Type: Resolution

Title: Call for expeditious appointment of council taskforce to undertake substantive review and revision of Municipal Code Chapter 2-14 concerning in-house adjudication of ordinance violations

Committee(s) Assignment: Committee on Finance

RESOLUTION

WHEREAS, A recent court decision, as well as a spate of cases that are currently in litigation, has brought to light the urgent need for this legislative body to focus its attention on what Illinois First District Appellate Court Justice Mathias W. Delort called “deficiencies in the manner in which the City of Chicago handles in-house adjudication of ordinance violations” in his majority opinion in the case of Stone Street Partners, LLC v. The City Of Chicago Department Of Administrative Hearings; and

WHEREAS, Through a series of enactments in the course of the late two decades, the Illinois legislature has allowed the removal of ordinance enforcement hearings from the judiciary to the local administrative level. Illinois Public Act 90-516, sponsored by Barack Obama, who was at that time an Illinois State Senator, established such in-house administrative adjudication and raised their judgments to equal court judgments. However the act was silent concerning the mechanism for how awarded monetary damages could be collected; and

WHEREAS, The municipalities developed a mechanism whereby they would file their administrative judgments with the circuit court, asking that they be registered as court judgments thereby making any monetary damages awarded collectible. In his opinion, Justice Delort noted that the “process has been so successful that the City of Chicago has established a large central hearing facility that rivals Illinois county courthouses in its size and case volume”; and

WHEREAS, Futhermore, and perhaps most significantly, the appellate court held that “representation of corporations at administrative hearings - particularly those which involve testimony from sworn witnesses, interpretation of laws and ordinances, and can result in the imposition of punitive fines - must be made by a licensed attorney at law”. Although the city’s Department Of Administrative Hearings (DOAH) allows non-attorneys to represent corporations at administrative hearings and argued several reasons why non-attorneys should be allowed to represent corporations during their procedures but Delort states “none is meritorious”; and

WHEREAS, The enormity of the adverse effect this would have is best expressed by a footnote in the appeal filed by the city’s corporation counsel that states “In 2010, 523,092 cases were filed in DOAH, 476,001 of which involved an amount under \$10,000. In 2011, 466,928 cases were filed, 415,424 of which were under \$10,000. In 2012, 460,999 cases were filed, 394,777 of which were under \$10,000. In 2013, 503,541 cases were filed, 422,802 of which were under \$10,000. In the first quarter of 2014, 101,848 cases were filed, 91,051 of which were under \$10,000. In total, of the 2,056,408 cases filed in DOAH since the beginning of 2010, 1,800,055 - a whopping 87.5% - involved an amount less than \$10,000.” It would be safe to assume a major portion of those proceedings had one or more parties represented by non-attorneys. This case, if upheld, will effectively nullify all administrative hearing adjudications where non-attorneys have represented either the corporate respondents or the city; and

WHEREAS, Justice Delort as well as the two other Appellate Justices concurred “that the City's actions in this case are troubling and that its system of adjudicating ordinance violations deserves to be reviewed”. Similar cases are currently working their way through the courts. It is vitally incumbent upon this legislative body to immediately cure the deficiencies of the city’s administrative hearing practices cited in Stone Street Partners, LLC v. The City Of Chicago Department Of Administrative Hearings before more time and resources are needed to defend against further litigation; now therefore

BE IT RESOLVED, That we, the undersigned members of the City of Chicago City Council, gathered here this 25th Day of June, 2014 AD, do hereby call for the expeditious appointment of a council taskforce to undertake the substantive review and revision of Chapter 2-14 of the City of Chicago Municipal Code.

