Upon final determination of such successor Grantee, Grantor agrees to promptly execute an instrument in recordable form setting forth the name of such successor Grantee, and confirming the terms, covenants and conditions of this Conservation Easement as inuring to the benefit thereof.

3. If any provision of this Conservation Easement, or the application thereof to any person or circumstance, is found to be invalid, the remainder of the provisions of this Conservation Easement, and the application of such provision to persons or

circumstances other than those as to which it is found to be invalid, shall not be affected thereby.

4. The Grantor and the Grantee each agree that the grant of this Conservation Easement gives rise to a property right immediately vested in Grantee, and that this Conservation Easement is the final and complete expression of the agreement between the parties and that any and all oral agreements between the parties regarding the subject matter hereof are merged into this written instrument.

Your Committee on Human Rights and Consumer Protection, having had under consideration a resolution (which was referred on February 1, 1989) to recognize the legal challenge to the Immigration Reform and Control Act (I.R.C.A.) by the American Friends Service Committee, begs leave to recommend that Your Honorable Body *Pass* the said resolution, as amended, which is transmitted herewith.

This recommendation was concurred in unanimously by the members of the committee.

Respectfully submitted,

(Signed) JUAN M. SOLIZ,
Chairman.

On motion of Alderman Soliz, the said proposed resolution, as amended, transmitted with the foregoing committee report was *Adopted* by yeas and nays as follows:

Yeas -- Aldermen Roti, Rush, T. Evans, Bloom, Robinson, Beavers, Caldwell, Shaw, Vrdolyak, Huels, Fary, Madrzyk, Burke, Carter, Langford, Streeter, Kellam, Sheahan, Jones, J. Evans, Garcia, Krystyniak, Henry, Soliz, Gutierrez, Butler, Smith, Davis, Hagopian, Figueroa, Gabinski, Mell, Austin, Kotlarz, Banks, Giles, Cullerton, Laurino, O'Connor, Pucinski, Natarus, Eisendrath, Hansen, Levar, Shiller, Schulter, Osterman, Orr, Stone -- 49.

Nays -- None.

Alderman Natarus moved to reconsider the foregoing vote. The motion was lost.

The following is said resolution as adopted:

WHEREAS, The Immigration Reform and Control Act (I.R.C.A.), passed in November, 1986, has had a profound impact on an estimated 250,000 immigrant residents of the City of Chicago, whether they be citizens, documented legal residents or undocumented residents; and

WHEREAS, The legalization program of I.R.C.A. has failed to qualify an estimated two-thirds of the undocumented population of Chicago; and

WHEREAS, Employer Sanctions requirements of I.R.C.A. have made it illegal for employers to hire these thousands of undocumented Chicagoans, and have made it a crime for the undocumented to seek and obtain a job to support their families or provide for their survival; and

WHEREAS, The same Employer Sanctions requirements of I.R.C.A. have made it illegal for these thousands of undocumented Chicagoans to receive publicly funded basic support services, and have denied the means of survival to them, causing thereby extreme deprivation and suffering; and

WHEREAS, The effect of I.R.C.A. has also been to divide families, neighborhoods, churches, civic organizations and communities on the basis of documentation status and status of residency, thereby causing severe disruption and suffering to many thousands of Chicagoans and their communities; and

WHEREAS, The effect of I.R.C.A. has also negatively impacted major sectors of Chicago's service and retail economy, and additionally, has visibly reduced and chilled the business and secondary economies of several major Chicago neighborhoods; and

WHEREAS, The enforcement and deportation activities of the Immigration and Naturalization Service stemming from I.R.C.A. have deeply disrupted daily and family life and created an atmosphere of fear in Chicago's many neighborhoods with immigrant populations; and

WHEREAS, The General Accounting Office (G.A.O.) of the United States Congress has documented the fact that over 16% of employers discriminate against legal residents and citizens who appear to be foreign-looking and foreign-sounding as a direct result of Employer Sanctions in I.R.C.A., and has also documented a statistical estimate that over 528,000 employers in the United States discriminate as a result of I.R.C.A.; and

WHEREAS, Over 400 such cases of discrimination against legal residents and citizens have been documented in Chicago by the Chicago Human Relations Commission and the Mexican American Legal Defense and Education Fund; and

WHEREAS, The knowledge of these facts has led numerous religious groups in Chicago and nationwide, including Catholic, Protestant, and Jewish groups to deeply held religious opposition to the Employer Sanctions requirements of I.R.C.A.; and

WHEREAS, The American Friends Service Committee (A.F.S.C.), an international and national religious organization sponsored by the Religious Society of Friends (Quakers) with regional and program offices in Chicago, has been moved by the suffering created by I.R.C.A. among thousands of Latino, Asian and other immigrants with whom A.F.S.C. has worked nationally and locally for over 72 years; and

WHEREAS, The American Friends Service Committee (A.F.S.C.), has noted that I.R.C.A. requires it and every employer to enforce these injurious practices by demanding extensive documents from new and prospective employees inspecting them, and denying employment and the means of survival to those who do not meet the government's standards; and

WHEREAS, The American Friends Service Committee has determined that this requirement to enforce an injurious and unfair law violates A.F.S.C.'s long and deeply held religious belief in the equal and infinite worth of all persons; and

WHEREAS, A.F.S.C. has been therefore compelled by religious principles and a sense of community with immigrants to file suit against the I.N.S. charging that Employer Sanctions requirements of I.R.C.A. violate First Amendment Rights of the United States Constitution protecting the free exercise of religious practice; and

WHEREAS, Over 22 religious bodies nationally and over 15 in Chicago have felt similarly moved and have joined A.F.S.C. in its suit as Friends of the Court, as indicated on the attached list; and

WHEREAS, Many governmental, civic and community organizations are in the process of joining in the A.F.S.C. suit as Friends of the Court; and

WHEREAS, Letters of support for the American Friends Service Committee and its lawsuit, *A.F.S.C., et al v. Thornburgh*, have been received by the Japanese American Citizen's League and the Mayor's Advisory Commission on Asian American Affairs; and

WHEREAS, The City of Chicago has enacted Executive Order 85-1 to officially demonstrate its support for the value of its immigrant residents, documented and undocumented, and to protect the rights of its immigrant residents, denying cooperation of City agencies to the I.N.S. except as explicitly required by federal law; now, therefore,

Be It Resolved, That the City of Chicago hereby reaffirms its concern for the rights and conditions of life for its immigrant residents, both documented and undocumented; and

Be It Further Resolved, That the City of Chicago hereby takes note of the documented discrimination, suffering and deprivation of these residents caused by I.R.C.A.; and

Be It Further Resolved, That the City of Chicago hereby expresses its support for the exercise of constitutionally guaranteed religious freedom on the part of religious bodies in the United States and the City of Chicago; and

Be It Further Resolved, That the City of Chicago recognizes the lawsuit filed by the American Friends Service Committee entitled, *A.F.S.C., et al v. Thornburgh*; and

Be It Further Resolved, That the City of Chicago Commission on Human Relations be and is hereby instructed to monitor this case closely, taking whatever action is necessary to reverse any discriminatory practices; and

Be It Further Resolved, That this matter be forwarded to the Committee on Human Rights and Consumer Protection for hearings to gauge the need for a central location for documentation of discrimination practices in the City of Chicago relating directly to this issue.

ILLINOIS ASSOCIATION OF SCHOOL BOARDS URGED TO
APPOINT CHICAGOANS TO PUBLIC SCHOOL
SUPERINTENDENT SEARCH
COMMITTEE.

A proposed resolution reading as follows:

WHEREAS, Chicago taxpayers and parents of students in Chicago Public Schools may be amazed to discover that the group responsible for screening applicants for the position of Chicago Public School Superintendent does not include one resident of the City of Chicago; and

WHEREAS, The crucial search for a superintendent is carried on by a seven member panel. One member is from Miami, one from New York City, one from Missouri, two from Washington, D.C., one from the Chicago suburbs and one from downstate Illinois; and

WHEREAS, These people have been appointed by the Illinois Association of School Boards, with apparent lack of regard for the citizens of our City of Chicago; and

WHEREAS, The selecting of an efficient and progressive superintendent is crucial to the very survival of the youth of this city. WHEREAS, Rose Philippine Duchesne of the Society of the Sacred Heart -- educator, pioneer and an unquenchable spirit -- was beatified by Pope Pius XII in 1940 and canonized by Pope John Paul II in 1988; and

WHEREAS, Born August 29, 1769, Rose Philippine Duchesne lived over 83 years. She entered a convent in her native France at 17 years of age and experienced the status of an outcast during the French Revolution, which banned all convents and related religious activities; and

WHEREAS, Rose Philippine Duchesne spent the term of the Revolution dedicating her life to nursing prisoners, to finding homes and shelter for orphans and to feeding the poor. Following the Revolution, she used her considerable family resources to purchase the convent which the government had previously confiscated, expanded her charitable acts, and in 1803 joined the 3-year old Society of the Sacred Heart; and

WHEREAS, While helping her nation recover from the Revolution, Philippine Duchesne became inspired by missionary work in the New World, and in 1818, at the age of 49, she undertook an arduous journey to St. Louis and there founded two schools, fostering a then

unpopular cause, the education of young girls. In the prevailing atmosphere which frowned upon girls' schools, Mother Duchesne's efforts produced, during her lifetime alone, six Sacred Heart Schools with 350 students and 64 nuns; she founded the first free school west of the Mississippi; and

WHEREAS, In her 72nd year, Mother Duchesne fulfilled a long-held dream when she joined a Jesuit mission to teach Potawatami Indians at Sugar Creek, Kansas. It is from the Potawatami that she earned the name "Quah-kah-ka-num-ad", "the woman who prays always"; and

WHEREAS, Despite failing health, Mother Duchesne continued her outstanding work almost until her death on November 18, 1852. Her example has captured world attention and admiration; her efforts on behalf of equality, education and charity have inspired the many thousands who continue to benefit from her teachings and her spirit. The three Sacred Heart Schools on Chicago's Sheridan Road are tangible proof in our own time of the enduring greatness of Saint Rose Philippine Duchesne; now, therefore,

Be It Resolved, That we, the Mayor and members of the City Council of the City of Chicago, gathered here this 16th day of February, 1989, A.D., do hereby, on behalf of all citizens of this great City, express our admiration of Saint Rose Philippine Duchesne, our full support of her principles of education, equality and charity, and our recognition of her enduring spirit.

Section 2.02. Interest Rate Determination Methods For The Notes.

(a) Daily Rate. When interest on any Series of the Notes is payable at a Daily Rate, the Comptroller will set a Daily Rate as provided in this Section 2.02(a). Each Daily Rate will

be the rate necessary (as determined by the Comptroller) for the Remarketing Agent to sell the Notes of such Series on the day for which the rate is set at 100% of their principal amount plus accrued interest, if any. The Comptroller shall set a Daily Rate for any Series of Notes bearing interest at a Daily Rate on the first Business Day on which such Series of Notes bears interest at a Daily Rate which Daily Rate shall be in effect on such Business Day and shall remain in effect until a new Daily Rate is determined and established by the Comptroller. Immediately after the determination of a new Daily Rate, but not earlier than 1:00 P.M. on the Business Day next preceding the Business Day on which such new Daily Rate is to become effective, nor later than 9:00 A.M. on the Business Day on which such new Daily Rate is to become effective, the Comptroller shall give telephonic, telex or telegraphic notice of such rate, which if given by telephone shall be promptly confirmed in writing, to the Paying Agent, the Trustee, the Remarketing Agent and the Bank.

The Daily Rate for any non-Business Day upon the commencement of a period during which the Notes of such Series bear interest at a Daily Rate, will be the rate established on the first Business Day after the date of such commencement.

If for any reason a court holds that the Daily Rate set for any day is invalid or unenforceable, then on the first such Business Day and each Business Day thereafter and until the Comptroller is able to again set a valid and enforceable Daily Rate and resumes determination of the Daily Rate, the Daily Rate on each Business Day shall be a rate per annum equal to 70% of the 30-day dealer taxable Commercial Paper Rate as published by the Federal Reserve Bank of New York on such Business Day for the next preceding Business Day.

