached hereto as Exhibit E. Within thirty (30) days after receipt of a Notice of Closing and the accompanying Certificate of Substantial Completion, the City shall inspect the subject unit to determine whether it is substantially complete (i.e., complete except for punch list items) and constructed in accordance with this Agreement, and shall thereafter deliver to the Developer either a Partial Certificate of Completion for the unit ("Partial Certificate of Completion") or a written statement indicating in adequate detail how the Developer has failed to complete the unit in compliance with this Agreement or is otherwise in default, and what measures or acts are necessary, in the sole opinion of the City, for the Developer to take or perform in order to obtain the Partial Certificate of Completion. If the City requires additional measures or acts to assure compliance, the Developer shall have thirty (30) days to correct any deficiencies and resubmit a Notice of Closing. The Partial Certificate of Completion shall be in recordable form, and shall, upon recording, constitute a conclusive determination of satisfaction and termination of the covenants in this Agreement and the Deed with respect to the Developer's obligations to construct

any single dwelling unit. The Partial Certificate of Completion shall not, however, constitute evidence that the Developer has complied with any laws relating to the construction of the subject unit, nor shall it serve as any guaranty as to the quality of the construction.

Upon completion of the entire Project, the Developer shall deliver to the City a Notice of Closing. The Notice of Closing must include a Certificate of Substantial Completion from the project architect. Within thirty (30) days after receipt of a Notice of Closing and the accompanying Certificate of Substantial Completion, the City shall inspect the entire Project to determine whether it is substantially complete (i.e., complete except for punch list items) and constructed in accordance with this Agreement, and shall thereafter deliver to the Developer either a Final Certificate of Completion ("Final Certificate of Completion") or a written statement indicating in adequate detail how the Developer has failed to complete the unit in compliance with this Agreement or is otherwise in default, and what measures or acts are necessary, in the sole opinion of the City, for the Developer to take or perform in order to obtain the Final Certificate of Completion. If the City requires additional measures or acts to assure compliance, the Developer shall have thirty (30) days to correct any deficiencies and resubmit a Notice of Closing. The Final Certificate of Completion shall be in recordable form, and shall, upon recording, constitute a conclusive determination of satisfaction and termination of the covenants in this Agreement and the Deeds with respect to the Developer's obligations construct the Project. The Final Certificate of Completion shall not, however, constitute evidence that the Developer has complied with any Laws relating to the construction of the Project, nor shall it serve as any guaranty as to the quality of the construction. Upon recordation of a Final Certificate of Completion for the Project and the sale of all Affordable Units to Qualified Households in accordance with Section 10.C hereof, the City shall return the Performance Deposit to the Developer.

SECTION 10. RESTRICTIONS ON USE.

- A. The Developer agrees that it shall not discriminate based upon race, color, religion, sex, national origin or ancestry, military status, sexual orientation, source of income, age or handicap, in the sale of the Property or the dwelling units comprising the Improvements to be constructed on the Property. This covenant shall have no expiration date.
- B. Shall develop and sell the Affordable Units in accordance with the following provisions:
 - (i) The Developer shall design and construct the Affordable Units comparably to the market-rate units in the Project. The purchase price for the Affordable Units shall not to exceed One Hundred Eighty Thousand and 00/100 Dollars (\$180,000.00) per unit, excluding any upgrades selected by the unit purchasers.
 - (ii) The Developer shall sell all of the Affordable Units to Qualified Households, as per Section 6.B above. the purchase contract for the sale of each Affordable Unit shall

attach as an exhibit the Mortgage (as defined below) in favor of the City that the homebuyer shall execute at closing.

- (iii) The City must approve the income eligibility of the buyer of each Affordable Unit to confirm that the buyer is a Qualified Household. Toward this end, the Developer shall deliver to DPD any information required by DPD in order to determine the buyers income eligibility. DPD shall have ten (10) business days from the date of receipt of a "complete information package" to qualify buyers. A "complete information package" shall include, by means of illustration and not limitation, the fully-executed real estate sales contract, the W-2 forms from the buyers employers, U.S. 1040 income tax returns from the previous two (2) years, an affidavit or verification from the buyer with regard to household size, and the employer verification form utilized by the Federal National Mortgage Association ("Fannie Mae"). The City shall not issue a Partial Certificate of Completion for the Affordable Unit until it has reviewed and approved said documentation.

- (iv) At the closing of each Affordable Unit, the Developer shall require the buyer of each Affordable Unit to execute an Affidavit and a Mortgage, Security and Recapture Agreement in the form attached hereto as Exhibit F ("Mortgage"), securing the difference between the market rate sales price for a similar type of unit and the sales price for the Affordable Unit in favor of the City to be dated as of the date of the closing. The Mortgage shall have a term of thirty (30) years commencing on the date of closing in an amount representing the difference between the market rate sales price for a similar type of unit and the sales price for the Affordable Unit. The indebtedness subject to recapture under the Mortgage shall be due and payable by the Affordable Unit buyer if, during the Mortgage Term, the Affordable Unit buyer sells the Affordable Unit for an amount that renders the Affordable Unit not affordable or to a buyer who does not meet the income eligibility requirements set forth herein. The Mortgage shall also be due and payable if the Affordable Unit buyer leases the Affordable Unit or refinances its first mortgage in an amount greater than the initial principal indebtedness secured thereby, or obtains home equity or other financing secured by the Affordable Unit which, when added to the then-outstanding balance of such first mortgage, exceeds the original principal amount of such first mortgage indebtedness. The City, in its sole discretion, shall have the right to waive or modify such mandatory pre-payment provisions in the event the enforcement thereof would be inequitable or cause undue hardship. The Mortgage shall be subordinate to the lien in favor of the permanent lender, if any.

The Developer acknowledges and agrees that the use restrictions set forth in this Section 10 constitute material, bargained for consideration for the City and are intended to further the public policy of creating long-term affordable housing, and that, but for such use and affordability restrictions, the City would not have agreed to convey the Property to the Developer.

SECTION 11. PROHIBITION AGAINST TRANSFER OF PROPERTY.

Prior to the issuance of the Final Certificate of Completion, the Developer may not, without the prior written consent of DPD, which consent shall be in DPD's sole discretion: (a) directly or indirectly sell or convey (except for the sale and conveyance of the residential units to bona fide purchasers) the Property or any part thereof or any interest therein or the Developer's controlling interests therein; or (b) directly or indirectly assign this Agreement. If the Developer is a business entity, no principal party of the Developer (e.g., a general partner, member, manager or shareholder) may sell, transfer or assign any of its interest in the Developer prior to the issuance of the Final Certificate of Completion to anyone other than another principal party of the Developer without the prior written consent of DPD, which consent shall be in DPD's sole discretion. The Developer must disclose the identity of all members to the City at the time such members obtain an interest in the Developer. In the event of a proposed sale (except for the sale and conveyance of the residential units to private purchasers), the Developer shall provide DPD copies of any and all sales contracts, legal descriptions, descriptions of intended use, certifications from the proposed buyer regarding this Agreement and such other information as the City may reasonably request. The proposed buyer must be qualified to do business with the City (including, without limitation, the anti-scofflaw requirement).

SECTION 12. LIMITATION UPON ENCUMBRANCE OF PROPERTY.

Except as otherwise provided herein, prior to the issuance of the Final Certificate of Completion, the Developer shall not, without DPD's prior written consent, which shall be in DPD's sole discretion, engage in any financing or other transaction which creates an encumbrance or lien on the Property, except for the initial construction financing approved by DPD pursuant to Section 5.

SECTION 13. MORTGAGEES NOT OBLIGATED TO CONSTRUCT.

Notwithstanding any other provision of this Agreement or of the Deed, the holder of any mortgage on the Property authorized by Section 12 of this Agreement shall not itself be obligated to construct or complete the Improvements but shall be bound by the covenants running with the land specified in Section 14 and, at Closing, shall execute a subordination agreement to such effect. If any such mortgagee succeeds to the Developer's interest in the Property prior to issuance of a Final Certificate of Completion, whether by foreclosure, deed-in-lieu of foreclosure or otherwise, and thereafter transfers its interest in the Property to another party, such transferee shall be obligated to complete the Improvements, and shall also be bound by the other covenants running with the land specified in Section 14.

SECTION 14. COVENANTS RUNNING WITH THE LAND.

The parties agree, and the Deed shall so expressly provide, that the covenants provided in Sections 8, 10, 11 and 12 will be covenants running with the land, binding on the Developer and its successors and assigns (subject to the limitation set forth in Section 13 above as to any permitted mortgage) to the fullest extent permitted by law and equity for the benefit and in favor of the City, and shall be enforceable by the City. The covenants provided in Sections 8, 11 and 12 shall terminate for each of the dwelling units comprising the Project upon the issuance of the Partial Certificate of Completion for such unit and the subsequent sale of such unit to a bon fide purchaser and, if such sale involves an Affordable Unit, the homebuyer's execution, delivery and recording of the Mortgage. The covenants provided in Section 10 shall expire as set forth in said Section 10. The covenants provided in Sections 8, 11 and 12 shall terminate for any portions of the Project for which Partial Certificates of Completion have not been issued upon the issuance of the Final Certificate of Completion

SECTION 15. PERFORMANCE AND BREACH.

A. Time of the Essence. Time is of the essence in the Developer's performance of its obligations under this Agreement.

B. Permitted Delays. The Developer shall not be considered in breach of its obligations under this Agreement in the event of a delay due to unforeseeable causes beyond the Developer's control and without the Developer's fault or negligence, including, without limitation, acts of God, acts of the public enemy, acts of the United States government, fires, floods, epidemics, quarantine restrictions, strikes, embargoes and unusually severe weather or delays of subcontractors due to such causes. The time for the performance of the obligations shall be extended only for the period of the delay and only if the Developer requests an extension in writing within twenty (20) days after the beginning of any such delay.

C. Cure. If the Developer defaults in the performance of its obligations under this Agreement, the Developer shall have sixty (60) days after written notice of default from the City to cure the default, or such longer period as shall be reasonably necessary to cure such default provided the Developer promptly commences such cure and thereafter diligently pursues such cure to completion (so long as continuation of the default does not create material risk to the Project or to persons using the Project). If the default is not cured in the time period provided for herein, the City may institute such proceedings at law or in equity as may be necessary or desirable in its sole discretion to cure and remedy the default, including, without limitation, proceedings to compel specific performance. Notwithstanding the preceding two sentences, no notice or cure period shall apply to defaults under Sections 15.D.(iv), (vi) and (ix). Any default under Sections 15.D.(iv), (vi), and (ix) shall constitute an immediate "Event of Default" and shall entitle the City to terminate this Agreement, retain the Earnest Money and Performance Deposit, and exercise such other remedies at law and at equity as may be available to recover the City's land write-down subsidy and attain the City's affordable housing objectives.

D. **Default.** The occurrence of any one or more of the following shall constitute an "Event of Default" under this Agreement:

- (i) The Developer fails to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations under this Agreement; or
- (ii) The Developer makes or furnishes a warranty, representation, statement or certification to the City (whether in this Agreement, an Economic Disclosure Form, or another document) which is not true and correct; or
- (iii) A petition is filed by or against the Developer under the Federal Bankruptcy Code or any similar state or federal law, whether now or hereafter existing, which is not vacated, stayed or set aside within thirty (30) days after filing; or
- (iv) The Developer abandons or substantially suspends construction of the Improvements; or
- (v) The Developer fails to timely pay real estate taxes or assessments affecting the Property or suffers or permits any levy or attachment, material suppliers' or mechanics' lien, or any other lien or encumbrance unauthorized by this Agreement to attach to the Property; or
- (vi) The Developer makes an assignment, pledge, unpermitted financing, encumbrance, transfer or other disposition in violation of this Agreement; or
- (vii) There is a change in Developer's financial condition or operations that would materially affect the Developer's ability to complete the Improvements; or
- (viii) The Developer fails to comply with the terms of any other written agreement entered into with the City with respect to the Project; or
- (ix) The Developer fails to close by the Outside Closing Date.

E. **Prior to Closing.** If an Event of Default occurs prior to the Closing, the City may terminate this Agreement and retain the Earnest Money and Performance Deposit as liquidated damages.

F. **After Closing.** If an Event of Default occurs after the Closing but prior to the issuance of the Final Certificate of Completion for the Project, and the default is not cured in the time period provided for herein, the City may exercise any and all remedies available to it at law or in equity, including, without limitation, the right to re-enter and take possession of the Property, terminate the estate conveyed to the Developer, and re-vest title to the Property in the City; provided, however, the

revesting of title in the City shall be subject to, limited by, and shall not defeat, render invalid, or limit in any way, the lien of any mortgage authorized by this Agreement. Notwithstanding the foregoing, after the issuance of a Partial Certificate of Completion for any individual dwelling unit, the City's right of reverter shall no longer be enforceable with respect to that unit, but the City shall be entitled to all other remedies, including, without limitation, specific enforcement of the covenants that run with the land. The Commissioner of DPD, at her sole discretion, may amend the terms of this Section 15.F.

