Commissioner of the Department ("Commissioner") or a designee of the Commissioner is each hereby authorized, with the approval of the City's Corporation Counsel as to form and legality, to negotiate, execute and deliver the Redevelopment Agreement, and such other supporting documents as may be necessary or appropriate to carry out and comply with the provisions of the Redevelopment Agreement, with such changes, deletions and insertions as shall be approved by the persons executing the Redevelopment Agreement.

RECITALS

WHEREAS, the Developer desires to purchase from the City the improved parcel of land located at 2450 N. Sawyer Avenue, Chicago, Illinois, which is legally described on Exhibit A attached hereto and made a part hereof (the "Property"); and

WHEREAS, the Developer intends to rehabilitate the existing, approximately 8,326 square foot structure on the Property, which previously housed the Logan Square Library, and convert it into a child care, social service and educational facility, as more fully described on Exhibit B attached hereto (the "Project"); and

WHEREAS, the City has agreed to sell the Property, which has an appraised fair market value of approximately Eight Hundred Sixteen Thousand and 00/100 Dollars (\$816,000.00), to the Developer for cash consideration in the amount of Two Hundred Fifty Thousand and 00/100 Dollars (\$250,000.00) and additional consideration in the form of the Developer's execution of this Agreement and agreement to perform the covenants, conditions and obligations set forth herein; and

WHEREAS, the City Council, pursuant to an ordinance adopted on _____, 2006, and published at pages ____ through ____ in the Journal of the Proceedings of the City

Council of such date, authorized the sale of the Property to the Developer, subject to the execution, delivery and recording of this Agreement; and

WHEREAS, the Developer and the City acknowledge that the implementation of the policies and provisions described in this Agreement will be of mutual benefit to the Developer and the City.

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

SECTION 1. INCORPORATION OF RECITALS.

The foregoing findings and recitals constitute an integral part of this Agreement and are incorporated herein by this reference with the same force and effect as if set forth herein as agreements of the parties.

SECTION 2. PURCHASE PRICE.

The City hereby agrees to sell, and the Developer hereby agrees to purchase, upon and subject to the terms and conditions of this Agreement, the Property, for the sum of Two Hundred and Fifty Thousand and 00/100 Dollars (\$250,000.00) ("Purchase Price"). The appraised fair market value of the Property is Eight Hundred Sixteen Thousand and 00/100 Dollars (\$816,000.00). The write-down is being offered in consideration of the Developer's agreement to comply with the covenants in this Agreement, including, without limitation, the covenants referenced in Section 18, which shall run with the land. The Purchase Price shall be paid to the City at the Closing (as defined in Section 4). Except as specifically provided herein to the contrary, the Developer shall pay all escrow fees and other title insurance fees and all other closing costs.

SECTION 3. EARNEST MONEY AND PERFORMANCE DEPOSIT.

[Intentionally Deleted]

SECTION 4. CLOSING.

The closing of the transaction contemplated by this Agreement (the "Closing") shall take place at the downtown offices of Chicago Title Insurance Company (the "Title Company"), 171 North Clark Street, Chicago, Illinois 60601, within thirty (30) days after the Developer has obtained all necessary building permits and zoning approvals for the Project, as required pursuant to Section 9.1, or on such date as the parties mutually agree upon in writing (the "Closing Date"); provided, however, in no event shall the Closing occur (a) until the Developer has satisfied all conditions precedent set forth in Section 9, unless DPD, in its sole discretion, waives such conditions, and (b) any later than January 1, 200 (the "Outside Closing Date"), unless DPD, in its sole discretion, extends the Outside Closing Date for a period of up to six (6) months. On or before the Closing Date, the City shall deliver to the Title Company the Deed, all

necessary state, county and municipal real estate transfer tax declarations, and an ALTA statement.

SECTION 5. CONVEYANCE OF TITLE.

5.1 Form of Deed. Without limiting the generality of the quitclaim nature of the deed, the City shall convey the Property to the Developer by quitclaim deed ("Deed"), subject to the terms of this Agreement and the following (collectively, the "Permitted Exceptions"):

- (a) the standard exceptions in an ALTA title insurance policy;
- (b) general real estate taxes and any special assessments or other taxes;
- (c) all easements, encroachments, covenants and restrictions of record and not shown of record that will not adversely affect the use and insurability of the Property for the development of the Project;
- (d) such other title defects as may exist; and
- (e) any and all exceptions caused by the acts of the Developer or its agents.

5.2 Recording Costs. The Developer shall pay to record the Deed, this Agreement, and any other documents incident to the conveyance of the Property to the Developer.

SECTION 6. TITLE AND SURVEY.

6.1 The Developer acknowledges that the City has delivered to the Developer a commitment for an owner's policy of title insurance for the Property, a copy of which is attached hereto as Exhibit C and made a part hereof (the "Title Commitment") from the Title Company, showing the City in title to the Property. The Developer shall be solely responsible for and shall pay all costs associated with updating the Title Commitment (including all search, continuation and later-date fees), and obtaining any title insurance, extended coverage or other endorsements it deems necessary. The Developer shall also be solely responsible for and shall pay all costs associated with obtaining any survey it deems necessary.

6.2 The City shall use reasonable efforts to obtain the waiver or release of any delinquent real estate tax liens on the Property prior to the Closing, to the extent such tax liens can be waived or released through submission of an abatement letter to the Cook County Treasurer or a motion to vacate a tax sale. If the City is unable to obtain the waiver or release of any such tax liens or is unable to cause the Title Company to insure over such tax liens, or if the Property is encumbered with any other unpermitted exceptions, the Developer shall have the option to: (a) accept title to the Property subject to the exceptions, which shall then become Permitted Exceptions, without reduction in the Purchase Price; or (b) terminate this Agreement by delivery of written notice to the City at least fourteen (14) days prior to the Closing Date, in which event this Agreement shall be null and void and, except as otherwise specifically provided herein, neither party shall have any further right, duty or obligation hereunder. If the Developer

elects not to terminate this Agreement as aforesaid, the Developer agrees to accept title subject to the unpermitted exceptions. The Developer shall be responsible for all taxes accruing after the Closing.

SECTION 7. BUILDING PERMITS AND OTHER GOVERNMENTAL APPROVALS.

The Developer shall apply for all necessary building permits and other required permits and approvals for the construction of the Project no later than fourteen (14) days after the City Council authorizes the sale of the Property, and shall pursue such permits and approvals in good faith and with all due diligence.

SECTION 8. PROJECT BUDGET AND PROOF OF FINANCING.

The total budget for the Project is currently estimated to be One Million Six Hundred Twenty-Five Thousand Three Hundred Fifty-Five and 00/100 Dollars (\$1,625,355) (the "Preliminary Project Budget"). Not less than fourteen (14) days prior to the Closing Date, the Developer shall submit to DPD for approval a final project budget materially consistent with the Preliminary Project Budget ("Budget") and evidence of funds adequate to finance the purchase of the Property and the construction of the Project ("Proof of Financing").

