REPORTS AND COMMUNICATIONS FROM CITY OFFICERS.

Rules Suspended -- TRIBUTE TO LATE KOKO TAYLOR.

[R2009-728]

The Honorable Richard M. Daley, Mayor, presented the following communication:

OFFICE OF THE MAYOR
CITY OF CHICAGO

June 30, 2009.

To the Honorable, The City Council of the City of Chicago:

LADIES AND GENTLEMEN -- I transmit herewith a resolution honoring the life and memory of Koko Taylor.

Your favorable consideration of this resolution will be appreciated.

Very truly yours,

(Signed) RICHARD M. DALEY,
Mayor.

Alderman Burke moved to *Suspend the Rules Temporarily* to permit immediate consideration of and action upon the said proposed resolution. The motion *Prevailed*.

The following is said proposed resolution:

WHEREAS, The members of this chamber were deeply saddened to learn of the death of Cora "Koko" Taylor, music icon and Grammy Award-winning blues legend, on June 3, 2009, at the age of 80; and

WHEREAS, Born Cora Walton on September 28, 1928, on a sharecropper's farm just outside Memphis, Tennessee, Ms. Taylor, who grew up in a shotgun shack with no running water or electricity, fell in love with music at an early age and, inspired by the music she heard on the radio, she began belting out the blues with her brothers and sisters; and

WHEREAS, Orphaned at the age of two, Ms. Taylor, who was nicknamed Koko after her love of chocolate, picked cotton to survive until she married Robert "Pops" Taylor in 1953 and they moved to Chicago, where Ms. Taylor worked as a domestic servant and her husband worked in a slaughterhouse; and

WHEREAS, In the couple's spare time Ms. Taylor and her husband would frequent the bustling South Side blues clubs, where, with the encouragement of her husband, she began to sit in with the city's top blues bands and musicians, including Muddy Waters, Buddy Guy and Howlin' Wolf, and quickly achieved a reputation for her raw vocal power and blustery swagger; and

WHEREAS, In 1962, after being overwhelmed by one of Ms. Taylor's performances, the legendary songwriter/producer/bass player Willie Dixon landed Ms. Taylor a recording contract with Chess Records, where he produced several of her singles, two albums and penned her 1965 hit "Wang Dang Doodle", which sold more than a million copies and became her signature song; and

WHEREAS, During her long and distinguished career, Ms. Taylor, who earned the sobriquet "Queen of the Blues" for her regal bearing and powerful voice, played more than 200 shows a year for decades; recorded 18 albums, 8 of which were Grammy-nominated; and established herself as the greatest female blues singer of her time; and

WHEREAS, Ms. Taylor's outstanding contribution to the cultural life of the nation brought her numerous awards and recognition, including being the recipient of the 1985 Grammy Award for Best Traditional Blues Artist Album, the 1996 Howlin' Wolf Award, the Blues Music Award (24 times), the 1999 Blues Foundation Lifetime Achievement Award, and the 2004 NEA Heritage Award; being inducted into the Blues Hall of Fame in 1997; and in 1993 being honored by Mayor Richard M. Daley with the Legend of the Year Award; and

WHEREAS, Ms. Taylor was married to her husband, Pops Taylor, until his death in 1989, and in 1996 she married Hays Harris; and

WHEREAS, Ms. Taylor's life and music have brought joy to millions of people around the world, and all Chicagoans are honored that she called Chicago home for more than 50 years; and

WHEREAS, The passing of this devoted wife and loving mother will be deeply felt by her family and friends, especially her husband, Hays; her daughter, Joyce "Cookie"; her son-in-law, Lee; her two grandchildren, Lee and Wendy; her three great-grandchildren; her sister, Viola; and a host of other relatives and friends; now, therefore,

Be It Resolved, That we, the Mayor and members of the City Council of the City of Chicago, assembled this thirtieth day of June, 2009, do hereby honor the life and memory of Koko Taylor, and do hereby extend our most sincere condolences to her family; and

Be It Further Resolved, That suitable copies of this resolution be presented to the family of Koko Taylor as a sign of our sympathy and good wishes.

On motion of Alderman Burke, seconded by Aldermen Fioretti, Burnett and Austin, the foregoing proposed resolution was *Adopted* by a rising vote.

At this point in the proceedings, the Honorable Richard M. Daley, Mayor, rose to offer the prayers of his own family and the condolences of the people of Chicago to the family, friends and loved ones of the late Cora "Koko" Taylor. Reflecting on the life and legacy of Koko Taylor, Mayor Daley spoke of her abiding commitment to her family, to her music and to the City of Chicago. From her childhood as the daughter of sharecroppers in Memphis, Tennessee through her journey to the South Side of Chicago, Koko Taylor lived the Blues, Mayor Daley observed, and her music gave voice to the struggles shared by many who migrated from the South in search of a better life. Recalling a recent event for the 2016 Olympic Evaluation Committee visiting Chicago, Mayor Daley noted the international recognition achieved by Koko Taylor as reflected in the resounding accolades she received for her performance. Selfless in her commitment to give back to others, Koko Taylor loved to share her music at every opportunity, the Mayor noted, sometimes even at the detriment of her own health. After expressing appreciation to the family of Koko Taylor for sharing her with Chicago as well as the world, Mayor Daley then left the Mayor's rostrum and strode to the Commissioners' gallery where he conveyed his personal condolences to the family of Cora "Koko" Taylor and presented them with parchment copies of the memorial resolution.

The following is said proposed resolution:

WHEREAS, In the early morning hours of May 26, 2009, Chicago Police Officers Frank J. Alatorre (Star Number 7265) and Brian R. Peete (Star Number 17811) of the 11th Police District were conducting a traffic stop in the Humboldt Park neighborhood on Chicago's West Side when they heard a terrible sound. A vacant building located in the heart of a residential area at 1051 North Springfield Avenue had exploded, causing three occupied buildings on either side of the vacant building to become engulfed in flames; and

WHEREAS, Officers Alatorre and Peete immediately called for assistance and proceeded to the site of the massive blast; and

WHEREAS, Chicago Police Officers Michael P. Hynes (Star Number 17599) and Scott D. Kravitz (Star Number 6554) responded to their colleagues' call for help, arriving at the chaotic scene within minutes of the initial explosion; and

WHEREAS, Deftly navigating their way through the debris, bricks, broken windows and shards of glass surrounding them, these four Chicago Police Officers fearlessly entered three burning buildings on both sides of the leveled structure to evacuate the buildings' stunned occupants before they became trapped by the flames; and

WHEREAS, Officer Alatorre was entering one of the burning buildings when he asked a man frantically running out of the building whether anyone else was inside. The man replied, "Yes, my wife and two children". Without hesitating, Officer Alatorre went inside and rescued the panicked man's family; and

WHEREAS, Without protective gear or breathing apparatus, with no regard for their own personal safety, and despite the risk of secondary explosions, Officers Alatorre, Peete, Hynes and Kravitz safely evacuated persons from eight residential units within the burning buildings, saving 14 lives; and

WHEREAS, In the face of this catastrophic and wholly unanticipated crisis, the courageous actions of these four Chicago Police Officers under perilous circumstances were nothing less

than heroic and truly embody the standard of excellence for which the Chicago Police Department is known; and

WHEREAS, In keeping with the highest traditions of the Chicago Police Department, Chicago Police Officers Alatorre, Peete, Hynes and Kravitz went beyond the call of duty to protect the lives of innocent citizens and to keep them out of harm's way; now, therefore,

Be It Resolved, That we, the Mayor and Members of the City Council of the City of Chicago, assembled this thirtieth day of June, 2009, do hereby applaud Chicago Police Officers Frank J. Alatorre, Brian R. Peete, Michael P. Hynes and Scott D. Kravitz for their dedication, professionalism and valor; and

Be It Further Resolved, That suitable copies of this resolution be presented to the aforementioned Chicago Police Officers, and placed on permanent record in their respective personnel files as a token of our appreciation and esteem.

Lauding the officers for their bravery and selfless dedication to duty, Mayor Daley cited their actions as representative, though too often unrecognized, acts of heroism by the men and women of the Police Department who risk their lives each day in the service and protection of all Chicagoans. Reflecting upon the many lives saved by our city's uniformed services and the many lives that will be saved by those dedicated professionals, Mayor Daley thanked the honorees on behalf of a grateful and well protected city. After calling the City Council's attention to the presence in the visitors' gallery of the families and friends of the honorees, Mayor Daley invited Police Officers Frank J. Alatorre, Brian R. Peete, Michael P. Hynes and Scott D. Kravitz to the Mayor's rostrum where he conveyed his personal thanks and presented each with a parchment copy of the congratulatory resolution.

WHEREAS, Emergency medical personnel under the direction of Field Officer Anthony Scipione established much-needed patient care. Ambulance 52 Commander Robin Alvarez and her partner Fire Paramedic Christopher J. Soda, suspended by a harness in the trench, worked diligently under difficult and hazardous conditions to keep the patient stable and calm by administering multiple doses of sedatives, painkillers, other medications and oxygen, while keeping in regular contact with Illinois Masonic Trauma Center, providing patient updates and receiving direction from the hospital staff; and

WHEREAS, Members of Fire Suppression, Emergency Medical Services and Special Operations worked closely together, with helpful support from a private construction company. Several other rescue squads also assisted with specialized rescue techniques and equipment. Heavy earth-moving equipment was brought to the scene, and a Department of Water Management Vacuum Truck was also called into service to remove gravel and dirt; and

The following is said resolution as adopted:

WHEREAS, A continuing decrease in revenues will, without further action, cause a deficit in the 2009 Budget, contrary to law; and

WHEREAS, The City Council has determined that additional cost-cutting measures will be required to avoid this deficit; and

WHEREAS, Equitable measures to help reduce this deficit are: (1) mandatory furlough days and (2) the curtailment of pay for City holidays; now, therefore,

Be It Resolved by the City Council of the City of Chicago:

SECTION 1. The Regulations Governing the Administration of the Classification Plan and Employee Benefits for Classified Positions set forth in the Annual Appropriation Ordinance (the "Salary Regulations") are hereby amended by adding new subsections G(12) and G(12)(b) as follows:

G(12) Unpaid Budget-Required Furlough Days In 2009.

Due to Budget requirements, each non-represented salaried or full-time hourly employee holding a position on or after the effective date of this subsection will be required to take six unpaid furlough days in 2009 if the employee's appropriated 2009 salary or compensation is \$35,000 or higher, except as otherwise provided herein. Any non-represented salaried or full-time hourly employee who is required to work on a City holiday in 2009 after the effective date of subsection G(12)(b) and who works on that holiday shall be paid for that day but shall be required to take an additional unpaid furlough day under this subsection G(12) prior to December 31, 2009 for each such holiday, regardless of the employee's salary or compensation. For employees who begin their employment with the City after July 15, 2009, the number of unpaid furlough days that are required to be taken in 2009 shall be reduced by one, and further reduced by one for each additional one-month period after July 15, 2009 that employment begins.

Unpaid furlough may not be taken on days designated for celebration of one of the City's holidays. Employees must coordinate their unpaid furlough days with their immediate supervisor(s) and must notify their timekeeper at least five (5) work days in advance of the dates to be taken. Under no circumstances may an employee work for the City on his or her unpaid furlough days.

Employees who use CATA for time and attendance but who are not generally required to swipe in and out must swipe in and out during any week in which their unpaid furlough days are taken. Supervisors are required to monitor the work hours of employees taking unpaid furlough to insure that no employee exceeds forty (40) hours of work during the week a furlough day is taken.

Employees who are required to take unpaid furlough will have their gross pay reduced by approximately 1/261st of their annual salary with respect to each furlough day taken. This is equivalent to one (1) day of work for an employee working five (5) days per week; fifty-two (52) weeks per year.

The Budget Director is authorized to issue rules for implementation of the unpaid furlough days.

The unpaid furlough required by this subsection G(12) shall be in addition to any furlough days required by subsection G(12)(a) of the Salary Regulations.

G(12)(b) Unpaid Holidays In 2009.

The City holidays set forth in subsection G(1) of the Salary Regulations and remaining in calendar year 2009 upon the effective date of this subsection G(12)(b) shall be without pay. Employees who are subject to an unpaid holiday in any pay period will have their gross pay reduced by approximately 1/261st of their annual salary with respect to each unpaid holiday. This is equivalent to one (1) day of work for an employee working five (5) days per week, fifty-two (52) weeks per year. The provisions of this subsection G(12)(b) shall supersede anything to the contrary contained in the Salary Regulations. Employees who use CATA for time and attendance but who are not generally required to swipe in and out must swipe in and out during any week in which they are subject to an unpaid holiday. Supervisors are required to monitor the work hours of employees to insure that no employee exceeds forty (40) hours of work during the week of an unpaid holiday.

SECTION 2. This amendatory resolution shall be effective following passage and approval. Subsections G(12) and G(12)(b) created by this amendatory resolution shall be repealed and expire of their own accord at midnight on December 31, 2009 and shall not, without further action by the City Council, be included in the 2010 Salary Regulations.

Re: Amending Agreement to Administrative Services Agreement (the "Agreement")

Ladies and Gentlemen:

I have acted as counsel for SomerCor 504, Inc., an Illinois not-for-profit corporation ("SomerCor"), in connection with the execution and delivery of the Agreement by and between SomerCor and the City of Chicago, acting by and through its Department of Community Development (the "City"). SomerCor has requested that this opinion be furnished to the City.

In so acting as counsel for SomerCor, I have examined:

- (i) an executed original of the Agreement;
- (ii) the Articles of Incorporation, including all amendments thereto, of SomerCor as furnished and certified by the Secretary of State of the State of Illinois;
- (iii) the Bylaws of SomerCor, as certified by the Secretary of SomerCor as of the date hereof; and
- (iv) the Certificate of Good Standing dated _____, issued by the Office of the Secretary of State of the State of Illinois, as to the good standing of SomerCor.

In my capacity as counsel, I have also examined such other documents or instruments as I have deemed relevant for the purposes of rendering the opinions hereinafter set forth.

I have also assumed, but have no reason to question, the legal capacity, authority and the genuineness of the signatures of and due and proper execution and delivery by the respective parties other than SomerCor which has made, executed or delivered or will make, execute and deliver the agreements and documents examined by me.

I express no opinion as to (i) the laws of any state or jurisdiction other than the State of Illinois (and any political subdivisions thereof) and the United States of America; and (ii) any matters pertaining or relating to the securities laws of the United States of America, the State of Illinois or any other state.

Based upon and subject to the assumptions and qualifications herein stated, it is my opinion that:

1. SomerCor is a not-for-profit corporation, duly organized and validly existing under the laws of the State of Illinois, SomerCor has made all filings required by the laws of the State of Illinois in respect of its formation and continuing existence, and has all requisite authority to carry on its business and to execute and deliver, and to consummate the transactions contemplated by, the Agreement.
2. The Agreement has been duly executed and delivered on behalf of SomerCor, and constitutes a legal, valid and binding obligation of SomerCor, enforceable against SomerCor in accordance with its terms, except to the extent that enforcement of any such terms may be limited by: (a) applicable bankruptcy, reorganization, debt arrangement, insolvency or other similar laws generally affecting creditors' rights; or (b) judicial and public policy limitations upon the enforcement of certain remedies including those which a court of equity may in its discretion decline to enforce.
3. There is no action, suit or proceeding at law or in equity pending, nor to my knowledge threatened, against or affecting SomerCor, before any court or before any governmental or administrative agency, which if adversely determined could materially and adversely affect the ability of SomerCor to perform under the Agreement or any of its business or properties or financial or other conditions.
4. The transactions contemplated by the Agreement are governed by the laws of the State of Illinois.
5. The execution and delivery of the Agreement and the consummation of the transactions contemplated thereby will not constitute:
 - A. a violation or breach of (i) the Articles of Incorporation of SomerCor, (ii) the Bylaws of SomerCor, (iii) any provision of any contract or other instrument to which SomerCor is bound, or (iv) any order, writ, injunction, decree, statute, rule or regulation binding on SomerCor, or
 - B. a breach of any of the provisions of, or constitute a default under, or result in the creation or imposition of any lien or encumbrance upon any of the property of SomerCor pursuant to any agreement or other instrument to which SomerCor is a party or by which SomerCor is bound.

6. No action of, or filing with, any governmental or public body is required to authorize, or is otherwise required for the validity of, the execution, delivery and performance of any of the Agreement.

This opinion is furnished for your benefit and may be relied upon by you and any such other party in connection with the Agreement, but may not be delivered to or relied upon by any other person or entity without written consent from the undersigned.

Very truly yours,

3.06 Other Approvals. Any DPDDCD approval under this Agreement shall have no effect upon, nor shall it operate as a waiver of, the Developer's obligations to comply with the provisions of Section 5.03 (Other Governmental Approvals) hereof. The Developer shall not commence construction of the Project until the Developer has obtained all necessary permits and approvals (including but not limited to DOHDCD's approval of the Scope Drawings and Plans and Specifications) and proof of the General Contractor's bonding as required hereunder.

3.07 Progress Reports and Survey Updates. The Developer shall provide DOHDCD with written quarterly progress reports detailing the status of the Project, including a revised completion date, if necessary (with any change in completion date being considered a Change Order, requiring DOHDCD's written approval pursuant to Section 3.04). The Developer shall provide three (3) copies of an updated Survey to DOHDCD upon the request of DOHDCD or any lender providing Lender Financing, reflecting improvements made to the Property.

3.08 Inspecting Agent or Architect. An independent agent or architect (other than the Developer's architect) approved by DOHDCD shall be selected to act as the inspecting agent or architect, at the Developer's expense, for the Project. The inspecting agent or architect shall perform periodic inspections with respect to the Project, providing certifications with respect thereto to DOHDCD, prior to requests for disbursement for costs related to the Project hereunder. The architects/engineers who provided the Scope Drawings will act as the inspectors and shall perform these inspections, all of which will satisfy this requirement.

3.09 Barricades. Prior to commencing any construction requiring barricades, the Developer shall install a construction barricade of a type and appearance satisfactory to the City and constructed in compliance with all applicable federal, state or City laws, ordinances and regulations. DOHDCD retains the right to approve the maintenance, appearance, color scheme, painting, nature, type, content and design of all barricades.

3.10 Signs and Public Relations. The Developer shall erect a sign of size and style approved by the City in a conspicuous location on the Property during the Project, indicating that financing has been provided by the City. The City reserves the right to include the name, photograph, artistic rendering of the Project and other pertinent information regarding the Developer, the Property and the Project in the City's promotional literature and communications.

3.11 Utility Connections. The Developer may connect all on-site water, sanitary, storm and sewer lines constructed on the Property to City utility lines existing on or near the perimeter of the Property, provided the Developer first complies with all City requirements governing such connections, including the payment of customary fees and costs related thereto.

3.12 Permit Fees. In accordance with the ordinance approved by City Council on July 23, 2008[2009] and subsequently signed by the Mayor of the City of Chicago, the City has elected to waive certain building, permit, engineering, tap on and inspection fees for the Project as specified in such ordinance.

3.13 Environmental Features. The Facility shall be designed to provide the required items listed under DOHDCD's Affordable Housing Green/Energy Efficiency Matrix for Multi-Family New Construction.

3.14. Conveyance of Property. The following provisions shall govern the City's conveyance of the Property to the Developer:

(i) **Form of Quitclaim Deed.** The City shall convey title to the parcels comprising the Property by one or more quitclaim deeds for the sum of One Dollar (\$1.00) (the "Purchase Price"), which shall be paid by the Developer to the City on the Closing Date in cash, wire transfer or other immediately available funds. The Developer acknowledges and agrees that the Property has a fair market value price of approximately ~~\$1,950,000~~ \$1,180,000 and that the Purchase Price reflects a "Discounted Sale" of the land as defined in 47 Ill. Admin. Code Section 355.306 relating to the Illinois Affordable Housing Tax Credits (the "Donation Credits"). The Discounted Sale has been made in express reliance upon the Developer's undertakings under this Agreement, including, without limitation, the title provisions in this Section 3, the affordability covenants set forth in the Recorded Affordability Document relating to the Project's seventy (70) one-bedroom units, and the environmental provisions in Section 11. The conveyance of and title to such parcels shall, in addition to the provisions of this Agreement, be subject to:

- (a) the Redevelopment Plan;
- (b) the standard exceptions in an ALTA insurance policy;
- (c) all general real estate taxes;
- (d) easements, encroachments, covenants and restrictions of record and not shown of record; and
- (e) such other title defects as may exist.

If necessary to clear title of exceptions for general real estate tax liens attributable to taxes due and payable prior to the Closing Date, the City shall submit to the County a tax abatement letter and/or file a vacation of tax sale proceeding in the Circuit Court of Cook County, seeking the exemption or waiver of such pre-closing tax liabilities, but shall not incur further duties with respect to any such taxes. The City shall also use good faith, commercially reasonable efforts to clear such other title defects as may exist, but such good faith, commercially reasonable efforts shall in no instance obligate the City to incur any costs for releasing liens, settling disputed tax claims, paying unpaid taxes that cannot be addressed by the submission of a tax abatement letter or a tax sale proceedings, or similar matters. If the Developer finds title to any parcel objectionable, Developer's sole option shall be to decline to accept title to any such parcel, with no adjustment offset or adjustment in the Purchase Price. ~~Notwithstanding the foregoing, the City shall file and cause to be released from the Property as a condition precedent to its conveyance of the Property to Developer those certain Claim for Liens in favor of the City recorded against the Property as documents nos. 89250917 and 95684332.~~

(ii) **The Property Closings.** The Property closings shall take place on such date and at such place as the parties may mutually agree to in writing, but in no event earlier than the satisfaction of all conditions precedent to closing set forth in Section 5 and the Closing Date.

(iii) Recordation of Quitclaim Deeds. The Developer shall promptly record the quitclaim deed for the Property in the Recorder's Office of Cook County. The Developer shall pay all costs for so recording the quitclaim deed.

(iv) Escrow. In the event that the Developer requires conveyance through an escrow, the Developer shall pay all escrow fees.

4.01 Total Project Cost and Sources of Funds. The cost of the Project is estimated to be \$13,805,237,13,826,130, to be applied in the manner set forth in the Project Budget. Such costs shall be funded from the following sources:

Estimated City Funds*	\$ 725,000
Lender Financing:	
DOHDCD HOME Loan	\$ <u>1,554,1571,900,000</u>
HUD Section 202 Grant	\$10,164,798
HUD Predevelopment Grant	\$ 304,425

Donations Tax Credit Equity	\$ <u>848,250523,300</u>
ESTIMATED TOTAL	<u>\$13,805,23713,826,130</u>

*City Funds in the amount of \$181,250 shall be bridged by Equity (subject to Sections 4.03(b) and 4.06) until the Certificate of Completion is issued as set forth in the Agreement.

4.02 Developer Funds. Equity and/or Lender Financing shall be used to pay all Project costs, including but not limited to Redevelopment Project Costs and costs of TIF-Funded Improvements.

4.03 City Funds.

(a) Uses of City Funds. City Funds may only be used to pay directly or reimburse the Developer for costs of TIF-Funded Improvements that constitute Redevelopment Project Costs. Exhibit C sets forth, by line item, the TIF-Funded Improvements for the Project, and the maximum amount of costs that may be paid by or reimbursed from City Funds for each line item therein (subject to Sections 4.03(b) and 4.05(d)), contingent upon receipt by the City of documentation satisfactory in form and substance to DOHDCD evidencing such cost and its eligibility as a Redevelopment Project Cost. At the closing, the City Funds shall be deposited into the Escrow and disbursed through the Escrow, at intervals and in amounts, as approved by DOHDCD, pursuant to the Escrow Agreement, provided that (1) \$543,750 of the City Funds shall be disbursed through the Escrow prior to the disbursement of any of the HUD Capital Advance proceeds, and (2) \$181,250 of the City Funds will be bridged by Equity until the Certificate is issued and at such time the City shall reimburse the Developer such amount in accordance with the terms and conditions contained herein.

(b) Sources of City Funds. Subject to the terms and conditions of this Agreement, including but not limited to this Section 4.03 and Section 5 hereof, the City hereby agrees to provide City funds (the "City Funds") to pay for or reimburse the Developer for the costs of the TIF-Funded Improvements, provided, however, that the amount of the Incremental Taxes deposited into the Bronzeville47th/State TIF Fund shall be sufficient to pay for such costs. The Developer acknowledges and agrees that the City's obligation to pay for TIF-Funded Improvements up to a maximum of \$725,000 is contingent upon the fulfillment of the conditions set forth in this Agreement.

4.04 Construction Escrow; Requisition Form. DOHDCD must approve disbursements of the City Funds from the Escrow. The Developer shall submit a Requisition Form along with the other necessary documentation described in the Escrow Agreement prior to each disbursement of City Funds. The Developer shall meet with DPDDCD at the request of DPDDCD to discuss the Requisition Form(s) previously delivered.

Notwithstanding any other provision in this Agreement, in the event of a conflict between the provisions in this Agreement governing the disbursement of the City Funds and the provisions in the Escrow Agreement relating to the disbursement of the City Funds and the order of disbursement and conditions to disbursement of the City Funds and all other Lender Financing sources, the terms of the Escrow Agreement shall control.

4.05 Treatment of Prior Expenditures and Subsequent Disbursements.

(a) Prior Expenditures. Only those expenditures made by the Developer with respect to the Project prior to the Closing Date, evidenced by documentation satisfactory to DPDDCD and approved by DPDDCD as satisfying costs covered in the Project Budget, shall be considered previously contributed Equity or Lender Financing hereunder (the "Prior Expenditures"). Except for any Prior Expenditures approved by HUD and paid with proceeds of the HUD Predevelopment Grant, DPDDCD shall have the right, in its sole discretion, to disallow any such expenditure as a Prior Expenditure. Exhibit I hereto sets forth the prior expenditures approved by DPDDCD as of the date hereof as Prior Expenditures. Prior Expenditures made for items other than TIF-Funded Improvements shall not be reimbursed to the Developer by the City with City Funds but may be eligible for reimbursement through the Lender Financing identified in Section 4.01 hereof.

(b) Allocation Among Line Items. Disbursements for expenditures related to TIF-Funded Improvements may be allocated to and charged against the appropriate line only, with transfers of costs and expenses from one line item to another, without the prior written consent of DOHDCD, being prohibited; provided, however, that such transfers among line items, in an amount not to exceed \$25,000 or \$100,000 in the aggregate, may be made without the prior written consent of DOHDCD.

4.06 Cost Overruns. If the aggregate cost of the TIF-Funded Improvements exceeds City Funds available pursuant to Section 4.03 hereof, or if the cost of completing the Project exceeds the Project Budget, the Developer shall be solely responsible for such excess cost, and

shall hold the City harmless from any and all costs and expenses of completing the TIF-Funded Improvements in excess of City Funds and of completing the Project. Notwithstanding the foregoing, Developer may satisfy in whole or part its obligation to pay the Cost Overruns with the proceeds of the Lender Financing identified in Section 4.01 hereof.

4.07 Preconditions of Disbursement. Prior to each disbursement of City Funds hereunder, the Developer shall submit documentation regarding the applicable expenditures to DOHDCD, which shall be satisfactory to DOHDCD in its sole discretion. Delivery by the Developer to DOHDCD of any request for disbursement of City Funds hereunder shall, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such request for disbursement, that:

(a) the total amount of the disbursement request represents the actual amount payable to (or paid to) (i) the contractors who have performed work on the Project, and/or their payees, and/or (ii) the architect for the inspections performed in monitoring the construction of the Project;

(b) all amounts shown as previous payments on the current disbursement request have been paid to the parties entitled to such payment;

(c) the Developer has approved all work and materials for the current disbursement request, and such work and materials conform to the Plans and Specifications;

(d) the representations and warranties contained in this Redevelopment Agreement are true and correct and the Developer is in compliance with all covenants contained herein;

(e) the Developer has received no notice and has no knowledge of any liens or claim of lien either filed or threatened against the Property except for the Permitted Liens;

(f) no Event of Default or condition or event which, with the giving of notice or passage of time or both, would constitute an Event of Default exists or has occurred; and

(g) the Project is In Balance. The Project shall be deemed to be in balance ("In Balance") only if the total of the available Project funds equals or exceeds the aggregate of the amount necessary to pay all unpaid Project costs incurred or to be incurred in the completion of the Project. "Available Project Funds" as used herein shall mean: (i) the undisbursed City Funds; (ii) the undisbursed Lender Financing, if any; (iii) the undisbursed Equity and (iv) any other amounts deposited by the Developer pursuant to this Agreement. The Developer hereby agrees that, if the Project is not In Balance, the Developer shall, within 10 days after a written request by the City, deposit with the escrow agent or will make available (in a manner acceptable to the City), cash in an amount that will place the Project In Balance, which deposit shall first be exhausted before any further disbursement of the City Funds shall be made.

The City shall have the right, in its discretion, to require the Developer to submit further documentation as the City may require in order to verify that the matters certified to above are true and correct, and any disbursement by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct;

provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by the Developer. In addition, the Developer shall have satisfied all other preconditions of disbursement of City Funds for each disbursement, including but not limited to requirements set forth in the TIF Ordinances, this Agreement and/or the Escrow Agreement.

4.08 Sale or Transfer of the Property or Project by Developer.

(a) Prior to the Date of Issuance of the Certificate. Developer must obtain the prior approval of the City for any sale or transfer of any part of the Property or the Project prior to the issuance of the Certificate. Such approval by the City will be subject to the reasonable discretion requirement stated in Section 18.14. Notwithstanding the foregoing, the City shall approve a transfer, sale or conveyance of the Property that is requested by HUD to avoid a HUD Mortgage default or that results from a foreclosure or deed in lieu of foreclosure relating to the HUD Mortgage.

(b) After the Date of Issuance of the Certificate. After the date of the Certificate, Developer need not obtain prior approval for any sale or transfer of any part of the Property or the Project. Developer must, however, notify the City not less than 60 days before any closing of sale of Developer's intention to sell any part of the Property or the Project. Developer must provide the City with true and correct copies of any contract for sale and related documents as part of such notice.

4.09 Conditional Grant. The City Funds being provided hereunder are being granted on a conditional basis, subject to the Developer's compliance with the provisions of this Agreement. The City Funds disbursed are subject to being reimbursed as provided in Section 7.03(c) hereof.

4.10 Non-Recourse. Notwithstanding any provision in this Agreement to the contrary, upon the occurrence of an Event of Default that remains in effect after the expiration of all applicable cure periods (including any default under Section 4.09 hereof), the Developer's obligations to repay or reimburse the City for the City Funds is a non-recourse obligation of the Developer and shall be paid exclusively from available insurance proceeds or Residual Receipts (as defined in the HUD Regulatory Agreement). The City shall not have or assert any claim, lien or interest in or against the assets or income of the Project without the prior written approval of HUD, which approval HUD may withhold in its sole discretion.

SECTION 5. CONDITIONS PRECEDENT

The following conditions have been complied with to the City's satisfaction on or prior to the Closing Date:

The Title Policy also contains such endorsements as shall be required by Corporation Counsel, including, but not limited to: owner's comprehensive endorsement and satisfactory endorsements regarding zoning (3.1 with parking based on plans and specifications), contiguity, location, access and survey. The Developer has provided to DPDDCD on or prior to the Closing Date certified copies of all easements and encumbrances of record with respect to the Property not addressed, to DPDDCD's satisfaction, by the Title Policy and any endorsements thereto.

5.09 Opinion of the Developer's Counsel. On the Closing Date, the Developer has furnished the City with an opinion of counsel, substantially in the form attached hereto as Exhibit J, with such changes as required by or acceptable to Corporation Counsel. If the Developer has engaged special counsel in connection with the Project, and such special counsel is unwilling or unable to give some of the opinions set forth in Exhibit J hereto, such opinions were obtained by the Developer from its general corporate counsel.

SECTION 6. AGREEMENTS WITH CONTRACTORS

6.01 Bid Requirement for Contractors. Prior to entering into an agreement with any contractor for construction of the Project, the Developer shall solicit bids from qualified contractors eligible to do business with the City of Chicago, and shall submit all bids received to

DOHDCD for its inspection and written approval. For the TIF-Funded Improvements, the Developer shall select the contractor submitting the lowest responsible bid who can complete the Project in a timely manner. If the Developer selects any contractor submitting other than the lowest responsible bid for the TIF-Funded Improvements, the difference between the lowest responsible bid and the bid selected may not be paid out of City Funds. The Developer shall submit copies of the Construction Contract to DOHDCD in accordance with **Section 6.02** below. Photocopies of all subcontracts entered or to be entered into in connection with the TIF-Funded Improvements shall be provided to DOHDCD within five (5) business days of the execution thereof. The Developer shall ensure that no contractors shall begin work on the Project until the Plans and Specifications have been approved by DOHDCD and all requisite permits have been obtained.

Notwithstanding the foregoing, the City acknowledges that (i) the Developer has previously selected a General Contractor that HUD has approved pursuant to and in accordance with the HUD Section 202 Program requirements and (ii) HUD's approval of the General Contractor shall be binding upon the City for purposes of this section.

6.02 Construction Contract. Prior to the execution thereof, the Developer shall deliver to DOHDCD a copy of the proposed Construction Contract with the General Contractor selected to handle the Project in accordance with **Section 6.01** above, for DOHDCD's prior written approval, which shall be granted or denied within ten (10) business days after delivery thereof. HUD's approval of the Construction Contract shall be binding upon the City for purposes of this section, except for any modifications to the City Construction Rider. Within ten (10) business days after execution of such contract by the Developer and any other parties thereto, the Developer shall deliver to DOHDCD and Corporation Counsel a certified copy of such contract together with any modifications, amendments or supplements thereto.

SECTION 7. COMPLETION OF CONSTRUCTION

7.01 Certificate of Completion of Construction. Upon completion of the construction of the Project in accordance with the terms of this Agreement, and upon the Developer's written request, DPDDCD shall issue to the Developer a Certificate in recordable form certifying that the Developer has fulfilled its obligation to complete the Project in accordance with the terms of this Agreement. DPDDCD shall respond to the Developer's written request for a Certificate within forty-five (45) days by issuing either a Certificate or a written statement detailing the ways in which the Project does not conform to this Agreement or has not been satisfactorily completed, and the measures which must be taken by the Developer in order to obtain the Certificate. The Developer may resubmit a written request for a Certificate upon completion of such measures.

Notwithstanding the foregoing, a determination by HUD that construction has been completed as evidenced by its issuance to the Developer of HUD's Permission to Occupy the Project shall be binding on the City as to its determination of completion of construction of the Project, and upon such a determination by HUD, the City shall promptly issue its Certificate of Completion.

7.02 Effect of Issuance of Certificate; Continuing Obligations. The Certificate relates only to the construction of the Project, and upon its issuance, the City will certify that the terms of the Agreement specifically related to the Developer's obligation to complete such activities have been satisfied. After the issuance of a Certificate, however, all executory terms and conditions of this Agreement and all representations and covenants contained herein will continue to remain in full force and effect throughout the Term of the Agreement as to the parties described in the following paragraph, and the issuance of the Certificate shall not be construed as a waiver by the City of any of its rights and remedies pursuant to such executory terms.

Those covenants specifically described at Sections 8.02, 8.06, 8.18 and 8.19 as covenants that run with the land are the only covenants in this Agreement intended to be binding upon any transferee of the Property (including an assignee as described in the following sentence) throughout the Term of the Agreement notwithstanding the issuance of a Certificate; provided, that upon the issuance of a Certificate, the covenants set forth in Section 8.02 shall be deemed to have been fulfilled. The other executory terms of this Agreement that remain after the issuance of a Certificate shall be binding only upon the Developer or a permitted assignee of the Developer who, pursuant to Section 18.15 of this Agreement, has contracted to take an assignment of the Developer's rights under this Agreement and assume the Developer's liabilities hereunder.

7.03 Failure to Complete. If the Developer fails to complete the Project in accordance with the terms of this Agreement, then the City has, but shall not be limited to, any of the following rights and remedies:

(a) the right to terminate this Agreement and cease all disbursement of City Funds not yet disbursed pursuant hereto;

(b) the right (but not the obligation) to complete those TIF-Funded Improvements that are public improvements and to pay for the costs of TIF-Funded Improvements (including interest costs) out of City Funds or other City monies. In the event that the aggregate cost of completing the TIF-Funded Improvements exceeds the amount of City Funds available pursuant to **Section 4.01**, the Developer shall reimburse the City for all reasonable costs and expenses incurred by the City in completing such TIF-Funded Improvements in excess of the available City Funds; and

(c) the right to seek reimbursement of the City Funds from the Developer, subject to **Section 4.10** hereof.

7.04 Notice of Expiration of Term of Agreement. Upon the expiration of the Term of the Agreement, **DPDDCD** shall provide the Developer, at the Developer's written request, with a written notice in recordable form stating that the Term of the Agreement has expired.

SECTION 8. COVENANTS/REPRESENTATIONS/WARRANTIES OF THE DEVELOPER.

8.01 General. The Developer represents, warrants and covenants, as of the date of this Agreement and as of the date of each disbursement of City Funds hereunder, that:

(b) the Developer has the right, power and authority to enter into, execute, deliver and perform this Agreement;

(c) the execution, delivery and performance by the Developer of this Agreement has been duly authorized by all necessary corporate action, and does not and will not violate its Articles of Incorporation or by-laws as amended and supplemented, any applicable provision of law, or constitute a breach of, default under or require any consent under any agreement, instrument or document to which the Developer is now a party or by which the Developer is now or may become bound;

(d) in accordance with **Section 3.14** hereof, Developer shall acquire and shall maintain good, indefeasible and merchantable fee simple title to the Property (and all improvements thereon) free and clear of all liens (except for the Permitted Liens, Lender Financing as disclosed in the Project Budget and non-governmental charges that the Developer is contesting in good faith pursuant to **Section 8.15** hereof);

(e) the Developer is now and for the Term of the Agreement shall remain solvent and able to pay its debts as they mature;

(f) there are no actions or proceedings by or before any court, governmental commission, board, bureau or any other administrative agency pending, threatened or affecting the Developer which would impair its ability to perform under this Agreement;

(i) the Financial Statements are, and when hereafter required to be submitted, will be, complete, correct in all material respects and accurately present the assets, liabilities, results of operations and financial condition of the Developer, and there has been no material adverse change in the assets, liabilities, results of operations or financial condition of the Developer since the date of the Developer's most recent Financial Statements;

(j) prior to the issuance of a Certificate, the Developer shall not do any of the following without the prior written consent of DPDDCD: (1) be a party to any merger, liquidation or consolidation; (2) sell, transfer, convey, lease or otherwise dispose of all or substantially all of its assets or any portion of the Property (including but not limited to any fixtures or equipment now or hereafter attached thereto) except in the ordinary course of business or as approved by HUD; (3) enter into any transaction outside the ordinary course of the Developer's business; (4) assume, guarantee, endorse, or otherwise become liable in connection with the obligations of any other person or entity; or (5) enter into any transaction that would cause a material and detrimental change to the Developer's financial condition;

(k) the Developer has not incurred, and, prior to the issuance of a Certificate, shall not, without the prior written consent of the Commissioner of DPDDCD, allow the existence of any liens against the Property (or improvements thereon) other than the Permitted Liens; or incur any indebtedness, secured or to be secured by the Property (or improvements thereon) or any fixtures now or hereafter attached thereto, except Lender Financing disclosed in the Project Budget; and

(l) Developer has not made or caused to be made, directly or indirectly, any payment, gratuity or offer of employment in connection with the Agreement or any contract paid from the City treasury or pursuant to City ordinance, for services to any City agency ("**City Contract**") as an inducement for the City to enter into the Agreement or any City Contract with the Developer in violation of Chapter 2-156-120 of the Municipal Code of the City; and

(m) neither the Developer nor any affiliate of the Developer is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. For purposes of this subparagraph (m) only, the term "affiliate," when used to indicate a relationship with a specified person or entity, means a person or entity that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with such specified person or entity, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

8.02 Covenant to Redevelop. Upon DPDDCD's approval of the Project Budget, the Scope Drawings and Plans and Specifications as provided in **Sections 3.02** and **3.03** hereof, and the Developer's receipt of all required building permits and governmental approvals, the Developer shall redevelop the Property in accordance with this Agreement and all Exhibits attached hereto, the TIF Ordinances, the Scope Drawings, Plans and Specifications, Project Budget and all amendments thereto, the HUD Section 202 Program requirements and all federal, state and local laws, ordinances, rules, regulations, executive orders and codes applicable to the Project, the Property and/or the Developer. The covenants set forth in this Section shall run with the land and be binding upon any transferee, but shall be deemed satisfied upon issuance by the City of a Certificate with respect thereto.

8.03 Redevelopment Plan. The Developer represents that the Project is and shall be in compliance with all of the terms of the Redevelopment Plan.

8.04 Use of City Funds. City Funds disbursed to the Developer shall be used by the Developer solely to pay for (or to reimburse the Developer for its payment for) the TIF-Funded Improvements as provided in this Agreement.

8.05 Other Bonds. The Developer shall, at the request of the City, agree to any reasonable amendments to this Agreement that are necessary or desirable in order for the City to issue (in its sole discretion) any bonds in connection with the Redevelopment Area, the proceeds of which may be used to reimburse the City for expenditures made in connection with, or provide a source of funds for the payment for, the TIF-Funded Improvements; provided, however, that any such amendments shall not have a material adverse effect on the Developer or the Project and shall not result in any lien, encumbrance upon or claim against the Project. Upon HUD's written direction, the Developer shall cooperate and provide reasonable assistance in connection with the marketing of any such bonds, including but not limited to providing written descriptions of the Project, making representations, providing information regarding its financial condition and assisting the City in preparing an offering statement with respect thereto. Any expenses incurred by the Developer shall be reimbursed by the City, unless such expenses are approved by HUD for reimbursement through the Project Rental Assistance Contract then in effect between HUD and Developer for the Project.

8.06 Employment Opportunity; Progress Reports. The Developer covenants and agrees to abide by, and contractually obligate and use reasonable efforts to cause the General Contractor (and the General Contractor shall, in turn, use reasonable efforts to cause its subcontractors) to abide by the terms set forth in **Section 10** hereof. The Developer shall deliver to the City written progress reports detailing compliance with the requirements of **Sections 8.06, 10.02 and 10.03** of this Agreement. Such reports shall be delivered to the City when the Project is 25%, 50%, 70% and 100% completed (based on the amount of expenditures incurred in relation to the Project Budget). If any such reports indicate a shortfall in compliance, the Developer shall also deliver a plan to DPDDCD which shall outline, to DPDDCD's satisfaction, the manner in which the Developer shall correct any shortfall.

8.07 Employment Profile. The Developer shall submit, and contractually obligate and cause the General Contractor (and the General Contractor shall, in turn, use reasonable efforts to cause its subcontractors to submit, to DPDDCD, from time to time, statements of its employment profile upon DPDDCD's request.

8.08 Prevailing Wage. On account of the HUD Capital Advance and the Lender Financing in the amount of approximately \$1,554,157 1,900,000 being provided by the City, acting through its Department of HousingCommunity Development, to the Developer from funds available pursuant to the HOME Investment Partnerships Program authorized by the Cranston-Gonzalez National Affordable Housing Act, 42 U.S.C. Section 12701 et seq., the Project is subject to the requirements of the Davis-Bacon Act, 40 U.S.C. Section 276a et seq. Accordingly, pursuant to 820 ILCS 130/11, Section 11 of the Illinois Prevailing Wage Act (820 ILCS 130/0/01 et seq.), the requirements of Illinois Prevailing Wage Act shall not apply to the Project.

8.09 Arms-Length Transactions. Unless DPDDCD has given its prior written consent with respect thereto, no Affiliate of the Developer may receive any portion of City Funds, directly or indirectly, in payment for work done, services provided or materials supplied in connection with any TIF-Funded Improvement. The Developer shall provide information with respect to any entity to receive City Funds directly or indirectly (whether through payment to the Affiliate by the Developer and reimbursement to the Developer for such costs using City Funds, or otherwise), upon DPDDCD's request, prior to any such disbursement.

8.10 Conflict of Interest. Pursuant to Section 5/11-74.4-4(n) of the Act, the Developer represents, warrants and covenants that, to the best of its knowledge, no member, official, or employee of the City, or of any commission or committee exercising authority over the Project, the Redevelopment Area or the Redevelopment Plan, or any consultant hired by the City or the Developer with respect thereto, owns or controls, has owned or controlled or will own or control any interest, and no such person shall represent any person, as agent or otherwise, who owns or controls, has owned or controlled, or will own or control any interest, direct or indirect, in the Developer's business, the Property or any other property in the Redevelopment Area.

8.11 Disclosure of Interest. The Developer's counsel has no direct or indirect financial ownership interest in the Developer, the Property or any other aspect of the Project.

8.12 Financial Statements. The Developer shall obtain and provide to DPDDCD Financial Statements for the Developer's fiscal year ended December 31, ~~2009~~2010 and each year thereafter for the Term of the Agreement. In addition, the Developer shall submit unaudited financial statements as soon as reasonably practical following the close of each fiscal year and for such other periods as DPDDCD may request.

8.13 Insurance. The Developer, at its own expense, shall comply with all provisions of Section 12 hereof.

8.14 Non-Governmental Charges. (a) Payment of Non-Governmental Charges. Except for the Permitted Liens, the Developer agrees to pay or cause to be paid when due any Non-Governmental Charge assessed or imposed upon the Project, the Property or any fixtures that are or may become attached thereto, which creates, may create, or appears to create a lien upon all or any portion of the Property or Project; provided however, that if such Non-Governmental Charge may be paid in installments, the Developer may pay the same together with any accrued interest thereon in installments as they become due and before any fine, penalty, interest, or cost may be added thereto for nonpayment. The Developer shall furnish to DPDDCD, within thirty (30) days of DPDDCD's request, official receipts from the appropriate entity, or other proof satisfactory to DPDDCD, evidencing payment of the Non-Governmental Charge in question.

(b) Right to Contest. The Developer has the right, before any delinquency occurs:

(i) to contest or object in good faith to the amount or validity of any Non-Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted, in such manner as shall stay the collection of the contested Non-Governmental Charge, prevent the imposition of a lien or remove such lien, or prevent the sale or forfeiture of the Property (so long as no such contest or objection shall be deemed or construed to relieve, modify or extend the Developer's covenants to pay any such Non-Governmental Charge at the time and in the manner provided in this Section 8.14); or

(ii) at DPDDCD's sole option, to furnish a good and sufficient bond or other security satisfactory to DPDDCD in such form and amounts as DPDDCD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property or any portion thereof or any fixtures that are or may be attached thereto, during the pendency of such contest, adequate to pay fully any such contested Non-Governmental Charge and all interest and penalties upon the adverse determination of such contest.

8.15 Developer's Liabilities. The Developer shall not enter into any transaction that would materially and adversely affect its ability to perform its obligations hereunder or to repay any material liabilities or perform any material obligations of the Developer to any other person or entity. The Developer shall immediately notify DPDDCD of any and all events or actions which may materially affect the Developer's ability to carry on its business operations or perform its obligations under this Agreement or any other documents and agreements.

8.16 Compliance with Laws. To the best of the Developer's knowledge, after diligent inquiry, the Property and the Project are and shall be in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, executive orders and codes pertaining to or affecting the Project and the Property. Upon the City's request, the Developer shall provide evidence satisfactory to the City of such compliance.

8.17 Recording and Filing. The Developer shall cause this Agreement, certain exhibits (as specified by Corporation Counsel), all amendments and supplements hereto to be recorded and filed against the Property on the date hereof in the conveyance and real property records of Cook County, Illinois. This Agreement shall be recorded prior to any mortgage made in connection with Lender Financing. The Developer shall pay all fees and charges incurred in connection with any such recording. Upon recording, the Developer shall immediately transmit to the City an executed original of this Agreement showing the date and recording number of record.

8.18 Real Estate Provisions.

(a) Governmental Charges.

(i) Payment of Governmental Charges. The Developer agrees to pay or cause to be paid when due all Governmental Charges (as defined below) which are assessed or imposed upon the Developer, the Property or the Project, or become due and payable, and which create, may create a lien upon the Developer or all or any portion of

the Property or the Project. "Governmental Charge" shall mean all federal, State, county, the City, or other governmental (or any instrumentality, division, agency, body, or department thereof) taxes, levies, assessments, charges, liens, claims or encumbrances (except for those assessed by foreign nations, states other than the State of Illinois, counties of the State other than Cook County, and municipalities other than the City) relating to the Developer, the Property or the Project including but not limited to real estate taxes.

(ii) Right to Contest. The Developer has the right before any delinquency occurs to contest or object in good faith to the amount or validity of any Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted in such manner as shall stay the collection of the contested Governmental Charge and prevent the imposition of a lien or the sale or forfeiture of the Property. No such contest or objection shall be deemed or construed in any way as relieving, modifying or extending the Developer's covenants to pay any such Governmental Charge at the time and in the manner provided in this Agreement unless the Developer has given prior written notice to DPDDCD of the Developer's intent to contest or object to a Governmental Charge and, unless, at DPDDCD's sole option,

(i) the Developer shall demonstrate to DPDDCD's satisfaction that legal proceedings instituted by the Developer contesting or objecting to a Governmental Charge shall conclusively operate to prevent or remove a lien against, or the sale or forfeiture of, all or any part of the Property to satisfy such Governmental Charge prior to final determination of such proceedings; and/or

(ii) the Developer shall furnish a good and sufficient bond or other security satisfactory to DPDDCD in such form and amounts as DPDDCD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property during the pendency of such contest, adequate to pay fully any such contested Governmental Charge and all interest and penalties upon the adverse determination of such contest.