G. Resale of the Property. Upon the revesting in the City of title to the Property as provided in Section 15.F., the City shall employ its best efforts to convey the Property (subject to any first mortgage lien described in this Section 15) to a qualified and financially responsible party (reasonably acceptable to the first mortgagee) who shall assume the obligation of completing the construction of the Improvements or such other improvements as shall be satisfactory to the City, and complying with the covenants that run with the land, as specified in Section 14.

H. Disposition of Resale Proceeds. If the City sells the Property as provided for in Section 15.G., the proceeds from the sale shall be utilized to reimburse the City for:

- (i) costs and expenses incurred by the City (including, without limitation, salaries of personnel) in connection with the recapture, management and resale of the Property (less any income derived by the City from the Property in connection with such management); and
- (ii) all unpaid taxes, assessments, and water and sewer charges assessed against the Property; and
- (iii) any payments made (including, without limitation, reasonable attorneys' fees and court costs) to discharge or prevent from attaching or being made any subsequent encumbrances or liens due to obligations, defaults or acts of the Developer; and
- (iv) any expenditures made or obligations incurred by the City with respect to construction or maintenance of the Improvements; and
- (v) the fair market value of the land comprising the Property (without any Improvements or partially constructed Improvements thereon) as determined by such sale, less the Purchase Price previously paid to the City on the Closing Date;
- (vi) any other amounts owed to the City by the Developer.

The Developer shall be entitled to receive any remaining proceeds up to the amount of the Developer's equity investment in the Property.

In addition to, and without in any way limiting the City's rights under this Section 15, the City shall have the right to retain the Performance Deposit in the event of a default by the Developer.

I. Waiver and Estoppel. Any delay by the City in instituting or prosecuting any actions or proceedings or otherwise asserting its rights shall not operate as a waiver of such rights or operate to deprive the City of or limit such rights in any way. No waiver made by the City with respect to any specific default by the Developer shall be construed, considered or treated as a waiver of the rights of the City with respect to any other defaults of the Developer.

J. No Remedies Against Bona Fide Purchasers. Notwithstanding anything in this Section 15 or otherwise, the City shall have no rights or remedies against a buyer of a dwelling unit, or against such dwelling unit, after the sale of such unit to such buyer except such rights as may be secured by the Mortgage in the case of a purchaser of an Affordable Unit. By operation of this Section 15.J., each dwelling unit shall be released from the encumbrance of this Agreement at the time of such unit's sale to a bona fide purchaser.

SECTION 16. CONFLICT OF INTEREST; CITY'S REPRESENTATIVES NOT INDIVIDUALLY LIABLE.

The Developer warrants that no agent, official or employee of the City shall have any personal interest, direct or indirect, in this Agreement or the Property, nor shall any such agent, official or employee participate in any decision relating to this Agreement which affects his or her personal interests or the interests of any entity or association in which he or she is directly or indirectly interested. No agent, official or employee of the City shall be personally liable to the Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to the Developer or successor or on any obligation under the terms of this Agreement.

SECTION 17. INDEMNIFICATION.

The Developer agrees to indemnify, defend and hold the City harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, reasonable attorneys' fees and court costs) suffered or incurred by the City arising from or in connection with: (a) the failure of the Developer to perform its obligations under this Agreement; (b) the failure of the Developer or any contractor to pay contractors, subcontractors or material suppliers in connection with the construction of the Improvements; (c) the failure of the Developer to redress any misrepresentations or omissions in this Agreement or any other agreement relating hereto; and (d) any activity undertaken by the Developer on the Property prior to or after the Closing. This indemnification shall survive the Closing or any termination of this Agreement (regardless of the reason for such termination).

SECTION 18. ENVIRONMENTAL MATTERS.

A. "As Is" Sale. The City makes no covenant, representation or warranty as to the environmental condition of the Property or the suitability of the Property for any purpose whatsoever, and the Developer agrees to accept the Property "as is."

B. Right of Entry. It shall be the responsibility of the Developer, at its sole cost and expense, to investigate and determine the soil and environmental condition of the Property. The Developer shall have the right to request a right of entry for the purpose of conducting environmental tests on the Property. If the Developer makes such a request within thirty (30) days after the date of this Agreement, the City shall grant the Developer the right to enter the Property for a period of thirty (30) days (the "Inspection Period") pursuant to a Right of Entry Agreement in form and substance acceptable to the City. The granting of the right of entry shall be contingent upon the Developer obtaining all necessary permits and the following types and amounts of insurance: (i) commercial general liability insurance with a combined single limit of not less than \$1,000,000.00 per occurrence for bodily injury, personal injury and property damage liability with the City named as an additional insured; (ii) automobile liability insurance with a combined single limit of not less than \$1,000,000.00 per occurrence for bodily injury and property damage; and (iii) worker's compensation and occupational disease insurance in statutory amounts covering all employees and agents who are to do any work on the Property. All insurance policies shall be from insurance companies authorized to do business in the State of Illinois, and shall remain in effect until completion of all environmental testing activity on the Property. The Developer shall deliver duplicate policies or certificates of insurance to the City prior to commencing any activity on the Property. The Developer expressly understands and agrees that any coverage and limits furnished by the Developer shall in no way limit the Developer's liabilities and responsibilities set forth in this Agreement.

The Developer agrees to carefully inspect the Property prior to the commencement of any activity on the Property to make sure that such activity shall not damage surrounding property, structures, utility lines or any subsurface lines or cables. The Developer shall be solely responsible for the safety and protection of the public. The City reserves the right to inspect any work being done on the Property. The Developer's activities on the Property shall be limited to those reasonably necessary to perform the environmental testing. Upon completion of the work, the Developer agrees to restore the Property to its original condition. The Developer shall keep the Property free from any and all liens and encumbrances arising out of any work performed, materials supplied or obligations incurred by or for the Developer, and agrees to indemnify and hold the City harmless against any such liens. The foregoing indemnification shall survive the Closing or any termination of this Agreement (regardless of the reason for such termination).

The Developer agrees to deliver to the City a copy of each report prepared by or for the Developer regarding the environmental condition of the Property within fourteen (14) days after receipt. If, prior to the Closing, the Developer's environmental consultant determines that

contamination exists on the Property to such an extent that the parties agree that the estimated cost of remediation (such estimated cost being determined by the consultant) is too excessive for the Developer, the Developer may declare this Agreement null and void by giving written notice thereof to the City within thirty (30) days after the expiration of the Inspection Period, whereupon the City shall return the Earnest Money and Performance Deposit to the Developer. The Developer agrees that it will not exercise its right to terminate this Agreement until the City has reviewed all reports concerning the condition of the Property and the parties have had an opportunity to try to resolve the issue. If the Developer elects not to terminate this Agreement pursuant to this Section 18, Developer shall be deemed satisfied with the condition of the Property.

If, after the Closing, the environmental condition of the Property is not in all respects entirely suitable for its intended use, it shall be the Developer's sole responsibility and obligation to take such action as is necessary to put the Property in a condition which is suitable for its intended use. The Developer hereby waives, releases and indemnifies the City from any claims and liabilities relating to or arising from the environmental condition of the Property, including, without limitation, claims arising under the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended ("CERCLA"), and shall undertake and discharge all liabilities of the City arising from any environmental condition which existed on the Property prior to the Closing, including, without limitation, liabilities arising under CERCLA. The provisions of this paragraph shall survive the Closing or any termination of this Agreement (regardless of the reason for such termination).

The Developer hereby acknowledges that, in purchasing the Property, Developer is relying solely upon its environmental due diligence activities and not upon any information (including, without limitation, environmental studies or reports of any kind) provided by or on behalf of the City or its agents or employees with respect thereto.

SECTION 19. DEVELOPER'S EMPLOYMENT OBLIGATIONS.

A. **Employment Opportunity.** The Developer agrees, and shall contractually obligate its various contractors, subcontractors and any affiliate of the Developer operating on the Property (collectively, the "Employers" and individually, an "Employer") to agree that with respect to the provision of services in connection with the construction of the Improvements or occupation of the Property during the construction period:

- (i) Neither the Developer nor any Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Section 2-160-010 et seq. of the Municipal Code of Chicago, as amended from time to time (the "Human Rights Ordinance"). The Developer and each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military

discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including, without limitation: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Developer and each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Developer and each Employer, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

- (ii) To the greatest extent feasible, the Developer and each Employer shall present opportunities for training and employment of low and moderate income residents of the City, and provide that contracts for work in connection with the construction of the Improvements be awarded to business concerns which are located in, or owned in substantial part by persons residing in, the City.
- (iii) The Developer and each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including, without limitation, the Human Rights Ordinance, and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.
- (iv) The Developer, in order to demonstrate compliance with the terms of this Section, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.
- (v) The Developer and each Employer shall include the foregoing provisions of subparagraphs (i) through (iv) in every contract entered into in connection with the construction of the Improvements, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or affiliate, as the case may be.
- (vi) Failure to comply with the employment obligations described in this Section 19.A. shall be a basis for the City to pursue remedies under the provisions of Section 15.

B. City Resident Employment Requirement. The Developer agrees, and shall contractually obligate each Employer to agree, that during the construction of the Improvements, it and they shall comply with the minimum percentage of total worker hours performed by actual residents of the City of Chicago as specified in Section 3-92-330 of the Municipal Code of Chicago (at least fifty percent of the total worker hours worked by persons on the construction of the Improvements shall be performed by actual residents of the City of Chicago); provided, however, that in addition to complying with this percentage, the Developer and each Employer shall be required to make good faith efforts to utilize qualified residents of the City of Chicago in both unskilled and skilled labor positions.

The Developer and the Employers may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the Purchasing Agent of the City of Chicago.

“Actual residents of the City of Chicago” shall mean persons domiciled within the City of Chicago. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

The Developer and the Employers shall provide for the maintenance of adequate employee residency records to ensure that actual Chicago residents are employed on the construction of the Improvements. The Developer and the Employers shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) shall be submitted to the Commissioner of the City of Chicago Department of Housing (“DOH”) in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the company hired the employee should be written in after the employee's name.

The Developer and the Employers shall provide full access to their employment records to the Chief Procurement Officer, the Commissioner of DOH, the Superintendent of the Chicago Police Department, the Inspector General, or any duly authorized representative thereof. The Developer and the Employers shall maintain all relevant personnel data and records for a period of at least three (3) years from and after the issuance of the Final Certificate of Completion.

At the direction of DOH, the Developer and the Employers shall provide affidavits and other supporting documentation to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

Good faith efforts on the part of the Developer and the Employers to provide work for actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the

standards and procedures developed by the Chief Procurement Officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section concerning the worker hours performed by actual Chicago residents.

If the City determines that the Developer or an Employer failed to ensure the fulfillment of the requirements of this Section concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section. If such non-compliance is not remedied in accordance with the breach and cure provisions of Section 15.C., the parties agree that 1/20 of 1 percent (.05%) of the aggregate hard construction costs set forth in the Budget shall be surrendered by the Developer and for the Employers to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer and/or the other Employers or employees to prosecution.

Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement.

The Developer shall cause or require the provisions of this Section 19.B. to be included in all construction contracts and subcontracts related to the construction of the Improvements.

C. Developer's MBE/WBE Commitment. The Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the general contractor to agree that during the construction of the Project:

- (i) Consistent with the findings which support, as applicable, (a) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code of Chicago (the "Procurement Program"), and (b) the Minority and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code of Chicago (the "Construction Program," and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 19.C., during the course of the Project, the following percentages of the MBE/WBE Budget (as set forth in Exhibit G hereto) shall be expended for contract participation by minority-owned businesses ("MBEs") and by women-owned businesses ("WBEs"): (1) At least 24% by MBEs; and (2) At least 4% by WBEs.

- (ii) For purposes of this Section 19.C. only:
- (a) The Developer (and any party to whom a contract is let by the Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by the Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code of Chicago, as applicable.
 - (b) The term "minority-owned business" or "MBE" shall mean a business identified in the Directory of Certified Minority Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a minority-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.
 - (c) The term "women-owned business" or "WBE" shall mean a business identified in the Directory of Certified Women Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a women-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.
- (iii) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code of Chicago, the Developer's MBE/WBE commitment may be achieved in part by the Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (a) the MBE or WBE participation in such joint venture, or (b) the amount of any actual work performed on the Project by the MBE or WBE); by the Developer utilizing a MBE or a WBE as the general contractor (but only to the extent of any actual work performed on the Project by the general contractor); by subcontracting or causing the general contractor to subcontract a portion of the construction of the Project to one or more MBEs or WBEs; by the purchase of materials or services used in the construction of the Project from one or more MBEs or WBEs; or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer's MBE/WBE commitment as described in this Section 19.C. In accordance with Section 2-92-730, Municipal Code of Chicago, the Developer shall not substitute any MBE or WBE general contractor or subcontractor without the prior written approval of DPD.

