REPORTS AND COMMUNICATIONS FROM CITY OFFICERS.

Referred -- AMENDMENT OF TITLES 1, 3, 4, 7, 9, 10, 11, 14A, 14X AND 17 OF MUNICIPAL CODE (2026 REVENUE ORDINANCE) 12.19.2025 V2.

[O2025-0021921]

The Honorable Brandon Johnson, Mayor, submitted the following communication. Two committees having been called, the Committee on Finance and the Committee on Housing and Real Estate, the ordinance was *Referred to the Committee on Committees and Rules:*

OFFICE OF THE MAYOR
CITY OF CHICAGO

December 19, 2025.

To the Honorable, The City Council of the City of Chicago:

LADIES AND GENTLEMEN -- I transmit herewith a Revenue Ordinance for the 2026 Budget Recommendations. This Ordinance safeguards the well-being of all Chicago residents by sustaining investments in housing, public safety, and economic opportunity. The revenue provisions contained herein ensure that the largest corporate entities operating within the City contribute an equitable share toward the cost of essential government functions, by re-establishing the Community Safety Surcharge, formerly the Employer Expense Tax, at an employer count of 500 or more full-time employees at a rate of $33/employee; revenue from this will go towards community safety programs and the establishment of a new community business grant program.

Ordinance averts significant reductions in municipal services and prevents layoffs of our greatest asset -- our public servants. This measure expressly rejects reliance on the sale of involuntary debt to third-party collectors whose aggressive and predatory practices disproportionately burden working families across the city. Instead, the Ordinance advances a responsible and equitable fiscal framework.

By incorporating the Community Safety Surcharge and additional newly identified revenue measures from members of City Council, this package establishes a balanced and sustainable budget that maintains core services, protects the City's workforce, and provides for the full advance payment of pension obligations. This package would not be possible without the tireless commitment from every member of this body to collaborate on a budget that protects Chicago.

Very truly yours,

(Signed) BRANDON JOHNSON,
Mayor.

[SO2025-0021101]

The Committee on the Budget and Government Operations submitted the following report which was, at the request of Alderperson Ervin and Alderperson Dowell, *Deferred* and ordered published:

CHICAGO, December 19, 2025.

To the President and Members of the City Council:

Your Committee on the Budget and Government Operations, having had under consideration a series of proposed corrections and revisions to the 2026 Budget Recommendations (and text portion) (SO2025-0021101), having had the same under advisement, begs leave to report and recommend that Your Honorable Body pass the substitute ordinance transmitted herewith.

This recommendation was concurred in by a viva voce vote of the members of the committee.

(Signed) JASON C. ERVIN,
Chair.

The following is said Annual Appropriation Ordinance (text portion) and series of amendments transmitted with the foregoing committee report:

THE ANNUAL APPROPRIATION ORDINANCE OF
THE CITY OF CHICAGO FOR THE YEAR 2026.

WHEREAS, The City of Chicago (the "City") is a home rule unit of government as defined in Article VII, Section 6(a) of the Illinois Constitution and, as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, The management of its finances is a matter pertaining to the government and affairs of the City; and

WHEREAS, It is appropriate and in the best interests of the City that the City Council adopt an annual appropriation for the year 2026 (for purposes of this ordinance "this fiscal year") in accordance with the powers granted to the City, including its powers as a home rule municipality; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The following sums of money, subject to the amendments attached hereto, set apart according to departments and other separate agencies of the City Government and, as appropriate, City-wide, are appropriated from the respective funds designated in this ordinance for the objects and purposes stated herein, and no other, to defray necessary expenses and liabilities of the City of Chicago to be paid or incurred during this fiscal year.

SECTION 2. The estimates of current assets and liabilities as of January 1 of this fiscal year, the estimates of the amounts of such assets and of the revenues available for appropriation, the amounts appropriated, the objects and purposes of such appropriations and the salary rates of all City officers and employees are shown in detail hereinafter.

SECTION 3. The objects and purposes for which appropriations are made shall be accounted for pursuant to statutory standard classifications, designating objects and purposes of operation and administration in accordance with 65 ILCS 5/8-2-4 and 65 ILCS 5/8-2-5, and as described and provided for specifically herein.

SECTION 4. Included in the appropriation for Personal Services in applicable departments, bureaus and agencies is an account appearing as Code Number ".0015 Schedule Salary Adjustments" provided for the purpose of implementing the Classification and Pay Plan for classified City employees (for purposes of this section, "Classification and Pay Plan"), which the Department of Human Resources shall keep on file. The class grade for each class of positions in Schedule A to the Classification and Pay Plan shall determine the salary range applicable to all positions of the class. The Title Bargaining Unit Table, which the Department of Human Resources shall keep on file, shall determine the salary schedule applicable to bargaining unit and non-bargaining unit employees. The Classification and Pay Plan and the Salary Schedules thereto, and the "Regulations Governing the Administration of the Classification Plan and Employee Benefits for Classified Positions Set Forth in the Annual Appropriation Ordinance", also commonly known as the Salary Resolution, are by reference adopted by the City Council, and are incorporated into and made a part of this ordinance.

SECTION 5. The appropriation for estimated liabilities as of January 1 of this fiscal year shall not be construed as approval of any such liabilities, but shall be regarded only as appropriations for the payment thereof when they have been found to be valid and legal obligations against the City of Chicago and have been properly vouchered and audited.

SECTION 6. The appropriations herein made for Personal Services shall be regarded as maximum amounts to be expended from such appropriations. Such expenditures shall be further limited to personnel only as needed, or as may be required by law, not to exceed the maximum designated in this ordinance for any office or position by title. When there is no limitation as to the maximum that may be employed for any officer or position by title, one person may be employed, or more than one person may be employed with the approval of the Budget Director or his or her designated employee(s) (for purposes of this ordinance "Budget Director"), regardless of whether such title is printed in the singular or plural. The salary or wage rate fixed shall be regarded as the maximum salary or wage rate for the respective offices or positions, provided that salaries or wage rates are subject to change by the City Council during the fiscal year in accordance with contracts approved by the City Council. The salary or wage rates fixed are on a yearly basis unless otherwise indicated. Abbreviations or symbols used in this ordinance are as follows: m. monthly; d. daily; h. hourly.

An employee may be assigned to a title not appearing within the appropriation of the employee's department, in lieu of a specific title appearing in the appropriation, upon the written recommendation of the department head and approval of the Commissioner of Human Resources, the Budget Director and the Chairman of the Committee on the Budget and Government Operations or their respective designees. Such assignment may be requested and approved when the title requested is appropriate to the function of the department, and reflects the skills, training and experience of the employee. In no event shall the authority conferred herein be exercised in violation of the City's hiring plans, as amended.

No officer or employee shall have the right to demand continuous employment or compensation by reason of any appropriation if, upon the determination of the department head, his or her services are not needed or it becomes necessary to lay him or her off on account of lack of work or lack of funds.

In case of a vacancy in any office or position, the head of the department in which the vacancy occurs shall not be required to fill such office or position if, in his or her judgment and discretion, there is no necessity thereof.

The Budget Director and the City Comptroller are hereby authorized to use unencumbered balances in the various accounts in the different funds of the City to pay for services already rendered and thereby balance unforeseen deficiencies at the time the Annual Appropriation Ordinance was passed or last adjusted. The Budget Director and the City Comptroller may use these unencumbered balances by way of transfers so that such deficiencies may be balanced at the end of the fiscal year. For each fiscal year, the arrangement of appropriations by account level in the Annual Appropriation Ordinance shall not limit spending at the account level, provided that the total City expenditures do not exceed the total sum appropriated for the fiscal year.

All operating expenses shall be applied to the fiscal year in which the goods or services are received. Any outstanding operating encumbrances shall therefore be released to the appropriate fund at the close of the fiscal year. Grant and capital improvement programs have fiscal calendars that span more than one fiscal year. Therefore, grant and capital improvement programs may have their encumbrances carried forward into the following fiscal year as appropriated.

Upon request of the Chairman of the Committee on the Budget and Government Operations, the Commissioner of Human Resources shall prepare a report on a quarterly basis, indicating all employees whose titles appear herein under one department or agency and who have been working for another department or agency for more than 60 days in the preceding three-month period. Such report shall indicate the name, title and salary of each such employee, the department or agency in which the title appears, the department or agency to which the employee is assigned, and a description of the duties being performed under the assignment. This provision shall not apply to work performed by one department or agency for another pursuant to contract.

SECTION 7. Upon request of the Chairman of the Committee on the Budget and Government Operations, the Budget Director and the Commissioner of Human Resources shall prepare a report detailing all vacancies occurring during the preceding month due to resignation, retirement, death, layoff, promotion, demotion, discharge, or termination.

Upon request of the Chairman of the Committee on the Budget and Government Operations, the Commissioner of Human Resources shall prepare a quarterly report on all City employees hired during the preceding quarter.

Upon request of the Chairman of the Committee on the Budget and Government Operations, the Budget Director shall prepare a quarterly report detailing the overtime compensation paid to employees during the preceding quarter.

The public official submitting a report pursuant to this section shall be responsible for determining the form and formatting.

SECTION 8. Grant applications, expenditures of grant funds, the management of grant performance data, including, but not limited to, the collection, storage and reporting of grant performance data, and all other aspects of the grant process described in this section shall be carried out in adherence to City-wide policies and procedures established and administered by the Office of Budget and Management in consultation with the Department of Finance and, with respect to the management of grant performance data, in consultation with the Department of Technology and Innovation, and shall further be subject to the provisions of this section. These mandatory policies and procedures shall govern all City grant agreements that are applied for, or entered into, pursuant to authority provided in Section 8 of this ordinance.

Subject to such policies and procedures, the Mayor and the heads of the various departments and agencies of the City Government are authorized to apply for grants from governmental and private grantors. With respect to such grants, and also with respect to city funds appropriated for grants to third parties, the Mayor and the heads of the various departments and agencies are authorized to execute grant and subgrant agreements and amendments thereto to effectuate the purposes of such grants and appropriations; to indemnify the grantor with respect to the performance of the grant, subject to the approval of the Corporation Counsel; and to execute such documents, and provide such additional information, assurances and certifications as are necessary, in connection with any of the foregoing, all subject to the foregoing mandatory Office of Budget and Management policies and procedures.

To the extent that revenue of a grant is not described in the appropriation from Fund 925 -- Grant Funds, or that an amendment increases the budget of a project beyond the appropriation described hereinafter, no expenditure of such grant revenues shall be made without prior approval of the City Council.

Upon request of the Chairman of the Committee on the Budget and Government Operations, the Budget Director shall prepare a report listing all grants awarded to the City in the fiscal year to date, and shall indicate the grantor and purpose of the funds.

The Budget Director, or the City Comptroller, upon approval by the Budget Director, is authorized to establish any grant appropriated through this annual appropriation ordinance in the City's financial system for expenditure. In the event that an actual grant award does not equal the amount estimated in this ordinance, the Budget Director shall adjust the allocation to reflect available funds. Notice of such adjustment shall be given to every affected department, agency and delegate agency as soon as possible after the adjustment has been computed. The City Comptroller and the heads of the various departments and agencies of the City Government shall administer the revenues of grants received by standard accounts, in accordance with the standard classification of accounts and in compliance with City-wide grant accounting policies and procedures established and administered by the Office of Budget and Management.

In connection with any delegate agency grant agreements entered into between the City and the respective delegate agencies, the Chief Procurement Officer shall be authorized to resolve disputes between the respective delegate agency and the appropriate City department or agency and to promulgate and implement regulations in connection therewith.

The approval of any loan in the amount of $150,000 or more, funded by any grant fund, shall be subject to review and approval by the City Council.

The Budget Director and the Commissioner of Human Resources are authorized to enter into agreements for the City to receive, at no cost to the City, grants of consulting, professional, and technical services, to indemnify the grantor with respect to the performance of the grant, subject to the approval of the Corporation Counsel; and to execute such documents, and provide such additional information, assurances and certifications as are necessary, in connection with any of the foregoing, all subject to the foregoing mandatory Office of Budget and Management policies and procedures. Any such agreements shall be signed by both officials and shall comply with the Hiring Plan and any applicable collective bargaining agreement.

SECTION 9. The Budget Director is authorized, on his or her own behalf and as the Mayor's designee, as the signatory for the approval of the Consolidated Plan and the Action Plan, as required by the United States Department of Housing and Urban Development ("HUD"), and shall have signatory authority, in the same dual capacity, for all entitlement grant applications, agreements, and certifications required for programs funded by HUD, including for the Community Development Block Grant, the Emergency Solutions Grants, Housing Opportunities for Persons with AIDS, and the HOME Investment Partnerships programs.

SECTION 10. Any employee who is required and is authorized to use his or her personally owned automobile in the regular conduct of official City business shall be allowed and paid at the rate established from time to time by the Internal Revenue Service for the number of miles per month use of such privately owned automobile, to a maximum amount of $840 per month, such maximum to be adjusted upward on February 1 of each year by the percentage increase, if any, in the Transportation Expenditure Category of the Consumer Price Index for All Urban Consumers (CPI-U); United States City Average for

the preceding year, as rounded to the nearest $5 increment. Each annual adjustment shall be based on the adjusted amount for the preceding year. Provided further, the foregoing computation shall be subject to provisions contained in contracts approved by the City Council between the City and recognized collective bargaining agents; and provided further that this allowance is subject to change by the City Council during the fiscal year in accordance with such contracts.

SECTION 11. In accordance with Section 2-60-080 of the Municipal Code, no expenditure may be made from any fund or line-item account herein for the purpose of executing settlement agreements or entering into consent orders except upon order of the City Council. Provided, however, that this section shall not apply to: (i) settlement agreements or consent orders entered into where the amount is $100,000 or less; (ii) settling controverted workers' compensation claims as provided in Section 2-32-1400 of the Municipal Code; or (iii) offers of judgment of $500,000 or less made and accepted pursuant to Federal Rule of Civil Procedure 68, if before making any such offer of judgment, the Corporation Counsel obtains the written concurrence of both the Chairman and Vice-Chairman of the Committee on Finance, following a careful review of the facts and circumstances, that the making of such an offer is likely to reduce the City's liability in the case in question.

SECTION 12. The MEABF Obligations Fund, established in Section 12 of the Annual Appropriation Ordinance for the Year 2017 and exclusively dedicated to payment of MEABF Obligations, is hereby continued. The Budget Director is directed to annually place into the MEABF Obligations Fund such unencumbered monies as she deems necessary to fulfill MEABF Obligations, and to ensure the timely distribution to MEABF of those monies. Monies placed in the MEABF Obligations Fund shall be deemed to be appropriated in and for each year that they are distributed to satisfy MEABF Obligations. For purposes of this section, the term "MEABF" means the Municipal Employees' Annuity and Benefit Fund of Chicago, and the term "MEABF Obligations" means employer contributions: (i) that the City of Chicago is obligated pursuant to 40 ILCS 5/8-101, et seq., to make to the MEABF; and (ii) that the Budget Director does not anticipate will be fully satisfied by tax revenues dedicated to that purpose in a given year.

SECTION 13. Notwithstanding any other provision of this appropriation ordinance to the contrary, the Budget Director is authorized to adjust the amount of fund allocated in this appropriation ordinance for payment to the CTA portion of the Chicago Real Property Transfer Tax collected pursuant to Section 3-33-030 (F) of the Municipal Code of Chicago ("Code") to match all amounts of the CTA portion of such tax collected for purposes of providing such tax proceeds to the CTA as required in Section 3-33-030 (F) of the Code.

SECTION 14. To the extent that any ordinance, resolution, rule, order or provision of the Municipal Code or state law, or part thereof, is in conflict with the provisions of this ordinance, the provisions of this ordinance shall be controlling. If any section, paragraph, clause or provision of this ordinance shall be held invalid, the invalidity of such section, paragraph, clause, or provision shall not affect any of the other provisions of this ordinance.

SECTION 15. This ordinance shall take effect upon its passage and approval, notwithstanding any provision of state law or any ordinance to the contrary.

Action Deferred -- YEAR 2026 ANNUAL APPROPRIATION ORDINANCE, AS AMENDED.

[O2025-0020516]

The Committee on the Budget and Government Operations submitted the following report which was, at the request of Alderperson Ervin and Alderperson Dowell, *Deferred* and ordered published:

CHICAGO, December 19, 2025.

To the President and Members of the City Council:

Your Committee on the Budget and Government Operations, having had under consideration an ordinance concerning an adoption of the Annual Appropriation Ordinance as amended for 2026 (O2025-0020516), having had the same under advisement, begs leave to report and recommend that Your Honorable Body pass the ordinance transmitted herewith.

This recommendation was concurred in by a viva voce vote of the members of the committee.

(Signed) JASON C. ERVIN,
Chair.

The following is said proposed ordinance, as amended, transmitted with the foregoing committee report:

THE ANNUAL APPROPRIATION ORDINANCE OF
THE CITY OF CHICAGO FOR THE YEAR 2026.

WHEREAS, The City of Chicago (the "City") is a home rule unit of government as defined in Article VII, Section 6(a) of the Illinois Constitution and, as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, The management of its finances is a matter pertaining to the government and affairs of the City; and

WHEREAS, It is appropriate and in the best interests of the City that the City Council adopt an annual appropriation for the year 2026 (for purposes of this ordinance "this fiscal year") in accordance with the powers granted to the City, including its powers as a home rule municipality; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The following sums of money set apart according to departments and other separate agencies of the City Government and, as appropriate, City-wide, are appropriated from the respective funds designated in this ordinance for the objects and purposes stated herein, and no other, to defray necessary expenses and liabilities of the City of Chicago to be paid or incurred during this fiscal year.

SECTION 2. The estimates of current assets and liabilities as of January 1 of this fiscal year, the estimates of the amounts of such assets and of the revenues available for appropriation, the amounts appropriated, the objects and purposes of such appropriations and the salary rates of all City officers and employees are shown in detail hereinafter.

SECTION 3. The objects and purposes for which appropriations are made shall be accounted for pursuant to statutory standard classifications, designating objects and purposes of operation and administration in accordance with 65 ILCS 5/8-2-4 and 65 ILCS 5/8-2-5, and as described and provided for specifically herein.

SECTION 4. Included in the appropriation for Personal Services in applicable departments, bureaus and agencies is an account appearing as Code Number ".0015 Schedule Salary Adjustments" provided for the purpose of implementing the Classification and Pay Plan for classified City employees (for purposes of this section, "Classification and Pay Plan"), which the Department of Human Resources shall keep on file. The class grade for each class of positions in Schedule A to the Classification and Pay Plan shall determine the salary range applicable to all positions of the class. The Title Bargaining Unit Table, which the Department of Human Resources shall keep on file, shall determine the salary schedule applicable to bargaining unit and non-bargaining unit employees. The Classification and Pay Plan and the Salary Schedules thereto, and the "Regulations Governing the Administration of the Classification Plan and Employee Benefits for Classified Positions Set Forth in the Annual Appropriation Ordinance", also commonly known as the Salary Resolution, are by reference adopted by the City Council, and are incorporated into and made a part of this ordinance.

SECTION 5. The appropriation for estimated liabilities as of January 1 of this fiscal year shall not be construed as approval of any such liabilities, but shall be regarded only as appropriations for the payment thereof when they have been found to be valid and legal obligations against the City of Chicago and have been properly vouchered and audited.

SECTION 6. The appropriations herein made for personal services shall be regarded as maximum amounts to be expended from such appropriations. Such expenditures shall be further limited to personnel only as needed, or as may be required by law, not to exceed the maximum designated in this ordinance for any office or position by title. When there is no limitation as to the maximum that may be employed for any officer or position by title, one person may be employed, or more than one person may be employed with the approval of the Budget Director or his or her designated employee(s) (for purposes of this ordinance "Budget Director"), regardless of whether such title is printed in the singular or plural. The salary or wage rate fixed shall be regarded as the maximum salary or wage rate for the

respective offices or positions, provided that salaries or wage rates are subject to change by the City Council during the fiscal year in accordance with contracts approved by the City Council. The salary or wage rates fixed are on a yearly basis unless otherwise indicated. Abbreviations or symbols used in this ordinance are as follows: m. monthly; d. daily; h. hourly.

An employee may be assigned to a title not appearing within the appropriation of the employee's department, in lieu of a specific title appearing in the appropriation, upon the written recommendation of the department head and approval of the Commissioner of Human Resources, the Budget Director and the Chairman of the Committee on the Budget and Government Operations or their respective designees. Such assignment may be requested and approved when the title requested is appropriate to the function of the department, and reflects the skills, training and experience of the employee. In no event shall the authority conferred herein be exercised in violation of the City's hiring plans, as amended.

No officer or employee shall have the right to demand continuous employment or compensation by reason of any appropriation if, upon the determination of the department head, his or her services are not needed or it becomes necessary to lay him or her off on account of lack of work or lack of funds.

In case of a vacancy in any office or position, the head of the department in which the vacancy occurs shall not be required to fill such office or position if, in his or her judgment and discretion, there is no necessity thereof.

The Budget Director and the City Comptroller are hereby authorized to use unencumbered balances in the various accounts in the different funds of the City to pay for services already rendered and thereby balance unforeseen deficiencies at the time the Annual Appropriation Ordinance was passed or last adjusted. The Budget Director and the City Comptroller may use these unencumbered balances by way of transfers so that such deficiencies may be balanced at the end of the fiscal year. For each fiscal year, the arrangement of appropriations by account level in the Annual Appropriation Ordinance shall not limit spending at the account level, provided that the total City expenditures do not exceed the total sum appropriated for the fiscal year.

All operating expenses shall be applied to the fiscal year in which the goods or services are received. Any outstanding operating encumbrances shall therefore be released to the appropriate fund at the close of the fiscal year. Grant and capital improvement programs have fiscal calendars that span more than one fiscal year. Therefore, grant and capital improvement programs may have their encumbrances carried forward into the following fiscal year as appropriated.

Upon request of the Chairman of the Committee on the Budget and Government Operations, the Commissioner of Human Resources shall prepare a report on a quarterly basis, indicating all employees whose titles appear herein under one department or agency and who have been working for another department or agency for more than 60 days in the preceding three-month period. Such report shall indicate the name, title and salary of each

such employee, the department or agency in which the title appears, the department or agency to which the employee is assigned, and a description of the duties being performed under the assignment. This provision shall not apply to work performed by one department or agency for another pursuant to contract.

SECTION 7. Upon request of the Chairman of the Committee on the Budget and Government Operations, the Budget Director and the Commissioner of Human Resources shall prepare a report detailing all vacancies occurring during the preceding month due to resignation, retirement, death, layoff, promotion, demotion, discharge, or termination.

Upon request of the Chairman of the Committee on the Budget and Government Operations, the Commissioner of Human Resources shall prepare a quarterly report on all City employees hired during the preceding quarter.

Upon request of the Chairman of the Committee on the Budget and Government Operations, the Budget Director shall prepare a quarterly report detailing the overtime compensation paid to employees during the preceding quarter.

The public official submitting a report pursuant to this section shall be responsible for determining the form and formatting.

SECTION 8. Grant applications, expenditures of grant funds, the management of grant performance data, including, but not limited to, the collection, storage and reporting of grant performance data, and all other aspects of the grant process described in this section shall be carried out in adherence to City-wide policies and procedures established and administered by the Office of Budget and Management in consultation with the Department of Finance and, with respect to the management of grant performance data, in consultation with the Department of Technology and Innovation, and shall further be subject to the provisions of this section. These mandatory policies and procedures shall govern all City grant agreements that are applied for, or entered into, pursuant to authority provided in Section 8 of this ordinance.

Subject to such policies and procedures, the Mayor and the heads of the various departments and agencies of the City Government are authorized to apply for grants from governmental and private grantors. With respect to such grants, and also with respect to city funds appropriated for grants to third parties, the Mayor and the heads of the various departments and agencies are authorized to execute grant and subgrant agreements and amendments thereto to effectuate the purposes of such grants and appropriations; to indemnify the grantor with respect to the performance of the grant, subject to the approval of the Corporation Counsel; and to execute such documents, and provide such additional information, assurances and certifications as are necessary, in connection with any of the foregoing, all subject to the foregoing mandatory Office of Budget and Management policies and procedures.

To the extent that revenue of a grant is not described in the appropriation from Fund 925 -- Grant Funds, or that an amendment increases the budget of a project beyond the appropriation described hereinafter, no expenditure of such grant revenues shall be made without prior approval of the City Council.

Upon request of the Chairman of the Committee on the Budget and Government Operations, the Budget Director shall prepare a report listing all grants awarded to the City in the fiscal year to date, and shall indicate the grantor and purpose of the funds.

The Budget Director, or the City Comptroller, upon approval by the Budget Director, is authorized to establish any grant appropriated through this annual appropriation ordinance in the City's financial system for expenditure. In the event that an actual grant award does not equal the amount estimated in this ordinance, the Budget Director shall adjust the allocation to reflect available funds. Notice of such adjustment shall be given to every affected department, agency and delegate agency as soon as possible after the adjustment has been computed. The City Comptroller and the heads of the various departments and agencies of the City Government shall administer the revenues of grants received by standard accounts, in accordance with the standard classification of accounts and in compliance with City-wide grant accounting policies and procedures established and administered by the Office of Budget and Management.

In connection with any delegate agency grant agreements entered into between the City and the respective delegate agencies, the Chief Procurement Officer shall be authorized to resolve disputes between the respective delegate agency and the appropriate City department or agency and to promulgate and implement regulations in connection therewith.

The approval of any loan in the amount of $150,000 or more, funded by any grant fund, shall be subject to review and approval by the City Council.

The Budget Director and the Commissioner of Human Resources are authorized to enter into agreements for the City to receive, at no cost to the City, grants of consulting, professional, and technical services, to indemnify the grantor with respect to the performance of the grant, subject to the approval of the Corporation Counsel; and to execute such documents, and provide such additional information, assurances and certifications as are necessary, in connection with any of the foregoing, all subject to the foregoing mandatory Office of Budget and Management policies and procedures. Any such agreements shall be signed by both officials and shall comply with the Hiring Plan and any applicable collective bargaining agreement.

SECTION 9. The Budget Director is authorized, on his or her own behalf and as the Mayor's designee, as the signatory for the approval of the Consolidated Plan and the Action Plan, as required by the United States Department of Housing and Urban Development ("HUD"), and shall have signatory authority, in the same dual capacity, for all entitlement grant applications, agreements, and certifications required for programs funded by HUD, including for the Community Development Block Grant, the Emergency Solutions Grants, Housing Opportunities for Persons with AIDS, and the HOME Investment Partnerships programs.

SECTION 10. Any employee who is required and is authorized to use his or her personally owned automobile in the regular conduct of official City business shall be allowed and paid at the rate established from time to time by the Internal Revenue Service for the number of miles per month use of such privately owned automobile, to a maximum amount of $840 per month, such maximum to be adjusted upward on February 1 of each year

by the percentage increase, if any, in the Transportation Expenditure Category of the Consumer Price Index for All Urban Consumers (CPI-U); United States City Average for the preceding year, as rounded to the nearest $5 increment. Each annual adjustment shall be based on the adjusted amount for the preceding year. Provided further, the foregoing computation shall be subject to provisions contained in contracts approved by the City Council between the City and recognized collective bargaining agents; and provided further that this allowance is subject to change by the City Council during the fiscal year in accordance with such contracts.

SECTION 11. In accordance with Section 2-60-080 of the Municipal Code, no expenditure may be made from any fund or line-item account herein for the purpose of executing settlement agreements or entering into consent orders except upon order of the City Council. Provided, however, that this section shall not apply to: (i) settlement agreements or consent orders entered into where the amount is $100,000 or less; (ii) settling controverted workers' compensation claims as provided in Section 2-32-1400 of the Municipal Code; or (iii) offers of judgment of $500,000 or less made and accepted pursuant to Federal Rule of Civil Procedure 68, if before making any such offer of judgment, the Corporation Counsel obtains the written concurrence of both the Chairman and Vice-Chairman of the Committee on Finance, following a careful review of the facts and circumstances, that the making of such an offer is likely to reduce the City's liability in the case in question.

SECTION 12. The MEABF Obligations Fund, established in Section 12 of the Annual Appropriation Ordinance for the Year 2017 and exclusively dedicated to payment of MEABF Obligations, is hereby continued. The Budget Director is directed to annually place into the MEABF Obligations Fund such unencumbered monies as she deems necessary to fulfill MEABF Obligations, and to ensure the timely distribution to MEABF of those monies. Monies placed in the MEABF Obligations Fund shall be deemed to be appropriated in and for each year that they are distributed to satisfy MEABF Obligations. For purposes of this section, the term "MEABF" means the Municipal Employees' Annuity and Benefit Fund of Chicago, and the term "MEABF Obligations" means employer contributions: (i) that the City of Chicago is obligated pursuant to 40 ILCS 5/8-101, et seq., to make to the MEABF; and (ii) that the Budget Director does not anticipate will be fully satisfied by tax revenues dedicated to that purpose in a given year.

SECTION 13. Notwithstanding any other provision of this appropriation ordinance to the contrary, the Budget Director is authorized to adjust the amount of fund allocated in this appropriation ordinance for payment to the CTA portion of the Chicago Real Property Transfer Tax collected pursuant to Section 3-33-030 (F) of the Municipal Code of Chicago ("Code") to match all amounts of the CTA portion of such tax collected for purposes of providing such tax proceeds to the CTA as required in Section 3-33-030 (F) of the Code.

SECTION 14. To the extent that any ordinance, resolution, rule, order or provision of the Municipal Code or state law, or part thereof, is in conflict with the provisions of this ordinance, the provisions of this ordinance shall be controlling. If any section, paragraph, clause or provision of this ordinance shall be held invalid, the invalidity of such section, paragraph, clause, or provision shall not affect any of the other provisions of this ordinance.

2005 - CIVILIAN OFFICE OF POLICE ACCOUNTABILITY

(0100/1005/2005)

The mission of the Civilian Office of Police Accountability ("COPA") is to provide a just and efficient means to fairly and timely conduct investigations of alleged police misconduct within its jurisdiction. Based on information obtained through such investigations, COPA makes policy recommendations to improve the Chicago Police Department and reduce incidents of police misconduct.

2005 - COMMUNITY COMMISSION FOR PUBLIC SAFETY AND ACCOUNTABILITY

(0100/1005/2005)

The Community Commission for Public Safety and Accountability is made up of two bodies; a citywide Community Commission, which has oversight authority over the Chicago Police Department, the Civilian Office of Police Accountability, and the Police Board; and District Councils elected in each police district to work to improve policing and public safety in the districts. The Community Commission and District Councils work to bring police officers and Chicago residents together to plan, prioritize, and build mutual trust; strengthen the police accountability system; give Chicagoans a meaningful new role in oversight; and explore and advance alternative effective approaches to public safety.

The Department of Environment ("DOE") works to equitably advance the climate and environmental priorities of the City of Chicago. DOE coordinates across all sectors and City departments to mitigate the threats of climate change, alleviate environmental harm in Chicago's most overburdened communities, generate community wealth building opportunities in the green economy, and foster health and resiliency in all 77 communities. "Excavation" means any operation in which earth, rock, or other material located in or on the ground is moved, removed, or otherwise displaced by means of any tools, power equipment or explosives. "Joint meet" means a meeting of all owners or operators of underground facilities located near the project location to exchange information such as maps, plans, schedules, and to discuss the excavation or demolition work. After making the request, the person undertaking the excavation or demolition will receive from 811 Chicago a valid dig ticket and dig number to be associated with any required permits. Each separate entity involved in an excavation or demolition shall acquire its own dig numbers; a dig number acquired by a primary contractor shall not cover work performed by a subcontractor. It shall be a violation of this subsection (a) for the person undertaking the excavation or demolition to request markings at the same location without having begun excavation or demolition within the ~~14~~ 10-day period after initial marking as indicated in the original notice through 811 Chicago.

(5) Limit the excavation or demolition to the specific locations, dates, and times contained in the valid dig ticket received from 811 Chicago, and not begin until after:

A mismarked facility shall be a violation of this requirement.

(2) Beginning January 1, 2027, any owner or operator of an underground facility that receives notice of a planned excavation or demolition from 811 Chicago shall respond electronically to the ticket owner via 811 Chicago no later than the requested date and time using the appropriate status code unless an issue beyond reasonable control prevents the owner or operator from responding. Failure to respond with the appropriate status shall be considered a violation of this section.