SECTION 9. CONDITIONS TO THE CITY'S OBLIGATION TO CLOSE.

The obligations of the City under this Agreement are contingent upon each of the following being done at least fourteen (14) days prior to the Closing Date, unless another date is specified:

9.1 Final Governmental Approvals. The Developer shall have delivered to the City evidence of all building permits and other final governmental approvals necessary to construct the Project.

9.2 Budget and Proof of Financing. The City shall have approved the Developer's Budget and Proof of Financing, including a mortgage encumbering the Property

9.3 Simultaneous Loan Closing. On the Closing Date, the Developer shall simultaneously close any financing approved pursuant to this Agreement and be in a position to immediately commence construction of the Project.

9.4 Insurance. The Developer shall have delivered to the City evidence of insurance reasonably acceptable to the City. The City shall be named as an additional insured on all liability insurance policies and as a loss payee (subject to the prior rights of any first mortgagee) on all property insurance policies from the Closing Date through the date the City issues the Certificate of Completion (as defined in Section 13 below). With respect to property insurance, the City will accept an ACORD 28 form. With respect to liability insurance, the City will accept an ACORD 25 form, together with a copy of the endorsement that is added to the Developer's policy showing the City as an additional insured.

9.5 Legal Opinion. The Developer shall, at the City's request, deliver to the City a legal opinion in a form reasonably acceptable to the City's Corporation Counsel, covering such customary matters as the Developer's organization, the Developer's ability to execute, deliver and perform its obligations under this Agreement, and the validity and enforceability of this Agreement.

9.6 Due Diligence. The Developer shall have delivered to the City due diligence searches in its name (UCC liens, state and federal tax liens, pending suits and judgments in Cook County and the U.S. District Court for the Northern District of Illinois, and bankruptcy), showing no unacceptable liens, litigation, judgments or filings, as reasonably determined by the City's Corporation Counsel.

9.7 Organization and Authority Documents. The Developer shall have delivered to the City the Developer's articles of incorporation, including all amendments thereto, as furnished and certified by the Illinois Secretary of State; the by-laws of the Developer, as certified by the secretary of the Developer; resolutions authorizing the Developer to execute and deliver this Agreement and any other documents required to complete the transaction contemplated by this Agreement and to perform its obligations under this Agreement; a certificate of good standing from the Illinois Secretary of State dated no more than thirty (30) days prior to the Closing Date; and such other corporate authority and organizational documents as the City may reasonably request.

9.8 Subordination Agreement. On the Closing Date, and prior to recording any mortgage approved pursuant to Section 9.2, the Developer shall, at the City's request, deliver to the City a subordination agreement in which the construction lender agrees to subordinate the lien of its mortgage to the covenants running with the land, or such other subordination assurance as the Corporation Counsel shall deem acceptable.

9.9 MBE/WBE Compliance Plan. The Developer and the Developer's general contractor and all major subcontractors shall meet with staff from the Department of Housing ("DOH") regarding compliance with the MBE/WBE, city residency hiring, prevailing wage and other requirements set forth in Section 23, and at least seven (7) days prior to the Closing Date, the City shall have approved the Developer's compliance plan in accordance with Section 23.4.

9.10 Representations and Warranties. On the Closing Date, each of the representations and warranties of the Developer in Section 24 and elsewhere in this Agreement shall be true and correct.

9.11 Other Obligations. On the Closing Date, the Developer shall have performed all of the other material obligations required to be performed by the Developer under this Agreement as and when required under this Agreement.

If any of the conditions in this Section 9 have not been satisfied to the City's reasonable satisfaction within the time periods provided for herein, or waived by DPD in writing, the City may, at its option, terminate this Agreement by delivery of written notice to the Developer at any time after the expiration of the applicable time period and this Agreement shall be null and void and, except as otherwise specifically provided herein, neither party shall have any further right, duty or obligation hereunder. Any forbearance by the City in exercising its right to terminate this Agreement upon a default hereunder shall not be construed as a waiver of such right.

SECTION 10. CONSTRUCTION REQUIREMENTS.

10.1 Site Plans. The Developer shall construct the Project on the Property in accordance with the final design development drawings and specifications prepared by WheelerKearns Architects dated October __, 2006, which have been approved by DPD and which are attached hereto as Exhibit D and made a part hereof ("Working Drawings and Specifications"). No material deviation from the Working Drawings and Specifications may be made without the prior written approval of DPD. If the Developer submits and DPD approves revised design development drawings and specifications after the date of this Agreement, the term "Working Drawings and Specifications" as used herein shall refer to the revised design development drawings and specifications upon DPD's written approval of the same.

10.2 Relocation of Utilities, Curb Cuts and Driveways. The Developer shall be solely responsible for and shall pay all costs associated with: (a) the relocation, installation or construction of public or private utilities, curb cuts and driveways; (b) the repair or reconstruction of any curbs, vaults, sidewalks or parkways required in connection with or damaged as a result of the Developer's construction of the Project; (c) the removal of existing pipes, utility equipment or building foundations; and (d) the termination of existing water or other services. The City shall have the right to approve any streetscaping provided by the Developer as part of the Project, including, without limitation, any paving of sidewalks, landscaping and lighting.

10.3 City's Right to Inspect Property. For the period commencing on the Closing Date and continuing through the date the City issues a Certificate of Completion, any duly authorized representative of the City shall have access to the Property at all reasonable times for the purpose of determining whether the Developer is constructing the Project in accordance with the terms of this Agreement and all applicable federal, state and local statutes, laws, ordinances, codes, rules, regulations, orders and judgments, including, without limitation, Sections 7-28 and 11-4 of the Municipal Code of Chicago relating to waste disposal (collectively, "Laws").

10.4 Barricades and Signs. Promptly after the execution of this Agreement, the Developer shall, at its sole cost and expense, erect and maintain such signs as the City may reasonably require identifying the Property as a City redevelopment project. Prior to the commencement of any construction activity requiring barricades, the Developer shall install barricades of a type and appearance satisfactory to the City and constructed in compliance with all applicable Laws. DPD shall have the right to approve the maintenance, appearance, color scheme, painting, nature, type, content and design of all barricades, which approval shall not be

unreasonably withheld or delayed. The Developer shall erect all signs and barricades so as not to interfere with or affect any bus stop or train station in the vicinity of the Property.

10.5 Survival. The provisions of this Section 10 shall survive the Closing.

SECTION 11. LIMITED APPLICABILITY.

Any approval given by DPD pursuant to this Agreement is for the purpose of this Agreement only and does not constitute the approval required by the City's Department of Construction and Permits ("DCAP") or any other City department, nor does such approval constitute an approval of the quality, structural soundness or safety of any improvements located or to be located on the Property, or the compliance of said improvements with any Laws, private covenants, restrictions of record, or any agreement affecting the Property or any part thereof.

