SECTION 2. This ordinance shall be in force and effect from and after its passage and due publication.

Plan of Development Statements referred to in this ordinance read as follows:

Residential-Business Planned Development Number _____.

Plan Of Development Statements.

1. The area delineated herein as a Residential-Business Planned Development consists of approximately sixty-three thousand nine hundred sixty (63,960) square feet (one and forty-seven hundredths (1.47) acres) and is controlled by the applicant, GH 630, L.L.C.

2. All applicable official reviews, approvals or permits are required to be obtained by the applicant or its successors, assignees or grantees. Any dedication or vacation of streets or alleys, or easements, or adjustments of right-of-way, or consolidation or resubdivision of parcels, shall require a separate submittal on behalf of the applicant or its successors, assignees or grantees and approval by the City Council.

3. The requirements, obligations and conditions contained within this planned development shall be binding upon the applicant, its successors and assigns and, if different than the applicant, the legal titleholder and any ground lessors. the owners of the property and any ground lessors. Where portions of the improvements located on the property have been submitted to the Illinois Condominium Property Act, the term "owner" shall be deemed to refer solely to the condominium association of the owners of such portions of the improvements and not to the individual unit owners therein. An agreement among property owners, the board of directors of any property owners association, or a covenant binding property owners, may designate the authorized party for any future amendment, modification or change.

4. This plan of development consists of these sixteen (16) statements; a Bulk Regulations and Data Table; an Existing Zoning Map; a Surrounding Land-Use Plan; a Planned Development Boundary, Property Line and Right-of-Way Adjustment Map; a Site Plan; a Temporary Phase 1 Site Plan; a Temporary Phase 1 Ground Perspective looking Northwest; a Landscape Plan; a Roof Plan; a North Elevation; a South Elevation; an East Elevation; an East Elevation-Phase I; a West Elevation; an Overall Section A- North/South; and an Overall Section B-East/West dated April 17, 2008, prepared by Solomon Cordwell Buenz & Associates Inc.. Full-size sets of the Site Plan, Landscape Plan and Building Elevations are on file with the Department of Planning and Development. The planned development is applicable to the area delineated hereto and these and no other zoning controls shall apply. In any instance where a provision of the planned development conflicts with the Chicago Building Code, the Building Code shall control.

5. The following uses shall be permitted within the area delineated herein as "Residential-Business Planned Development": all uses permitted in the DX-12, Downtown Mixed-Use District, accessory and non-accessory parking and related uses save and except hotel/motel, light equipment sales, vehicle repair and industrial uses.

6. On-premise business identification signs shall be permitted within the planned development subject to the review and approval of the Department of Planning and Development. Temporary signs, such as construction and marketing signs shall be permitted, subject to the review and approval of the Department of Planning and Development. Off-premise signs are prohibited.

7. Ingress and egress shall be subject to the review and approval of the Department of Transportation and the Department of Planning and Development. All work proposed in the public way must be designed and constructed in accordance with the Chicago Department of Transportation Construction Standard for work in the public way and in compliance with the Municipal Code of the City of Chicago. Closure of all or part of any public streets or alleys during demolition or construction shall be subject to the review and approval of the Chicago Department of Transportation. The applicant shall participate in the Illinois/Grand Corridor Transportation Management Association ("Association") and shall share in the funding of the Association in a manner as determined by its Board of Directors.

Participation shall begin within ninety (90) days of receiving the first Part II Approval for the construction of the improvements contemplated in this planned development. The Association shall provide services that enhance traffic flow in the corridor including but not limited to a trolley to convey residents and shoppers between developments, information to provide shoppers with alternate routes to corridor developments, and shall commit to a shared parking arrangement among Association members to minimize short vehicular trips between proximate developments.

8. For purposes of height calculations, the definitions in the Chicago Zoning Ordinance shall apply. In addition to the maximum height of the building and any appurtenance thereto prescribed in this planned development, the height of any improvement shall also be subject to height limitations approved by the Federal Aviation Administration.

9. For purposes of Floor Area Ratio ("F.A.R.") calculations, the definitions in the Chicago Zoning Ordinance shall apply.

10. The City of Chicago established a Part II Review Fee in the amount of twenty-five cents ($0.25) per square foot for the total buildable square feet (floor area). The Part II Review Fee will be assessed by the Department of Planning and Development during the actual Part II Review. The fee as determined by the Department of Planning and Development staff at that time is final and binding on the applicant and must be paid to the Department of Planning and Development prior to the issuance of any Part II approval.

11. The improvements on the Property shall be designed, installed and maintained in substantial conformance with the Site Plan, Landscape Plan and Building Elevations and in accordance with the parkway tree provisions of the Chicago Zoning Ordinance and corresponding regulations and guidelines. Notwithstanding any statement to the contrary, this planned development shall be subject to the provisions of Chapter 17-11 of the Chicago Zoning Ordinance governing landscaping and screening. In any instance where a provision of the planned development conflicts with landscape and screening provisions of the Chicago Zoning Ordinance, the Chicago Zoning Ordinance shall control. Nothing in this planned development is intended to waive the applicability of the landscape and screening provisions of the Chicago Zoning Ordinance. In recognition of the occurrence of the Kennedy-Nixon Presidential debate on September 26, 1960 at the property, the applicant agrees to install at its sole cost and expense within the outdoor plaza identified on the Ground Floor Plan, an appropriate commemoration of the event. Further, the applicant agrees to install within the outdoor plaza, a display acknowledging the significant historical features of the Chicago Riding Club. The applicant agrees that in the event that construction has not commenced upon the improvements within the Phase 2 property within one (1) year from the time of the issuance of the final Certificate of Occupancy for the residential building upon

the Phase I property, the applicant shall construct the pocket-park and shall grade, seed and fence the remaining portion of the Phase 2 property until the commencement of construction upon the Phase 2 property. The pocket-park and remaining portion of the Phase 2 property shall be open and available to the public until the commencement of the construction of the improvements upon the Phase 2 property at which time the pocket-park and remaining portion of the Phase 2 property can be closed to the public until the completion of the Phase 2 building at which time the pocket-park shall be re-established and again opened to the public. The pocket-park shall not be gated. The applicant shall place temporary public artwork, subject to the prior review and approval of the Commissioner of the Department of Planning and Development, upon the panel system to be installed at the tower base of the Phase 1 east elevation as depicted on the Temporary Phase I Ground Perspective Looking Northwest exhibit.

12. The permitted F.A.R. identified in the Bulk Regulations and Data Table has been determined using a Net Site Area of sixty-three thousand nine hundred sixty (63,960) square feet (one and forty-seven hundredths (1.47) acres), a base F.A.R. of 12.00 and additional Floor Area Ratio for a series of proposed amenities, as follows:

Description	F.A.R.
Base F.A.R.	12.00
Affordable Housing	3.60
*Arcade (along McClurg Court)	0.23
*Parking Concealed by Occupiable Space (Ontario Street, Erie Street and McClurg Court)	3.00
TOTAL F.A.R.	18.83

The calculation of the additional Floor Area Ratio obtained through the series of proposed amenities is as follows:

* Arcade (along McClurg Court) and Parking Concealed by Occupiable Space (along McClurg Court) bonuses shall only be available for Phase 2 development.

Affordable Housing

Bonus F.A.R. = 12 x 0.30 = 3.60 F.A.R.

3.60 x 63,960 = 230,256.0 square feet

230,256.0 square feet x $43.00 per square feet x 0.80 = $7,920,806.40 contribution

*Arcade (along McClurg Court)

Bonus F.A.R. = 0.23 F.A.R.

25 feet x 110 feet = 2,750 square feet

2,750 square feet ÷ 63,960 x 1.25 x 12 = 0.64 F.A.R. available/0.23 utilized

Parking Concealed by Occupiable Space

Ontario Street: Bonus F.A.R. = 1.61 F.A.R.

226 feet x 95 feet = 21,470 square feet

21,470 square feet ÷ 63,960 x 0.40 x 12 = 1.61 F.A.R.

Erie Street: Bonus F.A.R. = 1.61 F.A.R.

226 feet x 95 feet = 21,470 square feet

21,470 square feet ÷ 63,960 x 0.40 x 12 = 1.61 F.A.R.

*McClurg Court: Bonus F.A.R. = 0.83 F.A.R.

117 feet x 95 feet = 11,115 square feet

11,115 square feet ÷ 63,960 x 0.40 x 12 = 0.83 F.A.R.

The applicant, its successors or assigns, shall contribute the amount of Seven Million Nine Hundred Twenty Thousand Eight Hundred Sixty-six and 40/100 Dollars ($7,920,866.40) to The City of Chicago's Affordable Housing Opportunity Fund prior to the issuance of the "Part II Approval" for the construction of the first high-rise building contemplated in this planned development.

---

* Arcade (along McClurg Court) and Parking Concealed by Occupiable Space (along McClurg Court) bonuses shall only be available for Phase 2 development.

13. The terms, conditions and exhibits of this planned development ordinance may be modified administratively by the Commissioner of the Department of Planning and Development upon the application for such a modification by the applicant and after a determination by the Commissioner of the Department of Planning and Development that such a modification is minor, appropriate and consistent with the nature of the improvements contemplated in this planned development and the purposes underlying the provisions hereof. Any such modification of the requirements of this planned development by the Commissioner of the Department of Planning and Development shall be deemed to be a minor change in the planned development as contemplated by Section 17-13-0611 of the Chicago Zoning Ordinance.

14. The applicant acknowledges that it is in the public interest to design, construct and maintain all buildings in a manner that provides healthier environments, reduces operating costs and conserves energy and resources. The applicant shall design, construct, and maintain the buildings contained within this planned development as L.E.E.D. certified. The applicant agrees to provide a fifty percent (50%) vegetated green roof equaling approximately twenty-three thousand three hundred seventeen (23,317) square feet of net useable roof area. The applicant agrees to provide a dog run of approximately four hundred (400) square feet.

15. The applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the property. Plans for all buildings and improvements on the property shall be reviewed and approved by the Mayor's Office for People with Disabilities ("M.O.P.D.") to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility. No building permit shall be granted by the Department of Buildings until the Director of M.O.P.D. has approved detailed construction drawings for each building or improvement proposed to be constructed pursuant to the permit.

16. Unless substantial construction of the improvements contemplated in this planned development has commenced within six (6) years following adoption of this planned development, and unless completion is thereafter diligently pursued, then this planned development shall expire and the zoning of the property shall automatically revert to the pre-existing DX-12, Downtown Mixed-Use District designation.

(Application Number 16449)

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That the Chicago Zoning Ordinance be amended by changing all the Residential Planned Development Number 970 symbols and indications as shown on Map Number 1-E in the area bounded by:

the alley next north of and parallel to East Ontario Street; a line 51.0 feet west of and parallel to North St. Clair Street; East Ontario Street; and a line 179.10 feet west of and parallel to North St. Clair Street,

SECTION 2. This ordinance shall be in force and effect from and after its passage and due publication.

Plan of Development Statements referred to in this ordinance read as follows:

Residential-Business Planned Development Number 970,
As Amended

Plan Of Development Statements.

1. The area delineated herein as Residential-Business Planned Development Number 970, as amended, consists of approximately twelve thousand eight hundred and twenty (12,820) square feet (zero and two hundred ninety-four thousandths (0.294) acre) and is owned or controlled by the applicant, 150 East Ontario Acquisitions, L.L.C.

2. All applicable official reviews, approvals or permits are required to be obtained by the applicant or its successors, assignees, or grantees. Any dedication or vacation of streets or alleys, or easements, or adjustments of right-of-way, or consolidation or resubdivision of parcels, shall require a separate submittal on behalf of the applicant or its successors, assignees, or grantees and approval by the City Council.

3. The requirements, obligations and conditions contained within this planned development shall be binding upon the applicant, its successors and assigns and, if different than the applicant, the legal titleholder and any ground lessors. All rights granted hereunder to the applicant shall inure to the benefit of the applicant's successors and assigns and if different than the applicant, then to the owners of record title to all of the property and any ground lessors. Furthermore, pursuant to the requirements of Section 17-8-0400 of the Chicago Zoning Ordinance, the property, at the time any applications for amendments, modifications or changes (administrative, legislative or otherwise) to this planned development are made shall be under single ownership or under single designated control. Single designated control for purposes of this paragraph shall mean that any application to the City for any amendment to this planned development or any other modification or change thereto (administrative, legislative or otherwise) shall be made or authorized by all the owners of the property and any ground lessors. An agreement among property owners, the board of directors of any property owners association, or a covenant binding property owners, may designate the authorized party for any future amendment, modification or change. The applicant shall retain single designated control and shall be deemed to be the authorized party for any future amendment, modification or change until the applicant shall designate in writing the party or parties authorized to make application for any future amendment, modification or change.

4. This plan of development consists of these nineteen (19) statements; a Bulk Regulations and Data Table; an Existing Zoning Map; an Existing Land-Use Map; a Planned Development Boundary and Property Line Map; a Site Plan; a Level B1 Plan; an Overall Landscape Plan; a Green Roof Plan; a Stacking Section; Building Elevations (West, North, East and South); and Enlarged South Elevation dated May 15, 2008; prepared by A. Epstein and Sons International. Full-size sets of the Site Plan, Landscape Plan and Building Elevations are on file with the Department of Planning and Development. The planned development is applicable to the area delineated hereto and these and no other zoning controls shall apply. In any instance where a provision of the planned development conflicts with the Chicago Building Code, the Building Code shall control.

5. The following uses shall be permitted within the area delineated herein as "Residential-Business Planned Development": multi-unit residential, hotel, accessory parking, accessory and related uses, and all other uses permitted in the DX-16 Downtown Mixed-Use District, except for those uses in the Funeral and Interment Service; Vehicle Sales and Service; Manufacturing, Production and Industrial Service; Recycling Facilities; and Warehousing, Wholesaling and Freight Movement Use Categories. Car washing shall be permitted as an adjunct to accessory parking.

6. Identification signs shall be permitted within the planned development subject to the review and approval of the Department of Planning and Development. Temporary signs, such as construction and marketing signs shall be permitted, subject to the

review and approval of the Department of Planning and Development. Off-Premises Signs shall not be permitted in the planned development.

7. Ingress and egress shall be subject to the review and approval of the Department of Transportation and the Department of Planning and Development. All work proposed in the Public Way must be designed and constructed in accordance with the Chicago Department of Transportation Construction Standard for Work in the Public Way and in compliance with the Municipal Code of the City of Chicago. Closure of all or part of any public streets or alleys during demolition or construction shall be subject to the review and approval of the Chicago Department of Transportation.

Prior to the issuance of the "Part II Approval" for the construction of the foundation of the building contemplated in this planned development, the applicant shall deposit with the Chicago Department of Transportation the sum of Seventy-five Thousand and no/100 Dollars ($75,000.00) as applicant's proportionate share of the costs of constructing a median in North Michigan Avenue between East Ontario Street and East Erie Street. Subject to the prior approval of the Chicago Department of Transportation, the applicant shall be responsible for the cost of construction of a temporary barrier median in North Michigan Avenue prior to the issuance of the first Certificate of Occupancy for the improvements contemplated in this planned development in the event the permanent median has not been constructed at that time.

The Office of Emergency Management and Communications ("O.E.M.C.") has determined that the posting of Traffic Management Authority Control Aides ("Aides") would help traffic operations at key intersections within and adjacent to the planned development during the A.M. and P.M. peak hours and allow for strict enforcement of both curbside regulations and parking restrictions. Accordingly, the applicant agrees, during the period of construction of the improvements proposed in this planned development, to compensate the City, at the generally applicable part-time Aide rate, for the cost of two (2) Aides posted within or adjacent to the planned development as determined necessary by O.E.M.C.. The applicant further agrees, from the date that the improvement is occupied, to compensate the City for the cost of two (2) Aides posted within or adjacent to the planned development as determined necessary by O.E.M.C.

The compensation will be based on actual Aide assignment to intersections or streets (if a roving Aide) within or adjacent to the planned development. The payment structure by which the applicant compensates the City will be determined by the Office of Budget and Management and O.E.M.C.. At a minimum, the applicant agrees to enter into a Grant-based Intergovernmental Agreement ("I.G.A.") with O.E.M.C. to provide the payment for the Aides. The first payment will be made prior to issuance of the first building permit for the improvements and will be pro-rated for the remaining number of months in that year. On January 1st, of the following year, the applicant will provide the next payment, and

each January 1st thereafter. The I.G.A. will be reviewed annually to determine if the grant amount needs to be modified based on changes in wages or staffing.

The applicant may request the City's approval of changes to this Statement, including specifically the number of Aides and the amount of the applicant's payment obligation based on evidence of changed circumstances. Such evidence shall include, as appropriate, traffic analyses and other technical data. The City agrees at a minimum, based on applicant-supplied traffic analyses, O.E.M.C./C.D.O.T. data and analyses and other evidence, to review the appropriateness of the applicant's Aide payment obligation on the earlier to occur of (1) the date of next requested comprehensive amendment of this planned development; or (2) the two (2) year anniversary of the occupancy of the improvements contemplated by this planned development.

8. For purposes of height determination, the definitions in the Chicago Zoning Ordinance shall apply. In addition to the maximum height of the building and any appurtenance thereto prescribed in this planned development, the height of any improvement shall also be subject to height limitations approved by the Federal Aviation Administration.

9. For purposes of Floor Area Ratio ("F.A.R.") calculations, the definitions in the Chicago Zoning Ordinance shall apply.

10. The City of Chicago established a Part II Review Fee in the amount of twenty-five cents ($0.25) per square foot for the total buildable square feet (floor area). The Part II Review Fee will be assessed by the Department of Planning and Development during the actual Part II Review. The fee as determined by the Department of Planning and Development staff at that time is final and binding on the applicant and must be paid to the Department of Planning and Development prior to the issuance of any Part II approval.

11. The improvements on the property shall be designed, installed and maintained in substantial conformance with the Site/Landscape Plan and Building Elevations and in accordance with the parkway tree provisions of the Chicago Zoning Ordinance and corresponding regulations and guidelines. Notwithstanding any statement to the contrary, this planned development shall be subject to the provisions of Chapter 17-11 of the Chicago Zoning Ordinance governing landscaping and screening. In any instance where a provision of the planned development conflicts with landscape and screening provisions of the Chicago Zoning Ordinance, the Chicago Zoning Ordinance shall control. Nothing in this planned development is intended to waive the applicability of the landscape and screening provisions of the Chicago Zoning Ordinance. Prior to the issuance of a demolition permit for any of the existing improvements on the property, the Applicant shall supply to the Commissioner of the Department of Planning and Development a copy of said application for demolition permit and commercially reasonable evidence of the applicant's financial capability to finance the construction of the improvements

contemplated within this planned development. Unless construction of the improvements contemplated in this planned development is commenced within six (6) months from completion of demolition, the applicant shall provide to the Department of Planning and Development a plan and schedule for interim screening and/or landscaping. The applicant shall make space available within the proposed building's trash room (or make other adequate arrangements, e.g. shared trash compactor) for use by the hotel located immediately east of the site in order to allow the removal of the hotel's trash dumpsters from the east/west alley.

12. Pursuant to the provision of the City of Chicago Zoning Ordinance, Title 17 Chapter 17-4-1004-D ("Zoning Ordinance") the applicant has received an increase in the Floor Area Ratio of the Property. The applicant hereby acknowledges that according to Section 17-4-1004-D of the Zoning Ordinance, a cash payment must be made to the City of Chicago Affordable Housing Opportunity Fund based on the increase in allowable floor area multiplied by eighty percent (80%) of the median cost of land per buildable square foot. Based on Section 17-4-1004-D the applicant has agreed to provide a cash payment to the City of Chicago Affordable Housing Opportunity Fund in the amount of One Million Seven Hundred Sixty-four Thousand Thirty-two and no/100 Dollars ($1,764,032.00) prior to the issuance of the "Part II Approval" for the construction of the foundation of the building contemplated in this planned development. The applicant must comply with all of the applicable sections of the Affordable Housing Provision of the Zoning Ordinance which sections are hereby incorporated into this planned development. The Affordable Housing Agreement required by Section 17-4-1004-E9 is also incorporated into this planned development.

13. The permitted F.A.R. identified in the Bulk Regulations and Data Table has been determined using a Net Site Area of twelve thousand eight hundred twenty (12,820) square feet, a base F.A.R. of 16.0 and additional Floor Area Ratio for a series of proposed amenities, as follows:

Description	F.A.R.
Base F.A.R.	16.00
Affordable Housing Bonus	4.80
Chicago Public Schools Capital Improvement Fund	1.00
TOTAL F.A.R.	21.80

The calculation of the additional Floor Area Ratio ("F.A.R.") obtained through the series of proposed amenities is as follows:

Affordable Housing

Bonus F.A.R. = 16 x 0.30 = 4.80 F.A.R.

4.80 x 12,820 square foot = 61,536 square feet

61,536 square feet x $43.00 per square foot x 0.80 = $2,116,838.40 contribution

Chicago Public Schools Capital Improvement Fund

Bonus F.A.R. = 16 x 0.30 = 4.80 F.A.R. obtainable/1.00 requested

1.00 x 12,820 square foot = 12,820 square foot

12,820 square feet x $43.00 per square foot by 0.80 = $441,008.00 contribution

The applicant, its successors or assigns, shall contribute the amount of Two Million One Hundred Sixteen Thousand Eight Hundred Thirty-eight and 40/100 Dollars ($2,116,838.40) the City of Chicago's Affordable Housing Opportunity Fund and shall contribute the amount of Four Hundred Forty-one Thousand Eight and no/100 Dollars ($441,008.00) the City of Chicago's Public Schools Capital Improvement Fund prior to the issuance of the "Part II Approval" for the construction of the foundation of the building contemplated in this planned development. After approval of Site and Elevation Plans, the approved Plans may be changed or modified pursuant to Statement 17 hereof. It is acknowledged that the demising walls for the interior spaces are illustrative only and that the location and relocation of demising walls or division of interior spaces shall not be deemed to require any further approvals pursuant hereto.

18. Unless substantial construction of the improvements contemplated by this planned development within Subarea D have commenced within six (6) years following the effective date of this planned development, as amended, and unless completion thereof is diligently pursued, then the approvals granted by this planned development for such improvements in Subarea D shall expire and permitted uses in Subarea D shall automatically revert to those uses described in pre-existing Institutional Transportation Planned Development, as approved by the Chicago City Council on November 1, 2006.

The Committee on Finance submitted the following report:

CHICAGO, June 11, 2008.

This recommendation was concurred in by a viva voce vote of the members of the Committee.

(Signed) EDWARD M. BURKE,

On motion of Alderman Burke, the said proposed substitute resolution transmitted with the foregoing committee report was *Adopted* by yeas and nays as follows:

Yeas -- Aldermen Flores, Fioretti, Dowell, Preckwinkle, Hairston, Lyle, Harris, Pope, Balcer, Cárdenas, Olivo, Burke, Foulkes, Thompson, Thomas, Lane, Rugai, Cochran, Brookins, Muñoz, Zalewski, Dixon, Solis, Ocasio, Burnett, E. Smith, Carothers, Reboyras, Suarez, Waguespack, Mell, Colón, Banks, Mitts, Allen, Laurino, O'Connor, Doherty, Daley, Tunney, Levar, Shiller, Schulter, M. Smith, Stone -- 45.

Nays -- None.

Alderman Carothers moved to reconsider the foregoing vote. The motion was lost.

The following is said resolution as adopted:

WHEREAS, The Southwest Home Equity Assurance Program was created pursuant to the Home Equity Assurance Act, 65 ILCS 95/1, et seq., as an economic development tool to protect the value of homes in several southwest side neighborhoods, including West Lawn, West Elsdon, Chicago Lawn, Marquette Manor, Clearing, Garfield Ridge, Gage Park, McKinley Park, Brighton Park, Archer Heights and parts of New City and Ashburn; and

WHEREAS, The Southwest Home Equity Assurance Program administers a guarantee fund for members who register in the program to guarantee the property value of the members' homes in the event the appraised value or the selling price of the home is less than the fair market value of the home as established at the time of the members' enrollment in the home equity assurance program; and

WHEREAS, The Southwest Home Equity Assurance Program has been very successful with approximately four thousand (4,000) homeowners in the program and with guarantee fund of over Five Million Dollars ($5,000,000) in property claim reserves; and

WHEREAS, Public Act 95-691 amended the Home Equity Assurance Act to allow home equity assurance programs established under the Act to administer a Foreclosure Prevention Loan Fund if certain conditions are met; and

WHEREAS, A Foreclosure Prevention Loan Fund as described in Public Act 95-961 would allow the Southwest Home Equity Assurance Program to use the guarantee fund in new and creative ways to reinvest in our neighborhoods, permitting loans to prevent mortgage foreclosure due to predatory lending practices; and

WHEREAS, It is anticipated that through a Foreclosure Prevention Loan Fund, a portion of the monies in the guarantee fund will be reinvested in the neighborhoods, thereby increasing the value of the homes in the neighborhoods and reducing the number of foreclosures, so that the loan program will pay for itself and protect the reserves in the guarantee fund; and

WHEREAS, A recent survey of members of the Southwest Home Equity Assurance Program reveals that an overwhelming majority of the members in the program support the creation of a Foreclosure Prevention Loan Fund; and

WHEREAS, A Foreclosure Prevention Loan Fund will not compromise the original purpose of the guarantee fund for claims based on loss of property value because Public Act 95-961 provides that, among other conditions, a home equity program established under the Home Equity Assurance Act may only administer a Foreclosure Prevention Loan Fund if the home equity assurance program has at least Four Million Dollars ($4,000,000) in its guarantee fund, and further provides that the total of any loans issued under the loan program may not exceed Three Million Dollars ($3,000,000); and

WHEREAS, Public Act 95-961 further provides that in order for a home equity assurance program to administer a Foreclosure Prevention Loan Fund, a referendum must first be approved at a regular election by the voters residing within the territory of the home equity assurance program; and

WHEREAS, Pursuant to state law, in order for the referendum to appear on the ballot at the next regular election within the territory of the home equity assurance program, one of the following must occur: (1) not less than sixty-five (65) days nor more than one (1) year before the election, a resolution or ordinance must be adopted by the corporate authorities of the municipality in which the territory of the home equity assurance program is located; or (2) not less than seventy-eight (78) days nor more than one (1) year before the election, petitions signed by a least ten percent (10%) of the registered voters from each precinct within the territory of the home equity assurance program must be filed with the election authority for that program; and

Re: Amending Agreement to Administrative Services Agreement (the "Agreement")

Ladies and Gentlemen:

I have acted as counsel for SomerCor 504, Inc., an Illinois not-for-profit corporation

("SomerCor"), in connection with the execution and delivery of the Agreement by and between SomerCor and the City of Chicago, acting by and through its Department of Planning and Development (the "City"). SomerCor has requested that this opinion be furnished to the City.

In so acting as counsel for SomerCor I have examined:

(i) an executed original of the Agreement;

(ii) the Articles of Incorporation, including all amendments thereto, of SomerCor as furnished and certified by the Secretary of State of the State of Illinois;

(iii) the Bylaws of SomerCor, as certified by the Secretary of SomerCor as of the date hereof; and

(iv) the Certificate of Good Standing dated _____, issued by the Office of the Secretary of State of the State of Illinois, as to the good standing of SomerCor.

In my capacity as counsel, I have also examined such other documents or instruments as I have deemed relevant for the purposes of rendering the opinions hereinafter set forth.

I have also assumed, but have no reason to question, the legal capacity, authority and the genuineness of the signatures of and due and proper execution and delivery by the respective parties other than SomerCor which has made, executed or delivered or will make, execute and deliver the agreements and documents examined by me.

I express no opinion as to (i) the laws of any state or jurisdiction other than the State of Illinois (and any political subdivisions thereof) and the United States of America; and (ii) any matters pertaining or relating to the securities laws of the United States of America, the State of Illinois or any other state.

Based upon and subject to the assumptions and qualifications herein stated, it is my opinion that:

1. SomerCor is a not-for-profit corporation, duly organized and validly existing under the laws of the State of Illinois, SomerCor has made all filings required by the laws of the State of Illinois in respect of its formation and continuing existence, and has all requisite authority to carry on its business and to execute and deliver, and to consummate the transactions contemplated by, the Agreement.

2. The Agreement has been duly executed and delivered on behalf of SomerCor, and constitutes a legal, valid and binding obligation of SomerCor, enforceable against SomerCor in accordance with its terms, except to the extent that enforcement of any such terms may be limited by: (a) applicable bankruptcy, reorganization, debt arrangement, insolvency or other similar laws generally affecting creditors' rights; or (b) judicial and public policy limitations upon the enforcement of certain remedies including those which a court of equity may in its discretion decline to enforce.

3. There is no action, suit or proceeding at law or in equity pending, nor to my knowledge threatened, against or affecting SomerCor, before any court or before any governmental or administrative agency, which if adversely determined could materially and adversely affect the ability of SomerCor to perform under the Agreement or any of its business or properties or financial or other conditions.

4. The transactions contemplated by the Agreement are governed by the laws of the State of Illinois.

5. The execution and delivery of the Agreement and the consummation of the transactions contemplated thereby will not constitute:

The City Of Chicago
And
S&C Electric Company, A Delaware Corporation.

This S&C Electric Company Redevelopment Agreement (the **"Agreement"**) is made as of this ____th day of _____, 2008, by and between the City of Chicago, an Illinois municipal corporation (the **"City"**), through its Department of Planning and Development (**"DPD"**), and S&C Electric Company, a Delaware corporation (**"Developer"**).

RECITALS:

A. **Constitutional Authority:** As a home rule unit of government under Section 6(a), Article VII of the 1970 Constitution of the State of Illinois (the **"State"**), the City has the power to regulate for the protection of the public health, safety, morals, and welfare of its inhabitants and, pursuant thereto, has the power to encourage private development in order to enhance the local tax base and create employment opportunities, and to enter into contractual agreements with private parties in order to achieve these goals.

B. **Statutory Authority:** The City is authorized under the provisions of the Industrial Jobs Recovery Law, 65 ILCS 5/11-74.6-1 et seq. (2004 State Bar Edition), as amended from time-to-time (the **"Act"**), to finance projects that promote industrial and transportation activities and thus reduce the evils attendant to involuntary unemployment and enhance the public health and welfare of the State through the use of tax increment allocation financing for redevelopment projects.

C. City Council Authority: To induce redevelopment under the provisions of the Act, the City Council of the City (the "**City Council**") adopted the following ordinances on June 23, 2004: (1) "An Ordinance of the City of Chicago, Illinois Approving a Redevelopment Plan for the Pratt/Ridge Industrial Park Conservation Redevelopment Project Area"; (2) "An Ordinance of the City of Chicago, Illinois designating the Pratt/Ridge Industrial Park Conservation Redevelopment Project Area as a Redevelopment Project Area Pursuant to The Industrial Jobs Recovery Law"; and (3) "An Ordinance of the City of Chicago, Illinois Adopting Tax Increment Allocation Financing for the Pratt/Ridge Industrial Park Conservation Redevelopment Project Area" (the "**TIF Adoption Ordinance**"). Collectively the three ordinances are defined as the "**TIF Ordinances**". The redevelopment project area (the "**Redevelopment Area**") is legally described in Exhibit A.

D. The Project: Developer is a global provider of equipment and services for electric power systems. Developer designs and manufacturers switching and protection products for electric power transmission and distribution. Developer's corporate headquarters together with one of its four manufacturing plants, (the "**Plant**") is located at 6601 N. Ridge Boulevard, Chicago, Illinois 60626 (the "**Property**"). A legal description of the Property is Exhibit B-1. The Plant and Property are designated by Developer as the John R. Conrad Industrial Complex. The Plant presently consists of 20 major buildings, housing approximately 1,125,000 square feet under roof. Developer currently has approximately 1,500 full-time employees working at the Plant on the Property. Average building age of the Plant is approximately 36 years. The Property is severely constrained by residential use on the north and west, commercial property on the south and the above grade, elevated Chicago & Northwestern Railway commuter line on the east.

Developer wants to modernize and upgrade its manufacturing capabilities to remain competitive in the global marketplace. Developer plans to invest $138,150,000 over the life of the Redevelopment Area in 7 phases for the rehabilitation and renovation of the existing buildings on the Property, the construction of new buildings and parking structures on the Property, machinery and equipment purchases, and employee training. The demolition of certain structures and the construction of new buildings and parking structures, the rehabilitation and renovation of existing buildings, machinery and equipment purchases, and employee training, all as stated in more detail in Section 3.01, are collectively defined as the "**Project**". A site plan for the Project at full build-out is Exhibit B-2. The completion of the Project would not reasonably be anticipated to occur without the financing contemplated in this Agreement.

E. Redevelopment Plan: The Project is being carried out in accordance with this Agreement and the City of Chicago Pratt/Ridge Industrial Park Conservation Redevelopment Project Area Tax Increment Finance Program Redevelopment Plan and Project dated March 8, 2004 (the "**Redevelopment Plan**") attached as Exhibit C, as amended from time-to-time.

F. City Financing and Assistance: Subject to Developer fulfilling its obligations under this Agreement required to obligate the City to do so, the City will make cash payments to

Developer in the amounts stated in Section 4.03, to reimburse Developer out of Available Incremental Taxes (as defined below) as provided in this Agreement for the costs of the TIF-Funded Improvements under the terms and conditions of this Agreement. In addition, the City may, in its discretion, issue tax increment allocation bonds ("**TIF Bonds**") secured by Incremental Taxes (as defined below) pursuant to a TIF bond ordinance (the "**TIF Bond Ordinance**"), at a later date as described and conditioned in Section 4.07, the proceeds of which (the "**TIF Bond Proceeds**") may be used to pay for the costs of the TIF-Funded Improvements not previously paid for from Available Incremental Taxes (as defined below), or in order to reimburse the City for the costs of TIF-Funded Improvements.

NOW, THEREFORE, in consideration of the premises and of the mutual covenants and agreements contained in this Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

AGREEMENT:

ARTICLE ONE: INCORPORATION OF RECITALS

The recitals stated above are an integral part of this Agreement and are hereby incorporated into this Agreement by reference and made a part hereof.

ARTICLE TWO: DEFINITIONS

The definitions stated in Schedule A and those definitions stated in the recitals are hereby incorporated into this Agreement by reference and made a part hereof.

Prior to closing, DPD must approve the Scope Drawings and Plans and Specifications for Phase I (including sustainable development features), and must have received the conceptual plan for subsequent Phases. Prior to initiating each of Phases II through VII, Developer will:

(i) Submit Scope Drawings and Plans and Specifications (including sustainable development features), as required under Section 3.02 for DPD's review and approval;

(ii) Submit a revised, updated Project Phase budget showing sources and uses of funds, and an MBE/WBE budget for DPD's review and approval;

(iii) Meet with DPD and the City's Department of Housing, Monitoring and Compliance Section to review current City Requirements;

(iv) Meet with DPD to review Project status.

3.02 **Scope Drawings and Plans and Specifications.** Developer will deliver to DPD the Scope Drawings and Plans and Specifications (including sustainable development features) for each Phase for DPD's approval. After such initial approval for each Phase, subsequent proposed changes to the Scope Drawings or Plans and Specifications will be submitted to DPD as a Change Order under Section 3.04. The Scope Drawings and Plans and Specifications (including sustainable development features) for each Phase will at all times conform to the Redevelopment Plan as in effect on the date of this Agreement, and all applicable Federal, State and local laws, ordinances and regulations. Developer will submit all necessary documents to

the City's Department of Buildings, Department of Transportation, and to such other City departments or governmental authorities as may be necessary to acquire building permits and other required approvals for each Phase of the Project.

3.03 **Project Budget.** Developer has furnished to DPD, and DPD has approved, an estimated Project Budget which is Exhibit D-1, showing total costs for the Project by Phase in an amount not less than $138,150,000. Developer hereby certifies to the City that: (a) it has Lender Financing, if any, and Equity (including cash from future operations) in an aggregate amount sufficient to pay for all Project costs on a Phase-by-Phase basis; and (b) the Project Budget is true, correct and complete estimate in all material respects. Developer will promptly deliver to DPD copies of any Change Orders with respect to the Project Budget required under Section 3.04.

3.04 **Change Orders.**

(a) Except as provided below, all Change Orders (and documentation substantiating the need and identifying the source of funding therefor) relating to material changes to any Phase of the Project must be submitted by Developer to DPD concurrently with the progress reports described in Section 3.07; provided, however, that any Change Orders relating to any of the following must be submitted by Developer to DPD for DPD's prior written approval: (a) a reduction by more than five percent (5%) in the square footage of the Project, or (b) a change in the basic use of the Plant and/or the Property, or (c) a delay in the Project schedule more than 6 months or (d) a change in the Project budget for a Phase as described in Exhibit D-1 of greater than 10 %. Except as provided below, Developer will not authorize or permit the performance of any work relating to any Change Order requiring DPD's prior written approval or the furnishing of materials in connection therewith prior to the receipt by Developer of DPD's written approval, such written approval to be delivered by DPD within 60 days after receipt of Developer's request therefor. Each Construction Contract, and each contract between the Prime Contractors and any subcontractor, must contain a provision to this effect. An approved Change Order will not be deemed to imply any obligation on the part of the City to increase the amount of City Funds or to provide any other additional assistance to Developer.

(b) Notwithstanding anything to the contrary in this Section 3.04, Change Orders costing less than Two Hundred Fifty Thousand Dollars ($250,000.00) each, to an aggregate amount of Two Million Dollars ($2,000,000.00) for each Phase of the Project, do not require DPD's prior written approval as stated in this Section 3.04, but DPD will be notified in writing of all such Change Orders and Developer, in connection with such notice, will identify to DPD the source of funding therefor.

3.05 **DPD Approval.** Any approval granted by DPD under this Agreement of the Scope Drawings, Plans and Specifications and the Change Orders for any Phase is for the purposes of this Agreement only, and any such approval does not affect or constitute any approval required by any other City department or under any City ordinance, code, regulation, or any other governmental approval, nor does any such approval by DPD under this Agreement

any other governmental approval, nor does any such approval by DPD under this Agreement constitute approval of the quality, structural soundness, safety, habitability, or investment quality of any Phase of the Project. Developer will not make any verbal or written representations to anyone to the contrary.

3.06 **Other Approvals.** Any DPD approval under this Agreement will have no effect upon, nor will it operate as a waiver of, Developer's obligations to comply with the provisions of Section 5.03 (Other Governmental Approvals).

3.07 **Progress Reports and Survey Updates.** After the Closing Date, on or before the 15th day of each reporting month, Developer will provide DPD with written quarterly construction progress reports for Phase I of the Project, including a revised completion date, if necessary (with any delay in completion date in excess of 6 months being considered a Change Order, requiring DPD's written approval under Section 3.04). Developer must also deliver to the City written quarterly progress reports detailing compliance with the requirements of Section 8.09 (Prevailing Wage), Section 10.02 (City Resident Construction Worker Employment Requirement) and Section 10.03 (Developer's MBE/WBE Commitment) (collectively, the "**City Requirements**"). If the reports reflect a shortfall in compliance with the requirements of Sections 8.09, 10.02 and 10.03, then there must be included therewith a written plan from Developer acceptable to DPD to address and cure such shortfall. After Developer obtains the Phase I Component Certificate of Completion, only annual reports addressing the reporting requirements of this Section 3.07 are required. Each such annual report will include a review of the planning for subsequent Project Phases. At Project completion, Developer will provide 3 copies of an updated Survey to DPD upon the request of DPD or any lender providing Lender Financing, if any, reflecting improvements made to the Plant or the Property.

3.08 **Inspecting Agent or Architect.** An agent or architect of the Developer identified in writing to and approved by DPD shall act as the inspecting agent or architect for the Project at the Developer's sole expense. The inspecting agent or architect approved by DPD will perform periodic inspections with respect to the Project, providing written certifications with respect thereto to DPD, prior to requests for disbursement for costs related to the Project.

3.09 **Barricades.** Prior to commencing any construction requiring barricades, Developer will install a construction barricade of a type and appearance satisfactory to the City and constructed in compliance with all applicable Federal, State or City laws, ordinances, rules and regulations. DPD retains the right to approve the maintenance, appearance, color scheme, painting, nature, type, content, and design of all barricades (other than the name and logo of the Developer or the Project).

3.10 **Signs and Public Relations.** Developer will erect in a conspicuous location at the Property during the construction of the Project a sign of size and style approved by the City, indicating that financing has been provided by the City. The City reserves the right to include the

name, photograph, artistic rendering of the Project and any other pertinent information regarding Developer and the Project in the City's promotional literature and communications.

3.11 **Utility Connections.** Developer may connect all on-site water, sanitary, storm and sewer lines constructed as a part of the Project to City utility lines existing on or near the perimeter of the Property, provided Developer first complies with all City requirements governing such connections, including the payment of customary fees and costs related thereto.

3.12 **Permit Fees.** In connection with the Project, Developer is obligated to pay only those building, permit, engineering, tap on, and inspection fees that are assessed on a uniform basis throughout the City of Chicago and are of general applicability to other property within the City of Chicago.

3.13 **Accessibility for Disabled Persons.** Developer acknowledges that it is in the public interest to design, construct and maintain the Project in a manner which promotes, enables, and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property will be reviewed and approved by the Mayor's Office for People with Disabilities ("MOPD") to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.

ARTICLE FOUR: FINANCING

4.01 **Total Project Cost and Sources of Funds.** The cost of the Project is estimated to be $138,150,000 to be applied in the manner set forth in the Project Budget. Such costs will be funded from the following sources:

Equity (subject to Section 4.06)	$138,150,000 (1)
Lender Financing	(TBD) (1)
ESTIMATED TOTAL	**$138,150,000 (1)**

NOTES:
(1) All Project costs will be front-funded by Developer. Developer will identify Lender Financing sources and amounts, if any, at or prior to closing. City Funds (as defined below) are to be provided to Developer only for reimbursement of the costs of TIF-Funded Improvements.

4.02 **Developer Funds.** Equity and Lender Financing, if any, will be used to pay all Project costs, including but not limited to costs of TIF-Funded Improvements. The City acknowledges that all or a portion of Developer's Equity may also come from borrowed funds that may be secured by the pledge of share interests in Developer and Developer's collateral other than the Plant or the Property.

4.03 **City Funds.**

(a) City Funds. Funds paid to Developer under this Agreement are defined as "**City Funds**". City Funds shall be used to reimburse Developer only for costs of TIF-Funded Improvements that constitute Redevelopment Project Costs. Exhibit E states, by line item, the TIF-Funded Improvements for the Project contingent upon receipt by the City of documentation satisfactory in form and substance to DPD evidencing such costs and their respective eligibility as a Redevelopment Project Cost. Amounts may be reallocated by Developer among such line items at any time and from time to time without amending this Agreement, upon notice to the City. Developer may carry over unreimbursed TIF-Funded Improvements from one Phase of the Project to the next Phase, but in no event shall Developer receive more than $39,735,000 in City Funds for all Project Phases.

(b) Sources of City Funds. The City, through its Department of Planning and Development, agrees to provide reimbursement to Developer from Available Incremental Taxes for TIF-Funded Improvements, subject to the terms, conditions and qualifications stated in this Article Four and elsewhere in this Agreement. City Funds paid to Developer are subject to the following:

(i) Amount of City Funds. The City shall pay to Developer City Funds for each respective Phase of the Project for the costs of TIF-Funded Improvements for such Phase, contingent upon Developer's compliance with and in accordance with the terms and conditions of this Agreement; provided, however that the aggregate amount of City Funds to be paid to Developer for reimbursement of the costs of TIF-Funded Improvements will in no event exceed in total, at any given time, more than 28.8% of the total Project budget calculated on a cumulative basis from time-to-time. Any increase in the Project budget over the life of the Project will not entitle Developer to additional City Funds in excess of $39,735,000. This Agreement is a pay-as-you-go type of Agreement. Upon completion of each Phase of the Project, Developer will request payment of City Funds by submitting a requisition form (the "**Requisition Form**") substantially in the form of Exhibit M.

(ii) Limitations on Payment of City Funds. At no time shall the amount of City Funds paid to date exceed 28.8% of total funds invested to date by Developer in the Project. In any year in which the Property has generated Available Incremental Taxes to which Developer has a claim, but payment of any portion of those Available Incremental Taxes would cause the ratio of City Funds paid to the Project investment to exceed or be less than 28.8%, then future payment of City Funds shall be adjusted to take such excess or deficiency into account.

For example, at the completion of Phase I with Project costs of $26,300,000, Developer would be entitled to $7,574,400 (28.8% of invested Project costs), however TIF eligible expenses for Phase I are estimated to be only $4,490,000 (17.1% of Project

Costs). Therefore, the excess can be carried forward and used in future Phases, as long as the ratio of City Funds paid to the Project investment does not exceed 28.8% at any time.

Project costs at the completion of Phase II (excluding Phase I) are estimated to be $27,490,000 and TIF eligible expenses for Phase II are estimated to be $13,612,500 (49.5% of the estimated Phase II Project costs). However, total Project costs for Phases I and II are $53,790,000. Therefore, Developer would be eligible for $15,491,520 in TIF eligible expenses at the completion of Phases I and II. Developer has already received $4,490,000 for Phase I TIF eligible expenses, and therefore could receive $11,001,520 for its Phase II TIF eligible expenses ($15,491,520 - $4,490,000). Any Available Incremental Taxes above this amount cannot be paid out until the Developer receives a Phase III Component Certificate of Completion, from which point Developer would be entitled to City Funds in an amount not to exceed 28.8% of the total of Phases I through III invested Project costs.

(iii) Timing. Developer's first Requisition Form will be submitted upon receipt of the Phase I Component Certificate of Completion. Thereafter, Developer will submit a Requisition Form by December 1st annually with payment of City Funds to be made by the City on or before the following March 1st.

(iv) Insufficient Available Incremental Taxes. If the amount of Available Incremental Taxes under this Agreement is insufficient to meet in full Developer's City Funds request stated in a Requisition Form, then: (1) the City will not be in default under this Agreement, and (2) due but unpaid City Funds will be paid by the City to Developer under this Section 4.03 as promptly as funds become available for their payment, but in no event shall the City become liable for any interest payments on unpaid City Funds.

4.04 **Phase-by-Phase Preconditions to Payment of City Funds.** Developer acknowledges and agrees that the City will pay City Funds for each of the Phases only if each of the following preconditions for a particular Phase are met:

Only those expenditures made by Developer with respect to the Project prior to the Closing Date, evidenced by documentation satisfactory to DPD and approved by DPD as satisfying costs covered in the Project Budget, will be considered previously contributed Equity or Lender Financing hereunder (the "**Prior Expenditure(s)**"). (a) DPD has approved Developer's selection of Bulley & Andrews, LLC, an Illinois limited liability company, Hill Mechanical Corp., an Illinois corporation and Continental Electrical Construction Company, LLC, an Illinois limited liability company as the Prime Contractors (the "**Prime Contractors**") for the construction of the Project. Developer has caused the Prime Contractors to solicit bids from qualified subcontractors eligible to do business with the City, and must submit all bids received to DPD for its inspection.

(b) For the TIF-Funded Improvements, Developer shall cause the Prime Contractors to select the subcontractors submitting the lowest bid who can complete the respective Phase of the Project in a responsible and timely manner in Developer's discretion and who will enable the Developer to meet its obligations under Article Ten referred to as the ("lowest responsible bid"). Upon completion of each Phase in accordance with the terms of this Agreement, and upon Developer's written request, DPD will issue to Developer a Component Completion Certificate in recordable form certifying that Developer has fulfilled its obligation to complete such Phase of the Project in accordance with the terms of the Agreement.

(b) DPD shall respond to Developer's written request for a Certificate or Component Completion Certificate within 45 days by issuing either a Certificate or Component Completion Certificate or a written statement detailing the ways in which the Project does not conform to this Agreement or has not been satisfactorily completed and the measures which must be taken by Developer in order to obtain the Certificate or Component Completion Certificate. Developer may resubmit a written request for a Certificate or Component Completion Certificate upon completion of such measures, and the City shall respond within 45 days in the same manner as set forth with respect to the initial request. Such process may repeat until the City issues a Certificate or Component Completion Certificate.

7.02 **Effect of Issuance of Certificate; Continuing Obligations.**

(a) The Certificate relates only to the construction of the Project, and upon its issuance, the City will certify that the terms of the Agreement specifically related to Developer's obligation to complete such activities have been satisfied. After the issuance of a Certificate, however, all executory terms and conditions of this Agreement and all representations and covenants contained herein will continue to remain in full force and effect throughout the Term of the Agreement as to the parties described in the following paragraph, and the issuance of the Certificate shall not be construed as a waiver by the City of any of its rights and remedies pursuant to such executory terms.

(b) Those covenants specifically described at Section 8.02 (Covenant to Redevelop), Section 8.06 (Job Creation and Retention; Covenant to Remain in the City), and Section 8.17 (Real Estate Provisions) as covenants that run with the land are the only covenants in this

Agreement intended to be binding upon any transferee of the Property (including an assignee as described in the following sentence) throughout the Term of the Agreement notwithstanding the issuance of a Certificate (except with respect to Section 8.02). The other executory terms of this Agreement that remain after the issuance of a Certificate shall be binding only upon Developer or a permitted assignee of Developer who, pursuant to Section 18.15 (Assignment) of this Agreement, has contracted to take an assignment of Developer's rights under this Agreement and assume Developer's liabilities hereunder.

7.03 **Notice of Expiration of Term of Agreement.** Upon the expiration of the Term of the Agreement, DPD will provide Developer, at Developer's written request, with a written notice in recordable form stating that the Term of the Agreement has expired.

(d) Developer has acquired and will maintain good, indefeasible and merchantable fee simple title to the Property (and improvements) free and clear of all liens (except for the Permitted Liens, Lender Financing, if any, as disclosed in the Project Budget and non-governmental charges that Developer is contesting in good faith under Section 8.13);

(h) Developer is not in default with respect to any indenture, loan agreement, mortgage, deed, note or any other agreement or instrument related to the borrowing of money to which Developer is a party or by which Developer or any of its assets is bound or which otherwise binds the Property or by which the Property or any property interest therein is collateral or security for any debt;

(i) the Financial Statements are, and when hereafter required to be submitted will be, complete, correct in all material respects and accurately present the assets, liabilities, results of operations and financial condition of Developer; and there has been no material adverse change in the assets, liabilities, results of operations or financial condition of Developer since the date of Developer's most recent Financial Statements which would have a material adverse effect on Developer's ability to perform its obligations under this Agreement;

Additionally, after the issuance of a Certificate, Developer will inform the City not less than 60 days prior to any pending sale of substantially all of its assets or equity to a person or entity which is not an Affiliate of Developer;

(k) Developer has not incurred and, prior to the issuance of a Certificate, will not, without the prior written consent of the Commissioner of DPD, allow the existence of any liens against the Property and the Project other than the Permitted Liens; or incur any indebtedness secured or to be secured by the Property and the Project or any fixtures now or hereafter attached thereto, except: (i) Lender Financing disclosed in the Project Budget; and (ii) liens in the ordinary course of Developer's business; and

(l) Developer has not made or caused to be made, directly or indirectly, any payment, gratuity or offer of employment in connection with the Agreement or any contract paid from the City treasury or under City ordinance, for services to any City agency ("**City Contract**") as an inducement for the City to enter into the Agreement or any City Contract with Developer in violation of Chapter 2-156-120 of the Municipal Code of the City.

(m) Neither the Developer nor any Affiliate thereof is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons Lists, the Unverified List, the Entity List and the Debarred List.

8.02 **Covenant to Redevelop**. Upon DPD's approval of the Scope Drawings and Plans and Specifications, and the Project Budget as provided in Sections 3.02 and 3.03, and Developer's receipt of all required building permits and governmental approvals, Developer will redevelop the Project in accordance with this Agreement and all exhibits attached hereto, the TIF Ordinances, the Scope Drawings, the Plans and Specifications, the Project Budget and all amendments thereto, and all Federal, State and local laws, ordinances, rules, regulations, executive orders and codes applicable to the Project, the Property and/or Developer. 8.03 **Redevelopment Plan.** Developer represents that the Project is and will be in compliance with all applicable terms of the Redevelopment Plan, as in effect on the date hereof.

8.04 **Use of City Funds**. City Funds disbursed to Developer will be used by Developer solely to reimburse Developer for its payment for the TIF-Funded Improvements as provided in this Agreement.

