The Park District and the City are sometimes referred to herein as the "Parties".

Recitals.

A. The City is a home rule unit of government under Article VII, Section 6(a) of the 1970 Constitution of the State of Illinois and, as such, may exercise any power and perform any function pertaining to its government and affairs.

B. The Park District is a unit of local government under Article VII, Section 1 of the 1970 Constitution of the State of Illinois and, as such, has the authority to exercise control over and supervise the operation of all parks within the corporate limits of the City.

C. The Board of Commissioners of the Park District has authorized the acquisition of a vacant parcel of land commonly known as 410 West Chicago Avenue, in Chicago, Illinois, and legally described in (Sub)Exhibit A (the "Property") from the Chicago Housing Authority, an Illinois municipal corporation ("CHA"), pursuant to an ordinance adopted on February 10, 2010 (the "Park District Ordinance"). The CHA has approved the transfer of the Property to the Chicago Park District by Resolution Number 2010-CHA-72, adopted by the Board of Commissioners of the CHA on June 15, 2010. The Park District intends to own, control and operate a public park on the Property, (the "Park"), and has proposed to undertake certain improvements to the Park, such improvements being hereinafter referred to as the "Project".

D. The Park lies within the boundaries of the Near North Redevelopment Area (as hereinafter defined).

E. The City is authorized under the provisions of the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1, et seq., as amended from time to time (the "Act"), to finance projects that eradicate blight conditions and conservation factors that could lead to blight through the use of tax increment allocation financing for redevelopment projects.

F. In accordance with the provisions of the Act, and pursuant to ordinances adopted on July 30, 1997, and published in the *Journal of the Proceedings of the City Council of the City of Chicago*, for said date at pages 49207 to 49373, the City Council: (i) approved and adopted a "Tax Increment Redevelopment Project and Plan (the "Plan") for a portion of the City known as the Near North Redevelopment Project Area" (the "Near North Redevelopment Area"); (ii) designated the Near North Redevelopment Area as a "redevelopment project area" and a Tax Increment Financing District; and (iii) adopted tax increment allocation financing for the Near North Redevelopment Area.

G. Under 65 ILCS 5/11-74.4-3(q)(7), such incremental ad valorem taxes which pursuant to the Act have been collected and are allocated to pay redevelopment project costs and obligations incurred in the payment thereof ("Increment") may be used to pay all or a portion of a taxing district's capital costs resulting from a redevelopment project necessarily incurred or to be incurred in furtherance of the objectives of the redevelopment plan and project, to the extent the municipality by written agreement accepts and approves such costs (Increment collected from the Near North Redevelopment Area shall be known as the "Near North Increment").

H. The Park District is a taxing district under the Act.

I. The Plan contemplates that tax increment financing assistance would be provided for public improvements, such as the Project, within, or adjacent to, the boundaries of the Near North Redevelopment Area.

J. DHED and the Park District entered into an Intergovernmental Agreement ("Original Agreement") on February 15, 2011, whereby the City agreed to make available to the Park District a portion of the Near North Increment in an amount not to exceed \$5,000,000 for the purpose of funding the Project in the Park (the "TIF-Funded Improvements") to the extent and in the manner provided in the Original Agreement.

K. DHED now wishes to make available to the Park District a portion of the Near North Increment in an amount not to exceed \$10,000,000 (the "Project Assistance") for the purpose of funding the TIF-Funded Improvements to the extent and in the manner provided in this Amended Agreement.

L. In accordance with the Act, the TIF-Funded Improvements shall include such of the Park District's capital costs necessarily incurred or to be incurred in furtherance of the objectives of the Plan, and the City has found that the TIF-Funded Improvements consist of the cost of the Park District's capital improvements that are necessary and directly result from the redevelopment project constituting the Project and, therefore, constitute "taxing districts' capital costs" as defined in Section 5/11-74.4-3(u) of the Act.

M. The City and the Park District wish to enter into this Amended Agreement whereby the City shall pay for or reimburse the Park District for a portion of the TIF-Funded Improvements in an amount not to exceed \$10,000,000.