SECTION 12. COMMENCEMENT AND COMPLETION OF PROJECT.

The Developer shall commence construction of the Project no later than January 1, 2007, and shall complete the Project (as evidenced by the issuance of a Certificate of Completion) no later than September 30, 2007; provided, however, DPD shall have discretion to extend the construction commencement and completion dates by issuing a written extension letter for a period of up to six (6) months. The Developer shall give written notice to the City within five (5) days after it commences construction. The Developer shall construct the Project in accordance with the Working Drawings and Specifications, and all Laws and covenants and restrictions of record.

SECTION 13. CERTIFICATE OF COMPLETION.

The Developer shall request from the City a certificate of completion ("Certificate of Completion") upon the completion of the Project in accordance with this Agreement. Within forty-five (45) days after receipt of a written request by the Developer for a Certificate of Completion, the City shall provide the Developer with either the Certificate of Completion or a written statement indicating in adequate detail how the Developer has failed to complete the Project in conformity with this Agreement, or is otherwise in default, and what measures or acts will be necessary, in the sole opinion of the City, for the Developer to take or perform in order to obtain the Certificate of Completion. If the City requires additional measures or acts to assure compliance, the Developer shall resubmit a written request for the Certificate of Completion upon compliance with the City's response. The Certificate of Completion shall be in recordable form, and shall, upon recording, constitute a conclusive determination of satisfaction and termination of the covenants in this Agreement and the Deed with respect to the Developer's obligations to complete the Project. The Certificate of Completion shall not, however, constitute evidence that the Developer has complied with any Laws relating to the construction and rehabilitation work of the Project, and shall not serve as any "guaranty" as to the quality of the construction. Upon recordation of the Certificate of Completion, the City shall return the Performance Deposit to the Developer.

SECTION 14. RESTRICTIONS ON USE.

The Developer agrees that it:

14.1 Shall devote the Property solely to the Project.

14.2 Shall not discriminate on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status, or source of income in the use or occupancy of the Property or any part thereof or the Project or any part thereof.

14.3 Shall use and operate Property solely for one or more not-for-profit, social service and educational purposes, including, without limitation, such purposes as the operation of a HeadStart or similar early childcare and development program, after-school programming for children, ESL or GED or similar adult continuing education classes, individual and family counseling, tutoring, a food pantry and emergency services for a period of 20 years. Notwithstanding the Property's existing or future zoning classification, in no instance shall the Property be utilized for any residential development during such 20 year covenant period. Developer also agrees that upon reasonable notice it shall from time to time make the Property available for use by the City, sister City agencies (such as, for example, the Chicago Park District), local community events, public meetings and for use as a polling station, provided that such use does not unreasonably interfere with Developer's use and occupancy of the Property and any such regular user (other than the City, the Chicago Transit Authority, the Chicago Housing Authority, the Chicago Board of Education, the Chicago Public Library, the Chicago City Colleges, Chicago Board of Elections or any other municipal corporation that routinely self-insures) names the Developer as an additional insured under any general liability insurance policy carried by such user, which policy shall be in a form and amount reasonably acceptable to the Developer.

Notwithstanding the 20 year covenant period set forth above, if, (a) in connection with the Developer's relocation of its operations from the Property to another location in the City of Chicago, (b) the Developer sells the Property, (c) the Developer reinvests the net sales proceeds from such sale into such new location, and (d) the Developer executes a new redevelopment agreement comparable to this Agreement that shall encumber the new location for the remainder of such 20 year covenant period, then the Developer may sell the Property and such sale shall not constitute a breach of the above covenant or otherwise entitle the City to exercise its remedies under this Agreement. For purposes of the preceding sentence, net sales proceeds shall constitute the gross sales proceeds, less the amount of any first mortgage indebtedness incurred in the ordinary course of the Developer's operations and repaid at the time of such sale, less customary third party transaction and closing costs associated with such sale.

SECTION 15. PROHIBITION AGAINST SALE OR TRANSFER OF PROPERTY.

Prior to the issuance of the Certificate of Completion for the Project, the Developer may not, without the prior written consent of DPD, which consent shall be in DPD's sole discretion: (a) directly or indirectly sell, transfer or otherwise dispose of the Property or any part thereof or any interest therein or the Developer's controlling interests therein (including without limitation,

a transfer by assignment of any beneficial interest under a land trust); or (b) directly or indirectly assign this Agreement. The Developer acknowledges and agrees that DPD may withhold its consent under (a) or (b) above if, among other reasons, the proposed purchaser, transferee or assignee (or such entity's principal officers or directors) is in violation of any Laws, or if the Developer fails to submit sufficient evidence of the financial responsibility, business background and reputation of the proposed purchaser, transferee or assignee. If the Developer is a business entity, no principal party of the Developer (e.g., a general partner, member, manager or shareholder) may sell, transfer or assign any of its interest in the entity prior to the issuance of the Certificate of Completion to anyone other than another principal party, without the prior written consent of DPD, which consent shall be in DPD's sole discretion. The Developer must disclose the identity of all limited partners to the City at the time such limited partners obtain an interest in the Developer. The provisions of this Section 15 shall not prohibit the Developer from transferring or conveying the Property to an Illinois land trust of which the Developer is the sole beneficiary.

After the issuance of the Certificate of Completion, the Developer may transfer the Property, with the prior written consent of DPD, which shall not be unreasonably withheld so long as (a) the proposed transferee is capable of and confirms in writing to the City that it will be complying with Section 14.03 for the remainder of the 20 year covenant period set forth therein, and (b) if such transfer occurs within 10 years of the date of the City's issuance of the Certificate of Completion, the transfer price is not greater than the Developer's Project costs plus transaction costs associated with such transfer, unless the Developer remits such excess net sales proceeds, up to the amount of the original land-write down, to the City.

SECTION 16. LIMITATION UPON ENCUMBRANCE OF PROPERTY.

Prior to the issuance of the Certificate of Completion, the Developer shall not, without DPD's prior written consent, which shall be in DPD's sole discretion, engage in any financing or other transaction which would create an encumbrance or lien on the Property, except for any mortgage approved pursuant to Section 9.2.

SECTION 17. MORTGAGEES NOT OBLIGATED TO CONSTRUCT.

Notwithstanding any other provision of this Agreement or of the Deed, the holder of any mortgage authorized by this Agreement (or any affiliate of such holder) shall not itself be obligated to construct or complete the Project, or to guarantee such construction or completion, but shall be bound by the other covenants running with the land specified in Section 18 and shall, prior to recording any mortgage approved pursuant to Section 9.2, execute and record a Subordination Agreement (as defined in Section 9.8). If any such mortgagee or its affiliate succeeds to the Developer's interest in the Property prior to the issuance of the Certificate of Completion, whether by foreclosure, deed-in-lieu of foreclosure or otherwise, and thereafter transfers its interest in the Property to another party, such transferee shall be obligated to complete the Project, and shall also be bound by the other covenants running with the land specified in Section 18.

