SECTION 3. Bond Provisions. All or any portion of the Bonds may be issued as Bonds payable as to principal and interest in one payment on a fixed date ("Capital Appreciation Bonds") or as Bonds payable as to principal on a fixed date or dates with interest payable semiannually on January 1 and July 1 of each year ("Current Interest Bonds").

Any Bonds issued as Capital Appreciation Bonds shall be dated the date they are initially issued and delivered to the initial purchasers from the City and shall also bear the date of authentication, shall be in fully registered form, shall be numbered as determined by the bank or trust company designated by the City Comptroller, or its successor, as bond registrar and paying agent (the "Bond Registrar"), and shall be in denominations equal to the Original Principal Amount of such Capital Appreciation Bonds ("Original Principal Amount") or any integral multiple of that amount, each such Original Principal Amount representing Compound Accreted Value at

maturity of \$5,000 or any integral multiple of that amount. No single Bond shall represent Compound Accreted Value maturing on more than one date. The "Compound Accreted Value" of a Bond on any date of determination shall be an amount equal to the Original Principal Amount (or integral multiple of that amount) plus an investment return accrued to the date of such determination at a semiannual compounding rate which is necessary to produce the yield to maturity borne by such Capital Appreciation Bond (the "Yield to Maturity").

Any Bonds issued as Current Interest Bonds shall be dated such date as shall be determined by the City Comptroller at the time of sale of the Bonds, or on the January 1 or the July 1 on or next preceding their authentication and delivery to which interest has been paid, whichever is later, shall be in fully registered form, shall be in denominations of \$5,000 each or any integral multiple of that amount, and shall be numbered 1 and upward. No single Bond shall represent installments of principal maturing on more than one date.

The Current Interest Bonds shall bear interest at a rate or rates, and the Capital Appreciation Bonds shall have Yields to Maturity, not in excess of ten percent per year.

Bonds may also be issued, as provided by the City Comptroller, on which the interest shall be paid as appreciation in principal to a certain date, and then by current interest, the terms of which Bonds shall be specified by the City Comptroller. Any such Bonds shall have yields to their maturities, including current interest, not in excess of ten percent.

The Bonds shall become due and payable on or before January 1, 2024, as determined by the City Comptroller as provided in this ordinance. The aggregate of (a) the principal amount of the Current Interest Bonds payable, whether at maturity or by virtue of mandatory redemption, on any January 1 (after taking into account prior required mandatory redemptions of such Current Interest Bonds) and the interest to be payable on those Bonds on that January 1 and the preceding July 1 and (b) the Compound Accreted Value of any Capital Appreciation Bonds payable on any such January 1 (after taking into account prior required mandatory redemptions of such Capital Appreciation Bonds), shall not exceed for any period the applicable amount of taxes levied in Section 8, plus any amounts set aside for that purpose upon the issuance of the Bonds.

Each Capital Appreciation Bond shall bear interest from its date at the rate per year, compounded semiannually on each January 1 and July 1, with the first compounding date being the January 1 or July 1 as determined by the City Comptroller at the time of sale of such Capital Appreciation Bonds, which will produce the Yield to Maturity until its maturity date. Interest on the Capital Appreciation Bonds shall be payable only at the respective maturity or redemption dates.

Each Current Interest Bond shall bear interest from its date, until the principal amount of such Bond is paid, such interest (computed upon the basis of a 360-day year of twelve 30-day months) being payable on January 1 and July 1 of each year, with the first interest payment date being the January 1 or July 1 as determined by the City Comptroller at the time of sale of those Current Interest Bonds. Interest on each Current Interest Bond shall be paid to the person in whose name such Bond is registered at the close of business on the fifteenth day of the month next preceding the interest payment date, by check or draft of the Bond Registrar, or, at the option of any Registered Owner (as defined below) of \$1,000,000 or more in aggregate principal amount of Current Interest Bonds, by wire transfer of immediately available funds to such bank in the continental United States as the Registered Owner of such Bonds shall request in writing to the Bond Registrar.

The Compound Accreted Value of the Capital Appreciation Bonds and the principal of and redemption premium, if any, on the Current Interest Bonds shall be payable in lawful money of the United States of America upon the presentation and surrender of the Bonds at the principal corporate trust office of the Bond Registrar.

Each of the Bonds shall be designated "General Obligation Bond, Project Series 1993", with such additions or modifications as shall be determined to be necessary by the City Comptroller at the time of the sale of such Bonds to reflect whether the Bonds are Capital Appreciation Bonds or Current Interest Bonds and any other authorized features of the Bonds determined by the City Comptroller as desirable to be reflected in the title of the Bonds.

The seal of the City or a facsimile of the seal shall be affixed to each of the Bonds, and the Bonds shall be executed by the manual or facsimile signatures of the Mayor and the City Comptroller and attested by the manual or facsimile signature of the City Clerk, and in case any officer whose signature shall appear on any Bond shall cease to be such officer before the delivery of such Bond, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery.

All Bonds shall contain a certificate of authentication substantially in the form set forth in this ordinance duly executed by the Bond Registrar as authenticating agent of the City and showing the date of authentication. No Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit under this ordinance unless and until such certificate of authentication shall have been duly executed by the Bond Registrar by manual signature, and such certificate of authentication upon any such Bond shall be conclusive evidence that such Bond has been authenticated and delivered under this ordinance. The certificate of authentication on any Bond shall be deemed to have been executed by the Bond Registrar if signed by an authorized officer of the Bond Registrar, but it shall not be necessary

that the same officer sign the certificate of authentication on all of the Bonds issued under this ordinance.

SECTION 4. Transfer, Registration And Redemption.

(a) Registration and Transfer. The City shall cause books (the "Bond Register") for the registration and for the transfer of the Bonds as provided in this ordinance to be kept at the principal corporate trust office of the Bond Registrar, as the registrar for the Bonds. The City is authorized to prepare, and the Bond Registrar shall keep custody of, multiple Bond blanks executed by the City for use in the transfer and exchange of Bonds.

Upon surrender for transfer of any Bond at the principal corporate trust office of the Bond Registrar, duly endorsed by, or accompanied by a written instrument or instruments of transfer in a form satisfactory to the Bond Registrar and duly executed by the Registered Owner or the Registered Owner's agent duly authorized in writing, the City shall execute and the Bond Registrar shall authenticate, date and deliver in the name of the transferee or transferees (a) in the case of any Capital Appreciation Bond, a new fully registered Capital Appreciation Bond or Bonds of the same maturity of authorized denominations, for the same aggregate Original Principal Amount of Capital Appreciation Bond or Bonds of the same maturity of other authorized denominations, or (b) in the case of any Current Interest Bond, a new fully registered Current Interest Bond or Bonds of the same interest rate and maturity of authorized denominations, for the same aggregate principal amount. Any Capital Appreciation Bond or Bonds may be exchanged at that office of the Bond Registrar for the same aggregate Original Principal Amount of Capital Appreciation Bond or Bonds of the same maturity of other authorized denominations. Any Current Interest Bond or Bonds may be exchanged at that office of the Bond Registrar for the same aggregate principal amount of Current Interest Bond or Bonds of the same interest rate and maturity of other authorized denominations. The execution by the City of any fully registered Bond shall constitute full and due authorization of such Bond, and the Bond Registrar shall be authorized to authenticate, date and deliver such Bond. However, (a) the aggregate Original Principal Amount of outstanding Capital Appreciation Bonds of each maturity authenticated by the Bond Registrar shall not exceed the authorized aggregate Original Principal Amount of Capital Appreciation Bonds of such maturity less previous retirements and (b) the principal amount of outstanding Current Interest Bonds of each maturity authenticated by the Bond Registrar shall not exceed the authorized principal amount of Current Interest Bonds for such maturity less previous retirements.

The Bond Registrar shall not be required to transfer or exchange any Current Interest Bond or Capital Appreciation Bond (a) during the period beginning at the close of business on the fifteenth day of the calendar month next preceding any interest payment date on such Current Interest Bond

and ending on such interest payment date, (b) after notice calling such Bond for redemption has been mailed, or (c) during a period of fifteen (15) days preceding mailing of a notice of redemption of such Bond.

The person in whose name any Bond shall be registered (the "Registered Owner") shall be deemed and regarded as its absolute owner for all purposes, and payment of the Compound Accreted Value of, principal of, premium, if any, or interest on, any Bond shall be made only to or upon the order of the Registered Owner of the Bond or the Registered Owner's authorized agent. All such payments shall be valid and effective to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid. In the event any of the Bonds are registered in the name of a securities depository that uses a book-entry system, the standing of the owners to enforce any of the covenants in this ordinance may be established through the books and records of such securities depository or a participant in the depository.

No service charge shall be made for any transfer or exchange of Bonds, but the City or the Bond Registrar may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of such Bonds except that no such payment may be required in the case of the issuance of a Bond or Bonds for the unredeemed portion of a Bond surrendered for redemption.

(b) Book-Entry Only System. If so determined and directed by the City Comptroller, the Bonds shall be initially issued in the form of a separate single fully registered Bond for each of the maturities of such Bonds determined by the City Comptroller as provided in Section 3. Upon initial issuance, the ownership of each such Bond (the "Book-Entry Bonds") shall be registered in the Bond Register in the name of such securities depository company as shall be determined by the City Comptroller, or in the name of its nominee, or its successors and assigns (the "Securities Depository"). In the event that the City Comptroller determines to use the book-entry system of the Securities Depository as provided in this Section 4(b), all of the outstanding Book-Entry Bonds shall be registered in the name of such Securities Depository, or its nominee, except as provided in this ordinance. The City Comptroller is authorized to determine whether or not the book-entry services of the Securities Depository will be used and if used, the City Comptroller is authorized to execute and deliver on behalf of the City such letters to or agreements with the Securities Depository and the Bond Registrar as shall be necessary to effectuate such book-entry (any such letter or agreement being referred to as the "Representation Letter").

With respect to Book-Entry Bonds, the City and the Bond Registrar shall have no responsibility or obligation to any broker-dealer, bank or other financial institution for which the Securities Depository holds Bonds from time to time as Securities Depository (each such broker-dealer, bank or other financial institution being referred to as a "Participant") or to any person on behalf of whom such a Participant holds an interest in the Book-Entry Bonds. Without limiting the immediately preceding sentence, the City and

the Bond Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of the Securities Depository, its nominee or any Participant with respect to any ownership interest in the Book-Entry Bonds, (ii) the delivery to any Participant or any other person, other than a Registered Owner of a Book-Entry Bond as shown in the Bond Register, of any notice with respect to the Book-Entry Bonds, including any notice of redemption, or (iii) the payment to any Participant or any other person, other than a Registered Owner of a Book-Entry Bond as shown in the Bond Register, of any amount with respect to Compound Accreted Value of, principal of, premium, if any, or interest on, the Book-Entry Bonds. The City and the Bond Registrar may treat and consider the person in whose name each Book-Entry Bond is registered in the Bond Register as the holder and absolute owner of such Bond for the purpose of payment of Compound Accreted Value of, principal of, premium, if any, and interest on such Bond; for the purpose of giving notices of redemption and other matters with respect to such Bond; for the purpose of registering transfers and exchanges with respect to such Bond and for all other purposes whatsoever. The Bond Registrar shall pay the Compound Accreted Value of, principal of, premium, if any, and interest on the Book-Entry Bonds only to or upon the order of the respective Registered Owners of the Book-Entry Bonds, as shown in the Bond Register, or their respective agents duly authorized in writing, and all such payments shall be valid and effective to satisfy and discharge fully the City's obligations with respect to payment of Compound Accreted Value of, principal of, premium, if any, and interest on the Book-Entry Bonds to the extent of the sum or sums so paid. No person other than a Registered Owner of a Book-Entry Bond as shown in the Bond Register shall receive a certificate evidencing the obligation of the City to make payments of Compound Accreted Value of, principal of, premium, if any, and interest on any Bond. Upon delivery by the Securities Depository to the City and the Bond Registrar of written notice to the effect that the Securities Depository has determined to substitute a new nominee in place of the existing nominee of the Securities Depository and subject to the provisions in Section 3 with respect to the payment of interest by the mailing of checks or drafts or by wire transfer to the Registered Owners of Current Interest Bonds at the close of business on the fifteenth day of the month next preceding the applicable interest payment date, the nominee of such Securities Depository shall refer to such new nominee of the Securities Depository.

With respect to the City and the Securities Depository, the following provisions shall apply:

- (i) The Securities Depository may determine to discontinue providing its services with respect to the Bonds at any time by giving notice to the City Comptroller and discharging its responsibilities under applicable law.
- (ii) The City may in its sole discretion and without the consent of any other person, terminate the services of the Securities Depository with respect to the Bonds if the City determines, and

shall terminate the services of the Securities Depository with respect to the Bonds upon receipt by the City of written notice from the Securities Depository to the effect that it has received written notice from its Participants having interests, as shown in its records, in an aggregate principal amount of not less than fifty percent of the then outstanding Bonds to the effect that:

- a) the Securities Depository is unable to discharge its responsibilities with respect to the Bonds, or
 - b) a continuation of the requirement that all of the Bonds be registered in the Bond Register in the name of the nominee of the Securities Depository is not in the best interest of the beneficial owners of the Bonds.
- (iii) Upon the termination of the services of the Securities Depository with respect to the Bonds, or upon the discontinuance or termination of the services of the Securities Depository with respect to the Bonds after which no substitute Securities Depository willing to undertake those functions of the Securities Depository can be found which, in the opinion of the City Comptroller, is willing and able to undertake such functions upon reasonable and customary terms, the Bonds shall no longer be restricted to being registered in the Bond Register in the name of the nominee of the Securities Depository, but may be registered in whatever name or names the Registered Owner transferring or exchanging Bonds shall designate, in accordance with the provisions of this ordinance.

Notwithstanding any other provision of this ordinance to the contrary, all payments with respect to Compound Accreted Value of, principal of, premium, if any, and interest on any Book-Entry Bond and all notices with respect to such Bond shall be made and given, respectively, in the manner provided in the Representation Letter.

(c) Bonds Lost, Destroyed or Improperly Cancelled. If any Bond, whether in temporary or definitive form, is lost (whether by reason of theft or otherwise), destroyed (whether by mutilation, damage, in whole or in part, or otherwise) or improperly cancelled, the Bond Registrar may authenticate a new Bond of the same date, maturity, denomination and Original Principal Amount (in the case of Capital Appreciation Bonds) or principal amount (in the case of Current Interest Bonds) and bearing a number not then outstanding; provided that (i) in the case of any mutilated Bond, such mutilated Bond shall first be surrendered to the Bond Registrar and (ii) in the case of any lost Bond or Bond destroyed in whole, there shall be first furnished to the Bond Registrar evidence of such loss or destruction, together with indemnification of the City and the Bond Registrar, satisfactory to the Bond Registrar. In the event any lost, destroyed or

improperly cancelled Bond shall have matured or is about to mature, or has been called for redemption, instead of issuing a duplicate Bond, the Bond Registrar shall pay the Bond without surrender if there shall be first furnished to the Bond Registrar evidence of such loss, destruction or cancellation, together with indemnification to the City and the Bond Registrar, satisfactory to the Bond Registrar. Upon the issuance of any substitute Bond, the Bond Registrar may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation to it.