- (iv) The Developer shall deliver quarterly reports to the City's monitoring staff during the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by the Developer or the general contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining the Developer's compliance with this MBE/WBE commitment. The Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the Project for at least five years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by the Developer, on five business days notice, to allow the City to review the Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the Project.
- (v) Upon the disqualification of any MBE or WBE general contractor or subcontractor, if such status was misrepresented by the disqualified party, the Developer shall be obligated to discharge or cause to be discharged the disqualified general contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (v), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code of Chicago, as applicable.
- (vi) Any reduction or waiver of the Developer's MBE/WBE commitment as described in this Section 19.C. shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code of Chicago, as applicable.
- (vii) Prior to the commencement of the Project, the Developer shall meet with the City's monitoring staff with regard to the Developer's compliance with its obligations under this Section 19.C. The general contractor and all major subcontractors shall be required to attend this pre-construction meeting. During said meeting, the Developer shall demonstrate to the City's monitoring staff its plan to achieve its obligations under this Section 19.C., the sufficiency of which shall be approved by the City's monitoring staff. During the Project, the Developer shall submit the documentation required by this Section 19.C. to the City's monitoring staff, including the following:
 - (a) MBE/WBE utilization plan and record;
 - (b) subcontractor's activity report;
 - (c) contractor's certification concerning labor standards and prevailing wage requirements;
 - (d) contractor letter of understanding;
 - (e) monthly utilization report;
 - (f) authorization for payroll agent;
 - (g) certified payroll;
 - (h) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and

hearings; and (i) evidence of compliance with job creation requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that the Developer is not complying with its obligations under this Section 19.C., shall, upon the delivery of written notice to the Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (1) issue a written demand to the Developer to halt the Project, (2) withhold any further payment of any city funds to the Developer or the general contractor, or (3) seek any other remedies against the Developer available at law or in equity.

SECTION 20. PROVISIONS NOT MERGED WITH DEED.

The provisions of this Agreement shall not be merged with the Deed, and the delivery of the Deed shall not be deemed to affect or impair the provisions of this Agreement.

SECTION 32. PROHIBITION ON CERTAIN CONTRIBUTIONS - MAYORAL EXECUTIVE ORDER NO. 05-1.

Consistent with the intent of Mayoral Executive Order No. 05-1, compliance with the substance of which is intended by this Section 32, the Developer hereby agrees that the Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in the Developer of more than 7.5 percent, the General Partner or Managing Member, any person or entity who directly or indirectly has an ownership or beneficial interest in the General Partner or Managing Member of more than 7.5 percent, Owner, any person or entity who directly or indirectly has an ownership, beneficial or other controlling interest in Owner of more than 7.5 percent (collectively, "Controlling Owners"), spouses and domestic partners of such Controlling Owners, (collectively, all the preceding classes of persons and entities are hereinafter referred to as the "Ownership Parties") shall not make a contribution of any amount to the Mayor of the City ("Mayor") or to his political fundraising committee (i) after execution of this Agreement by the Developer, and (ii) while

this Agreement or any Other Contract is executory, (iii) during the term of this Agreement or any Other Contract between the Developer and the City, or (iv) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

The Developer hereby agrees to require that the General Contractor, any person or entity who directly or indirectly has an ownership or beneficial interest in the General Contractor of more than 7.5 percent, any Subcontractor, any person or entity who directly or indirectly has an ownership or beneficial interest in any Subcontractor of more than 7.5 percent (collectively, "Interested Parties"), and spouses and domestic partners of such Interested Parties (collectively, all the preceding classes of persons and entities are hereinafter referred to, together with the Ownership Parties, as the "Identified Parties") shall not make a contribution of any amount to the Mayor or to his political fundraising committee (i) after execution of this Agreement by the Developer, and (ii) while the Construction Contract or any Subcontract is executory, (iii) during the term of the Construction Contract or any Subcontract, or (iv) during any period while an extension of the Construction Contract or any Subcontract is being sought or negotiated.

The Developer shall impose the restrictions of this Section 32 in the Construction Contract and shall specifically require the General Contractor to impose the restrictions of this Section 32 in all Subcontracts.

The Developer agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 05-1 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, and under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

"Bundle" means to collect contributions from more than one source that are then delivered by one person to the Mayor or to his political fundraising committee.

"Other Contract" means any other agreement with the City to which the Developer is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council.

Individuals are **"Domestic Partners"** if they satisfy the following criteria:

- (A) they are each other's sole domestic partner, responsible for each other's common welfare; and
- (B) neither party is married; and
- (C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and
- (D) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
- (E) two of the following four conditions exist for the partners:
 - 1. The partners have been residing together for at least 12 months.
 - 2. The partners have common or joint ownership of a residence.
 - 3. The partners have at least two of the following arrangements:
 - a. joint ownership of a motor vehicle;
 - b. a joint credit account;
 - c. a joint checking account;
 - d. a lease for a residence identifying both domestic partners as tenants.
 - 4. Each partner identifies the other partner as a primary beneficiary in a will.

"Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

SECTION 33. WASTE ORDINANCE PROVISIONS.

In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, the Developer warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of the following sections of the Code (collectively, the "Waste Sections"):

- 7-28-390 Dumping on public way;
- 7-28-440 Dumping on real estate without permit;
- 11-4-1410 Disposal in waters prohibited;
- 11-4-1420 Ballast tank, bilge tank or other discharge;
- 11-4-1450 Gas manufacturing residue;
- 11-4-1500 Treatment and disposal of solid or liquid waste;
- 11-4-1530 Compliance with rules and regulations required;
- 11-4-1550 Operational requirements; and
- 11-4-1560 Screening requirements.

During the period while this Agreement is executory, Developer's, general contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole discretion of the Chief Procurement Officer. Such breach and default entitles the City to all remedies under the Agreement, at law or in equity.

This section does not limit the Developer, general contractor's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Agreement.

Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Agreement, and may further affect the Developer's eligibility for future contract awards.

SECTION 34. GOVERNING LAW.

This Agreement shall be governed by and construed in accordance with the laws of the State of Illinois.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed on or as of the date first above written.

SECTION 7. LIMITED APPLICABILITY.

DPD's approval of the Drawings is for the purposes of this Agreement only and does not constitute the approval required by the City's Department of Construction and Permits ("DCAP") or the Department of Transportation ("CDOT") or any other City department; nor does the approval by DPD pursuant to this Agreement constitute an approval of the quality, structural soundness or safety of any improvements located or to be located on the Property. DPD's approval shall be only for the benefit of the Developer and any lienholder authorized by this Agreement.

SECTION 8. COMMENCEMENT AND COMPLETION OF IMPROVEMENTS.

The Closing shall not occur unless and until the Developer is prepared to commence construction of the Improvements within a reasonable time. In no instance shall (a) construction commence later than December 31, 2006, or (b) construction be completed later than December 31, 2007. DPD shall have discretion to extend the dates in (a) and (b) by up to six (6) months each (i.e., no more than twelve (12) months in the aggregate) by issuing a written extension letter. The Developer shall give written notice to the City within five (5) days after it commences construction. The Improvements shall be constructed in accordance with the Drawings and all applicable laws (including, without limitation, Chapters 7-28 and 11-4 of the Municipal Code), regulations, codes, and recorded encumbrances and restrictions. Notwithstanding the foregoing, the Commissioner of DPD shall have the right to unilaterally extend the dates contained herein.

SECTION 9. CERTIFICATE OF COMPLETION.

The Developer shall request from the City a certificate of completion ("Certificate of Completion") upon the completion of the Improvements in accordance with this Agreement. Recordation of the Certificate of Completion shall constitute a conclusive determination of satisfaction and termination of the covenants in this Agreement and the Deed with respect to the Developer's obligations to construct the Improvements. Within forty-five (45) days after receipt of a written request from the Developer for a Certificate of Completion, the City shall provide the Developer with either the Certificate of Completion or a written statement indicating in adequate detail how the Developer has failed to complete the Improvements in compliance with the Plan or this Agreement, or is otherwise in default, and what measures or acts are necessary, in the sole opinion of the City, for the Developer to take or perform in order to obtain the Certificate of Completion. If the City requires additional measures or acts to assure compliance, the Developer shall resubmit a written request for the Certificate of Completion upon compliance with the City's response. The Certificate of Completion shall be in recordable form.

SECTION 10. RESTRICTIONS ON USE.

The Developer agrees that it:

- A. Shall devote the Property to a use which complies with the Plan until July 8, 2021 .
- B. Shall not discriminate based upon race, color, religion, sex, national origin or ancestry, military status, sexual orientation, source of income, age, handicap, in the sale, lease, rental, use or occupancy of the Property or any improvements located or to be erected thereon. This covenant shall have no expiration date.

SECTION 11. PROHIBITION AGAINST TRANSFER OF PROPERTY.

Prior to the issuance of the Certificate of Completion, the Developer may not, without the prior written consent of DPD, which consent shall be in DPD's sole discretion: (a) directly or indirectly sell or convey the Property or any part thereof or any interest therein or the Developer's controlling interests therein; or (b) directly or indirectly assign this Agreement. If the Developer is a business entity, no principal party of the Developer (e.g., a general partner, member, manager or shareholder) may sell, transfer or assign any of its interest in the Developer prior to the issuance of the Certificate of Completion to anyone other than another principal party of the Developer without the prior written consent of DPD, which consent shall be in DPD's sole discretion. The Developer must disclose the identity of all members to the City at the time such members obtain an interest in the Developer. In the event of a proposed sale, the Developer shall provide DPD copies of any and all sales contracts, legal descriptions, descriptions of intended use, certifications from the proposed buyer regarding this Agreement and such other information as the City may reasonably request. The proposed buyer must be qualified to do business with the City (including, without limitation, the anti-scofflaw requirement).

SECTION 12. LIMITATION UPON ENCUMBRANCE OF PROPERTY.

Prior to the issuance of the Certificate of Completion, the Developer shall not, without DPD's prior written consent, which shall be in DPD's sole discretion, engage in any financing or other transaction which creates an encumbrance or lien on the Property, except for the initial construction financing approved by DPD pursuant to Section 5.

SECTION 13. MORTGAGEES NOT OBLIGATED TO CONSTRUCT.

Notwithstanding any other provision of this Agreement or of the Deed, the holder of any mortgage on the Property authorized by Section 12 of this Agreement shall not itself be obligated to construct or complete the Improvements but shall be bound by the covenants running with the land specified in Section 14 and, at Closing, shall execute a subordination agreement to such effect. If any such mortgagee succeeds to the Developer's interest in the Property prior to issuance of a Certificate of Completion, whether by foreclosure, deed-in-lieu of foreclosure or otherwise, and thereafter transfers its interest in the Property to another party, such transferee shall be obligated to complete the Improvements, and shall also be bound by the other covenants running with the land specified in Section 14.

SECTION 14. COVENANTS RUNNING WITH THE LAND.

The parties agree, and the Deed shall so expressly provide, that the covenants provided in Sections 8, 10, 11 and 12 will be covenants running with the land, binding on the Developer and its successors and assigns (subject to the limitation set forth in Section 13 above as to any permitted mortgagee) to the fullest extent permitted by law and equity for the benefit and in favor of the City, and shall be enforceable by the City. The covenants provided in Sections 8, 11 and 12 shall terminate upon the issuance of the Certificate of Completion. The covenants provided in Section 10 shall expire as set forth therein.

SECTION 15. PERFORMANCE AND BREACH.

A. Time of the Essence. Time is of the essence in the Developer's performance of its obligations under this Agreement.

B. Permitted Delays. The Developer shall not be considered in breach of its obligations under this Agreement in the event of a delay due to unforeseeable causes beyond the Developer's control and without the Developer's fault or negligence, including, without limitation, acts of God, acts of the public enemy, acts of the United States government, fires, floods, epidemics, quarantine restrictions, strikes, embargoes and unusually severe weather or delays of subcontractors due to such causes. The time for the performance of the obligations shall be extended only for the period of the delay and only if the Developer requests an extension in writing within twenty (20) days after the beginning of any such delay.

C. Cure. If the Developer defaults in the performance of its obligations under this Agreement, the Developer shall have sixty (60) days after written notice of default from the City to cure the default, or such longer period as shall be reasonably necessary to cure such default provided the Developer promptly commences such cure and thereafter diligently pursues such cure to completion (so long as continuation of the default does not create material risk to the Project or to persons using the Project). If the default is not cured in the time period provided for herein, the City may institute such proceedings at law or in equity as may be necessary or desirable in its sole discretion to cure and remedy the default, including, without limitation, proceedings to compel specific performance. Notwithstanding the preceding two sentences, no notice or cure period shall apply to defaults under Sections 15.D.(iv), (vi) and (ix). Any default under Sections 15.D.(iv), (vi), and (ix) shall constitute an immediate "Event of Default" and shall entitle the City to terminate this Agreement and exercise such other remedies at law and at equity.

