[R2010-1067]

The Honorable Richard M. Daley, Mayor, presented the following communication:

OFFICE OF THE MAYOR
CITY OF CHICAGO

October 6, 2010.

To the Honorable, The City Council of the City of Chicago:

LADIES AND GENTLEMEN -- I transmit herewith a congratulatory resolution concerning Officer Claudio Salgado of the Chicago Police Department, and his exemplary conduct during the events of August 22, 2010.

Your favorable consideration of this resolution will be appreciated.

Very truly yours,

(Signed) RICHARD M. DALEY,
Mayor.

Alderman Burke moved to *Suspend the Rules Temporarily* to permit immediate consideration of and action upon the said proposed resolution. The motion *Prevailed*.

The following is said proposed resolution:

WHEREAS, Just after midnight on August 23, 2010, 1st District Police Officer Claudio E. Salgado (Star Number 10797) of the Chicago Police Department was on patrol in Grant Park near the Museum Campus; and

WHEREAS, While patrolling the park, Officer Salgado spotted an elderly man moving dangerously close to the embankment along the side of Lake Michigan; and

WHEREAS, Unbeknownst to the man, he was near the large, jagged rocks that surround the Shedd Aquarium. Had he dived or fallen into the Lake at that location, he would have struck the rocks and likely lost his life; and

WHEREAS, Due to the man's reckless actions, Officer Salgado quickly recognized that the man was in serious peril. Officer Salgado repeatedly yelled for the man to come back away from the Lake; and

WHEREAS, The man did not heed Officer Salgado's warnings and continued to move dangerously closer to the edge. Officer Salgado suspected that it was only a matter of moments before the man threw himself into the Lake; and

WHEREAS, Officer Salgado sprinted towards the man, grabbed him by the waist, and physically prevented him from entering the water; and

WHEREAS, Officer Salgado led the man away from the Lake to safety. After he saved the man and secured him in his squad car, Officer Salgado realized that the man was a high-risk Alzheimer's patient who had been missing since he had wandered away from his home two days earlier. When Officer Salgado questioned him about his actions, the elderly man, who was completely unaware of the danger he faced, replied that he had been trying to take a bath; and

WHEREAS, The man was then transported to Mercy Hospital, where he was examined and reunited with his relieved and extremely grateful family; and

WHEREAS, Due to Officer Salgado's bravery and quick thinking, he was able to save the life of an elderly Alzheimer's patient who would have otherwise plunged to his death; now, therefore,

Be It Resolved, That we, the Mayor and members of the City Council of the City of Chicago, assembled this sixth day of October 2010, do hereby honor Chicago Police Officer Claudio E. Salgado for his life-saving actions; and

Be It Further Resolved, That a suitable copy of this resolution be presented to Officer Claudio E. Salgado, and placed on permanent record in his personnel file, as a token of our appreciation and esteem.

CITY OF CHICAGO

October 6, 2010.

To the Honorable, The City Council of the City of Chicago:

Your favorable consideration of this resolution will be appreciated.

Very truly yours,

(Signed) RICHARD M. DALEY,

Alderman Burke moved to *Suspend the Rules Temporarily* to permit immediate consideration of and action upon the said proposed resolution. The motion *Prevailed*.

The following is said proposed resolution:

WHEREAS, On the morning of Saturday, July 31, 2010, Engine Company 56, under the direction of Lieutenant Daniel McDonagh of the Chicago Fire Department's 2nd District, responded to a fire in the 1300 block of West Wilson Avenue; and

WHEREAS, Engine Company 56 arrived on the scene and discovered a five-story apartment building ablaze, with fire consuming the second floor of the building. Plumes of black smoke billowed out of the second-floor windows, creating toxic fumes which swept upwards toward the tenants trapped on the upper floors; and

WHEREAS, Battalion Chief Thomas McCormack ordered an interior attack of the fire but knew that additional assistance would be necessary. He then ordered that an extra alarm be struck because of the early morning hour and the expected large number of residents being awakened by the fire. Additional units of the Chicago Fire Department arrived on the scene; and

WHEREAS, Meanwhile, Lieutenant McDonagh plunged into the building and struggled through the fire and smoke towards the third floor, where residents were reported to be trapped. Putting aside his own safety, Lieutenant McDonagh dashed up the stairs past the fire-ravaged second floor and upon arriving on the third floor, encountered a panicked, dazed woman who was poised to tumble out of a window; and

WHEREAS, As the black smoke in the building intensified, Lieutenant McDonagh picked up the now half-conscious victim and quickly but cautiously moved toward the only avenue of escape, the rear of the building. Noticing a stairwell, he carried the victim down the steps past the fire and smoke and outside to safety; and

WHEREAS, Once outside the burning building, Lieutenant McDonagh sought assistance from the medical crew of Ambulance 31, who provided much-needed medical care for the victim before she was transported to a hospital emergency room; and

WHEREAS, The quick thinking and brave actions of Lieutenant McDonagh resulted in the successful rescue of a Chicago resident. The courage and determination shown by Lieutenant McDonagh are in keeping with the finest traditions of the Chicago Fire Department; now, therefore,

Be *It Resolved*, That we, the Mayor and members of the City Council of the City of Chicago, assembled this sixth day of October 2010, do hereby honor Lieutenant Daniel McDonagh of the Chicago Fire Department for his valiant rescue of a victim on the verge of succumbing to a fire; and

Be It Further Resolved, That a suitable copy of this resolution be presented to Lieutenant Daniel McDonagh, and placed on permanent record in his personnel file, as a token of our appreciation and esteem.

REPORTS OF COMMITTEES.

COMMITTEE ON FINANCE.

ILLINOIS GENERAL ASSEMBLY URGED TO ENACT LEGISLATION EXEMPTING SENIORS FROM REAPPLYING FOR SENIOR CITIZEN HOMEOWNER'S EXEMPTION ANNUALLY.

[R2010-1072]

The Committee on Finance submitted the following report:

CHICAGO, October 6, 2010.

To the President and Members of the City Council:

Your Committee on Finance, having had under consideration a resolution calling on the Illinois General Assembly to remove the provision that required seniors in Cook County to reapply for the senior citizen homeowner's exemption each year, having had the same under advisement, begs leave to report and recommend that Your Honorable Body Adopt the proposed resolution transmitted herewith.

This recommendation was concurred in by a viva voce vote of the members of the Committee.

Respectfully submitted,

(Signed) EDWARD M. BURKE,
Chairman.

On motion of Alderman Burke, the said proposed resolution transmitted with the foregoing committee report was Adopted by yeas and nays as follows:

Yeas -- Aldermen Moreno, Fioretti, Dowell, Preckwinkle, Hairston, Lyle, Jackson, Harhs, Beale, Pope, Balcer, Cárdenas, Olivo, Burke, Foulkes, Thompson, Thomas, Lane, Rugai, Cochran, Brookins, Muñoz, Zaiewski, Dixon, Solis, Maldonado, Burnett, E. Smith, Graham, Reboyras, Suarez, Waguespack, Mell, Austin, Colón, Rice, Allen, Luhnno, O'Connor, Doherty, Reilly, Daley, Tunney, Shiller, Schulter, Moore, Stone -- 47.

Nays -- None.

Alderman Beale moved to reconsider the foregoing vote. The motion was lost.

The following is said resolution as adopted:

WHEREAS, More than 284,000 senior citizens in Cook County benefit from the Senior Citizen Homeowner's Exemption each year, a valuable and important form of property tax relief; and

WHEREAS, The Senior Exemption can reduce a senior's property tax bill by several hundred dollars, with 2008 tax bill savings ranging from \$158 to \$823; and

WHEREAS, In tax year 2007, the Cook County Assessor's Office stopped requiring seniors 65 years or older to apply annually for the Exemption and therefore saved additional processing and mailing costs; and

WHEREAS, The Cook County Assessor took this step in order to make the process easier for seniors to avail themselves of the Exemption since no one gets younger; and

WHEREAS, The Assessor re-verifies the Exemption whenever a deed transfer occurs on a property receiving the Exemption; and

WHEREAS, The Exemption has no income requirement and requires only that the taxpayer be 65 or older and own the house that is their principal residence; and

WHEREAS, Legislation recently passed by the General Assembly now requires seniors to reapply every year for the Exemption, creating an unnecessary obstacle for them; and

WHEREAS, This requirement was mandated only for Cook County and does not apply to any other assessor's office or county office in Illinois; and

WHEREAS, This requirement will place an unfunded mandate on the City of Chicago and Cook County and require the City of Chicago and Cook County to expend unnecessary funds for publications, mailings and administration of the Exemption during an economic period where any and all unnecessary expenses to taxpayers should be taken under high consideration; and

WHEREAS, Every time a major change in an exemption application process has occurred it has resulted in confusion and missed property tax savings, especially for those exemptions specifically targeted for the senior citizen population; now, therefore,

Be *It Resolved*, That we, the Mayor and members of the City Council of the City of Chicago, gathered here this sixth day of October 2010 A.D., do hereby urge the General Assembly to promptly reconsider this onerous provision imposed upon the senior population of the City of Chicago and Cook County and remedy this unnecessary provision by enacting further legislation allowing for the Assessor to maintain the practice of vehfication they have installed which allowed for automatic renewal of this valuable property tax credit relief for Chicago's senior citizens.

(j) NHS shall enforce all provisions of the Grant Documents in accordance with the terms thereof and shall provide to the City all notices required hereunder or thereunder.

ARTICLE IV - Duties and Obligations

4.1 NHS shall execute and deliver to DCD such documents as may be required by the Corporation Counsel to evidence NHS's participation in the Program, including, but not limited to, the City's current form of Economic Disclosure Statement and an opinion of counsel in substantially the form of Exhibit A attached hereto and incorporated herein.

4.2 (a) NHS agrees that the total amount of funds available for the Program hereunder shall be up to \$1,000,000 and that there have been no representations, assurances or agreements that any other assistance shall be forthcoming from the City. NHS shall provide written notice to the City when the aggregate amount of Program Funds committed or paid hereunder, including Grants and administrative costs paid to or for the account of NHS pursuant to Section 6.5, equals \$900,000 and thereafter when the amount of Program Funds committed or paid hereunder, including Grants and administrative costs paid to or for the account of NHS pursuant to Section 6.5, reaches \$1,000,000. Program Funds are deemed committed for purposes of this Section when NHS has determined the amount of Program Funds to be the subject of a Grant and sent notice of final approval of an Application pursuant to Section 4.3(e) to an Eligible Homeowner. No Grants shall be made or committed to be made by NHS hereunder when such commitment would result in the aggregate amount of Grants, together with all administrative costs related to such Grants paid to NHS pursuant to Section 6.5, exceeding \$1,000,000 (or such other amount as the City may determine from time to time). No Grants shall be made or committed to be made by NHS hereunder when such commitment occurs after the date of receipt of the notice from the City described in Section 6.2 hereof regarding the termination of this Agreement.

(b) As of the date of this Agreement, the total amount of funds available hereunder for use in the Ogden/Pulaski TIF Area is \$1,000,000. This amount may be changed from time to time upon written notice by DCD to NHS, provided that the aggregate amount shall not exceed \$1,000,000 (or such other amount as the City may determine from time to time).

4.3 (a) NHS shall accept and process Applications in the following manner (or as otherwise agreed to by DCD and NHS):

- (i) NHS shall make Application forms available for a period of four to six weeks;
- (ii) NHS shall make applications available at certain locations within the Ogden/Pulaski TIF Area such as community centers or libraries (as agreed to by DCD);
- (iii) Applications shall also be available by calling NHS;
- (iv) The Application will be approximately three (3) pages in length, from which NHS will be able to determine eligibility hereunder. NHS will require homeowners to provide more information if they are selected for a matching loan hereunder;
- (v) All Applications shall be returned directly to NHS; the City will not accept Applications; and
- (vi) All Applications must be received by a defined deadline of two weeks after the expiration of the period in (i) above.

(b) NHS shall review all Applications for eligibility, completeness and compliance with the Agreement. NHS shall verify the initial eligibility of each applicant within five days after its receipt in the manner described in subsection (c) below. Only those Applications which meet such criteria will be part of the Lottery. Applications so approved are to be numbered as they are received until the expiration of the period in (a)(vi) above. All such applicants shall be notified of the Lottery date and location by mail at least one week prior to holding the Lottery. The Lottery shall be conducted in a public place. At the lottery meeting, random numbers will be generated by computer (or such other method as determined by DCD and NHS) and the numbers will determine which Applications will be selected ("Selected Applicants") for further processing. The process by which the Selected Applicants are identified is referred to herein as the "Lottery." The amount of each Grant request from each Selected Applicant, including the applicable fee to be paid to NHS hereunder, will be deemed to be for the Maximum Program Assistance. When the aggregate amount entered in the log reaches \$1,000,000, or such other amount as DCD shall in writing specify to NHS, then NHS shall stop selecting Applications.

To accommodate the possibility that additional Selected Applicants will need to be chosen from eligible Applications because some earlier Applications are not in compliance with this Agreement, or because Program Funds are still available to make Grants, NHS may establish a waiting list of up to 25 applicants, to be chosen by the same lottery process described above. If additional Applications are needed thereafter, then NHS will designate a time and place as set forth above to receive additional Applications.

(c) Prior to the date of the Lottery, for each potential Eligible Homeowner, NHS shall obtain income and title information regarding the Eligible Homeowner and the Qualified Housing Unit, respectively, and shall verify information presented in the Application. NHS shall assure that an Eligible Homeowner qualifies as a Qualified Family at the time an Application is received by NHS. In determining whether a Eligible Homeowner qualifies as a Qualified Family, NHS calculate income in a manner determined by NHS and approved by DCD.

(d) NHS shall forward the name, address and Social Security number of every Selected Applicant to the City's Department of Revenue for a scofflaw check. NHS shall perform an initial site visit to verify that the property will qualify. NHS shall approve a scope of work. No building will qualify as a Qualified Housing Unit hereunder if the combination of the Grant funds, funds from the Eligible Homeowner and matching loan funds described in Section 4.4(b) hereof do not cover the cost of correcting the health and safety issues which have been identified by NHS inspectors. For any Qualified Housing Unit, no more than 30% of the Eligible Costs paid for from Program Funds can relate to interior life/safety improvements.

(e) For applicants who do not meet the requirements of this Agreement, as determined by NHS after its initial review described in subsection (c) above, NHS shall provide notice to such applicants that their Application has been rejected within two weeks after the expiration of the period described in subsection (a)(vi) above. For all applicants whose Application is in compliance with the requirements of this Agreement (based on NHS's initial review described in subsection (c) above), NHS will notify each such applicant, within two weeks of the date of the Lottery, as follows: those who are not Selected Applicants will be notified that their name has been placed on a waiting list; and Selected Applicants will be asked for further information to process their Application. The notice to Selected Applicants will also inform the applicant that, if requested materials are not supplied within 45 days in a form satisfactory to NHS, the applicants will forfeit their status as a Selected

Applicant and will be placed at the bottom of the waiting list. If the scofflaw check described in subsection (d) above reveals that any amounts are owed to the City, then the materials requested by NHS shall include evidence that all such amounts have been paid or that the applicant has entered into a payment plan with the City. Thereafter, NHS shall, within 90 days of the date of the Lottery, complete its review of all information required hereunder and notify each such Selected Applicant whether they are eligible for a Grant, the amount of the Grant, and whether other funds need to be obtained by the Applicant pursuant to Section 4.4(b). No Selected Applicant shall be eligible for a Grant hereunder until NHS has received the results of the scofflaw check described in (d) above and has received evidence either that all amounts owed to the City have been paid, or that the applicant has entered into a payment plan with the City. NHS shall provide the City with a copy of each such notice described above. All notices of rejection shall include the reasons for such rejection.

4.4 NHS shall provide the following services:

(a) Technical/Rehabilitation Services. For all Selected Applicants, NHS shall make an initial site visit to the Qualified Housing Unit, and assist the Selected Applicant in the preparation of detailed plans and specifications for the renovation work. NHS shall monitor the process by which the Selected Applicant selects a contractor (or contractors) to do the renovation work to ensure that any contractor has been selected through a competitive bid process. NHS must approve the contractor selected, which must be licensed and properly insured; in its approval, NHS shall consider the financial strength of the contractor. NHS shall review the contract(s) between the Selected Applicant and the contractor(s) for the renovation work. NHS shall make available to each Selected Applicant (i) a current list of contractors and subcontractors which are certified by the City as Minority Business Enterprises or Women Business Enterprises, and (ii) a current list of contractors and subcontractors which have current insurance certificates and proof of City home repair and/or business licenses on file with NHS. While the requirements of Section 2-92-330 of the Municipal Code of the City of Chicago (City Resident Employment Requirement) will not apply to the renovation work done pursuant to the Program, NHS shall use its best efforts to recruit and encourage the use of qualified contractors based in Chicago (particularly in the Ogden/Pulaski TIF Area) for the renovation work being funded pursuant to this Agreement.

(b) Requirements for Grants for Qualified Housing Units. After approving an Application, NHS shall promptly prepare and execute Grant Documents for each Grant. NHS shall assure that each Grant satisfies all applicable requirements of federal, State and local law, and that:

(i) Program Funds finance only Eligible Costs;

(ii) for an Eligible Homeowner who has household income between 100% and 140% of Median Income, the Grant Funds shall not be provided unless an equal amount of loan proceeds or other funds from the Eligible Homeowner (which loans may, but shall not be required to, be made by Neighborhood Lending Services, Inc. ("NLS"), an affiliate of NHS) are available for repairs to the Qualified Housing Unit; provided, that repairs paid for (or reimbursed) from funds other than Program Funds hereunder are not required to be Eligible Costs;

(iii) if the Eligible Homeowner has household income (calculated as described above) below 100% of the Median Income, no matching funds are required pursuant to this subsection, but other provisions of this Agreement may require an Eligible Homeowner to obtain a matching loan for the Qualified Housing Unit; and

(iv) one or more units of the Qualified Housing Unit shall be occupied by the Eligible Homeowner.

(c) Closing. NHS shall promptly close each Grant. Prior to disbursement of any Program Funds by NHS, NHS shall require each Eligible Homeowner to enter into the Grant Documents. NHS shall assure that the renovation of the Qualified Housing Unit commences within six months of the date on which a Grant closes. NHS shall provide in all Grant Documents that the City is a third-party beneficiary of the Grant Documents. NHS shall not provide Program Funds to any Eligible Homeowner in an amount in excess of the applicable Maximum Program Assistance; provided, that the maximum amount so provided may be adjusted by mutual agreement of DCD and NHS based on the availability of Program Funds and the projected need of a particular community.

(d) Disbursement of Proceeds. The City will from time to time place all or a portion of the Program Funds, in an amount determined by DCD but not exceeding \$1,000,000 in the aggregate, into an interest-bearing segregated or escrow account established by NHS for this purpose. Any income earned on amounts held in the account shall be used at the sole discretion of the City: (i) to make Grants hereunder, or (ii) in such other manner as the City determines. NHS shall disburse funds from this account to the City at the written request of the City if income is earned on amounts held in the account. NHS shall make any such disbursement within 30 days of its receipt of the City's request. NHS agrees that any disbursements from this account which are later determined to have been made in violation of this Agreement will be repaid to this account by NHS. Prior to disbursing any proceeds of a Grant, NHS shall determine the aggregate amount of Program Funds which have been provided or approved for a Qualified Housing Unit and shall not disburse any funds exceeding the Maximum Program Assistance. NHS shall also assure that no Program Funds shall be paid until such funds are needed to reimburse the Eligible Homeowner for the prior payment of Eligible Costs, and that the proceeds of a Grant do not exceed available Maximum Program Assistance with respect to the Qualified Housing Unit. No payment from Program Funds shall be made to the Eligible Homeowner until NHS receives evidence of prior payment to the contractor for the rehabilitation work (consisting of a copy of the check issued to the contractor, which is not required to be a cancelled check, and/or a copy of the sworn statement). There shall be no commingling of funds among Grants by NHS and each Grant shall be accounted for separately in the records maintained by NHS.

(e) Servicing; Monitoring.

(1) NHS shall specify an employee directly responsible for the working on each Grant. NHS shall provide DCD with notice of the person(s) responsible for these duties and the respective Grants.

(2) If an Eligible Homeowner breaches any covenant or agreement under the applicable Grant Documents, NHS shall mail notice of such breach to the Eligible Homeowner as provided in the Grant Documents (with a copy to DCD) and shall take such further action consistent with the terms of this Agreement.

(3) NHS shall monitor the progress of the renovation work to confirm compliance with this Agreement and the Grant Documents. The Grant Documents shall provide that the Eligible Homeowner must approve of payment of funds from NHS to a contractor for the rehabilitation work. NHS shall inspect the renovation work prior to providing payment. NHS shall make a final inspection of the renovation work at its completion to confirm compliance with this Agreement and the Grant Documents.

(f) Reporting. On the seventh day of each month of each year during the term hereof, NHS shall submit to the City a monthly report in a form approved by DCD and containing the following information for each Grant closed during the previous month, and for each Eligible Homeowner whose Application has been approved: (i) the address and census tract of the Qualified Housing Unit; (ii) the name, address, income and race (if known) of each Eligible Homeowner for such Qualified Housing Unit; (iii) the amount of the applicable Grant and the date of the Grant; (iv) the amount of Program Funds, if any, provided to such Eligible Homeowner by the end of the preceding month, and the use of such funds; (v) the status of the renovation work on such Qualified Housing Unit; and (vi) the names of any Eligible Homeowners who have defaulted on any matching loan provided through NLS pursuant to Section 4.4(b) hereof. In addition, NHS shall also include the following in such report regarding the Program as of the end of the preceding month: (i) information about each matching loan made to an Eligible Homeowner, or matching funds provided by the Eligible Homeowner, including the amount of the loan or other funds, the address of the subject property and evidence that matching funds were provided; (ii) number of renovations in process; (iii) number of renovations completed; (iv) total number of applicants; (v) total number of Applications reviewed; (vi) total number of Applications approved and (vii) total amount of Grant funds disbursed hereunder.

(g) Marketing. NHS shall make information about the Program, including Applications, readily available to persons applying to become Eligible Homeowners. In connection therewith, NHS shall prepare and distribute brochures and other written materials describing the Program. NHS shall also make appropriate personnel available to speak at seminars to promote and explain the Program and shall conduct other affirmative outreach efforts (including organizing or participating in seminars, conferences and public meetings) to disseminate information about the Program to the public. NHS shall cooperate (and shall bind its contractors to cooperate) with DCD in any program which DCD may undertake to promote and explain the Program. NHS shall dedicate sufficient employee time and resources to respond promptly to inquiries from potential applicants.

4.5 Prior to each disbursement of proceeds in connection with a Qualified Housing Unit (pursuant to Section 4.4 (d) hereof), NHS shall assure to its best efforts that the rehabilitation work performed by the contractor on that Qualified Housing Unit complies with the building codes of the City.

4.6 NHS shall be responsible for all actions of any agents, employees, officers of NHS performing any duties or obligations of NHS hereunder.

4.7 The City authorizes NHS to act, subject to the limitations contained herein: (i) to manage and service the Grants; (ii) to enforce or to refrain from enforcing the Grant Documents for each Grant; (iii) to give consents or approvals in connection with the Grant Documents for each Grant; (iv) to take or refrain from taking any action and make any determination provided for herein or in the Grant Documents; and (v) to exercise all such powers as are incidental thereto.

4.8 In its marketing efforts regarding the Program, the City shall notify potential Program applicants that, for households earning more 100% of the Median Income, there will be a matching loan requirement (as set forth in Section 4.4(b) hereof).

4.9 Insurance.

(a) NHS shall procure and maintain at all times, at its own expense, except as may be otherwise provided herein, during the term of this Agreement, the types of insurance specified below, with insurance companies authorized to do such business in the State and reasonably acceptable to the City covering all services hereunder.

The kinds and amounts of insurance required are as follows:

1. Worker's Compensation and Occupational Disease Insurance

Worker's Compensation and Occupational Disease Insurance, in statutory amounts, covering all of NHS. Employer's liability coverage shall be included and shall have limits of not less than \$100,000 per each accident or illness.

2. Commercial Liability Insurance (Primary and Umbrella)

Commercial Liability Insurance or equivalent with limits of not less than \$250,000 per occurrence, combined single limit, for bodily injury, personal injury and property damage liability. Products/completed operation, independent contractors and contractual liability coverages are to be included. The City is to be named as an additional insured.

3. Automobile Liability Insurance

When any motor vehicles are used in connection with the work to be performed under this Agreement, NHS shall maintain Automobile Liability Insurance with limits of not less than \$500,000 per occurrence, combined single limit, for bodily injury and property damage. The City is to be named as an additional insured.

4. Errors & Omissions/Professional Liability

With respect to all services performed by NHS hereunder, errors and omissions coverage shall be maintained in the amount of \$250,000 naming the City as an additional insured.

5. Blanket Crime Insurance

NHS shall obtain and maintain a blanket crime insurance policy, naming the City as a loss payee, as its interest may appear, covering all persons handling funds received or disbursed under this Agreement, and against loss by reason of theft, robbery, dishonesty, destruction, disappearance or other crimes. The blanket crime insurance policy must be written to cover losses in an amount of not less than 25 percent of the maximum funds on hand at any given time or in an amount of \$250,000, whichever amount is greater.

(b) NHS shall furnish the City, Department of Finance, Risk Management Office, 333 South State Street, Room 400, Chicago, Illinois 60604, original certificates of insurance evidencing the required coverages to be in force and effect on the date hereof, and renewal certificates of insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring

during the term of this Agreement. The City shall not allow NHS to commence any services under this Agreement until all insurance is purchased and evidence of it is received and approved by the City, but the failure of the City to obtain such evidence from NHS before permitting NHS to commence such services shall not be deemed to be a waiver by the City, and NHS shall remain under a continuing obligation to maintain the coverage and to supply the certificates.

The insurance specified hereinabove shall be carried until all services required to be performed under the terms of this Agreement are satisfactorily completed. Failure to carry or keep such insurance in force shall constitute an Event of Default hereunder within the meaning of Section 5.1 hereof, and the City maintains the right to suspend the provisions hereof until proper evidence of insurance is provided. NHS shall require all subcontractors to carry the insurance required herein, or NHS may, at its option, provide the coverage for any or all subcontractors, and, if so, supply to the City evidence satisfactory to the City of such coverage.

The City maintains the right to modify, delete, alter or change these requirements.

The insurance policies shall provide for 60 days' prior written notice to be given to the City in the event coverage is substantially changed, canceled or non-renewed.

NHS expressly understands and agrees that any insurance coverages and limits furnished by NHS hereunder shall in no way limit its responsibilities and abilities specified herein or by law.

ARTICLE V - Events of Default; Remedies

5.1 Events of Default Defined. The following, subject to the notice and cure provisions of Section 5.2 hereof, shall each constitute an Event of Default hereunder:

(a) any misrepresentation, whether negligent or willful and whether in the inducement or in the performance of this Agreement, made by NHS to the City;

(b) failure by NHS to perform any of its duties or obligations under this Agreement;

(c) any change in ownership or control of NHS without the prior written approval of the City;

(d) the dissolution of NHS or the entry of a decree or order for relief by a court having jurisdiction with respect to NHS in an involuntary case under the federal bankruptcy laws, as now or hereafter constituted, or any other applicable federal or state bankruptcy, insolvency or other similar law, or appointing a receiver, liquidator, assignee, custodian, trustee or sequestrator (or other similar official) of NHS or for any substantial part of the property thereof or ordering the winding-up or liquidation of the affairs of NHS and the continuance of any such decree or order unstayed and in effect for a period of 30 consecutive days;

(e) the commencement by NHS of a voluntary case under the federal bankruptcy laws, as now or hereafter constituted, or any other applicable federal or state bankruptcy, insolvency or other similar law, or the consent by NHS to the appointment of or taking possession by a receiver, liquidator, assignee, trustee, custodian or sequestrator (or other similar official) of NHS or of any substantial part of the property of NHS or of any royalties, revenues, rents, issues or profits therefrom, or the making by NHS of any assignment for the benefit of creditors or the failure of NHS generally to pay its respective debts as such debts become due or the taking of action by NHS in furtherance of any of the foregoing;

(f) a final judgment for the payment of money in excess of \$100,000 shall be rendered by a court of competent jurisdiction against NHS, and NHS shall not discharge the same or provide for its discharge in accordance with its terms, or procure a stay of execution thereof, within 60 days from the date of entry thereof, or such longer period during which execution of such judgment shall have been stayed;

(g) default by NHS under any other agreement which NHS may currently have or may enter into with the City during the term of this Agreement; or

(h) a failure by NHS to fulfill its obligations under any Grant Documents.

5.2 Remedies. If any event referred to in Section 5.1 hereof cannot reasonably be cured within 30 days after receipt of notice given in accordance with the terms of this Agreement, or if NHS has failed, in the sole opinion of the City, to commence and continue diligent efforts to cure such event, the City may, at its sole option, declare an Event of Default hereunder. Whether to declare an Event of Default hereunder is within the sole discretion of the City and neither that decision nor the factual basis for it is subject to review or challenge under this Agreement. Written notification of, or that results in, an Event of Default, and any intention of the City to terminate this Agreement, shall be provided to NHS and such decision shall be final and effective upon receipt of such notice pursuant to Section 6.14 hereof and failure to cure within the stated applicable cure period. Upon the giving of such notice, the City may invoke any or all of the following remedies:

- (a) the right to terminate this Agreement as to any or all of the services yet to be performed effective at a time specified by the City;
- (b) the right of specific performance, an injunction or any other appropriate equitable remedy;
- (c) the right to money damages;
- (d) the right to withhold all or any part of the compensation of NHS hereunder; and
- (e) the right to deem NHS non-responsible in future contracts to be awarded by the City.

If the City considers it to be in its best interests, it may elect not to declare an Event of Default hereunder or to terminate this Agreement. The parties acknowledge that this provision is solely for the benefit of the City and that if the City permits NHS to continue to provide the services despite one or more Events of Default, NHS shall in no way be relieved of any of its responsibilities, duties or obligations under this Agreement nor shall the City waive or relinquish any of its rights thereby.

The remedies under the terms of this Agreement are not intended to be exclusive of any other remedies provided, but each and every such remedy shall be cumulative and shall be in addition to any other remedies, existing now or hereafter, at law, in equity or by statute. No delay or failure to exercise any right or power accruing upon any Event of Default shall impair any such right or power nor shall it be construed as a waiver of any Event of Default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient.

ARTICLE VI - General Provisions

6.1 Duration of the Agreement. This Agreement shall commence on the date of execution and delivery hereof and, unless earlier terminated pursuant to this Agreement, shall terminate when the last Grant payment is made by NHS hereunder.

6.2 Termination. The City may terminate this Agreement for convenience upon thirty (30) days written notice from the City. In such event, all rights and obligations running to and from each party shall be terminated and of no further force and effect; provided that NHS shall be obligated to maintain all records and monitoring obligations with respect to any Grant made in accordance with the terms of this Agreement for a period of five years after the date of the Grant.

At any time during normal business hours and as often as the City may deem necessary, each Eligible Homeowner shall make available to the City the Qualified Housing Unit and records relating to tenants of the unit, if any, in order for the City to verify compliance with this Agreement, including Section 4.5. NHS shall include this requirement in the Grant Documents.

6.7 Non-discrimination. NHS agrees it shall be an unlawful employment practice for NHS (1) to fail or refuse to hire or to discharge any individual, or otherwise to discriminate against any individual with respect to his compensation, or the terms, conditions, or privileges of his employment, because of such individual's race, color, religion, sex, age, handicap or national origin; or (2) to limit, segregate, or classify its employees or applicants for employment in any way which would deprive or tend to deprive any individual in any way of employment opportunities or otherwise adversely affect his status as an employee, because of such individual's race, color religion, sex, age, handicap or national origin.

Re: TIF Neighborhood Improvement Program Agreement (the "Agreement")

Ladies and Gentlemen:

I have acted as counsel for Neighborhood Housing Services of Chicago, Inc., an Illinois not-for-profit corporation ("NHS"), in connection with the execution and delivery of the Agreement by and among NHS and the City of Chicago, acting by and through its Department of Community Development (the "City"). NHS has requested that this opinion be furnished to the City.

In so acting as counsel for NHS I have examined:

- (i) an executed original of the Agreement;
- (ii) the Articles of Incorporation, including all amendments thereto, of NHS as furnished and certified by the Secretary of State of the State of Illinois;
- (iii) the Bylaws of NHS, as certified by the Secretary of NHS as of the date hereof; and
- (iv) The Certificate of Good Standing dated _____, issued by the Office of the Secretary of State of the State of Illinois, as to the good standing of NHS.

In my capacity as counsel, I have also examined such other documents or instruments as I have deemed relevant for the purposes of rendering the opinions hereinafter set forth.

I have also assumed, but have no reason to question, the legal capacity, authority and the genuineness of the signatures of and due and proper execution and delivery by the respective parties other than NHS which has made, executed or delivered or will make, execute and deliver the agreements and documents examined by me.

I express no opinion as to (i) the laws of any state or jurisdiction other than the State of Illinois (and any political subdivisions thereof) and the United States of America; and (ii) any matters pertaining or relating to the securities laws of the United States of America, the State of Illinois or any other state.

Based upon and subject to the assumptions and qualifications herein stated, it is my opinion that:

1. NHS is a not-for-profit corporation, duly organized and validly existing under the laws of the State of Illinois, NHS has made all filings required by the laws of the State of Illinois in respect of its formation and continuing existence, and has all requisite authority to carry on its business and to execute and deliver, and to consummate the transactions contemplated by, the Agreement.
2. The Agreement has been duly executed and delivered on behalf of NHS, and constitutes a legal, valid and binding obligation of NHS, enforceable against NHS in accordance with its terms, except to the extent that enforcement of any such terms may be limited by: (a) applicable bankruptcy, reorganization, debt arrangement, insolvency or other similar laws generally affecting creditors' rights; or (b) judicial and public policy limitations upon the enforcement of certain remedies including those which a court of equity may in its discretion decline to enforce.
3. There is no action, suit or proceeding at law or in equity pending, nor to my knowledge threatened, against or affecting NHS, before any court or before any governmental or administrative agency, which if adversely determined could materially and adversely affect the ability of either NHS or NHS, to perform under the Agreement or any of its business or properties or financial or other conditions.
4. The transactions contemplated by the Agreement are governed by the laws of the State of Illinois.
5. The execution and delivery of the Agreement and the consummation of the transactions contemplated thereby will not constitute:
 - A. a violation or breach of (i) the Articles of Incorporation of NHS, (ii) the Bylaws of NHS, (iii) any provision of any contract or other instrument to which NHS is bound, or (iv) any order, writ, injunction, decree, statute, rule or regulation binding on NHS, or
 - B. a breach of any of the provisions of, or constitute a default under, or result in the creation or imposition of any lien or encumbrance upon any of the property of either NHS pursuant to, any agreement or other instrument to which NHS is a party or by which NHS is bound.
6. No action of, or filing with, any governmental or public body is required to authorize, or is otherwise required for the validity of, the execution, delivery and performance of any of the Agreement.

This opinion is furnished for your benefit and may be relied upon by you and any such other party in connection with the Agreement, but may not be delivered to or relied upon by any other person or entity without written consent from the undersigned.

Very truly yours,

The CTA may implement changes to the Project that cause variations in the line item amounts shown on Exhibit A, provided that all the changes qualify as TIF-Eligible Improvements.

(c) Subject to the terms and conditions of this Agreement, the City shall pay to the CTA an amount not to exceed \$3,000,000 in City funds from Available Incremental Taxes ("City Funds") to pay all or any portion of the City Contribution. If the actual costs of the Project total less than \$3,000,000, then the maximum the City shall be liable for under this Agreement is 100% of those Project costs that constitute TIF-Eligible Improvements. If the actual costs of the Project exceed \$3,000,000, then the CTA shall be solely responsible for such excess costs.

(d) "Available Incremental Taxes" means such ad valorem taxes and such retail, use and service taxes which, pursuant to the TIF Adoption Ordinance and Section 5/11-74.4-8(b) of the Act, are allocated to and when collected are paid to the Treasurer of the City of Chicago for deposit by the Treasurer into the Wilson Yard TIF Fund established to pay Redevelopment Project Costs and obligations incurred in the payment thereof, and which are not encumbered or pledged for the payment of Prior Obligations.

(e) The City warrants that it has available and has segregated on the books of the City an amount of City Funds sufficient to make the City Contribution, and covenants that the City Funds will not be used for any purpose other than the City Contributions during the Term of this Agreement.

(f) The City Funds being provided hereunder are being granted on a conditional basis, subject to the CTA's compliance with the provisions of this Agreement.

(g) Only those expenditures made by CTA with respect to the Project prior to the Closing Date hereof, evidenced by documentation satisfactory to DCD and approved by DCD as satisfying costs covered in the budget for the Project, shall be considered as previously contributed CTA funds ("Prior Expenditures"). Exhibit D hereto sets forth the prior expenditures approved by DCD as of the date hereof as Prior Expenditures.

SECTION 5. PAYMENT

(a) The CTA shall request the payment of the City Funds on a properly completed Requisition Form in the form set forth on Exhibit C hereto ("Disbursement Request"), which the CTA may file with the City on a bi-monthly basis following incurrence of Redevelopment Project Costs. Prior to or simultaneous with the delivery of a Disbursement Request to the City, the CTA shall submit documentation substantiating its applicable incurrence of Redevelopment Project Costs (including TIF-Eligible Improvements) to DCD.

(b) Delivery by the CTA to DCD of a Disbursement Request hereunder shall, in addition to the items expressly set forth therein, constitute a certification to the City, as of the date of the Disbursement Request, that:

(i) the total amount of the Disbursement Request represents the actual amount already incurred by the CTA for its own work or incurred by the CTA and owing to the general contractor(s), subcontractors or other parties who have performed work on or otherwise provided goods or services in connection with the Project;

(ii) the CTA has approved all work and materials for the Disbursement Request; and

(iii) the work that is the subject of the Disbursement Request was performed in accordance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders at the time of its completion.

(c) Upon presentation of a Disbursement Request from the CTA, the City shall review it and its supplemental documentation for, among other things, evidence that the CTA incurred and paid TIF-Eligible Expenditures in an amount that equals or exceeds the amount of City Funds agreed to herein, and shall inform the CTA of any questions or comments about same as soon as practicable.

(d) Once a Disbursement Request is approved by the City, the City, by check or wire transfer, shall pay the approved amount of the City Contribution amount not later than [30 days] following such approval.

SECTION 6. TERM

The term of this Agreement ("Term") shall commence on the Closing Date and shall expire on _____, 20__ or on the date of termination of this Agreement according to its terms, whichever occurs first.

SECTION 7. ENVIRONMENTAL MATTERS; SAFETY; INSPECTION

(a) The City makes no covenant, representation or warranty as to the environmental condition of the Project or the suitability of the Project for any public rapid transit use whatsoever.

(b) The CTA shall be solely responsible for the safety and protection of the public in connection with the Project.

(c) The City reserves the right to inspect the Project from time to time as it is being undertaken or after its completion.

SECTION 8. INSURANCE

(a) The CTA is self-insured. During the term of this Agreement, the CTA shall provide and maintain, at the CTA's own expense, or cause to be provided, insurance or self-insurance equivalent to the coverages and requirements specified below concerning all operations related to this Agreement.

(b) Workers Compensation and Employers Liability. Workers Compensation as prescribed by applicable law covering all employees who are to provide a service under this Agreement and Employers Liability coverage with limits of not less than \$100,000 each accident or illness.

(c) Commercial General Liability (Primary and Umbrella). Commercial General Liability Insurance or equivalent self-insurance with limits of not less than \$1,000,000 per occurrence for bodily injury, personal injury, and property damage liability. Coverages shall include the following: All premises and operations, products/completed operations, explosion, collapse, underground, separation of insureds, defense, and contractual liability. The City of Chicago will be considered an additional insured on a primary, non-contributory basis for any liability arising directly from the work. For those contracts already let or for work already performed prior to the Closing Date, the CTA shall recognize the City of Chicago as an additional insured on a primary, non-contributory basis for any liability arising directly from such work.

(d) Automobile Liability (Primary and Umbrella). When any motor vehicles (owned, non-owned and hired) are used in connection with work to be performed, the CTA shall provide self-insured Automobile Liability coverage with limits of not less than \$1,000,000 per occurrence for bodily injury and property damage.

(e) Professional Liability. When any architects, engineers or professional consultants engaged by the CTA perform work in connection with this Agreement, the CTA shall provide self-insured Professional Liability covering acts, errors, or omissions with limits of not less than \$1,000,000.

(f) Prior to the Closing Date, the CTA will furnish the City a letter of self insurance evidencing the required coverage to be in force on the Closing Date. After the Closing Date, the CTA will furnish the City similar evidence if the coverages change from self-insurance to purchased insurance during the term of this Agreement and prior to the completion of the Project. The receipt of any self-insurance does not constitute agreement by the City that the insurance requirements in this Agreement have been fully met or that the self-insurance is in compliance with all Agreement requirements.

(g) Non-conforming self-insurance shall not relieve the CTA of the obligation to provide or cause to be provided insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of this Agreement, and the City retains the right to stop the CTA's work until proper evidence of insurance is provided, or this Agreement may be terminated.

(h) The required general liability self-insurance shall provide for sixty (60) days prior written notice to be given to the City or the CTA in the event coverage is substantially changed, canceled, or non-renewed. The CTA shall promptly notify the City in the event the CTA receives any such notice.

(i) Any and all self-insured retentions on referenced insurance coverages shall be borne by the CTA and its contractors.

(j) The CTA shall waive its rights of subrogation against the City, its employees, elected officials, agents, or representatives.

(k) The CTA expressly understands and agrees that any coverage and limits furnished by the CTA shall in no way limit the CTA's liabilities and responsibilities specified by this Agreement or by law.

(l) The CTA expressly understands and agrees that any insurance or self insurance programs maintained by the City shall not contribute with insurance provided by the CTA under this Agreement.

(m) The required self-insurance shall not be limited by any limitations expressed in the indemnification language herein or any limitation placed on the indemnity therein given as a matter of law.

(n) The CTA shall require all contractors for the Project to provide the insurance required herein or the CTA may provide the coverages for contractors. All contractors shall be subject to the same insurance requirements as is the CTA unless otherwise specified herein. In all contracts relating to the Project that are let after the Closing Date, the CTA agrees to require the contractor to name the City as an additional insured on insurance coverages as provided above and to require the contractor to indemnify the City from all claims, damages, demands, losses, suits, actions, judgments and expenses including but not limited to attorney's fees arising out of or resulting from work on the Project by the contractor or contractor's suppliers, employees, or agents.

SECTION S. EMPLOYMENT OBLIGATIONS

9.01 Employment Opportunity. CTA, on behalf of itself and its successors and assigns, hereby agrees, and shall contractually obligate its general contractors, subcontractors or any Affiliate of the CTA operating in connection with the Project (collectively, with CTA, the "Employers" and individually an "Employer") to agree, that for the Term of this Agreement with respect to CTA and during the period of any other party's provision of services to CTA in connection with the construction of the Project, to the extent not in conflict with CTA's procurement requirements or applicable federal and state law:

(a) No Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Chapter 2-160, Section 2-160-010 et seq., Municipal Code, except as otherwise provided by said ordinance and as amended from time to time ("Human Rights Ordinance"). Each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

(b) As required by 49 U.S.C. 5332 (which prohibits discrimination on the basis of race, color, creed, national origin, sex, or age, and prohibits discrimination in employment or business opportunity), by Title VI of the Civil Rights Act of 1964, as amended, 42 U.S.C. 2000d, and by U.S. DOT regulations, "Nondiscrimination in Federally-Assisted Programs of the Department of Transportation--Effectuation of Title VI of the Civil Rights Act," 49 CFR part 21 at 21.7, the Employer ensures that it will comply with all requirements imposed by or issued pursuant to 49 U.S.C. 5332, 42 U.S.C. 2000d, and 49 CFR part 21, so that no person in the United States, on the basis of race, color, national origin, creed, sex, or age will be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination in any program or activity (particularly in the level and quality of transportation services and transportation-related benefits) for which the Employer receives Federal assistance awarded by the U.S. DOT or FTA.

(c) Each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the City's Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq., and any subsequent amendments and regulations promulgated thereto.

(d) Each Employer, in order to demonstrate compliance with the terms of this Section, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) Each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any Affiliate undertaking any portion of the Project, so that each such provision shall be binding upon each contractor, subcontractor or Affiliate, as the case may be.

9.02 Construction Worker Hours. Because the Project is federally assisted, CTA has affirmative action requirements or goals for the Project that impose construction worker hours participation by utilization of minorities and women, respectively. The CTA shall comply, and shall cause its general contractors to comply, therewith.

9.03 [intentionally omitted.]

9.04 CTA's DBE Commitment. The CTA agrees for itself and its successors and assigns, that because the construction of the Project involves use of federal funds as part of CTA's contribution, CTA will meet and satisfy its 30% DBE contract goals. Attached hereto as Exhibit E is a description of CTA contract participation requirements for DBEs predicated on such federal requirements applicable to the Project as well as a listing of the DBE commitment for the Project. The CTA shall provide evidence to the City, in conjunction with its other reporting to the City with respect to compliance matters, that it is complying with federal requirements relating to the hiring of DBEs during the construction of the Project.

For purposes of this Section 9.04, "DBE(s)" shall mean disadvantaged business enterprises certified as such by the Illinois Universal Certification Program, of which CTA is a member, pursuant to the U.S. Department of Transportation regulations set forth at 49 CFR Part 26.

SECTION 10. INDEMNIFICATION

Except for the City's own negligence or wrongful acts, the CTA shall release, indemnify and hold harmless, to the maximum extent permitted by law, the City and its officials, employees and agents (the "City Indemnitees") from and against any and all claims, suits, liabilities, losses and damages, including court costs and attorneys' fees and expenses incidental thereto, of whatever nature, arising out of or in connection with the CTA's construction of the Project, and any failure of performance or negligent or wrongful performance by the CTA, or any contractor or subcontractor for the CTA, and their respective officers, agents or employees, in connection with the Project, including, but not limited to, claims for damage to property, and/or injury to or death of any person or persons.

SECTION 11. NOTICES

Re: Amending Agreement to Administrative Services Agreement (the "Agreement")

Ladies and Gentlemen:

I have acted as counsel for SomerCor 504, Inc., an Illinois not-for-profit corporation ("SomerCor"), in connection with the execution and delivery of the Agreement by and between SomerCor and the City of Chicago, acting by and through its Department of Community Development (the "City"). SomerCor has requested that this opinion be furnished to the City.

In so acting as counsel for SomerCor, I have examined:

- (i) an executed original of the Agreement;
- (ii) the Articles of Incorporation, including all amendments thereto, of SomerCor as furnished and certified by the Secretary of State of the State of Illinois;
- (iii) the Bylaws of SomerCor, as certified by the Secretary of SomerCor as of the date hereof; and
- (iv) the Certificate of Good Standing dated _____, issued by the Office of the Secretary of State of the State of Illinois, as to the good standing of SomerCor.

In my capacity as counsel, I have also examined such other documents or instruments as I have deemed relevant for the purposes of rendering the opinions hereinafter set forth.

I have also assumed, but have no reason to question, the legal capacity, authority and the genuineness of the signatures of and due and proper execution and delivery by the respective parties other than SomerCor which has made, executed or delivered or will make, execute and deliver the agreements and documents examined by me.

I express no opinion as to (i) the laws of any state or jurisdiction other than the State of Illinois (and any political subdivisions thereof) and the United States of America; and (ii) any matters pertaining or relating to the securities laws of the United States of America, the State of Illinois or any other state.

Based upon and subject to the assumptions and qualifications herein stated, it is my opinion that:

1. SomerCor is a not-for-profit corporation, duly organized and validly existing under the laws of the State of Illinois, SomerCor has made all filings required by the laws of the State of Illinois in respect of its formation and continuing existence, and has all requisite authority to carry on its business and to execute and deliver, and to consummate the transactions contemplated by, the Agreement.
2. The Agreement has been duly executed and delivered on behalf of SomerCor, and constitutes a legal, valid and binding obligation of SomerCor, enforceable against SomerCor in accordance with its terms, except to the extent that enforcement of any such terms may be limited by: (a) applicable bankruptcy, reorganization, debt arrangement, insolvency or other similar laws generally affecting creditors' rights; or (b) judicial and public policy limitations upon the enforcement of certain remedies including those which a court of equity may in its discretion decline to enforce.
3. There is no action, suit or proceeding at law or in equity pending, nor to my knowledge threatened, against or affecting SomerCor, before any court or before any governmental or administrative agency, which if adversely determined could materially and adversely affect the ability of SomerCor to perform under the Agreement or any of its business or properties or financial or other conditions.
4. The transactions contemplated by the Agreement are governed by the laws of the State of Illinois.
5. The execution and delivery of the Agreement and the consummation of the transactions contemplated thereby will not constitute:
 - A. a violation or breach of (i) the Articles of Incorporation of SomerCor, (ii) the Bylaws of SomerCor, (iii) any provision of any contract or other instrument to which SomerCor is bound, or (iv) any order, writ, injunction, decree, statute, rule or regulation binding on SomerCor, or
 - B. a breach of any of the provisions of, or constitute a default under, or result in the creation or imposition of any lien or encumbrance upon any of the property of SomerCor pursuant to any agreement or other instrument to which SomerCor is a party or by which SomerCor is bound.
6. No action of, or filing with, any governmental or public body is required to authorize, or is otherwise required for the validity of, the execution, delivery and performance of any of the Agreement.

This opinion is furnished for your benefit and may be relied upon by you and any such other party in connection with the Agreement, but may not be delivered to or relied upon by any other person or entity without written consent from the undersigned.

Very truly yours,

(To Ordinance)*

*First Amendment To
JTA Development, Inc. (Renaissance Estates)
Redevelopment Agreement.*

This First Amendment to the JTA Development, Inc. (Renaissance Estates) Redevelopment Agreement (the "First Amendment") is made as of this ____ day of _____, 2010, by and among the City of Chicago, an Illinois municipal corporation (the "City"), through its Department of Community Development, formerly known as the Department of Planning and Development ("DCD"), and JTA Development, Inc., an Illinois corporation (the "Developer").

RECITALS

A. As a home rule unit of government under Section 6(a), Article VII of the 1970 Constitution of the State of Illinois (the "State"), the City has the power to regulate for the protection of the public health, safety, morals and welfare of its inhabitants, and pursuant thereto, has the power to encourage private development in order to enhance the local tax base, create employment opportunities and to enter into contractual agreements with private parties in order to achieve these goals.

B. The City is authorized under the provisions of the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1 et seq., as amended from time to time (the "Act"), to finance projects that eradicate blighted conditions and conservation area factors through the use of tax increment allocation financing for redevelopment projects.

C. To induce redevelopment pursuant to the Act, the City Council of the City (the "City Council") adopted the following ordinances on November 6, 2002: (1) "An Ordinance of the City of Chicago, Illinois Approving a Redevelopment Plan for the 119th Street/I-57 Redevelopment Project Area"; (2) "An Ordinance of the City of Chicago, Illinois Designating the 119th Street/I-57 Redevelopment Project Area as a Redevelopment Project Area Pursuant to the Tax Increment Allocation Redevelopment Act"; and (3) "An Ordinance of the City of Chicago, Illinois Adopting Tax Increment Allocation Financing for the 119th Street/I-57 Redevelopment Project Area" (the "TIF Adoption Ordinance") (items(1)-(3) collectively referred to herein as the "TIF Ordinances"). The redevelopment project area referred to above (the "Redevelopment Area") is legally described in Exhibit A to the Agreement (defined below).

D. Pursuant to an ordinance adopted by the City Council on November 12, 2003, the City and the Developer and the Developer's predecessors-in-interest Renaissance Estates Phase One, L.P., an Illinois general partnership ("Phase One Beneficiary"), Chicago Title Land Trust Company as successor trustee to LaSalle Bank N.A., as trustee under trust agreement dated November 6, 2001 and known as Trust No. 128423 ("Land Trust 1") and Chicago Title Land Trust Company as successor trustee to LaSalle Bank N.A., as trustee under trust agreement dated May 13, 2003 and known as Trust No. 131252 ("Land Trust II"), entered into that certain certain JTA Development, Inc. Redevelopment Agreement dated April 11, 2006 and recorded on April 11, 2006 against the Property legally described on Exhibit A attached hereto with the Cook County Recorder of Deeds as Document No. 0610134063 (the "Agreement", and collectively with this Amendment, the "Amended Agreement"), as authorized by the City Council of the City on November 6, 2002.

E. The Developer has succeeded to all rights and interest of Phase One Beneficiary, Land Trust 1 and Land Trust II,

G. Subsequent to the execution of the Agreement, the Developer has constructed Phase I of the Project (and has subsequently received the Phase I Certificate) and has commenced construction of Phase II. However, due to wide-spread market challenges, the Developer is unable to complete Phase II without, among other things, additional financial assistance from the City and certain changes to the Agreement. The Developer and the City have agreed to enter into this First Amendment to memorialize certain changes to the Agreement.

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

Under no circumstances or conditions, whether now existing or hereafter arising, or whether beyond the present contemplation of the parties, shall Landlord be expected or required to make any payment of any kind whatsoever hereunder or be under any other obligation or liability hereunder except as otherwise expressly set forth herein.

3.05 No Abandonment. Except to the extent provided in Section 8.01, no event or situation during the Term, whether foreseen or unforeseen, and however extraordinary, shall relieve Tenant from its liability to pay the full Rent, or relieve Tenant from any of its other obligations under this Lease. Tenant waives any rights now or hereafter conferred upon it by statute, proclamation, decree, or otherwise, or to claim any abatement, diminution, reduction or suspension of the Rent on account of any such event or situation.

3.06 Reimbursements to Landlord; Arrearages. Tenant shall reimburse Landlord for all reasonable expenditures, costs, expenses and fees, including reasonable attorneys' fees, made or incurred by Landlord in curing any Event of Default of Tenant. 3.07 Interest on Overdue Amounts: All Rent and other amounts due to Landlord hereunder that are not paid when due, shall bear interest at the Lease Interest Rate from the due date to the date received by Landlord. Such interest shall be payable by Tenant to Landlord upon demand. The collection of such interest by Landlord shall not limit or modify any other right or remedy of Landlord under this Lease or otherwise available to Landlord by reason of Tenant's failure to pay such amount when due or by reason of any other Event of Default.

ARTICLE 4

Impositions

4.01 Payment. Throughout the Term, subject to the provisions of Section 4.04, Tenant shall pay or cause to be paid, as and when the same become due, all Impositions, except that:

(a) All Impositions attributable on the accrual basis to a calendar year or other period for which this Lease is in effect for less than the entire calendar year or other period shall be equitably apportioned (taking into account that Landlord may be entitled to exemptions or abatements) consistent with the time a party hereto held its respective interests in the Real Estate and Improvements;

(b) Where any Imposition is permitted by law to be paid in installments, Tenant may pay such Imposition in installments, as and when each such installment becomes due (Tenant acknowledges and agrees that Tenant is obligated to pay all such installments of any Imposition from which Landlord is or would be exempt, whether such installment is due prior to or after the Expiration Date or the date of any earlier termination of this Lease); and

(c) Where any Imposition is entitled to an abatement, refund, exemption or other diminution or reduction under law, whether available to Landlord or Tenant, the parties shall use their best efforts, at Tenant's sole expense, to cause such benefits to be afforded to Tenant under this Lease.

4.02 Deposit of Impositions.

(a) Tenant shall timely pay, as additional rent, all Impositions, and all premiums on insurance required to be carried under Article 7, as and when the same are ascertainable, billed, and due and payable without interest, penalty or fine. Within thirty (30) days after Landlord's written request, Tenant shall deliver reasonable proof of such payment to Landlord.