SECTION 18. COVENANTS RUNNING WITH THE LAND.

The parties agree that the covenants provided in Section 12 (Commencement and

Completion of Project), Section 14 (Restrictions on Use), Section 15 (Prohibition Against Sale or Transfer of Property) and Section 16 (Limitation Upon Encumbrance of Property) will be covenants running with the land, binding on the Developer and its successors and assigns (subject to the limitation set forth in Section 17 above as to any permitted mortgagee) to the fullest extent permitted by law and equity for the benefit and in favor of the City, and shall be enforceable by the City. The covenants provided in Section 12, Section 14.1, Section 15 and Section 16 shall terminate upon the issuance of the Certificate of Completion. The covenants contained in Section 14.2 and Section 14.3 shall terminate after a 20-year period, commencing on the date of the issuance of the Certificate of Completion.

SECTION 19. PERFORMANCE AND BREACH.

19.1 Time of the Essence. Time is of the essence in the Developer's performance of its obligations under this Agreement.

19.2 Permitted Delays. The Developer shall not be considered in breach of its obligations under this Agreement in the event of a delay due to unforeseeable causes beyond the Developer's control and without the Developer's fault or negligence, including, without limitation, acts of God, acts of the public enemy, acts of the United States government, fires, floods, epidemics, quarantine restrictions, strikes, embargoes and unusually severe weather or delays of subcontractors due to such causes. The time for the performance of the obligations shall be extended only for the period of the delay and only if the Developer requests an extension in writing within twenty (20) days after the beginning of any such delay.

19.3 Cure. If the Developer defaults in the performance of its obligations under this Agreement, the Developer shall have sixty (60) days after written notice of default from the City to cure the default, or such longer period as shall be reasonably necessary to cure such default provided the Developer promptly commences such cure and thereafter diligently pursues such cure to completion (so long as continuation of the default does not create material risk to the Project or to persons using the Project). Notwithstanding the foregoing, no notice or cure period shall apply to defaults under Sections 19.4 (c), (e) and (g).

19.4 Event of Default. The occurrence of any one or more of the following shall constitute an "Event of Default" under this Agreement:

(a) The Developer makes or furnishes a warranty, representation, statement or certification to the City (whether in this Agreement, an Economic Disclosure Statement, or another document) that is not true and correct.

(b) A petition is filed by or against the Developer under the Federal Bankruptcy Code or any similar state or federal law, whether now or hereafter existing, which is not vacated, stayed or set aside within thirty (30) days after filing.

(c) The Developer fails to complete the Project in accordance with the time line outlined in Section 12 above, or the Developer abandons or substantially suspends construction or rehabilitation of the Project.

(d) The Developer fails to pay real estate taxes or assessments affecting the Property or any part thereof when due, or places thereon any encumbrance or lien unauthorized by this Agreement, or suffers or permits any levy or attachment, mechanic's, laborer's, material supplier's, or any other lien or encumbrance unauthorized by this Agreement to attach to the Property unless bonded or insured over.

(e) The Developer makes an assignment, pledge, unpermitted financing, encumbrance, transfer or other disposition in violation of this Agreement.

(f) There is a material and adverse change in the Developer's financial condition or operations.

(g) The Developer fails to close by the Outside Closing Date, unless DPD, in its sole discretion, extends the Outside Closing Date.

(h) The Developer fails to perform, keep or observe any of the other covenants, conditions, promises, agreements or obligations under this Agreement or any other written agreement entered into with the City with respect to the Project.

19.5 Prior to Closing. If an Event of Default occurs prior to the Closing, and the default is not cured in the time period provided for in Section 19.3 above, the City may terminate this Agreement, institute any action or proceeding at law or in equity against the Developer, and retain the Earnest Money and Performance Deposit as liquidated damages.

19.6 After Closing. If an Event of Default occurs after the Closing but prior to the issuance of the Certificate of Completion, and the default is not cured in the time period provided for in Section 19.3 above, the City may terminate this Agreement and exercise any and all remedies available to it at law or in equity, including, without limitation, the right to re-enter and take possession of the Property, terminate the estate conveyed to the Developer, and revert title to the Property in the City (the "Right of Reverter"); provided, however, the City's Right of Reverter shall be limited by, and shall not defeat, render invalid, or limit in any way, the lien of any mortgage authorized by this Agreement.

19.7 Resale of the Property. Upon the reversion in the City of title to the Property as provided in Section 19.6, the City may complete the Project or convey the Property, subject to any first mortgage lien, to a qualified and financially responsible party reasonably acceptable to the first mortgagee, who shall assume the obligation of completing the Project or such other improvements as shall be satisfactory to DPD, and otherwise comply with the covenants that run with the land as specified in Section 18.

19.8 Disposition of Resale Proceeds. If the City sells the Property as provided for in Section 19.7, the net proceeds from the sale, after payment of all amounts owed under any

mortgage liens authorized by this Agreement in order of lien priority, shall be utilized to reimburse the City for:

(a) costs and expenses incurred by the City (including, without limitation, salaries of personnel) in connection with the recapture, management and resale of the Property (less any income derived by the City from the Property in connection with such management); and

(b) all unpaid taxes, assessments, and water and sewer charges assessed against the Property; and

(c) any payments made (including, without limitation, reasonable attorneys' fees and court costs) to discharge or prevent from attaching or being made any subsequent encumbrances or liens due to obligations, defaults or acts of the Developer; and

(d) any expenditures made or obligations incurred with respect to construction, rehabilitation or maintenance of the Project; and

(e) any other amounts owed to the City by the Developer.

The Developer shall be entitled to receive any remaining proceeds up to the amount of the Developer's equity investment in the Property. In addition to, and without in any way limiting the City's rights under this Section 19, the City shall have the right to retain the Performance Deposit in the event of a default by the Developer.

SECTION 20. CONFLICT OF INTEREST; CITY'S REPRESENTATIVES NOT INDIVIDUALLY LIABLE.

The Developer represents and warrants that no agent, official or employee of the City shall have any personal interest, direct or indirect, in the Developer, this Agreement, the Property or the Project, nor shall any such agent, official or employee participate in any decision relating to this Agreement which affects his or her personal interests or the interests of any corporation, partnership, association or other entity in which he or she is directly or indirectly interested. No agent, official or employee of the City shall be personally liable to the Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to the Developer or successor or with respect to any commitment or obligation of the City under the terms of this Agreement.

SECTION 21. INDEMNIFICATION.

