R E S O L U T I O N

WHEREAS, It recently came to light that the United States Department of Veterans Affairs's Health Care System in Phoenix, Arizona has a waiting list of nearly 1,600 veterans waiting to secure an appointment for medical care; and

WHEREAS, As a result of this massive backup in services, at least 40 veterans have died while awaiting appointments at the Phoenix facility; and

WHEREAS, Following the discovery of the debacle in Phoenix, federal authorities have opened investigations into twenty-six other VA hospitals across the country; and

WHEREAS, Chicagoland is the proud home of the Edward Hines, Jr. Veterans Administration Hospital, which serves thousands of veterans who live in and around the City of Chicago; and

WHEREAS, Hines VA Hospital is currently under federal investigation stemming from allegations that executives have surreptitiously kept patients on wait lists as part of a scheme to collect bonuses for meeting benchmarks for providing timely treatment; and

WHEREAS, Without in any way maligning the vast majority of physicians, nurses, and staff who work tirelessly and honorably to provide care at Hines, it must be said that the alleged conduct on the part of the executives at the heart of this investigation is outrageous and completely unacceptable; and

WHEREAS, President Obama has vowed to investigate impropriety at the Department of Veterans Affairs and to hold those involved accountable; and

WHEREAS, Congress plays a key role in providing oversight to federal agencies throughout the federal government and enacting legislation to ensure all VA hospitals provide care in a timely manner; now, therefore,

RESOLUTION

WHEREAS, In 2013, approximately 98 million customers of Target stores had personal information compromised in a wide-spread hacking of payment card data, including names, phone numbers, and email address; and

WHEREAS, The United States has fallen behind on credit card fraud prevention compared to other areas of the world, where EMV or chip cards, authenticate credit and debit card transactions by generating a unique code for each transaction, making hacking more difficult and ensuring additional layers of security for consumers; and

Title: Call for hearing(s) on methods and programs used to educate children, young adults and adults about dangers of violent responses to conflict

Committee(s) Assignment: Joint Committee: Education and Child Development; Health and Environmental Protection

R E S O L U T I O N

WHEREAS, the City of Chicago and other communities across the nation have been scarred by violence and the loss of young and innocent lives; and

WHEREAS, each year more than 5,000 youths between the ages of 15 and 24 die because of violence, making violence the second leading cause of death among this age group; and

WHEREAS, that disturbing statistic does not take into account the younger victims, some intended and some unintended, of violence; and

WHEREAS, according to news reports, many instances of violence against or by young people arise out of squabbles and disagreements that may appear petty or childish to outsiders, but carry great importance for those involved in the disputes; and

WHEREAS, the use by young people of social media, across various platforms, seems to inflate and accelerate these interpersonal conflicts; and

WHEREAS, there is a growing perception, whether accurate or not, that urban youth see violence as the only possible response to disagreement or conflict, and that they act without regard to consequence and without regard to the permanent effects of some of their actions; and

WHEREAS, some adults seem incapable of understanding or dealing with the problems and conflicts affecting youth under their care, while other adults seem to encourage extreme responses; and

WHEREAS, more than enough families have been broken, and more than enough lives shattered, for our society to come to the realization that new approaches must be devised to divert young people away from violence; and

WHEREAS, the U.S. Centers for Disease Control and Prevention (CDC) now recognizes violence as a public health issue and is working to develop educational programs to mitigate and reduce this public health crisis; and

WHEREAS, educational programs have been devised – and have proven effective – to increase the safety of young people by educating them about the dangers of tobacco use, of alcohol and drug use, of unsafe driving practices, of unsafe sex and HIV/AIDS; and

WHEREAS, youth and adults – especially those in charge of raising young people – need to be educated in how to promote safety, especially the safety of the most vulnerable; and

WHEREAS, effective education can and must begin even before compulsory school age: pre-schoolers can be prepared so that they begin school ready to learn, including ready to learn how to promote safety; and