(b) Commercial Paper Rate.

(i) Determination of Commercial Paper Rate. The Commercial Paper Rate and the Commercial Paper Rate Period for each Note of a Series bearing interest at a Commercial Paper Rate will be determined by the Comptroller, unless the Comptroller's direction pursuant to Section 2.03(a) requires the Remarketing Agent to make such determinations, in which event the Remarketing Agent shall make such determinations as provided herein, on the Business Day preceding the first Business Day of each Commercial Paper Rate Period applicable to such Note. Each Commercial Paper Rate will be the rate necessary (as determined by the Comptroller) for the Remarketing Agent to sell such Note on such date at 100% of its principal amount plus accrued interest, if any. The Notes of any Series may have different Commercial Paper Rates. Interest on any Note bearing interest at a Commercial Paper Rate will accrue from the first day of the applicable Commercial Paper Rate Period to, but excluding, the last day of such Period.

If for any reason the Comptroller or the Remarketing Agent does not set a Commercial Paper Rate or the duration of the Commercial Paper Rate Period for any Commercial Paper Rate Period which immediately follows a Commercial Paper Rate Period, a Commercial Paper Rate Period of the same duration and the same Commercial Paper Rate as the Commercial Paper Rate then ending will follow. If for any reason the Comptroller or the Remarketing Agent does not set a Commercial Paper Rate or the duration of the Commercial Paper Rate Period for any Commercial Paper Rate Period following a Daily

Rate, or a court holds that a Commercial Paper Rate or the duration of any Commercial Paper Rate Period is invalid or unenforceable, then a 30-day Commercial Paper Rate Period for any such Note will follow, and the Commercial Paper Rate for such Note for such Commercial Paper Rate Period shall be that annual rate of interest equal to 70% of the interest rate applicable to 90-day United States Treasury bills determined on the basis of the average per annum discount rate at which such 90-day Treasury bills shall have been sold at the most recent Treasury auction within the preceding 30 days.

(ii) Determination of Commercial Paper Rate Periods. While the Notes of any Series bear interest at a Commercial Paper Rate, the length of each Commercial Paper Rate Period (which may be from one to 180 days) for each Note of such Series shall be determined by the Comptroller based upon the Comptroller's judgment that such length will be beneficial to the market for, or the relative yield of, such Note based upon the factors set forth in Section 2.03(b), unless the Comptroller's direction requires the Remarketing Agent to make such determinations, in which event the Remarketing Agent shall make such determinations as described above. In all cases, the party making the determination as to the Commercial Paper Rate for any Note shall also make the determination as to the length of the Commercial Paper Rate Period for such Note. The last day of any Commercial Paper Rate Period for the Notes of any Series shall be a Business Day or the maturity date for the Notes of such Series.

(iii) Limitation. Notwithstanding the foregoing, if the Remarketing Agent or the Comptroller have previously determined that the Notes of any Series are to bear interest at a rate other than the Commercial Paper Rate effective as of a future date, no new Commercial Paper Rate Period shall be established for such Series unless the last day of such Commercial Paper Rate Period occurs on or before the effective date of the change to such other rate.

(c) Fixed Rate. The Comptroller will set a Fixed Rate for any Series of Notes on a date (the "Determination Date") no fewer than 7 nor more than 15 Business Days before the beginning of the period (the "Fixed Rate Period") in which interest on the Notes of any Series will be payable at a Fixed Rate to the maturity of such Series of Notes. The Fixed Rate for any Series will be the rate necessary (as determined by the Comptroller on the Determination Date) for the Remarketing Agent to sell the Notes of such Series on the first day of the Fixed Rate Period at 100% of their principal amount plus accrued interest, if any.

If any condition to a change in the Interest Rate Determination Method to the Fixed Rate for any Series of Notes shall not have been satisfied on the first day of the proposed Fixed Rate Period, such change shall not be effective, and such Notes shall bear interest at the Daily Rate commencing on the day that was to be the first day of the proposed Fixed Rate Period and lasting until another Interest Rate Determination Method is validly designated for such Notes hereunder. In such event, the Paying Agent shall give telephonic (subsequently confirmed, in writing) or telegraphic notice to each Noteholder that had delivered an election to retain its Notes upon the change to a Fixed Rate that the Notes of such Noteholder are deemed tendered and shall be presented to the Paying Agent for payment of the purchase price thereof.

Section 2.03. Change In Interest Rate Determination Method.

(a) Changes Directed by the City. The City may, acting through the Comptroller, change the Interest Rate Determination Method for the Notes of any Series by notifying the Paying Agent, Bank and Remarketing Agent at least 20 days prior to the proposed effective date of such change, which effective date must be an Interest Payment Date and shall not be before the end of any effective Commercial Paper Rate Period for the Notes of such Series. Such notice shall contain (i) the effective date, (ii) the proposed Interest Rate Determination Method; (iii) if the change is to a Short Term Rate, the date or dates, if any, upon which the determinations required pursuant to paragraph (b) below are to be made and whether or not such determinations are to be made by the Remarketing Agent, (iv) if the change is to a Commercial Paper Rate, whether the Commercial Paper Rates and the length of the Commercial Paper Rate Periods will be set by the Comptroller or the Remarketing Agent and (v) if the change is to a Fixed Rate, the Determination Date. The notice must be accompanied by an Opinion of Bond Counsel stating that the change is not prohibited by the laws of the State or this Indenture and will not adversely affect the exemption of the interest on the Notes from federal income taxation. If the Comptroller's notice complies with this paragraph, the interest rate on the Notes of such Series will be payable at the new rate on the effective date specified in the notice until there is another change as provided in this section.

The Comptroller, upon delivering the Opinion of Bond Counsel referred to in the preceding paragraph, may (1) make the determinations regarding the Interest Rate Determination Method for any Series of Notes pursuant to paragraph (b) below or to cease to make such determinations for a specific or an indefinite period of time, (2) while the Notes of any Series bear interest at a Commercial Paper Rate, require the Remarketing Agent to set each Commercial Paper Rate and the length of each Commercial Paper Rate Period pursuant to Section 2.02(b) or to cease to do so for a specific or an indefinite period of time or (3) override a determination regarding the Interest Rate Determination Method for any Series of Notes made by the Remarketing Agent pursuant to paragraph (b) below provided that notice of a change in the Interest Rate Determination Method pursuant to Section 2.03(d) has not yet been given.

(b) Changes Directed by the Remarketing Agent. When directed to do so pursuant to Section 2.03(a) hereof, the Remarketing Agent shall consider whether the Interest Rate Determination Method for any Series of the Notes should be changed to a different Short Term Rate because in the Remarketing Agent's judgment, conversion to a different Short Term Rate will be beneficial to the market for, or the relative yield of, such Series of Notes. If a change is to be made, the Remarketing Agent will promptly so notify the Paying Agent, the City and the Bank and will specify the effective date of the change, which effective date must be an Interest Payment Date and shall not be before the end of any effective Commercial Paper Rate Period for the Notes of such Series. For purposes of this Section 2.03(b), the Remarketing Agent's determination that a different Short Term Rate will be "beneficial to the market for, or relative yield of, such Series of Notes" shall be based upon (i) the performance of such Series of Notes, measured by market supply and demand and yield, relative to other securities which bear interest at the current rate or the other Short Term Rates or which, in the judgment of the Remarketing Agent, are otherwise comparable to such Series of Notes, or (ii) any fact or circumstance relating to such Series of Notes or affecting the market for such Series of Notes or affecting such other

comparable securities in a manner which, in the judgment of the Remarketing Agent will affect the market for such Series of Notes, which in any event leads the Remarketing Agent to conclude that such Series of Notes should bear interest at the Short Term Rate specified in such notice. As used in this Section 2.03(b), "beneficial" means beneficial to the City. The Remarketing Agent may use or not use any inputs and resources it deems appropriate, which may but need not include conversations with the City, and will make its decision based solely upon its judgment. On the effective date specified in such notice, unless a different determination shall have been made by the Remarketing Agent hereunder or by the City pursuant to the paragraph (a) above, the Notes of such Series shall bear interest at the Short Term Rate specified in such notice. The notice must be accompanied by an Opinion of Bond Counsel stating that the change will not adversely affect the exemption of interest on the Notes from federal income taxation.

The Remarketing Agent will not have any obligation, responsibility or liability of any kind to the Noteholders, the City, the Bank or to any other person with respect to any determination that the Notes of any Series will or will not bear interest at the current or any other Short Term Rate or the Fixed Rate, including but not limited to any omission by the Remarketing Agent to consider any facts or circumstances or any resources or inputs, it being the intent of this Indenture that the Remarketing Agent may, in its unrestricted judgment, choose to consider no inputs or resources other than its own expertise.

(c) Limitations on Changes in Interest Rate Determination Method. Any change in the method of determining interest on the Notes of any Series pursuant to either Section 2.03(a) or (b) above must comply with the following:

(i) if a Commercial Paper Rate is then in effect, the effective date of any change must be the day following the last day of the Commercial Paper Rate Period of all Notes of such Series;

(ii) if a Daily Rate is then in effect, the effective date of any change must be the first Business Day of a month; and

(iii) no change shall be made in the Interest Rate Determination Method at the direction of the City pursuant to Section 2.03(a) or at the direction of the Remarketing Agent pursuant to 2.03(b) hereof if the Paying Agent shall receive written notice prior to such change that the Opinion of Bond Counsel required under Section 2.03(a) or Section 2.03(b), as the case may be, has been withdrawn. If the Paying Agent shall have sent any notice to the Noteholders regarding a change in rate under Section 2.03(d) then in the event of such withdrawal of opinion, the Paying Agent shall promptly notify all Noteholders of such withdrawal.

(d) Notice to Noteholders of Change in Interest Rate Determination Method. When a change in the Interest Rate Determination Method is to be made as to any Series of Notes, the Paying Agent will notify the Noteholders of such Series by first class mail at least 15 but not more than 60 days before the effective date of the change. The notice will be accompanied by the Opinion of Bond Counsel required by Section 2.03(a) or Section 2.03(b), as the case may be. The notice will state:

(i) that the Interest Rate Determination Method will be changed and what the new method will be,

(ii) the effective date of the new rate,

(iii) a description of the new Interest Rate Determination Method, that the Remarketing Agent will provide each new rate (and Commercial Paper Rate Period when applicable) upon request and describing how to make such request,

(iv) the Interest Payment Dates and Record Dates in the new period,

(v) whether the Noteholders of such Series have a right to tender their Notes during the new period and, if they do, the procedures to follow, and

(vi) that the Notes of such Series will be subject to mandatory tender for purchase on the effective date of the change as provided in the Notes, that the owner may elect to retain his Note, subject to the right of the City to purchase such Note for cancellation, and the manner in which such retention may be effected.

In addition, if the change is to a Fixed Rate, the notice will state:

(i) the Determination Date,

(ii) that the Remarketing Agent will provide the Fixed Rate upon request and describing how to make such request,

(iii) the end of the Fixed Rate Period, which shall be the maturity date of the Notes of such Series,

(iv) any ratings assigned the Notes of such Series by the Rating Agencies effective on the change,

(v) that during the Fixed Rate Period there will be no right to tender the Notes,

(vi) that the Notes are not subject to optional redemption during the Fixed Rate Period, and

(vii) that during the Fixed Rate Period Notes may be issued in denominations of \$5,000 or integral multiples of \$5,000.

In addition, if the change is to a Commercial Paper Rate, the notice will state:

(i) that during the Commercial Paper Rate Period there will be no right to tender the Notes of such Series at the option of the owner thereof,

(ii) that the Notes are not subject to optional redemption during the Commercial Paper Rate Period, and

(iii) that on the last day of each Commercial Paper Rate Period for each Note, each such Note will be subject to mandatory tender for purchase without further notice, but that a Noteholder may elect to retain his Note, subject to the right of the City to purchase such Note for cancellation, and the manner in which such retention may be effected.

The form of each notice provided for in this Section 2.03(d) shall be furnished to the Paying Agent by the Trustee.

Section 2.04. Calculation of Interest Due on Notes.

