*Rules Suspended* -- CONGRATULATIONS EXTENDED TO SIX-YEAR-OLD SIMBI JIBRIL AND OFFICE OF EMERGENCY MANAGEMENT AND COMMUNICATIONS FIRE CALL TAKER MEGAN STAATZ ON LIFE-SAVING EFFORTS.

[R2019-606]

The Honorable Lori E. Lightfoot, Mayor, presented the following communication:

OFFICE OF THE MAYOR  
CITY OF CHICAGO

July 24, 2019.

*To the Honorable, The City Council of the City of Chicago:*

LADIES AND GENTLEMEN -- I transmit herewith, together with Aldermen O'Shea, Mitchell and Taliaferro, a congratulatory resolution concerning the Office of Emergency Management and Communications and two Chicago residents.

Your favorable consideration of this resolution will be appreciated.

Very truly yours,

(Signed) LORI E. LIGHTFOOT,  
Mayor.

Alderman Mitchell moved to *Suspend the Rules Temporarily* to permit immediate consideration of and action upon the said proposed resolution. The motion *Prevailed*.

The following is said proposed resolution:

WHEREAS, On June 12, 2019, Simbi Jibril, a second-grade student at Adam Clayton Powell Elementary School on Chicago's South Side, was in the kitchen with her mother Shani Davis when the unthinkable happened. Ms. Davis began experiencing chest pain and collapsed on the kitchen floor; and

WHEREAS, Six-year-old Simbi knew exactly what to do. She immediately dialed the City's 9-1-1 emergency telephone number to request help for her mother; and

WHEREAS, Fire call taker Megan Staatz, a licensed paramedic for eight years, answered Simbi's call. Realizing that "something really was wrong", Ms. Staatz asked Simbi to check whether her mother was breathing. After learning that Ms. Davis was not breathing, Ms. Staatz first told Simbi to keep pressing on her mother's chest, then began to elicit information from the child about where to send help; and

WHEREAS, Following Ms. Staatz's instructions to the letter, Simbi clearly and confidently provided her mother's name, telephone number, address and door number, as well as the building entry code needed for first responders to access their apartment on the 19<sup>th</sup> floor; and she kept pushing on her mother's chest until, thankfully, her mother's breathing was restored; and

WHEREAS, While paramedics rushed to the scene, Ms. Staatz kept Simbi on the telephone, reassuring her that help was on the way and soothing her by asking about her age and her favorite subjects at school. Meanwhile, at Ms. Staatz's suggestion, Simbi collected her mother's telephone, clothes, purse, house keys and identification to give to the first responders when they arrived at the door; and

WHEREAS, Thanks to the wise decisions and concerted efforts, at different times, of many different people, this potentially tragic story has a happy ending, for Ms. Davis recovered and is doing well; and

WHEREAS, Six-year-old Simbi is the hero of the day. Everyone is amazed that such a young child would have the presence of mind to call 9-1-1 for help, to administer life-saving chest compressions to her mother, and to provide Ms. Staatz with detailed information about her mother's condition and location. Simbi deserves special recognition for studying hard and listening so closely to her teachers and mentors at school. She learned about calling 9-1-1 from a CAPS officer during a school presentation; and

WHEREAS, An exemplary mother and role model, Shani Davis deserves kudos for working with Simbi to ensure that she mastered critical information, such as her name, address and telephone number, and acquired other important basic skills. Ms. Davis's selfless efforts to teach Simbi were amply rewarded and ultimately served to save Ms. Davis's life; and

WHEREAS, The professionalism and compassion shown by Fire Call Taker Megan Staatz when shepherding six-year-old Simbi through the most difficult 10 minutes imaginable is a testament to Ms. Staatz's superior training, sensitivity and dedication to her job. Ms. Staatz, who exemplifies the skill, empathy and hard work of our 9-1-1 call takers and dispatchers, will be sorely missed at OEMC when she embarks this month on her new career as a Chicago firefighter; now, therefore,

*Be It Resolved*, That we, the Mayor and members of the City Council of the City of Chicago, assembled this 24<sup>th</sup> day of July 2019, do hereby honor and commend Simbi Jibril, Shani Davis, and Megan Staatz for their contributions in saving Ms. Davis's life; and

*Be It Further Resolved*, That suitable copies of this resolution be presented to Simbi Jibril, Shani Davis and Megan Staatz, and placed on permanent record in Megan Staatz's personnel file, as a token of our appreciation and esteem.

On motion of Alderman Mitchell, seconded by Aldermen Hairston, Moore, O'Shea, Taliaferro, Waguespack and Napolitano, the foregoing proposed resolution was *Adopted* by yeas and nays as follows:

*Yeas* -- Aldermen La Spata, Hopkins, Dowell, King, Hairston, Sawyer, Mitchell, Harris, Beale, Sadlowski Garza, Thompson, Cárdenas, Quinn, Burke, Lopez, Coleman, Moore, Curtis, O'Shea, Taylor, Brookins, Rodriguez, Tabares, Scott, Sigcho-Lopez, Maldonado, Burnett, Ervin, Taliaferro, Reboyras, Cardona, Waguespack, Rodriguez-Sanchez, Austin, Ramirez-Rosa, Villegas, Mitts, Sposato, Nugent, Vasquez, Napolitano, Reilly, Smith, Tunney, Gardiner, Cappleman, Martin, Osterman, Hadden, Silverstein -- 50.

*Nays* -- None.

Alderman Thompson moved to reconsider the foregoing vote. The motion was lost.

At this point in the proceedings, the Honorable Lori E. Lightfoot, Mayor, rose and acknowledged six-year-old Simbi Jibril and 9-1-1 Call Taker Megan Staatz on their concerted life-saving rescue. Lauding Ms. Staatz for her professionalism and compassion in guiding Simbi through a sensitive medical emergency that had befallen her mother. Mayor Lightfoot commended the skillful and calming tact exhibited by Call Taker Staatz during the incident and the amazing attention and confidence shown by Simbi. Recognizing the commitment and training necessary for Call Taker Staatz to lead this successful rescue, Mayor Lightfoot also thanked the members of the Office of Emergency Management and Communications for their dedication to public service and the welfare of the people of Chicago. Mayor Lightfoot then invited Call Taker Megan Staatz along with Simbi Jibril and her mother Shani Davis to the Mayor's rostrum where she presented each with a parchment copy of the congratulatory resolution.

*Rules Suspended* -- COMMEMORATION OF 100<sup>TH</sup> ANNIVERSARY OF RED SUMMER 1919.

[R2019-607]

The Honorable Lori E. Lightfoot, Mayor, presented the following communication:

OFFICE OF THE MAYOR  
CITY OF CHICAGO

July 24, 2019.

*To the Honorable, The City Council of the City of Chicago:*

LADIES AND GENTLEMEN -- I transmit herewith, together with Aldermen Dowell, King and Ervin, a resolution commemorating the Red Summer of 1919.

Your favorable consideration of this resolution will be appreciated.

Very truly yours,

(Signed) LORI E. LIGHTFOOT,  
Mayor.

Alderman Mitchell moved to *Suspend the Rules Temporarily* to permit immediate consideration of and action upon the said proposed resolution. The motion *Prevailed*.

The following is said proposed resolution:

WHEREAS, 2019 marks the 100<sup>th</sup> anniversary of Red Summer, a shameful event that saw the murder and injury of hundreds of people in race riots across the United States, some of the worst of which occurred in the City of Chicago; and

WHEREAS, Competition for jobs and housing at the end of World War I led to a host of social and economic problems that fed into already simmering racial tensions; and

WHEREAS, In Chicago, those tensions boiled over with the murder of an African-American youth who, while seeking relief in Lake Michigan during a heat wave, drifted into a beach area near 29<sup>th</sup> Street that was informally segregated for whites only; and

WHEREAS, That youth, Eugene Williams, was floating on a raft with others when he was struck in the head by a stone thrown by a white man standing on a breakwater. Williams lost his grip on the raft, and drowned. A white police officer refused to arrest the white man who threw the stone, and instead arrested an African-American man. When African-Americans objected to this injustice, they were attacked by white beachgoers; and

WHEREAS, This incident's violence quickly spread beyond the beach, and throughout the City acts of violence took place, included rioting, vandalism, and arson, with the rioters even taking measures to slow or block the arrival of the fire department and other emergency responders; and

WHEREAS, Rioting took place as far north as the Loop, but mostly occurred in predominantly African-American neighborhoods, in which hundreds of homes and businesses were damaged or destroyed; and

WHEREAS, The violence continued nearly unchecked, and it was not until the Illinois National Guard became involved that it was brought under control; and

WHEREAS, Between July 27<sup>th</sup> and August 3<sup>rd</sup>, there were 38 deaths directly attributable to the rioting, and another 537 people were injured. The majority of the casualties were African-Americans, including one African-American policeman; and

WHEREAS, More than 1,000 residents were left homeless as a result of arson and other vandalism, the majority of whom were African-American. Businesses were destroyed, and

other businesses locked African-American employees out because they feared a resurgence of violence. Rather than remain and rebuild, many African-Americans fled the City, never to return; and

WHEREAS, Red Summer is a time in our history that, while painful, represents an opportunity to learn and grow as a City; now, therefore,

*Be It Resolved*, That we, the Mayor and members of the City Council of the City of Chicago, assembled this 24<sup>th</sup> day of July 2019, do hereby commemorate the occasion of the 100<sup>th</sup> anniversary of Red Summer; and

*Be It Further Resolved*, That we call upon all Chicagoans to continue to work to put aside the racial, ethnic, and economic divisions that gave rise to Red Summer, and come together as one City that promotes the well-being of all.

On motion of Alderman Mitchell, seconded by Aldermen Dowell, King and Ervin, the foregoing proposed resolution was *Adopted* by yeas and nays as follows:

Yeas -- Aldermen La Spata, Hopkins, Dowell, King, Hairston, Sawyer, Mitchell, Harris, Beale, Sadlowski Garza, Thompson, Cárdenas, Quinn, Burke, Lopez, Coleman, Moore, Curtis, O'Shea, Taylor, Brookins, Rodriguez, Tabares, Scott, Sigcho-Lopez, Maldonado, Burnett, Ervin, Taliaferro, Reboyras, Cardona, Waguespack, Rodriguez-Sanchez, Austin, Ramirez-Rosa, Villegas, Mitts, Sposato, Nugent, Vasquez, Napolitano, Reilly, Smith, Tunney, Gardiner, Cappleman, Martin, Osterman, Hadden, Silverstein -- 50.

Nays -- None.

Alderman Thompson moved to reconsider the foregoing vote. The motion was lost.

1. The School, the Facility and the Project are described in (Sub)Exhibit A hereto. The plans and specifications for the Project shall be provided to the City by the Board and approved by the City in the City's discretion. The Board shall comply with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, as well as all policies, programs and procedures of the Board, all as may be in effect from time to time, pertaining to or affecting the Project or the Board as related thereto. The Board shall include a certification of such compliance with each request for City Funds hereunder and at the time the Project is completed. The City shall be entitled to rely on this certification without further inquiry. Upon the City's request, the Board shall provide evidence satisfactory to the City of such compliance.

2. In all contracts relating to the Project, the Board agrees to require the contractor (including the Commission, if applicable) to name the City as an additional insured on insurance coverages and to require the contractor to indemnify the City from all claims, damages, demands, losses, suits, actions, judgments and expenses including but not limited to attorney's fees arising out of or resulting from work on the Project by the contractor or contractor's suppliers, employees, or agents.

*Article Three.*

*Funding.*

1. (a) After completion of the Project, the Board shall provide the Department with a Requisition Form, in the form of (Sub)Exhibit E hereto, along with: (i) a cost itemization of the applicable portions of the budget attached as (Sub)Exhibit G hereto; (ii) evidence of the expenditures upon TIF-Funded Improvements which the Board has incurred; and (iii) all other documentation described in (Sub)Exhibit E. The City shall review and, in the City's discretion, approve each Requisition Form and make the applicable requested and approved disbursement of City Funds, subject to the availability thereof. The availability of the City Funds is subject to the City's compliance with all applicable requirements regarding the use of such funds and the timing of such use. At the City's request the Board shall evidence to the City in writing to the City's satisfaction that the Board owns or otherwise controls the Property, or has the right to enter the Property and undertake such activities as the Board deems necessary prior to owning or otherwise controlling the Property, before the City disburses City Funds. The Board will only request disbursement of City Funds and the City will only disburse City Funds for the costs of the Project, to the extent that such costs are TIF-Funded Improvements.

(b) Delivery by the Board to the Department of a Requisition Form hereunder shall, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such Requisition Form, that:

(i) the total amount of the City Funds disbursed in the previously made disbursement (if any) represents the actual amount paid to the general contractor, subcontractors, and other parties who have performed work on or otherwise provided goods or services in connection with the Project, and/or their payees;

(ii) all amounts shown as previous payments on the current Requisition Form have been paid to the parties entitled to such payment;

(iii) the Board has approved all work and materials for the current Requisition Form, and such work and materials conform to the plans and specifications for the Project; and

(iv) the Board is in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, as well as all

policies, programs and procedures of the Board, all as may be in effect from time to time, pertaining to or affecting the Project or the Board as related thereto.

The City shall have the right, in its discretion, to require the Board to submit further documentation as the City may require in order to verify that the matters certified to above are true and correct, and any approval of a Requisition Form by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by the Board.

(c) [Intentionally omitted]

(d) [Intentionally omitted]

(e) (i) The Board's right to receive payments hereunder shall be subordinate to all prior obligations of the City to be paid from Touhy/Western Increment.

(ii) The City, subject to the terms of this subsection 1(e)(ii), may, until the earlier to occur of (1) the expiration of the Term of this Agreement or (2) the date that the City has paid directly or the Board has been reimbursed in the full amount of the City Funds under this Agreement, exclude up to 90 percent of the Increment generated from the construction value of a new assisted development project and pledge that Increment to a developer on a basis superior to that of the Board. For purposes of this subsection, "a new assisted development project" shall not include any development project that is or will be exempt from the payment of ad valorem property taxes. Further, for purposes of this subsection, "Increment generated from the construction value of a new assisted development project" shall be the amount of Increment generated by the equalized assessed value ("EAV") of such affected parcels over and above the EAV of such affected parcels for the year immediately preceding the year in which the new assisted development project commences (the "Base Year"). Except for the foregoing, the Board shall retain its initial lien status relative to Touhy/Western Increment. In the event that the City elects to avail itself of the provisions of this subsection, it shall, at least seven (7) days prior to executing a binding commitment pledging the Increment described above, certify, in a letter to the Board, the affected parcels and the EAV thereof for the Base Year.

(f) [Intentionally omitted]

(g) The availability of City Funds is subject to: (i) the City's annual retention of Touhy/Western Increment in an amount necessary for the payment of expenses incurred by the City in the administration of the Touhy/Western Redevelopment Area; and (ii) the City's compliance with all applicable requirements regarding the use of such funds and the timing of such use.

(h) The Board shall, at the request of the City, agree to any reasonable amendments to this Agreement that are necessary or desirable in order for the City to issue (in its sole discretion) any bonds in connection with the Touhy/Western Redevelopment Area, the

proceeds of which may be used to reimburse the City for expenditures made in connection with, or provide a source of funds for the payment for, the TIF-Funded Improvements ("Bonds"); provided, however, that any such amendments shall not have a material adverse effect on the Board or the Project. The Board shall, at the Board's expense, cooperate and provide reasonable assistance in connection with the marketing of any such Bonds, including but not limited to providing written descriptions of the Project, making representations, providing information regarding its financial condition and assisting the City in preparing an offering statement with respect thereto. The City may, in its sole discretion, use all or a portion of the proceeds of such Bonds if issued to pay for all or a portion of the TIF-Funded Improvements.

2. The current estimate of the cost of the Project is \$20,000,000. The Board has delivered to the Commissioner of the Department (the "Commissioner"), and the Commissioner hereby approves, a detailed project budget for the Project, attached hereto and incorporated herein as (Sub)Exhibit G. The Board certifies that it has identified sources of funds (including the City Funds) sufficient to complete the Project. The Board agrees that the City will only contribute the City Funds to the Project and that all costs of completing the Project over the City Funds shall be the sole responsibility of the Board. If the Board at any point does not have sufficient funds to complete the Project, the Board shall so notify the City in writing, and the Board may narrow the scope of the Project as agreed with the City in order to construct the Facility with the available funds.

3. Attached as (Sub)Exhibit H and incorporated herein is a preliminary list of capital improvements, land assembly costs, relocation costs and other costs, if any, recognized by the City as being eligible redevelopment project costs under the Act with respect to the Project, to be paid for out of City Funds ("TIF-Funded Improvements"); and to the extent the TIF-Funded Improvements are included as taxing district capital costs under the Act, the Board acknowledges that the TIF-Funded Improvements are costs for capital improvements and the City acknowledges it has determined that these TIF-Funded Improvements are necessary and directly result from the Touhy/Western Redevelopment Plan. Prior to the expenditure of City Funds on the Project, the Commissioner, based upon the detailed project budget, shall make such modifications to (Sub)Exhibit H as he or she wishes in his or her discretion to account for all of the City Funds to be expended under this Agreement; provided, however, that all TIF-Funded Improvements shall (i) qualify as redevelopment project costs under the Act; (ii) qualify as eligible costs under the Touhy/Western Redevelopment Plan; and (iii) be improvements that the Commissioner has agreed to pay for out of City Funds, subject to the terms of this Agreement.

4. If the aggregate cost of the Project is less than the amount of the City Funds contemplated by this Agreement, the Board shall have no claim to the difference between the amount of the City Funds contemplated by this Agreement and the amount of the City Funds actually paid by the City to the Board and expended by the Board on the Project.

5. If requested by the City, the Board shall provide to the City quarterly reports on the progress of the Project and reasonable access to its books and records relating to the Project.

6. [Intentionally omitted]

7. During the term hereof the Board shall not sell, transfer, convey or otherwise dispose of all or any portion of the Facility and/or the Property or any interest therein to a party other than the City (a "Transfer"), or otherwise effect or consent to a Transfer to a party other than the City, without the prior written consent of the City. The City's consent to any Transfer may, in the City's sole discretion, be conditioned upon (among other things) whether such a Transfer would conflict with the statutory basis for the grant of the City Funds hereunder pursuant to the Act.

*Article Four.*

*Term.*

The Term of the Agreement shall commence as of the Agreement Date and shall expire on the date on which the Touhy/Western Redevelopment Area is no longer in effect (through and including December 31, 2030).

*Article Five.*

*Indemnity; Default.*

1. The Board agrees to indemnify, defend and hold the City, its officers, officials, members, employees and agents harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, reasonable attorneys' fees and court costs) suffered or incurred by the City arising from or in connection with (i) the Board's failure to comply with any of the terms, covenants and conditions contained within this Agreement, or (ii) the Board's or any contractor's failure to pay general contractors, subcontractors or materialmen in connection with the Project.

2. The failure of the Board to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Board under this Agreement or any agreement directly related to this Agreement shall constitute an "Event of Default" by the Board hereunder. Upon the occurrence of an Event of Default, the City may terminate this Agreement and all agreements directly related to this Agreement, and may suspend disbursement of the City Funds. The City may, in any court of competent jurisdiction

by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to injunctive relief or the specific performance of the agreements contained herein.

In the event the Board shall fail to perform a covenant which the Board is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the Board has failed to cure such default within thirty (30) days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those defaults which are not capable of being cured within such thirty (30) day period, the Board shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

3. The failure of the City to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the City under this Agreement or any other agreement directly related to this Agreement shall constitute an "Event of Default" by the City hereunder. Upon the occurrence of an Event of Default, the Board may terminate this Agreement and any other agreement directly related to this Agreement. The Board may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to injunctive relief or the specific performance of the agreements contained herein.

In the event the City shall fail to perform a covenant which the City is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the City has failed to cure such default within thirty (30) days of its receipt of a written notice from the Board specifying the nature of the default; provided, however, with respect to those defaults which are not capable of being cured within such thirty (30) day period, the City shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

Alderman Thompson moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

WHEREAS, The City of Chicago (the "City") is a home rule unit of government under Article VII, Section 6(a) of the 1970 Constitution of the State of Illinois and, as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, The Chicago Park District (the "Park District") is an Illinois municipal corporation and a unit of local government under Article VII, Section 1 of the 1970 Constitution of the State of Illinois and, as such, is authorized to exercise control over and supervise the operation of all parks within the corporate limits of the City; and

WHEREAS, The Park District desires to make improvements to Bosley Park located at 3044 South Bonfield Street, legally described in Exhibit A (the "Property"), including construction of a new playground, a spray pool, basketball court and an artificial junior soccer field (collectively the "Project"); and

WHEREAS, The Project lies wholly within the boundaries of the Archer/Western Redevelopment Project Area (as hereinafter defined); and

WHEREAS, The City is authorized under the provisions of the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1, et seq., as amended from time-to-time (the "Act"), to finance projects that eradicate blight conditions and conservation factors that could lead to blight through the use of tax increment allocation financing for redevelopment projects; and

WHEREAS, In accordance with the provisions of the Act, and pursuant to ordinances adopted on February 11, 2009, and published in the *Journal of the Proceedings of the City Council of the City of Chicago* for said date, and amended on June 9, 2010, the City Council: (i) approved and adopted a redevelopment plan and project (the "Plan") for a portion of the City known as the "Archer/Western Redevelopment Project Area" (the "Archer/Western Redevelopment Area"); (ii) designated the Archer/Western Redevelopment Area as a "redevelopment project area"; and (iii) adopted tax increment allocation financing for the Archer/Western Redevelopment Area; and

WHEREAS, Under 65 ILCS 5/11-74.4-3(q)(7), such incremental ad valorem taxes which pursuant to the Act have been collected and are allocated to pay redevelopment project costs and obligations incurred in the payment thereof ("Increment") may be used to pay all or a portion of a taxing district's capital costs resulting from a redevelopment project necessarily incurred or to be incurred in furtherance of the objectives of the redevelopment plan and project, to the extent the municipality by written agreement accepts and approves such costs (Increment collected from the Archer/Western Redevelopment Area shall be known as the "Archer/Western Increment"); and

WHEREAS, The Department of Planning and Development of the City ("DPD") wishes to use a portion of the Archer/Western Increment in an amount not to exceed \$1,369,400 for the purpose of partially funding the construction of the Project on the Property (the "TIF-Funded Improvements") in the Archer/Western Redevelopment Area to the extent and in the manner provided in the Agreement (as hereinafter defined); and

WHEREAS, The Plan contemplates that tax increment financing assistance would be provided for public improvements, such as the Project, within the boundaries of the Archer/Western Redevelopment Area; and

WHEREAS, The Park District is a taxing district under the Act; and

WHEREAS, In accordance with the Act, the TIF-Funded Improvements shall include such of the Park District's capital costs necessarily incurred or to be incurred in furtherance of the objectives of the Plan, and the City has found that the TIF-Funded Improvements consist of the cost of the Park District's capital improvements that are necessary and directly result from the redevelopment project constituting the Project and, therefore, constitute "taxing districts' capital costs" as defined in Section 5/11-74.4-3(u) of the Act; and

WHEREAS, Pursuant to Section 5/11-74.4-4(q) of the Act, the City can use Increment from one redevelopment project area for eligible redevelopment project costs in another redevelopment project area that is either contiguous to, or is separated only by a public right-of-way from, the redevelopment project area from which the Increment is received so long as the applicable redevelopment plans permit such use (the "Transfer Rights"); and

WHEREAS, To induce certain redevelopment pursuant to the Act, in accordance with the provisions of the Act, pursuant to ordinances adopted on January 14, 1997, and published in the *Journal* for said date, and amended on May 5, 2004, the City Council: (1) approved and adopted a redevelopment plan (the "35<sup>th</sup>/Halsted Redevelopment Plan") for the 35<sup>th</sup>/Halsted Redevelopment Project Area (the "35<sup>th</sup>/Halsted Redevelopment Area") of the City; (2) designated the 35<sup>th</sup>/Halsted Redevelopment Area as a "redevelopment project area" pursuant to the Act; and (3) adopted tax increment allocation financing for the 35<sup>th</sup>/Halsted Redevelopment Area; and

WHEREAS, The Archer/Western Redevelopment Area is either contiguous to, or is separated only by a public right-of-way from, the 35<sup>th</sup>/Halsted Redevelopment Area; and

WHEREAS, The 35<sup>th</sup>/Halsted Redevelopment Plan permits the exercise of Transfer Rights with respect to Increment from the 35<sup>th</sup>/Halsted Redevelopment Area ("35<sup>th</sup>/Halsted Increment") and the Archer/Western Redevelopment Plan permits the receipt of Increment pursuant to Transfer Rights; and

WHEREAS, It is anticipated that the City may, in its discretion, exercise its Transfer Rights pursuant to the Act and the 35<sup>th</sup>/Halsted and Archer/Western Redevelopment Plans to use 35<sup>th</sup>/Halsted Increment or Archer/Western Increment in an amount up to \$1,369,400; and

WHEREAS, The City and the Park District wish to enter into an intergovernmental agreement in substantially the form attached hereto as Exhibit B (the "Agreement") whereby the City shall pay for or reimburse the Park District for the TIF-Funded Improvements; now, therefore,

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. The above recitals are expressly incorporated in and made a part of this ordinance as though fully set forth herein.

SECTION 2. The City hereby finds that the TIF-Funded Improvements, among other eligible redevelopment project costs under the Act approved by the City, consist of the cost of the Park District's capital improvements that are necessary and directly result from the redevelopment project constituting the Project and, therefore, constitute "taxing districts' capital costs" as defined in Section 5/11-74.4-3(u) of the Act.

SECTION 3. Subject to the approval of the Corporation Counsel of the City as to form and legality, and to the approval of the City Comptroller, the Acting Commissioner or Commissioner of DPD is authorized to execute and deliver the Agreement, and such other documents as are necessary, between the City and the Park District, which may contain such other terms as are deemed necessary or appropriate by the parties executing the same on the part of the City.

SECTION 4. To the extent that any ordinance, resolution, rule, order or provision of the Municipal Code of Chicago, or part thereof, is in conflict with the provisions of this ordinance, the provisions of this ordinance shall control. If any section, paragraph, clause or provision of this ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any other provisions of this ordinance.

SECTION 5. This ordinance shall be in full force and effect from and after the date of its passage and approval.

*Exhibit "B".*  
(To Ordinance)

*Intergovernmental Agreement With Chicago Park District  
For Improvements To Bosley Park.*

This Agreement (the "Agreement") is made as of this \_\_\_\_ day of \_\_\_\_\_, 2019 (the "Closing Date"), under authority granted by Article VII, Section 10 of the 1970 Constitution of the State of Illinois, by and between the City of Chicago (the "City"), an Illinois municipal corporation, by and through its Department of Planning and Development or any successor thereto ("DPD"); and the Chicago Park District (the "Park District"), an Illinois municipal corporation. The Park District and the City are sometimes referred to herein individually as a "Party", and collectively as the "Parties".

*Recitals:*

A. The City is a home rule unit of government under Article VII, Section 6(a) of the 1970 Constitution of the State of Illinois and, as such, may exercise any power and perform any function pertaining to its government and affairs.

B. The Park District is a unit of local government under Article VII, Section 1 of the 1970 Constitution of the State of Illinois and, as such, has the authority to exercise control over and supervise the operation of parks within the corporate limits of the City.

C. The Park District has proposed to renovate Bosley Park located at 3044 South Bonfield Street, legally described in (Sub)Exhibit A (the "Property").

D. The renovation will consist of construction of a new playground, a spray pool, basketball court and an artificial junior soccer field (collectively, the "Project").

E. The City desires to help the Park District with the development of the Project by providing tax increment financing.

F. The Property lies wholly within the boundaries of the Archer/Western Redevelopment Project Area (as hereinafter defined).

G. The City is authorized under the provisions of the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1, et seq., as amended from time-to-time (the "Act"), to finance projects that eradicate blight conditions and conservation factors that could lead to blight through the use of tax increment allocation financing for redevelopment projects.

H. In accordance with the provisions of the Act, and pursuant to ordinances (the "Archer/Western Ordinances") adopted on February 11, 2009, and published in the *Journal of the Proceedings of the City Council of the City of Chicago* (the "Journal") for said date, and amended on June 9, 2010, the City Council: (i) approved and adopted a redevelopment plan and project (the "Plan") for a portion of the City known as the "Archer/Western Redevelopment Project Area" (the "Archer/Western Redevelopment Area"); (ii) designated the Archer/Western Redevelopment Area as a "redevelopment project area"; and (iii) adopted tax increment allocation financing for the Archer/Western Redevelopment Area.

I. Under 65 ILCS 5/11-74.4-3(q)(2), such incremental ad valorem taxes which pursuant to the Act have been collected and are allocated to pay redevelopment project costs and obligations incurred in the payment thereof ("Increment") may be used to pay the sum total of all reasonable or necessary costs incurred or estimated to be incurred, and any such costs incidental to a redevelopment plan and a redevelopment (Increment collected from

the Archer/Western Redevelopment Area shall be known as the "Archer/Western Increment").

J. The Park District is a taxing district under the Act.

K. In accordance with the Act, the TIF-Funded Improvements shall include such of the Park District's capital costs necessarily incurred or to be incurred in furtherance of the objectives of the Plan, and the City has found that the TIF-Funded Improvements consist of the cost of the Park District's capital improvements that are necessary and directly result from the redevelopment, project constituting the Project and, therefore, constitute "taxing districts' capital costs" as defined in Section 5/11-74.4-3(u) of the Act.

L. Pursuant to Section 5/11-74.4-4(q) of the Act, the City can use Increment from one redevelopment project area for eligible redevelopment project costs in another redevelopment project area that is either contiguous to, or is separated only by a public right-of-way from, the redevelopment project area from which the Increment is received so long as the applicable redevelopment plans permit such use (the "Transfer Rights").

M. In accordance with the provisions of the Act, pursuant to ordinances (the "35<sup>th</sup>/Halsted Ordinances") adopted on January 14, 1997, and published in the *Journal* for said date, and amended on May 5, 2004, the City Council: (1) approved and adopted a redevelopment plan (the "35<sup>th</sup>/Halsted Redevelopment Plan") for the 35<sup>th</sup>/Halsted Redevelopment Project Area (the "35<sup>th</sup>/Halsted Redevelopment Area") of the City; (2) designated the 35<sup>th</sup>/Halsted Redevelopment Area as a "redevelopment project area" pursuant to the Act; and (3) adopted tax increment allocation financing for the 35<sup>th</sup>/Halsted Redevelopment Area.

N. The Archer/Western Redevelopment Area is either contiguous to, or is separated only by a public right-of-way from, the 35<sup>th</sup>/Halsted Redevelopment Area.

O. The 35<sup>th</sup>/Halsted Redevelopment Plan permits the exercise of Transfer Rights with respect to Increment from the 35<sup>th</sup>/Halsted Redevelopment Area ("35<sup>th</sup>/Halsted Increment") and the Archer/Western Redevelopment Plan permits the receipt of Increment pursuant to Transfer Rights.

P. The City wishes to exercise its Transfer Rights pursuant to the Act and the 35<sup>th</sup>/Halsted and Archer/Western Redevelopment Plans to make available to the Park District a portion of the 35<sup>th</sup>/Halsted Increment or Archer/Western Increment in an amount up to \$1,369,400 (the "TIF Assistance"), subject to Section 2.6, for the Project (the "TIF-Funded Improvements") to the extent and in the manner provided in the Agreement.

Q. The City and the Park District wish to enter into this Agreement whereby the Park District shall develop the Project and the City shall reimburse the Park District with the TIF Assistance for same.

R. By ordinances adopted on January 16, 2019, the Board of Commissioners of the Chicago Park District authorized the acceptance of the City Increment as described herein (the "Park District Ordinance").

S. On \_\_\_\_\_, 2019, the City Council adopted an ordinance published in the *Journal* for said date (the "Authorizing Ordinance"), among other things, authorizing the execution of this Agreement.

Now, Therefore, In consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereto agree as follows:

*Terms And Conditions.*

*Section 1.*

*The Project.*

1.1 No later than 36 months from the Closing Date, or later as the Commissioner of DPD (the "Commissioner") may agree in writing, the Park District shall let one or more contracts for the Project in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, all as may be in effect from time-to-time, pertaining to or affecting the Project or the Park District as related thereto.

1.2 The Park District shall provide the City, if any shall apply, with copies of all governmental licenses and permits required to construct the Project and to use, occupy and operate the Property as a public park from all appropriate governmental authorities, including evidence that the Property is appropriately zoned to be used, occupied, and operated as a public park.

1.3 The Park District shall include a certification of compliance with the requirements of Sections 1.1 and 1.2 hereof with the request for the TIF Assistance hereunder at the time the Project is completed and prior to any disbursement of the TIF Assistance. The City shall be entitled to rely on this certification without further inquiry. Upon the City's request, the Park District shall provide evidence satisfactory to the City of such compliance.

1.4 If applicable, in all contracts relating to the Project, the Park District agrees to require its contractors to name the City as an additional insured on all insurance policies and to require its contractors to indemnify the City from all claims, damages, demands, losses, suits, actions, judgments and expenses, including but not limited to attorneys' fees, arising out of or resulting from the construction for the Project by its contractors or contractors' suppliers, employees or agents.

*Section 2.*

*Funding.*

2.1 The City shall, subject to the Park District's satisfaction of the conditions precedent for disbursement described in this Section 2 and such other conditions contained in this Agreement, disburse the TIF Assistance to the Park District.

2.2 The City shall establish a special account within the Archer/Western Redevelopment Project Area Special Tax Allocation Fund; such special account shall be known as the "Bosley Park Account". Disbursement of TIF Assistance will be subject to the availability of Archer/Western Increment or 35<sup>th</sup>/Halsted Increment in the Bosley Park Account, subject to all restrictions on and obligations of the City contained in all Archer/Western Ordinances and 35<sup>th</sup>/Halsted Ordinances, or relating to the Archer/Western Increment and 35<sup>th</sup>/Halsted Increment and all agreements and other documents entered into by the City pursuant thereto.

2.3 Within 15 days after the Closing Date or such longer period of time as may be agreed to by the Commissioner, but in no event later than 90 days after the execution of this Agreement (the "Satisfaction Period"), the Park District must satisfy to the reasonable satisfaction of the Commissioner, the following conditions precedent for City's disbursement of the TIF Assistance to the Park District:

2.3.1 The Park District has satisfied the conditions stated in this Section 2.3 within the Satisfaction Period. If the Park District is unable to satisfy said conditions, either Party may terminate this Agreement by providing written notice to the other Party;

2.3.2 The Park District may request payment from the City by submitting a Certificate of Expenditure in the form of (Sub)Exhibit C hereto ("Certificate of Expenditure"), which may be processed and executed periodically. The City shall not execute and approve Certificates of Expenditure in the aggregate in excess of the actual costs of the Project, and in no event in an amount greater than the TIF Assistance. Prior to each execution of a Certificate of Expenditure by the City, the Park District shall submit documentation regarding the applicable expenditures to DPD. Delivery by the Park District to the City of any request for execution by the City of a Certificate of Expenditure hereunder shall, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such request for execution of a Certificate of Expenditure, that:

\*2.4.1 The total amount of the request for the Certificate of Expenditure represents the actual amount payable in connection with the Project;

---

\* Editor's Note: Numbering sequence per original document.

2.4.2 All amounts shown as previous payments on the current request for a Certificate of Expenditure have been paid to the parties entitled to such payment;

2.4.3 The Park District has approved all work and materials for the current request for a Certificate of Expenditure, and such work and materials conform to the Plans and Specifications; and

2.4.4 The Park District is in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, all as may be in effect from time-to-time, pertaining to or affecting the Project or the Park District as related thereto.

2.5 The City shall have the right, in its discretion, to require the Park District to submit further documentation as the City may require in order to verify that the matters certified to in Section 2.4 are true and correct, and any execution and approval of a Certificate of Expenditure by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by the Park District.

2.6 The current estimated cost of the entire Project is \$1,369,400. The Park District has delivered to the Commissioner a budget for the Project attached as (Sub)Exhibit B. The Park District certifies that it has identified sources of funds, including the TIF Assistance, sufficient to complete its budgeted portion of the Property for Project. The Park District agrees that the City will only contribute TIF Assistance to reimburse the Park District for the costs of the Project and that all costs of completing the Project over the TIF Assistance shall be the sole responsibility of the Park District. If the Park District at any point does not have sufficient funds to complete the Project, the Park District shall so notify the City immediately in writing and cease all work on the Project until the City and the Park District agree on how to proceed; the Park District may narrow the scope of the Project (the "Revised Project") as agreed to by the City prior to the restart of any work in order to complete the Revised Project with the approved funds. The City has the right, at its election, to withhold and refuse all reimbursement in the event that the Park District fails to so notify the City and/or the Park District and the City fail to reach agreement on a Revised Project as described above.

2.7 (Sub)Exhibit B contains the cost associated with the Project recognized by the City as costs eligible to be paid for out of the TIF Assistance. To the extent the TIF-Funded Improvements are included as taxing district capital costs under the Act, the Park District acknowledges that the TIF-Funded Improvements are costs for capital improvements and the City acknowledges it has determined that these TIF-Funded Improvements are necessary and directly result from the Plan. Prior to the expenditure of TIF Assistance on the Project, the Commissioner, based upon the Project budget, may make such modifications to (Sub)Exhibit B as he or she wishes in his or her discretion to account for all of the TIF Assistance to be expended under this Agreement; provided, however, that all TIF-Funded Improvements shall: (i) qualify as redevelopment project costs under the Act,

(ii) qualify as eligible costs under the Plan; and (iii) be improvements that the Commissioner has agreed to pay for out of TIF Assistance, subject to the terms of this Agreement.

2.8 The Park District hereby acknowledges and agrees that the City's obligations hereunder with respect to the TIF Assistance are subject in every respect to the availability of funds as described in and limited by this Section 2. If no funds or insufficient funds are appropriated and budgeted in any fiscal period of the City for disbursements of the TIF Assistance, then the City will notify the Park District in writing of that occurrence, and the City may terminate this Agreement on the earlier of the last day of the fiscal period for which sufficient appropriation was made or whenever the funds appropriated for disbursement under this Agreement are exhausted.

2.9 If the aggregate cost of the Project is less than the amount of the TIF Assistance contemplated by this Agreement, the Park District shall have no claim to the difference between the amount of the TIF Assistance contemplated by this Agreement and the amount of the TIF Assistance actually paid by the City to the Park District and expended by the Park District for the Project.

### *Section 3.*

#### *Term.*

The term of this Agreement shall commence on the Closing Date and shall expire on the date on which the Archer/Western Redevelopment Area is no longer in effect, or on the date of termination of this Agreement according to its terms, whichever occurs first.

### *Section 4.*

#### *Environmental Matters.*

4.1 It shall be the responsibility of the Park District, at its sole cost and expense, to: (a) investigate and determine the soil and environmental condition of the Property, including obtaining Phase I, if applicable, or Phase II environmental audits for the Property; and (b) determine if any environmental remediation is necessary with respect to the Property or the Project, and any such work that the Park District determines is required shall be performed at its sole cost and expense as the Parties understand and agree that the City's financial obligation shall be limited to an amount not to exceed the TIF Assistance which is provided solely for the items set forth on (Sub)Exhibit B. The City makes no covenant, representation, or warranty as to the environmental condition of the Property or the suitability of the Property as a park or for any use whatsoever.

*Section 5.*

*Insurance.*

5.1 If applicable, the Park District shall provide and maintain at the Park District's own expense, or cause to be provided during the term of this Agreement, the insurance coverages and requirements specified below, insuring all operations related to this Agreement.

5.1.1 Workers' Compensation And Employer's Liability. Workers' Compensation as prescribed by applicable law covering all employees who are to provide a service under this Agreement and Employer's Liability coverage with limits of not less than \$100,000 each accident or illness.

5.1.2 Commercial General Liability (Primary And Umbrella). Commercial General Liability Insurance or equivalent with limits of not less than \$1,000,000 per occurrence for bodily injury, personal injury, and property damage liability. Coverages shall include the following: all premises and operations, products/completed operations, explosion, collapse, underground, separation of insureds, defense, and contractual liability (with no limitation endorsement). The City of Chicago is to be named as an additional insured on a primary, noncontributory basis for any liability arising directly or indirectly from the work.

5.1.3 Automobile Liability (Primary And Umbrella). When any motor vehicles (owned, non-owned and hired) are used in connection with work to be performed, the Park District shall provide or cause to be provided, Automobile Liability Insurance with limits of not less than \$1,000,000 per occurrence for bodily injury and property damage.

5.1.4 Professional Liability. When any architects, engineers or professional consultants perform work in connection with this Agreement, the Park District shall cause to be provided, Professional Liability Insurance covering acts, errors, or omissions shall be maintained with limits of not less than \$1,000,000.

5.1.5 Self-Insurance. To the extent permitted by applicable Law, the Park District may self-insure for the insurance requirements specified above, it being expressly understood and agreed that, if the Park District does self-insure for any such insurance requirements, the Park District must bear all risk of loss for any loss which would otherwise be covered by insurance policies, and the self-insurance program must comply with at least such insurance requirements as stipulated above.

5.2 If applicable, the Park District will furnish the City at the address stated in Section 8.13, original Certificates of Insurance evidencing the required coverage to be in force on the Closing Date, and renewal Certificates of Insurance, promptly as any requisite insurance is renewed. The Park District shall submit evidence of insurance on the City's Insurance Certificate Form or equivalent prior to the Closing Date. The receipt of any

certificate does not constitute agreement by the City that the insurance requirements in this Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence shall not be deemed to be a waiver by the City.

5.3 If applicable, the Park District shall advise all insurers of the provisions of this Agreement regarding insurance. Nonconforming insurance shall not relieve the Park District of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of this Agreement, and the City retains the right to stop work until proper evidence of insurance is provided, or this Agreement may be terminated.

5.4 If applicable, the required insurance shall provide for sixty (60) days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

5.5 Any and all deductibles or self-insured retentions on referenced insurance coverages shall be borne by the Park District and its contractors.

5.6 If applicable, the Park District agrees that insurers shall waive their rights of subrogation against the City, its employees, elected officials, agents, or representatives.

5.7 The Park District expressly understands and agrees that any coverage and limits furnished by the Park District shall in no way limit the Park District's liabilities and responsibilities specified by this Agreement or by law.