8.05 **Cooperation in Issuance of TIF Bonds or Other Bonds.** Developer will, at the request of the City, agree to any reasonable amendments to this Agreement that are necessary or desirable in order for the City to issue (in its sole and absolute discretion) TIF Bonds or other bonds ("**Bonds**") in connection with the Project or the Redevelopment Area, the proceeds of which are to be used to reimburse the City for expenditures made in connection with the TIF-

Funded Improvements; provided, however, that any such amendments shall not have a material adverse effect on Developer or the Project. Developer will, at Developer's expense, cooperate and provide reasonable assistance in connection with the marketing of any such TIF Bonds or other Bonds, including but not limited to providing written descriptions of the Project, making representations, providing information regarding its financial condition, and assisting the City in preparing an offering statement with respect thereto. Developer shall not have any liability with respect to any disclosures made in connection with any such issuance that are actionable under applicable securities laws unless such disclosures are based on factual information provided by Developer that is determined to be false and misleading.

8.06 **Job Creation and Retention; Covenant to Remain in the City**.

(a) Developer covenants to create or to retain not less than 1,500 FTE permanent jobs on the Property plus 50 new FTE permanent jobs by January 1, 2010 at the completion of Phase I. Developer covenants to create or retain not less than 1,200 FTE of such permanent jobs on each of the completion dates for Phases II through VII as calculated below. To be in compliance with the requirements of Section 8.06(a), Developer must meet one of two tests:

(i) The number of FTE permanent jobs must exceed the target number, or measured by number of FTE permanent jobs existing at the end of each calendar quarter, averaged over the 4 calendar quarters for the year prior to which payment of City Funds is to be made; or

(ii) The number of FTE permanent jobs existing in the 4th quarter of a calendar year exceeds the target number, and Developer provides evidence to DPD's satisfaction that such jobs will be filled in the subsequent year.

In any case, Developer must demonstrate that the jobs counted do not include so-called "temporary" part-time or full-time positions. Developer agrees to utilize the Mayor's Office of Workforce Development (MOWD) and its contracted agencies as a source for referral in the filling of employment opportunities.

(b) Developer covenants to maintain its industrial manufacturing operations and corporate headquarters within the City at the Property for the Term of the Agreement.

(c) Developer covenants to operate the Project in compliance with the Redevelopment Plan and applicable zoning laws.

The covenants stated in this Section 8.06 run with the land and will be binding on any transferee.

8.07 **Employment Opportunity**. Developer covenants and agrees to abide by, and contractually obligate and use reasonable efforts to cause the Prime Contractors and, as

applicable, to cause the Prime Contractors to contractually obligate each subcontractor to abide by the terms set forth in Section 8.09 (Prevailing Wage) and Article Ten (Developer's Employment Obligations). Developer will submit to DPD a plan describing its compliance program prior to the Closing Date. Developer will deliver to the City written progress reports detailing compliance with the requirements of Sections 8.09, 10.02 and 10.03 of this Agreement. Such reports will be delivered to the City when the Project is 25%, 50%, 70% and 100% complete (based on the amount of expenditures incurred in relation to the Project Budget). If any such reports indicate a shortfall in compliance, Developer will also deliver a plan to DPD which will outline, to DPD's satisfaction, the manner in which Developer will correct any shortfall.

8.08 **Employment Profile.** Developer will submit, and contractually obligate and cause the Prime Contractors to submit and contractually obligate any subcontractor to submit, to DPD, from time to time, statements of its employment profile upon DPD's request.

All such contracts shall list the specified rates to be paid to all laborers, workers, mechanics and tradesmen for each craft or type of worker, mechanic or tradesman employed under such contract. If the Labor Department revises such prevailing wage rates, the revised rates will apply to all such contracts. Upon the City's request, Developer will provide the City with copies of all such contracts entered into by Developer or the Prime Contractors to evidence compliance with this Section 8.09. If Developer has received a compliance letter from the City's monitoring staff concerning the City Requirement stated in this Section 8.09 for a Phase, and if the Prime Contractors have paid any wages and penalties required under the Prevailing Wage Act within such time and in such manner as required by the Prevailing Wage Act for such Phase, then Developer shall have no further liability under this Agreement with respect to this Section 8.09 for such Phase, and shall not be deemed in default under this Section 8.09 for such Phase. The provisions of this Section 8.09 shall not apply to the installation of machinery and equipment used in Developer's business operations.

8.10 **Arms-Length Transactions.** Unless DPD shall have given its prior written consent with respect thereto, no Affiliate of Developer may receive any portion of City Funds, directly or indirectly, in payment for work done, services provided or materials supplied in connection with any TIF-Funded Improvement. Developer will provide information with respect to any entity to receive City Funds directly or indirectly (whether through payment to the Affiliate by Developer and reimbursement to Developer for such costs using City Funds, or otherwise), upon DPD's request, prior to any such disbursement.

8.11 **Financial Statements.** Developer will obtain and provide to DPD Financial Statements for Developer's fiscal year ended 2005, 2006 and 2007, as applicable, and each year thereafter for the Term of the Agreement. In addition, Developer will submit unaudited financial

8.13 **Non-Governmental Charges.**

(a) Payment of Non-Governmental Charges. Except for the Permitted Liens, Developer agrees to pay or cause to be paid when due any Non-Governmental Charge assessed or imposed upon the Project, the Property or any fixtures that are or may become attached thereto and which are owned by Developer, which creates, may create, or appears to create a lien upon all or any portion of the Property or Project; provided however, that if such Non-Governmental Charge may be paid in installments, Developer may pay the same together with any accrued interest thereon in installments as they become due and before any fine, penalty, interest, or cost may be added thereto for nonpayment. Developer will furnish to DPD, within thirty (30) days of DPD's request, official receipts from the appropriate entity, or other proof satisfactory to DPD, evidencing payment of the Non-Governmental Charge in question.

(b) Right to Contest. Developer will have the right, before any delinquency occurs:

(i) to contest or object in good faith to the amount or validity of any Non-Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted, in such manner as shall stay the collection of the contested Non-Governmental Charge, prevent the imposition of a lien or remove such lien, or prevent the transfer or forfeiture of the Property (so long as no such contest or objection shall be deemed or construed to relieve, modify or extend Developer's covenants to pay any such Non-Governmental Charge at the time and in the manner provided in this Section 8.13); or

(ii) to furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD will require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such transfer or forfeiture of the Property or any portion thereof or any fixtures that are or may be attached thereto, during the pendency of such contest, adequate to pay fully any such contested Non-Governmental Charge and all interest and penalties upon the adverse determination of such contest.

8.14 **Developer's Liabilities.** Developer will not enter into any transaction that would materially and adversely affect its ability to perform its obligations under this Agreement. Unless prohibited from doing so by applicable law, Developer will immediately notify DPD of any and all events or actions which may materially and adversely affect Developer's ability to perform its obligations under this Agreement.

8.15 **Compliance with Laws.** To the best of Developer's knowledge, after diligent inquiry, the Property, and the Project are and shall be in compliance with all applicable Federal, State and local laws, statutes, ordinances, rules, regulations, executive orders and codes pertaining to or affecting the Project and the Property, including the following Municipal Code Sections: 7-28-390, 7-28-440, 11-4-1410, 11-4-1420, 11-4-1450, 11-4-1500, 11-4-1530, 11-4-1550 or 11-4-1560, whether or not in the performance of this Agreement. Upon the City's request, Developer will provide evidence satisfactory to the City of such compliance.

8.16 **Recording and Filing.** Developer will cause this Agreement, certain exhibits (as specified by Corporation Counsel) and all amendments and supplements hereto to be recorded and filed on the date hereof in the conveyance and real property records of Cook County, Illinois against the Property. Developer will pay all fees and charges incurred in connection with any such recording. Upon recording, Developer will immediately transmit to the City an executed original of this Agreement showing the date and recording number of record.

8.17 **Real Estate Provisions.**

(a) Governmental Charges.

(i) Payment of Governmental Charges. Developer agrees to pay or cause to be paid when due all Governmental Charges (as defined below) which are assessed or imposed upon Developer, the Property or the Project, or become due and payable, and which create, may create, or appear to create a lien upon Developer or all or any portion of the Property or the Project. "**Governmental Charge**" means all Federal, State, county, the City, or other governmental (or any instrumentality, division, agency, body, or department thereof) taxes, levies, assessments, charges, liens, claims or encumbrances relating to Developer, the Property or the Project, including but not limited to real estate taxes.

(ii) Right to Contest. Developer has the right before any delinquency occurs to contest or object in good faith to the amount or validity of any Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted in such manner as shall stay the collection of the contested Governmental Charge and prevent the imposition of a lien or the sale or transfer or forfeiture of the Property or the Project. No such contest or objection shall be deemed or construed in any way as relieving, modifying or extending Developer's covenants to pay any such Governmental Charge at the time and in the manner provided in this Agreement unless Developer has given prior written notice to DPD of Developer's intent to contest or object to a Governmental Charge and unless:

(x) Developer shall demonstrate to DPD's satisfaction that legal proceedings instituted by Developer contesting or objecting to a Governmental Charge shall conclusively operate to prevent or remove a lien against, or the sale or transfer or forfeiture of, all or any part of the Property or the Project to satisfy

such Governmental Charge prior to final determination of such proceedings, and/or;

(y) Developer shall furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or transfer or forfeiture of the Property or Project during the pendency of such contest, adequate to pay fully any such contested Governmental Charge and all interest and penalties upon the adverse determination of such contest.

(b) Developer's Failure To Pay Or Discharge Lien. If Developer fails to pay any Governmental Charge or to obtain discharge of the same, Developer will advise DPD thereof in writing, at which time DPD may, but will not be obligated to, and without waiving or releasing any obligation or liability of Developer under this Agreement, in DPD's sole discretion, make such payment, or any part thereof, or obtain such discharge and take any other action with respect thereto which DPD deems advisable. All sums so paid by DPD, if any, and any expenses, if any, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, will be promptly disbursed to DPD by Developer. Notwithstanding anything contained herein to the contrary, this paragraph must not be construed to obligate the City to pay any such Governmental Charge. Additionally, if Developer fails to pay any Governmental Charge, the City, in its sole discretion, may require Developer to submit to the City copies of the latest audited Financial Statements at Developer's own expense.

(c) Real Estate Taxes.

(i) Acknowledgment of Real Estate Taxes. Developer agrees that for the purposes of this Agreement, the total projected minimum assessed value of the Property ("**Minimum Assessed Value**") is shown on Exhibit J attached hereto and incorporated herein by reference for the years noted on Exhibit J.

(ii) Real Estate Tax Exemption. With respect to the Property or the Project, neither Developer nor any agent, representative, lessee, tenant, assignee, transferee or successor in interest to Developer shall, during the Term of this Agreement, seek or authorize any exemption (as such term is used and defined in the Illinois Constitution, Article IX, Section 6 (1970)) for any year that the Redevelopment Plan is in effect.

(iii) No Reduction in Real Estate Taxes. Neither Developer nor any agent, representative, lessee, tenant, assignee, transferee or successor in interest to Developer will, during the Term of this Agreement, directly or indirectly, initiate, seek or apply for proceedings in order to lower the assessed value of all or any portion of the Property or the Project below the amount of the Minimum Assessed Value as shown in Exhibit J for the applicable year.

(iv) No Objections. Neither Developer nor any agent, representative, lessee, tenant, assignee, transferee or successor in interest to Developer, will object to or in any way seek to interfere with, on procedural or any other grounds, the filing of any Under Assessment Complaint (as defined below) or subsequent proceedings related thereto with the Cook County Assessor or with the Cook County Board of Appeals, by either the City or any taxpayer. The term **"Under Assessment Complaint"** as used in this Agreement means any complaint seeking to increase the assessed value of the Property or the Project up to (but not above) the Minimum Assessed Value as shown in Exhibit J.

(v) Covenants Running with the Land. The parties agree that the restrictions contained in this Section 8.17(c) are covenants running with the land. This Agreement will be recorded by Developer as a memorandum thereof, at Developer's expense, with the Cook County Recorder of Deeds on the Closing Date. These restrictions will be binding upon Developer and its agents, representatives, lessees, successors, assigns and transferees from and after the date hereof; provided however, that the covenants will be released when the Redevelopment Area is no longer in effect. Developer agrees that any sale, transfer, lease, conveyance, or transfer of title to all or any portion of the Property or the Project from and after the date hereof shall be made explicitly subject to such covenants and restrictions. Notwithstanding anything contained in this Section 8.17 (c) to the contrary, the City, in its sole discretion and by its sole action, without the joinder or concurrence of Developer, its successors or assigns, may waive and terminate Developer's covenants and agreements set forth in this Section 8.17(c).

8.18 **Public Benefits Program.** Prior to the Closing Date, Developer, either directly or through its charitable foundation, has made contributions to those organizations in the amounts listed in Exhibit L **("Public Benefits Program")** described in more detail in Exhibit L. Developer will provide the City with proof of Developer's compliance with the Public Benefits Program.

8.19 **Broker's Fees.** Developer has no liability or obligation to pay any fees or commissions to any broker, finder, or agent with respect to the transactions contemplated by this Agreement for which the City could become liable or obligated.

8.20 **No Conflict of Interest.** Under Section 5/11-74.4-4(n) of the Act, Developer represents, warrants and covenants that, to the best of its knowledge, no member, official, or employee of the City, or of any commission or committee exercising authority over the Project, the Redevelopment Area or the Redevelopment Plan, or any consultant hired by the City or Developer with respect thereto (a **"City Group Member"**), owns or controls, has owned or controlled or will own or control any interest, and no such City Group Member shall represent any person, as agent or otherwise, who owns or controls, has owned or controlled, or will own or control any interest, direct or indirect, in Developer's business, the Property, the Project, or to Developer's actual knowledge, any other property in the Redevelopment Area.

8.21 **Disclosure of Interest**. Developer's counsel has no direct or indirect financial ownership interest in Developer, the Property or any other feature of the Project.

8.22 **No Business Relationship with City Elected Officials**. Developer acknowledges receipt of a copy of Section 2-156-030 (b) of the Municipal Code and that Developer has read and understands such provision. Pursuant to Section 2-156-030(b) of the Municipal Code of Chicago, it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected official has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code), or to participate in any discussion of any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship. Violation of Section 2-156-030(b) by any elected official, or any person acting at the direction of such official, with respect to this Agreement, or in connection with the transactions contemplated thereby, shall be grounds for termination of this Agreement and the transactions contemplated thereby. Developer hereby represents and warrants that, to the best of its knowledge after due inquiry, no violation of Section 2-156-030(b) has occurred with respect to this Agreement or the transactions contemplated thereby.

8.23 **Prohibition on Certain Contributions – Mayoral Executive Order No. 05-1.** Developer agrees that Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in Developer of more than 7.5 percent ("**Owners**"), spouses and domestic partners of such Owners, Developer's contractors (i.e., any person or entity in direct contractual privity with Developer regarding the subject matter of this Agreement) ("**Contractors**"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("**Sub-owners**") and spouses and domestic partners of such Sub-owners (Developer and all the other preceding classes of persons and entities are together, the "**Identified Parties**"), will not make a contribution of any amount to the Mayor of the City of Chicago (the "**Mayor**") or to his political fundraising committee: (i) after execution of this Agreement by Developer, (ii) while this Agreement or any Other Contract is executory, (iii) during the Term of this Agreement or any Other Contract between Developer and the City, or (iv) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

Developer represents and warrants, to the best of its knowledge, that from the later of: (i) February 10, 2005, or (ii) the date the City approached the Developer or the date the Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Developer agrees that it will not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's

political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Developer agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 05-1 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 05-1.

Developer agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 05-1 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Developer intentionally violates this provision or Mayoral Executive Order No. 05-1 prior to the closing of this Agreement, the City may elect to decline to close the transaction contemplated by this Agreement.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source which are then delivered by one person to the Mayor or to his political fundraising committee.

"Other Contract" means any other agreement with the City of Chicago to which Developer is a party that is: (i) formed under the authority of chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council of the City of Chicago.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are **"Domestic Partners"** if they satisfy the following criteria:

(A) they are each other's sole domestic partner, responsible for each other's common welfare; and
(B) neither party is married; and
(C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and
(D) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and

(E) two of the following four conditions exist for the partners:

1. The partners have been residing together for at least 12 months.
2. The partners have common or joint ownership of a residence.
3. The partners have at least two of the following arrangements:
   a. joint ownership of a motor vehicle;
   b. a joint credit account;
   c. a joint checking account;
   d. a lease for a residence identifying both domestic partners as tenants.
4. Each partner identifies the other partner as a primary beneficiary in a will.

"Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

8.24 **Survival of Covenants.** All warranties, representations, covenants and agreements of Developer contained in this Article Eight and elsewhere in this Agreement shall be true, accurate and complete at the time of Developer's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and (except as provided in Article Seven hereof upon the issuance of a Certificate or a Component Completion Certificate) shall be in effect throughout the Term of the Agreement.

ARTICLE NINE: REPRESENTATIONS, WARRANTIES AND COVENANTS OF CITY

9.01 **General Covenants.** The City represents that it has the authority as a home rule unit of local government to execute and deliver this Agreement and to perform its obligations hereunder.

9.02 **Survival of Covenants.** All warranties, representations, and covenants of the City contained in this Article Nine or elsewhere in this Agreement shall be true, accurate, and complete at the time of the City's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and be in effect throughout the Term of the Agreement.

ARTICLE TEN: DEVELOPER'S EMPLOYMENT OBLIGATIONS

10.01 **Employment Opportunity.** Developer, on behalf of itself and its successors and assigns, hereby agrees, and shall contractually obligate its or their various contractors, subcontractors or any Affiliate of Developer operating at the Plant, the Property or on the Project (collectively, with Developer, such parties are defined herein as the **"Employers"**, and individually defined herein as an **"Employer"**) to agree, that for the Term of this Agreement with respect to Developer and during the period of any other party's provision of services in

connection with the construction of the Project or occupation of the Property solely in connection with the construction of the Project:

(a) No Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Chapter 2-160, Section 2-160-010 et seq., Municipal Code, except as otherwise provided by said ordinance and as amended from time-to-time (the **"Human Rights Ordinance"**). Each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

(b) To the greatest extent feasible, each Employer is required to present opportunities for training and employment of low and moderate-income residents of the City and preferably of the Redevelopment Area; and to provide that contracts for work in connection with the construction of the Project be awarded to business concerns that are located in, or owned in substantial part by persons residing in, the City and preferably in the Redevelopment Area.

(c) Each Employer shall comply with all applicable Federal, State and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the City's Human Rights Ordinance and the State Human Rights Act, 775 ILCS 5/1-101 et. seq. (2004 State Bar Edition, as amended), and any subsequent amendments and regulations promulgated thereto.

(d) Each Employer, in order to demonstrate compliance with the terms of this Section, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of Federal, State and municipal agencies.

(e) Each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every construction contract entered into in connection with the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors and

every agreement with any Affiliate engaged in construction of the Project, so that each such provision shall be binding upon each contractor, subcontractor or Affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 10.01 shall be a basis for the City to pursue remedies under the provisions of Section 15.02 hereof.

10.02 **City Resident Construction Worker Employment Requirement.**

(a) Developer agrees for itself and its successors and assigns, and will contractually obligate its Prime Contractors as are necessary and appropriate to achieve compliance with the provisions of this Section 10.02 and will cause the Prime Contractors to contractually obligate such subcontractors as are necessary and appropriate to achieve compliance with the provisions of this Section 10.02, to agree, that during the construction of the Project they will comply with the minimum percentage of total worker hours performed by actual residents of the City as specified in Section 2-92-330 of the Municipal Code of Chicago (at least 50 percent of the total worker hours worked by persons on the site of the Project will be performed by actual residents of the City); provided, however, that in addition to complying with this percentage, Developer, its Prime Contractors and each such subcontractor will be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions. Developer, the Prime Contractors and each such subcontractor will use their respective best efforts to exceed the minimum percentage of hours stated above, and to employ neighborhood residents in connection with the Project.

(b) Developer may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the Chief Procurement Officer of the City.

(c) **"Actual residents of the City"** means persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

(d) Developer, the Prime Contractors and each subcontractor will provide for the maintenance of adequate employee residency records to show that actual Chicago residents are employed on the Project. Each Employer will maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

(e) Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) will be submitted to the Commissioner of DPD in triplicate, which will identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Employer hired the employee should be written in after the employee's name.

(f) The Prime Contractors and each subcontractor will provide full access to their employment records to the Chief Procurement Officer, the Commissioner of DPD, the Superintendent of the Chicago Police Department, the Inspector General or any duly authorized representative of any of them for the sole purpose of determining compliance with this Section 10.02. The Prime Contractors and each subcontractor will maintain all relevant personnel data and records for a period of at least 3 years after final acceptance of the work constituting the Project.

(g) At the direction of DPD, affidavits and other supporting documentation will be required of Developer, the Prime Contractors and each subcontractor to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

(h) Good faith efforts on the part of Developer, the Prime Contractors and each subcontractor to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) will not suffice to replace the actual, verified achievement of the requirements of this Section concerning the worker hours performed by actual Chicago residents.

(i) When construction of each Phase of the Project is completed, in the event that the City has determined that Developer has failed to cause the fulfillment of the requirements of this Article concerning the worker hours performed by actual residents of the City or failed to report in the manner as indicated above for the respective completed Phase, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Article. Therefore, in such a case of non-compliance, it is agreed that 1/20 of 1 percent (0.0005) of the aggregate hard construction costs set forth in the Project Budget for the completed Phase (the product of .0005 x such aggregate hard construction costs) (as the same shall be evidenced by approved contract value for the actual contracts) shall be surrendered by Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement for such Phase. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories for the Phase in question. The willful falsification of statements and the certification of payroll data may subject Developer, the Prime Contractors and/or the subcontractors to prosecution. Any retainage to cover contract performance that may become due to Developer pursuant to Section 2-92-250 of the Municipal Code of Chicago for the Phase in question may be withheld by the City pending the Chief Procurement Officer's determination as to whether Developer must surrender damages as provided in this paragraph for such Phase.

(j) Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement or related documents.

(k) Developer shall cause or require the provisions of this Section 10.02 to be included in all construction contracts and in such subcontracts as are necessary and appropriate to achieve compliance with the provisions of this Section 10.02 related to the Project.

10.03 **Developer's MBE/WBE Commitment.** Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements stated in this section, will contractually obligate the Prime Contractors to agree that during the construction of the Project:

(a) Consistent with the findings which support, as applicable: (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code of Chicago (the **"Procurement Program"**), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code of Chicago (the **"Construction Program"**, and collectively with the Procurement Program, the **"MBE/WBE Program"**), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 10.03, during the course of the construction of the Project, at least the following percentages of the MBE/WBE Budget (as stated in Exhibit D-2) must be expended for contract participation by Minority-Owned Businesses (**"MBEs"**) and by Women-Owned Businesses (**"WBEs"**):

(1) At least 24 percent by MBEs.
(2) At least 4 percent by WBEs.

Developer is required to meet the MBE/WBE goals stated in this Section 10.03 on a Phase-by-Phase basis. If Developer has participation credits for a Phase in excess of the 24% / 4% goals, then Developer may carry over such credits to the next Phase. If Developer has participation deficiencies for a Phase, then Developer may not "catch-up" in the next or subsequent Phase.

(b) For purposes of this Section 10.03 only:

(i) Developer (and any party to whom a contract is let by Developer in connection with the construction of the Project) is deemed a **"contractor"** and this Agreement (and any contract let by Developer in connection with the construction of the Project) is deemed a **"contract"** or a **"construction contract"** as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code of Chicago, as applicable.

(ii) The term **"minority-owned business"** or **"MBE"** shall mean a business identified in the Directory of Certified Minority Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a minority-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(iii) The term **"women-owned business"** or **"WBE"** shall mean a business identified in the Directory of Certified Women Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a women-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code of Chicago, Developer's MBE/WBE commitment may be achieved in part by Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of: (i) the MBE or WBE participation in such joint venture or (ii) the amount of any actual work performed on the Project by the MBE or WBE), by Developer utilizing a MBE or a WBE as a Prime Contractor (but only to the extent of any actual work performed on the Project by the Prime Contractor), by subcontracting or causing the Prime Contractor to subcontract a portion of the Project to one or more MBEs or WBEs, or by the purchase of materials or services used in the construction of the Project from one or more MBEs or WBEs, or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer's MBE/WBE commitment as described in this Section 10.03. In compliance with Section 2-92-730, Municipal Code of Chicago, Developer will not substitute any MBE or WBE Prime Contractor or subcontractor without the prior written approval of DPD.

(d) Developer must deliver quarterly reports to the City's monitoring staff during the Project describing its efforts to cause compliance with this MBE/WBE commitment. Such reports will include, inter alia: the name and business address of each MBE and WBE solicited by the Prime Contractors to work on the construction of the Project, and the responses received from such solicitation; the name and business address of each MBE or WBE actually involved in the Project; a description of the work performed or products or services supplied; the date and amount of such work, product or service; and such other information as may assist the City's monitoring staff in determining the Developer's compliance with this MBE/WBE commitment. Developer will cause records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the Project to be maintained for at least 5 years after completion of the Project, and the City's monitoring staff will have access to all such records maintained on behalf of Developer, on 5 Business Days' notice, to allow the City to review Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the construction of the Project.

(e) Upon the disqualification of any MBE or WBE Prime Contractors or subcontractor, if such status was misrepresented by the disqualified party, Developer is obligated to discharge or cause to be discharged the disqualified Prime Contractors or subcontractor, and, if possible, cause a qualified MBE or WBE to be identified and engaged as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code of Chicago, as applicable.

(f) Any reduction or waiver of Developer's MBE/WBE commitment as described in this Section 10.03 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code of Chicago, as applicable.

(g) Prior to the commencement of the construction of the Project, Developer shall be required to meet with the City's monitoring staff with regard to Developer's compliance with its obligations under this Section 10.03. The Prime Contractors and all major subcontractors are required to attend this pre-construction meeting. During said meeting, Developer will demonstrate to the City's monitoring staff its plan to achieve its obligations under this Section 10.03, the sufficiency of which will be approved by the City's monitoring staff. During the Project, Developer shall submit or cause to be submitted the documentation required by this Section 10.03 to the City's monitoring staff, including the following: (i) subcontractor's activity report; (ii) contractor's certification concerning labor standards and prevailing wage requirements; (iii) contractor letter of understanding; (iv) quarterly utilization report; (v) authorization for payroll agent; (vi) certified payroll; (vii) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (viii) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that Developer is not complying with its obligations under this Section 10.03, will, upon the delivery of written notice to Developer, be deemed an Event of Default.

ARTICLE ELEVEN: ENVIRONMENTAL MATTERS

11.01 **Environmental Matters.** Developer hereby represents and warrants to the City that Developer has conducted environmental studies sufficient to conclude that the Project may be constructed, completed and operated in accordance with all Environmental Laws, this Agreement and all Exhibits attached hereto, the Scope Drawings, the Plans and Specifications and all amendments thereto, the TIF Bond Ordinance, if any, and the Redevelopment Plan.

Without limiting any other provisions hereof, Developer agrees to indemnify, defend and hold the City harmless from and against any and all losses, liabilities, damages, injuries, costs, expenses or claims of any kind whatsoever including, without limitation, any losses, liabilities, damages, injuries, costs, expenses or claims asserted or arising under any Environmental Laws incurred, suffered by or asserted against the City as a direct or indirect result of any of the following, regardless of whether or not caused by, or within the control of Developer: (i) the presence of any Hazardous Materials on or under, or the escape, seepage, leakage, spillage, emission, discharge or release of any Hazardous Materials from: (A) all or any portion of the Property, or (B) any other real property in which Developer, or any person directly or indirectly controlling, controlled by or under common control with Developer, holds any estate or interest whatsoever (including, without limitation, any property owned by a land trust in which the beneficial interest is owned, in whole or in part, by Developer), or (ii) any liens against the Property permitted or imposed by any Environmental Laws, or any actual or asserted liability or

obligation of the City or Developer or any of its Affiliates under any Environmental Laws relating to the Property.

ARTICLE TWELVE: INSURANCE

12.01 **Insurance Requirements.** Developer's insurance requirements are set forth in Schedule B which is hereby incorporated into this Agreement by reference and made a part hereof.

ARTICLE THIRTEEN: INDEMNIFICATION

13.01 **General Indemnity.** Developer agrees to indemnify, pay and hold the City, and its elected and appointed officials, employees, agents and affiliates (individually an **"Indemnitee,"** and collectively the **"Indemnitees")** harmless from and against, any and all liabilities, obligations, losses, damages (arising out of a third party action against the City), penalties, actions, judgments, suits, claims, costs, expenses and disbursements of any kind or nature whatsoever, (and including, without limitation, the reasonable fees and disbursements of counsel for such Indemnitees in connection with any investigative, administrative or judicial proceeding commenced or threatened, whether or not such Indemnitees shall be designated a party thereto), that may be imposed on, suffered, incurred by or asserted against the Indemnitees by a third party in any manner relating to or arising out of:

(i) Any cost overruns as described in Section 4.06; or

(ii) Developer's failure to comply with any of the terms, covenants and conditions contained within this Agreement; or

(iii) Developer's or any contractor's failure to properly pay Prime Contractors, subcontractors or materialmen in connection with the TIF-Funded Improvements or any other Project improvement; or

(iv) the existence of any material misrepresentation or omission in this Agreement, any offering memorandum or the Redevelopment Plan or any other document related to this Agreement that is the result of information supplied or omitted by Developer or its agents, employees, contractors or persons acting under the control or at the request of Developer; or

(v) Developer's failure to cure any misrepresentation in this Agreement or any other agreement relating hereto; or

(vi) any act or omission by Developer or any Affiliate of Developer.

provided, however, that Developer shall have no obligation to an Indemnitee arising from the wanton or willful misconduct of that Indemnitee. To the extent that the preceding sentence may be unenforceable because it is violative of any law or public policy, Developer shall contribute the maximum portion that it is permitted to pay and satisfy under applicable law, to the payment and satisfaction of all indemnified liabilities incurred by the Indemnitees or any of them. The provisions of the undertakings and indemnification set out in this Section 13.01 shall survive the termination of this Agreement.

ARTICLE FOURTEEN: MAINTAINING RECORDS/RIGHT TO INSPECT

14.01 **Books and Records.** Developer shall keep and maintain or cause to be maintained separate, complete, accurate and detailed books and records necessary to reflect and fully disclose the total actual costs of the Project and the disposition of all funds from whatever source allocated thereto, and to monitor the Project. All such books, records and other documents, including but not limited to Developer's loan statements, if any, Prime Contractors' and contractors' sworn statements, general contracts, subcontracts, purchase orders, waivers of lien, paid receipts and invoices, shall be available at Developer's offices for inspection, copying, audit and examination by an authorized representative of the City upon 3 Business Days prior written notice, at Developer's expense. Developer will not pay for salaries or fringe benefits of auditors or examiners. Developer shall incorporate this right to inspect, copy, audit and examine all books and records into all contracts entered into by Developer with respect to the Project.

14.02 **Inspection Rights.** Upon 3 Business Days notice, any authorized representative of the City will have access to all portions of the Project and the Property (excluding confidential product information, trade secrets and proprietary product information) during normal business hours for the Term of the Agreement for the sole and exclusive purpose of determining Developer's compliance with the terms of this Agreement.

ARTICLE FIFTEEN: DEFAULT AND REMEDIES

15.01 **Events of Default.** The occurrence of any one or more of the following events, subject to the provisions of Section 15.03 (Curative Period), constitutes an **"Event of Default"** by Developer hereunder:

(a) the failure of Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of Developer under this Agreement or any related agreement;

(b) the failure of Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of Developer under any other agreement with

any person or entity if such failure has a material adverse effect on Developer's business, property, assets, operations or condition, financial or otherwise;

(c) the making or furnishing by Developer to the City of any representation, warranty, certificate, schedule, report or other communication within or in connection with this Agreement or any related agreement which is untrue or misleading in any material respect;

(g) the entry of any judgment or order against Developer for an amount in excess of $2.0 million with respect to the Project which remains unsatisfied or undischarged and in effect for 60 days after such entry without a stay of enforcement or execution;

For purposes of Section 15.01(j) hereof, a natural person with a material interest in Developer is one owning in excess of thirty-three percent (33%) of Developer's issued and outstanding ownership shares or interests.

15.02 **Remedies - In General.** Except as otherwise provided in Section 15.03, upon the occurrence of an Event of Default, the City may exercise one or more of the following remedies:

(i) terminate this Agreement; and/or,

(ii) suspend or cancel disbursement of City Funds; and/or,

(iii) in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including injunctive relief, subject to the provisions of Section 18.24.

15.03 **Specific Remedies.** If any of the following events occur, then the City may exercise the following exclusive remedies:

(a) Failure to Operate. If the Developer (or any successor entity approved by DPD) fails to operate an industrial manufacturing operation on the Property during the Term of the Agreement, including operation of an Advance Technology Center, consistent in kind and scope with Developer's current operations at the Plant and on the Property as of the date of this Agreement, and such failure to operate is not caused by renovation work or by reasons of force majeure as described in Section 18.17, condemnation or casualty, then the City may:

(i) terminate this Agreement; and/or,

(ii) suspend or cancel disbursement of City Funds.

There is no cure period for a failure to operate event.

(b) Sale of the Property and/or Plant. If Developer sells the Property and/or Plant to a non-Affiliate, and the buyer does not enter into a separate agreement with the City or otherwise agree to the City's satisfaction to assume the obligations of Developer under this Agreement on or prior to the sale transaction closing date, then the City may:

(i) terminate this Agreement; and/or,

(ii) suspend or cancel any further disbursement of City Funds.

(c) Failure to Complete Any Phase of the Project. If Developer fails to complete any Phase of the Project, and such failure to complete was not caused by reasons of force majeure as described in Section 18.17, condemnation or casualty, then the City shall continue to make payments of City Funds to Developer as provided in this Agreement for all Project Phases which have been qualified for payment under this Agreement. Developer shall have 1 year after notice from the City to Developer of such failure to complete or resume construction of the uncompleted Phase. If Developer does not resume normal efforts to complete the uncompleted Phase after 1 year from the City's notice, then the City may:

(i) terminate this Agreement as to the uncompleted Phase and any future Phases; and/or,

(ii) suspend or cancel any further disbursement of City Funds applicable to the uncompleted Phase and any future Phases, provided, however the obligation of the City to continue to make payments of City Funds to Developer for all completed Phases shall remain in full force and effect.

In addition, the City shall have the right (but not the obligation) to complete those TIF-Funded Improvements that are public improvements and to pay for the costs of such TIF-Funded Improvements (including interest costs) out of City Funds or other City monies. In the event that the aggregate cost of completing the TIF-Funded Improvements that are public improvements exceeds the amount of City Funds available pursuant to Section 4.01, Developer shall reimburse the City for all reasonable costs and expenses incurred by the City in completing such TIF-Funded Improvements in excess of the available City Funds; and

(d) Failure to Maintain Jobs Within 5 Years of the Date of the Phase I Component Certificate of Completion. Developer (or any successor entity approved by DPD) will have 1 cure period of 1 year to meet the jobs requirements stated in Section 8.06(a). During the 5 year period after the date of the Phase I Component Certificate of Completion, if Developer has a 2nd default year, or if Developer fails to cure the 1st job default, then the City may:

(i) terminate this Agreement; and/or,

(ii) suspend or cancel any further disbursement of City Funds; and/or,

(iii) require the Developer to refund to the City all City Funds previously paid to Developer.

(e) Failure to Maintain Jobs After 5 Years of the Date of the Phase I Component Certificate of Completion. If Developer fails to maintain the jobs requirements stated in Section 8.06(a) after the fifth anniversary of the date of the Phase I Component Certificate of

Completion, then Developer will have 1 cure period of 1 year to meet such jobs requirements and the City may withhold payment of City Funds during such cure period year. If the Developer cures its shortfall, then the City will release all withheld City Funds. If Developer fails to cure its shortfall, or if Developer has a 2nd shortfall year, then the City may:

(i) terminate this Agreement; and/or,

(ii) retain all withheld City Funds; and/or,

(iii) suspend or cancel any further disbursement of City Funds.

15.04 **Curative Period.**

(a) In the event Developer fails to perform a monetary covenant which Developer is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default will not be deemed to have occurred unless Developer has failed to perform such monetary covenant within 10 days of its receipt of a written notice from the City specifying that it has failed to perform such monetary covenant.

(b) In the event Developer fails to perform a non-monetary covenant which Developer is required to perform under this Agreement, an Event of Default will not be deemed to have occurred unless Developer has failed to cure such default within 30 days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those non-monetary defaults which are not capable of being cured within such 30 day period, Developer will not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such 30 day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured provided, further, that this Section 15.04 will not provide any additional cure period beyond any cure period set forth in Section 15.03.

16.01 **Mortgaging of the Project.** Any and all mortgages or deeds of trust in place as of the date hereof with respect to the Property or the Project or any portion thereof, and any other liens with respect to Lender Financing if any, are listed on Exhibit H (including but not limited to mortgages made prior to or on the date hereof in connection with Lender Financing, if any) and are referred to herein as the **"Existing Mortgages."** Any mortgage or deed of trust that Developer may hereafter elect to execute and record or execute and permit to be recorded against the Property or the Project or any portion thereof without obtaining the prior written consent of the City is referred to herein as a **"New Mortgage."** Any mortgage or deed of trust that Developer may hereafter elect to execute and record or execute and permit to be recorded against the Property or the Project or any portion thereof with the prior written consent of the City is

referred to herein as a "**Permitted Mortgage.**" It is hereby agreed by and between the City and Developer as follows:

(a) If a mortgagee or any other party shall succeed to Developer's interest in the Property or the Project or any portion thereof by the exercise of remedies under a mortgage or deed of trust (other than an Existing Mortgage or a Permitted Mortgage) whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of Developer's interest hereunder in accordance with Section 18.15 (Assignment), the City may, but shall not be obligated to, attorn to and recognize such party as the successor in interest to Developer for all purposes under this Agreement and, unless so recognized by the City as the successor in interest, such party shall be entitled to no rights or benefits under this Agreement, but such party shall be bound by those provisions of this Agreement that are covenants expressly running with the land.

(b) Notwithstanding any provision in this Agreement to the contrary, the exercise of the remedies of foreclosure of a mortgage or any sale of Developer's interest in the Property or the Project in connection with a foreclosure, whether by judicial proceedings or by virtue of any power of sale contained in the mortgage, or any conveyance of Developer's interest in the Property or the Project to the mortgagee or its nominee or designee by virtue of or in lieu of foreclosure or other appropriate proceedings, or any conveyance of Developer's interest in the Property or the Project by the mortgagee or its nominee or designee, or any other exercise of remedies under the documents evidencing Lender Financing, if any, shall not require the consent or approval of the City or constitute a breach of any provision of or a default under this Agreement.

(c) If any mortgagee or any other party shall succeed to Developer's interest in the Property or the Project or any portion thereof by the exercise of remedies under an Existing Mortgage or a Permitted Mortgage, whether by foreclosure or deed in lieu of foreclosure or any party shall succeed to the ownership interest in Developer in connection with Lender Financing, and in conjunction therewith accepts an assignment of Developer's interest hereunder in accordance with Section 18.15 (Assignment), the City hereby agrees to attorn to and recognize such party as the successor in interest to Developer for all purposes under this Agreement so long as such party accepts all of the executory obligations and liabilities of "Developer" hereunder, and expressly agrees to comply with all applicable City ordinances; provided, however, that, notwithstanding any other provision of this Agreement to the contrary, it is understood and agreed that if such party accepts an assignment of Developer's interest under this Agreement, such party shall have no liability under this Agreement for any Event of Default of Developer which occurred prior to the time such party succeeded to the interest of Developer under this Agreement, in which case Developer shall be solely responsible; likewise, the Developer shall have no liability for any Event of Default of the succeeding mortgagee that accrues following the time such party succeeded to the Developer's interest hereunder, in which case, such succeeding mortgagee shall be solely liable. However, if such mortgagee under a Permitted Mortgage or an Existing Mortgage does not expressly accept an assignment of Developer's interest hereunder, such party shall be entitled to no rights and benefits under this Agreement, and such party shall be bound only by those provisions of this Agreement, if any, which are covenants expressly running with the land.

(d) Prior to the issuance by the City to Developer of a Certificate under Article Seven hereof, no New Mortgage shall be executed with respect to the Property or the Project or any portion thereof without the prior written consent of the Commissioner of DPD; provided, however, that Developer may execute a mortgage with respect to the Property or the Project without the approval of DPD if: (i) such mortgage relates to financing for Developer's ordinary course of business operations; and (ii) the mortgagee and the City contemporaneously enter into substantially the form of City Subordination Agreement, which is Exhibit N. After the issuance of a final Certificate, consent of the Commissioner of DPD is not required for any such New Mortgage.

Form Of Opinion Of Developer's Counsel.

_____, 2008

City of Chicago
City Hall, Room 600
121 North LaSalle Street
Chicago, Illinois 60602

Attention: Corporation Counsel

Ladies and Gentlemen:

We have acted as counsel to S&C Electric Company, a Delaware corporation (the "Developer"), in connection with the construction of certain improvements on or about 6601 North Ridge Boulevard located in the Pratt/Ridge Industrial Park Conservation Redevelopment Project Area (the "Project"). In that capacity, we have examined, among other things, the following agreements, instruments and documents of even date herewith, hereinafter referred to as the "Documents":

(a) S&C Electric Company Redevelopment Agreement (the "Agreement") of even date herewith, executed by Developer and the City of Chicago (the "City"); and

(b) all other agreements, instruments and documents executed in connection with the foregoing.

In addition to the foregoing, we have examined:

(a) the original or certified, conformed or photostatic copies of Developer's (i) Certificate of Incorporation, as amended to date, (ii) qualifications to do business and certificates of good standing in all states in which Developer is qualified to do business, (iii) Bylaws, as amended to date, and (iv) records of all company proceedings relating to the Project; and

(b) such other documents, records and legal matters as we have deemed necessary or relevant for purposes of issuing the opinions hereinafter expressed.

In all such examinations, we have assumed the genuineness of all signatures (other than those of Developer), the authenticity of documents submitted to us as originals and conformity to the originals of all documents submitted to us as certified, conformed or photostatic copies.

Based on the foregoing, it is our opinion that:

1. Developer is a corporation duly organized, validly existing and in good standing under the laws of its state of organization, has full power and authority to own and lease its properties and to carry on its business as presently conducted, and is in good standing and duly qualified to do business as a foreign organization under the laws of every state in which the conduct of its affairs or the ownership of its assets requires such qualification, except for those states in which its failure to qualify to do business would not have a material adverse effect on it or its business.

2. Developer has full right, power and authority to execute and deliver the Documents to which it is a party and to perform its obligations thereunder. Such execution, delivery and performance will not conflict with, or result in a breach of, Developer's Certificate of Incorporation or Bylaws or result in a breach or other violation of any of the terms, conditions or provisions of any law or regulation, order, writ, injunction or decree of any court, government or regulatory authority, or, to the best of our knowledge after diligent inquiry, any of the terms, conditions or provisions of any agreement, instrument or document to which Developer is a party or by which Developer or its properties is bound. To the best of our knowledge after diligent inquiry, such execution, delivery and performance will not constitute grounds for acceleration of the maturity of any agreement, indenture, undertaking or other instrument to which Developer is a party or by which it or any of its property may be bound, or result in the creation or imposition of (or the obligation to create or impose) any lien, charge or encumbrance on, or security interest in, any of its property pursuant to the provisions of any of the foregoing, other than in favor of any lender providing lender financing.

3. The execution and delivery of each Document and the performance of the transactions contemplated thereby have been duly authorized and approved by all requisite action on the part of Developer.

4. Each of the Documents to which Developer is a party has been duly executed and delivered by a duly authorized officer of Developer, and each such Document constitutes the legal, valid and binding obligation of Developer, enforceable in accordance with its terms, except as limited by applicable bankruptcy, reorganization, insolvency or similar laws affecting the enforcement of creditors' rights generally.

5. (Sub)Exhibit A attached hereto (a) identifies the stockholders of Developer and the number of shares held by each stockholder. To the best of our knowledge after diligent inquiry, except as set forth on (Sub)Exhibit A, there are no warrants, options, rights or commitments of purchase, conversion, call or exchange or other rights or restrictions with respect to any of the shares of Developer, except stock options granted to Developer's employees pursuant to its stock option plan approved by its shareholders. Each outstanding share of Developer is duly authorized, validly issued, fully paid and nonassessable.

6. To the best of our knowledge after diligent inquiry, no judgments are outstanding against Developer, nor is there now pending or threatened, any litigation, contested claim

or governmental proceeding by or against Developer or affecting Developer or its property, or seeking to restrain or enjoin the performance by Developer of the Agreement or the transactions contemplated by the Agreement, or contesting the validity thereof. To the best of our knowledge after diligent inquiry, Developer is not in default with respect to any order, writ, injunction or decree of any court, government or regulatory authority or in default in any respect under any law, order, regulation or demand of any governmental agency or instrumentality, a default under which would have a material adverse effect on Developer or its business.

7. To the best of our knowledge after diligent inquiry, there is no default by Developer or any other party under any material contract, lease, agreement, instrument or commitment to which Developer is a party or by which the company or its properties is bound.

8. To the best of our knowledge after diligent inquiry, all of the assets of Developer are free and clear of mortgages, liens, pledges, security interests and encumbrances except for those specifically set forth in the Documents.

9. The execution, delivery and performance of the Documents by Developer have not and will not require the consent of any person or the giving of notice to, any exemption by, any registration, declaration or filing with or any taking of any other actions in respect of, any person, including without limitation any court, government or regulatory authority.

10. To the best of our knowledge after diligent inquiry, Developer owns or possesses or is licensed or otherwise has the right to use all licenses, permits and other governmental approvals and authorizations, operating authorities, certificates of public convenience, goods carriers permits, authorizations and other rights that are necessary for the operation of its business.

11. A federal or state court sitting in the State of Illinois and applying the choice of law provisions of the State of Illinois would enforce the choice of law contained in the Documents and apply the law of the State of Illinois to the transactions evidenced thereby.

We are attorneys admitted to practice in the State of Illinois and we express no opinion as to any laws other than federal laws of the United States of America or the laws of the State of Illinois or laws of the State of Delaware relating to corporations.

This opinion is issued at Developer's request for the benefit of the City and its counsel, and may not be disclosed to or relied upon by any other person.

Very truly yours,

WHEREAS, The City of Chicago (the "City") is a municipality under the laws of the State of Illinois and a home rule unit of local government under Article VII of the Illinois Constitution of 1970; and

WHEREAS, The City currently owns and from time to time acquires parcels of real estate which are or may become zoned for residential use (the "City Lots"); and

WHEREAS, The City Council of the City (the "City Council") (i) adopted an ordinance (the "Initial Ordinance") on November 17,1999, which is published in the *Journal of the Proceedings of the City Council of the City of Chicago* (the "*Journal of Proceedings*") for such date at page 18681, et seq., and (ii) adopted an ordinance (the "Amendatory Ordinance") on July 19, 2000 amending the Initial Ordinance, which is published in the *Journal of Proceedings* for such date at page 37737, et seq. (collectively, the Initial Ordinance and the Amendatory Ordinance are referred to herein as the "Bond Ordinance"), by which a Program (as therein defined) was created to accomplish various governmental objectives, including the design, construction and sale of single-family housing units (the "Housing Units") on City Lots, by means of certain contracts with certain developers and by which the issuance of revenue bonds (the "Bonds") was authorized to finance the costs in connection therewith; and

WHEREAS, Pursuant to the Bond Ordinance and the Indenture (as defined in the Bond Ordinance), the City issued the Bonds in the aggregate principal amount of One Hundred Million Dollars ($100,000,000) on May 17, 2000; and

WHEREAS, The City Council adopted an ordinance (the "Midway Village Ordinance") on July 29, 2003, which is published in the *Journal of Proceedings* for such date at pages 5553 through 5561, providing for the design, construction and marketing and, where applicable, sale of certain Housing Units ("Project Housing Units") on certain City Lots ("Project Lots") as legally described on Exhibit A of the Midway Village Ordinance and for the payment of eligible costs therefor ("Project Development Costs") from the proceeds of the Bonds; and

WHEREAS, The City delivered a Construction Mortgage and Security Agreement (the "Mortgage") and a Collateral Assignment of Development Management Agreement (the "Collateral Assignment of Development Management Agreement"), each dated as of

November 23, 2004 to secure its obligations ("Obligations") both with respect to the Project Housing Units and pursuant to a Reimbursement Agreement dated as of May 1, 2000 (the "Reimbursement Agreement") with Harris Trust and Savings Bank, an Illinois banking corporation, and as agent for The Northern Trust Company and Bank One, N.A.; and

WHEREAS, The City Council adopted an ordinance (the "Replacement Financing Ordinance") on March 9, 2005, which is published in the *Journal of Proceedings* for such date at pages 43016 through 43051, prior to the maturity date of the Bonds, which were scheduled to mature on June 1, 2005 (the "Homestart Expiration Date"), for replacement financing of up to Six Million Dollars ($6,000,000) (the "Replacement Financing") to provide a funding source for the continued construction, marketing and sale of the Project Housing Units on the Project Lots pursuant to new agreements, including but not limited to a construction loan agreement and a mortgage and amendments to the Reimbursement Agreement, the Development Management Agreement and other Development Contracts and related agreements with the Project Developer for the purposes of design, construction, marketing and, where applicable, sale of Project Housing Units on Project Lots; and

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. All of the above recitals are expressly incorporated herein and made a part of this ordinance as though fully set forth herein.

SECTION 2. Any terms used herein and not defined shall have the meanings ascribed thereto in the Bond Ordinance, the Midway Village Ordinance and the Replacement Financing Ordinance, unless the context herein clearly requires otherwise.

SECTION 3. Replacement Financing in an amount not to exceed Three Million Seven Hundred Fifty Thousand Dollars ($3,750,000) is hereby authorized, with an interest rate not to exceed twelve percent (12%) per annum, for a period ending on or before June 30, 2010. Authority is granted to the Commissioner of D.O.H. (the "Commissioner") or a designee thereof (the "Authorized Officer") to enter into a Third Amendment to Construction Loan Agreement (the "Loan Agreement") with Harris, N.A., JPMorgan Chase Bank, N.A. and/or such other entities as the Authorized Officer shall approve (collectively, the "Banks") and to

execute a Replacement Promissory Note (the "Note") in substantially the form as shown on Exhibit A hereto, and hereby approved with such changes therein as shall be approved by the Authorized Officer executing the same, with such execution to constitute conclusive evidence of such officer's approval and the City Council's approval of any changes or revisions from the forms of the Loan Agreement and the Note attached to this ordinance, and such agreements and instruments necessary to give effect to this ordinance, and to perform any and all acts as shall be necessary or advisable in connection with the implementation of the Replacement Financing.

SECTION 4. Authority is granted to the Authorized Officer to amend the Development Management Agreement, and other Development Contracts with the Project Developer for the purposes of marketing and, where applicable, sale of Project Housing Units on Project Lots, as necessary to accomplish the purposes of this ordinance.

SECTION 5. The Note and any obligations of the City under the Loan Agreement (the "Reimbursement Obligations") will be limited obligations of the City, payable solely as provided in the Loan Agreement secured by the Third Amendment to Construction Mortgage and Security Agreement with Assignment of Rents to be executed by the City with respect to the Project Lots and in favor of the Banks (the "Replacement Mortgage") and shall not constitute a debt or general obligation of the City or a pledge of the faith, the credit or taxing power of the City within the meaning of any constitutional or statutory provision of the State of Illinois. The City will not be liable under the Loan Agreement or the Note, nor will the Reimbursement Obligations be payable out of any funds or property of the City other than the Mortgaged Premises, as defined in the Replacement Mortgage. The Authorized Officer is hereby authorized to execute and deliver the Replacement Mortgage and related security documents with respect to the Project Lots and any improvements thereon on behalf of the City. Any such Replacement Mortgage or other security documents shall be in a form satisfactory to the Corporation Counsel.

SECTION 6. The Commissioner, the Chief Financial Officer and the City Comptroller are hereby authorized to execute and deliver such other documents and perform such other acts as may be necessary or desirable in connection with the Replacement Financing, including, but not limited to, the exercise of any authority delegated to such official of the City under this ordinance with respect to the Replacement Financing to effect the performance of all obligations under and pursuant to this ordinance and to carry out the authority conferred by this ordinance. The Commissioner, the Chief Financial Officer and the City Comptroller and other officers and employees of the City are hereby further authorized and empowered for and on behalf of the City to execute and deliver all papers, documents, certificates and other instruments that may be required to carry out the authority conferred by this ordinance.