The Paying Agent will compute the amount of interest payable on the Notes from the interest rates supplied to the Paying Agent by the person setting them and will confirm such amounts when computed with the Trustee and the Remarketing Agent. The Remarketing Agent shall promptly advise the Paying Agent by telephone, promptly confirmed in writing, upon request, of any interest rate set by the Comptroller or Remarketing Agent. Using the rates supplied by this notice, the Paying Agent will calculate the interest payable on the Notes. The Remarketing Agent will inform the Comptroller and Bank orally at the request of any of them of any interest rate set by the Comptroller or the Remarketing Agent. The Comptroller will inform the Remarketing Agent of any interest rate set by the Comptroller by telephone (promptly confirmed in writing) not later than the close of business on the day on which such interest rate is set. The Paying Agent will confirm the effective interest rate by telephone or in writing to any Noteholder who requests it in any manner.

The setting of the rates and the calculation of the interest payable on the Notes as provided in this Indenture will be conclusive and binding on all parties, including the holders of the Notes.

Section 2.05. Optional and Mandatory Tenders.

(a) Any Noteholder of a Note bearing interest at a Daily Rate has the right, subject to the provisions of paragraph (d) of this Section to tender a Note, or a portion thereof, provided that such portion is \$100,000 or any integral multiple thereof, for purchase at a purchase price equal to 100% of the principal amount thereof plus accrued interest, if any, and to receive payment of the purchase price therefor all as provided in the form of the Notes. In the absence of a validly designated Remarketing Agent, notice to a Remarketing Agent shall not be necessary to a valid tender as provided in the form of Note attached hereto as Exhibit A.

(b) The Notes are subject to mandatory tender and are required to be tendered to the Paying Agent for purchase at a purchase price equal to 100% of the principal amount thereof plus accrued interest, if any, at the following times:

(i) When Notes bear interest at a Commercial Paper Rate, each Note shall be subject to a mandatory tender for purchase on each Interest Payment Date for such Note; and

(ii) On the effective date of any change in the Interest Rate Determination Method for the Notes.

Owners of Notes may elect to retain their Notes notwithstanding such requirement of mandatory tender as provided in the form of Note attached hereto as Exhibit A.

(c) The Paying Agent shall deposit in the Custody Account any Notes tendered and not remarketed by the Remarketing Agent and the Registrar shall register any such Notes in the name of the Bank or its designee in the books of the Registrar kept pursuant to Section 2.10 hereof. The Paying Agent shall promptly notify the Bank of the principal amount of any Notes deposited in the Custody Account. Such Notes shall not be remarketed unless the Paying Agent shall have received an Opinion of Bond Counsel stating that such remarketing will not adversely affect the exemption of interest on such Notes from federal income taxation. Any Notes remaining on deposit in the Custody Account on the date of maturity thereof shall be presented to the Registrar for cancellation.

(d) If an Event of Default, as defined in Section 7.01(a) hereof, has occurred and is continuing, and the Trustee has notified the Paying Agent that it has given Notice by Mail to the Noteholders of a declaration that all the Notes are due and payable as provided in Section 7.01(b) hereof, none of the Notes shall be subject to optional tender pursuant to Section 2.05(a) prior to the maturity thereof.

(e) Provided that sufficient funds are available on such date of tender for the payment of the principal amount of and accrued interest on any Note, or portion thereof, for which proper notice of tender has been given to the Paying Agent and the Remarketing Agent, then whether or not such Note shall have been delivered to the Paying Agent, from and after such date such Note, or such portion thereof, shall cease to bear interest and shall no longer be deemed to be Outstanding hereunder. If, in the case of an optional tender pursuant to paragraph (a) of this Section, (i) the Noteholder has not specified the number of the Note, or portion thereof, for which such notice of tender has been given, (ii) such Noteholder fails to tender such Note, or portion thereof, for which proper notice of tender has been given, and (iii) such Noteholder is the owner of Notes of the Series regarding which such notice of tender has been given in excess of the amount for which such tender notice has been given, the Registrar in its absolute discretion is authorized to determine which of such Notes, or portions thereof, of such Series owned by such Noteholder shall be deemed tendered and no longer Outstanding. The Registrar shall give prompt telephonic, telex or telegraphic notice of such determination to such Noteholder, the Paying Agent and the Remarketing Agent; provided, however, that if such notice is by telephone such notice shall be promptly confirmed in writing. Any such determination by the Registrar shall be conclusive and binding on the Paying Agent, Remarketing Agent and such Noteholder and

his successors and assigns. The Registrar is authorized to issue a new Note in lieu of such Note as to which tender notice has been received as if such Note had been tendered.

(f) Notes tendered as provided in Section 2.05 hereof will be offered for sale by the Remarketing Agent except as follows:

(i) Notes purchased pursuant to a tender after having been called for redemption pursuant to subclause (iii) of Section 4.01 will be cancelled.

(ii) Notes purchased by the City pursuant to Section 4.02(a) hereof will be cancelled.

(iii) Notes purchased by the City pursuant to Section 4.02(b) hereof may be remarketed only if the Opinion of Bond Counsel required by Section 4.02(b) is provided to the City and the Remarketing Agent.

(iv) Notes for which a notice has been given pursuant to Section 2.03(d) hereof regarding a change in the Interest Rate Determination Method for such Notes may be remarketed before the effective date of such change only if the buyer receives a copy of said notice.

(v) Notes deposited in the Custody Account may be remarketed only if the Opinion of Bond Counsel required by Section 2.05(c) hereof is provided to the Paying Agent.

(vi) Notes will be offered for sale under this section during the continuance of an Event of Default or an event which with the passage of time or the giving of notice or both may become an Event of Default only in the sole discretion of the Remarketing Agent.

Section 2.06. Form, Payment And Dating Of Notes.

(a) The Notes and the certificate of authentication to be executed on the Notes by the Registrar are to be in substantially the form thereof set forth in Exhibit A hereto, with necessary or appropriate variations, omissions and insertions as permitted or required by this Indenture and provided, further, that in the issuance of any new Note resulting from a tender of a Note, or a portion thereof, which tendered Note has been previously called for redemption, such new Note, or portion thereof, shall be deemed to be the Note called for redemption, and the Paying Agent shall supply the owner of such new Note with a copy of the applicable notice of redemption for such Note.

(b) The Notes shall be issuable only as fully registered Notes (registered both as to principal and interest and not registered to "Bearer") in the denomination of \$100,000 or integral multiples thereof, except Notes of any Series bearing interest at a Fixed Rate which shall be in the denomination of \$5,000 or integral multiples thereof. Notes of such Series (i) shall be numbered from 1 consecutively upwards, (ii) shall contain an appropriate prefix to such numbers to identify such Series, and (iii) shall be of a different color than the color of the Notes for any other Series.²

(c) The principal of Notes shall be payable to the Noteholders upon presentation and surrender of such Notes as they respectively become due at the Principal Office of the Paying Agent. Interest on Notes (i) in the case of Notes bearing interest at a Short Term Rate, shall be paid to Noteholders owning not less than \$1,000,000 in principal amount of Notes on the Interest Payment Date in immediately available funds (which payment may be made by Federal Reserve Funds check, wire transfer or deposit to an account of the Noteholder maintained by the Paying Agent) in accordance with payment instructions given to the Paying Agent by such Noteholders at the time of the registration thereof and (ii) in the case of Notes bearing interest at a Short Term Rate owned by Noteholders other than those described in the preceding clause (i), in the absence of instructions given by Noteholders described in said clause (i) and in the case of all Notes bearing interest at a Fixed Rate, shall be paid by check or draft of the Paying Agent mailed on the Interest Payment Date to the address of any such Noteholder as it appears on the registration books maintained pursuant to Section 2.10 hereof. Such payment of interest shall be to the Noteholders of record on the registration books maintained pursuant to Section 2.10 hereof as of the close of business on the Record Date; except that, if and to the extent that there shall be a default in the payment of the interest due on such Interest Payment Date, such defaulted interest shall be paid to the Noteholders in whose name any such Notes (or any Note or Notes issued upon transfer or exchange thereof) are registered at the close of business on the Business Day next preceding the date of payment of such defaulted interest.

(d) All Notes will be dated the date of their original issuance.

(e) Interest on the Notes will accrue and be payable during the periods and at the times provided for in the form of the Notes.

Section 2.07. Execution Of Notes.

Each of the Notes shall be signed and executed on behalf of the City by the facsimile signatures of the Acting Mayor and of the City Comptroller and attested by the facsimile signature of its City Clerk, and the corporate seal of the City shall be impressed, printed or lithographed on each Note. The Notes bearing the facsimile signatures of individuals who were at the time of the execution thereof the proper officers of the City shall bind the City notwithstanding that such individuals shall cease to hold such offices prior to the registration, authentication or delivery of such Notes or shall not have held such offices at the dated date of such Notes.

Section 2.08. Delivery And Registration

No Note shall be entitled to any right or benefit under this Indenture, or be valid or obligatory for any purpose, unless there appears on such Note a certificate of authentication substantially in the form provided in Exhibit A hereto, executed by the Registrar by manual signature, and such certificate upon any such Note shall be conclusive

evidence, and the only evidence that such Note has been duly authenticated, registered and delivered.

Section 2.09. Lost, Destroyed, Improperly Cancelled Or Undelivered Notes.

If any Note, whether in temporary or definitive form, is lost (whether by reason of theft or otherwise), destroyed (whether by mutilation, damage, in whole or in part, or otherwise) or improperly cancelled, the Registrar may authenticate a new Note of like Series, date and denomination and bearing a number not contemporaneously Outstanding; providing that (a) in the case of any mutilated Note, such mutilated Note shall first be surrendered to the Registrar and (b) in the case of any lost Note or Note destroyed in whole, there shall be first furnished to the Registrar evidence of such loss or destruction, together with indemnification of the City, the Trustee, the Paying Agent, the Bank, the Remarketing Agent and the Registrar, satisfactory to such Registrar. In the event any lost, destroyed or improperly cancelled Note shall have matured or is about to mature, or has been called for redemption, instead of issuing a duplicate Note, the Registrar shall pay the same without surrender thereof if there shall be first furnished to the Registrar evidence of such loss, destruction or cancellation, together with indemnity satisfactory to it. Upon the issuance of any substitute Note, the Registrar may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto. The Registrar may charge the Noteholder with the Registrar's reasonable fees and expenses in connection with any transaction described in this Section 2.09 except for improper cancellation by the Registrar.

If the City elects to purchase for cancellation any Note tendered for purchase as provided in Section 4.02(a) and funds are deposited with the Paying Agent sufficient for the purchase, whether or not the Note subject to tender is ever delivered, interest on such Note shall cease to be payable to the prior holder thereof from and after the purchase date, such holder shall cease to be entitled to the benefits or security of this Indenture and shall have recourse solely to the funds held by the Paying Agent for the purchase of such Note and the Registrar shall not register any further transfer of such Note by such prior holder.

All Notes shall be owned upon the express condition that, to the extent permitted by law, the foregoing provisions are exclusive with respect to the replacement or payment of lost, destroyed or improperly cancelled Notes, notwithstanding any law or statute now existing or hereafter enacted.

Section 2.10. Transfer, Registration And Exchange Of Notes.

The Registrar shall maintain and keep, at its Principal Office, books for the registration and transfer of Notes, which at all reasonable times shall be open for inspection by the City and the Trustee. The Registrar shall use its best efforts to make all necessary provisions to permit the exchange or registration of transfer of Notes at its Principal Office on the same Business Day on which such Notes are presented to it.

The transfer of any Note shall be registered upon the books of the Registrar at the written request of the Noteholder or his attorney duly authorized in writing, upon surrender thereof at the Principal Office of the Registrar, together with a written instrument of transfer satisfactory to the Registrar duly executed by the Noteholder or his duly authorized attorney and instructions to the Paying Agent as to the method of payment requested.

The City, the Trustee, the Paying Agent, the Registrar and the Remarketing Agent may deem and treat the Noteholder as the absolute owner of such Note, whether such Note shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal of and interest on, or the purchase price of, such Note and for all other purposes, and neither the City, the Trustee, the Paying Agent, the Registrar nor the Remarketing Agent shall be affected by any notice to the contrary. All such payments so made to any such Noteholder shall be valid and effectual to satisfy and discharge the liability upon such Note to the extent of the sum or sums so paid.

