The Developer represents and warrants that neither the Developer nor any Affiliate thereof (as defined in the next paragraph) is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

As used in the above paragraph, an "Affiliate" shall be deemed to be a person or entity related to the Developer that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Developer, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

SECTION 34. PROHIBITION ON CERTAIN CONTRIBUTIONS-MAYORAL EXECUTIVE

ORDER NO. 2011-4.

Developer agrees that Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in Developer of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Developer's contractors (i.e., any person or entity in direct contractual privity with Developer regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Developer and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (i) after execution of this Agreement by Developer, (ii) while this Agreement or any Other Contract is executory, (iii) during the term of this Agreement or any Other Contract between Developer and the City, or (iv) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

Developer represents and warrants that from the later to occur of (a) May 16, 2011, and (b) the date the City approached the Developer or the date the Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Developer agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or

to the Mayor's political fundraising committee; or (c) Bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Developer agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Developer agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Developer intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the closing of this Agreement, the City may elect to decline to close the transaction contemplated by this Agreement.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source, which is then delivered by one person to the Mayor or to his political fundraising committee.

"Other Contract" means any other agreement with the City of Chicago to which Developer is a party that is (i) formed under the authority of chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council of the City of Chicago.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

- (A) they are each other's sole domestic partner, responsible for each other's common welfare; and
- (B) neither party is married; and
- (C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and
- (D) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
- (E) two of the following four conditions exist for the partners:

1. The partners have been residing together for at least 12 months.
2. The partners have common or joint ownership of a residence.
3. The partners have at least two of the following arrangements:
 - a. joint ownership of a motor vehicle;
 - b. a joint credit account;
 - c. a joint checking account;
 - d. a lease for a residence identifying both domestic partners as tenants.
4. Each partner identifies the other partner as a primary beneficiary in a will.

"Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

SECTION 35. COOPERATION WITH OFFICE OF COMPLIANCE.

In accordance with Chapter 2-26-010 *et seq.* of the Municipal Code, the Developer acknowledges that every officer, employee, department and agency of the City shall be obligated to cooperate with the Executive Director of the Office of Compliance in connection with any activities undertaken by such office with respect to this Agreement, including, without limitation, making available to the Executive Director the department's premises, equipment, personnel, books, records and papers. The Developer agrees to abide by the provisions of Chapter 2-26-010 *et seq.*

SECTION 36. FAILURE TO MAINTAIN ELIGIBILITY TO DO BUSINESS WITH THE CITY.

Failure by Developer or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of the Agreement and the transactions contemplated thereby. Developer shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

SECTION 37. INSPECTOR GENERAL AND LEGISLATIVE INSPECTOR GENERAL.

It is the duty of every officer, employee, department, agency, contractor, subcontractor, developer and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Legislative Inspector General and with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapters 2-55 and 2-56, respectively, of the Municipal Code of Chicago. The Developer understands and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code of Chicago.

SECTION 38. WASTE ORDINANCE PROVISIONS.

In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Developer warrants and represents that it, and to the best of its knowledge, its contractors and

subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this Agreement is executory, Developer's, any general contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Chief Procurement Officer. Such breach and default entitles the City to all remedies under the Amendment, at law or in equity. This section does not limit Developer's, general contractor's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Amendment. Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Amendment, and may further affect Developer's eligibility for future contract awards.

SECTION 39. 2014 HIRING PLAN PROHIBITIONS

(a) The City is subject to the June 16, 2014 "City of Chicago Hiring Plan", as amended (the "2014 City Hiring Plan") entered in *Shakman v. Democratic Organization of Cook County*, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the 2014 City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(b) Developer is aware that City policy prohibits City employees from directing any individual to apply for a position with Developer, either as an employee or as a subcontractor, and from directing Developer to hire an individual as an employee or as a subcontractor. Accordingly, Developer must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Developer under this Agreement are employees or subcontractors of Developer, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Developer.

(c) Developer will not condition, base, or knowingly prejudice or affect any term or aspect of the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(d) In the event of any communication to Developer by a City employee or City official in violation of paragraph (b) above, or advocating a violation of paragraph (c) above, Developer will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("OIG Hiring Oversight"), and also

to the head of the relevant City department utilizing services provided under this Agreement. Developer will also cooperate with any inquiries by OIG Hiring Oversight.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed on or as of the date first above written.

(To Amended And Restated Redevelopment Agreement No. 1
With Chicago Southwest Development Corporation)

Insurance Requirements.

A. Insurance To Be Provided By Developer.

a) Workers' Compensation And Employer's Liability.

Workers' Compensation Insurance, as prescribed by applicable law covering all employees who are to provide work in connection with the Project, and

Employer's Liability coverage with limits of not less than \$1,000,000 each accident, illness, or disease.

b) Commercial General Liability (Primary And Umbrella).

Commercial General Liability Insurance, or equivalent, with limits of not less than \$5,000,000 per occurrence for bodily injury, personal injury, and property damage liability. Coverages must include the following: all premises and operations, products/completed operations, independent contractors, separation of insureds, defense, and contractual liability (not to include Endorsement CG 21 39 or equivalent).

The City of Chicago is to be named as an additional insured on a primary non-contributory basis under the Developer's and any contractor and subcontractor policy. Such additional insured coverage shall be provided on ISO endorsement form CG 2010 for ongoing operations or on a similar additional insured form acceptable to the City. The additional insured coverage must not have any limiting endorsements or language under the policy such as but not limited to, Developer's sole negligence or the additional insured's vicarious liability. Developer's liability insurance shall be primary without right of contribution by any other insurance or self-insurance maintained by or available to the City. Developer must ensure that the City is an additional insured on insurance required from subcontractors.

c) Automobile Liability (Primary And Umbrella).

When any motor vehicles (owned, non-owned and hired) are used in connection with the Project, the Developer must provide Automobile Liability Insurance with limits of not less than \$2,000,000 per occurrence for bodily injury and property damage. The City of Chicago is to be named as an additional insured on a primary, noncontributory basis.

When applicable, coverage extension must include: a) an MC-90 endorsement where required by the Motor Carrier Act of 1980 and b) pollution coverage for loading, unloading and transportation of hazardous materials.

d) Professional Liability.

When any architects, engineers, construction managers or other professional consultants perform work or services in connection with the Project, Professional Liability Insurance covering acts, errors, or omissions must be maintained with limits of not less than \$5,000,000. When policies are renewed or replaced, the policy retroactive date must coincide with, or precede start of work on the

Agreement. A claims-made policy which is not renewed or replaced must have an extended reporting period of two years.

c)* Contractors Pollution Liability.

When any remediation work is performed which may cause a pollution exposure, Contractors Pollution Liability must be provided covering bodily injury, property damage and other losses caused by pollution conditions that arise from the Project with limits of not less than \$5,000,000 per occurrence. Coverage must include completed operations, contractual liability, defense, excavation, environmental cleanup, remediation and disposal. When policies are renewed or replaced, the policy retroactive date must coincide with or precede start of work on this Agreement. A claims-made policy which is not renewed or replaced must have an extended reporting period of two years. The City of Chicago is to be named as an additional insured.

e)* Property.

The Developer is responsible for all loss or damage to personal property (including materials, equipment, tools, vehicles and supplies) owned, rented or used by Developer ("Personal Property").

B. Insurance To Be Provided By Contractors.

a) Workers' Compensation And Employer's Liability.

Workers' Compensation Insurance, as prescribed by applicable law covering all employees who are to provide work in connection with the Project, and Employer's Liability coverage with limits of not less than \$1,000,000 each accident, illness, or disease.

b) Commercial General Liability (Primary And Umbrella).

Commercial General Liability Insurance, or equivalent, with limits of not less than \$10,000,000 per occurrence for bodily injury, personal injury, and property damage liability. Coverages must include the following: all premises and operations, products/completed operations, independent contractors, separation of insureds, defense, and contractual liability (not to include Endorsement CG 21 39 or equivalent).

* Editor's note: Numbering sequence error. Original document shows Sections a), b), c), d), c) and e).

The City of Chicago is to be named as an additional insured on a primary noncontributory basis under the contractor's and any subcontractor's policy. Such additional insured coverage shall be provided on ISO endorsement form CG 2010 for ongoing operations or on a similar additional insured form acceptable to the City. The additional insured coverage must not have any limiting endorsements or language under the policy such as but not limited to, contractor's sole negligence or the additional insured's vicarious liability. Contractor's liability insurance shall be primary without right of contribution by any other insurance or self-insurance maintained by or available to the City. The City must be named an additional insured on insurance required from contractors and subcontractors.

c) Automobile Liability (Primary And Umbrella).

When any motor vehicles (owned, non-owned and hired) are used in connection with the Project, the contractor and any subcontractor must provide Automobile Liability Insurance with limits of not less than \$5,000,000 per occurrence for bodily injury and property damage. The City of Chicago is to be named as an additional insured on a primary, noncontributory basis.

When applicable, coverage extension must include: a) an MC-90 endorsement where required by the Motor Carrier Act of 1980 and b) pollution coverage for loading, unloading and transportation of hazardous, materials.

d) Professional Liability.

When any architects, engineers, construction managers or other professional consultants perform work or services in connection with the Project, Professional Liability Insurance covering acts, errors, or omissions must be maintained with limits of not less than \$5,000,000. When policies are renewed or replaced, the policy retroactive date must coincide with, or precede start of work on the Agreement. A claims-made policy which is not renewed or replaced must have an extended reporting period of two years.

e) Contractors Pollution Liability.

When any remediation work is performed which may cause a pollution exposure, Contractors Pollution Liability must be provided covering bodily injury, property damage and other losses caused by pollution conditions that arise from the Project with limits of not less than \$5,000,000 per occurrence. Coverage must include completed operations, contractual liability, defense, excavation, environmental cleanup, remediation and disposal. When policies are renewed or replaced, the policy retroactive date must coincide with or precede start of work on this Agreement. A claims-made policy which is not renewed or replaced must have an extended reporting period of two years. The City of Chicago is to be named as an additional insured.

f) Property.

The contractors are responsible for all loss or damage to personal property (including materials, equipment, tools, vehicles and supplies) owned, rented or used by the contractors.

C. Additional Requirements.

Developer must furnish, or cause its contractors or subcontractors to furnish, to the City of Chicago, Department of Planning and Development, 121 North LaSalle Street, 10th Floor, Chicago, Illinois 60602 original Certificates of Insurance, or such similar evidence, to be in force on the date of this Agreement, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the term of this Agreement. The Developer must submit evidence of insurance on an Insurance Certificate Form prior to the execution of this Agreement. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in this Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all requirements in this Agreement. The failure of the City to obtain certificates or other insurance evidence from Developer (or its contractors or subcontractors as applicable) is not a waiver by the City of any requirements for the Developer to obtain and maintain the specified coverages. Developer shall advise all insurers of the Agreement provisions regarding insurance and the nature of its use of the Property. Nonconforming insurance does not relieve Developer of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to order Developer to cease all activities on the Property until proper evidence of insurance is provided, or the Agreement may be terminated.

Developer must provide prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

Any deductibles or self-insured retentions on referenced insurance coverages must be borne by Developer.

Developer hereby waives and agrees to require their insurers to waive their rights of subrogation against the City of Chicago, its employees, elected officials, agents, or representatives.

The coverages and limits furnished by Developer in no way limit the Developer's liabilities and responsibilities specified within this Agreement or by law.

Any insurance or self-insurance programs maintained by the City of Chicago do not contribute with insurance provided by the Developer under this Agreement.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

If the Developer maintains higher limits than the minimums shown above, the City requires and shall be entitled to coverage for the higher limits maintained by the Developer. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the City.

If Developer is a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

The Developer must require all subcontractors to provide the insurance required herein, or Developer may provide the coverages for subcontractors. All subcontractors are subject to the same insurance requirements of Developer unless otherwise specified in this Agreement. Developer must ensure that the City is an additional insured on Endorsement CG 2010 of the insurance required from subcontractors.

If Developer, contractor, or subcontractor desires additional coverages, the party desiring the additional coverages is responsible for the acquisition and cost.

Notwithstanding any provisions in this Agreement to the contrary, the City of Chicago Risk Management Department maintains the right to modify, delete, alter or change these requirements in its sole discretion.

The City of Chicago is not responsible to provide insurance or security for the Property, or any vehicles, materials, equipment other personal property of Developer or any of its contractors, subcontractors or other agents related to or in connection with this Agreement and the Project.

RECITALS

WHEREAS, the City is a home rule unit of government by virtue of the provisions of the Constitution of the State of Illinois of 1970, and as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, the City has established the Community Development Commission ("Commission") to, among other things, designate redevelopment areas and approve redevelopment plans, subject to the approval of the City Council of the City of Chicago ("City Council"); and

WHEREAS, pursuant to Resolution No. 07-CDC-25 adopted on April 10, 2007, the Commission has heretofore approved the Little Village Industrial Corridor Redevelopment Plan and Project dated February 2007 (the "Redevelopment Plan") for the Little Village Industrial Corridor Redevelopment Project Area (the "Redevelopment Area"), which Redevelopment Plan includes, among other things, a map depicting parcels in the Redevelopment Area that the City

may acquire in pursuing the public purpose and goals and objectives of the Redevelopment Plan;

WHEREAS, the stated goals and objectives of the Redevelopment Plan include, among other things, the public purpose of: (1) removing blighting influences in the Redevelopment Area through acquisition, including acquisition through eminent domain, and demolition, or through private and public rehabilitation; (2) providing for the orderly transition from outmoded to economically sustainable land development patterns; (3) encouraging redevelopment on parcels that are underutilized and vacant; (4) upgrading public infrastructure to better meet the needs of current and future employers; (5) encouraging private investment, including expansion of existing facilities, rehabilitation or replacement of deteriorated, dilapidated or obsolete facilities, and new development on underutilized land; (6) attracting sustainable, environmentally friendly industry and opportunities for local workers; (7) linking workforce development to employer needs; (8) supporting environmental remediation efforts to allow contaminated properties to be returned to productive use; and (9) assembling land located in the Redevelopment Area to achieve the goals and objectives of the Redevelopment Plan; and

WHEREAS, by ordinance adopted on June 13, 2007, and published in the Journal of Proceedings of the City Council ("Journal") for such date at pages 2532 through 2611, the City Council approved the Redevelopment Plan and granted acquisition authority for acquisition of parcels contained within the Redevelopment Area; and

WHEREAS, by ordinance adopted on June 13, 2007, and published in the Journal for such date at pages 2612 through 2619, the City Council approved an ordinance designating the Redevelopment Area as a tax increment allocation financing district; and

WHEREAS, by ordinance approved on June 13, 2007, and published in the Journal for such date at pages 2620 through 2626, the City Council adopted tax increment allocation financing for the Redevelopment Area; and

WHEREAS, the real property commonly known as 3200 S. Kedzie, 3230 W. 31st Street, and 3354 W. 31st Street, all in Chicago, Illinois, which is legally described on Exhibit A attached hereto ("Acquisition Parcels"), is (i) located in the Redevelopment Area, (ii) one of the parcels depicted in the map contained in the Redevelopment Plan and (iii) one of the parcels the City may acquire in pursuing the purpose, goals and objectives of the Redevelopment Plan; and

WHEREAS, the City is the owner of one vacant parcel of property located at 3201-3345 West 31st Street and 3100-3150 South Kedzie Avenue, Chicago, Illinois, which is legally described on Exhibit B attached hereto (the "City Parcel"), and which property is located in the Redevelopment Area; and

WHEREAS, Developer is the owner of a vacant parcel of property located at 3244-3250 South Kedzie Avenue, Chicago, Illinois, which is legally described on Exhibit C attached hereto ("Developer Parcel"), and which property is located in the Redevelopment Area; and

WHEREAS, by Resolution No.13-009-21, adopted by the Chicago Plan Commission of the City of Chicago ("CPC") on February 21, 2013, CPC recommended the sale of the City Parcel to the Developer; and

WHEREAS, by ordinance adopted on November 5, 2014 and published in the Journal for such date at pages 95720 through 95753, the City Council approved an ordinance ("City Parcel Sale Ordinance") authorizing the sale of the City Parcel by the City to Developer in accordance with the terms of an Agreement for the Sale and Redevelopment of Land ("RDA #1"); and

WHEREAS, the City Council, pursuant to an ordinance adopted on December 10, 2014, and published at pages 100444 through 100449 in the Journal of such date, has authorized the acquisition of the Acquisition Parcels through purchase or condemnation, including the use of quick-take proceedings for the purposes set forth in Division 74.2 and 74.3 of Article 2 of the Illinois Municipal Code (65 ILCS 5/11-74.2 and 74.3), which include redevelopment of

commercial or business areas to eradicate and eliminate commercial blight for redevelopment purposes, and for the same purposes when established pursuant to home rule powers; and

WHEREAS, the City Council, pursuant to an ordinance adopted on January 21, 2015, and published at pages 101811 through 101865 in the Journal of such date ("Acquisition Ordinance"), authorized the acquisition of the Acquisition Parcels through a purchase agreement ("Purchase Agreement") or eminent domain proceedings, and a transfer of the Acquisition Parcels to Developer through an Agreement for the Acquisition, Sale and Redevelopment of Land ("RDA #2"); and

WHEREAS, by ordinance adopted on _____, 2017 and published in the Journal for such date at pages _____ through _____, the City Council approved an ordinance authorizing (i) an amendment to RDA #1 (the "Amended RDA #1"), attached hereto as **Exhibit D** and made a part hereof; and (ii) this amendment to the RDA #2, thereby authorizing the acquisition of the Acquisition Parcels through a Purchase Agreement or eminent domain proceedings (including by means of quick-take proceedings), and a transfer of the Acquisition Parcels to Developer, subject to the terms of this Agreement; and

WHEREAS, Developer shall do the following in relation to the City Parcel, Acquisition Parcels and Developer Parcel (such City Parcel, Acquisition Parcels and Developer Parcel collectively, the "Project Parcels") in consideration of the Developer's fulfillment of its obligations under Amended RDA #1 and this Agreement and the requirements, obligations and conditions contained within Institutional Business Planned Development No. 1212 and any amendments thereto or a new planned development if a new planned development is necessary for Developer to complete the Project (as defined below): (a) relocate Saint Anthony Hospital and uses and operations therein from its current location at 2875 West 19th Street, Chicago, IL 60623 (the "Current Saint Anthony Hospital") to the Project Parcels and develop a new 151-bed Saint Anthony Hospital (the "New Saint Anthony Hospital") with uses and operations consistent with the Current Saint Anthony Hospital wherein the New Saint Anthony Hospital will comprise

approximately 375,000 sq. ft.; (b) retain 1,000 jobs or cause the New Saint Anthony Hospital to retain 1,000 jobs at the New Saint Anthony Hospital; (c) create at least 20 permanent jobs or cause the New Saint Anthony Hospital to create at least 20 permanent jobs and (d) create 1,500 temporary construction jobs or cause the general contractor and/or subcontractors to create 1,500 temporary construction jobs, all as more fully described on Exhibit E attached hereto (the "Project"), and perform other redevelopment obligations as set forth in Amended RDA #1 and this Agreement; and

WHEREAS, the Project is consistent with the goals and objectives of the Redevelopment Plan; and

WHEREAS, the City will seek to negotiate the sale, purchase, and direct transfer of the Acquisition Parcels by and to the Developer through a negotiated purchase agreement ("Purchase Agreement") whereby the direct transfer of such Acquisition Parcels shall be conveyed directly to Developer with no transfer of title to the City, if possible, or, if such negotiated purchase agreement cannot be negotiated, then the City shall acquire the Acquisition Parcels through eminent domain proceedings for the benefit of the Developer; and

WHEREAS, the Developer shall: (1) accept the sale, purchase and direct transfer of title to the Acquisition Parcels by the City to the Developer through the Purchase Agreement, or accept the transfer of title to the Acquisition Parcels following the City's acquisition through eminent domain proceedings; and (2) pay any and all costs and expenses related to acquisition of the Acquisition Parcels under the terms of this Agreement; and

WHEREAS, the City will pay no costs related to acquisition, transfer or otherwise of the Acquisition Parcels; and

WHEREAS, the City may acquire and come into title to the Acquisition Parcels only after: (1) the City has made a good faith effort to acquire and directly transfer the Acquisition Parcels to the Developer through either the Purchase Agreement, or eminent domain proceedings, and all such efforts are unsuccessful; (2) the City and Developer enter into those

certain environmental agreements as set forth in Section 3 of this Agreement; and (3) the Developer pays any and all costs and expenses related to the acquisition of the Acquisition Parcels under the terms of this Agreement.

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

SECTION 1. INCORPORATION OF RECITALS AND EXHIBITS.

The recitals set forth above and the exhibits attached hereto constitute an integral part of this Agreement and are incorporated herein by this reference with the same force and effect as if set forth herein as agreements of the parties.

SECTION 2. ACQUISITION OF ACQUISITION PARCELS THROUGH PURCHASE AGREEMENT OR EMINENT DOMAIN PROCEEDINGS.

Subject to all of the terms, covenants and conditions of this Agreement, the City agrees to use reasonable efforts to negotiate the acquisition of the Acquisition Parcels through the Purchase Agreement, or acquire the Acquisition Parcels through eminent domain proceedings, and provide for the transfer of such Acquisition Parcels to Developer, in accordance with the terms of this Agreement, for the Project in furtherance of the public purposes and goals and objectives of the Redevelopment Plan. Such City obligation is subject to, among other things, Developer's obligation to reimburse the City for all Acquisition Costs, as itemized in Section 5.1, and any/all costs associated with any of the environmental agreements set forth in Section 3 herein.

In connection with the City's effort to negotiate the Purchase Agreement, the City shall: (1) submit a written offer ("Written Purchase Offer") to purchase the Acquisition Parcels to the owner ("Owner") of such parcels based on a written appraisal of the Acquisition Parcels with an effective date of valuation within six months of the date of the Written Purchase Offer; and (2) direct the transfer of title to the Acquisition Parcels from the Owner to the Developer.

If the Owner of the Acquisition Parcels agrees on a purchase price and is willing to sell the Acquisition Parcels through a purchase agreement and real estate closing, then the City shall request the Owner of the Acquisition Parcels to agree to a direct transfer of title to the Developer under said purchase agreement. If the Owner of the Acquisition Parcels agrees to a direct transfer to the Developer, then the Developer agrees to accept said direct transfer. If, however, the Owner of the Acquisition Parcels is unwilling or unable to agree to a direct transfer to the Developer, then the City agrees to proceed to close on said Purchase Agreement and subsequently transfer the Acquisition Parcels to the Developer under the terms of this Agreement, however, the conditions precedent to the City closing on said purchase agreement and taking title to the Acquisition Parcels is the City and Developer entering into an Environmental Indemnity Agreement pursuant to Section 3(iv) of this Agreement.

If the Owner of the Acquisition Parcels is unwilling or unable to agree on a purchase price or enter into a purchase agreement within twenty-one (21) days after the date of the City's written offer, then the City shall file a condemnation complaint to acquire the Acquisition Parcels under the terms of this Agreement. Upon the City's acquisition of the Acquisition Parcels, the City shall transfer the Acquisition Parcels to the Developer under the terms of this Agreement, however, the conditions precedent to the City taking title to the Acquisition Parcels through condemnation proceedings is the City and Developer entering into an Environmental Indemnity Agreement pursuant to Section 3(iv) of this Agreement.

In the event of a condemnation proceeding, the City shall seek to acquire the Acquisition Parcels through quick-take proceedings if:

(a) The Developer provides the City with written notification, as set forth in Section 24 below, to proceed with quick-take proceedings to acquire the Acquisition Parcels; or

(b) The City obtains the Developer's written consent to proceed with quick-take proceedings to acquire the Acquisition Parcels.

The Developer hereby consents to and waives any objections to the City's use of quick-take proceedings for purposes of acquiring the Acquisition Parcels provided the Developer issued a written notification or consent to proceed with acquisition of the Acquisition Parcels through quick-take proceedings. The conditions precedent to the City closing on taking title to the Acquisition Parcels either through a negotiated Purchase Agreement or eminent domain proceedings are set forth herein in Section 3 below.

SECTION 3. CONDITIONS PRECEDENT TO THE CITY'S ACQUISITION OF TITLE TO THE ACQUISITION PARCELS.

Developer, at its own cost, completed a Phase I environmental site assessment of the Acquisition Parcels in accordance with the requirements of the ASTM E1 527-13 standard ("Phase I Assessment"), noting any data gaps if site access is unavailable. Developer delivered to the City a copy of the Phase I Assessment. After the City has made a good faith effort to acquire and direct the transfer of the Acquisition Parcels to the Developer through either the Purchase Agreement, or eminent domain proceedings, and all such efforts are unsuccessful, the following are the conditions precedent to the City taking title to the Acquisition Parcels:

- (i) If acquisition does not occur within 179 days of the completion of the Phase I Assessment or any portion thereof, the City, on behalf of the Developer, shall refresh the Phase I Assessment report, and include the assessment of the City Parcel in Amended RDA #1, and Developer agrees to pay all costs and expenses of the Phase I Investigation as part of the Acquisition Costs;
- (ii) Developer, at its own cost, or the City, on behalf of the Developer and at the Developer's expense, shall perform a Phase II subsurface investigation ("Phase II Investigation") of the City Parcel and Acquisition Parcels. If the Phase II Investigation indicates potential off-site migration of environmental contamination from the City Parcel and/or the Acquisition Parcels onto adjacent property, as part of its Phase II Investigation and at its own cost, Developer shall delineate the extent of off-site

contamination. In the event Developer is unable to obtain off-site access for this purpose, Developer shall delineate the extent of off-site migration of contamination using Tier 3 analysis. The scope of work the Phase II Investigation shall be subject to the review and approval of the City. Developer agrees to promptly deliver to the City a copy of the Phase II Investigation of the City Parcel and the Acquisition Parcels and any potential off-site migration of contaminants. In the event the Phase II Investigation occurs during the course of the condemnation proceedings, the City, on behalf of the Developer, shall perform the Phase II Investigation pursuant to Illinois Supreme Court Rules of Civil Procedure and as permitted by court order and Developer agrees to pay all costs and expenses including insurance costs of the Phase II Investigation for the City Parcel and the Acquisition Parcels as part of the Acquisition Costs;

(iii) Developer shall provide the City with a letter(s) from the environmental firm(s) which completed the reports described in Sections 3(i) and (ii), authorizing the City to rely on such reports and, if necessary, the City shall provide the Developer with a letter(s) from the environmental firm(s) which completed the reports described in Sections 3(i) and 3(ii), authorizing the Developer to rely on such reports; and

(iv) In the event the Phase II Investigation indicates the presence of hazardous substances, pesticides, or petroleum on the City Parcel and/or the Acquisition Parcels and/or off-site migration of hazardous substances, pesticides, or petroleum from the City Parcel and/or the Acquisition Parcels onto adjacent property, the Parties shall agree and enter into: (a) "Environmental Indemnity Agreement(s)" indemnifying the City from liability relating to such environmental contamination; (b) a scope of work for development of a cost estimate, including contingency, for remediation of the City Parcel and the Acquisition Parcels; (c) an "Environmental Remediation Agreement and Escrow" to remediate the City Parcel and the Acquisition Parcels and fund such costs; and (d) if applicable, an agreement pursuant to which Developer shall purchase environmental liability insurance for off-site

migration of contaminants from the City Parcel and/or the Acquisition Parcels, naming the City as an additional insured.

SECTION 4. SALE AND PURCHASE PRICE.

4.1 Subject to the terms and conditions of this Agreement, the City agrees to: (a) negotiate the acquisition of the Acquisition Parcels through the Purchase Agreement whereby the transfer of such Acquisition Parcels shall be conveyed directly to Developer with no transfer of title to the City, or (b) acquire the Acquisition Parcels through the Purchase Agreement or eminent domain proceedings for purposes of transferring the Acquisition Parcels to the Developer.

Subject to the terms and conditions of this Agreement, the Developer agrees to: (a)(i) purchase and accept the direct transfer of such Acquisition Parcels, or (ii) accept transfer of title to the Acquisition Parcels from the City, where the City is unsuccessful in its efforts to have the Acquisition Parcels directly transferred to the Developer; (b) pay for all Acquisition Costs incurred, due and owing but not yet paid and when otherwise due and payable, by the City in association with the acquisition of such Acquisition Parcels as itemized in Section 5.1, and said Acquisition Costs to be paid or deposited into a separate closing escrow at the Pre-Closing (pursuant to the terms set forth in Section 6.7 below); (c) accept the Acquisition Parcels in an "as-is" condition, including but not limited to the environmental condition of the Acquisition Parcels; and (d) indemnify and hold the City harmless from any and all liabilities, including environmental liabilities, associated with the Acquisition Parcels, as more fully described in any of the environmental agreements set forth in Sections 3 and 21.3 herein.

SECTION 5. ACQUISITION COSTS/SOLE ORDER ESCROW.

5.1 Acquisition Costs. Developer hereby agrees to pay the following, which is not intended to be an exhaustive itemization of Acquisition Costs:

(a) any/all acquisition costs and expenses including but not limited to, all those amounts constituting the purchase price ("Purchase Price") of the Acquisition Parcels and any/all associated closing costs, fees, and expenses of the City,

inclusive of any and all transfer of title to Developer costs, fees and expenses, as set forth in any negotiated Purchase Agreement between the City and the Owner of the Acquisition Parcels;

(b) any/all court costs, fees and expenses, and litigation, discovery and trial expenses in relation to any eminent domain proceedings instituted to acquire the Acquisition Parcels, and other legal proceeding, if any, related to the acquisition of the Acquisition Parcels;

(c) any/all amounts determined to be preliminary just compensation ("Preliminary Just Compensation") pursuant to any preliminary just compensation order or agreed order entered in any eminent domain proceeding instituted to acquire the Acquisition Parcels ("Preliminary Just Compensation Order"), including court costs, fees and expenses, and trial expenses;

(d) any/all amounts determined to be final just compensation ("Final Just Compensation") pursuant to any judgment or agreed order entered in any eminent domain proceeding instituted to acquire the Acquisition Parcels ("Final Just Compensation Order"), including interest as established by statute, court order or jury verdict, court costs, fees and expenses, and trial expenses;

(e) any/all attorneys' fees and costs for outside legal counsel retained by the City to effect the acquisition contemplated by this Agreement (whether through a Purchase Agreement, eminent domain proceeding, or transfer of title to the Acquisition Parcels from the City to the Developer). The City shall consult with the Developer with respect to the City's selection of outside legal counsel, which selection shall be in the City's sole discretion; provided, however, the City shall use reasonable efforts to determine that the City's

selection of outside legal counsel will not result in such outside legal counsel having a conflict of interest with the Developer;

(f) any/all costs of all environmental reports, including Phase I and Phase II reports, studies, or tests undertaken on the Acquisition Parcels (whether undertaken by the City or as requested by Developer) and the City Parcel, remediation cost estimates and as same may be set forth in any of the environmental agreements or discovery requests during the course of the condemnation proceedings set forth in Section 3 herein;

(g) any/all costs and expenses for all environmental remediation of the Acquisition Parcels and the City Parcel, including costs and expenses associated with enrolling the Acquisition Parcels and the City Parcel in the State of Illinois' Site Remediation Program (the "SRP Program") through the issuance of a final No Further Remediation Letter, as same may be set forth in any of the environmental agreements set forth in Section 3 herein;

(h) any/all costs and expenses for title commitments and title policies, and/or curing title exceptions, in relation to the acquisition of the Acquisition Parcels through the Purchase Agreement, eminent domain proceedings, or transfer of title to the Acquisition Parcels from the City to the Developer;

(i) any/all costs and expenses to clear any taxes, assessments, fines, or liens in relation to the acquisition of the Acquisition Parcels through the Purchase Agreement, eminent domain proceedings, or transfer of title to the Acquisition Parcels from the City to the Developer;

(j) any/all costs for surveys in relation to the acquisition of the Acquisition Parcels through the Purchase Agreement, eminent domain

proceedings, or transfer of title to the Acquisition Parcels from the City to the Developer;

(k) any/all costs for appraisal reports and fees for appraisers in relation to the acquisition of the Acquisition Parcels through the Purchase Agreement, eminent domain proceedings, or transfer of title to the Acquisition Parcels from the City to the Developer;

(l) any/all costs for non-appraisal expert reports and fees for experts and/or consultants in relation to the acquisition of the Acquisition Parcels through the Purchase Agreement, eminent domain proceedings, or transfer of title to the Acquisition Parcels from the City to the Developer;

(m) any/all statutory and court-awarded abandonment costs, including attorneys' fees for Owner's counsel resulting from the abandonment of any eminent domain proceeding filed by the City to acquire the Acquisition Parcels, including but not limited to, Developer not purchasing the Acquisition Parcels as permitted in Sections 6.2, 6.5 and 6.6 below, or as a result of any default under this Agreement by Developer;

(n) any/all costs and expenses to relocate existing tenants or occupants of the Acquisition Parcels or otherwise payable to such tenants or occupants, including but not limited to those costs and expenses required under 735 ILCS 30/10-5-62;

(o) any/all Pre-Closing and Acquisition Closing (as such terms are defined in Section 6.7 below) escrow fees and title charges;

(p) any/all other acquisition costs incurred by the City in performing its obligations under this Agreement, including, without limitation, with respect to an

acquisition of the Acquisition Parcels that is ultimately abandoned or terminated by Developer or the City pursuant to a right granted hereunder; and

(q) any/all costs incurred by the City in effectuating a reconveyance of the City Parcel.

The acquisition costs described in this Section 5.1(a)-(q) shall hereinafter be referred to individually as an "Acquisition Cost", and collectively as the "Acquisition Costs."

If Developer and the City proceed to a Pre-Closing, as set forth in Section 6.7, on the Acquisition Parcels, DPD shall use reasonable efforts to deliver to Developer a statement of all Acquisition Costs owed by Developer as to the Acquisition Parcels within ten (10) days prior to such Pre-Closing.

5.2 Sole Order Escrow. To secure Developer's obligation to pay for Acquisition Costs, and any/all costs associated with any of the environmental agreements set forth in Section 3, on July 30, 2015, Developer opened an escrow account with Greater Illinois Title Insurance Company ("Title Company"), Escrow Account Number 40008609E, and entered into a sole order escrow agreement ("Sole Order Escrow") with the Title Company for the sole benefit of the City ("Sole Order Escrow Agreement"), attached hereto as **Exhibit F** and made a part hereof.

- (a) Terms of Escrow Deposits, Except After Acquisition Through Quick-Take Proceedings. Developer shall deposit in said escrow as follows: 130% of the compensation offered to the Owner of the Acquisition Parcels in the City's Written Purchase Offer, or Three Million Five Hundred Thousand and no/100 Dollars (\$3,500,000), whichever amount is greater (the greater of these two amounts, the "Minimum Acquisition Costs Amount"). The Sole Order Escrow Agreement shall provide that the City shall be entitled to direct at any time the Title Company to release funds held in the Sole Order Escrow, payable at the direction of the City for any incurred, and/or

contractually committed, and/or reasonably foreseeable Acquisition Cost as determined by the City.

Developer shall maintain a Sole Order Escrow balance in the sum of the Minimum Acquisition Costs Amount. To satisfy this obligation, within seven (7) days of Developer's receipt of written notice from the City that the Sole Order Escrow balance is below the Minimum Acquisition Costs Amount, Developer shall deposit in said Sole Order Escrow a dollar amount sufficient to cause the balance of the Sole Order Escrow to equal the Minimum Acquisition Costs Amount. The Developer's failure to maintain the Minimum Acquisition Cost Amount in the Sole Order Escrow constitutes an Event of Default under Section 18.4.

- (b) Terms of Deposit If Acquisition Occurs Through Quick-Take Proceedings. In accordance with the terms and conditions set forth in Section 6.6(b) and following acquisition of the Acquisition Parcels pursuant to quick-take proceedings, Developer shall (i) deposit and maintain in the Sole Order Escrow an amount of money equal to the highest appraisal value of the Acquisition Parcels disclosed by defendants in the condemnation action less the amount of Preliminary Just Compensation (the "Minimum Post-Quick Take Acquisition Costs Amount"). To satisfy the obligation to maintain a Minimum Post-Quick Take Acquisition Costs Amount, within seven (7) days of Developer's receipt of written notice from the City that the Sole Order Escrow balance is below the Minimum Post-Quick Take Acquisition Costs Amount, Developer shall deposit in said Sole Order Escrow a dollar amount sufficient to cause the balance of the Sole Order Escrow to equal the Minimum Post-Quick Take Acquisition Costs Amount. In the event defendants have not disclosed their appraised value of the Acquisition

Parcels at the time of acquisition of the Acquisition Parcels pursuant quick-take proceedings, Developer, until further notice from the City as provided for above, shall deposit in accordance with the terms and conditions set forth in Section 6.6(b) and maintain a balance in the Sole Order Escrow equal to the amount of the Minimum Acquisition Costs plus Three Million and no/100 Dollars (\$3,000,000) less the amount of Preliminary Just Compensation. The Developer's failure to satisfy its obligations in this subsection (b) constitutes an Event of Default under Section 18.4.

5.3 The City may direct the Title Company to release funds held in the Sole Order Escrow to pay Acquisition Costs for the Acquisition Parcels, including, without limitation, any abandonment costs, itemized in Section 5.1 at the Pre-Closing (as defined in Section 6.7 below) or when otherwise due and payable. Upon (i) the later date of: (x) the conveyance of a deed to Developer for the Acquisition Parcels or (y) the conclusion of the condemnation action, and after payment of any and all Acquisition Costs to the City in full; or (ii) Developer's election not to proceed to acquire the Acquisition Parcels as permitted hereunder and after payment of any and all Acquisition Costs to the City in full, which shall include all abandonment costs and expenses, the Sole Order Escrow or any excess funds, if any, from such Sole Order Escrow shall be returned to Developer and the City shall immediately direct the Title Company to release such excess funds held in the Sole Order Escrow.

5.4 The City has only agreed to direct the sale and transfer of the Acquisition Parcels to Developer, or acquire the Acquisition Costs through eminent domain proceedings, because Developer (i) has agreed to execute this Agreement and comply with its terms and conditions herein; and (ii) has agreed to comply with the terms and conditions of the Amended RDA #1.

SECTION 6. CONVEYANCE OF THE ACQUISITION PARCELS.

6.1 Form of Deed. Without limiting the generality of the quitclaim nature of the deed, the City shall direct the Owner of the Acquisition Parcels to convey the Acquisition Parcels in

their "as is," "where is" and "with all faults" condition to the Developer by quitclaim deed ("Deed"), subject to the terms of this Agreement and the following (collectively, the "Permitted Exceptions"):

- (a) the standard exceptions in an ALTA title insurance policy;
- (b) general real estate taxes and any special assessments or other taxes;
- (c) all easements, encroachments, covenants and restrictions of record and not shown of record that will not adversely affect the use and insurability of the Acquisition Parcels for the development of the Project;
- (d) such other title defects as may exist; and
- (e) any and all exceptions caused by the acts of the Developer or its agents.

6.2 Title Commitment and Insurance.

Prior to the City's mailing of the Written Purchase Offer Letter, the City, at Developer's expense, shall obtain and promptly deliver to the Developer a commitment for an owner's policy of title insurance from the Title Company for the Acquisition Parcels. Within thirty (30) days following the City's mailing of the Written Purchase Offer Letter, Developer shall provide written notice to the City listing any title defects that Developer deems unpermitted exceptions. The City shall seek to include a provision obligating the Owner to cure such unpermitted exceptions, including, without limitation, to pay all general real estate taxes due and payable as of the Acquisition Closing date and to obtain a credit for any such taxes accrued but not yet payable on the Acquisition Parcels as of the Acquisition Closing date. If the Owner will not agree to such a provision and the unpermitted exceptions cannot be cured through a condemnation proceeding, then the City shall notify Developer and Developer may elect to direct the City to cease acquisition efforts with respect to the Acquisition Parcels. Developer shall have fifteen (15) days from the date the Developer receives notice of the Owner's refusal to cure to notify the City that it desires to exercise such termination right, in which event this Agreement shall be

null and void, upon Developer's payment of all Acquisition Costs through the City's direction to the Title Company for a release of any and all such Acquisition Costs, and, except as otherwise specifically provided herein, neither party shall have any further right, duty or obligation hereunder, except as such duties and obligations involve any statutory and court-awarded abandonment costs, including attorneys' fees for Owner's counsel resulting from the abandonment of any eminent domain proceeding filed by the City to acquire the Acquisition Parcels, all as set forth herein. If Developer does not so elect, the unpermitted exceptions shall be deemed permitted exceptions for purposes of this Agreement and the parties shall proceed to the Pre-Closing and Acquisition Closing (as such terms are defined in Section 6.7 below). Developer shall be responsible for all taxes payable after such date (whether accrued and attributable to the time period before the Acquisition Closing or after). Developer shall be responsible for obtaining any Board of Underground or utility letters or other documents needed to obtain extended coverage. Developer shall be solely responsible for and shall pay all costs associated with updating the title commitment, and obtaining title insurance, extended coverage or any other endorsements it deems necessary.

If such unpermitted exceptions referenced in this Section 6.2 of this Agreement can be cured through a condemnation proceeding, then the City shall attempt to enter into a settlement agreement with the Owner of the Acquisition Parcels before the City files a condemnation complaint where the filing of the complaint would be done for the purpose of curing the unpermitted exceptions. The settlement agreement shall provide for: (i) the amount of just compensation to be paid for the acquisition of the Acquisition Parcels and set amount shall be equal to the Purchase Price set forth in any negotiated Purchase Agreement between the City and the Owner of the Acquisition Parcels; (ii) the Owner to agree to the City filing a condemnation complaint and taking steps to cure the title defects and/or unpermitted exceptions through the condemnation proceeding and (iii) the Owner to agree to the City obtaining a final judgment order in the amount of the Purchase Price.

If such unpermitted exceptions referenced in this Section 6.2 of this Agreement can be cured through a condemnation proceeding, but the Owner of the Acquisition Parcels is unwilling or unable to enter into a settlement agreement before the filing of a condemnation complaint, then the City shall notify Developer and Developer may elect to direct the City to either (a) cease acquisition efforts with respect to the Acquisition Parcels, in which event the Developer shall be liable for all Acquisition Costs or (b) proceed with a condemnation proceeding to cure or cause to be cured the unpermitted exceptions and acquire the Acquisition Parcels. Developer shall have fifteen (15) days from the date the Developer receives notice of the Owner's refusal to enter into a settlement agreement pursuant to this paragraph to notify the City of Developer's election.

6.3 Survey. Developer shall be solely responsible for and shall pay all costs associated with obtaining any survey it deems necessary.

6.4 Environmental Testing. Except as otherwise provided herein, Developer shall be solely responsible for and shall pay all costs and expenses associated with obtaining any environmental reports, including but not limited to, any and all reports associated with Sections 3, 5.1(f) and (g), and 21 herein.

6.5 Due Diligence Period. The City, in negotiating a Purchase Agreement, shall seek to include a "free look" due diligence period of at least forty-five (45) days for purposes of allowing the City and Developer to obtain and review the title, survey and environmental due diligence materials described herein, including but not limited to any materials associated with Section 3, and for Developer to exercise its termination rights as set forth above prior to the expiration of such due diligence period.

6.6 Notice of Acquisition Closing. The City shall give notice to Developer (an "Acquisition Notice") upon the execution of a Purchase Agreement or the entry of any court order for the acquisition of the Acquisition Parcels within fifteen (15) days of such Purchase Agreement execution or entered court order.

- (a) Acquisition Through Purchase Agreement Or Condemnation Without Quick-Take Of Acquisition Parcels. If the amount to be paid to the Owner of the Acquisition Parcels under a Purchase Agreement or Final Just Compensation Order equals or is less than 130% of the amount in the Written Purchase Offer to said Owner (such 130% amount, the "Preapproved Price"), the parties shall proceed to the Pre-Closing and the Acquisition Closing (as such terms are defined in Section 6.7 below), unless, Developer or the City thereafter terminates this Agreement pursuant to a termination right granted under this Agreement. If the amount payable under the Purchase Agreement exceeds such Preapproved Price, Developer shall have ten (10) days from the receipt of the Acquisition Notice to notify the City whether to proceed with the acquisition or to terminate such acquisition efforts as to the Acquisition Parcels. If Developer elects to terminate such acquisition efforts, Developer shall pay all (a) Acquisition Costs incurred to date and (b) all Acquisition Costs which may become due and owing after the Developer elects to terminate such acquisition efforts, and the City shall terminate such acquisition efforts. In all circumstances arising from eminent domain proceedings except acquisition of the Acquisition Parcels through quick-take proceedings, if the amount payable pursuant to a Final Just Compensation Order exceeds such Preapproved Price, Developer shall have ten (10) days from receipt of the Acquisition Notice to notify the City whether to proceed with the depositing of funds pursuant to such Final Just Compensation Order or to move for a vacation of such Final Just Compensation Order. If Developer elects to move to vacate such Final Just Compensation Order, Developer shall pay all statutory and

abandonment costs, and all other Acquisition Costs, and the City shall have the right to direct the Title Company to release any and all such Acquisition Costs, including the statutory and abandonment costs. If Developer does not exercise the termination and vacation rights granted in this Section 6.6, Developer shall within no later than twelve (12) days after receipt of the Acquisition Notice deposit into the Sole Order Escrow sufficient funds to provide the City with an increase in the Sole Order Escrow to pay all Acquisition Costs at the Pre-Closing. The election by Developer not to pursue the purchase of the Acquisition Parcels (i) where the amount to be paid exceeds the Preapproved Price, or (ii) pursuant to Developer's title, survey and environmental approval rights under Sections 3, 6.2, 6.5 and 21.1(b) herein shall not constitute a default under the terms of this Agreement, but shall still obligate Developer to pay all Acquisition Costs for such acquisition effort. If Developer elects not to purchase the Acquisition Parcels for a reason described in clause (i) or clause (ii) in the preceding sentence, this Agreement shall automatically terminate as to the Acquisition Parcels not purchased upon the full payment by Developer of any and all Acquisition Costs attributable to such Acquisition Parcels. Developer must proceed to the Pre-Closing and the Acquisition Closing on the Acquisition Parcels unless Developer terminates this Agreement for a reason described in clause (i) or clause (ii) of this paragraph.

- (b) Acquisition Through Quick-Take Condemnation Proceedings. Developer shall have ten (10) days from the receipt of the Acquisition Notice to notify the City whether to proceed with the acquisition through quick-take or to terminate all acquisition efforts as to the Acquisition Parcels.

- (i) If Developer elects to proceed with acquisition through quick-take, Developer shall pay all (a) Preliminary Just Compensation, (b) Final Just Compensation and (c) all other Acquisition Costs associated with the City's acquisition-related efforts. Developer waives and releases any rights it may have possessed to terminate the acquisition and this Agreement upon authorizing the City to proceed with acquisition after receipt of the Acquisition Notice. If the Developer does not exercise the termination and vacation rights granted in Section 6.6(b)(ii), Developer shall within no later than twelve (12) days after receipt of the Acquisition Notice deposit in the Sole Order Escrow sufficient funds to pay the amount of Preliminary Just Compensation, all Acquisition Costs incurred to date, and the Minimum Post-Quick Take Acquisition Costs Amount as set forth in Section 5.2(b).
- (ii) If Developer elects to terminate its acquisition efforts, Developer shall pay all (a) Acquisition Costs incurred to date and (b) all Acquisition Costs which may become due and owing after the Developer elects to terminate all acquisition efforts, and the City shall terminate such acquisition efforts. The election by Developer not to pursue the purchase of the Acquisition Parcels pursuant to the rights provided for in this subsection shall not constitute a default under the terms of this Agreement, but shall still obligate Developer to pay all Acquisition Costs for such

acquisition effort. If Developer elects not to purchase the Acquisition Parcels through a quick-take proceeding, this Agreement shall automatically terminate as to the Acquisition Parcels not purchased upon the full payment by Developer of any and all Acquisition Costs attributable to such Acquisition Parcels.

- (iii) Developer must proceed to the Pre-Closing and the Acquisition Closing on the Acquisition Parcels unless Developer terminates this Agreement as provided for in this clause (b) of this Section 6.6.

6.7 The Pre-Closing and the Acquisition Closing. To close on acquisition of the Acquisition Parcels consummated through the Purchase Agreement or court order, the City and Developer shall attend a pre-closing ("Pre-Closing") at the offices of the Title Company. The purpose of the Pre-Closing shall be to assure that the City has the necessary funds and closing deliveries that it needs to direct the consummation of the acquisition transaction with the Owner of the Acquisition Parcels transferring such parcels to the Developer, or through the eminent domain proceeding (such closing, the "Acquisition Closing"). At the Pre-Closing, the parties shall enter into an escrow agreement (the "Closing Escrow Agreement") in a mutually agreeable form providing for, among other things, the following deposits (unless the City, at its sole discretion, agrees to accept such deposits outside of such Closing Escrow Agreement):

(a) Developer Deposits:

- (i) Funds in the amount of the Acquisition Costs (unless the City directs the Title Company to release funds from the Sole Order Escrow to fund such amount);
- (ii) a copy of Developer's articles of organization certified by the Secretary of State;

- (iii) a copy of Developer's then current operating agreement;
- (iv) a then current certificate of good standing;
- (v) resolutions or consents authorizing Developer's acquisition and payment of the Acquisition Costs;
- (vi) evidence of insurance for the Acquisition Parcels reasonably acceptable to the City, naming the City as an additional insured on a primary, non-contributory basis on any liability policies, including any environmental liability policies, and as a loss payee on any property policies (subject to the prior rights of any first mortgage);
- (vii) due diligence searches in Developer's name (UCC, State and federal tax lien, pending litigation and judgment for Cook County and the Northern District of Illinois, and bankruptcy searches for Cook County and the U. S. Bankruptcy Courts);
- (viii) ALTA Statements, if required by the title company; and
- (ix) such other documents as the City may reasonably require.

Developer Deposits (ii), (iii), (iv), (v), (vii) and (viii) shall be required for the initial Pre-Closing and, upon the City's request, for any subsequent Pre-Closing occurring six (6) months after the initial Pre-Closing. Developer Deposits (i), (vi) and (ix) shall be required for each Pre-Closing.

(b) City Deposits:

- (i) Copy of the Preliminary Just Compensation Order, Final Just Compensation Order and/or Purchase Agreement, as applicable.

(c) Joint Deposits:

(i) Such other documents as may be required under the terms of this Agreement, any applicable court order or Purchase Agreement to direct the consummation of the Developer's acquisition of the Acquisition Parcels.

If the Acquisition Parcels are being acquired pursuant to a court order, the Closing Escrow Agreement shall direct the Escrowee, within five (5) days after the Pre-Closing, to deposit such portion of the Acquisition Costs with the Cook County Treasurer as may be required pursuant to the terms of the court order and to then record the court order, which payment and recordation shall constitute the Acquisition Closing.

If the Acquisition Parcels are being acquired pursuant to a Purchase Agreement, the City shall set up a closing with the Owner for the direct transfer of the Acquisition Parcels to the Developer at the Title Company within ten (10) days after the Pre-Closing. Concurrently with the payment of the amount due to said Owner per the terms of the Purchase Agreement, the Escrowee shall be directed to record the Owner's Deed to the Developer, which recordation shall constitute the Acquisition Closing.

In all circumstances except acquisition of the Acquisition Parcels through quick-take proceedings, any excess amounts left in closing escrow ("Closing Escrow") shall be paid to Developer after the payment in full of all of the Acquisition Costs. All Closing Escrow, insurance and recording fees shall be paid by Developer. In circumstances involving acquisition of the Acquisition Parcels through quick-take proceedings, any excess amounts left in Closing Escrow after the payment in full of all of the Acquisition Costs for the Acquisition Closing shall be paid to the Sole Order Escrow and applied toward Developer's obligations in Sections 5.1 and 5.2(b).

6.8 Failure to Close. In addition to constituting an Event of Default under Section 18.4 below, failure by Developer to make those deposits required under Section 6.7(a) above with respect to any of the Acquisition Parcels shall obligate Developer to pay Acquisition Costs as per Section 5 above, including reasonable attorneys' fees for outside counsel hired on

behalf of the City and costs incurred, or due and owing but not yet payable, on behalf of the City associated with the acquisition and abandonment of such Acquisition Parcels.

6.9 Conveyance Closing. The City will direct the transfer of the title to the Acquisition Parcels directly to Developer through the Purchase Agreement, if possible, or through a transfer of the Acquisition Parcels from the City to the Developer, where the City accepted and holds title to the Acquisition Parcels (the "Conveyance Closing").

The parties shall enter into an escrow agreement ("Conveyance Escrow Agreement") in a mutually agreeable form providing for, among other things, the following deposits (unless the City, in its sole discretion, agrees to accept such deposits outside of such escrow), in order to consummate such Conveyance Closing:

(a) Developer Deposits:

- (i) Such documents as the City may reasonably require.

(b) City Deposits:

- (i) The Deed, or
- (ii) Court order vesting title.

(c) Joint Deposits:

- (i) Closing Statement;
- (ii) transfer tax declarations; and
- (iii) full payment water certificate.

6.10 Closing Costs. Developer shall pay all closing costs, Acquisition Costs, Conveyance Escrow Agreement fees and recording charges associated with the Conveyance Closing.

6.11 Post-Closing In the Event of Quick-Take Acquisition. In the event of acquisition of the Acquisition Parcels through quick-take proceedings, the City and Developer shall attend a post-closing ("Post-Closing") at the offices of the Title Company. The purpose of the Post-

Closing shall be to assure that the City has the necessary funds and closing deliveries that it needs to deposit the Final Just Compensation. At the Post-Closing, the parties shall enter into an escrow agreement (the "Post-Closing Escrow Agreement") in a mutually agreeable form providing for, among other things, the following deposits (unless the City, at its sole discretion, agrees to accept such deposits outside of such Closing Escrow Agreement):

(a) Developer Deposits:

- (i) Funds in the amount of the Acquisition Costs (unless the City directs the Title Company to release funds from the Sole Order Escrow to fund such amount); and
- (ii) such other documents as the City may reasonably require.

(b) City Deposits:

- (i) Copy of the Final Just Compensation Order.

(c) Joint Deposits:

- (i) Such other documents as may be required under the terms of this Agreement or any applicable court order.

The Post-Closing Escrow Agreement shall direct the Escrowee, within five (5) days after the Post-Closing, to deposit such portion of the Acquisition Costs with the Cook County Treasurer as may be required pursuant to the terms of the court order and to then record the court order.

6.12 Failure To Close At Post-Closing. In addition to constituting an Event of Default under Section 18.4 below, failure by Developer to make those deposits required under Section 6.11 above with respect to any of the Acquisition Parcels shall obligate Developer to pay Acquisition Costs as per Section 5 above, including reasonable attorneys' fees for outside counsel hired on behalf of the City and costs incurred, due and owing but not yet payable and when otherwise due and payable, on behalf of the City associated with the acquisition of such Acquisition Parcels.

SECTION 7. CLOSING.

The closings of the transactions contemplated by this Agreement (collectively referred to as the "Closings") shall take place at the Title Company to the extent possible. If the Acquisition Parcels are being acquired pursuant to a court order, the Closings shall occur in a timely manner to ensure satisfaction of the court-ordered deadlines for deposits of Preliminary Just Compensation and/or Final Just Compensation.

SECTION 8. CONDITIONS TO THE CITY'S OBLIGATION TO CLOSE.

The obligations of the City under this Agreement are contingent upon each of the following:

8.1 The City's direction for the transfer of the title to the Acquisition Parcels to Developer.

8.2 Insurance. The Developer shall have delivered to the City evidence of insurance as such required insurance is set forth on Exhibit F^{*}, attached hereto and made a part hereof. The City shall be named as an additional insured on all liability insurance policies, with endorsements, and as a loss payee (subject to the prior rights of any first mortgagee) on all property insurance policies from the Closing Date, Outside Closing Date, or Extended Outside Closing Date, whichever date becomes applicable, through the date the City issues the Certificate of Completion (as defined in Section 13 in the Amended RDA #1). With respect to property insurance, the City will accept an ACORD 28 form. With respect to liability insurance, the City will accept an ACORD 25 form, together with a copy of the endorsement that is added to the Developer's policy showing the City as an additional insured.

8.3 Due Diligence. The Developer shall have delivered to the City due diligence searches in the name of the Developer (UCC liens, state and federal tax liens, pending suits and judgments in Cook County and the U.S. District Court for the Northern District of Illinois, referenced above in Section 8.2 as "Insurance Requirements").

and bankruptcy), showing no unacceptable liens, litigation, judgments or filings, as reasonably determined by the City's Corporation Counsel.

8.4 Organization and Authority Documents. The Developer shall have delivered to the City the Developer's articles of incorporation, including all amendments thereto, as furnished and certified by the Illinois Secretary of State; the by-laws of the Developer, as certified by the secretary of the Developer; resolutions authorizing the Developer to execute and deliver this Agreement and any other documents required to complete the transaction contemplated by this Agreement and to perform its obligations under this Agreement; a certificate of good standing from the Illinois Secretary of State dated no more than thirty (30) days prior to the Acquisition Closing date; and such other corporate authority and organizational documents as the City may reasonably request.

8.5 Representations and Warranties. On the date of each of the Closings contemplated in this Agreement, each of the representations and warranties of the Developer in this Agreement shall be true and correct.

8.6 Other Obligations. On the date of each of the Closings contemplated in this Agreement, the Developer shall have performed all of the other obligations required to be performed by the Developer under this Agreement as and when required under this Agreement. If any of the conditions in this Section 8 have not been satisfied to the City's reasonable satisfaction within the time periods provided for herein, or waived by DPD in writing, the City may, at its option, terminate this Agreement by delivery of written notice to the Developer at any time after the expiration of the applicable time period and this Agreement shall be null and void and, except as otherwise specifically provided herein, neither party shall have any further right, duty or obligation hereunder. Any forbearance by the City in exercising its right to terminate this Agreement upon a default hereunder shall not be construed as a waiver of such right.

SECTION 9. CONSTRUCTION REQUIREMENTS.

Developer shall construct the Project on the Project Parcels in accordance with Section 10 of Amended RDA #1.

SECTION 10. MBE/WBE COMPLIANCE PLAN.

The Developer and the Developer's general contractor, and all major subcontractors shall meet with staff from DPD regarding compliance with the MBE/WBE, City residency hiring, prevailing wage and other requirements set forth in Section 23 of Amended RDA #1, and at least seven (7) days prior to the Closing Date, Outside Closing Date or Extended Outside Closing Date (as these terms are defined in Amended RDA #1), the City shall have approved the Developer's compliance plan in accordance with Section 23.4 of Amended RDA #1.

SECTION 11. COMMENCEMENT AND COMPLETION OF PROJECT

Developer shall commence and complete the Project on the Project Parcels in accordance with Section 12 of Amended RDA #1.

SECTION 12. RESTRICTIONS ON USE.

The Developer agrees that it:

12.1 Shall devote the City Parcel and Acquisition Parcels solely to the Project described in this Agreement, and in particular, for the development of the New Saint Anthony Hospital described in this Agreement, and for uses that comply with the Redevelopment Plan until the Redevelopment Plan expires on December 31, 2031.

12.2 Shall retain 1,000 jobs, or cause tenant, the New Saint Anthony Hospital, to retain 1,000 jobs at the New Saint Anthony Hospital; create at least 20 permanent jobs or cause tenant the New Saint Anthony Hospital to create at least 20 permanent jobs (each such permanent full-time equivalent job is hereby defined as 35 hours of employment per week with full benefits) at the City Parcel and Acquisition Parcels. This covenant shall expire ten (10) years after the date of issuance of the Certificate of Completion.