(b) To the extent required by applicable law, during the continuance of any Event of Default, Tenant agrees to deposit with Landlord on the first day of each and every month thereafter during the Term one-twelfth (1/12) of (a) all Impositions due and payable from Tenant during the next succeeding 12-month period, based on the most recent ascertainable Impositions, plus (b) annual premiums on insurance policies required to be carried by Tenant under Article 7. Further, upon the occurrence of any Event of Default, Tenant shall deposit, at least thirty (30) days prior to the due date of any Imposition, such additional amount as may be necessary to provide Landlord with sufficient funds in such deposit account to pay each such Imposition and annual insurance premium at least thirty (30) days in advance of the due date thereof. The rights granted hereunder to Landlord shall not be exclusive to Landlord's rights and remedies following an Event of Default by Tenant. Landlord shall have no obligation to pay interest to Tenant on any amounts deposited by Tenant. Landlord shall apply any such deposits for the purpose held

not later than the last day on which any such charges may be paid without interest or penalty. If, at any time, the amount of any Imposition or insurance premium is increased or Landlord receives reliable information from a Governmental Authority or insurer, as applicable, that an Imposition or insurance premium will be increased, and if the monthly deposits then being made by Tenant for such item (if continued) would not produce a fund sufficient to pay such item thirty (30) days prior to its due date, such monthly deposits shall thereupon be increased and Tenant shall deposit with Landlord, on demand by Landlord, additional sums in an amount which, when added to the monies then on hand for the payment of said item plus the increased one-twelfth (1/12) payments, shall be sufficient to pay such item at least thirty (30) days before the same becomes due and payable. Tenant shall not be required to make any specific deposit required under this Section if a deposit for the same purpose is made by Tenant to an escrow or otherwise to persons pursuant to a requirement by any Leasehold Mortgagee. This Section 4.02(b) shall not apply to any Leasehold Mortgagee (or any nominee of a Leasehold Mortgagee) that becomes Tenant hereunder through foreclosure or transfer by deed in lieu of foreclosure unless: (i) the Event of Default arises after such Leasehold Mortgagee becomes Tenant hereunder; or (ii) the Event of Default arises prior to such Leasehold Mortgagee becoming Tenant hereunder and such Event of Default is not an Incurable Default and is an Event of Default that such Leasehold Mortgagee is obligated to cure under the provisions of this Lease, and such Leasehold Mortgagee fails to commence or cure such Event of Default within the time and in the manner required by this Lease.

4.03 Contest of Impositions. Tenant may, if it desires, contest the validity or amount of any Imposition, in whole or in part, by an appropriate proceeding diligently conducted in good faith. Tenant may conduct such a contest only after payment of the challenged Imposition or Tenant shall, at least fifteen (15) days prior to the date such Imposition is due: (i) have deposited with the First Leasehold Mortgagee or an escrow agent acceptable to Landlord an amount sufficient to pay such contested Imposition, together with interest and penalties thereon, which amount shall be applied to the payment of such Imposition, interest and penalties when the amount thereof shall be finally fixed and determined; or (ii) have provided to the First Leasehold Mortgagee or to Landlord a bond, letter of credit or other security reasonably acceptable to Landlord. Nothing herein contained, however, shall be construed as to allow such Imposition to remain unpaid for such length of time as shall permit the Property, or any part thereof, or the lien thereon created by such Imposition, to be sold or forfeited for the nonpayment of the same. If the amount so deposited as aforesaid shall exceed the amount of such Imposition, interest and penalties when finally fixed and determined, the excess (or the entire amount if no such payment is required) shall be released from the escrow to Tenant, or in case there shall be a deficiency, the amount of such deficiency shall be forthwith paid by Tenant.

4.04 Reduction of Impositions. Tenant, at its expense, may, if it shall so desire, endeavor at any time or times, upon prior written notice to Landlord, to obtain a lowering of the assessed valuation upon the Real Estate or the Property for the purpose of reducing taxes thereon and, in such event, Landlord will offer no objection and, at the request of Tenant, will cooperate

with Tenant, but without expense to Landlord, in effecting such a reduction. Tenant shall be authorized to collect any tax refund payable as a result of any proceeding Tenant may institute for that purpose and any such tax refund shall be the property of Tenant to the extent to which it may be based on a payment made by Tenant, subject, however, to the apportionment provisions contained in Section 4.01, after deducting from such refund the costs and expenses, including legal fees, incurred in connection with obtaining such refund.

4.05 Joinder of Landlord. Landlord shall not be required to join in any action or proceeding referred to in Sections 4.03 or 4.04 unless required by law or any rule or regulation in order to make such action or proceeding effective, in which event, any such action or proceeding may be taken by Tenant in the name of, but without expense to, Landlord. Notwithstanding the foregoing, Landlord shall execute, when and as required and requested to do so by Tenant in writing, all applications, affidavits and other documents required to obtain or maintain any tax abatement or exemption which may be available. Tenant hereby agrees to indemnify, defend and hold Landlord's Protected Persons harmless from and against all costs, expenses, claims, loss or damage, including reasonable attorney's fees, by reason of, in connection with, on account of, growing out of, or resulting from, any such action or proceeding.

4.06 Tax Divisions. To the extent required by applicable law, Tenant shall, with the cooperation of Landlord, promptly following the execution and delivery of this Lease, file or cause to be filed a petition for a real estate tax division segregating the Landlord's fee interest in the Real Estate from Tenant's Leasehold Estate and interest in the Improvements and separating the Real Estate from land owned by Landlord other than the Real Estate ("Other Land") such that new, separate tax parcel designations are assigned to the Real Estate and the Tenant's Leasehold Interest (and excluding the Other Land). Until such tax parcel redesignation occurs, Landlord agrees to pay or cause to be paid, when due (or, if paid by Landlord, to reimburse Landlord upon demand for) any property taxes attributable to the Real Estate, or any portion thereof, and any Improvements thereon that are taxed as part of a shared tax parcel. Landlord or Tenant may, if either shall so desire, contest the validity or amount of any such taxes, in whole or in part, by an appropriate proceeding diligently conducted in good faith. Any such contest by Tenant shall be in accordance with Section 4.01. Tenant will promptly forward on to Landlord copies of any property tax bills it receives covering the Other Land.

ARTICLE 5

5.01 Required Improvements. Tenant hereby covenants and agrees to commence and diligently pursue the rehabilitation of the Improvements on the Real Estate in accordance with the Plans and Specifications, and obtain certificates of occupancy for all Improvements from the City. Landlord agrees that, upon receipt of written request from Tenant, Landlord will

cooperate with Tenant in applications for permits, licenses or other authorizations required for such Improvements; provided, however, that all expenses in connection therewith shall be borne by the Tenant. Notwithstanding the foregoing, nothing herein shall relieve the Tenant from the responsibility of achieving Final Completion. "Final Completion" shall mean (1) delivery by Tenant to Landlord of a final certificate of occupancy from the City with respect to the Development and (2) delivery by Tenant to Landlord of a certificate of final completion from the Development's architect with respect to the Development.

With respect to any Major Capital Improvement other than required rehabilitation work that Tenant desires to undertake with respect to the Property, Tenant shall not commence construction unless Landlord shall have specifically approved such Major Capital Improvement and Tenant has complied with Section 5.03, provided that Landlord's approval shall not be unreasonably withheld or delayed. A "Major Capital Improvement" is a capital improvement involving an estimated cost of more than \$100,000.00, and shall include additional, alterations, renovations, restorations, replacements or rebuildings, whether or not required to be made in compliance with Tenant's obligations under this Article, or in connection with a Restoration made under Article 8 as a result of damage or destruction, or under Article 12 as a result of any taking pursuant to eminent domain. Notwithstanding the foregoing, Landlord's consent under this Article 5 shall not be required in connection with: (i) a Restoration of the Improvements under Article 8 or Article 12 to the condition that existed immediately prior to the casualty or condemnation; or (ii) a capital improvement that is required pursuant to Requirements.

5.04 Demolition. Except in connection with a Restoration under Articles 8 or 12, Tenant shall not demolish the Improvements, including any improvements to such Improvements required under Section 5.01 or any Major Capital Improvements permitted under Section 5.02, without the prior written consent of Landlord;

6.03 Use of Property. The Property shall be used and occupied only for multi-family senior housing uses consistent with HUD Section 202 Requirements and for uses incidental thereto and for no other purpose, unless Landlord has consented in writing to such other use, which consent may be granted, withheld or granted with such conditions as Landlord may require, in Landlord's sole and absolute discretion. 6.04 Prohibited Use. Tenant shall not use or occupy the Property or permit the same to be used or occupied, in a manner that would (a) materially violate any construction permit or certificate of occupancy affecting the Property or any Requirement, (b) make void or voidable any insurance then in force, or make it impossible to obtain fire or other insurance required to be furnished by Tenant hereunder, (c) cause or be apt to cause structural injury to the Property, or any part thereof, or (d) materially violate any material provision of this Lease.

6.05 Maintenance of Property. Subject to Section 8.01, Tenant shall make all necessary repairs to and replacements of the Improvements, interior and exterior, structural and nonstructural, ordinary and extraordinary, foreseen and unforeseen, and shall maintain and keep the Improvements in good and safe order, repair and condition and in compliance with all applicable provisions of the Municipal Code of the City of Chicago, including but not limited to those provisions in Title 13 ("Building and Construction"), Title 14 ("Electrical Equipment and Installation"), Title 15 ("Fire Prevention") and all applicable landscape ordinances. 6.06 Waste. Tenant shall not do, permit or suffer any waste, damage, disfigurement or injury to or upon the Property, or any part thereof, without repairing the same within a reasonable period of time. Tenant shall have the right at any time and from time to time to sell or dispose of any equipment or fixtures subject to this Lease that may have become obsolete or unfit for use or that is no longer useful, necessary or profitable in the conduct of Tenant's business; provided, however, that Tenant shall have substituted or shall promptly substitute for the property so removed from the Property other equipment or fixtures at least of equal quality and utility in the performance of the particular function in question as that of the property so removed.

6.07 Compliance with Requirements. Except for Excluded Environmental Conditions, Tenant shall comply, at its own expense, with all Requirements during the Term and with the reasonable requests of any insurance company having a policy outstanding with respect to the Property, or any part thereof, whether or not such Requirements or requests require the making of structural alterations or the use or application of portions of the Property for compliance therewith, or interfere with the use and enjoyment of the Property, and shall indemnify, defend and hold harmless Landlord's Protected Persons from and against all fines, penalties, and claims for damages of every kind and nature arising out of any failure to comply with any such Requirement or request. It is the intention of the parties that Tenant during the Term shall discharge and perform all obligations of Landlord, as well as all obligations of Tenant arising as aforesaid, and hold harmless Landlord's Protected Persons therefrom (except for Excluded Environmental Conditions), so that at all times the Rent shall be net to Landlord without deductions or expenses on account of any such Requirement or request, whatever it may be.

6.08 Exculpation of Landlord. Except as otherwise set forth in the Lease, Landlord shall not be responsible or liable for any destruction, damage or injury to any property or to any person or persons at any time on the Property resulting from any casualty, occurrence or condition occurring or existing during the Term of this Lease (except for Excluded Environmental Conditions), including without limitation those from steam, gas or electricity, or from water, rain or snow, whether the same may leak into, issue or flow from or within any part of the Property or from the pipes or plumbing of the same, or from any other place or quarter; nor shall Landlord be in any way responsible or liable in case of any accident or injury (including death) to any of Tenant's subtenants, employees or agents, or to any person or persons

in or about the Property or the streets, driveways, sidewalks, parkways or alleys adjacent thereto; and Tenant agrees that it will not hold Landlord in any way responsible or liable therefor (except for actions caused by Landlord's willful misconduct) and will further indemnify, defend and hold Landlord's Protected Persons harmless from and against any and all claims, liability, penalties, damages, expenses and judgments arising from injury to persons or property of any nature and also for any matter or thing arising out of or resulting as a direct or indirect consequence from the use or occupancy of the Property; provided, however, that the foregoing obligations shall not apply to Excluded Environmental Conditions.

6.09 Exculpation of Leasehold Mortgagee. Until any Leasehold Mortgagee becomes a mortgagee in possession or the tenant under a new lease, no Leasehold Mortgagee shall, except to the extent of the gross negligence or willful misconduct of such Leasehold Mortgagee, its agents and employees on or about the Land be responsible or liable for any destruction, damage or injury to any property or to any person or persons at any time on the Property resulting from any casualty, occurrence or condition occurring or existing during the Term of this Ground Lease, including without limitation those from steam, gas or electricity, or from water, rain or snow, whether the same may leak into, issue or flow from or within any part of the Property or from the pipes or plumbing of the same, or from any other place or quarter; nor shall any Leasehold Mortgagee be in any way responsible or liable in case of any accident or injury (including death) to any of Tenant's subtenants, employees or agents, or to any person or persons in or about the Property or the sidewalks, parkways, and parking areas adjacent thereto.

6.10 Landlord's Right of Entry. Landlord shall have the right, upon reasonable advance notice to Tenant and residents, when appropriate, on any business day, to enter upon the Property, for the purpose of ascertaining the condition thereof, or whether Tenant is observing and performing the obligations assumed by it under this Lease, or to make any repairs or perform any work, all without hindrance or molestation from Tenant. Entry may be made at any time without notice in the event of an emergency (although Landlord shall endeavor to give Tenant prior notice thereof). Nothing contained herein, however, shall impose or imply any duty on the part of Landlord to make any such repairs or perform any such work.

6.11 No Liens. Notice is hereby given that Landlord shall not be liable for any labor or materials furnished or to be furnished to Tenant upon credit, and that no mechanics' or other lien for any such labor or material shall attach to or affect the estate or interest of Landlord in and to the Property or any part thereof.

6.12 Snow Removal. Tenant shall provide and pay for prompt removal of snow and ice from sidewalks which immediately abut the Real Estate and shall assume total responsibility for failure to do so. Tenant acknowledges that Landlord shall have no snow or ice removal responsibilities.

6.13 No Other Rights. This Lease does not give Tenant any other right with respect to the Campus. Any rights not specifically granted to Tenant by and through this Lease are reserved exclusively to Landlord. Execution of this Lease does not obligate Landlord in any manner and Landlord shall not undertake any additional duties or services except as expressly set forth in this document.

6.14 Economic Disclosure Statement Affidavit ("EDS") Updates. Throughout the Lease Term, Tenant shall provide Landlord with any material updates to the information previously submitted in Tenant's Economic Disclosure Statement Affidavit ("EDS"). Landlord may also request such updates from time to time. Failure to provide such information on a timely basis shall constitute a default under this Lease.

6.15 Permits. For any activity which Tenant desires to conduct on the Real Estate in which a license or permit is required, said license or permit must be obtained by Tenant prior to using the Premises for such activity. The City of Chicago, Department of Community Development and Department of General Services, must be notified of any such license or permit. Failure to obtain a required license or permit shall constitute a default under this Lease.

6.16 Security. Tenant acknowledges that Landlord shall have no security obligations relative to Tenant's use of the Real Estate. Tenant shall assume responsibility for properly securing the Real Estate.

6.17 Repairs for Tenant Negligence, Vandalism, or Misuse. Tenant shall assume all responsibility for any repairs to any portion of the Real Estate or Development necessitated by the negligence, vandalism, misuse, or other acts of Tenant, or Tenant's contractors, licensees, invitees, or agents.

ARTICLE 7

Insurance

7.01 Maintenance of Insurance. During the Term, Tenant shall, at its sole expense, obtain and maintain, or cause to be obtained and maintained policies of insurance satisfying the requirements set forth on Exhibit F, provided that so long as the First Leasehold Mortgagee is HUD, the applicable insurance requirements shall be those of HUD and not Exhibit F.

7.02 Form of Policies. Except as provided in Section 8.02, any policies of insurance covering the Development during rehabilitation, shall expressly provide that any losses thereunder shall be adjusted with Tenant and all Leasehold Mortgagees as their interests may appear (or, absent a Leasehold Mortgagee, with Landlord). All such insurance shall be carried in the name of Tenant and loss thereunder shall be payable to Tenant and the Leasehold Mortgagee, if any, and Landlord as their respective interests may appear.

7.03 Evidence of Insurance and Payment. Upon the execution and delivery of this Lease, and thereafter not later than fifteen (15) days prior to the expiration date of an expiring policy theretofore furnished pursuant to this Article, certificates of insurance evidencing the required coverages, bearing notations evidencing the payment of premiums or accompanied by other evidence satisfactory to Landlord of such payment, shall be delivered by Tenant to Landlord. Upon request from Landlord, Tenant shall deliver to Landlord duplicate originals or certified copies of the policies required by this Article 7.

7.04 Separate Insurance. Tenant shall not obtain separate insurance concurrent in form or contributing in the event of loss with that required in this Article to be furnished by or that may reasonably be required to be furnished by Tenant unless Landlord is included therein as an additional insured, with loss payable as required in this Lease. Tenant shall immediately notify Landlord of the obtaining of any such separate insurance and shall deliver duplicate originals or certified copies of the policy or policies so obtained as provided in Section 7.03.

7.05 Cancellation. Each policy of insurance delivered hereunder shall contain an agreement by the insurer that such policy shall not be cancelled or materially altered without at least thirty (30) days' prior written notice given to Landlord and to each Leasehold Mortgagee named in such policy.

ARTICLE 8

Damage and Restoration

8.01 Damage or Destruction.

(a) In the event of any damage to or destruction of the Improvements during the Term, Tenant shall give Landlord immediate notice thereof and, unless the Insurance Proceeds are applied by a Leasehold Mortgagee to reduce its debt in accordance with Section 8.05, Tenant shall promptly and diligently restore, replace, rebuild and repair the same as nearly as possible to their value, condition and character immediately prior to such damage or destruction, in accordance with the following provisions of this Article 8. Landlord shall have no duty to restore, replace, rebuild or repair the Property, or any portion thereof, or to pay any of the costs or expenses thereof. All work in connection with such restoration, replacement, rebuilding and repairing, including all temporary repairs to the Property is hereinafter collectively referred to as "Full Restoration." In the event of any damage to or destruction of the Improvements occurring during the Term, Tenant shall, upon demand, deposit with the First Leasehold Mortgagee (or, if none, with Landlord), or into the Restoration Escrow (as hereinafter defined), the amount of any applicable deductible or self-insurance (the "Deductible"). If the Net Insurance Proceeds (as that term is hereinafter defined) available for a particular Restoration (as hereinafter defined) plus the amount of the Deductible, are insufficient to accomplish the Full Restoration, then Landlord may terminate this Lease (with prior HUD written consent) with respect to the portion of Real Estate on which such damaged or destroyed Improvements were situated by written notice to Tenant

and all Leasehold Mortgagees, unless: (1) within ninety (90) days after the amount of Net Insurance Proceeds has been determined, Tenant deposits with the First Leasehold Mortgagee (or, if none, with Landlord) cash, a letter of credit and/or evidence satisfactory to the First Leasehold Mortgagee (or, if none, to Landlord) of the availability of funds (from a loan or otherwise) in an amount equal to the Restoration Deficiency (as hereinafter defined); or (2) within ninety (90) days after the expiration of said 90-day period, any one or more of the Leasehold Mortgagees and/or any other Person so deposits the Restoration Deficiency with the First Leasehold Mortgagee (or, if none, with Landlord) or into the Restoration Escrow; or (3) within one hundred eighty (180) days after the amount of Net Insurance Proceeds has been determined, the First Leasehold Mortgagee agrees to a Partial Restoration and agrees to make the Net Insurance Proceeds available for such Restoration; or (4) at least one Leasehold Mortgagee is diligently proceeding to obtain such insurance proceeds and, if applicable, to exercise its rights with respect to the Restoration; provided, however, that the foregoing prohibition against termination shall no longer be applicable when the First Leasehold Mortgagee elects to apply such insurance proceeds to repay outstanding debt in lieu of Restoration. The First Leasehold Mortgagee shall consult with all subordinate Leasehold Mortgagees with respect to the application of the Net Insurance Proceeds; provided however that in the event of any disagreement between the First Leasehold Mortgagee and any subordinate Leasehold Mortgagee over the application of the Net Insurance Proceeds, the decision of the First Leasehold Mortgagee, in its sole discretion, shall prevail, subject to Section 8.01(b). The Full Restoration or Partial Restoration, as applicable, is hereinafter referred to as the "Restoration". As used herein, the term "Restoration Deficiency" shall mean additional funds in an amount sufficient, when added to the Net Insurance Proceeds available for a Restoration plus the Deductible, to complete such Restoration. If this Lease is terminated pursuant to this Section 8.01(a), with respect to a portion of the Real Estate only then, at the option of Landlord, Tenant shall, at Tenant's sole expense, demolish and/or remove such of the Improvements on such portion of the Real Estate as are designated by Landlord, provided that, if the costs of such demolition and removal exceed the Deductible, sufficient Net Insurance Proceeds are made available to Tenant for that purpose.

(b) In the event Landlord elects not to restore the Buildings or the building above the Basement, Landlord shall automatically, with no further action on the part of the Landlord, grant Tenant all air rights above the Basement for the remaining Term. Landlord shall use reasonable efforts to demolish and remove all structures that are not part of the Property, at its cost, as required for the Full or Partial Restoration of the Property. Landlord shall use all reasonable efforts to cause such demolition and removal to occur without delay or interference with the Partial or Full Restoration.

(c) The determination of whether the Proceeds are sufficient for a Full Restoration and that such Full Restoration is feasible, shall be reasonably made by the First Leasehold Mortgagee in accordance with the requirements of its Leasehold Mortgage (or, if none, by Landlord). The First Leasehold Mortgagee shall consult with all subordinate Leasehold Mortgagees with respect to application of Net Insurance Proceeds; provided however that in the event of any disagreement between the First Leasehold Mortgagee and any subordinate Leasehold Mortgagee over the application of Net Insurance Proceeds, the decision of the First Leasehold Mortgagee, in its sole discretion, shall prevail. If there is to be a Restoration, all Proceeds shall be deposited in an account with First Leasehold Mortgagee or, if there is no First Leasehold Mortgagee, in a construction disbursement escrow among Landlord, Tenant, the Leasehold Mortgagees, if any, and a mutually acceptable title company (the "Restoration Escrow"), and disbursed to pay the costs of such Restoration. By accepting a Leasehold Mortgage, each Leasehold Mortgagee agrees to be bound by such determination and to make the Net Insurance Proceeds available for such Restoration. In the event of any such damage to or destruction of the Improvements, Tenant, Landlord or any Leasehold Mortgagee, shall have the right (but shall not be obligated) to deposit the Restoration Deficiency into the Restoration Escrow. Unless the Restoration Deficiency is deposited with the First Leasehold Mortgagee (or, if none, with Landlord) or into the Restoration Escrow, or all of the Leasehold Mortgagees agree to a Partial Restoration, within the time periods provided in Section 8.01(a), this Lease shall terminate as to the affected portions of the Real Estate and the provisions of Section 8.05 shall apply.

8.02 Adjustment of Insurance Claims and Disbursements. Adjustment of any insurance claim shall, subject to the terms of any Leasehold Mortgage, be negotiated by Tenant. All insurance proceeds shall be deposited with the First Leasehold Mortgagee (or, if none, with Landlord) or into a Restoration Escrow, and administered as hereinafter set forth. All insurance proceeds received by Landlord or Tenant on account of such damage or destruction, less the actual costs, expenses and fees, if any, incurred in connection with the adjustment of the loss (the "Net Insurance Proceeds"), shall be applied in accordance with the terms of this Article. Such Net Insurance Proceeds plus the Deductible shall be paid out from time to time as such Restoration progresses and is approved. All Proceeds held by the First Leasehold Mortgagee shall be held in trust for the benefit of Tenant.

8.03 Deficiencies. If, at any time during the course of a Restoration, the projected Restoration Deficiency increases, Tenant shall either, before proceeding with the Restoration, deposit with the First Leasehold Mortgagee (or, if none, with Landlord) cash, a letter of credit and/or evidence satisfactory to Landlord of the availability of funds (from a loan or otherwise) in an amount equal to the increase in the Restoration Deficiency, or deliver to the First Leasehold Mortgagee (or, if none, to Landlord) a surety bond from a company and in form and substance satisfactory to the First Leasehold Mortgagee (or, if none, to Landlord), for such increase in the Restoration Deficiency, the premium for which shall have been paid by Tenant. Thereupon, Tenant may proceed with the Restoration.

8.04 Landlord's Right to Complete. Subject to the prior written consent of the First Leasehold Mortgagee under Section 8.01, if a Restoration is commenced or required to be commenced, and if Tenant shall fail to promptly and diligently commence and complete such Restoration, Landlord, after first giving all Leasehold Mortgagees written notice and at least sixty (60) days thereafter to commence such Restoration and thereafter promptly and diligently complete such Restoration, may complete the same and apply the Net Insurance Proceeds plus the Deductible and any additional funds provided by Tenant to the cost of Restoration.

8.05 Leasehold Mortgages. Except as provided in Section 8.01: (1) all provisions of this Article 8 are subject to the rights of the First Leasehold Mortgagee and the provisions of the First Leasehold Mortgage; (2) the provisions of the First Leasehold Mortgage shall govern in the event of any conflict or inconsistency between the provisions of this Article 8 and the provisions of the First Leasehold Mortgage; and (3) application of Net Insurance Proceeds shall be subject to the terms of the Leasehold Mortgages, and the respective priorities of the Leasehold Mortgagees thereunder, including the Leasehold Mortgagees' rights, if any, to apply proceeds of insurance to the payment of outstanding debt owed by Tenant to such Leasehold Mortgagees in lieu of Restoration. In such an event, Landlord and Tenant shall adjust any remaining balance of insurance proceeds as their respective interests may be affected by such damage or destruction, and this Lease shall terminate as to the affected portions of the Real Estate. No termination of this Lease shall occur under this Article 8 so long as at least one Leasehold Mortgagee is diligently proceeding to obtain such insurance proceeds and, if applicable, to exercise its rights with respect to the Restoration; provided, however, that the foregoing prohibition against termination shall no longer be applicable when the First Leasehold Mortgagee elects to apply such insurance proceeds to repay outstanding debt in lieu of Restoration.

ARTICLE 9

Title and Ownership; Leasehold Mortgage

9.01 Restrictions on Transfer.

(a) Except for Permitted Transfers and Permitted Refinancings: (i) Tenant shall not at any time without the prior written consent of Landlord: (A) sell, assign, transfer, or convey (any, a "Transfer") all or any part of its interest under this Lease, or (B) Transfer all or any part of any structure or other Improvement located on the Real Estate; or (C) sublet all or any part of the Property except for subletting of the dwelling units to subtenants pursuant to subleases with a term (including options to extend or renew) not in excess of one (1) year and (ii) there shall not be a change of control of Tenant or the Transfer of any interest in Tenant. Landlord's consent to any of the foregoing may be granted, withheld or granted with such conditions as Landlord shall require, in its sole and absolute discretion. For so long as HUD is First Leasehold Mortgagee, Landlord shall be deemed to have given consent to any of the foregoing upon HUD approval of the same.

(b) If a Permitted Transfer consisting of a Transfer of the Leasehold Estate occurs, the transferee or assignee shall enter into an assumption agreement with Landlord by which it assumes all of Tenant's rights and obligations under this Lease. Thereafter, the transferee or assignee shall succeed to all rights and obligations of Tenant under this Lease, and shall be deemed a permitted assignee of Tenant, and Tenant making such Transfer, shall be and hereby is relieved of any continuing obligations hereunder arising thereafter and such permitted assignee, by accepting such assignment, shall be deemed to have assumed all obligations hereunder arising after such assignment. Landlord acknowledges that Tenant may cause the Improvements, or a portion thereof, to qualify for housing "low income families" and/or "very low income families," for the period required under Section 42 of the Internal Revenue Code of 1986, as amended (the "Code"). Tenant may cause the Improvements, or a portion thereof, to qualify for other state and/or federal assistance, including but not limited to financing arranged through or insured by HUD. To the extent required by the Code and/or HUD as a condition to such qualification, and as may be required under Article 15, Tenant is authorized to enter into restrictive covenants encumbering the Property pertaining to the use of the Property. Landlord agrees to enter into a subordination agreement relating to this Lease as to such restrictive covenants as may be required to obtain and maintain such qualifications.

(c) Landlord shall not, without the prior written consent of Tenant and all Leasehold Mortgagees, mortgage or create a lien upon (i) all or any part of the Real Estate, or (ii) all or any part of its interest in this Lease or any Improvement.

(d) The parties acknowledge that it may become necessary to grant easements and/or licenses over, under, upon and across the Real Estate for the provision of gas, electricity, telephone service, cable television, Internet access, water, sewer, and other utilities to serve the Improvements. All such easements and licenses shall be subject to the prior written consent of Landlord, which shall not be unreasonably withheld or delayed. If required, Landlord shall grant or join with Tenant in the grant of such easements and licenses, so as to subject Landlord's interest in the Real Estate to such easements and licenses. All costs in connection with such easements and licenses shall be borne by Tenant.

9.02 Liens. Other than the Permitted Exceptions and any Permitted Refinancing, Tenant shall not create or permit to be created or to remain, and shall promptly discharge, any lien (including but not limited to any mechanic's, contractor's, subcontractor's or materialman's lien or any lien, encumbrance or charge arising out of any Imposition, conditional sale, title retention agreement, chattel mortgage, security agreement, financing statement or otherwise) upon the Property, or any part thereof, or the income therefrom, and Tenant shall not suffer any matter or thing whereby the estate, rights and interests of Landlord in the Property or the Development, or any part thereof, will be impaired. Notwithstanding the foregoing prohibitions,

Tenant shall have the right to contest any such lien upon compliance with the same conditions as are applicable to the contest of any Imposition under Section 4.03 or to provide title insurance over any such lien in a manner reasonably satisfactory to Landlord. If Tenant shall fail to cause any such matter to be discharged of record or contested in the foregoing manner, then Landlord may, but shall not be obligated to, in addition to any other right or remedy, discharge such lien at any time after delivery of notice to Tenant, either by paying the amount claimed to be due or by procuring the discharge of such lien by deposit or bonding proceedings or otherwise, and in any such event Landlord shall be entitled, if it so elects, to compel the prosecution of an action for foreclosure of such lien by the lienholder and to pay the amount of judgment in favor of the lienholder with interest, costs and allowances. Any amount so paid by Landlord and all reasonable costs, expenses and fees incurred by Landlord in connection therewith shall be reimbursed by Tenant to Landlord. This Lease shall constitute notice that Landlord shall not be liable for any work performed or to be performed, or any materials furnished or to be furnished, at the Real Estate for Tenant or any subtenant upon credit, and that no mechanic's or other lien for such work or materials shall attach to or affect the estate or interest of Landlord in and to the Real Estate, unless such work or materials is specifically ordered by Landlord in writing.

9.03 Leasehold Mortgage.

(a) In order to enable Tenant to finance a portion of the cost of rehabilitation of the Development, Tenant shall have the right, at or prior to commencement of rehabilitation of the Improvements required under Section 5.01, to grant HUD a mortgage in Tenant's Leasehold Estate, and execute and record the Leasehold Mortgage with respect to such estate, in an aggregate amount not to exceed the estimated cost of the Development, or such other amount as is reasonably approved by Landlord. Landlord's interest in the Property or this Lease shall at no time be encumbered by and shall at no time be subject or subordinate to any Leasehold Mortgage (i.e. the foreclosure of any such Leasehold Mortgage shall not divest Landlord of its fee simple title or reversionary interest). For purposes of this Article 9, the making of a Leasehold Mortgage shall not be deemed to constitute an assignment or transfer of this Lease or the Leasehold Estate, nor shall any Leasehold Mortgagee, as such, be deemed to be an assignee or transferee of this Lease or of the Leasehold Estate so as to require such Leasehold Mortgagee, as such, to assume the performance of any of the terms, covenants or conditions on the part of Tenant to be performed hereunder. A Leasehold Mortgagee may become the holder of the Leasehold Estate and succeed to Tenant's interest under this Lease by foreclosure of its Leasehold Mortgage (either in its own name or in the name of its nominee) or as a result of the assignment of the Tenant's interest under this Lease in lieu of foreclosure, and any purchaser at any sale of Tenant's interest under this Lease in any proceeding for the foreclosure of any Leasehold Mortgage or the assignee or transferee of Tenant's interest under this Lease under any instrument of assignment or transfer in lieu of the foreclosure of any Leasehold Mortgage shall be deemed to be an assignee or transferee approved by Landlord and shall be deemed to have agreed to perform all of the obligations of Tenant from and after the date of such assignment, but only for so long as such purchaser, assignee or transferee is the owner of the Leasehold Estate.

(b) If an Event of Default by Tenant occurs, Landlord agrees that it will not terminate this Lease or take possession of the Property if : (i) any Leasehold Mortgagee shall cure the default within 60 days after expiration of the time for Tenant to cure said default, or if such default cannot reasonably be cured within said 60-day period, and any Leasehold Mortgagee in good faith commences within said 60-day period and thereafter diligently prosecutes all actions required to cure such default, such longer period as may be reasonably necessary; or (ii) within 60 days after notice of such default by Landlord to a Leasehold Mortgagee, such Leasehold Mortgagee commences legal proceedings (herein called "foreclosure proceedings") to foreclose the lien of its Leasehold Mortgage and if such Leasehold Mortgagee diligently proceeds with its foreclosure proceedings or obtains a deed in lieu of foreclosure (including seeking to be put in possession as mortgagee-in-possession or seeking to obtain the appointment of a receiver in such foreclosure proceedings), or (iii) such Event of Default cannot by its nature be cured by any Leasehold Mortgagee. The foregoing 60 day periods shall be extended for so long as such Leasehold Mortgagee is enjoined or stayed in any bankruptcy or insolvency proceedings filed by or against Tenant. Nothing in this Article 9 shall require any Leasehold Mortgagee, as a condition to the exercise of rights provided under this Article 9, to cure any Event of Default of Tenant that is specific to Tenant and therefore not reasonably susceptible of being cured by such Leasehold Mortgagee. The foregoing shall not be deemed to excuse a Leasehold Mortgagee from performing covenants relating to the rehabilitation or condition of Improvements on the Real Estate or other similar matters requiring access to and/or control of the Property from and after such time as such Leasehold Mortgagee acquires the Leasehold Estate by foreclosure or otherwise, provided that the Constmction Completion Deadline shall be extended accordingly during any such period given to initiate and complete any foreclosure proceeding. If no Leasehold Mortgagee commences and prosecutes either curative action or foreclosure proceedings as provided above, Landlord may invoke any or all of its remedies under this Lease, including the remedy of termination. In the event the purchaser at the foreclosure sale or the assignee of such purchaser or the recipient of any deed in lieu of foreclosure acquires the Leasehold Estate and Tenant's interest in the Improvements, such purchaser or assignee shall thereupon become Tenant under this Lease and hereby agrees to assume and perform each and all of Tenant's obligations and covenants hereunder from and after the date that such purchaser or assignee acquires the Leasehold Estate and Tenant's interest in the Improvements.

(c) In the event there is a First Leasehold Mortgage, Landlord agrees that it will not accept a surrender of the Tenant Property or a cancellation of this Lease from Tenant prior to the expiration of the Term of this Lease and will not amend this Lease without in each case obtaining the prior written consent of such First Leasehold Mortgagee.

(d) Each Leasehold Mortgagee, by accepting its Leasehold Mortgage, agrees for the benefit of Landlord:

(i) that such Leasehold Mortgagee will use reasonable efforts to give to Landlord notice of all events of default declared by such Leasehold Mortgagee with respect to its Leasehold Mortgage Loan that give such Leasehold Mortgagee the right of acceleration, concurrently with or promptly after notice thereof is given to Tenant; and Landlord shall have the right, but shall not be obligated, to cure any such defaults on the part of Tenant within the time period, if any, allowed by the Leasehold Mortgage; and

(ii) prior to commencing foreclosure proceedings or accepting a deed in lieu of foreclosure, such Leasehold Mortgagee shall give Landlord a written notice describing the action proposed to be taken by such Leasehold Mortgagee and stating the aggregate amount of the indebtedness then due and secured by the Leasehold Mortgage, and setting forth in reasonable detail the respective portions of said indebtedness attributable to principal, interest, attorneys' fees and expenses and other costs, fees and expenses. Landlord shall have a period of thirty (30) days after Landlord receives such notice from such Leasehold Mortgagee within which Landlord, at its election, may purchase from such Leasehold Mortgagee, without representation, warranty or recourse (other than as to the purchase price), the Leasehold Mortgage, the indebtedness secured thereby, and any other security held by such Leasehold Mortgagee for such indebtedness, for a purchase price equal to the amounts due such Leasehold Mortgagee under the Leasehold Mortgage.

ARTICLE 10

Tenant Default: Rights and Remedies of Landlord

10.01 Tenant's Event of Default. Each of the following events shall be an "Event of Default" by Tenant under this Lease:

(a) Tenant's failure to pay, when due, any installment of Rent or any other amount to be paid by Tenant under this Lease, and such failure shall continue for a period of thirty (30) days after written notice from Landlord specifying such failure;

(b) Tenant shall be in default under Section 9.01(a);

(c) if any insurance required to be maintained by Tenant shall lapse without replacement, so that any required coverage is not in effect;

(d) Tenant shall fail to perform or observe any other material obligation, term or provision under this Lease and such failure continues beyond sixty (60) days after written notice from Landlord to Tenant specifying such Event of Default; provided, however, that if Tenant in good faith commences within said 60-day period and thereafter diligently prosecutes all actions required to cure such default, Tenant shall be allowed a reasonable additional period to effect such cure;

(e) a petition in bankruptcy is filed by or against Tenant, or if Tenant makes a general assignment for the benefit of creditors or is adjudged insolvent by any state or federal court, and in the case of any such involuntary petition, action or proceeding not initiated by Tenant such petition, action or proceeding is not dismissed or stayed within ninety (90) days after the commencement of such petition, action or proceeding; and

(f) Tenant shall fail to commence the rehabilitation of the Development in accordance with the Plans and Specifications prior to sixty (60) days following the closing of the First Leasehold Mortgage or Tenant shall fail to complete the rehabilitation of the Development in accordance with the Plans and Specifications prior to two (2) years from the date of this Lease, and such failure continues for a period of sixty (60) days after written notice from Landlord specifying such failure; provided, however, that if Tenant in good faith commences within said 60-day period and thereafter diligently prosecutes all actions required to cure any such failure, Tenant shall be allowed a reasonable additional period to effect such cure.

10.02 Termination. If an Event of Default shall occur, Landlord may not terminate this Lease for so long as the provisions of Section 9.03, 10.13 or any other provision of this Lease that expressly limits Landlord's ability to terminate this Lease precludes such termination. Otherwise Landlord, at its option, at any time thereafter during the continuance of such Event of Default, may give to Tenant and all Leasehold Mortgagees a notice of termination of this Lease, and, upon the date specified in such notice, which date shall be after all cure periods and foreclosure proceeding periods without a cure or foreclosure (or exercise by a Leasehold Mortgagee of other remedies contemplated by Section 9.03(b)) being effected, then this Lease and all of Tenant's rights under this Lease shall expire and terminate as if that date were the date herein originally fixed for the expiration of the Term of this Lease, and on the date so specified, Tenant shall vacate and surrender the Property to Landlord. If an Event of Default under Section 10.01(f) shall occur, then Landlord's right to terminate the entire Lease by reason of such Event of Default shall be limited as hereinafter provided.

10.03 Transfer of Deposits, etc. If this Lease terminates under Section 10.02, all unearned insurance premiums, all deposits theretofore made by Tenant with utility companies, any claims for refund of any Imposition, any pending claims for insurance proceeds or condemnation awards, and all fuel and supplies on the Property owned by Tenant shall, subject to the rights of the Leasehold Mortgagees, be deemed to be and are hereby assigned to and transferred to Landlord to be applied in payment of Tenant's liability under this Lease.

10.04 Re-entry. If of this Lease terminates under Section 10.02 or by operation of law or otherwise, Landlord may without further notice re-enter and repossess the Property.

10.05 Injunctive Relief. In the event of any breach or threatened breach by Tenant of any of the covenants, agreements, terms or conditions contained in this Lease, Landlord shall be entitled, after expiration of any applicable notice and cure period, to injunctive relief against such breach or threatened breach, and shall have the right to invoke any right or remedy available at law or in equity or by statute or otherwise as though re-entry, summary proceedings and other remedies were not provided for in this Lease.

10.06 Re-letting by Landlord. If Landlord terminates this Lease under Section 10.02, Landlord may re-let the Property or any part thereof and receive the rent therefor, whether such rent is in the aggregate greater than or less than the Rent payable hereunder. Landlord shall not be responsible or liable in any way for failure to re-let the Property or any part thereof or for failure to collect any rent due on such re-letting, except as required by law to mitigate Landlord's damages.

10.07 Receipt of Monies: No Waiver. No receipt of money by Landlord from Tenant after termination of this Lease shall reinstate, continue or extend the term of this Lease or of any notice of termination theretofore given to Tenant, or operate as a waiver of Landlord's right to enforce the payment of Rent and any other payments or charges herein reserved or agreed to be paid by Tenant, then or thereafter falling due, or operate as a waiver of Landlord's right to recover possession of the Property by proper remedy, it being agreed that after service of notice to terminate this Lease or the commencement of any suit or summary proceedings, or after final order for the possession of the Property, Landlord may demand and collect any monies due or thereafter falling due in any manner without affecting such notice, proceeding, order, suit or judgment, and all such monies collected shall be deemed paid on account of the use and occupancy of the Tenant Property or, at Landlord's election, on account of Tenant's liability hereunder.

10.08 No Implied Waivers. Landlord's granting of a consent under this Lease, or Landlord's failure to object to an action taken by Tenant without Landlord's consent under this Lease, shall not be deemed a waiver by Landlord of its right to require such consent for any fluther similar act of Tenant. No waiver by Landlord of any breach of any of the conditions, covenants or agreements of this Lease shall be constmed, taken or held to be a waiver of any other breach or be a waiver, acquiescence in or consent to any further or succeeding breach of the same term, condition, covenant or agreement. None of Tenant's covenants, agreements, obligations or undertakings under this Lease, and no breach thereof, may be waived, altered or modified except by a written instmment executed by Landlord.

10.09 Remedies Not Exclusive. Subject to provisions of Article 18 and other provisions of this Lease restricting Landlord's right to terminate this Lease, no right, power or remedy conferred upon or reserved to Landlord under this Lease or under law shall be considered exclusive of any other right, power or remedy, but shall be cumulative and shall be in addition to those existing at law or in equity, or by statute or otherwise, and may be exercised from time to time, without precluding Landlord's simultaneous or later exercise of any or all other rights, powers or remedies. No delay or omission of Landlord in exercising any right, power or remedy arising from any default shall impair any such right, power or remedy or shall be constmed to be a waiver of any such default.

10.10 Waiver of Notice. Tenant expressly agrees that any notice of intention to re-enter provided in any statute or to initiate legal proceedings to that end shall run concurrently with any applicable notice period provided hereby so that any required notice period shall not be longer than the longer of such statutory notice or notice required under this Lease. Tenant waives, for

and on behalf of itself and all persons and parties claiming through or under it (other than any Leasehold Mortgagee), any and all right of redemption provided by any law or now in force or hereafter enacted or otherwise, for re-entry or repossession, or to restore the operation of this Lease, in case Tenant shall be dispossessed by a judgment or by warrant of any court or judge, or in case of re-entry or repossession by Landlord, or in case of any expiration or termination of this Lease.

10.11 Suits for Damages. Suits for damages or deficiencies, or for a sum equal to any installments of Rent, Impositions and other charges and payments hereunder shall be subject to the provisions of Article 18.

10.12 Bankruptcy. Nothing in this Article contained shall limit or prejudice the right of Landlord to prove and obtain as damages in any bankruptcy, insolvency, receivership, reorganization or dissolution proceeding an amount equal to the maximum allowed by any statute or rule of law governing such proceeding and in effect at the time when such damages are to be proved, whether or not such amount be greater, equal to or less than the amount of the damages referred to any of the preceding Sections.

10.13 Leasehold Mortgagee's Rights. Notwithstanding the remedies afforded to Landlord under this Article 10, such remedies shall be subject to and subordinate to the Leasehold Mortgagees' rights granted herein.

ARTICLE 11

Additional Rights and Remedies of Landlord

11.01 Performance by Landlord. If an Event of Default shall occur and provided that no Leasehold Mortgagee has cured such failure within the time period provided herein for such cure, Landlord may, at its option (but shall not be required to), make any such payment or perform any such act, and for such purpose Landlord may enter upon the Property and take all actions thereon as may be deemed by Landlord necessary or desirable therefor. Any amount paid or incurred by Landlord in effecting or attempting to cure such failure shall be additional rent due from Tenant to Landlord, and shall be payable by Tenant upon demand.

11.02 Tenant to Provide Indemnification.

(a) Unless arising from Landlord's willful and wanton misconduct, Tenant agrees to indemnify, defend and save Landlord's Protected Persons harmless against and from all liabilities, claims, suits, fines, penalties, damages, losses, charges, costs, expenses and fees (including reasonable attorney's fees) which may be imposed upon, incurred by or asserted against Landlord's Protected Persons by reason of any of the following:

(i) any use, non-use, possession, occupation, condition (other than Excluded Environmental Conditions), operation, repair, maintenance or management of the Property, or any part thereof, or any occurrence of any of the same;

(ii) any act or omission on the part of Tenant or any subtenant, licensee or invitee, or any of its or their agents, contractors, servants, employees, licensees or invitees relating to the Property or this Lease;

(iii) any accident, injury (including death) or damage, regardless of the cause thereof, to any person or property occurring in, on or about the Property or any part thereof;

(iv) any contest permitted pursuant to the provisions of Section 4.03 or 6.06;

(v) any litigation or proceeding related to the Property or this Lease to which Landlord becomes or is made a party without fault on its part, whether commenced by or against Tenant; and

(vi) any costs which may be incurred by Landlord in enforcing any of the covenants, agreements, terms and conditions of this Lease (provided Landlord prevails in the enforcement proceeding).

ARTICLE 12

Eminent Domain

12.01 Total Taking. Subject to Section 12.05, if, during the Term of this Lease, the entire Property, or such substantial portion thereof, as shall in the reasonable good faith judgment of Tenant, make it economically unfeasible to continue to operate the remaining portion for the purposes herein stated, shall be taken by the exercise of the power of eminent domain, this Lease shall terminate on the date of vesting of title in the condemnor under such eminent domain proceedings, and all Rent and other sums payable by Tenant hereunder shall be prorated to the date of such vesting, and thereafter Tenant shall be relieved of all obligations to pay the Rent and to otherwise perform its agreements, obligations and undertakings under this Lease except those that expressly survive the termination of this Lease. The award granted with respect to such eminent domain proceedings shall be divided between Landlord, Tenant and the First Leasehold Mortgagee in the following order:

(a) to the First Leasehold Mortgagee, an amount sufficient to obtain the release and satisfaction of the First Leasehold Mortgage; and

(b) the balance, if any, shall be paid to Landlord.

If this Lease is terminated under this Section, then Tenant shall, if so directed by Landlord, demolish and/or remove any damaged Improvements on any remaining Property at the sole cost and expense of Tenant provided that all condemnation proceeds allocable to the Tenant Property remaining after satisfaction of the indebtedness secured by any Leasehold Mortgages shall be

available to Tenant. The obligation under this Lease to demolish and/or remove Improvements under the foregoing sentence shall not apply to any Leasehold Mortgagee (or nominee of a Leasehold Mortgagee) that succeeds to Tenant's interest under this Lease through foreclosure of its Leasehold Mortgage or deed-in-lieu thereof

12.02 Partial Taking.

(a) If, during the Term, less than the entire Property shall be taken by the exercise of the power of eminent domain; and, in the reasonable judgment of the First Leasehold Mortgagee, condemnation proceeds attributable to Tenant's interest in the Property are sufficient to restore the remaining portion of the Property so as to be not materially different from the prior value, condition and character of the Property, this Lease shall not terminate but shall continue for the remainder of the Term, subject to the provisions of this Section 12.02. The condemnation proceeds shall be made available to Tenant, and Tenant, at its expense, shall restore the remaining portion of the Property to substantially the same value, condition and character as existed prior to such taking. If Tenant is obligated to restore the Property, the proceeds of the award shall be deposited in the Restoration Escrow and disbursed to pay the costs of such restoration. If the sum of such awards is not sufficient, Tenant shall have the right, but not the obligation, to provide the additional funds required. Landlord shall have no obligation to provide any additional funds.

(b) If the First Leasehold Mortgagee reasonably determines that condemnation proceeds are insufficient to restore that portion of the Property remaining after the taking so as to be not materially different than the value, condition and character of the Property prior to such taking, and neither Tenant nor any Leasehold Mortgagee deposits into the Restoration Escrow the additional funds necessary to satisfy such deficiency within ninety (90) days after the condemnation award, then the condemnation proceeds shall be applied as set forth in Section 12.01 and the requirements of Section 8.05 shall apply.

12.03 Temporary Taking. In the event of a taking for a temporary use, this Lease and the Term shall continue and the Rent thereafter due and payable shall be equitably reduced or abated. Tenant shall continue to perform and observe all of the other covenants, agreements, terms and conditions of this Lease. The entire amount of any proceeds with respect to such temporary taking shall be paid to Tenant.

12.04 Other Governmental Action. In the case of any governmental action not resulting in the taking of any portion of the Property but creating a right to compensation therefor, this Lease shall continue in full force and effect without reduction or abatement of any Rent thereafter due and payable. If such governmental action results in any damage to the Improvements, Tenant shall be entitled to receive such portion of the proceeds (or all of the proceeds, if required for such purpose) estimated to be necessary to remedy any such damage, and Tenant shall proceed with reasonable diligence to make all repairs, replacements, restorations and improvements necessary so to remedy such damage to the extent economically

feasible, and, if the amount of such proceeds is not sufficient, Tenant shall have the right, but not the obligation, to provide the additional funds required. Any balance remaining from such proceeds, or if no damage is involved then all of such proceeds, shall be divided between Landlord and Tenant as their respective interests may appear.

12.05 Leasehold Mortgagees. The rights granted to Landlord and Tenant under this Article 12 shall be subject to the rights and interests of the First Leasehold Mortgagee under its Leasehold Mortgage (except as provided in Section 12.02(b)).

ARTICLE 13

Estoppel Certificates

13.01 Estoppel Certificates. Upon written request by either party or any First Leasehold Mortgagee, the party to whom the request was made will promptly certify to the requesting Person, or to any proposed assignee or grantee or mortgagee or the proposed assignee of such mortgagee, whether or not this Lease is valid and subsisting, whether or not it has been modified (and if there are modifications, stating them) and whether or not the party executing the certificate has knowledge of any default or breach by the other party under any of the terms of this Lease (and if any exists, stating them). Upon the issuance of a certificate of occupancy for the Development by the City in its municipal capacity following completion of the rehabilitation of the Improvements, Landlord shall give to Tenant a certificate of completion (in recordable form) certifying all obligations set forth in Section 5.01 have been satisfied, and Tenant shall cause such certificate to be recorded.

ARTICLE 14

Surrender at End of Term; Title to Improvements

14.01 Surrender at End of Term. Upon the expiration of the Term, all Improvements then on the Real Estate shall, together with all fixtures, used in connection with the operation of the Development, shall become the property of Landlord without any payment or allowance whatever by Landlord on account of or for such Improvements, and fixtures, , whether or not the same or any part thereof shall have been constructed by, paid for, or purchased by Tenant. Tenant shall vacate and surrender possession of the Property to Landlord without delay, free and clear of all lettings, occupancies, and licenses, and free and clear of all mortgages and other liens, claims, encumbrances and security interests and the rights of residents in possession under leases (which shall expire not later than one (1) year after the end of the Term), and those, if any, created by Landlord. Tenant agrees to execute and deliver to Landlord such quit claim deeds, bills of sale, assignments or other instruments of conveyance as Landlord may reasonably deem necessary to evidence such transfer of possession and title to Landlord. Tenant hereby waives any notice now or hereafter required by law with respect to vacating the Property at any such termination date. All personal property of the Tenant shall remain Tenant's property, subject to security interests, and shall be removed on expiration or as soon as reasonably practical after termination of the Lease.

14.02 Title to Improvements. Landlord acknowledges and agrees that throughout the Term and until expiration or earlier termination of this Lease, title to all Improvements shall be in Tenant's name and that Tenant has, and shall be entitled to: (a) claim depreciation or cost recovery deductions; (b) amortize capital costs and to claim any other federal or state tax benefits attributable to the Tenant Property. Tenant shall not remove or substantially alter any of the Improvements (other than the disposition and replacement of equipment, appliances and other personal property in the ordinary course of business or in connection with the performance of its obligations under Section 6.04) without having first obtained the prior written consent of Landlord, which consent shall be in the Landlord's sole and absolute discretion.

ARTICLE 15

Landlord Defaults

15.01 Landlord's Default. It shall be an event of default by Landlord under this Lease if Landlord fails to perform any other term or provision to be performed by Landlord under this Lease, and such failure shall continue beyond sixty (60) days after written notice received by Landlord from Tenant specifying such event of default; provided, however, that if Landlord in good faith commences within said 60-day period and thereafter diligently prosecutes all actions required to cure such default, Landlord shall be allowed a reasonable period to effect such cure.

Upon an event of default by Landlord hereunder, Tenant shall have as its sole and exclusive remedies (a) the right to terminate this Lease, and (b) the right to specifically enforce Landlord's performance obligations, subject further to Section 18.01.

15.02 Exercise of Remedies. Remedies Not Exclusive. Tenant's exercise of its remedies under Section 15.01(b) may be exercised from time to time and as often as occasion may arise or may be deemed expedient, without precluding Tenant's simultaneous or later exercise of such remedy. No delay or omission of Tenant to exercise such remedy shall impair any such remedy or shall be construed to be a waiver of any such default or an acquiescence therein.

15.03 Waivers in Writing. None of Landlord's covenants, agreements, obligations or undertakings, and no events of default of Landlord may be waived, altered, or modified except by a written instrument executed by Tenant and the First Leasehold Mortgagee.

15.04 Landlord's Representations. Landlord hereby represents and warrants to Tenant that:

- (a) Landlord's execution of this Lease, and the performance by Landlord of all of the terms and conditions contained herein will not violate or cause a breach or default under any other agreement relating to the Property to which Landlord is a party or by which it is bound; and

(b) as of the Commencement Date, there is no tenant or other occupant of the Real Estate having any right or claim to possession or use of the Real Estate other than parties having rights under the Permitted Exceptions, residents of the Development, and public and private utilities and telecommunication providers.

All agreements, obligations and undertakings contained in this Lease shall, except as herein specifically limited or otherwise provided, extend and inure to be binding upon Landlord's successors and assigns and Tenant's permitted successors and permitted assigns, and shall be construed as covenants running with the land. Wherever reference is made in this Lease to either party, it shall be held to include and apply to such successors and assigns.

17.02 Amendments in Writing. From time to time, the parties hereto may amend this Lease Agreement with respect to any provisions reasonably related to Tenant's use of the Premises and/or Landlord's administration of said Lease Agreement. Provided, however, that such amendment(s) shall not serve to extend the Lease term hereof nor serve to otherwise materially alter the essential provisions contained herein. Such amendment(s) shall be in writing, shall establish the factual background necessitating such alteration, shall set forth the terms and conditions of such modification, and shall be duly executed by both Landlord and Tenant and any Leasehold Mortgagee.

17.03 Quiet Possession. Landlord agrees that during the Term and so long as no Event of Default exists and is continuing hereunder, Tenant shall and may peaceably and quietly have, hold and enjoy the Real Estate demised hereby, subject to the Permitted Exceptions, without molestation or disturbance by or from Landlord or any party claiming by, through or under Landlord, and free of any encumbrance created or suffered by Landlord except for the Permitted Exceptions expressly described herein to which this Lease is made subject and subordinate.

17.04 Time of Essence. Time is of essence of this Lease and of the performance of the respective obligations, covenants and agreements of Landlord and Tenant hereunder. If the day for the performance of any obligation hereunder occurs on a calendar day other than a business day, the time for such performance shall be extended to the next business day.

17.05 Approvals. All approvals or consents required under the provisions hereof shall be in writing. Unless herein expressly otherwise provided, any approval or consent of Landlord shall be sufficiently given if signed by the Commissioner of the Department of General Services or any successor department thereto.

17.07 Captions. The table of contents and captions of this Lease are for convenience of reference only and in no way define, limit or describe the scope or intent of this Lease nor in any way affect this Lease.

17.08 Partial Invalidity. If any term, provision or condition of this Lease or its application to any Person or circumstance shall to any extent be invalid or unenforceable, the remainder of this Lease and the application of such term, provision or condition to Persons or circumstances other than those as to which it is held invalid or unenforceable shall not be affected thereby, and each term, provision and condition of this Lease shall be valid and be enforced to the fullest extent permitted by law.