Notes, upon surrender thereof at the Principal Office of the Registrar may, at the option of the Noteholder, be exchanged for an equal aggregate principal amount of Notes of any authorized denomination of the same Series and bearing interest pursuant to the same Interest Rate Determination Method as all other Notes of such Series.

In all cases in which the privilege of exchanging Notes or registering the transfer of Notes is exercised, the City shall execute and the Registrar shall authenticate and deliver Notes in accordance with the provisions of this Indenture. For every such exchange or registration of transfer of Notes, whether temporary or definitive, the Registrar may make a charge only in an amount sufficient to reimburse it for any tax or other governmental charge required to be paid with respect to such exchange or registration of transfer, which sum or sums shall be paid by the person requesting such exchange or registration of transfer as a condition precedent to the exercise of the privilege of making such exchange or registration of transfer. During the Fixed Rate Period for any Series of Notes, the Registrar shall not be obligated to make any such exchange or registration of transfer of Notes bearing interest at a Fixed Rate during the ten (10) days next preceding the date of the mailing of notice of any proposed redemption of Notes nor shall the Registrar be required to make any exchange or registration of transfer of any Notes called for redemption.

Upon each registration of transfer while the Notes bear interest at a Commercial Paper Rate, or at any time the Paying Agent comes into possession of a Note bearing interest at a Commercial Paper Rate, the Paying Agent prior to any delivery of such Note to a Noteholder will complete the Commercial Paper Rate Legend contained on the face of the Note as set forth in Exhibit A.

Section 2.11. Temporary Notes.

Pending the preparation of definitive Notes, the City may execute and the Registrar shall authenticate and deliver temporary Notes. Temporary Notes may be issuable as Notes of any authorized denomination and substantially in the form of the definitive Notes

but with omissions, insertions and variations as may be appropriate for temporary Notes, all as may be approved by the City, as evidenced by the execution and delivery thereof. Temporary Notes may contain such reference to any provisions of this Indenture as may be appropriate. Every temporary Note shall be executed by the City and be authenticated by the Registrar upon the same conditions and in substantially the same manner, and with like effect, as the definitive Notes. As promptly as practicable the City shall execute and shall furnish definitive Notes and thereupon temporary Notes may be surrendered in exchange therefor without charge at the Principal Office of the Registrar, and the Registrar shall authenticate and deliver in exchange for such temporary Notes a like aggregate principal amount of definitive Notes of authorized denominations. Until so exchanged the temporary Notes shall be entitled to the same benefits under this Indenture as definitive Notes.

Section 2.12. Cancellation Of Notes.

All Notes which shall have been surrendered to the Paying Agent for payment or redemption, and all Notes which shall have been surrendered to the Registrar for exchange or registration of transfer, shall be cancelled by the Registrar. The Registrar shall furnish to the City, the Trustee, the Paying Agent, the Bank and the Remarketing Agent, a certificate evidencing such cancellations and specifying such Notes by number.

Article III.

Proceeds Of The Notes.

Section 3.01. Proceeds Of The Notes.

The proceeds from the sale of the Notes shall be deposited with the City Treasurer and used as follows:

(a) The proceeds of the Series 1989A Notes shall be used to finance the current cash requirements of the City.

(b) The proceeds of the Series 1989B Notes shall be deposited in the funds of the City and in the amounts as follows:

Fund

Amount

\$

and shall be used for the purpose of paying amounts appropriated for such respective funds for the year 1989.

Article IV.

Redemption And Repurchase By City.

Section 4.01. Redemption.

The Notes shall be subject to redemption at par and accrued interest, if any, prior to the maturity thereof, as follows:

(i) Each Series of Notes bearing interest at a Daily Rate shall be subject to optional redemption by the City on the first Business Day of each month, as a whole or in part and pursuant to the procedures in Section 4.03 hereof.

(ii) Any Series of the Notes bearing interest at a Commercial Paper Rate or a Fixed Rate shall not be subject to optional redemption by the City.

(iii) All Notes (or if different Alternative Letters of Credit are issued in respect of separate Series of Notes, then all Notes of such Series) shall be subject to mandatory redemption by the City at the principal amounts thereof and accrued interest to the date of redemption in the event that the City, the Trustee, the Paying Agent and the Remarketing Agent receive notice from the Bank that the Letter of Credit in respect of such Notes will not be reinstated in accordance with the provisions of the Reimbursement Agreement and the Letter of Credit, or if such parties receive notice from the Bank that an Event of Default has occurred under the Reimbursement Agreement. If either of such events occur the Notes shall be called for mandatory redemption in accordance with the provisions of Section 4.03(b) hereof.

Section 4.02. Purchase By City.

(a) The City, acting through its Comptroller, reserves the right to purchase for cancellation any Note tendered for payment pursuant to Section 2.05(a) hereof or subject to mandatory tender pursuant to Section 2.05(b) hereof or to purchase any Note held in the Custody Account, upon notice to the Paying Agent and the Remarketing Agent given by irrevocable telephone (promptly confirmed in writing), telex or telegraphic communication by the Comptroller (i) in the case of the purchase of a Note tendered pursuant to Section 2.05(a) hereof or a Note held in the Custody Account, not later than 2:00 P.M. on the Business Day preceding such day of purchase and (ii) in the case of the purchase of a Note subject to mandatory tender pursuant to Section 2.05(b) hereof, not later than 3:00 P.M. on the sixth-to-last Business Day before the mandatory tender date for such Note (or the first

Business Day of any Commercial Paper Rate Period which is shorter than six Business Days for Notes subject to mandatory tender at the end of such Commercial Paper Rate Period). Such notice from the Comptroller shall state the principal amount and Series of Notes to be purchased and whether any of the Notes to be purchased are being purchased on a mandatory tender date pursuant to Section 2.05(b). In the event any Notes are to be purchased for cancellation on a mandatory tender date, the Paying Agent shall notify the owners of Notes selected for purchase by telephone (promptly confirmed in writing), telex or telegraph that the Notes of such owners identified in such notice must be tendered for purchase on the mandatory tender date, that the right to retain such Notes no longer exists and that any election to retain such Notes previously made is rendered void and of no effect. The form of each notice required to be given by the Paying Agent pursuant to this Section 4.02(a) shall be furnished to the Paying Agent by the Trustee. Any Notes so purchased for cancellation shall be selected first, from Notes on deposit in the Custody Account, second, from any Notes as such become available upon optional tender and thereafter from any Notes as such become available upon mandatory tender pursuant to Section 2.05(b) hereof; provided, that if less than all of the Notes subject to mandatory tender pursuant to Section 2.05(b) hereof are to be purchased for cancellation, the Notes so purchased shall be selected first from Notes which the owners thereof have not elected to retain and thereafter by lot in such manner as the Paying Agent deems appropriate.

(b) Notwithstanding the provisions of Section 4.02(a), the City may buy, sell, own and hold any of the Notes for its own account; provided, however, that such Notes may only be purchased through the Remarketing Agent and provided further that such Notes may only be sold or remarketed if the City and the Remarketing Agent have received an Opinion of Bond Counsel that such sale or remarketing will not adversely affect the exemption of interest on the Notes from federal income taxation. No purchase of Notes by the City or use of any funds to effectuate any such purchase shall be deemed to be a payment or redemption of the Notes or of any portion thereof and such purchase shall not operate to extinguish or discharge the indebtedness evidenced by such Notes.

Section 4.03. Procedure For Redemption.

(a) In the event any of the Notes are called for redemption pursuant to subclause (i) of Section 4.01, and the Paying Agent has received from the City notice of such redemption at least 45 days prior to the designated redemption date, the Paying Agent shall give notice, in the name of the City, of the redemption of such Notes, which shall: (i) specify the Notes to be redeemed, the redemption date and the place or places where amounts due upon such redemption will be payable (which shall be the Principal Office of the Paying Agent), (ii) if less than all of the Notes are to be redeemed, specify the Series designation of the Notes so to be redeemed, and, if less than all of the Notes of any Series are to be redeemed, specify the particular Notes to be redeemed, identified by number, and the respective principal amounts of such Notes to be so redeemed, (iii) state any condition to such redemption, and (iv) state that on the redemption date, and upon the satisfaction of any such condition, the Notes to be redeemed shall cease to bear interest. The form of each notice required to be given by the Paying Agent pursuant to this Section 4.03(a) shall be furnished to the Paying Agent by the Trustee. Such notice may set forth any additional information relating to such redemption as shall be deemed necessary or appropriate by the Trustee or the Paying

Agent. Such notice shall be given by Mail to the Noteholders so affected at least thirty (30) days prior to the date fixed for redemption, with a copy thereof to the City, the Bank, the Trustee and the Remarketing Agent; provided, however, that failure duly to give such notice by Mail to any particular Noteholder, or any defect therein, shall not affect the validity of any proceedings for the redemption of Notes for which notice has been properly given. Any notice mailed as provided in this paragraph shall be conclusively presumed to have been given, whether or not actually received by the addressee. If a notice of redemption shall be unconditional, or if the conditions of a conditional notice of redemption shall have been satisfied, then, upon presentation and surrender of Notes so called for redemption at the place or places of payment, such Notes shall be redeemed.

(b) In the event any of the Notes are called for redemption pursuant to subclause (iii) of Section 4.01 hereof, within five Business Days after the receipt by the Paying Agent of the notice to be given by the Bank pursuant to such subclause, the Paying Agent shall give notice, in the name of the City, of the redemption of such Notes, which shall: (i) specify the Notes, or Series of Notes, to be redeemed, the redemption date and the place or places where amounts due upon such redemption will be payable (which shall be the Principal Office of the Paying Agent), (ii) state any condition to such redemption, and (iii) state that on the redemption date, and upon the satisfaction of any such condition, the Notes, or Series of Notes, to be redeemed shall cease to bear interest. The form of each notice required to be given by the Paying Agent pursuant to this Section 4.03(b) shall be furnished to the Paying Agent by the Trustee. Such notice may set forth additional information relating to such redemption as shall be deemed necessary or appropriate by the Trustee or the Paying Agent. Unless the Paying Agent shall have received notice from the Bank rescinding the notice pursuant to subclause (iii) of Section 4.01 of this Indenture, notice shall be given by Mail to the Noteholders not less than five (5) days nor more than ten (10) days prior to the date fixed for redemption, with a copy thereof to the City, the Bank, the Trustee and the Remarketing Agent; provided, however, that failure duly to give such Notice by Mail to any Noteholder, or any defect therein, shall not affect the validity of any proceedings for the redemption of such Notes and all such Notes shall be subject to redemption on the date specified by the Paying Agent. If a notice of redemption shall be unconditional, or if the conditions of a conditional notice of redemption shall have been satisfied, then, upon presentation and surrender of Notes so called for redemption at the place or places of payment, such Notes shall be redeemed.

(c) Any Notes, or portions thereof, which have been duly selected for redemption shall be deemed to be paid and shall cease to bear interest on the specified redemption date, if moneys sufficient to pay such Notes are held by the Paying Agent for the benefit of the Noteholders.

Section 4.04. No Partial Redemption Of Notes After Default.

Anything in this Indenture to the contrary notwithstanding, if there shall have occurred and be continuing an Event of Default defined in clauses (i), (ii) or (iii) of Section 7.01(a) hereof, there shall be no redemption of less than all of the Notes at the time Outstanding.

The Note Fund shall be held by the Trustee on behalf of the City, the Bank, the Noteholders, the Paying Agent, the Registrar and the Trustee, as their interests may appear. The Note Fund shall contain the following two accounts: the Series 1989A Notes Account; and the Series 1989B Notes Account.

Section 5.02. Deposits Into Note Fund.