(Omitted text is unaffected by this ordinance)

(c) If a person who owns or operates an underground facility receives a notice under this section but does not own or operate any underground facilities within the proposed excavation or demolition area described in the notice, that person, within ~~48 hours~~ two business days after receipt of the notice or by the requested date and time indicated on the notice, whichever is later, shall so notify 811 Chicago. Notice to 811 Chicago from a facility owner that it does not own facilities at the site of the proposed excavation or demolition shall count as a marked facility.

(Omitted text is unaffected by this ordinance)

(b) Upon the receipt of a joint meet notification, an underground facility owner or operator shall attend the joint meet, either in person or remotely, at the specified time and location or inform the digger that it has no underground facilities at the location. If there is a conflict between joint meet notifications, a digger that provided a joint meet notification may receive a communication from an underground facility owner or operator requesting an alternate meeting time or date.

(c) The scope of the project shall be defined at the joint meet and specific project details, including, but not limited to, the number of phases, and the number of excavation crews working for the contractor or subcontractors, to the extent that the information can be determined.

(d) A failure to participate in a joint meet is a violation of this Section 10-21-065.

In such cases, charge and payment shall be made on an estimate prepared by the Comptroller, or the Comptroller's designee, based on the average of 12 preceding readings of such meter, excluding excessive or deficient readings.

If this calculation results in an increase in water bill charges and the Comptroller, or the Comptroller's designee, finds that such increase is through no fault of the owner or person who controls the property, the bill subsequent to the first bill in which the water meter is read after a minimum of 24 consecutive months shall reflect: (i) the actual consumption for the most recent

billing period and (ii) an adjustment of the previous bill to reflect an estimated amount for the previous billing period only.

Starting with the vacation carryover process from 2023 to 2024, seven days' vacation leave may be carried over from the calendar year in which such vacation was due to the next calendar year for employees with 10 years of service or more. If an employee leaves City service prior to the date on which they would have accrued all sick leave that was previously forwarded to them, the employee shall be required to reimburse the City for all unaccrued sick leave used. ~~In the event an employee, or a member of employee's immediate family, experiences a serious health condition within the meaning of the Family and Medical Leave Act, upon request of the employee, the City will advance to said employee up to the full amount of sick time the employee would normally be credited with for the remainder of that calendar year. "Consumer contact information" means a consumer's email address, telephone number, home address, mailing address, or any credit card information necessary to engage in a sales transaction.

"Consumer data" means any information that identifies, relates to, describes, is capable of being associated with, or could reasonably be linked with a consumer, whether directly submitted to the social media business by the consumer or derived from other sources.

"News-gathering organization" means a producer of current news and public interest information that is delivered on an online or mobile platform.

"Social media" means websites, applications, products, and internet platforms that allows consumers to view, share, and otherwise engage with images, videos, and audio presented in types and formats including, but not limited to, performances, promotions, memes, augmented reality, artificial intelligence, and live streams. "Social media" does not include any bona fide news website, application, or platform.

"Social media business" means a for-profit entity that: (a) provides individuals with access to social media and (b) collects, maintains, uses, processes, sells, or shares consumer data, other than consumer contact information, in support of the entity's business activities.

4-156-1020 Tax imposed; rate of tax; application of tax.

(a) Tax imposed. A tax is imposed on the activity of social media amusement by taxing the means by which such media content engagement is most commonly monetized, through the collection and use of consumer data by a social media business in support of the entity's commercial purposes.

(b) The tax is imposed on social media businesses that collect consumer data on more than 100,000 Chicago consumers in a calendar year, based on the number of Chicago consumers from whom a social media platform business collects consumer data within a calendar month. The rate of the tax is $0.50 per the number of Chicago consumers per calendar month in excess of 100,000.

(c) Application.

(1) There shall be a rebuttable presumption that a consumer whose information on record with or available to a social media business indicates a Chicago home address, a

Chicago mailing address, or an internet protocol address or other consumer data on primary usage location connected with a Chicago location is a Chicago consumer for purposes of this article. The burden of proving that a consumer is not a Chicago consumer is on the social media business. For administrative ease, a social media business may create reasonable categorization standards to use in analyzing consumer data to determine if a consumer is a Chicago consumer; however, its reliance on such standards does not alleviate the social media business's burden of proof.

(2) A Chicago consumer shall be counted only once in the calculation of the monthly tax imposed on a social media business. Each calendar month shall be treated as a separate reporting period.

(3) Business entities that are part of a controlled group of corporations as defined in Section 1563(a) of the Internal Revenue Code shall be treated as a single entity for purposes of meeting the definition of a social media business under this article.

4-156-1030 Returns; payment of tax; recordkeeping.

(a) Notwithstanding any other provision of this article, (1) all tax returns shall be filed with the Department of Finance on an annual basis on or before August 15 of each year in accordance with Sections 3-4-186 and 3-4-189 of this Code, (2) all tax remittances shall be made in accordance with either Section 3-4-187 (payment of actual tax liabilities) or Section 3-4-188 (payment of estimated taxes), and (3) the provisions of Sections 3-4-186, 3-4-187, 3-4-188 and 3-4-189 shall control over any contrary provisions in this chapter regarding the subjects covered by those sections.

(b) A social media business shall maintain books and records as required by Section 3-4-170 of this Code.

4-156-1040 Rules of Interpretation.

(a) The definition of "social media business" in this article shall not be construed to include:

(1) an Internet search provider;

(2) an Internet service provider;

(3) an email service;

(4) a streaming service, online video game, or website where the content is not user generated but includes interactive functions that enable chat, comments, reviews, or other interactive functionality that is incidental to, not directly related to or dependent upon providing the content;

(5) a communication service, including text, audio, or video communication technology, provided by a business to the business's employees and clients for use in the course of business activities and not for public distribution, except that a social media business's media access includes a communication service provided to consumers by a social media business;

(6) an advertising network with the sole function of delivering commercial content;

(7) a telecommunications carrier, as defined in United States Code, title 47, section 153;

(8) a broadband service, as defined in 220 ILCS 5/21-201(c);

(9) single-purpose community groups for education or public safety;

(10) teleconferencing or video-conferencing services that allow reception and transmission of audio and video signals for real-time communication, except that a social media business's media access includes teleconferencing or video-conferencing services provided to consumers by a social media business;

(11) cloud computing services or other nonpossessory computer leasing services, which may include cloud storage and shared document collaboration; or

(12) providing or obtaining technical support for a platform, product, or service.

(b) For interpretation of the definition of the term "Chicago consumer" in this article and for provision of evidence to the City in support of refuting the rebuttable presumption described in Section 4-156-1020(c)(1), a social media business may use consumer data or other information already collected or used in the entity's standard practices of consumer data collection and analysis in support of its business purposes. The presentation of such consumer data and information shall be consistent with the entity's representations to third parties considering the purchase or lease of advertising, consumer data, or other services or goods from the entity.

(c) This article shall not be interpreted to require any additional consumer data to be collected, analyzed, or retained by a social media business beyond its standard practices in support of its business purposes.

(d) This article shall not be construed to apply to or affect the rights of any news-gathering organization.

(e) This article shall have no retroactive application. However, the ongoing retention of previously collected or acquired consumer data beyond the effective date of this article shall be treated as substantially identical to consumer data collected or acquired after the effective date.

4-156-1050 Protecting Care Fund.

The Budget Director and the Comptroller shall create and implement a special revenue fund for supports to the City's mental and behavioral health operations and investments (the "Protecting Care Fund") and other accounting measures to track the collection and spending of all proceeds, including penalties, resulting from the imposition of the tax under this chapter.

4-156-1060 Rulemaking.

The Comptroller, in consultation with the Chief Information Officer, is authorized to promulgate rules necessary or appropriate to implement this article.

4-156-1070 Violation; penalty.

Any person who violates this article shall be subject to a fine of not less than $2,500 nor more than $10,000.00 for each offense. Each day that a violation continues shall constitute a separate and distinct offense to which a separate fine shall apply.

ARTICLE X. ALCOHOLIC BEVERAGES TAX

SECTION 1. The City Council of the City of Chicago hereby makes the following findings related to the imposition of a tax on the privilege of purchasing or using, in the City, alcoholic beverages purchased in a sale at retail for consumption off of the premises where such alcoholic beverages are sold: (1) the market patterns around drinking on premises have dramatically shifted since the COVID-19 pandemic, resulting in increased off-premises consumption; (2) consumption of alcoholic beverages off premises create additional impacts on the communities surrounding liquor licenses, including public way drinking, littering, nuisance activity, and disproportionate demands on policing, sanitation, and City Code enforcement; (3) consumption of alcoholic beverages off premises create and exacerbate public health issues regarding public intoxication, over-consumption, and underage drinking where a BASSET-trained server is not present to monitor over-consumption or prevent underage drinking; and (4) the cumulative effect of these negative externalities creates an increased burden on City resources and public health systems, and negatively affects community well-being. Therefore, in order to disincentivize behaviors that often result in such public health and safety concerns, the City Council has determined it is reasonable to tax alcohol consumption off-premises at a different rate.

SECTION 2. Chapter 3-44 of the Municipal Code is hereby amended by inserting a new Section 3-44-031, as follows:

3-44-031 Tax imposed – off premises consumption.

(a) Notwithstanding anything in Section 3-44-030 to the contrary, in addition to any and all other taxes authorized by law excluding the tax imposed by Section 3-44-030, a tax is hereby imposed on the privilege of purchasing or using, in the City, alcoholic beverages purchased in a sale at retail for consumption off of the premises where such alcoholic beverages are sold. This tax shall be paid by the purchaser and nothing in this chapter shall be construed to impose a tax on the occupation of retail or wholesale alcoholic beverage dealer. The rate of the tax under this section shall be one and a half percent of the purchase price, exclusive of any other tax charged for such alcoholic beverages.

(b) On a quarterly basis, the Department of Finance, in consultation with the Department of Business Affairs and Consumer Protection, shall report to the Committee on Finance on the financial impacts of the tax imposed by this section and the compliance with such requirements.

SECTION 3. Section 3-44-050 of the Municipal Code is hereby amended by inserting the language underscored, and by deleting the language struck through, as follows:

3-44-050 Collection.

(a) Except as otherwise provided herein, the tax levied under this chapter ~~herein~~ shall be collected by each wholesale dealer of alcoholic beverages who sells such beverages to a retail dealer of alcoholic beverages located in the City.

(b) Any wholesale alcoholic beverage dealer required to collect~~ion~~ the tax levied by this chapter shall collect the tax from each retail alcoholic beverage dealer in the City to whom the sale of said alcoholic beverages is made, and any such retail alcoholic beverage dealer shall in turn then collect the tax from the purchaser of said alcoholic beverages. (c) If any retailer shall receive or otherwise obtain alcoholic beverages upon which the tax imposed herein applies but has not been collected by any wholesale alcoholic beverage dealer, including any instance where the tax under Section 3-44-030 was collected when the tax under Section 3-44-031 applies, then the retailer shall collect such tax and remit it directly to the department within 30 days of the receipt of such alcoholic beverage.

(d) If a wholesale alcoholic beverage dealer sells alcoholic beverages to a purchaser for use or consumption in the City and not for resale, such wholesale alcoholic beverage dealer shall collect the tax imposed herein from such purchaser and remit it to the department in the same manner as sales to retail alcoholic beverage dealers.

(a) Bonds are hereby authorized to be issued in one or more series in an aggregate principal amount not to exceed $1,800,000,000 (the *"Debt Issuance Limitation"*) for the purpose of implementing the Financing Plan which consists of (A) financing all or a portion of the cost of the Purposes including therewith (i) costs of issuance, including any underwriters' discount, origination fee or similar fee charged by any Purchasers (as hereinafter defined), (ii) capitalized interest on the Bonds, and (iii) credit enhancements (including, but not limited to, premiums for

the purchase of policies of municipal bond insurance with respect to the Bonds) and (B) refinancing Line of Credit Indebtedness relating to interim financing for the Purposes.

(b) The Bonds may be issued from time to time in one or more series in an aggregate principal amount not exceeding the Debt Issuance Limitation, or such lesser amounts as may be determined by an Authorized Officer.

(c) The Bonds of each series may be issued pursuant to, and have such terms and provisions as are set forth in, a Trust Indenture between the City and a Bond Trustee substantially in the form attached as *Exhibit A*, which is incorporated in this Ordinance by this reference, but with such revisions in text as the Authorized Officer executing the same shall determine are necessary or desirable, the execution thereof, and any amendment thereto, by such Authorized Officer to evidence the approval by such Authorized Officer, as applicable, of all such revisions. Such revisions may include, among other things, (i) revisions required in the case of the issuance of a series of Taxable Bonds, (ii) revisions required to accommodate the sale of the Bonds on a forward-delivery basis, (iii) revisions required to accommodate the sale of the Bonds to a Direct Purchaser (as hereinafter defined), and (iv) revisions required to reflect the issuance of the Bonds as Direct Purchase Bonds (as hereinafter defined). With respect to any series of Bonds issued pursuant to a Trust Indenture, in the event of any conflict between the provisions of this Ordinance and such Trust Indenture (including in the form of Bond attached thereto as an exhibit), the terms of such Trust Indenture shall be deemed to control. An Authorized Officer is authorized to enter into one or more of such Trust Indentures from time to time on behalf of the City.

(d) The Bonds will bear interest at fixed rates and pay interest as described below. Each series of Bonds shall be dated such date as shall be agreed upon by an Authorized Officer and the purchasers of such Bonds, shall be in fully registered form, shall be in such minimum denominations and integral multiples thereof as shall be agreed upon by an Authorized Officer and the purchasers of such Bonds (but no single Bond shall represent installments of principal maturing on more than one date), and shall be numbered as determined by the applicable Bond Registrar (as hereinafter defined).

All or any portion of the Bonds may be issued and sold from time to time as a direct purchase (the *"Direct Purchase Bonds"*) to a purchaser or purchasers other than an Underwriter (as hereinafter defined) (individually, a *"Direct Purchaser"* and collectively, the *"Direct Purchasers"*). The Direct Purchase Bonds shall be sold as provided in Section 2.18 hereof.

(e) Any series of the Bonds may be issued on a forward-delivery basis.

(f) The principal of the Bonds of each series shall become due and payable on or before 40 years after the date of issuance of such series. Each series of Bonds shall bear interest at a rate or rates not to exceed 12 percent per annum. Any portion of the Bonds may be issued as Taxable Bonds or Tax-Exempt Bonds as determined by an Authorized Officer to be beneficial to the City.

(g) Each Bond shall bear interest from the later of its date or the most recent interest payment date to which interest has been paid or duly provided for, until the principal amount of such Bond is paid, such interest (computed upon the basis of a 360-day period of twelve 30-day months) being payable on the dates as shall be determined by an Authorized Officer at the time of the sale of each series of Bonds. Interest on each Bond shall be paid to the person in whose name such Bond is registered at the close of business on the 15th day of the month next preceding the interest payment date, by check or draft of the applicable Bond Registrar, or, at the

option of any registered owner of $1,000,000 or more in aggregate principal amount of Bonds of a series, by wire transfer of immediately available funds to such bank in the continental United States of America as the registered owner of such Bonds shall request in writing to the applicable Bond Registrar.

The principal of the Bonds and any redemption premium shall be payable in lawful money of the United States of America upon presentation and surrender thereof at the designated corporate trust office of the applicable Bond Registrar.

(h) Each of the Bonds shall be designated "General Obligation Bonds, Series ____" or shall have such other designations or descriptions as determined by an Authorized Officer to be necessary to properly identify and differentiate the Bonds at the time of the sale of the Bonds, and with such other additions, modifications or revisions as shall be determined to be necessary by an Authorized Officer at the time of the sale of such Bonds to reflect the calendar year of issuance of the Bonds, the order of sale of the Bonds, the specific series of the Bonds, whether the Bonds are being issued as Taxable Bonds or Tax-Exempt Bonds, whether the Bonds are Direct Purchase Bonds, the purposes for which the Bonds are being sold and any other authorized features of the Bonds determined by an Authorized Officer as desirable to be reflected in the title of the Bonds being issued and sold. As used in this Ordinance, *"City Clerk"* shall mean the duly qualified and acting City Clerk of the City or any Deputy City Clerk or other person who may lawfully take a specific action or perform a specific duty prescribed for the City Clerk pursuant to this Ordinance.

Section 2.3. Execution and Authentication.

(a) The seal of the City or a facsimile thereof shall be affixed to or printed on each of the Bonds, and the Bonds shall be executed by the manual or facsimile signature of the duly qualified and acting Mayor and attested by the manual or facsimile signature of the City Clerk, and in case any officer whose signature shall appear on any Bond shall cease to be such officer before the delivery of such Bond, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery.

(b) All Bonds shall have thereon a certificate of authentication substantially in the form hereinafter set forth duly executed by the applicable Bond Registrar or Bond Trustee as authenticating agent of the City and showing the date of authentication. No Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit under this Ordinance unless and until such certificate of authentication shall have been duly executed by the applicable Bond Registrar or Bond Trustee by manual signature, and such certificate of authentication upon any such Bond shall be conclusive evidence that such Bond has been authenticated and delivered under this Ordinance. The certificate of authentication on any Bond shall be deemed to have been executed by the applicable Bond Registrar or Bond Trustee if signed by an authorized officer of such Bond Registrar or Bond Trustee, but it shall not be necessary that the same officer sign the certificate of authentication on all of the Bonds issued under this Ordinance.

Section 2.4. Registration and Transfer.

(a) The City shall cause books (the "*Bond Register*") for the registration and for the transfer of each series of Bonds as provided in this Ordinance to be kept at the designated corporate trust office of a bank or trust company designated by an Authorized Officer, as the registrar for the City in connection with such series of Bonds (the *"Bond Registrar"*), which shall, with respect to a series of Bonds issued pursuant to a Trust Indenture, be the Bond Trustee for

such series of Bonds. The City is authorized to prepare multiple Bond blanks executed by the Mayor and attested by the City Clerk for use in the transfer and exchange of Bonds.

(b) Upon surrender for transfer of any Bond at the designated corporate trust office of the applicable Bond Registrar, duly endorsed by, or accompanied by a written instrument or instruments of transfer in form satisfactory to such Bond Registrar and duly executed by the registered owner or its attorney duly authorized in writing, the City shall execute and such Bond Registrar shall authenticate, date and deliver in the name of the transferee or transferees one or more fully registered Bonds of the same series, interest rate and maturity of authorized denominations, for a like principal amount. Any Bond or Bonds may be exchanged at said office of the applicable Bond Registrar for a like aggregate principal amount of Bonds of the same series, type, interest rate and maturity of other authorized denominations. The execution by the City of any fully registered Bond shall constitute full and due authorization of such Bond, and the applicable Bond Registrar shall thereby be authorized to authenticate, date and deliver such Bond; *provided* that the aggregate principal amount of Bonds of each series, maturity and interest rate authenticated by the applicable Bond Registrar or Bond Trustee shall not exceed the authorized principal amount of Bonds for such series, maturity and interest rate less previous retirements.

(c) The applicable Bond Registrar shall not be required to transfer or exchange (i) any Bond after notice calling such Bond for redemption has been mailed, or (ii) any Bond during a period of 15 days next preceding mailing of a notice of redemption of such Bond; *provided, however*, that provisions relating to the transfer or exchange of Bonds of a series shall be as determined by an Authorized Officer at the time of the sale of such series and may be set forth in a notification of sale as described in Section 2.18(i) hereof (a *"Notification of Sale"*).

(d) The person in whose name any Bond is registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of the principal of, redemption premium, if any, or interest on any Bond, as appropriate, shall be made only to or upon the order of the registered owner thereof or its legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

(e) No service charge shall be made for any transfer or exchange of Bonds, but the City or the applicable Bond Registrar may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds, except that no such payment may be required in the case of the issuance of a Bond or Bonds for the unredeemed portion of the Bond surrendered for redemption.

Section 2.5. Book-Entry Only System. If so determined and directed by an Authorized Officer in connection with the sale of any of the Bonds, such Bonds may be issued in book-entry only form. In connection with the issuance of Bonds in book-entry only form, an Authorized Officer is authorized to execute and deliver to the book-entry depository selected by such Authorized Officer such depository's standard form of representation letter. If any of the Bonds are registered in the name of a securities depository which uses a book-entry system, the standing of the beneficial owner to enforce any of the covenants herein may be established through the books and records of such securities depository or a participant therein.

Section 2.6. Replacement of Bonds. If any Bond, whether in temporary or definitive form, is lost (whether by reason of theft or otherwise), destroyed (whether by mutilation, damage, in whole or in part, or otherwise) or improperly cancelled, the applicable Bond Registrar may

authenticate a new Bond of like series, date, maturity date, interest rate, denomination and principal amount and bearing a number not contemporaneously outstanding; *provided* that (i) in the case of any mutilated Bond, such mutilated Bond shall first be surrendered to the applicable Bond Registrar, and (ii) in the case of any lost Bond or Bond destroyed in whole, there shall be first furnished to the applicable Bond Registrar evidence of such loss or destruction, together with indemnification of the City and such Bond Registrar, satisfactory to such Bond Registrar. If any lost, destroyed or improperly cancelled Bond shall have matured or is about to mature, or has been called for redemption, instead of issuing a duplicate Bond, the applicable Bond Registrar shall pay the same without surrender thereof if there shall be first furnished to such Bond Registrar evidence of such loss, destruction or cancellation, together with indemnity, satisfactory to it. Upon the issuance of any substitute Bond, the applicable Bond Registrar may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto.

Section 2.7. Redemption and Repurchase.

(a) The Bonds may be made subject to redemption prior to maturity at the option of the City, in whole or in part on any date, at such times and at such redemption prices (to be expressed as a percentage of the principal amount of Bonds being redeemed to be redeemed) not to exceed 120 percent, plus, accrued interest to the date of redemption, as determined by an Authorized Officer at the time of the sale thereof.

(b) Notwithstanding the foregoing, such 120 percent limitation on the redemption price of Bonds shall not apply where the redemption price is based upon a formula designed to compensate the owner of the Bonds to be redeemed based upon prevailing market conditions on the date fixed for redemption, commonly known as a "make-whole" redemption price (the *"Make-Whole Redemption Price"*). At the time of sale of the Bonds, an Authorized Officer shall determine the provisions of the formula to be used to establish any Make-Whole Redemption Price, which may vary depending on whether the Bonds are issued as Taxable Bonds or Tax-Exempt Bonds. An Authorized Officer shall confirm and transmit the applicable Make-Whole Redemption Price on such dates and to such parties as shall be necessary to effectuate such redemption.

(c) If fewer than all of the outstanding Bonds of a series are to be optionally redeemed, the Bonds to be called shall be called from such maturities and interest rates of such series as may be determined by an Authorized Officer.

(d) Certain of the Bonds of a series may be made subject to mandatory redemption, at par and accrued interest to the date fixed for redemption, as determined by an Authorized Officer at the time of the sale thereof.

(e) An Authorized Officer is authorized to sell (at a price determined by such Authorized Officer to be in the best interests of the City) or waive any right the City may have to call any of the Bonds for optional redemption, in whole or in part, and is further authorized to expend the proceeds of any such sales for any purpose for which the proceeds of the Bonds are authorized to be expended and for the payment or prepayment of any City debt obligations whether issued before or after the date of adoption of this Ordinance, all as determined by an Authorized Officer; *provided however,* to the extent that interest on such Bonds is excluded from gross income for federal income tax purposes, such expenditures shall not adversely affect such exclusion. If determined to be necessary or appropriate, an Authorized Officer is authorized to solicit the consent of holders of outstanding Bonds to any such sale or waiver.

(f) At the time of sale of Bonds of a series, an Authorized Officer is authorized to determine the manner of redeeming such Bonds, either by lot in the manner hereinafter provided or pro-rata in the manner determined by an Authorized Officer at the time of sale, if less than all of the Bonds of the same series, maturity and interest rate are to be redeemed.

(g) The Bonds shall be redeemed only in amounts equal to the respective minimum authorized denominations and integral multiples thereof. In the event of the redemption of fewer than all the Bonds of the same series, maturity and interest rate by lot, the aggregate principal amount thereof to be redeemed shall be the minimum authorized denomination for such series or an integral multiple thereof, and the applicable Bond Registrar shall assign to each Bond of such series, maturity and interest rate, a distinctive number for each minimum authorized denomination of such Bond and shall select by lot from the numbers so assigned as many numbers as, at such minimum authorized denomination for each number, shall equal the principal amount of such Bonds to be redeemed. In such case, the Bonds to be redeemed shall be those to which were assigned numbers so selected; *provided* that only so much of the principal amount of each Bond shall be redeemed as shall equal such minimum authorized denomination for each number assigned to it and so selected. In the event of the redemption of fewer than all Bonds of the same series, maturity and interest rate on a pro-rata basis, if the Bonds are held in book-entry form at the time of redemption, at the time of sale of the Bonds, an Authorized Officer is authorized to direct the Bond Registrar to instruct the book-entry depository to select the specific Bonds within such maturity and interest rate for redemption pro-rata among such Bonds. The City shall have no responsibility or obligation to ensure that the book-entry depository properly selects such Bonds for redemption.

(h) An Authorized Officer shall, at least 45 days prior to any optional redemption date (unless a shorter time period shall be satisfactory to the applicable Bond Registrar), notify the applicable Bond Registrar of such redemption date and of the principal amount of Bonds of such series to be redeemed.

(i) In connection with any mandatory redemption of Bonds of a series as authorized above, the principal amounts of Bonds of such series to be mandatorily redeemed in each year may be reduced through the earlier optional redemption thereof, with any partial optional redemptions of such Bonds of such series credited against future mandatory redemption requirements in such order of the mandatory redemption dates as an Authorized Officer may determine. In addition, on or prior to the 60th day preceding any mandatory redemption date of Bonds of a series, the applicable Bond Registrar may, and if directed by an Authorized Officer shall, purchase Bonds of such series required to be retired on such mandatory redemption date at such prices as an Authorized Officer shall determine. Any such Bonds so purchased shall be cancelled and the principal amount thereof shall be credited against the payment required on such next mandatory redemption date with respect to such series of Bonds.

(j) The applicable Bond Registrar shall promptly notify the City in writing of the Bonds, or portions thereof, selected for redemption and, in the case of any Bond selected for partial redemption, the principal amount and the interest rate thereof to be redeemed.

(k) Subject to the limitation on redemption price set forth above, the terms of such redemption shall be determined by an Authorized Officer at the time of sale of the Bonds of each series and may be set forth in a Notification of Sale.

Section 2.8. Notice of Redemption.

(a) Unless waived by any owner of Bonds to be redeemed, notice of the call for any such redemption shall be given by the applicable Bond Registrar on behalf of the City by mailing the redemption notice by first class mail at least 20 days and not more than 60 days prior to the date fixed for redemption to the registered owner of the Bond or Bonds to be redeemed at the address shown on the applicable Bond Register or at such other address as is furnished in writing by such registered owner to such Bond Registrar, but the failure to mail any such notice or any defect therein as to any Bond shall not affect the validity of the proceedings for the redemption of any other Bond. Any notice of redemption mailed as provided in this Section shall be conclusively presumed to have been given whether or not actually received by the addressee.

(b) All notices of redemption shall state:

(1) the series designation of the Bonds to be redeemed,

(2) the redemption date,

(3) the redemption price, or in the case of a redemption of Bonds at a Make-Whole Redemption Price, a description of the formula by which the redemption price shall be determined,

(4) if less than all outstanding Bonds of a series are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts and interest rates) of the Bonds to be redeemed,

(5) that on the redemption date the redemption price will become due and payable upon each such Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date,

(6) the place where such Bonds are to be surrendered for payment of the redemption price, which place of payment shall be the designated corporate trust office of the applicable Bond Registrar, and

(7) such other information as shall be deemed necessary by the applicable Bond Registrar at the time such notice is given to comply with law, regulation or industry standard.

(c) With respect to an optional redemption of any series of Bonds, such notice may state that said redemption is conditioned upon the receipt by the applicable Bond Registrar on or prior to the date fixed for redemption of moneys sufficient to pay the redemption price of the Bonds of such series. If such moneys are not so received, such redemption notice shall be of no force and effect, the City shall not redeem such Bonds and the applicable Bond Registrar shall give notice, in the same manner in which the notice of redemption was given, that such moneys were not so received and that such Bonds will not be redeemed. Unless the notice of redemption shall be made conditional as provided above, on or prior to any redemption date for a series of Bonds, the City shall deposit with the applicable Bond Registrar an amount of money sufficient to pay the redemption price of all the Bonds or portions thereof of such series which are to be redeemed on that date.

(d) Notice of redemption having been given as aforesaid, the Bonds, or portions thereof, so to be redeemed shall, on the redemption date, become due and payable at the redemption price therein specified, and from and after such date (unless the City defaults in the payment of the redemption price or unless, in the event of a conditional notice as described above, the necessary moneys were not deposited) such Bonds, or portions thereof, shall cease to bear or accrue interest. Upon surrender of such Bonds for redemption in accordance with said notice, such Bonds shall be paid by the applicable Bond Registrar at the redemption price. Installments of interest due on or prior to the redemption date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Bond, there shall be prepared for the registered owner a new Bond or Bonds of the same series, interest rate and maturity in the amount of the unpaid principal.

(e) If any Bond or portion thereof called for redemption shall not be so paid upon surrender thereof for redemption, the principal shall, until paid, bear interest from the redemption date at the rate borne by such Bond, or portion thereof, so called for redemption. All Bonds which have been redeemed shall be cancelled and destroyed by the applicable Bond Registrar and shall not be reissued.

(f) If any Bond is not presented for payment when the principal amount thereof becomes due, either at maturity or at a date fixed for redemption thereof or otherwise, and if moneys sufficient to pay such Bond are held by the applicable Bond Registrar for the benefit of the registered owner of such Bond, such Bond Registrar shall hold such moneys for the benefit of the registered owner of such Bond without liability to the registered owner for interest. The registered owner of such Bond thereafter shall be restricted exclusively to such funds for satisfaction of any claims relating to such Bond.

Section 2.9. Form of Bonds. The Bonds of each series shall be prepared in substantially the following form with such insertions and revisions as shall be necessary to reflect the terms and provisions of the sale of the Bonds of such series pursuant to Section 2.18 hereof; *provided* that if the text of any Bond is to be printed in its entirety on the front side of such Bond, then the text shown or appearing on the reverse side of such Bond shall replace the second paragraph on the front side of the form of the Bond shown below and the legend, "See Reverse Side for Additional Provisions," shall be omitted.

All Bonds may be prepared with such insertions and revisions as shall be necessary in connection with the issuance of such Bonds as Direct Purchase Bonds or for the sale of such Bonds to a Direct Purchaser.

Section 2.10. General Obligations. Each Bond shall be a direct and general obligation of the City for the payment of which (as to principal, interest and redemption premium, if any, as appropriate) the City pledges its full faith and credit. Each Bond shall be payable (as to principal, interest and redemption premium, if any, as appropriate) from any moneys, revenues, receipts, income, assets or funds of the City legally available for such purpose, including but not limited to the proceeds of the Pledged Taxes (as defined in Section 2.11 hereof), except as provided in Section 2.11 hereof. Repayment of one or more series of Bonds may be secured by repayments of loans funded by such Bonds, if determined by an Authorized Officer at the time of issuance of such Bonds to be in the best interests of the City. Each Authorized Officer is authorized to make such determinations.

Section 2.11. Tax Levy.

(a) For the purpose of providing the funds required to pay as the same become due (i) the principal of and interest and redemption premium, if any, on the Bonds, and (ii) to the extent determined by an Authorized Officer to be necessary or desirable, periodic fees and expenses payable to parties involved in the provision of ongoing services relating to the Bonds, such as rating agencies and entities providing financial market information to be used in connection with the structuring and sale of the Bonds (the *"Ongoing Financing Services"*), there is hereby levied upon all of the taxable property within the City, in the years for which any of said Bonds are outstanding, a direct annual tax sufficient for that purpose, provided, however, that such levy shall not exceed $235,000,000 in any single levy year. Such levy for a series of the Bonds shall be fully set forth in one or more Notifications of Sale delivered in connection with the sale of such series of the Bonds; provided that collections of such levy for any year in an amount in excess of that necessary to make the payments described in clauses (i) and (ii), above (x) may be used for any lawful public purpose designated by the City Council or (y) may be reduced and abated by an Authorized Officer if such reduction is deemed desirable by an Authorized Officer in connection with the sale or sales of the Bonds, in each case as determined from time to time by an Authorized Officer as provided in Section 2.18 hereof.