12.3 Shall not discriminate on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status, or source of income in the use or occupancy of the City Parcel and Acquisition Parcels or any part thereof or the Project or any part thereof.

12.4 Shall in no instance use the City Parcel and Acquisition Parcels for any inherently religious activities, such as worship, religious instruction, or proselytization. Notwithstanding the foregoing, the New Saint Anthony Hospital may use the City Parcel and Acquisition Parcels consistent with all allowed uses pursuant to the Institutional Business Planned Development No. 1212, and any amendment thereto or a new planned development if a new planned development is necessary for the Developer to complete the Project.

SECTION 13. PROHIBITION AGAINST SALE OR TRANSFER OF ACQUISITION PARCELS.

Prior to the issuance of the Certificate of Completion for the Project pursuant to Amended RDA #1, the Developer may not, without the prior written consent of DPD, which consent shall be in DPD's sole discretion: (a) directly or indirectly sell, transfer or otherwise dispose of the Acquisition Parcels or any part thereof or any interest therein or the Developer's controlling interests therein (including without limitation, a transfer by assignment of any beneficial interest under a land trust); or (b) directly or indirectly assign this Agreement. The Developer acknowledges and agrees that DPD may withhold its consent under (a) or (b) above if, among other reasons, the proposed purchaser, transferee or assignee (or such entity's principal officers or directors) is in violation of any Laws, or if the Developer fails to submit sufficient evidence of the financial responsibility, business background and reputation of the proposed purchaser, transferee or assignee. If the Developer is a business entity, no principal party of the Developer (e.g., a general partner, member, manager or shareholder) may sell, transfer or assign any of its interest in the entity prior to the issuance of the Certificate of Completion to anyone other than another principal party, without the prior written consent of DPD, which consent shall be in DPD's sole discretion. The Developer must disclose the identity

of all limited partners to the City at the time such limited partners obtain an interest in the Developer. The provisions of this Section 13 shall not prohibit the Developer from transferring or conveying the Acquisition Parcels to an Illinois land trust of which the Developer is the sole beneficiary.

SECTION 14. LIMITATION UPON ENCUMBRANCE OF CITY PARCEL AND ACQUISITION PARCELS.

Prior to the issuance of the Certificate of Completion pursuant to Amended RDA #1, the Developer shall not, without DPD's prior written consent, which shall be in DPD's sole discretion, engage in any financing or other transaction which would create an encumbrance or lien on the City Parcel and Acquisition Parcels, except for any mortgage approved pursuant to Section 9.3 of Amended RDA #1.

SECTION 15. MORTGAGEES NOT OBLIGATED TO CONSTRUCT

Notwithstanding any other provision of this Agreement or of the deed, the holder of any mortgage authorized by this Agreement or Amended RDA #1 (or any affiliate of such holder) shall not itself be obligated to construct or complete the Project, or to guarantee such construction or completion, but shall be bound by the other covenants running with the land specified in Section 18 of Amended RDA #1 and shall, prior to recording any mortgage approved pursuant to Section 9.3 of Amended RDA #1, execute and record a Subordination Agreement (as defined in Section 9.9 of Amended RDA #1). If any such mortgagee or its affiliate succeeds to the Developer's interest in the Project Parcels, or any portion thereof, prior to the issuance of the Certificate of Completion, whether by foreclosure, deed-in-lieu of foreclosure or otherwise, and thereafter transfers its interest in the Project Parcels to another party, such transferee shall be obligated to complete the Project, and shall also be bound by the other covenants running with the land specified in Section 18 of Amended RDA #1.

SECTION 16. SUBORDINATION AGREEMENT.

Prior to recording any mortgage approved pursuant to Section 9.3 of Amended RDA #1, the Developer shall, at the City's request, deliver to the City a subordination agreement in which the construction lender for the Project agrees to subordinate the lien of its mortgage to the covenants running with the land under Section 18 of Amended RDA #1, or such other subordination assurance as the Corporation Counsel shall deem acceptable.

SECTION 17. COVENANTS RUNNING WITH THE LAND.

The parties agree that the covenants provided in Amended RDA #1 at Section 12 (Commencement and Completion of Project), Section 14 (Restrictions on Use), Section 15 (Prohibition Against Sale or Transfer of Property), Section 16 (Limitation Upon Encumbrance of Property), and the covenants provided in this Agreement, specifically Section 8 (Conditions To The City's Obligation To Close), Section 10 (MBE/WBE Compliance Plan), Section 11 (Commencement And Completion of Project), Section 12 (Restrictions on Use), and Section 13 (Prohibition Against Sale or Transfer of Acquisition Parcels) will be covenants running with the City Parcel and Acquisition Parcels, binding on the Developer and its successors and assigns (subject to the limitation set forth in Section 17 of Amended RDA #1 as to any permitted mortgagee) to the fullest extent permitted by law and equity for the benefit and in favor of the City, and shall be enforceable by the City. The covenants provided in Amended RDA #1 at Section 12, Section 15 and Section 16, and the covenants in this Agreement at Sections 8, 10, 11, 13 and 14 shall terminate upon the issuance of the Certificate of Completion pursuant to Amended RDA #1 and this Agreement. The covenant contained in Section 14.1 of Amended RDA #1 and Section 12.1 of this Agreement shall terminate after the occurrence of both, the issuance of the Certificate of Completion and the expiration of the Redevelopment Plan on December 31, 2031. The covenant contained in Section 14.2 of Amended RDA #1 and Section 12.2 of this Agreement shall expire ten (10) years after the issuance of the Certificate of Completion under Amended RDA #1. The covenant contained in Sections 14.3 and 14.4 of

Amended RDA #1 and Sections 12.3 and 12.4 of this Agreement shall have no expiration date and remain in perpetuity in relation to the City Parcel and Acquisition Parcels.

SECTION 18. PERFORMANCE AND BREACH.

18.1 Time of the Essence. Time is of the essence in the Developer's performance of its obligations under this Agreement.

18.2 Permitted Delays. The Developer shall not be considered in breach of its obligations under this Agreement in the event of a delay due to unforeseeable causes beyond the Developer's control and without the Developer's fault or negligence, including, without limitation, acts of God, acts of the public enemy, acts of the United States government, fires, floods, epidemics, quarantine restrictions, strikes, embargoes, and unusually severe weather or delays of subcontractors due to such causes. The time for the performance of the obligations shall be extended only for the period of the delay and only if the Developer requests an extension in writing within twenty (20) days after the beginning of any such delay.

18.3 Cure. If the Developer defaults in the performance of its obligations under this Agreement, the Developer shall have sixty (60) days after written notice of default from the City to cure the default, or such longer period as shall be reasonably necessary to cure such default provided the Developer promptly commences such cure and thereafter diligently pursues such cure to completion (so long as continuation of the default does not create material risk to the Project or to persons using the Project). Notwithstanding the foregoing, no notice or cure period shall apply to defaults under Sections 19.4 (c), (e) and (g) of Amended RDA #1 and Sections 18.4 (c), (e) and (g) of this Agreement.

18.4 Event of Default. The occurrence of any one or more of the following shall constitute an "Event of Default" under this Agreement:

- (a) The Developer makes or furnishes a warranty, representation, statement or certification to the City (whether in this Agreement, an Economic Disclosure Statement, or another document) that is not true and correct.

- (b) A petition is filed by or against the Developer under the Federal Bankruptcy Code or any similar state or federal law, whether now or hereafter existing, which is not vacated, stayed or set aside within thirty (30) days after filing.
- (c) The Developer fails to complete the Project in accordance with the time line outlined in Section 12 of Amended RDA #1, or the Developer abandons or substantially suspends construction of the Project.
- (d) The Developer fails to pay real estate taxes or assessments affecting the City Parcel and/or Acquisition Parcels or any part thereof when due, or places thereon any encumbrance or lien unauthorized by this Agreement, or suffers or permits any levy or attachment, mechanic's, laborer's, material supplier's, or any other lien or encumbrance unauthorized by this Agreement to attach to the City Parcel and/or Acquisition Parcels unless bonded or insured over.
- (e) The Developer makes an assignment, pledge, unpermitted financing, encumbrance, transfer or other disposition in violation of Amended RDA #1 and/or this Agreement.
- (f) There is a material and adverse change in the Developer's financial condition or operations that will prevent the Developer from (1) satisfying the Proof of Financing requirement under Section 8.2 of Amended RDA #1 and (2) funding the Sole Order Escrow.
- (g) The Developer fails to close on Amended RDA #1 and/or this Agreement pursuant to the terms of Amended RDA #1 and/or this Agreement, except as permitted in this Agreement.
- (h) The Developer fails to perform, keep or observe any of the other covenants, conditions, promises, agreements or obligations under this Agreement or any other written agreement entered into with the City with respect to the Project.

18.5 Prior to Closing Amended RDA #1. If an Event of Default under the terms of Amended RDA #1 and/or this Agreement occurs prior to Closing Date, Outside Closing Date or Extended Outside Closing Date (as those terms are defined in Amended RDA #1) and the default is not cured in the time period provided for in Section 18.3 above, the City may terminate this Agreement and Amended RDA #1 and/or institute any action or proceeding at law or in equity against the Developer.

18.6 After Closing Amended RDA #1. If an Event of Default under the terms of Amended RDA #1 and/or this Agreement occurs after the closings of the City Parcel and Acquisition Parcels but prior to the issuance of the Certificate of Completion, and the default is not cured in the time period provided for in Section 19.3 of Amended RDA #1 and Section 18.3 of this Agreement, the City may terminate this Agreement and exercise any and all remedies available to it at law or in equity, including, without limitation, the right to reenter and take possession of the City Parcel, or any portion thereof, terminate the estate, or any portion thereof, conveyed to the Developer, and revert title to the City Parcel, or any portion thereof, in the City by recording the Reconveyance Deed for the City Parcel; provided, however, the City's right of reverter shall be limited by, and shall not defeat, render invalid, or limit in any way, the lien of any mortgage authorized by Amended RDA #1. If a Reconveyance Deed is recorded by the City, the Developer shall be responsible for all real estate taxes and assessments which accrued during the period the City Parcel was owned by the Developer, and shall cause the release of all liens or encumbrances placed on the City Parcel during the period of time the City Parcel was owned by the Developer. The Developer will cooperate with the City to ensure that should the City record the Reconveyance Deed for the City Parcel, such recording is effective for the purposes of transferring title to the City Parcel, or any portion thereof, to the City by executing any customary transfer documents. The provisions of this Section shall survive any and all termination under this Agreement (regardless of the reason for such termination).

18.7 Resale of the City Parcel. Upon the revesting in the City of title to the City Parcel, or any portion thereof, as provided in Section 18.6, the City may complete, if possible, the Project or convey the City Parcel, or any portion thereof, subject to any first mortgage lien, to a qualified and financially responsible party reasonably acceptable to the first mortgagee, who shall assume the obligation of completing the Project, if possible, or such other improvements as shall be satisfactory to DPD, and otherwise comply with the covenants that run with the land as specified in Section 18 of Amended RDA #1.

18.8 Disposition of Resale Proceeds. If the City sells the City Parcel, or any portion thereof, as provided for in Section 18.7, the net proceeds from the sale, after payment of all amounts owed under any mortgage liens authorized by this Agreement in order of lien priority, shall be utilized to reimburse the City for:

- (a) costs and expenses incurred by the City (including, without limitation, salaries of personnel) in connection with the recapture, management and resale of the City Parcel, or any portion thereof (less any income derived by the City from the City Parcel, or any portion thereof, in connection with such management); and
- (b) all unpaid taxes, assessments, and water and sewer charges assessed against the City Parcel; and
- (c) any payments made (including, without limitation, reasonable attorneys' fees and court costs) to discharge or prevent from attaching or being made any subsequent encumbrances or liens due to obligations, defaults or acts of the Developer; and
- (d) any expenditures made or obligations incurred with respect to construction or maintenance of the Project; and
- (e) any other amounts owed to the City by the Developer, including but not limited to any amounts associated with the Environmental Indemnity Agreement.

If there are any proceeds remaining after payment of the equity investment reimbursement to Developer under this section, then the City shall be entitled to receive any such remaining proceeds.

18.9 Waiver and Estoppel. Any delay by the City in instituting or prosecuting any actions or proceedings or otherwise asserting its rights shall not operate as a waiver of such rights or operate to deprive the City of or limit such rights in any way. No waiver made by the City with respect to any specific default by the Developer shall be construed, considered or treated as a waiver of the rights of the City with respect to any other defaults of the Developer.

SECTION 19. CONFLICT OF INTEREST; CITY'S REPRESENTATIVES NOT INDIVIDUALLY LIABLE.

The Developer represents and warrants that no agent, official or employee of the City shall have any personal interest, direct or indirect, in the Developer, this Agreement, the City Parcel, the Acquisition Parcels, or the Project, nor shall any such agent, official or employee participate in any decision relating to this Agreement which affects his or her personal interests or the interests of any corporation, partnership, association or other entity in which he or she is directly or indirectly interested. No agent, official or employee of the City shall be personally liable to the Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to the Developer or successor or with respect to any commitment or obligation of the City under the terms of this Agreement.

SECTION 20. INDEMNIFICATION.

The Developer agrees to indemnify, defend and hold the City harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, reasonable attorneys' fees and court costs)(collectively, the "Claims"), including any/all environmental claims, including those environmental claims in relation to the Environmental Indemnity Agreement, suffered or incurred by the City arising from or in connection with: (a) the failure of the Developer to perform its obligations under this

Agreement; (b) the failure of the Developer or any contractor or other agent, entity or individual acting under the control or at the request of the Developer ("Agent") to pay contractors, subcontractors or material suppliers in connection with the construction and management of the Project; (c) any misrepresentation or omission made by the Developer or any Agent; (d) the failure of the Developer to redress any misrepresentations or omissions in this Agreement or any other agreement relating hereto; and (e) any activity, including but not limited to any environmental activity, undertaken by the Developer or any Agent on the Acquisition Parcels prior to or after the Closings. Developer agrees to accept the Acquisition Parcels in their "as is," "where is" and "with all faults" condition.

This indemnification shall survive the closings contemplated in this Agreement or any termination of this Agreement (regardless of the reason for such termination).

SECTION 21. INSPECTION; CONDITION OF ACQUISITION PARCELS AT CLOSING.

21.1 "As Is" Sale. The City makes no covenant, representation or warranty, express or implied, of any kind, as to the structural, physical or environmental condition of the Acquisition Parcels or the suitability of the Acquisition Parcels for any purpose whatsoever, and the Developer agrees to accept the transfer of the Acquisition Parcels in their "as is," "where is" and "with all faults" condition from: (i) the Owner through the Purchase Agreement; (ii) pursuant to a court order; and/or (iii) through a transfer of title to the Acquisition Parcel from the City to the Developer.

21.2 Right of Entry.

(a) The Developer's obligations hereunder are conditioned upon the Developer being satisfied with the condition of the Acquisition Parcels for the construction, development and operation of the Project. Before the filing of a condemnation complaint, upon the Developer's request, the City will request the Owner to grant to the Developer the right, at Developer's sole cost and expense, to enter the Acquisition Parcels for a period of thirty (30) days (the "Inspection Period") pursuant to a Right of Entry Agreement in form and substance

reasonably acceptable to the City to inspect the same, perform surveys, environmental assessments, soil and any other due diligence it deems necessary or desirable to satisfy itself as to the condition of the Acquisition Parcels. After filing the condemnation complaint, the City shall request permission under Illinois Supreme Court Rule 214 to enter the Acquisition Parcels for the City, on behalf of Developer, to inspect the same, perform surveys, environmental assessments, soil and any other due diligence the Developer deems necessary or desirable to satisfy itself as to the condition of the Acquisition Parcels and as permitted by the Illinois Supreme Court Rules of Civil Procedure rules or court order ("Due Diligence Discovery").

(b) If the Developer determines that it is not satisfied, in its sole discretion, with the condition of the Acquisition Parcels, the Developer may terminate this Agreement by written notice to the City within thirty (30) days after the expiration of the Inspection Period or, in the event of a condemnation action, within thirty (30) days after completion of Due Diligence Discovery and, to the extent applicable, production of the survey, Phase I report and Phase II report, whereupon this Agreement shall be null and void and, except as otherwise specifically provided, neither party shall have any further right, duty or obligation hereunder, except as otherwise set forth in this Agreement. If the Developer elects not to terminate this Agreement pursuant to this Section 21.2, the Developer shall be deemed satisfied with the condition of the Acquisition Parcels.

21.3 Indemnity. The Developer hereby, and pursuant to the terms and conditions of any Section 3 environmental agreements, waives and releases, and indemnifies the City from and against, any claims and liabilities relating to or arising from the structural, physical or environmental condition of the Acquisition Parcels, including, without limitation, claims arising under the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended ("CERCLA"), and shall undertake and discharge all liabilities of the City arising from any structural, physical or environmental condition that existed on the Acquisition Parcels prior

to the Closing, including, without limitation, liabilities arising under CERCLA. The Developer hereby acknowledges that, in purchasing the Acquisition Parcels, the Developer is relying solely upon its own inspection and other due diligence activities and not upon any information (including, without limitation, environmental studies or reports of any kind) provided by or on behalf of the City or its agents or employees with respect thereto, except in the event of a condemnation action, Developer shall rely upon the inspection and due diligence activities of the City exercised during Due Diligence Discovery on behalf of the Developer. The Developer, or the City on behalf of the Developer, shall perform such studies and investigations, conduct such tests and surveys, and engage such specialists as the Developer deems appropriate to evaluate fairly the structural, physical and environmental condition and risks of the Acquisition Parcels. If, after the Closing, the structural, physical and environmental condition of the Acquisition Parcels is not in all respects entirely suitable for its intended use, it shall be the Developer's sole responsibility and obligation to take such action as is necessary to put the Acquisition Parcels in a condition which is suitable for its intended use, including but not limited to enrolling the Acquisition Parcels in the SRP Program. The provisions of this Section 21.3 shall survive the Closing.

SECTION 22. DEVELOPER'S EMPLOYMENT OBLIGATIONS.

Developer shall comply with the Developer's Employment Obligations for the Project in accordance with Section 23 of Amended RDA #1.

SECTION 23. REPRESENTATIONS AND WARRANTIES.

23.1 Representations and Warranties of the Developer. To induce the City to execute this Agreement and perform its obligations hereunder, the Developer hereby represents and warrants to the City that as of the date of this Agreement and as of the dates of Acquisition Closing, Conveyance Closing and Post-Closing, the following shall be true and correct in all respects:

- (a) The Developer is a not-for-profit corporation duly organized, validly existing and in good standing under the laws of the State of Illinois with full power and authority to acquire, own and redevelop the Acquisition Parcels, and that the person signing this Agreement on behalf of the Developer has the authority to do so.
- (b) All certifications and statements contained in the Economic Disclosure Statement last submitted to the City by the Developer (and any legal entity holding an interest in the Developer) are true, accurate and complete.
- (c) The Developer's execution, delivery and performance of this Agreement and all instruments and agreements contemplated hereby will not, upon the giving of notice or lapse of time, or both, result in a breach or violation of, or constitute a default under, the Developer's operating agreement or any other agreement to which the Developer, or any party affiliated with the Developer, is a party or by which the Developer or the Acquisition Parcels is bound.
- (d) To the best of the Developer's knowledge, no action, litigation, investigation or proceeding of any kind is pending or threatened against the Developer, or any party affiliated with the Developer, and the Developer knows of no facts which could give rise to any such action, litigation, investigation or proceeding, which could: (i) affect the ability of the Developer to perform its obligations hereunder; or (ii) materially affect the operation or financial condition of the Developer.
- (e) To the best of the Developer's knowledge, the Project will not violate: (i) any Laws, including, without limitation, any zoning and building codes and environmental regulations; or (ii) any building permit, restriction of record or other agreement affecting the Property.

23.2 Representations and Warranties of the City. To induce the Developer to execute this Agreement and perform its obligations hereunder, the City hereby represents and warrants to the Developer that the City has authority under its home rule powers to execute and deliver this Agreement and perform the terms and obligations contained herein.

23.3 Survival of Representations and Warranties. Each of the parties agrees that all of its representations and warranties set forth in this Section 23 or elsewhere in this Agreement are true as of the date of this Agreement and will be true in all material respects at all times thereafter, except with respect to matters which have been disclosed in writing and approved by the other party.

SECTION 24. NOTICES.

Any notice, demand or communication required or permitted to be given hereunder shall be given in writing at the addresses set forth below by any of the following means: (a) personal service; (b) facsimile; (c) overnight courier; or (d) registered or certified first class mail, postage prepaid, return receipt requested:

Any notice, demand or communication given pursuant to either clause (a) or (b) hereof shall be deemed received upon such personal service or upon confirmed transmission by facsimile, respectively, provided that such facsimile transmission is confirmed as having occurred prior to 5:00 p.m. on a business day. If such transmission occurred after 5:00 p.m. on a business day or on a non-business day, it shall be deemed to have been given on the next business day. Any notice, demand or communication given pursuant to clause (c) shall be deemed received on the business day immediately following deposit with the overnight courier. Any notice, demand or communication sent pursuant to clause (d) shall be deemed received three (3) business days after mailing. The parties, by notice given hereunder, may designate any further or different addresses to which subsequent notices, demands or communications

shall be given. The refusal to accept delivery by any party or the inability to deliver any communication because of a changed address of which no notice has been given in accordance with this Section 24 shall constitute delivery.

SECTION 25. ORGANIZATION AND AUTHORITY.

The Developer represents and warrants that it is duly organized and validly existing and authorized to do business under the laws of the State of Illinois, with full power and authority to acquire, own and redevelop the Acquisition Parcels and that the person signing this Agreement on behalf of the Developer has the authority to do so.

SECTION 26. SUCCESSORS AND ASSIGNS.

Except as otherwise provided in this Agreement, the terms and conditions of this Agreement shall apply to and bind the successors and assigns of the parties.

SECTION 27. TERMINATION.

27.1 This Agreement shall terminate on August 31, 2019, should the Developer fail to obtain a deed to the Acquisition Parcels from the Owner or the City, except as provided in Sections 27.2 and 27.3.

27.2 The Developer may elect to extend the date of termination of this Agreement as provided in Section 28.1 until August 31, 2020, by providing the City with written notice of extension no later than July 31, 2019. The Commissioner, in his sole discretion, may agree to a Developer proposed extension of termination date after August 30, 2020, upon receipt of Developer's written notice of extension of the August 30, 2020 termination date no later than July 31, 2020.

27.3 In the event the Developer defaults under the terms of this Agreement and fails to cure the default before the expiration of the cure period, then this Agreement shall terminate on the first day following the expiration of the cure period. Notwithstanding the foregoing, no notice or cure period shall apply to defaults under Sections 19.4 (c), (e) and (g) of Amended

RDA #1 and Sections 18.4 (c), (e) and (g) of this Agreement, in which event this Agreement shall terminate on the date of default.

SECTION 28. RECORDATION OF AGREEMENT.

This Agreement shall be recorded at the Office of the Cook County Recorder of Deeds. The Developer shall pay the recording fees.

SECTION 29. CONSENT AND APPROVAL.

Except where otherwise specified, whenever the consent or approval of the City is required hereunder, such consent or approval shall not be unreasonably withheld or delayed.

SECTION 30. OTHER ACTS.

The parties agree to perform such other acts and to execute, acknowledge and deliver such other instruments, documents and materials as may be reasonably necessary to consummate the transactions contemplated by this Agreement.

SECTION 31. BUSINESS RELATIONSHIPS.

The Developer acknowledges (A) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (B) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (c) notwithstanding anything to the contrary contained in this Agreement, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby.

The Developer hereby represents and warrants that no violation of Section 2-156-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

SECTION 32. PATRIOT ACT CERTIFICATION.

The Developer represents and warrants that neither the Developer nor any Affiliate thereof (as defined in the next paragraph) is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

As used in the above paragraph, an "Affiliate" shall be deemed to be a person or entity related to the Developer that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Developer, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

SECTION 33. PROHIBITION ON CERTAIN CONTRIBUTIONS-MAYORAL EXECUTIVE ORDER NO. 2011-4.

Developer agrees that Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in Developer of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Developer's contractors (i.e., any person or entity in direct contractual privity with Developer regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Developer and all the other preceding classes of persons and

entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (i) after execution of this Agreement by Developer, (ii) while this Agreement or any Other Contract is executory, (iii) during the term of this Agreement or any Other Contract between Developer and the City, or (iv) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

Developer represents and warrants that from the later to occur of (a) May 16, 2011, and (b) the date the City approached the Developer or the date the Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Developer agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) Bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Developer agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Developer agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under

any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Developer intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the closing of this Agreement, the City may elect to decline to close the transaction contemplated by this Agreement.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source, which is then delivered by one person to the Mayor or to his political fundraising committee.

"Other Contract" means any other agreement with the City of Chicago to which Developer is a party that is (i) formed under the authority of chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council of the City of Chicago.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

"Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

- (A) they are each other's sole domestic partner, responsible for each other's common welfare; and
- (B) neither party is married; and
- (C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and
- (D) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
- (E) two of the following four conditions exist for the partners:
 - 1. The partners have been residing together for at least 12 months.

2. The partners have common or joint ownership of a residence.
3. The partners have at least two of the following arrangements:
 - a. joint ownership of a motor vehicle;
 - b. a joint credit account;
 - c. a joint checking account;
 - d. a lease for a residence identifying both domestic partners as tenants.
4. Each partner identifies the other partner as a primary beneficiary in a will.

SECTION 34. COOPERATION WITH OFFICE OF COMPLIANCE.

In accordance with Chapter 2-26-010 et seq. of the Municipal Code, the Developer acknowledges that every officer, employee, department and agency of the City shall be obligated to cooperate with the Executive Director of the Office of Compliance in connection with any activities undertaken by such office with respect to this Agreement, including, without limitation, making available to the Executive Director the department's premises, equipment, personnel, books, records and papers. The Developer agrees to abide by the provisions of Chapter 2-26-010 et seq.

SECTION 35. FAILURE TO MAINTAIN ELIGIBILITY TO DO BUSINESS WITH THE CITY.

Failure by Developer or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of the Agreement and the transactions contemplated thereby. Developer shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

SECTION 36. INSPECTOR GENERAL AND LEGISLATIVE INSPECTOR GENERAL.

It is the duty of every officer, employee, department, agency, contractor, subcontractor, developer and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Legislative Inspector General and with the

City's Inspector General in any investigation or hearing undertaken pursuant to Chapters 2-55 and 2-56, respectively, of the Municipal Code of Chicago. The Developer understands and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code of Chicago.

SECTION 37. WASTE ORDINANCE PROVISIONS.

In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Developer warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this Agreement is executory, Developer's, any general contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Chief Procurement Officer. Such breach and default entitles the City to all remedies under the Amendment, at law or in equity. This section does not limit Developer's, general contractor's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Amendment. Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Amendment, and may further affect Developer's eligibility for future contract awards.

SECTION 38. 2014 HIRING PLAN PROHIBITIONS

(a) The City is subject to the June 16, 2014 "City of Chicago Hiring Plan", as amended (the "2014 City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the 2014 City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(b) Developer is aware that City policy prohibits City employees from directing any individual to apply for a position with Developer, either as an employee or as a subcontractor, and from directing Developer to hire an individual as an employee or as a subcontractor. Accordingly, Developer must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Developer under this Agreement are employees or subcontractors of Developer, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Developer.

(c) Developer will not condition, base, or knowingly prejudice or affect any term or aspect of the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(d) In the event of any communication to Developer by a City employee or City official in violation of paragraph (b) above, or advocating a violation of paragraph (c) above, Developer will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("OIG Hiring Oversight"), and also to the head of the relevant City department utilizing services provided under this Agreement. Developer will also cooperate with any inquiries by OIG Hiring Oversight.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed on or as of the date first above written.

(To Amended And Restated Redevelopment Agreement No. 2
With Chicago Southwest Development Corporation)

Sole Order Escrow Agreement.

This Sole Order Escrow Agreement (this "Agreement") is made as of July 30, 2015, by and among Chicago Southwest Development Corporation, an Illinois not-for-profit corporation (the "Developer") and Greater Illinois Title Company, Inc., an Illinois corporation (the "Escrowee").

A. The Developer and the City of Chicago, a municipal corporation and home rule unit of local government existing under the Constitution of the State of Illinois, by and through its Department of Planning and Development ("City"), entered into that certain Agreement for the Sale and Redevelopment of Land dated May 8, 2015 (the "Redevelopment Agreement Number 1") and that certain Agreement for the Acquisition, Sale and Redevelopment of Land dated May 8, 2015 (the "Redevelopment Agreement Number 2") (collectively, the "Redevelopment Agreements") with respect to the Developer's development of the New St. Anthony Hospital (the "Project"), as more particularly described in the Redevelopment Agreements.

B. Capitalized terms used in this Agreement and not otherwise defined herein shall have the meanings ascribed to them in the Redevelopment Agreements.

C. Pursuant to Redevelopment Agreement Number 2, Section 5.2, the Developer and the City have agreed that the Developer only shall open up an escrow account with the Escrowee and Developer shall enter into a sole order escrow agreement with Escrowee "for the sole benefit of the City" and "in form and substance satisfactory to the City in its sole discretion".

D. Further, the Developer and City agreed to the following:

(1) Developer shall deposit 130 percent of the compensation offered to the owner of the Acquisition Parcels in the City's Written Purchase Offer, or Three Million Five Hundred Thousand and no/100 U.S. Dollars (\$3,500,000.00), whichever amount is greater (the greater of these two amounts, the "Minimum Acquisition Costs Amount"). Developer shall maintain a Sole Order Escrow balance in the sum of the Minimum Acquisition Costs Amount; and

(2) Developer shall deposit an initial Minimum Acquisition Costs Amount of Three Million Five Hundred Thousand and no/100 U.S. Dollars (\$3,500,000.00) (the "Initial Deposit") with the Escrowee to be held for the sole benefit of the City. Such funds shall constitute an initial deposit as a portion of the Minimum Acquisition Costs Amount described in Redevelopment Agreement Number 2 in Section 5.2; and

(3) This Agreement shall provide that the City shall be entitled to direct at any time the Escrowee to release funds in the Sole Order Escrow, payable to the City for any incurred, and/or contractually committed, and or reasonably foreseeable Acquisition Cost as determined by the City; and

(4) Developer shall maintain a Sole Order Escrow balance in the sum of the Minimum Acquisition Costs Amount. To satisfy this obligation, within seven days of Developer's receipt of written notice from the City that the Sole Order Escrow balance is below the total Minimum Acquisition Costs Amount, Developer shall deposit in said Sole Order Escrow a dollar amount sufficient to cause the balance of the Sole Order Escrow to equal the required Minimum Acquisition Costs Amount; and

(5) City shall direct the Escrowee to release funds held in the Sole Order Escrow to pay Acquisition Costs for the Acquisition Parcels in the event the Developer fails to pay the City the Acquisition Costs, including, without limitation, any abandonment costs itemized in Redevelopment Agreement Number 2, or when otherwise due and payable; and

(6) Upon Developer's acquisition of the Acquisition Parcels or Developer's election not to proceed to acquire the Acquisition Parcels, and after payment of any and all Acquisition Costs to the City in full, the City will thereafter direct the Escrowee to disburse any remaining funds, including accrued interest, in the Sole Order Escrow to the Developer.

E. In accordance with terms and conditions of this Agreement, all or any portion of the Minimum Acquisition Costs Amount shall be released and disbursed at any time by

the Escrowee only upon the sole written order of the City or its respective legal representatives.

Now, Therefore, For good and valuable consideration the receipt and sufficiency of which are hereby acknowledged the parties hereto agree as follows:

1. Incorporation Of Recitals, Exhibits And Schedule.

The recitals set forth above and the exhibits and schedule attached hereto constitute an integral part of this Agreement and are incorporated herein by this reference with the same force and effect as if set forth herein.

2. Initial Deposit.

Concurrently with the execution and delivery of this Agreement, the Developer shall deposit the Initial Deposit with the Escrowee in accordance with the wire instructions set forth in Schedule 1 attached hereto. The Escrowee shall not commingle the Minimum Acquisition Costs Amount, including the Initial Deposit, with any funds of the Escrowee or other Persons. The Escrowee shall promptly provide the Developer and the City with confirmation of receipt of the Minimum Acquisition Costs Amount, including the Initial Deposit, and, as requested by the City from time to time, the then-current amount of the Minimum Acquisition Costs Amount.

3. Investment.

Upon Developer opening the escrow account subject to this Agreement, and if directed by the Developer in writing, the Escrowee shall invest the Minimum Acquisition Costs Amount in a money market, U.S. Treasuries or similar investments and Developer shall complete and file with the Escrowee the escrowee required investment instructions and W-9 form, both attached hereto as (Sub)Exhibits A and B, respectively.

4. Minimum Acquisition Costs Amount And Disbursement.

Escrowee shall retain the Minimum Acquisition Costs Amount until it receives written directions executed solely by the City as to the disposition and disbursement of the Minimum Acquisition Costs Amount (or any portion thereof). Upon payment in full of all Minimum Acquisition Costs Amounts to the City, as determined by the City in its sole discretion, the City will thereafter direct the Escrowee to disburse any remaining funds, including accrued interest, in the Sole Order Escrow to the Developer.

5. Interest Accrued On Minimum Acquisition Costs.

Any interest which accrues on the Minimum Acquisition Costs Amount shall be retained in the Sole Order Escrow, unless otherwise directed by the City in the City's

sole discretion, after all fees (if any) related to the establishment and administration of the escrow Minimum Acquisition Costs Amount are paid.

6. Liability Of The Escrowee.

Developer acknowledges that the Escrowee is acting solely as a stakeholder at request, that the Escrowee shall not be deemed to be the agent of the Developer or City, and that the Escrowee shall not be liable to either of the Developer or City for any action or omission on its part taken or made in good faith, and not in disregard of this Agreement, but shall be liable for its willful misconduct and negligent acts and for any loss, cost or expense incurred by the Developer or the City resulting from the Escrowee's mistake of law respecting the Escrowee's scope or nature of its duties. The Developer, its successors and/or assigns shall jointly and severally indemnify and hold the Escrowee harmless from and against all costs, claims and expenses, including reasonable attorneys' fees, incurred in connection with the performance of the Escrowee's duties hereunder, except with respect to actions or omissions taken or made by the Escrowee in bad faith, in disregard of this Agreement or involving willful misconduct or negligence on the part of the Escrowee. In the event the Escrowee is directed by the Developer to invest the Minimum Acquisition Costs Amount, the Escrowee shall not be held responsible for any loss of principal or interest which may be incurred as a result of making the directed investments or redeeming said investments at the direction of the Developer.

7. Notices.

8. Execution In Counterparts.

This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, and all of such counterparts shall constitute one Agreement. To facilitate execution of this Agreement, the parties may execute and exchange by telephone facsimile or email counterparts of the signature pages which shall be deemed original signatures for all purposes.

9. Governing Law.

This Agreement shall, in all respects, be governed, construed, applied, and enforced in accordance with the law of the State of Illinois without regard to its choice of laws.

AMENDMENT OF CONVEYANCE OF CITY-OWNED PROPERTY AT 8902 --
8956 S. LOOMIS ST. TO FULL CIRCLE COMMUNITIES, INC.

[O2017-3882]

The Committee on Housing and Real Estate submitted the following report:

CHICAGO, June 28, 2017.

To the President and Members of the City Council:

Your Committee on Housing and Real Estate, for which a meeting was held on June 13, 2017, having had under consideration the ordinance introduced by Alderman Howard Brookins, Jr. on May 24, 2017, this being the amendment of a previously-passed sale of City-owned property at 8902 -- 8956 South Loomis Street, begs leave to recommend that Your Honorable Body *Pass* said ordinance transmitted herewith.

This recommendation was concurred in by a voice vote of all committee members present, with no dissenting votes.

Respectfully submitted,

(Signed) JOSEPH A. MOORE,
Chairman.

On motion of Alderman Mitchell, the said proposed ordinance transmitted with the foregoing committee report was *Passed* by yeas and nays as follows:

Yeas -- Aldermen Moreno, Hopkins, King, Hairston, Sawyer, Mitchell, Harris, Beale, Sadlowski Garza, Thompson, Cárdenas, Quinn, Burke, Lopez, Foulkes, D. Moore, Curtis, O'Shea, Cochran, Brookins, Muñoz, Zalewski, Scott, Solis, Maldonado, Burnett, Ervin, Taliaferro, Reboyras, Santiago, Waguespack, Mell, Austin, Ramirez-Rosa, Villegas, Mitts, Sposato, Laurino, O'Connor, Napolitano, Reilly, Smith, Tunney, Arena, Cappleman, Pawar, Osterman, J. Moore, Silverstein -- 49.

Nays -- None.

Alderman Beale moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

WHEREAS, The City of Chicago (the "City"), a home rule unit of government under Section 6(a), Article VII of the 1970 Constitution of the State of Illinois, has heretofore found and does hereby find that there exists within the City a serious shortage of decent, safe and sanitary rental housing available to persons of low- and moderate-income; and

WHEREAS, The City Council of the City on April 19, 2017, passed that certain ordinance ("Ordinance") relating to the making of a loan to Brainerd Park Apartments Limited Partnership, an Illinois limited partnership (the "Borrower"), of which Brainerd Park GP LLC, an Illinois limited liability company, is the sole general partner (of which Full Circle Communities, Inc., an Illinois not-for-profit corporation ("FCC"), is the managing member and Christian Community Health Center, an Illinois not-for-profit corporation, is a member), in an amount not to exceed \$1,900,000 (the "Loan"), to be funded from multi-family program funds, as more specifically set forth in the Ordinance; and

WHEREAS, The Ordinance authorized the City's conveyance to FCC of 12 vacant, City-owned parcels of real property commonly known as 8902 -- 8956 South Loomis Street, Chicago, Illinois (the "City Property"), for immediate reconveyance to the Borrower; and

WHEREAS, The Ordinance set forth certain conditions precedent to the City's closing on the conveyance of the City Property, including the requirement in paragraph 4 of Section 5(viii) of the Ordinance that FCC obtain a draft No Further Remediation from the Illinois Environmental Protection Agency; and

WHEREAS, FCC has proposed, and the City's Department of Planning and Development has agreed, that in order to facilitate the timely closing of the conveyance of the City Property, the City will not require a draft No Further Remediation letter as a condition to the closing, but rather require receipt of the Illinois Environmental Protection Agency's approval of the Comprehensive Site Investigation Report/Remedial Objectives Report/Remedial Action Plan (CSIR/ROR/RAP) within six months following the closing; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Incorporation Of Recitals. The above recitals are expressly incorporated in and made a part of this ordinance as though fully set forth herein.

SECTION 2. Closing Conditions. Paragraph 4 of Section 5(viii) of the Ordinance is hereby amended and restated to read as follows: "FCC must receive the Illinois Environmental Protection Agency's written approval of the Comprehensive Site Investigation Report/Remedial Objectives Report/Remedial Action Plan (CSIR/ROR/RAP) within six months following the closing, unless such condition is waived, in writing, by the Commissioner of DPD".

SECTION 3. Severance. To the extent that any ordinance, resolution, rule, order or provision of the Municipal Code of Chicago, or part thereof, is in conflict with the provisions of this ordinance, the provisions of this ordinance shall control. If any section, paragraph, clause or provision of this ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this ordinance.

SECTION 4. Effective Date. This ordinance shall be effective as of the date of its passage and approval.

FIRST AMENDMENT TO LEASE AGREEMENT WITH ILLINOIS RETAIL MERCHANTS ASSOCIATION FOR USE OF OFFICE SPACE LOCATED AT 216 BROADWAY, STE. 105, SPRINGFIELD, IL.

[O2017-3955]

The Committee on Housing and Real Estate submitted the following report:

CHICAGO, June 28, 2017.

To the President and Members of the City Council:

Your Committee on Housing and Real Estate, for which a meeting was held on June 13, 2017, having had under consideration the ordinance introduced by Mayor Rahm Emanuel on May 24, 2017, this being the amendment to a lease agreement for office space at 216 Broadway, Suite 105, in Springfield, Illinois, begs leave to recommend that Your Honorable Body *Pass* said ordinance transmitted herewith.

This recommendation was concurred in by a voice vote of all committee members present, with no dissenting votes.

Respectfully submitted,

(Signed) JOSEPH A. MOORE,
Chairman.

On motion of Alderman Mitchell, the said proposed ordinance transmitted with the foregoing committee report was *Passed* by yeas and nays as follows:

Yeas -- Aldermen Moreno, Hopkins, King, Hairston, Sawyer, Mitchell, Harris, Beale, Sadlowski Garza, Thompson, Cárdenas, Quinn, Burke, Lopez, Foulkes, D. Moore, Curtis, O'Shea, Cochran, Brookins, Muñoz, Zalewski, Scott, Solis, Maldonado, Burnett, Ervin, Taliaferro, Reboyas, Santiago, Waguespack, Mell, Austin, Ramirez-Rosa, Villegas, Mitts, Sposato, Laurino, O'Connor, Napolitano, Reilly, Smith, Tunney, Arena, Cappleman, Pawar, Osterman, J. Moore, Silverstein -- 49.

Nays -- None.

Alderman Beale moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. On behalf of the City of Chicago, as tenant, the Commissioner of the Department of Fleet and Facility Management is authorized to execute a First Amendment to Lease with the Illinois Retail Merchants Association, as landlord, for the continued use of approximately 800 square feet of office space located at 216 Broadway, Suite 105, Springfield, Illinois; such First Amendment to Lease to be approved as to form and legality by the Corporation Counsel in substantially the following form:

[First Amendment to Lease immediately follows
Section 2 of this ordinance.]

SECTION 2. This ordinance shall be effective from and after the date of its passage and approval.

First Amendment to Lease referred to in this ordinance reads as follows:

First Amendment To Lease No. 14157.

This First Amendment to Lease (this "Amendment") dated as of _____, 2017 (the "Amendment Execution Date") by and between Illinois Retail Merchants Association, an Illinois nonprofit corporation ("Landlord") and the City of Chicago, an Illinois municipal corporation and home rule unit of government ("Tenant" or "City").

Recitals.

Whereas, Landlord is the owner of the real property more commonly known as 216 Broadway, City of Springfield, County of Sangamon, Illinois (the "Building"); and

Whereas, Tenant leases and occupies approximately 800 square feet of ground floor space in Suite 105 of the Building (the "Premises") under a lease with Landlord dated June 24, 2010 (the "Lease"); and

Whereas, The term of the Lease expired on December 31, 2015, and Tenant continues to occupy the Premises on a month to month basis pursuant to the holdover provision in Section 9.1 of the Lease; and

Whereas, Landlord and Tenant desire to modify certain terms and conditions of the Lease, all on the terms and conditions hereinafter set forth;

Now, Therefore, In consideration of the mutual covenants of the parties herein and other good and valuable consideration, the receipt and sufficiency of which are hereby mutually acknowledged, Landlord and Tenant agree as follows:

1. Definitions.

All capitalized terms used but not defined in this Amendment shall have the same meanings ascribed to them in the Lease.

2. Term.

Landlord and Tenant hereby agree that the expiration date of the Lease is hereby extended to December 31, 2023, unless sooner terminated as set forth in the Lease.

3. Rent.

Tenant shall pay base rent for the Premises in the amount of:

(a) One Thousand Sixty-two and 50/100 Dollars (\$1,062.50) per month for the period beginning on the Amendment Execution Date and ending on December 31, 2017, with said amount being pro-rated on a per diem basis in the event the Amendment Execution Date is not the first day of the month.

(b) One Thousand Seventy-five and no/100 Dollars (\$1,075.00) per month for the period beginning on January 1, 2018 and ending on December 31, 2018.

(c) One Thousand Eighty-seven and 50/100 Dollars (\$1,087.50) per month for the period beginning on January 1, 2019 and ending on December 31, 2019.

(d) One Thousand One Hundred and no/100 Dollars (\$1,100.00) per month for the period beginning on January 1, 2020 and ending on December 31, 2020.

(e) One Thousand One Hundred Twelve and 50/100 Dollars (\$1,112.50) per month for the period beginning on January 1, 2021 and ending on December 31, 2021.

(f) One Thousand One Hundred Twenty-five and no/100 Dollars (\$1,125.00) per month for the period beginning on January 1, 2022 and ending on December 31, 2022.

(g) One Thousand One Hundred Thirty-seven and 50/100 Dollars (\$1,137.50) per month for the period beginning on January 1, 2023 and ending on December 31, 2023.

4. Holdover.

Any holding over by Tenant shall be construed to be a tenancy from month to month only beginning January 1, 2024 with rent at the same rate set forth in Section 3(g) of this Amendment.

5. Insurance.

The Landlord shall procure and maintain at all times, at Landlord's own expense, during the term of this Lease, the insurance coverages and requirements specified below.

The kinds and amounts of insurance required are as follows:

(a) Workers' Compensation And Employer's Liability Insurance.

Workers' Compensation and Employer's Liability Insurance, in accordance with the laws of the State of Illinois covering all Landlord's employees and Employer's Liability coverage with limits of not less than \$100,000 for each accident or illness in connection with work performed by Landlord.

(b) Commercial Liability Insurance (Primary And Umbrella).

Commercial Liability Insurance or equivalent with limits of not less than \$2,000,000 per occurrence, for bodily injury, personal injury, and property damage liability. The City of Chicago is to be named as additional insureds on a primary, noncontributory basis for any liability arising directly or indirectly from this Lease.

(c) Automobile Liability Insurance (Primary And Umbrella).

When any motor vehicles (owned, non-owned and hired) are used in connection with work to be performed by Landlord, the Landlord shall provide Comprehensive Automobile Liability Insurance with limits of not less than \$1,000,000 per occurrence, for bodily injury and property damage caused by such vehicles.

(d) Property Insurance.

Property insurance coverage shall be maintained by the Landlord for full replacement value covering the building in which the Premises is located to protect against loss, damage to or destruction of such building.

The Landlord shall be responsible for all loss or damage to personal property (including but not limited to materials, equipment, tools and supplies), owned or rented, by the Landlord.

6. Other Terms Of Insurance.

Within 30 days after receipt of written request from Tenant, the Landlord will furnish the City of Chicago, Department of Fleet and Facility Management, Office of Real Estate Management, 30 North LaSalle Street, Suite 300, Chicago, Illinois 60602, a Certificate of Insurance evidencing the required coverage to be in force on the date of this Lease. The Landlord shall submit evidence on insurance prior to the commencement of the term. The receipt of any certificates does not constitute agreement by the City that the insurance requirements in the Lease have been fully met or that the insurance policies indicated on the certificate are in compliance with all Lease requirements. The failure of the City to obtain certificates or other insurance evidence from Landlord shall not be deemed to be a waiver by the City. Nonconforming insurance shall not relieve Landlord of its obligation to provide Insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Lease.

The Insurance shall provide that should any of the applicable policies be canceled before the expiration date thereof, the issuing insurer will endeavor to mail 60 days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed but failure to do so shall impose no obligation or liability of any kind upon the insurer, its agents or representatives.

Any and all deductibles or self-insured retentions on referenced insurance coverages shall be borne by Landlord.

The Landlord agrees that Landlord shall waive the right of subrogation against the City of Chicago.

The Landlord expressly understands and agrees that any coverages and limits furnished by Landlord shall in no way limit the Landlord's liabilities and responsibilities specified within the Lease documents or by law.

The Landlord expressly understands and agrees that any insurance or self-insurance programs maintained by the City of Chicago shall apply in excess of and not contribute with insurance provided by the Landlord under the lease.

The required insurance shall not be limited by any limitations expressed in the indemnification language herein or any limitation placed on the indemnity therein given as a matter of law.

7. Notice.

All notices, demands and requests which may be or are required to be given demanded or requested by either party to the other shall be in writing. All notices,

demands and requests by Landlord to Tenant shall be delivered by national overnight courier or shall be sent by United States registered or certified mail, return receipt requested, postage prepaid addressed to Tenant as follows:

Department of Fleet and Facility Management
Office of Real Estate Management
City of Chicago
30 North LaSalle Street, Suite 300
Chicago, Illinois 60602

or at such other place as Tenant may from time to time designate by written notice to Landlord and to Tenant at the Premises. All notices, demands, and requests by Tenant to Landlord shall be delivered by a national overnight courier or shall be sent by United States registered or certified mail, return receipt requested, postage prepaid, addressed to Landlord as follows:

Tonya Triche Dawood
Illinois Retail Merchants Association
216 West Jackson Boulevard, Suite 915
Chicago, Illinois 60606

or at such other place as Landlord may from time to time designate by written notice to Tenant. Any notice, demand or request which shall be served upon Landlord by Tenant, or upon Tenant by Landlord, in the manner aforesaid, shall be deemed to be sufficiently served or given for all purposes hereunder at the time such notice, demand or request shall be mailed.

8. Hiring Plan Prohibitions.

(i) The City is subject to the June 16, 2014 "City of Chicago Hiring Plan", as amended (the "2014 City Hiring Plan") entered in *Shakman v. Democratic Organization of Cook County*, Case Number 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the 2014 City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(ii) Landlord is aware that City policy prohibits City employees from directing any individual to apply for a position with Landlord, either as an employee or as a subcontractor, and from directing Landlord to hire any individual as an employee or as a subcontractor. Accordingly, Landlord must follow its own hiring and contracting procedures, without being influenced by City or City employees. Any and all personnel provided by Landlord under this Lease are employees or subcontractors of Landlord, not employees of the City. This Lease is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Landlord.

(iii) Landlord will not condition, base, or knowingly prejudice or affect any term or aspect of the employment of any personnel provided under this Lease, or offer employment to any individual to provide services under this Lease, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Lease, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(iv) In the event of any communication to Landlord by a City employee or City official in violation of paragraph (ii) above, or advocating a violation of paragraph (iii) above, Landlord will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("OIG Hiring Oversight"), and also to the head of the relevant City department utilizing services provided under this Lease. Landlord will also cooperate with any inquiries by OIG Hiring Oversight.

9. Reaffirmation Of Lease.

Except to the extent expressly set forth in this Amendment, all of the terms and conditions of the Lease shall remain in full force and effect and are hereby ratified and affirmed. If there is any conflict between the terms and provisions of the Lease and the terms and provisions of this Amendment, the terms and provisions of this Amendment shall control.

10. Governing Law And Severability.

This Amendment shall be governed by and construed in accordance with the laws of the State of Illinois. In the event that any provision of this Amendment shall at any time be found to be invalid or otherwise rendered unenforceable, such provision shall be limited to the extent necessary to render the same valid, or shall be excised from this Amendment, as the circumstances require, and this Amendment shall be construed as if said provision had been incorporated herein as so limited or as if said provision had not been included herein, as the case may be.

11. Counterparts.

This Amendment may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. This Amendment may be executed and delivered via email or PDF.

12. Effectiveness.

This Amendment is not effective unless and until the same is signed and delivered by both Tenant and Landlord.

In Witness Hereof, The parties hereto have caused this Amendment to be duly executed on the date first written above.

COMMITTEE ON HUMAN RELATIONS.

AMENDMENT OF TITLE 2 OF MUNICIPAL CODE BY ADDING NEW CHAPTER 2-178 ENTITLED "PROHIBITION ON PARTICIPATION IN REGISTRY PROGRAMS".

[O2017-3887]

The Committee on Human Relations submitted the following report:

CHICAGO, June 28, 2017.

To the President and Members of the City Council:

Your Committee on Human Relations to which was referred an ordinance by Mayor Rahm Emanuel, together with Alderman Laurino (39), Alderman Reboyras (30) and Alderman J. Moore (49), amending Municipal Code Title 2 by adding new Chapter 2-178 entitled "Prohibition on Participation in Registry Programs", having the same under advisement, begs leave to report and recommend that Your Honorable Body *Pass* the proposed ordinance transmitted herewith.

This recommendation was concurred in by a unanimous vote of the members of the committee present, with no dissenting votes.

Respectfully submitted,

(Signed) JASON C. ERVIN,
Vice-Chairman.

On motion of Alderman Ervin, the said proposed ordinance transmitted with the foregoing committee report was *Passed* by yeas and nays as follows:

Yeas -- Aldermen Moreno, Hopkins, King, Hairston, Sawyer, Mitchell, Harris, Beale, Sadlowski Garza, Thompson, Cárdenas, Quinn, Burke, Lopez, Foulkes, D. Moore, Curtis, O'Shea, Cochran, Brookins, Muñoz, Zalewski, Scott, Solis, Maldonado, Burnett, Ervin, Taliaferro, Reboyras, Santiago, Waguespack, Mell, Austin, Ramirez-Rosa, Villegas, Mitts, Sposato, Laurino, O'Connor, Napolitano, Reilly, Smith, Tunney, Arena, Cappleman, Pawar, Osterman, J. Moore, Silverstein -- 49.

Nays -- None.

Alderman Beale moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

WHEREAS, The City of Chicago ("City") is a home rule municipality as described in Section 6(a), Article VII of the 1970 Constitution of the State of Illinois and, as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, The current presidential administration has threatened to create national registries of residents based on various demographic factors in response to an unsubstantiated threat that these residents may pose; and

WHEREAS, Since January, the presidential administration has issued executive orders seeking to bar travel from certain countries based on religion and country of origin; and

WHEREAS, It is reasonable to believe that the presidential administration will follow through on its threat to develop national registries; and

WHEREAS, Such registries have been used as a prelude for discriminatory acts, and have been used to carry out religious persecution, hate crimes, and genocide; and

WHEREAS, Such registries would not contribute to the health, safety, and morals of the City of Chicago; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The foregoing recitals are adopted and are incorporated into and made a part of this ordinance.

SECTION 2. Title 2 of the Municipal Code of Chicago is hereby amended by creating a new Chapter 2-178, as follows:

Chapter 2-178.

Prohibition On Participation In Registry Programs.

2-178-010 Definitions.

For purposes of this chapter, the following definitions apply:

"Agency" means every City department, agency, division, commission, council, committee, board, or other body established by authority of an ordinance or executive order.

"Agent" means any person employed by or acting on behalf of an Agency.

“Personal Demographic Information” means information concerning a person’s race, color, gender identity, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military status, source of income, credit history (within the meaning of Section 2-160-053) or criminal record or criminal history (within the meaning of Section 2-160-054) that can be used to contact, track, locate, identify, or reasonably infer the identity of, a specific individual.

“Registry Program” means a public, private, or joint public-private initiative intended to create a compilation of Personal Demographic Information stored in any form. “Registry Program” does not include the decennial census mandated by Article I, Section 2 of the United States Constitution.

2-178-020 Prohibition On Participation In A Registry Programs.

(a) No Agent or Agency shall use City monies, facilities, property, equipment, or personnel to participate in or provide support in any manner for the creation, publication, or maintenance of a Registry Program.

(b) Notwithstanding any other law, no Agent or Agency shall provide or disclose to any government authority Personal Demographic Information regarding any individual that is requested for the purpose of (1) creating a Registry Program; or (2) requiring registration of persons in a Registry Program. This includes a prohibition on making available Personal Demographic Information from any Agency database for such purposes, and includes any City database maintained by a private vendor under contract with the City.

(c) Nothing in this chapter prohibits an Agent or Agency from sending to, or receiving from, any local, state, or federal agency, aggregate information concerning Personal Demographic Information where such information cannot be used to identify individual persons.

(d) Nothing in this chapter prohibits an Agent or Agency from sending to, or receiving from, a federal agency charged with enforcement of federal immigration law information regarding an individual’s citizenship or immigration status, lawful or unlawful. “Information regarding an individual’s citizenship or immigration status, lawful or unlawful” for purposes of this chapter, shall be interpreted consistently with Section 1373 of Title 8 of the United States Code.

(e) Nothing in this chapter prohibits an Agent or Agency from creating or maintaining a database that contains Personal Demographic Information where such information is collected for purposes of complying with anti-discrimination laws or laws regarding the administration of public benefits, or for purposes of ensuring City programs adequately serve the City’s communities, or where the City collects this information to administer or ensure equal access to City services, benefits, contracts, and programs. For purposes of this subsection, “programs” includes permits, licenses, and other regulatory programs.

SECTION 3. This ordinance shall take full force and effect upon passage and publication.

REAFFIRMATION OF COMMITMENT TO PREVENT DISCRIMINATION AGAINST ANY AND ALL PERSONS AND RESTRICTION OF NON-ESSENTIAL CITY-FUNDED EMPLOYEE TRAVEL BY EMPLOYEES REPRESENTING CITY OF CHICAGO TO STATE OF NORTH CAROLINA.

[R2017-291]

The Committee on Human Relations submitted the following report:

CHICAGO, June 28, 2017.

To the President and Members of the City Council:

Your Committee on Human Relations to which was referred a resolution by Mayor Rahm Emanuel reaffirming the commitment to restrict non-essential City-funded employee travel to State of North Carolina, having the same under advisement, begs leave to report and recommend that Your Honorable Body *Adopt* the proposed resolution transmitted herewith.

This recommendation was concurred in by a unanimous vote of the members of the committee present, with no dissenting votes.

Respectfully submitted,

(Signed) JASON C. ERVIN,
Vice-Chairman.

On motion of Alderman Ervin, the said proposed resolution transmitted with the foregoing committee report was *Adopted* by yeas and nays as follows:

Yeas -- Aldermen Moreno, Hopkins, King, Hairston, Sawyer, Mitchell, Harris, Beale, Sadlowski Garza, Thompson, Cárdenas, Quinn, Burke, Lopez, Foulkes, D. Moore, Curtis, O'Shea, Cochran, Brookins, Muñoz, Zalewski, Scott, Solis, Maldonado, Burnett, Ervin, Taliaferro, Reboyras, Santiago, Waguespack, Mell, Austin, Ramirez-Rosa, Villegas, Mitts, Sposato, Laurino, O'Connor, Napolitano, Reilly, Smith, Tunney, Arena, Cappleman, Pawar, Osterman, J. Moore, Silverstein -- 49.

Nays -- None.

Alderman Beale moved to reconsider the foregoing vote. The motion was lost.