(a) The City shall deposit into the appropriate account within the Note Fund the moneys pledged under this Indenture to the reimbursement of the Bank for the payment of the Notes under the Letter of Credit or for the payment of the Notes when necessary. As to the Series 1989A Notes, such moneys shall consist of any funds lawfully available for the purpose of reimbursing the Bank for such payments under the Letter of Credit or for the purpose of paying principal of and interest on the Series 1989A Notes, which moneys shall include the proceeds of the collection of the taxes levied, if any, pursuant to Section 5.07 hereof. As to the Series 1989B Notes, such moneys shall consist of any funds lawfully available for the purpose of reimbursing the Bank for such payments under the Letter of Credit or for the purpose of paying principal of and interest on the Series 1989B Notes, which moneys shall include the proceeds of the collection of taxes levied, if any, pursuant to Section 5.08 hereof.

(b) The City may deposit lawfully available funds into any account of the Note Fund and may use lawfully available funds for the direct reimbursement of the Bank for the payment of Notes under the Letter of Credit or for direct payment to the Paying Agent for the payment of the principal of and interest on the Notes if the Bank fails to honor a proper draw on the Letter of Credit.

Section 5.03. Use Of Moneys In The Note Fund.

(a) Moneys deposited in the separate accounts within the Note Fund shall be remitted by the Trustee to the Bank in an amount sufficient, to the extent available therein, to reimburse the Bank for any draw under the Letter of Credit in accordance with the provisions of the Letter of Credit and the Reimbursement Agreement.

[(b) Any notification by the Bank to the Trustee in respect of prepayment of advances pursuant to the provisions of the Letter of Credit and Reimbursement Agreement shall constitute an authorized instruction to transfer funds to the Bank. If such notice is

received by the Trustee prior to 2:00 P.M. the Trustee shall, to the extent sufficient funds are available in the appropriate account of the Note Fund, remit immediately available funds on such day to the Bank.]

(c) Moneys on deposit in the Note Fund shall be used to pay principal, interest or a tender or redemption price directly to the Paying Agent only at such time as the Bank has failed to honor a proper draw under the Letter of Credit. In all other events, principal, interest and tender and redemption prices on the Notes shall be paid first from the proceeds of the Letter of Credit, and moneys on deposit in the Note Fund shall be used to reimburse the Bank pursuant to the terms of the Reimbursement Agreement.

(d) In no event shall the Trustee remit any funds in any of the two accounts within the Note Fund to the Bank for the purpose of reimbursing the Bank for any draw under the Letter of Credit for the payment of principal or interest on the Notes or for purchase of any Note which is not payable from the particular account within the Note Fund or remit any funds in any of the two accounts within the Note Fund to the Paying Agent for the purpose of paying principal or interest on the Notes or for the purchase of any Note which is not payable from the particular account within the Note Fund. Payments from such accounts shall be made only to and for purposes for which such accounts have been created and designated.

Section 5.04. Custody Of Note Fund; Withdrawal Of Moneys.

Pending the need for the funds in the Note Fund, the Trustee shall invest such funds in any investments permitted by the laws of the State of Illinois and by the Reimbursement Agreement upon the direction of the Treasurer. The income from such investments shall be credited to the particular account within the Note Fund from which the investment was made.

(b) All moneys required to be deposited with or paid to the Trustee for deposit into the Note Fund under any provision hereof, all moneys withdrawn from the Note Fund or drawn under the Letter of Credit and held by the Trustee, and all investments held as a part of the Note Fund, shall be held by the Trustee, in trust for the benefit of the City, the Bank, the Noteholders, the Paying Agent, the Registrar and the Trustee, as their interests may appear.

Section 5.05. Letter Of Credit.

(a) The Paying Agent, acting independently of the City but on behalf of and for the benefit of the Noteholders, shall draw moneys under the Letter of Credit in accordance with the terms thereof to make timely payments of principal of and interest on the Notes required to be made whether upon stated maturity, any redemption or any Interest Payment Date.

(b) The Paying Agent shall also draw moneys under the Letter of Credit in accordance with the terms thereof to make all payments in full of the purchase price of Notes tendered pursuant to Section 2.05(a) or 2.05(b) hereof.

On the date on which any Series of Notes begins to bear interest at a Commercial Paper Rate, and on the first Business Day of each calendar month thereafter while such Series of Notes bears interest at a Commercial Paper Rate and if the amount available to be paid under the Letter of Credit in respect of interest on the Notes is not in excess of 73 days interest on the Notes, the Paying Agent shall draw under the Letter of Credit in accordance with its terms an amount which would be sufficient to cause the amount on deposit in the appropriate account of the Service Fund on such day to equal the accrued and unpaid interest on the Series of Notes Outstanding on such date bearing interest at the Commercial Paper Rate plus the interest which would accrue on such Series of Notes from such date to and including the first Business Day of the following calendar month if such Series of Notes were Outstanding at all times during such period, calculated (i) at the actual rate of interest on the Notes for any day interest is to accrue at a rate known on the date such draw is made and (ii) at the rate of 12% for any day interest is to accrue at a rate unknown on the date such draw is made.

On the date on which any Series of Notes begins to bear interest at a Fixed Rate and on the first Business Day of each calendar month thereafter while such Series of Notes bears interest at a Fixed Rate and if the amount available to be paid under the Letter of Credit in respect of interest on the Notes is not in excess of 73 days interest on the Notes, the Paying Agent shall draw under the Letter of Credit in accordance with its terms an amount which would be sufficient to cause the amount on deposit in the appropriate account of the Service Fund on such day to equal the accrued and unpaid interest on the Series of Notes Outstanding on such date bearing interest at the Fixed Rate plus the interest which would accrue on such Series of Notes from such date to and including the first Business Day of the following calendar month if such Series of Notes were Outstanding at all times during such period and bore interest at the rate of interest on the Notes.

In the event that any Series of Notes bears interest at the Commercial Paper Rate or at a Fixed Rate and the interest coverage under the Letter of Credit shall exceed interest coverage for 73 days borne by the Notes pursuant to the provisions of the Reimbursement Agreement, the Paying Agent shall make draws under the Letter of Credit at the times permitted therein to pay accrued and unpaid interest on the Series of Notes bearing interest at such Commercial Paper Rate or Fixed Rate.

An Alternate Letter of Credit may not be delivered during a Commercial Paper Rate Period, unless the date of delivery of such Alternate Letter of Credit is an Interest Payment Date for all Notes in the Commercial Paper Rate Period to be secured by such Alternate Letter of Credit. Upon satisfaction of the preceding provisions the Paying Agent shall accept such Alternate

Letter of Credit and surrender the previously held Letter of Credit to the Bank on the termination date of such Letter of Credit, in accordance with the terms of such Letter of Credit, for cancellation. In the event the previously held Letter of Credit and the Alternate Letter of Credit then being delivered are contemporaneously effective for any period, any draws to be made under the Letter of Credit during such period shall be made under the Alternate Letter of Credit. If at any time there shall cease to be any Notes Outstanding hereunder, the Paying Agent shall promptly surrender the Letter of Credit to the Bank, in accordance with the terms of such Letter of Credit, for cancellation. The Paying Agent shall comply with the procedures set forth in the Letter of Credit relating to the termination thereof.

(d) The Paying Agent shall, not later than (i) 12:00 Noon on the day on which any note is to be tendered as provided in Section 2.05(a) hereof and (ii) 5:00 P.M. on the Business Day next preceding the day on which any Note is to be tendered as provided in Section 2.05(b) hereof, draw on the Letter of Credit an amount sufficient to pay in full the principal of and accrued interest, if any, on such Note to be tendered or deemed tendered. No later than 12:30 P.M. on the day on which such Note is to be tendered, the Remarketing Agent shall notify the Paying Agent of the principal amount of the Notes which have been remarketed. No later than 2:00 P.M. on such day the Remarketing Agent shall pick up and pay for the Remarketed Notes in immediately available funds, which funds shall be held for the benefit of the Bank. Any Notes not remarketed shall be deposited in the Custody Account until remarketed or repurchased by the City pursuant to Section 4.02 hereof.

(e) Upon instructions from the Comptroller or the Trustee, the Paying Agent shall give telex, telegraphic or telephonic notice, such telephonic notice to be promptly confirmed in writing, to the Bank, Trustee, City, Remarketing Agent and the Registrar of any reduction in the amount of the Letter of Credit as a result of the payment or provision for payment of Notes, whether at maturity or upon redemption, or the cancellation of Notes pursuant to Section 4.02(a) hereof.

(f) So long as any of the Notes are Outstanding in accordance with the provisions hereof, the City covenants to maintain the Letter of Credit in an amount sufficient to make timely payments of the principal of and interest on the Notes when due under the provisions hereof, whether upon any Interest Payment Date, maturity, redemption, optional tender or mandatory tender. The amount available to be paid under the Letter of Credit in respect of interest on the Notes shall be determined by the Comptroller and shall not exceed 215 days interest on the Notes at the maximum rate of interest permitted to be borne by the Notes pursuant to the provisions of the Reimbursement Agreement.

(g) The Paying Agent shall draw no funds under the Letter of Credit for the payment of any principal of or interest on Notes on deposit in the Custody Account.

(h) The Paying Agent shall not sell, assign or transfer the Letter of Credit except to a successor Paying Agent as designated hereunder or as otherwise permitted or required by this Indenture and the Letter of Credit.

Section 5.06. Creation Of Service Fund.

(a) Any moneys held by the Paying Agent representing moneys drawn under the Letter of Credit or paid over to the Paying Agent by the Trustee or the City, shall be held in trust by the Paying Agent in a trust account on behalf of the City and the Noteholders, as their interests may appear, and to be designated "City of Chicago General Obligation Tender Notes, Series 1989, Service Fund" (the "Service Fund"). The Service Fund shall contain the following two accounts: the Series 1989A Notes Account and the Series 1989B Notes Account. Moneys shall be deposited in the appropriate account reflecting the Series of Notes for which such moneys were received. The Paying Agent shall keep custody of the Service Fund and shall withdraw money therefrom only for the purpose of paying the principal of and interest on the Notes and for the purpose and in accordance with the provisions of Sections 5.10 and 5.11 hereof.

(b) The Series 1989A Notes Account and the Series 1989B Notes Account shall each contain a Letter of Credit Subaccount and a General Subaccount. All moneys obtained under the Letter of Credit shall be deposited in the Letter of Credit Subaccount of the appropriate account and all other moneys held in the Service Fund shall be deposited in the General Subaccount of the appropriate account.

(c) The Comptroller is hereby authorized to enter into such agreements with the Trustee or Paying Agent providing for the further segregation of moneys held in the Service Fund or the Note Fund into additional subaccounts as may be necessary for carrying out the purposes of this Indenture.

(d) Pending the need for the funds in the Service Fund, the Paying Agent may invest such funds, at the direction of the Comptroller, in general obligations of, or obligations the principal of and interest on which are fully guaranteed as to timely payment by, the United States of America, which obligations shall have maturities not later than the date or dates on which such funds will be needed for the purposes for which they were deposited in the Service Fund, and in any event, not later than thirty (30) days from the date of such investment. All amounts invested shall mature so as to insure timely payment on the Notes.

Section 5.07. Tax Levy For Reimbursement Of The Bank For Drawings To Pay The Series 1989A Notes Or For The Payment Of The Series 1989A Notes.

The City Treasurer is hereby ordered and directed to deposit the proceeds of such taxes, if levied and collected, into the Series 1989A Notes Account of the Note Fund in accordance with the terms of the Reimbursement Agreement.

Section 5.08. Security For The Series 1989B Notes.

(b) The Letter of Credit Note shall be a direct and general obligation of the City for the payment of which, both principal and interest, the City pledges its full faith, credit and resources. The Letter of Credit Note shall be payable, both principal and interest, from any moneys, revenues, receipts, income, assets or funds of the City legally available for such purpose.

(c) The City shall promptly cause to be paid its obligations under the Reimbursement Agreement and the Letter of Credit Note at the place, at the time and in the manner provided therein.

Section 5.10. Notes Not Presented For Payment.

(a) In the event any Notes shall not be presented for payment when the principal thereof becomes due, either at maturity or at the date fixed for redemption thereof or otherwise, if moneys sufficient to pay such Notes are held by the Paying Agent for the benefit of the Noteholders, the Paying Agent shall segregate and hold such moneys in the Service Fund, without liability for interest thereon, for the benefit of Noteholders who shall (except as provided in the following paragraph) thereafter be restricted exclusively to such fund or funds for the satisfaction of any claim of whatever nature on their part under this Indenture or relating to said Notes.