17.09 Applicable Law. This Lease shall be construed and enforced in accordance with the law of the State of Illinois.

17.10 Recording of Lease. This Lease shall be recorded in its entirety with the Cook County Recorder of Deeds.

From time to time, Tenant may request minor modifications to this Lease to satisfy the requirements of financing sources, including without limitation government agencies and private lenders and equity sources. Landlord will use all reasonable efforts to accommodate such requests and will not unreasonably withhold or delay its approval and execution of modifications to this Lease that do not materially and adversely alter the basic terms hereof or Landlord's rights and remedies hereunder. Nothing herein shall impose upon Landlord any requirement to approve any modification or amendment to this Lease that would violate or contravene any applicable law or any contract or agreement to which Landlord is a party or which is binding on Landlord.

ARTICLE 18

Exculpatory Provisions

18.01 Exculpatory Provision – Landlord. It is expressly understood and agreed by Tenant, and any Person claiming by, through or under Tenant (including without limitation all Leasehold Mortgagees) that none of Landlord's covenants, undertakings or agreements herein set forth are made or intended as personal covenants, undertakings or agreements of Landlord, but are for the purpose of binding the premises demised hereby, and liability or damage for breach for nonperformance by Landlord shall be collectible only out of the Property demised hereby and no personal liability is assumed by nor at any time may be asserted or enforced against Landlord or any other Landlord's Protected Persons or any of its or their heirs, legal representatives, successors or assigns, all such personal liability, if any, being expressly waived and released by Tenant and each Person claiming by, through or under Tenant.

18.02 Exculpatory Provision – Tenant. Tenant, but not any partner, (other than a general partner), officer, director, shareholder, member or manager of Tenant, nor any employee or agent of any of the foregoing, shall be personally liable for payment or performance under this Lease, it being acknowledged that Landlord's exclusive rights and remedies hereunder shall be limited to Tenant's interest in this Lease and the Improvements and any other asset of Tenant and, to the extent provided for in Section 10.2, for the termination of this Lease and re-entry and possession of the Property. No deficiency judgment shall be sought or obtained against Tenant or any partner, officer, director, shareholder, member or manager of Tenant, nor any employee or agent of any of the foregoing (collectively, "Exculpated Parties") for any amount due under this Lease; provided, however, that, except as hereinafter provided in this Section 18.02, nothing contained herein shall either relieve the Exculpated Parties from personal liability and responsibility, or limit Landlord's other rights and remedies against the Tenant hereunder, either at law or in equity: (i) for fraudulent acts; (ii) for the fair market value of any personal property or fixtures removed or disposed of from the Property in violation of the terms of this Lease; (iii) for waste committed by Tenant with respect to the Property (iv) for insurance proceeds and condemnation awards received by Tenant and not turned over to Landlord or used by Tenant for restoration or repair of the Property to the extent required under this Lease; and (v) for any rents or other income from the Property received by Tenant after an Event of Default under this Lease and not applied to the fixed and operating expenses of the Development.

ARTICLE 19

19.01 Regulatory Agreements. Concurrently with, and as a condition to the Landlord's execution of this Lease, the Tenant shall enter into those agreements which shall be described in a revised Exhibit B (collectively, the "Regulatory Agreements") relating to the rehabilitation and operation of the Development.

ARTICLE 20

Hazardous Materials

20.01 Definitions. As used herein, the term "Hazardous Materials" shall mean and include any hazardous, toxic or dangerous waste, substance or material defined as such in or for purposes of any of the Environmental Laws.

20.02 Prohibition Against Hazardous Materials. Tenant shall not cause any Hazardous Material to be generated, released, stored, buried or deposited over, beneath, in or on (or used in the construction of) the Real Estate or the Development, or any part thereof, from any source whatsoever, other than in accordance with applicable Environmental Laws. Except for Excluded Environmental Conditions, Tenant shall not permit any Hazardous Material to be generated, released, stored, buried or deposited over, beneath, in or on (or used in the construction of) the Real Estate or the Property, or any part thereof, from any source whatsoever, other than in accordance with applicable Environmental Laws.

20.03 Indemnity. Tenant shall indemnify, defend and hold harmless Landlord's Protected Persons, and any current or former officer, director, employee or agent of Landlord (collectively, the "Indemnitees") from and against any claims, demands, penalties, fines, liabilities, settlements, damages, costs or expenses, including, without limitation, attorney's and consultant's fees, investigation and laboratory fees, court costs and litigation expenses, known or unknown, contingent or otherwise, arising out of or in any way related to a violation of Section 20.02.

20.04 Survival. Tenant's obligations under this Article 22 shall survive the expiration or termination of this Lease.

ARTICLE 21

Tenant Disclosures and Representations

21.1 Business Relationships. Tenant acknowledges (a) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (b) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (c) notwithstanding anything to the contrary contained in this Agreement, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. Tenant hereby represents and warrants that no violation of Section 2-145-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

21.2 Patriot Act Certification. Tenant represents and warrants that neither Tenant nor any Affiliate (as hereafter defined) thereof is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable Laws: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. As used in this Section, an "Affiliate" shall be deemed to be a person or entity related to Tenant that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Tenant, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

21.3 Prohibition on Certain Contributions-Mayoral Executive Order No. 05-1. Tenant agrees that Tenant, any person or entity who directly or indirectly has an ownership or beneficial interest in Tenant of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Tenant's contractors (i.e., any person or entity in direct contractual privity with Tenant regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Tenant and all the other preceding classes of persons and entities are together the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (a) after execution of this Agreement by Tenant, (b) while this Agreement or any Other Contract (as hereinafter defined) is executory, (c) during the term of this Agreement or any Other Contract, or (d) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to February 10, 2005, the effective date of Executive Order 2005-1.

Tenant represents and warrants that from the later of (a) February 10, 2005, or (b) the date the City approached Tenant, or the date Tenant approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Tenant agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Tenant agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 05-1 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 05-1.

Notwithstanding anything to the contrary contained herein, Tenant agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this Section 28 or violation of Mayoral Executive Order No. 05-1 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this Agreement, and under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Tenant intentionally violates this provision or Mayoral Executive Order No. 05-1 prior to the Closing, the City may elect to decline to close the transaction contemplated by this Agreement.

For purposes of this provision:

(a) "Bundle" means to collect contributions from more than one source, which contributions are then delivered by one person to the Mayor or to his political fundraising committee.

(b) "Other Contract" means any other agreement with the City to which Tenant is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council.

(c) "Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

(d) Individuals are "domestic partners" if they satisfy the following criteria:

(i) they are each other's sole domestic partner, responsible for each other's common welfare; and

(ii) neither party is married; and

(iii) the partners are not related by blood closer than would bar marriage in the State of Illinois; and

(iv) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and

(v) two of the following four conditions exist for the partners:

- (1) The partners have been residing together for at least 12 months.
- (2) The partners have common or joint ownership of a residence.
- (3) The partners have at least two of the following arrangements:
 - (A) joint ownership of a motor vehicle;
 - (B) joint credit account;
 - (C) a joint checking account;
 - (D) a lease for a residence identifying both domestic partners as tenants.
- (4) Each partner identifies the other partner as a primary beneficiary in a will.

(e) “Political fundraising committee” means a “political fundraising committee” as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

21.4 Waste Ordinance Provisions. In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Tenant warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the “Waste Sections”). During the period while this Agreement is executory, Tenant’s, any general contractor’s or any subcontractor’s violation of the Waste Sections, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Chief Procurement Officer. Such breach and default entitles the City to all remedies under the Agreement, at law or in equity. This section does not limit Tenant’s, general contractor’s and its subcontractors’ duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Agreement. Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Agreement, and may further affect the Tenant’s eligibility for future contract awards.

21.5 Failure to Maintain Eligibility to do Business with City. Failure by Tenant or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of this Agreement and the transactions contemplated thereby. Developer shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

21.6 Cooperation with Office of Inspector General and Legislative Inspector General. It is the duty of Developer and any bidder, proposer, contractor, subcontractor, and every applicant for certification of eligibility for a City contract or program, and all officers, directors, agents, partners, and employees of any such grantee, subgrantee, bidder, proposer, contractor, subcontractor or such applicant to cooperate with the Legislative Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-55 of the Municipal Code, and to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code. The SSAC reserves the right to require the Contractor to perform revised services that are within the general scope of services of this Agreement and of the Special Services identified in the Establishment Ordinance subject to the same terms and conditions herein. Revised services are limited to changes or revisions to the line items in the Budget, do not affect the maximum compensation and require the prior written approval of the SSAC. The SSAC may, by written notice to the Department and the Contractor, delete or amend the figures contained and described in the Budget attached hereto as Exhibit 2 and incorporated by reference as if fully set forth herein. The Contractor shall provide the Services in accordance with the standards of performance set forth in Section 3.02.

If the SSAC determines that the Contractor has failed to comply with the foregoing standards, the Contractor shall perform again, at its own expense, all Services required to be reperformed as a direct or indirect result of such failure. Any review, approval, acceptance or payment for any or all of the Services by the City does not relieve the Contractor of its responsibility for the professional and technical accuracy of its Services. This provision in no way limits the City's rights against Contractor, either under this Agreement, at law or in equity.

3.03 Personnel

A. Key Personnel

The Contractor shall, immediately upon receiving a fully executed copy of this Agreement, assign and maintain during the term of this Agreement and any extension thereof an adequate staff of competent personnel, who are fully equipped, licensed as appropriate, available as needed, qualified and assigned to perform the Services. In addition, the Risk Management Division will review each new Scope of Services which the SSAC, in consultation with the Contractor, prepares annually during the term of this Agreement pursuant to Section 3.01 and may, if it wishes, revise the insurance required herein.

3.06 Indemnification

A. On written notice from the City of Losses the City believes are Losses Arising under this Agreement as defined in this Section 3.06, the Contractor shall defend, indemnify, and hold completely harmless the City Indemnitees from and against such Losses, regardless of whether Contractor challenges the City's belief. The defense, indemnification and hold harmless obligations of the Contractor toward City Indemnitees remain an affirmative obligation of Contractor following the City's notice of Losses the City believes are Losses Arising under this Agreement, unless and until a court of competent jurisdiction finally determines otherwise and all opportunities for appeal have been exhausted or have lapsed.

B. For purposes of this Section 3.06,

"City Indemnitees" means, individually and collectively, the City of Chicago, its officials, agents, employees and SSAC members.

"Losses" means, individually and collectively, all kinds of liabilities, losses, suits, claims, damages, judgments, fines, and demands, including all reasonable costs for investigation, reasonable attorneys' fees, court costs, and experts' fees, arising by reason of injury or death of any person, damage to property, patent or copyright infringement.

"Arising under this Agreement" means (i) arising out of awarding this Agreement, (ii) arising out of the enforcement of this Agreement, including the enforcement of this indemnification provision; (iii) arising out of or in connection with Contractor's performance or non-performance of this Agreement (including the acts or omission of Contractor, its officers, agents, employees, consultants, subcontractors, licensees, or invitees), any breach by any of them of any warranty made under this Agreement, or any failure by any of them to meet any applicable standard of performance under this Agreement; or (iv) any combination of any of the foregoing.

C. To the extent permissible by law, Contractor waives any limits on Contractor's liability that it would otherwise have by virtue of the Worker's Compensation Act or any other related law or judicial decision (such as *Kotecki v. Cyclops Welding Corporation*, 146 Ill. 2d 155 (1991)). The City, however, does not waive any limitations it may have on its liability under the Worker's Compensation Act or under the Illinois Pension Code.

D. The City has the right, at its option and at its own expense, to participate in the defense of any suit without relieving Contractor of any of its obligations under this indemnity provision. The requirements set forth in this indemnity provision are separate from and not limited by the amount of insurance Contractor is required to obtain under this Agreement or by its bonds pursuant to other provisions in this Agreement. Further, the indemnitees contained in this provision survive the expiration or termination of this Agreement.

3.07 Records and Audits

The Contractor shall deliver or cause to be delivered all documents, data, studies, reports, findings or information to the SSAC promptly in accordance with the time limits prescribed herein and if no time limit is specified, then upon reasonable demand therefore, or upon termination or completion of the Services hereunder.

The Contractor agrees to adopt at its own expense such financial controls, including, without limitation, the employment of a fiscal agent approved by the Commissioner, as determined by the Commissioner in his sole discretion and communicated in writing to the Contractor after the date of execution of this Agreement, to ensure that the Contractor is fulfilling the terms of this Agreement.

The Contractor and any Subcontractors shall furnish the SSAC with semi-annual reports or provide such information as may be requested relative to the performance and cost of the Services. The Contractor shall maintain records showing actual time devoted and costs incurred. The Contractor shall keep books, documents, paper, records and accounts in connection with the Services open to inspection, copying, abstracting, transcription, and an independent audit by City employees or agents or third parties, and shall make these records available to the City and any other interested governmental agency at reasonable times during the performance of its Services. In addition, Contractor shall retain them in a safe place and make them available for an independent audit, inspection, copying and abstracting for at least five years after the final payment made in connection with this Agreement.

THE CONTRACTOR SHALL NOT COMMINGLE SERVICE TAX FUNDS WITH FUNDS FROM OTHER SOURCES, and to the extent that the Contractor conducts any business operations separate and apart from the Services hereunder using, for example, personnel, equipment, supplies or facilities also used in connection with this Agreement, then the Contractor shall maintain and make similarly available to the City detailed records supporting the Contractor's allocation to this Agreement of the costs and expenses attributable to any such shared usages.

The Contractor shall provide an annual audited financial statement (a "Third Party Audit") to the Department and the SSAC within 120 calendar days after the end of the calendar year, and the system of accounting shall be in accordance with generally accepted accounting principles and practices, consistently applied throughout. Contractor must comply with the requirements in Exhibit 9 with respect to any Third Party Audit. If any Third Party Audit shows that Contractor or any of its Subcontractors has overcharged the City in any period, the City will notify Contractor, and Contractor must then promptly reimburse the City for any amounts the City has paid Contractor due to the overcharges. Any failure to comply with the audit requirements set forth in Exhibit 9 of the Agreement shall constitute an event of default under the Agreement. If such event of default is not corrected to the City's satisfaction within the cure period identified by the City, the City may incur costs to conduct any supplementary audit it deems necessary, and Contractor must then promptly reimburse the City for any such costs.

No provision in this Agreement granting the City a right of access to records and documents is intended to impair, limit or affect any right of access to such records and documents that the City would have had in the absence of such provisions.

The City may in its sole discretion audit the records of Contractor or its Subcontractors, or both, at any time during the term of this Agreement or within five years after the Agreement ends, in connection with the goods, work, or services provided under this Agreement. Each calendar year or partial calendar year is considered an "audited period." If, as a result of such an audit, it is determined that Contractor or any of its Subcontractors has overcharged the City in the audited period, the City will notify Contractor. Contractor must then promptly reimburse the City for any amounts the City has paid Contractor due to the overcharges and also some or all of the cost of the audit, as follows:

A. If the audit has revealed overcharges to the City representing less than 5% of the total value, based on the Agreement prices, of the goods, work, or services provided in the audited period, then the Contractor must reimburse the City for 50% of the cost of the audit and 50% of the cost of each subsequent audit that the City conducts;

B. If, however, the audit has revealed overcharges to the City representing 5% or more of the total value, based on the Agreement prices, of the goods, work, or services provided in the audited period, then Contractor must reimburse the City for the full cost of the audit and of each subsequent audit.

if the City is unable to make a determination regarding overcharges to City as a result of Contractor's not having maintained records as required under this Agreement, Contractor must promptly reimburse the City for some or all of the cost of the audit, as determined in the sole discretion of the City. Failure of Contractor to promptly reimburse the City in accordance with this Section 3.07 is an event of default under Section 7.01 of this Agreement, and Contractor will be liable for all of the City's costs of collection, including any court costs and attorneys' fees.

3.08 Subcontracts and Assignments

The Contractor shall not assign, delegate, subcontract or otherwise transfer all or any part of its rights or obligations under this Agreement or any part hereof, unless otherwise provided for herein or without the express written consent of the SSAC. The absence of such provision or written consent shall void the attempted assignment, delegation or transfer and shall be of no effect as to the Services or this Agreement.

All subcontracts, all approvals of Subcontractors and any assignment to which the SSAC consents are, regardless of their form, deemed conditioned upon performance by the Subcontractor or assignee in accordance with the terms and conditions of this Agreement.

If the Contractor subcontracts for security services, the Subcontractor shall be a Security Firm certified by the State of Illinois and the Security Firm's employees shall be licensed by the State of Illinois. The Contractor, upon entering into any subcontract with a Security Firm, shall furnish the SSAC and the Department with a copy of the subcontract for their approval. The City expressly reserves the right to approve all Security Firm subcontracts.

3.09 License, Permits and Safety Considerations

A. Licenses and Permits

If the Contractor engages in Construction, it is responsible for and, in a timely manner consistent with its obligations hereunder, shall secure and maintain at its expense such permits, licenses, authorizations and approvals as are necessary for it to engage Construction under this Agreement.

B. Safety Considerations

If the Contractor engages in Construction, it shall at all times exercise reasonable care, shall comply with all applicable provisions of federal, state and local laws to prevent accidents or injuries, and shall take all appropriate precautions to avoid damage to and loss of City property and the property of third parties in connection with the Construction. The Contractor shall erect and properly maintain at all times all necessary safeguards, barriers, flags and lights for the protection of its and its Subcontractors' employees, City employees and the public.

If the Contractor engages in Construction, it shall report to the Department any damage on, about, under or adjacent to City property or the property of third persons resulting from its performance under this Agreement. The Contractor is responsible for any damage to City property and the property of third parties due, in whole or in part, to the Contractor's Construction activities under this Agreement, and the Contractor shall repair such damage to a reasonably acceptable standard.

3.10 Performance Bond

If the Contractor engages in Construction work where expenditures exceed \$100,000, it shall, not later than the date the Contractor begins such work or executes a subcontract for such work, provide or cause to be provided to the Department a performance and payment bond in the amount

allocated for the Construction work (but not including the amount allocated for design and preparation of specifications), by a surety or sureties acceptable to the City. The performance bond shall be in the form and to the effect of Exhibit 7 hereto, which is incorporated by reference as if fully set forth here.

If any of the sureties on such bond at any time fail financially, or are deemed to be insufficient security for the penalty of the bond, then the City may, on giving 10 days notice thereof in writing, require the Contractor to furnish a new and additional bond with sureties satisfactory to the City, and, if so required, Contractor must promptly provide such bond.

ARTICLE 4 TERM OF SERVICES

This Agreement shall take effect as of January 1, 2011 ("Effective Date") and shall continue through December 31, 2011, or until the Agreement is terminated earlier in accordance with its terms.

The Contractor in conjunction with the SSAC has prepared a Budget through December 31, 2011, attached hereto as Exhibit 2 and incorporated by reference as if fully set forth here, covering all services described in the Scope of Services. Subject to the restriction that the maximum amount that may be spent in calendar year 2011 may not exceed \$1,621,626, the SSAC reserves the right to transfer funds between line items or make Budget revisions that do not affect the maximum compensation set forth in Section 5.01. The SSAC shall revise the Budget if any part of the Contractor's Services is terminated.

For each subsequent year of this Agreement, if any, and subject to the provisions of Section 3.01, a Budget for that year shall be incorporated into this Agreement by written amendment pursuant to Section 8.03.

The SSAC reserves the right to audit the account and require the Contractor to refund any funds that were not spent pursuant to the Budget or that were not approved by the SSAC. The name and address of the bank is _____ and the wire transfer and the Account numbers are _____.

All funds remaining in the Account at the expiration or early termination of this Agreement, including any interest earned, belong to the City for the benefit of the Area and shall be returned to the City to be used only for Special Services.

No payments shall be made or due to the Contractor under this Agreement beyond those amounts appropriated and budgeted by the City to fund payments hereunder.

F. "Affiliate of Contractor" means a person or entity that directly (or indirectly through one or more intermediaries) controls, is controlled by or is under common control with Contractor. A person or entity will be deemed to be controlled by another person or entity if it is controlled in any manner whatsoever that results in control in fact by that other person or entity (either acting individually or acting jointly or in concert with others) whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

I. Contractor understands and will abide by all provisions of Chapter 2-26 of the Municipal Code of the City of Chicago.

6.02 Economic Disclosure Statement and Affidavit

The Contractor has provided the City with an Economic Disclosure Statement (EDS) and Affidavit, "Familial Relationships with Elected City Officials and Department Heads," which is attached hereto as Exhibit 3 and incorporated by reference as if fully set forth herein. In addition, the Contractor shall provide the City with copies of its latest articles of incorporation, by-laws and resolutions, or partnership or joint venture agreement, as applicable, and evidence of its authority to do business in the State of Illinois, including without limitation, registrations of assumed names or limited partnerships and certifications of good standing with the Office of the Secretary of State of Illinois.

6.03 Conflict of Interest

Pursuant to Chapter 2-156 of the Municipal Code of Chicago, and 65 ILCS 5/3.1-55-10, no member of the governing body of the City or other unit of government, no other officer, employee, SSAC member, or agent of the City or other unit of government who exercises any functions or responsibilities in connection with the Services to which this Agreement or any related subcontract pertain, and no relative of any SSAC member shall have any personal economic or financial interest, directly or indirectly, in this Agreement or any such subcontract except to the extent that such benefits are provided equally to all residents and/or business owners in the Area. Furthermore, no SSAC member, relative of any SSAC member, City official, agent or employee shall be a Subcontractor, employee or shareholder of the Contractor or receive anything of value from the Contractor.

No member of or delegate to the Congress of the United States or the Illinois General Assembly and no alderman of the City or City employee shall be admitted to any share or part of this Agreement or to any financial benefit to arise from it. The Contractor acknowledges that any agreement entered into, negotiated or performed in violation of any of the provisions of Chapter 2-156 shall be voidable by the City.

The Contractor covenants that it, its officers, directors and employees, and the officers, directors and employees of each of its members if a joint venture, and Subcontractors presently have no financial interest and shall acquire no interest, direct or indirect, in the Services undertaken by the Contractor pursuant to the Agreement that would conflict in any manner or degree with the performance of the Services. The Contractor further covenants that in the performance of this Agreement no person having any such interest shall be employed. The Contractor agrees that if the Commissioner in his reasonable judgment determines that any of the Contractor's services for others conflict with the Services the Contractor is to provide for the City under this Agreement, the Contractor shall terminate such other services immediately upon request of the City.

6.04 Non-liability of Public Officials

No official, employee or agent of the City shall be charged personally by the Contractor, or by any assignee or Subcontractor of the Contractor, with any liability or expenses of defense or be held personally liable to them under any term or provision hereof, because of the City's execution or attempted execution hereof, or because of any breach hereof.

6.05 Independent Contractor

The Contractor shall perform under this Agreement as an independent contractor to the City and not as a representative, employee, agent or partner of the City.

6.06 Business Relationships with Elected Officials

Pursuant to Section 2-156-030(b) of the Municipal Code of the City of Chicago, it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected official has a business relationship, or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a business relationship. Violation of Section 2-156-030(b) by any elected official with respect to this Agreement is grounds for termination of this Agreement. The term business relationship is defined as set forth in Section 2-156-080 of the Municipal Code of Chicago.

Section 2-156-080 defines a "business relationship" as any contractual or other private business dealing of an official, or his or her spouse, or of any entity in which an official or his or her spouse has a financial interest, with a person or entity which entitles an official to compensation or payment in the amount of \$2,500 or more in a calendar year; provided, however, a financial interest shall not include: (i) any ownership through purchase at fair market value or inheritance of less than one percent of the share of a corporation, or any corporate subsidiary, parent or affiliate thereof, regardless of the value of or dividends on such shares, if such shares are registered on a securities exchange pursuant to the Securities Exchange Act of 1934, as amended; (ii) the authorized compensation paid to an official or employee for his office or employment; (iii) any economic benefit provided equally to all residents of the City; (iv) a time or demand deposit in a financial institution; or (v) an endowment or insurance policy or annuity contract purchased from an insurance company. A "contractual or other private business dealing" shall not include any employment relationship of an official's spouse with an entity when such spouse has no discretion concerning or input relating to the relationship between that entity and the City.

6.07 Chicago "Living Wage" Ordinance

(a) Section 2-92-610 of the Municipal Code of Chicago provides for a living wage for certain categories of workers employed in the performance of City contracts, specifically non-City employed security guards, parking attendants, day laborers, home and

health care workers, cashiers, elevator operators, custodial workers and clerical workers ("Covered Employees"). Accordingly, pursuant to Section 2-92-610 and regulations promulgated under it:

(i) If Contractor has 25 or more full-time employees, and

(ii) If at any time during the performance of this Agreement, Contractor and/or any Subcontractor or any other entity that provides any portion of the Services (collectively "Performing Parties") uses 25 or more full-time security guards, or any number of other full-time Covered Employees, then

(iii) Contractor must pay its Covered Employees, and must assure that all other Performing Parties pay their Covered Employees, not less than the minimum hourly rate as determined in accordance with this provision (the "Base Wage") for all Services performed under this Agreement.

(b) Contractor's obligation to pay, and to assure payment of, the Base Wage will begin at any time during the term of this Agreement when the conditions set forth in (a)(i) and (a)(ii) above are met, and will continue until the end of the term of this Agreement.

(c) As of July 1, 2010, the Base Wage is \$11.03, and each July 1 thereafter, the Base Wage will be adjusted, using the most recent federal poverty guidelines for a family of four as published annually by the U.S. Department of Health and Human Services, to constitute the following: the poverty guidelines for a family of four divided by 2000 hours or the current base wage, whichever is higher. At all times during the term of this Agreement, Contractor and all other Performing Parties must pay the Base Wage (as adjusted in accordance with the above). If the payment of prevailing wages is required for Services done under this Agreement, and the prevailing wages for Covered Employees are higher than the Base Wage, then Contractor and all other Performing Parties must pay the prevailing wage rates.

(d) Contractor must include provisions in all subcontracts requiring its Subcontractors to pay the Base Wage to Covered Employees. Contractor agrees to provide the City with documentation acceptable to the Chief Procurement Officer demonstrating that all Covered Employees, whether employed by Contractor or by a Subcontractor, have been paid the Base Wage, upon the City's request for such documentation. The City may independently audit Contractor and/or Subcontractors to verify compliance with this section. Failure to comply with the requirements of this section will be an event of default under this Agreement, and further, failure to comply may result in ineligibility for any award of a City contract or subcontract for up to 3 years.

(e) Not-for-Profit Corporations: If Contractor is a corporation having federal tax-exempt status under Section 501(c)(3) of the Internal Revenue Code and is recognized under Illinois not-for-profit law, then the provisions of Sections (a) through (d) above do not apply.

6.08 Deemed Inclusion

Provisions required by law, ordinances, rules, regulations or executive orders to be inserted in this Agreement are deemed inserted in this Agreement whether or not they appear in this Agreement or, upon application by either party, this Agreement will be amended to make the insertion; however, in no event will the failure to insert the provisions before or after this Agreement is signed prevent its enforcement.

6.09 Environmental Warranties and Representations

In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Contractor warrants and represents that it, and to the best of its knowledge, its subcontractors have not violated and are not in violation of the following sections of the Code (collectively, the Waste Sections):

- 7-28-390 Dumping on public way;
- 7-28-440 Dumping on real estate without permit;
- 11-4-1410 Disposal in waters prohibited;

- 11-4-1530 Compliance with rules and regulations required;
- 11-4-1550 Operational requirements; and
- 11-4-1560 Screening requirements.

During the period while this Agreement is executory, Contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Commissioner. Such breach and default entitles the City to all remedies under the Agreement, at law or in equity.

This section does not limit Contractor's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Agreement.

Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Agreement, and may further affect Contractor's eligibility for future contract awards.

6.10 EDS / Certification Regarding Suspension and Debarment

Contractor certifies, as further evidenced in the EDS attached as Exhibit 3, by its acceptance of this Agreement that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from participation in this transaction by any federal department or agency. Contractor further agrees by executing this

Agreement that it will include this clause without modification in all lower tier transactions, solicitations, proposals, contracts and subcontracts. If Contractor or any lower tier participant is unable to certify to this statement, it must attach an explanation to the Agreement.

6.11 Ethics

(a) In addition to other warranties and representations, Contractor warrants that no payment, gratuity or offer of employment will be made in connection with this Agreement by or on behalf of any Subcontractors to Contractor or higher tier subcontractors or anyone associated with them, as an inducement for the award of a subcontract or order.

(b) Contractor further acknowledges that any Agreement entered into, negotiated or performed in violation of any of the provisions of Chapter 2-156 is voidable as to the City.

6.12 MacBride Ordinance

The City of Chicago through the passage of the MacBride Principles Ordinance seeks to promote fair and equal employment opportunities and labor practices for religious minorities in Northern Ireland and provide a better working environment for all citizens in Northern Ireland.

In accordance with Section 2-92-580 of the Municipal Code of the City of Chicago, if Contractor conducts any business operations in Northern Ireland, the Contractor must make all reasonable and good faith efforts to conduct any business operations in Northern Ireland in accordance with the MacBride Principles for Northern Ireland as defined in Illinois Public Act 85-1390 (1988 Ill. Laws 3220).

The provisions of this Section 6.12 do not apply to contracts for which the City receives funds administered by the United States Department of Transportation, except to the extent Congress has directed that the Department of Transportation not withhold funds from states and localities that choose to implement selective purchasing policies based on agreement to comply with the MacBride Principles for Northern Ireland, or to the extent that such funds are not otherwise withheld by the Department of Transportation.

6.13 Cooperation in Investigations

It is the duty of the Contractor and any bidder, proposer, subcontractor and every applicant for certification of eligibility for a City contract or program, and all officers, directors, agents, partners, and employees of the Contractor and any such bidder, proposer, subcontractor or such applicant to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code. Contractor represents that it understands and will abide by all provisions of Chapter 2-56 of the Municipal Code and that it will inform subcontractors of this provision and require their compliance.

It is the duty of the Contractor and any bidder, proposer, subcontractor and every applicant for certification of eligibility for a City contract or program, and all officers, directors, agents, partners, and employees of the Contractor and any such bidder, proposer,

subcontractor or such applicant to cooperate with the Legislative Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-55 of the Municipal Code. Contractor represents that it understands and will abide by all provisions of Chapter 2-55 of the Municipal Code and that it will inform subcontractors of this provision and require their compliance.

ARTICLE 7 EVENTS OF DEFAULT, REMEDIES, TERMINATION, RIGHT TO OFFSET, SUSPENSION

7.01 Events of Default Defined

The following constitute events of default:

A. Any material misrepresentation, whether negligent or willful and whether in the inducement or in the performance, made by Contractor to the City.

B. Contractor's material failure to perform any of its obligations under the Agreement including, but not limited to, the following:

(1) failure to commence or ensure timely completion of the Services due to a reason or circumstance within Contractor's reasonable control;

(2) failure to perform the Services in a manner satisfactory to the City;

(3) failure to promptly re-perform within a reasonable time Services that were rejected as erroneous or unsatisfactory;

(4) discontinuance of the Services for reasons within the Contractor's reasonable control;

(5) failure to comply with a material term of this Agreement, including but not limited to the provisions concerning insurance and nondiscrimination; and

(6) any other acts specifically and expressly stated in this Agreement as constituting an event of default.

C. The Contractor's default under any other agreement it may presently have or may enter into with the City during the life of this Agreement. The Contractor acknowledges and agrees that in the event of a default under this Agreement the City may also declare a default under any such other agreements.

7.02 Remedies

The occurrence of any event of default which the Contractor fails to cure within 14 calendar days after receipt of notice specifying such default or which, if such event of default cannot reasonably be cured within 14 calendar days after notice, the Contractor fails, in the sole opinion of the Commissioner, to commence and continue diligent efforts to cure, permits the

City to declare the Contractor in default. Whether to declare the Contractor in default is within the sole discretion of the Commissioner. Written notification of the default, and any intention of the City to terminate the Agreement, shall be provided to Contractor and such decision is final and effective upon Contractor's receipt of such notice. Upon receipt of such notice, the Contractor must discontinue any services, unless otherwise directed in the notice, and deliver all materials accumulated in the performance of this Agreement, whether completed or in the process of completion, to the City. At such time the City may invoke any legal or equitable remedy available to it including, but not limited to, the following:

A. The right to take over and complete the Services or any part thereof as agent for and at the cost of the Contractor, either directly or through others. The Contractor shall have, in such event, the right to offset from such cost the amount it would have cost the City under the terms and conditions herein had the Contractor completed the Services.

B. The right to terminate this Agreement as to any or all of the Services yet to be performed, effective at a time specified by the City.

C. The right of specific performance, an injunction or any other appropriate equitable remedy.

D. The right to money damages.

E. The right to withhold all or any part of Contractor's compensation hereunder.

F. The right to deem Contractor non-responsible in future contracts to be awarded by the City.

If the City considers it to be in its best interest, it may elect not to declare default or to terminate this Agreement. The parties acknowledge that this provision is solely for the benefit of the City and that if the City permits the Contractor to continue to provide the Services despite one or more events of default, the Contractor is in no way relieved of any of its responsibilities, duties or obligations under this Agreement nor does the City waive or relinquish any of its rights. No delay or omission to exercise any right accruing upon any event of default impairs any such right nor shall it be construed as a waiver of any event of default or acquiescence therein, and every such right may be exercised from time to time and as often as may be deemed expedient.

7.03 Right to Offset

The City reserves its rights under § 2-92-380 of the Municipal Code of Chicago and the Commissioner shall consult with the SSAC before exercising such rights.

7.04 Suspension

The City may at any time request that the Contractor suspend its Services, or any part thereof, by giving 15 days prior written notice to the Contractor or upon no notice in the event of emergency. No costs incurred after the effective date of such suspension shall be allowed. The

Contractor shall promptly resume its performance upon written notice by the Department. The Budget may be revised pursuant to Section 5.02 to account for any additional costs or expenses actually incurred by the Contractor as a result of recommencing the Services.

7.05 No Damages for Delay

The Contractor agrees that it, its members, if a partnership or joint venture and its Subcontractors shall make no claims against the City for damages, charges, additional costs or hourly fees for costs incurred by reason of delays or hindrances by the City in the performance of its obligations under this Agreement.

7.06 Early Termination

In addition to termination for default, the City may, at any time, elect to terminate this Agreement or any portion of the Services to be performed under it at the sole discretion of the Commissioner by a written notice to the Contractor. If the City elects to terminate the Agreement in full, all Services shall cease and all materials accumulated in performing this Agreement, whether completed or in the process of completion, shall be delivered to the Department within 10 days after receipt of the notice or by the date stated in the notice.

During the final ten days or other time period stated in the notice, the Contractor shall restrict its activities, and those of its Subcontractors, to winding down any reports, analyses, or other activities previously begun. No costs incurred after the effective date of the termination are allowed. Payment for any Services actually and satisfactorily performed before the effective date of the termination shall be on the same basis as set forth in Article 5 hereof, but if any compensation is described or provided for on the basis of a period longer than ten days, then the compensation shall be prorated accordingly.

If a court of competent jurisdiction determines that the City's election to terminate this Agreement for default has been wrongful, then such termination shall be deemed to be an early termination.

The Contractor is responsible for all persons handling funds under this Agreement, against loss by dishonesty, robbery, burglary, theft, destruction or disappearance, computer fraud, credit card forgery and other related crime risks.

B. Security Firms.

If the Contractor enters into a subcontract with a Security Firm, such Security Firm must be certified by State of Illinois, and the Security Firm's employees must be registered and certified by the State. Contractor must ensure and require any Security Firm subcontractor to comply with the Risk Management Division approved Security Firm Insurance Provision set forth in (Sub)Exhibit 5 of this Agreement, attached hereto and incorporated by references as though fully set forth herein.

Contractor must submit evidence of insurance on the City of Chicago Insurance Certificate Form (copy attached as (Sub)Exhibit __) or equivalent prior to execution of this Agreement. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from Contractor is not a waiver by the City of any requirements for the Contractor to obtain and maintain the specified coverages. Contractor must advise all insurers of the Agreement provisions regarding insurance. Nonconforming insurance does not relieve Contractor of the obligation to provide insurance as specified in this Agreement. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to suspend this Agreement until proper evidence of insurance is provided, or the Agreement may be terminated.

The insurance must provide for 60 days prior written notice to be given to the City in the event coverage is substantially changed, canceled or non-renewed.

Any deductibles or self-insured retentions on referenced insurance coverages must be borne by Contractor.

Contractor hereby waives and agrees to require their insurers to waive their rights of subrogation against the City of Chicago, its employees, elected officials, agents or representatives.

The coverages and limits furnished by Contractor in no way limit the Contractor's liabilities and responsibilities specified within the Agreement or by law.

Any insurance or self-insurance programs maintained by the City of Chicago do not contribute with insurance provided by Contractor under this Agreement.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

If Contractor is a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

Contractor must require all Subcontractors to provide the insurance required in this Agreement, or Contractor may provide the coverages for Subcontractors. All Subcontractors are subject to the same insurance requirements of Contractor unless otherwise specified in this Agreement.

If Contractor or Subcontractor desires additional coverages, the party desiring the additional coverages is responsible for the acquisition and cost.

Notwithstanding any provision in the Agreement to the contrary, the City of Chicago Risk Management Department maintains the right to modify, delete, alter or change these requirements.

Rider
(To Contractor's Performance And Payment Bond)

This Rider supplements Contractor's Performance and Payment Bond ("Bond") on that certain contract with the City of Chicago ("City") bearing Contract Number ____ and Specification Number ____ ("Contract"). Surety acknowledges that the Contract requires Contractor to obtain from each of its subcontractors consent to a collateral assignment of their contracts with Contractor to the City. The Contract further grants the City the right, upon Contractor's default for failure to comply with Chapter 4-36 of the Municipal Code of the City, and at the City's sole option, to take over and complete the work to be performed by Contractor through the City's assumption of some or all of Contractor's subcontracts. If the City, in its sole discretion, exercises this right, then Surety waives any rights it may have to cure Contractor's default by performing the work itself or through others and remains bound by its other obligations under the Bond.

Special Service Area -- Additional Audit Requirements.

Accounting System.

The Department requires that the Contractor maintain its accounting system in a manner which allows the Contractor's expenditures to be categorized in its statement of activities according to the categories listed in the budget approved by the City for each Area.

Guidance For The Contractor's Selection Of A CPA Firm (Independent Auditor).

The Contractor must use the following guidelines for engaging a qualified CPA Firm:

1. Issue a Request for Proposal ("RFP") that sets forth all of the terms and conditions of the engagement, evaluation criteria and scope of the work required.
2. Distribute and publicize the RFP sufficiently to ensure full and open competition.
3. Request in the RFP that bidders provide detail on:
 - a. How the CPA Firm will conduct the audit in the first and subsequent years.
 - b. Qualifications of the CPA Firm, management and staff, including experience in auditing like entities.
 - c. Policies on notification of changes in key personnel.
 - d. Whether the proposed staff has received continuing professional education during the previous two years.
 - e. Whether the CPA Firm has received a positive peer review within the last three years.
 - f. Whether the CPA Firm is independent, as defined by applicable auditing standards.
 - g. Whether the CPA Firm has been the object of any disciplinary action during the past three years.
 - h. Whether the CPA Firm maintains an active license in the State of Illinois.
 - i. The audit fee.
4. Evaluate the proposals based on:
 - a. The CPA Firm's understanding of the audit requirements, including the needs of the Area and the final products to be delivered.
 - b. Soundness of technical approach to the audit, including the meeting of the Contractor's specific deadlines and other requirements.
 - c. Qualifications of the CPA Firm.
 - d. Qualifications of the audit team.
 - e. The information provided by respondents in response to the RFP including cost and independence.

5. Rate the proposals as follows:
 - a. Proposals should be evaluated as submitted.
 - b. Make a list of strengths and weaknesses for each to support its technical rating.
 - c. Review the proposed fees offered by the bidders after completion of the technical evaluation.
 - d. Ask questions of the bidders to eliminate any ambiguities.
 - e. Select a proposal that is most advantageous to the Area based on the evaluation criteria set forth in the RFP.
6. Once a CPA Firm is chosen based upon the foregoing criteria, require a written engagement letter to avoid misunderstandings that specifies:
 - a. Audit scope, objectives and purposes.
 - b. Deadlines for the work to be performed.
 - c. Audit fees.
 - d. Report format, including providing a digital version of the final audit.
 - e. Type and timing of support to be provided to the CPA Firm by the SSAC.
 - f. Professional auditing standards to be followed in performing the audit.
 - g. Independence of the CPA Firm to the SSAC.
 - h. Terms of making changes to the scope of the Agreement.
 - i. CPA Firm's ownership of the work papers, retention period and requirement for availability to the City upon request.

Summary Schedule Of Findings.

In order to properly conduct the certified audit of the books and records of the Contractor, it is necessary for the CPA Firm to read and understand the requirements contained in the Agreement. Particular attention should be given to Sections 3 and 5 of the Agreement.

The CPA Firm must test the Contractor's compliance with the requirements contained in the Agreement. Should the CPA Firm find exception to the requirements of the Agreement, it must disclose all exceptions in a separate schedule, which shall be entitled "Summary Schedule of Findings". Each finding shall be listed separately. The schedule shall be incorporated with the other required financial statements.

If the CPA Firm finds no exceptions to the Agreement requirements, it shall still include a "Summary Schedule of Findings". On that schedule the CPA Firm shall make an affirmative statement indicating it has read the Agreement and, after conducting the audit, has determined that no exceptions were noted.

Subsections to note in Section 5 include:

- a. Section 5.01, Basis of Payment, describes "carryover" as the amount of Service Tax Funds collected for prior tax years which remain previously unspent.
- b. Section 5.02, Budget for Services, restricts the maximum amount that may be spent in a calendar year to the amount stated in the Agreement.
- c. Section 5.03, Method of Payment, states that the Contractor shall establish a separate checking account and that Area funds shall not be commingled with other sources.

Audit Of Financial Statements.

As discussed in Section 3.07, "Records and Audits", the Contractor shall provide an annual audited financial statement to the Department and SSAC within 120 calendar days after the end of the calendar year and the system of accounting shall be in accordance with generally accepted accounting principles and practices, consistently applied throughout.

Audit Documents.

The City requires an audit conducted in accordance with generally accepted accounting principles to include the following documents:

1. Statement of Financial Position.
2. Statement of Activities: Budget and Actual (period being audited compared to the previous year, e.g., columns should be 2004 Budget, 2004 Actual, Variance, 2003 Budget, 2003 Actual, Variance).
3. Statement of Cash Flows.
4. Notes to the Financial Statements.
5. Summary Schedule of Findings.

The SSAC reserves the right to require the Contractor to perform revised services that are within the general scope of services of this Agreement and of the Special Services identified in the Establishment Ordinance subject to the same terms and conditions herein. Revised services are limited to changes or revisions to the line items in the Budget, do not affect the maximum compensation and require the prior written approval of the SSAC. The SSAC may, by written notice to the Department and the Contractor, delete or amend the figures contained and described in the Budget attached hereto as Exhibit 2 and incorporated by reference as if fully set forth herein. The Contractor shall provide the Services in accordance with the standards of performance set forth in Section 3.02.

The Contractor remains responsible for the professional and technical accuracy of all Services provided, whether by the Contractor or its Subcontractors or others on its behalf.

if the SSAC determines that the Contractor has failed to comply with the foregoing standards, the Contractor shall perform again, at its own expense, all Services required to be reperfomed as a direct or indirect result of such failure. Any review, approval, acceptance or payment for any or all of the Services by the City does not relieve the Contractor of its responsibility for the professional and technical accuracy of its Services. This provision in no way limits the City's rights against Contractor, either under this Agreement, at law or in equity.

3.03 Personnel

A. Key Personnel

The Contractor shall, immediately upon receiving a fully executed copy of this Agreement, assign and maintain during the term of this Agreement and any extension thereof an adequate staff of competent personnel, who are fully equipped, licensed as appropriate, available as needed, qualified and assigned to perform the Services. Contractor must not engage in unlawful employment practices, such as (1) failing or refusing to hire or discharging any individual, or otherwise discriminating against any individual with respect to compensation or the terms, conditions or privileges of the individual's employment, because of the individual's race, color, religion, sex, age, handicap/disability or national origin; or (2) limiting, segregating or classifying Contractor's employees or applicants for employment in any way that would deprive or tend to deprive any individual of employment opportunities or otherwise adversely affect the individual's status as an employee, because of the individual's race, color, religion, sex, age, handicap/disability or national origin.

Contractor must comply with, and the procedures Contractor utilizes and the Services Contractor provides under this Agreement must comply with, the Civil Rights Act of 1964, 42 U.S.C. § 2000e et seq. (1981), as amended and the Civil Rights Act of 1991, P.L. 102-166. Attention is called to: Exec. Order No. 11246, 30 Fed. Reg. 12,319 (1965), reprinted in 42 U.S.C. § 2000e note, as amended by Exec. Order No. 11375, 32 Fed. Reg. 14,303 (1967) and by Exec. Order No. 12086, 43 Fed. Reg. 46,501 (1978); Age Discrimination Act, 42 U.S.C. §§ 6101-6106 (1981); Age Discrimination in Employment Act, 29 U.S.C. §§ 621-34; Rehabilitation Act of 1973, 29 U.S.C. §§ 793-794 (1981); Americans with Disabilities Act, 42 U.S.C. §12101 et seq.; 41 C.F.R. Part 60 et seq. (1990); and all other applicable federal statutes, regulations and other laws.

(ii) State Requirements

Contractor must comply with, and the procedures Contractor utilizes and the Services Contractor provides under this Agreement must comply with, the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1990), as amended and any rules and regulations promulgated in accordance with it, including the Equal Employment Opportunity Clause, 44 Ill. Admin. Code § 750 Appendix A. Furthermore, Contractor must comply with the

Public Works Employment Discrimination Act, 775 ILCS 10/0.01 et seq.(1990), as amended, and all other applicable state statutes, regulations and other laws.

(iii) City Requirements

Contractor must comply with, and the procedures Contractor utilizes and the Services Contractor provides under this Agreement must comply with, the Chicago Human Rights Ordinance, ch. 2-160, Section 2-160-010 et seq. of the Municipal Code of Chicago (1990), as amended, and all other applicable City ordinances and rules.

(b) Subcontractors

Contractor must incorporate all of this Section 3.04 by reference in all agreements entered into with any suppliers of materials, furnisher of services, Subcontractors of any tier, and labor organizations that furnish skilled, unskilled and craft union skilled labor, or that may provide any such materials, labor or services in connection with this Agreement. Further, Contractor must furnish and must cause each of its Subcontractor(s) to furnish such reports and information as requested by the federal, state and local agencies charged with enforcing such laws and regulations, including the Chicago Commission on Human Relations.

3.05 Insurance

The Contractor shall comply with the insurance provisions attached hereto as Exhibit 4 and incorporated by reference as if fully set forth herein, or such other insurance provisions as may be required in the reasonable judgment of the Risk Management Division. If the Contractor enters into a subcontract with a Security Firm such Security Firm shall comply with the insurance provisions attached hereto as Exhibit 5 and incorporated by reference as if fully set forth herein, or such other insurance provisions as may be required in the reasonable judgment of the Risk Management Division. If the Contractor subcontracts with a Subcontractor other than a Security Firm, such Subcontractor shall comply with the Contractor insurance provisions attached hereto as Exhibit 4.

The Risk Management Division may waive or reduce any of the insurance requirements set forth herein. In addition, the Risk Management Division will review each new Scope of Services which the SSAC, in consultation with the Contractor, prepares annually during the term of this Agreement pursuant to Section 3.01 and may, if it wishes, revise the insurance required herein.

3.06 Indemnification

A. On written notice from the City of Losses the City believes are Losses Arising under this Agreement as defined in this Section 3.06, the Contractor shall defend, indemnify, and hold completely harmless the City Indemnitees from and against such Losses, regardless of whether Contractor challenges the City's belief. The defense, indemnification and hold harmless obligations of the Contractor toward City Indemnitees remain an affirmative obligation of Contractor following the City's notice of Losses the City believes are Losses Arising under this Agreement, unless and until a court of competent jurisdiction finally determines otherwise and all opportunities for appeal have been exhausted or have lapsed.

B. For purposes of this Section 3.06,

"City Indemnitees" means, individually and collectively, the City of Chicago, its officials, agents, employees and SSAC members.

"Losses" means, individually and collectively, all kinds of liabilities, losses, suits, claims, damages, judgments, fines, and demands, including all reasonable costs for investigation, reasonable attorneys' fees, court costs, and experts' fees, arising by reason of injury or death of any person, damage to property, patent or copyright infringement.

"Arising under this Agreement" means (i) arising out of awarding this Agreement, (ii) arising out of the enforcement of this Agreement, including the enforcement of this indemnification provision; (iii) arising out of or in connection with Contractor's performance or non-performance of this Agreement (including the acts or omission of Contractor, its officers, agents, employees, consultants, subcontractors, licensees, or invitees), any breach by any of them of any warranty made under this Agreement, or any failure by any of them to meet any applicable standard of performance under this Agreement; or (iv) any combination of any of the foregoing.

C. To the extent permissible by law, Contractor waives any limits on Contractor's liability that it would otherwise have by virtue of the Worker's Compensation Act or any other related law or judicial decision (such as *Kotecki v. Cyclops Welding Corporation*, 146 Ill. 2d 155 (1991)). The City, however, does not waive any limitations it may have on its liability under the Worker's Compensation Act or under the Illinois Pension Code.

D. The City has the right, at its option and at its own expense, to participate in the defense of any suit without relieving Contractor of any of its obligations under this indemnity provision. The requirements set forth in this indemnity provision are separate from and not limited by the amount of insurance Contractor is required to obtain under this Agreement or by its bonds pursuant to other provisions in this Agreement. Further, the indemnitees contained in this provision survive the expiration or termination of this Agreement.

3.07 Records and Audits

The Contractor shall deliver or cause to be delivered all documents, data, studies, reports, findings or information to the SSAC promptly in accordance with the time limits prescribed herein and if no time limit is specified, then upon reasonable demand therefore, or upon termination or completion of the Services hereunder.

The Contractor agrees to adopt at its own expense such financial controls, including, without limitation, the employment of a fiscal agent approved by the Commissioner, as determined by the Commissioner in his sole discretion and communicated in writing to the Contractor after the date of execution of this Agreement, to ensure that the Contractor is fulfilling the terms of this Agreement.

The Contractor and any Subcontractors shall furnish the SSAC with semi-annual reports or provide such information as may be requested relative to the performance and cost of the Services. The Contractor shall maintain records showing actual time devoted and costs incurred. The Contractor shall keep books, documents, paper, records and accounts in connection with the Services open to inspection, copying, abstracting, transcription, and an independent audit by City employees or agents or third parties, and shall make these records available to the City and any other interested governmental agency at reasonable times during the performance of its Services. In addition, Contractor shall retain them in a safe place and make them available for an independent audit, inspection, copying and abstracting for at least five years after the final payment made in connection with this Agreement.

THE CONTRACTOR SHALL NOT COMMINGLE SERVICE TAX FUNDS WITH FUNDS FROM OTHER SOURCES, and to the extent that the Contractor conducts any business operations separate and apart from the Services hereunder using, for example, personnel, equipment, supplies or facilities also used in connection with this Agreement, then the Contractor shall maintain and make similarly available to the City detailed records supporting the Contractor's allocation to this Agreement of the costs and expenses attributable to any such shared usages.

The Contractor shall provide an annual audited financial statement (a "Third Party Audit") to the Department and the SSAC within 120 calendar days after the end of the calendar year, and the system of accounting shall be in accordance with generally accepted accounting principles and practices, consistently applied throughout. Contractor must comply with the requirements in Exhibit 9 with respect to any Third Party Audit. If any Third Party Audit shows that Contractor or any of its Subcontractors has overcharged the City in any period, the City will notify Contractor, and Contractor must then promptly reimburse the City for any amounts the City has paid Contractor due to the overcharges. Any failure to comply with the audit requirements set forth in Exhibit 9 of the Agreement shall constitute an event of default under the Agreement. If such event of default is not corrected to the City's satisfaction within the cure period identified by the City, the City may incur costs to conduct any supplementary audit it deems necessary, and Contractor must then promptly reimburse the City for any such costs. No provision in this Agreement granting the City a right of access to records and documents is intended to impair, limit or affect any right of access to such records and documents that the City would have had in the absence of such provisions.

The City may in its sole discretion audit the records of Contractor or its Subcontractors, or both, at any time during the term of this Agreement or within five years after the Agreement ends, in connection with the goods, work, or services provided under this Agreement. Each calendar year or partial calendar year is considered an "audited period." if, as a result of such an audit, it is determined that Contractor or any of its Subcontractors has overcharged the City in the audited period, the City will notify Contractor. Contractor must then promptly reimburse the City for any amounts the City has paid Contractor due to the overcharges and also some or all of the cost of the audit, as follows:

A. If the audit has revealed overcharges to the City representing less than 5% of the total value, based on the Agreement prices, of the goods, work, or services provided in the audited period, then the Contractor must reimburse the City for 50% of the cost of the audit and 50% of the cost of each subsequent audit that the City conducts;

B. If, however, the audit has revealed overcharges to the City representing 5% or more of the total value, based on the Agreement prices, of the goods, work, or services provided in the audited period, then Contractor must reimburse the City for the full cost of the audit and of each subsequent audit.

If the City is unable to make a determination regarding overcharges to City as a result of Contractor's not having maintained records as required under this Agreement, Contractor must promptly reimburse the City for some or all of the cost of the audit, as determined in the sole discretion of the City. Failure of Contractor to promptly reimburse the City in accordance with this Section 3.07 is an event of default under Section 7.01 of this Agreement, and Contractor will be liable for all of the City's costs of collection, including any court costs and attorneys' fees.

3.08 Subcontracts and Assignments

The Contractor shall not assign, delegate, subcontract or otherwise transfer all or any part of its rights or obligations under this Agreement or any part hereof, unless otherwise provided for herein or without the express written consent of the SSAC. The absence of such provision or written consent shall void the attempted assignment, delegation or transfer and shall be of no effect as to the Services or this Agreement.

All subcontracts, all approvals of Subcontractors and any assignment to which the SSAC consents are, regardless of their form, deemed conditioned upon performance by the Subcontractor or assignee in accordance with the terms and conditions of this Agreement.

If the Contractor subcontracts for security services, the Subcontractor shall be a Security Firm certified by the State of Illinois and the Security Firm's employees shall be licensed by the State of Illinois. The Contractor, upon entering into any subcontract with a Security Firm, shall furnish the SSAC and the Department with a copy of the subcontract for their approval. The City expressly reserves the right to approve all Security Firm subcontracts.

3.09 License, Permits and Safety Considerations

A. Licenses and Permits

If the Contractor engages in Construction, it is responsible for and, in a timely manner consistent with its obligations hereunder, shall secure and maintain at its expense such permits, licenses, authorizations and approvals as are necessary for it to engage Construction under this Agreement.

B. Safety Considerations

If the Contractor engages in Construction, it shall at all times exercise reasonable care, shall comply with all applicable provisions of federal, state and local laws to prevent accidents or

injuries, and shall take all appropriate precautions to avoid damage to and loss of City property and the property of third parties in connection with the Construction. The Contractor shall erect and property maintain at all times all necessary safeguards, barriers, flags and lights for the protection of its and its Subcontractors' employees, City employees and the public.

If the Contractor engages in Construction, it shall report to the Department any damage on, about, under or adjacent to City property or the property of third persons resulting from its performance under this Agreement. The Contractor is responsible for any damage to City property and the property of third parties due, in whole or in part, to the Contractor's Construction activities under this Agreement, and the Contractor shall repair such damage to a reasonably acceptable standard.

3.10 Performance Bond

If the Contractor engages in Construction work where expenditures exceed \$100,000, it shall, not later than the date the Contractor begins such work or executes a subcontract for such work, provide or cause to be provided to the Department a performance and payment bond in the amount allocated for the Construction work (but not including the amount allocated for design and preparation of specifications), by a surety or sureties acceptable to the City. The performance bond shall be in the form and to the effect of Exhibit 7 hereto, which is incorporated by reference as if fully set forth here.

if any of the sureties on such bond at any time fail financially, or are deemed to be insufficient security for the penalty of the bond, then the City may, on giving 10 days notice thereof in writing, require the Contractor to furnish a new and additional bond with sureties satisfactory to the City, and, if so required, Contractor must promptly provide such bond.

ARTICLE 4 TERM OF SERVICES

This Agreement shall take effect as of January 1, 2011 ("Effective Date") and shall continue through December 31, 2011, or until the Agreement is terminated earlier in accordance with its terms.