WHEREAS, study after study has shown that early education can have life-long beneficial effects, and thus it is time to apply early education in a manner that can positively affect our youngest by helping them learn alternatives to violent responses; and

WHEREAS, it is only through the development and wide-spread application of educational programs, appropriate to age and developmental stage of recipients, that our society can change expectations about and responses to conflict and danger; and

WHEREAS, Mothers Against Senseless Killing (MASK), an organization of those affected by violence, has proposed development of educational programs, to be incorporated into mandatory school curricula, to educate children in ways to avoid the dangers of unsafe weapons use and in ways to resolve conflict without resort to violence; therefore,

BE IT RESOLVED that we, the Mayor and members of the City Council of the City of Chicago, assembled this 28th day of May, 2014, do hereby join Mothers Against Senseless Killing in calling on the Illinois General Assembly and the United States Congress to enact legislation aimed at protecting our young people by mandating development of age-appropriate and developmental stage-appropriate education programs, and incorporation of such programs into educational curricula from pre-school through grade 12; and

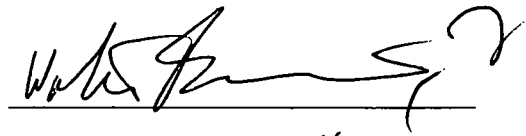

BE IT FURTHER RESOLVED that the City Council through a special joint committee consisting of the Committee on Education and Childhood Development and the Committee on Health and Environmental Protection conduct hearings into methods and programs for educating children, young adults and adults about the dangers of violent response to conflict; and

BE IT FURTHER RESOLVED that the special joint committee invite and take testimony from interested and informed individuals and organizations and individuals to assist in dealing with this health crisis; and

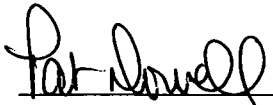

BE IT FURTHER RESOLVED that suitable copies of this Resolution be presented to the clerks and leadership of the Illinois Senate and the Illinois House of Representatives, and to the Illinois delegations to the United States Congress.

Type: Ordinance

Title: Amendment of Municipal Code Chapter 2-154 by adding new Section 2-154-017 titled "Diversity in Non-Minority-Owned Firms Disclosure Ordinance"

Committee(s) Assignment: Committee on Finance

ORDINANCE

WHEREAS, the City of Chicago has long had a policy of requiring the participation of minority-owned and controlled firms in public works projects and in such major transactions as issuance of municipal bonds and notes; and

WHEREAS, the policy was adopted because traditionally minority-owned and controlled firms have been smaller and lacked access to capital that can spur economic growth; and

WHEREAS, because its discretionary transactions and purchases tend to be large, the City's policy also opens opportunities for minority-owned and controlled firms to acquire valuable business experience that can lead to greater acceptance in the capital market; and

WHEREAS, many non-minority firms that participate in city transactions employ members of minority groups; and

WHEREAS, the participation of such employees in city transactions can give them the type of professional and business experience that can lead to advancement, opening of management opportunities, and eventual ownership; and

WHEREAS, it is appropriate for the City Council of the City of Chicago to encourage the development of business skills that can enhance the city's business climate and growth; now, therefore,,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. Chapter 2-154 of the Municipal Code of the City of Chicago is hereby amended by inserting a new Section 2-154-017, as follows:

2-154-017 Diversity in non-minority firms.

(a) This section shall be known as the "Diversity in Non-Minority-Owned Firms Disclosure Ordinance." The purpose of this section is to promote full and accurate disclosure to the public of the degree to which professionals who are members of minority groups and employed by non-minority-owned and controlled firms have equal opportunities to develop professional expertise and experience and to participate or otherwise work on projects derived from, assisted by or supported by the city through tax revenues or otherwise.

(b) When used in this section:

- (i) "Reporting Firm" means any vendor providing professional services in connection with a city action. The term does not include a minority business enterprise as defined in section 2-92-420(t) of this code.
- (ii) "Professional Services" includes consulting, accounting, legal, banking, financial, trustee, underwriting, financial advisory, management, brokerage, and any other professional service. The term does not include construction,

demolition, rehabilitation or remodeling of buildings, or sale of personal property.