5.8 The Park District expressly understands and agrees that any insurance or self-insurance programs maintained by the City shall not contribute with insurance provided by the Park District under this Agreement.

5.9 If applicable, the required insurance shall not be limited by any limitations expressed in the indemnification language herein or any limitation placed on the indemnity therein given as a matter of law.

5.10 The City's Risk Management Department maintains the right to modify, delete, alter or change these requirements.

#### *Section 6.*

#### *Indemnity/No.Personal Liability.*

6.1 The Park District agrees to indemnify and hold the City, its officers and employees, harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses, including, without limitation, reasonable attorneys' fees

and court costs suffered or incurred by the City arising from or in connection with: (i) the Park District's failure to comply with any of the terms, covenants and conditions contained in this Agreement; or (ii) the Park District's failure to pay costs associated with the Project. The defense and indemnification obligations in this Section 6.1 shall survive any termination or expiration of this Agreement.

6.2 No elected or appointed official or member or employee or agent of the City or the Park District shall be individually or personally liable in connection with this Agreement.

#### *Section 7.*

##### *Default.*

7.1 If the Park District, without the City's written consent, fails to complete the Project within 36 months after the date of execution of this Agreement, then the City may terminate this Agreement by providing written notice to the Park District.

7.2 In the event the Park District fails to perform, keep or observe any of its covenants, conditions, promises, agreements or obligations under this Agreement not identified in Section 7.1 and such default is not cured as described in Section 7.3 hereof, the City may terminate this Agreement.

7.3 Prior to termination, the City shall give its notice of intent to terminate 30 days prior to termination at the address specified in Section 8.13 hereof, and shall state the nature of the default. In the event the Park District does not cure such default within the 30-day notice period, such termination shall become effective at the end of such period; provided, however, with respect to those defaults which are not capable of being cured within such 30-day period, the Park District shall not be deemed to have committed such default and no termination shall occur if the Park District has commenced to cure the alleged default within such 30-day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

7.4 The City may, in any court of competent jurisdiction, by any proceeding at law or in equity, secure the specific performance of the agreements contained herein, or may be awarded damages for failure of performance, or both.

H. In accordance with the provisions of the Act, and pursuant to ordinances (the "47<sup>th</sup>/Halsted Ordinances") adopted on May 29, 2002, and published in the *Journal of the Proceedings of the City Council of the City of Chicago* (the "*Journal*") for said date, and amended on November 13, 2013 and May 28, 2014, the City Council: (i) approved and adopted a redevelopment plan and project (the "Plan") for a portion of the City known as the "47<sup>th</sup>/Halsted Redevelopment Project Area" (the "47<sup>th</sup>/Halsted Redevelopment Area"); (ii) designated the 47<sup>th</sup>/Halsted Redevelopment Area as a "redevelopment project area"; and (iii) adopted tax increment allocation financing for the 47<sup>th</sup>/Halsted Redevelopment Area.

O. On \_\_\_\_\_, 2019, the City Council adopted an ordinance published in the *Journal* for said date (the "Authorizing Ordinance"), among other things, authorizing the execution of this Agreement.

Now, Therefore, In consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereto agree as follows:

*Terms And Conditions.*

*Section 1.*

*The Project.*

1.1 No later than 36 months from the Closing Date, or later as the Commissioner of DPD (the "Commissioner") may agree in writing, the Park District shall let one or more contracts for the Project in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, all as may be in effect from time-to-time, pertaining to or affecting the Project or the Park District as related thereto.

1.2 The Park District shall provide the City, if any shall apply, with copies of all governmental licenses and permits required to construct the Project and to use, occupy and operate the Property as a public park from all appropriate governmental authorities, including evidence that the Property is appropriately zoned to be used, occupied, and operated as a public park.

1.3 The Park District shall include a certification of compliance with the requirements of Sections 1.1 and 1.2 hereof with the request for the TIF Assistance hereunder at the time the Project is completed and prior to any disbursement of the TIF Assistance. The City shall be entitled to rely on this certification without further inquiry. Upon the City's request, the Park District shall provide evidence satisfactory to the City of such compliance.

1.4 If applicable, in all contracts relating to the Project, the Park District agrees to require its contractors to name the City as an additional insured on all insurance policies and to require its contractors to indemnify the City from all claims, damages, demands, losses, suits, actions, judgments and expenses, including but not limited to attorneys' fees, arising out of or resulting from the construction for the Project by its contractors or contractors' suppliers, employees or agents.

*Section 2.*

*Funding.*

2.1 The City shall, subject to the Park District's satisfaction of the conditions precedent for disbursement described in this Section 2 and such other conditions contained in this Agreement, disburse the TIF Assistance to the Park District.

2.2 The City shall establish a special account within the 47<sup>th</sup>/Halsted Redevelopment Project Area Special Tax Allocation Fund; such special account shall be known as the

"McInerney Park Account". Disbursement of TIF Assistance will be subject to the availability of 47<sup>th</sup>/Halsted Increment in the McInerney Park Account, subject to all restrictions on and obligations of the City contained in all 47<sup>th</sup>/Halsted Ordinances, or relating to the 47<sup>th</sup>/Halsted Increment and all agreements and other documents entered into by the City pursuant thereto.

2.3 Within 15 days after the Closing Date or such longer period of time as may be agreed to by the Commissioner, but in no event later than 90 days after the execution of this Agreement (the "Satisfaction Period"), the Park District must satisfy to the reasonable satisfaction of the Commissioner, the following conditions precedent for City's disbursement of the TIF Assistance to the Park District:

2.3.1 The Park District has satisfied the conditions stated in this Section 2.3 within the Satisfaction Period. If the Park District is unable to satisfy said conditions, either Party may terminate this Agreement by providing written notice to the other Party;

2.3.2 The Park District may request payment from the City by submitting a Certificate of Expenditure in the form of (Sub)Exhibit C hereto ("Certificate of Expenditure"), which may be processed and executed periodically. The City shall not execute and approve Certificates of Expenditure in the aggregate in excess of the actual costs of the Project, and in no event in an amount greater than the TIF Assistance. Prior to each execution of a Certificate of Expenditure by the City, the Park District shall submit documentation regarding the applicable expenditures to DPD. Delivery by the Park District to the City of any request for execution by the City of a Certificate of Expenditure hereunder shall, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such request for execution of a Certificate of Expenditure, that:

\*2.4.1 The total amount of the request for the Certificate of Expenditure represents the actual amount payable in connection with the Project;

2.4.2 All amounts shown as previous payments on the current request for a Certificate of Expenditure have been paid to the parties entitled to such payment;

2.4.3 The Park District has approved all work and materials for the current request for a Certificate of Expenditure, and such work and materials conform to the Plans and Specifications; and

2.4.4 The Park District is in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, all as may be in effect from time-to-time, pertaining to or affecting the Project or the Park District as related thereto.

---

\* Editor's Note: Numbering sequence per original document.

2.5 The City shall have the right, in its discretion, to require the Park District to submit further documentation as the City may require in order to verify that the matters certified to in Section 2.4 are true and correct, and any execution and approval of a Certificate of Expenditure by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by the Park District.

2.6 The current estimated cost of the entire Project is \$552,000. The Park District has delivered to the Commissioner a budget for the Project attached as (Sub)Exhibit B. The Park District certifies that it has identified sources of funds, including the TIF Assistance, sufficient to complete its budgeted portion of the Property for Project. The Park District agrees that the City will only contribute TIF Assistance to reimburse the Park District for the costs of the Project and that all costs of completing the Project over the TIF Assistance shall be the sole responsibility of the Park District. If the Park District at any point does not have sufficient funds to complete the Project, the Park District shall so notify the City immediately in writing and cease all work on the Project until the City and the Park District agree on how to proceed; the Park District may narrow the scope of the Project (the "Revised Project") as agreed to by the City prior to the restart of any work in order to complete the Revised Project with the approved funds. The City has the right, at its election, to withhold and refuse all reimbursement in the event that the Park District fails to so notify the City and/or the Park District and the City fail to reach agreement on a Revised Project as described above.

2.7 (Sub)Exhibit B contains the cost associated with the Project recognized by the City as costs eligible to be paid for out of the TIF Assistance. To the extent the TIF-Funded Improvements are included as taxing district capital costs under the Act, the Park District acknowledges that the TIF-Funded Improvements are costs for capital improvements and the City acknowledges it has determined that these TIF-Funded Improvements are necessary and directly result from the Plan. Prior to the expenditure of TIF Assistance on the Project, the Commissioner, based upon the Project budget, may make such modifications to (Sub)Exhibit B as he or she wishes in his or her discretion to account for all of the TIF Assistance to be expended under this Agreement; provided, however, that all TIF-Funded Improvements shall: (i) qualify as redevelopment project costs under the Act, (ii) qualify as eligible costs under the Plan; and (iii) be improvements that the Commissioner has agreed to pay for out of TIF Assistance, subject to the terms of this Agreement.

2.8 The Park District hereby acknowledges and agrees that the City's obligations hereunder with respect to the TIF Assistance are subject in every respect to the availability of funds as described in and limited by this Section 2. If no funds or insufficient funds are appropriated and budgeted in any fiscal period of the City for disbursements of the TIF Assistance, then the City will notify the Park District in writing of that occurrence, and the City may terminate this Agreement on the earlier of the last day of the fiscal period for which sufficient appropriation was made or whenever the funds appropriated for disbursement under this Agreement are exhausted.

2.9 If the aggregate cost of the Project is less than the amount of the TIF Assistance contemplated by this Agreement, the Park District shall have no claim to the difference between the amount of the TIF Assistance contemplated by this Agreement and the amount of the TIF Assistance actually paid by the City to the Park District and expended by the Park District for the Project.

*Section 3.*

*Term.*

The Term of this Agreement shall commence on the Closing Date and shall expire on the date on which the 47<sup>th</sup>/Halsted Redevelopment Area is no longer in effect, or on the date of termination of this Agreement according to its terms, whichever occurs first.

*Section 4.*

*Environmental Matters.*

4.1 It shall be the responsibility of the Park District, at its sole cost and expense, to: (a) investigate and determine the soil and environmental condition of the Property, including obtaining Phase I, if applicable, or Phase II environmental audits for the Property; and (b) determine if any environmental remediation is necessary with respect to the Property or the Project, and any such work that the Park District determines is required shall be performed at its sole cost and expense as the Parties understand and agree that the City's financial obligation shall be limited to an amount not to exceed the TIF Assistance which is provided solely for the items set forth on (Sub)Exhibit B. The City makes no covenant, representation, or warranty as to the environmental condition of the Property or the suitability of the Property as a park or for any use whatsoever.

*Section 5.*

*Insurance.*

5.1 If applicable, the Park District shall provide and maintain at the Park District's own expense, or cause to be provided during the term of this Agreement, the insurance coverages and requirements specified below, insuring all operations related to this Agreement:

5.1.1 Workers' Compensation And Employer's Liability. Workers' Compensation as prescribed by applicable law covering all employees who are to provide a service under this Agreement and Employer's Liability coverage with limits of not less than \$100,000 each accident or illness.

5.1.2 Commercial General Liability (Primary And Umbrella). Commercial General Liability Insurance or equivalent with limits of not less than \$1,000,000 per occurrence for bodily injury, personal injury, and property damage liability. Coverages shall include the following: all premises and operations, products/completed operations, explosion, collapse, underground, separation of insureds, defense, and contractual liability (with no limitation endorsement). The City of Chicago is to be named as an additional insured on a primary, noncontributory basis for any liability arising directly or indirectly from the work.

5.1.3 Automobile Liability (Primary And Umbrella). When any motor vehicles (owned, non-owned and hired) are used in connection with work to be performed, the Park District shall provide or cause to be provided, Automobile Liability Insurance with limits of not less than \$1,000,000 per occurrence for bodily injury and property damage.

5.1.4 Professional Liability. When any architects, engineers or professional consultants perform work in connection with this Agreement, the Park District shall cause to be provided. Professional Liability Insurance covering acts, errors, or omissions shall be maintained with limits of not less than \$ 1,000,000.

5.1.5 Self-Insurance. To the extent permitted by applicable Law, the Park District may self-insure for the insurance requirements specified above, it being expressly understood and agreed that, if the Park District does self-insure for any such insurance requirements, the Park District must bear all risk of loss for any loss which would otherwise be covered by insurance policies, and the self-insurance program must comply with at least such insurance requirements as stipulated above.

5.2 If applicable, the Park District will furnish the City at the address stated in Section 8.13, original Certificates of Insurance evidencing the required coverage to be in force on the Closing Date, and renewal Certificates of Insurance, promptly as any requisite insurance is renewed. The Park District shall submit evidence of insurance on the City's Insurance Certificate Form or equivalent prior to the Closing Date. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in this Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence shall not be deemed to be a waiver by the City.

5.3 If applicable, the Park District shall advise all insurers of the provisions of this Agreement regarding insurance. Nonconforming insurance shall not relieve the Park District of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of this Agreement, and the City retains the

right to stop work until proper evidence of insurance is provided, or this Agreement may be terminated.

5.4 If applicable, the required insurance shall provide for sixty (60) days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

5.5 Any and all deductibles or self-insured retentions on referenced insurance coverages shall be borne by the Park District and its contractors.

5.6 If applicable, the Park District agrees that insurers shall waive their rights of subrogation against the City, its employees, elected officials, agents, or representatives.

5.7 The Park District expressly understands and agrees that any coverage and limits furnished by the Park District shall in no way limit the Park District's liabilities and responsibilities specified by this Agreement or by law.

5.8 The Park District expressly understands and agrees that any insurance or self-insurance programs maintained by the City shall not contribute with insurance provided by the Park District under this Agreement.

5.9 If applicable, the required insurance shall not be limited by any limitations expressed in the indemnification language herein or any limitation placed on the indemnity therein given as a matter of law.

5.10 The City's Risk Management Department maintains the right to modify, delete, alter or change these requirements.

#### *Section 6.*

##### *Indemnity/No Personal Liability.*

6.1 The Park District agrees to indemnify and hold the City, its officers and employees, harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses, including, without limitation, reasonable attorneys' fees and court costs suffered or incurred by the City arising from or in connection with: (i) the Park District's failure to comply with any of the terms, covenants and conditions contained in this Agreement; or (ii) the Park District's failure to pay costs associated with the Project. The defense and indemnification obligations in this Section 6.1 shall survive any termination or expiration of this Agreement.

6.2 No elected or appointed official or member or employee or agent of the City or the Park District shall be individually or personally liable in connection with this Agreement.

*Section 7.*

*Default.*

7.1 If the Park District, without the City's written consent, fails to complete the Project within 36 months after the date of execution of this Agreement, then the City may terminate this Agreement by providing written notice to the Park District.

7.2 In the event the Park District fails to perform, keep or observe any of its covenants, conditions, promises, agreements or obligations under this Agreement not identified in Section 7.1 and such default is not cured as described in Section 7.3 hereof, the City may terminate this Agreement.

7.3 Prior to termination, the City shall give its notice of intent to terminate 30 days prior to termination at the address specified in Section 8.13 hereof, and shall state the nature of the default. In the event the Park District does not cure such default within the 30-day notice period, such termination shall become effective at the end of such period; provided, however, with respect to those defaults which are not capable of being cured within such 30-day period, the Park District shall not be deemed to have committed such default and no termination shall occur if the Park District has commenced to cure the alleged default within such 30-day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

7.4 The City may, in any court of competent jurisdiction, by any proceeding at law or in equity, secure the specific performance of the agreements contained herein, or may be awarded damages for failure of performance, or both.

(To Ordinance)

*Intergovernmental Agreement With  
Illinois International Port District.*

(Butler Drive Project)

This Agreement is made as of \_\_\_\_\_, 2019 (the "Closing Date"), under authority granted by Article VII, Section 10 of the 1970 Constitution of the State of Illinois, by and between the City of Chicago (the "City"), an Illinois municipal corporation, by and through its Department of Planning or any successor thereto ("DPD"); and the Illinois International Port District (the "District"), an Illinois municipal corporation. The District and the City are sometimes referred to herein as the "Parties".

*Recitals.*

A. The City is a home rule unit of government under Article VII, Section 6(a) of the 1970 Constitution of the State of Illinois and, as such, may exercise any power and perform any function pertaining to its government and affairs.

B. The District is a political subdivision, body politic and municipal corporation created by the Illinois International Port District Act (70 ILCS 1810) and, as such, has the authority to among other things acquire, construct, own, lease and develop terminals, wharf facilities, piers, docks, warehouses, and any port facility or port-related facility or service as it finds necessary and convenient within the City of Chicago.

C. The District seeks payment or reimbursement of funds it intends to expend or has expended for the purpose of rebuilding railroad components running along a portion of Butler Drive and reconstructing a portion of Butler Drive (the "Project"), on the real property legally described in (Sub)Exhibit A (the "Property") and consisting of the two phases (each, a "Phase") defined below:

"Phase 1" (Butler Drive Rail Work) shall consist of the removal and replacement of the following components along the approximately 5,876 feet length of roadway: lead turnouts; lead embedded tracks; lead ballast track; Omni Material turnouts; Omni Material ballast tracks; and the installation of asphalt.

"Phase 2" (Butler Drive Road Rebuilding) shall consist of the reconstruction of 1.1 miles of Butler Drive, between Doty Avenue to Stony Island Avenue, and the reconstruction of Stony Island, from Butler to 130<sup>th</sup> Street, in conjunction with the rail improvements to be used as a means of ingress for industrial users.

D. The District owns the Property and the Property lies wholly within the boundaries of the Redevelopment Area (as hereinafter defined).

E. The City is authorized under the provisions of the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1, et seq., as amended from time to time (the "Act"), to finance projects that eradicate blight conditions and conservation factors that could lead to blight through the use of tax increment allocation financing for redevelopment projects.

F. In accordance with the provisions of the Act, pursuant to ordinances adopted on December 13, 2000, the City Council of the City: (i) approved a redevelopment plan and project (the "Redevelopment Plan") for a portion of the City known as the "Lake Calumet Area Industrial Redevelopment Project Area" (the "Redevelopment Area"), (ii) designated the Lake Calumet Area Industrial Redevelopment Project Area as a redevelopment project area under the Act and, (iii) adopted tax increment financing for the Redevelopment Area (collectively, the "TIF Ordinances").

G. DPD wishes to make available to the District an amount not to exceed a total of \$2,449,000 for Phase 1 (the "Phase 1 TIF Assistance") and \$1,034,464 for Phase 2 (the "Phase 2 TIF Assistance" and together with the Phase 1 TIF Assistance, collectively, the "TIF Assistance") from Available Incremental Taxes (as defined below) or from any other source of funds available to and selected by the City for the purpose of funding the Project (the "TIF-Funded Improvements") in the Redevelopment Area to the extent and in the manner provided in this Agreement.

H. The Project is the type of public improvement that is contemplated by the Redevelopment Plan, and therefore the costs of the Project qualify as redevelopment project costs under the Redevelopment Plan.

I. The City and the District wish to enter into this Agreement whereby the District shall undertake the Project and the City shall reimburse the District for the TIF-Funded Improvements made pursuant to the Project.

J. On \_\_\_\_\_, 2019, the City Council adopted an ordinance published in the *Journal* for said date, (the "Authorizing Ordinance"), among other things, authorizing the execution of this Agreement.

K. On March 19, 2019, the members of the Illinois International Port District Board passed an ordinance expressing its desire to accept TIF Assistance from the City for the Project and authorizing the execution of this Agreement (the "District Ordinance").

Now, Therefore, In consideration of the mutual covenants and agreements contained herein, the above recitals which are made a contractual part of this Agreement, and other good and valuable consideration the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

### *Terms And Conditions.*

#### *Section 1.*

#### *The Project.*

1.1 With respect to the Phase 1, consistent with the Plans and Specifications, District shall (i) commence construction no later than September 1, 2019 and (ii) complete construction and conduct operations therein no later than June 1, 2020. With respect to the Phase 2, consistent with the Plans and Specifications, District shall (i) commence construction no later than April 1, 2023 and (ii) complete construction and conduct operations therein no later than April 1, 2024. The Commissioner of DPD (the "Commissioner") shall have the sole discretion to extend such deadlines.

1.2 District shall deliver to DPD the plans and specifications for the Project (the "Plans and Specifications") which shall be approved by DPD prior to the disbursement of the TIF Assistance. No material deviation from the Plans and Specifications may be made without the prior written approval of the City. The District shall comply with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, all as may be in effect from time to time, pertaining to or affecting the Project or the District as related thereto.

1.3 The District shall also provide the City with copies of all governmental licenses and permits required to construct the Project and to use, occupy and operate the Property as a multi-modal port facility from all appropriate governmental authorities, including evidence that the Property is appropriately zoned to be used, occupied, and operated as a multi-modal port facility.

1.4 The District shall cause the Project to comply with all of the requirements described in (Sub)Exhibit D, Construction Compliance; provided, that the Commissioner shall have the sole discretion to accept evidence of compliance with MBE/WBE requirements imposed by Cook County with respect to Phase 2 as satisfying the MBE/WBE requirements described in (Sub)Exhibit D.

1.5 Certificate of Completion Of Construction. Upon completion of each Phase in accordance with the terms of this Agreement and upon the District's written request, DPD shall issue to the District a Certificate of Completion (the "Certificate") in recordable form certifying that the District has fulfilled its obligation to complete the applicable Phase in accordance with the terms of this Agreement. If the District has not fulfilled its obligation to complete the applicable Phase in accordance with the terms of this Agreement, DPD will issue a written statement detailing the measures which must be taken in order to obtain the applicable Certificate.

DPD may require a single inspection by an inspecting architect hired at the District's expense to confirm the completion of the Project. DPD shall make its best efforts to respond to District's written request for the Certificate within forty-five (45) days by issuing the Certificate or a written statement detailing the ways in which the Project does not conform to this Agreement or has not been satisfactorily completed, and the measures which must be taken by District in order to obtain the Certificate. District may resubmit a written request for the Certificate upon completion of such measures.

The District acknowledges and understands that the City will not issue a Certificate for a Phase until the following conditions have been met with respect to such Phase:

- Evidence certified to and acceptable to DPD of the total actual cost of the construction of the applicable Phase ("Final Project Cost"). TIF Assistance for each Phase shall be reduced dollar-for-dollar if the Final Project Cost for such Phase is less than the Estimated Project Cost for such Phase; provided that the Commissioner shall have the sole discretion to waive this reduction with respect to Phase 2;

- Evidence that the District has incurred costs for TIF-Funded Improvements in an equal amount to, or greater than, the Phase 1 TIF Assistance or Phase 2 TIF Assistance, as applicable;
- Evidence acceptable to DPD that the District has complied with the requirements of Section 1 hereof;
- Evidence acceptable to DPD that the Project is in compliance with the Operations Covenant; and
- Evidence acceptable to DPD in the form of a closeout letter from DPD's Compliance and Monitoring division stating that the District is in complete compliance with all City Requirements (MBE/WBE, City Residency, and Prevailing Wage), as defined in (Sub)Exhibit D.

1.6 The District hereby covenants and agrees, throughout the Term of the Agreement, that (a) the District shall operate the Project as part of a multi-modal port facility (the "Operations Covenant"), and (b) the District shall not, without the prior written consent of the Commissioner, sell, transfer, convey, lease or otherwise dispose of all or substantially all of its assets or any portion of the Property or the Project. The covenants set forth in this Section shall run with the land and be binding upon any transferee.

## *Section 2.*

### *Funding.*

2.1 The City shall, subject to the District's satisfaction of the conditions precedent for disbursement described in this Section 2 and such other conditions contained in this Agreement, disburse the TIF Assistance to pay for TIF-Funded Improvements as described below:

(a) Phase 1. Upon the later of the signing of this Agreement or the execution by the District and its general contractor (the "Phase 1 GC") of a construction contract for the construction of Phase 1, the City shall place the amount of TIF Assistance for Phase 1 into the Escrow Account (as defined below).

The District may submit to DPD a Request for Reimbursement up to once per quarter, as described in this Section 2. After DPD approves a Request for Reimbursement, DPD shall direct the Escrow Agent to disburse to the Phase 1 GC an amount of TIF Assistance sufficient to pay for the TIF-Funded Improvements covered by such Request for Reimbursement, subject to the following limitations: (i) total disbursements from the Escrow Account to the Phase 1 GC shall not exceed the maximum amount of

TIF Assistance for Phase 1; (ii) a retainage of 10 percent of the TIF Assistance for Phase 1 will be held in the Escrow Account until DPD has issued a Certificate of Completion for Phase 1; and (iii) if the Final Project Cost for Phase 1 is less than the Estimated Project Cost for Phase 1, then the amount of TIF Assistance for Phase 1 shall be reduced by this amount and the remaining funds in the Escrow Account shall be returned to the City.

(b) Phase 2. Upon the execution by the District and its general contractor (the "Phase 2 GC") of a construction contract for the construction of Phase 2, the City shall place the amount of TIF Assistance for Phase 2 into the Escrow Account. The District shall provide the signed construction contract to DPD at least 90 days prior to the commencement of construction for Phase 2.

The District may submit to DPD a Request for Reimbursement up to once per month, as described in this Section 2. After DPD approves a Request for Reimbursement, DPD shall direct the Escrow Agent to disburse to the Phase 2 GC an amount of TIF Assistance sufficient to pay for the TIF-Funded Improvements covered by such Request for Reimbursement, subject to the following limitations: (i) total disbursements from the Escrow Account to the Phase 2 GC shall not exceed the maximum amount of TIF Assistance for Phase 2; (ii) if the Final Project Cost for Phase 2 is less than the Estimated Project Cost for Phase 2, then the amount of TIF Assistance for Phase 2 shall be reduced by this amount and the remaining funds in the Escrow Account shall be returned to the City; and (iii) if construction on Phase 2 has not commenced within one year after the date the City deposits the TIF Assistance for Phase 2 into the Escrow Account, then the TIF Assistance for Phase 2 shall be reduced to zero and the balance of the Escrow Account shall be returned to the City. Notwithstanding the foregoing, if Cook County signs the construction contract for the construction of Phase 2, then the Escrow Account may provide that proceeds for the Phase 2 work may be disbursed directly to Cook County.

(c) "Escrow Account" shall mean a sole order escrow account held by a title company or financial institution selected by the City (the "Escrow Agent"), the proceeds of which shall be disbursed in DPD's sole discretion directly to the Phase 1 GC, the Phase 2 GC or Cook County, as applicable.

2.2 The City shall establish a special account within Lake Calumet Area Industrial Redevelopment Project Area Special Tax Allocation Fund (the "TIF Fund"); such special account shall be known as the "Butler Drive Project Account". Disbursement of TIF Assistance funds will be subject to the availability of Available Incremental Taxes in the Butler Drive Project Account, subject to all restrictions on and obligations of the City contained in the TIF Ordinances and/or the Authorizing Ordinance, or relating to the Redevelopment Area Increment and all agreements and other documents entered into by the City pursuant thereto. "Available Incremental Taxes" means such ad valorem taxes and such retail, use and service taxes which, pursuant to the TIF Ordinances and Section 5/11-74.4-8(b) of the Act, are allocated to and when collected are paid to the Treasurer of the City of Chicago for deposit by the Treasurer into the TIF Fund established

to pay Redevelopment Project Costs and obligations incurred in the payment thereof, and which are not encumbered or pledged for the payments towards City programs and redevelopment agreements approved by the City Council of the City as of the Closing Date, which programs and agreements pledge portions of the TIF Fund.

2.3 Within 15 days after the Closing Date or such longer period of time as may be agreed to by the Commissioner, but in no event later than 90 days after the execution of this Agreement (the "Satisfaction Period"), the District must demonstrate to the reasonable satisfaction of the Commissioner that the District has satisfactory title to the Property, which may be evidenced by an acceptable title insurance policy, subject only to those title exceptions acceptable to the City and the District. If the District is unable to satisfy this condition within the Satisfaction Period, either Party may terminate this Agreement by providing written notice to the other Party.

2.4 The District may request payment from the City by submitting a Request for Reimbursement in the form of (Sub)Exhibit C hereto ("Request for Reimbursement") to be processed and executed periodically, but in no event more frequently than monthly. The City shall not execute and approve Requests for Reimbursement in the aggregate in excess of the actual costs of the applicable Phase that are TIF-Funded Improvements, and in no event in an amount greater than the TIF Assistance for the applicable Phase. Prior to each execution of a Request for Reimbursement by the City, the District shall submit documentation regarding the applicable expenditures to DPD. Delivery by the District to the City of any request for execution by the City of a Request for Reimbursement hereunder shall, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such request for execution of a Request for Reimbursement, that:

(a) the total amount of the request for the Request for Reimbursement represents the actual amount payable to (or paid to) the general contractor, subcontractors, and other parties who have performed work on or otherwise provided goods or services in connection with the Project, and/or their payees;

(b) all amounts shown as previous payments on the current request for a Request for Reimbursement have been paid to the parties entitled to such payment;

(c) the District has approved all work and materials for the current request for a Request for Reimbursement, and such work and materials conform to the Plans and Specifications; and

(d) the District is in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, all as may be in effect from time to time, pertaining to or affecting the Project or the District as related thereto.

2.5 The City shall have the right, in its discretion, to require the District to submit further documentation as the City may require in order to verify that the matters certified to in

Section 2.4 are true and correct, and any execution and approval of a Request for Reimbursement by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by the District.

2.6 The current estimated cost ("Estimated Project Cost") of (a) the entire Project is \$16,691,367, (b) Phase 1 is \$2,449,000 and (c) Phase 2 is \$14,242,367. The District has delivered to the Commissioner a budget for the Project attached as (Sub)Exhibit B. The District certifies that it has identified sources of funds, including the TIF Assistance, sufficient to complete its budgeted portion of the Project. The District agrees that the City will disburse TIF Assistance for the costs of the TIF-Funded Improvements and that all costs of completing the Project over the TIF Assistance shall be the sole responsibility of the District. If the District at any point learns upon reasonable duty of inquiry that it does not have sufficient funds to complete the Project, the District shall so notify the City immediately in writing and cease all work on the Project until the City and the District agree on how to proceed; the District may narrow the scope of the Project (the "Revised Project") as agreed to by the City prior to the restart of any work in order to complete the Revised Project with the approved funds or TIF Assistance. The City has the right, at its election, to withhold and refuse all reimbursement in the event that the District fails to so notify the City and/or the District and the City fails to reach agreement on a Revised Project as described above.

2.7 (Sub)Exhibit B contains a preliminary list of the cost of construction of public improvements and other costs, if any, recognized by the City as being eligible redevelopment project costs under the Act with respect to the Project, to be paid for out of the TIF Assistance. Prior to the expenditure of TIF Assistance funds on the Project, the Commissioner, based upon the Project budget, may make such modifications to (Sub)Exhibit B as he or she wishes in his or her discretion to account for all of the TIF Assistance funds to be expended under this Agreement; provided, however, that all TIF-Funded Improvements shall (i) qualify as redevelopment project costs under the Act, (ii) qualify as eligible costs under the Plan; and (iii) be improvements that the Commissioner has agreed to pay for out of TIF Assistance funds, subject to the terms of this Agreement.

2.8 The District hereby acknowledges and agrees that the City's obligations hereunder with respect to the TIF Assistance are subject in every respect to the availability of funds as described in and limited by this Section 2. If no funds or insufficient funds are appropriated and budgeted in any fiscal period of the City for disbursements of the TIF Assistance, then the City will notify the District in writing of that occurrence, and the City may terminate this Agreement on the earlier of the last day of the fiscal period for which sufficient appropriation was made or whenever the funds appropriated for disbursement under this Agreement are exhausted.

2.9 If the aggregate cost of the TIF-Funded Improvements is less than the amount of the TIF Assistance contemplated by this Agreement, then the amount of the TIF Assistance shall be reduced by the amount of this shortfall.

*Section 3.*

*Term.*

The Term of this Agreement shall commence on the Closing Date and shall expire on the first to occur of the tenth anniversary of the issuance of the Certificate for Phase 2 or the date this Agreement is terminated.

*Section 4.*

*Environmental Matters.*

4.1 It shall be the responsibility of the District, at its sole cost and expense (a) to investigate and determine the soil and environmental condition of the Property, including obtaining Phase I and, if applicable, Phase II environmental audits for the Property and (b) to determine if any environmental remediation is necessary with respect to the Property or the Project, and any such work that the District determines is required shall be performed at its sole cost and expense as the parties understand and agree that the City's financial obligation shall be limited to an amount not to exceed the TIF Assistance which is provided solely for the items set forth on (Sub)Exhibit B. The City makes no covenant, representation, or warranty as to the environmental condition of the Property or the suitability of the Property as a multi-modal port facility or for any use whatsoever.

4.2 The District agrees to carefully inspect the Property prior to commencement of any activity related to the Project to ensure that such activity shall not damage surrounding property, structures, utility lines or any subsurface lines or cables. The District shall be solely responsible for the safety and protection of the public. The City reserves the right to inspect the work being done on the Property. The District agrees to keep the Property free from all liens and encumbrances arising out of any work performed, materials supplied or obligations incurred by or for the District.

*Section 5.*

*Insurance.*

5.1 The District shall provide and maintain at the District's own expense, or cause to be provided during the term of this Agreement, the insurance coverages and requirements specified below, insuring all operations related to this Agreement:

5.1.1 Workers' Compensation And Employer's Liability. Workers' Compensation as prescribed by applicable law covering all employees who are to provide a service under this Agreement and Employer's Liability coverage with limits of not less than \$100,000 each accident or illness.

5.1.2 Commercial General Liability (Primary And Umbrella). Commercial General Liability Insurance or equivalent with limits of not less than \$1,000,000 per occurrence for bodily injury, personal injury, and property damage liability. Coverages shall include the following: all premises and operations, products/completed operations, explosion, collapse, underground, separation of insureds, defense, and contractual liability (with no limitation endorsement). The City of Chicago is to be named as an additional insured on a primary, noncontributory basis for any liability arising directly or indirectly from the work.

5.1.3 Automobile Liability (Primary And Umbrella). When any motor vehicles (owned, non-owned and hired) are used in connection with work to be performed, the District shall provide or cause to be provided, Automobile Liability Insurance with limits of not less than \$1,000,000 per occurrence for bodily injury and property damage.

5.1.4 Professional Liability. When any architects, engineers or professional consultants perform work in connection with this Agreement, the District shall cause to be provided, Professional Liability Insurance covering acts, errors, or omissions shall be maintained with limits of not less than \$1,000,000.

5.1.5 Self-Insurance. To the extent permitted by applicable Law, the District may self-insure for the insurance requirements specified above, it being expressly understood and agreed that, if the District does self-insure for any such insurance requirements, the District must bear all risk of loss for any loss which would otherwise be covered by insurance policies, and the self-insurance program must comply with at least such insurance requirements as stipulated above.

5.2 The District will furnish the City at the address stated in Section 8.13, original Certificates of Insurance evidencing the required coverage to be in force on the Closing Date, and renewal Certificates of Insurance, promptly as any requisite insurance is renewed. The District shall submit evidence of insurance on the City's Insurance Certificate Form or equivalent prior to the Closing Date. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in this Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence shall not be deemed to be a waiver by the City.

5.3 The District shall advise all insurers of the provisions of this Agreement regarding insurance. Nonconforming insurance shall not relieve the District of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may

constitute a violation of this Agreement, and the City retains the right to stop work until proper evidence of insurance is provided, or this Agreement may be terminated.

5.4 The required insurance shall provide for sixty (60) days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

5.5 Any and all deductibles or self-insured retentions on referenced insurance coverages shall be borne by the District and its contractors.

5.6 The District agrees that insurers shall waive their rights of subrogation against the City, its employees, elected officials, agents, or representatives.

5.7 The District expressly understands and agrees that any coverage and limits furnished by the District shall in no way limit the District's liabilities and responsibilities specified by this Agreement or by law.

5.8 The District expressly understands and agrees that any insurance or self-insurance programs maintained by the City shall not contribute with insurance provided by the District under this Agreement.

5.9 The required insurance shall not be limited by any limitations expressed in the indemnification language herein or any limitation placed on the indemnity therein given as a matter of law.

5.10 The District shall require all subcontractors to provide the insurance required herein and insurance customarily required by the District or the District may provide the coverages for subcontractors. All subcontractors shall be subject to the same insurance requirements of the District unless otherwise specified herein. In all contracts relating to the Project, the District agrees to require the contractor to name the City as an additional insured on insurance coverages and to require the contractor to indemnify the City from all claims, damages, demands, losses, suits, actions, judgments and expenses including but not limited to attorney's fees arising out of or resulting from work on the Project by the contractor or contractor's suppliers, employees, or agents.

5.11 The City's Risk Management Department maintains the right to modify, delete, alter or change these requirements.

#### *Section 6.*

#### *Indemnity/No Personal Liability.*

6.1 To the maximum extent permitted by law, the District agrees to indemnify and hold the City, its officers and employees, harmless from and against any losses, costs,

damages, liabilities, claims, suits, actions, causes of action and expenses, including, without limitation, reasonable attorney's fees and court costs suffered or incurred by the City arising from or in connection with (i) the District's failure to comply with any of the terms, covenants and conditions contained in this Agreement; or (ii) the District's or any contractor's failure to pay general contractors, subcontractors or materialmen in connection with the Project. The defense and indemnification obligations in this Section 6.1 shall survive any termination or expiration of this Agreement.

6.2 No elected or appointed official or member or employee or agent of the City or the District shall be individually or personally liable in connection with this Agreement.

### *Section 7.*

#### *Default.*

7.1 Subject to the effects of force majeure, if the District, without the City's written consent to an extension of the applicable deadline, (a) fails to complete Phase 1 within 12 months after the date of the execution of this Agreement, or (b) fails to complete Phase 2 within 36 months after the date of execution of this Agreement, then the City may terminate this Agreement by providing written notice to the District.

7.2 Subject to the effects of force majeure, in the event the District fails to perform, keep or observe any of its covenants, conditions, promises, agreements or obligations under this Agreement not identified in Section 7.1 and such default is not cured as described in Section 7.3 hereof, the City may terminate this Agreement.

7.3 Prior to termination, the City shall give its notice of intent to terminate 30 days prior to termination at the address specified in Section 8.13 hereof, and shall state the nature of the default. In the event District does not cure such default within the 30-day notice period, such termination shall become effective at the end of such period; provided, however, with respect to those defaults which are not capable of being cured within such 30-day period, the District shall not be deemed to have committed such default and no termination shall occur if the District has commenced to cure the alleged default within such 30-day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

7.4 The City may, in any court of competent jurisdiction, by any proceeding at law or in equity, secure the specific performance of the agreements, contained herein, or may be awarded damages for failure of performance, or both.

City of Chicago  
Department of Planning and Development

*(Sub)Exhibit "D".*  
(To Intergovernmental Agreement With  
Illinois International Port District)

*Construction Compliance.*

As used in this Agreement, the following terms shall have the meanings given them below:

"MBE(s)" shall mean a business identified in the Directory of Certified Minority Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a minority-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

"MBE/WBE Budget" shall mean the budget attached hereto as (Sub)Exhibit B.

*Agreements With Contractors.*

1. Bid Requirement For General Contractor And Subcontractors.

Prior to entering into an agreement with a General Contractor or any subcontractor for construction of the Project, District shall solicit, or shall cause the General Contractor to solicit, bids from qualified contractors eligible to do business with, and having an office located in, the City of Chicago, and shall submit all bids received to DPD, if requested, for its inspection and written approval. (i) For the NOF-Funded Improvements, District shall select the General Contractor (or shall cause the General Contractor to select the subcontractor) submitting the lowest responsible bid who can complete the Project in a timely manner.

2. Construction Contract.

Prior to the Closing Date, the District must provide DPD with a certified copy of the construction contract, together with any modifications, amendments or supplements thereto, and upon DPD's request, a copy of any subcontracts. Photocopies of all contracts or subcontracts entered or to be entered into in connection with the NOF-Funded Improvements shall be provided to DPD within five (5) business days of the execution thereof.

3. Performance And Payment Bonds.

Prior to the commencement of any portion of the Project which includes work on the public way, the District must require the General Contractor to be bonded for its payment by sureties having an AA rating or better using a bond in a form acceptable to the City. The City shall be named as obligee or co-obligee on any such bonds.

4. Employment Profile.

Upon DPD's request, the District, the General Contractor and all subcontractors must submit to DPD statements of their respective employment profiles. District shall contractually obligate and cause the General Contractor and each subcontractor to agree to the Construction Hiring Requirements.

*Construction Hiring Requirements.*

1. Employment Opportunity.

The District shall contractually obligate its or their various contractors, subcontractors or any Affiliate of the District operating on the Property (collectively, with the District, the "Employers" and individually an "Employer") to agree, that for the term of this Agreement with respect to District and during the period of any other party's provision of services in connection with the construction of the Project or occupation of the Property:

(a) No Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Chapter 2-160, Section 2-160-010, et seq., Municipal Code, except as otherwise provided by said ordinance and as amended from time to time (the "Human Rights Ordinance"). Each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a nondiscriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

(b) To the greatest extent feasible, each Employer is required to present opportunities for training and employment of low- and moderate-income residents of the City and preferably of the Area; and to provide that contracts for work in connection with the construction of the Project be awarded to business concerns that are located in, or owned in substantial part by persons residing in, the City and preferably in the Area.

(c) Each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the City's Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101, et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

(d) Each Employer, in order to demonstrate compliance with the terms of this paragraph, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) Each Employer shall include the foregoing provisions of subparagraphs (1) through (4) in every contract entered into in connection with the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any Affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or Affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this paragraph shall be a basis for the City to pursue its remedies under the Redevelopment Agreement.

## 2. Prevailing Wage.

The District, the General Contractor and all subcontractors must pay the prevailing wage rate as ascertained by the Illinois Department of Labor (the "Department"), to all persons working on the Project. All such contracts shall list the specified rates to be paid to all laborers, workers and mechanics for each craft or type of worker or mechanic employed pursuant to such contract. If the Department revises such prevailing wage rates, the revised rates shall apply to all such contracts. Upon the City's request, the District shall provide the City with copies of all such contracts entered into by the District or the General Contractor to evidence compliance with this Prevailing Wage.