The following is said resolution as adopted:

WHEREAS, The City of Chicago is, and shall remain, a welcoming city for all, espousing the values of tolerance and inclusion, and a commitment to protecting all persons from discrimination regardless of sexuality or gender identity; and

WHEREAS, Chicago has established itself as a national leader in protecting the civil rights and liberties of those in the LGBTQ community, including prohibitions on discrimination on the basis of gender identity in the Human Rights Ordinance and Fair Housing Ordinance, and legislation prohibiting the Police Department from profiling based on gender identity; and

WHEREAS, In February of 2016, Charlotte, North Carolina passed an ordinance that expanded protections based on sexual orientation and gender identity, including allowing transgender individuals to use the public restroom that corresponds to their gender identity; and

WHEREAS, In response, Governor Pat McCrory, a former Mayor of Charlotte, characterized the ordinance as a threat to public safety. The North Carolina General Assembly convened a special session for the sole purpose of undoing Charlotte's anti-discrimination ordinance and barring any other North Carolina governmental body from enacting similar protections; and

WHEREAS, With unusual haste, in a single day the North Carolina General Assembly introduced, twice amended, and passed House Bill 2 by an overwhelming majority vote in its House of Representatives and unanimously in its Senate. On the same day, Governor Pat McCrory signed House Bill 2 into law; and

WHEREAS, This newly enacted law overturned Charlotte's anti-discrimination ordinance, prohibited other local government entities from enacting their own similar protections, and imposed unfair restrictions on recognition of gender identity and restroom use; and

WHEREAS, National reaction to North Carolina's regressive and short-sighted new law was swift and substantial, with many businesses, associations, and event organizers refusing to do business in the state, and leading to the loss of thousands of new jobs and millions of dollars in business opportunities. Because of this unified action, North Carolina faces a projected economic loss of nearly \$4 billion by 2028 according to the Associated Press. The City of Chicago joined in this response, restricting any non-essential City-funded or other travel by an employee representing the City of Chicago to the State of North Carolina; and

WHEREAS, In March of 2017, North Carolina's General Assembly partially repealed the discriminatory law, but still failed to account for the rights of the broader LGBTQ community. North Carolina's local governments and municipalities still cannot pass their own anti-discrimination laws, and the new provisions continue to make it difficult for the transgender community to access restrooms consistent with their gender identity; and

WHEREAS, Until North Carolina acknowledges the rights of the LGBTQ community and treats all individuals fairly, Chicago will continue to restrict travel to North Carolina; now, therefore,

Be It Resolved, That we, the Mayor and the members of the City Council, assembled this 19th day of April 2017, reaffirm our commitment to preventing discrimination against any and all persons, and will continue to restrict all non-essential City-funded or other travel by an employee representing the City of Chicago to the State of North Carolina; and

Be It Further Resolved, That the City of Chicago encourages the State of North Carolina to embrace the diversity of its residents, including all members of the LGBTQ community, and to adopt laws and policies embracing tolerance and inclusion, rather than oppression and division; and

Be It Further Resolved, That the City of Chicago celebrates diversity, and extends a message to all persons suffering under the negative effects of North Carolina's discriminatory laws and policies that you are welcome here; and

Be It Further Resolved, That the Clerk of the City of Chicago shall transmit suitable copies of this resolution to Governor Roy Cooper; Lieutenant Governor Dan Forest, President of the North Carolina Senate; Representative Tim Moore, Speaker of the North Carolina House of Representatives; S. Lewis Ebert, President and CEO of the North Carolina Chamber; and Chris Sgro, Executive Director of Equality North Carolina.

CALL UPON GOVERNOR BRUCE RAUNER TO SIGN HOUSE BILL 3711 AND RESTORE ILLINOIS STATE HATE CRIMES COMMISSION.

[R2017-460]

The Committee on Human Relations submitted the following report:

CHICAGO, June 28, 2017.

To the President and Members of the City Council:

Your Committee on Human Relations to which was referred a resolution by Alderman Pat Dowell (3) and others, urging Governor Bruce Rauner to sign House Bill 3711 and to restore the Illinois State Hate Crimes Commission, having the same under advisement, begs leave to report and recommend that Your Honorable Body *Adopt* the proposed resolution transmitted herewith.

This recommendation was concurred in by a unanimous vote of the members of the committee present, with no dissenting votes.

Respectfully submitted,

(Signed) JASON C. ERVIN,
Vice-Chairman.

On motion of Alderman Ervin, the said proposed resolution transmitted with the foregoing committee report was *Adopted* by yeas and nays as follows:

Yeas -- Aldermen Moreno, Hopkins, King, Hairston, Sawyer, Mitchell, Harris, Beale, Sadlowski Garza, Thompson, Cárdenas, Quinn, Burke, Lopez, Foulkes, D. Moore, Curtis, O'Shea, Cochran, Brookins, Muñoz, Zalewski, Scott, Solis, Maldonado, Burnett, Ervin, Taliaferro, Reboyas, Santiago, Waguespack, Mell, Austin, Ramirez-Rosa, Villegas, Mitts, Sposato, Laurino, O'Connor, Napolitano, Reilly, Smith, Tunney, Arena, Cappleman, Pawar, Osterman, J. Moore, Silverstein -- 49.

Nays -- None.

Alderman Beale moved to reconsider the foregoing vote. The motion was lost.

The following is said resolution as adopted:

WHEREAS, The City of Chicago is home to a diverse range of persons of various national origin, ability, sexual orientation, gender identity, and ethnic, racial, and religious backgrounds; and

WHEREAS, Hate crimes against such persons and communities in the City have risen at an alarming rate of 20 percent in 2016, reaching the highest frequency in five years; and

WHEREAS, The City seeks to protect the lives and property of its residents in its own capacity and by promoting the safety of those groups throughout our state and nation; and

WHEREAS, The increase in hate crimes must be addressed through a statewide, multifaceted approach; and

WHEREAS, An active Illinois State Commission on discrimination and hate crimes serves an important role in combatting these discriminatory, unlawful acts; and

WHEREAS, Governor Rauner has not yet appointed persons to fill the 20 vacant positions required for a fully functioning commission; and

WHEREAS, The restoration of the commission is vital in bringing community leaders and advocates together to work toward solutions to reverse the troublesome trend of hate crimes in the State of Illinois and the City; and

WHEREAS, Legislation strengthening the current hate crimes law passed in the State of Illinois 100th General Assembly, in the form of House Bill 3711, and awaits the Governor's signature; and

WHEREAS, House Bill 3711 expands the reach of protection from hate crimes, provides the attorney general with civil enforcement authority, ensures all victims of hate crimes a civil remedy, and allows judges to impose civil penalties, bolstering the effect of the Illinois Hate Crimes Act; and

WHEREAS, This legislative effort provides adequate protection and appropriate remedies for victims, while creating measures to deter the engagement in such acts, which furthers the mission of decreasing incidences of hate crimes; and

WHEREAS, The restoration of the commission and the enactment of House Bill 3711 are necessary steps toward ensuring the welfare and safety of marginalized groups and the security of all residents of the City; now, therefore,

Be It Resolved, That we, the Mayor and members of the City Council of the City of Chicago, assembled this 28th day of June 2017, do hereby urge the governor to restore the Illinois State Hate Crimes Commission and sign House Bill 3711 into law; and

Be It Further Resolved, That a suitable copy of this resolution be delivered to the governor of the State of Illinois as a sign of our commitment to combatting the issue of hate crimes in our communities.

COMMITTEE ON LICENSE AND CONSUMER PROTECTION.

APPOINTMENT OF ROSA ESCARENO AS COMMISSIONER OF BUSINESS AFFAIRS AND CONSUMER PROTECTION.

[A2017-42]

The Committee on License and Consumer Protection submitted the following report:

CHICAGO, June 28, 2017.

To the President and Members of the City Council:

Your Committee on License and Consumer Protection, having under consideration a communication introduced by Mayor Rahm Emanuel (which was referred on May 24, 2017), appointing Rosa Escareno as Commissioner of Business Affairs and Consumer Protection, begs leave to recommend that Your Honorable Body *Approve* the appointment which is transmitted herewith.

This recommendation was concurred in by a viva voce vote of the members of the committee on June 21, 2017.

Respectfully submitted,

(Signed) EMMA MITTS,
Chairman.

On motion of Alderman Mitts, the committee's recommendation was *Concurred In* and the said proposed appointment of Rosa Escareno as Commissioner of Business Affairs and Consumer Protection was *Approved* by yeas and nays as follows:

Yeas -- Aldermen Moreno, Hopkins, King, Hairston, Sawyer, Mitchell, Harris, Beale, Sadlowski Garza, Thompson, Cárdenas, Quinn, Burke, Lopez, Foulkes, D. Moore, Curtis, O'Shea, Cochran, Brookins, Muñoz, Zalewski, Scott, Solis, Maldonado, Burnett, Ervin, Taliaferro, Reboyras, Santiago, Waguespack, Mell, Austin, Ramirez-Rosa, Villegas, Mitts, Sposato, Laurino, O'Connor, Napolitano, Reilly, Smith, Tunney, Arena, Cappleman, Pawar, Osterman, J. Moore, Silverstein -- 49.

Nays -- None.

Alderman Beale moved to reconsider the foregoing vote. The motion was lost.

At this point in the proceedings, the Honorable Rahm Emanuel, Mayor, rose and extended congratulations to Rosa Escareno on the approval of her appointment as Commissioner of Business Affairs and Consumer Protection. Lauding Ms. Escareno for her experience and dedication, Mayor Emanuel expressed his support for and confidence in Ms. Escareno as she leads the department to the next level of professionalism.

(a) Definitions. As used in this article:

"Commissioner" means the Commissioner of the Department of Business Affairs and Consumer Protection, or the Commissioner's designee.

"Department" means the Department of Business Affairs and Consumer Protection.

"Licensee" means the operator of a massage establishment.

"Massage" means a system of structured palpation or movement of the soft tissue of the body, as defined by the Illinois Massage Licensing Act, 225 ILCS 57/10. For purposes of this article, "massage" does not include a foot or chair massage performed while the recipient is fully clothed.

"Massage establishment" means any place of business that advertises or offers massage services or where any person, for any consideration whatever, engages in the practice of massage as defined above, but does not include any hospitals, nursing homes, facilities or offices at which a health care worker duly licensed by the State of Illinois provides, on an ongoing basis, professional health services to individuals, including but not limited to as services permitted by the Illinois Occupational Therapy Practice Act, 225 ILCS 75/1, et seq.; the Illinois Physical Therapy Act, 225 ILCS 90/1, et seq.; the Medical Practice Act, 225 ILCS 60/1, et seq.; or the Illinois Naprapathic Practice Act, 225 ILCS 63/1, et seq.

"Massage therapist" means any person who, for any consideration whatever, engages in the practice of massage as above defined, and who is subject to regulation by the Illinois Department of Finance and Professional Regulation under the Illinois Massage Licensing Act, 225 ILCS 57.

"Person" has the same meaning as ascribed to that term in Section 1-4-090(e).

"Sexual or genital area" of any person shall include the male or female genitals, pubic area, anus, or perineum of any person, or the vulva or breasts of a female.

(b) Application.

(1) Procedure.

Every applicant for a license to maintain, operate or conduct a massage establishment shall file an application, under oath, with the Department. The Department shall advise the applicant in writing as to whether the application has been granted or denied. If the application is denied or held for further investigation, the Department shall advise the applicant in writing of the reason for such denial or hold.

The failure or refusal of the applicant to promptly give any information relevant to the investigation of the application, or the submission of false, misleading or incomplete information on the application, or the refusal or failure of applicant to appear at any reasonable time and place for examination under oath regarding said application, or the refusal of applicant to submit to or cooperate with any inspection required under this code, shall be grounds for denial of the application.

(2) Application Contents.

The application for a license to operate a massage establishment shall set forth the exact nature of the massage to be administered and the proposed place and facilities thereof. An application for such a license shall be made in conformity with the general requirements of this code relating to license. The application shall be signed under oath by the owner of the business for which a license is sought. If the owner is a corporation, the application shall be signed by an authorized officer of the corporation. If the owner is a partnership, the application shall be signed by a partner.

In addition thereto, any applicant for a license, and each partner or limited partner of an applicant, if a partnership applicant, and each officer and director of a corporate applicant and any stockholder of a corporate applicant holding more than five percent of the stock of the corporate applicant, shall furnish the following information:

(A) written proof that the applicant, and any other person involved, directly or indirectly, in the massage establishment business, with the exception of massage therapist(s) licensed by the Illinois Department of Financial and Professional Regulation, is at least 18 years of age;

(B) the business, occupation, or employment of each applicant for the three years immediately preceding the date of application;

(C) the previous experience of the applicant in massage or similar business;

(D) whether the applicant has had any license denied, revoked or suspended in the City of Chicago or any other state or city for a massage establishment, the reason therefor, and the business activity or occupation of the applicant subsequent to such suspension, revocation or denial;

(E) (i) any conviction, forfeiture of bond, or plea of nolo contendere upon any criminal violation at any time; or (ii) any municipal ordinance violation (except minor traffic violations), within a five-year period;

(F) if the applicant is a corporation, or a partner of any partnership is a corporation then the names of the corporation shall be set forth exactly as shown in the articles, together with the state of incorporation and proof of authority to do business in the State of Illinois;

(G) each applicant's current residential telephone number; and

(H) the name and address of the owner of the premises. If the premises are leased: (a) a copy of the lease; (b) the name, address and telephone number of the owner of the premises, including the name and address of the beneficiary if title to the premises is held by a person as trustee and if known to the applicant; (c) the name, address and telephone number of the manager of the premises.

If a change in any information required under this section occurs at any time during a license period, the Licensee shall file statement, executed in the same manner as an application, indicating the nature and effective date of the change. The supplemental statement shall be filed within ten days after the change takes effect. The Commissioner shall take measures to prevent disclosure of information required under this section and not subject to disclosure under the Illinois Freedom of Information Act to persons outside the government.

(3) Issuance Conditions And Term.

No license shall be issued under this article if the Department shall find:

(A) that the operation of the massage establishment as proposed by the applicant, if permitted, would not comply with the applicable laws of the State of Illinois and the City of Chicago, including but not limited to the building, health, housing, fire prevention and zoning codes of the City of Chicago; or

(B) that the applicant or any other person who shall be directly or indirectly engaged in the management and operation of the massage establishment has been found to have violated Section 4-6-320(c)(1)(C) or (E); former Section 4-92-047(c) or (e); or has been convicted of (a) any offense involving sexual misconduct with children, or (b) any provision of 720 ILCS 5/10-9 or Article 11 of Chapter 720 of the Illinois Compiled Statutes, or (c) any other felony unless upon request of such person, the Commissioner determines that such person has been substantially rehabilitated to warrant the public trust. The burden of such substantial rehabilitation shall be on the person seeking such rehabilitation. The rehabilitation procedure shall apply only to subsection (B) of this section; or

(C) that the operation of the massage establishment as proposed by the applicant, if permitted, would violate the provisions of this article.

(4) Fee.

The fee for each license issued pursuant to this article shall be as set forth in Section 4-5-010 of this code.

(c) Legal Duties.

Any Licensee engaged in the business of massage establishments and massage services shall have a duty to abide by the following:

(1) Operating Requirements.

(A) Every portion of the massage establishment, including appliances and apparatus, shall be kept clean and operated under sanitary conditions.

(B) Price rates for all services shall be prominently posted in the reception area in a location available to all prospective customers or provided to prospective customers as a written price list.

(C) (i) All massage establishments shall require their employees, agents and independent contractors to wear clean, nontransparent outer garments covering their sexual and genital areas while on the premises, and no massage establishment shall allow its employees, agents, and independent contractors to disrobe, or offer or agree to disrobe, either wholly or partially, while on the premises. Any such failure to be or remain clothed, or offer or agreement to disrobe, is a violation of this article for which the Licensee is strictly liable for purposes of license revocation and suspension, (ii) The sexual or genital areas of all customers shall be covered at all times when in the presence of an employee, agent, or independent contractor; provided, however, that such areas may be uncovered during clinical massage therapy for post-mastectomy scar tissue, including myofascial release therapy, or of therapeutic treatment of breast tissue and muscles for pre- and post-surgical mastectomy, lumpectomy, or breast reconstruction; clinical perineal massage therapy for pregnant women to ease the pain of childbirth; or clinical lower abdominal massage therapy to relieve menstruation-related pain.

(D) All massage establishments shall be provided with clean laundered sheets and towels in sufficient quantity which shall be laundered after each use thereof and stored in a sanitary manner.

(E) No massage establishment shall allow its employees, agents and independent contractors to touch, or offer or agree to touch, the sexual or genital area of any person while on its premises and any such touching, offer or agreement is a violation of this article for which the Licensee is strictly liable for purposes of license revocation and suspension; provided, however, that clinical massage therapy practices for post-mastectomy scar tissue, including myofascial release therapy, or of therapeutic treatment of breast tissue and muscles for pre- and post-surgical mastectomy, lumpectomy, or breast reconstruction; clinical perineal massage therapy for pregnant women to ease the pain of childbirth; and clinical lower abdominal massage therapy to relieve menstruation-related pain are not prohibited.

(F) All walls, ceilings, floors, pools, showers, baths and steam rooms and any other physical facilities shall be in good repair, and maintained in a clean and sanitary condition.

(G) Oils, creams, lotions and other preparations used in administering massages shall be kept in clean, closed containers or cabinets.

(H) All licensees shall maintain, as a business record of the licensed massage establishment, a record of (i) the date and time of all massage services at the premises, (ii) the person giving such services, and (iii) the amounts received for such services. The record of the date, time and service provider must be made before services are initiated and the record of the amount received must be made at the

time payment is made. Such a record for the past year's services shall be available at the premises, in a format that can be inspected at any reasonable time upon request of the Commissioner.

(I) All massage establishments are required to have and maintain clear glass, which is not painted over, darkened or blocked by any cloth or obstruction, at the entrance to such establishment so that the front area where patrons are greeted is visible from the outside. A massage establishment located in a facility that does not have glass on the front of the premises is required to notify the Department in writing.

(J) No Licensee, manager, or person in charge of a massage establishment shall permit a person under the influence of intoxicating liquor or narcotic drugs to enter or remain in a massage establishment, or to provide or receive a massage.

(K) It shall be unlawful for any massage establishment to have any entrance or exit way providing a direct passageway to any residence.

(L) A sign shall be posted in a prominent location near the main entrance of the massage establishment identifying the establishment as a massage therapy establishment and stating its trade or business name as it appears on its permit application.

(M) Every massage establishment shall provide prospective customers with written notice stating:

State law prohibits soliciting another for the purpose of a sexual act. Solicitation can be punishable as a Class 4 felony, subjecting an offender to fines and imprisonment, and impoundment of any vehicle used by the offender to commit the offense. We immediately report all offers or requests to buy sexual services to law enforcement.

(2) Premises.

(A) No massage establishment shall receive a license or be operated, established or maintained unless the establishment shall comply with each of the following minimum regulations:

(i) All massage tables, lavatories and floors shall have surfaces which may be readily disinfected.

(ii) Toilet facilities shall be provided within the massage establishment, or within the facility that includes the massage establishment and otherwise complies with occupancy requirements. Lavatories shall be provided with both hot and cold running water and shall be installed in the toilet room. Lavatories shall be provided with soap and a dispenser with sanitary towels. Toilet facilities available for public use at Chicago O'Hare and Chicago-Midway International Airports shall be considered as compliance with the toilet facilities requirement of this section by a massage establishment located within either airport.

(iii) Closed cabinets shall be provided for use in the storage of clean linens, towels and other materials used in administering massages. All soiled linens, towels and other materials shall be kept in properly covered containers or cabinets which shall be kept separate from the clean storage areas.

(B) Subsections (A)(ii) and (A)(iii) of this section shall not apply to a massage establishment where all massages are administered to patrons who are fully clothed and without the application of oils, creams, lotions or other liquids to the body of any patron.

(3) Employment Of Licensed Massage Therapists.

(A) Massage establishments may not employ or contract with any person as a massage therapist who does not hold a current, valid license issued by the Illinois Department of Financial and Professional Regulation, as required by the Massage Licensing Act, 225 ILCS 57, et seq., which license may not have been suspended, revoked, or temporarily suspended by the Department under that Act. Upon receiving notice or constructive notice that a massage therapist has been disciplined, or is subject to investigation, by the Department, it is the affirmative responsibility of the Licensee to obtain information from the Department as to the status of that investigation, disciplinary proceeding, or discipline imposed.

(B) Each massage establishment shall maintain a current listing of all licensed massage therapists who perform massage services at the site of the establishment and proof of their valid and current Illinois licensure in the form of (1) a copy of the massage therapist license issued by the Illinois Department of Financial and Professional Regulation and (2) a copy of a state-issued photo identification for each massage therapist Licensee. The massage establishment must allow inspection of such records at any reasonable time upon request of the Commissioner.

(C) No Licensee may allow a non-licensed massage therapist to perform massage therapy at the massage establishment, and no student or other unlicensed person may be permitted in a massage therapy room with a patron of the massage establishment, except where a licensed massage therapist is present in the room at all times.

(4) License -- Display.

Each Licensee shall display a valid current license in a conspicuous place within the massage establishment so that the same may be readily seen by persons entering the establishment.

(5) Advertising.

All advertisements shall contain the number of the city license held by the massage establishment.

(d) Prohibited Acts.

It shall be unlawful for any Licensee engaged in the business of massage establishments and massage services to:

(1) depict, place, publish, distribute or cause to be depicted, placed, published or distributed any advertising matter that suggests to prospective patrons that any services are available that would constitute a felony or misdemeanor under federal, state or city law or would otherwise violate the Municipal Code of the City of Chicago;

(2) employ any person who is not at least 18 years of age, with the exception of any licensed massage therapist whose age is regulated by the Illinois Massage Licensing Act;

(3) transfer a license for the operation of a massage establishment.

(e) Penalty.

(1) Violation -- License Suspension Or Revocation.

Any license issued for a massage establishment may be revoked or suspended by the Commissioner after a hearing, for a good cause. Cause for revocation or suspension shall include any violation of the provisions of this article or of any criminal statute of the State of Illinois by the Licensee, or by any employee, partner, agent or independent contractor of the Licensee while at the massage establishment. For purposes of massage establishment license revocation and suspension, the Licensee shall be strictly liable for such violations, regardless of actual or constructive knowledge. It shall also be cause for revocation or suspension that the applicant has made a false statement on any application for license under this article, or that the Licensee shall have violated any of the provisions of this Code or any of the statutes of the state, or that the Licensee refused to permit any authorized member of the Department, Police Department, Department of Buildings, Department of Health, or Fire Department of the City of Chicago to inspect the premises or the operations thereof at reasonable times.

When any license shall have been revoked for any cause, no license shall be granted to any person for the period of two years thereafter for the conduct of a massage establishment in the premises described in such revoked license, and no

massage establishment license shall be granted, and any massage establishment license may be revoked or suspended, for any other premises in the city with respect to the person whose license was revoked for cause, for the period of two years thereafter. Such prohibition, revocation or suspension shall apply also to the spouse, business partner, or any person who holds more than a ten percent ownership interest in that Licensee.

(2) Violation -- Penalty.

Any person who violates any section of this article shall upon conviction thereof be punished by a fine of not less than \$500.00 nor more than \$5,000.00 for each offense, and shall be punished as a misdemeanor for each subsequent offense by incarceration in the county jail for a term not to exceed six months under procedures set forth in Section 1-2-1.1 of the Illinois Municipal Code, 65 ILCS 5/1-2-1.1, as amended, or by both fine and imprisonment except, however, that any violation of Section 4-6-320(c)(1)(B), (D), (E), or (F) shall be a misdemeanor punishable by incarceration in the county jail for a term not less than five days and not to exceed six months.

It shall be an affirmative defense to penalties under this article for an employee or massage therapist that the employee or massage therapist was under duress or was coerced into violating any provision of this article. A victim of trafficking in persons, pursuant to relevant state or federal laws, shall not be deemed criminally liable for any violation of this ordinance committed as a direct result of, or incident related to, being trafficked. Where such affirmative defense is applicable, to an employee or massage therapist, such affirmative defense shall not apply to the Licensee if the Licensee participated in creating such coercion or duress, or knew or should have known of the existence of such coercion or duress.

(f) Regulation.

The Department shall inspect each massage establishment seeking a license under the provisions of this article for purposes of determining compliance with this article. As a condition of issuance of such license, the massage establishment consents to walk-through inspections by authorized City employees and the Police Department, without notice, at any time during business hours. It shall be unlawful for any Licensee to fail to allow such inspection officer access to the premises or to hinder such inspection officer in any manner.

SECTION 4. This ordinance shall be in full force and effect 90 days following passage and publication.

AMENDMENT OF SECTION 4-8-037 OF MUNICIPAL CODE TO PROHIBIT
OPERATION OF MOBILE PREPARED FOOD VENDORS ON PORTIONS OF
S. LAWNSDALE AVE. AND S. CICCERO AVE.

[SO2017-3865]

The Committee on License and Consumer Protection submitted the following report:

CHICAGO, June 28, 2017.

To the President and Members of the City Council:

Your Committee on License and Consumer Protection, having under consideration a substitute ordinance introduced by Alderman Derrick Curtis (which was referred on May 24, 2017), to amend Section 4-8-037 of the Municipal Code of Chicago prohibiting operation of mobile prepared food vendors in portions of the 18th Ward, begs leave to recommend that Your Honorable Body *Pass* the substitute ordinance which is transmitted herewith.

This recommendation was concurred in by a viva voce vote of the members of the committee on June 21, 2017.

Respectfully submitted,

(Signed) EMMA MITTS,
Chairman.

On motion of Alderman Mitts, the said proposed substitute ordinance transmitted with the foregoing committee report was *Passed* by yeas and nays as follows:

Yeas -- Aldermen Moreno, Hopkins, King, Hairston, Sawyer, Mitchell, Harris, Beale, Sadlowski Garza, Thompson, Cárdenas, Quinn, Burke, Lopez, Foulkes, D. Moore, Curtis, O'Shea, Cochran, Brookins, Muñoz, Zalewski, Scott, Solis, Maldonado, Burnett, Ervin, Taliaferro, Reboyras, Santiago, Waguespack, Mell, Austin, Ramirez-Rosa, Villegas, Mitts, Sposato, Laurino, O'Connor, Napolitano, Reilly, Smith, Tunney, Arena, Cappleman, Pawar, Osterman, J. Moore, Silverstein -- 49.

Nays -- None.

Alderman Beale moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

WHEREAS, The Chicago City Council may from time to time define areas, in the interest of preserving public health and safety or avoiding traffic congestion, in which no mobile food vendor may prepare or dispense food from a wheeled vehicle or cart; and

WHEREAS, Operation of mobile food carts on sidewalks referenced in Section 4-8-037(d) would lead numerous food carts to congregate at nearby corners, causing traffic congestion; and

WHEREAS, Adding operation of mobile food carts on sidewalks referenced in Section 4-8-037(d) to the mix of current public right-of-way obstructions could have a detrimental impact on public safety and pedestrian accessibility; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The recitals to this ordinance are incorporated herein.

SECTION 2. Section 4-8-037 of the Municipal Code of Chicago is hereby amended by inserting the language underscored, as follows:

4-8-037 Restrictions On Mobile Food Vendors.

(Omitted text is unaffected by this ordinance.)

(d) No mobile prepared food vendor shall operate on the sidewalk on both sides of any roadways within the boundaries of:

- (1) South Lawndale Avenue, between 7500 South Lawndale Avenue and 8659 South Lawndale Avenue; and westward to
- (2) South Cicero Avenue, between 7500 South Cicero Avenue and 8659 South Cicero Avenue.

SECTION 3. This ordinance shall take effect upon its passage and publication.

The committee report listing said ordinances and orders which failed to pass reads as follows:

CHICAGO, June 28, 2017.

To the President and Members of the City Council:

Your Committee on Pedestrian and Traffic Safety begs leave to recommend that Your Honorable Body *Do Not Pass* the sundry proposed ordinances and orders submitted herewith which were referred to the Committee on Pedestrian and Traffic Safety concerning traffic regulations and traffic signs, et cetera, as follows:

Parking Prohibited At All Times -- Disabled:

Ward	Location
29	5407 West Van Buren Street -- Disabled Parking Permit Number 101350;
50	2901 West Arthur Avenue -- Disabled Parking Permit Number 111856;
50	6106 North Mozart Street -- Disabled Parking Permit Number 111854;
50	6404 North Richmond Street -- Disabled Parking Permit Number 111871.

Residential Permit Parking Zones:

Ward	Location
18	7100 -- 7199 South Sacramento Avenue -- residential permit parking zone. Not recommended.

Ward	Location
26	1500 -- 1599 North Kolin Avenue -- residential permit parking zone. Not recommended.
26	1700 -- 1799 North Lawndale Avenue -- residential permit parking zone. Not recommended.
31	2701 -- 2731 North Lockwood Avenue -- residential permit parking zone. Not recommended.

Tow-Away Zone:

Ward	Location
47	North Hermitage Avenue: repeal no parking tow-away zone. Not recommended. No City Council action needed for school signs. Signs will be removed per alderman's request under existing city code (17-02865224).

Miscellaneous Sign:

Ward	Location
49	6600 -- 6999 North Sheridan Road -- three-hour parking. Not recommended. A three-hour parking restriction along North Sheridan Road will drastically affect parking for residents (17-02089304).

These *Do Not Pass* recommendations were concurred in by all members of the committee present, with no dissenting votes.

Respectfully submitted,

(Signed) WALTER BURNETT, JR.,
Chairman.

Moore, Silverstein -- 49.

Nays -- None.

Alderman Beale moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

WHEREAS, The City of Chicago ("City") is a home rule unit of government by virtue of the provisions of the Constitution of the State of Illinois of 1970 and, as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, Zeller-401 Property LLC, a Delaware limited liability company authorized to transact business in Illinois ("Developer"), is the owner of the property located at 401 North Michigan Avenue, Chicago, Illinois ("Developer Property"); and

WHEREAS, City is the owner of the dedicated public rights-of-way, namely upper and lower Michigan Avenue ("City Rights-of-Way"), including portions of the Chicago Riverwalk ("Riverwalk"), adjacent to the Developer Property. For purposes of this ordinance, the term "Riverwalk" shall refer to the portion of the City Rights-of-Way located along the north bank of the Chicago River at the lower Michigan Avenue level, accessible to pedestrians and adjacent to the Developer Property. The City Rights-of-Way and Riverwalk collectively shall be referred to herein as the "City Property"; and

WHEREAS, Developer is leasing a portion of the Developer Property to its tenant, namely Apple, Inc. ("Tenant") pursuant to the terms and conditions of a lease agreement ("Tenant Lease Agreement") by and between the Developer and Tenant; and

WHEREAS, Developer, at its sole cost and expense, is proposing to perform, and cause to be performed, demolition and structural renovations, repairs, and reconstruction, on portions of the City Property all to accompany a new retail store entrance enclosure being constructed on the Developer Property, which modifications shall consist of reconfiguration of the upper Michigan Avenue sidewalk with a new balustrade, "cascading" stairs from the Michigan Avenue elevation to the Riverwalk level elevation, upgraded finishes at the upper Michigan Avenue sidewalk and "cascading stairs" and Riverwalk elevation, and related mechanical, plumbing, and electrical work ("Renovation Project"); and

WHEREAS, City acknowledges that certain portions of the Renovation Project will be performed by the Tenant pursuant to the Tenant Lease Agreement. The Developer acknowledges that such Tenant Lease Agreement and construction contract shall in no way relieve the Developer, Tenant, and general contractor of any of their responsibilities, obligations or duties pursuant to a construction and maintenance agreement between the City and Developer ("CMA Agreement"), attached hereto as Exhibit A and made a part hereof; and

WHEREAS, The Renovation Project shall be made in accordance with the "Scope of Work and Plans" as set forth in the CMA Agreement; and

WHEREAS, The City and Developer agree that the City shall retain ownership of the City Property, as reconstructed, rehabilitated, and renovated in accordance with the Scope of Work and Plans. Notwithstanding such retained City ownership, the Developer shall thereafter maintain, repair, and replace the portions of the City Property altered by the Renovation Project, in accordance with the CMA Agreement; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The foregoing recitals are hereby adopted as the findings of the City Council.

SECTION 2. The Commissioner of the Department of Transportation (the "Commissioner") or a designee of the Commissioner are each hereby authorized, with the approval of the City's Corporation Counsel as to form and legality, to negotiate, execute and deliver a Construction and Maintenance Agreement ("CMA Agreement") substantially in the form attached hereto as Exhibit A, and such other supporting documents as may be necessary or appropriate to carry out and comply with the provisions of the CMA Agreement, with any such amendments, changes, deletions and insertions as shall be authorized by the persons executing the CMA Agreement, with the approval of the City's Corporation Counsel.

SECTION 3. If any provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such provision shall not affect any of the other provisions of this ordinance.

SECTION 4. All ordinances, resolutions, motions or orders in conflict with this ordinance are hereby repealed to the extent of such conflict.

SECTION 5. This ordinance shall be in full force and effect immediately upon its passage and approval.

Exhibit "A" referred to in this ordinance reads as follows:

*Exhibit "A".
(To Ordinance)*

*Construction And Maintenance Agreement
With Zeller-401 Property LLC.*

This **CONSTRUCTION AND MAINTENANCE AGREEMENT** ("Agreement") is made as of the ____ day of ____, 2017, by and between the **CITY OF CHICAGO**, by and through its Department of Transportation ("CDOT"), an Illinois municipal corporation and home rule unit of government ("City"), having its principal offices at 30 North LaSalle Street, 5th Floor, Chicago, Illinois 60602, and **ZELLER-401 PROPERTY, L.L.C.**, a Delaware limited liability company authorized to do business in Illinois (the "Developer"), whose local corporate offices are located at 401 North Michigan Avenue, Suite 1300, Chicago, Illinois 60611. As used in this Agreement, "Developer" shall also include, and this Agreement shall be binding upon, Developer's successors and assigns, as described in Section 4.13 below. The City and Developer together shall be referred to herein from time to time as the "Parties" and individually as a "Party".

RECITALS

A. The City, as a home rule unit of government under the 1970 Constitution of the State of Illinois, has the authority to promote the health, safety and welfare of its inhabitants, and to enter into contractual agreements with third parties for the purpose of achieving the aforesaid purposes.

B. The Developer is the owner of the property located at 401 North Michigan Avenue, Chicago, Illinois ("Developer Property"), as legally described in **Exhibit A** attached hereto and made a part hereof.

C. The City is the owner of the dedicated public rights of way, namely Upper and Lower Michigan Avenue ("City Rights-of-Way"), including portions of the Chicago Riverwalk ("Riverwalk"), adjacent to the Developer Property. For purposes of this Agreement, the term "Riverwalk" shall refer to the portion of the City Rights-of-Way located along the north bank of the Chicago River at the Lower Michigan Avenue level, accessible to pedestrians and adjacent to the Developer Property. The City Rights-of-Way and Riverwalk collectively shall be referred to herein as the "City Property".

D. The Developer is leasing a portion of the Developer Property to its tenant, namely Apple, Inc. ("Tenant") pursuant to the terms and conditions of a lease agreement by and between the Developer and Tenant ("Tenant Lease Agreement"). A precise description of Tenant's leasehold is contained in the Tenant Lease Agreement.

E. The Developer, at its sole cost and expense, is proposing to perform, and cause to be performed, demolition and structural renovations, repairs, and reconstruction, on portions of the City Property all to accompany a new retail store entrance enclosure being constructed on the Developer Property, which modifications shall consist of reconfiguration of the upper Michigan Avenue sidewalk with a new balustrade, "cascading" stairs from the Michigan Avenue elevation to the River Walk level elevation, upgraded finishes at the upper Michigan Avenue sidewalk and "cascading stairs" and river walk elevation, and related mechanical, plumbing, and electrical work ("Renovation Project").

F. The City acknowledges that certain portions of the Renovation Project will be performed by the Tenant pursuant to the Tenant Lease Agreement. Tenant will contract directly with Power Construction Company (the "General Contractor") pursuant to a separate construction contract (the "Construction Contract"). The Developer acknowledges that such Tenant Lease Agreement and Construction Contract shall in no way relieve the Developer, Tenant, and General Contractor of any of their responsibilities, obligations or duties under this Agreement.

G. The Renovation Project shall be made in accordance with the "Scope of Work and Plans," as more fully described in Exhibit B, attached hereto and made a part hereof, and as may be required by CDOT, the City's Department of Buildings, and any other City department.

H. As more particularly described below, the Parties agree that the City shall retain ownership of the City Property, as reconstructed, rehabilitated, and renovated in accordance with the Scope of Work and Plans. Notwithstanding such retained City ownership, the Developer shall thereafter maintain, repair, and replace the portions of the City Property altered by the Renovation Project, in accordance with this Agreement and the Scope of Work and Plans described in Exhibit B, which were approved by CDOT on April 11, 2016, the date CDOT issued Bridge Permit #16-039 for the Renovation Project.

I. The City Council of the City, by ordinance adopted _____, 2017 ("Ordinance"), has authorized the City's execution of this Agreement.

NOW, THEREFORE, in consideration of the promises and the mutual obligations of the parties hereto, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, each of them hereby covenant and agree with the other as follows:

SECTION 1

INCORPORATION OF RECITALS AND EXHIBITS

The recitals set forth above (including, without limitation, the definitions set forth therein), and the exhibits attached hereto, constitute an integral part of this Agreement and are incorporated herein by this reference as agreements of the parties.

SECTION 2

THE RENOVATION PROJECT

2.1 Scope of Work and Plans; City Work to Other Components. The Developer shall conduct and shall cause the Tenant to conduct the Renovation Project in accordance with the Scope of Work and Plans described in Exhibit B. No material deviation from the Scope of Work and Plans shall be made without the prior written approval of CDOT. The Scope of Work and Plans shall substantially conform to the terms and conditions of this Agreement and applicable federal, state and local laws, ordinances and regulations. The Renovation Project consists of work to be performed by the Developer, consisting of the components described and defined in Section 2.1 below as the "City Improvements".

2.2 City Improvements. The City Standard and Nonstandard Improvements are collectively referred to as the "City Improvements".

The City Nonstandard Improvements consist of that certain portion of the Renovation Project reconstruction, and rehabilitation of the City Property that are, and shall remain after completion, owned by the City, but maintained by the Developer, at the Developer's expense, as described in Section 3.1, including the following (collectively, the "City Nonstandard Improvements"): (i) the concrete walking surface at the Riverwalk elevation including any protection structure for the Tribune building pipe and the MEP below slab; (ii) any non-standard horizontal joints at the sidewalk; (iii) non-standard expansion joints at cascading stairs; (iv) precast cladding at the east face of the new west concrete wall to be constructed by the Developer; (v) granite stair surfaces at the east and west section of the cascading stairs on the City Right of Way; (vi) granite paving at the Michigan Avenue sidewalk; (vii) precast clad emergency access door at the west concrete wall; (viii) non-standard concrete finish/access panels at the Riverwalk level; (ix) all site drainage tied to the Developer Property drainage; (x) all snow melting equipment below the portion of the granite cascading stairs; (xi) all lighting fed from the Developer Property including utility charges; (xii) all storm drainage piping connected to Developer Property; and (xiii) all waterproofing, weather shield, protection from storm water, or other water flows on the City Property and Developer Property (collectively, the "Developer Weatherproofing") that shall be included in the Scope of Work and Plans.

Notwithstanding the foregoing, the Developer shall own and maintain all longitudinal expansion joints between the City Property and the Developer Property.

The City Standard Improvements consist of that portion of the Renovation Project reconstruction and rehabilitation of the City Property that are, and shall remain after completion, owned by the City and maintained by the City, at the City's expense, including the following (collectively, the "City Standard Improvements"): (i) Modifications to existing and new foundations; (ii) all new modifications to existing structure including structural steel and concrete; (iii) standard City horizontal expansion joints in Michigan Avenue sidewalk; (iv) precast balustrade and metal railing at Michigan Avenue sidewalk; (v) precast balustrade and metal railing at River Walk elevation. The Chicago Department of Transportation has approved the Scope of Work and Plans described in Exhibit B on April 11, 2016, the date CDOT issued Bridge Permit #16-039 for the Renovation Project.

2.3 Renovation Budget. The Developer has prepared a budget of the costs of performing the Renovation Project, set forth in Exhibit C (the "Renovation Budget"), which has been approved by the City. The cost of the City Improvements is estimated at \$ 4,300,000.00 (the "City Improvement Project Cost").

2.4 Schedule. The Developer has prepared the preliminary schedule for the Renovation Project, set forth in Exhibit D (the "Schedule"), which has been approved by CDOT. Any delay from the final completion date for the Renovation Project set forth in the Schedule shall be subject to the terms and conditions set forth in Sections 4.9 and 4.10 of this Agreement. Pursuant to permits issued by the City, the Developer shall and shall cause the Tenant to commence, and diligently pursue, construction of the Renovation Project through the issuance of the Certificate or the issuance of a release letter of the Bridge Surety Bond, as both terms are defined in Section 2.6 herein.

2.5 Payment of Renovation Project Cost. The Developer shall pay for and complete the Renovation Project at its sole cost and expense. The City shall provide the Developer with access to the City Improvements for the Developer's ongoing maintenance, repair, and replacement of the City Nonstandard Improvements during the Term of this Agreement (as defined in Section 3 below).

2.6 Selection of General Contractor; Bonding Requirements. On April 11,, 2016, the date CDOT issued Bridge Permit #16-039 for the Renovation Project, the City approved the retention of Power Construction Company as the General Contractor for the Renovation Project. Any change to the General Contractor prior to completion of the Renovation Project shall require the prior approval of CDOT. The General Contractor performing the Renovation Project shall be bonded for its respective performance and payment sureties having an AA rating or better using American Institute of Architect's Form No. 311 or its equivalent ("Performance and Surety Bond"). The City shall be named as an obligee or co-obligee on such Performance and Surety Bond(s). The Developer shall provide, subject to CDOT approval, a bridge surety bond ("Bridge Surety Bond") in the amount of One Million Dollars and no Cents (\$1,000,000.00), which bond shall remain in place (or be replaced with a bond of equivalent terms, and subject to CDOT approval) until completion of the Renovation Project, as evidenced by the issuance of the Certificate (as defined below) or the issuance of a release letter of the Bridge Surety Bond. The Developer shall provide CDOT with copies of such replacement bonds and any future bonds required under this Agreement upon their issue.

2.7 Close-out of Renovation Project. Following the substantial completion of the Renovation Project in accordance with the Scope of Work and Plans, the Developer and General Contractor shall provide CDOT with appropriate owner and general contractor sworn statements and a general waiver of lien from the General Contractor and Developer. Following the final completion of the Renovation Project, the Developer shall deliver to the City a sworn statement from the Developer and the General Contractor and a general waiver of lien from Developer and the General Contractor and final waivers or releases of lien for all contracts whose amounts exceed One Hundred Thousand Dollars and no Cents (\$100,000.00) from each and every subcontractor undertaking work relating to the Renovation Project. Developer shall also provide evidence of clear title to the City at or after the expiration of the four (4) month period within which contractor's liens are allowed to be placed on the Renovation Project pursuant to 770 ILCS 60/7. In addition, the Developer shall deliver to CDOT copies of any manufacturer's or other warranties provided by material suppliers or from subcontractors for the City Improvements, and shall deliver, or cause Power Construction Company or any other general contractor approved by CDOT, to deliver in electronic and hard copy formats, as-built plans and manufacturers' product data sheets of the materials and components used for the City Standard Improvements and the Developer Non-Standard Improvements.

2.8 Certificate of Completion. Upon completion of construction of the Renovation Project in accordance with the Scope of Work and Plans and to the reasonable satisfaction of the Commissioner of CDOT or her designee, CDOT, upon written request by the Developer, shall promptly undertake an inspection of the Renovation Project and thereafter provide the Developer with (1) a recordable Certificate of Completion ("Certificate") evidencing that the Developer has completed the Renovation Project or (2) the issuance of a release letter of the Bridge Surety Bond; or a written statement indicating what measures or acts will be necessary, in the reasonable opinion of the City, to correct conditions that do not conform to the approved Scope of Work and Plans for the Developer to perform in order to obtain the Certificate. The Developer shall promptly, but in all events within sixty (60) days after issuance of CDOT's written statement, correct or commence to correct any such nonconformity or default, subject to permitted delays pursuant to Section 4.9 or such additional cure period, if any, pursuant to Section 4.10, and as CDOT may consent to, in its sole discretion. Upon compliance with CDOT's requirements, the Developer shall resubmit a written request for a Certificate from the City. The City's issuance of the Certificate shall evidence the City's acknowledgment that the

Developer has completed the Renovation Project and the City's acceptance of the turnover and ownership of the City Improvements. The Certificate shall not constitute evidence that the Developer has complied with any applicable provisions of federal, state and local laws, ordinances and regulations with regard to the completion of the Renovation Project, nor shall it serve as a "guaranty" of the structural soundness or quality of the construction of the Renovation Project.

SECTION 3 MAINTENANCE, REPAIR, AND REPLACEMENT OF NONSTANDARD CITY IMPROVEMENTS

After (1) CDOT's inspection of the Renovation Project, as set forth in Section 2.8 above; and (2) the issuance of the Certificate by the City, the Developer shall comply with the covenants set forth in this Section 3 and the other provisions of this Agreement applicable to the maintenance repair, and replacement of the City Nonstandard Improvements, all of which shall run with, and be appurtenant to, the Developer Property during the Term of this Agreement, and shall be binding on the Developer, as owner of the Developer Property, its successors and/or assigns, and subject to the right of assignment set forth in Section 4.13 below.

3.1 On-Going Maintenance and Repair of the City Nonstandard Improvements:
Inspection. The Developer, at its sole cost and expense, shall, during the Term of this Agreement: (i) maintain, repair, and replace the City Nonstandard Improvements; (ii) provide trash pickup and disposal services within the City Improvements; and (iii) remove snow and arrange for the removal of leaves, litter, debris and other waste material from the City Improvements. Commencing in the year ending December 31, 2019, and every second year thereafter, the Developer shall inspect, or cause to be inspected, the City Improvements in accordance with the National Bridge Inventory Standards ("NBIS"), and shall, **on or before December 31 of the year in which the inspection occurs**, submit an inspection report that includes condition ratings, and findings and recommendations for repair. The NBIS reports shall be submitted to Luis Benitez, Assistant Chief Engineer, (or his successor), City of Chicago, Department of Transportation, Division of Engineering, 30 North LaSalle Street, 4th Floor, Chicago, Illinois 60602. The biannual NBIS inspection required by this Subsection 3.1 shall be conducted pursuant to the specification attached hereto as **Exhibit E**.

3.2 Longitudinal Joints; Waterproofing. The Developer shall own and maintain any and all longitudinal joints between the City Property and the Developer Property at Developer's sole cost and expense. Developer further acknowledges that the City Property is not intended to provide any weather shield, protection from storm water or other water flows and the City is not obligated to maintain the City Property in such a manner. Developer's Scope of Work and Plans shall include improvements for the Developer Waterproofing

3.3 No Security Services Obligation. The Developer shall not be obligated under this Agreement to provide security services or police protection in or for City Improvements.

3.4 City Authority Over City Improvements Activities. The City shall have sole authority over allowing and requiring any permits to issue for any and all activities, commercial or otherwise, on the City Right of Way and all other City Improvements that are generally consistent with the character of the Renovation Project as a public pedestrian plaza; provided, however, that such activities will not materially impair or interfere with Developer's rights and obligations under this Agreement.

SECTION 4 GENERAL PROVISIONS

4.1 Access Rights. The City hereby grants to the Developer access to the City Improvements and other City property, as may be approved by CDOT and other City departments, in connection with the performance and completion of the Renovation Project and the subsequent maintenance, repair, and replacement of the City Nonstandard Improvements.

4.2 Permits. The Developer and Tenant, as applicable, shall apply for and maintain any and all governmental permits and approvals relating to the Renovation Project and all future maintenance, repair, and replacement activities, including, but not limited to, building permits and street and sidewalk closure permits. Pursuant to a City of Chicago, Department of Transportation letter dated April 11, 2016, Bridge Permit #16-039 was issued to the General Contractor for the construction of the Renovation Project.

4.3 Insurance.

4.3.1 Insurance During Periods of Construction. The Developer shall procure and maintain, or cause to be procured and maintained by the Tenant, their respective contractors (including the General Contractor) or subcontractors, and any subsequent general contractors and any subcontractors for construction work in accordance with the Scope of Work and Plan under this Agreement and any other construction work during the Term of this Agreement, at the Developer's sole cost and expense (and/or the expense of the Tenant, General Contractor and subcontractors, as applicable), during the Term of this Agreement, the types and amounts of insurance and endorsements therefore, as set forth below with insurance companies authorized to do business in the State of Illinois, covering the Renovation Project or construction work on the City Property, City Improvements and other City property, as applicable, whether performed by or on behalf of the Developer, provided, however, that subcontractors performing work in connection with this agreement shall not be required to provide insurance coverage in excess of \$2,000,000 if the subcontract amount is less than \$100,000.

(a) Worker's Compensation and Employer's Liability Insurance. Worker's Compensation Insurance, as prescribed by applicable law, covering all employees who are to provide a service under this Agreement, and Employer's Liability Insurance with limits of not less than \$1,000,000 each accident or illness.

(b) Commercial General Liability Insurance (Primary and Umbrella). Commercial General Liability Insurance, or equivalent, with limits of not less than \$5,000,000 per occurrence for bodily injury, personal injury, and property damage liability. Coverage shall include, at a minimum, all premises and operations, products/completed operations, independent contractors, separation of insureds, defense, and contractual liability (with no limitation endorsement). The City of Chicago shall be named as an additional insured on a primary, non-contributory basis for any liability arising directly or indirectly from the Renovation Project or maintenance, repair, and replacement of the City improvements.

(c) Automobile Liability Insurance (Primary and Umbrella). When any motor vehicles (owned, non-owned and hired) are used in connection with the Renovation Project or maintenance, repair, or replacement of the City Improvements, the Developer and/or, as applicable, the General Contractor and any subcontractors performing work within the City Improvements shall procure and maintain Automobile Liability Insurance with limits of not less than \$2,000,000 per occurrence for bodily injury and property damage. The City of Chicago shall be named as an additional insured with respect to such coverage on a primary, non-contributory basis.

(d) Professional Liability Insurance. When any architects, engineers or other professional consultants perform work in connection with this Agreement, Developer shall cause such parties to procure and maintain Professional Liability Insurance covering acts, errors, or omissions with limits of not less than \$2,000,000, with coverage including contractual liability. When a policy is renewed or replaced, the policy retroactive date must coincide with, or precede, the start of work under this Agreement. A claims-made policy that is not renewed or replaced must have an extended reporting period of two (2) years.

(e) Valuable Papers. When any plans, designs, drawings, specifications, media, data, records, reports, and other documents are produced or used under this Agreement, Valuable Papers Insurance shall be maintained in an amount to insure against any loss whatsoever, and shall have limits sufficient to pay for the recreation and reconstruction of such records.

(f) Pollution Liability Insurance. When any work is performed which may cause a pollution exposure, the lead remediation subcontractor's Pollution Liability Insurance with limits of not less than \$2,000,000 per occurrence shall be provided covering bodily injury, property damage and other losses arising from the environmental condition of the City Improvements. When a policy is renewed or replaced, the policy retroactive date must coincide with, or precede, the start of work under this Agreement. A claims-made policy that is not renewed or replaced must have an extended reporting period of two (2) years. The City of Chicago shall be named as an additional insured with respect to such coverage on a primary, non-contributory basis.

(g) Intentionally Deleted.

(h) Pollution Legal Liability. Developer shall cause the lead remediation subcontractor to provide Pollution Legal Liability Insurance covering bodily injury, property damage and other losses caused by pollution conditions that arise from the Renovation Project, the maintenance, repair, or replacement of the City Improvements, or the exercise of the rights granted under this Agreement, with limits of not less than \$2,000,000 per occurrence. Coverage must include completed operations, contractual liability, defense, excavation, environmental cleanup, remediation and disposal. When policies are renewed or replaced, the policy retroactive date must coincide with or precede, start of work on the Contract. A claims-made policy which is not renewed or replaced must have an extended reporting period of two (2) years. The City of Chicago is to be named as an additional insured.

(i) All Risk Personal Property. Developer, Tenant, the General Contractor, and their respective agents, employees, contractors, and subcontractors shall be responsible for all loss or damage to personal property (including, without limitation, material, equipment, tools and supplies), owned, rented or used by Developer, Tenant, the General Contractor, and their respective agents, employees, contractors, and subcontractors.

4.3.2 Insurance Requirements After Completion of Construction.

During the Term of this Agreement, the Developer shall procure and maintain at all times the types and amounts of insurance, and endorsement therefore, as set forth below with insurance companies authorized to do business in the State of Illinois and provide the City with evidence of such insurance, to the satisfaction of the City, covering the Developer's access and use, maintenance, repair and replacement of the City Nonstandard Improvements; and injury and/or damage to persons or property arising from the Developer's performance and failure to perform its obligations under this Agreement.

(a) Worker's Compensation and Employer's Liability Insurance. Worker's Compensation Insurance, as prescribed by applicable law, covering all employees who are to provide a service under this Agreement, and Employer's Liability Insurance with limits of not less than \$1,000,000 each accident or illness.

(b) Commercial General Liability Insurance (Primary and Umbrella). Commercial General Liability Insurance, or equivalent, with limits of not less than \$5,000,000 per occurrence for bodily injury, personal injury, and property damage liability. Coverage shall include, at a minimum, all premises and operations, products/completed operations, independent contractors, separation of insureds, defense, and contractual liability (with no limitation endorsement). The City of Chicago shall be named as an additional insured on a primary, non-contributory basis for any liability arising directly or indirectly from the Renovation Project or maintenance, repair, and replacement of the City Improvements.

(c) Automobile Liability Insurance (Primary and Umbrella). When any motor vehicles (owned, non-owned and hired) are used in connection with the Renovation Project or maintenance, repair, and replacement of the City Improvements, the Developer and/or, as applicable, the General Contractor and any subcontractors performing work on the City Improvements shall procure and maintain Automobile Liability Insurance with limits of not less than \$2,000,000 per occurrence for bodily injury and property damage. The City of Chicago shall be named as an additional insured with respect to such coverage on a primary, non-contributory basis.

(d) Professional Liability Insurance. When any architects, engineers, construction managers or other professional consultants perform work in connection with this Agreement, such parties shall procure and maintain Professional Liability Insurance covering acts, errors, or omissions with limits of not less than \$2,000,000, with coverage including contractual liability. When a policy is renewed or replaced, the policy retroactive date must coincide with, or precede, the start of work under this Agreement. A claims-made policy that is not renewed or replaced must have an extended reporting period of two (2) years.

(e) Valuable Papers. When any plans, designs, drawings, specifications, media, data, records, reports, and other documents are produced or used under this Agreement, Valuable Papers Insurance shall be maintained in an amount to insure against any loss whatsoever, and shall have limits sufficient to pay for the recreation and reconstruction of such records.

(f) All Risk Personal Property. Developer, and its agents, and employees, shall be responsible for all loss or damage to personal property (including, without limitation, material, equipment, tools and supplies), owned, rented or used by Developer, and its agents, and employees.

The Developer shall be responsible for the replacement or restoration of the City Standard Improvements for a casualty where such casualty is caused by the negligence or willful misconduct of any of the Developer, Tenant, and their respective agents, contractors (including the General Contractor), subcontractors, employees, invitees, or licensees.

Additionally, in the event of a casualty, Developer shall be responsible for the replacement of the City Nonstandard Improvements and any portion of the Developer Improvements necessary to render the City Improvements usable and safe for public access. This provision shall in no way limit or condition the insurance requirements set forth in this Agreement.

The Developer and Tenant shall deliver, or cause the General Contractor, and their respective contractors or subcontractors to deliver, to the City certificates of insurance and endorsements required hereunder. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in this Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all requirements set forth herein. The failure of the City to obtain certificates or other evidence of insurance from the Developer, Tenant, General Contractor, or their respective contractors or subcontractors as applicable shall not be deemed to be a waiver by the City of the insurance requirements set forth herein. The Developer, Tenant, General Contractor, and their respective contractors or subcontractors shall advise all insurers of the insurance requirements set forth herein. Non-conforming insurance, or failure to submit a Certificate of Insurance evidencing such coverages, shall not relieve the Developer, Tenant, General Contractor, and their respective contractors or subcontractors of the obligation to provide insurance as specified herein. The City retains the right to stop work until proper evidence of insurance is provided.

The Developer, Tenant, General Contractor, their respective contractors or subcontractors as applicable shall be responsible for any and all deductibles or self-insured retentions. The Developer hereby waives and agrees, and shall cause its Tenant, General Contractor and subcontractors to waive and agree, to require their insurers to waive their rights of subrogation against the City, its employees, elected officials, agents, and representatives. The Developer expressly understands and agrees, and shall cause the Tenant, General Contractor and subcontractors to agree, that any coverages and limits furnished by it (or the General Contractor or subcontractors, as applicable) shall in no way limit the Developer's, Tenant's, General Contractor's, and any subcontractors liabilities and responsibilities specified

in this Agreement or by law. The Developer expressly understands and agrees that its insurance (or that of its respective contractors or subcontractors as applicable) is primary and any insurance or self-insurance programs maintained by the City shall not contribute with insurance provided by the Developer, Tenant, the General Contractor (or their respective General Contractor, contractors or subcontractors as applicable) under this Agreement. The required insurance shall not be limited by any limitations expressed in the indemnification language herein or any limitation placed on the indemnity therein given as a matter of law. If Developer, Tenant, General Contractor's, and any of their contractors or subcontractors are a joint venture or limit liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

The Developer shall require the Tenant, General Contractor and all contractors and subcontractors to maintain the above-described coverage, or the Developer may provide such coverage for the Tenant, General Contractor and their contractors and subcontractors. If the Developer, Tenant, the General Contractor, or any of their respective contractor or subcontractor wants additional coverage, such party shall be responsible for the acquisition and cost of such additional protection. The City shall have no responsibility to provide insurance or security for the City Property, City Standard Improvements or City Nonstandard Improvements, material, supplies, or equipment to be used by the Developer, the General Contractor, or any of their respective contractors or subcontractors in connection with the Scope of Work and Plans.

Notwithstanding any provisions in the Agreement to the contrary, the City of Chicago, Department of Finance, Office of Risk Management, maintains the right to modify, delete, alter or change these requirements, including without limitation the deletion of the requirements of subparagraphs (f) and (h) in Section 4.3.1. above upon completion of the Renovation Project.

4.3.3 Insurance for Routine Maintenance. Contractors performing routine maintenance within/on the City Improvements, such as snow removal and trash pick-up, shall maintain insurance coverage of the type and levels required by law and consistent with industry standards.

4.3.4 City Self-Insurance. The Developer acknowledges that the City is self-insured.

4.4 Indemnity.

(a) The Developer shall and shall cause its general contractors and any subcontractors (collectively, the "Indemnitors") to indemnify, defend and hold the City, its elected officials and employees (the "Indemnitees"), harmless from and against any losses, costs, damages, liabilities, claims, suits actions, causes of action and expenses (including, without limitation, attorney's fees and court costs) (collectively, the "Developer Indemnified Claims and Costs") suffered or incurred by the City or such persons arising from or in connection with the Renovation Project, any of the Indemnitors' use of the City Standard Improvements and use, maintenance, repair, and replacement of the City Nonstandard Improvements, any and all Developer Indemnified Claims and Costs arising from or in connection with the Indemnitors' Weather Proofing, and including without limitation any amounts payable by reason of an environmental condition of the City Improvements arising from the negligence and/or willful and wanton misconduct of the Developer, its principals, agents, employees, or Tenant, General Contractor, contractors, subcontractors, and any subsequent general contractors and any subcontractors; and the Developer's performance or failure to perform its obligations under this Agreement. The foregoing indemnity, defense and hold harmless obligations shall not be

construed to require the Developer, or the General Contractor, any subsequent general contractors and any subcontractors, to indemnify, an Indemnitee where the costs arise out of the negligence and/or willful and wanton misconduct of the responsible Indemnitee, including without limitation any amounts payable by reason of an environmental condition of the City Improvements arising from the negligence and/or willful and wanton misconduct of the responsible Indemnitee. This indemnification shall survive any termination of this Agreement.