(b) Developer's Failure To Pay Or Discharge Lien. If the Developer fails to pay any Governmental Charge or to obtain discharge of the same, the Developer shall advise DPDDCD thereof in writing, at which time DPDDCD may, but shall not be obligated to, and without waiving or releasing any obligation or liability of the Developer under this Agreement, in DPDDCD's sole discretion, make such payment, or any part thereof, or obtain such discharge and take any other action with respect thereto which DPDDCD deems advisable. All sums so paid by DPDDCD, if any, and any expenses, if any, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, shall be promptly disbursed to DPDDCD by the Developer. Notwithstanding anything contained herein to the contrary, this paragraph shall not be construed to obligate the City to pay any such Governmental Charge. Additionally, if the Developer fails to pay any Governmental Charge, the City, in its sole discretion, may require the Developer to submit to the City audited Financial Statements at the Developer's own expense.

(c) Real Estate Taxes. The City acknowledges that the Developer shall file a property tax exemption application for the Property in accordance with the HUD Section 202 Program requirements; however, the Developer's failure to secure a property tax exemption shall not be a default hereof.

8.19 Residential Unit Profile.

(a) Units. The Facility will include a total of 70 rental units of which 100% will be affordable to elderly persons (defined as a household composed of one or more persons at least one of whom is 62 years of age or more at the time of initial occupancy in accordance with the HUD Section 202 Program) with an annual income of no more than 50 percent of the AMI, as follows:

<u>Group</u>	<u>Type</u>	<u>Number</u>	<u>Monthly Rent</u>	<u>Square Footage</u>	<u>Income</u>
	1 bed/1 bath	70	\$600	540	50% AMI

(b) Rental Covenant. The affordability requirements applicable to the units, as set forth in the Recorded Affordability Document, shall be covenants running with the land and, except upon a foreclosure or deed in lieu of foreclosure of the HUD Mortgage, except as provided for in the Recorded Affordability Document, shall survive any foreclosure of any portion of the Property for the applicable affordability periods set forth in such agreement, ~~except upon a foreclosure or deed in lieu of foreclosure of the HUD Mortgage.~~

(c) Affordable Housing Covenant. The Developer agrees and covenants to the City that, prior to any foreclosure of the Property by a lender providing Lender Financing, the provisions of Recorded Affordability Document shall, concurrently with the HUD Restrictions, govern the terms of the Developer's obligation to provide affordable housing. Following foreclosure or a deed in lieu of foreclosure of the HUD Mortgage, the Project shall be operated as affordable housing in accordance with HUD's determination and direction. The covenants set forth in this Section 8.19 shall run with the land and be binding upon any transferee.

8.20 Survival of Covenants. All warranties, representations, covenants and agreements of the Developer contained in this Section 8 and elsewhere in this Agreement shall be true, accurate and complete at the time of the Developer's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and (except as provided in Section 7 hereof upon the issuance of a Certificate) shall be in effect throughout the Term of the Agreement.

SECTION 9. COVENANTS/REPRESENTATIONS/WARRANTIES OF CITY

9.01 General Covenants. The City represents that it has the authority as a home rule unit of local government to execute and deliver this Agreement and to perform its obligations hereunder.

9.02 Survival of Covenants. All warranties, representations, and covenants of the City contained in this Section 9 or elsewhere in this Agreement shall be true, accurate, and complete at the time of the City's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and be in effect throughout the Term of the Agreement.

SECTION 10. DEVELOPER'S EMPLOYMENT OBLIGATIONS

10.01 Employment Opportunity. The Developer, on behalf of itself and its successors and assigns, hereby agrees, and shall contractually obligate its or their various contractors, subcontractors or any Affiliate of the Developer operating on the Property (collectively, with the Developer, the "**Employers**" and individually an "**Employer**") to agree, that for the Term of this Agreement with respect to Developer and during the period of any other party's provision of services in connection with the construction of the Project or occupation of the Property:

(a) No Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Chapter 2-160, Section 2-160-010 et seq., Municipal Code, except as otherwise provided by said ordinance and as amended from time to time (the "**Human Rights Ordinance**"). Each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

(b) To the greatest extent feasible, each Employer is required to present opportunities for training and employment of low- and moderate-income residents of the City and preferably of the Redevelopment Area; and to provide that contracts for work in connection with the construction of the Project be awarded to business concerns that are located in, or owned in substantial part by persons residing in, the City and preferably in the Redevelopment Area.

(c) Each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the City's Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

(d) Each Employer, in order to demonstrate compliance with the terms of this Section, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) Each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any Affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or Affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this **Section 10.01** shall be a basis for the City to pursue remedies under the provisions of **Section 15.02** hereof.

10.02 City Resident Construction Worker Employment Requirement. The Developer agrees for itself and its successors and assigns, and shall contractually obligate its contractors and subcontractors, as applicable, to agree, that during the construction of the Project they shall comply with the minimum percentage of total worker hours performed by actual residents of the City as specified in Section 2-92-330 of the Municipal Code of Chicago (at least 50 percent of the total worker hours worked by persons on the site of the Project shall be performed by actual residents of the City); provided, however, that in addition to complying with this percentage, the Developer, its contractors and each subcontractor shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

The Developer may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the Chief Procurement Officer of the City.

"Actual residents of the City" shall mean persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

The Developer, the contractors and each subcontractor shall provide for the maintenance of adequate employee residency records to show that actual Chicago residents are employed on the Project. Each Employer shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) shall be submitted to the Commissioner of DOHDCD in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Employer hired the employee should be written in after the employee's name.

The Developer, the contractors and each subcontractor shall provide full access to their employment records to the Chief Procurement Officer, the Commissioner of DOHDCD, the Superintendent of the Chicago Police Department, the Inspector General or any duly authorized representative of any of them. The Developer, the General Contractor and each subcontractor shall maintain all relevant personnel data and records for a period of at least three (3) years after final acceptance of the work constituting the Project.

At the direction of DOHDCD, affidavits and other supporting documentation will be required of the Developer, the contractors and each subcontractor to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

Good faith efforts on the part of the Developer, the contractors and each subcontractor to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section concerning the worker hours performed by actual Chicago residents.

When work at the Project is completed, in the event that the City has determined that the Developer has failed to ensure the fulfillment of the requirement of this Section concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section. Therefore, in such a case of non-compliance, it is agreed that 1/20 of 1 percent (0.0005) of the aggregate hard construction costs set forth in the Project budget (the product of .0005 x such aggregate hard construction costs) (as the same shall be evidenced by approved contract value for the actual contracts) shall be surrendered by the Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer, the General Contractor and/or the subcontractors to prosecution. Any retainage to cover contract performance that may become due to the Developer pursuant to Section 2-92-250 of the Municipal Code of Chicago may be withheld by the City pending the Chief Procurement Officer's determination as to whether the Developer must surrender damages as provided in this paragraph.

Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246 " and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement or related documents.

The Developer shall cause or require the provisions of this **Section 10.02** to be included in all construction contracts and subcontracts related to the Project.

10.03. MBE/WBE Commitment. The Developer and its successors and assigns hereby agree, and shall contractually obligate its or their contractors or any Affiliate of the Developer operating on the Property (individually an "Employer" and collectively, "Employers") to agree, that for the Term of the Agreement with respect to the Developer and during the period of any other such party's provision of services hereunder or occupation of the Property:

(a) No Employer shall discriminate against any employee or applicant for employment on the basis of race, color, sex, age, religion, mental or physical disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status or source of income, as defined in the City of Chicago Human Rights Ordinance adopted December 21, 1988, Municipal Code of Chicago, ch. 2-160, Section 2-160-010 et seq., as amended from time to time (the "Human Rights Ordinance"). Each Employer will take affirmative action to insure that applicants are employed and employees are treated during employment without regard to their race, color, religion, sex, national origin, ancestry, age, mental or physical disability, sexual orientation, marital status, parental status, military discharge status or source of income. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause.

(b) All solicitation or advertisement for employees placed by or on behalf of any Employer shall state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, ancestry, age, mental or physical disability, sexual orientation, marital status, parental status, military discharge status or source of income.

(c) Each Employer shall comply with federal, state and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1992), and any subsequent amendments and regulations promulgated pursuant thereto.

(d) Consistent with the findings which support the Minority-Owned and Women-Owned Business Enterprise Procurement Program (the "MBE/WBE Program"), Section 2-92-420 et seq., Municipal Code of Chicago, and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 10, during the course of construction of the Project, at least the following percentages of hard construction costs as set forth in the Project Budget (as set forth in Exhibit H hereto) shall be expended for contract participation by minority-owned businesses ("MBEs") and by women-owned businesses ("WBEs") as follows:

- a. at least 24 percent by MBEs;
- b. at least 4 percent by WBEs.

Consistent with Section 2-92-440, Municipal Code of Chicago, the Developer's MBE/WBE commitment may be achieved in part by the Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture or (ii) the amount of any actual work performed on the Project by the MBE or WBE), by the Developer utilizing a MBE or a WBE as a contractor (but only to the extent of any actual work performed on the Project by such contractor), by subcontracting a portion of the Project to one or more MBEs or WBEs, or by the purchase of materials used in the Project from one or more MBEs or WBEs, or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer's MBE/WBE commitment as described in this Section 10.

The Developer shall deliver quarterly reports to DOHDCD during the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by the Developer or a contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist DOHDCD in determining the Developer's compliance with this MBE/WBE commitment. The Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the Project for at least five years after completion of the Project, and DOHDCD shall have access to all such records maintained by the Developer, on five Business Days' notice, to allow the City to review the Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the Project.

Upon the disqualification of any MBE or WBE contractor or subcontractor, if such status was misrepresented by the disqualified party, the Developer shall be obligated to discharge or cause to be discharged the disqualified contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Section 2-92-540, Municipal Code of Chicago.

Any reduction or waiver of the Developer's MBE/WBE commitment as described in this Section 10 shall be undertaken in accordance with Section 2-92-450, Municipal Code of Chicago.

Prior to the commencement of the Project, the Developer shall be required to meet with the monitoring staff of DOHDCD with regard to the Developer's compliance with its obligations under this Section 10. All contractors and all major subcontractors shall be required to attend this pre-construction meeting. During said meeting, the Developer shall demonstrate to DOHDCD its plan to achieve its obligations under this Section 10, the sufficiency of which shall be approved by DOHDCD. During the Project, the Developer shall submit the documentation required by this Section 10 to the monitoring staff of DOHDCD. Failure to submit such documentation on a timely basis, or a determination by DOHDCD, upon analysis of the documentation, that the Developer is not complying with its obligations under this Section 10, shall, upon the delivery of written notice to the Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided hereunder, the City may: (1) issue a written demand to the Developer to halt the Project, (2) withhold any further payments to, or on behalf of, the Developer, (3) draw on the Letter of Credit or (4) seek any other remedies against the Developer available at law or in equity.

(e) The Developer will include the foregoing provisions in every contract entered into in connection with the Project and every agreement with any Affiliate operating on the Property so that such provision will be binding upon each contractor or Affiliate, as the case may be.

Notwithstanding the provisions set forth in this section, in the event HUD exercises its rights to undertake completion of the Project as assignee of the Developer, or as attorney-in-fact of the Developer, the requirements as set forth in this section shall not apply to HUD. In all other circumstances, the Developer, its various contractors, subcontractors and any affiliate of the Developer operating on the Property shall be obligated to comply with all of the requirements of this section. In case of a conflict or ambiguity between this Agreement and the HUD Core Construction Contract, as defined below, regarding the applicability of this section, the Core Construction Contract shall control. The term "Core Construction Contract" shall mean (i) the Construction Contract, Lump Sum (HUD 92-442-CA), (ii) Supplementary Conditions of the Contract For Construction (HUD 2554)(2/2002), (iii) Index of Construction Plans and Specifications, (iv) the Davis Bacon Wage Determination; and (v) Amendment to the Construction Contract to Identify Identities of Interest Between Developer/Contractor/Subcontractor/Architect.

SECTION 11. ENVIRONMENTAL MATTERS

The Developer hereby represents and warrants to the City that the Developer has conducted environmental studies sufficient to conclude that the Project may be constructed,

completed and operated in accordance with all Environmental Laws and this Agreement and all Exhibits attached hereto, the Scope Drawings, Plans and Specifications and all amendments thereto, and the Redevelopment Plan.

Without limiting any other provisions hereof, the Developer agrees to indemnify, defend and hold the City harmless from and against any and all losses, liabilities, damages, injuries, costs, expenses or claims of any kind whatsoever including, without limitation, any losses, liabilities, damages, injuries, costs, expenses or claims asserted or arising under any Environmental Laws incurred, suffered by or asserted against the City as a direct or indirect result of any of the following, regardless of whether or not caused by, or within the control of the Developer: (i) the presence of any Hazardous Material on or under, or the escape, seepage, leakage, spillage, emission, discharge or release of any Hazardous Material from (A) all or any portion of the Property or (B) any other real property in which the Developer, or any person directly or indirectly controlling, controlled by or under common control with the Developer, holds any estate or interest whatsoever (including, without limitation, any property owned by a land trust in which the beneficial interest is owned, in whole or in part, by the Developer), or (ii) any liens against the Property permitted or imposed by any Environmental Laws, or any actual or asserted liability or obligation of the City or the Developer or any of its Affiliates under any Environmental Laws relating to the Property.

SECTION 12. INSURANCE

The Developer must provide and maintain, at Developer's own expense, or cause to be provided and maintained during the term of this Agreement, the insurance coverage and requirements specified below, insuring all operations related to the Agreement.

(a) Prior to execution and delivery of this Agreement.

(i) Workers Compensation and Employers Liability

The Developer must submit evidence of insurance on the City of Chicago Insurance Certificate Form (copy attached) or equivalent prior to closing. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from Developer is not a waiver by the City of any requirements for the Developer to obtain and maintain the specified coverages.

The Developer shall advise all insurers of the Agreement provisions regarding insurance. Non-conforming insurance does not relieve Developer of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to stop work and/or terminate agreement until proper evidence of insurance is provided.

The insurance must provide for 60 days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

Any deductibles or self insured retentions on referenced insurance coverages must be borne by Developer and Contractors.

The Developer hereby waives and agrees to require their insurers to waive their rights of subrogation against the City of Chicago, its employees, elected officials, agents, or representatives.

The coverages and limits furnished by Developer in no way limit the Developer's liabilities and responsibilities specified within the Agreement or by law.

Any insurance or self insurance programs maintained by the City of Chicago do not contribute with insurance provided by the Developer under the Agreement.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

If Developer is a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

The Developer must require all contractors and subcontractors to provide the insurance required herein, or Developer may provide the coverages for contractors and subcontractors. All Contractors and subcontractors are subject to the same insurance requirements of Developer unless otherwise specified in this Agreement.

If Developer, any contractor or subcontractor desires additional coverages, the party desiring the additional coverages is responsible for the acquisition and cost.

The City of Chicago Risk Management Department maintains the right to modify, delete, alter or change these requirements.

Notwithstanding the foregoing, if the Developer purchases and maintains insurance in accordance with the HUD Section 202 Program requirements, as evidenced by HUD's Property Insurance Requirements Form 90164-CA, the Developer shall be deemed to have complied with the City's insurance requirements set forth in this Section 12; provided, however, that Developer shall cause Accord 25 and Accord 27 Certificates of Insurance to be issued to the City listing the City as an additional insured on the general liability policy and as a junior mortgagee on the property insurance.

SECTION 13. INDEMNIFICATION

13.01 General Indemnity. Developer agrees to indemnify, pay, defend and hold the City, and its elected and appointed officials, employees, agents and Affiliates (individually an "Indemnitee," and collectively the "Indemnities") harmless from and against, any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, claims, costs, expenses and disbursements of any kind or nature whatsoever (and including without limitation, the reasonable fees and disbursements of counsel for such Indemnities in connection with any investigative, administrative or judicial proceeding commenced or threatened, whether or not such Indemnities shall be designated a party thereto), that may be imposed on, suffered, incurred by or asserted against the Indemnities in any manner relating or arising out of:

(i) the Developer's failure to comply with any of the terms, covenants and conditions contained within this Agreement; or

(ii) the Developer's or any contractor's failure to pay contractors, subcontractors or materialmen in connection with the TIF-Funded Improvements or any other Project improvement; or

(iii) the existence of any material misrepresentation or omission in this Agreement, the Redevelopment Plan or any other document related to this Agreement that is the result of information supplied or omitted by the Developer or any Affiliate Developer or any agents, employees, contractors or persons acting under the control or at the request of the Developer or any Affiliate of Developer; or

(iv) the Developer's failure to cure any misrepresentation in this Agreement or any other agreement relating hereto;

provided, however, that Developer shall have no obligation to an Indemnitee arising from the gross negligence, wanton or willful misconduct of that Indemnitee. To the extent that the preceding sentence may be unenforceable because it violates any law or public policy, Developer shall contribute the maximum portion that it is permitted to pay and satisfy under the applicable law, to the payment and satisfaction of all indemnified liabilities incurred by the Indemnities or any of them. The provisions of the undertakings and indemnification set out in this **Section 13.01** shall survive the termination of this Agreement.

Notwithstanding the foregoing, the only sources of payments made by the Developer upon written approval of HUD under this Section 13.01 shall be from available insurance proceeds or Residual Receipts as defined by HUD in the Regulatory Agreement. No indemnitee shall have or assert any claim, lien or interest in or against the assets or income of the HUD Project No. 071-EE212.

SECTION 14. MAINTAINING RECORDS/RIGHT TO INSPECT

14.01 Books and Records. The Developer shall keep and maintain separate, complete, accurate and detailed books and records necessary to reflect and fully disclose the total actual cost of the Project and the disposition of all funds from whatever source allocated

thereto, and to monitor the Project. All such books, records and other documents, including but not limited to the Developer's loan statements, if any, General Contractor and subcontractors' sworn statements, general contracts, subcontracts, purchase orders, waivers of lien, paid receipts and invoices, shall be available at the Developer's offices for inspection, copying, audit and examination by an authorized representative of the City, at the Developer's expense. The Developer shall incorporate this right to inspect, copy, audit and examine all books and records into all contracts entered into by the Developer with respect to the Project.

14.02 Inspection Rights. Upon three (3) business days' notice, any authorized representative of the City has access to all portions of the Project and the Property during normal business hours for the Term of the Agreement.

SECTION 15. DEFAULT AND REMEDIES

15.01 Events of Default. The occurrence of any one or more of the following events, subject to the provisions of **Section 15.03**, shall constitute an "Event of Default" by the Developer hereunder:

(a) the failure of the Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Developer under this Agreement or any related agreement;

(b) the failure of the Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Developer under any other agreement with any person or entity if such failure may have a material adverse effect on the Developer's business, property, assets, operations or condition, financial or otherwise;

(c) the making or furnishing by the Developer to the City of any representation, warranty, certificate, schedule, report or other communication within or in connection with this Agreement or any related agreement which is untrue or misleading in any material respect;

(d) except as otherwise permitted hereunder, the creation (whether voluntary or involuntary) of, or any attempt to create, any lien or other encumbrance upon the Property, including any fixtures now or hereafter attached thereto, other than the Permitted Liens, or the making or any attempt to make any levy, seizure or attachment thereof;

(e) the commencement of any proceedings in bankruptcy by or against the Developer or for the liquidation or reorganization of the Developer, or alleging that the Developer is insolvent or unable to pay its debts as they mature, or for the readjustment or arrangement of the Developer's debts, whether under the United States Bankruptcy Code or under any other state or federal law, now or hereafter existing for the relief of debtors, or the commencement of any analogous statutory or non-statutory proceedings involving the Developer; provided, however, that if such commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such proceedings are not dismissed within sixty (60) days after the commencement of such proceedings;

(f) the appointment of a receiver or trustee for the Developer, for any substantial part of the Developer's assets or the institution of any proceedings for the dissolution, or the full or partial liquidation, or the merger or consolidation, of the Developer; provided, however, that if such appointment or commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such appointment is not revoked or such proceedings are not dismissed within sixty (60) days after the commencement thereof;

(g) the entry of any judgment or order against the Developer which remains unsatisfied or undischarged and in effect for sixty (60) days after such entry without a stay of enforcement or execution;

(h) the occurrence of an event of default under the Lender Financing, which default is not cured within any applicable cure period;

(i) the dissolution of the Developer; or

(j) the institution in any court of a criminal proceeding (other than a misdemeanor) against the Developer or any natural person who owns a material interest in the Developer, which is not dismissed within thirty (30) days, or the indictment of the Developer or any natural person who owns a material interest in the Developer, for any crime (other than a misdemeanor).

Notwithstanding the foregoing, if subsequent to the conveyance of the Property to the Developer, the Developer defaults in any specific manner described in this Section 15.01, the City shall give written notice to the Developer and additionally shall give written notice to HUD within thirty (30) days of the occurrence of such default. The Developer and HUD shall have the right within three (3) months from the receipt of such notice to correct the default. In the event that the Developer fails to correct the default and HUD is unable to or elects not to correct said default, HUD shall suspend and be under no obligation to advance proceeds of its Capital Advance (if the Event of Default occurs during the construction period), and if HUD desires, shall select a qualified and financially responsible party or parties ("Subsequent Developer") which shall be approved by HUD only after consultation with and approval of the City to complete the construction of the Improvements and/or to own and operate the Project. The Subsequent Developer shall enter into an amended and restated redevelopment agreement with the City whereby the Subsequent Developer shall assume the covenants contained in this Agreement, the HUD Mortgage, HUD Restrictions and HUD Capital Advance Agreement with regard to completion, ownership and operation of the Project. The execution of the amended and restated redevelopment agreement between the City and the Subsequent Developer shall occur after the submission to and approval by the City and HUD of proof of financing and economic disclosure statement by the Subsequent Developer, and shall be recorded with the Recorder's Office immediately prior to the recordation of the quitclaim deed from the Developer to the Subsequent Developer, and the assumption of the HUD Mortgage and the HUD Capital Advance Agreement by the Subsequent Developer. Upon conveyance of the Project to the Subsequent Developer, as described herein, and compliance by the Subsequent Developer with all of the requirements of the Capital Advance, HUD will resume funding of its Capital Advance. The conveyance of the Project by the Developer to the Subsequent Developer shall be in accordance with all applicable federal, state, and local laws, ordinances and regulations and

consistent with the objectives of this Agreement, provided, however, that the transfer of the title shall not defeat, render invalid or otherwise limit any lien or mortgage placed upon the Project or the Property, including without limitation, the HUD Mortgage. Subject to Section 4.10, the City shall be entitled to recover from the Developer only, all costs and expenses, including reasonable attorneys' fees, incurred in transferring title to the Subsequent Developer.

For purposes of this Section, the parties agree that HUD shall be deemed a third party beneficiary of this Agreement.

15.02 Remedies. Upon the occurrence of an Event of Default, the City may terminate this Agreement and all related agreements, may suspend disbursement of City Funds. Additionally, upon the occurrence of an Event of Default in relation to Section 8.19, the Developer shall reimburse the City all of the City Funds disbursed to the Developer to date, subject to **Section 4.10**. The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to injunctive relief or the specific performance of the agreements contained herein.

15.03 Curative Period. In the event the Developer shall fail to perform a monetary covenant which the Developer is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the Developer has failed to perform such monetary covenant within sixty (60) days of its receipt of a written notice from the City specifying that it has failed to perform such monetary covenant. In the event the Developer shall fail to perform a non-monetary covenant which the Developer is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the Developer has failed to cure such default within sixty (60) days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those non-monetary defaults which are not capable of being cured within such sixty (60) day period, the Developer shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such sixty (60) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

SECTION 16. MORTGAGING OF THE PROJECT

All mortgages or deeds of trust in place as of the date hereof with respect to the Property or any portion thereof are listed on Exhibit G hereto (including but not limited to mortgages made prior to or on the date hereof in connection with Lender Financing) and are referred to herein as the "Existing Mortgages." Any mortgage or deed of trust that the Developer may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof is referred to herein as a "New Mortgage." Any New Mortgage that the Developer may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof with the prior written consent of the City is referred to herein as a "Permitted Mortgage." It is hereby agreed by and between the City and the Developer as follows:

(a) In the event that a mortgagee or any other party shall succeed to the Developer's interest in the Property or any portion thereof pursuant to the exercise of remedies under a New Mortgage (other than a Permitted Mortgage), whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of the Developer's interest hereunder in accordance with Section 18.15 hereof, the City may, but shall not be obligated to, attorn to and recognize such party as the successor in interest to the Developer for all purposes under this Agreement and, unless so recognized by the City as the successor in interest, such party shall be entitled to no rights or benefits under this Agreement, but such party shall be bound by those provisions of this Agreement that are covenants expressly running with the land.

(b) In the event that any mortgagee shall succeed to the Developer's interest in the Property or any portion thereof pursuant to the exercise of remedies under an Existing Mortgage or a Permitted Mortgage, whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of the Developer's interest hereunder in accordance with Section 18.15 hereof, the City hereby agrees to attorn to and recognize such party as the successor in interest to the Developer for all purposes under this Agreement so long as such party accepts all of the obligations and liabilities of "the Developer" hereunder; provided, however, that, notwithstanding any other provision of this Agreement to the contrary, it is understood and agreed that if such party accepts an assignment of the Developer's interest under this Agreement, such party has no liability under this Agreement for any Event of Default of the Developer which accrued prior to the time such party succeeded to the interest of the Developer under this Agreement, in which case the Developer shall be solely responsible. However, if such mortgagee under a Permitted Mortgage or an Existing Mortgage does not expressly accept an assignment of the Developer's interest hereunder, such party shall be entitled to no rights and benefits under this Agreement, and such party shall be bound only by those provisions of this Agreement, if any, which are covenants expressly running with the land.

(c) Prior to the issuance by the City to the Developer of a Certificate pursuant to Section 7 hereof, no New Mortgage shall be executed with respect to the Property or any portion thereof without the prior written consent of the Commissioner of DPDDCD.

Opinion Of Developer's Counsel.

City of Chicago
33 North LaSalle Street, 2nd Floor
Chicago, Illinois 60602
Attention: Corporation Counsel

Re: TRC Senior Village

Ladies and Gentlemen:

We have acted as special counsel to TRC Senior Village I, N.F.P., an Illinois not-for-profit corporation (the "owner") in connection with the development and construction of a seventy-one (71) unit senior rental facility to be located at ~~34 -- 59 East Pershing Road (also known as 3901 South Wabash Avenue)~~ East 53rd Street, 5243 and 5247 South Calumet Avenue in Chicago, Illinois (the "Project"). We represent the Owner in connection with that certain TRC Senior Village I, N.F.P. Redevelopment Agreement dated as of July , ~~2008~~2009 the "Redevelopment Agreement") between the Owner and the City of Chicago (the "City"), and the City's agreement to provide Seven Hundred Twenty-five Thousand Dollars (\$725,000) of tax increment financing assistance to the Owner to pay certain T.I.F. eligible expenses as set forth in the Redevelopment Agreement. The Project is located in the ~~Bronzeville~~ 47th/State Tax Increment Financing Redevelopment Project Area.

In our capacity as special counsel, we have examined, among other things, (i) the Redevelopment Agreement; (ii) Articles of Incorporation, as amended, of the Owner certified

by the Secretary of State of Illinois on July _____, 20082009; and (iii) the Owner's Bylaws, Resolutions dated as of July _____, 20082009, and a Certificate of Good Standing issued by the Secretary of State of Illinois dated as of July _____, 20082009 (the documents set forth above in (i) through (iii) are collectively referred to herein as the "Documents").

In rendering this opinion we have also examined the original or certified, conformed or photostatic copies of the Judgment Searches of the Owner performed by CT Corporation System, dated _____, 20082009 (the "Searches"), copies of which have been delivered to the City; the Certificate as defined in paragraph 3 below and referred to in qualification (i) below; and such other documents and legal matters as we have deemed necessary or relevant for purposes of issuing the opinions hereinafter expressed.

For the purposes of this opinion, we have assumed that:

The execution and delivery of the Redevelopment Agreement and other documents reviewed by us, and the entry into and performance of the transactions contemplated by the Redevelopment Agreement, by all parties other than the Owner have been duly authorized by all necessary actions. Further, the Redevelopment Agreement and other documents reviewed constitute the valid and binding obligations of all parties other than the Owner.

All natural persons who are signatories to the Redevelopment Agreement were legally competent at the time of execution; all signatures (other than those on behalf of the Owner) on the Redevelopment Agreement and other documents reviewed by us are genuine; the copies of all documents submitted to us are accurate and complete and conform to the originals; all material terms and conditions of the relationship between the Owner and the other parties are correctly and completely reflected in the Redevelopment Agreement.

Based upon the foregoing, but subject to the assumptions, qualifications and limitations set forth herein, it is our opinion that:

Owner is an Illinois not-for-profit corporation duly created, validly existing and in good standing under the laws of Illinois and has full corporate power and authority to own and lease its properties and to carry on its business as presently conducted.

The Redevelopment Agreement (a) has been properly authorized, executed and delivered by or on behalf of Owner, (b) constitutes the legal, valid and binding obligation of Owner, and (c) is enforceable against the Owner in accordance with its terms.

Owner have all requisite right, power and authority to execute and deliver the Redevelopment Agreement and to perform its obligations thereunder. The execution, delivery and undertaking of performance under the Redevelopment Agreement by Owner will not conflict with, or result in a violation of the Owner's Articles of Incorporation or Bylaws. Such execution, delivery and undertaking of performance (provided each of the Owner performs in accordance with the terms and conditions of the Redevelopment Agreement to which it is a party) will not result in a breach or other violation of any of the

terms, conditions or provisions of any law, regulation, order, writ, injunction or decree of any court or governmental or regulatory authority applicable to the Owner. Such execution and delivery, to our knowledge (based on the Certificate of Owner attached hereto and made a part hereof (the "Certificate")) and without further investigation, will not: (a) result in the creation of any lien, charge or encumbrance on any property or assets of the Owner, except as described in the Redevelopment Agreement and certain financing documents in connection with the Section 202 Supportive Housing for the Elderly program capital advance concurrently herewith made by the United States Department of Housing and Urban Development ("H.U.D.") to the Owner ("Section 202 Capital Advance"), (b) result in a violation of any of the terms, conditions or provisions of any order, writ, injunction or decree of any court, governmental or regulatory authority applicable to the Owner, (c) constitute grounds for the acceleration of the maturity of any agreement or other instrument to which the Owner are a party or by which any of the property of the Owner may be bound, or (d) conflict with, constitute an event of default under, or result in a violation of the provisions of any agreement or other instrument of which we have knowledge to which the Owner are a party, or by which the properties or assets of the Owner are bound.

To our knowledge relying solely on the Certificate, no authorizations, approvals or consents of, or filings or registrations with, or the giving of notice to, any person or any governmental or regulatory authority or agency of the State of Illinois or any political subdivision thereof, other than those that have already been obtained or will be obtained during the course of construction of the Project, are necessary for the execution, delivery and performance (as of the date hereof) by the Owner of the Redevelopment Agreement or for the validity or enforceability thereof, except for recording or filing of the Redevelopment Agreement.

A federal or state court sitting in the State of Illinois and applying the choice of law provisions of the State of Illinois would enforce the choice of law provisions contained in the Redevelopment Agreement and apply the law of the State of Illinois to the transactions evidenced thereby.

To our knowledge, relying solely on the Searches and the Certificate, there are no judgments outstanding against the Owner, nor is there now pending or threatened, any litigation, contested claim or governmental proceeding by or against the Owner or affecting the Owner or any of its property, or seeking to restrain or enjoin the performance by the Owner of the Redevelopment Agreement or the transactions contemplated in the Redevelopment Agreement, or contesting the validity thereof.

To our knowledge relying solely on the Certificate, without further investigation, there is no default by the Owner with respect to any indenture, loan agreement, mortgage, note, Section 202 Capital Advance document, material contract, lease or any other agreement or instrument to which the Owner is a party or by which the Owner is bound, a default under which would have a material adverse effect on the Owner or its business.

To our knowledge relying solely on the Searches and the Certificate, without further investigation, there is no default by the Owner with respect to any order, writ, injunction, or decree of any court, government or regulatory authority or in default in any respect under any law, order, regulation or demand of any governmental agency or instrumentality, a default under which would have a material adverse effect on the Owner or their respective businesses.

To our knowledge, relying solely on the Certificate and the Searches, all of the assets of the Owner are free and clear of mortgages, liens pledges, security interests and encumbrances except for those specifically set forth in the Documents and the Title Policy Number _____ issued by Title Services, Inc. as agent for Stewart Title Guaranty Company and dated as of _____, ~~2008~~2009 (the "Title Policy") with respect to the Property (as defined in the Redevelopment Agreement).

To our knowledge, relying solely on the Certificate, without further investigation, Owner owns or possesses or is licensed or otherwise has the right to use all licenses, permits and other governmental approvals and authorizations, operating authorities, certificates of public convenience or other rights that are necessary for the operation of the Project and its business (other than a certificate of occupancy which will be issued by the City and H.U.D.'s Permission to Occupy the building, both of which should be issued following construction completion in accordance with all City and H.U.D. approved plans and specifications).

The opinions set forth above are subject to the following qualifications:

Wherever we indicate that our opinion with respect to the existence or absence of facts is based on our knowledge, our opinion is based solely on (1) the actual knowledge of the attorneys currently with the firm who have represented the Owner in connection with the transactions contemplated by the Agreement and of any other attorneys presently in our firm whom we have determined are likely, in the course of representing any of said parties, to have knowledge of the matters covered by this opinion, (2) the representations and warranties of the Owner contained in the Redevelopment Agreement, and (3) the Certificate, and we have not undertaken any independent investigation (and we have not made or caused to be made any review of any court file or indices except as described above with respect to the Searches) and no inference as to our knowledge should be drawn from our representation of the Owner or otherwise. However, we know of no facts which lead us to believe such factual matters are untrue or inaccurate;

Your ability to enforce the Redevelopment Agreement may be limited by applicable bankruptcy, reorganization, insolvency, moratorium, fraudulent conveyance or transfer and other similar laws now or hereafter in effect relating to or affecting creditors' rights generally, and their interpretation by courts of appropriate jurisdiction;

Enforcement of your rights and remedies may be limited by general principles of equity, regardless of whether such enforcement is considered in a proceeding in equity or at law, and the availability of equitable remedies or equitable defenses would be subject to the discretion of the court requested to grant such remedies or allow such defenses; and further, in this regard, we have assumed that you will exercise your rights and remedies

under the Redevelopment Agreement in good faith and in circumstances and a manner which are commercially reasonable;

Certain provisions of the Redevelopment Agreement may be rendered unenforceable or limited by applicable laws and judicial decisions but such laws and judicial decisions do not render the Redevelopment Agreement invalid as a whole, and there exist in the Redevelopment Agreement or pursuant to applicable law legally adequate remedies for the realization of the principal benefits intended to be provided by the Redevelopment Agreement;

We express no opinion with respect to provisions in any of the Redevelopment Agreement which purport to (i) confer, waive or consent to the jurisdiction of any court, (ii) provide for service of process except in accordance with applicable law, (iii) waive any right granted by statutory or common law, or (iv) require indemnification or contribution for liabilities under the provisions of any Federal or state securities law or in respect to the negligent or wrongful conduct of the indemnified party or its representatives or agents; and

We call your attention to the fact that although we represent the Owner as special counsel in connection with the subject transaction, we do not represent each generally, and our engagement has been limited to the specific matters as to which we have been consulted. Our opinion is limited to the laws of the United States (except as set forth below) and the laws of the State of Illinois and (as to matters set forth in Paragraph 4 only) political subdivisions thereof in effect on the date hereof as they presently apply. We shall have no continuing obligations to inform you of changes in law or fact subsequent to the date hereof or of facts of which we become aware after the date hereof.

We express no opinion as to matters of title or priority or perfection of liens or security interests with regard to real and personal property. We have not reviewed and do not opine as to: (i) compliance by the Project with applicable health, fire, safety, building, zoning, environmental, subdivision laws, ordinances, codes, rules or regulations, (ii) ERISA laws, rules and regulations, or (iii) Federal or state taxation, banking, securities or "blue sky" laws, rules or regulations.

This opinion is limited to the matters set forth herein. This opinion is provided to you as a legal opinion only and not as a guaranty or warranty of the matter discussed herein or the documents referred to herein. No opinion may be inferred or implied beyond the matters expressly contained herein, and no portion of this opinion may be quoted or in any other way published without the express written consent of the undersigned. This opinion is rendered solely for your benefit and no other person or entity shall be entitled to rely on any matter set forth herein without the express written consent of the undersigned.

Very truly yours,

Applegate & Thorne-Thomsen, P.C.

- R-2 Failure on the part of the Developer to comply with the covenants contained in the Document shall not serve as a basis for default on any H.U.D.-insured or H.U.D.-held mortgage on the Project.
- R-3 Compliance by the Developer with the provisions and covenants of the Document and enforcement of the provisions and covenants contained in the Document,

including, but not limited to, any indemnification provisions or covenants, will not and shall not result in any claim or lien against the Project, any asset of the Project, the proceeds of the Mortgage, any reserve, or deposit required by H.U.D. in connection with the Mortgage transaction or the rents or other income from the Project, other than distributable residual receipts (as that term is defined in the H.U.D. Regulatory Agreement).

Loan Documents shall supersede any conflicting provision of the Document, and the performance or failure to perform of the Developer in accordance with such laws, regulations, directives, administrative requirements or H.U.D. Loan Documents shall not constitute an event of default under the Document; and payment shall be permitted in the event of an Event of Default under the Document only if the City demonstrates, by clear and convincing evidence, that the payment will not impair the ability of the Developer to operate the Project for not less than forty (40) years (from the date of final closing) in a manner that will provide rental housing for very low-income elderly persons or persons with disabilities, as applicable, on terms at least as advantageous to existing and future tenants as the terms required by the original capital advance, as required by H.U.D. regulations; and the Secretary of H.U.D., or his successor then acting, or the equivalent officer of any successor Department or Agency, in his sole discretion, consents. By its consent to the use of any indemnity agreement or provision in the Document in connection with the H.U.D. capital advance, there is no promise, express or implied, neither H.U.D. nor any officer or employee of the United States to provide additional funds for the Project in excess of the amount obligated for the capital advance and neither the Developer, sponsor nor the City will assert such a claim in the event the Developer or sponsor makes any payment to the City pursuant to the indemnification agreement.
- R-6 So long as H.U.D. is the holder of any mortgage on the Project or any indebtedness secured by a mortgage on the Project, the City will make no claim on the rents, profits or avails of the land and buildings that make up the Project. So long as H.U.D. is the holder of any mortgage on the Project or any indebtedness secured by a mortgage on the Project, the Developer shall not and are not permitted to pay any amount required to be paid under the provisions of the Document except from

distributable Residual Receipts, as such term is defined in, and in accordance with the conditions prescribed in the H.U.D. Regulatory Agreement, unless otherwise specifically permitted in writing by H.U.D.. Failure to pay, when due, any such required amount due to lack of distributable residual receipts in accordance with the conditions prescribed in the H.U.D. Regulatory Agreement as specifically permitted in writing by H.U.D.

- R-7 In the event of the appointment by any court of any person, other than H.U.D., as a receiver, as a mortgagee or party in possession, or in the event of any enforcement of any assignment of leases, rents, issues, profits, or contracts contained in the Document, with or without court action, no rents, revenue or other income of the Project collected by the receiver, person in possession or person pursuing enforcement as aforesaid, shall be utilized for the payment of interest, principal or any other amount due and payable under the provisions of the Document except from distributable residual receipts as such term is defined in, and in accordance with the H.U.D. Regulatory Agreement. The receiver, person in possession or person pursuing enforcement shall operate the Project in accordance with all provisions of the H.U.D. Loan Documents. Failure to pay, when due, any such required amount due to lack of distributable residual receipts shall not be an event of default under the Document, but such amount shall accrue and be payable when there is sufficient available residual receipts or at the unaccelerated maturity date of the H.U.D. Mortgage Note, whichever shall first occur.
- R-8 A duplicate of each notice given, whether required or permitted to be given, under the provisions of the Document shall also be given to:

Notwithstanding anything in the Document to the contrary, the Developer may make application to H.U.D. for approval of a Transfer of Physical Assets in accordance with H.U.D. regulations, directives and policies. ARTICLE IV – Duties and Obligations

4.1 NHS shall execute and deliver to DCD such documents as may be required by the Corporation Counsel to evidence NHS's participation in the Program, including, but not limited to, the City's current form of Economic Disclosure Statement and an opinion of counsel in substantially the form of Exhibit A attached hereto and incorporated herein.

4.2 (a) NHS agrees that the total amount of funds available for the Program hereunder shall be up to \$1,000,000 and that there have been no representations, assurances or agreements that any other assistance shall be forthcoming from the City. NHS shall provide written notice to the City when the aggregate amount of Program Funds committed or paid hereunder, including Grants and administrative costs paid to or for the account of NHS pursuant to Section 6.5, equals \$800,000 and thereafter when the amount of Program Funds committed or paid hereunder, including Grants and administrative costs paid to or for the account of NHS pursuant to Section 6.5, reaches \$1,000,000. Program Funds are deemed committed for purposes of this Section when NHS has determined the amount of Program Funds to be the subject of a Grant and sent notice of final approval of an Application pursuant to Section 4.3(e) to an Eligible Homeowner. No Grants shall be made or committed to be made by NHS hereunder when such commitment would result in the aggregate amount of Grants, together with all administrative costs related to such Grants paid to NHS pursuant to Section 6.5, exceeding \$1,000,000 (or such other amount as the City may determine from time to time). No Grants shall be made or committed to be made by NHS hereunder when such commitment occurs after the date of receipt of the notice from the City described in Section 6.2 hereof regarding the termination of this Agreement.

(b) As of the date of this Agreement, the total amount of funds available hereunder for use in the 47th/Halsted TIF Area is \$1,000,000. This amount may be changed from time to time upon written notice by DCD to NHS, provided that the aggregate amount shall not exceed \$1,000,000 (or such other amount as the City may determine from time to time).

4.3 (a) NHS shall accept and process Applications in the following manner (or as otherwise agreed to by DCD and NHS):

- (i) NHS shall make Application forms available for a period of four to six weeks;
- (ii) NHS shall make applications available at certain locations within the 47th/Halsted TIF Area such as community centers or libraries (as agreed to by DCD);
- (iii) Applications shall also be available by calling NHS;
- (iv) The Application will be approximately three (3) pages in length, from which NHS will be able to determine eligibility hereunder. NHS will require homeowners to provide more information if they are selected for a matching loan hereunder;
- (v) All Applications shall be returned directly to NHS; the City will not accept Applications; and
- (vi) All Applications must be received by a defined deadline of two weeks after the expiration of the period in (i) above.

(b) NHS shall review all Applications for eligibility, completeness and compliance with the Agreement. NHS shall verify the initial eligibility of each applicant within five days after its receipt in the manner described in subsection (c) below. Only those Applications which meet such criteria will be part of the Lottery. Applications so approved are to be numbered as they are received until the expiration of the period in (a)(vi) above. All such applicants shall be notified of the Lottery date and location by mail at least one week prior to holding the Lottery. The Lottery shall be conducted in a public place. At the lottery meeting, random numbers will be generated by computer (or such other

method as determined by DCD and NHS) and the numbers will determine which Applications will be selected ("Selected Applicants") for further processing. The process by which the Selected Applicants are identified is referred to herein as the "Lottery." The amount of each Grant request from each Selected Applicant, including the applicable fee to be paid to NHS hereunder, will be deemed to be for the Maximum Program Assistance. When the aggregate amount entered in the log reaches \$1,000,000, or such other amount as DCD shall in writing specify to NHS, then NHS shall stop selecting Applications.

To accommodate the possibility that additional Selected Applicants will need to be chosen from eligible Applications because some earlier Applications are not in compliance with this Agreement, or because Program Funds are still available to make Grants, NHS may establish a waiting list of up to 25 applicants, to be chosen by the same lottery process described above. If additional Applications are needed thereafter, then NHS will designate a time and place as set forth above to receive additional Applications.

(c) Prior to the date of the Lottery, for each potential Eligible Homeowner, NHS shall obtain income and title information regarding the Eligible Homeowner and the Qualified Housing Unit, respectively, and shall verify information presented in the Application. NHS shall assure that an Eligible Homeowner qualifies as a Qualified Family at the time an Application is received by NHS. In determining whether a Eligible Homeowner qualifies as a Qualified Family, NHS calculate income in a manner determined by NHS and approved by DCD.

(d) NHS shall forward the name, address and Social Security number of every Selected Applicant to the City's Department of Revenue for a scofflaw check. NHS shall perform an initial site visit to verify that the property will qualify. NHS shall approve a scope of work. No building will qualify as a Qualified Housing Unit hereunder if the combination of the Grant funds, funds from the Eligible Homeowner and matching loan funds described in Section 4.4(b) hereof do not cover the cost of correcting the health and safety issues which have been identified by NHS inspectors. For any Qualified Housing Unit, no more than 30% of the Eligible Costs paid for from Program Funds can relate to interior life/safety improvements.

(e) For applicants who do not meet the requirements of this Agreement, as determined by NHS after its initial review described in subsection (c) above, NHS shall provide notice to such applicants that their Application has been rejected within two weeks after the expiration of the period described in subsection (a)(vi) above. For all applicants whose Application is in compliance with the requirements of this Agreement (based on NHS's initial review described in subsection (c) above), NHS will notify each such applicant, within two weeks of the date of the Lottery, as follows: those who are not Selected Applicants will be notified that their name has been placed on a waiting list; and Selected Applicants will be asked for further information to process their Application. The notice to Selected Applicants will also inform the applicant that, if requested materials are not supplied within 45 days in a form satisfactory to NHS, the applicants will forfeit their status as a Selected Applicant and will be placed at the bottom of the waiting list. If the scofflaw check described in subsection (d) above reveals that any amounts are owed to the City, then the materials requested by NHS shall include evidence that all such amounts have been paid or that the applicant has entered into a payment plan with the City. Thereafter, NHS shall, within 90 days of the date of the Lottery, complete its review of all information required hereunder and notify each such Selected Applicant whether they are eligible for a Grant, the amount of the Grant, and whether other funds need to be obtained by the Applicant pursuant to Section 4.4(b). No Selected Applicant shall be eligible for a Grant hereunder until NHS has received the results of the scofflaw check described in (d) above and has received evidence either that all amounts owed to the City have been paid, or that the applicant has entered into a payment plan with the City. NHS shall provide the City with a copy of each such notice described above. All notices of rejection shall include the reasons for such rejection.

4.4 NHS shall provide the following services:

(a) Technical/Rehabilitation Services. For all Selected Applicants, NHS shall make an initial site visit to the Qualified Housing Unit, and assist the Selected Applicant in the preparation of detailed plans and specifications for the renovation work. NHS shall monitor the process by which the Selected Applicant selects a contractor (or contractors) to do the renovation work to ensure that any contractor has been selected through a competitive bid process. NHS must approve the contractor selected, which must be licensed and properly insured; in its approval, NHS shall consider the financial strength of the contractor. NHS shall review the contract(s) between the Selected Applicant and the contractor(s) for the renovation work. NHS shall make available to each Selected Applicant (i) a current list of contractors and subcontractors which are certified by the City as Minority Business Enterprises or Women Business Enterprises, and (ii) a current list of contractors and subcontractors which have current insurance certificates and proof of City home repair and/or business licenses on file with NHS. While the requirements of Section 2-92-330 of the Municipal Code of the City of Chicago (City Resident Employment Requirement) will not apply to the renovation work done pursuant to the Program, NHS shall use its best efforts to recruit and encourage the use of qualified contractors based in Chicago (particularly in the 47th/Halsted TIF Area) for the renovation work being funded pursuant to this Agreement.

(b) Requirements for Grants for Qualified Housing Units. After approving an Application, NHS shall promptly prepare and execute Grant Documents for each Grant. NHS shall assure that each Grant satisfies all applicable requirements of federal, State and local law, and that:

(i) Program Funds finance only Eligible Costs;

(ii) for an Eligible Homeowner who has household income between 100% and 140% of Median Income, the Grant Funds shall not be provided unless an equal amount of loan proceeds or other funds from the Eligible Homeowner (which loans may, but shall not be required to, be made by Neighborhood Lending Services, Inc. ("NLS"), an affiliate of NHS) are available for repairs to the Qualified Housing Unit; provided, that repairs paid for (or reimbursed) from funds other than Program Funds hereunder are not required to be Eligible Costs;

(iii) if the Eligible Homeowner has household income (calculated as described above) below 100% of the Median Income, no matching funds are required pursuant to this subsection, but other provisions of this Agreement may require an Eligible Homeowner to obtain a matching loan for the Qualified Housing Unit; and

(iv) one or more units of the Qualified Housing Unit shall be occupied by the Eligible Homeowner.

