(b) At the time the City prepares its Projection of Fees and Charges for each Fiscal year, the City shall estimate a "Disputed Amount" for such Fiscal Year in accordance with the following formula:

$$\text{Disputed Amount} = F - C$$

For purposes of the foregoing formula:

"F" means Full Cost Reimbursement of City indirect salaries allocated to the Airport for each Fiscal Year, as the City determines for indirect salaries using a reasonable and professionally applied cost allocation methodology.

"C" means 1982 Cost Reimbursement of City indirect salaries allocated to the Airport for each Fiscal Year, as determined using a cost allocation methodology for calculating indirect salaries that is consistent with the methodology used in 1982. For purposes of calculating "C", indirect salaries shall equal 5% of a direct cost base (the "Direct Cost Base") which will consist of personnel costs actually expended by the City in operating and maintaining the Airport during the Fiscal Year in question. In computing the Direct Cost Base, the following rules shall apply:

(1) The Direct Cost Base shall include all amounts expended by the City during the Fiscal Year in question for direct personnel costs related to the operations and maintenance of the Airport that are reflected in City accounts as line items .0005 through .0099 except that the following shall not be included in the Direct Cost Base: (i) line item .0049 -- Workmen's Compensation, (ii) line item .0051 -- Unemployment Insurance, (iii) line .0097 -- Pension, and (iv) line item .0052 -- Claims and Administration.

(2) The foregoing notwithstanding, the Direct Cost Base shall not include direct personnel costs relating to the Department of Purchases, Contract and Supplies incurred by the City during the Fiscal Year in question.

(3) The foregoing notwithstanding, the Direct Cost Base shall include Fire Relief Salary costs, in an amount equal to the actual amounts charged as fire relief salary costs attributable to Fire Department personnel serving at the Airport during the Fiscal Year in question.

(4) If at any time in the future, the City institutes a new account numbering system, accounts in the new numbering system that represent the same line item costs as in the old numbering system shall be used to calculate the Direct Cost Base.

The City and the Airline hereby agree that the Disputed Amount shall not be reduced below zero.

(c) A credit with respect to the Disputed Amount for Fiscal Years 1988, 1989, 1990, 1991 and 1992 shall be calculated and credited by the City to the Airline in Fiscal Year 1991 and Fiscal Year 1992 in the following manner:

(i) Step 1. Pursuant to Section 10.02 of the Amended and Restated Use Agreement, the City shall calculate the Airport Development Fund payment requirement for Fiscal Year 1991 and Fiscal Year 1992.

(ii) Step 2. The Airport Development Fund payment requirement for Fiscal Year 1991 and Fiscal Year 1992 shall be adjusted pursuant to Sections 10.03(a), (b) and (c) of the Amended and Restated Use Agreement.

(iii) Step 3. For Fiscal Year 1991 and Fiscal Year 1992, the City shall calculate that portion of each Airline's Airport Fees and Charges that is attributable to the Airport Development Fund payment requirement, as adjusted for such Fiscal Year.

(iv) Step 4. For Fiscal Years 1988, 1989, 1990, 1991 and 1992, the City shall calculate that portion of the Disputed Amount that is allocable to the following three Cost Revenue Centers under the Amended and Restated Use Agreement: (1) Airfield Area, (2) Terminal Area and (3) Terminal Support Area. Such portion, hereinafter referred to as the "Net Disputed Amount", shall be calculated by multiplying the combined percentage of indirect cost

pool expense allocated to all three such Cost Revenue Centers (taken together) times the Disputed Amount for each such Fiscal Year.

(v) Step 5. For Fiscal Year 1991 and for each Fiscal Year thereafter (until the Net Disputed Amounts for Fiscal Years 1988, 1989, 1990, 1991 and 1992 have been fully credited to the Airline), that portion of each Airline's Airport Fees and Charges that is attributable to the Airport Development Fund payment requirement, as adjusted, shall be reduced by an amount equal to such Airline's pro rata share of the total, and as yet uncredited, Net Disputed Amount for Fiscal Years 1988, 1989, 1990, 1991 and 1992.