ARTICLE 5 COMPENSATION

5.01 Basis of Payment

The maximum compensation that the Contractor may be paid under this Agreement between January 1, 2011 and December 31, 2011 is the sum of (a) \$85,800 or the total amount of Service Tax Funds actually collected for tax year 2010, whichever is less; and (b) the total amount of Surplus Funds in the amount of \$4,000 which are being carried over from previous program years and which the Contractor hereby acknowledges are in its possession; the maximum compensation that the Contractor may be paid under this Agreement between January 1, 2011 and December 31, 2011, therefore, shall not exceed \$89,800.

For each subsequent year of this Agreement, if any, the maximum compensation that the Contractor may be paid under this Agreement is the amount set forth in the Budget for that year, pursuant to Section 5.02 and 8.03, or the amount of Service Tax Funds actually collected for the preceding tax year, whichever is less; provided that the maximum amount of compensation for such year of this Agreement may also include the amount of Service Tax Funds collected for prior tax years which remain previously unspent.

5.02 Budget for Services

The Contractor in conjunction with the SSAC has prepared a Budget through December 31, 2011, attached hereto as Exhibit 2 and incorporated by reference as if fully set forth here, covering all services described in the Scope of Services. Subject to the restriction that the maximum amount that may be spent in calendar year 2011 may not exceed \$89,800, the SSAC reserves the right to transfer funds between line items or make Budget revisions that do not affect the maximum compensation set forth in Section 5.01. The SSAC shall revise the Budget if any part of the Contractor's Services is terminated.

For each subsequent year of this Agreement, if any, and subject to the provisions of Section 3.01, a Budget for that year shall be incorporated into this Agreement by written amendment pursuant to Section 8.03.

5.03 Method of Payment

Pursuant to a schedule to be determined by the Commissioner, after the performance of Services pursuant to the terms of this Agreement, Contractor may submit invoices to the City to request reimbursement for such expenses. The Contractor must provide, along with the invoices, such additional documentation as the Commissioner requests to substantiate the Services. Upon the Commissioner's determination that the invoices are accurate, the City will process payment of the invoices.

The Contractor shall establish a separate checking account ("Account") in a bank authorized to do business in the State of Illinois that is insured by the Federal Deposit Insurance Corporation. All Service Tax Funds that the Comptroller transfers to the Contractor shall be deposited in the Account and disbursements from the Account shall be pursuant to this Agreement. THE CONTRACTOR SHALL NOT COMMINGLE SERVICE TAX FUNDS WITH FUNDS FROM OTHER SOURCES. The Contractor shall provide to the SSAC the signature card and sample check from the bank which shows the signature(s) of the Contractor's authorized representative(s). The SSAC reserves the right to audit the account and require the Contractor to refund any funds that were not spent pursuant to the Budget or that were not approved by the SSAC. The name and address of the bank is _____ and the wire transfer and the Account numbers are _____.

All funds remaining in the Account at the expiration or early termination of this Agreement, including any interest earned, belong to the City for the benefit of the Area and shall be returned to the City to be used only for Special Services.

5.04 Criteria for Payment

The SSAC shall determine the reasonableness, allocability and allowability of any rates, costs and expenses charged or incurred by the Contractor.

5.05 Funding

Payments under this Agreement shall be made from Service Tax Funds in fund number _____ and are subject to the availability of funds therein.

5.06 Non-Appropriation

In the event that no funds or insufficient funds are appropriated and budgeted in any City fiscal period for payments to be made under this Agreement, then the City will notify the Contractor of such occurrence and this Agreement shall terminate on the earlier of the last day of the fiscal period for which sufficient appropriation was made or whenever the funds appropriated for payment under this Agreement are exhausted. No payments shall be made or due to the Contractor under this Agreement beyond those amounts appropriated and budgeted by the City to fund payments hereunder.

ARTICLE 6 SPECIAL CONDITIONS

6.01 Warranties and Representations

In connection with the execution of this Agreement, the Contractor warrants and represents:

A. That it is financially solvent; that it and each of its employees, agents, and Subcontractors are competent to perform the Services required; that it is legally authorized to execute and perform or cause to be performed this Agreement under the terms and conditions stated herein; and

B. That it shall not knowingly use the services of any ineligible Subcontractor for any purpose in the performance of the Services; and

C. That it and its Subcontractors are not in default at the time of the execution of this Agreement, or deemed by the Department to have, within five years immediately preceding the date of this Agreement, been found to be in default on any contract awarded by the City; and

D. That it and, to the best of its knowledge, its Subcontractors are not in violation of the provisions of § 2-92-320 of the Municipal Code of Chicago, 720 ILCS 5/33E-1 et seq. of the Criminal Code of 1961, and 65 ILCS 5/11-42.1-1 of the Illinois Municipal Code; and

E. That it, all Subcontractors and their respective officers, directors, agents, partners, and employees shall cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code of Chicago; that it understands and will abide by all provisions of Chapter 2-56 of the Municipal Code of Chicago

and all subcontracts shall inform Subcontractors of such provision and require understanding and compliance therewith; and

F. That, except only for those representations, statements or promises expressly contained in this Agreement and any exhibits attached hereto, no representation, statement or promise, oral or written, or of any kind whatsoever, by the City, its officials, agents or employees, has induced the Contractor to enter into this Agreement; and

G. That the Contractor understands and agrees that any certification, affidavit or acknowledgment made under oath in connection with this Agreement is made under penalty of perjury and, if false, is also cause for termination for default.

H. That neither Contractor nor an Affiliate of Contractor (as defined below) appears on the Specially Designated Nationals List, the Denied Persons List, the unverified List, the Entity List or the Debarred List as maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury or by the Bureau of Industry and Security of the U.S. Department of Commerce (or their successors), or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment. "Affiliate of Contractor" means a person or entity that directly (or indirectly through one or more intermediaries) controls, is controlled by or is under common control with Contractor. A person or entity will be deemed to be controlled by another person or entity if it is controlled in any manner whatsoever that results in control in fact by that other person or entity (either acting individually or acting jointly or in concert with others) whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

I. Contractor understands and will abide by all provisions of Chapter 2-26 of the Municipal Code of the City of Chicago.

6.02 Economic Disclosure Statement and Affidavit

The Contractor has provided the City with an Economic Disclosure Statement (EDS) and Affidavit, "Familial Relationships with Elected City Officials and Department Heads," which is attached hereto as Exhibit 3 and incorporated by reference as if fully set forth herein. Contractor shall apprise the Department promptly of any changes in the information provided in the EDS by completing and submitting a revised EDS.

In addition, the Contractor shall provide the City with copies of its latest articles of incorporation, by-laws and resolutions, or partnership or joint venture agreement, as applicable, and evidence of its authority to do business in the State of Illinois, including without limitation, registrations of assumed names or limited partnerships and certifications of good standing with the Office of the Secretary of State of Illinois.

6.03 Conflict of Interest

Pursuant to Chapter 2-156 of the Municipal Code of Chicago, and 65 ILCS 5/3.1-55-10, no member of the governing body of the City or other unit of government, no other officer, employee, SSAC member, or agent of the City or other unit of government who exercises any

functions or responsibilities in connection with the Services to which this Agreement or any related subcontract pertain, and no relative of any SSAC member shall have any personal economic or financial interest, directly or indirectly, in this Agreement or any such subcontract except to the extent that such benefits are provided equally to all residents and/or business owners in the Area. Furthermore, no SSAC member, relative of any SSAC member, City official, agent or employee shall be a Subcontractor, employee or shareholder of the Contractor or receive anything of value from the Contractor.

No member of or delegate to the Congress of the United States or the Illinois General Assembly and no alderman of the City or City employee shall be admitted to any share or part of this Agreement or to any financial benefit to arise from it. The Contractor acknowledges that any agreement entered into, negotiated or performed in violation of any of the provisions of Chapter 2-156 shall be voidable by the City.

The Contractor covenants that it, its officers, directors and employees, and the officers, directors and employees of each of its members if a joint venture, and Subcontractors presently have no financial interest and shall acquire no interest, direct or indirect, in the Services undertaken by the Contractor pursuant to the Agreement that would conflict in any manner or degree with the performance of the Services. The Contractor further covenants that in the performance of this Agreement no person having any such interest shall be employed. The Contractor agrees that if the Commissioner in his reasonable judgment determines that any of the Contractor's services for others conflict with the Services the Contractor is to provide for the City under this Agreement, the Contractor shall terminate such other services immediately upon request of the City.

6.04 Non-liability of Public Officials

No official, employee or agent of the City shall be charged personally by the Contractor, or by any assignee or Subcontractor of the Contractor, with any liability or expenses of defense or be held personally liable to them under any term or provision hereof, because of the City's execution or attempted execution hereof, or because of any breach hereof.

6.05 Independent Contractor

The Contractor shall perform under this Agreement as an independent contractor to the City and not as a representative, employee, agent or partner of the City.

6.06 Business Relationships with Elected Officials

Pursuant to Section 2-156-030(b) of the Municipal Code of the City of Chicago, it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected official has a business relationship, or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a business

relationship. Violation of Section 2-156-030(b) by any elected official with respect to this Agreement is grounds for termination of this Agreement. The term business relationship is defined as set forth in Section 2-156-080 of the Municipal Code of Chicago.

Section 2-156-080 defines a "business relationship" as any contractual or other private business dealing of an official, or his or her spouse, or of any entity in which an official or his or her spouse has a financial interest, with a person or entity which entitles an official to compensation or payment in the amount of \$2,500 or more in a calendar year; provided, however, a financial interest shall not include: (i) any ownership through purchase at fair market value or inheritance of less than one percent of the share of a corporation, or any corporate subsidiary, parent or affiliate thereof, regardless of the value of or dividends on such shares, if such shares are registered on a securities exchange pursuant to the Securities Exchange Act of 1934, as amended; (ii) the authorized compensation paid to an official or employee for his office or employment; (iii) any economic benefit provided equally to all residents of the City; (iv) a time or demand deposit in a financial institution; or (v) an endowment or insurance policy or annuity contract purchased from an insurance company. A "contractual or other private business dealing" shall not include any employment relationship of an official's spouse with an entity when such spouse has no discretion concerning or input relating to the relationship between that entity and the City.

6.07 Chicago "Living Wage" Ordinance

(a) Section 2-92-610 of the Municipal Code of Chicago provides for a living wage for certain categories of workers employed in the performance of City contracts, specifically non-City employed security guards, parking attendants, day laborers, home and health care workers, cashiers, elevator operators, custodial workers and clerical workers ("Covered Employees"). Accordingly, pursuant to Section 2-92-610 and regulations promulgated under it:

- (i) If Contractor has 25 or more full-time employees, and
- (ii) If at any time during the performance of this Agreement, Contractor and/or any Subcontractor or any other entity that provides any portion of the Services (collectively "Performing Parties") uses 25 or more full-time security guards, or any number of other full-time Covered Employees, then
- (iii) Contractor must pay its Covered Employees, and must assure that all other Performing Parties pay their Covered Employees, not less than the minimum hourly rate as determined in accordance with this provision (the "Base Wage") for all Services performed under this Agreement.

(b) Contractor's obligation to pay, and to assure payment of, the Base Wage will begin at any time during the term of this Agreement when the conditions set forth in (a)(i) and (a)(ii) above are met, and will continue until the end of the term of this Agreement.

(c) As of July 1, 2010, the Base Wage is \$11.03, and each July 1 thereafter, the Base Wage will be adjusted, using the most recent federal poverty guidelines for a family of four as published annually by the U.S. Department of Health and Human Services, to constitute the following: the poverty guidelines for a family of four divided by 2000 hours or the current base wage, whichever is higher. At all times during the term of this Agreement, Contractor and all other Performing Parties must pay the Base Wage (as adjusted in accordance with the above). If the payment of prevailing wages is required for Services done under this Agreement, and the prevailing wages for Covered Employees are higher than the Base Wage, then Contractor and all other Performing Parties must pay the prevailing wage rates.

(d) Contractor must include provisions in all subcontracts requiring its Subcontractors to pay the Base Wage to Covered Employees. Contractor agrees to provide the City with documentation acceptable to the Chief Procurement Officer demonstrating that all Covered Employees, whether employed by Contractor or by a Subcontractor, have been paid the Base Wage, upon the City's request for such documentation. The City may independently audit Contractor and/or Subcontractors to verify compliance with this section. Failure to comply with the requirements of this section will be an event of default under this Agreement, and further, failure to comply may result in ineligibility for any award of a City contract or subcontract for up to 3 years.

(e) Not-for-Profit Corporations: If Contractor is a corporation having federal tax-exempt status under Section 501(c)(3) of the Internal Revenue Code and is recognized under Illinois not-for-profit law, then the provisions of Sections (a) through (d) above do not apply.

6.08 Deemed Inclusion

Provisions required by law, ordinances, rules, regulations or executive orders to be inserted in this Agreement are deemed inserted in this Agreement whether or not they appear in this Agreement or, upon application by either party, this Agreement will be amended to make the insertion; however, in no event will the failure to insert the provisions before or after this Agreement is signed prevent its enforcement.

6.09 Environmental Warranties and Representations

In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Contractor warrants and represents that it, and to the best of its knowledge, its subcontractors have not violated and are not in violation of the following sections of the Code (collectively, the Waste Sections):

- 7-28-390 Dumping on public way;
- 7-28-440 Dumping on real estate without permit;
- 11-4-1410 Disposal in waters prohibited;
- 11-4-1420 Ballast tank, bilge tank or other discharge;
- 11-4-1450 Gas manufacturing residue;
- 11-4-1500 Treatment and disposal of solid or liquid waste;
- 11-4-1530 Compliance with rules and regulations required;
- 11-4-1550 Operational requirements; and
- 11-4-1560 Screening requirements.

During the period while this Agreement is executory, Contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Commissioner. Such breach and default entitles the City to all remedies under the Agreement, at law or in equity.

This section does not limit Contractor's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Agreement.

Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Agreement, and may further affect Contractor's eligibility for future contract awards.

6.10 EDS / Certification Regarding Suspension and Debarment

Contractor certifies, as further evidenced in the EDS attached as Exhibit 3, by its acceptance of this Agreement that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from participation in this transaction by any federal department or agency. Contractor further agrees by executing this Agreement that it will include this clause without modification in all lower tier transactions, solicitations, proposals, contracts and subcontracts. If Contractor or any lower tier participant is unable to certify to this statement, it must attach an explanation to the Agreement.

6.11 Ethics

(a) In addition to other warranties and representations, Contractor warrants that no payment, gratuity or offer of employment will be made in connection with this Agreement by or on behalf of any Subcontractors to Contractor or higher tier subcontractors or anyone associated with them, as an inducement for the award of a subcontract or order.

(b) Contractor further acknowledges that any Agreement entered into, negotiated or performed in violation of any of the provisions of Chapter 2-156 is voidable as to the City.

6.12 MacBride Ordinance

The City of Chicago through the passage of the MacBride Principles Ordinance seeks to promote fair and equal employment opportunities and labor practices for religious minorities in Northern Ireland and provide a better working environment for all citizens in Northern Ireland.

In accordance with Section 2-92-580 of the Municipal Code of the City of Chicago, if Contractor conducts any business operations in Northern Ireland, the Contractor must make all reasonable and good faith efforts to conduct any business operations in Northern Ireland in accordance with the MacBride Principles for Northern Ireland as defined in Illinois Public Act 85-1390 (1988 Ill. Laws 3220).

ARTICLE 7 EVENTS OF DEFAULT, REMEDIES, TERMINATION, RIGHT TO OFFSET, SUSPENSION

7.01 Events of Default Defined

The following constitute events of default:

A. Any material misrepresentation, whether negligent or willful and whether in the inducement or in the performance, made by Contractor to the City.

B. Contractor's material failure to perform any of its obligations under the Agreement including, but not limited to, the following:

(1) failure to commence or ensure timely completion of the Services due to a reason or circumstance within Contractor's reasonable control;

(2) failure to perform the Services in a manner satisfactory to the City;

(3) failure to promptly re-perform within a reasonable time Services that were rejected as erroneous or unsatisfactory;

(4) discontinuance of the Services for reasons within the Contractor's reasonable control;

(5) failure to comply with a material term of this Agreement, including but not limited to the provisions concerning insurance and nondiscrimination; and

(6) any other acts specifically and expressly stated in this Agreement as constituting an event of default.

C. The Contractor's default under any other agreement it may presently have or may enter into with the City during the life of this Agreement. The Contractor acknowledges and agrees that in the event of a default under this Agreement the City may also declare a default under any such other agreements.

7.02 Remedies

The occurrence of any event of default which the Contractor fails to cure within 14 calendar days after receipt of notice specifying such default or which, if such event of default cannot reasonably be cured within 14 calendar days after notice, the Contractor fails, in the sole opinion of the Commissioner, to commence and continue diligent efforts to cure, permits the City to declare the Contractor in default. Whether to declare the Contractor in default is within the sole discretion of the Commissioner. Written notification of the default, and any intention of the City to terminate the Agreement, shall be provided to Contractor and such decision is final and effective upon Contractor's receipt of such notice. Upon receipt of such notice, the Contractor must discontinue any services, unless otherwise directed in the notice, and deliver all materials accumulated in the performance of this Agreement, whether completed or in the process of completion, to the City. At such time the City may invoke any legal or equitable remedy available to it including, but not limited to, the following:

A. The right to take over and complete the Services or any part thereof as agent for and at the cost of the Contractor, either directly or through others. The Contractor shall have, in such event, the right to offset from such cost the amount it would have cost the City under the terms and conditions herein had the Contractor completed the Services.

B. The right to terminate this Agreement as to any or all of the Services yet to be performed, effective at a time specified by the City.

C. The right of specific performance, an injunction or any other appropriate equitable remedy.

D. The right to money damages.

E. The right to withhold all or any part of Contractor's compensation hereunder.

F. The right to deem Contractor non-responsible in future contracts to be awarded by the City.

If the City considers it to be in its best interest, it may elect not to declare default or to terminate this Agreement. The parties acknowledge that this provision is solely for the benefit of the City and that if the City permits the Contractor to continue to provide the Services despite one or more events of default, the Contractor is in no way relieved of any of its responsibilities, duties or obligations under this Agreement nor does the City waive or relinquish any of its rights. No delay or omission to exercise any right accruing upon any event of default impairs any such right nor shall it be construed as a waiver of any event of default or acquiescence therein, and every such right may be exercised from time to time and as often as may be deemed expedient.

7.03 Right to Offset

The City reserves its rights under § 2-92-380 of the Municipal Code of Chicago and the Commissioner shall consult with the SSAC before exercising such rights.

7.04 Suspension

The City may at any time request that the Contractor suspend its Services, or any part thereof, by giving 15 days prior written notice to the Contractor or upon no notice in the event of emergency. No costs incurred after the effective date of such suspension shall be allowed. The Contractor shall promptly resume its performance upon written notice by the Department. The Budget may be revised pursuant to Section 5.02 to account for any additional costs or expenses actually incurred by the Contractor as a result of recommencing the Services.

7.05 No Damages for Delay

The Contractor agrees that it, its members, if a partnership or joint venture and its Subcontractors shall make no claims against the City for damages, charges, additional costs or hourly fees for costs incurred by reason of delays or hindrances by the City in the performance of its obligations under this Agreement.

7.06 Early Termination

In addition to termination for default, the City may, at any time, elect to terminate this Agreement or any portion of the Services to be performed under it at the sole discretion of the Commissioner by a written notice to the Contractor. If the City elects to terminate the Agreement in full, all Services shall cease and all materials accumulated in performing this Agreement, whether completed or in the process of completion, shall be delivered to the Department within 10 days after receipt of the notice or by the date stated in the notice.

During the final ten days or other time period stated in the notice, the Contractor shall restrict its activities, and those of its Subcontractors, to winding down any reports, analyses, or other activities previously begun. No costs incurred after the effective date of the termination are allowed. Payment for any Services actually and satisfactorily performed before the effective date of the termination shall be on the same basis as set forth in Article 5 hereof, but if any compensation is described or provided for on the basis of a period longer than ten days, then the compensation shall be prorated accordingly.

If a court of competent jurisdiction determines that the City's election to terminate this Agreement for default has been wrongful, then such termination shall be deemed to be an early termination.

B. The certifications, disclosures, and acknowledgments contained in this EDS will become part of any contract or other agreement between the Applicant and the City in connection with the Matter, whether procurement, City assistance, or other City action, and are material inducements to the City's execution of any contract or taking other action with respect to the Matter. The Disclosing Party understands that it must comply with all statutes, ordinances, and regulations on which this EDS is based.

C. The City's Governmental Ethics and Campaign Financing Ordinances, Chapters 2-156 and 2-164 of the Municipal Code, impose certain duties and obligations on persons or entities seeking City contracts, work, business, or transactions. The full text of these ordinances and a training program is available on line at www.cityofchicago.org/Ethics, and may also be obtained from the City's Board of Ethics, 740 N. The Disclosing Party represents and warrants that:

G. The Disclosing Party has not withheld or reserved any disclosures as to economic interests in the Disclosing Party, or as to the Matter, or any information, data or plan as to the intended use or purpose for which the Applicant seeks City Council or other City agency action.

Special Services Area No. 4

Contractor Insurance Provisions.

Contractor must provide and maintain at Contractor's own expense, during the term of the Agreement and time period following expiration if Contractor is required to return and perform any of the Services or Additional Services under this Agreement, the insurance coverage and requirements specified below, insuring all operations related to the Agreement.

A. Insurance To Be Provided.

- 1) Workers' Compensation And Employer's Liability.

Workers' Compensation Insurance, as prescribed by applicable law, covering all

employees who are to provide a service under this Agreement and Employer's Liability coverage with limits of not less than \$100,000 each accident, illness or disease.

2) Commercial General Liability (Primary And Umbrella).

Commercial General Liability Insurance or equivalent with limits of not less than \$1,000,000 per occurrence for bodily injury, personal injury and property damage liability. Coverages must include the following: all premises and operations, products/completed operations, separation of insureds, defense and contractual liability (not to include Endorsement CG 21 39 or equivalent). The City of Chicago is to be named as an additional insured on a primary, noncontributory basis for any liability arising directly or indirectly from the Work or Services.

3) Automobile Liability (Primary And Umbrella).

When any motor vehicles (owned, non-owned and hired) are used in connection with Services to be performed, Contractor must provide Automobile Liability Insurance with limits of not less than \$500,000 per occurrence for bodily injury and property damage. The City of Chicago is to be named as an additional insured on a primary, noncontributory basis.

4) Professional Liability.

When any professional consultant (e.g., CPAs, attorney, architects, engineers) perform work in connection with this Agreement, Professional Liability Insurance covering acts, errors, or omissions must be maintained with limits of not less than \$500,000. When policies are renewed or replaced, the policy retroactive date must coincide with, or precede start of work on the Contract. A claims-made policy which is not renewed or replaced must have an extended reporting period of two (2) years.

5) Crime.

The Contractor is responsible for all persons handling funds under this Agreement, against loss by dishonesty, robbery, burglary, theft, destruction or disappearance, computer fraud, credit card forgery and other related crime risks.

B. Security Firms.

If the Contractor enters into a subcontract with a Security Firm, such Security Firm must be certified by State of Illinois, and the Security Firm's employees must be registered and

certified by the State. Contractor must ensure and require any Security Firm subcontractor to comply with the Risk Management Division approved Security Firm Insurance Provision set forth in (Sub)Exhibit 5 of this Agreement, attached hereto and incorporated by references as though fully set forth herein.

C. Additional Requirements.

Contractor must furnish the City of Chicago, Department of Community Development, City Hall, Room 1000, 121 North LaSalle Street 60602, original Certificates of Insurance, or such similar evidence, to be in force on the date of this Agreement, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the term of this Agreement. Contractor must submit evidence of insurance on the City of Chicago Insurance Certificate Form (copy attached as (Sub)Exhibit __) or equivalent prior to execution of this Agreement. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from Contractor is not a waiver by the City of any requirements for the Contractor to obtain and maintain the specified coverages. Contractor must advise all insurers of the Agreement provisions regarding insurance. Nonconforming insurance does not relieve Contractor of the obligation to provide insurance as specified in this Agreement. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to suspend this Agreement until proper evidence of insurance is provided, or the Agreement may be terminated.

The insurance must provide for 60 days prior written notice to be given to the City in the event coverage is substantially changed, canceled or non-renewed.

Any deductibles or self-insured retentions on referenced insurance coverages must be borne by Contractor.

Contractor hereby waives and agrees to require their insurers to waive their rights of subrogation against the City of Chicago, its employees, elected officials, agents or representatives.

The coverages and limits furnished by Contractor in no way limit the Contractor's liabilities and responsibilities specified within the Agreement or bylaw.

Any insurance or self-insurance programs maintained by the City of Chicago do not contribute with insurance provided by Contractor under this Agreement.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

If Contractor is a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

Contractor must require all Subcontractors to provide the insurance required in this Agreement, or Contractor may provide the coverages for Subcontractors. All Subcontractors are subject to the same insurance requirements of Contractor unless otherwise specified in this Agreement.

If Contractor or Subcontractor desires additional coverages, the party desiring the additional coverages is responsible for the acquisition and cost.

Notwithstanding any provision in the Contract to the contrary, the City of Chicago Risk Management Department maintains the right to modify, delete, alter or change these requirements.

TRUCK DRIVERS (WEST) - That part of the county West of Barrington Road.

The following list is considered as those days for which holiday rates of wages for work performed apply: New Years Day, Memorial/Decoration Day, Fourth of July, Labor Day, Veterans Day, Thanksgiving Day, Christmas Day. Generally, any of these holidays which fall on a Sunday is celebrated on the following Monday. This then makes work performed on that Monday payable at the appropriate overtime rate for holiday pay. Common practice in a given local may alter certain days of celebration such as the day after Thanksgiving for Veterans Day. If in doubt, please check with IDOL.

Rider attached to this Contractor's Performance and Payment Bond reads as follows:

Rider
(To Contractor's Performance And Payment Bond)

This Rider supplements Contractor's Performance and Payment Bond ("Bond") on that certain contract with the City of Chicago ("City") bearing Contract Number ____ and Specification Number ____ ("Contract"). Surety acknowledges that the Contract requires Contractor to obtain from each of its subcontractors consent to a collateral assignment of their contracts with Contractor to the City. The Contract further grants the City the right, upon Contractor's default for failure to comply with Chapter 4-36 of the Municipal Code of the City, and at the City's sole option, to take over and complete the work to be performed by Contractor through the City's assumption of some or all of Contractor's subcontracts. If the City, in its sole discretion, exercises this right, then Surety waives any rights it may have to cure Contractor's default by performing the work itself or through others and remains bound by its other obligations under the Bond.

Special Service Area -- Additional Audit Requirements.

Accounting System.

The Department requires that the Contractor maintain its accounting system in a manner which allows the Contractor's expenditures to be categorized in its statement of activities according to the categories listed in the budget approved by the City for each Area.

Guidance For The Contractor's Selection Of A CPA Firm (Independent Auditor).

The Contractor must use the following guidelines for engaging a qualified CPA Firm:

1. Issue a Request for Proposal ("RFP") that sets forth all of the terms and conditions of the engagement, evaluation criteria and scope of the work required.
2. Distribute and publicize the RFP sufficiently to ensure full and open competition.
3. Request in the RFP that bidders provide detail on:
 - a. How the CPA Firm will conduct the audit in the first and subsequent years.
 - b. Qualifications of the CPA Firm, management and staff, including experience in auditing like entities.
 - c. Policies on notification of changes in key personnel.
 - d. Whether the proposed staff has received continuing professional education during the previous two years.
 - e. Whether the CPA Firm has received a positive peer review within the last three years.
 - f. Whether the CPA Firm is independent, as defined by applicable auditing standards.
 - g. Whether the CPA Firm has been the object of any disciplinary action during the past three years.
 - h. Whether the CPA Firm maintains an active license in the State of Illinois.
 - i. The audit fee.
4. Evaluate the proposals based on:
 - a. The CPA Firm's understanding of the audit requirements, including the needs of the Area and the final products to be delivered.
 - b. Soundness of technical approach to the audit, including the meeting of the Contractor's specific deadlines and other requirements.
 - c. Qualifications of the CPA Firm.
 - d. Qualifications of the audit team.
 - e. The information provided by respondents in response to the RFP including cost and independence.

5. Rate the proposals as follows:
 - a. Proposals should be evaluated as submitted.
 - b. Make a list of strengths and weaknesses for each to support its technical rating.
 - c. Review the proposed fees offered by the bidders after completion of the technical evaluation.
 - d. Ask questions of the bidders to eliminate any ambiguities.
 - e. Select a proposal that is most advantageous to the Area based on the evaluation criteria set forth in the RFP.
6. Once a CPA Firm is chosen based upon the foregoing criteria, require a written engagement letter to avoid misunderstandings that specifies:
 - a. Audit scope, objectives and purposes.
 - b. Deadlines for the work to be performed.
 - c. Audit fees.
 - d. Report format, including providing a digital version of the final audit.
 - e. Type and timing of support to be provided to the CPA Firm by the SSAC.
 - f. Professional auditing standards to be followed in performing the audit.
 - g. Independence of the CPA Firm to the SSAC.
 - h. Terms of making changes to the scope of the Agreement.
 - i. CPA Firm's ownership of the work papers, retention period and requirement for availability to the City upon request.

Summary Schedule Of Findings.

In order to properly conduct the certified audit of the books and records of the Contractor, it is necessary for the CPA Firm to read and understand the requirements contained in the Agreement. Particular attention should be given to Sections 3 and 5 of the Agreement.

The CPA Firm must test the Contractor's compliance with the requirements contained in the Agreement. Should the CPA Firm find exception to the requirements of the Agreement, it must disclose all exceptions in a separate schedule, which shall be entitled "Summary Schedule of Findings". Each finding shall be listed separately. The schedule shall be incorporated with the other required financial statements.

If the CPA Firm finds no exceptions to the Agreement requirements, it shall still include a "Summary Schedule of Findings". On that schedule the CPA Firm shall make an affirmative statement indicating it has read the Agreement and, after conducting the audit, has determined that no exceptions were noted.

Subsections to note in Section 5 include:

- a. Section 5.01, Basis of Payment, describes "carry over" as the amount of Service Tax Funds collected for prior tax years which remain previously unspent.
- b. Section 5.02, Budget for Services, restricts the maximum amount that may be spent in a calendar year to the amount stated in the Agreement.
- c. Section 5.03, Method of Payment, states that the Contractor shall establish a separate checking account and that Area funds shall not be commingled with other sources.

Audit Of Financial Statements.

As discussed in Section 3.07, "Records and Audits", the Contractor shall provide an annual audited financial statement to the Department and SSAC within 120 calendar days after the end of the calendar year and the system of accounting shall be in accordance with generally accepted accounting principles and practices, consistently applied throughout.

Audit Documents.

The City requires an audit conducted in accordance with generally accepted accounting principles to include the following documents:

1. Statement of Financial Position.
2. Statement of Activities: Budget and Actual (period being audited compared to the previous year, e.g., columns should be 2004 Budget, 2004 Actual, Variance, 2003 Budget, 2003 Actual, Variance).
3. Statement of Cash Flows.
4. Notes to the Financial Statements.
5. Summary Schedule of Findings.

Expense descriptions included in the Statement of Activities must correspond to the expense descriptions in the budget submitted to the City.

The SSAC reserves the right to require the Contractor to perform revised services that are within the general scope of services of this Agreement and of the Special Services identified in the Establishment Ordinance subject to the same terms and conditions herein. Revised services are limited to changes or revisions to the line items in the Budget, do not affect the maximum compensation and require the prior written approval of the SSAC. The SSAC may, by written notice to the Department and the Contractor, delete or amend the figures contained and described in the Budget attached hereto as Exhibit 2 and incorporated by reference as if fully set forth herein. The Contractor shall provide the Services in accordance with the standards of performance set forth in Section 3.02.

For each subsequent year during the term of this Agreement, if any, a Scope of Services for that year, comprised of services authorized in the Establishment Ordinance, shall be prepared by the SSAC in consultation with the Contractor subject to the approval of the Commissioner, and incorporated into this Agreement by written amendment pursuant to Section 8.03 hereof, together with a Budget for that year and any revised insurance requirements which are recommended by the Risk Management Division pursuant to its review of the Scope of Services for that year.

3.02 Standard of Performance

The Contractor shall perform all Services required of it with that degree of skill, care and diligence normally shown by a contractor performing services of a scope, purpose and magnitude comparable with the nature of the Services to be provided hereunder. The Contractor shall at all times use every reasonable effort on behalf of the City to assure timely and satisfactory rendering and completion of its Services.

The Contractor shall furnish efficient business administration and supervision to render and complete the Services at reasonable cost.

The Contractor shall assure that all Services that require the exercise of professional skills or judgment are accomplished by professionals qualified and competent in the applicable discipline and appropriately licensed, if required by law. The Contractor remains responsible for the professional and technical accuracy of all Services provided, whether by the Contractor or its Subcontractors or others on its behalf.

If the SSAC determines that the Contractor has failed to comply with the foregoing standards, the Contractor shall perform again, at its own expense, all Services required to be reperformed as a direct or indirect result of such failure. Any review, approval, acceptance or payment for any or all of the Services by the City does not relieve the Contractor of its responsibility for the professional and technical accuracy of its Services. This provision in no way limits the City's rights against Contractor, either under this Agreement, at law or in equity.

3.03 Personnel

A. Key Personnel

The Contractor shall, immediately upon receiving a fully executed copy of this Agreement, assign and maintain during the term of this Agreement and any extension thereof an adequate staff of competent personnel, who are fully equipped, licensed as appropriate, available as needed, qualified and assigned to perform the Services. If the Contractor enters into a subcontract with a Security Firm such Security Firm shall comply with the insurance provisions attached hereto as Exhibit 5 and incorporated by reference as if fully set forth herein, or such other insurance provisions as may be required in the reasonable judgment of the Risk Management Division. If the Contractor subcontracts with a Subcontractor other than a Security Firm, such Subcontractor shall comply with the Contractor insurance provisions attached hereto as Exhibit 4.

The Risk Management Division may waive or reduce any of the insurance requirements set forth herein. In addition, the Risk Management Division will review each new Scope of Services which the SSAC, in consultation with the Contractor, prepares annually during the term of this Agreement pursuant to Section 3.01 and may, if it wishes, revise the insurance required herein.

3.06 Indemnification

A. On written notice from the City of Losses the City believes are Losses Arising under this Agreement as defined in this Section 3.06, the Contractor shall defend, indemnify, and hold completely harmless the City Indemnitees from and against such Losses, regardless of whether Contractor challenges the City's belief. The defense, indemnification and hold harmless obligations of the Contractor toward City Indemnitees remain an affirmative obligation of Contractor following the City's notice of Losses the City believes are Losses Arising under this Agreement, unless and until a court of competent jurisdiction finally determines otherwise and all opportunities for appeal have been exhausted or have lapsed.

B. For purposes of this Section 3.06,

"City Indemnitees" means, individually and collectively, the City of Chicago, its officials, agents, employees and SSAC members.

"Losses" means, individually and collectively, all kinds of liabilities, losses, suits, claims, damages, judgments, fines, and demands, including all reasonable costs for investigation, reasonable attorneys' fees, court costs, and experts' fees, arising by reason of injury or death of any person, damage to property, patent or copyright infringement.

"Arising under this Agreement" means (i) arising out of awarding this Agreement, (ii) arising out of the enforcement of this Agreement, including the enforcement of this indemnification provision; (iii) arising out of or in connection with Contractor's performance or non-performance of this Agreement (including the acts or omission of Contractor, its officers, agents, employees, consultants, subcontractors, licensees, or invitees), any breach by any of them of any warranty made under this Agreement, or any failure by any of them to meet any applicable standard of performance under this Agreement; or (iv) any combination of any of the foregoing.

C. To the extent permissible by law, Contractor waives any limits on Contractor's liability that it would otherwise have by virtue of the Worker's Compensation Act or any other related law or judicial decision (such as *Kotecki v. Cyclops Welding Corporation*, 146 Ill. 2d 155 (1991)). The City, however, does not waive any limitations it may have on its liability under the Worker's Compensation Act or under the Illinois Pension Code.

D. The City has the right, at its option and at its own expense, to participate in the defense of any suit without relieving Contractor of any of its obligations under this indemnity provision. The requirements set forth in this indemnity provision are separate from and not limited by the amount of insurance Contractor is required to obtain under this Agreement or by its bonds pursuant to other provisions in this Agreement. Further, the indemnitees contained in this provision survive the expiration or termination of this Agreement.

3.07 Records and Audits

The Contractor shall deliver or cause to be delivered all documents, data, studies, reports, findings or information to the SSAC promptly in accordance with the time limits prescribed herein and if no time limit is specified, then upon reasonable demand therefore, or upon termination or completion of the Services hereunder.

The Contractor agrees to adopt at its own expense such financial controls, including, without limitation, the employment of a fiscal agent approved by the Commissioner, as determined by the Commissioner in his sole discretion and communicated in writing to the Contractor after the date of execution of this Agreement, to ensure that the Contractor is fulfilling the terms of this Agreement.

The Contractor and any Subcontractors shall furnish the SSAC with semi-annual reports or provide such information as may be requested relative to the performance and cost of the Services. The Contractor shall maintain records showing actual time devoted and costs incurred. The Contractor shall keep books, documents, paper, records and accounts in connection with the Services open to inspection, copying, abstracting, transcription, and an independent audit by City employees or agents or third parties, and shall make these records available to the City and any other interested governmental agency at reasonable times during the performance of its Services. In addition, Contractor shall retain them in a safe place and make them available for an independent audit, inspection, copying and abstracting for at least five years after the final payment made in connection with this Agreement.

THE CONTRACTOR SHALL NOT COMMINGLE SERVICE TAX FUNDS WITH FUNDS FROM OTHER SOURCES, and to the extent that the Contractor conducts any business operations separate and apart from the Services hereunder using, for example, personnel, equipment, supplies or facilities also used in connection with this Agreement, then the Contractor shall maintain and make similarly available to the City detailed records supporting the Contractor's allocation to this Agreement of the costs and expenses attributable to any such shared usages.

The Contractor shall provide an annual audited financial statement (a "Third Party Audit") to the Department and the SSAC within 120 calendar days after the end of the calendar year, and the system of accounting shall be in accordance with generally accepted accounting principles and practices, consistently applied throughout. Contractor must comply with the requirements in Exhibit 9 with respect to any Third Party Audit. If any Third Party Audit shows that Contractor or any of its Subcontractors has overcharged the City in any period, the City will notify Contractor, and Contractor must then promptly reimburse the City for any amounts the City has paid Contractor due to the overcharges. Any failure to comply with the audit requirements set forth in Exhibit 9 of the Agreement shall constitute an event of default under the Agreement. If such event of default is not corrected to the City's satisfaction within the cure period identified by the City, the City may incur costs to conduct any supplementary audit it deems necessary, and Contractor must then promptly reimburse the City for any such costs. No provision in this Agreement granting the City a right of access to records and documents is intended to impair, limit or affect any right of access to such records and documents that the City would have had in the absence of such provisions.

The City may in its sole discretion audit the records of Contractor or its Subcontractors, or both, at any time during the term of this Agreement or within five years after the Agreement ends, in connection with the goods, work, or services provided under this Agreement. Each calendar year or partial calendar year is considered an "audited period." if, as a result of such an audit, it is determined that Contractor or any of its Subcontractors has overcharged the City in the audited period, the City will notify Contractor. Contractor must then promptly reimburse the City for any amounts the City has paid Contractor due to the overcharges and also some or all of the cost of the audit, as follows:

A. If the audit has revealed overcharges to the City representing less than 5% of the total value, based on the Agreement prices, of the goods, work, or services provided in the audited period, then the Contractor must reimburse the City for 50% of the cost of the audit and 50% of the cost of each subsequent audit that the City conducts;

B. If, however, the audit has revealed overcharges to the City representing 5% or more of the total value, based on the Agreement prices, of the goods, work, or services provided in the audited period, then Contractor must reimburse the City for the full cost of the audit and of each subsequent audit.

If the City is unable to make a determination regarding overcharges to City as a result of Contractor's not having maintained records as required under this Agreement, Contractor must promptly reimburse the City for some or all of the cost of the audit, as determined in the sole discretion of the City. Failure of Contractor to promptly reimburse the City in accordance with this Section 3.07 is an event of default under Section 7.01 of this Agreement, and Contractor will be liable for all of the City's costs of collection, including any court costs and attorneys' fees.

3.08 Subcontracts and Assignments

The Contractor shall not assign, delegate, subcontract or otherwise transfer all or any part of its rights or obligations under this Agreement or any part hereof, unless otherwise provided for herein or without the express written consent of the SSAC. The absence of such provision or written consent shall void the attempted assignment, delegation or transfer and shall be of no effect as to the Services or this Agreement.

All subcontracts, all approvals of Subcontractors and any assignment to which the SSAC consents are, regardless of their form, deemed conditioned upon performance by the Subcontractor or assignee in accordance with the terms and conditions of this Agreement.

If the Contractor subcontracts for security services, the Subcontractor shall be a Security Firm certified by the State of Illinois and the Security Firm's employees shall be licensed by the State of Illinois. The Contractor, upon entering into any subcontract with a Security Firm, shall furnish the SSAC and the Department with a copy of the subcontract for their approval. The City expressly reserves the right to approve all Security Firm subcontracts.

3.09 License, Permits and Safety Considerations

A. Licenses and Permits

If the Contractor engages in Construction, it is responsible for and, in a timely manner consistent with its obligations hereunder, shall secure and maintain at its expense such permits, licenses, authorizations and approvals as are necessary for it to engage Construction under this Agreement.

B. Safety Considerations

If the Contractor engages in Construction, it shall at all times exercise reasonable care, shall comply with all applicable provisions of federal, state and local laws to prevent accidents or injuries, and shall take all appropriate precautions to avoid damage to and loss of City property and the property of third parties in connection with the Construction. The Contractor shall erect and properly maintain at all times all necessary safeguards, barriers, flags and lights for the protection of its and its Subcontractors' employees, City employees and the public.

if the Contractor engages in Construction, it shall report to the Department any damage on, about, under or adjacent to City property or the property of third persons resulting from its performance under this Agreement. The Contractor is responsible for any damage to City property and the property of third parties due, in whole or in part, to the Contractor's Construction activities under this Agreement, and the Contractor shall repair such damage to a reasonably acceptable standard.

3.10 Performance Bond

if the Contractor engages in Construction work where expenditures exceed \$100,000, it shall, not later than the date the Contractor begins such work or executes a subcontract for such work, provide or cause to be provided to the Department a performance and payment bond in the amount allocated for the Construction work (but not including the amount allocated for design and preparation of specifications), by a surety or sureties acceptable to the City. The performance bond shall be in the form and to the effect of Exhibit 7 hereto, which is incorporated by reference as if fully set forth here.

If any of the sureties on such bond at any time fail financially, or are deemed to be insufficient security for the penalty of the bond, then the City may, on giving 10 days notice thereof in writing, require the Contractor to furnish a new and additional bond with sureties satisfactory to the City, and, if so required, Contractor must promptly provide such bond.

ARTICLE 4 TERM OF SERVICES

This Agreement shall take effect as of January 1, 2011 ("Effective Date") and shall continue through December 31, 2011, or until the Agreement is terminated earlier in accordance with its terms.

For each subsequent year of this Agreement, if any, the maximum compensation that the Contractor may be paid under this Agreement is the amount set forth in the Budget for that year, pursuant to Section 5.02 and 8.03, or the amount of Service Tax Funds actually collected for the preceding tax year, whichever is less; provided that the maximum amount of compensation for such year of this Agreement may also include the amount of Service Tax Funds collected for prior tax years which remain previously unspent.

5.02 Budget for Services

The Contractor in conjunction with the SSAC has prepared a Budget through December 31, 2011, attached hereto as Exhibit 2 and incorporated by reference as if fully set forth here, covering all services described in the Scope of Services. Subject to the restriction that the maximum amount that may be spent in calendar year 2011 may not exceed \$478,357, the SSAC reserves the right to transfer funds between line items or make Budget revisions that do not affect the maximum compensation set forth in Section 5.01. The SSAC shall revise the Budget if any part of the Contractor's Services is terminated.

For each subsequent year of this Agreement, if any, and subject to the provisions of Section 3.01, a Budget for that year shall be incorporated into this Agreement by written amendment pursuant to Section 8.03.

5.03 Method of Payment

Pursuant to a schedule to be determined by the Commissioner, after the performance of Services pursuant to the terms of this Agreement, Contractor may submit invoices to the City to request reimbursement for such expenses. Upon the Commissioner's determination that the invoices are accurate, the City will process payment of the invoices.

The Contractor shall establish a separate checking account ("Account") in a bank authorized to do business in the State of Illinois that is insured by the Federal Deposit Insurance Corporation. All Service Tax Funds that the Comptroller transfers to the Contractor shall be deposited in the Account and disbursements from the Account shall be pursuant to this Agreement. THE CONTRACTOR SHALL NOT COMMINGLE SERVICE TAX FUNDS WITH FUNDS FROM OTHER SOURCES. The Contractor shall provide to the SSAC the signature card and sample check from the bank which shows the signature(s) of the Contractor's authorized representative(s). The SSAC reserves the right to audit the account and require the Contractor to refund any funds that were not spent pursuant to the Budget or that were not approved by the SSAC. The name and address of the bank is _____ and the wire transfer and the Account numbers are _____.

All funds remaining in the Account at the expiration or early termination of this Agreement, including any interest earned, belong to the City for the benefit of the Area and shall be returned to the City to be used only for Special Services.

5.04 Criteria for Payment

The SSAC shall determine the reasonableness, allocability and allowability of any rates, costs and expenses charged or incurred by the Contractor.

5.05 Funding

Payments under this Agreement shall be made from Service Tax Funds in fund number _____ and are subject to the availability of funds therein.

5.06 Non-Appropriation

In the event that no funds or insufficient funds are appropriated and budgeted in any City fiscal period for payments to be made under this Agreement, then the City will notify the Contractor of such occurrence and this Agreement shall terminate on the earlier of the last day of the fiscal period for which sufficient appropriation was made or whenever the funds appropriated for payment under this Agreement are exhausted. No payments shall be made or due to the Contractor under this Agreement beyond those amounts appropriated and budgeted by the City to fund payments hereunder.

The Contractor agrees that if the Commissioner in his reasonable judgment determines that any of the Contractor's services for others conflict with the Services the Contractor is to provide for the City under this Agreement, the Contractor shall terminate such other services immediately upon request of the City.

6.04 Non-liability of Public Officials

No official, employee or agent of the City shall be charged personally by the Contractor, or by any assignee or Subcontractor of the Contractor, with any liability or expenses of defense or be held personally liable to them under any term or provision hereof, because of the City's execution or attempted execution hereof, or because of any breach hereof.

The Contractor shall perform under this Agreement as an independent contractor to the City and not as a representative, employee, agent or partner of the City.

6.06 Business Relationships with Elected Officials

Pursuant to Section 2-156-030(b) of the Municipal Code of the City of Chicago, it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected official has a business relationship, or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to

vote on any matter involving the person with whom an elected official has a business relationship. Violation of Section 2-156-030(b) by any elected official with respect to this Agreement is grounds for termination of this Agreement. The term business relationship is defined as set forth in Section 2-156-080 of the Municipal Code of Chicago.

Section 2-156-080 defines a "business relationship" as any contractual or other private business dealing of an official, or his or her spouse, or of any entity in which an official or his or her spouse has a financial interest, with a person or entity which entitles an official to compensation or payment in the amount of \$2,500 or more in a calendar year; provided, however, a financial interest shall not include: (i) any ownership through purchase at fair market value or inheritance of less than one percent of the share of a corporation, or any corporate subsidiary, parent or affiliate thereof, regardless of the value of or dividends on such shares, if such shares are registered on a securities exchange pursuant to the Securities Exchange Act of 1934, as amended; (ii) the authorized compensation paid to an official or employee for his office or employment; (iii) any economic benefit provided equally to all residents of the City; (iv) a time or demand deposit in a financial institution; or (v) an endowment or insurance policy or annuity contract purchased from an insurance company. A "contractual or other private business dealing" shall not include any employment relationship of an official's spouse with an entity when such spouse has no discretion concerning or input relating to the relationship between that entity and the City.

6.07 Chicago "Living Wage" Ordinance

(a) Section 2-92-610 of the Municipal Code of Chicago provides for a living wage for certain categories of workers employed in the performance of City contracts, specifically non-City employed security guards, parking attendants, day laborers, home and health care workers, cashiers, elevator operators, custodial workers and clerical workers ("Covered Employees"). Accordingly, pursuant to Section 2-92-610 and regulations promulgated under it:

(i) If Contractor has 25 or more full-time employees, and

(ii) If at any time during the performance of this Agreement, Contractor and/or any Subcontractor or any other entity that provides any portion of the Services (collectively "Performing Parties") uses 25 or more full-time security guards, or any number of other full-time Covered Employees, then

(iii) Contractor must pay its Covered Employees, and must assure that all other Performing Parties pay their Covered Employees, not less than the minimum hourly rate as determined in accordance with this provision (the "Base Wage") for all Services performed under this Agreement.

(b) Contractor's obligation to pay, and to assure payment of, the Base Wage will begin at any time during the term of this Agreement when the conditions set forth in (a)(i) and (a)(ii) above are met, and will continue until the end of the term of this Agreement.

(c) As of July 1, 2010, the Base Wage is \$11.03, and each July 1 thereafter, the Base Wage will be adjusted, using the most recent federal poverty guidelines for a family of four as published annually by the U.S. Department of Health and Human Services, to constitute the following: the poverty guidelines for a family of four divided by 2000 hours or the current base wage, whichever is higher. At all times during the term of this Agreement, Contractor and all other Performing Parties must pay the Base Wage (as adjusted in accordance with the above). If the payment of prevailing wages is required for Services done under this Agreement, and the prevailing wages for Covered Employees are higher than the Base Wage, then Contractor and all other Performing Parties must pay the prevailing wage rates.

(d) Contractor must include provisions in all subcontracts requiring its Subcontractors to pay the Base Wage to Covered Employees. Contractor agrees to provide the City with documentation acceptable to the Chief Procurement Officer demonstrating that all Covered Employees, whether employed by Contractor or by a Subcontractor, have been paid the Base Wage, upon the City's request for such documentation. The City may independently audit Contractor and/or Subcontractors to verify compliance with this section. Failure to comply with the requirements of this section will be an event of default under this Agreement, and further, failure to comply may result in ineligibility for any award of a City contract or subcontract for up to 3 years.

(e) Not-for-Profit Corporations: If Contractor is a corporation having federal tax-exempt status under Section 501(c)(3) of the Internal Revenue Code and is recognized under Illinois not-for-profit law, then the provisions of Sections (a) through (d) above do not apply.

6.08 Deemed Inclusion

Provisions required by law, ordinances, rules, regulations or executive orders to be inserted in this Agreement are deemed inserted in this Agreement whether or not they appear in this Agreement or, upon application by either party, this Agreement will be amended to make the insertion; however, in no event will the failure to insert the provisions before or after this Agreement is signed prevent its enforcement.

6.09 Environmental Warranties and Representations

in accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Contractor warrants and represents that it, and to the best of its knowledge, its subcontractors have not violated and are not in violation of the following sections of the Code (collectively, the Waste Sections):

- 7-28-390 Dumping on public way;
- 7-28-440 Dumping on real estate without permit;
- 11-4-1410 Disposal in waters prohibited;
- 11-4-1420 Ballast tank, bilge tank or other discharge;
- 11-4-1450 Gas manufacturing residue;
- 11-4-1500 Treatment and disposal of solid or liquid waste;

11-4-1530 Compliance with rules and regulations required;
11-4-1550 Operational requirements; and
11-4-1560 Screening requirements.

During the period while this Agreement is executory, Contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Commissioner. Such breach and default entitles the City to all remedies under the Agreement, at law or in equity.

This section does not limit Contractor's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Agreement.

Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Agreement, and may further affect Contractor's eligibility for future contract awards.

6.10 EDS / Certification Regarding Suspension and Debarment

Contractor certifies, as further evidenced in the EDS attached as Exhibit 3, by its acceptance of this Agreement that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from participation in this transaction by any federal department or agency. Contractor further agrees by executing this Agreement that it will include this clause without modification in all lower tier transactions, solicitations, proposals, contracts and subcontracts. If Contractor or any lower tier participant is unable to certify to this statement, it must attach an explanation to the Agreement.

6.11 Ethics

(a) In addition to other warranties and representations, Contractor warrants that no payment, gratuity or offer of employment will be made in connection with this Agreement by or on behalf of any Subcontractors to Contractor or higher tier subcontractors or anyone associated with them, as an inducement for the award of a subcontract or order.

(b) Contractor further acknowledges that any Agreement entered into, negotiated or performed in violation of any of the provisions of Chapter 2-156 is voidable as to the City.

6.12 MacBride Ordinance

The City of Chicago through the passage of the MacBride Principles Ordinance seeks to promote fair and equal employment opportunities and labor practices for religious minorities in Northern Ireland and provide a better working environment for all citizens in Northern Ireland.

In accordance with Section 2-92-580 of the Municipal Code of the City of Chicago, if Contractor conducts any business operations in Northern Ireland, the Contractor must make all

reasonable and good faith efforts to conduct any business operations in Northern Ireland in accordance with the MacBride Principles for Northern Ireland as defined in Illinois Public Act 85-1390 (1988 Ill. Laws 3220).

The provisions of this Section 6.12 do not apply to contracts for which the City receives funds administered by the United States Department of Transportation, except to the extent Congress has directed that the Department of Transportation not withhold funds from states and localities that choose to implement selective purchasing policies based on agreement to comply with the MacBride Principles for Northern Ireland, or to the extent that such funds are not otherwise withheld by the Department of Transportation.

6.13 Cooperation in Investigations

It is the duty of the Contractor and any bidder, proposer, subcontractor and every applicant for certification of eligibility for a City contract or program, and all officers, directors, agents, partners, and employees of the Contractor and any such bidder, proposer, subcontractor or such applicant to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code. Contractor represents that it understands and will abide by all provisions of Chapter 2-56 of the Municipal Code and that it will inform subcontractors of this provision and require their compliance.

It is the duty of the Contractor and any bidder, proposer, subcontractor and every applicant for certification of eligibility for a City contract or program, and all officers, directors, agents, partners, and employees of the Contractor and any such bidder, proposer, subcontractor or such applicant to cooperate with the Legislative Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-55 of the Municipal Code. Contractor represents that it understands and will abide by all provisions of Chapter 2-55 of the Municipal Code and that it will inform subcontractors of this provision and require their compliance.

ARTICLE 7 EVENTS OF DEFAULT, REMEDIES, TERMINATION, RIGHT TO OFFSET, SUSPENSION

7.01 Events of Default Defined

The following constitute events of default:

A. Any material misrepresentation, whether negligent or willful and whether in the inducement or in the performance, made by Contractor to the City.

B. Contractor's material failure to perform any of its obligations under the Agreement including, but not limited to, the following:

- (1) failure to commence or ensure timely completion of the Services due to a reason or circumstance within Contractor's reasonable control;
- (2) failure to perform the Services in a manner satisfactory to the City;

(3) failure to promptly re-perform within a reasonable time Services that were rejected as erroneous or unsatisfactory;

(4) discontinuance of the Services for reasons within the Contractor's reasonable control;

(5) failure to comply with a material term of this Agreement, including but not limited to the provisions concerning insurance and nondiscrimination; and

(6) any other acts specifically and expressly stated in this Agreement as constituting an event of default.

C. The Contractor's default under any other agreement it may presently have or may enter into with the City during the life of this Agreement. The Contractor acknowledges and agrees that in the event of a default under this Agreement the City may also declare a default under any such other agreements.

7.02 Remedies

The occurrence of any event of default which the Contractor fails to cure within 14 calendar days after receipt of notice specifying such default or which, if such event of default cannot reasonably be cured within 14 calendar days after notice, the Contractor fails, in the sole opinion of the Commissioner, to commence and continue diligent efforts to cure, permits the City to declare the Contractor in default. Whether to declare the Contractor in default is within the sole discretion of the Commissioner. Written notification of the default, and any intention of the City to terminate the Agreement, shall be provided to Contractor and such decision is final and effective upon Contractor's receipt of such notice. Upon receipt of such notice, the Contractor must discontinue any services, unless otherwise directed in the notice, and deliver all materials accumulated in the performance of this Agreement, whether completed or in the process of completion, to the City. At such time the City may invoke any legal or equitable remedy available to it including, but not limited to, the following:

A. The right to take over and complete the Services or any part thereof as agent for and at the cost of the Contractor, either directly or through others. The Contractor shall have, in such event, the right to offset from such cost the amount it would have cost the City under the terms and conditions herein had the Contractor completed the Services.

