WHEREAS, The Prior Bonds may not be redeemed prior to July 1, 1996 and under current federal tax law, bonds issued for the purpose of refunding the Prior Bonds may not be issued on a tax-exempt basis any earlier than 90 days prior to the July 1, 1996 redemption date; and

WHEREAS, By entering into an I.S.D.A. Master Agreement (the "Master Agreement") and a Confirmation evidencing an interest rate swap transaction thereunder (a "Confirmation") in substantially the forms attached hereto as Exhibit A and made a part hereof (collectively, the Master Agreement, as supplemented and amended by each Confirmation thereunder is referred to as the "Swap Agreement") with a swap provider or swap providers to be selected by the City Comptroller (the "Swap Providers"), the City expects to secure interest rate savings in connection with a refunding of the Prior Bonds; and

WHEREAS, The City has determined that it is advisable and necessary at this time to authorize the borrowing of the sum necessary for the purpose of refunding all or a portion of the Prior Bonds and paying the expense of issuing the bonds herein authorized for such purpose, and in evidence thereof to authorize the issuance of its General Obligation Bonds, Refunding Series 1996, in an original principal amount not to exceed \$210,000,000 (the "Bonds"), such borrowing being for a proper public purpose and in the public interest, and the City, by virtue of its constitutional home rule powers and all laws applicable thereto, has the power to issue the Bonds; now, therefore,

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. The City Council, after a public meeting heretofore held on this ordinance by the Committee on Finance of the City Council, pursuant to proper notice having been given thereof, and in accordance with the findings and recommendations of such Committee, hereby incorporates the recitals contained in the preambles to this ordinance into this ordinance by this reference.

SECTION 2. There shall be authorized the borrowing on the credit of and for and on behalf of the City the original principal amount of not to exceed \$210,000,000 for the refunding purposes aforesaid; and the Bonds may be issued in said original principal amount, or such lesser original principal amount, as may be determined by the City Comptroller. The Bonds shall be issued pursuant to the terms of a trust indenture (the "Indenture") hereby authorized to be entered into between the City and a trustee designated therein (the "Trustee"), such Indenture to contain, among other things, terms as to such Bonds substantially in accordance with the terms set forth in Exhibit B attached hereto and made a part hereof. The Mayor or the City Comptroller is hereby authorized to execute and deliver the Indenture in connection with the issuance of the Bonds under the seal of the City, affixed and attested by the City Clerk.

The Bonds and the obligation to reimburse any issuer or issuers of a credit facility or credit facilities for the Bonds (the "Credit Facility Issuer" or "Credit Facility Issuers" respectively) for the payment of drawings or advances on a credit facility (including but not limited to a letter of credit, line of credit, insurance policy or surety bond) or credit facilities for the Bonds (the "Credit Facility" or "Credit Facilities" respectively) to pay

principal or purchase price of and interest on the Bonds shall be a direct and general obligation of the City for the payment of which, both principal and interest, the City pledges its full faith, credit and resources. Principal of and interest on the Bonds and such payments to any Credit Facility Issuer shall be payable from any moneys, revenues, receipts, income, assets or funds of the City legally available for such purposes and there are hereby appropriated all such moneys, revenues, receipts, income, assets or funds as may be necessary for such purposes, including proceeds of the direct annual tax levied pursuant to Section 7 hereof.

The City shall promptly pay or cause to be paid the principal or purchase price of and interest on each Bond issued pursuant to this ordinance and the Indenture at the place, at the time and in the manner provided in such Indenture and in the Bonds to the true intent and meaning thereof.

SECTION 3. (a) The Bonds shall be sold and delivered to an underwriter or group of underwriters to be selected by the City Comptroller (the "Underwriters"), subject to the terms and conditions of a contract of purchase related thereto. The Mayor or the City Comptroller is hereby authorized to execute on behalf of the City, with the concurrence of the Chairman of the Committee on Finance of the City Council, one or more contracts of purchase in substantially the form previously used for similar financings of the City with appropriate revisions to reflect the terms and provisions of the Bonds and such other revisions in text as the City Comptroller shall determine are necessary or desirable in connection with the sale of the Bonds. The compensation paid to the Underwriters in connection with any sale of Bonds shall not exceed three percent of the principal amount of the Bonds being sold.

(b) Subsequent to the sale of any Bonds, the City Comptroller shall file in the Office of the City Clerk a notification of sale directed to the City Council setting forth (i) the aggregate principal amount of, maturity schedule and redemption provisions for the Bonds sold, (ii) the aggregate principal amounts and maturity dates of the Prior Bonds being refunded with proceeds of the Bonds so sold (which Prior Bonds shall be selected by the City Comptroller so as to achieve aggregate debt service savings), (iii) the identity of the Credit Facility Issuer or Credit Facility Issuers issuing the Credit Facility or Credit Facilities, (iv) the identity of the Underwriters selected by the City Comptroller, (v) the identity of the remarketing agent (the "Remarketing Agent") selected by the City Comptroller, (vi) the initial interest rate determination method or methods for such Bonds and the initial interest rates determined within each such interest rate determination method, and (vii) the compensation paid to the Underwriters in connection with such sale. A copy of the Indenture in the form executed by the City shall be attached thereto.

(c) In connection with any sale of the Bonds, the Mayor or the City Comptroller is hereby authorized to execute and deliver, and the Underwriters are hereby authorized to use and distribute, such disclosure

documents as they shall deem appropriate on behalf of the City, which disclosure documents shall be in substantially the forms previously used for similar financings of the City with appropriate revisions to reflect the terms and provisions of the Bonds and to describe accurately the current condition of the City and the parties to the financing.

(d) The Bonds may be issued in either certificate or book-entry form as determined by the City Comptroller. In connection with the issuance of Bonds issued in book-entry form the City Comptroller is authorized to execute and deliver a representation letter to the book-entry depository selected by the City Comptroller.

SECTION 4. The City hereby authorizes the City Comptroller to appoint the Trustee under the Indenture for the purposes and upon the express terms and conditions to be set forth in the Indenture. The acceptance of the Trustee shall be evidenced by its execution of the Indenture. Any Trustee (a) shall be a commercial bank with trust powers or a trust company other than any issuer of the Credit Facility (i) duly organized under the laws of the United States or any state or territory thereof, (ii) authorized by law to perform all the duties imposed upon it by the Indenture and the laws of the State of Illinois, and (iii) capable of meeting its obligations under the Indenture and (b) shall have, or shall be a wholly owned subsidiary of a banking association or corporation having a combined capital stock, surplus and undivided profits of at least \$50,000,000.

SECTION 5. The City hereby authorizes the City Comptroller to appoint the Remarketing Agent and to execute and deliver a remarketing agreement between the City and the Remarketing Agent (the "Remarketing Agreement") in connection with the issuance of the Bonds. The annual fee paid to any Remarketing Agent pursuant to any Remarketing Agreement shall not exceed one percent of the average principal amount of Bonds covered by such Remarketing Agreement and outstanding during such annual period.

SECTION 6. The City hereby authorizes the City Comptroller to obtain a Credit Facility for the Bonds if determined by the City Comptroller to be desirable in connection with the marketing and remarketing of the Bonds. The Mayor or the City Comptroller is hereby further authorized to (a) appoint one or more Credit Facility Issuers to issue such Credit Facility; (b) execute and deliver a reimbursement agreement between the City and the Credit Facility Issuer or Credit Facility Issuers (the "Reimbursement Agreement") relating to any Bonds so secured in substantially the form previously used for similar financings of the City with appropriate revisions to reflect the terms and provisions of the Bonds and such other revisions in text as the City Comptroller shall determine are necessary or desirable in connection with the sale of such Bonds; and (c) execute and deliver a credit facility note pursuant to the Reimbursement Agreement (the "Credit Facility Note") in substantially the form previously used for similar financings of the City with appropriate revisions to reflect the terms and

provisions of such Bonds and such other revisions in text as the City Comptroller shall determine are necessary or desirable in connection with the sale of the Bonds. The annual fee paid to any Credit Facility Issuer or Credit Facility Issuers for the provision of a Credit Facility shall not exceed two percent of the amount available to be drawn under such Credit Facility. Nothing contained herein shall limit or restrict the City Comptroller's ability to appoint more than one Credit Facility Issuer to issue a single Credit Facility.

Any Credit Facility Note shall be a direct and general obligation of the City for the payment of which, both principal and interest, the City pledges its full faith, credit and resources. The Credit Facility Note shall be payable, both principal and interest, from any moneys, revenues, receipts, income, assets or funds of the City legally available for such purpose and there are hereby appropriated all such moneys, revenues, receipts, income, assets or funds as may be necessary for such purpose, including proceeds of the direct annual tax levied pursuant to Section 7 hereof. Any Credit Facility Note shall bear interest at a rate not exceeding twelve percent per annum.

In appointing one or more Credit Facility Issuers pursuant to this Section 6, the City Comptroller shall select one or more banking corporations or associations or other financial institutions that will cause the Bonds to bear one of the two highest short-term ratings available from Moody's Investors Service, Inc. and Standard & Poor's Corporation, or one of them in the event that the Bonds are not to be rated by both.

SECTION 7. For the purpose of providing the funds required (i) to reimburse the Credit Facility Issuer or Credit Facility Issuers for drawings or advances under the Credit Facility or Credit Facilities as provided in Section 2 hereof or (ii) to pay the principal of and interest on the Bonds promptly as the same become due if no such drawings are required to be made or are made and not honored, there is hereby levied and there shall be collected the following direct annual tax upon all taxable property in the City:

SECTION 8. (a) The City is hereby authorized to enter into the Master Agreement and, from time to time, interest rate swap transactions pursuant to the Master Agreement and one or more Confirmations with the Swap Providers. The terms of each interest rate swap transaction, including interest rate, term, Notional Amounts (as defined in the Master Agreement) and options as to commencement and termination of payments, shall be as described in the Master Agreement and as provided in the related Confirmations, as approved from time to time by the City Comptroller. The aggregate Notional Amount, as defined in the Master Agreement, of interest rate swap transactions authorized by this ordinance outstanding at any one time, net of offsetting interest rate swap transactions, shall not exceed the principal amount of the Bonds outstanding and each such interest rate swap transaction shall terminate on a date no later than January 1, 2013.

(b) The City Comptroller is hereby authorized on behalf of the City to execute and deliver to the Swap Providers the Master Agreement and each Confirmation in substantially the form of Master Agreement and Confirmation attached hereto as Exhibit A, with such changes, modifications, omissions or insertions as the City Comptroller shall approve not inconsistent with the provisions of this ordinance, and the execution of the Master Agreement and each Confirmation by the City Comptroller shall be deemed to be full and complete approval of the City Council of any such change, modification, omission or insertion.

(c) Moneys received from the Swap Providers pursuant to the Master Agreement as supplemented and amended by the Confirmations may be used for any lawful corporate purpose of the City for which a sufficient appropriation shall have been made.

(d) The City Comptroller, and any other officer, employee or agent of the City designated from time to time by the City Comptroller, are hereby authorized on behalf of the City to do all acts and things required or provided by the provisions of the Master Agreement and any Confirmation and this ordinance and any certificates, agreements, consents, warrants or documents executed and delivered on behalf of the City in connection therewith, to pay all fees and expenses in connection with the interest rate swap transactions as set forth in the Master Agreement, to enter into interest rate floors, caps and collars or to purchase swap insurance policies in connection with any of the interest rate swap transactions authorized hereby and to take any other actions which they or any of them deem necessary, desirable or appropriate in order to effect any of the transactions contemplated by this ordinance or the agreements approved pursuant to this ordinance, including, without limitation, oral confirmation and acceptance of the terms of any interest rate swap transaction.

(e) Amounts payable by the City under the Swap Agreement shall be payable from any moneys, revenues, receipts, income, assets or funds of the City legally available for such purpose and there are hereby appropriated all such moneys, revenues, receipts, income, assets or funds as may be necessary for such purpose.

(f) Subsequent to the execution of the Master Agreement, the City Comptroller shall file in the Office of the City Clerk a notification directed to the City Council setting forth the identity of the Swap Providers. A copy of the Master Agreement in the form executed by the City shall be attached thereto.

SECTION 9. The City Comptroller is hereby authorized to obtain a policy of bond insurance if it is determined by him to be desirable in connection with the marketing and remarketing of any Bonds.

SECTION 10. The City shall appropriate amounts sufficient to (a) reimburse each Credit Facility Issuer appointed pursuant to the provisions of Section 6 hereof at the times and in the amounts as provided in the Reimbursement Agreement, (b) pay the principal of and interest on the Bonds if any Credit Facility Issuer has failed to honor a proper draw under a Credit Facility or the Bonds bear interest at a fixed rate to maturity and are not secured by a Credit Facility, (c) pay the fees and expenses of the Trustee in a timely manner, and (d) pay the fees and expenses of the Remarketing Agent pursuant to the Remarketing Agreement, and the City hereby covenants to take timely action as required by law (including the levy of an additional direct annual tax) to carry out the provisions of this Section 10, but, if for any such year it fails to do so, this ordinance shall constitute a

continuing appropriation ordinance of such amounts without any further action on the part of the City Council.

In the event that proceeds of the taxes levied or to be levied hereunder are not available in time to make any payments when due under the Bonds or the Reimbursement Agreement, then the City Comptroller and the Treasurer of the City are hereby directed to make such payments in accordance with the Bonds or such Reimbursement Agreement from any other moneys, revenues, receipts, income, assets or funds of the City that are legally available for that purpose in advance of the collection of the taxes and when the proceeds of such taxes are received, such other funds shall be replenished, all to the end that the credit of the City may be preserved by the prompt payment of its obligations under the Bonds, the Reimbursement Agreement and the Credit Facility Note as the same become due.

SECTION 11. A copy of this ordinance, duly certified by the City Clerk, shall be filed in the respective offices of the County Clerks of Cook and Du Page Counties, Illinois (the "County Clerks") and such filings shall constitute the authority for extending, and it shall be the duty of said County Clerks to extend, the taxes levied pursuant to Section 7 hereof for collection, such taxes to be in addition to and in excess of all other taxes heretofore or hereafter authorized to be levied by the City on its behalf.

SECTION 12. The Mayor, the City Comptroller, the City Treasurer, the City Clerk and the Deputy City Clerk are hereby authorized to execute and deliver such other documents and perform such other acts as may be necessary or desirable in connection with the Bonds, including, but not limited to, the exercise following the delivery date of the Bonds of any power or authority delegated to such official under this ordinance with respect to the Bonds upon original issuance, but subject to any limitations on or restrictions of such power or authority as herein set forth.

SECTION 13. To the extent that any ordinance, resolution, rule, order or provision of the Municipal Code of the City of Chicago, or part thereof, is in conflict with the provisions of this ordinance, the provisions of this ordinance shall be controlling. If any section, paragraph, clause or provision of this ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this ordinance.

SECTION 14. This ordinance shall be published by the City Clerk, by causing to be printed in special pamphlet form at least 25 copies hereof, which copies are to be made available in his office for public inspection and distribution to members of the public who may wish to avail themselves of a copy of this ordinance.

SECTION 15. This ordinance shall be in full force and effect from and after its adoption, approval by the Mayor and publication.

Exhibits "A" and "B" attached to this ordinance read as follows:

*Exhibit "A".*

*I.S.D.A. ®*

*International Swap Dealers Association, Inc.*

*Master Agreement.*

*Dated As Of \_\_\_\_\_.*

\_\_\_\_\_ and \_\_\_\_\_  
have entered and/or anticipate entering into one or more transactions (each a "Transaction") that are or will be governed by this Master Agreement, which includes the schedule (the "Schedule"), and the documents and other confirming evidence (each a "Confirmation") exchanged between the parties confirming those Transactions.

Accordingly, the parties agree as follows:

1. Interpretation.

(a) Definitions. The terms defined in Section 12 and in the Schedule will have the meanings therein specified for the purpose of this Master Agreement.

(b) Inconsistency. In the event of any inconsistency between the provisions of the Schedule and the other provisions of this Master Agreement, the Schedule will prevail. In the event of any inconsistency between the provisions of any Confirmation and this Master Agreement (including the Schedule), such Confirmation will prevail for the purpose of the relevant Transaction.

(c) Single Agreement. All Transactions are entered into in reliance on the fact that this Master Agreement and all Confirmations form a single agreement between the parties (collectively referred to as this "Agreement"), and the parties would not otherwise enter into any Transactions.

2. Obligations.

(a) General Conditions.

(i) Each party will make each payment or delivery specified in each Confirmation to be made by it, subject to the other provisions of this Agreement.

(ii) Payments under this Agreement will be made on the due date for value on that date in the place of the account specified in the relevant Confirmation or otherwise pursuant to this Agreement, in freely transferable funds and in the manner customary for payments in the required currency. Where settlement is by delivery (that is, other than by payment), such delivery will be made for receipt on the due date in the manner customary for the relevant obligation unless otherwise specified in the relevant Confirmation or elsewhere in this Agreement.

(iii) Each obligation of each party under Section 2(a)(i) is subject to (1) the condition precedent that no Event of Default or Potential Event of Default with respect to the other party has occurred and is continuing, (2) the condition precedent that no Early Termination Date in respect of the relevant Transaction has occurred or been effectively designated and (3) each other applicable condition precedent specified in this Agreement.

(b) Change of Account. Either party may change its account for receiving a payment or delivery by giving notice to the other party at least five Local Business Days prior to the scheduled date for the payment or delivery to which such change applies unless such other party gives timely notice of a reasonable objection to such change.

(c) Netting. If on any date amounts would otherwise be payable:

(i) in the same currency; and

(ii) in respect of the same Transaction,

by each party to the other, then, on such date, each party's obligation to make payment of any such amount will be automatically satisfied and discharged and, if the aggregate amount that would otherwise have been payable by one party exceeds the aggregate amount that would otherwise have been payable by the other party, replaced by an obligation upon the party by whom the larger aggregate amount would have been payable to pay to the other party the excess of the larger aggregate amount over the smaller aggregate amount.

The parties may elect in respect of two or more Transactions that a net amount will be determined in respect of all amounts payable on the same date in the same currency in respect of such Transactions, regardless of

whether such amounts are payable in respect of the same Transaction. The election may be made in the Schedule or a Confirmation by specifying that subparagraph (ii) above will not apply to the Transactions identified as being subject to the election, together with the starting date (in which case subparagraph (ii) above will not, or will cease to, apply to such Transactions from such date). This election may be made separately for different groups of Transactions and will apply separately to each pairing of branches or offices through which the parties make and receive payments or deliveries.

(d) **Default Interest; Other Amounts.** Prior to the occurrence or effective designation of an Early Termination Date in respect of the relevant Transactions, a party that defaults in the performance of any payment obligation will, to the extent permitted by law and subject to Section 6(c), be required to pay interest (before as well as after judgment) on the overdue amount to the other party on demand in the same currency as such overdue amount, for the period from (and including) the original due date for payment to (but excluding) the date of actual payment, at the Default Rate. Such interest will be calculated on the basis of daily compounding and the actual number of days elapsed. If, prior to the occurrence or effective designation of an Early Termination Date in respect of the relevant Transaction, a party defaults in the performance of any obligation required to be settled by delivery, it will compensate the other party on demand if and to the extent provided for in the relevant Confirmation or elsewhere in this Agreement.

### 3. Representations.

Each party represents to the other party (which representations will be deemed to be repeated by each party on each date on which a Transaction is entered into) that:

#### (a) Basic Representations.

(i) **Status.** It is duly organized and validly existing under the laws of the jurisdiction of its organization or incorporation and, if relevant under such laws, in good standing;

(ii) **Powers.** It has the power to execute this Agreement and any other documentation relating to this Agreement to which it is a party, to deliver this Agreement and any other documentation relating to this Agreement that it is required by this Agreement to deliver and to perform its obligations under this Agreement and any obligations it has under any Credit Support Document to which it is a party and has taken all necessary action to authorize such execution, delivery and performance;

(iii) **No Violation or Conflict.** Such execution, delivery and performance do not violate or conflict with any law applicable to it, any provision of its constitutional documents, any order or judgment of any

court or other agency of government applicable to it or any of its assets or any contractual restriction binding on or affecting it or any of its assets;

(iv) Consents. All governmental and other consents that are required to have been obtained by it with respect to this Agreement or any Credit Support Document to which it is a party have been obtained and are in full force and effect and all conditions of any such consents have been complied with; and

(v) Obligations Binding. Its obligations under this Agreement and any Credit Support Document to which it is a party constitute its legal, valid and binding obligations, enforceable in accordance with their respective terms (subject to applicable bankruptcy, reorganization, insolvency, moratorium or similar laws affecting creditors' rights generally and subject, as to enforceability, to equitable principles of general application (regardless of whether enforcement is sought in a proceeding in equity or at law)).

(b) Absence of Certain Events. No Event of Default or Potential Event of Default or, to its knowledge, Termination Event with respect to it has occurred and is continuing and no such event or circumstance would occur as a result of its entering into or performing its obligations under this Agreement or any Credit Support Document to which it is a party.

(c) Absence of Litigation. There is not pending or, to its knowledge, threatened against it or any of its Affiliates any action, suit or proceeding at law or in equity or before any court, tribunal, governmental body, agency or official or any arbitrator that is likely to affect the legality, validity or enforceability against it of this Agreement or any Credit Support Document to which it is a party or its ability to perform its obligations under this Agreement or such Credit Support Document.

(d) Accuracy of Specified Information. All applicable information that is furnished in writing by or on behalf of it to the other party and is identified for the purpose of this Section 3(d) in the Schedule is, as of the date of the information, true, accurate and complete in every material respect.

#### 4. Agreements.

Each party agrees with the other that, so long as either party has or may have any obligation under this Agreement or under any Credit Support Document to which it is a party:

(a) Furnish Specified Information. It will deliver to the other party any forms, documents or certificates specified in the Schedule or any Confirmation by the date specified in the Schedule or such Confirmation or, if none is specified, as soon as reasonably practicable.

(b) **Maintain Authorizations.** It will use all reasonable efforts to maintain in full force and effect all consents of any governmental or other authority that are required to be obtained by it with respect to this Agreement or any Credit Support Document to which it is a party and will use all reasonable efforts to obtain any that may become necessary in the future.

(c) **Comply with Laws.** It will comply in all material respects with all applicable laws and orders to which it may be subject if failure so to comply would materially impair its ability to perform its obligations under this Agreement or any Credit Support Document to which it is a party.

#### 5. Events Of Default And Termination Events.

(a) **Events of Default.** The occurrence at any time with respect to a party or, if applicable, any Credit Support Provider of such party or any Specified Entity of such party of any of the following events constitutes an event of default (an "Event of Default") with respect to such party:

(i) **Failure to Pay or Deliver.** Failure by the party to make, when due, any payment under this Agreement or delivery under Section 2(a)(i) or 2(d) required to be made by it if such failure is not remedied on or before the third Local Business Day after notice of such failure is given to the party;

(ii) **Breach of Agreement.** Failure by the party to comply with or perform any agreement or obligation (other than an obligation to make any payment under this Agreement or delivery under Section 2(a)(i) or 2(d) or to give notice of a Termination Event or any agreement or obligation under Section 4(a)) to be complied with or performed by the party in accordance with this Agreement if such failure is not remedied on or before the thirtieth day after notice of such failure is given to the party;

(iii) **Credit Support Default.**

(1) Failure by the party or any Credit Support Provider of such party to comply with or perform any agreement or obligation to be complied with or performed by it in accordance with any Credit Support Document if such failure is continuing after any applicable grace period has elapsed;

(2) the expiration or termination of such Credit Support Document or the failing or ceasing of such Credit Support Document to be in full force and effect for the purpose of this Agreement (in either case other than in accordance with its terms) prior to the satisfaction of all obligations of

such party under each Transaction to which such Credit Support Document relates without the written consent of the other party; or

(3) the party or such Credit Support Provider disaffirms, disclaims, repudiates or rejects, in whole or in part, or challenges the validity of, such Credit Support Document;

(iv) Misrepresentation. A representation made or repeated or deemed to have been made or repeated by the party or any Credit Support Provider of such party in this Agreement or any Credit Support Document proves to have been incorrect or misleading in any material respect when made or repeated or deemed to have been made or repeated;

(v) Default under Specified Transaction. The party, any Credit Support Provider of such party or any applicable Specified Entity of such party (1) defaults under a Specified Transaction and, after giving effect to any applicable notice requirement or grace period, there occurs a liquidation of, an acceleration of obligations under, or an early termination of, that Specified Transaction, (2) defaults, after giving effect to any applicable notice requirement or grace period, in making any payment or delivery due on the last payment, delivery or exchange date of, or any payment on early termination of, a Specified Transaction (or such default continues for at least three Local Business Days if there is no applicable notice requirement or grace period) or (3) disaffirms, disclaims, repudiates or rejects, in whole or in part, a Specified Transaction (or such action is taken by any person or entity appointed or empowered to operate it or act on its behalf);

(vi) Cross Default. If "Cross Default" is specified in the Schedule as applying to the party, the occurrence or existence of (1) a default, event of default or other similar condition or event (however described) in respect of such party, any Credit Support Provider of such party or any applicable Specified Entity of such party under one or more agreements or instruments relating to Specified Indebtedness of any of them (individually or collectively) in an aggregate amount of not less than the applicable Threshold Amount (as specified in the Schedule) which has resulted in such Specified Indebtedness becoming, or becoming capable at such time of being declared, due and payable under such agreements or instruments, before it would otherwise have been due and payable or (2) a default by such party, such Credit Support Provider or such Specified Entity (individually or collectively) in making one or more payments on the due date thereof in an aggregate amount of not less than the applicable Threshold Amount under such agreements or instruments (after giving effect to any applicable notice requirement or grace period);

(vii) Bankruptcy. The party, any Credit Support Provider of such party or any applicable Specified Entity of such party:

(viii) Merger Without Assumption. The party or any Credit Support Provider of such party consolidates or amalgamates with, or merges with or into, or transfers all or substantially all its assets to, another entity and, at the time of such consolidation, amalgamation, merger or transfer:

(1) the resulting, surviving or transferee entity fails to assume all the obligations of such party or such Credit Support Provider under this Agreement or any Credit Support Document to which it or its predecessor was a party by operation of law or pursuant to an agreement reasonably satisfactory to the other party to this Agreement; or

(2) the benefits of any Credit Support Document fail to extend (without the consent of the other party) to the performance by such resulting, surviving or transferee entity of its obligations under this Agreement.

(b) Termination Events. The occurrence at any time with respect to a party or, if applicable, any Credit Support Provider of such party or any Specified Entity of such party of any event specified below constitutes an Illegality if the event is specified in (i) below, and, if specified to be applicable, a Credit Event Upon Merger if the event is specified pursuant to (ii) below or an Additional Termination Event if the event is specified pursuant to (iii) below:

(2) to perform, or for any Credit Support Provider of such party to perform, any contingent or other obligation which the party (or such Credit Support Provider) has under any Credit Support Document relating to such transaction;

(ii) Credit Event Upon Merger. If "Credit Event Upon Merger" is specified in the Schedule as applying to the party, such party ("X"), any Credit Support Provider of X or any applicable Specified Entity of X consolidates or amalgamates with, or merges with or into, or transfers all or substantially all its assets to, another entity and such action does not constitute an event described in Section 5(a)(viii) but the credit worthiness of the resulting, surviving or transferee entity is materially weaker than that of X, such Credit Support Provider or such Specified Entity, as the case may be, immediately prior to such action (and, in such event, X or its successor or transferee, as appropriate, will be the Affected Party); or

(iii) Additional Termination Event. If any "Additional Termination Event" is specified in the Schedule or any Confirmation as applying, the occurrence of such event (and, in such event, the Affected Party or Affected Parties shall be as specified for such Additional Termination Event in the Schedule or such Confirmation).

(c) Event of Default and Illegality. If an event or circumstance which would otherwise constitute or give rise to an Event of Default also

constitutes an Illegality, it will be treated as an Illegality and will not constitute an Event of Default.

## 6. Early Termination

(a) Right to Terminate Following Event of Default. If at any time an Event of Default with respect to a party (the "Defaulting Party") has occurred and is then continuing, the other party (the "Non-Defaulting Party") may, by not more than 20 days notice to the Defaulting Party specifying the relevant Event of Default, designate a day not earlier than the day such notice is effective as an Early Termination Date in respect of all outstanding Transactions. If, however, "Automatic Early Termination" is specified in the Schedule as applying to a party, then an Early Termination Date in respect of all outstanding Transactions will occur immediately upon the occurrence with respect to such party of an Event of Default specified in Section 5(a)(vii)(1), (3), (5), (6) or, to the extent analogous thereto, (8), and as of the time immediately preceding the institution of the relevant proceeding or the presentation of the relevant petition upon the occurrence with respect to such party of an Event of Default specified in Section 5(a)(vii)(4) or, to the extent analogous thereto, (8).

### (b) Right to Terminate Following Termination Event.

(i) Notice. If a Termination Event occurs, an Affected Party will, promptly upon becoming aware of it, notify the other party, specifying the nature of that Termination Event and each Affected Transaction and will also give such other information about the Termination Event as the other party may reasonably require.

(ii) Two Affected Parties. If an Illegality under Section 5(b)(1) occurs and there are two Affected Parties, each party will use all reasonable efforts to reach agreement within 30 days after notice thereof is given under Section 6(b)(i) on action to avoid that Termination Event.

### (iii) Right to Terminate. If:

(1) an agreement under Section 6(b)(ii) has not been effected with respect to all Affected Transactions within 30 days after an Affected Party gives notice under Section 6(b)(i); or

(2) an Illegality other than that referred to in Section 6(b)(ii), a Credit Event Upon Merger or an Additional Termination Event occurs,

either party in the case of an Illegality, any Affected Party in the case of an Additional Termination Event if there is more than one Affected Party,

or the party which is not the Affected Party in the case of a Credit Event Upon Merger or an Additional Termination Event if there is only one Affected Party may, by not more than 20 days notice to the other party and provided that the relevant Termination Event is then continuing, designate a day not earlier than the day such notice is effective as an Early Termination Date in respect of all Affected Transactions.

(c) Effect of Designation.

(i) If notice designating an Early Termination Date is given under Section 6(a) or (b), the Early Termination Date will occur on the date so designated, whether or not the relevant Event of Default or Termination Event is then continuing.

(ii) Upon the occurrence or effective designation of an Early Termination Date, no further payments or deliveries under Section 2(a)(i) or 2(d) in respect of the Terminated Transactions will be required to be made, but without prejudice to the other provisions of this Agreement. The amount, if any, payable in respect of an Early Termination Date shall be determined pursuant to Section 6(e).

(d) Calculations.

(i) Statement. On or as soon as reasonably practicable following the occurrence of an Early Termination Date, each party will make the calculations on its part, if any, contemplated by Section 6(e) and will provide to the other party a statement (1) showing, in reasonable detail, such calculations (including all relevant quotations and specifying any amount payable under Section 6(e)) and (2) giving details of the relevant account to which any amount payable to it is to be paid. In the absence of written confirmation from the source of a quotation obtained in determining a Market Quotation, the records of the party obtaining such quotation will be conclusive evidence of the existence and accuracy of such quotation.

(ii) Payment Date. An amount calculated as being due in respect of any Early Termination Date under Section 6(e) will be payable on the day that notice of the amount payable is effective (in the case of an Early Termination Date which is designated or occurs as a result of an Event of Default) and on the day which is two Local Business Days after the day on which notice of the amount payable is effective (in the case of an Early Termination Date which is designated as a result of a Termination Event). Such amount will be paid together with (to the extent permitted under applicable law) interest thereon (before as well as after judgment), from (and including) the relevant Early Termination Date to (but excluding) the date such amount is paid, at the Applicable Rate. Such interest will be

calculated on the basis of daily compounding and the actual number of days elapsed.

(e) **Payments on Early Termination.** If an Early Termination Date occurs, the following provisions shall apply based on the parties' election in the Schedule of a payment measure, either "Market Quotation" or "Loss", and a payment method, either the "First Method" or the "Second Method". If the parties fail to designate a payment measure or payment method in the Schedule, it will be deemed that "Market Quotation" or the "Second Method", as the case may be, shall apply. The amount, if any, payable in respect of an Early Termination Date and determined pursuant to this Section will be subject to any Set-off.

(i) **Events of Default.** If the Early Termination Date results from an Event of Default:

(1) **First Method and Market Quotation.** If the First Method and Market Quotation apply, the Defaulting Party will pay to the Non-defaulting Party the excess, if a positive number, of (A) the sum of the Settlement Amount (determined by the Non-defaulting Party) in respect of the Terminated Transactions and the Unpaid Amounts owing to the Non-defaulting Party over (B) the Unpaid Amounts owing to the Defaulting Party.

(2) **First Method and Loss.** If the First Method and Loss apply, the Defaulting Party will pay to the Non-defaulting Party, if a positive number, the Non-defaulting Party's Loss in respect of this Agreement.

(3) **Second Method and Market Quotation.** If the Second Method and Market Quotation apply, an amount will be payable equal to (A) the sum of the Settlement Amount (determined by the Non-defaulting Party) in respect of the Terminated Transactions and the Unpaid Amounts owing to the Non-defaulting Party less (B) the Unpaid Amounts owing to the Defaulting Party. If that amount is a positive number, the Defaulting Party will pay it to the Non-defaulting Party; if it is a negative number, the Non-defaulting Party will pay the absolute value of that amount to the Defaulting Party.

(4) **Second Method and Loss.** If the Second Method and Loss apply, an amount will be payable equal to the Non-defaulting Party's Loss in respect of this Agreement. If that amount is a positive number, the Defaulting Party will pay it to the Non-defaulting Party; if it is a negative number, the Non-defaulting Party will pay the absolute value of that amount to the Defaulting Party.

(ii) Termination Events. If the Early Termination Date results from a Termination Event:

(1) One Affected Party. If there is one Affected Party, the amount payable will be determined in accordance with Section 6(e)(i)(3), if Market Quotation applies, or Section 6(e)(i)(4), if Loss applies, except that, in either case, references to the Defaulting Party and to the Non-defaulting Party will be deemed to be references to the Affected Party and the party which is not the Affected Party, respectively, and, if Loss applies and fewer than all the Transactions are being terminated, Loss shall be calculated in respect of all Terminated Transactions.

(2) Two Affected Parties. If there are two Affected Parties:

(A) if Market Quotation applies, each party will determine a Settlement Amount in respect of the Terminated Transactions, and an amount will be payable equal to (I) the sum of (a) one-half of the difference between the Settlement Amount of the party with the higher Settlement Amount ("X") and the Settlement Amount of the party with the lower Settlement Amount ("Y") and (b) the Unpaid Amounts owing to X less (II) the Unpaid Amounts owing to Y; and

(B) if Loss applies, each party will determine its Loss in respect of this Agreement (or, if fewer than all the Transactions are being terminated, in respect of all Terminated Transactions) and an amount will be payable equal to one-half of the difference between the Loss of the party with the higher Loss ("X") and the Loss of the party with the lower Loss ("Y").

If the amount payable is a positive number, Y will pay it to X; if it is a negative number, X will pay the absolute value of that amount to Y.

(iii) Adjustment for Bankruptcy. In circumstances where an Early Termination Date occurs because "Automatic Early Termination" applies in respect of a party, the amount determined under this Section 6(e) will be subject to such adjustments as are appropriate and permitted by law to reflect any payments or deliveries made by one party to the other under this Agreement (and retained by such other party) during the period from the relevant Early Termination Date to the date for payment determined under Section 6(d)(ii).

(iv) Pre-Estimate. The parties agree that if Market Quotation applies an amount recoverable under this Section 6(e) is a reasonable pre-estimate of loss and not a penalty. Such amount is payable for the loss of bargain and the loss of protection against future risks and except as otherwise provided in this Agreement neither party will be entitled to recover any additional damages as a consequence of such losses.

## 7. Transfer.

Neither this Agreement nor any interest or obligation in or under this Agreement may be transferred (whether by way of security or otherwise) by either party without the prior written consent of the other party, except that:

(a) a party may make such a transfer of this Agreement pursuant to a consolidation or amalgamation with, or merger with or into, or transfer of all or substantially all its assets to, another entity (but without prejudice to any other right or remedy under this Agreement); and

(b) a party may make such a transfer of all or any part of its interest in any amount payable to it from a Defaulting Party under Section 6(e).

Any purported transfer that is not in compliance with this Section will be void.

## 8. Miscellaneous.

(a) Entire Agreement. This Agreement constitutes the entire agreement and understanding of the parties with respect to its subject matter and supersedes all oral communication and prior writings with respect thereto.

(b) Amendments. No amendment, modification or waiver in respect of this Agreement will be effective unless in writing (including a writing evidenced by a facsimile transmission) and executed by each of the parties or confirmed by an exchange of telexes or electronic messages on an electronic messaging system.

(c) Survival of Obligations. Without prejudice to Sections 2(a)(iii) and 6(c)(ii), the obligations of the parties under this Agreement will survive the termination of any Transaction.

(d) Remedies Cumulative. Except as provided in this Agreement, the rights, powers, remedies and privileges provided in this Agreement are cumulative and not exclusive of any rights, powers, remedies and privileges provided by law.

(e) Counterparts and Confirmations.

(i) This Agreement (and each amendment, modification and waiver in respect of it) may be executed and delivered in counterparts (including by facsimile transmission), each of which will be deemed an original.

(ii) The parties intend that they are legally bound by the terms of each Transaction from the moment they agree to those terms (whether orally or otherwise). A Confirmation shall be entered into as soon as practicable and may be executed and delivered in counterparts (including by facsimile transmission) or be created by an exchange of telexes or by an exchange of electronic messages on an electronic messaging system, which in each case will be sufficient for all purposes to evidence a binding supplement to this Agreement. The parties will specify therein or through another effective means that any such counterpart, telex or electronic message constitutes a Confirmation.

(f) No Waiver of Rights. A failure or delay in exercising any right, power or privilege in respect of this Agreement will not be presumed to operate as a waiver, and a single or partial exercise of any right, power or privilege will not be presumed to preclude any subsequent or further exercise of that right, power or privilege or the exercise of any other right, power or privilege.

(g) Headings. The headings used in this Agreement are for convenience of reference only and are not to affect the construction of or to be taken into consideration in interpreting this Agreement.

#### 9. Expenses.

A Defaulting Party will, on demand, indemnify and hold harmless the other party for and against all reasonable out-of-pocket expenses, including legal fees, incurred by such other party by reason of the enforcement and protection of its rights under this Agreement or any Credit Support Document to which the Defaulting Party is a party or by reason of the early termination of any Transaction, including, but not limited to, costs of collection.

#### 10. Notices.

(a) Effectiveness. Any notice or other communication in respect of this Agreement may be given in any manner set forth below (except that a notice or other communication under Section 5 or 6 may not be given by facsimile transmission or electronic message system) to the address or number or in accordance with the electronic messaging system details provided (see the Schedule) and will be deemed effective as indicated:

(i) if in writing and delivered in person or by courier, on the date it is delivered;

(ii) if sent by telex, on the date the recipient's answerback is received;

(iii) if sent by facsimile transmission, on the date that transmission is received by a responsible employee of the recipient in legible form (it being agreed that the burden of proving receipt will be on the sender and will not be met by a transmission report generated by the sender's facsimile machine);

(iv) if sent by certified or registered mail (airmail, if overseas) or the equivalent (return receipt requested), on the date that mail is delivered or its delivery is attempted; or

(v) if sent by electronic messaging system, on the date that electronic message is received,

unless the date of that delivery (or attempted delivery) or that receipt, as applicable, is not a Local Business Day or that communication is delivered (or attempted) or received, as applicable, after the close of business on a Local Business Day, in which case that communication shall be deemed given and effective on the first following day that is a Local Business Day.

(b) Change of Addresses. Either party may by notice to the other change the address, telex or facsimile number or electronic messaging system details at which notices or other communications are to be given to it.

## 11. Governing Law and Jurisdiction.

(a) Governing Law. This Agreement will be governed by and construed in accordance with the law specified in the Schedule.

(b) Jurisdiction. With respect to any suit, action or proceedings relating to this Agreement ("Proceedings"), each party irrevocably:

(i) submits to the jurisdiction of the English courts, if this Agreement is expressed to be governed by English law, or to the non-exclusive jurisdiction of the courts of the State of New York and the United States District Court located in the Borough of Manhattan in New York City, if this Agreement is expressed to be governed by the laws of the State of New York; and

(ii) waives any objection which it may have at any time to the laying of venue of any Proceedings brought in any such court, waives any claim that such Proceedings have been brought in an inconvenient forum and further waives the right to object, with respect to such Proceedings, that such court does not have any jurisdiction over such party.

Nothing in this Agreement precludes either party from bringing Proceedings in any other jurisdiction (outside, if this Agreement is expressed to be governed by English law, the Contracting States, as defined in Section 1(3) of the Civil Jurisdiction and Judgments Act 1982 or any modification, extension or re-enactment thereof for the time being in force) nor will the bringing of Proceedings in any one or more jurisdictions preclude the bringing of Proceedings in any other jurisdiction.

(c) Waiver of Immunities. Each party irrevocably waives, to the fullest extent permitted by applicable law, with respect to itself and its revenues and assets (irrespective of their use or intended use), all immunity on the grounds of sovereignty or other similar grounds from (i) suit, (ii) jurisdiction of any court, (iii) relief by way of injunction, order for specific performance or for recovery of property, (iv) attachment of its assets (whether before or after judgment) and (v) execution or enforcement of any judgment to which it or its revenues or assets might otherwise be entitled in any Proceedings in the courts of any jurisdiction and irrevocably agrees, to the extent permitted by applicable law, that it will not claim any such immunity in any Proceedings.

"Credit Support Provider" has the meaning specified in the Schedule.

"Default Rate" means a rate per annum equal to the cost (without proof or evidence of any actual cost) to the relevant payee (as certified by it) if it were to fund or of funding the relevant amount plus 1% per annum.

"Defaulting Party" has the meaning specified in Section 6(a).

"Early Termination Date" means the date determined in accordance with Section 6(a) or 6(b)(iii).

"Event of Default" has the meaning specified in Section 5(a) and, if applicable, in the Schedule.

"Illegality" has the meaning specified in Section 5(b).

"Law" includes any treaty, law, rule or regulation and "lawful" and "unlawful" will be construed accordingly.

"Local Business Day" means, subject to the Schedule, a day on which commercial banks are open for business (including dealings in foreign exchange and foreign currency deposits) (a) in relation to any obligation under Section 2(a)(i), in the place(s) specified in the relevant Confirmation or, if not so specified, as otherwise agreed by the parties in writing or determined pursuant to provisions contained, or incorporated by reference, in this Agreement, (b) in relation to any other payment, in the place where the relevant account is located, (c) in relation to any notice or other communication, including notice contemplated under Section 5(a)(i), in the City specified in the address for notice provided by the recipient and, in the case of a notice contemplated by Section 2(b), in the place

where the relevant new account is to be located and (d) in relation to Section 5(a)(v)(2), in the relevant locations for performance with respect to such Specified Transaction.