(b) The tax levy made in this Section is not subject to the "*Aggregate Levy*" limitation contained in the Chicago Property Tax Limitation Ordinance contained in Chapter 3-92 of the Municipal Code of Chicago (the *"Municipal Code"*), and Section 3-92-020 of the Municipal Code is superseded to exclude the tax levy herein from the definition of "Aggregate Levy" contained therein.

(c) The term "*Pledged Taxes*" means the taxes hereinabove levied for collection for the purpose of providing the funds necessary to make the payments described in clauses (a)(i) and (ii) of this Section, and also includes any amounts deposited into the hereinafter-defined Bond Fund or deposited with the Ad Valorem Tax Escrow Agent (as defined in Section 2.13 hereof) by an Authorized Officer for the purpose of paying principal of and interest on the Bonds and any accrued interest received and deposited in the Bond Fund or the Ad Valorem Tax Escrow Account, if established pursuant to Section 2.13 hereof.

The City reserves the right to abate all or a portion of the Pledged Taxes required to be levied in any year if and to the extent on or before March 31 of the next succeeding calendar year (or such earlier date as may be required by law), the City has on hand amounts dedicated to the payments described in clause (i) of paragraph (a) of this Section due during the one-year period commencing on January 2 of such succeeding calendar year. The City may, but shall not be required to, cause the levy or extension in any year of taxes for the payment of the costs of Ongoing Financing Services.

Section 2.12. Continuing Appropriation. The City shall appropriate or otherwise provide amounts sufficient to pay principal of and interest on the Bonds for the years such amounts are due, and the City covenants to take timely action as required by law to carry out the provisions of this Section, but, if for any such year it fails to do so, this Ordinance shall constitute a continuing appropriation of such amounts without any further action on the part of the City Council.

Section 2.13. Bond Funds. Each Authorized Officer is authorized to establish one or more special accounts, if determined to be necessary in connection with the sale of any of the Bonds, separate and segregated from all other funds and accounts of the City (each a "*Bond Fund*"), which shall be (i) held by an Authorized Officer, or (ii) maintained by a Bond Trustee pursuant to a Trust Indenture, or (iii) maintained with a bank or trust company to be designated by an Authorized Officer (each an "*Ad Valorem Tax Escrow Account*") pursuant to an escrow agreement (each an "*Ad Valorem Tax Escrow Agreement*"), between the City and the applicable Escrow Agent named therein (each an "*Ad Valorem Tax Escrow Agent*"), and each Authorized Officer is authorized to execute and deliver one or more Ad Valorem Tax Escrow Agreements in connection with the sale of the Bonds in such form as the officers so executing such agreement may deem appropriate in accordance with the provisions of this Ordinance.

Section 2.14. Direct Deposit of Pledged Taxes. In lieu of the proceeds of the Pledged Taxes being deposited with the City Treasurer of the City (the "*City Treasurer*"), each Authorized Officer is authorized to direct the County Collectors (the "*County Collectors*") of The County of Cook, Illinois ("*Cook County*") and The County of DuPage, Illinois ("*DuPage County*") to deposit the proceeds of the Pledged Taxes directly into the Bond Fund held pursuant to the applicable Trust Indenture or the applicable Ad Valorem Tax Escrow Account, if such Trust Indenture has been executed and delivered or such Ad Valorem Tax Escrow Account has been created.

Section 2.15. Legally Available Funds. If the Pledged Taxes to be applied to the payment of the Bonds are not available in time to make any payments of principal of or interest on the Bonds when due, then an Authorized Officer is directed to make such payments from any other moneys, revenues, receipts, income, assets or funds of the City that are legally available for that purpose in advance of the collection of such Pledged Taxes, and when the proceeds thereof are received, such other funds shall be replenished, all to the end that the credit of the City may be preserved by the prompt payment of the principal of and interest on the Bonds as the same become due.

Section 2.16. Filing of Ordinance and Notification of Sale with County Clerks. A copy of this Ordinance, duly certified by the City Clerk, and a copy of each Notification of Sale shall be filed in the respective offices of the County Clerks of Cook County and DuPage County (the "*County Clerks*"), and such filing of each Notification of Sale shall constitute the authority for, and it shall be the duty of, the County Clerks to extend the taxes levied pursuant to Section 2.11 hereof for collection in such years as shall be indicated in each such Notification of Sale, such taxes to be in addition to and in excess of all other taxes heretofore or hereafter authorized to be levied by the City on its behalf.

Section 2.17. Additional Filings of Ordinance. A copy of this Ordinance, duly certified by the City Clerk, shall also be filed with each applicable Bond Trustee, each applicable Ad Valorem Tax Escrow Agent, if any, each applicable Bond Registrar, and if the County Collectors are authorized to deposit the proceeds of the Pledged Taxes levied pursuant to Section 2.11 hereof directly with a Bond Trustee or an Ad Valorem Tax Escrow Agent pursuant to Section 2.14 hereof, with such County Collectors.

Section 2.18. Bond Sales.

(a) Each Authorized Officer is authorized to sell all or any portion of the Bonds from time to time (i) to or at the direction of an underwriter or group of underwriters to be selected by such Authorized Officer (the "*Underwriters*"), or (ii) to or at the direction of a Direct Purchaser (the Underwriters and Direct Purchasers being collectively referred to herein as the "*Purchasers*"), on such terms as such Authorized Officer may deem to be in the best interests of the City within the limitations set forth in this Ordinance, with the concurrence of the Chairman of the Finance Committee.

(b) The principal amount of and the interest on the Bonds due in any levy year of each series and maturity in the aggregate (after taking into account (i) interest on the Bonds of such series to be paid from proceeds of such series and (ii) mandatory redemptions) shall not exceed the maximum annual levy amount specified in Section 2.11 hereof. The Bonds may be sold from time to time as an Authorized Officer shall determine that the proceeds of such sales are needed.

(c) Each Authorized Officer is authorized and directed to (i) refinance any Line of Credit Indebtedness relating to interim financing of any Purposes by application of the proceeds of sale of the Bonds and (ii) determine the amount of proceeds of the Bonds, if any, to be applied to such refinancing of Line of Credit Indebtedness.

(d) An Authorized Officer is authorized to execute and deliver a contract of purchase with respect to each sale of the Bonds to, or at the direction of, the Underwriters, in substantially the form previously used for similar general obligation bonds of the City (the "*Contract of Purchase*"), with appropriate revisions to reflect the terms and provisions of the Bonds and such other revisions in text as an Authorized Officer shall determine are necessary or desirable in connection with the sale of the Bonds, including, if applicable, customary provisions relating to the sale of all or a portion of the Bonds on a forward delivery basis if such Authorized Officer finds and determines that a forward delivery of such Bonds is in the best interest of the City. Bonds sold pursuant to a Contract of Purchase shall be sold at a price of not less than 85 percent of the principal amount of the Bonds being sold. The compensation paid to the Underwriters in connection with any sale of Bonds shall not exceed five percent of the principal amount of the Bonds being sold. Nothing contained in this Ordinance shall limit the sale of the Bonds or any maturity or maturities thereof at a price or prices in excess of the principal amount thereof.

(e) The Bonds may be sold as Direct Purchase Bonds in a manner and containing such terms authorized by an Authorized Officer, including pursuant to a placement agent arrangement, to one or more Direct Purchasers, such Direct Purchasers to be selected by an Authorized Officer and such sale being permitted at a price of not less than 85 percent of the principal amount of the Direct Purchase Bonds being sold. The compensation paid to any Direct Purchaser in connection with the sale of Bonds, including any origination fee, shall not exceed five percent of the principal amount of the Bonds being sold. An Authorized Officer is authorized to do all such things and to execute and deliver such additional documents, agreements and certificates as shall be necessary in connection with the sale of Direct Purchase Bonds. Furthermore, an Authorized Officer is authorized to (i) negotiate the terms and provisions of such Direct Purchase Bonds in addition to or as an alternative to the terms and provisions of the Trust Indenture securing the applicable series of Bonds and (ii) provide such certifications on behalf of the City as may be required by a Direct Purchaser

(f) In connection with any sale of the Bonds, an Authorized Officer is authorized to obtain one or more policies of bond insurance from recognized bond insurers selected by an

Authorized Officer, if such Authorized Officer determines such bond insurance to be desirable in connection with such sale of the Bonds. Either Authorized Officer may, on behalf of the City, make covenants with such bond insurer that are not inconsistent with the provisions of this Ordinance and are necessary to carry out the purposes of this Ordinance.

(g) Following the final sale of Bonds of all series under this Ordinance, the final Notification of Sale to the City Council described in paragraph (i) of this Section shall notify the City Council of the total of all taxes levied in each year pursuant to paragraph (a) of Section 2.11 hereof for all Bonds issued pursuant to this Ordinance.

(h) The preparation, use and distribution of a preliminary official statement, an official statement, a limited offering memorandum, a private placement memorandum, or any other disclosure document (each a *"Disclosure Document"* and collectively, the *"Disclosure Documents"*) relating to each sale and issuance of any series of the Bonds are ratified and approved. Each Authorized Officer is authorized to execute and deliver a Disclosure Document relating to each sale and issuance of such series of the Bonds on behalf of the City. The Disclosure Documents herein authorized shall contain the terms and provisions of and security for the Bonds, the manner in which the Bonds shall be sold, the use of proceeds of the Bonds, financial information for the City, and such other information as an Authorized Officer determines to be advisable under the circumstances.

(i) In connection with the sale of any series of Bonds, an Authorized Officer shall file in the office of the City Clerk and, for any series of Bonds for which the Pledged Taxes will be levied, the County Clerks, a Notification of Sale directed to the City Council setting forth, as applicable, (i) the series designation, the aggregate principal amount and authorized denominations of, maturity schedule and redemption provisions for such Bonds sold, (ii) the principal amounts and interest rates on such Bonds sold, (iii) information regarding the specific Line of Credit Indebtedness or any portion thereof to be refinanced with proceeds of Bonds, (iv) the identity of the insurer or insurers issuing the bond insurance policy or policies, if any, referred to in paragraph (f) of this Section, (v) the identity of the Bond Trustees, if any, selected for such Bonds, (vi) the identity of the applicable Bond Registrar, if any, selected by an Authorized Officer for such Bonds, (vii) the identity of, and compensation paid to, any Underwriter in connection with such sale, (viii) the identity of, and compensation, including origination fee, paid to, any Direct Purchaser in connection with such sale, (ix) the amount of Pledged Taxes levied pursuant to Section 2.11 with respect to the Bonds for each year during which the Bonds are outstanding, (x) whether repayment of such Bonds is secured by repayments of loans made from proceeds of such Bonds, and (xi) any other matter authorized by this Ordinance to be determined by an Authorized Officer at the time of the sale of the Bonds of each series.

(j) In connection with any sale of the Bonds, an Authorized Officer is authorized to execute and deliver one or more agreements of the City (each a *"Continuing Disclosure Undertaking"*) to comply with the requirements of Section (b)(5) of Rule 15c2-12 adopted by the Securities and Exchange Commission (*"SEC"*) under the Securities Exchange Act of 1934 (*"Rule 15c2-12"*). Upon its execution and delivery on behalf of the City as herein provided, each Continuing Disclosure Undertaking will be binding on the City, and the officers, employees and agents of the City are authorized to do all such acts and things and to execute all such documents as may be necessary to carry out and comply with the provisions of each Continuing Disclosure Undertaking as executed. Each Authorized Officer is further authorized to amend each Continuing Disclosure Undertaking in accordance with its respective terms from time to time following its execution and delivery as that Authorized Officer shall deem necessary. In addition, an Authorized Officer is authorized to make all future filings with the Electronic Municipal Market

Access system operated by the Municipal Securities Rulemaking Board or such other municipal securities information repository as shall be designated by the SEC, all in accordance with the provisions of Section (b)(5) of Rule 15c2-12. Notwithstanding any other provision of this Ordinance, the sole remedies for any failure by the City to comply with any Continuing Disclosure Undertaking shall be the ability of the beneficial owner of any applicable Bond to seek mandamus or specific performance by court order to cause the City to comply with its obligations under such Continuing Disclosure Undertaking.

(k) The Bonds shall be duly prepared and executed in the form and manner provided herein and delivered to the Purchasers in accordance with the applicable terms of sale.

(l) Each Authorized Officer, the City Treasurer and the City Clerk are each authorized to execute and deliver such other documents and agreements (including such contracts for goods, work and/or services, such intergovernmental agreements, such loan agreements or such grant agreements with parties receiving proceeds of the Bonds, Line of Credit Proceeds or the Corporate Funds (as hereinafter defined) (Line of Credit Proceeds, Bond proceeds and Corporate Funds being collectively hereinafter referred to as "*Authorized Funds*") as an Authorized Officer shall deem necessary and appropriate) and perform such other acts prior to or following the issuance of the Line of Credit Indebtedness or Bonds as may be necessary or desirable in connection with the issuance of the Line of Credit Indebtedness or Bonds and any transactions contemplated herein related to the application of the Authorized Funds or collections or application of Pledged Taxes levied for the payment of the Bonds or other purposes hereunder, but subject to any limitations on or restrictions of such power or authority as herein set forth. Any such actions heretofore taken by an Authorized Officer, the City Treasurer or the City Clerk in accordance with the provisions hereof are ratified and approved. With respect to each grant or loan of Authorized Funds or with respect to each contract for goods, work and/or services paid from Authorized Funds, each Authorized Officer is authorized to designate in writing, with the written concurrence of the Budget Director of the City (the "*Budget Director*"), (i) one or more City departments or agencies to administer such grant or loan of Authorized Funds or contract for goods, work and/or services paid from Authorized Funds, and/or (ii) the head of the City department or agency who shall be authorized to execute a grant or loan agreement or contract for goods, work and/or services paid from Authorized Funds and such other documents, agreements or instruments as shall be deemed necessary or desirable by such City department or agency head. Upon any such written designation by an Authorized Officer pursuant to clause (i) above, such City department or agency shall be authorized to administer such grant or loan of Authorized Funds or contract for goods, work and/or services paid from Authorized Funds. Upon any such written designation by an Authorized Officer pursuant to clause (ii) above, the head of such City department or agency shall be authorized to execute a grant agreement, loan agreement or contract for goods, work and/or services, as applicable, and such other documents, agreements or instruments as such official shall deem necessary or desirable. The designations in clauses (i) and (ii) above may be effected in the same document. Each loan of Authorized Funds shall bear interest at a rate or rates not exceeding 15 percent per annum, shall have repayment terms not exceeding 40 years and shall have such other terms and conditions as the City official executing such loan agreement shall deem to be in the best interests of the City. With respect to each grant or loan of Authorized Funds and each contract for goods, work and/or services paid from Authorized Funds, the City official executing such grant agreement, loan agreement or contract, as applicable is authorized to (x) select the grantee, the borrower or the contractor and (y) determine such other terms and conditions (except as otherwise provided hereinabove) in the grant agreement, the loan agreement or the contract, as applicable, as the City official executing such loan agreement or contract, as applicable, shall deem to be in the best interests of the City, including requirements with respect to security for repayments of such loan.

Section 2.19. Application of Authorized Funds; Reporting.

(a) The proceeds from the sale of any series of the Bonds or the proceeds of Authorized Funds, as applicable, shall be used as follows:

(1) The sum of Bond proceeds representing the accrued interest received, if any, shall be used to pay the first interest becoming due on the Bonds sold, and to that end, shall be deposited in the applicable Bond Fund, if established.

(2) From the sale proceeds derived from any such sale of a series of the Bonds, (i) such sum as may be determined by an Authorized Officer to be necessary to pay not more than three years of interest on the Bonds may be used to pay such interest, and to that end, may be deposited in the applicable Bond Fund established for such Bonds; (ii) the sum determined by an Authorized Officer to be necessary to pay the costs of the Purposes shall be set aside, held and invested at the direction of an Authorized Officer, as separate funds of the City pending such payment, and (iii) the sum determined to be necessary by an Authorized Officer to reimburse the Corporate Fund for amounts paid therefrom to fund costs of the Purposes in accordance with Section 2.24 hereof.

(b) From the sale proceeds of a series of the Bonds not applied as provided in paragraph (a) of this Section, the amount deemed necessary by an Authorized Officer shall be applied to the payment of the costs of issuance of such Bonds, including the premium or fee for bond insurance, if any, and any unexpended portion of the sale proceeds shall be either (i) deposited into the Bond Fund for such series of the Bonds or (ii) be paid to the City and deposited by the City into such funds or accounts as necessary to effectuate the Financing Plan for which such Bonds were issued.

(c) The costs of the Purposes may be paid directly by the City or may be financed by the making of grants, contracts or loans for the implementation of the Financing Plan as described in Section 2.18(l) hereof. Notwithstanding any other provision of this Ordinance, (i) each grant or loan of Authorized Funds shall be made only for a capital project located within the City at the written direction of an alderman representing the ward in which all or a portion of the capital project is located, and (ii) no more than $150,000,000 of the proceeds of the Bonds shall be used, directly or indirectly, for such grants or loans.

(d) An Authorized Officer shall report to the City Council with respect to the expenditure of Authorized Funds to pay the costs of the Purposes. Such reports shall be made no later than August 1 of each year, commencing August 1 of the year immediately succeeding the year in which any Authorized Funds are first expended for Purposes, with respect to expenditures made during the preceding calendar year. No report shall be required hereunder following any calendar year in which no Authorized Funds are expended to pay costs of the Purposes.

(e) Notwithstanding any provision of the Municipal Code, investments acquired with proceeds of the Bonds or investment income thereon may include but are not limited to agreements entered into between the City and providers of securities under which agreements such providers agree to purchase from or sell to the City specified securities on specific dates at predetermined prices, all as established at the time of execution of any such agreement and as set forth in such agreement, and guaranteed investment contracts, forward purchase agreements and other similar investment vehicles. Such guaranteed investment contracts, forward purchase agreements and other similar investment vehicles may, to the extent permitted by operative authorizing documents and by applicable law, be assigned or transferred from one bond

transaction to another or apply to the proceeds of more than one bond transaction on a commingled or non-commingled basis, as determined by an Authorized Officer. An Authorized Officer is authorized to enter into any amendments to or restatements of existing documents or to execute new documents, to consent to actions being taken by others or to obtain the consent of other parties, as may be necessary or desirable in this respect. Investment income derived from Bond proceeds may be (i) expended for the same purposes for which Bond proceeds may be expended, (ii) used for the payment or prepayment of City debt obligations, (iii) deposited in the Corporate Fund or (iv) rebated to the United States of America as provided in Section 2.20 hereof, all as determined by an Authorized Officer or the Budget Director. Any commingled investment income from guaranteed investment contracts, forward purchase agreements and other similar investment vehicles shall be apportioned among bond transactions as determined by an Authorized Officer or as otherwise required by operative authorizing documents and applicable law.

(f) The aggregate amount of proceeds of Bonds issued pursuant to this Ordinance used to pay the costs of the Retroactive Wage Purpose shall not exceed $166,000,000. The aggregate amount of proceeds of Bonds issued pursuant to this Ordinance used to pay the costs of the Settlement and Judgment Purpose shall not exceed $283,300,000.

Section 2.20. Tax Covenants. The City covenants that it will take no action in the investment of the proceeds of Tax-Exempt Bonds which would result in making the interest payable on any of such Tax-Exempt Bonds subject to federal income taxes by reason of such Tax-Exempt Bonds being classified as "*arbitrage bonds*" within the meaning of Section 148 of the Code. The City further covenants that it will act with respect to the proceeds of Tax-Exempt Bonds, the earnings on the proceeds of such Tax-Exempt Bonds and any other moneys on deposit in any fund or account maintained in respect of such Tax-Exempt Bonds, including, if necessary, a rebate of such earnings to the United States of America, in a manner which would cause the interest on such Tax-Exempt Bonds to continue to be exempt from federal income taxation under Section 103(a) of the Code. Each Authorized Officer is authorized to execute such certifications, tax returns, covenants and agreements as shall be necessary, in the opinion of nationally recognized bond counsel, or in the best interest of the City, as determined by an Authorized Officer, to evidence the City's compliance with the covenants contained in this Section.

Section 2.21. Proxies. Each Authorized Officer may each designate another to act as their respective proxy and, as applicable, to affix their respective signatures to the Bonds whether in temporary or definitive form, and any other instrument, certificate or document required to be signed by an Authorized Officer pursuant to this Ordinance and any instrument, certificate or document required thereby and by any Trust Indenture. In such case, each shall send to the City Council written notice of the person so designated by each, such notice stating the name of the person so selected and identifying the instruments, certificates and documents which such person shall be authorized to sign as proxy for such Authorized Officer. A written signature of an Authorized Officer executed by the person so designated underneath, shall be attached to each notice. Each notice, with the signatures attached, shall be recorded in the Journal for such date and filed in the office of the City Clerk. When the signature of an Authorized Officer is so affixed to an instrument, certificate or document at the direction of such Authorized Officer, the same, in all respects, shall be as binding on the City as if signed by such Authorized Officer in person.

Section 2.22. Bond Registrar Agreements. If requested by a Bond Registrar, each Authorized Officer and the City Clerk are authorized to execute the standard form of agreement between the City and such Bond Registrar with respect to the obligations and duties thereof.

Section 2.23. Defeasance and Provision for Payment.

(a) If payment or provision for payment is made, to or for the registered owners of all or a portion of the Bonds, and the principal of and interest due and to become due on any Bond at the times and in the manner stipulated therein, and there is paid or caused to be paid to the applicable Bond Registrar or Bond Trustee, the applicable Ad Valorem Tax Escrow Agent as provided in Section 2.13 hereof, or such bank or trust company as shall be designated by an Authorized Officer (such bank or trust company hereinafter referred to as a *"Defeasance Escrow Agent"*), all sums of money due and to become due according to the provisions of this Ordinance, then these presents and the estate and rights granted by this Ordinance shall cease, terminate and be void as to those Bonds or portions thereof except for purposes of registration, transfer and exchange of Bonds and any such payment from such moneys or obligations. Any Bond shall be deemed to be paid within the meaning of this section when payment of the principal of any such Bond, plus interest thereon to the due date thereof (whether such due date be by reason of maturity or upon redemption as provided in this Ordinance or otherwise), either (a) shall have been made or caused to have been made in accordance with the terms thereof, or (b) shall have been provided for by irrevocably depositing with the applicable Bond Registrar or Bond Trustee, the applicable Ad Valorem Tax Escrow Agent as provided in Section 2.13 hereof, or a Defeasance Escrow Agent, in trust and exclusively for such payment, (1) moneys sufficient to make such payment, or (2)(A) direct obligations of the United States of America; (B) obligations of agencies of the United States of America, the timely payment of principal of and interest on which are guaranteed by the United States of America; (C) debt obligations of the following agencies: Federal Home Loan Mortgage Corporation (FHLMC), Farm Credit System, Federal Home Loan Banks (FHLB), Federal National Mortgage Association (FNMA), and Resolution Funding Corporation (REFCORP); (D) pre-refunded municipal obligations defined as follows: any bonds or other obligations of any state of the United States of America or of any agency, instrumentality or local governmental unit of any such state, excluding the City, which are not callable at the option of the obligor prior to maturity or as to which irrevocable instructions have been given by the obligor to call on the date specified in the notice; or (E) instruments evidencing an ownership interest in obligations described in the preceding clauses (A), (B) and (C), or (3) a combination of the investments described in clauses (1) and (2) above, such amounts so deposited being available or maturing as to principal and interest in such amounts and at such times, without consideration of any reinvestment thereof, as will insure the availability of sufficient moneys to make such payment (all as confirmed by a nationally recognized firm of independent public accountants). At such times as a Bond shall be deemed to be paid hereunder, as aforesaid, it shall no longer be secured by or entitled to the benefits of this Ordinance, except for the purposes of registration, transfer and exchange of Bonds and any such payment from such moneys or obligations. The defeasance of Bonds under this Ordinance shall also be subject to any additional terms and conditions in the applicable Trust Indenture, if any.

(b) No such deposit under this Section shall be made or accepted hereunder and no use made of any such deposit unless, in the case of Tax-Exempt Bonds, the applicable Bond Registrar or Bond Trustee, the applicable Ad Valorem Tax Escrow Agent, or the applicable Defeasance Escrow Agent, as the case may be, shall have received an opinion of nationally recognized bond counsel to the effect that such deposit and use would not cause any of such Tax-Exempt Bonds to be treated as "*arbitrage bonds*" within the meaning of Section 148 of the Code or any successor provision thereto.

(c) Nothing in this Ordinance shall prohibit a defeasance deposit of escrow securities as provided in this Section from being subject to a subsequent sale of such escrow securities and reinvestment of all or a portion of the proceeds of that sale in escrow securities which, together

with money to remain so held in trust, shall be sufficient to provide for payment of principal, redemption premium, if any, and interest on any of the defeased Bonds, as appropriate. Amounts held by the applicable Bond Registrar or Bond Trustee, the applicable Ad Valorem Tax Escrow Agent, or any Defeasance Escrow Agent, in excess of the amounts needed so to provide for payment of the defeased Bonds, may be subject to withdrawal by the City. An Authorized Officer is authorized to execute and deliver from time to time one or more agreements (and amendments thereto) with counterparties selected by an Authorized Officer, with respect to the investment and use of such excess amounts held by the applicable Bond Registrar or Bond Trustee, the applicable Ad Valorem Tax Escrow Agent, or a Defeasance Escrow Agent.

Section 2.24. Appropriation of Funds. Notwithstanding any ordinance to the contrary, funds in the City's Corporate Fund, including Line of Credit Proceeds, may be used for the purpose of paying the costs of the Purposes. The City shall reimburse the Corporate Fund for any moneys in the Corporate Fund so used to pay the costs of the Purposes from the proceeds of the Bonds upon the issuance thereof. Funds in the Corporate Fund expended pursuant to authority granted in this Section and intended to be reimbursed from Bond proceeds shall be referred to as *"Corporate Funds."*

Section 2.25. Declaration of Official Intent. This Ordinance is a declaration of official intent under Treasury Regulations Section 1.150-2 as to all costs of the Purposes paid within 60 days prior to the date hereof or on any date after the date hereof and prior to issuance of the Bonds. In addition, in accordance with Section 1.150-2 of the Treasury Regulations promulgated under the Code, the Mayor, the Chief Financial Officer and the City Comptroller are each hereby authorized to declare official intent of the City to reimburse prior expenditures made by the City from the Corporate Funds, special revenue funds or other funds available to the City (not including the proceeds of tax-exempt bonds issued by the City) with the proceeds of the Bonds or with tax-exempt Line of Credit Proceeds.

ARTICLE III.

Section 3.1. Authorization. The City Council hereby approves the use of any of the Remaining Series 2019A Proceeds for any of the Series 2019A Purposes in any amount, notwithstanding the limitations set forth in Section 2 of the Original 2019A Bond Ordinance. Each Authorized Officer is hereby authorized to negotiate and enter into the 2025 Amendment to Trust Indenture in a form as the Authorized Officer executing the same shall determine is necessary and desirable to effect the provisions of this Ordinance. Each Authorized Officer is hereby authorized to take all actions necessary and enter into and execute any other documents or agreements necessary to effect the provisions of this Ordinance.

Section 3.2. Original 2019A Bond Ordinance in Effect. The Original 2019A Bond Ordinance shall continue in full force and effect.

ARTICLE IV.
AMENDMENT TO PRIOR 2020/2021 ORDINANCE

Section 4.1. Declaration of Official Intent. In accordance with Section 1.150-2 of the Treasury Regulations promulgated under the Code, the Mayor, the Chief Financial Officer and the City Comptroller are each hereby authorized to declare official intent of the City to reimburse prior expenditures made by the City from its corporate funds, special revenue funds or other funds

available to the City (not including proceeds of tax-exempt bonds issued by the City) with (i) proceeds of tax-exempt bonds issued by the City under the Prior 2020/2021 Ordinance or (ii) the proceeds of a tax-exempt draw on a general obligation line of credit borrowing by the City (authorized under that certain ordinance adopted by the City Council on May 1, 2002 and published in the Journal for such date at pages 83072 through 83374, inclusive, as amended by an ordinance adopted by the City Council on March 14, 2012 and published in the Journal for such date at pages 21706 through 21748, inclusive, by an ordinance adopted by the City Council on February 5, 2014 and published in the Journal for such date at pages 73627 through 73670, inclusive, and by an ordinance adopted by the City Council on January 18, 2023 and published in the Journal for such date at pages 59124 through 59349, inclusive), to then be reimbursed with proceeds of tax-exempt bonds issued by the City under the Prior 2020/2021 Ordinance.

Section 4.2. Amendment to Prior 2020/2021 Ordinance. The third and fourth sentences of Section 3.1(l) of the Prior 2020/2021 Ordinance are deleted in their entirety, and the following text is inserted in their place:

"With respect to each grant of Bond proceeds, each Authorized Officer is authorized to designate in writing, with the written concurrence of the Budget Director of the City (the "*Budget Director*"), (i) one or more City departments or agencies to administer such grant, and/or (ii) the head of the City department or agency who shall be authorized to execute a grant agreement and such other documents, agreements or instruments as shall be deemed necessary or desirable by such City department or agency head. Upon any such written designation by an Authorized Officer pursuant to clause (i) above, such City department or agency shall be authorized to administer such grant of Bond proceeds. Upon any such written designation by an Authorized Officer pursuant to clause (ii) above, the head of such City department or agency shall be authorized to execute a grant agreement and such other documents, agreements or instruments as such City department or agency head shall deem necessary or desirable. The designations in clauses (i) and (ii) may be effected in the same document."

Notwithstanding anything else to the contrary herein, so long as DTC is the Securities Depository, the Bonds shall be subject to the operational arrangements of DTC in effect from time to time.

(a) The Bonds shall be payable to the Securities Depository, or its nominee, as the Registered Owner of the Bonds, in same day funds on each date on which the principal of, premium, if any, and interest on the Bonds is due as set forth in this Indenture and the Bonds. If such different manner of payment is agreed upon, the City shall give the Trustee notice thereof, and the Trustee shall make payments with respect to the Bonds in the manner specified in such notice. Neither the City nor the Trustee shall have any obligation with respect to the transfer or crediting of the principal of, premium, if any, and interest on the Bonds to Participants or the Beneficial Owners of the Bonds or their nominees.

(b) If (i) the City determines, or (ii) the City receives notice that the Securities Depository has received notice from its Participants having interests in at least 50 percent in principal amount of the Bonds, that the Securities Depository or its successor is incapable of discharging its responsibilities as a securities depository, or that it is in the best interests of the Beneficial Owners that they obtain certificated Bonds, the City may (or, in the case of clause (ii) of this paragraph, the City shall) cause the Trustee to authenticate and deliver Bond certificates. The City shall have no obligation to make any investigation to determine the occurrence of any events that would permit the City to make any determination described in this paragraph.

(c) If, following a determination or event specified in paragraph (b) of this Section, the City discontinues the maintenance of the Bonds in book entry form with the then current Securities Depository, the City will issue replacement Bonds to the replacement Securities Depository, if any, or, if no replacement Securities Depository is selected for the Bonds, directly to the Participants as shown on the records of the former Securities Depository or, to the extent requested by any Participant, to the Beneficial Owners of the Bonds shown on the records of such Participant. Any such Bonds so issued in replacement shall be in fully registered form and in Authorized Denominations, be payable as to interest on the Interest Payment Dates of the Bonds by check mailed to each Registered Owner at the address of such Registered Owner as it appears on the Bond Register or, at the option of any Registered Owner of not less than $1,000,000 principal amount of Bonds, by wire transfer to any address in the United States of America on such Interest Payment Date to such Registered Owner as of such Record Date, if such Registered Owner provides the Trustee with written notice of such wire transfer address not later than the Record Date (which notice may provide that it will remain in effect with respect to subsequent Interest Payment Dates unless and until changed or revoked by subsequent

notice). Principal and premium, if any, on the replacement Bonds are payable only upon presentation and surrender of such replacement Bond or Bonds at the Designated Corporate Trust Office of the Trustee.

(d) The Securities Depository and its Participants, and the Beneficial Owners of the Bonds, by their acceptance of the Bonds, agree that the City and the Trustee shall not have liability for the failure of such Securities Depository to perform its obligations to the Participants and the Beneficial Owners of the Bonds, nor shall the City or the Trustee be liable for the failure of any Participant or other nominee of the Beneficial Owners to perform any obligation of the Participant to a Beneficial Owner of the Bonds.