D. Default. The occurrence of any one or more of the following shall constitute an "Event of Default" under this Agreement:

- (i) The Developer fails to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations under this Agreement; or

- (ii) The Developer makes or furnishes a warranty, representation, statement or certification to the City (whether in this Agreement, an Economic Disclosure Form, or another document) which is not true and correct; or
- (iii) A petition is filed by or against the Developer under the Federal Bankruptcy Code or any similar state or federal law, whether now or hereafter existing, which is not vacated, stayed or set aside within thirty (30) days after filing; or
- (iv) The Developer abandons or substantially suspends construction of the Improvements; or
- (v) The Developer fails to timely pay real estate taxes or assessments affecting the Property or suffers or permits any levy or attachment, material suppliers' or mechanics' lien, or any other lien or encumbrance unauthorized by this Agreement to attach to the Property; or
- (vi) The Developer makes an assignment, pledge, unpermitted financing, encumbrance, transfer or other disposition in violation of this Agreement; or
- (vii) There is a change in Developer's financial condition or operations that would materially affect the Developer's ability to complete the Improvements; or
- (viii) The Developer fails to comply with the terms of any other written agreement entered into with the City with respect to the Project; or
- (ix) The Developer fails to close by the Outside Closing Date.

E. Prior to Closing. If an Event of Default occurs prior to the Closing, the City may terminate this Agreement and retain the Earnest Money and Performance Deposit.

F. After Closing. If an Event of Default occurs after the Closing, the City may exercise any and all remedies available to it at law or in equity, including, without limitation, the right to re-enter and take possession of the Property, terminate the estate conveyed to the Developer, and revert title to the Property in the City; provided, however, the reversion of title in the City shall be limited by, and shall not defeat, render invalid, or limit in any way, the lien of any mortgage authorized by this Agreement. Notwithstanding the foregoing, after the issuance of a Certificate of Completion, the City's right of reverter shall no longer be enforceable.

G. Resale of the Property. Upon the reversion in the City of title to the Property as provided in Section 15.F., the City shall employ its best efforts to convey the Property (subject to any first mortgage lien described in this Section 15) to a qualified and financially responsible party (reasonably acceptable to the first mortgagee) who shall assume the obligation of completing the

construction of the Improvements or such other improvements as shall be satisfactory to the City, and complying with the covenants that run with the land, as specified in Section 14.

H. Disposition of Resale Proceeds. If the City sells the Property as provided for in Section 15.G., the proceeds from the sale shall be utilized to reimburse the City for:

- (i) costs and expenses incurred by the City (including, without limitation, salaries of personnel) in connection with the recapture, management and resale of the Property (less any income derived by the City from the Property in connection with such management); and
- (ii) all unpaid taxes, assessments, and water and sewer charges assessed against the Property; and
- (iii) any payments made (including, without limitation, reasonable attorneys' fees and court costs) to discharge or prevent from attaching or being made any subsequent encumbrances or liens due to obligations, defaults or acts of the Developer; and
- (iv) any expenditures made or obligations incurred by the City with respect to construction or maintenance of the Improvements; and
- (v) the fair market value of the land comprising the Property (without any Improvements or partially constructed Improvements thereon) as determined by such sale, less the Purchase Price previously paid to the City on the Closing Date;
- (vi) any other amounts owed to the City by the Developer.

The Developer shall be entitled to receive any remaining proceeds up to the amount of the Developer's equity investment in the Property.

In addition to, and without in any way limiting the City's rights under this Section 15, the City shall have the right to retain the Performance Deposit in the event of a default by the Developer.

I. Waiver and Estoppel. Any delay by the City in instituting or prosecuting any actions or proceedings or otherwise asserting its rights shall not operate as a waiver of such rights or operate to deprive the City of or limit such rights in any way. No waiver made by the City with respect to any specific default by the Developer shall be construed, considered or treated as a waiver of the rights of the City with respect to any other defaults of the Developer.

SECTION 16. CONFLICT OF INTEREST; CITY'S REPRESENTATIVES NOT INDIVIDUALLY LIABLE.

The Developer warrants that no agent, official or employee of the City shall have any personal interest, direct or indirect, in this Agreement or the Property, nor shall any such agent, official or employee participate in any decision relating to this Agreement which affects his or her personal interests or the interests of any entity or association in which he or she is directly or indirectly interested. No agent, official or employee of the City shall be personally liable to the Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to the Developer or successor or on any obligation under the terms of this Agreement.

SECTION 17. INDEMNIFICATION.

The Developer agrees to indemnify, defend and hold the City harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, reasonable attorneys' fees and court costs) suffered or incurred by the City arising from or in connection with: (a) the failure of the Developer to perform its obligations under this Agreement; (b) the failure of the Developer or any contractor to pay contractors, subcontractors or material suppliers in connection with the construction of the Improvements; (c) any material misrepresentation or omission made by the Developer or agents, employees, contractors or other persons acting under the control or at the request of Developer; (d) the failure of the Developer to redress any misrepresentations or omissions in this Agreement or any other agreement relating hereto; and (e) any activity undertaken by the Developer on the Property prior to or after the Closing. This indemnification shall survive the Closing or any termination of this Agreement (regardless of the reason for such termination).

SECTION 18. ENVIRONMENTAL MATTERS.

A. "As Is" Sale. The City makes no covenant, representation or warranty as to the environmental condition of the Property or the suitability of the Property for any purpose whatsoever, and the Developer agrees to accept the Property "as is."

B. Right of Entry. It shall be the responsibility of the Developer, at its sole cost and expense, to investigate and determine the soil and environmental condition of the Property. The Developer shall have the right to request a right of entry for the purpose of conducting environmental tests on the Property. If the Developer makes such a request within thirty (30) days after the date of this Agreement, the City shall grant the Developer the right to enter the Property for a period of thirty (30) days (the "Inspection Period") pursuant to a Right of Entry Agreement in form and substance acceptable to the City. The granting of the right of entry shall be contingent upon the Developer obtaining all necessary permits and the following types and amounts of insurance: (i) commercial general liability insurance with a combined single limit of not less than \$1,000,000.00 per occurrence

for bodily injury, personal injury and property damage liability with the City named as an additional insured; (ii) automobile liability insurance with a combined single limit of not less than \$1,000,000.00 per occurrence for bodily injury and property damage; and (iii) worker's compensation and occupational disease insurance in statutory amounts covering all employees and agents who are to do any work on the Property. All insurance policies shall be from insurance companies authorized to do business in the State of Illinois, and shall remain in effect until completion of all environmental testing activity on the Property. The Developer shall deliver duplicate policies or certificates of insurance to the City prior to commencing any activity on the Property. The Developer expressly understands and agrees that any coverage and limits furnished by the Developer shall in no way limit the Developer's liabilities and responsibilities set forth in this Agreement.

The Developer agrees to carefully inspect the Property prior to the commencement of any activity on the Property to make sure that such activity shall not damage surrounding property, structures, utility lines or any subsurface lines or cables. The Developer shall be solely responsible for the safety and protection of the public. The City reserves the right to inspect any work being done on the Property. The Developer's activities on the Property shall be limited to those reasonably necessary to perform the environmental testing. Upon completion of the work, the Developer agrees to restore the Property to its original condition. The Developer shall keep the Property free from any and all liens and encumbrances arising out of any work performed, materials supplied or obligations incurred by or for the Developer, and agrees to indemnify and hold the City harmless against any such liens. The foregoing indemnification shall survive the Closing or any termination of this Agreement (regardless of the reason for such termination).

The Developer agrees to deliver to the City a copy of each report prepared by or for the Developer regarding the environmental condition of the Property within fourteen (14) days after receipt. If, prior to the Closing, the Developer's environmental consultant determines that contamination exists on the Property to such an extent that the parties agree that the estimated cost of remediation (such estimated cost being determined by the consultant) is too excessive for the Developer, the Developer may declare this Agreement null and void by giving written notice thereof to the City within thirty (30) days after the expiration of the Inspection Period. In such event, the City shall return the Performance Deposit to the Developer. The Developer agrees that it will not exercise its right to terminate this Agreement until the City has reviewed all reports concerning the condition of the Property and the parties have had an opportunity to try to resolve the issue. If the Developer elects not to terminate this Agreement pursuant to this Section 18, Developer shall be deemed satisfied with the condition of the Property.

If, after the Closing, the environmental condition of the Property is not in all respects entirely suitable for its intended use, it shall be the Developer's sole responsibility and obligation to take such action as is necessary to put the Property in a condition which is suitable for its intended use. The Developer hereby waives, releases and indemnifies the City from any claims and liabilities relating to or arising from the environmental condition of the Property, including, without limitation, claims

arising under the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended ("CERCLA"), and shall undertake and discharge all liabilities of the City arising from any environmental condition which existed on the Property prior to the Closing, including, without limitation, liabilities arising under CERCLA. The provisions of this paragraph shall survive the Closing or any termination of this Agreement (regardless of the reason for such termination).

The Developer hereby acknowledges that, in purchasing the Property, Developer is relying solely upon its environmental due diligence activities and not upon any information (including, without limitation, environmental studies or reports of any kind) provided by or on behalf of the City or its agents or employees with respect thereto.

SECTION 19. DEVELOPER'S EMPLOYMENT OBLIGATIONS.

A. **Employment Opportunity.** The Developer agrees, and shall contractually obligate its various contractors, subcontractors and any affiliate of the Developer operating on the Property (collectively, the "Employers" and individually, an "Employer") to agree that with respect to the provision of services in connection with the construction of the Improvements or occupation of the Property during the construction period:

- (i) Neither the Developer nor any Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Section 2-160-010 et seq. of the Municipal Code of Chicago, as amended from time to time (the "Human Rights Ordinance"). The Developer and each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including, without limitation: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Developer and each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Developer and each Employer, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

- (ii) To the greatest extent feasible, the Developer and each Employer shall present opportunities for training and employment of low and moderate income residents of the City, and provide that contracts for work in connection with the construction of the Improvements be awarded to business concerns which are located in, or owned in substantial part by persons residing in, the City.
- (iii) The Developer and each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including, without limitation, the Human Rights Ordinance, and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.
- (iv) The Developer, in order to demonstrate compliance with the terms of this Section, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.
- (v) The Developer and each Employer shall include the foregoing provisions of subparagraphs (i) through (iv) in every contract entered into in connection with the construction of the Improvements, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or affiliate, as the case may be.
- (vi) Failure to comply with the employment obligations described in this Section 19.A. shall be a basis for the City to pursue remedies under the provisions of Section 15.

B. City Resident Employment Requirement. The Developer agrees, and shall contractually obligate each Employer to agree, that during the construction of the Improvements, it and they shall comply with the minimum percentage of total worker hours performed by actual residents of the City of Chicago as specified in Section 3-92-330 of the Municipal Code of Chicago (at least fifty percent of the total worker hours worked by persons on the construction of the Improvements shall be performed by actual residents of the City of Chicago); provided, however, that in addition to complying with this percentage, the Developer and each Employer shall be required to make good faith efforts to utilize qualified residents of the City of Chicago in both unskilled and skilled labor positions.

The Developer and the Employers may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the Purchasing Agent of the City of Chicago.

“Actual residents of the City of Chicago” shall mean persons domiciled within the City of Chicago. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

The Developer and the Employers shall provide for the maintenance of adequate employee residency records to ensure that actual Chicago residents are employed on the construction of the Improvements. The Developer and the Employers shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

Quarterly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) shall be submitted to the Commissioner of the City of Chicago Department of Housing (“DOH”) in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the company hired the employee should be written in after the employee's name.

The Developer and the Employers shall provide full access to their employment records to the Chief Procurement Officer, the Commissioner of DOH, the Superintendent of the Chicago Police Department, the Inspector General, or any duly authorized representative thereof. The Developer and the Employers shall maintain all relevant personnel data and records for a period of at least three (3) years from and after the issuance of the Certificate of Completion.

At the direction of DOH, the Developer and the Employers shall provide affidavits and other supporting documentation to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

Good faith efforts on the part of the Developer and the Employers to provide work for actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section concerning the worker hours performed by actual Chicago residents.

If the City determines that the Developer or an Employer failed to ensure the fulfillment of the requirements of this Section concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section. If such non-compliance is not remedied in accordance with the breach and cure provisions of Section 15.C., the parties agree that 1/20 of 1 percent (.05%) of the aggregate hard construction costs set forth in the Budget shall be surrendered by the Developer and for the Employers to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer and/or the other Employers or employees to prosecution.

Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement.

The Developer shall cause or require the provisions of this Section 19.B. to be included in all construction contracts and subcontracts related to the construction of the Improvements.