(c) Closing. NHS shall promptly close each Grant. Prior to disbursement of any Program Funds by NHS, NHS shall require each Eligible Homeowner to enter into the Grant Documents. NHS shall assure that the renovation of the Qualified Housing Unit commences within six months of the date on which a Grant closes. NHS shall provide in all Grant Documents that the City is a third-party beneficiary of the Grant Documents. NHS shall not provide Program Funds to any Eligible Homeowner in an amount in excess of the applicable Maximum Program Assistance; provided, that the maximum amount so provided may be adjusted by mutual agreement of DCD and NHS based on the availability of Program Funds and the projected need of a particular community.

(d) Disbursement of Proceeds. The City will from time to time place all or a portion of the Program Funds, in an amount determined by DCD but not exceeding \$1,000,000 in the aggregate, into an interest-bearing segregated or escrow account established by NHS for this purpose. Any income earned on amounts held in the account shall be used at the sole discretion of the City: (i) to make Grants hereunder, or (ii) in such other manner as the City determines. NHS shall disburse funds from this account to the City at the written request of the City if income is earned on amounts held in the account. NHS shall make any such disbursement within 30 days of its receipt of the City's request. NHS agrees that any disbursements from this account which are later determined to have been made in violation of this Agreement will be repaid to this account by NHS. Prior to disbursing any proceeds of a Grant, NHS shall determine the aggregate amount of Program Funds which have been provided or approved for a Qualified Housing Unit and shall not disburse any funds exceeding the Maximum Program Assistance. NHS shall also assure that no Program Funds shall be paid until such funds are needed to reimburse the Eligible Homeowner for the prior payment of Eligible Costs, and that the proceeds of a Grant do not exceed available Maximum Program Assistance with respect to the Qualified Housing Unit. No payment from Program Funds shall be made to the Eligible Homeowner until NHS receives evidence of prior payment to the contractor for the rehabilitation work (consisting of a copy of the check issued to the contractor, which is not required to be a cancelled check, and/or a copy of the sworn statement). There shall be no commingling of funds among Grants by NHS and each Grant shall be accounted for separately in the records maintained by NHS.

(e) Servicing; Monitoring.

(1) NHS shall specify an employee directly responsible for the working on each Grant. NHS shall provide DCD with notice of the person(s) responsible for these duties and the respective Grants.

(2) If an Eligible Homeowner breaches any covenant or agreement under the applicable Grant Documents, NHS shall mail notice of such breach to the Eligible Homeowner as provided in the Grant Documents (with a copy to DCD) and shall take such further action consistent with the terms of this Agreement.

(3) NHS shall monitor the progress of the renovation work to confirm compliance with this Agreement and the Grant Documents. The Grant Documents shall provide that the Eligible Homeowner must approve of payment of funds from NHS to a contractor for the rehabilitation work. NHS shall inspect the renovation work prior to providing payment. NHS shall make a final inspection of the renovation work at its completion to confirm compliance with this Agreement and the Grant Documents.

(f) Reporting. On the seventh day of each month of each year during the term hereof, NHS shall submit to the City a monthly report in a form approved by DCD and containing the following information for each Grant closed during the previous month, and for each Eligible Homeowner whose Application has been approved: (i) the address and census tract of the Qualified Housing Unit; (ii) the name, address, income and race (if known) of each Eligible Homeowner for such Qualified Housing Unit; (iii) the amount of the applicable Grant and the date of the Grant; (iv) the amount of Program Funds, if any, provided to such Eligible Homeowner by the end of the preceding month, and the use of such funds; (v) the status of the renovation work on such Qualified Housing

Unit; and (vi) the names of any Eligible Homeowners who have defaulted on any matching loan provided through NLS pursuant to Section 4.4(b) hereof. In addition, NHS shall also include the following in such report regarding the Program as of the end of the preceding month: (i) information about each matching loan made to an Eligible Homeowner, or matching funds provided by the Eligible Homeowner, including the amount of the loan or other funds, the address of the subject property and evidence that matching funds were provided; (ii) number of renovations in process; (iii) number of renovations completed; (iv) total number of applicants; (v) total number of Applications reviewed; (vi) total number of Applications approved and (vii) total amount of Grant funds disbursed hereunder.

(g) Marketing. NHS shall make information about the Program, including Applications, readily available to persons applying to become Eligible Homeowners. In connection therewith, NHS shall prepare and distribute brochures and other written materials describing the Program. NHS shall also make appropriate personnel available to speak at seminars to promote and explain the Program and shall conduct other affirmative outreach efforts (including organizing or participating in seminars, conferences and public meetings) to disseminate information about the Program to the public. NHS shall cooperate (and shall bind its contractors to cooperate) with DCD in any program which DCD may undertake to promote and explain the Program. NHS shall dedicate sufficient employee time and resources to respond promptly to inquiries from potential applicants.

4.5 Prior to each disbursement of proceeds in connection with a Qualified Housing Unit (pursuant to Section 4.4 (d) hereof), NHS shall assure to its best efforts that the rehabilitation work performed by the contractor on that Qualified Housing Unit complies with the building codes of the City.

assure that the rehabilitation work performed by the contractor on that Qualified Housing Unit complies with the building codes of the City.

4.6 NHS shall be responsible for all actions of any agents, employees, officers of NHS performing any duties or obligations of NHS hereunder.

4.7 The City authorizes NHS to act, subject to the limitations contained herein: (i) to manage and service the Grants; (ii) to enforce or to refrain from enforcing the Grant Documents for each Grant; (iii) to give consents or approvals in connection with the Grant Documents for each Grant; (iv) to take or refrain from taking any action and make any determination provided for herein or in the Grant Documents; and (v) to exercise all such powers as are incidental thereto.

4.8 In its marketing efforts regarding the Program, the City shall notify potential Program applicants that, for households earning more 100% of the Median Income, there will be a matching loan requirement (as set forth in Section 4.4(b) hereof).

4.9 Insurance.

(a) NHS shall procure and maintain at all times, at its own expense, except as may be otherwise provided herein, during the term of this Agreement, the types of insurance specified below, with insurance companies authorized to do such business in the State and reasonably acceptable to the City covering all services hereunder.

The kinds and amounts of insurance required are as follows:

1. Worker's Compensation and Occupational Disease Insurance
Worker's Compensation and Occupational Disease Insurance, in statutory amounts, covering all of NHS. Employer's liability coverage shall be included and shall have limits of not less than \$100,000 per each accident or illness.
2. Commercial Liability Insurance (Primary and Umbrella)

Commercial Liability Insurance or equivalent with limits of not less than \$1,000,000 per occurrence, combined single limit, for bodily injury, personal injury and property damage liability. Products/completed operation, independent contractors and contractual liability coverages are to be included. The City is to be named as an additional insured.
3. Automobile Liability Insurance

When any motor vehicles are used in connection with the work to be performed under this Agreement, NHS shall maintain Automobile Liability Insurance with limits of not less than \$500,000 per occurrence, combined single limit, for bodily injury and property damage. The City is to be named as an additional insured.
4. Errors & Omissions/Professional Liability

With respect to all services performed by NHS hereunder, errors and omissions coverage shall be maintained in the amount of \$250,000 naming the City as an additional insured.
5. Blanket Crime Insurance

NHS shall obtain and maintain a blanket crime insurance policy, naming the City as a loss payee, as its interest may appear, covering all persons handling funds received or disbursed under this Agreement, and against loss by reason of theft, robbery, dishonesty, destruction, disappearance or other crimes. The blanket crime insurance policy must be written to cover losses in an amount of not less than 25 percent of the maximum funds on hand at any given time or in an amount of \$250,000, whichever amount is greater.

(b) NHS shall furnish the City, Department of Finance, Risk Management Office, 333 South State Street, Room 400, Chicago, Illinois 60604, original certificates of insurance evidencing the required coverages to be in force and effect on the date hereof, and renewal certificates of insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the term of this Agreement. The City shall not allow NHS to commence any services under this Agreement until all insurance is purchased and evidence of it is received and approved by the City, but the failure of the City to obtain such evidence from NHS before permitting NHS to commence such services shall not be deemed to be a waiver by the City, and NHS shall remain under a continuing obligation to maintain the coverage and to supply the certificates.

The insurance specified hereinabove shall be carried until all services required to be performed under the terms of this Agreement are satisfactorily completed. Failure to carry or keep such insurance in force shall constitute an Event of Default hereunder within the meaning of Section 5.1 hereof, and the City maintains the right to suspend the provisions hereof until proper evidence of insurance is provided. NHS shall require all subcontractors to carry the insurance required herein, or NHS may, at its option, provide the coverage for any or all subcontractors, and, if so, supply to the City evidence satisfactory to the City of such coverage.

The City maintains the right to modify, delete, alter or change these requirements.

The insurance policies shall provide for 60 days' prior written notice to be given to the City in the event coverage is substantially changed, canceled or non-renewed.

NHS expressly understands and agrees that any insurance coverages and limits furnished by NHS hereunder shall in no way limit its responsibilities and abilities specified herein or by law.

ARTICLE V – Events of Default; Remedies

5.1 Events of Default Defined. The following, subject to the notice and cure provisions of Section 5.2 hereof, shall each constitute an Event of Default hereunder:

(a) any misrepresentation, whether negligent or willful and whether in the inducement or in the performance of this Agreement, made by NHS to the City;

(b) failure by NHS to perform any of its duties or obligations under this Agreement;

(c) any change in ownership or control of NHS without the prior written approval of the City;

(d) the dissolution of NHS or the entry of a decree or order for relief by a court having jurisdiction with respect to NHS in an involuntary case under the federal bankruptcy laws, as now or hereafter constituted, or any other applicable federal or state bankruptcy, insolvency or other similar law, or appointing a receiver, liquidator, assignee, custodian, trustee or sequestrator (or other similar official) of NHS or for any substantial part of the property thereof or ordering the winding-up or liquidation of the affairs of NHS and the continuance of any such decree or order unstayed and in effect for a period of 30 consecutive days;

(e) the commencement by NHS of a voluntary case under the federal bankruptcy laws, as now or hereafter constituted, or any other applicable federal or state bankruptcy, insolvency or other similar law, or the consent by NHS to the appointment of or taking possession by a receiver, liquidator, assignee, trustee, custodian or sequestrator (or other similar official) of NHS or of any substantial part of the property of NHS or of any royalties, revenues, rents, issues or profits therefrom, or the making by NHS of any assignment for the benefit of creditors or the failure of NHS generally to pay its respective debts as such debts become due or the taking of action by NHS in furtherance of any of the foregoing;

(f) a final judgment for the payment of money in excess of \$100,000 shall be rendered by a court of competent jurisdiction against NHS, and NHS shall not discharge the same or provide for its discharge in accordance with its terms, or procure a stay of execution thereof, within 60 days from the date of entry thereof, or such longer period during which execution of such judgment shall have been stayed;

(g) default by NHS under any other agreement which NHS may currently have or may enter into with the City during the term of this Agreement; or

(h) a failure by NHS to fulfill its obligations under any Grant Documents.

5.2 Remedies. If any event referred to in Section 5.1 hereof cannot reasonably be cured within 30 days after receipt of notice given in accordance with the terms of this Agreement, or if NHS has failed, in the sole opinion of the City, to commence and continue diligent efforts to cure such event, the City may, at its sole option, declare an Event of Default hereunder. Whether to declare an Event of Default hereunder is within the sole discretion of the City and neither that decision nor the factual basis for it is subject to review or challenge under this Agreement. Written notification of, or that results in, an Event of Default, and any intention of the City to terminate this Agreement, shall be provided to NHS and such decision shall be final and effective upon receipt of such notice pursuant to Section 6.14 hereof and failure to cure within the stated applicable cure period. Upon the giving of such notice, the City may invoke any or all of the following remedies:

- (a) the right to terminate this Agreement as to any or all of the services yet to be performed effective at a time specified by the City;
- (b) the right of specific performance, an injunction or any other appropriate equitable remedy;
- (c) the right to money damages;
- (d) the right to withhold all or any part of the compensation of NHS hereunder; and
- (e) the right to deem NHS non-responsible in future contracts to be awarded by the City.

If the City considers it to be in its best interests, it may elect not to declare an Event of Default hereunder or to terminate this Agreement. The parties acknowledge that this provision is solely for the benefit of the City and that if the City permits NHS to continue to provide the services despite one or more Events of Default, NHS shall in no way be relieved of any of its responsibilities, duties or obligations under this Agreement nor shall the City waive or relinquish any of its rights thereby.

The remedies under the terms of this Agreement are not intended to be exclusive of any other remedies provided, but each and every such remedy shall be cumulative and shall be in addition to any other remedies, existing now or hereafter, at law, in equity or by statute. No delay or failure to exercise any right or power accruing upon any Event of Default shall impair any such right or power nor shall it be construed as a waiver of any Event of Default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient.

ARTICLE VI – General Provisions

6.1 Duration of the Agreement. This Agreement shall commence on the date of execution and delivery hereof and, unless earlier terminated pursuant to this Agreement, shall terminate when the last Grant payment is made by NHS hereunder.

6.2 Termination. The City may terminate this Agreement for convenience upon thirty (30) days written notice from the City. In such event, all rights and obligations running to and from each party shall be terminated and of no further force and effect; provided that NHS shall be obligated to maintain all records and monitoring obligations with respect to any Grant made in accordance with the terms of this Agreement for a period of five years after the date of the Grant.

6.3 Indemnification. NHS shall pay, indemnify and save the City and the City's officers, employees and agents harmless of, from and against, any and all losses incurred by any such party under this Agreement and any claim brought by reason of any such loss. In the event that any claim is brought against the City or any of the City's officers, employees or agents, by reason of any such loss, NHS, upon notice from the City, covenants to resist and defend such claim on behalf of the City and the City's officers, employees and agents. The City shall have the right to employ separate counsel in any such claim and to participate in the defense thereof and the fees and expenses of such counsel incurred shall be at the expense of NHS, without regard to any authorization of such employment by NHS.

6.4 Non-Liability of Public Officials. No official, employee or agent of the City shall be charged personally by NHS or by any assignee or subcontractor of NHS with any liability or expenses of defense or shall be held personally liable to NHS, or any assignee or subcontractor of NHS under any terms or provisions of this Agreement because of the City's execution or attempted execution hereof or because of any breach hereof.

6.5 Compensation. NHS shall not charge any Eligible Homeowner any fees or charges for a Grant hereunder. The only compensation received by NHS for performance under this Agreement shall be in accordance with this Section. NHS shall be entitled to compensation hereunder in an amount equal to 15 percent (15%) of the aggregate Program Funds paid by the City for Eligible Costs hereunder each month; such amount shall be payable upon submission of a Voucher by NHS to DCD, which Voucher shall contain a line item for NHS compensation hereof. The City shall not be responsible for the payment of any fees other than as set forth in this Section.

6.6 Documentation of Costs and Income; Records and Availability. All Eligible Costs paid from the proceeds of a Grant shall be supported by properly executed invoices, contracts or vouchers, or other official documentation evidencing in proper detail the nature and propriety of the Eligible Costs. All checks, invoices, contracts, vouchers, orders or other accounting documents pertaining in whole or in part to this Agreement shall be maintained by NHS and shall be clearly identified and readily accessible to the City upon written request.

NHS shall maintain records evidencing compliance with the all requirements of the Program for each Qualified Housing Unit which is the subject of a Grant, including the provisions of Section 4.5. Such records shall be maintained for a period of five years after the date of the Grant. All Grant Documents shall be held by NHS for the benefit of the City during the term of this Agreement and for five years thereafter. Upon the written request of the City, NHS shall provide the City with access to and copies of such records.

At any time during normal business hours and as often as the City may deem necessary, NHS shall make available to the City (i) all of its records with respect to matters covered by this Agreement and (ii) access to its employees who have knowledge about the matters covered by this Agreement. NHS shall permit the City to audit, examine and make excerpts or transcripts from such records, and to make copies of records relating to personnel, conditions of employment and other data covered by this Agreement.

At any time during normal business hours and as often as the City may deem necessary, each Eligible Homeowner shall make available to the City the Qualified Housing Unit and records relating to tenants of the unit, if any, in order for the City to verify compliance with this Agreement, including Section 4.5. NHS shall include this requirement in the Grant Documents.

6.7 Non-discrimination. NHS agrees it shall be an unlawful employment practice for NHS (1) to fail or refuse to hire or to discharge any individual, or otherwise to discriminate against any individual with respect to his compensation, or the terms, conditions, or privileges of his employment, because of such individual's race, color, religion, sex, age, handicap or national origin; or (2) to limit, segregate, or classify its employees or applicants for employment in any way which would deprive or tend to deprive any individual in any way of employment opportunities or otherwise adversely affect his status as an employee, because of such individual's race, color religion, sex, age, handicap or national origin.

NHS shall comply with the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. and any rules and regulations promulgated in accordance therewith, including, but not limited to the Equal Employment Opportunity clause, 56 Ill. Admin. Code 2520 Appendix G. 6.8 City Requirements. NHS shall comply with the Chicago Human Rights Ordinance, ch. 2.160, Section 2-160-010 et seq. of the Chicago Municipal Code (1990); and the Chicago Fair Housing Regulations ch. 5-8, Section 5-8-010 et seq. of the Chicago Municipal Code (1990).

NHS agrees to furnish and to cause each of its subcontractor(s) to furnish such reports and information as requested by the Chicago Commission on Human Relations.

NHS agrees that all of the aforementioned provisions will be incorporated in all agreements entered into with any suppliers of materials, furnisher of services, subcontractors of any tier, and labor organizations which furnish skilled, unskilled and craft union skilled labor, or which may provide any such materials, labor of services in connection with this Agreement.

6.9 Assignment. NHS may not assign, sell, transfer or delegate any of its duties or obligations under this Agreement without the prior written consent of the City. The City may assign, sell, transfer or otherwise dispose of any of its rights hereunder, in whole or in part, without the permission of NHS.

6.10 Savings Clause. In case any provision of this Agreement is held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not be affected.

6.11 Entire Agreement. This Agreement and the incorporated Exhibits constitute the entire Agreement and may not be modified, altered or amended unless agreed to by both parties in writing. Any waiver or any provision of this Agreement must be executed in writing by the party granting the waiver and such waiver shall not affect any other rights of the party granting the waiver or act to affect any other duty or obligation of the party receiving the waiver.

RE: T.I.F. Neighborhood Improvement Program Agreement (the "Agreement")

Ladies and Gentlemen:

I have acted as counsel for Neighborhood Housing Services of Chicago, Inc., an Illinois not-for-profit corporation ("N.H.S."), in connection with the execution and delivery of the Agreement by and among N.H.S. and the City of Chicago, acting by and through its Department of Community Development (the "City"). N.H.S. has requested that this opinion be furnished to the City.

In so acting as counsel for N.H.S., I have examined:

- (i) an executed original of the Agreement;
- (ii) the Articles of Incorporation, including all amendments thereto, of N.H.S. as furnished and certified by the Secretary of State of the State of Illinois;
- (iii) the Bylaws of N.H.S., as certified by the Secretary of N.H.S. as of the date hereof; and
- (iv) the Certificate of Good Standing dated _____, issued by the Office of the Secretary of State of the State of Illinois, as to the good standing of N.H.S.

In my capacity as counsel, I have also examined such other documents or instruments as I have deemed relevant for the purposes of rendering the opinions hereinafter set forth.

I have also assumed, but have no reason to question, the legal capacity, authority and the genuineness of the signatures of and due and proper execution and delivery by the respective parties other than N.H.S. which has made, executed or delivered or will make, execute and deliver the agreements and documents examined by me.

I express no opinion as to (i) the laws of any state or jurisdiction other than the State of Illinois (and any political subdivisions thereof) and the United States of America; and (ii) any matters pertaining or relating to the securities laws of the United States of America, the State of Illinois or any other state.

Based upon and subject to the assumptions and qualifications herein stated, it is my opinion that:

1. N.H.S. is a not-for-profit corporation, duly organized and validly existing under the laws of the State of Illinois. N.H.S. has made all filings required by the laws of the State of Illinois in respect of its formation and continuing existence, and has all requisite authority to carry on its business and to execute and deliver, and to consummate the transactions contemplated by, the Agreement.
2. The Agreement has been duly executed and delivered on behalf of N.H.S., and constitutes a legal, valid and binding obligation of N.H.S., enforceable against N.H.S. in accordance with its terms, except to the extent that enforcement of any such terms may be limited by: (a) applicable bankruptcy, reorganization, debt arrangement, insolvency or other similar laws generally affecting creditors' rights; or (b) judicial and public policy limitations upon the enforcement of certain remedies including those which a court of equity may in its discretion decline to enforce.
3. There is no action, suit or proceeding at law or in equity pending, nor to my knowledge threatened, against or affecting N.H.S., before any court or before any governmental or administrative agency, which if adversely determined could materially and adversely affect the ability of either N.H.S. or N.H.S. to perform under the Agreement or any of its business or properties or financial or other conditions.
4. The transactions contemplated by the Agreement are governed by the laws of the State of Illinois.
5. The execution and delivery of the Agreement and the consummation of the transactions contemplated thereby will not constitute:
 - A. a violation or breach of (i) the Articles of Incorporation of N.H.S., (ii) the Bylaws of N.H.S., (iii) any provision of any contract or other instrument to which N.H.S. is bound, or (iv) any order, writ, injunction, decree, statute, rule or regulation binding on N.H.S., or
 - B. a breach of any of the provisions of, or constitute a default under, or result in the creation or imposition of any lien or encumbrance upon any of the property of either N.H.S. pursuant to, any agreement or other instrument to which N.H.S. is a party or by which N.H.S. is bound.

6. No action of, or filing with, any governmental or public body is required to authorize, or is otherwise required for the validity of, the execution, delivery and performance of any of the Agreement.

This opinion is furnished for your benefit and may be relied upon by you and any such other party in connection with the Agreement, but may not be delivered to or relied upon by any other person or entity without written consent from the undersigned.

Very truly yours,

4.02 Developer Funds. Equity and/or Lender Financing shall be used to pay all Project costs, including but not limited to Redevelopment Project costs and costs of TIF-Funded Improvements.

4.03 City Funds.

(a) **Uses of City Funds.** City Funds may only be used to pay directly or reimburse GWT for costs of TIF-Funded Improvements that constitute Redevelopment Project Costs. **Exhibit C** sets forth, by line item, the TIF-Funded Improvements for the Project, and the maximum amount of costs that may be paid by or reimbursed from City Funds for each line item therein (subject to Sections 4.03(b) and 4.05(b)), contingent upon receipt by the City of documentation satisfactory in form and substance to DCD evidencing such cost and its eligibility as a Redevelopment Project Cost.

(b) **Sources of City Funds.** Subject to the terms and conditions of this Agreement, including but not limited to this Section 4.03 and Section 5 hereof, the City hereby agrees to reimburse GWT for TIF-Funded Improvements for the lesser of Three Million One Hundred Thousand Dollars (\$3,100,000) or 30.29% of the Project Budget (the "City Funds"). The City's financial commitment will be as follows:

- (i) **Initial Payment.** On the Closing Date, the City will pay GWT, subject to Sections 4.05(a), 4.07, and 5.10, in an amount not to exceed One Million Dollars (\$1,000,000).
- (ii) **Issuance of City Note.** On the Closing Date, the City Note, attached hereto as Exhibit K, will be issued to GWT with a principal balance equal to the cost of TIF-Funded Improvements incurred by GWT on or prior to such issuance date and not including the amount of the Initial Payment, up to a maximum principal amount of Two Million One Hundred Thousand Dollars (\$2,100,000).

- (iii) **Interest Payments on the City Note.** Interest shall begin to accrue upon issuance of the City Note, provided the Senior Lender has funded a credit facility partially collateralized by the City Note for the Project. The City Note shall bear interest at an annual fixed rate (matching the interest rate of the Senior Loan) equal to the [median] value of the 7-year Treasury constant maturity as published in the Federal Reserve Release plus 435 basis points, but not to exceed nine percent (9.0%) and shall provide for accrued, but unpaid, interest to bear interest at the same annual rate. Interest payments shall be deducted from an interest reserve account established by the City with the Senior Lender for the benefit of GWT. The interest reserve account shall be funded initially in the amount of \$_____, and Senior Lender shall be entitled to debit such account monthly for accrued interest, commencing _____, 2009, and on the first day of each month thereafter. If the City Note has not been paid in full by _____, 2011, then the Senior Lender will make a written request to the City to replenish the interest reserve account ___ days prior to the depletion such interest reserve account. The City shall within ___ days after receipt of such notice, replenish the interest reserve account by making a deposit in an amount reasonably estimated, based on the interest charges accrued and paid to such date, to cover the anticipated interest costs through the anticipated date of full repayment of the Note, provided that the City's obligations shall be subject to the City's rights to suspend or terminate payments under Section 15.02 hereof. Any funds remaining in the interest reserve account after payment in full of the City Note shall be released to the City. Interest on the City Note shall be taxable for federal income tax purposes.
- (iv) **Principal Payments on the City Note.** The City Note will have a maximum term that expires earlier of the Term of the Agreement or when the City Note is paid in full. There will be only two payments of the principal amount of the City Note. The first payment with respect to the City Note shall be made in the maximum principal amount of One Million Fifty Thousand Dollars (\$1,050,000), plus accrued interest, following the issuance of a Certificate of Completion. The second payment with respect to the City Note shall be made in the maximum principal amount of One Million Fifty Thousand Dollars (\$1,050,000), plus accrued interest, following the submission of evidence that the Project has satisfied the LEED environmental requirements enumerated in **Section 10.04** herein.
- (v) **Pledge of Incremental Taxes.** Subject to the limitations set forth in this **Section 4** and in the City Note, the City agrees to reserve and pledge certain Incremental Taxes to the payments due under the City Note. The City Note shall be repayable solely from Incremental Taxes, but subject to the prior obligation in the Redevelopment Area as described in **Exhibit P**, attached hereto.
- (vi) **Note Pledge, Assignment, Sale.** After issuance, the City Note may be assigned or pledged as collateral to any party providing Lender Financing upon 30 days notice to the City. GWT may sell the City Note, but only to a Qualified

Investor with no view to resale and pursuant to an acceptable investment letter or in a manner otherwise reasonably acceptable to the City, upon 30 days notice to the City. Notwithstanding the foregoing, GWT may transfer the Note at any time to (A) an Affiliate or (B) any entity in which the majority equity interest is owned by the parties that have a majority equity interest in GWT.

4.04 Requisition Form. On the Closing Date and prior to each October 1 (or such other date as the parties may agree to) thereafter, beginning in ____ and continuing throughout the earlier of (i) the Term of the Agreement or (ii) the date that GWT has been reimbursed in full under this Agreement, GWT shall provide DCD with a Requisition Form, along with the documentation described therein. Requisition for reimbursement of TIF-Funded Improvements shall be made not more than one time per calendar [quarter] [year] (or as otherwise permitted by DCD). On each December 1 (or such other date as may be acceptable to the parties), beginning in ____ and continuing throughout the Term of the Agreement, the Developer shall meet with DCD at the request of DCD to discuss the Requisition Form(s) previously delivered.

4.05 Treatment of Prior Expenditures and Subsequent Disbursements.

(a) **Prior Expenditures.** Only those expenditures made by the GWT with respect to the Project [after _____, 200_ but] prior to or on the Closing Date, evidenced by documentation satisfactory to DCD and approved by DCD as satisfying costs covered in the Project Budget, shall be considered previously contributed Equity or Lender Financing hereunder (the "Prior Expenditures"). DCD shall have the right, in its reasonable discretion, to disallow any such expenditure as a Prior Expenditure. **Exhibit H** hereto sets forth the prior expenditures approved by DCD as of the date hereof as Prior Expenditures. Prior Expenditures made for items other than TIF-Funded Improvements shall not be reimbursed to GWT, but shall reduce the amount of Equity and/or Lender Financing required to be contributed by the Developer pursuant to **Section 4.01** hereof.

(b) **Allocation Among Line Items.** Disbursements for expenditures related to TIF-Funded Improvements may be allocated to and charged against the appropriate line only, with transfers of costs and expenses from one line item to another, without the prior written consent of DCD, being prohibited; **provided, however,** that such transfers among line items, in an amount not to exceed \$25,000 or \$100,000 in the aggregate, may be made without the prior written consent of DCD.

4.06 Cost Overruns. If the aggregate cost of the TIF-Funded Improvements exceeds City Funds available pursuant to **Section 4.03** hereof, or if the cost of completing the Project exceeds the Project Budget, the Developer shall be solely responsible for such excess cost, and shall hold the City harmless from any and all costs and expenses of completing the TIF-Funded Improvements in excess of City Funds and of completing the Project.

4.07 Preconditions of Execution of Certificate of Expenditure. Prior to each execution of a Certificate of Expenditure by the City, GWT shall submit documentation regarding the applicable expenditures to DPD, which shall be satisfactory to DPD in its sole discretion. Delivery by GWT to DPD of any request for execution by the City of a Certificate of Expenditure hereunder shall, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such request for execution of a Certificate of Expenditure, that:

(a) the total amount of the request for Certificate of Expenditure represents the actual cost of the actual amount paid to the General Contractor and/or subcontractors who have performed work on the Project, and/or their payees;

(b) all amounts shown as previous payments on the current request for Certificate of Expenditure have been paid to the parties entitled to such payment;

(c) the Developer has approved all work and materials for the current request for Certificate of Expenditure, and such work and materials conform to the Plans and Specifications;

(d) the representations and warranties contained in this Redevelopment Agreement are true and correct and the Developer is in compliance with all covenants contained herein;

(e) the Developer has received no notice and has no knowledge of any liens or claim of lien either filed or threatened against the Property except for the Permitted Liens;

(f) no Event of Default or condition or event which, with the giving of notice or passage of time or both, would constitute an Event of Default exists or has occurred; and

(g) the Project is In Balance. The Project shall be deemed to be in balance ("In Balance") only if the total of the available Project funds equals or exceeds the aggregate of the amount necessary to pay all unpaid Project costs incurred or to be incurred in the completion of the Project. "Available Project Funds" as used herein shall mean: (i) the undisbursed City Funds; (ii) the undisbursed Lender Financing, if any; (iii) the undisbursed Equity and (iv) any other amounts deposited by the Developer pursuant to this Agreement. The Developer hereby agrees that, if the Project is not In Balance, the Developer shall, within 10 days after a written request by the City, make available (in a manner acceptable to the City), cash in an amount that will place the Project In Balance, which deposit shall first be exhausted before any further disbursement of the City Funds shall be made.

The City shall have the right, in its discretion, to require GWT to submit further documentation as the City may require in order to verify that the matters certified to above are true and correct, and any execution of a Certificate of Expenditure by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by GWT. In addition, GWT shall have satisfied all other preconditions of execution of a Certificate of Expenditure, including but not limited to requirements set forth, if any, in the TIF Ordinances and this Agreement.

4.08 Conditional Grant. Certain of the City Funds being provided hereunder are being granted on a conditional basis, subject to the Developer's compliance with the provisions of this Agreement. The City Funds are subject to being reimbursed as provided in **Section 5.17 – Guaranty Agreement** hereof.

then DCD shall issue to the Developer a Certificate in recordable form certifying that the Developer has fulfilled its obligation to complete the construction work for the Project in accordance with the terms of this Agreement. DCD shall respond to the Developer's written request for a Certificate within forty-five (45) days by issuing either a Certificate or a written statement detailing the ways in which the construction of the Project does not conform to this Agreement or has not been satisfactorily completed, and the measures which must be taken by the Developer in order to obtain the Certificate. The Developer may resubmit a written request for a Certificate upon completion of such measures.

Those covenants specifically described at Sections 8.02, 8.14, 8.20 and 8.21 as covenants that run with the land are the only covenants in this Agreement intended to be binding upon any transferee of the Property (including an assignee as described in the following sentence) throughout the Term of the Agreement notwithstanding the issuance of a Certificate; provided, that upon the issuance of a Certificate, the covenants set forth in Section 8.02 shall be deemed to have been fulfilled. The other executory terms of this Agreement that remain after the issuance of a Certificate shall be binding only upon the Developer or a permitted assignee of the Developer who, pursuant to Section 18.15 of this Agreement, has contracted to take an assignment of the Developer's rights under this Agreement and assume the Developer's liabilities hereunder.

7.03 Failure to Complete. If the Developer fails to complete the Project in accordance with the terms of this Agreement, then the City has, but shall not be limited to, the right to terminate this Agreement and cease all disbursement of City Funds not yet disbursed pursuant hereto.

7.04 Notice of Expiration of Term of Agreement. Upon the expiration of the Term of the Agreement, DCD shall provide the Developer, at the Developer's written request, with a written notice in recordable form stating that the Term of the Agreement has expired.

(k) the Developer has not incurred, and, prior to the issuance of a Certificate, shall not, without the prior written consent of the Commissioner of DCD, allow the existence of any liens against the Property (or improvements thereon) other than the Permitted Liens and provided further that the Developer may insure over any such liens without the occurrence of an Event of Default hereunder; or incur any indebtedness, secured or to be secured by the Property (or improvements thereon) or any fixtures now or hereafter attached thereto, except Lender Financing disclosed in the Project Budget;

(l) the Developer has not made or caused to be made, directly or indirectly, any payment, gratuity or offer of employment in connection with the Agreement or any contract paid from the City treasury or pursuant to City ordinance, for services to any City agency ("City Contract") as an inducement for the City to enter into the Agreement or any City Contract with the Developer in violation of Chapter 2-156-120 of the Municipal Code of the City; and

8.02 Covenant to Redevelop. Upon DCD's approval of the Project Budget, the Scope Drawings and Plans and Specifications as provided in **Sections 3.02** and **3.03** hereof, and the Developer's receipt of all required building permits and governmental approvals, the Developer shall redevelop the Property in accordance with this Agreement and all Exhibits attached hereto, the TIF Ordinances, the Scope Drawings, Plans and Specifications, Project Budget and all amendments thereto, and all federal, state and local laws, ordinances, rules, regulations, executive orders and codes applicable to the Project, the Property and/or the Developer. The covenants set forth in this Section shall run with the land and be binding upon any transferee, but shall be deemed satisfied upon issuance by the City of a Certificate with respect thereto.

8.03 Redevelopment Plan. The Developer represents that the Project is and shall be in compliance with all of the terms of the Redevelopment Plan.

8.04 Use of City Funds. City Funds disbursed to GWT shall be used by GWT solely to pay for (or to reimburse GWT for its payment for) the TIF-Funded Improvements as provided in this Agreement.

8.05 Other Bonds. The Developer shall, at the request of the City, agree to any reasonable amendments to this Agreement that are necessary or desirable in order for the City to issue (in its sole discretion) any bonds in connection with the Redevelopment Area, the proceeds of which may be used to reimburse the City for expenditures made in connection with, or provide a source of funds for the payment for, the TIF-Funded Improvements (the "Bonds"); provided, however, that any such amendments shall not have a material adverse effect on the Developer or the Project; and further provided, that the payment obligations relating to any such Bonds shall be subordinate to the City's obligations hereunder with respect to payments under the City Note or (provided that such Bond issue includes a pledge of the Incremental Taxes) the proceeds of such Bonds shall be used to fully retire the City Note. The Developer covenants and agrees to abide by, and contractually obligate and use reasonable efforts to cause the General Contractor and each subcontractor to abide by the terms set forth in **Section 10** hereof; provided, however, that the contracting, hiring and testing requirements associated with the MBE/WBE and City resident obligations set forth in **Section 10** shall be applied on an aggregate basis and the failure of the General Contractors to require each subcontractor to satisfy, or the failure of any one subcontractor to satisfy, such obligations shall not result in a default or a termination of this Agreement or require repayment of the city resident hiring shortfall amount if such Section 10 requirements are satisfied on an aggregate basis. The Developer shall deliver to the City written progress reports detailing compliance with the requirements of **Sections 8.09, 10.02 and 10.03** of this Agreement. Such reports shall be delivered to the City when the Project is 25%, 50%, 70% and 100% completed (based on the amount of expenditures incurred in relation to the Project Budget). If any such reports indicate a shortfall in compliance, the Developer shall also deliver a plan to DCD which shall outline, to DCD's satisfaction, the manner in which the Developer shall correct any shortfall.

8.08 Employment Profile. Subject to the terms and conditions of **Section 6.04** hereof, the Developer shall submit, and contractually obligate and cause the General Contractor or any subcontractor to submit, to DCD, from time to time, statements of its employment profile upon DCD's request.

8.09 Prevailing Wage. The Developer covenants and agrees to pay, and to contractually obligate and cause the General Contractor and each subcontractor to pay, the prevailing wage rate as ascertained by the Illinois Department of Labor (the "**Department**"), to all Project employees. All such contracts shall list the specified rates to be paid to all laborers, workers and mechanics for each craft or type of worker or mechanic employed pursuant to such contract. If the Department revises such prevailing wage rates, the revised rates shall apply to all such contracts. Upon the City's request, the Developer shall provide the City with copies of all such contracts entered into by the Developer or the General Contractor to evidence compliance with this **Section 8.09**.

8.10 Arms-Length Transactions. Unless DCD has given its prior written consent with respect thereto, no Affiliate of the Developer may receive any portion of City Funds, directly or indirectly, in payment for work done, services provided or materials supplied in connection with any TIF-Funded Improvement. The Developer shall provide information with respect to any entity to receive City Funds directly or indirectly (whether through payment to the Affiliate by the Developer and reimbursement to the Developer for such costs using City Funds, or otherwise), upon DCD's request, prior to any such disbursement.

8.11 Conflict of Interest. Pursuant to Section 5/11-74.4-4(n) of the Act, the Developer represents, warrants and covenants that, to the best of its knowledge, no member, official, or employee of the City, or of any commission or committee exercising authority over the Project, the Redevelopment Area or the Redevelopment Plan, or any consultant hired by the City or the Developer with respect thereto, owns or controls, has owned or controlled or will own or control any interest, and no such person shall represent any person, as agent or otherwise, who owns or controls, has owned or controlled, or will own or control any interest, direct or indirect, in the Developer's business, the Property or any other property in the Redevelopment Area.

8.12 **Disclosure of Interest.** The Developer's counsel has no direct or indirect financial ownership interest in the Developer, the Property or any other aspect of the Project.

8.13 **Financial Statements.** The Developer shall obtain and provide to DCD Financial Statements for the Developer's fiscal year ended December 31, 2008 and each year thereafter for the Term of the Agreement. In addition, the Developer shall submit unaudited financial statements as soon as reasonably practical following the close of each fiscal year and for such other periods as DCD may request.

8.14 **Insurance.** The Developer, at its own expense, shall comply with all provisions of **Section 12** hereof.

8.15 **Non-Governmental Charges.** (a) **Payment of Non-Governmental Charges.** Except for the Permitted Liens, the Developer agrees to pay or cause to be paid when due any Non-Governmental Charge assessed or imposed upon the Project, the Property or any fixtures that are or may become attached thereto, which creates, may create, or appears to create a lien upon all or any portion of the Property or Project; provided however, that if such Non-Governmental Charge may be paid in installments, the Developer may pay the same together with any accrued interest thereon in installments as they become due and before any fine, penalty, interest, or cost may be added thereto for nonpayment. The Developer shall furnish to DCD, within thirty (30) days of DCD's request, official receipts from the appropriate entity, or other proof satisfactory to DCD, evidencing payment of the Non-Governmental Charge in question.

(b) **Right to Contest.** The Developer has the right, before any delinquency occurs:

(i) to contest or object in good faith to the amount or validity of any Non-Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted, in such manner as shall stay the collection of the contested Non-Governmental Charge, prevent the imposition of a lien or remove such lien, or prevent the sale or forfeiture of the Property (so long as no such contest or objection shall be deemed or construed to relieve, modify or extend the Developer's covenants to pay any such Non-Governmental Charge at the time and in the manner provided in this **Section 8.15**); or

(ii) at DCD's sole option, to furnish a good and sufficient bond or other security satisfactory to DCD in such form and amounts as DCD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property or any portion thereof or any fixtures that are or may be attached thereto, during the pendency of such contest, adequate to pay fully any such contested Non-Governmental Charge and all interest and penalties upon the adverse determination of such contest.

8.16 **Developer's Liabilities.** The Developer shall not enter into any transaction that would materially and adversely affect its ability to perform its obligations hereunder or to repay any material liabilities or perform any material obligations of the Developer to any other person or entity. The Developer shall immediately notify DCD of any and all events or actions that may materially affect the Developer's ability to carry on its business operations or perform its obligations under this Agreement or any other documents and agreements.

8.17 Compliance with Laws. To the best of the Developer's knowledge, after diligent inquiry, the Property and the Project are and shall be in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, executive orders and codes pertaining to or affecting the Project and the Property. Upon the City's request, the Developer shall provide evidence satisfactory to the City of such compliance.

8.18 Recording and Filing. The Developer shall cause this Agreement, certain exhibits (as specified by Corporation Counsel), all amendments and supplements hereto to be recorded and filed against the Property on the date hereof in the conveyance and real property records of the county in which the Project is located. This Agreement shall be recorded prior to any mortgage made in connection with Lender Financing. The Developer shall pay all fees and charges incurred in connection with any such recording. Upon recording, the Developer shall immediately transmit to the City an executed original of this Agreement showing the date and recording number of record.

8.19 Real Estate Provisions.

(a) Governmental Charges.

(i) Payment of Governmental Charges. The Developer agrees to pay or cause to be paid when due all Governmental Charges (as defined below) which are assessed or imposed upon the Developer, the Property or the Project, or become due and payable, and which create, may create, a lien upon the Developer or all or any portion of the Property or the Project. "Governmental Charge" shall mean all federal, State, county, the City, or other governmental (or any instrumentality, division, agency, body, or department thereof) taxes, levies, assessments, charges, liens, claims or encumbrances (except for those assessed by foreign nations, states other than the State of Illinois, counties of the State other than Cook County, and municipalities other than the City) relating to the Developer, the Property or the Project including but not limited to real estate taxes.

(ii) Right to Contest. The Developer has the right before any delinquency occurs to contest or object in good faith to the amount or validity of any Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted in such manner as shall stay the collection of the contested Governmental Charge and prevent the imposition of a lien or the sale or forfeiture of the Property. The Developer's right to challenge real estate taxes applicable to the Property is limited as provided for in **Section 8.19(c)** below; provided, that such real estate taxes must be paid in full when due and may be disputed only after such payment is made. No such contest or objection shall be deemed or construed in any way as relieving, modifying or extending the Developer's covenants to pay any such Governmental Charge at the time and in the manner provided in this Agreement unless the Developer has given prior written notice to DCD of the Developer's intent to contest or object to a Governmental Charge and, unless, at DCD's sole option,

(A) the Developer shall demonstrate to DCD's satisfaction that legal proceedings instituted by the Developer contesting or objecting to a Governmental Charge shall conclusively operate to prevent or remove a lien against, or the sale or forfeiture of, all or any part of the Property to satisfy such Governmental Charge prior to final determination of such proceedings; and/or

(B) the Developer shall furnish a good and sufficient bond or other security satisfactory to DCD in such form and amounts as DCD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property during the pendency of such contest, adequate to pay fully any such contested Governmental Charge and all interest and penalties upon the adverse determination of such contest.

(b) **Developer's Failure To Pay Or Discharge Lien.** If the Developer fails to pay any Governmental Charge or to obtain discharge of the same, the Developer shall advise DCD thereof in writing, at which time DCD may, but shall not be obligated to, and without waiving or releasing any obligation or liability of the Developer under this Agreement, in DCD's sole discretion, make such payment, or any part thereof, or obtain such discharge and take any other action with respect thereto which DCD deems advisable. All sums so paid by DCD, if any, and any expenses, if any, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, shall be promptly disbursed to DCD by the Developer. Notwithstanding anything contained herein to the contrary, this paragraph shall not be construed to obligate the City to pay any such Governmental Charge. Additionally, if the Developer fails to pay any Governmental Charge, the City, in its sole discretion, may require the Developer to submit to the City audited Financial Statements at the Developer's own expense.

8.20 Operations and Employment.

(a) **Occupancy and Operations.** Following the issuance of the Certificate and for a period ending on the 10th anniversary of the issuance of the Certificate (the "**Compliance Period**"), the Company shall own and lease the Facility as an occupied and operating training and community education facility, , as described in **Recital D** herein, or other uses in support of or incidental to job training and GWT shall lease and occupy the Facility and provide services, as described in **Recital D** herein, or other services in support of or incidental to job training (the "**Occupancy and Operation Covenant**"). If the Occupancy and Operation Covenant is not maintained during the Compliance Period, then the Developer is obligated to repay the Initial Payment made by the City on the Closing Date; however, the Developer's obligation to make such a repayment begins 30 days after the seventh (7th) anniversary of the Closing Date of the Senior Loan (the "**NMTC Compliance Period**") and is limited to the principal amount of the Initial Payment. The schedule for any payment during the Compliance Period is as follows: (i) years 1-5 -100% of the Initial Payment; (ii) year 6 – 80% of the Initial Payment; (iii) year 7-60% of the Initial Payment; (iv) year 8 - 40% of the Initial Payment; (v) year 9 – 20% of the Initial Payment; and (vi) year 9 (after the ninth anniversary and prior to the 10th anniversary) – 10% of the Initial Payment.

(b) **Job Creations.** GWT shall use its commercially reasonable efforts to maintain thirty-five (35) full-time equivalent permanent jobs at the Facilities within twelve months after the issuance of the Certificate through the tenth anniversary of the date of the Certificate, as evidenced in it Annual Report. However, any shortfall will not be deemed an Event of Default.

8.21 **Consent to Transfer.** Developer shall not transfer, sell or assign all or any portion of the Facility, the Property (including but not limited to any fixture or equipment now or hereafter attached thereto) and GWT shall not transfer, sell, or assign all or a portion of the City Note to a related or unrelated entity (other than the assignment of the City Note to the Senior Lender) within ten (10) years after the issuance of the Certificate without the prior written consent of the City, which consent shall not be unreasonably withheld or delayed.

8.22 **Job Readiness Program.** The City, through the Mayor's Office of Workforce Development, shall work with the Developer to encourage the recruitment, hiring and training of City residents for the jobs created by the Company's construction of the Project and the operation of GWT's business on the Property.

8.23 **Certificate of Occupancy.** The Developer shall obtain a Certificate of Occupancy for the Facility prior to the first payment under the City Note.

8.24 **Survival of Covenants.** All warranties, representations, covenants and agreements of the Developer contained in this **Section 8** and elsewhere in this Agreement shall be true, accurate and complete at the time of the Developer's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and (except as provided in **Section 7** hereof upon the issuance of a Certificate) shall be in effect throughout the Term of the Agreement.

SECTION 9. COVENANTS/REPRESENTATIONS/WARRANTIES OF CITY

9.01 **General Covenants.** The City represents that it has the authority as a home rule unit of local government to execute and deliver this Agreement and to perform its obligations hereunder.

9.02 **Survival of Covenants.** All warranties, representations, and covenants of the City contained in this **Section 9** or elsewhere in this Agreement shall be true, accurate, and complete at the time of the City's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and be in effect throughout the Term of the Agreement.

SECTION 10. DEVELOPER'S EMPLOYMENT OBLIGATIONS

10.01 **Employment Opportunity.** The Developer, on behalf of itself and its successors and assigns, hereby agrees, and shall contractually obligate its or their various contractors, subcontractors or any Affiliate of the Developer operating on the Property (collectively, with the Developer, the "Employers" and individually an "Employer") to agree, that for the Term of this Agreement with respect to Developer and during the period of any other party's provision of services in connection with the construction of the Project or occupation of the Property:

(a) No Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income

as defined in the City of Chicago Human Rights Ordinance, Chapter 2-160, Section 2-160-010 et seq., Municipal Code, except as otherwise provided by said ordinance and as amended from time to time (the "Human Rights Ordinance"). Each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

(b) To the greatest extent feasible, each Employer is required to present opportunities for training and employment of low- and moderate-income residents of the City and preferably of the Redevelopment Area; and to provide that contracts for work in connection with the construction of the Project be awarded to business concerns that are located in, or owned in substantial part by persons residing in, the City and preferably in the Redevelopment Area.

(c) Each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the City's Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

(d) Each Employer, in order to demonstrate compliance with the terms of this Section, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) Each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any Affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or Affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this **Section 10.01** shall be a basis for the City to pursue remedies under the provisions of **Section 15.02** hereof.

10.02 City Resident Construction Worker Employment Requirement. The Developer agrees for itself and its successors and assigns, and shall contractually obligate its General Contractor and shall cause the General Contractor to contractually obligate its subcontractors, as applicable, to agree, that during the construction of the Project they shall comply with the minimum percentage of total worker hours performed by actual residents of the City as specified in Section 2-92-330 of the Municipal Code of Chicago (at least 50 percent of the total worker hours worked by persons on the site of the Project shall be performed by actual residents of the City); provided, however, that in addition to complying with this percentage, the Developer, its General Contractor and each subcontractor shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

The Developer may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the Chief Procurement Officer of the City.

"Actual residents of the City" shall mean persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

The Developer, the General Contractor and each subcontractor shall provide for the maintenance of adequate employee residency records to show that actual Chicago residents are employed on the Project. Each Employer shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) shall be submitted to the Commissioner of DCD in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Employer hired the employee should be written in after the employee's name.

