Dear Property Owner:

In accordance with the requirements for an Amendment to the Chicago Zoning Ordinance, specifically Section 17-13-0107, please be informed that on or about June 18<sup>th</sup> 2014, the undersigned will file an application for a change in zoning from RS3 to RT4 on behalf of Scott Eifert, the owner and applicant, for the property located at 2929 S Shields, Chicago, IL 60616.

The building currently exceeds the allowable floor area ratio; seeking to add 3<sup>rd</sup> floor addition, and 2 dwelling units will remain. The rezoning will not increase the building height or the footprint. The changes will simply raise the raise the roof one side to match the other, allowing for a symmetrical roofline.

The contact person for this application is: Scott Eifert at 2929 S Shields #2, Chicago, IL 60616 or at 773-322-8304.

Please note that the applicant is not seeking to rezone or purchase your property. The applicant is required by law to send this notice because you own property within 250 feet of the property to be rezoned.

Very truly yours,

A handwritten signature in black ink, appearing to read 'S Eifert', written in a cursive style.

Scott Eifert

Zoning Change from C1-3 Type 1 to C1-3 Type 1 as Amended

Built in 1929 as a Warehouse, which is currently mostly vacant having only an auto repair shop in use at this time. The previous owner bought the building and rezoned it on February 5, 2014 from a M1-3 to a C1-3 to allow a day care use, file number 17899T1. The new owner now wants to add a second floor over a portion of the warehouse to create two separate units. One unit space (taking up 90% of the building) for a day care center and one unit (the remaining 10% of the building) for the existing auto repair shop. This 84 year old one story brick has a total of 29,628 square foot building on a 33,250.00 square foot lot. The first floor of the day care has 12,500 square feet and the proposed 2<sup>nd</sup> floor day care will be 12,500 square feet. The current square footage is 29,925. The total square footage will be 42,425 with the additional second floor. Day Care was permitted in the current M1-3 zoning district but the maximum gross floor area permitted in an M1-3 is only 4,500 square feet whereas, a C1-3 zoning district does not limit the square footage of a day care facility. That portion of the building with two floors will be 22 feet in height. There will be 14 indoor parking spaces. There are an additional 6 parking spaces for the existing auto repair business. The proposed zoning change is from a C1-3 Type 1 to a C1-3 Type 1 as Amended. No dwelling units are proposed.

***BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:***

***SECTION 1.*** Title 17 of the Municipal Code of Chicago, the Chicago Zoning Ordinance, is hereby amended by changing all the M3-3 Heavy Industry District and B3-3 Community Shopping District symbols and indications as shown on Map No. 5-H in the area bound by

North Lister Avenue; a line perpendicular to North Lister Avenue lying 188.3 feet southeast of Damen Avenue as measured along the southwest right-of-way of North Lister Avenue; the alley southwest of and parallel to North Lister Avenue; and North Damen Avenue

to those of a B3-3 Community Shopping District and a corresponding uses district is hereby established in the area above described.

***SECTION 2.*** This ordinance shall be in force and effect from and after its passage and due publication.

Common address of property: 2309-2323 North Damen Avenue

11. Current Use of the Property: The northern portion of the property is utilized for auto repair, truck rental, and propane filling. The south portion of the property is improved with a 4 story mixed-use building.
12. Reason for rezoning the property: To construct a mixed-use addition to the existing mixed-use building on site. The addition does not comply with the current zoning district.
13. Describe the proposed use of the property after the rezoning. Indicate the number of dwelling units; number of parking spaces; approximate square footage of any commercial space; and height of the proposed building. (BE SPECIFIC)  
The applicant seeks to rezone the property in order to construct a new 4-story addition to the existing mixed use building. The addition will contain residential and commercial uses that do not comply with the current zoning. The expanded building will contain 4 ground floor retail units with a total of 7,330 square feet of commercial space. The 2nd through 4th floors will contain a total of 30 residential units with on-site parking for 30 vehicles. The addition will be the same height as the existing structure at 49 feet 4 inches.
14. On May 14, 2007, the Chicago City Council passed the Affordable Requirements Ordinance (ARO) that requires on-site affordable housing units or a financial contribution if residential housing projects receive a zoning change under certain circumstances. Based on the lot size of the project in question and the proposed zoning classification, is this project subject to the Affordable Requirements Ordinance? (See Fact Sheet for more information)

The Applicant proposes a technical amendment to Residential Business Planned Development No. 1229 eliminating the Upper-Level Setback FAR Bonus, reducing the FAR from 21.63 to 20.19 and reducing the building height one level from 515 feet to 489 feet. The approved development is still planned to consist of a 41 story residential building containing 402 dwelling units, approximately 24,900 square feet of retail/commercial space and 125 parking spaces.