SECTION 7. To the extent that any ordinance, resolution, rule, order or provision of the Municipal Code of Chicago (the "Municipal Code") or part thereof, is in conflict with the provisions of this ordinance, the provisions of this ordinance shall control. TERMS AND CONDITIONS

SECTION 1. THE PROJECT.

1.1. The plans and specifications for the Project (the "Plans and Specifications") shall at a minimum meet the general requirements set forth in Exhibit C hereof and shall be provided to the City by the Park District prior to the disbursement of the TIF Assistance. No material deviation from the Plans and Specifications may be made without the prior written approval of the City. The Park District shall comply with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, all as may be in effect from time to time, pertaining to or affecting the Project or the Park District as related thereto.

1.2. The Park District shall provide the City with copies of all governmental licenses and permits required to construct the Project and to use, occupy and operate the Property as a public park from all appropriate governmental authorities, including evidence that the Property is appropriately zoned to be used, occupied and operated as a public park.

1.3. The Park District shall include a certification of compliance with the requirements of Sections 1.1 and 1.2 hereof with each request for the TIF Assistance hereunder and at the time the Project is completed. The City shall be entitled to rely on this certification without further inquiry. Upon the City's request, the Park District shall provide evidence satisfactory to the City of such compliance.

SECTION 2. FUNDING

2.1. The City shall, subject to the Park District's satisfaction of the conditions precedent for disbursement described in this Section 2 and such other conditions contained in this Agreement, disburse the TIF Assistance to the Park District. The Park District shall keep the TIF Assistance in a segregated account to be used only for the Project.

2.2. [Reserved].

2.3. Within 90 days after the Closing Date or such longer period of time as may be agreed to by the Commissioner, but in no event later than 120 days after the execution of this Agreement (the "Satisfaction Period"), the Park District must satisfy to the reasonable satisfaction of the Commissioner, the following conditions precedent for the City's disbursement of the TIF Assistance to the Park District:

2.3.1. the Park District has satisfactory title to the Property (which may be evidenced by an acceptable title insurance policy), subject only to those title exceptions acceptable to the City and the Park District; and

2.3.2. the Park District has provided the City with:

(a) copies of all easements and encumbrances of record (other than those arising from the Purchase); and

(b) two copies of an "as built" survey, acceptable in form and content to the City prepared by a surveyor registered in the State of Illinois, certified to the Park District, and certifying as to whether the Property is in an area identified by the Federal Emergency Management Agency as having special flood hazards;

2.3.3. If the Park District is unable to satisfy the conditions stated in this Section 2.3 within the Satisfaction Period, either Party may terminate this Agreement by providing written notice to the other Party.

2.4. The Park District may request that a certificate(s) of expenditure in the form of Exhibit D hereto ("Certificates of Expenditure") be processed and executed quarterly. The City shall not execute Certificates of Expenditure in the aggregate in excess of the actual costs of the Project that are TIF-Funded Improvements. Prior to each execution of a Certificate of Expenditure by the City, the Park District shall submit documentation regarding the applicable expenditures to DPD. Delivery by the Park District to DPD of any request for execution by the City of a Certificate of Expenditure hereunder shall, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such request for execution of a Certificate of Expenditure, that:

2.4.1. the total amount of the request for the Certificate of Expenditure represents the actual amount payable to (or paid to) the general contractor, subcontractors, and other parties who have performed work on or otherwise provided goods or services in connection with the Project, and/or their payees;

2.4.2. all amounts shown as previous payments on the current request for a Certificate of Expenditure have been paid to the parties entitled to such payment;

2.4.3 the Park District has approved all work and materials for the current request for a Certificate of Expenditure, and such work and materials conform to the Plans and Specifications; and

2.4.4. the Park District is in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, all as may be in effect from time to time, pertaining to or affecting the Project or the Park District as related thereto.

2.5. The City shall have the right, in its discretion, to require the Park District to submit further documentation as the City may require in order to verify that the matters certified to in Section 2.4 are true and correct, and any execution of a Certificate of Expenditure by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by the Park District.

2.6. The current estimate of the cost of the Project is [$7,625,621]. The Park District has

delivered to the Commissioner a project budget for the Project attached as Exhibit E. The Park District certifies that it has identified sources of funds (including the TIF Assistance) sufficient to complete the Project. The Park District agrees that the City will only contribute the TIF Assistance to the Project and that all costs of completing the Project over the TIF Assistance shall be the sole responsibility of the Park District. If the Park District at any point does not have sufficient funds to complete the Project, the Park District shall so notify the City in writing, and the Park District may narrow the scope of the Project (the "Revised Project") as agreed with the City in order to complete the Revised Project with the available funds.

2.7. Exhibit E contains a preliminary list of capital improvements, land assembly costs, relocation costs, financing costs, and other costs, if any, recognized by the City as being eligible redevelopment project costs under the Act with respect to the Project, to be paid for out of the TIF Assistance. To the extent the TIF-Funded Improvements are included as taxing district capital costs under the Act, the Park District acknowledges that the TIF-Funded Improvements are costs for capital improvements and the City acknowledges it has determined that these TIF-Funded Improvements are necessary and directly result from the Plan. Prior to the expenditure of TIF Assistance funds on the Project, the Commissioner, based upon the project budget, may make such modifications to Exhibit E as he or she wishes in his or her discretion to account for all of the TIF Assistance funds to be expended under this Agreement; provided, however, that all TIF-Funded Improvements shall (i) qualify as redevelopment project costs under the Act, (ii) qualify as eligible costs under the Plan; and (iii) be improvements that the Commissioner has agreed to pay for out of TIF Assistance funds, subject to the terms of this Agreement.

2.8. The Park District hereby acknowledges and agrees that the City's obligations hereunder with respect to the TIF Assistance are subject on every respect to the availability of funds as described in and limited by this Section 2.8 and by Section 2.3. If no funds or insufficient funds are appropriated and budgeted in any fiscal period of the City for disbursements of the TIF Assistance, then the City will notify the Park District in writing of that occurrence, and the City may terminate this Agreement on the earlier of the last day of the fiscal period for which sufficient appropriation was made or whenever the funds appropriated for disbursement under this Agreement are exhausted.

2.9. If the aggregate cost of the Project is less than the amount of the TIF Assistance contemplated by this Agreement, the Park District shall have no claim to the difference between the amount of the TIF Assistance contemplated by this Agreement and the amount of the TIF Assistance actually paid by the City to the Park District and expended by the Park District on the Project.

SECTION 3. TERM.

The term of this Agreement shall commence on the Closing Date and shall expire on the date on which the Howard/Paulina Redevelopment Area is no longer in effect, or on the date of termination of this Agreement according to its terms, whichever occurs first.

SECTION 4. ENVIRONMENTAL MATTERS.

Alderman Stone moved to *Substitute* the proposed ordinance transmitted with the foregoing committee report. The motion *Prevailed* by a viva voce vote.

Thereupon, on motion of Aldermen Dowell, Reboyras and Suarez, the substitute ordinance submitted by Alderman Stone was *Deferred* and ordered published:

The following is said substitute ordinance:

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Section 13-12-125 of the Municipal Code of Chicago is hereby amended by deleting the language struck through and adding the language underscored, as follows:

13-12-125 Vacant Buildings -- Owner Required To Act -- Enforcement Authority.

(a) (1) The owner of any building that has become vacant shall within 30 days after the building becomes vacant or within 30 days after assuming ownership of the building, whichever is later, ~~or within 30 days after the effective date of this ordinance, whichever is later,~~ file a registration statement for each such building with the department of buildings on forms provided by ~~the~~ that department ~~of buildings~~ for such purposes. The registration shall remain valid for ~~one year~~ six months from the date of registration. The owner shall be required to ~~annually~~ renew the registration for successive six-month periods as long as the building remains vacant and shall pay ~~an annual registration fee of $100.00~~ a registration or renewal fee in the amount prescribed in paragraph (3) of this subsection (a) for each registered building; provided, however, that all eleemosynary, religious, educational, benevolent or charitable associations organized on a not-for-profit basis and all governmental agencies shall be exempt from the payment of the ~~annual~~ registration fee. The owner shall notify the department of buildings, within 20 days, of any change in the registration information by filing an amended registration statement on a form provided by the department of buildings for such purposes. The registration statement shall be deemed prima facie proof of the statements therein contained in any administrative enforcement proceeding or court proceeding instituted by the city against the owner or owners of the building. Registration of a building in accordance with this section shall be deemed to satisfy the registration requirement set forth in Section 13-10-030 and the notification requirement set forth in Section 13-11-030. After filing a registration statement, the building owner shall provide access to the city to conduct an exterior and interior inspection of the building to determine compliance with the municipal code, following reasonable notice, during the period covered by the initial registration or any subsequent renewal.

(2) In addition to other information required by the commissioner of buildings, the registration statement shall include the name, street address and telephone number of a natural person 21 years of age or older, designated by the owner or owners as the authorized agent for receiving notices of code violations and for receiving process, in any court proceeding or administrative enforcement proceeding, on behalf of such owner or owners in connection with the enforcement of this Code. This person must maintain an office in Cook County, Illinois, or must actually reside within Cook County, Illinois. An

owner who is a natural person and who meets the requirements of this subsection as to location of residence or office may designate himself as agent. By designating an authorized agent under the provisions of this subsection the owner is consenting to receive any and all notices of code violations concerning the registered building and all process in any court proceeding or administrative enforcement proceeding brought to enforce code provisions concerning the registered building by service of the notice or process on the authorized agent. Any owner who has designated an authorized agent under the provisions of this subsection shall be deemed to consent to the continuation of the agent's designation for the purposes of this subsection until the owner notifies the department of buildings of a change of authorized agent or until the owner files a new annual registration statement. Any owner who fails to register a vacant building under the provisions of this subsection shall further be deemed to consent to receive, by posting at the building, any and all notices of code violations and all process in an administrative proceeding brought to enforce code provisions concerning the building.

(3) The registration and renewal fee for each registered building shall be $250 (the "base registration fee"). Provided, however, that any vacant building subject to the base registration fee that is in violation of any provision of the building code or fire code at the time renewal is required shall be assessed a renewal fee of $500 for such renewal period (the "doubled period"). If a vacant building in the doubled period is in violation of any provision of the building code or fire code at the time renewal is required, the fee shall be $750 for such renewal (the "tripled period"). If a vacant building in the tripled period is in violation of any provision of the building code or fire code at the time renewal is required, the fee shall be $1,000 for such renewal, and shall remain at $1,000 for each subsequent renewal, if, at the time such renewal is required, the building is in violation (the "quadrupled period"). If the owner of a building that is in the doubled, tripled or quadrupled period can show to the satisfaction of the buildings commissioner and the fire commissioner, at the time renewal is required, that the building is in full compliance with the building code and fire code, then such renewal shall revert to the base registration fee. For purposes of this subparagraph (3), "in violation" shall mean that a citation has been issued, and the conditions forming the basis for the citation have not been fully remedied. In the event of a final determination that issuance of the citation was not factually supported, the increased fee for the six-month period(s) at issue shall be refunded to the owner.

(b) The owner of any building that has become vacant, and any person maintaining, operating or collecting rent for any building that has become vacant shall, within 30 days, do the following:

(1) enclose and secure the building as provided in Section 13-12-135 of this Code;

(2) post a sign affixed to the building indicating the name, address and telephone number of the owner and the owner's authorized agent for the purpose of service of process. The sign shall be of a size and placed in such a location so as to be legible from the nearest public street or sidewalk, whichever is nearer; and

(3) maintain the building in a secure and closed condition and maintain the sign until the building is again occupied or demolished or until repair or completion of the building has been undertaken.

(c) The owner of any building that has become vacant shall, within 30 days, acquire or otherwise maintain liability insurance, in an amount of not less than $300,000.00 for buildings designed primarily for use as residential units and not less than $1,000,000.00 for any other building, including, but not limited to, buildings designed for manufacturing, industrial, storage or commercial uses, covering any damage to any person or any property caused by any physical condition of or in the building. Any insurance policy acquired after the building has become vacant shall provide for written notice to the commissioner of buildings within 30 days of any lapse, cancellation or change in coverage. The owner and the owner's authorized agent for service of process shall provide evidence of the insurance, upon request, to the commissioner of buildings or his or her designee.

(d) The building commissioner may issue rules and regulations for the administration of this section. Any person who violates any provision of this section or of the rules and regulations issued hereunder shall be fined not less than ~~$200.00~~ $500.00 and not more than $1,000.00 for each offense. Every day that a violation continues shall constitute a separate and distinct offense. Fines assessed under this chapter shall be recoverable from the owner and shall be a lien on the property. Any building in which violations under this chapter remain uncorrected for over 30 days may be declared a public nuisance and shall be subject to abatement proceedings pursuant to Section 13-12-145.

(e) For purposes of this section, "vacant" means a building which is lacking habitual presence of human beings who have a legal right to be on the premises, or at which substantially all lawful business or construction operations or residential occupancy has ceased, or which is substantially devoid of content. In determining whether a building is vacant, it is relevant to consider, among other factors, the percentage of the overall square footage of the building or floor to the occupied space, the condition and value of any items in the building and the presence of rental or for sale signs on the property; provided that a residential property shall not be deemed vacant if it has been used as a residence by a person entitled to possession for a period of at least three months within the previous nine months and a person entitled to possession intends to resume residing at the property; and further provided that multi-family residential property containing ~~five~~ ten or more dwelling units shall be considered vacant when ~~substantially all~~ ninety percent or more of the dwelling units are unoccupied.

SECTION 2. Chapter 13-12 of the Municipal Code of the City of Chicago is hereby amended by inserting a new Section 13-12-135, as follows:

(4) a building or structure where a defendant has failed to comply with any order issued by a court of competent jurisdiction or a hearing officer of the department of administrative hearings, including, but not limited to, compliance with any requirement in Section 13-12-135, by the end of the 60-day period following the date the order was issued or by such later date that is specified in the order, unless the order has been stayed by a court of competent jurisdiction; or

For purposes of this section "vacant" shall be defined as provided in Section 13-12-125 ~~refers to a building or structure which is not habitually occupied by persons legally entitled to possession or which is substantially devoid of content, or at which substantially all lawful business operations have ceased~~; and "open" refers to a building that has any door, window or wall missing or unsecured, or has any other opening so as to allow entry by a human being.

(b) (1) Whenever an inspection by the department of buildings or other appropriate department reveals that a building or structure is a public nuisance as described in this section, the commissioner of buildings, with the concurrence of the corporation counsel, may initiate an abatement proceeding under this section in the buildings hearings division of the department of administrative hearings by serving a complaint on all owners of record, beneficial owners of any Illinois land trust having title to the property, and all lienholders of record in the property, in person or, if the entity being served is a corporation, partnership, limited liability company or Illinois land trust, either in person or by certified mail, return receipt requested. (2) If after notice and hearing provided in this section, an administrative law officer of the department of administrative hearings finds that the city has established by a preponderance of the evidence that the building or structure identified in the notice is a public nuisance as described in this section, the administrative law officer shall enter an order of abatement which requires the owner or owners of record, including beneficial owners of any Illinois land trust, within the time frame specified in the order, to take all reasonable measures necessary to abate the public nuisance. The administrative law officer's order of abatement may include, but is not limited to: correcting all code violations; altering, repairing or improving the building or structure; rendering the building or structure fit for human use or habitation; vacating or enclosing the building or structure; removing or demolishing the building or structure; hiring a property manager or hiring a receiver appointed by the administrative law officer with powers specified in the order of abatement; compliance with the requirements of Sections 13-12-125 and 13-12-135; or, if requested by the corporation counsel and reasonable in light of the magnitude of the harm caused or which can reasonably be expected to be caused by the nuisance, the market value of the property in its current condition, and the extent to which the defendant has failed to take effective measures to abate the nuisance, the assignment to the city or a third party designated by the city or forfeiture to the city of all of the defendant's rights, title and interest in the real estate.

(3) Any person who fails to comply with an administrative law officer's abatement order issued under this section shall be subject to the penalties set forth in Section 2-14-100 of this code. In addition, upon the failure to comply with the administrative law officer's order, unless stayed by a court of competent jurisdiction, the commissioner of buildings, with the concurrence of the corporation counsel, may seek an order from an administrative law officer authorizing the commissioner to repair, alter, improve, vacate, close, remove or demolish, the building or structure as specified in the administrative law officer's order.

(c) The corporation counsel is authorized to bring an action in a court of competent jurisdiction to abate a public nuisance described in this section. If the court finds that the city has established by a preponderance of the evidence that the building or structure identified in the notice is a public nuisance as described in this section, the court shall enter an order of abatement which requires the owner or owners of record, including beneficial owners of any Illinois land trust, within the time frame specified in the order, to take all reasonable measures necessary to abate the public nuisance. The court's order of abatement may include, but is not limited to: correcting all code violations; altering, repairing or improving the building or structure, rendering the building or structure fit for human use

or habitation; vacating or enclosing the building or structure; removing or demolishing the building or structure; the appointment of a receiver; compliance with the requirements of Section 13-12-125; or, if requested by the corporation counsel and reasonable in light of the magnitude of the harm caused or which can reasonably be expected to be caused by the nuisance, the market value of the property in its current condition, and the extent to which the defendant has failed to take effective measures to abate the nuisance, the assignment to the city or to a third party designated by the city or forfeiture to the city of all of the defendant's rights, title and interest in the real estate.

(Omitted text is unaffected by this ordinance.)

SECTION 4. This ordinance takes effect sixty (60) days after its passage and approval and shall apply to all vacant buildings, including property for which a registration statement has been submitted prior to, on, or after such effective date, but the changes in subsection (a) of Section 13-12-125 shall not affect the duration of registration statements submitted to the department of buildings prior to such effective date.

Intergovernmental Agreement For Assessment And Treatment Of Substance Abuse.

This intergovernmental agreement (the"Agreement") is made as of January 1, 2008 (the "Effective Date") by and between the Chicago Housing Authority, an Illinois municipal corporation (the "C.H.A.") and the City of Chicago, an Illinois municipal corporation and home rule unit of government under Article VII, Section 6(a) of the 1970 Constitution of the State of Illinois, acting through its Department of Public Health (hereinafter referred to as the "City" or "D.P.H.").

Recitals.

Whereas, The C.H.A. and the City have authority to enter into this Agreement under the Intergovernmental Cooperation Act, 5 ILCS 220/1, et seq.; and

Whereas, The C.H.A. is engaged in the development and operation of safe, decent and sanitary housing throughout the City of Chicago for low-income families in accordance with the United States Housing Act of 1937, 42 U.S.C. § 1437, et seq.; regulations promulgated

by the United States Department of Housing and Urban Development ("H.U.D."); the State of Illinois Housing Authorities Act, 310 ILCS 10/1, et seq. as amended, and other applicable laws, regulations and ordinances; and

Whereas, D.P.H. is responsible for providing public-health programs and services to the public for the City; and

Whereas, The C.H.A. and D.P.H. agree that substance abuse is a significant critical problem for Chicago residents living in C.H.A. developments, C.H.A. scattered sites or utilizing Section 8 Housing Choice Vouchers, and that programs involving assessments for substance abuse, referrals and substance abuse treatment are desirable and necessary to address the problem of substance abuse; and

Whereas, C.H.A. residents wanting to move into new mixed-income developments are required to undergo drug screening as a condition precedent to being accepted into the new mixed income developments; and

Whereas, C.H.A. residents who fail the initial drug screening, but who still want to be considered for acceptance in the new mixed-income developments may elect to undergo substance abuse treatment; and

Whereas, A substance abuse assessment, referral and substance abuse treatment program would be beneficial for all C.H.A. residents and Section 8 Housing Choice Voucher holders; and

Whereas, Federal and State of Illinois funding constraints have negatively impacted the availability of substance abuse treatment programs, thereby leading to fewer slots available in such substance abuse treatment programs throughout the City and making the waiting lists for low-income individuals extremely long; and

Whereas, The C.H.A. and D.P.H. desire to enter into this Agreement to provide for assessment, treatment and referrals for available slots in substance abuse treatment programs and/or to purchase slots in such programs (the "Services" or the "Program") for the benefit of C.H.A. residents and Section 8 Housing Choice Voucher holders who may be in need of the Program; and

Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to stop work until proper evidence of insurance is provided, or the Agreement may be terminated.

The insurance must provide for thirty (30) days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

Any deductibles or self-insured retentions on referenced insurance coverages must be borne by Grantee and contractor.

The Grantee hereby agrees and will cause its contractor to agree that insurers waive their rights of subrogation against the City of Chicago, its employees, elected officials, agents, or representatives.

The coverages and limits furnished by Grantee and contractor in no way limit the Grantee's and contractor's liabilities and responsibilities specified within the Agreement or by law.

Any insurance or self-insurance programs maintained by the City of Chicago do not contribute with insurance provided by the Grantee and contractor under the Agreement.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

If Grantee or contractor is a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

The Grantee must require the contractor to provide the insurance required herein. All contractors are subject to the same insurance requirements of Grantee unless otherwise specified in this Agreement.

The City of Chicago Risk Management Department maintains the right to modify, delete, alter or change these requirements.

Fifth: The Grantor hereby acknowledges that it has been advised of its rights under the Relocation Assistance and Real Property Acquisition Policies Act of 1970 (P.L. 91-646) by the District or is otherwise familiar with same; that the transaction embodied in the foregoing document is subject to said P.L. 91-646; and that notwithstanding that the rights afforded it thereunder does hereby knowingly and intentionally waive and relinquish any and all rights which it may have thereunder and acknowledges that the consideration paid for the easement aforesaid is fair and reasonable. The City shall have the right to approve any streetscaping provided by the Developer as part of the Project, including, without limitation, any paving of sidewalks, landscaping and lighting.

10.3 City's Right To Inspect City Land.

For the period commencing on the Closing Date and continuing through the date the City issues the last Partial Certificate of Completion, any duly authorized representative of the City

shall have access to the City Land at all reasonable times for the purpose of determining whether the Developer is constructing the Project in accordance with the terms of this Agreement and all applicable federal, state and local statutes, laws, ordinances, codes, rules, regulations, orders and judgments, including, without limitation, Sections 7-28 and 11-4 of the Municipal Code of Chicago relating to waste disposal (collectively, "Laws").

10.4 Barricades And Signs.

Promptly after the execution of this Agreement, the Developer shall, at its sole cost and expense, erect and maintain such signs as the City may reasonably require identifying the City Land as a City redevelopment project. Prior to the commencement of any construction activity requiring barricades, the Developer shall install barricades of a type and appearance satisfactory to the City and constructed in compliance with all applicable Laws. D.P.D. shall have the right to approve the maintenance, appearance, color scheme, painting, nature, type, content and design of all barricades, which approval shall not be unreasonably withheld or delayed. The Developer shall erect all signs and barricades so as not to interfere with or affect any bus stop or train station in the vicinity of the City Land.

Section 11.

Limited Applicability.

Any approval given by D.P.D. pursuant to this Agreement is for the purpose of this Agreement only and does not constitute the approval required by the City's Department of Construction and Permits ("D.C.A.P.") or any other City department; nor does such approval constitute an approval of the quality, structural soundness or safety of any improvements located or to be located on the City Land, or the compliance of said improvements with any Laws, private covenants, restrictions of record, or any agreement affecting the City Land or any part thereof.

Section 12.

Commencement And Completion Of Project.

The Developer shall commence construction of the Project no later than August 1, 2008, and shall complete the Project (as evidenced by the issuance of the last Partial Certificate of Completion) no later than August 1, 2010; provided, however, D.P.D., in its sole discretion, may extend the construction commencement and completion dates. The Developer shall give written notice to the City within five (5) days after it commences construction. The Developer shall construct the Project in accordance with the Plans and all Laws and covenants and restrictions of record.

Section 13.

Partial Certificates Of Completion.

Upon completion of each of the condominium units comprising the Project, the Developer shall deliver to the City a request for inspection ("Request for Inspection") in substantially the form attached hereto as (Sub)Exhibit D. The Request for Inspection must include a Certificate of Substantial Completion from the project architect in substantially the form attached hereto as (Sub)Exhibit E. Within forty-five (45) days after receipt of a Request for Inspection and the accompanying Certificate of Substantial Completion, the City shall inspect the subject unit to determine whether it is substantially complete (i.e., complete except for punch list items) and constructed in accordance with this Agreement, and shall thereafter deliver to the Developer either a Partial Certificate of Completion for the unit ("Partial Certificate of Completion") or a written statement indicating in adequate detail how the Developer has failed to complete the unit in compliance with this Agreement or is otherwise in default, and what measures or acts are necessary, in the sole opinion of the City, for the Developer to take or perform in order to obtain the Partial Certificate of Completion. If the City requires additional measures or acts to assure compliance, the Developer shall have thirty (30) days to correct any deficiencies and resubmit a Request for Inspection. The Partial Certificate of Completion shall be in recordable form, and shall, upon recording, constitute a conclusive determination of satisfaction and termination of the covenants in this Agreement and the Deed with respect to the Developer's obligations to construct any single dwelling unit. The Partial Certificate of Completion shall not, however, constitute evidence that the Developer has complied with any Laws relating to the construction of the subject unit, nor shall it serve as any guaranty as to the quality of the construction. Upon (a) recordation of a Partial Certificate of Completion for each of the condominium units in the Project, and (b) the sale of the Affordable Units to Qualified Households in accordance with Section 14 hereof, the City shall return the Performance Deposit, if any, to the Developer.

Section 14.

Restrictions On Use.

The Developer agrees that it:

14.1

Shall devote the City Land to the Project.

14.2

Shall not discriminate on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military

discharge status, or source of income in the sale, lease, rental, use or occupancy of the City Land or the Project or any part thereof.

14.3

Shall develop and sell the Affordable Units in accordance with the following provisions:

(a) The City must approve the income eligibility of the purchaser of each Affordable Unit to confirm that the purchaser is a Qualified Household. Toward this end, the Developer shall deliver to D.O.H. any information required by D.O.H. in order to determine the purchaser's income eligibility. D.O.H. shall have ten (10) business days from the date of receipt of a "complete information package" to qualify purchasers. A "complete information package"shall include, by means of illustration and not limitation, the fully-executed real estate sales contract, the W-2 forms from the purchaser's employers, United States 1040 income tax returns from the previous two (2) years, an affidavit or verification from the purchaser with regard to household size, and the employer verification form utilized by the Federal National Mortgage Association (or Fannie Mae).

(b) Shall develop all three (3) of the Affordable Units with each having two (2) bedrooms and two (2) bathrooms and shall be similar in construction, design and appearance to the two (2) bedroom and two (2) bathroom market rate units in the Project.

(c) The Developer shall sell each Affordable Unit for One Hundred Seventy-four Thousand Dollars ($174,000), excluding any upgrades selected by the unit purchaser.

(d) The Developer shall sell each Affordable Unit to a Qualified Household (i.e., one hundred percent (100%) of the Chicago P.M.S.A.).

(e) At the closing of each Affordable Unit, the Developer shall require the buyer of each Affordable Unit to execute an affidavit ("Affidavit") in substantially the form attached hereto as (Sub)Exhibit F and the City's then-current form of Mortgage, Security and Recapture Agreement, Including Residency, Transfer, Financing and Affordability Covenants ("Mortgage") for affordable housing units created pursuant to the Affordable Housing Ordinance, securing the difference between the market rate sales price for a similar type of unit and the sales price for the Affordable Unit, plus simple, non-compounding interest on such amount at the rate of three percent (3.0%) per annum (the "Recapture Amount"), in favor of the City. The current form of Mortgage has a term of thirty (30) years ("Mortgage Term"), and imposes certain residency, transfer, financing and afford ability covenants (the "Affordability Covenants"). The Affordability Covenants provide, among other things, that the Affordable Unit may be sold only to a Qualified Household for an Affordable Price (as defined in (Sub)Exhibit G), and that the mortgagor may not refinance its first mortgage in an amount greater than the Affordable Price or obtain home equity or other financing secured by the Affordable Unit which, when added to the then-outstanding balance of such first mortgage, exceeds the Affordable Price. The current form of Mortgage allows the City to bring an action for specific enforcement or accept payment of the Recapture Amount in the event the mortgagor violates the Affordability Covenants, and gives the City the option, in its sole discretion, to waive or modify the Affordability Covenants upon a showing of undue hardship or changed circumstances that would make the enforcement of such

covenants inequitable or impractical. The Mortgage shall be subordinate to the lien in favor of the permanent lender, if any. The Developer acknowledges receipt of a copy of the City's current form of Mortgage for affordable housing units created pursuant to the Affordable Housing Ordinance written consent for any amendment thereto.

The Developer acknowledges and agrees that the use and affordability restrictions set forth in this Section 14 constitutes material, bargained-for consideration for the City and are intended to further the public policy of creating long-term affordable housing, and that, but for such use and affordability restrictions, the City would not have agreed to convey the City Land to the Developer.

Section 15.

Prohibition Against Sale Or Transfer Of City Land.

Prior to the issuance of the last Partial Certificate of Completion for the Project, the Developer may not, without the prior written consent of D.P.D., which consent shall be in D.P.D.'s sole discretion: (a) directly or indirectly sell, transfer or otherwise dispose of the City Land or any part thereof or any interest therein or the Developer's controlling interests therein (including without limitation, a transfer by assignment of any beneficial interest under a land trust); or (b) directly or indirectly assign this Agreement. The Developer acknowledges and agrees that D.P.D. may withhold its consent under (a) or (b) above if, among other reasons, the proposed purchaser, transferee or assignee (or such entity's principal officers or directors) is in violation of any Laws, or if the Developer fails to submit sufficient evidence of the financial responsibility, business background and reputation of the proposed purchaser, transferee or assignee. If the Developer is a business entity, no principal party of the Developer (e.g., a general partner, member, manager or shareholder) may sell, transfer or assign any of its interest in the entity prior to the issuance of the last Partial Certificate of Completion to anyone other than another principal party, without the prior written consent of D.P.D., which consent shall be in D.P.D.'s sole discretion. The Developer must disclose the identity of all limited partners to the City at the time such limited partners obtain an interest in the Developer. The provisions of this Section 15 shall not prohibit the Developer from contracting to sell or from selling individual condominium units in the ordinary course of development.

Section 16.

Limitation Upon Encumbrance Of City Land.

Prior to the issuance of the last Partial Certificate of Completion for the Project, the Developer shall not, without D.P.D.'s prior written consent, which shall be in D.P.D.'s sole

discretion, engage in any financing or other transaction which would create an encumbrance or lien on the City Land, except for the acquisition and construction financing approved pursuant to Section 9.2 hereof, and recorded documents necessary to convert the City Land, where applicable, to a condominium form of ownership.

Section 17.

Mortgagees Not Obligated To Construct.

Notwithstanding any other provision of this Agreement or of the Deed, the holder of any mortgage authorized by this Agreement (or any affiliate of such holder) shall not itself be obligated to construct or complete the Project, or to guarantee such construction or completion, but shall be bound by the other covenants running with the land specified in Section 18 and, at Closing, shall execute a Subordination Agreement (as defined in Section 9.8). If any such mortgagee or its affiliate succeeds to the Developer's interest in the City Land prior to the issuance of the last Partial Certificate of Completion, whether by foreclosure, deed-in-lieu of foreclosure or otherwise, and thereafter transfers its interest in the City Land to another party, such transferee shall be obligated to complete the Project, and shall also be bound by the other covenants running with the land specified in Section 18.

Section 18.

Covenants Running With The Land.

The parties agree, and the Deed shall so expressly provide, that the covenants provided in Section 12 (Commencement and Completion of Project), Section 14 (Restrictions on Use), Section 15 (Prohibition Against Transfer of City Land) and Section 16 (Limitation Upon Encumbrance of City Land) will be covenants running with the land, binding on the Developer and its successors and assigns (subject to the limitation set forth in Section 17 above as to any permitted mortgagee) to the fullest extent permitted by law and equity for the benefit and in favor of the City, and shall be enforceable by the City. The covenants provided in Sections 12, 15 and 16 shall terminate upon the issuance of the last Partial Certificate of Completion for the Project. The covenant contained in Section 14.1 shall terminate on the issuance of the final Partial Certificate of Completion pursuant to Section 13. The covenant contained in Section 14.2 shall terminate upon the sale of the last condominium unit in the Project. The covenants contained in Section 14.3 shall terminate upon the sale of the last Affordable Unit, so long as the purchaser of each Affordable Unit is a Qualified Household and has executed and recorded a Mortgage in accordance with Section 14.3(e).

Section 19.

Performance And Breach.

19.1 Time Of The Essence.

Time is of the essence in the Developer's performance of its obligations under this Agreement.

19.2 Permitted Delays.

The Developer shall not be considered in breach of its obligations under this Agreement in the event of a delay due to unforeseeable causes beyond the Developer's control and without the Developer's fault or negligence, including, without limitation, acts of God, acts of the public enemy, acts of the United States government, fires, floods, epidemics, quarantine restrictions, strikes, embargoes and unusually severe weather or delays of subcontractors due to such causes. The time for the performance of the obligations shall be extended only for the period of the delay and only if the Developer requests an extension in writing within twenty (20) days after the beginning of any such delay.

19.3 Cure.

If the Developer defaults in the performance of its obligations under this Agreement, the Developer shall have sixty (60) days after written notice of default from the City to cure the default, or such longer period as shall be reasonably necessary to cure such default provided the Developer promptly commences such cure and thereafter diligently pursues such cure to completion (so long as continuation of the default does not create material risk to the Project or to persons using the Project). Notwithstanding the foregoing, no notice or cure period shall apply to defaults under Sections 19.4(c), (e) and (g), and no notice shall be required for a default under Section 19.4(h).

19.4 Event Of Default.

The occurrence of any one or more of the following shall constitute an "Event of Default" under this Agreement:

(a) The Developer makes or furnishes a warranty, representation, statement or certification to the City (whether in this Agreement, an Economic Disclosure Statement, or another document) that is not true and correct.

(b) A petition is filed by or against the Developer under the Federal Bankruptcy Code or any similar state or federal law, whether now or hereafter existing, which is not vacated, stayed or set aside within thirty (30) days after filing.

(c) The Developer fails to complete the Project in accordance with the time line outlined in Section 12 above, or the Developer abandons or substantially suspends construction of the Project.

(d) The Developer fails to pay real estate taxes or assessments affecting the City land or any part thereof when due, or places thereon any encumbrance or lien unauthorized by this Agreement, or suffers or permits any levy or attachment, mechanic's, laborer's, material supplier's, or any other lien or encumbrance unauthorized by this Agreement to attach to the City land unless bonded or insured over.

(e) The Developer makes an assignment, pledge, unpermitted financing, encumbrance, transfer or other disposition in violation of this Agreement.

(f) There is a material and adverse change in the Developer's financial condition or operations, which change, in the City's reasonable opinion, affects the ability of the Developer to meet its obligations under this Agreement or the Deed.

(g) The Developer fails to construct the Affordable Units, or fails to convey the Affordable Units in accordance with Section 14.

(h) The Developer fails to close by the Outside Closing Date, unless D.P.D., in its sole discretion, extends the Outside Closing Date.

(i) The Developer fails to perform, keep or observe any of the other covenants, conditions, promises, agreements or obligations under this Agreement or any other written agreement entered into with the City with respect to the Project.

19.5 Prior To Closing.

If an Event of Default occurs prior to the Closing, and the default is not cured in the time period provided for in Section 19.3 above, the City may terminate this Agreement, institute any action or proceeding at law or in equity against the Developer.

19.6 After Closing.

If an Event of Default occurs after the Closing but prior to the issuance of the last Partial Certificate of Completion for the Project, and the default is not cured in the time period provided for in Section 19.3 above, the City may terminate this Agreement and exercise any and all remedies available to it at law or in equity, including, without limitation, the right to re-enter and take possession of the City Land, terminate the estate conveyed to the Developer, and revest title to the City Land in the City (the "Right of Reverter"); provided, however, the City's Right of Reverter shall be limited by, and shall not defeat, render invalid, or limit in any way, the lien of any mortgage authorized by this Agreement.

19.7 Resale Of The City Land.

Upon the revesting in the City of title to the City Land as provided in Section 19.6, the City may complete the Project or convey the City Land, subject to any first mortgage lien, to a qualified and financially responsible party reasonably acceptable to the first mortgagee, who shall assume the obligation of completing the Project or such other improvements as shall be satisfactory to D.P.D., and otherwise comply with the covenants that run with the land as specified in Section 18.

19.8 Disposition Of Resale Proceeds.

If the City sells the City Land as provided for in Section 19.7, the net proceeds from the sale, after payment of all amounts owed under any mortgage liens authorized by this Agreement in order of lien priority, shall be utilized to reimburse the City for:

(a) costs and expenses incurred by the City (including, without limitation, salaries of personnel) in connection with the recapture, management and resale of the City Land (less any income derived by the City from the City Land in connection with such management); and

(b) all unpaid taxes, assessments and water and sewer charges assessed against the City Land; and

(c) any payments made (including, without limitation, reasonable attorneys' fees and court costs) to discharge or prevent from attaching or being made any subsequent encumbrances or liens due to obligations, defaults or acts of the Developer; and

(d) any expenditures made or obligations incurred with respect to construction or maintenance of the Project; and

(e) any other amounts owed to the City by the Developer.

The Developer shall be entitled to receive any remaining proceeds up to the amount of the Developer's equity investment in the City Land.

19.9 No Remedies Against Housing Units Or Purchasers.

Notwithstanding anything in this Section 19 or otherwise, the City shall have no rights or remedies against a purchaser of a condominium unit, or against such unit, after the sale of such unit to such purchaser. By operation of this Section 19.9, each such condominium unit shall be released from the encumbrance of this Agreement at the time of such unit's sale to a bona fide purchaser.

Section 20.

Conflict Of Interest; City's Representatives Not Individually Liable.

The Developer represents and warrants that no agent, official or employee of the City shall have any personal interest, direct or indirect, in the Developer, this Agreement, the City Land or the Project, nor shall any such agent, official or employee participate in any decision relating to this Agreement which affects his or her personal interests or the interests of any corporation, partnership, association or other entity in which he or she is directly or indirectly interested. No agent, official or employee of the City shall be personally liable to the Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to the Developer or successor or with respect to any commitment or obligation of the City under the terms of this Agreement.

Section 21.

Indemnification.

The Developer agrees to indemnify, defend and hold the City harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, reasonable attorneys' fees and court costs) suffered or incurred by the City arising from or in connection with: (a) the failure of the Developer to perform its obligations under this Agreement; (b) the failure of the Developer or any contractor or other agent, entity or individual acting under the control or at the request of the Developer ("Agent") to pay contractors, subcontractors or material suppliers in connection with the construction and management of the Project; (c) any misrepresentation or omission made by the Developer or any Agent; (d) the failure of the Developer to redress any misrepresentations or omissions in this Agreement or any other agreement relating hereto; and (e) any activity undertaken by the Developer or any Agent on the City Land prior to or after the Closing. This indemnification shall survive the Closing or any termination of this Agreement (regardless of the reason for such termination).

Section 22.

Inspection; Condition Of City Land At Closing.

22.1 "As Is" Sale.

The City makes no covenant, representation or warranty, express or implied, of any kind, as to the structural, physical or environmental condition of the City Land or the suitability of

the City Land for any purpose whatsoever, and the Developer agrees to accept the City Land in its "as is", "where is" and "with all faults" condition.

22.2 Right-Of-Entry.

(a) The Developer's obligations hereunder are conditioned upon the Developer being satisfied with the condition of the City Land for the construction, development and operation of the Project. Upon the Developer's request, the City shall grant the Developer the right, at its sole cost and expense, to enter the City Land for a period of thirty (30) days (the "Inspection Period") pursuant to a Right-of-Entry Agreement in form and substance reasonably acceptable to the City to inspect the same, perform surveys, environmental assessments, soil and any other due diligence it deems necessary or desirable to satisfy itself as to the condition of the City Land.

(b) If the Developer determines that it is not satisfied, in its sole discretion, with the condition of the City Land, the Developer may terminate this Agreement by written notice to the City within thirty (30) days after the expiration of the Inspection Period, whereupon this Agreement shall be null and void and, except as otherwise specifically provided, neither party shall have any further right, duty or obligation hereunder. If the Developer elects not to terminate this Agreement pursuant to this Section 22.2, the Developer shall be deemed satisfied with the condition of the City Land.

22.3 Indemnity.

The Developer hereby waives and releases, and indemnifies the City from and against, any claims and liabilities relating to or arising from the structural, physical or environmental condition of the City Land, including, without limitation, claims arising under the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended ("C.E.R.C.L.A."), and shall undertake and discharge all liabilities of the City arising from any structural, physical or environmental condition that existed on the City Land prior to the Closing, including, without limitation, liabilities arising under C.E.R.C.L.A.. The Developer here by acknowledges that, in purchasing the City Land, the Developer is relying solely upon its own inspection and other due diligence activities and not upon any information (including, without limitation, environmental studies or reports of any kind) provided by or on behalf of the City or its agents or employees with respect thereto. The Developer shall perform such studies and investigations, conduct such tests and surveys, and engage such specialists as the Developer deems appropriate to evaluate fairly the structural, physical or environmental condition and risks of the City Land. If, after the Closing, the structural, physical and environmental condition of the City Land is not in all respects entirely suitable for its intended use, it shall be the Developer's sole responsibility and obligation to take such action as is necessary to put the City Land in a condition which is suitable for its intended use. The provisions of this Section 22.3 shall survive the Closing.

Section 23.

Developer's Employment Obligations.

23.1 Employment Opportunity.

The Developer agrees, and shall contractually obligate its various contractors, subcontractors and any affiliate of the Developer operating on the City Land (collectively, the "Employers" and individually, an "Employer") to agree, that with respect to the provision of services in connection with the construction of the Project or occupation of the City Land:

(a) Neither the Developer nor any Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Section 2-160-010, et seq. of the Municipal Code of Chicago, as amended from time to time (the "Human Rights Ordinance"). The Developer and each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon the foregoing grounds, and are treated in a nondiscriminatory manner with regard to all job-related matters, including, without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Developer and each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Developer and each Employer, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon the foregoing grounds.

(b) To the greatest extent feasible, the Developer and each Employer shall present opportunities for training and employment of low- and moderate-income residents of the City, and provide that contracts for work in connection with the construction of the Project be awarded to business concerns which are located in or owned in substantial part by persons residing in, the City.

(c) The Developer and each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including, without limitation, the Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101, et seq. (1993), both as amended from time to time, and any regulations promulgated thereunder.

(d) The Developer, in order to demonstrate compliance with the terms of this Section 23.1, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) The Developer and each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the construction of the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any affiliate operating on the City Land, so that each such provision shall be binding upon each contractor, subcontractor or affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 23.1 shall be a basis for the City to pursue remedies under the provisions of Section 19.

23.2 City Resident Employment Requirement.

(a) The Developer agrees, and shall contractually obligate each Employer to agree, that during the construction of the Project, the Developer and each Employer shall comply with the minimum percentage of total worker hours performed by actual residents of the City of Chicago as specified in Section 2-92-330 of the Municipal Code of Chicago (at least fifty percent (50%)); provided, however, that in addition to complying with this percentage, the Developer and each Employer shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

(b) The Developer and the Employers may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the chief procurement officer of the City of Chicago.

(c) "Actual residents of the City of Chicago" shall mean persons domiciled within the City of Chicago. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

(d) The Developer and the Employers shall provide for the maintenance of adequate employee residency records to ensure that actual Chicago residents are employed on the construction of the Project. The Developer and the Employers shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

(e) The Developer and the Employers shall submit weekly certified payroll reports United States Department of Labor Form WH-347 or equivalent) to D.O.H. in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Developer or Employer hired the employee should be written in after the employee's name.

(f) The Developer and the Employers shall provide full access to their employment records to the chief procurement officer, D.O.H., the Superintendent of the Chicago Police Department, the inspector general, or any duly authorized representative thereof. The Developer and the Employers shall maintain all relevant personnel data and records for a period of at least three (3) years after the issuance of the last Partial Certificate of Completion.

(g) At the direction of D.O.H., the Developer and the Employers shall provide affidavits and other supporting documentation to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

(h) Good faith efforts on the part of the Developer and the Employers to provide work for actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the chief procurement officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section 23.2 concerning the worker hours performed by actual Chicago residents.

(i) If the City determines that the Developer or an Employer failed to ensure the fulfillment of the requirements of this Section 23.2 concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section 23.2. If such noncompliance is not remedied in accordance with the breach and cure provisions of Section 19.3, the parties agree that one-twentieth of one percent (.05%) of the aggregate hard construction costs set forth in the Budget shall be surrendered by the Developer and for the Employers to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer and/or the other Employers or employees to prosecution.

(j) Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246" or other affirmative action required for equal opportunity under the provisions of this Agreement.

(k) The Developer shall cause or require the provisions of this Section 23.2 to be included in all construction contracts and subcontracts related to the construction of the Project.

23.3 Developer's M.B.E./W.B.E. Commitment.

The Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the general contractor to agree, that during the construction of the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420, et seq., Municipal Code of Chicago (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650, et seq., Municipal Code of Chicago (the "Construction Program", and collectively with the Procurement Program, the "M.B.E./W.B.E. Program"), and in reliance upon the provisions of the M.B.E./W.B.E. Program to the extent contained in, and as qualified by, the provisions

of this Section 23.3, during the course of construction of the Project, at least twenty-four percent (24%) of the aggregate hard construction costs, as set forth in (Sub)Exhibit H hereto (the "M.B.E./W.B.E. Budget") shall be expended for contract participation by minority-owned businesses and at least four percent (4%) of the M.B.E./W.B.E. Budget shall be expended for contract participation by women-owned businesses.

(b) For purposes of this Section 23.3 only:

(i) The Developer (and any party to whom a contract is let by the Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by the Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code of Chicago, as applicable.

(ii) The term "minority-owned business" or "M.B.E." shall mean a business identified in the *Directory of Certified Minority Business Enterprises* published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a minority-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(iii) The term "women-owned business" or "W.B.E." shall mean a business identified in the *Directory of Certified Women Business Enterprises* published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a women-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable:

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code of Chicago, the Developer's M.B.E./W.B.E. commitment may be achieved in part by the Developer's status as an M.B.E. or W.B.E. (but only to the extent of any actual work performed on the Project by the Developer) or by a joint venture with one or more M.B.E.s or W.B.E.s (but only to the extent of the lesser of (i) the M.B.E. or W.B.E. participation in such joint venture, or (ii) the amount of any actual work performed on the Project by the M.B.E. or W.B.E.); by the Developer utilizing a M.B.E. or a W.B.E. as the general contractor (but only to the extent of any actual work performed on the Project by the general contractor); by subcontracting or causing the general contractor to subcontract a portion of the construction of the Project to one or more M.B.E.s or W.B.E.s; by the purchase of materials or services used in the construction of the Project from one or more M.B.E.s or W.B.E.s; or by any combination of the foregoing. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (x) issue a written demand to the Developer to halt construction of the Project, (y) withhold any further payment of any City funds to the Developer or the general contractor, or (z) seek any other remedies against the Developer available at law or in equity.

Section 27.

Patriot Act Certification.

The Developer represents and warrants that neither the Developer nor any Affiliate (as hereafter defined) thereof is listed on any of the following lists maintained by the Office of Foreign Assets Control of the United States Department of the Treasury, the Bureau of

Industry and Security of the United States Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable Laws: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. Section 28.

Prohibition On Certain Contributions -- Mayoral Executive Order Number 05-1.

28.1

The Developer agrees that the Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in the Developer of more than seven and five-tenths percent (7.5%) ("Owners"), spouses and domestic partners of such Owners, the Developer's contractors (i.e., any person or entity in direct contractual privity with the Developer regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than seven and five-tenths percent (7.5%) ("Subowners") and spouses and domestic partners of such Subowners (the Developer and all the other preceding classes of persons and entities are together the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fund-raising committee (a) after execution of this Agreement by the Developer, (b) while this Agreement or any Other Contract (as hereinafter defined) is executory, (c) during the term of this Agreement or any Other Contract, or (d) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to February 10, 2005, the effective date of Executive Order 2005-1.

28.2

The Developer represents and warrants that from the later of (a) February 10, 2005, or (b) the date the City approached the Developer, or the date the Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fund-raising committee.

28.5

Notwithstanding anything to the contrary contained herein, the Developer agrees that a violation of, noncompliance with, misrepresentation with respect to, or breach of any covenant or warranty under this Section 28 or violation of Mayoral Executive Order Number 05-1 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this Agreement, and under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

28.6

If the Developer intentionally violates this provision or Mayoral Executive Order Number 05-1 prior to the Closing, the City may elect to decline to close the transaction contemplated by this Agreement.

28.7

For purposes of this provision:

Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council.

RECITALS

WHEREAS, the Developer desires to purchase from the City the real property commonly known as 2425 West North Avenue, Chicago, Illinois 60647, which is legally described on Exhibit A attached hereto (the "City Land"); and

WHEREAS, the City Land is located in two redevelopment areas, one known as the Greater Humboldt Park Redevelopment Area (the "Redevelopment Area") and the other known as the Humboldt Park Commercial Redevelopment Project Area (the "TIF Area"); and

WHEREAS, the Developer intends to redevelop the City Land for public open space, as more fully described on Exhibit B attached hereto (the "Project"); and

WHEREAS, the Project is consistent with the redevelopment plan for the Greater Humboldt Park Redevelopment Area (the "Redevelopment Plan") and the redevelopment plan and project for the Humboldt Park Commercial Redevelopment Project Area (the "TIF Plan"); and

WHEREAS, the appraised value of the City Property is $353,000; and

WHEREAS, the City is willing to sell the City Property to the Developer for $1.00 subject to the terms and conditions of this Agreement, including the obligation to maintain the City Land in perpetuity as public open space; and

WHEREAS, the Developer is obtaining funding for the Project from aldermanic discretionary funds in the amount of $50,000 ($25,000 each from Alderman Ocasio and Alderman Flores), a grant from the Local Initiatives Support Corporation and local fund raising contributions; and

WHEREAS, the City Council, pursuant to an ordinance adopted on June ___, 2008, and published at pages _____ through _____ in the Journal of the Proceedings of the City Council of such date, authorized the sale of the City Land to the Developer, subject to the execution, delivery and recording of this Agreement.

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

SECTION 1. INCORPORATION OF RECITALS.

The foregoing recitals constitute an integral part of this Agreement and are incorporated herein by this reference with the same force and effect as if set forth herein as agreements of the parties.

SECTION 2. PURCHASE PRICE.

The City hereby agrees to sell, and the Developer hereby agrees to purchase, upon and subject to the terms and conditions of this Agreement, the City Land, for the sum of One Dollar ($1.00) ("Purchase Price"), to be paid to the City at the Closing (as defined in Section 4) by certified or cashier's check. Except as specifically provided herein to the contrary, the Developer shall pay all escrow fees and other title insurance fees and closing costs. The Developer acknowledges that the Purchase Price is approximately $353,000 less than the fair market value of the City Land and that the City has only agreed to sell the City Land to the Developer for the Purchase Price because the Developer has agreed to execute this Agreement and comply with its terms and conditions, including, without limitation, Section 14.

SECTION 3. EARNEST MONEY AND PERFORMANCE DEPOSIT.

Intentionally Deleted.

SECTION 4. CLOSING.

The closing of the transaction contemplated by this Agreement ("Closing") shall take place at the downtown offices of Greater Illinois Title Company ("Title Company"), 120 North LaSalle Street, Suite 900, Chicago, Illinois 60602, within thirty (30) days after the Developer has satisfied all conditions precedent set forth in Section 9, unless DPD, in its sole discretion, waives such conditions, or on such date as the parties mutually agree upon in writing (the "Closing Date"); provided, however, in no event shall the Closing occur any later than September 30, 2008 (the "Outside Closing Date"), unless DPD, in its sole discretion, extends the Outside Closing Date. On or before the Closing Date, the City shall deliver to the Title Company the Deed, all necessary state, county and municipal real estate transfer tax declarations, and an ALTA statement.

SECTION 5. CONVEYANCE OF TITLE.

5.1 Form of Deed. The City shall convey the City Land to the Developer by quitclaim deed ("Deed"), subject to the terms of this Agreement and the following (collectively, the "Permitted Exceptions"):

(a) the Redevelopment Plan for the Redevelopment Area and the TIF Plan for the TIF Area;

(b) the standard exceptions in an ALTA title insurance policy;

(c) general real estate taxes and any special assessments or other taxes that are not yet due and owing;

(d) all easements, encroachments, covenants and restrictions of record and not shown of record that will not adversely affect the use and insurability of the City Land for the development of the Project; and

(e) such other title defects as may exist that will not adversely affect the use and insurability of the City Land for the development of the Project; and

(f) any and all exceptions caused by the acts of the Developer or its agents.