**RESOLUTION CONCERNING THE GATHERING AND DISSEMINATION
OF ELECTRONIC DATA ON THE PUBLIC WAY**

WHEREAS, A front-page article published in the Sunday, June 22, 2014 edition of the Chicago Tribune announced the launching of a system of data-collection sensors affixed to public light poles that will gather environmental information and observe cell phone traffic starting in selected areas this July; and

WHEREAS, The Office of the Mayor has issued certain executive orders facilitating this project that may be inadvertently in conflict with the City of Chicago City Council's authority to oversee all matters involving all uses of the public way within their individual and collective jurisdictions; and

WHEREAS, This venture is fraught with glaringly obvious invasion-of-privacy issues. The city must indemnify itself against legal action arising from individual and class action suits claiming constitutional violations as a result of lack of notice or permission. Additionally, there is no plan in place to guarantee the data thus assembled will not be used for extra-legal or even criminal purposes; and

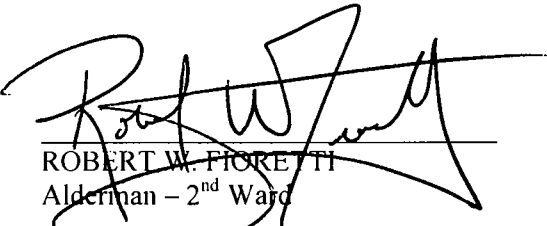

WHEREAS, The City of Chicago is a home rule unit of government under Section 6(a), Article VII of the 1970 Constitution of the State of Illinois and as such may legislate as to matters which pertain to its local government and affairs; and

WHEREAS, The gathering and dissemination of electronic data is a multi-billion dollar business garnering millions in profits for corporations and institutions savvy enough to profit from it. It behooves this august body to exercise its legislative prerogative and assert control over use of whatever is erected, attached or assembled for use upon the public way or utility by any corporation, organization or agency. Also, unlike previous privatization deals of public assets, this body should seek ironclad guarantees to maximize any value that is garnered from such action for the public weal; now therefore

BE IT RESOLVED That the Committee on Economic, Capital and Technology Development expeditiously convene a public hearing to take testimony concerning the proposed gathering and dissemination of electronic data by methods developed by the Urban Center for Computation and Data "Array of Things" project.

BE IT FURTHER RESOLVED That knowledgeable representatives from the Office of the Mayor, Charlie Catlett, the director of the Urban Center and a senior computer scientist at Argonne National Labs and the University of Chicago, as well as any other representatives of Chicago's Urban Center for Computation and Data, the Array of Things project and any corporate body or institutional agency who has entered into agreements with the City of Chicago to elicit the gathering and dissemination of electronic data on the public way is hereby required to give testimony at this hearing.

BE IT FURTHER RESOLVED That a copy of this resolution be prepared and presented to Thomas Tunney, chair of the Committee on Economic, Capital and Technology Development and Charlie Catlett, Urban Center for Computation and Data.

Title: Calling on Committee on Public Safety to conduct hearings requesting the Illinois Congressional Delegation to implement a national gun registry

Committee(s) Assignment: Committee on Public Safety

A RESOLUTION

Public Safety

To call on Congress to create a national registry.

WHEREAS, gun violence is not only an issue in the city of Chicago, it is a national issue in the United States of America residing as the cornerstone of domestic policy regarding safety and security;

WHEREAS, At least 500,000 guns are stolen annually from residences, but only 173,000 of those were reported lost or stolen to law enforcement;

WHEREAS, in 2012, more than 16,000 firearms were lost or stolen from licensed firearms dealers across the country;

WHEREAS, The Federal Bureau of Alcohol, Tobacco and Firearms reported that 14% of gun trafficking investigations involved guns stolen from gun dealers;

WHEREAS, Congress has the Enumerated Authority under the Commerce Clause of the Constitution of the United States of America to regulate gun possession nationwide. The United States Supreme Court has identified three types of activities that Congress can regulate under their enumerated authority including regulation of the use of channels of interstate commerce, regulation and protection of the instrumentalities of interstate commerce and regulation of activities that have a substantial relation to interstate commerce;

WHEREAS, gun possession falls into the scope of interstate commerce since commerce includes all phases of business, including navigation and in order for one to acquire a gun, the original source must derive from a firearms and weapons dealer—a legally regulated business in the United States;

WHEREAS, “among the several states” has been interpreted expansively as any commerce which concerns more States than one and interpreted more narrowly as those activities that have an impact on interstate activities;