(d) Redemption. Current Interest Bonds may be redeemable prior to maturity at the option of the City, in whole or in part on any date, at such times and at such redemption prices (to be expressed as a percentage of the principal amount of such Bonds being redeemed not to exceed one hundred three percent of the principal amount, plus accrued interest to the date of redemption) as determined by the City Comptroller at the time of the sale of the Bonds. Capital Appreciation Bonds may be redeemable prior to maturity at the option of the City as determined by the City Comptroller at the time of their sale (at prices not to exceed one hundred three percent of the Compound Accreted Value at the date of redemption). If less than all of the outstanding Bonds are to be optionally redeemed, the Bonds to be called shall be called from such maturities as may be determined by the City and if less than all of a single maturity is so redeemed then by lot within a maturity in the manner provided in this ordinance unless otherwise determined by the City Comptroller at the time of the sale of the Bonds. Certain of the Current Interest Bonds may be made subject to mandatory redemption at par and accrued interest to the date fixed for redemption, and certain of the Capital Appreciation Bonds may be made subject to mandatory redemption at the Compound Accreted Value at the date fixed for redemption, as determined by the City Comptroller at the time of their sale.

The Bonds shall be redeemed only in the amount of \$5,000 each at maturity and integral multiples of that amount. In the event of the redemption of less than all the Bonds of the same maturity, the aggregate amount to be redeemed shall be \$5,000 at maturity or an integral multiple of that amount and the Bond Registrar shall assign to each Bond of such maturity a distinctive number for each \$5,000 amount at maturity of such Bond and shall select by lot from the numbers so assigned as many numbers as, at \$5,000 for each number, shall equal the amount at maturity of such Bonds to be redeemed. The Bonds to be redeemed shall be the Bonds or portions of Bonds whose assigned numbers were so selected; provided that only so much of the amount at maturity of each Bond shall be redeemed as shall equal \$5,000 for each number assigned to it and so selected. The City shall, at least forty-five days prior to the redemption date (unless a shorter time period shall be satisfactory to the Bond Registrar), notify the Bond Registrar of such redemption date and of the principal amount or Compound Accreted Value of Bonds to be redeemed. For purposes of any redemption of less than all of the outstanding Bonds of a single maturity, the particular

Bonds or portions to be redeemed shall be selected by the Bond Registrar not more than seventy-five days prior to the redemption date.

The Bond Registrar shall promptly notify the City in writing of the Bonds, or portions, selected for redemption and, in the case of any Bond selected for partial redemption, the principal amount or Compound Accreted Value to be redeemed.

SECTION 5. Notice of Redemption. Unless waived by any Registered Owner of Bonds to be redeemed, notice of the call for any redemption shall be given by the Bond Registrar on behalf of the City by mailing the redemption notice by first-class mail at least thirty days and not more than sixty days prior to the date fixed for redemption to the Registered Owner of the Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such Registered Owner to the Bond Registrar, but the failure to mail any such notice or any defect in the notice as to any Bond shall not affect the validity of the proceedings for the redemption of any other Bond.

All notices of redemption shall state:

- (i) the redemption date;
- (ii) the redemption price;
- (iii) if less than all outstanding Bonds are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts or Compound Accreted Value) of the Bonds to be redeemed;
- (iv) that on the redemption date the redemption price will become due and payable upon each such Bond or portion called for redemption, and that interest shall cease to accrue from and after that redemption date;
- (v) that the Bonds shall be surrendered for payment of the redemption price, at the principal corporate trust office of the Bond Registrar; and
- (vi) such other information as shall be deemed necessary by the Bond Registrar at the time such notice is given to comply with any law, regulation or industry standard.

On or prior to any redemption date, the City shall deposit with the Bond Registrar an amount of money sufficient to pay the redemption price of all the Bonds or portions which are to be redeemed on that date.

Notice of redemption having been so given, the Bonds or portions so to be redeemed shall, on the redemption date, become due and payable at the redemption price plus accrued interest, and from and after such date (unless

the City shall not pay the redemption price) such Bonds, or portions shall cease to bear interest. Upon surrender of such Bonds for redemption in accordance with that notice, such Bonds shall be paid by the Bond Registrar at the redemption price. Upon surrender for any partial redemption of any Bond, there shall be prepared for the Registered Owner a new Bond or Bonds of the same interest rate and maturity in the amount of the unpaid principal or Compound Accreted Value .

If any Bond or portion of a Bond called for redemption shall not be so paid upon surrender for redemption, the Bond shall, until paid, bear or accrete, respectively, interest from the redemption date at the rate or Yield to Maturity borne by the Bond or portion so called for redemption. All Bonds which have been redeemed shall be cancelled and destroyed by the Bond Registrar and shall not be reissued.

SECTION 6. Form of Bonds. The Bonds shall be prepared in substantially the following forms with such insertions and revisions as shall be necessary to reflect the terms and provisions of the sale of the Bonds pursuant to Section 11.

inclusive, and the Bonds maturing on January 1, _____ are subject to mandatory redemption prior to maturity on January 1 of the years _____ to _____, inclusive, in each case at an amount equal to one hundred percent of the Compound Accreted Value of such Bonds as of the date fixed for redemption.

If the City redeems pursuant to optional redemption, or purchases, Bonds which are subject to mandatory redemption and cancels them, then an amount equal to the Compound Accreted Value of such Bonds so redeemed or purchased shall be deducted from the mandatory redemption requirement as provided for such Bonds of such maturity in such order as the City Comptroller shall determine. The City Comptroller shall notify the Bond Registrar in writing of such determination.

In the event of the redemption of less than all the Bonds of like maturity, the aggregate amount to be redeemed shall be \$5,000 at maturity or an integral multiple of that amount and the Bond Registrar shall assign to each Bond of such maturity a distinctive number for each \$5,000 at maturity of such Bond and shall select by lot from the numbers so assigned as many numbers as, at \$5,000 for each number, shall equal the amount of such Bonds at maturity to be redeemed. When so called for redemption, this Bond will cease to accrete interest on the specified redemption date, provided funds for redemption are on deposit at the place of payment at that time.

This Bond is transferable by the Registered Owner in person or by the Registered Owner's agent duly authorized in writing at the principal corporate trust office of the Bond Registrar in Chicago, Illinois, but only in the manner, subject to the limitations and upon payment of the charges provided in the Bond Ordinance, and upon surrender and cancellation of this Bond. The Bonds are issued in fully registered form in Original Principal Amounts representing \$5,000 Maturity Amount or any integral multiple of that amount. This Bond may be exchanged at the principal corporate trust office of the Bond Registrar for the same aggregate Original Principal Amount of Bonds of the same maturity upon the terms set forth in the Bond Ordinance.

The City and the Bond Registrar may deem and treat the Registered Owner as the absolute owner of this Bond for the purpose of receiving payment of or on account of the Compound Accreted Value of this Bond and for all other purposes and neither the City nor the Bond Registrar shall be affected by any notice to the contrary.

If the City redeems pursuant to optional redemption or purchases Bonds subject to mandatory redemption and cancels them, then an amount equal to the principal amount of such Bonds so redeemed or purchased shall be deducted from the mandatory redemption requirement as provided for such Bonds of such maturity in such order as the City Comptroller shall determine. The City Comptroller shall notify the Bond Registrar in writing of such determination.

In the event of the redemption of less than all the Bonds of like maturity, the aggregate principal amount to be redeemed shall be \$5,000 or an integral multiple of that amount and the Bond Registrar shall assign to each Bond of such maturity a distinctive number for each \$5,000 principal amount of such Bond and shall select by lot from the numbers so assigned as many numbers as, at \$5,000 for each number, shall equal the principal amount of such Bonds to be redeemed. The Bonds to be redeemed in part shall be the Bonds whose assigned numbers were so selected; provided that only so much of the principal amount of each Bond shall be redeemed as shall equal \$5,000 for each number assigned to it and so selected.

Notice of any such redemption shall be sent by first class mail not less than thirty days nor more than sixty days prior to the date fixed for redemption to the Registered Owner of each Bond to be redeemed at the address shown on the registration books of the City maintained by the Bond Registrar or at such other address as is furnished in writing by such Registered Owner to the Bond Registrar; provided, that the failure to mail any such notice or any defect in the notice as to any Bond shall not affect the validity of the proceedings for the redemption of any other Bonds. When so called for redemption, this Bond will cease to bear interest on the specified redemption date, provided funds for redemption are on deposit at the place of payment at that time.

This Bond is transferable by its Registered Owner in person or by the Registered Owner's agent duly authorized in writing at the principal corporate trust office of the Bond Registrar in Chicago, Illinois, but only in the manner, subject to the limitations and upon payment of the charges provided in the Bond Ordinance, and upon surrender and cancellation of this Bond. Upon such transfer a new Bond or Bonds of authorized denominations, of the same interest rate and maturity and for the same

aggregate principal amount will be issued to the transferee in exchange for this Bond. The Bond Registrar shall not be required to transfer or exchange any Bond during the period beginning at the close of business on the fifteenth day of the calendar month preceding any interest payment date on such Bond and ending on such interest payment date, after notice calling such Bond for redemption has been mailed, or during a period of fifteen days preceding mailing of a notice of redemption of this Bond.

The Bonds are issued in fully registered form in the denomination of \$5,000 each or authorized integral multiples of that amount. This Bond may be exchanged at the principal corporate trust office of the Bond Registrar for the same aggregate principal amount of Bonds of the same interest rate and maturity of other authorized denominations, upon the terms set forth in the Bond Ordinance.

The City and the Bond Registrar may deem and treat the Registered Owner as the absolute owner of this Bond for the purpose of receiving payment of or on account of principal of this Bond and interest due on this Bond and redemption premium, if any, and for all other purposes and neither the City nor the Bond Registrar shall be affected by any notice to the contrary.

It is certified and recited that all conditions, acts and things required by law to exist or to be done precedent to and in the issuance of this Bond did exist, have happened, been done and performed in regular and due form and time as required by law; that the indebtedness of the City, including the issue of Bonds of which this is one, does not exceed any limitation imposed by law; that this Bond was duly issued for value for a purpose for which the City has the power so to issue Bonds; and that provision has been made for the collection of a direct annual tax sufficient to pay the interest on this Bond as it falls due (except to the extent payable from amounts set aside by the City for that purpose upon the issue of this Bond) and also to pay and discharge the principal of this Bond at maturity.

This Bond shall not be valid or become obligatory for any purpose until the certificate of authentication on this Bond shall have been signed by the Bond Registrar.

In Witness, The City of Chicago, by its City Council, has caused its corporate seal to be impressed or imprinted by facsimile on this Bond and this Bond to be signed by the duly authorized manual or facsimile signatures of the Mayor and City Comptroller and attested by the manual or facsimile signature of the City Clerk, all as of the Dated Date.

No taxes are levied to pay interest on Current Interest Bonds through January 1, 1995, which interest is to be paid from proceeds of the Bonds or other amounts set aside by the City for that purpose.

SECTION 9. Appropriation. The City shall include in its annual appropriation ordinances for each year in which any of the Bonds are outstanding amounts sufficient to pay the principal of and interest on the Bonds (including the Compound Accreted Value of any Capital Appreciation Bonds). This ordinance irrevocably appropriates, as a continuing appropriation, amounts for each such year to the extent amounts sufficient so to pay principal of and interest on the Bonds (including the Compound Accreted Value) are not so included in the annual appropriation ordinance.

SECTION 10. Tax Collection. A copy of this ordinance, duly certified by the City Clerk, shall be filed in the respective offices of the County Clerks of Cook and DuPage Counties, Illinois, and that filing shall constitute the authority for and it shall be the duty of those County Clerks, in each year beginning in 1995, to and including 2023, to extend the taxes levied pursuant to Section 8 for collection, such taxes to be in addition to and in excess of all other taxes previously or subsequently authorized to be levied by the City, and such taxes levied by this ordinance shall be extended for collection without limitation as to rate or amount.

SECTION 11. Sale of Bonds. Subject to the limitations set forth in this section, the City Comptroller is authorized to sell all or any portion of the Bonds from time to time, with the concurrence of the Chairman of the Committee on Finance of the City Council, on such terms as the City Comptroller may deem to be in the best interests of the City. Portions of the Bonds may be sold at one or more times in one or more blocks.

In connection with the sale of each block of Bonds, the City Comptroller shall make the following determinations: (a) the original principal amount of such block (which, together with all Bonds previously issued by the City

pursuant to this ordinance, shall not exceed the applicable amount set forth in Section 2), (b) whether the Bonds of such block will be issued as Current Interest Bonds or Capital Appreciation Bonds or Bonds in which interest will accrue by increase in principal amount to a date and then be paid currently, (c) the aggregate principal amount of Bonds maturing or subject to mandatory redemption in each year (subject to the limitations set forth in Section 3), (d) the interest rate or rates per year payable on the Bonds if issued as Current Interest Bonds, the Yield to Maturity and Original Principal Amount if issued as Capital Appreciation Bonds (subject to the applicable maximum interest rate or Yield to Maturity set forth in Section 3), (e) whether the Bonds of such block will be issued in book-entry or certificated form and the name of the book-entry depository, (f) the redemption provisions applicable to the Bonds (subject to the provisions of Section 4(d) of this ordinance), (g) the sale price of the Bonds (not less than ninety-eight percent of the Original Principal Amount less any net original issue discount), (h) the Dated Dates for Current Interest Bonds, (i) the first interest payment date for Current Interest Bonds and the first compounding date for Capital Appreciation Bonds, (j) whether the Bonds will be insured, the name of the bond insurer providing such insurance and any additional covenants with the bond insurer, (k) the underwriters of the Bonds in addition to their representative named in this ordinance, and (l) the name of the Bond Registrar.

Subsequent to each such sale, the City Comptroller shall file in the Office of the City Clerk a notification of sale directed to the City Council setting forth each of the determinations made by the City Comptroller pursuant to this section, and the Bonds so sold shall be duly prepared and executed in the form and manner provided in this ordinance.

The City Comptroller is authorized to execute and deliver a contract of purchase with respect to each sale of all or a portion of the Bonds. Each contract of purchase shall be in substantially the form previously used for general obligation financings of the City with appropriate revisions to reflect the terms and provisions of the Bonds. William Blair & Company is appointed as the representative with respect to the initial block of Bonds issued pursuant to this ordinance.

In connection with any sale of the Bonds, the City Comptroller is authorized to obtain a policy of bond insurance from such recognized bond insurer as the City Comptroller shall determine, if the City Comptroller determines such bond insurance to be desirable in connection with such sale of the Bonds. The City Comptroller may, on behalf of the City, make covenants with the bond insurer consistent with this ordinance.

In the event that the Bonds are sold so as to require the levy of taxes in any year less than the amount specified in Section 8, then the City Comptroller shall include, in the Determination Certificate for the sale of the final block of Bonds, the amount of any reduction in the amount levied in Section 8 for that year and any succeeding year resulting from the sale of

Bonds with lesser maturities (after taking into account mandatory redemptions) or lesser payments of interest, and, in addition, the City Comptroller shall file in the respective offices of the County Clerks of DuPage and Cook Counties certificates of tax abatement for such years. Any certificate of abatement delivered pursuant to this paragraph shall refer to the amount of taxes levied pursuant to Section 8, shall indicate the amount of reduction in the amount of taxes levied by the City resulting from the sale of the Bonds, which reduced amount is to be abated from such taxes, and shall further indicate the remainder of such taxes which is to be extended for collection by those County Clerks.