The Developer, the General Contractor and each subcontractor shall provide full access to their employment records to the Chief Procurement Officer, the Commissioner of DCD, the Superintendent of the Chicago Police Department, the Inspector General or any duly authorized representative of any of them. The Developer, the General Contractor and each subcontractor shall maintain all relevant personnel data and records for a period of at least three (3) years after final acceptance of the work constituting the Project.

At the direction of DCD, affidavits and other supporting documentation will be required of the Developer, the General Contractor and each subcontractor to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

Good faith efforts on the part of the Developer, the General Contractor and each subcontractor to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section concerning the worker hours performed by actual Chicago residents.

When work at the Project is completed, in the event that the City has determined that the Developer has failed to ensure the fulfillment of the requirement of this Section concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section. Therefore, in such a case of non-compliance, it is agreed that 1/20 of 1 percent (0.0005) of the aggregate hard construction costs set forth in the Project budget (the product of .0005 x such aggregate hard construction costs) (as the same shall be evidenced by approved contract value for the actual contracts) shall be surrendered by the Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated

damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer, the General Contractor and/or the subcontractors to prosecution. **Any retainage to cover contract performance that may become due to the Developer pursuant to Section 2-92-250 of the Municipal Code of Chicago may be withheld by the City pending the Chief Procurement Officer's determination as to whether the Developer must surrender damages as provided in this paragraph.**

Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement or related documents.

The Developer shall cause or require the provisions of this Section 10.02 to be included in all construction contracts and subcontracts related to the Project.

10.03 The Developer's MBE/WBE Commitment. The Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the General Contractor to agree that, during the Project:

(a) Consistent with the findings which support the Minority-Owned and Women-Owned Business Enterprise Procurement Program (the "MBE/WBE" Program"), Section 2-92-420 et seq., Municipal Code of Chicago, and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 10.03, during the course of the Project, at least the following percentages of the MBE/WBE Budget (as these budgeted amounts may be reduced to reflect decreased actual costs) shall be expended for contract participation by MBEs or WBEs:

- i. At least 25 percent by MBEs.
- ii. At least 5 percent by WBEs.

(b) For purposes of this Section 10.03 only, the Developer (and any party to whom a contract is let by the Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by the Developer in connection with the Project) shall be deemed a "contract" as such terms are defined in Section 2-92-420, Municipal Code of Chicago.

(c) Consistent with Section 2-92-440, Municipal Code of Chicago, the Developer's MBE/WBE commitment may be achieved in part by the Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the Developer), or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture or (ii) the amount of any actual work performed on the Project by the MBE or WBE), by the Developer utilizing a MBE or a WBE as a General Contractor (but only to the extent of any actual work performed on the Project by the General Contractor), by subcontracting or causing the General Contractor to subcontract a portion of the Project to one or more MBEs or WBEs, or by the purchase of materials used in the Project from one or more MBEs or WBEs, or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer's MBE/WBE commitment as described in this Section 10.03.

(d) The Developer shall deliver quarterly reports to DCD during the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include inter alia the name and business address of each MBE and WBE solicited by the Developer or the General Contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist DCD in determining the Developer's compliance with this MBE/WBE commitment. DCD has access to the Developer's books and records, including, without limitation, payroll records, books of account and tax returns, and records and books of account in accordance with Section 14 of this Agreement, on five (5) business days' notice, to allow the City to review the Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the Project.

(e) Upon the disqualification of any MBE or WBE General Contractor or subcontractor, if such status was misrepresented by the disqualified party, the Developer shall be obligated to discharge or cause to be discharged the disqualified General Contractor or subcontractor and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this Subsection (e), the disqualification procedures are further described in Section 2-92-540, Municipal Code of Chicago.

(f) Prior to the commencement of the Project, the Developer, the General Contractor and all major subcontractors shall be required to meet with the monitoring staff of DCD with regard to the Developer's compliance with its obligations under this Section 10.03. During this meeting, the Developer shall demonstrate to DCD its plan to achieve its obligations under this Section 10.03, the sufficiency of which shall be approved by DCD. During the Project, the Developer shall submit the documentation required by this Section 10.03 to the monitoring staff of DCD, including the following: (i) subcontractor's activity report; (ii) contractor's certification concerning labor standards and prevailing wage requirements; (iii) contractor letter of understanding; (iv) monthly utilization report; (v) authorization for payroll agent; (vi) certified payroll; (vii) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (viii) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by DCD, upon analysis of the documentation, that the Developer is not complying with its obligations hereunder shall, upon the delivery of written notice to the Developer, be deemed an Event of Default hereunder. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (1) issue a written demand to the Developer to halt the Project, (2) withhold any further payment of any City Funds to the Developer or the General Contractor, or (3) seek any other remedies against the Developer available at law or in equity.

10.04 LEED Construction. All construction of the Project, including but not limited to construction, building orientation, green space and surface parking shall be built to a LEED Certified standard. The Project shall be registered with the US Green Building Council ("USGBC") for the required certification prior to the beginning of construction. Project shall be constructed in compliance with all guidelines and requirements as delineated by the USGBC mandated for the LEED Certification. Upon completion of construction Developer, at

Developer's cost, shall have all aspects of construction pertinent to LEED certification tested and certified as being compliant with the LEED Standard. The Developer will submit written evidence from the USGBC demonstrating compliance with the required LEED certification. In all instances herein where reference is made to Developer achieving LEED certification such reference shall mean that Developer shall make application under the current standards and definitions and that should the standards change after construction has begun, obtaining certification thereby not being possible, under those circumstances and those circumstances only, such failure to obtain certification shall not be construed as a material breach of the Agreement or constitute an event of default.

SECTION 11. ENVIRONMENTAL MATTERS

The Developer hereby represents and warrants to the City that the Developer has conducted environmental studies sufficient to conclude that the Project may be constructed, completed and operated in accordance with all Environmental Laws and this Agreement and all Exhibits attached hereto, the Scope Drawings, Plans and Specifications and all amendments thereto, and the Redevelopment Plan.

Without limiting any other provisions hereof, the Developer agrees to indemnify, defend and hold the City harmless from and against any and all losses, liabilities, damages, injuries, costs, expenses or claims of any kind whatsoever including, without limitation, any losses, liabilities, damages, injuries, costs, expenses or claims asserted or arising under any Environmental Laws incurred, suffered by or asserted against the City as a direct or indirect result of any of the following, regardless of whether or not caused by, or within the control of the Developer, except as may be caused by the City, its agents and employees: (i) the presence of any Hazardous Material on or under, or the escape, seepage, leakage, spillage, emission, discharge or release of any Hazardous Material from (A) all or any portion of the Property or (B) any other real property in which the Developer, or any person directly or indirectly controlling, controlled by or under common control with the Developer, holds any estate or interest whatsoever (including, without limitation, any property owned by a land trust in which the beneficial interest is owned, in whole or in part, by the Developer), or (ii) any liens against the Property permitted or imposed by any Environmental Laws, or any actual or asserted liability or obligation of the City or the Developer or any of its Affiliates under any Environmental Laws relating to the Property.

(viii) **Contractor's Pollution Liability**

When any remediation work is performed which may cause a pollution exposure, contractor's Pollution Liability shall be provided with limits of not less than \$1,000,000 insuring bodily injury, property damage and environmental remediation, cleanup costs and disposal. When policies are renewed, the policy retroactive date must coincide with or precede, start of work on the Agreement. A claims-made policy which is not renewed or replaced must have an extended reporting period of one (1) year. The City of Chicago is to be named as an additional insured on a primary, non-contributory basis.

(c) Term of the Agreement

- (i) Prior to the execution and delivery of this Agreement and during construction of the Project, All Risk Property Insurance in the amount of the full replacement value of the Property. The City of Chicago is to be named an additional insured on a primary, non-contributory basis.
- (ii) Post-construction, throughout the Term of the Agreement, All Risk Property Insurance, including improvements and betterments in the amount of full replacement value of the Property. Coverage extensions shall include business interruption/loss of rents, flood and boiler and machinery, if applicable. The City of Chicago is to be named an additional insured on a primary, non-contributory basis.

(d) Other Requirements

The Developer will furnish the City of Chicago, Department of Community Development, City Hall, Room 1000, 121 North LaSalle Street 60602, original Certificates of Insurance evidencing the required coverage to be in force on the date of this Agreement, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the term of this Agreement. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from the Developer shall not be deemed to be a waiver by the City. The Developer shall advise all insurers of the Agreement provisions regarding insurance. Non-conforming insurance shall not relieve the Developer of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to terminate this Agreement until proper evidence of insurance is provided.

The insurance shall provide for 30 days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

Any and all deductibles or self insured retentions on referenced insurance coverages shall be borne by the Developer.

The Developer agrees that insurers shall waive rights of subrogation against the City of Chicago, its employees, elected officials, agents, or representatives.

The Developer expressly understands and agrees that any coverages and limits furnished by the Developer shall in no way limit the Developer's liabilities and responsibilities specified within the Agreement documents or by law.

The Developer expressly understands and agrees that the Developer's insurance is primary and any insurance or self insurance programs maintained by the City of Chicago shall not contribute with insurance provided by the Developer under the Agreement.

The required insurance shall not be limited by any limitations expressed in the indemnification language herein or any limitation placed on the indemnity therein given as a matter of law.

The Developer shall require the General Contractor, and all subcontractors to provide the insurance required herein or Developer may provide the coverages for the General Contractor, or subcontractors. All General Contractors and subcontractors shall be subject to the same requirements (Section (d)) of Developer unless otherwise specified herein.

If the Developer, General Contractor or any subcontractor desires additional coverages, the Developer, General Contractor and any subcontractor shall be responsible for the acquisition and cost of such additional protection.

The City of Chicago Risk Management Department maintains the right to modify, delete, alter or change these requirements, so long as any such change does not increase these requirements.

SECTION 13. INDEMNIFICATION

13.01 General Indemnity. Developer agrees to indemnify, pay, defend and hold the City, and its elected and appointed officials, employees, agents and affiliates (individually an "Indemnitee," and collectively the "Indemnities") harmless from and against, any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, claims, costs, expenses and disbursements of any kind or nature whatsoever (and including without limitation, the reasonable fees and disbursements of counsel for such Indemnities in connection with any investigative, administrative or judicial proceeding commenced or threatened, whether or not such Indemnities shall be designated a party thereto), that may be imposed on, suffered, incurred by or asserted against the Indemnities in any manner relating or arising out of:

(i) the Developer's failure to comply with any of the terms, covenants and conditions contained within this Agreement; or

(ii) the Developer's or any contractor's failure to pay General Contractors, subcontractors or materialmen in connection with the TIF-Funded Improvements or any other Project improvement; or

(iii) the existence of any material misrepresentation or omission in this Agreement, any offering memorandum or information statement or the Redevelopment Plan or any other document related to this Agreement that is the result of information supplied or omitted by the Developer or any Affiliate Developer or any agents, employees, contractors or persons acting under the control or at the request of the Developer or any Affiliate of Developer; or

(iv) the Developer's failure to cure any misrepresentation in this Agreement or any other agreement relating hereto;

provided, however, that Developer shall have no obligation to an Indemnitee arising from the gross negligence, wanton or willful misconduct of that Indemnitee. To the extent that the preceding sentence may be unenforceable because it is violative of any law or public policy, Developer shall contribute the maximum portion that it is permitted to pay and satisfy under the applicable law, to the payment and satisfaction of all indemnified liabilities incurred by the Indemnitees or any of them. The provisions of the undertakings and indemnification set out in this Section 13.01 shall survive the termination of this Agreement.

SECTION 14. MAINTAINING RECORDS/RIGHT TO INSPECT

14.01 Books and Records. The Developer shall keep and maintain separate, complete, accurate and detailed books and records necessary to reflect and fully disclose the total actual cost of the Project and the disposition of all funds from whatever source allocated thereto, and to monitor the Project. All such books, records and other documents, including but not limited to the Developer's loan statements, if any, General Contractors' and contractors' sworn statements, general contracts, subcontracts, purchase orders, waivers of lien, paid receipts and invoices, shall be available at the Developer's offices for inspection, copying, audit and examination by an authorized representative of the City. The Developer shall incorporate this right to inspect, copy, audit and examine all books and records into all contracts entered into by the Developer with respect to the Project.

14.02 Inspection Rights. Upon three (3) business days' notice, any authorized representative of the City has access to all portions of the Project and the Property during normal business hours for the Term of the Agreement.

SECTION 15. DEFAULT AND REMEDIES

15.01 Events of Default. The occurrence of any one or more of the following events, subject to the provisions of Section 15.03, shall constitute an "Event of Default" by the Developer hereunder:

(a) the failure of the Developer to perform, keep or observe any of the material covenants, conditions, promises, agreements or obligations of the Developer under this Agreement;

(b) the failure of the Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Developer under any other agreement with any person or entity if such failure may have a material adverse effect on the Developer's business, property, assets, operations or condition, financial or otherwise; the making or furnishing by the Developer to the City of any representation, warranty, certificate, schedule, report or other communication within or in connection with this Agreement or any related agreement which is untrue or misleading in any material respect;

(c) except as otherwise permitted hereunder, the creation (whether voluntary or involuntary) of, or any attempt to create, any lien or other encumbrance upon the Property other than the Permitted Liens, or the making or any attempt to make any levy, seizure or attachment thereof;

(d) the commencement of any proceedings in bankruptcy by or against the Developer or for the liquidation or reorganization of the Developer, or alleging that the Developer is insolvent or unable to pay its debts as they mature, or for the readjustment or arrangement of the Developer's debts, whether under the United States Bankruptcy Code or under any other state or federal law, now or hereafter existing for the relief of debtors, or the commencement of any analogous statutory or non-statutory proceedings involving the Developer; provided, however, that if such commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such proceedings are not dismissed within sixty (60) days after the commencement of such proceedings;

(e) the appointment of a receiver or trustee for the Developer, for any substantial part of the Developer's assets or the institution of any proceedings for the dissolution, or the full or partial liquidation, or the merger or consolidation, of the Developer; provided, however, that if such appointment or commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such appointment is not revoked or such proceedings are not dismissed within ninety (90) days after the commencement thereof;

(f) the entry of any judgment or order against the Developer in an amount in excess of \$500,000 which remains unsatisfied or undischarged and in effect for ninety (90) days after such entry without a stay of enforcement or execution;

(g) the occurrence of an event of default under the Lender Financing, which default is not cured within any applicable cure period;

(h) the dissolution of Developer;

(i) the institution in any court of a criminal proceeding (other than a misdemeanor) against the Developer or any natural person who owns a material interest in the Developer, which is not dismissed within ninety (90) days, or the indictment of the Developer or any natural person who owns a material interest in the Developer, for any crime (other than a misdemeanor); or

(j) prior to the issuance of the Certificate, the sale or transfer of a majority of the ownership interests of Developer without the prior written consent of the City.

For purposes of Sections 15.01(i) and 15.01(j) hereof, a person with a material interest in the Developer shall be one owning in excess of ten (10%) of the Developer's issued and outstanding shares of stock or membership interests, as the case may be.

15.02 Remedies. Upon the occurrence of an Event of Default, the City may terminate this Agreement and all related agreements, and may suspend disbursement of City Funds. The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to injunctive relief or the specific performance of the agreements contained herein.

15.03 **Curative Period.** In the event the Developer shall fail to perform a monetary covenant which the Developer is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the Developer has failed to perform such monetary covenant within ten (10) days of its receipt of a written notice from the City specifying that it has failed to perform such monetary covenant. In the event the Developer shall fail to perform a non-monetary covenant which the Developer is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the Developer has failed to cure such default within thirty (30) days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those non-monetary defaults which are not capable of being cured within such thirty (30) day period, the Developer shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured. An exception to this thirty-day cure period shall be for Developer's default under Section 8.20(a) hereof, for which Developer shall have a period of one year to come back into compliance or secure a new tenant acceptable to DCD.

SECTION 16. MORTGAGING OF THE PROJECT

All mortgages or deeds of trust in place as of the date hereof with respect to the Property or any portion thereof are listed on Exhibit F hereto (including but not limited to mortgages made prior to or on the date hereof in connection with Lender Financing) and are referred to herein as the "Existing Mortgages." Any mortgage or deed of trust that the Developer may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof is referred to herein as a "New Mortgage." Any New Mortgage that the Developer may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof with the prior written consent of the City is referred to herein as a "Permitted Mortgage." It is hereby agreed by and between the City and the Developer as follows:

(a) In the event that a mortgagee or any other party shall succeed to the Developer's interest in the Property or any portion thereof pursuant to the exercise of remedies under a New Mortgage (other than a Permitted Mortgage), whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of the Developer's interest hereunder in accordance with Section 18.15 hereof, the City may, but shall not be obligated to, attorn to and recognize such party as the successor in interest to the Developer for all purposes under this Agreement and, unless so recognized by the City as the successor in interest, such party shall be entitled to no rights or benefits under this Agreement, but such party shall be bound by those provisions of this Agreement that are covenants expressly running with the land.

(b) In the event that any mortgagee shall succeed to the Developer's interest in the Property or any portion thereof pursuant to the exercise of remedies under an Existing Mortgage or a Permitted Mortgage, whether by foreclosure or deed in lieu of foreclosure, and in

conjunction therewith accepts an assignment of the Developer's interest hereunder in accordance with Section 18.15 hereof, the City hereby agrees to attorn to and recognize such party as the successor in interest to the Developer for all purposes under this Agreement so long as such party accepts all of the obligations and liabilities of "the Developer" hereunder; provided, however, that, notwithstanding any other provision of this Agreement to the contrary, it is understood and agreed that if such party accepts an assignment of the Developer's interest under this Agreement, such party has no liability under this Agreement for any Event of Default of the Developer which accrued prior to the time such party succeeded to the interest of the Developer under this Agreement, in which case the Developer shall be solely responsible. However, if such mortgagee under a Permitted Mortgage or an Existing Mortgage does not expressly accept an assignment of the Developer's interest hereunder, such party shall be entitled to no rights and benefits under this Agreement, and such party shall be bound only by those provisions of this Agreement, if any, which are covenants expressly running with the land.

(c) Prior to the issuance by the City to the Developer of a Certificate pursuant to Section 7 hereof, no New Mortgage shall be executed with respect to the Property or any portion thereof without the prior written consent of the Commissioner of DCD.

SECTION 18. MISCELLANEOUS

18.01 Amendment. This Agreement and the Exhibits attached hereto may not be amended or modified without the prior written consent of the parties hereto. It is agreed that no material amendment or change to this Agreement shall be made or be effective unless ratified or authorized by an ordinance duly adopted by the City Council. The term "material" for the purpose of this **Section 18.01** shall be defined as any deviation from the terms of the Agreement which operates to cancel or otherwise reduce any developmental, construction or job-creating obligations of Developer (including those set forth in **Sections 10.02 and 10.03** hereof) by more than five percent (5%) or materially changes the Project site or character of the Project or any activities undertaken by Developer affecting the Project site, the Project, or both, or increases any time agreed for performance by the Developer by more than 180 days.

18.02 Entire Agreement. This Agreement (including each Exhibit attached hereto, which is hereby incorporated herein by reference) constitutes the entire Agreement between the parties hereto and it supersedes all prior agreements, negotiations and discussions between the parties relative to the subject matter hereof.

18.03 Limitation of Liability. No member, official or employee of the City shall be personally liable to the Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to the Developer from the City or any successor in interest or on any obligation under the terms of this Agreement.

18.04 Further Assurances. The Developer agrees to take such actions, including the execution and delivery of such documents, instruments, petitions and certifications as may become necessary or appropriate to carry out the terms, provisions and intent of this Agreement.

18.05 Waiver. Waiver by the City or the Developer with respect to any breach of this Agreement shall not be considered or treated as a waiver of the rights of the respective party with respect to any other default or with respect to any particular default, except to the extent specifically waived by the City or the Developer in writing. No delay or omission on the part of a party in exercising any right shall operate as a waiver of such right or any other right unless

pursuant to the specific terms hereof. A waiver by a party of a provision of this Agreement shall not prejudice or constitute a waiver of such party's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by a party, nor any course of dealing between the parties hereto, shall constitute a waiver of any such parties' rights or of any obligations of any other party hereto as to any future transactions.

18.06 **Remedies Cumulative**. The remedies of a party hereunder are cumulative and the exercise of any one or more of the remedies provided for herein shall not be construed as a waiver of any other remedies of such party unless specifically so provided herein.

18.07 **Disclaimer**. Nothing contained in this Agreement nor any act of the City shall be deemed or construed by any of the parties, or by any third person, to create or imply any relationship of third-party beneficiary, principal or agent, limited or general partnership or joint venture, or to create or imply any association or relationship involving the City.

18.08 **Headings**. The paragraph and section headings contained herein are for convenience only and are not intended to limit, vary, define or expand the content thereof.

18.09 **Counterparts**. This Agreement may be executed in several counterparts, each of which shall be deemed an original and all of which shall constitute one and the same agreement.

18.10 **Severability**. If any provision in this Agreement, or any paragraph, sentence, clause, phrase, word or the application thereof, in any circumstance, is held invalid, this Agreement shall be construed as if such invalid part were never included herein and the remainder of this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

18.11 **Conflict**. In the event of a conflict between any provisions of this Agreement and the provisions of the TIF Ordinances, such ordinance(s) shall prevail and control.

18.12 **Governing Law**. This Agreement shall be governed by and construed in accordance with the internal laws of the State of Illinois, without regard to its conflicts of law principles.

18.13 **Form of Documents**. All documents required by this Agreement to be submitted, delivered or furnished to the City shall be in form and content reasonably satisfactory to the City.

18.14 **Approval**. Wherever this Agreement provides for the approval or consent of the City, DCD or the Commissioner, or any matter is to be to the City's, DCD's or the Commissioner's satisfaction, unless specifically stated to the contrary, such approval, consent or satisfaction shall be made, given or determined by the City, DCD or the Commissioner in writing and in the reasonable discretion thereof without unreasonable delay. The Commissioner or other person designated by the Mayor of the City shall act for the City or DCD in making all approvals, consents and determinations of satisfaction, granting the Certificate or otherwise administering this Agreement for the City.

18.15 **Assignment**. Any successor in interest to the Developer under this Agreement shall certify in writing to the City its agreement to abide by all remaining executory terms of this Agreement, including but not limited to **Sections 8.19** and **8.26** hereof, for the Term of the Agreement. The Developer consents to the City's sale, transfer, assignment or other disposal of this Agreement at any time in whole or in part.

Except as otherwise provided herein, this Agreement shall not run to the benefit of, or be enforceable by, any person or entity other than a party to this Agreement and its successors and permitted assigns. This Agreement should not be deemed to confer upon third parties any remedy, claim, right of reimbursement or other right.

18.17 **Force Majeure**. Neither the City nor the Developer nor any successor in interest to either of them shall be considered in breach of or in default of its obligations under this Agreement in the event of any delay caused by damage or destruction by fire or other casualty, strike, shortage of material, unusually adverse weather conditions such as, by way of illustration and not limitation, severe rain storms or below freezing temperatures of abnormal degree or for an abnormal duration, tornadoes or cyclones, and other events or conditions beyond the reasonable control of the party affected which in fact interferes with the ability of such party to discharge its obligations hereunder. The individual or entity relying on this section with respect to any such delay shall, upon the occurrence of the event causing such delay, immediately give written notice to the other parties to this Agreement. The individual or entity relying on this section with respect to any such delay may rely on this section only to the extent of the actual number of days of delay effected by any such events described above.

18.18 **Exhibits**. All of the exhibits attached hereto are incorporated herein by reference.

Failure by the Developer to provide such notice as described above may result in the termination of all or a part of the payment or reimbursement obligations of the City set forth herein.

This includes, subject to any limits under applicable law, attorney's fees and legal expenses, whether or not there is a lawsuit, including attorney's fees for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), appeals and any anticipated post-judgment collection services. Developer also will pay any court costs, in addition to all other sums provided by law.

18.22 Business Relationships. The Developer acknowledges (A) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (B) that Developer has read such provision and understands that pursuant to such Section 2-156-030 (b), it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (C) that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. Opinion Of Developer's Counsel.

[To Be Retyped On The Developer's Counsel's Letterhead]

_____, _____
City of Chicago

Chicago, Illinois 60602

Attention: Corporation Counsel

Ladies and Gentlemen:

We have acted as counsel to _____, an [Illinois] corporation (the "Developer"), in connection with the purchase of certain land and the construction of certain facilities thereon located in the _____ Redevelopment Project Area (the "Project"). In that capacity, we have examined, among other things, the following agreements, instruments and documents of even date herewith, hereinafter referred to as the "Documents":

(a) _____ Redevelopment Agreement (the "Agreement") of even date herewith, executed by the Developer and the City of Chicago (the "City");

[(b) the Escrow Agreement of even date herewith executed by the Developer and the City;]

(c) [insert other documents including but not limited to documents related to purchase and financing of the Property and all lender financing related to the Project]; and

(d) all other agreements, instruments and documents executed in connection with the foregoing.

In addition to the foregoing, we have examined:

(a) the original or certified, conformed or photostatic copies of the Developer's (i) Articles of Incorporation, as amended to date, (ii) qualifications to do business and certificates of good standing in all states in which the Developer is qualified to do business, (iii) Bylaws, as amended to date, and (iv) records of all corporate proceedings relating to the Project [revise if the Developer is not a corporation]; and

(b) such other documents, records and legal matters as we have deemed necessary or relevant for purposes of issuing the opinions hereinafter expressed.

In all such examinations, we have assumed the genuineness of all signatures (other than those of the Developer), the authenticity of documents submitted to us as originals and conformity to the originals of all documents submitted to us as certified, conformed or photostatic copies.

Based on the foregoing, it is our opinion that:

1. The Developer is a corporation duly organized, validly existing and in good standing under the laws of its state of [incorporation] [organization], has full power and authority to own and lease its properties and to carry on its business as presently conducted, and is in good standing and duly qualified to do business as a foreign [corporation] [entity] under the laws of every state in which the conduct of its affairs or the ownership of its assets requires such qualification, except for those states in which its failure to qualify to do business would not have a material adverse effect on it or its business.

2. The Developer has full right, power and authority to execute and deliver the Documents to which it is a party and to perform its obligations thereunder. Such execution, delivery and performance will not conflict with, or result in a breach of, the Developer's [Articles of Incorporation or Bylaws] [describe any formation documents if the Developer is not a corporation] or result in a breach or other violation of any of the terms, conditions or provisions of any law or regulation, order, writ, injunction or decree of any court, government or regulatory authority, or, to the best of our knowledge after diligent inquiry, any of the terms, conditions or provisions of any agreement, instrument or document to which the Developer is a party or by which the Developer or its properties is bound. To the best of our knowledge after diligent inquiry, such execution, delivery and performance will not constitute grounds for acceleration of the maturity of any agreement, indenture, undertaking or other instrument to which the Developer is a party or by which it or any of its property may be bound, or result in the creation or imposition of (or the obligation to create or impose) any lien, charge or encumbrance on, or security interest in, any of its property pursuant to the provisions of any of the foregoing, other than liens or security interests in favor of the lender providing Lender Financing (as defined in the Agreement).

3. The execution and delivery of each Document and the performance of the transactions contemplated thereby have been duly authorized and approved by all requisite action on the part of the Developer.

4. Each of the Documents to which the Developer is a party has been duly executed and delivered by a duly authorized officer of the Developer, and each such Document constitutes the legal, valid and binding obligation of the Developer, enforceable in accordance with its terms, except as limited by applicable bankruptcy, reorganization, insolvency or similar laws affecting the enforcement of creditors' rights generally.

5. (Sub)Exhibit A attached hereto (a) identifies each class of capital stock of the Developer, (b) sets forth the number of issued and authorized shares of each such class, and (c) identifies the record owners of shares of each class of capital stock of the Developer and the number of shares held of record by each such holder. To the best of our knowledge after diligent inquiry, except as set forth on (Sub)Exhibit A, there are no warrants, options, rights or commitments of purchase, conversion, call or exchange or other rights or restrictions with respect to any of the capital stock of the Developer. Each outstanding share of the capital stock of the Developer is duly authorized, validly issued, fully paid and nonassessable.

6. To the best of our knowledge after diligent inquiry, no judgments are outstanding against the Developer, nor is there now pending or threatened, any litigation, contested claim or governmental proceeding by or against the Developer or affecting the Developer or its property, or seeking to restrain or enjoin the performance by the Developer of the Agreement or the transactions contemplated by the Agreement, or contesting the validity thereof. To the best of our knowledge after diligent inquiry, the Developer is not in default with respect to any order, writ, injunction or decree of any court, government or regulatory authority or in default in any respect under any law, order, regulation or demand of any governmental agency or instrumentality, a default under which would have a material adverse effect on the Developer or its business.

7. To the best of our knowledge after diligent inquiry, there is no default by the Developer or any other party under any material contract, lease, agreement, instrument or commitment to which the Developer is a party or by which the company or its properties is bound.

8. To the best of our knowledge after diligent inquiry, all of the assets of the Developer are free and clear of mortgages, liens, pledges, security interests and encumbrances except for those specifically set forth in the Documents.

9. The execution, delivery and performance of the Documents by the Developer have not and will not require the consent of any person or the giving of notice to, any exemption by, any registration, declaration or filing with or any taking of any other actions in respect of, any person, including without limitation any court, government or regulatory authority.

10. To the best of our knowledge after diligent inquiry, the Developer owns or possesses or is licensed or otherwise has the right to use all licenses, permits and other governmental approvals and authorizations, operating authorities, certificates of public convenience, goods carriers permits, authorizations and other rights that are necessary for the operation of its business.

11. A federal or state court sitting in the State of Illinois and applying the choice of law provisions of the State of Illinois would enforce the choice of law contained in the Documents and apply the law of the State of Illinois to the transactions evidenced thereby.

We are attorneys admitted to practice in the State of Illinois and we express no opinion as to any laws other than federal laws of the United States of America and the laws of the State of Illinois. [Note: include a reference to the laws of the state of incorporation/organization of the Developer, if other than Illinois.]

This opinion is issued at the Developer's request for the benefit of the City and its counsel, and may not be disclosed to or relied upon by any other person.

Very truly yours,

By: _____

Now, Therefore, For value received and in consideration of the City Funds provided to GWT by the City for the Project, as defined in the Agreement, the Guarantor guarantees and unconditionally, the full and prompt payment when due by the Company or the Guarantor, as applicable, to the City of all of the Reimbursement Obligations.

Each term used herein and not otherwise defined herein shall have such meaning as is ascribed to such term in the Agreement.

The Guarantor hereby agrees that, except as hereinafter provided, its obligations under this Guaranty shall be unconditional, irrespective of (i) the validity or enforceability of the Reimbursement Obligations or any part thereof, or of any document evidencing all or any part of the Reimbursement Obligations, (ii) the absence of any attempt to collect the Reimbursement Obligations from the Company or GWT, as applicable, or any other guarantor or other action to enforce the same, (iii) the waiver or consent by the City with respect to any provision of any instrument evidencing the Reimbursement Obligations, or any part thereof, or any other agreement now or hereafter executed by the Company and delivered to the City, (iv) failure by the City to take any steps to perfect and maintain any security interest in, or to preserve its rights to any security or collateral for the Reimbursement Obligations, (v) the City's election, in any proceeding instituted under Chapter 11 of Title 11 of the United States Code (11 U.S.C. § 101, et seq.), as amended (the "Bankruptcy Code"), of the application of Section 1111(b)(2) of the Bankruptcy Code, (vi) any borrowing or grant of a security interest by the Company and/or GWT, as applicable, as debtor-in-possession, under Section 364 of the Bankruptcy Code, (vii) the disallowance, under Section 502 of the Bankruptcy Code, of all or any portion of the City's claim(s) for repayment of the Reimbursement Obligations, or (viii) any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor.

The Guarantor hereby waives diligence, presentment, demand of payment, filing of claims with a court in the event of receivership or bankruptcy of the Company, protest or notice (except to the extent specifically required pursuant to the Agreement or any of the other Lender Financing documents) with respect to the Reimbursement Obligations and all demands whatsoever, and covenant that this Guaranty will not be discharged, except by complete performance of the obligations and liabilities contained herein. Upon and during the continuance of any default by the Company and/or GWT, as applicable and after the expiration of any applicable cure period, as provided in any instrument or document evidencing all or any part of the Reimbursement Obligations, including without limitation the Agreement, the City may, at its sole election, proceed directly and at once, without notice, against the Guarantor to collect and recover the full amount or any portion of the Reimbursement Obligations, without first proceeding against the Company, GWT, or any other person or entity (a "Person"), or against any security or collateral for the Reimbursement Obligations. Upon default, the City shall have the exclusive right to determine the application of payments and credits, if any, from the Company, GWT, or from any other Person, on account of the Reimbursement Obligations or of any other liability of the GWT and/or the Company to the City.

The City is hereby authorized, without notice or demand and without affecting the liability of the Guarantor hereunder, to, from time to time, (i) renew, extend, accelerate or otherwise change the time for payment of, or other terms relating to the Reimbursement Obligations with the written consent of GWT and/or the Company; (ii) accept partial payments on the Reimbursement Obligations; (iii) take and hold security or collateral for the payment of the Reimbursement Obligations guaranteed hereby, or for the payment of this Guaranty, or for the payment of any other guaranties of the Reimbursement Obligations or other liabilities of the Company and of GWT and exchange, enforce, waive and release any such security or collateral; (iv) apply such security or collateral and direct the order or manner of sale thereof as in its discretion it may determine; and (v) settle, release, compromise, collect or otherwise liquidate the Reimbursement Obligations and any security or collateral therefor in any manner, without affecting or impairing the obligations of the Guarantor hereunder.

At any time after any of the Reimbursement Obligations shall become due and payable, the City may, in its sole discretion, without notice to the Guarantor and regardless of the acceptance of any security or collateral for the payment thereof, appropriate and apply toward the payments of the Reimbursement Obligations (i) any indebtedness due or to become due from the City to the Guarantor, and (ii) any money, credits or other property belonging to the Guarantor at any time held by or coming into the possession of the City.

The Guarantor assumes responsibility for keeping itself informed of the financial condition of the Company, and any and all endorers and/or other guarantors of any instrument or document evidencing all or any part of the Reimbursement Obligations and of all other circumstances bearing upon the risk of nonpayment or non-performance of the Reimbursement Obligations or any part thereof that diligent inquiry would reveal, and the Guarantor hereby agrees that the City shall not have any duty to advise the Guarantor of information known to the City regarding such condition or any such circumstances. In the event the City, in its sole discretion, undertakes at any time or from time to time to provide any such information to the Guarantor, the City shall not be under any obligation (i) to undertake any investigation not a part of its regular business routine, (ii) to disclose any information which the City wishes to maintain confidential or (iii) to make any other or future disclosures of such information or any other information to the Guarantor.

The Guarantor consents and agrees that the City shall not be under any obligation to marshal any assets in favor of the Guarantor or against or in payment of any or all of the Reimbursement Obligations. The Guarantor further agrees that, to the extent that the Company makes a payment or payments of the Reimbursement Obligations to the City, or the City receives any proceeds of collateral in payment therefor, which payment or payments or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside and/or required to be repaid to the Company, its successors, assigns, receiver or any other party, including without limitation the Guarantor, under any bankruptcy law, state or federal law, common law or equitable cause, then to the extent of such payment or repayment, the Reimbursement Obligations or the part thereof which has been paid, reduced or satisfied by such amount shall be reinstated and continued in full force and effect as of the date such initial payment, reduction or satisfaction occurred.

Until the Reimbursement Obligations shall have been paid in full, the Guarantor agrees that no payment made by, or for the account or benefit of, the Guarantor (including without limitation a payment made by the Company in respect of the Reimbursement Obligations or a payment made by any Person under any other guaranty of the Reimbursement Obligations) pursuant to this Guaranty shall entitle either the Guarantor, by subrogation, reimbursement, contribution or otherwise, to payment by the Company or any other Person, or from or out of the property of the Company or any other Person, and the Guarantor hereby waives any right of subrogation, reimbursement or contribution that the Guarantor may now or hereafter have against the Company or any other Person arising out of any payment in respect of the Reimbursement Obligations and waives the right to exercise any right or remedy against the Company or any other Person arising out of any performance by the Guarantor under this Guaranty. The Guarantor further agrees that any and all claims of the Guarantor against the Company, any endorser or any other guarantor of all or any part of the Reimbursement

Obligations, or against any of their respective properties, whether arising by reason of any payment by the Guarantor to the City pursuant to the provisions hereof, or otherwise, shall be subordinate and subject in right of payment to the prior payment, in full, of all principal and interest, all reasonable costs of collection (including attorneys' and paralegals' fees and expenses) and any other liabilities or obligations owing to the City by the Company which may arise either with respect to or on any note, instrument, document, item, agreement or other writing heretofore, now or hereafter delivered to the City. The Guarantor also waives all setoffs and counterclaims and all presentments, demands for performance, notices of nonperformance, protests, notices of protest, notices of dishonor, and notices of acceptance of this Guaranty. The Guarantor further waives all notices that the principal amount, or any portion thereof, and/or any interest on any instrument or document evidencing all or any part of the Reimbursement Obligations is due, notices of any and all proceedings to collect from the maker, any endorser or any other guarantor of all or any part of the Reimbursement Obligations, or from anyone else, and, to the extent permitted by law, notices of exchange, sale, surrender or other handling of any security or collateral given to the City to secure payment of the Reimbursement Obligations. Notwithstanding the foregoing provisions or any other provisions hereof to the contrary, no waiver of notice herein shall invalidate or negate any requirements under the Agreement or the other Lender Financing documents for notices to be given by the City to the Company and or GWT, as applicable.

No delay on the part of the City in the exercise of any right or remedy shall operate as a waiver thereof, and no single or partial exercise by the City of any right or remedy shall preclude any further exercise thereof; nor shall any modification or waiver of any of the provisions of this Guaranty be binding upon the City, except as expressly set forth in a writing duly signed and delivered by the City. The City's failure at any time or times hereafter to require strict performance by the Company and/or the Guarantor of any of the provisions, warranties, terms and conditions contained in any promissory note, security agreement, agreement, guaranty, instrument or document now or at any time or times hereafter executed by the Company and/or the Guarantor and delivered to the City shall not waive, affect or diminish any right of the City at any time or times hereafter to demand strict performance thereof and such right shall not be deemed to have been waived by any act or knowledge of the City, its agents, officers or employees, unless such waiver is contained in an instrument in writing signed by the City and directed to the Company and/or the Guarantor, as applicable, specifying such waiver. No waiver by the City of any default shall operate as a waiver of any other default or the same default on a future occasion, and no action by the City permitted hereunder shall in any way affect or impair the City's rights or the obligations of the Guarantor under this Guaranty. Any determination by a court of competent jurisdiction of the amount of the Reimbursement Obligations owing by the Company and/or GWT to the City shall be conclusive and binding on the Guarantor irrespective of whether the Guarantor were a party to the suit or action in which such determination was made.

3.3 Taxes and Assessments. (a) Mortgagor will pay when due all general taxes and assessments, special assessments, water charges and all of the charges against the Mortgaged Property and shall, upon written request, furnish to Mortgagee receipts evidencing payment thereof, provided that Mortgagor, in good faith and with reasonable diligence, may contest the validity or amount of any such taxes, assessments or charges, provided that during any such contest the enforcement of the lien of such taxes, assessments or charges is stayed or is otherwise in compliance with the applicable provisions of the Redevelopment agreement with respect thereto.

(b) Mortgagor will not suffer (unless bonded or insured over) any mechanic's, laborer's, materialmen's, or statutory lien to remain outstanding upon any of the Mortgaged Property. 3.4 Insurance. 3.5 Subordination. Mortgagee by acceptance of this Mortgage acknowledges that the Mortgage shall be subject and subordinate in all respects to (i) any mortgage from Mortgagor (the "First Mortgage") in favor of the CDE providing the QLICI Loan for the Project ("QLICI Lender"), and (ii) any mortgage from Mortgagor (the "Second Mortgage") in favor of the Senior Lender for the Project, granted after the expiration of the NMTC Compliance Period ("Senior Lender") and shall also be subordinate to any mortgage(s) (all such mortgages, a "Permanent Mortgage") that replace the First Mortgage or Second Mortgage (or any Permanent Mortgage) and which secure financing in a principal amount not to exceed (i) the original principal amount of the financing provided by such QLICI Lender or Senior Lender and (ii) the amount of Cash Equity contributed by the Developer under the Agreement. The agreement by the Mortgagee to be subordinate to a Permanent Mortgage on the terms hereunder shall be reflected by a subordination agreement between the Mortgagee and the QLICI Lender or Senior Lender, as applicable, named as the mortgagee under such Permanent Mortgage, at the request of such QLICI Lender or Senior Lender, as applicable.

SECTION IV

REIMBURSEMENT OBLIGATION

4.1 Generally. The maximum aggregate amount of the Reimbursement Obligation shall be limited to the amount of City Funds actually received by the Developer under the Agreement, all Protective Advances (as hereinafter defined) and other amounts payable under this Mortgage whether now owing or hereafter accruing. Pursuant to the terms of the Agreement, Mortgagor, from the execution date of the Mortgage until the expiration of the Term of the Agreement (such time period to be referred to as the "Enforceability Period"), shall complete the Project in accordance with the terms and conditions of the Agreement, and shall, until the expiration of the Term of the Agreement, abide by the Covenants.

4.2 Recapture. If during the Enforceability Period, Mortgagor fails to complete the Project in accordance with the terms and conditions of the Agreement or subsequent to the issuance of the Certificate by the City, fails to perform in accordance with the Covenants, and after the delivery of written notice and the expiration of any applicable cure period (as described in Section 15 of the Agreement) the City shall be entitled to recapture, and Mortgagor shall be obligated to pay the City, an amount equal to the funds then subject to recapture (as described in Section 4.1 above). The Mortgagee may proceed to foreclose this Mortgage and to exercise any other rights and remedies available to Mortgagee under this Mortgage and the Agreement and at law, in equity or otherwise

4.3 Release of Mortgage. Upon the expiration of the Enforceability Period, if Mortgagor has complied with the Covenants to the satisfaction of Mortgagee, then Mortgagor shall be deemed to have fully complied with the provisions contained in the Mortgage, and Mortgagor shall be under no further obligation to Mortgagee. In addition, if Mortgagor has paid to the City the entire amount of the Reimbursement Obligation which would then be due (calculated as if there had been a failure by Mortgagor to comply with the Covenants) as described in Section 4.1 then Mortgagor shall be under no further obligation to Mortgagee hereunder. In either event, within thirty (30) days of receipt of a written request from Mortgagor, Mortgagee shall execute a release of the Mortgage. Said release shall be in recordable form.

4.4 Seven -Year Standstill. Notwithstanding anything to the contrary set forth in this Mortgage, the City shall not, prior to thirty (30) days after the seventh (7th) anniversary of the making of the QLICI Loan, exercise its rights as secured creditor. Without limiting the generality of the foregoing, until thirty (30) days after the seventh (7th) anniversary of the making of the QLICI Loan, the City agrees not to (x) consummate or permit the consummation of any foreclosure or similar sale or transfer of the collateral pursuant to the terms of this Mortgage or take any action to assert ownership rights with respect to the collateral (or any rights or privileges attendant thereto), (y) commence, or join with any other creditor in commencing any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings with respect to the mortgagor, and/or (z) exercise remedies under this Mortgage. The QLICI Lender is an express third party beneficiary of this section with the power and authority to enforce the foregoing restrictions on the City's exercise of its remedies hereunder against the City.

SECTION V

DEFAULT

5.1 Events of Default. The terms "Event of Default" or "Events of Default", wherever used in the Mortgage, shall mean the failure by Mortgagor to duly observe or perform any material term, covenant, condition, or agreement of the Mortgage or the Covenants after the expiration of all cure periods, if any, as provided herein or in the Agreement.

5.2 Mortgagee's Options; Subrogation; Acceleration; Cure. (a) In case of an Event Default, Mortgagee may make any payment or perform any act required of Mortgagor and may make full or partial payments of principal or interest on any Lender Financing or prior encumbrances, if any, and purchase, discharge, compromise or settle any tax lien or other prior lien or title or claim thereof, or redeem the Mortgaged Property from any tax sale or forfeiture affecting the Mortgaged Property or contest any tax or assessment thereon. All monies paid for any of the purposes herein authorized and all expenses paid or incurred in connection therewith, including attorneys' fees, and any other monies advanced by Mortgagee to protect the Mortgaged Property and the lien hereof, shall be deemed additional indebtedness secured hereby. Inaction of Mortgagee shall never be considered as a waiver of any right accruing to it on account of any default on the part of Mortgagor.

(b) To the extent that Mortgagee, on or after the date hereof, pays any sum under any provision of law or any instrument or document creating any lien or other interest prior or superior to the lien of this Mortgage, or Mortgagor or any other person or entity pays any such sum with the proceeds of the indebtedness secured hereby, Mortgagee shall have and be entitled to a lien or other interest on the Mortgaged Property equal in priority to the lien or other interest discharged and Mortgagee shall be subrogated to, and receive and enjoy all rights and liens possessed, held or enjoyed by, the holder of such lien, which shall remain in existence and benefit Mortgagee in securing the indebtedness secured hereby; provided however Mortgagee shall not be entitled to a lien or other interest in the Mortgaged Property pursuant to any lien created by the Lender Financing documents.

(c) If an Event of Default shall have occurred under the Agreement (with respect to the Covenants) or the Mortgage, and shall have continued for thirty (30) days following the receipt of notice thereof from Mortgagee to Mortgagor, the amount of the Reimbursement Obligation for which Mortgagor is then liable (as determined by Section 4.1 above) and secured hereby, at Mortgagee's sole option, shall immediately become due and payable without further notice or demand; provided, however, that in the event such default cannot reasonably be cured within such thirty (30) day period and if Mortgagor has commenced efforts to cure, then, the time to cure shall be extended so long as said party diligently continues to cure such default; provided, further, that no such notice and cure provisions described above shall apply with respect to an Event of Default arising from the failure by Mortgagor to perform the Covenants, as the notice and cure periods, if any, of the Agreement shall apply to such Event of Default.

(d) Except as otherwise permitted by the terms of the Agreement or by Mortgagee's written consent, any sale, partial sale, refinancing, syndication or other disposition of all or substantially all of the Mortgaged Property (other than in the ordinary course of the Mortgagor's

business) shall entitle the Mortgagee to declare the Reimbursement Obligation for which Mortgagor is then liable (as determined by Section 4.1 above) and secured hereby immediately due and payable without further notice or demand; provided, however, the replacement or substitution of any machinery, equipment or fixtures, now owned or hereafter acquired by Mortgagor, with machinery or equipment of like kind and value, whether or not such machinery or equipment is deemed a fixture under applicable provisions of the Code, will not be an Event of Default under the Mortgage, provided Mortgagor, if requested to do so by Mortgagee, executes such documents as may be necessary or deemed appropriate to assure Mortgagee of a continuing perfected secured interest in such replacement or substituted machinery, equipment or fixtures.

5.3 Remedies. Mortgagee's remedies as provided in this Mortgage and the Agreement shall be cumulative and concurrent and may be pursued singularly, successively or together, at the sole discretion of Mortgagee and may be exercised as often as occasion therefor shall arise, and shall not be exclusive but shall be in addition to every other remedy now or hereafter existing at law, in equity or by statute.

5.4 Additional Indebtedness. In the event that the Mortgagee retains an attorney to: (a) assist in collecting amounts owed or enforcing the Mortgagee's rights under this Mortgage or the Agreement; (b) represent Mortgagee in any bankruptcy, reorganization, receivership or other proceedings affecting creditors' rights and involving a claim under this Mortgage or the Agreement; (c) protect or enforce the lien of this Mortgage; or (d) represent Mortgagee in any other proceedings whatsoever in connection with this Mortgage, the Agreement or the Mortgaged Property, then Mortgagor shall pay to Mortgagee all reasonable attorneys' fees, and all costs and expenses incurred in connection therewith.

5.5 No Waiver. Failure of Mortgagee, for any period of time or on more than one occasion, to exercise any such remedy shall not constitute a waiver of the right to exercise the same at any time thereafter or in the event of any subsequent Event of Default. No act of omission or commission of Mortgagee, including specifically any failure to exercise any right or remedy, shall be deemed to be a waiver or release of the same; any such waiver or release is to be effected only through a written document executed by Mortgagee and then only to the extent specifically recited therein. A waiver or release with reference to any one event shall not be construed as a waiver or release of any subsequent event or as a bar to any subsequent exercise of Mortgagee's rights or remedies hereunder. Except as otherwise specifically required herein, notice of the exercise of any right or remedy granted to Mortgagee is not required to be given.

5.6 Right of Possession. To the extent permitted by law, in any case in which, under the provisions of this Mortgage, Mortgagee has a right to institute foreclosure proceedings, whether before or after the institution of such proceedings or before or after sale thereunder, Mortgagor shall, at the option of Mortgagee, surrender to Mortgagee, and Mortgagee shall be entitled to take, actual possession of all or any portion of the Mortgaged Property personally or by its agents or attorneys, and Mortgagee, in its sole discretion, may enter upon, take and maintain possession of all or any portion of the Mortgaged Property.