(b) The Developer shall cause its Tenant to indemnify, defend and hold the Indemnitees, harmless from and against any losses, costs, damages, liabilities, claims, suits actions, causes of action and expenses (including, without limitation, attorney's fees and court costs) (the "Tenant Indemnified Claims or Costs") suffered or incurred by any Indemnitee arising from or in connection with: (i) Tenant's, or any Tenant Indemnitor's (defined below) acts or omissions in connection with the Renovation Project, (ii) Tenant's use of the City Standard Improvements, (iii) any Tenant Indemnitor's use of the City Standard Improvements during the performance of the Renovation Project, (iv) Tenant's use of the City Nonstandard Improvements, (v) any Tenant Indemnitor's use of the City Nonstandard Improvements during the performance of the Renovation Work, (vi) Tenant's, or any Tenant Indemnitor's Weather Proofing, as applicable, and (vii) an environmental condition of the City Improvements arising from the negligence and/or willful and wanton misconduct of Tenant, or any Tenant Indemnitor. As used herein, the term "Tenant Indemnitor" means the General Contractor, and any of Tenant's subsequent general contractors or subcontractors performing work in connection with the Renovation Project. Developer shall: (a) include within any lease or other agreement with Tenant; and (b) cause Tenant to include within any agreement with a Tenant Indemnitor, indemnification obligations meeting the requirements of this Section 4.4(b) that provide the Indemnitees with at least as much protection as those set forth in this Section 4.4(b). The foregoing indemnity, defense and hold harmless obligations shall not be construed to require Tenant or any Tenant Indemnitor to indemnify, an Indemnitee where the costs arise out of the negligence and/or willful and wanton misconduct of the responsible Indemnitee, including without limitation any amounts payable by reason of an environmental condition of the City Improvements arising from the negligence and/or willful and wanton misconduct of the responsible Indemnitee. This indemnification shall survive any termination of this Agreement.

(c) The indemnity provided by the General Contractor, any subsequent general contractors and subcontractors shall be limited to any such contractors' scope of work and the acts or omissions of any such contractor's principals, employees and agents.

4.5 Restoration of City Property. Following completion of the Renovation Project and any subsequent maintenance, repair, or replacement of the City Nonstandard Improvements, the Developer, Tenant, the General Contractor, any subsequent general contractors and any subcontractors performing such work, as applicable, shall promptly restore the reconstructed, rehabilitated and renovated City Property, City Nonstandard Improvements as right of way and any adjoining sidewalks, streets and alleys affected by such work to their respective right of way public use condition prior to the commencement of such work, and shall remove all equipment and debris placed in such areas by the Developer, Tenant, the General Contractor, any subsequent general contractors or their respective agents, employees, contractors or subcontractors.

4.6 Covenants, Representations and Warranties.

4.6.1 Covenants, Representations and Warranties of the Developer. The Developer hereby covenants, represents and warrants to the City as follows:

- (a) The Developer is a duly organized and existing limited liability company in good standing under the laws of the State of Delaware and authorized to do business in the State of Illinois.
- (b) No litigation or proceedings are pending or, to the best of the Developer's knowledge, are threatened against Developer which could affect the ability of the Developer to perform its obligations pursuant to this Agreement.
- (c) The execution, delivery and performance by the Developer of this Agreement has not constituted or will not, upon the giving of notice or lapse of time, or both, constitute a breach or default under any other agreement to which the Developer is a party or may be bound or affected.
- (d) The parties executing this Agreement on behalf of Developer have been duly authorized by all appropriate action to enter into, execute and deliver this Agreement and perform the terms and obligations contained therein.
- (e) Prior to completion of the Renovation Project, the Developer shall not, without the prior written consent of CDOT, which consent shall not be unreasonably withheld, assign its obligations with respect to the Renovation Project; provided, however, that the Developer may, without requiring the consent of CDOT, collaterally assign this Agreement to any holder of a mortgage secured by the Developer Property.
- (f) The Developer has not made or caused to be made, directly or indirectly, any payment, gratuity or offer of employment in connection with this Agreement or any contract paid from the City treasury or pursuant to City ordinance, for services to any City agency ("City Contract") as an inducement for the City to enter into this Agreement or any City Contract with Developer in violation of Chapter 2-156-020 of the Municipal Code of Chicago.

4.6.2 Covenants, Representations and Warranties of the City. The City, by and through CDOT, hereby covenants, represents and warrants to the Developer that the City has the authority under its home rule powers granted in the Constitution of the State of Illinois, and pursuant to the Ordinance, to enter into, execute, deliver and perform its obligations under this Agreement.

4.6.3 Conditions of City Improvements/Environmental Matters. The City makes no covenant, representation or warranty as to the condition of City Improvements, including but not limited to the environmental condition, for any purpose whatsoever. The Developer takes City Improvements and each of the elements comprising the City Improvements in an "AS-IS" condition.

4.6.4 Survival of Representations and Warranties. The representations and warranties of the Developer and the City set forth in this Agreement are true as of the execution date of this Agreement and will be true in all material respects at all times hereafter, except with respect to matters have been disclosed in writing and approved by the other party.

4.7 Term of the Agreement. The term ("Term") of this Agreement shall commence as of the date first appearing on the first page hereof and, unless otherwise terminated by the City in writing, shall run for a term of fifty (50) years from the date of this Agreement; provided, however, that the Developer's obligations with respect to the obligation to initially complete the Renovation Project shall be deemed satisfied upon issuance of the Certificate.

4.8 Time of the Essence. Time is of the essence in the Parties' performance of their respective obligations under this Agreement. Should any milestone date fall on a weekend or holiday, the deadline for compliance shall not occur until the next regular business day.

4.9 Permitted Delays. The Developer shall not be considered in breach of, or in default of its obligations under this Agreement in the event of any delay caused by damage or destruction by fire or other casualty, strike, shortage of materials, unusually adverse weather conditions such as, by way of illustration and not limitation, severe rain storms or below freezing temperatures of abnormal degree or for an abnormal duration, tornadoes or cyclones, and other events or conditions beyond the reasonable control of the party affected which in fact interferes with the ability of the Developer to discharge its obligations hereunder. The individual or entity relying on this Section 4.9 with respect to any such delay shall, upon the occurrence of the event causing such delay, immediately give written notice to the other parties to this Agreement. The individual or entity relying on this Section 4.9 with respect to any such delay may rely on this Section only to the extent of the actual number of days of delay affected by any such events described above.

4.10 Breach and Remedies.

4.10.1 Notice of Default and Cure. Except as otherwise provided in this Agreement, in the event of a default by the Developer in the performance of its obligations under this Agreement, the Developer, upon written notice from the City, shall cure or remedy the default not later than sixty (60) days after receipt of such notice. If the default is not capable of being cured within the sixty (60) day period but the Developer has commenced action to cure the default and is diligently proceeding to cure the default within the sixty (60) day period, then the sixty (60) day period shall be extended for the length of time that is reasonably necessary to cure the default. If the default is not cured in the time period provided for herein, the City may cure or remedy the default or institute such proceedings at law or in equity as may be necessary or desirable in its sole discretion to cure and remedy the default, including but not limited to, proceedings to compel specific performance.

4.10.2 Events of Default. For purposes of this Agreement, the occurrence of any one or more of the following shall, subject to the notice and cure periods set forth in Section 4.10.1, constitute an "Event of Default":

- (a) the Developer fails to perform, keep or observe any of the material covenants, conditions, promises, agreements or obligations required under this Agreement;

- (b) the Developer makes or furnishes a warranty, representation, statement or certification to the City which is not true and correct in any material respect;
- (c) a petition is filed by or against the Developer under the Federal Bankruptcy Code or any similar state or federal law, whether now or hereinafter existing, which is not vacated, stayed or set aside within sixty (60) days after filing and which impairs the ability of the Developer to perform its obligations as and when required under this Agreement;
- (d) the Developer abandons or suspends the Renovation Project (no notice or cure period shall apply); or
- (e) the Developer suffers or permits any lien or encumbrance that is not a permitted encumbrance to attach to or encumber the City Improvements.
- (f) the Developer makes an assignment of this Agreement, except assignments allowed pursuant to Section 4.6.1(e), without prior CDOT written approval, as required by Section 4.13.2.

4.10.3 Notice of Default to Lender. Any notice of default to be delivered to Developer shall also be simultaneously delivered to any holder of a mortgage secured by the Developer Property, so long as the Developer has provided the City with such lender notice contact information. Such lender(s) shall have the same opportunities to cure any such default(s) within the time afforded to the Developer herein and the City shall accept a cure by such first mortgagee.

4.10.4 Waiver and Estoppel. Any delay by the City in instituting or prosecuting any actions or proceedings or otherwise asserting its rights shall not operate as a waiver of such rights or operate to deprive the City of or limit such rights in any way. No waiver made by the City with respect to any specific default by the Developer shall be construed, considered or treated as a waiver of the rights of the City with respect to any other defaults of the Developer, and shall not be effective unless given in writing.

4.11 City's Right to Inspect Records. The Developer agrees that the City shall have the right and authority to review and audit, from time to time, the Developer's books and records solely relating to the Renovation Project and any maintenance, repair, and replacement of any of the City Improvements, including, without limitation, general contractor's sworn statements, the contract(s) with the Developer and the General Contractor, subcontractors, any and all property maintenance and management entities, and purchase orders, waivers of lien, paid receipts, invoices, and contracts, and any of the City Improvements. All such books, records and other documents shall be available at the offices of the Developer for inspection, copying, audit and examination at all reasonable times by any duly authorized representative of the CDOT upon prior reasonable notice to Developer and at CDOT's sole cost and expense.

4.12 Conflict of Interest; City's Representatives Not Individually Liable. The Developer warrants that no agent, official, or employee of the City shall have any personal interest, direct or indirect, in this Agreement, nor shall any such agent, official or employee participate in any decision relating to this Agreement which affects his or her personal interests or the interests of any corporation, partnership, or association in which he or she is directly or indirectly interested. No agent, official, or employee of the City shall be personally liable to the Developer or any

successor in interest in the event of any default or breach by the City or for any amount which may become due to the Developer or successor or on any obligation under the terms of this Agreement.

4.13 Successors and Assigns.

4.13.1 Successor Owners of the Developer Property. Nothing herein shall prohibit or in any way restrict the alienation, sale or any other transfer of all or any portion of the Developer Property or any rights, interests or obligations therein. Upon any alienation, sale or any other transfer of all or any portion of the Developer Property or the rights therein (other than an assignment or transfer of rights pursuant to a mortgage or otherwise as collateral for any indebtedness) and solely with respect to the portion of the Developer Property so transferred, the term Developer shall be deemed amended to apply to the transferee thereof (and its beneficiaries if such transferee is a land trust), and the terms and conditions of this Agreement shall automatically transfer to, apply to, benefit and bind such transferee, and the seller or transferor thereof (and its beneficiaries if such seller or transferor is a land trust) shall thereafter be released from any and all obligations or liability thereunder, so long as the transferee assumes any and all Developer liabilities that preexisted the alienation, sale or any other such transfer. The Developer shall provide the City with written notice of any such alienation, sale or any other transfer within fourteen (14) days prior to any such alienation, sale or any other transfer.

4.13.2 Assignments to Other Parties. Subject to the prior written consent of CDOT, which consent shall not be unreasonably withheld or delayed, the Developer may assign this Agreement to such other parties not succeeding the Developer in title (as the case may be) that assume the Developer's obligations under this Agreement in writing. The Developer may, without requiring the consent of the City or CDOT, collaterally assign this Agreement to a lender holding a mortgage secured by the Developer Property.

4.13.3 Status of Performance. The City, at the Developer's request, shall reasonably cooperate with such successor in title or assignee to inform such party of the status of Developer's performance of its obligations under this Agreement.

4.13.4 No Further Obligations; Lender Liability. Upon the Developer's transfer, by conveyance or otherwise, of title to the Developer Property or, as the case may be, the Developer's permitted assignment of its obligations under this Agreement, and the transferee's assuming any and all Developer liabilities that preexisted the alienation, sale or any other such transfer, the Developer shall be released from any further liability or obligations under this Agreement arising after the date of such transfer or assignment. In addition, if a lender holding a mortgage forecloses such mortgage or otherwise exercises its rights under its lender financing documents, such lender shall only be liable for obligations accruing after the date of acquisition of title to the Developer Property by such lender or its nominee (or such earlier date as such lender or such nominee may acquire possession or control of the Developer Property, whether by appointment of a receiver, order of mortgagee-in-possession or otherwise) and shall

have no liability for defaults or obligations arising prior to such time, except as to defaults or obligations that continue after the initiation of such exercise.

4.14 Miscellaneous.

4.14.1 Headings. The headings of the various sections of this Agreement have been inserted for convenient reference only and shall not in any manner be construed as modifying, amending, or affecting in any way the express terms and provisions thereof.

4.14.2 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Illinois.

4.14.3 Entire Agreement; Right of Entry Agreement; Amendment.
This Agreement constitutes the entire contractual agreement between the parties and supersedes and replaces completely any prior agreements between the parties with respect to the subject matter hereof. The Right of Entry Agreement is hereby terminated, and the terms and provisions thereof are hereby superseded and replaced by this Agreement. This Agreement may not be modified or amended in any manner other than by supplemental written agreement executed by the parties.

4.14.4 Severability. If any provision of this Agreement, or any paragraph, sentence, clause, phrase or word, or the application thereof is held invalid, the remainder of this Agreement shall be construed as if such invalid part were never included and this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

4.14.5 Notices. 4.14.6 Counterparts. This Agreement may be executed in counterparts, each of which shall constitute an original instrument.

4.14.7 Further Assurances. The Developer and the City agree to take such actions, including the execution and delivery of such documents, instruments, petitions and certifications as may become necessary or appropriate to carry out the terms, provisions and intent of this Agreement.

4.14.8 Survival. All representations and warranties contained in this Agreement are made as of the execution date of this Agreement and the execution, delivery and acceptance hereof by the parties shall not constitute a waiver of rights arising by reasons of any misrepresentation.

4.14.9 Cumulative Remedies. Subject to the limitation of the scope of remedies as expressly provided herein, the remedies of any party hereunder are cumulative and the exercise of any one or more of the remedies provided by this Agreement shall not be construed as a waiver of any of the other remedies of such party unless specifically so provided herein.

4.14.10 Disclaimer. No provision of this Agreement, nor any act of the City, shall be deemed or construed by any of the parties, or by third persons, to create or imply to create the relationship of third-party beneficiary, or of principal or agent, or of limited or general partnership, or of joint venture, or of any

association or relationship involving the City, the Developer or any owner of any portion of the City Improvements.

4.14.11 Approval. Wherever this Agreement provides for the approval or consent of the City, CDOT or its commissioner, or another City department or such other City department's commissioner, or any matter is to be to the City's, such City department's or such commissioner's satisfaction, unless specifically stated to the contrary, such approval, consent or satisfaction shall be made, given or determined by the City, such City department, or such commissioner in writing and in the reasonable discretion thereof and not unreasonably delayed. The Commissioner of CDOT (or the commissioner of any other applicable department) or other person designated by the Mayor shall act for the City or CDOT (or such other applicable department) in making all approvals, consents and determinations of satisfaction, granting the Certificate or otherwise administering this Agreement for the City.

4.14.12 Venue and Jurisdiction. If there is a lawsuit under this Agreement, each party hereto agrees to submit to the jurisdiction of the courts of Cook County, the State of Illinois, or the United States District Court for the Northern District of Illinois.

4.14.13 Business Relationships. The Developer acknowledges (A) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (B) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (c) notwithstanding anything to the contrary contained in this Agreement, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. The Developer hereby represents and warrants that no violation of Section 2-156-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

4.14.14 Patriot Act Certification. The Developer represents and warrants that neither the Developer nor any Affiliate thereof (as defined in the next paragraph) is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

As used in the above paragraph, an "Affiliate" shall be deemed to be a person or entity related to the Developer that, directly or indirectly, through one or more intermediaries, controls, is

controlled by or is under common control with Developer, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

4.15.15 Prohibition on Certain Contributions Mayoral Executive Order 2011-4.

Developer agrees that Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in Developer of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Developer's contractors (i.e., any person or entity in direct contractual privity with Developer regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Developer and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (i) after execution of this Agreement by Developer, (ii) while this Agreement or any Other Contract is executory, (iii) during the term of this Agreement or any Other Contract between Developer and the City, or (iv) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

Developer represents and warrants that from the later to occur of (a) May 16, 2011, and (b) the date the City approached the Developer or the date the Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Developer agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) Bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Developer agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Developer agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Developer intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the closing of this Agreement, the City may elect to decline to close the transaction contemplated by this Agreement.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source, which is then delivered by one person to the Mayor or to his political fundraising committee.

"Other Contract" means any other agreement with the City of Chicago to which Developer is a party that is (i) formed under the authority of chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council of the City of Chicago.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

- (A) they are each other's sole domestic partner, responsible for each other's common welfare; and
- (B) neither party is married; and
- (C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and
- (D) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
- (E) two of the following four conditions exist for the partners:
 - 1. The partners have been residing together for at least 12 months.
 - 2. The partners have common or joint ownership of a residence.
 - 3. The partners have at least two of the following arrangements:
 - a. joint ownership of a motor vehicle;
 - b. a joint credit account;
 - c. a joint checking account;
 - d. a lease for a residence identifying both domestic partners as tenants.
 - 4. Each partner identifies the other partner as a primary beneficiary in a will.

"Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

4.15.16 Failure To Maintain Eligibility To Do Business With The City.

Failure by Developer or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of the Agreement and the transactions contemplated thereby. Developer shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

4.15.17 Inspector General and Legislative Inspector General.

It is the duty of every officer, employee, department, agency, contractor, subcontractor, developer and licensee of the City, and every applicant for certification of eligibility for a City

contract or program, to cooperate with the City's Legislative Inspector General and with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapters 2-55 and 2-56, respectively, of the Municipal Code of Chicago. The Developer understands and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code of Chicago.

4.15.18 2014 City Hiring Plan.

(i) The City is subject to the June 16, 2014 "City of Chicago Hiring Plan" (as amended, the "2014 City Hiring Plan") entered in *Shakman v. Democratic Organization of Cook County*, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the 2014 City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(ii) Developer is aware that City policy prohibits City employees from directing any individual to apply for a position with Developer, either as an employee or as a subcontractor, and from directing Developer to hire an individual as an employee or as a subcontractor. Accordingly, Developer must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Developer under this Agreement are employees or subcontractors of Developer, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Developer.

(iii) Developer will not condition, base, or knowingly prejudice or affect any term or aspect to the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(iv) In the event of any communication to Developer by a City employee or City official in violation of subparagraph (ii) above, or advocating a violation of subparagraph (iii) above, Developer will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General (the "OIG"), and also to the head of the relevant City Department utilizing services provided under this Agreement. Developer will also cooperate with any inquiries by the OIG.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the day and year first above written.

[FHWA Docket No. FHWA-2001-8954]

RIN 2125-AE86

National Bridge Inspection Standards

AGENCY: Federal Highway Administration (FHWA), DOT.

ACTION: Final rule.

SUMMARY: The FHWA is revising its regulation on the National Bridge Inspection Standards (NBIS). This action is necessary to address perceived ambiguities in the NBIS that have been identified since the last update to the regulation in 1988. The changes clarify the NBIS language that is vague or ambiguous; reorganizes the NBIS into a more logical sequence; and makes the regulation easier to read and understand, not only by the inspector in the field, but also by those administering the highway bridge inspection programs at the State or Federal agency level.

DATES: This rule is effective January 13, 2005. The incorporation by reference of the publications listed in this rule is approved by the Director of the Federal Register as of January 13, 2005.

FOR FURTHER INFORMATION CONTACT: Mr. Wade F. Casey, P.E., Federal Lands Highway, HFPD-9, (202) 366-9486, or Mr. Robert Black, Office of the Chief Counsel, HCC-30, (202) 366-1359, Federal Highway Administration, 400 Seventh Street, SW., Washington, DC 20590-0001. Office hours are from 7:45 a.m. to 4:15 p.m. e.t., Monday through Friday, except Federal holidays.

SUPPLEMENTARY INFORMATION:

Electronic Access

An electronic copy of this document may also be downloaded by using a computer, modem and suitable communications software from the

Government Printing Office's Electronic Bulletin Board Service at (202) 512-1661. Internet users may also reach the Office of the Federal Register's home page at: <http://www.archives.gov> and the Government Printing Office's Web page at: <http://www.access.gpo.gov/nara>.

Background

The FHWA bridge inspection program regulations were developed as a result of the Federal-Aid Highway Act of 1968 (Pub. L. 90-495, 82 Stat. 815) that required the Secretary of Transportation to establish NBIS to ensure the safety of the traveling public.

The 1968 Federal-Aid Highway Act directed the States to maintain an inventory of Federal-aid highway system bridges. The Federal-Aid Highway Act of 1970 (Pub. L. 91-605, 84 Stat. 1713) limited the NBIS to bridges on the Federal-aid highway system. The Surface Transportation Assistance Act of 1978 (Pub. L. 95-599, 92 Stat. 2689) extended NBIS requirements to bridges greater than 20 feet on all public roads. The Surface Transportation and Uniform Relocation Assistance Act of 1987 (Pub. L. 100-17, 101 Stat. 132) expanded the scope of bridge inspection programs to include special inspection procedures for fracture critical members and underwater inspection.

The FHWA published an advance notice of proposed rulemaking (ANPRM) on September 26, 2001, (66 FR 49154) to solicit comments on whether to revise its regulation on the NBIS. The majority of commenters to the ANPRM recommended that the FHWA revise the NBIS regulation.

Discussion of Comments Received to the Notice of Proposed Rulemaking (NPRM)

The FHWA published an NPRM on September 9, 2003, at 68 FR 53063, to solicit public comments on proposed changes to the NBIS. All comments received to the NPRM were carefully considered in the decision to publish a final rule. Commenters included: representatives from 1 Federal agency, 25 States, 44 counties, 9 cities, 1 Indian tribal government, 4 consulting firms, the American Association of State Highway and Transportation Officials (AASHTO), the Association of Diving Contractors International (ADCI), the Illinois Association of County Engineers (IACE), the National Association of County Engineers (NACE) and 3 private citizens.

Discussion of Rulemaking Text

The following summarizes the comments submitted to the docket by

the commenters on the NPRM, notes where and why changes have been made to the rule, and why particular recommendations or suggestions have not been incorporated into the following regulations. Paragraph references are as designated in the NPRM, unless otherwise stated.

Summary of Comments

In general, comments received to the NPRM provided both support for and opposition to the proposed changes. A number of commenters were concerned about the cost of the proposed changes versus the benefit and impact on bridge safety. Other commenters believed that the proposed regulation would help strengthen and improve the nation's bridge inspection program. Some commenters argued that there were still areas of ambiguity. Other commenters noted we had achieved our objective of addressing ambiguities in the current NBIS regulation. Commenters provided a lot of very good suggestions that have been considered in the final rule.

Section-by-Section Analysis

Section 650.301 Purpose

The FHWA did not receive any comments that specifically addressed this section.

Section 650.303 Applicability

The Missouri and Massachusetts DOTs agreed that the NBIS apply only to highway bridges.

The Illinois and Oklahoma DOTs as well as the AASHTO asked that definitions of "public road" and "highway bridge" be included to further clarify applicability. The Oregon DOT and the U.S. Navy also wanted to include a definition for "highway bridge."

FHWA response: The terms "public road" and "highway" are already defined in 23 U.S.C. 101. We added to the list of definitions in § 650.305 a reference to the existing definitions for "public road" and "highway."

The Iowa DOT pointed out that the AASHTO Manual for Condition Evaluation of Bridges¹ (hereinafter referred to as the AASHTO Manual) includes bridges that carry pedestrians and other non-highway passageways and that the NBIS needs to be very clear

that it does not apply to these structures.

FHWA response: As clearly stated in § 650.303, the NBIS apply only to "highway bridges" located on "public roads." The AASHTO Manual may discuss other non-highway passageways; however, these bridges are not covered under the NBIS.

Collins Engineers and the U.S. Navy were concerned regarding the inspection of pedestrian and railroad bridges and potential threat to travelers on public highways. Likewise, Collins Engineers was concerned about privately owned bridges used by the motoring public.

FHWA response: Some confusion has existed about the applicability of the NBIS to privately owned highway bridges. While 23 U.S.C. 151 states that the NBIS are for all highway bridges, the FHWA has no legal authority to require private bridge owners to inspect and maintain their bridges. While the FHWA does not have the authority to compel the States to inspect privately owned highway bridges, the FHWA strongly encourages that private bridge owners follow the NBIS as the standard for inspecting privately owned highway bridges. Because of the seamless nature of the transportation infrastructure within many States, the motoring public does not know the difference between a privately owned and publicly owned highway bridge. Therefore, States should encourage private bridge owners to inspect their highway bridges in accordance with the NBIS or reroute any public highways away from such bridges if NBIS inspections are not conducted.

The National Bridge Inventory (NBI) lists roughly 2,200 privately owned highway bridges in some 41 States and Puerto Rico. However, the total number of privately owned highway bridges is unknown because the States are not required to report them to the FHWA. Many privately owned highway bridges can be assumed to carry public roads, some of which could be significant highways. The FHWA does not know if privately owned highway bridges are inspected using the NBIS or other standard and the FHWA does not know the level to which privately owned highway bridges are maintained.

Public authorities must follow the NBIS for all highway bridges located on all public roads. The term "public road" is defined in 23 U.S.C. 101(a)(27) as "any road or street under the jurisdiction of and maintained by a public authority and open to public travel." The NBIS applies to seasonally or periodically opened public roads and to limited access public access roads.

Highway bridges owned by Indian tribes are in a separate category. Indian tribes, as sovereign nations, have a unique government-to-government relationship with the Federal government. There is no explicit requirement in 23 U.S.C. 144 that requires inventory of tribally owned bridges. Likewise, there is no explicit requirement in 23 U.S.C. 151 that requires inspection of tribally owned bridges. Absent such clear language, the FHWA has no legal authority to require federally recognized Indian tribes to inventory tribally owned bridges or to comply with the NBIS. On the other hand, in order for tribally owned bridges to participate in the Indian Reservation Road Bridge Program (IRRBP)² and be eligible for Federal funding, a tribally owned bridge has to be inspected and placed in the NBI. Hence, for purposes of this rule, tribally owned bridges mean those bridges designed and constructed to FHWA standards, meeting the NBIS definition of a bridge, and open to the public. Finally, the FHWA strongly encourages that Indian tribes follow the NBIS, as the standard for inspecting tribally owned bridges, particularly those open to public travel (see 23 U.S.C. 151 for the statutory requirement for the National bridge inspection program).

The FHWA recognizes that the NBIS does not apply to federally owned bridges on roads that are used only by employees and not open to the general public. These bridges and administratively used roads support behind-the-scenes operations and are intended for use by employees engaged in official business.

The NBIS does not apply to tunnels, bridges that carry only pedestrians, railroad tracks, pipelines, or other types of non-highway passageways. Public authorities or bridge owners are strongly encouraged to inspect these non-highway carrying bridges and other significant structures. Similarly, the NBIS does not apply to the inspection of sign support structures, high mast lighting, retaining walls, noise barriers structures, and overhead traffic signs. Public authorities have an obligation to the motoring public to periodically inspect and maintain these facilities. Non-public authorities including utility companies, railroads, and private owners who may own these facilities, are strongly encouraged to periodically inspect and maintain their structures for the safety of the motoring public.

¹ The American Association of State Highway and Transportation Officials (AASHTO) Manual for Condition Evaluation of Bridges, 2000, Second Edition may be obtained upon payment in advance by writing to AASHTO, 444 N. Capitol Street, NW., Suite 249, Washington, DC 20001; or it may be ordered on line at the following URL: <http://www.aashto.org/aashto/home.nsf/frontpage>.

² The IRRBP was established under the Transportation Equity Act for the 21st Century (see 23 U.S.C. 202(d)(4)(A) and the regulation can be found at 23 CFR 661) for improving deficient Indian reservation road highway bridges.

There are some minimal NBI data items that are collected for highway tunnels and non-highway bridges over certain highways that can be collected without trespassing on private property. These items are described in the "Recording and Coding Guide for the Structure Inventory and Appraisal of the Nation's Bridges."³

The Chickasaw Nation commented that it agreed that tribally owned bridges are not subject to 23 U.S.C. 144 explicitly, however: if a tribally owned bridge is planned for replacement with Federal funds such as IRRBP funds,⁴ then an inspection must be conducted. It also cautioned against considering tribally owned bridges not subject to the NBIS when many tribes consider all Indian Reservation Road (IRR) routes and bridges that fall within Indian lands to be tribally owned with right of way granted to the Bureau of Indian Affairs. It indicated that all bridges that fall on an IRR to be public regardless of ownership.

FHWA response: As stated previously, one of the requirements for participation in the IRRBP and eligibility for Federal funding is for the bridge to be recorded in the NBI maintained by the FHWA (see 23 CFR 661.25). In order for this to occur the bridge has to be inspected regardless of ownership. Therefore we agree that a tribally owned bridge needs to be inspected and placed in the NBI in order to obtain Federal funding via the IRRBP. For purposes of this rule, tribally owned bridges mean those bridges designed and constructed to FHWA standards, meeting the NBIS definition of a bridge, and open to the public. This rule addresses the responsibility for bridge safety inspections. It does not provide or intend to address ownership or jurisdictional issues of bridges on Indian reservations.

Section 650.305 Definitions

The Massachusetts, South Dakota and Tennessee DOTs were in favor of including a definition section.

The South Dakota DOT wanted clarification of what is meant by "major flood event," "critical finding," and "predominant bridge inspection experience." The Tennessee DOT wanted to know what "critical finding"

means as used in the proposed § 650.313(l).

FHWA response: We added a definition for "critical finding." A definition for "major flood event" is not required since the term has been removed from the regulation. We believe that the definition for "bridge inspection experience," which includes the statement that "the predominate amount" of experience be "bridge inspection," adequately addresses the intent that a preponderance of the experience for qualification should come from other than bridge design, bridge maintenance or bridge construction experience.

The Kansas DOT wanted the NBIS to either define, replace or eliminate the following terms: "public road," "highway bridge," "professional engineer," "predominant and substantial," "80 hours," "damage inspection," and "routine permit inspection."

The Iowa and Kansas DOTs as well as the AASHTO each recommended that the definition for "damage inspection" be changed. The Illinois DOT proposed a definition for "damage inspection."

The Missouri DOT indicated a preference for retaining the current definition for a "bridge." The Iowa DOT recommended a change in the first sentence of the "bridge" definition deleting reference to "other moving loads."

The Kansas DOT and the AASHTO did not like the 80-hour requirement used in the definition for "comprehensive bridge inspection training." The Kansas DOT was also concerned about its impact on local agencies being able to find qualified consultants with this level of training.

The Iowa DOT as well as the AASHTO recommended inclusion of the term "professional engineer" within the NBIS.

The New Jersey DOT wanted to include a definition for "public road."

The Washington DOT wanted the term "public authority" defined in the NBIS.

The Wyoming DOT commented that the NBIS should clearly identify whether it applies to "privately owned bridges," those located on seasonally opened roads, and those with limited access.

FHWA response: Definitions have been added for "professional engineer" and "damage inspection." The definition from the AASHTO manual for "damage inspection" that was proposed by the Illinois DOT has been adopted. The terms "80 hours," "substantial," "routine permit inspection," and "public authority" will not be used in

the regulation. The term "predominate" will continue to be used in the definition of bridge inspection experience as explained above. The terms "highway" and "public road" are already defined in 23 U.S.C. 101 (a) (11) and (27), respectively. Since the U. S. Code takes precedence over regulations, we reference 23 U.S.C. for the definitions for highway and public road. These definitions will be cited in § 650.305.

We will continue to use the AASHTO definition for "bridge," an action supported by the majority of commenters. The FHWA adopted the AASHTO definition for "bridge" early in the National Bridge Inspection Program. Title 23, U.S.C., section 151 directed the Secretary to establish national bridge inspection standards in consultation with the State transportation departments and interested and knowledgeable private organizations and individuals. Consultation with the State transportation departments through the AASHTO Highway Subcommittee on Bridges and Structures, convinced the FHWA to adopt the AASHTO definition of bridge that has been used since the NBIS was first drafted.

The ADCI wanted the NBIS to include Occupational Safety and Health Administration (OSHA) regulation requirements when diving operations are conducted. The ADCI also commented that a definition for OSHA Safety Standards for Commercial Diving Operations be included in the NBIS. The ADCI also recommended that the term "designated diving supervisor" be included with the definitions along with a revised definition for underwater inspection to indicate diving operations shall be completed in accordance with OSHA regulations.

FHWA response: The FHWA believes that safe diving practices as prescribed by OSHA regulations should be employed during all bridge inspection diving, but we do not reference them. OSHA regulations pertain to both underwater and above-water inspections, so any omission in this standard does not relieve diving inspectors of the requirement to follow OSHA regulations.

The term "designated diving supervisor" is not used in the regulation and will not be included in the definition section.

The Tennessee DOT provided commentary and questions regarding the use of the terms "action plan" and "inspection plan."

FHWA response: The Tennessee DOT points out that these terms are used throughout the regulation and that their

³ The "Recording and Coding Guide for Structure Inventory and Appraisal of the Nation's Bridges," December 1995, Report No. FHWA-PD-96-001, is available electronically at the following URL: <http://www.fhwa.dot.gov/bridge/mtguide/doc> and may be inspected and copied as prescribed in 49 CFR part 7.

⁴ IRRBP funds are provided under the Federal Lands Highway Program see 23 U.S.C. 202(d)(4)(A) and the regulation can be found at 23 CFR 661.

intent should be clear and consistent. Where these terms are used, we have made changes to clarify their meaning, or we have removed them. Refer to the preamble discussion of § 650.313.

The AASHTO and Kansas DOT indicated that the word "and" was missing in the AASHTO title.

FHWA response: We agree and have made this change.

The Massachusetts, Minnesota, Kansas, Michigan, Iowa, and Arkansas DOTs along with the AASHTO asked for a more precise definition of the terms used in the definition for "bridge inspection experience." The IACE discussed the impact of this definition on inspections performed by local agencies.

FHWA response: We have reviewed the definition of "bridge inspection experience" and made minor changes to address these comments. We noted that this definition is adequate to convey the minimum requirements for experience to assure that inspectors are qualified.

The New Jersey, Minnesota and Tennessee DOTs wanted clarification of the term "complex bridge."

FHWA response: The definition gives the States latitude to determine which bridges should be placed in this category and receive special attention. Including complex bridges in § 650.313 captures the intent in the AASHTO Manual that some structures deserve special attention. Cable stayed bridges, suspension bridges, and movable bridges require specialized procedures. The bridge inspection program manager, as defined in § 650.305, may determine that other bridge types require special attention.

The Michigan DOT recommended defining the term "fatigue sensitive" to distinguish from the term "fracture critical."

FHWA response: Since the term "fatigue sensitive" refers to steel members or details that may or may not be part of a load-path redundant system, and since this term is not used in the regulation, we have not added a definition to § 650.305.

The Iowa DOT recommended that "fracture critical inspection" be changed to "fracture critical member inspection." It also provided some commentary on the use of the term "hands on" in this definition and made some suggestions to modify the definition. The Minnesota and Oregon DOT were concerned about the definition for "fracture critical member" and recommended that it be rewritten.

FHWA response: The term "fracture critical" is consistent with the AASHTO Manual. The term "fracture critical member inspection" will be used in the

regulation. The intent is to give special attention to member or member components in spans that do not have load path redundancy.

The IACE, Michigan and Iowa DOTs commented that the definition for "hands-on" inspection should be modified using "may be supplemented by nondestructive testing" instead of "are supplemented by nondestructive testing."

The Iowa DOT recommended that the definition for "in-depth inspection" be modified to note that "hands on inspection may be necessary" but not mandatory.

FHWA response: The second sentence of the definition for "hands-on" has been modified by changing "are" to "may be" so that nondestructive testing is not a requirement of hands-on inspection. The definition for "in-depth inspection" has been modified to note that hands-on inspection may be necessary at some locations.

The Michigan DOT provided a discussion and questions regarding initial inspection. Their discussion states that the definition should include the term "routine inspection procedures" and require timelines for ratings. Collins Engineers commenting on § 650.311(a)(1) pointed out that the depth of routine, biennial inspections varies greatly and recommended a change reflecting that routine inspections be performed hands-on.

FHWA response: We have adopted the definitions for inspection types including "initial" and "routine" that are consistent with the AASHTO Manual.

The Indiana and Maryland DOTs provided commentary and suggested that the definition and role of the "program manager" needs clarification.

FHWA response: The Indiana DOT's concern is that the definition allows more than one program manager. That is a correct assessment of our intent. We do not want to restrict those States that want to have more than one program manager. However, the FHWA desires one individual with overall responsibility for § 650.307(c)(1) and (2). The Maryland DOT wants the definition changed to "eliminate the need for any small local jurisdiction to require fully trained individuals." A qualified team leader must be present for each initial, routine, in-depth, fracture critical member and underwater inspection, regardless of the jurisdiction, and a program manager must be available to provide overall direction to team leaders. The program manager definition in § 650.305 has been revised and the role clarified in § 650.307.

The Arkansas DOT wanted the term "responsible capacity" defined in the NBIS.

FHWA response: We have removed this term from the regulation.

The Iowa, Kansas and Washington DOTs as well as the AASHTO recommended that the definition for "legal load" be modified.

FHWA response: This definition allows the States the flexibility to use their own legal loads, established in State law.

The Illinois, Kansas, and Wisconsin DOTs and the AASHTO recommended changes for the definition "routine permit load."

FHWA response: We have amended the definition in § 650.305 to reflect these recommendations.

The Texas and Oklahoma DOTs recommended that the definition for "scour critical" be modified.

FHWA response: We have considered the comments on this topic and have provided a definition for "scour critical bridge." The NBI item number 113, scour critical bridge, is used to identify the current status of a bridge regarding its vulnerability to scour.

The observed scour condition is one determined during a bridge inspection, or during/after a flood event. A conclusion of instability would typically be attained by comparing the observed scour condition with: (a) The known foundation type and tip elevation, and (b) computed scour critical elevation as determined by an interdisciplinary team.

The evaluated scour condition is one determined by: (1) An assessment of the bridge information available such as foundation type and tip elevation; location of the bridge; review of bridge inspection files; comparison of channel profiles upstream of the bridge, within the bridge opening and downstream of the bridge; soil type; historical data from other bridges on an adjacent stream, and/or (2) a calculation to determine potential scour around the bridge foundation and/or stream instability in the vicinity of the bridge.

The Washington DOT recommended that the NBIS include a definition for "State transportation department."

FHWA response: The term "State transportation department" is already defined in 23 U.S.C. 101(a)(11).

Section 650.307 Bridge Inspection Organization

Federally Owned Bridges

The Missouri DOT wanted clarification that in § 650.307(a) States are relieved of responsibility for federally owned bridges. The Kansas

DOT indicated it is having problems obtaining data on federally owned bridges. The AASHTO suggested that supplying Federal bridge data is waived for Federal agencies.

FHWA response: States are no longer responsible for reporting inspection data on Federal bridges to the FHWA. Federal bridge owners report inspection data directly to the FHWA. The FHWA supplies Federal bridge inspection data to the States. For security and other purposes, the States should have an up-to-date inventory of Federal bridges located within each State.

Bridge Inspection Program Responsibility

The Michigan and Iowa DOTs in response to § 650.307(a) argued that public authorities and/or bridge owners should be responsible for bridge inspections and not the State. The Washington DOT noted that the majority of county and city bridges are inspected by their owners.

FHWA response: The present bridge inspection standards regulation requires the States to have a bridge inspection organization capable of performing the bridge inspections (23 CFR 650.303(a)). The part of the regulation that requires the actual inspection of all bridges on public roads (§ 650.305(a)) is written in the passive voice. Consequently, there might be some confusion as to who is responsible for inspecting each highway bridge in a State.

The FHWA believes, however, that the language of 23 U.S.C. 151 is clear that a State is ultimately responsible for the inspection of public highway bridges within the State, except for those that are federally owned or tribally owned. Subsection (a) of section 151 directs the Secretary, "in consultation with the State transportation departments and interested and knowledgeable private organizations," to establish the bridge inspection standards for "all highway bridges." In subsection (b) the Congress mandates that the standards shall, at a minimum, "specify, in detail, the method by which such inspections shall be carried out by the States." The final rule clears up any ambiguity caused by the existing regulation.

The State DOT can delegate to a smaller unit of the State, for example, a city or county, the inspection of bridges owned or controlled by that unit. A State can direct smaller State units to conduct the NBIS inspections on bridges under its control and that would satisfy § 650.307. However, because of the fundamental relationship established in title 23 of the U.S. Code between the FHWA and a State DOT, if

the inspections by a city or county were not done, the FHWA could withhold Federal-aid highway funds from the State.

Bridge Inspection Funding

The NACE commented on § 650.307(a) and asked why counties have to complete inspections using their own funds.

FHWA response: Federal Bridge Funds (i.e., Highway Bridge Replacement and Rehabilitation Program (HBRRP) funds) can be spent on bridge inspection activities, regardless of the agency performing the inspections. The use and distribution of HBRRP funds within the State is within the State's discretion.

Quality Assurance and Quality Control

The Wyoming DOT commented on § 650.307(c)(1) that all references to "quality assurance (QA)" be removed.

FHWA response: In the past, the FHWA addressed QA as part of a nonregulatory supplement to the Federal-aid program guide. QA is also addressed in the AASHTO Manual. Many States currently have active QA programs; some do not. The FHWA believes that it is imperative that a statewide or Federal agency wide QA program be in place to assure that bridge inspections are being conducted in accordance with these standards and to assure the quality of inspection data. We have included a definition of quality control (QC) and QA to reflect this in § 650.305.

Role of Consultants

The Washington DOT had a question regarding § 650.307(c) for acceptable roles of consultants based on the discussion in the preamble to the NPRM.

FHWA response: Consultants may perform § 650.307(c)(1) and/or (2) activities and functions. To ensure that all NBIS requirements are met, the State still needs a program manager, even when paragraph (c)(1) activities are performed by consultants.

The California DOT supports the changes contained in § 650.307(c).

OSHA Standards

The ADCI wanted to amend § 650.307(c) to add requirements for bridge inspection organizations to conduct dive operations in a safe manner by establishing dive team member qualifications and training for the conduct of safe diving operations that meet or exceed OSHA standards.

FHWA response: This comment was previously addressed in the discussion

of § 650.305 regarding diving operations meeting or exceeding OSHA standards.

Delegation of NBIS Functions

The Hillsdale County Road Commission (HCRC) in Michigan, commented that § 650.307(d) may enable the State to perform inspections of county bridges and was concerned about what will be charged and whether control will be lost regarding bridge postings.

FHWA response: States have always had the responsibility for inspections under the NBIS. Delegation of the NBIS functions to counties and other local agencies is a State issue.

Written Agreements

The Missouri, Illinois, Kansas, and Michigan DOTs as well as the AASHTO commented on § 650.307(d) and the ramifications of entering in agreements with local agencies, stating such agreements should not be part of the NBIS. The Indiana DOT indicated that it would need additional resources (i.e., funding) in order to comply with this section and stated that the intent of clearly defining responsibilities was good, but did not require a regulatory change. The Illinois DOT and the IACE maintain that local agencies and the State have excellent working relationships and need no agreements or State statutes. The New Jersey DOT expressed concern that this section might be interpreted to mean that bridge inspections are discretionary and may limit delegation to public authorities. The Minnesota DOT suggested a rewrite to this section to indicate that delegation does not relieve the State of program oversight or quality assurance. The Alabama DOT commented that the FHWA should "acknowledge that States may delegate NBIS requirements (not responsibilities) in accordance with any laws, regulations or policies that the States may have in effect." The California DOT supported the proposed change. The Marshall and Miami Counties in Kansas indicated that the States should be responsible to assure compliance and delegation should be by written agreement. The Miami County in Kansas further commented that the consequences of not following the NBIS should be strongly stated. Thirty-seven Kansas counties, seven Kansas cities, and one Kansas consultant commented that they did not want written agreements that were proposed in § 650.307(d) and that local agencies currently have a good working relationship with the State.

FHWA response: The FHWA has reconsidered its position on written agreements after reviewing the many

comments provided. The proposed requirement that delegation must be according to State law or fully executed written agreements has been removed. However, State transportation departments are encouraged to use formal means in delegating these activities and it is essential that all parties involved have a clear understanding as to what requirements are and are not being delegated. The State is still ultimately responsible for the inspection of public highway bridges within the State, except for those that are federally owned or tribally owned.

Program Manager Leadership

The Indiana DOT, in response to § 650.307(e), stated it would need additional resources (*i.e.*, funding) in order to comply with this section and argued that it did not require a regulatory change. The Illinois, Alabama, Kansas, Michigan and Oregon DOTs as well as the AASHTO were concerned regarding proposed language related to the requirement for "program manager."

The Illinois DOT noted that many local agencies use consulting engineers and that the rule change prohibits "program managers" from being consultants. The NACE stated that program manager guidelines are sufficient; however, the expectation that the same experience be required of a town with one bridge is not practical. The Marshal County in Kansas commented that delegated authorities be allowed to hire consultants to act as "project" managers. The Iowa DOT commented that § 650.307(e) qualification standard would place more education, training and experience requirements onto the counties and cities. Thirty-seven Kansas counties, seven Kansas cities, and one Kansas consultant commented that local agencies should continue to have the option to hire a consultant to handle inspections. The Alcona County Road Commission (ACRC) in Michigan commented that program manager requirements applying to towns with only one bridge is cause for serious local agency concern and requires further discussion.

FHWA response: The FHWA has reconsidered its position regarding each organizational unit being led by a program manager. The program manager qualification requirement applies to the overall State or Federal agency program level. Each State transportation department or Federal agency is only required to have one statewide or Federal agency wide program manager. Applying the program manager

requirement to organizational sub-units or delegated agencies is at the discretion of the State or Federal agency. However, State transportation departments remain responsible for the application of these standards to all highway bridges, even when inspections or other requirements are delegated. For this reason, State transportation departments should be cautious when delegating inspections or other requirements to local agencies that do not have a qualified bridge inspection program manager. In such cases, as in the example of the small town with one bridge and no qualified program manager, the State will assume a direct program manager role in the delegated inspection program.

Qualified consultants may be hired or contracted by State transportation departments, their delegated agencies, and Federal agencies to perform the activities and functions of these standards. However, to ensure that all of the requirements of these standards are met, the States or Federal agencies still need a program manager, even when consultants perform § 650.307(c)(1) activities and functions.

Section 650.309 Qualifications of Personnel

Professional Engineer Discipline; Comprehensive and Refresher Training

The Missouri DOT commented relative to § 650.309 (a)(1), that the NBIS should not specify the discipline of the professional engineer and that the States or Federal agencies can elect to adopt even more specific requirements. A private citizen noted that the professional engineer discipline should be specified as structural, and, that too much emphasis was placed on the professional engineer title rather than the amount and extent of experience and training. The New Jersey DOT stated that the program manager should be required to have field experience.

FHWA response: Our position remains as stated in the preamble to the NPRM that the laws governing licensure within each State or Federal agency ensure that professional engineers only practice engineering in the fields in which they are qualified and experienced. Furthermore, the State or Federal agency is responsible for ensuring that those individuals involved in the bridge inspection program meet the minimum qualifications defined in the NBIS. Although the regulations do not specify the engineering discipline of the professional engineer, individual States or Federal agencies can adopt requirements that are more stringent than the minimum requirements established by the NBIS.

The FHWA agrees that additional emphasis on training is needed. Recommendations from the June 2001 FHWA study of the "Reliability of Visual Inspection for Highway Bridges"⁵ also support the need for further emphasis on training. Accordingly, the regulation includes comprehensive training and refresher training requirements for program managers and team leaders.

Program Manager Qualifications

The South Dakota DOT indicated that they have a professional engineer exemption within their State and asked how the FHWA would address this issue.

FHWA response: Section 650.309 (a)(1) allows two ways of qualifying as a program manager, one of which is being a professional engineer. In those instances where the State exempts its staff from registration requirements, a program manager would have to either be a professional engineer, despite the exemption for State government employees, or have 10 years of bridge inspection experience.

Completion of Comprehensive Bridge Inspection Training

Mr. Todd Hertel commented on § 650.309(a)(2), asking why the program manager is given 12 months to complete training and not the team leader.

FHWA response: Ideally, an individual will have completed the comprehensive bridge inspection training prior to becoming a team leader or program manager. Exceptions to this should be rare. In recognition of the fact that some flexibility is needed to accommodate employee turnover and scheduling of the training, we have removed the 12-month time frame from § 650.309(a)(2). As stated above, the expectation is that individuals will complete the comprehensive training prior to becoming program managers or team leaders. When this is not possible, those individuals will aggressively seek to obtain the training as soon as possible, preferably within 12 months of becoming a program manager or team leader. Prior successful completion of the FHWA approved comprehensive bridge inspection training is acceptable for individuals serving as program managers and team leaders at the time this regulation becomes effective.

⁵ Reliability of Visual Inspection for Highway Bridges Vols I and II [FHWA-RD-01-020; FHWA-RD-01-021] is a publication which documents research done on the accuracy and reliability of the highway bridge inspection process. This report is available through the National Technical Information Service, Springfield, Virginia 22161 or it may be ordered online at the following URL: <http://www.ntis.gov>.

County Engineer Qualifications

The HCRC in Michigan asked if a county engineer would still be qualified to administer the county program that is performed by a consulting firm and if small consulting firms would be able to adhere to these personnel requirements.

FHWA response: The roles and responsibilities of a program manager have been clarified in § 650.307. The qualifications for a program manager or team leader apply regardless of the individual's employer, i.e., State, county, city, consulting firm, etc.

Comprehensive Bridge Inspection Training Requirement

The Missouri, Illinois, Maryland, Minnesota, Kansas, and Virginia DOTs as well as the AASHTO and the IACE in commenting on § 650.309(a)(2) do not agree with the requirement for "comprehensive bridge inspection training" for program managers particularly those who are professional engineers. The Massachusetts, South Dakota and California DOTs support the requirement for "comprehensive bridge inspection training" for program managers. The Pennsylvania DOT recommended that those currently serving as program managers be exempted from the comprehensive training requirement and that nonprofessional engineers should not be program managers. The IACE and the NACE stated that the "comprehensive bridge inspection training" would be burdensome on local agency resources. Thirty-six Kansas counties, six Kansas cities, and two Kansas consultants commented on the proposed § 650.309(a) that local agencies should continue to have the option to hire consultants to handle inspections, with the professional requirement for the program manager, but not the comprehensive training requirement.

FHWA response: The FHWA's position on comprehensive bridge inspection training for program managers has not changed from the previously proposed § 650.309(a)(2). We agree with the majority of commenters to the ANPRM, who were in favor of establishing training and experience requirements for the individual in charge of the bridge inspection program. A program manager needs to be thoroughly familiar with bridge inspection terminology and techniques along with data collection practices and procedures in order to ensure the consistency and reliability of the bridge inspection program. Completion of the same comprehensive training as required for team leaders is one method of addressing the consistency and

reliability issues. These issues apply regardless of the program manager's experience level or professional engineer status.

We have clarified the roles and responsibilities of the program manager in part to address the concerns expressed by several localities regarding the burden imposed by the training requirement.

The current comprehensive training course offered by the National Highway Institute (NHI) is not the only option available. A few States have developed their own comprehensive training and certification programs. In recognition of the need to retain this flexibility, States or Federal agencies are permitted to develop their own "comprehensive inspection training" programs subject to approval by the FHWA. The FHWA will use the "comprehensive bridge inspection training" definition and the "Bridge Inspector's Reference Manual (BIRM)"⁶ as criteria to apply when reviewing these programs. In addition, the NHI course material⁷ is available for those who wish to deliver the training using their own resources.

Regarding the FHWA approval of comprehensive training proposals, it is anticipated that the local FHWA Division office, in consultation with the FHWA Headquarters Office of Bridge Technology, will review and approve proposals from the States. The FHWA Headquarters Office of Bridge Technology will review and approve submittals from Federal agencies.

Professional Engineering, Specialty

The South Dakota and Virginia DOTs and Mr. Todd Hertel commented on § 650.309(b)(2)(i) asking what is meant by a bachelor's degree in "professional engineering" and recommended that it should say bachelor's degree in engineering.

FHWA response: The FHWA has reconsidered its position and has deleted the word "professional."

The New Jersey and Massachusetts DOTs commented on § 650.309(b)(2)(i) and noted that the engineering specialty is too vague and needs to be specified. The Massachusetts DOT stated that a bachelor's degree in civil, structural or related engineering discipline that

provides a background in structural analysis should be included.

FHWA response: The FHWA's position is that at a minimum, an individual with a bachelor's degree in engineering who has successfully completed the National Council of Examiners for Engineering and Surveying Fundamentals of Engineering examination and obtained two years of bridge inspection experience, would qualify as a team leader regardless of the specific discipline of the bachelor's degree. Although the phrase "bachelor's degree in engineering" is not specific to the discipline of engineering, individual States or Federal agencies can adopt requirements that are more stringent than the minimum established by the NBIS.

Engineers Educated at Foreign Universities

The New Jersey DOT commented on § 650.309(b)(2)(i) and indicated that engineers educated at foreign universities would not comply with the accreditation board requirement.

FHWA response: The Accreditation Board for Engineering and Technology (ABET) evaluates institutions outside of the United States. The evaluation is not the same as accreditation; however, an ABET evaluation can result in an assessment of "substantial equivalency." The "substantial equivalency" determination implies reasonable confidence that the foreign institution's program has prepared its graduates to begin professional practice at the entry level. Information on the substantial equivalent programs, including a list of programs that have been assessed by ABET, is available at http://www.abet.org/international/sub_equ_prgr1.html.

Additionally, in 1989, several countries including the United States entered an international agreement known as the "Washington Accord" which recognizes the substantial equivalency of engineering programs accredited by these countries. The accord further recommends that graduates of accredited undergraduate programs in any of the signatory countries be recognized by the other countries as having met the requirements for entry into the practice of engineering. Additional information, including a list of signatory countries, may be obtained at <http://www.washingtonaccord.org>.

In consideration of international engineering education programs, the regulation has been revised to reference the substantial equivalency options available through the ABET.

Engineer-in-Training

Mr. Todd Hertel commented on § 650.309(b)(2)(ii) and wanted to know why the engineer-in-training (EIT) is a requirement. The Miami County in Kansas commenter agreed with all provisions of § 650.309 especially the addition of an EIT as a team leader with two years experience. The Wyoming DOT and Mr. Jerry Fowler, private citizen, stated that the proposed qualifications for "team leader" were too stringent. The Illinois and Kansas DOTs, the IACE, and the AASHTO noted that §§ 650.309(b)(1) through 650.309(b)(4) were required for "team leaders"; however a team leader only needs to meet one of the qualifications, not all. The Maryland DOT stated that professional engineer team leaders with five years experience could be "grandfathered" with respect to the comprehensive training requirement. The Iowa DOT commented that the requirements of § 650.309(b) would place more education, training and inspection experience requirements onto counties and cities. The Pennsylvania DOT agreed with the proposed § 650.309(b); however, it argued that States with a rigorous training and certification program for inspectors should be allowed to substitute an acceptable combination of education, experience and training for the requirements in this section.

FHWA response: The EIT is not a requirement. It is a component of one of the options available for qualification as a team leader under § 650.309(b). The team leader requirements resulted in confusion among several commenters. Accordingly, the FHWA clarified the wording under § 650.309(b) and re-ordered the subparagraphs.

The FHWA's position on comprehensive bridge inspection training for team leaders has not changed from the previously proposed § 650.309(a)(2). We believe that an individual in a team leader position needs to be thoroughly familiar with bridge inspection terminology and techniques along with data collection practices and procedures regardless of the team leader's experience level or professional engineer status. With respect to "grandfathering" current team leaders who are professional engineers but have never completed comprehensive bridge inspection training, the expectation is that those individuals will aggressively seek to obtain the required training as soon as possible, preferably within 12 months of the effective date of this regulation. Prior successful completion of the FHWA approved comprehensive bridge

inspection training is acceptable for individuals serving as team leaders at the time this regulation becomes effective.

As indicated in a previous response, the current comprehensive training course offered by the National Highway Institute is not the only option available. A few States have developed their own comprehensive training and certification programs. In recognition of the need to retain this flexibility, States and Federal organizations are permitted to develop their own "comprehensive inspection training" programs subject to approval by the FHWA. The FHWA will use the comprehensive bridge inspection training definition and the "Bridge Inspector's Reference Manual (BIRM)" as criteria to apply when reviewing these programs. In addition, the National Highway Institute course material is available for those who wish to deliver the training using their own resources.

The FHWA acknowledges the Pennsylvania DOT comment, that there are acceptable alternative combinations of education, experience and training for the requirements of "team leader." Accordingly, we added § 650.309(b)(5) to provide another option to qualify as a team leader.

Bridge Inspection Experience

The Iowa DOT and the AASHTO commented on § 650.309(b)(3) as it relates to "bridge inspection experience" and noted that the term "predominant" used in the definition for this phrase be replaced with the word "substantial." Mr. Todd Hertel commented that a "year's experience" is not defined.

FHWA response: The FHWA recognizes that there are many factors involved in evaluating an individual's bridge inspection experience level. We believe that the definition for "bridge inspection experience," which includes the statement that "the predominate amount" of experience be "bridge inspection," adequately addresses the intent that a preponderance of the experience for qualification should come from other than bridge design, bridge maintenance or bridge construction experience.

Experience in the Field of Practice

The New Jersey DOT commented on § 650.309(b)(4) indicating that the regulation should mandate that a team leader with a professional engineer license should have experience in the field in which they are practicing.

FHWA position: We believe that the laws governing licensure within each State or Federal agency ensure that

professional engineers only practice engineering in the fields in which they are qualified and experienced. The process for obtaining a professional engineer license involves a requirement for a minimum number of years of engineering experience. It is the State or Federal agency's responsibility to ensure that the experience that qualified the individual for professional engineer status is relevant to bridge inspection activities. In addition, although the regulations do not specify a field inspection experience requirement for a team leader who is a professional engineer, individual States or Federal agencies can adopt requirements that are more stringent than the minimums established by the NBIS.

Load Rater Qualifications

The Missouri, Illinois, South Dakota, Alabama, and Pennsylvania DOTs agreed with the requirement in the proposed § 650.309(c). The Maryland DOT indicated that the term "determining" should be changed to "certifies" or "reviews and approves." The South Dakota DOT is concerned regarding the impact of the South Dakota exemption for State government professional engineers on this section. The Kansas DOT commented that a "structural engineer" might function in some States as the "professional engineer." The Illinois DOT and the AASHTO provided language addressing the State of Illinois use of "structural engineers" as a "professional engineer" specially used to perform structural evaluations.

The Virginia DOT did not agree with the proposed language and stated that a professional engineer license should not be required to fill out a computer data input form. The Pennsylvania DOT commented that responsibility for this individual should also include load-posting evaluations.

FHWA response: Bridge load rating calculations require engineering judgment in determining the safe load-carrying capacity of a bridge and arriving at posting and permitting decisions. Given the importance of these calculations, the person charged with the overall responsibility for load rating bridges should be a professional engineer. The licensing laws require that the professional engineer only practice engineering in areas where he/she is qualified and experienced. Although the discipline of the professional engineer is not specified in the regulation, States or Federal organizations may opt to require a more specific professional engineer discipline, such as structural engineering.

In some organizational structures, the overall responsibility for load ratings may rest with the program manager. In others, there may be several individuals responsible for determining load ratings, in which case each would have to be a professional engineer. The intent is not to require a professional engineer qualification for individuals who simply enter data into load rating computer programs, but rather require that the person(s) who provides the necessary engineering judgment and reviews and approves the actual load rating result be a professional engineer.

The posting of load restrictions on bridges is based in part on the load rating values provided by a professional engineer. As long as a professional engineer has accepted the load rating calculation, the FHWA does not see a need to require a professional engineer to make the posting decision as well. Again, a State or Federal agency may opt to require that the person responsible for load posting be a professional engineer.