- (iii) “City Action” means any action requiring an ordinance or amendment to an ordinance; city council approval or other city agency approval with respect to the sale, purchase or lease of real property; real property tax classification; zoning; vacation of streets and alleys; equipment leases; contracts; award of loan funds, grant funds, or bond proceeds; creation of tax increment financing redevelopment areas; concession agreements; and all similar matters that are discretionary on the part of the city.
- (iv) “Project” means any collaborative enterprise requiring City Action.
- (v) “Transaction Participant” means any person employed by a Reporting Firm in management and working on a Project.
- (vi) “Prospective Firm” means a legal entity in existence at the time another entity makes application for a City Action, and is not the applicant or an owner at time of application, but which the applicant expects to assume such status within six months of the time the City Action occurs, and would become a Reporting Firm upon assuming such status.

(c) In addition to any other information required by law, when a Reporting Firm makes application to the city for any City Action, the Reporting Firm shall disclose the name, race/ethnicity, position and title, and compensation rate of each Transaction Participant employed by the reporting Firm.

(d) Within 30 days after closing or completion of a Project in which it was involved, a Reporting Firm shall file a supplemental report stating: the total time billed for the Project; the name, race/ethnicity of each Transaction Participant; the amount of billed time attributed to each Transaction Participant; and the hourly or compensation rate of each Transaction Participant.

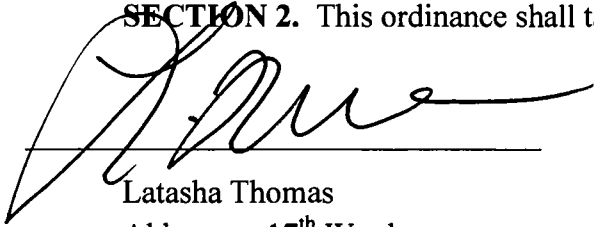

(e) A Reporting Firm shall certify the accuracy of the disclosures and information required by this section, and shall attach the disclosures and information to its original application for City Action and every supplement thereto. The required disclosures and information shall be accompanied by an affidavit as to the accuracy of contents, subscribed under oath by a knowledgeable representative of the Reporting Firm, and shall be filed with the city’s chief procurement officer.

(f) The disclosure requirements of this section shall apply to Prospective Firms.

(g) The chief procurement officer shall make the information required by this section available to the public and provide reports of such information to the city council every six months.

(h) Failure of a Reporting Firm to comply with the requirements of this section shall render the subject City Action voidable as to the city, and may result in the Reporting Firm's being barred from participating in future City Action and eligibility for city contracts.

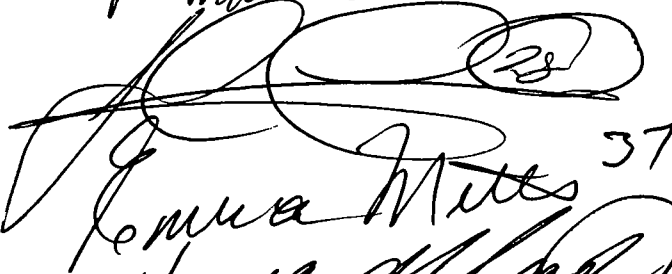

SECTION 2. This ordinance shall take effect 30 days after its passage and approval.

In addition, the issuance of a public way~~

use permit for the operation of a produce stand shall be dependent on the issuance of a valid mobile food vendor license to engage in a produce merchant business.