WHEREAS, gun possession concerns more than one municipality and State and would also have an impact on interstate activities since a resident may lawfully possess a firearm in one state and transport this firearm illegally into a different state for disbursement, or a resident who cannot lawfully purchase a firearm in one municipality or State can obtain a firearm with differing restrictions in a different locality, which adversely affects the goals and objectives of various municipal and State legislation;

WHEREAS, a comprehensive national system of gun registration currently does not exist in the United States; and

WHEREAS, a national gun registry can lead to the following benefits for not only the City of Chicago, but also all other municipalities in the United States of America:

- 1) identification and prosecution of violent criminals by helping law enforcement quickly and reliably identify the source of firearms recovered from crime scenes,
- 2) retrieval of firearms from persons who have become legally prohibited from possessing them through criminal convictions or other prohibitions, and
- 3) the reduction of illegal firearm sales and transfers by creating accountability for gun owners;

NOW THEREFORE, BE IT RESOLVED, that the Chicago City Council, through its Committee on Public Safety, conduct hearings requesting that the Illinois Congressional Delegation implement legislation that requires every gun owner to register each gun owned as part of a national gun registry.

Title: Call for hearing(s) concerning effects of airport-related noise and other aviation-related concerns affecting public health and safety

Committee(s) Assignment: Committee on Aviation

RESOLUTION

WHEREAS, the City of Chicago is the owner and operator of Chicago O'Hare International Airport, which annually serves many millions of passengers who land and take off on many thousands of flights; and

WHEREAS, the Federal Aviation Administration is charged with regulating civilian aviation in the United States, including development of airports, establishment of flight paths, monitoring effects of aviation-related noise, and other aviation-related concerns affecting public health and safety; and

WHEREAS, part of the FAA's function is to publish information on anticipated airport-related noise in conjunction with new or changed airport operations, and to take public comment on such information in order to find ways to ameliorate the impact of noise on nearby residents and institutions; and

WHEREAS, recent reports indicate that the FAA has fallen short of its legal obligations in several crucial ways in connection with the construction, opening and use of new runways at Chicago O'Hare International Airport: by failing to hold public hearings within affected areas, as required by law; by publishing incomplete and inaccurate data before public hearings, although in possession of accurate information; by quietly changing data and information after conclusion of public hearings;

WHEREAS, as a result of the FAA's alleged failures to obey applicable law, local residents on the Northwest Side of Chicago and in nearby suburban communities seriously impacted by a great increase in noise from airplanes landing and taking off at Chicago O'Hare International Airport; and

WHEREAS, the impact of the noise affects the quality of life of thousands of people; and

WHEREAS, the alleged failures of the FAA prevent affected residents and institutions from obtaining financial assistance for noise reduction measures; now, therefore,

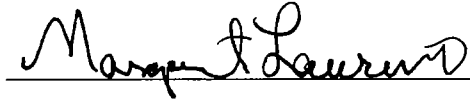

BE IT RESOLVED that the Committee on Aviation conduct hearings into the matters set forth in the preamble of this Resolution, and report the results of its inquiry to the full City Council; and

BE IT FURTHER RESOLVED that members of the Illinois delegation in the United States Congress, are urged to request and pursue a congressional inquiry into the conduct of the Federal Aviation Administration concerning the matters set forth in the preamble of this Resolution; and

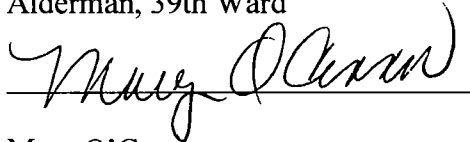

BE IT FURTHER RESOLVED that the Fair Allocation In Runways coalition (FAIR) and other interested organizations and individuals are encouraged to seek appropriate

investigative and remedial responses to these allegations from the Inspector General of the FAA and all other appropriate federal agencies; and

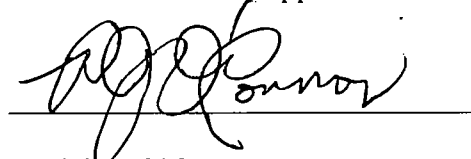

BE IT FURTHER RESOLVED that suitable copies of this Resolution be presented to Senators Durbin and Kirk and the Illinois delegation in the United States House (and placed on permanent record in his/her/their personnel file(s), as a token of our esteem and appreciation.