## 3. City Resident Construction Worker Employment Requirement.

The District agrees for itself and its successors and assigns, and shall contractually obligate its General Contractor and shall cause the General Contractor to contractually obligate its subcontractors, as applicable, to agree, that during the construction of the Project they shall comply with the minimum percentage of total worker hours performed by actual residents of the City as specified in Section 2-92-330 of the Municipal Code of Chicago (at least 50 percent of the total worker hours worked by persons on the site of the Project shall be performed by actual residents of the City); provided, however, that in addition to complying with this percentage, the District, its General Contractor and each subcontractor shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

The District may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the Chief Procurement Officer of the City.

"Actual residents of the City" shall mean persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

The District, the General Contractor and each subcontractor shall provide for the maintenance of adequate employee residency records to show that actual Chicago residents are employed on the Project. Each Employer shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) shall be submitted to the Commissioner of DPD in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Employer hired the employee should be written in after the employee's name.

The District, the General Contractor and each subcontractor shall provide full access to their employment records to the Chief Procurement Officer, the Commissioner of DPD, the Superintendent of the Chicago Police Department, the Inspector General or any duly authorized representative of any of them. The District, the General Contractor and each subcontractor shall maintain all relevant personnel data and records for a period of at least three (3) years after final acceptance of the work constituting the Project.

At the direction of DPD, affidavits and other supporting documentation will be required of the District, the General Contractor and each subcontractor to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

Good faith efforts on the part of the District, the General Contractor and each subcontractor to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) shall not suffice to replace the actual, verified achievement of the requirements of this paragraph concerning the worker hours performed by actual Chicago residents.

When work at the Project is completed, in the event that the City has determined that the District has failed to ensure the fulfillment of the requirement of this paragraph concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this paragraph. Therefore, in such a case of noncompliance, it is agreed that 1/20 of 1 percent (0.0005) of the aggregate hard construction costs set forth in the Project budget (the product of .0005 x such aggregate hard construction costs) (as the same shall be evidenced by approved contract value for the actual contracts) shall be surrendered by the District to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the District, the General Contractor and/or the subcontractors to prosecution. Any retainage to cover contract performance that may become due to the District pursuant to Section 2-92-250 of the Municipal Code of Chicago may be withheld by the City pending the Chief Procurement Officer's determination as to whether the District must surrender damages as provided in this paragraph.

Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246", or other affirmative action required for equal opportunity under the provisions of this Agreement or related documents.

The District shall cause or require the provisions of this paragraph to be included in all construction contracts and subcontracts related to the Project.

#### 4. MBE/WBE Commitment.

The District agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the General Contractor to agree that, during the Project:

(a) Consistent with the findings which support the Minority-Owned and Women-Owned Business Enterprise Procurement Program (the "MBE/WBE" Program"), Section 2-92-420, et seq., Municipal Code of Chicago, and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this paragraph 4, during the course of the Project, at least the following percentages of the MBE/WBE Budget attached hereto as (Sub)Exhibit B (as these budgeted amounts may be reduced to reflect decreased actual costs) shall be expended for contract participation by MBEs or WBEs:

i. For Phase 1, at least 24 percent by MBEs; and

ii. For Phase 2, the percentage of MBE/WBE Budget shall be determined by Cook County.

(b) For purposes of MBE/WBE commitment only, the District (and any party to whom a contract is let by the District in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by the District in connection with the Project) shall be deemed a "contract" as such terms are defined in Section 2-92-420, Municipal Code of Chicago.

(c) Consistent with Section 2-92-440, Municipal Code of Chicago, the District's MBE/WBE commitment may be achieved in part by the District's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the District), or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture or (ii) the amount of any actual work performed on the Project by the MBE or WBE), by the District utilizing an MBE or a WBE as a General Contractor (but only to the extent of any actual work performed on the Project by the General Contractor), by subcontracting or causing the General Contractor to subcontract a portion of the Project to one or more

MBEs or WBEs, or by the purchase of materials used in the Project from one or more MBEs or WBEs, or by any combination of the foregoing. Those entities which constitute both an MBE and a WBE shall not be credited more than once with regard to the District's MBE/WBE commitment as described in this paragraph 4. The District or the General Contractor may meet all or part of this commitment through credits received pursuant to Section 2-92-530 of the Municipal Code of Chicago for the voluntary use of MBEs or WBEs in its activities and operations other than the Project.

(d) Prior to the City's issuance of a Final Certificate, the District shall provide to DPD a final report describing its efforts to achieve compliance with this MBE/WBE commitment. Such report shall include inter alia the name and business address of each MBE and WBE solicited by the District or the General Contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist DPD in determining the District's compliance with this MBE/WBE commitment. DPD has access to the District's books and records, including, without limitation, payroll records, books of account and tax returns, and records and books of account in accordance with the Redevelopment Agreement, on five (5) business days' notice, to allow the City to review the District's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the Project.

(e) Upon the disqualification of any MBE or WBE General Contractor or subcontractor, if such status was misrepresented by the disqualified party, the District shall be obligated to discharge or cause to be discharged the disqualified General Contractor or subcontractor and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Section 2-92-540, Municipal Code of Chicago.

(f) Any reduction or waiver of the District's MBE/WBE commitment as described in this paragraph 4 shall be undertaken in accordance with Section 2-92-450, Municipal Code of Chicago.

(g) Prior to the commencement of the Project, the District, the General Contractor and all major subcontractors shall be required to meet with the monitoring staff of DPD with regard to the District's compliance with its obligations under this Section 7.04. During this meeting, the District shall demonstrate to DPD its plan to achieve its obligations under this Section 7.04, the sufficiency of which shall be approved by DPD. During the Project, the District shall, upon the request of the monitoring staff of DPD, such interim reports as the monitoring staff may require. Failure to submit such documentation on a timely basis, or a determination by DPD, upon analysis of the documentation, that the District is not complying with its obligations hereunder shall, upon the delivery of written notice to the District, be deemed an Event of Default hereunder.

WHEREAS, The City of Chicago (the "City") is a home rule unit of government under Section 6(a), Article VII of the 1970 Constitution of the State of Illinois authorized to exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, The Cook County Board of Commissioners has enacted the Cook County Tax Incentive Ordinance, Classification System for Assessment, as amended from time to time (the "County Ordinance"), which provides for, among other things, real estate tax incentives to property owners who build, rehabilitate, enhance and occupy property which is located within Cook County, Illinois and which is used primarily for commercial purposes; and

WHEREAS, The City, consistent with the County Ordinance, wishes to induce industry to locate and expand in the City by supporting financial incentives in the form of property tax relief; and

WHEREAS, Wrk In Pgrsss LLC, doing business as Gertrude, Inc., an Illinois limited liability company ("Applicant"), owns certain real estate generally located at 1725 -- 1741 West 21<sup>st</sup> Street, Chicago, Illinois 60608, as further described on Exhibit A attached hereto (the "Project Site"), which is located within the boundaries of the Enterprise Zone Number 1 in the Lower West Side community Area ("Area"); and

WHEREAS, The Applicant proposes to rehabilitate an approximately 15,250 square foot abandoned Project Site and redevelop it into commercial office space (the "Project"); and

WHEREAS, The City's Department of Planning and Development ("DPD") has determined that the Project Site was last occupied in 2006; and

WHEREAS, The Project will increase employment opportunities, economic activity in the area and growth in the real property tax base; and

WHEREAS, The redevelopment objective of the City in connection with the Project Site is to redevelop underutilized properties, attract new businesses and retain and encourage the expansion of existing viable businesses, increase employment opportunities, increase economic activity in the area, and growth in the real property tax base; and

WHEREAS, The Applicant has filed an eligibility application for a Class 7(c) tax incentive under the County Ordinance with the Office of the Assessor of Cook County, Illinois (the "Assessor"); and

WHEREAS, It is the responsibility of the Assessor to determine that an application for a Class 7(c) classification is eligible pursuant to the County Ordinance; and

WHEREAS, The County Ordinance provides that, in connection with the filing of a Class 7(c) eligibility application with the Assessor, the applicant must obtain from the municipality in which such real estate that is proposed for Class 7(c) designation is located an ordinance or resolution expressly stating that, among other things, (a) the municipality has determined that eligibility factors of the County Ordinance are present, and (b) the municipality supports and consents to the Class 7(c) application to the Assessor; and

WHEREAS, DPD has reviewed the proposed Project and has determined that it meets the necessary eligibility requirements for Class 7(c) designation, and recommends to City Council that the City expressly determine, among other things, by ordinance that (a) the required eligibility factors are present, and (b) the City supports and consents to the Class 7(c) classification by the Assessor of the Project Site; now, therefore,

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. The above recitals are hereby expressly incorporated as if fully set forth herein.

SECTION 2. The City hereby determines that the Project meets eligibility factor (1) of the County Ordinance in that the Project Site is deemed a redevelopment priority by the City by being located in an area in need of commercial development and designated by the City as Enterprise Zone Number 1.

SECTION 3. The City hereby determines that the Project meets eligibility factor (2) under the County Ordinance in that real estate taxes for the Project Site for three of the last six years have either declined or remained stagnant due to the depressed condition of the Area.

SECTION 4. The City hereby determines that the Project meets eligibility factor (3) of the County Ordinance in that there is a reasonable expectation that the Project is viable and likely to go forward on a reasonably timely basis if granted Class 7(c) designation and will therefore result in the economic enhancement of the Area.

SECTION 5. The City hereby determines that the Project meets eligibility factor (4) of the County Ordinance in that certification of the Project for Class 7(c) designation will materially assist development, redevelopment or rehabilitation of the Area and the Project would not go forward without the full incentive offered under Class 7(c).

SECTION 6. The City hereby determines that the Project meets eligibility factor (5) of the County Ordinance in that certification of the Project for Class 7(c) designation is reasonably expected to ultimately result in an increase in real property tax revenue and employment opportunities within the Area.

SECTION 7. The City hereby expressly determines that eligibility factors (1) through (5) of the County Ordinance are present for the Project, and hereby expressly supports and consents to the Class 7(c) application of the Applicant to the Assessor for Class 7(c) designation of the Project and the Project Site.

SECTION 8. The City hereby determines that conditions exist which justify finding that the Project Site is deemed "abandoned" for the purpose of the Class 7(c) designation.

SECTION 9. The City has received and filed the Applicant's Economic Disclosure Statement, as defined in the County Ordinance.

SECTION 10. The Commissioner or Acting Commissioner of DPD (the "Commissioner"), or a designee of the Commissioner, are each hereby authorized to deliver a certified copy of this ordinance to the Assessor and to furnish such additional information as may be required in connection with the filing of the application by the Applicant with the Assessor for Class 7(c) designation of the Project.

**COMMITTEE ON HEALTH AND HUMAN RELATIONS.****CONDEMNATION OF LEGISLATIVE EFFORTS TO DIMINISH WOMEN'S  
REPRODUCTIVE RIGHTS GRANTED UNDER *ROE V. WADE*.**

[R2019-348]

The Committee on Health and Human Relations submitted the following report:

CHICAGO, July 24, 2019.

*To the President and Members of the City Council:*

Your Committee on Health and Human Relations, to which was referred a resolution by Alderman Roderick T. Sawyer, calling for condemnation of legislative efforts to diminish women's reproductive rights granted under *Roe v. Wade*, having had the same under advisement, begs leave to report and recommend that Your Honorable Body *Adopt* the proposed resolution transmitted herewith.

This recommendation was concurred in by a unanimous vote of the members of the committee, with no dissenting votes.

Respectfully submitted,

(Signed) RODERICK T. SAWYER,  
*Chairman.*

On motion of Alderman Sawyer, the said proposed resolution transmitted with the foregoing committee report was *Adopted* by yeas and nays as follows:

*Yeas* -- Aldermen La Spata, Hopkins, Dowell, King, Hairston, Sawyer, Mitchell, Harris, Beale, Sadlowski Garza, Thompson, Cárdenas, Quinn, Burke, Lopez, Coleman, Moore, Curtis, O'Shea, Taylor, Brookins, Rodriguez, Tabares, Scott, Sigcho-Lopez, Maldonado, Burnett, Ervin, Taliaferro, Waguespack, Rodriguez-Sanchez, Austin, Ramirez-Rosa, Villegas, Mitts, Nugent, Vasquez, Reilly, Smith, Tunney, Gardiner, Cappleman, Martin, Osterman, Hadden, Silverstein -- 46.

*Nays* -- Aldermen Reboyras, Cardona, Sposato, Napolitano -- 4.

Alderman Thompson moved to reconsider the foregoing vote. The motion was lost.

The following is said resolution as adopted:

WHEREAS, For almost a half century, the right of a woman to terminate a pregnancy has been guaranteed by well-settled black-letter law in the United States. The 1973 *Roe v. Wade* landmark decision by the U.S. Supreme Court struck down a Texas statute banning abortion and legalized the procedure nationally until the fetus reaches viability, usually at 24 to 28 weeks. Furthermore, the high court held that a woman's right to do so was implicit in the right to privacy protected by the 14<sup>th</sup> Amendment to the U.S. Constitution; and

WHEREAS, Forty-six years later, the facts have followed the precept laid down in the wisdom of the 42<sup>nd</sup> United States president that this procedure be "safe, legal and rare". The number of abortions performed this year have dropped well below the 1973 level, thus refuting fears that demand would skyrocket. According to Gallup, 60 percent of Americans support abortion rights in the first trimester as is consistent with the *Roe v. Wade* ruling. Notwithstanding, 10 state legislatures have seen fit to promulgate and pass legislation which their governors have signed into law, measures that would further curtail or even deny a woman's right to terminate a pregnancy altogether; and

WHEREAS, Since 2011, multiple state governments have been pursuing an aggressive agenda to broadly undermine women's reproductive rights. State legislators have passed hundreds of restrictions on abortion. These efforts have been extensive and diverse. However, this year's recent enactments of first-trimester abortion laws portend a more direct assault on *Roe v. Wade* protections. Nine states seek to prevent termination at earlier stages of gestation than now allowed by *Roe v. Wade*. Utah and, more recently, Arkansas voted to limit the procedure to the middle of the second trimester. Georgia, Kentucky, Louisiana, Missouri, Mississippi and Ohio passed so-called "heartbeat bills" that prohibit termination after six to eight weeks of pregnancy. The neighboring State of Indiana developed the most insidious legislation, banning the medical procedure used to terminate second trimester pregnancies. Alabama produced the most extreme statute, completely banning all abortions and imposing harsh measures for performing the procedure; and

WHEREAS, These legislators and governors have acted disingenuously, knowing full well the draconian statutes they have enacted are unlawful and unconstitutional. These capricious and arbitrary acts were designed solely for the purpose of rolling back or even overturning *Roe v. Wade* due to the recent five-justice conservative majority on the U.S. Supreme Court, a radical difference in make-up and philosophy from the Supreme Court of the early 1970s. After close to five decades have passed, a woman's right to control her own body need not and should not be relitigated; and

WHEREAS, It behooves the many fair-minded members of governing bodies throughout this nation to unite and speak as one voice in condemning such deplorable and unconscionable attacks on a woman's right to choose. It is incumbent upon this august body to promote and encourage action in defense of this vital principle and respect for the rights of women here and throughout this great nation; now, therefore,

*Be It Resolved*, That we, the Mayor and members of the City of Chicago City Council, gathered on this 24<sup>th</sup> day of July 2019 A.D., express our condemnation of and outrage at the promulgation and passage of such knowingly unlawful and unconstitutional legislation to repress or even end women's sexual and reproductive rights that have been adjudicated, upheld and guaranteed by the 14<sup>th</sup> Amendment for 46 years, spending time and treasure in pursuit of purely moralistic and sectarian objectives; and

*Be It Further Resolved*, That a suitable copy of this resolution be prepared and presented to Honorable Gary R. Herbert, Governor of Utah; Honorable William Asa Hutchinson II, Governor of Arkansas; Honorable Brian P. Kemp, Governor of Georgia; Honorable Matthew G. Bevin, Governor of Kentucky; Honorable John Bel Edwards, Governor of Louisiana; Honorable Michael L. Parson, Governor of Missouri; Honorable Dewy Phillip Bryant, Governor of Mississippi; Honorable Richard Michael DeWine, Governor of Ohio; Honorable Eric J. Holcomb, Governor of Indiana; and Honorable Kay Ellen Ivy, Governor of Alabama.

The goal of the Training Program is to equip interested individuals with the skills necessary to acquire and stabilize troubled properties in and around their own neighborhoods.

The Training Program will be marketed city-wide and shall be open to all interested individuals. The objective is that not fewer than 100 individuals will successfully complete the Training Program per year.

Each session of the Training Program for a group of enrolled individuals will first consist of a full five-day week of classroom training, experiential learning and educational interviews, taught by trainers, coaches, members of the judicial system and other specialists who have significant experience in legal receivership and forfeiture processes.

Successful completion of the main training qualifies the enrollee for a certificate of completion. Certificate recipients are then eligible, as the post-certificate element of the Training Program, to participate in small-group "Pod" sessions, receive small-group "Pod" coaching, gain access to a specialized database of receiver properties, and gain access to a lending consultant.

The City will retain an agency, Dearborn Real Estate Board, doing business as Dearborn Realist Board, an Illinois not-for-profit corporation ("Program Administrator"), to operate and administer the Training Program. The Program Administrator may enter into consulting or subgrant agreements as it deems appropriate to fulfill its operation and administration of the Training Program.

**Eligible Participants: No Fees Or Costs:**

Any adult person who completes the Training Program application is eligible to enroll in the Training Program. The application process shall have no fee for the applicant.

Eligibility for the Training Program is not a guarantee of a seat in a training session.

There will be no cost or fee charged to an enrollee throughout a given training session.

There will be no cost or fee charged to an enrollee for the certificate of completion that will be awarded to those who successfully complete the Training Program.

**Eligible Properties:**

The Training Program focuses on the skills necessary to acquire one- to four-unit housing properties within the City through the Circuit Court of Cook County receivership and forfeiture process, and the skills to begin rehabilitating and preserving properties pursuant to court requirements.

**Staffing:**

The Program Director, an employee of the Program Administrator, will have duties that include hiring and overseeing trainers, coaches and Pod coaches.

Trainers' duties shall include fulfilling the Training Program curriculum.

Pod Coaches' duties shall include delivering technical assistance to graduates, conducting Pod sessions and one-on-one meetings, and monitoring post-certificate projects.

The Lending Consultant's duties shall include providing technical assistance to graduates who are seeking loans to acquire and rehabilitate forfeited properties through housing court.

**Scope Of Classroom Sessions:**

Classroom sessions will be conducted throughout the year. Each Classroom session will be conducted for a period of one week.

Representatives from various City departments, the courts and community lending institutions will teach the Training Program curriculum (the "Curriculum") to participants. The Curriculum will focus on the receivership and forfeiture process and will provide participants with the opportunity to observe real or mock housing court sessions.

Upon completion of the Curriculum, participants will be able to take an exit exam in order to obtain a certificate and become a graduate.

#### Scope Of Pod Sessions And Coaching:

Graduates will be assigned to Pod groups based on their experience and skill level. Pod sessions will be conducted on a monthly basis for the life of the Training Program. A Pod Coach will be assigned to each Pod group.

Pod Coaches will provide individualized assistance to graduates belonging to their assigned Pod group. Pod Coaches are responsible for answering questions, conducting one-on-one meetings, and reviewing graduates' projects.

#### Project Database:

All graduates will have access to a project database that includes information about opportunities available through the housing courts. The project database will be maintained by the Program Administrator, or by an organization retained for such purposes.

#### Lending Consultant:

All graduates will have access to a lending consultant (the "Lending Consultant"). The Lending Consultant will provide loan preparation assistance to graduates who are not yet ready to undertake a receivership loan. The Lending Consultant will assist loan-ready graduates who are seeking to secure capital for the acquisition and rehabilitation of forfeited properties obtained through the receivership and forfeiture process.

#### Reporting:

The Program Administrator will collect and report data to the City for the Training Program quarterly, as follows:

- Outreach activities to identify and enroll students (narrative)
- Demographic and Community/Ward breakdown of students enrolled
- Student attendance collected and submitted
- Number of classes
- Number of individuals enrolled per class
- Number of individuals graduated per class
- Number of individuals receiving coaching on a quarterly basis

Quarterly reports will be due no later than the second week of the end of each calendar quarter.

## ARTICLE 3. DUTIES AND RESPONSIBILITIES OF AGENCY

**3.1 Scope of Services.** This description of Services is intended to be general in nature and is neither a complete description of your Services nor a limitation on the Services that you are to provide under this Agreement. You must provide the Services in accordance with the standards of performance set forth in Section 3.3, Standard of Performance. The Services that you must provide include, but are not limited to, those described in Exhibit B, Scope of Services and Time Limits for Performance, which is attached to this Agreement and incorporated by reference as if fully set forth herein. Exhibit B will set forth specific reporting requirements, if any.

**3.2 Deliverables.** In carrying out your Services, you must prepare or provide to the City various Deliverables. "Deliverables" include work product, such as written reviews, recommendations, reports and analyses, produced by you for the City. The City may reject Deliverables that do not include relevant information or data, or do not include all documents or other materials specified in this Agreement or reasonably necessary for the purpose for which the City made this Agreement or for which the City intends to use the Deliverables. If the City determines that you have failed to comply with the foregoing standards, the City has 30 days from the discovery to notify you of your failure. If you do not correct the failure, if it is possible to do so, within 30 days after receipt of notice from the City specifying the failure, then the City, by written notice, may treat the failure as a default of this Agreement under Section 9.1, Events of Default Defined. Partial or incomplete Deliverables may be accepted for review only when required for a specific and well-defined purpose for the benefit of the City and when consented to in advance by the City. Such Deliverables will not be considered as satisfying the requirements of this Agreement and partial or incomplete Deliverables in no way relieve you of your commitments under this Agreement.

**3.3 Standard of Performance.** You must perform all Services required of you under this Agreement with that degree of skill, care and diligence normally shown by a contractor performing services of a scope and purpose and magnitude comparable with the nature of the Services to be provided under this Agreement. You acknowledge that you are entrusted with or have access to valuable and confidential information and records of the City and with respect to that information, you agree to be held to the standard of care of a fiduciary.

You must assure that all Services that require the exercise of professional skills or judgment are accomplished by professionals qualified and competent in the applicable discipline and appropriately licensed, if required by law. You must provide copies of any such licenses. You remain responsible for the professional and technical accuracy of all Services or Deliverables furnished, whether by you or your

Subcontractors or others on your behalf. All Deliverables must be prepared in a form and content satisfactory to the Department and delivered in a timely manner consistent with the requirements of this Agreement.

If you fail to comply with the foregoing standards, you must perform again, at your own expense, all Services required to be re-performed as a direct or indirect result of that failure, unless the reason is failure to have and maintain required licensure. See subsection 8.1(A), Warranties and Representations, regarding failure to comply with licensure requirements. Any review, approval, acceptance or payment for any of the Services by the City does not relieve you of your responsibility for the professional skill and care and technical accuracy of your Services and Deliverables. This provision in no way limits the City's rights against you either under this Agreement, at law or in equity.

### **3.4 Personnel**

#### **(a) Adequate Staffing, Personnel Qualifications, Background Checks**

You must, upon receiving a fully executed copy of this Agreement, assign and maintain during the term of this Agreement and any extension of it an adequate staff of competent personnel that is fully equipped, licensed as appropriate, available as needed, qualified and assigned to perform the Services. You, if exempt from licensure under any applicable statute, must utilize personnel who are otherwise competent and qualified to perform the Services required. You must retain and make available to the City proof of certification or expertise including, but not limited to, resumes and job descriptions. The level of staffing may be revised from time to time by notice in writing from you to the City and with written consent of the City, which consent the City will not withhold unreasonably. If the City, fails to object to the revision within 14 days after receiving the notice, then the revision will be considered accepted by the City.

If you provide any Services to children you shall, at your own cost and expense, comply with all applicable Federal, State and local laws, ordinances, policies, procedures, regulations, rules, requirements and executive orders relating to background checks, fingerprinting and screening procedures as in effect from time to time (the "**Legal Requirements**"). In connection with the Services, you will not permit any adult, whether a member of your staff or otherwise, to be involved with the Services or to have direct contact with children if any applicable Legal Requirements would prohibit such adult from having such involvement or contact.

#### **(b) Salaries and Wages**

You and your Subcontractors must pay all salaries and wages due all employees performing Services under this Agreement unconditionally and at least once a month without deduction or rebate on any account, except only for those payroll deductions that are mandatory by law or are permitted under applicable law and regulations. If in the performance of this Agreement you underpay any such salaries or wages, the Comptroller for the City may withhold, out of payments due to you, an amount sufficient to pay to employees underpaid the difference between the salaries or wages required to be paid under this Agreement and the salaries or wages actually paid these employees for the total number of hours worked. The amounts withheld may be disbursed by the Comptroller for and on account of you to the respective employees to whom they are due. The parties acknowledge that this Section 3.4(b) is solely for the benefit of the City and that it does not grant any third party beneficiary rights.

### **3.5 Minority and Women's Business Enterprises Commitment**

(a) If your Scope of Services (Work Program) is solely limited to social service (including, but not limited to, job training and placement, education, child day care, emergency shelter, home-delivery meals and health care), you need not comply with the Minority-Owned and Women-Owned Business Enterprise Procurement Program (the "**MBE/WBE Ordinance**"), Municipal Code Section 2-92-420 et seq. or with Section 2-92-586 (Contracts-Firms Owned or Operated by Individuals with Disabilities) of the Municipal Code

(b) If, however, your Scope of Services (Work Program) includes construction, renovation, rehabilitation or facility enhancement, you must comply with the MBE/WBE Ordinance and with Section 2-92-586 of the Municipal Code, except to the extent waived by the Chief Procurement Officer.

**3.6 Insurance.** You must provide and maintain at your own expense during the term of this Agreement and any time period following expiration if you are required to return and perform any of the Services or Additional Services under this Agreement, the insurance coverages and requirements specified in Exhibit E of this Agreement, insuring all operations related to this Agreement. You must submit Certificates of Insurance of the required coverages prior to this Agreement being fully executed to GPAD\_DA\_Insurance@cityofchicago.org or to such other email address and/or website location specified by the City.

**3.7 Indemnification**

(a) You must defend, indemnify, keep and hold harmless the City, its officers, representatives, elected and appointed officials, agents and employees from and against any and all Losses, including those related to:

- (i) injury, death or damage of or to any person or property;
- (ii) any infringement or violation of any property right (including any patent, trademark or copyright);
- (iii) your failure to pay or perform or cause to be paid or performed your covenants and obligations as and when required under this Agreement or otherwise, including your failure to pay or perform your obligations to any Subcontractor, employee, agent or vendor;
- (iv) the City's exercise of its rights and remedies under Section 9.2, Remedies, and
- (v) injuries to or death of any employee of yours or any Subcontractor under any workers compensation statute.

(b) **"Losses"** means, individually and collectively, liabilities of every kind, including losses, damages and reasonable costs, payments and expenses (such as, but not limited to, court costs and reasonable attorneys' fees and disbursements), claims, demands, actions, suits, proceedings, judgments or settlements, any or all of which in any way arise out of or relate to your breach of this Agreement or to your negligent or otherwise wrongful acts or omissions or those of your officers, agents, employees, consultants, Subcontractors or licensees.

(c) At the City Corporation Counsel's option, you must defend all suits brought upon all such Losses and must pay all costs and expenses incidental to them, but the City has the right, at its option, to participate, at its own cost, in the defense of any suit, without relieving you of any of your obligations under this Agreement. Any settlement must be made only with the prior written consent of the City Corporation Counsel, if the settlement requires any action on the part of the City.

(d) To the extent permissible by law, you waive any limits to the amount of your obligations to indemnify, defend or contribute to any sums due under any Losses, including any claim by any employee of yours that may be subject to the Workers Compensation Act, 820 ILCS 305/1 *et seq.* or any other related law or judicial decision (such as, *Kotecki v. Cyclops Welding Corporation*, 146 Ill. 2d 155 (1991)). The City, however, does not waive any limitations it may have on its liability under the Illinois Workers Compensation Act, the Illinois Pension Code, any other statute or judicial decision

(e) The indemnities in this section survive expiration or termination of this Agreement for matters occurring or arising during the term of this Agreement or as the result of or during your performance of Services beyond the term. You acknowledge that the requirements set forth in this section to indemnify,

keep and save harmless and defend the City are apart from and not limited by your duties under this Agreement, including the insurance requirements in Exhibit E of this Agreement.

**3.8 Ownership of Documents.** All Deliverables, data, findings or information in any form prepared, assembled or encountered by or provided to you under this Agreement are property of the City, including, as further described in Section 3.9, Copyright Ownership, all copyrights inherent in them or their preparation. During performance of your Services, you are responsible for any loss or damage to the Deliverables, data, findings or information while in your or any Subcontractor's possession. Any such lost or damaged Deliverables, data, findings or information must be restored at your expense. If not restorable, you must bear the cost of replacement and of any loss suffered by the City on account of the destruction, as provided in Section 3.7, Indemnification.

**3.9 Copyright Ownership.** You and the City intend that, to the extent permitted by law, the Deliverables to be produced by you at the City's instance and expense under this Agreement are conclusively deemed "**works made for hire**" within the meaning and purview of Section 101 of the United States Copyright Act, 17 U.S.C. §101 *et seq.*, and that the City will be the sole copyright owner of the Deliverables and of all aspects, elements and components of them in which copyright can subsist, and of all rights to apply for copyright registration or prosecute any claim of infringement.

To the extent that any Deliverable does not qualify as a "work made for hire," you hereby irrevocably grant, convey, bargain, sell, assign, transfer and deliver to the City, its successors and assigns, all right, title and interest in and to the copyrights and all U.S. and foreign copyright registrations, copyright applications and copyright renewals for them, and other intangible, intellectual property embodied in or pertaining to the Deliverables prepared for the City under this Agreement, and all goodwill relating to them, free and clear of any liens, claims or other encumbrances, to the fullest extent permitted by law. You will, and will cause all of your Subcontractors, employees, agents and other persons within your control to, execute all documents and perform all acts that the City may reasonably request in order to assist the City in perfecting its rights in and to the copyrights relating to the Deliverables, at the sole expense of the City. You warrant to the City, its successors and assigns, that on the date of transfer you are the lawful owner of good and marketable title in and to the copyrights for the Deliverables and have the legal rights to fully assign them. You further warrant that you have not assigned and will not assign any copyrights and that you have not granted and will not grant any licenses, exclusive or nonexclusive, to any other party, and that you are not a party to any other agreements or subject to any other restrictions with respect to the Deliverables. You warrant that the Deliverables are complete, entire and comprehensive, and that the Deliverables constitute a work of original authorship.

### **3.10 Records, FOIA, Locals Records Act Compliance and Audits**

#### **(a) Records**

(i) You must deliver or cause to be delivered to the City all documents, including all Deliverables prepared for the City under the terms of this Agreement, to the City promptly in accordance with the time limits prescribed in this Agreement, and if no time limit is specified, then upon reasonable demand for them or upon termination or completion of the Services under this Agreement. If you fail to make such delivery upon demand, then you must pay to the City any damages the City may sustain by reason of your failure.

(ii) You must maintain any such records including Deliverables not delivered to the City or demanded by the City for a period of 5 years after the final payment made in connection with this Agreement and, if later, (a) until any related litigation, claim or audit started during such 5-year period is finally resolved and (b) 4 years after disposing of any real property and Personal Property bought with funds under this Agreement. You must not dispose of such documents following the expiration of this period without notification of and written approval from the City in accordance with Article 11, Notices.

(iii) You must maintain and make available to the City such information necessary to assist the City in its compliance with all applicable laws including dates and reports regarding your activities. You

must maintain all documents pertaining to this Agreement including all financial, statistical, property and participant information documentation.

(A) The City has the authority to make physical inspections of the premises used by you in the performance of your Services under this Agreement and to require such physical safeguards to safeguard the property and/or equipment authorized by this Agreement including requiring locks, alarms, safes, fire extinguishers and sprinkler systems.

(B) Further, the City has the authority to be present at any and all meetings held by you, including staff meetings, board of directors meetings, advisory committee meetings and advisory board meetings, if an item relating to this Agreement is to be discussed.

(iv) You must maintain and provide to the City the following information and documents within the time periods indicated: (A) prior to this Agreement being fully executed, a copy of the executed lease for any real property used by you in connection with the Services, an affidavit stating whether the landlord is a Related Party (as defined below), and with respect to any insurance, utility or other costs not based on your actual use, documentation satisfactory to the City in its sole discretion supporting the allocation of these costs to you; (B) within six months after the end of your fiscal year, annual financial statements that include a statement of your financial position and statement of activities, and a trial balance; (C) within 30 days after the transaction occurs, a report of any transaction between you and any Related Party. For purposes of this Section 3.10(a)(iv), "Related Party" means any of your board members, officers or employees, and any relative of any of your board members, officers or employees.

(v) You acknowledge that the City is subject to the Illinois Freedom of Information Act, 5 ILCS 140/1 et. seq., as amended ("FOIA"). FOIA requires the City to produce records (as defined in FOIA) in response to a FOIA request in a short period of time, unless the records requested are exempt under FOIA. If the City asks you to produce records within the scope of FOIA, then you covenant to comply with such request within 48 hours of the date of such request. Your failure to timely comply with such request will be a breach of this Agreement. Documents that you submit to the City under this Section or otherwise during the term of the Agreement that contain trade secrets and commercial or financial information may be exempt if disclosure would result in competitive harm. However, for documents that you submit to be treated as a trade secret or information that would cause competitive harm, FOIA requires that you mark any such documents as "proprietary, privileged or confidential." If you mark a document as "proprietary, privileged and confidential", then the City will evaluate whether such document may be withheld under FOIA. The City, in its discretion, will determine whether a document will be exempted from disclosure, and that determination is subject to review by the Illinois Attorney General's Office and/or the courts.

(vi) You acknowledge that the City is subject to the Local Records Act, 50 ILCS 205/1 et. seq., as amended (the "Local Records Act"). The Local Records Act provides that public records may only be disposed of as provided in the Local Records Act. If requested by the City, you covenant to use your best efforts consistently applied to assist the City in its compliance with the Local Records Act concerning records arising under or in connection with this Agreement and the Services contemplated in the Agreement.

(b) **Audits**

(i) You and any of your Subcontractors must furnish the Department with all information that may be requested pertaining to the performance and cost of the Services. You must maintain records showing actual time devoted and costs incurred. You must keep books, documents, paper, records and accounts in connection with the Services open to audit, inspection, copying, abstracting and transcription and must make these records available to the City and any other interested governmental agency, at reasonable times during the performance of your Services.

(ii) To the extent that you conduct any business operations separate and apart from the Services required under this Agreement using, for example, personnel, equipment, supplies or facilities also used in connection with this Agreement, then you must maintain and make similarly available to the

City detailed records supporting your allocation to this Agreement of the costs and expenses attributable to any such shared usages.

(iii) You must maintain your books, records, documents and other evidence and adopt accounting procedures and practices sufficient to reflect properly all costs of whatever nature claimed to have been incurred and anticipated to be incurred for or in connection with the performance of this Agreement. This system of accounting must be in accordance with generally accepted accounting principles and practices, consistently applied throughout.

(iv) No provision in this Agreement granting the City a right of access to records and documents is intended to impair, limit or affect any right of access to such records and documents which the City would have had in the absence of such provisions.

(v) The City may in its sole discretion audit your records or those of your Subcontractors, or both, at any time during the term of this Agreement or within five years after the Agreement ends, in connection with the goods, work, or Services provided under this Agreement. Each calendar year or partial calendar year is considered an "audited period." If, as a result of such an audit, it is determined that you or any of your Subcontractors has overcharged the City in the audited period, the City will notify you. You must then promptly reimburse the City for any amounts the City has paid you due to the overcharges and also some or all of the cost of the audit, as follows:

(A) If the audit has revealed overcharges to the City representing less than 5% of the total value, based on the Agreement prices, of the goods, work, or Services provided in the audited period, then you must reimburse the City for 50% of the cost of the audit and 50% of the cost of each subsequent audit that the City conducts;

(B) If, however, the audit has revealed overcharges to the City representing 5% or more of the total value, based on the Agreement prices, of the goods, work, or Services provided in the audited period, then you must reimburse the City for the full cost of the audit and of each subsequent audit.

If the City is unable to make a determination regarding overcharges to the City as a result of your not having maintained records as required under this Agreement, you must promptly reimburse the City for some or all of the cost of the audit, as determined in the sole discretion of the City. Your failure to reimburse the City in accordance with this Section 3.10 is an event of default under Section 9.1, Events of Default Defined, and you will be liable for all of the City's costs of collection, including any court costs and attorneys' fees.

### **3.11 Confidentiality**

(a) All Deliverables and reports, data, findings or information in any form prepared, assembled or encountered by or provided by you under this Agreement are property of the City and are confidential, except as specifically authorized in this Agreement or as may be required by law. You must not allow the Deliverables to be made available to any other individual or organization without the prior written consent of the City. Further, all documents and other information provided to you by the City are confidential and must not be made available to any other individual or organization without the prior written consent of the City. You must implement such measures as may be necessary to ensure that your staff and your Subcontractors are bound by the confidentiality provisions in this Agreement.

(b) You must not issue any publicity news releases or grant press interviews, and except as may be required by law during or after the performance of this Agreement, disseminate any information regarding your Services or the project to which the Services pertain without the prior written consent of the Commissioner.

(c) If you are presented with a request for documents by any administrative agency or with a subpoena duces tecum regarding any records, data or documents which may be in your possession by reason of this Agreement, you must immediately give notice to the Commissioner and the Corporation

Counsel for the City with the understanding that the City will have the opportunity to contest such process by any means available to it before the records, data or documents are submitted to a court or other third party. You, however, are not obligated to withhold the delivery beyond the time ordered by the court or administrative agency, unless the subpoena or request is quashed or the time to produce is otherwise extended.

(d) To the extent not defined herein, the capitalized terms below and in Exhibit F will have the same meaning as set forth in the Health Insurance Portability and Accountability Act, the Health Information Technology for Economic and Clinical Health Act, and their implementing regulations ("HIPAA"). See 45 CFR parts 160, 162 and 164. You and all your Subcontractors must comply with HIPAA and all rules and regulations applicable to you or them. You must also comply with the Illinois AIDS Confidentiality Act (410 ILCS 305/1 through 16), the Illinois Mental Health and Developmental Disabilities Confidentiality Act (740 ILCS 110/1 through 17) and all other Illinois state statutes concerning the confidentiality, preservation, Use, and Disclosure of Protected Health Information and the rules and regulations promulgated under those state statutes. If you fail to comply with the applicable provisions under HIPAA and the Illinois state statutes, rules and regulations concerning the confidentiality, preservation, Use, and Disclosure of Protected Health Information, such failure will constitute an event of default under the Business Associate Agreement contained in Exhibit F for which no opportunity for cure will be provided. Additionally, if you are a Business Associate you must comply with all requirements of HIPAA applicable to Business Associates including the provisions contained in Exhibit F. You shall maintain for a minimum of six (6) years all Protected Health Information.

**3.12 Assignments and Subcontracts.** You must not assign, delegate or otherwise transfer all or any part of your rights or obligations under this Agreement or any part of it, unless otherwise provided for in this Agreement or without the express written consent of the City. The absence of such a provision or written consent voids the attempted assignment, delegation or transfer and is of no effect as to the Services or this Agreement. No approvals given by the City operate to relieve you of any of your obligations or liabilities under this Agreement.

All subcontracts and all approvals of Subcontractors are, regardless of their form, considered conditioned upon performance by the Subcontractor in accordance with the terms and conditions of this Agreement. If any Subcontractor fails to observe or perform the terms and conditions of this Agreement to the satisfaction of the Department, the City has the absolute right upon written notification to immediately rescind approval and to require the performance of this Agreement by you personally or through any other City-approved Subcontractor. Any approval for the use of Subcontractors in the performance of the Services under this Agreement under no circumstances operates to relieve you of any of your obligations or liabilities under this Agreement.

You, upon entering into any agreement with a Subcontractor, must furnish upon request of the Department a copy of its agreement. All subcontracts must contain provisions that require the Services be performed in strict accordance with the requirements of this Agreement, provide that the Subcontractors are subject to all the terms of this Agreement and are subject to the approval of the Department and the City. If the agreements do not prejudice any of the City's rights under this Agreement, such agreements may contain different provisions than are provided in this Agreement with respect to extensions of schedule, time of completion, payments, guarantees and matters not affecting the quality of the Services.

You must not transfer or assign any funds or claims due or to become due under this Agreement without the prior written approval of the City. The attempted transfer or assignment of any funds, either in whole or in part, or any interest in them, which are due or to become due to you under this Agreement, without such prior written approval, has no effect upon the City.

Under Municipal Code Section 2-92-245, the Chief Procurement Officer may make direct payments to Subcontractors for Services performed under this Agreement. Any such payment has the same effect as if the City had paid you that amount directly. Such payment by the City to your Subcontractor under no circumstances operates to relieve you of any of your obligations or liabilities under this Agreement. This section is solely for the benefit of the City and does not grant any third party beneficiary rights.

The City reserves the right to assign or otherwise transfer all or any part of its interests under this Agreement to any successor.

#### ARTICLE 4. TERM OF PERFORMANCE

##### 4.1 Timeliness of Performance

(a) You must provide the Services and Deliverables within the term and within the time limits required under this Agreement, pursuant to Exhibit B. Further, you acknowledge that **TIME IS OF THE ESSENCE** and that your failure to comply with the time limits described in this Section 4.1 may result in economic or other losses to the City.

(b) Neither you nor your agents, employees or Subcontractors are entitled to any damages from the City, nor is any party entitled to be reimbursed by the City, for damages, charges or other losses or expenses incurred by you by reason of delays or hindrances in the performance of the Services, whether or not caused by the City.

**4.2 Agreement Extension Option.** The City may at any time before this Agreement expires elect to extend this Agreement for up to one additional period, not to exceed one year, under the same terms and conditions as this original Agreement, except as provided otherwise in this Agreement, by notice in writing to you. You acknowledge that this Agreement does not create any expectation of renewal or extension.