5.2 Recording Costs. The Developer shall pay to record the Deed, this Agreement, and any other documents incident to the conveyance of the City Land to the Developer.

SECTION 6. TITLE AND SURVEY.

6.1 The Developer acknowledges that the City has delivered to the Developer a title insurance commitment for the City Land (Order No. _____) from the Title Company with an effective date of _____, 200__ (the "Title Commitment"), showing the City in title to the City Land. The Developer shall be solely responsible for and shall pay all costs associated with updating the Title Commitment (including all search, continuation and later-date fees), and obtaining any title insurance, extended coverage or other endorsements it deems necessary. The Developer shall also be solely responsible for and shall pay all costs associated with obtaining any survey it deems necessary.

6.2 The City shall use reasonable efforts to obtain the waiver or release of any delinquent real estate tax liens on the City Land prior to the Closing, to the extent such tax liens can be waived or released through submission of an abatement letter to the Cook County Treasurer or a motion to vacate a tax sale. If the City is unable to obtain the waiver or release of any such tax liens or is unable to cause the Title Company to insure over such tax liens, or if the City Land is encumbered with any other unpermitted exceptions, the Developer shall have the option to do one of the following: (a) accept title to the City Land subject to the exceptions, which shall then become Permitted Exceptions, without reduction in the Purchase Price; or (b) terminate this Agreement by delivery of written notice to the City at least fourteen (14) days prior to the Closing Date, in which event this Agreement shall be null and void and, except as otherwise specifically provided herein, neither party shall have any further right, duty or obligation hereunder. If the Developer elects not to terminate this Agreement as aforesaid, the

Developer agrees to accept title subject to the unpermitted exceptions. The Developer shall be responsible for all taxes accruing after the Closing.

SECTION 7. BUILDING PERMITS AND OTHER GOVERNMENTAL APPROVALS.

The Developer shall apply for all necessary building permits and other required permits and approvals for the construction of the Project no later than fourteen (14) days after the City Council authorizes the sale of the City Land, unless DPD, in its sole discretion, extends such application date, and shall pursue such permits and approvals in good faith and with all due diligence.

SECTION 8. PROJECT BUDGET AND PROOF OF FINANCING.

The total budget for the Project as of January 2008 was estimated to be $67,763 (the "Preliminary Project Budget"). Not less than fourteen (14) days prior to the Closing Date, the Developer shall submit to DPD for approval a final project budget materially consistent with the Preliminary Project Budget ("Budget") and evidence of funds adequate to finance the construction of the Project ("Proof of Financing").

SECTION 9. CONDITIONS TO THE CITY'S OBLIGATION TO CLOSE.

The obligations of the City under this Agreement are contingent upon each of the following:

9.1 Final Governmental Approvals. At least fourteen (14) days prior to the Closing Date, the Developer shall have delivered to the City evidence of all building permits and other final governmental approvals necessary to construct the Project.

9.2 Budget and Proof of Financing. At least fourteen (14) days prior to the Closing Date, the City shall have approved the Developer's Budget and Proof of Financing.

9.3 Insurance. At least fourteen (14) days prior to the Closing Date, the Developer shall have delivered to the City evidence of insurance reasonably acceptable to the City. The City shall be named as an additional insured on all liability insurance policies and as a loss payee (subject to the prior rights of any first mortgagee) on all property insurance policies from the Closing Date through the date the City issues the Certificate of Completion (as defined in Section 13 below). With respect to property insurance, the City will accept an ACORD 28 form. With respect to liability insurance, the City will accept an ACORD 25 form, together with a copy of the endorsement that is added to the Developer's policy showing the City as an additional insured.

9.4 Organization and Authority Documents. At least fourteen (14) days prior to the Closing Date, the Developer shall have delivered to DPD the Developer's articles of incorporation, including all amendments thereto, as furnished and certified by the Illinois Secretary of State; the by-laws of the Developer, as certified by the secretary of the Developer; resolutions authorizing the Developer to execute and deliver this Agreement and any other documents required to complete the transaction contemplated by this Agreement and to perform its obligations under this Agreement; a certificate of good standing from the Illinois Secretary of State dated no more than thirty (30) days prior to the Closing; and such other corporate authority and organizational documents as the City may reasonably request.

9.5 MBE/WBE and City Residency Hiring Compliance Plan. At least fourteen (14) days prior to the Closing Date, the Developer and the Developer's general contractor and all major subcontractors shall meet with staff from the Department of Housing ("DOH") regarding compliance with the MBE/WBE, city residency hiring and other requirements set forth in Section 23, and at least seven (7) days prior to the Closing Date, the City shall have approved the Developer's compliance plan in accordance with Section 23.4.

9.6 Representations and Warranties. On the Closing Date, each of the representations and warranties of the Developer in Section 24 and elsewhere in this Agreement shall be true and correct.

9.7 Other Obligations. On the Closing Date, the Developer shall have performed all of the other obligations required to be performed by the Developer under this Agreement as and when required under this Agreement.

If any of the conditions in this Section 9 have not been satisfied to the City's reasonable satisfaction within the time periods provided for herein, the City may, at its option, terminate this Agreement by delivery of written notice to the Developer at any time after the expiration of the applicable time period, in which event this Agreement shall be null and void and, except as otherwise specifically provided, neither party shall have any further right, duty or obligation hereunder. Any forbearance by the City in exercising its right to terminate this Agreement upon a default hereunder shall not be construed as a waiver of such right.

SECTION 10. CONSTRUCTION REQUIREMENTS.

10.1 Site Plans. The Developer shall construct the Project on the City Land in accordance with the site plan prepared by Landon Bone Baker Architects dated December 17, 2007, and attached hereto as Exhibit C, and the final plans and specifications to be approved by DPD and which are incorporated herein by reference (collectively, "Drawings"). No material deviation from the Drawings may be made without the prior written approval of DPD. If the Developer submits and DPD approves revised site plans or architectural drawings after the date of this Agreement, the term "Drawings" as used herein shall refer to the revised site plans and architectural drawings upon DPD's written approval of the same.

10.2 Relocation of Utilities, Curb Cuts and Driveways. The Developer shall be solely responsible for and shall pay all costs associated with: (a) the relocation, installation or construction of public or private utilities, curb cuts and driveways; (b) the repair or reconstruction of any curbs, vaults, sidewalks or parkways required in connection with or damaged as a result of the Developer's construction of the Project; (c) the removal of existing pipes, utility equipment or building foundations; and (d) the termination of existing water or other services. The City shall have the right to approve any streetscaping provided by the Developer as part of the Project, including, without limitation, any paving of sidewalks, landscaping and lighting.

10.3 City's Right to Inspect City Land. For the period commencing on the Closing Date and continuing through the date the City issues the Certificate of Completion, any duly authorized representative of the City shall have access to the City Land at all reasonable times for the purpose of determining whether the Developer is constructing the Project in accordance with the terms of this Agreement and all applicable federal, state and local statutes, laws, ordinances, codes, rules, regulations, orders and judgments, including, without limitation,

Sections 7-28 and 11-4 of the Municipal Code of Chicago relating to waste disposal (collectively, "Laws").

10.4 Barricades and Signs. Promptly after the execution of this Agreement, the Developer shall, at its sole cost and expense, erect and maintain such signs as the City may reasonably require identifying the City Land as a City redevelopment project. Prior to the commencement of any construction activity requiring barricades, the Developer shall install barricades of a type and appearance satisfactory to the City and constructed in compliance with all applicable Laws. DPD shall have the right to approve the maintenance, appearance, color scheme, painting, nature, type, content and design of all barricades, which approval shall not be unreasonably withheld or delayed. The Developer shall erect all signs and barricades so as not to interfere with or affect any bus stop or train station in the vicinity of the City Land.

SECTION 11. LIMITED APPLICABILITY.

Any approval given by DPD pursuant to this Agreement is for the purpose of this Agreement only and does not constitute the approval required by the City's Department of Construction and Permits ("DCAP") or any other City department; nor does such approval constitute an approval of the quality, structural soundness or safety of any improvements located or to be located on the City Land, or the compliance of said improvements with any Laws, private covenants, restrictions of record, or any agreement affecting the City Land or any part thereof.

SECTION 12. COMMENCEMENT AND COMPLETION OF PROJECT.

The Developer shall commence construction of the Project no later than May 30, 2009, and shall complete the Project (as evidenced by the issuance of the Certificate of Completion) no later than May 30, 2010; provided, however, DPD, in its sole discretion, may extend the construction commencement and completion dates. The Developer shall give written notice to the City within five (5) days after it commences construction. The Developer shall construct the Project in accordance with the Drawings and all Laws and covenants and restrictions of record.

SECTION 13. CERTIFICATE OF COMPLETION.

The Developer shall request from the City a certificate of completion ("Certificate of Completion") upon the completion of the Project in accordance with this Agreement. Within forty-five (45) days after receipt of a written request by the Developer for a Certificate of Completion, the City shall provide the Developer with either the Certificate of Completion or a written statement indicating in adequate detail how the Developer has failed to complete the Project in conformity with this Agreement, or is otherwise in default, and what measures or acts will be necessary, in the sole opinion of the City, for the Developer to take or perform in order to obtain the Certificate of Completion. If the City requires additional measures or acts to assure compliance, the Developer shall resubmit a written request for the Certificate of Completion upon compliance with the City's response. The Certificate of Completion shall be in recordable form, and shall, upon recording, constitute a conclusive determination of satisfaction and termination of the covenants in this Agreement and the Deed with respect to the Developer's obligations to construct the Project. The Certificate of Completion shall not, however, constitute evidence that the Developer has complied with any Laws relating to the construction of the Project, and shall not serve as any "guaranty" as to the quality of the construction.

SECTION 14. RESTRICTIONS ON USE.

The Developer agrees that it:

14.1 Shall devote the City Land to a use that complies with the Redevelopment Plan and the TIF Plan until such plans expire.

14.2 Shall not discriminate on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status, or source of income in providing access to or use of the City Land or the Project or any part thereof.

14.3 Shall use the City Land solely as public open space.

14.4 Shall maintain and manage the open space as follows: repair and replace all landscaping, sidewalks, pavement, fencing, fixtures, furnishings and other Project improvements; provide trash pickup and disposal services; and remove leaves, snow, litter, debris and other waste material.

The Developer acknowledges and agrees that the use restrictions set forth in this Section 14 constitute material, bargained-for consideration for the City and are intended to further the public policy of creating open space, and that, but for such use restrictions, the City would not have agreed to convey the City Land to the Developer.

SECTION 15. PROHIBITION AGAINST SALE OR TRANSFER OF CITY LAND.

Prior to the issuance of the Certificate of Completion for the Project, the Developer may not, without the prior written consent of DPD, which consent shall be in DPD's sole discretion: (a) directly or indirectly sell, transfer or otherwise dispose of the City Land or any part thereof or any interest therein or the Developer's controlling interests therein (including without limitation, a transfer by assignment of any beneficial interest under a land trust); or (b) directly or indirectly assign this Agreement. The Developer acknowledges and agrees that DPD may withhold its consent under (a) or (b) above if, among other reasons, the proposed purchaser, transferee or assignee (or such entity's principal officers or directors) is in violation of any Laws, or if the Developer fails to submit sufficient evidence of the financial responsibility, business background and reputation of the proposed purchaser, transferee or assignee.

SECTION 16. LIMITATION UPON ENCUMBRANCE OF CITY LAND.

Prior to the issuance of the Certificate of Completion for the Project, the Developer shall not, without DPD's prior written consent, which shall be in DPD's sole discretion, engage in any financing or other transaction which would create an encumbrance or lien on the City Land.

SECTION 17. MORTGAGEES NOT OBLIGATED TO CONSTRUCT.

Intentionally Deleted.

SECTION 18. COVENANTS RUNNING WITH THE LAND.

The parties agree, and the Deed shall so expressly provide, that the covenants provided in Section 12 (Commencement and Completion of Project), Section 14 (Restrictions on Use), Section 15 (Prohibition Against Transfer of City Land) and Section 16 (Limitation Upon Encumbrance of City Land) will be covenants running with the land, binding on the Developer and its successors and assigns to the fullest extent permitted by law and equity for the benefit and in favor of the City, and shall be enforceable by the City. The covenants provided in Sections 12, 15 and 16 shall terminate upon the issuance of the Certificate of Completion for the Project. The covenant contained in Section 14.1 shall terminate on the dates the Redevelopment Plan and the TIF Plan expire. The covenants contained in Sections 14.2, 14.3 and 14.4 shall have no limitation as to time.

SECTION 19. PERFORMANCE AND BREACH.

19.1 Time of the Essence. Time is of the essence in the Developer's performance of its obligations under this Agreement.

19.2 Permitted Delays. The Developer shall not be considered in breach of its obligations under this Agreement in the event of a delay due to unforeseeable causes beyond the Developer's control and without the Developer's fault or negligence, including, without limitation, acts of God, acts of the public enemy, acts of the United States government, fires, floods, epidemics, quarantine restrictions, strikes, embargoes and unusually severe weather or delays of subcontractors due to such causes. The time for the performance of the obligations shall be extended only for the period of the delay and only if the Developer requests an extension in writing within twenty (20) days after the beginning of any such delay.

19.3 Cure. If the Developer defaults in the performance of its obligations under this Agreement, the Developer shall have sixty (60) days after written notice of default from the City to cure the default, or such longer period as shall be reasonably necessary to cure such default provided the Developer promptly commences such cure and thereafter diligently pursues such cure to completion (so long as continuation of the default does not create material risk to the Project or to persons using the Project). Notwithstanding the foregoing, no notice or cure period shall apply to defaults under Sections 19.4(c), (e) and (g).

19.4 Event of Default. The occurrence of any one or more of the following shall constitute an "Event of Default" under this Agreement:

(a) The Developer makes or furnishes a warranty, representation, statement or certification to the City (whether in this Agreement, an Economic Disclosure Statement, or another document) that is not true and correct.

(b) A petition is filed by or against the Developer under the Federal Bankruptcy Code or any similar state or federal law, whether now or hereafter existing, which is not vacated, stayed or set aside within thirty (30) days after filing.

(c) The Developer fails to complete the Project in accordance with the time line outlined in Section 12 above, or the Developer abandons or substantially suspends construction of the Project.

(d) The Developer fails to pay real estate taxes or assessments affecting the City Land or any part thereof when due, or places thereon any encumbrance or lien unauthorized by this Agreement, or suffers or permits any levy or attachment, mechanic's, laborer's, material supplier's, or any other lien or encumbrance unauthorized by this Agreement to attach to the City Land unless bonded or insured over.

(e) The Developer makes an assignment, pledge, unpermitted financing, encumbrance, transfer or other disposition in violation of this Agreement.

(f) There is a material and adverse change in the Developer's financial condition or operations.

(g) The Developer fails to close by the Outside Closing Date, unless DPD, in its sole discretion, extends the Outside Closing Date.

(h) The Developer fails to perform, keep or observe any of the other covenants, conditions, promises, agreements or obligations under this Agreement or any other written agreement entered into with the City with respect to the Project.

19.5 Prior to Closing. If an Event of Default occurs prior to the Closing, and the default is not cured in the time period provided for in Section 19.3 above, the City may terminate this Agreement, institute any action or proceeding at law or in equity against the Developer.

19.6 After Closing. If an Event of Default occurs after the Closing but prior to the issuance of the Certificate of Completion, and the default is not cured in the time period provided for in Section 19.3 above, the City may terminate this Agreement and exercise any and all remedies available to it at law or in equity, including, without limitation, the right to re-enter and take possession of the City Land, terminate the estate conveyed to the Developer, and revest title to the City Land in the City (the "Right of Reverter"); provided, however, the City's Right of Reverter shall be limited by, and shall not defeat, render invalid, or limit in any way, the lien of any mortgage authorized by this Agreement.

19.7 Resale of the City Land. Upon the revesting in the City of title to the City Land as provided in Section 19.6, the City may complete the Project or convey the City Land, subject to any first mortgage lien, to a qualified and financially responsible party reasonably acceptable to the first mortgagee, who shall assume the obligation of completing the Project or such other improvements as shall be satisfactory to DPD, and otherwise comply with the covenants that run with the land as specified in Section 18.

19.8 Disposition of Resale Proceeds. If the City sells the City Land as provided for in Section 19.7, the net proceeds from the sale, after payment of all amounts owed under any mortgage liens authorized by this Agreement in order of lien priority, shall be utilized to reimburse the City for:

(a) costs and expenses incurred by the City (including, without limitation, salaries of personnel) in connection with the recapture, management and resale of the City Land (less any income derived by the City from the City Land in connection with such management); and

(b) all unpaid taxes, assessments, and water and sewer charges assessed against the City Land; and

(c) any payments made (including, without limitation, reasonable attorneys' fees and court costs) to discharge or prevent from attaching or being made any subsequent encumbrances or liens due to obligations, defaults or acts of the Developer; and

(d) any expenditures made or obligations incurred with respect to construction or maintenance of the Project; and

(e) any other amounts owed to the City by the Developer.

The Developer shall be entitled to receive any remaining proceeds up to the amount of the Developer's equity investment in the City Land.

SECTION 20. CONFLICT OF INTEREST; CITY'S REPRESENTATIVES NOT INDIVIDUALLY LIABLE.

The Developer represents and warrants that no agent, official or employee of the City shall have any personal interest, direct or indirect, in the Developer, this Agreement, the City Land or the Project, nor shall any such agent, official or employee participate in any decision relating to this Agreement which affects his or her personal interests or the interests of any corporation, partnership, association or other entity in which he or she is directly or indirectly interested. No agent, official or employee of the City shall be personally liable to the Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to the Developer or successor or with respect to any commitment or obligation of the City under the terms of this Agreement.

SECTION 21. INDEMNIFICATION.

The Developer agrees to indemnify, defend and hold the City harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, reasonable attorneys' fees and court costs) suffered or incurred by the City arising from or in connection with: (a) the failure of the Developer to perform its obligations under this Agreement; (b) the failure of the Developer or any contractor or other agent, entity or individual acting under the control or at the request of the Developer ("Agent") to pay contractors, subcontractors or material suppliers in connection with the construction and management of the Project; (c) any misrepresentation or omission made by the Developer or any Agent; (d) the failure of the Developer to redress any misrepresentations or omissions in this Agreement or any other agreement relating hereto; and (e) any activity undertaken by the Developer or any Agent on the City Land prior to or after the Closing. This indemnification shall survive the Closing or any termination of this Agreement (regardless of the reason for such termination).

SECTION 22. INSPECTION; CONDITION OF CITY LAND AT CLOSING.

22.1 "As Is" Sale. The City makes no covenant, representation or warranty, express or implied, of any kind, as to the structural, physical or environmental condition of the City Land

or the suitability of the City Land for any purpose whatsoever, and the Developer agrees to accept the City Land in its "as is," "where is" and "with all faults" condition.

22.2 Right of Entry.

(a) The Developer's obligations hereunder are conditioned upon the Developer being satisfied with the condition of the City Land for the construction, development and operation of the Project. Upon the Developer's request, the City shall grant the Developer the right, at its sole cost and expense, to enter the City Land for a period of thirty (30) days (the "Inspection Period") pursuant to a Right of Entry Agreement in form and substance reasonably acceptable to the City to inspect the same, perform surveys, environmental assessments, soil and any other due diligence it deems necessary or desirable to satisfy itself as to the condition of the City Land.

(b) If the Developer determines that it is not satisfied, in its sole discretion, with the condition of the City Land, the Developer may terminate this Agreement by written notice to the City within thirty (30) days after the expiration of the Inspection Period, whereupon this Agreement shall be null and void and, except as otherwise specifically provided, neither party shall have any further right, duty or obligation hereunder. If the Developer elects not to terminate this Agreement pursuant to this Section 22.2, the Developer shall be deemed satisfied with the condition of the City Land.

22.3 Indemnity. The Developer hereby waives and releases, and indemnifies the City from and against, any claims and liabilities relating to or arising from the structural, physical or environmental condition of the City Land, including, without limitation, claims arising under the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended ("CERCLA"), and shall undertake and discharge all liabilities of the City arising from any structural, physical or environmental condition that existed on the City Land prior to the Closing, including, without limitation, liabilities arising under CERCLA. The Developer hereby acknowledges that, in purchasing the City Land, the Developer is relying solely upon its own inspection and other due diligence activities and not upon any information (including, without limitation, environmental studies or reports of any kind) provided by or on behalf of the City or its agents or employees with respect thereto. The Developer shall perform such studies and investigations, conduct such tests and surveys, and engage such specialists as the Developer deems appropriate to evaluate fairly the structural, physical and environmental condition and risks of the City Land. If, after the Closing, the structural, physical and environmental condition of the City Land is not in all respects entirely suitable for its intended use, it shall be the Developer's sole responsibility and obligation to take such action as is necessary to put the City Land in a condition which is suitable for its intended use. The provisions of this Section 22.3 shall survive the Closing.

SECTION 23. DEVELOPER'S EMPLOYMENT OBLIGATIONS.

23.1 Employment Opportunity. The Developer agrees, and shall contractually obligate its various contractors, subcontractors and any affiliate of the Developer operating on the City Land (collectively, the "Employers" and individually, an "Employer") to agree, that with respect to the provision of services in connection with the construction of the Project or occupation of the City Land:

(a) Neither the Developer nor any Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Section 2-160-010 et seq. of the Municipal Code of Chicago, as amended from time to time (the "Human Rights Ordinance"). The Developer and each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon the foregoing grounds, and are treated in a non-discriminatory manner with regard to all job-related matters, including, without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Developer and each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Developer and each Employer, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon the foregoing grounds.

(b) To the greatest extent feasible, the Developer and each Employer shall present opportunities for training and employment of low and moderate income residents of the City, and provide that contracts for work in connection with the construction of the Project be awarded to business concerns which are located in or owned in substantial part by persons residing in, the City.

(c) The Developer and each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including, without limitation, the Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), both as amended from time to time, and any regulations promulgated thereunder.

(d) The Developer, in order to demonstrate compliance with the terms of this Section 23.1, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) The Developer and each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the construction of the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any affiliate operating on the City Land, so that each such provision shall be binding upon each contractor, subcontractor or affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 23.1 shall be a basis for the City to pursue remedies under the provisions of Section 19.

23.2 City Resident Employment Requirement.

(a) The Developer agrees, and shall contractually obligate each Employer to agree, that during the construction of the Project, the Developer and each Employer shall comply with the minimum percentage of total worker hours performed by actual residents of the City of Chicago as specified in Section 2-92-330 of the Municipal Code of Chicago (at least fifty percent); provided, however, that in addition to complying with this percentage, the Developer and each Employer shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

(b) The Developer and the Employers may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the chief procurement officer of the City of Chicago.

(c) "Actual residents of the City of Chicago" shall mean persons domiciled within the City of Chicago. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

(d) The Developer and the Employers shall provide for the maintenance of adequate employee residency records to ensure that actual Chicago residents are employed on the construction of the Project. The Developer and the Employers shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

(e) The Developer and the Employers shall submit weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) to DOH in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Developer or Employer hired the employee should be written in after the employee's name.

(f) The Developer and the Employers shall provide full access to their employment records to the chief procurement officer, DOH, the Superintendent of the Chicago Police Department, the inspector general, or any duly authorized representative thereof. The Developer and the Employers shall maintain all relevant personnel data and records for a period of at least three (3) years after the issuance of the Certificate of Completion.

(g) At the direction of DOH, the Developer and the Employers shall provide affidavits and other supporting documentation to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

(h) Good faith efforts on the part of the Developer and the Employers to provide work for actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the chief procurement officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section 23.2 concerning the worker hours performed by actual Chicago residents.

(i) If the City determines that the Developer or an Employer failed to ensure the fulfillment of the requirements of this Section 23.2 concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section 23.2. If such non-compliance is not remedied in accordance with the breach and cure provisions of Section 19.3, the parties agree that 1/20 of 1 percent (.05%) of the aggregate hard construction costs set forth in the Budget shall be surrendered by the Developer and for the Employers to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer and/or the other Employers or employees to prosecution.

(j) Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement.

(k) The Developer shall cause or require the provisions of this Section 23.2 to be included in all construction contracts and subcontracts related to the construction of the Project.

23.3 Developer's MBE/WBE Commitment. The Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the general contractor to agree, that during the construction of the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code of Chicago (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code of Chicago (the "Construction Program," and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 23.3, during the course of construction of the Project, at least 24% of the aggregate hard construction costs shall be expended for contract participation by minority-owned businesses and at least 4% of the aggregate hard construction costs shall be expended for contract participation by women-owned businesses.

(b) For purposes of this Section 23.3 only:

(i) The Developer (and any party to whom a contract is let by the Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by the Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are

defined in Sections 2-92-420 and 2-92-670, Municipal Code of Chicago, as applicable.

(ii) The term "minority-owned business" or "MBE" shall mean a business identified in the Directory of Certified Minority Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a minority-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(iii) The term "women-owned business" or "WBE" shall mean a business identified in the Directory of Certified Women Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a women-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code of Chicago, the Developer's MBE/WBE commitment may be achieved in part by the Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture, or (ii) the amount of any actual work performed on the Project by the MBE or WBE); by the Developer utilizing a MBE or a WBE as the general contractor (but only to the extent of any actual work performed on the Project by the general contractor); by subcontracting or causing the general contractor to subcontract a portion of the construction of the Project to one or more MBEs or WBEs; by the purchase of materials or services used in the construction of the Project from one or more MBEs or WBEs; or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer's MBE/WBE commitment as described in this Section 23.3. In accordance with Section 2-92-730, Municipal Code of Chicago, the Developer shall not substitute any MBE or WBE general contractor or subcontractor without the prior written approval of DOH.

(d) The Developer shall deliver quarterly reports to the City's monitoring staff during the construction of the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by the Developer or the general contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the construction of the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining the Developer's compliance with this MBE/WBE commitment. The Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the construction of the Project for at least five (5) years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by the Developer, on prior notice of at least five (5) business days, to allow the City to review the Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the construction of the Project.

(e) Upon the disqualification of any MBE or WBE general contractor or subcontractor, if the disqualified party misrepresented such status, the Developer shall be obligated to discharge or cause to be discharged the disqualified general contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code of Chicago, as applicable.

(f) Any reduction or waiver of the Developer's MBE/WBE commitment as described in this Section 23.3 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code of Chicago, as applicable.

23.4 Pre-Construction Conference and Post-Closing Compliance Requirements. Not less than fourteen (14) days prior to the Closing Date, the Developer and the Developer's general contractor and all major subcontractors shall meet with DOH monitoring staff regarding compliance with all Section 23 requirements. During this pre-construction meeting, the Developer shall present its plan to achieve its obligations under this Section 23, the sufficiency of which the City's monitoring staff shall approve as a precondition to the Closing. During the construction of the Project, the Developer shall submit all documentation required by this Section 23 to the City's monitoring staff, including, without limitation, the following: (a) subcontractor's activity report; (b) contractor's certification concerning labor standards and prevailing wage requirements; (c) contractor letter of understanding; (d) monthly utilization report; (e) authorization for payroll agent; (f) certified payroll; (g) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (h) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that the Developer is not complying with its obligations under this Section 23, shall, upon the delivery of written notice to the Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (x) issue a written demand to the Developer to halt construction of the Project, (y) withhold any further payment of any City funds to the Developer or the general contractor, or (z) seek any other remedies against the Developer available at law or in equity.

SECTION 24. REPRESENTATIONS AND WARRANTIES.

24.1 Representations and Warranties of the Developer. To induce the City to execute this Agreement and perform its obligations hereunder, the Developer hereby represents and warrants to the City that as of the date of this Agreement and as of the Closing Date the following shall be true and correct in all respects:

(a) The Developer is a corporation duly organized, validly existing and in good standing under the laws of the State of Illinois with full power and authority to acquire, own and redevelop the City Land, and the person signing this Agreement on behalf of the Developer has the authority to do so.

(c) The Developer's execution, delivery and performance of this Agreement and all instruments and agreements contemplated hereby will not, upon the giving of notice or lapse of time, or both, result in a breach or violation of, or constitute a default under, any other agreement to which the Developer, or any party affiliated with the Developer, is a party or by which the Developer or the City Land is bound.

(d) To the best of the Developer's knowledge, no action, litigation, investigation or proceeding of any kind is pending or threatened against the Developer, or any party affiliated with the Developer, and the Developer knows of no facts which could give rise to any such action, litigation, investigation or proceeding, which could: (i) affect the ability of the Developer to perform its obligations hereunder; or (ii) materially affect the operation or financial condition of the Developer.

(e) To the best of the Developer's knowledge, the Project will not violate: (i) any Laws, including, without limitation, any zoning and building codes and environmental regulations; or (ii) any building permit, restriction of record or other agreement affecting the City Land.

24.2 Representations and Warranties of the City. To induce the Developer to execute this Agreement and perform its obligations hereunder, the City hereby represents and warrants to the Developer that the City has authority under its home rule powers to execute and deliver this Agreement and perform the terms and obligations contained herein.

24.3 Survival of Representations and Warranties. Each of the parties agrees that all of its representations and warranties set forth in this Section 24 or elsewhere in this Agreement are true as of the date of this Agreement and will be true in all material respects at all times thereafter, except with respect to matters which have been disclosed in writing and approved by the other party.

SECTION 26. BUSINESS RELATIONSHIPS.

The Developer acknowledges (a) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (b) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (c) notwithstanding anything to the contrary contained in this Agreement, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. The Developer hereby represents and warrants that no violation of Section 2-145-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

SECTION 27. PATRIOT ACT CERTIFICATION.

The Developer represents and warrants that neither the Developer nor any Affiliate (as hereafter defined) thereof is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable Laws: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. As used in this Section 27, an "Affiliate" shall be deemed to be a person or entity related to the Developer that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with the Developer, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or

entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

SECTION 28. PROHIBITION ON CERTAIN CONTRIBUTIONS - MAYORAL EXECUTIVE ORDER NO. 05-1.

28.1 The Developer agrees that the Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in the Developer of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, the Developer's contractors (i.e., any person or entity in direct contractual privity with the Developer regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (the Developer and all the other preceding classes of persons and entities are together the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (a) after execution of this Agreement by the Developer, (b) while this Agreement or any Other Contract (as hereinafter defined) is executory, (c) during the term of this Agreement or any Other Contract, or (d) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to February 10, 2005, the effective date of Executive Order 2005-1.

28.2 The Developer represents and warrants that from the later of (a) February 10, 2005, or (b) the date the City approached the Developer, or the date the Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

28.3 The Developer agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

28.4 The Developer agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 05-1 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 05-1.

28.5 Notwithstanding anything to the contrary contained herein, the Developer agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this Section 28 or violation of Mayoral Executive Order No. 05-1 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this Agreement, and under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

28.6 If the Developer intentionally violates this provision or Mayoral Executive Order No. 05-1 prior to the Closing, the City may elect to decline to close the transaction contemplated by this Agreement.

28.7 For purposes of this provision:

(a) "Bundle" means to collect contributions from more than one source, which contributions are then delivered by one person to the Mayor or to his political fundraising committee.

(b) "Other Contract" means any other agreement with the City to which the Developer is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council.

(c) "Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

(d) Individuals are "domestic partners" if they satisfy the following criteria:

(i) they are each other's sole domestic partner, responsible for each other's common welfare; and

(ii) neither party is married; and

(iii) the partners are not related by blood closer than would bar marriage in the State of Illinois; and

(iv) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and

(v) two of the following four conditions exist for the partners:

(1) The partners have been residing together for at least 12 months.

(2) The partners have common or joint ownership of a residence.

(3) The partners have at least two of the following arrangements:

(A) joint ownership of a motor vehicle;
(B) joint credit account;
(C) a joint checking account;
(D) a lease for a residence identifying both domestic partners as tenants.

(4) Each partner identifies the other partner as a primary beneficiary in a will.

(e) "Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

SECTION 29. COOPERATION WITH OFFICE OF COMPLIANCE.

In accordance with Chapter 2-26-110 et seq. of the Municipal Code, the Developer acknowledges that every officer, employee, department and agency of the City shall be obligated to cooperate with the Executive Director of the Office of Compliance in connection with any activities undertaken by such office with respect to this Agreement, including, without limitation, making available to the Executive Director the department's premises, equipment, personnel, books, records and papers. The Developer agrees to abide by the provisions of Chapter 2-26-110 et seq.

SECTION 30. MISCELLANEOUS.

The following general provisions govern this Agreement:

30.2 Cumulative Remedies. 30.8 No Merger. The terms of this Agreement shall not be merged with the Deed, and the delivery of the Deed shall not be deemed to affect or impair the terms of this Agreement.

30.9 No Waiver. No waiver by the City with respect to any specific default by the Developer shall be deemed to be a waiver of the rights of the City with respect to any other defaults of the Developer, nor shall any forbearance by the City to seek a remedy for any breach or default be deemed a waiver of its rights and remedies with respect to such breach or default, nor shall the City be deemed to have waived any of its rights and remedies unless such waiver is in writing.

30.10 Severability. If any term of this Agreement or any application thereof is held invalid or unenforceable, the remainder of this Agreement shall be construed as if such invalid part were never included herein and this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

30.11 Successors and Assigns. Except as otherwise provided in this Agreement, the terms and conditions of this Agreement shall apply to and bind the successors and assigns of the parties.

(To Agreement With Near Northwest Neighborhood Network For Sale And Redevelopment Of Land)

Narrative Description Of Project.

The project will include a community garden and will provide public space for cultural events, local art exhibitions and the promotion of traditional Puerto Rican dance and music. The Project will highlight the oldest Puerto Rican mural in the City (La Crucifixion De Don Pedron -- 1971), which depicts the story of Puerto Rico's independence. The mural is painted on the side of a building located immediately adjacent to the City Land. The Developer plans to restore the historic mural with the help of community artist, including Eduardo Arocho, John Pitman Weber, Josue Pellot and Antonio Galan, the artists who created the mural in 1971. Architreasures will create the community garden in conjunction with Landon Bone Baker Architects, and will also work the Developer to create a maintenance strategy for the Project upon completion. The Developer will plant four new trees and make extensive landscape improvements. Almost ninety percent (90%) of the surface area of the Project will be permeable, including such materials as permeable pavers and fine aggregate gravel.

RECITALS

WHEREAS, the Developer desires to purchase from the City an approximately eleven acre parcel of real property located at 4555 South Racine Avenue, in Chicago, Illinois, and which is described on **Exhibit A** attached hereto (the "City Land"); and

WHEREAS, the City Land is located in the Stockyards Southeast Quadrant Tax Increment Financing Redevelopment Project Area(the "TIF Area") which was established pursuant to ordinances adopted by the City Council of the City on February 6, 1992; and

WHEREAS, the Developer shall use the City Land to construct a 150,000 square foot fruit and vegetable distribution facility (the "Facility"), as more fully described on **Exhibit B** attached hereto; and

WHEREAS, the appraised value of the City Property is One Million Six Hundred Thousand Dollars ($1,600,000.00); and

WHEREAS, the City desires to sell the City Land to the Developer for One and No/100 Dollars ($1.00); and

WHEREAS, in and as additional consideration for the transfer of the City Land, the Developer has agreed to construct the Facility so as to be compliant with a LEED Certified Platinum rating and to perform the other obligations set forth herein (the "Project"); and

WHEREAS, the City Council, pursuant to an ordinance adopted on _____2008, and published at pages _____ through _____ in the Journal of the Proceedings of the City Council of such date, authorized the sale of the City Land to the Developer, subject to the execution, delivery and recording of this Agreement; and

WHEREAS, the Developer and the City acknowledge that the implementation of the policies and provisions described in this Agreement will be of mutual benefit to the Developer and

the City and are consistent with the plan for the TIF Area.

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

SECTION 1. INCORPORATION OF RECITALS.

The foregoing recitals constitute an integral part of this Agreement and are incorporated herein by this reference with the same force and effect as if set forth herein as agreements of the parties.

SECTION 2. PURCHASE PRICE.

The City hereby agrees to sell, and the Developer hereby agrees to purchase, upon and subject to the terms and conditions of this Agreement, the City Land, for the sum of One and No/100 Dollars ($1.00) ("Purchase Price"), to be paid to the City at the Closing (as defined in Section 4). The Developer acknowledges that the Purchase Price is approximately $1,599,999.00 less than the fair market value of the City Land and that the City has only agreed to sell the City Land to the Developer for the Purchase Price because the Developer has agreed to execute this Agreement and comply with its terms and conditions, including, without limitation, Section 14. The Developer shall pay all escrow fees and other title insurance fees and closing costs.

SECTION 3. EARNEST MONEY AND PERFORMANCE DEPOSIT.

Earnest Money and Performance Deposit. There shall be no Earnest Money deposit, and there shall be a Performance Deposit in the amount of ONE HUNDRED AND SIXTY THOUSAND and No/100 Dollars ($160,000.00) due under this Agreement.

SECTION 4. CLOSING.

The closing of the transaction contemplated by this Agreement ("Closing") shall take place at the downtown offices of Greater Illinois Title Company ("Title Company"), 120 North La Salle Street, Chicago, Illinois 60602, within thirty (30) days after the Developer has satisfied all conditions precedent set forth in Section 9, unless DPD, in its sole discretion, waives such conditions, or on such date as the parties mutually agree upon in writing (the "Closing Date"); provided, however, in no event shall the Closing occur any later than December 31, 2008, (the "Outside Closing Date"), unless DPD, in its sole discretion, extends the Outside Closing Date. Failure by DPD to complete certain other land transactions to provide road access upon which the Project is dependent shall be a basis for DPD or the Developer to extend the Outside Closing Date. On or before the Closing Date, the City shall deliver to the Title Company the Deed, all necessary state, county and municipal real estate transfer tax declarations, and an ALTA statement.

SECTION 5. CONVEYANCE OF TITLE.

5.1 Form of Deed. The City shall convey the City Land to the Developer by quitclaim deed ("Deed"), subject to the terms of this Agreement and the following:

(a) the Redevelopment Plan for the TIF Area;

(b) the standard exceptions in an ALTA title insurance policy;
(c) general real estate taxes and any special assessments or other taxes;
(d) all easements, encroachments, covenants and restrictions of record and not shown of record;
(e) such other title defects as may exist; and any and all exceptions caused by the acts of the Developer or its agents.

5.2 Recording Costs. The Developer shall pay to record the Deed, this Agreement, and any other documents incident to the conveyance of the City Land to the Developer.

SECTION 6. TITLE AND SURVEY.

6.1 The Developer acknowledges that the City has delivered to the Developer a commitment for an owner's policy of title insurance for the City Land, Commitment No.1301 004386173, with an effective date of November 28, 2007, issued by the Title Company (the "Title Commitment"), showing the City in title to the City Land. The Developer shall be solely responsible for and shall pay all costs associated with updating the Title Commitment (including all search, continuation and later-date fees), and obtaining any title insurance, extended coverage or other endorsements it deems necessary. The Developer shall also be solely responsible for and shall pay all costs associated with obtaining any survey it deems necessary.

6.2 The City shall use reasonable efforts to obtain the waiver or release of any delinquent real estate tax liens on the City Land prior to the Closing to the extent such tax liens can be waived or released through submission of an abatement letter to the Cook County Treasurer or a motion to vacate a tax sale. If the City is unable to obtain the waiver or release of any such tax liens or is unable to cause the Title Company to insure over such tax liens, or if the City Land is encumbered with any other exceptions that would adversely affect the use and insurability of the City Land for the development of the Project, the Developer shall have the option to do one of the following: (a) accept title to the City Land subject to the exceptions, without reduction in the Purchase Price; or (b) terminate this Agreement by delivery of written notice to the City at least fourteen (14) days prior to the Closing Date, in which event this Agreement shall be null and void and, except as otherwise specifically provided herein, neither party shall have any further right, duty or obligation hereunder. If the Developer elects not to terminate this Agreement as aforesaid, the Developer agrees to accept title subject to all exceptions. The Developer shall be responsible for all taxes accruing after the Closing.

SECTION 7. BUILDING PERMITS AND OTHER GOVERNMENTAL APPROVALS.

The Developer shall apply for all necessary building permits and other required permits and approvals for the construction of the Project no later than forty-five(45) days after the City Council authorizes the sale of the City Land, unless DPD, in its sole discretion, extends such application date, and shall pursue such permits and approvals in good faith and with all due diligence.

Unless DPD, in its sole discretion, otherwise agrees in writing, the Developer shall enroll in the Illinois Environmental Protection Agency's Site Remediation Program ("SRP") and shall take such actions necessary to obtain a letter confirming that no further remediation is necessary ("NFR letter").

SECTION 8. PROJECT BUDGET AND PROOF OF FINANCING.

The total budget for the Project as of March, 2007 was estimated to be Twenty Six Million Five Hundred Eight Thousand Four Hundred Nine and 00/100 Dollars ($26,508,409.00) (the "Preliminary Project Budget"). On the Closing Date, the Developer shall submit to DPD for approval a final project budget materially consistent with the Preliminary Project Budget ("Budget") and evidence of funds adequate to finance the purchase of the City Land and the construction of the Project ("Proof of Financing"). The Proof of Financing shall consist of final, executed loan documents for the Project from the Developer's lenders, if any, and evidence of the Developer's ability to make an equity contribution in the amount of any gap in financing.

SECTION 9. CONDITIONS TO THE CITY'S OBLIGATION TO CLOSE.

The obligations of the City under this Agreement are contingent upon the delivery or satisfaction of each of the following items at least fourteen (14) days prior to the Closing Date, unless another time period is specified below; or unless DPD in it's sole discretion, agrees to waive any such condition:

9.1 Final Governmental Approvals. The Developer shall deliver to the City the building permits and other final governmental approvals necessary to commence construction of the Project. After the Closing Date, the Developer shall provide DPD with copies of any additional permits issued and, in any event, shall obtain all requisite permits prior to commencing construction of the project.

9.2 Budget and Proof of Financing. The City shall have approved the Developer's Budget and Proof of Financing.

9.3 Simultaneous Loan Closing. On the Closing Date, the Developer shall simultaneously close all financing approved pursuant to Section 9.2, and be in a position to immediately commence construction of the Project.

9.4 Insurance. The Developer shall deliver to the City evidence of insurance reasonably acceptable to the City. The City shall be named as an additional insured on all liability insurance policies and as a loss payee (subject to the prior rights of any first mortgagee) on all property insurance policies from the Closing Date through the date the City issues the Certificate of Completion (as defined in Section 13 below). With respect to property insurance, the City will accept an ACORD 28 form. With respect to liability insurance, the City will accept an ACORD 25 form, together with a copy of the endorsement that is added to the Developer's policy showing the City as an additional insured.

9.5 Legal Opinion. The Developer shall deliver to the City a legal opinion in a form reasonably acceptable to the City.

9.6 Due Diligence. The Developer shall deliver to the City due diligence searches in its name (UCC liens, state and federal tax liens, pending suits and judgments in Cook County and the U.S. District Court for the Northern District of Illinois, and bankruptcy), showing no unacceptable liens, litigation, judgments or filings, as reasonably determined by the Corporation Counsel.

9.7 Organization and Authority Documents. The Developer shall deliver to the City the Developer's articles of incorporation, including all amendments thereto, as furnished and certified by the Illinois Secretary of State; the by-laws of the Developer, as certified by the secretary of the Developer; resolutions authorizing the Developer to execute and deliver this Agreement and any other documents required to complete the transaction contemplated by this Agreement and to perform its obligations under this Agreement; a certificate of good standing from the Illinois Secretary of State dated no more than thirty (30) days prior to the Closing;and such other corporate authority and organizational documents as the City may reasonably request.

9.8 Subordination Agreement. Prior to recording any mortgage approved pursuant to Section 9.2, the Developer shall deliver to the City a subordination agreement in a form reasonably acceptable to the City ("Subordination Agreement").

9.9 MBE/WBE, and City Residency Hiring Compliance Plan. The Developer and the Developer's general contractor and all major subcontractors shall meet with staff from the Department of Housing ("DOH") regarding compliance with the MBE/WBE, and city residency hiring and other requirements set forth in Section 23, and at least seven (7) days prior to the Closing Date, the City shall have approved the Developer's compliance plan in accordance with Section 23.4.

9.10 Representations and Warranties. On the Closing Date, each of the representations and warranties of the Developer in Section 24 and elsewhere in this Agreement shall be true and correct.

9.11 Other Obligations. On the Closing Date, the Developer shall have performed all of the other obligations required to be performed by the Developer under this Agreement as and when required under this Agreement.

If any of the conditions in this Section 9 have not been satisfied to the City's reasonable satisfaction within the time periods provided for herein, the City may, at its option, terminate this Agreement by delivery of written notice to the Developer at any time after the expiration of the applicable time period, in which event this Agreement shall be null and void and, except as otherwise specifically provided, neither party shall have any further right, duty or obligation hereunder. Any forbearance by the City in exercising its right to terminate this Agreement upon a default hereunder shall not be construed as a waiver of such right.

SECTION 10. CONSTRUCTION REQUIREMENTS.

10.1 Site Plans. The Developer shall construct the Project on the City Land in accordance with the site plan and other drawings prepared by A. Epstein and Sons International, Inc. attached hereto as Exhibit C, and the final plans and specifications prepared by A. Epstein and Sons International, Inc., dated _____, 200__, which have been approved by DPD and which are incorporated herein by reference (collectively, "Plans"). The City recognizes that it is the Developer's intent that the site plans shall in all ways be compliant with the "Leadership in Environmental and Energy Design" ("LEED") assessment and checklist requirements for Platinum Standard. Further, the City recognizes that LEED certification for refrigeration standards are being more fully developed and defined as of this date and that the application of the principles of LEED construction standards as they pertain to the Project can change prior to construction. No material deviation from the Plans may be made without the prior written approval of DPD. If the Developer submits and DPD approves revised site plans or architectural drawings after the date of this

Agreement, the term "Plans" as used herein shall refer to the revised site plans and architectural drawings upon DPD's written approval of the same. In all instances herein where reference is made to Developer achieving LEED Platinum certification such reference shall mean that Developer shall make application under the current standards and definitions and that should the standards change after construction has begun, obtaining platinum certification thereby not being possible, under those circumstances and those circumstances only, such failure to obtain platinum certification shall not be construed as a material breach of the Agreement or constitute an event of default.

10.2 LEED Construction. All construction of the Project, including but not limited to construction, building orientation, green space and surface parking shall be built to a minimum LEED Platinum Standard. The Project shall be registered with the US Green Building Council ("USGBC") for the required certification prior to the beginning of construction. Project shall be constructed in compliance with all guidelines and requirements as delineated by the USGBC mandated for the LEED Platinum standard. Upon completion of construction Developer, at Developer's cost, shall have all aspects of construction pertinent to LEED certification tested and certified as being compliant with the LEED Standard. The Developer will submit written evidence from the USGBC demonstrating compliance with the required LEED certification.

10.3 Relocation of Utilities, Curb Cuts and Driveways. The Developer shall be solely responsible for and shall pay all costs associated with: (a) the relocation, installation or construction of public or private utilities, curb cuts and driveways; (b) the repair or reconstruction of any curbs, vaults, sidewalks or parkways required in connection with or damaged as a result of the Developer's construction of the Project; (c) the removal of existing pipes, utility equipment or building foundations; and (d) the termination of existing water or other services. The City shall have the right to approve any streetscaping provided by the Developer as part of the Project, including, without limitation, any paving of sidewalks, landscaping and lighting.

10.4 City's Right to Inspect City Land. For the period commencing on the Closing Date and continuing through the date the City issues the Certificate of Completion, any duly authorized representative of the City shall have access to the City Land at all reasonable times for the purpose of determining whether the Developer is constructing the Project in accordance with the terms of this Agreement and all applicable federal, state and local statutes, laws, ordinances, codes, rules, regulations, orders and judgments, including, without limitation, Sections 7-28 and 11-4 of the Municipal Code of Chicago relating to waste disposal (collectively, "Laws").

10.5 Barricades and Signs. Promptly after the execution of this Agreement, the Developer shall, at its sole cost and expense, erect and maintain such signs as the City may reasonably require identifying the City Land as a City redevelopment project. Prior to the commencement of any construction activity requiring barricades, the Developer shall install barricades of a type and appearance satisfactory to the City and constructed in compliance with all applicable Laws. DPD shall have the right to approve the maintenance, appearance, color scheme, painting, nature, type, content and design of all barricades, which approval shall not be unreasonably withheld or delayed. The Developer shall erect all signs and barricades so as not to interfere with or affect any bus stop or train station in the vicinity of the City Land.

10.6 Job Covenants. Developer covenants to relocate at least 120 existing full-time or full-time equivalent jobs ("FTE Jobs") to the Property and, within 12 months of the issuance of the Certificate of Completion, to add 20 new FTE Jobs. The jobs covenant shall be tested annually starting on the first anniversary date of the Certificate of Completion. In the event that the Developer

breaches such jobs covenant at any time during the first five years after the issuance of the Certificate of Completion, the Developer shall pay to the City an amount equal to the product of (a) the number of jobs that the Developer is short of the 140 FTE Job requirement, times (b) $5,000. Such amount shall be computed and paid annually during the first five years after the issuance of the Certificate of Completion, provided, however, that in no event shall the total payments due for a breach of such job covenant exceed, in aggregate, $1,600,000 (representing the land write-down amount).

For illustrative purposes, if on the first anniversary date, the Developer only has 120 FTE Jobs, the Developer shall pay the City the product of (a) 20 (computed as 140-120) times (b) $5,000, or $100,000. If on the second anniversary date, the Developer has 140 FTE Jobs, no payment shall be required. If on the third anniversary date, the Developer has 100 FTE Jobs, the Developer shall pay the City the product of (a) 40, times (b) $5,000, or $200,000. If on the fourth anniversary date, the Developer has 150 FTE Jobs, no payment shall be required. If prior to the fifth anniversary date, the Developer should cease operations and there should be no jobs on the fifth anniversary date, the Developer shall pay the City the product of (a) 140, times (b) $5,000, or $700,000.

The jobs covenant shall only apply during the first five years after the issuance of the Certificate of Completion and shall not be tested thereafter.

SECTION 11. LIMITED APPLICABILITY.

Any approval given by DPD pursuant to this Agreement is for the purpose of this Agreement only and does not constitute the approval required by the City's Department of Construction and Permits ("DCAP") or any other City department; nor does such approval constitute an approval of the quality, structural soundness or safety of any improvements located or to be located on the City Land, or the compliance of said improvements with any Laws, private covenants, restrictions of record, or any agreement affecting the City Land or any part thereof.

SECTION 12. COMMENCEMENT AND COMPLETION OF PROJECT.

The Developer shall commence construction of the Project no later than April 1, 2009, and shall complete the Project (as evidenced by the issuance of the Certificate of Completion) no later than April 1, 2010; provided, however, DPD, in its sole discretion, may extend the construction commencement and completion dates. The Developer shall give written notice to the City within five (5) days after it commences construction. The Developer shall construct the Project in accordance with the Plans and all Laws and covenants and restrictions of record.

SECTION 13. CERTIFICATE OF COMPLETION.

The Developer shall request from the City a certificate of completion ("Certificate of Completion") upon the completion of the Project in accordance with this Agreement. Within forty-five (45) days after receipt of a written request by the Developer for a Certificate of Completion, the City shall provide the Developer with either the Certificate of Completion or a written statement indicating in adequate detail how the Developer has failed to complete the Project in conformity with this Agreement, or is otherwise in default, and what measures or acts will be necessary, in the reasonable opinion of the City, for the Developer to take or perform in order to obtain the Certificate of Completion. If the City requires additional measures or acts to assure compliance, the Developer shall resubmit a written request for the Certificate of Completion upon compliance with the City's

response. The Certificate of Completion shall be in recordable form, and shall, upon recording, constitute a conclusive determination of satisfaction and termination of the covenants in this Agreement and the Deed with respect to the Developer's obligations to construct the Project. The Certificate of Completion shall not, however, constitute evidence that the Developer has complied with any Laws relating to the construction of the Project, and shall not serve as any "guaranty" as to the quality of the construction.

SECTION 14. RESTRICTIONS ON USE.

The Developer agrees that it:

(a) Shall devote the City Land to a use that complies with the Redevelopment Plan until such TIF Area expires; and

(b) Shall not discriminate on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status, or source of income in providing access to or use of the City Land or the Project or any part thereof; and

(c) Shall use the City Land solely for the construction and development of a fruit and vegetable distribution center built to LEED Platinum standard pursuant to Sections 10.1, 10.2 and the specifics delineated in Exhibit B; and

(d) Shall maintain and manage the development as a fruit and vegetable distribution center.