(e) As long as Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the Registered Owner of the Bonds, as nominee of DTC, references herein to the Registered Owners of the Bonds shall mean Cede & Co. and shall not mean the Beneficial Owners of the Bonds.

(f) As long as Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the Registered Owner of the Bonds:

(i) selection of Bonds to be redeemed upon partial redemption or presentation of Bonds to the Trustee upon partial redemption, shall be deemed made when the right to exercise ownership rights in such Bonds through DTC or DTC's Participants is transferred by DTC on its books;

(ii) any notices of the interest rate on the Bonds to be provided by the Trustee shall be provided to anyone identifying itself to the Trustee as a person entitled to exercise ownership rights with respect to such Bonds through DTC or its Participants; and

(iii) DTC may present notices, approvals, waivers or other communications required or permitted to be made by Registered Owners under this Indenture on a fractionalized basis on behalf of some or all of those persons entitled to exercise ownership rights in the Bonds through DTC or its Participants.

ARTICLE III

REDEMPTION OF BONDS

Section 3.01. Redemption Terms, Dates and Prices. The Bonds shall be subject to redemption prior to their Maturity Date in the amounts, at the times and in the manner provided in this Section.

(a) *Optional Redemption.* The Bonds maturing on or after _____, 20__ are subject to redemption at the option of the City, on any date occurring on or after _____, 20__, in such principal amounts and from such maturities and interest rates as the City shall determine and

by lot within a single maturity and interest rate, at a Redemption Price of ___% of the principal amount thereof being redeemed plus accrued interest, if any, to the date of redemption.

The City is authorized to sell or waive any right the City may have to call any of the Bonds for optional redemption, in whole or in part; *provided,* that such sale or waiver will not adversely affect the excludability of interest on the Bonds from gross income for federal income tax purposes.

(b) *General Provisions Regarding Redemptions.*

(i) No redemption of less than all of the Bonds Outstanding shall be made pursuant to Section 3.01(a) hereof unless the aggregate principal amount of Bonds to be redeemed is equal to $5,000 multiples. Any redemption of less than all of the Bonds Outstanding shall be made in such a manner that all Bonds Outstanding after such redemption are in Authorized Denominations. If fewer than all Bonds Outstanding are to be optionally redeemed, the Bonds to be called shall be called from such maturities and interest rates as may be determined by an Authorized Officer.

(ii) Bonds may be called for redemption by the Trustee pursuant to Sections 3.01(a) and 3.01(c) hereof upon receipt by the Trustee at least 45 days prior to the redemption date (unless a shorter time period shall be satisfactory to the Trustee) of, in the case of a redemption pursuant to Section 3.01(a) of a written request of the City requesting such redemption, or in the case of a redemption pursuant to Section 3.01(c) in accordance with the mandatory schedule provided herein.

(iii) In lieu of redeeming Bonds pursuant to Section 3.01(a) hereof, the Trustee may, at the request of the City, use such funds available hereunder for redemption of Bonds to purchase Bonds in the open market at a price not exceeding the Redemption Price then applicable hereunder. Any Bond so purchased in lieu of redemption shall be delivered to the Trustee for cancellation and shall be canceled, all as provided in Section 2.10 hereof.

(c) *Mandatory Redemption of Bonds.*

The Bonds maturing on _____, 20__ are subject to mandatory redemption prior to maturity on _____ of the years and in the amounts set forth below, at a Redemption Price of ___ percent of the principal amount thereof plus accrued interest to the date fixed for redemption:

---

*Final Maturity

The final maturity amount of the Bonds maturing on _____, 20__, is $_____.

The principal amount of the Bonds to be mandatorily redeemed in each year may be reduced through the earlier optional redemption thereof, with any partial optional redemption of such Bonds credited against future mandatory redemption requirements in such order of the mandatory redemption dates as the City may determine. In addition, on or prior to the sixtieth (60th) day preceding any mandatory redemption date, the Trustee may, and if directed by the City shall, purchase Bonds required to be retired on such mandatory redemption date at such prices as the City shall determine. Any such Bond so purchased shall be canceled and the principal amount thereof shall be credited against the payment required on such next mandatory redemption date.

[Additional redemption provisions to be incorporated as applicable]

Section 3.02. Notice of Redemption. (a) Unless waived by any owner of Bonds to be redeemed, notice of the call for any such redemption shall be given by the Trustee on behalf of the City by mailing the redemption notice by first class mail at least 30 days and not more than 60 days prior to the date fixed for redemption to the Registered Owner of the Bond or Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such Registered Owner to the Trustee, but the failure to mail any such notice or any defect therein as to any Bond shall not affect the validity of the proceedings for the redemption of any other Bond. Any notice of redemption mailed as provided in this Section 3.02 shall be conclusively presumed to have been given whether or not actually received by the addressee.

All notices of redemption shall state:

(1) the Series designation of the Bonds to be redeemed,

(2) the redemption date,

(3) the Redemption Price,

(4) if less than all outstanding Bonds are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts and interest rates) of the Bonds to be redeemed,

(5) that on the redemption date the Redemption Price will become due and payable upon each such Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue or compound from and after said date,

(6) the place where such Bonds are to be surrendered for payment of the Redemption Price, and

(7) such other information as shall be deemed necessary by the Trustee at the time such notice is given to comply with law, regulation or industry standard.

(b) With respect to an optional redemption of Bonds, such notice may state that said redemption is conditioned upon the receipt by the Trustee on or prior to the date fixed for redemption of moneys sufficient to pay the Redemption Price of the Bonds. If such moneys are not so received, such redemption notice shall be of no force and effect, the City shall not redeem such Bonds and such failure to deposit such funds shall not constitute an Event of Default under this Indenture. The Trustee shall give notice, in the same manner in which the notice of redemption was given, that such moneys were not so received and that such Bonds will not be redeemed. Unless the notice of redemption shall be made conditional as provided above, on or prior to any redemption date for the Bonds, the City shall deposit with the Trustee an amount of money sufficient to pay the Redemption Price of all the Bonds or portions thereof which are to be redeemed on that date.

(c) Notice of redemption having been given as aforesaid, the Bonds, or portions thereof, so to be redeemed shall, on the redemption date, become due and payable at the Redemption Price therein specified, and from and after such date (unless the City defaults in the payment of the Redemption Price or unless, in the event of a conditional notice as described above, the necessary moneys were not deposited) such Bonds, or portions thereof, shall cease to bear interest. Upon surrender of such Bonds for redemption in accordance with said notice, such Bonds shall be paid by the Trustee at the Redemption Price. Installments of interest due on or prior to the redemption date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Bond, there shall be prepared for the Registered Owner a new Bond or Bonds of the same interest rate and maturity in the amount of the unpaid principal.

(d) If any Bond, or portion thereof, called for redemption shall not be so paid upon surrender thereof for redemption, the principal shall, until paid, bear interest from the redemption date at the rate borne by such Bond, or portion thereof, so called for redemption. All Bonds which have been redeemed shall be cancelled and destroyed by the Trustee and shall not be reissued.

(e) Failure to give notice in the manner prescribed hereunder with respect to any Bond, or any defect in such notice, shall not affect the validity of the proceedings for redemption for any Bond with respect to which notice was properly given. Upon the happening of the above conditions and if sufficient moneys are on deposit with the Trustee on the applicable redemption date to redeem the Bonds to be redeemed and to pay interest due thereon and premium, if any, the Bonds thus called shall not, after the applicable redemption date, bear interest, be protected by this Indenture or the Bond Ordinance or be deemed to be Outstanding under the provisions of this Indenture.

(f) If any Bond is transferred or exchanged on the Bond Register after notice has been given calling such Bond for redemption, the Trustee will attach a copy of such notice to the Bond issued in connection with such transfer or exchange.

(g) If any Bond is not presented for payment when the principal amount thereof becomes due, either at maturity or at a date fixed for redemption thereof or otherwise, and if moneys sufficient to pay such Bond are held by the Trustee for the benefit of the Registered Owner of such Bond, the Trustee shall hold such moneys for the benefit of the Registered Owner of such Bond without liability to the Registered Owner for interest. The Registered Owner of such Bond

thereafter shall be restricted exclusively to such funds for satisfaction of any claims relating to such Bond.

Section 3.03. Selection of Bonds for Redemption. If less than all the Bonds shall be called for redemption under any provision of this Indenture permitting such partial redemption, (i) such redemption shall be by lot in such manner as the Trustee may determine among such Bonds, and (ii) subject to other applicable provisions of this Indenture, the portion of any Bond to be redeemed shall be in a principal amount equal to an Authorized Denomination. In selecting Bonds for redemption, the Trustee shall assign to each Bond of like Maturity Date and interest rate, a distinctive number for each minimum Authorized Denomination of such Bond and shall select by lot from the numbers so assigned as many numbers as, at such minimum Authorized Denomination for each number, shall equal the principal amount of such Bonds to be redeemed. In such case, the Bonds to be redeemed shall be those to which were assigned numbers so selected; provided that only so much of the principal amount of each Bond shall be redeemed as shall equal such minimum Authorized Denomination for each number assigned to it and so selected. If it is determined that one or more, but not all, of the integral multiples of the Authorized Denomination of principal amount represented by any Bond is to be called for redemption, then, upon notice of intention to redeem such integral multiple of an Authorized Denomination, the Registered Owner of such Bond shall forthwith surrender such Bond to the Trustee for (a) payment to such Registered Owner of the Redemption Price of the integral multiple of the Authorized Denomination of principal amount called for redemption, and (b) delivery to such Registered Owner of a new Bond or Bonds in the aggregate principal amount of the unredeemed balance of the principal amount of such Bond. New Bonds representing the unredeemed balance of the principal amount of such Bond shall be issued to the Registered Owner thereof without charge therefor.

The Trustee shall promptly notify the City in writing of the Bonds, or portions thereof, selected for redemption and, in the case of any Bond selected for partial redemption, the principal amount thereof, and the interest rate thereof to be redeemed.

Section 3.04. Deposit of Funds. For the redemption of any of the Bonds, the City shall cause to be deposited in the Principal and Interest Account moneys sufficient to pay when due the principal of, and premium, if any, and interest on, the Bonds to be redeemed on the redemption date to be applied in accordance with the provisions hereof.

ARTICLE IV

APPLICATION OF BOND PROCEEDS; CREATION OF FUNDS AND SECURITY FOR BONDS

Section 4.01. Source of Payment of Bonds. Pursuant to the Bond Ordinance, the Bonds constitute direct and general obligations of the City for the punctual payment of which the City pledges its full faith and credit and, pursuant to the Bond Ordinance, the Pledged Taxes. The City covenants that the Pledged Taxes shall be used only for the payment of (i) principal of, interest on and Redemption Price, if any, on the Bonds (or for the purchase by the City of the Bonds which are then cancelled), and (ii) Ongoing Financing Services, each unless and until all of the Bonds are paid in full or are fully defeased pursuant to Article VI herein; provided, however, that the levy of Pledged Taxes is subject to abatement as provided in the Bond Ordinance.

Section 4.02. Application of Bond Proceeds. The proceeds of the sale of the Bonds, consisting of the principal amount of the Bonds plus original issue premium of $_____ and less an underwriters' discount of $_____, shall be applied simultaneously with their delivery as follows:

(iii) Pending the use of moneys held in the Bond Fund, the Trustee shall invest such moneys in Permitted Investments upon the direction of the Chief Financial Officer or any person designated by the Chief Financial Officer. Income from such investments shall be credited to the account within the Bond Fund from which the investment was made.

(b) *Creation of Principal and Interest Account.* There is established with the Trustee an account within the Bond Fund, designated as the "Series _____ Principal and Interest Account" (the *"Principal and Interest Account"*). Amounts on deposit in the Principal and Interest Account shall be used to pay principal and interest on the Bonds as the same shall become due after funds in the Series _____ Capitalized Interest Account have been depleted.

(c) *Creation of Capitalized Interest Account.* There is established with the Trustee an account within the Bond Fund, designated as the "Series _____ Capitalized Interest Account" (the *"Series _____ Capitalized Interest Account"*). Moneys on deposit in the Series _____ Capitalized Interest Account, and the interest earnings thereon, shall be applied to pay interest due on the Bonds on each of the Interest Payment Dates occurring on and before _____, 20__. Any amount remaining on deposit in the Series _____ Capitalized Interest Account on _____, 20__, shall be used to pay interest on the Bonds, as the City shall direct, before funds from the Principal and Interest Account are used.

Section 4.04. Project Fund. (a) There is established with the Trustee a trust fund designated "City of Chicago General Obligation Bonds, Series _____ Project Fund" to be held and applied in accordance with the terms and provisions of this Indenture. Moneys on deposit in

the Project Fund will be paid out from time to time by the Trustee to or upon the order of the City in order to provide for the payment or to reimburse the City for the payment of Project Costs upon receipt by the Trustee of a certificate of an Authorized Officer describing the Project Costs to be paid or reimbursed with such moneys (including the identity of and method of payment for each payee), in the form attached hereto Exhibit B, and stating that:

(i) the costs in an aggregate amount set forth in such certificate are necessary and appropriate Project Costs that (a) have been incurred and paid or (b) are expected to be paid within the next 60 days;

(ii) the amount to be paid or reimbursed to the City as set forth in such certificate is reasonable and represents a part of the amount payable for the Project Costs and that such payment is to be made or, in the case of reimbursement to the City, was made, in accordance with the terms of any applicable contracts and in accordance with usual and customary practice under existing conditions;

(iii) no part of the Project Costs that are the subject of such certificate was included in any certificate previously filed with the Trustee under the provisions of this Indenture; and

(iv) the use of the money so withdrawn from the Project Fund and the use of the facilities provided with such moneys will not result in a violation of any applicable covenant, term or provision of the Tax Certificate.

(b) *Creation of Costs of Issuance Account.* There is established with the Trustee an account within the Project Fund, designated as the "Series _____ Costs of Issuance Account" (the "*Series _____ Costs of Issuance Account*"). Moneys on deposit in the Series _____ Costs of Issuance Account shall be withdrawn by the Trustee and paid to or as directed by the City, upon receipt by the Trustee of a written disbursement request from the City identifying the costs of issuance and the amounts thereof to be paid pursuant to such request. Moneys on deposit in the Series _____ Costs of Issuance Account, including the investment earnings thereon, remaining after all disbursements for payment of the costs of issuance have been made shall be deposited by the Trustee to the Series _____ Investment Earnings Account.

(c) *Creation of Investment Earnings Account.* There is established with the Trustee an account within the Project Fund, designated as the "Series _____ Investment Earnings Account" (the "*Series _____ Investment Earnings Account*"). Moneys on deposit in the Series _____ Investment Earnings Account, including the investment earnings thereon, shall be retained therein and deposited to the Project Account, as the City shall direct.

(d) Moneys in the Project Fund shall be invested at the written direction of an Authorized Officer to the fullest extent practicable in Permitted Investments maturing in such amounts and at such times as may be necessary to provide funds when needed to pay, as applicable, Project Costs or costs of issuance of the Bonds or such other costs as may be required to be paid from such moneys. The City may, and to the extent required for payments from the Project Fund shall, direct the Trustee in writing to sell any such Permitted Investments at any time, and the

proceeds of such sale, and of all payments at maturity and upon redemption of such investments, shall be held in the Project Fund. Investment earnings received on moneys or securities in the Project Fund shall be deposited to the Series _____ Investment Earnings Account.

(e) The completion, substantial completion or abandonment of each capital project set forth in Section 4.03(b)(i)-(xiii) and comprising the Project shall be evidenced by a certificate of an Authorized Officer, which shall be filed promptly with the Trustee, stating the date of such completion, anticipated completion or abandonment and the amount, if any, required in the opinion of the signer of such certificate for the payment of any remaining part of the Project Costs. Upon the filing of such certificate, the balance in the Project Fund in excess of the amount, if any, stated in such certificate of the City as necessary to complete the Project shall be deposited into the Principal and Interest Account and applied as directed in such certificate; provided that such direction shall be consistent with Section 4.07 and applicable provisions of the Tax Certificate.

Section 4.05. Deposits into Bond Fund and Account Therein. Not later than the Deposit Date, there shall be on deposit in the Bond Fund an amount equal to the Principal and Interest Account Requirement.

In addition to the Principal and Interest Account Requirement, there shall be deposited into the Bond Fund any other moneys received by the Trustee under and pursuant to this Indenture, when accompanied by directions from the person depositing such moneys that such moneys are to be paid into the Bond Fund and to one or more accounts therein.

Upon calculation by the Trustee of each Principal and Interest Account Requirement under this Section, the Trustee shall notify the City of the Principal and Interest Account Requirement and the Deposit Date to which it relates, and shall provide the City with such supporting documentation and calculations as the City may reasonably request.

Section 4.06. Tax Covenants. (a) The City covenants that it will take no action in the investment of the proceeds of the Bonds which would result in making the interest payable on any of such Bonds subject to federal income taxes by reason of such Bonds being classified as "arbitrage bonds" within the meaning of Section 148 of the Code.

(b) The City further covenants that it will act with respect to the proceeds of the Bonds, the earnings on the proceeds of such Bonds and any other moneys on deposit in any fund or account maintained in respect of such Bonds, including, if necessary, a rebate of such earnings to the United States of America, in a manner which would cause the interest on such Bonds to continue to be exempt from federal income taxation under Section 103(a) of the Code.

Section 4.07. Non-presentment of Bonds. In the event any Bond shall not be presented for payment when the principal thereof becomes due, whether at maturity, at the date fixed for redemption or otherwise, if moneys sufficient to pay such Bond shall have been made available to the Trustee for the benefit of the Registered Owner thereof, subject to the provisions of the immediately following paragraph, all liability of the City to the Registered Owner thereof for the payment of such Bond shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of the Trustee to hold such moneys, without liability for interest thereon, for the benefit of the Registered Owner of such Bond who shall thereafter be restricted

exclusively to such moneys, for any claim of whatever nature on his or her part under this Indenture or on, or with respect to, such Bond.

Any moneys so deposited with and held by the Trustee not so applied to the payment of Bonds within two years after the date on which the same shall have become due shall be repaid by the Trustee to the City, and thereafter the Registered Owners of such Bonds shall be entitled to look only to the City for payment, and then only to the extent of the amount so repaid, and all liability of the Trustee with respect to such moneys shall thereupon cease, and the City shall not be liable for any interest thereon and shall not be regarded as a trustee of such moneys. The obligation of the Trustee under this Section to pay any such funds to the City shall be subject, however, to any provisions of law applicable to the Trustee or to such funds providing other requirements for disposition of unclaimed property.

Section 4.08. Moneys Held in Trust. All moneys required to be deposited with or paid to the Trustee for the account of any fund or account referred to in any provision of this Indenture shall be held by the Trustee in trust as provided in Section 8.07 of this Indenture, and shall, while held by the Trustee, constitute part of the Trust Estate and be subject to the lien or security interest created hereby.

ARTICLE V

INVESTMENT OF MONEYS

Section 5.01. Investment of Moneys. Moneys held in the funds, accounts and subaccounts established hereunder shall be invested and reinvested in accordance with the provisions governing investments contained in this Indenture. All such investments shall be held by or under the control of the Trustee and shall be deemed at all times a part of the fund, account or subaccount for which they were made.

Section 5.02. Investment Income. The interest earned on any investment of moneys held hereunder, any profit realized from such investment and any loss resulting from such investment shall be credited or charged to the fund, account or subaccount for which such investment was made.

ARTICLE VI

DISCHARGE OF LIEN

Section 6.01. Defeasance. (a) If the City shall pay to the Registered Owners of the Bonds, or provide for the payment of, the principal, premium, if any, and interest to become due on the Bonds, then this Indenture and the Bond Ordinance shall be fully discharged and satisfied with respect to the Bonds. Upon the satisfaction and discharge of this Indenture, the Trustee shall, upon the request of the City, execute and deliver to the City all such instruments as may be desirable to evidence such discharge and satisfaction, and all fiduciaries shall pay over or deliver to the City all funds, accounts and other moneys or securities held by them pursuant to this Indenture which are not required for the payment or redemption of the Bonds. If payment or provision for payment is made to or for the Registered Owners of all or a portion of the Bonds, of

the principal of and interest due and to become due on any Bond at the times and in the manner stipulated therein, and there is paid or caused to be paid to the Trustee all sums of money due and to become due according to the provisions of this Indenture, then these presents and the estate and rights hereby and by the Bond Ordinance granted shall cease, terminate and be void as to those Bonds or portions thereof except for purposes of registration, transfer and exchange of Bonds and any such payment from such moneys or obligations. Any Bond shall be deemed to be paid within the meaning of this Section when payment of the principal of any such Bond, plus interest thereon to the due date thereof (whether such due date be by reason of maturity or upon redemption as provided in this Indenture or otherwise), either (a) shall have been made or caused to have been made in accordance with the terms thereof, or (b) shall have been provided for by irrevocably depositing with the Trustee, in trust and exclusively for such payment, (1) moneys sufficient to make such payment or (2) Defeasance Obligations, or (3) a combination of the investments described in clauses (1) and (2) above, such amounts so deposited being available or maturing as to principal and interest in such amounts and at such times, without consideration of any reinvestment thereof, as will insure the availability of sufficient moneys to make such payment (all as confirmed by a nationally recognized firm of independent public accountants). If the City shall pay and discharge a portion of the Bonds as aforesaid, such portion shall cease to be entitled to any lien, benefit or security under this Indenture and the Bond Ordinance. The liability of the City with respect to such Bonds shall continue, but the Registered Owners thereof shall thereafter be entitled to payment (to the exclusion of all other Bondholders) only out of the Defeasance Obligations deposited with the Trustee under Article VIII of this Indenture.

(b) No such deposit under this Section shall be made or accepted hereunder and no use made of any such deposit unless the Trustee shall have received an opinion of nationally recognized municipal bond counsel to the effect that such deposit and use would not cause any of such Bonds to be treated as "arbitrage bonds" within the meaning of Section 148 of the Code or any successor provision thereto.

(c) Nothing in this Indenture shall prohibit a defeasance deposit of escrow securities as provided in this Section from being subject to a subsequent sale of such escrow securities and reinvestment of all or a portion of the proceeds of that sale in escrow securities which, together with money to remain so held in trust, shall be sufficient to provide for payment of principal, redemption premium, if any, and interest on any of the defeased Bonds (all as confirmed by a nationally recognized firm of independent public accountants). Amounts held by the Trustee in excess of the amounts needed so to provide for payment of the defeased Bonds may be subject to withdrawal by the City. No such sale and reinvestment as provided in this paragraph shall be made or accepted hereunder unless the Trustee shall have received an opinion of nationally recognized municipal bond counsel to the effect that such sale and reinvestment would not cause any of the defeased Bonds to be treated as "arbitrage bonds" within the meaning of Section 148 of the Code or any successor provision thereto.

ARTICLE VII

DEFAULT PROVISIONS; REMEDIES

Section 7.01. Defaults. Each of the following events is hereby declared to be an "Event of Default:"

(a) payment of the principal or Redemption Price, if any, of any Bonds shall not be made when and as the same shall become due, whether at maturity or upon call for redemption or otherwise;

(b) payment of any installment of interest on any Bonds shall not be made when and as the same shall become due; or

(c) the City shall fail or refuse to comply with the provisions of this Indenture, or shall default in the performance or observance of any of the covenants, agreements or conditions on its part contained herein or in the Bonds, which materially affects the rights of the Owners of the Bonds and such failure, refusal or default shall continue for a period of 45 days after written notice thereof by the Trustee or the Owners of not less than 25 percent in aggregate principal amount of the Outstanding Bonds; *provided, however,* that in the case of any such default which can be cured by due diligence but which cannot be cured within the 45-day period, the time to cure shall be extended for such period as may be necessary to remedy the default with all diligence.

Section 7.02. Remedies. (a) Upon the happening and continuance of any Event of Default specified in paragraph (a) or (b) of Section 7.01 hereof, the Trustee shall proceed, or upon the happening and continuance of any Event of Default (beyond the time periods specified therein) specified in paragraph (c) of Section 7.01 hereof, the Trustee may proceed, and upon the written request of the Owners of not less than 25 percent in aggregate principal amount of the Outstanding Bonds, shall proceed, in its own name, subject to the provisions of this Section, to protect and enforce its rights and the rights of the Owners of the Bonds by such of the following remedies as the Trustee, being advised by counsel, shall deem most effectual to protect and enforce such rights:

(i) by mandamus or other suit, action or proceeding at law or in equity, to enforce all rights of the Owners of the Bonds including the right to require the City to receive and collect taxes adequate to carry out the covenants and agreements as to such taxes and to require the City to carry out any other covenant or agreement with the Owners of the Bonds and to perform its duties under this Indenture;

(ii) by bringing suit upon the Bonds;

(iii) by action or suit in equity, require the City to account as if it were the trustee of an express trust for the Owners of the Bonds; and/or

(iv) by action or suit in equity, enjoin any acts or things which may be unlawful or in violation of the rights of the Owners of the Bonds.

(b) In the enforcement of any rights and remedies under this Indenture, the Trustee shall be entitled to sue for, enforce payment of and receive any and all amounts then or during any default becoming, and at any time remaining, due from the City but only out of moneys pledged as security for the Bonds for principal, Redemption Price, interest or otherwise, under any provision of this Indenture or of the Bonds, and unpaid, with interest on overdue payments at the rate or rates of interest specified in such Bonds, together with any and all costs and expenses of collection and of all proceedings hereunder and under such Bonds without prejudice to any other right or remedy of the Trustee or of the Owners of the Bonds, and to recover and enforce a judgment or decree against the City for any portion of such amounts remaining unpaid, with interest, costs and expenses, and to collect from any moneys available under this Indenture for such purpose, in any manner provided by law, the moneys adjudged or decreed to be payable.

(c) Under no circumstance may the Trustee declare the principal of any Bond to be due and payable prior to its Maturity Date following the occurrence of an Event of Default under this Indenture.

ARTICLE VIII

TRUSTEE

Section 8.01. Acceptance of Trusts. The Trustee hereby accepts the trusts imposed upon it by this Indenture, and agrees to perform said trusts, but only upon and subject to the express terms and conditions set forth herein. Except as otherwise expressly set forth in this Indenture, the Trustee assumes no duties, responsibilities or liabilities by reason of its execution of this Indenture other than as set forth in this Indenture, and this Indenture is executed and accepted by the Trustee subject to all the terms and conditions of its acceptance of the trust under this Indenture. The Trustee shall make payments to Bondholders and effect optional and mandatory redemptions when required, whether or not its fees and expenses have been fully paid.

Section 8.02. Dealing in Bonds. The Trustee, in its individual capacity, may buy, sell, own, hold and deal in any of the Bonds, and may join in any action which the Registered Owner of any Bond may be entitled to take with like effect as if it did not act in any capacity hereunder. The Trustee, in its individual capacity, either as principal or agent, may also engage in or be interested in any financial or other function with the City, and may act as depositary, trustee or agent for any committee or body of the Registered Owners of Bonds secured hereby or other obligations of the City as freely as if it did not act in any capacity hereunder.

Section 8.03. Compensation of Trustee. The City shall pay to the Trustee from time to time reasonable compensation for all services rendered under this Indenture and also all reasonable expenses, charges, counsel fees and other disbursements, including those of their attorneys, agents and employees incurred in and about the performance of their powers and duties under this Indenture and, except as provided in Section 8.01 hereof the Trustee shall have a lien therefor on any and all moneys at any time held by it under this Indenture. The City further agrees to indemnify and save the Trustee harmless against any liabilities which it may incur in the exercise and performance of its powers and duties hereunder, which are not due to its negligence or default.

Section 8.04. Notice to Rating Agencies. The Trustee hereby agrees that if at any time (a) the City redeems any portion of the Bonds Outstanding hereunder prior to their Maturity Date, (b) the City provides for the payment of any portion of the Bonds pursuant to Section 6.01, (c) a successor Trustee is appointed, (d) any supplement to this Indenture shall become effective, or any party thereto shall waive any provision of this Indenture, or (e) with respect to any other information that a Rating Agency may reasonably request in order to maintain the ratings on the Bonds, then, in each case, the Trustee shall give notice thereof to each Rating Agency then maintaining a rating on the Bonds.

Any notice given to a Rating Agency hereunder shall be mailed by first class mail as follows:

If to Fitch:	Fitch Ratings Inc. 33 Whitehall Street New York, NY 10004
If to Kroll:	KBRA 845 Third Avenue Fourth Floor New York, NY 10022
If to S&P:	S&P Global Ratings 130 East Randolph, 36th Floor Chicago, IL 60601

Section 8.05. Qualification of Trustee. The Trustee hereunder shall be a bank, trust company or national banking association having the powers of a trust company doing business and having a corporate trust office in the City of Chicago, Illinois.

Section 8.06. Responsibilities of Trustee. (a) The recitals of fact herein and in the Bonds shall be taken as the statements of the City and the Trustee assumes no responsibility for the correctness of the same. The Trustee makes no representations as to the validity or sufficiency of this Indenture or any Supplemental Indenture or of any Bonds issued hereunder or thereunder or in respect of the security afforded by this Indenture or any Supplemental Indenture and the Trustee shall not incur any responsibility in respect thereof. The Trustee shall, however, be responsible for its representation contained in its certificate of authentication on the Bonds. The Trustee shall not be under any responsibility or duty with respect to the issuance of the Bonds for value or the application of the proceeds thereof except to the extent such proceeds are paid to the Trustee in its capacity as Trustee. The Trustee shall not be under any obligation or duty to perform any act that would involve it in expense or liability or to institute or defend any action or suit in respect hereof, or to advance any of its own moneys, unless properly indemnified. Subject to the provisions of paragraph (b) of this Section, the Trustee shall not be liable in connection with the performance of its duties hereunder except for its own negligence or willful misconduct or that of its agents.

(b) The Trustee, prior to the occurrence of an Event of Default and after the remedy of all Events of Default that may have occurred, undertakes to perform such duties and only such

duties as are specifically set forth in this Indenture and each Supplemental Indenture. In case an Event of Default has occurred and has not been remedied, the Trustee shall exercise such of the rights and powers vested in it by law, this Indenture and each Supplemental Indenture and shall use the same degree of care and skill in their exercise as a prudent person would exercise or use under the circumstances in the conduct of his or her own affairs. Any provision of this Indenture and any Supplemental Indenture relating to action taken or so to be taken by the Trustee or to evidence upon which the Trustee may rely shall be subject to the provisions of this Section.

Section 8.07. Funds Held in Trust and Security Therefor. Any moneys held by the Trustee, as such, at any time pursuant to the terms of this Indenture or any Supplemental Indenture shall be and hereby are assigned, transferred and set over unto the Trustee in trust for the purposes and upon the terms and conditions of this Indenture or any Supplemental Indenture. Subject to the terms of this Indenture concerning Permitted Investments, all moneys (not including securities) held by the Trustee, as such, may be deposited by the Trustee in its banking department, or with such other banks, trust companies, or national banking associations, each having a place of business in the City of Chicago, Illinois, as may be designated by the City and approved by the Trustee. No such funds shall be deposited with any bank, trust company or national banking association, other than the Trustee, in an amount exceeding 25 percent of the amount which an officer of such bank, trust company or national banking association shall certify to the Trustee and the City as the combined capital, surplus and undivided profits of such bank, trust company or national banking association. No such funds shall be deposited or remain on deposit with any bank, trust company or national banking association in excess of the amount insured by the Federal Deposit Insurance Corporation, unless (a) such bank, trust company or national banking association shall have deposited in trust with the trust department of the Trustee or with a Federal Reserve Bank or branch or, with the written approval of the Trustee and the City, pledged to some other bank, trust company or national banking association, for the benefit of the City and the appropriate fund, account, subfund or subaccount, as collateral security for the moneys deposited, Qualified Collateral having a current market value (exclusive of accrued interest) at least equal to 110 percent of the amount of such moneys, or (b) in lieu of such collateral security as to all or any part of such moneys, there shall have been deposited in trust with the trust department of the Trustee, for the benefit of the City and the appropriate fund, account, subfund or subaccount, and remain in full force and effect as security for such moneys or part thereof, the indemnifying bond or bonds of a surety company or companies qualified as surety for deposits of funds of the United States of America and qualified to transact business in the State in a sum at least equal to the amount of such moneys or part thereof. The Trustee shall allow and credit interest on any such moneys held by it at such rate as it customarily allows upon similar moneys of similar size and under similar conditions or as required by law. Interest in respect of moneys or on securities in any fund, account, subfund or subaccount shall be credited in each case to the fund, account, subfund or subaccount in which such moneys or securities are held.