Bridge Inspection Refresher Training

The Massachusetts DOT and the U.S. Navy commented that they were in favor of bridge inspection refresher training. The Pennsylvania DOT strongly supports refresher training of inspectors and team leaders every two years with exams; however, they recommended that the "refresher course" should be defined in the NBIS. Mr. Michael Magner, private citizen, indicated that in order to keep his National Institute for Certification in Engineering Technologies (NICET) certification he must document continuing education and experience every four years; therefore, he agrees with not only continuing training but also certification. The Wisconsin DOT does not agree with the proposed § 650.309(d), however, it believes in the concept of refresher training and that it should be left up to the State to determine frequency, content, and duration.

The Missouri DOT does not agree with the proposed § 650.309(d) for program managers and opposes the refresher training requirement for team leaders; however, it recognizes some merit to refresher training if there has been a lapse in conduct of inspections of 2 or more years.

The Indiana DOT agrees that the intent of refresher training is good; however, the costs and logistics involved in executing this requirement would place a strain on State resources. The Wyoming DOT commented that this refresher training should not be a requirement for program managers, but

should be required of team leaders as long as the training can be performed in-house. The Illinois DOT commented that because of the costs associated with refresher training they were reluctant to mandate this requirement especially for professional engineers.

The Minnesota DOT noted that the term "refresher training" is undefined, and as such may be overly burdensome and expensive and recommends that it be advisory and not mandatory. The Kansas DOT commented that training costs are significant and that they have no need for refresher training. The Washington DOT noted that the extent of refresher training needs clarification and that those who work full time in the inspection arena under an FHWA approved quality assurance program be exempted from this requirement.

The IACE indicated that the refresher training requirement would be a burden on the local agency resources. The NACE thought the refresher training provision to be costly for local governments and proposed a tiered approach based on bridge type and complexity. They also recommended that turning the training development and deployment over to the local technical assistance programs (LTAPs) would be a more economical approach.

The Iowa DOT commented that refresher training would place more requirements on the counties and cities. The ACRC in Michigan supported refresher training, but thought that it should be carefully tailored to local needs, and also be relevant, economical and of short duration. The AASHTO recommended that the NBIS not mandate refresher training every five years for all program managers and team leaders. The Virginia DOT asked that the requirement for refresher training for program managers be removed.

FHWA response: The FHWA has reevaluated the refresher training requirement. First, we have determined that refresher training would be more appropriately addressed as part of quality control (QC) and quality assurance (QA) procedures. Accordingly, we have deleted the proposed § 650.309(d) and revised § 650.313 to include refresher training as part of QC and QA. For additional details regarding QC and QA procedures see § 650.313 preamble discussion.

Second, we recognize there are some differences in inspection programs across the nation and the need for flexibility in determining the frequency, duration, and to some extent, the content of refresher training. Accordingly, we have added a definition of "bridge inspection

refresher training" under § 650.305 that allows for the necessary flexibility.

While the NHI Bridge Inspection Refresher 130053 training course^a would be acceptable, it is not the only option. States or Federal agencies are permitted to develop their own refresher training programs. The details of these programs, such as training content, frequency, and method of delivery, would be defined in the QA and QC procedures that are periodically reviewed by the FHWA under § 650.313(g).

Underwater Diver Bridge Inspection Training

The Missouri and Massachusetts DOTs agreed with the proposed § 650.309(e) that requires either the comprehensive bridge inspection training or other FHWA approved training for underwater bridge inspection divers.

The Wyoming DOT disagreed with the proposed § 650.309(e) in regards to the option of having FHWA approved underwater bridge inspection training. The Illinois DOT argued that divers did not need this degree of training if a qualified team leader were on site and in communication with the divers during underwater inspection. The Minnesota, Illinois and Kansas DOT stated that the pool of firms meeting this requirement would be reduced. The Maryland DOT suggested that the training requirement should be waived for those divers certified by a national diving authority, divers who are engineers with 5 years of experience, and divers who are non engineers with 10 years experience with a provision for refresher training every 5 years.

Thirty-four Kansas counties, eleven Kansas cities, and two Kansas consultants commented on the proposed § 650.309(e) that as long as team leaders are on site during underwater inspections, the diver does not need this training; however, two Kansas counties agreed that divers should complete the comprehensive training. The Virginia DOT and the AASHTO were not in favor of the proposed § 650.309(e), particularly since a qualified team leader must be present during the inspection.

Collins Engineers noted that the comprehensive course should be preceded by 40 hour engineering concepts for bridge engineers course for those with little or no practical bridge experience or background in bridge technology.

^a Information regarding this particular course of NHI training in general can be obtained at the following URL: <http://www.nhi.fhwa.dot.gov>.

FHWA Response: We have renumbered this section from the proposed § 650.309(e) to the final § 650.309(d). The FHWA does not concur with the commenters who argued that the presence of a team leader during the inspection negates the need for comprehensive training of the divers. During a typical underwater inspection, the divers are not under direct visual observation by the team leader. Divers need to be capable of conducting thorough inspections, recognizing defects and deterioration, and documenting and describing their observations using common terminology and techniques. For this reason, divers must complete the comprehensive training or alternate underwater diver bridge inspection training. States or Federal agencies are allowed to develop their own underwater diver bridge inspection training course. To provide additional clarification, a definition of "underwater diver bridge inspection training" has been added to § 650.305.

In situations where divers possess little or no experience in bridge inspection, training on basic engineering concepts and inspection techniques should be considered. The FHWA believes that the need for prerequisite training is an issue that must be evaluated on a case-by-case basis rather than specified in the regulation.

Collins Engineers noted that the comprehensive course currently offered by NHI does not address diving operations. The U.S. Navy and the ADCI recommended including reference to the OSHA regulations regarding diving operations within the NBIS.

FHWA response: The FHWA believes that safe diving practices as prescribed by the OSHA regulations should be employed during all bridge inspection diving, but we do not reference them. We believe that a reference would unnecessarily complicate this regulation. There are a number of OSHA regulations that pertain not only to underwater inspection but also above-water inspections, and any omission in this standard does not relieve diving inspectors of the requirement to follow OSHA regulations.

Training Certification

The Pennsylvania DOT commented on § 650.309 indicating that training needs to be coupled with certification tests. Furthermore, the Pennsylvania DOT stated that inspectors who have demonstrated prior knowledge through engineering degree or Fundamentals of Engineering exam should be provided an opportunity to waive training requirements via certification testing.

FHWA response: The regulation requires successful completion of comprehensive bridge inspection training. The FHWA has elected to leave the definition of "successful completion" to the States or Federal agencies. In some States, minimum passing grades on final examinations have been specified and the FHWA supports this concept.

We do not allow certification tests to substitute for comprehensive bridge inspection training. The FHWA believes that successful completion of the comprehensive bridge inspection training is appropriate regardless of an individual's education, experience, or professional engineer status.

Section 650.311 Inspection Frequency Routine Inspections

The Massachusetts DOT supported clarification of the inspection frequency. The Kansas, Tennessee, Michigan and Colorado DOTs as well as the AASHTO, the ACRC in Michigan and the NACE recommended that more flexibility should be given to adjust to unexpected weather events, or to permanently move a bridge or group of bridges to a more logical inspection period. The AASHTO recommended that routine inspections be performed "within a calendar year and later or within 2 months later." The NACE argued that a 90-day grace period would allow for efficient scheduling of inspections and personnel. The ACRC in Michigan and Arkansas DOT pointed out that the NPRM preamble discussed the 30-day grace period; however, the proposed regulation did not address this. The Arkansas DOT recommended a 45-day grace period.

FHWA response: The FHWA believes that the inspection frequency should not exceed 24 months. We recognize that severe weather, concern for bridge inspector safety, concern for inspection quality, the need to optimize scheduling with other bridges, or other unique situations may be cause to adjust the scheduled inspection date. The adjusted date should not extend more than 30 days beyond the scheduled inspection date, and subsequent inspections should adhere to the previously established interval.

Establishment of a formal inspection frequency grace period may have the unintended consequence of extending the inspection interval beyond twenty-four months. The twenty-four month interval has been used as the standard since the inception of the national bridge inspection program. Concern for safety makes us reluctant to take actions that may make bridges less safe,

therefore we have not established a grace period.

Routine Inspections Less Than 24 Months

The Michigan DOT commented on § 650.311(a)(2) that the program manager should put guidelines in place, but the ultimate responsibility for setting intervals less than 24-months should reside with the on-site inspector.

FHWA response: The FHWA believes criteria to determine the level and frequency of less than 24 month inspections should be established and implemented according to statewide or Federal agency wide procedures to ensure consistency throughout an entire State or Federal agency program. The term program manager was removed from this section to provide flexibility in how this provision is implemented.

Routine Inspections Not To Exceed 48 Months

The HCRC in Michigan in commenting on § 650.311(a)(3) applauded the opportunity for inspecting certain bridge types in up to 48-month intervals. The South Dakota DOT commented that they have been using the 48-month inspection frequency for certain structures and support this concept. The IACE commented that the proposed provision could be interpreted to prohibit local agencies from inspecting at greater than 24-month intervals. The Michigan DOT noted that the program should provide guidelines to let the States know factors being considered during the application process to lengthen the inspection interval otherwise each State might be treated differently depending on the local FHWA Division Office. The NACE and the ACRC in Michigan wanted to know if the 48-month option could be extended to local agency bridges. Thirty-seven Kansas counties, seven Kansas cities, and one Kansas consultant commented to the proposed § 650.311(a)(3) that the local agency should govern when bridges need inspection more than every 24 months.

FHWA response: In guidance published on September 16, 1988, the FHWA established consistent criteria for extending an inspection interval to 48 months, but maintains that approval be administered from the FHWA Office of Bridge Technology in order to maintain consistency across States and Federal agencies. Guidance on the 48-month inspection interval criteria can be found in the FHWA Technical Advisory T5140.21.⁹ The FHWA acknowledges

⁹ This document provides guidance for implementing the changes contained in the 1988

that further study is needed before consideration could be given to automatically allow certain bridges to be placed on a 48-month cycle. County bridges are also eligible; however, the State must support and submit the request for the extended inspection cycle to the FHWA for approval. The FHWA has removed the reference to State or Federal agencies in the proposed § 650.311(a)(3) to avoid confusion.

Underwater Inspections Less Than 60 Months

The Michigan DOT commented on § 650.311(b)(2) that the ultimate responsibility for setting interval less than 60 months should reside with the on-site inspector.

FHWA response: As with the routine inspection interval discussed earlier, the FHWA believes criteria to determine the level and frequency of less than 60-month inspections should be established and implemented according to statewide or Federal agency wide procedures to ensure consistency throughout an entire State or Federal agency program.

Underwater Inspections Not To Exceed 72 Months

The Missouri DOT commented on § 650.311(b)(3) and agreed that they would like to see a 72-month interval. The New Jersey DOT argued that this was excessive and should remain at the 60-month interval. The Indiana DOT agreed with the change, but would like the maximum moved out to 120 months. The IACE commented that the proposed provision could be interpreted to restrict local agencies from inspecting at greater than 60-month intervals and that there is inconsistent treatment of local agencies. The Iowa DOT thought the proposed provisions too restrictive and that flexibility be given to bridge owners in the range of 6 to 10 years for various reasons. The U.S. Navy commented that it was not in favor of extending the underwater inspection interval beyond 60 months and currently inspect on a 48-month interval to coincide with successive biennial inspections.

FHWA response: The FHWA believes that underwater inspection intervals for certain bridges can be extended to 72 months, with FHWA approval. The FHWA believes that applying engineering judgment and approval on a case-by-case basis to bridges with little or no change from inspection cycle to cycle in benign environments provides

an adequate margin of safety to the motoring public. Industry standards, such as those provided by the American Society of Civil Engineers (ASCE) in its "Underwater Investigations Standard Practice Manual, 2001,"¹⁰ promote a degree of latitude in the maximum interval between routine underwater inspections up to 6 years. The guidance provided is tied to material, environment, scour and condition rating from previous inspections. While we are including an additional year beyond the current 60-month underwater inspection interval, we are taking into consideration these same factors of material composition (timber, steel, concrete, protected or unprotected steel or timber, composite), environment (benign or aggressive), scour (susceptibility to scour) and previous condition rating (excellent to failed). Based on our assessment, again on a case-by-case basis, the FHWA may approve requests not to exceed 72 months. This authorization can be rescinded at any time owing to structural degradation, adverse change in environment and presence of localized bridge scour.

An example of a situation that may warrant an extended interval may include a highway bridge supported by concrete piles with no degradation over a lined irrigation canal carrying fresh water. An example of a situation that would not warrant approval would be a highway bridge over a high flow saltwater or brackish water environment, with structural piles showing degradation and subject to localized scour. Four-year frequencies may be used, if desired, but retention of the 60-month frequencies allows more flexibility to program managers. The FHWA does not believe there is justification at this time to warrant extended intervals beyond 72 months, but acknowledges that further study in this area is needed. The FHWA has removed the reference to State or Federal agencies in the proposed § 650.311(b)(3) to avoid confusion.

Fracture Critical Member Inspections

The Massachusetts DOT in commenting on § 650.311(c) supports clarification of the inspection frequency being proposed, specifically with regard to fracture critical (FC) inspections. The Texas DOT commented on § 650.311(c)(1) and indicated that preliminary estimates of having a "not to exceed 24 months" interval would increase statewide inspection costs by

\$10 million per year, that the program manager should be allowed to set that interval based on sound engineering judgment and FHWA approval and the maximum approved frequency should not exceed 60 months. The Texas DOT also commented that routine and underwater inspection frequency can be extended, and questioned why this does not apply to fracture critical inspection frequency.

The Illinois DOT noted that the proposed § 650.311(c)(1) establishes a 24-month maximum frequency for fracture critical members and recommended a 24-month interval that allows States to have the latitude to establish criteria for inspecting bridges at intervals up to 60 months. The Minnesota DOT recommended that "routine inspection of FCMs shall be at intervals not to exceed 24 months." The Kansas and Oregon DOTs argued that the 24-month interval was excessive and the Kansas, Wyoming, and New Mexico DOTs as well as the AASHTO recommended that States be allowed to establish intervals up to 60 months. The New Mexico DOT also urged that the discretion for an extension be left with the State bridge engineer or designee and not with the program manager.

The California DOT requested clarification regarding whether the proposed language applied to "fracture critical bridges" or to "bridges with fracture critical elements." The Wyoming and Kansas DOTs as well as the AASHTO recommended deletion of the proposed § 650.311(c)(3). The Washington DOT wanted clarification as to the nondestructive evaluation (NDE) methods to be used on FCMs.

FHWA response: The inspection frequency for fracture critical bridges was first defined in the "Recording and Coding Guide for the Structure Inventory and Appraisal of the Nation's Bridges."¹¹ The FHWA continues to believe that all FCMs or member components be given, at a minimum, a hands-on inspection as defined in § 650.305 at intervals not to exceed 24 months. The FHWA recognizes that the interval for use of NDE and other specialized techniques may be greater than 24 months. The FHWA also believes that some FCMs or member components should be inspected at more frequent intervals, and these

inspections may require NDE or other specialized techniques.

FCM Inspections Less Than 24 Months

The Michigan DOT commented on § 650.311(c)(2) and stated that the ultimate responsibility for setting intervals less than 24 months should reside with the on-site inspector.

FHWA response: As with other inspection intervals discussed above, criteria to determine the level and frequency of less than 24 month inspections should be established and implemented according to statewide or Federal agency wide procedures to ensure consistency throughout an entire State or Federal agency program.

Damage, In-Depth and Special Inspections

The Missouri and Minnesota DOTs commented on § 650.311(d) and agreed that the program manager should be provided the discretion to determine the level and frequency of damage, in-depth and special inspections. The Michigan DOT argued that § 650.311(d) takes away all responsibility from the inspector in the field and places it in the hands of a person who has not likely to have seen the specific bridge.

FHWA response: The FHWA believes that although input from a team leader is an important consideration, the ultimate decision should rest with the program manager in order to ensure consistency throughout an entire State or Federal agency program.

National Bridge Inventory Item Numbers

The Indiana DOT noted that proposed § 650.311 does not include any reference to NBI item number 92C,¹² other special detail inspections and asked if it is covered by § 650.311(d) and whether the inspection frequencies are to be determined by the program manager.

FHWA response: NBI item number 92C, other special inspection, is addressed in § 650.311 (d) Damage, in-depth and special inspection. Definition for special inspection is covered in § 650.305. The inspection frequency is established by the program manager.

Section 650.313 Inspection Procedures

The Oregon DOT stated that the requirements of § 650.313 were very reasonable.

¹² National Bridge Inventory "item number 92" denotes critical features that need special inspections or special emphasis during inspections and the designated inspection interval. Specifically item 92C addresses "other special inspection."

The Michigan DOT stated that § 650.313(a) contains conflicts with the AASHTO Manual that must be resolved.

FHWA response: The NBIS take precedence over the AASHTO Manual. The AASHTO Manual has excellent guidance that should be followed whenever it is not in conflict with the requirements of the NBIS.

On-Site Team Leader

The Massachusetts and South Dakota DOTs supported the proposed § 650.313(b). The Maryland, Kansas, and Michigan DOTs, as well as the AASHTO, do not support the requirement for having "team leader" on site at all times during inspection. The Tennessee DOT had questions regarding having a designated person act as "team leader" when the team leader is unavailable. Thirty-seven Kansas counties, seven Kansas cities, one Kansas consultant commented on the proposed § 650.313(b) and stated that there are too many structures to require the "team leader" at every inspection and that this requirement will likely increase local agency costs which would deplete funding available for bridge replacement and rehabilitation. The HCRC in Michigan commented on § 650.313(b) and asked whether this new requirement would mean that two people will have to perform inspections and, if so then there would be a costly increase for counties performing bridge inspections.

FHWA response: The requirement to have the team leader on site during the inspection is not new. However, the language requiring this was clarified in this section because the FHWA agrees there has been some misinterpretation of the NBIS in the past. The qualifications for team leader were established to ensure that those conducting the inspections meet specific minimum standards, not to establish qualifications of the supervisor of those who perform the inspection. This requirement does not mandate that two people are required to conduct an inspection. However, if only one person is conducting an inspection, that person must meet the qualifications of a team leader, as defined in the NBIS. Even though there is no requirement to have a minimum of 2 people on an inspection team, the FHWA highly recommends at least 2 people be present to ensure the safety of the inspectors, to improve the quality of the inspection data, and to provide opportunities to train new inspectors.

Load Rating and Posting

The Wyoming DOT commented on § 650.313(c) and stated that the new the

AASHTO, Manual for load and resistance factor rating (LRFR) of Highway Bridges¹³ could change some of this regulatory language if adopted by the AASHTO.

The Illinois DOT argued that the requirement to post bridges that are unable to carry routine permit loads not be applied to all structures under local agency jurisdiction, only those on local highways that are designated truck route system by the State for routine permit loads.

FHWA response: The FHWA agrees that the AASHTO, Manual for Condition Evaluation and LRFR of Highway Bridges uses new terminology. The phrase, "or equivalent rating factor" was included in the requirement to account for the differences. The FHWA also agrees that bridges under local jurisdiction on roads where unrestricted permit loads are not allowed, need not be posted for the permit loads. The FHWA believes the language in the requirement is consistent with that interpretation, since permit loads would be considered to be restricted from using those bridges. The FHWA agrees that bridge owners may post bridges for less than the operating load level, and the FHWA believes this final rule allows for that possibility.

When restricting routine or continuous permit loads from crossing specific bridges, States or Federal agencies may elect to erect posting signs or to issue restrictions to the permit holders to keep them from traveling specific routes with permit loads capacity problems. To account for different methods of controlling access for permit vehicles, the phrase, "Post or restrict" was added to § 650.313(c).

Bridge Files

The Wyoming DOT commented on § 650.313(d) and indicated that maintaining inspection records for the life of the bridge, while ideal, may not be realistic or beneficial in all cases and therefore recommended that this requirement be deleted. The Indiana DOT pointed out the problems associated with availability and storage of bridge data and that maintaining such files would be labor intensive. The Michigan DOT indicated that records no longer relevant should be purged from the files and recommended that § 650.311(d) be modified to allow

agencies to purge files. The Minnesota DOT noted that tracking "any action taken" would be very laborious and recommended that § 650.311(d) be changed to reflect that only "action(s) taken pursuant to the critical findings" be tracked. The Missouri, New Jersey and Michigan DOTs commented that "standard forms" or report documentation is somewhat confusing and can vary from State to State. The New Jersey DOT wants clarification whether electronic as well as paper documents would be included in the "bridge file." The Miami County in Kansas noted that the recording and coding guide format is appropriate for most bridge data reporting.

FHWA response: The FHWA agrees with the commenters that maintaining bridge records could be misunderstood to apply to all data, even though it may not be relevant or necessary to properly assess the current condition. The language was revised to state the minimum requirement is to maintain data that is relevant. The determination of relevant data is made by the program manager following guidance contained in the AASHTO Manual. We have revised the wording of § 650.313(d) accordingly. The FHWA agrees that "standard forms" is not specific, but it does indicate that for a given State or Federal agency, the forms should be consistent to facilitate recording and interpretation of the data. The wording of § 650.313(d) has been revised accordingly. The FHWA agrees that records may be maintained in paper or electronic versions, or both. The NBIS does not specify or eliminate either method.

Bridge Lists

The Wyoming DOT commented on § 650.313(e) and argued that the agency, not the program manager, should be responsible for identifying and maintaining bridge lists. Wyoming DOT urged that this provision should be deleted. The Massachusetts DOT supports the requirement for maintaining lists and does so with relative ease using a computerized database. The Illinois DOT, the IACE, and the AASHTO stated that the requirement to list bridges "vulnerable to seismic damage" should not be included in the NBIS. The Kansas DOT sees no benefit in keeping bridge lists assuming data is readily available. The Washington DOT seeks clarification as to what qualifies a bridge as "seismically vulnerable." The Michigan DOT viewed the bridge list requirement for multiple written documents and or plans for nearly every bridge in the

inventory as an overwhelming work burden for State DOTs.

FHWA response: The FHWA agrees with the commenters that the program manager may not be the designated individual who actually identifies bridges in specific categories. However, the FHWA believes the program manager has overall responsibility to see that such work is done. The language was revised to eliminate any specific reference to the person who identifies the bridges. The FHWA also agrees that maintaining a paper list is not necessarily the only way this requirement can be met. Computerized data base lists or simply an identifier in the State's inventory would satisfy the requirement. However, it is necessary to identify bridges in at least the specific categories listed so their unique inspection requirements and potential needs can be assessed appropriately.

The proposed requirement to identify and evaluate bridges in high seismic risk areas has been removed. We believe that this is an important consideration for bridge safety, best addressed through a comprehensive evaluation of seismic risk through a bridge management program. The FHWA has previously advised States to identify bridges vulnerable to seismic damage, based on a State's site specific assessment.

Fracture Critical Bridges

The Missouri, Illinois, Minnesota, Kansas and Wyoming DOTs as well as the AASHTO commented on § 650.313(f) and recommended that it should be deleted. The New Jersey DOT indicated that an electronic record of such bridges would meet this requirement. The Texas DOT commented that generating an "action plan" would not be an efficient use of resources, would not add any benefit and may contain redundant information. The Massachusetts, California and Pennsylvania DOTs supported this section. The Maryland DOT recommended that in lieu of § 650.313(f), we should require States to follow procedures described in the FHWA's "Inspection of Fracture Critical Bridge Members."¹⁴ The Michigan DOT viewed the bridge list requirement for multiple written documents and or plans for nearly every bridge in the inventory as an overwhelming work burden for State DOTs. The Oklahoma DOT recommended adding a waiver to § 650.313(f) for bridges with an average daily traffic (ADT) less than 500. The

Pennsylvania DOT recommended the addition of a fracture critical (FC) indicator to the NBIS to identify FC bridges.

FHWA response: The FHWA did not intend the proposed language for an "inspection plan" to be substantially different than the current rule, which requires identification, description, frequency and procedures to be established for fracture critical members (FCMs). Those items essentially would constitute the "plan." The FCM inspections should be done in accordance with FHWA-IP-86-26, "Inspection of Fracture Critical Bridge Members." Therefore the reference to a plan has been eliminated and language similar to the existing rule has been adopted. The features of the FCM inspections can be shown in a listing, on the inspection records, or in an electronic database. The proposed § 650.313(f) has been redesignated as § 650.313(e)(1).

Underwater Inspections

The Missouri, Wyoming, Illinois, Minnesota and Kansas DOTs as well as the AASHTO stated that § 650.313(g) should be deleted. The New Jersey DOT indicated that an electronic record of such bridges would meet this requirement, but stated that it is unclear. The Texas DOT commented that generating an action plan would not be an efficient use of resources, not add any benefit and may contain redundant information. The Massachusetts and California DOTs indicated support for this section. The Maryland DOT recommended that in lieu of § 650.313(g) the FHWA should require States to follow procedures described in the FHWA's Underwater Inspection of Bridges report.¹⁵ The Alabama DOT argued that this requirement would pose a significant burden on those States with a large population of bridges requiring underwater inspections, and be unnecessary, wasteful, and a duplicative effort. The Michigan DOT viewed the bridge list requirement for multiple written documents and or plans for nearly every bridge in the inventory as an overwhelming burden for State DOTs.

FHWA response: The FHWA did not intend the proposed language for an "inspection plan" to be substantially different from the current rule, which requires identification, description, frequency and procedures to be

established for members requiring underwater inspection. Those items essentially would constitute the "plan." Therefore the reference to a plan has been eliminated and language similar to the existing rule has been adopted. Those four features of the underwater inspections can be shown in a listing, on the inspection records, or in an electronic database. The proposed § 650.313(g) has been redesignated as § 650.313(e)(2).

Scour Critical Bridges

The Missouri DOT commented on § 650.313(h) and recommended that language regarding inspecting bridges after a "major flood" event should be changed to "consideration should be given to inspecting scour critical bridges after a major flood event." The Missouri and Colorado DOTs also noted that the "major flood event" guidance would be addressed in the "action plan."

The Texas DOT commented that generating an action plan would not be an efficient use of resources and, instead, proposed that generic guidelines be developed outlining appropriate evaluation milestones as well as monitoring criteria. The Indiana DOT indicated that at the State level there are scour plans; however, at the county level additional resources would be needed to develop scour plans. The Indiana, Wyoming, Illinois, Minnesota and Kansas DOTs as well as the AASHTO recommended deleting § 650.313(h). The Massachusetts DOT recommended that the requirement be changed to establishing a list of bridges that are vulnerable to events and developing monitoring and or inspection plans for such structures in the wake of a scour event. The South Dakota DOT asked for clarification of a "major flood event." The Washington DOT indicated that its inspection of bridges after major flood events are performed by maintenance staff and asked if this section required that a team leader perform these inspections. The California DOT indicated support for this section.

The Michigan DOT viewed the bridge list requirement for multiple written documents and or plans for nearly every bridge in the inventory as an overwhelming burden on State DOTs. Thirty-seven Kansas counties, seven Kansas cities, one Kansas consultant commented on the proposed § 650.313(h) and indicated that the requirement to prepare an action plan is not justified, and that the local agency should decide proper actions based on degree of risk. The Virginia DOT understood the need to have lists of scour critical bridges to identify

structures that needed inspection after a flood event; but did not agree that the NBIS covers retrofit guidelines.

FHWA response: Scour related deficiencies are the leading cause of serious bridge failures and closings. The requirements for scour evaluation and action plans are consistent with the existing requirement for evaluation of underwater members, with a renewed emphasis. The FHWA does agree with the commenters that the action plans for some bridges may be very similar and that monitoring and assessment after flood events may be done using different levels of effort depending on the degree of risk. The wording of this section was changed to reflect the need for some flexibility in the application of the action plans. Monitoring after flood events is described in the FHWA guidance manuals, "Evaluating Scour at Bridges"¹⁶ and "Bridge Scour and Stream Instability."¹⁷ The proposed § 650.313(h) has been redesignated as § 650.313(e)(3).

Seismic Vulnerability

The Missouri, Wyoming, Illinois, Minnesota, Kansas and Pennsylvania DOTs, the IACE and the AASHTO commented on § 650.313(i) and recommended that it should be deleted. The Colorado DOT urged that § 650.313(i) should be either deleted or rewritten to better define criteria for determining "seismic vulnerability" and expectation for the "action plan." The New Jersey DOT commented that it does not believe that "the benefit of such a program in New Jersey would be consistent with the costs to develop it considering the historical lack of damage from seismic events." The Indiana DOT indicated the proposed language is too vague, leaves too much for interpretation, and that additional resources would be needed at the county level.

The Massachusetts DOT recommended establishing a list of bridges that are vulnerable to events and developing monitoring and or inspection plans for such structures in the wake of a seismic event. The Illinois DOT and the IACE argued that this provision was an "unfunded mandate." The Washington DOT wanted

clarification as to what qualifies a bridge as "seismically vulnerable." The California DOT supported this section. The Michigan DOT viewed this requirement for multiple written documents and or plans for nearly every bridge in the inventory as an overwhelming burden for State DOTs. Thirty-seven Kansas counties, seven Kansas cities, one Kansas consultant disagreed with § 650.313(i) because they believe the requirement to prepare an action plan is not justified, and that it should be a local agency decision based on degree of risk. The Virginia DOT understood the need to have lists of seismically vulnerable bridges to identify structures that needed inspection after a significant seismic event; however, it does not agree that the NBIS covers retrofit guidelines. The Pennsylvania DOT noted that the term "seismic vulnerability" was not defined in § 650.305 and that the inspection requirement in § 650.313(i) is an open ended assignment that could be very costly, particularly in States with low seismic event probabilities.

FHWA response: The proposed requirement has been eliminated. Although we believe that this is an important consideration for bridge safety, we believe that it is best addressed by a comprehensive evaluation of seismic risk through a bridge management process.

Complex Bridges

The Missouri DOT opposed the proposed § 650.313(j) because it believes States have sufficient knowledge to recognize inspection needs for unusual bridges or features. The Wyoming and Minnesota DOTs and the AASHTO recommended that this provision should be deleted. The Texas DOT indicated that generating an "action plan" for "complex" bridges is not an efficient use of resources, would not add benefit and would likely contain redundant information. The Washington DOT commented that it needed further clarification as to "inspection and training requirements." The California DOT is unclear as to the level of effort needed to comply with preparation of the proposed complex bridge "inspection plan."

FHWA response: The FHWA agrees that the content of the plan was not clear in the proposed requirement. The language was changed to specify that the minimum requirement is to establish specialized inspection needs, level of effort and additional inspector training and/or experience. These procedures are applied to the unique features of complex bridges that would not normally be covered in a routine

inspection. We also clarified the definition for complex bridges. The proposed § 650.313(j) has been redesignated as § 650.313(f).

Quality Control and Quality Assurance

The Missouri DOT, regarding the proposed § 650.313(k), is opposed to the requirement of a formal QC and QA program. The Missouri DOT believes it would be redundant and not sufficiently enhance public safety compared to efforts expended to provide such a program. The Indiana DOT argued that they would need additional resources to comply with this requirement and also expressed concern over the subjectivity of the required FHWA approval. The Wyoming DOT urged that this provision should be deleted. The Massachusetts, South Dakota, California and Pennsylvania DOTs supported this provision.

The Illinois DOT was concerned about the FHWA having a more active role. The South Dakota DOT supports this concept, but believes that the program should be left up to the States.

The Minnesota DOT recommended rewording this section to say, "submit documentation of the QA program to the FHWA for review and comment." Additionally, the Minnesota DOT suggested that if QC is retained both QA and QC should be defined and the difference between them explained.

The Kansas DOT wanted to improve the consistency of NBI data by having the FHWA improve the "Edit/Update program" and distribute the program for general use. The Washington DOT asked for clarification as to the level of effort intended for submittal of QC and QA program documentation to the FHWA and requested criteria for program expectations.

The Michigan DOT recommended that the FHWA provide guidelines to the States outlining the evaluation factors used to grant approval, and that the FHWA should provide a standard for national uniformity. The Iowa DOT and the AASHTO recommended that the requirement to review load calculations be eliminated.

The ACRC in Michigan noted that in instances where inspection responsibilities are delegated to local agencies, the required QC and QA program should be developed in cooperation with the local agencies. Thirty-seven Kansas counties, seven Kansas cities, one Kansas consultant commented on § 650.313(k) and the majority indicated that they disagreed with the provision because the current limited oversight is working well. They recommended that the FHWA develop and distribute software to collect QA

and QC data to encourage consistency and uniformity nationwide. The Virginia DOT commented that the documentation of findings for the QC and QA program should be available for review and comment by the FHWA but should not be subject to FHWA approval.

FHWA response: We have added definitions for QC and QA that are consistent with the AASHTO Manual. An FHWA study, "Reliability of Visual Inspection for Highway Bridges," found wide variations in the condition assessment of typical highway bridges by experienced and trained inspectors from a variety of States. The study concludes that formal quality assurance is needed to obtain better uniformity in assigning condition codes. The FHWA believes that using computer software tools to check data is an important part of obtaining data accuracy and consistency, but is not adequate alone as a QC and QA procedure. The FHWA believes many States have well-developed and effective QC and QA procedures, but others have very minimal programs. This requirement will help States or Federal agencies develop more uniform systems that will lead toward more accurate national data. Example QC and QA procedures from other States are available at URL: <http://www.fhwa.dot.gov/bridge/index.htm> for review and consideration.

The FHWA agrees with commenters that methods of review of reports and computations may vary and the precise method should be done according to normal State or Federal agency procedures. The FHWA agrees that it is not necessary to include in the rule a specific requirement to submit the QC and QA procedure to the FHWA for approval. During NBIS program reviews¹⁸ the FHWA will examine QC and QA procedures. The proposed § 650.313(k) has been redesignated as § 650.313(g).

Follow-Up on Critical Findings

The Wyoming, Iowa, Illinois and Pennsylvania DOTs and the AASHTO commented on § 650.313(l) and recommended that this provision be deleted. The Missouri DOT had no objections on this provision, but recommended annual reporting. The Texas and Pennsylvania DOTs sought clarification as to how often this information should be provided and

recommended that the FHWA define the term "critical finding." The Maryland DOT suggested a definition for "critical finding" as "any condition that affects the safe passage of any legal vehicle." The South Dakota DOT supported this provision and also recommended that the States be allowed to set their own definition of "critical finding." The Washington DOT requested more details on how States are to report the information to the FHWA. The IACE did not see a benefit to requiring such information be reported since it would require additional resources to generate the information. The California DOT supported the proposed provision on the basis that its current FHWA reporting procedure be used. The Michigan DOT indicated that "critical findings" is not defined; frequency of reporting is not delineated and workload would double when this provision is applied to local agencies. The Colorado DOT recommended the provision should be deleted and the subject left to the language contained in § 650.313(d).

Thirty-seven Kansas counties, seven Kansas cities, one Kansas consultant commented on the proposed § 650.313(l) and the majority disagreed with the provision because the cost of establishing a statewide procedure to address critical findings is not justified. The Oklahoma DOT suggested revising this section to require the program manager be responsible for determining a procedure to address critical findings and that the FHWA should define the term "program manager."

FHWA response: The broad definition for "critical finding" was added to allow flexibility to establish, in cooperation with the FHWA, criteria and reporting procedures specific to a particular State or Federal agency. The FHWA noted that many States already have established procedures that are working well, and the rule was not meant to require significant changes in those procedures. "Notify the FHWA of actions taken to assure public safety" was changed to "Periodically notify the FHWA of the actions taken to resolve or monitor critical findings." The period between notifications is to be agreed upon between the FHWA and the State or Federal agency. The proposed § 650.313(l) has been redesignated as § 650.313(h).

Section 650.315 Inventory

Prepare and Maintain

The Oregon DOT commented that § 650.315 requirements are very reasonable. The Texas and Oklahoma DOTs suggested that the first sentence of

¹⁸ The NBIS program reviews are routinely done by the FHWA on an annual basis to determine compliance with the NBIS. This program is delineated in a June 22, 2001 memorandum that can be found at the following URL: <http://www.fhwa.dot.gov/bridge/index.htm>.

§ 650.315(a) be rewritten as follows:

"Each State and Federal agency must prepare and maintain an inventory of all bridges subject to the NBIS that are inspected according to § 650.307." The Texas DOT asked if the States were required to maintain an inventory of federally owned bridges even though they are not inspected by the States.

The Kansas DOT recommended that the second sentence in § 650.315(a) be rewritten to say, "State and Federal agencies must collect, retain and submit certain * * *".

The AASHTO recommended revising the first two sentences of § 650.315(a) as follows: "Each State must prepare and maintain an inventory of all bridges subject to the NBIS. Each Federal agency must prepare and maintain an inventory of all bridges subject to the NBIS."

FHWA response: We have modified § 650.315(a) by removing the word "and" and replacing it with the word "or." We do not require that States collect, report or retain the Federal bridge information. The FHWA annually provides a copy to each State of all the inspection information that was submitted by Federal agencies for each State. This is done so that the States may have a complete inventory and have access to Federal bridge data within the State.

Data Submittal Deadlines: Initial, Routine, In-Depth, Fracture Critical, Special and Underwater Inspections

The New Jersey DOT interpreted the proposed § 650.315(b) to apply only to major changes in NBI data rather than all inspection data which may not be available until the inspection report is complete. The Massachusetts DOT support the proposed changes. The Kansas DOT and the AASHTO recommended that inspection data from initial, routine, in-depth, fracture critical, special and underwater inspections be entered into the NBI within 120 days of inspection, rather than 90 days.

FHWA response: All inspection data is to be entered into the inventory whether it is new data or changed data. This is not always restricted to NBI item number 58¹⁹, NBI item number 59²⁰ and NBI item number 60²¹ since other items such as bridge clearances and

safety features, may also change during an inspection cycle. The FHWA believes that the 90 day (3 month) period for entering the data allows a reasonable amount of time for completion of the inspection report and data entry.

The FHWA believes that extending the time required for entering the data after inspection to 180 days (6 months) for States or Federal agencies is too long. The 90-day time period for entering the data is consistent with the current regulation. The FHWA only collects this data once a year and any delay in the data being properly inventoried would not provide the FHWA the most current data available. Up-to-date information is vital to the program oversight, management and stewardship for the State and the FHWA. It is also important that the FHWA have current data because this data is used to: (1) Distribute funds for the HRRP program (23 U.S.C. 144), (2) provide reports to Congress, and (3) make critical decisions regarding the bridge program. This necessitates adherence to a firm 90-day collection period.

Data Submittal Deadlines: Bridge Modifications and New Bridges

The Massachusetts DOT supported the changes proposed to § 650.315(c). The Minnesota DOT recommended extending timelines to provide more flexibility to inspection agencies entering data, "within one year not to exceed 90 days." The Kansas DOT and the AASHTO recommended allowing 120 days rather than 90 days to enter the data. The Washington DOT recommended adding a qualifier, "open to traffic," to appropriately consider bridges built in phased construction where only a portion of the bridge may be open.

FHWA response: The FHWA noted that extension of the time required for entering changed data because of bridge modifications or new bridge construction is not justified. The 90 day time frame for entering data is consistent with the current regulation. For the reasons listed in the FHWA response to § 650.315(b), up-to-date information is vital to the bridge program. If any part of a highway bridge is open to traffic it should be inspected and inventoried in accordance with the NBIS.

Data Submittal Deadlines: Load Restriction or Closure Status

The Massachusetts DOT supported the changes proposed to § 650.315(d). The Minnesota DOT recommended extending timelines to provide more flexibility to inspection agencies

entering data, "within one year not to exceed 90 days." The Kansas DOT and the AASHTO recommended allowing 120 days rather than 90 days to enter the data. The Minnesota DOT indicated it did not want to see the requirement to develop QA and QC measures to enforce these timelines.

FHWA response: The FHWA noted that the time required for entering changed data due to load restriction or closure status being extended to 180 days (6 months) is too long. The 90-day time frame for entering data is consistent with the current regulation. The FHWA only collects this data once a year and any delay in the data being properly inventoried would not provide the FHWA the most current data available. For the reasons listed in the FHWA response to § 650.315(b), up-to-date information is vital to the bridge program. The FHWA is not requiring that a "QA and QC measure" be developed to enforce these timelines.

Section 650.317 Reference Manuals

The South Dakota DOT supports § 650.317.

The Kansas DOT and the AASHTO recommended the FHWA combine § 650.317(a) and § 650.317(b). The Michigan DOT does not support the incorporation of the AASHTO Manual in § 650.317(a), reasoning that an overly detailed regulation could incur unnecessary liability for the States due to the difficulty of achieving 100 percent compliance. The AASHTO commented that the availability of a 2003 Interim revision to the AASHTO Manual would necessitate adding it to the reference manuals.

FHWA response: The FHWA does not agree with combining § 650.317(a) and § 650.317(b) since they are two distinct documents. The FHWA agrees that the 2003 Interim revision to the AASHTO Manual for Condition Evaluation of Bridges needs to be incorporated by reference and has made that change.

Related Rulemakings and Notices

The FHWA is also in the process of reviewing 23 CFR part 650, subpart D, Highway Bridge Replacement and Rehabilitation Program (HRRP). The FHWA published an advance notice of proposed rulemaking for the HRRP on September 26, 2001, at 66 FR 49152. The FHWA also recently published a notice of proposed rulemaking for the HRRP on June 21, 2004, at 69 FR 34314.

Rulemaking Analyses and Notices*Executive Order 12866 (Regulatory Planning and Review) and U.S. DOT Regulatory Policies and Procedures*

The FHWA has determined that this action is a significant regulatory action within the meaning of Executive Order 12866 and is significant within the meaning of the U.S. Department of Transportation regulatory policies and procedures. This action is considered significant because of the substantial public interest in the safety of highway bridges. The Office of Management and Budget (OMB) designated this regulation as a significant regulatory action and has reviewed it under E.O. 12866.

We have analyzed the costs associated with this rulemaking. We believe that the costs of the changes in this final rule will be minimal because we believe that most States already adhere to many of the inspection procedures set forth in this rule and, therefore, we believe these changes will add less than \$1 million to the costs associated with a multi-billion dollar program. Additionally, the bridge program is part of the Federal-aid highway program and, thus, the costs associated with this rule are eligible for funding under this program. We believe the changes to the inspection program are minor and will not be costly to the States. Finally, we have carefully analyzed the costs associated with the information collection and we believe the cost associated with the minor increase in burden hours will be \$52,000 or about \$1000 per State (to include the District of Columbia and Puerto Rico); therefore, the total cost of the entire information collection will be approximately \$13,552,000, or an average of \$260,000 per State. These information collection costs also may be reimbursed under the Federal-aid highway program.

This final rule will not adversely affect, in a material way, any sector of the economy. In addition, these changes will not interfere with any action taken or planned by another agency and will not materially alter the budgetary impact of any entitlements, grants, user fees, or loan programs. Consequently, a full regulatory evaluation is not required.

Regulatory Flexibility Act

In compliance with the Regulatory Flexibility Act (Pub. L. 96-354, 5 U.S.C. 601-612) the FHWA has evaluated the effects of this action on small entities and has determined that the action will not have a significant economic impact on a substantial number of small entities. Since the regulatory changes

are primarily directed to the States, which are not considered small entities for the purposes of the Regulatory Flexibility Act, the FHWA is able to certify that this final rule will not have a significant economic impact on a substantial number of small entities.

Unfunded Mandates Reform Act of 1995

This rule does not impose unfunded mandates as defined by the Unfunded Mandates Reform Act of 1995 (Pub. L. 104-4, March 22, 1995, 109 Stat. 48). This rule will not result in the expenditure by State, local, and tribal governments, in the aggregate, or by the private sector, of \$120.7 million or more in any one year (2 U.S.C. 1532). The definition of "Federal mandate" in the Unfunded Mandates Reform Act excludes financial assistance of the type in which State, local or tribal governments have authority to adjust their participation in the program in accordance with changes made in the program by the Federal government. The Federal-aid highway program permits this type of flexibility to the States. Additionally, funding to inventory highway bridges, as well as Indian reservation and park road bridges, is currently provided under 23 U.S.C. 144, Highway Bridge Replacement and Rehabilitation Program (HBRRP). Bridge inspection is an eligible activity under the HBRRP and Federal funding is available to the States under the HBRRP.

Executive Order 12988 (Civil Justice Reform)

This action meets applicable standards in section 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

Executive Order 13045 (Protection of Children)

We have analyzed this action under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This final rule is not an economically significant rule and does not concern an environmental risk to health or safety that may disproportionately affect children.

Executive Order 12630 (Taking of Private Property)

This action will not affect a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

Executive Order 13132 (Federalism)

This action has been analyzed in accordance with the principles and criteria contained in Executive Order 13132, and the FHWA has determined that this action will not have sufficient federalism implications to warrant the preparation of a Federalism assessment. The FHWA has also determined that this action does not preempt any State law or State regulation or affect the States' ability to discharge traditional State governmental functions.

Executive Order 13175 (Tribal Consultation)

The FHWA has analyzed this action under Executive Order 13175, dated November 6, 2000. The FHWA believes that this action will not have substantial direct effects on one or more Indian tribes; will not impose substantial direct compliance costs on Indian tribal governments; and will not preempt tribal law. Therefore, a tribal summary impact statement is not required.

Executive Order 12372 (Intergovernmental Review)

Paperwork Reduction Act

Under the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3501, *et seq.*), Federal agencies must obtain approval from the Office of Management and Budget (OMB) for each collection of information they conduct, sponsor, or require through regulations. The State reporting requirements related to the National Bridge Inspection Standards are covered by an existing FHWA information collection entitled Structure Inventory and Appraisal (SI&A) Sheet. The OMB control number for this collection is 2125-0501. The current annual burden imposed on the States under this information collection is 540,000 hours.

The SI&A sheets are used by the States and Federal agencies to provide to the FHWA the required information on annual bridge inspections. The FHWA has determined that the new requirements in this final rule will place an additional 2,080 burden hours on the States, which will result in a total annual burden of 542,080 hours. The additional burden is based on a review of the national bridge inspection data coupled with the additional NBIS requirements this rulemaking action

imposes on the States. These requirements include the development of procedures for follow-up on critical findings.

In the NPRM published on September 9, 2003, the FHWA proposed a burden increase of 67,000 hours for the information collection, OMB control number 2125-0501, and invited interested parties to send comments regarding any aspect of these information collection requirements. Such comments could include, but were not limited to: (1) Whether the collection of information will be necessary for the performance of the functions of the FHWA, including whether the information will have practical utility; (2) the accuracy of the estimated burden; (3) ways to enhance the quality, utility, and clarity of the collection of information; and (4) ways to minimize the collection burden without reducing the quality of the information collected. The FHWA did not receive any comments in response to the proposed burden hour increase of 67,000 hours. The revision to the information collection, OMB control number 2125-0501, based on this final rule will increase the burden hours by only 2,080 hours, a much smaller amount than that originally proposed in the NPRM.

National Environmental Policy Act

The agency has analyzed this action for the purpose of the National Environmental Policy Act of 1969 (42 U.S.C. 4321) and has determined that this action will not have any effect on the quality of the environment.

Executive Order 13211 (Energy Effects)

We have analyzed this rule under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use. We have determined that it is not a significant energy action under that order, because although it is a significant regulatory action under Executive Order 12866 it is not likely to have a significant adverse effect on the supply, distribution, or use of energy.

Regulation Identification Number

A regulation identification number (RIN) is assigned to each regulatory action listed in the Unified Agenda of Federal Regulations. The Regulatory Information Service Center publishes the Unified Agenda in April and October of each year. The RIN contained in the heading of this document can be used to cross-reference this action with the Unified Agenda.

Bridges, Grant Programs—transportation, Highways and roads, Incorporation by reference, Reporting and record keeping requirements.

Issued on: December 9, 2004.

Mary E. Peters,
Federal Highway Administrator.

■ In consideration of the foregoing, the FHWA is amending title 23, Code of Federal Regulations, part 650, subpart C, as follows:

PART 650—BRIDGES, STRUCTURES, AND HYDRAULICS

■ 1. The authority citation for part 650 continues to read as follows:

Authority: 23 U.S.C. 109 (a) and (h), 144, 151, 315, and 319; 33 U.S.C. 401, 491 *et seq.*, 511 *et seq.*; 23 CFR 1.32; 49 CFR 1.40(b), E.O. 11988 (3 CFR, 1977 Comp. p. 117); Department of Transportation Order 5650.2 dated April 23, 1979 (44 FR 24678); sec. 161 of Public Law 97-424, 96 Stat. 2097, 3135; sec. 4(b) of Public Law 97-134, 95 Stat. 1699; and sec. 1057 of Public Law 102-240, 105 Stat. 2002; and sec. 1311 of Pub. L. 105-178, as added by Pub. L. 105-206, 112 Stat. 842 (1998).

■ 2. Revise subpart C to read as follows:

Subpart C—National Bridge Inspection Standards

Soc.	
650.301	Purpose.
650.303	Applicability.
650.305	Definitions.
650.307	Bridge inspection organization.
650.309	Qualifications of personnel.
650.311	Inspection frequency.
650.313	Inspection procedures.
650.315	Inventory.
650.317	Reference manuals.

Subpart C—National Bridge Inspection Standards

§ 650.301 Purpose.

This subpart sets the national standards for the proper safety inspection and evaluation of all highway bridges in accordance with 23 U.S.C. 151.

§ 650.303 Applicability.

The National Bridge Inspection Standards (NBIS) in this subpart apply to all structures defined as highway bridges located on all public roads.

§ 650.305 Definitions.

Terms used in this subpart are defined as follows:

American Association of State Highway and Transportation Officials (AASHTO) Manual. "Manual for Condition Evaluation of Bridges," second edition, published by the American Association of State Highway and Transportation Officials

(incorporated by reference, *see* § 650.317).

Bridge. A structure including supports erected over a depression or an obstruction, such as water, highway, or railway, and having a track or passageway for carrying traffic or other moving loads, and having an opening measured along the center of the roadway of more than 20 feet between undercopings of abutments or spring lines of arches, or extreme ends of openings for multiple boxes; it may also include multiple pipes, where the clear distance between openings is less than half of the smaller contiguous opening.

Bridge inspection experience. Active participation in bridge inspections in accordance with the NBIS, in either a field inspection, supervisory, or management role. A combination of bridge design, bridge maintenance, bridge construction and bridge inspection experience, with the predominant amount in bridge inspection, is acceptable.

Bridge inspection refresher training. The National Highway Institute "Bridge Inspection Refresher Training Course"¹ or other State, local, or federally developed instruction aimed to improve quality of inspections, introduce new techniques, and maintain the consistency of the inspection program.

Bridge Inspector's Reference Manual (BIRM). A comprehensive FHWA manual on programs, procedures and techniques for inspecting and evaluating a variety of in-service highway bridges. This manual may be purchased from the U.S. Government Printing Office, Washington, DC 20402 and from National Technical Information Service, Springfield, Virginia 22161, and is available at the following URL: <http://www.fhwa.dot.gov/bridge/bripub.htm>.

Complex bridge. Movable, suspension, cable stayed, and other bridges with unusual characteristics.

Comprehensive bridge inspection training. Training that covers all aspects of bridge inspection and enables inspectors to relate conditions observed on a bridge to established criteria (see the Bridge Inspector's Reference Manual for the recommended material to be covered in a comprehensive training course).

Critical finding. A structural or safety related deficiency that requires immediate follow-up inspection or action.

Damage inspection. This is an unscheduled inspection to assess structural damage resulting from environmental factors or human actions.

¹ The National Highway Institute training may be found at the following URL: <http://www.nhi.fhwa.dot.gov/>

Fracture critical member (FCM). A steel member in tension, or with a tension element, whose failure would probably cause a portion of or the entire bridge to collapse.

Fracture critical member inspection. A hands-on inspection of a fracture critical member or member components that may include visual and other nondestructive evaluation.

Hands-on. Inspection within arms length of the component. Inspection uses visual techniques that may be supplemented by nondestructive testing.

Highway. The term "highway" is defined in 23 U.S.C. 101(a)(11).

In-depth inspection. A close-up, inspection of one or more members above or below the water level to identify any deficiencies not readily detectable using routine inspection procedures; hands-on inspection may be necessary at some locations.

Initial inspection. The first inspection of a bridge as it becomes a part of the bridge file to provide all Structure Inventory and Appraisal (SI&A) data and other relevant data and to determine baseline structural conditions.

Legal load. The maximum legal load for each vehicle configuration permitted by law for the State in which the bridge is located.

Load rating. The determination of the live load carrying capacity of a bridge using bridge plans and supplemented by information gathered from a field inspection.

National Institute for Certification in Engineering Technologies (NICET). The NICET provides nationally applicable voluntary certification programs covering several broad engineering technology fields and a number of specialized subfields. For information on the NICET program certification contact: National Institute for Certification in Engineering Technologies, 1420 King Street, Alexandria, VA 22314-2794.

Operating rating. The maximum permissible live load to which the structure may be subjected for the load configuration used in the rating.

Professional engineer (PE). An individual, who has fulfilled education and experience requirements and passed rigorous exams that, under State licensure laws, permits them to offer engineering services directly to the public. Engineering licensure laws vary from State to State, but, in general, to become a PE an individual must be a graduate of an engineering program accredited by the Accreditation Board for Engineering and Technology, pass the Fundamentals of Engineering exam,

gain four years of experience working under a PE, and pass the Principles of Practice of Engineering exam.

Program Manager. The individual in charge of the program, that has been assigned or delegated the duties and responsibilities for bridge inspection, reporting, and inventory. The program manager provides overall leadership and is available to inspection team leaders to provide guidance.

Public road. The term "public road" is defined in 23 U.S.C. 101(a)(27).

Quality assurance (QA). The use of sampling and other measures to assure the adequacy of quality control procedures in order to verify or measure the quality level of the entire bridge inspection and load rating program.

Quality control (QC). Procedures that are intended to maintain the quality of a bridge inspection and load rating at or above a specified level.

Routine inspection. Regularly scheduled inspection consisting of observations and/or measurements needed to determine the physical and functional condition of the bridge, to identify any changes from initial or previously recorded conditions, and to ensure that the structure continues to satisfy present service requirements.

Routine permit load. A live load, which has a gross weight, axle weight or distance between axles not conforming with State statutes for legally configured vehicles, authorized for unlimited trips over an extended period of time to move alongside other heavy vehicles on a regular basis.

Scour. Erosion of streambed or bank material due to flowing water; often considered as being localized around piers and abutments of bridges.

Scour critical bridge. A bridge with a foundation element that has been determined to be unstable for the observed or evaluated scour condition.

Special inspection. An inspection scheduled at the discretion of the bridge owner, used to monitor a particular known or suspected deficiency.

State transportation department. The term "State transportation department" is defined in 23 U.S.C. 101(a)(34).

Team leader. Individual in charge of an inspection team responsible for planning, preparing, and performing field inspection of the bridge.

Underwater diver bridge inspection training. Training that covers all aspects of underwater bridge inspection and enables inspectors to relate the conditions of underwater bridge elements to established criteria (see the Bridge Inspector's Reference Manual section on underwater inspection for the recommended material to be covered in

an underwater diver bridge inspection training course).

Underwater inspection. Inspection of the underwater portion of a bridge substructure and the surrounding channel, which cannot be inspected visually at low water by wading or probing, generally requiring diving or other appropriate techniques.

§ 650.307 Bridge inspection organization.

(a) Each State transportation department must inspect, or cause to be inspected, all highway bridges located on public roads that are fully or partially located within the State's boundaries, except for bridges that are owned by Federal agencies.

(b) Federal agencies must inspect, or cause to be inspected, all highway bridges located on public roads that are fully or partially located within the respective agency responsibility or jurisdiction.

(c) Each State transportation department or Federal agency must include a bridge inspection organization that is responsible for the following:

(1) Statewide or Federal agencywide bridge inspection policies and procedures, quality assurance and quality control, and preparation and maintenance of a bridge inventory.

(2) Bridge inspections, reports, load ratings and other requirements of these standards.

(d) Functions identified in paragraphs (c)(1) and (2) of this section may be delegated, but such delegation does not relieve the State transportation department or Federal agency of any of its responsibilities under this subpart.

(e) The State transportation department or Federal agency bridge inspection organization must have a program manager with the qualifications defined in § 650.309(a), who has been delegated responsibility for paragraphs (c)(1) and (2) of this section.

§ 650.309 Qualifications of personnel.

(a) A program manager must, at a minimum:

(1) Be a registered professional engineer, or have ten years bridge inspection experience; and

(2) Successfully complete a Federal Highway Administration (FHWA) approved comprehensive bridge inspection training course.

(b) There are five ways to qualify as a team leader. A team leader must, at a minimum:

(1) Have the qualifications specified in paragraph (a) of this section; or

(2) Have five years bridge inspection experience and have successfully completed an FHWA approved comprehensive bridge inspection training course; or

(3) Be certified as a Level III or IV Bridge Safety Inspector under the National Society of Professional Engineer's program for National Certification in Engineering Technologies (NICET) and have successfully completed an FHWA approved comprehensive bridge inspection training course, or

(4) Have all of the following:

(i) A bachelor's degree in engineering from a college or university accredited by or determined as substantially equivalent by the Accreditation Board for Engineering and Technology;

(ii) Successfully passed the National Council of Examiners for Engineering and Surveying Fundamentals of Engineering examination;

(iii) Two years of bridge inspection experience; and

(iv) Successfully completed an FHWA approved comprehensive bridge inspection training course, or

(5) Have all of the following:

(i) An associate's degree in engineering or engineering technology from a college or university accredited by or determined as substantially equivalent by the Accreditation Board for Engineering and Technology;

(ii) Four years of bridge inspection experience; and

(iii) Successfully completed an FHWA approved comprehensive bridge inspection training course.

(c) The individual charged with the overall responsibility for load rating bridges must be a registered professional engineer.

(d) An underwater bridge inspection diver must complete an FHWA approved comprehensive bridge inspection training course or other FHWA approved underwater diver bridge inspection training course.

§ 650.311 Inspection frequency.

(a) *Routine inspections.* (1) Inspect each bridge at regular intervals not to exceed twenty-four months.

(2) Certain bridges require inspection at less than twenty-four-month intervals. Establish criteria to determine the level and frequency to which these bridges are inspected considering such factors as age, traffic characteristics, and known deficiencies.

(3) Certain bridges may be inspected at greater than twenty-four month intervals, not to exceed forty-eight months, with written FHWA approval. This may be appropriate when past inspection findings and analysis justifies the increased inspection interval.

(b) *Underwater inspections.* (1) Inspect underwater structural elements at regular intervals not to exceed sixty months.

(2) Certain underwater structural elements require inspection at less than sixty-month intervals. Establish criteria to determine the level and frequency to which these members are inspected considering such factors as construction material, environment, age, scour characteristics, condition rating from past inspections and known deficiencies.

(3) Certain underwater structural elements may be inspected at greater than sixty-month intervals, not to exceed seventy-two months, with written FHWA approval. This may be appropriate when past inspection findings and analysis justifies the increased inspection interval.

(c) *Fracture critical member (FCM) inspections.* (1) Inspect FCMs at intervals not to exceed twenty-four months.

(2) Certain FCMs require inspection at less than twenty-four-month intervals. Establish criteria to determine the level and frequency to which these members are inspected considering such factors as age, traffic characteristics, and known deficiencies.

(d) Damage, in-depth, and special inspections. Establish criteria to determine the level and frequency of these inspections.

§ 650.313 Inspection procedures.

(a) Inspect each bridge in accordance with the inspection procedures in the AASHTO Manual (incorporated by reference, *see* § 650.317).

(b) Provide at least one team leader, who meets the minimum qualifications stated in § 650.309, at the bridge at all times during each initial, routine, in-depth, fracture critical member and underwater inspection.