"Loss" means, with respect to this Agreement or one or more Terminated Transactions, as the case may be, and a party, an amount that party reasonably determines in good faith to be its total losses and costs (or gain, in which case expressed as a negative number) in connection with this Agreement or that Terminated Transaction or group of Terminated Transactions, as the case may be, including any loss of bargain, cost of funding or, at the election of such party but without duplication, loss or cost incurred as a result of its terminating, liquidating, obtaining or re-establishing any hedge or related trading position (or any gain resulting from any of them). Loss includes losses and costs (or gains) in respect of any payment or delivery required to have been made (assuming satisfaction of each applicable condition precedent) on or before the relevant Early Termination Date and not made, except, so as to avoid duplication, if Section 6(e)(i)(1) or (3) or 6(e)(ii)(2)(A) applies. Loss does not include a party's legal fees and out-of-pocket expenses referred to under Section 9. A party will determine its Loss as of the relevant Early Termination Date, or, if that is not reasonably practicable, as of the earliest date thereafter as is reasonably practicable. A party may (but need not) determine its Loss by reference to quotations of relevant rates or prices from one or more leading dealers in the relevant markets.

"Market Quotation" means, with respect to one or more Terminated Transactions and a party making the determination, an amount determined on the basis of quotations from Reference Market-makers. Each quotation will be for an amount, if any, that would be paid to such party (expressed as a negative number) or by such party (expressed as a positive number) in consideration of an agreement between such party (taking into account any existing Credit Support Document with respect to the obligations of such party) and the quoting Reference Market-maker to enter into a transaction (the "Replacement Transaction") that would have the effect of preserving for such party the economic equivalent of any payment or delivery (whether the underlying obligation was absolute or contingent and assuming the satisfaction of each applicable condition precedent) by the parties under Section 2(a)(i) in respect of such Terminated Transaction or group of Terminated Transactions that would, but for the occurrence of the relevant Early Termination Date, have been required after that date. For this purpose, Unpaid Amounts in respect of the Terminated Transaction or group of Terminated Transactions are to be excluded but, without limitation, any payment or delivery that would, but for the relevant Early Termination Date, have been required (assuming satisfaction of each applicable condition precedent) after that Early Termination Date is to be included. The Replacement Transaction would be subject to such documentation as such party and the Reference Market-maker may, in good faith, agree. The party making the determination (or its agent) will request each Reference Market-maker to

provide its quotation to the extent reasonably practicable as of the same day and time (without regard to different time zones) on or as soon as reasonably practicable after the relevant Early Termination Date. The day and time as of which those quotations are to be obtained will be selected in good faith by the party obliged to make a determination under Section 6(e), and, if each party is so obliged, after consultation with the other. If more than three quotations are provided, the Market Quotation will be the arithmetic mean of the quotations, without regard to the quotations having the highest and lowest values. If exactly three such quotations are provided, the Market Quotation will be the quotation remaining after disregarding the highest and lowest quotations. For this purpose, if more than one quotation has the same highest value or lowest value, then one of such quotations shall be disregarded. If fewer than three quotations are provided, it will be deemed that the Market Quotation in respect of such Terminated Transaction or group of Terminated Transactions cannot be determined.

"Non-default Rate" means a rate per annum equal to the cost (without proof or evidence of any actual cost) to the Non-defaulting Party (as certified by it) if it were to fund the relevant amount.

"Non-defaulting Party" has the meaning specified in Section 6(a).

"Potential Event of Default" means any event which, with the giving of notice or the lapse of time or both, would constitute an Event of Default.

"Reference Market-makers" means four leading dealers in the relevant market selected by the party determining a Market Quotation in good faith (a) from among dealers of the highest credit standing which satisfy all the criteria that such party applies generally at the time in deciding whether to offer or to make an extension of credit and (b) to the extent practicable, from among such dealers having an office in the same city.

"Scheduled Payment Date" means a date on which a payment or delivery is to be made under Section 2(a)(i) with respect to a Transaction.

"Settlement Amount" means, with respect to a party and any Early Termination Date, the sum of:

(a) the Market Quotations (whether positive or negative) for each Terminated Transaction or group of Terminated Transactions for which a Market Quotation is determined; and

(b) such party's Loss (whether positive or negative and without reference to any Unpaid Amounts) for each Terminated Transaction or group of Terminated Transactions for which a Market Quotation cannot be determined or would not (in the reasonable belief of the party making the determination) produce a commercially reasonable result.

"Specified Entity" has the meaning specified in the Schedule.

"Specified Indebtedness" means, subject to the Schedule, any obligation (whether present or future, contingent or otherwise, as principal or surety or otherwise) in respect of borrowed money.

"Specified Transaction" means, subject to the Schedule, (a) any transaction (including an agreement with respect thereto) now existing or hereafter entered into between one party to this Agreement (or any Credit Support Provider of such party or any applicable Specified Entity of such party) and the other party to this Agreement (or any Credit Support Provider of such other party or any applicable Specified Entity of such other party) which is a rate swap transaction, basis swap, forward rate transaction, commodity swap, commodity option, equity or equity index swap, equity or equity index option, bond option, interest rate option, foreign exchange transaction, cap transaction, floor transaction, collar transaction, currency swap transaction, cross-currency rate swap transaction, currency option or any other similar transaction (including any option with respect to any of these transactions), (b) any combination of these transactions and (c) any other transaction identified as a Specified Transaction in this Agreement or the relevant confirmation.

"Terminated Transactions" means with respect to any Early Termination Date (a) if resulting from a Termination Event, all Affected Transactions and (b) if resulting from an Event of Default, all Transactions (in either case) in effect immediately before the effectiveness of the notice designating that Early Termination Date (or, if "Automatic Early Termination" applies, immediately before that Early Termination Date).

"Termination Event" means an Illegality or, if specified to be applicable, a Credit Event Upon Merger or an Additional Termination Event.

"Termination Rate" means a rate per annum equal to the arithmetic mean of the cost (without proof or evidence of any actual cost) to each party (as certified by such party) if it were to fund or of funding such amounts.

"Unpaid Amounts" owing to any party means, with respect to an Early Termination Date, the aggregate of (a) in respect of all Terminated Transactions, the amounts that became payable (or that would have

become payable but for Section 2(a)(iii) to such party under Section 2(a)(i) on or prior to such Early Termination Date and which remain unpaid as at such Early Termination Date and (b) in respect of each Terminated Transaction, for each obligation under Section 2(a)(i) which was (or would have been but for Section 2(a)(iii)) required to be settled by delivery to such party on or prior to such Early Termination Date and which has not been so settled as at such Early Termination Date, an amount equal to the fair market value of that which was (or would have been) required to be delivered as of the originally scheduled date for delivery, in each case together with (to the extent permitted under applicable law) interest, in the currency of such amounts, from (and including) the date such amounts or obligations were or would have been required to have been paid or performed to (but excluding) such Early Termination Date, at the Applicable Rate. Such amounts of interest will be calculated on the basis of daily compounding and the actual number of days elapsed. The fair market value of any obligation referred to in clause (b) above shall be reasonably determined by the party obliged to make the determination under Section 6(e) or, if each party is so obliged, it shall be the average of the fair market values reasonably determined by both parties.

In Witness Whereof, The parties have executed this document on the respective dates specified below with effect from the date specified on the first page of this document.

*Principal Terms Of The Indenture.*

The Indenture shall contain terms with respect to the Bonds substantially as set forth below with such revisions as the City Comptroller shall determine to be necessary or desirable in connection with the sale of the Bonds.

1. **Principal Amount.** The total aggregate principal amount of the Bonds that may be issued under the Indenture is expressly limited to the \$210,000,000.

2. **Interest Rate Provisions.** The Bonds shall bear interest at the rate or rates established under the Indenture (not to exceed twelve percent per

annum). The Indenture shall provide that distinct portions of the aggregate principal amount of the Bonds (a "Sub-series") may bear interest at a Weekly Rate determined as described below (the "Weekly Rate"), a Commercial Paper Rate determined as described below (the "Commercial Paper Rate") or a Fixed Rate determined as described below (the "Fixed Rate") and one or more other distinct portions of the Bonds may bear interest at a different Weekly Rate, Commercial Paper Rate or a Fixed Rate, and, in addition, distinct Sub-series of the Bonds may bear interest at distinct Commercial Paper Rates for distinct Commercial Paper Rate Periods (the "Commercial Paper Rate Periods"); provided, however, that (i) each Sub-series shall not be less than \$10,000,000 in principal amount, (ii) the aggregate principal amount of all such Sub-series of Bonds shall equal the aggregate principal amount of Outstanding Bonds, and (iii) there shall be issued as to each such Sub-series of Bonds that bears interest at a Weekly Rate, a Commercial Paper Rate or a Fixed Rate a distinct Bond certificate.

The Bonds (or Sub-series, if applicable) shall bear interest at a Weekly Rate, a Commercial Paper Rate or a Fixed Rate determined by the City Comptroller in accordance with the provisions of the Indenture. The Indenture shall provide that the interest rate on the Bonds shall be determined substantially in accordance with the following provision:

**Weekly Rate.** When interest on the Bonds (or Sub-series, if applicable) is payable at a Weekly Rate, the City Comptroller shall determine a Weekly Rate on Tuesday of each calendar week (if Tuesday is not a business day, then Monday; if Monday and Tuesday are not business days, then Wednesday whether or not a business day). Each Weekly Rate shall be the rate necessary (as determined by the City Comptroller) for the Remarketing Agent to sell the Bonds (or Sub-series, if applicable) on the day the rate is set at 100% of the principal amount of such Bonds plus accrued interest, if any.

Each Weekly Rate determined by the City Comptroller shall be in effect from and including Wednesday of each week to and including the following Tuesday, whether or not such days are business days.

If for any reason the City Comptroller does not set a Weekly Rate while the Bonds (or Sub-series, if applicable), bear interest at a Weekly Rate, or a court holds that a Weekly Rate is invalid or unenforceable, then the Weekly Rate in effect for the immediately preceding week shall remain in effect.

**Commercial Paper Rate.** When interest on the Bonds (or Sub-series, if applicable) is payable at a Commercial Paper Rate, the City Comptroller shall establish the Commercial Paper Rate for the Bonds (or Sub-series, if applicable) on the first business day of each Commercial Paper Rate Period. Each Commercial Paper Rate shall be the rate necessary (as determined by the City Comptroller) for the Remarketing Agent to sell the

Bonds (or Sub-series, if applicable) on the date such rate is set at 100% of the principal amount of the Bonds plus accrued interest, if any.

Each Commercial Paper Rate Period shall be determined by the City Comptroller (which may be from one to 270 days) based upon the City Comptroller's judgment that the length of the Commercial Paper Rate Period will be beneficial to City. Interest on the Bonds (or Sub-series thereof, if applicable) bearing interest at a Commercial Paper Rate will accrue from the first day of the applicable Commercial Paper Rate Period to, and including, the last day of such Period. Notwithstanding the foregoing, (x) the day following the last day of any Commercial Paper Period shall be a business day or the maturity date of the Bonds, and (y) if the City Comptroller has previously determined that the Bonds (or Sub-series thereof, if applicable) are to bear interest at a rate other than the Commercial Paper Rate effective as of a future date, no new Commercial Paper Rate Period shall be established for the Bonds (or Sub-series thereof, if applicable) unless the last day of such Commercial Paper Rate Period occurs before the effective date of the change to such other rate.

If for any reason the City Comptroller does not set a Commercial Paper Rate or the duration of a Commercial Paper Rate Period while the Bonds (or Sub-series, if applicable) bear interest at a Commercial Paper Rate, or a court holds that a Commercial Paper Rate or the duration of any Commercial Paper Rate Period is invalid or unenforceable, then a 30-day Commercial Paper Rate Period for the Bonds (or Sub-series thereof, if applicable) will follow, and the Commercial Paper Rate for the Bonds (or Sub-series thereof, if applicable) for such Commercial Paper Rate Period shall be that annual rate of interest equal to 85% of the interest rate applicable to 90-day United States Treasury bills determined on the basis of the average per annum discount rate at which such 90-day Treasury bills have been sold at the most recent Treasury auction within the preceding 30 days.

If the interest rate on the Bonds (or Sub-series, if applicable) is changed to a Fixed Rate, the City Comptroller shall establish the Fixed Rate for the Bonds (or Sub-series, if applicable) not less than seven nor more than 15 days before the effective date of such Fixed Rate (the "Determination Date"). The Fixed Rate shall be the rate necessary (as determined by the City Comptroller) for the Remarketing Agent to sell the Bonds (or Sub-series, if applicable) on the date such rate is set at 100% of the principal amount thereof plus accrued interest, if any.

The Fixed Rate shall remain in effect from its effective date to the maturity date of the Bonds (or Sub-series, if applicable) (the "Fixed Rate Period").

If any condition to a change in the Interest Rate Determination Method to the Fixed Rate for the Bonds (or Sub-series, if applicable) shall not have been satisfied on the effective day of the proposed Fixed Rate Period, such

change shall not be effective, and the Bonds shall bear interest at a Weekly Rate commencing on the day that was to be the first day of the proposed Fixed Rate Period and lasting until another interest rate determination method is validly established for the Bonds (or Sub-series, if applicable) under the Indenture.

**Change in Interest Rate Determination Method.** The Indenture shall provide that the City may, acting through the City Comptroller, change the interest rate determination method for the Bonds upon satisfaction of certain conditions. In addition, the Indenture may provide that if directed to do so by the City Comptroller, the Remarketing Agent (described below) shall consider whether the interest rate determination method for the Bonds (or Sub-series, if applicable) should be changed to a Weekly Rate or a Commercial Paper Rate, as the case may be, because in the Remarketing Agent's judgment, conversion to a different interest rate determination method (being Weekly Rate or Commercial Paper Rate) will be beneficial to the market for, or the relative yield of, the Bonds (or Sub-series, if applicable).

The City Comptroller shall appoint as Remarketing Agent a bank, trust company or member of the National Association of Securities Dealers, Inc. organized and doing business under the laws of the United States or any state or the District of Columbia, having a combined capital stock, surplus and undivided profits of at least \$15,000,000, as shown in its most recent published annual report and be authorized by law to perform all duties imposed upon it by the Indenture. In addition, any Remarketing Agent must be rated at least Baa3/P-3 or otherwise qualified by Moody's Investors Service, Inc. or have any equivalent rating of another rating agency.

### 3. Form, Payment and Dating of Bonds; Authorized Denominations.

(a) The Indenture shall provide that the Bonds and the certificate of authentication to be executed on the Bonds by the Trustee are to be in substantially the form thereof set forth in an Exhibit to the Indenture, with necessary or appropriate variations, omissions and insertions as permitted or required by the Indenture.

(b) The Bonds shall be issuable only as fully registered Bonds in Authorized Denominations (hereinafter described) set forth in the Indenture. Authorized Denominations means (i) while the Bonds bear interest at a Weekly Rate or a Commercial Paper Rate, \$100,000 or any integral multiple thereof, provided that a single Bond may be issued for a greater amount, and (b) while the Bonds bear interest at a Fixed Rate, \$5,000 or any integral multiple thereof. Bonds shall be numbered from 1 consecutively upwards and shall contain an appropriate prefix to such numbers to identify such Bonds.

(c) The principal or redemption price of each Bond shall be payable upon surrender of such Bond at the principal office of the Trustee. While Bonds bear interest at a Weekly Rate or a Commercial Paper Rate, payments of principal or redemption price of the Bonds shall be payable in immediately available funds except as may otherwise be provided in the Indenture. While Bonds bear interest at a Fixed Rate, payments of principal or redemption price of the Bonds shall be payable in clearinghouse funds except as may otherwise be provided in the Indenture. Such payments shall be made to the registered owner of the Bond so surrendered, as shown on the registration books maintained by the Trustee on the applicable record date.

4. Maturity. The Bonds shall mature not later than January 1, 2013 in amounts together with the interest thereon which the City Comptroller reasonably expects will not exceed the applicable amounts levied therefor in Section 7 of the ordinance to which this Exhibit B is attached.

5. Interest Payment and Record Dates. The Indenture shall provide that when interest is payable at a Weekly Rate or Commercial Paper Rate it will be computed on the basis of the actual number of days elapsed over a year of 365 or 366 days, as applicable, and when payable at a Fixed Rate, on the basis of a 360-day year of twelve 30-day months. Interest will accrue on the unpaid portion of the principal of the Bonds from the last date to which interest has been paid, or if no interest has been paid, from the date of the original issuance of the Bonds until the entire principal amount of the Bonds is paid. When interest is payable at the rate in the first column below, interest accrued during the period (an "Interest Period") set forth in the second column will be paid on the date (an "Interest Payment Date") set forth in the third column to registered owners of record on the date (a "Record Date") set forth in the fourth column:

Rate	Interest Period	Interest Payment Date	Record Date
Weekly	From any Interest Payment Date or the first day on which the Bonds (or Sub-series, if applicable) bear interest at a Weekly Rate through the day preceding the next Interest Payment Date	First business day of each month and at maturity	Last business day before the Interest Payment Date

Rate	Interest Period	Interest Payment Date	Record Date
Commercial Paper	From 1 to 270 days as determined for the Bonds (or Sub-series, if applicable) pursuant to the Indenture ("Commercial Paper Rate Period")	First business day immediately following the applicable Commercial Paper Rate Period and at maturity	Last business day before the Interest Payment Date
Fixed	From any Interest Payment Date or the first day on which the Bonds (or Sub-series, if applicable) bear interest at a Fixed Rate through each succeeding June 30, December 31, or the day preceding the maturity date for the Bonds	The day following the end of the Interest Period	The fifteenth day of June or December preceding the Interest Payment Date and the day of the month in which the maturity date occurs

6. Execution of Bonds. Each of the Bonds shall be signed and executed on behalf of the City by the manual or facsimile signature of the Mayor and attested by the manual or facsimile signature of its City Clerk, and the corporate seal of the City shall be impressed, printed or lithographed on each Bond. The Bonds bearing the manual or facsimile signature of individuals who were at the time of the execution thereof the proper officers of the City shall bind the City notwithstanding that such individuals shall cease to hold such offices prior to the registration, authentication or delivery of such Bonds or shall not have held such offices at the dated date of such Bonds.

7. Application of Proceeds of the Bonds. The Indenture shall contain provisions directing that the proceeds of the sale of the Bonds shall, after provision for payment of costs of issuance of the Bonds, including bond insurance or any Credit Facility Issuer fees, be deposited in an Escrow Fund established under the Indenture to be applied to the refunding and redemption of the Prior Bonds on a date to be determined by the City Comptroller.

## 8. Tenders.

(a) **Optional Tender.** The Indenture shall provide that when interest on the Bonds (or Sub-series, if applicable) is payable at a Weekly Rate, a holder of a Bond may tender the Bond or portion thereof, provided that such portion is in an Authorized Denomination. The purchase price of the bonds shall be 100% of the principal amount thereof, plus accrued interest, if any, to the date of purchase.

(b) **Mandatory Tender.** The Indenture shall provide that the Bonds (or Subseries, if applicable) are required to be tendered to the Trustee for purchase at a purchase price equal to 100% of the principal amount thereof, plus accrued interest, if any, to the date of purchase under the circumstances described below.

(i) **Mandatory Tender on Each Interest Payment Date During Commercial Paper Rate Period.** When the Bonds (or Sub-series, if applicable) bear interest at a Commercial Paper rate, such Bonds (or Sub-series, if applicable) shall be subject to mandatory tender as provided above on the interest payment date for such Bonds. If Bonds are also subject to mandatory tender as described in paragraph (ii) below, the mandatory tender will be governed by the provisions described in that paragraph and not this paragraph.

(ii) **Mandatory Tender Upon a Change in the Interest Rate Determination Method for the Bonds.** On the effective date of a change in the Interest Rate Determination Method for the Bonds (or Sub-series, if applicable) the Bonds (or Sub-series, if applicable) are subject to mandatory tender as provided above on the effective date of such change.

## 9. Redemption of Bonds Prior to Maturity.

(a) **Optional Redemption.** The Bonds may be redeemed prior to maturity at the option of the City, in whole or in part at such times and at such redemption prices (to be expressed as a percentage of the principal amount of such Bonds being redeemed not to exceed 103%, plus accrued interest to the date of redemption) as determined by the City Comptroller at the time of the sale thereof.

(b) **Mandatory Redemption Related to the Credit Facility and the Reimbursement Agreement.** All Bonds shall be subject to mandatory redemption by the City upon the occurrence of certain events related to the Credit Facility in respect of the Bonds or the Reimbursement Agreement.

(c) **Mandatory Sinking Fund Redemption.** The Bonds may be subject to mandatory sinking fund redemption prior to maturity at a redemption price equal to the principal amount thereof, plus accrued interest to the date of

redemption, as determined by the City Comptroller at the time of sale thereof.

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. Findings. The City Council, after a public meeting held on this ordinance by the Committee on Finance of the City Council, pursuant to proper notice, and in accordance with the findings and recommendations of such committee, adopts each of the recitals contained in the preambles to this ordinance as findings of the City Council.

SECTION 2. Borrowing. There shall be borrowed on the credit of and for and on behalf of the City and there is appropriated the sum of not to exceed \$155,000,000, plus the amount of any original issue discount on the Bonds, for the purposes set forth in the fourth "Whereas" clause of this ordinance. The Bonds of the City shall be issued in that original principal amount, or such lesser amount, as may be determined by the City Comptroller.

SECTION 3. Bond Provisions. All or any portion of the Bonds may be issued as Bonds payable as to principal and interest in one payment on a fixed date ("Capital Appreciation Bonds") or as Bonds payable as to principal on a fixed date or dates with interest payable semiannually on January 1 and July 1 of each year ("Current Interest Bonds").

Any Bonds issued as Capital Appreciation Bonds shall be dated the date they are initially issued and delivered to the initial purchasers from the City and shall also bear the date of authentication, shall be in fully registered form, shall be numbered as determined by the bank or trust company designated by the City Comptroller, or its successor as bond registrar and paying agent (the "Bond Registrar"), and shall be in denominations equal to the Original Principal Amount of such Capital Appreciation Bonds ("Original Principal Amount") or any integral multiple of that amount, each such Original Principal Amount representing Compound Accreted Value at maturity of \$5,000 or any integral multiple of that amount (but no single Bond shall represent Compound Accreted Value maturing on more than one date). The "Compound Accreted Value" of a Bond on any date of determination shall be an amount equal to the Original Principal Amount (or integral multiple of that amount) plus an investment return accrued to the date of such determination at a semiannual compounding rate which is

necessary to produce the yield to maturity borne by such Capital Appreciation Bond (the "Yield to Maturity").

Any Bonds issued as Current Interest Bonds shall be dated such date as shall be determined by the City Comptroller at the time of the sale of the Bonds or on the January 1 or the July 1 on or next preceding their authentication and delivery to which interest has been paid, whichever is later, shall be in fully registered form, shall be in denominations of \$5,000 each or any integral multiple of that amount (but no single Bond shall represent installments of principal maturing on more than one date). Bonds shall be numbered 1 and upward.

The Current Interest Bonds shall bear interest at a rate or rates, and the Capital Appreciation Bonds shall have Yields to Maturity, not in excess of ten percent per year.

Bonds may also be issued, as provided by the City Comptroller, on which the interest shall be paid as appreciation in principal to a certain date, and then by current interest, the terms of which Bonds shall be specified by the City Comptroller. Any such Bond shall have a yield to maturity, including current interest, not in excess of ten percent.

The Bonds shall become due and payable on or before January 1, 2022 as determined by the City Comptroller as provided in this ordinance. The aggregate of (a) the principal amount of the Current Interest Bonds payable, whether at maturity or by virtue of mandatory redemption, on any January 1 (after taking into account prior required mandatory redemptions of such Current Interest Bonds) and the interest to be payable on those Bonds and (b) the Compound Accreted Value of any Capital Appreciation Bonds payable on any such January 1 (after taking into account prior required mandatory redemptions of such Capital Appreciation Bonds), shall not exceed for any period the applicable amount of taxes levied in Section 8 of this ordinance, plus any amount set aside for that purpose upon the issuance of the Bonds.

Each Capital Appreciation Bond shall bear interest from its date at the rate per year compounded semiannually on each January 1 and July 1, commencing on such January 1 or July 1 as determined by the City Comptroller at the time of sale of such Capital Appreciation Bonds, which will produce the Yield to Maturity until its maturity date. Interest on the Capital Appreciation Bonds shall be payable only at the respective maturity or redemption dates.

Each Current Interest Bond shall bear interest from its date, until the principal amount of such Bond is paid, such interest (computed upon the basis of a 360-day year of twelve 30-day months) being payable on the January 1 and July 1 of each year, with the first interest payment date being the January 1 or July 1 as determined by the City Comptroller at the time of sale of those Current Interest Bonds. Interest on each Current Interest Bond

shall be paid to the person in whose name such Bond is registered at the close of business on the fifteenth day of the month next preceding the interest payment date, by check or draft of the Bond Registrar, or, at the option of any Registered Owner (defined below) of \$1,000,000 or more in aggregate principal amount of Current Interest Bonds, by wire transfer of immediately available funds to such bank in the continental United States as the Registered Owner of such Bonds shall request in writing to the Bond Registrar.

The Compound Accreted Value of the Capital Appreciation Bonds and the principal of and redemption premium, if any, on the Current Interest Bonds shall be payable in lawful money of the United States of America upon their presentation and surrender at the principal corporate office of the Bond Registrar.

Each of the Bonds shall be designated "General Obligation Bond, Refunding Series 1993 B", with such additions or modifications as shall be determined to be necessary by the City Comptroller at the time of the sale of such Bonds to reflect whether the Bonds are Capital Appreciation Bonds or Current Interest Bonds and any other authorized features of the Bonds determined by the City Comptroller as desirable to be reflected in the title of the Bonds.

The seal of the City or a facsimile of the seal shall be affixed to each of the Bonds, and the Bonds shall be executed by the manual or facsimile signatures of the Mayor and the City Comptroller and attested by the manual or facsimile signature of the City Clerk, and in case any officer whose signature shall appear on any Bond shall cease to be such officer before the delivery of such Bond, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery.

All Bonds shall contain a certificate of authentication substantially in the form set forth in this ordinance duly executed by the Bond Registrar as authenticating agent of the City and showing the date of authentication. No Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit under this ordinance unless and until such certificate of authentication shall have been duly executed by the Bond Registrar by manual signature, and such certificate of authentication upon any such Bond shall be conclusive evidence that such Bond has been authenticated and delivered under this ordinance. The certificate of authentication on any Bond shall be deemed to have been executed by the Bond Registrar if signed by an authorized officer of the Bond Registrar, but it shall not be necessary that the same officer sign the certificate of authentication on all of the Bonds issued under this ordinance.

**SECTION 4. Transfer, Registration and Redemption.** (a) Registration and Transfer. The City shall cause books (the "Bond Register") for the registration and for the transfer of the Bonds as provided in this ordinance

to be kept at the principal corporate trust office of the Bond Registrar, as the registrar for the City for the Bonds. The City is authorized to prepare, and the Bond Registrar shall keep custody of, multiple Bond blanks executed by the City for use in the transfer and exchange of Bonds.

Upon surrender for transfer of any Bond at the principal corporate trust office of the Bond Registrar, duly endorsed by, or accompanied by a written instrument or instruments of transfer in a form satisfactory to the Bond Registrar and duly executed by the Registered Owner or the Registered Owner's agent duly authorized in writing, the City shall execute and the Bond Registrar shall authenticate, date and deliver in the name of the transferee or transferees (a) in the case of any Capital Appreciation Bond, a new fully registered Capital Appreciation Bond or Bonds of the same maturity of authorized denominations, for the same aggregate Original Principal Amount of Capital Appreciation Bond or Bonds of the same maturity of other authorized denominations, or (b) in the case of any Current Interest Bond, a new fully registered Current Interest Bond or Bonds of the same interest rate and maturity of authorized denominations, for the same aggregate principal amount. Any Capital Appreciation Bond or Bonds may be exchanged at that office of the Bond Registrar for the same aggregate Original Principal Amount of Capital Appreciation Bond or Bonds of the same maturity of other authorized denominations. Any Current Interest Bond or Bonds may be exchanged at that office of the Bond Registrar for the same aggregate principal amount of Current Interest Bond or Bonds of the same interest rate and maturity of other authorized denominations. The execution by the City of any fully registered Bond shall constitute full and due authorization of such Bond, and the Bond Registrar shall be authorized to authenticate, date and deliver such Bond; provided, however, that (a) the aggregate Original Principal Amount of outstanding Capital Appreciation Bonds of each maturity authenticated by the Bond Registrar shall not exceed the authorized aggregate Original Principal Amount of Capital Appreciation Bonds of such maturity less previous retirements and (b) the principal amount of outstanding Current Interest Bonds of each maturity authenticated by the Bond Registrar shall not exceed the authorized principal amount of Current Interest Bonds for such maturity less previous retirements.

The Bond Registrar shall not be required to transfer or exchange any Current Interest Bond or Capital Appreciation Bond (a) during the period beginning at the close of business on the fifteenth day of the calendar month next preceding any interest payment date on such Current Interest Bond and ending on such interest payment date, (b) after notice calling such Bond for redemption has been mailed, or (c) during a period of 15 days next preceding mailing of a notice of redemption of such Bond.

The person in whose name any Bond shall be registered (the "Registered Owner") shall be deemed and regarded as its absolute owner for all purposes, and payment of the Compound Accreted Value of, principal of, premium, if any, or interest on any Bond shall be made only to or upon the order of the

Registered Owner of the Bond or the Registered Owner's authorized agent. All such payments shall satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid. In the event any of the Bonds are registered in the name of a securities depository that uses a book-entry system, the standing of the Registered Owner to enforce any of the covenants in this ordinance may be established through the books and records of such securities depository or a participant in the depository.

No service charge shall be made for any transfer or exchange of Bonds, but the City or the Bond Registrar may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of such Bonds except that no such payment may be required in the case of the issuance of a Bond or Bonds for the unredeemed portion of a Bond surrendered for redemption.

(b) Book-Entry Only System. If so determined and directed by the City Comptroller, the Bonds shall be initially issued in the form of a separate single fully registered Bond for each of the maturities of such Bonds determined by the City Comptroller as provided in Section 3 of this ordinance. Upon initial issuance, the ownership of each such Bond (the "Book-Entry Bonds") shall be registered in the Bond Register in the name of such securities depository company as shall be determined by the City Comptroller, or the name of its nominee, or its successors and assigns (the "Securities Depository"). In the event that the City Comptroller determines to use the book-entry system of the Securities Depository as provided in this Section 4(b), all of the outstanding Book-Entry Bonds shall be registered in the name of the Securities Depository, or its nominee, except as provided in this ordinance. The City Comptroller is authorized to determine whether or not the book-entry services of the Securities Depository will be used and if used, the City Comptroller is authorized to execute and deliver on behalf of the City such letters to or agreements with the Securities Depository and the Bond Registrar as shall be necessary to effectuate such book-entry (any such letter or agreement being referred to as the "Representation Letter").

With respect to Book-Entry Bonds, the City and the Bond Registrar shall have no responsibility or obligation to any broker-dealer, bank or other financial institution for which the Securities Depository holds Bonds from time to time as Securities Depository (each such broker-dealer, bank or other financial institution being referred to as a "Participant") or to any person on behalf of whom such a Participant holds an interest in the Book-Entry Bonds. Without limiting the immediately preceding sentence, the City and the Bond Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of the Securities Depository, its nominee or any Participant with respect to any ownership interest in the Book-Entry Bonds, (ii) the delivery to any Participant or any other person, other than a Registered Owner of a Book-Entry Bond as shown in the Bond Register, of any notice with respect to the Book-Entry Bonds, including any notice of redemption, or (iii) the payment to any Participant or any other person, other than a Registered Owner of a Book-Entry Bond as shown in the Bond

Register, of any amount with respect to Compound Accreted Value of, principal of, premium, if any, or interest on, the Book-Entry Bonds. The City and the Bond Registrar may treat and consider the person in whose name each Book-Entry Bond is registered in the Bond Register as the holder and absolute owner of such Bond for the purpose of payment of Compound Accreted Value of, principal of, premium, if any, and interest with respect to such Bond; for the purpose of giving notices of redemption and other matters with respect to such Bond, for the purpose of registering transfers and exchanges with respect to such Bond and for all other purposes whatsoever. The Bond Registrar shall pay the Compound Accreted Value of, principal of, premium, if any, and interest on the Book-Entry Bonds only to or upon the order of the respective Registered Owners of the Book-Entry Bonds, as shown in the Bond Register, or their respective agents duly authorized in writing, and all such payments shall be valid and effective to satisfy and discharge fully the City's obligations with respect to payment of Compound Accreted Value of, principal of, premium, if any, and interest on the Book-Entry Bonds to the extent of the sum or sums so paid. No person other than a Registered Owner of a Book-Entry Bond as shown in the Bond Register, shall receive a certificate evidencing the obligation of the City to make payments of Compound Accreted Value of, principal of, premium, if any, and interest with respect to any Bond. Upon delivery by the Securities Depository to the City and the Bond Registrar of written notice to the effect that the Securities Depository has determined to substitute a new nominee in place of the existing nominee of the Securities Depository and subject to the provisions in Section 3 of this ordinance with respect to the payment of interest by the mailing of checks or drafts or by wire transfer to the Registered Owners of Current Interest Bonds at the close of business on the fifteenth day of the month next preceding the applicable interest payment date, the nominee of such Securities Depository shall refer to such new nominee of the Securities Depository.

With respect to the City and the Securities Depository, the following provisions shall apply:

- (i) The Securities Depository may determine to discontinue providing its services with respect to the Bonds at any time by giving notice to the City Comptroller and discharging its responsibilities under applicable law.
- (ii) The City may in its sole discretion and without the consent of any other person, terminate the services of the Securities Depository with respect to the Bonds if the City determines, and shall terminate the services of the Securities Depository with respect to the Bonds upon receipt by the City of written notice from the Securities Depository to the effect that it has received written notice from its Participants having interests, as shown in its records, in an aggregate principal amount of not less than fifty percent of the then outstanding Bonds to the effect that:

- (a) the Securities Depository is unable to discharge its responsibilities with respect to the Bonds; or
  - (b) a continuation of the requirement that all of the Bonds be registered in the registration books kept by the Bond Registrar in the name of the nominee of the Securities Depository, is not in the best interest of the beneficial owners of the Bonds.
- (iii) Upon the termination of the services of the Securities Depository with respect to the Bonds, or upon the discontinuance or termination of the services of the Securities Depository with respect to the Bonds after which no substitute Securities Depository willing to undertake those functions of the Securities Depository can be found which, in the opinion of the City Comptroller, is willing and able to undertake such functions upon reasonable and customary terms, the Bonds shall no longer be restricted to being registered in the registration books kept by the Bond Registrar in the name of the nominee of the Securities Depository, but may be registered in whatever name or names the Registered Owner transferring or exchanging Bonds shall designate, in accordance with the provisions of this ordinance.

Notwithstanding any other provision of this ordinance to the contrary, all payments with respect to Compound Accreted Value of, principal of, premium, if any, and interest on any Book-Entry Bond and all notices with respect to such Bond shall be made and given, respectively, in the manner provided in the Representation Letter.

(c) Bonds Lost, Destroyed or Improperly Cancelled. If any Bond, whether in temporary or definitive form, is lost (whether by reason of theft or otherwise), destroyed (whether by mutilation, damage, in whole or in part, or otherwise) or improperly cancelled, the Bond Registrar may authenticate a new Bond of the same date, maturity, denomination and Original Principal Amount (in the case of Capital Appreciation Bonds) or principal amount (in the case of Current Interest Bonds) and bearing a number not contemporaneously outstanding; provided that (i) in the case of any mutilated Bond, such mutilated Bond shall first be surrendered to the Bond Registrar and (ii) in the case of any lost Bond or Bond destroyed in whole, there shall be first furnished to the Bond Registrar evidence of such loss or destruction, together with indemnification of the City and the Bond Registrar, satisfactory to the Bond Registrar. In the event any lost, destroyed or improperly cancelled Bond shall have matured or is about to mature, or has been called for redemption, instead of issuing a duplicate Bond, the Bond Registrar shall pay the Bond without surrender if there shall be first furnished to the Bond Registrar evidence of such loss, destruction or cancellation, together with indemnity to the City and the Bond Registrar

satisfactory to the Bond Registrar. Upon the issuance of any substitute Bond, the Bond Registrar may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation to it.

(d) Redemption. Current Interest Bonds may be redeemable prior to maturity at the option of the City, in whole or in part on any date, at such times and at such redemption prices (to be expressed as a percentage of the principal amount of such Bonds being redeemed not to exceed 103 percent of the principal amount, plus accrued interest to the date of redemption) as determined by the City Comptroller at the time of the sale of the Bonds. Capital Appreciation Bonds may be redeemable prior to maturity at the option of the City as determined by the City Comptroller at the time of their sale (at prices not to exceed 103 percent of the Compound Accreted Value at the date of redemption). If less than all of the outstanding Bonds are to be optionally redeemed, the Bonds to be called shall be called from such maturities as may be determined by the City and if less than all of a single maturity is so redeemed then by lot within a maturity in the manner provided in this ordinance unless otherwise determined by the City Comptroller at the time of their sale of the Bonds. Certain of the Current Interest Bonds may be made subject to mandatory redemption, at par and accrued interest to the date fixed for redemption, and certain of the Capital Appreciation Bonds may be made subject to mandatory redemption at the Compound Accreted Value at the date fixed for redemption, as determined by the City Comptroller at the time of their sale; provided, that the Bonds shall have a final maturity not later than the date set forth in Section 3 of this ordinance.

The Bonds shall be redeemed only in the amount of \$5,000 each at maturity and integral multiples of that amount. In the event of the redemption of less than all the Bonds of the same maturity the aggregate amount to be redeemed shall be \$5,000 at maturity or an integral multiple of that amount and the Bond Registrar shall assign to each Bond of such maturity a distinctive number for each \$5,000 amount at maturity of such Bond and shall select by lot from the numbers so assigned as many numbers as, at \$5,000 for each number, shall equal the amount at maturity of such Bonds to be redeemed. The Bonds to be redeemed shall be the Bonds or portions of Bonds whose assigned numbers were so selected; provided that only so much of the amount at maturity of each Bond shall be redeemed as shall equal \$5,000 for each number assigned to it and so selected. The City shall, at least 45 days prior to the redemption date (unless a shorter time period shall be satisfactory to the Bond Registrar), notify the Bond Registrar of such redemption date and of the principal amount or Compound Accreted Value of Bonds to be redeemed. For purposes of any redemption of less than all of the outstanding Bonds of a single maturity, the particular Bonds or portions to be redeemed shall be selected by the Bond Registrar not more than 60 days prior to the redemption date.

The Bond Registrar shall promptly notify the City in writing of the Bonds, or portions, selected for redemption and, in the case of any Bond selected for partial redemption, the principal amount or Compound Accreted Value to be redeemed.

SECTION 5. Notice of Redemption. Unless waived by any Registered Owner of Bonds to be redeemed, notice of the call for any redemption shall be given by the Bond Registrar on behalf of the City by mailing the redemption notice by first-class mail at least 30 days and not more than 45 days prior to the date fixed for redemption to the Registered Owner of any Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such Registered Owner to the Bond Registrar, but the failure to mail any such notice or any defect in the notice as to any Bond shall not affect the validity of the proceedings for the redemption of any other Bond.

All notices of redemption shall state:

- (i) the redemption date;
- (ii) the redemption price;
- (iii) if less than all outstanding Bonds are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts or Compound Accreted Value) of the Bonds to be redeemed;
- (iv) that on the redemption date the redemption price will become due and payable upon each such Bond or portion called for redemption, and that interest shall cease to accrue from and after that redemption date;
- (v) that such Bonds shall be surrendered for payment of the redemption price, at the principal corporate trust office of the Bond Registrar; and
- (vi) such other information as shall be deemed necessary by the Bond Registrar at the time such notice is given to comply with any law, regulation or industry standard.

On or prior to any redemption date, the City shall deposit with the Bond Registrar an amount of money sufficient to pay the redemption price of all the Bonds or portions which are to be redeemed on that date.

Notice of redemption having been so given, the Bonds or portions so to be redeemed shall, on the redemption date, become due and payable at the redemption price plus accrued interest, and from and after the redemption date (unless the City shall default in the payment of the redemption price) such Bonds, or portions shall cease to bear interest. Upon surrender of such

Bonds for redemption in accordance with that notice, such Bonds shall be paid by the Bond Registrar at the redemption price. Upon surrender for any partial redemption of any Bond, there shall be prepared for the Registered Owner a new Bond or Bonds of the same interest rate and maturity in the amount of the unpaid principal or Compound Accreted Value at maturity.

If any Bond, or portion of a Bond called for redemption shall not be so paid upon surrender for redemption, the Bond shall, until paid, bear or accrete, respectively, interest from the redemption date at the rate or Yield to Maturity borne by the Bond or portion so called for redemption. All Bonds which have been redeemed shall be cancelled and destroyed by the Bond Registrar and shall not be reissued.

SECTION 6. Form of Bonds. The Bonds shall be prepared in substantially the following forms with such insertions and revisions as shall be necessary to reflect the terms and provisions of the sale of the Bonds pursuant to Section 13 of this ordinance; provided, however, that if the text of any Bond is to be printed in its entirety on the front side of such Bond, then the text shown or appearing on the reverse side of such Bond shall replace paragraph [2] and the legend, "See Reverse Side for Additional Provisions", shall be omitted.

(7) This Bond is one of a series of Bonds aggregating the principal amount of \$ \_\_\_\_\_ issued pursuant to the constitutional home rule powers of the City for the purposes of (i) refunding certain outstanding Bonds of the City; (ii) capitalizing certain interest on the Bonds; and (iii) paying expenses incidental to the issuance of the Bonds and was authorized by an ordinance adopted by the City Council on \_\_\_\_\_, 1993 (the "Bond Ordinance").

(8) The Bonds maturing on or after January 1, 19 \_\_, are redeemable prior to maturity at the option of the City, in whole or in part on any date on or after \_\_\_\_\_ 1, 199 \_\_. If less than all of the outstanding Bonds are to be redeemed, the Bonds to be redeemed shall be of the maturities

subject to redemption as shall be determined by the City and if less than all of a single maturity is so redeemed then by lot within a maturity in the manner provided in this Bond. The Bonds are redeemable at the redemption prices (expressed as a percentage of the principal amount) set forth below, plus accrued interest to the date of redemption:

Date Of Redemption	Redemption Price
--------------------	------------------

(9) The Bonds maturing on January 1, \_\_\_\_\_, are subject to mandatory redemption prior to maturity on January 1 of the years \_\_\_\_\_ to \_\_\_\_\_, inclusive, and the Bonds maturing on January 1, \_\_\_\_\_, are subject to mandatory redemption prior to maturity on January 1 of the years \_\_\_\_\_ to \_\_\_\_\_, inclusive, in each case at par and accrued interest to the date fixed for redemption.