The preparation, use and distribution of a preliminary official statement relating to each sale and issuance of the Bonds is approved. The City Comptroller is authorized to execute and deliver an official statement relating to each sale and issuance of the Bonds on behalf of the City. The preliminary official statement and official statement authorized by this ordinance shall be in substantially the forms previously used for general obligation financings of the City with appropriate revisions to reflect the terms and provisions of the Bonds and to describe accurately the current financial condition of the City and the parties to the financing.

The Mayor, the City Comptroller, the City Treasurer, the City Clerk and the Deputy City Clerk are authorized to execute and deliver such other documents and perform such other acts as may be necessary or desirable in connection with the Bonds, including, but not limited to, the exercise following the delivery date of the Bonds of any power or authority delegated to such official under this ordinance with respect to the Bonds upon original issuance, but subject to any limitations on or restrictions of such power or authority as set forth in this ordinance.

SECTION 12. Use of Proceeds. The proceeds from the sale of the Bonds shall be used as follows:

(a) The accrued interest received from each sale shall be used to pay the first interest becoming due on the Current Interest Bonds sold.

(b) From the sale proceeds derived from time to time of the Bonds, (i) such sum as may be determined by the City Comptroller to be necessary to pay not more than four years of interest on the Bonds may be used to pay such interest, and (ii) the sum determined by the City Comptroller to be necessary to pay costs of the Neighborhood Renewal Program shall be deposited to the credit of the Project Fund if created and established pursuant to Section 13 or otherwise shall be held by the City Comptroller on behalf of the City for paying those costs.

(c) From the sale proceeds of the Bonds not applied as provided in paragraphs (a) and (b) above, the amount deemed necessary by the City Comptroller shall be applied to the payment of the costs of issuance of the Bonds and related administrative costs, including the premium for bond

insurance, if any, and any unexpended portion of the sale proceeds shall be paid to the City.

SECTION 13. Project Fund. The City may establish a special depository account, separate and segregated from all other funds and accounts of the City (the "Project Fund"), to be maintained with a bank or trust company to be designated by the City Comptroller into which there shall be deposited the proceeds of the Bonds described in clause (ii) of paragraph (b) of Section 12. Money on deposit in the Project Fund shall be withdrawn upon requisition of the City Comptroller specifying the purpose for which such requisition is being made. Money held in the Project Fund shall be invested at the direction of the City Comptroller. Income from investments of amounts received upon the sale of the Bonds shall be credited to the Project Fund, if created, unless otherwise directed by the City Comptroller, and is appropriated for the purposes for which the Bonds are issued.

SECTION 14. Tax Covenant. The covenants and agreements of the City set forth in this Section shall apply as long as any of the Bonds continue to bear interest (or for Capital Appreciation Bonds, so long as their principal amount continues to appreciate) and shall also apply after the Bonds cease to bear interest (or for Capital Appreciation Bonds, their principal amount ceases to appreciate) within such subsequent period as shall be required for the City to comply with the covenants of this Section. The City Comptroller may execute an agreement in the name of and on behalf of the City to ensure compliance with the requirements of this Section.

(a) The City (i) will take all actions which are necessary to be taken (and avoid taking any action which it is necessary to avoid being taken) so that interest on the Bonds (including appreciation in principal amount for Capital Appreciation Bonds) will not be or become subject to federal income taxation under present law, and (ii) will take all actions reasonably within its power to take which are necessary to be taken (and avoid taking any actions which are reasonably within its power to avoid taking and which it is necessary to avoid) so that interest on the Bonds (including appreciation in principal amount for Capital Appreciation Bonds) will not be or become includible in gross income for federal income tax purposes under the federal income tax laws as in effect from time to time.

(b) The City will, without limitation (i) restrict the yield on investments of amounts received upon the sale of the Bonds and other amounts, and (ii) timely rebate to the United States of America certain amounts which may be received as interest or other investment earnings on amounts received upon the sale of the Bonds or to be used to pay debt service on the Bonds, all as shall be necessary to comply with this Section. The City shall also make or cause to be made identifiable investments of amounts allocable to the Bonds as shall be necessary or appropriate in order to be able to ascertain the amounts which may be required so to be rebated to the United States of America. The City shall from time to time determine the amounts which

shall be subject so to be rebated and those amounts from time to time shall be rebated to the United States of America in the amounts and at the times as required.

SECTION 15. Defeasance.

(a) If the City shall pay or cause to be paid, or there shall otherwise be paid, to Registered Owners of the Bonds then outstanding, the principal, redemption premium, if any, and interest (including Compound Accreted Value) to become due on those Bonds, at the times and in the manner stipulated in this ordinance, then the obligation of the City with respect to payment of such principal redemption premium, if any, and interest shall be discharged and satisfied.

(b) Bonds for the payment or redemption of which money shall have been set aside and shall be held in trust by the Bond Registrar or an escrow trustee (through deposit by the City of funds for such payment or redemption or otherwise), whether at or prior to the maturity or the redemption date of such Bonds, shall be deemed to have been paid within the meaning of and with the effect expressed in paragraph (a) of this Section. In addition, any Bonds shall, prior to their maturity or redemption date, be deemed to have been paid within the meaning of and with the effect expressed in paragraph (a) of this Section if:

- (i) there shall have been deposited by the City with and held in trust by the Bond Registrar or escrow trustee, for those Bonds either money in an amount which shall be sufficient, or Government Obligations, as defined below, the principal of and interest on which when due will provide money which, without reinvestment, when added to the money, if any, so deposited at the same time, shall be sufficient to pay the principal of those Bonds at maturity or earlier redemption, redemption premium, if any, and interest (including the Compound Accreted Value) due and to become due on those Bonds on and prior to the redemption date or maturity date of the Bonds, as the case may be;
- (ii) in case any of the Bonds are to be redeemed on any date prior to their maturity, the City shall have given to the Bond Registrar irrevocable instructions to give any required notice of redemption as provided in this ordinance, which instruction the Bond Registrar has accepted in writing; and
- (iii) the City shall receive an opinion of nationally recognized bond counsel to the effect that the defeasance of the Bonds shall not cause interest on the Bonds to be included in "gross income" of the Registered Owner for federal income tax purposes.

(c) Neither Government Obligations nor money deposited under paragraph (b) of this Section nor principal or interest payments of any such Government Obligations shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal (at maturity or pursuant to earlier redemption), redemption premium, if any, and interest (including the Compound Accreted Value) on those Bonds. Any cash received from such principal or interest payments on such Government Obligations, if not then needed for such purpose, shall, to the extent practicable, be reinvested in Government Obligations maturing at times and in principal amounts sufficient to pay when due the principal, redemption premium, if any, and interest (including the Compound Accreted Value) to become due on those Bonds on and prior to such redemption date or maturity date of the Bonds, as the case may be.

(d) Nothing in this ordinance shall prohibit a deposit as provided in paragraph (b) of this Section from being subject to a subsequent sale of the Government Obligations and reinvestment of all or a portion of the proceeds of that sale in Government Obligations which, together with money to remain so held in trust, shall be sufficient to provide for payment of principal, redemption premium, if any, and interest (including the Compound Accreted Value) on those Bonds as provided in and subject to the conditions as set forth in paragraphs (b) and (c) of this Section. Amounts held by the Bond Registrar or escrow trustee in excess of the amounts needed so to provide for payment of the Bonds may be subject to withdrawal by the City.

(e) Governmental Obligations means direct obligations of, or obligations the principal of and interest on which are unconditionally guaranteed by the United States of America or trust receipts or other certificate of ownership evidencing an ownership interest in the principal of or interest on or both principal of and interest on, such Government Obligations.

SECTION 16. Authorized Officers. This ordinance is prepared in accordance with the powers of the City as a home rule unit under Article VII of the Illinois Constitution of 1970. The appropriate officers of the City are authorized to take such actions and do such things as shall be necessary to perform, carry out, give effect to and consummate the transactions contemplated by this ordinance and the Bonds.

SECTION 17. Bond Contract. The provisions of this ordinance shall constitute a contract between the City and the Registered Owners of the Bonds. Any pledge made in this ordinance and the provisions, covenants and agreements set forth in this ordinance to be performed by or on behalf of the City shall be for the equal benefit, protection and security of such Registered Owners except as expressly provided in this ordinance. All of the Bonds, regardless of the time or times of their issuance, shall be of equal rank without preference, priority or distinction of any of the Bonds over any other except as expressly provided in or pursuant to this ordinance.

SECTION 18. Proxies. The Mayor, the City Clerk and the City Comptroller may each designate another to act as their respective proxy and to affix their respective signatures to the Bonds whether in temporary or definitive form, and any other instrument, certificate or document required to be signed by the Mayor, the City Clerk or the City Comptroller pursuant to this ordinance and any instrument, certificate or document required by this ordinance. In such case, each shall send to the City Council written notice of the person so designated by each, such notice stating the name of the person so selected and identifying the instruments, certificates and documents which such person shall be authorized to sign as proxy for the Mayor, the City Clerk and the City Comptroller, respectively. A written signature of the Mayor, the City Clerk or the City Comptroller, respectively, executed by the person so designated underneath, shall be attached to each notice. Each notice, with the signature attached, shall be recorded in the Journal of the Proceedings of the City Council and filed with the City Clerk. When the signature of the Mayor, the City Clerk or the City Comptroller is placed on an instrument, certificate or document at the direction of the Mayor, the City Clerk or the City Comptroller, as the case may be, in the specified manner, the same, in all respects, shall be as binding on the City as if signed by the Mayor, the City Clerk or the City Comptroller in person, as the case may be.

SECTION 19. Bond Registrar. If requested by the Bond Registrar, the City Comptroller is authorized to execute an agreement between the City and the Bond Registrar with respect to its obligations and duties.

SECTION 20. Application of Proceeds. The Budget Director of the City may authorize the reallocation of the amounts set forth in Exhibit A among the various items referred to in Exhibit A as in the judgment of the Budget Director the needs of the City may require. The proceeds of the Bonds shall be applied to the payment of the costs exclusively of projects and related improvements of the nature set forth in Exhibit A, except, subject to the approval of the Budget Director, the proceeds of the Bonds may also be used for the purpose of paying costs of capital facilities and improvements of the City other than as so set forth, provided that such proceeds are reappropriated for such purpose by the City Council, subject to the requirements of Section 14.

SECTION 21. Supremacy. To the extent that any ordinance, resolution, rule, order or provision of the Municipal Code of Chicago, or part of it, is in conflict with the provisions of this ordinance, the provisions of this ordinance shall be controlling. If any section, paragraph, clause or provision of this ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this ordinance.

SECTION 22. Effectiveness. This ordinance shall be published by the City Clerk, by causing to be printed in pamphlet form at least twenty-five

copies which are to be made available in his or her office for public inspection and distribution to members of the public who may wish to avail themselves of a copy of this ordinance, and this ordinance shall be in full force and effect from and after its adoption, approval by the Mayor and such publication.

WHEREAS, The City has determined that the continuance of a shortage of affordable rental housing is harmful to the health, prosperity, economic stability and general welfare of the City; and

WHEREAS, The City has programmed \$7,060,000 of Community Development Block Grant funds for its Multi-Family Loan Program (the "Multi-Program") in Program Year XIX, wherein acquisition and rehabilitation loans are made available to owners of rental properties containing five or more dwelling units located in low- and moderate-income areas, and the Multi-Program is administered by the City's Department of Housing ("D.O.H."); and

WHEREAS, The City on or about October 2, 1990 made two loans to TNI Development Corporation, an Illinois corporation (the "Borrower"), the first in the original principal amount of \$29,473 (which loan was subsequently modified on or about December 21, 1990 to shorten the term thereof) as described in Exhibit A attached hereto and made a part hereof (the "5501 Loan") and the second, in the original principal amount of \$64,266 (which loan was subsequently modified on or about December 21, 1990 to shorten the term thereof) as described in Exhibit A hereto (the "5024 Loan"; the 5501 Loan and the 5024 Loan are collectively called the "Original D.O.H. Memorandum Of Intent.

This Memorandum of Intent is between the City of Chicago, an Illinois municipal corporation (the "City") and Cloverhill Pastry-Vend Corporation, an Illinois corporation (the "Corporation").

1. Preliminary Statement. Among the matters of mutual inducement which have resulted in this Memorandum of Intent are the following:

(a) The City has the authority to issue its industrial development bonds to finance industrial development projects.

(b) The Corporation has proposed a certain industrial development project to be located at 2035 North Narragansett Avenue, Chicago, Illinois, consisting of the acquisition of real property, demolition of existing structures, construction of a new 54,000 square foot facility, and the purchase of equipment therefor (the "Project"), which Project is expected to cost not in excess of \$7,000,000. (d) Subject to due compliance with all requirements of law, by virtue of such authority as may now or hereafter be conferred on the City, and subject to receipt of adequate assurance from the Corporation that there are one or more purchasers for the Bonds, the City intends to issue and sell the Bonds in an amount not to exceed \$7,000,000, in order to finance all or a portion of the costs of the Project.

2. Undertakings on the part of the City. Subject to conditions stated herein, the City intends as follows:

(b) To enter into a financing agreement with the Corporation whereby the Corporation will pay to, or on behalf of, the City such sums as shall be sufficient to pay the principal of and interest and redemption premium, if any, on the Bonds as and when the same shall become due and payable.

3. Approvals. The intention of the City to proceed is subject to approval by it and its attorneys of all appropriate documents, and to satisfaction of the requirements of local, state and federal laws, including but not limited to Section 147(f) of the Code.

4. Undertakings on the part of the Corporation. Subject to the conditions stated herein, the Corporation agrees as follows:

(a) To use all reasonable efforts to find one or more purchasers for the Bonds.

(b) To enter into agreements with the City, contemporaneously with the delivery of the Bonds, pursuant to which the Corporation will obligate itself to pay to or on behalf of the City, sums sufficient to pay the principal

of and interest and redemption premium, if any, on the Bonds as and when the same shall become due and payable.

5. General Provisions. All commitments of the City under paragraph 2 hereof and the Corporation under paragraph 4 hereof are subject to the condition that, on or before 365 days from the date hereof (or such other date as shall be mutually satisfactory to the City and the Corporation), the City and the Corporation shall have agreed to mutually acceptable terms and conditions of the agreements referred to in paragraphs 2 and 4 hereof and of the Bonds and other instruments or proceedings relating to the Bonds. In the event that the City and the Corporation do not agree to such mutually acceptable terms and conditions, or in the event that the Bonds are not issued hereunder, neither party shall be bound or obligated to perform any action under the terms of this Memorandum of Intent; provided, however, that the Corporation shall be obligated to pay all out-of-pocket costs reasonably incurred by the City in connection with this Memorandum of Intent.

(b) the municipal occupation tax authorized by Section 8-11-2(2a) of the Illinois Municipal Code and imposed by Chapter 3-40 of this Code applies to sales of gas by local public utilities but not to sales by sellers outside the state of Illinois;

(c) the City has the home rule power to tax the use of tangible personal property such as gas purchased from sellers not subject to the municipal occupation tax.

SECTION 1.2 The Municipal Code of Chicago is amended by adding a new chapter, designated as Chapter 3-41, to read as follows:

SECTION 18. Section 9-96-010 of the Municipal Code of Chicago is hereby amended by deleting the language bracketed and inserting the language in italics, as follows:

9-96-010 Vehicle Immobilization Program.