| Title: | Call on Commissioner of Human Resources to refrain from hiring former city employees whose names appear on Ineligible for Rehire List |
| Committee(s) Assignment: | Committee on Workforce Development and Audit |

City Council
June 25, 2014

RESOLUTION

WHEREAS, at various times the City's Inspector General has recommended, in a report concluding an investigation, that one or more employees who are subject of the investigation be discharged from city employment and that they be declared ineligible for future employment by the City; and

WHEREAS, in most cases the executive departments of the City government have acquiesced in the Inspector General's recommendation of permanent disqualification from future city employment; and

WHEREAS, this acquiescence has led to the development of a so-called "Ineligible for Rehire List" of names of former City employees in three categories: employees whose employment was terminated for disciplinary reasons; employees who resigned rather than have a discharge from employment on their work record, and employees who resigned while under investigation, and whom the Inspector General or other investigating authority determined to be guilty of an offense deserving discharge; and

WHEREAS, In 1972, the federal District Court for the Northern District of Illinois entered the "Shakman decree," subjecting the City to a complex and evolving regime of legal requirements aimed at abating what the court perceived as serious systemic problems with municipal hiring; and

WHEREAS, Recognizing the City's diligent and sustained efforts to reform its policies and practices, on Monday, June 16, 2014, the federal court entered an order declaring substantial Shakman compliance and formally releasing the City from the 42-year-old decree; and

WHEREAS, the Shakman decree applied only to the executive branch of City government, not to the legislature; and

WHEREAS, in June of 2014 the City Council was first given a copy of the existing Ineligible for Rehire List and Memorandum from 2011 explaining the criteria for appearing on the list; and

WHEREAS, the City Council believes it is in the best interest of the public and the Council to refrain from hiring persons whose names appear on the List during the period of their ineligibility; and

WHEREAS, on the current Ineligible for Rehire List, disqualification from eligibility for being rehired falls into two categories: disqualification for one year, and disqualification in perpetuity; and

WHEREAS, the policy or policies underlying the current Ineligible for Rehire List, and standards for modification of the list, have never been codified or legislatively authorized; and