The Developer agrees to indemnify, defend and hold the City harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, reasonable attorneys' fees and court costs) suffered or incurred by the City arising from or in connection with: (a) the failure of the Developer to perform its obligations under this Agreement; (b) the failure of the Developer or any contractor or other

agent, entity or individual acting under the control or at the request of the Developer ("Agent") to pay contractors, subcontractors or material suppliers in connection with the construction and management of the Project; (c) any misrepresentation or omission made by the Developer or any Agent; (d) the failure of the Developer to redress any misrepresentations or omissions in this Agreement or any other agreement relating hereto; and (e) any activity undertaken by the Developer or any Agent on the Property prior to or after the Closing. This indemnification shall survive the Closing or any termination of this Agreement (regardless of the reason for such termination).

SECTION 22. INSPECTION; CONDITION OF PROPERTY AT CLOSING.

22.1 "As Is" Sale. The City makes no covenant, representation or warranty, express or implied, of any kind, as to the structural, physical or environmental condition of the Property or the suitability of the Property for any purpose whatsoever, and the Developer agrees to accept the property in its "as is," "where is" and "with all faults" condition.

22.2 Right of Entry.

(a) The Developer's obligations hereunder are conditioned upon the Developer being satisfied with the condition of the Property for the construction, development and operation of the Project. Upon the Developer's request, the City shall grant the Developer the right, at its sole cost and expense, to enter the Property for a period of thirty (30) days (the "Inspection Period") pursuant to a Right of Entry Agreement in form and substance reasonably acceptable to the City to inspect the same, perform surveys, environmental assessments, soil and any other due diligence it deems necessary or desirable to satisfy itself as to the condition of the Property.

(b) If the Developer determines that it is not satisfied for any reason whatsoever in its sole and absolute discretion, with the condition of the Property, the Developer may terminate this Agreement by written notice to the City within thirty (30) days after the expiration of the Inspection Period, whereupon the City shall return the Earnest Money and Performance Deposit to the Developer and this Agreement, including Section 21, shall be null and void and, except as otherwise specifically provided, neither party shall have any further right, duty or obligation hereunder. If the Developer elects not to terminate this Agreement pursuant to this Section 22.2, the Developer shall be deemed satisfied with the condition of the Property.

22.3 Indemnity. The Developer hereby waives and releases, and indemnifies the City from and against, any claims and liabilities relating to or arising from the structural, physical or environmental condition of the Property, including, without limitation, claims arising under the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended ("CERCLA"), and shall undertake and discharge all liabilities of the City arising from any structural, physical or environmental condition that existed on the Property prior to the Closing, including, without limitation, liabilities arising under CERCLA. The Developer hereby acknowledges that, in purchasing the Property, the Developer is relying solely upon its own inspection and other due diligence activities and not upon any information (including, without

limitation, environmental studies or reports of any kind) provided by or on behalf of the City or its agents or employees with respect thereto. The Developer shall perform such studies and investigations, conduct such tests and surveys, and engage such specialists as the Developer deems appropriate to evaluate fairly the structural, physical and environmental condition and risks of the Property. If, after the Closing, the structural, physical and environmental condition of the Property is not in all respects entirely suitable for its intended use, it shall be the Developer's sole responsibility and obligation to take such action as is necessary to put the Property in a condition which is suitable for its intended use. The provisions of this Section 22.3 shall survive the Closing.

SECTION 23. DEVELOPER'S EMPLOYMENT OBLIGATIONS.

23.1 Employment Opportunity. The Developer agrees, and shall contractually obligate its various contractors, subcontractors and any affiliate of the Developer operating on the Property (collectively, the "Employers") and individually, an "Employer") to agree, that with respect to the provision of services in connection with the construction of the Project or occupation of the Property:

(a) Neither the Developer nor any Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, gender identity, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Section 2-160-010 et seq. of the Municipal Code of Chicago, as amended from time to time (the "Human Rights Ordinance"). The Developer and each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon the foregoing grounds, and are treated in a non-discriminatory manner with regard to all job-related matters, including, without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Developer and each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Developer and each Employer, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon the foregoing grounds.

(b) To the greatest extent feasible, the Developer and each Employer shall present opportunities for training and employment of low and moderate income residents of the City, and provide that contracts for work in connection with the construction of the Project be awarded to business concerns which are located in or owned in substantial part by persons residing in, the City.

(c) The Developer and each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including, without limitation, the Human Rights Ordinance, and the Illinois Human Rights Act, 775

ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

(d) The Developer, in order to demonstrate compliance with the terms of this Section 23.1, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) The Developer and each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the construction of the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 23.1 shall be a basis for the City to pursue remedies under the provisions of Section 19.

23.2 City Resident Employment Requirement.

(a) The Developer agrees, and shall contractually obligate each Employer to agree, that during the construction of the Project, the Developer and each Employer shall comply with the minimum percentage of total worker hours performed by actual residents of the City of Chicago as specified in Section 2-92-330 of the Municipal Code of Chicago (at least fifty percent); provided, however, that in addition to complying with this percentage, the Developer and each Employer shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

(b) The Developer and the Employers may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the chief procurement officer of the City of Chicago.

(c) "Actual residents of the City of Chicago" shall mean persons domiciled within the City of Chicago. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

(d) The Developer and the Employers shall provide for the maintenance of adequate employee residency records to ensure that actual Chicago residents are employed on the construction of the Project. The Developer and the Employers shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

(e) The Developer and the Employers shall submit weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) to the City's Department of Housing ("DOH") in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Developer or Employer hired the employee should be written in after the employee's name.

(f) The Developer and the Employers shall provide full access to their employment records to the chief procurement officer, DOH, the Superintendent of the Chicago Police Department, the inspector general, or any duly authorized representative thereof. The Developer and the Employers shall maintain all relevant personnel data and records for a period of at least three (3) years after the issuance of the Certificate of Completion.

(g) At the direction of DOH, the Developer and the Employers shall provide affidavits and other supporting documentation to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

(h) Good faith efforts on the part of the Developer and the Employers to provide work for actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the chief procurement officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section 23.2 concerning the worker hours performed by actual Chicago residents.

(i) If the City determines that the Developer or an Employer failed to ensure the fulfillment of the requirements of this Section 23.2 concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section 23.2. If such non-compliance is not remedied in accordance with the breach and cure provisions of Section 19.3, the parties agree that 1/20 of 1 percent (.05%) of the aggregate hard construction costs set forth in the Budget shall be surrendered by the Developer and for the Employers to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer and/or the other Employers or employees to prosecution.

(j) Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement.

(k) The Developer shall cause or require the provisions of this Section 23.2 to be included in all construction contracts and subcontracts related to the construction of the Project.

23.3 Developer's MBE/WBE Commitment. The Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the general contractor to agree, that during the construction of the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code of Chicago (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code of Chicago (the "Construction Program," and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 23.3, during the course of construction of the Project, at least 24% of the aggregate hard construction costs shall be expended for contract participation by minority-owned businesses and at least 4% of the aggregate hard construction costs shall be expended for contract participation by women-owned businesses. Materials and services that are voluntarily contributed as "in kind" contributions to the Developer or the the Project shall not be deemed to be "hard construction costs" for purposes of MBE/WBE testing requirements of this Section 23.3.