(b) Any moneys which the Paying Agent shall segregate and hold in trust for the payment of the principal of or interest on any Note and which shall remain unclaimed for two years after such principal or interest has become due and payable shall, upon the City's, and, so long as the Reimbursement Agreement is in effect, the Bank's, written request to the Paying Agent, be paid to the City. After the payment of such unclaimed moneys to the City, the Noteholder shall thereafter look only to the City for the payment thereof, unless an abandoned property law designates another person, and all liability of the Trustee, the Paying Agent and the Bank with respect to such moneys shall thereupon cease.

(b) The City agrees to comply with all provisions of the Code, which if not complied with by the City, would adversely affect the tax-exempt status of the Notes. after such respective dates shall not be impaired or affected without the consent of such Noteholder.

Section 7.07. Proceedings By Trustee Without Possession Of Notes.

All rights of action (including the right to file proof of claims) under this Indenture or under any of the Notes secured hereby which are enforceable by the Trustee may be enforced by it without possession of any of the Notes, or the production thereof at the trial or other proceedings relative thereto, and any such suit, action or proceeding instituted by the Trustee shall be brought in its name for the equal and ratable benefit of the Noteholders, subject to the provisions of this Indenture.

Section 7.08. No Remedy Exclusive.

No remedy herein conferred upon or reserved to the Trustee, the Bank or to Noteholders is intended to be exclusive of any other remedy or remedies, and each and every such remedy shall be cumulative, and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute.

Section 7.09. No Waiver Of Remedies.

No delay or omission of the Trustee, the Bank or of any Noteholder to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default, or an acquiescence therein; and every power and remedy given hereunder to the Trustee, to the Bank and to the Noteholders, respectively, may be exercised from time to time and as often as may be deemed expedient.

Section 7.10. Application Of Moneys.

Any moneys received by the Trustee (except for moneys drawn under the Letter of Credit, which shall be applied solely and only to the purposes for which such moneys were drawn, as provided herein), by any receiver or by any Noteholder pursuant to any right given or action taken under the provisions hereof, after payment of the costs and expenses of the proceedings resulting in the collection of such moneys and of the expenses, liabilities and advances incurred or made by the Trustee, the Paying Agent or the Registrar, such receiver or Noteholder, shall be deposited in the Note Fund and all moneys so deposited in the Note Fund during the continuance of an Event of Default (other than moneys for the payment of Notes which had matured or otherwise become payable prior to such Event of Default or for the payment of interest due prior to such Event of Default) shall be applied as follows:

(a) Unless the principal of all the Notes shall have been declared due and payable, all such moneys shall be applied (i) first, to the payment to the persons entitled thereto of all installments of interest then due on the Notes, with interest on overdue installments, if lawful, at the rate of six percent per annum, in the order of maturity of the installments of such interest and, if the amount available shall not be sufficient to pay in full any particular installment of interest, then to the payment ratably, according to the amounts due on such installment, and (ii) second, to the payment to the persons entitled thereto of the unpaid principal of any of the Notes which shall have become due (other than Notes called for redemption for the payment of which money is held pursuant to the provisions of this Indenture) with interest on such Notes at the rate of six percent per annum from the respective dates upon which they became due and, if the amount available shall not be sufficient to pay in full Notes due on any particular date, together with such interest, then to the payment ratably, according to the amount of principal and interest due on such date, in each case to the persons entitled thereto, without any discrimination or privilege.

(b) If the principal of all the Notes shall have been declared due and payable, all such moneys shall be applied to the payment of the principal and interest then due and unpaid upon the Notes, with interest on overdue interest and principal, as provided in clause (a) of this Section 7.10, without preference or priority of principal over interest or interest over principal, or of any installment of interest over any other installment of interest, or of any Note over any other Note, ratably according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or privilege. If principal and interest on the Notes and all other payments under this Indenture have been paid, any amounts remaining shall be paid to the Bank, but only to the extent that funds are owed to the Bank as a result of draws on the Letter of Credit.

(c) If the principal of all the Notes shall have been declared due and payable, and if such declaration shall thereafter have been rescinded and annulled under the provisions of Section 7.03 hereof, then, subject to the provisions of clause (b) of this Section 7.10 which shall be applicable in the event that the principal of all the Notes shall later become due and payable, the moneys shall be applied in accordance with the provisions of clause (a) of this Section 7.10.

Whenever moneys are to be applied pursuant to this Section 7.10, such moneys shall be applied at such times, and from time to time, as the Trustee shall determine, having due regard to the amount of such moneys available for application and the likelihood of additional moneys becoming available for such application in the future. Whenever the Trustee shall apply such funds, it shall fix the date (which shall be an Interest Payment Date unless it shall deem another date more suitable) upon which such application is to be made and upon such date interest on the amounts of principal and interest to be paid on such date shall cease to accrue. The Trustee shall give notice of the deposit with it of any such moneys and of the fixing of any such date by Mail to all Noteholders owning Outstanding Notes and shall not be required to make payment to any Noteholder until such Note shall be presented to the Trustee for appropriate endorsement or for cancellation if fully paid.

Section 7.11. Severability Of Remedies.

It is the purpose and intention of this Indenture to provide rights and remedies to the Trustee, the Bank and the Noteholders which may be lawfully granted, but should any right or remedy herein granted be held to be unlawful, the Trustee, the Bank and the Noteholders shall be entitled, as above set forth, to every other right and remedy provided in this Indenture and by law.

Article VIII.

Appointment And Duties Of Various Parties.

Section 8.01. Appointment Of Trustee, Paying Agent And Registrar.

The City hereby appoints (i) _____, as Trustee, and (ii) _____, New York, New York, as Paying Agent and Registrar for the purposes and upon the express terms and conditions set forth herein. The acceptance of the Trustee and by the Paying Agent and Registrar shall be evidenced by their execution and delivery of this Indenture. The City and the Noteholders by their delivery and acceptance of delivery of any of the Notes agree to the terms set forth in this Indenture.

Section 8.02. No Responsibility For Recitals.

The recitals, statements and representations contained in this Indenture or in the Notes, save only the Registrar's authentication upon the Notes, shall be taken and construed as made by and on the part of the City, and not by the Trustee or the Paying Agent and Registrar, and the Trustee and the Paying Agent and Registrar do not assume, and shall not have, any responsibility or obligation for the correctness of any thereof.

Section 8.03. Limitations On Liability.

(a) The Trustee or Paying Agent or Registrar may execute any of the trusts or powers hereof and perform the duties required hereunder by or through attorneys, agents or receivers, and shall be entitled to, and may rely upon, written advice of counsel concerning all matters of trust and duty hereunder, and the Trustee or Paying Agent or Registrar shall not be answerable for the negligence or misconduct of any such attorney or agent selected with reasonable care. Except during the continuance of an Event of Default, the Trustee need perform only those duties that are specifically set forth in this Indenture and no

others. The Trustee shall not be answerable for the exercise of any discretion or power under this Indenture or for anything whatsoever in connection with the trust created hereby, except only for its own negligence or bad faith. The Trustee or Paying Agent or Registrar shall not be accountable for the use or application of the proceeds of any of the Notes issued hereunder.

(b) The Registrar and the Paying Agent shall at all times have and perform only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Registrar or the Paying Agent. Neither the Registrar nor the Paying Agent nor any of their respective officers, employees, attorneys or agents shall be liable to the City, any Noteholder, the Remarketing Agent or the Bank for any action taken or omitted to be taken hereunder except for negligence or willful misconduct, provided that this sentence does not extend the duties established by, or limit the exculpatory effort of, any other provision of this Indenture, and provided further, that the Paying Agent and Registrar shall not be liable for any error of judgment made in good faith by an officer of the Paying Agent and Registrar.

Section 8.04. Compensation, Expenses And Advances.

(a) The Trustee, the Paying Agent and the Registrar under this Indenture shall be entitled to reasonable compensation for their services rendered hereunder (not limited by any provision of law in regard to the compensation of the trustee of an express trust) and to reimbursement for their actual out-of-pocket expenses (including the reasonable compensation and the expenses and disbursements of their agents and counsel) reasonably incurred in connection therewith except for such expenses incurred as a result of their negligence or bad faith. The City shall have the right to contest in good faith any fees or expenses of the Trustee, the Paying Agent and the Registrar without creating a default hereunder. If any Event of Default under this Indenture shall otherwise exist, the Trustee, the Registrar and the Paying Agent shall have, in addition to any other rights hereunder, a claim, prior to the claim of the Noteholders and the Bank, for the payment of their compensation and the reimbursement of their expenses and any advances made by them, as provided in this section, upon the moneys and obligations in the Note Fund, except for proceeds of drawings under the Letter of Credit and except for moneys or obligations deposited with or paid to the Paying Agent for the redemption or payment or purchase of tendered Notes which are deemed to have been paid in accordance with the provisions hereof and funds held pursuant to Section 5.10 hereof.

(b) The Remarketing Agent shall be entitled to compensation and the reimbursement of expenses as provided in the Remarketing Agreement.

Section 8.05. Notice Of Events Of Default.

such default or Event of Default by Noteholders owing at least 51% in principal amount of the Notes then Outstanding.

(b) The Paying Agent shall give telegraphic or telex or telephonic notice to the Trustee, promptly confirmed in writing, of any Event of Default under clauses (i) and (ii) or, upon having notice thereof, clauses (iii) and (iv) of Section 7.01(a) hereof.

Section 8.06. Several Capacities.

Anything in this Indenture to the contrary notwithstanding, the same entity shall serve as Paying Agent and Registrar and may serve hereunder as the Trustee, the Paying Agent, the Registrar and the Remarketing Agent and in any other combination of such capacities, to the extent permitted by law; provided, however, that any resignation of any of such capacities by any such entity shall require the resignation of such entity from all of such capacities; and provided, further, however, that the Paying Agent, Registrar and Remarketing Agent shall all have their principal offices in the City of New York, New York.

Section 8.07. Good Faith Reliance.

The Trustee, the Paying Agent and the Registrar in the absence of bad faith on their part, shall be protected and shall incur no liability in acting upon any resolution, notice, telegram, request, consent, waiver, certificate, statement, affidavit, voucher, bond, requisition or other paper or document or telephonic notice (where authorized by this Indenture) which it shall believe to be genuine and to have been passed or signed by the proper board, body or person or to have been prepared and furnished pursuant to any of the provisions of this Indenture, or upon the written opinion of any attorney, engineer, accountant or other expert, and the Trustee, the Paying Agent and the Registrar shall be under no duty to make any investigation or inquiry as to any statements contained or matters referred to in any such instrument, but may accept and rely upon the same as conclusive evidence of the truth and accuracy of such statements.

Neither the Trustee, the Registrar, the Paying Agent, nor the Remarketing Agent shall be bound to recognize any person as a Noteholder or to take any action at his request unless his Note shall be deposited with such entity or satisfactory evidence of the ownership of such Note shall be furnished to such entity.

Any request or direction of the City as provided in this Indenture shall be sufficiently evidenced by, and the Trustee, the Paying Agent and the Registrar may conclusively rely upon, a written instrument from the City signed by its Comptroller. As to any fact or circumstance concerning which the Trustee requests verification, the Trustee, the Paying Agent and the Registrar may conclusively rely upon a certificate signed by such Comptroller.

Section 8.08. Dealings In Notes And With City.

The Trustee, the Bank, the Paying Agent, the Registrar and the Remarketing Agent, in their individual capacities, may buy, sell, own, hold and deal in any of the Notes issued hereunder for their own account or that of any other person, and may join in any action which any Noteholder may be entitled to take with like effect as if they did not act in any capacity hereunder. The Trustee, the Bank, the Paying Agent, the Registrar or the Remarketing Agent, in their individual capacities, either as principal or agent, may also engage in or be interested in any financial or other transaction with the City and may act as depositary, trustee or agent for any committee or body of Noteholders secured hereby or other obligations of the City as freely as if they did not act in any capacity hereunder.