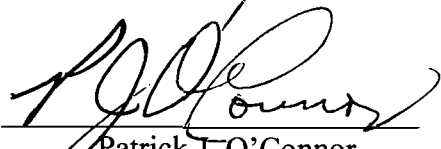

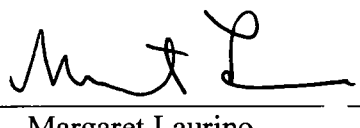

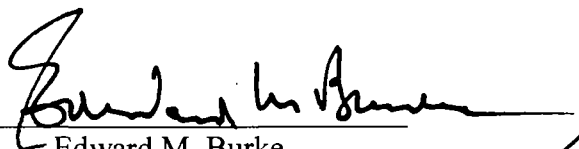

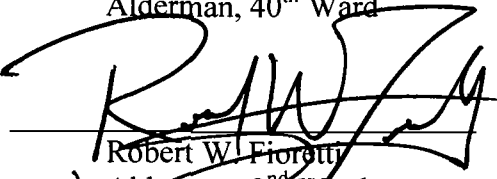

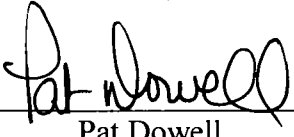

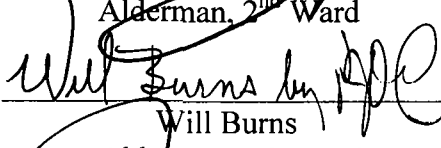

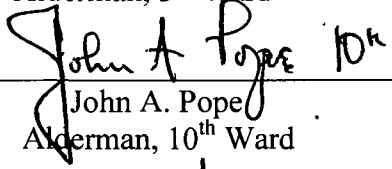

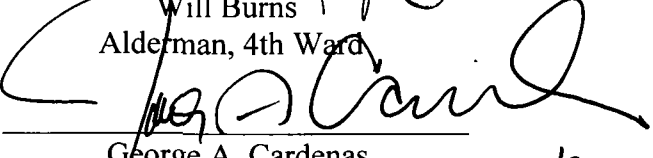

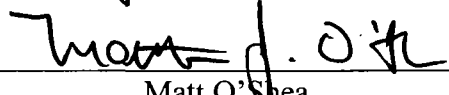

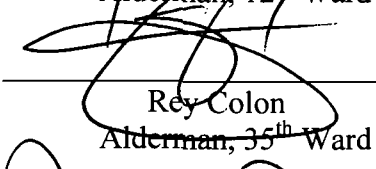

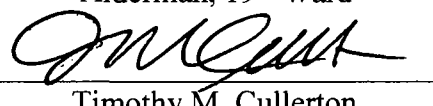

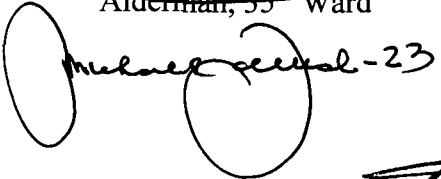

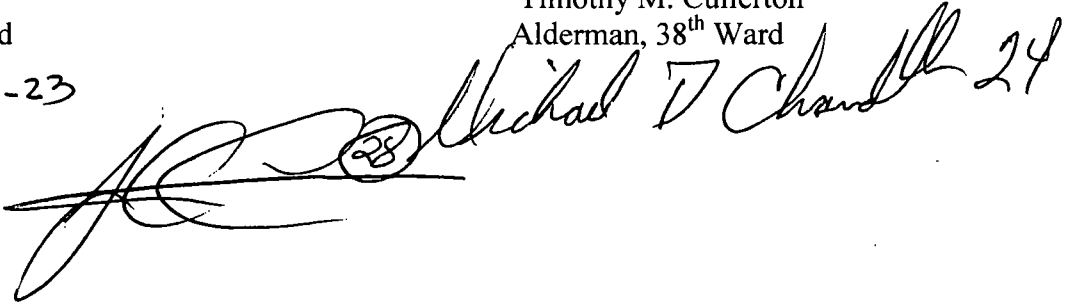

WHEREAS, the City Council desires to promote confidence in the hiring decisions of its members; now, therefore

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CHICAGO, that from and after the adoption of this Resolution, the City Council of the City of Chicago and its members will refrain from hiring, during the period of their disqualification, those former City employees whose names appear on or whose names may be added to the so-called Ineligible for Rehire List maintained by the Department of Human Resources; and

BE IT FURTHER RESOLVED, that the Commissioner of Human Resources shall provide to the City Council a true and accurate copy of the Ineligible for Rehire List as it exists on the date of adoption of this Resolution, and shall provide true and accurate copies of updated Lists to the Committee on Workforce Development and Audit on a quarterly basis after the date of adoption of this resolution; and

BE IT FURTHER RESOLVED, that the Department of Human Resources will alert members of City Council as to a person's ineligibility for rehire upon submission of initial employment paperwork; and

BE IT FURTHER RESOLVED, that this Resolution shall be in force from and after its adoption.

Title: Calling on Cook County Recorder of Deeds to enforce stronger investigative measures of authenticity of documents presented to prevent fraudulent liens against homes to extort money from homeowners

Committee(s) Assignment: Committee on Housing and Real Estate

City Council
June 25, 2014

RESOLUTION

WHEREAS, The FBI reports that recording of fraudulent documents is an increasing form of white-collar crime nationwide. Cases have been documented in New York, California, and everywhere in between, including Chicago; and

WHEREAS, Criminals have recorded fraudulent liens against homes in order to harass enemies or to extort money from homeowners intimidated by the legal hurdles involved in clearing title; and

WHEREAS, Criminals have recorded fraudulent deeds making it falsely appear that they are the owners of homes. The “House Thieves” have then taken out mortgages on the homes, or even sold the homes. In some cases, the criminals have gone so far as to change the locks when the legitimate homeowner is away from home, brazenly showing the forged documents to police as proof of their right to do so; and