Section 8.08. Evidence on which Trustee May Act. The Trustee shall be protected in acting upon any notice, resolution, request, consent, order, certificate, report, opinion, bond or other paper or document believed by it to be genuine, and to have been signed or presented by the proper party or parties. The Trustee may consult with counsel, who may or may not be counsel to the City, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance therewith.

Whenever the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, including payment of moneys out of any fund or account, such matter (unless other evidence in respect thereof be herein specifically prescribed) may be deemed to be conclusively proved and established by a Certificate, and such Certificate shall be full warrant for any action taken or suffered in good faith under the provisions of this Indenture upon the faith thereof, but in its discretion the Trustee may in lieu thereof accept other evidence of such fact or matter or may require such further or additional evidence as to it may seem reasonable. Except as otherwise expressly provided herein or therein, any request, order, notice or other direction required or permitted to be furnished pursuant to any provision hereof or thereof by the City to the Trustee shall be sufficiently executed if executed in the name of the City by an Authorized Officer.

Section 8.09. Permitted Acts and Functions. The Trustee may become the Owner of any Bonds, with the same rights it would have if it were not the Trustee. To the extent permitted by law, the Trustee may act as depositary for, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of the Owners of Bonds or to effect or aid in any reorganization growing out of the enforcement of the Bonds or this Indenture, whether or not any such committee shall represent the Owners of a majority in aggregate principal amount of the Bonds then Outstanding.

Section 8.10. Resignation. The Trustee may at any time resign and be discharged of its duties and obligations created by this Indenture by giving not fewer than 60 days' written notice to the City and mailing notice thereof, to the Owners of Bonds at their addresses shown on the registration books kept by the Trustee within 20 days after the giving of such written notice. Such resignation shall take effect upon the appointment and acceptance of appointment of a successor by the City or the Owners of Bonds as herein provided.

Section 8.11. Removal. The Trustee may be removed at any time by the Owners of a majority in aggregate principal amount of the Bonds then Outstanding, excluding any Bonds held by or for the account of the City, by an instrument or concurrent instruments in writing signed and duly acknowledged by such Owners of Bonds or by their attorneys duly authorized in writing and delivered to the City. Copies of each such instrument shall be delivered by the City to the Trustee and any successor. The City may remove the Trustee at any time, except during the existence of an Event of Default, for such cause (or upon 30 days' notice for any reason) as shall be determined in the sole discretion of the City by filing with the Trustee an instrument signed by an Authorized Officer and by mailing notice thereof to the Owners of Bonds at their addresses shown on the registration books kept by the Trustee. Any removal of the Trustee shall take effect upon the appointment and acceptance of appointment of a successor Trustee.

Section 8.12. Appointment of Successor. In case at any time the Trustee shall resign or shall be removed or shall become incapable of acting, or shall be adjudged a bankrupt or insolvent, or if a receiver, liquidator or conservator of the Trustee or of its property shall be appointed, or if any public officer shall take charge or control of the Trustee or of its property or affairs, a successor may be appointed by the Owners of a majority in aggregate principal amount of the Bonds then Outstanding, excluding any Bonds held by or for the account of the City, by an instrument or concurrent instruments in writing signed by such Owners or their attorneys duly

authorized in writing and delivered to such successor Trustee, notification thereof being given to the City and the predecessor Trustee. Pending such appointment, the City shall forthwith appoint a Trustee to fill such vacancy until a successor Trustee (if any) shall be appointed by the Owners of Bonds as herein authorized. The City shall mail notice to Owners of Bonds of any such appointment within 20 days after such appointment. Any successor Trustee appointed by the City shall, immediately and without further act, be superseded by a Trustee appointed by the Owners of Bonds. If in a proper case no appointment of a successor Trustee shall be made pursuant to the foregoing provisions of this Section within 45 days after the Trustee shall have given to the City written notice of resignation as provided in Section 8.10 hereof or after the occurrence of any other event requiring or authorizing such appointment, the Trustee, or any Owner of Bonds may apply to any court of competent jurisdiction to appoint a successor. Said court may thereupon, after such notice, if any, as said court may deem proper and prescribe, appoint such successor Trustee. Any Trustee appointed under the provisions of this Section shall be a bank, trust company or national banking association, in any such case having corporate trust powers, doing business and having a corporate trust office in the City.

Section 8.13. Transfer of Rights and Property to Successor. Any successor Trustee appointed under this Indenture shall execute, acknowledge and deliver to its predecessor Trustee, and also to the City, a written instrument of acceptance respecting such appointment, and thereupon such successor Trustee, without any further act, deed or conveyance, shall become fully vested with all moneys, estates, properties, rights, powers, duties and obligations of such predecessor Trustee, with like effect as if originally named as Trustee; but the Trustee ceasing to act shall nevertheless, on the request of the City, or of the successor Trustee, execute, acknowledge and deliver such instruments of conveyance and further assurance and do such other things as may reasonably be required for more fully and certainly vesting and confirming in such successor Trustee all the right, title and interest of the predecessor Trustee in and to any property held by it under this Indenture, and shall pay over, assign and deliver to the successor Trustee any money or other property subject to the trusts and conditions herein set forth. Should any deed, conveyance or instrument in writing from the City be required by such successor Trustee for more fully and certainly vesting in and confirming to such successor Trustee any such estates, rights, powers and duties, any and all such deeds, conveyances and instruments in writing shall, on request, and so far as may be authorized by law, be executed, acknowledged and delivered by the City.

Section 8.14. Merger or Consolidation. Any company into which the Trustee may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party or any company to which the Trustee may sell or transfer all or substantially all of its corporate trust business, provided such company shall be a bank, trust company or national banking association which is qualified to be a successor to the Trustee under Section 8.12 hereof and shall be authorized by law to perform all the duties imposed upon it by this Indenture, shall be the successor to the Trustee without the execution or filing of any paper or the performance of any further act.

Section 8.15. Adoption of Authentication. In case any of the Bonds contemplated to be issued under this Indenture shall have been authenticated but not delivered, any successor Trustee may adopt the certificate of authentication of any predecessor Trustee so authenticating such Bonds and deliver such Bonds so authenticated, and in case any of the said Bonds shall not

have been authenticated, any successor Trustee may authenticate such Bonds in the name of the predecessor Trustee, or in its own name.

Section 8.16. Evidence of Signatures of Owners and Ownership of Bonds. (a) Any request, consent or other instrument which this Indenture may require or permit to be signed and executed by the Owners of Bonds may be in one or more instruments of similar tenor, and shall be signed or executed by such Owners in person or by their attorneys appointed in writing. Proof of (i) the execution of any such instrument, or of an instrument appointing any such attorney, or (ii) the ownership by any person of the Bonds, shall be sufficient for any purpose of this Indenture (except as otherwise herein expressly provided) if made in the following manner, but the Trustee may nevertheless in its discretion require further or other proof in cases where it deems the same desirable:

(1) The fact and date of the execution by any Owner or his attorney of such instrument may be proved by the certificate, which need not be acknowledged or verified, of an officer of a bank or trust company satisfactory to the Trustee or of any notary public or other officer authorized to take acknowledgments of deeds to be recorded in the jurisdiction in which he purports to act, that the person signing such request or other instrument acknowledged to him the execution thereof, or by an affidavit of a witness of such execution, duly sworn to before such notary public or other officer.

(2) The authority of the person or persons executing any such instrument on behalf of a corporate Owner of Bonds may be established without further proof if such instrument is signed by a person purporting to be the president or vice president of such corporation with a corporate seal affixed and attested by a person purporting to be its secretary or an assistant secretary.

(b) The ownership of Bonds and the amount, numbers and other identification, and date of ownership of the same shall be proved by the Bond Register. Any request, consent or vote of the Owner of any Bond shall bind all future Owners of such Bond in respect of anything done or suffered to be done by the City or the Trustee in accordance therewith.

Section 8.17. Preservation and Inspection of Documents. All documents received by the Trustee under the provisions of this Indenture shall be retained in its possession and shall be subject at all reasonable times to the inspection of the City and any Owner of Bonds and their agents and their representatives, any of whom may make copies thereof.

ARTICLE IX

SUPPLEMENTAL INDENTURE

Section 9.01. Supplemental Indenture Effective Upon Execution by the Trustee. For any one or more of the following purposes and the purposes enumerated in Section 9.04 hereof, and at any time or from time to time, a Supplemental Indenture may be authorized by an ordinance adopted by the City Council of the City, which, upon the filing with the Trustee of a copy of such ordinance certified by the City Clerk and the execution and delivery of such Supplemental

Indenture by the City and the Trustee, shall be fully effective in accordance with its terms and not subject to consent by the Registered Owners of the Bonds:

(a) to add to the covenants and agreements of the City in this Indenture other covenants and agreements to be observed by the City which are not contrary to or inconsistent with this Indenture as theretofore in effect;

(b) to add to the limitations and restrictions in this Indenture other limitations and restrictions to be observed by the City which are not contrary to or inconsistent with this Indenture as theretofore in effect;

(c) to surrender any right, power or privilege reserved to or conferred upon the City by the terms of this Indenture, but only if the surrender of such right, power or privilege is not contrary to or inconsistent with the covenants and agreements of the City contained in this Indenture;

(d) to confirm, as further assurance, the pledge herein, and the subjection of, additional properties, taxes or other collateral to any lien, claim or pledge created or to be created by, this Indenture;

(e) to cure any ambiguity, supply any omission, or cure or correct any defect or inconsistent provision in this Indenture;

(f) to insert such provisions clarifying matters or questions arising under this Indenture as are necessary or desirable and are not contrary to or inconsistent with this Indenture as theretofore in effect; or

(g) to provide additional duties of the Trustee under this Indenture.

Section 9.02. Supplemental Indentures Effective With Consent of Owners of Bonds. At any time or from time to time, a Supplemental Indenture may be authorized by an ordinance adopted by the City Council of the City, subject to consent by the Owners of Bonds in accordance with and subject to the provisions of this Article, which Supplemental Indenture, upon the filing with the Trustee of a copy of such ordinance certified by the City Clerk, upon compliance with the provisions of this Article, and upon execution and delivery of such Supplemental Indenture by the City and the Trustee, shall become fully effective in accordance with its terms.

Section 9.03. General Provisions. (a) This Indenture shall not be modified or amended in any respect except as provided in and in accordance with and subject to the provisions of this Article. Nothing in this Article shall affect or limit the right or obligation of the City to adopt, make, do, execute, acknowledge or deliver any ordinance, resolution, act or other instrument pursuant to the provisions of this Article or the right or obligation of the City to execute and deliver

to the Trustee any instrument which elsewhere in this Indenture it is provided shall be delivered to the Trustee.

(b) Any ordinance authorizing a Supplemental Indenture referred to and permitted or authorized by Section 9.01 or 9.04 hereof may be adopted by the City Council of the City without the consent of any of the Owners of Bonds, but such Supplemental Indenture shall be executed and delivered by the City and the Trustee and shall become effective only on the conditions, to the extent and at the time provided in this Article. Every Supplemental Indenture delivered to the Trustee for execution shall be accompanied by an opinion of counsel stating that such Supplemental Indenture has been duly and lawfully authorized by the City Council of the City and executed by the City in accordance with the provisions of this Indenture, is authorized or permitted by this Indenture, and will, when executed and delivered by the Trustee, be valid and binding upon the City and enforceable in accordance with its terms.

(c) The Trustee is hereby authorized to enter into, execute and deliver any Supplemental Indenture referred to and permitted or authorized by this Article and to make all further agreements and stipulations which may be therein contained, and the Trustee, in taking such action, shall be fully protected in relying on an opinion of counsel that such Supplemental Indenture is authorized or permitted by the provisions of this Indenture.

(d) No Supplemental Indenture shall change or modify any of the rights or obligations of the Trustee without its written assent thereto.

(e) No Supplemental Indenture shall take effect unless and until there has been delivered to the Trustee an Opinion of Bond Counsel to the effect that such Supplemental Indenture does not adversely affect the exclusion from gross income for federal income tax purposes to which interest on the Bonds would otherwise be entitled.

Section 9.04. Additional Matters. Additionally, this Indenture may, without the consent of, or notice to, any of the Bondholders, be supplemented and amended, in such manner as shall not be inconsistent with the terms and provisions hereof, for any one or more of the following purposes:

(a) to provide for certificated Bonds; and

(b) to secure or maintain ratings from any Rating Agency in the highest long term debt rating category, of such Rating Agency which are available for the Bonds, which changes will not restrict, limit or reduce the obligation of the City to pay the principal of, premium, if any, and interest on the Bonds as provided in this Indenture or otherwise adversely affect the Registered Owners of the Bonds under this Indenture.

Section 9.05. Mailing of Notice of Amendment. Any provision in this Article for the mailing of a notice or other paper to owners of Bonds shall be fully complied with if it is mailed postage prepaid only (i) to each Registered Owner of then Outstanding Bonds at his address, if any, appearing upon the registration books maintained by the City at the Designated Corporate Trust Office of the Trustee, and (ii) to the Trustee.

Section 9.06. Powers of Amendment. Any modification or amendment of this Indenture or of the rights and obligations of the City and of the Owners of the Bonds, in particular, which requires the consent of the Bondholders, may be made by a Supplemental Indenture, with the written consent given as provided in Section 9.07, (a) of the Owners of a majority in aggregate principal amount of the Bonds Outstanding at the time such consent is given, or (b) in case less than all of the then Outstanding Bonds are affected by the modification or amendment, of the Owners of a majority in aggregate principal amount of the then Outstanding Bonds so affected. No such modification or amendment shall permit a change in the terms of redemption or maturity of the principal of any Outstanding Bonds or of any installment of interest thereon or a reduction in the principal amount or the Redemption Price thereof or in the rate of interest thereon, or in terms of purchase or the purchase price thereof, without the consent of the owner of such Bonds, or shall reduce the percentages or otherwise affect the classes of Bonds the consent of the owners of which is required to effect any such modification or amendment, or shall change or modify any of the rights or obligations of the Trustee without its written assent thereto. For the purposes of this Section, a Bond shall be deemed to be affected by a modification or amendment of this Indenture if the same adversely affects or diminishes the rights of the owners of such Bond.

Section 9.07. Consent of Owners of Bonds. (a) The City may at any time authorize a Supplemental Indenture making a modification or amendment permitted by the provisions of Section 9.06, to take effect when and as provided in this Section. A copy of such Supplemental Indenture (or brief summary thereof or reference thereto in form approved by the Trustee), together with a request to the Owners of the Bonds for their consent thereto in form satisfactory to the Trustee, shall be mailed by the City to the Owners of the Bonds (but failure to mail such copy and request shall not affect the validity of the Supplemental Indenture when consented to as in this Section provided). Such Supplemental Indenture shall not be effective unless and until, and shall take effect in accordance with its terms when, (i) there shall have been filed with the Trustee (1) the written consents of Owners of the percentages of Outstanding Bonds specified in Section 9.06 and (2) an opinion of counsel stating that such Supplemental Indenture has been duly and lawfully executed and delivered by the City and the Trustee in accordance with the provisions of this Indenture, is authorized or permitted hereby and is valid and binding upon the City and enforceable in accordance with its terms upon its becoming effective as in this Section provided, and (ii) a notice shall have been mailed as hereinafter in this Section provided.

(b) The consent of an Owner of Bonds to any modification or amendment shall be effective only if accompanied by proof of the Ownership, at the date of such consent, of the Bonds with respect to which such consent is given, which proof shall be such as is permitted by Section 8.16. A certificate or certificates signed by the Trustee that it has examined such proof and that such proof is sufficient in accordance with Section 8.16 shall be conclusive that the consents have been given by the Owners of the Bonds described in such certificate or certificates. Any such consent shall be binding upon the Owner of the Bonds giving such consent and upon any subsequent Owner of such Bonds and of any Bonds issued in exchange therefor (whether or not such subsequent Owner thereof has notice thereof) unless such consent is revoked in writing by the Owner of such Bonds giving such consent or a subsequent Owner thereof by filing such revocation with the Trustee, prior to the time when the written statement of the Trustee hereinafter provided for in this Section is filed. The fact that a consent has not been revoked may likewise be

proved by a certificate of the Trustee to the effect that no revocation thereof is on file with the Trustee.

(c) At any time after the Owners of the required percentages of Bonds shall have filed their consents to the Supplemental Indenture, the Trustee shall make and file with the City a written statement that the Owners of such required percentages of Bonds have filed such consents. Such written statement shall be conclusive that such consents have been so filed. At any time thereafter notice, stating in substance that the Supplemental Indenture (which may be referred to as a Supplemental Indenture entered into by the City and the Trustee as of a stated date, a copy of which is on file with the Trustee) has been consented to by the Owners of the required percentages of Bonds and will be effective as provided in this Section, shall be given to Owners by the Trustee by mailing such notice to the Owners of the Bonds (but failure to mail such notice shall not prevent such Supplemental Indenture from becoming effective and binding as provided in this Section). The Trustee shall file with the City proof of the mailing of such notice. A record, consisting of the papers required or permitted by this Section to be filed with the Trustee, shall be proof of the matters therein stated. Such Supplemental Indenture making such amendment or modification shall be deemed conclusively binding upon the Trustee and the Owners of all Bonds at the expiration of 40 days after the filing with the Trustee of proof of the mailing of such last mentioned notice, except in the event of a final decree of a court of competent jurisdiction setting aside such Supplemental Indenture in a legal action or equitable proceeding for such purpose commenced within such 40-day period; except that the Trustee and the City, during such 40-day period and any such further period during which any such action or proceeding may be pending, shall be entitled in their absolute discretion to take such action, or to refrain from taking such action, with respect to such Supplemental Indenture as they may deem expedient.

Section 9.08. Modifications by Unanimous Consent. The terms and provisions of this Indenture and the rights and obligations of the City and of the Owners of the Bonds hereunder may be modified or amended in any respect upon the consent of the Owners of all the then Outstanding Bonds to the execution and delivery of such Supplemental Indenture, such consent to be given as provided in Section 9.07 except that no notice to the Owners of the Bonds shall be required; but no such modification or amendment shall change or modify any of the rights or obligations of the Trustee without its written assent thereto.

Section 9.09. Exclusion of Bonds. Bonds owned by or for the account of the City shall not be deemed Outstanding for the purpose of consent or other action or any calculation of Outstanding Bonds provided for in this Article, and the City shall not be entitled with respect to such Bonds to give any consent or take any other action provided for in this Article. At the time of any consent or other action taken under this Article, the City shall furnish the Trustee with a Certificate upon which the Trustee may rely, describing all Bonds so to be excluded.

Section 9.10. Notation on Bonds. Bonds authenticated and delivered after the effective date of any action taken as in this Article provided may, and, if the Trustee so determines, shall, bear a notation by endorsement or otherwise in form approved by the City and the Trustee as to such action, and in that case upon demand of the Owner of any Bond Outstanding at such effective date and presentation of his Bond for that purpose at the Designated Corporate Trust Office of the Trustee or upon any exchange or registration of transfer of any Bond Outstanding at such effective

date, suitable notation shall be made on such Bond or upon any Bond issued upon any such exchange or registration of transfer by the Trustee as to any such action. If the City or the Trustee shall so determine, new Bonds so modified as in the opinion of the Trustee and the City to conform to such action shall be prepared, authenticated and delivered, and upon demand of the Owner of any Bond then Outstanding shall be exchanged, without cost to such Owner, for Bonds of the same maturity upon surrender of such Bond.

ARTICLE II.
AUTHORIZATION AND DETAILS OF GENERAL OBLIGATION BONDS

Section 2.1. Findings and Determinations. The City Council hereby finds and determines as follows:

(a) that the issuance of the Bonds to implement the Financing Plan is in the best interests of the City;

(b) that the City's ability to issue the Bonds from time to time without further action by the City Council at various times, in various principal amounts and with various interest rates and

interest rate mechanisms, maturities, redemption provisions and other terms will enhance the City's opportunities to obtain financing upon the most favorable terms available; and

(c) that the delegations of authority that are contained in this Ordinance are necessary and desirable.

Therefore, authority is granted to an Authorized Officer to determine to sell one or more series of the Bonds, at one or more times, as and to the extent an Authorized Officer determines that such sale or sales is desirable and in the best interests of the City.

Section 2.2. Authorization of Bonds and Trust Indentures.

(a) Bonds are hereby authorized to be issued in one or more series in an aggregate principal amount not to exceed $1,000,000,000 for the purpose of financing all or a portion of the cost of the Purposes including therewith (i) costs of issuance, including any underwriters' discount, origination fee or similar fee charged by any Purchasers (as hereinafter defined), (ii) capitalized interest on the Bonds, and (iii) credit enhancements (including, but not limited to, premiums for the purchase of policies of municipal bond insurance with respect to the Bonds).

(b) The Bonds may be issued from time to time in one or more series in an aggregate principal amount not exceeding the amount specified above, or such lesser amounts as may be determined by an Authorized Officer.

(c) The Bonds of each series may be issued pursuant to, and have such terms and provisions as are set forth in, a Trust Indenture between the City and a Bond Trustee substantially in the form attached as *Exhibit A*, which is incorporated in this Ordinance by this reference, but with such revisions in text as the Authorized Officer executing the same shall determine are necessary or desirable, the execution thereof, and any amendment thereto, by such Authorized Officer to evidence the approval by such Authorized Officer, as applicable, of all such revisions. Such revisions may include, among other things, (i) revisions required in the case of the issuance of a series of Taxable Bonds, (ii) revisions required to accommodate the inclusion of working capital as part of the Financing Plan, (iii) revisions required to accommodate the sale of the Bonds on a forward-delivery basis, (iv) revisions required to accommodate the sale of the Bonds to a Direct Purchaser (as hereinafter defined), (v) revisions required to reflect the issuance of the Bonds as Direct Purchase Bonds (as hereinafter defined), and (vi) revisions required to reflect the issuance of the Bonds in an Exchange Transaction. With respect to any series of Bonds issued pursuant to a Trust Indenture, in the event of any conflict between the provisions of this Ordinance and such Trust Indenture (including in the form of Bond attached thereto as an exhibit), the terms of such Trust Indenture shall be deemed to control. An Authorized Officer is authorized to enter into one or more of such Trust Indentures from time to time on behalf of the City.

(d) The Bonds will bear interest at fixed rates and pay interest as described below. Each series of Bonds shall be dated such date as shall be agreed upon by an Authorized Officer and the Purchasers of such Bonds, shall be in fully registered form, shall be in such minimum denominations and integral multiples thereof as shall be agreed upon by an Authorized Officer and the Purchasers (but no single Bond shall represent installments of principal maturing on more than one date), and shall be numbered as determined by the applicable Bond Registrar (as hereinafter defined).

All or any portion of the Bonds may be issued and sold from time to time as a direct purchase (the *"Direct Purchase Bonds"*) to a purchaser or purchasers other than an Underwriter

(as hereinafter defined) (individually, a *"Direct Purchaser"* and collectively, the *"Direct Purchasers"*). The Direct Purchase Bonds shall be sold as provided in Section 2.18 hereof.

(e) Any series of the Bonds may be issued on a forward-delivery basis.

(f) The principal of the Bonds of each series shall become due and payable on or before 40 years after the date of issuance of such series. Each series of Bonds shall bear interest at a rate or rates not to exceed 12 percent per annum. Any portion of the Bonds may be issued as Taxable Bonds or Tax-Exempt Bonds as determined by an Authorized Officer to be beneficial to the City.

(g) Each Bond shall bear interest from the later of its date or the most recent interest payment date to which interest has been paid or duly provided for, until the principal amount of such Bond is paid, such interest (computed upon the basis of a 360-day period of twelve 30-day months) being payable on the dates as shall be determined by an Authorized Officer at the time of the sale of each series of Bonds. Interest on each Bond shall be paid to the person in whose name such Bond is registered at the close of business on the 15th day of the month next preceding the interest payment date, by check or draft of the applicable Bond Registrar, or, at the option of any registered owner of $1,000,000 or more in aggregate principal amount of Bonds of a series, by wire transfer of immediately available funds to such bank in the continental United States of America as the registered owner of such Bonds shall request in writing to the applicable Bond Registrar.

The principal of the Bonds and any redemption premium shall be payable in lawful money of the United States of America upon presentation and surrender thereof at the designated corporate trust office of the applicable Bond Registrar.

(h) Each of the Bonds shall be designated "General Obligation Bonds, Series ____" or shall have such other designations or descriptions as determined by an Authorized Officer to be necessary to properly identify and differentiate the Bonds at the time of the sale of the Bonds, and with such other additions, modifications or revisions as shall be determined to be necessary by an Authorized Officer at the time of the sale of such Bonds to reflect the calendar year of issuance of the Bonds, the order of sale of the Bonds, the specific series of the Bonds, whether the Bonds are being issued as Taxable Bonds or Tax-Exempt Bonds, whether the Bonds are Direct Purchase Bonds, the purposes for which the Bonds are being sold and any other authorized features of the Bonds determined by an Authorized Officer as desirable to be reflected in the title of the Bonds being issued and sold. As used in this Ordinance, *"City Clerk"* shall mean the duly qualified and acting City Clerk of the City or any Deputy City Clerk or other person who may lawfully take a specific action or perform a specific duty prescribed for the City Clerk pursuant to this Ordinance.

Section 2.3. Execution and Authentication.

(a) The seal of the City or a facsimile thereof shall be affixed to or printed on each of the Bonds, and the Bonds shall be executed by the manual or facsimile signature of the Mayor and attested by the manual or facsimile signature of the duly qualified and acting City Clerk, and in case any officer whose signature shall appear on any Bond shall cease to be such officer before the delivery of such Bond, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery.

(b) All Bonds shall have thereon a certificate of authentication substantially in the form hereinafter set forth duly executed by the applicable Bond Registrar or Bond Trustee as authenticating agent of the City and showing the date of authentication. No Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit under this Ordinance unless and until such certificate of authentication shall have been duly executed by the applicable Bond Registrar or Bond Trustee by manual signature, and such certificate of authentication upon any such Bond shall be conclusive evidence that such Bond has been authenticated and delivered under this Ordinance. The certificate of authentication on any Bond shall be deemed to have been executed by the applicable Bond Registrar or Bond Trustee if signed by an authorized officer of such Bond Registrar or Bond Trustee, but it shall not be necessary that the same officer sign the certificate of authentication on all of the Bonds issued under this Ordinance.

Section 2.4. Registration and Transfer.

(a) The City shall cause books (the "*Bond Register*") for the registration and for the transfer of each series of Bonds as provided in this Ordinance to be kept at the designated corporate trust office of a bank or trust company designated by an Authorized Officer, as the registrar for the City in connection with such series of Bonds (the *"Bond Registrar"*), which shall, with respect to a series of Bonds issued pursuant to a Trust Indenture, be the Bond Trustee for such series of Bonds. The City is authorized to prepare multiple Bond blanks executed by the Mayor and attested by the City Clerk for use in the transfer and exchange of Bonds.

(b) Upon surrender for transfer of any Bond at the designated corporate trust office of the applicable Bond Registrar, duly endorsed by, or accompanied by a written instrument or instruments of transfer in form satisfactory to such Bond Registrar and duly executed by the registered owner or its attorney duly authorized in writing, the City shall execute and such Bond Registrar shall authenticate, date and deliver in the name of the transferee or transferees one or more fully registered Bonds of the same series, interest rate and maturity of authorized denominations, for a like principal amount. Any Bond or Bonds may be exchanged at said office of the applicable Bond Registrar for a like aggregate principal amount of Bonds of the same series, type, interest rate and maturity of other authorized denominations. The execution by the City of any fully registered Bond shall constitute full and due authorization of such Bond, and the applicable Bond Registrar shall thereby be authorized to authenticate, date and deliver such Bond; *provided* that the aggregate principal amount of Bonds of each series, maturity and interest rate authenticated by the applicable Bond Registrar or Bond Trustee shall not exceed the authorized principal amount of Bonds for such series, maturity and interest rate less previous retirements.

(c) The applicable Bond Registrar shall not be required to transfer or exchange (i) any Bond after notice calling such Bond for redemption has been mailed, or (ii) any Bond during a period of 15 days next preceding mailing of a notice of redemption of such Bond; *provided, however*, that provisions relating to the transfer or exchange of Bonds of a series shall be as determined by an Authorized Officer at the time of the sale of such series and may be set forth in a notification of sale as described in Section 2.18(i) hereof (a *"Notification of Sale"*).

(d) The person in whose name any Bond is registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of the principal of, redemption premium, if any, or interest on any Bond, as appropriate, shall be made only to or upon the order of the registered owner thereof or its legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

(e) No service charge shall be made for any transfer or exchange of Bonds, but the City or the applicable Bond Registrar may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds, except that no such payment may be required in the case of the issuance of a Bond or Bonds for the unredeemed portion of the Bond surrendered for redemption.

Section 2.5. Book-Entry Only System. If so determined and directed by an Authorized Officer in connection with the sale of any of the Bonds, such Bonds may be issued in book-entry only form. In connection with the issuance of Bonds in book-entry only form, an Authorized Officer is authorized to execute and deliver to the book-entry depository selected by such Authorized Officer such depository's standard form of representation letter. If any of the Bonds are registered in the name of a securities depository which uses a book-entry system, the standing of the beneficial owner to enforce any of the covenants herein may be established through the books and records of such securities depository or a participant therein.

Section 2.6. Replacement of Bonds. If any Bond, whether in temporary or definitive form, is lost (whether by reason of theft or otherwise), destroyed (whether by mutilation, damage, in whole or in part, or otherwise) or improperly cancelled, the applicable Bond Registrar may authenticate a new Bond of like series, date, maturity date, interest rate, denomination and principal amount and bearing a number not contemporaneously outstanding; *provided* that (i) in the case of any mutilated Bond, such mutilated Bond shall first be surrendered to the applicable Bond Registrar, and (ii) in the case of any lost Bond or Bond destroyed in whole, there shall be first furnished to the applicable Bond Registrar evidence of such loss or destruction, together with indemnification of the City and such Bond Registrar, satisfactory to such Bond Registrar. If any lost, destroyed or improperly cancelled Bond shall have matured or is about to mature, or has been called for redemption, instead of issuing a duplicate Bond, the applicable Bond Registrar shall pay the same without surrender thereof if there shall be first furnished to such Bond Registrar evidence of such loss, destruction or cancellation, together with indemnity, satisfactory to it. Upon the issuance of any substitute Bond, the applicable Bond Registrar may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto.

Section 2.7. Redemption and Repurchase.

(a) The Bonds may be made subject to redemption prior to maturity at the option of the City, in whole or in part on any date, at such times and at such redemption prices (to be expressed as a percentage of the principal amount of Bonds being redeemed to be redeemed) not to exceed 120 percent, plus, accrued interest to the date of redemption, as determined by an Authorized Officer at the time of the sale thereof.

(b) Notwithstanding the foregoing, such 120 percent limitation on the redemption price of Bonds shall not apply where the redemption price is based upon a formula designed to compensate the owner of the Bonds to be redeemed based upon prevailing market conditions on the date fixed for redemption, commonly known as a "make-whole" redemption price (the *"Make-Whole Redemption Price"*). At the time of sale of the Bonds, an Authorized Officer shall determine the provisions of the formula to be used to establish any Make-Whole Redemption Price, which may vary depending on whether the Bonds are issued as Taxable Bonds or Tax-Exempt Bonds. An Authorized Officer shall confirm and transmit the applicable Make-Whole Redemption Price on such dates and to such parties as shall be necessary to effectuate such redemption.

(c) If fewer than all of the outstanding Bonds of a series are to be optionally redeemed, the Bonds to be called shall be called from such maturities and interest rates of such series as may be determined by an Authorized Officer.

(d) Certain of the Bonds of a series may be made subject to mandatory redemption, at par and accrued interest to the date fixed for redemption, as determined by an Authorized Officer at the time of the sale thereof.

(e) An Authorized Officer is authorized to sell (at a price determined by such Authorized Officer to be in the best interests of the City) or waive any right the City may have to call any of the Bonds or Outstanding Indebtedness for optional redemption, in whole or in part, and is further authorized to expend the proceeds of any such sales for any purpose for which the proceeds of the Bonds are authorized to be expended and for the payment or prepayment of any City debt obligations whether issued before or after the date of adoption of this Ordinance, all as determined by an Authorized Officer; *provided however,* to the extent that interest on such Bonds or Outstanding Indebtedness is excluded from gross income for federal income tax purposes, such expenditures shall not adversely affect such exclusion. If determined to be necessary or appropriate, an Authorized Officer is authorized to solicit the consent of holders of outstanding Bonds or Outstanding Indebtedness to any such sale or waiver.