(vi) The Airport Development Fund payment requirement for Fiscal Year 1991 and each Fiscal Year thereafter shall not be reduced below zero.

(vii) For Fiscal Years 1988, 1989, 1990, 1991 and 1992, the City shall calculate that portion of the Disputed Amount that is allocable to the International Terminal Area by multiplying the percentage of indirect cost pool expense allocated to the International Terminal Area times the Disputed Amount for each such Fiscal Year. In Fiscal Year 1992, an amount equal to the portion of the Disputed Amount for Years 1988, 1989, 1990, 1991 and 1992 allocable to the International Terminal Area shall be transferred from the Airport Development Fund to the Revenue Fund and shall be classified as Non-Use Agreement Revenues of the International Terminal Area (as defined in the Amended and Restated Use Agreement) for such Fiscal Year.

(d) The Net Disputed Amounts (without consideration of other credits provided for in this Agreement) and each Airline's pro rata share thereof for Fiscal Years 1988, 1989 and 1990, based on the foregoing formula, is as follows:

Airline	Fiscal Year 1988	Fiscal Year 1989	Fiscal Year 1990
Air Canada	\$ 25	\$ 642	\$ 5,188
Air Wisconsin	0	0	15,837
American	32,441	426,899	601,038
Braniff	685	7,476	0
Continental	1,950	19,420	26,249

Airline	Fiscal Year 1988	Fiscal Year 1989	Fiscal Year 1990
Delta	\$ 9,197	\$106,130	\$ 136,089
Eastern	1,438	10,745	18,370
Federal Express	1,327	16,763	22,298
Northwest	6,135	75,902	59,352
Pan Am	23	718	420
TWA	2,754	40,651	35,618
United	51,630	625,700	864,300
UPS	0	0	1,395
USAir/Piedmont	<u>2,810</u>	<u>39,685</u>	<u>40,580</u>
TOTAL:	\$110,415	\$1,370,731	\$1,826,734

The City and the Airline agree that the Disputed Amounts for Fiscal Years 1988, 1989 and 1990 are final and shall not be subject to verification and adjustment on the City's submission of Final Audits for such Fiscal Years, in accordance with Section 7.07 of the Amended and Restated Use Agreement.

(e) The credit for the Net Disputed Amount for Fiscal Year 1993 and for each Fiscal Year thereafter shall be calculated and credited and/or paid by the City to the Airlines in the following manner:

(i) Step 1. Pursuant to Section 10.02 of the Amended and Restated Use Agreement, the City shall calculate the Airport Development Fund payment requirement for each such Fiscal Year.

(ii) Step 2. The Airport Development Fund payment requirement for each such Fiscal Year shall be adjusted pursuant to Sections 10.03(a), (b) and (c) of the Amended and Restated Use Agreement.

(iii) Step 3. For each such Fiscal Year, the City shall calculate the Net Disputed Amount.

(iv) Step 4. The Airport Development Fund payment requirement, as adjusted, for each such Fiscal Year shall be reduced by an amount equal to any Net Disputed Amounts for Fiscal Years 1988, 1989, 1990, 1991 and 1992 remaining unused at that time.

(v) Step 5. The Airport Development Fund payment requirement as adjusted, for each Fiscal Year shall be further reduced by an amount equal to the Net Disputed Amount for such Fiscal Year.

(vi) Step 6. For Fiscal Year 1994, the remaining Airport Development Fund payment requirement, if any, shall be further reduced by the amount of any unused credit with respect to the Net Disputed Amount for Fiscal Year 1993. For Fiscal Year 1995, the remaining Airport Development Fund payment requirement, if any, shall be further reduced by the amount of any unused credit with respect to the Net Disputed Amounts for Fiscal Years 1993 and 1994, beginning with the oldest unused credit. For Fiscal Year 1996 (and each subsequent Fiscal Year), the remaining Airport Development Fund payment requirement, if any, for such Fiscal Year shall be further reduced by the amount of any unused credit with respect to the Net Disputed Amount for the prior three Fiscal Years, beginning with the oldest unused credit.