The City Comptroller shall notify the Bond Registrar in writing of such determination.

(10) In the event of the redemption of less than all the Bonds of a maturity the aggregate principal amount to be redeemed shall be \$5,000 or an integral multiple of that amount and the Bond Registrar shall assign to each Bond of such maturity a distinctive number for each \$5,000 principal amount of such Bond and shall select by lot from the numbers so assigned as many numbers as, at \$5,000 for each number, shall equal the principal amount of such Bonds to be redeemed. SECTION 9. Appropriation. The City shall include in its annual appropriation ordinances for each year in which any of the Bonds are outstanding amounts sufficient to pay the principal of and interest on the Bonds (including the Compound Accreted Value of any Capital Appreciation Bonds). SECTION 10. Escrow Account. The City Comptroller is authorized to establish one or more special accounts, if determined by the City Comptroller to be necessary in connection with the sale of any Bonds, separate and segregated from all other funds and accounts of the City (each being an "Escrow Account"), which are to be maintained with a bank or trust company to be designated by the City Comptroller pursuant to one or more escrow agreements (each being an "Escrow Agreement"), between the City and an escrow agent. The Mayor, the Treasurer, the City Comptroller and the City Clerk, or any of them, are authorized to execute and deliver Escrow Agreements in connection with the sale of any of the Bonds in such form as the officers so executing may deem appropriate in accordance with the provisions of this ordinance.

In lieu of the proceeds of the taxes levied by this ordinance being deposited with the City Treasurer, an Escrow Agreement may authorize and direct the County Collectors of Cook and Du Page Counties to deposit the proceeds of the taxes with respect to Bonds directly into such an Escrow Account, if such an Account has been created.

SECTION 11. Advancements. In the event that an Escrow Account is established and amounts to be deposited in that Escrow Account are not available in time to make any payments of principal of or interest on the Bonds (including Compound Accreted Value of Capital Appreciation Bonds) to be paid from that Escrow Account when due, then the fiscal officers of the City are directed to make such payments in accordance with that Escrow Agreement, if any, from any other money, revenue, receipts, income, assets or funds of the City that are legally available for that purpose in advancement of the collection of such taxes and when the proceeds of the taxes are received, such other funds shall be replenished, all to the end that the credit of the City may be preserved by the prompt payment of the principal of and interest on these Bonds (including Compound Accreted Value of Capital Appreciation Bonds) as it becomes due.

SECTION 12. Tax Collection. A copy of this ordinance, duly certified by

the City Clerk, shall be filed in the respective offices of the County Clerks of Cook and DuPage Counties, Illinois (the "County Clerks"), and such filing shall constitute the authority for and it shall be the duty of the County Clerks, in each year beginning in 1994, to and including 2020, to extend the taxes levied pursuant to Section 8 of this ordinance for collection, such taxes to be in addition to and in excess of all other taxes previously or subsequently authorized to be levied by the City, and such taxes levied by this ordinance shall be extended for collection without limitation as to rate or amount.

A copy of this ordinance, duly certified by the City Clerk, shall also be filed with each Escrow Agent, if any, the Bond Registrar, and if the County Collectors of Cook and DuPage Counties are authorized to deposit the proceeds of the taxes levied by this ordinance directly with any Escrow Agents appointed pursuant to Section 10 of this ordinance.

**SECTION 13. Sale of Bonds.** Subject to the limitations set forth in this Section 13, the City Comptroller is authorized to sell all or any portion of the Bonds from time to time, with the concurrence of the Chairman of the Committee on Finance of the City Council, the Vice Chairman of the Committee on Finance of the City Council or the Chairman of the Committee on the Budget of the City Council, on such terms as the City Comptroller may deem to be in the best interests of the City. Portions of the Bonds may be sold at one or more times in one or more blocks.

In connection with the sale of each block of Bonds, the City Comptroller shall make the following determinations: (a) the original principal amount of such block (which, together with all Bonds previously issued by the City pursuant to this ordinance, shall not exceed the applicable amount set forth in Section 2 of this ordinance), (b) whether the Bonds of such block will be issued as Current Interest Bonds or Capital Appreciation Bonds or Bonds in which interest will accrue by appreciation in principal amount to a date and then be paid currently, (c) the aggregate principal amount of Bonds maturing or subject to mandatory redemption in each year (subject to the limitations set forth in Section 3 of this ordinance), (d) the interest rate or rates per year payable on the Bonds if issued as Current Interest Bonds, the Yield to Maturity and Original Principal Amount if issued as Capital Appreciation Bonds (subject to the applicable maximum interest rate or Yield to Maturity set forth in Section 3 of this ordinance), (e) whether the Bonds of such block will be issued in book-entry or certificated form and the name of the book-entry depository, (f) the redemption provisions applicable to the Bonds (subject to the provisions of Section 4(d) of this ordinance), (g) the sale price of the Bonds (not less than 98 percent of the original principal amount less any original issue discount), (h) the dates for Current Interest Bonds, (i) the first interest payment date for Current Interest Bonds and the first compounding date for Capital Appreciation Bonds, (j) whether the Bonds will be insured, the name of the bond insurer providing such insurance and any additional covenants with the bond insurer, (k) the underwriters of the Bonds in addition to the senior managing underwriters

named in this Section, (l) the name of the Bond Registrar (which shall be a banking institution having its principal corporate trust office in the City of Chicago) and (m) the Prior Bonds which are to be refunded.

Subsequent to each such sale, the City Comptroller shall file in the Office of the City Clerk a Determination Certificate directed to the City Council setting forth each of the determinations made by the City Comptroller pursuant to this Section 13, and the Bonds so sold shall be duly prepared and executed in the form and manner provided in this ordinance.

The City Comptroller is authorized to execute and deliver a contract of purchase with respect to each sale of all or a portion of the Bonds. Each contract of purchase shall be in substantially the form previously used for general obligation financings of the City with appropriate revisions to reflect the terms and provisions of the Bonds. J.P. Morgan Securities, Inc. and Merrill Lynch & Co. are appointed as the senior managing underwriters with respect to the Bonds issued pursuant to this ordinance.

In connection with any sale of the Bonds, the City Comptroller is authorized to obtain a policy of bond insurance from such recognized bond insurer as the City Comptroller shall determine, if the City Comptroller determines such bond insurance to be desirable in connection with such sale of the Bonds. The Comptroller may on behalf of the City make necessary covenants with respect to that insurance consistent with this ordinance.

In the event that the Bonds are sold so as to require the levy of taxes in any year less than the amount specified in Section 8 of this ordinance, then the City Comptroller shall include, in the Determination Certificate for the sale of the final block of Bonds, the amount of any reduction in the amount levied in Section 8 of this ordinance for that year and any succeeding year resulting from the sale of Bonds with lesser maturities (after taking into account mandatory redemptions) or lesser payments of interest, and, in addition, the City Comptroller shall file in the respective offices of the County Clerks certificates of tax abatement for such years. Any certificate of abatement delivered pursuant to this paragraph shall refer to the amount of taxes levied pursuant to Section 8, shall indicate the amount of reduction in the amount of taxes levied by the City resulting from the sale of the Bonds, which reduced amount is to be abated from such taxes, and shall further indicate the remainder of such taxes which is to be extended for collection by the County Clerks.

The preparation, use and distribution of a preliminary official statement and an official statement relating to each sale and issuance of the Bonds are approved. The Mayor and City Comptroller are each authorized to execute and deliver an official statement relating to each sale and issuance of the Bonds on behalf of the City. The preliminary official statement and official statement authorized by this ordinance shall be in substantially the forms previously used for general obligation financings of the City with appropriate revisions to reflect the terms and provisions of the Bonds and to

describe accurately the current financial condition of the City and the parties to the financing.

The Bonds shall be duly prepared and executed in the form and manner provided and delivered to the purchasers in accordance with the terms of sale.

The Mayor, the City Comptroller, the City Treasurer, the City Clerk and the Deputy City Clerk are authorized to execute and deliver such other documents and perform such other acts as may be necessary or desirable in connection with the Bonds, including, but not limited to, the exercise following the delivery date of the Bonds of any power or authority delegated to such official under this ordinance with respect to the Bonds upon original issuance, but subject to any limitations on or restrictions of such power or authority as herein set forth in this ordinance.

**SECTION 14. Use of Proceeds.** The amounts received upon the sale of the Bonds and interest and other investment earnings on those amounts shall be used as follows:

(a) The accrued interest received from each sale shall be used to pay the first interest becoming due on the Current Interest Bonds sold, and to that end, shall be deposited in the related Escrow Account, if established.

(b) The sum as may be determined by the City Comptroller necessary to pay not more than four years interest on the Bonds shall be used for that purpose and shall be deposited in the related Escrow Account, if established.

(c) The sum determined by the City Comptroller to be necessary to refund such of the Prior Bonds as are being refunded from that sale of Bonds shall be deposited into a "Refunding Escrow Account" and held by a bank or trust company to be designated by the City Comptroller pursuant to the terms of a Refunding Escrow Agreement. The City Comptroller is authorized to execute and deliver such a Refunding Escrow Agreement in such form as he deems appropriate to effect the refunding of Prior Bonds. The City Comptroller is authorized to enter into escrow reinvestment providing for the investment of cash balances in the Refunding Escrow Account and for the City to receive the investment income under the agreement for deposit in the Refunding Escrow Account.

(d) From the sale proceeds of the Bonds not applied as provided in paragraphs (a), (b) and (c) above, the amount deemed necessary by the City Comptroller shall be applied to the payment of the costs of issuance of the Bonds and related administrative costs, including the premium for bond insurance, if any, and any unexpended portion of the sale proceeds shall be deposited in the City's Corporate Fund.

SECTION 15. Tax Covenants. The City covenants with the Registered Owners from time to time of the Bonds that it will take no action in the investment of the proceeds of the Bonds that would result in making the interest payable on any of the Bonds subject to federal income taxes by reason of the Bonds being classified as "arbitrage bonds" within the meaning of Section 148 of the Internal Revenue Code of 1986, as previously or subsequently amended (the "Code").

The City further covenants that it will act with respect to the proceeds of the Bonds, the earnings on the proceeds of the Bonds and any other moneys on deposit in any fund or account maintained in respect of the Bonds, including, if necessary, a rebate of such earnings to the United States of America, in a manner which would cause the interest on the Bonds to continue to be exempt from federal income taxation under Section 103(a) of the Code, or any successor statute. The City Comptroller is authorized to execute such agreements as shall be necessary, in the opinion of nationally recognized municipal bond counsel, to evidence the City's compliance with the covenants contained in this Section.

SECTION 16. Defeasance.

(a) If the City shall pay or cause to be paid, or there shall otherwise be paid, to the Registered Owners of the Bonds then outstanding, the principal, redemption premium, if any, and interest (including Compound Accreted Value of Capital Appreciation Bonds) to become due on the Bonds, at the times and in the manner stipulated in this ordinance, then the obligation of the City with respect to payment of such principal redemption premium, if any, and interest shall be discharged and satisfied.

(b) Bonds for the payment or redemption of which money shall have been set aside and shall be held in trust by the Bond Registrar or any applicable Escrow Agent (through deposit by the City of funds for such payment or redemption or otherwise), whether at or prior to the maturity or the redemption date of such Bonds, shall be deemed to have been paid within the meaning of and with the effect expressed in paragraph (a) of this Section. In addition, any Bonds shall, prior to their maturity or redemption date, be deemed to have been paid within the meaning of and with the effect expressed in paragraph (a) of this Section if:

- (i) there shall have been deposited with the Bond Registrar or the applicable Escrow Agent for those Bonds either money in an amount which shall be sufficient, or Government Obligations, as defined below, the principal of and interest on which when due will provide money which, without reinvestment, when added to the money, if any, so deposited at the same time, shall be sufficient to pay the principal of those Bonds at maturity or earlier redemption, redemption premium, if any, and interest due and to become due on those Bonds on and prior to the

redemption date or maturity date (including the Compound Accreted Value for Capital Appreciation Bonds) of the Bonds, as the case may be;

- (ii) in case any of the bonds are to be redeemed on any date prior to their maturity, the City shall have given to the Bond Registrar irrevocable instruction to give any required notice of redemption as provided in this ordinance, which instruction the Bond Registrar has accepted in writing; and
- (iii) the City shall receive an opinion of nationally recognized bond counsel to the effect that the defeasance of the bonds shall not cause interest on the Bonds to be included in "gross income" of the Registered Owner for federal income tax purposes.

(c) Neither Government Obligations nor money deposited under paragraph (b) of this Section nor principal or interest payments of any such Government Obligations shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal (at maturity or pursuant to earlier redemption), redemption premium, if any, and interest on those Bonds (including the Compound Accreted Value for Capital Appreciation Bonds), provided that any cash received from such principal or interest payments on such Government Obligations, if not then needed for such purpose, shall, to the extent practicable, be reinvested in Government Obligations maturing at times and in principal amounts sufficient to pay when due the principal, redemption premium, if any, and interest (including the Compound Accreted Value for Capital Appreciation Bonds) to become due on those Bonds on and prior to such redemption date or maturity date of the Bonds, as the case may be.

(d) Governmental Obligations means direct obligation of, or obligation that principal of and interest on which are unconditionally guaranteed by the United States of America or trust receipts or other certificate of ownership as evidencing an ownership interest in the principal of or interest on or both principal of and interest on, such Obligation.

**SECTION 17. Authorized Officers.** This Ordinance is prepared in accordance with the powers of the City as a home rule unit under Article VII of the Illinois Constitution of 1970. The Mayor, City Comptroller, City Treasurer, City Clerk and other appropriate officers of the City are authorized to take such actions and do such things as shall be necessary to perform, carry out, give effect to and consummate the transactions contemplated by this ordinance and the Bonds.

**SECTION 18. Bond Contract.** The provisions of this Ordinance shall constitute a contract between the City and the Registered Owners of the Bonds. The provisions, covenants and agreements herein set forth in this

ordinance to be performed by or on behalf of the City shall be for the equal benefit, protection and security of such Registered Owners except as expressly provided in this ordinance. All of the Bonds, regardless of the time or times of their issuance, shall be of equal rank without preference, priority or distinction of any of the Bonds over any other except as expressly provided in or pursuant to this ordinance.

SECTION 19. Proxies. The Mayor, the City Clerk and the City Comptroller may each designate another to act as their respective proxy and to affix their respective signatures to the Bonds whether in temporary or definitive form, and any other instrument, certificate or document required to be signed by the Mayor, the City Clerk or the City Comptroller pursuant to this ordinance and any instrument, certificate or document required by this ordinance. In such case, each shall send to the City Council written notice of the person so designated by each, such notice stating the name of the person so selected and identifying the instruments, certificates and documents which such person shall be authorized to sign as proxy for the Mayor, the City Clerk and the City Comptroller, respectively. A written signature of the Mayor, the City Clerk or the City Comptroller, respectively, executed by the person so designated underneath, shall be attached to each notice. Each notice, with the signature attached, shall be recorded in the Journal of the Proceedings of the City Council and filed with the City Clerk. When the signature of the Mayor, the City Clerk or the City Comptroller is placed on an instrument, certificate or document at the direction of the Mayor, the City Clerk or the City Comptroller, as the case may be, in the specified manner, the same, in all respects, shall be as binding on the City as if signed by the Mayor, the City Clerk or the City Comptroller in person, as the case may be.

SECTION 20. Bond Registrar. If requested by the Bond Registrar, the Mayor, the City Comptroller and the City Clerk are authorized to execute the customary form of agreement between the City and the Bond Registrar with respect to the obligations and duties.

SECTION 21. Supremacy. To the extent that any ordinance, resolution, rule, order or provision of the Municipal Code of Chicago, or part of it, is in conflict with the provisions of this ordinance, the provisions of this ordinance shall be controlling. If any section, paragraph, clause or provision of this ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this ordinance.

SECTION 22. Effectiveness. This ordinance shall be published by the City Clerk, by causing to be printed in special form at least twenty-five (25) copies which are to be made available in his or her office for public inspection and distribution to members of the public who may wish to avail themselves of a copy of this ordinance, and this ordinance shall be in full force and effect from and after its adoption, approval by the Mayor and such publication.

WHEREAS, The Peoples Gas Light and Coke Company ("Company"), a corporation organized and existing under the laws of the State of Illinois, wishes to acquire, construct, install and improve or to complete the acquisition, construction, installation and improvement of facilities for the supplying and distribution of gas located wholly within and throughout the City, including, but not limited to, distribution mains, service pipes, meters, pressure regulators, pipelines, monitoring and regulating systems, power operating equipment, buildings and building improvements (collectively, the "Project"), and wishes to have the City issue its revenue bonds to finance the cost of the Project, including costs related to the issuance and sale of the bonds and the financing of the Project and interest on the bonds during the period of acquisition, construction, installation and improvement of the Project; and

WHEREAS, The City considers it desirable to assist in the acquisition, construction, installation and improvement of the Project by issuing its revenue bonds to finance the cost of the Project in order to further the public purposes of the City by aiding in the providing of a safe, economical and efficient gas supply for the residences and businesses in the City, thereby promoting a favorable climate in the City for new and improved job opportunities by promoting the retention and expansion of commercial, industrial and manufacturing facilities in the City and improving the welfare and prosperity of the City and its inhabitants; and

WHEREAS, In furtherance of the aforesaid public purposes, the City desires to issue not to exceed \$102,000,000 aggregate principal amount of its Gas Supply Revenue Bonds, 1993 Series (The Peoples Gas Light and Coke

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. Authorization Of And Security For The Bonds. The City is hereby authorized to issue and sell not to exceed \$102,000,000 aggregate principal amount of the Bonds in one or more series and at one or more times, not later than December 31, 1994, to the Underwriters as provided in the Contract of Purchase, as executed, at purchase prices of not less than 97% of the principal amount thereof plus accrued interest, if any, to the date of purchase for the purpose of providing funds to pay all or a portion of the costs of acquiring, constructing, installing and improving the Project and costs of issuing the Bonds and other costs related to the financing of the Project and interest on the Bonds during the period of acquisition, construction, installation and improvement of the Project. Receipt by the Trustee of payment for the Bonds shall constitute payment to the City of the purchase price for the Bonds.

The Bonds shall be issuable only as fully registered Bonds without coupons in the denomination of \$5,000 and any integral multiple thereof.

Unless the City shall otherwise direct, the Bonds shall be lettered R and shall be numbered separately from 1 upward. The Bonds shall be dated, except as otherwise provided in the related Indenture, as of the first or the fifteenth day of the month during which the Bonds are issued or the preceding month. The Bonds shall mature as provided in the related Indenture, but not later than thirty-five years from their date. Interest on the Bonds shall be payable semiannually.

The Bonds of each series shall bear interest from their date for periods (each a "Rate Period") of from one day up to 270 days, or one year or integral multiples thereof up to the number of years until the final maturity of such Bonds, in each case at a rate not in excess of twenty percent (20%) per annum, with the length of the initial Rate Period for each series of Bonds and the rate to be borne by such Bonds for such initial Rate Period to be determined by the Mayor or the City Comptroller prior to the issuance of such Bonds after consultation with the Underwriters and the Company. Any such series of Bonds may bear interest at a single fixed interest rate for a single Rate Period until maturity (in which case the initial Rate Period for such Bonds shall terminate on the maturity date of such Bonds), or may bear interest for each Rate Period after the initial Rate Period (each such Rate Period after the initial Rate Period to be of a length equal to from one day to 270 days or one year or any integral multiple thereof as provided in the related Indenture) at a rate (the "Adjusted Interest Rate") equal to that rate which, in the judgment of the Remarketing Agent (the "Remarketing Agent") serving as such under the related Indenture, would produce as nearly as possible a par bid for such Bonds in the secondary market on the first day of such Rate Period.

Notwithstanding the foregoing, the Adjusted Interest Rate for any series of Bonds shall not exceed twenty percent (20%) per annum.

The Bonds shall be subject to mandatory and optional redemption as provided in the related Indenture.

The Bonds, together with premium, if any, and interest thereon, shall be limited obligations of the City payable solely from the amounts payable (the "Revenues") by the Company pursuant to the Loan Agreement, including amounts payable on the first and refunding mortgage bonds (the "First Mortgage Bonds") to be issued by the Company to evidence its obligation to repay the loan of the proceeds of the Bonds (except as provided in the Indenture and the Loan Agreement to the extent paid out of moneys attributable to the Bonds proceeds of the income from the temporary investment thereof) and shall be a valid claim of the respective owners thereof only against the Bond Fund under the Indenture and other moneys held by the Trustee and the Revenues, which Revenues shall be used for no other purpose than to pay the principal of, premium, if any, and interest on the Bonds, except as may be otherwise expressly authorized in the Indenture and the Loan Agreement. No owner of any of the Bonds shall have the right to compel any exercise of the taxing power of the City to pay the Bonds, or

the interest or premium, if any, thereon, and the Bonds shall not constitute an indebtedness of the City or a loan of credit thereof within the meaning of any constitutional or statutory provision.

No recourse shall be had for the payment of the principal of, premium, if any, or interest on any of the Bonds or for any claim based thereon or upon any obligation, covenant or agreement in the Indenture contained, against any past, present or future member, alderman, officer, employee or agent of the City, either directly or indirectly or through the City or any successor corporation, under any rule of law or equity, statute or constitution or by the enforcement of any assessment or penalty or otherwise, and all such liability of any such member, alderman, officer, employee or agent, as such, is hereby expressly waived and released as a condition of and in consideration for the execution of the Indentures and the issuance of any of the Bonds.

After consultation with the Underwriters and the Company, the Mayor and the City Comptroller of the City are hereby authorized and directed to fix the aggregate principal amount of the Bonds, the aggregate principal amount of the Bonds of each series, the designation of each series of the Bonds, the dated date of the Bonds of each series, the date of issuance of each series of Bonds, the maturity date or dates of each series of the Bonds, the redemption provisions applicable to each series of the Bonds, the initial interest rate or rates to be borne by each series of the Bonds and the initial Rate Periods during which such rates are to be applicable, the tender provisions applicable to each series of the Bonds and the sale price. The execution of the Bonds of any series by the Mayor or the City Comptroller of the City shall constitute conclusive evidence of such officer's fixing of the aforesaid provisions.

The City Council hereby finds that the issuance and sale of the Bonds to finance the costs of acquiring, constructing, installing and improving the Project will further the public purposes of the City as recited in the preamble of this ordinance.

(f) When executed by the officers of the Issuer, this Agreement will constitute a valid, binding and enforceable obligation of the Issuer.

(g) The Issuer is not in default under any of the provisions of the laws of the State of Illinois which would affect its existence or its powers referred to in the preceding subsection (a).

*Article III.*

*Acquisition And Completion Of The Project;  
Issuance Of The Bonds.*

**Section 3.1 Agreement To Acquire, Construct And Install The Project.**

The Company covenants and agrees that it will acquire, construct and improve the Project. The Company may supplement or amend the description of the Project (including additions thereto or omissions therefrom) at any time, provided that (a) no such supplement or amendment shall substantially change the description of the Project set forth in Exhibit A unless an Authorized Issuer Representative shall have consented thereto in writing, which consent shall not be unreasonably withheld, and (b) there shall be filed with the Issuer and the Trustee the written approving opinion of Bond Counsel to the effect that such supplement or amendment will not (i) result in the inclusion of interest on any Bond in the gross income of the owner thereof for federal income tax purposes, or (ii) change the status of the Project as Exempt Facilities. In the event of a supplement or amendment to the description of the Project, the Issuer and the Company shall revise Exhibit A to this Agreement to reflect such supplement or amendment.

Subject to the force majeure provisions of Section 6.1 hereof, the Company agrees to make all reasonable efforts to cause the acquisition, construction and improvement of the Project to be completed as soon as may be practicable. For such acquisition, construction and improvement which commence prior to the receipt of proceeds from the sale of the Bonds, the Company agrees to advance all funds necessary for such purpose, which advances may be reimbursed from the Construction Fund to the extent permitted by Section 3.3 hereof. Nothing contained in this Section shall relieve the Company from making the payments required to be paid pursuant to Section 4.3 hereof.

**Section 3.2 Agreement To Issue Bonds; Application Of Bond Proceeds.**

In order to provide funds to finance a portion of the costs of acquisition, construction and improvement of the Project provided for in Section 3.1 hereof, the Issuer agrees that it will sell and cause to be delivered to the purchasers thereof \$\_\_\_\_\_ aggregate principal amount of the Bonds having the terms specified in the Indenture. Upon receipt of the net proceeds from such sale the Issuer will (a) pay to the Trustee for deposit and the Trustee shall deposit in the Bond Fund a sum equal to the amount required to be so deposited pursuant to Section 603 of the Indenture, and (b) pay to the Trustee for deposit and the Trustee shall deposit in the Construction Fund the balance of the proceeds received from said sale. The

Company covenants and agrees that it has or will obtain all governmental permits and orders necessary to acquire, construct and install the Project. The Project is or, upon its acquisition, construction and installation, will be the property of the Company.

### Section 3.3 Disbursements From The Construction Fund.

(a) The Issuer has, in the Indenture, authorized and directed the Trustee to disburse the moneys from the Construction Fund, as directed by the Company, to pay any cost of the Project as described in Section 3.3(b) hereof. Except for transfers into the Bond Fund in accordance with Section 3.4 hereof, each of the disbursements from the Construction Fund shall be made upon receipt by the Trustee of a written order signed by the Authorized Company Representative certifying:

(i) the requisition number;

(ii) the portion of the Project to which the payment relates;

(iii) the payee, which may be the Trustee in the case of a requisition for the payment of interest on the Bonds, and which may be the Company in the case of (a) work performed by the personnel of the Company or (b) reimbursement for payments advanced by the Company for the Project;

(iv) the amount;

(v) that the payment is due, is a proper charge against the Construction Fund and has not been the basis for any previous withdrawal from the Construction Fund;

(vi) that the payment of such requisition will not result in less than 95% of the net proceeds of the Bonds (within the meaning of Section 142(a) of the Code) expended or to be expended pursuant to such requisition being considered as having been used for Qualified Costs of Construction;

(vii) if payment is a reimbursement to the Company for costs or expenses of the Company incurred by reason of work performed or supervised by officers or employees of the Company, that the amount to be paid does not exceed the actual cost thereof to the Company and does not include any profit to the Company;

(viii) as of the date of such requisition, no event of default, and no event or condition which, with the passage of time or the giving of notice or both, would constitute an event of default, exists and is continuing under this Agreement.

Interest on the Bonds during construction and legal, consulting and any

Bond issuance expenses shall be set forth separately in any requisition requesting payment therefore.

At the request of the Company and pursuant to procedures established by the Trustee, the Trustee may accept an oral communication from the Authorized Company Representative requesting disbursement of moneys in the Construction Fund, which oral communications shall be promptly confirmed to the Trustee by a written order signed by the Authorized Company Representative.

(b) Moneys in the Construction Fund shall be used (subject to the provisions of Section 3.7 hereof) for the purposes permitted by this Agreement and the Indenture, including, but not limited to, the following:

(i) Payment of (A) the initial or acceptance fee of the Trustee and any paying agent under the Indenture and of the First Mortgage Trustee and any paying agent under the First Mortgage Indenture, (B) the legal, financial, accounting, bond rating and issuance fees and expenses incurred in connection with the authorization, sale and issuance of the Bonds, (C) fees and expenses of the Issuer, Issuer's counsel and Issuer's advisors, and deposits required by the Issuer as a condition to the issuance of the Bonds, (D) the printing and engraving costs incurred in connection with the authorization, sale and issuance of the Bonds, (E) costs and expenses associated with the execution and filing of the Indenture, (F) costs and expenses of the Company associated with the preparation of this Agreement and the Indenture and all other documents in connection therewith, and (G) fees and expenses of the Tender Agent.

(iii) Payment or reimbursement to the Company for labor, services, materials and supplies used or furnished in site improvement; for the costs of the acquisition, construction and improvement of the Project; for the cost of all real or personal property deemed necessary in connection with the Project; and for the miscellaneous expenses incidental to any of the foregoing.

(iv) Payment or reimbursement to the Company of the fees, if any, for architectural, engineering and supervisory services with respect to the Project with the approval of the Authorized Company Representative.

(v) Payment or reimbursement to the Company of expenses incurred in seeking to enforce any remedy against any contractor or subcontractor in respect of any contract relating to the Project.

(vi) Payment into the Bond Fund of any amount which may be necessary to pay the interest to accrue on the Bonds, or on any other specific borrowing from any unaffiliated person and related to the Project, or reimbursement of the Company for any payments for such purpose, during the Construction Period.

(c) The Company shall cause the communications and written orders specified in paragraph (a) of this Section 3.3 to be made and submitted to the Trustee as may be necessary to effect payments out of the Construction Fund in accordance with this Section 3.3. In making any such payment from the Construction Fund, the Trustee may rely on any such communications and written orders delivered to it pursuant to this Section 3.3, and the Trustee shall be relieved of all liability with respect to making such payments in accordance with such communications and written orders.

#### Section 3.4 Establishment Of Completion Date.

The Completion Date shall be evidenced to the Trustee and the Issuer by a certificate signed by the Authorized Company Representative (i) stating that, except for amounts retained by the Trustee for Costs not then due and payable or the liability for which the Company is contesting, acquisition, construction and improvement of the Project has been substantially completed to the satisfaction of the Company and all labor, services, materials and supplies used in such construction have been paid for and (ii) certifying that all of the information contained in the communications and written orders submitted to the Trustee pursuant to Section 3.3 hereof is true, correct and complete.

Notwithstanding the foregoing, such certificate may state that it is given without prejudice to any rights against third parties which exist at the date of such certificate or which may subsequently come into being.

Upon delivery by the Authorized Company Representative of the above-mentioned certificate evidencing completion of the Project, the Trustee shall retain in the Construction Fund a sum equal to the amounts necessary for payment of the Cost of the Project not then due and payable or the liability of which the Company is contesting as set forth in said certificate. Any amount not to be retained in the Construction Fund for payment of such costs, and all amounts so retained but not subsequently used and for which notice of such failure of use has been given by the Company to the Trustee, shall be transferred by the Trustee into the Bond Fund; provided, however, that no amount shall be transferred into the Bond Fund unless at least 95% of the

net proceeds of the Bonds (within the meaning of Section 142(a) of the Code) have been used for Qualified Costs of Construction. In the case where no amount shall be transferred into the Bond Fund as hereinabove provided, any amount (exclusive of amounts retained by the Trustee in the Construction Fund for payment of any Cost of the Project not then due and payable or the liability for which the Company is contesting) remaining in the Construction Fund shall be segregated by the Trustee and used by the Trustee, at the direction of the Authorized Company Representative, (a) to redeem Bonds on the earliest redemption date permitted by the Indenture for which no prepayment premium or penalty pertains, or, at the option of the Company, at an earlier redemption date, (b) to purchase Bonds on the open market prior to such redemption date (provided that, if the Bonds are purchased at an amount in excess of the principal amount thereof, the Company shall pay such excess out of other funds) for the purpose of cancellation, or (c) for any other purpose, provided that the Trustee is furnished with an opinion of Bond Counsel to the effect that such use is lawful under applicable Illinois law and will not adversely affect the exclusion from gross income for federal income tax purposes of interest on any of the Bonds. Until used for one or more of the foregoing purposes, such segregated amount may be invested as permitted by Section 3.7 hereof, but may not be invested, without an opinion of Bond Counsel to the effect that such investment will not adversely affect the exclusion from federal income taxation of interest on any of the Bonds, to produce a yield on such amount (computed from the Completion Date and taking into account any investment of such amount from the Completion Date) greater than the yield on the Bonds, computed in accordance with Section 148 of the Code. The Issuer agrees to cooperate with the Trustee and take all required action necessary to redeem the Bonds or to accomplish any other purpose contemplated by this Section 3.4. To the extent that Revenue Procedure 79-5, as amplified by Revenue Procedure 81-22, of the International Revenue Service is applicable to the Bonds, the Company agrees to comply therewith.

#### Section 3.5 Company Required To Pay Costs In Event Construction Fund Insufficient.

In the event the moneys in the Construction Fund available for payment of Costs of the Project should not be sufficient to pay the costs thereof in full, the Company agrees to pay or cause to be paid directly such costs, or to deposit in the Construction Fund moneys sufficient to pay such costs as may be in excess of the moneys available therefor in the Construction Fund. The Issuer does not make any warranty, either express or implied, that the moneys which will be paid into the Construction Fund and which, under the provisions of this Agreement, will be available for payment of the Costs of the Project, will be sufficient to pay all such costs which will be incurred in that connection. The Company agrees that if after exhaustion of the moneys in the Construction Fund, the Company should pay, or deposit moneys in the Construction Fund for the payment of, any portion of the Costs of the Project pursuant to the provisions of this Section 3.5, it shall not be entitled to any

reimbursement therefor from the Issuer, or from the Trustee or from the owners of any of the Bonds, nor shall it be entitled to any diminution of the amounts payable under Section 4.3 hereof.

### Section 3.6 Authorized Company Representative.

Prior to or concurrently with the initial sale of the Bonds the Company shall appoint the Authorized Company Representative for the purpose of taking all actions and making all certificates required to be taken and made by the Authorized Company Representative under the provisions of this Agreement, and may appoint alternate Authorized Company Representatives to take any such action of make any such certificate if the same is not taken or made by the Authorized Company Representative. In the event any of said persons, or any successor appointed pursuant to the provisions of this Section 3.6, should resign or become unavailable or unable to take any action or make any certificate provided for in this Agreement, another Authorized Company Representative or alternate Authorized Company Representative shall thereupon be appointed by the Company. If the Company fails to make such designation within ten days following the date when the then incumbent resigns or becomes unavailable or unable to take any of said actions, the Treasurer of the Company shall serve as the Authorized Company Representative.

Whenever under the provisions of this Agreement the approval of the Company is required or the Issuer is required to take some action at the request of the Company, such approval or such request shall be made by the Authorized Company Representative unless otherwise specified in this Agreement and the Issuer or the Trustee shall be authorized to act on any such approval or request and the Company shall have no complaint against the Issuer or the Trustee as a result of any such action taken.

### Section 3.7 Investment Of Construction Fund And Bond Fund Moneys Permitted.

Any moneys held as a part of the Construction Fund or Bond Fund, shall, at the direction of the Authorized Company Representative, which direction may be oral, but shall be confirmed in writing, be invested or reinvested by the Trustee in the following investments: (a) any bonds or other obligations which as to principal and interest constitute direct obligations of or are unconditionally guaranteed by the United States of America, (b) obligations of the Federal National Mortgage Association, (c) obligations of the Federal Intermediate Credit Corporation, (d) obligations of Federal Banks for Cooperatives, (e) certificates of deposit issued by, bankers' acceptances or debt obligations of, and interest-bearing accounts in, commercial banks, including the Trustee and Banks domiciled outside the United States of America, which have assets of at least \$15,000,000,000 (f) prime commercial paper, (g) obligations of Federal Land Banks (h) obligations of Federal Home

The Company shall not direct the Trustee to make any investments other than those permitted by law.

Any such securities may be purchased at the offering or market price thereof at the time of such purchase. Such investments shall mature in such amounts and at such times, or shall be readily marketable prior to their maturities, as the Company may direct.

The Trustee may make any and all such investments through its own bond department. Any interest accruing on or profit realized from the investment of any moneys held as part of the Bond Fund shall be credited to the Bond Fund. Any loss resulting from such investment shall be charged to the Bond Fund, and the Company shall promptly replenish the Bond Fund to the extent of any such loss. Any interest accruing on or profit realized from the investment of any moneys held as part of the Construction Fund shall be credited to the Construction Fund. Any loss resulting from such investment shall be charged to the Construction Fund.

For the purposes of Section 3.7, any interest-bearing deposits, including certificates of deposit, issued by or on deposit with the Trustee, shall be deemed to be investments and not deposits.

### Section 3.8 Covenants And Representations With Respect To Arbitrage.

The Company further represents that to the best knowledge and belief of the Company, there are no facts or circumstances that would materially change the foregoing. The Issuer represents that the Internal Revenue Service has not notified the Issuer that its certifications may not be relied upon for purposes of establishing that bonds of the Issuer are not arbitrage bonds.

The Issuer and the Company covenant and certify to each other and to and for the benefit of the purchasers of the Bonds that no use will be made of the proceeds from the issue and sale of the Bonds which will cause the Bonds to be classified as arbitrage bonds within the meaning of Section 148 of the Code. Pursuant to such covenant, the Issuer and the Company obligate themselves to comply throughout the term of the issue of the Bonds with the requirements of Section 148 of the Code, and regulations promulgated

*Article IV.*

*Loan And Provisions For Payment.*

Section 4.1 Loan.

In order to finance a portion of the Cost of the Project, the Issuer shall loan the proceeds received from the sale of the Bonds to the Company and cause such proceeds to be applied as provided in Article III hereof. Such proceeds shall be disbursed in accordance with Section 3.3 hereof.

To repay such loan, the Company agrees to make all payments when due on the First Mortgage Bonds and all payments provided under Section 4.3 hereof.

Section 4.2 First Mortgage Bonds.

Concurrently with the authentication and delivery by the Issuer of the Bonds, the Company shall execute and deliver to the Issuer its First Mortgage Bonds in order to evidence and secure its obligation to repay the loan referred to in Section 4.1 hereof. Each such First Mortgage Bond issued with respect to the Bonds will be in substantially the form set forth in the First Mortgage Indenture, and the First Mortgage Bonds will be in substantially the same form with necessary and appropriate variations, omissions and insertions as permitted and required by this Agreement and the First Mortgage Indenture, and the First Mortgage Bonds will:

- (a) be initially issued in a principal amount equal to the aggregate principal amount of the Bonds;
- (b) provide for payments of interest on the unpaid balance thereof equal to the payments of interest on the Bonds;
- (c) contain provisions in respect of the payment of principal, whether at maturity, by redemption or acceleration, corresponding to the payment provisions of the Bonds;
- (d) require all payments of principal of or interest on the First Mortgage Bonds to be made on or prior to the due date for the corresponding payment to be made on the Bonds and in the same coin or currency; and

(e) otherwise comply with Sections 4.3 and 4.5 hereof.

**Section 4.3 Payment Of The Bonds From Payment Of The First Mortgage Bonds And Other Amounts.**

Payments, and amounts which are deemed to be payments as hereinafter provided, of principal of, premium, if any, and interest on the First Mortgage Bonds by the Company to the Trustee, as assignee of the Issuer, shall constitute payments of such amounts on the loan under Section 4.1 hereof. Principal of, premium, if any, and interest on the Bonds shall be payable from payments made by the Company to the Trustee of principal of, premium, if any, and interest on the First Mortgage Bonds delivered hereunder. Payments of principal of, premium, if any, or interest on the Bonds with moneys in the Bond Fund or in the Construction Fund constituting proceeds from the sale of the Bonds or earnings on investment made under the provisions of the Indenture shall be deemed to be like payments made pursuant to this Section 4.3 and payments with respect to the First Mortgage Bonds. Whenever the Bonds are redeemable in whole or in part, the Issuer will redeem the same upon the request of the Company and the Company covenants and agrees to pay an amount equal to the applicable redemption price of such Bonds as a payment due pursuant to this Section 4.3 and as prepayment of principal of and interest due on the First Mortgage Bonds. Whenever payment or provision therefor has been made in respect of the principal of or interest on all or any portion of the Bonds in accordance with the Indenture (whether at maturity or upon redemption or acceleration), the First Mortgage Bonds shall be deemed paid to the extent such payment or provision therefor has been made and is considered to be a payment of principal or interest on the Bonds. If the Bonds are thereby deemed paid in full, the corresponding First Mortgage Bonds shall be cancelled and returned to the Company. Subject to the foregoing or unless the Company is entitled to a credit under this Agreement or the Indenture, all payments shall be in the full amount required under the First Mortgage Bonds.

If the Company has deposited Government Obligations and obtained the release of First Mortgage Bonds pursuant to Section 802 of the Indenture, and thereafter Bonds become subject to redemption pursuant to Section 301(B)(2) of the Indenture and there are insufficient moneys available under the Indenture to effect such redemption, the Company covenants and agrees to pay to the Trustee for deposit in the Bond Fund any such deficiency amount as is necessary to redeem the Bonds on the date fixed for redemption.

The Issuer, by the terms of the Indenture, shall require the Trustee to notify in writing the person or institution then serving as First Mortgage Trustee under the First Mortgage Indenture, of all payments or credits with respect to the First Mortgage Bonds.

#### Section 4.4 No Defense Or Set-Off.

The obligations of the Company to make the payments required under the First Mortgage Bonds and, with respect to premium on the Bonds required under Section 4.3 hereof, shall be absolute and unconditional without defense, recoupment or set-off by reason of any default by the Issuer under this Agreement or under any other agreement between the Company and the Issuer or for any other reason, including, without limitation, failure to complete the Project, any acts or circumstances that may constitute failure of consideration, destruction of or damage to the Project, condemnation, failure of title, or commercial frustration of purpose, or failure of the Issuer to perform and observe any agreement, whether express or implied, or any duty, liability or obligation to the Company, whether or not arising out of or connected with this Agreement, it being the intention of the parties that the payments required by the First Mortgage Bonds and, with respect to premium on the Bonds required under Section 4.3 hereof will be paid in full when due without any delay or diminution whatsoever.

#### Section 4.5 Assignment Of Issuer's Rights.

As security for the payment of the Bonds, the Issuer will, concurrently with the issuance of the Bonds, pledge and assign to the Trustee the Issuer's rights under this Agreement (except the right to receive payments, if any, under Sections 5.3 and 6.4 hereof), including the right of the Issuer to receive the First Mortgage Bonds and the right to receive payments thereunder and hereby covenants and agrees with the Company to pledge, assign and deliver the First Mortgage Bonds issued pursuant to Section 4.2 hereof to the Trustee. The Issuer directs the Company, and the Company agrees to pay to the Trustee at its principal corporate trust office, all payments on the First Mortgage Bonds and other payments due and payable to the Trustee hereunder. The Company will make payments directly to the Trustee without defense or set-off by reason of any dispute between the Company and the Trustee or the Issuer.

The Issuer and the Company covenant and agree that the First Mortgage Bonds will at all times be (i) in fully registered (both principal and interest) form; (ii) registered in the name of the Trustee pursuant to the Assignment annexed hereto; (iii) non-transferable except as provided in the First Mortgage Indenture; and (iv) appropriately marked to indicate clearly the restrictions on the transfer thereof imposed by this Agreement.

#### Section 4.6 Payment Of Purchase Price.

To the extent not otherwise provided for herein, the Company agrees to pay or cause to be paid amounts sufficient to pay the purchase price of any Bond payable pursuant to Article IV of the Indenture.