(b) For purposes of this Section 23.3 only:

(i) The Developer (and any party to whom a contract is let by the Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by the Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code of Chicago, as applicable.

(ii) The term "minority-owned business" or "MBE" shall mean a business identified in the Directory of Certified Minority Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a minority-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(iii) The term "women-owned business" or "WBE" shall mean a business identified in the Directory of Certified Women Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a women-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code of Chicago, the Developer's MBE/WBE commitment may be achieved in part by the Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture, or (ii) the amount of any actual work performed on the Project by the MBE or WBE); by the Developer utilizing a MBE or a WBE as the general contractor (but only to the extent of any actual work performed on the Project by the general contractor); by subcontracting or causing the general contractor to subcontract a portion of the construction of the Project to one or more MBEs or WBEs; by the purchase of materials or services used in the construction of the Project from one or more MBEs or WBEs; or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer's MBE/WBE commitment as described in this Section 23.3. In accordance with Section 2-92-730, Municipal Code of Chicago, the Developer shall not substitute any MBE or WBE general contractor or subcontractor without the prior written approval of DOH.

(d) The Developer shall deliver quarterly reports to the City's monitoring staff during the construction of the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by the Developer or the general contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the construction of the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining the Developer's compliance with this MBE/WBE commitment. The Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the construction of the Project for at least five (5) years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by the Developer, on prior notice of at least five (5) business days, to allow the City to review the Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the construction of the Project.

(e) Upon the disqualification of any MBE or WBE general contractor or subcontractor, if the disqualified party misrepresented such status, the Developer shall be obligated to discharge or cause to be discharged the disqualified general contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code of Chicago, as applicable.

(f) Any reduction or waiver of the Developer's MBE/WBE commitment as described in this Section 23.3 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code of Chicago, as applicable.

23.4 Pre-Construction Conference and Post-Closing Compliance Requirements. Not less than fourteen (14) days prior to the Closing Date, the Developer and the Developer's general contractor and all major subcontractors shall meet with DOH monitoring staff regarding compliance with all Section 23 requirements. During this pre-construction meeting, the Developer shall present its plan to achieve its obligations under this Section 23, the sufficiency of which the City's monitoring staff shall approve as a precondition to the Closing. During the construction of the Project, the Developer shall submit all documentation required by this Section 23 to the City's monitoring staff, including, without limitation, the following: (a) subcontractor's activity report; (b) contractor's certification concerning labor standards and prevailing wage requirements; (c) contractor letter of understanding; (d) monthly utilization report; (e) authorization for payroll agent; (f) certified payroll; (g) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (h) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that the Developer is not complying with its obligations under this Section 23, shall, upon the delivery of written notice to the Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (x) issue a written demand to the Developer to halt construction of the Project, (y) withhold any further payment of any City funds to the Developer or the general contractor, or (z) seek any other remedies against the Developer available at law or in equity.

SECTION 24. REPRESENTATIONS AND WARRANTIES.

24.1 Representations and Warranties of the Developer. To induce the City to execute this Agreement and perform its obligations hereunder, the Developer hereby represents and warrants to the City that as of the date of this Agreement and as of the Closing Date the following shall be true and correct in all respects:

(a) The Developer is a not-for-profit corporation duly organized, validly existing and in good standing under the laws of the State of Illinois with full power and authority to acquire, own and redevelop the Property, and that the person signing this Agreement on behalf of the Developer has the authority to do so.

(b) All certifications and statements contained in the Economic Disclosure Statement last submitted to the City by the Developer (and any legal entity holding an interest in the Developer) are true, accurate and complete.

(c) The Developer's execution, delivery and performance of this Agreement and all instruments and agreements contemplated hereby will not, upon the giving of notice or lapse of time, or both, result in a breach or violation of, or constitute a default under, the Developer's operating agreement or any other agreement to which the Developer, or any party affiliated with the Developer, is a party or by which the Developer or the Property is bound.

(d) To the best of the Developer's knowledge, no action, litigation, investigation or proceeding of any kind is pending or threatened against the Developer, or any party affiliated with the Developer, and the Developer knows of no facts which could give rise to any such action, litigation, investigation or proceeding, which could: (i) affect the ability of the Developer to perform its obligations hereunder; or (ii) materially affect the operation or financial condition of the Developer.

(e) To the best of the Developer's knowledge, the Project will not violate: (i) any Laws, including, without limitation, any zoning and building codes and environmental regulations; or (ii) any building permit, restriction of record or other agreement affecting the Property.

24.2 Representations and Warranties of the City. To induce the Developer to execute this Agreement and perform its obligations hereunder, the City hereby represents and warrants to the Developer that the City has authority under its home rule powers to execute and deliver this Agreement and perform the terms and obligations contained herein.

24.3 Survival of Representations and Warranties. Each of the parties agrees that all of its representations and warranties set forth in this Section 24 or elsewhere in this Agreement are true as of the date of this Agreement and will be true in all material respects at all times thereafter, except with respect to matters which have been disclosed in writing and approved by the other party.

SECTION 26. BUSINESS RELATIONSHIPS.

The Developer acknowledges (a) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (b) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (c) notwithstanding anything to the contrary contained in this Agreement, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. The Developer hereby represents and warrants that no violation of Section 2-145-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

SECTION 27. PATRIOT ACT CERTIFICATION.

The Developer represents and warrants that neither the Developer nor any Affiliate (as hereafter defined) thereof is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons

or entities with which the City may not do business under any applicable Laws: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. As used in this Section 27, an "Affiliate" shall be deemed to be a person or entity related to the Developer that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with the Developer, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

SECTION 28. PROHIBITION ON CERTAIN CONTRIBUTIONS - MAYORAL EXECUTIVE ORDER NO. 05-1.

28.1 The Developer agrees that the Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in the Developer of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, the Developer's contractors (i.e., any person or entity in direct contractual privity with the Developer regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (the Developer and all the other preceding classes of persons and entities are together the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (a) after execution of this Agreement by the Developer, (b) while this Agreement or any Other Contract (as hereinafter defined) is executory, (c) during the term of this Agreement or any Other Contract, or (d) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to February 10, 2005, the effective date of Executive Order 2005-1.

28.2 The Developer represents and warrants that from the later of (a) February 10, 2005, or (b) the date the City approached the Developer, or the date the Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

28.3 The Developer agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

28.4 The Developer agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 05-1 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 05-1.

28.5 Notwithstanding anything to the contrary contained herein, the Developer agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any

covenant or warranty under this Section 28 or violation of Mayoral Executive Order No. 05-1 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this Agreement, and under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

28.6 If the Developer intentionally violates this provision or Mayoral Executive Order No. 05-1 prior to the Closing, the City may elect to decline to close the transaction contemplated by this Agreement.