(vii) The Airport Development Fund payment requirement for any Fiscal Year shall not be reduced below zero.

(viii) If, for any Fiscal Year, after Steps 1 through 6 above have been followed, there remains any unused credit with respect to the Disputed Amount for that Fiscal Year, such unused credit shall be carried forward, until used in accordance with Step 6 above, into the next three Fiscal Years.

(ix) For Fiscal Year 1993 and each Fiscal Year thereafter, the City shall calculate that portion of the Disputed Amount that is allocable to the International Terminal Area by multiplying the percentage of indirect cost pool expense allocated to the International Terminal Area times the Disputed Amount for that Fiscal Year. In each such Fiscal Year, an amount equal to the portion of the Disputed Amount allocable to the International Terminal Area shall be transferred from the Airport Development Fund to the Revenue Fund and shall be classified as Non-Use Agreement Revenues of the International Terminal Area (as defined in the Amended and Restated Use Agreement) for such Fiscal Year.

(x) Step 7. If any credit with respect to the Net Disputed Amount for a Fiscal Year remains unused in accordance with Step 6 above after the third Fiscal Year following the Fiscal Year from which such unused credit was derived, the City shall pay to the Airline, in cash, from balances in the Emergency Reserve Fund, the Airline's pro rata

share of the amount of such unused credit. Such cash payments shall be made not later than six months after the City's submission of the Final Audit, in accordance with Section 7.07 of the Amended and Restated Use Agreement, for the third Fiscal Year following the Fiscal Year from which such unused credit was derived. The Airline shall also be entitled to a cash payment, from and only from, balances in the Emergency Reserve Fund, in the amount of any credits relating to Fiscal Years 1988, 1989, 1990, 1991 and 1992 that remain unused under Step 4 above not later than sixty days after the City's submission of the Final Audit for 1994.

(xi) Step 8. If any credit with respect to the Net Disputed Amount for Fiscal Year 1993 or thereafter remains unused in accordance with Step 7 above after the third Fiscal Year following the Fiscal Year from which such unused credit was derived, then the City shall pay to the Airline, in cash, from and only from the amount, if any, that is required, pursuant to Section 13.03 of the Amended and Restated Use Agreement, to be transferred in such Fiscal Year by the City into the Airport Fund or to the Trustee for deposit into the Revenue Fund, in either event, for subsequent deposit into the Airport Development Fund ("Section 13.03 Funds"), the Airline's pro rata share of the amount of such unused credit. Such cash payments shall be made not later than six months after the City's submission of the Final Audit, in accordance with Section 7.07 of the Amended and Restated Use Agreement, for the third Fiscal Year following the Fiscal Year from which such unused credit was derived. In addition, if the Airline does not receive timely cash payment from balances in the Emergency Reserve Fund for any unused credits relating to Fiscal Years 1988, 1989, 1990, 1991 and 1992 pursuant to the last sentence of Section 6(e)(x), then the City shall immediately pay such amount to the Airline out of Section 13.03 Funds.

(f) The agreement of the City and the Airline in Sections 6(c)(ii) and 6(e)(ii) hereof to adjust the Airport Development Fund payment requirement pursuant to Section 10.03 of the Amended and Restated Use Agreement is without prejudice to the City's or the Airline's rights, and is not intended to resolve the issue whether the passenger facility charge legislation enacted pursuant to Title IX, U.S.C. § 9001, et seq., modifies, supersedes or renders invalid or unenforceable Section 10.03(c) of the Amended and Restated Use Agreement. The provisions of Sections 6(c)(ii) and 6(e)(ii) shall not constitute an admission by either party that the above-referenced legislation does or does not affect the availability of an adjustment to the Airport Development Fund payment requirement pursuant to Section 10.03(c) of the Amended and Restated Use Agreement. Each party to this Agreement reserves all its rights with respect to such issue.