#### ARTICLE 5. COMPENSATION

**5.1 Basis of Payment.** You will be compensated for Services performed and costs incurred and paid directly by you pursuant to the Budget, which is attached to this Agreement as Exhibit A and incorporated by reference as if fully set forth herein. Requests for budget revisions which do not affect the Maximum Compensation or Committed Compensation must be submitted for review and approval to the Department no later than two calendar months before the end of the Term of the Agreement. For example, if the Term of the Agreement expires December 31, then requests for budget revisions, if any, must be submitted no later than the preceding October 31. If the Department approves and signs the request for budget revision, the Department will forward the request to the City Comptroller for final review, approval and processing.

**5.2 Method of Payment.** You are receiving a lump sum disbursement of the Compensation pursuant to the Budget attached hereto as Exhibit A.

**5.3 Non-Appropriation.** Funding for this Agreement is subject to the availability of funds and their appropriation by the City Council of the City. No payments will be made or due to you under this Agreement beyond those amounts appropriated and budgeted by the City to fund payments under this Agreement. The City's obligations hereunder shall cease immediately, without penalty or further payment being required, if the City Council of the City fails to make an appropriation sufficient to fund this Agreement.

If no funds or insufficient funds are appropriated and budgeted in any fiscal period for payments to be made under this Agreement, the City will notify you in writing of such occurrence. The City, at its sole discretion, shall determine whether amounts appropriated are sufficient to continue its obligations under this Agreement. This Agreement will terminate on the earlier of the last day of the fiscal period for which sufficient appropriation was made or whenever the funds appropriated for payment under this Agreement are exhausted. Termination of this Agreement or reduction of compensation resulting from non-appropriation or insufficient appropriation shall be in accordance with Section 13.3, Reduction of Compensation. Any grant is void by operation of law if the City fails to obtain the requisite appropriation to pay the grant in any year in which this Agreement is in effect.

The City reserves the right to salvage any funds not expended by you by the end of the term of this Agreement.

**ARTICLE 6. DISPUTES**

Except as otherwise provided in this Agreement, you must and the City may bring any dispute arising under this Agreement which is not resolved by the parties to the Chief Procurement Officer for decision based upon the written submissions of the parties. (A copy of the "Regulations of the Department of Procurement Services for Resolution of Disputes between Contractors and the City of Chicago" is available in City Hall, 121 N. LaSalle Street, Room 301, Bid and Bond Room, Chicago, Illinois 60602.) The Chief Procurement Officer will issue a written decision and send it to you by mail. The decision of the Chief Procurement Officer is final and binding. The sole and exclusive remedy to challenge the decision of the Chief Procurement Officer is judicial review by means of a common law writ of certiorari.

**ARTICLE 7. COMPLIANCE WITH ALL LAWS****7.1 Compliance with All Laws Generally**

(a) You must observe and comply with all applicable laws, ordinances, rules, executive orders and regulations of the federal, state, local and city government, which may in any manner affect the performance of this Agreement, all of which will be deemed to be included in this Agreement the same as though written herein in full. You are responsible for ensuring compliance with all applicable laws, rules and regulations, including but not limited to those specifically referenced herein, and for paying when due all Governmental Charges and obtaining all required licenses, certificates and other authorizations. Except where expressly required by applicable laws and regulations, the City shall not be responsible for monitoring your compliance. Notwithstanding anything in this Agreement to the contrary, references to a statute or law are considered to be a reference to (i) the statute or law as it may be amended from time to time; (ii) all regulations and rules pertaining to or promulgated pursuant to the statute or law; and (iii) all future statutes, laws, regulations, rules and executive orders pertaining to the same or similar subject matter.

(b) You will use the City's online submission process to provide the City with a correctly completed Economic Disclosure Statement and Affidavit ("EDS"), which is incorporated by reference, and further will provide any other affidavits or certifications as may be required by federal, state or local law in the award of public contracts, all of which affidavits and certifications are incorporated by reference. You will cause your Subcontractors or, if a partnership or joint venture, all members of the partnership or joint venture, to submit all required affidavits to the City. Notwithstanding acceptance by the City of the EDS, failure of the EDS to include all information required under the Municipal Code renders this Agreement voidable at the option of the City. You and any other parties required by this Section 7.1 to complete an EDS must promptly update their EDS(s) on file with the City whenever any information or response provided in the EDS(s) is no longer complete and accurate, including changes in ownership, and changes in disclosures and information pertaining to ineligibility to do business with the City under Chapter 1-23 of the Municipal Code, as such is required under Sec. 2-154-020, and failure to promptly provide the updated EDS(s) to the City will constitute an event of default under this Agreement.

You certify, as further evidenced in the EDS, by your acceptance of this Agreement that neither you nor your principals is presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from participation in this transaction by any federal department or agency. You further agree by executing this Agreement that you will include this clause without modification in all lower tier transactions, solicitations, proposals, contracts and subcontracts. If you or any lower tier participant is unable to certify to this statement, you must attach an explanation to the Agreement.

(c) You have the right before any delinquency occurs to contest or object in good faith to the amount or validity of any Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted in such manner as shall stay the collection of the contested Governmental Charge and prevent the imposition of a lien or the sale or forfeiture of any program facility. No such contest or objection shall be deemed or construed in any way as relieving, modifying or extending your covenants to pay any such Governmental Charge at the time and in the manner provided in this Agreement unless you have given prior written notice to the City of your intent to contest or object to a Governmental Charge and,

unless, at the City's sole option, (i) you shall demonstrate to the City's satisfaction that legal proceedings instituted by you contesting or objecting to a Governmental Charge shall conclusively operate to prevent or remove a lien against, or the sale or forfeiture of, all or any part of the program facility to satisfy such Governmental Charge prior to final determination of such proceedings; and/or (ii) you shall furnish a good and sufficient bond or other security satisfactory to the City in such form and amounts as the City shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the program facility during the pendency of such contest, adequate to pay fully any such contested Governmental Charge and all interest and penalties upon the adverse determination of such contest. "Governmental Charge" shall mean all Federal, State, county, City, or other governmental (or any instrumentality, division, agency, body, or department thereof) taxes, levies, assessments, charges, liens, claims or encumbrances relating to you, your operations, the program facility or the Services. If you are delinquent in filing and/or paying any Governmental Charges and/or related returns, the City in its sole discretion may continue to reimburse you for Services provided under this Agreement only if you (i) have entered into an installment payment agreement with the applicable authority, (ii) have delivered to the City a copy of such fully-signed installment payment agreement and (iii) remain in good standing therewith. You may not use funds you receive under this Agreement to discharge outstanding Governmental Charges.

(d) To the best of your knowledge and belief, you, your principals and key project personnel: (a) are not presently declared ineligible or voluntarily excluded from contracting with any Federal or State department or agency; (b) have not within a three-year period preceding this Agreement been convicted of any felony; been convicted of a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State, or local) transaction or contract under a public transaction; had a civil judgment rendered against them for commission of fraud; been found in violation of Federal or State antitrust statutes; or been convicted of embezzlement, theft, larceny, forgery, bribery, falsification or destruction of records, making false statement, or receiving stolen property; and (c) are not presently indicted for or otherwise criminally or civilly charged by a government entity (Federal, State or local) with commission of any of the offenses enumerated in subparagraph (b) of this certification. Any request for an exception to the provisions of this paragraph must be made in writing, listing the name of the individual, home address, type of conviction and date of conviction.

**7.2 Nondiscrimination.** In performing the Services under this Agreement, you must comply with applicable laws and regulations prohibiting discrimination against individuals and groups.

(a) **Federal Requirements.** In performing the Services under this Agreement and in your employment practices you must not engage in unlawful employment practices, such as: (i) failing or refusing to hire or discharging any individual, or otherwise discriminating against any individual with respect to his or her compensation, or the terms, conditions, or privileges of his or her employment, because of such individual's race, color, religion, sex, age, handicap/disability or national origin; or (ii) limiting, segregating, or classifying your employees or applicants for employment in any way that would deprive or tend to deprive any individual of employment opportunities or otherwise adversely affect the individual's status as an employee, because of that individual's race, color, religion, sex, age, handicap/disability or national origin.

You must comply with, and the procedures you utilize and the Services you provide under this Agreement must comply with, the Civil Rights Act of 1964, 42 U.S.C. § 2000 et seq., as amended and the Civil Rights Act of 1991, P.L. 102-166; Fair Housing Act, 42 U.S.C. § 3601-3619; Executive Order No. 11246, as amended by Executive Order No. 11375 and by Executive Order No. 12086; Executive Order 13160 (2000), the Age Discrimination Act of 1975, 42 U.S.C. §§ 6101-6106; Age Discrimination in Employment Act, 29 U.S.C. §§ 621-34; Title IX of the Education Amendments of 1972, as amended (20 U.S.C. 1681-83 and 1685-86); the Rehabilitation Act of 1973, 29 U.S.C. §§ 793-794; the Americans with Disabilities Act, 42 U.S.C. § 12101 et seq., 41 CFR part 60 et seq. (1990); Personal Responsibility and Work Opportunity Reconciliation Act of 1996 (PL 104-193); and all other applicable federal statutes, regulations and other laws.

(b) **State Requirements.** In performing the Services under this Agreement, you must comply with the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq., the Public Works Employment Discrimination Act, 775 ILCS 10/0.01 et seq. and any rules and regulations promulgated thereunder, including, but not limited to, the Equal Employment Opportunity Clause, 44 Ill. Admin. Code § 750 Appendix A, and all other applicable state statutes, regulations and other laws.

(c) **City Requirements.** In performing the Services under this Agreement, you must comply with the Chicago Human Rights Ordinance, Municipal Code § 2-160-010, and all other applicable City ordinances and rules. Further, you must furnish, and cause every Subcontractor to furnish, such reports and information as may be requested from time to time by the Chicago Commission on Human Relations.

(d) **Subcontractors Required to Comply.** You will incorporate all of the provisions set forth in this Section in all subcontracts entered into with all suppliers of materials, furnishers of services, Subcontractors of any tier, and labor organizations which furnish skilled, unskilled and craft union skilled labor, or which may provide any materials, labor or services in connection with this Agreement.

You must cause your Subcontractors to execute such certificates as may be necessary in furtherance of these provisions. Such certifications will be attached and incorporated by reference in the applicable subcontracts. If any Subcontractor is a partnership or joint venture, you will also include provisions in your subcontract insuring that the entities comprising such partnership or joint venture will be jointly and severally liable for the partnership's or joint venture's obligations under the subcontract.

**7.3 Inspector General.** It is your duty and the duty of any bidder, proposer, contractor, subcontractor, and every applicant for certification of eligibility for a City contract or program, and all of your officers, directors, agents, partners, and employees and any such bidder, proposer, contractor, subcontractor or such applicant, to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code. You represent that you understand and will abide by all provisions of Chapter 2-56 of the Municipal Code and that you will inform subcontractors of this provision and require their compliance.

**7.4 Business Relationships with Elected Officials.** Pursuant to Section 2-156-030(b) of the Municipal Code, it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected official has a business relationship, or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a business relationship. **Violation of Section 2-156-030(b) by any elected official with respect to this Agreement is grounds for termination of this Agreement.** The term business relationship is defined as set forth in Section 2-156-080 of the Municipal Code.

Section 2-156-080 defines a "business relationship" as any contractual or other private business dealing of an official, or his or her spouse or domestic partner, or of any entity in which an official or his or her spouse or domestic partner has a financial interest, with a person or entity which entitles an official to compensation or payment in the amount of \$2,500 or more in a calendar year; provided, however, a financial interest shall not include: (i) any ownership through purchase at fair market value or inheritance of less than one percent of the share of a corporation, or any corporate subsidiary, parent or affiliate thereof, regardless of the value of or dividends on such shares, if such shares are registered on a securities exchange pursuant to the Securities Exchange Act of 1934, as amended; (ii) the authorized compensation paid to an official or employee for his office or employment; (iii) any economic benefit provided equally to all residents of the City; (iv) a time or demand deposit in a financial institution; or (v) an endowment or insurance policy or annuity contract purchased from an insurance company. A "contractual or other private business dealing" shall not include any employment relationship of an official's spouse or domestic partner with an entity when such spouse or domestic partner has no discretion concerning or input relating to the relationship between that entity and the City

### 7.5 Chicago "Living Wage" Ordinance

(a) **Not-for-Profit Corporations:** If you are a corporation having federal tax-exempt status under Section 501(c)(3) of the Internal Revenue Code and are recognized under Illinois not-for-profit law, then the provisions of Sections (b) through (f) below do not apply.

(b) Section 2-92-610 of the Municipal Code provides for a living wage for certain categories of workers employed in the performance of City contracts, specifically non-City employed security guards, parking attendants, day laborers, home and health care workers, cashiers, elevator operators, custodial workers and clerical workers ("**Covered Employees**").

(c) Accordingly, except to the extent Executive Order 2014-1, the Chicago Minimum Wage Ordinance (chapter 1-24 of the Municipal Code), the Prevailing Wage Act (820 ILCS 130), or other applicable law requires a higher wage pursuant to Section 2-92-610 and regulations promulgated under it:

- i. If you have 25 or more full-time employees, and
- ii. If at any time during the performance of this Agreement, you and/or any Subcontractor or any other entity that provides any portion of the Services (collectively "**Performing Parties**") use 25 or more full-time security guards, or any number of other full-time Covered Employees, then
- iii. You must pay your Covered Employees, and must assure that all other Performing Parties pay their Covered Employees, not less than the minimum hourly rate as determined in accordance with this provision (the "**Base Wage**") for all Services performed under this Agreement.

(d) Your obligation to pay, and to assure payment of, the Base Wage will begin at any time during the time for performance of this Agreement when the conditions set forth in C.i. and C.ii. above are met, and will continue until the end of the time for performance of this Agreement.

(e) As of July 1, 2018, the Base Wage became \$12.55 per hour, and each July 1 thereafter, the Base Wage will be adjusted, using the most recent federal poverty guidelines for a family of four as published annually by the U.S. Department of Health and Human Services, to constitute the following: the poverty guidelines for a family of four divided by 2000 hours or the current base wage, whichever is higher. At all times during the time for performance of this Agreement, you and all other Performing Parties must pay the Base Wage (as adjusted in accordance with the above). If the payment of prevailing wages is required for Services done under this Agreement, and the prevailing wages for Covered Employees are higher than the Base Wage, then you and all other Performing Parties must pay the prevailing wage rates.

(f) You must include provisions in all subcontracts requiring your Subcontractors to pay the Base Wage to Covered Employees. You must provide the City with documentation acceptable to the Chief Procurement Officer demonstrating that all Covered Employees, whether employed by you or by a Subcontractor, have been paid the Base Wage, upon the City's request for such documentation. The City may independently audit you and/or your Subcontractors to verify compliance with this section. Failure to comply with the requirements of this section will be an event of default under this Agreement, and further, failure to comply may result in ineligibility for any award of a City contract or subcontract for up to 3 years.

**7.6 Compliance with Environmental and Safety Laws.** You shall be subject to, obey and adhere to any and all federal, state and local laws, statutes, ordinances, codes, rules, regulations and executive orders relating to public health and safety and the environment as are now or may be in effect during the term of this Agreement which may be applicable to you, including but not limited to the following Sections of the Municipal Code: Section 7-28-390, 7-28-440, 11-4-1410, 11-4-1420, 11-4-1450, 11-4-1500, 11-4-1530, 11-4-1550, or 11-4-1560, whether or not in the performance of this Agreement.

**7.7 Deemed Inclusion.** Provisions required by law, ordinances, rules, regulations, or executive orders to be inserted in this Agreement are deemed inserted in this Agreement whether or not

they appear in this Agreement or, upon application by either party, this Agreement will be amended to make the insertion; however, in no event will the failure to insert the provisions before or after this Agreement is signed prevent its enforcement.

#### ARTICLE 8. SPECIAL CONDITIONS

(l) you are current as to the filing and payment of any Governmental Charges (as defined in Section 7.1(c), *Compliance with all Laws Generally*, and/or related returns and you are not delinquent in your payment of Governmental Charges.

## 8.2 Ethics

(a) In addition to the foregoing warranties and representations, you warrant:

- (i) no officer, agent or employee of the City is employed by you or has a financial interest directly or indirectly in this Agreement or the compensation to be paid under this Agreement except as may be permitted in writing by the Board of Ethics established under the Municipal Code (Chapter 2-156).

(b) You further acknowledge that any Agreement entered into, negotiated or performed in violation of any of the provisions of Chapter 2-156 is voidable as to the City.

**8.3 Joint and Several Liability.** If you, or your successors or assigns, if any, are comprised of more than one individual or other legal entity (or a combination of them), then under this Agreement, each and without limitation every obligation or undertaking in this Agreement to be fulfilled or performed by you is the joint and several obligation or undertaking of each such individual or other legal entity.

**8.4 Business Documents.** At the request of the City, you must provide copies of your latest articles of incorporation, by-laws and resolutions, or partnership or joint venture agreement, as applicable.

## 8.5 Conflicts of Interest

(a) No member of the governing body of the City or other unit of government and no other officer, employee or agent of the City or other unit of government who exercises any functions or responsibilities in connection with the Services to which this Agreement pertains is permitted to have any personal interest, direct or indirect, in this Agreement. No member of or delegate to the Congress of the United States or the Illinois General Assembly and no alderman of the City or City employee is allowed to be admitted to any share or part of this Agreement or to any financial benefit to arise from it.

(b) You covenant that you, and to the best of your knowledge, your Subcontractors if any (collectively, "**Consulting Parties**"), presently have no direct or indirect interest and will not acquire any interest, direct or indirect, in any project or contract that would conflict in any manner or degree with the performance of your Services under this Agreement.

(c) Upon the request of the City, you must disclose to the City your past client list and the names of any clients with whom you have an ongoing relationship. You are not permitted to perform any Services for the City on applications or other documents submitted to the City by any of your past or present clients. If you become aware of a conflict, you must immediately stop work on the assignment causing the conflict and notify the City.

(d) Without limiting the foregoing, if the Consulting Parties assist the City in determining the advisability or feasibility of a project or in recommending, researching, preparing, drafting or issuing a request for proposals or bid specifications for a project, the Consulting Parties must not participate, directly or indirectly, as a prime, Subcontractor or joint venturer in that project or in the preparation of a proposal or bid for that project during the term of this Agreement or afterwards. The Consulting Parties may, however, assist the City in reviewing the proposals or bids for the project if none of the Consulting Parties have a relationship with the persons or entities that submitted the proposals or bids for that project.

(e) You further covenant that, in the performance of this Agreement, no person having any conflicting interest will be assigned to perform any Services or have access to any confidential information, as described in Section 3.11, Confidentiality. Reg. 52,309 ff. (1989), as amended. If federal funds are to be used, you must execute a Certification Regarding Lobbying, which is part of the EDS and incorporated by reference as if fully set forth here.

(g) You shall establish safeguards to prohibit officers, directors, agents, employees and family members from using positions of employment for a purpose that is, or gives the appearance of, being motivated by a desire for a private gain for themselves or others, particularly those with whom they have family business or other ties. Safeguards, evidenced by rules or bylaws, shall be established to prohibit persons from engaging in actions, which create or which appear to create a conflict of interest as described herein.

**8.6 Non-Liability of Public Officials:** You and any of your assignees or Subcontractors must not charge any official, employee or agent of the City personally with any liability or expenses of defense or hold any official, employee or agent of the City personally liable to them under any term or provision of this Agreement or because of the City's execution, attempted execution or any breach of this Agreement.

**8.7 Technical Assistance.** You must attend technical assistance session(s) sponsored by the City during the term of this Agreement.

**8.8 Counterparts.** This Agreement may be executed in one or more counterparts, each of which when so executed shall be deemed to be an original, but all of which when taken together shall constitute one and the same instrument. This Agreement may be delivered by the exchange of signed signature pages, by facsimile transmission, by e-mail with a pdf copy or other replicating image attached, or by uploading to the City's web-based contracting portal if you are a registered user of such portal, and any printed or copied version of any signature page so delivered shall have the same force and effect as an originally signed version of such signature page

## **ARTICLE 9. EVENTS OF DEFAULT, REMEDIES, TERMINATION, SUSPENSION AND RIGHT TO OFFSET**

**9.1 Events of Default Defined.** In addition to any others mentioned elsewhere in this Agreement, the following constitute events of default.

- A. Any material misrepresentation, whether negligent or willful and whether in the inducement or in the performance, made by you to the City.
- B. Any material failure by you to perform any of your obligations under this Agreement including, but not limited to, the following:

- i. Failure to perform the Services with sufficient personnel and equipment or with sufficient material to ensure the performance of the Services;
  - ii. Failure to have and maintain all professional licenses required by law to perform the Services;
  - iii. Failure to timely perform the Services;
  - iv. Failure to perform the Services in a manner satisfactory to the City, or inability to perform the Services satisfactorily as a result of insolvency, filing for bankruptcy or assignment for the benefit of creditors;
  - v. Failure to promptly re-perform within a reasonable time Services that were rejected as erroneous or unsatisfactory;
  - vi. Discontinuance of the Services for reasons or circumstances within your reasonable control;
  - vii. Failure to comply with any other material term or condition of this Agreement including, but not limited to, the provisions concerning insurance, compensation, reporting, monitoring, licensing and nondiscrimination;
  - viii. Failure promptly to update EDS(s) furnished in connection with this Agreement when the information or responses contained in it or them is no longer complete or accurate, including changes in ownership, and to provide the updated EDS(s) to the City as provided under Section 7.1(b), *Compliance with all Laws Generally*, and
  - ix. Any other acts specifically stated in this Agreement as constituting an act or event of default.
- C. Your default under any other agreement you may presently have or may enter into with the City during the Term. You consent that in the event of a default under this Agreement, the City may also declare a default under any other agreements with the City.
  - D. Your failure to comply with Section 7, *Compliance with all Laws*, in the performance of the Agreement.
  - E. Your violations of City ordinance(s) unrelated to performance under the Agreement that in the opinion of the Commissioner indicate a willful or reckless disregard for City ordinances and regulations.
  - F. Any action or failure to act by you that causes the City to be in violation of any agreements it has with Federal or State departments or agencies.
  - G. Any change in ownership or control of you without the prior written approval of the Commissioner (when such prior approval is permissible by law), which approval the Commissioner will not unreasonably withhold.
  - H. Your failure, or the failure by any party that is a Controlling Person (defined in Section 1-23-010 of the Municipal Code) with respect to you, to maintain eligibility to do business with the City in violation of Section 1-23-030 of the Municipal Code; such failure shall render this Agreement voidable or subject to termination, at the option of the Chief Procurement Officer. You agree that your failure to maintain eligibility (or failure by any Controlling Person with respect to you to maintain eligibility) to do business with the City in violation of Section 1-23-030 of the Municipal Code shall constitute an event of default.

**9.2 Remedies** The occurrence of any event of default permits the City, at the City's sole option, to declare you in default. The City may in its sole discretion give you an opportunity to cure the default within a certain period of time, which period of time must not exceed 30 days unless extended by the City. Whether to declare you in default is within the sole discretion of the City and neither that decision nor the factual basis for it is subject to review or challenge under the Disputes provision of this Agreement.

The Commissioner will give you written notice of the default, either in the form of a cure notice ("Cure Notice"), or, if no opportunity to cure will be granted, a default notice ("Default Notice"). If the

Commissioner gives a Default Notice, he will also indicate any present intent the City may have to terminate this Agreement, and the decision to terminate is final and effective upon giving the notice. If the City decides not to terminate, this decision will not preclude the City from later deciding to terminate the Agreement in a later notice, which will be final and effective upon the giving of the notice or on the date set forth in the notice, whichever is later. The Commissioner may give a Default Notice if, within the cure period given in a Cure Notice, in the sole opinion of the City, you fail to effect a cure or fail to commence and continue diligent efforts to cure the event of default. When a Default Notice with intent to terminate is given as provided in this Section 9.2 and Article 11, Notices, you must discontinue any Services, unless otherwise directed in the notice, and deliver all materials accumulated in the performance of this Agreement, whether completed or in the process, to the City.

After giving a Default Notice, the City may invoke any or all of the following remedies:

- (a) The right to take over and complete the Services, or any part of them, at your expense and as agent for you, either directly or through others, and bill you for the cost of the Services, and you must pay the difference between the total amount of this bill and the amount the City would have paid you under the terms and conditions of this Agreement for the Services that were assumed by the City as agent for you under this Section 9.2;
- (b) The right to terminate this Agreement as to any or all of the Services yet to be performed effective at a time specified by the City;
- (c) The right of specific performance, an injunction or any other appropriate legal or equitable remedy;
- (d) The right to money damages;
- (e) The right to withhold all or any part of your compensation under this Agreement;
- (f) The right to deem you non-responsible in future contracts to be awarded by the City; and
- (g) The right to declare default on any other contract or agreement you may have with the City.

If the City considers it to be in the City's best interests, the City may elect not to declare default or to terminate this Agreement. The parties acknowledge that this provision is solely for the benefit of the City and that if the City permits you to continue to provide the Services despite one or more events of default, you are in no way relieved of any of your responsibilities, duties or obligations under this Agreement, nor does the City waive or relinquish any of its rights.

The remedies under the terms of this Agreement are not intended to be exclusive of any other remedies provided, but each and every such remedy is cumulative and is in addition to any other remedies, existing now or later, at law, in equity or by statute. No delay or omission to exercise any right or power accruing upon any event of default impairs any such right or power, nor is it a waiver of any event of default nor acquiescence in it, and every such right and power may be exercised from time to time and as often as the City considers expedient.

**9.3 Early Termination.** In addition to termination under Section 9.1, Events of Default Defined, and Section 9.2, Remedies, the City may terminate this Agreement, or all or any portion of the Services to be performed under it, at any time by a notice in writing from the City to you. The City will give notice to you in accordance with the provisions of Article 11, Notices. The effective date of termination will be the date the notice is received by you or the date stated in the notice, whichever is later. If the City elects to terminate this Agreement in full, all Services to be provided under it must cease and all materials that may have been accumulated in performing this Agreement, whether completed or in the process, must be delivered to the City effective 10 days after the date the notice is considered received as provided under Article 11 (if no date is given) or upon the effective date stated in the notice.

After the notice is received, you must restrict your activities, and those of your Subcontractors, to winding down any reports, analyses, or other activities previously begun. No costs incurred after the effective date of the termination are allowed. Payment for any Services actually and satisfactorily performed before the effective date of the termination is on the same basis as set forth in Article 5, Compensation, but if any compensation is described or provided for on the basis of a period longer than 10 days, then the compensation must be prorated accordingly. No amount of compensation, however, is permitted for anticipated profits on unperformed Services. The City and you must attempt to agree on the amount of compensation to be paid to you, but if not agreed on, the dispute must be settled in accordance with Article 6, Disputes. The payment so made to you is in full settlement for all Services satisfactorily performed under this Agreement.

You must include in your contracts with Subcontractors an early termination provision in form and substance equivalent to this early termination provision to prevent claims against the City arising from termination of subcontracts after the early termination. You will not be entitled to make any early termination claims against the City resulting from any Subcontractor's claims against you or the City to the extent inconsistent with this provision.

If the City's election to terminate this Agreement for default under Sections 9.1 and 9.2 is determined in a court of competent jurisdiction to have been wrongful, then in that case the termination is to be considered to be an early termination under this Section 9.3.

**9.4 Suspension.** The City may, at any time, request that you suspend the Services, or any part of them, (a) by giving 15 calendar days prior written notice to you, (b) upon no notice in the event of emergency, or (c) upon no notice if the City determines that immediate suspension is necessary because of a serious risk of: (i) substantial injury to property or loss of project funds; or (ii) violation of a Federal, State, or local criminal statute; or (iii) if staff or participants' health and safety are at risk. No costs incurred after the effective date of such suspension are allowed. You must promptly resume your performance of the Services under the same terms and conditions as stated in this Agreement upon written notice by the Commissioner and such equitable extension of time as may be mutually agreed upon by the City and you when necessary for continuation or completion of Services. Any additional costs or expenses you actually incur as a result of recommencing the Services must be treated in accordance with the compensation provisions under Article 5, Compensation.

No suspension will, in the aggregate, exceed a period of 45 calendar days within any one contract year unless the City has declared a summary suspension and the conditions creating the summary suspension have not been corrected. If the total number of days of suspension exceeds 45 days, you by written notice to the City may treat the suspension as an early termination of this Agreement by the City under Section 9.3, Early Termination.

#### **9.5 Right to Offset**

(a) In connection with performance under this Agreement, the City may offset any incremental costs and other damages the City incurs in any or all of the following circumstances:

- (i) if the City terminates this Agreement for default or any other reason resulting from your performance or non-performance;
- (ii) if the City exercises any of its remedies under Section 9.2, Remedies; or
- (iii) if the City has any credits due or has made any overpayments under this Agreement.

The City may offset these incremental costs and other damages by use of any payment due for Services completed before the City terminated this Agreement or before the City exercised any remedies. If the amount offset is insufficient to cover those incremental costs and other damages, you are liable for and

must promptly remit to the City the balance upon written demand for it. This right to offset is in addition to and not a limitation of any other remedies available to the City.

(b) As provided under Section 2-92-380 of the Municipal Code and in addition to any other rights and remedies (including any of set-off) available to the City under this Agreement or permitted at law or in equity, the City is entitled to set off a portion of the price or compensation due under this Agreement in an amount equal to the amount of the fines and penalties for each outstanding parking violation complaint and/or the amount of any debt owed by you to the City, as those terms are defined in Section 2-92-380.

(c) In connection with any liquidated or unliquidated claims against you, without breaching this Agreement, the City may set off a portion of the price or compensation due under this Agreement in an amount equal to the amount of any liquidated or unliquidated claims that the City has against you unrelated to this Agreement. When the City's claims against you are finally adjudicated in a court of competent jurisdiction or otherwise resolved, the City will reimburse you to the extent of the amount the City has offset against this Agreement inconsistently with such determination or resolution.

## ARTICLE 10. GENERAL CONDITIONS

### 10.1 Entire Agreement

(a) **General.** This Agreement, and the exhibits attached to it and incorporated in it, constitute the entire agreement between the parties and no other terms, conditions, warranties, inducements, considerations, promises or interpretations are implied or impressed upon this Agreement that are not addressed in this Agreement.

(b) **No Collateral Agreements.** You acknowledge that, except only for those representations, statements or promises contained in this Agreement and any exhibits attached to it and incorporated by reference in it, no representation, statement or promise, oral or in writing, of any kind whatsoever, by the City, its officials, agents or employees, has induced you to enter into this Agreement or has been relied upon by you, including any with reference to: (i) the meaning, correctness, suitability or completeness of any provisions or requirements of this Agreement; (ii) the nature of the Services to be performed; (iii) the nature, quantity, quality or volume of any materials, equipment, labor and other facilities needed for the performance of this Agreement; (iv) the general conditions which may in any way affect this Agreement or its performance; (v) the compensation provisions of this Agreement; or (vi) any other matters, whether similar to or different from those referred to in (i) through (vi) immediately above, affecting or having any connection with this Agreement, its negotiation, any discussions of its performance or those employed or connected or concerned with it.

(c) **No Omissions.** You acknowledge that you were given ample opportunity and time and were requested by the City to review thoroughly all documents forming this Agreement before signing this Agreement in order that you might request inclusion in this Agreement of any statement, representation, promise or provision that you desired or on which you wished to place reliance. You did so review those documents, and either every such statement, representation, promise or provision has been included in this Agreement or else, if omitted, you relinquish the benefit of any such omitted statement, representation, promise or provision and are willing to perform this Agreement in its entirety without claiming reliance on it or making any other claim on account of its omission.

**10.2 Counterparts.** This Agreement is comprised of several identical counterparts, each to be fully signed by the parties and each to be considered an original having identical legal effect

### 10.3 Amendments.

(a) This Agreement is subject to such modifications as the City determines may be required by changes in Federal, State or local law or regulations applicable to this Agreement, including without limitation as described in Section 11(b), Notices. Any such required modification shall be incorporated into and become part of this Agreement as if fully set forth herein

(b) Except as provided in Section 9.3, Early Termination, or in Section 10.3(a), Amendments, no changes, amendments, modifications or discharge of this Agreement, or any part of it are valid unless in writing and signed by you and the City, or their respective successors and assigns. The City incurs no liability for Additional Services without a written amendment to this Agreement under this Section 10.3.

(c) Whenever in this Agreement you are required to obtain prior written approval, the effect of any approval that may be granted pursuant to your request is prospective only from the later of the date approval was requested or the date on which the action for which the approval was sought is to begin. In no event is approval permitted to apply retroactively to a date before the approval was requested.

**10.4 Governing Law and Jurisdiction.** This Agreement is governed as to performance and interpretation in accordance with the laws of the State of Illinois. You irrevocably submit yourself to the original jurisdiction of those courts located within the County of Cook, State of Illinois, with regard to any controversy arising out of, relating to, or in any way concerning the execution or performance of this Agreement. Service of process on you may be made, at the option of the City, either by registered or certified mail addressed to the applicable office as provided for in this Agreement, by registered or certified mail addressed to the office actually maintained by you, or by personal delivery on any officer, director, or managing or general agent of you. If any action is brought by you against the City concerning this Agreement, the action must be brought only in those courts located within the County of Cook, State of Illinois.

**10.5 Severability.** If any provision of this Agreement is held or deemed to be or is in fact invalid, illegal, inoperative or unenforceable as applied in any particular case in any jurisdiction or in all cases because it conflicts with any other provision or provisions of this Agreement or of any constitution, statute, ordinance, rule of law or public policy, or for any other reason, those circumstances do not have the effect of rendering the provision in question invalid, illegal, inoperative or unenforceable in any other case or circumstances, or of rendering any other provision or provisions in this Agreement invalid, illegal, inoperative or unenforceable to any extent whatsoever. The invalidity, illegality, inoperativeness or unenforceability of any one or more phrases, sentences, clauses or sections in this Agreement does not affect the remaining portions of this Agreement or any part of it.

**10.6 Assigns.** All of the terms and conditions of this Agreement are binding upon and inure to the benefit of the parties and their respective legal representatives, successors and assigns.

**10.7 Cooperation.** You must at all times cooperate fully with the City and act in the City's best interests. You agree to take such actions, including the execution and delivery of such documents, instruments, petitions and certifications as the City in its sole discretion deems necessary or appropriate to carry out the terms, provisions and intent of this Agreement. By way of example and without limitation, within 15 calendar days after the request of the City, you shall execute and deliver, and you shall not revoke, any tax information authorization or similar form authorizing the City to inspect and/or receive your confidential information from any applicable tax authority. If this Agreement is terminated for any reason, or if it is to expire on its own terms, you must make every effort to assure an orderly transition to another provider of the Services, if any, orderly demobilization of your own operations in connection with the Services, uninterrupted provision of Services during any transition period and must otherwise comply with the reasonable requests and requirements of the Department in connection with the termination or expiration.

**10.8 Waiver** Nothing in this Agreement authorizes the waiver of a requirement or condition contrary to law or ordinance or that would result in or promote the violation of any federal, state or local law or ordinance. Whenever under this Agreement the City by a proper authority waives your performance in any respect or waives a requirement or condition to either the City's or your performance, the waiver so granted, whether express or implied, only applies to the particular instance and is not a waiver forever or for subsequent instances of the performance, requirement or condition. No such waiver is a modification

of this Agreement regardless of the number of times the City may have waived the performance, requirement or condition. Such waivers must be provided to you in writing.

#### **10.9 Independent Contractor.**

(a) This Agreement is not intended to and will not constitute, create, give rise to, or otherwise recognize a joint venture, partnership, corporation or other formal business association or organization of any kind between you and the City. The rights and the obligations of the parties are only those set forth in this Agreement. You must perform under this Agreement as an independent contractor and not as a representative, employee, agent, or partner of the City.

This Agreement is between the City and an independent contractor and, if you are an individual, nothing provided for under this Agreement constitutes or implies an employer-employee relationship such that:

(i) The City will not be liable under or by reason of this Agreement for the payment of any compensation award or damages in connection with you performing the Services required under this Agreement.

(ii) You are not entitled to membership in the City of Chicago Pension Fund, Group Medical Insurance Program, Group Dental Program, Group Vision Care, Group Life Insurance Program, Deferred Income Program, vacation, sick leave, extended sick leave, or any other benefits ordinarily provided to individuals employed and paid through the regular payrolls of the City.

(iii) The City is not required to deduct or withhold any taxes, FICA or other deductions from any compensation provided to you.

(b) The City is subject to the June 24, 2011 "City of Chicago Hiring Plan" (the "2011 City Hiring Plan") entered in *Shakman v. Democratic Organization of Cook County*, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the 2011 City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(c) You are aware that City policy prohibits City employees from directing any individual to apply for a position with you, either as an employee or as a subcontractor, and from directing you to hire an individual as an employee or as a subcontractor. Accordingly, you must follow your own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by you under this Agreement are employees or subcontractors of you, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by you.

(d) You will not condition, base, or knowingly prejudice or affect any term or aspect of the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(e) In the event of any communication to you by a City employee or City official in violation of paragraph (c) above, or advocating a violation of paragraph (d) above, you will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("IGO Hiring Oversight"), and also to the head of the Department. You will also cooperate with any inquiries by IGO Hiring Oversight related to this Agreement

**10.10 No City Obligation to Third Parties.** This Agreement is made for the sole benefit of the City and you and the respective successors and assigns of the City and you and no other party shall have any legal interest of any kind hereunder or by reason of this Agreement. Whether or not the City elects to employ any or all of the rights, powers or remedies available to it hereunder, the City shall have no obligation or liability of any kind to any third party by reason of this Agreement or any of the City's actions or omissions pursuant hereto or otherwise in connection herewith.

**10.11 Notice of Change in Circumstances.** If you, your parent or related corporate entity, becomes a party to any litigation, investigation or transaction that may reasonably be considered to have a material impact on your ability to perform under this Agreement, you must immediately notify the City in writing. You must also notify the Department regarding incidents that significantly impact the health and safety of clients or incidents that could result in the interruption of service. You must follow procedures provided by the Department for reporting incidents.

You certify that you are not currently operating under or subject to any cease and desist order, or subject to any informal or formal regulatory action, and, to the best of your knowledge, that you are not currently the subject of any investigation by any state or federal regulatory, law enforcement or legal authority. Should you become the subject of an investigation by any state or federal regulatory, law enforcement or legal authority, you shall promptly notify the City of any such investigation. You acknowledge that should you later be subject to a cease and desist order or Memorandum of Understanding, or found in violation pursuant to any regulatory action or any court action or proceeding before any administrative agency, that the City is authorized to declare you in default of this Agreement and suspend or terminate this Agreement.

**Notices and communications delivered by mail are deemed received 3 business days after mailing in accordance with this Article 11. Communications delivered personally are deemed effective upon receipt. Those sent via overnight courier are deemed effective on the next business day. Refusal of delivery has the same effect as delivery.**

(b) From time to time the City may notify you of information including, without limitation, the email address and/or website location to which you must submit certificates of insurance. The City may deliver such notices to you to the business email address listed on the cover page to this Agreement, or such other email address of which you have notified the Department under Article 18, *Internet Access and Email Address*. Such notices shall be deemed received upon transmission by the City and the information in such notices shall be incorporated into and become part of this Agreement as if fully set forth herein.

(c) You must notify the City of any significant change in your organizational structure. Significant changes include, but are not limited to, changes in:

- i. the official(s) to whom notice regarding the Agreement is provided and their mailing address;

- iii. your key staff and/or your program sites, including executive director, site director, fiscal director; name, ownership, Federal employer identification number (FEIN), DUNS number or taxpayer certification; legal status (including not-for-profit status); and site address or agency official address or telephone numbers.

Such communication must be directed within 10 calendar days of such occurrence (or, in the case of changes in legal status (including not-for-profit status), address, DUNS number, name, ownership, FEIN or taxpayer certification, 45 days in advance), to the Department's Mailing Address noted on the cover page of this Agreement.

No promise or undertaking made in this Agreement is an assurance that the City agrees to continue this Agreement should you reorganize, change owners, or otherwise substantially change the character of your corporate or other business structure.

#### ARTICLE 12. AUTHORITY

Your execution of this Agreement is authorized by a resolution of your Board of Directors, if a corporation, or similar governing document, and the signature(s) of each person signing on your behalf have been made with complete and full authority to commit you to all terms and conditions of this Agreement, including each and every representation, certification and warranty contained in it, including the representations, certifications and warranties collectively incorporated by reference in it.

#### ARTICLE 13. ADDITIONAL COMPENSATION PROVISIONS

**13.1 Non-Expendable Personal Property.** You must receive written authorization from the City prior to purchasing tangible personal property having a useful life of more than one year with an acquisition cost of \$5,000 or more per unit ("**Personal Property**"), or as otherwise determined by the Department. All Personal Property will be the property of the City. You must maintain a current inventory listing of Personal Property and must deliver a copy of the listing to the City annually. You must receive written authorization from the City before using funds under this Agreement to improve or purchase real property. When this Agreement expires or is terminated, you must return to the City (a) the balance of any funds received under this Agreement and any accounts receivable attributable to those funds and (b) all Personal Property. However, upon receipt of the final inventory of all Personal Property, the City may elect to allow Personal Property to remain in your possession if the City, in its sole discretion, determines that the Personal Property is necessary for the performance of any new or other services by you for the City.

**13.2 Allowable Costs.** All allowable costs, although approved by the City's Comptroller's Office, are not considered final and may be disallowed upon the completion of audits performed by the City. Allowable costs are the costs set forth in the Budget. In the event of such disallowance, you must refund the amount disallowed to the City.

**13.3 Reduction of Compensation.** If, after this Agreement is signed, anticipated local and/or state funding is reduced for any reason, or the City determines in its sole discretion that your performance is not satisfactory, then the City reserves the right upon written notice to you to reduce or modify the Maximum Compensation, the Committed Compensation, the time for performance and/or the number of unfilled participant slots. If local and/or state appropriations are reduced to such an extent that, in the sole discretion of the City, no funds will be available to compensate you under this Agreement, then the City will provide you notice of such occurrence. The notice will constitute notice of early termination in accordance with this Agreement.