Upon taking possession of the Mortgaged Property, Mortgagee may make all necessary or proper repairs, decoration, renewals, replacements, alterations, additions, betterments and improvements in connection with the Mortgaged Property as it may deem judicious to insure, protect and maintain the Mortgaged Property against all risks incidental to Mortgagee's possession, operation and management thereof, and may receive all rents, issues and profits therefrom.

5.7 Foreclosure Sale. The Mortgaged Property or any interest or estate therein sold pursuant to any court order or decree obtained under this Mortgage shall be sold in one parcel, as an entirety, or in such parcels and in such manner or order as Mortgagee, in its sole discretion, may elect, to the maximum extent permitted by Illinois law. At any such sale, Mortgagee may bid for and acquire, as purchaser, all or any portion of the Mortgaged Property and, in lieu of paying cash therefor, may make settlement for the purchase price by crediting upon the indebtedness due the amount of Mortgagee's bid.

5.8 Application of Proceeds from Foreclosure Sale. Proceeds of any foreclosure sale of the Mortgaged Property shall be distributed and applied in the following order of priority: (i) on account of all costs and expenses incident to the foreclosure proceedings, (ii) the amounts owed pursuant to Section 4.1 of this Mortgage, and otherwise due and payable under this Mortgage, with interest thereon at the rate of fifteen percent (15%) per annum (the "Interest Rate"), and (iii) any surplus or remaining funds to Mortgagor, its successors or assigns, as their rights may appear.

5.9 Insurance Upon Foreclosure. Wherever provision is made in the Agreement for insurance policies to bear mortgage clauses or other loss payable clauses or endorsements in favor of Mortgagee, or to confer authority upon Mortgagee to settle or participate in the settlement of losses under policies of insurance or to hold and disburse or otherwise control use of insurance proceeds, from and after the entry of judgment of foreclosure all such rights and powers of Mortgagee shall continue in Mortgagee as judgment creditor or mortgagee until confirmation of sale. Upon confirmation of sale, Mortgagee shall be empowered to assign all policies of insurance to the purchaser at the sale. In case of an insured loss after foreclosure proceedings have been instituted, the proceeds of any insurance policy or policies, if not applied in restoring the Mortgaged Property, shall be used to pay the amount due in accordance with any foreclosure decree that may be entered in any such proceedings, and the balance, if any, shall be paid as the court may direct.

5.10 Waiver of Statutory Rights. To the extent permitted by law, Mortgagor shall not apply for or avail itself of any appraisal, valuation, redemption, reinstatement, stay, extension or exemption laws or any so-called "Moratorium Laws" now existing or hereafter enacted, in order to prevent or hinder the enforcement of foreclosure of this Mortgage and hereby waives the benefit of such laws. Mortgagor, for itself and all who may claim through or under it, waives any and all right to have the property and estates comprising the Mortgaged Property marshalled upon any foreclosure of the lien hereof and agrees that any court having jurisdiction to foreclose such lien may order the Mortgaged Property sold as an entirety. To the extent permitted by law, Mortgagor hereby expressly waives any and all rights of redemption and rein-statement, on its own behalf and on behalf of each and every person having a beneficial interest in Mortgagor, it being the intent hereof that any and all such rights of redemption or rein-statement of Mortgagor and of all other persons are and shall be deemed to

be hereby waived. Mortgagor acknowledges that the Mortgaged Property do not constitute agricultural real estate, as said term is defined in Section 5/15-1201 of the Illinois Mortgage Foreclosure Law, 735 ILCS 5/15-1101, et seq. (the "Act") or residential real estate as defined in Section 5/15-1219 of the Act.

5.11 Partial Payments. Acceptance by Mortgagee of any payment which is less than payment in full of all amounts due and payable at the time of such payment shall not constitute a waiver of Mortgagee's right to exercise its option to declare the whole of the sum then remaining unpaid, together with all interest thereon at the Interest Rate, immediately due and payable without notice, or any other rights of Mortgagee at that time or any subsequent time, without its express written consent, except and to the extent otherwise provided by law.

5.12 Rescission of Election. The obligation to make immediate payment of the City Funds, once such payment becomes due under the terms of this Mortgage, may at the option of Mortgagee be rescinded, and any proceedings brought to enforce any rights or remedies hereunder may, at Mortgagee's option, be discontinued or dismissed. In either of such events, Mortgagor and Mortgagee shall be restored to their former positions, and the rights, remedies and powers of Mortgagee shall continue as if such obligation to make immediate payment had not been made or such proceedings had not been commenced, as the case may be.

5.13 Protective Advances; Maximum Amount of Indebtedness. All advances, disbursements and expenditures made by Mortgagee before and during a foreclosure, and before and after judgment of foreclosure, and at any time prior to sale, and, where applicable, after sale, and during the pendency of any related proceedings, for the following purposes, in addition to those otherwise authorized by this Mortgage or by the Act (collectively "Protective Advances"), shall have the benefit of all applicable provisions of the Act, including those provisions of the Act hereinbelow referred to:

- (a) all advances by Mortgagee to: (i) preserve or maintain, repair, restore or rebuild the improvements upon the Mortgaged Property; (ii) preserve the lien of this Mortgage or the priority thereof; or (iii) enforce this Mortgage, as referred to in Subsection (b)(5) of Section 5/15-1302 of the Act;
- (b) payments by Mortgagee of: (i) when due, installments of principal, interest or other obligations in accordance with the terms of the documents evidencing and securing the Lender Financing, if any, or other prior lien or encumbrance; (ii) when due, installments of real estate taxes and assessments, general and special and all other taxes and assessments of any kind or nature whatsoever which are assessed or imposed upon the Mortgaged Property or any part thereof; (iii) other obligations authorized by this Mortgage; or (iv) with court approval, any other amounts in connection with other liens, encumbrances or interests reasonably necessary to preserve the status of title, as referred to in Section 5/15-1505 of the Act;
- (c) advances by Mortgagee in settlement or compromise of any claims asserted by claimants under any mortgages or any other prior liens;
- (d) attorneys' fees and other costs incurred: (i) in connection with the foreclosure of this Mortgage as referred to in Sections 5/15-1504(d)(2) and 5/15-1510 of the Act; (ii) in connection with any action, suit or proceeding brought by or against Mortgagee for the enforcement of this Mortgage or arising from the interest of Mortgagee hereunder; or (iii) in the preparation for the commencement or defense of any such foreclosure or other action;

(e) Mortgagee's fees and costs, including attorneys' fees, arising between the entry of judgment of foreclosure and the confirmation hearing as referred to in Subsection (b)(1) of Section 5/15-1508 of the Act;

(f) advances of any amount required to make up a deficiency in deposits for or payments of installments of taxes and assessments and insurance premiums;

(g) expenses deductible from proceeds of sale as referred to in Subsections (a) and (b) of Section 5/15-1512 of the Act;

(h) expenses incurred and expenditures made by Mortgagee for any one or more of the following: (i) if the Mortgaged Property or any portion thereof constitutes one or more units under a condominium declaration, assessments imposed upon the unit owner thereof; (ii) if any interest in the Mortgaged Property is a leasehold estate under a lease or sublease, rentals or other payments required to be made by the lessee under the terms of the lease or sublease; (iii) premiums for casualty and liability insurance paid by Mortgagee whether or not Mortgagee or a receiver is in possession, if reasonably required, in reasonable amounts, and all renewals thereof, without regard to the limitation to maintaining of existing insurance in effect at the time any receiver or mortgagee takes possession of the Mortgaged Property imposed by Subsection (c)(1) of Section 5/15-1704 of the Act; (iv) repair or restoration of damage or destruction in excess of available insurance proceeds or condemnation awards; (v) payments required or deemed by Mortgagee to be for the benefit of the Mortgaged Property or required to be made by the owner of the Mortgaged Property under any grant or declaration of easement, easement agreement, agreement with any adjoining land owners or instruments creating covenants or restrictions for the benefit of or affecting the Mortgaged Property; (vi) shared or common expense assessments payable to any association or corporation in which the owner of the Mortgaged Property is a member in any way affecting the Mortgaged Property; (vii) if the loan secured hereby is a construction loan, costs incurred by Mortgagee for demolition, preparation for and completion of construction, as may be authorized by the applicable commitment or loan agreement; (viii) pursuant to any lease or other agreement for occupancy of the Mortgaged Property; and (ix) if this Mortgage is insured, payments of FHA or private mortgage insurance.

All Protective Advances shall be so much additional indebtedness secured by this Mortgage.

This Mortgage shall be a lien for all Protective Advances as to subsequent purchasers and judgment creditors from the time this Mortgage is recorded pursuant to Subsection (b)(1) of Section 5/15-1302 of the Act.

All Protective Advances shall, except to the extent, if any, that any of the same is clearly contrary to or inconsistent with the provisions of the Act, apply to and be included in:

(1) the determination of the amount of indebtedness secured by this Mortgage at any time;

(2) the indebtedness found due and owing to Mortgagee in the judgment of foreclosure and any subsequent supplemental judgments, orders, adjudications or findings by the court of any additional indebtedness becoming due after such entry of judgment, it being agreed that in any foreclosure judgment, the court may reserve jurisdiction for such purpose;

(3) if the right of redemption has not been waived by this Mortgage, computation of amount required to redeem, pursuant to Subsections (d)(2) and (e) of Section 5/15-1603 of the Act;

(4) the determination of amounts deductible from sale proceeds pursuant to Section 5/15-1512 of the Act;

(5) the application of income in the hands of any receiver or mortgagee in possession; and

(6) the computation of any deficiency judgment pursuant to Subsections (b)(2) and (e) of Sections 5/15-1508 and Section 5/15-1511 of the Act.

The maximum principal amount of indebtedness secured by this Mortgage shall be the amount of City Funds actually received by the Developer as the Initial Payment and the City Note under the Agreement, plus any Protective Advances, with interest on such sum at the Interest Rate.

*North Pullman Redevelopment Project Area
Tax Increment Finance District Eligibility Study, Redevelopment Plan And Project*

February 27, 2009.

1. Executive Summary

In June 2008, *S. B. Friedman & Company* was engaged to conduct a Tax Increment Financing Eligibility Study (the "Eligibility Study") for the proposed North Pullman Redevelopment Project Area. This report details the eligibility factors found within the proposed North Pullman Redevelopment Project Area in support of its designation as a "conservation area" within the definitions set forth in the Illinois Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1 et seq., as amended (the "Act"), and thus in support of its designation as the North Pullman Redevelopment Project Area (the "North Pullman RPA" or "RPA"). In addition, since the Eligibility Study has determined that the RPA qualifies as a conservation area, this report also contains the Redevelopment Plan and Project (the "Redevelopment Plan" or "Redevelopment Plan and Project") for the North Pullman RPA.

The North Pullman RPA is located within the Pullman and Roseland community areas ("Community Area") of the City of Chicago ("City"), and is generally bounded by S. Doty and S. Stony Island Avenues on the east; E. 106th, E. 108th and E. 111th Streets on the south; S. Cottage Grove and S. Indiana Avenues to the west; and E. 101st and E. 103rd Streets on the north. The North Pullman RPA is located within the Pullman and Roseland community areas, and is presently located in City Wards 8, 9, and 10.

Determination of Eligibility

This Eligibility Study concludes that the North Pullman RPA is eligible for Tax Increment Financing ("TIF") designation as a "conservation area" because 50 percent or more of the structures in the area are 35 years in age or older, and because the following five eligibility factors have been found to be present to a meaningful extent and reasonably distributed throughout the RPA:

1. Lack of Growth in Equalized Assessed Value (EAV);
2. Deterioration;
3. Inadequate Utilities;
4. Environmental Contamination; and
5. Excessive Vacancies.

In addition, a portion of the RPA is vacant. The Eligibility Study concludes that the vacant portion of the North Pullman RPA is eligible for TIF designation as a "blighted area" because the following three eligibility factors have been found to present to a meaningful extent:

1. Environmental Contamination;
2. Deterioration of Structures or Site Improvements in Neighboring Areas Adjacent to the Vacant Land; and
3. Obsolete Platting.

Redevelopment Plan: Goal, Objectives, and Strategies

Goal. The overall goal of the Redevelopment Plan is to reduce or eliminate the conditions that qualify the North Pullman RPA as a conservation area, and to provide the mechanisms necessary to support public and private development and improvements in the RPA. This goal is to be achieved through an integrated and comprehensive strategy that leverages public resources to stimulate private investment in rehabilitation of existing structures and new development. Eliminating these conditions and facilitating development within the RPA will facilitate reestablishment of the RPA as a cohesive and vibrant mixed-use area that provides a broad range of both housing opportunities and commercial/retail uses, while accommodating public and institutional uses where appropriate. Redevelopment of the RPA will improve retail, commercial, and housing conditions; improve the relationship between the area's land uses; and attract private redevelopment.

Objectives. Fifteen broad objectives support the overall goal of area-wide revitalization of the North Pullman RPA. These include:

1. Provide resources for the rehabilitation and modernization of existing structures and the reuse and rehabilitation of architecturally and historically significant structures, especially those structures within the designated Pullman Chicago Landmark District and the Pullman Historic District listed on the National Register of Historic Places, and any structures ranked "orange" or "red" (the highest significance levels) in the Chicago Historic Resources Survey;
2. Facilitate residential development and redevelopment that will accommodate current and future residents of the RPA, including affordable housing and a variety of housing tenure (ownership versus rental);
3. Facilitate redevelopment of vacant or under-utilized industrial properties and the transition of such properties to land uses which are more in keeping with the character of the existing North Pullman community;
4. Provide resources for environmental remediation on former industrial properties to allow for the transition of such properties to land uses which are more in keeping with the character of the existing North Pullman community;

5. Encourage high-quality retail development that promotes a lively pedestrian environment, incorporates enhanced plazas and green spaces, provides sufficient off-street parking, and adequately serves households residing in the area;
6. Improve the quality of existing open space, plazas, and streetscape elements to provide the community with safe, attractive public gathering spaces;
7. Provide resources for the sustainable rehabilitation of existing residential buildings;
8. Improve public transit facilities within the RPA;
9. Provide resources for the creation and/or improvement of community facilities to offer health/wellness, education, social support, and job training opportunities for RPA residents;
10. Improve vehicular circulation throughout the RPA through improvements to streets, alleys and loading areas;
11. Promote commercial and residential development and redevelopment that is "transit-oriented" in nature and reflects site design and mixes of uses that promote transit ridership and accessibility;
12. Replace or repair public infrastructure where needed, including streets, sidewalks, curbs, gutters, underground water and sanitary systems, alleys, bridges, and viaducts;
13. Provide opportunities for women-owned, minority-owned, and locally owned businesses to share in job opportunities associated with the redevelopment of the North Pullman RPA, particularly in the design and construction industries;
14. Support job training and welfare to work programs and increase employment opportunities for City residents; and
15. Provide daycare assistance to support employees of local businesses.

Strategies. These objectives will be implemented through four specific and integrated strategies. These include:

1. **Implement Public Improvements.** A series of public improvements throughout the North Pullman RPA may be designed and implemented to build upon and improve the character of the area, and to create a more conducive environment for private development. Public improvements that are implemented with TIF assistance are intended to complement and

lighting, alleyways, underground water and sewer infrastructure, parks or open space, and other public improvements consistent with the Redevelopment Plan and Project. These public improvements may be completed pursuant to redevelopment agreements with private entities or intergovernmental agreements with other public entities, and may include the construction, rehabilitation, renovation, or restoration of public improvements on one or more parcels.

2. **Encourage Private Sector Activities and Support Rehabilitation of Existing Buildings.** Through the creation and support of public-private partnerships, or through written agreements, the City may provide financial and other assistance to encourage the private sector to undertake rehabilitation and redevelopment projects and other improvements, in addition to programming such as job training and retraining, that are consistent with the goals of this Redevelopment Plan and Project.

The City may enter into redevelopment agreements or intergovernmental agreements with private or public entities to construct, rehabilitate, renovate, or restore private or public improvements on one or several parcels (collectively referred to as "Redevelopment Projects"). The City may also provide financial assistance to local property owners through programs such as the TIF Neighborhood Improvement Program.

The City requires developers who receive TIF assistance for market-rate housing to set aside twenty percent (20 percent) of the units to meet affordability criteria established by the City's Department of Community Development or any successor agency. Generally, this requirement means that affordable for-sale housing units should be priced at a level that is affordable to persons earning no more than one hundred percent (100 percent) of the area median income, and affordable rental units should be affordable to persons earning no more than sixty percent (60 percent) of the area median income. TIF funds can also be used to pay for up to fifty percent (50 percent) of the cost of construction or up to seventy-five percent (75 percent) of interest costs for new housing units to be occupied by low-income and very low-income households as defined in Section 3 of the Illinois Affordable Housing Act.

Any development that receives TIF assistance must also meet the City's Sustainable Development Policy requirements, as set forth by the Department of Community Development. These policies promote sustainable building practices and involve environmentally responsible design, construction and maintenance techniques that are available for and may apply to both new and existing structures.

3. **Develop Vacant and Underutilized Sites.** The redevelopment of vacant and underutilized properties within the North Pullman RPA is expected to stimulate private investment and increase the overall taxable value of properties within the RPA. Development of vacant and/or underutilized sites is anticipated to have a positive impact on other properties beyond the individual project sites.

4. **Facilitate Property Assembly, Demolition, and Site Preparation.** Financial assistance may be provided to private developers seeking to acquire land, and to assemble and prepare sites in order to undertake projects in support of this Redevelopment Plan and Project.

To meet the goals of this Redevelopment Plan and Project, the City may acquire and assemble property throughout the RPA. Land assemblage by the City may be by purchase, exchange, donation, lease, eminent domain, through the Tax Reactivation Program, or other programs, and may be for the purpose of: (a) sale, lease or conveyance to private developers, or (b) sale, lease, conveyance, or dedication for the construction of public improvements or facilities. Site preparation may include such preparatory work as demolition of existing improvements and environmental remediation, where appropriate. Furthermore, the City may require written redevelopment agreements with developers before acquiring any properties. As appropriate, the City may devote acquired property to temporary uses until such property is scheduled for disposition and development.

Demolition of any structure within the designated Chicago Landmark Pullman District must be reviewed by the Commission on Chicago Landmarks and approved by City Council. Structures outside of the Chicago Landmark Pullman District which are ranked "orange" or "red" in the Chicago Historic Resources Survey are subject to the 90-Day Demolition-Delay Ordinance.

Required Findings

The conditions required under the Act for the adoption of the Eligibility Study and Redevelopment Plan and Project are found to be present within the North Pullman RPA.

1. The RPA has not been subject to growth and development through investment by private enterprise. The EAV of the North Pullman RPA has not kept pace with the City of Chicago as a whole. In addition, construction activity within the RPA has been limited to a small number of buildings, and the total value of these construction projects has been minimal relative to the estimated market value of the area.
2. Without the support of public resources, the redevelopment objectives of the North Pullman RPA will most likely not be realized. TIF assistance may be used to fund rehabilitation, infrastructure improvements, and expansions to public facilities. Without the creation of the North Pullman RPA, these types of projects are not likely to occur.
3. The North Pullman RPA includes only the contiguous real property that is expected to substantially benefit from the proposed Redevelopment Plan and Project improvements.
4. The proposed land uses described in this Redevelopment Plan and Project will be approved by the Chicago Plan Commission prior to its adoption by the City Council.

2. Introduction

The Study Area

This document serves as the Eligibility Study and Redevelopment Plan and Project for the North Pullman Redevelopment Project Area. The North Pullman RPA is located within the Pullman and Roseland community areas of the City of Chicago (the "City"), in Cook County (the "County"). In June 2008, *S. B. Friedman & Company* was engaged to conduct a study of certain properties in these neighborhoods to determine whether the area containing these properties would qualify for status as a "blighted area" and/or "conservation area" under the Act.

The Eligibility Study and Plan summarizes the analyses and findings of *S. B. Friedman & Company's* work, which, unless otherwise noted, is the responsibility of *S. B. Friedman & Company*. The City is entitled to rely on the findings and conclusions of this Eligibility Study and Plan in designating the North Pullman Redevelopment Project Area as a redevelopment project area under the Act. *S. B. Friedman & Company* has prepared this Eligibility Study and Plan with the understanding that the City would rely: 1) on the findings and conclusions of the Eligibility Study and Plan in proceeding with the designation of the North Pullman Redevelopment Project Area and the adoption and implementation of the Plan, and 2) on the fact that *S. B. Friedman & Company* has obtained the necessary information to conclude that the North Pullman Redevelopment Project Area can be designated as a Redevelopment Project Area under the Act and that the Eligibility Study and Plan will comply with the Act.

The community context of the North Pullman RPA is detailed on Map 1 in Appendix 1. The RPA is generally bounded by S. Doty and S. Stony Island Avenues on the east; E. 106th, E. 108th and E. 111th Streets on the south; S. Cottage Grove and S. Indiana Avenues to the west; and E. 101st and E. 103rd Streets on the north. The RPA consists of 807 tax parcels on 38 blocks, and is located wholly within the City of Chicago. The RPA consists of improved parcels, with the exception of the 11.5-acre parcel located near the intersection of E. 104th Street and S. Maryland Avenue, west of the Chicago South Shore & South Bend Railroad spur.

Map 2 in Appendix 1 details the boundary of the North Pullman RPA, which includes only the contiguous real property that is expected to substantially benefit from the Redevelopment Plan and Project improvements discussed herein.

Map 4 in Appendix 1 depicts the boundaries of the Pullman Chicago Landmark District, portions of which are included within the RPA. Those portions of the Chicago Landmark district are bounded by E. 104th Street on the north, S. Maryland Avenue on the east, E. 106th Street on the south, and S. Corliss Avenue on the west, as well as those bounded roughly by E. 106th Street on the north, S. Langley Avenue on the east, E. 108th Street on the South, and S. Cottage Grove Avenue on the west.

The RPA also includes portions of the larger Pullman Historic District, listed on the National Register of Historic Places and also depicted in Map 4 in Appendix 1. The National Register

district is bounded by E. 103rd Street on the north, the Chicago South Shore & South Bend Railroad spur on the east, E. 115th Street on the south, and S. Cottage Grove Avenue on the west. Appendix 2 contains a legal description of the North Pullman RPA.

The Eligibility Study covers events and conditions that exist and that were determined to support the designation of the North Pullman RPA as a “conservation area” under the Act at the completion of our research on February 9, 2009 and not thereafter. Events or conditions, such as governmental actions and additional developments occurring after that date are excluded from the analysis. The improved parcels suffer from lack of growth and investment, deterioration, inadequate utilities, and excessive vacancies. In addition, many buildings show visible signs of disinvestment that include structural cracks, brick work in need of tuck pointing, sunken roofs and more. Without a comprehensive approach to address these issues, the RPA is not likely to see substantial private investment. The Redevelopment Plan and Project address these issues by providing the means to facilitate private development and rehabilitation, and the construction of public infrastructure.

These improvements will benefit all of the property within the RPA by alleviating conditions qualifying the RPA as a conservation area.

History of Community Area¹

The North Pullman RPA is located within two community areas on the South Side of the City of Chicago: Pullman and Roseland. The majority of the RPA is located with the Pullman Community Area, which is bounded roughly by E. 95th Street on the north; an irregular eastern boundary extending south from E. 96th Street to approximately E. 103rd Street along S. Stony Island Avenue, and then south to E. 115th Street along the Bishop Ford Expressway; E. 115th Street to the south; and S. Cottage Grove Avenue to the west. The western portion of the RPA lies in the Roseland Community Area. The history of each Community Area in which portions of the RPA is located is described below.

Pullman. The Pullman community originated as a planned industrial town, built by George Pullman, railroad car manufacturer, with plants, public facilities and 1,750 residential units for Pullman employees and their families. The housing stock consisted of primarily two-story, single-family row houses, and the community’s first residents settled in 1881.

In 1894, a workers’ strike caused by a decrease in wages that was not coupled with a decrease in rents for housing brought on several changes. Perhaps the most significant of these was that the charter of the Pullman Company no longer allowed it to own or manage a town, thus allowing workers to buy their own homes. Nevertheless, the community suffered and population decreased without the support of the Pullman Company. In the early 1900s, population started to decline as demand increased for less skilled workers.

¹ Information on the history of the Pullman and Roseland community areas was derived from the *Local Community Fact Book of Chicago Metropolitan Area 1990*, edited by the Chicago Fact Book Consortium (copyright 1995, Board of Trustees of the University of Illinois), and the *Encyclopedia of Chicago* (published in hard copy in 2004 by the Newberry Library and in electronic format in 2005 by the Chicago Historical Society). Additional information was obtained from the Illinois Historic Preservation Agency.

In the early 1900s Pullman was annexed as part of the City of Chicago. Between 1930 and 1960, most new residential development took place in the northern section between E. 95th and E. 99th Streets while homes in the original Pullman area began to show signs of deterioration. 1960 marked the beginning of large-scale migration of African-Americans into the neighborhood, with the area between E. 103rd and E. 111th Streets becoming one-fifth African-American by 1970.

In 1960, it was recommended that the area between E. 111th and E. 115th Streets be destroyed to make way for an industrial park. In response to these efforts, residents lobbied to keep the neighborhood intact and the community was designated a city, state and national historical landmark. In 1972 and 1993, the City of Chicago designated the Pullman District as a Chicago Landmark. The landmark district is roughly bounded by E. 104th, E. 115th, S. Cottage Grove and S. Langley Streets. And in 1973, the Historic Pullman Foundation was established to preserve and restore the neighborhood's architectural character.

Outside of the Pullman Chicago Landmark District, there are several buildings which have been identified as historically and architecturally significant in the Chicago Historic Resources Survey. Though they are not Chicago Landmarks or included in Landmark Districts, those buildings or structures ranked "orange" and "red" (the highest significance levels) in the Chicago Historic Resources Survey possess historical or architectural significance.

The Pullman Car Works shut down in 1981. In 1991, the Illinois Historic Preservation Agency ("IHPA") purchased the Clock Tower Administration Building, the Assembly Shops and the Hotel Florence with the intention of creating a museum highlighting the history of the community and the company. A fire in December of 1998 destroyed a significant portion of the Administration Building and Assembly Shops and delayed rehabilitation on the site. IHPA is developing a conceptual plan for the historical site so that it can be a cultural and tourist destination in the near future.

In July 2008, Ryerson, a metal distributor and processor, vacated the remaining portion of the Pullman Company site. The 165.5-acre site currently sits vacant.

Since its peak in 1970, Pullman's population has decreased by nearly 20 percent to 8,951 as of the 2000 U.S. Census. According to the 2000 Census, approximately 82 percent of residents are African-American, more than one-fifth live below the poverty line and 17 percent are unemployed.

Roseland. Having been mostly swampland, Roseland had its first settlers arrive in 1848. These settlers were from North Holland area of the Netherlands and were seeking land suitable for truck farming. In 1852, two railroads, the Illinois Central and the Rock Island, were laid through the area. By the late 1800s workers from the Pullman factory had also begun to move into the Roseland area. Although the surrounding area was becoming more and more industrial, Roseland maintained its agricultural and residential character.

During the 1920s, Roseland's population increased 53 percent with an influx of Lithuanians, Germans, Italians and African-Americans, and residential development increased. In the 1940s, population increased again, by 29 percent, with African-Americans being the driver of this growth.

The 1960s saw the beginning of disinvestment in the Roseland community as large numbers of businesses and industries, such as Sears, left the area. Decreased production at the Pullman factory negatively impacted the community as well, as some residents moved to the suburbs to follow jobs.

Since its peak in 1970, Roseland's population has decreased by nearly 24 percent to 52,724 as of the 2000 U.S. Census. According to the 2000 Census, approximately 98 percent of residents are African-American, more than one-fifth live below the poverty line and 17 percent are unemployed.

Existing Land Use

Based on *S. B. Friedman & Company's* research, nine land uses have been identified within the North Pullman RPA:

- Commercial;
- Residential;
- Mixed: Commercial and Residential;
- Industrial;
- Public/Institutional (including public facilities, religious institutions, and social services);
- Parks/Open space;
- Railroad/Rights-of-way;
- Vacant improved land; and
- Vacant unimproved land.

The existing land use pattern in the North Pullman RPA is shown in Map 3 in Appendix 1. This map represents the predominant land use in the area on a parcel-by-parcel basis. The land use displayed was the land use most apparent during field observation. The mixed-use designation is used for those parcels that contain two or more of the following land uses: residential, commercial, or public/institutional.

Overall, the area contains mainly commercial, residential, and mixed land uses. Commercial and mixed uses are concentrated along the western portion of 103rd Street. Residential uses are found throughout the RPA, primarily east of S. Cottage Grove Avenue. Light industrial uses are concentrated on the eastern portion of E. 103rd street, while public and institutional uses are dispersed throughout the RPA.

Commercial. Commercial and retail development is located primarily along E. 103rd Street, especially in the street's western section.

Residential. Residential uses are found throughout the RPA. Single-family row homes are the predominant building type. There are several multi-family rental apartment buildings that include two- and three-flats throughout the RPA, as well as a larger, 210-unit, project-based Section 8 development. Some residential units are also located on the upper floors of mixed-use buildings on E. 103rd Street. The RPA does not contain any condominium units.

Light Industrial. There are several light industrial uses located along E. 103rd Street near S. Woodlawn Avenue.

Public/Institutional. There are several public and/or institutional uses located in the RPA. These include numerous religious uses and several schools located throughout the RPA.

Parks/Open Space. The RPA contains one Chicago Park District park: Gately Park, located at the corner of S. Cottage Grove Avenue and E. 103rd Street.

Vacant Land. There are numerous vacant parcels of varying sizes distributed throughout the RPA. The largest of these is the 11.5-acre former Union Foundry site, located near E. 104th Street and S. Maryland Avenue west of the Chicago South Shore & South Bend Railroad spur.

Historically Significant Structures

The RPA includes a portion of the Pullman District, a designated Chicago Landmark district. This district includes those properties bounded by E. 104th Street on the north, S. Maryland Avenue on the east, E. 106th Street on the south, and S. Corliss Avenue on the west, as well as those bounded roughly by E. 106th Street on the north, S. Langley Avenue on the east, E. 108th Street on the south and S. Cottage Grove Avenue on the west.

In addition, the RPA also includes portions of the Pullman Historic District listed on the National Register of Historic Places. The National Register District is bounded by E. 103rd Street on the north, the Chicago South Shore & South bend Railroad spur on the east, E. 115th Street on the south and Cottage Grove Avenue on the west. The majority of the RPA (approximately 96% of the area) is included in this National Register District.

3. Eligibility Analysis

Provisions of the Illinois Tax Increment Allocation Redevelopment Act

Based upon the conditions found within the North Pullman RPA at the completion of *S. B. Friedman & Company's* research, it has been determined that the North Pullman RPA meets the eligibility requirements of the Act as a "conservation area." The following text outlines the provisions of the Act to establish eligibility.

Under the Act, two primary avenues exist to establish eligibility for an area to permit the use of tax increment financing for area redevelopment: declaring an area as a "blighted area" and/or a "conservation area."

"Blighted areas" are those improved or vacant areas with blighting influences that are impacting the public safety, health, morals, or welfare of the community, and are substantially impairing the growth of the tax base in the area. "Conservation areas" are those improved areas which are deteriorating and declining and may become blighted if the deterioration is not abated.

The statutory provisions of the Act specify how a district can be designated as a "conservation" and/or "blighted area" district based upon an evidentiary finding of certain eligibility factors listed in the Act. The eligibility factors for each designation are identical for improved property. A separate set of factors exists for the designation of vacant land as a "blighted area." There is no provision for designating vacant land as a conservation area.

Factors for Improved Property

For improved property to constitute a "blighted area," a combination of five or more of the following thirteen eligibility factors listed at 65 ILCS 5/11-74.4-3 (a) and (b) must meaningfully exist and be reasonably distributed throughout the RPA. "Conservation areas" must have a minimum of fifty percent (50%) of the total structures within the area aged 35 years or older, plus a combination of three or more of the 13 eligibility factors which are detrimental to the public safety, health, morals, or welfare and which could result in such an area becoming a blighted area.

Dilapidation. An advanced state of disrepair or neglect of necessary repairs to the primary structural components of buildings or improvements in such a combination that a documented building condition analysis determines that major repair is required or the defects are so serious and so extensive that the buildings must be removed.

Obsolescence. The condition or process of falling into disuse. Structures have become ill-suited for the original use.

Deterioration. With respect to buildings, defects including, but not limited to, major defects in the secondary building components such as doors, windows, porches, gutters and downspouts, and fascia. With respect to surface improvements, that the condition of roadways, alleys, curbs, gutters, sidewalks, off-street parking, and surface storage areas evidence deterioration including, but not limited to, surface cracking, crumbling, potholes, depressions, loose paving material, and weeds protruding through paved surfaces.

Presence of Structures Below Minimum Code Standards. All structures that do not meet the standards of zoning, subdivision, building, fire, and other governmental codes applicable to property, but not including housing and property maintenance codes.

Illegal Use of Individual Structures. The use of structures in violation of the applicable Federal, State, or local laws, exclusive of those applicable to the presence of structures below minimum code standards.

Excessive Vacancies. The presence of buildings that are unoccupied or under-utilized and that represent an adverse influence on the area because of the frequency, extent, or duration of the vacancies.

Lack of Ventilation, Light or Sanitary Facilities. The absence of adequate ventilation for light or air circulation in spaces or rooms without windows, or that require the removal of dust, odor, gas, smoke, or other noxious airborne materials. Inadequate natural light and ventilation means the absence of skylights or windows for interior spaces or rooms and improper window sizes and amounts by room area to window area ratios. Inadequate sanitary facilities refers to the absence or inadequacy of garbage storage and enclosure, bathroom facilities, hot water and kitchens, and structural inadequacies preventing ingress and egress to and from all rooms and units within a building.

Inadequate Utilities. Underground and overhead utilities such as storm sewers and storm drainage, sanitary sewers, water lines, and gas, telephone, and electrical services that are shown to be inadequate. Inadequate utilities are those that are: (i) of insufficient capacity to serve the uses in the redevelopment project area, (ii) deteriorated, antiquated, obsolete, or in disrepair, or (iii) lacking within the redevelopment project area.

Excessive Land Coverage and Overcrowding of Structures and Community Facilities. The over-intensive use of property and the crowding of buildings and accessory facilities onto a site. Examples of problem conditions warranting the designation of an area as one exhibiting excessive land coverage are: (i) the presence of buildings either improperly situated on parcels or located on parcels of inadequate size and shape in relation to present-day standards of development for health and safety and (ii) the presence of multiple buildings on a single parcel. For there to be a finding of excessive land coverage, these parcels must exhibit one or more of the following conditions: insufficient provision for light and air within or around buildings, increased threat of spread of fire due to the close proximity of buildings, lack of adequate or proper access to a public right-of-way, lack of reasonably required off-street parking, or inadequate provision for loading and service.

Deleterious Land Use or Layout. The existence of incompatible land use relationships, buildings occupied by inappropriate mixed uses, or uses considered to be noxious, offensive, or unsuitable for the surrounding area.

Environmental Contamination. The proposed redevelopment project area has incurred Illinois Environmental Protection Agency or United States Environmental Protection Agency remediation costs for, or a study conducted by an independent consultant recognized as having expertise in environmental remediation has determined a need for, the clean-up of hazardous waste, hazardous substances, or underground storage tanks required by State or Federal law, provided that the remediation costs constitute a material impediment to the development or redevelopment of the redevelopment project area.

Lack of Community Planning. The proposed redevelopment project area was developed prior to or without the benefit or guidance of a community plan. This means that the development occurred prior to the adoption by the municipality of a comprehensive or other community plan or that the plan was not followed at the time of the area's development. This factor must be documented by evidence of adverse or incompatible land use relationships, inadequate street layout, improper subdivision, parcels of inadequate shape and size to meet contemporary development standards, or other evidence demonstrating an absence of effective community planning.

Lack of Growth in Equalized Assessed Value. The total equalized assessed value of the proposed redevelopment project area has declined for three of the last five calendar years prior to the year in which the redevelopment project area is designated or is increasing at an annual rate that is less than the balance of the municipality for three of the last five calendar years for which information is available or is increasing at an annual rate that is less than the Consumer Price Index for All Urban Consumers published by the United States Department of Labor or successor agency for three of the last five calendar years prior to the year in which the redevelopment project area is designated.

Factors for Vacant Land

Under the provisions of the "blighted area" section of the Act, for vacant land to constitute a "blighted area," a combination of two or more of the following six factors must be identified as being present to a meaningful extent and reasonably distributed which act in combination to impact the sound growth in tax base for the proposed district.

Obsolete Platting of Vacant Land. Parcels of limited or narrow size or configurations of parcels of irregular size or shape that would be difficult to develop on a planned basis and in a manner compatible with contemporary standards and requirements, or platting that failed to create rights-of-ways for streets or alleys or that created inadequate right-of-way widths for streets, alleys, or other public rights-of-way or that omitted easements for public utilities.

Diversity of Ownership. Diversity of ownership is when adjacent properties are owned by multiple parties. When diversity of ownership of parcels of vacant land is sufficient in number to retard or impede the ability to assemble the land for development, this factor applies.

Tax and Special Assessment Delinquencies. Tax and special assessment delinquencies exist or the property has been the subject of tax sales under the Property Tax Code within the last five years.

Deterioration of Structures or Site Improvements in Neighboring Areas Adjacent to the Vacant Land. Evidence of structural deterioration and area disinvestment in blocks adjacent to the vacant land may substantiate why new development had not previously occurred on the vacant parcels.

Environmental Contamination. The area has incurred Illinois Environmental Protection Agency or United States Environmental Protection Agency remediation costs for, or a study conducted by an independent consultant recognized as having expertise in environmental remediation has determined a need for, the clean-up of hazardous waste, hazardous substances, or underground storage tanks required by State or Federal law, provided that the remediation costs constitute a material impediment to the development or redevelopment of the redevelopment project area.

Lack of Growth in Equalized Assessed Value. The total equalized assessed value of the proposed redevelopment project area has declined for three of the last five calendar years prior to the year in which the redevelopment project area is designated or is increasing at an annual rate

that is less than the balance of the municipality for three of the last five calendar years for which information is available or is increasing at an annual rate that is less than the Consumer Price Index for All Urban Consumers published by the United States Department of Labor or successor agency for three of the last five calendar years prior to the year in which the redevelopment project area is designated.

Additionally, under the "blighted area" section of the Act, eligibility may be established for those vacant areas that would have qualified as a blighted area immediately prior to becoming vacant. Under this test for establishing eligibility, building records may be reviewed to determine that a combination of five or more of the 13 "blighted area" eligibility factors for improved property listed above were present immediately prior to demolition of the area's structures.

The vacant "blighted area" section includes six other tests for establishing eligibility but none of these are relevant to the conditions within the North Pullman RPA.

Methodology Overview and Determination of Eligibility

Analysis of eligibility factors was done through research involving an extensive field survey of all property within the North Pullman RPA and a review of building and property records, environmental studies, and Illinois Environmental Protection Agency (IEPA) databases. Building and property records include building code violation citations, building permit data, assessor information, and information on the age and condition of sewer and water lines within the study area. Our survey of the area established that there are 292 primary structures and 807 tax parcels within the North Pullman RPA. Ancillary structures are excluded from this total. Ancillary structures might include sheds, detached garages, car ports, and other non-primary structures.

The North Pullman RPA was examined for qualification factors consistent with either the "blighted area" or "conservation area" requirements of the Act. Based upon these criteria, the North Pullman RPA qualifies for designation as a "conservation area" as defined by the Act, and a portion near the intersection of E. 104th Street and S. Maryland Avenue qualifies for designation as a "blighted area" as defined by the Act.

To arrive at this designation, *S. B. Friedman & Company* noted the number of eligibility factors present and analyzed the distribution of the eligibility factors on a building-by-building and/or parcel-by-parcel basis and on a block-by-block basis. When appropriate, *S. B. Friedman & Company* calculated the presence of eligibility factors on infrastructure and ancillary properties associated with the structures. The eligibility factors were correlated to buildings and/or parcels using structure-base maps, property files created from field observations, record searches, and field surveys. This information was then graphically plotted on a parcel map of the North Pullman RPA by block to establish the distribution of eligibility factors, and to determine which factors were present to a major extent.

Major factors are used to establish eligibility. These factors are present to a meaningful extent and reasonably distributed throughout the RPA. Minor factors are supporting factors present to a meaningful extent on some of the parcels or on a scattered basis. Their presence suggests that the area is at risk of experiencing more extensive deterioration and disinvestment.

To reasonably arrive at this designation, *S. B. Friedman & Company* documented the existence of qualifying eligibility factors and confirmed that a sufficient number of factors were present within the North Pullman RPA and reasonably distributed.

Although it may be concluded under the Act that the mere presence of the minimum number of the stated factors may be sufficient to make a finding of the RPA as a conservation area, this evaluation was made on the basis that the conservation area factors must be present to an extent that indicates that public intervention is appropriate or necessary.

Conservation Area Findings

As required by the Act, within a conservation area, at least fifty percent (50%) of the buildings must be 35 years of age or older, and at least three of the 13 eligibility factors must be found present to a major extent within the North Pullman RPA.

Establishing that at least 50 percent of the North Pullman RPA buildings are 35 years of age or older is a prerequisite to establishing the area as a conservation area under the Act. Based on information provided by the Cook County Assessor's office, we have established that 245 of the 292 buildings located within the North Pullman RPA (83.9 percent) are 35 years of age or older.

In addition to establishing that the North Pullman RPA meets the age requirement, our research has revealed that the following five factors are present to a major extent:

1. Lack of Growth in Equalized Assessed Value (EAV);
2. Deterioration;
3. Inadequate Utilities;
4. Environmental Contamination; and
5. Excessive Vacancies.

Based on the presence of these factors, the RPA exceeds the minimum requirements of a "conservation area" under the Act. In addition, the following three factors have been identified as minor supporting factors:

1. Presence of Structures Below Minimum Code Standards;
2. Deleterious Land Use and Layout; and
3. Excessive Land Coverage and Overcrowding of Structures and Community Facilities.

Overall, the growth in equalized assessed value of the RPA has fallen behind that of the balance of the City for three out of the last five years. All of the blocks within the RPA either contain deteriorated buildings or parking surfaces, or are served by deteriorated infrastructure, including cracked or crumbling sidewalks, deteriorated alleys, and deteriorated roadways. Half of the RPA is located on a block that exhibits excessive vacancies and over half of the RPA is subject to significant environmental contamination. One-third of the area within the RPA is located on blocks that are serviced by inadequate utilities, particularly sewer lines that are deficient relative to City standards and, therefore, overdue for repair/replacement. The high cost of upgrading these deteriorating and obsolete structures and infrastructure increases the likelihood that buildings

within the RPA will fall into disrepair or disuse. Excessive vacancies that negatively impact adjacent parcels and environmental contamination are additional factors that may cause the area to fall into physical and economic decline.

Maps 5A through 5F in Appendix 1 illustrate the presence and distribution of these eligibility factors on a block-by-block basis within the RPA. The following sections summarize our field research as it pertains to each of the identified eligibility factors found within the North Pullman RPA.

MAJOR FACTORS

1. Lack of Growth in Equalized Assessed Value

Total Equalized Assessed Value (EAV) is a measure of the value of property within the North Pullman RPA. During three of the previous five years, the total growth in EAV of the North Pullman RPA has not kept pace with that of the balance of the City of Chicago. This lack of growth in EAV is an indication that the RPA suffers from a lack of private investment as compared to the balance of the City of Chicago.

Table 2: Percent Change in Annual Equalized Assessed Value (EAV)

	Change in EAV 2002/2003	Change in EAV 2003/2004	Change in EAV 2004/2005	Change in EAV 2005/2006	Change in EAV 2006/2007
North Pullman Redevelopment Area	14.50%	11.00%	7.43%	36.43%	2.80%
City of Chicago (Balance)	17.21%	13.10%	7.29%	17.21%	1.95%

The percent change in EAV of the RPA was lower than that of the balance of the City of Chicago for three of the last five years. Therefore, the RPA as a whole qualifies for the Lack of Growth in EAV factor.

[1] EAV calculation does not include the former Union Foundry site, which is being considered for TIF eligibility under the vacant land designation.

* Qualifying periods are shaded.

2. Deterioration

This factor was given to those buildings (and corresponding parcels) where interior and/or exterior deterioration of buildings could be documented through surveys or interviews. Examples of the building deterioration observed in the field are deteriorated roofs, porches, and exterior doors and stairs; missing or deteriorating brick; and boarded windows.

Deterioration of public improvements is also evident throughout the North Pullman RPA. Many of the streets and sidewalks and nearly all of the alleys in the RPA exhibit deterioration. Parcels that are directly served by deteriorated infrastructure were deemed to exhibit the deterioration factor.

Deterioration was deemed to be present to a meaningful extent on a given block if 50 percent or more of its parcels exhibited at least one type of deterioration. One or both of these types of deterioration is present to meaningful extent on 32 of the 38 blocks within the study area. These 32 blocks encompass 99 percent of the study area. The remaining six blocks are all along the western portion of E. 103rd St. and are made up of only the areas that front E103rd St. Therefore, the combined area of the six blocks only makes up one percent of the North Pullman RPA.

3. Inadequate Utilities

The inadequate utilities factor was deemed to be present to a meaningful extent on a given block if 50 percent or more of its parcels exhibited the factor. A review of the City's water and sewer atlases found that 32 percent of the North Pullman RPA is located on blocks which are affected by inadequate utilities. This is due primarily to the number of antiquated sewer lines in the RPA, many of which were installed prior to 1908. These lines have surpassed their 100-year service lives and are in need of replacement or have been deemed inadequate by the City's water department.² There were also several locations in which the Department of Water Management indicated that relief sewers would be beneficial to the area.

4. Environmental Contamination

Environmental investigation reports completed by independent consultants found there to be significant environmental contamination on the block most recently occupied by Ryerson. This block alone comprises 45 percent of the RPA. The environmental factor was found to be applicable if the required expenditures for remediation to make land developable constituted a material impediment to redevelopment. This condition was found to be present on that block most recently occupied by Ryerson, a distributor and processor of metals. Total remediation costs for this block to make it suitable for residential and commercial development are estimated to be up to \$8 million.

Searches of the Illinois Environmental Protection Agency's Leaking Underground Storage Tank (LUST) program and Site Remediation Program (SRP) databases were also conducted to determine whether there were any environmental issues throughout the North Pullman RPA. In this case, the environmental contamination factor was deemed to be present to a meaningful extent on a given block if 50 percent of the block area either had an unresolved LUST incident or was active in SRP. Using these criteria, one additional block was found to exhibit environmental contamination as defined in the TIF statute.

5. Excessive Vacancy

The excessive vacancy factor was found to apply to blocks encompassing 49 percent of the RPA. There are several residential blocks, particularly along Langley and Maryland Avenues, that have vacant homes which are boarded up or have City notices on the doors. The presence of these vacant buildings shows disinvestment in the housing stock and also brings down the property

² The City of Chicago Department of Water Management defines the projected service life of water and sewer lines as 100 years.

values of surrounding occupied homes. In addition, the former Ryerson site, which encompasses 45 percent (167 acres) of the land area of the RPA, was vacated in July 2008. The presence of such a large vacant parcel has an adverse impact on the surrounding community due to uncertainty about future uses and the possibility that it could fall into disrepair.

MINOR SUPPORTING FACTORS

In addition to the factors previously documented as being present to a major extent in the North Pullman RPA, three additional factors are present to a minor extent. These additional factors suggest that the North Pullman RPA may face gradual decline through disinvestment. Left unchecked, these conditions could accelerate the decline of the community, and combined with those factors identified as major factors, could lead to more widespread and intensive commercial and residential disinvestment.

1. Presence of Structures Below Minimum Code Standards

Relying on data provided by the City's Department of Buildings, code violation citations were issued for 78 separate property addresses within the North Pullman RPA between January 2002 and January 2009. This continuing problem underscores the documented deterioration of buildings.

Structures below code standards indicate that a building is in a current state of non-compliance and could potentially fall into more severe disrepair. This eligibility factor was present to a meaningful extent on blocks encompassing 33 percent of the area of the RPA.

2. Deleterious Land Use and Layout

Deleterious land use was found to negatively impact one block in the North Pullman RPA. The eastern half of the block bounded by E. 107th and E. 108th Streets to the north and south and S. Champlain and S. Langley Avenues to the west and east, is located directly across from several industrial uses (which are not included in the RPA). Due to the industrial uses adjacent to this block, there is heavy truck traffic that runs north up S. Langley from E. 111th and the expressway. The presence of such traffic results in noise and dust that adversely impacts residents on this block.

3. Excessive Land Coverage and Overcrowding of Structures and Community Facilities

Excessive land coverage and overcrowding of structures and community facilities was found to be present on one block in the North Pullman RPA. This block, located on the south side of 103rd Street between Cottage Grove and Woodlawn Avenues, contains a mix of institutional and industrial uses. The latter uses exhibit a lack of reasonably required off-street parking and, as demonstrated by parked vehicles which encroach onto sidewalks and the public right-of-way, and by inadequate provision for loading and service.