N. On _____, 2011, the City Council adopted an ordinance published in the *Journal of the Proceedings of the City Council of the City of Chicago* for said date at pages _____ to _____ (the "Authorizing Ordinance"), among other things, authorizing the execution of this Amended Agreement.

O. On September 15, 2010, the Park District's Board of Commissioners adopted a resolutions expressing its desire to cooperate with the City in the construction of the Project and authorizing the execution of this Amended Agreement (the "Park District Resolution").

Now, Therefore, In consideration of the mutual covenants and agreements contained herein, the above recitals which are made a contractual part of this Amended Agreement, and other good and valuable consideration the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

Terms And Conditions.

Section 1.

The Project.

1.1

No later than 24 months from the Closing Date, or later as the Commissioner or Acting Commissioner of DHED (the "Commissioner") may agree in writing, the Park District shall let one or more contracts for the construction and/or development of the Project in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, all as may be in effect from time to time, pertaining to or affecting the Project or the Park District as related thereto.

1.2

The Project shall at a minimum meet the requirements set forth in the Project Description in (Sub)Exhibit B hereof and comply with plans and specifications to be provided to and approved by DHED prior to the commencement of the Project ("Plans and Specifications") in order for the Park District to qualify for the disbursement of Near North Increment funds. No material deviation from the Plans and Specifications may be made without the prior written approval of the City. The Park District shall comply with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, all as may be in effect from time to time, pertaining to or affecting the Project or the Park District as related thereto.

1.3

The Park District shall provide the City with copies, if any shall apply, of all governmental licenses and permits required to construct the Project and to use, occupy and operate the Property as a public park from all appropriate governmental authorities, including evidence that the Property is appropriately zoned to be used, occupied and operated as a public park.

1.4

The Park District shall include a certification of compliance with the requirements of Sections 1.1, 1.2 and 1.3 hereof with each request for Near North Increment funds hereunder and at the time the Project is completed. The City shall be entitled to rely on this certification without further inquiry. Upon the City's request, the Park District shall provide evidence satisfactory to the City of such compliance.

*Section 2.**Funding.*

2.1

The City shall, subject to the Park District's satisfaction of the conditions precedent for disbursement described in this Section 2 and such other conditions contained in this Agreement, disburse the Project Assistance to the Park District. The Park District shall keep the Project Assistance in a segregated account to be used only for the Project.

2.2

No later than the date on which the Park District submits a Certificate of Expenditure (as defined below), or such longer period of time as may be agreed to by the Commissioner (the "Satisfaction Period"), the Park District must satisfy to the reasonable satisfaction of the Commissioner, the following conditions precedent for the City's disbursement of the Project Assistance to the Park District:

- (a) the Park District has provided or has caused to be provided to the City:
 - (i) copies of all easements and encumbrances of record;
 - (ii) two copies of a Class A plat survey in the most recently revised form of ALTA/ACSM land title survey, acceptable in form and content to the City prepared by a surveyor registered in the State of Illinois, certified to the Park District, and certifying as to whether the Property is in an area identified by the Federal Emergency Management Agency as having special flood hazards;
 - (iii) a copy of the most recent real estate tax bill with respect to the Property, to the extent available; and
 - (iv) a copy of the most recent water bill with respect to the Property, to the extent available.
- (b) if the Park District is unable to satisfy the conditions stated in this Section 2.2 within the Satisfaction Period, either Party may terminate this Amended Agreement by providing written notice to the other Party.