The Developer acknowledges and agrees that the use restrictions set forth in this Section 14 constitute material, bargained-for consideration for the City and are intended to further the public policy of creating open space, and that, but for such use restrictions, the City would not have agreed to convey the City Land to the Developer.

SECTION 15. PROHIBITION AGAINST SALE OR TRANSFER OF CITY LAND.

Prior to the issuance of the Certificate of Completion for the Project, the Developer may not, without the prior written consent of DPD, which consent shall be in DPD's sole discretion: (a) directly or indirectly sell, transfer or otherwise dispose of the City Land or any part thereof or any interest therein or the Developer's controlling interests therein (including without limitation, a transfer by assignment of any beneficial interest under a land trust); or (b) directly or indirectly assign this Agreement. The Developer acknowledges and agrees that DPD may withhold its consent under (a) or (b) above if, among other reasons, the proposed purchaser, transferee or assignee (or such entity's principal officers or directors) is in violation of any Laws, or if the Developer fails to submit sufficient evidence of the financial responsibility, business background and reputation of the proposed purchaser, transferee or assignee. If the Developer is a business entity, no principal party of the Developer (e.g., a general partner, member, manager or shareholder) may sell, transfer or assign any of its interest in the entity prior to the issuance of the Certificate of Completion to anyone other than another principal party, without the prior written consent of DPD, which consent shall be in DPD's sole discretion. The Developer must disclose the identity of all limited partners to the City at the time such limited partners obtain an interest in the Developer.

SECTION 16. LIMITATION UPON ENCUMBRANCE OF CITY LAND.

Prior to the issuance of the Certificate of Completion for the Project, the Developer shall not, without DPD's prior written consent, which shall be in DPD's sole discretion, engage in any financing or other transaction which would create an encumbrance or lien on the City Land, except for the acquisition and construction financing approved pursuant to Section 9.2 hereof.

SECTION 17. MORTGAGEES NOT OBLIGATED TO CONSTRUCT.

Notwithstanding any other provision of this Agreement or of the Deed, the holder of any mortgage authorized by this Agreement (or any affiliate of such holder) shall not itself be obligated to construct or complete the Project, or to guarantee such construction or completion, but shall be bound by the other covenants running with the land specified in Section 18 and, at Closing, shall execute a Subordination Agreement (as defined in Section 9.8). If any such mortgagee or its affiliate succeeds to the Developer's interest in the City Land prior to the issuance of the Certificate of Completion, whether by foreclosure, deed-in-lieu of foreclosure or otherwise, and thereafter transfers its interest in the City Land to another party, such transferee shall be obligated to complete the Project, and shall also be bound by the other covenants running with the land specified in Section 18.

SECTION 18. COVENANTS RUNNING WITH THE LAND.

The parties agree, and the Deed shall so expressly provide, that the covenants provided in Section 12 (Commencement and Completion of Project), Section 14 (Restrictions on Use), Section 15 (Prohibition Against Transfer of City Land) and Section 16 (Limitation Upon Encumbrance of City Land) will be covenants running with the land, binding on the Developer and its successors and assigns (subject to the limitation set forth in Section 17 above as to any permitted mortgagee) to the fullest extent permitted by law and equity for the benefit and in favor of the City, and shall be enforceable by the City. The covenants provided in Sections 12, 15 and 16 shall terminate upon the issuance of the Certificate of Completion for the Project. The covenant contained in Section 14 shall terminate on the date the TIF Area expires.

SECTION 19. PERFORMANCE AND BREACH.

19.1 Time of the Essence. Time is of the essence in the Developer's performance of its obligations under this Agreement.

19.2 Permitted Delays. The Developer shall not be considered in breach of its obligations under this Agreement in the event of a delay due to unforeseeable causes beyond the Developer's control and without the Developer's fault or negligence, including, without limitation, acts of God, acts of the public enemy, acts of the United States government, fires, floods, epidemics, quarantine restrictions, strikes, embargoes and unusually severe weather or delays of subcontractors due to such causes. The time for the performance of the obligations shall be extended only for the period of the delay and only if the Developer requests an extension in writing within twenty (20) days after the beginning of any such delay.

19.3 Cure. If the Developer defaults in the performance of its obligations under this Agreement, the Developer shall have sixty (60) days after written notice of default from the City to cure the default, or such longer period as shall be reasonably necessary to cure such default provided the Developer promptly commences such cure and thereafter diligently pursues such cure

to completion (so long as continuation of the default does not create material risk to the Project or to persons using the Project). Notwithstanding the foregoing, no notice or cure period shall apply to defaults under Sections 19.4(c), (e) and (g), and no notice shall be required for a default under Section 19.4(h).

19.4 Event of Default. The occurrence of any one or more of the following shall constitute an "Event of Default" under this Agreement:

(a) The Developer makes or furnishes a warranty, representation, statement or certification to the City (whether in this Agreement, an Economic Disclosure Statement, or another document) that is not true and correct.

(b) A petition is filed by or against the Developer under the Federal Bankruptcy Code or any similar state or federal law, whether now or hereafter existing, which is not vacated, stayed or set aside within sixty (60) days after filing.

(c) The Developer fails to complete the Project in accordance with the time line outlined in Section 12 above, or the Developer abandons or substantially suspends construction of the Project.

(d) The Developer fails to pay real estate taxes or assessments affecting the City Land or any part thereof when due, or places thereon any encumbrance or lien unauthorized by this Agreement, or suffers or permits any levy or attachment, mechanic's, laborer's, material supplier's, or any other lien or encumbrance unauthorized by this Agreement to attach to the City Land unless bonded or insured over.

(e) The Developer makes an assignment, pledge, unpermitted financing, encumbrance, transfer or other disposition in violation of this Agreement.

(f) There is a material and adverse change in the Developer's financial condition or operations, which change, in the City's reasonable opinion, affects the ability of the Developer to meet its obligations under this Agreement or the Deed.

(g) The Developer fails to close by the date specified in Section 4, unless DPD, in its sole discretion, extends such date.

(h) The Developer fails to perform, keep or observe any of the other covenants, conditions, promises, agreements or obligations under this Agreement or any other written agreement entered into with the City with respect to the Project.

19.5 Prior to Closing. If an Event of Default occurs prior to the Closing, and the default is not cured in the time period provided for in Section 19.3 above, the City may terminate this Agreement.

19.6 After Closing. If an Event of Default occurs after the Closing but prior to the issuance of the Certificate of Completion for the Project, and the default is not cured in the time period provided for in Section 19.3 above, the City may terminate this Agreement and exercise any and all remedies available to it at law or in equity, including, without limitation, the right to re-enter and take possession of the City Land, terminate the estate conveyed to the Developer, record the reconveyance deed that the Developer shall deliver on the Closing Date in the form of Exhibit E and revest title to the City Land in the City (the "Right of Reverter"); provided, however, the City's Right of Reverter shall be limited by, and shall not defeat, render invalid, or limit in any way, the lien of any mortgage authorized by this Agreement.

19.7 Resale of the City Land. Upon the revesting in the City of title to the City Land as provided in Section 19.6, the City may complete the Project or convey the City Land, subject to any first mortgage lien, to a qualified and financially responsible party reasonably acceptable to the first mortgagee, who shall assume the obligation of completing the Project or such other improvements as shall be satisfactory to DPD, and otherwise comply with the covenants that run with the land as specified in Section 18.

19.8 Disposition of Resale Proceeds. If the City sells the City Land as provided for in Section 19.7, the net proceeds from the sale, after payment of all amounts owed under any mortgage liens authorized by this Agreement in order of lien priority, shall be utilized to reimburse the City for:

(a) costs and expenses incurred by the City (including, without limitation, salaries of personnel) in connection with the recapture, management and resale of the City Land (less any income derived by the City from the City Land in connection with such management); and

(b) all unpaid taxes, assessments, and water and sewer charges assessed against the City Land; and

(c) any payments made (including, without limitation, reasonable attorneys' fees and court costs) to discharge or prevent from attaching or being made any subsequent encumbrances or liens due to obligations, defaults or acts of the Developer; and

(d) any expenditures made or obligations incurred with respect to construction or maintenance of the Project; and

(e) any other amounts owed to the City by the Developer.

The Developer shall be entitled to receive any remaining proceeds up to the amount of the Developer's equity investment in the City Land.

SECTION 20. CONFLICT OF INTEREST; CITY'S REPRESENTATIVES NOT INDIVIDUALLY LIABLE.

The Developer represents and warrants that no agent, official or employee of the City shall have any personal interest, direct or indirect, in the Developer, this Agreement, the City Land or the Project, nor shall any such agent, official or employee participate in any decision relating to this Agreement which affects his or her personal interests or the interests of any corporation, partnership, association or other entity in which he or she is directly or indirectly interested. No

agent, official or employee of the City shall be personally liable to the Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to the Developer or successor or with respect to any commitment or obligation of the City under the terms of this Agreement.

SECTION 21. INDEMNIFICATION.

The Developer agrees to indemnify, defend and hold the City harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, reasonable attorneys' fees and court costs) suffered or incurred by the City arising from or in connection with: (a) the failure of the Developer to perform its obligations under this Agreement; (b) the failure of the Developer or any contractor or other agent, entity or individual acting under the control or at the request of the Developer ("Agent") to pay contractors, subcontractors or material suppliers in connection with the construction and management of the Project; (c) any misrepresentation or omission made by the Developer or any Agent; (d) the failure of the Developer to redress any misrepresentations or omissions in this Agreement or any other agreement relating hereto; and (e) any activity undertaken by the Developer or any Agent on the City Land prior to or after the Closing. This indemnification shall survive the Closing or any termination of this Agreement (regardless of the reason for such termination).

SECTION 22. INSPECTION; CONDITION OF CITY LAND AT CLOSING.

22.1 "As Is" Sale. The City makes no covenant, representation or warranty, express or implied, of any kind, as to the structural, physical or environmental condition of the City Land or the suitability of the City Land for any purpose whatsoever, and the Developer agrees to accept the City Land in its "as is," "where is" and "with all faults" condition.

22.2 Right of Entry.

(a) The Developer's obligations hereunder are conditioned upon the Developer being satisfied with the condition of the City Land for the construction, development and operation of the Project. Upon the Developer's request, the City shall grant the Developer the right, at its sole cost and expense, to enter the City Land for a period of thirty (30) days (the "Inspection Period") pursuant to a Right of Entry Agreement in form and substance reasonably acceptable to the City to inspect the same, perform surveys, environmental assessments, soil and any other due diligence it deems necessary or desirable to satisfy itself as to the condition of the City Land.

(b) If the Developer determines that it is not satisfied, in its sole discretion, with the condition of the City Land, the Developer may terminate this Agreement by written notice to the City within thirty (30) days after the expiration of the Inspection Period, whereupon this Agreement shall be null and void and, except as otherwise specifically provided, neither party shall have any further right, duty or obligation hereunder. If the Developer elects not to terminate this Agreement pursuant to this Section 22.2, the Developer shall be deemed satisfied with the condition of the City Land.

22.3 Indemnity. The Developer hereby waives and releases, and indemnifies the City from and against, any claims and liabilities relating to or arising from the structural, physical or environmental condition of the City Land, including, without limitation, claims arising under the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended ("CERCLA"), and shall undertake and discharge all liabilities of the City arising from any structural,

physical or environmental condition that existed on the City Land prior to the Closing, including, without limitation, liabilities arising under CERCLA. The Developer hereby acknowledges that, in purchasing the City Land, the Developer is relying solely upon its own inspection and other due diligence activities and not upon any information (including, without limitation, environmental studies or reports of any kind) provided by or on behalf of the City or its agents or employees with respect thereto. The Developer shall perform such studies and investigations, conduct such tests and surveys, and engage such specialists as the Developer deems appropriate to evaluate fairly the structural, physical or environmental condition and risks of the City Land. If, after the Closing, the structural, physical and environmental condition of the City Land is not in all respects entirely suitable for its intended use, it shall be the Developer's sole responsibility and obligation to take such action as is necessary to put the City Land in a condition which is suitable for its intended use. The provisions of this Section 22.3 shall survive the Closing.

22.4 Developer agrees to be responsible for costs associated with the site condition and environmental condition of the property and subject to Section 7 hereof agrees to be required to enroll the site in the IEPA's Site Remediation Program (SRP). Such costs may include, but are not limited to, the following:

(a) Soil/groundwater sampling, reporting and coordination for the Illinois Environmental Protection Agency's Site Remediation Program.

(b) Additional disposal costs for soil and groundwater due to contamination associated with historic operations,

(c) Permitting and fees associated with the disposal of hazardous waste (material that meets the RCRA definition of such material).

(d) Environmental sampling associated with the IEPA SRP.

(e) Installation of engineered barriers which are beyond typical building and parking lot construction and are specifically required to meet IEPA SRP.

(f) Disposal costs of excess soil associated with normal construction activities due to geotechnically unsuitable material or balance excess.

(g) Permitting, handling and disposal of excess water generated by precipitation or groundwater in open excavations during construction.

(h) Sampling costs associated with potential fill sources.

(i) Geotechnical or land survey costs.

(j) Professional environmental oversight during construction activities, including any construction related OSHA requirements.

SECTION 23. DEVELOPER'S EMPLOYMENT OBLIGATIONS.

23.1 Employment Opportunity. The Developer agrees, and shall contractually obligate its various contractors, subcontractors and any affiliate of the Developer operating on the City Land (collectively, the "Employers" and individually, an "Employer") to agree, that with respect to the provision of services in connection with the construction of the Project or occupation of the City Land:

(a) Neither the Developer nor any Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Section 2-160-010 et seq. of the Municipal Code of Chicago, as amended from time to time (the "Human Rights Ordinance"). The Developer and each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon the foregoing grounds, and are treated in a non-discriminatory manner with regard to all job-related matters, including, without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Developer and each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Developer and each Employer, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon the foregoing grounds.

(b) *To the greatest extent feasible, the Developer and each Employer shall* present opportunities for training and employment of low and moderate income residents of the City, and provide that contracts for work in connection with the construction of the Project be awarded to business concerns which are located in or owned in substantial part by persons residing in, the City.

(c) The Developer and each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including, without limitation, the Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), both as amended from time to time, and any regulations promulgated thereunder.

(d) The Developer, in order to demonstrate compliance with the terms of this Section 23.1, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) The Developer and each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the construction of the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any affiliate operating on the City Land, so that each such provision shall be binding upon each contractor, subcontractor or affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 23.1 shall be a basis for the City to pursue remedies under the provisions of Section 19.

23.2 City Resident Employment Requirement.

(a) The Developer agrees, and shall contractually obligate each Employer to agree, that during the construction of the Project, the Developer and each Employer shall comply with the minimum percentage of total worker hours performed by actual residents of the City of Chicago as specified in Section 2-92-330 of the Municipal Code of Chicago (at least fifty percent); provided, however, that in addition to complying with this percentage, the Developer and each Employer shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

(b) The Developer and the Employers may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the chief procurement officer of the City of Chicago.

(c) "Actual residents of the City of Chicago" shall mean persons domiciled within the City of Chicago. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

(d) The Developer and the Employers shall provide for the maintenance of adequate employee residency records to ensure that actual Chicago residents are employed on the construction of the Project. The Developer and the Employers shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

(e) The Developer and the Employers shall submit weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) to DOH in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Developer or Employer hired the employee should be written in after the employee's name.

(f) The Developer and the Employers shall provide full access to their employment records to the chief procurement officer, DOH, the Superintendent of the Chicago Police Department, the inspector general, or any duly authorized representative thereof. The Developer and the Employers shall maintain all relevant personnel data and records for a period of at least three (3) years after the issuance of the last Partial Certificate of Completion.

(g) At the direction of DOH, the Developer and the Employers shall provide affidavits and other supporting documentation to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

(h) Good faith efforts on the part of the Developer and the Employers to provide work for actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the chief procurement officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section 23.2 concerning the worker hours performed by actual Chicago residents.

(i) If the City determines that the Developer or an Employer failed to ensure the fulfillment of the requirements of this Section 23.2 concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to

Chicagoans to the degree stipulated in this Section 23.2. If such non-compliance is not remedied in accordance with the breach and cure provisions of Section 19.3, the parties agree that 1/20 of 1 percent (.05%) of the aggregate hard construction costs set forth in the Budget shall be surrendered by the Developer and for the Employers to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer and/or the other Employers or employees to prosecution.

(j) Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement.

(k) The Developer shall cause or require the provisions of this Section 23.2 to be included in all construction contracts and subcontracts related to the construction of the Project.

23.3 Developer's MBE/WBE Commitment. The Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the general contractor to agree, that during the construction of the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code of Chicago (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code of Chicago (the "Construction Program," and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 23.3, during the course of construction of the Project, at least 24% of the aggregate hard construction costs, as set forth in Exhibit D hereto (the "MBE/WBE Budget") shall be expended for contract participation by minority-owned businesses and at least 4% of the MBE/WBE Budget shall be expended for contract participation by women-owned businesses.

(b) For purposes of this Section 23.3 only:

(i) The Developer (and any party to whom a contract is let by the Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by the Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code of Chicago, as applicable.

(ii) The term "minority-owned business" or "MBE" shall mean a business identified in the Directory of Certified Minority Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's

Department of Procurement Services as a minority-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(iii) The term "women-owned business" or "WBE" shall mean a business identified in the Directory of Certified Women Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a women-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(d) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code of Chicago, the Developer's MBE/WBE commitment may be achieved in part by the Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture, or (ii) the amount of any actual work performed on the Project by the MBE or WBE); by the Developer utilizing a MBE or a WBE as the general contractor (but only to the extent of any actual work performed on the Project by the general contractor); by subcontracting or causing the general contractor to subcontract a portion of the construction of the Project to one or more MBEs or WBEs; by the purchase of materials or services used in the construction of the Project from one or more MBEs or WBEs; or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer's MBE/WBE commitment as described in this Section 23.3. In accordance with Section 2-92-730, Municipal Code of Chicago, the Developer shall not substitute any MBE or WBE general contractor or subcontractor without the prior written approval of DOH.

(e) The Developer shall deliver quarterly reports to the City's monitoring staff during the construction of the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by the Developer or the general contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the construction of the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining the Developer's compliance with this MBE/WBE commitment. The Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the construction of the Project for at least five (5) years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by the Developer, on prior notice of at least five (5) business days, to allow the City to review the Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the construction of the Project.

(f) Upon the disqualification of any MBE or WBE general contractor or subcontractor, if the disqualified party misrepresented such status, the Developer shall be obligated to discharge or cause to be discharged the disqualified general contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code of Chicago, as applicable.

(g) Any reduction or waiver of the Developer's MBE/WBE commitment as described in this Section 23.3 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code of Chicago, as applicable.

23.4 Pre-Construction Conference and Post-Closing Compliance Requirements. Not less than fourteen (14) days prior to the Closing Date, the Developer and the Developer's general contractor and all major subcontractors shall meet with DOH monitoring staff regarding compliance with all Section 23 requirements. During this pre-construction meeting, the Developer shall present its plan to achieve its obligations under this Section 23, the sufficiency of which the City's monitoring staff shall approve as a precondition to the Closing. During the construction of the Project, the Developer shall submit all documentation required by this Section 23 to the City's monitoring staff, including, without limitation, the following: (a) subcontractor's activity report; (b) contractor's certification concerning labor standards; (c) contractor letter of understanding; (d) monthly utilization report; (e) authorization for payroll agent; (f) certified payroll; (g) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (h) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that the Developer is not complying with its obligations under this Section 23, shall, upon the delivery of written notice to the Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (x) issue a written demand to the Developer to halt construction of the Project, (y) withhold any further payment of any City funds to the Developer or the general contractor, or (z) seek any other remedies against the Developer available at law or in equity.

SECTION 24. REPRESENTATIONS AND WARRANTIES.

24.1 Representations and Warranties of the Developer. To induce the City to execute this Agreement and perform its obligations hereunder, the Developer hereby represents and warrants to the City that as of the date of this Agreement and as of the Closing Date the following shall be true and correct in all respects:

(a) The Developer is a corporation duly organized, validly existing and in good standing under the laws of the State of Illinois with full power and authority to acquire, own and redevelop the City Land, and the person signing this Agreement on behalf of the Developer has the authority to do so.

(b) All certifications and statements contained in the Economic Disclosure Statement last submitted to the City by the Developer (and any legal entity holding an interest in the Developer) are true, accurate and complete.

(c) The Developer's execution, delivery and performance of this Agreement and all instruments and agreements contemplated hereby will not, upon the giving of notice or lapse of time, or both, result in a breach or violation of, or constitute a default under, any other agreement to which the Developer, or any party affiliated with the Developer, is a party or by which the Developer or the City Land is bound.

(d) To the best of the Developer's knowledge, no action, litigation, investigation or proceeding of any kind is pending or threatened against the Developer, or any party

affiliated with the Developer, and the Developer knows of no facts which could give rise to any such action, litigation, investigation or proceeding, which could: (i) affect the ability of the Developer to perform its obligations hereunder; or (ii) materially affect the operation or financial condition of the Developer.

(e) To the best of the Developer's knowledge, the Project will not violate: (i) any Laws, including, without limitation, any zoning and building codes and environmental regulations; or (ii) any building permit, restriction of record or other agreement affecting the City Land.

24.2 Representations and Warranties of the City. To induce the Developer to execute this Agreement and perform its obligations hereunder, the City hereby represents and warrants to the Developer that the City has authority under its home rule powers to execute and deliver this Agreement and perform the terms and obligations contained herein.

24.3 Survival of Representations and Warranties. Each of the parties agrees that all of its representations and warranties set forth in this Section 24 or elsewhere in this Agreement are true as of the date of this Agreement and will be true in all material respects at all times thereafter, except with respect to matters which have been disclosed in writing and approved by the other party.

SECTION 26. BUSINESS RELATIONSHIPS.

The Developer acknowledges (a) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (b) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (c) notwithstanding anything to the contrary contained in this Agreement, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. The Developer hereby represents and warrants that no violation of Section 2-145-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

SECTION 27. PATRIOT ACT CERTIFICATION.

The Developer represents and warrants that neither the Developer nor any Affiliate (as hereafter defined) thereof is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable Laws: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. As used in this Section 27, an "Affiliate" shall be deemed to be a person or entity related to the Developer that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with the Developer, and a person or entity shall be deemed to be controlled by

another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

SECTION 28. PROHIBITION ON CERTAIN CONTRIBUTIONS - MAYORAL EXECUTIVE ORDER NO. 05-1.

28.1 The Developer agrees that the Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in the Developer of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, the Developer's contractors (i.e., any person or entity in direct contractual privity with the Developer regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (the Developer and all the other preceding classes of persons and entities are together the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (a) after execution of this Agreement by the Developer, (b) while this Agreement or any Other Contract (as hereinafter defined) is executory, (c) during the term of this Agreement or any Other Contract, or (d) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to February 10, 2005, the effective date of Executive Order 2005-1.

28.2 The Developer represents and warrants that from the later of (a) February 10, 2005, or (b) the date the City approached the Developer, or the date the Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

28.3 The Developer agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

28.4 The Developer agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 05-1 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 05-1.

28.5 Notwithstanding anything to the contrary contained herein, the Developer agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this Section 28 or violation of Mayoral Executive Order No. 05-1 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this Agreement, and under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

28.6 If the Developer intentionally violates this provision or Mayoral Executive Order No.

For Sale And Redevelopment Of Land)

Narrative Description Of Project.

Testa Produce, Inc. through a specially created development entity, Testa Properties ("TP" or "Developer") plans to construct a one hundred fifty thousand (150,000) square foot fruit and vegetable distribution facility. The proposed site for the facility is an eleven (11) acre parcel of land owned by the City of Chicago at 4555 South Racine Avenue in the Stockyards Industrial Corridor. In addition to the City of Chicago property, Testa will need to acquire three adjacent parcels owned by two (2) private parties. The total area of the land is twelve and eighty-six hundredths (12.86) acres.

Testa Properties will act as the development entity which will manage the development process and own the building. Upon Completion the building will be sixty-six and sixty-six hundredths percent (66.66%) occupied by Testa Produce and thirty-three and thirty-seven hundredths percent (33.37%) occupied by JAB Produce, as a tenant. The total project cost is expected to be Twenty-five Million Dollars ($25,000,000) (One Hundred Thirty and no/100 Dollars ($130.00) per square foot).

The building will be designed and built to standards with the goal of achieving L.E.E.D. Platinum Certification from the United States Green Building Council. It is intended that at completion and certification, the building will be the first L.E.E.D. Platinum Food Distribution Facility in the United States. In order to achieve such certification, the building will be designed with a minimal carbon footprint and will feature renewable energy sources including Solar Energy, Wind Turbine energy production and Geo Thermal energy production. Along with solar panels on the roof, the building will have a Green roof which meets or exceeds the minimum requirements of the City of Chicago. The building will be designed to make substantial re-use of rainwater through several techniques including bioswales, cisterns, and a graywater system for non-potable water use. Rainwater re-use will exceed City of Chicago requirements.

The one hundred fifty thousand (150,000) square foot building will be constructed of pre-cast concrete with a steel truss roof on twelve and eighty-six hundred (12.86) acres of land. The building will be designed to incorporate state of the art distribution facility technology. The building will be cross-docked for efficient material handling. The building will be split into two areas. The interior of the building will include approximately thirty thousand (30,000) square feet of freezer space, sixty thousand (60,000) square feet of cooler space, ten thousand (10,000) square feet of dry storage, and a twenty-five thousand (25,000) square feet of office space. The office space will include a demonstration, research and development test kitchen. The balance of the space will be used for an employee cafeteria, shipping and receiving, and maintenance. The building will have thirty-four (34) foot ceilings, sixty-three (63) docks (one per three thousand ninety-eight (3,098) square feet), truck parking, and approximately one hundred fifty (150) parking spaces. The concrete foundation will have a Freon based system running underneath the freezer and cooler area floors to prevent the floors from freezing and buckling. The cooler areas will support multiple temperature zones to accommodate the optimal storage temperatures of

various types of fruits and vegetables. The freezers will support multiple temperature zones with the capability to cool to minus thirty (-30) degree temperatures. The building will be outfitted with four thousand (4,000) amp electrical service, roof mounted H.V.A.C. systems, and will have a wet sprinkler system for fire protection.

TP and Testa are working with USBank and SB Friedman to qualify for the Chicago Development Fund New Markets Tax Credit Assistance for the financing for the project.

TP has hired A. Epstein and Sons International, Inc. to design the building and to provide construction management services. TP is currently seeking bids from General Contractors to build the building. The construction contract will be a GMP contract.

The building will be built to meet all H.A.C.C.P. (Hazard Analysis and Critical Control Points) Standards. H.A.C.C.P. is a food safety management system which requires implementation of control principles and monitoring. H.A.C.C.P. Standards include identification of hazards, identification of point which are critical to food safety throughout the facility (such as temperature zones), controls which set limits for deviations from temperatures, corrective action programs which dictate what happens in the event a control fails, documentation and ongoing review of all programs and policies.

Founded in 1991, Testa Produce is the successor entity to Dominick Testa and Sons, a business started by the Testa family in 1912. Testa Produce is owned by the members of the Testa Family. Controlling interest is held by Peter Testa. Testa Produce is a broad line distributor of fresh fruits and vegetables as well as frozen and canned specialty products. The company sells both domestically and internationally produced products. The company is currently located in-an area commonly known as University Commons. The company was formerly located in the original site of the Chicago Produce Market. Peter Testa was instrumental in the plan to construct a new market area and redevelop the old Produce Market into condominiums. Following conversion of the old Produce Market in 1991, Testa moved into a forty-four thousand five hundred (44,500) distribution facility immediately to the west of the old Produce Market. Due to strong growth and continued customer demand, Testa has outgrown its building and last year began its search for a new site to build a building.

Developer will replace and/or construct sidewalks and plant trees along the Racine Avenue frontage, Pershing Road and western boundary of property in accordance to City code.

SECTION 10. CONSTRUCTION REQUIREMENTS.

10.1 Drawings. The Developer shall construct the Project on the Property in substantial accordance with the site plan and other drawings substantially attached hereto as **Exhibit C**, and in accordance the final plans and specifications prepared by_____, dated _____, which have been approved by DPD and which are incorporated herein by this reference (collectively, "Drawings"). No material deviation from the Drawings may be made without the prior written approval of DPD. If the Developer submits and DPD approves revised site plans or architectural drawings after the date of this Agreement, the term "Drawings" as used herein shall refer to the revised site plans and architectural drawings upon DPD's written approval of the same.

10.2 Relocation of Utilities, Curb Cuts and Driveways. The Developer shall be solely responsible for and shall pay all costs associated with: (a) the relocation, installation or construction of public or private utilities, curb cuts and driveways; (b) the repair or reconstruction of any curbs, vaults, sidewalks or parkways required in connection with or damaged as a result of the Developer's construction of the Project; (c) the removal of existing pipes, utility equipment or building foundations; and (d) the termination of existing water or other services. The City shall have the right to approve any streetscaping provided by the Developer as part of the Project, including, without limitation, any paving of sidewalks, landscaping and lighting.

10.3 City's Right to Inspect Property. For the period commencing on the Closing Date and continuing through the date the City issues a Certificate of Completion (as defined in Section 13 below), any duly authorized representative of the City shall have access to the Property at all reasonable times for the purpose of determining whether the Developer is constructing the Project in accordance with the terms of this Agreement and all applicable federal, state and local statutes, laws, ordinances, codes, rules, regulations, orders and judgments, including, without limitation, Sections 7-28 and 11-4 of the Municipal Code of Chicago relating to waste disposal (collectively, "Laws").

10.4 Barricades and Signs. Promptly after the execution of this Agreement, the Developer shall, at its sole cost and expense, erect and maintain such signs as the City may reasonably require identifying the Property as a City redevelopment project. Prior to the commencement of any construction activity requiring barricades, the Developer shall install barricades of a type and appearance satisfactory to the City and constructed in compliance with all applicable Laws. DPD shall have the right to approve the maintenance, appearance, color

scheme, painting, nature, type, content and design of all barricades, which approval shall not be unreasonably withheld or delayed. The Developer shall erect all signs and barricades so as not to interfere with or affect any bus stop or train station in the vicinity of the Property.

10.5 Survival. The provisions of this Section 10 shall survive the Closing.

SECTION 11. LIMITED APPLICABILITY.

Any approval given by DPD pursuant to this Agreement is for the purpose of this Agreement only and does not constitute the approval required by the City's Department of Construction and Permits ("DCAP") or any other City department, nor does such approval constitute an approval of the quality, structural soundness or safety of any improvements located or to be located on the Property, or the compliance of said improvements with any Laws, private covenants, restrictions of record, or any agreement affecting the Property or any part thereof.

SECTION 12. COMMENCEMENT AND COMPLETION OF PROJECT.

The Developer shall commence construction of the Project no later than October 30, 2008, and shall complete the Project (as evidenced by the issuance of a Certificate of Completion) no later than June 30, 2009; provided, however, DPD, in its sole discretion, may extend the construction commencement and completion dates one-time by up to six months. The Developer shall give written notice to the City within five (5) days after it commences construction. The Developer shall construct the Project in accordance with the Drawings, and all Laws and covenants and restrictions of record.

SECTION 13. CERTIFICATE OF COMPLETION.

Upon completion of the Project, the Developer shall request that the City inspect the improvements, which request shall be accompanied by a Certificate of Substantial Completion from the project architect in substantially the form attached hereto as **Exhibit D**. Within forty-five (45) days after receipt of a Request for Inspection and the accompanying Certificate of Substantial Completion, the City shall inspect the Project to determine whether it is substantially complete (i.e., complete except for punch list items) and constructed in accordance with this Agreement, and shall thereafter deliver to the Developer either a Certificate of Completion ("Certificate of Completion") or a Developer either a Certificate of Completion ("Certificate of Completion") or a written statement indicating in adequate detail how the Developer has failed to complete the Project in compliance with this Agreement or is otherwise in default, and what measures or acts are necessary, in the sole opinion of the City, for the Developer to take or perform in order to obtain the Certificate of Completion. If the City requires additional measures or acts to assure compliance, the Developer shall have thirty (30) days to correct any deficiencies and resubmit a Request for Inspection. The Certificate of Completion shall be in recordable form, and shall, upon recording, constitute a conclusive determination of satisfaction and termination of the covenants in this Agreement and the Deed with respect to the Developer's obligations to construct the Project. The Certificate of Completion shall not, however, constitute

evidence that the Developer has complied with any Laws relating to the construction of the Project, nor shall it serve as any guaranty as to the quality of the construction.

SECTION 14. RESTRICTIONS ON USE.

The Developer agrees that it:

14.1 Shall use the Property only to construct the Project and thereafter for use only as a play lot and parking as an acccessory use to the Developer's operation of a day care facility building located at 1015 W. 79th Street. In no instance shall the Property be sold separate from the day care facility building located at 1015 W. 79th Street, or leased for commercial purposes, or otherwise used for a purpose accept such accessory use.

14.2 Shall not discriminate on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status, or source of income in the sale, lease, rental, use or occupancy of the Property or any part thereof or the Project or any part thereof.

The Developer acknowledges and agrees that the use restrictions set forth in this Section 14 constitute material, bargained-for consideration for the City, and that, but for such use restrictions, the City would not have agreed to convey the Property to the Developer.

SECTION 15. PROHIBITION AGAINST SALE OR TRANSFER OF PROPERTY.

Prior to the issuance of the Certificate of Completion for the Project: (a) neither the Developer nor any owner of the Developer may, without the prior written consent of DPD, which consent shall be in DPD's sole discretion, directly or indirectly sell, transfer or otherwise dispose of the Property or any part thereof or any interest therein; and (b) neither the Developer nor any owner of the Developer may, without the prior written consent of DPD, which consent shall be in DPD's sole discretion, directly or indirectly assign this Agreement. The Developer and its owners acknowledge and agree that DPD may withhold its consent under (a) or (b) above if, among other reasons, the proposed purchaser, transferee or assignee (or such entity's principal officers or directors) is in violation of any Laws, or if the Developer fails to submit sufficient evidence of the financial responsibility, business background and reputation of the proposed purchaser, transferee or assignee. If the Developer is a business entity, no principal party of the Developer (e.g., a general partner, member, manager or shareholder) may sell, transfer or assign any of its interest in the entity prior to the issuance of the Certificate of Completion to anyone other than another principal party, without the prior written consent of DPD, which consent shall be in DPD's sole discretion. The Developer must disclose the identity of all limited partners to the City at the time such limited partners obtain an interest in the Developer.

SECTION 16. LIMITATION UPON ENCUMBRANCE OF PROPERTY.

Prior to the issuance of the Certificate of Completion, neither the Developer nor any of its owners shall, without DPD's prior written consent, which shall be in DPD's sole discretion, engage in any financing or other transaction which would create an encumbrance or lien on the Property, except for the acquisition and construction financing approved pursuant to Section 9.2 hereof.

SECTION 17. MORTGAGEES NOT OBLIGATED TO CONSTRUCT.

Notwithstanding any other provision of this Agreement or of the Deed, the holder of any mortgage authorized by this Agreement (or any affiliate of such holder) shall not itself be obligated to construct or complete the Project, or to guarantee such construction or completion, but shall be bound by the other covenants running with the land specified in Section 18, and, unless waived by the City in writing, shall execute a Subordination Agreement (as defined in Section 9.8). If any such mortgagee or its affiliate succeeds to the Developer's interest in the Property prior to the issuance of the Certificate of Completion, whether by foreclosure, deed-in-lieu of foreclosure or otherwise, and thereafter transfers its interest in the Property to another party, such transferee shall be obligated to complete the Project, and shall also be bound by the other covenants running with the land specified in Section 18.

SECTION 18. COVENANTS RUNNING WITH THE LAND.

The parties agree, and the Deed shall so expressly provide, that the covenants provided in Section 12 (Commencement and Completion of Project), Section 14 (Restrictions on Use), Section 15 (Prohibition Against Sale or Transfer of Property) and Section 16 (Limitation Upon Encumbrance of Property) will be covenants running with the land, binding on the Developer and its successors and assigns (subject to the limitation set forth in Section 17 above as to any permitted mortgagee) to the fullest extent permitted by law and equity for the benefit and in favor of the City, and shall be enforceable by the City. The covenants provided in Sections 12, 15 and 16 shall terminate upon the issuance of the Certificate of Completion. The covenants contained in Section 14.1 and Section 14.2 shall not terminate but shall run with the land in perpetuity.

SECTION 19. PERFORMANCE AND BREACH.

19.1 Time of the Essence. Time is of the essence in the Developer's performance of its obligations under this Agreement.

19.2 Permitted Delays. The Developer shall not be considered in breach of its obligations under this Agreement in the event of a delay due to unforeseeable causes beyond the Developer's control and without the Developer's fault or negligence, including, without limitation, acts of God, acts of the public enemy, acts of the United States government, fires, floods, epidemics, quarantine restrictions, strikes, embargoes and unusually severe weather or delays of subcontractors due to such causes. The time for the performance of the obligations

shall be extended only for the period of the delay and only if the Developer requests an extension in writing within twenty (20) days after the beginning of any such delay.

19.3 Cure. If the Developer defaults in the performance of its obligations under this Agreement, the Developer shall have sixty (60) days after written notice of default from the City to cure the default, or such longer period as shall be reasonably necessary to cure such default provided the Developer promptly commences such cure and thereafter diligently pursues such cure to completion (so long as continuation of the default does not create material risk to the Project or to persons using the Project). Notwithstanding the foregoing, no notice or cure period shall apply to defaults under Sections 19.4(c), (e) and (g).

19.4 Event of Default. The occurrence of any one or more of the following shall constitute an "Event of Default" under this Agreement:

(a) The Developer makes or furnishes a warranty, representation, statement or certification to the City (whether in this Agreement, an Economic Disclosure Statement, or another document) that is not true and correct.

(b) A petition is filed by or against the Developer under the Federal Bankruptcy Code or any similar state or federal law, whether now or hereafter existing, which is not vacated, stayed or set aside within thirty (30) days after filing.

(c) The Developer fails to complete the Project in accordance with the time line outlined in Section 12 above, or the Developer abandons or substantially suspends construction of the Project.

(d) The Developer fails to pay real estate taxes or assessments affecting the Property or any part thereof when due, or places thereon any encumbrance or lien unauthorized by this Agreement, or suffers or permits any levy or attachment, mechanic's, laborer's, material supplier's, or any other lien or encumbrance unauthorized by this Agreement to attach to the Property unless bonded or insured over.

(e) The Developer makes an assignment, pledge, unpermitted financing, encumbrance, transfer or other disposition in violation of this Agreement.

(f) There is a material and adverse change in the Developer's financial condition or operations.

(g) The Developer fails to close by the Outside Closing Date, unless DPD, in its sole discretion, extends the Outside Closing Date, as permitted under Section 4.

(h) The Developer fails to perform, keep or observe any of the other covenants, conditions, promises, agreements or obligations under this Agreement or any other written agreement entered into with the City with respect to the Project.

19.5 Prior to Closing. If an Event of Default occurs prior to the Closing, and the default is not cured in the time period provided for in Section 19.3 above, the City may terminate this Agreement, institute any action or proceeding at law or in equity against the Developer.

19.6 After Closing. If an Event of Default occurs after the Closing but prior to the issuance of the Certificate of Completion, and the default is not cured in the time period provided for in Section 19.3 above, the City may terminate this Agreement and exercise any and all remedies available to it at law or in equity, including, without limitation, the right to re-enter and take possession of the Property, terminate the estate conveyed to the Developer, and revest title to the Property in the City (the "Right of Reverter"); provided, however, the City's Right of Reverter shall be limited by, and shall not defeat, render invalid, or limit in any way, the lien of any mortgage authorized by this Agreement.

19.7 Resale of the Property. Upon the revesting in the City of title to the Property as provided in Section 19.6, the City may complete the Project or convey the Property, subject to any first mortgage lien, to a qualified and financially responsible party reasonably acceptable to the first mortgagee, who shall assume the obligation of completing the Project or such other improvements as shall be satisfactory to DPD, and otherwise comply with the covenants that run with the land as specified in Section 18.

19.8 Disposition of Resale Proceeds. If the City sells the Property as provided for in Section 19.7, the net proceeds from the sale, after payment of all amounts owed under any mortgage liens authorized by this Agreement in order of lien priority, shall be utilized to reimburse the City for:

(a) costs and expenses incurred by the City (including, without limitation reasonable attorney's fees and salaries of personnel) in connection with the recapture, management and resale of the Property (less any income derived by the City from the Property in connection with such management); and

(b) all unpaid taxes, assessments, and water and sewer charges assessed against the Property; and

(c) any payments made (including, without limitation, reasonable attorneys' fees and court costs) to discharge or prevent from attaching or being made any subsequent encumbrances or liens due to obligations, defaults or acts of the Developer; and

(d) any expenditures made or obligations incurred with respect to construction or maintenance of the Project; and

(e) any other amounts owed to the City by the Developer.

The Developer shall be entitled to receive any remaining proceeds up to the amount of the Developer's equity investment in the Property.

SECTION 20. CONFLICT OF INTEREST; CITY'S REPRESENTATIVES NOT INDIVIDUALLY LIABLE.

The Developer represents and warrants that no agent, official or employee of the City shall have any personal interest, direct or indirect, in the Developer, this Agreement, the Property or the Project, nor shall any such agent, official or employee participate in any decision relating to this Agreement which affects his or her personal interests or the interests of any corporation, partnership, association or other entity in which he or she is directly or indirectly interested. No agent, official or employee of the City shall be personally liable to the Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to the Developer or successor or with respect to any commitment or obligation of the City under the terms of this Agreement.

SECTION 21. INDEMNIFICATION.

The Developer agrees to indemnify, defend and hold the City harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, reasonable attorneys' fees and court costs) suffered or incurred by the City arising from or in connection with: (a) the failure of the Developer to perform its obligations under this Agreement; (b) the failure of the Developer or any contractor or other agent, entity or individual acting under the control or at the request of the Developer ("Agent") to pay contractors, subcontractors or material suppliers in connection with the construction and management of the Project; (c) any misrepresentation or omission made by the Developer or any Agent; (d) the failure of the Developer to redress any misrepresentations or omissions in this Agreement or any other agreement relating hereto; and (e) any activity undertaken by the Developer or any Agent on the Property prior to or after the Closing. This indemnification shall survive the Closing or any termination of this Agreement (regardless of the reason for such termination).

SECTION 22. INSPECTION; CONDITION OF PROPERTY AT CLOSING.

22.1 "As Is" Sale. The City makes no covenant, representation or warranty, express or implied, of any kind, as to the structural, physical or environmental condition of the Property or the suitability of the Property for any purpose whatsoever, and the Developer agrees to accept the Property in its "as is," "where is" and "with all faults" condition.

22.2 Right of Entry.

(a) The Developer's obligations hereunder are conditioned upon the Developer being satisfied with the condition of the Property for the construction, development and operation of the Project. Upon the Developer's request, the City shall grant the Developer the right, at its sole cost and expense, to enter the Property for a period of thirty (30) days (the "inspection Period") pursuant to a Right of Entry Agreement in form and substance reasonably acceptable to the City

to inspect the same, perform surveys, environmental assessments, soil and any other due diligence it deems necessary or desirable to satisfy itself as to the condition of the Property.

(b) If the Developer determines that it is not satisfied, in its sole discretion, with the condition of the Property, the Developer may terminate this Agreement by written notice to the City within thirty (30) days after the expiration of the Inspection Period and this Agreement shall be null and void and, except as otherwise specifically provided, neither party shall have any further right, duty or obligation hereunder. If the Developer elects not to terminate this Agreement pursuant to this Section 22.2, the Developer shall be deemed satisfied with the condition of the Property.

22.3 Indemnity. The Developer hereby waives and releases, and indemnifies the City from and against, any claims and liabilities relating to or arising from the structural, physical or environmental condition of the Property, including, without limitation, claims arising under the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended ("CERCLA"), and shall undertake and discharge all liabilities of the City arising from any structural, physical or environmental condition that existed on the Property prior to the Closing, including, without limitation, liabilities arising under CERCLA. The Developer hereby acknowledges that, in purchasing the Property, the Developer is relying solely upon its own inspection and other due diligence activities and not upon any information (including, without limitation, environmental studies or reports of any kind) provided by or on behalf of the City or its agents or employees with respect thereto. The Developer shall perform such studies and investigations, conduct such tests and surveys, and engage such specialists as the Developer deems appropriate to evaluate fairly the structural, physical and environmental condition and risks of the Property. If, after the Closing, the structural, physical and environmental condition of the Property is not in all respects entirely suitable for its intended use, it shall be the Developer's sole responsibility and obligation to take such action as is necessary to put the Property in a condition which is suitable for its intended use. The provisions of this Section 22.3 shall survive the Closing.

SECTION 23. DEVELOPER'S EMPLOYMENT OBLIGATIONS.

23.1 Employment Opportunity. The Developer agrees, and shall contractually obligate its various contractors, subcontractors and any affiliate of the Developer operating on the Property (collectively, the "employers" and individually, an "employer") to agree, that with respect to the provision of services in connection with the construction of the Project or occupation of the Property:

(a) Neither the Developer nor any Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Section 2-160-010 et seq. of the Municipal Code of Chicago, as amended from time to time (the "human Rights Ordinance"). The Developer and each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon the foregoing grounds,

and are treated in a non-discriminatory manner with regard to all job-related matters, including, without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Developer and each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Developer and each Employer, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon the foregoing grounds.

(b) To the greatest extent feasible, the Developer and each Employer shall present opportunities for training and employment of low and moderate income residents of the City, and provide that contracts for work in connection with the construction of the Project be awarded to business concerns which are located in or owned in substantial part by persons residing in, the City.

(c) The Developer and each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including, without limitation, the Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), both as amended from time to time, and any regulations promulgated thereunder.

(d) The Developer, in order to demonstrate compliance with the terms of this Section 23.1, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) The Developer and each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the construction of the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 23.1 shall be a basis for the City to pursue remedies under the provisions of Section 19.

23.2 City Resident Employment Requirement.

(a) The Developer agrees, and shall contractually obligate each Employer to agree, that during the construction of the Project, the Developer and each Employer shall comply with the minimum percentage of total worker hours performed by actual residents of the City of Chicago as specified in Section 2-92-330 of the Municipal Code of Chicago (at least fifty percent); provided, however, that in addition to complying with this percentage, the Developer and each Employer shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

(b) The Developer and the Employers may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the chief procurement officer of the City of Chicago.

(c) "actual residents of the City of Chicago" shall mean persons domiciled within the City of Chicago. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

(d) The Developer and the Employers shall provide for the maintenance of adequate employee residency records to ensure that actual Chicago residents are employed on the construction of the Project. The Developer and the Employers shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

(e) The Developer and the Employers shall submit weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) to DOH in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Developer or Employer hired the employee should be written in after the employee's name.

(f) The Developer and the Employers shall provide full access to their employment records to the chief procurement officer, DOH, the Superintendent of the Chicago Police Department, the inspector general, or any duly authorized representative thereof. The Developer and the Employers shall maintain all relevant personnel data and records for a period of at least three (3) years after the issuance of the Certificate of Completion.

(g) At the direction of DOH, the Developer and the Employers shall provide affidavits and other supporting documentation to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

(h) Good faith efforts on the part of the Developer and the Employers to provide work for actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the chief procurement officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section 23.2 concerning the worker hours performed by actual Chicago residents.

(i) If the City determines that the Developer or an Employer failed to ensure the fulfillment of the requirements of this Section 23.2 concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section 23.2. If such non-compliance is not remedied in accordance with the breach and cure provisions of Section 19.3, the parties agree that 1/20 of 1 percent (.05%) of the aggregate hard construction costs set forth in the Budget shall be surrendered by the Developer and for the Employers to the City in payment for each percentage

of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer and/or the other Employers or employees to prosecution.

(j) Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement.

(k) The Developer shall cause or require the provisions of this Section 23.2 to be included in all construction contracts and subcontracts related to the construction of the Project.

23.3 Developer's MBE/WBE Commitment. The Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the general contractor to agree, that during the construction of the Project:

(1) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code of Chicago (the "procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code of Chicago (the "construction Program," and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 23.3, during the course of construction of the Project, at least 24% of the aggregate hard construction costs, as set forth in Exhibit E hereto (the "MBE/WBE Budget") shall be expended for contract participation by minority-owned businesses and at least 4% of the MBE/WBE Budget shall be expended for contract participation by women-owned businesses.

(2) For purposes of this Section 23.3 only:

(a) The Developer (and any party to whom a contract is let by the Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by the Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code of Chicago, as applicable.

(b) The term "minority-owned business" or "MBE" shall mean a business identified in the Directory of Certified Minority Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a minority-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(c) The term "women-owned business" or "WBE" shall mean a business identified in the Directory of Certified Women Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a women-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(3) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code of Chicago, the Developer's MBE/WBE commitment may be achieved in part by the Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture, or (ii) the amount of any actual work performed on the Project by the MBE or WBE); by the Developer utilizing a MBE or a WBE as the general contractor (but only to the extent of any actual work performed on the Project by the general contractor); by subcontracting or causing the general contractor to subcontract a portion of the construction of the Project to one or more MBEs or WBEs; by the purchase of materials or services used in the construction of the Project from one or more MBEs or WBEs; or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer's MBE/WBE commitment as described in this Section 23.3. In accordance with Section 2-92-730, Municipal Code of Chicago, the Developer shall not substitute any MBE or WBE general contractor or subcontractor without the prior written approval of DOH.

(4) The Developer shall deliver quarterly reports to the City's monitoring staff during the construction of the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by the Developer or the general contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the construction of the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining the Developer's compliance with this MBE/WBE commitment. The Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the construction of the Project for at least five (5) years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by the Developer, on prior notice of at least five (5) business days, to allow the City to review the Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the construction of the Project.

(5) Upon the disqualification of any MBE or WBE general contractor or subcontractor, if the disqualified party misrepresented such status, the Developer shall be obligated to discharge or cause to be discharged the disqualified general contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code of Chicago, as applicable.

(6) Any reduction or waiver of the Developer's MBE/WBE commitment as described in this Section 23.3 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code of Chicago, as applicable.

23.4 Pre-Construction Conference and Post-Closing Compliance Requirements. Not less than fourteen (14) days prior to the Closing Date, the Developer and the Developer's general contractor and all major subcontractors shall meet with DOH monitoring staff regarding compliance with all Section 23 requirements. During this pre-construction meeting, the Developer shall present its plan to achieve its obligations under this Section 23, the sufficiency of which the City's monitoring staff shall approve as a precondition to the Closing. During the construction of the Project, the Developer shall submit all documentation required by this Section 23 to the City's monitoring staff, including, without limitation, the following: (a) subcontractor's activity report; (b) contractor's certification concerning labor standards and prevailing wage requirements; (c) contractor letter of understanding; (d) monthly utilization report; (e) authorization for payroll agent; (f) certified payroll; (g) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (h) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that the Developer is not complying with its obligations under this Section 23, shall, upon the delivery of written notice to the Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (x) issue a written demand to the Developer to halt construction of the Project, (y) withhold any further payment of any City funds to the Developer or the general contractor, or (z) seek any other remedies against the Developer available at law or in equity.

SECTION 24. REPRESENTATIONS AND WARRANTIES.

24.1 Representations and Warranties of the Developer. To induce the City to execute this Agreement and perform its obligations hereunder, the Developer hereby represents and warrants to the City that as of the date of this Agreement and as of the Closing Date the following shall be true and correct in all respects:

(a) The Developer is a not-for-profit corporation duly organized, validly existing and in good standing under the laws of the State of Illinois with full power and authority to acquire, own and redevelop the Property, and the person signing this Agreement on behalf of the Developer has the authority to do so.

The Developer hereby represents and warrants that no violation of Section 2-145-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

SECTION 27. PATRIOT ACT CERTIFICATION.

The Developer represents and warrants that neither the Developer nor any Affiliate (as hereafter defined) thereof is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable Laws: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. As used in this Section 27, an "affiliate" shall be deemed to be a person or entity related to the Developer that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with the Developer, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

SECTION 28. PROHIBITION ON CERTAIN CONTRIBUTIONS - MAYORAL EXECUTIVE ORDER NO. 05-1.