Section 7. Verification And Adjustment Of Disputed Amounts For Fiscal Year 1991 And Thereafter.

The precise amounts of the Disputed Amount for Fiscal Years 1991 and thereafter shall be subject to verification and adjustment on the City's submission of Final Audits for Fiscal Years 1991 and thereafter, in accordance with Section 7.07 of the Amended and Restated Use Agreement. The Final Audits for each such Fiscal Year shall include a separate schedule setting forth the computation of the Net Disputed Amounts, the Disputed Amounts and the components of "F" and "C".

Section 8. No Payments In Excess Of Full Cost Reimbursement.

For all purposes under this Agreement, in the event that the Full Cost Reimbursement of City indirect salaries is less than the 1982 Cost Reimbursement with respect to any Fiscal Year covered by any provisions of this Agreement, the Airline shall pay only the amount of such Full Cost Reimbursement.

Section 9. Indirect Non-Salary Expenses.

The City shall continue to assess Airport Fees and Charges attributed to indirect non-salary expenses at a level equal to 5 percent of the Direct Cost Base. The amount of indirect non-salary expenses included in Operation and Maintenance Expenses for purposes of calculating Airport Fees and Charges for Fiscal Year 1988 and subsequent Fiscal Years shall be verified and adjusted by the City in connection with its submission of Final Audits for such years, in accordance with Section 7.07 of the Amended and Restated Use Agreements.

Section 10. Certain Other Matters.

No amounts remaining to be credited to the Airline under this Agreement shall be adjusted by any amounts due to the City from any other Airline under comparable settlement agreements, the Amended and Restated Use Agreement, or any other agreement relating to the Airline's operations at the Airport. For all purposes under this Agreement, the Airline shall be treated independently from all other Airlines, and the failure of another airline to pay sums due the City in accordance with any agreement with the City shall not impair, reduce, or offset credits due from the City under this Agreement to the Airline. This provision shall not be interpreted as modifying any obligations of the Airline under the Amended and Restated Use Agreement.

Section 11. 1992 Use Agreement Amendment.

(a) The City and the Airline acknowledge that in order for the City to implement the terms of this 1992 Settlement Agreement, the Amended and Restated Use Agreement must be further amended. The City and the Airline hereby agree to expeditiously take all actions necessary to authorize and execute an amendment to the Amended and Restated Use Agreement (the "1992 Use Agreement Amendment"), in the form attached hereto as (Sub)Exhibit B. The City and the Airline further agree that this 1992 Settlement Agreement shall become effective upon the execution and delivery hereof and the execution and delivery of the 1992 Use Agreement Amendment by the City and the Airline.

(b) Except as expressly stated in this Agreement and in the 1992 Use Agreement Amendment, nothing herein modifies, amends, or alters any of the parties' respective obligations and rights under the Amended and Restated Use Agreement. This is a limited settlement of disputes with respect to the Amended and Restated Use Agreement and, except as provided for herein, each party agrees that nothing herein amends or compromises any other provisions, rights, obligations or liabilities under the Amended and Restated Use Agreement.

Section 12. Entire Agreement.

This Agreement constitutes the entire agreement between the parties hereto with respect to the issues herein. Each party specifically represents that it has relied solely upon its own judgment and that of the party's legal counsel regarding this Agreement and that no statements, promises, opinions, warranties, or representations made outside this Agreement by any other party or its employees, agents, or legal counsel constitute a part of this Agreement and have not influenced or induced such party to execute this Agreement. Captions in this Agreement are solely for the convenience of the parties and do not constitute a part of this Agreement.

Section 13. No Admission.

This settlement is being made solely to terminate the dispute described herein and does not constitute an admission by the City of any liability to the Airline nor an admission by the Airline regarding any liability to the City.