Blighted Area Findings

As required by the Act, two of the vacant land eligibility factors must be found present to a major extent on the vacant portion of the North Pullman RPA. A portion of the RPA, also known as the former Union Foundry site, is being considered for eligibility under these factors due to the lack of improvements on the land. Research conducted by *S. B. Friedman & Company* has revealed that the following three factors are present to a major extent:

1. Environmental Contamination;
2. Deterioration of Structures or Site Improvements in Neighboring Areas Adjacent to the Vacant Land; and
3. Obsolete Platting.

Based on the presence of these factors, the former Union Foundry site within the RPA exceeds the minimum requirements of a "blighted area" under the Act. Maps 6A through 6C in Appendix 1 illustrate the presence of these eligibility factors.

1. Environmental Contamination

The environmental factor was found to be applicable if the required expenditures for remediation to make land developable constitute a material impediment to redevelopment. The former Union Foundry site was later used for equipment storage by Pullman and manufacturing and/or warehousing by others. The buildings on the property were razed around 1984. Soil analysis identified several contaminants including lead and arsenic. It is estimated that in order for the site to be suitable for residential use up to \$2.6 million must be spent on remediation. Such costs constitute a material impediment to the redevelopment of the site.

2. Deterioration of Structures or Site Improvements in Neighboring Areas Adjacent to the Vacant Land

As detailed in the previous section, there is evidence of structural deterioration and area disinvestment in blocks adjacent to the vacant land. Immediately adjacent to the former Union Foundry site are the former Ryerson site and Wheelworks Apartments, a project-based Section 8 residential development. Both Ryerson and Wheelworks were found to have significant structural deterioration. The adjacent residential blocks to the east and the block to the north that have public institution and industrial uses also exhibit deterioration.

3. Obsolete Platting

Aerials of the site, in addition to field observations, show that the site has insufficient access to public right of way. The property is bounded on two sides by private property and on a third side by the Chicago South Shore & South Bend Railroad spur. The site's only access to public right of way is from E. 104th Street, which dead ends at the northeast corner of the 11.5-acre parcel. Such limited access to public right of way constitutes a material impediment to redevelopment of the site. In addition, the site's highly irregular shape is not consistent with platting in the City of Chicago, and the southern portion of the site is of a shape and depth that would inhibit development.

4. Redevelopment Plan & Project

Redevelopment Needs of the North Pullman RPA

The existing land use pattern and conditions in the North Pullman RPA suggest four redevelopment needs for the area:

1. Infrastructure improvements, streetscaping, and buffering/screening between land uses;
2. Resources for commercial, residential, and mixed-use development and rehabilitation;
3. Property assembly, demolition, and site preparation; and
4. Job training and day care assistance.

The Redevelopment Plan and Project identifies tools the City will use to guide redevelopment in the North Pullman RPA to create, promote, and sustain a vibrant, sustainable mixed-use community.

The goals, objectives, and strategies discussed below have been developed to address these needs and to facilitate the sustainable redevelopment of the North Pullman RPA. The proposed public improvements outlined in the Redevelopment Plan and Project will help to create an environment conducive to private investment and redevelopment within the North Pullman RPA. To support specific projects and encourage future investment in the RPA, public resources, including tax increment financing, may be used to rehabilitate older buildings, improve or repair RPA public facilities and/or infrastructure, and provide streetscape improvements. In addition, tax increment financing may be used to subsidize developer interest costs related to redevelopment projects.

Goals, Objectives, and Strategies

Goals, objectives, and strategies are designed to address the need for redevelopment within the overall framework of the Redevelopment Plan and Project for the use of anticipated tax increment funds generated within the North Pullman RPA.

Goal. The overall goal of the Redevelopment Plan is to reduce or eliminate the conditions that qualify the North Pullman RPA as a conservation area, and thus to secure the RPA's future as a cohesive and vibrant mixed-use area that provides a broad range of both housing opportunities and commercial/retail uses, while accommodating public and institutional uses where appropriate. This goal is to be achieved through an integrated and comprehensive strategy that leverages public resources to stimulate private investment in rehabilitation of existing structures, as well as new development.

Objectives. Fifteen broad objectives support the overall goal of area-wide revitalization of the North Pullman RPA. These include:

1. Provide resources for the rehabilitation and modernization of existing structures and the reuse and rehabilitation of architecturally and historically significant structures, especially

those structures within the designated Pullman Chicago Landmark District and the Pullman Historic District listed on the National Register of Historic Places, and any structures ranked "orange" or "red" (the highest significance levels) in the Chicago Historic Resources Survey;

2. Facilitate residential development and redevelopment that will accommodate current and future residents of the RPA, including affordable housing and a variety of housing tenure (ownership versus rental);
3. Facilitate redevelopment of vacant or under-utilized industrial properties and the transition of such properties to land uses which are more in keeping with the character of the existing North Pullman community;
4. Provide resources for environmental remediation on former industrial properties to allow for the transition of such properties to land uses which are more in keeping with the character of the existing North Pullman community;
5. Encourage high-quality retail development that promotes a lively pedestrian environment, incorporates enhanced plazas and green spaces, provides sufficient off-street parking, and adequately serves households residing in the area;
6. Improve the quality of existing open space, plazas, and streetscape elements to provide the community with safe, attractive public gathering spaces;
7. Provide resources for the sustainable rehabilitation of existing residential buildings;
8. Improve public transit facilities within the RPA;
9. Provide resources for creation and/or improvement of community facilities to offer health/wellness, education, social support, and job training opportunities for RPA residents;
10. Improve vehicular circulation throughout the RPA through improvements to streets, alleys and loading areas;
11. Promote commercial and residential development and redevelopment that is "transit-oriented" in nature and reflects site design and mixes of uses that promote transit ridership and accessibility;
12. Replace or repair public infrastructure where needed, including streets, sidewalks, curbs, gutters, underground water and sanitary systems, alleys, bridges, and viaducts;
13. Provide opportunities for women-owned, minority-owned, and locally owned businesses to share in job opportunities associated with the redevelopment of the North Pullman RPA, particularly in the design and construction industries;

14. Support job training and welfare to work programs and increase employment opportunities for City residents; and
15. Provide daycare assistance to support employees of local businesses.

Strategies. These objectives will be implemented through four specific and integrated strategies. These include:

1. **Implement Public Improvements.** A series of public improvements throughout the North Pullman RPA may be designed and implemented to build upon and improve the character of the area, and to create a more conducive environment for private development. Public improvements that are implemented with TIF assistance are intended to complement and not replace existing funding sources for public improvements in the RPA.

These improvements may include improvement of new streets, streetscaping, street and sidewalk lighting, alleyways, underground water and sewer infrastructure, parks or open space, and other public improvements consistent with the Redevelopment Plan and Project. These public improvements may be completed pursuant to redevelopment agreements with private entities or intergovernmental agreements with other public entities, and may include the construction, rehabilitation, renovation, or restoration of public improvements on one or more parcels.

2. **Encourage Private Sector Activities and Support Rehabilitation of Existing Buildings.** Through the creation and support of public-private partnerships, or through written agreements, the City may provide financial and other assistance to encourage the private sector to undertake rehabilitation and redevelopment projects and other improvements, in addition to programming such as job training and retraining, that are consistent with the goals of this Redevelopment Plan and Project.

The City may enter into redevelopment agreements or intergovernmental agreements with private or public entities to construct, rehabilitate, renovate, or restore private or public improvements on one or several parcels (collectively referred to as "Redevelopment Projects"). The City may also provide financial assistance to local property owners through programs such as the TIF Neighborhood Improvement Program.

The City requires developers who receive TIF assistance for market-rate housing to set aside twenty percent (20 percent) of the units to meet affordability criteria established by the City's Department of Community Development or any successor agency. Generally, this means that affordable for-sale housing units should be priced at a level that is affordable to persons earning no more than one hundred percent (100 percent) of the area median income, and affordable rental units should be affordable to persons earning no more than sixty percent (60 percent) of the area median income. TIF funds can also be used to pay for up to fifty percent (50 percent) of the cost of construction or up to seventy-five percent (75 percent) of interest costs for new housing units to be occupied by low-income and very low-income households as defined in Section 3 of the Illinois Affordable Housing Act.

Any development that receives TIF assistance must also meet the City's Sustainable Development Policy requirements, as set forth by the Department of Community Development. These policies promote sustainable building practices and involve environmentally responsible design, construction and maintenance techniques that are available for and may apply to both new and existing structures.

3. **Develop Vacant and Underutilized Sites.** The redevelopment of vacant and underutilized properties within the North Pullman RPA is expected to stimulate private investment and increase the overall taxable value of properties within the RPA. Development of vacant and/or underutilized sites is anticipated to have a positive impact on other properties beyond the individual project sites.
4. **Facilitate Property Assembly, Demolition, and Site Preparation.** Financial assistance may be provided to private developers seeking to acquire land, and to assemble and prepare sites in order to undertake projects in support of this Redevelopment Plan and Project.

To meet the goals of this Redevelopment Plan and Project, the City may acquire and assemble property throughout the RPA. Land assemblage by the City may be by purchase, exchange, donation, lease, eminent domain, through the Tax Reactivation Program, or other programs and may be for the purpose of (a) sale, lease, or conveyance to private developers, or (b) sale, lease, conveyance, or dedication for the construction of public improvements or facilities. Furthermore, the City may require written redevelopment agreements with developers before acquiring any properties. As appropriate, the City may devote acquired property to temporary uses until such property is scheduled for disposition and development.

In connection with the City exercising its power to acquire real property, including the exercise of the power of eminent domain, under the Act in implementing the Plan, the City will follow its customary procedures of having each such acquisition recommended by the Community Development Commission (or any successor commission) and authorized by the City Council of the City. Acquisition of such real property as may be authorized by the City Council does not constitute a change in the nature of this Plan. Site preparation may include such preparatory work as demolition of existing improvements and environmental remediation, where appropriate.

Demolition of any structure within the designated Chicago Landmark Pullman District must be reviewed by the Commission on Chicago Landmarks and approved by City Council. Structures outside of the Chicago Landmark Pullman District which are ranked "orange" or "red" in the Chicago Historic Resources Survey are subject to the 90-Day Demolition-Delay Ordinance.

These activities are representative of the types of projects contemplated to be undertaken during the life of the North Pullman RPA. Market forces are critical to the completion of these projects. Phasing of projects will depend on the interests and resources of both public and private sector parties. Not all projects will necessarily be undertaken. Furthermore, additional projects may be identified throughout the life of the North Pullman RPA. To the extent that these projects meet the goals, objectives, and strategies of this Redevelopment Plan and Project and the requirements of the Act and budget outlined in the next section, these projects may be considered for tax increment funding.

Proposed Future Land Use

The proposed future land use of the North Pullman RPA reflects the objectives of the Redevelopment Plan and Project, which are to provide resources for the rehabilitation of existing structures, facilitate diverse new residential and retail development, upgrade public infrastructure, and enhance the quality of community and open space resources within the RPA.

The proposed future land use for the study area is as a mixed-use (residential, retail/commercial, and public/institutional) district, as shown on Map 7 in Appendix 1. This proposed future land use is consistent with not only the historical land use patterns and current redevelopment trends in and around the RPA, but also the need to serve the community with modern facilities of the types noted above. The proposed future land use within the RPA includes a range of residential and retail/commercial uses; residential units above retail and commercial uses; and educational, civic, and institutional uses. The proposed future land uses shown on Map 7 are the predominant uses and are not exclusive of any other uses.

Assessment of Housing Impact

As set forth in the Act, if the redevelopment plan for a redevelopment project area would result in the displacement of residents from 10 or more inhabited residential units, or if the redevelopment project area contains 75 or more inhabited residential units and a municipality is unable to certify that no displacement will occur, the municipality must prepare a Housing Impact Study and incorporate the study in the redevelopment project plan.

The RPA contains an estimated 798 inhabited residential units. Since the redevelopment project area contains more than 75 units, a Housing Impact Study is required by the Act and was prepared by *S. B. Friedman & Company*. The results of the Housing Impact Study are described in a separate report which presents certain factual information required by the Act. The report is entitled "*North Pullman Redevelopment Project Area Tax Increment Finance District Housing Impact Study*," and is attached as Appendix 3 to this Plan.

5. Financial Plan

Eligible Costs

The various redevelopment expenditures that are eligible for payment or reimbursement under the Act are reviewed below. Following this review is a list of estimated redevelopment project costs that are deemed to be necessary to implement this Redevelopment Plan and Project (the "Redevelopment Project Costs").

Redevelopment Project Costs include the sum total of all reasonable or necessary costs incurred, estimated to be incurred, or incidental to this Plan pursuant to the Act. Such costs may include, without limitation, the following:

1. Costs of studies, surveys, development of plans and specifications, and implementation and administration of the Redevelopment Plan and Project including but not limited to, staff and professional service costs for architectural, engineering, legal, financial, planning or other services (excluding lobbying expenses), provided that no charges for professional services are based on a percentage of the tax increment collected;
2. The costs of marketing sites within the RPA to prospective businesses, developers, and investors;
3. Property assembly costs, including but not limited to, acquisition of land and other property, real or personal, or rights or interests therein, demolition of buildings, site preparation, site improvements that serve as an engineered barrier addressing ground-level or below-ground environmental contamination, including, but not limited to parking lots and other concrete or asphalt barriers, and the clearing and grading of land;
4. Costs of rehabilitation, reconstruction, or repair or remodeling of existing public or private buildings, fixtures, and leasehold improvements; and the costs of replacing an existing public building if pursuant to the implementation of a redevelopment project the existing public building is to be demolished to use the site for private investment or devoted to a different use requiring private investment;
5. Costs of the construction of public works or improvements subject to the limitations in Section 11-74.4-3(q)(4) of the Act;
6. Costs of job training and retraining projects including the costs of "welfare to work" programs implemented by businesses located within the RPA and such proposals feature a community-based training program which ensures maximum reasonable opportunities for residents of the Pullman and Roseland community areas, with particular attention to the needs of those residents who have previously experienced inadequate employment opportunities and development of job-related skills including residents of public and other subsidized housing and people with disabilities;
7. Financing costs, including but not limited to, all necessary and incidental expenses related to the issuance of obligations and which may include payment of interest on any obligations issued thereunder including interest accruing during the estimated period of construction of any redevelopment project for which such obligations are issued and for a period not exceeding 36 months following completion and including reasonable reserves related thereto;
8. To the extent the City by written agreement accepts and approves the same, all or a portion of a taxing district's capital costs resulting from the redevelopment project necessarily incurred or to be incurred within a taxing district in furtherance of the objectives of the Redevelopment Plan and Project;
9. Relocation costs to the extent that the City determines that relocation costs shall be paid or is required to make payment of relocation costs by federal or state law, or by Section 74.4-3(n)(7) of the Act;

10. Payment in lieu of taxes, as defined in the Act;
11. Costs of job training, retraining, advanced vocational education or career education, including but not limited to, courses in occupational, semi-technical, or technical fields leading directly to employment, incurred by one or more taxing districts, provided that such costs (i) are related to the establishment and maintenance of additional job training, advanced vocational education, or career education programs for persons employed or to be employed by employers located in the RPA; and (ii) when incurred by a taxing district or taxing districts other than the City, are set forth in a written agreement by or among the City and the taxing district or taxing districts, which agreement describes the program to be undertaken including but not limited to, the number of employees to be trained, a description of the training and services to be provided, the number and type of positions available or to be available, itemized costs of the program, and sources of funds to pay for the same, and the term of the agreement. Such costs include, specifically, the payment by community college districts of costs pursuant to Sections 3-37, 3-38, 3-40, and 3-40.1 of the Public Community College Act, 110 ILCS 805/3-37, 805/3-38, 805/3-40 and 805/3-40.1, and by school districts of costs pursuant to Sections 10-22.20a and 10-23.3a of the School Code, 105 ILCS 5/10-22.20a and 5/10-23.3a;
12. Interest costs incurred by a redeveloper related to the construction, renovation, or rehabilitation of a redevelopment project provided that:
 - a. Such costs are to be paid directly from the special tax allocation fund established pursuant to the Act;
 - b. Such payments in any one year may not exceed thirty percent (30%) of the annual interest costs incurred by the redeveloper with regard to the development project during that year;
 - c. If there are not sufficient funds available in the special tax allocation fund to make the payment pursuant to this provision, then the amounts so due shall accrue and be payable when sufficient funds are available in the special tax allocation fund;
 - d. The total of such interest payments paid pursuant to the Act may not exceed thirty percent (30%) of the total: (i) cost paid or incurred by the redeveloper for the redevelopment project; and/or (ii) redevelopment project costs excluding any property assembly costs and any relocation costs incurred by the City pursuant to the Act;
 - e. For the financing of rehabilitated or new housing for low-income households and very low-income households, as defined in Section 3 of the Illinois Affordable Housing Act, the percentage of seventy-five percent (75%) shall be substituted for thirty percent (30%) in subparagraphs 12b and 12d above;

13. Unless explicitly provided in the Act, the cost of construction of new, privately owned buildings shall not be an eligible redevelopment project cost;
14. An elementary, secondary, or unit school district's increased costs attributable to assisted housing units will be reimbursed as provided in the Act;
15. Instead of the eligible costs provided for in 12b, 12d, and 12e above, the City may pay up to 50 percent of the cost of construction, renovation, and/or rehabilitation of all low- and very low-income housing units (for ownership or rental) as defined in Section 3 of the Illinois Affordable Housing Act. If the units are part of a residential redevelopment project that includes units not affordable to low- and very low-income households, only the low- and very low-income units shall be eligible for benefits under the Act; and
16. The costs of daycare services for children of employees from low-income families working for businesses located within the RPA and all or a portion of the cost of operation of day care centers established by RPA businesses to serve employees from low-income families working in businesses located in the RPA. For the purposes of this paragraph, "low-income families" means families whose annual income does not exceed eighty percent (80%) of the City, county, or regional median income as determined from time to time by the United States Department of Housing and Urban Development.

If a special service area has been established pursuant to the Special Service Area Tax Act, 35 ILCS 235/0.01 et seq., then any tax increment revenues derived from the tax imposed pursuant to the Special Service Area Tax Act may be used within the RPA for the purposes permitted by the Special Service Area Tax Act, as well as the purposes permitted by the Act.

Part of the E. 103rd St. Roseland Special Service Area (SSA #41) is currently located within the RPA.

Estimated Redevelopment Project Costs

The estimated eligible costs that are deemed to be necessary to implement this Redevelopment Plan and Project are shown in Table 3. The total eligible cost provides an upper limit on expenditures that are to be funded using tax increment revenues, exclusive of capitalized interest, issuance costs, interest, and other financing costs. Within this limit, adjustments may be made in line items without amendment to this Plan, to the extent permitted by the Act. Additional funding in the form of state, federal, county, or local grants, private developer contributions, and other outside sources may be pursued by the City as a means of financing improvements and facilities which are of benefit to the general community.

Table 3: Estimated Redevelopment Project Costs (1)

Eligible Expenses	Estimated Project Costs
Property Assembly (including environmental remediation, site preparation, demolition, and acquisition (2))	\$24,000,000
Rehabilitation of Existing Buildings, Fixtures, and Leasehold Improvements	\$5,000,000
Eligible Construction Costs (Affordable Housing Construction Costs)	\$5,000,000
Relocation Costs	\$500,000
Public Works or Improvements (including streets and utilities, parks and open space, public facilities (schools & other public facilities)) (3)	\$58,500,000
Job Training, Retraining, Welfare-to-Work	\$1,000,000
Professional Services (including analysis, administration, studies, surveys, legal, marketing, etc.)	\$2,000,000
Interest Costs	\$1,000,000
Day Care Services	\$1,000,000
TOTAL REDEVELOPMENT COSTS (4), (5), (6), (7)	\$98,000,000

(1) Over the entire 23 year life of the TIF.

(2) Property acquisitions are not planned at this time. Any property acquisitions by the City will conform to the requirements stated on page 25 of this Redevelopment Plan.

(3) This category may also include paying for or reimbursing: (i) an elementary, secondary, or unit school district's increased costs attributed to assisted housing units, and (ii) capital costs of taxing districts impacted by the redevelopment of the RPA. As permitted by the Act, to the extent the City by written agreement accepts and approves the same, the City may pay or reimburse all or a portion of, a taxing district's capital costs resulting from a redevelopment project necessarily incurred or to be incurred within a taxing district in furtherance of the objectives of the Plan.

(4) Total Redevelopment Project Costs exclude any additional financing costs, including any interest expense, capitalized interest, costs of issuance, and costs associated with optional redemptions. These costs are subject to prevailing market conditions and are in addition to Total Redevelopment Project Costs.

(5) The amount of the Total Redevelopment Project Costs that can be incurred in the RPA will be reduced by the amount of redevelopment project costs incurred in contiguous RPAs, or those separated from the RPA only by a public right-of-way, that are permitted under the Act to be paid, and are paid, from incremental property taxes generated in the RPA, but will not be reduced by the amount of redevelopment project costs incurred in the RPA which are paid from incremental property taxes generated in contiguous RPAs or those separated from the RPA only by a public right-of-way.

(6) All costs are in 2009 dollars and may be increased by five percent (5%) after adjusting for annual inflation reflected in the Consumer Price Index (CPI) for All Urban Consumers for All Items for the Chicago-Gary-Kenosha, IL-IN-WI CMSA, published by the U. S. Department of Labor. In addition to the above stated costs, each issue of obligations issued to finance a phase of the Redevelopment Plan and Project may include an amount of proceeds sufficient to pay customary and reasonable charges associated with the issuance of such obligations, including interest costs.

(7) Additional funding from other sources such as federal, state, county, or local grant funds may be utilized to supplement the City's ability to finance Redevelopment Project Costs identified above.

Adjustments to the estimated line item costs in Table 3 are anticipated, and may be made by the City without amendment to the Redevelopment Plan and Project to the extent permitted by the Act. Each individual project cost will be re-evaluated in light of projected private development and resulting incremental tax revenues as it is considered for public financing under the provisions of the Act. The totals of line items set forth above are not intended to place a limit on the described expenditures. Adjustments may be made in line items within the total, either increasing or decreasing line item costs as a result of changed redevelopment costs and needs.

In the event the Act is amended after the date of the approval of this Redevelopment Plan and Project by the City Council of Chicago to (a) include new eligible redevelopment project costs, or (b) expand the scope or increase the amount of existing eligible redevelopment project costs (such as, for example, by increasing the amount of incurred interest costs that may be paid under 65 ILCS 5/11-74.4-3(q)(11)), this Redevelopment Plan and Project shall be deemed to incorporate such additional, expanded, or increased eligible costs as eligible costs under the Redevelopment Plan and Project, to the extent permitted by the Act. In the event of such amendment(s), the City may add any new eligible redevelopment project costs as a line item in Table 3, or otherwise adjust the line items in Table 3 without amendment to this Redevelopment Plan and Project, to the extent permitted by the Act. In no instance, however, shall such additions or adjustments result in any increase in the total redevelopment project costs without a further amendment to this Redevelopment Plan and Project.

Phasing and Scheduling of the Redevelopment

Each private project within the North Pullman RPA shall be governed by the terms of a written redevelopment agreement entered into by a designated developer and the City and approved by the City Council. Where tax increment funds are used to pay eligible redevelopment project costs, to the extent funds are available for such purposes, expenditures by the City shall be coordinated to coincide on a reasonable basis with the actual redevelopment expenditures of the developer(s).

The Redevelopment Plan and Project shall be completed, and all obligations issued to finance redevelopment costs shall be retired, no later than December 31st of the year in which the payment to the City treasurer as provided in the Act is to be made with respect to ad valorem taxes levied in the twenty-third calendar year following the year in which the ordinance approving this Redevelopment Plan and Project is adopted (by December 31, 2033, if the ordinances establishing the RPA are adopted during 2009).

Sources of Funds to Pay Costs

Funds necessary to pay for Redevelopment Project Costs and secure municipal obligations issued for such costs are to be derived primarily from Incremental Property Taxes. Other sources of funds which may be used to pay for Redevelopment Project Costs or secure municipal obligations include land disposition proceeds, state and federal grants, investment income, private financing, and other legally permissible funds the City may deem appropriate. The City may incur redevelopment project costs which are paid for from funds of the City other than incremental taxes, and the City may then be reimbursed for such costs from incremental taxes. Also, the City may permit the utilization of guarantees, deposits, and other forms of security made available by private

sector developers. Additionally, the City may utilize revenues, other than State sales tax increment revenues, received under the Act from one redevelopment project area for eligible costs in another redevelopment project area that is either contiguous to, or is separated only by a public right-of-way from, the redevelopment project area from which the revenues are received.

The North Pullman RPA is contiguous to or separated by only a public right-of-way from the Lake Calumet Industrial Corridor RPA, the Roseland/Michigan RPA, and the Stony Island/Burnside RPA (**Map 1**) and may in the future be contiguous to or be separated only by a public right-of-way from other redevelopment areas created under the Act. The City may utilize net incremental property taxes received from the North Pullman RPA to pay eligible redevelopment project costs, or obligations issued to pay such costs, in other contiguous redevelopment project areas or project areas separated only by a public right-of-way, and vice versa. The amount of revenue from the RPA, made available to support such contiguous redevelopment project areas, or those separated only by a public right-of-way, when added to all amounts used to pay eligible Redevelopment Project Costs within the RPA, shall not at any time exceed the total Redevelopment Project Costs described in this Plan.

The North Pullman RPA may become contiguous to, or be separated only by a public right-of-way from, redevelopment project areas created under the Industrial Jobs Recovery Law (65 ILCS 5/11-74.6-1, *et seq.*). If the City finds that the goals, objectives, and financial success of such contiguous redevelopment project areas or those separated only by a public right-of-way are interdependent with those of the RPA, the City may determine that it is in the best interests of the City and the furtherance of the purposes of the Plan that net revenues from the RPA be made available to support any such redevelopment project areas, and vice versa. The City therefore proposes to utilize net incremental revenues received from the RPA to pay eligible redevelopment project costs (which are eligible under the Industrial Jobs Recovery Law referred to above) in any such areas and vice versa. Such revenues may be transferred or loaned between the RPA and such areas. The amount of revenue from the RPA so made available, when added to all amounts used to pay eligible Redevelopment Project Costs within the RPA or other areas as described in the preceding paragraph, shall not at any time exceed the total Redevelopment Project Costs described in Table 3 of this Plan.

If necessary, the redevelopment plans for other contiguous redevelopment project areas that may be or already have been created under the Act may be drafted or amended as applicable to add appropriate and parallel language to allow for sharing of revenues between such districts.

Issuance of Obligations

To finance project costs, the City may issue bonds or obligations secured by Incremental Property Taxes generated within the North Pullman RPA pursuant to Section 11-74.4-7 of the Act. To enhance the security of a municipal obligation, the City may pledge its full faith and credit through the issuance of general obligations bonds. In addition, the City may provide other legally permissible credit enhancements to any obligations issued pursuant to the Act.

All obligations issued by the City pursuant to this Eligibility Study and Redevelopment Plan and the Act shall be retired within the timeframe described under "Phasing and Scheduling of the

Redevelopment” above. Also, the final maturity date of any such obligations which are issued may not be later than 20 years from their respective dates of issue. One or more of a series of obligations may be sold at one or more times in order to implement this Eligibility Study and Redevelopment Plan. Obligations may be issued on a parity or subordinated basis.

In addition to paying Redevelopment Project Costs, Incremental Property Taxes may be used for the scheduled retirement of obligations, mandatory or optional redemptions, establishment of debt service reserves, and bond sinking funds. To the extent that Incremental Property Taxes are not needed for these purposes, and are not otherwise required, pledged, earmarked, or otherwise designated for the payment of Redevelopment Project Costs, any excess Incremental Property Taxes shall then become available for distribution annually to taxing districts having jurisdiction over the RPA in the manner provided by the Act.

Most Recent Equalized Assessed Valuation of Properties in the Redevelopment Project Area

The purpose of identifying the most recent equalized assessed valuation (“EAV”) of the North Pullman RPA is to provide an estimate of the initial EAV which the Cook County Clerk will certify for the purpose of annually calculating the incremental EAV and incremental property taxes of the North Pullman RPA. The 2007 EAV of the 807 parcels in the Project Area is approximately \$49,902,175. This total EAV amount, by PIN, is summarized in Appendix 3. The EAV is subject to verification by the Cook County Clerk. After verification, the final figure shall be certified by the Cook County Clerk, and shall become the Certified Initial EAV from which all incremental property taxes in the Project Area will be calculated by Cook County. The Plan has utilized the EAVs for the 2007 tax year. If the 2008 EAV shall become available prior to the date of the adoption of the Plan by the City Council, the City may update the Plan by replacing the 2007 EAV with the 2008 EAV.

Anticipated Equalized Assessed Valuation

By 2032, the EAV for the North Pullman RPA is projected to be approximately \$200 million. This estimate is based on several key assumptions, including: 1) an inflation factor of two-and-one-half percent (2.5 percent) per year on the EAV of all properties within the North Pullman RPA, with its cumulative impact occurring in each triennial reassessment year; and 2) an equalization factor of 2.8439 (2007 equalization factor) throughout the life of the RPA. In addition, this estimate contemplates the redevelopment of certain key sites within the RPA, including the former Ryerson site.

6. Required Findings and Tests

Lack of Growth and Private Investment

The City is required under the Act to evaluate whether or not the RPA has been subject to growth and private investment and must substantiate a finding of lack of such investment prior to establishing a tax increment financing district. To investigate a lack of growth and private

investment within the North Pullman RPA, *S. B. Friedman & Company* obtained and analyzed data for all building permits issued within the RPA between 2002 and 2008. This data was provided by the Department of Buildings. In addition, tax assessment data provided by the Cook County Assessor was analyzed for both the RPA and the City of Chicago.

As discussed in the Eligibility Study above, the Equalized Assessed Value (EAV) of the North Pullman RPA has not kept pace with that of the balance of the City of Chicago for three of the previous five years for which data is available (2002-2007). During this time period, the EAV of the RPA grew at a compound annual growth rate of 7.64 percent; this rate of growth is 2.18 percent lower than the compound annual growth rate for the balance of the City, which was 9.82 percent. This suggests that private investment in the RPA has been limited relative to the rest of the City of Chicago.

The value of building permits issued for the North Pullman RPA between January 2002 and January 2009 totaled approximately \$8.3 million, or less than one percent of the total assessor's market value for the RPA per year. This rate of investment is very low when compared to the overall value of private property within the RPA, which is currently estimated to exceed \$160 million, based on assessments made by the Cook County Assessor.

In addition, a large proportion of construction activity within the RPA has been driven by the public and non-profit sectors. Publicly funded construction activity at schools within the RPA accounted for approximately \$3.5 million of those permits, or 42 percent of the total. The Pullman Presbyterian Church on East 103rd Street accounted for a further \$1.2 million of construction activity, or an additional 11 percent of the value of permits issued within the RPA. The total value of privately financed construction activity within the RPA is therefore estimated to be \$3.5 million over a seven-year period. This level of investment is equivalent to only 0.3 percent of the total assessor's market value for the RPA per year, and is insufficient to maintain existing properties or to ameliorate the conditions which qualify the North Pullman RPA for designation as a conservation area.

Finding: The Redevelopment Project Area (North Pullman RPA) on the whole has not been subject to growth and development through investment by private enterprise and would not reasonably be anticipated to be developed without the adoption of the Redevelopment Plan and Project.

Conformance to the Plans of the City

The North Pullman Redevelopment Plan and Project must conform to the comprehensive plan for the City, conform to the strategic economic development plans, or include land uses that have been approved by the Chicago Plan Commission.

The proposed land uses described in this Redevelopment Plan and Project will be approved by the Chicago Plan Commission prior to its adoption by the City Council.

Dates of Completion

The dates of completion of the project and retirement of obligations are described under "Phasing and Scheduling of the Redevelopment" in Section 5, above.

Financial Impact of the Redevelopment Project

As explained above, without the adoption of this Redevelopment Plan and Project and tax increment financing, the North Pullman RPA is not expected to see substantial investment from private enterprise. As a result, there is a genuine threat that property values in the area will stagnate or decline. This would lead to a reduction of real estate tax revenue to all taxing districts.

This document describes the comprehensive redevelopment program proposed to be undertaken by the City to create an environment in which private investment can reasonably occur. If a redevelopment project is successful, various new projects may be undertaken that will assist in alleviating blighting conditions, creating new jobs, and promoting both public and private development in the North Pullman RPA.

This Redevelopment Plan and Project is expected to have short- and long-term financial impacts on the affected taxing districts. During the period when tax increment financing is utilized, real estate tax increment revenues from the increases in EAV over and above the certified initial EAV (established at the time of adoption of this document by the City) may be used to pay eligible redevelopment project costs for the North Pullman RPA. At the time when the North Pullman RPA is no longer in place under the Act, the real estate tax revenues resulting from the redevelopment of the North Pullman RPA will be distributed to all taxing districts levying taxes against property located in the North Pullman RPA. These revenues will then be available for use by the affected taxing districts.

Demand on Taxing District Services and Program to Address Financial and Service Impact

In 1994, the Act was amended to require an assessment of any financial impact of a redevelopment project area on, or any increased demand for service from, any taxing district affected by the redevelopment plan, and a description of any program to address such financial impacts or increased demand.

The City intends to monitor development in the North Pullman RPA and with the cooperation of the other affected taxing districts will attempt to ensure that any increased needs are addressed in connection with any particular development. The following major taxing districts presently levy taxes on properties located within the North Pullman RPA and maintain the listed facilities within the boundaries of the RPA, or within close proximity (three to five blocks) to the RPA boundaries:

1. City of Chicago

- Chicago Police Department - 5th District (727 E. 111th St.)

2. Chicago Board of Education

- Corliss High School (821 E. 103rd St.)
- Kohn School (10414 S. State St.)
- Poe Classical School (10538 S. Langley Ave.)
- Cullen School (10650 S. Eberhart Ave.)
- Brooks College Prep (250 E. 111th St.)
- Pullman School (11311 S. Forrestville Ave.)

3. **Chicago School Finance Authority**
4. **Chicago Park District**

 - Palmer Park (200 E. 111th St.)
 - Arcade Park (11144 S. St Lawrence Ave.)
 - Langley Playlot Park (700 E. 113th St.)
5. **City of Chicago Library Fund**
 - Chicago Public Library – Pullman Branch (11001 S. Indiana Ave.)
6. **Chicago Community College District 508**
 - Olive-Harvey College (10001 S. Woodlawn Ave.)
7. **Metropolitan Water Reclamation District of Greater Chicago**
 - No facilities.
8. **County of Cook**
 - No facilities.
9. **Cook County Forest Preserve District**
 - No facilities.
10. **Special Service Area #41 (properties in 70046 tax code only)**

Map 8 in Appendix 1 illustrates the locations of community facilities operated by the above listed taxing districts within or in close proximity to the North Pullman RPA. Redevelopment activity may cause increased demand for services from one or more of the above listed taxing districts. The anticipated nature of the increased demand for services on these taxing districts, and the proposed activities to address increased demand, are described below.

City of Chicago. The City is responsible for a wide range of municipal services including: police and fire protection; capital improvements and maintenance; water supply and distribution; sanitation service; and building, housing, and zoning codes. Replacement of vacant and under-utilized sites with active and more intensive uses may result in additional demands on services and facilities provided by the districts. While no public service facilities are operated by the City within the North Pullman RPA, the 5th District police station is within close proximity to the RPA.

Additional costs to the City for police, fire, and recycling and sanitation services arising from residential development may occur. However, it is expected that any increase in demand for the City services and programs associated with the North Pullman RPA can be handled adequately by City police, fire protection, sanitary collection and recycling services, and programs currently maintained and operated by the City. The redevelopment of the North Pullman RPA will not require expansion of services in this area.

City of Chicago Library Fund. The Library Fund, supported primarily by property taxes, provides for the operation and maintenance of City of Chicago public libraries. Additional costs to the City for library services arising from residential development may occur. However, it is expected that any increase in demand for City library services and programs associated with the North Pullman RPA can be handled adequately by existing City library services. The redevelopment of the North Pullman RPA will not require expansion of services in this area.

Chicago Board of Education and Associated Agencies. General responsibilities of the Board of Education include the provision, maintenance and operation of educational facilities and the provision of education services for kindergarten through twelfth grade.

It is possible that some families who purchase housing or rent new apartments in the North Pullman RPA will send their children to public schools, putting increased demand on area school districts. However, it is unlikely that the scope of new residential construction would exhaust the existing capacity of public schools that serve residents of the RPA.

Existing capacity was verified through data provided from the Department of School Demographics and Planning at the Chicago Public Schools (CPS). According to information from CPS, design capacity for a school is determined by counting the total number of classrooms and multiplying that number by 30. In elementary and middle schools, program capacity is calculated as 80% of the design capacity, allowing schools to use a percentage of classroom space for non-traditional learning spaces (e.g., art rooms, music rooms, computer rooms). In a high school, scheduling and more student/teacher mobility allow program capacity to be 100% of the design capacity.

Data obtained from CPS reveal that the elementary (K-8) and high schools that include the North Pullman RPA in their respective enrollment areas currently operate at following capacities:

SCHOOL NAME	Address	School Type	Inside/ Outside RPA	Enrollment as % of Design Capacity	Enrollment as % of Program Capacity
Poe	10538 S Langley Ave	Elementary	Inside	46.2%	46.2%
Smith	744 E 103rd St	Elementary	Inside	51.2%	20.3%
Corliss	821 E 103rd St	High School	Inside	NA	NA
Bennett	10115 S Prairie Ave	Elementary	Outside	64.8%	19.0%
Cullen	10650 S Eberhart Ave	Elementary	Outside	73.9%	35.3%
Pullman	11311 S Forrestville Ave	Elementary	Outside	53.3%	25.0%
Kohn	10414 S State St	Elementary	Outside	37.7%	16.3%
Brooks	250 E 111th St	High School	Outside	NA	NA

Note: High school capacity data is unavailable.

Given the predominantly commercial character of the development/redevelopment that is anticipated to occur in the North Pullman RPA, it appears unlikely that enrollment at any of the listed schools will significantly increase as a result of TIF-supported activities. Additionally,

increased costs to the local schools resulting from children residing in TIF-assisted housing units will trigger those provisions within the Act that provide for reimbursement to the affected school district(s) where eligible. The City intends to monitor development in the North Pullman RPA and, with the cooperation of the Board of Education, will attempt to ensure that any increased demands on the services and capital improvements provided by the Board of Education are addressed in connection with each new residential project.

Chicago Park District. The Chicago Park District is responsible for the provision, maintenance, and operation of park and recreational facilities throughout the City, and for the provision of recreation programs.

It is expected that the households that may be added to the North Pullman RPA may generate additional demand for recreational services and programs and may create the need for additional open spaces and recreational facilities operated by the Chicago Park District. The City intends to monitor development in the North Pullman RPA and, with the cooperation of the Chicago Park District, will attempt to ensure that any increased demands for the services and capital improvements that may be provided by the Chicago Park District are addressed in connection with any particular residential development.

Community College District 508. This district is a unit of the State of Illinois' system of public community colleges, whose objective is to meet the educational needs of residents of the City and other students seeking higher education programs and services.

It is expected that any increase in demand for services from Community College District 508 indirectly or directly caused by development within the North Pullman RPA can be handled adequately by the district's existing service capacity, programs, and facilities. Therefore, at this time no special programs are proposed for this taxing district. Should demand increase, the City will work with the affected district to determine what, if any, program is necessary to provide adequate services.

Metropolitan Water Reclamation District. This district provides the main trunk lines for the collection of wastewater from Cities, Villages, and Towns, and for the treatment and disposal thereof.

It is expected that any increase in demand for treatment of sanitary and storm sewage associated with the North Pullman RPA can be handled adequately by existing treatment facilities maintained and operated by the Metropolitan Water Reclamation District of Greater Chicago. Therefore, no special program is proposed for the Metropolitan Water Reclamation District of Greater Chicago.

County of Cook. The County has principal responsibility for the protection of persons and property, the provision of public health services, and the maintenance of County highways.

It is expected that any increase in demand for Cook County services can be handled adequately by existing services and programs maintained and operated by the County. Therefore, at this time, no special programs are proposed for this taxing district. Should demand increase, the City will work with the taxing district to determine what, if any, program is necessary to provide adequate services.

Cook County Forest Preserve District. The Forest Preserve District is responsible for acquisition, restoration, and management of lands for the purpose of protecting and preserving open space in the City and County for the education, pleasure, and recreation of the public. It is expected that any increase in demand for Forest Preserve services can be handled adequately by existing facilities and programs maintained and operated by the District. No special programs are proposed for the Forest Preserve.

Special Service Area #41. Special Service Area (SSA) #41, which funds expanded services and programs through a localized property tax levy for a contiguous subset of parcels in the district, partially overlaps with the North Pullman RPA. It is expected that any increase in demand for SSA services can be handled adequately by existing services and programs offered by the SSA. Therefore, at this time, no special programs are proposed for the SSA. Should demand increase, the City will work with the SSA to determine what, if any, program is necessary to provide adequate services.

Given the nature of the Redevelopment Plan and Project, specific fiscal impacts on the taxing districts and increases in demand for services provided by those districts cannot be wholly predicted within the scope of this plan.

7. Provisions for Amending Redevelopment Plan and Project

This Redevelopment Plan and Project and Project document may be amended pursuant to the provisions of the Act.

8. Commitment to Fair Employment Practices and Affirmative Action Plan

The City is committed to and will require developers to follow and affirmatively implement the following principles with respect to this Redevelopment Plan and Project:

- A. The assurance of equal opportunity in all personnel and employment actions with respect to this Redevelopment Plan and Project, including, but not limited to, hiring, training, transfer, promotion, discipline, fringe benefits, salary, employment working conditions, terminations, etc. without regard to race, color, sex, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status, source of income, or housing status.

- B. Meeting the City's standards for participation of twenty four percent (24%) Minority Business Enterprises and four percent (4%) Women Business Enterprises and the City Resident Construction Worker Employment Requirement as required in redevelopment agreements.
- C. The commitment to affirmative action and non-discrimination will ensure that all members of the protected groups are sought out to compete for all job openings and promotional opportunities.
- D. Developers will meet City standards for any applicable prevailing wage rate as ascertained by the Illinois Department of Labor to all project employees.

However, the City shall have the right in its sole discretion to exempt certain small businesses, residential property owners, and developers from the above.

(To North Pullman Redevelopment Project Area Tax
Increment Finance District Eligibility Study,
Redevelopment Plan And Project)

*North Pullman Redevelopment Project Area
Tax Increment Finance District
Housing Impact Study.*

The purpose of this section is to conduct a housing impact study for the North Pullman RPA as set forth in the Tax Increment Allocation Redevelopment Act (the "Act") 65 ILCS 5/74.4-1 et seq. The Act, as amended in 1999, states that, if the redevelopment plan for a redevelopment project area would result in the displacement of residents from 10 or more inhabited residential units, or if the redevelopment project area contains 75 or more inhabited residential units and the City is unable to certify that no displacement of residents will occur, the municipality shall prepare a housing impact study and incorporate the study in the separate feasibility report required by the subsection (a) of Section 11-74.4-5(A), which for the purposes hereof shall also be the "North Pullman Redevelopment Project and Plan," or the "Redevelopment Plan."

The primary goals of the Redevelopment Plan include the creation of new retail, commercial, public/institutional and residential development on vacant and underutilized sites, the rehabilitation of existing residential buildings, and the development of a variety of housing types to meet the needs of households with a wide range of income levels. It is not the City's intent to displace existing residential units, and it is unlikely that any inhabited residential units will be removed. However, since the North Pullman RPA ("the RPA") contains more than 75 inhabited residential units and future redevelopment activity could conceivably result in the removal of inhabited residential units over the 23-year life of the RPA, a housing impact study is required.

As set forth in the Act at 65 ILCS 5/11-74.4-3(N)(5), Part I of the housing impact study shall include:

- (i) Data as to whether the residential units are single-family or multi-family units;
- (ii) The number and type of rooms within the units, if that information is available;
- (iii) Whether the units are inhabited or uninhabited, as determined not less than 45 days before the date that the ordinance or resolution required by subsection (a) of Section 11-74.4-5 of the Act is passed; and
- (iv) Data as to the racial and ethnic composition of the residents in the inhabited residential units, which data requirement shall be deemed to be fully satisfied if based on data from the most recent federal census.

Part II of the housing impact study identifies the inhabited residential units in the proposed redevelopment project area that are to be or may be removed. If inhabited residential units are to be removed, then the housing impact study shall identify:

- i. The number and location of those units that will be or may be removed;
- ii. The municipality's plans for relocation assistance for those residents in the proposed redevelopment project area whose residencies are to be removed;
- iii. The availability of replacement housing for those residents whose residences are to be removed, and identification of the type, location, and cost of the replacement housing; and
- iv. The type and extent of relocation assistance to be provided.

This information is presented below.

PART I

(i) Number and Type of Residential Units

The number and type of residential buildings in the area was identified during the building condition and land use survey conducted as part of the eligibility analysis for the area. This survey, completed on December 18, 2008, indicated that the North Pullman RPA contains 229 residential or mixed-use residential buildings containing a total of 903 units. The number of residential units by building type is illustrated in the table below.

	# of Buildings	# of Units
Single-Family	150	150
Two-, Three- and Four-Unit Buildings	29	69
Multi-Unit Buildings (5+ Units)	50	684
Single-Room Occupancy Hotels	0	0
Total	229	903

Note: Attached residential units, including row houses, have been considered as multi-unit buildings.

(ii) Number and Type of Rooms within Units

In order to describe the distribution of residential units by number and type of rooms within the North Pullman RPA, *S. B. Friedman & Company* analyzed 2000 Census data. These data show the distribution of units by the number of rooms within each unit and by bedroom type. The distribution of apartment sizes and bedroom types from the 2000 Census was then applied to the total number of units identified by the survey. This is a reasonable assumption given the limited redevelopment and new construction in the North Pullman RPA since 2000. The estimated distribution of units by bedroom type and number of rooms is summarized in the tables below.

Units by Number of Rooms	Percent, 2000 Census	Current Estimate for North Pullman RPA
1 room	2.3%	21
2 rooms	3.9%	36
3 rooms	11.4%	103
4 rooms	18.6%	168
5 rooms	35.2%	318
6 rooms	12.0%	109
7 rooms	5.5%	50
8 rooms	8.4%	76
9 or more rooms	2.6%	23
Total	100.0%	903

Units by Number of Bedrooms	Percent, 2000 Census	Current Estimate for North Pullman RPA
No bedroom	2.3%	21
1 bedroom	20.2%	183
2 bedrooms	32.7%	295
3 bedrooms	32.8%	296
4 bedrooms	4.0%	37
5 or more bedrooms	8.0%	72
Total	100.0%	903

(iii) Number of Inhabited Units

According to data compiled from the survey completed by *S. B. Friedman & Company* on December 18, 2008, the North Pullman RPA contains an estimated 903 residential units, of which 105 (11.6 percent) are believed to be vacant. Therefore, there are approximately 798 total inhabited units within the redevelopment area. As required by the Act, this information was ascertained as of December 18, 2008, which is a date not less than 45 days prior to the date that the resolution required by subsection (a) of Section 11-74.4-5 of the Act was or will be passed (the resolution setting the public hearing and Joint Review Board meeting dates).

(iv) Race and Ethnicity of Residents

According to ESRI, a national provider of demographic data, there were an estimated 2,278 residents living within the boundaries of the North Pullman RPA in 2008. The racial and ethnic composition of these residents is described below, per ESRI estimates.

Race	Percent, 2000 Census	Current Estimate for North Pullman RPA
Black or African-American Alone	96.5%	2199
White Alone	1.1%	26
Asian Alone	0.1%	3
American Indian or Alaskan Native Alone	0.1%	2
Some Other Race Alone	1.3%	29
Two or More Races	0.8%	19
Total	100.0%	2278

Hispanic Origin	Percent, 2000 Census	Current Estimate for North Pullman RPA
Hispanic	2.7%	62
Non-Hispanic	97.3%	2216
Total	100.0%	2278

In addition, the distribution of moderate-, low-, very low-, and very, very low-income households residing in the North Pullman RPA was estimated using data provided by ESRI. As determined by the United States Department of Housing and Urban Development ("HUD"), the definitions of the above-mentioned income categories, adjusted for family size, are as follows:

- i. A very, very low-income household has an adjusted income of less than 30% of the area median income;
- ii. A very low-income household earns between 30% and 50% of the area median income;
- iii. A low-income household earns between 50% and 80% of the area median; and
- iv. A moderate-income household earns between 80% and 120% of the area median.

The estimated distribution of households by income category is summarized below.

Income Range	Percent of Households (ESRI)	Number of Households	Household Income Range (3-Person Households)
Very, very low (up to 30% AMI)	51%	403	\$0 - \$20,350
Very low (30% to 50% AMI)	24%	195	\$20,351 - \$33,950
Low (50% to 80% AMI)	7%	59	\$33,951 - \$54,250
Moderate (80% to 120% AMI)	11%	89	\$54,251 - \$85,920
Over 120% AMI	7%	52	\$85,921 +
Total	100%	798	

PART II**(i) Number and Location of Units to be Removed**

The primary goals of the Redevelopment Plan include the creation of new development on vacant and underutilized sites, the rehabilitation of existing residential buildings, and the development of new housing for households with a wide range of incomes. Because of this, it is unlikely that displacement of inhabited residential units will take place. However, it is conceivable that during the 23-year life of the RPA, some displacement may occur that is not anticipated at this time. Therefore, *S. B. Friedman & Company* employed the following three-step methodology to estimate the number of inhabited units that could potentially be removed due to redevelopment or new development over the 23-year life of the North Pullman RPA.

