CERTIFICATION

To be completed by business owner/manager:

I hereby certify that all statements made as part of this application and any attachments hereto are true to the best of my knowledge and belief. I do understand that a standing/loading zone ordinance is introduced to the City Council at the discretion of 26th Ward Alderman Roberto Maldonado - submission of this application does not guarantee the granting of a standing/loading zone. The analysis of this application will weigh the benefits of placing the zone adjacent to my business versus the disadvantages of the reduction of available street parking in the area. I acknowledge that the issuance of a standing/loading zone is a privilege granted by the City of Chicago and not a right of my business. My business and I shall remain the property of the City. I agree to accept the decision of the Alderman to partially or fully accept, or deny my application.

Furthermore, I agree to follow all applicable laws as outlined by the Municipal Code of the City of Chicago and requirements as put forth in this application and by the Committee on Traffic Control and Safety, the Department of Transportation, and the Department of Revenue. I also understand that the standing/loading zone may be removed at the Alderman's discretion or at the urging of any City Department.

CERTIFICATION

To be completed by business owner/manager:

I hereby certify that all statements made as part of this application and any attachments herein, are true to the best of my knowledge and belief. I also understand that a standing/loading zone ordinance is introduced to the City Council at the discretion of 33rd Ward Alderman Deborah Mell – submission of this application does not guarantee the granting of a standing/loading zone. The analysis of this application will weigh the benefits of placing the zone adjacent to my business versus the disadvantages of the reduction of available street parking in the area. I acknowledge that the issuance of a standing/loading zone is a privilege granted by the City of Chicago and not a right of my business ownership – the curb lane is and shall remain the property of the City. I agree to accept the decision of the Alderman to partially or fully accept, or deny my application.

Furthermore, I agree to follow all applicable laws as outlined by the Municipal Code of the City of Chicago, and requirements as put forth in this application and by the Committee on Traffic Control and Safety, the Department of Transportation, and the Department of Revenue. I also understand that the standing/loading zone may be removed at the Alderman's discretion or at the urging of any City Department.

RE: 823 W Buena - 15 minute standing zone

Dear Alderman Cappleman and staff

We are respectfully requesting a 15 minute standing zone to be placed in front of 823 W Buena. Currently the 800 block of Buena does not have any standing zones and has several large buildings on the block; Reside Living has over 100 apartments between 823 and 849 (and Group Fox has a 210 unit building which sits in between the two Reside Living properties). Having this standing zone would aid perspective renters when coming to tour, versus distracting them from renting due to the lack of parking. The standing zone would also assist the current residents and staff of the building by allowing them to drop off their groceries, packages and work belongings with ease. Currently when people are running in and out of these buildings they double park causing traffic to slow down or come to halt or these folks double park on the corners blocking the vision of drivers because they cannot see the traffic.

Reside Living has successfully operated this apartment complex since May 1, 2007 and we plan to continue our operations for the unforeseeable future. We would like to thank you for your consideration and if there is any follow up needed please feel free to let me know.

Thank you for your consideration,

Length of Zone: 168 feet or approximately _____ vehicle space(s)

Reason for Zone / Business activity requiring standing zone: Need space to be able to allow tenants to park cars/vans/trucks so that they can move in to building at the start of their lease and move out of building when their lease is over. Also, need to have parking available for agents bringing prospective tenants to see apartments.

Please describe the availability/restrictions of on-street parking: No restrictions on building side of the street, meters on opposite side of the street.

On the average day, how many sales/visits would utilize the zone? Five out of a total of 5 for agent showings only; based on an average of 5 showings per day since we started leasing building. Move in/Move Out usage is hard to represent as an average day, however, we plan on leasing all 140 units and all would need to have a space for move in/move out.

CERTIFICATION

I hereby certify that all statements made as part of this application and any attachments herein, are true to the best of my knowledge and belief. I also understand that a standing/loading zone ordinance is introduced to the City Council at the discretion of 46th Ward Alderman James Capleman - submission of this application does not guarantee the granting of a standing/loading zone. The analysis of this application will weigh the benefits of placing the zone adjacent to my business versus the disadvantages of the reduction of available street parking in the area. I acknowledge that the issuance of a standing/loading zone is a privilege granted by the City of Chicago and not a right of my business ownership - the curb lane is and shall remain the property of the City. I agree to accept the decision of the Alderman to partially or fully accept, or deny my application.

Furthermore, I agree to follow all applicable laws as outlined by the Municipal Code of the City of Chicago, and requirements as put forth in this application and by the Committee on Traffic Control and Safety, the Department of Transportation, and the Department of Revenue. I also understand that the standing/loading zone may be removed at the Alderman's discretion or at the urging of any City Department.

The Honorable Alderman James Cappleman
City Council, City of Chicago
4544 N Broadway
Chicago, IL 60640

3838 N Broadway LLC
324 W Touhy Ave
Park Ridge, IL 60068

Dear Alderman Cappleman,

We are requesting that a 15 minute standing zone be established in front of our apartment rental building located at 3820-3838 N. Broadway. We are making this request as the building has a certificate of occupancy of 140 dwelling units that was issued on 3/12/15. As these units are leased, tenants will need to move in and out of the building and this will require space for them to unload or load vehicles. We are requesting this as a standing zone and not a loading zone we expect many tenants to utilize personal vehicles (vans, trucks) or rental trucks that do not qualify as commercial vehicles for the purpose of a 'loading zone.'

In addition to the space being utilized for loading and unloading of tenant belongings as they move in and out of the building, leasing agents would utilize the space to park for quick showings as they take prospective renters around the city and need a place to stop quickly to visit this building.

Attached to this letter, you will find photographs of the proposed location as well as a diagram of the proposed location as requested in the application checklist. Please do not hesitate to contact Bob Purcell (773-251-8451) with any questions regarding this application or any other requests we could fulfill in order to complete the process of obtaining passage of this signage for 3820-3838 N Broadway.

Thank you,