28.7 For purposes of this provision:

(a) "Bundle" means to collect contributions from more than one source, which contributions are then delivered by one person to the Mayor or to his political fundraising committee.

(b) "Other Contract" means any other agreement with the City to which the Developer is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council.

(c) "Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

(d) Individuals are "domestic partners" if they satisfy the following criteria:

(i) they are each other's sole domestic partner, responsible for each other's common welfare; and

(ii) neither party is married; and

(iii) the partners are not related by blood closer than would bar marriage in the State of Illinois; and

(iv) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and

(v) two of the following four conditions exist for the partners:

(1) The partners have been residing together for at least 12 months.

(2) The partners have common or joint ownership of a residence.

(3) The partners have at least two of the following arrangements:

- (A) joint ownership of a motor vehicle;
- (B) joint credit account;
- (C) a joint checking account;

4.2 Covenant Of Quiet Enjoyment.

Landlord shall have the right of access to the Premises for the purpose of inspecting and making repairs to the Premises, provided that except in the case of emergencies, Landlord shall first give notice to Tenant of its desire to enter the Premises and will schedule its entry so as to minimize any interference with Tenant's use of Premises to prospective or actual purchasers, mortgagees, tenants, workmen, or contractors or as otherwise necessary in the operation or protection of the Premises.

4.4 Use Of The Premises.

Insurance And Indemnification

6.1 Insurance.

The Landlord shall procure and maintain at all times, at Landlord's own expense, during the Term of this lease, the insurance coverages and requirements specified below, insuring all operations related to the lease.

The kinds and amounts of insurance required are as follows:

a) Workers' Compensation And Employer's Liability Insurance.

Workers' Compensation and Employer's Liability Insurance, in accordance with the laws of the State of Illinois, or any other applicable jurisdiction, covering all employees and Employer's Liability coverage with limits of not less than One Hundred Thousand Dollars (\$100,000) each accident or illness.

b) Commercial Liability Insurance (Primary And Umbrella).

Commercial Liability Insurance or equivalent with limits of not less than One Million Dollars (\$1,000,000) per occurrence, for bodily injury, personal injury and property damage liability. Coverage extensions shall include the following: all premises and operations, products/completed operations, defense, separation of insureds and contractual liability (with no limitation endorsement). The City of Chicago, its employees, elected officials, agents and representatives are to be named as additional insureds on a primary, noncontributory basis for any liability arising directly or indirectly from the lease.

c) Automobile Liability Insurance (Primary And Umbrella).

When any motor vehicles (owned, non-owned and hired) are used in connection with work to be performed, the Landlord shall provide

Comprehensive Automobile Liability Insurance with limits of not less than One Million Dollars (\$1,000,000) per occurrence, for bodily injury and property damage.

d) All Risk Property Insurance.

All risk property insurance coverage shall be maintained by the Landlord for full replacement value to protect against loss, damage to or destruction of property.

The Landlord will furnish the City of Chicago, Department of General Services, Office of Real Estate Management, Suite 3700, 30 North LaSalle Street, Chicago, Illinois 60602, original Certificates of Insurance evidencing the required coverage to be in force on the date of this lease, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the Term of this lease. The Landlord shall submit evidence on insurance prior to lease award. The receipt of any certificates does not constitute agreement by the City that the insurance requirements in the lease have been fully met or that the insurance policies indicated on the certificate are in compliance with all lease requirements. The failure of the City to obtain certificates or other insurance evidence from Landlord shall not be deemed to be a waiver by the City. The Landlord shall advise all insurers of the lease provisions regarding insurance. Nonconforming insurance shall not relieve Landlord of its obligation to provide Insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the lease, and the City retains the right to terminate the lease until proper evidence of insurance is provided.

The insurance shall provide for sixty (60) days prior written notice to be given to the City in the event coverage is substantially changed, canceled or non-renewed.

Any and all deductibles or self-insured retentions on referenced insurance coverages shall be borne by Landlord.

The Landlord agrees that insurers shall waive their rights of subrogation against the City of Chicago its employees, elected officials, agents or representatives.

The Landlord expressly understands and agrees that any coverages and limits furnished by Landlord shall in no way limit the Landlord's liabilities and responsibilities specified within the lease documents or by Law.

The Landlord expressly understands and agrees that any insurance or self-insurance programs maintained by the City of Chicago shall apply in excess of and not contribute with insurance provided by the Landlord under the lease.

The required insurance shall not be limited by any limitations expressed in the indemnification language herein or any limitation placed on the indemnity therein given as a matter of law.

The City of Chicago Risk Management Department maintains the right to modify, delete, alter or change these requirements.

Section 7.

Damage Or Destruction.

7.1 Damage Or Destruction.

If Tenant exercises this option, the rent shall be apportioned as of the date of such damage or destruction and Landlord shall forthwith repay to Tenant all prepaid rent. However, if there is a casualty event, and normal business operations are interrupted, but the Tenant does not elect to terminate, rent shall abate during the time period that the Premises is not usable.

10.7 Time Is Of The Essence.

Time is of the essence of this lease and of each and every provision hereof.

10.8 No Principal/Agent Or Partnership Relationship.

Nothing contained in this lease shall be deemed or construed by the parties hereto nor by any third party as creating the relationship of principal and agent or of partnership or of joint venture between the parties hereto.

Rent shall be apportioned as of the date of Tenant's vacating as the result of said termination.

10.13 Prior Lease Termination.

13.1 Business Relationships.

The Landlord acknowledges (A) receipt of a copy of Section 2-156-030(b) of the Municipal Code of Chicago, (B) that it has read such provision and understands that pursuant to such Section 2-156-030(b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (C) notwithstanding anything to the contrary contained in this agreement, that a violation of Section 2-156-030(b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this agreement shall be grounds for termination of this agreement and the transactions contemplated hereby. The Developer hereby represents and warrants that no violation of Section 2-145-030(b) has occurred with respect to this lease agreement or the transactions contemplated hereby.

13.2 Patriot Act Certification.

The Landlord represents and warrants that neither the Landlord nor any Affiliate thereof (as defined in the next paragraph) is listed on any of the following lists maintained by the Office of Foreign Assets Control of the United States Department of the Treasury, the Bureau of Industry and Security of the United States Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

As used in the above paragraph, an "Affiliate" shall be deemed to be a person or entity related to the Landlord that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Landlord, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

13.3 Prohibition On Certain Contributions -- Mayoral Executive Order Number 05-1.

Consistent with the intent of Mayoral Executive Order Number 05-1, compliance with the substance of which is intended by this Section 13, Landlord hereby agrees that the Landlord, any person or entity who directly or indirectly has an ownership or beneficial interest in the Landlord of more than seven and five-tenths percent (7.5%), the Landlord's [General Partner/Managing Member], any person or entity who directly or indirectly has an ownership or beneficial interest in the [General Partner/Managing Member] of more than seven and five-tenths percent (7.5%), and any person or entity who directly or indirectly has an ownership, beneficial or other controlling interest in Owner of more than seven and five-tenths percent (7.5%) (collectively, "Controlling Owners"), spouses and domestic partners of such Controlling Owners, (collectively, all the preceding classes of persons and entities are hereinafter referred to as the "Ownership Parties") shall not make a contribution of any amount to the Mayor of the City (the "Mayor") or to his political fund-raising committee (i) after execution of this Agreement by the Landlord, and (ii) while this Agreement or any Other Contract is executory, (iii) during the term of this Agreement or any Other Contract between the Landlord and the City, or (iv) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated. These provisions shall not apply to contributions made prior to February 10, 2005, such date being the effective date of Executive Order 2005-1.