The Applicant and Owner is 200 North Michigan Owner LLC, whose address is 1 N. Wacker Drive, Suite 2400, Chicago, Illinois.

I am the attorney for the Applicant. My address is 130 East Randolph, Suite 3800, Chicago, Illinois 60601.

additional square feet ÷ lot area; additional square feet x 80% x median cost of land per buildable square foot (must be first 20% of FAR increase)

**Re: Application for Planned Development  
Pullman Community Center (10355 South Woodlawn Avenue)**

Dear Chairman Solis and Chairman Cabrera:

The undersigned, Mariah DiGrino, an attorney with the law firm of DLA Piper LLP (US), which firm represents Chicago Neighborhood Initiatives, Inc., the applicant for an amendment to the Chicago Zoning Ordinance and proposed planned development, certifies that she has complied with the requirements for Section 17-13-0107 of the Chicago Zoning Ordinance by sending written notice to such property owners who appear to be the owners of the property within the subject area not solely owned by the applicant, and to the owners of all property within 250 feet of each direction of the lot line of the subject property, exclusive of public roads, streets, alleys and other public ways. Said written notice was sent by First Class U.S. Mail, no more than 30 days before filing the application.

The undersigned certifies that the notice contained the address of the property sought to be rezoned; a statement of the intended use of the property; the name and address of the applicant; the name and address of the owners; a statement that the applicant intends to file the application for change in zoning on approximately June 18, 2014 and a source for additional information on the application.

The undersigned certifies that she has made a bona fide effort to determine the addresses of the parties to be notified under Section 17-13-0107 of the Chicago Zoning Ordinance, and that the accompanying list of names and addresses of surrounding property owners within 250 feet of the subject site is a complete list containing the names and addresses of the people required to be served.

Very truly yours,

**FIRST CLASS MAIL**

Dear Sir or Madam:

As required by Section 17-13-0107 of the Municipal Code of the City of Chicago, please be informed that on or about June 18, 2014, the undersigned, on behalf of Chicago Neighborhood Initiatives, Inc. (the "Applicant"), intends to file an application to rezone the property located at 10355 South Woodlawn Avenue, Chicago, Illinois from the B1-2 Neighborhood Shopping District, to a Planned Development. A map of the development site is printed on the reverse side of this letter.

The development site is currently vacant. The application seeks approval of plans to allow the development of a 135,648 square foot community center (with a possible future 67,824 square foot expansion), including indoor participant sports and recreation, video display signs and approximately 366 permanent parking spaces.

The proposed change of zoning does *not* apply to your property. You are receiving this notice as required by the Chicago Municipal Code because the assessor's tax records indicate that you own property within 250 feet of the proposed amended Planned Development.

I am an authorized representative of the Applicant and my address is 203 North LaSalle Street, Suite 1900, Chicago, IL 60601. The Applicant is the owner of the property and has an address of 1000 E 111th Street, Chicago, IL 60628.

Please contact me at 312-368-2162 with questions or to obtain additional information.

Very truly yours,

MEMORANDUM

TO: Patricia A. Scudiero, Managing Deputy Commissioner

DATE: May 28, 2014

RE: **Clybourn and Division Mixed-Use Development**  
**Northwest corner of Division and Clybourn**

As you are aware, Brinshore-Michaels, operating under the name of Clydiv, LLC was selected by the City of Chicago and the Near North Working Group, as the developer of the Clybourn and Division site, owned by the City. Clydiv, LLC was selected in the HED 2011 Multi-family Funding Round to move forward with development underwriting and other reviews. Therefore, subject to your review and discretion, I have no objection to Clydiv, LLC's request for the zoning changes needed to apply for building permits and construction of the mixed use, mixed income development at Clybourn and Division, subject to our usual internal departmental review and coordination. I understand that they are requesting the approval of a planned development and a zoning change to accommodate the proposed building.

The vacant lots listed below are currently in our department's inventory, and are reserved for the Clybourn and Division development. DPD has budgeted to fund the Clybourn and Division Development in 2015 with an allocation of 9% Low Income Housing Tax Credits, Donation Tax Credits, and TIF funds. The lots will be transferred to the developer at closing of the financing.