(c) Rate each bridge as to its safe load-carrying capacity in accordance with the AASHTO Manual (incorporated by reference, *see* § 650.317). Post or restrict the bridge in accordance with the AASHTO Manual or in accordance with State law, when the maximum unrestricted legal loads or State routine permit loads exceed that allowed under the operating rating or equivalent rating factor.

(d) Prepare bridge files as described in the AASHTO Manual (incorporated by reference, *see* § 650.317). Maintain reports on the results of bridge inspections together with notations of any action taken to address the findings of such inspections. Maintain relevant maintenance and inspection data to allow assessment of current bridge condition. Record the findings and results of bridge inspections on standard State or Federal agency forms.

(e) Identify bridges with FCMs, bridges requiring underwater inspection, and bridges that are scour critical.

(1) Bridges with fracture critical members. In the inspection records, identify the location of FCMs and describe the FCM inspection frequency and procedures. Inspect FCMs according to these procedures.

(2) Bridges requiring underwater inspections. Identify the location of underwater elements and include a description of the underwater elements, the inspection frequency and the procedures in the inspection records for each bridge requiring underwater inspection. Inspect those elements requiring underwater inspections according to these procedures.

(3) Bridges that are scour critical. Prepare a plan of action to monitor known and potential deficiencies and to address critical findings. Monitor bridges that are scour critical in accordance with the plan.

(f) *Complex bridges.* Identify specialized inspection procedures, and additional inspector training and experience required to inspect complex bridges. Inspect complex bridges according to those procedures.

(g) *Quality control and quality assurance.* Assure systematic quality control (QC) and quality assurance (QA) procedures are used to maintain a high degree of accuracy and consistency in the inspection program. Include periodic field review of inspection teams, periodic bridge inspection refresher training for program managers and team leaders, and independent review of inspection reports and computations.

(h) *Follow-up on critical findings.* Establish a statewide or Federal agency wide procedure to assure that critical findings are addressed in a timely manner. Periodically notify the FHWA of the actions taken to resolve or monitor critical findings.

§ 650.315 Inventory.

(a) Each State or Federal agency must prepare and maintain an inventory of all bridges subject to the NBIS. Certain Structure Inventory and Appraisal (SI&A) data must be collected and retained by the State or Federal agency for collection by the FHWA as requested. A tabulation of this data is contained in the SI&A sheet distributed by the FHWA as part of the "Recording and Coding Guide for the Structure Inventory and Appraisal of the Nation's Bridges," (December 1995) together with subsequent interim changes or the most recent version. Report the data using FHWA established procedures as

outlined in the "Recording and Coding Guide for the Structure Inventory and Appraisal of the Nation's Bridges."

(b) For routine, in-depth, fracture critical member, underwater, damage and special inspections enter the SI&A data into the State or Federal agency inventory within 90 days of the date of inspection for State or Federal agency bridges and within 180 days of the date of inspection for all other bridges.

(c) For existing bridge modifications that alter previously recorded data and for new bridges, enter the SI&A data into the State or Federal agency inventory within 90 days after the completion of the work for State or Federal agency bridges and within 180 days after the completion of the work for all other bridges.

(d) For changes in load restriction or closure status, enter the SI&A data into the State or Federal agency inventory within 90 days after the change in status of the structure for State or Federal agency bridges and within 180 days after the change in status of the structure for all other bridges.

§ 650.317 Reference manuals.

(a) The materials listed in this subpart are incorporated by reference in the corresponding sections noted. These incorporations by reference were approved by the Director of the Federal Register in accordance with 5 U.S.C. 552(a) and 1 CFR part 51. These materials are incorporated as they exist on the date of the approval, and notice of any change in these documents will be published in the *Federal Register*. The materials are available for purchase at the address listed below, and are available for inspection at the National Archives and Records Administration (NARA). These materials may also be reviewed at the Department of Transportation Library, 400 Seventh Street, SW., Washington, DC, in Room 2200. Financial Crimes Enforcement Network; Interpretive Release 2004-1—Anti-Money Laundering Program Requirements for Money Services Businesses With Respect to Foreign Agents or Foreign Counterparties

AGENCY: Financial Crimes Enforcement Network (FinCEN), Treasury.

ACTION: Final rule; interpretive release.

SUMMARY: This Interpretive Release sets forth an interpretation of the regulation requiring Money Services Businesses that are required to register with FinCEN to establish and maintain anti-money laundering programs. Specifically, this Interpretive Release clarifies that the anti-money laundering program regulation requires such Money Services Businesses to establish adequate and appropriate policies, procedures and controls commensurate with the risk of money laundering and the financing of terrorism posed by their relationship with foreign agents or foreign counterparties of the Money Services Business.

DATES: Effective June 13, 2005.

FOR FURTHER INFORMATION CONTACT: Office of Regulatory Policy and Programs Division, 1-800-800-2877, Office of Chief Counsel (703) 905-3590 (not a toll free number).

SUPPLEMENTARY INFORMATION: Section 5318(h) of the Bank Secrecy Act, which is codified in subchapter II of chapter 53 of title 31, United States Code, requires every financial institution to establish an anti-money laundering program. The Bank Secrecy Act regulations define financial institution to include money service businesses. On April 29, 2002, FinCEN issued interim final rules-31

CFR 103.125-concerning the application of the anti-money laundering program requirement to money services businesses. 67 FR 21114.

Authority and Issuance

■ For the reasons set forth in the preamble, part 103 of title 31 of the Code of Federal Regulations is amended as follows:

PART 103—FINANCIAL RECORDKEEPING AND REPORTING OF CURRENCY AND FOREIGN TRANSACTIONS

■ 1. The authority citation for part 103 continues to read as follows:

Authority: 12 U.S.C. 1829b and 1951-1959; 31 U.S.C. 5311-5314 and 5316-5332; title III, secs. 312, 313, 314, 319, 326, 352, Pub. L. 107-56, 115 Stat. 307, 12 U.S.C. 1786(q).

■ 2. Part 103 is amended by adding a new appendix C to read as follows:

APPENDIX C TO PART 103—INTERPRETIVE RULES

Release No. 2004-01

This Interpretive Guidance sets forth our interpretation of the regulation requiring Money Services Businesses that are required to register with FinCEN to establish and maintain anti-money laundering programs. See 31 CFR 103.125. Specifically, this Interpretive Guidance clarifies that the anti-money laundering program regulation requires Money Services Businesses to establish adequate and appropriate policies, procedures, and controls commensurate with the risks of money laundering and the financing of terrorism posed by their relationship with foreign agents or foreign counterparties of the Money Services Business.¹

Under existing Bank Secrecy Act regulations, we have defined Money Services Businesses to include five distinct types of financial services providers and the U.S. Postal Service: (1) Currency dealers or exchangers; (2) check cashers; (3) issuers of traveler's checks, money orders, or stored

¹ This Interpretive Guidance focuses on the need to control risks arising out of the relationship between a Money Service Business and its foreign counterparty or agent. Under existing FinCEN regulations, only Money Service Business principals are required to register with FinCEN, and only Money Service Business principals establish the counterparty or agency relationships. 31 CFR 103.41. Accordingly, this Interpretive Guidance only applies to those Money Service Businesses required to register with FinCEN, that is, only those Money Service Businesses that may have a relationship with a foreign agent or counterparty.

CFR part 149. CBP is revising the Appendix D ISF bond language to add the \$5,000 liquidated damages clause contained in the other bond provisions.

This amendment is consistent with the background portion of the Supplementary Information to the interim final rule. In discussing the changes made from the Notice of Proposed Rulemaking, CBP explained that "[t]he liquidated damages amount for violations of the Importer Security Filing requirements are changed from the value of the merchandise, as proposed, to \$5,000 for each violation in proposed §§ 113.62(j), 113.64(e), and 113.73(c) and new § 113.63(g) and Appendix D to part 113 (emphasis added)." 73 FR 71736. The inclusion of the \$5,000 liquidated damages clause in the Appendix D ISF bond will bring the Appendix D ISF bond language into conformity with sections 113.62, 113.63, 113.64, and 113.73 and with CBP's stated intention in the Supplementary Information section of the interim final rule.

This document also clarifies the applicable time period for an Appendix D ISF bond. The current Appendix D language states that the bond is effective for one year beginning with the effective date and for each succeeding annual period, or until terminated. The text is being revised to make clear that the Appendix D ISF bond may also be used to cover a single transaction. This clarification will facilitate compliance with the ISF requirement by ISF Importers and is consistent with the Supplementary Information portion of the interim final rule in which CBP stated that it would accept single transaction bonds on a case-by-case basis. 73 FR 71760. Despite this statement, the terms of the Appendix D ISF bond did not make provision for using it as security for a single transaction.

III. Inapplicability of Notice and Comment and Delayed Effective Date

Pursuant to 5 U.S.C. 553(b)(3)(B), CBP has determined that it would be impracticable, unnecessary, and contrary to the public interest to require notice and public procedure for these amendments as CBP is simply clarifying the terms of the importer security filing bond in Appendix D consistent with both the preamble of the interim final rule and the other regulatory language in other bonds used to secure the ISF. In addition, the amendment to add text to clarify that the importer security filing bond can be used as either a continuous or single transaction bond confers a benefit to ISF Importers and imposes no burden on any interested

parties. For these same reasons, pursuant to 5 U.S.C. 553(d)(1) and (d)(3), there is good cause for these amendments to not have a delayed effective date.

IV. The Regulatory Flexibility Act and Executive Order 12866

Because no notice of proposed rulemaking is required, the provisions of the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*) do not apply. Also, this amendment does not meet the criteria for a "significant regulatory action" as specified in Executive Order 12866.

Appendix D to Part 113—Importer Security Filing Bond

This appendix contains the relevant terms and conditions for Importer Security Filing Bonds.

Importer Security Filing Bond

KNOW ALL MEN BY THESE PRESENTS, that _____ of _____, as principal having Customs and Border Protection (CBP) Identification Number _____ and _____, as surety are held and firmly bound unto the United States of America up to the sum of _____ dollars (\$ _____) for the payment of which we bind ourselves, our heirs, executors, administrators, successors, and assigns, jointly and severally, firmly by these presents.

Whereas, the named principal (including the named principal's employees, agents and contractors) agrees to comply with all Importer Security Filing requirements set forth in 19 CFR part 149, including but not limited to providing security filing information to CBP in the manner and in the time period prescribed by regulation.

If the principal defaults on the conditions of this obligation, the principal and surety jointly and severally, agree to pay liquidated damages of \$5,000 for each violation, or such other amount as may be authorized by law or regulation upon demand by CBP.

[Complete this paragraph only for a single transaction bond]

This single transaction bond secures the single transaction identified by Importer Security Filing transaction number _____ issued by CBP on _____, 20____.

[Complete this paragraph only for a continuous bond]

This continuous bond is effective _____, 20____, and remains in force for one year beginning with the effective date and for each succeeding annual period, or until terminated. This bond constitutes a separate bond for each period in the amount listed above for liabilities that accrue in each period. The intention to terminate this bond must be conveyed within the period and manner prescribed in the CBP Regulations.

This bond is executed on _____, 20____.

National Bridge Inspection Standards

AGENCY: Federal Highway Administration (FHWA), DOT.

ACTION: Final rule.

SUMMARY: The American Association of State Highway and Transportation Officials (AASHTO) Manual for Condition Evaluation of Bridges, 1994,

68378 Federal Register / Vol. 74, No. 246 / Thursday, December 24, 2009 / Rules and Regulations

second edition (also referred to as "the Manual"), together with the 2001 and 2003 Interim Revisions, is incorporated by reference in FHWA regulations, approved by the Federal Highway Administration, and recognized as a national standard for bridge inspections and load rating. The purpose of this final rule is to update the incorporation by reference language to incorporate the most recent version of the AASHTO Manual, now known as The Manual for Bridge Evaluation, First Edition, 2008.

DATES: This rule becomes effective January 25, 2010. The incorporation by reference of certain publications listed in the rule is approved by the Director of the Federal Register as of January 25, 2010.

FOR FURTHER INFORMATION CONTACT: Mr. Thomas Everett, Office of Bridge Technology, (202) 366-4675; or Mr. Robert Black, Office of the Chief Counsel, (202) 366-1359, Federal Highway Administration, 1200 New Jersey Ave., SE., Washington, DC 20590. Office hours are from 7:45 a.m. to 4:15 p.m., e.t., Monday through Friday, except Federal holidays.

SUPPLEMENTARY INFORMATION:

Electronic Access and Filing

This document, the notice of proposed rulemaking (NPRM), and all comments received can be viewed online through the Federal eRulemaking portal at: <http://www.regulations.gov>. It is available 24 hours each day, 365 days each year.

An electronic copy of this document may also be downloaded from the Office of the Federal Register's home page at: <http://www.archives.gov> and the Government Printing Office's Web page at: <http://www.access.gpo.gov/nara>.

Background

This Final Rule is being issued to announce the revision to the incorporation by reference of the AASHTO Manual in the National Bridge Inspection Standards (NBIS).

The Manual for Bridge Evaluation, First Edition (MBE) was adopted by the AASHTO Highways Subcommittee on Bridges and Structures in 2005. The MBE combines The Manual for Condition Evaluation of Bridges, Second Edition, and its 2001 and 2003 Interim Revisions with the Guide Manual for Condition Evaluation and Load and Resistance Factor Rating of Highway Bridges, First Edition, and its 2005 Interim Revisions. Revisions based on approved agenda items from annual AASHTO Subcommittee meetings in 2007 and 2008 are also incorporated into the MBE.

The MBE, First Edition, 2008, supersedes The Manual for Condition Evaluation of Bridges, Second Edition, and the 2001 and 2003 Interim Revisions, which are currently incorporated by reference at 23 CFR 650.317. The MBE offers assistance to bridge owners at all phases of bridge inspection and evaluation. The Manual serves as a standard and provides uniformity in the procedures and policies for determining the physical condition, maintenance needs, and load capacity of the Nation's highway bridges.

Because the information incorporated by reference at 23 CFR 650.317 has been superseded, the FHWA is updating the NBIS regulation to reflect the latest information contained in the AASHTO documents. The FHWA also is updating the definition for "AASHTO Manual" to reflect the updated document.

The FHWA proposed these revisions in its NPRM published in the *Federal Register* at 74 FR 44793 on August 31st. The FHWA did not receive any comments to the NPRM and therefore adopts the revisions as proposed.

Rulemaking Analysis and Notices

Executive Order 12866 (Regulatory Planning and Review) and U.S. DOT Regulatory Policies and Procedures

The FHWA has determined that this action would not be a significant regulatory action within the meaning of Executive Order 12866 or significant within the meaning of U.S. Department of Transportation regulatory policies and procedures. These changes are not anticipated to adversely affect, in any material way, any sector of the economy. The FHWA believes that the incorporation of the MBE within the NBIS regulation will greatly improve consistency and uniformity in the application of bridge inspection and load rating procedures. In addition, these changes would not create a serious inconsistency with any other agency's action or materially alter the budgetary impact of any entitlements, grants, user fees, or loan programs. Therefore, a full regulatory evaluation is not required.

Regulatory Flexibility Act

In compliance with the Regulatory Flexibility Act (Pub. L. 96-354, 5 U.S.C. 601-612), the FHWA has evaluated the effects of these changes on small entities and has determined that this action would not have a significant economic impact on a substantial number of small entities.

Unfunded Mandates Reform Act of 1995

This Final Rule would not impose unfunded mandates as defined by the

Unfunded Mandates Reform Act of 1995 (Pub. L. 104-4, 109 Stat. 48, March 22, 1995). This action would not result in the expenditure by State, local, and Tribal governments, in the aggregate, or by the private sector, of \$128.1 million or more in any one year (2 U.S.C. 1532).

Executive Order 13132 (Federalism)

This action has been analyzed in accordance with the principles and criteria contained in Executive Order 13132 dated August 4, 1999, and the FHWA has determined that this action would not have sufficient federalism implications to warrant the preparation of a federalism assessment. The FHWA has also determined that this rulemaking will not preempt any State law or State regulation or affect the States' ability to discharge traditional State governmental functions.

Executive Order 13175 (Tribal Consultation)

The FHWA has analyzed this action under Executive Order 13175, dated November 6, 2000, and believes that it would not have substantial direct effects on one or more Indian Tribes; would not impose substantial direct compliance costs on Indian Tribal governments; and would not preempt Tribal law. Therefore, a Tribal summary impact statement is not required.

Executive Order 13211 (Energy Effects)

The FHWA has analyzed this action under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use. We have determined that it is not a significant energy action under that order because it is not likely to have a significant adverse effect on the supply, distribution, or use of energy. Therefore, a Statement of Energy Effects under Executive Order 13211 is not required.

Executive Order 12372 (Intergovernmental Review)

Catalog of Federal Domestic Assistance program Number 20.205, Highway Planning and Construction. The regulations implementing Executive Order 12372 regarding intergovernmental consultation on Federal programs and activities apply to this program.

Paperwork Reduction Act

Under the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3501, *et seq.*), Federal agencies must obtain approval from the Office of Management and Budget for each collection of information they conduct, sponsor, or require through regulations. The FHWA

has determined that this action does not contain collection information requirements for purposes of the PRA.

Executive Order 12988 (Civil Justice Reform)

This action meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

Executive Order 13045 (Protection of Children)

The FHWA has analyzed this action under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. The FHWA certifies that this action would not concern an environmental risk to health or safety that may disproportionately affect children.

Executive Order 12630 (Taking of Private Property)

The FHWA does not anticipate that this action would affect a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

National Environmental Policy Act

The agency has analyzed this action for the purpose of the National Environmental Policy Act of 1969 (42 U.S.C. 4321–4347) and has determined that it would not have any effect on the quality of the environment.

Regulation Identification Number

A regulation identification number (RIN) is assigned to each regulatory action listed in the Unified Agenda of Federal Regulations. The Regulatory Information Service Center publishes the Unified Agenda in April and October of each year. The RIN contained in the heading of this document can be used to cross reference this action with the Unified Agenda.

DEPARTMENT OF AGRICULTURE

Forest Service

36 CFR Part 251

RIN 0596–AC81

Special Uses

AGENCY: Forest Service, USDA.

ACTION: Final rule; technical correction.

SUMMARY: This final rule is making minor, purely technical changes to the Forest Service's special use regulations. The Agency is clarifying a definition of a term in which a phrase was inadvertently omitted from previous versions of the rule and which properly reflect the Forest Service's authority to issue special use authorizations. The rule also corrects inaccurate citations and terms and removes obsolete requirements.

DATES: *Effective Date:* This rule is effective December 24, 2009.

FOR FURTHER INFORMATION CONTACT: Juliet Denton, Special Uses Program Manager, Lands Staff, 202–205–1256.

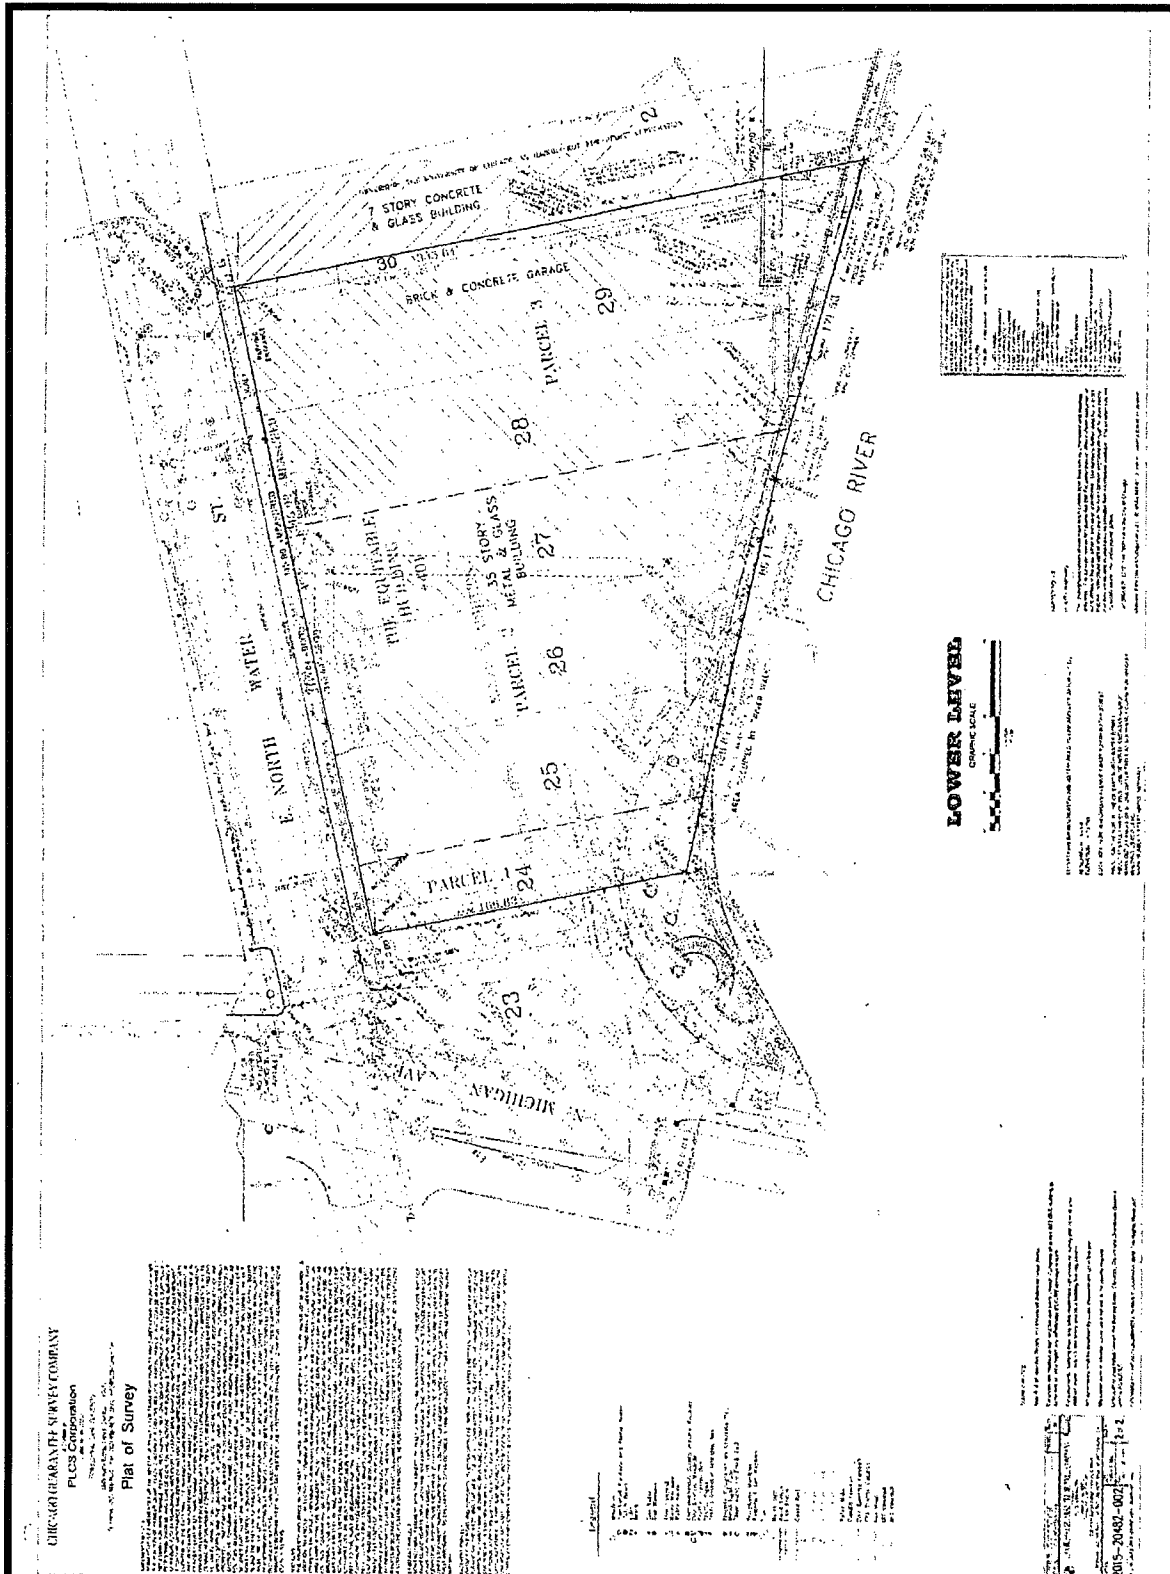

SUPPLEMENTARY INFORMATION: Forest Service regulations at 36 CFR part 251, subpart B, govern special use authorizations for use and occupancy of National Forest System lands. Approximately 72,000 special use authorizations are in effect on National Forest System lands. These uses cover a variety of activities ranging from individual private uses to large-scale commercial facilities and public services. Examples of authorized uses include road rights-of-way, apiaries, water storage and transmission facilities, telephone and electric transmission line rights-of-way, ski areas, resorts, marinas, outfitting and guiding, and campgrounds. The Department is making minor, purely technical changes to the regulations governing special use authorizations.

CALL ON CHICAGO DEPARTMENT OF TRANSPORTATION TO ADOPT
FEDERAL HIGHWAY ADMINISTRATION APPROVED PROVISIONS REGARDING
USE OF POST-CONSUMER RECYCLABLE MATERIALS IN ROADWAY
PROJECTS.

[SR2017-297]

The Committee on Transportation and Public Way submitted the following report:

CHICAGO, June 22, 2017.

To the President and Members of the City Council:

Your Committee on Transportation and Public Way begs leave to report and recommend that Your Honorable Body *Adopt* a substitute resolution calling on the Chicago Department of Transportation to adopt Federal Highway Administration provisions regarding use of post-consumer recyclable materials in City of Chicago roadway projects. This resolution was referred to the committee on April 19, 2017.

This recommendation was concurred in unanimously by a viva voce vote of the members of the committee, with no dissenting vote.

Respectfully submitted,

(Signed) ANTHONY BEALE,
Chairman.

The following is said resolution as adopted:

Be It Resolved by the City Council of the City of Chicago:

WHEREAS, Illinois Public Act 99-0727 (the "Act") was signed by Governor Rauner on August 5, 2016 and became effective January 1, 2017; and

WHEREAS, The Act, which contains provisions similar to the Federal Fixing America's Surface Transportation ("FAST") Act, Pub. L. 114-94, authorizes units of local government to consult roadway design publications outside of the Illinois Department of Transportation's Bureau of Local Roads Manual for the construction of highways, so long as the publication has been approved by the Federal Highway Administration (FHWA), the local government adopts the design publication, and the design otherwise complies with applicable federal laws; and

WHEREAS, There are roadway design publications approved by the FHWA that, if used by the City of Chicago Department of Transportation ("CDOT"), would allow for greater design flexibility, including the opportunity to produce lower cost hot mix asphalt pavements, while ensuring the safety and performance of pavements designed under such alternative publications; and

WHEREAS, The City Council is committed to the pursuit of available means and methods which can provide cost savings to taxpayers, more efficient productivity within a finite budget, and improved overall quality of work; now, therefore,

Be It Resolved, That we, the members of the City Council of the City of Chicago, assembled this 19th day of April 2017, do hereby call upon CDOT to evaluate and consider adopting and implementing the methods, findings, and recommendations contained within the following roadway design publications approved by the FHWA in CDOT's hot mix asphalt road program:

1. Design Considerations when Using Reclaimed Asphalt Shingles (RAS) in Asphalt Mixtures AASHTO PP 78-16;
2. "Investigation of Low Temperature Cracking in Asphalt Pavement - Phase II Final Report 2012-23 ASTM D 7313";
3. AASHTO T 324 - Hamburg Wheel-Track Testing of Compacted Hot Mix Asphalt (HMA); following IDOT Standard Specifications 2016 - 1030.04 Mixture Design (Criteria); and

Be It Further Resolved, That we hereby call upon CDOT to evaluate and consider adopting and implementing the methods, findings, and recommendations of the following roadway design programs and publications approved by the FHWA in CDOT's hot mix asphalt road program:

1. "Rejuvenator for Enhancing RAP Applications and Improving Material Compatibility" Fundamental Properties of Asphalts and Modified Asphalts III Product: FP 16 FHWA White Paper (March 2015);

2. "The Use of Recycled Tire Rubber to Modify Asphalt Binder & Mixtures" FHWA TechBrief FHWA-HIF-14-015 (September 2014);

3. "Use of Contractor Test Results in the Acceptance Decision, Recommended Quality Measures, and the Identification of Contractor/Department Risks" FHWA Technical Advisory T 6120.3 d; and

Be It Further Resolved, That we hereby call upon CDOT to maximize the use of post-consumer recyclable materials in its hot mix asphalt road program; and

Be It Further Resolved, That we hereby call upon the Commissioner of CDOT, or a knowledgeable designee, to appear before the City Council Committee on Transportation and the Public Way at its June meeting to report on the progress of CDOT's evaluation and implementation of the foregoing items.

In support of my current application with the Chicago Department of Transportation's Maps and Plats unit, for a dedication of my private property for a new public way, I hereby state that I am the applicant or the company agent for the applicant company involved in the project, and that I have the authority to agree to the below terms of the Dedication. Please initial:

A handwritten signature in black ink, consisting of a stylized 'D' followed by a horizontal line.

I am aware that I am responsible for the construction of all public and private rights of way (streets, alleys, etc) described on the Plat of Subdivision/Dedication.

A handwritten signature in black ink, consisting of a stylized 'D' followed by a horizontal line.

I further understand that all rights of way (both public and private) must be built to City specifications as detailed in CDOT's Regulation for Openings, Construction and Repair in the Public Way.

A handwritten signature in black ink, consisting of a stylized 'D' followed by a horizontal line.

Lastly, I understand that construction deposits will be required to assure that the work is done correctly. An inspection will be conducted by the City upon completion of the work. The City of Chicago reserves the right to require demolition and reinstallation of any facilities that are judged to be sub par or that do not adhere to the City's standards.

VACATION OF REMAINING WIDTH AND LENGTH OF W. KINZIE ST., BETWEEN
N. OGDEN AVE. AND N. ELIZABETH ST.

[O2017-2021]

The Committee on Transportation and Public Way submitted the following report:

CHICAGO, June 22, 2017.

To the President and Members of the City Council:

Your Committee on Transportation and Public Way begs leave to report and recommend that Your Honorable Body *Pass* a proposed vacation of all of the remaining width and length of West Kinzie Street, between North Ogden Avenue and North Elizabeth Street. This ordinance was referred to the committee on March 29, 2017.

This recommendation was concurred in unanimously by a viva voce vote of the members of the committee, with no dissenting vote.

Respectfully submitted,

(Signed) ANTHONY BEALE,
Chairman.

On motion of Alderman Beale, the said proposed ordinance transmitted with the foregoing committee report was *Passed* by yeas and nays as follows:

Yeas -- Aldermen Moreno, Hopkins, King, Hairston, Sawyer, Mitchell, Harris, Beale, Sadlowski Garza, Thompson, Cárdenas, Quinn, Burke, Lopez, Foulkes, D. Moore, Curtis, O'Shea, Cochran, Brookins, Muñoz, Zalewski, Scott, Solis, Maldonado, Burnett, Ervin, Taliaferro, Reboyras, Santiago, Waguespack, Mell, Austin, Ramirez-Rosa, Villegas, Mitts, Sposato, Laurino, O'Connor, Napolitano, Reilly, Smith, Tunney, Arena, Cappleman, Pawar, Osterman, J. Moore, Silverstein -- 49.

Nays -- None.

Alderman Beale moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

WHEREAS, The City of Chicago ("City") is a home rule unit of local government pursuant to Article VII, Section 6(a) of the 1970 Constitution of the State of Illinois and, as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, The properties at 1300 -- 1334 West Kinzie Street are owned by Peppercorn 400 LLC, an Illinois limited liability company ("Developer"); and

WHEREAS, The Developer proposes to use the portion of the street to be vacated herein for landscaping and parking; and

WHEREAS, The City Council of the City of Chicago, after due investigation and consideration, has determined that the nature and extent of the public use and the public interest to be subserved is such as to warrant the vacation of those portions of public street, described in the following ordinance; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1.

Parcel 1:

That part of West Kinzie Street lying south of and adjoining Lot 49 in Block 1 in the subdivision of Lot E of Cook County Circuit Court Partition of the northwest quarter of Section 8, Township 39 North, Range 14, East of the Third Principal Meridian, according to the plat thereof recorded April 2, 1856 as Document 69073, more particularly described as follows: beginning at the southeast corner of Lot 49 in Block 1 in said subdivision of Lot E of Cook County Circuit Court Partition, said point also being on the west line of North Elizabeth Street as dedicated by Document 69073; thence south 00 degrees, 16 minutes, 37 seconds east along the southerly extension of said west line, 30.70 feet to the north face of an existing retaining wall; thence south 89 degrees, 56 minutes, 27 seconds west along said last described line, 98.50 feet to a point on the southerly extension of the common line between Block 1 in the subdivision of Lot E of Cook County Circuit Court Partition and Block 7 in the subdivision of Blocks 6 and 7 Assessors Division recorded March 2, 1865 as Document 92429; thence north 00 degrees, 16 minutes, 37 seconds west along the southerly extension of said common line, 30.55 feet to the southwest corner of Lot 49 in Block 1 in said subdivision of Lot E of Cook County Circuit Court Partition, said point also being on the intersection of the west line of North Elizabeth Street and the north line of West Kinzie Street as dedicated by Document 69073; thence North 89 degrees, 51 minutes, 29 seconds east along the north line of said West Kinzie Street and south line of Lot 49 in Block 1 in said subdivision of Lot E of Cook County Circuit Court Partition, a distance of 98.50 feet to the point of beginning, in Cook County, Illinois. Containing 3,017 square feet or 0.069 acre, more or less.

Parcel 2:

That part of West Kinzie Street lying south of and adjoining Lots 50 through 59 (inclusive) and a 16-foot wide vacated north/south alley in Block 7 in the subdivision of Blocks 6 and 7 Assessors Division in the east half of the northwest quarter of Section 8, Township 39 North, Range 14, East of the Third Principal Meridian, according to the plat thereof recorded March 2, 1865 as Document 92429, more particularly described as follows: beginning at the southeast corner of Lot 59 in Block 7 in said subdivision of Blocks 6 and 7 Assessors Division, said corner also being the southwest corner of Lot 49 in Block 1 in the subdivision of Lot E of Cook County Circuit Court Partition recorded April 2, 1856 as Document 69073; thence south 00 degrees, 16 minutes, 37 seconds east

along the southerly extension of the common line between Block 1 in the subdivision of Lot E of Cook County Circuit Court Partition and Block 7 in the subdivision of Blocks 6 and 7 Assessors Division, 30.55 feet to the north face of an existing retaining wall; thence south 89 degrees, 56 minutes, 27 seconds west along said last described line and the westerly extension thereof, 281.58 feet to the easterly line of North Ogden Avenue as opened by ordinance passed February 18, 1919; thence north 27 degrees, 20 minutes, 35 seconds east along said easterly line, 33.98 feet to a point on the north line of West Kinzie Street as dedicated by Document 92429, said point also being a point on the south line of Lot 50 in Block 7 in said subdivision of Blocks 6 and 7 Assessors Division; thence north 89 degrees, 51 minutes, 29 seconds east along said north line, 265.82 feet to the point of beginning, in Cook County, Illinois. Containing 8,309 square feet or 0.191 acre, more or less, as shaded and legally described by the words "Hereby Vacated" on the plat hereto attached as Exhibit A, which plat for greater clarity, is hereby made a part of this ordinance, be and the same is hereby vacated and closed, inasmuch as the same is no longer required for public use and the public interest will be subserved by such vacation.

SECTION 2. The City of Chicago hereby reserves for the benefit of The Peoples Gas Light and Coke Company an easement to operate, maintain, repair, renew and replace existing underground facilities and to construct new facilities in all of the area to be vacated, with the right of ingress and egress at all times for any and all such purposes. It is further provided that no buildings or other structures shall be erected on said easement herein reserved for The Peoples Gas Light and Coke Company or other use made of the said area which would interfere with the construction, operation, maintenance, repair, removal, or replacement of said facilities, or the construction of additional facilities. Any future vacation-beneficiary prompted relocation of Peoples Gas facilities lying within the area being vacated will be accomplished by Peoples Gas, and done at the expense of beneficiary of the vacation, its successors or assigns.

SECTION 3. The City of Chicago hereby reserves an easement over the area herein vacated for existing Water Department sewer and associated sewer structures, and for the installation of any additional sewers, as now located, or which in the future may be located in the street herein vacated, and for the maintenance, renewal and reconstruction of such facilities. It is also provided that, the City shall have 24-hour access to the area to be vacated; that no buildings, permanent structures, or trees (within 10 feet of the sewer structure) shall be erected on said easement herein reserved, or other use made of said area, which in the sole discretion of the respective municipal officials having control of the aforesaid service facilities, would interfere with the use, maintenance, renewal, or reconstruction of said facilities, or the construction of additional municipally-owned service facilities. It is further provided that any vacation-beneficiary prompted adjustments to the area herein vacated be submitted to the Department of Water for review and express approval prior to construction. Any repair, renewal or replacement of private improvements, or private property damaged within the vacation area as a result of the City exercising its easement rights shall be repaired/replaced at the expense of the beneficiary of the vacation, its successors or assigns.

SECTION 4. The vacation herein provided for is made upon the express condition that within 180 days after the passage of this ordinance, the Developer shall deposit in the

City Treasury of the City of Chicago, a sum sufficient to defray the costs of removing paving and curb returns, and constructing sidewalk in accordance with the most current version of the Chicago Department of Transportation's Regulations for Opening, Repair and Construction in the Public Way and its appendices.

SECTION 5. The vacation herein provided for is made upon the express condition that within 180 days after the passage of this ordinance, the Developer shall pay or cause to be paid to the City of Chicago as compensation for the benefits which will accrue to the owner of the property abutting said part of public street hereby vacated the sum Seven Hundred Thirty-six Thousand and no/100 Dollars (\$736,000.00), which sum in the judgment of this body will be equal to such benefits.

SECTION 6. The vacation herein provided for are made upon the express condition that within 180 days after the passage of this ordinance, the Developer shall file or cause to be filed for recordation with the Office of the Recorder of Deeds of Cook County, Illinois, a certified copy of this ordinance, together with the associated full-sized plats as approved by the Acting Superintendent of Maps and Plats.

SECTION 7. This ordinance shall take effect and be in force from and after its passage. The vacation shall take effect and be in force from and after recording of the approved plat.

VACATION OF 16-FOOT WIDE STRIP OF S. RICHMOND ST., BETWEEN W. 35TH ST. AND W. 36TH ST.

[O2017-947]

The Committee on Transportation and Public Way submitted the following report:

CHICAGO, June 22, 2017.

To the President and Members of the City Council:

Your Committee on Transportation and Public Way begs leave to report and recommend that Your Honorable Body *Pass* a proposed vacation of a 16-foot wide strip of South Richmond Street bounded by West 35th Street and West 36th Street. This ordinance was referred to the committee on February 22, 2017.

This recommendation was concurred in unanimously by a viva voce vote of the members of the committee, with no dissenting vote.

Respectfully submitted,

(Signed) ANTHONY BEALE,
Chairman.

On motion of Alderman Beale, the said proposed ordinance transmitted with the foregoing committee report was *Passed* by yeas and nays as follows:

Yeas -- Aldermen Moreno, Hopkins, King, Hairston, Sawyer, Mitchell, Harris, Beale, Sadlowski Garza, Thompson, Cárdenas, Quinn, Burke, Lopez, Foulkes, D. Moore, Curtis, O'Shea, Cochran, Brookins, Muñoz, Zalewski, Scott, Solis, Maldonado, Burnett, Ervin, Taliaferro, Reboyas, Santiago, Waguespack, Mell, Austin, Ramirez-Rosa, Villegas, Mitts, Sposato, Laurino, O'Connor, Napolitano, Reilly, Smith, Tunney, Arena, Cappleman, Pawar, Osterman, J. Moore, Silverstein -- 49.

Nays -- None.

Alderman Beale moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

WHEREAS, The City of Chicago ("City") is a home rule unit of local government pursuant to Article VII, Section 6(a) of the 1970 Constitution of the State of Illinois and, as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, The properties at 3500 -- 3558 South Richmond Street are owned by Quality Properties LLC, an Illinois limited liability company ("Developer"); and

WHEREAS, The Developer proposes to use the portion of the street to be vacated herein for storage; and

WHEREAS, The City Council of the City of Chicago, after due investigation and consideration, has determined that the nature and extent of the public use and the public interest to be subserved is such as to warrant the vacation of those portions of public street, described in the following ordinance; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The west 16 feet of South Richmond Street, 66-foot wide, lying east of and adjoining the east line of Block 4 in Gross and Moore's Subdivision, lying north of and adjoining the north line of the West 36th Street and lying south of and adjoining the south line of the West 35th Street, all in Gross and Moore's Subdivision in the east half of the southwest quarter of Section 36, Township 39 North, Range 13, East of the Third Principal Meridian, recorded October 30, 1902, as Document Number 3314343, in Cook County, Illinois, said above described parcel containing 9,603 square feet or 0.22 acre, more or less, as shaded and legally described by the words "Hereby Vacated" on the plat hereto attached as Exhibit A, which plat for greater clarity, is hereby made a part of this ordinance, be and the same is hereby vacated and closed, inasmuch as the same is no longer required for public use and the public interest will be subserved by such vacation.

SECTION 2. The City of Chicago hereby reserves for the benefit of Commonwealth Edison, AT&T/SBC, Comcast and their successors or assigns, a non-exclusive utility easement to operate, maintain, construct, replace and renew overhead wires, poles, and associated equipment and underground conduit, cables, and associated equipment for the transmission and distribution of electrical energy, telephonic and associated services under, over and along the street herein vacated, with the right of ingress and egress. The grade of the vacated public way shall not be altered in a manner so as to interfere with the operation and maintenance of Commonwealth Edison, AT&T/SBC, and or Comcast facilities. No construction, buildings, permanent structures or obstructions shall occur or be placed over the area herein vacated without express written release of easement by the involved herein cited. Any future Developer-prompted relocation of facilities lying within the area herein vacated will be accomplished by the involved utility, and be done at the expense of the beneficiary of the vacation, its successors or assigns.

SECTION 3. The vacation herein provided for is made upon the express condition that within 180 days after the passage of this ordinance, the Developer shall pay or cause to be paid to the City of Chicago as compensation for the benefits which will accrue to the owner of the property abutting said part of public street hereby vacated the sum Fifty Thousand and no/100 Dollars (\$50,000.00), which sum in the judgment of this body will be equal to such benefits.

SECTION 4. The vacation herein provided for are made upon the express condition that within 180 days after the passage of this ordinance, the Developer shall file or cause to be filed for recordation with the Office of the Recorder of Deeds of Cook County, Illinois, a certified copy of this ordinance, together with the associated full-sized plats as approved by the Acting Superintendent of Maps and Plats.

SECTION 5. This ordinance shall take effect and be in force from and after its passage. The vacation shall take effect and be in force from and after recording of the approved plat.

[SO2017-2216]

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That the Chicago Zoning Ordinance be amended by changing all Residential-Business Planned Development Number 1164 symbols and designations as shown on Map Number 9-G in the area bounded by:

West Addison Street; North Sheffield Avenue; the alley next south of and parallel to West Addison Street; the alley next west of and parallel to North Sheffield Avenue; a line 287.63 feet south of and parallel to West Addison Street; the alley next west of and parallel to North Sheffield Avenue; a line drawn from a point 335.15 feet south of West Addison Street and 135.55 feet east of North Clark Street to a point on the east line of North Clark Street, 455.98 feet south of the south line of West Addison Street; North Clark Street; a line 65.30 feet south of and parallel to West Addison Street; a line 393.89 feet west of and parallel to North Sheffield Avenue; a line 44.97 feet south of and parallel to West Addison Street; and a line 302.21 feet west of and parallel to North Sheffield Avenue,

to the designation of Residential-Business Planned Development Number 1164, as amended, which is hereby established in the area above described, subject to such use and bulk regulations as are set forth in the Plan of Development herewith attached and made a part thereof and to no others.

SECTION 2. This ordinance shall be in force and effect from and after its passage and due publication.

Plan of Development Statements referred to in this ordinance read as follows:

Residential-Business Planned Development No. 1164, As Amended.

Plan Of Development Statements.

1. The area delineated herein as Residential-Business Planned Development consists of property commonly known as 3515 -- 3549 North Clark Street; 1001 -- 1029 West Addison Street; and 3546 -- 3558 North Sheffield Avenue, Chicago, Illinois (the "Property"). The Property consists of approximately 93,015 square feet (2.13 acres)

and is owned or controlled by the Applicant, 1025 West Addison Street Apartments Owner LLC.

2. All applicable official reviews, approvals or permits are required to be obtained by the Applicant or its successors, assignees, or grantees. Any dedication or vacation of streets or alleys, or easements, or adjustments of right-of-way, or consolidation or resubdivision of parcels, shall require a separate submittal on behalf of the Applicant or its successors, assignees, or grantees and approval by the City Council.
3. The requirements, obligations and conditions contained within this Planned Development shall be binding upon the Applicant, its successors and assigns and, if different than the Applicant, the legal titleholders and any ground lessors. All rights granted hereunder to the Applicant shall inure to the benefit of the Applicant's successors and assigns and, if different, then to the owners of record title to all of the Property and to any ground lessors. Furthermore, pursuant to the requirements of Section 17-8-0400 of the Chicago Zoning Ordinance, the Property, at the time applications for amendments, modifications or changes (administrative, legislative or otherwise) to this Planned Development are made, shall be under single ownership or under single designated control as defined in Section 17-8-0400 of the Chicago Zoning Ordinance.
4. This plan of development consists of 19 Statements; a Bulk Regulations and Data Table; an Existing Zoning Map; Existing Land-Use Map; a Planned Development Boundary, Property Line and Right-of-Way Adjustment Map; a Site Plan; Landscape Plan/First Floor Plan; Basement Plan; Second Floor Plan; Third Floor Parking Plan; Fourth Floor Parking Plan; Landscape Planting Details; Green Roof Plan; Building Elevations; and Building Section Plan prepared by Solomon Cordwell Buenz dated March 29, 2017. Full-size sets of the Site Plan, Landscape Plan and Building Elevations are on file with the Department of Housing and Economic Development.
5. The following uses shall be permitted within the area herein delineated as "Residential-Business Planned Development": residential, office, health club, retail sales, pharmacy, banks and financial institutions, private clubs, entertainment small, medium and large venue, banquet and meeting halls, restaurants, liquor sales as an accessory use, grocery/convenience store with packaged goods liquor sales as an accessory use, day care, veterinary, artist work and sales space, indoor special events including incidental liquor sales, personal services, repair or laundry service, consumer, indoor sports and recreation, amusement arcades as an incidental use only, entertainment cabaret, children's play center, vehicle sales and service -- light equipment sales/rental, indoor, vehicle sales and service -- motor vehicle repair shop, not including body work, painting or commercial vehicle repairs, co-location of wireless communication facilities, accessory and related uses and accessory and non-accessory parking, of which 45 percent of the required residential parking

(maximum 67 spaces) may be leased out on a daily, weekly or monthly basis to persons who are not residents, tenants, patrons, employees or guests of the principal uses.

6. On-premises and business identification signs shall be permitted within the Planned Development subject to the review and approval of the Department of Housing and Economic Development. A comprehensive sign package for the Planned Development shall be approved by the Department of Housing and Economic Development prior to the issuance of any Part II Approval. Temporary signs, such as construction and marketing signs shall be permitted, subject to the review and approval of the Department of Housing and Economic Development. No off-premises signs shall be permitted.
7. Closure of all or part of any public streets or alleys during demolition or construction shall be subject to the review and approval of the Chicago Department of Transportation. All work proposed in the Public Way must be designed and constructed in accordance with the Chicago Department of Transportation Construction Standards for Work in the Public Way and in compliance with the Municipal Code of the City of Chicago. Notwithstanding the designation of North Clark Street, between West Newport Avenue and West Addison Street, as a P Pedestrian Retail Street (Section 17-3-0500 of the Zoning Ordinance), a curb cut shall be permitted on North Clark Street at the location indicated on the attached Site Plan.
8. Prior to the issuance of a Part II Approval, the Applicant shall work with CDOT to develop a traffic management plan. A copy of this CDOT approved plan containing details on traffic management strategies, signalization, streetscape and lighting must be provided to the Department of Housing and Economic Development at the time of the Part II Submittal.
9. For the purposes of measuring height, the definition in the Chicago Zoning Ordinance shall apply. Maximum height shall be 93 feet to the roof of the highest occupied space and 108 feet to the ceiling of the highest enclosed space. In addition to the maximum height of the building and any appurtenance thereto prescribed in this Planned Development, the height of any improvement shall also be subject to height limitations approved by the Federal Aviation Administration.
10. For purposes of Floor Area Ratio (FAR) calculations, the definitions in the Chicago Zoning Ordinance shall apply.
11. Upon review and determination, pursuant to Section 17-13-0610 of the Zoning Ordinance, "Part II Review", a Part II Review fee shall be assessed by the Department of Housing and Economic Development. The fee, as determined by staff at the time, is final and binding on the Applicant and must be paid to the Department of Revenue prior to the issuance of any Part II Approval.

12. The improvements on the Property shall be designed, installed and maintained in substantial conformance with the Site Plan, Landscape Plan and Building Elevations and in accordance with the parkway tree provisions of the Chicago Zoning Ordinance and corresponding regulations and guidelines. Notwithstanding any statement to the contrary, this Planned Development shall be subject to the provisions of Chapter 17-11 of the Chicago Zoning Ordinance governing landscaping and screening. In any instance where a provision of this Planned Development conflicts with landscape and screening provisions of the Chicago Zoning Ordinance, the Chicago Zoning Ordinance shall control. Nothing in this Planned Development is intended to waive the applicability of the landscape and screening provisions of the Chicago Zoning Ordinance.
13. The improvements on the Property shall be designed, constructed, maintained and operated in accordance with the exhibits attached hereto and the following general design and operating standards:
 - (a) The developer shall install brick return walls to conceal the side walls of the adjacent buildings exposed due to the four (4) foot setback on Clark Street as depicted on the attached Site Plan dated October 17, 2013; and
 - (b) Floors 1 through 4 of the building shall be set back from the Property line along North Clark Street, as depicted on the Site Plan, to provide for an expanded pedestrian path and parkway trees along Clark Street. The setback along Clark Street shall measure approximately four (4) feet, zero (0) inches. The pedestrian setback shall remain free and clear of obstructions except for building elements as illustrated on the Site Plan and Elevations; and the pedestrian setback shall be open to the public at all times after completion of construction for purposes of pedestrian access.
14. Pursuant to the 2007 Affordable Requirements Ordinance of the City of Chicago Municipal Code Section 2-44-090, et seq. ("2007 ARO"), the Applicant has asked for the rezoning of a lot to permit a higher floor area ratio than would otherwise be permitted in the base district and to develop the lot with residential housing units. The Applicant hereby acknowledges that according to the 2007 ARO at least 10 percent of the housing units must be affordable units or a cash payment must be made to the City of Chicago Affordable Housing Opportunity Fund in accordance with Section 2-44-090 (d)(1)(ii). The Applicant has agreed to provide a cash payment to the City of Chicago Affordable Housing Opportunity Fund in the amount of \$1,500,000.00. The payment is required to be made to the Department of Housing and Economic Development prior to the issuance of building permits. The Applicant must comply with all of the applicable sections of the Affordable Requirements Ordinance which sections are hereby incorporated into this Planned Development. The Affordable Housing Agreement is also incorporated into this Planned Development.

15. The terms, conditions and exhibits of this Planned Development Ordinance may be modified administratively pursuant to Section 17-13-0611 of the Chicago Zoning Ordinance by the Zoning Administrator, upon the application for such a modification by the Applicant and after a determination by the Zoning Administrator that such a modification is minor, appropriate and consistent with the nature of the improvements contemplated in this Planned Development and the purposes underlying the provisions hereof. Any such modification of the requirements of these statements by the Zoning Administrator shall be deemed to be a minor change in the Planned Development as contemplated by Section 17-13-0611 of the Chicago Zoning Ordinance.
16. The Applicant acknowledges that it is in the public interest to design, construct and maintain all buildings in a manner that promotes and maximizes the conservation of natural resources. The Applicant shall design, construct and maintain the improvements and buildings on the Property consistent with the Energy Star or the Leadership in Energy and Environmental Design (LEED) Green Building Rating System. The Applicant shall provide a vegetated ("green") roof of at least fifty percent (50%) of the net roof area of the buildings within the Planned Development measuring approximately 41,725 square feet in size. "Net roof area" is defined as total roof area minus any required perimeter setbacks, rooftop structures, and roof-mounted equipment.
17. The Applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables, and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities (MOPD) to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility. No approvals shall be granted pursuant to Section 17-13-0610 of the Chicago Zoning Ordinance until the Director of MOPD has approved detailed construction drawings for each building or improvement.
18. The Applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioner of the Streets and Sanitation, the Commissioner of Facilities and Fleet Management, and the Commissioner of Buildings under Section 13-32-125 of the Municipal Code of Chicago or any other provision of that Code.
19. Unless substantial construction has commenced within six (6) years following adoption of this Planned Development, and unless completion is thereafter diligently pursued, then this Planned Development shall expire. If this Planned Development expires under the provisions of this section, then the zoning of the Property shall automatically revert to the base zoning of the Property of the B3-3 Community Shopping District.

Reclassification Of Area Shown On Map No. 11-H.

(As Amended)

(Application No. 19205)

(Common Address: 4726 -- 4756 N. Ravenswood Ave., 1801 -- 1831 W. Lawrence Ave.
And 4721 -- 4759 N. Wolcott Ave.)

[SO2017-3218]

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Title 17 of the Municipal Code of Chicago, the Chicago Zoning Ordinance, is hereby amended by changing all of the B3-2 Community Shopping District and M1-2 Limited Manufacturing/Business Park District symbols shown on Map Number 11-H in the area generally bounded by:

West Lawrence Avenue; North Ravenswood Avenue; a line 296.88 feet south of and parallel to West Lawrence Avenue; the north line of the public alley next south of West Lawrence Avenue; a line 295.57 feet south of and parallel to West Lawrence Avenue; a line 152.55 feet east of and parallel to North Wolcott Avenue; a line 330.08 feet south of and parallel to West Lawrence Avenue; and North Wolcott Avenue,

to the designation of a B3-3 Community Shopping District and a corresponding use district is hereby established in the area above described.

SECTION 2. Title 17 of the Municipal Code of Chicago, the Chicago Zoning Ordinance, is hereby amended by changing all the B3-3 Community Shopping District symbols shown on Map Number 11-H in the area generally bounded by:

West Lawrence Avenue; North Ravenswood Avenue; a line 296.88 feet south of and parallel to West Lawrence Avenue; the north line of the public alley next south of West Lawrence Avenue; a line 295.57 feet south of and parallel to West Lawrence Avenue; a line 152.55 feet east of and parallel to North Wolcott Avenue; a line 330.08 feet south of and parallel to West Lawrence Avenue; and North Wolcott Avenue,

to those of Residential-Business Planned Development which is hereby established in the area described, subject to such use and bulk regulations as are set forth in the Plan of Development herewith attached and made a part thereof and to no others.

SECTION 3. This ordinance takes effect after its passage and due publication.

Plan of Development Statements referred to in this ordinance read as follows:

Planned Development Statements.

1. The area delineated herein as Planned Development Number _____ ("Planned Development") consists of approximately 101,307 net square feet of property which

is depicted on the attached Planned Development Boundary and Property Line Map ("Property"). The Applicant is FEHP- Highland Park LLC.

2. The requirements, obligations and conditions contained within this Planned Development shall be binding upon the Applicant, its successors and assigns and, if different than the Applicant, the legal titleholders and any ground lessors. All rights granted hereunder to the Applicant shall inure to the benefit of the Applicant's successors and assigns and, if different than the Applicant, the legal titleholder and any ground lessors. Furthermore, pursuant to the requirements of Section 17-8-0400 of the Chicago Zoning Ordinance, the Property, at the time of application for amendments, modifications or changes (administrative, legislative or otherwise) to this Planned Development are made, shall be under single ownership or designated control. Single designated control is defined in Section 17-8-0400 of the Zoning Ordinance.
3. All applicable official reviews, approvals or permits are required to be obtained by the Applicant or its successors, assignees or grantees. Any dedication or vacation of streets or alleys or grants of easements or any adjustment of the right-of-way shall require a separate submittal to the Department of Transportation on behalf of the Applicant or its successors, assign or grantees.

Any requests for grants of privilege, or any items encroaching on the public way, shall be in compliance with the plans.

Ingress or egress shall be pursuant to the plans and may be subject to the review and approval of the Departments of Planning and Development. Closure of all or any public street or alley during demolition or construction shall be subject to the review and approval of the Department of Transportation.

All work proposed in the public way must be designed and constructed in accordance with the Department of Transportation Construction Standards for Work in the Public Way and in compliance with the Municipal Code of the City of Chicago. Prior to the issuance of any Part II Approval, the submitted plans must be approved by the Department of Transportation.

4. This plan of development consists of 17 Statements; a Bulk Regulations Table; an Existing Zoning Map; Aerial Map; Site Plan; and Building Elevations (North, South, East and West), and Affordable Housing Profile Form dated June 15, 2017. Full-sized copies of the Site Plan and Building Elevations are on file with the Department of Planning and Development. In any instance where a provision of this Planned Development conflicts with the Chicago Building Code, the Building Code shall control. This Planned Development conforms to the intent and purpose of the Zoning

Ordinance and all requirements thereto, and satisfies the established criteria for approval as a Planned Development. In case of a conflict between the terms of this Planned Development ordinance and the Zoning Ordinance, this Planned Development ordinance shall control.

5. The following uses are allowed in the area delineated herein:

Subarea A:

financial institutions, banks with accessory drive through, automated teller machines, and accessory parking.

Subarea B:

residential and related accessory uses, eating and drinking establishments, food and beverage retail sales, general retail sales, office, personal service uses, including massage establishments, and accessory parking.

Subarea C:

residential and related accessory uses and accessory parking.

6. On-premises signs and temporary signs, such as construction and marketing signs, shall be permitted within the Planned Development, subject to the review and approval of the Department of Planning and Development. Off-premises signs are prohibited within the boundary of the Planned Development.
7. For purposes of height measurement, the definitions in the Zoning Ordinance shall apply. The height of any building shall also be subject to height limitations, if any, established by the Federal Aviation Administration.
8. The maximum permitted Floor Area Ratio ("FAR") for the site shall be in accordance with the attached Bulk Regulations Table. For the purposes of FAR calculations and measurements, the definitions in the Zoning Ordinance shall apply. The permitted FAR identified in the Bulk Regulations Table has been determined using a net site area of 101,307 square feet.
9. The Applicant acknowledges and agrees that the rezoning of the Property from M1-2 and B3-2 to a Planned Development triggers the requirements of Section 2-45-115 of the Municipal Code (the "Affordable Requirements Ordinance" or "ARO"). Any

developer of a "residential housing project" within the meaning of the ARO must: (i) set aside 10 percent of the housing units in the residential housing project (the "Required Units") as affordable units, or with the Commissioner's approval, provide the Required Units in an approved off-site location; (ii) pay a fee in lieu of the development of the Required Units; or (iii) any combination of (i) and (ii), provided, however, that residential housing projects with 20 or more units must provide at least 25 percent of the Required Units on-site or off-site. If the developer elects to provide affordable units off-site, the off-site affordable units must be located within a two-mile radius from the residential housing project and in the same or a different higher income area or downtown district. The Property is located in a higher income area within the meaning of the ARO, and the project has a total of 166 units. As a result, the Applicant's affordable housing obligation is 17 affordable units (10 percent of 166, rounded up), 4 of which are Required Units (25 percent of 166, rounded down). Applicant has agreed to satisfy its affordable housing obligation by providing 17 affordable units in the rental building to be constructed in the Planned Development and/or entering into an agreement with the Chicago Housing Authority (CHA) to provide affordable units in the Planned Development, as set forth in the Affordable Housing Profile Form attached hereto as Exhibit A. The Applicant agrees that the affordable units must be affordable to households earning no more than 60 percent of the Chicago Primary Metropolitan Statistical Area Median Income (AMI), as updated annually by the City of Chicago. If the Applicant subsequently reduces (or increases) the number of housing units in the Planned Development, or elects to build a for sale project instead, the Applicant shall update and resubmit the Affordable Housing Profile Form to the Department of Planning and Development ("DPD") for review and approval, and DPD may adjust the requirements or number of required Affordable Units without amending the Planned Development. Prior to the issuance of any building permits for any residential building in the Planned Development, including, without limitation, excavation or foundation permits, the Applicant must make the required Cash Payment and/or execute and record an affordable housing agreement in accordance with Section 2-45-115(L). The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the affordable housing agreement will be recorded against the Planned Development, or the applicable portion thereof, and will constitute a lien against such property. The Commissioner of DPD may enforce remedies for any breach of this Statement 9, including any breach of any affordable housing agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development.