Section 8.09. Resignation Of Trustee.

Such removal shall be effective thirty days (or such longer period as may be set forth in such instrument) after delivery of the instrument; provided, however, that no such removal shall be effective until the successor Trustee appointed hereunder shall execute, acknowledge and deliver to the City an instrument accepting such appointment hereunder.

Section 8.11. Appointment Of Successor Trustee.

In case at any time the Trustee shall be removed, or be dissolved, or if its property or affairs shall be taken under the control of any state or federal court or administrative body because of insolvency or bankruptcy, or for any other reason, then a vacancy shall forthwith and ipso facto exist in the office of the Trustee and a successor may be appointed, and in case at any time the Trustee shall resign, then a successor may be appointed by the City, by an instrument authorized by ordinance of the City. After any appointment by the City, it shall cause notice of such appointment to be given to the predecessor Trustee, the successor Trustee, the Paying Agent, Remarketing Agent and the Bank, and to be given by Mail to all Noteholders. Any new Trustee so appointed by the City shall immediately and without further act supersede the predecessor Trustee.

Section 8.12. Qualifications Of Successor Trustee.

Section 8.13. Judicial Appointment Of Successor Trustee.

In case at any time the Trustee shall resign and no appointment of a successor Trustee shall be made pursuant to the foregoing provisions of this Indenture prior to the date specified in the notice of resignation as the date when such resignation is to take effect, the retiring Trustee may forthwith apply to a court of competent jurisdiction for the appointment of a successor Trustee. Such court may thereupon, after such notice, if any, as it may deem proper and prescribe, appoint a successor Trustee meeting the qualifications set forth in Section 8.12 hereof.

Section 8.14. Acceptance Of Trusts By Successor Trustee.

In order to evidence the acceptance of the position of Trustee hereunder, any successor Trustee appointed hereunder shall execute, acknowledge and deliver to the City an instrument accepting such appointment hereunder, and thereupon such successor Trustee, without any further act, deed or conveyance, shall become duly vested with all the estates, property, rights, powers, trusts, duties and obligations of its predecessor in the trust hereunder, with like effect as if originally named Trustee herein. Upon request of such Trustee, such predecessor Trustee and the City shall execute and deliver an instrument transferring to such successor Trustee all the estates, property, rights, powers and trusts hereunder of such predecessor Trustee and, subject to the provisions of Section 8.04(a) hereof, such predecessor Trustee shall pay over and deliver to the successor Trustee all moneys and other assets at the time held by it hereunder.

Notwithstanding any other provisions of this Indenture, the Trustee shall, during the existence of an Event of Default of which the Trustee has actual notice, exercise such of the rights and powers vested in it by this Indenture and use the same degree of skill and care in its exercise as a prudent person would use and exercise under the circumstances in the conduct of his own affairs; provided, however, that the Trustee shall be under no obligation to take any action in respect of the execution or enforcement of any of the trusts hereby created, or to institute, appear in or defend any suit or other proceeding in connection therewith, unless requested in writing so to do by Noteholders of at least 51% in principal amount of the Notes then Outstanding, and, if in its opinion such action may tend to involve it in expense or liability, unless furnished from time to time as often as it may require, with security and indemnity satisfactory to it; but the foregoing proviso is intended only for the protection of the Trustee, and shall not affect any discretion or power given by any provisions of this Indenture to the Trustee to take action in respect of any default or Event of Default without such notice or request from the Noteholders, or without such security or indemnity. Except as otherwise provided herein during the continuance of an Event of Default, the Trustee need perform only those duties that are specifically set forth in this Indenture and no others.

Section 8.17. Duties Of The Trustee.

The Trustee covenants and agrees:

(a) to keep such books and records as shall be consistent with prudent industry practice, and to make such books and records available for inspection by the City at all reasonable times; and

Upon request of such Paying Agent and Registrar, such predecessor Paying Agent and Registrar, and the City shall execute and deliver an instrument transferring to such successor Paying Agent and Registrar all the estates, property, rights, powers hereunder of such predecessor Paying Agent and Registrar and, subject to the provisions of Section 8.04(a) hereof, such predecessor Paying Agent and Registrar shall pay over and deliver to the successor Paying Agent and Registrar all moneys and other assets at the time held by it hereunder.

Section 8.24. Successor By Merger Or Consolidation.

Any corporation into which any Paying Agent and Registrar hereunder may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger or consolidation to which any Paying Agent and Registrar hereunder shall be a party, shall be the successor Paying Agent and Registrar under this Indenture, without the execution or filing of any paper or any further act on the part of the parties hereto, anything in this Indenture to the contrary notwithstanding.

Section 9.01. Limitations On Amendments Of This Indenture.

This Indenture shall not be modified or amended in any respect subsequent to the issuance of the Notes except as provided in and in accordance with and subject to the provisions hereof.

Section 9.02. Amendments Without Noteholder Consent.

(a) The City may, from time to time and at any time, without the consent of or notice to the Noteholders, but upon notice to, and with the written consent of, the Bank, the Trustee and the Paying Agent amend this Indenture as follows:

(i) to cure any formal defect, omission, inconsistency or ambiguity in this Indenture;

(ii) to grant to or confer or impose upon the Trustee or the Paying Agent for the benefit of the Noteholders any additional rights, remedies, powers, authority, security, liabilities or duties which may lawfully be granted, conferred or imposed and which are not contrary to or inconsistent with this Indenture as theretofore in effect, provided that no such additional liabilities or duties shall be imposed upon the Trustee or the Paying Agent without its consent;

(iii) to add to the covenants and agreements of, and limitations and restrictions upon the City in this Indenture other covenants, agreements, limitations and restrictions to be observed by the City which are not contrary to or inconsistent with this Indenture as theretofore in effect;

(iv) to confirm, as further assurance, any pledge under, and the subjection to any claim, lien or pledge created or to be created by, this Indenture, or of any moneys, securities or funds;

(v) to authorize a different denomination or denominations of the Notes and to make correlative amendments and modifications to this Indenture regarding exchangeability of Notes of different denominations, redemptions of portions of Notes of particular denominations and similar amendments and modifications of a technical nature;

(vi) to comply with any applicable requirements of the Trust Indenture Act of 1939, as from time to time amended;

(vii) to modify, alter, amend or supplement this Indenture in any other respect which is not materially adverse to the Noteholders or the Bank and which does not involve a change described in clause (i), (ii) or (iii) of Section 9.02(a) hereof and which, in the judgment of the Trustee (who may rely upon an Opinion of Bond Counsel), is not to the material prejudice of the Trustee or the Paying Agent; and

(viii) to provide any amendment necessary for uncertificated Notes or coupons and bearer Notes or Notes registered as to principal only.

(b) Before the City shall amend this Indenture pursuant to this Section 9.02, there shall have been delivered to the Trustee and the Paying Agent an opinion of Bond Counsel stating that such amendment is authorized or permitted by this Indenture, complies with the respective terms thereof, will, upon the adoption thereof, be valid and binding upon the City in accordance with its terms and will not adversely affect the exemption from federal income taxation of interest on the Notes, and the Trustee and the Paying Agent may rely conclusively upon such opinion as to such matters.

Section 9.03. Amendments With Noteholder Consent.

(b) If at any time the City shall propose to adopt any Supplemental Indenture for any of the purposes of this section, the Trustee shall cause the notice of the proposed Supplemental Indenture to be given by Mail to all Noteholders owning Outstanding Notes. Such notice shall briefly set forth the nature of the proposed Supplemental Indenture and shall state that a copy thereof is on file at the office of the Trustee for inspection by all Noteholders.

(c) Within two years after the date of the first mailing of such notice, the City, the Trustee and the Paying Agent may approve such Supplemental Indenture in substantially the form described in such notice, but only if there shall have first been delivered to the Trustee (i) the required consents, in writing, of Noteholders and the Bank, and (ii) an Opinion of Bond Counsel stating that such Supplemental Indenture is authorized or permitted by this Indenture, complies with its terms and, upon the execution and delivery thereof, will be valid and binding upon the City in accordance with its terms and will not adversely affect the exemption from federal income taxation of interest on the Notes, and the Trustee and the Paying Agent may rely conclusively upon such opinion as to such matters.

(Form Of Note -- Reverse Side).

1. Authorization. This Note is one of the duly authorized General Obligation Tender Notes, Series 1989, of the City, consisting of Series 1989A and 1989B (the "Notes"), issued under and pursuant to the Constitution and the City's powers as a home rule unit under Article VII of the Illinois Constitution of 1970, and a Trust Indenture, dated as of _____ 1, 1989, between the City, the Trustee and the Paying Agent (the "Indenture"), for the purpose of providing funds to (i) finance current cash flow requirements of the City and (ii) provide funds to pay amounts appropriated for specific purposes by the City for the year 1989.

2. Definitions. Any term used herein as a defined term but not defined herein shall be defined as in the Indenture.

3. Source of Payments. The City has caused to be delivered to the Paying Agent an irrevocable letter of credit (the "Letter of Credit") of _____, (the "Bank"), in its capacity as issuer of the Letter of Credit, its successors in such capacity and its assigns, which Letter of Credit will expire by its terms not earlier than the maturity date of the Notes. The Paying Agent shall be entitled under the Letter of Credit to draw up to (a) an amount sufficient (i) to pay the principal of the Notes, or (ii) to enable the Paying Agent to pay the purchase price or the portion of the purchase price equal to the principal amount of the Notes delivered to it for purchase, plus (b) an amount equal to [not less than seventy-two (72) nor more than two hundred fifteen (215)] days' accrued interest on the Outstanding Notes (i) to pay interest on the Notes, or (ii) to enable the Paying Agent to pay the portion of purchase price of the Notes delivered to it equal to the accrued interest, if any, on such Notes. The City may, upon the conditions specified in the Indenture, provide for the delivery to the Paying Agent of an Alternate Letter of Credit.

This Note, and the issue of which it is a part, shall be direct and general obligations of the City for the payment of which, both principal and interest, the City pledges its full faith, credit and resources and each such Note shall be payable from any moneys, revenues, receipts, income, assets or funds of the City legally available for such purpose.

4. **Interest Rate.** Interest on this Note will be paid at a Daily Rate, a Commercial Paper Rate or a Fixed Rate as selected by the City and in certain cases the Remarketing Agent (as hereinafter defined) and as determined in accordance with the Indenture. While there exists an Event of Default under the Indenture, the interest rate on the Notes will be the rate of six percent (6%) per annum. The City, acting through its Comptroller, or in certain cases, the Remarketing Agent may change the Interest Rate Determination Method from time to time, which will result in a mandatory tender for purchase of the Notes (see "Tenders" below).

When interest is payable at a Daily or Commercial Paper Rate, it will be computed on the basis of the actual number of days elapsed over a year of 365 days, and when payable at a Fixed Rate, on the basis of a 360-day year of twelve 30-day months. Interest on overdue principal and, to the extent lawful, on overdue interest will be payable at the rate of six percent (6%) per annum.

5. **Interest Payment and Record Dates.** Interest will accrue on the unpaid portion of the principal of this Note from the last date to which interest was paid, or if no interest has been paid, from the date of the original issuance of the Notes until the entire principal amount of this Note is paid. When interest is payable at the rate in the first column below, interest accrued during the period (an "Interest Period") shown in the second column will be paid on the date (an "Interest Payment Date") in the third column to holders of record on the date (a "Record Date") in the fourth column:

<u>Rate</u>	<u>Interest Period</u>	<u>Interest Payment Date</u>	<u>Record Date</u>
Daily	From any Interest Payment Date or the first day on which the Notes bear interest at a Daily Rate through the day preceding the next Interest Payment Date	First Business Day of each month and at maturity	Last Business Day before Interest Payment Date
Commercial Paper	From 1 to 180 Days as determined for each Note pursuant to the Indenture ("Commercial Paper Rate Period")	Last Business Day of applicable Commercial Paper Rate Period	Last Business Day before Interest Payment Date

<u>Rate</u>	<u>Interest Period</u>	<u>Interest Payment Date</u>	<u>Record Date</u>
Fixed	From any Interest Payment Date in such Fixed Rate Period or the first day of such Period through the (i) next succeeding June 30 or December 31 prior to maturity, or (ii) day preceding the maturity date for any Series of Notes	Next Day	(i) Prior to the maturity of any Series of Notes, the fifteenth day of the month (June or December) before the payment date and (ii) in connection with the maturity date of any Series of Notes, the fifteenth day of the month in which the maturity date occurs

"Business Day" is defined in the Indenture. Payment of defaulted interest will be made to holders of record on the fifth-to-last Business Day before payment.