C. Developer's MBE/WBE Commitment. The Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the general contractor to agree that during the construction of the Project:

- (i) Consistent with the findings which support, as applicable, (a) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code of Chicago (the "Procurement Program"), and (b) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code of Chicago (the "Construction Program," and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 19.C., during the course of the Project, the following percentages of the MBE/WBE Budget (as set forth in Exhibit E hereto shall be expended for contract participation by minority-owned businesses ("MBEs") and by women-owned businesses ("WBEs"): (1) At least 24% by MBEs; and (2) At least 4% by WBEs.
- (ii) For purposes of this Section 19.C. only:
 - (a) The Developer (and any party to whom a contract is let by the Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by the Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code of Chicago, as applicable.
 - (b) The term "minority-owned business" or "MBE" shall mean a business identified in the Directory of Certified Minority Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a minority-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

- (c) The term "women-owned business" or "WBE" shall mean a business identified in the Directory of Certified Women Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a women-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.
- (iii) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code of Chicago, the Developer's MBE/WBE commitment may be achieved in part by the Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (a) the MBE or WBE participation in such joint venture, or (b) the amount of any actual work performed on the Project by the MBE or WBE); by the Developer utilizing a MBE or a WBE as the general contractor (but only to the extent of any actual work performed on the Project by the general contractor); by subcontracting or causing the general contractor to subcontract a portion of the construction of the Project to one or more MBEs or WBEs; by the purchase of materials or services used in the construction of the Project from one or more MBEs or WBEs; or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer's MBE/WBE commitment as described in this Section 19.C. In accordance with Section 2-92-730, Municipal Code of Chicago, the Developer shall not substitute any MBE or WBE general contractor or subcontractor without the prior written approval of DPD.
- (iv) The Developer shall deliver quarterly reports to the City's monitoring staff during the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by the Developer or the general contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining the Developer's compliance with this MBE/WBE commitment. The Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the Project for at least five years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by the Developer, on five business days notice, to allow the City to review the Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the Project.

- (v) Upon the disqualification of any MBE or WBE general contractor or subcontractor, if such status was misrepresented by the disqualified party, the Developer shall be obligated to discharge or cause to be discharged the disqualified general contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (v), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code of Chicago, as applicable.
- (vi) Any reduction or waiver of the Developer's MBE/WBE commitment as described in this Section 19.C. shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code of Chicago, as applicable.
- (vii) Prior to the commencement of the Project, the Developer shall meet with the City's monitoring staff with regard to the Developer's compliance with its obligations under this Section 19.C. The general contractor and all major subcontractors shall be required to attend this pre-construction meeting. During said meeting, the Developer shall demonstrate to the City's monitoring staff its plan to achieve its obligations under this Section 19.C., the sufficiency of which shall be approved by the City's monitoring staff. During the Project, the Developer shall submit the documentation required by this Section 19.C. to the City's monitoring staff, including the following:
 - (a) MBE/WBE utilization plan and record;
 - (b) subcontractor's activity report;
 - (c) contractor's certification concerning labor standards and prevailing wage requirements;
 - (d) contractor letter of understanding;
 - (e) monthly utilization report;
 - (f) authorization for payroll agent;
 - (g) certified payroll;
 - (h) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and
 - (i) evidence of compliance with job creation requirements.Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that the Developer is not complying with its obligations under this Section 19.C., shall, upon the delivery of written notice to the Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (1) issue a written demand to the Developer to halt the Project, (2) withhold any further payment of any city funds to the Developer or the general contractor, or (3) seek any other remedies against the Developer available at law or in equity.

SECTION 20. PROVISIONS NOT MERGED WITH DEED.

The provisions of this Agreement shall not be merged with the Deed, and the delivery of the Deed shall not be deemed to affect or impair the provisions of this Agreement.

Any notice, demand or communication given pursuant to either clause (a) or (b) hereof shall be deemed received upon such personal service or upon dispatch by electronic means, respectively, provided that such electronic dispatch is confirmed as having occurred prior to 5:00 p.m. on a business day. If such dispatch occurred after 5:00 p.m. on a business day or on a non-business day, it shall be deemed to have been given on the next business day. Any notice, demand or communication given pursuant to clause (c) shall be deemed received on the day immediately following deposit with the overnight courier. Any notice, demand or communication sent pursuant to clause (d) shall be deemed received three (3) business days after mailing. The parties, by notice given hereunder, may designate any further or different addresses to which subsequent notices, demands or communications shall be given.

SECTION 25. ORGANIZATION AND AUTHORITY.

The Developer represents and warrants that it is a duly organized and validly existing limited liability company under the laws of the State of Illinois, with full power and authority to acquire, own and redevelop the Property, and that the person signing this Agreement on behalf of the Developer has the authority to do so.

SECTION 26. SUCCESSORS AND ASSIGNS.

Except as otherwise provided in this Agreement, the terms and conditions of this Agreement shall apply to and bind the successors and assigns of the parties.

SECTION 27. RECORDATION OF AGREEMENT.

This Agreement shall be recorded at the Office of the Cook County Recorder of Deeds prior to or as part of the Closing. The Developer shall pay the recording fees.

SECTION 28. EXHIBITS.

All exhibits referred to herein and attached hereto shall be deemed part of this Agreement.

SECTION 29. COUNTERPARTS.

SECTION 31. BUSINESS RELATIONSHIPS.

SECTION 32. PROHIBITION ON CERTAIN CONTRIBUTIONS - MAYORAL EXECUTIVE ORDER NO. 05-1.

Consistent with the intent of Mayoral Executive Order No. 05-1, compliance with the substance of which is intended by this Section 32, the Developer hereby agrees that the Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in the Developer of more than 7.5 percent, the General Partner or Managing Member, any person or entity who directly or indirectly has an ownership or beneficial interest in the General Partner or Managing Member of more than 7.5 percent, Owner, any person or entity who directly or indirectly has an ownership, beneficial or other controlling interest in Owner of more than 7.5 percent (collectively, "Controlling Owners"), spouses and domestic partners of such Controlling Owners, (collectively, all the preceding classes of persons and entities are hereinafter referred to as the "Ownership Parties") shall not make a contribution of any amount to the Mayor of the City ("Mayor") or to his political fundraising committee (i) after execution of this Agreement by the Developer, and (ii) while

this Agreement or any Other Contract is executory, (iii) during the term of this Agreement or any Other Contract between the Developer and the City, or (iv) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

The Developer hereby agrees to require that the General Contractor, any person or entity who directly or indirectly has an ownership or beneficial interest in the General Contractor of more than 7.5 percent, any Subcontractor, any person or entity who directly or indirectly has an ownership or beneficial interest in any Subcontractor of more than 7.5 percent (collectively, "Interested Parties"), and spouses and domestic partners of such Interested Parties (collectively, all the preceding classes of persons and entities are hereinafter referred to, together with the Ownership Parties, as the "Identified Parties") shall not make a contribution of any amount to the Mayor or to his political fundraising committee (i) after execution of this Agreement by the Developer, and (ii) while the Construction Contract or any Subcontract is executory, (iii) during the term of the Construction Contract or any Subcontract, or (iv) during any period while an extension of the Construction Contract or any Subcontract is being sought or negotiated.

The Developer represents and warrants that as of the later of (i) February 10, 2005, or (ii) the date that the City approached the Developer, or the Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

The Developer agrees that it shall not and it shall require all other Identified Parties to not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

The Developer agrees that it must not and it shall require all other Identified Parties to not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 05-1 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 05-1. The Developer shall impose the restrictions of this Section 32 in the Construction Contract and shall specifically require the General Contractor to impose the restrictions of this Section 32 in all Subcontracts.

The Developer agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 05-1 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, and under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

For purposes of this provision:

“Bundle” means to collect contributions from more than one source that are then delivered by one person to the Mayor or to his political fundraising committee.

“Other Contract” means any other agreement with the City to which the Developer is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council.

“Contribution” means a “political contribution” as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are “Domestic Partners” if they satisfy the following criteria:

- (A) they are each other's sole domestic partner, responsible for each other's common welfare; and
- (B) neither party is married; and
- (C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and
- (D) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
- (E) two of the following four conditions exist for the partners:
 - 1. The partners have been residing together for at least 12 months.
 - 2. The partners have common or joint ownership of a residence.
 - 3. The partners have at least two of the following arrangements:
 - a. joint ownership of a motor vehicle;
 - b. a joint credit account;
 - c. a joint checking account;
 - d. a lease for a residence identifying both domestic partners as tenants.
 - 4. Each partner identifies the other partner as a primary beneficiary in a will.

“Political fundraising committee” means a “political fundraising committee” as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

SECTION 33. WASTE ORDINANCE PROVISIONS.

In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, the Developer warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of the following sections of the Code (collectively, the “Waste Sections”):

7-28-390 Dumping on public way;
7-28-440 Dumping on real estate without permit;
11-4-1410 Disposal in waters prohibited;
11-4-1420 Ballast tank, bilge tank or other discharge;
11-4-1450 Gas manufacturing residue;
11-4-1500 Treatment and disposal of solid or liquid waste;
11-4-1530 Compliance with rules and regulations required;
11-4-1550 Operational requirements; and
11-4-1560 Screening requirements.

During the period while this Agreement is executory, Developer's, general contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole discretion of the Chief Procurement Officer. Such breach and default entitles the City to all remedies under the Agreement, at law or in equity.

This section does not limit the Developer, general contractor's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Agreement.

Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Agreement, and may further affect the Developer's eligibility for future contract awards.

SECTION 34. GOVERNING LAW.

This Agreement shall be governed by and construed in accordance with the laws of the State of Illinois.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed on or as of the date first above written.

F. Survival. The provisions of this Section 6 shall survive the Closing.

SECTION 7. LIMITED APPLICABILITY.

DPD's approval of the Drawings is for the purposes of this Agreement only and does not constitute the approval required by the City's Department of Construction and Permits ("DCAP") or the Department of Transportation ("CDOT") or any other City department; nor does the approval by DPD pursuant to this Agreement constitute an approval of the quality, structural soundness or safety of any improvements located or to be located on the Property. DPD's approval shall be only for the benefit of the Developer and any lienholder authorized by this Agreement.

SECTION 8. COMMENCEMENT AND COMPLETION OF IMPROVEMENTS.

The Closing shall not occur unless and until the Developer is prepared to commence construction of the Improvements within a reasonable time. In no instance shall (a) construction

SECTION 9. CERTIFICATE OF COMPLETION.

The Developer shall request from the City a certificate of completion ("Certificate of Completion") upon the completion of the Improvements in accordance with this Agreement. Recordation of the Certificate of Completion shall constitute a conclusive determination of satisfaction and termination of the covenants in this Agreement and the Deed with respect to the Developer's obligations to construct the Improvements. Within forty-five (45) days after receipt of a written request from the Developer for a Certificate of Completion, the City shall provide the Developer with either the Certificate of Completion or a written statement indicating in adequate detail how the Developer has failed to complete the Improvements in compliance with the Plan or this Agreement, or is otherwise in default, and what measures or acts are necessary, in the sole opinion of the City, for the Developer to take or perform in order to obtain the Certificate of Completion. If the City requires additional measures or acts to assure compliance, the Developer shall resubmit a written request for the Certificate of Completion upon compliance with the City's response. The Certificate of Completion shall be in recordable form.

SECTION 10. RESTRICTIONS ON USE.

The Developer agrees that it:

- A. Shall devote the Property and the Developer Parcel to a use which complies with the Plan until July 8, 2021 .
- B. Shall not discriminate based upon race, color, religion, sex, national origin or ancestry, military status, sexual orientation, source of income, age, handicap, in the sale, lease, rental, use or occupancy of the Property or the Developer Parcel or any improvements located or to be erected thereon. This covenant shall have no expiration date.

SECTION 11. PROHIBITION AGAINST TRANSFER OF PROPERTY.

Prior to the issuance of the Certificate of Completion, the Developer may not, without the prior written consent of DPD, which consent shall be in DPD's sole discretion: (a) directly or indirectly sell or convey the Property, the Developer Parcel or any part thereof or any interest therein or the Developer's controlling interests therein; or (b) directly or indirectly assign this Agreement. If the Developer is a business entity, no principal party of the Developer (e.g., a general partner, member, manager or shareholder) may sell, transfer or assign any of its interest in the Developer

prior to the issuance of the Certificate of Completion to anyone other than another principal party of the Developer without the prior written consent of DPD, which consent shall be in DPD's sole discretion. The Developer must disclose the identity of all members to the City at the time such members obtain an interest in the Developer. In the event of a proposed sale, the Developer shall provide DPD copies of any and all sales contracts, legal descriptions, descriptions of intended use, certifications from the proposed buyer regarding this Agreement and such other information as the City may reasonably request. The proposed buyer must be qualified to do business with the City (including, without limitation, the anti-scofflaw requirement).

SECTION 12. LIMITATION UPON ENCUMBRANCE OF PROPERTY.

Prior to the issuance of the Certificate of Completion, the Developer shall not, without DPD's prior written consent, which shall be in DPD's sole discretion, engage in any financing or other transaction which creates an encumbrance or lien on the Property or the Developer Parcel, except for the initial construction financing approved by DPD pursuant to Section 5.

SECTION 13. MORTGAGEES NOT OBLIGATED TO CONSTRUCT.