10. The maximum permitted floor area ratio (FAR) for the Property shall be in accordance with the attached Bulk Regulations and Data Table. For the purpose of FAR calculations and measurements, the definitions in the Zoning Ordinance shall apply. The permitted FAR identified in the Bulk Regulations and Data Table has been determined using a net site area of 101,307 square feet and a base FAR 2.5.

11. Upon review and determination, "Part II Review", pursuant to Section 17-13-0610 of the Zoning Ordinance, a Part II Review fee shall be assessed by the Department of Planning and Development. The fee, as determined by staff at the time, is final and binding on the Applicant and must be paid to the Department of Revenue prior to the issuance of any Part II Approval.
12. The Site and Landscape Plans shall be in substantial conformance with the Landscape Ordinance and any other corresponding regulations and guidelines. Final landscape plan review and approval will be by the Department of Planning and Development. Any interim reviews associated with site plan review or Part II reviews, are conditional until final Part II Approval.
13. The Applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation, Environment and Buildings, under Section 13-32-125 of the Municipal Code, or any other provision of that Code.
14. The terms and conditions of development under this Planned Development ordinance may be modified administratively, pursuant to Section 17-13-0611-A of the Zoning Ordinance by the Zoning Administrator upon the application for such a modification by the Applicant, its successors and assigns and, if different than the Applicant, the legal titleholders and any ground lessors.
15. The Applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.
16. The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. The Applicant shall obtain the number of points necessary to meet the requirements of the Chicago Sustainable Development Policy in effect at the time the Part II Review process is initiated for each improvement that is subject to the aforementioned Policy and must provide documentation verifying compliance.
17. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development ordinance lapse, the Commissioner of the Department of Planning and Development shall initiate a zoning map amendment to rezone the Property to the B3-3.

Reclassification Of Area Shown On Map No. 12-J.

(Application No. 19225)

(Common Address: 3906 -- 3910 W. 55th St.)

[O2017-3824]

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Title 17 of the Municipal Code of Chicago, the Chicago Zoning Ordinance, is hereby amended by changing all of the RS3 Residential Single-Unit (Detached House) District symbols and indications as shown on Map Number 12-J in an area bounded by:

a line 106 feet west of and parallel to South Springfield Avenue; the public alley next north of and parallel to West 55th Street; a line 50 feet west of and parallel to South Springfield Avenue; and West 55th Street,

to those of a C1-1 Neighborhood Commercial District.

SECTION 2. This ordinance takes effect after its passage and due publication.

AMENDMENT OF TITLE 17 OF MUNICIPAL CODE BY RECLASSIFICATION OF PARTICULAR AREAS.

(Committee Meeting Held June 22, 2017)

The Committee on Zoning, Landmarks and Building Standards submitted the following report:

CHICAGO, June 28, 2017.

To the President and Members of the City Council:

Presenting a report for your Committee on Zoning, Landmarks and Building Standards which held a meeting on June 22, 2017, the following items were passed by a majority of the members present:

Pages 1 through 12 contain various map amendments regarding land use.

Page 12 contains business identification signs.

Page 13 contains historical landmark fee waivers and demolitions. Page 13 also contains restricted residential zones in various precincts of the 13th Ward.

I hereby move for passage of the proposed ordinances and substitute ordinances transmitted herewith.

Respectfully submitted,

(Signed) DANIEL S. SOLIS,
Chairman.

On motion of Alderman Solis, the said proposed ordinances and substitute ordinances transmitted with the foregoing committee report were *Passed* by yeas and nays as follows:

Reclassification Of Area Shown On Map No. 1-G.

(Application No.19227)

(Common Address: 1242 -- 1244 W. Huron St.)

[O2017-3826]

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Title 17 of the Municipal Code, the Chicago Zoning Ordinance, be amended by changing all the RS3 Residential Single-Unit (Detached House) District symbols and indications as shown on Map Number 1-G in the area bounded by:

the alley next north of and parallel to West Huron Street; a line 48 feet east of and parallel to North Elizabeth Street; West Huron Street; and North Elizabeth Street,

to those of an RM4.5 Residential Multi-Unit District and a corresponding use district is hereby established in the area above described.

SECTION 2. This ordinance shall be in force and effect from and after its passage and due publication.

Reclassification Of Area Shown On Map No. 2-G.

(As Amended)

(Application No. 18982)

(Common Address: 833 -- 855 W. Madison St., 832 -- 854 W. Monroe St.,

1 -- 39 S. Peoria St. And 2 -- 40 S. Green St.)

[SO2016-7306]

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That the Chicago Zoning Ordinance be amended by changing all of the DX-5 Downtown Mixed-Use District and DS-3 Downtown Service District symbols and indications as shown on Map Number 2-G in the area bounded by:

West Madison Street; South Green Street; West Monroe Street; and South Peoria Street,

to those of a DX-5 Downtown Mixed-Use District.

SECTION 2. That the Chicago Zoning Ordinance be amended by changing all of the DX-5 Downtown Mixed-Use District symbols and indications as shown on Map Number 2-G in the area bounded by:

West Madison Street; South Green Street; West Monroe Street; and South Peoria Street,

to those of Planned Development _____ which is hereby established in the area above described subject to such use and bulk regulation as set forth in the Plan of Development herewith attached and made a part hereof and to no others.

SECTION 3. This ordinance shall be in full force and effect from and after its passage and due publication.

Plan of Development Statements referred to in this ordinance read as follows:

Planned Development No. _____.

Planned Development Statements.

1. The area delineated herein as Planned Development Number _____ ("Planned Development") consists of approximately 99,940 net square feet of property which is depicted on the attached Planned Development Boundary Map (the "Property"); 845 West Madison Partners LLC is the owner of the Property and the Applicant for this Planned Development.
2. The requirements, obligations and conditions contained within this Planned Development shall be binding upon the Applicant, its successors and assigns and, if different than the Applicant, the legal titleholders and any ground lessors. All rights granted hereunder to the Applicant shall inure to the benefit of the Applicant's successors and assigns and, if different than the Applicant, the legal titleholder and any ground lessors. Furthermore, pursuant to the requirements of Section 17-8-0400 of the Chicago Zoning Ordinance, the Property, at the time of application for amendments, modifications or changes (administrative, legislative or otherwise) to this Planned Development are made, shall be under single ownership or designated control. Single designated control is defined in Section 17-8-0400 of the Zoning Ordinance.
3. All applicable official reviews, approvals or permits are required to be obtained by the Applicant or its successors, assignees or grantees. Any dedication or vacation of streets or alleys or grants of easements or any adjustment of the right-of-way shall require a separate submittal to the Chicago Department of Transportation ("CDOT") on behalf of the Applicant or its successors, assigns or grantees.

Any requests for grants of privilege, or any items encroaching on the public way, shall be in compliance with the Planned Development.

Ingress or egress shall be pursuant to the Planned Development and may be subject to the review and approval of the Chicago Department of Planning and Development ("DPD") and CDOT. Closure of all or any public street or alley during demolition or construction shall be subject to the review and approval of CDOT.

All work proposed in the public way must be designed and constructed in accordance with CDOT Construction Standards for Work in the Public Way and in compliance with the Municipal Code of the City of Chicago. Prior to the issuance of any Part II Approval, the submitted plans must be approved by CDOT.

4. This plan of development consists of these 16 Statements; a Bulk Regulations and Data Table, and the following exhibits and plans prepared by GREC Architects LLC dated June 15, 2017: a Property Line Map and PD Boundary Map; Site Plan; Existing Zoning Map; Existing Land-Use Map; Landscape Plan; Building Elevations (North, South, East and West); and Facade Detail (Base, Middle, Top). In any instance where a provision of this Planned Development conflicts with the Chicago Building Code, the Building Code shall control. This Planned Development conforms to the intent and purpose of the Chicago Zoning Ordinance, and all requirements thereof, and satisfies the established criteria for approval as a Planned Development. In case of a conflict between the terms of this Planned Development ordinance and the Chicago Zoning Ordinance, this Planned Development ordinance shall control.
5. The following uses shall be permitted in this Planned Development: dwelling units located above and at the ground floor; retail sales; eating and drinking establishments; accessory parking (and up to 45 percent of parking spaces provided for residential uses may be leased out on a daily, weekly or monthly basis to persons who are not residents, tenants, patrons, employees, or guests of the principal use); non-accessory parking and accessory uses.
6. On-premises signs and temporary signs, such as construction and marketing signs, shall be permitted within the Planned Development, subject to the review and approval of DPD. Off-premises signs are prohibited within the boundary of the Planned Development.
7. For purposes of height measurement, the definitions in the Zoning Ordinance shall apply. The height of any building shall also be subject to height limitations, if any, established by the Federal Aviation Administration.
8. The maximum permitted floor area ratio (FAR) for the Property shall be in accordance with the attached Bulk Regulations and Data Table. For the purpose of FAR calculations and measurements, the definitions in the Zoning Ordinance shall apply. The permitted FAR identified in the Bulk Regulations and Data Table has been determined using a net site area of 99,940 square feet and a base FAR of 5.0. The Applicant acknowledges that the project has received a bonus FAR of 1.0, pursuant to Section 17-4-1000 of the Zoning Ordinance. With this bonus FAR, the total FAR for the Planned Development is 6.0. In exchange for the bonus FAR, the Applicant is required to make a corresponding payment, pursuant to Sections 17-4-1003-B and C, prior to the issuance of the first building permit for any building in the Planned Development; provided, however, if the Planned Development is constructed in phases, the bonus payment may be paid on a pro rata basis as the first building permit for each subsequent new building or phase of construction is issued. The bonus payment will be recalculated at the time of payment (including partial payments for phased developments) and may be adjusted based on changes in median land values in accordance with Section 17-4-1003-C.3.

The bonus payment will be split between three separate funds, as follows: 80 percent to the Neighborhoods Opportunity Fund, 10 percent to the Citywide Adopt-a-Landmark Fund and 10 percent to the Local Impact Fund. In lieu of paying the City directly, the department may: (a) direct developers to deposit a portion of the funds with a sister agency to finance specific local improvement projects; (b) direct developers to deposit a portion of the funds with a landmark property owner to finance specific landmark restoration projects; or (c) approve proposals for in-kind improvements to satisfy the Local Impact portion of the payment.

Usage of Local Impact Fund: In this case, the Applicant will contribute the Local Impact portion of the bonus payment for a local library project (the "Project"). The Project is located within one mile of the Planned Development site, as required by Section 17-4-1005-C. The Applicant must make such payment, or the applicable portion thereof in the case of a phased development, prior to the issuance of the first building permit for the Planned Development or applicable phase thereof. The City must enter into an intergovernmental agreement regarding the manner in which the funds will be used.

9. Upon review and determination, "Part II Review", pursuant to Section 17-13-0610 of the Zoning Ordinance, a Part II Review fee shall be assessed by DPD. The fee, as determined by staff at the time, is final and binding on the Applicant and must be paid to the Department of Revenue prior to the issuance of any Part II Approval.
10. The Site and Landscape Plans shall be in substantial conformance with the Landscape Ordinance and any other corresponding regulations and guidelines, including Section 17-13-0800. Final landscape plan review and approval will be by DPD. Any interim reviews associated with site plan review or Part II Reviews, are conditional until final Part II Approval.
11. The Applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation, Fleet and Facility Management and Buildings, under Section 13-32-125, or any other provision of the Municipal Code of Chicago.
12. The terms and conditions of development under this Planned Development ordinance may be modified administratively, pursuant to Section 17-13-0611-A of the Chicago Zoning Ordinance, by the Zoning Administrator upon the application for such a modification by the Applicant, its successors or assigns and, if different than the Applicant, the legal titleholders and any ground lessors of the Property.
13. The Applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.

14. The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. The Applicant shall obtain the number of points necessary to meet the requirements of the Chicago Sustainable Development Policy, in effect at the time the Part II Review process is initiated, for each improvement that is subject to the aforementioned policy and must provide documentation verifying compliance.
15. The Applicant acknowledges and agrees that the rezoning of the Property, from the current zoning classifications of DX-5 and DS-3, to an overall DX-5, and then to this Planned Development ("PD"), triggers the requirements of Section 2-45-115 of the Municipal Code of Chicago ("Affordable Requirements Ordinance" or "ARO"). Any developer of a residential housing project within the meaning of the ARO must: (i) set aside 10 percent of the housing units in the residential housing project (Required Units) as affordable units, or with the Commissioner of the Department of Planning and Development's (DPD) approval, provide the Required Units in an approved off-site location; (ii) pay a fee in lieu of the development of the Required Units; or (iii) any combination of (i) and (ii), provided, however, that residential housing projects with 20 or more units must provide at least 25 percent of the Required Units on-site or off-site. The Property is located in a downtown district, within the meaning of the ARO, and the project has a total of 586 residential dwelling units. As a result, the Applicant's affordable housing obligation is 59 affordable units (10 percent of 586 rounded up), 15 of which are Required Units (25 percent of 586, rounded up). Applicant has agreed to satisfy its affordable housing obligation by constructing all 59 affordable units in the rental building to be constructed in the Planned Development, as set forth in the Affordable Housing Profile Form attached hereto as Exhibit A. The Applicant agrees that the affordable rental units must be affordable to households earning no more than 60 percent of the Chicago Primary Metropolitan Statistical Area Median Income (AMI), as updated annually by the City of Chicago. If the Applicant subsequently reduces (or increases) the number of housing units in the PD, or elects to build a for-sale project instead, the Applicant shall update and resubmit the Affordable Housing Profile Form to DPD for review and approval. DPD may adjust the requirements or number of required affordable units without amending the PD. Prior to the issuance of any building permits for any residential building in the PD, including, without limitation, excavation or foundation permits, the Applicant must execute and record an affordable housing agreement in accordance with Section 2-45-115(L). The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the affordable housing agreement will be recorded against the Property, and will constitute a lien against such Property. The Commissioner of DPD may enforce remedies for any breach of this Statement 15, including any breach of any affordable housing agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the PD.
16. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development ordinance lapse, the Commissioner of DPD shall initiate a zoning map amendment to rezone the Property to the DX-5 Downtown Mixed-Use District.

the alley next north of and parallel to West Harrison Street; a line 120 feet east of and parallel to South Maplewood Avenue; West Harrison Street; and a line 96 feet east of and parallel to South Maplewood Avenue,

to those of an RM5 Residential Multi-Unit District and a corresponding use district is hereby established in the area above described.

SECTION 2. This ordinance shall be in force and effect from and after its passage and due publication.

Reclassification Of Area Shown On Map No. 3-E.

(As Amended)

(Application No. 19209)

(Common Address: 59 -- 81 E. Banks St./1321 -- 1327 N. Ritchie Ct./
1316 -- 1322 N. Lake Shore Dr.)

[SO2017-3794]

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That the Chicago Zoning Ordinance be amended by changing all of the RM6 Multi-Unit Residential District symbols and indications as shown on Map Number 3-E in the area bounded by:

North Ritchie Court; East Banks Street; North Lake Shore Drive; a line 122.33 feet south of and parallel to East Banks Street; a line 100 feet east of and parallel to North Ritchie Court; and a line 100.13 feet south of and parallel to East Banks Street,

to those of a Residential Planned Development which is hereby established in the area above described, subject to such use and bulk regulations as are set forth in the Plan of Development herewith attached and made a part thereof and to no others.

SECTION 2. This ordinance shall be in force and effect from and after its passage and publication.

Plan of Development Statements referred to in this ordinance read as follows:

Residential Planned Development No. _____.

Planned Development Statements.

1. The area delineated herein as Planned Development Number _____ ("Planned Development") consists of approximately 25,431 square feet of property which is depicted on the attached Planned Development Boundary and Property Line Map (the "Property"); 1350 Lake Shore Associates is the owner of the Property and the "Applicant" for this Planned Development.
2. The requirements, obligations and conditions contained within this Planned Development shall be binding upon the Applicant, its successors and assigns and, if different than the Applicant, the legal titleholders and any ground lessors. All rights granted hereunder to the Applicant shall inure to the benefit of the Applicant's successors and assigns and, if different than the Applicant, the legal titleholder and any ground lessors. Furthermore, pursuant to the requirements of Section 17-8-0400 of the Chicago Zoning Ordinance (the "Zoning Ordinance"), the Property, at the time of application for amendments, modifications or changes (administrative, legislative or otherwise) to this Planned Development, shall be under single ownership or designated control. Single designated control is defined in Section 17-8-0400 of the Zoning Ordinance.
3. All applicable official reviews, approvals or permits are required to be obtained by the Applicant or its successors, assignees or grantees. Any dedication or vacation of streets or alleys or grants of easements or any adjustment of the right-of-way shall require a separate submittal to the Chicago Department of Transportation ("CDOT") on behalf of the Applicant or its successors, assigns or grantees.

Any requests for grants of privilege, or any items encroaching on the public way, shall be in compliance with the Plans (defined below).

Ingress or egress shall be pursuant to the Plans and may be subject to the review and approval of the Department of Planning and Development ("DPD") and CDOT. Closure of all or any public street or alley during demolition or construction shall be subject to the review and approval of CDOT.

All work proposed in the public way must be designed and constructed in accordance with CDOT Standards for Work in the Public Way and in compliance with the Municipal Code of the City of Chicago. Prior to the issuance of any Part II Approval, the submitted plans must be approved by CDOT.

4. This Planned Development consists of these 15 Statements; a Bulk Regulations and Data Table and the following exhibits and plans attached hereto prepared by Booth Hansen Architects and dated June 15, 2017 (the "Plans"): a Zoning Map; an Existing Land-Use Map; a Planned Development Boundary and Property Line Map; a Site Plan; a Landscape Plan; a Green Roof Plan; and Building Elevations (North, South, East and West). In any instance where a provision of this Planned Development conflicts with the Chicago Building Code, the Building Code shall control. This Planned Development conforms to the intent and purpose of the Zoning Ordinance, and all requirements thereof, and satisfies the established criteria for approval as a Planned Development. In case of a conflict between the terms of this Planned Development ordinance and the Zoning Ordinance, this Planned Development ordinance shall control.
5. The following uses are permitted in the area delineated herein as a Residential Planned Development: multi-family residential units on and above the ground floor; co-located wireless communication facilities; accessory parking and accessory and related uses.
6. On-premises signs and temporary signs, such as construction and marketing signs, shall be permitted within the Planned Development, subject to the review and approval of DPD. Off-premises signs are prohibited within the boundary of the Planned Development.
7. For purposes of height measurement, the definitions in the Zoning Ordinance shall apply. The height of any building shall also be subject to height limitations, if any, established by the Federal Aviation Administration.
8. The maximum permitted Floor Area Ratio ("FAR") for the Property shall be in accordance with the attached Bulk Regulations and Data Table. For the purposes of FAR calculations and measurements, the definitions in the Zoning Ordinance shall apply. The permitted FAR identified in the Bulk Regulations and Data Table has been determined using a net site area of 25,431 square feet and a base FAR of 5.081.
9. Upon review and determination, "Part II Review", pursuant to Section 17-13-0610 of the Zoning Ordinance, a Part II Review fee shall be assessed by DPD. The fee, as determined by staff at the time, is final and binding on the Applicant and must be paid to the Department of Revenue prior to the issuance of any Part II Approval.

10. The Site and Landscape Plans shall be in substantial conformance with the Landscape Ordinance and any other corresponding regulations and guidelines. Final landscape plan review and approval will be by DPD. Any interim reviews associated with site plan review or Part II Reviews, are conditional until final Part II Approval.
11. The Applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation, Fleet and Facility Management and Buildings, under Section 13-32-125 of the Municipal Code, or any other provision of that Code.
12. The terms and conditions of development under this Planned Development ordinance may be modified administratively, pursuant to Section 17-13-0611-A of the Zoning Ordinance by the Zoning Administrator upon the application for such a modification by the Applicant, its successors and assigns and, if different than the Applicant, the legal titleholders and any ground lessors.
13. The Applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.
14. The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. The Applicant shall obtain the number of points necessary to meet the requirements of the Chicago Sustainable Development Policy, in effect at the time the Part II Review process is initiated for each improvement that is subject to the aforementioned policy and must provide documentation verifying compliance
15. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development ordinance lapse, the Commissioner of DPD shall initiate a zoning map amendment to rezone the Property to the RM6 Multi-Unit Residential District.

[SO2016-45]

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That the Chicago Zoning Ordinance be amended by changing all the current C1-3 Neighborhood Commercial District and B3-3 Community Shopping District symbols and indications as shown on Map Number 3-F in the area bounded by:

a line 216.66 feet north of West Schiller Street, as measured along the east line of North Sedgwick Street; North Orleans Street; West Schiller Street; and North Sedgwick Street,

to those of a B2-5 Neighborhood Mixed-Use District which is hereby established in the area described above.

SECTION 2. That the Chicago Zoning Ordinance be amended by changing all the current B2-5 Neighborhood Mixed-Use District symbols and indications as shown on Map Number 3-F in the area bounded by:

a line 216.66 feet north of West Schiller Street, as measured along the east line of North Sedgwick Street; North Orleans Street; West Schiller Street; and North Sedgwick Street,

to those of a Residential Planned Development which is hereby established in the area described above.

SECTION 3. This ordinance shall be in force and effect from and after its passage and due publication.

Plan of Development Statements attached to this ordinance read as follows:

Residential Planned Development Statements.

1. The area delineated herein as Planned Development Number _____ ("Planned Development") consists of approximately 44,335.00 square feet of property which is depicted on the attached Planned Development Boundary and Property Line Map ("Property") and is owned or controlled by the Applicant, LG Development Group LLC.

2. The requirements, obligations and conditions contained within this Planned Development shall be binding upon the Applicant, its successors and assigns and, if different than the Applicant, the legal titleholders and any ground lessors. All rights granted hereunder to the Applicant shall inure to the benefit of the Applicant's successors and assigns and, if different than the Applicant, the legal titleholder and any ground lessors. Furthermore, pursuant to the requirements of Section 17-8-0400 of the Chicago Zoning Ordinance, the Property, at the time of application for amendments, modifications or changes (administrative, legislative or otherwise) to this Planned Development are made, shall be under single ownership or designated control. Single designated control is defined in Section 17-8-0400 of the Zoning Ordinance.
3. All applicable official reviews, approvals or permits are required to be obtained by the Applicant or its successors, assignees or grantees. Any dedication or vacation of streets or alleys or grants of easements or any adjustment of the right-of-way shall require a separate submittal to the Department of Transportation on behalf of the Applicant or its successors, assign or grantees. Any requests for grants of privilege, or any items encroaching on the public way, shall be in compliance with the plans.

Ingress or egress shall be pursuant to the plans and may be subject to the review and approval of the Departments of Planning and Development and Transportation. Closure of all or any public street or alley during demolition or construction shall be subject to the review and approval of the Department of Transportation.

All work, proposed in the public way must be designed and constructed in accordance with the Department of Transportation Construction Standards for Work in the Public Way and in compliance with the Municipal Code of the City of Chicago. Prior to the issuance of any Part II Approval, the submitted plans must be approved by the Department of Transportation.

4. This plan of development consists of sixteen (16) Statements; a Bulk Regulations Table; an Existing Land-Use Map; an Existing Zoning Map; a Planned Development Boundary and Property Line Map; a Site/Landscape Plan; a Green Roof Plan and Building Elevations submitted herein. Full-sized copies of the Site Plan, Landscape Plan and Building Elevations are on file with the Department of Planning and Development. In any instance where a provision of this Planned Development conflicts with the Chicago Building Code, the Building Code shall control. This Planned Development conforms to the intent and purpose of the Zoning Ordinance, and all requirements thereto, and satisfies the established criteria for approval as a planned development. In case of a conflict between the terms of this Planned Development ordinance and the Zoning Ordinance, this Planned Development ordinance shall control.
5. The following uses are permitted in the area delineated herein as a residential planned development: residential dwelling units; wireless communications facilities; and accessory uses.

6. On-premises signs and temporary signs, such as construction and marketing signs, shall be permitted within the Planned Development, subject to the review and approval of the Department of Planning and Development. Off-premises signs are prohibited within the boundary of the Planned Development.
7. For purposes of height measurement, the definitions in the Zoning Ordinance shall apply. The height of any building shall also be subject to height limitations, if any, established by the Federal Aviation Administration.
8. The maximum permitted Floor Area Ratio ("FAR") for the site shall be in accordance with the attached Bulk Regulations Table. For the purposes of FAR calculations and measurements, the definitions in the Zoning Ordinance shall apply. The permitted Floor Area Ratio identified in the Bulk Regulations Table has been determined using a net site area of 44,335.00 square feet and a base FAR of 5.0, with the total FAR allowed under this Planned Development of 5.0.
9. The Applicant acknowledges and agrees that the rezoning of the Property from B3-3/C1-3 to B2-5, and then to this Planned Development, triggers the requirements of Section 2-45-115 of the Municipal Code (the "Affordable Requirements Ordinance" or "ARO"). Any developer of a "residential housing project" within the meaning of the ARO must: (i) set aside 10 percent of the housing units in the residential housing project (the "Required Units") as affordable units, or, with the Commissioner's approval, provide the Required Units in an approved off-site location; (ii) pay a fee in lieu of the development of the Required Units; or (iii) any combination of (i) and (ii); provided, however, that residential housing projects with 20 or more units must provide at least 25 percent of the Required Units on-site or off-site. If the developer elects to provide affordable units off-site, the off-site affordable units must be located within a two-mile radius from the residential housing project and in the same or a different higher income area or downtown district. The Property is located in a "higher income area" within the meaning of the ARO, and the project has a total of 252 units. As a result, the Applicant's affordable housing obligation is 25 units (10 percent of 252, rounded down), 6 of which are Required Units (2.5 percent of 252, rounded down). Applicant has agreed to satisfy its affordable housing obligation by providing 12 affordable units in the rental building to be constructed in the Planned Development, and making a cash payment to the Affordable Housing Opportunity Fund in the amount of \$125,000 per unit ("Cash Payment" for the 13 remaining units, as set forth in the Affordable Housing Profile Form attached hereto as Exhibit [____]). The Applicant agrees that the affordable rental units must be affordable to households earning no more than 60 percent of the Chicago Primary Metropolitan Statistical Area Median Income (AMI), as updated annually by the City of Chicago. If the Applicant subsequently reduces (or increases) the number of housing units in the Planned Development, the Applicant shall update and resubmit the Affordable Housing Profile Form to the Department of Planning and Development ("DPD") for review and approval, and DPD may adjust the number of required Affordable Units without amending the Planned Development. Prior to the issuance of any building permits for any residential building in the Planned Development, including, without limitation, excavation or foundation permits, the Applicant must

make the required Cash Payment and execute and record an affordable housing agreement in accordance with Section 2-45-115(L). The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the affordable housing agreement will be recorded against the Planned Development, or the applicable portion thereof, and will constitute a lien against such property. The Commissioner of DPD may enforce remedies for any breach of this Statement 9, including any breach of any affordable housing agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development.

10. Upon review and determination, "Part II Review", pursuant to Section 17-13-0610 of the Zoning Ordinance, a Part II Review fee shall be assessed by the Department of Planning and Development. The fee, as determined by staff at the time, is final and binding on the Applicant and must be paid to the Department of Revenue prior to the issuance of any Part II Approval.
11. The Site and Landscape Plans shall be in substantial conformance with the Landscape Ordinance and any other corresponding regulations and guidelines. Final landscape plan review and approval will be by the Department of Planning and Development. Any interim reviews associated with site plan review or Part II Reviews, are conditional until final Part II Approval.
12. The Applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation, Environment and Buildings, under Section 13-32-125 of the Municipal Code, or any other provision of that Code.
13. The terms and conditions of development under this Planned Development ordinance may be modified administratively, pursuant to Section 17-13-0611-A of the Zoning Ordinance by the Zoning Administrator upon the application for such a modification by the Applicant, its successors and assigns and, if different than the Applicant, the legal titleholders and any ground lessors.
14. The Applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.
15. The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. The applicant has agreed to provide a 50 percent green roof over the net roof area and achieve Building Certification to comply with the City of Chicago's Sustainable Matrix.

16. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development ordinance lapse, the Commissioner of the Department of Planning and Development shall initiate a zoning map amendment to rezone the Property to a B2-5 Neighborhood Mixed-Use District.

Reclassification Of Area Shown On Map No. 3-G.
(As Amended)
(Application No. 18652)
(Common Address: 1551 W. North Ave., Also Known As
1555 N. Ashland Ave.)

[SO2016-643]

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Title 17 of the Municipal Code of Chicago, the Chicago Zoning Ordinance, is hereby amended by changing all of the B1-2 Neighborhood Shopping District symbols as shown on Map Number 3-G in the area bounded by:

West North Avenue; the public alley next east of and parallel to North Ashland Avenue; a line 116.70 feet south of and parallel to West North Avenue; and North Ashland Avenue,

to those of a C1-5 Neighborhood Commercial Zoning District.

SECTION 2. Title 17 of the Municipal Code of Chicago, the Chicago Zoning Ordinance, is hereby amended by changing all of the C1-5 Neighborhood Commercial Zoning District symbols as shown on Map Number 3-G in the area bounded by:

West North Avenue; the public alley next east of and parallel to North Ashland Avenue; a line 116.70 feet south of and parallel to West North Avenue; and North Ashland Avenue,

to those of a Planned Development which is hereby established in the area above described, subject to such use and bulk regulations as are set forth in the Plan of Development herewith attached and made a part thereof and to no others.

SECTION 3. This ordinance shall be in force and effect from and after its passage and due publication.

Plan of Development Statements referred to in this ordinance read as follows:

Planned Development Statements No. _____.

1. The area delineated herein as Planned Development Number _____ ("Planned Development") consists of approximately 12,568.59 square feet (net site area) of property which is depicted on the attached Planned Development Boundary and Property Line Map ("Property") and is owned or controlled by the Applicant, 1551, Inc.
2. The requirements, obligations and conditions contained within this Planned Development shall be binding upon the Applicant, its successors and assigns and, if

different than the Applicant, the legal titleholders and any ground lessors. All rights granted hereunder to the Applicant shall inure to the benefit of the Applicant's successors and assigns and, if different than the Applicant, the legal titleholder and any ground lessors. Furthermore, pursuant to the requirements of Section 17-8-0400 of the Chicago Zoning Ordinance, the Property, at the time of application for amendments, modifications or changes (administrative, legislative or otherwise) to this Planned Development are made, shall be under single ownership or designated control. Single designated control is defined in Section 17-8-0400 of the Zoning Ordinance.

3. All applicable official reviews, approvals or permits are required to be obtained by the Applicant or its successors, assignees or grantees. Any dedication or vacation of streets or alleys or grants of easements or any adjustment of the right-of-way shall require a separate submittal to the Department of Transportation (CDOT) on behalf of the Applicant or its successors, assigns or grantees.

Any requests for grants of privilege, or any items encroaching on the public way, shall be in compliance with the plans.

Ingress or egress shall be pursuant to the plans and may be subject to the review and approval of the Departments of Planning and Development (DPD) and CDOT. Closure of all or any public street or alley during demolition or construction shall be subject to the review and approval of the CDOT.

All work proposed in the public way must be designed and constructed in accordance with the CDOT Construction Standards for Work in the Public Way and in compliance with the Municipal Code of the City of Chicago. Prior to the issuance of any Part II Approval, the submitted plans must be approved by CDOT.

4. This plan of development consists of 15 Statements; a Bulk Regulations and Data Table; an Existing Zoning Map; an Existing Land-Use Map; a Planned Development Boundary and Property Line; the following plans (prepared by Vari Architects, Ltd. and dated July 21, 2016):

Site Plan; Floor Plans and Building Elevations. Full-sized copies of the Site Plan, and Building Elevations, are on file with the DPD. In any instance where a provision of this Planned Development conflicts with the Chicago Building Code, the Building Code shall control. This Planned Development conforms to the intent and purpose of the Zoning Ordinance, and all requirements thereto, and satisfies the established criteria for approval as a Planned Development. In case of a conflict between the terms of this Planned Development ordinance and the Zoning Ordinance, this Planned Development ordinance shall control.

5. The following uses are permitted in this Planned Development: lodging including but not limited to a hotel and related and accessory uses, eating and drinking establishments, food and beverage retail sales, office, personal services, repair or laundry service, general retail sales, artist work or sales space, automated teller machine facility and all accessory and related uses.

6. On-premises signs and temporary signs, such as construction and marketing signs, shall be permitted within this Planned Development, subject to the review and approval of DPD. Off-premises signs are prohibited within the boundary of this Planned Development.
7. For purposes of height measurement, the definitions in the Zoning Ordinance shall apply. The height of any building shall also be subject to height limitations, if any, established by the Federal Aviation Administration.
8. The maximum permitted Floor Area Ratio (FAR) for the site shall be in accordance with the attached Bulk Regulations Table. For the purposes of FAR calculations and measurements, the definitions in the Zoning Ordinance shall apply. The permitted FAR identified in the Bulk Regulations Table has been determined using a Net Site Area of 12,568.59 square feet.
9. Pursuant to Section 17-13-0610 of the Zoning Ordinance, a Part II Review fee shall be assessed, upon review and determination, by DPD. The fee, as determined by the staff of DPD at the time, is final and binding on the Applicant and must be paid to the Department of Revenue prior to the issuance of any Part II Approval.
10. The Site and Landscape Plans shall be in substantial conformance with the Landscape Ordinance and any other corresponding regulations and guidelines. Final landscape plan review and approval will be by DPD. Any interim reviews associated with Site Plan Review or Part II Reviews, are conditional until final Part II Approval.
11. The Applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation, Fleet and Facility Management and Buildings, under Section 13-32-125 of the Municipal Code, or any other provision of that Code.
12. The terms and conditions of development under this Planned Development ordinance may be modified administratively, pursuant to Section 17-13-0611-A of the Zoning Ordinance by the Zoning Administrator upon the application for such a modification by the Applicant, its successors and assigns and, if different than the Applicant, the legal titleholders and any ground lessors.
13. The Applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.
14. The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs, conserves energy and maximizes the preservation of natural resources. Through the provision of a 50 percent green roof and Energy Star certification, the project will meet the guidelines of the Sustainable Policy of DPD.

15. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development ordinance lapse, the Commissioner of DPD shall initiate a zoning map amendment to rezone the Property to C1-5 Neighborhood Commercial District.

Reclassification Of Area Shown On Map No. 5-I.

(As Amended)

(Application No. 18506)

(Common Address: 2835 -- 2847 W. Belden Ave.)

[SO2015-6396]

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That the Chicago Zoning Ordinance be amended by changing all the C1-2 Neighborhood Commercial District symbols and indications as shown on Map Number 5-I in the area bounded by:

West Belden Avenue; the southwesterly line of the Chicago Transit Authority right-of-way; a line 204.35 feet east of the southwesterly line of North Milwaukee Avenue, as measured along the south line of West Belden Avenue; the public alley next south of West Belden Avenue; and a line 337.67 feet east of the southwesterly line of North Milwaukee Avenue as measured along the south line of West Belden Avenue,

to those of a B2-3 Neighborhood Mixed-Use District which is hereby established in the area described above.

SECTION 2. That the Chicago Zoning Ordinance be amended by changing all the B2-3 Neighborhood Mixed-Use District symbols and indications as shown on Map Number 5-I in the area bounded by:

West Belden Avenue; the southwesterly line of the Chicago Transit Authority right-of-way; a line 204.35 feet east of the southwesterly line of North Milwaukee Avenue, as measured along the south line of West Belden Avenue; the public alley next south of West Belden Avenue; and a line 337.67 feet east of the southwesterly line of North Milwaukee Avenue as measured along the south line of West Belden Avenue,

to those of a Residential Planned Development which is hereby established in the area described above.

SECTION 3. This ordinance shall be in force and effect from and after its passage and due publication.

Plan of Development Statements attached to this ordinance read as follows:

Residential Planned Development Statements.

1. The area delineated herein as Planned Development Number _____ ("Planned Development") consists of approximately 17,604 square feet of property which is depicted on the attached Planned Development Boundary and Property Line Map ("Property") and is owned or controlled by the Applicant, Barry Sidel. At the time of

implementation of this Planned Development, the site has been zoned B2-3 and is located within approximately 660 feet of an entrance to the CTA Blue Line's California Station. The project is therefore eligible for an MLA Reduction for Transit-Served Locations (per Section 17-3-0402-B) and additional FAR Increase for On-Site Affordable Housing Units in Transit-Served Locations (per Section 17-3-0403-B/C) as the project will not contain more than one parking space per dwelling unit and 100 percent of the required affordable housing units ("ARO units", pursuant to Section 2-45-115) will be located on-site. In addition, the project is eligible for a Building Height Increase for Transit-Served Locations (per Section 17-3-0408) and an exemption regarding the limitation on efficiency units (per Section 17-3-0410-B2).

2. The requirements, obligations and conditions contained within this Planned Development shall be binding upon the Applicant, its successors and assigns and, if different than the Applicant, the legal titleholders and any ground lessors. All rights granted hereunder to the Applicant shall inure to the benefit of the Applicant's successors and assigns and, if different than the Applicant, the legal titleholder and any ground lessors. Furthermore, pursuant to the requirements of Section 17-8-0400 of the Chicago Zoning Ordinance, the Property, at the time of application for amendments, modifications or changes (administrative, legislative or otherwise) to this Planned Development are made, shall be under single ownership or designated control. Single designated control is defined in Section 17-8-0400 of the Zoning Ordinance.
3. All applicable official reviews, approvals or permits are required to be obtained by the Applicant or its successors, assignees or grantees. Any dedication or vacation of streets or alleys or grants of easements or any adjustment of the right-of-way shall require a separate submittal to the Department of Transportation on behalf of the Applicant or its successors, assign or grantees. Any requests for grants of privilege, or any items encroaching on the public way, shall be in compliance with the plans.

Ingress or egress shall be pursuant to the plans and may be subject to the review and approval of the Departments of Planning and Development and Transportation. Closure of all or any public street or alley during demolition or construction shall be subject to the review and approval of the Department of Transportation.

All work proposed in the public way must be designed and constructed in accordance with the Department of Transportation Construction Standards for Work in the Public Way and in compliance with the Municipal Code of the City of Chicago. Prior to the issuance of any Part II Approval, the submitted plans must be approved by the Department of Transportation.

4. This plan of development consists of sixteen (16) Statements; a Bulk Regulations Table; an Existing Zoning Map; an Existing Land-Use Map; a Planned Development Boundary and Property Line Map; a Site/Landscape Plan; and Building Elevations (North, South, East and West) submitted herein. In any instance where a provision of this Planned Development conflicts with the Chicago Building Code, the Building Code shall control. This Planned Development conforms to the intent and purpose of the Zoning Ordinance, and all requirements thereto, and satisfies the established criteria for approval as a Planned Development. In case of a conflict between the

terms of this Planned Development ordinance and the Zoning Ordinance, this Planned Development ordinance shall control.

5. The following uses are permitted in the area delineated herein as a Residential Planned Development: residential dwelling units located above and on the ground floor; accessory parking; wireless communications facilities; and accessory uses.
6. On-premises signs and temporary signs, such as construction and marketing signs, shall be permitted within the Planned Development, subject to the review and approval of the Department of Planning and Development. Off-premises signs are prohibited within the boundary of the Planned Development.
7. For purposes of height measurement, the definitions in the Zoning Ordinance shall apply. The height of any building shall also be subject to height limitations, if any, established by the Federal Aviation Administration.
8. The maximum permitted Floor Area Ratio ("FAR") for the site shall be in accordance with the attached Bulk Regulations Table. For the purposes of FAR calculations and measurements, the definitions in the Zoning Ordinance shall apply. The permitted floor area ratio identified in the Bulk Regulations Table has been determined using a net site area of 17,604 square feet and an FAR of 4.0.
9. The Applicant acknowledges and agrees that the rezoning of the Property from B2-3 to this Planned Development, triggers the requirements of Section 2-45-115 of the Municipal Code (the "Affordable Requirements Ordinance" or "ARO"). Any developer of a "residential housing project" within the meaning of the ARO must: (i) set aside 10 percent of the housing units in the residential housing project (the "Required Units") as affordable units, or provide the Required Units in an approved off-site location; (ii) pay a fee in lieu of the development of the Required Units; or (iii) any combination of (i) and (ii); provided, however, that residential housing projects with 20 or more units must provide at least 25 percent of the Required Units on-site if in higher income or downtown or, with the Commissioner's approval, off-site if in higher income or downtown. If the developer elects to provide affordable units off-site, the off-site affordable units must be located within a two-mile radius from the residential housing project and in an equal or higher income area or downtown district. In addition to this rezoning, the project received a floor area ratio ("FAR") increase under Section 17-3-0403-C of the Municipal Code (additional far increase for on-site Affordable Housing Units in Transit-Served Locations), which requires that all affordable units be required on-site in accordance with the transit-served location regulations set forth in Section 17-3-0403-C. The Property is located in a higher income area within the meaning of the ARO, and has a total of 100 units. As a result, the Applicant's affordable housing obligation is 10 affordable units (10 percent of 100). The Applicant has agreed to satisfy its affordable housing obligation providing 10 affordable units in the rental building to be constructed in the Planned Development, as set forth in the Affordable Housing Profile Form attached hereto as Exhibit A. The Applicant agrees that the affordable rental units must be affordable to households earning no more than 60 percent of the Chicago Primary Metropolitan Statistical Area Median Income (AMI), as updated annually by the City of Chicago. If the Applicant subsequently reduces (or increases) the number of housing units in the Planned Development, the Applicant shall update and resubmit the Affordable

Housing Profile Form to the Department of Planning and Development ("DPD") for review and approval, and DPD may adjust the number of required affordable units without amending the Planned Development. Prior to the issuance of any building permits for any residential building in the Planned Development, including, without limitation, excavation or foundation permits, the Applicant must record an affordable housing agreement in accordance with Section 2-45-115(L). The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the affordable housing agreement will be recorded against the Planned Development, or the applicable portion thereof, and will constitute a lien against such property. The Commissioner of DPD may enforce remedies for any breach of this Statement 9, including any breach of any affordable housing agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development.

10. Upon review and determination, "Part II Review", pursuant to Section 17-13-0610 of the Zoning Ordinance, a Part II Review fee shall be assessed by the Department of Planning and Development. The fee, as determined by staff at the time, is final and binding on the Applicant and must be paid to the Department of Revenue prior to the issuance of any Part II Approval.
11. The Site and Landscape Plans shall be in substantial conformance with the Landscape Ordinance and any other corresponding regulations and guidelines. Final landscape plan review and approval will be by the Department of Planning and Development. Any interim reviews associated with site plan review or Part II Reviews, are conditional until final Part II Approval.
12. The Applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation, Environment and Buildings, under Section 13-32-125 of the Municipal Code, or any other provision of that Code.
13. The terms and conditions of development under this Planned Development ordinance may be modified administratively, pursuant to Section 17-13-0611-A of the Zoning Ordinance by the Zoning Administrator upon the application for such a modification by the Applicant, its successors and assigns and, if different than the Applicant, the legal titleholders and any ground lessors.
14. The Applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.
15. The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources.

The Applicant shall obtain the number of points necessary to meet the requirements of the Chicago Sustainable Development Policy, in effect at the time the Part II Review process is initiated, for each improvement that is subject to the aforementioned policy and must provide documentation verifying compliance.

16. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development ordinance lapse, the Commissioner of the Department of Housing and Economic Development shall initiate a zoning map amendment to rezone the Property to a B2-3 Neighborhood Mixed-Use District.

(Application No. 19172T1)

(Common Address: 1811 N. California Ave.)

[O2017-2219]

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Title 17 of the Municipal Code of Chicago, the Chicago Zoning Ordinance, is hereby amended by changing all the B2-3 Neighborhood Mixed-Use District and B3-1 Neighborhood Mixed-Use District symbols and indications as shown on Map Number 5-I in the area bounded by:

a line 123.5 feet north of and parallel to West Bloomingdale Avenue; the alley next east of and parallel to North California Avenue; a line 86 feet north of and parallel to West Bloomingdale Avenue; and North California Avenue,

to those of a B2-3 Neighborhood Mixed-Use District and a corresponding use district is hereby established in the area above described.

SECTION 2. This ordinance shall be in force and effect from and after its passage and due publication.

[Site Plan; Basement, First, Second and Third Floor Plans; Roof Deck Plan and Wall Sections; and North, South, East and West Building Elevations attached to this ordinance printed on pages 52141 through 52145 of this *Journal*.]

Type 1 Narrative Rezoning Analysis attached to this ordinance reads as follows:

Type 1 Zoning Narrative.

The address of the parcel is 1811 North California Avenue. The current zoning of the parcel is B3-1 Community Shopping District. The zoning amendment is to change the zoning of the parcel to B2-3 Neighborhood Mixed-Use District. The zoning change is needed to construct a three-story, four dwelling unit residential building.

The lot size is 4,725 square feet (126 square feet by 37.50 square feet). The proposed minimum lot area per dwelling unit is 1,180 square feet. The floor area is 5,760 square feet. The floor area ratio is 1.22. The front setback is 5 feet. The rear setback is 37.68 feet. The north sideyard setback is 4 feet, 9 inches and the south sideyard setback is 4 feet, 9 inches. There are four parking spaces with a garage and roofdecks.

After rezoning, all the property will be used for residential use with four dwelling units, four parking spaces, and a building height of 38 feet, 1 inch.

Reclassification Of Area Shown On Map No. 7-J.

(As Amended)

(Application No. 19007)

(Common Address: 3927 -- 3963 W. Belmont Ave.)

[SO2016-7341]

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That the Chicago Zoning Ordinance be amended by changing all the Residential-Business Planned Development Number 982 symbols and indications as shown on Map Number 7-J in the area bounded by:

West Belmont Avenue; North Springfield Avenue; the 16-foot east/west public alley parallel to and south of West Belmont Avenue; North Harding Avenue; the 16-foot east/west public alley running parallel to and 244.97 feet south of West Belmont Avenue; the 16-foot north/south public alley just east of and parallel to North Pulaski Road; the 16-foot east/west public alley 333.92 feet south of and parallel to West Belmont Avenue; and North Pulaski Road,

to those of Residential-Business Planned Development Number 982, as amended, and a corresponding use district is hereby established in the area above described.

SECTION 2. This ordinance shall be in force and effect from and after its passage and due publication.

Plan of Development Statements referred to in this ordinance read as follows:

Residential-Business Planned Development No. 982, As Amended.

Planned Development Statements.

1. The area delineated herein as a Residential-Business Planned Development consists of a net site area of approximately two and eighty-eight hundredths (2.88) acres which is controlled by Shoemaker Office Investments LLC ("Applicant").
2. The Applicant shall obtain all applicable official reviews, approvals or permits which are necessary to implement this plan of development. Any dedication or vacation of streets or alleys or easements or adjustments of rights-of-ways or consolidation or resubdivision of parcels shall require separate submittal on behalf of the Applicant or its successors, assignees or grantees and approval by the City Council.
3. The requirements, obligations and conditions applicable within this planned development shall be binding upon the Applicant, its successors and assigns. Furthermore, pursuant to the requirements of Section 11.11-1 of the Chicago Zoning Ordinance, the property, at the time applications for amendments, modifications, or changes (administrative, legislative or otherwise) to this planned development are made shall be under single ownership or under single designated control of the subarea for which the request is being made. Single designated control for purposes of this paragraph shall mean that any application to the City for any amendment to this planned development or any modification or change thereto (administrative, legislative or otherwise) shall be made by the Applicant, the owners of all the

property comprising the subarea for which the request is being made within the planned development or any homeowners association(s) formed to succeed the Applicant for purposes of control and management of any portion of the planned development as it may relate to the subarea in question, except as "control" may have been resolved within title documents. All owners of property within the planned development in the case of a legislative amendment.

4. This plan of development consists of these fifteen (15) statements; a Bulk Regulations and Data Table; an Existing Land-Use Map, Planned Development Boundary and Property Line Map, Planned Development Subarea Map, Existing Site Plan, Existing North/South Elevation, Existing West Elevation, Existing East Elevation, Existing East/West Elevation -- Courtyard, Existing First Floor Plan, and Revised First Floor Plans, which are all incorporated herein. Full size sets of the Site Plan and Building Elevations and Landscape Plan are on file with the Department of Planning and Development. This plan of development is in conformity with the intent and purposes of the Chicago Zoning Ordinance (Title 17 of the Municipal Code in Chicago) and all requirements thereof and satisfies the established criteria for approval of a planned development. These and no other zoning controls shall apply to the area delineated herein.
5. The following uses shall be permitted within the planned development: Subarea A -- multi-family dwelling units; ground floor residential uses; a maximum of fifteen thousand (15,000) square feet of retail and commercial establishments as permitted in a B3-5 Community Shopping District (except that pawn shops, tattoo parlors, day labor companies and adult uses shall not be permitted), accessory parking, non-accessory parking and related uses. Subarea B -- retail and commercial establishments as permitted in a B3-3 Community Shopping District (except that pawn shops, tattoo parlors, day labor companies and adult uses shall not be permitted), accessory parking, non-accessory parking and related uses.
6. Identification signs shall be permitted within the planned development subject to the review and approval of the Department of Planning and Development. Temporary signs, such as construction and marketing signs shall be permitted within the planned development subject to review and approval of the Department of Planning and Development.
7. Any service drives or other ingress or egress including emergency vehicle access shall be adequately designed, constructed and paved in accordance with the Municipal Code of Chicago and the regulations of the Department of Transportation in effect at the time of construction. There shall be no parking or storage of garbage receptacles within such paved areas, except as noted on the site plan, or within fire lanes. Ingress and egress shall be subject to the review and approval of the Department of Transportation and the Department of Planning and Development. Off-street parking and off-street loading facilities shall be provided in compliance with this plan of development subject to review of the Department of Transportation and Department of Planning and Development.

8. In addition to the maximum height of any building or any appurtenance attached thereto prescribed in this planned development, the height of any improvement shall also be subject to height limitations approved by the Federal Aviation Administration.
9. The maximum permitted floor area ratio shall be in accordance with the attached Bulk Regulations and Data Table. For purposes of FAR calculations and floor area measurements, the definition in the City of Chicago Zoning Ordinance shall apply.
10. Improvements of the property, including landscaping and all entrances and exits to the parking and loading areas, shall be designed and installed in substantial conformance with the exhibits to this planned development. In addition, parkway trees and other landscaping shall be installed and maintained at all times in accordance with the Landscape Plan and the parkway tree provisions of the Chicago Zoning Ordinance and corresponding regulations and guidelines.
11. The terms, conditions and exhibits of this planned development ordinance may be modified, administratively, by the Commissioner of the Department of Planning and Development upon the written request for such modification by the Applicant and after a determination by the Commissioner of the Department of Planning and Development, that such a modification is minor, appropriate and is consistent with the nature of the improvements contemplated in this planned development. Any such modification of the requirements of this statement by the Commissioner of the Department of Planning and Development shall be deemed to be a minor change in the planned development as contemplated by Section 11.11-3(c) of the Chicago Zoning Ordinance. Notwithstanding the provisions of subclauses 4 and 5 of Section 11.11-3(c) of the Chicago Zoning Ordinance, such minor changes may include a reduction in the minimum required distance between structures, a reduction in periphery setbacks, an increase in the maximum percent of land covered, or subsequent setback reductions pertaining to individual residential units.
12. The Applicant acknowledges that it is in the public interest to design, construct and maintain all buildings in a manner which promotes, enables and maximizes universal access throughout the property. Plans for all buildings and improvements on the property shall be reviewed and approved by the Mayor's Office for People with Disabilities ("MOPD") to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility. No approvals shall be granted pursuant to Section 11.11-3(b) of the Chicago Zoning Ordinance until the Director of MOPD, has approved detailed construction drawings for each building or improvement.
13. The Applicant acknowledges that it is in the public interest to design, construct and maintain all buildings in a manner which promotes and maximizes the conservation of energy resources. The Applicant shall use reasonable efforts to design, construct and maintain all buildings located within this planned development in an energy efficient manner consistent with the most current energy efficiency standards published by the American Society of Heating, Refrigerating and Air-Conditioning

Engineers ("ASHRAE") and the Illuminating Engineering Society ("IES"). Copies of these standards may be obtained from the Department of Planning and Development.

14. In conformance with City of Chicago ordinances whereby projects receiving economic assistance in the form of TIF financing must provide twenty percent (20%) of the dwelling units for sale as affordable units, the Applicant shall provide thirty-five (35) dwelling units in Subarea A for sale as affordable units as required. In the event the number of dwelling units to be constructed in Subarea A is reduced, the number of affordable units will also be reduced, so long as the twenty percent (20%) requirement is met. A written agreement between the developer and the Department of Housing will be entered into setting forth the terms for the sale of the affordable units.
15. If substantial construction has not yet begun within the planned development within six (6) years of the date of passage of the planned development, the zoning of the Property shall revert to the B3-2 District.

Furthermore, pursuant to the requirements of Section 17-8-0400 of the Chicago Zoning Ordinance, the Property, at the time of application for an amendment, modification or change (administrative, legislative or otherwise) to this Planned Development is made, shall be under single ownership or single designated control. Single designated control is defined in Section 17-8-0400 of the Zoning Ordinance.
3. All applicable official reviews, approvals or permits are required to be obtained by the Applicant or its successors, assignees or grantees. Any dedication or vacation of streets or alleys or grants of easements or any adjustment of the right-of-way shall require a separate submittal to the Department of Transportation on behalf of the Applicant or its successors, assigns or grantees.

Any requests for grants of privilege, or any items encroaching on the public way, shall be in compliance with the plans.

Ingress or egress shall be pursuant to the plans and may be subject to the review and approval of the Departments of Planning and Development and Transportation. Closure of all or any public street or alley during demolition or construction shall be subject to the review and approval of the Department of Transportation.

All work proposed in the public way must be designed and constructed in accordance with the Department of Transportation Construction Standards for Work in the Public Way and in compliance with the Municipal Code of the City of Chicago. Prior to the issuance of any Part II Approval, the submitted plans must be approved by the Department of Transportation.

4. This plan of development consists of 15 Statements; a Bulk Regulations Table; an Existing Zoning Map; a Planned Development Boundary and Property Line Map; a Site Plan; a Landscape/Green Roof Plan; an Existing Land-Use Map; a Ground Floor Plan; and Building Elevations prepared by Pappageorge Haymes Partners dated June 15, 2017, submitted herein. Full-sized copies of the Site/Landscape Plan and Building Elevations are on file with the Department of Planning and Development. In any instance where a provision of this Planned Development conflicts with the Chicago Building Code, the Building Code shall control. This Planned Development conforms to the intent and purpose of the Zoning Ordinance, and all requirements thereof, and satisfies the established criteria for approval as a Planned Development. In case of a conflict between the terms of this Planned Development ordinance and the Zoning Ordinance, this Planned Development ordinance shall control.
5. The following uses are permitted in the area delineated herein as a Planned Development: residential uses, including concierge service and meal service provided in a common dining facility and assisted living facilities as defined in the Chicago Zoning Ordinance, ground-floor retail uses, accessory parking (up to 45 of the accessory parking spaces in the Planned Development may be leased out on a daily, weekly or monthly basis to persons who are not residents, tenants, patrons, employees, or guests of the principal use), loading, non-accessory parking and related and accessory uses.
6. On-premises signs and temporary signs, such as construction and marketing signs, shall be permitted within the Planned Development subject to the review and approval of the Department of Planning and Development. Off-premises signs are prohibited within the boundary of the Planned Development.
7. For purposes of height measurement, the definitions in the Zoning Ordinance shall apply. The height of any building shall also be subject to height limitations, if any, established by the Federal Aviation Administration.
8. The maximum permitted Floor Area Ratio ("FAR") for the site shall be in accordance with the attached Bulk Regulations Table. For purposes of FAR calculations and measurements, the definitions in the Zoning Ordinance shall apply. The permitted

FAR identified in the Bulk Regulations Table has been determined using a net site area of 37,528 square feet.

9. Upon review and determination ("Part II Review"), and pursuant to Section 17-13-0610 of the Zoning Ordinance, a Part II Review fee shall be assessed by the Department of Planning and Development. The fee, as determined by staff at the time, is final and binding on the Applicant and must be paid to the Department of Finance prior to the issuance of any Part II Approval.
10. The Site/Landscape Plan shall be in substantial conformance with the Landscape Ordinance and any other corresponding regulations and guidelines. Final landscape plan review and approval will be by the Department of Planning and Development. Any interim review associated with the site plan review or Part II Reviews are conditional until final Part II Approval.
11. The Applicant shall comply with the Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation and Fleet and Facility Management and Buildings, pursuant to Section 13-32-125 of the Municipal Code, or any other provision of that Code.
12. The terms and conditions of development under this Planned Development ordinance may be modified administratively by the Zoning Administrator, pursuant to Section 17-13-0611-A of the Zoning Ordinance, upon written application by the Applicant, its successors and assigns and, if different than the Applicant, the legal titleholders and any ground lessors.
13. The Applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.
14. The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. The Applicant shall obtain the number of points necessary to meet the requirements of the Chicago Sustainable Development Policy, in effect at the time the Part II Review process is initiated, for each improvement that is subject to the aforementioned policy and must provide documentation verifying compliance.
15. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development ordinance lapse, the Zoning Administrator shall initiate a zoning map amendment to rezone the Property to its previous designation as Planned Development Number 1056, as amended, on May 13, 2009.

to those of a B3-5 Community Shopping District and a corresponding use district is hereby established in the area described.

SECTION 2. Title 17 of the Municipal Code of Chicago, the Chicago Zoning Ordinance, is hereby amended by changing all the B3-5 Community Shopping District symbols and indications as shown on Map Number 13-L in the area bounded by:

West Ainslie Street; North Milwaukee Avenue; West Veterans Place; North Lipps Avenue; and the southeasterly right-of-way of Chicago Northwestern Railway (Santa Fe),

to those of a Planned Development, subject to the use and bulk regulations set forth in the Plan of Development attached hereto and made a part hereof.

SECTION 3. This ordinance shall be in force and effect from and after its passage and due publication:

Plan of Development Statements referred to in this ordinance read as follows:

Planned Development No. _____.

Plan Of Development Statements.