In Witness Whereof, The City has caused this 1992 Settlement Agreement to be executed on its behalf by its Mayor, pursuant to due authorization of the City Council of the City, and its seal to be hereunto affixed and attested by the City Clerk of the City, and the Airline has caused this 1992

Settlement Agreement to be executed on its behalf by _____, its President and _____, its Secretary, pursuant to due authorization of its Board of Directors, all as of the day and year first above written.

[(Sub)Exhibit "B" referred to in this 1992 Settlement Agreement constitutes Exhibit "B" to the ordinance and is printed on pages 27787 through 27790 of this Journal.]

(Sub)Exhibit "A" attached to this 1992 Settlement Agreement reads as follows:

(Sub)Exhibit "A".

(1989) Settlement Agreement.

This Settlement Agreement (this "Agreement") made and entered into as of this 1st day of January, 1989, by and between the City of Chicago, a municipal corporation and home rule unit of local government organized and existing under the laws of the State of Illinois (the "City"), and _____, a corporation organized and existing under the laws of the State of _____ (the "Airline").

Witnesseth:

Whereas, The City and the Airline have entered into the Chicago-O'Hare International Airport Amended and Restated Airport Use Agreement and Terminal Facilities Lease dated as of January 1, 1985 (the "Amended and Restated Use Agreement"); and

Whereas, There has been a dispute between the City and the Airline and certain other Airline Parties (collectively, the "Airlines") with respect to the inclusion in Airport Fees and Charges of certain indirect salaries and expenses, as further described herein; and

Whereas, The City and the Airlines have agreed to resolve that dispute with respect to Airport Fees and Charges for Fiscal Years 1983 through 1987 and to resolve certain other matters related to the Amended and Restated Use Agreement in the manner described herein;

Now, Therefore, In consideration of the premises and of the mutual covenants and agreements herein contained, the City and the Airline agree as follows:

Section 1. Except as otherwise defined herein, capitalized terms shall have the same meanings given such terms in the Amended and Restated Use Agreement or in the General Airport Revenue Bond Ordinance.

Section 2. The City shall make cash payments, from Airport funds, to the Airlines in the amount of \$6,141,155. These payments shall discharge the City's payment obligations under Section 7.07 of the Amended and Restated Use Agreement for Fiscal Years 1983 through 1985.

Section 3. The City shall also pay the Airlines an additional sum of \$2,755,682 (the "deferred payment") through the mechanism described in Section 6 below.

Section 4. The cash payments and deferred payment described above shall be paid to the individual Airlines in the following amounts:

	Principal	Deferred Payment	Total
American	\$1,381,544	\$800,931	\$2,182,475
Northwest	799,982	245,780	1,045,762
Piedmont	116,923	12,218	129,141
TWA/Ozark	141,221	162,182	303,403
United	3,665,146	1,405,121	5,070,267
USAir	36,339	34,291	70,630

The precise amounts of repayments pursuant to Section 7.07 for Fiscal Years 1983 through 1987 shall be subject to verification and adjustment on the City's submission of final audits for Fiscal Years 1983 through 1987, in accordance with Section 7.07 of the Amended and Restated Use Agreement.

Section 5. For Fiscal Years 1984 through 1987, the City assessed Airport Fees and Charges attributable to indirect salaries and expenses at levels in excess of 5 percent of the direct salaries and expenses charged by five City departments. These indirect charges exceeded 5 percent of direct salaries and expenses by approximately \$11 Million. The City shall make deferred repayments to the Airlines of approximately \$11 Million (the "excess indirect charges") for Fiscal Years 1984 through 1987 through the mechanism described in Section 6 below. The repayments of excess indirect charges for Fiscal Years 1984 through 1986 shall be made with respect to the individual Airlines in the following amounts:

American	\$3,024,548
Delta	433,815
Federal Express	129,336

Northwest	560,105
Piedmont	23,641
TWA	579,573
United	4,378,717
USAir	159,629

The excess indirect charges for Fiscal Year 1987 (and the corresponding repayments) shall be determined on the City's submission of a final audit for 1987).