Notwithstanding any other provision of this Agreement or of the Deed, the holder of any mortgage on the Property or the Developer Parcel authorized by Section 12 of this Agreement shall not itself be obligated to construct or complete the Improvements but shall be bound by the covenants running with the land specified in Section 14 and, at Closing, shall execute a subordination agreement to such effect. If any such mortgagee succeeds to the Developer's interest in the Property prior to issuance of a Certificate of Completion, whether by foreclosure, deed-in-lieu of foreclosure or otherwise, and thereafter transfers its interest in the Property or the Developer Parcel to another party, such transferee shall be obligated to complete the Improvements, and shall also be bound by the other covenants running with the land specified in Section 14.

SECTION 14. COVENANTS RUNNING WITH THE LAND.

The parties agree, and the Deed shall so expressly provide, that the covenants provided in Sections 8, 10, 11 and 12 will be covenants running with the land, binding on the Developer and its successors and assigns (subject to the limitation set forth in Section 13 above as to any permitted mortgagee) to the fullest extent permitted by law and equity for the benefit and in favor of the City, and shall be enforceable by the City. The covenants provided in Sections 8, 11 and 12 shall terminate upon the issuance of the Certificate of Completion. The covenants provided in Section 10 shall expire as set forth therein.

SECTION 15. PERFORMANCE AND BREACH.

A. Time of the Essence. Time is of the essence in the Developer's performance of its obligations under this Agreement.

B. Permitted Delays. The Developer shall not be considered in breach of its obligations under this Agreement in the event of a delay due to unforeseeable causes beyond the Developer's control and without the Developer's fault or negligence, including, without limitation, acts of God,

acts of the public enemy, acts of the United States government, fires, floods, epidemics, quarantine restrictions, strikes, embargoes and unusually severe weather or delays of subcontractors due to such causes. The time for the performance of the obligations shall be extended only for the period of the delay and only if the Developer requests an extension in writing within twenty (20) days after the beginning of any such delay.

C. Cure. If the Developer defaults in the performance of its obligations under this Agreement, the Developer shall have sixty (60) days after written notice of default from the City to cure the default, or such longer period as shall be reasonably necessary to cure such default provided the Developer promptly commences such cure and thereafter diligently pursues such cure to completion (so long as continuation of the default does not create material risk to the Project or to persons using the Project). If the default is not cured in the time period provided for herein, the City may institute such proceedings at law or in equity as may be necessary or desirable in its sole discretion to cure and remedy the default, including, without limitation, proceedings to compel specific performance. Notwithstanding the preceding two sentences, no notice or cure period shall apply to defaults under Sections 15.D.(iv), (vi) and (ix). Any default under Sections 15.D.(iv), (vi), and (ix) shall constitute an immediate "Event of Default" and shall entitle the City to terminate this Agreement and exercise such other remedies at law and at equity.

D. Default. The occurrence of any one or more of the following shall constitute an "Event of Default" under this Agreement:

- (i) The Developer fails to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations under this Agreement; or
- (ii) The Developer makes or furnishes a warranty, representation, statement or certification to the City (whether in this Agreement, an Economic Disclosure Form, or another document) which is not true and correct; or
- (iii) A petition is filed by or against the Developer under the Federal Bankruptcy Code or any similar state or federal law, whether now or hereafter existing, which is not vacated, stayed or set aside within thirty (30) days after filing; or
- (iv) The Developer abandons or substantially suspends construction of the Improvements; or
- (v) The Developer fails to timely pay real estate taxes or assessments affecting the Property or the Developer Parcel or suffers or permits any levy or attachment, material suppliers' or mechanics' lien, or any other lien or encumbrance unauthorized by this Agreement to attach to the Property or the Developer Parcel; or
- (vi) The Developer makes an assignment, pledge, unpermitted financing, encumbrance, transfer or other disposition in violation of this Agreement; or
- (vii) There is a change in Developer's financial condition or operations that would materially affect the Developer's ability to complete the Improvements; or

- (viii) The Developer fails to comply with the terms of any other written agreement entered into with the City with respect to the Project; or
- (ix) The Developer fails to close by the Outside Closing Date.

E. Prior to Closing. If an Event of Default occurs prior to the Closing, the City may terminate this Agreement and retain the Earnest Money and Performance Deposit.

F. After Closing. If an Event of Default occurs after the Closing, the City may exercise any and all remedies available to it at law or in equity, including, without limitation, the right to re-enter and take possession of the Property, terminate the estate conveyed to the Developer, and re-vest title to the Property in the City; provided, however, the re-vesting of title in the City shall be limited by, and shall not defeat, render invalid, or limit in any way, the lien of any mortgage authorized by this Agreement. Notwithstanding the foregoing, after the issuance of a Certificate of Completion, the City's right of reverter shall no longer be enforceable.

G. Resale of the Property. Upon the re-vesting in the City of title to the Property as provided in Section 15.F., the City shall employ its best efforts to convey the Property (subject to any first mortgage lien described in this Section 15) to a qualified and financially responsible party (reasonably acceptable to the first mortgagee) who shall assume the obligation of completing the construction of the Improvements or such other improvements as shall be satisfactory to the City, and complying with the covenants that run with the land, as specified in Section 14.

H. Disposition of Resale Proceeds. If the City sells the Property as provided for in Section 15.G., the proceeds from the sale shall be utilized to reimburse the City for:

- (i) costs and expenses incurred by the City (including, without limitation, salaries of personnel) in connection with the recapture, management and resale of the Property (less any income derived by the City from the Property in connection with such management); and
- (ii) all unpaid taxes, assessments, and water and sewer charges assessed against the Property; and
- (iii) any payments made (including, without limitation, reasonable attorneys' fees and court costs) to discharge or prevent from attaching or being made any subsequent encumbrances or liens due to obligations, defaults or acts of the Developer; and
- (iv) any expenditures made or obligations incurred by the City with respect to construction or maintenance of the Improvements; and
- (v) the fair market value of the land comprising the Property (without any Improvements or partially constructed Improvements thereon) as determined by such sale, less the Purchase Price previously paid to the City on the Closing Date;
- (vi) any other amounts owed to the City by the Developer.

The Developer shall be entitled to receive any remaining proceeds up to the amount of the Developer's equity investment in the Property.

In addition to, and without in any way limiting the City's rights under this Section 15, the City shall have the right to retain the Performance Deposit in the event of a default by the Developer.

I. Waiver and Estoppel. Any delay by the City in instituting or prosecuting any actions or proceedings or otherwise asserting its rights shall not operate as a waiver of such rights or operate to deprive the City of or limit such rights in any way. No waiver made by the City with respect to any specific default by the Developer shall be construed, considered or treated as a waiver of the rights of the City with respect to any other defaults of the Developer.

SECTION 16. CONFLICT OF INTEREST; CITY'S REPRESENTATIVES NOT INDIVIDUALLY LIABLE.

The Developer warrants that no agent, official or employee of the City shall have any personal interest, direct or indirect, in this Agreement or the Property or the Developer Parcel, nor shall any such agent, official or employee participate in any decision relating to this Agreement which affects his or her personal interests or the interests of any entity or association in which he or she is directly or indirectly interested. No agent, official or employee of the City shall be personally liable to the Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to the Developer or successor or on any obligation under the terms of this Agreement.

SECTION 17. INDEMNIFICATION.

The Developer agrees to indemnify, defend and hold the City harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, reasonable attorneys' fees and court costs) suffered or incurred by the City arising from or in connection with: (a) the failure of the Developer to perform its obligations under this Agreement; (b) the failure of the Developer or any contractor to pay contractors, subcontractors or material suppliers in connection with the construction of the Improvements; (c) any material misrepresentation or omission made by the Developer or agents, employees, contractors or other persons acting under the control or at the request of Developer; (d) the failure of the Developer to redress any misrepresentations or omissions in this Agreement or any other agreement relating hereto; and (e) any activity undertaken by the Developer on the Property or the Developer Parcel prior to or after the Closing. This indemnification shall survive the Closing or any termination of this Agreement (regardless of the reason for such termination).

SECTION 18. ENVIRONMENTAL MATTERS.

A. "As Is" Sale. The City makes no covenant, representation or warranty as to the environmental condition of the Property or the suitability of the Property for any purpose whatsoever, and the Developer agrees to accept the Property "as is."

B. Right of Entry. It shall be the responsibility of the Developer, at its sole cost and

expense, to investigate and determine the soil and environmental condition of the Property. The Developer shall have the right to request a right of entry for the purpose of conducting environmental tests on the Property. If the Developer makes such a request within thirty (30) days after the date of this Agreement, the City shall grant the Developer the right to enter the Property for a period of thirty (30) days (the "Inspection Period") pursuant to a Right of Entry Agreement in form and substance acceptable to the City. The granting of the right of entry shall be contingent upon the Developer obtaining all necessary permits and the following types and amounts of insurance: (i) commercial general liability insurance with a combined single limit of not less than \$1,000,000.00 per occurrence for bodily injury, personal injury and property damage liability with the City named as an additional insured; (ii) automobile liability insurance with a combined single limit of not less than \$1,000,000.00 per occurrence for bodily injury and property damage; and (iii) worker's compensation and occupational disease insurance in statutory amounts covering all employees and agents who are to do any work on the Property. All insurance policies shall be from insurance companies authorized to do business in the State of Illinois, and shall remain in effect until completion of all environmental testing activity on the Property. The Developer shall deliver duplicate policies or certificates of insurance to the City prior to commencing any activity on the Property. The Developer expressly understands and agrees that any coverage and limits furnished by the Developer shall in no way limit the Developer's liabilities and responsibilities set forth in this Agreement.

The Developer agrees to carefully inspect the Property prior to the commencement of any activity on the Property to make sure that such activity shall not damage surrounding property, structures, utility lines or any subsurface lines or cables. The Developer shall be solely responsible for the safety and protection of the public. The City reserves the right to inspect any work being done on the Property. The Developer's activities on the Property shall be limited to those reasonably necessary to perform the environmental testing. Upon completion of the work, the Developer agrees to restore the Property to its original condition. The Developer shall keep the Property free from any and all liens and encumbrances arising out of any work performed, materials supplied or obligations incurred by or for the Developer, and agrees to indemnify and hold the City harmless against any such liens. The foregoing indemnification shall survive the Closing or any termination of this Agreement (regardless of the reason for such termination).

The Developer agrees to deliver to the City a copy of each report prepared by or for the Developer regarding the environmental condition of the Property within fourteen (14) days after receipt. If, prior to the Closing, the Developer's environmental consultant determines that contamination exists on the Property to such an extent that the parties agree that the estimated cost of remediation (such estimated cost being determined by the consultant) is too excessive for the Developer, the Developer may declare this Agreement null and void by giving written notice thereof to the City within thirty (30) days after the expiration of the Inspection Period. In such event, the City shall return the Performance Deposit to the Developer. The Developer agrees that it will not exercise its right to terminate this Agreement until the City has reviewed all reports concerning the condition of the Property and the parties have had an opportunity to try to resolve the issue. If the Developer elects not to terminate this Agreement pursuant to this Section 18, Developer shall be deemed satisfied with the condition of the Property.

If, after the Closing, the environmental condition of the Property is not in all respects entirely

suitable for its intended use, it shall be the Developer's sole responsibility and obligation to take such action as is necessary to put the Property in a condition which is suitable for its intended use. The Developer hereby waives, releases and indemnifies the City from any claims and liabilities relating to or arising from the environmental condition of the Property, including, without limitation, claims arising under the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended ("CERCLA"), and shall undertake and discharge all liabilities of the City arising from any environmental condition which existed on the Property prior to the Closing, including, without limitation, liabilities arising under CERCLA. The provisions of this paragraph shall survive the Closing or any termination of this Agreement (regardless of the reason for such termination).

The Developer hereby acknowledges that, in purchasing the Property, Developer is relying solely upon its environmental due diligence activities and not upon any information (including, without limitation, environmental studies or reports of any kind) provided by or on behalf of the City or its agents or employees with respect thereto.

SECTION 19. DEVELOPER'S EMPLOYMENT OBLIGATIONS.

A. **Employment Opportunity.** The Developer agrees, and shall contractually obligate its various contractors, subcontractors and any affiliate of the Developer operating on the Property or the Developer Parcel (collectively, the "Employers" and individually, an "Employer") to agree that with respect to the provision of services in connection with the construction of the Improvements or occupation of the Property or the Developer Parcel during the construction period:

- (i) Neither the Developer nor any Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Section 2-160-010 et seq. of the Municipal Code of Chicago, as amended from time to time (the "Human Rights Ordinance"). The Developer and each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including, without limitation: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Developer and each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Developer and each Employer, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

- (ii) To the greatest extent feasible, the Developer and each Employer shall present opportunities for training and employment of low and moderate income residents of the City, and provide that contracts for work in connection with the construction of the Improvements be awarded to business concerns which are located in, or owned in substantial part by persons residing in, the City.
- (iii) The Developer and each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including, without limitation, the Human Rights Ordinance, and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.
- (iv) The Developer, in order to demonstrate compliance with the terms of this Section, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.
- (v) The Developer and each Employer shall include the foregoing provisions of subparagraphs (i) through (iv) in every contract entered into in connection with the construction of the Improvements, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any affiliate operating on the Property or the Developer Parcel, so that each such provision shall be binding upon each contractor, subcontractor or affiliate, as the case may be.
- (vi) Failure to comply with the employment obligations described in this Section 19.A. shall be a basis for the City to pursue remedies under the provisions of Section 15.