6. Method of Payment. Holders must surrender Notes to the Paying Agent to collect principal or the purchase price (see "Tenders" below). Interest will be paid on the Interest Payment Date to the Noteholder hereof as of the Record Date (a) in the case of Notes bearing interest at a Short Term Rate, in immediately available funds (which payment may be made by Federal Reserve Funds check, wire transfer or deposit to an account of the Noteholder maintained by the Paying Agent) in accordance with payment instructions given by a Noteholder owning not less than \$1,000,000 in principal amount of Notes to the Paying Agent at the time of the registration thereof and (b) in the case of Notes bearing interest at a Short Term Rate owned by Noteholders other than those described in the preceding clause (a), in the absence of instructions given by Noteholders described in said clause (a) and in the case of all Notes bearing interest at a Fixed Rate, shall be paid by check or draft of the Paying Agent mailed to such Noteholder's registered address. Principal and interest will be paid in money of the United States that at the time of payment is legal tender for payment of public and private debts or by checks or wire transfers payable in such money. If any payment on the Notes is due on a non-Business Day, it will be made on the next Business Day, and no interest will accrue as a result

7. Tenders. "Tender" means to require, or the act of requiring, the purchase of a Note at its holder's option under the provisions of this Section 7 at 100% of the principal amount plus interest accrued to the date of purchase.

(a) Optional Daily Rate Tender. When interest on the Notes is payable at a Daily Rate, a holder of a Note may tender the Note or portion thereof, provided that such portion is \$100,000 or any integral multiple thereof, by delivering:

(i) an irrevocable written or telephone notice to the Paying Agent and the Remarketing Agent (see addresses below) by 10:00 A.M., New York City time, on a Business Day, stating the principal amount and Series of the Note and the date (which may be the date the notice is delivered) on which the Note is to be purchased; and

(ii) the Note to the Paying Agent (address below) by 12:00 Noon, New York City time, on the date of purchase (see additional requirements below).

(b) Mandatory Tenders. The Notes are required to be tendered to the Paying Agent for purchase at a purchase price equal to 100% of the principal amount thereof plus accrued interest, if any, to the date of purchase under the circumstances described below. By Acceptance Of This Note, The Registered Owner Agrees To Tender This Note For Purchase Under The Circumstances Described Below. Notes Not So Tendered On The Applicable Mandatory Tender Date Shall Be Deemed Tendered By The Registered Owners Thereof As Of Such Date And The Notes Shall Thereafter Cease To Bear Interest Provided Funds For The Payment Of The Purchase Price Of Such Notes Have Been Deposited With The Paying Agent.

(i) Mandatory Tender on Each Interest Payment Date During Commercial Paper Rate Period. When any Series of Notes bears interest at a Commercial Paper Rate, each Note of such Series will be subject to mandatory tender as provided above on the Interest Payment Date for such Note. If Notes are also subject to mandatory tender under paragraph (ii), below, the mandatory tender will be governed by that paragraph and not this paragraph. Owners of Notes may elect to retain their Notes as provided below.

(ii) Mandatory Tender Upon a Change in the Interest Rate Determination Method for the Notes. On the effective date of a change in the Interest Rate Determination Method for any Series of Notes (the three methods being Daily, Commercial Paper or Fixed Rates) the Notes of such Series will be subject to mandatory tender as provided above on the effective date of such change. Owners of Notes may elect to retain their Notes as provided below.

(c) Elections to Retain. In order to elect to retain Notes subject to mandatory tender as provided above, Noteholders must deliver the Notes with respect to which such election is made to the Paying Agent at its address set forth below by the sixth-to-last Business Day before the mandatory tender date (or on the first Business Day of any Commercial Paper Rate Period which is shorter than six Business Days) accompanied by an instrument executed by the owner (1) directing the Paying Agent not to provide for the purchase of such Notes (or the portion thereof specified therein) on the mandatory tender date, (2) agreeing not to sell such Notes or portion thereof prior to the mandatory tender date, (3) agreeing not to exercise any tender applicable to such Notes prior to the mandatory tender

date, (4) acknowledging that such waiver is irrevocable and (5) when applicable, acknowledging that a current right to tender the Notes will not be available after the mandatory tender date.

If the Notes are subject to mandatory tender due to a change in the Interest Rate Determination Method to a Commercial Paper Rate:

(1) the election must also direct the Paying Agent not to provide for the purchase of such Notes for any subsequent Commercial Paper Rate Period established between the date of such election and the effective date of the change; and

(2) if the Remarketing Agent notifies the Paying Agent that the Notes are to be sold on the condition that the Noteholder designates an agent to hold such Notes on the owner's behalf for as long as the Notes bear interest at a Commercial Paper Rate, then the election must contain a direction by the Noteholder to deliver such Notes to such agent on the effective date of the change.

Any such election to retain Notes shall be irrevocable and any right to tender such Note at the option of the owner thereof shall not be exercisable by such owner once the election has been made. Any such election to retain shall bind any subsequent owner of such Note or any Note delivered in substitution therefor. In addition, the failure by the owner timely to make any such election to retain Notes shall be binding on any subsequent owner of such Note or any Note delivered in substitution therefor.

Notwithstanding the foregoing, no election to retain a Note subject to mandatory tender may be made with respect to any Note, and any such election that may have been made may be rendered void, if the City has directed that such Note be purchased for cancellation pursuant to the Indenture.

Any Note received by the Paying Agent pursuant to an election to retain shall be held in safekeeping for its owner and a new Note shall be delivered to such owner (or his agent) on the mandatory tender date.

(d) Payment of Purchase Price. The purchase price for a Note tendered for purchase will be paid in immediately available funds by the close of business on the date of purchase. In order to receive such purchase price, this Note must conform in all respects to the description contained in the notice delivered by the Noteholder pursuant to paragraph 7(a)(i), above, and must be physically delivered to the Paying Agent properly endorsed for transfer. This Note must be accompanied by an instrument of transfer executed in blank by the Noteholder and with the signature of such Noteholder guaranteed by a bank, trust company or member firm of the New York Stock Exchange, Inc. The Paying Agent may refuse to accept delivery of this Note if a proper instrument of transfer is not provided.

(e) Delivery Addresses; Additional Delivery Requirements. Notices in respect of tenders and Notes tendered must be delivered as follows:

Notices to
Remarketing Agent:

Shearson Lehman Hutton, Inc.
Two World Trade Center
104th Floor
New York, New York 10048
Attention: Short Term
Municipal Bond
Desk
Telephone: (212) 528-1031

Notes and Notices
to Paying Agent:

These addresses may be changed by notice mailed by first class mail to the Noteholders at their registered addresses.

(f) No Tenders During Default. No Notes may be tendered during the existence of an Event of Default if the Trustee has notified the Paying Agent that it has given notice by Mail to the Noteholders of a declaration that all the Notes are due and payable.

(g) Effect of Redemption or Mandatory Tender. Notes tendered for purchase on a date after a call for redemption or before a mandatory tender date but before the redemption date or mandatory tender date shall be purchased pursuant to the tender.

8. Redemptions. All redemptions will be made in funds immediately available on the redemption date and will be at a redemption price of 100% of the principal amount of the Notes being redeemed plus interest accrued to the redemption date, if any.

(a) Optional Redemption. When interest on the Notes is payable at a Daily Rate, the Notes may be redeemed in whole or in part at the option of the City on the first Business Day of each month. The Notes are not subject to optional redemption during any Commercial Paper Rate Period or any Fixed Rate Period.

(b) Mandatory Redemption for Failure to Reinstate the Letter of Credit or for an Event of Default under the Reimbursement Agreement. All Notes shall be subject to mandatory redemption by the City at the principal amounts thereof and accrued interest to the date of redemption in the event that the City, the Trustee, the Paying Agent and the Remarketing Agent receive notice from the Bank that the Letter of Credit in respect of such Notes will not be reinstated in accordance with the provisions of the Reimbursement Agreement and the Letter of Credit, or if such parties receive notice from the Bank that an Event of Default has occurred under the Reimbursement Agreement.

(c) Notice of Redemption. At least 30 days before each optional redemption described in paragraph 8(a) hereof, the Paying Agent will mail a notice of redemption by first-class mail to each Noteholder at the holder's registered address. The Paying Agent is required to give notice by first-class mail of mandatory redemption described in the preceding paragraph to the owners of the Notes to be redeemed not less than 5 days nor more than 10 days prior to

the date fixed for redemption. Failure to give any required notice of optional redemption as to any particular Notes will not affect the validity of the call for redemption of any Notes in respect of which no failure occurs. Failure to give any required notice of mandatory redemption of any Notes will not affect the validity of the call for redemption of such Notes. Any notice mailed as provided in this paragraph will be conclusively presumed to have been given whether or not actually received by the addressee.

(d) Effect of Notice of Redemption. When notice of redemption is given as required, Notes (or portions thereof) called for redemption become due and payable on the redemption date at the applicable redemption price; in such case when funds are deposited with the Paying Agent sufficient for redemption, interest on the Notes (or portions thereof) to be redeemed ceases to accrue as of the date of redemption.

9. Denominations; Transfer; Exchange. The Notes are in registered form without coupons in denominations of \$100,000 or any integral multiple of \$100,000, except that when interest is payable at a Fixed Rate, Notes may be in denominations of \$5,000 or integral multiples of \$5,000. A holder may transfer or exchange Notes in accordance with the Indenture. The Registrar may change Notes in accordance with the Indenture. The Registrar may require a holder, among other things, to furnish appropriate endorsements and transfer documents and to pay any taxes and fees required by law or permitted by the Indenture. The Notes may be exchanged at the principal office of the Registrar upon the terms set forth in the Indenture.

10. Persons Deemed Owners. The registered holder of this Note may be treated as the owner of it for all purposes.

11. Unclaimed Money. If money for the payment of principal, interest or purchase price remains unclaimed for two years, the Paying Agent will, upon the request of the City and with the consent of the Bank, pay the money to or for the account of the City. After that, holders entitled to the money must look only to the City and not to the Trustee, Paying Agent or the Bank for payment unless an abandoned property law designates another person.

12. Amendment and Supplement, Waiver. Subject to certain exceptions, the Indenture may be amended or supplemented, with the consent of the holders of 60% in aggregate principal amount of the Notes. Without the consent of any Noteholder, the City may amend or supplement the Indenture as described in the Indenture, to cure any ambiguity, omission, defect or inconsistency, to provide for uncertificated Notes in addition to or in place of certificated Notes, or to make any change that does not materially adversely affect the rights of any Noteholder.

13. Defaults and Remedies. The Indenture provides that the occurrences of certain events constitute Events of Default. If certain Events of Default occur, the Trustee may, and at the written request of the holders of at least 51% in principal amount of the Notes shall, declare the principal of all the Notes to be due and payable immediately. An Event of Default and its consequences may be waived as provided in the Indenture. Noteholders may not enforce the Indenture or the Notes except as provided in the Indenture. The Trustee may refuse to enforce the Indenture or the Notes unless it receives indemnity

satisfactory to it. Subject to certain limitations, holders of a majority in principal amount of the Notes may direct the Trustee in its exercise of any trust or power.

14. No Recourse Against Others. A member, official, officer, agent or employee, as such, of the City shall not have any liability for any obligations of the City under the Notes or the Indenture or for any claim based on such obligations or their creation. Each Noteholder by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for the issue of the Note.

15. Authentication. This Note shall not be valid until the Registrar signs the certificate of authentication on the other side of this Note.

16. Abbreviations. Customary abbreviations may be used in the name of a Noteholder or an assignee, such as TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian), and U/G/M/A (= Uniform Gifts to Minors Act).