*Article V.*

*Special Covenants.*

The Company agrees that during the term of this Agreement it will maintain its corporate existence and its good standing in the State of Illinois, will not dissolve or otherwise dispose of all or substantially all of its assets and will not consolidate with or merge into another corporation or permit one or more corporations to consolidate with it; provided, however, that the Company may, without violating the agreement contained in this Section 5.1, consolidate with or merge into another corporation or permit one or more corporations to consolidate with it, or sell or otherwise transfer to another corporation all or substantially all of its assets as an entirety and thereafter dissolve, provided the resulting, surviving or transferee corporation, as the case may be, irrevocably and unconditionally assumes in writing, by means of an instrument which is reasonably satisfactory to and delivered to the Issuer and the Trustee, and agrees to perform all of the obligations of the Company herein.

The Company agrees to pay to the Trustee until the principal of, premium, if any, and interest on all the outstanding Bonds shall have been fully paid or provision for the payment thereof shall have been made in accordance with the provisions of the Indenture: (i) an amount equal to the reasonable annual fee of the Trustee for the Ordinary Services of the Trustee, as trustee, rendered and its Ordinary Expenses incurred under the Indenture, as and when the same become due, (ii) the reasonable fees, charges and expenses of the Trustee and any other paying agent on the Bonds for acting as paying agent on the Bonds as provided in the Indenture, as and when the same become due, and (iii) the reasonable fees, charges and expenses of the Trustee for the necessary Extraordinary Services rendered by it and Extraordinary Expenses incurred by it under the Indenture, as and when the same become due.

**Section 5.3 Indemnification.**

The Company agrees to pay, and to indemnify the Issuer against, any and all liabilities, losses, damages, claims or actions of any nature whatsoever (including all reasonable attorneys' fees and expenses of the Issuer), incurred by the Issuer without bad faith arising from or in connection with the issuance of the Bonds or the performance or observance by it of the terms and conditions of this Agreement, the Indenture or the Tax Agreement,

including, without limitation, (1) any injury to, or the death of, any person or any damage to property on the Project or upon adjoining sidewalks, streets or ways, or in any manner growing out of or connected with the use, nonuse, condition or occupation of the Project or any part thereof or resulting from the condition thereof or of adjoining sidewalks, streets or ways, (2) any other act or event occurring upon or affecting any part of the Project, (3) violation by the Company of any contract, agreement or restriction affecting the Project or the use thereof of which the Company has notice and which shall have existed at the date hereof or shall have been approved by the Company or of any law, ordinance or regulation affecting the Project or any part thereof or the ownership, occupancy or use thereof, (4) liabilities, losses, damages, claims or actions arising out of the offer and sale of the Bonds or a subsequent sale or distribution of any of the Bonds, (5) liabilities, losses, damages, claims or actions arising out of the interest on the Bonds being includable in the gross income of the holders thereof for purposes of federal income taxation, or (6) any warranty, representation or certificate made by the Issuer arising from the issuance of the Bonds. The Company hereby agrees that the Issuer shall not incur any liability to the Company, and shall be indemnified against all liabilities, in exercising or refraining from asserting, maintaining or exercising any right, privilege or power given to the Issuer under the Indenture if the Issuer is acting in good faith and without gross negligence or in reliance upon a written request of the Authorized Company Representative. The covenants of indemnity by the Company contained in this paragraph shall extend to the Issuer, officers, employees, attorneys and agents of the Issuer and shall survive the termination of this Agreement.

The foregoing provisions of this Section 5.3 relate to the Issuer in its capacity as issuer of the Bonds and not to any activities or actions growing out of the performance of the Issuer's other governmental functions.

The Company agrees to pay to, or on behalf of, the Issuer such reasonable costs and expenses as may be incurred by the Issuer in performing its covenants under this Agreement and under the Indenture to the extent not paid from the proceeds of any Bonds.

#### Section 5.4 Tax Exempt Status Of The Bonds.

The Company covenants and agrees that it has not taken, permitted to be taken or omitted to take and will not take, permit or omit to take, and the Issuer covenants and agrees that it has not taken or omitted to take and will not take or omit to take, any action which results or will result in interest paid on any of the Bonds being included in gross income of the owners of the Bonds for purposes of federal income taxation; provided, however, that such covenant and agreement shall not require either the Company or the Issuer to enter an appearance in or intervene in any administrative, legislative or judicial proceeding in connection with any changes in applicable laws, rules,

regulations, or decisions of any court or administrative agency or other governmental body affecting the taxation of interest on the Bonds; and provided further that neither the Company nor the Issuer shall have violated this covenant if the interest on any of the Bonds becomes includable in federal gross income of a person who is a "substantial user" of the Project or a "related person" of such substantial user within the meaning of Section 147(a) of the Code.

The Company covenants and agrees to notify the Trustee and the Issuer of the occurrence of any event of which the Company has notice and which event would cause any of the Bonds to become subject to redemption pursuant to the Indenture as a result of interest thereon becoming includable for federal income tax purposes in the gross income of any owner thereof.

#### Section 5.5 Redemption Of Bonds.

If the Company is not in default in the payments under Section 4.2 hereof, the Issuer, upon reasonable assurance from the Company that the Company shall make sufficient funds available, at the request at any time of the Company and if the same are then callable, shall forthwith take all steps that may be necessary under the provisions of the Indenture to effect redemption of all or part of the then outstanding Bonds, as may be specified by the Company, on the redemption date specified by the Company and on which such redemption may be made under such applicable provisions.

The term "force majeure" as used herein shall mean, without limitation, the following: acts of God; strikes, lockouts or other industrial disturbances; acts of public enemies; orders of any kind of the government of the United States or of the State of Illinois or any of their departments, agencies, or officials, or any civil or military authority; insurrections; riots; epidemics; landslides; lightning; earthquakes; volcanic eruptions; fires; tornadoes; storms; floods; washouts; droughts; arrests; restraint of government and people; civil disturbances; explosions; breakage or accidents to machinery, transmission lines, pipes or canals; partial or entire failure of utilities; failure of suppliers; or any other cause or event not reasonably within the control of the Company. The Company agrees, however, to remedy with all reasonable dispatch the cause or causes preventing the Company from carrying out its agreements; provided, that the settlement of strikes, lockouts and other industrial disturbances shall be entirely within the discretion of the Company and the Company shall not be required to make settlement of strikes, lockouts and other industrial disturbances by acceding to the demands of the opposing party or parties when such course is in the judgment of the Company unfavorable to the Company.

### Section 6.2 Remedies On Default.

Upon the occurrence of an event of default described in Section 6.1(a) or Section 6.1(b) hereof, the Trustee, as the Issuer's assignee and as holder of the First Mortgage Bonds, shall have the remedies provided in the First Mortgage Indenture for holders of Bonds issued thereunder as set forth in Article X thereof. Any waiver of an event of default under the First Mortgage Indenture which constitutes an event of default under Section 6.1(a) or Section 6.1(b) hereof shall constitute a waiver of an event of default under this Agreement.

Upon the occurrence and continuance of an event of default referred to in Section 6.1 hereof, the Trustee, as assignee of the Issuer, may also take any one or more of the following remedial steps:

(a) by mandamus, or other suit, action or proceeding at law or in equity, enforce all rights of the Issuer, and require the Company to carry out any agreements with or for the benefit of the owners of the Bonds and to perform its duties under this Agreement and the First Mortgage Bonds; and

(b) by action or suit in equity enjoin any acts or things which may be unlawful or in violation of the rights of the Issuer.

Any amounts collected pursuant to action taken under this Section 6.2 shall be paid into the Bond Fund and applied in accordance with the provisions of the Indenture or, if the Bonds have been fully paid (or provision for payment thereof has been made in accordance with the provisions of the Indenture), to the Company.

### Section 6.3 No Remedy Exclusive.

No remedy herein conferred upon or reserved to the Issuer or the Trustee (as assignee of the Issuer) is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Issuer or the Trustee (as assignee of the Issuer) to exercise any remedy reserved to it in this Article, it shall not be necessary to give any notice, other than such notice as may be herein expressly required.

#### Section 6.4 Agreement To Pay Attorneys' Fees And Expenses.

In the event the Company should default under any of the provisions of this Agreement and the Issuer or the Trustee should employ attorneys or incur other expenses for the collection of the indebtedness hereunder or the enforcement or performance or observance of any obligation or agreement on the part of the Company herein contained, the Company agrees that it will on demand therefor pay to the Trustee, the Issuer or, if so directed by the Issuer, to the attorneys for the Issuer the reasonable fee of such attorneys and such other expenses so incurred by or on behalf of the Issuer or the Trustee.

#### Section 6.5 No Additional Waiver Implied By One Waiver; Consents To Waivers.

In the event any agreement contained in this Agreement should be breached by either party and thereafter waived by the other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder. No waiver shall be effective unless in writing and signed by the party making the waiver. The Issuer shall have no power to waive any default hereunder by the Company without the consent of the Trustee to such waiver. Notwithstanding the foregoing, if, after the acceleration of the maturity of the outstanding Bonds by the Trustee pursuant to Section 902 of the Indenture, all arrears of interest on the outstanding Bonds and interest on overdue installments of interest (to the extent permitted by law) at a rate per annum which is equal to the rate per annum borne by the Bonds in respect of which such default shall have occurred and the principal and premium (if any) on all Bonds then outstanding which have become due and payable otherwise than by acceleration, and all other sums payable under the Indenture, except the principal of and the interest on such Bonds which by such acceleration shall have become due and payable, shall have been paid, all other things shall have been performed in respect of which there was a default, there shall have been paid the reasonable fees and expenses of the Trustee and of the owners of such Bonds, including reasonable attorneys' fees paid or incurred and such event of default under the Indenture shall be waived by the Trustee with the consequence that under Section 902 of the Indenture such acceleration is rescinded, then the Company's default hereunder shall be deemed to have been waived by the Trustee (as assignee of the Issuer) and no further action in accordance with the Indenture or consent by the Trustee or the Issuer shall be required.

The Trustee is hereby authorized and directed to complete such forms of Bonds as to principal amounts and registered owners, in accordance with the provisions hereof, in effecting transfers and exchanges of Bonds as provided herein.

Any such facsimile signatures shall have the same force and effect as if said Mayor or City Clerk, as the case may be, had manually signed each of said Bonds.

In case any officer whose signature or a facsimile of whose signature shall appear on the Bonds shall cease to be such officer before the delivery of such Bonds, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes, the same as if he had remained in office until delivery.

The Bonds, together with premium, if any, and interest thereon, shall be limited obligations of the Issuer payable solely from the Revenues (except as provided in this Indenture and the Agreement to the extent paid out of moneys attributable to the Bond proceeds or the income from the temporary investment thereof) and shall be a valid claim of the respective owners thereof only against the Bond Fund and other moneys held by the Trustee and the Revenues, which Revenues shall be used for no other purpose than to pay the principal of, premium, if any, and interest on the Bonds, except as maybe otherwise expressly authorized in this indenture and the Agreement. The Bonds shall be limited obligations of the Issuer payable solely from the Revenues (except as provided in this Indenture and the Agreement, to the extent paid out of moneys attributable to Bond proceeds or the income from the temporary investment thereof). No owner of any of the Bonds shall have the right to compel any exercise of taxing power of the Issuer thereof to pay the Bonds, or the interest or premium, if any, thereon, and the Bonds shall not constitute an indebtedness of the Issuer thereof or a loan of credit thereof within the meaning of any constitutional or statutory provision.

No recourse shall be had for the payment of the principal of, premium, if any, or interest on any of the Bonds or for any claim based thereon or upon any obligation, covenant or agreement in this Indenture contained, against any past, present or future member, councilman, officer, employee or agent of the Issuer, either directly or through the Issuer or any successor corporation, under any rule of law or equity, statute or constitution or by the enforcement of any assessment or penalty or otherwise, and all such liability of any such member, councilman, officer, employee or agent as such, is

hereby expressly waived and released as a condition of and in consideration for the execution of this Indenture and the issuance of any of the Bonds.

The Trustee's certificate of authentication on any Bond shall be deemed to have been executed by it if signed by an authorized officer of the Trustee, but it shall not be necessary that the same officer sign the certificate of authentication on all of the Bonds issued hereunder.

Upon authentication of any Bond, the Trustee shall set forth on such Bond the date of such authentication.

#### Section 207. Form Of Bonds.

The Bonds issued under this Indenture shall be substantially in the form hereinabove set forth with such appropriate variations, omissions and insertions as are permitted or required by this Indenture.

#### Section 208. Mutilated, Destroyed, Lost Or Stolen Bonds.

In the event any Bond or temporary Bond is mutilated, lost, stolen or destroyed, the Trustee may authenticate a new Bond duly executed by the Issuer of like date and denomination as that mutilated, lost, stolen or destroyed; provided that, in the case of any mutilated Bond, such mutilated Bond shall first be surrendered to the Trustee, and in the case of any lost, stolen or destroyed Bond, there shall be first furnished to the Trustee evidence of such loss, theft or destruction satisfactory to the Trustee, together with indemnity to the Issuer and the Trustee satisfactory to them. In the event any such Bond shall have matured, instead of issuing a duplicate Bond, the Trustee on behalf of the Issuer may pay the same without surrender thereof. The Issuer and the Trustee may charge the Owner of such Bond with their reasonable fees and expenses in this connection. The Issuer shall cooperate with the Trustee in connection with the issue of replacement Bonds, but nothing in this Section shall be construed in derogation of any rights which the Issuer, the Company or the Trustee may have to receive indemnification against liability, or payment or reimbursement of expenses, in connection with the issue of a replacement Bond.

All Bonds shall be held and owned upon the express condition that the foregoing provisions are, to the extent permitted by law, exclusive with respect to the replacement or payment of mutilated, destroyed, lost or stolen Bonds, and shall preclude any and all other rights or remedies.

#### Section 209. Temporary Bonds.

Pending preparation of definitive Bonds, or by agreement with the purchasers of all Bonds, the Issuer may issue and, upon its request, the Trustee shall authenticate, in lieu of definitive Bonds, one or more temporary printed or typewritten Bonds in Authorized Denominations of substantially the tenor recited above. Upon request of the Issuer, the Trustee shall authenticate definitive Bonds in exchange for and upon surrender of an equal principal amount of temporary Bonds. Until so exchanged, temporary Bonds shall have the same rights, remedies and security hereunder as definitive Bonds.

#### Section 210. Cancellation And Disposition Of Surrendered Bonds.

Whenever any Outstanding Bond shall be delivered to the Trustee for transfer, exchange or cancellation pursuant to this Indenture, upon payment of the principal amount represented thereby, or for replacement pursuant to Section 208 hereof, such Bond shall be promptly canceled and disposed of by the Trustee, and counterparts of a certificate of disposition evidencing such disposition shall be furnished by the Trustee to the Issuer and the Company.

#### Section 211. Refunding Bonds.

The Issuer may issue, and expressly reserves the right to issue, to the extent permitted by law, refunding bonds under another indenture to refund all or any principal amount of the Bonds; provided, however, that the net proceeds of any such bonds used to refund all or any principal amount of the Bonds shall be paid directly to the Trustee for the Bondholders and shall not come into the possession or control of the Company.

#### Section 212. Use Of Certain Moneys In The Bond Fund Upon Refunding.

In the event that refunding bonds shall be issued by the Issuer to pay the principal of or premium, if any, on all or any portion of the Bonds, the net proceeds of the refunding bonds remaining after payment of expenses incident to the refunding shall be deposited by the Issuer into the Bond Fund as provided in Section 603 hereof. All moneys remaining in the Bond Fund on the date of the refunding to be used to pay interest on the Bonds to be

refunded shall be held, as collateral for the payment of the Bonds to be refunded, by the Trustee, in trust for and on behalf of the Owners of the Bonds to be refunded, together with the portion of the proceeds of the sale of the refunding bonds so deposited and any investments or reinvestments of such proceeds, in one or more separate subaccounts in the Bond Fund irrevocably in trust for the respective holders of Bonds to be refunded, and upon defeasance of the Bonds to be refunded as provided in Article VIII hereof shall be held, invested and used as provided in Article VIII hereof. Investment income or profit on any such investments or reinvestments shall remain in the Bond Fund.

#### Section 213. Delivery Of The Bonds.

Upon the execution and delivery of this Indenture, the Issuer shall execute and deliver to the Trustee and the Trustee shall authenticate the Bonds and deliver them to the purchasers as directed by the Issuer as hereinafter in this Section provided.

Prior to the delivery by the Trustee of any of the Bonds there shall be filed with the Trustee:

Such proceeds shall be paid over to the Trustee and deposited as hereinafter provided under Article VI hereof.

(5) An opinion of Bond Counsel to the effect that the Bonds have been duly and validly issued, and setting forth the particulars thereof.

Section 214. Book Entry System.

The Trustee and the Issuer, with the consent of the Company, may from time to time enter into, and discontinue, an agreement with a "clearing agency" (securities depository) registered under Section 17A of the Securities Exchange Act of 1934, as amended (the "Securities Depository"), which is the owner of the Bonds, to establish procedures with respect to the Bonds not inconsistent with the provisions of this Indenture; provided, however, that any such agreement may provide:

(a) that such Securities Depository is not required to present a Bond to the Trustee in order to receive a partial payment of principal;

(b) that a Bond need not be delivered to the Trustee in order for a tender of such Bond pursuant to Article IV of this Indenture to be effective or in order for the purchase price of such tendered Bond to be paid and that notice of tender of a Bond for purchase pursuant to Article IV hereof may be given to the Trustee by a Beneficial Owner of a Bond; and

(d) that different provisions for notice to such Securities Depository may be set forth therein.

So long as any such agreement with a Securities Depository is in effect, the term Owner, as it appears in Section 301(B)(1) hereof (but not for any other provision of this Indenture, except only as specifically provided herein), shall be deemed to include the Beneficial Owner.

Neither the Issuer, the Company, the Trustee or the Underwriter will have any responsibility or obligation to any Securities Depository, any direct or indirect participants (the "Participants") in the book entry system of any such Securities Depository or the Beneficial Owners of the Bonds with respect to (i) the accuracy of any records maintained by the Securities Depository or any participant; (ii) the payment by the Securities Depository or by any Participant of any amount due to any Beneficial Owner in respect of the principal amount or redemption or purchase price of, or interest on, any Bonds; (iii) the delivery of any notice by the Securities Depository or any Participant; (iv) the selection of the Beneficial Owners to receive payment in the event of any partial redemption of the Bonds; or (v) any other action taken by the Securities Depository or any Participant.

(1) The Bonds are subject to mandatory redemption by the Issuer, in whole but not in part, at any time, at a redemption price of 100% or the principal amount thereof plus accrued interest, if any, to the redemption date, in the event the Company redeems the First Mortgage Bonds upon the acquisition by any federal, state or municipal authority of all or any substantial portion (at least one-third on the basis of book values) of the income-producing properties of the Company which are subject to the lien of the First Mortgage Indenture. Any such redemption shall be on the same date selected by the Company as the date the related First Mortgage Bonds are to be redeemed.

(2) The Bonds are also subject to mandatory redemption at any time, in whole (or in part, as hereinafter provided), at 100% of the principal amount thereof, plus accrued interest, if any, to the redemption date, in the event that it is finally determined by the Internal Revenue Service or by a court of competent jurisdiction that, as a result of the failure by the Company to observe any covenant, agreement or representation in the Agreement, the interest payable on the Bonds is includable for federal income tax purposes in the gross income of any Owner thereof, other than an owner who is a "substantial user" of the Project or a "related person" of such substantial user within the meaning of Section 147(a) of the Code, and the applicable regulations thereunder. Any such determination will not be considered final for this purpose unless the Company has been given written notice and, if it so desires, has been afforded the opportunity to contest the same, either directly or in the name of any Owner of a Bond, and until a conclusion of any appellate review, if sought. The Bonds shall be redeemed in whole after such determination unless redemption of a portion of the Bonds outstanding would have the result that interest payable on the Bonds remaining outstanding after such redemption would not be includable for federal

income tax purposes in the gross income of any Owner of the Bonds (other than an owner who is a "substantial user" of the Project or a "related person" of such substantial user within the meaning of Section 147(a) of the Code), and in such event the Bonds shall be redeemed (in any Authorized Denomination) by lot in such manner as the Trustee shall determine, in such amount as to accomplish that result. Any such redemption shall be on any date within 180 days from the time of such final determination.

#### Section 302. Notice Of Redemption.

Notice of the call for any redemption of Bonds or any portion thereof (which shall be in Authorized Denominations) pursuant to Section 301 hereof identifying the Bonds or portions thereof to be redeemed, specifying the redemption date, the redemption price, the place and manner of payment and that from the redemption date interest will cease to accrue, shall be given by the Trustee by mailing a copy of the redemption notice by first-class mail to the Owner of each Bond to be redeemed in whole or in part at the address shown on the registration books. Such notice shall be given at least 30 days prior to the date fixed for redemption to the Owners of Bonds to be redeemed; provided, however, that failure to duly give such notice, or any defect therein, shall not affect the validity of any proceedings for the redemption of Bonds with respect to which no such failure or defect occurred. Upon presentation and surrender of Bonds so called for redemption in whole or in part at the place or places of payment, such Bonds or portions thereof shall be redeemed.

With respect to any notice of optional redemption of Bonds, unless upon the giving of such notice such Bonds shall be deemed to have been paid within the meaning of Article VIII hereof, such notice may state (if so directed by the Company in writing) that such redemption shall be conditional upon the receipt by the Trustee on or prior to the date fixed for such redemption of moneys sufficient to pay the principal of, and premium, if any, and interest on, such Bonds to be redeemed, and that if such moneys shall not have been so received said notice shall be of no force and effect and the Issuer shall not be required to redeem such Bonds. In the event that such notice of redemption contains such a condition and such moneys are not so received, the redemption shall not be made and the Trustee shall within a reasonable time thereafter give notice, in the manner in which the notice of redemption was given, that such moneys were not so received.

Any notice mailed as provided in this section shall be conclusively presumed to have been duly given, whether or not the Owner receives the notice.

If a Bond is presented to the Trustee for transfer after notice of redemption of such Bond has been mailed as herein provided, the Trustee shall deliver a copy of such notice of redemption to the new Owner of such Bond.

In addition to the foregoing notice, further notice may be given by the Trustee as set out below, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner (i) defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed or (ii) give rise to any liability on the part of the Issuer, the Company or the Trustee.

A. Each further notice of redemption given hereunder may contain the information required above for an official notice of redemption plus (i) the C.U.S.I.P. number of the Bonds; (ii) the date of issue of the Bonds; (iii) the rate or rates of interest borne by the Bonds; (iv) the maturity date of the Bonds; and (v) any other descriptive information needed to identify accurately the Bonds being redeemed.

B. Each further notice of redemption may be sent at least five days before the date the redemption notice to the Owners is required to be given as provided in the first paragraph of this Section 302, by registered or certified mail or overnight delivery service, to all registered securities depositories then in the business of holding substantial amounts of obligations of types comprising the Bonds (such depositories as of the date hereof being The Depository Trust Company, New York, New York and Midwest Securities Trust Company, Chicago, Illinois).

C. Each further notice of redemption may be published one time in *The Bond Buyer* of New York, New York or, if such publication is impractical, in some other financial newspaper or journal which regularly carries notices of redemption of other obligations similar to the Bonds, such publication to be made at the time the redemption notice to the Owners is required to be given as provided in the first paragraph of this Section 302.

D. Each further notice of redemption may be given at least two days before the date the redemption notice to the Owners is required to be given as provided in the first paragraph of this Section 302, by (i) registered or certified mail, postage prepaid, or (ii) overnight delivery service, to two of the following services selected by the Company and at the address provided to the Trustee by the Company:

- (1) Financial Information, Inc.'s Financial Daily Called Bond Service;
- (2) Interactive Data Corporation's Bond Service;
- (3) Kenny Information Service's Called Bond Service;
- (4) Moody's Municipal and Government Called Bond Service; or
- (5) S. & P.'s Called Bond Record.

### Section 303. Deposit Of Funds.

For the redemption of any of the Bonds, the Issuer shall cause to be deposited in the Bond Fund out of the Revenues moneys sufficient to pay when due with moneys the principal of and premium, if any, and interest on the redemption date.

### Section 304. Partial Redemption Of Bonds.

In case a Bond is of a denomination larger than the minimum Authorized Denomination, all or a portion of such Bond may be redeemed provided the principal amount not being redeemed is in an Authorized Denomination. Upon surrender of any Bond for redemption in part only, the Issuer shall execute and the Trustee shall authenticate and deliver to the Owner thereof, without cost to the Owner, a new Bond or Bonds of Authorized Denominations in aggregate principal amount equal to the unredeemed portion of the Bond surrendered.

### Section 305. Selection Of Bonds For Redemption.

If less than all of the Bonds are called for redemption, the Trustee shall select the Bonds or portions thereof to be redeemed, from the Bonds Outstanding not previously called for redemption, by lottery or in such other manner as in the Trustee's sole discretion it shall deem appropriate and fair. The Trustee shall promptly notify the Issuer and the Company in writing of the Bonds or portions thereof selected for redemption, provided, however, that in connection with any redemption of Bonds the Trustee shall first select for redemption any Bonds held by the Trustee for the account of the Company or held of record by the Company and that if, as indicated in a certificate of an Authorized Company Representative delivered to the Trustee, the Company shall have offered to purchase all Bonds then outstanding and less than all such Bonds shall have been tendered to the Company for such purchase, the Trustee, at the direction of the Company, shall select for redemption all such Bonds which have not been so tendered. If it is determined that one or more, but not all, of the units of principal amount represented by any such Bond is to be called for redemption, then, upon notice of intention to redeem such unit or units, the Owner of such Bond shall forthwith surrender such Bond to the Trustee for (a) payment to such Owner of the redemption price of the unit or units of principal amount called for redemption, and (b) delivery to such Owner of a new Bond or Bonds in the aggregate principal amount of the unredeemed balance of the principal amount of such Bond. New Bonds representing the unredeemed balance of the principal amount of such Bond shall be issued to the Owner thereof, without charge therefor. If the Owner of any such Bond shall fail to present such Bond to the Trustee for payment and exchange as aforesaid, such Bond shall, nevertheless, become due and payable on the date fixed for

redemption to the extent of the unit or units of principal amount called for redemption (and to that extent only).

The Issuer hereby appoints the Trustee to act as the Paying Agent for the Bonds, and designates the Principal Office and the New York Office of the Trustee as the places of payment for the Bonds, such appointment and designation to remain in effect until notice of change is filed with the Trustee.

The Bonds and interest and premium, if any, thereon, and any obligation of the Issuer under the Agreement or this Indenture, shall never constitute a debt or indebtedness of the Issuer within the meaning of any constitutional or statutory provision or limitation and shall not constitute nor give rise to a pecuniary liability of the Issuer or a charge against its general credit or taxing powers.

**Section 503. Right To Payments Under Agreement; Instruments Of Further Assurance.**

The Issuer covenants that it will defend its right to the payment of amounts due from the Company under the Agreement to the Trustee, for the benefit of the Owners of the Bonds against the claims and demands of all persons whomsoever. The Issuer covenants that it will do, execute, acknowledge and deliver or cause to be done, executed, acknowledged and delivered, such indentures supplemental hereto and such further acts, instruments and transfers as the Trustee may reasonably require for the better assuring, transferring, conveying, pledging, assigning and confirming unto the Trustee all and singular the rights assigned hereby and the amounts pledged hereto, to the payment of the principal of and premium, if any, and interest on the Bonds. The Issuer covenants and agrees that, except as herein and in the Agreement and the Tax Agreement provided, it will not sell, convey, mortgage, encumber or otherwise dispose of any part of the Revenues or its rights under the Agreement.

**Section 504. Financing Statements.**

The Company and the Issuer at the direction and the expense of the Company, shall (1) cause the Agreement, this Indenture, and any additional security instrument to be filed with the Trustee as additional security for the Bonds, each amendment and supplement to any such instrument, and a memorandum, financing statement, or continuation statement with respect to such instruments, amendments, or supplements to be filed, registered and recorded and to be refiled, reregistered and rerecorded in such manner and in such places as may be required by any present or future law in order to publish notice of and fully to protect and perfect the lien of this Indenture and to publish notice of and to protect and perfect the rights and security of the Owners of the Bonds and the rights of the Trustee under the Agreement and this Indenture and (2) perform or cause to be performed from time to time any other act as required by law, and execute and file or cause to be executed and filed any and all instruments of further assurance (including financing statements with respect to any of such instruments) that may be necessary for such publication and protection. The Company, the Issuer and the Trustee shall, when so requested by one another, execute all such instruments, memoranda, or statements necessary to maintain, protect, perfect or preserve the interests assigned to the Trustee under this Indenture.

The Issuer and the Company covenant that each, as appropriate, will do, execute, acknowledge, and deliver, or cause to be done, executed, acknowledged, and delivered, such indentures supplemental hereto and such further acts, instruments and transfers as the Trustee may reasonably require for the better assigning, pledging and confirming unto the Trustee, the Trust Estate assigned and the Revenues pledged hereunder.

Section 505. Inspection Of Project Books.

The Issuer and the Trustee covenant and agree that all books and documents in their possession relating to the Project and the Revenues shall at all times be open to inspection by such accountants or other agencies as the other party may from time to time designate.

Section 506. Rights Under Agreement.

The Agreement, a duly executed counterpart of which has been filed with the Trustee, sets forth the covenants and obligations of the Issuer and the Company, and reference is hereby made to the same for a detailed statement of said covenants and obligations of the Company, thereunder, and the Issuer agrees that the Trustee in its name or in the name of the Issuer may enforce all rights of the Issuer and all obligations of the Company under and pursuant to the Agreement for and on behalf of the Bondholders, whether or not the Issuer is in default hereunder. Nothing herein contained shall be construed to prevent the Issuer from enforcing directly any and all of its rights under Sections 5.3 and 6.4 of the Agreement.

*Article VI.*

*Revenues And Funds.*

Section 601. Source Of Payment Of Bonds.

The Bonds and all payments required of the Issuer hereunder are not general obligations of the Issuer but are limited obligations as described in Section 205 hereof. The Trust Estate is pledged and assigned to the payment of the principal of and interest and premium, if any, on the Bonds. The payments provided in Section 4.3 of the Agreement are to be remitted directly to the Trustee for the account of the Issuer and deposited in the Bond Fund. Such payments, sufficient in amount to insure the prompt payment of the principal of and premium, if any, and interest on the Bonds, are pledged to such payment.

Section 602. Creation Of The Bond Fund.

There is hereby created by the Issuer and ordered established with the Trustee a trust fund to be designated "City of Chicago, Illinois Bond Fund -- The Peoples Gas Light and Coke Company Project -- 199\_\_ Series \_\_" (which is referred to herein as the "Bond Fund"), which shall be used to pay the principal of, premium, if any, and the interest on the Bonds.

### Section 603. Payments Into The Bond Fund.

There shall be deposited into the Bond Fund the accrued interest, if any, received at the time of the issuance and delivery of the Bonds. In addition, there shall be deposited into the Bond Fund, as and when received, (a) any amount in the Construction Fund to the extent provided in Section 3.4 of the Agreement; (b) all payments in respect of the principal, premium, if any, and interest on the First Mortgage Bonds; and (c) all other moneys received by the Trustee under and pursuant to any of the provisions of the Agreement when accompanied by directions from the person depositing such moneys that such moneys are to be paid into the Bond Fund.

Upon the occurrence of an event of default hereunder which is not waived or cured, or if the Bonds shall have been paid in full (or provision therefor shall have been made in accordance herewith), or if the Bonds should be redeemed as herein provided, any moneys then remaining in the Construction Fund shall without further authorization be deposited in the Bond Fund by the Trustee.

The Issuer hereby covenants and agrees that so long as any of the Bonds issued hereunder are outstanding it will deposit, or cause to be deposited, in the Bond Fund sufficient sums from Revenues promptly to meet and pay the principal of, premium, if any, and interest on the Bonds as the same become due and payable. Nothing herein shall be construed as requiring the Issuer to use any funds or revenues from any other source other than Revenues.

### Section 604. Use Of Moneys In The Bond Fund.

Except as provided in Sections 609, 611 and 613 hereof and subject to the Tax Agreement, moneys in the Bond Fund shall be used solely for the payment of the principal of, premium, if any, and interest on the Bonds and for the redemption of the Bonds at or prior to maturity pursuant to Article VII hereof.

### Section 605. Custody Of The Bond Fund.

The Bond Fund shall be in the custody of the Trustee but in the name of the Issuer and the Issuer hereby authorizes and directs the Trustee to withdraw sufficient funds from the Bond Fund to pay the principal of, premium, if any, and interest on the Bonds as the same become due and payable, which authorization and direction the Trustee hereby accepts.

### Section 606. Creation Of The Construction Fund; Disbursements.

There is hereby created by the Issuer and ordered established with the Trustee a trust fund in the name of the Issuer to be designated "City of

Chicago, Illinois Construction Fund -- The Peoples Gas Light and Coke Company Project -- 199\_\_ Series \_\_" (which is sometimes herein referred to as the "Construction Fund"). The balance of the proceeds received by the Issuer upon the sale of Bonds remaining after the deposit of the accrued interest in the Bond Fund has been made in accordance with Section 3.2 of the Agreement, shall be deposited in the Construction Fund. The Issuer hereby authorizes and directs the Trustee to use the moneys in the Construction Fund for payment of the Cost of the Project in accordance with the Agreement and for payment into the Bond Fund in accordance with Section 603 hereof. The Trustee shall keep and maintain adequate records pertaining to the Construction Fund and all disbursements therefrom, and the Trustee shall supply monthly reports with respect to all transactions concerning the Construction Fund at the end of each month and on the Completion Date.

#### Section 607. Completion Of The Project.

The completion of the Project and payment of all costs and expenses incident thereto shall be evidenced by the filing with the Trustee of the certificate of the Authorized Company Representative required by the provisions of Section 3.4 of the Agreement. Any balance remaining in the Construction Fund after the Completion Date (other than the amounts retained by the Trustee for costs not then due and payable or the liability for which the Company is contesting) shall be disbursed in accordance with the provisions of Section 3.4 of the Agreement.

#### Section 608. Use Of Moneys In Construction Fund Upon Default.

If the principal of the Bonds shall have become due and payable pursuant to Article IX of this Indenture, any balance remaining in the Construction Fund shall without further authorization be transferred to the Bond Fund with advice to the Issuer and the Company of such action.

#### Section 609. Non-Presentation Of Bonds.

In the event any Bond shall not be presented for payment when the principal thereof becomes due, either at maturity or otherwise, or at the date fixed for redemption thereof, if moneys sufficient to pay such Bond shall have been deposited in the Bond Fund, all liability of the Issuer to the owner thereof for the payment of such Bond shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of the Trustee to hold such moneys, without liability for interest thereon, for the benefit of the owner of such Bond who shall thereafter be restricted exclusively to such moneys, for any claim of whatever nature on his part under this Indenture or on, or with respect to, said Bond.

Any moneys so deposited with any held by the Trustee not so applied to the payment of Bonds, if any, within two years after the date on which the same shall have become due, together with all earnings thereon, shall be repaid by the Trustee to the Company, and thereafter bondholders shall be entitled to look only to the Company for payment, and then only to the extent of the amount so repaid, and the Company shall not be liable for any interest thereon and shall not be regarded as a trustee of such money.

**Section 610. Use Of Moneys In Construction Fund Upon Payment Of Bonds.**

Any balance remaining in the Construction Fund after the payment in full of all Bonds issued under the provisions of this Indenture shall be deposited into the Bond Fund, except that if the Issuer has issued a series of refunding bonds for the purpose of refunding all of the Bonds at or prior to their stated maturity, any moneys remaining in the Construction Fund at the time of such refunding may be deposited by the Issuer and the Trustee into a special fund created in the proceedings authorizing the issuance of the refunding bonds and used to pay costs of the Project not paid out of the Construction Fund prior to such refunding.

**Section 611. Trustee's Fees, Charges And Expenses.**

The Issuer shall have no liability for any fees, charges and expenses of the Trustee or any paying agent, and the Trustee and any paying agent shall, subject to the provisions of Section 1102 hereof, look only to the Company for payment of their fees, charges and expenses as provided in the Agreement and in this Indenture. It is further understood and agreed that the initial or acceptance fees of the Trustee and the fees, charges and expenses of the Trustee and its counsel and paying agents which become due prior to the time the Company begins to pay the same, will be paid to the respective parties from the Construction Fund as and when the same shall become due.

**Section 612. Moneys To Be Held In Trust.**

All moneys required to be deposited with or paid to the Trustee for deposit into the Bond Fund or into the Construction Fund under any provision hereof, all moneys withdrawn from the Bond Fund and held by the Trustee and any moneys withdrawn from the Construction Fund and held by the Trustee shall be held by the Trustee in trust, and such moneys (other than moneys held pursuant to Section 610 hereof and subject to the provisions of the Tax Agreement) shall, while so held, constitute part of the Trust Estate and be subject to the lien hereof. Moneys held for the payment of the purchase price of Bonds pursuant to Article IV hereof shall not constitute part of the Trust Estate.

Section 613. Repayment To The Company From The Bond Fund.

Any amounts remaining in the Bond Fund after payment in full of the principal of, premium, if any, and interest on the Bonds (or provision for payment thereof as provided in this Indenture), the fees, charges and expenses of the Issuer, the Trustee and all other amounts required to be paid under the Agreement and this Indenture shall be paid to the Company as provided in Section 7.5 of the Agreement.

Section 614. Creation And Use Of Collateral Release Fund.

There is hereby created by the Issuer and ordered established with the Trustee a trust fund to be designated "City of Chicago, Illinois Collateral Release Fund -- The Peoples Gas Light and Coke Company Project -- 199\_\_Series\_\_" (which is sometimes referred to as the "Collateral Release Fund").

All Government Obligations obtained by the Trustee in substitution for First Mortgage Bonds pursuant to Section 802 hereof shall be deposited and held in the Collateral Release Fund.

The Trustee shall determine the amount of semiannual interest which would have been due on any First Mortgage Bonds which are released pursuant to Section 802, which amount is herein referred to as the "Interest with Respect to Released Collateral". The principal amount of and the interest when due on the Government Obligations held in the Collateral Release Fund shall be sufficient to enable the Trustee to pay when due on the Bonds (i) an amount equal to the Interest with Respect to Released Collateral for each interest payment date from the date of deposit of such Government Obligations until the date on which the First Mortgage Bonds so released would have matured and (ii) at maturity, a principal amount of Bonds equal to the principal amount of the First Mortgage Bonds so released.

On each interest payment date with respect to the Bonds, the Trustee shall transfer from the Collateral Release Fund to the Bond Fund an amount equal to the Interest with Respect to Released Collateral so as to enable the Trustee to pay interest on a principal amount of Bonds equal to the principal amount of the First Mortgage Bonds which have been released. On the principal payment date with respect to the Bonds, whether such payment is due as a result of the stated maturity, redemption or acceleration, the Trustee shall reduce all Government Obligations to cash and shall transfer such amount to the Bond Fund; provided, however, that in the event of a redemption of less than all the Bonds the Trustee will, at the direction of the Company, liquidate an amount of Government Obligations sufficient, when taken together with other funds available for such redemption, to redeem the designated principal amount of Bonds; and, provided further, that in such event an amount of Government Obligations remains in the Collateral

Release Fund, the principal amount of and interest when due on which, together with payments when due on the outstanding First Mortgage Bonds, will be sufficient to pay principal of, premium, if any, and interest when due on the then outstanding Bonds. (In certain events the Company may be required to pay any deficiency pursuant to Section 4.3 of the Agreement.)

All cash and Government Obligations in the Collateral Release Fund (so long as no event of default has occurred and is continuing) shall, with the investment earnings thereon, be applied exclusively to the payment of the principal of, premium, if any, and interest on the Bonds in the same manner as payments on the surrendered First Mortgage Bonds would have been applied.

#### Section 615. Revenues To Be Paid Over To Trustee.

The Issuer will cause the Revenues to be paid to the Trustee for deposit in the Bond Fund.

#### Section 616. Payments Of Principal And Interest.

The Trustee shall pay from Revenues received by the Trustee the principal of and premium, if any, and interest on, the Bonds as the same become due and payable. If, prior to the maturity of any Bond, the Company surrenders such Bond to the Trustee for cancellation, the Trustee shall cancel such Bond.

#### Section 617. Revenues To Be Held For All Bondholders; Certain Exceptions.

Revenues and investments thereof shall, until applied as provided in this Indenture, be held by the Trustee for the benefit of the owners of all Outstanding Bonds, except that any portion of the Revenues representing principal or redemption price of, and interest on, any Bonds previously called for redemption in accordance with Article III of this Indenture or previously matured shall be held for the benefit of the owners of such Bonds only and shall not be deposited or invested pursuant to Article VII hereof, notwithstanding any provision of Article VII.

#### Section 618. Rebate Fund.

There is hereby created by the Issuer and ordered established with the Trustee a trust fund to be designated "City of Chicago, Illinois Rebate Fund -- The Peoples Gas Light and Coke Company Project -- 199\_\_ Series \_\_". The Trustee covenants and agrees to make deposits to and withdrawals from such Rebate Fund in order to comply with the Tax Agreement at the written

direction of the Company. Funds on deposit in the Rebate Fund are not part of the Trust Estate.

*Article VII.*

*Investment Of Moneys.*

Section 701. Investment Of Bond Fund And Construction Fund Moneys.

Any moneys held as part of the Bond Fund and the Construction Fund shall at all times be invested or reinvested by the Trustee in accordance with the provisions of Section 3.7 of the Agreement. Any such investment shall be held by or under the control of the Trustee and shall be deemed at all times a part of the fund for which they were made. The interest accruing thereon, any profit realized from such investments and any loss resulting from such investments shall be credited or charged in accordance with Section 3.7 of the Agreement. The Trustee shall reduce to cash a sufficient amount of such investments in the Bond Fund whenever the cash balance in the Bond Fund is insufficient to pay the principal of, premium, if any, or interest on the Bonds when due. The Trustee shall reduce to cash a sufficient amount of such investments in the Construction Fund whenever the cash balance in the Construction Fund is insufficient to pay amounts then due from the Construction Fund.

Section 702. Investments; Arbitrage.

The Trustee may make any and all investments permitted by the provisions of Section 701 through its own bond department. Notwithstanding any other provision of this Article VII or Section 3.7 of the Agreement, no direction or confirmation shall direct any investment the effect of which would be to make the Bonds "arbitrage bonds" under Section 148 of the Code. The Trustee may follow the advice or direction of Bond Counsel as to investments which may be made in compliance with the preceding sentence.

*Article VIII.*

*Defeasance.*

Section 801. Defeasance.

If the Issuer shall pay or cause to be paid, or there shall be otherwise paid

or provision for payment made to or for the Owners of the Bonds the principal, premium, if any, and interest due or to become due thereon at the times and in the manner stipulated therein, and if the Issuer shall keep, perform and observe all and singular the covenants and promises in the Bonds and in this Indenture expressed as to be kept, performed and observed by it or on its part, and shall pay or cause to be paid to the Trustee all sums of money due or to become due according to the provisions hereof, then this Indenture and the lien, rights and interests created hereby shall cease, determine and become null and void (except as to any surviving rights of payment, registration, transfer or exchange of Bonds herein provided for and except that the rights and obligations of the Trustee under the Tax Agreement shall also continue), whereupon the Trustee shall cancel and discharge this Indenture, and execute and deliver to the Issuer such instruments in writing as shall be to discharge this Indenture, and release, assign and deliver unto the Issuer any and all the estate, right, title and interest in and to any and all rights assigned or pledged to the Trustee or otherwise subject to this Indenture, except amounts in the Bond Fund required to be paid to the Company under Section 613 hereof and except moneys or securities held by the Trustee for the payment of the principal of and premium, if any, and interest on, and purchase prices of, the Bonds.