B. City Resident Employment Requirement. The Developer agrees, and shall contractually obligate each Employer to agree, that during the construction of the Improvements, it and they shall comply with the minimum percentage of total worker hours performed by actual residents of the City of Chicago as specified in Section 3-92-330 of the Municipal Code of Chicago (at least fifty percent of the total worker hours worked by persons on the construction of the Improvements shall be performed by actual residents of the City of Chicago); provided, however, that in addition to complying with this percentage, the Developer and each Employer shall be required to make good faith efforts to utilize qualified residents of the City of Chicago in both unskilled and skilled labor positions.

The Developer and the Employers may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the Purchasing Agent of the City of Chicago.

“Actual residents of the City of Chicago” shall mean persons domiciled within the City of Chicago. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

The Developer and the Employers shall provide for the maintenance of adequate employee residency records to ensure that actual Chicago residents are employed on the construction of the Improvements. The Developer and the Employers shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

Quarterly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) shall be submitted to the Commissioner of the City of Chicago Department of Housing ("DOH") in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the company hired the employee should be written in after the employee's name.

The Developer and the Employers shall provide full access to their employment records to the Chief Procurement Officer, the Commissioner of DOH, the Superintendent of the Chicago Police Department, the Inspector General, or any duly authorized representative thereof. The Developer and the Employers shall maintain all relevant personnel data and records for a period of at least three (3) years from and after the issuance of the Certificate of Completion.

At the direction of DOH, the Developer and the Employers shall provide affidavits and other supporting documentation to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

Good faith efforts on the part of the Developer and the Employers to provide work for actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section concerning the worker hours performed by actual Chicago residents.

If the City determines that the Developer or an Employer failed to ensure the fulfillment of the requirements of this Section concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section. If such non-compliance is not remedied in accordance with the breach and cure provisions of Section 15.C., the parties agree that 1/20 of 1 percent (.05%) of the aggregate hard construction costs set forth in the Budget shall be surrendered by the Developer and for the Employers to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer and/or the other Employers or employees to prosecution.

Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement.

The Developer shall cause or require the provisions of this Section 19.B. to be included in

all construction contracts and subcontracts related to the construction of the Improvements.

C. Developer's MBE/WBE Commitment. The Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the general contractor to agree that during the construction of the Project:

- (i) Consistent with the findings which support, as applicable, (a) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code of Chicago (the "Procurement Program"), and (b) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code of Chicago (the "Construction Program," and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 19.C., during the course of the Project, the following percentages of the MBE/WBE Budget (as set forth in Exhibit E hereto shall be expended for contract participation by minority-owned businesses ("MBEs") and by women-owned businesses ("WBEs")): (1) At least 24% by MBEs; and (2) At least 4% by WBEs.
- (ii) For purposes of this Section 19.C. only:
 - (a) The Developer (and any party to whom a contract is let by the Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by the Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code of Chicago, as applicable.
 - (b) The term "minority-owned business" or "MBE" shall mean a business identified in the Directory of Certified Minority Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a minority-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.
 - (c) The term "women-owned business" or "WBE" shall mean a business identified in the Directory of Certified Women Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a women-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.
- (iii) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code of Chicago, the Developer's MBE/WBE commitment may be achieved in part by the Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the Developer) or by a joint venture with one or more MBEs or WBEs

(but only to the extent of the lesser of (a) the MBE or WBE participation in such joint venture, or (b) the amount of any actual work performed on the Project by the MBE or WBE); by the Developer utilizing a MBE or a WBE as the general contractor (but only to the extent of any actual work performed on the Project by the general contractor); by subcontracting or causing the general contractor to subcontract a portion of the construction of the Project to one or more MBEs or WBEs; by the purchase of materials or services used in the construction of the Project from one or more MBEs or WBEs; or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer's MBE/WBE commitment as described in this Section 19.C. In accordance with Section 2-92-730, Municipal Code of Chicago, the Developer shall not substitute any MBE or WBE general contractor or subcontractor without the prior written approval of DPD.

- (iv) The Developer shall deliver quarterly reports to the City's monitoring staff during the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by the Developer or the general contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining the Developer's compliance with this MBE/WBE commitment. The Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the Project for at least five years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by the Developer, on five business days notice, to allow the City to review the Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the Project.
- (v) Upon the disqualification of any MBE or WBE general contractor or subcontractor, if such status was misrepresented by the disqualified party, the Developer shall be obligated to discharge or cause to be discharged the disqualified general contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (v), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code of Chicago, as applicable.
- (vi) Any reduction or waiver of the Developer's MBE/WBE commitment as described in this Section 19.C. shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code of Chicago, as applicable.
- (vii) Prior to the commencement of the Project, the Developer shall meet with the City's monitoring staff with regard to the Developer's compliance with its obligations under this Section 19.C. The general contractor and all major subcontractors shall be

required to attend this pre-construction meeting. During said meeting, the Developer shall demonstrate to the City's monitoring staff its plan to achieve its obligations under this Section 19.C., the sufficiency of which shall be approved by the City's monitoring staff. During the Project, the Developer shall submit the documentation required by this Section 19.C. to the City's monitoring staff, including the following: (a) MBE/WBE utilization plan and record; (b) subcontractor's activity report; (c) contractor's certification concerning labor standards and prevailing wage requirements; (d) contractor letter of understanding; (e) monthly utilization report; (f) authorization for payroll agent; (g) certified payroll; (h) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (i) evidence of compliance with job creation requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that the Developer is not complying with its obligations under this Section 19.C., shall, upon the delivery of written notice to the Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (1) issue a written demand to the Developer to halt the Project, (2) withhold any further payment of any city funds to the Developer or the general contractor, or (3) seek any other remedies against the Developer available at law or in equity.

The Developer hereby represents and warrants that, to the best

of its knowledge after due inquiry, no violation of Section 2-156- 030 (b) has occurred with respect to this Agreement or the transaction contemplated hereby.

SECTION 32. PROHIBITION ON CERTAIN CONTRIBUTIONS - MAYORAL EXECUTIVE ORDER NO. 05-1.

Consistent with the intent of Mayoral Executive Order No. 05-1, compliance with the substance of which is intended by this Section 32, the Developer hereby agrees that the Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in the Developer of more than 7.5 percent, the General Partner or Managing Member, any person or entity who directly or indirectly has an ownership or beneficial interest in the General Partner or Managing Member of more than 7.5 percent, Owner, any person or entity who directly or indirectly has an ownership, beneficial or other controlling interest in Owner of more than 7.5 percent (collectively, "Controlling Owners"), spouses and domestic partners of such Controlling Owners, (collectively, all the preceding classes of persons and entities are hereinafter referred to as the "Ownership Parties") shall not make a contribution of any amount to the Mayor of the City ("Mayor") or to his political fundraising committee (i) after execution of this Agreement by the Developer, and (ii) while this Agreement or any Other Contract is executory, (iii) during the term of this Agreement or any Other Contract between the Developer and the City, or (iv) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

The Developer hereby agrees to require that the General Contractor, any person or entity who directly or indirectly has an ownership or beneficial interest in the General Contractor of more than 7.5 percent, any Subcontractor, any person or entity who directly or indirectly has an ownership or beneficial interest in any Subcontractor of more than 7.5 percent (collectively, "Interested Parties"), and spouses and domestic partners of such Interested Parties (collectively, all the preceding classes of persons and entities are hereinafter referred to, together with the Ownership Parties, as the "Identified Parties") shall not make a contribution of any amount to the Mayor or to his political fundraising committee (i) after execution of this Agreement by the Developer, and (ii) while the Construction Contract or any Subcontract is executory, (iii) during the term of the Construction Contract or any Subcontract, or (iv) during any period while an extension of the Construction Contract or any Subcontract is being sought or negotiated.

The Developer represents and warrants that as of the later of (i) February 10, 2005, or (ii) the date that the City approached the Developer, or the Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

The Developer agrees that it shall not and it shall require all other Identified Parties to not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Executive Order No. 05-1 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 05-1. The Developer shall impose the restrictions of this Section 32 in the Construction Contract and shall specifically require the General Contractor to impose the restrictions of this Section 32 in all Subcontracts.

The Developer agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 05-1 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, and under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

For purposes of this provision:

“Bundle” means to collect contributions from more than one source that are then delivered by one person to the Mayor or to his political fundraising committee.

“Other Contract” means any other agreement with the City to which the Developer is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council.

“Contribution” means a “political contribution” as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are “Domestic Partners” if they satisfy the following criteria:

- (A) they are each other's sole domestic partner, responsible for each other's common welfare; and
- (B) neither party is married; and
- (C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and
- (D) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
- (E) two of the following four conditions exist for the partners:
 1. The partners have been residing together for at least 12 months.
 2. The partners have common or joint ownership of a residence.
 3. The partners have at least two of the following arrangements:
 - a. joint ownership of a motor vehicle;
 - b. a joint credit account;
 - c. a joint checking account;
 - d. a lease for a residence identifying both domestic partners as tenants.
 4. Each partner identifies the other partner as a primary beneficiary in a will.

"Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

SECTION 33. WASTE ORDINANCE PROVISIONS.

In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, the Developer warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of the following sections of the Code (collectively, the "Waste Sections"):

- 7-28-390 Dumping on public way;
- 7-28-440 Dumping on real estate without permit;
- 11-4-1410 Disposal in waters prohibited;
- 11-4-1420 Ballast tank, bilge tank or other discharge;
- 11-4-1450 Gas manufacturing residue;
- 11-4-1500 Treatment and disposal of solid or liquid waste;
- 11-4-1530 Compliance with rules and regulations required;
- 11-4-1550 Operational requirements; and
- 11-4-1560 Screening requirements.

During the period while this Agreement is executory, Developer's, general contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole discretion of the Chief Procurement Officer. Such breach and default entitles the City to all remedies under the Agreement, at law or in equity.

This section does not limit the Developer, general contractor's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Agreement.

Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Agreement, and may further affect the Developer's eligibility for future contract awards.

SECTION 34. GOVERNING LAW.

This Agreement shall be governed by and construed in accordance with the laws of the State of Illinois.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed on or as of the date first above written.

First Amendment To Redevelopment Agreement.

This first amendment to redevelopment agreement ("First Amendment"), dated as of _____, 2006, is made by and between the City of Chicago, an Illinois municipal corporation, having its offices at City Hall, 121 North LaSalle Street, Chicago, Illinois 60602 ("City"), acting by and through its Department of Housing ("D.O.H.") and Boulevard Redevelopment Alliance, L.L.C., an Illinois limited liability company, having its principal office at 2850 South Michigan Avenue, Chicago, Illinois 60616 ("Developer"). Capitalized terms not otherwise defined herein shall have the meaning given in the Original Redevelopment Agreement (as defined below).

Recitals.

A. The City, as a home rule unit under the 1970 Constitution of the State of Illinois, has the authority to promote the health, safety and welfare of its inhabitants, to prevent the spread of blight and to encourage private development in order to enhance the local tax base and create employment, and to enter into contractual agreements with third parties for the purpose of achieving the aforesaid purposes.

B. Pursuant to ordinance adopted by the City Council of the City of Chicago (the "City Council") on June 6, 2001 and published in the *Journal of Proceedings of the*

City Council of the City of Chicago for such date at pages 59970 -- 59976, the City Council has previously approved the participation of and the conveyance of certain City-owned parcels to the Developer for construction of homes under the New Homes Program.

C. Pursuant to such ordinances and the New Homes Program, the City and the Developer have entered into that certain "Redevelopment Agreement New Homes For Chicago Program Boulevard Redevelopment Alliance, L.L.C." dated as of February 7, 2003 and recorded in the Recorder's Office of Cook County on February 14, 2003 as Document Number 0030217029 (the "Original Redevelopment Agreement", and, as amended hereby, the "Redevelopment Agreement").

D. Section 4.7 of the Original Redevelopment Agreement obligated the Developer to complete the construction of all homes within eighteen (18) months of the execution date of the Original Redevelopment Agreement. To date, the Developer has constructed thirteen (13) homes. D.O.H. and the Developer are entering into this First Amendment to extend the completion date in Section 4.7 to permit certain additional City-owned lots (the "Remaining Parcels"), which Remaining Parcels are identified on (Sub)Exhibit A to this First Amendment, to be conveyed and additional Single-Family Homes to be constructed on the Remaining Parcels.

E. Since the recording of the Original Redevelopment Agreement, the City Council, by ordinance adopted on April 26, 2006 and published in the *Journal of the Proceedings of the City Council of the City of Chicago* for such date at pages 75201 -- 75212 (the "Restated Program Ordinance") has revised and updated the New Homes Program by, among other things, increasing the maximum lot value for City lots that may be conveyed to developers to Fifty Thousand and no/100 Dollars (\$50,000.00) per lot, increasing the maximum base purchase, and making the other changes described in the Restated Program Ordinance.