Section 6. In order to implement the repayments of excess indirect charges and deferred payments, the City shall, for each Fiscal Year, calculate the total Airport Development Fund payment requirement described in Section 10.02 of the Amended and Restated Use Agreement, as adjusted in accordance with Section 10.03 thereof, and shall calculate the amount in respect of the Airport Development Fund payment requirement which would be includable in the calculation of each Airline's Terminal Area Use Charges and Landing Fees for such Fiscal Year. However, commencing January 1, 1989, no amount in respect of the Airport Development Fund payment requirement shall be included in the calculation of any individual Airline's Terminal Area Use Charges or Landing Fees unless and until such time as the total amounts in respect of the Airport Development Fund payment requirement which would have otherwise been included in the calculations of such Airline's Terminal Area Use Charges and Landing Fees equal the total amounts payable to such Airline by City for excess indirect charges and deferred payments hereunder.

Section 7. The precise amounts of repayments for excess indirect charges shall be subject to verification and adjustment on the City's submission of final audits for Fiscal Years 1984 through 1987, in accordance with Section 7.07 of the Amended and Restated Use Agreement.

Section 8. The methodology for determining settlement for excess indirect charges shall be final for Fiscal Years 1983 through 1987. The parties shall remain free to assert and litigate their respective positions on the inclusion in Airport Fees and Charges of certain indirect expenses for Fiscal Years 1988 and beyond. The City's repayment of the excess indirect charges will in no way prejudice the City's position in any subsequent litigation over fees and charges for indirect expenses in Fiscal Years 1988 and beyond.

Section 9. The City and the Airline acknowledge that in order for the City to implement the terms of this Settlement Agreement, the Amended and Restated Use Agreement must be amended. The City and the Airline hereby agree to expeditiously take all actions necessary to authorize and execute an amendment to the Amended and Restated Use Agreement, in the form attached hereto as Exhibit A. The City and the Airline further agree that this Agreement shall become effective upon the execution and delivery hereof and the execution and delivery of such amendment by the City and the Airline.

Section 10. Upon satisfaction of the City's obligations under Section 2, the parties shall negotiate in good faith with respect to fees and charges to be assessed for indirect expenses at the Airport. In the course of such negotiations the parties shall be free to raise and discuss other issues relating to the Amended and Restated Use Agreement and other agreements between the parties. However, the City's agreement to make repayments in an amount equal to the excess indirect charges for Fiscal Years 1983 through 1987 shall be final, and shall not be rescinded or terminated in the event that the parties are unable to reach agreement on fees and charges for indirect expenses for Fiscal Years 1988 and beyond. This settlement is being made solely to terminate the dispute described herein and does not constitute an admission by the City of any liability to the Airlines.

Section 11. This Agreement supersedes the agreement in principle between the City of Chicago and the Airline Parties set forth in the letter from Stephen C. Neal, P.C. to William H. Farley, Jr. dated October 19, 1988.

In Witness Whereof, The City has caused this Agreement to be executed on its behalf by its _____ Mayor, pursuant to due authorization of the City Council of the City, and its seal to be hereunto affixed and attested by the City Clerk of the City, and the Airline has caused this Agreement to be executed on its behalf by its _____ President and its _____ Secretary, pursuant to due authorization of its Board of Directors, all as of the day and year first above written.

To

*Amended And Restated Airport Use
Agreement And Terminal Facilities Lease.*

This 1992 Amendment to Amended and Restated Airport Use Agreement and Terminal Facilities Lease (this "1992 Amendment") made and entered into as of the first day of January, 1992, by and between the City of Chicago, a municipal corporation and home rule unit of local government organized and existing under the laws of the State of Illinois ("City"), and _____, a corporation organized and existing under the laws of the State of _____ ("Airline").