(a) The City parking administrator is authorized to direct and supervise a program of vehicle immobilization as provided in this section. The program of vehicle immobilization shall provide for immobilizing any eligible vehicle upon the public way by placement of a restraint in such a manner as to prevent its operation or if the eligible vehicle is parked or left in violation of any provision of the traffic code for which such vehicle is subject to an immediate tow pursuant to Section 9-92-030, or in any place where it constitutes an obstruction or a hazard, or where it impedes City workers during such operations as snow removal, the City parking administrator may cause the eligible vehicle to be towed to a City vehicle pound or relocated to a legal parking place and there restrained. For the purposes of this section only, "public way" means any sidewalk, roadway, alley or other public thoroughfare and any City-owned parking facility or other City property.

(b) A vehicle shall be eligible for immobilization as provided herein any time after inclusion of its state registration number on an immobilization list. A vehicle's state registration number shall be included on an immobilization list only if:

(1) The registered owner of the vehicle has accumulated ten (10) or more parking violation complaints in the Circuit Court of Cook County on which no payment has been made or appearance filed within the time specified by the complaints;

(2) At least twenty-one (21) days prior to placing the registration plate number of the vehicle on the immobilization eligibility list, notice of impending vehicle immobilization has been sent to the registered owner first class mail, postage prepaid, at the address of the registered owner recorded with the Secretary of State or, in the case of a vehicle bearing a registration number of a state other than Illinois, at the

address of the registered owner recorded in that state's registry of motor vehicles.

(c) The notice required in subsection (b) shall state the name and address of the registered owner, the state registration number of the vehicle, the nature of the ordinances violated and the numbers and issue dates of the outstanding complaints. The notice shall also advise that a person may challenge the validity of the notice of impending vehicle immobilization by appearing in person and submitting evidence which would conclusively disprove liability, such as the following:

(1) That the person was not the owner or lessee of the vehicle on the date or dates the notices of parking violations were issued; or

(2) That the fines or penalties for the violations cited in the report were paid; or

(3) That the registered owner has not accumulated ten (10) or more parking violation complaints which are unpaid, not adjudicated or for which no appearance has been filed.

(d) Upon immobilization of an eligible vehicle, a notice shall be affixed to the vehicle in a conspicuous place. Such notice shall warn that the vehicle is immobilized and that any attempt to move the vehicle may result in its damage. The notice shall also state that the unauthorized removal of or damage to the immobilizing restraint is a violation of Sections 16-1 and 21-1 of the Illinois Criminal Code. The notice also shall provide information specifying how release of the immobilizing restraint may be had, and how the registered owner may obtain an immobilization hearing pursuant to this section.

(e) Except where the vehicle is otherwise subject to towing, if the immobilizing restraint has not been released pursuant to subsection (f) within twenty-four (24) hours of its placement, the restraint shall be released and the vehicle towed and impounded.

(f) Prior to a hearing on the validity of the immobilization as provided in subsection (h), the owner of an immobilized vehicle or other authorized person shall be permitted to secure release of the vehicle by:

(1) Paying the immobilization and towing and storage fees, if applicable, specified in subsection (i); and

(2) Taking one of the following actions:

Paying all the fines and penalties, if any, on the outstanding complaints for which notice had been sent prior to the date of the immobilization; or

Completing appearance forms on all outstanding parking violation complaints for which notice had been sent prior to the date of the immobilization and depositing collateral in the amount of 50 percent of the total fines for these outstanding parking violation complaints, or \$500.00, whichever is less.

(g) Within ten (10) days after a vehicle has been impounded, notice of impoundment shall be sent by certified mail, return receipt requested, to the registered owner of the vehicle at the address to which the notice specified in subsection (b) (2) was mailed. The notice shall state that the owner has the right to a post-immobilization and post-towing hearing as provided in subsection (h), and that if the car is not claimed within thirty (30) days from the date of the notice, the vehicle may be sold or otherwise disposed of in accordance with the traffic code.

(h) The owner of an immobilized vehicle shall have the right to a hearing to determine whether the immobilization or any subsequent towing was erroneous or whether the vehicle was properly included on an immobilization list, if the owner files a written demand for a hearing with the city parking administrator within fourteen (14) days after issuance of the notice specified in subsection (g) or within fourteen (14) days of the immobilization, whichever is later. A hearing shall be conducted within forty-eight (48) hours of receipt of a written demand for hearing, unless otherwise mutually agreed by the parties. Failure to request or attend a scheduled hearing shall be deemed a waiver of the right to a hearing. In event of such failure, any amount deposited pursuant to subsection (f) (1) shall be forfeited. A hearing provided by this section shall not determine the validity of or otherwise adjudicate any citation or notice of parking violation issued relative to the immobilized vehicle.

(i) The fee for immobilization shall be \$60.00; the fee for towing subsequent to immobilization shall be [~~\$100.00~~] \$105.00, or [~~\$125.00~~] \$135.00 if the vehicle has a gross weight of 8,000 pounds or more; and the storage fee shall be [~~\$5.00~~] \$10.00 per day, or [~~\$15.00~~] \$25.00 per day if the vehicle has a gross weight of 8,000 pounds or more, provided that no fees shall be assessed for any immobilization or tow which has been determined to be erroneous.

(j) It shall be unlawful to relocate or tow any vehicle restrained by an immobilizing device without the approval of the city parking administrator. The registered owner of the immobilized vehicle and any person who relocates an immobilized vehicle in violation of this subsection shall each be subject to a penalty of \$500.00 for such violation.

Alderman Burke moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

WHEREAS, The City of Chicago is a home rule unit pursuant to the 1970 Illinois Constitution, Article VII, Section 6(a); and

WHEREAS, The increasing volume and variety of solid waste generated in the City of Chicago create conditions that threaten the public health, safety, and well-being of the residents of Chicago by contributing to land pollution, wasting resources, producing litter and generally deteriorating the environment; and

WHEREAS, The City Council of the City of Chicago hereby finds that a significant amount of the solid waste generated in the City of Chicago consists of recyclable materials that are needlessly discarded each year and should be recovered from the City's waste stream and reused in the manufacture of new goods; and

WHEREAS, The City Council of the City of Chicago hereby finds that the substantial increase in the cost of refuse disposal makes the recovery of such recyclable materials essential to reduce the amount of municipal waste

requiring disposal, thus reducing the consumption of and demand for landfill space, aiding in the conservation of valuable resources, and curbing the rise in taxes; and

WHEREAS, The City Council of the City of Chicago has adopted The Solid Waste Management Plan (the "Plan") which evaluates and recommends options for the handling of solid waste in a manner which will reduce land, air, and water pollution and conserve the natural, economic and energy resources of the City; and

WHEREAS, The Plan provides for the implementation of various programs to achieve its source reduction and recycling goals by 1996; and

WHEREAS, The Plan also recognizes that the development and implementation of effective source reduction and recycling programs for establishments that receive solid waste collection service by private waste haulers, and not by the City of Chicago, is necessary if the City of Chicago is to realize the waste reduction and recycling goals in the Plan and increase the quantity of recyclable material available for reprocessing and remanufacture; and

WHEREAS, The City Council of the City of Chicago hereby finds that it can most appropriately demonstrate its long-term commitment to environmental protection and effective solid waste management by establishing solid waste programs which encourage source reduction and source separation recycling activities at commercial, office and retail establishments and high density, condominium and cooperative residential buildings in the City of Chicago; and

WHEREAS, The City Council of the City of Chicago hereby finds that if the waste generating habits of individuals and businesses remain the same, recycling will not be sufficient to reduce our dependence on waste disposal, therefore the City encourages source reduction steps to reduce the amount and toxicity of waste that is generated, by changing purchasing and usage habits; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The Municipal Code of Chicago is hereby amended by adding a new Chapter 11-5 to read as follows:

11-5-010 Title And Purpose.

This Chapter shall be known and may be cited as the "Chicago High Density Residential and Commercial Source Reduction and Recycling Ordinance". It is hereby declared to be the policy of the City of Chicago to promote programs that (1) reduce the amount of waste generated at the source; and (2) recover materials, for the purpose of recycling, that would otherwise be discarded and return them to the economy. Source-separation

recycling is hereby recognized as the preferred method of recycling in the City of Chicago.

It is the purpose of this ordinance to achieve, at a minimum, the following recycling goals: 37.5%, by weight, for the entire City by 1996; 30%, by weight, for commercial and office establishments by 1996; and 12%, by weight, for high density, condominium, and cooperative residential buildings by 1996, as specified in the City of Chicago's Solid Waste Management Plan. It is also the purpose of this ordinance to promote a 25% recycling goal for haulers and recycling service providers. Building owners, waste haulers, recycling service providers, and building managers covered by this ordinance are required to implement recycling programs and are encouraged, wherever feasible, to implement programs which will exceed the above goals in order to further reduce the quantity of waste disposed, conserve natural resources, and decrease operating costs.

(2) On or before January 1, 1996 the program shall include, at a minimum, one of the following options:

(i) an additional item from the list of recyclable materials designated in subsection (d); or

(ii) two source reduction measures from a list promulgated by the Commissioner with the advice of an appointed advisory board as defined in Section 11-5-026(c). This list shall include, but not be limited to, the following: replacing disposable with renewable, refillable or returnable containers; reducing consumer packaging; using boxes, bags or other packaging alternatives made of post consumer recycled materials; switching to wipeable or reusable signage; double-sided copying; using long lasting, energy efficient light bulbs and fixtures; using reusable laser printer and copier toner cartridges; replacing disposable items with reusable items (i.e. dinnerware, towels, placemats and tablecloths); donating surplus food to foodbanks or soup kitchens; providing educational materials (i.e. flyers, brochures, banners, product displays, and labels) to customers on ways they can reduce waste; providing on site collection at buy back centers, drop off centers, or other on site collection and recycling of post consumer materials.

(e) Source separated recycling is the method of recycling preferred by the City for commercial establishments. Nothing in this Section, however, shall preclude a refuse collection customer from including post-collection separation in its effective recycling program. A refuse collection customer for a commercial establishment may use post-collection separation as the sole method of recycling if it can demonstrate an undue economic, safety, or space hardship. The form and content of such a demonstration shall be determined by rule by the Commissioner. At a minimum it shall require a source separation feasibility analysis which includes the following:

- (1) Identification of the types and relative amounts of waste produced;*
- (2) A description of the establishment's layout and operations;*

(f) A written plan describing the effective recycling program shall be kept on the premises for inspection by the Commissioner. This plan shall, at a minimum, identify: the recyclable materials included in the establishment's recycling program; the type(s) of collection method(s) utilized; a post-collection feasibility analysis, if applicable; the written quality reports when received under subsection 11-5-024(a)(2) of this Chapter; the source reduction methods utilized, if applicable; the post-consumer recyclable material(s) collected on site, if applicable.

The waste audit shall be kept on the premises as part of the refuse collection customer's recycling plan as required in subsection (g) and shall be made available for inspection by the Commissioner. The Commissioner may determine by rule promulgated pursuant to this Chapter the criteria for an adequate waste audit for purposes of this Section.*

(h) *Until the Commissioner determines that wet waste recycling is commercially and readily available, organic waste shall be excluded from the definition of solid waste for food service establishments, grocery stores, and other similar commercial establishments. These establishments shall meet the recycling goals established for that solid waste which remains after the organic waste component has been removed.*

(i) *A commercial establishment with more than one location in the City of Chicago may utilize a consolidated recycling program including any or all of the locations affected herein.*

11-5-024 Hauler Certification And Reporting Requirements.

The Commissioner shall review and approve the adequacy of these reports as a prerequisite to the issuance of any City of Chicago license for the collection and processing of municipal waste or recyclable materials. If the reports are not filed in a timely manner, or if the information provided is incomplete, the Commissioner may request that the Department of Revenue withhold a license until such time that the report is made complete. The timely submission of the above reports shall constitute compliance with the reporting requirements under Sections 4-260-045 and 4-252-035 of the Municipal Code.

(b) *Any and all specific information regarding materials collected or collection methods required to be reported to the Commissioner under subsection (a) of this Section shall be made available to the public for inspection and copying during normal business hours and in accordance*

with the Freedom of Information Act. Nothing in this subsection shall prohibit a licensee, covered under Section 11-5-024, from providing copies of their reports to the public on a voluntary basis.

(c) A hauler providing post-collection separation shall take reasonable steps to prevent contamination of paper by other waste during the collection, transport, and recovery of materials.

(d) Each hauler covered under this Section is required to notify, in writing within 30 days, any refuse collection customer with whom it has a contract and which customer has identified a recyclable material in their plan that is no longer being recycled.

(e) The provisions of Section 11-5-024 do not apply to offal scavengers as defined in Article III, sewer and catch basin cleaners as defined in Article IV, or night soil scavengers as defined in Article V of Chapter 4-260 of the Municipal Code.

11-5-025 Enforcement Provisions.

In order to meet the stated purposes of this Chapter, the Commissioner shall have the following enforcement powers:

(a) The Commissioner may seek the voluntary cooperation of the governing body, officers, or other officials of any condominium, cooperative, high density residential building, office establishment, retail establishment, scavenger, refuse hauler, recycling service provider, or building owners, managers, or agents to effectuate the purposes of this Chapter. In order to promote such cooperation, the Commissioner may seek to initiate a series of steps designed to assist and encourage the business or building to implement either a new source reduction and recycling program or to improve an existing program. Such steps may include, but are not limited to: a thorough review of the business's or building's recycling plan and implementation procedures; and allowing reasonable time for the building or business to improve existing efforts to comply with this Chapter.

(b) If, after the Commissioner seeks to put into effect the steps as set forth in 11-5-025(a), a condominium, cooperative, high density residential building owner, governing board or association, office or retail establishment owner or manager, scavenger, refuse hauler, or recycling service provider is found to be violating the terms of this Chapter, it shall be subject to fines not less than \$25 nor more than \$100 per day. Each day the violation continues shall constitute a separate and distinct violation.

(c) Upon the failure of any person or entity holding a license issued by the City of Chicago and subject to the requirements of this ordinance to

comply with the terms of this Chapter, and to come into compliance following attempts by the Commissioner to bring about compliance pursuant to 11-5-025(a), the license or licenses of such person or entity shall be revoked in accordance with Section 4-4280 of this Code upon recommendation of the Commissioner. The Commissioner or his designee shall be responsible for supplying the License Commissioner with all documentation and other information necessary to establish that revocation of a license should occur.

(d) Each licensee or license applicant for a City of Chicago business license, who is a refuse collection customer, shall be required to certify in a form to be determined by rule by the Commissioner that an effective recycling program will be conducted on the licensed premises during the license period. Each licensee or license applicant shall also provide the following: The name of its private hauler and, if applicable, recycling service provider, and whether post collection and/or source separation is utilized. The Commissioner may require an additional certification of recycling for businesses, owners and governing associations or boards which are not required to obtain a business license, provided, however, such certification shall not, in any manner, restrict a building owner's right to transfer their property.

(e) The Commissioner shall institute an audit program for the refuse haulers and recycling service providers covered under this Chapter. Facilities will be chosen at random and will be reviewed for compliance with this Chapter. Additionally, the refuse hauler or recycling service provider selected for audit may be asked to collect data over a one month period and provide a report to the Commissioner including, but not limited to the following information:

(1) The tons of recyclable material collected through source separation and post-collection methods;

(2) The tons of residual municipal waste recovered from each collection method; and

(3) The tons of materials recycled from each collection method.