If the Maximum Compensation and/or Committed Compensation is reduced, you will have 30 calendar days from the date of the written notice to submit a revised work program, budget or any other necessary document ("**Revised Submittals**") to the City reflecting the reduction in Maximum Compensation and/or Committed Compensation, as applicable, and accordingly modifying the Services to be performed. The City will have the discretion to modify the Revised Submittals as it may deem appropriate in order to realize the goals of this Agreement. The Revised Submittals will be reviewed by the Department. After (a) final approval and signature by the Department of the Revised Submittals and (b)

final review and approval by the City Comptroller of the revised budget included in the Revised Submittals, the Revised Submittals will become a part of this Agreement superseding the relevant previous documents. If you fail to comply with the written notice or submit Revised Submittals which are not accepted by the City, you must perform this Agreement as originally executed for the reduced Maximum Compensation or, if less, the reduced Committed Compensation.

#### ARTICLE 14. RELIGIOUS ACTIVITIES

(a) You warrant that you will not engage in any inherently religious activities, such as worship, religious instruction, or proselytization, as part of or while carrying out the funded programs or Services.

(b) You warrant that if you do engage in inherently religious activities, such as worship, religious instruction, or proselytization,

- i. such activities will always be conducted separately, in time or location, from the funded programs or Services; and
- ii. any participation in such activities on the part of beneficiaries of the funded programs or Services must be wholly voluntary.

(c) You warrant that you will not discriminate against a beneficiary or prospective beneficiary of the funded programs or Services on the basis of religion, religious belief, or participation or nonparticipation in any inherently religious activities.

(d) If the Agreement involves any grant of funds for the acquisition, construction, or rehabilitation of structures, you warrant:

- i. The room or space that the grant funds will be used to acquire, construct or rehabilitate is not your primary place of worship; and
- ii. Grant funds will be used only for those portions of the acquisition, construction, or rehabilitation of the structures that are attributable to eligible activities; and
- iii. If in the future the structure is used for inherently religious activities or otherwise ceases being used for eligible activities, you will adhere to the rules on real property use and disposition and government reimbursement found in the applicable laws and regulations.

(e) With respect to a child receiving Services, for purposes of this section, "beneficiary" shall include such child and, in addition, his or her parents, guardians, other responsible adults and family members.

You must not attribute any statement to the City without the City's prior written approval. Further, all reports, maps and other documents completed as part of this Agreement, other than documents exclusively for internal use within the City, must contain the following information in a conspicuous place near the front of the report, map or document: name of City, month and year of preparation, and name of the project or portion of the project.

#### ARTICLE 16. COMPLIANCE WITH ACCESSIBILITY LAWS

Rehabilitation Act of 1973, 29 U.S.C. §§ 793-94. In the event that the above cited standards are inconsistent, you must comply with the standard providing greater accessibility.

**ARTICLE 17. PROHIBITION ON CERTAIN CONTRIBUTIONS - MAYORAL EXECUTIVE ORDER No. 2011-4**

If Business Associate determines that returning or destroying the PHI is infeasible, Business Associate shall extend the protections of this Business Associate Agreement to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business Associate maintains such PHI. If it is infeasible for Business Associate to obtain, from a subcontractor or agent any PHI in the possession of the subcontractor or agent, Business Associate shall require the subcontractors and agents to agree to extend any and all protections, limitations and restrictions contained in this Business Associate Agreement to the subcontractors' and/or agents' use and/or disclosure of any PHI retained after the termination of this Business Associate Agreement, and to limit any further uses and/or disclosures to the purposes that make the return or destruction of the PHI infeasible.

In the event of a breach of the terms of these contractual obligations, the cure and remedies of the Agreement shall govern. HIPAA's privacy rule (45 CFR § 164.504(e)(2)) requires that the Business Associate will authorize termination of this Business Associate Agreement by the City, if the City determines that the Business Associate has violated a material term of these contractual obligations.

16. **Compliance With Obligations.** To the extent the Business Associate is to carry out one or more of City's obligation(s) under Subpart E of 45 CFR Part 164, the Business Associate must comply with the requirements of Subpart E that apply to the City in the performance of such obligation(s). (e) the occurrence of an event of default under the Lender Financing, which default is not cured within any applicable cure period.

19.3 Cure. If the Developer defaults in the performance of its obligations under this Agreement, the Developer shall have thirty (30) days after written notice of default from the City to cure the default, or such longer period as shall be reasonably necessary to cure such default provided the Developer promptly commences such cure and thereafter diligently pursues such cure to completion (so long as continuation of the default does not create material risk of damage to the Project or injury to persons using the Project). Notwithstanding the foregoing or any other provision of this Agreement to the contrary, there shall be no notice requirement or

cure period with respect to Events of Default described in Section 16 (Prohibition Against Transfer of Property).

19.4 Default Prior to the Issuance of Certificate. If an Event of Default occurs prior to the issuance of the Certificate of Completion, and the default is not cured in the time period provided for in Section 19.3 above, the City may terminate this Agreement and pursue and secure any available remedy against the Developer in any court of competent jurisdiction by any action or proceeding at law or in equity, including, but not limited to, damages, injunctive relief, the specific performance of the agreements contained herein, and the right to revest title to the Property in the City pursuant to the Reconveyance Deed, provided, however, that the recording of the Reconveyance Deed shall not defeat, render invalid, or limit in any way, the lien of any mortgage authorized by this Agreement. If the Reconveyance Deed is recorded by the City, the Developer shall be responsible for all real estate taxes and assessments which accrued during the period the Property was owned by the Developer, and the Developer shall cause the release of all unpermitted liens or encumbrances placed on the Property during the period of time the Property was owned by the Developer. The Developer will cooperate with the City to ensure that if the City records the Reconveyance Deed such recording is effective for purposes of transferring title to the Property to the City.

19.5 Resale of the Property. Upon the reconveyance of the Property to the City as provided in Section 19.4, the City may complete the Project at its own cost (if the Project has not been completed) or convey the Property to a qualified and financially responsible party reasonably acceptable to the first mortgagee, who (at its own cost) shall assume the obligation of completing the Project or such other improvements as shall be satisfactory to DOH (if the Project has not been completed), and otherwise comply with the covenants that run with the land as specified in Section 18.

19.6 Disposition of Resale Proceeds. If the City sells the Property as provided for in Section 19.5, the net proceeds from the sale, after payment of all amounts owed under any mortgage liens authorized by this Agreement in order of lien priority, shall be utilized to reimburse the City for:

(a) the fair market value of the Property as if it were vacant, which fair market value shall be calculated at the time of sale; and

(b) costs and expenses incurred by the City (including, without limitation, salaries of personnel) in connection with the recapture, management and resale of the Property (less any income derived by the City from the Property in connection with such management); and

(c) all unpaid taxes, assessments, and water and sewer charges assessed against the Property; and

(d) any payments made (including, without limitation, reasonable attorneys' fees and court costs) to discharge or prevent from attaching or being made any subsequent encumbrances or liens due to obligations, defaults or acts of the Developer; and

(e) any expenditures made or obligations incurred with respect to construction or maintenance of the Project; and

(f) any other amounts owed to the City by the Developer.

The Developer shall be entitled to receive any remaining proceeds.

#### **SECTION 20. CONFLICT OF INTEREST; CITY'S REPRESENTATIVES NOT INDIVIDUALLY LIABLE.**

The Developer represents and warrants that no agent, official or employee of the City has or shall have any personal interest, direct or indirect, in the Developer, this Agreement, the Property or the Project, nor shall any such agent, official or employee participate in any decision relating to this Agreement which affects his or her personal interests or the interests of any corporation, partnership, association or other entity in which he or she is directly or indirectly interested. No agent, official, director, officer, trustee or employee of the City or the Developer shall be personally liable in the event of any default under or breach of this Agreement or for any amount which may become due with respect to any commitment or obligation under the terms of this Agreement.

#### **SECTION 21. INDEMNIFICATION.**

The Developer agrees to indemnify, pay, defend and hold the City, and its elected and appointed officials, employees and agents (individually, an "Indemnitee", and collectively the "Indemnitees") harmless from and against any and all Losses in connection with any investigative, administrative or judicial proceeding commenced or threatened, whether or not such Indemnitees shall be designated a party thereto, that may be imposed on, suffered, incurred by or asserted against the Indemnitees in any manner relating to or arising out of: (a) the failure of the Developer to comply with any of the terms, covenants and conditions applicable to the Developer and contained within this Agreement; (b) the failure of the Developer or any Agent of the Developer to pay contractors, subcontractors or material suppliers undisputed amounts owed in connection with the construction and management of the Project; (c) the existence of any material misrepresentation or omission in this Agreement or any other document related to this Agreement that is the result of information supplied or omitted by the Developer or any Agent or Affiliate of the Developer; (d) the Developer's failure to cure any material misrepresentation in this Agreement or any other document relating hereto; and (e) any activity undertaken by the Developer or any Agent or Affiliate of the Developer on the Property prior to or after the Closing. Notwithstanding the foregoing, no Indemnitee, shall be indemnified for claims to the extent arising out of such Indemnitee's breach of this Agreement or gross negligence or willful misconduct. This indemnification shall survive the Closing and any termination of this Agreement (regardless of the reason for such termination).

#### **SECTION 22. ENVIRONMENTAL MATTERS.**

22.1 "As Is" Sale. The City makes no covenant, representation or warranty, express or implied, of any kind, as to the structural, physical or environmental condition of the property or the suitability of the property for any purpose whatsoever. The Developer acknowledges that it has had adequate opportunity to inspect and evaluate the structural, physical and environmental

conditions and risks of the property and accepts the risk that any inspection may not disclose all material matters affecting the property. The Developer agrees to accept the property in its "AS IS," "WHERE IS" and "WITH ALL FAULTS" condition at closing, with all faults and defects, latent or otherwise, and the City has not made and does not make any covenant, representation or warranty, express or implied, of any kind, or give any indemnification of any kind to the Developer, with respect to the structural, physical or environmental condition of the value of the property, its compliance with any statute, ordinance or regulation, or its habitability, suitability, merchantability or fitness for any purpose whatsoever. The Developer acknowledges that it is relying solely upon its own inspection and other due diligence activities and not upon any information (including, without limitation, environmental studies or reports of any kind) provided by or on behalf of the City or its agents or employees with respect thereto. The Developer agrees that it is its sole responsibility and obligation to perform at its expense any environmental remediation work and take such other action as is necessary to put the property in a condition which is suitable for its intended use.

22.2 Release and Indemnification. The Developer, on behalf of itself and its officers, directors, employees, successors, assigns and anyone claiming by, through or under them (collectively, the "Developer Parties"), hereby releases, relinquishes and forever discharges the City, its officers, agents and employees (collectively, the "Indemnified Parties"), from and against any and all Losses which the Developer ever had, now have, or hereafter may have, whether grounded in tort or contract or otherwise, in any and all courts or other forums, of whatever kind or nature, whether known or unknown, foreseen or unforeseen, now existing or occurring after the Closing Date, based upon, arising out of or in any way connected with, directly or indirectly: (i) any environmental contamination, pollution or hazards associated with the Property or any improvements, facilities or operations located or formerly located thereon, including, without limitation, any release, emission, discharge, generation, transportation, treatment, storage or disposal of Hazardous Materials, or threatened release, emission or discharge of Hazardous Materials; (ii) the structural, physical or environmental condition of the Property, including, without limitation, the presence or suspected presence of Hazardous Materials in, on, under or about the Property or the migration of Hazardous Materials from or to other Property; (iii) any violation of, compliance with, enforcement of or liability under any Environmental Laws, including, without limitation, any governmental or regulatory body response costs, natural resource damages or Losses arising under CERCLA; and (iv) any investigation, cleanup, monitoring, remedial, removal or restoration work required by any federal, state or local governmental agency or political subdivision or other third party in connection or associated with the Property or any improvements, facilities or operations located or formerly located thereon (collectively, "Released Claims"); provided, however, the foregoing release shall not apply to the extent such Losses are proximately caused by the gross negligence or willful misconduct of the City following the Closing Date. Furthermore, the Developer shall indemnify, defend (through an attorney reasonably acceptable to the City) and hold the Indemnified Parties harmless from and against any and all Losses which may be made or asserted by any third parties (including, without limitation, any of the Developer Parties) arising out of or in any way connected with, directly or indirectly, any of the Released Claims, except as provided in the immediately preceding sentence for the City's gross negligence or willful misconduct following the Closing Date. The Developer Parties waive their rights of contribution and subrogation against the Indemnified Parties.

22.3 Release Runs with the Property. The covenant of release in Section 22.2 above shall run with the Property, and shall be binding upon all successors and assigns of the Developer with respect to the Property, including, without limitation, each and every person, firm, corporation, limited liability company, trust or other entity owning, leasing, occupying, using or possessing any portion of the Property under or through the Developer following the date of the Deed. The Developer acknowledges and agrees that the foregoing covenant of release constitutes a material inducement to the City to enter into this RDA, and that, but for such release, the City would not have agreed to convey the Property to the Developer. It is expressly agreed and understood by and between the Developer and the City that, should any future obligation of the Developer or Developer Parties arise or be alleged to arise in connection with any environmental, soil or other condition of the Property, the Developer and any of the Developer Parties shall not assert that those obligations must be satisfied in whole or in part by the City, because Section 22.2 contains a full, complete and final release of all such claims, except as provided in such section for the City's gross negligence or willful misconduct following the Closing Date.

22.4 Standard Environmental Language.

(a) The City received a Phase I Environmental Site Assessment ("Phase I ESA") compliant with ASTM E-1527-13 that included the Property and the adjacent lot at 2021-2023 W Washington Ave. The Phase I ESA for the Property identified Recognized Environmental Conditions ("RECs") on the 2021-2023 W Washington Ave lot. The City received a Phase II Environmental Site Assessment ("Phase II ESA") for the 2021-2023 W Washington Ave lot that was performed to ascertain the presence of any environmental impacts that may be associated with the RECs. The Phase II ESA did not identify contamination above residential remediation objectives as determined by Title 35 of the Illinois Administrative Code ("IAC") Part 742.

(b) Developer acknowledges that City is not liable for, or bound in any manner by, any express or implied warranties, guarantees, promises, statements, inducements, representations or information pertaining to the Property made or furnished by any real estate agent, broker, employee, or other person representing or purporting to represent the City, including, without limitation, with respect to the physical condition, size, zoning, income potential, expenses or operation thereof, the uses that can be made of the same or in any manner or thing with respect thereof.

(c) The Developer shall remove any soil or soil gas not meeting the requirements of 35 IAC Section 742.305. Any underground storage tanks ("USTs") identified must be removed and closed in accordance with applicable regulations including Title 41 of IAC Part 175 and any identified leaking USTs must be properly addressed in accordance with 35 IAC Part 734.

22.5 Survival. This Section 22 shall survive the Closing or any termination of this Agreement (regardless of the reason for such termination).

**SECTION 23. DEVELOPER'S EMPLOYMENT OBLIGATIONS.**

23.1 Employment Opportunity. The Developer agrees, and shall contractually obligate its various contractors, subcontractors and any Affiliate of the Developer operating on the

Property (collectively, the "Employers" and individually, an "Employer") to agree, that with respect to the provision of services in connection with the construction of the Project:

(a) Neither the Developer nor any Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Section 2-160-010 et seq. of the Municipal Code, as amended from time to time (the "Human Rights Ordinance"). The Developer and each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon the foregoing grounds, and are treated in a non-discriminatory manner with regard to all job-related matters, including, without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Developer and each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Developer and each Employer, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon the foregoing grounds.

(b) To the greatest extent feasible, the Developer and each Employer shall (i) present opportunities for training and employment of low and moderate income residents of the City, and (ii) provide that contracts for work in connection with the construction of the Project be awarded to business concerns which are located in or owned in substantial part by persons residing in, the City.

(c) The Developer and each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including, without limitation, the Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), both as amended from time to time, and any regulations promulgated thereunder.

(d) The Developer, in order to demonstrate compliance with the terms of this Section 23.1, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) The Developer and each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the construction of the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 23.1 shall be a basis for the City to pursue remedies under the provisions of Section 19.

### 23.2 City Resident Employment Requirement.

(a) The Developer agrees, and shall contractually obligate each Employer to agree, that during the construction of the Project, the Developer and each Employer shall comply with the minimum percentage of total worker hours performed by actual residents of the City of Chicago as specified in Section 2-92-330 of the Municipal Code (at least fifty percent); provided, however, that in addition to complying with this percentage, the Developer and each Employer shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

(b) The Developer and the Employers may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code in accordance with standards and procedures developed by the chief procurement officer of the City of Chicago.

(c) "Actual residents of the City of Chicago" shall mean persons domiciled within the City of Chicago. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

(d) The Developer and the Employers shall provide for the maintenance of adequate employee residency records to ensure that actual Chicago residents are employed on the construction of the Project. The Developer and the Employers shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

(e) The Developer and the Employers shall submit weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) to DOH in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Developer or Employer hired the employee should be written in after the employee's name.

(f) The Developer and the Employers shall provide full access to their employment records to the chief procurement officer, DOH, the Superintendent of the Chicago Police Department, the inspector general, or any duly authorized representative thereof. The Developer and the Employers shall maintain all relevant personnel data and records for a period of at least three (3) years after the issuance of the Certificate of Completion.

(g) At the direction of DOH, the Developer and the Employers shall provide affidavits and other supporting documentation to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

(h) Good faith efforts on the part of the Developer and the Employers to provide work for actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the chief procurement officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section 23.2 concerning the worker hours performed by actual Chicago residents.

(i) If the City determines that the Developer or an Employer failed to ensure the fulfillment of the requirements of this Section 23.2 concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section 23.2. If such non-compliance is not remedied in accordance with the breach and cure provisions of Section 19.3, the parties agree that 1/20 of 1 percent (.05%) of the aggregate hard construction costs set forth in the Budget shall be surrendered by the Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer and/or the other Employers or employees to prosecution.

(j) Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement.

(k) The Developer shall cause or require the provisions of this Section 23.2 to be included in all construction contracts and subcontracts related to the construction of the Project.

**23.3 Developer's MBE/WBE Commitment.** The Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the General Contractor to agree, that during the construction of the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code (the "Construction Program," and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 23.3, during the course of construction of the Project, at least 25% of the aggregate hard construction costs shall be expended for contract participation by minority-owned businesses and at least 5% of the aggregate hard construction costs shall be expended for contract participation by women-owned businesses.

(b) For purposes of this Section 23.3 only:

(i) The Developer (and any party to whom a contract is let by the Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by the Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code, as applicable.

(ii) The term "minority-owned business" or "MBE" shall mean a business identified in the Directory of Certified Minority Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a minority-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(iii) The term "women-owned business" or "WBE" shall mean a business identified in the Directory of Certified Women Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a women-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code, the Developer's MBE/WBE commitment may be achieved in part by the Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture, or (ii) the amount of any actual work performed on the Project by the MBE or WBE); by the Developer utilizing a MBE or a WBE as the General Contractor (but only to the extent of any actual work performed on the Project by the General Contractor); by subcontracting or causing the General Contractor to subcontract a portion of the construction of the Project to one or more MBEs or WBEs; by the purchase of materials or services used in the construction of the Project from one or more MBEs or WBEs; or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer's MBE/WBE commitment as described in this Section 23.3. In accordance with Section 2-92-730, Municipal Code, the Developer shall not substitute any MBE or WBE General Contractor or subcontractor without the prior written approval of DOH.

(d) The Developer shall deliver quarterly reports to the City's monitoring staff during the construction of the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by the Developer or the General Contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the construction of the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining the Developer's compliance with this

MBE/WBE commitment. The Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the construction of the Project for at least five (5) years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by the Developer, on prior notice of at least five (5) Business Days, to allow the City to review the Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the construction of the Project.

(e) Upon the disqualification of any MBE or WBE General Contractor or subcontractor, if the disqualified party misrepresented such status, the Developer shall be obligated to discharge or cause to be discharged the disqualified General Contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code, as applicable.

(f) Any reduction or waiver of the Developer's MBE/WBE commitment as described in this Section 23.3 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code, as applicable.

**23.4 Pre-Construction Conference and Post-Closing Compliance Requirements.** Not less than seven (7) Business Days prior to the Closing Date, the Developer and the Developer's General Contractor and all major subcontractors shall meet with DOH monitoring staff regarding compliance with all Section 23 requirements. During this pre-construction meeting, the Developer shall present its plan to achieve its obligations under this Section 23, the sufficiency of which the City's monitoring staff shall approve as a precondition to the Closing. During the construction of the Project, the Developer shall submit all documentation required by this Section 23 to the City's monitoring staff, including, without limitation, the following: (a) subcontractor's activity report; (b) contractor's certification concerning labor standards and prevailing wage requirements (if applicable); (c) contractor letter of understanding; (d) monthly utilization report; (e) authorization for payroll agent; (f) certified payroll; (g) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (h) evidence of compliance with job creation/job retention requirements (if any). Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that the Developer is not complying with its obligations under this Section 23, shall, upon the delivery of written notice to the Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (x) issue a written demand to the Developer to halt construction of the Project, (y) withhold any further payment of any City funds to the Developer or the General Contractor (if applicable), or (z) seek any other remedies against the Developer available at law or in equity.

## **SECTION 24. REPRESENTATIONS AND WARRANTIES.**

**24.1 Representations and Warranties of the Developer.** To induce the City to execute this Agreement and perform its obligations hereunder, the Developer represents, warrants and covenants as follows:

(a) The Developer is an individual, with full power and authority to acquire, own and redevelop the Property, and as the person signing this Agreement on behalf of the Developer, has the authority to do so.

(b) All certifications and statements contained in the Economic Disclosure Statements submitted to the City by the Developer are true, accurate and complete.

(c) The Developer has the right, power and authority to enter into, execute, deliver and perform this Agreement. The Developer's execution, delivery and performance of this Agreement, and all instruments and agreements contemplated hereby, have been duly authorized by all necessary action, and do not and will not violate the Developer's articles of organization or operating agreement (as amended and supplemented), or any applicable Laws, nor will such execution, delivery and performance, upon the giving of notice or lapse of time or both, result in a breach or violation of, or constitute a default under, or require any consent under, any other agreement, instrument or document to which the Developer, or any party affiliated with the Developer, is a party or by which the Developer or the Property is now or may become bound.

(d) No action, litigation, investigation or proceeding of any kind is pending or threatened against the Developer or any party affiliated with the Developer by or before any court, governmental commission, board, bureau or any other administrative agency, and the Developer knows of no facts which could give rise to any such action, litigation, investigation or proceeding, which could: (i) affect the ability of the Developer to perform its obligations hereunder; or (ii) materially affect the operation or financial condition of the Developer.

(e) The Developer is now and for the term of the Agreement shall remain solvent and able to pay its debts as they mature.

(f) The Developer shall procure and maintain all Governmental Approvals necessary to construct, complete and operate the Project.

(g) The Developer is not in default in any material respect with respect to any indenture, loan agreement, mortgage, note or any other agreement or instrument related to the borrowing of money to which the Developer is a party or by which the Developer is bound.

(h) The Project will not violate: (i) any applicable Laws, including, without limitation, any zoning and building codes and Environmental Laws; or (ii) any building permit, restriction of record or other agreement affecting the Property.

(i) The Developer has not made or caused to be made, directly or indirectly, any payment, gratuity or offer of employment in connection with this Agreement or any contract paid from the City treasury or pursuant to City ordinance, for services to any City agency ("City Contract") as an inducement for the City to enter into this Agreement or any City Contract with the Developer in violation of Chapter 2-156-120 of the Municipal Code of the City.

(j) Neither the Developer nor any Affiliate of the Developer is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable Laws: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

24.2 Representations and Warranties of the City. To induce the Developer to execute this Agreement and perform its obligations hereunder, the City hereby represents and warrants to the Developer that the City has authority under its home rule powers to execute and deliver this Agreement and perform the terms and obligations contained herein.

24.3 Survival of Representations and Warranties. Each of the Parties agrees that all warranties, representations, covenants and agreements contained in this Section 24 and elsewhere in this Agreement are true, accurate and complete as of the Effective Date and shall survive the Effective Date and shall be in effect until the issuance of the Certificate of Completion.

The Developer hereby represents and warrants that no violation of Section 2-145-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

#### **SECTION 27. PROHIBITION ON CERTAIN CONTRIBUTIONS PURSUANT TO MAYORAL EXECUTIVE ORDER NO. 2011-4.**

27.1 The Developer agrees that it, any person or entity who directly or indirectly has an ownership or beneficial interest in it of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, its contractors (i.e., any person or entity in direct contractual privity with the Developer regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (such Owners and all other preceding classes of persons and entities, collectively the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago or to his political fundraising committee (a) after execution of this Agreement by the Developer, (b) while this Agreement or any Other Contract (as hereinafter defined) is executory, (c) during the term of this Agreement or any Other Contract, or (d) during any period while an

extension of this Agreement or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to May 16, 2011, the effective date of Executive Order 2011-4.

27.2 The Developer represents and warrants that from the later of (a) May 16, 2011, or (b) the date the City approached the Developer, or the date the Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

27.3 The Developer agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

27.4 The Developer agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 05-1.

27.5 Notwithstanding anything to the contrary contained herein, the Developer agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this Section 27 or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this Agreement, and under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

27.6 If the Developer intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the Closing, the City may elect to decline to close the transaction contemplated by this Agreement.

27.7 For purposes of this provision:

(a) "Bundle" means to collect contributions from more than one source, which contributions are then delivered by one person to the Mayor or to his political fundraising committee.

(b) "Other Contract" means any other agreement with the City to which the Developer is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council.

(c) "Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code, as amended.

- (d) Individuals are "domestic partners" if they satisfy the following criteria:
- (i) they are each other's sole domestic partner, responsible for each other's common welfare; and
  - (ii) neither party is married; and
  - (iii) the partners are not related by blood closer than would bar marriage in the State of Illinois; and
  - (iv) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
  - (v) two of the following four conditions exist for the partners:
    - (1) The partners have been residing together for at least 12 months.
    - (2) The partners have common or joint ownership of a residence.
    - (3) The partners have at least two of the following arrangements:
      - (A) joint ownership of a motor vehicle;
      - (B) joint credit account;
      - (C) a joint checking account;
      - (D) a lease for a residence identifying both domestic partners as tenants.
    - (4) Each partner identifies the other partner as a primary beneficiary in a will.
- (e) "Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code, as amended.

#### **SECTION 28. INSPECTOR GENERAL AND LEGISLATIVE INSPECTOR GENERAL.**

It is the duty of every officer, employee, department, agency, contractor, subcontractor, developer and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Legislative Inspector General and with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapters 2-55 and 2-56, respectively, of the Municipal Code. The Developer understands and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code.

#### **SECTION 29. WASTE ORDINANCE PROVISIONS.**

In accordance with Section 11-4-1600(e) of the Municipal Code, the Developer warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the

Municipal Code (the "Waste Sections"). During the period while this Agreement is executory, any violation of the Waste Sections by the Developer, its General Contractor or any subcontractor, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole discretion of the Commissioner of DOH. Such breach and default entitles the City to all remedies under this Agreement, at law or in equity. This section does not limit the duty of the Developer, the General Contractor and any subcontractors to comply with all applicable Laws, in effect now or later, and whether or not they appear in this Agreement. Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Agreement, and may further affect the Developer's eligibility for future contract awards.

### **SECTION 30. SHAKMAN.**

30.1 The City is subject to the May 31, 2007 Order entitled "Agreed Settlement Order and Accord" (the "Shakman Accord") and the August 16, 2007 "City of Chicago Hiring Plan" (the "City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the Shakman Accord and the City Hiring Plan prohibit the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

30.2 The Developer is aware that City policy prohibits City employees from directing any individual to apply for a position with the Developer, either as an employee or as a subcontractor, and from directing the Developer to hire an individual as an employee or as a subcontractor. Accordingly, the Developer must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by the Developer under this Agreement are employees or subcontractors of the Developer, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by the Developer.

30.3 The Developer will not condition, base, or knowingly prejudice or affect any term or aspect of the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

30.4 In the event of any communication to the Developer by a City employee or City official in violation of Section 30.2 above, or advocating a violation of Section 30.3 above, the Developer will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("IGO Hiring Oversight"), and also to the head of the relevant City department utilizing services provided under this Agreement.

The Developer will also cooperate with any inquiries by IGO Hiring Oversight or the Shakman Monitor's Office related to the contract.

**SECTION 31. FAILURE TO MAINTAIN ELIGIBILITY TO DO BUSINESS WITH THE CITY.**

Failure by the Developer or any controlling person (as defined in Section 1-23-010 of the Municipal Code) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code shall be grounds for termination of this Agreement and the transactions contemplated hereby. The Developer shall at all times comply with Section 2-154-020 of the Municipal Code.

**SECTION 32. PATRIOT ACT CERTIFICATION.**

The Developer represents and warrants that neither the Developer nor any Affiliate thereof is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable Laws: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

**SECTION 33. MISCELLANEOUS.**

The following general provisions govern this Agreement:

32.1 Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and all of which, taken together, shall constitute a single, integrated instrument.

32.2 Cumulative Remedies. The remedies of any party hereunder are cumulative and the exercise of any one or more of such remedies shall not be construed as a waiver of any other remedy herein conferred upon such party or hereafter existing at law or in equity, unless specifically so provided herein.

32.3 Date for Performance. If the final date of any time period set forth herein falls on a Saturday, Sunday or legal holiday under the laws of Illinois or the United States of America, then such time period shall be automatically extended to the next business day.

32.4 Disclaimer. Nothing contained in this Agreement nor any act of the City shall be deemed or construed by any of the parties, or by any third person, to create or imply any relationship of third-party beneficiary, principal or agent, limited or general partnership or joint venture, or to create or imply any association or relationship involving the City.

32.5 Entire Agreement; Modification. This Agreement constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes any prior agreements, negotiations and discussions. This Agreement may not be modified or amended in any manner without the prior written consent of the parties hereto. No term of this

Agreement may be waived or discharged orally or by any course of dealing, but only by an instrument in writing signed by the party benefited by such term.

32.6 Exhibits. All exhibits referred to herein and attached hereto shall be deemed part of this Agreement.

32.7 Force Majeure. Neither the City nor the Developer shall be considered in breach of or in default of its obligations under this Agreement in the event of a delay due to unforeseeable events or conditions beyond the reasonable control of the party affected which in fact interferes with the ability of such party to discharge its obligations hereunder, including, without limitation, fires, floods, strikes, shortages of material and unusually severe weather or delays of subcontractors due to such causes. The time for the performance of the obligations shall be extended only for the period of the delay and only if the party relying on this section requests an extension in writing within twenty (20) days after the beginning of any such delay.

32.8 Form of Documents. All documents required by this Agreement to be submitted, delivered or furnished to the City shall be in form and content satisfactory to the City.

32.9 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Illinois.

32.10 Headings. The headings of the various sections and subsections of this Agreement have been inserted for convenience of reference only and shall not in any manner be construed as modifying, amending or affecting in any way the express terms and provisions hereof.

32.11 Limitation of Liability. No member, official, officer, director, trustee or employee of the City or the Developer shall be personally liable in the event of any default or breach under this Agreement or for any amount which may become due to any other party under the terms of this Agreement.

32.12 No Merger. The terms of this Agreement shall not be merged with the Deed, and the delivery of the Deed shall not be deemed to affect or impair the terms of this Agreement.

32.13 No Waiver. No waiver by the City with respect to any specific default by the Developer shall be deemed to be a waiver of the rights of the City with respect to any other defaults of the Developer, nor shall any forbearance by the City to seek a remedy for any breach or default be deemed a waiver of its rights and remedies with respect to such breach or default, nor shall the City be deemed to have waived any of its rights and remedies unless such waiver is in writing.

32.14 Severability. If any term of this Agreement or any application thereof is held invalid or unenforceable, the remainder of this Agreement shall be construed as if such invalid part were never included herein and this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

32.15 Successors and Assigns. Except as otherwise provided in this Agreement, the terms and conditions of this Agreement shall apply to and bind the successors and assigns of the parties.

32.16 Venue and Consent to Jurisdiction. If there is a lawsuit under this Agreement, each party agrees to submit to the jurisdiction of the courts of Cook County, the State of Illinois and the United States District Court for the Northern District of Illinois.

19.4 Default Prior to the Issuance of Certificate. If the Reconveyance Deed is recorded by the City, the Developer shall be responsible for all real estate taxes and assessments which accrued during the period the Property was owned by the Developer, and the Developer shall cause the release

of all unpermitted liens or encumbrances placed on the Property during the period of time the Property was owned by the Developer. The Developer will cooperate with the City to ensure that if the City records the Reconveyance Deed such recording is effective for purposes of transferring title to the Property to the City.

19.5 Resale of the Property. Upon the reconveyance of the Property to the City as provided in Section 19.4, the City may complete the Project at its own cost (if the Project has not been completed) or convey the Property to a qualified and financially responsible party reasonably acceptable to the first mortgagee, who (at its own cost) shall assume the obligation of completing the Project or such other improvements as shall be satisfactory to DOH (if the Project has not been completed), and otherwise comply with the covenants that run with the land as specified in Section 18.

19.6 Disposition of Resale Proceeds. If the City sells the Property as provided for in Section 19.5, the net proceeds from the sale, after payment of all amounts owed under any mortgage liens authorized by this Agreement in order of lien priority, shall be utilized to reimburse the City for:

(a) the fair market value of the Property as if it were vacant, which fair market value shall be calculated at the time of sale; and

(b) costs and expenses incurred by the City (including, without limitation, salaries of personnel) in connection with the recapture, management and resale of the Property (less any income derived by the City from the Property in connection with such management); and

(c) all unpaid taxes, assessments, and water and sewer charges assessed against the Property; and

(d) any payments made (including, without limitation, reasonable attorneys' fees and court costs) to discharge or prevent from attaching or being made any subsequent encumbrances or liens due to obligations, defaults or acts of the Developer; and

(e) any expenditures made or obligations incurred with respect to construction or maintenance of the Project; and

(f) any other amounts owed to the City by the Developer.

The Developer shall be entitled to receive any remaining proceeds.

## **SECTION 20. CONFLICT OF INTEREST; CITY'S REPRESENTATIVES NOT INDIVIDUALLY LIABLE.**

The Developer represents and warrants that no agent, official or employee of the City has or shall have any personal interest, direct or indirect, in the Developer, this Agreement, the Property or the Project, nor shall any such agent, official or employee participate in any decision relating to this Agreement which affects his or her personal interests or the interests of any corporation, partnership, association or other entity in which he or she is directly or indirectly interested. No agent, official, director, officer, trustee or employee of the City or the Developer shall be personally liable in the event of any default under or breach of this Agreement or for

any amount which may become due with respect to any commitment or obligation under the terms of this Agreement.

#### **SECTION 21. INDEMNIFICATION.**

The Developer agrees to indemnify, pay, defend and hold the City, and its elected and appointed officials, employees and agents (individually, an "Indemnitee," and collectively the "Indemnitees") harmless from and against any and all Losses in connection with any investigative, administrative or judicial proceeding commenced or threatened, whether or not such Indemnitees shall be designated a party thereto, that may be imposed on, suffered, incurred by or asserted against the Indemnitees in any manner relating to or arising out of: (a) the failure of the Developer to comply with any of the terms, covenants and conditions applicable to the Developer and contained within this Agreement; (b) the failure of the Developer or any Agent of the Developer to pay contractors, subcontractors or material suppliers undisputed amounts owed in connection with the construction and management of the Project; (c) the existence of any material misrepresentation or omission in this Agreement or any other document related to this Agreement that is the result of information supplied or omitted by the Developer or any Agent or Affiliate of the Developer; (d) the Developer's failure to cure any material misrepresentation in this Agreement or any other document relating hereto; and (e) any activity undertaken by the Developer or any Agent or Affiliate of the Developer on the Property prior to or after the Closing. Notwithstanding the foregoing, no Indemnitee, shall be indemnified for claims to the extent arising out of such Indemnitee's breach of this Agreement or gross negligence or willful misconduct. This indemnification shall survive the Closing and any termination of this Agreement (regardless of the reason for such termination).

#### **SECTION 22. ENVIRONMENTAL MATTERS.**

22.1 "As Is" Sale. The City makes no covenant, representation or warranty, express or implied, of any kind, as to the structural, physical or environmental condition of the property or the suitability of the property for any purpose whatsoever. The Developer acknowledges that it has had adequate opportunity to inspect and evaluate the structural, physical and environmental conditions and risks of the property and accepts the risk that any inspection may not disclose all material matters affecting the property. The Developer agrees to accept the property in its "AS IS," "WHERE IS" and "WITH ALL FAULTS" condition at closing, with all faults and defects, latent or otherwise, and the City has not made and does not make any covenant, representation or warranty, express or implied, of any kind, or give any indemnification of any kind to the Developer, with respect to the structural, physical or environmental condition of the value of the property, its compliance with any statute, ordinance or regulation, or its habitability, suitability, merchantability or fitness for any purpose whatsoever. The Developer acknowledges that it is relying solely upon its own inspection and other due diligence activities and not upon any information (including, without limitation, environmental studies or reports of any kind) provided by or on behalf of the City or its agents or employees with respect thereto. The Developer agrees that it is its sole responsibility and obligation to perform at its expense any environmental remediation work and take such other action as is necessary to put the property in a condition which is suitable for its intended use.

22.2 Release and Indemnification. The Developer, on behalf of itself and its officers, directors, employees, successors, assigns and anyone claiming by, through or under them (collectively, the "Developer Parties"), hereby releases, relinquishes and forever discharges the City, its officers, agents and employees (collectively, the "Indemnified Parties"), from and against any and all Losses which the Developer ever had, now have, or hereafter may have,

whether grounded in tort or contract or otherwise, in any and all courts or other forums, of whatever kind or nature, whether known or unknown, foreseen or unforeseen, now existing or occurring after the Closing Date, based upon, arising out of or in any way connected with, directly or indirectly (i) any environmental contamination, pollution or hazards associated with the Property or any improvements, facilities or operations located or formerly located thereon, including, without limitation, any release, emission, discharge, generation, transportation, treatment, storage or disposal of Hazardous Materials, or threatened release, emission or discharge of Hazardous Materials; (ii) the structural, physical or environmental condition of the Property, including, without limitation, the presence or suspected presence of Hazardous Materials in, on, under or about the Property or the migration of Hazardous Materials from or to other Property; (iii) any violation of, compliance with, enforcement of or liability under any Environmental Laws, including, without limitation, any governmental or regulatory body response costs, natural resource damages or Losses arising under CERCLA; and (iv) any investigation, cleanup, monitoring, remedial, removal or restoration work required by any federal, state or local governmental agency or political subdivision or other third party in connection or associated with the Property or any improvements, facilities or operations located or formerly located thereon (collectively, "Released Claims"); provided, however, the foregoing release shall not apply to the extent such Losses are proximately caused by the gross negligence or willful misconduct of the City following the Closing Date. Furthermore, the Developer shall indemnify, defend (through an attorney reasonably acceptable to the City) and hold the Indemnified Parties harmless from and against any and all Losses which may be made or asserted by any third parties (including, without limitation, any of the Developer Parties) arising out of or in any way connected with, directly or indirectly, any of the Released Claims, except as provided in the immediately preceding sentence for the City's gross negligence or willful misconduct following the Closing Date. The Developer Parties waive their rights of contribution and subrogation against the Indemnified Parties.

22.3 Release Runs with the Property. The covenant of release in Section 22.2 above shall run with the Property, and shall be binding upon all successors and assigns of the Developer with respect to the Property, including, without limitation, each and every person, firm, corporation, limited liability company, trust or other entity owning, leasing, occupying, using or possessing any portion of the Property under or through the Developer following the date of the Deed. The Developer acknowledges and agrees that the foregoing covenant of release constitutes a material inducement to the City to enter into this RDA, and that, but for such release, the City would not have agreed to convey the Property to the Developer. It is expressly agreed and understood by and between the Developer and the City that, should any future obligation of the Developer or Developer Parties arise or be alleged to arise in connection with any environmental, soil or other condition of the Property, the Developer and any of the Developer Parties shall not assert that those obligations must be satisfied in whole or in part by the City, because Section 22.2 contains a full, complete and final release of all such claims, except as provided in such section for the City's gross negligence or willful misconduct following the Closing Date.

22.4 Standard Environmental Language.

(a) The Developer has provided the City with a Phase I Environmental Site Assessment ("Phase I ESA") compliant with ASTM E-1527-13 and a Phase II Environmental Site Assessment ("Phase II ESA") for the Property prior to the conveyance of the Property. The Phase I ESA for the Property identified Recognized Environmental Conditions ("RECs") and the Developer performed a Phase II ESA to ascertain the presence of any environmental impacts that may be associated with the

RECs. The Phase II ESA did not identify contamination above residential remediation objectives as determined by Title 35 of the Illinois Administrative Code ("IAC") Part 742.

(b) Developer acknowledges that City is not liable for, or bound in any manner by, any express or implied warranties, guarantees, promises, statements, inducements, representations or information pertaining to the Property made or furnished by any real estate agent, broker, employee, or other person representing or purporting to represent the City, including, without limitation, with respect to the physical condition, size, zoning, income potential, expenses or operation thereof, the uses that can be made of the same or in any manner or thing with respect thereof.

(c) The Developer shall remove any soil or soil gas not meeting the requirements of 35 IAC Section 742.305. Any underground storage tanks ("USTs") identified must be removed and closed in accordance with applicable regulations including Title 41 of IAC Part 175 and any identified leaking USTs must be properly addressed in accordance with 35 IAC Part 734.

### **SECTION 23. DEVELOPER'S EMPLOYMENT OBLIGATIONS.**

23.1 Employment Opportunity. The Developer agrees, and shall contractually obligate its various contractors, subcontractors and any Affiliate of the Developer operating on the Property (collectively, the "Employers" and individually, an "Employer") to agree, that with respect to the provision of services in connection with the construction of the Project:

(a) Neither the Developer nor any Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Section 2-160-010 et seq. of the Municipal Code, as amended from time to time (the "Human Rights Ordinance"). The Developer and each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon the foregoing grounds, and are treated in a non-discriminatory manner with regard to all job-related matters, including, without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Developer and each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Developer and each Employer, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon the foregoing grounds.

(b) To the greatest extent feasible, the Developer and each Employer shall (i) present opportunities for training and employment of low and moderate income residents of the City, and (ii) provide that contracts for work in connection with the construction of the Project be awarded to business concerns which are located in or owned in substantial part by persons residing in, the City.

(c) The Developer and each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including,

without limitation, the Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), both as amended from time to time, and any regulations promulgated thereunder.

(d) The Developer, in order to demonstrate compliance with the terms of this Section 23.1, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) The Developer and each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the construction of the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 23.1 shall be a basis for the City to pursue remedies under the provisions of Section 19.