2.3

The Park District may request that a certificate(s) of expenditure in the form of (Sub)Exhibit C hereto ("Certificates of Expenditure") be processed and executed periodically. The City shall not execute Certificates of Expenditure in the aggregate in excess of the actual costs of the Project that are TIF-Funded Improvements. Prior to each execution of a

Certificate of Expenditure by the City, the Park District shall submit documentation regarding the applicable expenditures to DHED. Delivery by the Park District to DHED of any request for execution by the City of a Certificate of Expenditure hereunder shall, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such request for execution of a Certificate of Expenditure, that:

- (a) the total amount of the request for the Certificate of Expenditure represents the actual amount payable to (or paid to) the general contractor, subcontractors, and other parties who have performed work on or otherwise provided goods or services in connection with the Project, and/or their payees;
- (b) all amounts shown as previous payments on the current request for a Certificate of Expenditure have been paid to the parties entitled to such payment;
- (c) the Park District has approved all work and materials for the current request for a Certificate of Expenditure, and such work and materials conform to the Plans and Specifications previously approved by DHED; and
- (d) the Park District is in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, all as may be in effect from time to time, pertaining to or affecting the Project or the Park District as related thereto.

2.4

The City shall have the right, in its discretion, to require the Park District to submit further documentation as the City may require in order to verify that the matters certified to in Section 2.3 are true and correct, and any execution of a Certificate of Expenditure by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by the Park District.

2.5

The current estimate of the cost of the Project is \$15,000,000. The Park District has delivered to the Commissioner a project budget for the Project attached as (Sub)Exhibit D. The Park District certifies that it has identified sources of funds (including the Project Assistance) sufficient to complete its budgeted portion of the Project. The City acknowledges that the Jesse White Foundation is contributing \$5,000,000 towards the development of the Project. The Park District agrees that the City will only contribute the Project Assistance to the Project and that all costs of completing the Project over the Project Assistance shall be the sole responsibility of the Park District. If the Park District at any point does not have sufficient funds to complete the Project, the Park District shall so notify the City in writing, and the Park District may narrow the scope of the Project (the "Revised Project") as agreed with the City in order to complete the Revised Project with the available funds.

2.6

(Sub)Exhibit D contains a preliminary list of capital improvements and other costs, if any, recognized by the City as being eligible redevelopment project costs under the Act with respect to the Project, to be paid for out of the Project Assistance. To the extent the TIF-Funded Improvements are included as taxing district capital costs under the Act, the Park District acknowledges that the TIF-Funded Improvements are costs for capital improvements and the City acknowledges it has determined that these TIF-Funded Improvements are necessary and directly result from the Plan. Prior to the expenditure of Project Assistance on the Project, the Commissioner, based upon the project budget, may make such modifications to (Sub)Exhibit D as he or she wishes in his or her discretion to account for all of the Project Assistance to be expended under this Amended Agreement; provided, however, that all TIF-Funded Improvements shall (i) qualify as redevelopment project costs under the Act, (ii) qualify as eligible costs under the Plan; and (iii) be improvements that the Commissioner has agreed to pay for out of Project Assistance, subject to the terms of this Amended Agreement.

2.7

The Park District hereby acknowledges and agrees that the City's obligations hereunder with respect to the Project Assistance are subject on every respect to the availability of funds as described in and limited by this Section 2.7 and Section 2.2. If no funds or insufficient funds are appropriated and budgeted in any fiscal period of the City for disbursements of the Project Assistance, then the City will notify the Park District in writing of that occurrence, and the City may terminate this Amended Agreement on the earlier of the last day of the fiscal period for which sufficient appropriation was made or whenever the funds appropriated for disbursement under this Amended Agreement are exhausted.

2.8

If the aggregate cost of the Project is less than the amount of the Project Assistance contemplated by this Amended Agreement, the Park District shall have no claim to the difference between the amount of the Project Assistance contemplated by this Amended Agreement and the amount of the Project Assistance actually paid by the City to the Park District and expended by the Park District on the Project.

Section 3.

Term.

The term of this Amended Agreement shall commence on the Closing Date and shall expire on the date on which the Near North Redevelopment Area is no longer in effect, or on the date of termination of this Amended Agreement according to its terms, whichever occurs first.

*Section 4.**Environmental Matters.*

4.1

The Chicago Park District shall, in its sole discretion, determine if any *environmental* remediation is necessary, and any such work that the Park District determines is necessary shall be performed using the Project Assistance funding provided herein or any applicable funding provided by the Jesse White Foundation or the Park District. The City's financial obligation shall be limited to an amount not to exceed \$10,000,000 with respect to the matters contained in this Amended Agreement, including this Section 4. The City makes no covenant, representation or warranty as to the environmental condition of the Park or the suitability of the Park as a park or for any use whatsoever.