(g) The commissioner shall deny or revoke a public way use permit for operating a produce stand if: (i) the granting of the public way use is not in the best interest of the public, would have a deleterious impact on the neighborhood, or would create a nuisance either on the public way or in the surrounding area; (ii) the design of, or materials used in, the public way use does not comport with the quality or character of the existing streetscape; (iii) the use interferes with or impedes the flow of pedestrian or vehicular traffic, or ingress or egress from any surrounding building, the use of any pole, traffic signs or signals, hydrants, mailboxes or other objects located near the location of the proposed use; or (v) the applicant makes any false statements, submits any false information or misrepresents any information required under this section.

(h) A public way use permit for operating a produce stand shall be issued for a one year period from the time of its issuance. The fee for each public way use permit to operate a produce stand shall be \$75.00 per year, and the fee shall not be prorated.

(i) A public way use permit for operating a produce stand shall be subject to all of the following requirements:

(1) The permit shall be valid only to the person to whom it was issued.

(2) As a condition of the permit, the permittee shall keep all information current. Any change in required information shall be reported to the department within 30 days after the change.

(3) As a condition of the permit, the commissioner may enter into a written agreement with the permittee pertaining to the use of the public way for operating a produce stand.

(4) The issuance of the permit shall be subject to the requirements of Section 10-28-015(e) of this Code.

(j) In addition to all the requirements applicable to a produce merchant, the following requirements shall apply to operating a produce stand on the public way:

(1) All produce stands located on the public way must leave six feet of public way unobstructed for pedestrian passage.

(2) Any produce stand operating on the public way shall not be greater than 6.5 feet long, 3.5 feet wide, and 8 feet high.

(k) The commissioner shall have power to adopt rules as may be necessary or useful for the proper administration and enforcement of this pilot program, including rules pertaining to the maintenance and appearance of produce stands on the public way.

(l) Advertisements may be displayed on produce stands operating on the public way as provided by rules and regulations adopted by the commissioner.

~~(m) This pilot program shall expire on December 31, 2014. | Committee(s) Assignment: | Committee on Housing and Real Estate |

ORDINANCE

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. Chapter 2-159 of the Municipal Code of Chicago is hereby amended by adding the language underscored and by deleting the language struck through, as follows:

2-159-030 Definitions.

For purposes of this chapter:

“Adjacent neighbor” means a person who ~~owns and occupies as such person's primary residence an improved parcel of real property immediately adjacent to a city-owned parcel of vacant property, and who is not delinquent in the payment of any property taxes or any debt owed to the City of Chicago, County of Cook or State of Illinois.~~

(i) owns one parcel, or two or more contiguous parcels, of real property that is immediately adjacent to a city owned-parcel and at least one of the parcels is an improved parcel which the person occupies as his primary residence; and

(iii) is not delinquent in the payment of any property taxes or any debt owed to the City, County of Cook or State of Illinois.

“A.N.L.A.P.” means the Adjacent Neighbors Land Acquisition Program.

~~“City” means the City of Chicago.~~

“Department” means the department of planning and development.

“City-owned Parcel” means a one parcel of vacant real property, consisting of a single permanent tax identification number, which (a) is immediately adjacent to and is bounded on at least one side by a parcel owned by an adjacent neighbor ~~an owner-occupied improved parcel of residential real property~~, and (b) which has a fair market value of not more than \$50,000.00 as determined by the department.

2-159-040 List of city-owned real estate – Required.

The department shall prepare and maintain a list of city-owned real estate which shall include those city-owned parcels available for sale under A.N.L.A.P. This list shall be made available to the public during normal business hours.

2-159-050 Minimum purchase price required – Sale procedures.

The minimum purchase price of any city-owned parcel sold pursuant to the provisions of this chapter shall be \$1,000.00 for a parcel appraised at \$10,000.00 or less, 2,000.00 for a parcel appraised at more than \$10,000 and less than or equal to \$20,000.00, and for parcels having an appraised value of more than \$20,000.00, an amount equal to the sum (a) \$2,000, plus (b) fifty percent (50%) of the amount by which the parcel's appraised fair market value exceeds \$20,000, up to the \$50,000 maximum fair market value limitation. For illustrative purposes, if a city-owned parcel has an appraised fair market value of \$40,000, then the minimum purchase price for such parcel would be \$12,000. An adjacent neighbor shall not be permitted to purchase more than one city-owned parcel ~~(consisting of a single permanent tax identification number)~~ through A.N.L.A.P. Upon receipt of an application by an adjacent neighbor to purchase a city-owned parcel accompanied by the payment of a non-refundable \$150.00 application fee, the department shall obtain departmental approvals and an appraisal.