Any Bond or Authorized Denomination thereof shall be deemed to be paid within the meaning of this Indenture when (a) payment of the principal of and premium, if any, on such Bond or Authorized Denomination thereof, plus interest thereon to the due date thereof (whether such due date is by reason of maturity or upon redemption as provided herein) either (i) shall have been made or caused to be made in accordance with the terms thereof, (ii) shall have been provided for by depositing sufficient moneys for such payment with the Trustee and the due date of such principal, interest and premium, if any, has occurred, or (iii) in the case of a Bond which bears interest at a Flexible Rate or a Term Rate, shall have been provided for by irrevocably depositing with the Trustee in trust and irrevocably setting aside exclusively for such payment on such due date (which due date shall be in the case of a Bond bearing interest at a Flexible Rate no later than the Interest Payment Date for the then current Flexible Segment for such Bond and in the case of a Bond bearing interest at a Term Rate no later than the last Interest Payment Date for the then current Term Rate Period for such Bond) (1) moneys sufficient to make such payment and/or (2) non-callable Government Obligations maturing as to principal and interest in such amount and at such time as will insure the availability of sufficient moneys to make such payment, and (b) all necessary and proper fees, compensation and expenses of the Trustee pertaining to any such deposit shall have been paid or the payment thereof provided for to the satisfaction of the Trustee. At such times as a Bond or Authorized Denomination thereof shall be deemed to be paid hereunder, as aforesaid, such Bond or authorized Denomination thereof shall no longer be secured by or entitled to the benefits of this Indenture (other than Sections 204 and 208 hereof in the case of a deposit under clause (a)(iii) above), except for the purposes of any such payment from such moneys or Government Obligations.

Notwithstanding the foregoing paragraph, in the case of a Bond or Authorized Denomination thereof which by its terms may be redeemed prior to the stated maturity thereof, no deposit under clause (a)(iii) of the immediately preceding paragraph shall be deemed a payment of such Bond or Authorized Denomination thereof as aforesaid until: (a) proper notice of redemption of such Bond or Authorized Denomination thereof shall have been previously given in accordance with Article III of this Indenture, or in the event said Bond or Authorized Denomination thereof is not to be redeemed within the next succeeding sixty (60) days, until the Company shall have given the Trustee on behalf of the Issuer, in form satisfactory to the Trustee, irrevocable instructions to notify, as soon as practicable, the Owner of such Bond or Authorized Denomination thereof in accordance with Article III hereof, that the deposit required by (a)(iii) above has been made with the Trustee and that said Bond or Authorized Denomination thereof is deemed to have been paid in accordance with this Article and stating the maturity or redemption date upon which moneys are to be available for the payment of the principal of and the applicable premium, if any, on said Bond or Authorized Denomination thereof, plus interest thereon to the due date thereof, or (b) the maturity of such Bond or Authorized Denomination thereof.

Notwithstanding any provision of any other Article of this Indenture which may be contrary to the provisions of this Article, all moneys or Government Obligations set aside and held in trust pursuant to the provisions of this Article for the payment of Bonds or Authorized Denominations thereof (including interest and premium thereon, if any) shall be applied to and used solely for the payment of the particular Bonds or Authorized Denominations thereof (including interest and premium thereon, if any) with respect to which such moneys and Government Obligations have been so set aside in trust.

Anything in Article XII hereof to the contrary notwithstanding, if moneys or Government Obligations have been deposited or set aside with the Trustee pursuant to this Article for the payment of Bonds or Authorized Denominations thereof and the interest and premium, if any, thereon and such Bonds or Authorized Denominations thereof and the interest and premium, if any, thereon shall not have in fact been actually paid in full, no amendment to the provisions of this Article shall be made without the consent of the Owner of each of the Bonds affected thereby.

#### Section 802. Partial Release Of First Mortgage Bonds.

The Company is entitled to obtain the release of a portion of the First Mortgage Bonds held by the Trustee by either (i) surrendering to the Trustee for cancellation a like principal amount of outstanding Bonds having corresponding maturities and interest rates, or (ii) depositing with the Trustee in the account for such series in the Collateral Release Fund any combination of cash and Government Obligations, the principal amount of

which and the interest thereon when due will be sufficient to pay when due the principal of, premium, if any, and interest on, a principal amount of outstanding Bonds equal to the principal amount of, and with maturities and interest rates corresponding to those of, the First Mortgage Bonds so released.

*Default Provisions And Remedies Of Trustee And Bondholders.*

Section 901. Defaults; Events Of Default.

If any of the following events occurs, it is hereby defined as and declared to be and to constitute a "default" or an "event of default":

(a) Failure to make payment of any installment of interest on any Bond when the same has become due and payable and the continuation thereof for sixty (60) days;

(b) Failure to make payment of the principal of and premium, if any, on any Bond, whether at the stated maturity thereof, or upon proceedings for redemption thereof or upon the maturity thereof by declaration;

(c) The occurrence of an "event of default" under the Agreement;

(d) Default in the performance or observance of any covenants, agreements or conditions on the part of the Company in the First Mortgage Indenture and continuation thereof for any grace period provided for therein;

(e) Acceleration for any reason of the maturity of all of the First Mortgage Bonds; or

(f) Failure of the Issuer to perform or observe any of its covenants, agreements or conditions in this Indenture or in the Bonds contained and failure to remedy the same after notice thereof pursuant to Section 910 hereof.

Section 902. Acceleration.

Upon the occurrence of an event of default under Section 901 hereof, the Trustee may, and upon the written request of the holders of not less than a majority in aggregate principal amount of Bonds then outstanding shall, by notice in writing delivered to the Company with copies of such notice being sent to the Issuer, declare the principal of all Bonds then outstanding and

the interest accrued thereon immediately due and payable, and such principal and interest shall thereupon become and be immediately due and payable. Upon any such declaration of acceleration hereunder, the Trustee shall immediately exercise such rights as it may have as owner of First Mortgage Bonds and under the Agreement, including the right to demand redemption of First Mortgage Bonds held by it.

Upon the occurrence of an event of default described in Section 901(e) hereof, the principal, together with interest accrued thereon, of all Bonds then outstanding shall become due and payable immediately at the place of payment provided therein without the necessity of any action by the Trustee or any Bondholder, anything in this Indenture or in the Bonds to the contrary notwithstanding; provided, however, that a waiver of default and acceleration of the maturity of all the First Mortgage Bonds, pursuant to the terms thereof, shall also constitute a waiver of default described in Section 901(e) hereof and of its consequences; but no waiver shall extend to or after any subsequent default or impair any right consequent thereon.

#### Section 903. Remedies; Rights Of Bondholders.

Upon the occurrence of an event of default, and so long as such event is continuing, the Trustee may pursue any available remedy at law or in equity by suit, action, mandamus or other proceeding to enforce the payment of the principal of, premium, if any, and interest on the Bonds or on the First Mortgage Bonds then outstanding.

If an event of default shall have occurred and be continuing and if requested to do so by the owners of not less than a majority in aggregate principal amount of Bonds then outstanding, and if indemnified as provided in subsection (i) of Section 1101 hereof, the Trustee shall be obliged to exercise such one or more of the rights and powers conferred by this Section 903 as the Trustee, being advised by counsel, shall deem most expedient in the interest of the Bondholders.

No remedy by the terms of this Indenture conferred upon or reserved to the Trustee (or to the Bondholders) is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Trustee or to the Bondholders hereunder or now or hereafter existing at law or in equity or by statute.

No delay or omission to exercise any right, power or remedy accruing upon any event of default shall impair any such right, power or remedy or shall be construed to be a waiver of any such event of default or acquiescence therein; and every such right, power or remedy may be exercised from time to time and as often as may be deemed expedient.

No waiver of any default or event of default hereunder, whether by the Trustee pursuant to Section 909 hereof or by the Bondholders, shall extend

to or shall affect any subsequent event of default or shall impair any rights or remedies consequent thereon.

The Trustee, as the assignee of all the right, title and interest of the Issuer in and to the Agreement and the First Mortgage Bonds, shall enforce each and every right granted to the Issuer under the Agreement and the First Mortgage Bonds. In exercising such rights and the rights given the Trustee under this Article IX, the Trustee shall take such action as, in the judgment of the Trustee applying the standards described in Section 1101 hereof, would best serve the interest of the Bondholders, taking into account the provisions, security and remedies afforded to owners of the First Mortgage Bonds.

#### Section 904. Right Of Bondholders To Direct Proceedings.

Anything in this Indenture to the contrary notwithstanding, the owners of not less than a majority in aggregate principal amount of Bonds then outstanding shall have the right, at any time, by an instrument or instruments in writing executed and delivered to the Trustee, to direct the time, method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of this Indenture, or for the appointment of a receiver or any other proceedings hereunder; provided, that such direction shall not be otherwise than in accordance with the provisions of law and of this Indenture.

#### Section 905. Application Of Moneys.

All moneys received by the Trustee pursuant to any right given or action taken under the provisions of this Article IX or pursuant to Section 608 hereof shall, after payment of the costs and expenses of the proceedings resulting in the collection of such moneys and of the expenses, liabilities and advances incurred or made by the Trustee and its Counsel, be deposited in the Bond Fund and all such moneys in the Bond Fund shall be applied as follows:

(a) Unless the principal of all the Bonds shall have become or shall have been declared due and payable, all such moneys shall be applied:

First -- To the payment to the persons entitled thereto of all interest then due on the Bonds (other than interest due on Bonds for the payment of which moneys are held pursuant to the provisions of this Indenture), and, if the amount available shall not be sufficient to pay said amount in full, then to the payment ratably, according to the amounts due, to the persons entitled thereto, without any discrimination or privilege;

Second -- To the payment to the persons entitled thereto of the unpaid

principal of and premium, if any, on any of the Bonds which shall have become due (other than Bonds matured or called for redemption for the payment of which moneys are held pursuant to the provisions of this Indenture), and, if the amount available shall not be sufficient to pay in full such unpaid principal and premium, then to the payment ratably to the persons entitled thereto without any discrimination or privilege; and

Third -- To the payment to the persons entitled thereto of interest on overdue principal of and premium, if any, on any Bonds without preference or priority as between principal or premium or interest one over the others, or any installment of interest over any other installment of interest, or of any Bond over any other Bond, and if the amount available shall not be sufficient to pay such amounts in full, then ratably, without any discrimination or privilege.

(b) If the principal of all the Bonds shall have become due or shall have been declared due and payable, all such moneys shall be applied to the payment of the principal and premium, if any, and interest then due and unpaid upon the Bonds (other than Bonds matured or called for redemption or interest due on Bonds for the payment of which moneys are held pursuant to the provisions of this Indenture), without preference or priority of principal, premium or interest one over the others, or of any installment of interest over any other installment of interest, or of any Bond over any other Bond, ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or privilege.

(c) If the principal of all the Bonds shall have been declared due and payable, and if such declaration shall thereafter have been rescinded and annulled under the provisions of this Article then, subject to the provisions of Section 905(b) hereof in the event that the principal of all the Bonds shall later become due or be declared due and payable, the moneys shall be applied in accordance with the provisions of Section 905(a) hereof.

Whenever moneys are to be applied pursuant to the provisions of this Section, such moneys shall be applied at such times, and from time to time, as the Trustee shall determine. Whenever the Trustee shall apply such moneys, it shall fix the date upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such date shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the deposit with it of any such moneys and of the fixing of any such date.

Whenever all principal of and premium, if any, and interest on all Bonds have been paid under the provisions of this Section 905 and all expenses and

charges of the Trustee have been paid, any balance remaining in the Bond Fund shall be paid to the Company as provided in Section 613 hereof.

#### Section 906. Remedies Vested In Trustee.

All rights of action (including the right to file proofs of claims) under this Indenture or under any of the Bonds may be enforced by the Trustee without the possession of any of the Bonds or the production thereof in any trial or other proceedings relating thereto and any such suit or proceeding instituted by the Trustee shall be brought in its name as Trustee without the necessity of joining as plaintiffs or defendants any holders of the Bonds, and any recovery of judgment shall be for the equal and ratable benefit of the Owners of the outstanding Bonds.

#### Section 907. Rights And Remedies Of Bondholders.

No Owner of any Bond shall have any right to institute any suit, action or proceeding in equity or at law for the enforcement of this Indenture or for the execution of any trust thereof or for the appointment of a receiver or any other remedy hereunder, unless (i) a default has occurred of which the Trustee has been notified as provided in subsection (g) of Section 1101 hereof, or of which by said subsection it is deemed to have notice, (ii) such default shall have become an event of default and be continuing, (iii) the Owners of not less than a majority in aggregate principal amount of Bonds then outstanding shall have made written request to the Trustee, shall have offered the Trustee reasonable opportunity either to proceed to exercise the powers herein granted or to institute such action, suit or proceeding in its own name, and shall have offered to the Trustee indemnity as provided in Section 1101, and (iv) the Trustee shall thereafter fail or refuse to exercise the powers herein granted, or to institute such action, suit or proceeding in its own name. Such notification, request and offer of indemnity are hereby declared in every case at the option of the Trustee to be conditions precedent to the execution of the powers and trusts of this Indenture, and to any action or cause of action for the enforcement of this Indenture, or for the appointment of a receiver or for any other remedy hereunder. No one or more Owners of the Bonds shall have any right in any manner whatsoever to enforce any right hereunder except in the manner herein provided, and all proceedings at law or in equity shall be instituted, had and maintained in the manner herein provided and for the equal and ratable benefit of the owners of all Bonds then outstanding. Nothing in this Indenture contained shall, however, affect or impair the right of any Bondholder to enforce the payment of the principal of, premium, if any, and interest on any Bond at and after the maturity thereof.

#### Section 908. Termination Of Proceedings.

In case the Trustee shall have proceeded to enforce any right under this Indenture by the appointment of a receiver or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case the Issuer, the Trustee and the Bondholders shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies and powers of the Trustee shall continue as if no such proceedings had been taken and no such termination shall impair any proceeding or right consequent to any other or subsequent default.

#### Section 909. Waivers Of Events Of Default.

Subject to the next paragraph, the Trustee may in its discretion waive any event of default hereunder and rescind its consequences and shall do so upon the written request of the Owners of not less than a majority in aggregate principal amount of all Bonds then outstanding; provided, however, that there shall not be waived any event of default in the payment of the principal of, or premium on, any outstanding Bonds when due (whether at maturity or by redemption), or any event of default in the payment when due of the interest on any such Bonds, unless prior to such waiver and rescission, all arrears of principal of and interest upon such Bonds, and interest on overdue principal at the rate borne by the Bonds on the date on which such principal became due and payable, and all arrears of premium, if any, when due, together with the reasonable expenses of the Trustee and of the Owners of such Bonds, including reasonable attorneys' fees paid or incurred, shall have been paid or provided for; provided further, that there shall not be waived an event of default described under Section 901(e) hereof unless there shall have also been waived the default resulting in the acceleration of the First Mortgage Bonds; provided further, that there shall not be waived any event of default in the payment when due of any purchase prices of any Bonds pursuant to Article IV hereof unless prior to such waiver and rescission all arrears of such purchase prices, together with reasonable expenses of the Trustee and of the Owners of such Bonds, including reasonable attorneys' fees paid or incurred, shall have been paid or provision therefor made. In the case of any such waiver and rescission, or in case any proceeding taken by the Trustee on account of any such default shall have been discontinued or abandoned or determined adversely, then and in every such case the Issuer, the Trustee and the Bondholders shall be restored to their former positions and rights hereunder, respectively, but no such waiver and rescission shall extend to any subsequent or other default, or impair any right consequent thereon. All waivers under this Indenture shall be in writing and a copy thereof shall be delivered to the Issuer and the Company.

The provisions of Sections 901 and 902 hereof are subject to the conditions that if, after the principal of all Bonds then outstanding shall have been declared to be due and payable, all arrears of principal of and interest upon such Bonds, and the premium, if any, on all Bonds then outstanding which shall have become due and payable otherwise than by acceleration, and all other sums payable under this Indenture, except the principal of, and interest on, the Bonds which by such declaration shall have become due and payable, shall have been paid by or on behalf of the Issuer, together with the reasonable expenses of the Trustee and of the Owners of such Bonds, including reasonable attorneys' fees paid or incurred, and if no other defaults shall have occurred and be continuing, then and in every such case, the Trustee shall annul such declaration of maturity and its consequences, which waiver and annulment shall be binding upon all Bondholders; but no such waiver, rescission and annulment shall extend to or affect any subsequent default or impair any right or remedy consequent thereon. In the case of any such annulment, the Company, the Issuer, the Trustee and the Bondholders shall be restored to their former positions and rights under this Indenture. All waivers and annulments under this Indenture shall be in writing and a copy thereof shall be delivered to the Issuer and the Company.

Section 910. Notice Of Event Of Default Under Section 901(f) Hereof; Opportunity Of Company To Cure Defaults.

Anything herein to the contrary notwithstanding, no default under Section 901(f) hereof shall constitute an event of default until actual notice of such default, requiring that it be remedied and stating that such notice is a "Notice of Default" hereunder, by registered or certified mail shall be given to the Issuer and the Company by the Trustee or to the Issuer and the Company and the Trustee by the Owners of more than a majority in aggregate principal amount of all Bonds Outstanding, and the Company or the Issuer shall have had sixty days after receipt of such notice to correct said default or cause said default to be corrected, and shall not have corrected said default or caused said default to be corrected within the applicable period; provided, however, if said default be such that it cannot be corrected within the applicable period, it shall not constitute an event of default if corrective action is instituted within the applicable period and diligently pursued until the default is corrected and the fact of such non-correction, corrective action and diligent pursuit is evidenced to the Trustee by a certificate of an Authorized Company Representative.

Whenever, so long as the Company is not in default under the Agreement, after a reasonable request by the Company, the Issuer shall fail, refuse or neglect to give any direction to the Trustee or to require the Trustee to take any other action which the Issuer is required to have the Trustee take pursuant to the provisions of the Agreement or this Indenture, the Company instead of the Issuer may give any such direction to the Trustee or require the Trustee to take such action. Upon receipt by the Trustee of a written

notice signed by the Authorized Company Representative stating that the Company has made reasonable request of the Issuer, and that the Issuer has failed, refused or neglected to give any direction to the Trustee or to require the Trustee to take any such action, the Trustee is hereby irrevocably empowered and directed to accept such direction from the Company as sufficient for all purposes of this Indenture. The Company shall have the direct right to cause the Trustee to comply with any of the Trustee's obligations under this Indenture to the same extent that the Issuer is empowered so to do.

Certain actions or failures to act by the Issuer under this Indenture may create or result in an event of default under this Indenture and the Issuer hereby grants the Company full authority, to the extent permitted by law, for account of the Issuer to perform or observe any covenant or obligation of the Issuer alleged in a written notice to the Issuer and the Company from the Trustee not to have been performed or observed, in the name and stead of the Issuer with full power to do any and all things and acts to remedy any default.

Except as otherwise herein provided, the Trustee, either at such meeting or otherwise, where the consent of holders of the First Mortgage Bonds is sought, may vote the First Mortgage Bonds held by it hereunder or otherwise consent thereto in such manner as it shall in its judgment deem to be in the interest of the Owners of the Bonds. In making this judgment, the Trustee may seek consent of the Owners of the Bonds and the Trustee may also rely on the advice of qualified financial advisers and consultants in making said judgment and shall be indemnified by the Company for the reimbursement of all expenses to which it may be put and to protect it against all or any action or inaction. In the event that the Trustee shall seek or be required to seek the consent of the Owners of the Bonds prior to voting the First Mortgage Bonds, the Trustee shall vote the aggregate principal amount of such First Mortgage Bonds, if not precluded from doing so under the First Mortgage Indenture, in proportion to the aggregate principal amount of the Bonds represented by the votes of owners thereof on each side of the question under consideration.

*Article XI.*

*The Trustee.*

Section 1101. Acceptance Of The Trusts.

The Trustee hereby accepts the trusts imposed upon it by this Indenture, and agrees to perform said trusts, but only upon and subject to the following express terms and conditions, and no implied covenants or obligations shall be read into this Indenture against the Trustee:

(a) The Trustee may execute any of the trusts or powers hereof and perform any of its duties by or through attorneys, agents, receivers or employees and shall not be responsible for the acts of any attorneys, agents or receivers appointed by it in good faith and without negligence, and shall be entitled to advice of Counsel concerning all matters of trusts hereof and the duties hereunder and under the Tax Agreement, and may in all cases pay such reasonable compensation to all such attorneys, agents, receivers and employees as may reasonably be employed in connection with the trusts hereof. The Trustee may act upon the opinion or advice of Counsel. The Trustee shall not be responsible for any loss or damage resulting from any action or non-action in good faith in reliance upon such opinion or advice.

(b) Except for its certificate of authentication on the Bonds and other information the Trustee is required to set forth on the Bonds pursuant to Section 206 hereof, the Trustee shall not be responsible for any recital herein, or in the Bonds, or for the recording or re-recording, filing or re-filing of this Indenture, or for the validity of the execution by the Issuer of this Indenture or any instruments of further assurance, or for the sufficiency of the security for the Bonds issued hereunder or intended to be secured hereby. The Trustee shall not be responsible or liable for any loss suffered in connection with any investment of funds made by it in accordance with Article VII hereof.

(c) The Trustee shall not be accountable for the use of any Bonds authenticated or delivered hereunder. The Trustee may become the owner of Bonds with the same rights which it would have if it were not Trustee.

(d) The Trustee shall be protected in acting upon any notice, request, resolution, consent, certificate, affidavit, letter, telegram or other paper or document believed to be genuine and correct and to have been signed or sent by the proper person or persons. Any action taken by the Trustee pursuant to this Indenture upon the request or authority or consent of any person who at the time of making such request or giving such authority or consent is the owner of any Bond shall be conclusive and binding upon all future owners of the same Bond and upon Bonds issued in exchange therefor or upon transfer or in place thereof.

(e) As to the existence or non-existence of any fact or as to the sufficiency of validity of any instrument, paper or proceeding, the Trustee shall be entitled to rely upon a certificate signed on behalf of the Issuer by an Authorized Issuer Representative as sufficient evidence of the facts therein contained, and prior to the occurrence of a default of which the Trustee has been notified as provided in Subsection (g) of this Section 1101, or of which by said subsection it is deemed to have notice, shall also be at liberty to accept a similar certificate to the effect that any particular dealing transaction or action is necessary or expedient, but may at its discretion secure such further evidence deemed necessary or advisable, but shall in no case be bound to secure the same. The Trustee may accept a certificate signed on behalf of the Issuer by the Authorized Issuer Representative to the effect that a resolution or ordinance in the form therein set forth has been adopted by the Issuer as conclusive evidence that such resolution or ordinance has been duly adopted, and is in full force and effect.

(f) The permissive right of the Trustee to do things enumerated in this Indenture shall not be construed as a duty and the Trustee shall not be answerable for other than its negligence or willful default.

(g) The Trustee shall not be required to take notice or be deemed to have notice of any default hereunder, except failure by the Issuer to cause to be made any of the payments to the Trustee required to be made by Article IV and defaults under Section 901(a), (b) or (c) hereof, unless an officer in the Corporate Trust Services Division of the Trustee or the department designated by any successor Trustee shall receive notice in writing of such default by the Issuer or by the Owners of at least 25% in aggregate principal amount of all Bonds then outstanding.

(h) The Trustee shall not be required to give any bonds or surety in respect of the execution of its trusts and powers hereunder.

(i) Before taking any action under Article IX hereof or this Section 1101 or Section 1104 at the request or direction of the Bondholders, the Trustee may require that a satisfactory indemnity bond be furnished by the Bondholders for the reimbursement of all expenses to which it may be put and to protect it against all liability, except liability which is adjudicated to have resulted for its negligence or willful default in connection with any action so taken.

(j) All moneys received by the Trustee shall, until used or applied or invested as herein provided, be held in trust for the purposes for which they were received but need not be segregated from other funds except to the extent required by law. The Trustee shall not be under any liability for interest on any moneys received hereunder except such as may be agreed upon.

(k) The Trustee, prior to the occurrence of an event of default specified in Section 901 of this Indenture and after the curing or waiving of all events of default which may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in this Indenture and, in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; but in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Indenture. In case an event of default has occurred (which has not been cured or waived) the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

(l) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) This subsection shall not be construed to limit the effect of subsection (k) of this Section;

(ii) The Trustee shall not be liable for any error of judgment made in good faith by an officer of the Trustee, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts;

(iii) The Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Owners of a majority in aggregate principal amount of the Bonds outstanding relating to the time, method and place of conducting any proceeding or any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture; and

(iv) No provision of this Indenture or the Arbitrage Regulation Agreement shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

#### Section 1102. Fees, Charges And Expenses Of Trustee.

The Trustee shall be entitled to payment and/or reimbursement from the Company for reasonable fees for its Ordinary Services rendered hereunder and all advances and other Ordinary Expenses reasonably and necessarily

made or incurred by the Trustee in connection with such Ordinary Services and, in the event that it should become necessary that the Trustee perform Extraordinary Services, it shall be entitled to reasonable extra compensation therefor, from the Company, and to reimbursement from the Company for reasonable and necessary Extraordinary Expenses in connection therewith; provided, that if such Extraordinary Services or Extraordinary Expenses are occasioned by the negligence or misconduct of the Trustee, it shall not be entitled to compensation or reimbursement therefor. The Trustee shall be entitled to payment and reimbursement from the Company for the reasonable fees and charges of the Trustee as paying agent and bond registrar for the Bonds. Pursuant to Section 5.2 of the Agreement, all such fees and expenses shall be paid by the Company. Upon the occurrence of an event of default and during its continuance, the Trustee shall have a first lien with right of payment prior to payment on account of interest or principal of, or premium, if any, on any Bond upon all moneys in its possession under any provisions hereof for the foregoing advances, fees, costs and expenses incurred.

#### Section 1103. Notice To Bondholders If Default Occurs.

If a default occurs of which the Trustee is by subsection (g) of Section 1101 hereof required to take notice or if notice of default is received by the Trustee as in said subsection (g) provided, then the Trustee shall promptly give written notice thereof by first class mail within fifteen days, unless such default is cured or waived, to the Owners of all Bonds then outstanding; provided that, except in the case of default in the payment of the principal, of, premium, if any, or interest on any Bond, the Trustee may withhold such notice to the Bondholders if and so long as the board of directors, the executive committee, or a trust committee of directors and/or responsible officers, of the Trustee in good faith determine that the withholding of such notice is in the interests of the Bondholders; provided further, that nothing in this Section 1103 shall be deemed to limit the notice required by Section 905 hereof.

#### Section 1104. Intervention By Trustee.

In any judicial proceeding to which the Issuer is a party and which in the opinion of the Trustee and its counsel has a substantial bearing on the interests of owners of the Bonds, the Trustee may intervene on behalf of the Bondholders and, subject to the provisions of Section 1101(i), shall do so if requested in writing by the owners of a majority in aggregate principal amount of all Bonds then outstanding.

#### Section 1105. Successor Trustee.

Any corporation or association into which the Trustee may be merged, or

with which it may be consolidated, or to which it may sell, lease or transfer its corporate trust business and assets as a whole or substantially as a whole, shall be and become successor Trustee hereunder and shall be vested with all the trusts, powers, rights, obligations, duties, remedies, immunities and privileges hereunder as was its predecessor, without the execution or filing of any instrument on the part of any of the parties hereto.

Section 1106. Resignation By The Trustee.

The Trustee may at any time resign from the trusts hereby created by giving sixty days' written notice to the Issuer and to the Company and to each holder of Bonds as shown by the list of Bondholders required by Section 209 hereof, and such resignation shall take effect at the appointment of a successor Trustee pursuant to the provisions of Section 1108 hereof and acceptance by the successor Trustee of such trusts. If no successor Trustee shall have been so appointed and have accepted appointment within sixty days of the giving of written notice by the resigning Trustee as aforesaid, the resigning Trustee or the holder of any Bond may petition any court of competent jurisdiction of the appointment for a successor Trustee.

Section 1107. Removal Of The Trustee.

The Trustee may be removed at any time by an instrument or concurrent instruments in writing delivered to the Trustee, the Issuer, and the Company and signed by the owners of a majority in aggregate principal amount of Bonds then outstanding.

Section 1108. Appointment Of Successor Trustee.

In case the Trustee hereunder shall:

- (a) resign pursuant to Section 1106 hereof;
- (b) be removed pursuant to Section 1107 hereof; or
- (c) be dissolved, taken under the control of any public officer or officers or of a receiver appointed by a court, or otherwise become incapable of acting hereunder,

a successor shall be appointed by the Issuer with the written consent (which shall not be unreasonably withheld) of the Company; provided, that if a successor Trustee is not so appointed within ten days after notice of resignation is given or instrument of removal is delivered as provided under Sections 1106 and 1107 hereof, respectively, or within ten days of the Issuer's knowledge of any of the events specified in (c) hereinabove, then the

holders of a majority in aggregate principal amount of Bonds then outstanding, by an instrument or concurrent instruments in writing signed by or on behalf of such holders, may designate a successor Trustee. Every such successor Trustee appointed pursuant to the provisions of this Section shall be a trust company or bank in good standing, and subject to the laws of the State of Illinois within or outside the State of Illinois having a reported capital and surplus of not less than \$50,000,000 and willing to accept the trusteeship under the terms and conditions of this Indenture.

In case at any time the Trustee shall resign and no appointment of a successor Trustee shall be made pursuant to the foregoing provisions of this Article XI prior to the date specified in the notice of resignation as the date when such resignation shall take effect, the holder of any Bond or the resigning Trustee may apply to any court of competent jurisdiction to appoint a successor Trustee. Such court may thereupon, after such notice, if any, as it may deem proper and prescribe, appoint a successor Trustee.

#### Section 1109. Concerning Any Successor Trustees.

Every successor Trustee appointed hereunder shall execute, acknowledge and deliver to its predecessor and also to the Issuer and the Company an instrument in writing accepting such appointment hereunder, and thereupon such successor shall become fully vested with all the trusts, powers, rights, obligations, duties, remedies, immunities and privileges of its predecessor; but, nevertheless, (1) such predecessor shall, on the written request of the Issuer, execute and deliver an instrument transferring to such successor Trustee all the trusts, powers, rights, obligations, duties, remedies, immunities and privileges of such predecessor hereunder, and (2) every predecessor Trustee shall deliver all securities and moneys held by it as Trustee hereunder to its successor. Should any instrument in writing from the Issuer be required by any successor Trustee for more fully and certainly vesting in such successor the trusts, powers, rights, obligations, duties, remedies, immunities and privileges hereby vested in the predecessor any and all such instruments in writing shall, on request, be executed, acknowledged and delivered by the Issuer.

Except as required to effect an assignment to a successor Trustee or if an event of default has occurred hereunder, the Trustee shall not sell, assign or transfer the First Mortgage Bonds held by it hereunder.

Section 1114. Appointment Of Co-Trustee.

It is the purpose of this Indenture that there shall be no violation of any law of any jurisdiction (including particularly the law of Illinois) denying or restricting the right of banking corporations or associations to transact business as Trustee in such jurisdiction. It is recognized that in case of litigation under this Indenture or the Agreement, and in particular in case of the enforcement of either on default, or in case the Trustee deems that by reason of any present or future law of any jurisdiction it may not exercise any of the powers, rights or remedies herein granted to the Trustee or hold title to the properties, in trust, as herein granted, or take any other action which may be desirable or necessary in connection therewith, it may be necessary that the Trustee appoint an additional individual or institution as a separate or co-trustee. The following provisions of this Section 1114 are adapted to these ends.

In the event that the Trustee appoints an additional individual or institution as a separate or co-trustee, each and every remedy, power, right, claim, demand, cause of action, immunity, estate, title, interest and lien expressed or intended by this Indenture to be exercised by or vested in or conveyed to the Trustee with respect thereto shall be exercisable by and vested in such separate or co-trustee but only to the extent necessary to enable such separate or co-trustee to exercise such powers, rights and

remedies, and every covenant and obligation necessary to the exercise thereof by such separate or co-trustee shall run to and be enforceable by either of them.

Should any instrument in writing from the Issuer be required by the separate trustee or co-trustee so appointed by the Trustee for more fully and certainly vesting in and confirming to him or it such properties, rights, powers, trusts, duties and obligations, any and all such instruments in writing shall, on request, be executed, acknowledged and delivered by the Issuer. In case any separate trustee or co-trustee, or a successor to either, shall die, become incapable of acting, resign or be removed, all the estates, properties, rights, powers, trusts, duties and obligations of such separate trustee or co-trustee, so far as permitted by law, shall vest in and be exercised by the Trustee until the appointment of a new trustee or successor to such separate trustee or co-trustee.

(a)(i) Determination of Daily Rate. During each Daily Rate Period, the Bonds shall bear interest at the Daily Rate, which shall be determined by the Remarketing Agent on each Business Day for Such Business Day. The Daily Rate shall be the lowest rate determined by the Remarketing Agent to be the interest rate which would enable the Remarketing Agent to sell the Bonds on the effective date of such rate at a price equal to 100% of the principal amount thereof; provided, however, that with respect to any day which is not a Business Day and any other day or which the Remarketing Agent shall not have determined a Daily Rate, the Daily Rate for such day shall be the same as the Daily Rate for the immediately preceding day. In no event shall the Daily Rate exceed 14% per annum. The Remarketing Agent shall provide the Trustee with immediate telephonic notice of each Daily Rate, as determined.

(ii) Adjustment to Daily Rate. At any time, the Company by written direction to the Issuer, the Trustee and the Remarketing Agent, may elect that the Bonds shall bear interest at a Daily Rate. Such direction shall (A) specify the effective date of such adjustment to Daily Rate which shall be (1)

During each Daily Rate Period commencing on a date so specified or determined (provided that the opinion of Bond Counsel described in clause (B) above, if required, is reaffirmed as of such date) and ending on the day immediately preceding the effective date of the next succeeding Rate Period, the interest rate borne by the Bonds shall be a Daily Rate.

Such notice shall state (1) that the interest rate on the Bonds will be adjusted to a Daily Rate, (2) the effective date of such Daily Rate Period, (3) the method by which the Daily Rate shall be determined, (4) the Interest Payment Dates after such effective date, (5) that all Bonds must be tendered for mandatory purchase on such effective date, (6) the procedures of such purchase and the Purchase Price, (7) that, subsequent to such effective date, Owners will have the right to require the purchase of Bonds on any Business Day, (8) the procedures of such purchase and the Purchase Price, and (9) the redemption provisions set forth in Section 301 hereof which will apply during such Daily Rate Period.

(b)(i) Determination of Weekly Rate. During each Weekly Rate Period, the Bonds shall bear interest at the Weekly Rate, which shall be determined by the Remarketing Agent no later than the first day of such Weekly Rate Period and thereafter no later than the Business Day next preceding Wednesday of each week during such period. The Weekly Rate shall be the rate determined by the Remarketing Agent to be the lowest interest rate which would enable the Remarketing Agent to sell the Bonds on the effective date of such rate at a price equal to 100% of the principal amount thereof; provided, however, that if the Remarketing Agent shall not have determined a Weekly Rate for any period, the Weekly Rate for such period shall be the same as the Weekly Rate for the immediately preceding period. In no event shall the Weekly Rate exceed 14% per annum. The first Weekly Rate determined for each Weekly Rate Period shall apply to the period commencing on the first day of such period and ending on the next succeeding Tuesday. Thereafter, each Weekly Rate shall apply to the period commencing on Wednesday and ending on the next succeeding Tuesday; provided, however, if a Weekly Rate Period shall end on a day other than Tuesday, the last Weekly Rate for such Weekly Rate Period shall apply to the period commencing on the Wednesday preceding the last day of such

Weekly Rate Period and ending on such last day. The Remarketing Agent shall provide the Trustee with immediate telephonic notice of each Weekly Rate, as determined.

(ii) Adjustment to Weekly Rate. At any time, the Company, by written direction to the Issuer, the Trustee and the Remarketing Agent, may elect that the Bonds shall bear interest at a Weekly Rate. Such direction shall (A) specify the effective date of such adjustment to a Weekly Rate which shall be (1) a Business Day not earlier than the 25th day following the fifth Business Day after the date of receipt by the Trustee of such direction, (2) in the case of an adjustment from a Term Rate Period, the day immediately following the last day of the then current Term Rate Period, and (3) in the case of an adjustment from a Flexible Rate Period, the day immediately following the last day of the then current Flexible Rate Period as determined in accordance with Section 203(d)(iv) hereof; and (B) in the case of an adjustment from a Term Rate Period, be accompanied by an opinion of Bond Counsel stating that such adjustment (1) is authorized or permitted by the Act and this Indenture and (2) will not adversely affect the exclusion of the interest on the Bonds from federal gross income. During each Weekly Rate Period commencing on a date so specified or determined (provided that the opinion of Bond Counsel described in clause (B) above, if required, is reaffirmed as of such date) and ending on the day immediately preceding the effective date of the next succeeding Rate Period, the interest rate borne by the Bonds shall be a Weekly Rate.

(iii) Notice of Adjustment to Weekly Rate. The Trustee shall give notice of an adjustment to a Weekly Rate Period to Owners not less than 25 days prior to the effective date of such Weekly Rate Period. Such notice shall state (1) that the interest rate on the Bonds will be adjusted to a Weekly Rate (subject to receipt of the reaffirming opinion of Bond Counsel referred to in the immediately preceding paragraph (ii), if required, and to the Company's ability to rescind its election as described in Section 203(f) hereof), (2) the effective date of such Weekly Rate Period, (3) the method by which the Weekly Rate shall be determined, (4) the Interest Payment Dates after such effective date, (5) that all Bonds must be tendered for mandatory purchase on such effective date, (6) the procedures of such purchase and the purchase price, (7) that, subsequent to such effective date, Owners will have the right to require the purchase of Bonds on any Wednesday, or if a Wednesday is not a Business Day then on the next succeeding Business Day, upon not less than seven days' notice, (8) the procedures of such purchase and the purchase price and (9) the redemption provisions set forth in Section 301 hereof which will apply during such Weekly Rate Period.

(c)(i) Determination of Term Rate. During each Term Rate Period the Bonds shall bear interest at the Term Rate determined by the Remarketing Agent on a Business Day selected by it, but not more than fifteen (15) days

prior to the first day of such Term Rate Period. The Term Rate shall be the rate determined by the Remarketing Agent on such date, and filed on such date with the Trustee and the Company, by written notice or by telephone promptly confirmed by telecopy or other writing, as being the lowest rate which would enable the Remarketing Agent to sell the Bonds on the effective date of such Term Rate at a price equal to one hundred percent (100%) of the principal amount thereof; provided, however, that if, for any reason, a Term Rate for any Term Rate Period shall not be determined or effective, the Rate Period for the Bonds shall automatically convert to a Daily Rate Period. If a Daily Rate for the first day of such Daily Rate Period is not determined as provided in Section 203(a)(i) hereof, the Daily Rate for the first day of such Daily Rate Period shall be eighty percent (80%) of the most recent One-Year Note Index theretofore published in *The Bond Buyer*. In no event shall any Term Rate be greater than fourteen percent (14%) per annum.

(ii) Adjustment to or Continuation of Term Rate. At any time, the Company, by written direction to the Issuer, the Trustee and the Remarketing Agent, may elect that the Bonds shall bear, or continue to bear, interest at a Term Rate, and if it shall so elect, shall determine the duration of the Term Rate Period during which the Bonds shall bear interest at such Term Rate. As a part of such election, the Company also may determine that the initial Term Rate Period shall be followed by successive Term Rate Periods and, if the Company so elects, shall specify the duration of each such successive Term Rate Period as provided in this paragraph (ii). Such direction shall (A) specify the effective date of each Term Rate Period (which shall be (1) a Business Day not earlier than the twenty-fifth (25th) day following the fifth (5th) Business Day after the date of receipt by the Trustee of such direction, (2) in the case of an adjustment from a Flexible Rate Period, the day immediately following the last day of the then current Flexible Rate Period as determined in accordance with Section 203(d)(iv) hereof and (3) in the case of an adjustment from a Term Rate Period, the day immediately following the last day of the then current Term Rate Period); (B) specify the last day of such Term Rate Period or, if successive Term Rate Periods shall have been designated, the last day of each such Term Rate Period (which shall be for each Term Rate Period either \_\_\_\_\_ 1, \_\_\_\_\_, or a day which both immediately precedes a Business Day and at least one hundred eighty (180) days after the effective date thereof); and (C) unless the adjustment is from a Term Rate Period of equal duration, be accompanied by an opinion of Bond Counsel stating that such adjustment (1) is authorized or permitted by the Act and this Indenture and (2) will not adversely affect the exclusion of the interest on the Bonds from federal gross income. If the Company shall designate successive Term Rate Periods, but shall not, with respect to the second or any subsequent Term Rate Period, specify any of the information described in clause (A) above, the Company, by written direction to the Issuer, the Trustee and the Remarketing Agent, given not later than the fifth (5th) Business Day preceding the twenty-fifth (25th) day prior to the first (1st) day of such successive Term Rate Period, may specify any of such information not previously specified with respect to

such Term Rate Period which information shall be accompanied by an opinion of Bond Counsel as described above, if required. During the Term Rate Period commencing and ending on the dates so determined and during each successive Term Rate Period, if any, the interest rate borne by the Bonds shall be a Term Rate (provided that the opinion of Bond Counsel described in clause (C) above, if required, is reaffirmed as of such date of commencement). If, by the fifth (5th) Business Day preceding the twenty-fourth (24th) day prior to the last day of any Term Rate Period, the Trustee shall not have received notice of the Company's election that, during the next succeeding Rate Period, the Bonds shall bear interest at a Daily Rate, a Weekly Rate, a Flexible Rate or a Term Rate, the next succeeding Rate Period shall be a Term Rate Period of the same duration as the immediately preceding Term Rate Period; provided, however, that if the last day of any successive Term Rate Period shall not be a day immediately preceding a Business Day, then such successive Term Rate Period shall end on the first day immediately preceding the Business Day next succeeding such day or, if such Term Rate Period would end after the day prior to \_\_\_\_\_ 1, \_\_\_\_\_, the next succeeding Rate Period shall be a Term Rate Period ending on the day prior to \_\_\_\_\_ 1, \_\_\_\_\_.