In no way does this provision supplant, change or otherwise amend the Department's regular inspection and enforcement powers to protect the public health and safety and implement the provisions of this Code.

(f) In addition to the initiatives described in subsection 11-5-025(a), the Commissioner shall institute an audit program for the refuse collection customer's effective recycling program covered by this Chapter. Facilities will be chosen at random and will be reviewed for compliance with this ordinance. The evaluation will also determine actions to be

taken by the refuse collection customer to meet the waste reduction goals established in Section 11-5-010.

11-5-026 Department Of Environment.

In order to meet the stated purpose of this Ordinance, the Commissioner shall have the following responsibilities under this Chapter.

Any change in such lists shall be made in accordance with Section 11-5-027. Such review will incorporate the comments of individuals, building owners and businesses affected by this Chapter.

(b) Prepare or have prepared, on or before January 1, 1995, with the advice of the Recycling Advisory Board, a public education and technical assistance program, that includes, but is not limited to the following:

(1) an instructional manual or guide on how to plan and implement effective source reduction and recycling programs, which will be made available to building owners and managers, governing associations and boards and businesses, affected by this ordinance. Such manual or guide shall include, but not be limited to instructional information regarding the process of analyzing a building's waste stream, identifying source reduction options and recyclable materials, determining collection, handling and storage requirements, identifying markets for recyclable materials, assessing economic and operational impacts, working with a building's residents or tenants to generate active participation; monitoring and evaluating program results and purchasing recycled content products; and

(2) education and publicity materials, which will be made available to building owners and managers, governing associations and boards and businesses, affected by this ordinance, for dissemination to residents, tenants and employees to promote source reduction and recycling activities. These education and publicity materials shall include flyers, posters and brochures which may be incorporated into a section of the instructional manual defined in subsection (1) above; and

(3) development of a program that encourages building owners and managers, governing associations and boards and businesses, who have successfully implemented a source reduction or effective recycling program, to share their expertise and experience with others who are required to comply with the provisions of this Chapter. Nothing in this subsection shall prohibit the Commissioner from developing and distributing these materials in cooperation with any public or private entity.

The Recycling Advisory Board will be established for a period of not less than 3 years, and may at the expiration of this initial period be continued only at the discretion of the Commissioner. The activities of the Recycling Advisory Board shall be advisory in nature, so as to assist the Commissioner in the implementation of this Ordinance.*

11-5-027 Rules And Regulations.

The Commissioner may promulgate such rules and regulations as necessary to implement the provisions of this Chapter pursuant to notice and public hearing as required in Section 2-30 of the Municipal Code.

11-5-028 Severability.

If any provision, clause, sentence, paragraph, section or part of this chapter or application thereof to any person or circumstance, shall for any reason be adjudged by a court of competent jurisdiction to be unconstitutional or invalid, said judgment shall not affect, impair or invalidate the remainder of this chapter and the application of such provision to other persons or circumstances, but shall be confined in its operation to the provision, clause, sentence, paragraph, section, or part thereof already involved in the controversy in which such judgment have been rendered and to the person and circumstances affected thereby.

C. Cost of Living Adjustments To Base Rent.

1. Commencing on the first day of the second Sublease Year, and continuing on the first day of each Sublease Year thereafter throughout the Term, the monthly Base Rent (net of any additions for real estate taxes in Section III.D or operating costs in Section III.E) shall be increased by an amount, if any, produced by:

Index for the same month in the year of the Sublease Commencement Date;
 - b. subtracting one from the quotient;
 - c. multiplying the difference by .3; and
 - d. multiplying the product by the monthly Base Rent determined in Section III.A.
2. If the C.P.I. Index is discontinued with no successor or comparable successor index, then the substitute formula selected in accordance with Section 6.01 of the Prime Lease between Landlord and Tenant shall apply with equal force between Tenant and Subtenant for purposes of this Section III.C.
3. After adjustment as provided for by Section III.C.1, the adjusted Base Rent shall be the Base Rent for all purposes.
4. Notice of the monthly and annual amount of any increase in respect of the C.P.I. provided for by Section III.C shall be furnished by Tenant to Subtenant as soon as practicable in the applicable Sublease Year.

5. One-twelfth (1/12th) of the annual amount of such increase shall thereafter be payable as an addition to the monthly installments of Base Rent otherwise payable by Subtenant, commencing with the first day of the month next following thirty (30) days after Subtenant receives such notice, which payment for that month shall include the installments for the adjustment otherwise due for any prior months of that Sublease Year.

G. Security Deposit. In addition to monthly installments of Base Rent as described in this Article III.A and simultaneously upon the execution of this Sublease, Subtenant shall deposit with Tenant the sum of the first full month's Base Rent as a security deposit ("Security Deposit"). Such Security Deposit shall be placed by Tenant in a separate, federally insured, interest-bearing account, the interest from which shall accrue to Subtenant from the date of payment of Subtenant. The Security Deposit shall be considered as security for the payment and performance by Subtenant of all of Subtenant's obligations, covenants and agreements under this Sublease. Within sixty (60) days after either the Sublease Expiration Date or upon the earlier termination of this Sublease, whichever shall be applicable, Tenant shall (provided that Subtenant is not in default under the terms hereof) return the Security Deposit to Subtenant together with interest as aforesaid, less such portion thereof as Tenant shall have appropriated to make good any default beyond any applicable cure period by Subtenant with respect to any of Subtenant's obligations, covenants, and agreements under this Sublease. In the event of any such default by Subtenant hereunder, Tenant shall have the right but shall not be obligated, to apply all or any portion of the Security Deposit and interest thereon to cure such default, in which event Subtenant shall be obligated thereupon to deposit with Tenant the amount necessary to restore the Security Deposit to its original amount. Nothing in this Section shall prevent Tenant from taking any other action, whether in addition or as an alternative to its rights under this Section, and whether at law, in equity, or under this Sublease, to secure and enforce Tenant's rights and Subtenant's obligations under this Sublease.

Article IV.

2. Subtenant Alterations. In the event Tenant shall give its written consent to Subtenant's making any alterations, decorations, additions or improvements, such written consent shall not be deemed to be an agreement or consent by Tenant to subject Tenant's interest in the Premises, the Building or the land to any mechanic's or materialmen's liens which may be filed in respect of any such alterations, decorations, additions or improvements made by or on behalf of Subtenant.
3. Disclaimer. Except as provided in Section VI.A.1, Tenant shall not make, nor is Tenant under any obligation to make, any structural or other alterations, decorations, additions or improvement in or to the Premises.

B. Use of Premises. Tenant will use and occupy the Premises solely for general office purposes and only in accordance with the uses permitted under applicable zoning and other municipal regulations; and, without the prior consent of Tenant, the Premises will not be used for any other purpose. Subtenant will not use or occupy the Premises for any unlawful purpose, and will comply with all present and future laws, ordinances, regulations and orders of the United States of America, the District of Columbia, and any other public or quasi-public authority having jurisdiction over the Premises. Tenant will obtain and keep in full force and effect at all time during the Term hereof the initial and any subsequent certificates of occupancy for the

If any sign, advertisement or notice which does not conform to the foregoing is nevertheless exhibited by Subtenant, Tenant shall have the right to remove the same and Subtenant shall be liable for any and all expenses incurred by Tenant in said removal. At Tenant's sole cost and expense, Tenant shall provide, within a reasonable period of time, (i) Building standard directory strips for the first and second floor lobby directories and (ii) a Building standard office sign.

Article VIII.

Subtenant and/or Tenant, each at its own expense, shall comply with all laws, orders and regulations of federal, state and municipal authorities, and with all directions, pursuant to law, of all public officers, which shall impose any duty upon Tenant or Subtenant with respect to the Premises or the use or occupation thereof.

Article X.

A. General Liability Insurance. Subtenant, at Subtenant's sole cost and expense, shall carry and keep in full force and effect at all times during the Term of this Sublease for the protection of Subtenant, Tenant and Landlord, comprehensive general liability insurance against claims for bodily injury and injury to property, covering the Premises in an amount of not less than \$500,000 for each occurrence and in an annual aggregate amount of not less than \$1,000,000 with an approved insurance company and deliver to Tenant prior to the Sublease Commencement Date a copy of said policy or certificate showing the same to be in full force and effect. Such policy shall (a) be issued in form acceptable to Tenant by an insurance company qualified to do business in the District of Columbia and satisfactory to Tenant; provided, however, that: any insurance company with a Best's rating of "A" or better shall be deemed to be approved by Tenant, (b) designate as named insured Landlord, Tenant, Subtenant and any other parties in interest as their respective interests may appear from time to time as designed in writing by notice form Tenant to Subtenant; (c) be written as primary policy coverage and not contributing with or in excess of any coverage that Tenant may carry; (d) provide for thirty (30) days prior written notice to Tenant of any cancellation or other expiration of such policy or of any defaults thereunder; and (e) contain an express waiver of any right of subrogation by the insurance company against Tenant. Neither the issuance of any insurance policy required hereunder nor the minimum limits specified herein with respect to Subtenant's insurance coverage shall be deemed to limit or restrict in anyway Subtenant's liability arising under or out of this Sublease.

B. Self-Insurance. Subtenant represents and warrants, and Tenant acknowledges, that Subtenant is self-insured. As such, Subtenant may self-

insure as to its property and its liability insurance obligations set forth in Section A of this Article X.

C. Indemnity. Subtenant shall indemnify and hold harmless Tenant and Landlord from and against any loss, damage, or liability occasioned by or resulting from any default under this Sublease or any willful or negligent act on the part of Subtenant, its agents, employees or invitees or persons permitted in the Building and/or the Premises by Subtenant.

Article XI.

Parking.

Subject to full compliance on the part of Subtenant with the rules and regulations of Landlord's contract garage operator, Subtenant shall have the right to park two (2) automobiles in the Building garage during the Term hereof, and the rent for the parking will be at the then current prevailing market rate, which rate may change from time to time during the Term.

Article XII.

Covenants.

A. Prime Lease. Subtenant shall faithfully keep, observe and perform or cause to be kept, observed or performed, all those covenants of Tenant under the Prime Lease, except the covenants obliging Tenant to pay rent (including adjustments and additions thereto) and except as otherwise provided for herein.

B. Use. Subtenant shall use the Premises only for lawful office purposes and for no other purpose.

C. Authority of Subtenant. Subtenant represents and warrants that it has the corporate power and authority, and has taken all necessary and proper action, to enter into this Sublease and to consummate the transactions contemplated hereby. Subtenant further represents and warrants that this Sublease will, upon the execution and delivery hereof, constitute valid and binding obligations of Subtenant, enforceable against Subtenant in accordance with its terms.

D. No Violation. Subtenant represents and warrants that neither this Sublease, nor the consummation of the transactions contemplated thereby, (i) requires any filing or registration with, or permit, authorization, consent

or approval of, any governmental or regulatory authority on the part of Subtenant; (ii) violates or will violate any law, rule, regulation, ordinance, order, writ, injunction, judgment, decree or award of any court or governmental or regulatory authority; (iii) violates or will violate, or conflicts with or will conflict with, any provision of, or constitutes a default (or an event which, with notice or lapse of time or both, would constitute a default), under the certificate of incorporation or by-laws, as amended, of Subtenant, or any of the terms of any deed of trust, franchise, license, lease, agreement or other instrument, arrangement, commitment, obligation, understanding or restriction to which the Subtenant is party or by which its assets may be bound.

E. Quiet Enjoyment. Tenant covenants that it has the right to make this Sublease for the Term aforesaid, and that if Subtenant shall pay the rent and perform all of the covenants, terms, conditions and agreement of this Sublease to be performed by Subtenant, Subtenant shall, during the Term hereby created, freely, peaceably and quietly occupy and enjoy the full possession of the Premises without molestation or hindrance by Tenant or any party claiming through or under Tenant or any third party.

Article XIII.

Default Of Subtenant.

If Subtenant shall fail to pay any installment of rent, basic, adjusted, or additional as herein provided for, or shall violate or fail to perform any of the other conditions, covenants or agreements herein made by Subtenant, and if such violation or failure (other than the payment of rent, basic, adjusted, or additional, which is due and payable as herein provided for) shall continue for a period of five (5) business days after written notice thereof to Subtenant by Tenant, or if such default is of such a nature that it cannot be completely remedied within said period of five (5) business days and Subtenant shall not commence within said period of five (5) business days, or shall not thereafter diligently prosecute to completion, all steps necessary to remedy such default, then and in any of said events this Sublease shall, at the option of Tenant exercisable by sending written notice to Subtenant, cease and terminate, and such termination shall operate as a notice to quit -- any notice to quit, or of Tenant's intention to reenter, being hereby expressly waived -- and Tenant may proceed to recover possession under and by virtue of the provisions of the laws of the District of Columbia, or by such other proceedings, including re-entry and possession, as may be applicable. If Tenant elects to terminate this Sublease, everything herein contained on the part of Tenant to be done and performed shall cease without prejudice, however, to the right of Tenant to recover from Subtenant all rental accrued up to the time of termination or recovery of possession by Tenant, whichever is later. Should this Sublease be terminated before the expiration of the

Term by reason of Subtenant's default, or if Subtenant shall abandon or vacate the Premises before the expiration or termination of the Term, the Premises may be relet by Tenant, for such rent and upon such terms as are not unreasonable under the circumstances and, if the full rental hereinabove provided shall not be realized by Tenant, Subtenant shall be liable for all damages sustained by Tenant, including, without limitation, deficiency in rent, reasonable attorneys' fees, other collection costs and all expenses of placing the premises in first-class rentable condition. Any damage or loss of rental sustained by Tenant may be recovered by Tenant, at Tenant's option at the time of the reletting, or in separate actions, from time to time, as said damage shall have been made more easily ascertainable by successive relettings, or, at Tenant's option, may be deferred until the expiration of the Term, in which event the cause of action shall not be deemed to have accrued until the date of expiration of the Term. The provisions in this Section shall be in addition to and shall not prevent the enforcement of any claim Tenant may have against Subtenant for anticipatory breach of the unexpired Term of this Sublease. All rights and remedies of Tenant under this Sublease shall be cumulative and shall not be exclusive of any other rights and remedies provided to Tenant under applicable law.

Article XIV.

Waiver.

If under the provisions hereof Tenant shall institute proceedings and a compromise or settlement thereof shall be made, the same shall not constitute a waiver of any other covenant herein contained nor of any of Tenant's other rights hereunder. No waiver unless in writing by Tenant of any breach of any covenant, condition or agreement herein contained shall operate as a waiver of such covenant, condition, or agreement itself, or of any subsequent breach thereof. No payment by Subtenant or receipt by Tenant of a lesser amount than the monthly installments of rent stipulated shall be deemed to be other than on account of the earliest stipulated rent nor shall any endorsement or statement on any check or letter accompanying a check for payment of rent or any other amounts owed to Tenant be deemed an accord and satisfaction and Tenant may accept such check or payment without prejudice to Tenant's right to recover the balance of such rent or other amount owed or to pursue any other remedy provided in this Sublease. No re-entry by Tenant, and no acceptance by Tenant of keys from Subtenant, shall be considered an acceptance of a surrender of this Sublease.

Article XV.

Miscellaneous.