B. The right to terminate this Agreement as to any or all of the Services yet to be performed, effective at a time specified by the City.

C. The right of specific performance, an injunction or any other appropriate equitable remedy.

D. The right to money damages.

E. The right to withhold all or any part of Contractor's compensation hereunder.

- F. The right to deem Contractor non-responsible in future contracts to be awarded by the City.

If the City considers it to be in its best interest, it may elect not to declare default or to terminate this Agreement. The parties acknowledge that this provision is solely for the benefit of the City and that if the City permits the Contractor to continue to provide the Services despite one or more events of default, the Contractor is in no way relieved of any of its responsibilities, duties or obligations under this Agreement nor does the City waive or relinquish any of its rights. No delay or omission to exercise any right accruing upon any event of default impairs any such right nor shall it be construed as a waiver of any event of default or acquiescence therein, and every such right may be exercised from time to time and as often as may be deemed expedient.

7.03 Right to Offset

The City reserves its rights under § 2-92-380 of the Municipal Code of Chicago and the Commissioner shall consult with the SSAC before exercising such rights.

7.04 Suspension

The City may at any time request that the Contractor suspend its Services, or any part thereof, by giving 15 days prior written notice to the Contractor or upon no notice in the event of emergency. No costs incurred after the effective date of such suspension shall be allowed. The Contractor shall promptly resume its performance upon written notice by the Department. The Budget may be revised pursuant to Section 5.02 to account for any additional costs or expenses actually incurred by the Contractor as a result of recommencing the Services.

7.05 No Damages for Delay

The Contractor agrees that it, its members, if a partnership or joint venture and its Subcontractors shall make no claims against the City for damages, charges, additional costs or hourly fees for costs incurred by reason of delays or hindrances by the City in the performance of its obligations under this Agreement.

7.06 Early Termination

In addition to termination for default, the City may, at any time, elect to terminate this Agreement or any portion of the Services to be performed under it at the sole discretion of the Commissioner by a written notice to the Contractor. If the City elects to terminate the Agreement in full, all Services shall cease and all materials accumulated in performing this Agreement, whether completed or in the process of completion, shall be delivered to the Department within 10 days after receipt of the notice or by the date stated in the notice.

During the final ten days or other time period stated in the notice, the Contractor shall restrict its activities, and those of its Subcontractors, to winding down any reports, analyses, or other activities previously begun. No costs incurred after the effective date of the termination are allowed. Payment for any Services actually and satisfactorily performed before the effective

date of the termination shall be on the same basis as set forth in Article 5 hereof, but if any compensation is described or provided for on the basis of a period longer than ten days, then the compensation shall be prorated accordingly.

If a court of competent jurisdiction determines that the City's election to terminate this Agreement for default has been wrongful, then such termination shall be deemed to be an early termination.

The invalidity of any one or more phrases, sentences, clauses or sections herein shall not effect the remaining portions of this Agreement or any part thereof.

8.10 Miscellaneous Provisions

Whenever under this Agreement the City by a proper authority waives the Contractor's performance in any respect or waives a requirement or condition to the Contractor's performance, the waiver, whether express or implied, applies only to that particular instance and is not a waiver forever or for subsequent instances of the performance, requirement or condition. No waiver shall be construed as a modification of the Agreement regardless of the number of times the City may have waived the performance, requirement or condition.

8.12 Contractor Affidavit

The Contractor must provide to the City, no later than thirty days after the end of each year, a fully executed and notarized Affidavit certifying the expenditures and Services provided for the prior year. The form of this affidavit is attached as Exhibit 8 and incorporated by reference.

8.13 Prohibition on Certain Contributions

Contractor must submit evidence of insurance on the City of Chicago Insurance Certificate Form (copy attached as (Sub)Exhibit __) or equivalent prior to execution of this Agreement. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from Contractor is not a waiver by the City of any requirements for the Contractor to obtain and maintain the specified coverages. Contractor must advise all insurers of the Agreement provisions regarding insurance. Nonconforming insurance does not relieve Contractor of the obligation to provide insurance as specified in this Agreement. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to suspend this Agreement until proper evidence of insurance is provided, or the Agreement may be terminated.

The insurance must provide for 60 days prior written notice to be given to the City in the event coverage is substantially changed, canceled or non-renewed.

Any deductibles or self-insured retentions on referenced insurance coverages must be borne by Contractor.

Contractor hereby waives and agrees to require their insurers to waive their rights of subrogation against the City of Chicago, its employees, elected officials, agents or representatives.

The coverages and limits furnished by Contractor in no way limit the Contractor's liabilities and responsibilities specified within the Agreement or by law.

Any insurance or self-insurance programs maintained by the City of Chicago do not contribute with insurance provided by Contractor under this Agreement.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

If Contractor is a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

Contractor must require all Subcontractors to provide the insurance required in this Agreement, or Contractor may provide the coverages for Subcontractors. All Subcontractors are subject to the same insurance requirements of Contractor unless otherwise specified in this Agreement.

If Contractor or Subcontractor desires additional coverages, the party desiring the additional coverages is responsible for the acquisition and cost.

Notwithstanding any provision in the Agreement to the contrary, the City of Chicago Risk Management Department maintains the right to modify, delete, alter or change these requirements.

COOK COUNTY

TRUCK DRIVERS (WEST) - That part of the county West of Barrington Road.

The following list is considered as those days for which holiday rates of wages for work performed apply: New Years Day, Memorial/Decoration Day, Fourth of July, Labor Day, Veterans Day, Thanksgiving Day, Christmas Day. Generally, any of these holidays which fall on a Sunday is celebrated on the following Monday. This then makes work performed on that Monday payable at the appropriate overtime rate for holiday pay. Common practice in a given local may alter certain days of celebration such as the day after Thanksgiving for Veterans Day. If in doubt, please check with IDOL.

EXPLANATION OF CLASSES

ASBESTOS - GENERAL - removal of asbestos material/mold and hazardous materials from any place in a building, including mechanical systems where those mechanical systems are to be removed. This includes the removal of asbestos materials/mold and hazardous materials from ductwork or pipes in a building when the building is to be demolished at the time or at some close future date.

ASBESTOS - MECHANICAL - removal of asbestos material from mechanical systems, such as pipes, ducts, and boilers, where the mechanical systems are to remain.

Rider.
(To Contractor's Performance And Payment Bond)

This Rider supplements Contractor's Performance and Payment Bond ("Bond") on that certain contract with the City of Chicago ("City") bearing Contract Number _____ and Specification Number _____ ("Contract"). Surety acknowledges that the Contract requires Contractor to obtain from each of its subcontractors consent to a collateral assignment of their contracts with Contractor to the City. The Contract further grants the City the right, upon contractor's default for failure to comply with Chapter 4-36 on the Municipal Code of the City, and at the City's sole option, to take over and complete the work to be performed by Contractor through the City's assumption of some or all of Contractor's subcontracts. If the City, in its sole discretion, exercises this right, then Surety waives any rights it may have to cure Contractor's default by performing the work itself or through others and remains bound by its other obligations under the Bond.

Special Service Area -- Additional Audit Requirements.

Accounting System.

The Department requires that the Contractor maintain its accounting system in a manner which allows the Contractor's expenditures to be categorized in its statement of activities according to the categories listed in the budget approved by the City for each Area.

Guidance For The Contractor's Selection Of A CPA Firm (Independent Auditor).

The Contractor must use the following guidelines for engaging a qualified CPA Firm:

1. Issue a Request for Proposal ("RFP") that sets forth all of the terms and conditions of the engagement, evaluation criteria and scope of the work required.
2. Distribute and publicize the RFP sufficiently to ensure full and open competition.
3. Request in the RFP that bidders provide detail on:
 - a. How the CPA Firm will conduct the audit in the first and subsequent years.
 - b. Qualifications of the CPA Firm, management and staff, including experience in auditing like entities.
 - c. Policies on notification of changes in key personnel.
 - d. Whether the proposed staff has received continuing professional education during the previous two years.
 - e. Whether the CPA Firm has received a positive peer review within the last three years.
 - f. Whether the CPA Firm is independent, as defined by applicable auditing standards.
 - g. Whether the CPA Firm has been the object of any disciplinary action during the past 3 years.
 - h. Whether the CPA Firm maintains an active license in the State of Illinois.
 - i. The audit fee.
4. Evaluate the proposals based on:
 - a. The CPA Firm's understanding of the audit requirements, including the needs of the Area and the final products to be delivered.
 - b. Soundness of technical approach to the audit, including the meeting of the Contractor's specific deadlines and other requirements.
 - c. Qualifications of the CPA Firm.
 - d. Qualifications of the audit team.
 - e. The information provided by respondents in response to the RFP including cost and independence.

5. Rate the proposals as follows:
 - a. Proposals should be evaluated as submitted.
 - b. Make a list of strengths and weaknesses for each to support its technical rating.
 - c. Review the proposed fees offered by the bidders after completion of the technical evaluation.
 - d. Ask questions of the bidders to eliminate any ambiguities.
 - e. Select a proposal that is most advantageous to the Area based on the evaluation criteria set forth in the RFP.
6. Once a CPA Firm is chosen based upon the foregoing criteria, require a written engagement letter to avoid misunderstandings that specifies:
 - a. Audit scope, objectives and purposes.
 - b. Deadlines for the work to be performed.
 - c. Audit fees.
 - d. Report format, including providing a digital version of the final audit.
 - e. Type and timing of support to be provided to the CPA Firm by the SSAC.
 - f. Professional auditing standards to be followed in performing the audit.
 - g. Independence of the CPA Firm to the SSAC.
 - h. Terms of making changes to the scope of the Agreement.
 - i. CPA Firm's ownership of the work papers, retention period and requirement for availability to the City upon request.

Summary Schedule Of Findings.

In order to properly conduct the certified audit of the books and records of the Contractor, it is necessary for the CPA Firm to read and understand the requirements contained in the Agreement. Particular attention should be given to Sections 3 and 5 of the Agreement.

The CPA Firm must test the Contractor's compliance with the requirements contained in the Agreement. Should the CPA Firm find exception to the requirements of the Agreement, it must disclose all exceptions in a separate schedule, which shall be entitled "Summary Schedule of Findings". Each finding shall be listed separately. The schedule shall be incorporated with the other required financial statements.

If the CPA Firm finds no exceptions to the Agreement requirements, it shall still include a "Summary Schedule of Findings". On that schedule the CPA Firm shall make an affirmative statement indicating it has read the Agreement and, after conducting the audit, has determined that no exceptions were noted.

Subsections to note in Section 5 include:

- a. Section 5.01, Basis of Payment, describes "carry over" as the amount of Service Tax Funds collected for prior tax years which remain previously unspent.
- b. Section 5.02, Budget for Services, restricts the maximum amount that may be spent in a calendar year to the amount stated in the Agreement.
- c. Section 5.03, Method of Payment, states that the Contractor shall establish a separate checking account and that Area funds shall not be commingled with other sources.

Audit Of Financial Statements.

As discussed in Section 3.07, "Records and Audits", the Contractor shall provide an annual audited financial statement to the Department and SSAC within 120 calendar days after the end of the calendar year and the system of accounting shall be in accordance with generally accepted accounting principles and practices, consistently applied throughout.

Audit Documents.

The City requires an audit conducted in accordance with generally accepted accounting principles to include the following documents:

1. Statement of Financial Position.
2. Statement of Activities: Budget and Actual (period being audited compared to the previous year, e.g., columns should be 2004 Budget, 2004 Actual, Variance, 2003 Budget, 2003 Actual, Variance).
3. Statement of Cash Flows.
4. Notes to the Financial Statements.
5. Summary Schedule of Findings.

Expense descriptions included in the Statement of Activities must correspond to the expense descriptions in the budget submitted to the City.

The SSAC reserves the right to require the Contractor to perform revised services that are within the general scope of services of this Agreement and of the Special Services identified in the Establishment Ordinance subject to the same terms and conditions herein. Revised services are limited to changes or revisions to the line items in the Budget, do not affect the maximum compensation and require the prior written approval of the SSAC. The SSAC may, by written notice to the Department and the Contractor, delete or amend the figures contained and described in the Budget attached hereto as Exhibit 2 and incorporated by reference as if fully set forth herein. The Contractor shall provide the Services in accordance with the standards of performance set forth in Section 3.02.

For each subsequent year during the term of this Agreement, if any, a Scope of Services for that year, comprised of services authorized in the Establishment Ordinance, shall be prepared by the SSAC in consultation with the Contractor subject to the approval of the Commissioner, and incorporated into this Agreement by written amendment pursuant to Section 8.03 hereof, together with a Budget for that year and any revised insurance requirements which are recommended by the Risk Management Division pursuant to its review of the Scope of Services for that year.

The Contractor shall perform all Services required of it with that degree of skill, care and diligence normally shown by a contractor performing services of a scope, purpose and magnitude comparable with the nature of the Services to be provided hereunder. The Contractor remains responsible for the professional and technical accuracy of all Services provided, whether by the Contractor or its Subcontractors or others on its behalf.

If the SSAC determines that the Contractor has failed to comply with the foregoing standards, the Contractor shall perform again, at its own expense, all Services required to be reperformed as a direct or indirect result of such failure. Any review, approval, acceptance or payment for any or all of the Services by the City does not relieve the Contractor of its responsibility for the professional and technical accuracy of its Services. This provision in no way limits the City's rights against Contractor, either under this Agreement, at law or in equity.

3.03 Personnel

A. Key Personnel

The Contractor shall, immediately upon receiving a fully executed copy of this Agreement, assign and maintain during the term of this Agreement and any extension thereof an adequate staff of competent personnel, who are fully equipped, licensed as appropriate, available as needed, qualified and assigned to perform the Services. If the Contractor subcontracts with a Subcontractor other than a Security Firm, such Subcontractor shall comply with the Contractor insurance provisions attached hereto as Exhibit 4.

The Risk Management Division may waive or reduce any of the insurance requirements set forth herein. In addition, the Risk Management Division will review each new Scope of Services which the SSAC, in consultation with the Contractor, prepares annually during the term of this Agreement pursuant to Section 3.01 and may, if it wishes, revise the insurance required herein.

3.06 Indemnification

A. On written notice from the City of Losses the City believes are Losses Arising under this Agreement as defined in this Section 3.06, the Contractor shall defend, indemnify, and hold completely harmless the City Indemnitees from and against such Losses, regardless of whether Contractor challenges the City's belief. The defense, indemnification and hold harmless obligations of the Contractor toward City Indemnitees remain an affirmative obligation

of Contractor following the City's notice of Losses the City believes are Losses Arising under this Agreement, unless and until a court of competent jurisdiction finally determines otherwise and all opportunities for appeal have been exhausted or have lapsed.

B. For purposes of this Section 3.06,

"City Indemnitees" means, individually and collectively, the City of Chicago, its officials, agents, employees and SSAC members.

"Losses" means, individually and collectively, all kinds of liabilities, losses, suits, claims, damages, judgments, fines, and demands, including all reasonable costs for investigation, reasonable attorneys' fees, court costs, and experts' fees, arising by reason of injury or death of any person, damage to property, patent or copyright infringement.

"Arising under this Agreement" means (i) arising out of awarding this Agreement, (ii) arising out of the enforcement of this Agreement, including the enforcement of this indemnification provision; (iii) arising out of or in connection with Contractor's performance or non-performance of this Agreement (including the acts or omission of Contractor, its officers, agents, employees, consultants, subcontractors, licensees, or invitees), any breach by any of them of any warranty made under this Agreement, or any failure by any of them to meet any applicable standard of performance under this Agreement; or (iv) any combination of any of the foregoing.

C. To the extent permissible by law, Contractor waives any limits on Contractor's liability that it would otherwise have by virtue of the Worker's Compensation Act or any other related law or judicial decision (such as *Kotecki v. Cyclops Welding Corporation*, 146 Ill. 2d 155 (1991)). The City, however, does not waive any limitations it may have on its liability under the Worker's Compensation Act or under the Illinois Pension Code.

D. The City has the right, at its option and at its own expense, to participate in the defense of any suit without relieving Contractor of any of its obligations under this indemnity provision. The requirements set forth in this indemnity provision are separate from and not limited by the amount of insurance Contractor is required to obtain under this Agreement or by its bonds pursuant to other provisions in this Agreement. Further, the indemnitees contained in this provision survive the expiration or termination of this Agreement.

3.07 Records and Audits

The Contractor shall deliver or cause to be delivered all documents, data, studies, reports, findings or information to the SSAC promptly in accordance with the time limits prescribed herein and if no time limit is specified, then upon reasonable demand therefore, or upon termination or completion of the Services hereunder.

The Contractor agrees to adopt at its own expense such financial controls, including, without limitation, the employment of a fiscal agent approved by the Commissioner, as determined by the Commissioner in his sole discretion and communicated in writing to the Contractor after the date of execution of this Agreement, to ensure that the Contractor is fulfilling the terms of this Agreement.

The Contractor and any Subcontractors shall furnish the SSAC with semi-annual reports or provide such information as may be requested relative to the performance and cost of the Services. The Contractor shall maintain records showing actual time devoted and costs incurred. The Contractor shall keep books, documents, paper, records and accounts in connection with the Services open to inspection, copying, abstracting, transcription, and an independent audit by City employees or agents or third parties, and shall make these records available to the City and any other interested governmental agency at reasonable times during the performance of its Services. In addition, Contractor shall retain them in a safe place and make them available for an independent audit, inspection, copying and abstracting for at least five years after the final payment made in connection with this Agreement.

THE CONTRACTOR SHALL NOT COMMINGLE SURPLUS BOND FUNDS WITH FUNDS FROM OTHER SOURCES, and to the extent that the Contractor conducts any business operations separate and apart from the Services hereunder using, for example, personnel, equipment, supplies or facilities also used in connection with this Agreement, then the Contractor shall maintain and make similarly available to the City detailed records supporting the Contractor's allocation to this Agreement of the costs and expenses attributable to any such shared usages.

The Contractor shall provide an annual audited financial statement (a "Third Party Audit") to the Department and the SSAC within 120 calendar days after the end of the calendar year, and the system of accounting shall be in accordance with generally accepted accounting principles and practices, consistently applied throughout. Contractor must comply with the requirements in Exhibit 9 with respect to any Third Party Audit. If any Third Party Audit shows that Contractor or any of its Subcontractors has overcharged the City in any period, the City will notify Contractor, and Contractor must then promptly reimburse the City for any amounts the City has paid Contractor due to the overcharges. Any failure to comply with the audit requirements set forth in Exhibit 9 of the Agreement shall constitute an event of default under the Agreement. If such event of default is not corrected to the City's satisfaction within the cure period identified by the City, the City may incur costs to conduct any supplementary audit it deems necessary, and Contractor must then promptly reimburse the City for any such costs. No provision in this Agreement granting the City a right of access to records and documents is intended to impair, limit or affect any right of access to such records and documents that the City would have had in the absence of such provisions.

The City may in its sole discretion audit the records of Contractor or its Subcontractors, or both, at any time during the term of this Agreement or within five years after the Agreement ends, in connection with the goods, work, or services provided under this Agreement. Each calendar year or partial calendar year is considered an "audited period." If, as a result of such

an audit, it is determined that Contractor or any of its Subcontractors has overcharged the City in the audited period, the City will notify Contractor. Contractor must then promptly reimburse the City for any amounts the City has paid Contractor due to the overcharges and also some or all of the cost of the audit, as follows:

A. If the audit has revealed overcharges to the City representing less than 5% of the total value, based on the Agreement prices, of the goods, work, or services provided in the audited period, then the Contractor must reimburse the City for 50% of the cost of the audit and 50% of the cost of each subsequent audit that the City conducts;

B. If, however, the audit has revealed overcharges to the City representing 5% or more of the total value, based on the Agreement prices, of the goods, work, or services provided in the audited period, then Contractor must reimburse the City for the full cost of the audit and of each subsequent audit.

If the City is unable to make a determination regarding overcharges to City as a result of Contractor's not having maintained records as required under this Agreement, Contractor must promptly reimburse the City for some or all of the cost of the audit, as determined in the sole discretion of the City. Failure of Contractor to promptly reimburse the City in accordance with this Section 3.07 is an event of default under Section 7.01 of this Agreement, and Contractor will be liable for all of the City's costs of collection, including any court costs and attorneys' fees.

3.08 Subcontracts and Assignments

The Contractor shall not assign, delegate, subcontract or otherwise transfer all or any part of its rights or obligations under this Agreement or any part hereof, unless otherwise provided for herein or without the express written consent of the SSAC. The absence of such provision or written consent shall void the attempted assignment, delegation or transfer and shall be of no effect as to the Services or this Agreement.

All subcontracts, all approvals of Subcontractors and any assignment to which the SSAC consents are, regardless of their form, deemed conditioned upon performance by the Subcontractor or assignee in accordance with the terms and conditions of this Agreement.

If the Contractor subcontracts for security services, the Subcontractor shall be a Security Firm certified by the State of Illinois and the Security Firm's employees shall be licensed by the State of Illinois. The Contractor, upon entering into any subcontract with a Security Firm, shall furnish the SSAC and the Department with a copy of the subcontract for their approval. The City expressly reserves the right to approve all Security Firm subcontracts.

3.09 License, Permits and Safety Considerations

A. Licenses and Permits

If the Contractor engages in Construction, it is responsible for and, in a timely manner consistent with its obligations hereunder, shall secure and maintain at its expense such permits, licenses, authorizations and approvals as are necessary for it to engage Construction under this Agreement.

B. Safety Considerations

If the Contractor engages in Construction, it shall at all times exercise reasonable care, shall comply with all applicable provisions of federal, state and local laws to prevent accidents or injuries, and shall take all appropriate precautions to avoid damage to and loss of City property and the property of third parties in connection with the Construction. The Contractor shall erect and properly maintain at all times all necessary safeguards, barriers, flags and lights for the protection of its and its Subcontractors' employees, City employees and the public.

If the Contractor engages in Construction, it shall report to the Department any damage on, about, under or adjacent to City property or the property of third persons resulting from its performance under this Agreement. The Contractor is responsible for any damage to City property and the property of third parties due, in whole or in part, to the Contractor's Construction activities under this Agreement, and the Contractor shall repair such damage to a reasonably acceptable standard.

3.10 Performance Bond

If the Contractor engages in Construction work where expenditures exceed \$100,000, it shall, not later than the date the Contractor begins such work or executes a subcontract for such work, provide or cause to be provided to the Department a performance and payment bond in the amount allocated for the Construction work (but not including the amount allocated for design and preparation of specifications), by a surety or sureties acceptable to the City. The performance bond shall be in the form and to the effect of Exhibit 7 hereto, which is incorporated by reference as if fully set forth here.

If any of the sureties on such bond at any time fail financially, or are deemed to be insufficient security for the penalty of the bond, then the City may, on giving 10 days notice thereof in writing, require the Contractor to furnish a new and additional bond with sureties satisfactory to the City, and, if so required, Contractor must promptly provide such bond.

ARTICLE 4 TERM OF SERVICES

This Agreement shall take effect as of January 1, 2011 ("Effective Date") and shall continue through December 31, 2011, or until the Agreement is terminated earlier in accordance with its terms.

ARTICLE 5 COMPENSATION

5.01 Basis of Payment

"Affiliate of Contractor" means a person or entity that directly (or indirectly through one or more intermediaries) controls, is controlled by or is under common control with Contractor. A person or entity will be deemed to be controlled by another person or entity if it is controlled in any manner whatsoever that results in control in fact by that other person or entity (either acting individually or acting jointly or in concert with others) whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

I. Contractor understands and will abide by all provisions of Chapter 2-26 of the Municipal Code of the City of Chicago.

6.03 Conflict of Interest

Pursuant to Chapter 2-156 of the Municipal Code of Chicago, and 65 ILCS 5/3.1-55-10, no member of the governing body of the City or other unit of government, no other officer, employee, SSAC member, or agent of the City or other unit of government who exercises any functions or responsibilities in connection with the Services to which this Agreement or any related subcontract pertain, and no relative of any SSAC member shall have any personal economic or financial interest, directly or indirectly, in this Agreement or any such subcontract except to the extent that such benefits are provided equally to all residents and/or business owners in the Area. Furthermore, no SSAC member, relative of any SSAC member, City official, agent or employee shall be a Subcontractor, employee or shareholder of the Contractor or receive anything of value from the Contractor.

No member of or delegate to the Congress of the United States or the Illinois General Assembly and no alderman of the City or City employee shall be admitted to any share or part of this Agreement or to any financial benefit to arise from it. The Contractor acknowledges that any agreement entered into, negotiated or performed in violation of any of the provisions of Chapter 2-156 shall be voidable by the City.

The Contractor covenants that it, its officers, directors and employees, and the officers, directors and employees of each of its members if a joint venture, and Subcontractors presently have no financial interest and shall acquire no interest, direct or indirect, in the Services undertaken by the Contractor pursuant to the Agreement that would conflict in any manner or degree with the performance of the Services. The Contractor further covenants that in the performance of this Agreement no person having any such interest shall be employed. The Contractor agrees that if the Commissioner in his reasonable judgment determines that any of the Contractor's services for others conflict with the Services the Contractor is to provide for the City under this Agreement, the Contractor shall terminate such other services immediately upon request of the City.

6.04 Non-liability of Public Officials

No official, employee or agent of the City shall be charged personally by the Contractor, or by any assignee or Subcontractor of the Contractor, with any liability or expenses of defense or be held personally liable to them under any term or provision hereof, because of the City's execution or attempted execution hereof, or because of any breach hereof.

6.05 Independent Contractor

The Contractor shall perform under this Agreement as an independent contractor to the City and not as a representative, employee, agent or partner of the City.

6.06 Business Relationships with Elected Officials

Pursuant to Section 2-156-030(b) of the Municipal Code of the City of Chicago, it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected official has a business relationship, or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a business relationship. Violation of Section 2-156-030(b) by any elected official with respect to this Agreement is grounds for termination of this Agreement. The term business relationship is defined as set forth in Section 2-156-080 of the Municipal Code of Chicago.

Section 2-156-080 defines a "business relationship" as any contractual or other private business dealing of an official, or his or her spouse, or of any entity in which an official or his or her spouse has a financial interest, with a person or entity which entitles an official to compensation or payment in the amount of \$2,500 or more in a calendar year; provided, however, a financial interest shall not include: (i) any ownership through purchase at fair market value or inheritance of less than one percent of the share of a corporation, or any corporate subsidiary, parent or affiliate thereof, regardless of the value of or dividends on such shares, if such shares are registered on a securities exchange pursuant to the Securities Exchange Act of 1934, as amended; (ii) the authorized compensation paid to an official or employee for his office or employment; (iii) any economic benefit provided equally to all residents of the City; (iv) a time or demand deposit in a financial institution; or (v) an endowment or insurance policy or annuity contract purchased from an insurance company. A "contractual or other private business dealing" shall not include any employment relationship of an official's spouse with an entity when such spouse has no discretion concerning or input relating to the relationship between that entity and the City.

6.07 Chicago "Living Wage" Ordinance

(a) Section 2-92-610 of the Municipal Code of Chicago provides for a living wage for certain categories of workers employed in the performance of City contracts, specifically non-City employed security guards, parking attendants, day laborers, home and

health care workers, cashiers, elevator operators, custodial workers and clerical workers ("Covered Employees"). Accordingly, pursuant to Section 2-92-610 and regulations promulgated under it:

- (i) If Contractor has 25 or more full-time employees, and
 - (ii) If at any time during the performance of this Agreement, Contractor and/or any Subcontractor or any other entity that provides any portion of the Services (collectively "Performing Parties") uses 25 or more full-time security guards, or any number of other full-time Covered Employees, then
 - (iii) Contractor must pay its Covered Employees, and must assure that all other Performing Parties pay their Covered Employees, not less than the minimum hourly rate as determined in accordance with this provision (the "Base Wage") for all Services performed under this Agreement.
- (b) Contractor's obligation to pay, and to assure payment of, the Base Wage will begin at any time during the term of this Agreement when the conditions set forth in (a)(i) and (a)(ii) above are met, and will continue until the end of the term of this Agreement.
- (c) As of July 1, 2010, the Base Wage is \$11.03, and each July 1 thereafter, the Base Wage will be adjusted, using the most recent federal poverty guidelines for a family of four as published annually by the U.S. Department of Health and Human Services, to constitute the following: the poverty guidelines for a family of four divided by 2000 hours or the current base wage, whichever is higher. At all times during the term of this Agreement, Contractor and all other Performing Parties must pay the Base Wage (as adjusted in accordance with the above). If the payment of prevailing wages is required for Services done under this Agreement, and the prevailing wages for Covered Employees are higher than the Base Wage, then Contractor and all other Performing Parties must pay the prevailing wage rates.
- (d) Contractor must include provisions in all subcontracts requiring its Subcontractors to pay the Base Wage to Covered Employees. Contractor agrees to provide the City with documentation acceptable to the Chief Procurement Officer demonstrating that all Covered Employees, whether employed by Contractor or by a Subcontractor, have been paid the Base Wage, upon the City's request for such documentation. The City may independently audit Contractor and/or Subcontractors to verify compliance with this section. Failure to comply with the requirements of this section will be an event of default under this Agreement, and further, failure to comply may result in ineligibility for any award of a City contract or subcontract for up to 3 years.
- (e) Not-for-Profit Corporations: If Contractor is a corporation having federal tax-exempt status under Section 501(c)(3) of the Internal Revenue Code and is recognized under Illinois not-for-profit law, then the provisions of Sections (a) through (d) above do not apply.

6.08 Deemed Inclusion

Provisions required by law, ordinances, rules, regulations or executive orders to be inserted in this Agreement are deemed inserted in this Agreement whether or not they appear in this Agreement or, upon application by either party, this Agreement will be amended to make the insertion; however, in no event will the failure to insert the provisions before or after this Agreement is signed prevent its enforcement.

6.09 Environmental Warranties and Representations

In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Contractor warrants and represents that it, and to the best of its knowledge, its subcontractors have not violated and are not in violation of the following sections of the Code (collectively, the Waste Sections):

- 11-4-1530 Compliance with rules and regulations required;
- 11-4-1550 Operational requirements; and
- 11-4-1560 Screening requirements.

During the period while this Agreement is executory, Contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Commissioner. Such breach and default entitles the City to all remedies under the Agreement, at law or in equity.

This section does not limit Contractor's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Agreement.

Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Agreement, and may further affect Contractor's eligibility for future contract awards.

6.10 EDS / Certification Regarding Suspension and Debarment

Contractor certifies, as further evidenced in the EDS attached as Exhibit 3, by its acceptance of this Agreement that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from participation in this transaction by any federal department or agency. Contractor further agrees by executing this

Agreement that it will include this clause without modification in all lower tier transactions, solicitations, proposals, contracts and subcontracts. If Contractor or any lower tier participant is unable to certify to this statement, it must attach an explanation to the Agreement.

6.11 Ethics

(a) In addition to other warranties and representations, Contractor warrants that no payment, gratuity or offer of employment will be made in connection with this Agreement by or on behalf of any Subcontractors to Contractor or higher tier subcontractors or anyone associated with them, as an inducement for the award of a subcontract or order.

(b) Contractor further acknowledges that any Agreement entered into, negotiated or performed in violation of any of the provisions of Chapter 2-156 is voidable as to the City.

6.12 MacBride Ordinance

The City of Chicago through the passage of the MacBride Principles Ordinance seeks to promote fair and equal employment opportunities and labor practices for religious minorities in Northern Ireland and provide a better working environment for all citizens in Northern Ireland.

In accordance with Section 2-92-580 of the Municipal Code of the City of Chicago, if Contractor conducts any business operations in Northern Ireland, the Contractor must make all reasonable and good faith efforts to conduct any business operations in Northern Ireland in accordance with the MacBride Principles for Northern Ireland as defined in Illinois Public Act 85-1390 (1988 Ill. Laws 3220).

The provisions of this Section 6.12 do not apply to contracts for which the City receives funds administered by the United States Department of Transportation, except to the extent Congress has directed that the Department of Transportation not withhold funds from states and localities that choose to implement selective purchasing policies based on agreement to comply with the MacBride Principles for Northern Ireland, or to the extent that such funds are not otherwise withheld by the Department of Transportation.

6.13 Cooperation in Investigations

It is the duty of the Contractor and any bidder, proposer, subcontractor and every applicant for certification of eligibility for a City contract or program, and all officers, directors, agents, partners, and employees of the Contractor and any such bidder, proposer, subcontractor or such applicant to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code. Contractor represents that it understands and will abide by all provisions of Chapter 2-56 of the Municipal Code and that it will inform subcontractors of this provision and require their compliance.

ARTICLE 7 EVENTS OF DEFAULT, REMEDIES, TERMINATION, RIGHT TO OFFSET, SUSPENSION

7.01 Events of Default Defined

The following constitute events of default:

A. Any material misrepresentation, whether negligent or willful and whether in the inducement or in the performance, made by Contractor to the City.

B. Contractor's material failure to perform any of its obligations under the Agreement including, but not limited to, the following:

(1) failure to commence or ensure timely completion of the Services due to a reason or circumstance within Contractor's reasonable control;

(2) failure to perform the Services in a manner satisfactory to the City;

(3) failure to promptly re-perform within a reasonable time Services that were rejected as erroneous or unsatisfactory;

(4) discontinuance of the Services for reasons within the Contractor's reasonable control;

(5) failure to comply with a material term of this Agreement, including but not limited to the provisions concerning insurance and nondiscrimination; and

(6) any other acts specifically and expressly stated in this Agreement as constituting an event of default.

C. The Contractor's default under any other agreement it may presently have or may enter into with the City during the life of this Agreement. The Contractor acknowledges and agrees that in the event of a default under this Agreement the City may also declare a default under any such other agreements.

7.02 Remedies

The occurrence of any event of default which the Contractor fails to cure within 14 calendar days after receipt of notice specifying such default or which, if such event of default cannot reasonably be cured within 14 calendar days after notice, the Contractor fails, in the sole

opinion of the Commissioner, to commence and continue diligent efforts to cure, permits the City to declare the Contractor in default. Whether to declare the Contractor in default is within the sole discretion of the Commissioner. Written notification of the default, and any intention of the City to terminate the Agreement, shall be provided to Contractor and such decision is final and effective upon Contractor's receipt of such notice. Upon receipt of such notice, the Contractor must discontinue any services, unless otherwise directed in the notice, and deliver all materials accumulated in the performance of this Agreement, whether completed or in the process of completion, to the City. At such time the City may invoke any legal or equitable remedy available to it including, but not limited to, the following:

A. The right to take over and complete the Services or any part thereof as agent for and at the cost of the Contractor, either directly or through others. The Contractor shall have, in such event, the right to offset from such cost the amount it would have cost the City under the terms and conditions herein had the Contractor completed the Services.

B. The right to terminate this Agreement as to any or all of the Services yet to be performed, effective at a time specified by the City.

C. The right of specific performance, an injunction or any other appropriate equitable remedy.

D. The right to money damages.

E. The right to withhold all or any part of Contractor's compensation hereunder.

F. The right to deem Contractor non-responsible in future contracts to be awarded by the City.

If the City considers it to be in its best interest, it may elect not to declare default or to terminate this Agreement. The parties acknowledge that this provision is solely for the benefit of the City and that if the City permits the Contractor to continue to provide the Services despite one or more events of default, the Contractor is in no way relieved of any of its responsibilities, duties or obligations under this Agreement nor does the City waive or relinquish any of its rights. No delay or omission to exercise any right accruing upon any event of default impairs any such right nor shall it be construed as a waiver of any event of default or acquiescence therein, and every such right may be exercised from time to time and as often as may be deemed expedient.

7.03 Right to Offset

The City reserves its rights under § 2-92-380 of the Municipal Code of Chicago and the Commissioner shall consult with the SSAC before exercising such rights.

7.04 Suspension

The City may at any time request that the Contractor suspend its Services, or any part thereof, by giving 15 days prior written notice to the Contractor or upon no notice in the event of emergency. No costs incurred after the effective date of such suspension shall be allowed. The

Contractor shall promptly resume its performance upon written notice by the Department. The Budget may be revised pursuant to Section 5.02 to account for any additional costs or expenses actually incurred by the Contractor as a result of recommencing the Services.

7.05 No Damages for Delay

The Contractor agrees that it, its members, if a partnership or joint venture and its Subcontractors shall make no claims against the City for damages, charges, additional costs or hourly fees for costs incurred by reason of delays or hindrances by the City in the performance of its obligations under this Agreement.

7.06 Early Termination

In addition to termination for default, the City may, at any time, elect to terminate this Agreement or any portion of the Services to be performed under it at the sole discretion of the Commissioner by a written notice to the Contractor. If the City elects to terminate the Agreement in full, all Services shall cease and all materials accumulated in performing this Agreement, whether completed or in the process of completion, shall be delivered to the Department within 10 days after receipt of the notice or by the date stated in the notice.

During the final ten days or other time period stated in the notice, the Contractor shall restrict its activities, and those of its Subcontractors, to winding down any reports, analyses, or other activities previously begun. No costs incurred after the effective date of the termination are allowed. Payment for any Services actually and satisfactorily performed before the effective date of the termination shall be on the same basis as set forth in Article 5 hereof, but if any compensation is described or provided for on the basis of a period longer than ten days, then the compensation shall be prorated accordingly.

If a court of competent jurisdiction determines that the City's election to terminate this Agreement for default has been wrongful, then such termination shall be deemed to be an early termination.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

- (A) they are each other's sole domestic partner, responsible for each other's common welfare; and
- (B) neither party is married, as marriage is defined under Illinois law; and
- (C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and
- (D) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
- (E) two of the following four conditions exist for the partners:
 - 1. The partners have been residing together for at least 12 months.
 - 2. The partners have common or joint ownership of a residence.

The failure of the City to obtain certificates or other insurance evidence from Contractor is not a waiver by the City of any requirements for the Contractor to obtain and maintain the specified coverages. Nonconforming insurance does not relieve Contractor of the obligation to provide insurance as specified in this Agreement. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to suspend this Agreement until proper evidence of insurance is provided, or the Agreement may be terminated.

The insurance must provide for 60 days prior written notice to be given to the City in the event coverage is substantially changed, canceled or non-renewed.

Any insurance or self-insurance programs maintained by the City of Chicago do not contribute with insurance provided by Contractor under this Agreement.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

If Contractor is a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

Rider attached to this Contractor's Performance and Payment Bond reads as follows:

Rider
(To Contractor's Performance And Payment Bond)

This Rider supplements Contractor's Performance and Payment Bond ("Bond") on that certain contract with the City of Chicago ("City") bearing Contract Number ____ and Specification Number ____ ("Contract"). Surety acknowledges that the Contract requires Contractor to obtain from each of its subcontractors consent to a collateral assignment of their contracts with Contractor to the City. The Contract further grants the City the right, upon Contractor's default for failure to comply with Chapter 4-36 of the Municipal Code of the City, and at the City's sole option, to take over and complete the work to be performed by Contractor through the City's assumption of some or all of Contractor's subcontracts. If the City, in its sole discretion, exercises this right, then Surety waives any rights it may have to cure Contractor's default by performing the work itself or through others and remains bound by its other obligations under the Bond.

Special Service Area -- Additional Audit Requirements.

Accounting System.

The Department requires that the Contractor maintain its accounting system in a manner which allows the Contractor's expenditures to be categorized in its statement of activities according to the categories listed in the budget approved by the City for each Area.

Guidance For The Contractor's Selection Of A CPA Firm (Independent Auditor).

The Contractor must use the following guidelines for engaging a qualified CPA Firm:

1. Issue a Request for Proposal ("RFP") that sets forth all of the terms and conditions of the engagement, evaluation criteria and scope of the work required.
2. Distribute and publicize the RFP sufficiently to ensure full and open competition.
3. Request in the RFP that bidders provide detail on:
 - a. How the CPA Firm will conduct the audit in the first and subsequent years.
 - b. Qualifications of the CPA Firm, management and staff, including experience in auditing like entities.
 - c. Policies on notification of changes in key personnel.
 - d. Whether the proposed staff has received continuing professional education during the previous two years.
 - e. Whether the CPA Firm has received a positive peer review within the last three years.
 - f. Whether the CPA Firm is independent, as defined by applicable auditing standards.
 - g. Whether the CPA Firm has been the object of any disciplinary action during the past three three years.
 - h. Whether the CPA Firm maintains an active license in the State of Illinois.
 - i. The audit fee.
4. Evaluate the proposals based on:
 - a. The CPA Firm's understanding of the audit requirements, including the needs of the Area and the final products to be delivered.

- b. Soundness of technical approach to the audit, including the meeting of the Contractor's specific deadlines and other requirements.
 - c. Qualifications of the CPA Firm.
 - d. Qualifications of the audit team.
 - e. The information provided by respondents in response to the RFP, including cost and independence.
5. Rate the proposals as follows:
- a. Proposals should be evaluated as submitted.
 - b. Make a list of strengths and weaknesses for each to support its technical rating.
 - c. Review the proposed fees offered by the bidders after completion of the technical evaluation.
 - d. Ask questions of the bidders to eliminate any ambiguities.
 - e. Select a proposal that is most advantageous to the Area based on the evaluation criteria set forth in the RFP.
6. Once a CPA Firm is chosen based upon the foregoing criteria, require a written engagement letter to avoid misunderstandings that specifies:
- a. Audit scope, objectives and purposes.
 - b. Deadlines for the work to be performed.
 - c. Audit fees.
 - d. Report format, including providing a digital version of the final audit.
 - e. Type and timing of support to be provided to the CPA Firm by the SSAC.
 - f. Professional auditing standards to be followed in performing the audit.
 - g. Independence of the CPA Firm to the SSAC.
 - h. Terms of making changes to the scope of the Agreement.
 - i. CPA Firm's ownership of the work papers, retention period and requirement for availability to the City upon request.

Summary Schedule Of Findings.

In order to properly conduct the certified audit of the books and records of the Contractor, it is necessary for the CPA Firm to read and understand the requirements contained in the Agreement. Particular attention should be given to Sections 3 and 5 of the Agreement.

The CPA Firm must test the Contractor's compliance with the requirements contained in the Agreement. Should the CPA Firm find exception to the requirements of the Agreement, it must disclose all exceptions in a separate schedule, which shall be entitled "Summary Schedule of Findings". Each finding shall be listed separately. The schedule shall be incorporated with the other required financial statements.

If the CPA Firm finds no exceptions to the Agreement requirements, it shall still include a "Summary Schedule of Findings". On that schedule the CPA Firm shall make an affirmative statement indicating it has read the Agreement and, after conducting the audit, has determined that no exceptions were noted.

Subsections to note in Section 5 include:

- a. Section 5.01, Basis of Payment, describes "carry over" as the amount of Service Tax Funds collected for prior tax years which remain previously unspent.
- b. Section 5.02, Budget for Services, restricts the maximum amount that may be spent in a calendar year to the amount stated in the Agreement.
- c. Section 5.03, Method of Payment, states that the Contractor shall establish a separate checking account and that Area funds shall not be commingled with other sources.

Audit Of Financial Statements.

As discussed in Section 3.07, "Records and Audits", the Contractor shall provide an annual audited financial statement to the Department and SSAC within 120 calendar days after the end of the calendar year and the system of accounting shall be in accordance with generally accepted accounting principles and practices, consistently applied throughout.

Audit Documents.

The City requires an audit conducted in accordance with generally accepted accounting principles to include the following documents:

1. Statement of Financial Position.
2. Statement of Activities: Budget and Actual (period being audited compared to the previous year, e.g., columns should be 2004 Budget, 2004 Actual, Variance, 2003 Budget, 2003 Actual, Variance).
3. Statement of Cash Flows.
4. Notes to the Financial Statements.
5. Summary Schedule of Findings.

Expense descriptions included in the Statement of Activities must correspond to the expense descriptions in the budget submitted to the City.

The SSAC reserves the right to require the Contractor to perform revised services that are within the general scope of services of this Agreement and of the Special Services identified in the Establishment Ordinance subject to the same terms and conditions herein. Revised services are limited to changes or revisions to the line items in the Budget, do not affect the maximum compensation and require the prior written approval of the SSAC. The SSAC may, by written notice to the Department and the Contractor, delete or amend the figures contained and described in the Budget attached hereto as Exhibit 2 and incorporated by reference as if fully set forth herein. The Contractor shall provide the Services in accordance with the standards of performance set forth in Section 3.02.

If the SSAC determines that the Contractor has failed to comply with the foregoing standards, the Contractor shall perform again, at its own expense, all Services required to be reperformed as a direct or indirect result of such failure. Any review, approval, acceptance or payment for any or all of the Services by the City does not relieve the Contractor of its responsibility for the professional and technical accuracy of its Services. This provision in no way limits the City's rights against Contractor, either under this Agreement, at law or in equity.

3.06 Indemnification

A. On written notice from the City of Losses the City believes are Losses Arising under this Agreement as defined in this Section 3.06, the Contractor shall defend, indemnify, and hold completely harmless the City Indemnitees from and against such Losses, regardless of whether Contractor challenges the City's belief. The defense, indemnification and hold harmless obligations of the Contractor toward City Indemnitees remain an affirmative obligation of Contractor following the City's notice of Losses the City believes are Losses Arising under this Agreement, unless and until a court of competent jurisdiction finally determines otherwise and all opportunities for appeal have been exhausted or have lapsed.

B. For purposes of this Section 3.06,

"City Indemnitees" means, individually and collectively, the City of Chicago, its officials, agents, employees and SSAC members.

"Losses" means, individually and collectively, all kinds of liabilities, losses, suits, claims, damages, judgments, fines, and demands, including all reasonable costs for investigation, reasonable attorneys' fees, court costs, and experts' fees, arising by reason of injury or death of any person, damage to property, patent or copyright infringement.

C. To the extent permissible by law, Contractor waives any limits on Contractor's liability that it would otherwise have by virtue of the Worker's Compensation Act or any other related law or judicial decision (such as *Kotecki v. Cyclops Welding Corporation*, 146 Ill. 2d 155 (1991)). The City, however, does not waive any limitations it may have on its liability under the Worker's Compensation Act or under the Illinois Pension Code.

D. The City has the right, at its option and at its own expense, to participate in the defense of any suit without relieving Contractor of any of its obligations under this indemnity provision. The requirements set forth in this indemnity provision are separate from and not limited by the amount of insurance Contractor is required to obtain under this Agreement or by its bonds pursuant to other provisions in this Agreement. Further, the indemnitees contained in this provision survive the expiration or termination of this Agreement.

3.07 Records and Audits

The Contractor shall deliver or cause to be delivered all documents, data, studies, reports, findings or information to the SSAC promptly in accordance with the time limits prescribed herein and if no time limit is specified, then upon reasonable demand therefore, or upon termination or completion of the Services hereunder.

The Contractor agrees to adopt at its own expense such financial controls, including, without limitation, the employment of a fiscal agent approved by the Commissioner, as determined by the Commissioner in his sole discretion and communicated in writing to the Contractor after the date of execution of this Agreement, to ensure that the Contractor is fulfilling the terms of this Agreement.

The Contractor and any Subcontractors shall furnish the SSAC with semi-annual reports or provide such information as may be requested relative to the performance and cost of the Services. The Contractor shall maintain records showing actual time devoted and costs incurred. The Contractor shall keep books, documents, paper, records and accounts in connection with the Services open to inspection, copying, abstracting, transcription, and an independent audit by City employees or agents or third parties, and shall make these records available to the City and any other interested governmental agency at reasonable times during the performance of its Services. In addition, Contractor shall retain them in a safe place and make them available for an independent audit, inspection, copying and abstracting for at least five years after the final payment made in connection with this Agreement.

THE CONTRACTOR SHALL NOT COMMINGLE SERVICE TAX FUNDS WITH FUNDS FROM OTHER SOURCES, and to the extent that the Contractor conducts any business operations separate and apart from the Services hereunder using, for example, personnel, equipment, supplies or facilities also used in connection with this Agreement, then the Contractor shall maintain and make similarly available to the City detailed records supporting the Contractor's allocation to this Agreement of the costs and expenses attributable to any such shared usages.

The Contractor shall provide an annual audited financial statement (a "Third Party Audit") to the Department and the SSAC within 120 calendar days after the end of the calendar year, and the system of accounting shall be in accordance with generally accepted accounting principles and practices, consistently applied throughout. Contractor must comply with the requirements in Exhibit 9 with respect to any Third Party Audit. If any Third Party Audit shows that Contractor or any of its Subcontractors has overcharged the City in any period, the City will

notify Contractor, and Contractor must then promptly reimburse the City for any amounts the City has paid Contractor due to the overcharges. Any failure to comply with the audit requirements set forth in Exhibit 9 of the Agreement shall constitute an event of default under the Agreement. If such event of default is not corrected to the City's satisfaction within the cure period identified by the City, the City may incur costs to conduct any supplementary audit it deems necessary, and Contractor must then promptly reimburse the City for any such costs. No provision in this Agreement granting the City a right of access to records and documents is intended to impair, limit or affect any right of access to such records and documents that the City would have had in the absence of such provisions.

The City may in its sole discretion audit the records of Contractor or its Subcontractors, or both, at any time during the term of this Agreement or within five years after the Agreement ends, in connection with the goods, work, or services provided under this Agreement. Each calendar year or partial calendar year is considered an "audited period." If, as a result of such an audit, it is determined that Contractor or any of its Subcontractors has overcharged the City in the audited period, the City will notify Contractor. Contractor must then promptly reimburse the City for any amounts the City has paid Contractor due to the overcharges and also some or all of the cost of the audit, as follows:

A. If the audit has revealed overcharges to the City representing less than 5% of the total value, based on the Agreement prices, of the goods, work, or services provided in the audited period, then the Contractor must reimburse the City for 50% of the cost of the audit and 50% of the cost of each subsequent audit that the City conducts;

B. If, however, the audit has revealed overcharges to the City representing 5% or more of the total value, based on the Agreement prices, of the goods, work, or services provided in the audited period, then Contractor must reimburse the City for the full cost of the audit and of each subsequent audit.

If the City is unable to make a determination regarding overcharges to City as a result of Contractor's not having maintained records as required under this Agreement, Contractor must promptly reimburse the City for some or all of the cost of the audit, as determined in the sole discretion of the City. Failure of Contractor to promptly reimburse the City in accordance with this Section 3.07 is an event of default under Section 7.01 of this Agreement, and Contractor will be liable for all of the City's costs of collection, including any court costs and attorneys' fees.

3.08 Subcontracts and Assignments

The Contractor shall not assign, delegate, subcontract or otherwise transfer all or any part of its rights or obligations under this Agreement or any part hereof, unless otherwise provided for herein or without the express written consent of the SSAC. The absence of such provision or written consent shall void the attempted assignment, delegation or transfer and shall be of no effect as to the Services or this Agreement.

All subcontracts, all approvals of Subcontractors and any assignment to which the SSAC consents are, regardless of their form, deemed conditioned upon performance by the Subcontractor or assignee in accordance with the terms and conditions of this Agreement.

If the Contractor subcontracts for security services, the Subcontractor shall be a Security Firm certified by the State of Illinois and the Security Firm's employees shall be licensed by the State of Illinois. The Contractor, upon entering into any subcontract with a Security Firm, shall furnish the SSAC and the Department with a copy of the subcontract for their approval. The City expressly reserves the right to approve all Security Firm subcontracts.

3.09 License, Permits and Safety Considerations

A. Licenses and Permits

If the Contractor engages in Construction, it is responsible for and, in a timely manner consistent with its obligations hereunder, shall secure and maintain at its expense such permits, licenses, authorizations and approvals as are necessary for it to engage Construction under this Agreement.

B. Safety Considerations

If the Contractor engages in Construction, it shall at all times exercise reasonable care, shall comply with all applicable provisions of federal, state and local laws to prevent accidents or injuries, and shall take all appropriate precautions to avoid damage to and loss of City property and the property of third parties in connection with the Construction. The Contractor shall erect and properly maintain at all times all necessary safeguards, barriers, flags and lights for the protection of its and its Subcontractors' employees, City employees and the public.

If the Contractor engages in Construction, it shall report to the Department any damage on, about, under or adjacent to City property or the property of third persons resulting from its performance under this Agreement. The Contractor is responsible for any damage to City property and the property of third parties due, in whole or in part, to the Contractor's Construction activities under this Agreement, and the Contractor shall repair such damage to a reasonably acceptable standard.

3.10 Performance Bond

If the Contractor engages in Construction work where expenditures exceed \$100,000, it shall, not later than the date the Contractor begins such work or executes a subcontract for such work, provide or cause to be provided to the Department a performance and payment bond in the amount allocated for the Construction work (but not including the amount allocated for design and preparation of specifications), by a surety or sureties acceptable to the City. The performance bond shall be in the form and to the effect of Exhibit 7 hereto, which is incorporated by reference as if fully set forth here.

If any of the sureties on such bond at any time fail financially, or are deemed to be insufficient security for the penalty of the bond, then the City may, on giving 10 days notice thereof in writing, require the Contractor to furnish a new and additional bond with sureties satisfactory to the City, and, if so required, Contractor must promptly provide such bond.

ARTICLE 4 TERM OF SERVICES

This Agreement shall take effect as of January 1, 2011 ("Effective Date") and shall continue through December 31, 2011, or until the Agreement is terminated earlier in accordance with its terms.

ARTICLE 5 COMPENSATION

5.01 Basis of Payment

The maximum compensation that the Contractor may be paid under this Agreement between January 1, 2011 and December 31, 2011 is the sum of (a) \$815,950 or the total amount of Service Tax Funds actually collected for tax year 2010, whichever is less; and (b) the total amount of Surplus Funds in the amount of \$16,000 which are being carried over from previous program years and which the Contractor hereby acknowledges are in its possession; the maximum compensation that the Contractor may be paid under this Agreement between January 1 2011 and December 31, 2011, therefore, shall not exceed \$831,950.

For each subsequent year of this Agreement, if any, the maximum compensation that the Contractor may be paid under this Agreement is the amount set forth in the Budget for that year, pursuant to Section 5.02 and 8.03, or the amount of Service Tax Funds actually collected for the preceding tax year, whichever is less; provided that the maximum amount of compensation for such year of this Agreement may also include the amount of Service Tax Funds collected for prior tax years which remain previously unspent.

5.02 Budget for Services

The Contractor in conjunction with the SSAC has prepared a Budget through December 31, 2011, attached hereto as Exhibit 2 and incorporated by reference as if fully set forth here, covering all services described in the Scope of Services. Subject to the restriction that the maximum amount that may be spent in calendar year 2011 may not exceed \$831,950, the SSAC reserves the right to transfer funds between line items or make Budget revisions that do not affect the maximum compensation set forth in Section 5.01. The SSAC shall revise the Budget if any part of the Contractor's Services is terminated.

For each subsequent year of this Agreement, if any, and subject to the provisions of Section 3.01, a Budget for that year shall be incorporated into this Agreement by written amendment pursuant to Section 8.03.

5.03 Method of Payment

Pursuant to a schedule to be determined by the Commissioner, after the performance of Services pursuant to the terms of this Agreement, Contractor may submit invoices to the City to request reimbursement for such expenses. The Contractor must provide, along with the invoices, such additional documentation as the Commissioner requests to substantiate the Services. Upon the Commissioner's determination that the invoices are accurate, the City will process payment of the invoices.

The Contractor shall establish a separate checking account ("Account") in a bank authorized to do business in the State of Illinois that is insured by the Federal Deposit Insurance Corporation. All Service Tax Funds that the Comptroller transfers to the Contractor shall be deposited in the Account and disbursements from the Account shall be pursuant to this Agreement. THE CONTRACTOR SHALL NOT COMMINGLE SERVICE TAX FUNDS WITH FUNDS FROM OTHER SOURCES. The Contractor shall provide to the SSAC the signature card and sample check from the bank which shows the signature(s) of the Contractor's authorized representative(s). The SSAC reserves the right to audit the account and require the Contractor to refund any funds that were not spent pursuant to the Budget or that were not approved by the SSAC. The name and address of the bank is _____ and the wire transfer and the Account numbers are _____.

All funds remaining in the Account at the expiration or early termination of this Agreement, including any interest earned, belong to the City for the benefit of the Area and shall be returned to the City to be used only for Special Services.

5.04 Criteria for Payment

The SSAC shall determine the reasonableness, allocability and allowability of any rates, costs and expenses charged or incurred by the Contractor.

5.05 Funding

Payments under this Agreement shall be made from Service Tax Funds in fund number _____ and are subject to the availability of funds therein.