(iii) Notice of Adjustment to or Continuation of Term Rate. The Trustee shall give notice of an adjustment to a (or the continuation of another) Term Rate Period to Owners not less than 25 days prior to the effective date of such Term Rate Period. Such notice shall state (1) that the interest rate on the Bonds will be adjusted to, or continue to be, a Term Rate (subject to receipt of the reaffirming opinion of Bond Counsel referred to in the immediate preceding paragraph (ii), if required, and to the Company's ability to rescind its election as described in Section 203(f) hereof), (2) the effective date and the last day of such Term Rate Period, (3) that the Term Rate for such Term Rate Period will be determined on or prior to the effective date thereof, (4) how such Term Rate may be obtained from the Remarketing Agent, (5) the Interest Payment Dates after such effective date, (6) if such effective date is the first day of a Term Rate Period immediately preceded by a Term Rate Period of the same duration, that Owners will have the right to have their Bonds purchased on such effective date, (7) unless such effective date is the first day of a Term Rate Period immediately preceded by a Term Rate Period of the same duration, that all Bonds must be tendered for mandatory purchase on such effective date, (8) the procedures of such purchase and the purchase price, (9) that, during such Term Rate Period, Owners will not have the right to require the purchase of Bonds, except on the day following the last day of such Term Rate Period and (10) the redemption provisions set forth in Section 301 hereof which will apply during such Term Rate Period.

(d)(i) Determination of Flexible Segments and Flexible Rates. During each Flexible Rate Period, each Bond shall bear interest during each Flexible Segment for such Bond at the Flexible Rate for such Bond as described herein. Different Flexible Segments may apply to different Bonds at any time and from time to time. The Flexible Segment for each Bond

shall be a period of at least one day and not more than 365 days ending on a day that immediately precedes a Business Day, determined by the Remarketing Agent to be the period, which, together with all such other Flexible Segments for all Bonds then Outstanding, will result in the lowest overall interest expense on the Bonds over the next succeeding 365 days. The Flexible Rate for each Flexible Segment for each Bond shall be determined by the Remarketing Agent no later than the first day of such Flexible Segment (and in time to enable the Remarketing Agent to give to the Trustee the notice required by Section 404(c) hereof) to be the lowest interest rate which would enable the Remarketing Agent to sell the Bonds on the effective date of such rate at a price equal to 100% of the principal amount thereof. If a Flexible Segment or a Flexible Rate for a Flexible Segment is not determined or effective, the Flexible Segment for such Bond shall be a Flexible Segment of one day, and the interest rate for such Flexible Segment of one day shall be 80% of the most recent One-Year Note Index theretofore published in *The Bond Buyer*. In no event shall the Flexible Rate for any Flexible Segment exceed 14% per annum. The Remarketing Agent shall provide the Trustee with facsimile or telephonic notice of each Flexible Segment and Flexible Rate, as provided in Section 404(c) hereof.

(ii) Adjustment to Flexible Rates. At any time, the Company, by written direction to the Issuer, the Trustee and the Remarketing Agent, may elect that the Bonds shall bear interest at Flexible Rates. Such direction shall (A) specify the effective date of the Flexible Rate Period during which the Bonds shall bear interest at Flexible Rates which shall be (1) a Business Day not earlier than the 25th day following the fifth Business Day after the date of receipt by the Trustee of such direction, and (2) in the case of an adjustment from a Term Rate Period, the day immediately following the last day of the then current Term Rate Period; and (B) in the case of an adjustment from a Term Rate Period, be accompanied by an opinion of Bond Counsel stating that such adjustment (1) is authorized or permitted by the Indenture and the Act and (2) will not adversely affect the exclusion of the interest on the Bonds from federal gross income. During each Flexible Rate Period commencing on the date so specified (provided that the opinion of Bond Counsel described in clause (B) above, if required, is reaffirmed as of such date) and ending on the day immediately preceding the effective date of the next succeeding Rate Period, each Bond shall bear interest at a Flexible Rate during each Flexible Segment for such Bond.

(iii) Notice of Adjustment to Flexible Rates. The Trustee shall give notice of an adjustment to a Flexible Rate Period to Owners not less than 25 days prior to the effective date of such Flexible Rate Period. Such notice shall state (1) that during such Flexible Rate Period, each Bond will have consecutive Flexible Segments during each of which such Bond will bear a Flexible Rate (subject to receipt of the reaffirming opinion of Bond Counsel referred to in the immediately preceding paragraph (ii), if required, and to the Company's ability to rescind its election as described in Section 203(f) hereof), (2) the effective date of such Flexible Rate Period, (3) that all Bonds

must be tendered for mandatory purchase on such effective date, (4) the procedures of such purchase and the purchase price, (5) that, for each Bond, a Flexible Segment and a Flexible Rate therefor will be determined not later than the first day of each such Flexible Segment, (6) how such Flexible Segments and Flexible Rates may be obtained from the Remarketing Agent, (7) that interest on each Bond will be paid on the day next succeeding each Flexible Segment but only upon presentation of such Bond, (8) that, subsequent to such effective date, each Bond shall be purchased on the day following the last day of each Flexible Segment with respect thereto and the purchase price and (9) the redemption provisions set forth in Section 301 hereof that will apply to the Bonds during such Flexible Rate Period.

(iv) Adjustment from Flexible Rate Period. As a condition precedent to the election during a Flexible Rate Period to adjust to a different Rate Period for the Bonds pursuant to Section 203(a)(ii), (b)(ii), or (c)(ii) hereof, the Remarketing Agent shall determine Flexible Segments of such duration that, as soon as possible, all Flexible Segments shall end on the same date, not less than the 24th day following the fifth Business Day after the receipt by the Trustee of the direction of the Company affecting such election. The date on which all Flexible Segments so determined shall end shall be the last day of the then current Flexible Rate Period and the day next succeeding such date shall be the effective date of the Daily Rate Period, the Weekly Rate Period or the Term Rate Period elected by the Company. The Remarketing Agent, promptly upon the determination thereof, shall give written notice of such last day and such effective dates to the Issuer, the Company and the Trustee.

(e) The determination of each Daily Rate, Weekly Rate and Term Rate and each Flexible Segment and Flexible Rate by the Remarketing Agent shall be conclusive and binding upon the Remarketing Agent, the Trustee, the Issuer, the Company and the Owners.

(f) Notwithstanding anything herein to the contrary, the Company may rescind any election by it to adjust to or continue a Rate Period pursuant to Section 203(a)(ii), (b)(ii), (c)(ii) or (d)(ii) hereof prior to the effective date of such adjustment or continuation by giving written notice thereof to the Issuer, the Trustee and the Remarketing Agent prior to such effective date. If the Trustee receives notice of such rescission prior to the time the Trustee has given notice to the Owners of the Bonds pursuant to Section 203(a)(iii), (b)(iii), (c)(iii) or (d)(iii) hereof, then such notice of adjustment or continuation shall be of no force and effect. If the Trustee receives notice of such rescission after the Trustee has given notice to the Owners of the Bonds pursuant to Section 203(a)(iii), (b)(iii), (c)(iii) or (d)(iii) hereof, then the Rate Period for the Bonds shall automatically adjust to a Daily Rate Period. In the event that an attempted adjustment from one Rate Period to another Rate Period as herein provided does not become effective, the Rate Period for the Bonds shall automatically adjust a Daily Rate Period. If a Daily Rate for the first day of any such Daily Rate Period is not determined as provided in Section 203(a)(i) hereof, the Daily Rate for the first day of such Daily Rate

Period shall be 80% of the most recent One-Year Note Index theretofore published in *The Bond Buyer*. The Trustee shall immediately give written notice of each such automatic adjustment to a Daily Rate Period to the Owners in the form provided in Section 203(a)(iii) hereof. No opinion of Bond Counsel shall be required in connection with any automatic adjustment to a Daily Rate Period as in this Section 203(f) provided.

#### Section 204. Ownership, Transfer, Exchange And Registration Of Bonds.

The Issuer shall cause books for the registration and for the transfer of the Bonds as provided herein to be kept by the Trustee, which is hereby constituted and appointed the Registrar and transfer agent for the Bonds. The Issuer shall prepare and deliver to the Trustee, and the Trustee shall keep custody of, a supply of unauthenticated Bonds duly executed by the Issuer, as provided in Section 205 hereof, for use in the transfer and exchange of Bonds. The Trustee is hereby authorized and directed to complete such forms of Bonds as to principal amounts and registered owners, in accordance with the provisions hereof, in effecting transfers and exchanges of Bonds as provided herein.

Upon surrender for transfer of any Bond at the Principal Office or the New York Office of the Trustee, duly endorsed for transfer or accompanied by a written instrument or instruments of transfer in form satisfactory to the Trustee duly executed by the registered owner or his attorney duly authorized in writing, the Trustee shall date and execute the certificate of authentication on and deliver in the name of the transferee or transferees a new Bond or Bonds duly executed by the Issuer of Authorized Denominations and for a like aggregate principal amount.

Any Bond or Bonds may be exchanged at the Principal Office or the New York Office of the Trustee for a new Bond or Bonds of like aggregate principal amount of other Authorized Denominations. Upon surrender of any Bond or Bonds for exchange, the Trustee shall date and execute the certificate of authentication on and deliver a new Bond or Bonds duly executed by the Issuer which the Bondholder making the exchange is entitled to receive.

Except in connection with the remarketing of Bonds, the Trustee shall not be required to transfer or exchange any Bond after the mailing of notice calling such Bond or portion thereof for redemption, nor during the period of ten days next preceding the mailing of such notice of redemption.

Except as provided in Section 403 hereof, the person in whose name any Bond shall be registered shall be deemed and regarded as the absolute Owner thereof for all purposes, and payment of the principal of, premium, if any, or interest on any Bond shall be made only to or upon the written order of the registered Owner thereof or his legal representative, but such

registration may be changed as hereinabove provided. All such payments shall be valid and effective to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

The Issuer and the Trustee shall require the payment by the Bondholder requesting exchange or transfer (other than an exchange upon a partial redemption of a Bond) of any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer, but otherwise no charge shall be made to the Bondholder for such exchange or transfer.

#### Section 205. Execution; Limited Obligation.

The Bonds shall be executed on behalf of the Issuer with the manual or facsimile signature of its Mayor and attested with the manual or facsimile signature of its City Clerk, and shall have impressed or imprinted thereon the corporate seal of the Issuer of a facsimile thereof. Any such facsimile signatures shall have the same force and effect as if said Mayor or City Clerk, as the case may be, had manually signed each of said Bonds.

In case any officer whose signature or a facsimile of whose signature shall appear on the Bonds shall cease to be such officer before the delivery of such Bonds, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes, the same as if he had remained in office until delivery.

The Bonds, together with premium, if any, and interest thereon, shall be limited obligations of the Issuer payable solely from the Revenues (except as provided in this Indenture and the Agreement to the extent paid out of moneys attributable to the Bond proceeds or the income from the temporary investment thereof) and shall be a valid claim of the respective owners thereof only against the Bond Fund and other moneys held by the Trustee and the Revenues, which Revenues shall be used for no other purpose than to pay the principal of, premium, if any, and interest on the Bonds, except as maybe otherwise expressly authorized in this Indenture and the Agreement. The Bonds shall be limited obligations of the Issuer payable solely from the Revenues (except as provided in this Indenture and the Agreement, to the extent paid out of moneys attributable to Bond proceeds or the income from the temporary investment thereof). No Owner of any of the Bonds shall have the right to compel any exercise of taxing power of the Issuer thereof to pay the Bonds, or the interest or premium, if any, thereon, and the Bonds shall not constitute an indebtedness of the Issuer thereof or a loan of credit thereof within the meaning of any constitutional or statutory provision.

No recourse shall be had for the payment of the principal of, premium, if any, or interest on any of the Bonds or for any claim based thereon or upon any obligation, covenant or agreement in this Indenture contained, against any past, present or future member, councilman, officer, employee or agent of the Issuer, either directly or through the Issuer or any successor

corporation, under any rule of law or equity, statute or constitution or by the enforcement of any assessment or penalty or otherwise, and all such liability of any such member, councilman, officer, employee or agent as such, is hereby expressly waived and released as a condition of and in consideration for the execution of this Indenture and the issuance of any of the Bonds.

#### Section 206. Authentication.

No Bond shall be valid for any purpose or entitled to any security or benefit under this Indenture unless and until a certificate of authentication on such Bond substantially in the form hereinabove set forth shall have been duly executed by the Trustee, and such executed certificate of authentication shall be conclusive proof that such Bond has been duly authenticated and delivered under this Indenture and that the holder thereof is entitled to the security and benefits of the trust hereby created. The Trustee's certificate of authentication on any Bond shall be deemed to have been executed by it if signed by an authorized officer of the Trustee, but it shall not be necessary that the same officer sign the certificate of authentication on all of the Bonds issued hereunder.

Upon authentication of any Bond, the Trustee shall set forth on such Bond (1) the date of such authentication and (2) in the case of a Bond bearing interest at a Flexible Rate, such Flexible Rate, the day next succeeding the last day of the applicable Flexible Segment, the number of days comprising such Flexible Segment and the amount of interest to accrue during such Flexible Segment.

#### Section 207. Form Of Bonds.

The Bonds issued under this Indenture shall be substantially in the form hereinabove set forth with such appropriate variations, omissions and insertions as are permitted or required by this Indenture.

#### Section 208. Mutilated, Destroyed, Lost Or Stolen Bonds.

In the event any Bond or temporary Bond is mutilated, lost, stolen or destroyed, the Trustee may authenticate a new Bond duly executed by the Issuer of like date and denomination as that mutilated, lost, stolen or destroyed; provided that, in the case of any mutilated Bond, such mutilated Bond shall first be surrendered to the Trustee, and in the case of any lost, stolen or destroyed Bond, there shall be first furnished to the Trustee evidence of such loss, theft or destruction satisfactory to the Trustee, together with indemnity to the Issuer and the Trustee satisfactory to them. In the event any such Bond shall have matured, instead of issuing a duplicate Bond, the Trustee on behalf of the Issuer may pay the same without surrender thereof. The Issuer and the Trustee may charge the

Owner of such Bond with their reasonable fees and expenses in this connection. The Issuer shall cooperate with the Trustee in connection with the issue of replacement Bonds, but nothing in this Section shall be construed in derogation of any rights which the Issuer, the Company or the Trustee may have to receive indemnification against liability, or payment or reimbursement of expenses, in connection with the issue of a replacement Bond.

All Bonds shall be held and owned upon the express condition that the foregoing provisions are, to the extent permitted by law, exclusive with respect to the replacement or payment of mutilated, destroyed, lost or stolen Bonds, and shall preclude any and all other rights or remedies.

#### Section 209. Temporary Bonds.

Pending preparation of definitive Bonds, or by agreement with the purchasers of all Bonds, the Issuer may issue and, upon its request, the Trustee shall authenticate, in lieu of definitive Bonds, one or more temporary printed or typewritten Bonds in Authorized Denominations of substantially the tenor recited above. Upon request of the Issuer, the Trustee shall authenticate definitive Bonds in exchange for and upon surrender of an equal principal amount of temporary Bonds. Until so exchanged, temporary Bonds shall have the same rights, remedies and security hereunder as definitive Bonds.

#### Section 210. Cancellation And Disposition Of Surrendered Bonds.

Whenever any Outstanding Bonds shall be delivered to the Trustee for transfer, exchange or cancellation pursuant to this Indenture, upon payment of the principal amount represented thereby, or for replacement pursuant to Section 208 hereof, such Bond shall be promptly canceled and disposed of by the Trustee, and counterparts of a certificate of disposition evidencing such disposition shall be furnished by the Trustee to the Issuer and the Company.

#### Section 211. Refunding Bonds.

The Issuer may issue, and expressly reserves the right to issue, to the extent permitted by law, refunding bonds under another indenture to refund all or any principal amount of the Bonds; provided, however, that the net proceeds of any such bonds used to refund all or any principal amount of the Bonds shall be paid directly to the Trustee for the Bondholders and shall not come into the possession or control of the Company.

Section 212. Use Of Certain Moneys In The Bond Fund Upon Refunding.

In the event that refunding bonds shall be issued by the Issuer to pay the principal of or premium, if any, on all or any portion of the Bonds, the net proceeds of the refunding bonds remaining after payment of expenses incident to the refunding shall be deposited by the Issuer into the Bond Fund as provided in Section 603 hereof. All moneys remaining in the Bond Fund on the date of the refunding to be used to pay interest on the Bonds to be refunded shall be held, as collateral for the payment of the Bonds to be refunded, by the Trustee, in trust for and on behalf of the Owners of the Bonds to be refunded, together with the portion of the proceeds of the sale of the refunding bonds so deposited and any investments or reinvestments of such proceeds, in one or more separate subaccounts in the Bond Fund irrevocably in trust for the respective holders of Bonds to be refunded, and upon defeasance of the Bonds to be refunded as provided in Article VIII hereof shall be held, invested and used as provided in Article VIII hereof. Investment income or profit on any such investments or reinvestments shall remain in the Bond Fund.

Section 213. Delivery Of The Bonds.

Upon the execution and delivery of this Indenture, the Issuer shall execute and deliver to the Trustee and the Trustee shall authenticate the Bonds and deliver them to the purchasers as directed by the Issuer as hereinafter in this Section provided.

Prior to the delivery by the Trustee of any of the Bonds there shall be filed with the Trustee:

(1) A copy, duly certified by the City Clerk of the Issuer, of the ordinance adopted and approved by its governing body authorizing the execution and delivery of this Indenture and the Agreement, and the issuance, sale and delivery of the Bonds.

(2) Original executed counterparts of this Indenture and the Agreement.

(3) The executed and authenticated First Mortgage Bonds required to be assigned by the Issuer and delivered to the Trustee pursuant to the Agreement.

(4) A written request and authorization to the Trustee on behalf of the Issuer and signed by two authorized officers of the Issuer to authenticate and deliver the Bonds to the purchasers therein identified upon payment to the Trustee, but for account of the Issuer, of a sum equal to the purchase price thereof plus accrued interest, if any, thereon to the date of delivery.

Such proceeds shall be paid over to the Trustee and deposited as hereinafter provided under Article VI hereof.

(5) An opinion of Bond Counsel to the effect that the Bonds have been duly and validly issued, and setting forth the particulars thereof.

#### Section 214. Book-Entry System.

The Trustee and the Issuer, with the consent of the Company and the Remarketing Agent, may from time to time enter into, and discontinue, an agreement with a "clearing agency" (securities depository) registered under Section 17A of the Securities Exchange Act of 1934, as amended (the "Securities Depository"), which is the Owner of the Bonds, to establish procedures with respect to the Bonds not inconsistent with the provisions of this Indenture; provided, however, that any such agreement may provide:

(a) that such Securities Depository is not required to present a Bond to the Trustee in order to receive a partial payment of principal;

(b) that a Bond need not be delivered to the Trustee in order for a tender of such Bond pursuant to Article IV of this Indenture to be effective or in order for the purchase price of such tendered Bond to be paid and that notice of tender of a Bond for purchase pursuant to Article IV hereof may be given to the Trustee by a Beneficial Owner of a Bond;

(c) that a legend shall appear on each Bond so long as the Bonds are subject to such agreement; and

(d) that different provisions for notice to such Securities Depository may be set forth therein.

"Beneficial Owner" shall mean the owner of a Bond or portion thereof for federal income tax purposes.

So long as any such agreement with a Securities Depository is in effect, the term Owner, as it appears in Section 301(B)(1) hereof (but not for any other provision of this Indenture, except only as specifically provided herein), shall be deemed to include the Beneficial Owner.

Neither the Issuer, the Company, the Trustee, the Underwriter or the Remarketing Agent will have any responsibility or obligation to any Securities Depository, any direct or indirect participants (the "Participants") in the book-entry system of any such Securities Depository or the Beneficial Owners of the Bonds with respect to (i) the accuracy of any records maintained by the Securities Depository or any participant; (ii) the payment by the Securities Depository or by any Participant of any amount due to any Beneficial Owner in respect of the principal amount or redemption or

purchase price of, or interest on, any Bonds; (iii) the delivery of any notice by the Securities Depository or any Participant; (iv) the selection of the Beneficial Owners to receive payment in the event of any partial redemption of the Bonds; or (v) any other action taken by the Securities Depository or any Participant.

*Article III.*

*Redemption Of Bonds Before Maturity.*

Section 301. Redemption Dates And Prices.

The Bonds shall be subject to redemption prior to maturity in the amounts, at the times and in the manner provided in this Article III.

(A) Optional Redemption.

(1) On any Business Day during a Daily Rate Period or a Weekly Rate Period, and on the day next succeeding the last day of each such Rate Period, the Bonds shall be subject to optional redemption by the Issuer, at the written direction of the Company, in whole or in part, at 100% of their principal amount, plus accrued interest, if any, to the redemption date.

(2) On the next day succeeding the last day of any Flexible Segment with respect to any Bond, such Bond shall be subject to optional redemption by the Issuer, at the written direction of the Company, in whole or in part, at 100% of its principal amount.

(3) During any Term Rate Period, and on the day next succeeding the last day of each Term Rate Period, the Bonds shall be subject to optional redemption by the Issuer, at the written direction of the Company, during the periods specified below, in whole at any time or in part from time to time on any Interest Payment Date, at the redemption prices (expressed as percentages of principal amount) hereinafter indicated plus accrued interest, if any, to the redemption date:

less than or equal to 2 and greater than 1	after 1 year at 100%
1 year or less	only on day next succeeding last day of period at 100%

With respect to any Term Rate Period, the Company may specify in the notice required by Section 203(c)(ii) hereof redemption prices and periods other than those set forth above; provided, however, that such notice shall be accompanied by an opinion of Bond Counsel stating that such changes in redemption prices and periods (i) are authorized or permitted by the Act and this Indenture and (ii) will not adversely affect the exclusion of the interest on the Bonds from federal gross income.

(4) The Bonds are subject to optional redemption by the Issuer, at the written direction of the Company, in whole but not in part, at any time, at a redemption price of 100% of the principal amount thereof plus accrued interest, if any, to the redemption date, if any of the following shall have occurred:

(a) if in the Company's reasonable judgment unreasonable burdens or excessive liabilities shall have been imposed upon the Issuer or the Company with respect to the Project or the operation thereof, including, without limitation, federal, state or other ad valorem property, income or other taxes, other than ad valorem taxes presently levied upon privately owned property used for the same general purposes as the Project; or

(b) if changes in the economic availability or raw materials, operating supplies, fuel or other energy sources or supplies, or facilities necessary for the operation of the Project or such technological or other changes shall have occurred which in the Company's reasonable judgment render the Project uneconomic for such purpose; or

(c) any court or administrative body shall enter an order or decree preventing operations at the Project for six consecutive months; or

(d) any court or administrative agency shall issue an order, decree or regulation the compliance with which would, in the opinion of the Company, render the continuation of the Project's operations economically unfeasible.

Any such redemption shall be on any date within 90 days from the time the Company files a written notice with the Issuer and the Trustee and directs that the Bonds are to be redeemed, which direction must be given, if at all, within 180 days following the occurrence of one of the events listed above permitting the exercise of the option.

#### (B) Mandatory Redemption.

(1) The Bonds are subject to mandatory redemption by the Issuer, in whole but not in part, at any time, at a redemption price of 100% or the principal amount thereof plus accrued interest, if any, to the redemption date, in the event the Company redeems the First Mortgage Bonds upon the acquisition by any federal, state or municipal authority of all or any substantial portion (at least one-third on the basis of book values) of the income-producing properties of the Company which are subject to the lien of the First Mortgage Indenture. Any such redemption shall be on the same date selected by the Company as the date the related First Mortgage Bonds are to be redeemed.

(2) The Bonds are also subject to mandatory redemption at any time, in whole (or in part, as hereinafter provided), at 100% of the principal amount thereof, plus accrued interest, if any, to the redemption date, in the event that it is finally determined by the Internal Revenue Service or by a court of competent jurisdiction that, as a result of the failure by the Company to

observe any covenant, agreement or representation in the Agreement, the interest payable on the Bonds is includable for federal income tax purposes in the gross income of any Owner thereof, other than an Owner who is a "substantial user" of the Project or a "related person" of such substantial user within the meaning of Section 147(a) of the Code, and the applicable regulations thereunder. Any such determination will not be considered final for this purpose unless the Company has been given written notice and, if it so desires, has been afforded the opportunity to contest the same, either directly or in the name of any Owner of a Bond, and until a conclusion of any appellate review, if sought. The Bonds shall be redeemed in whole after such determination unless redemption of a portion of the Bonds Outstanding would have the result that interest payable on the Bonds remaining outstanding after such redemption would not be includable for federal income tax purposes in the gross income of any Owner of the Bonds (other than an Owner who is a "substantial user" of the Project or a "related person" of such substantial user within the meaning of Section 147(a) of the Code), and in such event the Bonds shall be redeemed (in any Authorized Denomination) by lot in such manner as the Trustee shall determine, in such amount as to accomplish that result. Any such redemption shall be on any date within 180 days from the time of such final determination.

#### Section 302. Notice Of Redemption.

Notice of the call for any redemption of Bonds or any portion thereof (which shall be in Authorized Denominations) pursuant to Section 301 hereof identifying the Bonds or portions thereof to be redeemed, specifying the redemption date, the redemption price, the place and manner of payment and that from the redemption date interest will cease to accrue, shall be given by the Trustee by mailing a copy of the redemption notice by first-class mail to the Owner of each Bond to be redeemed in whole or in part at the address shown on the registration books. Such notice shall be given at least 30 days prior to the date fixed for redemption to the Owners of Bonds to be redeemed; provided, however, that failure to duly give such notice, or any defect therein, shall not affect the validity of any proceedings for the redemption of Bonds with respect to which no such failure or defect occurred. Upon presentation and surrender of Bonds so called for redemption in whole or in part at the place or places of payment, such Bonds or portions thereof shall be redeemed.

With respect to any notice of optional redemption of Bonds, unless upon the giving of such notice such Bonds shall be deemed to have been paid within the meaning of Article VIII hereof, such notice may state (if so directed by the Company in writing) that such redemption shall be conditional upon the receipt by the Trustee on or prior to the date fixed for such redemption of moneys sufficient to pay the principal of, and premium, if any, and interest on, such Bonds to be redeemed, and that if such moneys shall not have been so received said notice shall be of no force and effect and the Issuer shall not be required to redeem such Bonds. In the event that

such notice of redemption contains such a condition and such moneys are not so received, the redemption shall not be made and the Trustee shall within a reasonable time thereafter give notice, in the manner in which the notice of redemption was given, that such moneys were not so received.

Any notice mailed as provided in this Section shall be conclusively presumed to have been duly given, whether or not the Owner receives the notice.

If a Bond is presented to the Trustee for transfer after notice of redemption of such Bond has been mailed as herein provided, the Trustee shall deliver a copy of such notice of redemption to the new Owner of such Bond.

In addition to the foregoing notice, further notice may be given by the Trustee as set out below, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner (i) defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed or (ii) give rise to any liability on the part of the Issuer, the Company, the Trustee or the Remarketing Agent.

A. Each further notice of redemption given hereunder may contain the information required above for an official notice of redemption plus (i) the C.U.S.I.P. number of the Bonds; (ii) the date of issue of the Bonds; (iii) the rate or rates of interest borne by the Bonds; (iv) the maturity date of the Bonds; and (v) any other descriptive information needed to identify accurately the Bonds being redeemed.

B. Each further notice of redemption may be sent at least five days before the date the redemption notice to the Owners is required to be given as provided in the first paragraph of this Section 302, by registered or certified mail or overnight delivery service, to all registered securities depositories then in the business of holding substantial amounts of obligations of types comprising the Bonds (such depositories as of the date hereof being The Depository Trust Company, New York, New York and Midwest Securities Trust Company, Chicago, Illinois).

C. Each further notice of redemption may be published one time in *The Bond Buyer* of New York, New York or, if such publication is impractical, in some other financial newspaper or journal which regularly carries notices of redemption of other obligations similar to the Bonds, such publication to be made at the time the redemption notice to the Owners is required to be given as provided in the first paragraph of this Section 302.

D. Each further notice of redemption may be given at least two days before the date the redemption notice to the Owners is required to be given as provided in the first paragraph of this Section 302, by (i) registered or certified mail, postage prepaid, or (ii) overnight delivery service, to two of the following services selected by the Company and at the address provided to the Trustee by the Company:

The principal amount of and the interest when due on the Government Obligations held in the Collateral Release Fund shall be sufficient to enable the Trustee to pay when due on the Bonds (i) an amount equal to the Interest with Respect to Released Collateral for each interest payment date from the date of deposit of such Government Obligations until the date on which the First Mortgage Bonds so released would have matured and (ii) at maturity, a principal amount of Bonds equal to the principal amount of the First Mortgage Bonds so released.

On each interest payment date with respect to the Bonds, the Trustee shall transfer from the Collateral Release Fund to the Bond Fund an amount equal to the Interest with Respect to Released Collateral so as to enable the Trustee to pay interest on a principal amount of Bonds equal to the principal amount of the First Mortgage Bonds which have been released. On the principal payment date with respect to the Bonds, whether such payment is due as a result of the stated maturity, redemption or acceleration, the Trustee shall reduce all Government Obligations to cash and shall transfer such amount to the Bond Fund; provided, however, that in the event of a redemption of less than all the Bonds the Trustee will, at the direction of the Company, liquidate an amount of Government Obligations sufficient, when taken together with other funds available for such redemption, to redeem the designated principal amount of Bonds; and, provided further, that in such event an amount of Government Obligations remains in the Collateral Release Fund, the principal amount of and interest when due on which, together with payments when due on the outstanding First Mortgage Bonds, will be sufficient to pay principal of, premium, if any, and interest when due on the then Outstanding Bonds. (In certain events the Company may be required to pay any deficiency pursuant to Section 4.3 of the Agreement.)

All cash and Government Obligations in the Collateral Release Fund (so long as no event of default has occurred and is continuing) shall, with the investment earnings thereon, be applied exclusively to the payment of the principal of, premium, if any, and interest on the Bonds in the same manner as payments on the surrendered First Mortgage Bonds would have been applied.

#### Section 615. Revenues To Be Paid Over To Trustee.

The Issuer will cause the Revenues to be paid to the Trustee for deposit in the Bond Fund.

Section 616. Payments Of Principal And Interest.

The Trustee shall pay from Revenues received by the Trustee the principal of and premium, if any, and interest on, the Bonds as the same become due and payable. If, prior to the maturity of any Bond, the Company surrenders such Bond to the Trustee for cancellation, the Trustee shall cancel such Bond.

Section 617. Revenues To Be Held For All Bondholders; Certain Exceptions.

Revenues and investments thereof shall, until applied as provided in this Indenture, be held by the Trustee for the benefit of the owners of all Outstanding Bonds, except that any portion of the Revenues representing principal or redemption price of, and interest on, any Bonds previously called for redemption in accordance with Article III of this Indenture or previously matured shall be held for the benefit of the Owners of such Bonds only and shall not be deposited or invested pursuant to Article VII hereof, notwithstanding any provision of Article VII.

Section 618. Rebate Fund.

There is hereby created by the Issuer and ordered established with the Trustee a trust fund to be designated "City of Chicago, Illinois Rebate Fund -- The Peoples Gas Light and Coke Company Project -- 199\_\_ Series \_\_". The Trustee covenants and agrees to make deposits to and withdrawals from such Rebate Fund in order to comply with the Tax Agreement at the written direction of the Company. Funds on deposit in the Rebate Fund are not part of the Trust Estate.

*Article VII.*

*Investment Of Moneys.*

Section 701. Investment Of Bond Fund And Construction Fund Moneys.

Any moneys held as part of the Bond Fund and the Construction Fund shall at all times be invested or reinvested by the Trustee in accordance with the provisions of Section 3.7 of the Agreement. Any such investment shall be held by or under the control of the Trustee and shall be deemed at all times a part of the fund for which they were made. The interest accruing thereon, any profit realized from such investments and any loss resulting from such investments shall be credited or charged in accordance with

Section 3.7 of the Agreement. The Trustee shall reduce to cash a sufficient amount of such investments in the Bond Fund whenever the cash balance in the Bond Fund is insufficient to pay the principal of, premium, if any, or interest on the Bonds when due. The Trustee shall reduce to cash a sufficient amount of such investments in the Construction Fund whenever the cash balance in the Construction Fund is insufficient to pay amounts then due from the Construction Fund.

Section 702. Investments; Arbitrage.

The Trustee may make any and all investments permitted by the provisions of Section 701 through its own bond department. Notwithstanding any other provision of this Article VII or Section 3.7 of the Agreement, no direction or confirmation shall direct any investment the effect of which would be to make the Bonds "arbitrage bonds" under Section 148 of the Code. The Trustee may follow the advice or direction of Bond Counsel as to investments which may be made in compliance with the preceding sentence.

*Article VIII.*

*Defeasance.*

Section 801. Defeasance.

If the Issuer shall pay or cause to be paid, or there shall be otherwise paid or provision for payment made to or for the Owners of the Bonds the principal, premium, if any, and interest due or to become due thereon at the times and in the manner stipulated therein, and if the Issuer shall keep, perform and observe all and singular the covenants and promises in the Bonds and in this Indenture expressed as to be kept, performed and observed by it or on its part, and shall pay or cause to be paid to the Trustee all sums of money due or to become due according to the provisions hereof, then this Indenture and the lien, rights and interests created hereby shall cease, determine and become null and void (except as to any surviving rights of payment, registration, transfer or exchange of Bonds herein provided for and except that the rights and obligations of the Trustee under the Tax Agreement shall also continue), whereupon the Trustee shall cancel and discharge this Indenture, and execute and deliver to the Issuer such instruments in writing as shall be to discharge this Indenture, and release, assign and deliver unto the Issuer any and all the estate, right, title and interest in and to any and all rights assigned or pledged to the Trustee or otherwise subject to this Indenture, except amounts in the Bond Fund required to be paid to the Company under Section 613 hereof and except

moneys or securities held by the Trustee for the payment of the principal of and premium, if any, and interest on, and purchase prices of, the Bonds.

Any Bond or Authorized Denomination thereof shall be deemed to be paid within the meaning of this Indenture when (a) payment of the principal of and premium, if any, on such Bond or Authorized Denomination thereof, plus interest thereon to the due date thereof (whether such due date is by reason of maturity or upon redemption as provided herein) either (i) shall have been made or caused to be made in accordance with the terms thereof, (ii) shall have been provided for by depositing sufficient moneys for such payment with the Trustee and the due date of such principal, interest and premium, if any, has occurred, or (iii) in the case of a Bond which bears interest at a Flexible Rate or a Term Rate, shall have been provided for by irrevocably depositing with the Trustee in trust and irrevocably setting aside exclusively for such payment on such due date (which due date shall be in the case of a Bond bearing interest at a Flexible Rate no later than the Interest Payment Date for the then current Flexible Segment for such Bond and in the case of a Bond bearing interest at a Term Rate no later than the last Interest Payment Date for the then current Term Rate Period for such Bond) (1) moneys sufficient to make such payment and/or (2) non-callable Government Obligations maturing as to principal and interest in such amount and at such time as will insure the availability of sufficient moneys to make such payment, and (b) all necessary and proper fees, compensation and expenses of the Trustee pertaining to any such deposit shall have been paid or the payment thereof provided for to the satisfaction of the Trustee. At such times as a Bond or Authorized Denomination thereof shall be deemed to be paid hereunder, as aforesaid, such Bond or Authorized Denomination thereof shall no longer be secured by or entitled to the benefits of this Indenture (other than Sections 204 and 208 hereof in the case of a deposit under clause (a) (iii) above), except for the purposes of any such payment from such moneys or Government Obligations.

Notwithstanding the foregoing paragraph, in the case of a Bond or Authorized Denomination thereof which by its terms may be redeemed prior to the stated maturity thereof, no deposit under clause (a)(iii) of the immediately preceding paragraph shall be deemed a payment of such Bond or Authorized Denomination thereof as aforesaid until: (a) proper notice of redemption of such Bond or Authorized Denomination thereof shall have been previously given in accordance with Article III of this Indenture, or in the event said Bond or Authorized Denomination thereof is not to be redeemed within the next succeeding sixty (60) days, until the Company shall have given the Trustee on behalf of the Issuer, in form satisfactory to the Trustee, irrevocable instructions to notify, as soon as practicable, the Owner of such Bond or Authorized Denomination thereof in accordance with Article III hereof, that the deposit required by (a)(iii) above has been made with the Trustee and that said Bond or Authorized Denomination thereof is deemed to have been paid in accordance with this Article and stating the maturity or redemption date upon which moneys are to be available for the payment of the principal of and the applicable premium, if any, on said Bond

or Authorized Denomination thereof, plus interest thereon to the due date thereof, or (b) the maturity of such Bond or Authorized Denomination thereof.

Notwithstanding any provision of any other Article of this Indenture which may be contrary to the provisions of this Article, all moneys or Government Obligations set aside and held in trust pursuant to the provisions of this Article for payment of Bonds or Authorized Denominations thereof (including interest and premium thereon, if any) shall be applied to and used solely for the payment of the particular Bonds or Authorized Denominations thereof (including interest and premium thereon, if any) with respect to which such moneys and Government Obligations have been so set aside in trust.

Anything in Article XII hereof to the contrary notwithstanding, if moneys or Government Obligations have been deposited or set aside with the Trustee pursuant to this Article for the payment of Bonds or Authorized Denominations thereof and the interest and premium, if any, thereon and such Bonds or Authorized Denominations thereof and the interest and premium, if any, thereon shall not have in fact been actually paid in full, no amendment to the provisions of this Article shall be made without the consent of the Owner of each of the Bonds affected thereby.

#### Section 802. Partial Release Of First Mortgage Bonds.

The Company is entitled to obtain the release of a portion of the First Mortgage Bonds held by the Trustee by either (i) surrendering to the Trustee for cancellation a like principal amount of Outstanding Bonds having corresponding maturities and interest rates, or (ii) depositing with the Trustee in the account for such series in the Collateral Release Fund any combination of cash and Government Obligations, the principal amount of which and the interest thereon when due will be sufficient to pay when due the principal of, premium, if any, and interest on, a principal amount of Outstanding Bonds equal to the principal amount of, and with maturities and interest rates corresponding to those of the First Mortgage Bonds so released.

### *Article IX.*

#### *Default Provisions And Remedies of Trustee And Bondholders.*

#### Section 901. Defaults; Events Of Default.

If any of the following events occur, it is hereby defined as and declared to be and to constitute a "default" or an "event of default":

(a) Failure to make payment of any installment of interest on any Bond when the same has become due and payable and the continuation thereof for sixty (60) days;

(b) Failure to make payment of the principal of and premium, if any, on any Bond, whether at the stated maturity thereof, or upon proceedings for redemption thereof or upon the maturity thereof by declaration;

(c) Failure to pay any amount due pursuant to Article IV hereof when the same shall have become due and payable;

(d) The occurrence of an "event of default" under the Agreement;

(e) Default in the performance or observance of any covenants, agreements or conditions on the part of the Company in the First Mortgage Indenture and continuation thereof for any grace period provided for therein;

(f) Acceleration for any reason of the maturity of all of the First Mortgage Bonds; or

(g) Failure of the Issuer to perform or observe any of its covenants, agreements or conditions in this Indenture or in the Bonds contained and failure to remedy the same after notice thereof pursuant to Section 910 hereof.

#### Section 902. Acceleration.

Upon the occurrence of an event of default under Section 901 hereof, the Trustee may, and upon the written request of the holders of not less than a majority in aggregate principal amount of Bonds then outstanding shall, by notice in writing delivered to the Company with copies of such notice being sent to the Issuer, declare the principal of all Bonds then outstanding and the interest accrued thereon immediately due and payable, and such principal and interest shall thereupon become and be immediately due and payable. Upon any such declaration of acceleration hereunder, the Trustee shall immediately exercise such rights as it may have as owner of First Mortgage Bonds and under the Agreement, including the right to demand redemption of First Mortgage Bonds held by it.

Upon the occurrence of an event of default described in Section 901(f) hereof, the principal, together with interest accrued thereon, of all Bonds then outstanding shall become due and payable immediately at the place of payment provided therein without the necessity of any action by the Trustee or any Bondholder, anything in this Indenture or in the Bonds to the contrary notwithstanding; provided, however, that a waiver of default and acceleration of the maturity of all the First Mortgage Bonds, pursuant to the

terms thereof, shall also constitute a waiver of default described in Section 901(f) hereof and of its consequences; but no waiver shall extend to or after any subsequent default or impair any right consequent thereon.

### Section 903. Remedies; Rights Of Bondholders.

Upon the occurrence of an event of default, and so long as such event is continuing, the Trustee may pursue any available remedy at law or in equity by suit, action, mandamus or other proceeding to enforce the payment of the principal of, premium, if any, and interest on the Bonds or on the First Mortgage Bonds then outstanding.

If an event of default shall have occurred and be continuing and if requested to do so by the owners of not less than a majority in aggregate principal amount of Bonds then outstanding, and if indemnified as provided in subsection (i) of Section 1101 hereof, the Trustee shall be obliged to exercise such one or more of the rights and powers conferred by this Section 903 as the Trustee, being advised by counsel, shall deem most expedient in the interest of the Bondholders.

No remedy by the terms of this Indenture conferred upon or reserved to the Trustee (or to the Bondholders) is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Trustee or to the Bondholders hereunder or now or hereafter existing at law or in equity or by statute.

No delay or omission to exercise any right, power or remedy accruing upon any event of default shall impair any such right, power or remedy or shall be construed to be a waiver of any such event of default or acquiescence therein; and every such right, power or remedy may be exercised from time to time and as often as may be deemed expedient.

No waiver of any default or event of default hereunder, whether by the Trustee pursuant to Section 909 hereof or by the Bondholders, shall extend to or shall affect any subsequent event of default or shall impair any rights or remedies consequent thereon.

The Trustee, as the assignee of all the right, title and interest of the Issuer in and to the Agreement and the First Mortgage Bonds, shall enforce each and every right granted to the Issuer under the Agreement and the First Mortgage Bonds. In exercising such rights and the rights given the Trustee under this Article IX, the Trustee shall take such action as, in the judgment of the Trustee applying the standards described in Section 1101 hereof, would best serve the interest of the Bondholders, taking into account the provisions, security and remedies afforded to owners of the First Mortgage Bonds.

#### Section 904. Right Of Bondholders To Direct Proceedings.

Anything in this Indenture to the contrary notwithstanding, the Owners of not less than a majority in aggregate principal amount of Bonds then outstanding shall have the right, at any time, by an instrument or instruments in writing executed and delivered to the Trustee, to direct the time, method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of this Indenture, or for the appointment of a receiver or any other proceedings hereunder; provided, that such direction shall not be otherwise than in accordance with the provisions of law and of this Indenture.