#### 23.2 City Resident Employment Requirement.

(a) The Developer agrees, and shall contractually obligate each Employer to agree, that during the construction of the Project, the Developer and each Employer shall comply with the minimum percentage of total worker hours performed by actual residents of the City of Chicago as specified in Section 2-92-330 of the Municipal Code (at least fifty percent); provided, however, that in addition to complying with this percentage, the Developer and each Employer shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

(b) The Developer and the Employers may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code in accordance with standards and procedures developed by the chief procurement officer of the City of Chicago.

(c) "Actual residents of the City of Chicago" shall mean persons domiciled within the City of Chicago. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

(d) The Developer and the Employers shall provide for the maintenance of adequate employee residency records to ensure that actual Chicago residents are employed on the construction of the Project. The Developer and the Employers shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

(e) The Developer and the Employers shall submit weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) to DOH in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date

that the Developer or Employer hired the employee should be written in after the employee's name.

(f) The Developer and the Employers shall provide full access to their employment records to the chief procurement officer, DOH, the Superintendent of the Chicago Police Department, the inspector general, or any duly authorized representative thereof. The Developer and the Employers shall maintain all relevant personnel data and records for a period of at least three (3) years after the issuance of the Certificate of Completion.

(g) At the direction of DOH, the Developer and the Employers shall provide affidavits and other supporting documentation to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

(h) Good faith efforts on the part of the Developer and the Employers to provide work for actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the chief procurement officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section 23.2 concerning the worker hours performed by actual Chicago residents.

(i) If the City determines that the Developer or an Employer failed to ensure the fulfillment of the requirements of this Section 23.2 concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section 23.2. If such non-compliance is not remedied in accordance with the breach and cure provisions of Section 19.3, the parties agree that 1/20 of 1 percent (.05%) of the aggregate hard construction costs set forth in the Budget shall be surrendered by the Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer and/or the other Employers or employees to prosecution.

(j) Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement.

(k) The Developer shall cause or require the provisions of this Section 23.2 to be included in all construction contracts and subcontracts related to the construction of the Project.

23.3 Developer's MBE/WBE Commitment. The Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the General Contractor to agree, that during the construction of the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code (the "Construction Program," and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 23.3, during the course of construction of the Project, at least 26% of the aggregate hard construction costs shall be expended for contract participation by minority-owned businesses and at least 6% of the aggregate hard construction costs shall be expended for contract participation by women-owned businesses.

(b) For purposes of this Section 23.3 only:

(i) The Developer (and any party to whom a contract is let by the Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by the Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code, as applicable.

(ii) The term "minority-owned business" or "MBE" shall mean a business identified in the Directory of Certified Minority Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a minority-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(iii) The term "women-owned business" or "WBE" shall mean a business identified in the Directory of Certified Women Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a women-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code, the Developer's MBE/WBE commitment may be achieved in part by the Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture, or (ii) the amount of any actual work performed on the Project by the MBE or WBE); by the Developer utilizing a MBE or a WBE as the General Contractor (but only to the extent of any actual work performed on the Project by the General Contractor); by subcontracting or causing the General Contractor to subcontract a portion of the construction of the Project to one or more MBEs or WBEs; by the purchase of materials or services used in the construction of the Project from one or more MBEs or WBEs; or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer's MBE/WBE commitment as described in this Section 23.3. In accordance with Section 2-92-730, Municipal Code, the Developer shall not substitute any MBE or WBE General Contractor or subcontractor without the prior written approval of DOH.

(d) The Developer shall deliver quarterly reports to the City's monitoring staff during the construction of the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, *inter alia*, the name and business address of each MBE and WBE solicited by the Developer or the General Contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the construction of the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining the Developer's compliance with this MBE/WBE commitment. The Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the construction of the Project for at least five (5) years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by the Developer, on prior notice of at least five (5) Business Days, to allow the City to review the Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the construction of the Project.

(e) Upon the disqualification of any MBE or WBE General Contractor or subcontractor, if the disqualified party misrepresented such status, the Developer shall be obligated to discharge or cause to be discharged the disqualified General Contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code, as applicable.

(f) Any reduction or waiver of the Developer's MBE/WBE commitment as described in this Section 23.3 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code, as applicable.

**23.4 Pre-Construction Conference and Post-Closing Compliance Requirements.** Not less than seven (7) Business Days prior to the Closing Date, the Developer and the Developer's General Contractor and all major subcontractors shall meet with DOH monitoring staff regarding compliance with all Section 23 requirements. During this pre-construction meeting, the Developer shall present its plan to achieve its obligations under this Section 23, the sufficiency of which the City's monitoring staff shall approve as a precondition to the Closing. During the construction of the Project, the Developer shall submit all documentation required by this Section 23 to the City's monitoring staff, including, without limitation, the following: (a) subcontractor's activity report; (b) contractor's certification concerning labor standards and prevailing wage requirements (if applicable); (c) contractor letter of understanding; (d) monthly utilization report; (e) authorization for payroll agent; (f) certified payroll; (g) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (h) evidence of compliance with job creation/job retention requirements (if any). Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that the Developer is not complying with its obligations under this Section 23, shall, upon the delivery of written notice to the Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (x) issue a written demand to the Developer to halt construction of the Project, (y) withhold any further payment of any City funds to the Developer or the General Contractor (if applicable), or (z) seek any other remedies against the Developer available at law or in equity.

**SECTION 24. REPRESENTATIONS AND WARRANTIES.**

24.1 Representations and Warranties of the Developer. To induce the City to execute this Agreement and perform its obligations hereunder, the Developer represents, warrants and covenants as follows:

(a) The Developer is an Illinois limited liability company duly organized, validly existing, and in good standing under the laws of the State of Illinois, with full power and authority to acquire, own and redevelop the Property, and the person signing this Agreement on behalf of the Developer has the authority to do so.

(b) All certifications and statements contained in the Economic Disclosure Statements submitted to the City by the Developer are true, accurate and complete.

(c) The Developer has the right, power and authority to enter into, execute, deliver and perform this Agreement. The Developer's execution, delivery and performance of this Agreement, and all instruments and agreements contemplated hereby, have been duly authorized by all necessary action, and do not and will not violate the Developer's articles of organization or operating agreement (as amended and supplemented), or any applicable Laws, nor will such execution, delivery and performance, upon the giving of notice or lapse of time or both, result in a breach or violation of, or constitute a default under, or require any consent under, any other agreement, instrument or document to which the Developer, or any party affiliated with the Developer, is a party or by which the Developer or the Property is now or may become bound.

(d) No action, litigation, investigation or proceeding of any kind is pending or threatened against the Developer or any party affiliated with the Developer by or before any court, governmental commission, board, bureau or any other administrative agency, and the Developer knows of no facts which could give rise to any such action, litigation, investigation or proceeding, which could: (i) affect the ability of the Developer to perform its obligations hereunder; or (ii) materially affect the operation or financial condition of the Developer.

(e) The Developer is now and for the term of the Agreement shall remain solvent and able to pay its debts as they mature.

(f) The Developer shall procure and maintain all Governmental Approvals necessary to construct, complete and operate the Project.

(g) The Developer is not in default in any material respect with respect to any indenture, loan agreement, mortgage, note or any other agreement or instrument related to the borrowing of money to which the Developer is a party or by which the Developer is bound.

(h) The Project will not violate: (i) any applicable Laws, including, without limitation, any zoning and building codes and Environmental Laws; or (ii) any building permit, restriction of record or other agreement affecting the Property.

(i) The Developer has not made or caused to be made, directly or indirectly, any payment, gratuity or offer of employment in connection with this Agreement or any contract paid from the City treasury or pursuant to City ordinance, for services to any

City agency ("City Contract") as an inducement for the City to enter into this Agreement or any City Contract with the Developer in violation of Chapter 2-156-120 of the Municipal Code of the City.

(j) Neither the Developer nor any Affiliate of the Developer is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable Laws: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

**24.2 Representations and Warranties of the City.** To induce the Developer to execute this Agreement and perform its obligations hereunder, the City hereby represents and warrants to the Developer that the City has authority under its home rule powers to execute and deliver this Agreement and perform the terms and obligations contained herein.

**24.3 Survival of Representations and Warranties.** Each of the Parties agrees that all warranties, representations, covenants and agreements contained in this Section 24 and elsewhere in this Agreement are true, accurate and complete as of the Effective Date and shall survive the Effective Date and shall be in effect until the issuance of the Certificate of Completion.

#### **SECTION 28. PROHIBITION ON CERTAIN CONTRIBUTIONS PURSUANT TO MAYORAL EXECUTIVE ORDER NO. 2011-4.**

28.1 The Developer agrees that it, any person or entity who directly or indirectly has an ownership or beneficial interest in it of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, its contractors (i.e., any person or entity in direct contractual privity with the Developer regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (such Owners and all other preceding classes of persons and entities, collectively

This provision shall not apply to contributions made prior to May 16, 2011, the effective date of Executive Order 2011-4.

28.2 The Developer represents and warrants that from the later of (a) May 16, 2011, or (b) the date the City approached the Developer, or the date the Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

28.3 The Developer agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

28.4 The Developer agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 05-1.

28.5 Notwithstanding anything to the contrary contained herein, the Developer agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this Section 27 or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this Agreement, and under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

28.6 If the Developer intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the Closing, the City may elect to decline to close the transaction contemplated by this Agreement.

28.7 For purposes of this provision:

(a) "Bundle" means to collect contributions from more than one source, which contributions are then delivered by one person to the Mayor or to his political fundraising committee.

(b) "Other Contract" means any other agreement with the City to which the Developer is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council.

(c) "Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code, as amended.

(d) Individuals are "domestic partners" if they satisfy the following criteria:

(i) they are each other's sole domestic partner, responsible for each other's common welfare; and

(ii) neither party is married; and

(iii) the partners are not related by blood closer than would bar marriage in the State of Illinois; and

(iv) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and

(v) two of the following four conditions exist for the partners:

(1) The partners have been residing together for at least 12 months.

(2) The partners have common or joint ownership of a residence.

(3) The partners have at least two of the following arrangements:

(A) joint ownership of a motor vehicle;

(B) joint credit account;

(C) a joint checking account;

(D) a lease for a residence identifying both domestic partners as tenants.

(4) Each partner identifies the other partner as a primary beneficiary in a will.

(e) "Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code, as amended.

#### **SECTION 29. INSPECTOR GENERAL AND LEGISLATIVE INSPECTOR GENERAL.**

It is the duty of every officer, employee, department, agency, contractor, subcontractor, developer and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Legislative Inspector General and with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapters 2-55 and 2-56, respectively, of the Municipal Code. The Developer understands and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code.

#### **SECTION 30. WASTE ORDINANCE PROVISIONS.**

In accordance with Section 11-4-1600(e) of the Municipal Code, the Developer warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this Agreement is executory,

any violation of the Waste Sections by the Developer, its General Contractor or any subcontractor, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole discretion of the Commissioner of DOH. Such breach and default entitles the City to all remedies under this Agreement, at law or in equity. This section does not limit the duty of the Developer, the General Contractor and any subcontractors to comply with all applicable Laws, in effect now or later, and whether or not they appear in this Agreement. Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Agreement, and may further affect the Developer's eligibility for future contract awards.

### **SECTION 31. 2014 CITY HIRING PLAN**

31.1 The City is subject to the June 16, 2014 "City of Chicago Hiring Plan" (as amended, the "2014 City Hiring Plan") entered in *Shakman v. Democratic Organization of Cook County*, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the 2014 City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

31.2 The Developer is aware that City policy prohibits City employees from directing any individual to apply for a position with the Developer, either as an employee or as a subcontractor, and from directing the Developer to hire an individual as an employee or as a subcontractor. Accordingly, the Developer must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by the Developer under this Agreement are employees or subcontractors of the Developer, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by the Developer.

31.3 The Developer will not condition, base, or knowingly prejudice or affect any term or aspect to the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

31.4 In the event of any communication to the Developer by a City employee or City official in violation of Section 32.2 above, or advocating a violation of Section 32.3 above, the Developer will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General (the "OIG"), and also to the head of the relevant City department utilizing services provided under this Agreement. The Developer will also cooperate with any inquiries by the OIG.

**SECTION 32. FAILURE TO MAINTAIN ELIGIBILITY TO DO BUSINESS WITH THE CITY.**

Failure by the Developer or any controlling person (as defined in Section 1-23-010 of the Municipal Code) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code shall be grounds for termination of this Agreement and the transactions contemplated hereby. The Developer shall at all times comply with Section 2-154-020 of the Municipal Code.

**SECTION 33. MISCELLANEOUS.**

The following general provisions govern this Agreement:

33.1 Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and all of which, taken together, shall constitute a single, integrated instrument.

33.2 Cumulative Remedies. The remedies of any party hereunder are cumulative and the exercise of any one or more of such remedies shall not be construed as a waiver of any other remedy herein conferred upon such party or hereafter existing at law or in equity, unless specifically so provided herein.

33.3 Date for Performance. If the final date of any time period set forth herein falls on a Saturday, Sunday or legal holiday under the laws of Illinois or the United States of America, then such time period shall be automatically extended to the next business day.

33.4 Disclaimer. Nothing contained in this Agreement nor any act of the City shall be deemed or construed by any of the parties, or by any third person, to create or imply any relationship of third-party beneficiary, principal or agent, limited or general partnership or joint venture, or to create or imply any association or relationship involving the City.

33.5 Entire Agreement; Modification. This Agreement constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes any prior agreements, negotiations and discussions. This Agreement may not be modified or amended in any manner without the prior written consent of the parties hereto. No term of this Agreement may be waived or discharged orally or by any course of dealing, but only by an instrument in writing signed by the party benefited by such term.

33.6 Exhibits. All exhibits referred to herein and attached hereto shall be deemed part of this Agreement:

33.7 Force Majeure. Neither the City nor the Developer shall be considered in breach of or in default of its obligations under this Agreement in the event of a delay due to unforeseeable events or conditions beyond the reasonable control of the party affected which in fact interferes with the ability of such party to discharge its obligations hereunder, including, without limitation, fires, floods, strikes, shortages of material and unusually severe weather or delays of subcontractors due to such causes. The time for the performance of the obligations shall be extended only for the period of the delay and only if the party relying on this section requests an extension in writing within twenty (20) days after the beginning of any such delay.

33.8 Form of Documents. All documents required by this Agreement to be submitted, delivered or furnished to the City shall be in form and content satisfactory to the City.

33.9 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Illinois.

33.10 Headings. The headings of the various sections and subsections of this Agreement have been inserted for convenience of reference only and shall not in any manner be construed as modifying, amending or affecting in any way the express terms and provisions hereof.

33.11 Limitation of Liability. No member, official, officer, director, trustee or employee of the City or the Developer shall be personally liable in the event of any default or breach under this Agreement or for any amount which may become due to any other party under the terms of this Agreement.

33.12 No Merger. The terms of this Agreement shall not be merged with the Deed, and the delivery of the Deed shall not be deemed to affect or impair the terms of this Agreement.

33.13 No Waiver. No waiver by the City with respect to any specific default by the Developer shall be deemed to be a waiver of the rights of the City with respect to any other defaults of the Developer, nor shall any forbearance by the City to seek a remedy for any breach or default be deemed a waiver of its rights and remedies with respect to such breach or default, nor shall the City be deemed to have waived any of its rights and remedies unless such waiver is in writing.

33.14 Severability. If any term of this Agreement or any application thereof is held invalid or unenforceable, the remainder of this Agreement shall be construed as if such invalid part were never included herein and this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

33.15 Successors and Assigns. Except as otherwise provided in this Agreement, the terms and conditions of this Agreement shall apply to and bind the successors and assigns of the parties.

33.16 Venue and Consent to Jurisdiction. If there is a lawsuit under this Agreement, each party agrees to submit to the jurisdiction of the courts of Cook County, the State of Illinois and the United States District Court for the Northern District of Illinois.

Notwithstanding any other provision of this Agreement or of the Deed, the holder of any mortgage authorized by this Agreement (or any affiliate of such holder) shall not itself be obligated to construct or complete the Project, or to guarantee such construction or completion, but shall be bound by the other covenants running with the land specified in Section 18 and, at the Closing, shall execute a subordination agreement in accordance with Section 10.14. If any such mortgagee or its affiliate succeeds to the Developer's interest in the Property (or any portion thereof) prior to the issuance of the

Certificate of Completion, whether by foreclosure, deed-in-lieu of foreclosure or otherwise, and thereafter transfers its interest in the Property (or any portion thereof) to another party, such transferee shall be obligated to complete the Project (or such portion of the Project located on the land so transferred), and shall also be bound by the other covenants running with the land specified in Section 18.

#### **SECTION 19. PERFORMANCE AND BREACH.**

19.1 Time of the Essence. Time is of the essence in the Developer's performance of its obligations under this Agreement.

19.2 Event of Default. The occurrence of any one or more of the following events or occurrences shall constitute an "Event of Default" under this Agreement:

(a) the failure of the Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Developer under this Agreement;

(b) the making or furnishing by the Developer of any warranty, representation, statement, certification, schedule or report to the City (whether in this Agreement, an Economic Disclosure Statement, or another document) which is untrue or misleading in any material respect;

(c) except as otherwise permitted hereunder, the creation (whether voluntary or involuntary) of, or any attempt to create, any lien or other encumbrance upon the Property, or the making or any attempt to make any levy, seizure or attachment thereof;

(d) the entry of any judgment or order against the Developer which is related to the Property and remains unsatisfied or undischarged and in effect for sixty (60) days after such entry without a stay of enforcement or execution; or

(e) the occurrence of an event of default under the Lender Financing, which default is not cured within any applicable cure period.

**19.3 Cure.** If the Developer defaults in the performance of its obligations under this Agreement, the Developer shall have thirty (30) days after written notice of default from the City to cure the default, or such longer period as shall be reasonably necessary to cure such default provided the Developer promptly commences such cure and thereafter diligently pursues such cure to completion (so long as continuation of the default does not create material risk of damage to the Project or injury to persons using the Project). Notwithstanding the foregoing or any other provision of this Agreement to the contrary, there shall be no notice requirement or cure period with respect to Events of Default described in Section 16 (Prohibition Against Transfer of Property).

**19.4 Default Prior to the Issuance of Certificate.** If an Event of Default occurs prior to the issuance of the Certificate of Completion, and the default is not cured in the time period provided for in Section 19.3 above, the City may terminate this Agreement and pursue and secure any available remedy against the Developer in any court of competent jurisdiction by any action or proceeding at law or in equity, including, but not limited to, damages, injunctive relief, the specific performance of the agreements contained herein, and the right to revest title to the Property in the City pursuant to the Reconveyance Deeds, provided, however, that the recording of the Reconveyance Deed(s) shall not defeat, render invalid, or limit in any way, the lien of any mortgage authorized by this Agreement. If the Reconveyance Deed(s) is/are recorded by the City, the Developer shall be responsible for all real estate taxes and assessments which accrued during the period the Property was owned by the Developer, and the Developer shall cause the release of all unpermitted liens or encumbrances placed on the Property during the period of time the Property was owned by the Developer. The Developer will cooperate with the City to ensure that if the City records the Reconveyance Deed(s) such recording is effective for purposes of transferring title to the Property to the City.

**19.5 Resale of the Property.** Upon the reconveyance of the Property to the City as provided in Section 19.4, the City may complete the Project at its own cost (if the Project has not been completed) or convey the Property to a qualified and financially responsible party reasonably acceptable to the first mortgagee, who (at its own cost) shall assume the obligation of completing the Project or such other improvements as shall be satisfactory to DOH (if the Project has not been completed), and otherwise comply with the covenants that run with the land as specified in Section 18.

**19.6 Disposition of Resale Proceeds.** If the City sells the Property as provided for in Section 19.5, the net proceeds from the sale, after payment of all amounts owed under any mortgage liens authorized by this Agreement in order of lien priority, shall be utilized to reimburse the City for:

(a) the fair market value of the Property as if it were vacant, which fair market value shall be calculated at the time of sale; and

(b) costs and expenses incurred by the City (including, without limitation, salaries of personnel) in connection with the recapture, management and resale of the Property (less any income derived by the City from the Property in connection with such management); and

(c) all unpaid taxes, assessments, and water and sewer charges assessed against the Property; and

(d) any payments made (including, without limitation, reasonable attorneys' fees and court costs) to discharge or prevent from attaching or being made any subsequent encumbrances or liens due to obligations, defaults or acts of the Developer; and

(e) any expenditures made or obligations incurred with respect to construction or maintenance of the Project; and

(f) any other amounts owed to the City by the Developer.

The Developer shall be entitled to receive any remaining proceeds.

#### **SECTION 20. CONFLICT OF INTEREST; CITY'S REPRESENTATIVES NOT INDIVIDUALLY LIABLE.**

The Developer represents and warrants that no agent, official or employee of the City has or shall have any personal interest, direct or indirect, in the Developer, this Agreement, the Property or the Project, nor shall any such agent, official or employee participate in any decision relating to this Agreement which affects his or her personal interests or the interests of any corporation, partnership, association or other entity in which he or she is directly or indirectly interested. No agent, official, director, officer, trustee or employee of the City or the Developer shall be personally liable in the event of any default under or breach of this Agreement or for any amount which may become due with respect to any commitment or obligation under the terms of this Agreement.

#### **SECTION 21. INDEMNIFICATION.**

The Developer agrees to indemnify, pay, defend and hold the City, and its elected and appointed officials, employees and agents (individually, an "Indemnitee," and collectively the "Indemnitees") harmless from and against any and all Losses in connection with any investigative, administrative or judicial proceeding commenced or threatened, whether or not such Indemnitees shall be designated a party thereto, that may be imposed on, suffered, incurred by or asserted against the Indemnitees in any manner relating to or arising out of: (a) the failure of the Developer to comply with any of the terms, covenants and conditions applicable to the Developer and contained within this Agreement; (b) the failure of the Developer or any Agent of the Developer to pay contractors, subcontractors or material suppliers undisputed amounts owed in connection with the construction and management of the Project; (c) the existence of any material misrepresentation or omission in this Agreement or any other document related to this Agreement that is the result of information supplied or omitted by the Developer or any Agent or Affiliate of the Developer; (d) the Developer's failure to cure any material misrepresentation in this Agreement or any other document relating hereto;

and (e) any activity undertaken by the Developer or any Agent or Affiliate of the Developer on the Property prior to or after the Closing. Notwithstanding the foregoing, no Indemnitee, shall be indemnified for claims to the extent arising out of such Indemnitee's breach of this Agreement or gross negligence or willful misconduct. This indemnification shall survive the Closing and any termination of this Agreement (regardless of the reason for such termination).

## **SECTION 22. ENVIRONMENTAL MATTERS.**

22.1 "AS IS" SALE. THE CITY MAKES NO COVENANT, REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, OF ANY KIND, AS TO THE STRUCTURAL, PHYSICAL OR ENVIRONMENTAL CONDITION OF THE PROPERTY OR THE SUITABILITY OF THE PROPERTY FOR ANY PURPOSE WHATSOEVER. THE DEVELOPER ACKNOWLEDGES THAT IT HAS HAD ADEQUATE OPPORTUNITY TO INSPECT AND EVALUATE THE STRUCTURAL, PHYSICAL AND ENVIRONMENTAL CONDITIONS AND RISKS OF THE PROPERTY AND ACCEPTS THE RISK THAT ANY INSPECTION MAY NOT DISCLOSE ALL MATERIAL MATTERS AFFECTING THE PROPERTY. THE DEVELOPER AGREES TO ACCEPT THE PROPERTY IN ITS "AS IS," "WHERE IS" AND "WITH ALL FAULTS" CONDITION AT CLOSING, WITH ALL FAULTS AND DEFECTS, LATENT OR OTHERWISE, AND THE CITY HAS NOT MADE AND DOES NOT MAKE ANY COVENANT, REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, OF ANY KIND, OR GIVE ANY INDEMNIFICATION OF ANY KIND TO THE DEVELOPER, WITH RESPECT TO THE STRUCTURAL, PHYSICAL OR ENVIRONMENTAL CONDITION OF THE VALUE OF THE PROPERTY, ITS COMPLIANCE WITH ANY STATUTE, ORDINANCE OR REGULATION, OR ITS HABITABILITY, SUITABILITY, MERCHANTABILITY OR FITNESS FOR ANY PURPOSE WHATSOEVER. THE DEVELOPER ACKNOWLEDGES THAT IT IS RELYING SOLELY UPON ITS OWN INSPECTION AND OTHER DUE DILIGENCE ACTIVITIES AND NOT UPON ANY INFORMATION (INCLUDING, WITHOUT LIMITATION, ENVIRONMENTAL STUDIES OR REPORTS OF ANY KIND) PROVIDED BY OR ON BEHALF OF THE CITY OR ITS AGENTS OR EMPLOYEES WITH RESPECT THERETO. THE DEVELOPER AGREES THAT IT IS ITS SOLE RESPONSIBILITY AND OBLIGATION TO PERFORM AT ITS EXPENSE ANY ENVIRONMENTAL REMEDIATION WORK AND TAKE SUCH OTHER ACTION AS IS NECESSARY TO PUT THE PROPERTY IN A CONDITION WHICH IS SUITABLE FOR ITS INTENDED USE.

22.2 Release and Indemnification. The Developer, on behalf of itself and the other Developer Parties, or anyone claiming by, through, or under the Developer Parties, hereby releases, relinquishes and forever discharges the City, its officers, agents and employees (collectively, the "Indemnified Parties"), from and against any and all Losses which the Developer or any of the Developer Parties ever had, now have, or hereafter may have, whether grounded in tort or contract or otherwise, in any and all courts or other forums, of whatever kind or nature, whether known or unknown, foreseen or unforeseen, now existing or occurring after the Closing Date, based upon, arising out of or in any way connected with, directly or indirectly (i) any environmental contamination, pollution or hazards associated with the Property or any improvements, facilities or operations located or formerly located thereon, including, without limitation, any release, emission, discharge, generation, transportation, treatment, storage or disposal of Hazardous Materials, or threatened release, emission or discharge of Hazardous Materials; (ii) the structural, physical or environmental condition of the Property, including, without limitation, the presence or suspected presence of Hazardous Materials in, on, under or about the Property or the migration of Hazardous Materials from or to other Property; (iii) any violation of, compliance with, enforcement of or liability under any Environmental Laws, including, without limitation, any governmental or regulatory body response costs, natural resource damages or Losses arising under CERCLA; and (iv) any investigation, cleanup, monitoring, remedial, removal or restoration work required by any federal,

state or local governmental agency or political subdivision or other third party in connection or associated with the Property or any improvements, facilities or operations located or formerly located thereon (collectively, "Released Claims"); provided, however, the foregoing release shall not apply to the extent such Losses are proximately caused by the gross negligence or willful misconduct of the City following the Closing Date. Furthermore, the Developer shall indemnify, defend (through an attorney reasonably acceptable to the City) and hold the Indemnified Parties harmless from and against any and all Losses which may be made or asserted by any third parties (including, without limitation, any of the Developer Parties) arising out of or in any way connected with, directly or indirectly, any of the Released Claims, except as provided in the immediately preceding sentence for the City's gross negligence or willful misconduct following the Closing Date. The Developer Parties waive their rights of contribution and subrogation against the Indemnified Parties.

**22.3 Release Runs with the Property.** The covenant of release in Section 22.2 shall run with the Property, and shall be binding upon all successors and assigns of the Developer with respect to the Property, including, without limitation, each and every person, firm, corporation, limited liability company, trust or other entity owning, leasing, occupying, using or possessing any portion of the Property under or through the Developer following the date of the Deed. The Developer acknowledges and agrees that the foregoing covenant of release constitutes a material inducement to the City to enter into this Agreement, and that, but for such release, the City would not have agreed to convey the Property to the Developer for the Purchase Price. It is expressly agreed and understood by and between the Developer and the City that, should any future obligation of the Developer, or any of the Developer Parties, arise or be alleged to arise in connection with any environmental, soil or other condition of the Property, neither the Developer, nor any of the Developer Parties, will assert that those obligations must be satisfied in whole or in part by the City because Section 22.2 contains a full, complete and final release of all such claims, except as provided in such section of the City's gross negligence or willful misconduct following the Closing Date.

**22.4 Standard Environmental Language.**

(a) City shall grant Developer a right of entry, in the City's customary form and subject to City's receipt from Developer of required documentation (e.g., evidence of insurance and an Economic Disclosure Statement and Affidavit that is current as of the date of the right of entry), in order for Developer to perform or cause to be performed any structural, physical and environmental inspections of the Property as Developer deems necessary; provided, however, City shall have the right to review and approve the scope of work. The City reserves the right to reject any structural, physical and/or environmental inspection reports, including, but not limited to any Phase I or Phase II environmental site assessment reports, submitted to the City and conducted on the Property without a fully executed right-of-entry.

(b) Developer acknowledges that City is not liable for, or bound in any manner by, any express or implied warranties, guarantees, promises, statements, inducements, representations or information pertaining to the Property made or furnished by any real estate agent, broker, employee, or other person representing or purporting to represent the City, including, without limitation, with respect to the physical condition, size, zoning, income potential, expenses or operation thereof, the uses that can be made of the same or in any manner or thing with respect thereof.

(c) The Developer shall remove any soil or soil gas not meeting the requirements of 35 IAC Section 742.305. Any underground storage tanks ("USTs") identified must be removed

and closed in accordance with applicable regulations including Title 41 of IAC Part 175 and any identified leaking USTs must be properly addressed in accordance with 35 IAC Part 734.

22.5 Survival. This Section 22 shall survive the Closing or any termination of this Agreement (regardless of the reason for such termination).

### **SECTION 23. DEVELOPER'S EMPLOYMENT OBLIGATIONS.**

23.1 Employment Opportunity. The Developer agrees, and shall contractually obligate its various contractors, subcontractors and any Affiliate of the Developer operating on the Property (collectively, the "Employers" and individually, an "Employer") to agree, that with respect to the provision of services in connection with the construction of the Project:

(a) Neither the Developer nor any Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Section 2-160-010 et seq. of the Municipal Code, as amended from time to time (the "Human Rights Ordinance"). The Developer and each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon the foregoing grounds, and are treated in a non-discriminatory manner with regard to all job-related matters, including, without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Developer and each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Developer and each Employer, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon the foregoing grounds.

(b) To the greatest extent feasible, the Developer and each Employer shall (i) present opportunities for training and employment of low and moderate income residents of the City, and (ii) provide that contracts for work in connection with the construction of the Project be awarded to business concerns which are located in or owned in substantial part by persons residing in, the City.

(c) The Developer and each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including, without limitation, the Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), both as amended from time to time, and any regulations promulgated thereunder.

(d) The Developer, in order to demonstrate compliance with the terms of this Section 23.1, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) The Developer and each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the

construction of the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 23.1 shall be a basis for the City to pursue remedies under the provisions of Section 19.

### 23.2 City Resident Employment Requirement.

(a) The Developer agrees, and shall contractually obligate each Employer to agree, that during the construction of the Project, the Developer and each Employer shall comply with the minimum percentage of total worker hours performed by actual residents of the City of Chicago as specified in Section 2-92-330 of the Municipal Code (at least fifty percent); provided, however, that in addition to complying with this percentage, the Developer and each Employer shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

(b) The Developer and the Employers may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code in accordance with standards and procedures developed by the chief procurement officer of the City of Chicago.

(c) "Actual Residents of the City of Chicago" shall mean persons domiciled within the City of Chicago. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

(d) The Developer and the Employers shall provide for the maintenance of adequate employee residency records to ensure that actual Chicago residents are employed on the construction of the Project. The Developer and the Employers shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

(e) The Developer and the Employers shall submit weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) to DOH in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Developer or Employer hired the employee should be written in after the employee's name.

(f) The Developer and the Employers shall provide full access to their employment records to the chief procurement officer, DOH, the Superintendent of the Chicago Police Department, the inspector general, or any duly authorized representative thereof. The Developer and the Employers shall maintain all relevant personnel data and records for a period of at least three (3) years after the issuance of the Certificate of Completion.

(g) At the direction of DOH, the Developer and the Employers shall provide affidavits and other supporting documentation to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

(h) Good faith efforts on the part of the Developer and the Employers to provide work for actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the chief procurement officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section 23.2 concerning the worker hours performed by actual Chicago residents.

(i) If the City determines that the Developer or an Employer failed to ensure the fulfillment of the requirements of this Section 23.2 concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section 23.2. If such non-compliance is not remedied in accordance with the breach and cure provisions of Section 19.3, the parties agree that 1/20 of 1 percent (.05%) of the aggregate hard construction costs set forth in the Budget shall be surrendered by the Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer and/or the other Employers or employees to prosecution.

(j) Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement.

(k) The Developer shall cause or require the provisions of this Section 23.2 to be included in all construction contracts and subcontracts related to the construction of the Project.

**23.3 Developer's MBE/WBE Commitment.** The Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the General Contractor to agree, that during the construction of the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code (the "Construction Program," and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 23.3, during the course of construction of the Project, at least 25% of the aggregate hard construction costs shall be expended for contract participation by minority-owned businesses and at least 5% of the aggregate hard construction costs shall be expended for contract participation by women-owned businesses.

(b) For purposes of this Section 23.3 only:

(i) The Developer (and any party to whom a contract is let by the Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by the Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code, as applicable.

(ii) The term "minority-owned business" or "MBE" shall mean a business identified in the Directory of Certified Minority Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a minority-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(iii) The term "women-owned business" or "WBE" shall mean a business identified in the Directory of Certified Women Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a women-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code, the Developer's MBE/WBE commitment may be achieved in part by the Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture, or (ii) the amount of any actual work performed on the Project by the MBE or WBE); by the Developer utilizing a MBE or a WBE as the General Contractor (but only to the extent of any actual work performed on the Project by the General Contractor); by subcontracting or causing the General Contractor to subcontract a portion of the construction of the Project to one or more MBEs or WBEs; by the purchase of materials or services used in the construction of the Project from one or more MBEs or WBEs; or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer's MBE/WBE commitment as described in this Section 23.3. In accordance with Section 2-92-730, Municipal Code, the Developer shall not substitute any MBE or WBE General Contractor or subcontractor without the prior written approval of DOH.

(d) The Developer shall deliver quarterly reports to the City's monitoring staff during the construction of the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, *inter alia*, the name and business address of each MBE and WBE solicited by the Developer or the General Contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the construction of the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining the Developer's compliance with this MBE/WBE commitment. The Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the construction of the

Project for at least five (5) years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by the Developer, on prior notice of at least five (5) Business Days, to allow the City to review the Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the construction of the Project.

(e) Upon the disqualification of any MBE or WBE General Contractor or subcontractor, if the disqualified party misrepresented such status, the Developer shall be obligated to discharge or cause to be discharged the disqualified General Contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code, as applicable.

(f) Any reduction or waiver of the Developer's MBE/WBE commitment as described in this Section 23.3 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code, as applicable.

**23.4 Pre-Construction Conference and Post-Closing Compliance Requirements.** Not less than seven (7) Business Days prior to the Closing Date, the Developer and the Developer's General Contractor and all major subcontractors shall meet with DOH monitoring staff regarding compliance with all Section 23 requirements. During this pre-construction meeting, the Developer shall present its plan to achieve its obligations under this Section 23, the sufficiency of which the City's monitoring staff shall approve as a precondition to the Closing. During the construction of the Project, the Developer shall submit all documentation required by this Section 23 to the City's monitoring staff, including, without limitation, the following: (a) subcontractor's activity report; (b) contractor's certification concerning labor standards and prevailing wage requirements (if applicable); (c) contractor letter of understanding; (d) monthly utilization report; (e) authorization for payroll agent; (f) certified payroll; (g) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (h) evidence of compliance with job creation/job retention requirements (if any). Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that the Developer is not complying with its obligations under this Section 23, shall, upon the delivery of written notice to the Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (x) issue a written demand to the Developer to halt construction of the Project, (y) withhold any further payment of any City funds to the Developer or the General Contractor (if applicable), or (z) seek any other remedies against the Developer available at law or in equity.

## **SECTION 24. REPRESENTATIONS AND WARRANTIES.**

**24.1 Representations and Warranties of the Developer.** To induce the City to execute this Agreement and perform its obligations hereunder, the Developer represents, warrants and covenants as follows:

(a) The Developer is an Illinois limited liability company duly organized, validly existing, and in good standing under the laws of the State of Illinois, with full power and authority to acquire, own and redevelop the Property, and the person signing this Agreement on behalf of the Developer has the authority to do so.

(b) All certifications and statements contained in the Economic Disclosure Statements submitted to the City by the Developer are true, accurate and complete.

(c) The Developer has the right, power and authority to enter into, execute, deliver and perform this Agreement. The Developer's execution, delivery and performance of this Agreement, and all instruments and agreements contemplated hereby, have been duly authorized by all necessary action, and do not and will not violate the Developer's articles of organization or operating agreement (as amended and supplemented), or any applicable Laws, nor will such execution, delivery and performance, upon the giving of notice or lapse of time or both, result in a breach or violation of, or constitute a default under, or require any consent under, any other agreement, instrument or document to which the Developer, or any party affiliated with the Developer, is a party or by which the Developer or the Property is now or may become bound.

(d) No action, litigation, investigation or proceeding of any kind is pending or threatened against the Developer or any party affiliated with the Developer by or before any court, governmental commission, board, bureau or any other administrative agency, and the Developer knows of no facts which could give rise to any such action, litigation, investigation or proceeding, which could: (i) affect the ability of the Developer to perform its obligations hereunder; or (ii) materially affect the operation or financial condition of the Developer.

(e) The Developer is now and for the term of the Agreement shall remain solvent and able to pay its debts as they mature.

(f) The Developer shall procure and maintain all Governmental Approvals necessary to construct, complete and operate the Project.

(g) The Developer is not in default in any material respect with respect to any indenture, loan agreement, mortgage, note or any other agreement or instrument related to the borrowing of money to which the Developer is a party or by which the Developer is bound.

(h) The Project will not violate: (i) any applicable Laws, including, without limitation, any zoning and building codes and Environmental Laws; or (ii) any building permit, restriction of record or other agreement affecting the Property.

(i) The Developer has not made or caused to be made, directly or indirectly, any payment, gratuity or offer of employment in connection with this Agreement or any contract paid from the City treasury or pursuant to City ordinance, for services to any City agency ("City Contract") as an inducement for the City to enter into this Agreement or any City Contract with the Developer in violation of Chapter 2-156-120 of the Municipal Code of the City.

(j) Neither the Developer nor any Affiliate of the Developer is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable Laws: the Specially Designated

Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

24.2 Representations and Warranties of the City. To induce the Developer to execute this Agreement and perform its obligations hereunder, the City hereby represents and warrants to the Developer that the City has authority under its home rule powers to execute and deliver this Agreement and perform the terms and obligations contained herein.

24.3 Survival of Representations and Warranties. Each of the Parties agrees that all warranties, representations, covenants and agreements contained in this Section 24 and elsewhere in this Agreement are true, accurate and complete as of the Effective Date and shall survive the Effective Date and shall be in effect until the issuance of the Certificate of Completion.

The refusal to accept delivery by any party or the inability to deliver any communication because of a changed address of which no notice has been given in accordance with this Section 25 shall constitute delivery.

#### **SECTION 26. BUSINESS RELATIONSHIPS.**

The Developer acknowledges (a) receipt of a copy of Section 2-156-030 (b) of the Municipal Code, (b) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (c) notwithstanding anything to the contrary contained in this Agreement, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. The Developer hereby represents and warrants that no violation of Section 2-145-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

#### **SECTION 27. PROHIBITION ON CERTAIN CONTRIBUTIONS PURSUANT TO MAYORAL EXECUTIVE ORDER NO. 2011-4.**

27.1 The Developer agrees that it, any person or entity who directly or indirectly has an ownership or beneficial interest in it of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, its contractors (i.e., any person or entity in direct contractual privity with the Developer regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (such Owners and all other preceding classes of persons and entities, collectively the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago or to his political fundraising committee (a) after execution of this Agreement by the Developer, (b) while this Agreement or any Other Contract (as hereinafter defined) is executory, (c) during the term of this Agreement or any Other Contract, or (d) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to May 16, 2011, the effective date of Executive Order 2011-4.

27.2 The Developer represents and warrants that from the later of (a) May 16, 2011, or (b) the date the City approached the Developer, or the date the Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

27.3 The Developer agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

27.4 The Developer agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 05-1.

27.5 Notwithstanding anything to the contrary contained herein, the Developer agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this Section 27 or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this Agreement, and under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

27.6 If the Developer intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the Closing, the City may elect to decline to close the transaction contemplated by this Agreement.

27.7 For purposes of this provision:

(a) "Bundle" means to collect contributions from more than one source, which contributions are then delivered by one person to the Mayor or to his political fundraising committee.

(b) "Other Contract" means any other agreement with the City to which the Developer is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council.

(c) "Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code, as amended.

(d) Individuals are "domestic partners" if they satisfy the following criteria:

(i) they are each other's sole domestic partner, responsible for each other's common welfare; and

(ii) neither party is married; and

(iii) the partners are not related by blood closer than would bar marriage in the State of Illinois; and

(iv) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and

(v) two of the following four conditions exist for the partners:

(1) The partners have been residing together for at least 12 months.

- (2) The partners have common or joint ownership of a residence.
- (3) The partners have at least two of the following arrangements:
  - (A) joint ownership of a motor vehicle;
  - (B) joint credit account;
  - (C) a joint checking account;
  - (D) a lease for a residence identifying both domestic partners as tenants.
- (4) Each partner identifies the other partner as a primary beneficiary in a will.

(e) "Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code, as amended.

#### **SECTION 28. INSPECTOR GENERAL AND LEGISLATIVE INSPECTOR GENERAL.**

It is the duty of every officer, employee, department, agency, contractor, subcontractor, developer and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Legislative Inspector General and with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapters 2-55 and 2-56, respectively, of the Municipal Code. The Developer understands and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code.

#### **SECTION 29. WASTE ORDINANCE PROVISIONS.**

In accordance with Section 11-4-1600(e) of the Municipal Code, the Developer warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this Agreement is executory, any violation of the Waste Sections by the Developer, its General Contractor or any subcontractor, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole discretion of the Commissioner of DOH. Such breach and default entitles the City to all remedies under this Agreement, at law or in equity. This section does not limit the duty of the Developer, the General Contractor and any subcontractors to comply with all applicable Laws, in effect now or later, and whether or not they appear in this Agreement. Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Agreement, and may further affect the Developer's eligibility for future contract awards.