5.06 Non-Appropriation

In the event that no funds or insufficient funds are appropriated and budgeted in any City fiscal period for payments to be made under this Agreement, then the City will notify the Contractor of such occurrence and this Agreement shall terminate on the earlier of the last day of the fiscal period for which sufficient appropriation was made or whenever the funds

appropriated for payment under this Agreement are exhausted. No payments shall be made or due to the Contractor under this Agreement beyond those amounts appropriated and budgeted by the City to fund payments hereunder.

ARTICLE 6 SPECIAL CONDITIONS

6.01 Warranties and Representations

In connection with the execution of this Agreement, the Contractor warrants and represents:

A. That it is financially solvent; that it and each of its employees, agents, and Subcontractors are competent to perform the Services required; that it is legally authorized to execute and perform or cause to be performed this Agreement under the terms and conditions stated herein; and

B. That it shall not knowingly use the services of any ineligible Subcontractor for any purpose in the performance of the Services; and

C. That it and its Subcontractors are not in default at the time of the execution of this Agreement, or deemed by the Department to have, within five years immediately preceding the date of this Agreement, been found to be in default on any contract awarded by the City; and

D. That it and, to the best of its knowledge, its Subcontractors are not in violation of the provisions of § 2-92-320 of the Municipal Code of Chicago, 720 ILCS 5/33E-1 et seq. of the Criminal Code of 1961, and 65 ILCS 5/11-42.1-1 of the Illinois Municipal Code; and

E. That it, all Subcontractors and their respective officers, directors, agents, partners, and employees shall cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code of Chicago; that it understands and will abide by all provisions of Chapter 2-56 of the Municipal Code of Chicago and all subcontracts shall inform Subcontractors of such provision and require understanding and compliance therewith; and

F. That, except only for those representations, statements or promises expressly contained in this Agreement and any exhibits attached hereto, no representation, statement or promise, oral or written, or of any kind whatsoever, by the City, its officials, agents or employees, has induced the Contractor to enter into this Agreement; and

G. That the Contractor understands and agrees that any certification, affidavit or acknowledgment made under oath in connection with this Agreement is made under penalty of perjury and, if false, is also cause for termination for default.

H. That neither Contractor nor an Affiliate of Contractor (as defined below) appears on the Specially Designated Nationals List, the Denied Persons List, the unverified List, the Entity List or the Debarred List as maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury or by the Bureau of Industry and Security of the U.S. Department of Commerce (or their successors), or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment. "Affiliate of Contractor" means a person or entity that directly (or indirectly through one or more intermediaries) controls, is controlled by or is under common control with Contractor. A person or entity will be deemed to be controlled by another person or entity if it is controlled in any manner whatsoever that results in control in fact by that other person or entity (either acting individually or acting jointly or in concert with others) whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

I. Contractor understands and will abide by all provisions of Chapter 2-26 of the Municipal Code of the City of Chicago.

6.02 Economic Disclosure Statement and Affidavit

The Contractor has provided the City with an Economic Disclosure Statement (EDS) and Affidavit, "Familial Relationships with Elected City Officials and Department Heads," which is attached hereto as Exhibit 3 and incorporated by reference as if fully set forth herein. Contractor shall apprise the Department promptly of any changes in the information provided in the EDS by completing and submitting a revised EDS.

In addition, the Contractor shall provide the City with copies of its latest articles of incorporation, by-laws and resolutions, or partnership or joint venture agreement, as applicable, and evidence of its authority to do business in the State of Illinois, including without limitation, registrations of assumed names or limited partnerships and certifications of good standing with the Office of the Secretary of State of Illinois.

6.03 Conflict of Interest

Pursuant to Chapter 2-156 of the Municipal Code of Chicago, and 65 ILCS 5/3.1-55-10, no member of the governing body of the City or other unit of government, no other officer, employee, SSAC member, or agent of the City or other unit of government who exercises any functions or responsibilities in connection with the Services to which this Agreement or any related subcontract pertain, and no relative of any SSAC member shall have any personal economic or financial interest, directly or indirectly, in this Agreement or any such subcontract except to the extent that such benefits are provided equally to all residents and/or business owners in the Area. Furthermore, no SSAC member, relative of any SSAC member, City official, agent or employee shall be a Subcontractor, employee or shareholder of the Contractor or receive anything of value from the Contractor.

No member of or delegate to the Congress of the United States or the Illinois General Assembly and no alderman of the City or City employee shall be admitted to any share or part of this Agreement or to any financial benefit to arise from it. The Contractor acknowledges that any agreement entered into, negotiated or performed in violation of any of the provisions of Chapter 2-156 shall be voidable by the City.

The Contractor covenants that it, its officers, directors and employees, and the officers, directors and employees of each of its members if a joint venture, and Subcontractors presently have no financial interest and shall acquire no interest, direct or indirect, in the Services undertaken by the Contractor pursuant to the Agreement that would conflict in any manner or degree with the performance of the Services. The Contractor further covenants that in the performance of this Agreement no person having any such interest shall be employed. The Contractor agrees that if the Commissioner in his reasonable judgment determines that any of the Contractor's services for others conflict with the Services the Contractor is to provide for the City under this Agreement, the Contractor shall terminate such other services immediately upon request of the City.

6.04 Non-liability of Public Officials

No official, employee or agent of the City shall be charged personally by the Contractor, or by any assignee or Subcontractor of the Contractor, with any liability or expenses of defense or be held personally liable to them under any term or provision hereof, because of the City's execution or attempted execution hereof, or because of any breach hereof.

6.05 Independent Contractor

The Contractor shall perform under this Agreement as an independent contractor to the City and not as a representative, employee, agent or partner of the City.

6.06 Business Relationships with Elected Officials

Pursuant to Section 2-156-030(b) of the Municipal Code of the City of Chicago, it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected official has a business relationship, or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a business relationship. Violation of Section 2-156-030(b) by any elected official with respect to this Agreement is grounds for termination of this Agreement. The term business relationship is defined as set forth in Section 2-156-080 of the Municipal Code of Chicago.

Section 2-156-080 defines a "business relationship" as any contractual or other private business dealing of an official, or his or her spouse, or of any entity in which an official or his or her spouse has a financial interest, with a person or entity which entitles an official to

compensation or payment in the amount of \$2,500 or more in a calendar year; provided, however, a financial interest shall not include: (i) any ownership through purchase at fair market value or inheritance of less than one percent of the share of a corporation, or any corporate subsidiary, parent or affiliate thereof, regardless of the value of or dividends on such shares, if such shares are registered on a securities exchange pursuant to the Securities Exchange Act of 1934, as amended; (ii) the authorized compensation paid to an official or employee for his office or employment; (iii) any economic benefit provided equally to all residents of the City; (iv) a time or demand deposit in a financial institution; or (v) an endowment or insurance policy or annuity contract purchased from an insurance company. A "contractual or other private business dealing" shall not include any employment relationship of an official's spouse with an entity when such spouse has no discretion concerning or input relating to the relationship between that entity and the City.

6.07 Chicago "Living Wage" Ordinance

(a) Section 2-92-610 of the Municipal Code of Chicago provides for a living wage for certain categories of workers employed in the performance of City contracts, specifically non-City employed security guards, parking attendants, day laborers, home and health care workers, cashiers, elevator operators, custodial workers and clerical workers ("Covered Employees"). Accordingly, pursuant to Section 2-92-610 and regulations promulgated under it:

(i) If Contractor has 25 or more full-time employees, and

(ii) If at any time during the performance of this Agreement, Contractor and/or any Subcontractor or any other entity that provides any portion of the Services (collectively "Performing Parties") uses 25 or more full-time security guards, or any number of other full-time Covered Employees, then

(iii) Contractor must pay its Covered Employees, and must assure that all other Performing Parties pay their Covered Employees, not less than the minimum hourly rate as determined in accordance with this provision (the "Base Wage") for all Services performed under this Agreement.

(b) Contractor's obligation to pay, and to assure payment of, the Base Wage will begin at any time during the term of this Agreement when the conditions set forth in (a)(i) and (a)(ii) above are met, and will continue until the end of the term of this Agreement.

(c) As of July 1, 2010, the Base Wage is \$11.03, and each July 1 thereafter, the Base Wage will be adjusted, using the most recent federal poverty guidelines for a family of four as published annually by the U.S. Department of Health and Human Services, to constitute the following: the poverty guidelines for a family of four divided by 2000 hours or the current base

wage, whichever is higher. At all times during the term of this Agreement, Contractor and all other Performing Parties must pay the Base Wage (as adjusted in accordance with the above). If the payment of prevailing wages is required for Services done under this Agreement, and the prevailing wages for Covered Employees are higher than the Base Wage, then Contractor and all other Performing Parties must pay the prevailing wage rates.

(d) Contractor must include provisions in all subcontracts requiring its Subcontractors to pay the Base Wage to Covered Employees. Contractor agrees to provide the City with documentation acceptable to the Chief Procurement Officer demonstrating that all Covered Employees, whether employed by Contractor or by a Subcontractor, have been paid the Base Wage, upon the City's request for such documentation. The City may independently audit Contractor and/or Subcontractors to verify compliance with this section. Failure to comply with the requirements of this section will be an event of default under this Agreement, and further, failure to comply may result in ineligibility for any award of a City contract or subcontract for up to 3 years.

(e) Not-for-Profit Corporations: If Contractor is a corporation having federal tax-exempt status under Section 501(c)(3) of the Internal Revenue Code and is recognized under Illinois not-for-profit law, then the provisions of Sections (a) through (d) above do not apply.

6.08 Deemed Inclusion

Provisions required by law, ordinances, rules, regulations or executive orders to be inserted in this Agreement are deemed inserted in this Agreement whether or not they appear in this Agreement or, upon application by either party, this Agreement will be amended to make the insertion; however, in no event will the failure to insert the provisions before or after this Agreement is signed prevent its enforcement.

6.09 Environmental Warranties and Representations

In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Contractor warrants and represents that it, and to the best of its knowledge, its subcontractors have not violated and are not in violation of the following sections of the Code (collectively, the Waste Sections):

- 7-28-390 Dumping on public way;
- 7-28-440 Dumping on real estate without permit;
- 11-4-1410 Disposal in waters prohibited;
- 11-4-1420 Ballast tank, bilge tank or other discharge;
- 11-4-1450 Gas manufacturing residue;
- 11-4-1500 Treatment and disposal of solid or liquid waste;

11-4-1530 Compliance with rules and regulations required;
11-4-1550 Operational requirements; and
11-4-1560 Screening requirements.

During the period while this Agreement is executory, Contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Commissioner. Such breach and default entitles the City to all remedies under the Agreement, at law or in equity.

This section does not limit Contractor's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Agreement.

Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Agreement, and may further affect Contractor's eligibility for future contract awards.

6.10 EDS / Certification Regarding Suspension and Debarment

Contractor certifies, as further evidenced in the EDS attached as Exhibit 3, by its acceptance of this Agreement that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from participation in this transaction by any federal department or agency. Contractor further agrees by executing this Agreement that it will include this clause without modification in all lower tier transactions, solicitations, proposals, contracts and subcontracts. If Contractor or any lower tier participant is unable to certify to this statement, it must attach an explanation to the Agreement.

6.11 Ethics

(a) In addition to other warranties and representations, Contractor warrants that no payment, gratuity or offer of employment will be made in connection with this Agreement by or on behalf of any Subcontractors to Contractor or higher tier subcontractors or anyone associated with them, as an inducement for the award of a subcontract or order.

(b) Contractor further acknowledges that any Agreement entered into, negotiated or performed in violation of any of the provisions of Chapter 2-156 is voidable as to the City.

6.12 MacBride Ordinance

The City of Chicago through the passage of the MacBride Principles Ordinance seeks to promote fair and equal employment opportunities and labor practices for religious minorities in Northern Ireland and provide a better working environment for all citizens in Northern Ireland.

In accordance with Section 2-92-580 of the Municipal Code of the City of Chicago, if Contractor conducts any business operations in Northern Ireland, the Contractor must make all reasonable and good faith efforts to conduct any business operations in Northern Ireland in accordance with the MacBride Principles for Northern Ireland as defined in Illinois Public Act 85-1390 (1988 Ill. Laws 3220).

The provisions of this Section 6.12 do not apply to contracts for which the City receives funds administered by the United States Department of Transportation, except to the extent Congress has directed that the Department of Transportation not withhold funds from states and localities that choose to implement selective purchasing policies based on agreement to comply with the MacBride Principles for Northern Ireland, or to the extent that such funds are not otherwise withheld by the Department of Transportation.

6.13 Cooperation in Investigations

It is the duty of the Contractor and any bidder, proposer, subcontractor and every applicant for certification of eligibility for a City contract or program, and all officers, directors, agents, partners, and employees of the Contractor and any such bidder, proposer, subcontractor or such applicant to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code. Contractor represents that it understands and will abide by all provisions of Chapter 2-56 of the Municipal Code and that it will inform subcontractors of this provision and require their compliance.

It is the duty of the Contractor and any bidder, proposer, subcontractor and every applicant for certification of eligibility for a City contract or program, and all officers, directors, agents, partners, and employees of the Contractor and any such bidder, proposer, subcontractor or such applicant to cooperate with the Legislative Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-55 of the Municipal Code. Contractor represents that it understands and will abide by all provisions of Chapter 2-55 of the Municipal Code and that it will inform subcontractors of this provision and require their compliance.

ARTICLE 7 EVENTS OF DEFAULT, REMEDIES, TERMINATION, RIGHT TO OFFSET, SUSPENSION

7.01 Events of Default Defined

The following constitute events of default:

A. Any material misrepresentation, whether negligent or willful and whether in the Inducement or in the performance, made by Contractor to the City.

B. Contractor's material failure to perform any of its obligations under the Agreement including, but not limited to, the following:

- (1) failure to commence or ensure timely completion of the Services due to a reason or circumstance within Contractor's reasonable control;
- (2) failure to perform the Services in a manner satisfactory to the City;
- (3) failure to promptly re-perform within a reasonable time Services that were rejected as erroneous or unsatisfactory;
- (4) discontinuance of the Services for reasons within the Contractor's reasonable control;
- (5) failure to comply with a material term of this Agreement, including but not limited to the provisions concerning insurance and nondiscrimination; and
- (6) any other acts specifically and expressly stated in this Agreement as constituting an event of default.

C. The Contractor's default under any other agreement it may presently have or may enter into with the City during the life of this Agreement. The Contractor acknowledges and agrees that in the event of a default under this Agreement the City may also declare a default under any such other agreements.

7.02 Remedies

The occurrence of any event of default which the Contractor fails to cure within 14 calendar days after receipt of notice specifying such default or which, if such event of default cannot reasonably be cured within 14 calendar days after notice, the Contractor fails, in the sole opinion of the Commissioner, to commence and continue diligent efforts to cure, permits the City to declare the Contractor in default. Whether to declare the Contractor in default is within the sole discretion of the Commissioner. Written notification of the default, and any intention of the City to terminate the Agreement, shall be provided to Contractor and such decision is final and effective upon Contractor's receipt of such notice. Upon receipt of such notice, the Contractor must discontinue any services, unless otherwise directed in the notice, and deliver all materials accumulated in the performance of this Agreement, whether completed or in the process of completion, to the City. At such time the City may invoke any legal or equitable remedy available to it including, but not limited to, the following:

A. The right to take over and complete the Services or any part thereof as agent for and at the cost of the Contractor, either directly or through others. The Contractor shall have, in such event, the right to offset from such cost the amount it would have cost the City under the terms and conditions herein had the Contractor completed the Services.

- B. The right to terminate this Agreement as to any or all of the Services yet to be performed, effective at a time specified by the City.
- C. The right of specific performance, an injunction or any other appropriate equitable remedy.
- D. The right to money damages.
- E. The right to withhold all or any part of Contractor's compensation hereunder.
- F. The right to deem Contractor non-responsible in future contracts to be awarded by the City.

If the City considers it to be in its best interest, it may elect not to declare default or to terminate this Agreement. The parties acknowledge that this provision is solely for the benefit of the City and that if the City permits the Contractor to continue to provide the Services despite one or more events of default, the Contractor is in no way relieved of any of its responsibilities, duties or obligations under this Agreement nor does the City waive or relinquish any of its rights. No delay or omission to exercise any right accruing upon any event of default impairs any such right nor shall it be construed as a waiver of any event of default or acquiescence therein, and every such right may be exercised from time to time and as often as may be deemed expedient.

7.03 Right to Offset

The City reserves its rights under § 2-92-380 of the Municipal Code of Chicago and the Commissioner shall consult with the SSAC before exercising such rights.

7.04 Suspension

The City may at any time request that the Contractor suspend its Services, or any part thereof, by giving 15 days prior written notice to the Contractor or upon no notice in the event of emergency. No costs incurred after the effective date of such suspension shall be allowed. The Contractor shall promptly resume its performance upon written notice by the Department. The Budget may be revised pursuant to Section 5.02 to account for any additional costs or expenses actually incurred by the Contractor as a result of recommencing the Services.

7.05 No Damages for Delay

The Contractor agrees that it, its members, if a partnership or joint venture and its Subcontractors shall make no claims against the City for damages, charges, additional costs or hourly fees for costs incurred by reason of delays or hindrances by the City in the performance of its obligations under this Agreement.

7.06 Early Termination

In addition to termination for default, the City may, at any time, elect to terminate this Agreement or any portion of the Services to be performed under it at the sole discretion of the Commissioner by a written notice to the Contractor. If the City elects to terminate the Agreement in full, all Services shall cease and all materials accumulated in performing this Agreement, whether completed or in the process of completion, shall be delivered to the Department within 10 days after receipt of the notice or by the date stated in the notice.

During the final ten days or other time period stated in the notice, the Contractor shall restrict its activities, and those of its Subcontractors, to winding down any reports, analyses, or other activities previously begun. No costs incurred after the effective date of the termination are allowed. Payment for any Services actually and satisfactorily performed before the effective date of the termination shall be on the same basis as set forth in Article 5 hereof, but if any compensation is described or provided for on the basis of a period longer than ten days, then the compensation shall be prorated accordingly.

If a court of competent jurisdiction determines that the City's election to terminate this Agreement for default has been wrongful, then such termination shall be deemed to be an early termination.

ARTICLE 8 GENERAL CONDITIONS

8.01 Entire Agreement

B. The certifications, disclosures, and acknowledgments contained in this EDS will become part of any contract or other agreement between the Applicant and the City in connection with the Matter, whether procurement, City assistance, or other City action, and are material inducements to the City's execution of any contract or taking other action with respect to the Matter. The Disclosing Party understands that it must comply with all statutes, ordinances, and regulations on which this EDS is based.

C. The City's Governmental Ethics and Campaign Financing Ordinances, Chapters 2-156 and 2-164 of the Municipal Code, impose certain duties and obligations on persons or entities seeking City contracts, work, business, or transactions. D. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from Contractor is not a waiver by the City of any requirements for the Contractor to obtain and maintain the specified coverages. Contractor must advise all insurers of the Agreement provisions regarding insurance. Nonconforming insurance does not relieve Contractor of the obligation to provide insurance as specified in this Agreement. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to suspend this Agreement until proper evidence of insurance is provided, or the Agreement may be terminated.

The insurance must provide for 60 days prior written notice to be given to the City in the event coverage is substantially changed, canceled or non-renewed.

Any deductibles or self-insured retentions on referenced insurance coverages must be borne by Contractor.

Contractor hereby waives and agrees to require their insurers to waive their rights of subrogation against the City of Chicago, its employees, elected officials, agents or representatives.

The coverages and limits furnished by Contractor in no way limit the Contractor's liabilities and responsibilities specified within the Agreement or by law.

Any insurance or self-insurance programs maintained by the City of Chicago do not contribute with insurance provided by Contractor under this Agreement.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

If Contractor is a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

Contractor must require all Subcontractors to provide the insurance required in this Agreement, or Contractor may provide the coverages for Subcontractors. All Subcontractors are subject to the same insurance requirements of Contractor unless otherwise specified in this Agreement.

COOK COUNTY

TRUCK DRIVERS (WEST) - That part of the county West of Barrington Road.

The following list is considered as those days for which holiday rates of wages for work performed apply: New Years Day, Memorial/Decoration Day, Fourth of July, Labor Day, Veterans Day, Thanksgiving Day, Christmas Day. Generally, any of these holidays which fall on a Sunday is celebrated on the following Monday. This then makes work performed on that Monday payable at the appropriate overtime rate for holiday pay. Common practice in a given local may alter certain days of celebration such as the day after Thanksgiving for Veterans Day. If in doubt, please check with IDOL.

Rider
(To Contractor's Performance And Payment Bond)

This Rider supplements Contractor's Performance and Payment Bond ("Bond") on that certain contract with the City of Chicago ("City") bearing Contract Number ____ and Specification Number ____ ("Contract"). Surety acknowledges that the Contract requires Contractor to obtain from each of its subcontractors consent to a collateral assignment of their contracts with Contractor to the City. The Contract further grants the City the right, upon Contractor's default for failure to comply with Chapter 4-36 of the Municipal Code of the City, and at the City's sole option, to take over and complete the work to be performed by Contractor through the City's assumption of some or all of Contractor's subcontracts. If the City, in its sole discretion, exercises this right, then Surety waives any rights it may have to cure Contractor's default by performing the work itself or through others and remains bound by its other obligations under the Bond.

Special Service Area -- Additional Audit Requirements.

Accounting System.

The Department requires that the Contractor maintain its accounting system in a manner which allows the Contractor's expenditures to be categorized in its statement of activities according to the categories listed in the budget approved by the City for each Area.

Guidance For The Contractor's Selection Of A CPA Firm (Independent Auditor).

The Contractor must use the following guidelines for engaging a qualified CPA Firm:

1. Issue a Request for Proposal ("RFP") that sets forth all of the terms and conditions of the engagement, evaluation criteria and scope of the work required.
2. Distribute and publicize the RFP sufficiently to ensure full and open competition.
3. Request in the RFP that bidders provide detail on:
 - a. How the CPA Firm will conduct the audit in the first and subsequent years.
 - b. Qualifications of the CPA Firm, management and staff, including experience in auditing like entities.
 - c. Policies on notification of changes in key personnel.
 - d. Whether the proposed staff has received continuing professional education during the previous two years.
 - e. Whether the CPA Firm has received a positive peer review within the last three years.
 - f. Whether the CPA Firm is independent, as defined by applicable auditing standards.
 - g. Whether the CPA Firm has been the object of any disciplinary action during the past three years.
 - h. Whether the CPA Firm maintains an active license in the State of Illinois.
 - i. The audit fee.
4. Evaluate the proposals based on:
 - a. The CPA Firm's understanding of the audit requirements, including the needs of the Area and the final products to be delivered.
 - b. Soundness of technical approach to the audit, including the meeting of the Contractor's specific deadlines and other requirements.
 - c. Qualifications of the CPA Firm.
 - d. Qualifications of the audit team.
 - e. The information provided by respondents in response to the RFP including cost and independence.

5. Rate the proposals as follows:
 - a. Proposals should be evaluated as submitted.
 - b. Make a list of strengths and weaknesses for each to support its technical rating.
 - c. Review the proposed fees offered by the bidders after completion of the technical evaluation.
 - d. Ask questions of the bidders to eliminate any ambiguities.
 - e. Select a proposal that is most advantageous to the Area based on the evaluation criteria set forth in the RFP.
6. Once a CPA Firm is chosen based upon the foregoing criteria, require a written engagement letter to avoid misunderstandings that specifies:
 - a. Audit scope, objectives and purposes.
 - b. Deadlines for the work to be performed.
 - c. Audit fees.
 - d. Report format, including providing a digital version of the final audit.
 - e. Type and timing of support to be provided to the CPA Firm by the SSAC.
 - f. Professional auditing standards to be followed in performing the audit.
 - g. Independence of the CPA Firm to the SSAC.
 - h. Terms of making changes to the scope of the Agreement.
 - i. CPA Firm's ownership of the work papers, retention period and requirement for availability to the City upon request.

Summary Schedule Of Findings.

In order to properly conduct the certified audit of the books and records of the Contractor, it is necessary for the CPA Firm to read and understand the requirements contained in the Agreement. Particular attention should be given to Sections 3 and 5 of the Agreement.

The CPA Firm must test the Contractor's compliance with the requirements contained in the Agreement. Should the CPA Firm find exception to the requirements of the Agreement, it must disclose all exceptions in a separate schedule, which shall be entitled "Summary Schedule of Findings". Each finding shall be listed separately. The schedule shall be incorporated with the other required financial statements.

If the CPA Firm finds no exceptions to the Agreement requirements, it shall still include a "Summary Schedule of Findings". On that schedule the CPA Firm shall make an affirmative statement indicating it has read the Agreement and, after conducting the audit, has determined that no exceptions were noted.

Subsections to note in Section 5 include:

- a. Section 5.01, Basis of Payment, describes "carry over" as the amount of Service Tax Funds collected for prior tax years which remain previously unspent.
- b. Section 5.02, Budget for Services, restricts the maximum amount that may be spent in a calendar year to the amount stated in the Agreement.
- c. Section 5.03, Method of Payment, states that the Contractor shall establish a separate checking account and that Area funds shall not be commingled with other sources.

Audit Of Financial Statements.

As discussed in Section 3.07, "Records and Audits", the Contractor shall provide an annual audited financial statement to the Department and SSAC within 120 calendar days after the end of the calendar year and the system of accounting shall be in accordance with generally accepted accounting principles and practices, consistently applied throughout.

Audit Documents.

The City requires an audit conducted in accordance with generally accepted accounting principles to include the following documents:

1. Statement of Financial Position.
2. Statement of Activities: Budget and Actual (period being audited compared to the previous year, e.g., columns should be 2004 Budget, 2004 Actual, Variance, 2003 Budget, 2003 Actual, Variance).
3. Statement of Cash Flows.
4. Notes to the Financial Statements.
5. Summary Schedule of Findings.

Expense descriptions included in the Statement of Activities must correspond to the expense descriptions in the budget submitted to the City.

salaries and wages due all its employees performing Services under this Agreement unconditionally and at least once a month without deduction or rebate on any account, except only for such payroll deductions as are mandatory by law or are permitted under applicable law and regulations.

B. Prevailing Wages

If the Contractor engages in Construction, it shall comply, and shall cause all of its Subcontractors to comply by inserting appropriate provisions in their contracts, with 820 ILCS 130/0.01 et seq. regarding the payment of the general prevailing rate of hourly wage for all laborers, workers, and mechanics employed by or on behalf of the Contractor and all Subcontractors in connection with any and all Construction work. The prevailing rates of wages applicable at the time of execution of this Agreement are included in Exhibit 6 to this Agreement, which is incorporated by reference as though fully set forth herein.

C. Illinois Workers, Veterans Preference and Steel Products

If the Contractor engages in Construction, it shall comply, and shall cause all of its Subcontractors to comply by inserting appropriate provisions in their contracts, with the Employment of Illinois Workers on Public Works Act, 30 ILCS 570/0.01 et seq., the Veterans Preference Act, 330 ILCS 55/0.01 et seq., and the Steel Products Procurement Act, 35 ILCS 30/565/1 et seq.

3.04 Nondiscrimination

(a) Contractor

(i) Federal Requirements

Contractor must not engage in unlawful employment practices, such as (1) failing or refusing to hire or discharging any individual, or otherwise discriminating against any individual with respect to compensation or the terms, conditions or privileges of the individual's employment, because of the individual's race, color, religion, sex, age, handicap/disability or national origin; or (2) limiting, segregating or classifying Contractor's employees or applicants for employment in any way that would deprive or tend to deprive any individual of employment opportunities or otherwise adversely affect the individual's status as an employee, because of the individual's race, color, religion, sex, age, handicap/disability or national origin.

Contractor must comply with, and the procedures Contractor utilizes and the Services Contractor provides under this Agreement must comply with, the Civil Rights Act of 1964, 42 U.S.C. § 2000e et seq. (1981), as amended and the Civil Rights Act of 1991, P.L. 102-166. Attention is called to: Exec. Order No. 11246, 30 Fed. Reg. 12,319

(1965), reprinted in 42 U.S.C. § 2000e note, as amended by Exec. Order No. 11375, 32 Fed. Reg. 14,303 (1967) and by Exec. Order No. 12086, 43 Fed. Reg. 46,501 (1978); Age Discrimination Act, 42 U.S.C. §§ 6101-6106 (1981); Age Discrimination in Employment Act, 29 U.S.C. §§ 621-34; Rehabilitation Act of 1973, 29 U.S.C. §§ 793-794 (1981); Americans with Disabilities Act, 42 U.S.C. §12101 et seq.; 41 C.F.R. Part 60 et seq. (1990); and all other applicable federal statutes, regulations and other laws.

(ii) State Requirements

Contractor must comply with, and the procedures Contractor utilizes and the Services Contractor provides under this Agreement must comply with, the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq.(1990), as amended and any rules and regulations promulgated in accordance with it, including the Equal Employment Opportunity Clause, 44 Ill. Admin. Code § 750 Appendix A. Furthermore, Contractor must comply with the Public Works Employment Discrimination Act, 775 ILCS 10/0.01 et seq.(1990), as amended, and all other applicable state statutes, regulations and other laws.

(iii) City Requirements

Contractor must comply with, and the procedures Contractor utilizes and the Services Contractor provides under this Agreement must comply with, the Chicago Human Rights Ordinance, ch. 2-160, Section 2-160-010 et seq. of the Municipal Code of Chicago (1990), as amended, and all other applicable City ordinances and rules.

(b) Subcontractors

Contractor must incorporate all of this Section 3.04 by reference in all agreements entered into with any suppliers of materials, furnisher of services, Subcontractors of any tier, and labor organizations that furnish skilled, unskilled and craft union skilled labor, or that may provide any such materials, labor or services in connection with this Agreement. Further, Contractor must furnish and must cause each of its Subcontractor(s) to furnish such reports and information as requested by the federal, state and local agencies charged with enforcing such laws and regulations, including the Chicago Commission on Human Relations.

3.05 Insurance

The Contractor shall comply with the insurance provisions attached hereto as Exhibit 4 and incorporated by reference as if fully set forth herein, or such other insurance provisions as may be required in the reasonable judgment of the Risk Management Division. If the Contractor enters into a subcontract with a Security Firm such Security Firm shall comply with the insurance provisions attached hereto as Exhibit 5 and incorporated by reference as if fully set forth herein, or such other insurance provisions as may be required in the reasonable judgment of the Risk Management Division. If the Contractor subcontracts with a Subcontractor other than a Security Firm, such Subcontractor shall comply with the Contractor insurance provisions attached hereto as Exhibit 4.

The Risk Management Division may waive or reduce any of the insurance requirements set forth herein. In addition, the Risk Management Division will review each new Scope of Services which the SSAC, in consultation with the Contractor, prepares annually during the term of this Agreement pursuant to Section 3.01 and may, if it wishes, revise the insurance required herein.

3.06 Indemnification

A. On written notice from the City of Losses the City believes are Losses Arising under this Agreement as defined in this Section 3.06, the Contractor shall defend, indemnify, and hold completely harmless the City Indemnitees from and against such Losses, regardless of whether Contractor challenges the City's belief. The defense, indemnification and hold harmless obligations of the Contractor toward City Indemnitees remain an affirmative obligation of Contractor following the City's notice of Losses the City believes are Losses Arising under this Agreement, unless and until a court of competent jurisdiction finally determines otherwise and all opportunities for appeal have been exhausted or have lapsed.

B. For purposes of this Section 3.06,

"City Indemnitees" means, individually and collectively, the City of Chicago, its officials, agents, employees and SSAC members.

"Losses" means, individually and collectively, all kinds of liabilities, losses, suits, claims, damages, judgments, fines, and demands, including all reasonable costs for investigation, reasonable attorneys' fees, court costs, and experts' fees, arising by reason of injury or death of any person, damage to property, patent or copyright infringement.

"Arising under this Agreement" means (i) arising out of awarding this Agreement, (ii) arising out of the enforcement of this Agreement, including the enforcement of this indemnification provision; (iii) arising out of or in connection with Contractor's performance or non-performance of this Agreement (including the acts or omission of Contractor, its officers, agents, employees, consultants, subcontractors, licensees, or invitees), any breach by any of them of any warranty made under this Agreement, or any failure by any of them to meet any applicable standard of performance under this Agreement; or (iv) any combination of any of the foregoing.

C. To the extent permissible by law, Contractor waives any limits on Contractor's liability that it would otherwise have by virtue of the Worker's Compensation Act or any other related law or judicial decision (such as *Kotecki v. Cyclops Welding Corporation*, 146 Ill. 2d 155 (1991)). The City, however, does not waive any limitations it may have on its liability under the Worker's Compensation Act or under the Illinois Pension Code.

D. The City has the right, at its option and at its own expense, to participate in the defense of any suit without relieving Contractor of any of its obligations under this indemnity provision. The requirements set forth in this indemnity provision are separate from and not

limited by the amount of insurance Contractor is required to obtain under this Agreement or by its bonds pursuant to other provisions in this Agreement. Further, the indemnitees contained in this provision survive the expiration or termination of this Agreement.

3.07 Records and Audits

The Contractor shall deliver or cause to be delivered all documents, data, studies, reports, findings or information to the SSAC promptly in accordance with the time limits prescribed herein and if no time limit is specified, then upon reasonable demand therefore, or upon termination or completion of the Services hereunder.

The Contractor agrees to adopt at its own expense such financial controls, including, without limitation, the employment of a fiscal agent approved by the Commissioner, as determined by the Commissioner in his sole discretion and communicated in writing to the Contractor after the date of execution of this Agreement, to ensure that the Contractor is fulfilling the terms of this Agreement.

The Contractor and any Subcontractors shall furnish the SSAC with semi-annual reports or provide such information as may be requested relative to the performance and cost of the Services. The Contractor shall maintain records showing actual time devoted and costs incurred. The Contractor shall keep books, documents, paper, records and accounts in connection with the Services open to inspection, copying, abstracting, transcription, and an independent audit by City employees or agents or third parties, and shall make these records available to the City and any other interested governmental agency at reasonable times during the performance of its Services. In addition, Contractor shall retain them in a safe place and make them available for an independent audit, inspection, copying and abstracting for at least five years after the final payment made in connection with this Agreement.

THE CONTRACTOR SHALL NOT COMMINGLE SERVICE TAX FUNDS WITH FUNDS FROM OTHER SOURCES, and to the extent that the Contractor conducts any business operations separate and apart from the Services hereunder using, for example, personnel, equipment, supplies or facilities also used in connection with this Agreement, then the Contractor shall maintain and make similarly available to the City detailed records supporting the Contractor's allocation to this Agreement of the costs and expenses attributable to any such shared usages.

The Contractor shall provide an annual audited financial statement (a "Third Party Audit") to the Department and the SSAC within 120 calendar days after the end of the calendar year, and the system of accounting shall be in accordance with generally accepted accounting principles and practices, consistently applied throughout. Contractor must comply with the requirements in Exhibit 9 with respect to any Third Party Audit. If any Third Party Audit shows that Contractor or any of its Subcontractors has overcharged the City in any period, the City will notify Contractor, and Contractor must then promptly reimburse the City for any amounts the City has paid Contractor due to the overcharges. Any failure to comply with the audit requirements set forth in Exhibit 9 of the Agreement shall constitute an event of default under

the Agreement. If such event of default is not corrected to the City's satisfaction within the cure period identified by the City, the City may incur costs to conduct any supplementary audit it deems necessary, and Contractor must then promptly reimburse the City for any such costs. No provision in this Agreement granting the City a right of access to records and documents is intended to impair, limit or affect any right of access to such records and documents that the City would have had in the absence of such provisions.

The City may in its sole discretion audit the records of Contractor or its Subcontractors, or both, at any time during the term of this Agreement or within five years after the Agreement ends, in connection with the goods, work, or services provided under this Agreement. Each calendar year or partial calendar year is considered an "audited period." If, as a result of such an audit, it is determined that Contractor or any of its Subcontractors has overcharged the City in the audited period, the City will notify Contractor. Contractor must then promptly reimburse the City for any amounts the City has paid Contractor due to the overcharges and also some or all of the cost of the audit, as follows:

A. If the audit has revealed overcharges to the City representing less than 5% of the total value, based on the Agreement prices, of the goods, work, or services provided in the audited period, then the Contractor must reimburse the City for 50% of the cost of the audit and 50% of the cost of each subsequent audit that the City conducts;

B. If, however, the audit has revealed overcharges to the City representing 5% or more of the total value, based on the Agreement prices, of the goods, work, or services provided in the audited period, then Contractor must reimburse the City for the full cost of the audit and of each subsequent audit.

If the City is unable to make a determination regarding overcharges to City as a result of Contractor's not having maintained records as required under this Agreement, Contractor must promptly reimburse the City for some or all of the cost of the audit, as determined in the sole discretion of the City. Failure of Contractor to promptly reimburse the City in accordance with this Section 3.07 is an event of default under Section 7.01 of this Agreement, and Contractor will be liable for all of the City's costs of collection, including any court costs and attorneys' fees.

3.08 Subcontracts and Assignments

The Contractor shall not assign, delegate, subcontract or otherwise transfer all or any part of its rights or obligations under this Agreement or any part hereof, unless otherwise provided for herein or without the express written consent of the SSAC. The absence of such provision or written consent shall void the attempted assignment, delegation or transfer and shall be of no effect as to the Services or this Agreement.

All subcontracts, all approvals of Subcontractors and any assignment to which the SSAC consents are, regardless of their form, deemed conditioned upon performance by the Subcontractor or assignee in accordance with the terms and conditions of this Agreement.

If the Contractor subcontracts for security services, the Subcontractor shall be a Security Firm certified by the State of Illinois and the Security Firm's employees shall be licensed by the State of Illinois. The Contractor, upon entering into any subcontract with a Security Firm, shall furnish the SSAC and the Department with a copy of the subcontract for their approval. The City expressly reserves the right to approve all Security Firm subcontracts.

3.09 License, Permits and Safety Considerations

A. Licenses and Permits

If the Contractor engages in Construction, it is responsible for and, in a timely manner consistent with its obligations hereunder, shall secure and maintain at its expense such permits, licenses, authorizations and approvals as are necessary for it to engage Construction under this Agreement.

B. Safety Considerations

If the Contractor engages in Construction, it shall at all times exercise reasonable care, shall comply with all applicable provisions of federal, state and local laws to prevent accidents or injuries, and shall take all appropriate precautions to avoid damage to and loss of City property and the property of third parties in connection with the Construction. The Contractor shall erect and properly maintain at all times all necessary safeguards, barriers, flags and lights for the protection of its and its Subcontractors' employees, City employees and the public.

If the Contractor engages in Construction, it shall report to the Department any damage on, about, under or adjacent to City property or the property of third persons resulting from its performance under this Agreement. The Contractor is responsible for any damage to City property and the property of third parties due, in whole or in part, to the Contractor's Construction activities under this Agreement, and the Contractor shall repair such damage to a reasonably acceptable standard.

3.10 Performance Bond

If the Contractor engages in Construction work where expenditures exceed \$100,000, it shall, not later than the date the Contractor begins such work or executes a subcontract for such work, provide or cause to be provided to the Department a performance and payment bond in the amount allocated for the Construction work (but not including the amount allocated for design and preparation of specifications), by a surety or sureties acceptable to the City. The performance bond shall be in the form and to the effect of Exhibit 7 hereto, which is incorporated by reference as if fully set forth here.

If any of the sureties on such bond at any time fail financially, or are deemed to be insufficient security for the penalty of the bond, then the City may, on giving 10 days notice thereof in writing, require the Contractor to furnish a new and additional bond with sureties satisfactory to the City, and, if so required, Contractor must promptly provide such bond.

ARTICLE 4 TERM OF SERVICES

This Agreement shall take effect as of January 1, 2011 ("Effective Date") and shall continue through December 31, 2011, or until the Agreement is terminated earlier in accordance with its terms.

ARTICLE 5 COMPENSATION

5.01 Basis of Payment

The maximum compensation that the Contractor may be paid under this Agreement between January 1, 2011 and December 31, 2011 is the sum of (a) \$431,683 or the total amount of Service Tax Funds actually collected for tax year 2010, whichever is less; and (b) the total amount of Surplus Funds in the amount of \$29,500 which are being carried over from previous program years and which the Contractor hereby acknowledges are in its possession; the maximum compensation that the Contractor may be paid under this Agreement between January 1 2011 and December 31, 2011, therefore, shall not exceed \$461,183.

For each subsequent year of this Agreement, if any, the maximum compensation that the Contractor may be paid under this Agreement is the amount set forth in the Budget for that year, pursuant to Section 5.02 and 8.03, or the amount of Service Tax Funds actually collected for the preceding tax year, whichever is less; provided that the maximum amount of compensation for such year of this Agreement may also include the amount of Service Tax Funds collected for prior tax years which remain previously unspent.

5.02 Budget for Services

The Contractor in conjunction with the SSAC has prepared a Budget through December 31, 2011, attached hereto as Exhibit 2 and incorporated by reference as if fully set forth here, covering all services described in the Scope of Services. Subject to the restriction that the maximum amount that may be spent in calendar year 2011 may not exceed \$461,183, the SSAC reserves the right to transfer funds between line items or make Budget revisions that do not affect the maximum compensation set forth in Section 5.01. The SSAC shall revise the Budget if any part of the Contractor's Services is terminated.

For each subsequent year of this Agreement, if any, and subject to the provisions of Section 3.01, a Budget for that year shall be incorporated into this Agreement by written amendment pursuant to Section 8.03.

5.03 Method of Payment

Pursuant to a schedule to be determined by the Commissioner, after the performance of Services pursuant to the terms of this Agreement, Contractor may submit invoices to the City to request reimbursement for such expenses. The Contractor must provide, along with the invoices, such additional documentation as the Commissioner requests to substantiate the Services. Upon the Commissioner's determination that the invoices are accurate, the City will process payment of the invoices.

The Contractor shall establish a separate checking account ("Account") in a bank authorized to do business in the State of Illinois that is insured by the Federal Deposit Insurance Corporation. All Service Tax Funds that the Comptroller transfers to the Contractor shall be deposited in the Account and disbursements from the Account shall be pursuant to this Agreement. THE CONTRACTOR SHALL NOT COMMINGLE SERVICE TAX FUNDS WITH FUNDS FROM OTHER SOURCES. The Contractor shall provide to the SSAC the signature card and sample check from the bank which shows the signature(s) of the Contractor's authorized representative(s). The SSAC reserves the right to audit the account and require the Contractor to refund any funds that were not spent pursuant to the Budget or that were not approved by the SSAC. The name and address of the bank is _____ and the wire transfer and the Account numbers are _____.

All funds remaining in the Account at the expiration or early termination of this Agreement, including any interest earned, belong to the City for the benefit of the Area and shall be returned to the City to be used only for Special Services.

5.04 Criteria for Payment

The SSAC shall determine the reasonableness, allocability and allowability of any rates, costs and expenses charged or incurred by the Contractor.

5.05 Funding

Payments under this Agreement shall be made from Service Tax Funds in fund number _____ and are subject to the availability of funds therein.

5.06 Non-Appropriation

In the event that no funds or insufficient funds are appropriated and budgeted in any City fiscal period for payments to be made under this Agreement, then the City will notify the Contractor of such occurrence and this Agreement shall terminate on the earlier of the last day of the fiscal period for which sufficient appropriation was made or whenever the funds

appropriated for payment under this Agreement are exhausted. No payments shall be made or due to the Contractor under this Agreement beyond those amounts appropriated and budgeted by the City to fund payments hereunder.

ARTICLE 6 SPECIAL CONDITIONS

6.01 Warranties and Representations

In connection with the execution of this Agreement, the Contractor warrants and represents:

A. That it is financially solvent; that it and each of its employees, agents, and Subcontractors are competent to perform the Services required; that it is legally authorized to execute and perform or cause to be performed this Agreement under the terms and conditions stated herein; and

B. That it shall not knowingly use the services of any ineligible Subcontractor for any purpose in the performance of the Services; and

C. That it and its Subcontractors are not in default at the time of the execution of this Agreement, or deemed by the Department to have, within five years immediately preceding the date of this Agreement, been found to be in default on any contract awarded by the City; and

D. That it and, to the best of its knowledge, its Subcontractors are not in violation of the provisions of § 2-92-320 of the Municipal Code of Chicago, 720 ILCS 5/33E-1 et seq. of the Criminal Code of 1961, and 65 ILCS 5/11-42.1-1 of the Illinois Municipal Code; and

E. That it, all Subcontractors and their respective officers, directors, agents, partners, and employees shall cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code of Chicago; that it understands and will abide by all provisions of Chapter 2-56 of the Municipal Code of Chicago and all subcontracts shall inform Subcontractors of such provision and require understanding and compliance therewith; and

F. That, except only for those representations, statements or promises expressly contained in this Agreement and any exhibits attached hereto, no representation, statement or promise, oral or written, or of any kind whatsoever, by the City, its officials, agents or employees, has induced the Contractor to enter into this Agreement; and

G. That the Contractor understands and agrees that any certification, affidavit or acknowledgment made under oath in connection with this Agreement is made under penalty of perjury and, if false, is also cause for termination for default.

H. That neither Contractor nor an Affiliate of Contractor (as defined below) appears on the Specially Designated Nationals List, the Denied Persons List, the unverified List, the Entity List or the Debarred List as maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury or by the Bureau of Industry and Security of the U.S. Department of Commerce (or their successors), or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment. "Affiliate of Contractor" means a person or entity that directly (or indirectly through one or more intermediaries) controls, is controlled by or is under common control with Contractor. A person or entity will be deemed to be controlled by another person or entity if it is controlled in any manner whatsoever that results in control in fact by that other person or entity (either acting individually or acting jointly or in concert with others) whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

I. Contractor understands and will abide by all provisions of Chapter 2-26 of the Municipal Code of the City of Chicago.

6.02 Economic Disclosure Statement and Affidavit

The Contractor has provided the City with an Economic Disclosure Statement (EDS) and Affidavit, "Familial Relationships with Elected City Officials and Department Heads," which is attached hereto as Exhibit 3 and incorporated by reference as if fully set forth herein. Contractor shall apprise the Department promptly of any changes in the information provided in the EDS by completing and submitting a revised EDS.

In addition, the Contractor shall provide the City with copies of its latest articles of incorporation, by-laws and resolutions, or partnership or joint venture agreement, as applicable, and evidence of its authority to do business in the State of Illinois, including without limitation, registrations of assumed names or limited partnerships and certifications of good standing with the Office of the Secretary of State of Illinois.

6.03 Conflict of Interest

Pursuant to Chapter 2-156 of the Municipal Code of Chicago, and 65 ILCS 5/3.1-55-10, no member of the governing body of the City or other unit of government, no other officer, employee, SSAC member, or agent of the City or other unit of government who exercises any functions or responsibilities in connection with the Services to which this Agreement or any related subcontract pertain, and no relative of any SSAC member shall have any personal economic or financial interest, directly or indirectly, in this Agreement or any such subcontract except to the extent that such benefits are provided equally to all residents and/or business owners in the Area. Furthermore, no SSAC member, relative of any SSAC member, City official, agent or employee shall be a Subcontractor, employee or shareholder of the Contractor or receive anything of value from the Contractor.

No member of or delegate to the Congress of the United States or the Illinois General Assembly and no alderman of the City or City employee shall be admitted to any share or part of this Agreement or to any financial benefit to arise from it. The Contractor acknowledges that any agreement entered into, negotiated or performed in violation of any of the provisions of Chapter 2-156 shall be voidable by the City.

The Contractor covenants that it, its officers, directors and employees, and the officers, directors and employees of each of its members if a joint venture, and Subcontractors presently have no financial interest and shall acquire no interest, direct or indirect, in the Services undertaken by the Contractor pursuant to the Agreement that would conflict in any manner or degree with the performance of the Services. The Contractor further covenants that in the performance of this Agreement no person having any such interest shall be employed. The Contractor agrees that if the Commissioner in his reasonable judgment determines that any of the Contractor's services for others conflict with the Services the Contractor is to provide for the City under this Agreement, the Contractor shall terminate such other services immediately upon request of the City.

6.04 Non-liability of Public Officials

No official, employee or agent of the City shall be charged personally by the Contractor, or by any assignee or Subcontractor of the Contractor, with any liability or expenses of defense or be held personally liable to them under any term or provision hereof, because of the City's execution or attempted execution hereof, or because of any breach hereof.

6.05 Independent Contractor

The Contractor shall perform under this Agreement as an independent contractor to the City and not as a representative, employee, agent or partner of the City.

6.06 Business Relationships with Elected Officials

Pursuant to Section 2-156-030(b) of the Municipal Code of the City of Chicago, it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected official has a business relationship, or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a business relationship. Violation of Section 2-156-030(b) by any elected official with respect to this Agreement is grounds for termination of this Agreement. The term business relationship is defined as set forth in Section 2-156-080 of the Municipal Code of Chicago.

Section 2-156-080 defines a "business relationship" as any contractual or other private business dealing of an official, or his or her spouse, or of any entity in which an official or his or her spouse has a financial interest, with a person or entity which entitles an official to compensation or payment in the amount of \$2,500 or more in a calendar year; provided,

however, a financial interest shall not include: (i) any ownership through purchase at fair market value or inheritance of less than one percent of the share of a corporation, or any corporate subsidiary, parent or affiliate thereof, regardless of the value of or dividends on such shares, if such shares are registered on a securities exchange pursuant to the Securities Exchange Act of 1934, as amended; (ii) the authorized compensation paid to an official or employee for his office or employment; (iii) any economic benefit provided equally to all residents of the City; (iv) a time or demand deposit in a financial institution; or (v) an endowment or insurance policy or annuity contract purchased from an insurance company. A "contractual or other private business dealing" shall not include any employment relationship of an official's spouse with an entity when such spouse has no discretion concerning or input relating to the relationship between that entity and the City.

6.07 Chicago "Living Wage" Ordinance

(a) Section 2-92-610 of the Municipal Code of Chicago provides for a living wage for certain categories of workers employed in the performance of City contracts, specifically non-City employed security guards, parking attendants, day laborers, home and health care workers, cashiers, elevator operators, custodial workers and clerical workers ("Covered Employees"). Accordingly, pursuant to Section 2-92-610 and regulations promulgated under it:

(i) If Contractor has 25 or more full-time employees, and

(ii) If at any time during the performance of this Agreement, Contractor and/or any Subcontractor or any other entity that provides any portion of the Services (collectively "Performing Parties") uses 25 or more full-time security guards, or any number of other full-time Covered Employees, then

(iii) Contractor must pay its Covered Employees, and must assure that all other Performing Parties pay their Covered Employees, not less than the minimum hourly rate as determined in accordance with this provision (the "Base Wage") for all Services performed under this Agreement.

(b) Contractor's obligation to pay, and to assure payment of, the Base Wage will begin at any time during the term of this Agreement when the conditions set forth in (a)(i) and (a)(ii) above are met, and will continue until the end of the term of this Agreement.

(c) As of July 1, 2010, the Base Wage is \$11.03, and each July 1 thereafter, the Base Wage will be adjusted, using the most recent federal poverty guidelines for a family of four as published annually by the U.S. Department of Health and Human Services, to constitute the following: the poverty guidelines for a family of four divided by 2000 hours or the current base wage, whichever is higher. At all times during the term of this Agreement, Contractor and all other Performing Parties must pay the Base Wage (as adjusted in accordance with the above).

If the payment of prevailing wages is required for Services done under this Agreement, and the prevailing wages for Covered Employees are higher than the Base Wage, then Contractor and all other Performing Parties must pay the prevailing wage rates.

(d) Contractor must include provisions in all subcontracts requiring its Subcontractors to pay the Base Wage to Covered Employees. Contractor agrees to provide the City with documentation acceptable to the Chief Procurement Officer demonstrating that all Covered Employees, whether employed by Contractor or by a Subcontractor, have been paid the Base Wage, upon the City's request for such documentation. The City may independently audit Contractor and/or Subcontractors to verify compliance with this section. Failure to comply with the requirements of this section will be an event of default under this Agreement, and further, failure to comply may result in ineligibility for any award of a City contract or subcontract for up to 3 years.

(e) Not-for-Profit Corporations: If Contractor is a corporation having federal tax-exempt status under Section 501(c)(3) of the Internal Revenue Code and is recognized under Illinois not-for-profit law, then the provisions of Sections (a) through (d) above do not apply.

6.08 Deemed Inclusion

Provisions required by law, ordinances, rules, regulations or executive orders to be inserted in this Agreement are deemed inserted in this Agreement whether or not they appear in this Agreement or, upon application by either party, this Agreement will be amended to make the insertion; however, in no event will the failure to insert the provisions before or after this Agreement is signed prevent its enforcement.

6.09 Environmental Warranties and Representations

In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Contractor warrants and represents that it, and to the best of its knowledge, its subcontractors have not violated and are not in violation of the following sections of the Code (collectively, the Waste Sections):

- 7-28-390 Dumping on public way;
- 7-28-440 Dumping on real estate without permit;
- 11-4-1410 Disposal in waters prohibited;
- 11-4-1420 Ballast tank, bilge tank or other discharge;
- 11-4-1450 Gas manufacturing residue;
- 11-4-1500 Treatment and disposal of solid or liquid waste;
- 11-4-1530 Compliance with rules and regulations required;
- 11-4-1550 Operational requirements; and
- 11-4-1560 Screening requirements.

During the period while this Agreement is executory, Contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Commissioner. Such breach and default entitles the City to all remedies under the Agreement, at law or in equity.

This section does not limit Contractor's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Agreement.

Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Agreement, and may further affect Contractor's eligibility for future contract awards.

6.10 EDS / Certification Regarding Suspension and Debarment

Contractor certifies, as further evidenced in the EDS attached as Exhibit 3, by its acceptance of this Agreement that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from participation in this transaction by any federal department or agency. Contractor further agrees by executing this Agreement that it will include this clause without modification in all lower tier transactions, solicitations, proposals, contracts and subcontracts. If Contractor or any lower tier participant is unable to certify to this statement, it must attach an explanation to the Agreement.

(b) Contractor further acknowledges that any Agreement entered into, negotiated or performed in violation of any of the provisions of Chapter 2-156 is voidable as to the City.

6.12 MacBride Ordinance

The City of Chicago through the passage of the MacBride Principles Ordinance seeks to promote fair and equal employment opportunities and labor practices for religious minorities in Northern Ireland and provide a better working environment for all citizens in Northern Ireland.

In accordance with Section 2-92-580 of the Municipal Code of the City of Chicago, if Contractor conducts any business operations in Northern Ireland, the Contractor must make all reasonable and good faith efforts to conduct any business operations in Northern Ireland in accordance with the MacBride Principles for Northern Ireland as defined in Illinois Public Act 85-1390 (1988 Ill. The provisions of this Section 6.12 do not apply to contracts for which the City receives funds administered by the United States Department of Transportation, except to the extent Congress has directed that the Department of Transportation not withhold funds from states and localities that choose to implement selective purchasing policies based on agreement to comply with the MacBride Principles for Northern Ireland, or to the extent that such funds are not otherwise withheld by the Department of Transportation.

ARTICLE 7 EVENTS OF DEFAULT, REMEDIES, TERMINATION, RIGHT TO OFFSET, SUSPENSION

7.01 Events of Default Defined

The following constitute events of default:

A. Any material misrepresentation, whether negligent or willful and whether in the inducement or in the performance, made by Contractor to the City.

B. Contractor's material failure to perform any of its obligations under the Agreement including, but not limited to, the following:

(1) failure to commence or ensure timely completion of the Services due to a reason or circumstance within Contractor's reasonable control;

(2) failure to perform the Services in a manner satisfactory to the City;

(3) failure to promptly re-perform within a reasonable time Services that were rejected as erroneous or unsatisfactory;

(4) discontinuance of the Services for reasons within the Contractor's reasonable control;

(5) failure to comply with a material term of this Agreement, including but not limited to the provisions concerning insurance and nondiscrimination; and

(6) any other acts specifically and expressly stated in this Agreement as constituting an event of default.

C. The Contractor's default under any other agreement it may presently have or may enter into with the City during the life of this Agreement. The Contractor acknowledges and agrees that in the event of a default under this Agreement the City may also declare a default under any such other agreements.