Witnesseth:

Now, Therefore, In consideration of the premises and of the mutual covenants and agreements herein contained, City and Airline agree as follows:

Section 1. Section 10.02 of the Amended and Restated Use Agreement is hereby amended to read in its entirety as follows:

"Beginning with the first Fiscal Year following the earlier to occur of
(a) the Date of Beneficial Occupancy with respect to any Exclusive

Use Premises in Terminal Building No. 1 and (b) December 31, 1989, and continuing for each Fiscal Year thereafter, there shall be included in the calculation of Airport Fees and Charges an amount equal to twenty percent (20%) of the amount by which Concession Revenues, as reflected in the Final Audit for such Fiscal Year, exceed Concession Revenues for the last full calendar year preceding the Effective Date (the 'Airport Development Fund payment requirement'), which payment requirement shall be adjusted in accordance with Section 10.03. Notwithstanding the foregoing, commencing as of January 1, 1989, no amount in respect of the Airport Development Fund payment requirement shall be included in the calculation of Airline's Terminal Area Use Charges pursuant to Section 5.03 or in the calculation of the Net Cost of the Airfield Area for purposes of calculating Airline's Landing Fees pursuant to Sections 5.06 and 5.07 except to the extent permitted by those certain 1989 Settlement Agreements dated as of January 1, 1989, each by and between City and a certain Airline Party."

WHEREAS, The Commission has found that the Abraham Groesbeck House meets certain criteria for landmark designation 2-120-620 (1), (3), and (4) of the Municipal Code of Chicago; and

WHEREAS, The Abraham Groesbeck House has value as an example of the social heritage of the City of Chicago demonstrating the pattern of settlement and development of the near west side and, further, the structure provides one of the few remaining links to the founding families of the city who, in the mid-nineteenth century, established this area as the first fashionable residential enclave; and

WHEREAS, The Abraham Groesbeck House, a dwelling of great age in a remarkable state of preservation, also exemplifies the historic heritage of the city as a survivor of the Great Fire of 1871 and is significant for its age, integrity, and rarity in the urban environment of the near west side; and

WHEREAS, The Abraham Groesbeck House is identified with one of the city's early and eminent doctors whose life and times can be taken as a paradigm of the general calibre of the whole medical profession in Chicago as it made the transition from frontier prairie town to major Midwest city and, further, Chicago's major medical centers of today -- Northwestern, Michael Reese and Rush-Presbyterian-St. Luke's -- are a legacy of the leadership of these early Chicago doctors; and

WHEREAS, The Abraham Groesbeck House, in building style, illustrates the Italianate adapted for the city house, but what is exceptional is its elegant simplicity, which is a reflection of the practical and unpretentious New England heritage of Dr. Groesbeck and many of the pioneer residents of the near west side, hence alluding to a little remembered but important facet of Chicago history; and

WHEREAS, The Abraham Groesbeck House is a visual documentation of the style of life and practice of medicine of a mid-nineteenth century doctor where both the private living quarters and professional office were combined in one structure, hence making the house distinguished both for its architectural type and style; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The Abraham Groesbeck House, located at 1304 West Washington Boulevard, Chicago, Illinois, and legally described as:

***Failed To Pass* -- AUTHORIZATION FOR SELECTION OF INTERIM
CONTRACTOR AND EXECUTION OF CONTRACT TO PROVIDE
EMERGENCY SHUTTLE BUS SERVICE AT CHICAGO
O'HARE INTERNATIONAL AIRPORT.**

On motion of Alderman Burke, the City Council took up for consideration the report of the Committee on Finance, deferred and published in the Journal of the Proceedings of February 26, 1992, pages 13293 through 13296, recommending that the City Council pass a proposed ordinance concerning the selection of an interim contractor to provide shuttle bus service between the Chicago O'Hare International Airport Annex parking lots and the airport terminals.

Thereupon, Alderman Burke moved that the foregoing proposed ordinance *Do Not Pass*, notwithstanding the recommendation of the Committee on Finance. The motion *Prevailed* by a viva voce vote.