For qualifying city-owned parcels, ~~he~~ the department shall give written notice by certified mail to any owner of improved residential adjacent property indicating that the department will accept sealed bids for the parcel for a period of 30 days from the date of the mailing of the notice. All bids which conform to the requirements of A.N.L.A.P. shall be submitted by the department to the city council and shall thereafter be referred to the city council committee having jurisdiction over the disposition of city-owned real estate. The bids shall be promptly placed on the committee's agenda and a public hearing shall be held within a reasonable time thereafter. The city council may accept the higher bid by a majority vote or may reject both bids by a vote of three-quarters of its members. If an adjacent neighbor making an offer to purchase a city-owned parcel is the sole adjacent neighbor or the sole bidder, then the department shall submit the offer to the city council, which shall then be referred to the committee having jurisdiction over the disposition of city-owned real estate. The committee shall promptly consider the offer and then forward its recommendation to the city council. The city council may approve or reject the offer by a majority vote. A successful bidder shall deposit with the city a non-refundable earnest money deposit in an amount equal to not less than ten percent (10%) of the approved offer amount within sixty (60) days of city council approval. Such earnest money deposit shall be retained by the city if the successful bidder does not close the acquisition within six (6) months' of city council approval, or credited towards the purchase price if such closing does occur within such time period.

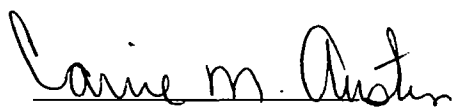

2-159-060 Covenants in deed – Termination of covenants.

Any deed conveying a parcel to an adjacent neighbor pursuant to the provisions of A.N.L.A.P. shall contain covenants which (1) prohibit the adjacent neighbor from conveying, assigning or otherwise transferring the city-owned parcel except in conjunction with the sale of the adjacent neighbor's parcel on which his primary residence is located ~~owned by the adjacent neighbor~~; and (2) require that the city-owned parcel be improved with landscaped open space within six (6) months of the conveyance of such parcel, and prohibit the construction of any permanent improvements on the parcel, excluding only improvements made by the adjacent neighbor on the parcel that constitute an integrated addition to the adjacent neighbor's primary residence, or a garage appurtenant thereto, and (3) require the adjacent neighbor to maintain the city-owned parcel in accordance with the provisions of the Municipal Code of Chicago. For purposes of this Section, the term "landscaped" shall mean the planting planting and maintenance of lawn grass, or cultivated ornamental shrubs, plants or trees, or a combination thereof. The covenants shall terminate ten (10) years after the date of the conveyance of the city-owned parcel to the adjacent neighbor.

The department may establish rules, regulations and procedures for the advertising, bidding and sale of city-owned parcels pursuant to the provisions of A.N.L.A.P. All such rules, regulations and procedures shall be published and made available by the department.

Title: Amendment of Municipal Code Title 4 by adding new Chapter 4-404 titled "Chicago Minimum Wage"

Committee(s) Assignment: Committee on Workforce Development and Audit

CHICAGO MINIMUM WAGE FOR LARGE EMPLOYERS

DRAFT ORDINANCE

May 28, 2014

*Work
Force*

WHEREAS, the City of Chicago is a home-rule municipality in accordance with the constitution of the State of Illinois of 1970; and

WHEREAS, the city has the authority to adopt ordinances and to promulgate rules and regulations pertaining to its government and affairs in order to protect the health, safety and welfare of its citizens; and

