Tenant shall not cause or permit any lien or encumbrance, whether created by act of Tenant, operation of law or otherwise, to attach to or be placed upon Landlord's title or interest in the Premises. All liens and encumbrances created by Tenant shall attach to Tenant's interest only. In case of any such lien attaching, Tenant shall immediately pay and remove such lien or furnish security or indemnify Landlord in a manner satisfactory to Landlord in its sole discretion to protect Landlord against any defense or expense arising from such lien. Except during any period in which Tenant appeals any judgment or obtains a rehearing of any such lien, or in the event judgment is stayed, Tenant shall immediately pay any judgment rendered against Tenant, with all proper costs and charges, and shall have the lien released and any judgment satisfied. If Tenant fails to pay and remove any lien or contest such lien in accordance herewith, Landlord, at its election, may pay and satisfy same, and all sums so paid by Landlord, with interest from the date of payment at the rate set at 12% per annum.

Section 6.

Insurance And Indemnification.

6.1 Insurance.

The Tenant shall procure and maintain at all times, at Tenant's own expense, during the term of this lease, the insurance coverages and requirements specified below, insuring all operations related to the lease with insurance companies authorized to do business in the State of Illinois.

The kinds and amounts of insurance required are as follows:

a) **Workers' Compensation And Employer's Liability Insurance.**

Workers' Compensation and Employer's Liability Insurance and Occupational Disease Insurance, as prescribed by applicable law, covering all Tenant's employees and Employer's Liability coverage with limits of not less than \$500,000 each accident or illness.

b) **Commercial Liability Insurance (Primary And Umbrella).**

Commercial Liability Insurance or equivalent with limits of not less than \$1,000,000 per occurrence, for bodily injury, personal injury and property damage liability. Coverage extensions shall include the following: all premises and operations, products/completed operations, defense, separation of insureds and contractual liability (with no limitation endorsement). The City of Chicago, its employees, elected officials, agents and representatives are to be named as additional insureds on a primary, noncontributory basis for any liability arising directly or indirectly from the lease.

c) **Automobile Liability Insurance (Primary And Umbrella).**

When any motor vehicles (owned, non-owned and hired) are used in connection with work to be performed, the Tenant shall provide Comprehensive Automobile Liability Insurance with limits of not less than \$1,000,000 per occurrence, for bodily injury and property damage.

d) **All Risk Property Insurance.**

All risk property insurance coverage shall be maintained by the Tenant for full replacement value to protect against loss, damage to or destruction of property. The policy shall list the City of Chicago as loss payee.

The Tenant shall be responsible for all loss or damage to personal property (including but not limited to materials, equipment, tools and supplies), owned or rented, by the Tenant.

e) All Risk Builders Risk Insurance.

When Tenant undertakes any construction, including improvements, betterments, and/or repairs, the Tenant shall provide All Risk Builders Risk Insurance, at replacement cost, for materials, supplies, equipment, machinery and fixtures that are or will be part of the permanent facility. The City of Chicago shall be named as loss payee.

6.2 Other Terms Of Insurance.

The Tenant will furnish the City of Chicago, Department of General Services, Office of Real Estate Management, 30 North LaSalle Street, Suite 300, Chicago, Illinois 60602, original Certificates of Insurance evidencing the required coverage to be in force on the date of this lease, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the Term of this lease. The Tenant shall submit evidence on insurance prior to lease award. The receipt of any certificates does not constitute agreement by the City that the insurance requirements in the lease have been fully met or that the insurance policies indicated on the certificate are in compliance with all lease requirements. The failure of the City to obtain certificates or other insurance evidence from Tenant shall not be deemed to be a waiver by the City. The Tenant shall advise all insurers of the lease provisions regarding insurance. Nonconforming insurance shall not relieve Tenant of its obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the lease, and the City retains the right to terminate the lease until proper evidence of insurance is provided.

The insurance shall provide for 60 days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

Any and all deductibles or self-insured retentions on referenced insurance coverages shall be borne by Tenant.

The Tenant agrees that insurers shall waive their rights of subrogation against the City of Chicago its employees, elected officials, agents or representatives.

The Tenant expressly understands and agrees that any coverages and limits furnished by Tenant shall in no way limit the Tenant's liabilities and responsibilities specified within the lease documents or by law.