#### Section 905. Application Of Moneys.

All moneys received by the Trustee pursuant to any right given or action taken under the provisions of this Article IX or pursuant to Section 608 hereof shall, after payment of the costs and expenses of the proceedings resulting in the collection of such moneys and of the expenses, liabilities and advances incurred or made by the Trustee and its Counsel, be deposited in the Bond Fund and all such moneys in the Bond Fund shall be applied as follows:

(a) Unless the principal of all the Bonds shall have become or shall have been declared due and payable, all such moneys shall be applied:

First -- To the payment to the persons entitled thereto of all interest then due on the Bonds (other than interest due on Bonds for the payment of which moneys are held pursuant to the provisions of this Indenture), and, if the amount available shall not be sufficient to pay said amount in full, then to the payment ratably, according to the amounts due, to the persons entitled thereto, without any discrimination or privilege;

Second -- To the payment to the persons entitled thereto of the unpaid principal of and premium, if any, on any of the Bonds which shall have become due (other than Bonds matured or called for redemption for the payment of which moneys are held pursuant to the provisions of this Indenture), and, if the amount available shall not be sufficient to pay in full such unpaid principal and premium, then to the payment ratably to the persons entitled thereto without any discrimination or privilege; and

Third -- To the payment to the persons entitled thereto of interest on overdue principal of and premium, if any, on any Bonds without preference or priority as between principal or premium or interest one over the others, or any installment of interest over any other installment of interest, or of any Bond over any other Bond, and if the

amount available shall not be sufficient to pay such amounts in full, then ratably, without any discrimination or privilege.

(b) If the principal of all the Bonds shall have become due or shall have been declared due and payable, all such moneys shall be applied to the payment of the principal and premium, if any, and interest then due and unpaid upon the Bonds (other than Bonds matured or called for redemption or interest due on Bonds for the payment of which moneys are held pursuant to the provisions of this Indenture), without preference or priority of principal, premium or interest one over the others, or of any installment of interest over any other installment of interest, or of any Bond over any other Bond, ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or privilege.

(c) If the principal of all the Bonds shall have been declared due and payable, and if such declaration shall thereafter have been rescinded and annulled under the provisions of this Article then, subject to the provisions of Section 905(b) hereof in the event that the principal of all the Bonds shall later become due or be declared due and payable, the moneys shall be applied in accordance with the provisions of Section 905(a) hereof.

Whenever moneys are to be applied pursuant to the provisions of this Section, such moneys shall be applied at such times, and from time to time, as the Trustee shall determine. Whenever the Trustee shall apply such moneys, it shall fix the date upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such date shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the deposit with it of any such moneys and of the fixing of any such date.

Whenever all principal of and premium, if any, and interest on all Bonds have been paid under the provisions of this Section 905 and all expenses and charges of the Trustee have been paid, any balance remaining in the Bond Fund shall be paid to the Company as provided in Section 613 hereof.

#### Section 906. Remedies Vested In Trustee.

All rights of action (including the right to file proofs of claims) under this Indenture or under any of the Bonds may be enforced by the Trustee without the possession of any of the Bonds or the production thereof in any trial or other proceedings relating thereto and any such suit or proceeding instituted by the Trustee shall be brought in its name as Trustee without the necessity of joining as plaintiffs or defendants any holders of the Bonds, and any recovery of judgment shall be for the equal and ratable benefit of the Owners of the Outstanding Bonds.

#### Section 907. Rights And Remedies Of Bondholders.

No Owner of any Bond shall have any right to institute any suit, action or proceeding in equity or at law for the enforcement of this Indenture or for the execution of any trust thereof or for the appointment of a receiver or any other remedy hereunder, unless (i) a default has occurred of which the Trustee has been notified as provided in subsection (g) of Section 1101 hereof, or of which by said subsection it is deemed to have notice, (ii) such default shall have become an event of default and be continuing, (iii) the Owners of not less than a majority in aggregate principal amount of Bonds then outstanding shall have made written request to the Trustee, shall have offered the Trustee reasonable opportunity either to proceed to exercise the powers herein granted or to institute such action, suit or proceeding in its own name, and shall have offered to the Trustee indemnity as provided in Section 1101, and (iv) the Trustee shall thereafter fail or refuse to exercise the powers herein granted, or to institute such action, suit or proceeding in its own name. Such notification, request and offer of indemnity are hereby declared in every case at the option of the Trustee to be conditions precedent to the execution of the powers and trusts of this Indenture, and to any action or cause of action for the enforcement of this Indenture, or for the appointment of a receiver or for any other remedy hereunder. No one or more Owners of the Bonds shall have any right in any manner whatsoever to enforce any right hereunder except in the manner herein provided, and all proceedings at law or in equity shall be instituted, had and maintained in the manner herein provided and for the equal and ratable benefit of the Owners of all Bonds then outstanding. Nothing in this Indenture contained shall, however, affect or impair the right of any Bondholder to enforce the payment of the principal of, premium, if any, and interest on any Bond at and after the maturity thereof.

#### Section 908. Termination Of Proceedings.

In case the Trustee shall have proceeded to enforce any right under this Indenture by the appointment of a receiver or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case the Issuer, the Trustee and the Bondholders shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies and powers of the Trustee shall continue as if no such proceedings had been taken and no such termination shall impair any proceeding or right consequent to any other or subsequent default.

#### Section 909. Waivers Of Events Of Default.

Subject to the next paragraph, the Trustee may in its discretion waive any event of default hereunder and rescind its consequences and shall do so upon the written request of the Owners of not less than a majority in aggregate

principal amount of all Bonds then outstanding; provided, however, that there shall not be waived any event of default in the payment of the principal of, or premium on, any Outstanding Bonds when due (whether at maturity or by redemption), or any event of default in the payment when due of the interest on any such Bonds, unless prior to such waiver and rescission, all arrears of principal of and interest upon such Bonds, and interest on overdue principal at the rate borne by the Bonds on the date on which such principal became due and payable, and all arrears of premium, if any, when due, together with the reasonable expenses of the Trustee and of the Owners of such Bonds, including reasonable attorneys' fees paid or incurred, shall have been paid or provided for; provided further, that there shall not be waived an event of default described under Section 901(f) hereof unless there shall have also been waived the default resulting in the acceleration of the First Mortgage Bonds; provided further, that there shall not be waived any event of default in the payment when due of any purchase prices of any Bonds pursuant to Article IV hereof unless prior to such waiver and rescission all arrears of such purchase prices, together with reasonable expenses of the Trustee and of the Owners of such Bonds, including reasonable attorneys' fees paid or incurred, shall have been paid or provision therefor made. In the case of any such waiver and rescission, or in case any proceeding taken by the Trustee on account of any such default shall have been discontinued or abandoned or determined adversely, then and in every such case the Issuer, the Trustee and the Bondholders shall be restored to their former positions and rights hereunder, respectively, but no such waiver and rescission shall extend to any subsequent or other default, or impair any right consequent thereon. All waivers under this Indenture shall be writing and a copy there shall be delivered to the Issuer, the Company and the Remarketing Agent.

The provisions of Sections 901 and 902 hereof are subject to the conditions that if, after the principal of all Bonds then outstanding shall have been declared to be due and payable, all arrears of principal of and interest upon such Bonds, and the premium, if any, on all Bonds then outstanding which shall have become due and payable otherwise than by acceleration, and all other sums payable under this Indenture, except the principal of, and interest on, the Bonds which by such declaration shall have become due and payable, shall have been paid by or on behalf of the Issuer, together with the reasonable expenses of the Trustee and of the Owners of such Bonds, including reasonable attorneys' fees paid or incurred, and if no other defaults shall have occurred and be continuing, then and in every such case, the Trustee shall annul such declaration of maturity and its consequences, which waiver and annulment shall be binding upon all Bondholders; but no such waiver, rescission and annulment shall extend to or affect any subsequent default or impair any right or remedy consequent thereon. In the case of any such annulment, the Company, the Issuer, the Trustee and the Bondholders shall be restored to their former positions and rights under this Indenture. All waivers and annulments under this indenture shall be in writing and a copy thereof shall be delivered to the Issuer, the Company and the Remarketing Agent.

Section 910. Notice Of Event Of Default Under Section 901(g) Hereof; Opportunity Of Company To Cure Defaults.

Anything herein to the contrary notwithstanding, no default under Section 901(g) hereof shall constitute an event of default until actual notice of such default, requiring that it be remedied and stating that such notice is a "Notice of Default" hereunder, by registered or certified mail shall be given to the Issuer and the Company by the Trustee or to the Issuer and the Company and the Trustee by the Owners of more than a majority in aggregate principal amount of all Bonds Outstanding, and the Company or the Issuer shall have had sixty days after receipt of such notice to correct said default or cause said default to be corrected, and shall not have corrected said default or caused said default to be corrected within the applicable period; provided, however, if said default be such that it cannot be corrected within the applicable period, it shall not constitute an event of default if corrective action is instituted within the applicable period and diligently pursued until the default is corrected and the fact of such non-correction, corrective action and diligent pursuit is evidenced to the Trustee by a certificate of an Authorized Company Representative.

Whenever, so long as the Company is not in default under the Agreement, after a reasonable request by the Company, the Issuer shall fail, refuse or neglect to give any direction to the Trustee or to require the Trustee to take any other action which the Issuer is required to have the Trustee take pursuant to the provisions of the Agreement or this Indenture, the Company instead of the Issuer may give any such direction to the Trustee or require the Trustee to take any such action. Upon receipt by the Trustee of a written notice signed by the Authorized Company Representative stating that the Company has made reasonable request of the Issuer, and that the Issuer has failed, refused or neglected to give any direction to the Trustee or to require the Trustee to take any such action, the Trustee is hereby irrevocably empowered and directed to accept such direction from the Company as sufficient for all purposes of this Indenture. The Company shall have the direct right to cause the Trustee to comply with any of the Trustee's obligations under this Indenture to the same extent that the Issuer is empowered so to do.

Certain actions or failures to act by the Issuer under this Indenture may create or result in an event of default under this Indenture and the Issuer hereby grants the Company full authority, to the extent permitted by law, for account of the Issuer to perform or observe any covenant or obligation of the Issuer alleged in a written notice to the Issuer and the Company from the Trustee not to have been performed or observed, in the name and stead of the Issuer with full power to do any and all things and acts to remedy any default.

*Article X.*

*Voting Of First Mortgage Bonds.*

Section 1001. Voting Of First Mortgage Bonds Held By The Trustee.

The Trustee, as a holder of the First Mortgage Bonds, may attend any meeting of Bondholders under the First Mortgage Indenture as to which it receives due notice. Except as otherwise herein provided, the Trustee, either at such meeting or otherwise, where the consent of holders of the First Mortgage Bonds is sought, may vote the First Mortgage Bonds held by it hereunder or otherwise consent thereto in such manner as it shall in its judgment deem to be in the interest of the Owners of the Bonds. In making this judgment, the Trustee may seek consent of the Owners of the Bonds and the Trustee may also rely on the advice of qualified financial advisers and consultants in making said judgment and shall be indemnified by the Company for the reimbursement of all expenses to which it may be put and to protect it against all or any action or inaction. In the event that the Trustee shall seek or be required to seek the consent of the Owners of the Bonds prior to voting the First Mortgage Bonds, the Trustee shall vote the aggregate principal amount of such First Mortgage Bonds, if not precluded from doing so under the First Mortgage Indenture, in proportion to the aggregate principal amount of the Bonds represented by the votes of owners thereof on each side of the question under consideration.

*Article XI.*

*The Trustee.*

Section 1101. Acceptance Of The Trusts.

The Trustee hereby accepts the trusts imposed upon it by this Indenture, and agrees to perform said trusts, but only upon and subject to the following express terms and conditions, and no implied covenants or obligations shall be read into this Indenture against the Trustee:

(a) The Trustee may execute any of the trusts or powers hereof and perform any of its duties by or through attorneys, agents, receivers or employees and shall not be responsible for the acts of any attorneys, agents or receivers appointed by it in good faith and without negligence, and shall be entitled to advice of Counsel concerning all matters of trusts hereof and the duties hereunder and under the Tax Agreement, and may in all cases pay such reasonable compensation to all such attorneys, agents, receivers and employees as may reasonably be employed in

connection with the trusts hereof. The Trustee may act upon the opinion or advice of Counsel. The Trustee shall not be responsible for any loss or damage resulting from any action or non-action in good faith in reliance upon such opinion or advice.

(b) Except for its certificate of authentication on the Bonds and the other information the Trustee is required to set forth on the Bonds pursuant to Section 206 hereof, the Trustee shall not be responsible for any recital herein, or in the Bonds, or for the recording or re-recording, filing or re-filing of this Indenture, or for the validity of the execution by the Issuer of this Indenture or any instruments of further assurance, or for the sufficiency of the security for the Bonds issued hereunder or intended to be secured hereby. The Trustee shall not be responsible or liable for any loss suffered in connection with any investment of funds made by it in accordance with Article VII hereof.

(c) The Trustee shall not be accountable for the use of any Bonds authenticated or delivered hereunder. The Trustee may become the Owner of Bonds with the same rights which it would have if it were not Trustee.

(d) The Trustee shall be protected in acting upon any notice, request, resolution, consent, certificate, affidavit, letter, telegram or other paper or document believed to be genuine and correct and to have been signed or sent by the proper person or persons. Any action taken by the Trustee pursuant to this Indenture upon the request or authority or consent of any person who at the time of making such request or giving such authority or consent is the Owner of any Bond shall be conclusive and binding upon all future owners of the same Bond and upon Bonds issued in exchange therefor or upon transfer or in place thereof.

(e) As to the existence or non-existence of any fact or as to the sufficiency of validity of any instrument, paper or proceeding, the Trustee shall be entitled to rely upon a certificate signed on behalf of the Issuer by an Authorized Issuer Representative as sufficient evidence of the facts therein contained, and prior to the occurrence of a default of which the Trustee has been notified as provided in Subsection (g) of this Section 1101, or which by said subsection it is deemed to have notice, shall also be at liberty to accept a similar certificate to the effect that any particular dealing transaction or action is necessary or expedient, but may at its discretion secure such further evidence deemed necessary or advisable, but shall in no case be bound to secure the same. The Trustee may accept a certificate signed on behalf of the Issuer by the Authorized Issuer Representative to the effect that a resolution or ordinance in the form therein set forth has been adopted by the Issuer as conclusive evidence that such resolution or ordinance has been duly adopted, and is in full force and effect.

(f) The permissive right of the Trustee to do things enumerated in this

Indenture shall not be construed as a duty and the Trustee shall not be answerable for other than its negligence or willful default.

(g) The Trustee shall not be required to take notice or be deemed to have notice of any default hereunder, except failure by the Issuer to cause to be made any of the payments to the Trustee required to be made by Article IV and defaults under Section 901(a), (b) or (c) hereof, unless an officer in the Corporate Trust Services Division of the Trustee or the department designated by any successor Trustee shall receive notice in writing of such default by the Issuer or by the owners of at least 25% in aggregate principal amount of all Bonds then outstanding or the Remarketing Agent.

(h) The Trustee shall not be required to give any bonds or surety in respect of the execution of its trusts and powers hereunder.

(i) Before taking any action under Article IX hereof or this Section 1101 or Section 1104 at the request or direction of the Bondholders, the Trustee may require that a satisfactory indemnity bond be furnished by the Bondholders for the reimbursement of all expenses to which it may be put and to protect it against all liability, except liability which is adjudicated to have resulted from its negligence or willful default in connection with any action so taken.

(j) All moneys received by the Trustee shall, until used or applied or invested as herein provided, be held in trust for the purposes for which they were received but need not be segregated from other funds except to the extent required by law. The Trustee shall not be under any liability for interest on any moneys received hereunder except such as may be agreed upon.

(k) The Trustee, prior to the occurrence of an event of default specified in Section 901 of this Indenture and after the curing or waiving of all events of default which may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in this Indenture and, in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; but in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Indenture. In case an event of default has occurred (which has not been cured or waived) the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

(l) No provision of this Indenture shall be construed to relieve the

Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) This subsection shall not be construed to limit the effect of subsection (k) of this Section;

(ii) The Trustee shall not be liable for any error of judgment made in good faith by an officer of the Trustee, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts;

(iii) The Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Owners of a majority in aggregate principal amount of the Bonds outstanding relating to the time, method and place of conducting any proceeding or any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture; and

(iv) No provision of this Indenture or the Arbitrage Regulation Agreement shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

#### Section 1102. Fees, Charges And Expenses Of Trustee.

The Trustee shall be entitled to payment and/or reimbursement from the Company for reasonable fees for its Ordinary Services rendered hereunder and all advances and other Ordinary Expenses reasonably and necessarily made or incurred by the Trustee in connection with such Ordinary Services and, in the event that it should become necessary that the Trustee perform Extraordinary Services, it shall be entitled to reasonable extra compensation therefor, from the Company, and to reimbursement from the Company for reasonable and necessary Extraordinary Expenses in connection therewith; provided, that if such Extraordinary Services or Extraordinary Expenses are occasioned by the negligence or misconduct of the Trustee, it shall not be entitled to compensation or reimbursement therefor. Section 1104. Intervention By Trustee.

In any judicial proceeding to which the Issuer is a party and which in the opinion of the Trustee and its counsel has a substantial bearing on the interests of Owners of the Bonds, the Trustee may intervene on behalf of Bondholders and, subject to the provisions of Section 1101(i), shall do so if requested in writing by the owners of a majority in aggregate principal amount of all Bonds then outstanding.

Section 1105. Successor Trustee.

If no successor Trustee shall have been so appointed and have accepted appointment within sixty days of the giving of written notice by the resigning Trustee as aforesaid, the

resigning Trustee or the holder of any Bond may petition any court of competent jurisdiction of the appointment for a successor Trustee.

Section 1107. Removal Of The Trustee.

In case the Trustee hereunder shall:

- (a) resign pursuant to Section 1106 hereof;
- (b) be removed pursuant to Section 1107 hereof; or

(c) be dissolved, taken under the control of any public officer or officers or of a receiver appointed by a court, or otherwise become incapable of acting hereunder,

Such court may thereupon, after such notice, if any, as it may deem proper and prescribe, appoint a successor Trustee.

Section 1109. Concerning Any Successor Trustees.

Every successor Trustee appointed hereunder shall execute, acknowledge and deliver to its predecessor and also to the Issuer and the Company an instrument in writing accepting such appointment hereunder, and thereupon such successor shall become fully vested with all the trusts, powers, rights, obligations, duties, remedies, immunities and privileges of its predecessor; but, nevertheless, (1) such predecessor shall, on the written request of the Issuer, execute and deliver an instrument transferring to such successor Trustee all the trusts, powers, rights, obligations, duties, remedies, immunities and privileges of such predecessor hereunder and (2) every predecessor Trustee shall deliver all securities and moneys held by it as Trustee hereunder to its successor. It is the purpose of this Indenture that there shall be no violation of any law of any jurisdiction (including particularly the law of Illinois) denying or restricting the right of banking corporations or associations to transact business as Trustee in such jurisdiction. It is recognized that in case of litigation under this Indenture or the Agreement, and in particular in case of the enforcement of either on default, or in case the Trustee deems that by reason of any present or future law of any jurisdiction it may not exercise any of the powers, rights or remedies herein granted to the Trustee or hold title to the properties, in trust, as herein granted, or take any other action which may be desirable or necessary in connection therewith, it may be necessary that the Trustee appoint an additional individual or institution as a separate trustee or co-trustee. The following provisions of this Section 1114 are adapted to these ends.

In the event that the Trustee appoints an additional individual or institution as a separate trustee or co-trustee, each and every remedy, power, right, claim, demand, cause of action, immunity, estate, title, interest and lien expressed or intended by this Indenture to be exercised by or vested in or conveyed to the Trustee with respect thereto shall be exercisable by and vested in such separate trustee or co-trustee but only to the extent necessary to enable such separate trustee or co-trustee to exercise such powers, rights and remedies, and every covenant and obligation necessary to the exercise thereof by such separate trustee or co-trustee shall run to and be enforceable by either of them.

Should any instrument in writing from the Issuer be required by the separate trustee or co-trustee so appointed by the Trustee for more fully and certainly vesting in and confirming to him or it such properties, rights, powers, trusts, duties and obligations, any and all such instruments in writing shall, on request, be executed, acknowledged and delivered by the Issuer. In case any separate trustee or co-trustee, or a successor to either, shall die, become incapable of acting, resign or be removed, all the estates, properties, rights, powers, trusts, duties and obligations of such separate trustee or co-trustee, so far as permitted by law, shall vest in and be exercised by the Trustee until the appointment of a new trustee or successor to such separate trustee or co-trustee.

description of said property in the Mortgage is adequate to constitute a lien of mortgage thereon; that the Mortgage, subject only to exceptions and reservations specifically set forth therein and to permissible encumbrances, as aforesaid, constitutes a valid, direct first mortgage lien on said property, which includes substantially all of the fixed property of the Company, and on the franchises and permits of the Company pertaining to the operation of its property acquired by the Company after the execution and delivery of the First Mortgage Supplemental Indenture will, upon such acquisition, become subject to the lien of the Mortgage to the extent provided therein, subject, however, to permissible encumbrances, to liens, if any, existing or placed thereon at the time of the acquisition thereof by the Company and to any rights or equities of others attaching under applicable local law in the absence of notice of the lien of the Mortgage by recordation or otherwise;

(K) the Company holds all franchises, certificates of public convenience, licenses and permits necessary to carry on the utility business in which it is engaged;

(viii) A letter, dated the Closing Date, of Arthur Andersen & Co. which meets the requirements for clause (i) of this subsection, except that the procedures and inquiries covered by such letter shall be to a date not more than five days prior to the Closing Date.

(ix) A certificate, dated the Closing Date, of the President, an Executive Vice President or a Vice President and a financial or accounting officer of the Company in which such officers, to the best of their knowledge after reasonable investigation, shall state that the representations and warranties of the Company in this Contract of Purchase are true and correct (except for immaterial details) as of the Closing Date, and that, subsequent to the date of the latest financial

statements of the Company incorporated by reference in the Official Statement, there has been no material adverse change in the business, properties, financial position or results of operations of the Company except as set forth in or contemplated by the Official Statement or as described in such certificate.

(x) Such opinion or opinions, dated the Closing Date, of Chapman and Cutler, with respect to the Indenture, the Agreement, the Mortgage, the First Mortgage Bonds, this Contract of Purchase, the First Mortgage Supplemental Indenture, the Official Statement and other related matters as the Purchasers may require; and such documents as Chapman and Cutler may reasonably request for the purpose of enabling them to pass upon such matters.

On or prior to the Closing Date, the Company will furnish the Purchasers with such conformed copies of such opinions, certificates, letters and documents as the Purchasers reasonably request.

#### Section 9. Indemnification.

(a) The Company agrees to indemnify and hold harmless the Issuer, each Purchaser, any member, director, officer, official or employee of the Issuer or the Purchaser, and each person, if any, who controls any Purchaser within the meaning of the Securities Act (collectively the "Indemnified Parties"), against any and all losses, claims, damages, liabilities or expenses whatsoever insofar as such losses, claims, damages, liabilities or expenses are caused by any untrue statement or misleading statement or allegedly misleading or untrue statement of a material fact contained in the Official Statement except, with respect to the Issuer, information contained under the captions and subcaptions "The Issuer" and except, with respect to each Purchaser, under the captions "Underwriting" and "Tax Exemptions", or are caused by any omission or alleged omission from the Official Statement (other than in the material contained under the captioned sections above referenced) of any material fact necessary in order to make the statements made therein, in light of the circumstances under which they were made, not misleading; provided that, the indemnification contained in this paragraph shall not inure to the benefit of any Purchaser (or any person who controls the Purchaser) if such statement or omission was contained or made in any Preliminary Official Statement and corrected in the Official Statement and (1) any such loss, claim, damage or liability suffered or incurred by the Purchaser (or any person who controls the Purchaser) resulted from an action, claim or suit by any person who purchased the Bonds which are the subject thereof from the Purchaser in the offering and (2) the Purchaser failed to deliver or provide a copy of the Official Statement to such person at or prior to the settlement of the sale of such Bonds in any case where such delivery is required.

(b) In case any action shall be brought against one or more of the Indemnified Parties based upon the Official Statement and in respect of which indemnity may be sought against the Company, the Indemnified Parties shall promptly notify the Company in writing, and the Company shall promptly assume the defense thereof, including the employment of counsel, the payment of all expenses and the right to negotiate and consent to settlement. Any one or more of the Indemnified Parties shall have the right to employ separate counsel in any such action and to participate in the defense thereof, but the fees and expenses of such counsel shall be at the expense of such Indemnified Party or Indemnified Parties unless (i) the Indemnified Party shall have reasonably concluded that there may be legal defenses available to it and/or other Indemnified Parties which are different from or additional to those available to the Company, or the Indemnified Party and the Company may have conflicting interests which would make it inappropriate for the same counsel to represent them (it being understood, however, that the Company shall not be liable for the expenses of more than one separate counsel, approved by the Purchaser representing all Indemnified Parties not having different or additional defenses or potential conflicting interests among themselves who are parties to such action), (ii) the Company shall not have employed counsel satisfactory to the Indemnified Party to represent the Indemnified Party within a reasonable time after notice of commencement of the action or (iii) the Company has authorized the employment of counsel for the Indemnified Party at the expense of the Indemnifying Party. The Company shall not be liable for any settlement of any such action effected without the written consent of the Company by any of the Indemnified Parties, but if settled with the consent of the Company or if there be a final judgment for the plaintiff in any such action against the Company or any of the Indemnified Parties, with or without the consent of the Company, the Company agrees to indemnify and hold harmless the Indemnified Parties to the extent provided herein. Any losses, claims, damages, liabilities or expenses for which an Indemnified Party is entitled to indemnification or contribution as herein provided shall be paid by the Company to the Indemnified Party as such losses, claims, damages, liabilities or expenses are incurred.

(c) If the indemnification provided for in paragraph (a) above is unavailable to any of the Indemnified Parties in respect of any losses, claims, damages, liabilities or expenses referred to therein, then the Company shall, in lieu of indemnifying such Indemnified Parties, contribute to the amount paid or payable by such Indemnified Parties as a result of such losses, claims, damages, liabilities or expenses in such proportion as is appropriate to reflect the relative benefits received by the Company and such Indemnified Parties, respectively, from the offering of the Bonds. The relative benefits received by the Company, the Issuer and the Purchaser, respectively, shall be deemed to be in the same proportion as the total proceeds from the offering of the Bonds (before deducting expenses) received by the Company bear to the total compensation or profit (before deducting expenses) received or realized by the Issuer for its participation in the offering or by the Purchaser from the purchase and resale, or underwriting,

of the Bonds, respectively. If, however, the allocation hereinabove provided is not permitted by applicable law, then the Company shall contribute to such amount paid or payable by such Indemnified Parties in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the Company and such Indemnified Parties, respectively, in connection with the statements or omissions or alleged statements or omissions which resulted in such claims, damages, liabilities or expenses, as well as any other relevant equitable considerations. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company or the Indemnified Party and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The Company and the Purchasers acknowledge that the Issuer did not participate in the preparation of the Official Statement except for the information under the heading "The Issuer" and that the Issuer has no knowledge, access to information or opportunity to correct or prevent statements or omissions except for the information under the heading "The Issuer". The Company, the Purchasers and the Issuer, respectively, agree that it would not be just and equitable if contribution pursuant to this paragraph (c) were determined by pro rata allocation or by any other method of allocation which does not take into account the equitable considerations referred to above in this paragraph (c). The amount paid or payable by any Indemnified Parties as a result of the losses, claims, damages or liabilities referred to above in this paragraph (c) shall be deemed to include any legal or other expenses reasonably incurred by such Indemnified Parties in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this paragraph (c), the Purchasers shall not be required to contribute any amount in excess of the amount by which the total price at which the Bonds underwritten by it and distributed to the public were offered to the public exceeds the amount of any damages which the Purchasers have otherwise been required to pay by reason of such untrue or allegedly untrue statement or omission or alleged omission. The provisions of this paragraph (c) shall not be construed so as to expand the nature or scope of the indemnification obligations or liabilities of the Company set forth in paragraphs (a) and (b) hereinabove.

(d) This Contract of Purchase is entered into by the Company and the Issuer on the understanding that the Purchasers will indemnify and hold harmless (with respect to the portions of the Official Statement set forth hereafter), and the Purchasers do hereby agree to indemnify and hold harmless the Company and the Issuer and each person, if any, who controls the Company and the Issuer (within the meaning of the Securities Act), against any losses, claims, damages, liabilities or expenses, joint or several, to which the Company or the Issuer may become subject insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or misleading statement or allegedly untrue or misleading statement of a material fact contained in the Official Statement or caused by any omission or alleged omission from the

Official Statement of any material fact necessary in order to make the statements made therein, in light of the circumstances under which they were made, not misleading, but only to the extent such losses, claims, damages, liabilities or expenses are caused by any such untrue or misleading statement or omission or allegedly untrue or misleading statement or omission that was made in the Official Statement in reliance upon and in conformity with the written information furnished by the Purchasers specifically for use in the preparation thereof. The Company and the Issuer acknowledge that the only information contained in the Official Statement provided by the Purchasers is the information contained under the caption "Underwriting."

(e) In case any action shall be brought against the Company or the Issuer based upon the Official Statement and in respect of which indemnity may be sought under subparagraph (d) above, the Company or the Issuer, as applicable, shall promptly notify the Purchasers in writing and the Purchasers shall promptly assume the defense thereof, including the employment of counsel, the payment of all expenses and the right to negotiate and consent to settlement. The Company or the Issuer, as applicable, shall have the right to employ separate counsel in any such action and to participate in the defense thereof, but the fees and expenses of such counsel shall be at the expense of the Company or the Issuer, as applicable, unless (i) the Company or the Issuer, as applicable, shall have reasonably concluded that there may be legal defenses available to it which are different from or additional to those available to the Purchasers, or the Company or the Issuer, as applicable, and the Purchasers may have conflicting interests which would make it inappropriate for the same counsel to represent them (it being understood, however, that the Purchasers shall not be liable for the expenses of more than one separate counsel, approved by the Company or the Issuer, as applicable), (ii) the Purchasers shall not have employed counsel satisfactory to the Company or the Issuer, as applicable, to represent the Company or the Issuer, as applicable, within a reasonable time after notice of commencement of the action or (iii) the Purchasers have authorized the employment of counsel for the Company or the Issuer, as applicable, at the expense of the Purchasers. The Purchasers shall not be liable for any settlement of any such action effected without the written consent of the Purchasers by the Company or the Issuer, as applicable, but if settled with the written consent of the Purchasers, or if there be a final judgment for the plaintiff in any such action against the Company or the Issuer, as applicable, or the Purchasers or any of the controlling persons of same with or without the consent of the Purchasers, the Purchasers agree to indemnify and hold harmless the Company or the Issuer, as applicable, to the extent provided herein. Any losses, claims, damages, liabilities or expenses for which the Company or the Issuer, as applicable, is entitled to indemnification or contribution as herein provided shall be paid by the Purchasers to the Indemnified Party as such losses, claims, damages, liabilities or expenses are incurred.

#### Section 10. Default Of Purchasers.

If any Purchaser or Purchasers default in their obligations to purchase Bonds hereunder, the other Purchasers shall be obligated, severally in the proportion which their respective commitments hereunder bear to the total commitment of the non-defaulting Purchasers, to purchase all the Bonds which such defaulting Purchaser or Purchasers agreed but failed to purchase; provided, however, that the obligation of KM Independence Group, a division of Robert W. Baird & Co., Incorporated, to purchase Bonds pursuant to this Agreement shall under all circumstances be limited to the amount set forth opposite its name on Schedule I hereto. In such event, the Company shall postpone the Closing Date (or the postponed Closing Date, if one shall have been fixed as provided in Section 2) to 10:00 A.M., Chicago time, on any business day within the next seven full business days after the day originally specified for the Closing Date (or the postponed Closing Date, if one shall have been fixed as above provided) as requested by the Purchasers. Nothing herein will relieve a defaulting Purchaser from liability for its default.

#### Section 11. Survival Of Certain Representations And Obligations.

The respective indemnities, agreements, representations and warranties and other statements of the Issuer, the Company, or their respective officials or officers and of or on behalf of the several Purchasers set forth in or made pursuant to this Contract of Purchase will remain in full force and effect, regardless of any investigation, or statement as to the results thereof, made by or on behalf of any Purchaser, the Issuer or any of its officials or employees, or the Company or any of its officers, directors or controlling persons, if any, and will survive delivery of and payment for the Bonds. If for any reason the purchase of the Bonds by the Purchasers is not consummated, the Company will pay its own costs and expenses and all costs and expenses of the kind which would have been paid out of the proceeds of the sale of the Bonds pursuant to Section 6(e) hereof if the Bonds had been sold to the Purchasers (provided, however, that any such payment shall be without prejudice to the Company's rights against any defaulting Purchaser), and the respective obligations of the Company and the Purchasers under Section 9 hereof shall remain in effect.

#### Section 12. Notices.

The Company shall be entitled to act and rely upon any statement, request, notice or agreement on behalf of each of the Purchasers if the same shall have been made or given by the Purchasers jointly or by Goldman, Sachs & Co.. All communications hereunder will be in writing, and will be hand delivered or telexed and, if telexed, confirmed by hand delivery or mail, if sent to the Purchasers, addressed to the Purchasers, c/o \_\_\_\_\_, Attention: \_\_\_\_\_, if sent to the

Issuer, addressed to it at its address set forth above, Attention: Comptroller, or if sent to the Company, addressed to it at its address set forth above, Attention: Secretary and Treasurer. In each case a copy of any communication sent by one party hereto to another shall be sent to the others at the addresses indicated in the preceding sentence.

Section 13. Representation Of Purchasers.

Any action under this Contract of Purchase taken by the Purchasers jointly or by Goldman, Sachs & Co. will be binding upon all the Purchasers.

Section 14. Counterparts.

This Contract of Purchase may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

Section 15. Successors.

This Contract of Purchase is made solely for the benefit of the Issuer, the Company, the Purchasers and, to the extent provided in Section 9 hereof, to any person who controls any Purchaser, to the officials and employees of the Issuer, to the officers and directors of the Company and to any person who controls the Company, and their respective successors. No other person, partnership, association, corporation or governmental body shall acquire or have any right under or by virtue hereof. The term "successors" shall not include any purchaser of Bonds from or through a Purchaser merely because of such purchase.

Section 7. A new Section 13.10 shall be added to the Original Agreement as of the Amendment No. 1 Effective Date.

"Section 13.10 Equal Opportunity/Affirmative Action.

Equal Opportunity. During the term of the Agreement, Grantee shall continue to expand employment, business and economic opportunities on an equal-opportunity basis. Grantee in relation to its services provided by its fiber optic telecommunications system and the construction of its fiber optic communications system within the City will endeavor to comply with the goals in the City's Minority- and Women-Owned Business Enterprise Programs, Municipal Code of Chicago, Section 2-92-420, et seq.. Grantee's initiatives in this area shall include the items set forth below:

Nondiscrimination. Grantee shall not discriminate against any employee or applicant for employment, customer or applying customer, or any contractor or potential contractor, because of race, creed, color, religion, age, sex, national origin, handicap or disability, ancestry, marital status, parental status, sexual orientation or military discharge. Grantee shall comply with all federal, state and City laws, ordinances and orders that prohibit discrimination, including, but not limited to, the aforementioned forms of discrimination.

Affirmative Action. Grantee shall endeavor to expand opportunities for minorities and women in all areas of employment, including, but not limited to, hiring, promotion, recruitment or recruitment advertising, compensation and selection for training and apprenticeship. The primary objectives of the Grantee's future affirmative action initiatives shall be:

(i) expansion of employment opportunities for minorities and women in the work force of the Grantee;

(ii) expansion of employment and promotion of minorities and women in those job categories and classifications, particularly in those managerial and professional levels, where minorities and women have been underutilized; and

(iii) implementation of a training program to increase the awareness of the Grantee's supervisory personnel regarding the Grantee's commitment to equal opportunity initiatives.

Purchasing. Grantee shall endeavor to increase contracting and procurement opportunities for minority and women business enterprises.

Specific Activities.

- (a) Grantee shall continue to target areas of significant expenditure by Grantee for which no certified minority or women business enterprise suppliers or contractors are currently known. As part of its efforts, the Grantee shall discuss those targeted areas of opportunity with representative minority and women business organizations.
- (b) Grantee shall also make efforts to encourage general contractors and architecture/engineering firms with which it does business to expand their use of certified minority and women business enterprises as subcontractors and joint venture partners.

Participation Goals. Grantee shall use good-faith efforts to achieve participation of certified minority and women business enterprises in the Grantee's contracts related to installation of Grantee's network.

Community Outreach. Grantee shall expand, as appropriate, its community outreach programs focused on employment and procurement for minorities and women. In continuing the development and implementation of these programs, Grantee shall endeavor to seek the advice of representative minority and women's organizations.

Implementation. It shall be the responsibility of the Grantee to continue to develop and implement the equal opportunity initiatives described above. To facilitate and assure that efforts are made as required herein, Grantee shall designate an employee who shall be responsible for implementing, monitoring and evaluating these initiatives. Grantee shall provide adequate staff and support resources to meet these responsibilities".

Section 8. As of the Amendment No. 1 Effective Date, a new Section 13.11 shall be added to the Agreement to read as follows:

Section 13.11 M.B.E. And W.B.E. Percentages.

Grantee shall attain no less than a twenty-five percent (25%) Minority-Owned Business Enterprise (M.B.E.) and a five percent (5%) Women-Owned Business Enterprise (W.B.E.) utilization levels applicable to Grantee's payments to outside contractors and subcontractors in relation to those activities designated hereunder as "M.W.B.E. Activities" (see the City's Minority-Owned and Women-Owned Business Enterprise Procurement Program, Municipal Code of Chicago, Section 2-92-420 (et seq.)).

'M.W.B.E. Activities' are, within the City, cable installation services within buildings and outside buildings for Grantee's Telecommunications System. In addition, Grantee shall expand the scope of M.W.B.E. Activities to include other types of services and products used within the City where reasonable; specifically, Grantee shall review its activities periodically on its own initiative and with the City to determine if other activities should be treated as M.W.B.E. Activities, and Grantee shall add to the list of M.W.B.E. Activities if (1) the M.B.E. and the W.B.E. percentages stated in this Section 13.11 are reasonably attainable on commercially reasonable terms in the ordinary course of business for the specific activity under consideration, and (2) Grantee's competitors use similar practices with regard to suppliers of such activities.

Grantee shall furnish to the City a report detailing its compliance with this provision prior to any renewal of this Agreement. If a report shows noncompliance with the M.B.E. and the W.B.E. percentages, the City shall provide Grantee with notice of noncompliance and the Grantee shall use its best efforts to cure the noncompliance over a reasonable period following the notice."

Section 9. Section 7 of the Original Agreement provides that Grantee shall have a surety bond in favor of the City to secure performance of all obligations of Grantee and to insure the cost of removal, relocation or abandonment of Grantee's Telecommunications System at any time the City determines the need for such removal. Within thirty (30) days of the execution of the Amendment described in Section 5.1 and prior to the issuance of any permit related to the New Footage, Grantee shall increase the amount of such bond or provide a replacement bond satisfactory to the City to not less than the amount of the Annual Fee, as increased by this Amendment No. 1. All other provisions of Section 7 of the Original Agreement related to surety bonds remain applicable.

Section 10. Pursuant to Section 6.5 of the Original Agreement, the amounts of the insurance policies are subject to reasonable increase upon sixty (60) days notice from the City's Risk Management office that such amounts need to be increased to ensure the City adequate protection.

Section 11. Commencing on the Amendment No. 1 Effective Date, throughout the Original Agreement, including Exhibits and Attachments, the term "Agreement" shall mean the Original Agreement as amended by this Amendment No. 1. All terms and conditions of the Original Agreement not modified by this Amendment No. 1 shall remain in full force and effect.

Section 12. No member of the governing body of the City and no other official, officer, agent or employee of the City is employed by Grantee or has a financial or economic interest directly or indirectly in the Original Agreement or this Amendment No. 1 or any subcontract resulting therefrom or in the privileges to be granted hereunder except as may be permitted in

writing by the Board of Ethics established pursuant to the Municipal Code of Chicago Chapter 2-156. No payment, gratuity or offer of employment shall be made in connection with the Original Agreement or this Amendment No. 1 by or on behalf of any subcontractors to the Grantee or higher tier subcontractors or anyone associated therewith, as an inducement for the award of a subcontractor or order. Any agreement entered into, negotiated or performed in violation of any of the provisions of Chapter 2-156 shall be voidable as to the City.

Section 13. Grantee has executed the appropriate Anti-Apartheid Affidavit (the "Affidavit") attached to this Amendment No. 1 as Attachment 1 and incorporated herein by reference. Grantee understands and acknowledges that the City may declare a default and terminate all existing contracts, including repeal of the Ordinance or recession of the Original Agreement, as amended, with Grantee if the Grantee violates any provision of Chapter 3-68 of the Municipal Code of Chicago (as applicable), including but not limited to (i) a violation of the certifications contained in the Affidavit; (ii) the concealment of an existing contractual relationship or entering into a contractual relationship with (a) South Africa, (b) a South African business or (c) any business or corporation for the express purpose of assisting operations in, or trading with any private or public entity located in South Africa; and (iii) the sale to the City of goods principally manufactured, produced, assembled, grown or mined in South Africa. This right of termination is supplemental to any other remedy which the City may have under the Original Agreement or this Amendment No. 1 at law or in equity, and shall entitle the City to direct, indirect, special and consequential damages and any other applicable legal or equitable remedy.

Further, Grantee understands and acknowledges that any person who violates any provision of Chapter 3-68 of the Municipal Code of Chicago shall be subject to a fine of not less than \$500 and not more than \$1,000 for each offense. Every day that the violation continues shall constitute a separate and distinct offense. This fine shall be in addition to the remedy of termination enumerated above, and any other remedy available under applicable law.

Section 14. Grantee represents that neither it nor, to the best of its knowledge, its subcontractors, are in violation of the provisions of Section 2-92-320 of Chapter 2-92 of the Municipal Code of Chicago. In connection herewith, Grantee has executed the applicable Certifications required under the Illinois Criminal Code, Ill. Rev. Stat., Ch. 38 §33E-11 (1989) as amended, and under the Illinois Municipal Code, Ill. Rev. Stat., Ch. 24, §11-42-1 (1989) (1990 Supp.), as amended, which are attached hereto as Attachment 2 and incorporated by reference as if fully set forth here.

Section 15. It shall be the duty of Grantee, all subcontractors, and all officers, directors, agents, partners, and employees of Grantee to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56, of the Municipal Code of Chicago. Grantee

understands and will abide by all provisions of Chapter 2-56 of the Municipal Code of Chicago. Grantee shall inform all its subcontractors of the provisions of Chapter 2-56 and require understanding and compliance therewith.

Section 16. Grantee has provided copies of the latest articles of incorporation and bylaws of the Ventures, its certification of good standing for each Venturer from the office of the Secretary of State of Illinois and certificate signed by an authorized officer of the Grantee certifying that the Grantee is authorized to do business in the State of Illinois. Grantee has provided the City with the Disclosure of Ownership Interest Affidavit for the Grantee, completed copies of which are attached hereto and incorporated by reference herein as Attachment 3.