#### **SECTION 30. 2014 CITY HIRING PLAN.**

30.1 The City is subject to the June 16, 2014 "City of Chicago Hiring Plan" (as amended, the "2014 City Hiring Plan") entered in *Shakman v. Democratic Organization of Cook County*, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the 2014 City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

30.2 The Developer is aware that City policy prohibits City employees from directing any individual to apply for a position with the Developer, either as an employee or as a subcontractor, and from directing the Developer to hire an individual as an employee or as a subcontractor. Accordingly, the Developer must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by the Developer under this Agreement are employees or subcontractors of the Developer, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by the Developer.

30.3 The Developer will not condition, base, or knowingly prejudice or affect any term or aspect to the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

30.4 In the event of any communication to the Developer by a City employee or City official in violation of Section 32.2 above, or advocating a violation of Section 32.3 above, the Developer will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General (the "OIG"), and also to the head of the relevant City department utilizing services provided under this Agreement. The Developer will also cooperate with any inquiries by the OIG.

#### **SECTION 31. FAILURE TO MAINTAIN ELIGIBILITY TO DO BUSINESS WITH THE CITY.**

Failure by the Developer or any controlling person (as defined in Section 1-23-010 of the Municipal Code) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code shall be grounds for termination of this Agreement and the transactions contemplated hereby. The Developer shall at all times comply with Section 2-154-020 of the Municipal Code.

#### **SECTION 32. MISCELLANEOUS.**

The following general provisions govern this Agreement:

32.1 **Counterparts.** This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and all of which, taken together, shall constitute a single, integrated instrument.

32.2 **Cumulative Remedies.** The remedies of any party hereunder are cumulative and the exercise of any one or more of such remedies shall not be construed as a waiver of any other remedy herein conferred upon such party or hereafter existing at law or in equity, unless specifically so provided herein.

32.3 Date for Performance. If the final date of any time period set forth herein falls on a Saturday, Sunday or legal holiday under the laws of Illinois or the United States of America, then such time period shall be automatically extended to the next business day.

32.4 Disclaimer. Nothing contained in this Agreement nor any act of the City shall be deemed or construed by any of the parties, or by any third person, to create or imply any relationship of third-party beneficiary, principal or agent, limited or general partnership or joint venture, or to create or imply any association or relationship involving the City.

32.5 Entire Agreement; Modification. This Agreement constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes any prior agreements, negotiations and discussions. This Agreement may not be modified or amended in any manner without the prior written consent of the parties hereto. No term of this Agreement may be waived or discharged orally or by any course of dealing, but only by an instrument in writing signed by the party benefited by such term.

32.6 Exhibits. All exhibits referred to herein and attached hereto shall be deemed part of this Agreement.

32.7 Force Majeure. Neither the City nor the Developer shall be considered in breach of or in default of its obligations under this Agreement in the event of a delay due to unforeseeable events or conditions beyond the reasonable control of the party affected which in fact interferes with the ability of such party to discharge its obligations hereunder, including, without limitation, fires, floods, strikes, shortages of material and unusually severe weather or delays of subcontractors due to such causes. The time for the performance of the obligations shall be extended only for the period of the delay and only if the party relying on this section requests an extension in writing within twenty (20) days after the beginning of any such delay.

32.8 Form of Documents. All documents required by this Agreement to be submitted, delivered or furnished to the City shall be in form and content satisfactory to the City.

32.9 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Illinois.

32.10 Headings. The headings of the various sections and subsections of this Agreement have been inserted for convenience of reference only and shall not in any manner be construed as modifying, amending or affecting in any way the express terms and provisions hereof.

32.11 Limitation of Liability. No member, official, officer, director, trustee or employee of the City or the Developer shall be personally liable in the event of any default or breach under this Agreement or for any amount which may become due to any other party under the terms of this Agreement.

32.12 No Merger. The terms of this Agreement shall not be merged with the Deed, and the delivery of the Deed shall not be deemed to affect or impair the terms of this Agreement.

32.13 No Waiver. No waiver by the City with respect to any specific default by the Developer shall be deemed to be a waiver of the rights of the City with respect to any other defaults of the Developer, nor shall any forbearance by the City to seek a remedy for any breach or default be deemed a waiver of its rights and remedies with respect to such breach or

default, nor shall the City be deemed to have waived any of its rights and remedies unless such waiver is in writing.

32.14 Severability. If any term of this Agreement or any application thereof is held invalid or unenforceable, the remainder of this Agreement shall be construed as if such invalid part were never included herein and this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

32.15 Successors and Assigns. Except as otherwise provided in this Agreement, the terms and conditions of this Agreement shall apply to and bind the successors and assigns of the parties.

32.16 Venue and Consent to Jurisdiction. If there is a lawsuit under this Agreement, each party agrees to submit to the jurisdiction of the courts of Cook County, the State of Illinois and the United States District Court for the Northern District of Illinois.

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. The foregoing recitals, findings and statements of fact are hereby adopted as the findings of the City Council.

SECTION 2. The City hereby approves the conveyance of the Property to NeighborSpace for the sum of One and no/100 Dollars (\$1.00) per parcel, subject to the satisfaction of the following conditions (unless waived by the Department of Planning and Development (the "Department") in its sole discretion):

(a) The City shall have obtained the Final NFR and shall have installed the Engineered Barrier on the Property; and

(b) The Property shall have been rezoned to zoning districts that permit outdoor urban farms.

SECTION 3. The Mayor or his proxy is authorized to execute, and the City Clerk is authorized to attest, one or more quitclaim deeds conveying the Property to, NeighborSpace. The quitclaim deed(s) shall include the following covenants running with the land, if such covenants are applicable, or language substantially similar and acceptable to the Corporation Counsel:

First: NeighborSpace shall use, or permit the use, of the Property as open space only, including, without limitation, as a community garden or an urban farm. If NeighborSpace uses, or permits the use of, the Property for any other purpose, the City may re-enter and take possession of the Property, terminate the estate conveyed to NeighborSpace, and revert title to the Property in the City. The Commissioner of the Department, in his sole and absolute discretion, shall have the authority to release or modify this covenant upon the request of NeighborSpace.

Second: The City has enrolled the Property in the IEPA's SRP and obtained the Final NFR in a manner that complies with all land use restrictions, institutional controls and

other terms and conditions contained in the Final NFR Letter for the Property. If the usage of the Property changes, NeighborSpace shall re-enroll the Property in the SRP and receive an appropriate Final NFR for the proposed usage. If NeighborSpace uses, or permits the use of, the Property for any purpose that does not comply with the requirements in this covenant, the City may re-enter and take possession of the Property, terminate the estate conveyed to NeighborSpace, and re-vest title to the Property in the City.

Third: The Property has been improved with the Engineered Barrier. NeighborSpace shall use, and permit the use of, the Property only in a manner that does not disturb the Engineered Barrier. If NeighborSpace uses, or permits the use of, the Property in any way that disturbs the Engineered Barrier, the City may re-enter and take possession of the Property, terminate the estate conveyed to NeighborSpace, and re-vest title to the Property in the City.

Fourth: NeighborSpace acknowledges and agrees that the Property is being conveyed, and NeighborSpace accepts the Property, in its "as is", "where is" and "with all faults" condition without any covenant, representation or warranty, express or implied, of any kind, as to the structural, physical or environmental condition of the Property or the suitability of the Property for any purpose whatsoever. NeighborSpace, on behalf of herself/himself/themselves/itself (as applicable) and hers/his/their/its (as applicable) successors and assigns, shall release, relinquish and forever discharge the City and its officers, employees, agencies, departments and officials, from and against any and all claims, causes of action, demands, legal or administrative proceedings, losses, damages, liabilities, judgments, amounts paid in settlement, interest, fines, penalties, costs and expenses (including, without limitation, reasonable attorney's fees and expenses and court costs) based upon, arising out of or in any way connected with, directly or indirectly, the structural, physical or environmental condition of the Property. The foregoing covenant of release is part of the consideration for the Property and shall run with the land and bind NeighborSpace and NeighborSpace's successors and assigns.

Fifth: The Halsted Parcel and the 59<sup>th</sup> Street Parcels are located in the Englewood Neighborhood Redevelopment Area ("Area"), established pursuant to ordinances adopted by the City Council on June 27, 2001, and published in the *Journal* for such date at pages 61852 through 62055. NeighborSpace is obligated to use the Halsted Parcel and the 59<sup>th</sup> Street Parcels only for uses permitted under the redevelopment plan for the Area, until such redevelopment plan expires. NeighborSpace's acceptance of this deed shall be deemed to be NeighborSpace's agreement to comply with such use restrictions.

Sixth: NeighborSpace shall not discriminate on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status, or source of income in the sale, lease, rental, use or occupancy of the Property or any part thereof.

SECTION 4. The Commissioner of the Department ("Commissioner") or a designee of the Commissioner is each hereby authorized to negotiate, execute and deliver such documents as may be necessary or appropriate to implement the provisions of this ordinance, subject to the approval of the Corporation Counsel. Such documents may contain terms and provisions that the Commissioner or the Commissioner's designee deem appropriate.

SECTION 5. If any provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such provision shall not affect any of the other provisions of this ordinance.

SECTION 6. All ordinances, resolutions, motions or orders in conflict with this ordinance are hereby repealed to the extent of such conflict.

SECTION 7. This ordinance shall be in full force and effect immediately upon its passage and approval.

Exhibits "A-1", "A-2", "A-3" and "A-4" referred to in this ordinance read as follows:

**RECITALS**

**WHEREAS**, Landlord is the owner of the real property located at 3800-3804 West Chicago Avenue, Chicago, Illinois, 60651, consisting of 9,125 square feet of vacant land (PINs 16-02-328-037 and 16-02-328-038, the "**East Parcel**"); and

**WHEREAS**, Landlord, prior to the commencement of this Lease, will improve the East Parcel and the West Parcel (together, the "**Premises**") with landscaping and permeable surfaces as a way to detain storm water to help divert rainfall away from storm sewers; and

**WHEREAS**, Tenant will be responsible for maintaining the Premises, including all improvements thereon; and

**WHEREAS**, Tenant will use the Premises for recreational purposes; and

**WHEREAS**, Landlord has agreed to lease to Tenant, and Tenant has agreed to lease from Landlord, the Premises, upon the terms and conditions set forth herein.

**NOW THEREFORE**, in consideration of the covenants, and agreements contained herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

**SECTION 1. INCORPORATION OF RECITALS**

The recitals set forth above constitute an integral part of this Lease and are incorporated herein by this reference with the same force and effect as if set forth herein as agreements of the parties.

**SECTION 2. GRANT**

Approximately 9,125 square feet of land located at 3800-3804 West Chicago Avenue, Chicago, Illinois (PINs 16-02-328-037 and -038); and

Approximately 3,000 square feet of land located at 3812 West Chicago Avenue, Chicago, Illinois (PIN 16-02-328-035).

### **SECTION 3. TERM**

The term of this Lease ("Term") shall commence on the date set forth in the preamble ("Commencement Date"), and shall end on December 31, 2028, unless sooner terminated as set forth in this Lease.

### **SECTION 4. RENT, TAXES, AND UTILITIES**

4.1 **Rent.** Tenant shall pay base rent for the Premises in the amount of One Dollar (\$1.00) for the entire Term, with the receipt and sufficiency of said sum hereby acknowledged by both parties. The term "Rent" as used herein means the base rent of \$1.00 plus all other payments due under this Lease of any kind or nature.

4.2 **Utilities.** As of the Commencement Date, utilities do not serve the Premises. If required by Tenant, Tenant shall pay when due all charges for gas, electricity, light, heat, water, power and telephone or other communication service, and all other utility services used in or supplied to the Premises. Landlord shall assume no responsibility for payment of any utilities or any other services used or supplied to the Premises.

4.3 **Taxes and Other Levies.** Tenant shall pay when due any real estate or leasehold taxes, interest, or penalties assessed or levied on the Premises. Tenant shall contact the appropriate taxing body to ascertain the tax amount assessed on the subject Premises. Tenant shall provide Landlord with proof of payment in full within ten (10) days of such payment. Tenant further acknowledges that real estate taxes are paid one (1) year in arrears in Cook County and that as a result Tenant shall be responsible for the satisfaction of leasehold, real estate, and other property taxes assessed or levied on the Premises on account of Tenant's use for at least one year after Tenant vacates the Premises. Tenant's failure to pay any such taxes, interest, or penalties shall constitute a default under this Lease. Notwithstanding the foregoing, nothing herein shall preclude Tenant from contesting any charge or taxes, interest, or penalties levied against the Premises. The failure of Tenant to pay such taxes, interest, or penalties during the pendency of the contest shall not constitute a default under this Lease. Tenant's tax responsibilities under this section shall survive the expiration, cancellation, or termination of this Lease.

4.4 **Accord and Satisfaction.** No payment by Tenant or receipt by Landlord of a lesser amount than any installment or payment of Rent or other costs due hereunder shall be deemed to be other than on account of the amount due. No endorsement of statement or any check or any letter accompanying any check or payment of rent shall be deemed an accord and satisfaction. Landlord may accept such check or payment without prejudice as to Landlord's

right to recover the balance of such installment or payment. Landlord may pursue any other remedies available to Landlord at law or equity.

**SECTION 5. CONDITION AND ENJOYMENT OF PREMISES, ALTERATIONS AND ADDITIONS, SURRENDER**

5.1 Covenant of Quiet Enjoyment. Landlord covenants and agrees that Tenant, upon paying the rent and upon observing and keeping the covenants, agreements and conditions of this Lease on its part to be kept, observed and performed, shall lawfully enjoy the Premises (subject to the provisions of this Lease) during the Term without hindrance or molestation by Landlord.

5.2 Tenant's Duty to Maintain Premises and Right of Access. Tenant shall, at Tenant's expense, keep the Premises in a condition of thorough repair and good order, and in compliance with all relevant State and Federal laws and with all applicable provisions of the Municipal Code of Chicago, including all applicable provisions of the Landscape Ordinance of the City of Chicago. If Tenant shall refuse or neglect to make needed repairs within thirty (30) days after written notice thereof sent by Landlord, unless such repair cannot be remedied within (30) days, and Tenant shall have commenced and is diligently pursuing all necessary action to remedy such repair, Landlord, at Landlord's option, is authorized to either make such repairs and Tenant will promptly and within thirty (30) days of demand reimburse Landlord for the reasonable cost thereof, or Landlord can immediately terminate this Lease by providing the Tenant with written notice thereof. Landlord shall have the right of access to the Premises for the purpose of inspecting and making repairs to the Premises, provided that except in the case of emergencies, Landlord shall first give notice to Tenant of Landlord's desire to enter the Premises and Landlord will schedule its entry so as to minimize any interference with Tenant's use of Premises.

5.3 Use of the Premises. Tenant covenants that Tenant shall use the Premises strictly as a recreational space. Tenant shall not use the Premises in a manner that creates excessive noise or disturbs neighboring properties. Tenant shall not use the Premises in a manner that would violate any Law. Tenant further covenants not to do or suffer any waste or damage, , disfigurement or injury to any building or improvement on the Premises, or to fixtures and equipment thereof. Tenant shall comply in all respects with the laws, ordinances, orders, rules, regulations, and requirements of all federal, state and municipal governmental departments which may be applicable to the Premises or to the use or manner of use of the Premises. The promotion and operation of the Premises shall not include direct or indirect participation or intervention in political campaigns on behalf of or in opposition to any candidate for public office. In addition, Tenant covenants that Tenant shall not use said Premises for any other political functions or for religious activities of any sort. Parking is not allowed on the Premises. Tenant shall not operate the Premises for parking purposes or in a manner that would cause the Premises to be deemed a "Competing Parking Facility" under the Chicago Metered Parking System Agreement dated December 4, 2008, as amended on June 5, 2013, by and between the City of Chicago and Chicago Parking Meters, LLC.

5.4 Environmental Requirements. Tenant shall comply with the environmental requirements that are contained in Exhibit X attached hereto.

5.4 Alterations and Additions. Tenant may not make any alterations, additions and/or improvements to the Premises, including any fencing or land grading, without the prior written consent of Landlord's Commissioner of the Department of Fleet and Facility Management. Any additions and improvements shall be without cost to Landlord and shall become property of Landlord at Lease termination without offset or other credit to Tenant.

5.5 Obligation to Restore the Premises. Upon completion of the Activity, Tenant shall promptly restore the Premises to the condition or better existing as of the Commencement Date, and shall remove all personal property, trash, wastes and debris placed on the Premises by Tenant or its agents. Tenant shall dispose of all trash, wastes and debris in accordance with all applicable Laws (as hereinafter defined), including without limitation, all applicable Environmental Laws (as hereinafter defined). Any personal property, trash or debris left by Tenant on or about the Premises shall be considered abandoned and may be disposed of in the City's sole discretion. Tenant agrees to pay for any removal or disposal costs the City may incur. The City shall be reimbursed for all sums it pays in connection with this Lease. Such reimbursement shall occur within fifteen (15) days of such City payment, with interest accruing from the date of such City payment at the rate of 12% per annum. Tenant shall be responsible for any damage to the Premises or any surrounding Premises, structures, utility lines or subsurface lines or cables caused by the acts or omissions of Tenant or its agents, including but not limited to, vandalism or misuse of the Premises, and shall undertake any repairs necessitated by such acts or omissions.

5.6 Hazardous Substances. Tenant shall not use or store any Hazardous Substances (defined below) on the Premises unless otherwise approved by the City's Department of Fleet and Facility Management. Tenant shall promptly notify the City if Tenant discovers any Hazardous Substances on the Premises. As used in this Lease, the term "Hazardous Substances" shall mean any toxic substance, hazardous material, hazardous chemical or hazardous, toxic or dangerous waste defined or qualifying as such in (or for the purposes of) any Environmental Laws (as defined hereunder), or any pollutant, toxic vapor, or contaminant, and shall include, but not be limited to, polychlorinated biphenyls (PCBs), crude oil, any fraction thereof, or refined petroleum products such as oil, gasoline, or other petroleum-based fuels, lead paint, asbestos or asbestos-containing materials, urea formaldehyde, any radioactive material or by-product material, radon and mold. "Environmental Laws" shall mean any and all Laws, permits and other requirements or guidelines of governmental authorities applicable to the Premises and relating to the regulation and protection of human health, safety, the environment, natural resources or to any Hazardous Substances, including without limitation, any Laws requiring the filing of reports and notices relating to Hazardous Substances.

## **SECTION 6. ASSIGNMENT, SUBLEASE, AND LIENS**

6.1 Assignment and Sublease. Tenant shall not assign this Lease in whole or in part, or sublet the Premises or any part thereof.

6.2 Tenant's Covenant against Encumbering Title. Tenant shall not do any act which shall in any way encumber the fee simple estate of the Landlord in and to the Premises, nor shall

the interest or estate of the Landlord in the Premises be in any way subject to any claim by way of lien or encumbrance, whether by operation of law or by virtue of any express or implied contract by Tenant. Any claim to, or lien upon, the Premises arising from any act or omission of Tenant shall accrue only against the leasehold estate of Tenant and shall be subject to and subordinate to the paramount title and rights of Landlord in and to the Premises.

6.3 Tenant's Covenant against Liens. Tenant shall not permit the Premises to become subject to any mechanic's, laborer's, or materialmen's liens on account of labor or material furnished to Tenant or claimed to have been furnished to Tenant. In case of any such lien attaching, Tenant shall immediately pay and remove such lien or furnish security or indemnify Landlord in a manner satisfactory to Landlord in its sole discretion to protect Landlord against any defense or expense arising from such lien. Except during any period in which Tenant appeals any judgment or obtains a rehearing of any such lien, or in the event judgment is stayed, Tenant shall immediately pay any judgment rendered against Tenant, with all proper costs and charges, and shall have the lien released and any judgment satisfied. If Tenant fails to pay and remove any lien or contest such lien in accordance herewith, Landlord, at its election, may, but is not obligated to, pay and satisfy same, and all sums so paid by Landlord, shall become immediately due and payable by Tenant, with interest from the date of payment at the rate set at 12% per annum, provided that such rate shall not be deemed usurious by any federal, state or local law.

## **SECTION 7. INSURANCE AND INDEMNIFICATION**

7.1 Insurance. The Tenant shall procure and maintain at all times, at Tenant's own expense, during the Term of this Lease, the insurance coverages and requirements specified below, insuring all operations related to this Lease. The kinds and amounts of insurance required are as follows:

a) Workers Compensation and Employers Liability Insurance. Workers Compensation as prescribed by applicable law, covering all employees who have access to the Premises under this Lease, and Employer's Liability Insurance with limits of not less than \$500,000 each accident, illness or disease.

b) Commercial Liability Insurance. (Primary and Umbrella). Commercial General Liability Insurance or equivalent, with limits of not less than \$2,000,000 per occurrence, for bodily injury, personal injury, and property damage liability. Coverage shall include the following: All premises and operations, products/completed operations, defense, separation of insureds, and contractual liability (not to include Endorsement CG 21 39 or equivalent).

The City of Chicago, its employees, elected officials, agents, and representatives shall be named as additional insureds under the policy. The additional insured coverage shall not have any limiting endorsements or language under the policy such as, but not limited to, Tenant's sole negligence or the Additional Insured's vicarious liability. Tenant's liability insurance shall be primary without right of contribution by any other insurance or self-insurance maintained by or available to the City.

c) Automobile Liability Insurance (Primary and Umbrella). When any motor vehicles (owned, non-owned and hired) are used in connection with the Lease, Tenant shall provide and maintain Automobile Liability Insurance with limits of not less than \$2,000,000 per occurrence, for bodily injury and property damage. The City of Chicago shall be named as an additional insured on a primary, non-contributory basis.

The Tenant shall be responsible for all loss or damage to personal property (including but not limited to materials, equipment, tools and supplies), owned or rented, by the Tenant.

7.2 Other Terms of Insurance. Tenant will furnish the City of Chicago, Department of Fleet and Facility Management, Office of Real Estate Management, 30 North LaSalle Street, Suite 300, Chicago, Illinois 60602, original Certificates of Insurance evidencing the required coverage to be in force on the date of this Lease, and renewal certificates of insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the Term. Tenant shall submit evidence of insurance prior to execution of the Lease. The receipt of any certificate does not constitute agreement by Landlord that the insurance requirements in the Lease have been fully met or that the insurance policies indicated on the certificate are in compliance with all requirements in the Lease. The failure of Landlord to obtain certificates or other insurance evidence from Tenant shall not be deemed to be a waiver by Landlord. The Tenant shall advise all insurers of the Lease provisions regarding insurance. Non-conforming insurance shall not relieve Tenant of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Lease and Landlord retains the right to terminate or suspend the Lease until proper evidence of insurance is provided.

Tenant shall provide for 60 days prior written notice to be given to the Landlord in the event coverage is substantially changed, canceled, or non-renewed.

Any and all deductibles or self-insured retentions on referenced Tenant insurance coverages shall be borne by Tenant.

Tenant hereby grants to Landlord a waiver of any right of subrogation which any insurer of Tenant may acquire against Landlord by virtue of the payment of any loss under the insurance. Tenant agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the Landlord has received a waiver of subrogation endorsement from the insurer(s).

Tenant expressly understands and agrees that any coverages and limits furnished by Tenant shall in no way limit Tenant's liabilities and responsibilities specified within this Lease or by law.

Tenant expressly understands and agrees that its insurance is primary and any insurance or self-insurance programs maintained by Landlord shall not contribute with insurance provided by Tenant.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Lease or any limitation placed on the indemnity in this Lease given as a matter of law.

If Tenant is a joint venture or limited liability company, the insurance policies shall name the joint venture or limited liability company as a named insured.

If Tenant maintains higher limits than the minimums shown above, Landlord shall be entitled to coverage for the higher limits maintained by Tenant. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the Landlord.

Notwithstanding any provision to the contrary, the City of Chicago, Department of Finance, Office of Risk Management, maintains the rights to modify, delete, alter or change these requirements at any time during the Term of this Lease.

7.3 Tenant's Indemnification. Tenant shall indemnify, defend, and hold Landlord harmless against all liabilities, judgments, amounts paid in settlement, arbitration or mediation awards, costs, damages, and expenses (including reasonable attorney's fees, expenses, and court costs), whether such claim is related to or arises from personal injury or property damage which may be expended by or accrue against, be charged to, or be recovered from Landlord or Tenant by reason of Tenant's performance of or failure to perform any of Tenant's obligations under this Lease or Tenant's negligent acts or failure to act, or resulting from the acts or failure to act of Tenant's contractors, respective officers, directors, agents, or employees. This Section shall survive the expiration or termination of this Lease.

## **SECTION 8. DAMAGE OR DESTRUCTION**

8.1 Damage or Destruction. If the Premises are damaged, destroyed, or sustain a casualty to such extent that Tenant cannot continue, occupy or conduct its normal business therein, or if, in Landlord's opinion or Tenant's opinion, the Premises are rendered unusable, either Landlord or Tenant shall have the option to declare this Lease terminated as of the date of such damage or destruction by giving the other party five (5) days written notice to such effect.

## **SECTION 9. CONFLICT OF INTEREST AND GOVERNMENTAL ETHICS**

9.1 Conflict of Interest. No official or employee of the City of Chicago, nor any member of any board, commission or agency of the City of Chicago, shall have any financial interest (as defined in Chapter 2-156 of the Municipal Code), either direct or indirect, in the Premises; nor shall any such official or employee participate in making or in any way attempt to use his or her position to influence any City governmental decision or action with respect to this Lease.

9.2 Duty to Comply with Governmental Ethics Requirements. Landlord and Tenant shall comply with Chapter 2-156 of the Municipal Code of Chicago, "Governmental Ethics," including but not limited to section 2-156-120, which states that no payment, gratuity, or offer of employment shall be made in connection with any City of Chicago contract, as an inducement for the award of that contract or order. Any contract or lease negotiated, entered into, or

performed in violation of any of the provisions of Chapter 2-156 shall be voidable in the sole discretion of the City.

**SECTION 10. HOLDING OVER**

10.1 Holding Over. Any holding over by Tenant shall be construed to be a tenancy from month to month only beginning on January 1, 2029. During such holding over all provisions of this Lease shall remain in full force and effect.

**SECTION 11. MISCELLANEOUS**

11.1 Notice. All notices, demands and requests which may be or are required to be given, demanded or requested by either party to the other shall be in writing. All notices, demands and requests by Tenant to Landlord shall be delivered by national overnight courier or shall be sent by United States registered or certified mail, return receipt requested, postage prepaid addressed to Landlord as follows:

or at such other place as Tenant may from time to time designate by written notice to Landlord. Any notice, demand or request which shall be served upon Tenant by Landlord, or upon Landlord by Tenant, in the manner aforesaid, shall be deemed to be sufficiently served or given for all purposes hereunder at the time such notice, demand or request shall be mailed.

11.2 Partial Invalidity. If any covenant, condition, provision, term or agreement of this Lease shall, to any extent, be held invalid or unenforceable, the remaining covenants, conditions, provisions, terms and agreements of this Lease shall not be affected thereby, but each covenant, condition, provision, term or agreement of this Lease shall be valid and in force to the fullest extent permitted by law.

11.3 Governing Law. This Lease shall be construed and be enforceable in accordance with the laws of the State of Illinois, without regard to its choice of laws principles.

11.4 Entire Agreement. All preliminary and contemporaneous negotiations are merged into and incorporated in this Lease. This Lease contains the entire agreement between the parties and shall not be modified or amended in any manner except by an instrument in writing executed by the parties hereto. This Lease may be executed in several duplicate counterparts, each of which shall be deemed an original of this Lease for all purposes.

11.5 Captions and Section Numbers. The captions and section numbers appearing in this Lease are inserted only as a matter of convenience and in no way define, limit, construe or describe the scope or intent of such sections of this Lease nor in any way affect this Lease.

11.6 Binding Effect of Lease. The covenants, agreements, and obligations contained in this Lease shall extend to, bind, and inure to the benefit of the parties hereto and their legal representatives, heirs, successors, and assigns.

11.7 Time is of the Essence. Time is of the essence of this Lease and of each and every provision hereof.

11.8 No Principal/Agent or Partnership Relationship. Nothing contained in this Lease shall be deemed or construed by the parties hereto nor by any third party as creating the relationship of principal and agent or of partnership or of joint venture between the parties hereto.

11.9 Authorization to Execute Lease. The parties executing this Lease hereby represent and warrant that they are duly authorized and acting representatives of Landlord and Tenant respectively and that by their execution of this Lease, it became the binding obligation of Landlord and Tenant respectively, subject to no contingencies or conditions except as specifically provided herein.

11.10 Termination of Lease. Landlord and Tenant shall have the right to terminate this Lease for any reason without penalty by providing each other with 30 days prior written notice at any time after the Commencement Date.

11.11 Force Majeure. When a period of time is provided in this Lease for either party to do or perform any act or thing, the party shall not be liable or responsible for any delays due to strikes, lockouts, casualties, acts of God, wars, governmental regulation or control, and other causes beyond the reasonable control of the party, and in any such event the time period shall be extended for the amount of time the party is so delayed.

11.12 Amendments. From time to time, the parties hereto may administratively amend this Lease with respect to any provisions reasonably related to Tenant's use of the Premises and/or Landlord's administration of this Lease, including but not limited to the expansion or reduction of the Premises. Provided, however, that such amendment(s) shall not serve to extend the Term hereof nor serve to otherwise materially alter the essential provisions contained herein.

Such amendment(s) shall be in writing, shall establish the factual background necessitating such alteration, shall set forth the terms and conditions of such modification, and shall be duly executed by both Landlord and Tenant. Such amendment(s) shall only take effect upon execution by both parties. Upon execution, such amendment(s) shall become a part of this Lease and all other provisions of this Lease shall otherwise remain in full force and effect.

11.13 No Other Rights. This Lease does not give the Tenant any other right with respect to the Premises, including, but not limited to, closure of streets, sidewalks, or other public thoroughfares. Any rights not specifically granted to Tenant by and through this document are reserved exclusively to Landlord. Execution of this Lease does not obligate the City in any manner and the City shall not undertake any additional duties or services including, but not limited to, custodial services, maintenance, security, or snow removal.

Tenant shall not destroy, deface, damage, impair, nor remove any part of the Premises or facilities, equipment or appurtenances thereto.

12.8 No Religious or Political Use. Tenant shall not allow the Premises to be used for any religious or political purposes as set forth in Section 5.3 and this Section 12.8.

12.10 Required Permits. For any activity which Tenant desires to conduct on the Premises in which a license or permit is required, said license or permit must be obtained by Tenant prior to using the Premises for such activity. The Landlord's Department of Fleet and Facility Management must be notified of any such license or permit. 12.14 Security. Landlord shall have no security responsibilities or liability for any stolen personal property or any accidents on the Premises arising from the use of the Premises by any party.

12.16 Economic Disclosure Statement Affidavit ("EDS") Updates. Throughout the Term, Tenant shall provide Landlord with any material updates to the information previously submitted in Tenant's Economic Disclosure Statement and Affidavit ("EDS"). 12.17 Compliance with All Laws. Tenant and its Agents shall comply at all times with any and all applicable municipal, county, state, federal or other statutes, laws (including common law), ordinances, codes, rules and regulations (collectively, "Laws"). ### **SECTION 13. TENANT DISCLOSURES AND REPRESENTATIONS**

13.1 Business Relationships. Tenant acknowledges (A) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (B) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (C) notwithstanding anything to the contrary contained in this Lease, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Lease shall be grounds for termination of this Lease and the transactions contemplated hereby. Tenant hereby represents and warrants that no violation of Section 2-156-030 (b) has occurred with respect to this Lease or the transactions contemplated hereby.

13.2 Patriot Act Certification. Tenant represents and warrants that neither Tenant nor any Affiliate thereof (as defined in the next paragraph) is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment, the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

As used in the above paragraph, an "Affiliate" shall be deemed to be a person or entity related to Tenant that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Tenant, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

13.3 Prohibition on Certain Contributions-Mayoral Executive Order No. 2011-4. Tenant agrees that Tenant, any person or entity who directly or indirectly has an ownership or beneficial interest in Tenant of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Tenant's contractors (i.e., any person or entity in direct contractual privity with Tenant regarding the subject matter of this Lease) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Tenant and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (i) after execution of this Lease by Tenant, (ii) while this Lease or any Other Contract is executory, (iii) during the Term of this Lease or any Other Contract between Tenant and the City, or (iv) during any period while an extension of this Lease or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to May 16, 2011, the effective date of Executive Order 2011-4.

Tenant represents and warrants that from the date the City approached the Tenant or the date Tenant approached the City, as applicable, regarding the formulation of this Lease, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Tenant agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Tenant agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Notwithstanding anything to the contrary contained herein, Tenant agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Lease, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation,

termination for default) under this Lease, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Tenant intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the execution of this Lease, the City may elect to decline to lease the Premises to Tenant or to terminate the Lease after execution.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source which are then delivered by one person to the Mayor or to his political fundraising committee.

"Other Contract" means any other agreement with the City of Chicago to which Tenant is a party that is (i) formed under the authority of chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council of the City of Chicago.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

- (A) they are each other's sole domestic partner, responsible for each other's common welfare; and
- (B) neither party is married; and
- (C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and
- (D) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
- (E) two of the following four conditions exist for the partners:
  1. The partners have been residing together for at least 12 months.
  2. The partners have common or joint ownership of a residence.
  3. The partners have at least two of the following arrangements:
    - a. joint ownership of a motor vehicle;
    - b. a joint credit account;
    - c. a joint checking account;
    - d. a lease for a residence identifying both domestic partners as tenants.
  4. Each partner identifies the other partner as a primary beneficiary in a will.

"Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

13.4 Waste Ordinance Provisions. In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Tenant warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this Lease is executory, Tenant's, any general contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Lease, constitutes a breach of and an event of default under this Lease, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Commissioner of the Department of Planning and Development. Such breach and default entitles the City to all remedies under the Lease, at law or in equity. This section does not limit Tenant's, general contractor's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Lease. Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Lease, and may further affect the Tenant's eligibility for future contract awards.

13.5 Failure to Maintain Eligibility to do Business with City. Failure by Tenant or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of this Lease and the transactions contemplated thereby. Tenant shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

13.6 Cooperation with Inspector General. It is the duty of every officer, employee, department, agency, contractor, subcontractor, user of real property and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code of Chicago. Tenant understands and will abide by all provisions of Chapter 2-56 of the Municipal Code of Chicago.

13.7 2014 Hiring Plan Prohibitions.

1. The City is subject to the June 16, 2014 "City of Chicago Hiring Plan", as amended (the "2014 City Hiring Plan") entered in *Shakman v. Democratic Organization of Cook County*, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the 2014 City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

2. Tenant is aware that City policy prohibits City employees from directing any individual to apply for a position with Tenant, either as an employee or as a subcontractor, and from directing Tenant to hire any individual as an employee or as a subcontractor. Accordingly, Tenant must follow its own hiring and contracting procedures, without being influenced by the City or City employees. Any and all personnel provided by Tenant under this Lease are

employees or subcontractors of Tenant, not employees of the City of Chicago. This Lease is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Tenant.

3. Tenant will not condition, base, or knowingly prejudice or affect any term or aspect to the employment of any personnel provided under this Lease, or offer employment to any individual to provide services under this Lease, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Lease, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

4. In the event of any communication to Tenant by a City employee or City official in violation of paragraph 2 above, or advocating a violation of paragraph 3 above, Tenant will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("OIG Hiring Oversight"), and also to the head of the relevant City department utilizing services provided under this Lease. Tenant will also cooperate with any inquiries by OIG Hiring Oversight.

**IN WITNESS WHEREOF**, the parties have executed this Lease as of the day and year first above written.

Tenant shall, at Tenant's expense, keep the Premises in a condition of thorough repair and good order, and in compliance with all relevant State and Federal laws and with all applicable provisions of the Municipal Code of Chicago, including all applicable provisions of the Landscape Ordinance of the City of Chicago. If Tenant shall refuse or neglect to make needed repairs within thirty (30) days after written notice thereof sent by Landlord, unless such repair cannot be remedied within (30) days, and Tenant shall have commenced and is diligently pursuing all necessary action to remedy such repair, Landlord, at Landlord's option, is authorized to either make such repairs and Tenant will promptly and within thirty (30) days of demand reimburse Landlord for the reasonable cost thereof, or Landlord can immediately terminate this Lease by providing the Tenant with written notice thereof. Landlord shall have the right of access to the Premises for the purpose of inspecting and making repairs to the Premises, provided that except in the case of emergencies, Landlord shall first give notice to Tenant of Landlord's desire to enter the Premises

and Landlord will schedule its entry so as to minimize any interference with Tenant's use of Premises.

5.3 Use of the Premises. Tenant covenants that Tenant shall use the Premises strictly as a recreational space. Tenant shall not use the Premises in a manner that creates excessive noise or disturbs neighboring properties. Tenant shall not use the Premises in a manner that would violate any Law. Tenant further covenants not to do or suffer any waste or damage, , disfigurement or injury to any building or improvement on the Premises, or to fixtures and equipment thereof. Tenant shall comply in all respects with the laws, ordinances, orders, rules, regulations, and requirements of all federal, state and municipal governmental departments which may be applicable to the Premises or to the use or manner of use of the Premises. The promotion and operation of the Premises shall not include direct or indirect participation or intervention in political campaigns on behalf of or in opposition to any candidate for public office. In addition, Tenant covenants that Tenant shall not use said Premises for any other political functions or for religious activities of any sort. Parking is not allowed on the Premises. Tenant shall not operate the Premises for parking purposes or in a manner that would cause the Premises to be deemed a "Competing Parking Facility" under the Chicago Metered Parking System Agreement dated December 4, 2008, as amended on June 5, 2013, by and between the City of Chicago and Chicago Parking Meters, LLC.

5.4 Environmental Requirements. Tenant shall comply with the environmental requirements that are contained in Exhibit X attached hereto.

5.4 Alterations and Additions. Tenant may not make any alterations, additions and/or improvements to the Premises, including any fencing or land grading, without the prior written consent of Landlord's Commissioner of the Department of Fleet and Facility Management. Any additions and improvements shall be without cost to Landlord and shall become property of Landlord at Lease termination without offset or other credit to Tenant.

5.5 Obligation to Restore the Premises. Upon completion of the Activity, Tenant shall promptly restore the Premises to the condition or better existing as of the Commencement Date, and shall remove all personal property, trash, wastes and debris placed on the Premises by Tenant or its agents. Tenant shall dispose of all trash, wastes and debris in accordance with all applicable Laws (as hereinafter defined), including without limitation, all applicable Environmental Laws (as hereinafter defined). Any personal property, trash or debris left by Tenant on or about the Premises shall be considered abandoned and may be disposed of in the City's sole discretion. Tenant agrees to pay for any removal or disposal costs the City may incur. The City shall be reimbursed for all sums it pays in connection with this Lease. Such reimbursement shall occur within fifteen (15) days of such City payment, with interest accruing from the date of such City payment at the rate of 12% per annum. Tenant shall be responsible for any damage to the Premises or any surrounding Premises, structures, utility lines or subsurface lines or cables caused by the acts or omissions of Tenant or its agents, including but not limited to, vandalism or misuse of the Premises, and shall undertake any repairs necessitated by such acts or omissions.

"Environmental Laws" shall mean any and all Laws, permits and other requirements or guidelines of governmental authorities applicable to the Premises and relating to the regulation and protection of human health, safety, the environment, natural resources or to any Hazardous Substances, including without limitation, any Laws requiring the filing of reports and notices relating to Hazardous Substances.

## **SECTION 6. ASSIGNMENT, SUBLEASE, AND LIENS**

6.1 Assignment and Sublease. Tenant shall not assign this Lease in whole or in part, or sublet the Premises or any part thereof.

6.2 Tenant's Covenant against Encumbering Title. Tenant shall not do any act which shall in any way encumber the fee simple estate of the Landlord in and to the Premises, nor shall the interest or estate of the Landlord in the Premises be in any way subject to any claim by way of lien or encumbrance, whether by operation of law or by virtue of any express or implied contract by Tenant. Any claim to, or lien upon, the Premises arising from any act or omission of Tenant shall accrue only against the leasehold estate of Tenant and shall be subject to and subordinate to the paramount title and rights of Landlord in and to the Premises.

6.3 Tenant's Covenant against Liens. Tenant shall not permit the Premises to become subject to any mechanic's, laborer's, or materialmen's liens on account of labor or material furnished to Tenant or claimed to have been furnished to Tenant. In case of any such lien attaching, Tenant shall immediately pay and remove such lien or furnish security or indemnify Landlord in a manner satisfactory to Landlord in its sole discretion to protect Landlord against any defense or expense arising from such lien. Except during any period in which Tenant appeals any judgment or obtains a rehearing of any such lien, or in the event judgment is stayed, Tenant shall immediately pay any judgment rendered against Tenant, with all proper costs and charges, and shall have the lien released and any judgment satisfied. If Tenant fails to pay and remove any lien or contest such lien in accordance herewith, Landlord, at its election, may, but is not obligated to, pay and satisfy same, and all sums so paid by Landlord, shall become immediately due and payable by Tenant, with interest from the date of payment at the rate set at 12% per annum, provided that such rate shall not be deemed usurious by any federal, state or local law.

**SECTION 7. INSURANCE AND INDEMNIFICATION**

7.1 Insurance. The Tenant shall procure and maintain at all times, at Tenant's own expense, during the Term of this Lease, the insurance coverages and requirements specified below, insuring all operations related to this Lease. The kinds and amounts of insurance required are as follows:

a) Workers Compensation and Employers Liability Insurance. Workers Compensation as prescribed by applicable law, covering all employees who have access to the Premises under this Lease, and Employer's Liability Insurance with limits of not less than \$500,000 each accident, illness or disease.

b) Commercial Liability Insurance. (Primary and Umbrella). Commercial General Liability Insurance or equivalent, with limits of not less than \$2,000,000 per occurrence, for bodily injury, personal injury, and property damage liability. Coverage shall include the following: All premises and operations, products/completed operations, defense, separation of insureds, and contractual liability (not to include Endorsement CG 21 39 or equivalent).