The Tenant expressly understands and agrees that any insurance or self-insurance programs maintained by the City of Chicago shall apply in excess of and not contribute with insurance provided by the Tenant under the lease.

The required insurance shall not be limited by any limitations expressed in the indemnification language herein or any limitation placed on the indemnity therein given as a matter of law.

The City of Chicago, Department of Finance, Office of Risk Management, maintains the right to modify, delete, alter or change these requirements.

6.3 Tenant's Indemnification.

Tenant shall indemnify, defend, and hold Landlord harmless against all liabilities, judgments, amounts paid in settlement, arbitration or mediation awards, costs, damages, and expenses (including reasonable attorney's fees, expenses, and court costs), whether such claim is related to or arises from personal injury or property damage which may be expended by or accrue against, be charged to, or be recovered from Landlord or Tenant by reason of Tenant's performance of or failure to perform any of Tenant's obligations under this lease, or Tenant's negligent acts or failure to act, or resulting from the acts or failure to act of Tenant's contractors, respective officers, directors, agents, or employees.

Tenant acknowledges that the Landlord has no duty to provide security so as to protect or secure the Tenant's murals.

Section 8.

Section 12.

Tenant Disclosures And Representation.

12.1 Business Relationships.

Tenant acknowledges (a) receipt of a copy of Section 2-156-030(b) of the Municipal Code of Chicago, (b) that it has read such provision and understands that pursuant to such Section 2-156-030(b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (c) notwithstanding anything to the contrary contained in this agreement, that a violation of Section 2-156-030(b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this agreement shall be grounds for termination of this agreement and the transactions contemplated hereby. Tenant hereby represents and warrants that no violation of Section 2-145-030(b) has occurred with respect to this agreement or the transactions contemplated hereby.

12.2 Patriot Act Certification.

Tenant represents and warrants that neither Tenant nor any Affiliate (as hereafter defined) thereof is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable Laws: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. As used in this section, an "Affiliate" shall be deemed to be a person or entity related to Tenant that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Tenant, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in

control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

12.3 Prohibition On Certain Contributions -- Mayoral Executive Order Number 05-1.

Tenant agrees that Tenant, any person or entity who directly or indirectly has an ownership or beneficial interest in Tenant of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Tenant's contractors (i.e., any person or entity in direct contractual privity with Tenant regarding the subject matter of this agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Subowners") and spouses and domestic partners of such Subowners (Tenant and all the other preceding classes of persons and entities are together the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fund-raising committee (a) after execution of this agreement by Tenant, (b) while this agreement or any Other Contract (as hereinafter defined) is executory, (c) during the Term of this agreement or any Other Contract, or (d) during any period while an extension of this agreement or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to February 10, 2005, the effective date of Executive Order 2005-1.

Tenant represents and warrants that from the later of (a) February 10, 2005, or (b) the date the City approached Tenant, or the date Tenant approached the City, as applicable, regarding the formulation of this agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fund-raising committee.

Tenant agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fund-raising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fund-raising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fund-raising committee.

Tenant agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order Number 05-1 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order Number 05-1.

Notwithstanding anything to the contrary contained herein, Tenant agrees that a violation of, noncompliance with, misrepresentation with respect to, or breach of any covenant or warranty under this Section 28 or violation of Mayoral Executive Order Number 05-1 constitutes a breach and default under this agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this agreement, and under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Tenant intentionally violates this provision or Mayoral Executive Order Number 05-1 prior to the Closing, the City may elect to decline to close the transaction contemplated by this agreement.

For purposes of this provision:

(a) "Bundle" means to collect contributions from more than one source, which contributions are then delivered by one person to the Mayor or to his political fund-raising committee.

(b) "Other Contract" means any other agreement with the City to which Tenant is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council.

(c) "Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

(d) Individuals are "domestic partners" if they satisfy the following criteria:

- (i) they are each other's sole domestic partner, responsible for each other's common welfare; and
- (ii) neither party is married; and
- (iii) the partners are not related by blood closer than would bar marriage in the State of Illinois; and
- (iv) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
- (v) two of the following four conditions exist for the partners:

- (1) The partners have been residing together for at least 12 months.

- (2) The partners have common or joint ownership of a residence.