- i. Step one counts all inhabited residential units identified on any acquisition lists or maps included in the North Pullman Redevelopment Plan. No active acquisition list was identified within the North Pullman RPA. Therefore, it was assumed that no inhabited residential units are likely to be removed due to City acquisitions.
- ii. Step two counts the number of inhabited residential units located in buildings that are dilapidated or seriously deteriorated as defined by the Act. A survey of the North Pullman RPA completed in December 2008 identified no inhabited buildings which were dilapidated or seriously deteriorated. Therefore, it is assumed that no residential units may be removed due to demolition or rehabilitation of dilapidated or seriously deteriorated buildings.
- iii. Step three counts the number of inhabited residential units that exist where the future land use indicated by the Redevelopment Plan will not include residential uses. After reviewing the Proposed Future Land Use for the North Pullman RPA, *S.B. Friedman & Company* determined that 14 residential units will be potentially impacted by changes to existing land uses. Therefore, the number of inhabited residential units that may be removed due to future land use change is 14 over the 23-year life of the North Pullman TIF.

Based on the methodology described above, *S. B. Friedman & Company* estimates that up to 14 inhabited residential units may be removed as a result of redevelopment projects that may be undertaken in accordance with the Redevelopment Plan. The location of these units is illustrated in Map A-1.

Based on the income distributions in and around the RPA, it is reasonable to assume that approximately 93% of households that may be displaced during the remaining life of the RPA are of moderate, low, very low, or very, very low income (i.e., 13 households). However, it is possible that up to 100% of potentially displaced households lie within these income brackets. Part II, subpart (iii) of this section discusses in detail the availability of replacement housing for households of low income or lower.

(ii) Relocation Plan

The City's plan for relocation assistance for those qualified residents in the North Pullman RPA whose residences may be removed shall be consistent with the requirements set forth in Section 11-74.4-3(n)(7) of the Act. The terms and conditions of such assistance are described in subpart (iv) below. No specific relocation plan has been prepared by the City as of the date of this report.

(iii) Replacement Housing

In accordance with Subsection 11-74.4-3(n)(7) of the Act, the City shall make a good faith effort to ensure that affordable replacement housing located in or near the North Pullman RPA is available for any qualified displaced residents.

To promote development of affordable housing, the Redevelopment Plan requires that developers who receive tax increment financing assistance for market-rate housing are to set aside at least 20 percent of the units to meet affordability criteria established by the City's Department of Community Development. Generally, this means that income-restricted rental units should be affordable to households earning no more than 60 percent of the area median income (adjusted for family size) and for-sale units should be affordable to households earning no more than 100 percent of area median income. If, during the 23-year life of the North Pullman RPA, the acquisition plans change, the City shall make every effort to ensure that appropriate replacement housing will be found in the Redevelopment Project Area or the surrounding Chatham, Avalon Park, Burnside, Calumet Heights, Roseland, Pullman, South Deering, West Pullman and Riverdale Community Areas.

In order to determine the availability of replacement housing for those residents who may potentially be displaced by redevelopment activity, *S. B. Friedman & Company* examined several data sources, including vacancy data from the 2000 U.S. Census, apartment listings from local newspapers, and housing sales data from Multiple Listing Service.

Vacancy Data

According to the 2000 Census, the two Census Block Groups surrounding and encompassing the residential portion of the North Pullman RPA contained 904 housing units, of which 161 (17.8%) were vacant. Of these, approximately 86 were for-sale or for-rent, and 46 were rented or sold but unoccupied. For the purposes of this analysis, the term "RPA Vicinity" refers to these Block Groups. The following table shows the distribution of vacant residential units in the RPA by vacancy status, as compared to the City of Chicago as a whole.

Vacancy Status	Share of All Housing Units (RPA Vicinity)	Citywide Percentage
For rent	4.6%	3.4%
For sale	4.9%	0.8%
Rented/Sold, not occupied	2.2%	0.9%
Seasonal/recreational/occasional/migrant	0.1%	0.5%
Other vacant	6.0%	3.0%
TOTAL VACANT UNITS	17.8%	8.6%

The percentage of residential units that are vacant and awaiting rental and sale in the RPA Vicinity is higher than that of the City of Chicago (4.6% vs. 3.4%), suggesting that a sufficient supply of replacement rental and for-sale housing exists in the RPA Vicinity. The overall rate of residential vacancy in the RPA is significantly higher than that of the City.

Replacement Rental Housing

According to information obtained from the City of Chicago by *S. B. Friedman & Company*, there are no current projects located within the North Pullman RPA that will result in a loss of housing units. However, the possibility remains that some existing units may be removed in the future as a result of redevelopment activity over the 23-year life of the RPA. Therefore, *S. B. Friedman & Company* has defined a sample of possible replacement rental housing units located within the Chatham, Avalon Park, Burnside, Calumet Heights, Roseland, Pullman, South Deering, West Pullman and Riverdale Community Areas.

The location, type, and cost of this sample were determined through the examination of classified advertisements from the *Chicago Tribune* and *Chicago Sun-Times*, as well as the websites *cityleases.com* and *sublet.com* between December 2008 and January 2009. It is important to note that the Chicago metro area has a rental cycle where apartments turn over at a greater rate on May 1 and October 1 of each year. These higher turnover times would likely reflect a wider variety of rental rates, unit sizes, and locations than those available in the months surveyed for this study.

The range of maximum affordable monthly rents, according to HUD standards, is shown in the following table in comparison with the advertised rents found in the above-mentioned newspaper listings.

Number of Bedrooms	Implied Family Size*	Maximum Monthly Rent (Including Utilities) Affordable to Income Bracket				Observed Range	Units in Sample

Source: HUD, *Chicago Tribune*, *Chicago Sun-Times*, *cityleases.com*, *sublet.com*, *S. B. Friedman & Company*

*Derived from the number of bedrooms using HUD formulas.

**Based on a random sample of apartments located in the Chatham, Avalon Park, Burnside, Calumet Heights, Roseland, Pullman, South Deering, West Pullman and Riverdale Community Areas and advertised in the *Chicago Tribune* and *Sun-Times*, as well as the websites *cityleases.com* and *sublet.com* between December 2008 and January 2009.

The table on the _____ page provides a detailed summary of the apartment listings found between December 2008 and January 2009. Since HUD affordability standards state that monthly rent, including utilities, should equal no more than 30% of gross household income, *S.B. Friedman & Company* has adjusted the monthly rents listed below to include utility payments using Section 8 utility cost estimates for various apartment unit sizes developed by the Chicago Housing Authority.

The sample collected by *S. B. Friedman & Company* contains a greater proportion of one-bedroom apartments than expected based on 2000 Census data. Approximately 29% of apartments in the sample above contain one bedroom, as compared to 20% in the RPA Vicinity in 2000. The sample also contains fewer three-bedroom apartments (24%) than expected based on the 2000 Census (33%). Overall, the sample indicates that many of these units are not affordable to very, very low-income households.

S. B. Friedman & Company has also researched the availability of subsidized and income-restricted housing in and near the North Pullman RPA. According to data provided by the Illinois Housing Development Authority (IHDA), there are at least 3,220 units of income-restricted housing in the Chatham, Avalon Park, Burnside, Calumet Heights, Roseland, Pullman, South Deering, West Pullman and Riverdale Community Areas.

Replacement For-Sale Housing

In order to determine the availability of replacement for-sale housing for those home owners who may potentially be displaced, *S. B. Friedman & Company* reviewed data available from the Multiple Listing Service (MLS) of Northern Illinois, which lists most of the currently active for-sale properties in the Northern Illinois region, as well as historical data listing housing sales within the region over the past three years. The following table summarizes housing sales for detached and attached (condominium and townhome) residential units within the Chatham, Avalon Park, Burnside, Calumet Heights, Roseland, Pullman, South Deering, West Pullman and Riverdale Community Areas since January 1, 2006. As the table illustrates, the number of units recently sold in or near the North Pullman RPA shows there is sufficient market activity to accommodate potentially displaced home owners.

Year	Completed Sales	
	Detached	Attached
2006	1089	175
2007	906	126
2008	763	68
Total	2758	369

In addition, *S. B. Friedman & Company* researched those properties which are currently listed for sale through the MLS of Northern Illinois in the same Community Areas identified above. Details regarding the asking price for these units are provided in the table below:

Price Range	Currently Active Properties (as of December 2, 2008)	
	Detached	Attached
< \$25,000	101	5
\$25,000 - \$49,999	108	14
\$50,000 - \$74,999	102	15
\$75,000 - \$99,999	112	18
\$100,000 - \$124,999	110	24
\$125,000 - \$149,999	146	20
\$150,000 - \$174,999	95	4
\$175,000 - \$199,999	73	9
\$200,000 - \$249,999	62	4
\$250,000 +	55	0
Total	964	113

Based on the available data, it appears that there are a wide range of for-sale housing options available at a variety of price points in the immediate vicinity of the North Pullman RPA. Therefore, it can be reasonably assumed that the rental and for-sale residential markets for the Community Areas in and around the North Pullman RPA should be adequate to furnish needed replacement housing for those residents that may potentially be displaced because of redevelopment activity within the RPA. There are no planned redevelopment projects that will reduce the number of residential units within the RPA, and those types of mixed-use projects which might be proposed in accordance with the Redevelopment Plan may include new residential units. Therefore, it is assumed that any displacement caused by activities as part of the Redevelopment Plan could potentially occur simultaneously with the development of new housing, either rental or for-sale. As a result, there could potentially be a net gain of residential units within the RPA. Furthermore, it is likely that any displacement of units would occur incrementally over the 23-year life of the RPA as individual development projects are initiated.

(iv) Relocation Assistance

In the event that the implementation of the Plan results in the removal of residential housing units in the North Pullman RPA occupied by low-income households or very low-income households, or the displacement of low-income households or very low-income households from such residential housing units, such households shall be provided affordable housing and relocation assistance not less than that which would be provided under the federal Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and the regulations hereunder, including the eligibility criteria. Affordable housing may be either existing or newly constructed housing. The City shall make a good faith effort to ensure that this affordable housing is located in or near the North Pullman RPA.

As used in the above paragraph, "low-income households," "very low-income households," and "affordable housing" have the meanings set forth in Section 3 of the Illinois Affordable Housing Act, 310 ILCS 65/3 et seq., as amended. As of the date of this study, these statutory terms are defined as follows:

- (i) "Low-income household" means a single person, family, or unrelated persons living together whose adjusted income is more than 50% but less than 80% of the median income of the area of residence, adjusted for family size, as such adjusted income and median income are determined from time to time by the United States Department of Housing and Urban Development ("HUD") for purposes of Section 8 of the United States Housing Act of 1937;
- (ii) "Very low-income household" means a single person, family, or unrelated persons living together whose adjusted income is not more than 50% of the median income of the area of residence, adjusted for family size, as so determined by HUD; and
- (iii) "Affordable housing" means residential housing that, so long as the same is occupied by low-income households or very low-income households, requires payment of monthly housing costs, including utilities other than telephone, of no more than 30% of the maximum allowable income for such households, as applicable.

The City of Chicago will make a good faith effort to relocate these households to affordable housing located in or near the North Pullman RPA, and will provide relocation assistance not less than that which would be provided under the federal Uniform Relocation Assistance and Real Property Policies Act of 1970.

*Approval Of The Redevelopment Plan,
Designation As A Redevelopment Project Area
And Adoption Of Tax Increment Allocation Financing.*

Whereas, The Community Development Commission (the "Commission") of the City of Chicago (the "City") has heretofore been appointed by the Mayor of the City with the approval

of its City Council ("City Council", referred to herein collectively with the Mayor as the "Corporate Authorities") (as codified in Section 2-124 of the City's Municipal Code) pursuant to Section 5/11-74.4-4(k) of the Illinois Tax Increment Allocation Redevelopment Act, as amended (65 ILCS 5/11-74.4-1, et seq.) (the "Act"); and

Whereas, The Commission is empowered by the Corporate Authorities to exercise certain powers set forth in Section 5/11-74.4-4(k) of the Act, including the holding of certain public hearings required by the Act; and

Whereas, Staff of the City's Department of Community Development has conducted or caused to be conducted certain investigations, studies and surveys of the North Pullman area, the street boundaries of which are described on (Sub)Exhibit A hereto (the "Area"), to determine the eligibility of the Area as a redevelopment project area as defined in the Act (a "Redevelopment Project Area") and for tax increment allocation financing pursuant to the Act ("Tax Increment Allocation Financing"), and previously has presented the following documents to the Commission for its review:

North Pullman Redevelopment T.I.F. Program Eligibility Study (the "Report"); and

North Pullman Redevelopment Plan and Project (the "Plan"); and

Whereas, The Commission has heretofore passed Resolution 08-CDC-06 on January 20, 2009 that contains the information required by Section 5/11-74.4-4.16(a) of the Act to be included therein and that provides for the preparation of a feasibility study on designation of the Area as a Redevelopment Project Area and requires that such feasibility study include the preparation of the housing impact study set forth in Section 5/11-74.4-3(n)(5) of the Act, all as required by Section 5/11-74.4-4.1(b) of the Act, which has resulted in the preparation of the Report and the Plan being presented to the Commission; and

Whereas, A public meeting (the "Public Meeting") was held in accordance and in compliance with the requirements of Section 5/11-74.4-6(e) of the Act on February 19, 2009 at 6:00 P.M. at Wendell Smith School, Chicago, Illinois, being a date not less than fourteen (14) business days before the mailing of the notice of the Hearing (hereinafter defined), pursuant to notice from the City's Commissioner of the Department of Community Development given on February 3, 2009, being a date not less than fifteen (15) days before the date of the Public Meeting, by certified mail to all taxing districts having real property in the proposed Area and to all entities requesting that information that have taken the steps necessary to register to be included on the interested parties registry for the proposed Area in accordance with Section 5/11-74.4.2 of the Act and, with a good faith effort, by regular mail to all residents and the last known persons who paid property taxes on real estate in the proposed Area (which good faith effort was satisfied by such notice being mailed to each residential address and the person or persons in whose name property taxes were paid on real property for the last preceding year located in the proposed Area), which to the extent necessary to effectively communicate such notice, was given in English and in other languages; and

Whereas, Prior to the adoption by the Corporate Authorities of ordinances approving a redevelopment plan, designating an area as a Redevelopment Project Area or adopting Tax Increment Allocation Financing for an area, it is necessary that the Commission hold a public hearing (the "Hearing") pursuant to Section 5/11-74.4-5(a) of the Act, convene a meeting of a joint review board (the "Board") pursuant to Section 5/11-74.4-5(b) of the Act, set the dates of such Hearing and Board meeting and give notice thereof pursuant to Section 5/11-74.4-6 of the Act; and

Whereas, The Report and Plan were made available for public inspection and review since February 27, 2009, being a date not less than ten (10) days before the Commission meeting at which the Commission adopted Resolution 09-CDC-15 on March 10, 2009 fixing the time and place for the Hearing, at City Hall, 121 North LaSalle Street, Chicago, Illinois, in the following offices: City Clerk, Room 107 and Department of Community Development, Room 1000; and

Whereas, Notice of the availability of the Report and Plan, including how to obtain this information, were sent by mail on April 16, 2009, which is within a reasonable time after the adoption by the Commission of Resolution 09-CDC-15 to: (a) all residential addresses that, after a good faith effort, were determined to be (i) located within the Area and (ii) located outside the proposed Area and within seven hundred fifty (750) feet of the boundaries of the Area (or, if applicable, were determined to be the seven hundred fifty (750) residential addresses that were outside the proposed Area and closest to the boundaries of the Area); and (b) organizations and residents that were registered interested parties for such Area; and

Whereas, Notice of the Hearing by publication was given at least twice, the first publication being on April 17, 2009, a date which is not more than thirty (30) nor less than ten (10) days prior to the Hearing, and the second publication being on April 24, 2009, both in the *Chicago Sun-Times* or the *Chicago Tribune* being newspapers of general circulation within the taxing districts having property in the Area; and

Whereas, Notice of the Hearing was given by mail to taxpayers by depositing such notice in the United States mail by certified mail addressed to the persons in whose names the general taxes for the last preceding year were paid on each lot, block, tract or parcel of land lying within the Area, on May 1, 2009, being a date not less than ten (10) days prior to the date set for the Hearing; and where taxes for the last preceding year were not paid, notice was also mailed to the persons last listed on the tax rolls as the owners of such property within the preceding three (3) years; and

Whereas, A good faith effort was made to give notice of the Hearing by mail to all residents of the Area by, at a minimum, giving notice by mail to each residential address located in the Area, which to the extent necessary to effectively communicate such notice was given in English and in the predominant language of residents of the Area other than English on May 1, 2009, being a date not less than ten (10) days prior to the date set for the Hearing; and

Whereas, Notice of the Hearing was given by mail to the Illinois Department of Commerce and Economic Opportunity ("D.C.E.O.") and members of the Board (including notice of the convening of the Board), by depositing such notice in the United States mail by certified mail addressed to D.C.E.O. and all Board members, on March 13, 2009, being a date not less than forty-five (45) days prior to the date set for the Hearing; and

Whereas, Notice of the Hearing and copies of the Report and Plan were sent by mail to taxing districts having taxable property in the Area, by depositing such notice and documents in the United States mail by certified mail addressed to all taxing districts having taxable property within the Area, on March 13, 2009, being a date not less than forty-five (45) days prior to the date set for the Hearing; and

Whereas, The Hearing was held on May 12, 2009 at 1:00 P.M. at City Hall, City Council Chambers, 121 North LaSalle Street, Chicago, Illinois, as the official public hearing, and testimony was heard from all interested persons or representatives of any affected taxing district present at the Hearing and wishing to testify, concerning the Commission's recommendation to City Council regarding approval of the Plan, designation of the Area as a Redevelopment Project Area and adoption of Tax Increment Allocation Financing within the Area; and

Whereas, The Board meeting was convened on April 3, 2009 at 10:00 A.M., being a date at least fourteen (14) days but not more than twenty-eight (28) days after the date of the mailing of the notice to the taxing districts on March 13, 2009 in Room 703, City Hall, 121 North LaSalle Street, Chicago, Illinois, to review the matters properly coming before the Board to allow it to provide its advisory recommendation regarding the approval of the Plan, designation of the Area as a Redevelopment Project Area, adoption of Tax Increment Allocation Financing within the Area and other matters, if any, properly before it, all in accordance with Section 5/11-74.4-5(b) of the Act; and

Whereas, The Commission has reviewed the Report and Plan, considered testimony from the Hearing, if any, the recommendation of the Board, if any, and such other matters or studies as the Commission deemed necessary or appropriate in making the findings set forth herein and formulating its decision whether to recommend to City Council approval of the Plan, designation of the Area as a Redevelopment Project Area and adoption of Tax Increment Allocation Financing within the Area; now, therefore,

Be It Resolved by the Community Development Commission of the City of Chicago:

Section 1. The above recitals are incorporated herein and made a part hereof.

Section 2. The Commission hereby makes the following findings pursuant to Section 5/11-74.4-3(n) of the Act or such other section as is referenced herein:

a. the Area on the whole has not been subject to growth and development through investment by private enterprise and would not reasonably be expected to be developed without the adoption of the Plan;

b. the Plan:

- (i) conforms to the comprehensive plan for the development of the City as a whole; or
- (ii) the Plan either (A) conforms to the strategic economic development or redevelopment plan issued by the Chicago Plan Commission or (B) includes land uses that have been approved by the Chicago Plan Commission;

c. the Plan meets all of the requirements of a redevelopment plan as defined in the Act and, as set forth in the Plan, the estimated date of completion of the projects described therein and retirement of all obligations issued to finance redevelopment project costs is not later than December 31 of the year in which the payment to the municipal treasurer as provided in subsection (b) of Section 5/11-74.4-8 of the Act is to be made with respect to ad valorem taxes levied in the twenty-third (23rd) calendar year following the year of the adoption of the ordinance approving the designation of the Area as a redevelopment project area and, as required pursuant to Section 5/11-74.4-7 of the Act, no such obligation shall have a maturity date greater than twenty (20) years;

d. to the extent required by Section 5/11-74.4-3(n)(6) of the Act, the Plan incorporates the housing impact study, if such study is required by Section 5/11-74.4-3(n)(5) of the Act;

e. the Area includes only those contiguous parcels of real property and improvements thereon that are to be substantially benefitted by proposed Plan improvements, as required pursuant to Section 5/11-74.4-4(a) of the Act;

f. as required pursuant to Section 5/11-74.4-3(p) of the Act:

- (i) the Area is not less, in the aggregate, than one and one-half (1½) acres in size; and
- (ii) conditions exist in the Area that cause the Area to qualify for designation as a redevelopment project area and a blighted area/conservation area or combination thereof, as defined in the Act;

g. if the Area is qualified as a "blighted area", whether improved or vacant, each of the factors necessary to qualify the Area as a Redevelopment Project Area on that basis is (i) present, with that presence documented to a meaningful extent so that it may be reasonably found that the factor is clearly present within the intent of the Act and (ii) reasonably distributed throughout the improved part or vacant part, as applicable, of the Area as required pursuant to Section 5/11-74.4-3(a) of the Act;

h. if the Area is qualified as a "conservation area", the combination of the factors necessary to qualify the Area as a redevelopment project area on that basis is detrimental to the public health, safety, morals or welfare, and the Area may become a blighted area; [and]

Section 3. The Commission recommends that the City Council approve the Plan pursuant to Section 5/11-74.4-4 of the Act.

Section 4. The Commission recommends that the City Council designate the Area as a Redevelopment Project Area pursuant to Section 5/11-74.4-4 of the Act.

Section 5. The Commission recommends that the City Council adopt Tax Increment Allocation Financing within the Area.

Section 6. If any provision of this resolution shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such provision shall not affect any of the remaining provisions of this resolution.

Section 7. All resolutions, motions or orders in conflict with this resolution are hereby repealed to the extent of such conflict.

Section 8. This resolution shall be effective as of the date of its adoption.

Section 9. A certified copy of this resolution shall be transmitted to the City Council.

Adopted: May 15, 2009.

RECITALS:

A. The City, the County and the State recognize that developing a means by which the public could electronically submit legally required real estate transfer tax information would be a major convenience to the public and would enable each of these taxing bodies to track and audit such real estate transfer tax information with greater accuracy and efficiency.

B. The City, the County and the State individually and together have been exploring various options by which such an electronic transfer tax information filing system could best be effectuated, all in support of the functions and obligations described and detailed in the Real Estate Transfer Tax Law, (35 ILCS 200/31-1 *et. seq.*), and the Counties Code, (55 ILCS 5/1-1001 *et. seq.*).

C. The City currently has a master consulting agreement relating to information technology services with Keane, Inc., a Massachusetts corporation qualified to do business in Illinois ("**Keane**"). This master consulting agreement was awarded through a publicly advertised request for qualifications pursuant to the City's procurement rules and processes, and was entered into as of January 1, 2006 and together with any subsequent amendments and supplements is defined as the "**Keane Contract**".

D. The City has executed or will execute a task order within the Keane Contract, whereby Keane would design, create and assist in the implementation of a real estate transfer tax website that would allow parties to real estate transactions in Cook County to electronically submit the legally required real estate transfer tax information to the Parties for their respective governmental purposes.

E. The Parties desire to enter into a mutual agreement under which each Party would have full and equal access to the website for their respective governmental purposes in Cook County and are willing to pay for such access by sharing in the costs and expenses of the development, maintenance, and hosting of the website (collectively, the "**Services**") under this Agreement.

AGREEMENT:

NOW THEREFORE, the Parties hereby agree as follows:

SECTION 1. Incorporation of Recitals. The Recitals to this Agreement are incorporated into this Agreement as if stated in full.

SECTION 2. The Services. The Parties agree that the City will be responsible for ensuring that the Keane Contract and the current task order, and any amendment or revision of it, and any and all subsequent task orders it issues with Keane regarding the Services (the "**Task Orders**") and/or agreements with other contractors ("**Other Contractors**") will provide that Keane or such Other Contractors will perform the Services relating to the design, creation and implementation of the proposed website as follows:

2.01 The design of the proposed website will have the functionality in accordance with the high level design described in the "Real Estate Property Transfer Tax (RPTT) Elaboration Phase Statement of Work Version 1.7 (the "**Design Guidelines**")", incorporated herein and attached hereto as Exhibit A , or as may be amended or revised under a future Task Order.

2.02 Upon completion of Keane's design work under the Design Guidelines, the City will share such design work with the other Parties for their review and approval.

2.03 Upon approval of the design work by all Parties, the City will issue a notice to proceed to Keane under the requirements of the Keane Contract and any Task Orders to create and implement the proposed website.

2.04 In connection with all work by Keane contemplated under this Agreement, the City will obtain such warranties from Keane on the proposed website as the City believes are appropriate to ensure that Keane will develop and implement a website meeting the expectations of the Parties.

2.05 In connection with all work by Keane contemplated by this Agreement, the City will obtain such indemnities from Keane as the City believes are appropriate under the circumstances.

2.06 Keane will demonstrate to the City and the other Parties the proposed website will function and perform within the standards stated in the Design Guidelines. The City will work with the other Parties in the performance evaluation process, but all communications with Keane will be made through the City.

2.07 Keane, or another vendor contracted with by the City and approved by the other Parties to this Agreement, will maintain the proposed website for a period of 8 years, or longer as the Parties mutually agree.

2.08 Keane, or another vendor contracted with by the City and approved by the other Parties to this Agreement, directly or through an approved subcontractor, will provide hosting of the proposed website for a period of 8 years, or longer as the Parties mutually agree.

2.09 Ownership of Source and Object Code. The Task Orders will provide that the Parties, subject to the terms of this Agreement, will own all source code and object code for the proposed website (the "Code"), free and clear of any liens and encumbrances upon completion of the Services. The Task Orders will further provide that, as Keane develops source and object code during the course of performance of the Services, Keane will deposit all such code and any upgrades into an escrow account. Such deposits will occur under a timetable to be agreed upon by the City and Keane. The City shall ensure that the Task Orders will provide that each of the Parties shall have the unconditional right to access the escrowed code at any time prior to completion of the Services; provided, however that any action by a Party with respect to such escrowed code must be taken only with the consent of the Owner's Committee as provided in Section 3.

SECTION 3. Changes Requested by Any of the Parties. The Parties agree that changes to the Services provided in the Keane Contract, Task Orders and any agreements with Other Contractors will be administered as follows:

3.01 Changes Requested by All of the Parties. If all of the Parties request enhancements to the proposed website that will benefit the Parties, then the City shall communicate such request to Keane as provided in the Keane Contract and Task Orders. Keane will respond with a price proposal for such enhancements. Upon acceptance of such price proposal by all of the Parties, the City will revise or supplement the Task Orders, as appropriate. The cost of such agreed upon enhancements will be shared equally by the Parties (unless otherwise agreed to in writing by the Parties) as stated in Section 5 below.

3.02 Changes Requested by Fewer than all of the Parties. Changes requested by fewer than all of the Parties are those which will benefit only those Parties. If fewer than all of the Parties identify enhancements to the proposed website that will benefit only such Parties, and such enhancements are beyond those features specified in the Design Guidelines, then such Parties shall communicate their request to the City. The City shall transmit such request to Keane. Keane will respond with a price proposal for such requested enhancements. If the requesting Party or Parties and Keane agree on a price, then Keane will develop such enhancements. The requesting Party or Parties will be solely responsible for all costs of their requested enhancements as stated in Section 5, below.

3.03 Agreements with Other Contractors. Changes to agreements with Other Contractors will be administered in the same manner as provided in Sections 3.01 and 3.02.

3.04 Owner's Committee. There is hereby created an Owner's Committee (the "Owner's Committee"). Each Party will designate a representative to be a member of the Owner's Committee. The Owner's Committee will evaluate all actions proposed to be taken with respect to the developed product. No Party may: (1) make any changes to the developed product, including, without limitation, any source or object code, or (2) use or license the developed product in any manner or for any purpose, without the written consent of all members of the Owner's Committee.

SECTION 4. Ownership of the Code; Use by Third Parties.

4.01 Ownership of the Code Among the Parties. The Parties understand and agree that, provided that each Party has paid all of its respective share of development costs, as stated in Section 5 below, such Party will have an ownership interest in the Code commensurate with that Party's share in the development costs (34% City, 33% each County and State). Such ownership shares will be non-transferable and may not be pledged or liened by a Party, except with the written approval of all of the other Parties. As long as a Party is fulfilling its obligations to pay its share of maintenance and hosting services, it will be entitled to an ownership share in any and all updates, in the same percentage as set forth above.

4.02. Use of the Website by Other Parties.

- A. The website may not be used by, or adapted for use by, any other party ("New User"), including without limitation any county outside Cook County or any other unit of government, within or outside of the State of Illinois, without the prior written approval of all Parties. The Parties agree that all fees and expenses incurred to develop modifications to the Code necessary to permit such New User's use of the website shall not be borne by the Parties but shall be borne by such New User. Notwithstanding such New User's funding of the modifications to the Code to enable such New User's use of the website, any New User will not receive an ownership interest in any source or objective code, but instead will only receive a monthly subscription license agreement to use the website. All revenues generated through allowing use by such New Users will be shared equally among the Parties, except that, if a Party fails to pay its share of maintenance and hosting costs pursuant to the terms of this Agreement, such Party will no longer be entitled to any share in such revenue. Exhibit B contains a chart showing monthly subscription fees that may be made by any county in Illinois (other than Cook County) to use the website; the actual amount charged to any county by the Parties will be agreed upon by the Parties at the time of negotiation of the license with such other Illinois county.
- B. Any Code developed to permit the use of the website by any New User pursuant to Section B(1) above shall also be owned by the Parties in the same shares as provided in Section A above. If any Party fails to pay its required share of maintenance and/or hosting services costs, such Party will not be entitled to an ownership interest in any further changes and enhancements to the Code or application that occur after it ceases paying the annual maintenance and support costs, and shall cease being able to use the website.
- C. By agreement of the Parties, Code may be licensed to other entities for the purpose of building their own tax website (such as other states/cities/counties outside of Illinois, or their designated vendors), or, to one or more vendors who wish to commercialize, market and re-license the

product. Unless otherwise agreed, all proceeds from such licensing shall be share equally among the Parties; provided, however, that if a Party ceases to use the website and/or if a party fails to continue ongoing payments for website maintenance and hosting costs, then such Party's share of any licensing proceeds shall thereafter be reduced to 20% of such proceeds.

SECTION 5. Funding.

5.01 Services.

- A. The Parties agree to share in the costs and expenses of the development and implementation of the website as follows: 34% City share, 33% County share, and 33% State share. The Parties acknowledge that they have been presented an estimated budget for the Services to be performed by Keane, which is attached hereto and incorporated herein as Exhibit C, and they acknowledge that it is their understanding that the City in issuing the Task Order will reflect this estimated budget; however, they also acknowledge that the budget is a "rough order of magnitude" ("ROM") and that final costs have not yet been determined. Each of the Parties will use its best efforts consistently applied to ensure that payment of its share of costs and expenses of the Services is transmitted to the City within 30 days after billing by the City, and the City will issue such billing promptly upon completion of a payment milestone by Keane. The City shall not bill the other Parties for their share of the costs of the Services for any work in a phase of the Services until such Phase is completed.
- B. Invoices to the State for supplies purchased, services performed and expenses incurred through June 30 of any year must be submitted to the State no later than July 31 of that year; otherwise the City may have to seek payment through the Illinois Court of Claims (30 ILCS 105/25).
- C. Each Party shall use its best efforts to secure sufficient appropriations to fund this Agreement. Each Party, at its sole option, may terminate or suspend this Agreement, in whole or in part, without penalty or further payment being required, if their respective legislative authority or the federal funding source fails to make an appropriation sufficient to pay such obligation, or if funds needed are insufficient for any reason.

5.02 Payment for Enhancements.

- A. Agreed Upon by All Parties. The Parties agree to share equally in the costs and expenses of all agreed upon enhancements under Section 3.01. Each of the Parties will use its best efforts consistently applied to ensure that payment of its share of costs and expenses for agreed upon enhancements is transmitted to the City within 30 days after billing by the City.

- B. Agreed Upon by Fewer Than All Parties. Enhancements agreed upon by fewer than all Parties under Section 3.02 will be the sole responsibility of such Party or Parties who are benefiting from such enhancements. Such Party or Parties will share equally in the costs and expenses of such enhancements, provided, however that all Parties must agree on the functionality of such enhancements. Each of such Party or Parties will use its best efforts consistently applied to ensure that payment of its share of costs and expenses for such enhancements is transmitted to the City within 30 days after billing by the City.

5.03 Website Maintenance and Hosting Costs. The Parties agree to share in all costs and expenses for the maintenance and hosting costs of the proposed website as follows: 34% City, 33% each County and State. Each of the Parties will transmit payment of its share of costs and expenses of the website maintenance and hosting costs within 30 days after billing by the City.

5.04 Records; Audit. Each Party shall maintain records and accounts concerning this Agreement in the ordinary course of business, and must maintain such records for at least three years after the expiration of termination of the Agreement, or its discontinuance, which ever occurs first. Each Party shall have the right to inspect and copy at its expense the books and records of any other Party concerning this Agreement upon request at all reasonable times.

SECTION 6. Disclosure of Liability; Actions Against Keane.

6.01 Disclaimer of Damages. The State and the County acknowledge and agree that, as among and between the Parties, the City is acting as a facilitator for the proposed website project, and not as a guarantor for any function or level of performance. The Parties agree that they will have no liability of any kind, nature or description to any of the Parties under any theory of recovery now existing or hereafter created for any loss, damages, costs, fees or penalties of any kind, nature or description incurred or suffered by any Party from any action, omission or failure to act concerning any performance or any matter under or related to this Agreement. It is the intention of the Parties that the disclaimer in this Section be read and interpreted in the broadest possible way and to the maximum extent permitted by law.

6.02 Actions. If any of the Parties has any issues with any part of the Services or work product, including without limitation loss of data or failure of the website to function appropriately, such Party shall notify the other Parties and all Parties shall discuss whether to pursue a claim against Keane. If the City agrees with any such Party to pursue the claim, the City will make such claim against Keane, and the Parties will jointly fund the expenses of prosecuting the claim. If the City does not wish to pursue the claim against Keane but one or both of the other Parties wishes to pursue the claim, then the City and any such Party will discuss measures to enable such Party to make such claim with minimal involvement and no financial support from the City.

SECTION 7. Termination.

7.01 The term of this Agreement shall commence on the Effective Date which will be the latest of the three signature dates set forth on the signature page hereof.

7.02 If any Party wishes to discontinue its payment of the maintenance and/or hosting fees, such Party shall notify the other Parties in writing of said discontinuance at least six (6) months in advance thereof. Discontinuance of payment will result in termination of that Party's right to use the website until all past due fees have been paid to the City.

1 PROJECT IDENTIFICATION

1.1 Project Request

Bea Reyna-Hickey, Department of Revenue (DOR) Director for the City of Chicago has requested Keane Inc. to develop a Statement of Work (SOW) for the Elaboration portion of the Real Property Transfer Tax project.

1.2 Background

Real Property Transfer Tax (RPTT) is a tax that may be imposed by states, counties, or municipalities on the privilege of transferring real property within the jurisdiction. Within the city of Chicago, there are state, county and city Real Property Transfer Taxes. The existing City of Chicago Real Property Transfer Tax process is cumbersome and ineffective. For example, there currently is no way to reconcile the tax to a specific transfer of property. Also there is an increased need for better management reporting requirements due to the April 1, 2008 municipal code change that added a supplemental Real Property Transfer Tax component for the Chicago Transit Authority.

In the spring of 2008, a few Department of Revenue (DOR) meetings were held suggesting the need for streamlining the process and devising a technical solution for the Real Property Transfer Tax. There are many stakeholders for this project that are outside the City of Chicago's control such as: Title companies, property buyers/sellers, the legal community, the State of Illinois and Cook County.

In June 2008, Keane managed a Real Property Transfer Tax Business Discovery project to better understand the roles of the various stakeholders. The Business Discovery project documented the existing current state and recommended a high-level solution.

The high-level solution will be used to complete the next phase which is the Elaboration phase, described in this Statement of Work.

1.3 Project Purpose

The project goals for the overall Real Property Transfer Tax program are:

- Connect the declaration (liability) to revenue (payment).
- Recover missed revenue due to incomplete, incorrect or not filed forms.
- Simplify the process to gain operational efficiency.
- Provide more granular management reporting.
- The purpose of this Elaboration phase is to:
 - Define and document the detailed requirements for the web based system in sufficient detail to begin the next major phase of the project lifecycle, Construction.
 - Establish a technical environment to allow construction to proceed in the following project phase, Construction.
 - Develop a Change Management Roadmap to ease the impact of change to all the various stakeholders

2 SCOPE OF EFFORT

2.1 In Scope

Keane is providing analysis and design services to the City of Chicago to complete the Elaboration phase for the Real Property Transfer Tax (RPTT) Program. The effort for this project consists of the following list of activities which are described in the Technical Approach section of this document:

- Web Elaboration
- Establish a technical environment to enable construction
- Change Management Roadmap
- Project Management for Elaboration
- Statement of Work for Construction

The major activities and deliverables that define the work to be completed are described in the Technical Approach section of this Statement of Work. This Scope of Effort section describes the in-scope requirements which are summarized in the following sections.

2.1.1 Flow

During the Real Property Transfer Tax Business Discovery phase, high level requirements were defined and a future state model developed. These requirements have been reviewed with the City of Chicago Department of Revenue. The high level requirements are:

- The State of Illinois and Cook County will partner with the City of Chicago. Initial implementation will include all of Cook County and will eventually be implemented throughout the state.
- There will be a web-based entry system for Real Property Transfer Tax declarations. Property information will be entered first, to distinguish the city and the county. The system will prompt for the appropriate information based on the property location. Tax rate tables will be used to maintain the current tax for the City of Chicago, the State of Illinois and the counties. Once a property transfer closing is completed, this information will flow into databases for later use by the State of Illinois and the City of Chicago.
- The original requestor, generally the seller's attorney, must be able to enter the RPTT information, re-enter to make additions and changes, and delete the RPTT prior to the property transfer closing.
- Stamps still will be sold in bulk to Title Companies and affixed to the deed. There must be a mechanism to get a stamp number onto each property transfer RPTT. Both Title Companies and City of Chicago cashiers are affected.
- Once required information is entered for a specific property transfer, there must be capability to allow the RPTT to be printed to be taken to the closing.
- At the time of closing, there is a hand-off of responsibility from the seller's attorney who prepared the RPTT to the Title Company who will identify that the closing took place. The Title Company must have the capability to update RPTT data. After the RPTT is marked as closed, the only information that can be added or changed is the stamp number.

- The county recorder of deeds will examine the RPTT tax values through the online RPTT system to validate that the stamp values on the deed matches the RPTT taxes.
- Once a specific property transaction has been closed and the stamp number included in the RPTT, the data will be collected for both the State of Illinois and the City of Chicago and distributed to the appropriate systems for further processing.

Real Property Transfer Tax Future State *version 5*[illegible]

During this Elaboration phase, the high level requirements will be further defined with Use Cases. Use Cases describe the specific interaction between a user and a system to accomplish some goal. Up to 20 Use Cases will be defined during this phase. Wire frames and/or prototypes will be used to demonstrate screen layouts. Up to 17 wire frames and/or prototypes will be defined during this phase. See Appendix A for the preliminary list of Use Cases and wire frame/prototypes.

2.1.2 Business Scope

Part of the Real Property Transfer Tax program includes business related tasks and responsibilities. Some of these tasks help ensure a smooth implementation. Other tasks need discussion and resolution. Delay in resolving the business related tasks can impact the technical solution and could affect cost and schedule.

2.1.2.1 State of Illinois and Cook County Collaboration

Although both the State of Illinois, Cook County, and the Chicago Transit Authority are partnering with the City of Chicago on this project, the specific contractual arrangements need to be documented and agreed to. Contractual details include:

- How will the development costs be shared?
- How will ongoing maintenance costs be shared?
- How will enhancements be prioritized for future releases?
- Who owns the software and where will copies be kept?
- How will Customer Service be addressed (both for business support and web navigation support)?
- Where will the infrastructure be housed and will there be Service Levels for availability and disaster recovery?

The City of Chicago is responsible for completing the contractual arrangements with the State of Illinois, Cook County, and the Chicago Transit Authority. The contractual agreement must be completed or a letter of intent to proceed no later than November 1st, 2008 or there can be an impact on the cost and schedule.

2.1.2.2 Change Management

Change is a natural part of any implementation but there are so many stakeholders that are outside the control of the City of Chicago, developing a strategy to address Change Management is a critical success factor in helping assure a smooth implementation.

For the Real Property Transfer Tax program, Change Management will help get the constituents to use the new system faster.

During the Real Property Transfer Tax Elaboration phase:

- A focus group with Title Company and attorney representation will be established. This group will be used to test design assumptions and answer questions throughout the Real Property Transfer Tax program.
- A Change Management Roadmap will be developed. This roadmap defines tasks and an implementation change to implement the changes throughout the Real Property Transfer Tax program. The Change Management Roadmap will include a stakeholder analysis, change impact matrix, organizational impact, a change readiness assessment, and a change management work plan.

2.1.2.3 Business Issue

The following business issue was identified during the Business Discovery phase and needs to be addressed and resolved early in this phase:

- Legal signatures – Currently signatures of both the buyer and seller are required on both the State of Illinois and City of Chicago Real Property Transfer Tax declaration. It is not clear whether these signatures are legally required, since both the buyer and seller also sign the deed. The City of Chicago and the State of Illinois needs to determine whether signatures are required, and, if signatures are required, whether electronic signatures are sufficient.

2.1.2.4 City of Chicago responsibilities

The City of Chicago is responsible for the following items under the scope of this project.

- Contractual agreements between the City of Chicago and the State of Illinois, Cook County, and the Chicago Transit Authority describing the collaboration between the entities during the development and ongoing support of the Real Property Transfer Tax program.
- Resolution of business issue described in the previous section.
- Own and manage the process for resolving inter and intra agency disagreements related to adoption of recommended solutions.
- Arrange for the appropriate stakeholders and subject matter experts to be available for work session participation, review and feedback per the agreed upon schedules.
- Review, and approve and provide feedback on deliverables per the project schedule.
- Resolve questions and issues posed by the project team in a timely manner.
- Provide suitable workspace for each Keane consultant that includes a networked computer (including access to the City's email system), desk and phone.
- Provide software tools as needed for each Keane consultant to enable them to perform their job duties.
- Provide coordination support for development and distribution of project communications, scheduling meetings, arranging for facilities and city resources.
- Provide access to required facilities, such as a conference room, for department meetings.
- The City's DoIT department will provide the necessary technical resources and technical support as delineated in this Statement of Work at the time needed on the project.

2.1.3 Technical Scope

During this Elaboration phase, Technical requirements will be defined and a technical environment established that will enable Construction in the next phase of the Real Property Transfer Tax program. Technical scope is further defined and clarified in Technical Approach section.

2.1.4 Program Stakeholders

The following business areas are affected by the Real Property Transfer Tax program:

- City of Chicago
 - Department of Revenue Tax Division
 - Department of Revenue Payment Processing Division
 - Department of Revenue Customer Service
- State of Illinois departments
 - State of Illinois Department of Revenue
- Cook County agencies
 - County Recorder of Deeds
 - County Assessor's Office
- Chicago Transit Authority
- Other

2.2 Out of Scope

The following items are out of scope for the Real Property Transfer Tax Elaboration phase:

- Business Rules that would require system changes for counties beyond Cook County. The ability to manage county tax rate tables is in scope.
- Interfaces to City of Chicago Water, Buildings and Zoning.
- Back End reporting design and construction will be completed during the Construction project of the RPTT program.
- Construction and deployment of the system will be completed in the Construction project of the RPTT program.
- Deliverables other than those specifically listed in the "Deliverables" section of this document.

3 MANAGEMENT APPROACH

3.1 Productivity Management

Keane's frameworks/methodologies are based on Productivity Management (PM)®. The primary objective of PM is to manage a project to completion on time, within budget, and without surprises. PM consists of 6 simple principles, with embedded rules and practices that are all found in this SOW.

The purpose of PM is to:

- Define and prioritize project requirements, activities and roles/responsibilities
- Provide estimates of time and cost
- Manage the production of deliverables and the project schedule
- Manage change
- Ensure that City of Chicago is informed of the project's progress
- Engage City of Chicago meaningfully in approving Keane's work.

Project management activities are performed as the first activity of every phase of every Keane project and are then an ongoing activity throughout the life of the project.

3.2 Plan Management

Keane will develop a detailed project schedule/plan at the beginning of this project. The schedule will be base-lined as part of the project initiation process. The anticipated project schedule is included later in this document.

The Keane Project Manager will update the project schedule weekly with data supplied by all project team members in the status reporting process. Actual hours expended and revised estimates-to-complete will be recorded in the project schedule on a weekly basis. The updated project schedule will be reviewed for variance to schedule and/or budget.

The Keane Project Manager will control potential changes to the baseline project schedule and/or estimates with the change procedure as described in Change Management section of this SOW. The Keane Project Manager will modify and re-baseline the project schedule for approved change requests.

3.3 Communications Management

Communications Management will focus on providing regular updates on the contributions, commitments and challenges for the project effort to the project team, Client and Keane branch. The detailed Communication Plan is included in Appendix C. A summary of the process follows:

- **Team communications.**

- Each project participant will submit to the Project Manager a weekly Individual Status Report that identifies completed tasks, tasks expected to be completed in the next reporting period, lost time, issues, and time reporting by task (including actual effort, effort estimates-to-complete, estimated completion date). In some cases the time accounting is handled through a turnaround report generated from the project-planning tool.
- The project team will meet weekly to share overall project status, to discuss issues, and to provide assignments and goals.

- **Client communications.**

- From the individual progress reports, the Project Manager will develop a weekly project status report (see Appendix B) documenting the following:
 - Schedule (milestones or deliverables in progress or scheduled to be in progress),
 - Accomplishments for the prior week,
 - Accomplishments planned for the following week,
 - Acceptance and change control (recent and pending activity),
 - Lost time (if any), and
 - Project issues (open or closed since last report).

This report will be sent each week to appropriate client and Keane personnel

- The Keane Project Manager will conduct a weekly status meeting with the City of Chicago Project Sponsor and others as or if appropriate. In general, the meeting will review components of the weekly status report.
 - The Keane Project Manager will also review the PRAM (Project Risk Assessment) each month, in order to evaluate risks and mitigate project risks. Refer to the Risk Management process for details.
- **Project Notebook.** A project notebook is kept as a single repository for all documentation of project management, project reporting and project control materials. It is accessible to Keane and the Client as a reference document throughout the Project and will be retained after the project as per the Master Consulting Contract.

3.4 Issues Management

An issue is defined as any item adversely affecting execution of the project plan. Issues may adversely impact the cost, time frame and/or quality of the deliverables of the project. Resolving issues is an on-going process throughout the life of any project. The keys to effective issue resolution are early identification, communication and management. Our process is as follows:

- Any team member may raise an issue to the Keane Project Manager.
 - Team members should document issues on the Individual Status Report.
 - However, issues may also be raised during the Client Status Meeting, Team Meeting or via e-mail.
- Issues are recorded into a Project Issue Log.
 - Issues are retained for the life of the project.
 - Every record in the Issue Log contains a description of the issue, actual or potential impact if not resolved, who raised the issue, when the issue was raised, updates, and final resolution.
 - Every issue has a target date for resolution after which the project is impacted. This impact may, and often does, result in a change request.
 - Every issue has an owner responsible for driving resolution and keeping the Project Manager up to date on progress.
- An extract of the Issue Log is attached to the weekly Project Status Report. The extract includes open issues and issues closed since last status.
- The extract of the Issue Log is reviewed in the weekly Client Status Review and weekly Team Meetings.
- Issues are closed only when the initiator is comfortable that the resolution addresses their problem.

There may be instances where an issue needs to be escalated. The following process moves issues up the management chain within both the client and Keane in order to secure resolution with little, if any, impact to the project.

Escalation Criteria (days past target resolution)	Keane Resolution Responsibility	City of Chicago Resolution Responsibility	State of Illinois Resolution Responsibility
1-5	Keane Project Manager	City of Chicago Program Manager	State of Illinois Project Sponsor

4 TECHNICAL APPROACH

4.1 Technical Environment

The technical approach will use Keane and industry standard best practices including Keane's VIEWW Framework, Keane's Guide to Project Management (KGPM) and Keane's Productivity Management (PM) approach.

4.2 Technical Environment

Web Environment

Configuration and management of the project integration environment is controlled and managed by Keane. Automated configuration scripts will be provided to DoIT for deployments on Integration/QA/Production. This approach has been selected in order to mitigate potential project schedule delays which could result from reliance on DoIT service availability. This risk is identified in Section 8.2 Project Risk.