(f) At the time of sale of Bonds of a series, an Authorized Officer is authorized to determine the manner of redeeming such Bonds, either by lot in the manner hereinafter provided or pro-rata in the manner determined by an Authorized Officer at the time of sale, if less than all of the Bonds of the same series, maturity and interest rate are to be redeemed.

(g) The Bonds shall be redeemed only in amounts equal to the respective minimum authorized denominations and integral multiples thereof. In the event of the redemption of fewer than all the Bonds of the same series, maturity and interest rate by lot, the aggregate principal amount thereof to be redeemed shall be the minimum authorized denomination for such series or an integral multiple thereof, and the applicable Bond Registrar shall assign to each Bond of such series, maturity and interest rate, a distinctive number for each minimum authorized denomination of such Bond and shall select by lot from the numbers so assigned as many numbers as, at such minimum authorized denomination for each number, shall equal the principal amount of such Bonds to be redeemed. In such case, the Bonds to be redeemed shall be those to which were assigned numbers so selected; *provided* that only so much of the principal amount of each Bond shall be redeemed as shall equal such minimum authorized denomination for each number assigned to it and so selected. In the event of the redemption of fewer than all Bonds of the same series, maturity and interest rate on a pro-rata basis, if the Bonds are held in book-entry form at the time of redemption, at the time of sale of the Bonds, an Authorized Officer is authorized to direct the Bond Registrar to instruct the book-entry depository to select the specific Bonds within such maturity and interest rate for redemption pro-rata among such Bonds. The City shall have no responsibility or obligation to ensure that the book-entry depository properly selects such Bonds for redemption.

(h) An Authorized Officer shall, at least 45 days prior to any optional redemption date (unless a shorter time period shall be satisfactory to the applicable Bond Registrar), notify the applicable Bond Registrar of such redemption date and of the principal amount of Bonds of such series to be redeemed.

(i) In connection with any mandatory redemption of Bonds of a series as authorized above, the principal amounts of Bonds of such series to be mandatorily redeemed in each year

may be reduced through the earlier optional redemption thereof, with any partial optional redemptions of such Bonds of such series credited against future mandatory redemption requirements in such order of the mandatory redemption dates as an Authorized Officer may determine. In addition, on or prior to the 60th day preceding any mandatory redemption date of Bonds of a series, the applicable Bond Registrar may, and if directed by an Authorized Officer shall, purchase Bonds of such series required to be retired on such mandatory redemption date at such prices as an Authorized Officer shall determine. Any such Bonds so purchased shall be cancelled and the principal amount thereof shall be credited against the payment required on such next mandatory redemption date with respect to such series of Bonds.

(j) The applicable Bond Registrar shall promptly notify the City in writing of the Bonds, or portions thereof, selected for redemption and, in the case of any Bond selected for partial redemption, the principal amount and the interest rate thereof to be redeemed.

(k) Subject to the limitation on redemption price set forth above, the terms of such redemption shall be determined by an Authorized Officer at the time of sale of the Bonds of each series and may be set forth in a Notification of Sale .

Section 2.8. Notice of Redemption.

(a) Unless waived by any owner of Bonds to be redeemed, notice of the call for any such redemption shall be given by the applicable Bond Registrar on behalf of the City by mailing the redemption notice by first class mail at least 20 days and not more than 60 days prior to the date fixed for redemption to the registered owner of the Bond or Bonds to be redeemed at the address shown on the applicable Bond Register or at such other address as is furnished in writing by such registered owner to such Bond Registrar, but the failure to mail any such notice or any defect therein as to any Bond shall not affect the validity of the proceedings for the redemption of any other Bond. Any notice of redemption mailed as provided in this Section shall be conclusively presumed to have been given whether or not actually received by the addressee.

(b) All notices of redemption shall state:

(1) the series designation of the Bonds to be redeemed,

(2) the redemption date,

(3) the redemption price, or in the case of a redemption of Bonds at a Make-Whole Redemption Price, a description of the formula by which the redemption price shall be determined,

(4) if less than all outstanding Bonds of a series are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts and interest rates of the Bonds to be redeemed),

(5) that on the redemption date the redemption price will become due and payable upon each such Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date,

(6) the place where such Bonds are to be surrendered for payment of the redemption price, which place of payment shall be the designated corporate trust office of the applicable Bond Registrar, and

(7) such other information as shall be deemed necessary by the applicable Bond Registrar at the time such notice is given to comply with law, regulation or industry standard.

(c) With respect to an optional redemption of any series of Bonds, such notice may state that said redemption is conditioned upon the receipt by the applicable Bond Registrar on or prior to the date fixed for redemption of moneys sufficient to pay the redemption price of the Bonds of such series. If such moneys are not so received, such redemption notice shall be of no force and effect, the City shall not redeem such Bonds and the applicable Bond Registrar shall give notice, in the same manner in which the notice of redemption was given, that such moneys were not so received and that such Bonds will not be redeemed. Unless the notice of redemption shall be made conditional as provided above, on or prior to any redemption date for a series of Bonds, the City shall deposit with the applicable Bond Registrar an amount of money sufficient to pay the redemption price of all the Bonds or portions thereof of such series which are to be redeemed on that date.

(d) Notice of redemption having been given as aforesaid, the Bonds, or portions thereof, so to be redeemed shall, on the redemption date, become due and payable at the redemption price therein specified, and from and after such date (unless the City defaults in the payment of the redemption price or unless, in the event of a conditional notice as described above, the necessary moneys were not deposited) such Bonds, or portions thereof, shall cease to bear or accrue interest. Upon surrender of such Bonds for redemption in accordance with said notice, such Bonds shall be paid by the applicable Bond Registrar at the redemption price. Installments of interest due on or prior to the redemption date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Bond, there shall be prepared for the registered owner a new Bond or Bonds of the same series, interest rate and maturity in the amount of the unpaid principal.

(e) If any Bond or portion thereof called for redemption shall not be so paid upon surrender thereof for redemption, the principal shall, until paid, bear interest from the redemption date at the rate borne by such Bond, or portion thereof, so called for redemption. All Bonds which have been redeemed shall be cancelled and destroyed by the applicable Bond Registrar and shall not be reissued.

(f) If any Bond is not presented for payment when the principal amount thereof becomes due, either at maturity or at a date fixed for redemption thereof or otherwise, and if moneys sufficient to pay such Bond are held by the applicable Bond Registrar for the benefit of the registered owner of such Bond, such Bond Registrar shall hold such moneys for the benefit of the registered owner of such Bond without liability to the registered owner for interest. The registered owner of such Bond thereafter shall be restricted exclusively to such funds for satisfaction of any claims relating to such Bond.

Section 2.9. Form of Bonds. The Bonds of each series shall be prepared in substantially the following form with such insertions and revisions as shall be necessary to reflect the terms and provisions of the sale of the Bonds of such series pursuant to Section 2.18 hereof; *provided* that if the text of any Bond is to be printed in its entirety on the front side of such Bond, then the text shown or appearing on the reverse side of such Bond shall replace the second paragraph on the front side of the form of the Bond shown below and the legend, "See Reverse Side for Additional Provisions," shall be omitted.

All Bonds may be prepared with such insertions and revisions as shall be necessary in connection with the issuance of such Bonds as Direct Purchase Bonds or for the sale of such Bonds to a Direct Purchaser.

Section 2.10. General Obligations. Each Bond shall be a direct and general obligation of the City for the payment of which (as to principal, interest and redemption premium, if any, as appropriate) the City pledges its full faith and credit. Each Bond shall be payable (as to principal, interest and redemption premium, if any, as appropriate) from any moneys, revenues, receipts, income, assets or funds of the City legally available for such purpose, including but not limited to the proceeds of the Pledged Taxes (as defined in Section 2.11 hereof), except as provided in Section 2.11 hereof. Repayment of one or more series of Bonds may be secured by repayments of loans funded by such Bonds, if determined by an Authorized Officer at the time of issuance of such Bonds to be in the best interests of the City. Each Authorized Officer is authorized to make such determinations.

Section 2.11. Tax Levy.

(a) For the purpose of providing the funds required to pay as the same become due (i) the principal of and interest and redemption premium, if any, on the Bonds, and (ii) to the extent determined by an Authorized Officer to be necessary or desirable, periodic fees and expenses payable to parties involved in the provision of ongoing services relating to the Bonds, such as rating agencies and entities providing financial market information to be used in connection with the structuring and sale of the Bonds (the *"Ongoing Financing Services"*), there is hereby levied upon all of the taxable property within the City, in the years for which any of said Bonds are outstanding, a direct annual tax sufficient for that purpose, provided, however, that such levy shall not exceed $300,000,000 in any single levy year. Such levy for a series of the Bonds shall be fully set forth in one or more Notifications of Sale delivered in connection with the sale of such series of the Bonds; provided that collections of such levy for any year in an amount in excess of that necessary to make the payments described in clauses (i) and (ii), above (x) may be used for any lawful public purpose designated by the City Council or (y) may be reduced and abated by an Authorized Officer if such reduction is deemed desirable by an Authorized Officer in connection with the sale or sales of the Bonds, in each case as determined from time to time by an Authorized Officer as provided in Section 2.18 hereof.

(b) The tax levy made in this Section is not subject to the "*Aggregate Levy*" limitation contained in the Chicago Property Tax Limitation Ordinance contained in Chapter 3-92 of the Municipal Code of Chicago (the *"Municipal Code"*), and Section 3-92-020 of the Municipal Code is superseded to exclude the tax levy herein from the definition of "Aggregate Levy" contained therein.

(c) The term "*Pledged Taxes*" means the taxes hereinabove levied for collection for the purpose of providing the funds necessary to make the payments described in clauses (a)(i) and (ii) of this Section, and also includes any amounts deposited into the hereinafter-defined Bond Fund or deposited with the Ad Valorem Tax Escrow Agent (as defined in Section 2.13 hereof) by an Authorized Officer for the purpose of paying principal of and interest on the Bonds and any accrued interest received and deposited in the Bond Fund or the Ad Valorem Tax Escrow Account, if established pursuant to Section 2.13 hereof. The City Council hereby determines that any collections of the direct annual taxes levied upon all taxable property in the City with respect to any Refunded Indebtedness may, to the extent such collections are no longer needed to pay the Refunded Indebtedness as a result of such refunding (the *"Refunded Bond Levies"*) be deposited into the Bond Fund for any of the Bonds issued hereunder, if so directed by an Authorized Officer, and, if so deposited, such amounts shall be included in the term *"Pledged Taxes"* as described in the previous sentence. The Refunded Bond Levies, including any portion thereof levied by the City and not yet extended by the County Clerk, may be used by the City to pay the principal of, interest on or redemption price of any Line of Credit Indebtedness.

The City reserves the right to abate all or a portion of the Pledged Taxes required to be levied in any year if and to the extent on or before March 31 of the next succeeding calendar year (or such earlier date as may be required by law), the City has on hand amounts dedicated to the payments described in clause (i) of paragraph (a) of this Section due during the one-year period commencing on January 2 of such succeeding calendar year. The City may, but shall not be required to, cause the levy or extension in any year of taxes for the payment of the costs of Ongoing Financing Services.

Section 2.12. Continuing Appropriation. The City shall appropriate or otherwise provide amounts sufficient to pay principal of and interest on the Bonds for the years such amounts are due, and the City covenants to take timely action as required by law to carry out the provisions of this Section, but, if for any such year it fails to do so, this Ordinance shall constitute a continuing appropriation of such amounts without any further action on the part of the City Council.

Section 2.13. Bond Funds. Each Authorized Officer is authorized to establish one or more special accounts, if determined to be necessary in connection with the sale of any of the Bonds, separate and segregated from all other funds and accounts of the City (each a "*Bond Fund*"), which shall be (i) held by an Authorized Officer, or (ii) maintained by a Bond Trustee pursuant to a Trust Indenture, or (iii) maintained with a bank or trust company to be designated by an Authorized Officer (each an "*Ad Valorem Tax Escrow Account*") pursuant to an escrow agreement (each an "*Ad Valorem Tax Escrow Agreement*"), between the City and the applicable Escrow Agent named therein (each an "*Ad Valorem Tax Escrow Agent*"), and each Authorized Officer is authorized to execute and deliver one or more Ad Valorem Tax Escrow Agreements in connection with the sale of the Bonds in such form as the officers so executing such agreement may deem appropriate in accordance with the provisions of this Ordinance.

Section 2.14. Direct Deposit of Pledged Taxes. In lieu of the proceeds of the Pledged Taxes being deposited with the City Treasurer of the City (the "*City Treasurer*"), each Authorized Officer is authorized to direct the County Collectors (the "*County Collectors*") of The County of Cook, Illinois ("*Cook County*") and The County of DuPage, Illinois ("*DuPage County*") to deposit the proceeds of the Pledged Taxes directly into the Bond Fund held pursuant to the applicable Trust Indenture or the applicable Ad Valorem Tax Escrow Account, if such Trust Indenture has been executed and delivered or such Ad Valorem Tax Escrow Account has been created.

Section 2.15. Legally Available Funds. If the Pledged Taxes to be applied to the payment of the Bonds are not available in time to make any payments of principal of or interest on the Bonds when due, then an Authorized Officer is directed to make such payments from any other moneys, revenues, receipts, income, assets or funds of the City that are legally available for that purpose in advance of the collection of such Pledged Taxes, and when the proceeds thereof are received, such other funds shall be replenished, all to the end that the credit of the City may be preserved by the prompt payment of the principal of and interest on the Bonds as the same become due.

Section 2.16. Filing of Ordinance and Notification of Sale with County Clerks. A copy of this Ordinance, duly certified by the City Clerk, and a copy of each Notification of Sale shall be filed in the respective offices of the County Clerks of Cook County and DuPage County (the "*County Clerks*"), and such filing of each Notification of Sale shall constitute the authority for, and it shall be the duty of, the County Clerks to extend the taxes levied pursuant to Section 2.11 hereof for collection in such years as shall be indicated in each such Notification of Sale, such taxes to be in addition to and in excess of all other taxes heretofore or hereafter authorized to be levied by the City on its behalf.

Section 2.17. Additional Filings of Ordinance. A copy of this Ordinance, duly certified by the City Clerk, shall also be filed with each applicable Bond Trustee, each applicable Ad Valorem Tax Escrow Agent, if any, each applicable Bond Registrar, and if the County Collectors are authorized to deposit the proceeds of the Pledged Taxes levied pursuant to Section 2.11 hereof directly with a Bond Trustee or an Ad Valorem Tax Escrow Agent pursuant to Section 2.14 hereof, with such County Collectors.

Section 2.18. Bond Sales.

(a) Each Authorized Officer is authorized to sell all or any portion of the Bonds from time to time (i) to or at the direction of an underwriter or group of underwriters to be selected by such Authorized Officer (the "*Underwriters*"), or (ii) to or at the direction of a Direct Purchaser (the Underwriters and Direct Purchasers being collectively referred to herein as the "*Purchasers*") on such terms as the Authorized Officer may deem to be in the best interests of the City within the limitations set forth in this Ordinance, with the concurrence of the Chairman of the Finance Committee. Any Bonds may be sold in an Exchange Transaction, the same being a transaction in which the beneficial holders of any Outstanding Indebtedness are solicited by the City to tender the Outstanding Indebtedness they hold in exchange for any Bonds to be issued by the City hereunder.

(b) The principal amount of and the interest on the Bonds due in any levy year of each series and maturity in the aggregate (after taking into account (i) interest on the Bonds of such series to be paid from proceeds of such series and (ii) mandatory redemptions) shall not exceed the maximum annual levy amount specified in Section 2.11 hereof. The Bonds may be sold from time to time as an Authorized Officer shall determine that the proceeds of such sales are needed.

(c) Either Authorized Officer is authorized and directed to (i) select the particular Outstanding Indebtedness which will constitute Refunded Indebtedness under this Ordinance by application of the proceeds of sale of the Bonds, (ii) cause all necessary notices of redemption of the Refunded Indebtedness selected for refunding as provided above to be given in accordance with the terms of the respective ordinances or indentures, as applicable, authorizing the Refunded Indebtedness, (iii) execute such contracts and documents as may be necessary in connection with a tender offer of any Refunded Indebtedness and (iv) execute such contracts and documents as may be necessary in connection with an Exchange Transaction including, but not limited to, a dealer manager agreement and an information agent agreement, (v) disseminate any documents which may be required as part of a tender offer or Exchange Transaction, including, but not limited to, an invitation for tender offer or exchange and related disclosure documents.

(d) An Authorized Officer is authorized to execute and deliver a contract of purchase with respect to each sale of the Bonds to, or at the direction of, the Underwriters, in substantially the form previously used for similar general obligation bonds of the City (the "*Contract of Purchase*"), with appropriate revisions to reflect the terms and provisions of the Bonds and such other revisions in text as an Authorized Officer shall determine are necessary or desirable in connection with the sale of the Bonds, including, if applicable, customary provisions relating to the sale of all or a portion of the Bonds on a forward delivery basis if such Authorized Officer finds and determines that a forward delivery of such Bonds is in the best interest of the City. Bonds sold pursuant to a Contract of Purchase shall be sold at a price of not less than 85 percent of the principal amount of the Bonds being sold. The compensation paid to the Underwriters in connection with any sale of Bonds shall not exceed five percent of the principal amount of the Bonds being sold. Nothing contained in this Ordinance shall limit the sale of the Bonds or any maturity or maturities thereof at a price or prices in excess of the principal amount thereof.

(e) The Bonds may be sold as Direct Purchase Bonds in a manner and containing such terms authorized by an Authorized Officer, including pursuant to a placement agent arrangement, to one or more Direct Purchasers, such Direct Purchasers to be selected by an Authorized Officer and such sale being permitted at a price of not less than 85 percent of the principal amount of the Direct Purchase Bonds being sold. The compensation paid to any Direct Purchaser in connection with the sale of Bonds, including any origination fee, shall not exceed five percent of the principal amount of the Bonds being sold. An Authorized Officer is authorized to do all such things and to execute and deliver such additional documents, agreements and certificates as shall be necessary in connection with the sale of Direct Purchase Bonds. Furthermore, an Authorized Officer is authorized to (i) negotiate the terms and provisions of such Direct Purchase Bonds in addition to or as an alternative to the terms and provisions of the Trust Indenture securing the applicable series of Bonds and (ii) provide such certifications on behalf of the City as may be required by a Direct Purchaser.

(f) In connection with any sale of the Bonds, an Authorized Officer is authorized to obtain one or more policies of bond insurance from recognized bond insurers selected by an Authorized Officer, if such Authorized Officer determines such bond insurance to be desirable in connection with such sale of the Bonds. Either Authorized Officer may, on behalf of the City, make covenants with such bond insurer that are not inconsistent with the provisions of this Ordinance and are necessary to carry out the purposes of this Ordinance.

(g) Following the final sale of Bonds of all series under this Ordinance, the final Notification of Sale to the City Council described in paragraph (i) of this Section shall notify the City Council of the total of all taxes levied in each year pursuant to paragraph (a) of Section 2.11 hereof for all Bonds issued pursuant to this Ordinance.

(h) The preparation, use and distribution of a preliminary official statement, an official statement, a limited offering memorandum, a private placement memorandum, or any other disclosure document (each a *"Disclosure Document"* and collectively, the *"Disclosure Documents"*) relating to each sale and issuance of any series of the Bonds are ratified and approved. Each Authorized Officer is authorized to execute and deliver a Disclosure Document relating to each sale and issuance of such series of the Bonds on behalf of the City. The Disclosure Documents herein authorized shall contain the terms and provisions of and security for the Bonds, the manner in which the Bonds shall be sold, the use of proceeds of the Bonds, financial information for the City, and such other information as an Authorized Officer determines to be advisable under the circumstances.

(i) In connection with the sale of any series of Bonds, an Authorized Officer shall file in the office of the City Clerk and, for any series of Bonds for which the Pledged Taxes will be levied, the County Clerks, a Notification of Sale directed to the City Council setting forth, as applicable, (i) the series designation, the aggregate principal amount and authorized denominations of, maturity schedule and redemption provisions for such Bonds sold, (ii) the principal amounts and interest rates on such Bonds sold, (iii) information regarding the specific Outstanding Indebtedness or any portion thereof to be refunded or refinanced with proceeds of Bonds, (iv) the date on and price at which the Outstanding Indebtedness selected for refunding shall be redeemed or otherwise prepaid (if such redemption shall occur prior to stated maturity) and the amount of any tender price or exchange price paid in connection with the payment of Outstanding Indebtedness, (v) the identity of the insurer or insurers issuing the bond insurance policy or policies, if any, referred to in paragraph (f) of this Section, (vi) the identity of the Bond Trustees, if any, selected for such Bonds, (vii) the identity of the applicable Bond Registrar, if any, selected by an Authorized Officer for such Bonds, (viii) the identity of, and compensation paid to, any

Underwriter in connection with such sale, (ix) the identity of, and compensation, including origination fee, paid to, any Direct Purchaser in connection with such sale, (x) the amount of Pledged Taxes levied pursuant to Section 2.11 with respect to the Bonds for each year during which the Bonds are outstanding, (xi) whether repayment of such Bonds is secured by repayments of loans made from proceeds of such Bonds and (xii) any other matter authorized by this Ordinance to be determined by an Authorized Officer at the time of the sale of the Bonds of each series.

(j) In connection with any sale of the Bonds, an Authorized Officer is authorized to execute and deliver one or more agreements of the City (each a *"Continuing Disclosure Undertaking"*) to comply with the requirements of Section (b)(5) of Rule 15c2-12 adopted by the Securities and Exchange Commission (*"SEC"*) under the Securities Exchange Act of 1934 (*"Rule 15c2-12"*). Upon its execution and delivery on behalf of the City as herein provided, each Continuing Disclosure Undertaking will be binding on the City, and the officers, employees and agents of the City are authorized to do all such acts and things and to execute all such documents as may be necessary to carry out and comply with the provisions of each Continuing Disclosure Undertaking as executed. Each Authorized Officer is further authorized to amend each Continuing Disclosure Undertaking in accordance with its respective terms from time to time following its execution and delivery as that Authorized Officer shall deem necessary. In addition, an Authorized Officer is authorized to make all future filings with the Electronic Municipal Market Access system operated by the Municipal Securities Rulemaking Board or such other municipal securities information repository as shall be designated by the SEC, all in accordance with the provisions of Section (b)(5) of Rule 15c2-12. Notwithstanding any other provision of this Ordinance, the sole remedies for any failure by the City to comply with any Continuing Disclosure Undertaking shall be the ability of the beneficial owner of any applicable Bond to seek mandamus or specific performance by court order to cause the City to comply with its obligations under such Continuing Disclosure Undertaking.

(k) The Bonds shall be duly prepared and executed in the form and manner provided herein and delivered to the Purchasers in accordance with the applicable terms of sale.

(l) Each Authorized Officer, the City Treasurer and the City Clerk are each authorized to execute and deliver such other documents and agreements as an Authorized Officer shall deem necessary and appropriate and perform such other acts prior to or following the issuance of the Bonds as may be necessary or desirable in connection with the issuance of the Bonds and any transactions contemplated herein related to the application of the proceeds of the Bonds or Corporate Funds (together the *"Authorized Funds"*) or collections or application of Pledged Taxes levied for the payment of the Bonds or other purposes hereunder, but subject to any limitations on or restrictions of such power or authority as herein set forth.

Section 2.19. Application of Bond Sale Proceeds.

(a) The proceeds from the sale of any series of the Bonds shall be used as follows:

(1) The sum representing the accrued interest received, if any, shall be used to pay the first interest becoming due on the Bonds sold, and to that end, shall be deposited in the applicable Bond Fund or the applicable Ad Valorem Tax Escrow Account, if established.

(2) From the sale proceeds derived from any such sale of a series of the Bonds, (i) such sum as may be determined by an Authorized Officer to be necessary to pay not more than three years of interest on the Bonds may be used to pay such interest, and to that end, may be

deposited in the applicable Bond Fund established for such Bonds; and (ii) the sum determined by an Authorized Officer to be sufficient to pay the Refunded Indebtedness being refunded at or prior to their respective maturities, at a price of par, the applicable redemption premium and accrued interest thereon up to and including said redemption or maturity dates, and any payment or premium required in connection with a tender offer and purchase of any Refunded Indebtedness, shall be deposited into the respective debt service funds established for the Refunded Indebtedness or into one or more "Refunded Indebtedness Escrow Accounts" to be held by one or more banks or trust companies to be designated by an Authorized Officer (each a "*Refunding Escrow Agent*"), each pursuant to the terms of an escrow agreement (each a "*Refunding Escrow Agreement*"), and each Authorized Officer and the City Clerk, or any of them, are authorized to execute and deliver each Refunding Escrow Agreement, and any amendment thereto, in such form as the officer so executing shall deem appropriate to effect the Financing Plan; provided, however, that with respect to any Bonds issued in an Exchange Transaction, an amount equal to the principal amount of such Bonds issued pursuant to the Exchange Transaction shall be deemed to have been deposited into the applicable Bond Fund for the Refunded Indebtedness refunded in such Exchange Transaction and will be deemed to have been used for the purpose of paying such Refunded Indebtedness.

(b) From the sale proceeds of a series of the Bonds not applied as provided in paragraph (a) of this Section, the amount deemed necessary by an Authorized Officer shall be applied to the payment of the costs of issuance of such Bonds, including the premium or fee for bond insurance, if any, and any unexpended portion of the sale proceeds shall be deposited into the Bond Fund for such series of the Bonds.

(c) Notwithstanding any provision of the Municipal Code, investments acquired with proceeds of the Bonds or investment income thereon may include but are not limited to agreements entered into between the City and providers of securities under which agreements such providers agree to purchase from or sell to the City specified securities on specific dates at predetermined prices, all as established at the time of execution of any such agreement and as set forth in such agreement, and guaranteed investment contracts, forward purchase agreements and other similar investment vehicles. Such guaranteed investment contracts, forward purchase agreements and other similar investment vehicles may, to the extent permitted by operative authorizing documents and by applicable law, be assigned or transferred from one bond transaction to another or apply to the proceeds of more than one bond transaction on a commingled or non-commingled basis, as determined by an Authorized Officer. An Authorized Officer is authorized to enter into any amendments to or restatements of existing documents or to execute new documents, to consent to actions being taken by others or to obtain the consent of other parties, as may be necessary or desirable in this respect. Investment income derived from Bond proceeds may be (w) expended for the same purposes for which Bond proceeds may be expended, (x) used for the payment or prepayment of City debt obligations, (y) deposited in the Corporate Fund or (z) rebated to the United States of America as provided in Section 2.20 hereof, all as determined by an Authorized Officer or the Budget Director. Any commingled investment income from guaranteed investment contracts, forward purchase agreements and other similar investment vehicles shall be apportioned among bond transactions as determined by an Authorized Officer or as otherwise required by operative authorizing documents and applicable law.

Section 2.20. Tax Covenants. The City covenants that it will take no action in the investment of the proceeds of Tax-Exempt Bonds which would result in making the interest payable on any of such Tax-Exempt Bonds subject to federal income taxes by reason of such Tax-Exempt Bonds being classified as "*arbitrage bonds*" within the meaning of Section 148 of the

Code. The City further covenants that it will act with respect to the proceeds of Tax-Exempt Bonds, the earnings on the proceeds of such Tax-Exempt Bonds and any other moneys on deposit in any fund or account maintained in respect of such Tax-Exempt Bonds, including, if necessary, a rebate of such earnings to the United States of America, in a manner which would cause the interest on such Tax-Exempt Bonds to continue to be exempt from federal income taxation under Section 103(a) of the Code. Each Authorized Officer is authorized to execute such certifications, tax returns, covenants and agreements as shall be necessary, in the opinion of nationally recognized bond counsel, or in the best interest of the City, as determined by an Authorized Officer, to evidence the City's compliance with the covenants contained in this Section.

Section 2.21. Proxies. Each Authorized Officer may each designate another to act as their respective proxy and, as applicable, to affix their respective signatures to the Bonds whether in temporary or definitive form, and any other instrument, certificate or document required to be signed by an Authorized Officer pursuant to this Ordinance and any instrument, certificate or document required thereby and by any Trust Indenture. In such case, each shall send to the City Council written notice of the person so designated by each, such notice stating the name of the person so selected and identifying the instruments, certificates and documents which such person shall be authorized to sign as proxy for such Authorized Officer, respectively. A written signature of an Authorized Officer executed by the person so designated underneath, shall be attached to each notice. Each notice, with the signatures attached, shall be recorded in the Journal for such date and filed in the office of the City Clerk. When the signature of an Authorized Officer is so affixed to an instrument, certificate or document at the direction of such Authorized Officer, the same, in all respects, shall be as binding on the City as if signed by such Authorized Officer in person.

Section 2.22. Bond Registrar Agreements. If requested by a Bond Registrar, each Authorized Officer and the City Clerk are each authorized to execute the standard form of agreement between the City and such Bond Registrar with respect to the obligations and duties thereof.

Section 2.23. Defeasance and Provision for Payment.

(a) If payment or provision for payment is made, to or for the registered owners of all or a portion of the Bonds, and the principal of and interest due and to become due on any Bond at the times and in the manner stipulated therein, and there is paid or caused to be paid to the applicable Bond Registrar or Bond Trustee, the applicable Ad Valorem Tax Escrow Agent as provided in Section 2.13 hereof, or such bank or trust company as shall be designated by an Authorized Officer (such bank or trust company hereinafter referred to as a *"Defeasance Escrow Agent"*), all sums of money due and to become due according to the provisions of this Ordinance, then these presents and the estate and rights granted by this Ordinance shall cease, terminate and be void as to those Bonds or portions thereof except for purposes of registration, transfer and exchange of Bonds and any such payment from such moneys or obligations. Any Bond shall be deemed to be paid within the meaning of this Section when payment of the principal of any such Bond, plus interest thereon to the due date thereof (whether such due date be by reason of maturity or upon redemption as provided in this Ordinance or otherwise), either (a) shall have been made or caused to have been made in accordance with the terms thereof, or (b) shall have been provided for by irrevocably depositing with the applicable Bond Registrar or Bond Trustee, the applicable Ad Valorem Tax Escrow Agent as provided in Section 2.13 hereof, or a Defeasance Escrow Agent, in trust and exclusively for such payment, (1) moneys sufficient to make such payment, or (2)(A) direct obligations of the United States of America; (B) obligations of agencies of the United States of America, the timely payment of principal of and interest on which are

guaranteed by the United States of America; (C) debt obligations of the following agencies: Federal Home Loan Mortgage Corporation (FHLMC), Farm Credit System, Federal Home Loan Banks (FHLB), Federal National Mortgage Association (FNMA), and Resolution Funding Corporation (REFCORP); (D) pre-refunded municipal obligations defined as follows: any bonds or other obligations of any state of the United States of America or of any agency, instrumentality or local governmental unit of any such state, excluding the City, which are not callable at the option of the obligor prior to maturity or as to which irrevocable instructions have been given by the obligor to call on the date specified in the notice; or (E) instruments evidencing an ownership interest in obligations described in the preceding clauses (A), (B) and (C), or (3) a combination of the investments described in clauses (1) and (2) above, such amounts so deposited being available or maturing as to principal and interest in such amounts and at such times, without consideration of any reinvestment thereof, as will insure the availability of sufficient moneys to make such payment (all as confirmed by a nationally recognized firm of independent public accountants). At such times as a Bond shall be deemed to be paid hereunder, as aforesaid, it shall no longer be secured by or entitled to the benefits of this Ordinance, except for the purposes of registration, transfer and exchange of Bonds and any such payment from such moneys or obligations. The defeasance of Bonds under this Ordinance shall also be subject to any additional terms and conditions in the applicable Trust Indenture, if any.

(b) No such deposit under this Section shall be made or accepted hereunder and no use made of any such deposit unless, in the case of Tax-Exempt Bonds, the applicable Bond Registrar or Bond Trustee, the applicable Ad Valorem Tax Escrow Agent, or the applicable Defeasance Escrow Agent, as the case may be, shall have received an opinion of nationally recognized bond counsel to the effect that such deposit and use would not cause any of such Tax-Exempt Bonds to be treated as "*arbitrage bonds*" within the meaning of Section 148 of the Code or any successor provision thereto.