7.02 Remedies

The occurrence of any event of default which the Contractor fails to cure within 14 calendar days after receipt of notice specifying such default or which, if such event of default cannot reasonably be cured within 14 calendar days after notice, the Contractor fails, in the sole opinion of the Commissioner, to commence and continue diligent efforts to cure, permits the City to declare the Contractor in default. Whether to declare the Contractor in default is within the sole discretion of the Commissioner. Written notification of the default, and any intention of the City to terminate the Agreement, shall be provided to Contractor and such decision is final and effective upon Contractor's receipt of such notice. Upon receipt of such notice, the Contractor must discontinue any services, unless otherwise directed in the notice, and deliver all materials accumulated in the performance of this Agreement, whether completed or in the process of completion, to the City. At such time the City may invoke any legal or equitable remedy available to it including, but not limited to, the following:

A. The right to take over and complete the Services or any part thereof as agent for and at the cost of the Contractor, either directly or through others. The Contractor shall have, in such event, the right to offset from such cost the amount it would have cost the City under the terms and conditions herein had the Contractor completed the Services.

B. The right to terminate this Agreement as to any or all of the Services yet to be performed, effective at a time specified by the City.

C. The right of specific performance, an injunction or any other appropriate equitable remedy.

D. The right to money damages.

- E. The right to withhold all or any part of Contractor's compensation hereunder.
- F. The right to deem Contractor non-responsible in future contracts to be awarded by the City.

If the City considers it to be in its best interest, it may elect not to declare default or to terminate this Agreement. The parties acknowledge that this provision is solely for the benefit of the City and that if the City permits the Contractor to continue to provide the Services despite one or more events of default, the Contractor is in no way relieved of any of its responsibilities, duties or obligations under this Agreement nor does the City waive or relinquish any of its rights. No delay or omission to exercise any right accruing upon any event of default impairs any such right nor shall it be construed as a waiver of any event of default or acquiescence therein, and every such right may be exercised from time to time and as often as may be deemed expedient.

7.03 Right to Offset

The City reserves its rights under § 2-92-380 of the Municipal Code of Chicago and the Commissioner shall consult with the SSAC before exercising such rights.

7.04 Suspension

The City may at any time request that the Contractor suspend its Services, or any part thereof, by giving 15 days prior written notice to the Contractor or upon no notice in the event of emergency. No costs incurred after the effective date of such suspension shall be allowed. The Contractor shall promptly resume its performance upon written notice by the Department. The Budget may be revised pursuant to Section 5.02 to account for any additional costs or expenses actually incurred by the Contractor as a result of recommencing the Services.

7.05 No Damages for Delay

The Contractor agrees that it, its members, if a partnership or joint venture and its Subcontractors shall make no claims against the City for damages, charges, additional costs or hourly fees for costs incurred by reason of delays or hindrances by the City in the performance of its obligations under this Agreement.

7.06 Early Termination

In addition to termination for default, the City may, at any time, elect to terminate this Agreement or any portion of the Services to be performed under it at the sole discretion of the Commissioner by a written notice to the Contractor. If the City elects to terminate the Agreement in full, all Services shall cease and all materials accumulated in performing this Agreement, whether completed or in the process of completion, shall be delivered to the Department within 10 days after receipt of the notice or by the date stated in the notice.

During the final ten days or other time period stated in the notice, the Contractor shall restrict its activities, and those of its Subcontractors, to winding down any reports, analyses, or other activities previously begun. No costs incurred after the effective date of the termination are allowed. Payment for any Services actually and satisfactorily performed before the effective date of the termination shall be on the same basis as set forth in Article 5 hereof, but if any compensation is described or provided for on the basis of a period longer than ten days, then the compensation shall be prorated accordingly.

If a court of competent jurisdiction determines that the City's election to terminate this Agreement for default has been wrongful, then such termination shall be deemed to be an early termination.

any other provision herein invalid, inoperative, or unenforceable to any extent. The invalidity of any one or more phrases, sentences, clauses or sections herein shall not effect the remaining portions of this Agreement or any part thereof.

8.10 Miscellaneous Provisions

Whenever under this Agreement the City by a proper authority waives the Contractor's performance in any respect or waives a requirement or condition to the Contractor's performance, the waiver, whether express or implied, applies only to that particular instance and is not a waiver forever or for subsequent instances of the performance, requirement or condition. No waiver shall be construed as a modification of the Agreement regardless of the number of times the City may have waived the performance, requirement or condition.

8.11 Disputes

Except as otherwise provided in this Agreement, Contractor must and the City may bring any dispute arising under this Agreement which is not resolved by the parties to the Chief Procurement Officer for decision based upon the written submissions of the parties. The sole and exclusive remedy to challenge the decision of the Chief Procurement Officer is judicial review by means of a common law writ of certiorari.

8.12 Contractor Affidavit

The Contractor must provide to the City, no later than thirty days after the end of each year, a fully executed and notarized Affidavit certifying the expenditures and Services provided for the prior year. The form of this affidavit is attached as Exhibit 8 and incorporated by reference.

In addition, the Disclosing Party must disclose the names of any and all slaves or slaveholders described in those records. B. The certifications, disclosures, and acknowledgments contained in this EDS will become part of any contract or other agreement between the Applicant and the City in connection with the Matter, whether procurement, City assistance, or other City action, and are material inducements to the City's execution of any contract or taking other action with respect to the Matter. The Disclosing Party understands that it must comply with all statutes, ordinances, and regulations on which this EDS is based.

C. The City's Governmental Ethics and Campaign Financing Ordinances, Chapters 2-156 and 2-164 of the Municipal Code, impose certain duties and obligations on persons or entities seeking City contracts, work, business, or transactions. Some or all of the information provided on this EDS and any attachments to this EDS may be made available to the public on the Internet, in response to a Freedom of Information Act request, or otherwise. By completing and signing this EDS, the Disclosing Party waives and releases any possible rights or claims which it may have against the City in connection with the public release of information contained in this EDS and also authorizes the City to verify the accuracy of any information submitted in this EDS.

F. The information provided in this EDS must be kept current. In the event of changes, the Disclosing Party must supplement this EDS up to the time the City takes action on the Matter. If the Matter is a contract being handled by the City's Department of Procurement Services, the Disclosing Party must update this EDS as the contract requires.

The Disclosing Party represents and warrants that:

G. The Disclosing Party has not withheld or reserved any disclosures as to economic interests in the Disclosing Party, or as to the Matter, or any information, data or plan as to the intended use or purpose for which the Applicant seeks City Council or other City agency action.

Special Service Area No. 10)

Special Service Area No. 10.

Contractor Insurance Provisions.

Contractor must provide and maintain at Contractor's own expense, during the term of the Agreement and time period following expiration if Contractor is required to return and perform

any of the Services or Additional Services under this Agreement, the insurance coverage and requirements specified below, insuring all operations related to the Agreement.

A. Insurance To Be Provided.

1) Workers' Compensation And Employer's Liability.

Workers' Compensation Insurance, as prescribed by applicable law, covering all employees who are to provide a service under this Agreement and Employer's Liability coverage with limits of not less than \$100,000 each accident, illness or disease.

2) Commercial General Liability (Primary And Umbrella).

Commercial General Liability Insurance or equivalent with limits of not less than \$1,000,000 per occurrence for bodily injury, personal injury and property damage liability. Coverages must include the following: all premises and operations, products/completed operations, separation of insureds, defense and contractual liability (not to include Endorsement CG 21 39 or equivalent). The City of Chicago is to be named as an additional insured on a primary, noncontributory basis for any liability arising directly or indirectly from the Work or Services.

3) Automobile Liability (Primary And Umbrella).

When any motor vehicles (owned, non-owned and hired) are used in connection with Services to be performed, Contractor must provide Automobile Liability Insurance with limits of not less than \$500,000 per occurrence for bodily injury and property damage. The City of Chicago is to be named as an additional insured on a primary, noncontributory basis.

4) Professional Liability.

When any professional consultant (e.g. CPA's, attorney, architects, engineers) perform work in connection with this Agreement, Professional Liability Insurance covering acts, errors, or omissions must be maintained with limits of not less than \$500,000. When policies are renewed or replaced, the policy retroactive date must coincide with, or precede start of work on the Contract. A claims-made policy which is not renewed or replaced must have an extended reporting period of two (2) years.

5) Crime.

The Contractor is responsible for all persons handling funds under this Agreement,

against loss by dishonesty, robbery, burglary, theft, destruction or disappearance, computer fraud, credit card forgery and other related crime risks.

B. Security Firms.

If the Contractor enters into a subcontract with a Security Firm, such Security Firm must be certified by State of Illinois, and the Security Firm's employees must be registered and certified by the State. Contractor must ensure and require any Security Firm subcontractor to comply with the Risk Management Division approved Security Firm Insurance Provision set forth in (Sub)Exhibit 5 of this Agreement, attached hereto and incorporated by references as though fully set forth herein.

C. Additional Requirements.

Contractor must furnish the City of Chicago, Department of Community Development, City Hall, Room 1000, 121 North LaSalle Street 60602, original Certificates of Insurance, or such similar evidence, to be in force on the date of this Agreement, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the term of this Agreement. Contractor must submit evidence of insurance on the City of Chicago Insurance Certificate Form (copy attached as (Sub)Exhibit __) or equivalent prior to execution of this Agreement. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from Contractor is not a waiver by the City of any requirements for the Contractor to obtain and maintain the specified coverages. Contractor must advise all insurers of the Agreement provisions regarding insurance. Nonconforming insurance does not relieve Contractor of the obligation to provide insurance as specified in this Agreement. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to suspend this Agreement until proper evidence of insurance is provided, or the Agreement may be terminated.

The insurance must provide for 60 days prior written notice to be given to the City in the event coverage is substantially changed, canceled or non-renewed.

Any deductibles or self-insured retentions on referenced insurance coverages must be borne by Contractor.

Contractor hereby waives and agrees to require their insurers to waive their rights of subrogation against the City of Chicago, its employees, elected officials, agents or representatives.

The coverages and limits furnished by Contractor in no way limit the Contractor's liabilities and responsibilities specified within the Agreement or by law.

Any insurance or self-insurance programs maintained by the City of Chicago do not contribute with insurance provided by Contractor under this Agreement.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

If Contractor is a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

Contractor must require all Subcontractors to provide the insurance required in this Agreement, or Contractor may provide the coverages for Subcontractors. All Subcontractors are subject to the same insurance requirements of Contractor unless otherwise specified in this Agreement.

If Contractor or Subcontractor desires additional coverages, the party desiring the additional coverages is responsible for the acquisition and cost.

Notwithstanding any provision in the Contract to the contrary, the City of Chicago Risk Management Department maintains the right to modify, delete, alter or change these requirements.

The Security Firm must require all subcontractors to provide the insurance required herein, or Security Firm may provide the coverages for subcontractors. All subcontractors are subject to the same insurance requirements of Security Firm unless otherwise specified in this Contract.

If Security Firm or subcontractor desires additional coverages, the party desiring the additional coverages is responsible for the acquisition and cost.

Notwithstanding any provision in the Contract to the contrary, the City of Chicago Risk Management Department maintains the right to modify, delete, alter or change these requirements.

TRUCK DRIVERS (WEST) - That part of the county West of Barrington Road.

The following list is considered as those days for which holiday rates of wages for work performed apply: New Years Day, Memorial/Decoration Day, Fourth of July, Labor Day, Veterans Day, Thanksgiving Day, Christmas Day. Generally, any of these holidays which fall on a Sunday is celebrated on the following Monday. This then makes work performed on that Monday payable at the appropriate overtime rate for holiday pay. Common practice in a given local may alter certain days of celebration such as the day after Thanksgiving for Veterans Day. If in doubt, please check with IDOL.

Rider
(To Contractor's Performance And Payment Bond)

This Rider supplements Contractor's Performance And Payment Bond ("Bond") on that certain contract with the City of Chicago ("City") bearing Contract Number ____ and Specification Number ____ ("Contract"). Accounting System.

The Department requires that the Contractor maintain its accounting system in a manner which allows the Contractor's expenditures to be categorized in its statement of activities according to the categories listed in the budget approved by the City for each Area.

Guidance For The Contractor's Selection Of A CPA Firm (Independent Auditor).

The Contractor must use the following guidelines for engaging a qualified CPA Firm:

1. Issue a Request for Proposal ("RFP") that sets forth all of the terms and conditions of the engagement, evaluation criteria and scope of the work required.
2. Distribute and publicize the RFP sufficiently to ensure full and open competition.
3. Request in the RFP that bidders provide detail on:
 - a. How the CPA Firm will conduct the audit in the first and subsequent years.
 - b. Qualifications of the CPA Firm, management and staff, including experience in auditing like entities.
 - c. Policies on notification of changes in key personnel.
 - d. Whether the proposed staff has received continuing professional education during the previous two years.
 - e. Whether the CPA Firm has received a positive peer review within the last three years.
 - f. Whether the CPA Firm is independent, as defined by applicable auditing standards.
 - g. Whether the CPA Firm has been the object of any disciplinary action during the past three years.
 - h. Whether the CPA Firm maintains an active license in the State of Illinois.
 - i. The audit fee.
4. Evaluate the proposals based on:
 - a. The CPA Firm's understanding of the audit requirements, including the needs of the Area and the final products to be delivered.
 - b. Soundness of technical approach to the audit, including the meeting of the Contractor's specific deadlines and other requirements.
 - c. Qualifications of the CPA Firm.
 - d. Qualifications of the audit team.
 - e. The information provided by respondents in response to the RFP including cost and independence.

5. Rate the proposals as follows:
 - a. Proposals should be evaluated as submitted.
 - b. Make a list of strengths and weaknesses for each to support its technical rating.
 - c. Review the proposed fees offered by the bidders after completion of the technical evaluation.
 - d. Ask questions of the bidders to eliminate any ambiguities.
 - e. Select a proposal that is most advantageous to the Area based on the evaluation criteria set forth in the RFP.
6. Once a CPA Firm is chosen based upon the foregoing criteria, require a written engagement letter to avoid misunderstandings that specifies:
 - a. Audit scope, objectives and purposes.
 - b. Deadlines for the work to be performed.
 - c. Audit fees.
 - d. Report format, including providing a digital version of the final audit.
 - e. Type and timing of support to be provided to the CPA Firm by the SSAC.
 - f. Professional auditing standards to be followed in performing the audit.
 - g. Independence of the CPA Firm to the SSAC.
 - h. Terms of making changes to the scope of the Agreement.
 - i. CPA Firm's ownership of the work papers, retention period and requirement for availability to the City upon request.

Summary Schedule Of Findings.

In order to properly conduct the certified audit of the books and records of the Contractor, it is necessary for the CPA Firm to read and understand the requirements contained in the Agreement. Particular attention should be given to Sections 3 and 5 of the Agreement.

The CPA Firm must test the Contractor's compliance with the requirements contained in the Agreement. Should the CPA Firm find exception to the requirements of the Agreement, it must disclose all exceptions in a separate schedule, which shall be entitled "Summary Schedule of Findings". Each finding shall be listed separately. The schedule shall be incorporated with the other required financial statements.

If the CPA Firm finds no exceptions to the Agreement requirements, it shall still include a "Summary Schedule of Findings". On that schedule the CPA Firm shall make an affirmative statement indicating it has read the Agreement and, after conducting the audit, has determined that no exceptions were noted.

Subsections to note in Section 5 include:

- a. Section 5.01, Basis of Payment, describes "carry over" as the amount of Service Tax Funds collected for prior tax years which remain previously unspent.
- b. Section 5.02, Budget for Services, restricts the maximum amount that may be spent in a calendar year to the amount stated in the Agreement.
- c. Section 5.03, Method of Payment, states that the Contractor shall establish a separate checking account and that Area funds shall not be commingled with other sources.

Audit Of Financial Statements.

As discussed in Section 3.07, "Records and Audits", the Contractor shall provide an annual audited financial statement to the Department and SSAC within 120 calendar days after the end of the calendar year and the system of accounting shall be in accordance with generally accepted accounting principles and practices, consistently applied throughout.

Audit Documents.

The City requires an audit conducted in accordance with generally accepted accounting principles to include the following documents:

1. Statement of Financial Position.
2. Statement of Activities: Budget and Actual (period being audited compared to the previous year, e.g., columns should be 2004 Budget, 2004 Actual, Variance, 2003 Budget, 2003 Actual, Variance).
3. Statement of Cash Flows.
4. Notes to the Financial Statements.
5. Summary Schedule of Findings.

Expense descriptions included in the Statement of Activities must correspond to the expense descriptions in the budget submitted to the City.

The Services which the Contractor shall provide during the first year of this Agreement include, but are not limited to, those described in this Article 3 and in Exhibit 1 which is attached hereto and incorporated by reference as if fully set forth here. The SSAC reserves the right to require the Contractor to perform revised services that are within the general scope of services of this Agreement and of the Special Services Identified in the Establishment Ordinance subject to the same terms and conditions herein. Revised

services are limited to changes or revisions to the line items in the Budget, do not affect the maximum compensation and require the prior written approval of the SSAC. The SSAC may, by written notice to the Department and the Contractor, delete or amend the figures contained and described in the Budget attached hereto as Exhibit 2 and incorporated by reference as if fully set forth herein. The Contractor shall provide the Services in accordance with the standards of performance set forth in Section 3.02.

For each subsequent year during the term of this Agreement, if any, a Scope of Services for that year, comprised of services authorized in the Establishment Ordinance, shall be prepared by the SSAC in consultation with the Contractor subject to the approval of the Commissioner, and incorporated into this Agreement by written amendment pursuant to Section 8.03 hereof, together with a Budget for that year and any revised insurance requirements which are recommended by the Risk Management Division pursuant to its review of the Scope of Services for that year.

3.02 Standard of Performance

The Contractor shall perform all Services required of it with that degree of skill, care and diligence normally shown by a contractor performing services of a scope, purpose and magnitude comparable with the nature of the Services to be provided hereunder. The Contractor shall at all times use every reasonable effort on behalf of the City to assure timely and satisfactory rendering and completion of its Services.

The Contractor shall at all times act in the best interests of the City consistent with the professional obligations assumed by it in entering into this Agreement. The Contractor shall perform all Services in accordance with the terms and conditions of this Agreement and to the full satisfaction of the SSAC. The Contractor shall furnish efficient business administration and supervision to render and complete the Services at reasonable cost.

The Contractor shall assure that all Services that require the exercise of professional skills or judgment are accomplished by professionals qualified and competent in the applicable discipline and appropriately licensed, if required by law. The Contractor remains responsible for the professional and technical accuracy of all Services provided, whether by the Contractor or its Subcontractors or others on its behalf.

If the SSAC determines that the Contractor has failed to comply with the foregoing standards, the Contractor shall perform again, at its own expense, all Services required to be reperformed as a direct or indirect result of such failure. Any review, approval, acceptance or payment for any or all of the Services by the City does not relieve the Contractor of its responsibility for the professional and technical accuracy of its Services. This provision in no way limits the City's rights against Contractor, either under this Agreement, at law or in equity.

3.03 Personnel

A. Key Personnel

The Contractor shall, immediately upon receiving a fully executed copy of this Agreement, assign and maintain during the term of this Agreement and any extension thereof an adequate staff of competent personnel, who are fully equipped, licensed as appropriate, available as needed, qualified and assigned to perform the Services. Contractor shall pay the salaries and wages due all its employees performing Services under this Agreement unconditionally and at least once a month without deduction or rebate on any account, except only for such payroll deductions as are mandatory by law or are permitted under applicable law and regulations.

B. Prevailing Wages

If the Contractor engages in Construction, it shall comply, and shall cause all of its Subcontractors to comply by inserting appropriate provisions in their contracts, with 820 ILCS 130/0.01 et seq. regarding the payment of the general prevailing rate of hourly wage for all laborers, workers, and mechanics employed by or on behalf of the Contractor and all Subcontractors in connection with any and all Construction work. (i) Federal Requirements

Contractor must not engage in unlawful employment practices, such as (1) failing or refusing to hire or discharging any individual, or otherwise discriminating against any individual with respect to compensation or the terms, conditions or privileges of the individual's employment, because of the individual's race, color, religion, sex, age, handicap/disability or national origin; or (2) limiting, segregating or classifying Contractor's employees or applicants for employment in any way that would deprive or tend to deprive any individual of employment opportunities or

otherwise adversely affect the individual's status as an employee, because of the individual's race, color, religion, sex, age, handicap/disability or national origin.

Contractor must comply with, and the procedures Contractor utilizes and the Services Contractor provides under this Agreement must comply with, the Civil Rights Act of 1964, 42 U.S.C. § 2000e et seq. (1981), as amended and the Civil Rights Act of 1991, P.L. 102-166. Attention is called to: Exec. Order No. 11246, 30 Fed. Reg. 12,319 (1965), reprinted in 42 U.S.C. § 2000e note, as amended by Exec. Part 60 et seq. (1990); and all other applicable federal statutes, regulations and other laws.

Admin. Code § 750 Appendix A. Furthermore, Contractor must comply with the Public Works Employment Discrimination Act, 775 ILCS 10/0.01 et seq.(1990), as amended, and all other applicable state statutes, regulations and other laws.

(iii) City Requirements

Contractor must comply with, and the procedures Contractor utilizes and the Services Contractor provides under this Agreement must comply with, the Chicago Human Rights Ordinance, ch. 2-160, Section 2-160-010 et seq. of the Municipal Code of Chicago (1990), as amended, and all other applicable City ordinances and rules.

(b) Subcontractors

Contractor must incorporate all of this Section 3.04 by reference in all agreements entered into with any suppliers of materials, furnisher of services, Subcontractors of any tier, and labor organizations that furnish skilled, unskilled and craft union skilled labor, or that may provide any such materials, labor or services in connection with this Agreement. Further, Contractor must furnish and must cause each of its Subcontractor(s) to furnish such reports and information as requested by the federal, state and local agencies charged with enforcing such laws and regulations, including the Chicago Commission on Human Relations.

3.05 Insurance

The Contractor shall comply with the insurance provisions attached hereto as Exhibit 4 and incorporated by reference as if fully set forth herein, or such other insurance provisions as may be required in the reasonable judgment of the Risk Management Division. If the Contractor enters into a subcontract with a Security Firm such Security Firm shall comply with the insurance provisions attached hereto as Exhibit 5 and incorporated by reference as if fully set forth herein, or such other insurance provisions as may be required in the reasonable judgment of the Risk Management Division. If the Contractor subcontracts with a Subcontractor other than a Security Firm, such Subcontractor shall comply with the Contractor insurance provisions attached hereto as Exhibit 4.

The Risk Management Division may waive or reduce any of the insurance requirements set forth herein. In addition, the Risk Management Division will review each new Scope of Services which the SSAC, in consultation with the Contractor, prepares annually during the term of this Agreement pursuant to Section 3.01 and may, if it wishes, revise the insurance required herein.

3.06 Indemnification

A. On written notice from the City of Losses the City believes are Losses Arising under this Agreement as defined in this Section 3.06, the Contractor shall defend, indemnify, and hold completely harmless the City Indemnitees from and against such Losses, regardless of whether Contractor challenges the City's belief. The defense, indemnification and hold harmless obligations of the Contractor toward City Indemnitees remain an affirmative obligation of Contractor following the City's notice of Losses the City believes are Losses Arising under this Agreement, unless and until a court of competent jurisdiction finally determines otherwise and all opportunities for appeal have been exhausted or have lapsed.

B. For purposes of this Section 3.06,

"City Indemnitees" means, individually and collectively, the City of Chicago, its officials, agents, employees and SSAC members.

"Losses" means, individually and collectively, all kinds of liabilities, losses, suits, claims, damages, judgments, fines, and demands, including all reasonable costs for investigation, reasonable attorneys' fees, court costs, and experts' fees, arising by reason of injury or death of any person, damage to property, patent or copyright infringement.

"Arising under this Agreement" means (i) arising out of awarding this Agreement, (ii) arising out of the enforcement of this Agreement, including the enforcement of this indemnification provision; (iii) arising out of or in connection with Contractor's performance or non-performance of this Agreement (including the acts or omission of Contractor, its officers, agents, employees, consultants, subcontractors, licensees, or invitees), any

breach by any of them of any warranty made under this Agreement, or any failure by any of them to meet any applicable standard of performance under this Agreement; or (iv) any combination of any of the foregoing.

C. To the extent permissible by law, Contractor waives any limits on Contractor's liability that it would otherwise have by virtue of the Worker's Compensation Act or any other related law or judicial decision (such as *Kotecki v. Cyclops Welding Corporation*, 146 Ill. 2d 155 (1991)). The City, however, does not waive any limitations it may have on its liability under the Worker's Compensation Act or under the Illinois Pension Code.

D. The City has the right, at its option and at its own expense, to participate in the defense of any suit without relieving Contractor of any of its obligations under this indemnity provision. The requirements set forth in this indemnity provision are separate from and not limited by the amount of insurance Contractor is required to obtain under this Agreement or by its bonds pursuant to other provisions in this Agreement. Further, the indemnitees contained in this provision survive the expiration or termination of this Agreement.

3.07 Records and Audits

The Contractor shall deliver or cause to be delivered all documents, data, studies, reports, findings or information to the SSAC promptly in accordance with the time limits prescribed herein and if no time limit is specified, then upon reasonable demand therefore, or upon termination or completion of the Services hereunder.

The Contractor agrees to adopt at its own expense such financial controls, including, without limitation, the employment of a fiscal agent approved by the Commissioner, as determined by the Commissioner in his sole discretion and communicated in writing to the Contractor after the date of execution of this Agreement, to ensure that the Contractor is fulfilling the terms of this Agreement.

The Contractor and any Subcontractors shall furnish the SSAC with semi-annual reports or provide such information as may be requested relative to the performance and cost of the Services. The Contractor shall maintain records showing actual time devoted and costs incurred. The Contractor shall keep books, documents, paper, records and accounts in connection with the Services open to inspection, copying, abstracting, transcription, and an independent audit by City employees or agents or third parties; and shall make these records available to the City and any other interested governmental agency at reasonable times during the performance of its Services. In addition, Contractor shall retain them in a safe place and make them available for an independent audit, inspection, copying and abstracting for at least five years after the final payment made in connection with this Agreement.

THE CONTRACTOR SHALL NOT COMMINGLE SERVICE TAX FUNDS WITH FUNDS FROM OTHER SOURCES, and to the extent that the Contractor conducts any

business operations separate and apart from the Services hereunder using, for example, personnel, equipment, supplies or facilities also used in connection with this Agreement, then the Contractor shall maintain and make similarly available to the City detailed records supporting the Contractor's allocation to this Agreement of the costs and expenses attributable to any such shared usages.

The Contractor shall provide an annual audited financial statement (a "Third Party Audit") to the Department and the SSAC within 120 calendar days after the end of the calendar year, and the system of accounting shall be in accordance with generally accepted accounting principles and practices, consistently applied throughout. Contractor must comply with the requirements in Exhibit 9 with respect to any Third Party Audit. If any Third Party Audit shows that Contractor or any of its Subcontractors has overcharged the City in any period, the City will notify Contractor, and Contractor must then promptly reimburse the City for any amounts the City has paid Contractor due to the overcharges. Any failure to comply with the audit requirements set forth in Exhibit 9 of the Agreement shall constitute an event of default under the Agreement. If such event of default is not corrected to the City's satisfaction within the cure period identified by the City, the City may incur costs to conduct any supplementary audit it deems necessary, and Contractor must then promptly reimburse the City for any such costs. No provision in this Agreement granting the City a right of access to records and documents is intended to impair, limit or affect any right of access to such records and documents that the City would have had in the absence of such provisions.

The City may in its sole discretion audit the records of Contractor or its Subcontractors, or both, at any time during the term of this Agreement or within five years after the Agreement ends, in connection with the goods, work, or services provided under this Agreement. Each calendar year or partial calendar year is considered an "audited period." If, as a result of such an audit, it is determined that Contractor or any of its Subcontractors has overcharged the City in the audited period, the City will notify Contractor. Contractor must then promptly reimburse the City for any amounts the City has paid Contractor due to the overcharges and also some or all of the cost of the audit, as follows:

A. If the audit has revealed overcharges to the City representing less than 5% of the total value, based on the Agreement prices, of the goods, work, or services provided in the audited period, then the Contractor must reimburse the City for 50% of the cost of the audit and 50% of the cost of each subsequent audit that the City conducts;

B. If, however, the audit has revealed overcharges to the City representing 5% or more of the total value, based on the Agreement prices, of the goods, work, or services provided in the audited period, then Contractor must reimburse the City for the full cost of the audit and of each subsequent audit.

If the City is unable to make a determination regarding overcharges to City as a result of Contractor's not having maintained records as required under this Agreement, Contractor must promptly reimburse the City for some or all of the cost of the audit, as determined in the sole discretion of the City. Failure of Contractor to promptly reimburse the City in accordance with this Section 3.07 is an event of default under Section 7.01 of this Agreement, and Contractor will be liable for all of the City's costs of collection, including any court costs and attorneys' fees.

3.08 Subcontracts and Assignments

The Contractor shall not assign, delegate, subcontract or otherwise transfer all or any part of its rights or obligations under this Agreement or any part hereof, unless otherwise provided for herein or without the express written consent of the SSAC. The absence of such provision or written consent shall void the attempted assignment, delegation or transfer and shall be of no effect as to the Services or this Agreement.

All subcontracts, all approvals of Subcontractors and any assignment to which the SSAC consents are, regardless of their form, deemed conditioned upon performance by the Subcontractor or assignee in accordance with the terms and conditions of this Agreement.

If the Contractor subcontracts for security services, the Subcontractor shall be a Security Firm certified by the State of Illinois and the Security Firm's employees shall be licensed by the State of Illinois. The Contractor, upon entering into any subcontract with a Security Firm, shall furnish the SSAC and the Department with a copy of the subcontract for their approval. The City expressly reserves the right to approve all Security Firm subcontracts.

3.09 License, Permits and Safety Considerations

A. Licenses and Permits

If the Contractor engages in Construction, it is responsible for and, in a timely manner consistent with its obligations hereunder, shall secure and maintain at its expense such permits, licenses, authorizations and approvals as are necessary for it to engage Construction under this Agreement.

B. Safety Considerations

If the Contractor engages in Construction, it shall at all times exercise reasonable care, shall comply with all applicable provisions of federal, state and local laws to prevent accidents or injuries, and shall take all appropriate precautions to avoid damage to and loss of City property and the property of third parties in connection with the Construction. The Contractor shall erect and properly maintain at all times all necessary safeguards,

barriers, flags and lights for the protection of its and its Subcontractors' employees, City employees and the public.

If the Contractor engages in Construction, it shall report to the Department any damage on, about, under or adjacent to City property or the property of third persons resulting from its performance under this Agreement. The Contractor is responsible for any damage to City property and the property of third parties due, in whole or in part, to the Contractor's Construction activities under this Agreement, and the Contractor shall repair such damage to a reasonably acceptable standard.

3.10 Performance Bond

If the Contractor engages in Construction work where expenditures exceed \$100,000, it shall, not later than the date the Contractor begins such work or executes a subcontract for such work, provide or cause to be provided to the Department a performance and payment bond in the amount allocated for the Construction work (but not including the amount allocated for design and preparation of specifications), by a surety or sureties acceptable to the City. The performance bond shall be in the form and to the effect of Exhibit 7 hereto, which is incorporated by reference as if fully set forth here.

If any of the sureties on such bond at any time fail financially, or are deemed to be insufficient security for the penalty of the bond, then the City may, on giving 10 days notice thereof in writing, require the Contractor to furnish a new and additional bond with sureties satisfactory to the City, and, if so required, Contractor must promptly provide such bond.

ARTICLE 4 TERM OF SERVICES

This Agreement shall take effect as of January 1, 2011 ("Effective Date") and shall continue through December 31, 2011, or until the Agreement is terminated earlier in accordance with its terms.

ARTICLE 5 COMPENSATION

5.01 Basis of Payment

The maximum compensation that the Contractor may be paid under this Agreement between January 1, 2011 and December 31, 2011 is the sum of (a) \$119,029 or the total amount of Service Tax Funds actually collected for tax year 2010, whichever is less.

For each subsequent year of this Agreement, if any, the maximum compensation that the Contractor may be paid under this Agreement is the amount set forth in the Budget for that year, pursuant to Section 5.02 and 8.03, or the amount of Service Tax Funds actually collected for the preceding tax year, whichever is less; provided that the maximum amount of compensation for such year of this Agreement may also include the amount of Service Tax Funds collected for prior tax years which remain previously unspent.

5.02 Budget for Services

The Contractor in conjunction with the SSAC has prepared a Budget through December 31, 2011, attached hereto as Exhibit 2 and incorporated by reference as if fully set forth here, covering all services described in the Scope of Services. Subject to the restriction that the maximum amount that may be spent in calendar year 2011 may not exceed \$119,029, the SSAC reserves the right to transfer funds between line items or make Budget revisions that do not affect the maximum compensation set forth in Section 5.01. The SSAC shall revise the Budget if any part of the Contractor's Services is terminated.

For each subsequent year of this Agreement, if any, and subject to the provisions of Section 3.01, a Budget for that year shall be incorporated into this Agreement by written amendment pursuant to Section 8.03.

5.03 Method of Payment

Pursuant to a schedule to be determined by the Commissioner, after the performance of Services pursuant to the terms of this Agreement, Contractor may submit invoices to the City to request reimbursement for such expenses. The Contractor must provide, along with the invoices, such additional documentation as the Commissioner requests to substantiate the Services. Upon the Commissioner's determination that the invoices are accurate, the City will process payment of the invoices.

The Contractor shall establish a separate checking account ("Account") in a bank authorized to do business in the State of Illinois that is insured by the Federal Deposit Insurance Corporation. All Service Tax Funds that the Comptroller transfers to the Contractor shall be deposited in the Account and disbursements from the Account shall be pursuant to this Agreement. THE CONTRACTOR SHALL NOT COMMINGLE SERVICE TAX FUNDS WITH FUNDS FROM OTHER SOURCES. The Contractor shall provide to the SSAC the signature card and sample check from the bank which shows the signature(s) of the Contractor's authorized representative(s). The SSAC reserves the right to audit the account and require the Contractor to refund any funds that were not spent pursuant to the Budget or that were not approved by the SSAC. The name and address of the bank is _____ and the wire transfer and the Account numbers are _____.

All funds remaining in the Account at the expiration or early termination of this Agreement, including any interest earned, belong to the City for the benefit of the Area and shall be returned to the City to be used only for Special Services.

5.04 Criteria for Payment

The SSAC shall determine the reasonableness, allocability and allowability of any rates, costs and expenses charged or incurred by the Contractor.

5.05 Funding

Payments under this Agreement shall be made from Service Tax Funds in fund number _____ and are subject to the availability of funds therein.

5.06 Non-Appropriation

In the event that no funds or insufficient funds are appropriated and budgeted in any City fiscal period for payments to be made under this Agreement, then the City will notify the Contractor of such occurrence and this Agreement shall terminate on the earlier of the last day of the fiscal period for which sufficient appropriation was made or whenever the funds appropriated for payment under this Agreement are exhausted. No payments shall be made or due to the Contractor under this Agreement beyond those amounts appropriated and budgeted by the City to fund payments hereunder.

ARTICLE 6 SPECIAL CONDITIONS

6.01 Warranties and Representations

In connection with the execution of this Agreement, the Contractor warrants and represents:

A. That it is financially solvent; that it and each of its employees, agents, and Subcontractors are competent to perform the Services required; that it is legally authorized to execute and perform or cause to be performed this Agreement under the terms and conditions stated herein; and

"Affiliate of Contractor" means a person or entity that directly (or indirectly through one or more intermediaries) controls, is controlled by or is under common control with Contractor. A person or entity will be deemed to be controlled by another person or entity if it is controlled in any manner whatsoever that results in control in fact by that other person or entity (either acting individually or acting jointly or in concert with others) whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

Contractor shall apprise the Department promptly of any changes in the information provided in the EDS by completing and submitting a revised EDS.

In addition, the Contractor shall provide the City with copies of its latest articles of incorporation, by-laws and resolutions, or partnership or joint venture agreement, as applicable, and evidence of its authority to do business in the State of Illinois, including without limitation, registrations of assumed names or limited partnerships and certifications of good standing with the Office of the Secretary of State of Illinois.

Pursuant to Chapter 2-156 of the Municipal Code of Chicago, and 65 ILCS 5/3.1-55-10, no member of the governing body of the City or other unit of government, no other officer, employee, SSAC member, or agent of the City or other unit of government who exercises any functions or responsibilities in connection with the Services to which this Agreement or any related subcontract pertain, and no relative of any SSAC member shall have any personal economic or financial interest, directly or indirectly, in this Agreement or any such subcontract except to the extent that such benefits are provided equally to all residents and/or business owners in the Area. Furthermore, no SSAC member, relative of any SSAC member, City official, agent or employee shall be a Subcontractor, employee or shareholder of the Contractor or receive anything of value from the Contractor.

No member of or delegate to the Congress of the United States or the Illinois General Assembly and no alderman of the City or City employee shall be admitted to any share or part of this Agreement or to any financial benefit to arise from it. The Contractor acknowledges that any agreement entered into, negotiated or performed in violation of any of the provisions of Chapter 2-156 shall be voidable by the City.

The Contractor covenants that it, its officers, directors and employees, and the officers, directors and employees of each of its members if a joint venture, and Subcontractors presently have no financial interest and shall acquire no interest, direct or indirect, in the Services undertaken by the Contractor pursuant to the Agreement that would conflict in any manner or degree with the performance of the Services. The Contractor further covenants that in the performance of this Agreement no person having any such interest shall be employed. The Contractor agrees that if the Commissioner in his reasonable judgment determines that any of the Contractor's services for others conflict with the Services the Contractor is to provide for the City under this Agreement, the Contractor shall terminate such other services immediately upon request of the City.

6.04 Non-liability of Public Officials

No official, employee or agent of the City shall be charged personally by the Contractor, or by any assignee or Subcontractor of the Contractor, with any liability or expenses of defense or be held personally liable to them under any term or provision hereof, because of the City's execution or attempted execution hereof, or because of any breach hereof.

6.05 Independent Contractor

The Contractor shall perform under this Agreement as an independent contractor to the City and not as a representative, employee, agent or partner of the City.

6.06 Business Relationships with Elected Officials

Pursuant to Section 2-156-030(b) of the Municipal Code of the City of Chicago, it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected official has a business relationship, or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a business relationship. Violation of Section 2-156-030(b) by any elected official with respect to this Agreement is grounds for termination of this Agreement. The term business relationship is defined as set forth in Section 2-156-080 of the Municipal Code of Chicago.

Section 2-156-080 defines a "business relationship" as any contractual or other private business dealing of an official, or his or her spouse, or of any entity in which an official or his or her spouse has a financial interest, with a person or entity which entitles an official to compensation or payment in the amount of \$2,500 or more in a calendar year; provided, however, a financial interest shall not include: (i) any ownership through purchase at fair market value or inheritance of less than one percent of the share of a corporation, or any corporate subsidiary, parent or affiliate thereof, regardless of the value of or dividends on such shares, if such shares are registered on a securities exchange pursuant to the Securities Exchange Act of 1934, as amended; (ii) the authorized compensation paid to an official or employee for his office or employment; (iii) any economic benefit provided equally to all residents of the City; (iv) a time or demand deposit in a financial institution; or (v) an endowment or insurance policy or annuity contract purchased from an insurance company. A "contractual or other private business dealing" shall not include any employment relationship of an official's spouse with an entity when such spouse has no discretion concerning or input relating to the relationship between that entity and the City.

6.07 Chicago "Living Wage" Ordinance

(a) Section 2-92-610 of the Municipal Code of Chicago provides for a living wage for certain categories of workers employed in the performance of City contracts, specifically non-City employed security guards, parking attendants, day laborers, home and health care workers, cashiers, elevator operators, custodial workers and clerical workers ("Covered Employees"). Accordingly, pursuant to Section 2-92-610 and regulations promulgated under it:

- (i) If Contractor has 25 or more full-time employees, and
- (ii) If at any time during the performance of this Agreement, Contractor and/or any Subcontractor or any other entity that provides any portion of the Services (collectively "Performing Parties") uses 25 or more full-time security guards, or any number of other full-time Covered Employees, then
- (iii) Contractor must pay its Covered Employees, and must assure that all other Performing Parties pay their Covered Employees, not less than the minimum hourly rate as determined in accordance with this provision (the "Base Wage") for all Services performed under this Agreement.

(b) Contractor's obligation to pay, and to assure payment of, the Base Wage will begin at any time during the term of this Agreement when the conditions set forth in (a)(i) and

(a)(ii) above are met, and will continue until the end of the term of this Agreement.

(c) As of July 1, 2010, the Base Wage is \$11.03, and each July 1 thereafter, the Base Wage will be adjusted, using the most recent federal poverty guidelines for a family of four as published annually by the U.S. Department of Health and Human Services, to constitute the following: the poverty guidelines for a family of four divided by 2000 hours or the current base wage, whichever is higher. At all times during the term of this Agreement, Contractor and all other Performing Parties must pay the Base Wage (as adjusted in accordance with the above). If the payment of prevailing wages is required for Services done under this Agreement, and the prevailing wages for Covered Employees are higher than the Base Wage, then Contractor and all other Performing Parties must pay the prevailing wage rates.

(d) Contractor must include provisions in all subcontracts requiring its Subcontractors to pay the Base Wage to Covered Employees. Contractor agrees to provide the City with documentation acceptable to the Chief Procurement Officer demonstrating that all Covered Employees, whether employed by Contractor or by a Subcontractor, have been paid the Base Wage, upon the City's request for such documentation. The City may independently audit Contractor and/or Subcontractors to verify compliance with this section. Failure to comply with the requirements of this section will be an event of default under this Agreement, and further, failure to comply may result in ineligibility for any award of a City contract or subcontract for up to 3 years.

(e) Not-for-Profit Corporations: If Contractor is a corporation having federal tax-exempt status under Section 501(c)(3) of the Internal Revenue Code and is recognized under Illinois not-for-profit law, then the provisions of Sections (a) through (d) above do not apply.

6.08 Deemed Inclusion

Provisions required by law, ordinances, rules, regulations or executive orders to be inserted in this Agreement are deemed inserted in this Agreement whether or not they appear in this Agreement or, upon application by either party, this Agreement will be amended to make the insertion; however, in no event will the failure to insert the provisions before or after this Agreement is signed prevent its enforcement.

6.09 Environmental Warranties and Representations

In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Contractor warrants and represents that it, and to the best of its knowledge, its subcontractors have not violated and are not in violation of the following sections of the Code (collectively, the Waste Sections):

- 7-28-390 Dumping on public way;
- 7-28-440 Dumping on real estate without permit;
- 11-4-1410 Disposal in waters prohibited;
- 11-4-1420 Ballast tank, bilge tank or other discharge;
- 11-4-1450 Gas manufacturing residue;
- 11-4-1500 Treatment and disposal of solid or liquid waste;
- 11-4-1530 Compliance with rules and regulations required;
- 11-4-1550 Operational requirements; and
- 11-4-1560 Screening requirements.

During the period while this Agreement is executory, Contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Commissioner. Such breach and default entitles the City to all remedies under the Agreement, at law or in equity.

This section does not limit Contractor's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Agreement.

Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Agreement, and may further affect Contractor's eligibility for future contract awards.

6.10 EDS / Certification Regarding Suspension and Debarment

Contractor certifies, as further evidenced in the EDS attached as Exhibit 3, by its acceptance of this Agreement that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from

participation in this transaction by any federal department or agency. Contractor further agrees by executing this Agreement that it will include this clause without modification in all lower tier transactions, solicitations, proposals, contracts and subcontracts. If Contractor or any lower tier participant is unable to certify to this statement, it must attach an explanation to the Agreement.

6.11 Ethics

(a) In addition to other warranties and representations, Contractor warrants that no payment, gratuity or offer of employment will be made in connection with this Agreement by or on behalf of any Subcontractors to Contractor or higher tier subcontractors or anyone associated with them, as an inducement for the award of a subcontract or order.

(b) Contractor further acknowledges that any Agreement entered into, negotiated or performed in violation of any of the provisions of Chapter 2-156 is voidable as to the City.

6.12 MacBride Ordinance

The City of Chicago through the passage of the MacBride Principles Ordinance seeks to promote fair and equal employment opportunities and labor practices for religious minorities in Northern Ireland and provide a better working environment for all citizens in Northern Ireland.

In accordance with Section 2-92-580 of the Municipal Code of the City of Chicago, if Contractor conducts any business operations in Northern Ireland, the Contractor must make all reasonable and good faith efforts to conduct any business operations in Northern Ireland in accordance with the MacBride Principles for Northern Ireland as defined in Illinois Public Act 85-1390 (1988 Ill. Laws 3220).

The provisions of this Section 6.12 do not apply to contracts for which the City receives funds administered by the United States Department of Transportation, except to the extent Congress has directed that the Department of Transportation not withhold funds from states and localities that choose to implement selective purchasing policies based on agreement to comply with the MacBride Principles for Northern Ireland, or to the extent that such funds are not otherwise withheld by the Department of Transportation.

6.13 Cooperation in Investigations

It is the duty of the Contractor and any bidder, proposer, subcontractor and every applicant for certification of eligibility for a City contract or program, and all officers, directors, agents, partners, and employees of the Contractor and any such bidder, proposer, subcontractor or such applicant to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code.

Contractor represents that it understands and will abide by all provisions of Chapter 2-56 of the Municipal Code and that it will inform subcontractors of this provision and require their compliance.

It is the duty of the Contractor and any bidder, proposer, subcontractor and every applicant for certification of eligibility for a City contract or program, and all officers, directors, agents, partners, and employees of the Contractor and any such bidder, proposer, subcontractor or such applicant to cooperate with the Legislative Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-55 of the Municipal Code. Contractor represents that it understands and will abide by all provisions of Chapter 2-55 of the Municipal Code and that it will inform subcontractors of this provision and require their compliance.

ARTICLE 7 EVENTS OF DEFAULT, REMEDIES, TERMINATION, RIGHT TO OFFSET, SUSPENSION

7.01 Events of Default Defined

The following constitute events of default:

A. Any material misrepresentation, whether negligent or willful and whether in the inducement or in the performance, made by Contractor to the City.

B. Contractor's material failure to perform any of its obligations under the Agreement including, but not limited to, the following:

- (1) failure to commence or ensure timely completion of the **Services** due to a reason or circumstance within Contractor's reasonable control;
- (2) failure to perform the **Services** in a manner satisfactory to the City;
- (3) failure to promptly re-perform within a reasonable time **Services** that were rejected as erroneous or unsatisfactory;
- (4) discontinuance of the **Services** for reasons within the Contractor's reasonable control;
- (5) failure to comply with a material term of this Agreement, including but not limited to the provisions concerning insurance and nondiscrimination; and
- (6) any other acts specifically and expressly stated in this Agreement as constituting an event of default.

C. The Contractor's default under any other agreement it may presently have or may enter into with the City during the life of this Agreement. The Contractor acknowledges and agrees that in the event of a default under this Agreement the City may also declare a default under any such other agreements.

7.02 Remedies

The occurrence of any event of default which the Contractor fails to cure within 14 calendar days after receipt of notice specifying such default or which, if such event of default cannot reasonably be cured within 14 calendar days after notice, the Contractor fails, in the sole opinion of the Commissioner, to commence and continue diligent efforts to cure, permits the City to declare the Contractor in default. Whether to declare the Contractor in default is within the sole discretion of the Commissioner. Written notification of the default, and any intention of the City to terminate the Agreement, shall be provided to Contractor and such decision is final and effective upon Contractor's receipt of such notice. Upon receipt of such notice, the Contractor must discontinue any services, unless otherwise directed in the notice, and deliver all materials accumulated in the performance of this Agreement, whether completed or in the process of completion, to the City. At such time the City may invoke any legal or equitable remedy available to it including, but not limited to, the following:

A. The right to take over and complete the Services or any part thereof as agent for and at the cost of the Contractor, either directly or through others. The Contractor shall have, in such event, the right to offset from such cost the amount it would have cost the City under the terms and conditions herein had the Contractor completed the Services.

B. The right to terminate this Agreement as to any or all of the Services yet to be performed, effective at a time specified by the City.

C. The right of specific performance, an injunction or any other appropriate equitable remedy.

D. The right to money damages.

E. The right to withhold all or any part of Contractor's compensation hereunder.

F. The right to deem Contractor non-responsible in future contracts to be awarded by the City.

If the City considers it to be in its best interest, it may elect not to declare default or to terminate this Agreement. The parties acknowledge that this provision is solely for the benefit of the City and that if the City permits the Contractor to continue to provide the Services despite one or more events of default, the Contractor is in no way relieved of any of its responsibilities, duties or obligations under this Agreement nor does the City waive or relinquish any of its rights. No delay or omission to exercise any right accruing upon any

event of default impairs any such right nor shall it be construed as a waiver of any event of default or acquiescence therein, and every such right may be exercised from time to time and as often as may be deemed expedient.

7.03 Right to Offset

The City reserves its rights under § 2-92-380 of the Municipal Code of Chicago and the Commissioner shall consult with the SSAC before exercising such rights.

7.04 Suspension

The City may at any time request that the Contractor suspend its Services, or any part thereof, by giving 15 days prior written notice to the Contractor or upon no notice in the event of emergency. No costs incurred after the effective date of such suspension shall be allowed. The Contractor shall promptly resume its performance upon written notice by the Department. The Budget may be revised pursuant to Section 5.02 to account for any additional costs or expenses actually incurred by the Contractor as a result of recommencing the Services.

7.05 No Damages for Delay

The Contractor agrees that it, its members, if a partnership or joint venture and its Subcontractors shall make no claims against the City for damages, charges, additional costs or hourly fees for costs incurred by reason of delays or hindrances by the City in the performance of its obligations under this Agreement.

7.06 Early Termination

In addition to termination for default, the City may, at any time, elect to terminate this Agreement or any portion of the Services to be performed under it at the sole discretion of the Commissioner by a written notice to the Contractor. If the City elects to terminate the Agreement in full, all Services shall cease and all materials accumulated in performing this Agreement, whether completed or in the process of completion, shall be delivered to the Department within 10 days after receipt of the notice or by the date stated in the notice.

During the final ten days or other time period stated in the notice, the Contractor shall restrict its activities, and those of its Subcontractors, to winding down any reports, analyses, or other activities previously begun. No costs incurred after the effective date of the termination are allowed. Payment for any Services actually and satisfactorily performed before the effective date of the termination shall be on the same basis as set forth in Article 5 hereof, but if any compensation is described or provided for on the basis of a period longer than ten days, then the compensation shall be prorated accordingly.

If a court of competent jurisdiction determines that the City's election to terminate this Agreement for default has been wrongful, then such termination shall be deemed to be an early termination.

The invalidity of any one or more phrases, sentences, clauses or sections herein shall not effect the remaining portions of this Agreement or any part thereof.

8.10 Miscellaneous Provisions

Whenever under this Agreement the City by a proper authority waives the Contractor's performance in any respect or waives a requirement or condition to the Contractor's performance, the waiver, whether express or implied, applies only to that particular instance and is not a waiver forever or for subsequent instances of the performance, requirement or condition. No waiver shall be construed as a modification of the Agreement regardless of the number of times the City may have waived the performance, requirement or condition.

8.11 Disputes

Except as otherwise provided in this Agreement, Contractor must and the City may bring any dispute arising under this Agreement which is not resolved by the parties to the Chief Procurement Officer for decision based upon the written submissions of the parties. (A copy of the "Regulations of the Department of Procurement Services for Resolution of Disputes between Contractors and the City of Chicago" is available in City Hall, 121 N. LaSalle Street, Room 301, Bid and Bond Room, Chicago, Illinois 60602.) The Chief Procurement Officer will issue a written decision and send it to the Contractor and the SSAC by mail. The decision of the Chief Procurement Officer is final and binding. The sole and exclusive remedy to challenge the decision of the Chief Procurement Officer is judicial review by means of a common law writ of certiorari.

8.12 Contractor Affidavit

The Contractor must provide to the City, no later than thirty days after the end of each year, a fully executed and notarized Affidavit certifying the expenditures and Services provided for the prior year. The form of this affidavit is attached as Exhibit 8 and incorporated by reference.

8.13 Prohibition on Certain Contributions

Contractor agrees that Contractor, any person or entity who directly or indirectly has an ownership or beneficial interest in Contractor of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Contractor's subcontractors, any person or entity who directly or indirectly has an ownership or beneficial interest in any subcontractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Contractor and all the other preceding classes of persons and entities are together, the ("Identified Parties")), shall not make a contribution of any amount to the Mayor of the City of Chicago ("Mayor") or to his political fundraising committee (i) after execution of this Agreement by Contractor, (ii) while this Agreement or any Other Contract is executory, (iii) during the term of this Agreement or any Other Contract between Contractor and the City, or (iv) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

Contractor must submit evidence of insurance on the City of Chicago Insurance Certificate Form (copy attached as (Sub)Exhibit __) or equivalent prior to execution of this Agreement. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from Contractor is not a waiver by the City of any requirements for the Contractor to obtain and maintain the specified coverages. Contractor must advise all insurers of the Agreement provisions regarding insurance. Nonconforming insurance does not relieve Contractor of the obligation to provide insurance as specified in this Agreement. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to suspend this Agreement until proper evidence of insurance is provided, or the Agreement may be terminated.

The insurance must provide for 60 days prior written notice to be given to the City in the event coverage is substantially changed, canceled or non-renewed.

Any deductibles or self-insured retentions on referenced insurance coverages must be borne by Contractor.

Contractor hereby waives and agrees to require their insurers to waive their rights of subrogation against the City of Chicago, its employees, elected officials, agents or representatives.

The coverages and limits furnished by Contractor in no way limit the Contractor's liabilities and responsibilities specified within the Agreement or by law.

Any insurance or self-insurance programs maintained by the City of Chicago do not contribute with insurance provided by Contractor under this Agreement.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

If Contractor is a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

Contractor must require all Subcontractors to provide the insurance required in this Agreement, or Contractor may provide the coverages for Subcontractors. All Subcontractors are subject to the same insurance requirements of Contractor unless otherwise specified in this Agreement.

If Contractor or Subcontractor desires additional coverages, the party desiring the additional coverages is responsible for the acquisition and cost.

Notwithstanding any provision in the Agreement to the contrary, the City of Chicago Risk Management Department maintains the right to modify, delete, alter or change these requirements.

COOK COUNTY

TRUCK DRIVERS (WEST) - That part of the county West of Barrington Road.

The following list is considered as those days for which holiday rates of wages for work performed apply: New Years Day, Memorial/Decoration Day, Fourth of July, Labor Day, Veterans Day, Thanksgiving Day, Christmas Day. Generally, any of these holidays which fall on a Sunday is celebrated on the following Monday. This then makes work performed on that Monday payable at the appropriate overtime rate for holiday pay. Common practice in a given local may alter certain days of celebration such as the day after Thanksgiving for Veterans Day. If in doubt, please check with IDOL.

EXPLANATION OF CLASSES

ASBESTOS - GENERAL - removal of asbestos material/mold and hazardous materials from any place in a building, including mechanical systems where those mechanical systems are to be removed. This includes the removal of asbestos materials/mold and hazardous materials from ductwork or pipes in a building when the building is to be demolished at the time or at some close future date.

ASBESTOS - MECHANICAL - removal of asbestos material from mechanical systems, such as pipes, ducts, and boilers, where the mechanical systems are to remain.

Rider attached to this Contractor's Performance and Payment Bond reads as follows:

Rider
(To Contractor's Performance And Payment Bond)

This Rider supplements Contractor's Performance and Payment Bond ("Bond") on that certain contract with the City of Chicago ("City") bearing Contract Number ____ and Specification Number ____ ("Contract"). Surety acknowledges that the Contract requires Contractor to obtain from each of its subcontractors consent to a collateral assignment of their contracts with Contractor to the City. The Contract further grants the City the right, upon Contractor's default for failure to comply with Chapter 4-36 of the Municipal Code of the City, and at the City's sole option, to take over and complete the work to be performed by Contractor through the City's assumption of some or all of Contractor's subcontracts. If the City, in its sole discretion, exercises this right, then Surety waives any rights it may have to cure Contractor's default by performing the work itself or through others and remains bound by its other obligations under the Bond.

Special Service Area -- Additional Audit Requirements.

Accounting System.

The Department requires that the Contractor maintain its accounting system in a manner which allows the Contractor's expenditures to be categorized in its statement of activities according to the categories listed in the budget approved by the City for each Area.

Guidance For The Contractor's Selection Of A CPA Firm (Independent Auditor).