28.1 The Developer agrees that the Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in the Developer of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, the Developer's contractors (i.e., any person or entity in direct contractual privity with the Developer regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (the Developer and all the other preceding classes of persons and entities are together the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (a) after execution of this Agreement by the Developer, (b) while this Agreement or any Other Contract (as hereinafter defined) is executory, (c) during the term of this Agreement or any Other Contract, or (d) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to February 10, 2005, the effective date of Executive Order 2005-1.

28.2 The Developer represents and warrants that from the later of (a) February 10, 2005, or (b) the date the City approached the Developer, or the date the Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this Agreement, and under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

28.6 If the Developer intentionally violates this provision or Mayoral Executive Order No. 05-1 prior to the Closing, the City may elect to decline to close the transaction contemplated by this Agreement.

28.7 For purposes of this provision:

(c) "Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

29.9 No Waiver. No waiver by the City with respect to any specific default by the Developer shall be deemed to be a waiver of the rights of the City with respect to any other defaults of the Developer, nor shall any forbearance by the City to seek a remedy for any breach or default be deemed a waiver of its rights and remedies with respect to such breach or default, nor shall the City be deemed to have waived any of its rights and remedies unless such waiver is in writing.

29.10 Severability. If any term of this Agreement or any application thereof is held invalid or unenforceable, the remainder of this Agreement shall be construed as if such invalid part were never included herein and this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

The conveyance and title of each City Lot, in addition to the provisions of the Agreement, shall, without limiting the quitclaim nature of the Deed, be subject to the following ("Permitted Exceptions"):

1. Covenants and restrictions set forth in the Deed.
2. Schedule B exceptions in the title policy described in Section 3.3.
3. General real estate taxes.
4. Easements of record and not shown of record.
5. Such defects which cannot reasonably be cured but will not affect the use, marketability and insurability of the City Lots.
6. Title objections caused by Developer.
7. The Land Value Lien, this Agreement and the right of reverter retained in this Agreement.

In addition, each City Lot shall be conveyed to Developer with no warranty, express or implied, by the City as to the condition of the soil, its geology, or the presence of known or unknown faults. It shall be the sole responsibility of Developer, at its sole expense, to investigate and determine the soil and environmental condition existing in each City Lot. Upon mutual agreement, such investigation shall at the minimum consist of a Phase I environmental assessment and a soil test or, in the alternative, an engineering test subsequent to excavation of the City Lot. If the soil conditions are not in all respects entirely suitable for construction of a Home of if the soil conditions raise environmental issues, then if the Developer elects to nonetheless take title to such City Lot, it shall be the sole responsibility and obligation of Developer to take such action as may be necessary to place the soil and environmental condition of each City Lot in a condition entirely suitable for such intended use. However, in the alternative, the Developer may elect to not take title to such City Lot, in which instance neither the City nor the Developer shall have any further rights or obligations with respect to such City Lot under this Agreement. If the Developer does any soil testing and elects to not take title to a City Lot, then the Developer agrees to: (a) restore the City Lot to its condition immediately prior to the commencement of any testing conducted by or on behalf of Developer (said obligation to restore the City Lot does not include any requirement of Developer to undertake any landscaping of the City Lot), and (b) provide the City with copies of any and all soil and environmental reports prepared on behalf of Developer with regard to the City Lot.

3.2 Conveyance of the City Lots. Before the City shall deliver a Deed to Developer for any City Lot, and before any construction may commence on any City Lot, DOH shall have reviewed and approved the following closing deliveries (fully executed and acknowledged, where applicable), each of which, unless waived in writing by DOH, shall be a condition precedent to the City's obligation to deliver any Deed:

(a) Working Drawings and Specifications for each model of Home to be constructed (as described in Section 4.2 below);

(b) Developer's Budget;
(c) Developer's Financing;
(d) the building permit received by the Developer with regard to the construction of the Home on the Lot;
(e) this Agreement, which shall constitute the Land Value Lien instrument securing the Land Value Lien Amount and any Additional Land Value Lien Amount;
(f) a certified copy of the contract between Developer and its general contractor, and all executed contracts covering the completion of the Project from the major subcontractors, if available;
(g) the condition of title with regard to the Lot;
(h) a final plat of survey for the Lot certified by a licensed engineer showing all easements, encroachments and containing a legal description of the Lot;
(i) a certificate of good standing for the Developer from the State of Illinois, a certificate of incumbency identifying Developer's current officers and including specimen signatures, copy of the Developer's bylaws and resolutions authorizing the Developer's performance of its obligations under this Agreement;
(j) Internal Revenue Service taxpayer identification numbers;
(k) originals of the Construction Loan documents or evidence of Financing acceptable to the DOH;
(l) Developer's written request for the conveyance of the specified City Lot(s);
(m) such transfer tax declarations, ALTA statements and similar customary transaction documents as may be necessary to consummate the conveyance; and
(n) the Escrow Agreement.

The Escrowee shall also have received the following documents submitted by the City (if required by the Escrowee): (a) one copy of this Agreement; and (b) a certified copy of the Project Ordinance Subject to the Developer's satisfaction of the conditions precedent described above in Section 3.2(a) through (n) above, the City shall deliver to the Escrowee the Deed.

If the conditions described in this Section 3.2 (a) through (n) are not achieved by Developer for the construction of the first Home in the Project within three (3) months of the execution date of this Agreement (except in the instance of the occurrence of any Permitted Delay described in Section 6.2 below), then the Agreement, at the option of the City, shall become null and void and the City shall be under no further obligation to Developer. The City shall have no obligation to convey any further City Lots pursuant to this Agreement after the date that is twenty-four (24) months after the execution date of this Agreement.

3.3 Title Insurance. Upon the conveyance of each City Lot, the Developer shall obtain at the Developer's sole expense, title insurance from the Title Company, consisting of an Owner's Policy ALTA form B (1987), dated as of the date of conveyance, insuring the title of Developer with regard to the City Lot, subject only to the reservations and exceptions provided in this Section 3 and such endorsements as it may require. The City agrees to use reasonable efforts to assist Developer in obtaining said endorsements.

3.4 Real Estate Taxes. The City shall take all appropriate steps to secure the exemption or waiver of general real estate taxes due and payable prior to the date of recording of the Deed to the extent such an exemption or waiver may be obtained through the City's preparation of a so-called "216(e) Letter" or the filing to vacate a tax sale in error. If any general real estate taxes for a City Lot cannot be so cleared, the City shall be under no further obligation and the Developer may either elect to close and accept conveyance of the City Lot subject to such general real estate taxes or decline to accept such City Lot. Developer shall also be responsible for payment of all real estate taxes payable after the recording of said Deed.

3.5 No Substitution of Lots. If the City cannot clear tax liens or other exceptions to title in a manner suitable for purposes of the Agreement, or Developer's investigation of the soil and environmental condition leads Developer to refuse the conveyance of said Lots (or to re-convey said City Lots to the City) then the City shall have no duty to provide substitute lots for development under this Agreement. Moreover, under no circumstances, shall the City be compelled by Developer, with regard to any City Lot, to remedy any tax lien, title exception, or soil or environmental condition described in this Section 3.

3.6 Recordation of Deed. The Developer shall promptly file each Deed for recordation with the Office of the Recorder of Deeds of Cook County, Illinois ("Recorder's Office") and pay all recording costs.

SECTION IV
THE CONSTRUCTION OF THE PROJECT

4.1 Schedule of Construction Progress. Developer shall construct the Homes on the City Lots in accordance with that certain construction timetable schedule dated as of _____ _____ ("Schedule"), prepared by Developer, approved by the DOH, and attached hereto as Exhibit G. The Schedule represents an estimate of the number of Homes to be completed by Developer by the expiration of certain time periods within the twenty-four (24) month time frame for commencement and completion of the Project as described further in Section 4.7 below. If Developer's construction of Homes falls short of its completion obligations under the Schedule, certain of the City Lots (and the corresponding amount of subsidies allocated to the Project pursuant to Section 4.5(b)) may be released from the terms of this Agreement and thereafter may be made available to the City for alternative redevelopment plans.

Developer covenants that the Homes shall be constructed in accordance with the Working Drawings and Specifications. Upon completion of the construction of each Home, the City shall issue to Developer the Certificate pursuant to Section 4.8.

4.2 Working Drawings and Specifications. The preliminary Working Drawings and Specifications dated _____, containing the preliminary plans and drawings with regard to the construction of each model of Home, are approved by the DOH and listed on Exhibit D attached hereto. Within thirty (30) days of the execution date of the Agreement, Developer shall submit to the DOH for its approval Developer's proposed final Working Drawings and Specifications with regard to each model of Home. The DOH shall have thirty (30) days within

which to approve or reject said drawings and specifications. If the DOH rejects the Working Drawings and Specifications, Developer shall have sixty (60) days in order to correct such documents and resubmit them to the DOH for its approval. The DOH shall thereafter have thirty (30) days within which to approve or reject the corrected documents. Upon the approval of the DOH, said Working Drawings and Specifications shall constitute the final Working Drawings and Specifications.

If, after executing this Agreement, the Developer desires to construct a different type of model Home than that reflected in the Working Drawings and Specifications listed on Exhibit D attached hereto, Developer shall submit to the DOH Working Drawings and Specifications for said model. The DOH shall have thirty (30) days within which to approve or reject said Working Drawings and Specifications. If the DOH rejects the Working Drawings and Specifications, Developer shall have sixty (60) days in order to correct such documents and resubmit them to the DOH for approval. Upon the approval of the DOH, said Working Drawings and Specifications shall constitute final Working Drawings and Specifications.

The Working Drawings and Specifications shall conform to the terms of the Agreement, the City Lots Program, and all applicable federal, state and local laws, ordinances and regulations, including, without limitation, the Zoning Ordinance of the City of Chicago, Title 17, Municipal Code of Chicago, the current edition of the Model Energy Code published by the Council of American Building Officials, and the housing quality standards contained in 24 C.F.R. Section 882.109.

Any material amendment to the Working Drawings and Specifications must be submitted to the DOH for its approval, which approval shall not be unreasonably withheld or delayed.

The Developer acknowledges that DOH will require a design review following the completed construction of the first accessible Home that is built at grade with a no-step entry to confirm that such design is satisfactory. If DOH determines that such design is not satisfactory, it shall not convey any additional City Lots on which accessible Homes are to be built until DOH approves an alternative acceptable design.

4.3 Preparation of the Lots; General Requirements. Developer and the City acknowledge that some of the Lots may have "atypical" conditions (sunken lot and other site elevation problems, ingress and egress problems, parking problems, and/or issues concerning the location of the Homes vis-a-vis existing buildings located on the parcels adjacent to the Lots) which dictate that special consideration should be given to the construction of Homes on such Lots. These "atypical" conditions do not include matters which are routinely considered by the City's Department of Buildings with regard to the issuance of building permits. Accordingly, prior to the commencement of construction of the Project, a representative of Developer and the DOH shall conduct a site visit of each of the Lots listed on Exhibit A to determine if any special, "atypical" conditions exist. Those lots shall be deemed as "Special Lots" for purposes of the Agreement.

Prior to the commencement of construction by Developer on any Special Lot, the DOH must approve a site-specific, final plat of survey (including grading elevations) identifying the proposed location of the model type, showing the resolution of any elevation, ingress/egress, parking and location issues. Subject to the limitations in Section 4.5(b), the City may provide the assistance described therein to remedy such atypical conditions.

In addition, prior to the commencement of construction on any of the Lots, if federal funds are involved in the Project, the environmental effect of the development and construction of the Project must be assessed in accordance with the provisions of the National Environmental Policy Act of 1969 and implementing regulations contained in 24 C.F.R. Parts 50 and 58. In such regard, the City may grant to Developer a right of entry to the City Lots for the purpose of allowing Developer's architects and engineers to inspect each City Lot and to investigate the soil and environmental condition existing in each City Lot.

Construction and development of any of the Homes shall be in accordance with the Lead-Based Paint Poisoning Prevention Act, 42 U.S.C. 4821 et seq, and the corresponding regulations contained in 24 C.F.R. Part 35. In addition, Developer shall comply with the Flood Disaster Protection Act of 1973, 42 U.S.C. 4001-4128).

4.4 Limited Applicability of DOH's Approval. Any approvals of the Working Drawings and Specifications made by the DOH are for the purposes of the Agreement only and do not affect or constitute approvals required for building permits or approvals required pursuant to any other ordinance or code of the City, nor does any approval by the DOH pursuant to the Agreement constitute approval of the quality, structural soundness or the safety of the Homes. The City, however, agrees to assist Developer in expeditiously obtaining approvals for building permits and driveways affecting the Project.

4.5 Financing and Constructing the Project.

(a) Budget. Concurrent with the execution of the Agreement by Developer and its delivery to the City, Developer shall deliver to the DOH for its approval a written budget ("Budget") for the construction of the Homes. Developer shall also submit to the DOH a description of Developer's financing ("Financing"), which shall include the amount of Developer's equity in the Project and evidence of: (i) a commitment for adequate financing ("Commitment") obtained from a financial institution or lender, specifying the source and the amount of the loan, length of the term and the applicable interest rate, or (ii) evidence of a line of credit or other funding source necessary to fund the construction of the Homes. Within seven (7) business days of receipt, the DOH shall review and approve or reject the Financing, and the Commitment. The Financing shall be subject and subordinate to the terms and conditions of the Agreement.

Provided that the Commitment is approved by the City, Developer shall obtain financing from the lender identified in the Commitment ("Construction Lender") to permit the construction of the Project ("Construction Loan"). The Construction Lender shall be permitted to secure and evidence its loan by a mortgage ("First Mortgage") and mortgage note ("First Mortgage Note") encumbering the Lots. The Construction Loan funds shall be disbursed pursuant to the Escrow described in Section 4.5(c) below.

(b) City's Incentives.

(1) Sales Price. Subject to all of the terms, covenants and conditions of the Agreement, the City shall convey each City Lot for the consideration of One Dollar ($1.00) if the fair market value of the City Lot is Fifty Thousand Dollars ($50,000) or less, subject to the recapture and repayment provisions provided for herein. For purposes of the Agreement, the "fair market value" for each City Lot has been established as of the execution date of the Agreement and is listed on Exhibit A-1 attached hereto. The Developer acknowledges that upon the recording of this Agreement, the City shall have a lien against each City Lot conveyed pursuant hereto in the amount of the fair market value of such City Lot, as set forth on Exhibit A-1 (the "Land Value Lien"). The fair market value of a particular City Lot, up to the first $50,000 in value (the "Land Value Lien Amount") shall be added to and included in the amount of monies secured by this Agreement and the City Junior Mortgage and potentially due and owing under such instruments. The amount by which the fair market value of a City Lot exceeds the sum of $50,000 (if any) (such excess amount, the "Additional Land Value Lien Amount") shall also be secured by this Agreement and the City Junior Mortgage and subject to the special repayment provisions described in the final paragraph of this Section 4.5(b)(1).

Developer advise each initial homebuyer that such homebuyer shall be required to execute and record at the time of the homebuyer's purchase of the Single Family Home (and the Developer shall attach as an exhibit to the homebuyer's sales contract) a mortgage, security and recapture agreement in favor of the City (the "City Junior Mortgage"), in the form of Exhibit H to this Agreement, which shall also include the homebuyer's covenant to use the Single Family Home as the homebuyer's principal residence, and shall secure all amounts described in this Agreement as being subject to recapture or repayment . The amount of Land Value Lien Amount and any Additional Land Value Lien Amount shall be secured by the City Junior Mortgage and shall be repaid by the homebuyer to the City in accordance with its terms if the Single Family Home is sold or refinanced (except if such refinancing is in an amount equal to or less than the homebuyer's purchase price for the Home) by the initial homebuyer within four (4) years of purchase. The City Junior Mortgage shall be subordinate to the lien in favor of the homebuyer's permanent purchase mortgage, and any refinancing of such purchase money mortgage, provided such refinancing is in an amount equal to or less than the homebuyer's purchase price for the Single Family Home.

After the recording of this Agreement, and prior to a City Lot's conveyance to a homebuyer, the Land Value Lien Amount and any Additional Land Value Lien Amount shall not amortize and shall be immediately be due and payable to the City if the City Lot is sold except as expressly contemplated and permitted under this Agreement and the City Junior Mortgage. When a City Lot is conveyed to a homebuyer, the lien of this Agreement shall be released and be replaced by the lien of the City Junior Mortgage. The Land Value Lien Amount shall thereafter reduce in four equal installments on each anniversary date of such conveyance, and after the fourth anniversary date shall be zero. The Additional Land Value Lien Amount shall not amortize, but shall be an amount potentially due and owing the City calculated as the Additional Land Value Lien Amount, plus interest thereon at an annual rate of three percent (3%), from the date of such conveyance. The principal amount of and any accrued interest on the Additional Land Value Lien Amount shall become due upon the sale or refinancing (except a refinancing in an amount equal to or less than the homebuyer's purchase price for the Home) of said Home during the forty (40) year period

commencing on the date of such conveyance; provided, however, that if the subsequent homebuyer meets the income eligibility requirements of the City Lots Program, such purchaser may assume the obligations of the Land Value Lien as to such Additional Land Value Lien Amount for the balance of such forty (40) year term. The Land Value Lien, as initially evidenced by this Agreement and then evidenced by the City Junior Mortgage, shall be junior to the lien of any construction loan mortgage and any First Mortgage, and any subsequent purchase money mortgage obtained by any a homebuyer of a Home (if such homebuyer is income-eligible under the City Lots Program), and any refinancing of such purchase money mortgage, provided such refinancing is in an amount equal to or less than the homebuyer's purchase price for the Home.

(2) **Waiver of City Fees.** In conjunction with the construction by Developer of the Homes the City shall waive those certain fees and deposits as described in Exhibit C attached hereto.

(3) **Perimeter Site Improvements**. In connection with the construction by Developer of the Homes, the City may expend City general obligation bond proceeds or other legally available funds, up to a maximum amount of $5,000 per Home $100,000 in the aggregate, to complete Perimeter Site Improvement Work if the City, in its sole discretion, determines that such work is necessary to the construction of such new Homes, and subject to the availability of such bond proceeds or other legally available funds.

(c) **Escrow**. Prior to the commencement of construction of any Home, Developer and the City shall execute an escrow agreement ("Escrow Agreement") and open an escrow account ("Escrow") held by an institutional escrowee ("Escrowee") mutually acceptable to the parties. The Escrow shall be used to convey City Lots pursuant to the terms of the Agreement. The respective rights, liabilities and duties of the Escrowee are contained in the Agreement. If any conflict exists between the terms of the Agreement and the Escrow Agreement or any other instructions or other documents affecting the Escrow, the terms and provisions of the Agreement shall govern.

(d) **Review of Construction Progress.** During the construction of the Project, Developer shall submit to the City for its review any documentation relating to the construction work, including, without limitation, all additional building permits issued, an Owner's sworn statement and the general contractor's sworn statement.

During the construction of the Project by Developer, the Construction Lender shall employ, at the sole expense of Developer, a licensed inspecting architect ("Inspector") (other than the architect who prepared the Working Drawings and Specifications) acceptable to the DOH, to review for the parties all activities undertaken with regard to the construction of the Home. If no Construction Lender exists (or if the Construction Lender does not wish to hire the Inspector), then the DOH, at the sole expense of Developer, shall utilize an Inspector which has been previously approved by the DOH.

The scope of the Inspector's work shall be contained in the terms of the contract between the Inspector and the Construction Lender, or the Inspector and the DOH, as the case may be, and shall include inter alia, providing a certification for the benefit of the Construction Lender and the DOH on the form attached hereto as Exhibit I that the construction of said Home complies with the Working Drawings and Specifications. The Inspector shall notify the DOH and the Construction

Lender of any discrepancies between the Working Drawings and Specifications and the actual construction of any Home, and shall provide the DOH with a copy of each and every Inspector's certification. A representative of the DOH shall have the right, but not the obligation, to accompany the Inspector during his inspection of the progress of the construction of the Homes .

(e) Homebuyer Closings and Disbursement of Subsidies. As long as Developer is not in material default in the due, prompt and complete performance or observance of any of its covenants or obligations contained in the Agreement, the conveyances of Homes and disbursement of Section 4.5(b) may proceed to closing provided the following conditions precedent are satisfied:

(i) Developer and the homebuyer shall have complied with the applicable provisions described in Section 4.5(b), including, the execution of the City Junior Mortgage;

(ii) The Inspector shall have delivered to the City its conditional certificate for said Home in the form of Exhibit I, conditioned and subject only to the completion of punch list items or such other items agreed to by the City, the Inspector and Developer ("Conditional Certificate");

(iii) The City shall have issued its Certificate in accordance with Section 4.8 below;

(iv) Developer, in the form of an owner's sworn statement and the general contractor's sworn statement, shall have submitted to the Escrowee and the Inspector affirmative proof that there are no materialmen's liens or claims exist affecting the Home, or that Developer has taken such appropriate action to cause the Title Company to insure over any title encumbrances caused by such liens or claims; provided, however, that the Title Company shall have received from Developer acceptable waivers or releases of lien covering at least seventy five percent (75%) of the hard construction costs associated with the construction of the Home;

(v) Developer shall have submitted to the City a copy of the Owner's sworn statement and the general contractor's sworn statement describing all construction costs for the Home; and

(vi) Developer shall have furnished to the City one (1) copy of an "as-built" survey showing the location of all completed improvements, including all walks, drives and other on-site appurtenances and improvements, showing site elevations, and showing no encroachments by any such improvements across the boundary lines of the Lot; and

(vii) The DOH shall have issued a letter to Developer that the homebuyer meets the income eligibility requirements of the City Lots Program.

Developer shall be obligated to complete those items listed on the Conditional Certificate (including the punch list items) in a timely and expeditious manner subsequent to the closing. The City reserves the right to request that Developer deposit or reserve with the Escrowee funds (or in lieu thereof, deliver to the Escrowee a letter of credit) in an amount to pay for the cost of such

incomplete work, including, without limitation, any landscaping or other work that was not completed prior to closing because of weather-related conditions. Once such work has been completed, the Inspector shall conduct an on-site inspection in order to facilitate the issuance of a final certificate indicating that construction of the Home is complete ("Final Certificate"). Any funds retained by the Escrowee pursuant to this paragraph shall not be released until a copy of the Final Certificate is delivered to the Escrowee and the DOH.

Developer does also certify and agree that it shall not take its fee until the closing for the sale of a Home to a homebuyer.

4.6 Relocation of Utilities. If Developer requests the relocation, repair or replacement of any existing City utility lines in order to construct a Home, such utilities shall be relocated at Developer's sole expense. The DOH shall assist Developer in obtaining the cooperation of any City agency with regard to the relocation, repair or replacement of existing utility lines. Under no circumstances shall the City pay for any such relocation, repair or replacement costs. In addition, Developer shall be solely responsible for the payment of any costs associated with the repair, replacement or relocation of any private utility lines necessary to construct a Home.

4.7 Commencement and Completion of the Project. Developer, subject to the occurrence of Permitted Delays described in Section 6.2 below, shall commence with the construction of the Project within three (3) months of the execution date of the Agreement. Except as otherwise provided in the Agreement, Developer shall complete the Project within twenty-four (24) months from said execution date. Developer, its successors and assigns, shall promptly begin and diligently complete the Project within such time periods. The Commissioner of DOH, in the Commissioner's sole discretion, may extend the completion upon the Developer's written request, by executing a written extension letter.

4.8 Certificate of Compliance. As each Home is substantially completed in accordance with the Working Drawings and Specifications (as evidenced by the issuance of the Inspector's Conditional Certificate or Final Certificate, as the case may be) and Developer has performed all of its other obligations under this Agreement, including without limitation, the closing conditions precedent specified in Section 4.5(e) above, the DOH, upon written request by Developer, shall furnish Developer with an appropriate compliance certificate ("Certificate"). The Certificate shall be evidence the Developer's compliance with respect to its obligation to construct such Home in accordance with the terms of this Agreement. The Certificate, however, shall not constitute evidence that Developer has complied with any applicable provisions of federal, state and local laws, ordinances and regulations with regard to the completion of the Home and furthermore, shall not serve as any "guaranty" as to the quality of the construction of said structure.

The Certificate shall be in recordable form and shall be delivered by the DOH to the Escrowee at the closing conveying the Home from Developer to the initial homebuyer. At such closing, the Developer shall provide the initial homebuyer with an Owner's Policy ALTA form B (1987) policy of title insurance issued by the Title Company, dated as of the closing date in the amount of the purchase price. Once the Certificate is recorded with the Recorder's Office, the Agreement shall no longer encumber the Lot.

4.9 Prohibition Against Unpermitted Encumbrances. Prior to the City's issuance of the Certificate for a Home on a particular Lot, neither Developer nor any successor in interest to the Lot shall engage in any financing or other transaction the effect of which creates an encumbrance or lien upon said Lot; provided, however, that Developer, after receiving the prior written consent of the City, may mortgage the Lot for the purpose of obtaining the Construction Loan or other financing source as described in Section 4.5(a) above to the extent necessary to construct the Home. Notwithstanding the above, no mortgage may be recorded against a City Lot until such City Lot is conveyed to Developer.

4.10 Mortgagees Not Obligated to Construct. Notwithstanding any of the provisions of the Agreement, no holder of a mortgage authorized by the Agreement (including any holder who obtains title to a City Lot as a result of foreclosure proceedings, or action in lieu therefor), shall be obligated to construct or complete the construction of any Home on the City Lot, or to guarantee such construction or completion. However, any such holder shall take its lien or hold such title subject to this Agreement and must devote the City Lot to those uses or improvements provided for or permitted in the City Lots Program and this Agreement, i.e., it may only complete the Homes on said Lots and convey such homes to homebuyers, as originally contemplated. The City shall not unreasonably withhold its consent to such a request, so long as the Construction Lender complies with the terms and conditions of the Agreement. In such event, the Construction Lender shall be required to execute such economic disclosure documents as the City deems appropriate.

Whenever the City shall deliver a notice or demand pursuant to Section 6.3(a), the City shall at the same time forward a copy of such notice or demand to any Construction Lender identified in Section 8.8. After the expiration of any applicable cure period, each such Construction Lender shall have the right, at its option, to remedy such default within an additional thirty (30) day cure period.

Whenever the Construction Lender shall deliver a default notice or demand to Developer under the Construction Loan documents, it shall at the same time forward a copy of such notice or demand to the City at the addresses listed in Section 8.8 below. After the expiration of any applicable cure period, the City shall have the right, at the City's option, to remedy such default within an additional thirty (30) day cure period.

SECTION V
CONVEYANCE OF THE HOMES

5.1 Developer's Covenants for Participation in the City Lots Program.

(a) Sales Price. Developer acknowledges and affirms the objectives of the City with regard to the creation of the City Lots Program as a means of achieving the construction of affordable, new, high quality, owner-occupied housing within the corporate boundaries of the City. Developer affirmatively covenants that it shall sell and convey each Single Family Home for a base price per model, as set forth on Exhibit J, attached hereto, but in no event shall said base price for a particular Single Family Home exceed the sum of One Hundred Ninety-Five Thousand Dollars ($195,000), such amount being the current inflation-adjusted price limit under the City Lots Program. Developer's projected final sales pricing of the various models of the Single Family Homes to be constructed by Developer are described on Exhibit J. The parties acknowledge that said base price

does not include options described on Exhibit K attached hereto which may be desired by individual homebuyers. The parties further acknowledge that said base price may further be slightly adjusted due to inflation, upon the written agreement of the parties. Notwithstanding the foregoing, in accordance with the City Lots Program, up to twenty percent (20%) of the Single Family Homes may be sold as market rate homes to households of any income level.

(b) **Compliance with Fair Housing and Non-Discrimination Laws.** Developer shall not discriminate based upon race, color, religion, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military status, parental status or source of income in the design, marketing and sale of any Single Family Home constructed by Developer pursuant to the terms of the Agreement, and shall comply with any and all federal, state and local laws, statutes, ordinances or regulations with regard to non-discrimination in the sale and marketing of housing, including, without limitation, the Fair Housing Act, 42 U.S.C. sec. 3601-20 et seq. (1988) and implementing regulations at 24 C.F.R. Part 100; Executive Order 11063, as amended by Executive Order 12259 (3 C.F.R., 1958-1963 Comp., p. 652 and 3 C.F.R., 1980 Comp., p. 307)(Equal Opportunity in Housing) and implementing regulations at 24 C.F.R. Part 107; and Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d)(Nondiscrimination in Federally Assisted Programs) and implementing regulations issued at 24 C.F.R. Part 1; 42 U.S.C. sec. 1982 (1988), and sections 17-19 of Article I of the Constitution of the State of Illinois; the Age Discrimination Act of 1975, 42 U.S.C. sect. 6101-07, and implementing regulations at 24 C.F.R. Part 146, Section 504 of the Rehabilitation Act of 1973, 29 U.S.C. 794 and implementing regulations at 24 C.F.R. Part 8.

(c) **Warranty of Habitability.** At the closing for the conveyance of a Single Family Home from Developer to an initial homebuyer, Developer shall deliver to said homebuyer a warranty of habitability in the form of Exhibit L attached hereto. Said warranty of habitability shall have a duration of one year and shall be deemed to run with the land.

5.2 **Marketing.** Developer shall comply with the affirmative marketing requirements described in Section 5.1(b) above. In addition, Developer shall comply with the marketing plan which has been approved by the DOH and is attached hereto as Exhibit M, and to utilize solely those marketing materials which have been approved by the DOH either prior to or subsequent to the execution date of the Agreement with regard to the marketing of the Single Family Homes to prospective homebuyers. Developer also agrees to place on at least one of the Lots a sign stating that the Single Family Home was (or shall be) constructed by Developer pursuant to the City Lots Program.

5.3 **Income Eligibility Standards.** Every potential homebuyer in conjunction with the homebuyer's execution of a purchase contract for the purchase of a Single Family Home, must be approved in writing by the DOH as meeting the income eligibility standards of the City Lots Program. Developer must provide the DOH with any and all information required by the DOH to confirm such homebuyer's income eligibility. The DOH shall have ten (10) business days from the date of receipt of a "complete information package" (which shall include, by means of illustration and not limitation, the W-2 forms from the initial homebuyer's employer(s), U.S. 1040 income tax returns for the previous two years, an affidavit or verification from the homebuyer with regard to household size, and the employer verification form utilized by the Federal National Mortgage Association within which to qualify potential homebuyers.

5.4 **Pre-Purchase Qualification.** Developer shall refer each prospective homebuyer for pre-purchase counseling, which shall be offered either by the DOH, a qualified community organization or lending institution. Each homebuyer must participate in pre-purchase counseling, and provide the DOH with a certificate or other evidence of participation.

5.5 **Rental Units.** [INTENTIONALLY DELETED]

SECTION VI
PERFORMANCE

6.1 **Time of the Essence.** Time is of the essence of the Agreement.

6.2 **Permitted Delays.** Neither the City, Developer, or any successor in interest to Developer, shall be considered in breach of its obligations to commence or complete the Project in the event of delay in the performance of such obligations due to unforeseeable causes beyond such party's control and without such party's fault or negligence, including but not limited to, any delays or halts in the construction of the Single Family Homes, compelled by court order, acts of God, acts of the public enemy, acts of the United States or other governmental body, acts of the other party, fires, floods, epidemics, quarantine restrictions, strikes, vandalism, embargoes and unusually severe weather or delays of subcontractors due to such cause. The time for the performance of the obligations shall be extended only for the period of the permitted delay if the party seeking the extension shall request it in writing of the other party within twenty (20) days after the beginning of any such delay.

6.3 **Breach.**

(a) **Generally.** If the Developer defaults in the performance of its obligations under the Agreement, the Developer shall, upon written notice from the City, commence to immediately cure or remedy such default but, in any event, by not later than thirty (30) days after receipt of such notice (or such other cure period, if any, as may be expressly provided for in Section 6.3(b)). If the default is not cured within such thirty (30) day period (or such other cure period). the City may institute such proceedings at law or in equity as may be necessary or desirable in its sole discretion to cure and remedy such default, including but not limited to, proceedings to compel specific performance and foreclosure of the City Junior Mortgage.

(b) **Event of Default.** For purposes of the Agreement, the occurrence of any one or more of the following, which is not cured by the specified cure period, if any, shall constitute an "Event of Default":

(1) Any warranty, representation or statement made or furnished by Developer is not true and correct, or any covenant is not complied with in any material respect; (30 day cure period); or

(2) Any petition or proceeding is filed by Developer under the Federal Bankruptcy Code or any similar state or federal law, whether now or hereafter existing (no cure period)

or any such petition or proceeding is involuntarily filed and not vacated, stayed or set aside (60 day cure period); or

(3) Failure of Developer to finalize the Working Drawings and Specifications in accordance with Section 4.2 (30 day cure period); or

(4) If Developer fails to commence or complete construction of a Single Family Home (including the nature of and the dates of the beginning and completion thereof) or abandons or substantially suspends construction work of any Single Family Home (30 day cure period); or

(5) If Developer conveys any Single Family Home to a homebuyer in excess of the consideration described in Section 5.1 above, or conveys any Single Family Home to a homebuyer ineligible to participate in the City Lots Program (no cure period); or

(6) Developer fails to comply with the non-discrimination covenants in Section 5.2 above with regard to the marketing and sale of the Single Family Homes constructed by Developer (30 day cure period); or

(7) Failure of Developer to pay real estate taxes or assessments affecting any Lots (accruing after the date of conveyance by the City to Developer with respect to the City Lots) when due, or placing thereon any encumbrance or lien unauthorized by the Agreement, or suffering any levy or attachment to be made, or any materialmen's or mechanics' lien, or any other unauthorized encumbrance or lien to attach to the Lots or any part thereof (unless Developer has taken such appropriate action to cause the Title Company to insure over any title encumbrances caused by such liens or encumbrances), and such taxes or assessments shall not have been paid, or the encumbrance or lien removed or discharged or provision satisfactory to the City made for such payment, removal or discharge; (30 day cure period); or

(8) The occurrence of an event of default within the context of the First Mortgage, if any, which is not cured within the applicable time periods, if any, contained therein; or

(9) The financial statements of Developer are not complete in all material respects or do not accurately present the assets, liabilities, results of operations and financial condition of Developer or there is a material adverse change in the assets, liabilities, results of operations or financial condition of Developer since the date of Developer's most recent financial statements; (30 day cure period); or

(10) Developer makes or causes to be made, directly or indirectly, any payment, gratuity or offer of employment in connection with this Agreement or any contract paid from the City treasury or pursuant to any City ordinance, for services to any City agency ("City Contract") as an inducement for the City to enter into the Agreement or any

City Contract in violation of Chapter 2-156-120 of the Municipal Code of Chicago; (no cure period); or

(11) Any assignment, pledge, encumbrance, transfer or other disposition is made in violation of Section 8.2 below (no cure period).

(c) Prior to Commencement of Construction. If prior to the commencement of construction of any Single Family Home, an Event of Default occurs, the City may immediately terminate this Agreement and institute any action or proceeding at law or in equity against Developer.

(d) After Commencement of Construction Until Issuance of Certificate. If after commencement of construction by Developer of a Single Family Home on any City Lot but before the City issues its Certificate for such Single Family Home, an Event of Default occurs, the City may immediately terminate the Agreement and institute any action or proceeding at law or in equity against Developer. In such event, Developer shall have no further right or interest regarding any City Lot not conveyed to Developer prior to the default.

In addition, the City shall have the right to re-enter and take possession of each City Lot previously conveyed, to terminate the Developer's title to such City Lots and all other rights and interests of Developer to said Lots and any improvements constructed thereon, and revest title in said City in the City without any compensation whatsoever to Developer; provided, however, that such condition subsequent and revesting of title in the City shall always be limited by, and shall not defeat, render invalid, or limit in any way, the lien of the First Mortgage.

Upon such revesting of title to the City Lots in the City, the DOH may complete the construction of any Single Family Homes on the City Lots, including, if necessary, the hiring of an alternative contractor to complete the construction. Upon completion of construction, the DOH shall employ its best efforts to convey the Single Family Home (subject to the First Mortgage liens described above, if any) to a homebuyer under the City Lots Program, and in accordance with all applicable federal, state and local laws, ordinances and regulations. In the event a First Mortgage encumbers the City Lot on which the Single Family Home is built, then at the closing of the conveyance of such Single Family Home, the net sales proceeds from the sale of the Single Family Home shall be applied to repay an allocable share of the unpaid principal of the First Mortgage attributable to said City Lot and the interest accrued thereon due and payable as of the date of conveyance. When the City sells all of the Single Family Homes in accordance with the provisions described in this paragraph, then upon repayment of all amounts under the First Mortgage any remaining proceeds shall be distributed pursuant to Section 6.3(e) below. In the alternative, the City may allow the Construction Lender to enter into possession of such Lots and cause the completion of construction of the Single Family Homes so long as the Construction Lender complies with the terms and provisions of the Agreement.

(e) Distribution of Sale Proceeds. Upon the sale of all of the Single Family Homes by the City pursuant to Section 6.3(d) above, the proceeds from said conveyance(s) shall be utilized first to reimburse the City for:

(1) costs and expenses incurred by the City with regard to the reconveyance of the City Lots, management of the City Lots, and the subsequent conveyance of the City Lots to the homebuyers;

(2) all taxes, assessments, and water and sewer charges paid with respect to the City Lots;

(3) any payments made or necessary to be made (including attorneys' fees) to discharge or prevent from attaching or being made any subsequent encumbrances or liens against the City Lots;

(4) any expenditures made or obligations incurred with respect to the construction and maintenance of any Single Family Homes constructed on the City Lots;

(5) any other amounts owed to the City by Developer, its successors or transferees under this Agreement, the City Junior Mortgage or otherwise; and

(6) any remaining sums shall be delivered to Developer.

(f) After Conveyance. If an Event of Default occurs under Section 6.3(b)(5) or Section 6.3 (b)(6), then the City shall have the right to institute a suit for injunctive relief against Developer, or alternatively, at the option of the City solely with regard to an Event of Default under Section 6.3(b)(5), Developer, within twenty (20) days after the receipt of written notice of default from the City, shall deliver the sum of one and one/half times the amount by which the sales price exceeds the permitted consideration described in Section 5.1, per violation to the City, said sum representing an amount of liquidated damages and not a penalty.

6.4 Waiver and Estoppel. Any delay by the City in instituting or prosecuting any actions or proceedings or otherwise asserting its rights shall not operate as a waiver of such rights or operate to deprive the City of or limit such rights in any way. No waiver made by the City with respect to any specific default by Developer shall be construed, considered or treated as a waiver of the rights of the City with respect to any other defaults of Developer.

6.5 Indemnity. Developer hereby agrees to indemnify, defend and hold the City harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, attorneys' fees and court costs), suffered or incurred by the City (except due to the negligence of the City) arising from or in connection with: (i) the failure of Developer to perform its obligations under the Agreement; (ii) the failure of Developer or any contractor to pay contractors, subcontractors or materialmen in connection with the construction of the Single Family Homes (unless Developer has taken such appropriate action to cause the Title Company to insure over any title encumbrances caused by such liens and encumbrances); (iii) a material misrepresentation or material omission in Developer's application to participate in the City Lots Program or in the Agreement which is the result of information supplied or omitted by Developer or by agents, employees, contractors, subcontractors, or persons acting under the control or at the request of Developer; (iv) the failure of Developer to redress any misrepresentations or omissions in the Agreement or any other agreement relating hereto; (v) any activity undertaken by

Developer on any of the City Lots or any part thereof; and (vi) any claim or cost relating to any soil or environmental condition existing at, or created by Developer on, any City Lot.

6.6 Access to the Lots. Any duly authorized representative of the City shall, at all reasonable times, have access to any Lot, or part thereof, from the execution date of the Agreement until the City issues its Certificate with regard to the completion of the Single Family Home on the Lot, for the purpose of confirming Developer's compliance with this Agreement.

6.7 City's Right to Inspect Records. Until the date that is three years after the date on which the City issues its Certificate with regard to the completion of the final Single Family Home, the City shall have the right and authority to review and audit, from time to time, Developer's books and records relating to the Project, including, without limitation, Developer's loan statements, the construction manager's sworn statements, general contracts, subcontracts, purchase orders, waivers of lien, paid receipts and invoices. All such books, records and other documents shall be available at the offices of Developer for inspection, copying, audit and examination by any duly authorized representative of the City; provided, however, that the City shall provide Developer with at least five (5) business days' written notice of any proposed inspection of Developer's books and records.

SECTION VII
DEVELOPER'S EMPLOYMENT OBLIGATIONS

7.1 Employment Opportunity. Developer agrees for itself and its successors and assigns, and shall contractually obligate its or their various contractors, subcontractors or any Affiliate of Developer operating on the Project (collectively, with Developer, the "Employers" and individually an "Employer") to agree, that for the term of this Agreement with respect to Developer and during the period of any other party's provision of services in connection with the construction of the Project and the occupation of the Lots with regard thereto:

A. No Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Chapter 2-160, Section 2-160-010 et seq., Municipal Code of Chicago, except as otherwise provided by said ordinance and as amended from time to time (the "Human Rights Ordinance"). Each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, shall state that all qualified applicants

shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

B. Each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including, but not limited to, the Human Rights Ordinance, and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

C. Developer, in order to demonstrate compliance with the terms of this Section, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

D. Developer and each Employer shall include the foregoing provisions of subparagraphs A through C in every contract entered into in connection with the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any Affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or affiliate, as the case may be.

E. Failure to comply with the employment obligations described in this Section 7.1 shall be a basis for the City to pursue remedies under the provisions of Section 6 above.

SECTION VIII
MISCELLANEOUS PROVISIONS

8.1 Entire Agreement. This Agreement contains the entire agreement of the parties with respect to the Project and supersedes all prior agreements, negotiations and discussions with respect thereto. It shall not be modified, amended or changed in any material manner whatsoever except by mutual consent of the parties as reflected by written instrument executed by the parties hereto. The term "material" for the purpose of this Section 8.1 shall be defined as any deviation from the terms of the Agreement which operates to cancel or otherwise reduce any developmental, construction or job-creating obligation of Developer by more than five percent (5%) or substantially changes the character of the Project or any activities undertaken by Developer affecting the Project, or increases any time agreed for performance by either party by more than thirty (30) days, subject to Section 4.7.

8.2 Assignability and Transfer. Unless permitted under Section 4.9 above, prior to the City's issuance of the Certificate with regard to the completion of a Single Family Home, the Developer shall not assign, transfer or convey any right, title or interest in the Lot on which such Single Family Home is constructed. Notwithstanding the above, Developer may sign purchase contracts with initial homebuyers prior to the issuance of the Certificate. In addition, Developer

may convey its right, title and interest to any of the Lots to a land trust formed under the laws of the state of Illinois and of which Developer is the sole beneficiary; provided, however, that the City must receive prior notification of such transfer accompanied by a certified copy of the land trust agreement, and the City, Developer and the land trustee shall execute a document granting the City the irrevocable right to approve the land trust documents.

8.3 Conflict of Interest - City's Representatives Not Individually Liable. Prior to the issuance of the Certificate by the City with regard to the completion of the final Single Family Home, no member of any City board, commission or agency, or official or employee of the City shall have any personal interest, direct or indirect, in Developer, the Agreement or the Project; nor shall any such member, official or employee participate in any decision relating to the Agreement which affects his or her personal interest or the interests of any corporation, partnership or association in which he or she is directly or indirectly interested. This prohibition shall include those public officials who have exercised any functions or responsibilities with respect to this Project or the City Lots Program or who are in a position to participate in a decision making process or gain inside information with regard to the Project or the City Lots Program or may obtain a financial interest or benefit from this Project, or have an interest in any contract, subcontract, or agreement with respect thereto, or the proceeds therefore, either for themselves or those with whom the officials have family or business ties, during the tenure or employment of said public officials and for a period of one year thereafter. The foregoing shall not be deemed to exclude employees of the City who meet the requirements of the City Lots Program from purchasing Single Family Homes for their primary residences, and who are able to do so pursuant to an ordinance passed by the City Council of the City. No member, official or employee of the City shall be personally liable to Developer, or any successor in interest, to perform any commitment or obligation of the City under the Agreement nor shall any such person be personally liable in the event of any default or breach by the City.

8.4 Survival. All representations and warranties contained in the Agreement shall survive execution date of the Agreement and the execution, delivery and acceptance hereof by the parties shall not constitute a waiver of rights arising by reasons of any misrepresentation.

8.5 Mutual Assistance. The parties agree to perform their respective obligations, including the execution and delivery of any documents, instruments, petitions and certifications, as may be necessary or appropriate, consistent with the terms and provisions of the Agreement.

8.6 Cumulative Remedies. The remedies of the City hereunder are cumulative and the exercise of any one or more of the remedies provided by the Agreement shall not be construed as a waiver of any of the other remedies of the City unless specifically so provided herein.

8.7 Disclaimer. No provision of the Agreement, nor any act of the City, shall be deemed or construed by any of the parties, or by third persons, to create any relationship of third-party beneficiary, or of principal or agent, or of limited or general partnership, or of joint venture, or of any association or relationship involving the City.

8.8 Notices. Any notice called for herein shall be in writing and shall be mailed postage prepaid by registered or certified mail with return receipt requested, or hand delivered and receipted, as follows:

Notices are deemed to have been received by the parties three (3) days after mailing. The parties, by notice given hereunder, may designate any further or different addresses to which subsequent notices, certificates or other communications shall be sent.

8.9 Headings. The headings of the various sections and Sections of the Agreement have been inserted for convenient reference only and shall not in any manner be construed as modifying, amending or affecting in any way the express terms and provisions hereof.

8.10 Governing Law. The Agreement shall be governed by and construed in accordance with the laws of the State of Illinois and, where applicable, the laws of the United States of America.

8.11 References to Statutes. All references herein to statutes, regulations, rules, executive orders, ordinances, resolutions, rulings, notices or circulars issued by any governmental body shall be deemed to include any and all amendments, supplements and restatements from time to time to or of such statutes, regulations, rules, executive orders, ordinances, resolutions, rulings, notices or circulars.

8.12 Recordation of the Agreement. Upon execution of the Agreement by the parties, the City shall promptly record one original of the Agreement with the Office of the Recorder of Deeds of Cook County, Illinois.

8.13 No Third Party Beneficiary. The approvals given by the City pursuant to the Agreement and the Certificate when issued by the City shall be only for the benefit of Developer, the First Mortgagee, and their successors in interest in the Project and no other person or party may assert against the City or claim the benefit of such approval or certificate.

8.14 Successors and Assigns. The terms of the Agreement shall be binding upon the City and Developer, and the Developer's successors and assigns.

8.15 Severability. If any provision of the Agreement, or any paragraph, sentence, clause, phrase, or word, or the application thereof, in any circumstance, is held invalid, the remainder of the Agreement shall be construed as if such invalid part were never included herein and the Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

8.16 Counterparts. The Agreement shall be executed in triplicate, each of which shall constitute an original instrument.

8.17 Executive Order 2005-1. Developer agrees that Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in Developer of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Developer's contractors (i.e., any person or entity in direct contractual privity with Developer regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Developer and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (i) after execution of this Agreement by Developer, (ii) while this Agreement or any Other Contract is executory, (iii) during the term of this Agreement or any Other Contract between Developer and the City, or (iv) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

Developer represents and warrants that from the later of (i) February 10, 2005, or (ii) the date the City approached the Developer or the date the Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Developer agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Developer agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 05-1 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 05-1.

Developer agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 05-1 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under any Other Contract, at law

and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Developer intentionally violates this provision or Mayoral Executive Order No. 05-1 prior to the closing of this Agreement, the City may elect to decline to close the transaction contemplated by this Agreement.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source which are then delivered by one person to the Mayor or to his political fundraising committee.

"Other Contract" means any other agreement with the City of Chicago to which Developer is a party that is (i) formed under the authority of chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council of the City of Chicago.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

(A) they are each other's sole domestic partner, responsible for each other's common welfare; and
(B) neither party is married; and
(C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and
(D) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
(E) two of the following four conditions exist for the partners:
    1. The partners have been residing together for at least 12 months.
    2. The partners have common or joint ownership of a residence.
    3. The partners have at least two of the following arrangements:
        a. joint ownership of a motor vehicle;
        b. a joint credit account;
        c. a joint checking account;
        d. a lease for a residence identifying both domestic partners as tenants.
    4. Each partner identifies the other partner as a primary beneficiary in a will.

"Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

8.18. Patriot Act Certification. The Developer represents and warrants that neither the Developer nor any Affiliate thereof (as defined in the next paragraph) is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their

successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

As used in the above paragraph, an "Affiliate" shall be deemed to be a person or entity related to the Developer that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Developer, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

8.19. Business Relationships. The Developer acknowledges (A) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (B) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2- 156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (c) notwithstanding anything to the contrary contained in this Amendment, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Amendment shall be grounds for termination of this Amendment and the transactions contemplated hereby. The Developer hereby represents and warrants that no violation of Section 2-145-030 (b) has occurred with respect to this Amendment or the transactions contemplated hereby.

8.20. Waste Ordinance Provisions. In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Developer warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this Amendment is executory, Developer's, any general contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Amendment, constitutes a breach of and an event of default under this Amendment, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Chief Procurement Officer. Such breach and default entitles the City to all remedies under the Amendment, at law or in equity. This section does not limit the Developer's, general contractor's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Amendment. Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Amendment, and may further affect the Developer's eligibility for future contract awards.

8.21. **Cooperation With Office of Compliance.**

In accordance with Chapter 2-26-110 et seq. of the Municipal Code, the Developer acknowledge that every officer, employee, department and agency of the City shall be obligated to cooperate with the Executive Director of the Office of Compliance in connection with any activities undertaken by such office with respect to this Agreement, including, without limitation, making available to the Executive Director the department's premises, equipment, personnel, books, records and papers. The Developer agrees to abide by the provisions of Chapter 2-26-110 et seq..

IN WITNESS WHEREOF, the parties hereto have executed or caused the Agreement to be executed, all as of the date first written above.

This Transfer Is Exempt Under The Provisions Of The Real State Transfer Tax Act, 35 ILCS 200/31-45(b) And 35 ILCS 200/31-45(e); And Sections 3-33-060.B And 3-33-060.E Of The Municipal Code Of Chicago.

Further, this quitclaim deed ("Deed") is made and executed upon, and is subject to certain express conditions and covenants hereinafter contained, said conditions and covenants being a part of the consideration for the Property and are to be taken and construed as running with the land, and Grantee hereby binds itself and its successors, assigns, grantees and lessees to these covenants and conditions, which covenants and conditions are as follows:

First: Grantee shall devote the Property only to the uses authorized by Grantor and specified in the applicable provisions of: (i) the City Lots For City Living Program ordinance,

first adopted on October 2, 1995 and published in the *Journal of the Proceedings of the City Council of the City of Chicago* for such date at pages 8086 -- 8089, as most recently amended and restated by that certain ordinance adopted April 26, 2006 and published in the *Journal of the Proceedings of the City Council of the City of Chicago* for such date at pages 75201 -- 75212 ("Program"), and (ii) that certain agreement known as "Redevelopment Agreement, City Lots For City Living Program, Lorsch Construction and Development, Inc. Project" entered into between Grantor and Grantee as of _____, 2008 and recorded with the Office of the Recorder of Deeds of Cook County, Illinois on _____, 2008 as Document Number _____ ("Agreement"). Specifically, in accordance with the terms of the Agreement, Grantee shall construct a Single-Family Home on the Property to be sold to the initial homebuyer for a price not to exceed the ceiling base price (excluding options or extras) of One Hundred Ninety-five Thousand Dollars ($195,000) all as further described in Section 4.5(b)(1) and Section 5.1 of the Agreement. [Revise For Market Rate Homes] Grantee shall advise each initial homebuyer and such homebuyer shall be required to execute and record at the time of the homebuyer's closing the City Junior Mortgage described in the Agreement.

Second: Grantee shall pay real estate taxes and assessments on the Property or any part thereof when due. Prior to the issuance by Grantor of a Certificate of Compliance (as hereafter defined) with regard to the Property, Grantee shall not encumber the Property, or portion thereof, except to secure financing solely to obtain the First Mortgage (as such term is defined in the Agreement). Grantee shall not suffer or permit any levy or attachment to be made or any other encumbrance or lien to attach to the Property or portion thereof until Grantor issues a Certificate of Compliance with respect to the completion of the Single-Family Home on the Property (unless Grantee has taken such appropriate action to cause the Title Company (as such term is described in the Agreement) to insure over any title encumbrances caused by such liens or claims).

Third: Grantee shall construct the Single-Family Home on the Property in accordance with the terms of the Agreement. Grantee shall diligently proceed with the construction of such Single-Family Home to completion, which construction shall commence within three (3) months from the date of conveyance of the Deed by Grantor to Grantee, and shall be completed by Grantee within the time frame described in the Agreement.