Said ordinance, which failed to pass, reads as follows:

WHEREAS, The City of Chicago, a duly constituted and existing municipality within the meaning of Section I, Article VII of the 1970 Constitution of the State of Illinois ("Constitution") and a home rule unit of local government under Section 6(a), Article VII of the Constitution ("City"), owns and operates O'Hare International Airport ("O'Hare"), and provides various services to users of O'Hare; and

WHEREAS, It is necessary for the safe and efficient operation of O'Hare to provide an adequate number of parking spaces, many of which are located in remote Annex Parking Lots C and E because of an inadequate number of parking spaces at other locations; and

WHEREAS, It is necessary for the safe and efficient operation of O'Hare to provide transportation between O'Hare Annex Parking Lots C and E and the terminals, and between the terminals ("Shuttle Bus Service"); and

WHEREAS, The City entered into a contract pursuant to Specification Number B0-962-17-02 (the "Contract") with O'Hare Express/Jimray Corporation ("O'Hare Express") to provide Shuttle Bus Service; and

WHEREAS, O'Hare Express has failed to perform in accordance with its obligations under the Contract and these breaches constitute an emergency which threatens public safety; and

WHEREAS, As a result of such failure the City gave the O'Hare Express a notice of default allowing O'Hare Express a reasonable period of time to cure its default and come into compliance with the terms and conditions of the Contract; and

WHEREAS, As a result of O'Hare Express' failure to cure its default, the City has the right under the Contract to terminate O'Hare Express for being in default and to then obtain another operator to provide satisfactory Shuttle Bus Service; and

WHEREAS, The City intends to exercise its right to terminate the Contract; and

WHEREAS, Upon termination of the Contract there will be an emergency at O'Hare which would threaten the public safety in various ways including, without limitation, the following: severe traffic congestion would be created which would seriously disrupt ground transportation and create dangerous traffic conditions, and O'Hare Annex Parking Lots C and E would be rendered virtually unusable, unless the City has a contractor ready, willing and able to provide Shuttle Bus Service; and

WHEREAS, In order to obtain another Shuttle Bus Service operator the City intends to award a new contract for Shuttle Bus Service pursuant to the public advertising requirements of the Municipal Purchasing Act for Cities of 500,000 or More Population, Ill. Rev. Stat, Ch. 24, par. 8-10-1 et seq. ("Purchasing Act"); and

WHEREAS, The process of advertising a contract, evaluating bids, processing and executing a contract, and allowing a contractor time to mobilize and commence operations may require, at a minimum, one hundred and eighty (180) days; and

WHEREAS, In order for the City to provide uninterrupted Shuttle Bus Service after termination of the Contract, the City needs to engage an interim contractor on an emergency basis ("Interim Contractor") until the permanent contractor selected pursuant to the public advertising procedures of the Purchasing Act is ready to provide Shuttle Bus Service; and

WHEREAS, Section 8-10-5 of the Purchasing Act provides that the City may let contracts without public advertising when the corporate authorities of the municipality determine an emergency exists; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The foregoing preambles are hereby adopted and incorporated herein by reference.

SECTION 2. The Acting Purchasing Agent is hereby authorized to select, with the assistance of the Commissioner of Aviation ("Commissioner"), an Interim Contractor to provide Shuttle Bus Service to cover the hereby declared emergency based on relevant criteria, including but not limited to the following: past performance as a bus service operator; capability of providing Shuttle Bus Service which satisfies City requirements on a professional, timely basis; and contract cost.

SECTION 3. The Acting Purchasing Agent and the Commissioner, or their duly authorized representatives, are hereby authorized to negotiate with the Interim Contractor the terms of a contract for the provision of emergency Shuttle Bus Service.

SECTION 4. Subject to approval of the Corporation Counsel as to form and legality, the Mayor, Purchasing Agent, and Comptroller are hereby authorized to execute a contract between the City and the Interim Contractor, provided that the contract amount does not exceed One Million Seven Hundred Thousand Dollars (\$1,700,000), that the term of the contract shall not exceed one hundred and eighty (180) days, and that it contains such additional contract terms as may be required by law or are deemed appropriate or necessary by the Acting Purchasing Agent and the Commissioner.