A. No Representations by Tenant. Subtenant acknowledges that neither Landlord, Tenant nor any broker, agent or employee of Landlord or Tenant has made any representations or promises with respect to the Premises or the Building except as herein expressly set forth, and no rights, privileges, easements or licenses are acquired by Subtenant except, if any, as herein expressly set forth. Subtenant, by taking possession of the Premises, shall accept the same as specified in the Work Plan, and such taking of possession shall be conclusive evidence that the Premises and the Building are in good and satisfactory condition at the time of such taking of possession.

B. No Partnership. Nothing contained in this Sublease shall be deemed or construed to create a partnership or joint venture of or between Tenant and Subtenant, or to create any other relationship between the parties hereto other than that of Tenant and Subtenant.

C. Brokers. Tenant agrees to pay Barrueta & Associates ("Barrueta") pursuant to a March 1, 1992 agreement between Tenant and Barrueta (the "Leasing Agreement") for all brokerage services performed in connection with this Sublease. Pursuant to the Leasing Agreement, Barrueta assumes all obligation to pay Barnes, Morris, Pardoe & Foster as Cooperating Broker, as such term is used in the Leasing Agreement, for its services in connection with this Sublease. Tenant and Subtenant represent and warrant that neither party has employed any other broker or agent other than Tenant's employment of Barrueta & Associates, and Subtenant's employment of Barnes, Morris, Pardoe & Foster, and that each shall defend, indemnify and hold the other harmless in this regard. Any representation or statement by a leasing company, leasing agent, or other third party (or employee thereof) engaged by Tenant or Subtenant as an independent contractor that has or may be made with regard to the Premises, the Building or this Sublease shall not be binding upon Tenant or Subtenant nor serve as a modification of this Sublease and neither Tenant nor Subtenant shall have any liability therefor, except to the extent such representation is also contained herein or is approved in writing by Tenant and Subtenant.

D. Invalidity of Particular Provisions. If any provision of this Sublease of the application thereof to any person or circumstances shall to any extent be invalid or unenforceable, the remainder of this Sublease, or the application of such provision to persons or circumstances other than those as to which it is invalid or unenforceable, shall not be affected thereby, and each provision of this Sublease shall be valid and be enforced to the fullest extent permitted by law.

E. Gender and Number. Feminine or neuter pronouns shall be substituted for those of the masculine form, and the plural shall be

substituted for the singular number, in any place or places herein in which the context may require such substitution.

F. Benefit and Burden. The provisions of this Sublease shall be binding upon, and shall inure to the benefit of, the parties hereto and each of their respective successors and assigns (in the case of Subtenant, permitted successors and assigns).

G. Article and Section Headings. The title headings of the respective Articles and Sections herein are inserted for convenience only and shall not be otherwise deemed to be a part of this Sublease or considered in its construction.

H. Insolvency or Bankruptcy of Subtenant. In the event Subtenant makes an assignment for the benefit of creditors, or a receiver of Subtenant's assets is appointed, or Subtenant files a voluntary petition in any bankruptcy or insolvency proceeding, or an involuntary petition in any bankruptcy or insolvency proceeding is filed against Subtenant and the same is not discharged within sixty (60) days, or Subtenant is adjudicated as bankrupt, Tenant shall have the option of terminating this Sublease by sending written notice to Subtenant of such termination and, upon such written notice being given by Tenant to Subtenant, the Term of the Sublease shall, at the option of Tenant, end and Tenant shall be entitled to immediate possession of the Premises and to recover damages from Subtenant in accordance with provisions of this Sublease.

I. Consents. Whenever Tenant agrees in this Sublease not to unreasonably withhold or delay consent to any request by Subtenant, it will not be unreasonable for Tenant to delay consent until Landlord decides whether to consent, or to withhold consent if Landlord withholds consent, if the Prime Lease requires Tenant first to obtain the consent of Landlord.

J. Interpretation with Prime Lease. In the event of any conflict between any provision in this Sublease and the Prime Lease, the provision in the Prime Lease shall control.

K. Approvals. This Sublease shall not be effective until a fully executed "Notice of Sublease" has been delivered by Tenant to Landlord in the form of Exhibit D attached hereto and incorporated herein and Landlord has approved such terms of the Sublease as required pursuant to the Prime Lease.

L. City Provisions. No member of any City board, commission or agency, official, or employee of the City shall have any personal interest, direct or indirect, in Tenant or the Premises, nor shall any such member, official or employee participate in any decision relating to the Sublease which affects his or her personal interest or interests of any corporation, partnership or association in which he or she is directly or indirectly interested. No member, official, or employee of the City shall be personally liable to

Tenant, or any successor in interest, to perform any commitment or obligation of the City under the Sublease nor shall any such person be personally liable in the event of any default or breach by the City.

M. Tenant Compliance. Any contract negotiated, entered into, or performed in violation of any of the provisions of this chapter shall be voidable as to the City.

N. Entire Agreement. This Sublease, together with Exhibits A, B, C, and D and any addenda attached hereto, contains and embodies the entire agreement of the parties hereto, and no representations, inducements or agreements, oral or otherwise, between the parties not contained in this Sublease or such Exhibits and addenda hereto, shall be of any force or effect. This Sublease (with the exception of the rules and regulations set forth in the Prime Lease) may not be modified, changed, or terminated in whole or in part in any manner other than by an agreement in writing duly signed by Tenant and Subtenant and approved by Landlord whenever so required by the Prime Lease.

Said resolution, which failed to pass, reads as follows:

WHEREAS, In these troubled times of world conflicts, ethnic and cultural unrest and the U.S. involvement in the dedication to Operation Desert Storm, there have been and probably will be many demonstrations and rallies in our City supporting specific ideologies; and

WHEREAS, Whenever such demonstrations take place, it has become customary for the Police Department to take law enforcement personnel

away from neighborhoods where they are sorely needed, and to deploy them to various demonstration sites throughout the city, primarily downtown; and

WHEREAS, This leaves enormous gaps in the protection of the public in Chicago's many neighborhoods and thus threatens the public safety and welfare; now, therefore,

Be It Resolved, That the City Council Committee on Police and Fire hold public hearings into the deployment of police personnel from neighborhoods to demonstrations and rallies throughout the City, with a view toward finding alternate means to decreasing neighborhood protection at crucial times; and

Be It Further Resolved, That the Mayor and Superintendent of Police are hereby memorialized to treat as top priority the continuous, uninterrupted protection of Chicago's neighborhoods.

The Committee on Police and Fire submitted the following report:

CHICAGO, November 1, 1993.

To the President and Members of the City Council:

Your Committee on Police and Fire, for which a meeting was held Monday, November 1, 1993, having had under consideration a resolution introduced by Alderman Virgil E. Alderman Burke moved to reconsider the foregoing vote. The motion was lost.

Said resolution, which failed to pass, reads as follows:

WHEREAS, The Office of Professional Standards (O.P.S.), which investigates civilian complaints of police misconduct, was formed as a civilian unit in the mid-1970s and has evolved over the years into an in-house examining group almost totally out of touch with the Chicago public; and

WHEREAS, As a result of the "closed world" in which the Office of Professional Standards seems to operate, the citizens of our City have lost faith in the O.P.S.' ability to perform fairly and without favoritism to allegedly brutal police officers; and

WHEREAS, With this loss of faith in O.P.S., which in 1992 consists of some 82 employees working on a budget exceeding Three Million Dollars, it seems far more equitable and advisable to bring O.P.S. into closer contact with the public and with the leaders who represent the public, rather than to allow O.P.S. to continue to hide within the Chicago Police Department itself; now, therefore,

Be It Resolved, That we, the Mayor and the City Council of the City of Chicago, strongly consider the feasibility of moving the Office of Professional Standards from its status as a section of the Chicago Police Department, and bringing it instead into departmental status, or into status as a section under the Mayor's Office, to the end that the leaders of this great City, and its public, have more opportunity to be informed of O.P.S. investigations and to have input into the promotion of the public safety and welfare; and

Be It Further Resolved, That the City Council Committee on Police and Fire hold immediate hearings into moving the Office of Professional Standards into closer public scrutiny.

Alderman Burke moved to reconsider the foregoing vote. The motion was lost.

Said resolution, which failed to pass, reads as follows:

WHEREAS, During the recent negotiations with the Fraternal Order of Police, Chicago Lodge No. 7 ("F.O.P."), the City proposed to amend the collective bargaining agreement to allow specifically for the use of affirmative action by the inclusion of the following language:

"Nothing in this Agreement shall preclude the City from adopting and applying legally permissible affirmative action steps with regard to the retention, assignment and promotion of bargaining unit employees"; and

WHEREAS, F.O.P. rejected the City's proposal and refused to agree to any affirmative action procedures; and

WHEREAS, The issue of affirmative action was presented to the arbitrator in the recently concluded arbitration proceedings between the City and F.O.P.; and

WHEREAS, During arbitration proceedings Superintendent Matt Rodriguez testified in support of the City's proposal, explaining that the use of affirmative action is crucial for appointments to positions within the Detective, Gang Crimes and Youth Divisions; and

WHEREAS, Superintendent Rodriguez testified that such affirmative action is necessary because the Police Department, to function efficiently, must be representative of the community it serves in order to enhance communication between the department and the community; and

WHEREAS, The arbitrator rejected the City's proposal on affirmative action, not on its merits, but on his perception that the City had succeeded in obtaining two other important concessions (health care cost containment and civilianization of certain positions); and

WHEREAS, The City's success on these two economic points will have no effect on public confidence in or public cooperation with the Police Department; now, therefore,

Be It Resolved, That we, the Mayor and members of the City Council of the City of Chicago, assembled this tenth day of February, 1993, do hereby call on F.O.P. to return to negotiations with the City to include an affirmative action clause in the collective bargaining agreement effective January 1, 1992, concerning appointment of officers to the Detective, Gang Crimes and Youth Divisions; and

- (3) establishment and amendment of bylaws for CUAN
- (4) the Call Center budget;
- (5) additions to or changes in the membership of Voting Members;
- (6) the rights and duties of new Voting Members, including the amount and nature of any initial membership fee and applicable Voting Percentages;
- (7) allocation and adjustment, as required, of Operating Expenses and Voting Percentages among the Voting Members;
- (8) general policies relating to Day-to-Day Operations;
- (9) insubstantial amendments to this Membership Agreement; and
- (10) subject to prior approval of the City Council, substantial amendments to this Membership Agreement.

For purposes of clause (8) of this Section 4(a) the term "insubstantial amendment" shall mean an amendment whose purpose is to: (i) cure any formal defect, omission, inconsistency or ambiguity in this Agreement or (ii) modify, amend alter or supplement this Agreement in any other respect which does not add to the duties and responsibilities of CDOT beyond the duties and responsibilities contemplated in this Agreement. Changes to the Operating Guidelines shall not be deemed "substantial changes" for purposes of this Agreement. Written notice of pending changes to the Bylaws or the Operating Guidelines materially affecting Notice Members shall be given 30 days prior to the effective date of such changes to all current Notice Members.

(b) The presence of a Voting Majority shall constitute a quorum for any meeting of CUAN; provided that no meeting may occur without the presence of a representative of CDOT. A Voting Member shall be considered present, for purposes of a quorum and voting, when its representative is able to participate in the meeting, either through personal attendance or through teleconferencing. The first regular meeting of CUAN pursuant to this Agreement shall be held on the first Wednesday which is 30 days after the effective date of this Agreement.

(c) Regular meetings of the Advisory Board shall be conducted on a quarterly basis at a location, date and time to be determined and announced at the previous meeting and confirmed through notice to all Members in a manner provided in Section 13(f) of this Agreement. Regular meetings may be rescheduled by CDOT upon at least forty-eight (48) hours prior notice to all Members (which notice may be in writing or by facsimile transmission

communication or delivered orally to each Member's representative). A special meeting of the Advisory Board shall be scheduled by CDOT upon the written request of any Voting Member upon at least forty-eight (48) hours' prior notice in the manner as provided above for a rescheduled regular meeting. Presence of a Voting Member at a meeting shall be considered a waiver of notice of such meeting by such Voting Member unless such Voting Member attends for the express purpose of objecting to lack of notice of such meeting. Any action which would normally be taken at a meeting can be taken without a meeting if a consent in writing, setting forth the actions so taken, shall be signed by all Voting Members entitled to vote thereon; provided that no Voting Member may be discharged from CUAN except pursuant to the procedures set forth in Section 9.

(d) Participation in CUAN shall be contingent upon each Voting Member's obtaining such regulatory authorizations, contents, permits and orders as may be necessary or required.

(e) The Day-to-Day Operations shall be performed by CDOT as long as the City is a Voting Member.

(f) CDOT shall bill Voting Members quarterly for reimbursement to the City of Operating Expenses (exclusive of the City's share of Operating Expenses set forth in Exhibit 1) which were incurred during the previous calendar quarter. CDOT shall also provide reasonable supporting documentation with such billing. Each Voting Member's share of the Operating Expenses shall be equal to its Voting Percentage. Operating Expenses shall not be deemed to include Transmission Fees.

(g) Each Member shall be billed separately by CDOT for reimbursement to the City for Transmission Fees on a quarterly

basis according to the total message units such Member receives through the Call Center for the previous quarter.

(h) Each Member shall, at its expense, acquire and maintain at its business office computer equipment, software and related facilities required by such Member to connect to and be capable of receiving communications, from the Call Center. CDOT shall submit to the Advisory Board for approval any change in the design or operation of the Call Center that would require a change in a Member's computer equipment, software or related facilities.

(i) CDOT shall propose to the Advisory Board for its approval a Voting Percentage and percentage of Operating Expenses for any applicant seeking to become a Voting Member. Said Voting Percentage and percentage of Operating Expenses shall be based on the applicant's existing and anticipated system of Underground Facilities, the nature of such Underground Facilities, applicant's expected use of the Call Center and any other factors CDOT may consider relevant for the purpose of allocating Operating Expenses. Upon approval by resolution of the then-current Voting Majority, and acceptance by the applicant pursuant to Section 3, such Voting Percentage and percentage of Operating Expenses shall accrue and be assessed against such applicant upon becoming an Additional Voting Member pursuant to Section 3.

(j) Upon the admission of an Additional Voting Member or the withdrawal or discharge of an existing Voting Member, CDOT shall adjust on a pro rata basis the percentage of Operating Expenses assessed each Voting Member and the corresponding Voting Percentage accruing to each Voting Member. To become effective, the above percentages, as so adjusted, shall be approved by

resolution of the then current Voting Majority (as constituted prior to admission of the Additional Voting Member but excluding the withdrawing or discharged Member). Upon such approval, this Membership Agreement, to the extent required, and Exhibit 1 shall be amended to reflect such adjustment. Any such adjustment shall become effective as of the commencement of the calendar quarter when such Additional Member shall begin to accrue its obligation to pay Operating Expenses or such withdrawing or discharged Voting Member shall cease its obligation to pay Operating Expenses.

(k) Voting Members shall be responsible for all wages and other employee compensation and expenses of their representatives to the Advisory Board. Pay scales of staff utilized in the operation of the Call Center by the City shall be consistent with similar job classifications in other City departments.

(l) To the extent required by law or considered useful by the Advisory Board, the Advisory Board may adopt a Charter and/or Bylaws separate from but consistent with this Agreement. Such Bylaws may include such matters as the Voting Majority shall deem appropriate and may include the Operating Guidelines as an exhibit thereto, at which time the Operating Guidelines shall be deleted from this Membership Agreement.