WHEREAS, the city council finds that the growth of low-wage jobs is worsening poverty in Chicago and forcing more working individuals and families to rely on taxpayer-funded programs such as Medicaid, SNAP, and food pantries to make ends meet; and

WHEREAS, the city council finds that the growth of low-wage jobs is also hurting the city's economy, which needs a workforce that can afford to spend to drive economic activity and sustain growth; and

WHEREAS, the city council finds that in particular large employers, such as the city's fast food and retail chains, are some of the top sources of low-wage jobs in the city, despite the fact that many of these companies are highly profitable major corporations; and

WHEREAS, the city council finds that while the state of Illinois is considering raising the state minimum wage, the state is unlikely to raise it to a high enough level to enable low-wage workers to meet their basic needs without relying on taxpayer-funded programs for support; and

WHEREAS, the city council find that because the costs of living and housing in Chicago are much higher than in other parts of Illinois, Chicago needs a higher minimum wage that better reflects the needs of the local workforce and economy; and

WHEREAS, the city council finds that the city of Seattle recently approved phasing its minimum wage up to \$15 and across the country other high-cost cities like New York, Los Angeles and San Francisco are proposing to do the same; and

WHEREAS, city council finds that a \$15 minimum wage would improve the lives of more than 500,000 working Chicagoans, reduce poverty and inequality across the city, and give low-income workers thousands of dollars more each year to meet rising living costs and spend at neighborhood businesses; and

WHEREAS, the city council finds that it is fair to ask employers in the city to do their part by phasing the minimum wage up to \$15; and

WHEREAS, the city council determines that raising the minimum wage to \$15 would promote the public health, safety and welfare, and reduce the burden that low wages are imposing on the taxpayers; now, therefore

BE IT ORDAINED by the city council of the City of Chicago, Cook County, Illinois, that the Municipal Code of the City of Chicago is amended by adding thereto and inserting therein a new chapter 4-404, entitled “Chicago Minimum Wage”:

2. For mid and small sized employers, the minimum wage rate shall be:

- A. Beginning one year and ninety days after the effective date of this chapter, \$12.00 per hour;
 - B. Beginning two years after the effective date of this chapter, \$13.00 per hour;
 - C. Beginning three years after the effective date of this chapter, \$14.00 per hour;
 - D. Beginning four years after the effective date of this chapter, \$15.00 per hour.
- (c) To prevent inflation from eroding the value of the minimum wage, the current minimum wage rate for large employers and the current minimum wage rate for mid and small sized employers shall each be increased annually in proportion to the increase, if any, in the cost of living. For the minimum wage rate for large employers, such annual increases shall begin on January 1 of the year following the first anniversary of the effective date of this chapter, and take place on each January 1 thereafter. For the minimum wage rate for mid and small sized employers, such annual increases shall begin on January 1 of the year following the fourth anniversary of the effective date of this chapter, and take place on each January 1 thereafter. The increase in the cost of living shall be calculated using the twelve-month percentage increase, if any, in the Consumer Price Index for all Urban Consumers, U.S. City Average, All Items (or a successor index, if any) as published by the Bureau of Labor Statistics of the United States Department of Labor, using the most recent twelve-month period for which data is available at the time that the calculation is made. The increased minimum wage rate shall be rounded to the nearest five cents and announced at least ninety days before the January 1 effective date.
- (d) The tipped minimum wage rate for large employers and the tipped minimum wage rate for mid and small sized employers shall be an amount equal to 70% of the applicable minimum wage rate for each size of employer provided for in subsection b of this chapter, rounded to the nearest five cents. The tipped minimum wage rate for each size of employer shall be adjusted whenever the applicable minimum wage rate for that size employer increases, and the adjusted minimum wage rates for tipped employees shall be announced at least ninety days before the effective date of the adjusted rates. Employers shall pay an employee who customarily and regularly receives tips a cash wage of no less than the tipped minimum wage rate provided for in this subsection for each hour worked within the geographic boundaries of the city, and shall guarantee that at all times the combination of the cash wage paid by the employer and the tips received by the employee total no less than the regular minimum wage rate for each hour worked within the geographic boundaries of the city. Such calculation shall be made based on the total wages and tips received by the employee over the course of his or her shift.