(c) Nothing in this Ordinance shall prohibit a defeasance deposit of escrow securities as provided in this Section or a defeasance deposit with respect to the Refunded Indebtedness pursuant to any Refunding Escrow Agreement authorized by this Ordinance,from being subject to a subsequent sale of such escrow securities and reinvestment of all or a portion of the proceeds of that sale in escrow securities which, together with money to remain so held in trust, shall be sufficient to provide for payment of principal, redemption premium, if any, and interest on any of the defeased Bonds or Refunded Indebtedness, as appropriate. Amounts held by the applicable Bond Registrar or Bond Trustee, the applicable Ad Valorem Tax Escrow Agent, or any Defeasance Escrow Agent or any Refunding Escrow Agent, in excess of the amounts needed so to provide for payment of the defeased Bonds or Refunded Indebtedness, as appropriate, may be subject to withdrawal by the City. An Authorized Officer is authorized to execute and deliver from time to time one or more agreements (and amendments thereto) with counterparties selected by an Authorized Officer, with respect to the investment and use of such excess amounts held by the applicable Bond Registrar or Bond Trustee, the applicable Ad Valorem Tax Escrow Agent, or a Defeasance Escrow Agent or a Refunding Escrow Agent.

ARTICLE III.
ADDITIONAL SALES TAX OBLIGATIONS

Section 3.1 Findings and Determinations. The City Council hereby finds and determines as follows:

(a) that the issuance of the Additional Sales Tax Obligations by the Corporation to finance the City's funding obligations (including the Purposes) is in the best financial interest of the City and, accordingly, the Mayoral Request is hereby approved;

(b) that the City's authorization of the issuance by the Corporation of Additional Sales Tax Obligations from time to time without further action by the City Council at various times, in various principal amounts and with various interest rates and interest rate mechanisms, maturities, redemption provisions and other terms will enhance the Corporation's opportunities to obtain financing upon the most favorable terms available for the benefit of the City; and

(c) that the delegations of authority that are contained in this Ordinance are necessary and desirable. Thus, authority is granted to the each Authorized Officer to determine to request the Corporation to sell one or more series of Additional Sales Tax Obligations, at one or more times, as and to the extent an Authorized Officer determines that such sale or sales is desirable and in the best financial interest of the City.

Section 3.2 Authorization of Additional Sales Tax Obligations. (a) All or a portion of the Debt Issuance Authorization may be issued as Additional Sales Tax Obligations. Additional Sales Tax Obligations are hereby authorized to be issued to pay the costs of the Purposes in an aggregate principal amount not to exceed $1,000,000,000, and the principal amount of such Additional Sales Tax Obligations, together with the principal amount of any Bonds issued hereunder, shall not exceed the Debt Issuance Limitation. Such Additional Sales Tax Obligations may be issued for the Purposes in one or more series of (i) Additional Sales Tax Obligations issued pursuant to Section 2.01 of the Sales Tax Master Indenture (*"Senior Sales Tax Obligations"*), (ii) Additional Sales Tax Obligations issued pursuant to Section 2.05 of the Sales Tax Master Indenture and the Second Lien Supplemental Trust Indenture, dated as of January 1, 2020, by and between the Corporation and The Bank of New York Mellon Trust Company, N.A., as trustee (*"Second Lien Sales Tax Obligations"*), (iii) additional Subordinated Indebtedness (as defined in the Sales Tax Master Indenture), or (iv) any combination thereof. Such Additional Sales Tax Obligations shall have a term not exceeding 40 years, shall bear interest at a rate or rates not exceeding 12 percent per annum, and shall be sold at a price of not less than 85 percent of the aggregate principal amount thereof. The interest component of the Additional Sales Tax Obligations, as designated by series, may be either includible or excludable from gross income of the owners thereof for federal income tax purposes under Section 103 of the Code. The authority granted hereby is in addition to any authority previously granted by the City Council for the issuance by the Corporation of Sales Tax Obligations.

(b) This Ordinance serves as authorization by the City for the issuance of Senior Sales Tax Obligations by the Corporation pursuant to Section 2.02 of the Sales Tax Master Indenture and Subordinated Indebtedness, including Second Lien Sales Tax Obligations, by the Corporation pursuant to Section 2.05 of the Sales Tax Master Indenture.

Section 3.3 Purposes. The net proceeds of each series of Additional Sales Tax Obligations shall be available to pay any of the costs of the Purposes, including therewith (i) costs of issuance, including purchasers discount, (ii) capitalized interest on the Additional Sales Tax Obligations, and (iii) costs of credit enhancements (including, but not limited to, premiums for the purchase of policies of municipal bond insurance with respect to the Additional Sales Tax Obligations).

The seal of the City or a facsimile thereof shall be affixed to or printed on each of the Bonds, and the Bonds shall be executed by the manual or facsimile signature of the Mayor and attested by the manual or facsimile signature of the City Clerk, and in case any officer whose signature shall appear on any Bond shall cease to be such officer before the delivery of such Bond, such signature shall nevertheless be valid and sufficient for all proposes, the same as if such officer had remained in office until delivery.

Section 2.04. Authentication. All Bonds shall have thereon a certificate of authentication substantially in the form attached hereto as part of *Exhibit A* duly executed by the Trustee as authenticating agent of the City and showing the date of authentication. No Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit under this Indenture unless and until such certificate of authentication shall have been duly executed by the Trustee by manual signature, and such certificate of authentication upon any such Bond shall be conclusive evidence that such Bond has been authenticated and delivered under the Bond Ordinance and this Indenture. The certificate of authentication on any Bond shall be deemed to have been executed by the Trustee if signed by an authorized officer of such Trustee, but it shall not be necessary that the same officer sign the certificate of authentication on all of the Bonds issued hereunder.

Section 2.05. Form of Bonds; Temporary Bonds. The Bonds issued under this Indenture shall be substantially in the form attached hereto as *Exhibit A*, with such appropriate variations, omissions and insertions as are permitted or required by the Bond Ordinance and this Indenture.

Pending preparation of definitive Bonds, or by agreement with the purchasers of the Bonds, the City may issue and, upon its request, the Trustee shall authenticate, in lieu of definitive Bonds, one or more temporary printed or typewritten Bonds in Authorized Denominations of substantially the tenor recited above. Upon request of the City, the Trustee shall authenticate definitive Bonds in exchange for and upon surrender of an equal principal amount of temporary Bonds. Until so exchanged, temporary Bonds shall have the same rights, remedies and security hereunder as definitive Bonds.

Section 2.06. Delivery of Bonds. Upon the execution and delivery of this Indenture, the City shall execute and deliver to the Trustee, and the Trustee shall authenticate, the Bonds and deliver them to the purchasers as may be directed by the City as hereinafter in this Section provided.

Prior to the delivery by the Trustee of any of the Bonds there shall be filed with the Trustee:

(1) copies, duly certified by the City Clerk of the City, of the Bond Ordinance;

(2) original executed counterparts of this Indenture;

(3) an Opinion of Bond Counsel to the effect that this Indenture (i) has been duly and lawfully authorized by the City Council of the City and executed by the City in accordance with the provisions of the Bond Ordinance and (ii) will, when executed and delivered by the Trustee, be valid and binding upon the City and enforceable in accordance with its terms; and

(4) a Certificate executed by the Chief Financial Officer stating that all conditions precedent with respect to the execution of all documents by the City relating to the Bonds have been satisfied.

Section 2.07. Mutilated, Lost, Stolen or Destroyed Bonds. If any Bond, whether in temporary or definitive form, is lost (whether by reason of theft or otherwise), destroyed (whether by mutilation, damage, in whole or in part, or otherwise) or improperly cancelled, the Trustee may authenticate a new Bond of like date, maturity date, interest rate, denomination and principal amount and bearing a number not contemporaneously outstanding; *provided* that (i) in the case of any mutilated Bond, such mutilated Bond shall first be surrendered to the Trustee, and (ii) in the case of any lost Bond or Bond destroyed in whole, there shall be first furnished to the Trustee evidence of such loss, theft, or destruction satisfactory to the City and the Trustee, together with indemnification of the City and the Trustee, satisfactory to the Trustee. If any lost, destroyed or improperly cancelled Bond shall have matured or is about to mature, or has been called for redemption, instead of issuing a duplicate Bond, the Trustee shall pay the same without surrender thereof if there shall be first furnished to the Trustee evidence of such loss, destruction or cancellation, together with indemnity, satisfactory to it. Upon the issuance of any substitute Bond, the Trustee may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto.

All Bonds shall be owned upon the express condition that the foregoing provisions, to the extent permitted by law, are exclusive with respect to the replacement or payment of mutilated, destroyed, lost, stolen or purchased Bonds, and shall preclude any and all other rights or remedies.

Section 2.08. Transfer and Exchange of Bonds; Persons Treated as Owners. (a) Subject to the limitations contained in paragraph (c) of this Section, upon surrender for registration of transfer of any Bond at the Designated Corporate Trust Office of the Trustee, duly endorsed by, or accompanied by a written instrument or instruments of transfer in form satisfactory to the Trustee and duly executed by the Bondholder or such Bondholder's attorney duly authorized

in writing in such form and with guarantee of signature as shall be satisfactory to the Trustee, the City shall execute, and the Trustee shall authenticate and deliver, in the name of the transferee or transferees, one or more fully registered Bonds of the same interest rate and Maturity Date of Authorized Denominations, for a like principal amount bearing numbers not contemporaneously outstanding. Subject to the limitations contained in paragraph (c) of this Section, Bonds may be exchanged at the Designated Corporate Trust Office of the Trustee for a like aggregate principal amount of Bonds of the same interest rate and Maturity Date of other Authorized Denominations bearing numbers not contemporaneously outstanding.

(b) No service charge shall be made for any transfer or exchange of Bonds, but the City or the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds, except that no such payment may be required in the case of the issuance of a Bond or Bonds for the unredeemed portion of a Bond surrendered for redemption.

(c) The Trustee shall not be required to transfer or exchange any Bond during the period commencing on the Record Date next preceding any Interest Payment Date of such Bond and ending on such Interest Payment Date, or to transfer or exchange such Bond after the mailing of notice calling such Bond for redemption has been made as herein provided or during the period of 15 days next preceding the giving of notice of redemption of Bonds of the same Maturity Date and interest rate.

(d) Bonds delivered upon any registration of transfer or exchange as provided herein or as provided in Section 2.07 hereof shall be valid general obligations of the City, evidencing the same debt as the Bonds surrendered, shall be secured by this Indenture and shall be entitled to all of the security and benefits hereof and of the Bond Ordinance to the same extent as the Bond surrendered. The City and the Trustee may treat the Registered Owner of any Bond as the absolute owner thereof for all purposes, whether or not such Bond shall be overdue, and shall not be bound by any notice to the contrary. All payments of or on account of the principal of, premium, if any, and interest on any such Bond as herein provided shall be made only to or upon the written order of the Registered Owner thereof or such Registered Owner's legal representative, but such registration may be changed as herein provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

Section 2.09. Required Information in Bond Form. On each date on which the Trustee authenticates and delivers a Bond, it shall complete the information required to be inserted by the Bond form and shall keep a record of such information.

Section 2.10. Cancellation. Any Bond surrendered for the purpose of payment or retirement, or for exchange, transfer or replacement, shall be canceled upon surrender thereof to the Trustee. If the City shall acquire any of the Bonds, the City shall deliver such Bonds to the Trustee for cancellation and the Trustee shall cancel the same. Certification of Bonds canceled by the Trustee shall be made to the City. Canceled Bonds may be destroyed by the Trustee unless instructions to the contrary are received from the City.

Section 2.11. Book Entry Provisions. The provisions of this Section shall apply as long as the Bonds are maintained in book entry form with DTC or another Securities Depository, any provisions of this Indenture to the contrary notwithstanding. Notwithstanding anything else to the contrary herein, so long as DTC is the Securities Depository, the Bonds shall be subject to the operational arrangements of DTC in effect from time to time.

(a) The Bonds shall be payable to the Securities Depository, or its nominee, as the Registered Owner of the Bonds, in same day funds on each date on which the principal of, premium, if any, and interest on the Bonds is due as set forth in this Indenture and the Bonds. Such payments shall be made to the offices of the Securities Depository specified by the Securities Depository to the City and the Trustee in writing. Without notice to or the consent of the Beneficial Owners of the Bonds, the City and the Securities Depository may agree in writing to make payments of principal and interest in a manner different from that set forth herein. If such different manner of payment is agreed upon, the City shall give the Trustee notice thereof, and the Trustee shall make payments with respect to the Bonds in the manner specified in such notice. Neither the City nor the Trustee shall have any obligation with respect to the transfer or crediting of the principal of, premium, if any, and interest on the Bonds to Participants or the Beneficial Owners of the Bonds or their nominees.

(b) If (i) the City determines, or (ii) the City receives notice that the Securities Depository has received notice from its Participants having interests in at least 50 percent in principal amount of the Bonds, that the Securities Depository or its successor is incapable of discharging its responsibilities as a securities depository, or that it is in the best interests of the Beneficial Owners that they obtain certificated Bonds, the City may (or, in the case of clause (ii) of this paragraph, the City shall) cause the Trustee to authenticate and deliver Bond certificates. The City shall have no obligation to make any investigation to determine the occurrence of any events that would permit the City to make any determination described in this paragraph.

(c) If, following a determination or event specified in paragraph (b) of this Section, the City discontinues the maintenance of the Bonds in book entry form with the then current Securities Depository, the City will issue replacement Bonds to the replacement Securities Depository, if any, or, if no replacement Securities Depository is selected for the Bonds, directly to the Participants as shown on the records of the former Securities Depository or, to the extent requested by any Participant, to the Beneficial Owners of the Bonds shown on the records of such Participant. Any such Bonds so issued in replacement shall be in fully registered form and in Authorized Denominations, be payable as to interest on the Interest Payment Dates of the Bonds by check mailed to each Registered Owner at the address of such Registered Owner as it appears on the Bond Register or, at the option of any Registered Owner of not less than $1,000,000 principal amount of Bonds, by wire transfer to any address in the United States of America on such Interest Payment Date to such Registered Owner as of such Record Date, if such Registered Owner provides the Trustee with written notice of such wire transfer address not later than the Record Date (which notice may provide that it will remain in effect with respect to subsequent Interest Payment Dates unless and until changed or revoked by subsequent

notice). Principal and premium, if any, on the replacement Bonds are payable only upon presentation and surrender of such replacement Bond or Bonds at the Designated Corporate Trust Office of the Trustee.

(d) The Securities Depository and its Participants, and the Beneficial Owners of the Bonds, by their acceptance of the Bonds, agree that the City and the Trustee shall not have liability for the failure of such Securities Depository to perform its obligations to the Participants and the Beneficial Owners of the Bonds, nor shall the City or the Trustee be liable for the failure of any Participant or other nominee of the Beneficial Owners to perform any obligation of the Participant to a Beneficial Owner of the Bonds.

(e) As long as Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the Registered Owner of the Bonds, as nominee of DTC, references herein to the Registered Owners of the Bonds shall mean Cede & Co. and shall not mean the Beneficial Owners of the Bonds.

(f) As long as Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the Registered Owner of the Bonds:

(i) selection of Bonds to be redeemed upon partial redemption or presentation of Bonds to the Trustee upon partial redemption, shall be deemed made when the right to exercise ownership rights in such Bonds through DTC or DTC's Participants is transferred by DTC on its books;

(ii) any notices of the interest rate on the Bonds to be provided by the Trustee shall be provided to anyone identifying itself to the Trustee as a person entitled to exercise ownership rights with respect to such Bonds through DTC or its Participants; and

(iii) DTC may present notices, approvals, waivers or other communications required or permitted to be made by Registered Owners under this Indenture on a fractionalized basis on behalf of some or all of those persons entitled to exercise ownership rights in the Bonds through DTC or its Participants.

ARTICLE III

REDEMPTION OF BONDS

Section 3.01. Redemption Terms, Dates and Prices. The Bonds shall be subject to redemption prior to their Maturity Date in the amounts, at the times and in the manner provided in this Section.

(a) *Optional Redemption.* The Bonds maturing on or after _____, 20__ are subject to redemption at the option of the City, on any date occurring on or after _____, 20__, in such principal amounts and from such maturities and interest rates as the City shall determine and

by lot within a single maturity and interest rate, at a Redemption Price of ___% of the principal amount thereof being redeemed plus accrued interest, if any, to the date of redemption.

The City is authorized to sell or waive any right the City may have to call any of the Bonds for optional redemption, in whole or in part; *provided,* that such sale or waiver will not adversely affect the excludability of interest on the Bonds from gross income for federal income tax purposes.

(b) *General Provisions Regarding Redemptions.*

(i) No redemption of less than all of the Bonds Outstanding shall be made pursuant to Section 3.01(a) hereof unless the aggregate principal amount of Bonds to be redeemed is equal to $5,000 multiples. Any redemption of less than all of the Bonds Outstanding shall be made in such a manner that all Bonds Outstanding after such redemption are in Authorized Denominations. If fewer than all Bonds Outstanding are to be optionally redeemed, the Bonds to be called shall be called from such maturities and interest rates as may be determined by an Authorized Officer.

(ii) Bonds may be called for redemption by the Trustee pursuant to Sections 3.01(a) and 3.01(c) hereof upon receipt by the Trustee at least 45 days prior to the redemption date (unless a shorter time period shall be satisfactory to the Trustee) of, in the case of a redemption pursuant to Section 3.01(a) of a written request of the City requesting such redemption, or in the case of a redemption pursuant to Section 3.01(c) in accordance with the mandatory schedule provided herein.

(iii) In lieu of redeeming Bonds pursuant to Section 3.01(a) hereof, the Trustee may, at the request of the City, use such funds available hereunder for redemption of Bonds to purchase Bonds in the open market at a price not exceeding the Redemption Price then applicable hereunder. Any Bond so purchased in lieu of redemption shall be delivered to the Trustee for cancellation and shall be canceled, all as provided in Section 2.10 hereof.

(c) *Mandatory Redemption of Bonds.*

The Bonds maturing on _____, 20__ are subject to mandatory redemption prior to maturity on _____ of the years and in the amounts set forth below, at a Redemption Price of ___ percent of the principal amount thereof plus accrued interest to the date fixed for redemption:

---

*Final Maturity

The final maturity amount of the Bonds maturing on _____, 20__, is $_____.

The principal amount of the Bonds to be mandatorily redeemed in each year may be reduced through the earlier optional redemption thereof, with any partial optional redemption of such Bonds credited against future mandatory redemption requirements in such order of the mandatory redemption dates as the City may determine. In addition, on or prior to the sixtieth (60th) day preceding any mandatory redemption date, the Trustee may, and if directed by the City shall, purchase Bonds required to be retired on such mandatory redemption date at such prices as the City shall determine. Any such Bond so purchased shall be canceled and the principal amount thereof shall be credited against the payment required on such next mandatory redemption date.

[Additional redemption provisions to be incorporated as applicable]

Section 3.02. Notice of Redemption. (a) Unless waived by any owner of Bonds to be redeemed, notice of the call for any such redemption shall be given by the Trustee on behalf of the City by mailing the redemption notice by first class mail at least 30 days and not more than 60 days prior to the date fixed for redemption to the Registered Owner of the Bond or Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such Registered Owner to the Trustee, but the failure to mail any such notice or any defect therein as to any Bond shall not affect the validity of the proceedings for the redemption of any other Bond. Any notice of redemption mailed as provided in this Section 3.02 shall be conclusively presumed to have been given whether or not actually received by the addressee.

All notices of redemption shall state:

(1) the Series designation of the Bonds to be redeemed,

(2) the redemption date,

(3) the Redemption Price,

(4) if less than all outstanding Bonds are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts and interest rates) of the Bonds to be redeemed,

(5) that on the redemption date the Redemption Price will become due and payable upon each such Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue or compound from and after said date,

(6) the place where such Bonds are to be surrendered for payment of the Redemption Price, and

(7) such other information as shall be deemed necessary by the Trustee at the time such notice is given to comply with law, regulation or industry standard.

(b) With respect to an optional redemption of Bonds, such notice may state that said redemption is conditioned upon the receipt by the Trustee on or prior to the date fixed for redemption of moneys sufficient to pay the Redemption Price of the Bonds. If such moneys are not so received, such redemption notice shall be of no force and effect, the City shall not redeem such Bonds and such failure to deposit such funds shall not constitute an Event of Default under this Indenture. The Trustee shall give notice, in the same manner in which the notice of redemption was given, that such moneys were not so received and that such Bonds will not be redeemed. Unless the notice of redemption shall be made conditional as provided above, on or prior to any redemption date for the Bonds, the City shall deposit with the Trustee an amount of money sufficient to pay the Redemption Price of all the Bonds or portions thereof which are to be redeemed on that date.

(c) Notice of redemption having been given as aforesaid, the Bonds, or portions thereof, so to be redeemed shall, on the redemption date, become due and payable at the Redemption Price therein specified, and from and after such date (unless the City defaults in the payment of the Redemption Price or unless, in the event of a conditional notice as described above, the necessary moneys were not deposited) such Bonds, or portions thereof, shall cease to bear interest. Upon surrender of such Bonds for redemption in accordance with said notice, such Bonds shall be paid by the Trustee at the Redemption Price. Installments of interest due on or prior to the redemption date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Bond, there shall be prepared for the Registered Owner a new Bond or Bonds of the same interest rate and maturity in the amount of the unpaid principal.

(d) If any Bond, or portion thereof, called for redemption shall not be so paid upon surrender thereof for redemption, the principal shall, until paid, bear interest from the redemption date at the rate borne by such Bond, or portion thereof, so called for redemption. All Bonds which have been redeemed shall be cancelled and destroyed by the Trustee and shall not be reissued.

(e) Failure to give notice in the manner prescribed hereunder with respect to any Bond, or any defect in such notice, shall not affect the validity of the proceedings for redemption for any Bond with respect to which notice was properly given. Upon the happening of the above conditions and if sufficient moneys are on deposit with the Trustee on the applicable redemption date to redeem the Bonds to be redeemed and to pay interest due thereon and premium, if any, the Bonds thus called shall not, after the applicable redemption date, bear interest, be protected by this Indenture or the Bond Ordinance or be deemed to be Outstanding under the provisions of this Indenture.

(f) If any Bond is transferred or exchanged on the Bond Register after notice has been given calling such Bond for redemption, the Trustee will attach a copy of such notice to the Bond issued in connection with such transfer or exchange.

(g) If any Bond is not presented for payment when the principal amount thereof becomes due, either at maturity or at a date fixed for redemption thereof or otherwise, and if moneys sufficient to pay such Bond are held by the Trustee for the benefit of the Registered Owner of such Bond, the Trustee shall hold such moneys for the benefit of the Registered Owner of such Bond without liability to the Registered Owner for interest. The Registered Owner of such Bond

thereafter shall be restricted exclusively to such funds for satisfaction of any claims relating to such Bond.

Section 3.03. Selection of Bonds for Redemption. If less than all the Bonds shall be called for redemption under any provision of this Indenture permitting such partial redemption, (i) such redemption shall be by lot in such manner as the Trustee may determine among such Bonds, and (ii) subject to other applicable provisions of this Indenture, the portion of any Bond to be redeemed shall be in a principal amount equal to an Authorized Denomination. In selecting Bonds for redemption, the Trustee shall assign to each Bond of like Maturity Date and interest rate, a distinctive number for each minimum Authorized Denomination of such Bond and shall select by lot from the numbers so assigned as many numbers as, at such minimum Authorized Denomination for each number, shall equal the principal amount of such Bonds to be redeemed. In such case, the Bonds to be redeemed shall be those to which were assigned numbers so selected; provided that only so much of the principal amount of each Bond shall be redeemed as shall equal such minimum Authorized Denomination for each number assigned to it and so selected. If it is determined that one or more, but not all, of the integral multiples of the Authorized Denomination of principal amount represented by any Bond is to be called for redemption, then, upon notice of intention to redeem such integral multiple of an Authorized Denomination, the Registered Owner of such Bond shall forthwith surrender such Bond to the Trustee for (a) payment to such Registered Owner of the Redemption Price of the integral multiple of the Authorized Denomination of principal amount called for redemption, and (b) delivery to such Registered Owner of a new Bond or Bonds in the aggregate principal amount of the unredeemed balance of the principal amount of such Bond. New Bonds representing the unredeemed balance of the principal amount of such Bond shall be issued to the Registered Owner thereof without charge therefor.

The Trustee shall promptly notify the City in writing of the Bonds, or portions thereof, selected for redemption and, in the case of any Bond selected for partial redemption, the principal amount thereof, and the interest rate thereof to be redeemed.

Section 3.04. Deposit of Funds. For the redemption of any of the Bonds, the City shall cause to be deposited in the Principal and Interest Account moneys sufficient to pay when due the principal of, and premium, if any, and interest on, the Bonds to be redeemed on the redemption date to be applied in accordance with the provisions hereof.

Moneys on deposit in the Series _____ Capitalized Interest Account, and the interest earnings thereon, shall be applied to pay interest due on the Bonds on each of the Interest Payment Dates occurring on and before _____, 20__. Any amount remaining on deposit in the Series _____ Capitalized Interest Account on _____, 20__, shall be used to pay interest on the Bonds, as the City shall direct, before funds from the Principal and Interest Account are used.

Section 4.04. Project Fund. (a) There is established with the Trustee a trust fund designated "City of Chicago General Obligation Bonds, Series _____ Project Fund" to be held and applied in accordance with the terms and provisions of this Indenture. Moneys on deposit in

the Project Fund will be paid out from time to time by the Trustee to or upon the order of the City in order to provide for the payment or to reimburse the City for the payment of Project Costs upon receipt by the Trustee of a certificate of an Authorized Officer describing the Project Costs to be paid or reimbursed with such moneys (including the identity of and method of payment for each payee), in the form attached hereto Exhibit B, and stating that:

(i) the costs in an aggregate amount set forth in such certificate are necessary and appropriate Project Costs that (a) have been incurred and paid or (b) are expected to be paid within the next 60 days;

(ii) the amount to be paid or reimbursed to the City as set forth in such certificate is reasonable and represents a part of the amount payable for the Project Costs and that such payment is to be made or, in the case of reimbursement to the City, was made, in accordance with the terms of any applicable contracts and in accordance with usual and customary practice under existing conditions;

(iii) no part of the Project Costs that are the subject of such certificate was included in any certificate previously filed with the Trustee under the provisions of this Indenture; and

(iv) the use of the money so withdrawn from the Project Fund and the use of the facilities provided with such moneys will not result in a violation of any applicable covenant, term or provision of the Tax Certificate.

(b) *Creation of Costs of Issuance Account.* There is established with the Trustee an account within the Project Fund, designated as the "Series _____ Costs of Issuance Account" (the "*Series _____ Costs of Issuance Account*"). Moneys on deposit in the Series _____ Costs of Issuance Account shall be withdrawn by the Trustee and paid to or as directed by the City, upon receipt by the Trustee of a written disbursement request from the City identifying the costs of issuance and the amounts thereof to be paid pursuant to such request. Moneys on deposit in the Series _____ Costs of Issuance Account, including the investment earnings thereon, remaining after all disbursements for payment of the costs of issuance have been made shall be deposited by the Trustee to the Series _____ Investment Earnings Account.

(c) *Creation of Investment Earnings Account.* There is established with the Trustee an account within the Project Fund, designated as the "Series _____ Investment Earnings Account" (the "*Series _____ Investment Earnings Account*"). Moneys on deposit in the Series _____ Investment Earnings Account, including the investment earnings thereon, shall be retained therein and deposited to the Project Account, as the City shall direct.

(d) Moneys in the Project Fund shall be invested at the written direction of an Authorized Officer to the fullest extent practicable in Permitted Investments maturing in such amounts and at such times as may be necessary to provide funds when needed to pay, as applicable, Project Costs or costs of issuance of the Bonds or such other costs as may be required to be paid from such moneys. The City may, and to the extent required for payments from the Project Fund shall, direct the Trustee in writing to sell any such Permitted Investments at any time, and the

proceeds of such sale, and of all payments at maturity and upon redemption of such investments, shall be held in the Project Fund. Investment earnings received on moneys or securities in the Project Fund shall be deposited to the Series _____ Investment Earnings Account.

(e) The completion, substantial completion or abandonment of each capital project set forth in Section 4.03(b)(i)-(xiii) and comprising the Project shall be evidenced by a certificate of an Authorized Officer, which shall be filed promptly with the Trustee, stating the date of such completion, anticipated completion or abandonment and the amount, if any, required in the opinion of the signer of such certificate for the payment of any remaining part of the Project Costs. Upon the filing of such certificate, the balance in the Project Fund in excess of the amount, if any, stated in such certificate of the City as necessary to complete the Project shall be deposited into the Principal and Interest Account and applied as directed in such certificate; provided that such direction shall be consistent with Section 4.07 and applicable provisions of the Tax Certificate.

Section 4.05. Deposits into Bond Fund and Account Therein. Not later than the Deposit Date, there shall be on deposit in the Bond Fund an amount equal to the Principal and Interest Account Requirement.

In addition to the Principal and Interest Account Requirement, there shall be deposited into the Bond Fund any other moneys received by the Trustee under and pursuant to this Indenture, when accompanied by directions from the person depositing such moneys that such moneys are to be paid into the Bond Fund and to one or more accounts therein.

Upon calculation by the Trustee of each Principal and Interest Account Requirement under this Section, the Trustee shall notify the City of the Principal and Interest Account Requirement and the Deposit Date to which it relates, and shall provide the City with such supporting documentation and calculations as the City may reasonably request.

Section 4.06. Tax Covenants. (a) The City covenants that it will take no action in the investment of the proceeds of the Bonds which would result in making the interest payable on any of such Bonds subject to federal income taxes by reason of such Bonds being classified as "arbitrage bonds" within the meaning of Section 148 of the Code.

(b) The City further covenants that it will act with respect to the proceeds of the Bonds, the earnings on the proceeds of such Bonds and any other moneys on deposit in any fund or account maintained in respect of such Bonds, including, if necessary, a rebate of such earnings to the United States of America, in a manner which would cause the interest on such Bonds to continue to be exempt from federal income taxation under Section 103(a) of the Code.

Section 4.07. Non-presentment of Bonds. In the event any Bond shall not be presented for payment when the principal thereof becomes due, whether at maturity, at the date fixed for redemption or otherwise, if moneys sufficient to pay such Bond shall have been made available to the Trustee for the benefit of the Registered Owner thereof, subject to the provisions of the immediately following paragraph, all liability of the City to the Registered Owner thereof for the payment of such Bond shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of the Trustee to hold such moneys, without liability for interest thereon, for the benefit of the Registered Owner of such Bond who shall thereafter be restricted

exclusively to such moneys, for any claim of whatever nature on his or her part under this Indenture or on, or with respect to, such Bond.

Any moneys so deposited with and held by the Trustee not so applied to the payment of Bonds within two years after the date on which the same shall have become due shall be repaid by the Trustee to the City, and thereafter the Registered Owners of such Bonds shall be entitled to look only to the City for payment, and then only to the extent of the amount so repaid, and all liability of the Trustee with respect to such moneys shall thereupon cease, and the City shall not be liable for any interest thereon and shall not be regarded as a trustee of such moneys. The obligation of the Trustee under this Section to pay any such funds to the City shall be subject, however, to any provisions of law applicable to the Trustee or to such funds providing other requirements for disposition of unclaimed property.

Section 4.08. Moneys Held in Trust. All moneys required to be deposited with or paid to the Trustee for the account of any fund or account referred to in any provision of this Indenture shall be held by the Trustee in trust as provided in Section 8.07 of this Indenture, and shall, while held by the Trustee, constitute part of the Trust Estate and be subject to the lien or security interest created hereby.

ARTICLE V

INVESTMENT OF MONEYS

Section 5.01. Investment of Moneys. Moneys held in the funds, accounts and subaccounts established hereunder shall be invested and reinvested in accordance with the provisions governing investments contained in this Indenture. All such investments shall be held by or under the control of the Trustee and shall be deemed at all times a part of the fund, account or subaccount for which they were made.

Section 5.02. Investment Income. The interest earned on any investment of moneys held hereunder, any profit realized from such investment and any loss resulting from such investment shall be credited or charged to the fund, account or subaccount for which such investment was made.