(m) For purposes of this Agreement, CDOT shall carry out all of the City's duties as a Voting Member; provided that the Other Departments shall be represented on the Advisory Board in a non-voting capacity.

SECTION 5. BUDGET AND RIGHT OF AUDIT.

(a) On or before November 15 of each calendar year, CDOT shall prepare and submit to the Advisory Board a budget and program covering the Call Center's expected Operating Expenses and proposed activities for the following calendar year. Such budget and program shall not become effective unless approved by resolution of the then-current Voting Majority. If CDOT proposes to increase the Call Center's budget during the course of the year, CDOT shall submit a proposal to amend the budget to the Advisory Board for its review, and such increase shall become effective only upon approval by resolution of the then current Voting Majority at least 45 days in advance of the proposed effective date of such amendment setting forth such increase. No Operating Expenses may be incurred in excess of the approved annual budget except as set forth in the preceding sentence.

(b) CDOT shall maintain and make available to any Member, upon reasonable notice, books and records of the Day-to-Day Operations and Operating Expenses of the Call Center. The Advisory Board reserves the right, upon resolution of a Voting Majority, to appoint a committee to review such books and records (the "Audit Committee"). The Audit Committee shall have the right to appoint an independent nationally recognized accountant or firm of accountants familiar with utility practice reasonably satisfactory to the City to audit such books and records, the cost of such audit to be paid by all Voting Members except the City. In the event such auditor shall determine that there are material errors or omissions in the calculation of Operating Expenses or amounts to be paid by particular Voting Members, CDOT agrees to take such

reasonable steps to rectify the situation as shall be approved by a Voting Majority of the Advisory Board (excluding CDOT) and are reasonably acceptable to CDOT.

SECTION 6. INDEMNIFICATION.

Except as set forth in Section 11, each Member (other than the City) shall indemnify, defend, save and hold harmless other Members (including the City), their employees and agents from and against any and all liabilities, losses, costs, judgments, damages or expenses, including court costs and attorneys' fees, whether for injury to person or damage to property, which liabilities, losses, costs, judgments, expenses or damages shall result from or are attributable to a negligent or willful act or omission of the indemnifying Member, its employees, or agents while carrying on activities associated with the Call Center or CUAN. The obligation to indemnify contained in this Section 6 shall survive termination of this Agreement as to all Members or, as to any particular Member, its discharge or withdrawal from CUAN. The obligation of each Member to indemnify, defend and hold harmless the City pursuant to this Section 6 shall not extend to Demolition or Excavation by the City not associated with the activities of the Call Center or CUAN.

SECTION 7. OPERATING GUIDELINES.

Operating Guidelines are attached hereto and by this reference made a part hereof. The Operating Guidelines may be amended only by resolution of the Voting Majority.

SECTION 8. DISCHARGE OF MEMBER FROM CUAN.

(a) CDOT shall bill Voting Members quarterly pursuant to Section 4(f) of this Agreement. Voting Members shall pay bills for services within 30 days of receipt. In the event that a Voting Member has failed to pay such bill within 45 days of receipt, the Advisory Board by resolution may, or CDOT may, upon two business days' written notice to the delinquent Voting Member, terminate the Voting Member's right to receive Dig Notices under Article II of the Operating Guidelines.

In the event that a Voting Member's bill has not been paid in full within 60 days of receipt, CDOT may notify the Advisory Board of the delinquency and request the Advisory Board to meet, or on its own motion the Advisory Board may proceed to meet, for the purpose of determining whether to discharge the Member from CUAN. CDOT shall send the delinquent Member a copy of the request to the Advisory Board.

The Advisory Board shall set the matter for a meeting within 10 days of the delivery of the request by CDOT or the Advisory Board's motion to hold the meeting. The delinquent Member shall be notified in writing of the date, time and place of the Advisory Board meeting at least three days in advance thereof. At the Advisory Board meeting CDOT, or if CDOT chooses not to, any person selected by the Advisory Board, shall establish the delinquency of the Voting Member. The Delinquent Voting Member shall have the opportunity, if it so desires, to respond.

Within five days after the meeting of the Advisory Board held to consider a Voting Member's delinquency, the Advisory Board shall determine:

(i) whether the Voting Member is delinquent in the payment of its bill;

(ii) whether the delinquency is sufficient to warrant a discharge from membership in CUAN;

(iii) whether the delinquent Voting Member should be immediately discharged from CUAN, or, in the alternative, be given additional time, not to exceed sixty (60) days, to make full and complete payment on its outstanding delinquent bill including interest at a rate determined by the Advisory Board, accruing from the date of the Advisory Board's determination of delinquency. Failure by the delinquent Voting Member to render payment in full, as described above, within the time allotted by the Advisory Board shall result in immediate discharge of said Voting Member without further action by the Advisory Board.

A Voting Member found delinquent by a majority of all the votes entitled to be cast by the Advisory Board (other than the offending Voting Member) shall not be subject to immediate discharge unless the votes of Voting Members equal to a Voting Majority (exclusive of that percentage to be paid by the offending Member) concur in said immediate discharge. The delinquent Voting Member shall not sit or have any vote on the Advisory Board in its deliberations on the delinquency of such Voting Member. Notwithstanding anything to the contrary herein, the delinquent Member shall remain fully obligated for all unpaid bills and interest thereon and such delinquent share of Operating Expenses incurred by CUAN through the end of the quarter next succeeding the quarter in which such Voting Member is discharged.

(b) Except for Transmission Fees, CDOT shall bill Notice Members annually pursuant to Section 3(a) of this Agreement no later than 45 days prior to the anniversary of such Notice Member's advisory to CUAN. Transmission fees shall be billed on a quarterly basis as described in Section 4(g). Notice Members shall pay any such bill within 30 days of receipt. In the event that a Notice Member has failed to pay such bill within 45 days of receipt, CDOT may, upon two business days written notice to the delinquent Notice Member, (i) terminate the Notice Member's right to receive Dig Notices under Article II of the Operating Guidelines and (ii) such Notice Member's membership in CUAN. The delinquent Notice Member may request reinstatement to CUAN upon payment of all delinquencies, together with such late payment charge as CDOT shall determine, and compliance with such other requirements as CDOT may require. CDOT shall provide notice of any termination and/or reinstatement of a Notice Member to the Advisory Board within 14 days of such termination.

(c) It is understood and agreed by all Initial Members hereto that no delinquency shall exist and no interest shall be paid with respect to any charges relating to any period prior to the date of execution and delivery of this Agreement (the "pre-Agreement Charges"). Payment and billing arrangements with respect to the pre-Agreement Charges shall be agreed to by separate mutual agreements between the City and each of the other Initial Members.

(d) An event of insufficient appropriations, as described in Section 12, shall not cause the City to be considered delinquent pursuant to this Section 8.

SECTION 9. WITHDRAWAL.

A Member may withdraw from CUAN at the end of a quarter by delivering written notice thereof to the Advisory Board at least thirty (30) days prior to the end of such quarter. Such withdrawal, however, shall not relieve any Voting Member of the responsibility to pay its proportionate share (as determined by the percentages set forth in Exhibit 1) of any Operating Expenses incurred by the Call Center or by CUAN through the end of the quarter succeeding the quarter in which such Voting Member withdraws.

SECTION 10. TERMINATION.

CDOT, on its own motion, or a Voting Majority of the Advisory Board, may terminate CUAN upon giving six months written notice thereof to the Members; provided, however, in the event of termination occasioned by an event of nonappropriation described in Section 12(a), no such notice shall be required. In the event that CUAN is terminated, any funds of CUAN not needed for the payment of its debts and the orderly cessation of its affairs shall be distributed to the Voting Members in proportion to their respective Voting Percentages at the time the funds were provided. No distribution, if any, shall be made to Notice Members. In addition, any funds required for the payment of CUAN's debts and the orderly cessation of its affairs shall be assessed by CDOT against and collected from the Voting Members in proportion to their respective Voting Percentages at the time the debts were incurred. The obligations contained in this Section 10 shall survive the termination of this Agreement.

SECTION 11. WAIVER; REMEDIES FOR BREACH.

(a) Each Member waives any right or action (either individually or through CUAN) against the City, including CDOT, and any of its employees or agents for any liabilities, losses, costs, expenses, judgments or damages incurred by or accruing against such Member or affecting its property due to or arising out of the terms and conditions of this Agreement or the act or failure to act by the City (including CDOT) in connection with CDOT's conduct of Day-to-Day Operations or CDOT's actions or inactions as a Member, including, but not limited to, CDOT's actions or inactions on the Advisory Board. Such waiver shall not apply to an Excavation or Demolition by the City not associated with the activities of the Call Center or CUAN.

(b) Each Member waives any right or action against CUAN or the Advisory Board or any of their respective employees or agents for any liabilities, losses, costs, expenses, judgments or damages, incurred by or accruing against such Member or to its property due to or arising out of the terms and conditions of this Agreement or CUAN's or the Advisory Board's action or failure to act in connection with CUAN's or the Advisory Board's activities related to CUAN or the Call Center.

(c) Except as set forth under Sections 11(a) and 11(b) above, nothing in this Agreement shall prevent any Member from seeking recovery at law or equity against any other Member for injury to person or damage to property resulting from or attributable to the act or inaction of such other Member, its employees or agents within or outside of the scope of this Agreement.

(d) Nothing in this Agreement shall prevent CUAN, acting through the Advisory Board, from seeking recovery, to the extent permitted under Illinois law, at law or in equity against any Voting Member other than the City for breach of this Membership Agreement, including, but not limited to, failure to comply with the Operating Guidelines and failure of any Voting Member to pay when due its share of Operating Expenses. Any such right of recovery shall be independent of other remedies set forth in this Agreement. Nothing in this Agreement shall be deemed to provide for liability or financial responsibility of the City, CDOT, the Other Departments, its officers, employees or agents, concerning any Underground Facilities located in the Public Ways by permit issued by the City.

SECTION 12. APPROPRIATION.

(a) Notwithstanding anything to the contrary in this Agreement, the City's (which includes CDOT's) obligations pursuant to this Agreement, including in particular, the City's obligation to pay its share of the Operating Expenses as set forth in Exhibit 1, are subject to and conditional on the availability of sufficient appropriations by the City Council of the City. In the event that the City Council of the City shall fail to appropriate sufficient funds for any fiscal year for CDOT to be able to pay its share of the Operating Expenses as set forth in the Call Center's Budget (either current or approved), then CDOT shall consult with the Advisory Board at a special meeting to consider whether or not, and if so, under what circumstances CUAN may continue to operate. No resolution of the Advisory Board or amendment to this Agreement

relating to an event of insufficient appropriation shall become effective without the affirmative vote of CDOT's representative. If the Advisory Board is unable to resolve the difficulties caused by the event of insufficient appropriation before funds on hand for the Call Center are exhausted, then this Agreement shall immediately terminate, written notice thereof shall be given to all Members, and the remaining funds of CUAN should be applied as set forth in Section 10.

(b) It is anticipated that the City shall pay its share of the Operating Expenses in 1993 from moneys budgeted and available therefor pursuant to the City's 1993 Budget from Fund Number 300-6210-3433 or such other funds as shall be appropriated for such purposes in the City's 1993 budget. In subsequent years, the City shall pay its share of the Operating Expenses from moneys budgeted and available for such purpose from such funds as shall be designated by the City.

SECTION 13. GENERAL PROVISIONS.

(a) By execution of this Agreement, each Initial Member, and by acceptance of this Agreement each Member other than an Initial Member acknowledges, that it has not been induced to execute or accept this Agreement by any promise, verbal or written, by or on behalf of the City, or by any third person regarding any term or condition of this Agreement not expressed herein. Each Member further represents that no such promise has been made to any City employee in regard to this Agreement.

(b) Each Member acknowledges that it has carefully read, understands and accepts the obligations imposed by the terms and

conditions herein. Each Member further accepts the validity of the terms and conditions of this Agreement and will not, at any time, proceed against CUAN in any claim or proceeding challenging any term or provision of this Agreement.

(c) No member of the governing body of the City or other unit of government and no other official, officer, agent or employee of the City is employed by any Member other than the City or has a financial or economic interest, directly or indirectly, in this Agreement or any subcontract resulting therefrom or in the privileges to be granted hereunder except as may be permitted in writing by the Board of Ethics established pursuant to the Municipal Code of Chicago (Chapter 2-156). Each Initial Member acknowledges that any agreement entered into, negotiated or performed in violation of any of the provisions of Chapter 2-156 shall be voidable as to the City.

(d) No Member shall be deemed in violation of this Agreement for the delay in performance or failure to perform in whole or in part its obligations under this Agreement due to strike, war or act of war (whether an actual declaration is made or not), insurrection, riot, act of public enemy, accident, fire, flood or other act of God or by other events to the extent that such events are caused by circumstances beyond Member's control and any such delay or failure to perform shall not be deemed to be a violation of this Agreement. In the event that the delay in performance or failure to perform affects only part of that Member's capacity to perform its obligations under this Agreement, such Member shall perform such obligations to the extent it is able to do so in as expeditious a manner as possible. Such Member shall

promptly notify CUAN in writing of an event covered by this Section and the date, nature and cause thereof. Furthermore, such Member, in such notice, shall indicate the anticipated extent of such delay and the obligations under this Agreement to be affected thereby. The provisions of this Section 13 shall not excuse any Member's failure to pay its percentage of Operating Expenses when due pursuant to Section 4.

(e) Each Initial Member (except the City) has executed the appropriate Anti-Apartheid Affidavit (the "Affidavit") attached to this agreement as Exhibit 4 and incorporated into this agreement by reference. All Members other than Initial Members shall execute such Affidavits. Each Member (other than the City) understands and acknowledges that the City may declare a default and terminate all existing contracts with such Member and may attempt to expel any Member which violates any provision of Chapter 3-68 of the Municipal Code of Chicago (as applicable), including but not limited to (i) a violation of the certifications contained in the Affidavit; (ii) the concealment of an existing contractual relationship or entering into a contractual relationship with (a) South Africa (b) a South African business, or (c) any business or corporation for the express purpose of assisting operations in, or trading with any private or public entity located in South Africa; and (iii) the sale to the City of goods principally manufactured, produced, assembled, grown or mined in South Africa. This right of termination is supplemental to any other remedy which the City may have under this Agreement, at law or in equity, and shall entitle the City to direct, indirect, special and consequential damages and any other applicable legal or equitable remedy.

Further, each Member understands and acknowledges that any person who violates any provision of Chapter 3-68 of the Municipal Code of Chicago shall be subject to a fine of not less than \$500 and not more than \$1,000 for each offense. Every day that the violation continues shall constitute a separate and distinct offense. This fine shall be in addition to the remedy of termination enumerated above, and any other remedy available under applicable law.

(f) It shall be the duty of each Member, all subcontractors and all officers, directors, agents, partners and employees of such Member to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code of Chicago. Each Member understands and will abide by all provisions of Chapter 2-56 of the Municipal Code of Chicago. Each Member shall inform all its subcontractors of the provision and require understanding and compliance herewith.

(g) Each Member (except the City) has provided copies of the latest articles of incorporation, its by-laws and resolutions, and evidence of its authority to do business in the State of Illinois including certifications of good standing from the Office of the Secretary of State of Illinois. Each Initial Member has provided the City with a Disclosure of Ownership Interest Affidavit completed copies of which are attached hereto and incorporated by reference herein as Exhibit 5.