Fourth: Until Grantor issues the Certificate with regard to the completion of the Single-Family Home, Grantee shall have no right to convey any right, title or interest in the Property without the prior written approval of Grantor, excepting as provided for in Section 8.2 of the Agreement.

Fifth: Grantee agrees for itself and any successor in interest not to discriminate based upon race, religion, color, sex, national origin or ancestry, age, handicap, sexual orientation, military status, parental status or source of income in the sale of the Single-Family Home improving the Property.

Sixth: Grantee shall comply with those certain employment obligations described in Section VII of the Agreement.

The covenants and agreements contained in the covenant numbered Fifth shall remain without any limitation as to time. The covenants and agreements contained in covenants numbered First, Second, Third, Fourth and Sixth shall terminate on the date Grantor issues the Certificate of Compliance with respect to the Property upon which the pertinent Single-Family Home is constructed, except that the termination of the covenant numbered Second shall in no way be construed to release Grantee from its obligation to pay real estate taxes and assessments on the Property or any part thereof.

In the event that subsequent to the conveyance of the Property and prior to delivery of the Certificate of Compliance by Grantor with regard to the completion of the Single-Family Home on the Property, Grantee defaults in or breaches any of the terms or conditions described in Section 6.3(b) of the Agreement or covenants First, Second or Third in the Deed which have not been cured or remedied within the period and in the manner provided for in the Agreement, Grantor may re-enter and take possession of the Property or portion thereof, terminate the estate conveyed by the Deed to Grantee as well as Grantee's right of title and all other rights and interests in and to the Property conveyed by the Deed to Grantee, and revest title in said Property or portion thereof with the City; provided, however, that said revesting of title in the City shall always be limited by, and shall not defeat, render invalid, or limit in any way, the lien of the First Mortgage (as defined in the Agreement) for the protection of the holders of the First Mortgage. The Property shall thereafter be developed in accordance with the terms of the Program and the Agreement, including but not limited to, Section 6.3(d) of the Agreement.

Notwithstanding any of the provisions of the Deed or the Agreement, including but not limited to those which are intended to be covenants running with the land, the holder of the First Mortgage or a holder who obtains title to the Property as a result of foreclosure of the First Mortgage shall not be obligated by the provisions of the Deed or the Agreement to construct or complete the construction of the pertinent Single-Family Home or guarantee such construction or completion, nor shall any covenant or any other provision in the Deed or the Agreement be construed to so obligate such holder. Nothing in this section or any section or provision of the Agreement or the Deed shall be construed to permit any such holder to devote the Property or any part thereof to a use or to construct improvements thereon other than those permitted in the Program.

In accordance with Section 4.8 of the Agreement, after the substantial completion of construction of the Single-Family Home improving the Property (as evidenced by, and based solely on, the issuance of the Conditional Certificate or Final Certificate by the Inspector), and provided that Developer has performed all of its other contractual obligations pursuant to the provisions contained in the Agreement and the objectives of the Program, Grantor shall furnish Grantee with an appropriate instrument in accordance with the terms of the Agreement ("Certificate of Compliance"). The Certificate of Compliance shall be issued by the City as a conclusive determination of satisfaction and termination of the covenants contained in the Agreement and Deed with respect to the obligations of Developer and its successors and assigns to complete such Single-Family Home and the dates for beginning and completion thereof. The Certificate shall not constitute evidence that Developer has complied with any applicable provisions of federal, state or local laws, ordinances and regulations with regard to the completion of the Single-Family Home in question, and shall not serve as any "guaranty" as to the quality of the construction of said structure.

In Witness Whereof, Grantor has caused this instrument to be duly executed in its name and behalf and its seal to be hereunto duly affixed and attested, by the Mayor and by the City Clerk, on or as of the ____ day of _____, 2008.

SECTION I. REPRESENTATIONS AND WARRANTIES.

A. **Representations and Warranties of Railroad.** To induce the City to execute this Agreement and perform the obligations of the City hereunder, Railroad hereby represents and warrants to the City as follows:

(1) Railroad's execution, delivery and recording of this Agreement has been duly authorized by all requisite corporation action;

(2) Railroad has full power and authority to execute this Agreement, to convey the Property and perform its other obligations hereunder;

(3) As of the Closing (as defined in Section III.A below), no other person,

entity or governmental body will have any ownership or use rights with respect to the Property, except the Railroad and those rights granted to Railroad pursuant to the Rail Line Easement Agreement attached hereto as Exhibit C (the "**Easement Agreement**"), and except to the extent required by law or regulation;

(4) this Agreement constitutes the legally valid and binding obligation of Railroad and is enforceable in accordance with its terms;

(5) no litigation or proceedings are pending or, to Railroad's actual knowledge, are threatened against Railroad or any party controlling or controlled by Railroad which could materially affect the ability of Railroad to perform its obligations in accordance with the terms of this Agreement;

(6) the execution, delivery and performance by Railroad of this Agreement have not constituted or will not, upon the giving of notice or lapse of time, or both, constitute a material breach or default under any other agreement which may materially affect the Property to which Railroad or any party controlling or controlled by Railroad is a party or may be bound or affected, or a violation of any law or court order which may materially affect the Property, any part thereof, any interest therein or the use thereof;

(7) Railroad has not received any notice, and has no actual knowledge that the current condition or use of the Property violates: (a) any statute, law, regulation, rule, ordinance or executive or judicial order of any kind (including, without limitation, zoning and building laws, ordinances, codes or approvals and environmental protection laws or regulations); or (b) any building permit, restriction of record or any agreement affecting the Property or any part thereof;

(8) Except for mortgages and other liens, if any, which Railroad has placed or caused to be placed upon the Property, after Railroad's acquisition thereof, if any, can and shall be satisfied by the payment of money at the Closing, and except for real estate taxes and assessments not due and payable, Railroad has not: granted, suffered or permitted any lien, claim or encumbrance upon the Property or any portion thereof which Railroad has placed or caused to be placed upon the Property, after Railroad's acquisition thereof; (b) permitted or suffered any levy, attachment, claim or restraint to be made affecting the Property which Railroad has placed or caused to be placed upon the Property, after Railroad's acquisition thereof; or (c) executed any leases, licenses, easements, service or other use agreements for the Property which will not be terminated at or before Closing, except for its agreement(s) with _____ (the "**Existing Customer**"); and

(9) All of the information disclosed or documents furnished to the City or any of its representatives by Railroad or its representatives pursuant to the terms of this Agreement is true in all material respects. To the actual knowledge of the manager of the Railroad, there is no fact which materially adversely affects or in the future is likely to

materially adversely affect the Property or the City's use of the Property for pedestrian, bicycle and similar non-vehicular usage in any material respect that has not been set forth or referred to in this Agreement or that Railroad has not otherwise disclosed in writing to the City.

B. **Representations and Warranties of the City.** To induce Railroad to execute this Agreement and perform the obligations of Railroad hereunder, the City hereby represents and warrants to Railroad as follows:

(1) The execution of this Agreement by the City and the performance of its obligations hereunder (including funding for the bridge improvement work) have been approved by an ordinance adopted by the City Council of the City of Chicago on _____, 2008;

(3) To the best of the City's knowledge, there is no litigation pending against the City that could prevent the City from performing its obligations in accordance with the terms of this Agreement.

(4) The City has obtained authority or exemption from authority from the federal Surface Transportation Board (the "**Board**") permitting it to acquire the Property or a ruling from the Board that no such authority or exemption is necessary for such acquisition.

C. **Survival of Representations, Warranties.** The parties agree that all of their respective representations and warranties set forth in this Section I or elsewhere in this Agreement are true as of the Closing Date. The continued accuracy of the representations and warranties shall be a condition precedent to the obligation of the parties to close the transaction contemplated by this Agreement. In addition, the parties agree that their liability for a breach of their respective representations and warranties shall survive termination of this Agreement or the Closing (whichever should occur) for a period of one year.

SECTION II. SALE AND PURCHASE PRICE.

Subject to the terms, covenants and conditions of this Agreement, the City agrees to purchase the Property from Railroad, and Railroad agrees to sell the Property to the City for consideration of (a) the sum of One Dollar and No/100 ($1.00) ("**Purchase Price**"), (b) the City's execution and delivery of the Easement Agreement, and (c) the City's performance of the Railroad Improvement Work (as defined below).

SECTION III. CONVEYANCE OF PROPERTY.

A. **Form of Deed.** Railroad shall convey to the City all of Railroad's interest in and to the Property by Quitclaim Deed ("**Deed**") subject to the terms and conditions set forth in this Agreement, the Easement Agreement and the Deed. In the event that the City discovers prior to Closing any material Encumbrances (as hereinafter defined) upon the Property, the City, at its sole discretion, may either: (a) accept title to the Property subject to such Encumbrance; or (b) terminate this Agreement by written notice to the Railroad at any time prior to the Closing. Subject to the foregoing, if the City elects to close and acquire the Property, the City shall be deemed to have taken subject to all recorded and unrecorded easements, licenses, permits, liens or agreements affecting the Property. The Deed shall be duly executed and acknowledged by Railroad and in proper form for recording. The parties shall cooperate in agreeing upon the final legal description that shall be attached to the Deed, which shall replace the legal description included Exhibit A to this Agreement, based on the City's Survey, title evidence and due diligence. Such legal description shall, at a minimum, have boundaries that shall include all of the Railroad Improvements and establish contiguity both on the north and south with the existing City right of way for North Cherry Avenue, and convey to the City all of the Railroad's right, title and interest in the Real Property located between such northern and southern boundaries. If the parties are unable to agree upon such legal description, the City may terminate this Agreement by written notice to the Railroad at any time prior to the Closing.

As to the physical condition of the Property, the City agrees to accept the Property "AS IS, WHERE IS" and with all faults except for the specific representations, warranties expressed in the Deed, this Agreement or any other instrument executed simultaneously with this Agreement or at Closing.

"**Encumbrances**" shall mean any charge, claim, condition, equitable interest, lien, option, pledge, security interest, mortgage, right of way, easement, encroachment, servitude, right of first option, right of first refusal or similar restriction, including any restriction on use, voting (in the case of any security or equity interest), transfer, receipt of income or exercise of any other attribute of ownership.

B. **The Closing.** The closing of the transaction contemplated by this Agreement ("**Closing**") shall take place at the downtown offices of Chicago Title Insurance Company ("**Title Company**") within 90 days of the date set forth in Section I.B(1) above or at such other date and time as the parties may agree to, but in no event later than September 15, 2008, unless the City elects to extend such date in order to obtain any approval required under Section IV.B. below, but in no event later than December 31, 2008. The date upon which the transaction contemplated by this Agreement actually closes is hereinafter called the "**Closing Date.**"

C. **Escrow.** The Property shall be conveyed by Railroad to the City in accordance with the provisions described in the usual form of deed and money escrow instructions utilized by the Title Company, with such special instructions as may be required to conform such instructions with this Agreement. In the event of any conflict between the escrow instructions

and this Agreement, the terms of this Agreement shall prevail. The cost of the escrow and a "New York Style" closing shall be divided equally between the parties.

D. Pre-Closing Charges. The City shall be responsible for obtaining any applicable residential zoning certification and water certification fees applicable to the Property. At the Closing, Railroad shall use commercially reasonable efforts to deliver evidence from the applicable governmental authorities (other than the City), utility companies and third parties that all charges, fees or other costs and expenses applicable to the Railroad's ownership and operation of the Property (collectively, all such amounts, "**Pre-Closing Charges**"). To the extent any such Pre-Closing Charges have not been finally determined or billed or are otherwise not yet due and payable, Railroad agrees to make timely payment of all such Pre-Closing Charges after the Closing Date as and when the same become due. The Railroad agrees to indemnify, defend and hold the City harmless from and against the payment of any such Pre-Closing Charges and any claims arising therefrom. In no instance shall the City be deemed to have agreed to assume the payment of such Pre-Closing Charges by virtue of its acceptance of the Deed, and the obligation to pay such Pre-Closing Charges shall not merge with, but shall survive, the delivery of the Deed. The parties shall cooperate in executing any necessary tax parcel identification number division forms as may be necessary to reflect the conveyance of the Property to the City.

E. Brokers. The parties represent and warrant to each other that no person or entity has been engaged, utilized, or dealt with that would be entitled to a broker's commission or finder's fee in connection with the sale of the Property. In the event that any claim is asserted for such commission or fee, the party deemed to be responsible for such claim shall indemnify, defend and hold the non-responsible party harmless from and against any such claim.

F. Compliance with Applicable Laws. The parties shall comply with all applicable federal, state and local laws and regulations governing the sale of the Property.

G. Date of Possession. Railroad shall deliver possession of the Property to the City at the Closing free and clear of all claims of title, possession or use by any other third party (excluding only Railroad and the Existing Customer), and subject to the Permitted Exceptions.

H. Closing Obligations. At or before the Closing, Railroad shall deliver to City or the Title Company to hold in escrow the Deed, and such other assignments, documents and other instruments of transfer and conveyance as may be required to effect the terms of this Agreement, each in form and substance mutually agreed upon between City and Railroad. At or before the Closing, City shall deliver to Railroad or the Title Company to hold in escrow the Easement Agreement, duly executed and in proper form for recording, and such other assignments, documents and other instruments of transfer and conveyance as may be required to effect the terms of this Agreement, each in form and substance mutually agreed upon between City and Railroad.

SECTION IV. CONDITIONS TO CLOSING.

A. **The City's Conditions To Closing.** The obligation of the City to consummate the transaction contemplated in this Agreement is subject to the following conditions, any of which may be waived by the City on or before the Closing Date, and subject to any other termination rights granted to the City under this Agreement:

(1) The Property shall not have been adversely affected in any material way as a result of any condemnation, fire, flood, act of God or the public enemy, unavoidable cause, accident or other casualty;

(2) There shall be no administrative action, litigation or other governmental proceedings of any kind pending or threatened against Railroad or the Property that would materially adversely affect the value of the Property;

(3) There shall have occurred no material adverse change to any aspect of the Property unless the change is contemplated by this Agreement;

(4) This Agreement shall not have been terminated by either party in accordance with the terms hereof;

(5) The City, at its expense, shall have obtained such survey of the Property as the City deems necessary or appropriate (the "**Survey**");

(6) The City at its expense, shall have obtained the commitment of the title company to deliver to the City on the Closing Date an ALTA owner's policy of title insurance, insuring fee simple title to the Property in the City, and containing such endorsements as the City deems necessary or appropriate (the "**City Title Policy**"). Prior to the Closing Date, the Railroad shall also make available to the City such title and survey materials as it has its possession;

(7) The City Council shall have approved the City's execution and delivery of, and performance under, this Agreement, and

(8) There shall have been no material breach by Railroad in the performance of its covenants and agreements herein; each of Railroad's representations and warranties contained or referred to herein shall be true and correct on the Closing Date (except for representations made as of a specific date, which shall continue to be true as of such date and changes therein specifically permitted by this Agreement or resulting from any transaction expressly consented to in writing by the City or any transaction contemplated by this Agreement); and there shall have been delivered to the City a certificate to such effect, dated the Closing Date, executed by Railroad.

B. **Railroad's Conditions To Close.** The obligation of Railroad to consummate the transaction contemplated in this Agreement is subject to the following conditions, any of which may be waived by the Railroad on or before the Closing Date:

(1) The City shall have obtained any governmental approvals required under applicable law and regulations and fulfilled any conditions required by the Surface Transportation Board, the Federal Railroad Administration, or any other federal or state department, division, or governmental or quasi-governmental body having jurisdiction over the Property that may be imposed as a condition of consummation of the transaction contemplated hereby, or shall otherwise have satisfied itself that the rights granted under the Easement Agreement permit the Seller to continue to conduct its continued rail operations and do not give the City the right to prevent the Seller from conducting such operations.

(2) There shall have been no material breach by the City in the performance of its covenants and agreements herein; each of the City's representations and warranties contained or referred to herein shall be true and correct on the Closing Date (except for representations made as of a specific date, which shall continue to be true as of such date and changes therein specifically permitted by this Agreement or resulting from any transaction expressly consented to in writing by Railroad or any transaction contemplated by this Agreement); and there shall have been delivered Railroad a certificate to such effect, dated the Closing Date, executed by the City.

(3) The City shall have delivered to the Railroad a copy of the Survey for the purpose of finalizing the legal description pursuant to Section III(A) above.

SECTION V. ENVIRONMENTAL MATTERS.

A. **Representations and Warranties.** Railroad hereby represents and warrants to the City as follows:

(1) To Railroad's actual knowledge, since Railroad's acquisition of the Property on March 15, 2007, the Railroad has neither taken nor permitted any action which would cause a violation of any Environmental Laws (as defined herein), or permitted any known violation of any Environmental Laws to go unremedied, and to its actual knowledge, during such time, no Hazardous Materials (as defined herein) have been generated at, treated at, stored at, disposed of, released into, or deposited upon or below the surface of the Property or over which the Property spans, provided, however, that Railroad may temporarily have stored and/or transported Hazardous Materials for its customers on or over the Property. As used herein, the term "**Hazardous Materials**" means friable asbestos or asbestos-containing materials, polychlorinated biphenyls (PCBs), petroleum or crude oil or any fraction thereof, natural gas, source material,

special nuclear material, and byproduct materials regulated under the Atomic Energy Act (42 U.S.C. §2011, et seq.), pesticides regulated under the Federal Insecticide Fungicide and Rodenticide Act (7 U.S.C. §136, et seq.), and any hazardous waste, toxic or dangerous substance or related material, including any material defined or treated as a hazardous material, hazardous waste, toxic substance or contaminant (or comparable term) under any federal, state or local environmental laws. As used herein, the term "**Environmental Laws**" means all laws relating to environmental matters including, without limitation, those relating to fines, orders, injunctions, penalties, damages, contribution, cost recovery compensation, losses or injuries resulting from the release or threatened release of Hazardous Materials and to the generation, use, storage, transportation or disposal of Hazardous Materials, including, without limitation, the Comprehensive Environmental Response, Compensation and Liability Act (42 U.S.C. §9601 et seq.), the Hazardous Material Transportation Act (49 U.S.C. §1801 et seq.), the Resource Conservation and Recovery Act of 1976 (42 U.S.C. §6901 et seq.), the Clean Water Act (33 U.S.C. §1251 et seq.), the Clean Air Act (42 U.S.C. §7401 et seq.), the Toxic Substances Control Act of 1976 (15 U.S.C. §2601 et seq.), the Safe Drinking Water Act (42 U.S.C. §300f-§300j-11 et seq.), the Occupational Safety and Health Act of 1970 (29 U.S.C. §651 et seq.), the Emergency Planning and Community Right-to-Know Act (42 U.S.C. §11001 et seq.), the Illinois Environmental Protection Act (415 ILCS 5/1 et seq.), and the Municipal Code of the City of Chicago, each as heretofore and hereafter amended or supplemented, and any analogous future or present local, state or federal statutes, rules and regulations promulgated thereunder or pursuant thereto, and any other present or future law, ordinance, rule, regulation, permit or permit condition, order or directive regulating, relating to or imposing liability standards of conduct concerning any Hazardous Material or special wastes or by the federal government, any state or any political subdivision thereof, or any agency, court or body of the federal government, any state or any political subdivision thereof, exercising executive, legislative, judicial, regulatory or administrative functions.

(2) Railroad has received no notice that the current use of the Property violates any Environmental Law.

(3) To Railroad's actual knowledge, the Property has never been used as a landfill or a waste dump.

B. Survival of Representations and Warranties. Railroad agrees that the representations and warranties set forth in this Section V or elsewhere in this Agreement are true as of the Execution Date and will be true as of the Closing Date, except with respect to matters which have been disclosed in writing to and approved by the City. Railroad maintains the right to update any and all of its representations and warranties; provided, however, that if the updated representations and warranties disclose information to the City which causes the City to decide that it no longer wishes to accept title to the Property from Railroad, the City may terminate this Agreement by delivering written notice of such decision to Railroad, and shall thereafter be under no further obligation to Railroad.

C. **Environmental Indemnification.** Railroad agrees to indemnify, defend and hold the City harmless from and against any claims, losses, liabilities and expenses (including reasonable attorneys' fees and court costs) relating to or arising from any breach of its representations or warranties under this Section V.

(1) Notice and Determination of Claims.

(i) In the event that the City (the "**Indemnified Party**") is seeking indemnification hereunder, the City shall give Railroad (the "**Indemnitor**") a notice (a "**Claim Notice**") describing in reasonable detail the facts giving rise to any claim for indemnification hereunder and shall include in such Claim Notice (if then known) the amount or the method of computation of the amount of such claim, and a reference to the provision of this Agreement or any other agreement, document or instrument executed hereunder or in connection herewith upon which such claim is based; provided, that a Claim Notice in respect of any pending or threatened action at law or suit in equity by or against a third Person as to which indemnification will be sought (each such action or suit being a "**Third Person Claim**") shall be given promptly after the action or suit is commenced and governed under Section V.C.(2).

(ii) After the giving of any Claim Notice pursuant hereto, the amount of indemnification to which an Indemnified Party shall be entitled under this Section V shall be paid promptly after receipt of the Claim Notice, unless the Indemnitor has given written notice to the Indemnified Party of an objection regarding the Claim Notice, in which case the claim for indemnification shall be resolved in accordance with (i) the written agreement between the Indemnified Party and the Indemnitor; (ii) a final judgment or decree of any court of competent jurisdiction (for purposes of this Section V.C.(1), the judgment or decree of a court shall be deemed final when the time for appeal, if any, shall have expired and no appeal shall have been taken or when all appeals taken shall have been finally determined); or (iii) by any other means to which the Indemnified Party and the Indemnitor shall agree.

(iii) In calculating any loss or expense incurred by an Indemnified Party, there shall be deducted any insurance recovery actually received in respect thereof (and no right of subrogation shall accrue hereunder to any insurer), provided that any such deduction shall be net of any retrospective or prospective premium

adjustments and any out-of-pocket costs and expenses incurred in connection with such insurance recovery.

D. **Environmental Reports.** Not less than thirty (30) days after the Execution Date, Railroad agrees to deliver to the City copies of all existing soil, environmental, engineering or other reports or studies relating to the Property in the Railroad's possession.

SECTION VI. THE CITY'S RIGHT TO ENTER THE PROPERTY.

Railroad shall permit the City and its authorized representatives, agents and contractors to enter onto the Property from time to time prior to the Closing Date, so long as any such entry does not disturb the use of the Property by Railroad or the Existing Customer during reasonable business hours and so long as such entry is accompanied by a representative, agent or employee of Railroad for the purpose of performing tests, environmental audits, engineering and marketing studies, surveys, and other inspections, studies and tests on the Property as the City shall reasonably deem necessary. The City shall require any party hired by the City to perform such inspections and tests prior to the Closing Date to maintain liability insurance in amounts and coverages reasonably acceptable to Railroad. The City agrees to defend, indemnify and hold Railroad harmless from any claim, loss, liability or expense (including reasonable attorneys' fees) in connection with any such pre-closing entry on the Property by the City, its representatives, agents, employee and independent contractors. The City shall promptly repair and restore the Property to the same condition as existed immediately prior to such entry if such entry resulted in any damage thereto.

SECTION VII. CASUALTY.

Loss or damage to any improvements located on the Property by fire, casualty or act of God shall be at the sole risk of Railroad until the conveyance of the Property to the City. In the event of damage or casualty to all or any portion of the Property prior to the Closing, Railroad shall promptly send written notice thereof to the City. The City may, within thirty (30) days following receipt of such notice, elect to terminate this Agreement by sending written notice thereof to Railroad. If the City chooses to proceed with the transaction, there shall be no adjustment in the Purchase Price, but the scope of Railroad Improvement Work (as defined below) shall be adjusted as appropriate. Any insurance proceeds received from such damage or casualty shall be the sole property of Railroad.

SECTION VIII. REMEDIES.

A. **Time for Performance.** No extension of time for the performance of any obligation or act shall be deemed an extension of time for performance of any other obligation or act or effective unless agreed to in writing. If any date for performance falls on a Saturday, Sunday or legal holiday, then the time of such performance shall be extended to the next business day thereafter.

B. **Breach.** In the event of a default by a party in the performance of its obligations under this Agreement, such party upon written notice from the other, shall immediately proceed to cure or remedy such default. In the event of a default that has not been cured within 30 days, the non-defaulting party may institute such proceedings at law or in equity as may be desirable in its sole discretion to remedy the default, including but not limited to, proceedings to compel specific performance. In the event of a default by the City that has not been cured within 30 days prior to the Closing, Railroad may terminate this Agreement by giving written notice thereof to the City, which termination shall be the Railroad's sole and exclusive remedy. Notwithstanding the foregoing, the City may not make a claim against the Railroad for any breach of representation or warranty or covenant if the project manager of the Department of Transportation responsible for the Cherry Avenue Bridge project had actual knowledge of such breach or such breach was otherwise disclosed in writing to the City and the City nonetheless elected to proceed with the Closing notwithstanding such breach.

C. **Waiver and Estoppel.** Any delay by either party in instituting or prosecuting any actions or proceedings or otherwise asserting its rights shall not operate as a waiver of such rights or operate to deprive said party of or limit such rights in any way. No waiver made by either party with respect to any specific default by the other party shall be construed, considered or treated as a waiver of the rights of said party with respect to any other defaults of the other party.

SECTION IX. CONFLICT OF INTEREST; CITY'S REPRESENTATIVES NOT INDIVIDUALLY LIABLE.

No agent, official or employee of the City shall have any personal interest, direct or indirect, in this Agreement; nor shall any such agent, official or employee participate in any decision relating to this Agreement which affects his/her personal interest or the interest of any corporation, partnership or association in which he/she is directly or indirectly interested. No agent, official or employee of the City shall be personally liable to Railroad or any successor in interest in the event of any default or breach by the City.

SECTION X. PROVISIONS NOT MERGED WITH DEED.

The provisions of this Agreement shall not be merged with the Deed, and the Deed shall not be deemed to affect or impair the provisions of this Agreement.

SECTION XI. HEADINGS.

The headings of the various sections of this Agreement have been inserted for convenient reference only and shall not in any manner be construed as modifying, amending or affecting in any way the express terms and provisions thereof.

SECTION XII GOVERNING LAW.

This Agreement shall be governed by and construed in accordance with the laws of the State of Illinois.

SECTION XIII ENTIRE AGREEMENT.

This Agreement (and the Exhibits attached hereto, including specifically, but without limitation, the Easement Agreement) constitutes the entire agreement between the parties and supersedes and replaces any prior agreements between the parties with respect to the subject matter hereof. This Agreement shall not be modified or amended in any manner other than by supplemental written agreement executed by the parties.

SECTION XIV. SEVERABILITY.

If any provision of this Agreement, or any paragraph, sentence, clause, phrase or word, or the application thereof, is held invalid, the remainder of this Agreement shall be construed as if such invalid part were never included herein and this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

SECTION XVI. COUNTERPARTS.

This Agreement may be executed in counterparts, each of which shall constitute an original instrument.

SECTION XVII. AMENDMENTS.

This Agreement may only be amended by the parties in writing. Such amendment shall become effective upon its execution by the parties. The Commissioner of CDOT shall have discretion to amend this Agreement, except for amendments that would increase the cash purchase price, which amendments shall require the consent of City Council

SECTION XVIII. SUCCESSORS AND ASSIGNS.

The terms of this Agreement shall be binding upon the City and Railroad, and their respective legal representatives, successors and assigns. Notwithstanding the foregoing, prior to the Closing, neither party may assign its rights hereunder without the prior written consent of the other party.

SECTION XIX. RAILROAD IMPROVEMENT WORK.

The City covenants that promptly after the Closing Date, it shall perform the improvement work described below (the "**Railroad Improvement Work**").

A. The City, at its sole expense, shall supply or cause to be supplied in accordance with a scope of work determined by the City, drawings and all other engineering, inspection, work, supplies, materials, labor, and equipment required to perform and complete certain improvements to the existing Railroad Improvements.

B. The City shall provide Railroad with ten (10) calendar days prior written notice of the commencement of the Railroad Improvements Work. Upon receipt of such notice, and at all times thereafter (and in no event, less than 24 hours prior to an occurrence), Railroad shall advise the City of the dates and times at which any rail traffic shall cross the Cherry Avenue Bridge so that the City may take all necessary precautions to coordinate such ongoing work with such traffic and to avoid injury to persons or property.

C. The Railroad acknowledges and agrees that prior to its execution of this Agreement, the City has prepared, and the Railroad has reviewed and approved, drawings for the Railroad Improvements Work.

D. Except as required by law or court order, the Railroad shall maintain the confidentiality of and shall not disclose any of the City's drawings. Railroad will limit the number of employees, appointed officials and consultants that will have access to any of the City's drawings to those individuals that require access to the drawings in order to perform their responsibilities in connection with the Project.

E. After the contract (the "Project Contract") between the City and the City's construction contractor (the "City's Contractor") for the Railroad Improvement Work has been awarded and prior to the commencement of any work, a pre-construction meeting shall be held between the representatives of the City, Railroad, and the City's Contractor, at a time and place designated by the City's representative, for the purpose of coordinating the work to be performed by the parties, and at which time a schedule for the performance of such work shall be agreed to and adopted by the authorized representatives of the City and Railroad. If the City requests in writing that the Railroad perform a portion of the Railroad Improvement Work, the City shall reimburse the Railroad for any costs or expenses, including direct labor costs, which the Railroad may incur in performing such requested work.

F. All City-issued change orders relating to the Project Contract will be deemed incorporated into this Agreement by reference. No consent from the Railroad shall be required for such change orders unless they materially and change the scope of the Railroad Improvement Work in a manner that would adversely affect the Railroad's operation.

G. The City shall be responsible for the payment of the City Work. The source of funds for payment of the City Work is anticipated to be available tax incremental revenues but may include any other legally available funds as may be identified by the City. As of the Effective Date, at least $1,200,000 is available for payments under this Agreement. The City hereby indemnifies and holds harmless Railroad, its parents and affiliates from and against any and all loss, cost, liability and expense any of them may suffer as a result of the City failing to fully pay for the Railroad Improvement Work or should the Railroad Improvement Work fail to conform to the requirements detailed in this Agreement or the Contract Plans for Cherry Avenue Bridge Over North Branch Canal Superstructure Rehabilitation dated March 2008 and prepared by CTE and CDOT. The City covenants to substantially complete the Railroad Improvement Work within twelve (12) months of the date of this Agreement.

Notwithstanding anything to the contrary in this Section XIX, the City shall not make any changes or improvements to the Property which will have a material adverse effect on Railroad's operation and safety of the Property.

SECTION XX. NO JOINT VENTURE.

This Agreement is not intended to, and shall not be construed to, create or give rise to (a) any rights or obligations except as expressly stated herein, (b) any joint venture, partnership, corporate, employment, agency, construction manager, general contractor, subcontractor, or other relationship of any sort between the City and Railroad and/or any other person(s), and/or any third-party beneficiary rights of any nature whatsoever.

SECTION XXI. OTHER ACTS.

The parties agree to perform such other acts, and to execute, acknowledge and deliver such other instruments, documents and materials as may be reasonably to consummate the transaction contemplated in this Agreement.

SECTION XXII. REQUIRED CITY PROVISIONS.

The Railroad also agrees to be bound by the required City provisions set forth in Exhibit D attached hereto.

SECTION XXIII. RECIPROCAL INDEMNIFICATIONS.

A. Indemnification Provisions For Benefit Of The Railroad.

As additional consideration for the Railroad selling the Property to the City, the City hereby indemnifies and holds harmless Railroad, its parents, affiliates, and their owners, shareholders, members, managers, directors, officers, employees, attorneys, agents, representatives and advisors (the "**Railroad Indemnitees**") from and against any and all costs, expenses, losses, taxes, penalties, damages, claims, actions or other liabilities (including, but not limited to, reasonable attorney's fees and court costs) (collectively, "**Railroad Damages**") suffered or incurred by any of the Railroad Indemnitees in any way relating to, arising from or by reason of (a) loss or damage to any personal property of pedestrians, bicyclists or other non-vehicular users of the Railroad Improvements, or (b) death or injury to any such persons occurring on the Property, *unless*, in the case of either (a) or (b), such loss, damage, death or injury is caused by the Railroad's Gross Negligence (as defined below) or willful misconduct.

B. Indemnification Provisions For Benefit of The City.

The Railroad hereby indemnifies and holds harmless the City and its elected officials, employees, attorneys, agents, representatives and advisors (the "**City Indemnitees**") from and against any and all costs, expenses, losses, taxes, penalties, damages, claims, actions or other liabilities (including, but not limited to, reasonable attorney's fees and court costs) (collectively, "**City Damages**") suffered or incurred by any of the City Indemnitees in any way relating to, arising from or by reason of (a) loss or damage to any personal property of pedestrians, bicyclists or other non-vehicular users or to the Railroad Improvements, or (b) death or injury to any such

persons, occurring on the Property, *if*, in the case of either (a) or (b), such City Damages are caused by the Railroad's Gross Negligence or willful misconduct.

Each of the Railroad Indemnitees and City Indemnitees shall be deemed to be a third party beneficiary of this Agreement for the purposes of receiving the benefits of and enforcing this Section XXIII.

As used in this Agreement, "**Gross Negligence**" shall mean an act or omission that is evidence of recklessness or carelessness toward or a disregard for the safety or well being of any person or personal property located on the Property resulting in injury to such person or personal property; provided, however, in no event shall Gross Negligence include Railroad's normal railroad operations that are in compliance with applicable federal law and regulations.

C. **Matters Involving Third Parties.**

(1) If any third party shall notify either party (the "**Indemnified Party**") with respect to any matter (a "**Third Party Claim**") which may give rise to a claim for indemnification against any other party (the "**Indemnifying Party**") under this Section XXIII or under Section V(C), then the Indemnified Party shall promptly notify each Indemnifying Party thereof in writing; *provided, however*, that no delay on the part of the Indemnified Party in notifying any Indemnifying Party shall relieve the Indemnifying Party from any obligation hereunder unless (and then solely to the extent) the Indemnifying Party thereby is prejudiced.

(2) Any Indemnifying Party will have the right to defend the Indemnified Party against the Third Party Claim with counsel of its choice reasonably satisfactory to the Indemnified Party so long as (i) the Indemnifying Party notifies the Indemnified Party in writing within 15 days after the Indemnified Party has given notice of the Third Party Claim that the Indemnifying Party will indemnify the Indemnified Party from and against the entirety of any adverse consequences the Indemnified Party may suffer resulting from, arising out of, relating to, in the nature of, or caused by the Third Party Claim, (ii) the Indemnifying Party provides the Indemnified Party with evidence reasonably acceptable to the Indemnified Party that the Indemnifying Party will have the financial resources to defend against the Third Party Claim and fulfill its indemnification obligations hereunder, (iii) the Third Party Claim involves only money damages and does not seek an injunction or other equitable relief, (iv) settlement of, or an adverse judgment with respect to, the Third Party Claim is not, in the good faith judgment of the Indemnified Party, likely to establish a precedential custom or practice materially adverse to the continuing business interests of the Indemnified Party, and (v) the Indemnifying Party conducts the defense of the Third Party Claim actively and diligently.

(3) So long as the Indemnifying Party is conducting the defense of the Third Party Claim in accordance with Section XXIII(C)(2) above, (i) the Indemnified Party

may retain separate co-counsel at its sole cost and expense and participate in the defense of the Third Party Claim, (ii) the Indemnified Party will not consent to the entry of any judgment or enter into any settlement with respect to the Third Party Claim without the prior written consent of the Indemnifying Party (not to be withheld unreasonably), and (iii) the Indemnifying Party will not consent to the entry of any judgment or enter into any settlement with respect to the Third Party Claim without the prior written consent of the Indemnified Party (not to be withheld unreasonably).

(4) In the event any of the conditions in Section XXIII(C)(2) above is or becomes unsatisfied, however, (i) the Indemnified Party may defend against, and consent to the entry of any judgment or enter into any settlement with respect to, the Third Party Claim in any manner it reasonably may deem appropriate (and the Indemnified Party need not consult with, or obtain any consent from, any Indemnifying Party in connection therewith), (ii) the Indemnifying Parties will reimburse the Indemnified Party promptly and periodically for the costs of defending against the Third Party Claim (including reasonable attorneys' fees and expenses), and (iii) the Indemnifying Parties will remain responsible for any adverse consequences the Indemnified Party may suffer resulting from, arising out of, relating to, in the nature of, or caused by the Third Party Claim to the fullest extent provided in this Section XXIII.

IN WITNESS WHEREOF, the parties hereto have executed or caused this Agreement to be executed as of the date first above written.

(To Real Estate Sales Agreement With
Chicago Railroad Company)

Required City Provisions.

E-1 Business Relationships.

Tenant acknowledges (A) receipt of a copy of Section 2-156-030(b) of the Municipal Code of Chicago, (B) that it has read such provision and understands that pursuant to such Section 2-156-030(b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (C) notwithstanding anything to the contrary contained in this Agreement, that a violation of Section 2-156-030(b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. Tenant hereby represents and warrants that no violation of Section 2-156-030(b) has occurred with respect to this lease agreement or the transactions contemplated hereby.

E-2 Patriot Act Certification.

Tenant represents and warrants that neither Tenant nor any Affiliate thereof (as defined in the next paragraph) is listed on any of the following lists maintained by the Office of Foreign Assets Control of the United States Department of the Treasury, the Bureau of Industry and Security of the United States Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment, the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

As used in the above paragraph, an "Affiliate" shall be deemed to be a person or entity related to Tenant that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Tenant, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

E-3 Prohibition On Certain Contributions -- Mayoral Executive Order Number 05-1.

Tenant agrees that Tenant, any person or entity who directly or indirectly has an ownership or beneficial interest in Tenant of more than seven and five-tenths percent (7.5%) ("Owners"), spouses and domestic partners of such Owners, Tenant's contractors (i.e., any person or entity in direct contractual privity with Tenant regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than seven and five-tenths percent (7.5%) ("Subowners") and spouses and domestic partners of such Subowners (Tenant and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fund-raising committee (i) after execution of this Agreement by Tenant, (ii) while this Agreement or any Other Contract is executory, (iii) during the term of this Agreement or any Other Contract between Tenant and the City, or (iv) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

Tenant represents and warrants that from the date the City approached the Tenant or the date Tenant approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fund-raising committee.

Tenant agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fund-raising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fund-raising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fund-raising committee.

Tenant agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order Number 05-1 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order Number 05-1.

Tenant agrees that a violation of, noncompliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order Number 05-1 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this Agreement, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Tenant intentionally violates this provision or Mayoral Executive Order Number 05-1 prior to the closing of this Agreement, the City may elect to decline to close the transaction contemplated by this Agreement.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source which are then delivered by one person to the Mayor or to his political fund-raising committee.

"Other Contract" means any other agreement with the City of Chicago to which Tenant is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council of the City of Chicago.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

(A) they are each other's sole domestic partner, responsible for each other's common welfare; and

(B) neither party is married; and

(C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and

(D) each partner is at least eighteen (18) years of age, and the partners are the same sex, and the partners reside at the same residence; and

(E) two (2) of the following four (4) conditions exist for the partners:

1. The partners have been residing together for at least twelve (12) months.

2. The partners have common or joint ownership of a residence.

3. The partners have at least two (2) of the following arrangements:

   a. joint ownership of a motor vehicle;

   b. a joint credit account;

   c. a joint checking account;

   d. a lease for a residence identifying both domestic partners as tenants.

4. Each partner identifies the other partner as a primary beneficiary in a will.

"Political fund-raising committee" means a "political fund-raising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

E-4 Waste Ordinance Provisions.

In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Tenant warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this Agreement is executory, Tenant's, any general contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Chief Procurement Officer. Such breach and default entitles the City to all remedies under the Agreement, at law or in equity. This section does not limit Tenant's, general contractor's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Agreement. Noncompliance with these terms and conditions may be used by the City as grounds for the termination of this Agreement, and may further affect the Tenant's eligibility for future contract awards.

E-5 Cooperation With Office Of Compliance.

In accordance with Chapter 2-26-110, et seq., of the Municipal Code, the Tenant acknowledges that every officer, employee, department and agency of the City shall be obligated to cooperate with the Executive Director of the Office of Compliance in connection with any activities undertaken by such office with respect to this lease, including, without limitation, making available to the Executive Director the department's premises, equipment, personnel, books, records and papers. The Tenant agrees to abide by the provisions of Chapter 2-26-110, et seq.

Exhibit "D".

Recitals.

A. Railroad was previously the owner of that certain parcel of real estate and associated air rights described on (Sub)Exhibit A attached hereto and depicted on (Sub)Exhibit B attached hereto (together with all rights, interests, privileges and appurtenances thereto, the "Real Property").

B. The Real Property is improved with a steel bridge traversing the North Branch Canal of the north branch of the Chicago River that includes a single track rail line, certain walkways on both sides of the rail line and ancillary bridge infrastructure (such improvements, but expressly excluding the actual track, ties, ballast, and other track materials, signals and switches, if any, and excluding any rolling stock or communications equipment or facilities, if any, the "Railroad Improvements"). The Railroad Improvements, together with the Real Property, and excluding any tangible and intangible property related thereto and owned by Railroad, is sometimes referred to herein as the "Property".

C. The steel bridge, commonly known as the Cherry Avenue Bridge, connects Goose Island with the mainland at a point just south of West North Avenue, in Chicago, Illinois.

D. Pursuant to that certain Real Estate Sales Agreement between the City and the Railroad of even date herewith (the "Sales Agreement"), simultaneous with the execution, delivery and recording of this Easement Agreement, the City has purchased the Property from the Railroad for the purpose of making certain improvements to the bridge that will facilitate bicycle and pedestrian access over the bridge onto Goose Island so as to establish a new means of access for the general public to and from Goose Island and to the businesses and employers located there.

E. Under the Sales Agreement, as part of the consideration for such sale under the Sales Agreement, the City has agreed to grant the Railroad the easement rights set forth herein, subject to the terms hereof, for the express purpose of enabling the Seller to continue to conduct its rail operations.

Now, Therefore, In consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

Section 1.

Incorporation Of Recitals And Exhibits.

The recitals set forth above and the exhibits attached hereto constitute an integral part of this Easement Agreement and are incorporated herein by this reference as the agreements of the parties.

Section 2.

Grant Of Easement.

The City, as grantor, hereby grants the Railroad, as grantee, its successors and assigns, an irrevocable easement for the Railroad's continued use of the Property for the purpose of enabling the Railroad to provide rail service for itself and to any customers that the Railroad may hereafter serve (the "Railroad Customer(s)"). Such easement shall be over the existing rail line and any replacement line thereto, provided that any such replacement line shall be located in substantially the same location as the existing line. Nothing contained in this paragraph shall be deemed to prohibit the Railroad from assigning its rights herein or granting trackage rights on the Property to other users or customers.

Section 3.

Authority To Grant Easement.

The City represents and warrants that the execution of this Easement Agreement by the City and grant of the easement provided for hereunder have been authorized by an ordinance adopted by the City Council of the City of Chicago on May _____, 2008.

Section 4.

Authority To Accept Easement Grant.

Each of Railroad parties represents and warrants that it has full power and authority to accept the easement interest granted hereby and to perform the Railroad's obligations hereunder.

Section 5.

Maintenance Responsibilities.

In addition to performing the initial Railroad Improvements Work (as defined in the Sales Agreement), the City shall thereafter have the obligation to maintain, repair and replace, at the City's expense, the Railroad Improvements in a manner that enables the Railroad to operate in its normal and customary manner and in compliance with applicable federal

regulations. This preceding sentence shall not be construed to (a) obligate the City to maintain the actual track, ties, ballast, and other track materials, signals and switches, if any, or (b) apart from the required initial rehabilitation work, and subject to the City's maintenance, repair and replacement obligation, make other additional capital expenditures to enlarge, redesign, or upgrade the Railroad Improvements to satisfy any such federal requirements.

Section 6.

Reciprocal Indemnifications.

A. Indemnification Provisions For Benefit Of The Railroad.

As additional consideration for the Railroad selling the Property to the City, the City hereby indemnifies and holds harmless Railroad, its parents, affiliates, and their owners, shareholders, members, managers, directors, officers, employees, attorneys, agents, representatives and advisors (the "Railroad Indemnitees") from and against any and all costs, expenses, losses, taxes, penalties, damages, claims, actions or other liabilities (including, but not limited to, reasonable attorney's fees and court costs) (collectively, "Railroad Damages") suffered or incurred by any of the Railroad Indemnitees in any way relating to, arising from or by reason of (a) loss or damage to any personal property of pedestrians, bicyclists or other non-vehicular users of the Railroad Improvements, or (b) death or injury to any such persons occurring on the Property, unless, in the case of either (a) or (b), such loss, damage, death or injury is caused by the Railroad's Gross Negligence (as defined below) or willful misconduct.

B. Indemnification Provisions For Benefit Of The City.

The Railroad hereby indemnifies and holds harmless the City and its elected officials, employees, attorneys, agents, representatives and advisors (the "City Indemnitees") from and against any and all costs, expenses, losses, taxes, penalties, damages, claims, actions or other liabilities (including, but not limited to, reasonable attorney's fees and court costs) (collectively, "City Damages") suffered or incurred by any of the City Indemnitees in any way relating to, arising from or by reason of (a) loss or damage to any personal property of pedestrians, bicyclists or other non-vehicular users or to the Railroad Improvements, or (b) death or injury to any such persons, occurring on the Property, if, in the case of either (a) or (b), such City Damages are caused by the Railroad's Gross Negligence or willful misconduct.

Each of the Railroad Indemnitees and City Indemnitees shall be deemed to be a third party beneficiary of this Agreement for the purposes of receiving the benefits of and enforcing this Section 6.

As used in this Agreement, "Gross Negligence" shall mean an act or omission that is evidence of recklessness or carelessness toward or a disregard for the safety or well being

of any person or personal property located on the Property resulting in injury to such person or personal property; provided, however, in no event shall Gross Negligence include Railroad's normal railroad operations that are in compliance with applicable federal law and regulations.

C. Matters Involving Third Parties.

(1) If any third party shall notify either party (the "Indemnified Party") with respect to any matter (a "Third Party Claim") which may give rise to a claim for indemnification against any other party (the "Indemnifying Party") under this Section 6, then the Indemnified Party shall promptly notify each Indemnifying Party thereof in writing; provided, however, that no delay on the part of the Indemnified Party in notifying any Indemnifying Party shall relieve the Indemnifying Party from any obligation hereunder unless (and then solely to the extent) the Indemnifying Party thereby is prejudiced.

(2) Any Indemnifying Party will have the right to defend the Indemnified Party against the Third Party Claim with counsel of its choice reasonably satisfactory to the Indemnified Party so long as (i) the Indemnifying Party notifies the Indemnified Party in writing within fifteen (15) days after the Indemnified Party has given notice of the Third Party Claim that the Indemnifying Party will indemnify the Indemnified Party from and against the entirety of any adverse consequences the Indemnified Party may suffer resulting from, arising out of, relating to, in the nature of, or caused by the Third Party Claim, (ii) the Indemnifying Party provides the Indemnified Party with evidence reasonably acceptable to the Indemnified Party that the Indemnifying Party will have the financial resources to defend against the Third Party Claim and fulfill its indemnification obligations hereunder, (iii) the Third Party Claim involves only money damages and does not seek an injunction or other equitable relief, (iv) settlement of, or an adverse judgment with respect to, the Third Party Claim is not, in the good faith judgment of the Indemnified Party, likely to establish a precedential custom or practice materially adverse to the continuing business interests of the Indemnified Party, and (v) the Indemnifying Party conducts the defense of the Third Party Claim actively and diligently.

(3) So long as the Indemnifying Party is conducting the defense of the Third Party Claim in accordance with Section 6(C)(2) above, (i) the Indemnified Party may retain separate co-counsel at its sole cost and expense and participate in the defense of the Third Party Claim, (ii) the Indemnified Party will not consent to the entry of any judgment or enter into any settlement with respect to the Third Party Claim without the prior written consent of the Indemnifying Party (not to be withheld unreasonably), and (iii) the Indemnifying Party will not consent to the entry of any judgment or enter into any settlement with respect to the Third Party Claim without the prior written consent of the Indemnified Party (not to be withheld unreasonably).

(4) In the event any of the conditions in Section 6(C)(2) above is or becomes unsatisfied, however, (i) the Indemnified Party may defend against, and consent to the entry of any judgment or enter into any settlement with respect to, the Third Party Claim in any manner it reasonably may deem appropriate (and the Indemnified Party need not consult with, or obtain any consent from, any Indemnifying Party in connection therewith), (ii) the

Indemnifying Parties will reimburse the Indemnified Party promptly and periodically for the costs of defending against the Third Party Claim (including reasonable attorneys' fees and expenses), and (iii) the Indemnifying Parties will remain responsible for any adverse consequences the Indemnified Party may suffer resulting from, arising out of, relating to, in the nature of, or caused by the Third Party Claim to the fullest extent provided in this Section 6.

WHEREAS, The City of Chicago ("City") is a home rule unit of government by virtue of the provisions of the Constitution of the State of Illinois of 1970 and, as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, Pursuant to an ordinance adopted by the City Council of the City of Chicago ("City Council") on June 10, 1998 and published at pages 70203 and 70210 -- 70340 of the *Journal of the Proceedings of the City Council of the City of Chicago* ("*Journal*") of such date, a certain redevelopment plan and project (as amended, the "Plan") for the Stony Island Commercial and Burnside Industrial Corridors Tax Increment Financing Redevelopment Project Area (the "Area") was approved pursuant to the Illinois Tax Increment Allocation Redevelopment Act, as amended (65 ILCS 5/11-74.4-1, et seq.) ("Act"); and

WHEREAS, Pursuant to an ordinance adopted by the City Council on June 10, 1998 and published at pages 70341 -- 70353 of the *Journal* of such date, the industrial district portion of the Area was designated as a "blighted area" redevelopment project area pursuant to the Act, and the commercial district portion of the Area was designated as a "conservation area" redevelopment project area pursuant to the Act; and

WHEREAS, Pursuant to an ordinance adopted by the City Council on June 10, 1998 and published at pages 70354 -- 70366 of the *Journal* of such date, tax increment allocation financing was adopted pursuant to the Act as a means of financing certain Area redevelopment project costs (as defined in the Act) incurred pursuant to the Plan; and

WHEREAS, The City Council further finds that prior to April 15, 2006, the Plan included an estimated Twenty-two Million Dollars ($22,000,000) in property assembly costs as a budget line item in Exhibit I to the Plan, and also described property assembly as a part of the redevelopment project for the Area, including in Section IV.B.3, Section IV.E.1 and Section IV.F.2; and

WHEREAS, The City Council further finds that the Acquisition Parcels were included in the Area prior to April 15, 2006, that there has been no extension in the completion date of the Plan and that the Acquisition Parcels are not located in an industrial park conservation area; now, therefore,

If the Corporation Counsel and the owner(s) are able to agree on the terms of the purchase, the Corporation Counsel is authorized to purchase an Acquisition Parcel on behalf of the City for the agreed price. If the Corporation Counsel is unable to agree with the owner(s) of an Acquisition Parcel on the terms of the purchase, or if the owner(s) is or are incapable of entering into such a transaction with the City, or if the owner(s) cannot be located, then the Corporation Counsel is authorized to institute and prosecute condemnation proceedings on behalf of the City for the purpose of acquiring fee simple title to the Acquisition Parcel(s) under the City's power of eminent domain. As used in the above paragraph, an "Affiliate" shall be deemed to be a person or entity related to Tenant that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Tenant, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

fund-raising committee (i) after execution of this agreement by Tenant, (ii) while this agreement or any Other Contract is executory, (iii) during the term of this agreement or any Other Contract between Tenant and the City, or (iv) during any period while an extension of this agreement or any Other Contract is being sought or negotiated.

Tenant represents and warrants that from the date the City approached the Tenant or the date Tenant approached the City, as applicable, regarding the formulation of this agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fund-raising committee.

Tenant agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fund-raising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fund-raising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fund-raising committee.

Tenant agrees that a violation of, noncompliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order Number 05-1 constitutes a breach and default under this agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this agreement, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Tenant intentionally violates this provision or Mayoral Executive Order Number 05-1 prior to the closing of this agreement, the City may elect to decline to close the transaction contemplated by this agreement.