The location of said privilege shall be as shown on prints hereto attached, which by reference are hereby incorporated and made a part of this ordinance. Such privilege and the structures and appliances herein authorized shall be maintained and used in accordance with all applicable laws, including the ordinances of the City of Chicago, and the directions of the Commissioner of Streets and Sanitation, the Commissioner of Buildings, the Commissioner of Transportation and the Director of Revenue. The grantee shall keep that portion of the public way in, over, under or adjacent to said privilege in good condition and repair, safe for public travel, free from snow, ice and debris to the satisfaction of the Commissioner of Streets and Sanitation.

SECTION 2. The grantee shall pay to the City of Chicago as compensation for the privilege herein granted the sum of Five Hundred Twenty-two and no/100 Dollars (\$522.00) per annum, in advance. Fences shall not exceed four feet in height. In addition, these standards shall ensure that the design and construction of the attached and detached single-family homes (fee simple and condominium) shall be designed and constructed in accordance with the following standards:

- a) **Composition --** The composition of the elements of the street facade of the improvements shall articulate a base, a mid-section and a roof (or cornice) through architectural detailing such as the expression of floor levels, other expression lines, projections, pilasters, lintels, changes in materials or colors, or openings.
  - b) **Materials --** All facades of the improvements (except for penthouses) shall be of masonry construction, consisting primarily of face brick or stone. The facades may contain accent materials such as stone, decorative wood, metal, limestone or materials similar in appearance and durability. Penthouses shall be clad in face brick veneer systems with stucco or similar material designed to give the appearance of limestone for decorative trim at windows and other openings and accent features such as columns between windows.
  - c) **Openings --** The street facade of the improvements shall be punctuated by window openings at each floor level, as appropriate, and by a principal doorway opening. The proportions of the window openings shall generally emphasize the vertical dimension. The window and door openings shall be accentuated through the use of differentiated materials or colors and by arches, lintels or other architectural expressions of the opening's frame.
- ii. All exterior walls of the improvements to be constructed, excluding the existing parking garage, shall be primarily of a combination of brick and limestone or

materials substantially equivalent in appearance and durability to limestone such as precast materials and manufactured limestone.

C. Additional Parking Regulations.

- i. A minimum of 146 parking spaces shall be provided for the 98 dwelling units planned for Subarea A. - iv. All required parking spaces shall be located within the same Subarea as the use served and in the case of the detached single-family dwelling units shall be located on the same parcel as the single-family dwelling served and in the case of all other dwelling units shall be on the same parcel as the building in which the dwelling unit is located.

Planning and Development, upon the application for such a modification by the Applicant and a determination by the Commissioner of the Department of Planning and Development that such modification is minor, appropriate and consistent with the nature of the improvements contemplated by this Planned Development and the purposes underlying the provisions hereof. Any such modification of the requirements in this Statement by the Commissioner of the Department of Planning shall be deemed to be a minor change in the Planned Development as contemplated by Section 11.11-3(c) of the Chicago Zoning Ordinance. The Applicant shall provide the Alderman of the Ward in which the Property is located with written notice of the filing of any request for a modification under this provision, and the nature of the modification requested, no later than the date on which such a request is filed. A copy of such notice shall be filed with the Department of Planning and Development simultaneously with the filing of the request for modification.

12. The Applicant acknowledges that it is in the public interest to design, construct and maintain all buildings in a manner which promotes and maximizes the conservation of energy resources. Copies of these standards may be obtained from the Department of Planning and Development.
13. Unless substantial construction of a minimum of seventy-five dwelling units within Subarea A of the Property has commenced within five years following adoption of this Planned Development and of a minimum of forty-four dwelling units within Subarea B of the Property has commenced within ten years following such adoption, and unless completion thereof is diligently pursued, then this Planned Development shall expire with regard to the undeveloped portions of the entire Property, if the five year goal is not met or of Subarea B if the ten year goal is not met; provided, however, that if the City Council amends the Chicago Zoning Ordinance to provide for a shorter expiration period which is applicable to all planned developments, then with regard to the undeveloped portions of the Property this Planned Development shall expire upon the expiration of such shorter time period as provided by said amendatory ordinance (the first day of which as applied to this Planned Development shall be the effective date of the amendatory ordinance). If this Planned Development, with respect to any portion of the Property, expires under the provisions of this

section, then the zoning of the portions of the property affected shall automatically revert to that of the underlying Planned Development No. 95 as adopted by the City Council on August 30, 1972.

Copies of these standards may be obtained from the Department of Planning and Development.
16. Unless substantial construction has commenced within eight (8) years following adoption of this Planned Development, and unless completion thereof is diligently pursued, then this Planned Development shall expire, provided, however, that if the City

*Introduction.*

Because of its geographic location and its accessibility by water, rail, air, and the Interstate Highway System, Chicago has long been considered the industrial center of the Midwest and the nation. As such, it has brought employment to local residents, property tax dollars to the local economy, and dollar investment in terms of plants and equipment.

Historically, most of the industrial firms in the metropolitan area have chosen to locate within the City of Chicago. This trend, however, has changed with the increased suburbanization of the metropolitan area. Outlying communities and counties provide opportunities for industrial and industrial-related firms and tenants to build or rent facilities which are modern and offer maximum efficiency.

The City of Chicago has recognized the importance of its industrial sector, and has taken a number of steps to maintain its industrial base and provide potential sites for relocation and expansion of manufacturing and related businesses. One such step was the release of a plan to strengthen the economic base of the City's west side in December, 1991. *The Corridors of Industrial Opportunity: A Plan for Industry in Chicago's West Side* document outlines a series of land-use policies and capital improvements necessary to retain the west side's 1,630 industrial firms which employ over 80,000 workers, and to attract new businesses and create employment opportunities for Chicagoans.

The plan identifies eight key west side industrial corridors targeted for retention, industrial expansion and new development opportunities. The plan calls for amending provisions of the Chicago Zoning Ordinance, requiring significant re-zoning requests in these corridors to be processed as "planned developments". The plan also recommended a revision of the ordinance's M (manufacturing) - zoning classifications, where appropriate, to eliminate uses inconsistent with industrial development. The plan for the

first time prioritizes west side industrial capital investments. It also identifies specific sites for industrial development opportunities.

In support of its job creation goal, the City's industrial land use policy seeks to provide opportunities for synergy between related industrial activities, to minimize the conflicts between industrial and other land uses, and to maximize the benefits of public investment in capital programming related to industrial investment.

This policy is supported by the following implementation strategy:

- A. Adopt an industrial land use plan which designates viable and well defined industrial corridors.

Industrial corridors designated by this industrial land use plan would be considered areas of the City's highest priority for long term industrial development and investment.

- B. Maintain the industrial integrity of the corridor by requiring that proposals for non-industrial development and proposals for rezoning to non-industrial districts be approved as planned developments.

- C. Continue the selective use of the Planned Manufacturing District mechanism as a tool for assuring stability of land use in the City's industrial areas.

- D. Amend the provisions of the Chicago Zoning Ordinance applicable to the manufacturing zoning districts to provide for a classification of uses and associated development standards which are congruent with the needs of modern industrial development.

- E. Rezone the non-industrial zoned properties within the corridor and, as necessary, existing industrially zoned properties consistent with the appropriate modified M-zoning category.

- F. When reviewing any proposed rezoning of industrial property located outside of the corridors, include considerations of the impact upon any nearby viable industrial development.

- G. Establish an interdepartmental program to identify and regularly update the infrastructure needs of industry throughout the City.

The industrial land use plan should be used to guide infrastructure improvements in the capital programming process. Emphasis should be placed on strengthening the City's industrial corridors.

- H. Feature the industrial opportunities identified in the land use plan in citywide programs to attract, expand and retain industry.

*The Corridors of Industrial Opportunity: A Plan for Industry in Chicago's West Side* document was approved by the Chicago Plan Commission on March 12, 1992.

2.

*Armitage Industrial Corridor.*

One of the industrial corridors identified by the above plan is the Armitage Industrial Corridor (see Map No. 1: Industrial Corridor). The Armitage Corridor consists of 371 acres of land zoned for manufacturing within the area generally bounded by West Fullerton Avenue on the north, North Cicero Avenue on the east, West Bloomingdale Avenue on the south, and North Oak Park Avenue on the west.

This corridor of manufacturing activity originated in the 1870s around the Galewood Yard, a former railway siding of the Milwaukee Road Railroad. The Galewood Industrial District, as it was originally known, was a center for metals manufacturing. Industrial expansion in the 1920s and 1930s diversified the corridor's industrial base with the addition of firms like Zenith Electronics Corporation and M&M/Mars Candy Company. Today the rail yard is vacant while a dynamic mix of modern industry remains nearby.

Major improvements to North Cicero Avenue, currently underway, will make direct access to the corridor, and the Bloomingdale/Laramie site in particular, possible along North Cicero Avenue. Portions of these improvements are complete now and all remaining segments of the improvement program are expected to be completed in 1993. Additional improvements include street widening, resurfacing, intersection throat widening, off-street parking and traffic signal modernization. Within the corridor, West Grand Avenue is the main truck route north of the METRA tracks; North Harlem Avenue and North Cicero Avenue reach the Eisenhower Expressway. West Armitage Avenue is used by larger trucks (up to 13 feet, 6 inches in height) connecting West Grand Avenue to North Cicero Avenue. West Bloomingdale Avenue is the major truck route on the south side of the corridor.

At the corridor's eastern edge are several parcels of property collectively containing 10.47 acres of land, predominated by underutilized land and buildings, foremost of which is the former Archer-Daniels-Midland Company (A.D.M.) site. This area is generally bounded by the Soo Line railroad tracks on the north; North Leclaire Avenue on the east; the first

east/west alley north of West Bloomingdale Avenue on the south; and North Laramie Avenue on the west (see Map No. 2: T.I.F. Boundary Map). One-third of the site vacant land and the remainder of the property has numerous underutilized, partially demolished industrial structures that jeopardize the public safety of nearby residents.

The west side plan recommends that this site in the Armitage Industrial Corridor offers an industrial expansion opportunity if the present site conditions (partially demolished buildings, asbestos, above and underground storage tanks, soil conditions, perimeter site control, fly-dumping, et cetera) can be resolved.

Although City initiatives and expenditures have stimulated private investment in rehabilitation and new construction within other parts of the Armitage Industrial Corridor, the Bloomingdale/Laramie Redevelopment Area (hereinafter designated and defined as the "Redevelopment Project Area") has historically not been subject to growth and development through investment by private enterprise, and is not reasonably expected to be developed without the efforts and leadership of the City, including the adoption of this Tax Increment Financing Redevelopment Project and Plan and the investment of public funds.

#### *Tax Increment Financing.*

In January, 1977, tax increment financing ("T.I.F.") was made possible by the Illinois General Assembly through passage of the Tax Increment Allocation Redevelopment Act (hereinafter referred to as the "Act"). The Act is found in Illinois Revised Statutes, Chapter 24, Section 11-73.4-1, et seq., as amended. The Act provides a means for municipalities after the approval of a "redevelopment plan and project" to redevelop "blighted," "conservation" or "industrial park conservation" areas and to finance public redevelopment costs with incremental real estate tax revenues. Incremental real estate tax revenue ("tax increment revenue") is derived from the increase in the equalized assessed valuation ("E.A.V.") of the real property. Any increase in E.A.V. is then multiplied by the current tax rate which results in tax increment revenue. A decline in current E.A.V. does not result in a negative real estate tax increment.

To finance redevelopment costs a municipality may issue obligations secured by the anticipated tax increment revenue generated within the redevelopment project area. In addition, a municipality may pledge towards payment of such obligations any part or any combination of the following: (a) net revenues of all or part of any redevelopment project; (b) taxes levied and collected on any or all property in the municipality; (c) the full faith and

credit of the municipality; (d) a mortgage on part or all of the redevelopment project; or (e) any other taxes or anticipated receipts that the municipality may lawfully pledge.

Tax increment financing does not generate revenues by increasing tax rates; it generates revenues by allowing the municipality to capture, temporarily, new real estate tax revenues resulting from redevelopment. Further, under tax increment financing, all taxing districts continue to receive the tax revenue they received prior to redevelopment from property in the area. Moreover, taxing districts can receive distributions of excess increment when more tax increment revenue is received than is necessary to pay for expected redevelopment project costs and principal and interest obligations issued to pay such costs. Taxing districts also benefit from the increased property tax base after redevelopment project costs and obligations are paid.

*The Bloomingdale/Laramie Tax Increment  
Redevelopment Project And Plan.*

This Bloomingdale/Laramie Tax Increment Redevelopment Project and Plan (hereinafter referred to as the "Redevelopment Plan") has been formulated in accordance with the provisions of the Act. It is a guide to all proposed public and private actions in the Redevelopment Project Area.

This Redevelopment Plan also specifically describes the Redevelopment Project Area and sets forth the blighting factors which qualify the Redevelopment Project Area for designation as a blighted area as defined in the Act.

In addition to describing the objectives of the redevelopment, the Redevelopment Plan sets forth the overall program to be undertaken to accomplish these objectives. The "Redevelopment Project" as used herein means any development project which may, from time to time, be undertaken to accomplish the objectives of the Redevelopment Plan.

The Redevelopment Project represents an important economic opportunity for the City of Chicago. By creating an environment to stimulate private development, Chicago will strengthen its tax base and allow for the potential of creating and retaining jobs and provide a viable alternative for companies that might otherwise move to the suburbs or out of state.

The goal of the City of Chicago, however, is to ensure that the entire Redevelopment Project Area be redeveloped on a comprehensive and carefully planned basis in order to ensure that orderly development occurs:

1. On a comprehensive rather than a fragmented basis to ensure that the land-use, pedestrian access, vehicular circulation, parking, service and urban design systems will be implemented in a cohesive manner, meeting modern-day principals and standards.
2. On a comprehensive and integrated basis to ensure that blighting factors are eliminated.
3. Within a reasonable but defined time period so that the area may once again contribute productively to the economic vitality of the City.
4. To the greatest extent possible, seek redevelopment proposals that will retain existing and create new employment opportunities for Chicago residents.

Implementation of the Redevelopment Project Area is a complex undertaking, and it presents challenges and opportunities commensurate with its scale. The success of this effort will depend to a large extent on the cooperation between the private sector and agencies of local government. The adoption of this Redevelopment Plan will make possible the development of a comprehensive program for its implementation within the Redevelopment Project Area. By means of public investment, the area will become a stable environment that will again attract private investment. Public investment will set the stage for the rebuilding of the area with private capital.

Public and private investment is possible only if tax increment financing is used pursuant to the terms of the Act. The revenue generated by the development will play an integral role in encouraging private investment. Conditions of blight that have precluded substantial private investment in the past will be eliminated. Through this Redevelopment Plan, the City of Chicago will serve as the driving force for coordinating the assets and efforts of the private sector for the public/private redevelopment plan. Implementation of this Redevelopment Plan will benefit the City, its neighborhoods and residents and all the taxing districts which encompass the Bloomingdale/Laramie area in the form of an expanded tax base, employment opportunities and a wide range of other tangible benefits.

## 5.

*Redevelopment Project Area Goals And Policies.*

Managed growth in the form of both public and private investment in new development and facilities is essential in the Redevelopment Project Area. Redevelopment efforts in the Redevelopment Project Area will strengthen the entire City through the elimination of unsafe and hazardous buildings, the environmental cleanup of the site, increased tax base and additional employment opportunities.

The Act encourages the public and private sectors to work together to resolve the issues of urban growth and development within the Redevelopment Area. The efforts of the City and the private sector to jointly redevelop parts of the Redevelopment Project Area will receive significant support from the financing methods made available by the Act.

This section of the Redevelopment Plan identifies the goals and policies of the City for the Redevelopment Area. A subsequent section of this Redevelopment Plan identifies the more specific program which the City plans to undertake in achieving the redevelopment goals and policies which have been identified.

**A. General Goals.**

- Provide T.I.F. eligible infrastructure improvements within the Redevelopment Project Area.
- Encourage industrial development by eliminating physical and economic deterioration and obsolescence within the Redevelopment Project Area.
- Produce carefully planned and efficiently carried out economic development proposals within the Redevelopment Project Area.
- Revitalize the Redevelopment Project Area to establish it as an important economic center contributing to the regional and national focus of the City as a leader in industrial development.
- Create an environment within the Redevelopment Project Area which will contribute to the health, safety and general welfare of the City, and preserve or enhance the value of the properties adjacent to the Redevelopment Project Area.
- Allow for an increased real estate and sales tax basis for the City of Chicago, the State of Illinois and other municipal taxing districts extending into the Redevelopment Project Area.

- To the highest extent possible, seek redevelopment opportunities that will retain and create employment for Chicago residents.

#### B. Policies.

It is the policy of the City of Chicago to:

- Foster the City's industrial base and to maintain the City's diversified economy for the general welfare of its citizens.
- Strengthen existing manufacturing areas which are suitable in size, location and character and which the City Council deems may benefit from designation.
- Encourage private investment, plant modernization, and industrial expansion by providing for a stable and predictable environment that will allow companies to efficiently make products and do business.
- To create job opportunities for Chicago residents as a result of public investment in industrial development.

#### 7.

#### *Blighted Area Conditions Existing In The Redevelopment Project Area.*

The Redevelopment Project Area is an improved area as defined in the Act.

Within the Redevelopment Area it must be demonstrated that because of the combination of five or more factors described in the Act, the area is detrimental to the public safety, health, morals or welfare. Based upon surveys, inspections and analysis of the area, the Redevelopment Project Area qualifies for designation as a "blighted area" as defined by the Act.

- Of the fourteen factors set forth in the Act for improved areas, ten (10) are present in the area.
- The factors present are reasonably distributed throughout the entire property/site.
- The entire site is impacted by and shows the presence of blight factors.

The Redevelopment Project Area includes only real property and improvements thereon substantially benefited by the proposed redevelopment project improvements.

A separate report titled the *Bloomingtondale/Laramie Tax Increment Redevelopment Area Eligibility Report* describes in detail the surveys and analysis undertaken and the basis for the finding that the Redevelopment Project Area qualifies as a "blighted area" as defined by the Act. The factors listed below and shown in Figure 2, Summary of Blight Factors, are present in the Redevelopment Area.

#### A. Project Area Factors.

The project area includes all of the property located within an area generally bounded by: The Soo Line Railroad on the north; North Leclaire Avenue on the east; the first east/west alley north of West Bloomingtondale Avenue on the south; and North Laramie Avenue on the west.

##### 1. Age.

Age as a factor is present to a major extent throughout. The buildings on the site, including several additions, are thirty-five (35) years in age or older (1945 -- 1953).

##### 2. Dilapidation.

Dilapidation as a factor is present to a major extent in the area. The seventeen (17) structures on the site are in substandard condition. Thirteen (13) of the structures have been partly demolished.

##### 3. Obsolescence.

Obsolescence as a factor is present to a major extent. The multi-story buildings are incapable of efficient or economic use.

##### 4. Deterioration.

Deterioration as a factor is present to a major extent throughout the property. In addition to the buildings' condition, traffic circulation areas are in poor condition, characterized by irregular asphalt, depressions allowing water ponding, and the presence of weeds and debris.

5. Existence Of Structures Below Minimum Code.

The existence of structures below minimum code standards is present to a major extent. Fifteen (15) of the seventeen (17) structures have major building code violations.

6. Excessive Vacancies.

Excessive vacancies as a factor are present to a major extent. Only one (1) of the seventeen (17) structures have operating businesses.

7. Lack Of Ventilation, Light Or Sanitary Facilities.

The thirteen (13) substandard structures are uninhabitable. No mechanical ventilation systems remain in the critical buildings. Conditions of the lack of ventilation, light, or sanitary facilities have been documented. This condition exists to a major extent.

8. Deleterious Land-Use Or Layout.

Deleterious land-use or layout is present to a major extent. Buildings' relationship to each other is not efficient.

9. Depreciation Of Physical Maintenance.

Depreciation of physical maintenance is present to a major extent and includes the deferred maintenance of the buildings and site improvements, including the parking areas.

10. Lack Of Community Planning.

Lack of community planning is present to a major extent. The size, setback and parking requirements, do not conform to standards for contemporary development. The area lacks an overall plan for coordinated development on a parcel-by-parcel basis.

-- Exterior survey of the condition and use of each building;

-- Field survey of environmental conditions covering streets, sidewalks, curbs and gutters, lighting, traffic, parking facilities, landscaping, fences and walls, and general property maintenance;

- Analysis of existing uses and their relationships;
- Comparison of current land use to current zoning ordinance and the current zoning map;
- Comparison of surveyed buildings to property maintenance and other codes of the City;
- Analysis of original and current platting and building size and layout;
- Analysis of building floor area and site coverage; and
- Review of previously prepared development plans, studies and data.

8.

*Bloomington/Laramie Tax Increment Financing  
Redevelopment Project Area.*

This section presents the overall program to be undertaken by the City of Chicago or by private developers acting under redevelopment agreements with the City. It includes a description of redevelopment activities, a general land-use plan, estimated redevelopment project costs, a description of sources of funds to pay redevelopment project costs, a description of obligations that may be issued, identification of the most recent equalized assessed valuation of properties in the Redevelopment Project Area, and an estimate of anticipated equalized assessed valuation (see Map No. 3: Boundary Map for Redevelopment Project Area).

In the event the City determines that implementation of certain activities or improvements is not feasible, the City may reduce the scope of the overall program and Redevelopment Project.

A. Redevelopment Plan And Project Objectives.

- Reduce or eliminate those conditions which qualify the Redevelopment Project Area as a blighted area. Section 7 of this Redevelopment Plan Blighted Area Conditions Existing in the Redevelopment Project Area, describes existing blighting conditions.

- Improve the economic viability of the Redevelopment Project Area and the City by increasing business activity, taxable values, and job opportunities.
- Assemble land into parcels that conform to modern industrial standards in regard to shape and size for disposition and redevelopment.
- Create an environment which stimulates the private sector to invest in new construction, expansion, and rehabilitation in the area.
- Achieve development which is integrated both functionally and aesthetically with adjacent development, and which contains a complementary mix of uses.
- Encourage a high-quality appearance of buildings, rights-of-way, and open spaces, and encourage high standards of design and construction.
- Provide sites for needed public improvements of facilities in proper relationship to projected demand and in accordance with accepted design criteria for such facilities.
- Provide needed incentives to encourage a broad range of improvements in both rehabilitation and new development efforts.
- Encourage the participation of minorities and women in the professional services and investment involved in the development of the Redevelopment Project Area.
- Implement and achieve the Redevelopment Project Area Goals and Policies as set forth in Section 3 of this Redevelopment Plan.

#### B. Redevelopment Activities.

The City proposes to achieve its redevelopment goals, policies and objectives for the Redevelopment Project Area through public financing techniques including, but not limited to, tax increment financing and by undertaking some or all of the following actions (see Map No. 4: Development Program):

##### 1. Property Acquisition.

The Municipality is authorized under Chapter 24, Section 11-74.4-4(c) of the Tax Increment Allocation Redevelopment Act, through its Corporation Counsel, to negotiate for the acquisition

of parcels contained within the Redevelopment Project Area. In the event the Corporation Counsel is unable to acquire any of said parcels through negotiation, the Corporation Counsel may be authorized to institute eminent domain proceedings to acquire said property; nothing herein shall be in derogation of any prior authority.

To achieve the renewal of the Redevelopment Project Area, property identified in Map No. 5 (Acquisition Map), attached hereto and made a part thereof, may be acquired by the City of Chicago and cleared of all improvements if any and either (a) sold or leased for private redevelopment, or (b) sold, leased or dedicated for construction of public improvements or facilities. The City may determine that to meet the objectives of this Redevelopment Plan, other properties in the Redevelopment Project Area not scheduled for acquisition should be acquired, or certain property currently listed for acquisition should not be acquired. Acquisition of land for public rights-of-way may also be necessary for the portions of said rights-of-way that the City does not own.

As a necessary part of the redevelopment process, the City may hold and secure property which it has acquired and place it in temporary uses until such property is scheduled for disposition and redevelopment. Such uses may include, but are not limited to, project office facilities, parking or other uses the City may deem appropriate. Further, the City may require executed redevelopment agreements with developers before it acquires any of the properties.

2. Building Demolition, Environmental Remediation And Site Preparation.

The City may make funds available for demolition and removal of dilapidated structures, breaking-up and removal of old structural foundations and other semi or permanent above or below grade structures.

The City may also make funds available to remediate existing environmental conditions on the properties that threaten the public health and safety of its citizens. Environmental remediation activities may include, but are not limited to: asbestos removal, underground and above ground storage tanks (U.S.T.s/A.G.T.s) and contaminated soil excavation and removal.

In addition, the City may also make funds available to prepare the site for development. These activities may include, but are

not limited to: storm water detention, site grading (cut and fill), removal of private/public easements and rail spur refurbishment.

3. Provision Of Public Improvements.

Adequate public improvements and facilities may be provided (where necessary) to service the entire Redevelopment Project Area. Public improvements and facilities may include, but are not limited to the following:

A. Infrastructure Improvement.

The City may make funds available to improve the condition of adjacent public right-of-ways to complement private development and investment by providing upgraded access/egress to the Redevelopment Project Area. These activities may include, but are not limited to street construction or resurfacing, curb, gutter and sidewalk removal and/or replacement, vertical clearance improvements, and traffic signalization improvements.

B. Utility Improvements.

The City may make funds available to upgrade the condition of utilities. These activities may include, but are not limited to: existing on-site utilities, including sewer and water lines, that are improperly located and/or inadequate size and capacity to serve new industrial development.

4. Job Training And Related Educational Programs.

Separate or combined programs designed to increase the skills of the labor force to take advantage of the employment opportunities within the Redevelopment Project Area will be implemented. This will be particularly important in conjunction with development of international trade operations and related services.

5. Analysis, Administration, Studies, Surveys, Legal, Et. Al.

Activities include the long-term management of the T.I.F. Program as well as the costs of establishing the Program and designing its components.

6. Provision For Interest Subsidy.

Funds may be made available to privately held properties for the purpose of reducing interest costs for the purpose of redeveloping properties.

7. Redevelopment Agreements.

Land assemblage which may be by purchase, exchange, donation, lease, or eminent domain shall be conducted for a sale, lease of conveyance or dedication for construction of improvements or facilities. Terms of conveyance shall be incorporated in appropriate redevelopment agreements which may contain more specific controls than those stated in this Redevelopment Plan.

C. General Land-Use Plan.

The Land-Use Plan, (see Map No. 6: Land-Use Plan), attached hereto and made a part hereof, identifies land-uses and public rights-of-way to be in effect upon adoption of this Redevelopment Plan. The only land-use category included within the Redevelopment Project Area is industrial uses.

As mentioned above, the Redevelopment Project Area is within the Armitage industrial corridor, and therefore, targeted for retention, industrial expansion and new industrial development opportunities. The project area is zoned as General and Restricted Manufacturing Districts, and therefore, no zoning reclassifications are necessary to achieve the goals, set forth for the Redevelopment Project Area.

The Land-Use Plan as designated in Map No. 6 provides a guide for future land-use improvements and developments within the Redevelopment Project Area.

Special uses, performance standards, and use and bulk regulations as set forth in the Chicago Zoning Ordinance are applicable to development within the Redevelopment Project Area.

D. Estimated Redevelopment Project Costs.

Redevelopment project costs mean and include the sum total of all reasonable or necessary costs incurred or estimated to be incurred, and any such costs incidental to this Redevelopment Plan pursuant to the Act. Such costs may include, without limitation, the following:

1. Costs of studies, surveys, development of plans, and specifications, implementation and administration of the redevelopment plan including but not limited to staff and professional service costs for architectural, engineering, legal, marketing, financial, planning or other services, provided, however, that no charges for professional services may be based on a percentage of the tax increment collected;
2. Property assembly costs, including but not limited to acquisition of land and other property, real or personal, or rights or interests therein, demolition of buildings, and the clearing and grading of land;
3. Costs of rehabilitation, reconstruction or repair or remodeling of existing buildings and fixtures;
4. Costs of the construction of public works or improvements;
5. Costs of job training and retraining projects;
6. Financing costs, including but not limited to all necessary and incidental expenses related to the issuance of obligations and which may include payment of interest on any obligations issued hereunder accruing during the estimated period of construction of any redevelopment project for which such obligations are issued and for not exceeding 36 months thereafter and including reasonable reserves related thereto;
7. All or a portion of a taxing district's capital costs resulting from the redevelopment project necessarily incurred or to be incurred in furtherance of the objectives of the redevelopment plan and project, to the extent the municipality by written agreement accepts and approves such costs;
8. Relocation costs to the extent that a municipality determines that relocation costs shall be paid or is required to make payment of relocation costs by federal or State law;
9. Payment in lieu of taxes as defined in the Act;
10. Costs of job training, advanced vocation education or career education, including but not limited to courses in occupational, semi-technical fields leading directly to employment, incurred by one or more taxing districts, provided that such costs (i) are related to the establishment and maintenance of additional job training, advanced vocational education or career education programs for persons employed or to be employed by employers located in a redevelopment project area; and (ii) when incurred by a taxing district or taxing districts other than the

municipality, are set forth in a written agreement by or among the municipality and the taxing district or taxing districts, which agreement describes the program to be undertaken, including but not limited to the number of employees to be trained, a description of the training and services to be provided, the number and type of positions available or to be available, itemized costs of the program and sources of funds to pay for the same, and the term of the agreement. Such costs include specifically, the payment by community college districts of costs pursuant to Sections 53-37, 3-38, 3-40 and 3-40.1 of the Public Community College Act and by school districts of costs pursuant to Sections 10-22.20a and 10-23.3a of the School Code;

11. Interest cost incurred by a redeveloper related to the construction, renovation or rehabilitation of a redevelopment project provided that:
  - a. such costs are to be paid directly from the special tax allocation fund established pursuant to the Act;
  - b. such payments in any one year may not exceed 30 percent of the annual interest costs incurred by the redeveloper with regard to the redevelopment project during that year;
  - c. if there are not sufficient funds available in the special tax allocation fund to make the payment pursuant to this paragraph (11) then the amount so due shall accrue and be payable when sufficient funds are available in the special tax allocation fund; and
  - d. the total of such interest payments incurred pursuant to this Act may not exceed 30 percent of the total redevelopment project costs excluding any property assembly costs and any relocation costs incurred pursuant to this Act or such greater amount as may be hereinafter authorized by law, including by P.A. 86-1398.

A range of activities and improvements will be required to implement the tax increment redevelopment project. The necessary improvements and their costs are shown in Table 1, Estimated Redevelopment Project Costs. To the extent that the City has incurred costs in anticipation of the adoption of tax increment financing, the City shall be reimbursed from real estate tax increment revenues for such redevelopment costs. The total redevelopment project costs are intended to provide an upper limit on expenditures. Within this limit,

adjustments may be made in line items without amendment of this Redevelopment Plan. Additional funding in the form of state and federal grants, and private developer contributions will be pursued by the City as means of financing improvements and facilities which are of a general community benefit.

#### E. Sources Of Funds To Pay Redevelopment Project Costs.

Funds necessary to pay for redevelopment costs and municipal obligations which have been issued to pay for such costs may be derived from tax increment revenues and proceeds from municipal obligations which have as their revenue tax source tax increment revenue or other public financing sources. To secure the issuance of these obligations, the City may permit the utilization of guarantees, deposits and other forms of security made available by private sector developers.

The tax increment revenue which will be used to either, fund tax increment obligations and redevelopment project costs or to reimburse other public funding sources for "front funding" of project costs shall be the incremental real property tax revenue. Incremental real property tax revenue is attributable to the increase in the current E.A.V. of each taxable lot, block, tract or parcel of real property in the Redevelopment Project Area over and above the initial E.A.V. of each such property in the Redevelopment Project Area. Other sources of funds which may be used to pay for redevelopment costs and obligations issued, the proceeds of which are used to pay for such costs, are land disposition proceeds, state and federal grants, investment income, and such other sources of funds and revenues as the municipality may from time to time deem appropriate.

#### F. Issuance Of Obligations.

The City may issue obligations secured by the tax increment special tax allocation fund pursuant to Section 11-74.4-7 of the Act.

All obligations issued by the City pursuant to this Redevelopment Plan and the Act shall be retired within twenty-three (23) years from the adoption of the ordinance approving the Redevelopment Project Area, such ultimate retirement date occurring in the year 2016.

Also, the final maturity date of any such obligations which are issued may not be later than twenty (20) years from their respective dates of issue. One or more series of obligations may be sold at one or more times in order to implement this Redevelopment Plan. The amounts payable in any year as principal of and interest on all obligations issued by the City pursuant to the Redevelopment Plan and the Act shall not exceed the amounts available, or projected to be available, from tax increment revenues and from such bond sinking funds or other sources of funds as may be provided by ordinance. Obligations may be of a parity or senior/junior lien natures. Obligations issued may be serial or term maturities, and may or may not be subject to mandatory sinking fund redemptions.

Revenues shall be used for the scheduled and/or early retirement of obligations, and for reserves, bond sinking funds and redevelopment project costs, and, to the extent that real property tax increment is not used for such purposes, may be declared surplus and shall then become available for distribution annually to taxing districts in the Redevelopment Project Area in the manner provided by the Act.

**G. Most Recent Equalized Assessed Valuation Of Properties In The Redevelopment Project Area.**

Table 2 lists the most recent 1991 equalized assessed valuation of property in the Redevelopment Project Area. The total estimated equalized assessed valuation for the Redevelopment Project Area is \$856,751.

**H. Anticipated Equalized Assessed Valuation.**

By the year 2005, the estimated equalized assessed valuation of real property within the Redevelopment Project Area is estimated at approximately \$9,137,192. This estimate is based on several key assumptions, including: 1) redevelopment for the uses specified in this Redevelopment Plan will occur in a timely manner; 2) the market value of the recommended industrial development will increase following completion of the redevelopment activities described in the Redevelopment Plan; and 3) the ten year average of the State Multiplier of 1.8672 as applied to assessed values will remain unchanged.

9.

*Phasing And Scheduling Of Redevelopment Project.*

A phased development strategy will be used to achieve a timely and orderly redevelopment of the project area.

City expenditures for redevelopment project costs will be carefully phased on a reasonable and proportional basis to coincide with redevelopment expenditures by private developers.

10.

*Provisions For Amending This Redevelopment.*

The Bloomingdale/Laramie Tax Increment Redevelopment Project and Plan may be amended pursuant to the provisions of the Act.

## 11.

*Affirmative Action Plan.*

The City is committed to and will aggressively implement the following principles with respect to the Bloomingdale/Laramie Tax Increment Redevelopment Plan and Project:

- A. The assurance of equal opportunity in all personnel and employment actions with respect to the Plan and Project, including, but not limited to: hiring, training, transfer, promotion, discipline, fringe benefits, salary, employment, working conditions, termination, etc., without regard to race, color, religion, sex, age, handicapped status, national origin, creed or ancestry.
- B. This commitment to affirmative action will ensure that all members of protected groups are sought out to compete for all job openings and promotional opportunities.

In order to implement these principles for this Plan and Project, the City shall require and promote equal employment practices and affirmative action on the part of itself, the developer(s) and their contractors and vendors. In particular, parties contracting for work on the Project shall be required to agree to the principles set forth in this section.

**AMENDMENT OF TITLE 4, CHAPTER 208, SECTION 110 OF  
MUNICIPAL CODE OF CHICAGO RELATING TO REVOCATION  
OF LICENSES AND SUBSEQUENT ISSUANCE OF  
NEW LICENSES FOR OPERATION OF  
HOTELS AND MOTELS IN  
SPECIFIED AREAS.**

On motion of Alderman Schulter, the City Council took up for consideration the report of the Committee on License and Consumer Protection, deferred and published in the Journal of the Proceedings of August 4, 1993, pages 36760 and 36761, recommending that the City Council pass a proposed ordinance which would amend Title 4, Chapter 208 of the Municipal Code of Chicago by the addition of a new Section 130 to disallow the issuance of new licenses for the operation of hotels on portions of North Lincoln and North Virginia Avenues, which reads as follows:

WHEREAS, Various areas of the city contain hotels and motels at considerable distance from major interstate and interurban highways, convention facilities, the central business district, or other institutions which attract visitors in sufficient quantities to enable the profitable operation of such hotels and motels; and

WHEREAS, The existence of numerous such hotels and motels in the same neighborhood may cause severe competition for a limited number of customers and additional financial strain, and may cause some operators to ignore, allow or even encourage illegal conduct within such hotels and motels; and

WHEREAS, Illegal activity within and around such hotels and motels detracts from the character and desirability of the surrounding neighborhood; and

WHEREAS, Overconcentration of hotels and motels in one neighborhood can cause excessive traffic and disrupt the character of surrounding neighborhoods; and

WHEREAS, It is in the best interests of the neighborhood around such hotels and motels to limit the licensing of new hotels and motels while seeking stricter law enforcement in and near existing hotels and motels; and

WHEREAS, North Lincoln Avenue, from West Foster Avenue to West Peterson Avenue, was formerly a major route for interurban and interstate travel but, since the development of the interstate highway system, is now primarily a local commercial strip serving nearby neighborhoods; and

WHEREAS, North Lincoln Avenue, from West Foster Avenue to West Peterson Avenue, has an overconcentration of hotels and motels, and contains more hotel rooms than are needed to accommodate travelers passing through and visitors to the neighborhood; now, therefore,

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. Chapter 4-208 of the Municipal Code of Chicago is hereby amended by adding a new Section 4-208-130, as follows:

4-208-130

*Planned Development Statements.*

1. The area delineated herein as an "Institutional Planned Development No. 130" (the "Planned Development") consists of approximately 330,294 square feet (approximately 7.582 acres) of real property which is depicted on the attached Property Line Map (the "Property") and is owned or controlled by the Applicant, Our Lady of the Resurrection Medical Center, an Illinois not-for-profit corporation.
2. All applicable official reviews, approvals or permits required in connection with this Planned Development shall be obtained by the Applicant or its successors, assignees or grantees.
3. This Planned Development consists of fifteen (15) Statements; including an Existing Zoning and Street System Map; Property Line and Planned Development Boundary Map, a Generalized Land Use Map; an Existing Land Use Map; a Table of Use and Bulk Regulations and Data; a Site/Landscaping Plan ("Site Plan"),

prepared by James C. Full size sets of the Site Plan and Elevations are on file with the Department of Planning and Development. The Planned Development is applicable to the area delineated herein and these and no other controls shall apply. The Planned Development conforms to the intent and purpose of the Chicago Zoning Ordinance, Title 17 of the Municipal Code of Chicago, and all requirements thereof, and satisfies the established criteria for approval as a planned development.

4. The permitted uses in the Planned Development are hospital and related medical uses, educational and academic uses, research and medical facilities, day care centers (adult and child), intermediate care and skilled nursing home, professional offices, hospital-related residential uses, parking and related uses. In addition, for the portion of the Property located at the northeast corner of North Major Avenue and West Eddy Street (bounded by Major, Eddy, a line one hundred twenty-six (126) feet north of Eddy, and a line thirty-six (36) feet east of Major), single-family uses shall be permitted.
5. Identification and other necessary signs shall be permitted within the Planned Development, subject to the review and approval of the Commissioner of the Department of Planning and Development. Temporary signs, such as construction and marketing signs, shall be permitted, subject to the review and approval of the Commissioner of the Department of Planning and Development.
6. Any dedication or vacation of streets or alleys, or easements, or adjustment of right-of-way, or consolidation or resubdivision of parcels, shall require a separate submittal on behalf of the Applicant or its successors, assignees or grantees.
7. Off-street parking and loading facilities will be provided in compliance with this Planned Development. A minimum of two percent (2%) of all parking spaces shall be designated for parking for the handicapped.
8. Any service drive or other ingress or egress shall be adequately designed and paved in accordance with the regulations of the Department of Transportation in effect at the time of construction and in compliance with the Municipal Code of the City of Chicago, to provide ingress and egress for motor vehicles, including emergency vehicles. There shall be no parking within such paved areas. Ingress and egress shall be subject to the review and approval of the

Department of Transportation, Bureau of Traffic Engineering and Operations and of the Commissioner of the Department of Planning and Development.

9. Height restriction of any new building depicted on the Elevations (hereinafter defined) attached hereto or any appurtenance thereto shall, in addition, be subject to:
  - a) Height limitations as certified on Form FAA-117 or successor forms involved in the same subject matter and approved by the Federal Aviation Administration; and
  - b) Airport zoning regulations as established by the Department of Planning and Development, Department of Aviation, and Department of Law, and approved by the City Council.
10. For purposes of maximum Floor Area Ratio (F.A.R.) calculations, the definitions in the Chicago Zoning Ordinance shall apply; provided, however, that in addition to the other exclusions from Floor Area for purposes of determining F.A.R. permitted by the Chicago Zoning Ordinance, all floor area devoted to mechanical equipment rooms in excess of 5,000 square feet, in a single location, regardless of placement in the building, shall be excluded.

In addition, landscaping (including street trees in the adjacent right-of-way) shall be installed and maintained in accordance with the parkway tree provisions of the Chicago Zoning Ordinance and corresponding regulations and guidelines.
13. The terms, conditions and exhibits of this Planned Development Ordinance may be modified administratively by the Commissioner of the Department of Planning and Development upon the request of the Applicant and after a determination by the Commissioner that such a modification is minor, appropriate, consistent with the nature of the development of the Property contemplated in this Planned Development Ordinance and will not result in increasing the maximum floor area ratio for the total Property. Any such modification shall be deemed to be a minor change in the Planned

Development Ordinance as contemplated by Section 11.11-3(c) of the Chicago Zoning Ordinance. Notwithstanding the provisions of subclauses (4) and (5) of Section 11.11-3(c) of the Chicago Zoning Ordinance, such minor changes may include a reduction in the minimum required distance between structures, a reduction in periphery setbacks or an increase of the maximum percent of land covered.

14. The Applicant acknowledges that it is in the public interest to design, construct and maintain all buildings in a manner which promotes and maximizes the conservation of energy resources. The Applicant shall use best and reasonable efforts to design, construct and maintain all new buildings to be located within this Planned Development in an energy efficient manner, generally consistent with most current energy efficiency standards published by the American Society of Heating, Refrigerating and Air-Conditioning Engineers ("A.S.H.R.A.E.") and the Illuminating Engineering Society ("I.E.S."). Copies of these standards may be obtained from the Department of Planning and Development.
15. Unless substantial construction of the proposed Radiology Department addition (as depicted upon the Site Plan) has commenced within ten (10) years of the adoption of this Planned Development and is thereafter diligently pursued, then this Planned Development shall expire; provided, however, that if the City Council amends the Chicago Zoning Ordinance to provide for a shorter expiration period which is applicable to all Planned Developments, then this Planned Development shall expire upon the expiration of such shorter time period as provided by said amendatory ordinance (the first day of which, as applied to this Planned Development, shall be the effective date of the amendatory ordinance). If this Planned Development expires under the provisions of this section, then the zoning of the Property shall revert to the zoning as it was on the day before the passage of this Planned Development Ordinance (Institutional Planned Development No. 130 and R2 Single-Family Residence District, as depicted upon the attached Existing Zoning and Street System Map).