(h) This Agreement shall be construed pursuant to the laws of the State of Illinois.

(i) Section headings are descriptive and used merely for the purpose of organization and where inconsistent with the text are to be disregarded.

(j) Unless otherwise specified herein, all notices, requests, designations, deliveries, approvals, consents, demands and waivers required or provided hereunder or desired by the parties hereto shall be in writing and shall be deemed properly served if hand-delivered to a Member at the following address (effective on delivery) or if sent by registered or certified mail, postage prepaid, return receipt requested, addressed to a Member at such address (effective three business days after mailing) or by facsimile transmission (effective on the date of delivery):

CUAN Call Center
City Hall, Room 802
Chicago, Illinois 60602
Tel. No. (312) 744-7000
Fax No. (312) 744-4627

The specification of a number of days' or months' notice shall mean notice of not less than such number of calendar days or months, unless otherwise provided in this Agreement.

(k) If any section, paragraph or provision of this Agreement shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph or provision shall not affect any of the remaining provisions of this Agreement.

(l) Except where the context would require a different meaning, all references to a Member includes each of its officials, officers, directors, employees, shareholders, agents, successors, beneficiaries, permitted assigns, legal representatives and affiliates who operate within the City of Chicago or have any connection with CUAN. No member, individually or collectively, of

the City Council or agent or employee of the City and no officer, director or employee of any other Member incurs or assumes any individual or personal liability by the execution or acceptance of this Agreement or by reason of default in the performance of any of the terms hereof. All such liability of such officials, agents and employees of the City and officers and directors of the other Members unless otherwise required by law, is hereby released as a condition of and in consideration for the execution of this Agreement. Any representative of a Member executing this Agreement or accepting its terms, does however, by execution thereof, warrant his or her authority to sign this Agreement.

(m) Any legal action regarding this Agreement shall be brought in the appropriate court located in Chicago, Illinois. The Members hereby submit to the personal jurisdiction and venue of such courts located in Chicago, Illinois for the purpose of enforcing the provisions of this Agreement.

(n) Failure or delay on the part of CDOT or the Advisory Board or any Member to exercise any right, power, privilege or remedy hereunder shall not constitute a waiver thereof. A waiver, to be effective, must be in writing, and must be signed by the appropriate officials making the waiver. A written waiver of default shall not operate as a waiver of any other default or of the same type of default on a future occasion.

(o) No revision, modification or amendment of this Agreement shall be effective unless it is in writing and signed by the duly authorized representatives of the then-current Voting Majority. Typographical errors may be corrected or other minor

changes made to this Agreement if those corrections are initialed by representatives of all the then-current Members.

(p) This Agreement may be executed in multiple counterparts, each of which shall constitute an original instrument.

In Witness Whereof, The Initial Members have caused this instrument to be duly executed on the day and year first above written.

The Amoco Corporation.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Permission and authority are hereby given and granted to The Amoco Corporation, upon the terms and subject to the conditions of this ordinance, to construct, install, maintain and use a curb-cut, a decorative granite and concrete sidewalk, eight (8) ornamental light fixtures with benches, and two (2) decorative "No Parking" signs at the curb-cut, all being located along East Randolph Street in the public right-of-way and adjacent to the premises known as 200 East Randolph Street.

Said description of uses in the public right-of-way shall be shown on a print hereto attached and shall be as follows:

1. Curb Cut

Said Curb-Cut shall measure one hundred twenty-five (125) feet in length and twenty-five (25) feet in width for a total of three thousand one hundred twenty-five (3,125) square feet of space being used along the public right-of-way of East Randolph Street, between North Stetson Drive and North Columbus Drive.

2. Decorative Granite/Concrete Sidewalk

Said decorative sidewalk shall measure one hundred twenty-five (125) feet in length and nine (9) feet in width for a total of one thousand one hundred twenty-five (1,125) square feet of space being used along the public right-of-way of East Randolph Street, between North Stetson Drive and North Columbus Drive.

3. Eight (8) Ornamental Light Fixtures With Benches

Said light fixtures with benches shall measure five (5) feet in length, five (5) feet in width and ten (10) feet in height, respectively, (light fixtures) and eighteen (18) inches in height (benches), for a total of two hundred (200) square feet of space being used along the public right-of-way of East Randolph Street, between North Stetson Drive and North Columbus Drive.

4. Two (2) Ornamental Signs

Said ornamental "No Parking" signs at the curb-cut shall measure one (1) foot in length, one (1) foot in width and seven (7) feet in height, respectively, for a total of two (2) square feet of space being used along the public right-of-way of East Randolph Street, between North Stetson Drive and North Columbus Drive.

Authority herein given and granted shall be for a period of five (5) years from and after the date of passage of this ordinance.

The location of said privilege shall be as shown on print hereto attached, which by reference is hereby incorporated and made a part of this ordinance. Such privilege and the structures and appliances herein authorized shall be maintained and used in accordance with all applicable laws, including the ordinances of the City of Chicago, and the directions of the Commissioner of Streets and Sanitation, the Commissioner of Buildings, the Commissioner of Transportation and the Director of Revenue. The grantee shall keep that portion of the public way in, over, under or adjacent to said privilege in good condition and repair, safe for public travel, free from snow, ice and debris to the satisfaction of the Commissioner of Streets and Sanitation.

SECTION 2. The grantee shall pay to the City of Chicago as compensation for the privilege herein granted the sum of Fifteen Thousand Six Hundred Seventy-one and no/100 Dollars (\$15,671.00) per annum, in advance. In case of termination of the privilege herein granted or the grantee transfers title or vacates its property, the grantee shall, nevertheless, remain liable to the City of Chicago for the annual compensation which shall become due and payable under the provisions hereof, until the structures and appliances herein authorized are removed and the public way is restored as herein required. Further renewal authority for the continued maintenance and use of the public way as herein described shall be obtained prior to the date of expiration of this ordinance.

SECTION 3. This ordinance is subject to amendment, modification or repeal, and permission and authority herein granted may be revoked by the Mayor of the City of Chicago and the Director of Revenue at their discretion, at any time for good cause without the consent of said grantee. Upon termination of the privilege herein granted, by lapse of time or otherwise, the grantee, without cost or expense to the City of Chicago, shall remove the structures and appliances herein authorized and restore the public way where disturbed by said structures or appliances or by the removal thereof, to a proper condition under the supervision and to the satisfaction of the Commissioner of Streets and Sanitation and in accordance with the City Municipal Code.

SECTION 4. In the event of failure, neglect or refusal of grantee so to perform any of its obligations under this ordinance, the City may, at its option, either (a) perform such work and charge the cost thereof to said grantee, or (b) determine what the cost of said work shall be and bill the grantee for said cost, or (c) combine the two methods. Immediately upon receipt of notice of such cost, grantee shall pay the City such amount.

SECTION 5. Grantee shall be responsible and pay for the removal, relocation, alteration, repair, maintenance and restoration of City-owned structures or appliances located in or adjacent to the public way including pavement, bridges, subways, tunnels, vaults, sewers, water mains, conduits, pipes, poles and other facilities and utilities, which are necessary or appropriate on account of grantee's use of the public way. The Commissioner of Streets and Sanitation is hereby authorized, in his or her discretion, and from time to time during grantee's use and occupancy of the public way until the restoration of the public way, to determine the work which is or will be necessary or appropriate and the cost involved to perform such work. The Commissioner is authorized to collect a deposit prior to commencing any work and to charge grantee all actual costs for causing all such work to be performed. The decision of such Commissioner shall be final and binding. The grantee, upon receiving written notification from the Commissioner of Streets and Sanitation of the required deposit or the cost of such work, shall immediately pay or deposit such amount as directed by the Commissioner.

SECTION 6. Rules Suspended -- CONGRATULATIONS EXTENDED TO
ALDERMAN EDWIN EISENDRATH ON HIS
APPOINTMENT AS ILLINOIS REGIONAL
DIRECTOR OF UNITED STATES
DEPARTMENT OF HOUSING
AND URBAN DEVELOPMENT.

Alderman Burke moved to *Suspend the Rules Temporarily* for the purpose

of going out of the regular order of business for immediate consideration of and action upon a proposed resolution. The motion *Prevailed*.

The following is said proposed resolution:

WHEREAS, President Clinton has appointed Alderman Edwin Eisendrath as Illinois Regional Director of the United States Department of Housing and Urban Development; and

WHEREAS, Alderman Eisendrath has faithfully served as alderman of the 43rd Ward since 1987; and

WHEREAS, During his tenure, Alderman Eisendrath distinguished himself by his intelligence, character, and hard work, earning him the respect of his constituents; and

WHEREAS, As Chairman of the City Council Committee on Energy, Environmental Protection and Public Utilities, Alderman Eisendrath has proved to be a knowledgeable and effective leader; and

WHEREAS, Alderman Eisendrath's skillful handling of recycling legislation and utility franchise agreements has won him the admiration of his colleagues; and

WHEREAS, Throughout his career with the City of Chicago, Alderman Eisendrath has upheld the highest standards of public service; now, therefore,

Be It Resolved, That we, the Mayor and members of the Chicago City Council, in meeting assembled this fifth day of November, 1993, do hereby honor Alderman Edwin Eisendrath for his exemplary service to the City of Chicago and its citizens, and do hereby wish him continued success in his future endeavors; and

Be It Further Resolved, That a suitable copy of this resolution be presented to Alderman Edwin Eisendrath.

On motion of Alderman Burke, seconded by Aldermen Mazola, Preckwinkle, Bloom, Beavers, Dixon, Huels, Troutman, Evans, Medrano, Watson, E. Smith, Bialczak, Suarez, Gabinski, Mell, O'Connor, Doherty, Natarus, Hansen, Schuler, M. Smith, Moore and Stone, the foregoing proposed resolution was *Adopted* by yeas and nays as follows:

Yeas -- Aldermen Mazola, Haithcock, Tillman, Preckwinkle, Bloom, Steele, Beavers, Dixon, Shaw, Buchanan, Huels, Fary, Burke, Jones, Streeter, Murphy, Rugai, Troutman, Evans, Munoz, Laski, Miller, Medrano, Ocasio, Watson, E. Smith, Burrell, Bialczak, Suarez, Gabinski, Mell, Austin, Wojcik, Banks, Giles, Cullerton, Laurino, O'Connor, Doherty, Natarus, Eisendrath, Hansen, Levar, Shiller, Schulter, M. Smith, Moore, Stone -- 48.

Nays -- None.

Alderman Burke moved to reconsider the foregoing vote. The motion was lost.

At this point in the proceedings, The Honorable Richard M. Daley, Mayor, rose to laud Alderman Eisendrath for his idealism and commitment to public service. An individual who believes not only in his community but in the entire city, Alderman Eisendrath is, the Mayor stated, an alderman who furthered legislative debate on the critical issues of the day through his faultless preparation and unwavering dedication to the debate of facts rather than personalities.

In accepting Presidential appointment to the position of Illinois Regional Director of the United States Department of Housing and Urban Development, Mayor Daley observed that Alderman Eisendrath was assuming responsibility for an area of particularly vital import to the nation in general and the City of Chicago in particular. Noting that Alderman Eisendrath's public service has been predicated upon his conviction that through his service he could better the lives of others, Mayor Daley expressed confidence that Alderman Eisendrath would utilize his appointment to bring new hope to all individuals within the Region. On behalf of the people of Chicago and his own family, Mayor Daley offered congratulations and best wishes to Alderman Edwin Eisendrath.

Alderman Eisendrath then rose to acknowledge the good wishes of his colleagues. Noting that the moment was bittersweet, Alderman Eisendrath first thanked the people of his ward for what he described as the "greatest honor a person has ever had -- working hard for a community you love". The job had become a way of life, the alderman continued, not in some imperceptibly incremental way but as a conscious choice, because every day had been rewarding and I know that's not an experience many people have in life and I'm deeply grateful for it".

Thanking his constituents for their tolerance of his mistakes, Alderman Eisendrath noted that together, they had accomplished much, making the forty-third ward "one of the best places to live, work and play in America".

After thanking his staff for their skill and dedication, Alderman Eisendrath next reflected upon the special wisdom he had acquired from each of the Mayors he served with -- from Harold Washington, who taught that passionate advocacy, charm and fun were not mutually exclusive, from Eugene Sawyer,

who demonstrated that decency can prevail over hostility, and from Richard M. Daley, who proved that the basic values of family, home and community are the "honest polestar around which to find one's political bearings". While valuable lessons all, Alderman Eisendrath observed that his most important skill, the ability to champion the needs of the few without losing sight of the requirements of the many, was developed under the tutelage of his fellow aldermen.

Thanking his colleagues and Mayor Daley for their words, Alderman Eisendrath closed by quoting the Bible verse: *Take away the noise of your songs and the melody of your hearts I won't listen to, but let justice roll down like waters and righteousness like an ever flowing stream.*

REGULAR ORDER OF BUSINESS RESUMED.

AGREED CALENDAR.

Alderman Burke moved to *Suspend the Rules Temporarily* for the purpose of including in the Agreed Calendar a series of resolutions presented by The Honorable Richard M. Daley, Mayor and Aldermen Buchanan, Rugai, Troutman, Evans, Banks, Allen, Natarus, Levar and Schulter. The motion *Prevailed*.

Thereupon, on motion of Alderman Burke, the proposed resolutions presented through the Agreed Calendar were *Adopted* by yeas and nays as follows:

Yeas -- Aldermen Mazola, Haithcock, Tillman, Preckwinkle, Bloom, Steele, Beavers, Dixon, Shaw, Buchanan, Huels, Fary, Burke, Jones, Streeter, Murphy, Rugai, Troutman, Evans, Munoz, Laski, Miller, Medrano, Ocasio, Watson, E. Smith, Burrell, Bialczak, Suarez, Gabinski, Mell, Austin, Wojcik, Banks, Giles, Cullerton, Laurino, O'Connor, Doherty, Natarus, Eisendrath, Hansen, Levar, Shiller, Schulter, M. Smith, Moore, Stone -- 48.

Nays -- None.

Alderman Burke moved to reconsider the foregoing vote. The motion was lost.

Sponsored by the elected officials named below, respectively, said Agreed Calendar resolutions, as adopted, read as follows (the italic heading in each case not being a part of the resolution):

WHEREAS, The Zoning Administrator, having fully reviewed all information and being fully advised of the premises, hereby makes the following findings of fact: the said use is located in an R3 General Residence District; that the subject site is improved with a two-story building containing an existing tavern; that on July 12, 1990, the City Council passed an ordinance requiring an exception for the approval of the change of licensee of an existing tavern located in a residence district; that the existing tavern is to be operated under a new license; that the majority of the tavern patrons come from the local neighborhood and that the continued operation of the tavern at this location is necessary for the public convenience; that the applicant, as the new licensee, proposes to operate the tavern in such a manner to insure that the public health, safety and welfare will be adequately protected; and that the continued operation of the existing tavern will not cause substantial injury to the value of other property in the neighborhood; now, therefore,

Be It Resolved, That the application for an exception is approved for the change of licensee and continued operation of an existing tavern in a two-story building, on premises at 3256 North Elston Avenue, and that all applicable ordinances of the City of Chicago shall be complied with before a license is issued; and

Be It Further Resolved, That the granting of this exception shall run only with the applicant, Ioana Barbulescu, doing business as Nelly's Saloon, Inc., as licensee, and that a change of licensee shall terminate the exception granted herein; and