The Contractor must use the following guidelines for engaging a qualified CPA Firm:

1. Issue a Request for Proposal ("RFP") that sets forth all of the terms and conditions of the engagement, evaluation criteria and scope of the work required.
2. Distribute and publicize the RFP sufficiently to ensure full and open competition.
3. Request in the RFP that bidders provide detail on:
 - a. How the CPA Firm will conduct the audit in the first and subsequent years.
 - b. Qualifications of the CPA Firm, management and staff, including experience in auditing like entities.
 - c. Policies on notification of changes in key personnel.
 - d. Whether the proposed staff has received continuing professional education during the previous two years.
 - e. Whether the CPA Firm has received a positive peer review within the last three years.
 - f. Whether the CPA Firm is independent, as defined by applicable auditing standards.
 - g. Whether the CPA Firm has been the object of any disciplinary action during the past three years.
 - h. Whether the CPA Firm maintains an active license in the State of Illinois.
 - i. The audit fee.
4. Evaluate the proposals based on:
 - a. The CPA Firm's understanding of the audit requirements, including the needs of the Area and the final products to be delivered.
 - b. Soundness of technical approach to the audit, including the meeting of the Contractor's specific deadlines and other requirements.
 - c. Qualifications of the CPA Firm.
 - d. Qualifications of the audit team.
 - e. The information provided by respondents in response to the RFP including cost and independence.

5. Rate the proposals as follows:
 - a. Proposals should be evaluated as submitted.
 - b. Make a list of strengths and weaknesses for each to support its technical rating.
 - c. Review the proposed fees offered by the bidders after completion of the technical evaluation.
 - d. Ask questions of the bidders to eliminate any ambiguities.
 - e. Select a proposal that is most advantageous to the Area based on the evaluation criteria set forth in the RFP.
6. Once a CPA Firm is chosen based upon the foregoing criteria, require a written engagement letter to avoid misunderstandings that specifies:
 - a. Audit scope, objectives and purposes.
 - b. Deadlines for the work to be performed.
 - c. Audit fees.
 - d. Report format, including providing a digital version of the final audit.
 - e. Type and timing of support to be provided to the CPA Firm by the SSAC.
 - f. Professional auditing standards to be followed in performing the audit.
 - g. Independence of the CPA Firm to the SSAC.
 - h. Terms of making changes to the scope of the Agreement.
 - i. CPA Firm's ownership of the work papers, retention period and requirement for availability to the City upon request.

Summary Schedule Of Findings.

In order to properly conduct the certified audit of the books and records of the Contractor, it is necessary for the CPA Firm to read and understand the requirements contained in the Agreement. Particular attention should be given to Sections 3 and 5 of the Agreement.

The CPA Firm must test the Contractor's compliance with the requirements contained in the Agreement. Should the CPA Firm find exception to the requirements of the Agreement, it must disclose all exceptions in a separate schedule, which shall be entitled "Summary Schedule of Findings". Each finding shall be listed separately. The schedule shall be incorporated with the other required financial statements.

If the CPA Firm finds no exceptions to the Agreement requirements, it shall still include a "Summary Schedule of Findings". On that schedule the CPA Firm shall make an affirmative statement indicating it has read the Agreement and, after conducting the audit, has determined that no exceptions were noted.

Subsections to note in Section 5 include:

- a. Section 5.01, Basis of Payment, describes "carryover" as the amount of Service Tax Funds collected for prior tax years which remain previously unspent.
- b. Section 5.02, Budget for Services, restricts the maximum amount that may be spent in a calendar year to the amount stated in the Agreement.
- c. Section 5.03, Method of Payment, states that the Contractor shall establish a separate checking account and that Area funds shall not be commingled with other sources.

Audit Of Financial Statements.

As discussed in Section 3.07, "Records and Audits", the Contractor shall provide an annual audited financial statement to the Department and SSAC within 120 calendar days after the end of the calendar year and the system of accounting shall be in accordance with generally accepted accounting principles and practices, consistently applied throughout.

Audit Documents.

The City requires an audit conducted in accordance with generally accepted accounting principles to include the following documents:

1. Statement of Financial Position.
2. Statement of Activities: Budget and Actual (period being audited compared to the previous year, e.g., columns should be 2004 Budget, 2004 Actual, Variance, 2003 Budget, 2003 Actual, Variance).
3. Statement of Cash Flows.
4. Notes to the Financial Statements.
5. Summary Schedule of Findings.

Expense descriptions included in the Statement of Activities must correspond to the expense descriptions in the budget submitted to the City.

The SSAC reserves the right to require the Contractor to perform revised services that are within the general scope of services of this Agreement and of the Special Services identified in the Establishment Ordinance subject to the same terms and conditions herein. Revised services are limited to changes or revisions to the line items in the Budget, do not affect the maximum compensation and require the prior written approval of the SSAC. The SSAC may, by written notice to the Department and the Contractor, delete or amend the figures

contained and described in the Budget attached hereto as Exhibit 2 and incorporated by reference as if fully set forth herein. The Contractor shall provide the Services in accordance with the standards of performance set forth in Section 3.02.

For each subsequent year during the term of this Agreement, if any, a Scope of Services for that year, comprised of services authorized in the Establishment Ordinance, shall be prepared by the SSAC in consultation with the Contractor subject to the approval of the Commissioner, and incorporated into this Agreement by written amendment pursuant to Section 8.03 hereof, together with a Budget for that year and any revised insurance requirements which are recommended by the Risk Management Division pursuant to its review of the Scope of Services for that year.

3.02 Standard of Performance

The Contractor shall perform all Services required of it with that degree of skill, care and diligence normally shown by a contractor performing services of a scope, purpose and magnitude comparable with the nature of the Services to be provided hereunder. The Contractor shall at all times use every reasonable effort on behalf of the City to assure timely and satisfactory rendering and completion of its Services.

The Contractor shall at all times act in the best interests of the City consistent with the professional obligations assumed by it in entering into this Agreement. The Contractor shall perform all Services in accordance with the terms and conditions of this Agreement and to the full satisfaction of the SSAC. The Contractor shall furnish efficient business administration and supervision to render and complete the Services at reasonable cost.

The Contractor shall assure that all Services that require the exercise of professional skills or judgment are accomplished by professionals qualified and competent in the applicable discipline and appropriately licensed, if required by law. The Contractor remains responsible for the professional and technical accuracy of all Services provided, whether by the Contractor or its Subcontractors or others on its behalf.

If the SSAC determines that the Contractor has failed to comply with the foregoing standards, the Contractor shall perform again, at its own expense, all Services required to be reformed as a direct or indirect result of such failure. Any review, approval, acceptance or payment for any or all of the Services by the City does not relieve the Contractor of its responsibility for the professional and technical accuracy of its Services. This provision in no way limits the City's rights against Contractor, either under this Agreement, at law or in equity.

3.03 Personnel

A. Key Personnel

The Contractor shall, immediately upon receiving a fully executed copy of this Agreement, assign and maintain during the term of this Agreement and any extension thereof an adequate staff of competent personnel, who are fully equipped, licensed as appropriate, available as needed, qualified and assigned to perform the Services. Contractor shall pay the salaries and wages due all its employees performing Services under this Agreement unconditionally and at least once a month without deduction or rebate on any account, except only for such payroll deductions as are mandatory by law or are permitted under applicable law and regulations.

B. Prevailing Wages

If the Contractor engages in Construction, it shall comply, and shall cause all of its Subcontractors to comply by inserting appropriate provisions in their contracts, with 820 ILCS 130/0.01 et seq. regarding the payment of the general prevailing rate of hourly wage for all laborers, workers, and mechanics employed by or on behalf of the Contractor and all Subcontractors in connection with any and all Construction work. (iii) City Requirements

Contractor must incorporate all of this Section 3.04 by reference in all agreements entered into with any suppliers of materials, furnisher of services, Subcontractors of any tier, and labor organizations that furnish skilled, unskilled and craft union skilled labor, or that may provide any such materials, labor or services in connection with this Agreement. Further, Contractor must furnish and must cause each of its Subcontractor(s) to furnish such reports and information as requested by the federal, state and local agencies charged with enforcing such laws and regulations, including the Chicago Commission on Human Relations.

3.05 Insurance

The Contractor shall comply with the insurance provisions attached hereto as Exhibit 4 and incorporated by reference as if fully set forth herein, or such other insurance provisions as may be required in the reasonable judgment of the Risk Management Division. If the Contractor enters into a subcontract with a Security Firm such Security Firm shall comply with the insurance provisions attached hereto as Exhibit 5 and incorporated by reference as if fully set forth herein, or such other insurance provisions as may be required in the reasonable judgment of the Risk Management Division. If the Contractor subcontracts with a Subcontractor other than a Security Firm, such Subcontractor shall comply with the Contractor insurance provisions attached hereto as Exhibit 4.

The Risk Management Division may waive or reduce any of the insurance requirements set forth herein. In addition, the Risk Management Division will review each new Scope of Services which the SSAC, in consultation with the Contractor, prepares annually during the term of this Agreement pursuant to Section 3.01 and may, if it wishes, revise the insurance required herein.

3.06 Indemnification

A. On written notice from the City of Losses the City believes are Losses Arising under this Agreement as defined in this Section 3.06, the Contractor shall defend, indemnify, and hold completely harmless the City Indemnitees from and against such Losses, regardless of whether Contractor challenges the City's belief. The defense, indemnification and hold harmless obligations of the Contractor toward City Indemnitees remain an affirmative obligation of Contractor following the City's notice of Losses the City believes are Losses Arising under this Agreement, unless and until a court of competent jurisdiction finally determines otherwise and all opportunities for appeal have been exhausted or have lapsed.

B. For purposes of this Section 3.06,

"City Indemnitees" means, individually and collectively, the City of Chicago, its officials, agents, employees and SSAC members.

"Losses" means, individually and collectively, all kinds of liabilities, losses, suits, claims, damages, judgments, fines, and demands, including all reasonable costs for investigation, reasonable attorneys' fees, court costs, and experts' fees, arising by reason of injury or death of any person, damage to property, patent or copyright infringement.

"Arising under this Agreement" means (i) arising out of awarding this Agreement, (ii) arising out of the enforcement of this Agreement, including the enforcement of this indemnification provision; (iii) arising out of or in connection with Contractor's performance or non-performance of this Agreement (including the acts or omission of Contractor, its officers, agents, employees, consultants, subcontractors, licensees, or invitees), any breach by any of them of any warranty made under this Agreement, or any failure by any of

them to meet any applicable standard of performance under this Agreement; or (iv) any combination of any of the foregoing.

C. To the extent permissible by law, Contractor waives any limits on Contractor's liability that it would otherwise have by virtue of the Worker's Compensation Act or any other related law or judicial decision (such as *Kotecki v. Cyclops Welding Corporation*, 146 Ill. 2d 155 (1991)). The City, however, does not waive any limitations it may have on its liability under the Worker's Compensation Act or under the Illinois Pension Code.

D. The City has the right, at its option and at its own expense, to participate in the defense of any suit without relieving Contractor of any of its obligations under this indemnity provision. The requirements set forth in this indemnity provision are separate from and not limited by the amount of insurance Contractor is required to obtain under this Agreement or by its bonds pursuant to other provisions in this Agreement. Further, the indemnitees contained in this provision survive the expiration or termination of this Agreement.

3.07 Records and Audits

The Contractor shall deliver or cause to be delivered all documents, data, studies, reports, findings or information to the SSAC promptly in accordance with the time limits prescribed herein and if no time limit is specified, then upon reasonable demand therefore, or upon termination or completion of the Services hereunder.

The Contractor agrees to adopt at its own expense such financial controls, including, without limitation, the employment of a fiscal agent approved by the Commissioner, as determined by the Commissioner in his sole discretion and communicated in writing to the Contractor after the date of execution of this Agreement, to ensure that the Contractor is fulfilling the terms of this Agreement.

The Contractor and any Subcontractors shall furnish the SSAC with semi-annual reports or provide such information as may be requested relative to the performance and cost of the Services. The Contractor shall maintain records showing actual time devoted and costs incurred. The Contractor shall keep books, documents, paper, records and accounts in connection with the Services open to inspection, copying, abstracting, transcription, and an independent audit by City employees or agents or third parties, and shall make these records available to the City and any other interested governmental agency at reasonable times during the performance of its Services. In addition, Contractor shall retain them in a safe place and make them available for an independent audit, inspection, copying and abstracting for at least five years after the final payment made in connection with this Agreement.

THE CONTRACTOR SHALL NOT COMMINGLE SERVICE TAX FUNDS WITH FUNDS FROM OTHER SOURCES, and to the extent that the Contractor conducts any business operations separate and apart from the Services hereunder using, for example, personnel, equipment, supplies or facilities also used in connection with this Agreement, then the Contractor shall maintain and make similarly available to the City detailed records

supporting the Contractor's allocation to this Agreement of the costs and expenses attributable to any such shared usages.

The Contractor shall provide an annual audited financial statement (a "Third Party Audit") to the Department and the SSAC within 120 calendar days after the end of the calendar year, and the system of accounting shall be in accordance with generally accepted accounting principles and practices, consistently applied throughout. Contractor must comply with the requirements in Exhibit 9 with respect to any Third Party Audit. If any Third Party Audit shows that Contractor or any of its Subcontractors has overcharged the City in any period, the City will notify Contractor, and Contractor must then promptly reimburse the City for any amounts the City has paid Contractor due to the overcharges. Any failure to comply with the audit requirements set forth in Exhibit 9 of the Agreement shall constitute an event of default under the Agreement. If such event of default is not corrected to the City's satisfaction within the cure period identified by the City, the City may incur costs to conduct any supplementary audit it deems necessary, and Contractor must then promptly reimburse the City for any such costs. No provision in this Agreement granting the City a right of access to records and documents is intended to impair, limit or affect any right of access to such records and documents that the City would have had in the absence of such provisions.

The City may in its sole discretion audit the records of Contractor or its Subcontractors, or both, at any time during the term of this Agreement or within five years after the Agreement ends, in connection with the goods, work, or services provided under this Agreement. Each calendar year or partial calendar year is considered an "audited period." If, as a result of such an audit, it is determined that Contractor or any of its Subcontractors has overcharged the City in the audited period, the City will notify Contractor. Contractor must then promptly reimburse the City for any amounts the City has paid Contractor due to the overcharges and also some or all of the cost of the audit, as follows:

A. If the audit has revealed overcharges to the City representing less than 5% of the total value, based on the Agreement prices, of the goods, work, or services provided in the audited period, then the Contractor must reimburse the City for 50% of the cost of the audit and 50% of the cost of each subsequent audit that the City conducts;

B. If, however, the audit has revealed overcharges to the City representing 5% or more of the total value, based on the Agreement prices, of the goods, work, or services provided in the audited period, then Contractor must reimburse the City for the full cost of the audit and of each subsequent audit.

If the City is unable to make a determination regarding overcharges to City as a result of Contractor's not having maintained records as required under this Agreement, Contractor must promptly reimburse the City for some or all of the cost of the audit, as determined in the sole discretion of the City. Failure of Contractor to promptly reimburse the City in accordance with this Section 3.07 is an event of default under Section 7.01 of this Agreement, and Contractor will be liable for all of the City's costs of collection, including any court costs and attorneys' fees.

3.08 Subcontracts and Assignments

The Contractor shall not assign, delegate, subcontract or otherwise transfer all or any part of its rights or obligations under this Agreement or any part hereof, unless otherwise provided for herein or without the express written consent of the SSAC. The absence of such provision or written consent shall void the attempted assignment, delegation or transfer and shall be of no effect as to the Services or this Agreement.

All subcontracts, all approvals of Subcontractors and any assignment to which the SSAC consents are, regardless of their form, deemed conditioned upon performance by the Subcontractor or assignee in accordance with the terms and conditions of this Agreement.

If the Contractor subcontracts for security services, the Subcontractor shall be a Security Firm certified by the State of Illinois and the Security Firm's employees shall be licensed by the State of Illinois. The Contractor, upon entering into any subcontract with a Security Firm, shall furnish the SSAC and the Department with a copy of the subcontract for their approval. The City expressly reserves the right to approve all Security Firm subcontracts.

3.09 License, Permits and Safety Considerations

A. Licenses and Permits

If the Contractor engages in Construction, it is responsible for and, in a timely manner consistent with its obligations hereunder, shall secure and maintain at its expense such permits, licenses, authorizations and approvals as are necessary for it to engage Construction under this Agreement.

B. Safety Considerations

If the Contractor engages in Construction, it shall at all times exercise reasonable care, shall comply with all applicable provisions of federal, state and local laws to prevent accidents or injuries, and shall take all appropriate precautions to avoid damage to and loss of City property and the property of third parties in connection with the Construction. The Contractor shall erect and properly maintain at all times all necessary safeguards, barriers, flags and lights for the protection of its and its Subcontractors' employees, City employees and the public.

If the Contractor engages in Construction, it shall report to the Department any damage on, about, under or adjacent to City property or the property of third persons resulting from its performance under this Agreement. The Contractor is responsible for any damage to City property and the property of third parties due, in whole or in part, to the Contractor's Construction activities under this Agreement, and the Contractor shall repair such damage to a reasonably acceptable standard.

3.10 Performance Bond

If the Contractor engages in Construction work where expenditures exceed \$100,000, it shall, not later than the date the Contractor begins such work or executes a subcontract for such work, provide or cause to be provided to the Department a performance and payment bond in the amount allocated for the Construction work (but not including the amount allocated for design and preparation of specifications), by a surety or sureties acceptable to the City. The performance bond shall be in the form and to the effect of Exhibit 7 hereto, which is incorporated by reference as if fully set forth here.

If any of the sureties on such bond at any time fail financially, or are deemed to be insufficient security for the penalty of the bond, then the City may, on giving 10 days notice thereof in writing, require the Contractor to furnish a new and additional bond with sureties satisfactory to the City, and, if so required, Contractor must promptly provide such bond.

ARTICLE 4 TERM OF SERVICES

This Agreement shall take effect as of January 1, 2011 ("Effective Date") and shall continue through December 31, 2011, or until the Agreement is terminated earlier in accordance with its terms.

ARTICLE 5 COMPENSATION

5.01 Basis of Payment

The maximum compensation that the Contractor may be paid under this Agreement between January 1, 2011 and December 31, 2011 is the sum of (a) \$502,691 or the total amount of Service Tax Funds actually collected for tax year 2010, whichever is less; and (b) the total amount of Surplus Funds in the amount of \$39,250 which are being carried over from previous program years and which the Contractor hereby acknowledges are in its possession; the maximum compensation that the Contractor may be paid under this Agreement between January 1 2011 and December 31, 2011, therefore, shall not exceed \$541,941.

6.03 Conflict of Interest

Pursuant to Chapter 2-156 of the Municipal Code of Chicago, and 65 ILCS 5/3.1-55-10, no member of the governing body of the City or other unit of government, no other officer, employee, SSAC member, or agent of the City or other unit of government who exercises any functions or responsibilities in connection with the Services to which this Agreement or any related subcontract pertain, and no relative of any SSAC member shall have any personal economic or financial interest, directly or indirectly, in this Agreement or any such subcontract except to the extent that such benefits are provided equally to all residents and/or business owners in the Area. Furthermore, no SSAC member, relative of any SSAC member, City official, agent or employee shall be a Subcontractor, employee or shareholder of the Contractor or receive anything of value from the Contractor.

No member of or delegate to the Congress of the United States or the Illinois General Assembly and no alderman of the City or City employee shall be admitted to any share or part of this Agreement or to any financial benefit to arise from it. The Contractor acknowledges that any agreement entered into, negotiated or performed in violation of any of the provisions of Chapter 2-156 shall be voidable by the City.

The Contractor covenants that it, its officers, directors and employees, and the officers, directors and employees of each of its members if a joint venture, and Subcontractors presently have no financial interest and shall acquire no interest, direct or indirect, in the Services undertaken by the Contractor pursuant to the Agreement that would conflict in any manner or degree with the performance of the Services. The Contractor further covenants that in the performance of this Agreement no person having any such interest shall be employed. The Contractor agrees that if the Commissioner in his reasonable judgment determines that any of the Contractor's services for others conflict with the Services the Contractor is to provide for the City under this Agreement, the Contractor shall terminate such other services immediately upon request of the City.

6.04 Non-liability of Public Officials

No official, employee or agent of the City shall be charged personally by the Contractor, or by any assignee or Subcontractor of the Contractor, with any liability or expenses of defense or be held personally liable to them under any term or provision hereof, because of the City's execution or attempted execution hereof, or because of any breach hereof.

6.05 Independent Contractor

The Contractor shall perform under this Agreement as an independent contractor to the City and not as a representative, employee, agent or partner of the City.

6.06 Business Relationships with Elected Officials

Pursuant to Section 2-156-030(b) of the Municipal Code of the City of Chicago, it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected official has a business relationship, or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a business relationship. Violation of Section 2-156-030(b) by any elected official with respect to this Agreement is grounds for termination of this Agreement. The term business relationship is defined as set forth in Section 2-156-080 of the Municipal Code of Chicago.

Section 2-156-080 defines a "business relationship" as any contractual or other private business dealing of an official, or his or her spouse, or of any entity in which an official or his or her spouse has a financial interest, with a person or entity which entitles an official to compensation or payment in the amount of \$2,500 or more in a calendar year; provided, however, a financial interest shall not include: (i) any ownership through purchase at fair market value or inheritance of less than one percent of the share of a corporation, or any corporate subsidiary, parent or affiliate thereof, regardless of the value of or dividends on such shares, if such shares are registered on a securities exchange pursuant to the Securities Exchange Act of 1934, as amended; (ii) the authorized compensation paid to an official or employee for his office or employment; (iii) any economic benefit provided equally to all residents of the City; (iv) a time or demand deposit in a financial institution; or (v) an endowment or insurance policy or annuity contract purchased from an insurance company. A "contractual or other private business dealing" shall not include any employment relationship of an official's spouse with an entity when such spouse has no discretion concerning or input relating to the relationship between that entity and the City.

6.07 Chicago "Living Wage" Ordinance

(a) Section 2-92-610 of the Municipal Code of Chicago provides for a living wage for certain categories of workers employed in the performance of City contracts, specifically non-City employed security guards, parking attendants, day laborers, home and health care workers, cashiers, elevator operators, custodial workers and clerical workers ("Covered Employees"). Accordingly, pursuant to Section 2-92-610 and regulations promulgated under it:

- (i) If Contractor has 25 or more full-time employees, and

(ii) If at any time during the performance of this Agreement, Contractor and/or any Subcontractor or any other entity that provides any portion of the Services (collectively "Performing Parties") uses 25 or more full-time security guards, or any number of other full-time Covered Employees, then

(iii) Contractor must pay its Covered Employees, and must assure that all other Performing Parties pay their Covered Employees, not less than the minimum hourly rate as determined in accordance with this provision (the "Base Wage") for all Services performed under this Agreement.

(b) Contractor's obligation to pay, and to assure payment of, the Base Wage will begin at any time during the term of this Agreement when the conditions set forth in (a)(i) and

(a)(ii) above are met, and will continue until the end of the term of this Agreement.

(c) As of July 1, 2010, the Base Wage is \$11.03, and each July 1 thereafter, the Base Wage will be adjusted, using the most recent federal poverty guidelines for a family of four as published annually by the U.S. Department of Health and Human Services, to constitute the following: the poverty guidelines for a family of four divided by 2000 hours or the current base wage, whichever is higher. At all times during the term of this Agreement, Contractor and all other Performing Parties must pay the Base Wage (as adjusted in accordance with the above). If the payment of prevailing wages is required for Services done under this Agreement, and the prevailing wages for Covered Employees are higher than the Base Wage, then Contractor and all other Performing Parties must pay the prevailing wage rates.

(d) Contractor must include provisions in all subcontracts requiring its Subcontractors to pay the Base Wage to Covered Employees. Contractor agrees to provide the City with documentation acceptable to the Chief Procurement Officer demonstrating that all Covered Employees, whether employed by Contractor or by a Subcontractor, have been paid the Base Wage, upon the City's request for such documentation. The City may independently audit Contractor and/or Subcontractors to verify compliance with this section. Failure to comply with the requirements of this section will be an event of default under this Agreement, and further, failure to comply may result in ineligibility for any award of a City contract or subcontract for up to 3 years.

(e) Not-for-Profit Corporations: If Contractor is a corporation having federal tax-exempt status under Section 501(c)(3) of the Internal Revenue Code and is recognized under Illinois not-for-profit law, then the provisions of Sections (a) through (d) above do not apply.

6.08 Deemed Inclusion

Provisions required by law, ordinances, rules, regulations or executive orders to be inserted in this Agreement are deemed inserted in this Agreement whether or not they appear in this Agreement or, upon application by either party, this Agreement will be amended to make the insertion; however, in no event will the failure to insert the provisions before or after this Agreement is signed prevent its enforcement.

6.09 Environmental Warranties and Representations

In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Contractor warrants and represents that it, and to the best of its knowledge, its subcontractors have not violated and are not in violation of the following sections of the Code (collectively, the Waste Sections):

- 7-28-390 Dumping on public way;

- 11-4-1530 Compliance with rules and regulations required;
- 11-4-1550 Operational requirements; and
- 11-4-1560 Screening requirements.

During the period while this Agreement is executory, Contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Commissioner. Such breach and default entitles the City to all remedies under the Agreement, at law or in equity.

This section does not limit Contractor's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Agreement.

Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Agreement, and may further affect Contractor's eligibility for future contract awards.

6.10 EDS / Certification Regarding Suspension and Debarment

Contractor certifies, as further evidenced in the EDS attached as Exhibit 3, by its acceptance of this Agreement that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from participation in this transaction by any federal department or agency. Contractor further

agrees by executing this Agreement that it will include this clause without modification in all lower tier transactions, solicitations, proposals, contracts and subcontracts. If Contractor or any lower tier participant is unable to certify to this statement, it must attach an explanation to the Agreement.

6.11 Ethics

(a) In addition to other warranties and representations, Contractor warrants that no payment, gratuity or offer of employment will be made in connection with this Agreement by or on behalf of any Subcontractors to Contractor or higher tier subcontractors or anyone associated with them, as an inducement for the award of a subcontract or order.

(b) Contractor further acknowledges that any Agreement entered into, negotiated or performed in violation of any of the provisions of Chapter 2-156 is voidable as to the City.

6.12 MacBride Ordinance

The City of Chicago through the passage of the MacBride Principles Ordinance seeks to promote fair and equal employment opportunities and labor practices for religious minorities in Northern Ireland and provide a better working environment for all citizens in Northern Ireland.

In accordance with Section 2-92-580 of the Municipal Code of the City of Chicago, if Contractor conducts any business operations in Northern Ireland, the Contractor must make all reasonable and good faith efforts to conduct any business operations in Northern Ireland in accordance with the MacBride Principles for Northern Ireland as defined in Illinois Public Act 85-1390 (1988 Ill. Laws 3220).

The provisions of this Section 6.12 do not apply to contracts for which the City receives funds administered by the United States Department of Transportation, except to the extent Congress has directed that the Department of Transportation not withhold funds from states and localities that choose to implement selective purchasing policies based on agreement to comply with the MacBride Principles for Northern Ireland, or to the extent that such funds are not otherwise withheld by the Department of Transportation.

6.13 Cooperation in Investigations

It is the duty of the Contractor and any bidder, proposer, subcontractor and every applicant for certification of eligibility for a City contract or program, and all officers, directors, agents, partners, and employees of the Contractor and any such bidder, proposer, subcontractor or such applicant to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code. Contractor represents that it understands and will abide by all provisions of Chapter 2-56 of the Municipal Code and that it will inform subcontractors of this provision and require their compliance.

Contractor represents that it understands and will abide by all provisions of Chapter 2-55 of the Municipal Code and that it will inform subcontractors of this provision and require their compliance.

ARTICLE 7 EVENTS OF DEFAULT, REMEDIES, TERMINATION, RIGHT TO OFFSET, SUSPENSION

7.01 Events of Default Defined

The following constitute events of default:

A. Any material misrepresentation, whether negligent or willful and whether in the inducement or in the performance, made by Contractor to the City.

B. Contractor's material failure to perform any of its obligations under the Agreement including, but not limited to, the following:

(1) failure to commence or ensure timely completion of the Services due to a reason or circumstance within Contractor's reasonable control;

(2) failure to perform the Services in a manner satisfactory to the City;

(3) failure to promptly re-perform within a reasonable time Services that were rejected as erroneous or unsatisfactory;

(4) discontinuance of the Services for reasons within the Contractor's reasonable control;

(5) failure to comply with a material term of this Agreement, including but not limited to the provisions concerning insurance and nondiscrimination; and

(6) any other acts specifically and expressly stated in this Agreement as constituting an event of default.

C. The Contractor's default under any other agreement it may presently have or may enter into with the City during the life of this Agreement. The Contractor acknowledges and agrees that in the event of a default under this Agreement the City may also declare a default under any such other agreements.

7.02 Remedies

The occurrence of any event of default which the Contractor fails to cure within 14 calendar days after receipt of notice specifying such default or which, if such event of default cannot reasonably be cured within 14 calendar days after notice, the Contractor fails, in the sole opinion of the Commissioner, to commence and continue diligent efforts to cure, permits the City to declare the Contractor in default. Whether to declare the Contractor in default is within the sole discretion of the Commissioner. Written notification of the default, and any intention of the City to terminate the Agreement, shall be provided to Contractor and such decision is final and effective upon Contractor's receipt of such notice. Upon receipt of such notice, the Contractor must discontinue any services, unless otherwise directed in the notice, and deliver all materials accumulated in the performance of this Agreement, whether completed or in the process of completion, to the City. At such time the City may invoke any legal or equitable remedy available to it including, but not limited to, the following:

A. The right to take over and complete the Services or any part thereof as agent for and at the cost of the Contractor, either directly or through others. The Contractor shall have, in such event, the right to offset from such cost the amount it would have cost the City under the terms and conditions herein had the Contractor completed the Services.

B. The right to terminate this Agreement as to any or all of the Services yet to be performed, effective at a time specified by the City.

C. The right of specific performance, an injunction or any other appropriate equitable remedy.

D. The right to money damages.

E. The right to withhold all or any part of Contractor's compensation hereunder.

F. The right to deem Contractor non-responsible in future contracts to be awarded by the City.

If the City considers it to be in its best interest, it may elect not to declare default or to terminate this Agreement. The parties acknowledge that this provision is solely for the benefit of the City and that if the City permits the Contractor to continue to provide the Services despite one or more events of default, the Contractor is in no way relieved of any of its responsibilities, duties or obligations under this Agreement nor does the City waive or relinquish any of its rights. No delay or omission to exercise any right accruing upon any event of default impairs any such right nor shall it be construed as a waiver of any event of

default or acquiescence therein, and every such right may be exercised from time to time and as often as may be deemed expedient.

7.03 Right to Offset

The City reserves its rights under § 2-92-380 of the Municipal Code of Chicago and the Commissioner shall consult with the SSAC before exercising such rights.

7.04 Suspension

The City may at any time request that the Contractor suspend its Services, or any part thereof, by giving 15 days prior written notice to the Contractor or upon no notice in the event of emergency. No costs incurred after the effective date of such suspension shall be allowed. The Contractor shall promptly resume its performance upon written notice by the Department. The Budget may be revised pursuant to Section 5.02 to account for any additional costs or expenses actually incurred by the Contractor as a result of recommencing the Services.

7.05 No Damages for Delay

The Contractor agrees that it, its members, if a partnership or joint venture and its Subcontractors shall make no claims against the City for damages, charges, additional costs or hourly fees for costs incurred by reason of delays or hindrances by the City in the performance of its obligations under this Agreement.

7.06 Early Termination

In addition to termination for default, the City may, at any time, elect to terminate this Agreement or any portion of the Services to be performed under it at the sole discretion of the Commissioner by a written notice to the Contractor. If the City elects to terminate the Agreement in full, all Services shall cease and all materials accumulated in performing this Agreement, whether completed or in the process of completion, shall be delivered to the Department within 10 days after receipt of the notice or by the date stated in the notice.

During the final ten days or other time period stated in the notice, the Contractor shall restrict its activities, and those of its Subcontractors, to winding down any reports, analyses, or other activities previously begun. No costs incurred after the effective date of the termination are allowed. Payment for any Services actually and satisfactorily performed before the effective date of the termination shall be on the same basis as set forth in Article 5 hereof, but if any compensation is described or provided for on the basis of a period longer than ten days, then the compensation shall be prorated accordingly.

If a court of competent jurisdiction determines that the City's election to terminate this Agreement for default has been wrongful, then such termination shall be deemed to be an early termination.

Contractor agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Contractor agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 05-1 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 05-1.

Contractor agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 05-1 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

- (A) they are each other's sole domestic partner, responsible for each other's common welfare; and
- (B) neither party is married, as marriage is defined under Illinois law; and

- (C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and
- (D) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
- (E) two of the following four conditions exist for the partners:
 - 1. The partners have been residing together for at least 12 months.
 - 2. The partners have common or joint ownership of a residence.
 - 3. The partners have at least two of the following arrangements:
 - a. joint ownership of a motor vehicle;
 - b. a joint credit account;
 - c. a joint checking account;
 - d. a lease for a residence identifying both domestic partners as tenants.
 - 4. Each partner identifies the other partner as a primary beneficiary in a will.

"Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal code of Chicago, as amended."

3) Automobile Liability (Primary And Umbrella).

When any motor vehicles (owned, non-owned and hired) are used in connection with Services to be performed, Contractor must provide Automobile Liability Insurance with limits of not less than \$500,000 per occurrence for bodily injury and property damage. The City of Chicago is to be named as an additional insured on a primary, noncontributory basis.

4) Professional Liability.

A claims-made policy which is not renewed or replaced must have an extended reporting period of two years.

5) Crime.

The Contractor is responsible for all persons handling funds under this Agreement, against loss by dishonesty, robbery, burglary, theft, destruction or disappearance, computer fraud, credit card forgery and other related crime risks.

B. Security Firms.

If the Contractor enters into a subcontract with a Security Firm, such Security Firm must be certified by State of Illinois, and the Security Firm's employees must be registered and certified by the State. Contractor must ensure and require any Security Firm subcontractor to comply with the Risk Management Division approved Security Firm Insurance Provision set forth in (Sub)Exhibit 5 of this Agreement, attached hereto and incorporated by references as though fully set forth herein.

Contractor must submit evidence of insurance on the City of Chicago Insurance Certificate Form (copy attached as (Sub)Exhibit __) or equivalent prior to execution of this Agreement. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from Contractor is not a waiver by the City of any requirements for the Contractor to obtain and maintain the specified coverages. Contractor must advise all insurers of the Agreement provisions regarding insurance. Nonconforming insurance does not relieve Contractor of the obligation to provide insurance as specified in this Agreement. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to suspend this Agreement until proper evidence of insurance is provided, or the Agreement may be terminated.

The insurance must provide for 60 days prior written notice to be given to the City in the event coverage is substantially changed, canceled or non-renewed.

Any deductibles or self-insured retentions on referenced insurance coverages must be borne by Contractor.

Contractor hereby waives and agrees to require their insurers to waive their rights of subrogation against the City of Chicago, its employees, elected officials, agents or representatives.

The coverages and limits furnished by Contractor in no way limit the Contractor's liabilities and responsibilities specified within the Agreement or by law.

Any insurance or self-insurance programs maintained by the City of Chicago do not contribute with insurance provided by Contractor under this Agreement.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

If Contractor is a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

Contractor must require all Subcontractors to provide the insurance required in this Agreement, or Contractor may provide the coverages for Subcontractors. All Subcontractors are subject to the same insurance requirements of Contractor unless otherwise specified in this Agreement.

If Contractor or Subcontractor desires additional coverages, the party desiring the additional coverages is responsible for the acquisition and cost.

Notwithstanding any provision in the Contract to the contrary, the City of Chicago Risk Management Department maintains the right to modify, delete, alter or change these requirements.

Special Service Area -- Additional Audit Requirements.

Accounting System.

The Department requires that the Contractor maintain its accounting system in a manner which allows the Contractor's expenditures to be categorized in its statement of activities according to the categories listed in the budget approved by the City for each Area.

Guidance For The Contractor's Selection Of A CPA Firm (Independent Auditor).

The Contractor must use the following guidelines for engaging a qualified CPA Firm:

1. Issue a Request for Proposal ("RFP") that sets forth all of the terms and conditions of the engagement, evaluation criteria and scope of the work required.
2. Distribute and publicize the RFP sufficiently to ensure full and open competition.
3. Request in the RFP that bidders provide detail on:
 - a. How the CPA Firm will conduct the audit in the first and subsequent years.
 - b. Qualifications of the CPA Firm, management and staff, including experience in auditing like entities.
 - c. Policies on notification of changes in key personnel.
 - d. Whether the proposed staff has received continuing professional education during the previous two years.
 - e. Whether the CPA Firm has received a positive peer review within the last three years.
 - f. Whether the CPA Firm is independent, as defined by applicable auditing standards.
 - g. Whether the CPA Firm has been the object of any disciplinary action during the past three years.
 - h. Whether the CPA Firm maintains an active license in the State of Illinois.
 - i. The audit fee.
4. Evaluate the proposals based on:
 - a. The CPA Firm's understanding of the audit requirements, including the needs of the Area and the final products to be delivered.
 - b. Soundness of technical approach to the audit, including the meeting of the Contractor's specific deadlines and other requirements.
 - c. Qualifications of the CPA Firm.
 - d. Qualifications of the audit team.
 - e. The information provided by respondents in response to the RFP including cost and independence.

5. Rate the proposals as follows:
 - a. Proposals should be evaluated as submitted.
 - b. Make a list of strengths and weaknesses for each to support its technical rating.
 - c. Review the proposed fees offered by the bidders after completion of the technical evaluation.
 - d. Ask questions of the bidders to eliminate any ambiguities.
 - e. Select a proposal that is most advantageous to the Area based on the evaluation criteria set forth in the RFP.

6. Once a CPA Firm is chosen based upon the foregoing criteria, require a written engagement letter to avoid misunderstandings that specifies:
 - a. Audit scope, objectives and purposes.
 - b. Deadlines for the work to be performed.
 - c. Audit fees.
 - d. Report format, including providing a digital version of the final audit.
 - e. Type and timing of support to be provided to the CPA Firm by the SSAC.
 - f. Professional auditing standards to be followed in performing the audit.
 - g. Independence of the CPA Firm to the SSAC.
 - h. Terms of making changes to the scope of the Agreement.
 - i. CPA Firm's ownership of the work papers, retention period and requirement for availability to the City upon request.

Summary Schedule Of Findings.

In order to properly conduct the certified audit of the books and records of the Contractor, it is necessary for the CPA Firm to read and understand the requirements contained in the Agreement. Particular attention should be given to Sections 3 and 5 of the Agreement.

The CPA Firm must test the Contractor's compliance with the requirements contained in the Agreement. Should the CPA Firm find exception to the requirements of the Agreement, it must disclose all exceptions in a separate schedule, which shall be entitled "Summary Schedule of Findings". Each finding shall be listed separately. The schedule shall be incorporated with the other required financial statements.

If the CPA Firm finds no exceptions to the Agreement requirements, it shall still include a "Summary Schedule of Findings". On that schedule the CPA Firm shall make an affirmative statement indicating it has read the Agreement and, after conducting the audit, has determined that no exceptions were noted.

Subsections to note in Section 5 include:

- a. Section 5.01, Basis of Payment, describes "carry over" as the amount of Service Tax Funds collected for prior tax years which remain previously unspent.
- b. Section 5.02, Budget for Services, restricts the maximum amount that may be spent in a calendar year to the amount stated in the Agreement.
- c. Section 5.03, Method of Payment, states that the Contractor shall establish a separate checking account and that Area funds shall not be commingled with other sources.

Audit Of Financial Statements.

As discussed in Section 3.07, "Records and Audits", the Contractor shall provide an annual audited financial statement to the Department and SSAC within 120 calendar days after the end of the calendar year and the system of accounting shall be in accordance with generally accepted accounting principles and practices, consistently applied throughout.

Audit Documents.

The City requires an audit conducted in accordance with generally accepted accounting principles to include the following documents:

1. Statement of Financial Position.
2. Statement of Activities: Budget and Actual (period being audited compared to the previous year, e.g., columns should be 2004 Budget, 2004 Actual, Variance, 2003 Budget, 2003 Actual, Variance).
3. Statement of Cash Flows.
4. Notes to the Financial Statements.
5. Summary Schedule of Findings.

Expense descriptions included in the Statement of Activities must correspond to the expense descriptions in the budget submitted to the City.

(1990), as amended and any rules and regulations promulgated in accordance with it, including the Equal Employment Opportunity Clause,

44 Ill. Admin. Code § 750 Appendix A. Furthermore, Contractor must comply with the Public Works Employment Discrimination Act, 775 ILCS 10/0.01 et seq.(1990), as amended, and all other applicable state statutes, regulations and other laws.

(iii) City Requirements

Contractor must comply with, and the procedures Contractor utilizes and the Services Contractor provides under this Agreement must comply with, the Chicago Human Rights Ordinance, ch. 2-160, Section 2-160-010 et seq. of the Municipal Code of Chicago (1990), as amended, and all other applicable City ordinances and rules.

(b) Subcontractors

Contractor must incorporate all of this Section 3.04 by reference in all agreements entered into with any suppliers of materials, furnisher of services, Subcontractors of any tier, and labor organizations that furnish skilled, unskilled and craft union skilled labor, or that may provide any such materials, labor or services in connection with this Agreement. Further, Contractor must furnish and must cause each of its Subcontractor(s) to furnish such reports and information as requested by the federal, state and local agencies charged with enforcing such laws and regulations, including the Chicago Commission on Human Relations.

3.05 Insurance

The Contractor shall comply with the insurance provisions attached hereto as Exhibit 4 and incorporated by reference as if fully set forth herein, or such other insurance provisions as may be required in the reasonable judgment of the Risk Management Division. If the Contractor enters into a subcontract with a Security Firm such Security Firm shall comply with the insurance provisions attached hereto as Exhibit 5 and incorporated by reference as if fully set forth herein, or such other insurance provisions as may be required in the reasonable judgment of the Risk Management Division. If the Contractor subcontracts with a Subcontractor other than a Security Firm, such Subcontractor shall comply with the Contractor insurance provisions attached hereto as Exhibit 4.

The Risk Management Division may waive or reduce any of the insurance requirements set forth herein. In addition, the Risk Management Division will review each new Scope of Services which the SSAC, in consultation with the Contractor, prepares annually during the term of this Agreement pursuant to Section 3.01 and may, if it wishes, revise the insurance required herein.

3.06 Indemnification

A. On written notice from the City of Losses the City believes are Losses Arising under this Agreement as defined in this Section 3.06, the Contractor shall defend, indemnify, and hold completely harmless the City Indemnitees from and against such Losses, regardless of whether Contractor challenges the City's belief. The defense, indemnification and hold harmless obligations of the Contractor toward City Indemnitees remain an affirmative obligation

of Contractor following the City's notice of Losses the City believes are Losses Arising under this Agreement, unless and until a court of competent jurisdiction finally determines otherwise and all opportunities for appeal have been exhausted or have lapsed.

B. For purposes of this Section 3.06,

"City Indemnitees" means, individually and collectively, the City of Chicago, its officials, agents, employees and SSAC members.

"Losses" means, individually and collectively, all kinds of liabilities, losses, suits, claims, damages, judgments, fines, and demands, including all reasonable costs for investigation, reasonable attorneys' fees, court costs, and experts' fees, arising by reason of injury or death of any person, damage to property, patent or copyright infringement.

"Arising under this Agreement" means (i) arising out of awarding this Agreement, (ii) arising out of the enforcement of this Agreement, including the enforcement of this indemnification provision; (iii) arising out of or in connection with Contractor's performance or non-performance of this Agreement (including the acts or omission of Contractor, its officers, agents, employees, consultants, subcontractors, licensees, or invitees), any breach by any of them of any warranty made under this Agreement, or any failure by any of them to meet any applicable standard of performance under this Agreement; or (iv) any combination of any of the foregoing.

C. To the extent permissible by law, Contractor waives any limits on Contractor's liability that it would otherwise have by virtue of the Worker's Compensation Act or any other related law or judicial decision (such as *Kotecki v. Cyclops Welding Corporation*, 146 Ill. 2d 155 (1991)). The City, however, does not waive any limitations it may have on its liability under the Worker's Compensation Act or under the Illinois Pension Code.

D. The City has the right, at its option and at its own expense, to participate in the defense of any suit without relieving Contractor of any of its obligations under this indemnity provision. The requirements set forth in this indemnity provision are separate from and not limited by the amount of insurance Contractor is required to obtain under this Agreement or by its bonds pursuant to other provisions in this Agreement. Further, the indemnitees contained in this provision survive the expiration or termination of this Agreement.

3.07 Records and Audits

The Contractor shall deliver or cause to be delivered all documents, data, studies, reports, findings or information to the SSAC promptly in accordance with the time limits prescribed herein and if no time limit is specified, then upon reasonable demand therefore, or upon termination or completion of the Services hereunder.

The Contractor agrees to adopt at its own expense such financial controls, including, without limitation, the employment of a fiscal agent approved by the Commissioner, as determined by the Commissioner in his sole discretion and communicated in writing to the

Contractor after the date of execution of this Agreement, to ensure that the Contractor is fulfilling the terms of this Agreement.

The Contractor and any Subcontractors shall furnish the SSAC with semi-annual reports or provide such information as may be requested relative to the performance and cost of the Services. The Contractor shall maintain records showing actual time devoted and costs incurred. The Contractor shall keep books, documents, paper, records and accounts in connection with the Services open to inspection, copying, abstracting, transcription, and an independent audit by City employees or agents or third parties, and shall make these records available to the City and any other interested governmental agency at reasonable times during the performance of its Services. In addition, Contractor shall retain them in a safe place and make them available for an independent audit, inspection, copying and abstracting for at least five years after the final payment made in connection with this Agreement.

THE CONTRACTOR SHALL NOT COMMINGLE SERVICE TAX FUNDS WITH FUNDS FROM OTHER SOURCES, and to the extent that the Contractor conducts any business operations separate and apart from the Services hereunder using, for example, personnel, equipment, supplies or facilities also used in connection with this Agreement, then the Contractor shall maintain and make similarly available to the City detailed records supporting the Contractor's allocation to this Agreement of the costs and expenses attributable to any such shared usages.

The Contractor shall provide an annual audited financial statement (a "Third Party Audit") to the Department and the SSAC within 120 calendar days after the end of the calendar year, and the system of accounting shall be in accordance with generally accepted accounting principles and practices, consistently applied throughout. Contractor must comply with the requirements in Exhibit 9 with respect to any Third Party Audit. If any Third Party Audit shows that Contractor or any of its Subcontractors has overcharged the City in any period, the City will notify Contractor, and Contractor must then promptly reimburse the City for any amounts the City has paid Contractor due to the overcharges. Any failure to comply with the audit requirements set forth in Exhibit 9 of the Agreement shall constitute an event of default under the Agreement. If such event of default is not corrected to the City's satisfaction within the cure period identified by the City, the City may incur costs to conduct any supplementary audit it deems necessary, and Contractor must then promptly reimburse the City for any such costs. No provision in this Agreement granting the City a right of access to records and documents is intended to impair, limit or affect any right of access to such records and documents that the City would have had in the absence of such provisions.

The City may in its sole discretion audit the records of Contractor or its Subcontractors, or both, at any time during the term of this Agreement or within five years after the Agreement ends, in connection with the goods, work, or services provided under this Agreement. Each calendar year or partial calendar year is considered an "audited period." If, as a result of such an audit, it is determined that Contractor or any of its Subcontractors has overcharged the City in the audited period, the City will notify Contractor. Contractor must then promptly reimburse the City for any amounts the City has paid Contractor due to the overcharges and also some or all of the cost of the audit, as follows:

A. If the audit has revealed overcharges to the City representing less than 5% of the total value, based on the Agreement prices, of the goods, work, or services provided in the audited period, then the Contractor must reimburse the City for 50% of the cost of the audit and 50% of the cost of each subsequent audit that the City conducts;

B. If, however, the audit has revealed overcharges to the City representing 5% or more of the total value, based on the Agreement prices, of the goods, work, or services provided in the audited period, then Contractor must reimburse the City for the full cost of the audit and of each subsequent audit.

If the City is unable to make a determination regarding overcharges to City as a result of Contractor's not having maintained records as required under this Agreement, Contractor must promptly reimburse the City for some or all of the cost of the audit, as determined in the sole discretion of the City. Failure of Contractor to promptly reimburse the City in accordance with this Section 3.07 is an event of default under Section 7.01 of this Agreement, and Contractor will be liable for all of the City's costs of collection, including any court costs and attorneys' fees.

3.08 Subcontracts and Assignments

The Contractor shall not assign, delegate, subcontract or otherwise transfer all or any part of its rights or obligations under this Agreement or any part hereof, unless otherwise provided for herein or without the express written consent of the SSAC. The absence of such provision or written consent shall void the attempted assignment, delegation or transfer and shall be of no effect as to the Services or this Agreement.

All subcontracts, all approvals of Subcontractors and any assignment to which the SSAC consents are, regardless of their form, deemed conditioned upon performance by the Subcontractor or assignee in accordance with the terms and conditions of this Agreement.

If the Contractor subcontracts for security services, the Subcontractor shall be a Security Firm certified by the State of Illinois and the Security Firm's employees shall be licensed by the State of Illinois. The Contractor, upon entering into any subcontract with a Security Firm, shall furnish the SSAC and the Department with a copy of the subcontract for their approval. The City expressly reserves the right to approve all Security Firm subcontracts.

3.09 License, Permits and Safety Considerations

A. Licenses and Permits

If the Contractor engages in Construction, it is responsible for and, in a timely manner consistent with its obligations hereunder, shall secure and maintain at its expense such permits, licenses, authorizations and approvals as are necessary for it to engage Construction under this Agreement.

B. Safety Considerations

If the Contractor engages in Construction, it shall at all times exercise reasonable care, shall comply with all applicable provisions of federal, state and local laws to prevent accidents or injuries, and shall take all appropriate precautions to avoid damage to and loss of City property and the property of third parties in connection with the Construction. The Contractor shall erect and properly maintain at all times all necessary safeguards, barriers, flags and lights for the protection of its and its Subcontractors' employees, City employees and the public.

If the Contractor engages in Construction, it shall report to the Department any damage on, about, under or adjacent to City property or the property of third persons resulting from its performance under this Agreement. The Contractor is responsible for any damage to City property and the property of third parties due, in whole or in part, to the Contractor's Construction activities under this Agreement, and the Contractor shall repair such damage to a reasonably acceptable standard.

3.10 Performance Bond

If the Contractor engages in Construction work where expenditures exceed \$100,000, it shall, not later than the date the Contractor begins such work or executes a subcontract for such work, provide or cause to be provided to the Department a performance and payment bond in the amount allocated for the Construction work (but not including the amount allocated for design and preparation of specifications), by a surety or sureties acceptable to the City. The performance bond shall be in the form and to the effect of Exhibit 7 hereto, which is incorporated by reference as if fully set forth here.

If any of the sureties on such bond at any time fail financially, or are deemed to be insufficient security for the penalty of the bond, then the City may, on giving 10 days notice thereof in writing, require the Contractor to furnish a new and additional bond with sureties satisfactory to the City, and, if so required, Contractor must promptly provide such bond.

ARTICLE 4 TERM OF SERVICES

This Agreement shall take effect as of January 1, 2011 ("Effective Date") and shall continue through December 31, 2011, or until the Agreement is terminated earlier in accordance with its terms.

ARTICLE 5 COMPENSATION

5.01 Basis of Payment

The maximum compensation that the Contractor may be paid under this Agreement between January 1, 2011 and December 31, 2011 is the sum of (a) \$473,600 or the total amount of Service Tax Funds actually collected for tax year 2010, whichever is less; and (b) the total amount of Surplus Funds in the amount of \$20,000 which are being carried over from

previous program years and which the Contractor hereby acknowledges are in its possession; the maximum compensation that the Contractor may be paid under this Agreement between January 1 2011 and December 31, 2011, therefore, shall not exceed \$493,600.

For each subsequent year of this Agreement, if any, the maximum compensation that the Contractor may be paid under this Agreement is the amount set forth in the Budget for that year, pursuant to Section 5.02 and 8.03, or the amount of Service Tax Funds actually collected for the preceding tax year, whichever is less; provided that the maximum amount of compensation for such year of this Agreement may also include the amount of Service Tax Funds collected for prior tax years which remain previously unspent.

5.02 Budget for Services

The Contractor in conjunction with the SSAC has prepared a Budget through December 31, 2011, attached hereto as Exhibit 2 and incorporated by reference as if fully set forth here, covering all services described in the Scope of Services. Subject to the restriction that the maximum amount that may be spent in calendar year 2011 may not exceed \$493,600, the SSAC reserves the right to transfer funds between line items or make Budget revisions that do not affect the maximum compensation set forth in Section 5.01. The SSAC shall revise the Budget if any part of the Contractor's Services is terminated.

For each subsequent year of this Agreement, if any, and subject to the provisions of Section 3.01, a Budget for that year shall be incorporated into this Agreement by written amendment pursuant to Section 8.03.

5.03 Method of Payment

Pursuant to a schedule to be determined by the Commissioner, after the performance of Services pursuant to the terms of this Agreement, Contractor may submit invoices to the City to request reimbursement for such expenses. The Contractor must provide, along with the invoices, such additional documentation as the Commissioner requests to substantiate the Services. Upon the Commissioner's determination that the invoices are accurate, the City will process payment of the invoices.

The Contractor shall establish a separate checking account ("Account") in a bank authorized to do business in the State of Illinois that is insured by the Federal Deposit Insurance Corporation. All Service Tax Funds that the Comptroller transfers to the Contractor shall be deposited in the Account and disbursements from the Account shall be pursuant to this Agreement. **THE CONTRACTOR SHALL NOT COMMINGLE SERVICE TAX FUNDS WITH FUNDS FROM OTHER SOURCES.** The Contractor shall provide to the SSAC the signature card and sample check from the bank which shows the signature(s) of the Contractor's authorized representative(s). The SSAC reserves the right to audit the account and require the Contractor to refund any funds that were not spent pursuant to the Budget or that were not

approved by the SSAC. The name and address of the bank is _____ and the wire transfer and the Account numbers are _____.

All funds remaining in the Account at the expiration or early termination of this Agreement, including any interest earned, belong to the City for the benefit of the Area and shall be returned to the City to be used only for Special Services.

5.04 Criteria for Payment

The SSAC shall determine the reasonableness, allocability and allowability of any rates, costs and expenses charged or incurred by the Contractor.

5.05 Funding

Payments under this Agreement shall be made from Service Tax Funds in fund number _____ and are subject to the availability of funds therein.

5.06 Non-Appropriation

In the event that no funds or insufficient funds are appropriated and budgeted in any City fiscal period for payments to be made under this Agreement, then the City will notify the Contractor of such occurrence and this Agreement shall terminate on the earlier of the last day of the fiscal period for which sufficient appropriation was made or whenever the funds appropriated for payment under this Agreement are exhausted. No payments shall be made or due to the Contractor under this Agreement beyond those amounts appropriated and budgeted by the City to fund payments hereunder.

ARTICLE 6 SPECIAL CONDITIONS

6.01 Warranties and Representations

In connection with the execution of this Agreement, the Contractor warrants and represents:

A. That it is financially solvent; that it and each of its employees, agents, and Subcontractors are competent to perform the Services required; that it is legally authorized to execute and perform or cause to be performed this Agreement under the terms and conditions stated herein; and

C. That it and its Subcontractors are not in default at the time of the execution of this Agreement, or deemed by the Department to have, within five years immediately preceding the date of this Agreement, been found to be in default on any contract awarded by the City; and

D. That it and, to the best of its knowledge, its Subcontractors are not in violation of the provisions of § 2-92-320 of the Municipal Code of Chicago, 720 ILCS 5/33E-1 et seq. of the Criminal Code of 1961, and 65 ILCS 5/11-42.1-1 of the Illinois Municipal Code; and

That it, all Subcontractors and their respective officers, directors, agents, partners, and employees shall cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code of Chicago; that it understands and will abide by all provisions of Chapter 2-56 of the Municipal Code of Chicago and all subcontracts shall inform Subcontractors of such provision and require understanding and compliance therewith; and

F. That, except only for those representations, statements or promises expressly contained in this Agreement and any exhibits attached hereto, no representation, statement or promise, oral or written, or of any kind whatsoever, by the City, its officials, agents or employees, has induced the Contractor to enter into this Agreement; and

G. That the Contractor understands and agrees that any certification, affidavit or acknowledgment made under oath in connection with this Agreement is made under penalty of perjury and, if false, is also cause for termination for default.