- (3) The partners have at least two of the following arrangements:

- (A) joint ownership of a motor vehicle;

- (B) joint credit account;

- (C) a joint checking account;

- (D) a lease for a residence identifying both domestic partners as tenants.

(4) Each partner identifies the other partner as a primary beneficiary in a will.

(e) "Political fund-raising committee" means a "political fund-raising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

12.4 Waste Ordinance Provisions.

In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Tenant warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this agreement is executory, Tenant's, any general contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this agreement, constitutes a breach of and an event of default under this agreement, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Chief Procurement Officer. Such breach and default entitles the City to all remedies under the agreement, at law or in equity. This section does not limit Tenant's, general contractor's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this agreement. Noncompliance with these terms and conditions may be used by the City as grounds for the termination of this agreement, and may further affect the Tenant's eligibility for future contract awards.

12.5 Failure To Maintain Eligibility To Do Business With City.

Failure by Tenant or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of this agreement and the transactions contemplated thereby. Developer shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

12.6 Cooperation With Office Of Inspector General And Legislative Inspector General.

It is the duty of Developer and any bidder, proposer, contractor, subcontractor, and every applicant for certification of eligibility for a City contract or program, and all officers, directors, agents, partners, and employees of any such grantee, subgrantee, bidder, proposer, contractor, subcontractor or such applicant to cooperate with the Legislative Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-55 of the Municipal Code, and to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code. Tenant represents and warrants that it understands and will abide by all provisions of Chapter 2-55 and Chapter 2-56 of the Municipal Code and that Tenant will inform its contractors and subcontractors of this provision and require their compliance.

Tenant hereby represents and warrants that no violation of Section 2-145-030(b) has occurred with respect to this agreement or the transactions contemplated hereby.

11.2 Patriot Act Certification.

Tenant represents and warrants that neither Tenant nor any Affiliate (as hereafter defined) thereof is listed on any of the following lists maintained by the Office of Foreign Assets Control of the United States Department of the Treasury, the Bureau of Industry and Security

of the United States Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable laws: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. As used in this Section, an "Affiliate" shall be deemed to be a person or entity related to Tenant that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Tenant, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

11.3 Prohibition On Certain Contributions -- Mayoral Executive Order Number 05-1.

This provision shall not apply to contributions made prior to February 10, 2005, the effective date of Executive Order 2005-1.

Tenant represents and warrants that from the later of (a) February 10, 2005, or (b) the date the City approached Tenant, or the date Tenant approached the City, as applicable, regarding the formulation of this agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fund-raising committee.

Tenant agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order Number 05-1 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order Number 05-1.

Notwithstanding anything to the contrary contained herein, Tenant agrees that a violation of, noncompliance with, misrepresentation with respect to, or breach of any covenant or warranty under this Section 28 or violation of Mayoral Executive Order Number 05-1 constitutes a breach and default under this agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this agreement, and under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Tenant intentionally violates this provision or Mayoral Executive Order No. 05-1 prior to the Closing, the City may elect to decline to close the transaction contemplated by this agreement.

For purposes of this provision:

(a) "Bundle" means to collect contributions from more than one source, which contributions are then delivered by one person to the Mayor or to his political fund-raising committee.

(b) "Other Contract" means any other agreement with the City to which Tenant is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council.

(c) "Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

WHEREAS, Since last May, residents of Guatemala have suffered the devastating impact of several natural disasters, including a volcanic eruption and ash fall, a powerful tropical storm, and resulting floods and landslides, and a frightening sinkhole in Guatemala City that swallowed up a small building and an intersection; and

WHEREAS, As a result of these concurrent natural disasters, Guatemala has sustained severe loss to human life, shelter, and critical infrastructure and officials estimate damages will surpass \$475 Million; and

WHEREAS, Natural disasters of this magnitude can have the effect of crippling the economy and infrastructure of a small, less developed nation like Guatemala; and

WHEREAS, Countries and organizations around the world have contributed millions of dollars in medicines and aid, and national and international humanitarian aid agencies are mobilizing to provide much needed assistance to the relief and recovery efforts; and

WHEREAS, The support of the international community, including that of the United States, is crucial for Guatemala's recovery, and as part of this support, granting Temporary Protected Status (TPS) for a period of eighteen months to Guatemalans currently living in the United States would provide significant economic and humanitarian benefits; and