The enterprise Integration, QA, Production and change control environment will be provided by DoIT. Keane will configure and manage a project integration environment and including Continuous Integration and a project level instance of WebLogic Server 9.2 Developer workstations will require Eclipse (open source) and Toad.

The detailed list of technologies required include:

- WebLogic Application Server 9.2 (Integration/QA/Production) – Configured and managed by DoIT.
- WebLogic Application Server 9.2 (Project) – Configured and managed by Keane
- Web Service and Messaging Environment (Integration/QA/Production) – configured and managed by DoIT
- Web Service and Messaging Environment (Project) – configured and managed by Keane
- Cruise Control (continuous integration) and CVS (change control) – configured and managed by DoIT for deployment to Integration, QA and Production
- Cruise Control or LuntBuild (continuous integration) with IVY (compile and dependency management) configured and managed by Keane for deployment to the Project server. The method for deployment from this environment to Integration/QA/Production must be resolved with DoIT.
- Batch server – (Integration/QA/Production) configured and managed by DoIT.
- Batch server – (Project) configured and managed by DoIT.
- Oracle 9i ((Integration/QA/Production) – configured and managed by Keane
- Developer Workstation Tools: Eclipse, Toad, JUnit, JMeter – managed by Keane
- Open Source Frameworks: Spring (including Security, MVC, Webflow, Web Services), Hibernate, Quartz

Selection, installation and configuration of additional tools to augment the development environment will be determined as part of the Technical Requirements within this project..

Hardware Resources

Hardware resources with sufficient system resources (processor speed, memory and storage) to run the required software applications and tools will be required.

4.3 Work Approach

The approach for the Elaboration phase of the project will be based on Keane's VIEWW framework. This software development approach is a well-defined and well-structured process that is iterative, architecture-centric, and use-case driven. The scope of effort on this project will focus on the Elaboration Phase of the software lifecycle.

4.3.1 Elaboration Phase Iterations

During project initiation, a plan is developed for addressing all of the major requirement areas that are identified in the Scope Section of the Statement of Work.

Use Cases and Wire Frames/prototypes are defined and elaborated during this phase with up to 20 Use Cases and 17 Wire Frames/prototypes allowed.

Both the Detailed Requirements and the Executable Architecture activities are divided into distinct time boxed iterations. Each major requirement area is assigned and scheduled within an iteration depending upon factors such as effort required, complexity and the relationship with other requirements in the iteration. The plan for the next iteration is revised at the end of each iteration, and adjusted as necessary during the project.

Each iteration defines the system requirements in increasing levels of detail. During each subsequent iteration, relevant requirements are expanded in both depth and breadth. The deliverables produced are formally reviewed with the client at the end of each iteration.

Iteration One

The purpose of the first iteration is to identify the functional and technical requirements for the system. The functional requirements will be documented by preparing a list of Use Cases and expected Wire Frames/prototypes along with a first draft of the Site Map. The technical requirements are defined during this iteration and include availability, efficiency, flexibility, integrity, interoperability, reliability, robustness, usability, maintainability, portability, reusability, and testability. The technical environment that will be needed in order to construct the system will be defined and a plan developed for creating this environment.

Iteration Two

The purpose of the second iteration is to define the main paths for all the Use Cases and provide sample Wire Frames/prototypes.

Iteration Three

The purpose of the third iteration is to complete elaboration of all remaining requirements and to make any revisions that are discovered. All extensions and alternative flows to the main path are resolved and detailed. Selected web pages are created for the user interface. The technical environment needed for construction and testing will be established.

4.3.2 Change Management Roadmap

Due to the variety of stakeholders that are outside the control of the City of Chicago, special emphasis needs to be paid to Change Management. A Change Management Roadmap identifies the right mix of activities to help organization readiness and sustain desired changes. The purpose of Change Management is to minimize disruption when changes are introduced by moving stakeholders through awareness, understanding, acceptance and commitment.

5 QUALITY ASSURANCE APPROACH

5.1 Project Management Quality

Keane applies proven methodologies to all our engagements. This includes our technical methodology, as explained in the "Technical Approach" section; our Project Management approach as defined under "Management Approach" and Project Control and Reporting Process (PCRP) standards. Keane will use PCRP standards to measure quality in our project management practices. Periodic audits ensure adherence to these standards by all Keane-managed projects.

The Keane Project Office validates that Keane's PCRP standards are being implemented. The Project Office will provide Keane management with objective information on use of processes by the project team and the deliverables produced. To gather this information, the Project Office is involved in all phases of the project. In the early stages, the Project Office works with the project team to establish a quality plan, project plan, standards, and procedures that add value to the project and its work initiatives.

During the project, the Project Office performs periodic and event-driven audits and reviews. The Project Office audits all project documentation and interviews appropriate personnel to determine the current state of the project. The Project Office provides detailed comments to the Keane Project Manager concerning the audit and review results. In addition, the Project Office reviews these activities and results with Keane management.

As follow-up to the audits and reviews, the Project Office tracks all non-compliance issues to closure. The Project Office first addresses non-compliance issues with the Keane Project Manager. For any issue that cannot be resolved, the Project Office escalates the issue to the appropriate level of Keane management.

An audit schedule for this project will be provided to the City.

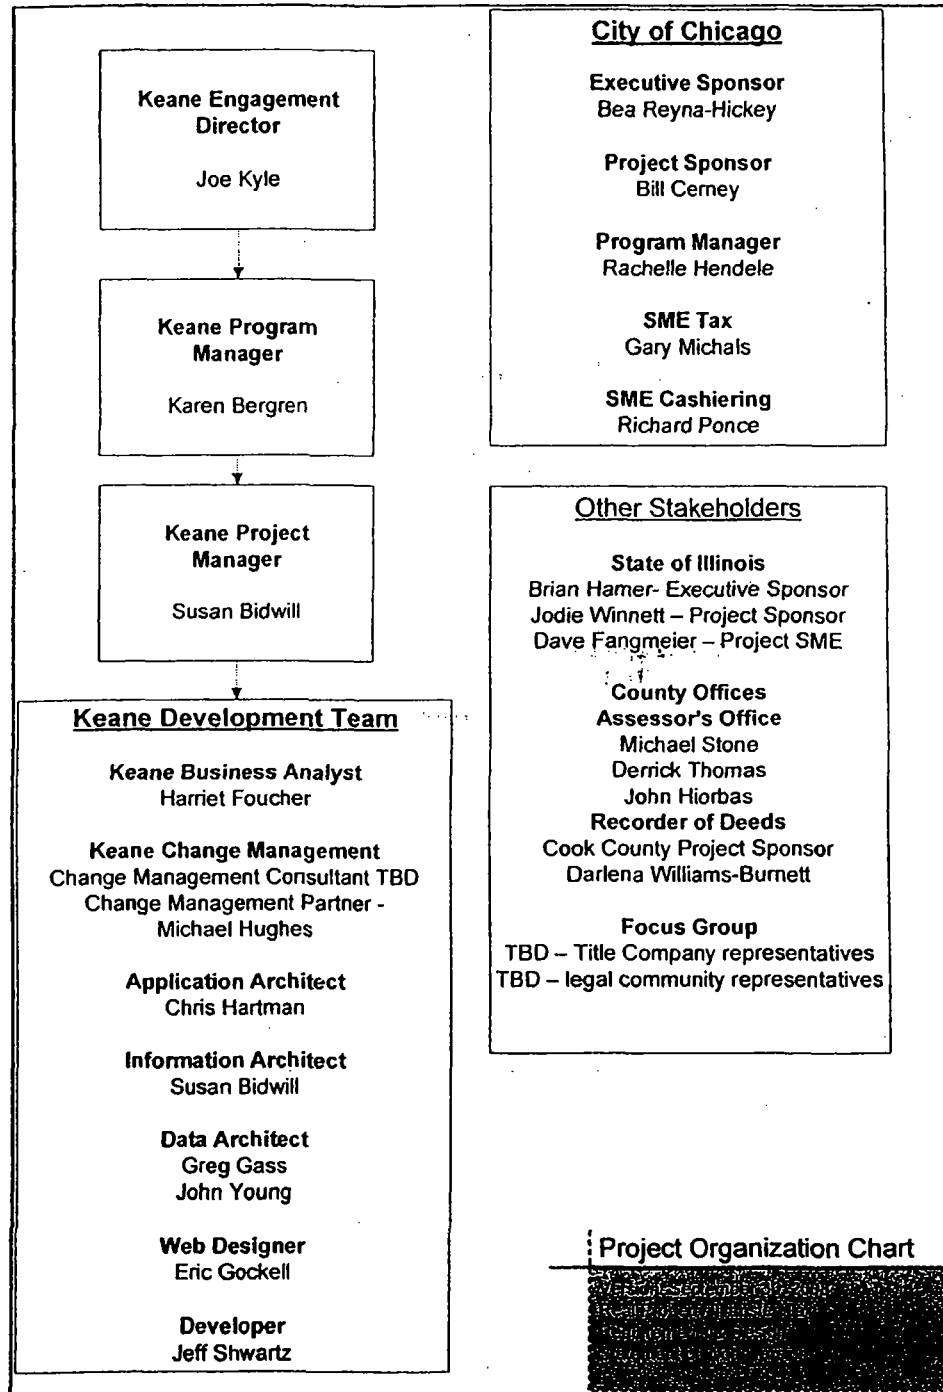

5.2 Product Quality

The following activities are meant to improve product quality:

- Following standards:
 - Follow Keane's Productivity Management principals
 - Use Keane Templates for developing documents (SOW, Project Plan, Swim-Lane process flows, etc)

8 RISK MANAGEMENT

8.1 Keane's Risk Assessment Approach

Risks exist on every project; however, proactive management can reduce risk occurrence and risk impact to the project. Keane will use its Project Risk Assessment Method (PRAM) on this project. This structured

process serves to monitor, assess, and deal with known risks and to uncover new risks as they arise. We communicate with City of Chicago to encourage shared management of the potential risks. Shared management of the risk factors helps to ensure minimal negative impact on the project and provides an opportunity to contribute to project success.

PRAM consists of the following steps:

1. Identify and define the risk to encourage active management of risks by Keane and City of Chicago.
2. Prioritize each risk, both in terms of the probability of the risk occurring and the real or potential impact to the project timeline, costs, and/or scope if/when it occurs. We will take action to mitigate both the high-impact and the high-probability risks.
3. Define proactive and executable mitigation strategies/actions. Mitigation actions seek either to prevent a risk from occurring (reduce probability) and/or to reduce the impact if it were to occur. This includes assigning ownership responsibility for the mitigation action; ownership may be assigned to Keane, City of Chicago or 3rd-party personnel.
4. Monitor progress of the mitigation actions. Mitigation actions become specific activities and tasks within the project plan and will be reported through individual status reports (and project status reports) as accomplishments.
5. Review and update the PRAM monthly. The previous risk assessment serves as input to the next risk assessment; however, new risks may be identified and priorities can/do change.
6. The PRAM will be reviewed monthly with the City of Chicago Project Sponsor during the status meeting to evaluate the current status of all risks and to update the PRAM as needed. This will create awareness of what we are doing to address risk but will also seek City of Chicago involvement in mitigation. The PRAM will be reviewed and updated on a more frequent basis if warranted.

8.2 Project Risks

Keane has evaluated the risks identified to-date, shown below. In the first weeks of the project, Keane will conduct a Risk Evaluation session with City of Chicago, to gain agreement on the project risks, mitigating actions, and assignment of actions.

ID	Risk Factor	Impact Level	Mitigation Action
1.	Multiple stakeholders outside the City of Chicago control may have different priorities and not be available for interviews/work sessions and negatively impact schedule	High	Stress importance of the meetings, value to them, schedule meetings well in advance. Involve key stakeholder areas in a focus group. Provide schedule in advance to manage expectations.
2.	Organizational resistance to change	High	Manage stakeholder expectations & engage their support in process changes. Develop a Change Management Roadmap to obtain buy-in.
3.	Not getting City of Chicago and State of Illinois to agree on contractual details for collaboration.	High	Identify in SOW the drop dead date for collaboration. Get agreement from the City of Chicago that Keane can work with the State of Illinois in good faith prior to completion of contractual agreement between the State of Illinois and the City of Chicago.
4.	Collaboration across agencies could lead to conflicting goals among stakeholders which could cause delays	High	Define and agree to contractual details between the City of Chicago and the State of Illinois early in the project. Follow contractual agreement for issue escalation and resolution.
5.	Delays in delivery of DoIT technical support and administration services for the project development environment may negatively impact project schedule	High	Work with DoIT to agree to a Service Level Agreement regarding DoIT services or find a way to test and deploy outside of DoIT.

9 CHANGE CONTROL

9.1 Change Procedure

Keane recognizes that change is a normal part of the project life cycle. Keane believes that managing change is critical to the project's ultimate success.

The change procedure will be used in any situation where a change occurs to the project as defined in this SOW. Change can result in an increase or decrease or no change to schedule or cost. A change with no cost/schedule impact is known as an informational change but is still important because it resets expectations.

As the project proceeds, there can be occasions when changes are desired to the originally agreed scope, approach, process (es) and procedures. The change process will also be used when these processes and procedures are violated, when there is a failure to perform some aspect of the SOW (non-compliance). One particular type of non-compliance change is lost time, which may occur as many small items, but can have a disastrous effect on project costs and deadlines because it is impossible to forecast and requires constant control and analysis. As already mentioned, not all changes have an impact to cost and/or schedule; informational changes that occur can alter expectations (and could be compliance or non-compliance).

Refer to the next section for examples of occasions when the change procedure will be used and discussion of change criteria.

The change process is:

1. Anyone (Keane or Client personnel) may request a change. This request is given to the Project Manager.
2. The Project Manager, or designee, analyzes the change request and completes the Change Request form (included in Appendix C). Change documentation includes a description of the change (need or benefit) and an estimate of the impact on cost and/or schedule. All change requests are logged, tracked, and reported in status reports and meetings.
3. The Project Manager presents the change request to City of Chicago and Keane (as defined in the Roles and Responsibilities) for review, discussion, and disposition.
4. The change request must be disposed (approved or rejected) within 10 business days after submittal. This approval/rejection must be in writing (no verbal or default approvals). The Change Request form lists the specific timeframe so there will be no confusion about schedule.
5. If City of Chicago does not respond to the change within the timeframe, the change request will be added as an item on the issues log and fall under the issues management process. Also, it must be understood that the change request may need adjustment after that date because impacts can change over time.
6. The Keane Project Manager will maintain the original Change Control documents, along with the Change Request Log, in the Project Notebook.
7. No work associated with the change request will begin until formal approval is received. When a change is approved, the project plan will be adjusted and the amount authorized (dollars and/or hours) is subtracted from the change budget and added into the project budget.

Keane recommends that Clients establish a change budget for each project to allow for approved changes to project scope and additional work to be performed. The change budget will remain under the exclusive control of the City of Chicago. The change budget is described in the Time and Cost section of the SOW.

9.2 Change Criteria

The change procedure will be used for instances such as:

- Contractual details between the City of Chicago and the State of Illinois and Cook County needs to be finalized no later than November 1st, 2008 or else change control can be invoked. A letter of intent may be an acceptable substitute. Change control will be invoked if the final Inter-Government Agreement changes the scope or deliverables defined in this SOW.

- The effort is based on a specific number of Use Cases and Wire Frames/prototype. Up to 20 Use Cases and 17 Wire Frames/prototypes were included in the estimate. If Use Cases or Wire Frames/prototypes exceed this estimate, the change procedure will be invoked.
- The schedule is based on a specific number of interviews (1-2 per Use Case) with the representative communities. Any change to the representative communities, the number of representatives, the total number of interviews or interviews outside the interview schedule is a basis for change.
- Any change to the SOW. Potential changes could include but are not limited to the following examples:
 - Any work associated with items listed in the Out-of-Scope (2.3) section, unless brought into scope through an approved Change Request.
 - Changes in legislation or City policy that affect Real Property Transfer Tax functions.
 - Discovery of unknown stakeholders using the Real Property Transfer Tax functions.
- Any change to the schedule shown in Section 7, Time and Cost, and reflected in Section 7.2 Cost/Budget of this SOW.
- Addition of a deliverable not defined in the SOW
- An additional task or activity not defined in the SOW and/or project plan for a planned deliverable
- Changes to an accepted deliverable
- Realization of high-impact risks contained in the Risk Profile (previously described)
- Time spent to investigate and/or estimate any change request if time exceeds four hours
- Time lost due to reasons such as:
 - Unavailability of agreed-to equipment or software, system downtime, or access to environment/infrastructure needed by the project team
 - Unavailability of client personnel
 - Client missing the agreed upon target date for an issue action
 - Client missing the target date for a deliverable review

10. ACCEPTANCE MANAGEMENT

10.1 Acceptance Procedure

Keane has defined deliverables throughout the life of the project. These provide the building blocks that move the project towards final completion of the scope as defined in the SOW. Acceptance means that City of Chicago agrees that the deliverable meets the criteria and can be used as input to related future deliverables.

Acceptance of deliverables on a timely basis is critical in order to avoid delays to the project. Delays can mean dependent tasks/deliverables can't proceed without the risk of rework. In order to ensure smooth delivery and acceptance of all deliverables, the following process will be employed:

1. Keane provides the deliverable to the appropriate and authorized client for review, accompanied by a Deliverables Acceptance Form. The Acceptance Form includes a description of the deliverable and restates the acceptance criteria defined in the SOW for that deliverable. A sample of the Acceptance Form is located in D.
2. Keane logs all submissions of deliverables. This log includes the deliverable number, submission date, deliverable description, approval authority, rejection reason (where applicable), and date returned.
3. Keane schedules and conducts a walkthrough with the appropriate and authorized Client to verify a mutual understanding of the content of the deliverable. This occurs after the deliverable is given to the Client and before the "due date" (set in point 5, below). This allows time, if/when necessary, to address questions from the walkthrough and still remain on schedule. Where practical, acceptance is obtained at the completion of the walkthrough.
4. Response to each deliverable must be formal acceptance or rejection in writing (no verbal, conditional or default approvals). E-mail approvals are acceptable if they are explicit (as on the Acceptance Form). However, this should be an exception since the walkthrough should be the primary means of securing approval.
5. Acceptance must occur on a timely basis to avoid delays to the project. For this project, deliverables must be approved within **five business days** after receipt, unless an alternative time frame is mutually agreed upon. Large, complex deliverables may receive more time, as long as it is pre-defined. The Acceptance Form lists the specific date associated with the timeframe to eliminate any confusion about when approval is needed to stay on schedule.
6. Acceptance of the deliverable is to be based upon the established acceptance criteria. If the deliverable is rejected, City of Chicago Project Sponsor must document on the Acceptance Form the specific reason(s) for rejection. If required, a meeting can be held to discuss the deliverable in detail. All errors and omissions must be detailed in the first rejection.
7. One resubmission is allowed to modify the deliverable and address the specific items that were rejected. If all specific items that were rejected have been corrected, yet the Client requires additional resubmission, the change procedure will be invoked.

8. If the Acceptance form is not signed by the agreed-upon due date, the item will be added to the issues log and fall under the issues management process. Typically, dependent tasks start after expiration of the approval timeframe. Therefore, a delay in approvals can/will impact other activities and may be a criterion for change.

Refer to the deliverables in the **Work Approach section** for information about what deliverables are planned, acceptance criteria for each deliverable, and client approval authority for each deliverable.

In addition to the formal deliverable schedule, Keane employs interim (incremental) deliverable milestones throughout the project. These interim deliverables will be identified as the project progresses. This allows City of Chicago and Keane to review logical works in process for gradual acceptance of the final deliverables.

10.2 SOW Acceptance

The SOW is a deliverable and will follow the same process just described.

10.3 Final Project Acceptance

At the conclusion of the project, after all project deliverables are approved, a Final Project Acceptance form will be submitted to the City of Chicago Project Sponsor to acknowledge completion of all work by Keane and fulfillment of all obligations under this SOW (and as amended through approved change requests).

Keane will identify submission dates and provide initial drafts throughout the project. The City, in turn, will return either sign off on the deliverables within five business days or return the documents to Keane with requested changes.

Exhibit "A".
(To Ordinance)

Lease Agreement.

Chicago O'Hare International Airport.

This lease agreement ("Lease") is made and entered into as of this ___ day of _____, 2009, by and between the City of Chicago, acting through its Department of Aviation ("City") and the United States Government ("Government") acting by and through the General Services Administration ("G.S.A." or "Tenant") on behalf of the Federal Bureau of Investigation ("F.B.I.").

Background.

The City owns and operates an airport known as Chicago O'Hare International Airport ("Airport") and possesses the power and authority to lease premises and facilities and to grant other rights and privileges with respect to the Airport. The G.S.A. is the Government agency that is responsible for acquiring facilities for use by the F.B.I.. The F.B.I. desires to use certain space at the Airport, more specifically identified in (Sub)Exhibit 1 (the "Premises"), for those purposes set forth on (Sub)Exhibit 2 (the "Permitted Uses"). The City is willing to lease the Premises for the Permitted Uses, subject to certain terms and conditions set forth below. Further, notwithstanding the fact that the G.S.A. is the official Tenant, the City understands and agrees that the F.B.I. will be the occupant of the Premises and will conduct the Permitted Uses. The City will look to the G.S.A. to enforce the terms of the Lease. The G.S.A. and the F.B.I. understand and agree that, for certain matters, including but not limited to emergency situations, the City may directly contact the on-site F.B.I. tenants to comply with Lease terms and conditions governing the use and occupancy of the Premises.

Agreement.

In consideration of the promises and of the mutual covenants and agreements herein contained, and for such other good and valuable consideration, the receipt of which is hereby acknowledged, the parties hereto covenant and agree as follows:

*Article I.**Incorporation Of Background.*

The Background set forth above is incorporated by reference as if fully set forth herein.

*Article II.**Premises.***2.01 Use Of Premises.**

City hereby grants, and Tenant hereby accepts a Lease for the exclusive use of the Premises by the F.B.I., subject to the terms and conditions of this Lease and all applicable federal, state, and local laws, regulations, rules, codes, ordinances, and executive orders. The Premises may be used by the F.B.I. solely for the Permitted Uses and for no other purpose without the written approval of the Commissioner of the Department of Aviation ("Commissioner").

2.02 Access.

The Tenant shall have ready and convenient access to the Premises, subject to the rules and regulations of the Airport. This Lease is subject to a reservation of rights by the City for access to the Premises for maintenance, repair, and inspection. The City shall give the F.B.I. reasonable notice prior to its exercise of such right. The City of Chicago personnel will be badged and have an F.B.I. escort at all times.

2.03 Relocation.

If at any time before the expiration of this Lease, the City desires to change the location of the Premises (in whole or in part), such relocation shall be at the expense of the City. The City may only relocate the Tenant to a new location that meets all of the F.B.I.'s security requirements. The City shall give notice to the Tenant or F.B.I. of the City's intent to relocate the Premises at least one hundred eighty (180) days prior to the effective date of the relocation. Such notice shall include a description of the new premises and the effective date of such relocation. The Tenant and the City shall agree upon the allowable relocation expenses. The terms and conditions of this Lease shall apply to the new premises under such relocation and (Sub)Exhibit 1 hereto may be revised by the City to show the relocated premises without need for a formal amendment to this Lease.

2.04 Present Condition Of The Premises.

Tenant, By The Execution Of This Lease, Accepts The Premises In An "As-Is" Condition. City Makes No Warranty, Either Express Or Implied, As To The Condition Of The Premises Or That The Premises Will Be Suitable For The Permitted Uses Or Any Other Purposes Or Needs Of The G.S.A. Or The F.B.I.

2.05 Modifications To Premises.

(a) Tenant may, from time to time, install facilities and improvements and modify existing facilities or improvements in the Premises ("Work"). Before entering into any contract for such Work, Tenant shall first submit to the Commissioner for prior written approval a construction application together with complete plans and specifications of the proposed Work. The Commissioner's approval will be in accordance with the Department of Aviation's Standard Operating Procedures for such projects, a copy of which shall be provided to the Tenant for reference. If requested by the Commissioner, Tenant shall require its contractor to furnish a performance bond and payment bond, approved as to form and substance by the Commissioner. The Commissioner's approval of the construction application and plans and specifications will not be unreasonably withheld.

(b) Tenant shall cause construction contractors to indemnify, hold harmless, and defend City, its officers, agents, and employees against losses (except to the extent such losses are caused solely by City's negligence), occasioned by death, injury to persons or damage to property, arising out of or in connection with the performance of Work, against the risk of loss or damage to the construction prior to the completion thereof, and against losses resulting from claims and demands by third persons arising out of the performance of the Work. Tenant shall provide, or shall require its contractor to provide, insurance covering the foregoing, and naming the City as an additional insured, as provided in Article V of this Lease. Tenant shall also include in any construction contract such provisions as may reasonably be required by the Commissioner relating to the operation of the contractor at the Airport.

(c) All Work performed by Tenant or its contractor, including all workmanship and materials, shall be of acceptable quality and shall be performed in accordance with the plans and specifications approved by the Commissioner. Such Work may be inspected by the Commissioner, or the authorized representative of the Commissioner. The City of Chicago personnel will be badged and have an F.B.I. escort at all times.

(d) Tenant shall deliver to the Commissioner "as built" drawings of the Work performed on its Premises and shall keep such drawings current showing any additional changes or modifications made in or to its Premises.

(e) Tenant shall discharge when due all obligations to contractors, subcontractors, materialmen, workmen, suppliers, and others for all Work performed and for all materials furnished for or on account of Tenant.

(f) Tenant shall keep its Premises and the installations situated thereon free and clear of any and all liens in any way arising out of the construction, improvement or use of the Premises by Tenant; provided, however, that Tenant may in good faith contest the validity of any lien.

2.06 Utilities.

Tenant shall be responsible for payment of the costs of electricity, telephone service, and all other utility services for the Premises that are separately metered. Heat and air will not be separately metered and are included in the rent.

2.07 Taxes, Leases, And Permits.

Tenant shall pay all taxes and obtain all necessary licenses, inspections, permits, certificates or other authorizations needed in connection with its use of the Premises.

2.08 Operation And Maintenance.

Tenant shall be responsible for any and all charges incurred in connection with its operations. Tenant shall further restore and replace any property damaged as a result of Tenant's operations. Tenant shall conduct its operations in a clean, sanitary, and safe manner, and shall be responsible for any maintenance which is a result of Tenant's operations, including but not limited to custodial services and any special conditions that may be set forth in (Sub)Exhibit 1 with respect to particular Premises.

2.09 Non-Assignment.

This Lease is granted to the Tenant and solely for the Permitted Uses stated herein. Tenant shall not assign this Lease to any other party without the prior written consent of the Commissioner. Any attempted assignment without such consent shall be void and without effect as to the City.

Article III.

Duration Of Lease.

3.01 Term Of Lease.

(a) Unless otherwise terminated as provided below or as expressly provided otherwise with respect to a specific portion of the Premises, this Lease will remain in effect for a period of

ten (10) years from the date first set forth above and may be extended by mutual agreement for one additional term of five (5) years, provided that the Tenant, at the time of the extension, is in compliance with the terms and conditions of the Lease. Tenant must notify the City in writing at least one hundred eighty (180) days prior to expiration of the Lease if it does not intend to extend the Lease in order for City to lease the Premises to others. If Tenant fails to comply with the foregoing notice requirement and City is unable to lease the Premises to replacement tenant(s) by the time of expiration of this Lease, Tenant shall pay rent for the period following expiration to the extent that any portion of the Premises is not leased to others, but not to exceed one hundred eighty (180) days.

(b) The Lease may be terminated at any time by the Commissioner or Tenant, with or without cause, provided the terminating party gives one hundred eighty (180) days written notice in accordance with the terms and conditions hereof. In the event the F.B.I. no longer possesses the necessary licenses, permits, or other authorizations in connection with the use of the Premises, or fails to operate and maintain the Premises in accordance with this Lease, Tenant has sixty (60) days to cure the violation. If Tenant fails to cure the violation by the end of sixty (60) days, the Commissioner may terminate this Lease upon ten (10) days written notice. Any holdover by Tenant beyond a valid term of the Lease as provided for in (a) shall be on a month-to-month basis, upon the same terms and conditions of this Lease, terminable with one month's notice by Commissioner. If Tenant remains after the Commissioner or City has properly terminated this Lease, Tenant shall pay the City an amount equal to one hundred fifty percent (150%) of the applicable rental rate for the occupied Premises for the period that Tenant remains beyond the termination date.

3.02 Vacation Of Premises.

(a) Tenant covenants and agrees to yield and deliver peaceably to City possession of the Premises on the date of the termination of this Lease, promptly and in as good condition as at the issuance of the Lease, reasonable wear and tear excepted or, if improved, in as good condition as of the completion date of the last improvement made to the Premises, reasonable wear and tear excepted.

(b) The personal property owned and placed or installed by Tenant in the Premises shall remain the property of Tenant and must be removed on or before the effective date of termination of the Lease, at the Tenant's sole risk and expense. Any damage to the Airport, the Premises, or any fixtures located therein, resulting from such removal shall be paid for by Tenant. Tenant shall have thirty (30) days following the effective date of termination to remove such property; provided, however, City shall have the right to assert such lien or liens against said property as City may by law be permitted. So long as any such property remains in the Premises, Tenant's obligation to pay any fees shall continue with respect to such Premises.

(c) If Tenant's property is not removed as herein provided, the City may, at its option, deem such property abandoned and keep such property or, after written notice to Tenant and at Tenant's sole risk and expense, remove such property to a public warehouse for deposit, or retain the same in City's possession and after the expiration of thirty (30) days sell the same,

with notice and in accordance with applicable law, the proceeds of which shall be applied first to the expenses of such removal and sale, second to any sum owed by Tenant to City and any balance remaining shall be paid to Tenant.

Article IV.

Article V.

Indemnity And Insurance.

5.01 Insurance.

Tenant shall comply with the insurance requirements set forth in (Sub)Exhibit 4 hereto, which is hereby incorporated by reference as though fully set forth herein.

5.02 Indemnity.

In accordance with the terms and subject to the conditions, limitations and exceptions set forth in the Federal Tort Claims Act of 1948, as amended (28 USC 2671, et seq.) ("Tort Act"), Tenant shall be liable to persons damaged by any personal injury, death, or injury to or loss of property, which is caused by a negligent or wrongful act or omission of any employee of Tenant or F.B.I. while acting within the scope of his office or employment under the circumstances where a private person would be liable in accordance with the law of the place where the act or omission occurred. The foregoing shall not be deemed to extend Tenant's or F.B.I.'s liability beyond that existing under the Tort Act at the time of such act or omission, or to preclude Tenant or F.B.I. from using any defense available at law or in equity.

*Article VI.**Compliance With All Laws.*

Tenant shall, and shall cause any contractors to, observe and comply with all laws applicable to the Premises and pay all taxes and obtain all licenses, certificates, and other authorizations required by all applicable federal, state, county, and municipal laws, statutes, ordinances, and executive orders. Tenant agrees to make a part of and incorporate into this Lease, by reference or by setting forth at length, at the option of the City, any and all statutes, rules and regulations required pursuant thereto which may now or hereafter be required by any federal, state, county, and municipal agency. Notwithstanding anything herein to the contrary, references herein to a statute or law shall be deemed to be a reference to (i) such statute or law as may be amended from time to time, (ii) all regulations and rules, pertaining to or promulgated pursuant to such statute or law, and (iii) all future statutes, laws, regulations, rules, and executive orders pertaining to the same or similar subject matter.

Contractor Insurance Requirements For Any Work On The Premises.

The Tenant must provide and maintain at Tenant's own expense or cause to be provided, by its contractor the insurance coverage and requirements specified below, insuring all operations related to the Tenant's agreement with its contractor.

A. Insurance To Be Provided.

1) Workers' Compensation and Employer's Liability.

Workers' Compensation Insurance, as prescribed by applicable law covering all employees who are to provide a service under this Agreement and Employer's

Liability coverage with limits of not less than Five Hundred Thousand Dollars (\$500,000) each accident, illness or disease.

2) Commercial General Liability (Primary And Umbrella).

Commercial General Liability Insurance or equivalent with limits of not less than Five Million Dollars (\$5,000,000) per occurrence for bodily injury, personal injury and property damage liability. Coverages must include the following: all premises and operations, products/completed operations, explosion, collapse, underground, separation of insureds, defense and contractual liability (with no limitation endorsement). The City of Chicago is to be named as an additional insured on a primary, noncontributory basis for any liability arising directly or indirectly from the work.

3) Automobile Liability (Primary And Umbrella).

When any motor vehicles (owned, non-owned and hired) are used in connection with work to be performed, the Tenant and/or Contractor must provide Automobile Liability Insurance with limits of not less than Five Million Dollars (\$5,000,000) per occurrence for bodily injury and property damage. The City of Chicago is to be named as an additional insured on a primary, noncontributory basis.

4) Builders Risk.

When the Tenant or its contractor undertakes any construction, including improvements, betterments, and/or repairs, the Tenant or contractor must provide All Risk Builders Risk Insurance at replacement cost for materials, supplies, equipment, machinery and fixtures that are or will be part of the permanent facility/project. The City of Chicago is to be named as an additional insured and loss payee.

5) Property.

Tenant and/or contractor is responsible for all loss or damage to City Property at full replacement cost.

Tenant and/or contractor is responsible for all loss or damage to personal property (including but not limited to material, equipment, tools and supplies), owned, rented, or used by Tenant and/or contractor.

6) Self Insurance.

To the extent permitted by law, Tenant may self insure for the insurance requirements specified above, it being expressly understood and agreed that, if the

Tenant does self insure for the above insurance requirements, the Tenant must bear all risk of loss for any loss which would otherwise be covered by insurance policies, and the self insurance program must comply with at least the insurance requirements as stipulated above.

B. Additional Requirements.

The Tenant must furnish the City of Chicago, Department of Aviation, Chicago O'Hare International Airport Real Estate Division, P.O. Box 66142, Chicago, Illinois 60666, original Certificates of Insurance, or such similar evidence, to be in force on the date of this Agreement, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the term of this Agreement. The Tenant must submit evidence of insurance on the City of Chicago Insurance Certificate form (copy attached) or equivalent prior to Agreement award. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from Tenant is not a waiver by the City of any requirements for Tenant to obtain and maintain the specified coverages. The Tenant must advise all insurers of the Agreement provisions regarding insurance. Non-conforming insurance does not relieve Tenant of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to stop work until proper evidence of insurance is provided, or the Agreement may be terminated.

The insurance must provide for sixty (60) days prior written notice to be given to the City in the event coverage is substantially changed, canceled or non-renewed.

Any deductibles or self-insured retentions on referenced insurance coverages must be borne by Tenant and/or contractor.

The Tenant hereby waives and agrees to require their insurers to waive their rights of subrogation against the City of Chicago, its employees, elected officials, agents or representatives.

The coverages and limits furnished by Tenant in no way limit the Tenant's liabilities and responsibilities specified within the Agreement or by law.

Any insurance or self insurance programs maintained by the City of Chicago do not contribute with insurance provided by the Tenant under the Agreement.

[R2009-734]

The Committee on Education and Child Development submitted the following report:

CHICAGO, June 30, 2009.

To the President and Members of the City Council:

Reporting for your Committee on Education and Child Development, which held a meeting May 20, 2009 and June 15, 2009 to consider a resolution by Alderman Fioretti, Preckwinkle and E. Smith in support of Moses Montefiore Special School (PR2009-19), begs leave to recommend that Your Honorable Body *Adopt* the said proposed resolution which is transmitted herewith.

This recommendation was concurred in by a viva voce vote of the Committee on Education and Child Development.

Respectfully submitted,

(Signed) LATASHA R. THOMAS,
Chairman.

On motion of Alderman Thomas, the said proposed resolution transmitted with the foregoing committee report was *Adopted* by yeas and nays as follows:

Yeas -- Aldermen Flores, Fioretti, Dowell, Preckwinkle, Hairston, Lyle, Jackson, Harris, Beale, Pope, Balcer, Cárdenas, Olivo, Burke, Foulkes, Thompson, Thomas, Lane, Rugai, Cochran, Brookins, Muñoz, Zalewski, Dixon, Solis, Burnett, E. Alderman Carothers moved to reconsider the foregoing vote. The motion was lost.

The following is said resolution as adopted:

WHEREAS, The Chicago Public Schools comprise the nation's third largest school system with an enrollment of almost 430,000 pupils; and

WHEREAS, Although there may be many students who excel in their studies without special services that may benefit from improvements through the Renaissance 2010 Plan, there are other students who require such services and will have their opportunities profoundly curtailed by the lack thereof; and

WHEREAS, The Moses Montefiore Special School was founded by the Chicago Board of Education in 1929 in an effort to prevent juvenile delinquency by providing a special education for boys. The early work at the school led to the identification of different types of disabilities and the establishment of the Department for Special Education Programs; and

WHEREAS, Montefiore is the least restrictive environment for school children with severe and profound emotional and behavioral problems. It is there that they receive the intensive educational, psychological, health and social services they require; and

WHEREAS, Montefiore is a 12-month, year-round school, and the only Chicago Public School operating on a 46-week basis, from September through August, and is housed today in its third location at 1310 South Ashland Avenue in the middle of the city, providing bus services to bring students from all sectors of the City for its specialized service, care and education; and

WHEREAS, For more than 37 years Principal Mary Ann Pollett has improved conditions for both students and staff. She has been honored in the field of specialized education and thereby brought increased attention, funding and other such opportunities for Montefiore students while maintaining the facility in a clean and efficient manner; and

WHEREAS, The Chicago Board of Education's Office of Specialized Services has exhibited a disturbing and devastating preference for outsourcing education to private educational contractors for \$14.2 Million in 2008 at the expense of diminishing and destroying the supportive community of public therapeutic schools in Chicago which has eliminated the employment of experienced and specialized C.P.S. teachers; now, therefore;

Be It Resolved, That we, the undersigned members of the City of Chicago Council, assembled this thirtieth day of June, 2009 A.D., do request Chicago Public Schools Chief Executive Officer Ron Huberman and Chief of Office of Specialized Services Deborah Duskey appear before the Committee on Education and Child Development at the earliest possible time to show cause why an excellent and much needed facility such as Montefiore is being considered for elimination; and

Be It Further Resolved, That copies of this resolution be prepared and presented to Ron Huberman and Deborah Duskey.

The term of this lease ("Term") shall commence on the date of execution of this lease agreement ("Commencement Date"), and shall terminate on December 31, 2012, unless sooner terminated as set forth in this lease.

*Section 3.**Rent, Taxes, And Utilities.**3.1 Rent.*

Tenant shall pay base rent for the Premises in the amount of: One and no/100 Dollars (\$1.00) for the entire Term the receipt and sufficiency of said sum being herewith acknowledged by both parties. Landlord reserves the right to set fair market rent for Tenant's use of the Premises as determined by a Landlord-approved appraiser having a Member Appraisal Institute (M.A.I.) accreditation. Such rental amounts shall be subject to the mutual approval of Landlord and Tenant. In the event Landlord and Tenant are unable to agree on such future rental valuation, Landlord and Tenant may invoke all relief available under this lease agreement including, but not limited to, Section 9.10 hereunder.

3.2 Utilities.

Landlord reserves the right to charge Tenant a pro-rated share of Tenant's portion of charges for gas, electricity, light, heat, or water. 3.3 Taxes.

Tenant acknowledges that Premises are exempt from leasehold, real estate, and other property taxes. Tenant shall pay when due any leasehold, real estate, and other property taxes assessed or levied on the subject Premises and attributable to Tenant's use of the Premises. Tenant shall notify the appropriate taxing body that Tenant is occupying the Premises. The appropriate taxing body shall determine the appropriate taxes, if any, that are to be assessed on the Premises as a result of Tenant's occupancy. Tenant shall thereafter contact the appropriate taxing body to ascertain the tax amount, if any, assessed on the subject Premises. Tenant shall pay such amounts and Tenant shall provide Landlord with proof of such payment within ten (10) days of such payment. Tenant further acknowledges that real estate taxes are one (1) year in arrears in Cook County and that as a result Tenant shall be responsible for satisfaction of leasehold, real estate, and other property taxes assessed or levied on the subject Premises on account of Tenant's use for at least one year after Tenant vacates the Premises. Tenant's failure to pay any such taxes shall constitute a default under this lease. Notwithstanding the foregoing, nothing herein shall preclude Tenant from contesting any charge or tax levied against the subject Premises. The failure of Tenant to pay such taxes during the pendency of the contest shall not constitute a default under this lease. Tenant's tax responsibilities under this section shall survive the expiration, cancellation, or termination of this lease agreement.

3.4 Accord And Satisfaction.

No payment by Tenant or receipt by Landlord of a lesser amount than any installment or payment of the rent due hereunder shall be deemed to be other than on account of the amount due, and no endorsement of statement or any check or any letter accompanying any check or payment of rent shall be deemed an accord and satisfaction. If Tenant shall refuse or neglect to make needed repairs necessary to comply with such provisions within fifteen (15) days after written notice thereof sent by Landlord, unless such repair cannot be remedied by fifteen (15) days, and Tenant shall have commenced and is diligently pursuing all necessary action to remedy such repair, Landlord, at Landlord's option, is authorized to either make such repairs. Tenant will promptly and within ten (10) business days of demand reimburse Landlord for the reasonable cost thereof, or Landlord can immediately terminate this lease by providing the Tenant with written notice thereof. Landlord shall have the right of access to the Premises for the purpose of inspecting and making repairs to the Premises, provided that except in the case of emergencies, Landlord shall first give notice to Tenant of Landlord's desire to enter the Premises and Landlord will schedule its entry so as to minimize any interference with Tenant's use of Premises.

5.2 Tenant's Covenant Against Liens.

Tenant shall not cause or permit any lien or encumbrance, whether created by act of Tenant, operation of law or otherwise, to attach to or be placed upon Landlord's title or interest in the Premises. All liens and encumbrances created by Tenant shall attach to Tenant's interest only. In case of any such lien attaching, Tenant shall immediately pay and remove such lien or furnish security or indemnify Landlord in a manner satisfactory to Landlord in its sole discretion to protect Landlord against any defense or expense arising from such lien. Except during any period in which Tenant appeals any judgment or obtains a rehearing of any such lien, or in the event judgment is stayed, Tenant shall immediately pay any judgment rendered against Tenant, with all proper costs and charges, and shall have the lien released and any judgment satisfied. If Tenant fails to pay and remove any lien or contest such lien in accordance herewith, Landlord, at its election, may pay and satisfy same, and all sums so paid by Landlord, with interest from the date of payment at the rate set at twelve percent (12%) per annum.

The Tenant shall submit evidence on insurance prior to lease award. The receipt of any certificates does not constitute agreement by the Landlord that the insurance requirements in the lease have been fully met or that the insurance policies indicated on the certificate are in compliance with all lease requirements. The failure of the Landlord to obtain certificates or other insurance evidence from Tenant shall not be deemed to be a waiver by the Landlord. The Tenant shall advise all insurers of the lease provisions regarding insurance. Nonconforming insurance shall not relieve Tenant of its obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the lease, and the Landlord retains the right to terminate the lease until proper evidence of insurance is provided.

The insurance shall provide for sixty (60) days prior written notice to be given to the Landlord in the event coverage is substantially changed, canceled or non-renewed.

Any and all deductibles or self-insured retentions on referenced insurance coverages shall be borne by Tenant.

The Tenant agrees that insurers shall waive their rights of subrogation against the Landlord of Chicago its employees, elected officials, agents or representatives.

The Tenant expressly understands and agrees that any coverages and limits furnished by Tenant shall in no way limit the Tenant's liabilities and responsibilities specified within the lease documents or by law.

The Tenant expressly understands and agrees that any insurance or self-insurance programs maintained by the City of Chicago shall apply in excess of and not contribute with insurance provided by the Tenant under the lease.

The required insurance shall not be limited by any limitations expressed in the indemnification language herein or any limitation placed on the indemnity therein given as a matter of law.

The City of Chicago, Department of Finance, Office of Risk Management, maintains the right to modify, delete, alter or change these requirements.

6.3 Tenant's Self-Insurance.

9-68-021 Sale Of Residential Parking Permits.

(a) Service Contracts. In addition to distributing residential parking permits (for purposes of this section, "permits"), the city clerk may enter into contracts (for purposes of this section, "service contract") with no more than five entities to be selected by the city clerk to sell permits in any calendar year (for purposes of this section, each such entity shall be known as a "contractor"). Contractors may sell such permits directly or through

subcontractors to be selected by the contractors, subject to the approval of the city clerk (for purposes of this section, each subcontractor shall be known as a "vendor").

The service contracts may contain such terms as the city clerk deems necessary to effectuate the sale of permits, including but not limited to terms obligating the contractors to pick up the permits from the city, transmit the permits to the locations where they will be sold by vendors, verify that the purchasers of the permits have submitted complete and correct information, and provide a detailed accounting of the transactions to enable the city clerk's office to verify that the services have been performed in accordance with legal requirements.

Any contractor or vendor shall derive its entire compensation by collecting a fee from purchasers of permits, which, for one-day residential parking permits, shall not exceed ninety-one per fifteen permits (for purposes of this section, "fee"); provided, however, no contractor or vendor shall charge any fee for selling annual residential parking permits. All proceeds from the sale of the permits by any contractor or vendor, but not including the fee, shall be deposited by the contractor or vendor into a city account in a depository designated by the city council as an approved depository; such deposits shall be made no later than four business days after the contractor or vendor receives payment from the purchaser of the permit.

GOVERNOR PAT QUINN AND ILLINOIS GENERAL ASSEMBLY URGED TO FULLY FUND SOCIAL SERVICES PROGRAMS.

[R2009-737]

WHEREAS, Effective, adequately funded health and social services play an essential role in the fabric of our city and the well-being of its residents; and

WHEREAS, The General Assembly is proposing to drastically cut health and social service-related budgets for the upcoming fiscal year; and

WHEREAS, Such cuts, if implemented, would have significant, far-reaching negative effects on Chicago and its people, and cause severe harm to the citywide network of health and human service agencies and providers that underlie the safety net of essential services for Chicagoans; and

WHEREAS, In 2009, \$183.7 Million in State grants were awarded to the city, \$31.2 Million for the Department of Public Health ("D.P.H."), supporting 310 positions, and \$78.6 Million for the Department of Family and Support Services ("D.F.F.S."), supporting 272 positions; and

WHEREAS, DPH is anticipating a cut of \$8.5 Million, representing a reduction of 27% from 2009, which could affect 80 positions, and D.F.F.S. is anticipating a cut of \$13.4 Million, representing a reduction of 17% from 2009, which could affect 51 positions; and

WHEREAS, The impact of such proposed cuts is far-reaching and pervasive, and would result in the elimination of 5,760 restaurant inspections, 6,000 STD clinic visits, immunizations to 5,000 children, including 1,400 vaccinations for high risk children, 8,000 communicable disease investigations, services to 3,100 fewer mental health patients, 1,177 less children screened for lead poisoning and 5,780 less housing units inspected and re-inspected; and

WHEREAS, The proposed cuts would also result in 1,200 fewer mammograms, 250 fewer cervical cancer screenings, 2,000 fewer immigrant/refugee screenings and physicals, 60 fewer drug treatment slots, would reduce parenting and child abuse prevention services to 30 families from 60, with eventual elimination of the program in 2010, and would eliminate the city's ability to effectively coordinate services to reduce exposure to violence among young children; and

WHEREAS, The social services affected by the proposed cuts include eliminating child care for 900 children from low-income families, reducing city-wide availability of 300 shelter beds, eliminating child care for children with special needs, cutting funding for the JISC program, so that 350 non-violent youth would not be diverted from the juvenile justice system, and eliminating programs which help 11,000 seniors and the disabled gain access to benefits, such as tax assistance, prescription drugs, and insurance. Also eliminated or reduced would be home care services for seniors, transportation to life-sustaining treatments, home delivered meals, and respite care for seniors; and

WHEREAS, The health and social services infrastructure in place also provides direct and indirect employment for thousands of Chicagoans, particularly in minority communities. Other essential programs and services beyond those that are administered by the City are also at risk of being eliminated or severely cut, such as: domestic violence programs which provide emergency shelter, crisis counseling and vital legal services; preschool services for over 15,000 children in Chicago; after-school programs for youth; vital teen pregnancy and prevention programs; and the State Homelessness Prevention Fund, the largest single source of short-term financial resources in Chicago and Illinois; and

WHEREAS, It is imperative that our State legislators examine other ways to prepare the upcoming budget in a manner that does not cause such a devastating effect on the above-stated and other health and social services, depended upon by so many in Chicago; now, therefore,

Be It Resolved, That we urge the Governor and the General Assembly to rethink the proposed cuts affecting health and social services in the City of Chicago, and develop a budget that keeps in place the much-needed funding for these essential services; and

Be It Further Resolved, That copies of this resolution be delivered to the Governor of the State of Illinois, the President of the Illinois Senate, the Minority Leader of the Illinois Senate, the Speaker of the Illinois House of Representatives, and the Minority Leader of the Illinois House of Representatives, as a sign of our concern for this vital issue.