F. D.O.H. and the Developer also desire to amend the Redevelopment Agreement to incorporate certain terms from the Restated Program Ordinance and to modify certain of the Developer's obligations under the Redevelopment Agreement in connection with the conveyance of the Remaining Parcels.

Now, Therefore, In consideration of the above recitals and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

Section 1.

Incorporation Of Recitals.

The recitals set forth above constitute an integral part of this First Amendment and are incorporated herein by this reference as if fully set forth herein.

Section 2.

Conflict.

In the event of a conflict between the terms of the Original Redevelopment Agreement and the terms of this First Amendment, the terms of this First Amendment shall govern and control.

Section 3.

Amendments To Price Limits.

(a) The references to "Twenty Thousand Dollars (\$20,000)" in Recital H and Section 4.5(b)(l) of the Original Redevelopment Agreement, shall be amended to read "Fifty Thousand Dollars (\$50,000)", which is the maximum fair market value for City Lots under the Restated Program Ordinance. Such revised limit shall apply to the Remaining Parcels, together with the recapture provisions in Section 8(a) of the Restated Program Ordinance, which recapture provisions shall apply to the full fair market value of the Remaining Parcels (i.e., to both to the first Fifty Thousand Dollars (\$50,000) in value, and to any excess value over Fifty Thousand Dollars (\$50,000)) and shall supersede the recapture provisions in Section 4.5(b)(1) of the Original Agreement.

(b) The references to the maximum base purchase price for Single-Family Homes in Section 3.1 and Section 5.1(a) the Original Redevelopment Agreement are hereby increased to One Hundred Ninety-five Thousand Dollars (\$195,000), which is the maximum base purchase price under the Restated Project Ordinance. Such maximum limit shall apply to the Single-Family Homes built on the Remaining Parcels.

Section 4.

Incorporation Of Representations And Warranties.

The representations and warranties of the Developer in the Original Redevelopment Agreement, including, without limitation, in Section II thereof, are incorporated herein by reference as if fully set forth herein as the restated and continuing representations and warranties of the Developer.

In no instance shall of the Remaining Parcels be conveyed after September 1, 2007. The construction of Single-Family Homes on the Remaining Parcels shall be completed not later than March 1, 2008. Both such outside dates are subject to extension for the occurrence of any Permitted Delay described in Section 6.2 of the Redevelopment Agreement.

Section 6.

Construction Of The Project.

The construction of Single-Family Homes on the Remaining Parcels shall be governed by the provisions of Section IV of the Original Redevelopment Agreement, and such provisions are herein incorporated by reference as if fully set forth herein, subject, however, to the following modifications. In lieu of the completion deadlines set forth in Section 4.1 and Section 4.7 of the Original Redevelopment Agreement, the Developer shall, subject to the occurrence of Permitted Delays described in Section 6.2 of the Redevelopment Agreement, diligently complete the Project by the dates set forth in Section 5 of this First Amendment. The Commissioner of D.O.H. shall have discretion, but no obligation, to extend such dates by executing a written amendment to the Redevelopment Agreement extending such time period by up to six (6) months for good cause shown. (Sub)Exhibit F to the Original Redevelopment Agreement is hereby amended and replaced by (Sub)Exhibit B to this First Amendment, which sets forth the revised construction schedule for the Project.

In connection with the construction of Single-Family Homes on the Remaining Parcels, the City shall continue to make available the Development Subsidy described in Section 4.5(b)(2) of the Original Agreement, the Purchase Price Subsidy described in Section 4.5(b)(3) of the Original Agreement (with an increase from ninety percent (90%) to one hundred percent (100%) in the upper household income limit for eligible homebuyers) and the HOME Purchase Price Subsidy described in Section 4.5(b)(4) of the Original Agreement, but the E.Z./E.C. Purchase Price Subsidy described in Section 4.5(b)(5) of the Original Agreement shall no longer be made available. Upon the Developer's written request, D.O.H., in its sole discretion, may also elect to make available with respect to the Single-Family Homes on the Remaining Parcels the D.D.A. Purchase Price Subsidy described in Section 7(e) of the Restated Program Ordinance.

Section 7.

Program Covenants.

The New Homes Program covenant provisions set forth in Section V of the Original Redevelopment Agreement shall apply to the construction of Single-Family Homes on the Remaining Parcels and such provisions are herein incorporated by reference as if fully set forth herein, subject, however, to the following modifications, all of which make provisions of the Restated Program Ordinance applicable to the Project:

- (a) Developer shall advise each homebuyer who executes a purchase contract for a Single-Family Home on a Remaining Parcel that such homebuyer shall be required to execute and record at the time of the homebuyer's closing (and the Developer shall attach as an exhibit to the homebuyer's sales contract) a mortgage, security and recapture agreement in favor of the City (the "City Junior Mortgage"), in the form of (Sub)Exhibit C to this First Amendment, which shall also include the homebuyer's covenant to use the Home as the homebuyer's principal residence, and shall secure all amounts described in the Original Agreement and this First Amendment as being subject to recapture or repayment.
- (b) Homebuyers who execute a purchase contract for a Single-Family Home on a Remaining Parcel may be charged the maximum base purchase price permitted under this First Amendment.

*Prohibition On Certain Contributions --
Mayoral Executive Order 05-01.*

Developer agrees that Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in Developer of more than seven and five-tenths percent (7.5%) ("Owners"), spouses and domestic partners of such Owners, Developer' contractors (i.e., any person or entity in direct contractual privity with Developer regarding the subject matter of the Redevelopment Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than seven and five-tenths percent (7.5%) ("Subowners") and spouses and domestic partners of such Subowners

(Developer and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fund-raising committee (i) after execution of this First Amendment by Developer, (ii) while the Redevelopment Agreement or any Other Contract is executory, (iii) during the term of the Redevelopment Agreement or any Other Contract between Developer and the City, or (iv) during any period while an extension of the Redevelopment Agreement or any Other Contract is being sought or negotiated.

Developer represents and warrants that from the later of (i) February 10, 2005, or (ii) the date the City approached Developer or the date Developer approached the City, as applicable, regarding the Original Redevelopment Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fund-raising committee.

Developer agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fund-raising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Developer agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order Number 05-1 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order Number 05-1.

Developer agrees that a violation of, noncompliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order Number 05-1 constitutes a breach and default under the Redevelopment Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including without limitation termination for default) under the Redevelopment Agreement, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Developer intentionally violates this provision or Mayoral Executive Order Number 05-1 prior to the closing of this First Amendment, the City may elect to decline to close the transaction contemplated by this First Amendment.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source which are

then delivered by one person to the Mayor or to his political fund-raising committee.

“Other Contract” means any other agreement with the City of Chicago to which Developer is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council of the City of Chicago.

“Contribution” means a “political contribution” as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are “Domestic Partners” if they satisfy the following criteria:

- (A) they are each other’s sole domestic partner, responsible for each other’s common welfare; and
- (B) neither party is married; and
- (C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and
- (D) each partner is at least eighteen (18) years of age, and the partners are the same sex, and the partners reside at the same residence; and
- (E) two (2) of the following four (4) conditions exist for the partners:
 - 1. The partners have been residing together for at least twelve (12) months.
 - 2. The partners have common or joint ownership of a residence.
 - 3. The partners have at least two (2) of the following arrangements:
 - a. joint ownership of a motor vehicle;
 - b. a joint credit account;
 - c. a joint checking account; and
 - d. a lease for a residence identifying both domestic partners as tenants.
 - 4. Each partner identifies the other partner as a primary beneficiary in a will.

“Political fund-raising committee” means a “political fund-raising committee” as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Section 14.

Waste Sections.

In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Developer warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of the following sections of the Municipal Code of Chicago (collectively, the “Waste Sections”):

- 7-28-390 -- Dumping on public way;
- 7-28-440 -- Dumping on real estate without permit;
- 11-4-1410 -- Disposal in waters prohibited;
- 11-4-1420 -- Ballast tank, bilge tank or other discharge;
- 11-4-1450 -- Gas manufacturing residue;
- 11-4-1500 -- Treatment and disposal of solid or liquid waste;
- 11-4-1530 -- Compliance with rules and regulations required;
- 11-4-1550 -- Operational requirements; and
- 11-4-1560 -- Screening requirements.

During the period while this Agreement is executory, Developer, Developer's general contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole discretion of the Commissioner. Such breach and default entitles the City to all remedies under the Agreement, at law or in equity. This section does not limit the Developer's, general contractor's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Agreement. Noncompliance with these

terms and conditions may be used by the City as grounds for the termination of this Agreement, and may further affect Developer's eligibility for future contract awards.

In Witness Whereof, The parties hereto have executed or caused this First Amendment to be executed as of the date first written above.

In addition, the references to the

Final Certificate contained in paragraphs 12 (B) (C), and (D) of the Deed are hereby deleted and the following is substituted, "Until the City issues its Certificate". Notwithstanding anything contained in the Agreement or the Deed to the contrary, the parties acknowledge and agree that, since the City has previously issued a Certificate with regard to the Consolidated Wire Building (and the adjacent property legally described in said Certificate) and the Powerhouse (and the adjacent property legally described in said Certificate), any rights that the City retains with regard to the Consolidated Wire Building (and the adjacent property legally described in said Certificate) and the Powerhouse (and the adjacent property legally described in said Certificate) are contained solely in such respective Certificates, and that any other rights that the City might have possessed with regard to the Consolidated Wire Building (and the adjacent property legally described in said Certificate) and the Powerhouse (and the adjacent property legally described in said Certificate), including any rights the City had until a Final Certificate was to be issued, have been extinguished by the issuance of the Certificates."; and

Such amendment shall become effective upon its recording in accordance with the procedures described in section 29 below."; and

T. Whereas, the City and Purchaser wish to amend the Agreement for the purposes of furthering the preservation of the Designated Features and to meet unforeseen conditions; and

U. Now therefore, in consideration of the above recitals and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

AGREEMENTS

1. **Incorporation of Recitals.** The recitals set forth above represent the agreements of the parties, constitute an integral part of this Second Amendment, and are incorporated herein by reference.

A. **Sections 2 and 3.** The parties agree that the respective obligations of the Purchaser and the City under Sections 2 and 3 have been performed prior to the date hereof, except for the continuing Agreement obligation to pay real estate taxes attributable to the Property pursuant to Section 3.C. Section 3.C. is amended and restated as follows:

Real Estate Taxes. The City obtained a waiver of general real estate taxes from the date of acquisition of the Property by the City to the date of delivery of the Deed. Until the City issues a certification of completion for the Administration Building, Purchaser shall notify the City that the real estate taxes have been paid in full within ten (10) days of such payment."

B. Section 4.

Section 4.A. of the Agreement is deleted. Any good faith deposit, if any, that may have been paid pursuant to the Agreement by Purchaser to the City will be retained by the City.

The parties agree that the obligations of Purchaser under Section 4.B. have been performed prior to the date hereof.

Section 4.C. is hereby re-affirmed as follows: "The City shall be under no obligation to pay interest on the deposits set forth in this section 4."

C. Section 5. Section 5 is hereby amended in its entirety to state as follows:

"Purchaser's total project budget for the work described in Section 6.E. is One Million Seventy Thousand and 00/100 Dollars (\$1,070,000) and is set forth in detail in Exhibit B (the "Total Project Budget"). Not later than forty-five (45) days after the Second Amendment Execution Date, Purchaser shall submit to DPD evidence of funds adequate to finance the work described in Section 6.E. The sufficiency of such evidence shall be solely determined by DPD. Purchaser's failure to obtain the necessary funds or failure to provide DPD with sufficient evidence that financing has been obtained is an 'event of default.'"

D. Section 6. Section 6 is amended as follows:

Sections 6.A. and 6.B. Sections 6.A. and 6.B. are hereby amended to apply solely to the Powerhouse and the Wire Building.

Section 6.C. Sections 6.C. is hereby amended in its entirety to state as follows:

"C. Letter of Credit. Prior to performing work on the Designated Feature of the Administration Building, Purchaser must provide, or cause its general contractor to provide, the City with an unconditional, irrevocable, stand-by letter of credit (the "Letter of Credit"), in a form acceptable to the City, designating the City as the beneficiary and in an amount not less than the cost or the fair market value of the historic restoration of the Designated Feature of the Administration Building. The letter of credit called for in this Agreement must be issued by companies or financial

institutions authorized to do business in Illinois, satisfactory to the City Comptroller, and which have an office in Chicago where the City may draw on the letter of credit. The Letter of Credit secures performance by Purchaser of all contractual obligations relating to the restoration of the Designated Feature of the Administration Building. Purchaser must maintain the Letter of Credit in effect during the entire term of the Agreement and until Purchaser has satisfied all of its obligations pursuant to this Agreement, relating to the restoration of the Designated Feature of the Administration Building, including obtaining a certificate of completion for the Administration Building from DPD and a certificate of occupancy.