WHEREAS, A designation of TPS permits nationals of a designated country living in the United States to reside here legally and qualify for work authorization for a specified period; and

WHEREAS, A designation of TPS is based, among other considerations, upon a determination that conflict or natural disaster exists in a country and that a return of that country's nationals could further destabilize the situation; and

WHEREAS, A designation of TPS for 18 months would give the nation time to recover from the disaster and ensure that remittances from Guatemalan nationals in the United States assist in the recovery; now, therefore,

Be It Resolved, That we, the Mayor and the members of the City Council of Chicago assembled this sixth day of October 2010, do hereby mourn the loss of life and express solidarity with all Guatemalans affected by the recent natural disasters, commend the brave efforts of the people of Guatemala as they recover, and recognize the assistance of the international community during the recovery effort in providing relief to the people of Guatemala; and

Be It Further Resolved, That we urge President Barack Obama and Department of Homeland Security Secretary Janet Napolitano, to grant Temporary Protected Status to Guatemalans currently living in the United States for a period of eighteen months to relieve pressures on basic service infrastructures that have been damaged, assist the Guatemalan government to focus its resources on those in dire need of assistance, and restore peace of mind for a people who have already suffered more than their share of hardship.

WHEREAS, In 2009, the Office of the Illinois Attorney General registered nearly 4,000 residential mortgage complaints from homeowners, a 65 percent increase over 2008; and

WHEREAS, Some so-called foreclosure "rescue" consultants charge homeowners significant up-front consulting fees to negotiate loan modifications with lenders; and

WHEREAS, The Illinois Mortgage Rescue Fraud Act protects homeowners against dishonest foreclosure "rescue" businesses; and

WHEREAS, As of February 2010, the Office of the Illinois Attorney General had filed 31 lawsuits targeting mortgage rescue scams; and

WHEREAS, The corporate authorities of the City of Chicago seek to promote public awareness of homeowners' rights under the Illinois Mortgage Rescue Fraud Act; now, therefore,

Rules Suspended -- PRESIDENT OF CHICAGO PUBLIC SCHOOLS ORDERED TO RESTORE HEAT TO AND POSTPONE DEMOLITION OF WHITTIER ELEMENTARY FIELDHOUSE.

[Or2010-923]

A proposed order reading as follows:

WHEREAS, Since Wednesday, September 15, 2010, parents, children, and activist have occupied the fieldhouse at Whittier Elementary School in protest of Chicago Public Schools (CPS) demolition plans; and

WHEREAS, CPS considers the building to be unsafe and does not have the funds to perform the necessary renovations, therefore the building must be demolished; and

WHEREAS, Protestors believe a library should be built for the Pilsen elementary school rather than torn down and turned into a soccer field for a neighboring private school; and

WHEREAS, Many insist the cost of rehabbing the building into a library would be less than the cost of demolition; and

WHEREAS, Union workers have volunteered to work for free to help transform the building into a library; and

WHEREAS, An engineering firm hired by CPS ruled the building unsafe, but a firm hired by the parents have said that it merely needs repairs and a new roof; and

WHEREAS, Alderman Daniel Solis, 25th Ward, believes a third firm should assess the building; and

WHEREAS, On Monday, October 4, 2010, CPS instructed Peoples Gas to turn off the heat at the fieldhouse so that the building could be vacated for a third assessment of its condition; and

WHEREAS, On Tuesday, October 5, 2010, State Representative Cynthia Soto, Chair of the Chicago Educational Facilities Task Force, recommended that CPS restore heat to the fieldhouse and halt demolition plans until the group releases recommendations on how CPS should decide which facilities to repair or re-build; and

WHEREAS, It is imperative that CPS and the Chicago Education Facilities Task Force work together to quickly resolve this conflict; now, therefore,

Be It Ordered, That we, the members of the Chicago City Council, hereby direct the president of the Chicago Public Schools to restore heat to the Whittier Elementary Fieldhouse and temporarily postpone demolition plans. CPS shall direct Peoples Gas to restore gas immediately. Demolition plans shall be halted till the Chicago Educational Facilities Task Force releases recommendations on how facilities should be repaired or built; and