WHEREAS, Cook County Recorder of Deeds Karen A. Yarbrough has been a leader in the fight against “House Stealing” and other crimes involving fraudulent document recording. She widened the use of the “Fraud Alert” system, whereby homeowners are notified of any document recorded against their property. She successfully advocated for the passage of laws that allow a Recorder of Deeds to forward cases of suspected property fraud to an expedited administrative law review process, to increase the penalties for unlawful clouding of a title, and to require notaries to forward the records of every property transfer they notarize to the Recorder of Deeds office. She has also worked tirelessly to raise public awareness of the crime; and

WHEREAS, Despite Recorder Yarbrough’s efforts, Illinois law requires Recorders of Deeds to record any document presented to them with the needed information and fees. Recorders are forbidden to investigate the authenticity of documents before recording; and

WHEREAS, House Thieves typically hide their true identities behind aliases and sham corporations; and

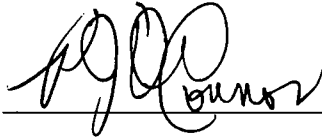

WHEREAS, Time is of the essence in apprehending House Thieves, because by the time the true homeowners become aware of the crime and followed the legal process to correct it, the perpetrators moved on to a new identity, taking the proceeds of sham sales or mortgages with them; now therefore:

BE IT RESOLVED, that the Mayor and City Council of the City of Chicago gathered here on this 28th Day of May, 2014, call on Cook County Recorder of Deeds Karen A. Yarbrough to take the further step of requiring people to provide valid government-issued photo identification, including identification described in §2-173-040 of the Municipal

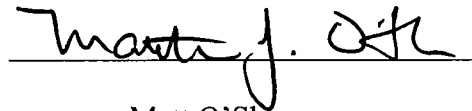

Code, along with valid documentation of their current address when presenting documents for recording; and

BE IT FURTHER RESOLVED, that the Mayor and City Council call on Recorder Yarbrough to maintain copies of said identification in order to aid investigations of suspected fraud; and

BE IT FURTHER RESOLVED, that a suitable copy of this resolution be provided to Cook County Recorder of Deeds Karen A. Yarbrough.

(D) any safe passage route during any school activity at the route's associated school, and within 60 minutes before the starting time and 60 minutes after the set or estimated ending time of such school activity, as announced online pursuant to subsection (a)(3) of this section;

(E) inside any moving or stationary school bus being used to transport school children;

(F) any public park that has a boundary line within a school zone between the hours of 6:00 A.M. and 7:00 P.M. on any day the school is in session; and

(1) contain a description of the conditions requiring the prohibition on BYOB; and

(2) identify such area by boundaries; and

(3) cover an area of no less than two contiguous city blocks. For any such area established by ordinance, both sides of each street forming the boundary of the area shall be considered as within the area unless otherwise specifically stated in the ordinance establishing the area; provided, however, that (i) if an area is described by boundaries, the boundaries shall be drawn down the center of boundary streets unless otherwise specified in the ordinance establishing the area; and (ii) if a street that is a boundary of the area is also a boundary of wards of the city, the middle of that street will be the boundary of that area.

(c) No ordinance adopted under this chapter shall prohibit BYOB in any restaurant.

(d) After passage of an ordinance to prohibit BYOB within a specified area of the city, no ordinance may alter the area except by addition of territory or by deletion of all territory within the area. An ordinance that divides a specified area into two or more segments shall not be considered to alter that area for purposes of this subsection (d) if all of the following conditions are met: (1) the ordinance does not change the size or boundaries of the total area covered; (2) each portion of the area so divided complies with subsection (b) of this section; and (3) all portions of the area affected by the ordinance remain subject to such ordinance for a minimum of one year following passage of the ordinance that divides the area.

No member of the city council shall propose, and no committee of the city council shall consider, any amendment to an ordinance which, if passed, would render the ordinance contrary to any of the requirements of subsections (b) through (d). No officer or employee of the city shall enforce any ordinance that is contrary to any of the requirements of subsections (b) through (d). No member of the city council may recommend action on, and no committee of the city council shall consider, any ordinance to prohibit BYOB within a specified area until all required notices have been given.