The Landlord hereby agrees to require that any general contractor for the project covered by this agreement, any person or entity who directly or indirectly has an

ownership or beneficial interest in any such general contractor of more than seven and five-tenths percent (7.5%), any subcontractor, any person or entity who directly or indirectly has an ownership or beneficial interest in any subcontractor of more than seven and five-tenths percent (7.5%) (collectively the "Interested Parties"), and spouses and domestic partners of such Interested Parties (collectively, all the preceding classes of persons and entities are hereinafter referred to, together with the Ownership Parties, as the "Identified Parties") shall not make a contribution of any amount to the Mayor or to his political fund-raising committee (i) after execution of this agreement by the Landlord, and (ii) while the agreement or any such general contract or subcontract is executory, (iii) during the term of the agreement, any such general contract or any such subcontract, or (iv) during any period while an extension of the agreement, any such general contract, and any such subcontract is being sought or negotiated.

The Landlord represents and warrants that as of the later of (i) February 10, 2005, or (ii) the date that the City approached the Landlord, or the Landlord approached the City, as applicable, regarding the formulation of this agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fund-raising committee.

The Landlord agrees that it shall not and it shall require all other Identified Parties to not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fund-raising committee.

The Landlord agrees that it must not and it shall require all other Identified Parties to not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order Number 05-1 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order Number 05-1. The Landlord shall impose the restrictions of this Section 13 in any general contract for the project covered by this lease agreement and shall specifically require any such general contractor to impose the restrictions of this Section 13 in all subcontracts.

Notwithstanding anything to the contrary contained in this agreement, the Landlord agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order Number 05-1 constitutes a breach and default under this agreement, and under any Other Contract for which no opportunity to cure will be granted. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, and under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source that are then delivered by one person to the Mayor or to his political fund-raising committee.

"Other Contract" means any other agreement with the City to which the Landlord is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

- (A) they are each other's sole domestic partner, responsible for each other's common welfare; and
- (B) neither party is married; and
- (C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and
- (D) each partner is at least eighteen (18) years of age, and the partners are the same sex, and the partners reside at the same residence; and
- (E) two (2) of the following four (4) conditions exist for the partners:
 - 1. The partners have been residing together for at least twelve (12) months.
 - 2. The partners have common or joint ownership of a residence.
 - 3. The partners have at least two (2) of the following arrangements:
 - a. joint ownership of a motor vehicle;
 - b. a joint credit account;
 - c. a joint checking account;
 - d. a lease for a residence identifying both domestic partners as tenants.
 - 4. Each partner identifies the other partner as a primary beneficiary in a will.

"Political Fund-raising Committee" means a "political fund-raising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

13.4 Waste Ordinance Provisions.

In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Landlord warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this agreement is executory, Landlord's, any general contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this agreement, constitutes a breach of and an event of default under this agreement, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Chief Procurement Officer. Such breach and default entitles the City to all remedies under the agreement, at law or in equity. This section does not limit Landlord's, general contractor's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this agreement. Noncompliance with these terms and conditions may be used by the City as grounds for the termination of this agreement, and may further affect the Landlord's eligibility for future contract awards.

In Witness Whereof, The parties have executed this lease as of the day and year first above written.

WHEREAS, If approved, Illinois will join states such as Florida, Washington, Oregon and Vermont in indexing the minimum wage to inflation; and

WHEREAS, Since the last minimum wage increase in Illinois, the state has added more than one hundred fifty-one thousand new jobs, more than any state in the Midwest; and

WHEREAS, In this period the state unemployment rate has fallen to its lowest level since October 2000; now, therefore,

Be It Resolved, That the Chicago City Council strongly urges the Illinois General Assembly to approve a bill raising the State minimum wage from the current \$6.50 per hour to \$7.50 per hour; and

Be It Further Resolved, That each member of the Chicago delegation to the Illinois General Assembly be provided with a copy of this resolution.

WHEREAS, The Honorable Mark Dayton, United States Senator from Minnesota and The Honorable Dennis Kucinich, United States Representative from Ohio, have

introduced companion legislation, H.R. 3760 and S. 1756 that will create a United States Department of Peace; and

WHEREAS, With the support of The Honorable United States Senator Jim Jeffords from Vermont and seventy-three congressmen, these bills promote peace as an organizing principle and endeavor to expand human rights by developing policies that will promote both national and international conflict prevention through nonviolent intervention, structured mediation and peaceful resolution of conflict; and

WHEREAS, The objective to further strengthen the global movement for a culture of peace is a laudable one. The proposed Department of Peace would advise the President on issues that are both domestic and international in scope. Focusing on peace principles rather than escalating military response will give the United States another, and some believe, better tool for resolving conflict, whether it be within this nation or abroad; and

WHEREAS, Such legislation could lead to the reduction of military spending thereby allowing the reallocation of funds to the states and cities so they may increase spending on education and other socially useful programs; and

WHEREAS, The Honorable Danny Davis, The Honorable Lane Evans, The Honorable Luis Guiterrez, The Honorable Jessie Jackson, Jr. and The Honorable Janice Schakowsky who are part of the Illinois Congressional Delegation have signed as co-sponsors of this important legislative initiative; now, therefore,

Illinois Secretary of State
Michael J. Howlett Building
Springfield, Illinois 62756

Dear Director Durbin,

Per our conversation with Rod Smith, Data Processing Administrator on Tuesday August 2, 2006, we will be requiring a renewal of our previous contract requesting an automated download of vehicle registrations data. We would like this automated data to be your vehicle registrations types 1, 2 and 3.

The data will be used with a law enforcement mechanism called ALPR (Automatic License Plate Reader) to associate and verify Illinois Secretary of State Vehicle Registration Data with Warrant Data. The joining of Illinois Secretary of State Vehicle Registration Data with LEADS Warrant Data assists in the immediate verification of the vehicles owner. This data can assist the patrol officer in identifying possible offender's vehicles quickly and leading to retrieval of stolen vehicles, vehicle owners that possess warrants or investigative alerts, AMBER Alerts, identifying owners of vehicles, et cetera.

We would require the data to be resent on a cycle to include any new vehicle registrations as they become available.