In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Tenant warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this

agreement is executory, Tenant's, any general contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this agreement, constitutes a breach of and an event of default under this agreement, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Chief Procurement Officer. Such breach and default entitles the City to all remedies under the agreement, at law or in equity. This section does not limit Tenant's, general contractor's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Agreement. Noncompliance with these terms and conditions may be used by the City as grounds for the termination of this agreement, and may further affect the Tenant's eligibility for future contract awards.

12.5 Cooperation With Office Of Compliance.

In accordance with Chapter 2-26-110, et seq. of the Municipal Code, the Tenant acknowledges that every officer, employee, department and agency of the City shall be obligated to cooperate with the Executive Director of the Office of Compliance in connection with any activities undertaken by such office with respect to this lease, including, without limitation, making available to the Executive Director the department's premises, equipment, personnel, books, records and papers. The Tenant agrees to abide by the provisions of Chapter 2-26-110, et seq.

Landlord agrees that Landlord, any person or entity who directly or indirectly has an ownership or beneficial interest in Landlord of more than seven and five-tenths percent (7.5%) ("Owners"), spouses and domestic partners of such Owners, Landlord's contractors (i.e., any person or entity in direct contractual privity with Landlord regarding the subject matter of this agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than seven and five-tenths percent (7.5%) ("Subowners") and spouses and domestic partners of such Subowners (Landlord and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fund-raising committee (i) after execution of this agreement by Landlord, (ii) while this agreement or any Other Contract is executory, (iii) during the term of this agreement or any Other Contract between Landlord and the City, or (iv) during any period while an extension of this agreement or any Other Contract is being sought or negotiated.

Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this Agreement, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Landlord intentionally violates this provision or Mayoral Executive Order Number 05-1 prior to the closing of this agreement, the City may elect to decline to close the transaction contemplated by this agreement. For purposes of this provision:

"Bundle" means to collect contributions from more than one source which are then delivered by one person to the Mayor or to his political fund-raising committee.

"Other Contract" means any other agreement with the City of Chicago to which Landlord is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council of the City of Chicago.

12.4 Waste Ordinance Provisions.

In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Landlord warrants and represents that they, and to the best of their knowledge, their contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this agreement is executory, Landlord, any general contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this agreement, constitutes a breach of and an event of default under this agreement, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Chief Procurement Officer. Such breach and default entitles the City to all remedies under the agreement, at law or in equity. This section does not limit Landlord, general contractor's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this agreement. Noncompliance with these terms and conditions may be used by the City as grounds for the termination of this agreement, and may further affect Landlord eligibility for future contract awards.

12.5 Cooperation With Office Of Compliance.

In accordance with Chapter 2-26-110, et seq. of the Municipal Code, the Landlord acknowledges that every officer, employee, department and agency of the City shall be obligated to cooperate with the Executive Director of the Office of Compliance in connection with any activities undertaken by such office with respect to this lease, including, without limitation, making available to the Executive Director the department's premises, equipment, personnel, books, records and papers. The Landlord agrees to abide by the provisions of Chapter 2-26-110, et seq.

In Witness Whereof, The parties have executed this Lease as of the day and year first above written.

Landlord hereby represents and warrants that no violation of Section 2-156-030(b) has occurred with respect to this lease agreement or the transactions contemplated hereby.

12.2 Patriot Act Certification.

Landlord represents and warrants that neither Landlord nor any Affiliate thereof (as defined in the next paragraph) is listed on any of the following lists maintained by the Office of Foreign Assets Control of the United States Department of the Treasury, the Bureau of Industry and Security of the United States Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

As used in the above paragraph, an "Affiliate" shall be deemed to be a person or entity related to Landlord that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Landlord, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

12.3 Prohibition On Certain Contributions -- Mayoral Executive Order Number 05-1.

Landlord agrees that Landlord, any person or entity that directly or indirectly has an ownership or beneficial interest in Landlord of more than seven and five-tenths percent (7.5%) ("Owners"), spouses and domestic partners of such Owners, Landlord's contractors (i.e., any person or entity in direct contractual privity with Landlord regarding the subject matter of this agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than seven and five-tenths percent (7.5%) ("Subowners") and spouses and domestic partners of such Subowners (Landlord and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fund-raising committee (i) after execution of this agreement by Landlord, (ii) while this agreement or any Other Contract is executory, (iii) during the term of this agreement or any Other Contract between Landlord and the City, or (iv) during any period while an extension of this agreement or any Other Contract is being sought or negotiated.

Landlord represents and warrants that from the date the City approached the Landlord or the date Landlord approached the City, as applicable, regarding the formulation of this agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fund-raising committee.

Landlord agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fund-raising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fund-raising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fund-raising committee.

Landlord agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order Number 05-1 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order Number 05-1.

Landlord agrees that a violation of, noncompliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order Number 05-1 constitutes a breach and default under this agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the

City to all remedies (including, without limitation, termination for default) under this agreement, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Landlord intentionally violates this provision or Mayoral Executive Order Number 05-1 prior to the closing of this agreement, the City may elect to decline to close the transaction contemplated by this agreement.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source which are then delivered by one person to the Mayor or to his political fund-raising committee.

"Other Contract" means any other agreement with the City of Chicago to which Landlord is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council of the City of Chicago.

"Contribution" means a "political contribution" as defined In Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

(A) they are each other's sole domestic partner, responsible for each other's common welfare; and

(B) neither party is married; and

(C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and

(D) each partner is at least eighteen (18) years of age, and the partners are the same sex, and the partners reside at the same residence; and

(E) two (2) of the following four (4) conditions exist for the partners:

1. The partners have been residing together for at least twelve (12) months.

2. The partners have common or joint ownership of a residence.

3. The partners have at least two (2) of the following arrangements:

d. a lease for a residence identifying both domestic partners as tenants.

4. Each partner identifies the other partner as a primary beneficiary in a will.

"Political fund-raising committee" means a "political fund-raising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

12.4 Waste Ordinance Provisions.

In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Landlord warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this agreement is executory, Landlord's, any general contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this agreement, constitutes a breach of and an event of default under this agreement, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Chief Procurement Officer. Such breach and default entitles the City to all remedies under the agreement, at law or in equity. This section does not limit Landlord's, general contractor's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this agreement. Noncompliance with these terms and conditions may be used by the City as grounds for the termination of this agreement, and may further affect the Landlord's eligibility for future contract awards.

12.5 Cooperation With Office Of Compliance.

In accordance with Chapter 2-26-110, et seq. of the Municipal Code, the Landlord acknowledges that every officer, employee, department and agency of the City shall be obligated to cooperate with the Executive Director of the Office of Compliance in connection with any activities undertaken by such office with respect to this lease, including, without limitation, making available to the Executive Director the department's premises, equipment, personnel, books, records and papers. The Landlord agrees to abide by the provisions of Chapter 2-26-110, et seq.

Seller agrees that Seller, any person or entity who directly or indirectly has an ownership or beneficial interest in Seller of more than seven and five-tenths percent (7.5%) ("Owners"), spouses and domestic partners of such Owners, Seller's contractors (i.e., any person or entity in direct contractual privity with Seller regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than seven and five-tenths percent (7.5%) ("Subowners") and spouses and domestic partners of such Subowners (Seller and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fund-raising committee (i) after execution of this Agreement by Seller, (ii) while this Agreement or any Other Contract is executory, (iii) during the term of this Agreement or any Other Contract between Seller and the City, or (iv) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

Seller represents and warrants that from the later of (i) February 10, 2005, or (ii) the date the City approached the Seller or the date the Seller approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fund-raising committee.

Seller agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order Number 05-1 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order Number 05-1.

Seller agrees that a violation of, noncompliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order Number 05-1 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Seller intentionally violates this provision or Mayoral Executive Order Number 05-1 prior to the closing of the transaction contemplated by this Agreement, the City may elect to decline to close.

For purposes of this provision:

"Bundle" means to collect contributions from more than one (1) source which are then delivered by one (1) person to the Mayor or to his political fund-raising committee.

"Other Contract" means any other agreement with the City of Chicago to which Seller is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council of the City of Chicago.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code, as amended.

Individuals are "domestic partners" if they satisfy the following:(A)they are each other's sole domestic partner, responsible for each other's common welfare; and

(B) neither party is married; and

(C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and

(D) each partner is at least eighteen (18) years of age, and the partners are the same sex, and the partners reside at the same residence; and

(E) two (2) of the following four (4) conditions exist for the partners:

1. The partners have been residing together for at least twelve (12) months.
2. The partners have common or joint ownership of a residence.
3. The partners have at least two (2) of the following arrangements:
    a. joint ownership of a motor vehicle;
    b. a joint credit account;
    c. a joint checking account;
    d. a lease for a residence identifying both domestic partners as tenants.
4. Each partner identifies the other partner as a primary beneficiary in a will.

"Political fund-raising committee" means a "political fund-raising committee" as defined in Chapter 2-156 of the Municipal Code, as amended.

Section 23.

Cooperation With Office Of Compliance.

In accordance with Chapter 2-26-110, et seq. of the Municipal Code, Seller acknowledges that every officer, employee, department and agency of the City shall be obligated to cooperate with the Executive Director of the Office of Compliance in connection with any activities undertaken by such office with respect to this Agreement, including, without limitation, making available to the Executive Director the department's premises, equipment, personnel, books, records and papers. Seller agrees to abide by the provisions of Chapter 2-26-110, et seq.

Section 24.

Business Relationships.

Seller acknowledges (a) receipt of a copy of Section 2-156-030(b) of the Municipal Code, (b) that it has read such provision and understands that pursuant to such

Section 2-156-030(b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (c) notwithstanding anything to the contrary contained in this Agreement, that a violation of Section 2-156-030(b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. Seller hereby represents and warrants that no violation of Section 2-145-030(b) has occurred with respect to this Agreement or the transactions contemplated hereby.

Section 25.

Waste Ordinance Provisions.

In accordance with Section 11-4-1600(e) of the Municipal Code, Seller represents and warrants that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this Agreement is executory, Seller's, any general contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Chief Procurement Officer. Such breach and default entitles the City to all remedies under this Agreement, at law or in equity. This Section 25 does not limit Seller's, any general contractor's and any subcontractor's duty to comply with all applicable laws, in effect now or later, and whether or not they appear in this Agreement. Noncompliance with the terms and conditions of this Section 25 may be used by the City as grounds for the termination of this Agreement, and may further affect Seller's eligibility for future contract awards.

In Witness Whereof, The parties hereto have executed or caused this Agreement to be executed as of the date first above written.

The Developer has provided the City with a current ALTA survey of the Park Parcel.

C. Construction Documents And Landscape Plan.

Developer has developed the construction documents and a landscape plan for the Park listed on (Sub)Exhibit D (the "Drawings"), which have been approved by D.P.D. and which

exemplify the principles of Green Urban Design. No material deviation from the Drawings shall be made without the prior written approval of D.P.D.. The Drawings shall conform with the terms of this Agreement and applicable federal, state and local laws, ordinances and regulations, including, without limitation, the Zoning Ordinance and the Landscape Ordinance of the Municipal Code of Chicago and any ordinances pertaining to dog-friendly areas or dog parks. In addition, the Drawings shall comply with any and all federal, state and local laws, rules and regulations with regard to accessibility standards for the physically disabled, including, without limitation, the Fair Housing Act, 42 U.S.C. 3601, et seq. (1990), the Americans with Disabilities Act of 1990, 42 U.S.C. 12101, et seq. (1990) and 47 U.S.C. 152,221,225 and 611 (1990), the Illinois Environmental Barriers Act, 410 ILCS 25/1, et seq. (1992), and the Illinois Accessibility Code, 71 Ill.Admin.Code ch. 1, subch. B, sec. 400.100, et seq. (1988).

D. Development Budget For The Park.

Developer has prepared the budget describing on a line item basis the various hard and soft construction costs relating to the development of the Park set forth on (Sub)Exhibit E (the "Budget") which has been approved by D.P.D.. Any cost decreases or increases in excess of five percent (5%) of the aggregate budget amount must be approved by D.P.D.

E. Schedule.

Developer has prepared the preliminary schedule for the development and construction of the Park set forth in (Sub)Exhibit F ("Schedule"), which has been approved by D.P.D.. No material deviation from the Schedule shall be made without the prior approval of D.P.D., subject to the permitted delay provisions of Section 10. B of this Agreement.

F. City Funds.

The City agrees to make available to Developer the OSI Fees Contribution Amount, as set forth in the Budget attached as (Sub)Exhibit E (or such lesser amount as may be applicable if the Park project comes in under budget) for costs of the development and construction of the Park. Such contribution shall be made as described in Section 3.H and Section 6 of this Agreement. Any costs exceeding the Budget amount, unless attributable to a modification to the Drawings or a change order requested by the City as approved by D.P.D., shall be paid for by Developer. D.P.D. reserves the right to require modifications to the Drawings and the Budget due to the City's adoption of revised storm water requirements or similar matters, provided that the City gives prompt notice of such modifications prior to the Developer's construction of the Park improvements and bears the cost of any increased costs arising from such modifications. The City agrees that the OSI Fees Contribution Amount shall be funded from open space impact fees collected pursuant to Chapter 16-18 of the Municipal Code of the City (which may be fees attributable to the Trio project and paid by the Developer, or other such fees) or other legally available funds of the City.

G. Selection Of General Contractor; Bonding Requirements.

D.P.D. has previously approved Developer's retention of ALKO Construction and Development as the general contractor ("General Contractor") for the development and construction of the Park. The General Contractor shall be bonded for its performance and payment by sureties having an AA rating or better using American Institute of Architect's Form Number 311 or its equivalent. The City shall be named as an obligee or co-obligee on such bond. In addition, prior to the commencement of the work relating to the development of the Park, the General Contractor and any subcontractor shall comply with the licensing, letter of credit, insurance and bonding and other requirements applicable under the Municipal Code of Chicago and applicable state law, including those applicable to the performance of work on public property and the construction of public improvements. In addition, Developer or the General Contractor shall be obligated to provide the insurance coverage as described on (Sub)Exhibit G attached hereto.

H. Disbursement Of City Funds.

Upon completion of fifty percent (50%) of the Park improvements, as certified to the City by the Developer's architect, and as evidenced by appropriate owner and general contractor sworn statements and partial waivers or releases from liens provided to and approved by D.P.D., the City shall disburse one-half of the OSI Fees Contribution Amount to the Developer. Upon substantial completion of the Park (as evidenced by the issuance of the Certificate as described in Section 6), the Developer and General Contractor shall provide the City with appropriate owner and general contractor sworn statements, a general waiver of lien from the general contractor and Developer and partial waivers or releases of lien from subcontractors, if available. Upon the final completion of the Park, Developer shall deliver to the City a sworn statement from Developer and the general contractor, a general waiver of lien from Developer and the general contractor, and final waivers or releases of lien from each and every subcontractor undertaking work relating to the Park. In addition, Developer shall deliver to the City copies of any manufacturer's or other warranties provided by material suppliers or from subcontractors, with the originals of such materials being delivered to the Condominium Association.

I. Permits.

Developer shall apply for and maintain any and all governmental permits and approvals relating to the development and construction of the Park, including, but not limited to, building permits, street and sidewalk closure permits, driveway permits and infrastructure permits.

Section 4.

Limited Applicability.

The approval of the Drawings by the D.P.D. are for the purposes of this Agreement only and do not constitute the approval required by the City's Department of Buildings, or any

other City department; nor does the approval by the D.P.D. pursuant to this Agreement constitute an approval of the quality, structural soundness or the safety of the Park. The approval given by the D.P.D. shall be only for the benefit of Developer.

Section 5.

Commencement And Completion Of The Park.

Subject to permitted delays as described in Section 10, Developer shall commence constructing the Park within sixty (60) days of the start date set forth in the Schedule. Developer shall thereafter diligently proceed with such work and shall complete the Park within six (6) months of such start date, subject to such permitted delays, or upon such later date as D.P.D. may consent to, in its sole discretion.

Section 6.

Certificate Of Completion.

Upon completion of construction of the Park in accordance with the Drawings, the City, upon written request by Developer, shall furnish Developer with a certificate of completion ("Certificate") evidencing that Developer has satisfactorily completed the Park. The Certificate shall not constitute evidence that Developer has complied with any applicable provisions of federal, state and local laws, ordinances and regulations with regard to the completion of the Park, nor shall it serve as any "guaranty" of the structural soundness or quality of the construction of any improvements in the Park.. Upon issuance of the Certificate, the City shall disburse the remaining one-half of the OSI Fees Contribution Amount to the Developer.

Upon written request by Developer for the Certificate, D.P.D. shall promptly undertake an inspection of the Park and thereafter provide Developer either with the Certificate or a written statement indicating what measures or acts will be necessary, in the reasonable opinion of the City, for Developer to perform in order to obtain the Certificate. Developer shall promptly, but in all events within sixty (60) days, correct any such nonconformity or default, subject to permitted delays or such additional cure period as D.P.D. may consent to, in its sole discretion. Upon compliance with the City's requirements, Developer shall resubmit a written request for a Certificate from the City.

Section 7.

Continuing Obligations Of Developer.

After the issuance of the Certificate by the City, Developer shall comply with the covenants set forth in this Section 7, and the other provisions of this Agreement applicable to the

continuing maintenance and use of the Park, all of which shall run with the Developer Parcel as obligations appurtenant to the Developer Parcel and shall be binding upon the Developer and any successor in title to the Developer Parcel, or any portion thereof, including, without limitation, the Condominium Association. At the time Developer assigns it interest under this Agreement to such Condominium Association (which assignment shall not occur prior to the initial election of an independent board of managers), the Developer shall thereafter no longer have any obligation under this Section 7. Additionally, the Developer's (and any Condominium Association(s)') obligations are also subject to termination as described under Section 25 of this Agreement.

A. Maintenance Of The Park.

(1) Ongoing Maintenance Of The Park. Developer, at its sole cost and expense, shall: (a) maintain, repair and, if required, replace the trees, plants, and vegetation (including annual flower beds), the brick pavers, sidewalks, paving Park fixtures, fencing, furnishings, improvements and the sprinkler systems (including draining the sprinkler lines when and as appropriate) and other Park Improvements; (b) provide light bulb replacement for all light fixtures located at the Park; (c) provide trash pickup and disposal services; and (d) remove snow and arrange for the removal of leaves, litter, debris and other waste materials.

(2) Required Terms For Condominium Declaration. The declaration of condominium for the Trio condominium project shall include, among other things, (a) a disclosure of the Condominium Association's assumption of the Developer's obligations under this Agreement upon the Developer's turnover of control of the Condominium Association to an independently elected board of managers, (b) provision for general or special assessments to be made from time to time levied against and paid by the unit owners in the Condominium Association to pay for amounts due under this Agreement which, if not paid, shall give use to a lien against the defaulting unit owner's unit, which lien may be enforced by the City, and (c) such other provisions as the City may reasonably necessary or appropriate to assure that the Condominium Association has the funds and ability to perform the obligations of the Developer under this Agreement, that unit owners are obligated to pay their applicable share of general or special assessments, and that the City is an intended third party beneficiary of such provisions and may enforce such obligations.

(3) Establishment Of Maintenance Reserve. From time to time, as necessary, the Developer (and any successor condominium association) shall fund a maintenance reserve to secure the performance of the Developer's obligations under this Agreement (together with any interest earned thereon, the "Maintenance Reserve"). Such account shall be named or otherwise identified as the "Park Maintenance Reserve Trust Account" or words of similar effect to identify the custodial nature of such account, but shall be under the Developer's (and any successor condominium association's) control. No other funds shall be deposited into such account, nor shall any funds be withdrawn from such account except to pay for costs incurred pursuant to this Agreement. The City shall have the right

from time to time to request account statements reflecting the current balance of such trust account. This Agreement shall be recorded as an encumbrance against the Developer Parcel to secure (a) the establishment of the Maintenance Reserve, (b) the replenishment of such Maintenance Reserve from time to time, and (c) performance of the other obligations of the Developer under this Agreement, which, if not performed, and if performed by the City, shall give rise to a lien against the Developer Parcel, which lien may be enforced by the City and shall be in the amount of the cost of curing such default.

B. Use Of The Park.

(1) Generally.

The Park shall be utilized as open space for use by the public for and on behalf of the City. Developer shall not restrict access to the Park by the public during the hours of operation of the Park and furthermore, shall not discriminate based upon race, color, religion, sex, national origin or ancestry, military status, sexual orientation, source of income, age, or handicap, in the use of the Park by the public. In order that the Park may be so utilized by the public, Developer and the Condominium Association agree to undertake the following activities: (a) to lock the gate to the Park at dusk and unlock the gate at dawn for each day; (b) to otherwise undertake the maintenance of the Park in accordance with the terms and provisions of this Section 7; and (c) to adhere to the standards and maintenance requirements for dog-friendly areas, set forth by the Chicago Park District and/or the City of Chicago. Developer and the Condominium Association understand that it shall not store any toxic or hazardous materials on the Park Property. Other than set forth in the Drawings, no structures or improvements are to be constructed on the Park Property by Developer or the Condominium Association without the prior written approval of the City.

(2) No Rights Of Use For Private Purposes Conferred. This Agreement does not confer any special rights upon Developer, any owner of the Developer Parcel, the Condominium Association, or any resident of Trio Condominium project, or any other person or entity to use the Park for private parties or events. The use of alcohol on the Park Property by any person or entity is strictly prohibited.

(3) Notice To The City. Developer agrees to notify the City in writing of any injury to persons or property relating to the Park or the Park Property within seven (7) days of the date that the Developer becomes aware of such injury, and in the instance of an emergency, to notify the City immediately by telephone and facsimile notice by contacting Mr. Chester Mack, Department of Planning and Development, City of Chicago, Room 1000, City Hall, Chicago, Illinois 60602 (Telephone: Omitted for printing purposes; Fax: Omitted for printing purposes), or such other person as the City shall designate to Developer in writing. Furthermore, Developer agrees to notify the City immediately in the method described in this paragraph in the event that it learns that the Park is being utilized by any of the public in violation

of the open space requirement for the Park, including, without limitation, (a) any unauthorized events occurring at the Park, including, without limitation, private parties; or (b) the occurrence of any illegal activity at the Park. Notwithstanding anything to the contrary contained in this paragraph, Neither Developer nor any successor shall be responsible for "policing" or providing any private security for the use of the Park. Failure to notify the City (as provided for herein) shall not give rise to a claim for damages by the City against Developer.

(4) Injury To Persons And Property; Insurance And Indemnity. The City acknowledges to Developer that it is self-insured and provides an indemnity to Developer as described below. Developer, however, agrees that it at all times maintain and provide evidence that the general liability insurance it maintains, or which the Condominium Association maintains, with respect to the Developer Parcel and the Trio Condominium shall be extended to cover Developer's or the Condominium Association's negligent use or misuse of the Park Property. The City shall be named as an additional insured on said general liability insurance. Furthermore, Developer agrees to indemnify, defend and hold the City harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, attorneys' fees and court costs) ("Indemnified Claims") suffered or incurred by the City (excepting that such Indemnified Claims shall not apply to claims caused by the negligence of the City or arising from any pre-existing environmental contamination of the Park Property, subject to the Developer's obligation to lawfully remove and dispose of any contaminated soils in the course of constructing the Park Improvements) arising from or in connection with Developer negligence in: (a) developing the Park, including, without limitation, the failure of Developer or any contractor to pay contractors, subcontractors or material suppliers in connection with the construction of the Park; or (b) the failure of Developer to perform its obligations under this Agreement to maintain the Park. This indemnification shall survive any termination of this Agreement.

(5) Permits. Developer shall apply for and maintain any and all governmental permits and approvals relating to the operation and maintenance of the Park.

Section 8.

City's Post-Certificate Obligations.

After the issuance of the Certificate by the City, the City shall be obligated with regard to the following:

A. Insurance And Indemnity.

The City acknowledges to Developer that it is self-insured and provides an indemnity to Developer, the Condominium Association and the individual unit owners of such

Condominium Association as owner of the Park Property. The City furthermore agrees to indemnify, defend and hold Developer, the Condominium Association and the individual unit owners of such Condominium Association harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, attorneys' fees and court costs) suffered or incurred by Developer (excepting that caused by the negligence of Developer, the Condominium Association, or any individual unit owner(s) of the Condominium Association) arising from or in connection with the use and operation of the Park. This indemnification shall survive any termination of this Agreement. Notwithstanding anything to the contrary, in the event that the City assigns its rights under this Agreement as provided for herein, the assignee shall be required to obtain and keep in force and effect a Comprehensive Commercial General Liability Insurance policy insuring against claims for personal injury, death or property damage occurring in, on or about the Park Property arising out of the ownership, maintenance, operation or use of the Park by the City or any of its employees in an amount less than Three Million Dollars ($3,000,000) per occurrence and Three Million Dollars ($3,000,000) general aggregate. Developer, the Condominium Association and the individual unit owners of the Condominium Association shall be named as an additional insured on such policy as its interest may appear.

B. Utilities.

The City shall be liable to provide utility service (e.g. electrical, water and sewer) to the Park.

C. Discretionary Maintenance By City.

The City may elect, at the City's cost and expense, to install and remove holiday lighting and seasonal decor, to make the Park available for neighborhood festivals and street fairs, and to otherwise schedule events at and license the use of the Park for limited, short-term purposes. In the event such short-term uses are planned, the City shall give Developer or the Condominium Association courtesy notice of such events.

Section 9.

Term Of The Agreement.

The term of this Agreement shall commence as of the date hereof and, unless otherwise terminated by the City in writing, shall run in perpetuity.

Section 10.

Performance, Evaluation And Breach; Remedies.

A. Time Of The Essence.

Time is of the essence in the parties' performance of their obligations under this Agreement. Should any milestone date fall on a weekend or holiday, the deadline for compliance shall not occur until the next regular business day.

B. Permitted Delays.

Developer shall not be in breach of its obligation to construct the Park in the event of a delay in the performance of such obligations due to unforeseeable causes beyond Developer control and without Developer fault or negligence, including but not limited to, delays or halts in construction of the Park which are compelled by court order, acts of God, acts of the public enemy, acts of the United States government, acts of the other party, fires, floods, epidemics, quarantine restrictions, strikes, embargoes, inability to obtain certain necessary materials and unusually severe weather or delays of subcontractors due to such cause. The time for the performance of the obligations shall be extended only for the period of the delay if Developer requests it in writing of the City within twenty (20) days after the beginning of any such delay.

C. Breach.

Except as otherwise provided in this Agreement, in the event of a default by either party in the performance of its obligations under this Agreement, the defaulting party, upon written notice from the other, shall cure or remedy the default not later than sixty (60) days after receipt of such notice. If the default is not capable of being cured within the sixty (60) day period but the defaulting party has commenced action to cure the default and is diligently proceeding to cure the default within the sixty (60) day period, then the sixty (60) day period shall be extended for the length of time that is reasonably necessary to cure the default. If the default is not cured in the time period provided for herein, the aggrieved party may institute such proceedings at law or in equity as may be necessary or desirable in its sole discretion to cure and remedy the default, including but not limited to, proceedings to compel specific performance. The City shall also have the right to terminate this Agreement.

For purposes of this Agreement, the occurrence of any one or more of the following shall constitute an "event of default":

1. Developer fails to perform, keep or observe any of the material covenants, conditions, promises, agreements or obligations required under this Agreement, or

2. Developer makes or furnishes a warranty, representation, statement or certification to the City which is not true and correct in any material respect; or

3. A petition is filed by or against Developer under the Federal Bankruptcy Code or any similar state or federal law, whether now or hereinafter existing, which is not vacated, stayed or set aside within sixty (60) days after filing; or

4. Subject to the permitted delays provisions of Section 10.B, Developer abandons or substantially suspends the construction of the Park, and such abandonment or suspension is not cured, ended, or remedied within sixty (60) days of the date Developer receives written demand by the City to cure such default; or

5. Developer suffers or permits any levy or attachment, material suppliers' or mechanics' lien, or any other lien or encumbrance unauthorized by this Agreement to attach or purport to attach to the Park Property; or

6. Developer fails to comply with the maintenance and other obligations regarding the Park and the Park Property described in Section 7; or

7. Developer fails to comply with the terms of any other written agreement entered into with the City relating to the Park or the Park Property.

D. Waiver And Estoppel.

Any delay by the City in instituting or prosecuting any actions or proceedings or otherwise asserting its rights shall not operate as a waiver of such rights or operate to deprive the City of or limit such rights in any way. No waiver made by the City with respect to any specific default by Developer shall be construed, considered or treated as a waiver of the rights of the City with respect to any other defaults of Developer.

E. Access To The Property.

Until the expiration of the Term of this Agreement, any duly authorized representative of the City shall have access to the Park Property at all reasonable times for the purpose of confirming Developer's compliance with its obligations under this Agreement.

F. City's Right To Inspect Records.

Developer agrees that the City shall have the right and authority to review and audit, from time to time, Developer books and records solely relating to the Park and the Park Property, including, without limitation, general contractor's sworn statements, the contract with the General Contractor and subcontracts, purchase orders, waivers of lien, paid receipts and invoices. All such books, records and other documents shall be available at the offices of Developer for inspection, copying, audit and examination at all reasonable times by any duly authorized representative of the D.P.D. upon prior reasonable notice to Developer and at D.P.D.'s sole cost and expense.

G. Evaluation.

Upon written request by the City, but not more frequently than once on an annual basis, Developer shall submit to the City a written report describing the maintenance of the Park and all costs attendant thereto. Thereafter, at the City's request, representatives of the City and of Developer shall meet and address any issues and concerns. Should the City determine, as a result of the review of the report and the site visit, that Developer is not complying with the terms and provisions of this Agreement, the parties agree that: (i) the City shall deliver a notice of default as provided for in this Section and Developer shall thereafter have an opportunity to cure (as provided for in this Section 10); or (ii) in the alternative, the City, by written notice to Developer, may terminate this Agreement. The parties further agree that the City may terminate this Agreement within thirty (30) days of written notice to Developer.

H. Enforcement And Remedies.

The parties hereto shall have such remedies as may be available at law or in equity for a breach of this Agreement. Such equitable remedies shall include, without limitation, the right to bring a mandamus action and specific performance.

Section 11.

Conflict Of Interest; City's Representatives Not Individually Liable.

Developer warrants that no agent, official, or employee of the City shall have any personal interest, direct or indirect, in this Agreement, nor shall any such agent, official or employee participate in any decision relating to this Agreement which affects his or her personal interests or the interests of any corporation, partnership, or association in which he or she is directly or indirectly interested. No agent, official, or employee of the City shall be personally liable to Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to Developer or successor or on any obligation under the terms of this Agreement.

Section 12.

Environmental Matters.

The City makes no covenant, representation or warranty as to the environmental condition of the Park Property or the suitability of the Park Property for any purpose whatsoever.

Section 13.

M.B.E./W.B.E. Commitment.

The Developer agrees for itself and its successors and assigns and, if necessary to meet the requirements set forth herein, shall contractually obligate the General Contractor to meet the requirements set forth herein. Such improvements shall not include any structures or construction on the Park Property which are related to the construction of the improvements on the Developer Parcel, but shall only include those improvements identified in the Budget attached hereto (the "Project") as (Sub)Exhibit H.

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420, et seq., Municipal Code of Chicago (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650, et seq., Municipal Code of Chicago (the "Construction Program", and collectively with the Procurement Program, the "M.B.E./W.B.E. Program"), and in reliance upon the provisions of the M.B.E./W.B.E. Program to the extent contained in, and as qualified by, the provisions of this Section 13, during the course of the Project, at least the following percentages of the M.B.E./W.B.E. Budget (as set forth in (Sub)Exhibit G hereto) shall be expended for contract participation by minority-owned businesses ("M.B.E.s") and by women-owned businesses ("W.B.E.s"):

(1) At least twenty-four percent (24%) by M.B.E.s.

(2) At least four percent (4%) by W.B.E.s.

(b) For purposes of this Section 13 only:

(i) The Developer (and any party to whom a contract is let by the Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by the Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code of Chicago, as applicable.

(ii) The term "minority-owned business" or "M.B.E." shall mean a business identified in the *Directory of Certified Minority Business Enterprises* published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a minority-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(iii) The term "women-owned business" or "W.B.E." shall mean a business identified in the *Directory of Certified Women Business Enterprises* published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a women-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code of Chicago, the Developer's M.B.E./W.B.E. commitment may be achieved in part by the Developer's status as an M.B.E. or W.B.E. (but only to the extent of any actual work performed on the Project by the Developer) or by a joint venture with one or more M.B.E.s or W.B.E.s (but only to the extent of the lesser of (i) the M.B.E. or W.B.E. participation in such joint venture or (ii) the amount of any actual work performed on the Project by the M.B.E. or W.B.E.), by the Developer utilizing a M.B.E. or a W.B.E. as the General Contractor (but only to the extent of any actual work performed on the Project by the General Contractor), by subcontracting or causing the General Contractor to subcontract a portion of the Project to one or more M.B.E.s or W.B.E.s, or by the purchase of materials or services used in the Project from one or more M.B.E.s or W.B.E.s, or by any combination of the foregoing. Those entities which constitute both a M.B.E. and a W.B.E. shall not be credited more than once with regard to the Developer's M.B.E./W.B.E. commitment as described in this Section 13. In accordance with Section 2-92-730, Municipal Code of Chicago, the Developer shall not substitute any M.B.E. or W.B.E. General Contractor or subcontractor without the prior written approval of D.P.D.

(d) The Developer shall deliver quarterly reports to the City's monitoring staff during the Project describing its efforts to achieve compliance with this M.B.E./W.B.E. commitment. Such reports shall include, inter alia, the name and business address of each M.B.E. and W.B.E. solicited by the Developer or the General Contractor to work on the Project, and the responses received from such solicitation, the name and business address of each M.B.E. or W.B.E. actually involved in the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining the Developer's compliance with this M.B.E./W.B.E. commitment. The Developer shall maintain records of all relevant data with respect to the utilization of M.B.E.s and W.B.E.s in connection with the Project for at least five (5) years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by the Developer, on five (5) Business Days' notice, to allow the City to review the Developer's compliance with its commitment to M.B.E./W.B.E. participation and the status of any M.B.E. or W.B.E. performing any portion of the Project.

(e) Upon the disqualification of any M.B.E. or W.B.E. General Contractor or subcontractor, if such status was misrepresented by the disqualified party, the Developer shall be obligated to discharge or cause to be discharged the disqualified General Contractor or subcontractor, and, if possible, identify and engage a qualified M.B.E. or W.B.E. as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code of Chicago, as applicable.

(f) Any reduction or waiver of the Developer's M.B.E./W.B.E. commitment as described in this Section 13 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code of Chicago, as applicable.

(g) Prior to the commencement of the Project, the Developer shall be required to meet with the City's monitoring staff with regard to the Developer's compliance with its obligations under this Section 13. The General Contractor and all major subcontractors shall be required to attend this pre-construction meeting. During said meeting, the Developer shall demonstrate

to the City's monitoring staff its plan to achieve its obligations under this Section 13, the sufficiency of which shall be approved by the City's monitoring staff. During the Project, the Developer shall submit the documentation required by this Section 13 to the City's monitoring staff, including the following: (i) subcontractor's activity report; (ii) contractor's certification concerning labor standards and prevailing wage requirements; (iii) contractor letter of understanding; (iv) monthly utilization report; (v) authorization for payroll agent; (vi) certified payroll; (vii) evidence that M.B.E./W.B.E. contractor associations have been informed of the Project via written notice and hearings; and (viii) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that the Developer is not complying with its obligations under this Section 13, shall, upon the delivery of written notice to the Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (1) issue a written demand to the Developer to halt the Project, (2) withhold any further payment of any of the OSI Fees Contribution Amount to the Developer or the General Contractor, or (3) seek any other remedies against the Developer available at law or in equity.

Section 14.

City Resident Hiring; Prevailing Wage.

A. City Resident Hiring. Developer agrees for itself and its successors and assigns, and shall contractually obligate the other Employers, as applicable, to agree, that during the construction of the Project they shall comply with the minimum percentage of total worker hours performed by actual residents of the City of Chicago as specified in Section 2-92- 330 of the Municipal Code of Chicago (at least fifty percent of the total worker hours worked by persons on the site of the construction for the Project shall be performed by actual residents of the City of Chicago); provided, however, that in addition to complying with this percentage, Developer and the other Employers shall be required to make good faith efforts to utilize qualified residents of the City of Chicago in both unskilled and skilled labor positions.

Developer and the other Employers may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the Purchasing Agent of the City of Chicago.

"Actual residents of the City of Chicago" shall mean persons domiciled within the City of Chicago. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

Developer and the other Employers shall provide for the maintenance of adequate employee residency records to ensure that actual Chicago residents are employed on the Project. Developer and the other Employers shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

Weekly certified payroll reports (United States Department of Labor Form WH-347 or equivalent) shall be submitted to the Commissioner of the D.O.H. in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the company hired the employee should be written in after the employee's name.

Developer and the other Employers shall provide full access to their employment records to the Purchasing Agent, the Commissioner of the D.O.H., the Superintendent of the Chicago Police Department, the Inspector General, or any duly authorized representative thereof. Developer and the other Employers shall maintain all relevant personnel data and records for a period of at least three (3) years after final acceptance of the work constituting the Project as evidenced by the issuance of the Certificate for the last Home constructed by Developer.

At the direction of the D.O.H., affidavits and other supporting documentation will be required of Developer and the other Employers to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

Good faith efforts on the part of Developer and the other Employers to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Purchasing Agent) shall not suffice to replace the actual, verified achievement of the requirements of this section concerning the worker hours performed by actual Chicago residents.

When work at the Project is completed, in the event that the City has determined that Developer and the other Employers failed to ensure the fulfillment of the requirement of this Section concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this section. Therefore, in such a case of noncompliance it is agreed that one-half of one percent (.05%, or 0.0005), of the aggregate hard construction costs set forth in the Budget (as the same shall be evidenced by approved contract value for the actual contracts) shall be surrendered by Developer and/or the other Employers to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject Developer and/or the other Employers or employee to prosecution. Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246", or other affirmative action required for equal opportunity under the provisions of this Agreement.

Developer shall cause or require the provisions of this Section 15.A to be included in all construction contracts and subcontracts related to the Project

B. Prevailing Wage. The Developer covenants and agrees to pay, and to contractually obligate and cause its general contractor and subcontractors to pay, the prevailing wage rate

as ascertained by the Illinois Department of Labor (the "Department"), to all persons employed in the construction of the Project. All such contracts shall list the specified rates to be paid to all laborers, workers and mechanics for each craft or type of worker or mechanic employed pursuant to such contracts. If the Department revises such prevailing wage rates, the revised rates shall apply to all such contracts. Upon the City's request, the Developer shall provide the City with copies of all such contracts to evidence compliance with this Section 15.8.

Section 16.

Barricades, Signs And Public Relations.

Prior to the commencement of any demolition or construction activity requiring barricades, Developer shall install a barricade of a type and appearance satisfactory to the City and constructed in compliance with all applicable federal, state or City laws, ordinances and regulations. The City shall retain the right to approve the maintenance, appearance, color scheme, painting, nature, type, content and design of all barricades.

At the request of the City, Developer shall erect a sign of size and style approved by the D.P.D. in a conspicuous location at the Park Property during the construction of the Park, indicating that the undertaking of the Park is in accordance with City objectives. The City reserves the right to include the name, photograph, artistic rendering of the Park and other pertinent information regarding Developer and the Park in the City's promotional literature and communications. Until the expiration of the Term of this Agreement, the D.P.D. shall have the right to approve any changes in signage that are inconsistent with the original signage approved for the Park.

Developer acknowledges and agrees that it has no legal right, title or interest in the Park Property nor shall it have any authority or right to assign, transfer or convey any right, title or interest in the Park Property.

The Developer shall have no right to assign, transfer or convey any of its duties or obligations under this Agreement as they relate to the Park, the Park Property, or either one, except to the Condominium Association. In the event the City elects to transfer the City's ownership of the Park Property and the Park to NeighborSpace, or another not for profit corporation or entity of the City's so choosing, it shall notify Developer (or the Condominium

Association) of such in writing within thirty (30) days prior to the intended date of transfer of ownership. In such event, NeighborSpace (or such other not for profit corporation) and Developer (or the Condominium Association) shall execute such documents evidencing its acknowledgment and assent to such transfer of ownership of the Park Property and the Park, as well as the assignment of the City's rights under this Agreement to NeighborSpace (or such other not for profit corporation). Unless the City provides a written release terminating the Developer's (or the Condominium Association's) obligations under this Agreement, this Agreement shall continue in full force and effect after such transfer.

The City, at its sole discretion, shall also have the right (with or without transferring title) to transfer control over and responsibility for the Park Property from the Developer (or the Condominium Association) to NeighborSpace (or such other not for profit corporation) by giving written notice to Developer (or the Condominium Association) of such election in the manner as described above. In such event, the Developer's (or Condominium Association's) obligations under this Agreement shall terminate upon its delivery to the City of the Maintenance Fund monies.

Notwithstanding anything to the contrary contained herein, the City agrees that it shall not transfer ownership or control of the Park Property or the Park or assign its rights under this Agreement to any other party until such time as the City has issued the Certificate and the City has reimbursed Developer for all sums due and owing Developer under Section 2 of this Agreement (so long as Developer has fully complied with its obligations under Section 2).

Section 26.

Further Assurances.

Developer and the City agree to take such actions, including the execution and delivery of such documents, instruments, petitions and certifications as may become necessary or appropriate to carry out the terms, provisions and intent of this Agreement.

Section 27.

Section 28.

Mutual Assistance.

The parties agree to perform their respective obligations, including the execution and delivery of any documents, instruments, petitions and certifications, as may be necessary or appropriate, consistent with the terms and provisions of this Agreement.

Section 29.

Waiver.

Section 30.

Cumulative Remedies.

The remedies of any party hereunder are cumulative and the exercise of any one or more of the remedies provided by this Agreement shall not be construed as a waiver of any of the other remedies of such party unless specifically so provided herein.

Section 31.

Disclaimer.

No provision of this Agreement, nor any act of the City, shall be deemed or construed by any of the parties, or by third persons, to create or imply to create the relationship of third-party beneficiary, or of principal or agent, or of limited or general partnership, or of joint venture, or of any association or relationship involving the City.

Section 32.

No Third Party Beneficiary.

Section 35.

Business Relationships.

The Developer acknowledges (A) receipt of a copy of Section 2-156-030(b) of the Municipal Code of Chicago, (B) that it has read such provision and understands that pursuant

to such Section 2-156-030(b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (c) notwithstanding anything to the contrary contained in this Agreement, that a violation of Section 2-156-030(b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. The Developer hereby represents and warrants that no violation of Section 2-156-030(b) has occurred with respect to this Agreement or the transactions contemplated hereby.

Section 36.

Patriot Act Certification.

The Developer represents and warrants that neither the Developer nor any Affiliate thereof (as defined in the next paragraph) is listed on any of the following lists maintained by the Office of Foreign Assets Control of the United States Department of the Treasury, the Bureau of Industry and Security of the United States Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List

As used in the above paragraph, an "Affiliate" shall be deemed to be a person or entity related to the Developer that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Developer, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

Section 37.

Mayoral Executive Order Number 05-01.

Developer agrees that Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in Developer of more than seven and five-tenths

percent (7.5%) ("Owners"), spouses and domestic partners of such Owners, Developer's contractors (i.e., any person or entity in direct contractual privity with Developer regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than seven and five-tenths percent (7.5%) ("Subowners") and spouses and domestic partners of such Sub-owners (Developer and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fund-raising committee (i) after execution of this Agreement by Developer, (ii) while this Agreement or any Other Contract is executory, (iii) during the term of this Agreement or any Other Contract between Developer and the City, or (iv) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

Developer represents and warrants that from and after February 10, 2005, no Identified Parties have made a contribution of any amount to the Mayor or to his political fund-raising committee.

Developer agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fund-raising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fund-raising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fund-raising committee.

Developer agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order Number 05-1 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order Number 05-1.

Developer agrees that a violation of, noncompliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order Number 05-1 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Developer intentionally violates this provision or Mayoral Executive Order Number 05-1 prior to the closing of this Agreement, the City may elect to decline to close the transaction contemplated by this Agreement.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source which are then delivered by one person to the Mayor or to his political fund-raising committee.

"Other Contract" means any other agreement with the City of Chicago to which Developer is a party that is (i) formed under the authority of chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council of the City of Chicago.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

(A) they are each other's sole domestic partner, responsible for each other's common welfare; and

(B) neither party is married; and

(C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and

(D) each partner is at least eighteen (18) years of age, and the partners are the same sex, and the partners reside at the same residence; and

(E) two (2) of the following four (4) conditions exist for the partners:

1. The partners have been residing together for at least twelve (12) months.

2. The partners have common or joint ownership of a residence.

3. The partners have at least two (2) of the following arrangements:

   a. joint ownership of a motor vehicle;

   b. a joint credit account;

   c. a joint checking account;

   d. a lease for a residence identifying both domestic partners as tenants.

4. Each partner identifies the other partner as a primary beneficiary in a will.

"Political fund-raising committee" means a "political fund-raising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Section 38.

Waste Ordinance Provisions.

In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Developer warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation any provisions of Section 7-28 or Section 11-4 of the Municipal Code.

Section 39.

Not A Management Contract.

This Agreement establishes covenants running with the land and is not an agreement subject to termination under 765 ILCS 605/18.2.

Section 40.

Cooperation With Office Of Compliance.

In accordance with Chapter 2-26-110, et seq. of the Municipal Code, the Developer acknowledge that every officer, employee, department and agency of the City shall be obligated to cooperate with the Executive Director of the Office of Compliance in connection with any activities undertaken by such office with respect to this Agreement, including, without limitation, making available to the Executive Director the department's premises, equipment, personnel, books, records and papers. The receipt of any certificate does not constitute agreement by the

City that the insurance requirements in this Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from Developer shall not be deemed to be a waiver by the City. Developer shall advise all insurers of this Agreement provisions regarding insurance. Nonconforming insurance shall not relieve Developer of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of this Agreement, and the City retains the right to stop work or suspend this Agreement until proper evidence of insurance is provided.

The insurance shall provide for thirty (30) days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

Any and all deductibles or self-insured retentions on referenced insurance coverages shall be borne by Developer.

Developer agrees that insurers shall waive their rights of subrogation against the City of Chicago, its employees, elected officials, agents, or representatives.

Developer expressly understands and agrees that any coverages and limits furnished by Developer shall in no way limit Developer liabilities and responsibilities specified within this Agreement documents or by law.

Developer expressly understands and agrees that Developer insurance is primary and that any insurance or self-insurance programs maintained by the City of Chicago shall apply in excess of and not contribute with insurance provided by the Developer under this Agreement.

The required insurance shall not be limited by any limitations expressed in the indemnification language herein or any limitation placed on the indemnity therein given as a matter of law.

Developer shall require the General Contractor and all Subcontractors to provide the insurance required herein or Developer may provide the coverages for the General Contractor and the Subcontractors. The General Contractor, other contractors, and Subcontractors shall be subject to the same insurance requirements of Developer unless otherwise specified herein.

The following is said ordinance as passed:

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Section 9-48-050 of the Municipal Code of Chicago is hereby amended by deleting the language stricken through and by inserting the language underscored, as follows:

9-48-050 Buses -- Stopping, Standing And Parking.

(a) The driver of a bus shall not stop such vehicle upon any street at any place for the purpose of loading or unloading passengers other than at a designated bus stop, bus stand, passenger loading zone, or bus terminal except in case of an emergency or as permitted in ~~paragraph~~ subsection (d) of this section.

(b) The driver of a bus shall enter a bus stop or passenger loading zone on a public way only in such a manner that the bus when stopped to load or unload passengers shall be in a position with the right front wheel of such bus not further than 18 inches from the curb, or 30 inches from the curb if the bus is lift-equipped, and the bus approximately parallel to the curb so as not to unduly impede the movement of other vehicular traffic.

(c) When bus lanes are designated and appropriately indicated by signs and markings, it shall be unlawful for the driver of any bus to operate the vehicle on any other portion of the roadway for travel in the direction allowed in the designated lane.

(d) The driver of a bus may stop such vehicle at any intersection of any street on which it has authority to operate between the hours of Midnight and 5:00 A.M. for the purpose of loading or unloading passengers.

(e) Except in case of an emergency or as permitted in subsection (d) or approved pursuant to subsection (f) of this section, a driver of an intercity bus shall not stop or park any intercity bus on Canal Street, between Adams Street and Jackson Boulevard for the purpose of loading or unloading of passengers, luggage or other goods. For the purpose of this section, "intercity bus" means any bus used for transportation of persons between the City of Chicago and locations outside of the Chicago-Naperville-Joliet, IL-IN-WI Metropolitan Statistical Area (M.S.A.) (as defined by the Director of the United States Office of Management and Budget), but shall not include buses of the Chicago Transit Authority or another component of the Regional Transportation Authority, including, but not limited to, the suburban bus commonly known as "Pace". The prohibition in this subsection shall not apply to intercity buses or shuttle buses that are exclusively used to transfer passengers to trains operated by the National Railroad Passenger Corporation, commonly known as "Amtrak" and/or the Northeast Illinois Rail Corporation, commonly known as "Metra" at Chicago Union Station.

(f) No owner or operator of any intercity bus shall use any designated bus stop, bus stand, or passenger loading/unloading zone for regular loading or unloading of passengers, luggage or other goods without first obtaining the approval of the commissioner. Application for such approval shall be made upon a form provided by the commissioner,

and shall contain the name and address of the applicant, the location of the proposed bus stop, bus stand, or passenger loading/unloading zone where such regular loading or unloading of passengers, luggage or other goods shall take place, the length of time any such bus shall stand in the proposed bus stop, bus stand, or passenger loading/unloading zone, and the number of buses that shall leave from and come to the proposed bus stop, bus stand, or passenger loading/unloading zone per day. Such application shall be signed by the applicant.

The commissioner shall approve or deny the application no later than 30 days after the application was filed. If the commissioner denies the application, it shall be based upon a determination that the regular loading/unloading of passengers, luggage or other goods in that particular desianated bus stop, bus stand, or passenger loading/unloading zone presents an unreasonable threat to the health, safety and welfare of the public or impedes the safe and efficient flow of traffic. If the commissioner denies the application, he shall mail a notification to the applicant in writing specifying the reasons for his decision. Any applicant may seek review of the decision of the commissioner denying such application in the manner provided by law. The provisions of this subsection shall not apply to any bus used as "Charter/sightseeing vehicle" as that term is defined in Section 9-112-010 of this Code.

SECTION 2. Pursuant to Section 9-64-140 of the Municipal Code of Chicago, the commissioner of transportation is hereby directed and authorized to establish a bus stand on the east side of South Canal Street, between Jackson Boulevard and Van Buren Street, and to designate such bus stand by appropriate signs or curb markings or both.

SECTION 3. Any ordinance or order heretofore passed that caused the establishment of (i) bus stand signs at the north end of the east side of South Canal Street, between Adams Street and Jackson Boulevard; (ii) the bus stop sign pointing south from the mid-block light pole on South Canal Street, between Adams Street and Jackson Boulevard; and (iii) the bus stop sign pointing north from the pole midway between the two Chicago Transit Authority bus stop signs, are hereby repealed, and the commissioner of transportation is hereby directed to remove such signage.

SECTION 4. The ordinance heretofore passed that caused the establishment of the southernmost seven (7) parking meters on the east side of South Canal Street, between Adams and Monroe Streets is hereby repealed, and the commissioner of transportation is hereby directed to remove such signage.

SECTION 5. Any ordinance or order heretofore passed that caused the establishment and designation of parking spaces for people with disabilities on the east side of South Canal Street, between Jackson Boulevard and Van Buren Street is hereby repealed, and the commissioner of transportation is hereby directed to remove such signage.

SECTION 6. The parking administrator, in consultation with the commissioner of transportation, and upon review and approval of the mayor's office for people with disabilities, is hereby authorized and directed to establish and designate parking spaces for people with disabilities on the east side of Canal Street, between Adams and Monroe Streets as provided in Section 9-64-050 of the Municipal Code of Chicago. The commissioner of transportation

is hereby directed and authorized to install appropriate signs at areas designated pursuant to this section.

SECTION 7. Except for vehicles displaying a person with a disability or disabled veterans state registration plate or a person with a disability parking decal or device issued pursuant to Section 3-609, 3-616 or Section 11-1301.2 of the Illinois Vehicle Code, which may be parked in parking spaces designated for people with disabilities, no vehicle shall be parked at any time on the southern end of the east side of South Canal Street, between Adams and Monroe Streets.