ARTICLE VI

DISCHARGE OF LIEN

Section 6.01. Defeasance. (a) If the City shall pay to the Registered Owners of the Bonds, or provide for the payment of, the principal, premium, if any, and interest to become due on the Bonds, then this Indenture and the Bond Ordinance shall be fully discharged and satisfied with respect to the Bonds. Upon the satisfaction and discharge of this Indenture, the Trustee shall, upon the request of the City, execute and deliver to the City all such instruments as may be desirable to evidence such discharge and satisfaction, and all fiduciaries shall pay over or deliver to the City all funds, accounts and other moneys or securities held by them pursuant to this Indenture which are not required for the payment or redemption of the Bonds. If payment or provision for payment is made to or for the Registered Owners of all or a portion of the Bonds, of

the principal of and interest due and to become due on any Bond at the times and in the manner stipulated therein, and there is paid or caused to be paid to the Trustee all sums of money due and to become due according to the provisions of this Indenture, then these presents and the estate and rights hereby and by the Bond Ordinance granted shall cease, terminate and be void as to those Bonds or portions thereof except for purposes of registration, transfer and exchange of Bonds and any such payment from such moneys or obligations. Any Bond shall be deemed to be paid within the meaning of this Section when payment of the principal of any such Bond, plus interest thereon to the due date thereof (whether such due date be by reason of maturity or upon redemption as provided in this Indenture or otherwise), either (a) shall have been made or caused to have been made in accordance with the terms thereof, or (b) shall have been provided for by irrevocably depositing with the Trustee, in trust and exclusively for such payment, (1) moneys sufficient to make such payment or (2) Defeasance Obligations, or (3) a combination of the investments described in clauses (1) and (2) above, such amounts so deposited being available or maturing as to principal and interest in such amounts and at such times, without consideration of any reinvestment thereof, as will insure the availability of sufficient moneys to make such payment (all as confirmed by a nationally recognized firm of independent public accountants). If the City shall pay and discharge a portion of the Bonds as aforesaid, such portion shall cease to be entitled to any lien, benefit or security under this Indenture and the Bond Ordinance. The liability of the City with respect to such Bonds shall continue, but the Registered Owners thereof shall thereafter be entitled to payment (to the exclusion of all other Bondholders) only out of the Defeasance Obligations deposited with the Trustee under Article VIII of this Indenture.

(b) No such deposit under this Section shall be made or accepted hereunder and no use made of any such deposit unless the Trustee shall have received an opinion of nationally recognized municipal bond counsel to the effect that such deposit and use would not cause any of such Bonds to be treated as "arbitrage bonds" within the meaning of Section 148 of the Code or any successor provision thereto.

(c) Nothing in this Indenture shall prohibit a defeasance deposit of escrow securities as provided in this Section from being subject to a subsequent sale of such escrow securities and reinvestment of all or a portion of the proceeds of that sale in escrow securities which, together with money to remain so held in trust, shall be sufficient to provide for payment of principal, redemption premium, if any, and interest on any of the defeased Bonds (all as confirmed by a nationally recognized firm of independent public accountants). Amounts held by the Trustee in excess of the amounts needed so to provide for payment of the defeased Bonds may be subject to withdrawal by the City. No such sale and reinvestment as provided in this paragraph shall be made or accepted hereunder unless the Trustee shall have received an opinion of nationally recognized municipal bond counsel to the effect that such sale and reinvestment would not cause any of the defeased Bonds to be treated as "arbitrage bonds" within the meaning of Section 148 of the Code or any successor provision thereto.

ARTICLE VII

DEFAULT PROVISIONS; REMEDIES

Section 7.01. Defaults. Each of the following events is hereby declared to be an "Event of Default:"

(a) payment of the principal or Redemption Price, if any, of any Bonds shall not be made when and as the same shall become due, whether at maturity or upon call for redemption or otherwise;

(b) payment of any installment of interest on any Bonds shall not be made when and as the same shall become due; or

(c) the City shall fail or refuse to comply with the provisions of this Indenture, or shall default in the performance or observance of any of the covenants, agreements or conditions on its part contained herein or in the Bonds, which materially affects the rights of the Owners of the Bonds and such failure, refusal or default shall continue for a period of 45 days after written notice thereof by the Trustee or the Owners of not less than 25 percent in aggregate principal amount of the Outstanding Bonds; *provided, however,* that in the case of any such default which can be cured by due diligence but which cannot be cured within the 45-day period, the time to cure shall be extended for such period as may be necessary to remedy the default with all diligence.

Section 7.02. Remedies. (a) Upon the happening and continuance of any Event of Default specified in paragraph (a) or (b) of Section 7.01 hereof, the Trustee shall proceed, or upon the happening and continuance of any Event of Default (beyond the time periods specified therein) specified in paragraph (c) of Section 7.01 hereof, the Trustee may proceed, and upon the written request of the Owners of not less than 25 percent in aggregate principal amount of the Outstanding Bonds, shall proceed, in its own name, subject to the provisions of this Section, to protect and enforce its rights and the rights of the Owners of the Bonds by such of the following remedies as the Trustee, being advised by counsel, shall deem most effectual to protect and enforce such rights:

(i) by mandamus or other suit, action or proceeding at law or in equity, to enforce all rights of the Owners of the Bonds including the right to require the City to receive and collect taxes adequate to carry out the covenants and agreements as to such taxes and to require the City to carry out any other covenant or agreement with the Owners of the Bonds and to perform its duties under this Indenture;

(ii) by bringing suit upon the Bonds;

(iii) by action or suit in equity, require the City to account as if it were the trustee of an express trust for the Owners of the Bonds; and/or

(iv) by action or suit in equity, enjoin any acts or things which may be unlawful or in violation of the rights of the Owners of the Bonds.

(b) In the enforcement of any rights and remedies under this Indenture, the Trustee shall be entitled to sue for, enforce payment of and receive any and all amounts then or during any default becoming, and at any time remaining, due from the City but only out of moneys pledged as security for the Bonds for principal, Redemption Price, interest or otherwise, under any provision of this Indenture or of the Bonds, and unpaid, with interest on overdue payments at the rate or rates of interest specified in such Bonds, together with any and all costs and expenses of collection and of all proceedings hereunder and under such Bonds without prejudice to any other right or remedy of the Trustee or of the Owners of the Bonds, and to recover and enforce a judgment or decree against the City for any portion of such amounts remaining unpaid, with interest, costs and expenses, and to collect from any moneys available under this Indenture for such purpose, in any manner provided by law, the moneys adjudged or decreed to be payable.

(c) Under no circumstance may the Trustee declare the principal of any Bond to be due and payable prior to its Maturity Date following the occurrence of an Event of Default under this Indenture.

ARTICLE VIII

TRUSTEE

Section 8.01. Acceptance of Trusts. The Trustee hereby accepts the trusts imposed upon it by this Indenture, and agrees to perform said trusts, but only upon and subject to the express terms and conditions set forth herein. Except as otherwise expressly set forth in this Indenture, the Trustee assumes no duties, responsibilities or liabilities by reason of its execution of this Indenture other than as set forth in this Indenture, and this Indenture is executed and accepted by the Trustee subject to all the terms and conditions of its acceptance of the trust under this Indenture. The Trustee shall make payments to Bondholders and effect optional and mandatory redemptions when required, whether or not its fees and expenses have been fully paid.

Section 8.02. Dealing in Bonds. The Trustee, in its individual capacity, may buy, sell, own, hold and deal in any of the Bonds, and may join in any action which the Registered Owner of any Bond may be entitled to take with like effect as if it did not act in any capacity hereunder. The Trustee, in its individual capacity, either as principal or agent, may also engage in or be interested in any financial or other function with the City, and may act as depositary, trustee or agent for any committee or body of the Registered Owners of Bonds secured hereby or other obligations of the City as freely as if it did not act in any capacity hereunder.

Section 8.03. Compensation of Trustee. The City shall pay to the Trustee from time to time reasonable compensation for all services rendered under this Indenture and also all reasonable expenses, charges, counsel fees and other disbursements, including those of their attorneys, agents and employees incurred in and about the performance of their powers and duties under this Indenture and, except as provided in Section 8.01 hereof the Trustee shall have a lien therefor on any and all moneys at any time held by it under this Indenture. The City further agrees to indemnify and save the Trustee harmless against any liabilities which it may incur in the exercise and performance of its powers and duties hereunder, which are not due to its negligence or default.

Section 8.04. Notice to Rating Agencies. The Trustee hereby agrees that if at any time (a) the City redeems any portion of the Bonds Outstanding hereunder prior to their Maturity Date, (b) the City provides for the payment of any portion of the Bonds pursuant to Section 6.01, (c) a successor Trustee is appointed, (d) any supplement to this Indenture shall become effective, or any party thereto shall waive any provision of this Indenture, or (e) with respect to any other information that a Rating Agency may reasonably request in order to maintain the ratings on the Bonds, then, in each case, the Trustee shall give notice thereof to each Rating Agency then maintaining a rating on the Bonds.

Any notice given to a Rating Agency hereunder shall be mailed by first class mail as follows:

If to Fitch:	Fitch Ratings Inc. 33 Whitehall Street New York, NY 10004
If to Kroll:	KBRA 845 Third Avenue Fourth Floor New York, NY 10022
If to S&P:	S&P Global Ratings 130 East Randolph, 36th Floor Chicago, IL 60601

Section 8.05. Qualification of Trustee. The Trustee hereunder shall be a bank, trust company or national banking association having the powers of a trust company doing business and having a corporate trust office in the City of Chicago, Illinois.

Section 8.06. Responsibilities of Trustee. (a) The recitals of fact herein and in the Bonds shall be taken as the statements of the City and the Trustee assumes no responsibility for the correctness of the same. The Trustee makes no representations as to the validity or sufficiency of this Indenture or any Supplemental Indenture or of any Bonds issued hereunder or thereunder or in respect of the security afforded by this Indenture or any Supplemental Indenture and the Trustee shall not incur any responsibility in respect thereof. The Trustee shall, however, be responsible for its representation contained in its certificate of authentication on the Bonds. The Trustee shall not be under any responsibility or duty with respect to the issuance of the Bonds for value or the application of the proceeds thereof except to the extent such proceeds are paid to the Trustee in its capacity as Trustee. The Trustee shall not be under any obligation or duty to perform any act that would involve it in expense or liability or to institute or defend any action or suit in respect hereof, or to advance any of its own moneys, unless properly indemnified. Subject to the provisions of paragraph (b) of this Section, the Trustee shall not be liable in connection with the performance of its duties hereunder except for its own negligence or willful misconduct or that of its agents.

(b) The Trustee, prior to the occurrence of an Event of Default and after the remedy of all Events of Default that may have occurred, undertakes to perform such duties and only such

duties as are specifically set forth in this Indenture and each Supplemental Indenture. In case an Event of Default has occurred and has not been remedied, the Trustee shall exercise such of the rights and powers vested in it by law, this Indenture and each Supplemental Indenture and shall use the same degree of care and skill in their exercise as a prudent person would exercise or use under the circumstances in the conduct of his or her own affairs. Any provision of this Indenture and any Supplemental Indenture relating to action taken or so to be taken by the Trustee or to evidence upon which the Trustee may rely shall be subject to the provisions of this Section.

Section 8.07. Funds Held in Trust and Security Therefor. Any moneys held by the Trustee, as such, at any time pursuant to the terms of this Indenture or any Supplemental Indenture shall be and hereby are assigned, transferred and set over unto the Trustee in trust for the purposes and upon the terms and conditions of this Indenture or any Supplemental Indenture. Subject to the terms of this Indenture concerning Permitted Investments, all moneys (not including securities) held by the Trustee, as such, may be deposited by the Trustee in its banking department, or with such other banks, trust companies, or national banking associations, each having a place of business in the City of Chicago, Illinois, as may be designated by the City and approved by the Trustee. No such funds shall be deposited with any bank, trust company or national banking association, other than the Trustee, in an amount exceeding 25 percent of the amount which an officer of such bank, trust company or national banking association shall certify to the Trustee and the City as the combined capital, surplus and undivided profits of such bank, trust company or national banking association. No such funds shall be deposited or remain on deposit with any bank, trust company or national banking association in excess of the amount insured by the Federal Deposit Insurance Corporation, unless (a) such bank, trust company or national banking association shall have deposited in trust with the trust department of the Trustee or with a Federal Reserve Bank or branch or, with the written approval of the Trustee and the City, pledged to some other bank, trust company or national banking association, for the benefit of the City and the appropriate fund, account, subfund or subaccount, as collateral security for the moneys deposited, Qualified Collateral having a current market value (exclusive of accrued interest) at least equal to 110 percent of the amount of such moneys, or (b) in lieu of such collateral security as to all or any part of such moneys, there shall have been deposited in trust with the trust department of the Trustee, for the benefit of the City and the appropriate fund, account, subfund or subaccount, and remain in full force and effect as security for such moneys or part thereof, the indemnifying bond or bonds of a surety company or companies qualified as surety for deposits of funds of the United States of America and qualified to transact business in the State in a sum at least equal to the amount of such moneys or part thereof. The Trustee shall allow and credit interest on any such moneys held by it at such rate as it customarily allows upon similar moneys of similar size and under similar conditions or as required by law. Interest in respect of moneys or on securities in any fund, account, subfund or subaccount shall be credited in each case to the fund, account, subfund or subaccount in which such moneys or securities are held.

Section 8.08. Evidence on which Trustee May Act. The Trustee shall be protected in acting upon any notice, resolution, request, consent, order, certificate, report, opinion, bond or other paper or document believed by it to be genuine, and to have been signed or presented by the proper party or parties. The Trustee may consult with counsel, who may or may not be counsel to the City, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance therewith.

Whenever the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, including payment of moneys out of any fund or account, such matter (unless other evidence in respect thereof be herein specifically prescribed) may be deemed to be conclusively proved and established by a Certificate, and such Certificate shall be full warrant for any action taken or suffered in good faith under the provisions of this Indenture upon the faith thereof, but in its discretion the Trustee may in lieu thereof accept other evidence of such fact or matter or may require such further or additional evidence as to it may seem reasonable. Except as otherwise expressly provided herein or therein, any request, order, notice or other direction required or permitted to be furnished pursuant to any provision hereof or thereof by the City to the Trustee shall be sufficiently executed if executed in the name of the City by an Authorized Officer.

Section 8.09. Permitted Acts and Functions. The Trustee may become the Owner of any Bonds, with the same rights it would have if it were not the Trustee. To the extent permitted by law, the Trustee may act as depositary for, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of the Owners of Bonds or to effect or aid in any reorganization growing out of the enforcement of the Bonds or this Indenture, whether or not any such committee shall represent the Owners of a majority in aggregate principal amount of the Bonds then Outstanding.

Section 8.10. Resignation. The Trustee may at any time resign and be discharged of its duties and obligations created by this Indenture by giving not fewer than 60 days' written notice to the City and mailing notice thereof, to the Owners of Bonds at their addresses shown on the registration books kept by the Trustee within 20 days after the giving of such written notice. Such resignation shall take effect upon the appointment and acceptance of appointment of a successor by the City or the Owners of Bonds as herein provided.

Section 8.11. Removal. The Trustee may be removed at any time by the Owners of a majority in aggregate principal amount of the Bonds then Outstanding, excluding any Bonds held by or for the account of the City, by an instrument or concurrent instruments in writing signed and duly acknowledged by such Owners of Bonds or by their attorneys duly authorized in writing and delivered to the City. Copies of each such instrument shall be delivered by the City to the Trustee and any successor. The City may remove the Trustee at any time, except during the existence of an Event of Default, for such cause (or upon 30 days' notice for any reason) as shall be determined in the sole discretion of the City by filing with the Trustee an instrument signed by an Authorized Officer and by mailing notice thereof to the Owners of Bonds at their addresses shown on the registration books kept by the Trustee. Any removal of the Trustee shall take effect upon the appointment and acceptance of appointment of a successor Trustee.

Section 8.12. Appointment of Successor. In case at any time the Trustee shall resign or shall be removed or shall become incapable of acting, or shall be adjudged a bankrupt or insolvent, or if a receiver, liquidator or conservator of the Trustee or of its property shall be appointed, or if any public officer shall take charge or control of the Trustee or of its property or affairs, a successor may be appointed by the Owners of a majority in aggregate principal amount of the Bonds then Outstanding, excluding any Bonds held by or for the account of the City, by an instrument or concurrent instruments in writing signed by such Owners or their attorneys duly

authorized in writing and delivered to such successor Trustee, notification thereof being given to the City and the predecessor Trustee. Pending such appointment, the City shall forthwith appoint a Trustee to fill such vacancy until a successor Trustee (if any) shall be appointed by the Owners of Bonds as herein authorized. The City shall mail notice to Owners of Bonds of any such appointment within 20 days after such appointment. Any successor Trustee appointed by the City shall, immediately and without further act, be superseded by a Trustee appointed by the Owners of Bonds. If in a proper case no appointment of a successor Trustee shall be made pursuant to the foregoing provisions of this Section within 45 days after the Trustee shall have given to the City written notice of resignation as provided in Section 8.10 hereof or after the occurrence of any other event requiring or authorizing such appointment, the Trustee, or any Owner of Bonds may apply to any court of competent jurisdiction to appoint a successor. Said court may thereupon, after such notice, if any, as said court may deem proper and prescribe, appoint such successor Trustee. Any Trustee appointed under the provisions of this Section shall be a bank, trust company or national banking association, in any such case having corporate trust powers, doing business and having a corporate trust office in the City.

Section 8.13. Transfer of Rights and Property to Successor. Any successor Trustee appointed under this Indenture shall execute, acknowledge and deliver to its predecessor Trustee, and also to the City, a written instrument of acceptance respecting such appointment, and thereupon such successor Trustee, without any further act, deed or conveyance, shall become fully vested with all moneys, estates, properties, rights, powers, duties and obligations of such predecessor Trustee, with like effect as if originally named as Trustee; but the Trustee ceasing to act shall nevertheless, on the request of the City, or of the successor Trustee, execute, acknowledge and deliver such instruments of conveyance and further assurance and do such other things as may reasonably be required for more fully and certainly vesting and confirming in such successor Trustee all the right, title and interest of the predecessor Trustee in and to any property held by it under this Indenture, and shall pay over, assign and deliver to the successor Trustee any money or other property subject to the trusts and conditions herein set forth. Should any deed, conveyance or instrument in writing from the City be required by such successor Trustee for more fully and certainly vesting in and confirming to such successor Trustee any such estates, rights, powers and duties, any and all such deeds, conveyances and instruments in writing shall, on request, and so far as may be authorized by law, be executed, acknowledged and delivered by the City.

Section 8.14. Merger or Consolidation. Any company into which the Trustee may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party or any company to which the Trustee may sell or transfer all or substantially all of its corporate trust business, provided such company shall be a bank, trust company or national banking association which is qualified to be a successor to the Trustee under Section 8.12 hereof and shall be authorized by law to perform all the duties imposed upon it by this Indenture, shall be the successor to the Trustee without the execution or filing of any paper or the performance of any further act.

Section 8.15. Adoption of Authentication. In case any of the Bonds contemplated to be issued under this Indenture shall have been authenticated but not delivered, any successor Trustee may adopt the certificate of authentication of any predecessor Trustee so authenticating such Bonds and deliver such Bonds so authenticated, and in case any of the said Bonds shall not

have been authenticated, any successor Trustee may authenticate such Bonds in the name of the predecessor Trustee, or in its own name.

Section 8.16. Evidence of Signatures of Owners and Ownership of Bonds. (a) Any request, consent or other instrument which this Indenture may require or permit to be signed and executed by the Owners of Bonds may be in one or more instruments of similar tenor, and shall be signed or executed by such Owners in person or by their attorneys appointed in writing. Proof of (i) the execution of any such instrument, or of an instrument appointing any such attorney, or (ii) the ownership by any person of the Bonds, shall be sufficient for any purpose of this Indenture (except as otherwise herein expressly provided) if made in the following manner, but the Trustee may nevertheless in its discretion require further or other proof in cases where it deems the same desirable:

(1) The fact and date of the execution by any Owner or his attorney of such instrument may be proved by the certificate, which need not be acknowledged or verified, of an officer of a bank or trust company satisfactory to the Trustee or of any notary public or other officer authorized to take acknowledgments of deeds to be recorded in the jurisdiction in which he purports to act, that the person signing such request or other instrument acknowledged to him the execution thereof, or by an affidavit of a witness of such execution, duly sworn to before such notary public or other officer.

(2) The authority of the person or persons executing any such instrument on behalf of a corporate Owner of Bonds may be established without further proof if such instrument is signed by a person purporting to be the president or vice president of such corporation with a corporate seal affixed and attested by a person purporting to be its secretary or an assistant secretary.

(b) The ownership of Bonds and the amount, numbers and other identification, and date of ownership of the same shall be proved by the Bond Register. Any request, consent or vote of the Owner of any Bond shall bind all future Owners of such Bond in respect of anything done or suffered to be done by the City or the Trustee in accordance therewith.

Section 8.17. Preservation and Inspection of Documents. All documents received by the Trustee under the provisions of this Indenture shall be retained in its possession and shall be subject at all reasonable times to the inspection of the City and any Owner of Bonds and their agents and their representatives, any of whom may make copies thereof.

ARTICLE IX

SUPPLEMENTAL INDENTURE

Section 9.01. Supplemental Indenture Effective Upon Execution by the Trustee. For any one or more of the following purposes and the purposes enumerated in Section 9.04 hereof, and at any time or from time to time, a Supplemental Indenture may be authorized by an ordinance adopted by the City Council of the City, which, upon the filing with the Trustee of a copy of such ordinance certified by the City Clerk and the execution and delivery of such Supplemental

Indenture by the City and the Trustee, shall be fully effective in accordance with its terms and not subject to consent by the Registered Owners of the Bonds:

(a) to add to the covenants and agreements of the City in this Indenture other covenants and agreements to be observed by the City which are not contrary to or inconsistent with this Indenture as theretofore in effect;

(b) to add to the limitations and restrictions in this Indenture other limitations and restrictions to be observed by the City which are not contrary to or inconsistent with this Indenture as theretofore in effect;

(c) to surrender any right, power or privilege reserved to or conferred upon the City by the terms of this Indenture, but only if the surrender of such right, power or privilege is not contrary to or inconsistent with the covenants and agreements of the City contained in this Indenture;

(d) to confirm, as further assurance, the pledge herein, and the subjection of, additional properties, taxes or other collateral to any lien, claim or pledge created or to be created by, this Indenture;

(e) to cure any ambiguity, supply any omission, or cure or correct any defect or inconsistent provision in this Indenture;

(f) to insert such provisions clarifying matters or questions arising under this Indenture as are necessary or desirable and are not contrary to or inconsistent with this Indenture as theretofore in effect; or

(g) to provide additional duties of the Trustee under this Indenture.

Section 9.02. Supplemental Indentures Effective With Consent of Owners of Bonds. At any time or from time to time, a Supplemental Indenture may be authorized by an ordinance adopted by the City Council of the City, subject to consent by the Owners of Bonds in accordance with and subject to the provisions of this Article, which Supplemental Indenture, upon the filing with the Trustee of a copy of such ordinance certified by the City Clerk, upon compliance with the provisions of this Article, and upon execution and delivery of such Supplemental Indenture by the City and the Trustee, shall become fully effective in accordance with its terms.

Section 9.03. General Provisions. (a) This Indenture shall not be modified or amended in any respect except as provided in and in accordance with and subject to the provisions of this Article. Nothing in this Article shall affect or limit the right or obligation of the City to adopt, make, do, execute, acknowledge or deliver any ordinance, resolution, act or other instrument pursuant to the provisions of this Article or the right or obligation of the City to execute and deliver

to the Trustee any instrument which elsewhere in this Indenture it is provided shall be delivered to the Trustee.

(b) Any ordinance authorizing a Supplemental Indenture referred to and permitted or authorized by Section 9.01 or 9.04 hereof may be adopted by the City Council of the City without the consent of any of the Owners of Bonds, but such Supplemental Indenture shall be executed and delivered by the City and the Trustee and shall become effective only on the conditions, to the extent and at the time provided in this Article. Every Supplemental Indenture delivered to the Trustee for execution shall be accompanied by an opinion of counsel stating that such Supplemental Indenture has been duly and lawfully authorized by the City Council of the City and executed by the City in accordance with the provisions of this Indenture, is authorized or permitted by this Indenture, and will, when executed and delivered by the Trustee, be valid and binding upon the City and enforceable in accordance with its terms.

(c) The Trustee is hereby authorized to enter into, execute and deliver any Supplemental Indenture referred to and permitted or authorized by this Article and to make all further agreements and stipulations which may be therein contained, and the Trustee, in taking such action, shall be fully protected in relying on an opinion of counsel that such Supplemental Indenture is authorized or permitted by the provisions of this Indenture.

(d) No Supplemental Indenture shall change or modify any of the rights or obligations of the Trustee without its written assent thereto.

(e) No Supplemental Indenture shall take effect unless and until there has been delivered to the Trustee an Opinion of Bond Counsel to the effect that such Supplemental Indenture does not adversely affect the exclusion from gross income for federal income tax purposes to which interest on the Bonds would otherwise be entitled.

Section 9.04. Additional Matters. Additionally, this Indenture may, without the consent of, or notice to, any of the Bondholders, be supplemented and amended, in such manner as shall not be inconsistent with the terms and provisions hereof, for any one or more of the following purposes:

(a) to provide for certificated Bonds; and

(b) to secure or maintain ratings from any Rating Agency in the highest long term debt rating category, of such Rating Agency which are available for the Bonds, which changes will not restrict, limit or reduce the obligation of the City to pay the principal of, premium, if any, and interest on the Bonds as provided in this Indenture or otherwise adversely affect the Registered Owners of the Bonds under this Indenture.

Section 9.05. Mailing of Notice of Amendment. Any provision in this Article for the mailing of a notice or other paper to owners of Bonds shall be fully complied with if it is mailed postage prepaid only (i) to each Registered Owner of then Outstanding Bonds at his address, if any, appearing upon the registration books maintained by the City at the Designated Corporate Trust Office of the Trustee, and (ii) to the Trustee.

Section 9.06. Powers of Amendment. Any modification or amendment of this Indenture or of the rights and obligations of the City and of the Owners of the Bonds, in particular, which requires the consent of the Bondholders, may be made by a Supplemental Indenture, with the written consent given as provided in Section 9.07, (a) of the Owners of a majority in aggregate principal amount of the Bonds Outstanding at the time such consent is given, or (b) in case less than all of the then Outstanding Bonds are affected by the modification or amendment, of the Owners of a majority in aggregate principal amount of the then Outstanding Bonds so affected. No such modification or amendment shall permit a change in the terms of redemption or maturity of the principal of any Outstanding Bonds or of any installment of interest thereon or a reduction in the principal amount or the Redemption Price thereof or in the rate of interest thereon, or in terms of purchase or the purchase price thereof, without the consent of the owner of such Bonds, or shall reduce the percentages or otherwise affect the classes of Bonds the consent of the owners of which is required to effect any such modification or amendment, or shall change or modify any of the rights or obligations of the Trustee without its written assent thereto. For the purposes of this Section, a Bond shall be deemed to be affected by a modification or amendment of this Indenture if the same adversely affects or diminishes the rights of the owners of such Bond.

Section 9.07. Consent of Owners of Bonds. (a) The City may at any time authorize a Supplemental Indenture making a modification or amendment permitted by the provisions of Section 9.06, to take effect when and as provided in this Section. A copy of such Supplemental Indenture (or brief summary thereof or reference thereto in form approved by the Trustee), together with a request to the Owners of the Bonds for their consent thereto in form satisfactory to the Trustee, shall be mailed by the City to the Owners of the Bonds (but failure to mail such copy and request shall not affect the validity of the Supplemental Indenture when consented to as in this Section provided). Such Supplemental Indenture shall not be effective unless and until, and shall take effect in accordance with its terms when, (i) there shall have been filed with the Trustee (1) the written consents of Owners of the percentages of Outstanding Bonds specified in Section 9.06 and (2) an opinion of counsel stating that such Supplemental Indenture has been duly and lawfully executed and delivered by the City and the Trustee in accordance with the provisions of this Indenture, is authorized or permitted hereby and is valid and binding upon the City and enforceable in accordance with its terms upon its becoming effective as in this Section provided, and (ii) a notice shall have been mailed as hereinafter in this Section provided.

(b) The consent of an Owner of Bonds to any modification or amendment shall be effective only if accompanied by proof of the Ownership, at the date of such consent, of the Bonds with respect to which such consent is given, which proof shall be such as is permitted by Section 8.16. A certificate or certificates signed by the Trustee that it has examined such proof and that such proof is sufficient in accordance with Section 8.16 shall be conclusive that the consents have been given by the Owners of the Bonds described in such certificate or certificates. Any such consent shall be binding upon the Owner of the Bonds giving such consent and upon any subsequent Owner of such Bonds and of any Bonds issued in exchange therefor (whether or not such subsequent Owner thereof has notice thereof) unless such consent is revoked in writing by the Owner of such Bonds giving such consent or a subsequent Owner thereof by filing such revocation with the Trustee, prior to the time when the written statement of the Trustee hereinafter provided for in this Section is filed. The fact that a consent has not been revoked may likewise be

proved by a certificate of the Trustee to the effect that no revocation thereof is on file with the Trustee.

(c) At any time after the Owners of the required percentages of Bonds shall have filed their consents to the Supplemental Indenture, the Trustee shall make and file with the City a written statement that the Owners of such required percentages of Bonds have filed such consents. Such written statement shall be conclusive that such consents have been so filed. At any time thereafter notice, stating in substance that the Supplemental Indenture (which may be referred to as a Supplemental Indenture entered into by the City and the Trustee as of a stated date, a copy of which is on file with the Trustee) has been consented to by the Owners of the required percentages of Bonds and will be effective as provided in this Section, shall be given to Owners by the Trustee by mailing such notice to the Owners of the Bonds (but failure to mail such notice shall not prevent such Supplemental Indenture from becoming effective and binding as provided in this Section). The Trustee shall file with the City proof of the mailing of such notice. A record, consisting of the papers required or permitted by this Section to be filed with the Trustee, shall be proof of the matters therein stated. Such Supplemental Indenture making such amendment or modification shall be deemed conclusively binding upon the Trustee and the Owners of all Bonds at the expiration of 40 days after the filing with the Trustee of proof of the mailing of such last mentioned notice, except in the event of a final decree of a court of competent jurisdiction setting aside such Supplemental Indenture in a legal action or equitable proceeding for such purpose commenced within such 40-day period; except that the Trustee and the City, during such 40-day period and any such further period during which any such action or proceeding may be pending, shall be entitled in their absolute discretion to take such action, or to refrain from taking such action, with respect to such Supplemental Indenture as they may deem expedient.

Section 9.08. Modifications by Unanimous Consent. The terms and provisions of this Indenture and the rights and obligations of the City and of the Owners of the Bonds hereunder may be modified or amended in any respect upon the consent of the Owners of all the then Outstanding Bonds to the execution and delivery of such Supplemental Indenture, such consent to be given as provided in Section 9.07 except that no notice to the Owners of the Bonds shall be required; but no such modification or amendment shall change or modify any of the rights or obligations of the Trustee without its written assent thereto.

Section 9.09. Exclusion of Bonds. Bonds owned by or for the account of the City shall not be deemed Outstanding for the purpose of consent or other action or any calculation of Outstanding Bonds provided for in this Article, and the City shall not be entitled with respect to such Bonds to give any consent or take any other action provided for in this Article. At the time of any consent or other action taken under this Article, the City shall furnish the Trustee with a Certificate upon which the Trustee may rely, describing all Bonds so to be excluded.

Section 9.10. Notation on Bonds. Bonds authenticated and delivered after the effective date of any action taken as in this Article provided may, and, if the Trustee so determines, shall, bear a notation by endorsement or otherwise in form approved by the City and the Trustee as to such action, and in that case upon demand of the Owner of any Bond Outstanding at such effective date and presentation of his Bond for that purpose at the Designated Corporate Trust Office of the Trustee or upon any exchange or registration of transfer of any Bond Outstanding at such effective

date, suitable notation shall be made on such Bond or upon any Bond issued upon any such exchange or registration of transfer by the Trustee as to any such action. If the City or the Trustee shall so determine, new Bonds so modified as in the opinion of the Trustee and the City to conform to such action shall be prepared, authenticated and delivered, and upon demand of the Owner of any Bond then Outstanding shall be exchanged, without cost to such Owner, for Bonds of the same maturity upon surrender of such Bond.