1. The area delineated herein as Planned Development Number _____ ("Planned Development") consists of approximately 87,712 square feet of net site area, as more fully depicted on the attached Planned Development Boundary and Property Line Map ("Property"). The Property is owned or controlled by Jefferson Place LLC, an Illinois limited liability company ("Applicant"). The Planned Development is divided into subareas (each, a "Subarea", and collectively, the "Subareas"), as indicated on the Planned Development Boundary and Property Line Map, as defined in Statement Number 4.
2. The requirements, obligations and conditions contained within this Planned Development shall be binding on the Applicant, its successors and assigns, and, if different than the Applicant, the legal titleholders. All rights granted hereunder to the Applicant shall inure to the benefit of the Applicant's successors and assigns, and, if different than the Applicant, the legal titleholder. Furthermore, pursuant to the requirements of Section 17-8-0400 of the Chicago Zoning Ordinance, the Property,

at the time of application for amendments, modifications or changes (administrative, legislative or otherwise) to this Planned Development are made, shall be under single ownership or designated control. Single designated control is defined in Section 17-8-0400 of the Zoning Ordinance.

3. All applicable official reviews, approvals or permits are required to be obtained by the Applicant or its successors, assignees or grantees. Any dedication or vacation of streets or alleys or grants of easements or any adjustment of the right-of-way shall require a separate submittal to the Department of Transportation on behalf of the Applicant or its successors, assign or grantees. Any requests for grants of privilege, or any items encroaching on the public way, shall be in compliance with the plans.

Ingress or egress shall be pursuant to the plans and may be subject to the review and approval of the Department of Planning and Development. Closure of all or any public street or alley during demolition or construction shall be subject to the review and approval of the Department of Transportation.

All work proposed in the public way must be designed and constructed in accordance with the Department of Transportation Construction Standards for Work in the Public Way and in compliance with the Municipal Code of the City of Chicago. Prior to the issuance of any Part II Approval, the submitted plans must be approved by the Department of Transportation.

4. This plan of development consists of sixteen (16) Statements; Bulk Regulations and Data Table; Existing Zoning Map; Existing Land-Use Map; Veterans Square Site Plan; Planned Development Boundary and Property Line Map; Setback Plan; Site Plan; Floor Plan; Landscape Plan; Roof Plan; Affordable Housing Profile Form; and Building Elevations. Full-sized copies of the plans are on file with the Department of Planning and Development. In any instance where a provision of this Planned Development conflicts with the Chicago Building Code, the Building Code shall control. This Planned Development conforms to the intent and purpose of the Zoning Ordinance, and all requirements thereto, and satisfies the established criteria for approval as a Planned Development. In case of a conflict between the terms of this Planned Development Ordinance and the Zoning Ordinance, this Planned Development Ordinance shall control.
5. The following uses are allowed in the area delineated herein:

Subarea A:

artists live/work space (above the ground floor); dwelling units (above the ground floor); animal services (excluding shelter, boarding kennel, and stable); artist work or sales space; business equipment sales and services; business support

services; communication service establishments; eating and drinking establishments (including, without limitation, limited and general restaurant, tavern, and outdoor patio (at-grade and rooftop)); financial services (excluding payday/title secured loan store and pawn shop); food and beverage retail sales; lodging; medical services; office; personal services; repair and laundry services (excluding plant on-site); sports and recreation (excluding entertainment cabaret, outdoor, and children's plat center); residential storage warehouse; retail sales, general; wireless communication facilities (excluding freestanding facility); and Parking (accessory as to users of the Property, and 45 percent of the required residential parking may be leased out on a daily, weekly, or monthly basis to persons who are not residents, tenants, patrons, employees or guests of the users of the Property).

Subarea B:

postal service; animal services (excluding shelter, boarding kennel and stable); artist work or sales space; business equipment sales and services; business support services; communication service establishments; eating and drinking establishments (including, without limitation, limited and general restaurant, tavern, and outdoor patio (at-grade and rooftop)); financial services (excluding payday/title secured loan store and pawn shop); food and beverage retail sales; lodging; medical services; office; personal services; repair and laundry services (excluding plant on-site); sports and recreation (excluding entertainment cabaret, outdoor, and children's plat center); residential storage warehouse; retail sales, general; wireless communication facilities (excluding freestanding facility); and parking (accessory and non-accessory).

6. On-premises signs and temporary signs, such as construction and marketing signs, shall be permitted within the Planned Development, subject to the review and approval of the Department of Planning and Development. Off-premises signs are prohibited within the boundary of the Planned Development.
7. For purposes of height measurement, the definitions in the Zoning Ordinance shall apply. The height of any building shall also be subject to height limitations, if any, established by the Federal Aviation Administration.
8. The maximum permitted Floor Area Ratio ("FAR") for the site shall be in accordance with the attached Bulk Regulations and Data Table. For the purposes of FAR calculations and measurements, the definitions in the Zoning Ordinance shall apply. The permitted FAR identified in the Bulk Regulations and Data Table has been determined using a net site area of 87,712 square feet.

9. Upon review and determination, "Part II Review", pursuant to Section 17-13-0610 of the Zoning Ordinance, a Part II Review fee shall be assessed by the Department of Planning and Development. The fee, as determined by staff at the time, is final and binding on the Applicant and must be paid to the Department of Revenue prior to the issuance of any Part II Approval.
10. The Site Plan and Landscape Plan shall be in substantial conformance with the Landscape Ordinance and any other corresponding regulations and guidelines. Final landscape plan review and approval will be by the Department of Planning and Development. Any interim reviews associated with site plan review or Part II Reviews are conditional until final Part II Approval.
11. The Applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation, Environment and Buildings, under Section 13-32-125 of the Municipal Code, or any other provision of that Code.
12. The terms and conditions of development under this Planned Development ordinance may be modified administratively, pursuant to Section 17-13-0611-A of the Zoning Ordinance by the Zoning Administrator upon the application for such a modification by the Applicant, its successors and assigns, and if different than the Applicant, the legal titleholders and any ground lessors.
13. The Applicant acknowledges and agrees that the rezoning of the Property from B3-3 Community Shopping District and the M1-1 Limited Manufacturing/Business Park District to B3-5 Community Shopping District and then to Planned Development for construction of this Project triggers the requirements of Section 2-45-110 of the Municipal Code (Affordable Housing Ordinance). Under the Affordable Housing Ordinance, the Applicant must: (i) set aside 10 percent of the housing units in the project as affordable units ("Affordable Units"); (ii) pay a fee in lieu of the development of Affordable Units; or (iii) any combination of (i) and (ii). The Applicant has agreed to satisfy its affordable housing obligation by leasing eleven (11) Affordable Units in the project, as set forth in the Affordable Housing Profile Form attached hereto, rather than paying the in-lieu fee. The Applicant agrees that the Affordable Units must be affordable to households earning no more than 60 percent of the Chicago-area median household income, as updated annually. If the Applicant subsequently reduces (or increases) the number of dwelling units in the project, the Applicant shall update and resubmit the Affordable Housing Profile Form to the Department of Planning and Development ("DPD") for review and approval, and DPD may adjust the requirements of this Statement 13 (i.e., number of Affordable Units) accordingly without amending the Planned Development. Prior to the issuance of any building permits for the project, including, without limitation, excavation or foundation permits, the Applicant must execute and record an affordable housing agreement in

accordance with Section 2-45-110(i)(2) to secure the Applicant's obligation to construct and lease the Affordable Units to income-eligible tenants. The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the affordable housing agreement will be recorded against the Planned Development site and will constitute a lien against such property. The Commissioner of DPD may enforce remedies for any breach of this Statement, including any breach of the affordable housing agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development.

14. The Applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all new buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.
15. The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all new buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. The Applicant shall achieve Energy Star certification for the building in Subarea A, and shall provide the equivalent site detention of an 8,304 square feet green roof with an underground storage vault with an aggregate base for infiltration in Subarea A.
16. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development ordinance lapse, the Commissioner of the Department of Planning and Development shall initiate a zoning map amendment to rezone the Property to B3-5 Community Shopping District.

** Assume 25% void ratio in green roof soil medium. (ie: for 4" green roof, 1" * SF = Volume (CF) of water stored.)

Assume _% void ratio in topsoil. (ie: for 4" topsoil, ____ * SF = Volume (CF) of water stored.)

Narrative:

Total roof area = 21,687 sq-ft. Net Roof Area = 16,607 sq-ft after deductions. 50% green roof requirement = 8,304 sq-ft. 0 sq-ft of green roof is proposed. Therefore, offsets are required for the total 8,304 sq-ft of required green roof area. 1" storage over the 8,304 sq-ft = 692 cu-ft. The site detention and volume control facility will be an underground storage vault with an aggregate base for infiltration. There is a proposed excess of 754 cu-ft available for the green roof offsets after the rate control and volume control requirements are met.

Reclassification Of Area Shown On Map No. 14-E.

(As Amended)

(Application No. 19105)

(Common Address: 63 -- 77 E. Garfield Blvd. and 5500 -- 5522 S. Michigan Ave.)

[SO2017-155]

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Title 17 of the Municipal Code of Chicago, the Chicago Zoning Ordinance, is hereby amended by changing all of the B1-2 Neighborhood Shopping District and RM5 Multi-Unit District symbols and indications as shown on Map Number 14-E in the area bounded by:

East Garfield Boulevard; South Michigan Avenue; a line 265.59 feet south of the south line of East Garfield Boulevard; and the public alley next west of South Michigan Avenue,

to those of a B2-3 Neighborhood Mixed-Use District.

SECTION 2. Title 17 of the Municipal Code of Chicago, the Chicago Zoning Ordinance, is hereby amended by changing all of the B2-3 Neighborhood Mixed-Use District symbols and indications as shown on Map Number 14-E in the area bounded by:

East Garfield Boulevard; South Michigan Avenue; a line 265.59 feet south of the south line of East Garfield Boulevard; and the public alley next west of South Michigan Avenue,

to those of Planned Development Number _____, which is hereby established in the area described above and subject to such use and bulk regulations set forth in the Plan of Development attached hereto and to no others.

SECTION 3. This ordinance shall be in force and effect from and after its passage and due publication.

Plan of Development Statements referred to in this ordinance read as follows:

Planned Development No. _____.

Plan Of Development Statements.

1. The area delineated herein as Planned Development Number _____ ("Planned Development") consists of approximately 42,786 square feet of net site area which is depicted on the attached Planned Development Boundary and Property Line Map ("Property") and is owned or controlled by the Applicant, Brin Life Center LLC, an Illinois limited liability company.
2. The requirements, obligations and conditions contained within this Planned Development shall be binding upon the Applicant, its successors and assigns and, if

different than the Applicant, the legal titleholders and any ground lessors. All rights granted hereunder to the Applicant shall inure to the benefit of the Applicant's successors and assigns and, if different than the Applicant, the legal titleholder and any ground lessors. Furthermore, pursuant to the requirements of Section 17-8-0400 of the Chicago Zoning Ordinance, the Property, at the time of application for amendments, modifications or changes (administrative, legislative or otherwise) to this Planned Development are made, shall be under single ownership or designated control. Single designated control is defined in Section 17-8-0400 of the Zoning Ordinance.

3. All applicable official reviews, approvals or permits are required to be obtained by the Applicant or its successors, assignees or grantees. Any dedication or vacation of streets or alleys or grants of easements or any adjustment of the right-of-way shall require a separate submittal to the Department of Transportation on behalf of the Applicant or its successors, assigns or grantees.

Any requests for grants of privilege, or any items encroaching on the public way, shall be in compliance with the Planned Development.

Ingress or egress shall be pursuant to the Planned Development and may be subject to the review and approval of the Departments of Planning and Development and Transportation. Closure of all or any public street or alley during demolition or construction shall be subject to the review and approval of the Department of Transportation.

All work proposed in the public way must be designed and constructed in accordance with the Department of Transportation Construction Standards for Work in the Public Way and in compliance with the Municipal Code of Chicago. Prior to the issuance of any Part II Approval, the submitted plans must be approved by the Department of Transportation.

4. This plan of development consists of sixteen (16) Statements; a Bulk Regulations Table; an Existing Zoning Map; an Existing Land-Use Map; a Planned Development Boundary and Property Line Map; a Site Plan; a Landscape Plan; North and East Elevations; South and West Elevations; prepared by Juan Gabriel Moreno Architects submitted herein. Full-sized copies of the Plans are on file with the Department of Planning and Development. In any instance where a provision of this Planned Development conflicts with the Chicago Building Code, the Building Code shall control. This Planned Development conforms to the intent and purpose of the Chicago Zoning Ordinance, and all requirements thereto, and satisfies the established criteria for approval as a Planned Development. In case of a conflict between the terms of this Planned Development Ordinance and the Zoning Ordinance, this Planned Development Ordinance shall control.
5. The following uses are permitted in the area delineated herein as a Planned Development: multi-family dwelling units; artist live/work space located above the ground floor; cultural exhibits and libraries; day care; community centers, recreation buildings and similar assembly use; postal service; public safety services; artist work or sales space; business support services; restaurants (limited and general); tavern; outdoor patio (if located at grade level); bank, savings bank, savings and loan

association, and credit union; automated teller machine facility; food and beverage retail sales; medical service; office; personal service; repair or laundry service, consumer; retail sales, general; manufacturing, production and industrial services (artisan); wireless communication facilities (co-located); accessory parking and accessory uses.

6. On-premises signs and temporary signs, such as construction and marketing signs, shall be permitted within the Planned Development, subject to the review and approval of the Department of Planning and Development. Off-premises signs are prohibited within the boundary of the Planned Development.
7. For purposes of height measurement, the definitions in the Chicago Zoning Ordinance shall apply. The height of any building shall also be subject to height limitations, if any, established by the Federal Aviation Administration.
8. The maximum permitted Floor Area Ratio ("FAR") for the Property shall be in accordance with the attached Bulk Regulations and Data Table. For the purpose of FAR calculations and measurements, the definitions in the Zoning Ordinance shall apply. The permitted FAR identified in the Bulk Regulations and Data Table has been determined using a net site area of 42,786 square feet.
9. Upon review and determination, "Part II Review", pursuant to Section 17-13-0610, a Part II Review fee shall be assessed by the Department of Planning and Development. The fee, as determined by staff at the time, is final and binding on the Applicant and must be paid to the Department of Revenue prior to the issuance of any Part II Approval.
10. The Site and Landscape Plans shall be in substantial conformance with the Landscape ordinance and any other corresponding regulations and guidelines, including Section 17-13-0800. Final landscape plan review and approval will be by the Department of Planning and Development. Any interim reviews associated with site plan review or Part II Reviews, are conditional until final Part II Approval.
11. The Applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation, Fleet and Facility Management and Buildings, under Section 13-32-085, or any other provision of the Municipal Code of Chicago.
12. The terms and conditions of development under this Planned Development ordinance may be modified administratively, pursuant to Section 17-13-0611-A by the Zoning Administrator upon the application for such a modification by the Applicant, its successors and assigns and, if different than the Applicant, the legal titleholders and any ground lessors.
13. The Applicant acknowledges and agrees that the rezoning of the Property from B1-2 and RM5 to B2-3, and then to this Planned Development, and the receipt of financial assistance from the City in the form of TIF and other funding trigger the requirements of Section 2-45-115 of the Municipal Code (the "Affordable Requirements Ordinance" or "ARO"). Any developer of a "residential housing project" within the meaning of the ARO must: (i) set aside 20 percent of the housing units in the residential housing project (the "Required Units") as affordable units; (ii) pay a fee in lieu of the development of the Required Units; or (iii) any combination of (i) and

(ii); provided, however, that residential housing projects with 20 or more units must provide at least 25 percent of the Required Units on-site, and that projects that receive financial assistance from TIF funds must provide one-half of the "Required Units" to be affordable to households earning up to sixty percent (60%) of the area median income and one-half of the Required Units to be affordable to households earning up to fifty percent (50%) of the area median income. The Property is located in a "low-moderate income area" within the meaning of the ARO; the project has a total of 58 units; and the project will receive TIF funds from the City. As a result, the Applicant's affordable housing obligation is 12 affordable units (20 percent of 58 units rounded up), 3 of which are Required Units (25 percent of 12). Applicant has agreed to satisfy its affordable housing obligation by providing 12 affordable units in the rental building to be constructed in the Planned Development. The Applicant agrees that 6 of the affordable rental units must be affordable to households earning no more than 60 percent of the Chicago Primary Metropolitan Statistical Area Median Income (AMI), as updated annually by the City of Chicago; and six of the affordable rental units must be affordable to households earning no more than 50 percent of the Chicago Primary Metropolitan Statistical Area Median Income (AMI), as updated annually by the City of Chicago. If the Applicant subsequently reduces (or increases) the number of housing units in the Planned Development, the Applicant shall update and resubmit the Affordable Housing Profile Form to the Department of Planning and Development ("DPD") for review and approval, and DPD may adjust the number of required Affordable Units without amending the Planned Development. Prior to the issuance of any building permits for any residential building in the Planned Development, including, without limitation, excavation or foundation permits, the Applicant must make the required cash payment and/or execute and record an affordable housing agreement in accordance with Section 2-45-115(L). The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the affordable housing agreement will be recorded against the Planned Development, or the applicable portion thereof, and will constitute a lien against such property. The Commissioner of DPD may enforce remedies for any breach of this Statement 13, including any breach of any affordable housing agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development.

Notwithstanding the foregoing, if the Applicant receives Low-Income Housing Tax Credits, tax increment financing or other financial assistance whose affordability requirements exceed those of the Affordable Housing Ordinance from the City to develop affordable housing in any portion of the Planned Development, the regulatory, redevelopment, loan or other agreement(s) to be executed by the City and the Applicant in connection with such tax credits or other financial assistance shall govern and control the Applicant's obligation to provide affordable housing for such subsidized portion of the Planned Development.

14. The Applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to

access for persons with disabilities and to promote the highest standard of accessibility.

15. The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. The Applicant shall obtain the number of points necessary to meet the requirements of the Chicago Sustainable Development Policy, in effect at the time the Part II Review process is initiated for each improvement that is subject to the aforementioned Policy and must provide documentation verifying compliance.
16. This Planned Development shall be governed by Section 17-13-0612. Should this Planned Development ordinance lapse, the Commissioner of the Department of Planning and Development shall initiate a zoning map amendment to rezone the Property to B2-3 Neighborhood Mixed-Use District.

The applicant, Chicago Collegiate Charter School, is seeking approval to temporarily relocate its school, which is located at 11816 South Indiana Avenue into 18,300 square feet of the existing Salem Baptist Church. The existing church will remain. The church currently has 141 parking spaces, which will also remain. The site is located within an industrial corridor and as such will need to be reviewed by the Chicago Plan Commission. The applicant is seeking approval to rezone the property from the M3-3 to the C3-1 and then obtain a special use in order to allow the church use to remain and to allow the school use.

The Committee on Zoning, Landmarks and Building Standards submitted the following report:

CHICAGO, June 28, 2017.

To the President and Members of the City Council:

Presenting a report for your Committee on Zoning, Landmarks and Building Standards which held a meeting on May 22, 2017, the following item was passed by a majority of the members present:

Page 1 contains one map amendment regarding land use.

I hereby move for passage of the proposed substitute ordinance transmitted herewith.

Respectfully submitted,

(Signed) DANIEL S. SOLIS,
Chairman.

On motion of Alderman Solis, the said proposed substitute ordinance transmitted with the foregoing committee report was *Passed* by yeas and nays as follows:

Yeas -- Aldermen Moreno, Hopkins, King, Hairston, Sawyer, Mitchell, Harris, Beale, Sadlowski Garza, Thompson, Cárdenas, Quinn, Burke, Lopez, Foulkes, D. Moore, Curtis, O'Shea, Cochran, Brookins, Muñoz, Zalewski, Scott, Solis, Maldonado, Burnett, Ervin, Taliaferro, Reboyras, Santiago, Waguespack, Mell, Austin, Ramirez-Rosa, Villegas, Mitts, Sposato, Laurino, O'Connor, Napolitano, Reilly, Smith, Tunney, Arena, Cappleman, Pawar, Osterman, J. Moore, Silverstein -- 49.

Nays -- None.

Alderman Beale moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Title 17 of the Municipal Code of Chicago, the Chicago Zoning Ordinance, is hereby amended by changing all of the M1-3 Limited Manufacturing/Business Park District symbols and indications as shown on Map Number 6-F in the area bounded by:

a line 175.15 feet north of West 26th Street; South Federal Street; West 26th Street; and a line 100 feet west of South Federal Street,

to those of a C2-3 Motor Vehicle-Related Commercial District and a corresponding use district is hereby established in the area above described.

SECTION 2. This ordinance shall be in force and effect from and after its passage and due publication.

[Site Plan; East Elevation -- North, South and East
attached to this ordinance printed on pages
52283 through 52286 of this *Journal*.]

Type 1 Narrative Rezoning Analysis attached to this ordinance reads as follows:

Substitute Project Narrative And Plans.

The property located at 2556 South Federal Street (the "Property") measures approximately 100 by 175.15 feet, contains approximately 17,510 square feet of site area and is improved with a vintage 3, 4 and 6 story loft building originally constructed in 1928 for the Rapid Roller Company, a manufacturer of printing press rollers and related equipment. The building is presently, and has been for some time, vacant. The building contains approximately 63,492 square feet of floor area, resulting in an existing floor area ratio ("FAR") of 3.63. As is often the case with buildings of this type and vintage, the building is built to its property lines on all sides. The Property is presently located in an M1-3 Limited Manufacturing/Business Park District, and the applicant, Anexis Development LLC, proposes to change this designation to that of a C2-3 Motor Vehicle-Related Commercial District, which change requires the submittal of a Type I zoning amendment application.

The proposed zoning amendment application will allow the Applicant to renovate the existing building on the Property to contain 24 dwelling units on the upper floors and approximately 12,000 square feet of retail/office space on the first and second floors. A 28 space parking garage and one off-street loading berth will be provided within the building that will be accessed from South Federal Street, interior amenity space and a roof deck will be provided for building occupants and a bicycle parking area will be created within the building adjacent to the parking garage. No additions to the existing structure are proposed.

To the President and Members of the City Council:

Presenting a report for your Committee on Zoning, Landmarks and Building Standards which held a meeting on June 22, 2017, the following items were passed by a majority of the members present:

Pages 1 through 12 contain various map amendments regarding land use.

Page 12 contains business identification signs.

Page 13 contains historical landmark fee waivers and demolitions. Page 13 also contains restricted residential zones in various precincts of the 13th Ward.

I hereby move for passage of the proposed order transmitted herewith.

Respectfully submitted,

(Signed) DANIEL S. SOLIS,
Chairman.

On motion of Alderman Solis, the said proposed order transmitted with the foregoing committee report was *Passed* by yeas and nays as follows:

Yeas -- Aldermen Moreno, Hopkins, King, Hairston, Sawyer, Mitchell, Harris, Beale, Sadlowski Garza, Thompson, Cárdenas, Quinn, Burke, Lopez, Foulkes, D. Moore, Curtis, O'Shea, Cochran, Brookins, Muñoz, Zalewski, Scott, Solis, Maldonado, Burnett, Ervin, Taliaferro, Reboyras, Santiago, Waguespack, Mell, Austin, Ramirez-Rosa, Villegas, Mitts, Sposato, Laurino, O'Connor, Napolitano, Reilly, Smith, Tunney, Arena, Cappleman, Pawar, Osterman, J. Moore, Silverstein -- 49.

Nays -- None.

Alderman Beale moved to reconsider the foregoing vote. The motion was lost.

The following is said order as passed:

It Is Hereby Ordered by the City Council of the City of Chicago, That in accordance with Section 2-120-825 of the Municipal Code of Chicago, that the recommendation of the Commission on Chicago Landmarks (the "Commission") for the approval of a permit application for demolition of the three-story commercial building (the "Building") located at 226 North Peoria Street, with the rehabilitation of the front facade to be retained in place, is accepted. The Commission's decision approving the proposed partial demolition of the Building is attached hereto as Exhibit A. Notwithstanding the foregoing, the permit applicant must pay the City of Chicago the applicable demolition permit fee and obtain from the Commissioner of the City's Department of Buildings a demolition permit prior to proceeding with any demolition. This order shall be in full force and effect upon its passage and approval.

Exhibit "A" referred to in this order reads as follows:

Exhibit "A".

*City Of Chicago
Commission On Chicago Landmarks*

April 6, 2017.

*Recommendation To The City Council To Approve
A Permit Application For Demolition Of A
Non-Contributing Building In A Chicago Landmark District.*

Whereas, Pursuant to Section 2-120-825 of the Municipal Code of Chicago governing review of permits for the demolition of 40 percent or more of any building or structure either designated as a "Chicago Landmark" or located in any district designated as a "Chicago Landmark", the Commission on Chicago Landmarks (the "Commission") has reviewed a permit application for the following proposed demolition of a:

three-story commercial building ("Building") located at 226 North Peoria Street within the Fulton-Randolph Market District, a Chicago Landmark (the "Landmark District")

; and

Whereas, the significant historical or architectural features identified in the ordinance designating the Landmark District are all exterior elevations, including rooflines and projecting canopies, of the buildings visible from public rights-of-way; all streetscapes,

including streets, alleys, extensive areas of Belgian-block paving in alleys, sidewalks, reduced-height street-level sidewalks, raised sidewalk loading docks, and similar private and public rights-of-way; now, therefore,

The Commission on Chicago Landmarks hereby:

1. Finds, in accordance with the criteria for review of permit applications established in Article III of the Commission's Rules and Regulations, that the proposed partial demolition of the Building, with the rehabilitation of the front facade to be retained in place, will not be an adverse effect on the character of the Landmark District;
2. Finds, in accordance with Section 2-120-770 of the Municipal Code of Chicago, that the partial demolition of the Building will not adversely affect any significant historical or architectural features of the Landmark District;
3. Approves the permit application for the demolition of the Building; and
4. Recommends, in accordance with Section 2-120-825, that the City Council of the City of Chicago accept the Commission's approval of the permit application for the demolition of the Building.

The above recommendation was passed unanimously (8 -- 0).

AGREED CALENDAR.

Alderman Burke moved to *Suspend the Rules Temporarily* for the purpose of including in the Agreed Calendar a series of resolutions presented by Aldermen Moreno, Dowell, Hairston, Sawyer, Sadlowski Garza, Thompson, Cárdenas, Burke, Lopez, O'Shea, Muñoz, Scott, Solis, Maldonado, Reboyas, Santiago, Mell, Villegas, Ramirez-Rosa, Reilly, Tunney, Cappleman, Osterman and Silverstein. The motion *Prevailed*.

Presented By

THE HONORABLE RAHM EMANUEL, MAYOR:

GRATITUDE EXTENDED TO LESBIAN, GAY, BISEXUAL AND TRANSGENDER (LGBT) COMMUNITIES ON CONTRIBUTIONS TO CITY OF CHICAGO.

[R2017-510]

A proposed resolution, presented by the Honorable Rahm Emanuel, Mayor, the Honorable Andrea Valencia, City Clerk, and Aldermen Tunney, Cappleman, Lopez, Ramirez-Rosa and Mell, reading as follows:

WHEREAS, This august body wishes to acknowledge the numerous contributions of the lesbian, gay, bisexual and transgender (LGBT) communities to the City of Chicago; and

WHEREAS, The LGBT communities for decades have been, and continue to be, integral to the vibrant culture and climate of Chicago. These communities continue to contribute to academic, economic, artistic and social spheres within and around our greater community; and

WHEREAS, The month of June was designated Pride Month to commemorate the Stonewall Inn riots which occurred on June 28, 1969, marking the beginning of the modern LGBT movement; and

WHEREAS, One of the most historic and highly anticipated events -- the 48th Annual Pride Parade -- took place on Sunday, June 25, 2017, and brought together an estimated 1,000,000 people; and

WHEREAS, Chicago is also the home of the first recognized LGBT rights organization in the country. The organization, The Society for Human Rights, was established in 1924 by Henry Gerber; and

WHEREAS, The City of Chicago remains committed to protecting the civil rights of lesbian, gay, bisexual and transgender communities as the power and purpose of this iconic event proves vital in our unified effort to forge a more open and just society; and

WHEREAS, Chicago's active and involved lesbian, gay, bisexual and transgender communities undeniably improve the quality of life in Chicago, and Pride Month serves as a call to our collective consciousness to persist in the fight to eradicate prejudice and discrimination everywhere; and

WHEREAS, The City of Chicago has employed numerous measures and programs to strengthen the LGBT communities. In 2015, the City extended its health care benefits to include gender confirmation surgery, a benefit for the transgender community. The City has also ensured that LGBT people in need have adequate, affordable housing and access to health care and support services, and has provided training and resources to community agencies to ensure they create open, affirming spaces for Chicagoans of all orientations and identities. In 2016, the City Council passed an amendment to the Chicago Human Rights Ordinance to prohibit discrimination in the use of private facilities, such as bathrooms in public establishments. Also in 2016, Mayor Emanuel placed a restriction on City-funded travel to North Carolina in response to North Carolina's discriminatory policies. These and other actions taken by the City of Chicago have served to bring about a more inclusive city in which all residents feel welcomed and secure in their identities; and

WHEREAS, We look forward to the continued contributions of the LGBT communities, knowing that this will make Chicago an even greater city than it is today; now, therefore,

Be It Resolved, That we, the Mayor and members of the City Council of the City of Chicago, assembled this 28th day of June 2017, do hereby pay tribute to the many contributions of Chicago's LGBT communities.

On motion of Alderman Tunney, the foregoing proposed resolution was *Adopted* by yeas and nays as follows:

ALDERMAN BURKE (14th Ward)
And OTHERS:

**CONGRATULATIONS EXTENDED TO MARY T. BONOME ON RETIREMENT
FROM CHICAGO DEPARTMENT OF PLANNING AND DEVELOPMENT.**

[R2017-542]

A proposed resolution, presented by Aldermen Burke, Laurino, Harris, Beale, D. Moore, O'Shea, Zalewski, Solis, Waguespack, Austin, Mitts, O'Connor, Reilly, Tunney, Arena and Cappleman, reading as follows:

WHEREAS, Mary T. Bonome has announced her resignation effective June 30, 2017 as deputy commissioner of the Chicago Department of Planning and Development following a highly distinguished tenure in public service; and

WHEREAS, The Chicago City Council has been informed of her retirement by Alderman Edward M. Burke and Alderman Margaret Laurino and fellow members of the City Council; and

WHEREAS, Mary T. Bonome was raised in the West Humboldt Park neighborhood and settled in the Sauganash community where she resides today; and

WHEREAS, Mary T. Bonome attended Our Lady of the Angels Elementary School, St. Patrick's Academy and Southern Illinois University; and

WHEREAS, Mary T. Bonome began her career on August 2, 1982 as a planning assistant with the Department of Planning and Development. After years as a staff assistant, project manager, city planner and project coordinator, Mary T. Bonome was promoted to assistant commissioner in 2001 and as a deputy commissioner in 2004; and

WHEREAS, During her career, Mary T. Bonome earned a well-deserved reputation as one of Chicago's foremost experts on city planning issues and developed a vast institutional knowledge of both the department and its history; and

WHEREAS, Mary T. Bonome worked closely alongside local aldermen to establish the Pilsen Industrial Corridor TIF, as well as industrial projects including the International Produce Market, Restaurant Depot, American Linen, Testa Produce and the Halsted-Morgan Business Center; and

WHEREAS, Mary T. Bonome worked on major retail developments including Walmart stores in the Austin and Pullman communities, Whole Foods Market in Sauganash, Shop and Save on the Southwest Side, Seafood City in Mayfair, and Culvers near Midway Airport; and

WHEREAS, Mary T. Bonome was also involved in planning for residential developments such as Roosevelt Square and West End, both of which were part of the CHA transformation of the ABLA and Henry Horner Homes; and

WHEREAS, Mary T. Bonome was instrumental in her work on Mt. Sinai Hospital and Rush Medical Center's transformation and redevelopment and Resurrection University Medical Center Nursing School; and

WHEREAS, Widely admired for her tenacious spirit, keen intellect, and unique sense of style, Mary T. Bonome has been the "go to" person and confidante for aldermen and their staffs on planning issues and on everyday matters, taking calls on nights and weekends; and

WHEREAS, Mary T. Bonome's long career in the Department of Planning and Development endured through 6 Chicago Mayors, 6 United States Presidents, 14 Commissioners, and numerous departmental name changes; and

WHEREAS, During her "down time" from the City, Mary T. Bonome is known for helping people to get into and stay in shape by teaching Pilates, "Power Ride", and other cycling classes at the East Bank Club; and

WHEREAS, The hard work, sacrifice and dedication of Mary T. Bonome serve as an example to all; now, therefore,

Be It Resolved, That we, the Mayor and the members of the Chicago City Council, assembled this 28th day of June 2017, do hereby congratulate Mary T. Bonome on the occasion of her retirement from public service and do hereby express our best wishes for her continued success in all of her future endeavors; and

Be It Further Resolved, That a suitable copy of this resolution be presented to Mary T. Bonome.

On motion of Alderman Austin, the foregoing proposed resolution was *Adopted* by yeas and nays as follows:

Yeas -- Aldermen Moreno, Hopkins, King, Hairston, Sawyer, Mitchell, Harris, Beale, Sadlowski Garza, Thompson, Cárdenas, Quinn, Burke, Lopez, Foulkes, D. Moore, Curtis, O'Shea, Cochran, Brookins, Muñoz, Zalewski, Scott, Solis, Maldonado, Burnett, Ervin, Taliaferro, Reboyras, Santiago, Waguespack, Mell, Austin, Ramirez-Rosa, Villegas, Mitts, Sposato, Laurino, O'Connor, Napolitano, Reilly, Smith, Tunney, Arena, Cappleman, Pawar, Osterman, J. Moore, Silverstein -- 49.

Nays -- None.

Alderman Beale moved to reconsider the foregoing vote. The motion was lost.

At this point in the proceedings, the Alderman Laurino, President Pro Tempore, rose and on behalf of the people of Chicago, extended congratulations to Mary T. Bonome for her distinguished tenure in public service. Lauding Ms. Benome for her expertise and vast knowledge on city planning issues, President Pro Tempore Laurino declared her the "go-to" person for Aldermen and their staffs on projects big and small in every ward. Ms. Benome has left her imprint not only on our city, President Pro Tempore Laurino observed, but more importantly on those fortunate enough to know her. President Pro Tempore Laurino then invited Ms. Benome to the Mayor's rostrum where she presented her with a parchment copy of the congratulatory resolution.

Presented By

ALDERMAN ERVIN (28th Ward)
And OTHERS:

*PARENTS, RELATIVES, DAY CARE PROVIDERS AND CAREGIVERS
ENCOURAGED TO TAKE CHILDREN TO PARKS AND PLAYGROUNDS.*

[R2017-509]

A proposed resolution, presented by Aldermen Ervin, Mitchell, Scott, Taliaferro and Mitts, reading as follows:

WHEREAS, Chicago's parks are oases in the urban environment. They remind us of the wonders of nature and are places where our children can play and develop; and

WHEREAS, There are numerous benefits to having children spend more time playing in the park. This activity can help develop a greater sense of community among the children, parents and supervisors. The resulting sense of community can help reduce crime. Furthermore, playing in the park promotes healthy behavior and can reduce obesity in children. Children also need free play time to develop their imaginations; and

WHEREAS, It is in the public interest to promote the concept of children playing in the park; now, therefore,

Be It Resolved, That we, the Mayor and members of the City Council of the City of Chicago, assembled this 28th day of June 2017, do hereby designate 4:00 P.M. to 8:00 P.M. on Wednesdays as a time when we especially encourage parents and relatives to take children to the park; and

Be It Further Resolved, That we hereby designate 10:30 A.M. to 1:30 P.M. on Tuesdays and Thursdays as a time when we especially encourage day care providers and caregivers to take children to the park; and

Be It Further Resolved, That the Chicago Police Department is strongly encouraged to continue to exercise their parks-related vigilance and pay special attention to parks and playgrounds during these, and all, times.

On motion of Alderman Ervin, the foregoing proposed resolution was *Adopted* by yeas and nays as follows:

Yeas -- Aldermen Moreno, Hopkins, King, Hairston, Sawyer, Mitchell, Harris, Beale, Sadlowski Garza, Thompson, Cárdenas, Quinn, Burke, Lopez, Foulkes, D. AND VOLUNTEERS FOR COMMITMENT IN FIGHT AGAINST AIDS.***

[R2017-546]

A proposed resolution, presented by Aldermen Reboyras, Lopez, Solis, Mell, Reilly, Tunney, Cappleman and Osterman, reading as follows:

WHEREAS, Ride for AIDS Chicago is a yearly two-day, 200-mile bicycling fundraising event produced by TPAN (Test Positive Aware Network) in which 100 percent of the participant-generated money raised goes to providing services to people with HIV/AIDS; and

WHEREAS, The City Council has been informed of the prestigious event by the Honorable Ariel E. Reboyras, Alderman of the 30th Ward, Honorable Thomas Tunney, Alderman of the 44th Ward, Honorable Daniel S. Solis, Alderman of the 25th Ward, Honorable James Cappleman, Alderman of the 46th Ward, Honorable Deborah Mell, Alderman of the 33rd Ward, Honorable Brendan Reilly, Alderman of the 42nd Ward, Honorable Carlos Ramirez-Rosa, Alderman of the 35th Ward and Honorable Raymond A. Lopez, Alderman of the 15th Ward; and

WHEREAS, Ride for AIDS Chicago and its community partners, About Face Theatre, AIDS Foundation of Chicago, Center on Halsted, Chicago House, Fred Says, and Howard Brown Health help spread awareness about HIV/AIDS, raise much needed funds for HIV/AIDS services, and help diminish the stigma and shame associated with HIV/AIDS; and

WHEREAS, This year, Ride for AIDS Chicago is celebrating its 14th anniversary with more than 400 registered participants and hundreds of volunteers; and

WHEREAS, Over its 14-year history, Ride for AIDS Chicago has raised over \$4.5 Million for HIV/AIDS services; and

WHEREAS, Ride for AIDS Chicago will be held during the weekend of July 8 and 9, 2017; and

WHEREAS, TPAN, the organization producing the ride, has been serving the HIV/AIDS community in Chicago for more than 30 years; now, therefore,

Be It Resolved That we, the Mayor and members of the City Council of the City of Chicago, gathered here this 28th day of June 2017, salute Ride for AIDS Chicago 2017 participants and volunteers on their commitment in the fight against HIV/AIDS; and

Be It Further Resolved, That suitable copies of this resolution be prepared and presented to Ride for AIDS Chicago, TPAN and their beneficiaries.

On motion of Alderman Reboyras, the foregoing proposed resolution was *Adopted* by yeas and nays as follows:

CONGRATULATIONS EXTENDED TO BILLY BRANCH AND SONS OF BLUES ON 40TH ANNIVERSARY.

[R2017-575]

WHEREAS, Billy Branch is a blues music icon who has dedicated his life to the promotion and maintenance of this legendary and uniquely Chicago music venue; and

WHEREAS, Born William Earl Branch on October 3, 1951 in Great Lakes, Illinois just north of this city, he and his family moved to Los Angeles when he was five years of age. Branch returned to Chicago in 1969 to attend and graduate from the University of Illinois; and

WHEREAS, That same year Billy Branch also attended the first Chicago Blues Fest, produced by another blues legend, Willie Dixon. Six years later, Branch started touring with Dixon's Chicago Blues All-Stars, eventually taking the place of harmonica player Carey Bell, after Bell left to form his own band; and

WHEREAS, In 1977, Billy Branch founded the Sons of Blues, with Lurrie Bell (the son of Carey Bell) on guitar and Freddie Dixon (the son of Willie Dixon) on bass guitar. Since then, he has played on over 150 different recordings, including 12 under his own name as well as recording with such acclaimed blues figures as Willie Dixon, Johnny Winter, Lou Rawls, Koko Taylor, Eddy Clearwater, Honeyboy Edwards, Syl Johnson, Lurrie Bell, Ronnie Baker Brooks, and Taj Mahal; and

WHEREAS, Billy Branch plays the harmonica with the clean precision of a Junior Wells or a Paul Butterfield without sacrificing the soulfulness of a Little Walter. His sound has become his own during the last four decades. He has received three Grammy Award nominations and an Emmy Award. Additionally, he retired with distinction from the Grammy's board of governors, representing Chicago Blues in a professionally distinctive manner; and

WHEREAS, On June 9, 2017, the Chicago Blues Festival at Millennium Park honors the 40th anniversary of Billy Branch and the Sons of Blues. This date also marks the 40th anniversary of Billy Branch's international "Blues in Schools" program that has provided an opportunity for professional musicians to take up residency in schools to educate Chicago's children about "the blues"; and

WHEREAS, The Honorable Roderick T. Sawyer, Alderman of the 6th Ward where this legendary bluesman resides, has apprised this august body of this momentous occasion; now, therefore,

Be It Resolved, That we, the Mayor and members of the City of Chicago City Council, gathered this 28th day of June 2017 AD, do hereby salute Billy Branch and his Sons of Blues on the occasion of their four decades of dedication to sharing the unique and important legacy of the Chicago Blues with fans in Chicago and around the world; and

Be It Further Resolved, That a suitable copy of this resolution be prepared and presented to Billy Branch.

CONGRATULATIONS EXTENDED TO LENA MAE GAYLES ON 90TH BIRTHDAY.
[R2017-483]

WHEREAS, Almighty God, in His infinite wisdom and judgment continues to show favor by granting a long life to Mrs. Lena Mae Gayles, a beloved citizen, faithful woman of God and friend, who in June of 2017 will be honored by family and friends at her 90th birthday celebration; and

WHEREAS, It has been the long-established custom of the Chicago City Council, this august legislative body, to recognize and honor the lives of those distinguished individuals whose life, work and civic endeavor serve to enhance the quality of life for Chicagoans and which has supported her family, neighbors and the general community; and

WHEREAS; I, Alderman Michelle A. Harris, and on behalf of the residents of the 8th Ward and my fellow colleagues of the Chicago City Council, have informed this august body of this significant upcoming centennial birthday of Mrs. Lena Mae Gayles; and

WHEREAS, Lena Mae Gayles was born in Hollygrove, Arkansas, June 26, 1927, in her family home by way of a wise, seasoned midwife. She was the daughter of her youthful parents, Mary Hardimon and Jonny Cunningham. Lena was the eldest of three younger sister siblings: Georgiana, Barbara Jean and Eleanor; and

WHEREAS, Mrs. Gayles often credits her strong upbringing to her young teenage parents and the influence of being raised with her loving grandfather Edward Hardimon, who was locally revered as a natural healer and farmer; and

WHEREAS, During her childhood growing up in Hollygrove, she learned about the purest parts of nature, using the earth to heal and the lush green good life of the south, learning how to work the rich Arkansas land that birthed some of the country's best fruits, vegetables and meats, and following in her highly trusted, respected and wise grandfather's steps, learned how to heal the sick as well. According to family legend, many people would call on her grandfather to help them heal from something they didn't understand, before they would think about traveling into town to see a doctor. He was revered for his wisdom; and

WHEREAS, While in Hollygrove Lena attended Post Dale Elementary School. At the age of 14 she moved to Chicago with her mother Mary and new stepfather Ira Hogan. While in Chicago, Lena was responsible for caring for her three younger sisters and attended Wendell Phillips High School. In addition to caring for her sisters, from the age of 16, Lena always kept a job. Her first job was working at a local egg factory, and then at age 18 she went on to work in the administrative office at the former Goldblatt's department store; and

WHEREAS, Lena's family shared a brick two-flat building, with another friendly neighborhood family. She fondly remembers one special day in particular when these neighbors welcomed a gentleman cousin from California, who'd come to visit them. He was a tall, handsome military man from the Air Force. Lightning struck -- he had taken a liking to Lena right away. They were inseparable from that day forward. His name was Earsie Lee Gayles. After a quick courtship they married, on June 15, 1947; and

WHEREAS, When Lena embraced motherhood, she left the Goldblatt's company to prepare for their first child Earl. After Earl turned 3 years old, Lena decided to return to work, taking on a job with Stiffer Lamp Company. Through all of the ups and downs and growth of her family, Lena kept this job for over 30 years, where she was a much-loved and highly respected employee. Lena was acknowledged as highly talented, known as the best lamp designer during her years with the company, receiving bonuses and gifts for her wonderful creations and dedication; and

WHEREAS, Lena worked days and her husband worked nights, sometimes taking on two jobs as their small family of three grew in size to nine (2 adults, 7 children). They saw some very hard times, working hard for little money; but they made do, understanding how to 'make a dollar out of 15 cents', stretched meals and juggled successfully to cover bills; and

WHEREAS, A gracious, loving and nurturing woman, Lena's family always came first. A great cook, taking care of sick children and her husband, handling family emergencies and other life issues were her priority, even at risk of losing her job. But first and foremost, she always trusted that God would see them through and he did. Lena enjoyed caring for them more than anything else; and

WHEREAS, As a very resilient, nurturing woman, Lena always showered everyone with love, smiles and positive encouragement. Lena firmly kept her family close, and provided a balanced home life, filled with fishing excursions, carnivals, festivals and family fun road trips. Lena also has expressed a passion for painting, interior decorating, watching movies with family and cooking. Other favorites: she loves the color light blue, delicious seafood, good old gospel and country blues music; and

WHEREAS, Today at the benchmark age of 90, Lena has had 7 children, 16 grandchildren and 18 great-grandchildren who all love her dearly. Her family includes: husband, Earise Lee Gayles and children, Earl Gayles, Anthony and Antoinette Gayles (twins), Charles Gayles, Darlene Gayles, Dianne and Dennis Gayles (twins); and

WHEREAS, In summation -- Mrs. Lena Mae Gayles guides the entire family with a strong sense of loving care, duty and responsibility. Considered by those who love her as one of the best storytellers on earth, some of her greatest quotes she cheerfully shares

impart moral messages, such as: "You reap what you sow", and "Everything young gets old so be careful how you tread through life"; and my favorite, "You can have all the money in the world but if you don't have someone who cares about you to pass you a glass of water when you are sick, or can't reach it yourself, you need to consider being kinder and living life a little differently -- because you can't and won't take it with you". She is truly a beloved family treasure who continues to inspire generations of her family with wisdom for nine wonderful decades and her family feels deeply blessed to have and love her; and

WHEREAS, In many ways, Mrs. Gayles's life is a testament to the nature of a true Chicagoan -- active, engaged within her community and continually inspired to do her part to make life better for others; now, therefore,

Be It Resolved, That we, the Mayor and the members of the City Council of the City of Chicago, gathered here in assembly this 28th day of June 2017 A.D., do hereby express our most heartfelt congratulations and best wishes for a wonderful 90th birthday celebration to Mrs. Lena Mae Gayles, and extend to her family, friends, and neighbors our sincere happiness that she has achieved this great life milestone; and

Be It Further Resolved, That a suitable copy of this resolution be prepared and presented to Mrs. Lena Mae Gayles on the exceptionally wonderful and auspicious occasion of her 90th birthday.

*CONGRATULATIONS EXTENDED TO LAFAYETTE AND MARGUERITE GATLING
ON 31ST ANNIVERSARY OF GATLING'S CHAPEL.*

[R2017-475]

WHEREAS, Gatling's Chapel, Inc., an African-American owned and operated funeral parlor started by Mr. and Mrs. Lafayette Gatling, Sr. remains a premier landmark institution on Chicago's far South Side for a milestone of 31 years; and

WHEREAS, The Chicago City Council has been informed of Gatling's Chapel's distinct longevity as well as its various local partnerships and contributions to the community by the Honorable Carrie Austin, Alderman of the 34th Ward; and

WHEREAS, Gatling's Chapel will commemorate this momentous occasion with friends, family, local businesses, pastors, and City officials at an anniversary celebration, "31 Years of Family Serving Families", on June 4, 2017 at the Gatling's Chapel Annex at their Chicago location at 10133 South Halsted Street, in the 34th Ward; and

WHEREAS, Gatling's Chapel is the largest African-American owned and operated funeral service in the United States, averaging over 2,000 funerals a year, employing over 100 people at two locations in Chicago, Illinois and South Holland, Illinois; and

WHEREAS, Despite its impressive size, Gatling's Chapel is known as 'the family name in funeral service', and has demonstrated exemplary dedication to helping the community through God, ministry, and service; and

WHEREAS, The chief executive officer and president of Gatling's Chapel, Mr. Lafayette Gatling, Sr. was born and raised in North Carolina. He sadly lost his mother at the tender age of five during World War II while his father was in New Guinea bravely fighting for his country. This devastating loss inspired Mr. Gatling, Sr. to pursue a career in funeral services, and he tirelessly chased his dream until it became a reality; and

WHEREAS, Mr. Gatling, Sr. professed a sincere love for Christ at an early age, and attributes his numerous successes and achievements to the blessed glory of God. In addition to his dedicated service at Gatling's Chapel, Mr. Gatling, Sr. has been a respected general contractor for over 40 years and is a long-standing member of the International Brotherhood of Electrical Workers Local 134. His esteemed expertise afforded him the opportunity to work at prominent Chicago landmarks including the Sears Tower, McCormick Place and O'Hare Airport. He also graciously donated his time to work as builder, general contractor, and electrician at Gospel Truth Baptist Church and Mt. Carmel Church, where his name is affixed to both church cornerstones; and

WHEREAS, The chief operating officer and vice president of Gatling's Chapel, Mrs. Marguerite Gatling was born and raised in Louisiana. She graduated from Chicago State University with a degree in business administration and later graduated from Worsham College of Mortuary Science; and

WHEREAS, In addition to her significant professional achievements, Mrs. Gatling maintains and cultivates a deep dedication to her family and Christ. She lovingly shares the gospel through her singing ministry, serving as manager and lead singer of the inspirational charms and also fastidiously oversees the Gospel Music Foundation Youth Group. She is currently a dedicated member of Messiah Temple Missionary Baptist Church under the leadership of Pastor Keith B. McGhee; and

WHEREAS, Truly a family business, Mr. and Mrs. Gatling, Sr.'s three beloved children are following in their footsteps, son, Lafayette Gatling, Jr. (Dina) and daughters, Shirl Gatling Lacy (Lewis) and Marquita Gatling Johnson (Maurice). They also have cherished four grandsons, Aaron, Lafayette III, Dominic I. and Donovan A. Gatling; and two adored granddaughters, Lyric Amani and Melody Iman Gatling Johnson; and

WHEREAS, Gatling's Chapel is a cherished community institution, a gem that continues to serve the City and surrounding areas through dedicated service, kinship, and faith; now, therefore,

Be It Resolved, That we, the Mayor and members of the City Council of the City of Chicago, assembled this 28th day of June 2017, do hereby congratulate Mr. and Mrs. Lafayette Gatling, Sr. on the 31st anniversary of Gatling's Chapel; and

Be It Further Resolved, That suitable copies of this resolution are presented to Mr. and Mrs. Lafayette Gatling, Sr. as a sign of our tremendous gratitude, honor and respect.

CONGRATULATIONS EXTENDED TO UNITY PARK ADVISORY COUNCIL ON 30TH ANNIVERSARY.

[R2017-545]

WHEREAS, The Unity Park Advisory Council will be celebrating its 30th anniversary on June 16, 2017; and

WHEREAS, Unity Park is a beloved neighborhood park located in the heart of the Logan Square community at 2636 North Kimball Avenue with a rich history of community involvement; and

WHEREAS, In 1986, community members began organizing to improve the conditions of Unity Park, known then as "Playlot 293". The rough concrete surface of the playlot, previously used as a parking lot, fell into disrepair and was unsafe for children to play. Members of the Logan Square Neighborhood Association came together to form a group called 'Parents for a Decent Playlot'; and

WHEREAS, The seven co-founders of 'Parents for a Decent Playlot' battled for nearly half a year with Jesse Madison, then-commissioner of the Chicago Park District, to get the playlot rehabbed into an actual park. As part of the deal, the community agreed to put in sweat equity to help the City fix the park; and

WHEREAS, On June 13, 1987, after protests and contentious community meetings, 'Parents for a Decent Playlot' held a ribbon cutting ceremony with the Chicago Park District. The concrete was replaced by soft surfacing and fresh landscaping as part of a pilot program to revamp 300 playlots across the city; and

WHEREAS, The park was named Unity Playlot Park, to reflect the 'total unity' mantra of the leaders of the group during meetings with Chicago Park District officials. The name was also a reflection of how Logan Square neighbors united together to organize for improving a public good in the community; and

WHEREAS, In 1993 under Mayor Daley the Unity Park Advisory Council (UPAC) gained official advisory council status for the park. It was during this time that yet another contentious battle took place, this time over adding basketball hoops. While UPAC and community were in total unity with having permanent basketball hoops, UPAC faced opposition from the new alderman. UPAC eventually won the basketball battle after protests and sit-ins to oppose various attempts to prevent the construction of a new basketball court; and

WHEREAS, Unity Park has had four expansions since the basketball hoop battle with the current borders of the park being Drummond Place to the south, Kimball Avenue to the east, an alley to the west and to the north a half block past Schubert Avenue; and

WHEREAS, Unity Park Advisory Council is an all volunteer community organization, having had many dedicated volunteers serving in its 30 year history, some of whom have served the organization for more than 20 years, including co-founders Joel Monarch and Connie Baznik, and both Rosita DeLaRosa and Robert Castillo, all of whom remain active with the council and deserve special recognition for their dedication to Unity Park and to the Logan Square community; and

WHEREAS, Today Unity Park offers great family friendly programming, including Art in the Park, Pumpkin Fest, Earth Day, and Lucha Libre. UPAC even hosts an annual fundraiser, Party for the Park, every December to support these programs; now, therefore,

Be It Resolved, That we, the Mayor and members of the City Council of the City of Chicago, gathered here this 28th of June 2017, do hereby extend our best and happiest wishes to the Unity Park Advisory Council; and

Be It Further Resolved, That a copy of this resolution be presented to the Unity Park Advisory Council.

*CONGRATULATIONS AND BEST WISHES EXTENDED TO IMMIGRANTS FROM
POLISH HIGHLAND REGION ON SELECTING CHICAGO AS THEIR NEW HOME.*

[R2017-492]

WHEREAS, Polish immigration, for many years, has been a force present amongst many different countries and cultures all over the world; and

WHEREAS, Residents of the Highland Region (in Polish "Podhale"), Poland's southernmost region, migrated to Chicago and became an integral part of how Chicago has been shaped today; and

WHEREAS, Originally the Polish Highlanders greatly concentrated on the Southwest Side of Chicago and throughout the years their community has spread throughout, reaching as far as the Northwest Side of Chicago; and

WHEREAS, Their strong sense of culture and traditions is not only to remind their posterity of their roots but also a motivation to share and celebrate their folkloric culture with the rest of Chicago; and

WHEREAS, The Polish Highlanders Alliance was founded in 1929 in Chicago and serves as an umbrella organization to unite all Highlander organizations in Chicago and United States; and

WHEREAS, The Polish Highlanders will continue to live on and serve its community for many years to come as well as serve as a very important cultural icon for the City of Chicago; and

WHEREAS, In many respects, Chicago has been the hub of Polish Highlanders living outside of Poland and by naming a section of West Belmont Avenue from North Sayre Avenue to North Newland Avenue "Ziemia Podhalańska Way", it would link those of Polish Highlander descent who are living on the Northwest Side of Chicago to their homeland; now, therefore,

Be It Resolved, That we, the Mayor and members of the City Council of the City of Chicago, gathered here this 28th day of June 2017, do hereby express our congratulations and best wishes to all members of the Polish Highlander community; and

Be It Further Resolved, That a suitable copy of this resolution be prepared and presented to a representative of the Polish Highland Region.

CONGRATULATIONS EXTENDED TO MARIE LURIE OGDEN ON
100TH BIRTHDAY.

[R2017-574]

WHEREAS, The members of the Chicago City Council are pleased to honor Marie Lurie Ogden on the upcoming occasion of her 100th birthday; and

WHEREAS, Marie Lurie Ogden was born on July 8, 1917, the second of three children of Anna and Charles Lurie; and

WHEREAS, Her parents were from the Bohemia area of what was then Czechoslovakia. Her father, one of ten children, owned a department store called Lurie Brothers. Her parents were members of the Washington Boulevard Temple; and

WHEREAS, Marie skipped a year in school and graduated with her brother, a navigator for the Navy during the Korean War. His plane was shot down in North Korea and he was held hostage, presumed dead. He was finally found at a farm in North Korea and was among the last prisoners released; and

WHEREAS, Marie was raised in Cicero and the Austin community of Chicago and was married to Seymour Ogden, general attorney, for 44 years, both being active in the Democratic Party and advocates for social justice and political reform in both their professional and personal lives; and

WHEREAS, Their home and hearts were always open for family and friends during national and religious holidays. There was always room for one more at the table; and

WHEREAS, Marie earned her bachelor's degree at Roosevelt University and her master's degree in psychology from Northwestern University. She also earned a degree from the College of Jewish Studies, the predecessor of Spertus Institute; and

WHEREAS, She taught Sunday school at various temples on the South and West Sides of Chicago and was the past president of the Sisterhood at Temple Shalom; and

WHEREAS, Her entire career was in the social service area of government at city, county and state levels; and

WHEREAS; She is a fond aunt to nieces and nephews and a dear friend to many; now, therefore,

Be It Resolved, That we, the Mayor and members of the City Council of the City of Chicago, assembled this 28th day of June 2017, do hereby honor the upcoming centenary of Marie Lurie Ogden on July 8, 2017; and

Be It Further Resolved, That a suitable copy of this resolution be prepared and presented to Marie Lurie Ogden as a sign of our respect and admiration for her long life and valued service to the community.

CONGRATULATIONS EXTENDED TO LILLIAN LEVIN KAHN ON
100TH BIRTHDAY.

[R2017-577]

WHEREAS, Lillian Levin Kahn will celebrate her 100th birthday on July 18, 2017; and

WHEREAS, The Chicago City Council has been informed of this momentous event by Alderman Debra L. Silverstein; and

WHEREAS, Lillian Levin Kahn was born in Chicago, Illinois on July 18, 1917. She graduated from the College of Jewish Studies (now known as Spertus College) and went on to serve as her alma mater's librarian. After moving to St. Paul, Minnesota, Lillian Levin Kahn received her master's degree in counseling from the College of St. Thomas; and

WHEREAS, Lillian Levin Kahn married Rabbi Eli J. Kahn in 1943, afterward accompanying him to his first occupation in Columbus, Georgia; and

WHEREAS, Lillian Levin Kahn has served as an educational director, teacher, program manager, editor, and proofreader while following her husband's many professional relocations; and

WHEREAS, Lillian Levin Kahn has dedicated herself toward community and charity work, working as a social worker for Ramsey County, originating a Meals-on-Wheels program, and creating an organization focused on educating underprivileged teens; and

WHEREAS, Lillian Levin Kahn, since her twenties, has devoted much of her time toward self-expression in the form of poetry, later arranged by her children into a book entitled "*The Outward Edge of Joy -- A Life in Poems*"; and

WHEREAS, Lillian Levin Kahn was blessed with four children: Judy, Rachelle, Shulamit, and David. She also has 15 grandchildren and 20 great-grandchildren, with more on the way. Lillian Levin Kahn is a cherished friend to many and richly deserves the warm and fond wishes of her family and friends as she marks her birthday celebration; now, therefore,

Be It Resolved, That we, the Mayor and members of the City Council of the City of Chicago, assembled this 28th day of June 2017, do hereby express our heartiest congratulations to Lillian Levin Kahn in celebration of her 100th birthday and extend to her our very best and most sincere wishes for continued happiness and prosperity.

CONGRATULATIONS EXTENDED TO TOBY NUDELMAN ON 100TH BIRTHDAY.