4-404-030 Retaliation Prohibited.

- (a) No employer or other person shall retaliate against any person for asserting any claim or right under this chapter, for assisting any other person in doing so, or for informing any person about his or her rights under this chapter.

4-404-040 Implementation and Enforcement.

- (a) At least sixty days before the effective date of each increase in the minimum wage the department shall publish and make available to employers a bulletin announcing the new minimum wage rate and the minimum wage rate for tipped employees, and a notice, in English and Spanish, informing employees of the updated rates, which all employers shall post in a conspicuous place at any workplace or job site where an employee works.
- (b) Employers shall keep payroll records as provided for under 820 ILCS 105/8.
- (c) Employers shall allow the department access to payroll records to monitor compliance with the requirements of this chapter. Employers shall provide reasonable access to any employee and any employee's designated representative to inspect the employer's payroll pertaining to that employee. Where an employer does not maintain or retain adequate records as required under subsection b of this section, or does not allow the department reasonable access to such records, there shall be a rebuttable presumption that the employer has not paid the required minimum wage.
- (d) The department is authorized to interpret, implement, and enforce this chapter, including by issuing regulations and administrative findings of violations and instituting legal actions to enforce administrative findings. Civil penalties shall be retained by the department and used to finance activities to enforce this chapter. Any regulations, guidelines, or rules promulgated by the department shall have the force and effect of law and may be relied on by employers, employees, and other parties to determine their rights and responsibilities under this chapter.
- (e) An employer that fails to pay the minimum wage required under this chapter shall be required to pay the employee the unpaid compensation together with an additional two times that amount as liquidated damages. An employer that retaliates against an employee in violation of this chapter shall be required to provide equitable relief to the employee, including reinstatement where appropriate, and to pay the employee (1) any unpaid compensation together with an additional two times that amount as liquidated damages for each day from the date of the retaliation until the date that the violation is remedied or (2) \$5,000, whichever is greater.
- (f) Any person or organization may file an administrative complaint with the department charging that a large retail employer has violated this chapter as to any employee or other person. The department shall promptly investigate administrative complaints and may interview and review records regarding any or all employees at the employer's worksite in order to determine whether a pattern of violations has occurred and to protect the identity of any employee identified in the complaint. The name of any employee identified in a complaint shall be kept confidential as long as possible, and may be disclosed only with the employee's consent. Where the department determines that a violation has occurred, the department shall issue an administrative order finding a violation and ordering payment of unpaid compensation, liquidated damages, and civil penalties, and may take any other appropriate enforcement action to secure compliance, including initiating a civil action and/or instructing city agencies or departments to

revoke or suspend any registration certificates, permits or licenses held or requested by the employer or person until such time as the violation is remedied.

- (g) An employee who is underpaid or who suffers retaliation in violation of this chapter may bring an action against an employer in any court of competent jurisdiction and, upon prevailing, shall be awarded any appropriate legal or equitable relief, including unpaid compensation and an additional two times that amount in liquidated damages, reinstatement, actual damages, and civil penalties. An employee need not exhaust administrative remedies before bringing an action nor shall an investigation of an employer by the department or other law enforcement officer bar a person from bringing an action.

4-404-050 Miscellaneous.

- (a) This chapter shall take effect upon enactment.
- (b) This chapter shall be liberally construed in favor of its purposes, and shall not be construed to preempt or otherwise limit the applicability of any law, policy or other provision that provides for payment of higher or supplemental wages or benefits.
- (c) If any part of this chapter, or the application of the chapter to any person or circumstance, is held invalid, the remainder of this chapter, including the application of such part to other persons or circumstances, shall not be affected by such a holding and shall continue in full force and effect. To this end, the parts of this law are severable.