The City of Chicago, its employees, elected officials, agents, and representatives shall be named as additional insureds under the policy. The additional insured coverage shall not have any limiting endorsements or language under the policy such as, but not limited to, Tenant's sole negligence or the Additional Insured's vicarious liability. Tenant's liability insurance shall be primary without right of contribution by any other insurance or self-insurance maintained by or available to the City.

c) Automobile Liability Insurance (Primary and Umbrella). When any motor vehicles (owned, non-owned and hired) are used in connection with the Lease, Tenant shall provide and maintain Automobile Liability Insurance with limits of not less than \$2,000,000 per occurrence, for bodily injury and property damage. The City of Chicago shall be named as an additional insured on a primary, non-contributory basis.

The Tenant shall be responsible for all loss or damage to personal property (including but not limited to materials, equipment, tools and supplies), owned or rented, by the Tenant.

7.2 Other Terms of Insurance. Tenant will furnish the City of Chicago, Department of Fleet and Facility Management, Office of Real Estate Management, 30 North LaSalle Street, Suite 300, Chicago, Illinois 60602, original Certificates of Insurance evidencing the required coverage to be in force on the date of this Lease, and renewal certificates of insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the Term. Tenant shall submit evidence of insurance prior to execution of the Lease. The receipt of any certificate does not constitute agreement by Landlord that the insurance requirements in the Lease have been fully met or that the insurance policies indicated on the certificate are in compliance with all requirements in the Lease. The failure of Landlord to obtain certificates or other insurance evidence from Tenant shall not be deemed to be a waiver by Landlord. The Tenant shall advise all insurers of the Lease provisions regarding insurance. Non-conforming insurance shall not relieve Tenant of the obligation to provide insurance as specified herein.

Nonfulfillment of the insurance conditions may constitute a violation of the Lease and Landlord retains the right to terminate or suspend the Lease until proper evidence of insurance is provided.

Tenant shall provide for 60 days prior written notice to be given to the Landlord in the event coverage is substantially changed, canceled, or non-renewed.

Any and all deductibles or self-insured retentions on referenced Tenant insurance coverages shall be borne by Tenant.

Tenant hereby grants to Landlord a waiver of any right of subrogation which any insurer of Tenant may acquire against Landlord by virtue of the payment of any loss under the insurance. Tenant agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the Landlord has received a waiver of subrogation endorsement from the insurer(s).

Tenant expressly understands and agrees that any coverages and limits furnished by Tenant shall in no way limit Tenant's liabilities and responsibilities specified within this Lease or by law.

Tenant expressly understands and agrees that its insurance is primary and any insurance or self-insurance programs maintained by Landlord shall not contribute with insurance provided by Tenant.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Lease or any limitation placed on the indemnity in this Lease given as a matter of law.

If Tenant is a joint venture or limited liability company, the insurance policies shall name the joint venture or limited liability company as a named insured.

If Tenant maintains higher limits than the minimums shown above, Landlord shall be entitled to coverage for the higher limits maintained by Tenant. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the Landlord.

Notwithstanding any provision to the contrary, the City of Chicago, Department of Finance, Office of Risk Management, maintains the rights to modify, delete, alter or change these requirements at any time during the Term of this Lease.

7.3 Tenant's Indemnification. Tenant shall indemnify, defend, and hold Landlord harmless against all liabilities, judgments, amounts paid in settlement, arbitration or mediation awards, costs, damages, and expenses (including reasonable attorney's fees, expenses, and court costs), whether such claim is related to or arises from personal injury or property damage which may be expended by or accrue against, be charged to, or be recovered from Landlord or Tenant by reason of Tenant's performance of or failure to perform any of Tenant's obligations under this Lease or Tenant's negligent acts or failure to act, or resulting from the acts or failure to act of

Tenant's contractors, respective officers, directors, agents, or employees. This Section shall survive the expiration or termination of this Lease.

#### **SECTION 8. DAMAGE OR DESTRUCTION**

8.1 Damage or Destruction. If the Premises are damaged, destroyed, or sustain a casualty to such extent that Tenant cannot continue, occupy or conduct its normal business therein, or if, in Landlord's opinion or Tenant's opinion, the Premises are rendered unusable, either Landlord or Tenant shall have the option to declare this Lease terminated as of the date of such damage or destruction by giving the other party five (5) days written notice to such effect.

#### **SECTION 9. CONFLICT OF INTEREST AND GOVERNMENTAL ETHICS**

9.1 Conflict of Interest. No official or employee of the City of Chicago, nor any member of any board, commission or agency of the City of Chicago, shall have any financial interest (as defined in Chapter 2-156 of the Municipal Code), either direct or indirect, in the Premises; nor shall any such official or employee participate in making or in any way attempt to use his or her position to influence any City governmental decision or action with respect to this Lease.

9.2 Duty to Comply with Governmental Ethics Requirements. Landlord and Tenant shall comply with Chapter 2-156 of the Municipal Code of Chicago, "Governmental Ethics," including but not limited to section 2-156-120, which states that no payment, gratuity, or offer of employment shall be made in connection with any City of Chicago contract, as an inducement for the award of that contract or order. Any contract or lease negotiated, entered into, or performed in violation of any of the provisions of Chapter 2-156 shall be voidable in the sole discretion of the City.

#### **SECTION 10. HOLDING OVER**

10.1 Holding Over. Any holding over by Tenant shall be construed to be a tenancy from month to month only beginning on January 1, 2024, or if Tenant exercises its option to extend the Term, beginning on January 1, 2026. During such holding over all provisions of this Lease shall remain in full force and effect.

Any notice, demand or request which shall be served upon Tenant by Landlord, or upon Landlord by Tenant, in the manner aforesaid, shall be deemed to be sufficiently served or given for all purposes hereunder at the time such notice, demand or request shall be mailed.

11.2 Partial Invalidity. If any covenant, condition, provision, term or agreement of this Lease shall, to any extent, be held invalid or unenforceable, the remaining covenants, conditions, provisions, terms and agreements of this Lease shall not be affected thereby, but each covenant, condition, provision, term or agreement of this Lease shall be valid and in force to the fullest extent permitted by law.

11.3 Governing Law. This Lease shall be construed and be enforceable in accordance with the laws of the State of Illinois, without regard to its choice of laws principles.

This Lease contains the entire agreement between the parties and shall not be modified or amended in any manner except by an instrument in writing executed by the parties hereto. This Lease may be executed in several duplicate counterparts, each of which shall be deemed an original of this Lease for all purposes.

11.5 Captions and Section Numbers. The captions and section numbers appearing in this Lease are inserted only as a matter of convenience and in no way define, limit, construe or describe the scope or intent of such sections of this Lease nor in any way affect this Lease.

11.7 Time is of the Essence. Time is of the essence of this Lease and of each and every provision hereof.

11.8 No Principal/Agent or Partnership Relationship. Nothing contained in this Lease shall be deemed or construed by the parties hereto nor by any third party as creating the relationship of principal and agent or of partnership or of joint venture between the parties hereto.

11.9 Authorization to Execute Lease. The parties executing this Lease hereby represent and warrant that they are duly authorized and acting representatives of Landlord and Tenant respectively and that by their execution of this Lease, it became the binding obligation of Landlord and Tenant respectively, subject to no contingencies or conditions except as specifically provided herein.

11.10 Termination of Lease. Landlord and Tenant shall have the right to terminate this Lease for any reason without penalty by providing each other with 30 days prior written notice at any time after the Commencement Date.

11.11 Force Majeure. When a period of time is provided in this Lease for either party to do or perform any act or thing, the party shall not be liable or responsible for any delays due to strikes, lockouts, casualties, acts of God, wars, governmental regulation or control, and other causes beyond the reasonable control of the party, and in any such event the time period shall be extended for the amount of time the party is so delayed.

11.12 Amendments. From time to time, the parties hereto may administratively amend this Lease with respect to any provisions reasonably related to Tenant's use of the Premises and/or Landlord's administration of this Lease, including but not limited to the expansion or reduction of the Premises. Provided, however, that such amendment(s) shall not serve to extend the Term hereof nor serve to otherwise materially alter the essential provisions contained herein. Such amendment(s) shall be in writing, shall establish the factual background necessitating such alteration, shall set forth the terms and conditions of such modification, and shall be duly executed by both Landlord and Tenant. Such amendment(s) shall only take effect upon execution by both parties. Upon execution, such amendment(s) shall become a part of this Lease and all other provisions of this Lease shall otherwise remain in full force and effect.

11.15 Municipal Marketing Efforts. The City shall have the right, at the City's sole discretion, but not the obligation, to install a digital advertising sign on the Premises as part of the City's municipal marketing efforts, subject to the separate approval of City Council.

11.16 Lease Construction. This Lease has been prepared by Landlord and reviewed and approved by Tenant. This Lease shall not be interpreted against either Landlord or Tenant because of the parties' mutual efforts to finalize this Lease.

12.7 Hazardous Materials. Tenant shall keep out and off of the Premises materials which cause a fire hazard or safety hazard and shall comply with reasonable requirements of Landlord's fire insurance carrier as may be requested from time to time. Tenant shall not destroy, deface, damage, impair, nor remove any part of the Premises or facilities, equipment or appurtenances thereto.

12.17 Compliance with All Laws. Tenant and its Agents shall comply at all times with any and all applicable municipal, county, state, federal or other statutes, laws (including

common law), ordinances, codes, rules and regulations (collectively, "Laws"). Contract provisions that are required to be included in this Lease by any such Laws shall be deemed included.

### **SECTION 13. TENANT DISCLOSURES AND REPRESENTATIONS**

13.1 **Business Relationships.** Tenant acknowledges (A) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (B) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (C) notwithstanding anything to the contrary contained in this Lease, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Lease shall be grounds for termination of this Lease and the transactions contemplated hereby. Tenant hereby represents and warrants that no violation of Section 2-156-030 (b) has occurred with respect to this Lease or the transactions contemplated hereby.

13.2 **Patriot Act Certification.** Tenant represents and warrants that neither Tenant nor any Affiliate thereof (as defined in the next paragraph) is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment, the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

As used in the above paragraph, an "Affiliate" shall be deemed to be a person or entity related to Tenant that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Tenant, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

13.3 **Prohibition on Certain Contributions-Mayoral Executive Order No. 2011-4.** Tenant agrees that Tenant, any person or entity who directly or indirectly has an ownership or beneficial interest in Tenant of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Tenant's contractors (i.e., any person or entity in direct contractual privity with Tenant regarding the subject matter of this Lease) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Tenant and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not

make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (i) after execution of this Lease by Tenant, (ii) while this Lease or any Other Contract is executory, (iii) during the Term of this Lease or any Other Contract between Tenant and the City, or (iv) during any period while an extension of this Lease or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to May 16, 2011, the effective date of Executive Order 2011-4.

Tenant represents and warrants that from the date the City approached the Tenant or the date Tenant approached the City, as applicable, regarding the formulation of this Lease, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Tenant agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Tenant agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Notwithstanding anything to the contrary contained herein, Tenant agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Lease, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this Lease, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Tenant intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the execution of this Lease, the City may elect to decline to lease the Premises to Tenant or to terminate the Lease after execution.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source which are then delivered by one person to the Mayor or to his political fundraising committee.

"Other Contract" means any other agreement with the City of Chicago to which Tenant is a party that is (i) formed under the authority of chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council of the City of Chicago.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

- (A) they are each other's sole domestic partner, responsible for each other's common welfare; and
- (B) neither party is married; and
- (C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and
- (D) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
- (E) two of the following four conditions exist for the partners:
  - 1. The partners have been residing together for at least 12 months.
  - 2. The partners have common or joint ownership of a residence.
  - 3. The partners have at least two of the following arrangements:
    - a. joint ownership of a motor vehicle;
    - b. a joint credit account;
    - c. a joint checking account;
    - d. a lease for a residence identifying both domestic partners as tenants.
  - 4. Each partner identifies the other partner as a primary beneficiary in a will.

"Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

13.4 Waste Ordinance Provisions. In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Tenant warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this Lease is executory, Tenant's, any general contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Lease, constitutes a breach of and an event of default under this Lease, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Commissioner of the Department of Planning and Development. Such breach and default entitles the City to all remedies under the Lease, at law or in equity. This section does not limit Tenant's, general contractor's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Lease. Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Lease, and may further affect the Tenant's eligibility for future contract awards.

13.5 Failure to Maintain Eligibility to do Business with City. Failure by Tenant or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of this Lease and the transactions contemplated thereby. Tenant shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

13.6 Cooperation with Inspector General. It is the duty of every officer, employee, department, agency, contractor, subcontractor, user of real property and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code of Chicago. Tenant understands and will abide by all provisions of Chapter 2-56 of the Municipal Code of Chicago.

13.7 2014 Hiring Plan Prohibitions.

1. The City is subject to the June 16, 2014 "City of Chicago Hiring Plan", as amended (the "2014 City Hiring Plan") entered in *Shakman v. Democratic Organization of Cook County*, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the 2014 City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

2. Tenant is aware that City policy prohibits City employees from directing any individual to apply for a position with Tenant, either as an employee or as a subcontractor, and from directing Tenant to hire any individual as an employee or as a subcontractor. Accordingly, Tenant must follow its own hiring and contracting procedures, without being influenced by the City or City employees. Any and all personnel provided by Tenant under this Lease are employees or subcontractors of Tenant, not employees of the City of Chicago. This Lease is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Tenant.

3. Tenant will not condition, base, or knowingly prejudice or affect any term or aspect to the employment of any personnel provided under this Lease, or offer employment to any individual to provide services under this Lease, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Lease, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

4. In the event of any communication to Tenant by a City employee or City official in violation of paragraph 2 above, or advocating a violation of paragraph 3 above, Tenant will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("OIG Hiring Oversight"), and also to the head of the relevant City department utilizing services provided under this Lease. Tenant will also cooperate with any inquiries by OIG Hiring Oversight.

8. Importing Landscaping Material -- Not Part Of An Engineered Barrier. Landscaping materials placed on top of engineered barriers (such as in raised beds) are subject to the following requirements:

a. Bagged landscaping material must be purchased from a landscape supply store and does not require notification, testing or reporting.

b. All bulk (loose) landscaping material requires notification, documentation and approval of the source by 2FM prior to being brought on site.

c. Bulk quantities of certified virgin stone, mulch, wood chips and compost derived entirely from landscaping materials do not require testing prior to being brought on site.

d. Bulk import of soil, non-virgin sand, non-virgin stone, or non-landscape compost of 100 cubic yards or more must undergo testing to document IEPA's most stringent soil remediation objectives (SROs) for residential land use are met. Testing requirements are provided in Section 10 below.

9. Imported Landscaping Material -- Part Of An Engineered Barrier. With the exception of mulch and wood chips, any landscaping material that will be placed within an engineered barrier are subject to the following requirements:

Analytical test results must be compared to and meet the most stringent residential Tier 1 SROs.

b. Samples may be required to be analyzed for synthetic precipitation leaching procedure (SPLP) for Target Analyte List (TAL) metals to show compliance with SROs.

c. The laboratory must be accredited by the Illinois Environmental Protection Agency's Environmental Laboratory Accreditation Program (IL ELAP).

**RECITALS**

**WHEREAS**, Landlord is the owner of the real property located at 1544-58 South Lawndale Avenue, Chicago, Illinois, 60623, consisting of 18,750 square feet of vacant land (PINs 16-23-127-035 through -038, the "Premises"); and

**WHEREAS**, Tenant will be responsible for maintaining the Premises, including all improvements thereon; and

**WHEREAS**, Tenant will use the Premises for recreational purposes; and

**WHEREAS**, Landlord has agreed to lease to Tenant, and Tenant has agreed to lease from Landlord, the Premises, upon the terms and conditions set forth herein.

**NOW THEREFORE**, in consideration of the covenants, and agreements contained herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

**SECTION 1. INCORPORATION OF RECITALS**

The recitals set forth above constitute an integral part of this Lease and are incorporated herein by this reference with the same force and effect as if set forth herein as agreements of the parties.

**SECTION 2. GRANT**

Landlord hereby leases to Tenant, and Tenant hereby leases from Landlord, the following described premises situated in the City of Chicago, County of Cook, State of Illinois, to wit:

Approximately 18,750 square feet of land located at 1544-58 South Lawndale Avenue, Chicago, Illinois.

**SECTION 3. TERM**

The term of this Lease ("Term") shall commence on the date set forth in the preamble ("Commencement Date"), and shall end on December 31, 2023, unless sooner terminated as set forth in this Lease. Tenant shall have the option to extend the Term by an additional 2 years, through December 31, 2025, such option being subject to the approval of the Landlord.

**SECTION 4. RENT, TAXES, AND UTILITIES**

4.1 Rent. Tenant shall pay base rent for the Premises in the amount of One Dollar (\$1.00) for the entire Term, with the receipt and sufficiency of said sum hereby acknowledged by both parties. The term "Rent" as used herein means the base rent of \$1.00 plus all other payments due under this Lease of any kind or nature.

4.2 Utilities. As of the Commencement Date, utilities do not serve the Premises. If required by Tenant, Tenant shall pay when due all charges for gas, electricity, light, heat, water, power and telephone or other communication service, and all other utility services used in or supplied to the Premises. Landlord shall assume no responsibility for payment of any utilities or any other services used or supplied to the Premises.

4.3 Taxes and Other Levies. Tenant shall pay when due any real estate or leasehold taxes, interest, or penalties assessed or levied on the Premises. Tenant shall contact the appropriate taxing body to ascertain the tax amount assessed on the subject Premises. Tenant shall provide Landlord with proof of payment in full within ten (10) days of such payment. Tenant further acknowledges that real estate taxes are paid one (1) year in arrears in Cook County and that as a result Tenant shall be responsible for the satisfaction of leasehold, real estate, and other property taxes assessed or levied on the Premises on account of Tenant's use for at least one year after Tenant vacates the Premises. Tenant's failure to pay any such taxes, interest, or penalties shall constitute a default under this Lease. Notwithstanding the foregoing, nothing herein shall preclude Tenant from contesting any charge or taxes, interest, or penalties levied against the Premises. The failure of Tenant to pay such taxes, interest, or penalties during the pendency of the contest shall not constitute a default under this Lease. Tenant's tax responsibilities under this section shall survive the expiration, cancellation, or termination of this Lease.

4.4 Accord and Satisfaction. No payment by Tenant or receipt by Landlord of a lesser amount than any installment or payment of Rent or other costs due hereunder shall be deemed to be other than on account of the amount due. No endorsement of statement or any check or any letter accompanying any check or payment of rent shall be deemed an accord and satisfaction. Landlord may accept such check or payment without prejudice as to Landlord's right to recover the balance of such installment or payment. Landlord may pursue any other remedies available to Landlord at law or equity.

**SECTION 5. CONDITION AND ENJOYMENT OF PREMISES, ALTERATIONS AND ADDITIONS, SURRENDER**

5.1 Covenant of Quiet Enjoyment. Landlord covenants and agrees that Tenant, upon paying the rent and upon observing and keeping the covenants, agreements and conditions of this Lease on its part to be kept, observed and performed, shall lawfully enjoy the Premises (subject to the provisions of this Lease) during the Term without hindrance or molestation by Landlord.

5.2 Tenant's Duty to Maintain Premises and Right of Access. Tenant shall, at Tenant's expense, keep the Premises in a condition of thorough repair and good order, and in compliance with all relevant State and Federal laws and with all applicable provisions of the Municipal Code of Chicago, including all applicable provisions of the Landscape Ordinance of the City of Chicago. If Tenant shall refuse or neglect to make needed repairs within thirty (30) days after written notice thereof sent by Landlord, unless such repair cannot be remedied within (30) days, and Tenant shall have commenced and is diligently pursuing all necessary action to remedy such repair, Landlord, at Landlord's option, is authorized to either make such repairs and Tenant will promptly and within thirty (30) days of demand reimburse Landlord for the reasonable cost thereof, or Landlord can immediately terminate this Lease by providing the Tenant with written notice thereof. Landlord shall have the right of access to the Premises for the purpose of inspecting and making repairs to the Premises, provided that except in the case of emergencies, Landlord shall first give notice to Tenant of Landlord's desire to enter the Premises and Landlord will schedule its entry so as to minimize any interference with Tenant's use of Premises.

5.3 Use of the Premises. Tenant covenants that Tenant shall use the Premises strictly as a recreational space. Tenant shall not use the Premises in a manner that creates excessive noise or disturbs neighboring properties. Tenant shall not use the Premises in a manner that would violate any Law. Tenant further covenants not to do or suffer any waste or damage, , disfigurement or injury to any building or improvement on the Premises, or to fixtures and equipment thereof. Tenant shall comply in all respects with the laws, ordinances, orders, rules, regulations, and requirements of all federal, state and municipal governmental departments which may be applicable to the Premises or to the use or manner of use of the Premises. The promotion and operation of the Premises shall not include direct or indirect participation or intervention in political campaigns on behalf of or in opposition to any candidate for public office. In addition, Tenant covenants that Tenant shall not use said Premises for any other political functions or for religious activities of any sort. Parking is not allowed on the Premises. Tenant shall not operate the Premises for parking purposes or in a manner that would cause the Premises to be deemed a "Competing Parking Facility" under the Chicago Metered Parking System Agreement dated December 4, 2008, as amended on June 5, 2013, by and between the City of Chicago and Chicago Parking Meters, LLC.

5.4 Environmental Requirements. Tenant shall comply with the environmental requirements that are contained in Exhibit X attached hereto.

5.4 Alterations and Additions. Tenant may not make any alterations, additions and/or improvements to the Premises, including any fencing or land grading, without the prior written

consent of Landlord's Commissioner of the Department of Fleet and Facility Management. Any additions and improvements shall be without cost to Landlord and shall become property of Landlord at Lease termination without offset or other credit to Tenant.

5.5 Obligation to Restore the Premises. Upon completion of the Activity, Tenant shall promptly restore the Premises to the condition or better existing as of the Commencement Date, and shall remove all personal property, trash, wastes and debris placed on the Premises by Tenant or its agents. Tenant shall dispose of all trash, wastes and debris in accordance with all applicable Laws (as hereinafter defined), including without limitation, all applicable Environmental Laws (as hereinafter defined). Any personal property, trash or debris left by Tenant on or about the Premises shall be considered abandoned and may be disposed of in the City's sole discretion. Tenant agrees to pay for any removal or disposal costs the City may incur. The City shall be reimbursed for all sums it pays in connection with this Lease. Such reimbursement shall occur within fifteen (15) days of such City payment, with interest accruing from the date of such City payment at the rate of 12% per annum. Tenant shall be responsible for any damage to the Premises or any surrounding Premises, structures, utility lines or subsurface lines or cables caused by the acts or omissions of Tenant or its agents, including but not limited to, vandalism or misuse of the Premises, and shall undertake any repairs necessitated by such acts or omissions.

5.6 Hazardous Substances. Tenant shall not use or store any Hazardous Substances (defined below) on the Premises unless otherwise approved by the City's Department of Fleet and Facility Management. Tenant shall promptly notify the City if Tenant discovers any Hazardous Substances on the Premises. As used in this Lease, the term "Hazardous Substances" shall mean any toxic substance, hazardous material, hazardous chemical or hazardous, toxic or dangerous waste defined or qualifying as such in (or for the purposes of) any Environmental Laws (as defined hereunder), or any pollutant, toxic vapor, or contaminant, and shall include, but not be limited to, polychlorinated biphenyls (PCBs), crude oil, any fraction thereof, or refined petroleum products such as oil, gasoline, or other petroleum-based fuels, lead paint, asbestos or asbestos-containing materials, urea formaldehyde, any radioactive material or by-product material, radon and mold. "Environmental Laws" shall mean any and all Laws, permits and other requirements or guidelines of governmental authorities applicable to the Premises and relating to the regulation and protection of human health, safety, the environment, natural resources or to any Hazardous Substances, including without limitation, any Laws requiring the filing of reports and notices relating to Hazardous Substances.

## **SECTION 6. ASSIGNMENT, SUBLEASE, AND LIENS**

6.1 Assignment and Sublease. Tenant shall not assign this Lease in whole or in part, or sublet the Premises or any part thereof.

6.2 Tenant's Covenant against Encumbering Title. Tenant shall not do any act which shall in any way encumber the fee simple estate of the Landlord in and to the Premises, nor shall the interest or estate of the Landlord in the Premises be in any way subject to any claim by way of lien or encumbrance, whether by operation of law or by virtue of any express or implied contract by Tenant. Any claim to, or lien upon, the Premises arising from any act or omission of

Tenant shall accrue only against the leasehold estate of Tenant and shall be subject to and subordinate to the paramount title and rights of Landlord in and to the Premises.

6.3 Tenant's Covenant against Liens. Tenant shall not permit the Premises to become subject to any mechanic's, laborer's, or materialmen's liens on account of labor or material furnished to Tenant or claimed to have been furnished to Tenant. In case of any such lien attaching, Tenant shall immediately pay and remove such lien or furnish security or indemnify Landlord in a manner satisfactory to Landlord in its sole discretion to protect Landlord against any defense or expense arising from such lien. Except during any period in which Tenant appeals any judgment or obtains a rehearing of any such lien, or in the event judgment is stayed, Tenant shall immediately pay any judgment rendered against Tenant, with all proper costs and charges, and shall have the lien released and any judgment satisfied. If Tenant fails to pay and remove any lien or contest such lien in accordance herewith, Landlord, at its election, may, but is not obligated to, pay and satisfy same, and all sums so paid by Landlord, shall become immediately due and payable by Tenant, with interest from the date of payment at the rate set at 12% per annum, provided that such rate shall not be deemed usurious by any federal, state or local law.

#### **SECTION 7. INSURANCE AND INDEMNIFICATION**

7.1 Insurance. The Tenant shall procure and maintain at all times, at Tenant's own expense, during the Term of this Lease, the insurance coverages and requirements specified below, insuring all operations related to this Lease. The kinds and amounts of insurance required are as follows:

a) Workers Compensation and Employers Liability Insurance. Workers Compensation as prescribed by applicable law, covering all employees who have access to the Premises under this Lease, and Employer's Liability Insurance with limits of not less than \$500,000 each accident, illness or disease.

b) Commercial Liability Insurance. (Primary and Umbrella). Commercial General Liability Insurance or equivalent, with limits of not less than \$2,000,000 per occurrence, for bodily injury, personal injury, and property damage liability. Coverage shall include the following: All premises and operations, products/completed operations, defense, separation of insureds, and contractual liability (not to include Endorsement CG 21 39 or equivalent).

The City of Chicago, its employees, elected officials, agents, and representatives shall be named as additional insureds under the policy. The additional insured coverage shall not have any limiting endorsements or language under the policy such as, but not limited to, Tenant's sole negligence or the Additional Insured's vicarious liability. Tenant's liability insurance shall be primary without right of contribution by any other insurance or self-insurance maintained by or available to the City.

c) Automobile Liability Insurance (Primary and Umbrella). When any motor vehicles (owned, non-owned and hired) are used in connection with the Lease, Tenant shall provide and maintain Automobile Liability Insurance with limits of not less than \$2,000,000 per

occurrence, for bodily injury and property damage. The City of Chicago shall be named as an additional insured on a primary, non-contributory basis.

The Tenant shall be responsible for all loss or damage to personal property (including but not limited to materials, equipment, tools and supplies), owned or rented, by the Tenant.

7.2 Other Terms of Insurance. Tenant will furnish the City of Chicago, Department of Fleet and Facility Management, Office of Real Estate Management, 30 North LaSalle Street, Suite 300, Chicago, Illinois 60602, original Certificates of Insurance evidencing the required coverage to be in force on the date of this Lease, and renewal certificates of insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the Term. Tenant shall submit evidence of insurance prior to execution of the Lease. The receipt of any certificate does not constitute agreement by Landlord that the insurance requirements in the Lease have been fully met or that the insurance policies indicated on the certificate are in compliance with all requirements in the Lease. The failure of Landlord to obtain certificates or other insurance evidence from Tenant shall not be deemed to be a waiver by Landlord. The Tenant shall advise all insurers of the Lease provisions regarding insurance. Non-conforming insurance shall not relieve Tenant of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Lease and Landlord retains the right to terminate or suspend the Lease until proper evidence of insurance is provided.

Tenant shall provide for 60 days prior written notice to be given to the Landlord in the event coverage is substantially changed, canceled, or non-renewed.

Any and all deductibles or self-insured retentions on referenced Tenant insurance coverages shall be borne by Tenant.

Tenant hereby grants to Landlord a waiver of any right of subrogation which any insurer of Tenant may acquire against Landlord by virtue of the payment of any loss under the insurance. Tenant agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the Landlord has received a waiver of subrogation endorsement from the insurer(s).

Tenant expressly understands and agrees that any coverages and limits furnished by Tenant shall in no way limit Tenant's liabilities and responsibilities specified within this Lease or by law.

Tenant expressly understands and agrees that its insurance is primary and any insurance or self-insurance programs maintained by Landlord shall not contribute with insurance provided by Tenant.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Lease or any limitation placed on the indemnity in this Lease given as a matter of law.

If Tenant is a joint venture or limited liability company, the insurance policies shall name the joint venture or limited liability company as a named insured.

If Tenant maintains higher limits than the minimums shown above, Landlord shall be entitled to coverage for the higher limits maintained by Tenant. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the Landlord.

Notwithstanding any provision to the contrary, the City of Chicago, Department of Finance, Office of Risk Management, maintains the rights to modify, delete, alter or change these requirements at any time during the Term of this Lease.

7.3 Tenant's Indemnification. Tenant shall indemnify, defend, and hold Landlord harmless against all liabilities, judgments, amounts paid in settlement, arbitration or mediation awards, costs, damages, and expenses (including reasonable attorney's fees, expenses, and court costs), whether such claim is related to or arises from personal injury or property damage which may be expended by or accrue against, be charged to, or be recovered from Landlord or Tenant by reason of Tenant's performance of or failure to perform any of Tenant's obligations under this Lease or Tenant's negligent acts or failure to act, or resulting from the acts or failure to act of Tenant's contractors, respective officers, directors, agents, or employees. This Section shall survive the expiration or termination of this Lease.

#### **SECTION 8. DAMAGE OR DESTRUCTION**

8.1 Damage or Destruction. If the Premises are damaged, destroyed, or sustain a casualty to such extent that Tenant cannot continue, occupy or conduct its normal business therein, or if, in Landlord's opinion or Tenant's opinion, the Premises are rendered unusable, either Landlord or Tenant shall have the option to declare this Lease terminated as of the date of such damage or destruction by giving the other party five (5) days written notice to such effect.

#### **SECTION 9. CONFLICT OF INTEREST AND GOVERNMENTAL ETHICS**

9.1 Conflict of Interest. No official or employee of the City of Chicago, nor any member of any board, commission or agency of the City of Chicago, shall have any financial interest (as defined in Chapter 2-156 of the Municipal Code), either direct or indirect, in the Premises; nor shall any such official or employee participate in making or in any way attempt to use his or her position to influence any City governmental decision or action with respect to this Lease.

9.2 Duty to Comply with Governmental Ethics Requirements. Landlord and Tenant shall comply with Chapter 2-156 of the Municipal Code of Chicago, "Governmental Ethics," including but not limited to section 2-156-120, which states that no payment, gratuity, or offer of employment shall be made in connection with any City of Chicago contract, as an inducement for the award of that contract or order. Any contract or lease negotiated, entered into, or performed in violation of any of the provisions of Chapter 2-156 shall be voidable in the sole discretion of the City.

**SECTION 10. HOLDING OVER**

10.1 Holding Over. Any holding over by Tenant shall be construed to be a tenancy from month to month only beginning on January 1, 2024, or if Tenant exercises its option to extend the Term, beginning on January 1, 2026. During such holding over all provisions of this Lease shall remain in full force and effect.

**SECTION 11. MISCELLANEOUS**

11.1 Notice. All notices, demands and requests which may be or are required to be given, demanded or requested by either party to the other shall be in writing. All notices, demands and requests by Tenant to Landlord shall be delivered by national overnight courier or shall be sent by United States registered or certified mail, return receipt requested, postage prepaid addressed to Landlord as follows:

Any notice, demand or request which shall be served upon Tenant by Landlord, or upon Landlord by Tenant, in the manner aforesaid, shall be deemed to be sufficiently served or given for all purposes hereunder at the time such notice, demand or request shall be mailed.

11.2 Partial Invalidity. If any covenant, condition, provision, term or agreement of this Lease shall, to any extent, be held invalid or unenforceable, the remaining covenants, conditions, provisions, terms and agreements of this Lease shall not be affected thereby, but each covenant, condition, provision, term or agreement of this Lease shall be valid and in force to the fullest extent permitted by law.

11.3 Governing Law. This Lease shall be construed and be enforceable in accordance with the laws of the State of Illinois, without regard to its choice of laws principles.

11.4 Entire Agreement. All preliminary and contemporaneous negotiations are merged into and incorporated in this Lease. This Lease contains the entire agreement between the parties and shall not be modified or amended in any manner except by an instrument in writing executed by the parties hereto. This Lease may be executed in several duplicate counterparts, each of which shall be deemed an original of this Lease for all purposes.

11.6 Binding Effect of Lease. The covenants, agreements, and obligations contained in this Lease shall extend to, bind, and inure to the benefit of the parties hereto and their legal representatives, heirs, successors, and assigns.

11.7 Time is of the Essence. Time is of the essence of this Lease and of each and every provision hereof.

11.8 No Principal/Agent or Partnership Relationship. Nothing contained in this Lease shall be deemed or construed by the parties hereto nor by any third party as creating the relationship of principal and agent or of partnership or of joint venture between the parties hereto.

11.9 Authorization to Execute Lease. The parties executing this Lease hereby represent and warrant that they are duly authorized and acting representatives of Landlord and Tenant respectively and that by their execution of this Lease, it became the binding obligation of Landlord and Tenant respectively, subject to no contingencies or conditions except as specifically provided herein.

11.10 Termination of Lease. Landlord and Tenant shall have the right to terminate this Lease for any reason without penalty by providing each other with 30 days prior written notice at any time after the Commencement Date.

Provided, however, that such amendment(s) shall not serve to extend the Term hereof nor serve to otherwise materially alter the essential provisions contained herein. Such amendment(s) shall be in writing, shall establish the factual background necessitating such alteration, shall set forth the terms and conditions of such modification, and shall be duly executed by both Landlord and Tenant. Such amendment(s) shall only take effect upon execution

11.15 Municipal Marketing Efforts. The City shall have the right, at the City's sole discretion, but not the obligation, to install a digital advertising sign on the Premises as part of the City's municipal marketing efforts, subject to the separate approval of City Council.

11.16 Lease Construction. This Lease has been prepared by Landlord and reviewed and approved by Tenant. This Lease shall not be interpreted against either Landlord or Tenant because of the parties' mutual efforts to finalize this Lease.

## **SECTION 12. ADDITIONAL RESPONSIBILITIES OF TENANT**

12.3 No Tailgating. Tenant shall not permit tailgating on the Premises.

12.7 Hazardous Materials. Tenant shall keep out and off of the Premises materials which cause a fire hazard or safety hazard and shall comply with reasonable requirements of Landlord's fire insurance carrier as may be requested from time to time. Tenant shall not destroy, deface, damage, impair, nor remove any part of the Premises or facilities, equipment or appurtenances thereto.

12.8 No Religious or Political Use. Tenant shall not allow the Premises to be used for any religious or political purposes as set forth in Section 5.3 and this Section 12.8.

12.9 No Fees. Tenant shall not charge a fee to any staff, or other invitee for use of, or access to, the Premises.

12.10 Required Permits. For any activity which Tenant desires to conduct on the Premises in which a license or permit is required, said license or permit must be obtained by Tenant prior to using the Premises for such activity. The Landlord's Department of Fleet and Facility Management must be notified of any such license or permit. Failure to obtain a required license or permit shall constitute a breach of the terms of this Lease. Tenant acknowledges that this Lease shall not act as a substitute for any permit that may be required.

12.11 Non-Discrimination. Tenant agrees that Tenant shall not discriminate on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status, or source of income in the use or occupancy of the Premises or any part thereof.

12.12 Repairs for Tenant Negligence, Vandalism, or Misuse. 12.13 No Other Rights. This Lease does not give Tenant any other right with respect to the Premises. Any rights not specifically granted to Tenant by and through this Lease are reserved exclusively to Landlord. Execution of this Lease does not obligate Landlord in any manner not specified in this Lease and Landlord shall not undertake any additional duties or services.

12.14 Security. Landlord shall have no security responsibilities or liability for any stolen personal property or any accidents on the Premises arising from the use of the Premises by any party.

12.15 Full Liability. Tenant assumes full legal and financial responsibility and liability for any and all use of the Premises by Tenant, Tenant's staff, Tenant's agents, or Tenant's invitees, or any third parties entering the Premises.

12.16 Economic Disclosure Statement Affidavit ("EDS") Updates. Throughout the Term, Tenant shall provide Landlord with any material updates to the information previously submitted in Tenant's Economic Disclosure Statement and Affidavit ("EDS"). Landlord may also request such updates from time to time. Failure to provide such information on a timely basis shall constitute a default under this Lease.

12.17 Compliance with All Laws. Tenant and its Agents shall comply at all times with any and all applicable municipal, county, state, federal or other statutes, laws (including common law), ordinances, codes, rules and regulations (collectively, "Laws"). Contract provisions that are required to be included in this Lease by any such Laws shall be deemed included.

### **SECTION 13. TENANT DISCLOSURES AND REPRESENTATIONS**

13.1 Business Relationships. Tenant acknowledges (A) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (B) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (C) notwithstanding anything to the contrary contained in this Lease, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Lease shall be grounds for termination of this Lease and the transactions contemplated hereby. Tenant hereby represents and warrants that no violation of Section 2-156-030 (b) has occurred with respect to this Lease or the transactions contemplated hereby.

13.2 Patriot Act Certification. Tenant represents and warrants that neither Tenant nor any Affiliate thereof (as defined in the next paragraph) is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment, the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

As used in the above paragraph, an "Affiliate" shall be deemed to be a person or entity related to Tenant that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Tenant, and a person or entity shall be deemed to

be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

13.3 Prohibition on Certain Contributions-Mayoral Executive Order No. 2011-4. Tenant agrees that Tenant, any person or entity who directly or indirectly has an ownership or beneficial interest in Tenant of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Tenant's contractors (i.e., any person or entity in direct contractual privity with Tenant regarding the subject matter of this Lease) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Tenant and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (i) after execution of this Lease by Tenant, (ii) while this Lease or any Other Contract is executory, (iii) during the Term of this Lease or any Other Contract between Tenant and the City, or (iv) during any period while an extension of this Lease or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to May 16, 2011, the effective date of Executive Order 2011-4.

Tenant represents and warrants that from the date the City approached the Tenant or the date Tenant approached the City, as applicable, regarding the formulation of this Lease, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Tenant agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Tenant agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Notwithstanding anything to the contrary contained herein, Tenant agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Lease, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this Lease, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Tenant intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the execution of this Lease, the City may elect to decline to lease the Premises to Tenant or to terminate the Lease after execution.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source which are then delivered by one person to the Mayor or to his political fundraising committee.

"Other Contract" means any other agreement with the City of Chicago to which Tenant is a party that is (i) formed under the authority of chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council of the City of Chicago.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

- (A) they are each other's sole domestic partner, responsible for each other's common welfare; and
- (B) neither party is married; and
- (C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and
- (D) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
- (E) two of the following four conditions exist for the partners:
  - 1. The partners have been residing together for at least 12 months.
  - 2. The partners have common or joint ownership of a residence.
  - 3. The partners have at least two of the following arrangements:
    - a. joint ownership of a motor vehicle;
    - b. a joint credit account;
    - c. a joint checking account;
    - d. a lease for a residence identifying both domestic partners as tenants.
  - 4. Each partner identifies the other partner as a primary beneficiary in a will.

"Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

13.4 Waste Ordinance Provisions. In accordance with Section 11-4-1600(e) of the

Municipal Code of Chicago, Tenant warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this Lease is executory, Tenant's, any general contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Lease, constitutes a breach of and an event of default under this Lease, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Commissioner of the Department of Planning and Development. Such breach and default entitles the City to all remedies under the Lease, at law or in equity. This section does not limit Tenant's, general contractor's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Lease. Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Lease, and may further affect the Tenant's eligibility for future contract awards.

13.5 Failure to Maintain Eligibility to do Business with City. Failure by Tenant or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of this Lease and the transactions contemplated thereby. Tenant shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

13.6 Cooperation with Inspector General. It is the duty of every officer, employee, department, agency, contractor, subcontractor, user of real property and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code of Chicago. Tenant understands and will abide by all provisions of Chapter 2-56 of the Municipal Code of Chicago.

13.7 2014 Hiring Plan Prohibitions.

1. The City is subject to the June 16, 2014 "City of Chicago Hiring Plan", as amended (the "2014 City Hiring Plan") entered in *Shakman v. Democratic Organization of Cook County*, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the 2014 City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

2. Tenant is aware that City policy prohibits City employees from directing any individual to apply for a position with Tenant, either as an employee or as a subcontractor, and from directing Tenant to hire any individual as an employee or as a subcontractor. Accordingly, Tenant must follow its own hiring and contracting procedures, without being influenced by the City or City employees. Any and all personnel provided by Tenant under this Lease are employees or subcontractors of Tenant, not employees of the City of Chicago. This Lease is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Tenant.

3. Tenant will not condition, base, or knowingly prejudice or affect any term or aspect to the employment of any personnel provided under this Lease, or offer employment to any individual to provide services under this Lease, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Lease, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

4. In the event of any communication to Tenant by a City employee or City official in violation of paragraph 2 above, or advocating a violation of paragraph 3 above, Tenant will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("OIG Hiring Oversight"), and also to the head of the relevant City department utilizing services provided under this Lease. Tenant will also cooperate with any inquiries by OIG Hiring Oversight.

**IN WITNESS WHEREOF**, the parties have executed this Lease as of the day and year first above written.

Based on the location of an existing driveway on the west side of South Oak Park Avenue at West 61 <sup>st</sup> Street, a "Stop" sign for southbound traffic would need to be placed approximately 50 feet from the cross street. Stop signs placed a large distance from the cross street can have sight line issues, complicate determining who has the right-of-way, and overall be confusing to drivers.