4.2

The Park District agrees to carefully inspect the Property prior to commencement of any remediation or development on the Property to ensure that such activity shall not damage surrounding property, structures, utility lines or any subsurface lines or cables. The Park District shall be solely responsible for the safety and protection of the public. The City reserves the right to inspect the work being done on the Property. The Park District agrees to keep the Property free from all liens and encumbrances arising out of any work performed, materials supplied or obligations incurred by or for the Park District.

4.3

The Park District or its contractor must obtain all necessary permits, and applicable insurance as described in Section 5 hereof.

*Section 5.**Insurance.*

5.1

The Park District shall provide and maintain at the Park District's own expense, or cause to be provided during the term of this Amended Agreement, the insurance coverages and requirements specified below, insuring all operations related to this Amended Agreement.

(a) Workers' Compensation And Employer's Liability.

Workers' Compensation as prescribed by applicable law covering all employees who are to provide a service under this Amended Agreement and Employer's Liability coverage with limits of not less than \$100,000 each accident or illness.

(b) Commercial General Liability (Primary And Umbrella).

Commercial General Liability Insurance or equivalent with limits of not less than \$1,000,000 per occurrence for bodily injury, personal injury, and property damage liability. Coverages shall include the following: all premises and operations, products/completed operations, explosion, collapse, underground, separation of insureds, defense, and contractual liability (with no limitation endorsement). The City of Chicago is to be named as an additional insured on a primary, noncontributory basis for any liability arising directly or indirectly from the work.

(c) Automobile Liability (Primary And Umbrella).

When any motor vehicles (owned, non-owned and hired) are used in connection with work to be performed, the Park District shall provide or cause to be provided, Automobile Liability Insurance with limits of not less than \$1,000,000 per occurrence for bodily injury and property damage.

(d) Professional Liability.

When any architects, engineers or professional consultants perform work in connection with this Amended Agreement, the Park District shall cause to be provided, Professional Liability Insurance covering acts, errors, or omissions shall be maintained with limits of not less than \$1,000,000.

(e) Self-Insurance.

To the extent permitted by applicable law, the Park District may self-insure for the insurance requirements specified above, it being expressly understood and agreed that, if the Park District does self-insure for any such insurance requirements, the Park District must bear all risk of loss for any loss which would otherwise be covered by insurance policies, and the self-insurance program must comply with at least such insurance requirements as stipulated above.

5.2

The Park District will furnish the City at the address stated in Section 8.13, original Certificates of Insurance evidencing the required coverage to be in force on the Closing Date, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the term of this Amended Agreement. The Park District shall submit evidence of insurance on the City's Insurance Certificate Form or equivalent prior to the Closing Date. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in this Amended Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Amended Agreement requirements. The failure of the City to obtain certificates or other insurance evidence shall not be deemed to be a waiver by the City.

5.3

The Park District shall advise all insurers of the provisions of this Amended Agreement regarding insurance. Nonconforming insurance shall not relieve the Park District of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of this Amended Agreement, and the City retains the right to stop work until proper evidence of insurance is provided, or this Amended Agreement may be terminated.

5.4

The required insurance shall provide for sixty (60) days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

5.5

Any and all deductibles or self-insured retentions on referenced insurance coverages shall be borne by the Park District and its contractors.

5.6

The Park District agrees that insurers shall waive their rights of subrogation against the City, its employees, elected officials, agents, or representatives.

5.7

The Park District expressly understands and agrees that any coverage and limits furnished by the Park District shall in no way limit the Park District's liabilities and responsibilities specified by this Amended Agreement or by law.

5.8

The Park District expressly understands and agrees that any insurance or self-insurance programs maintained by the City shall not contribute with insurance provided by the Park District under this Amended Agreement.

5.9

The required insurance shall not be limited by any limitations expressed in the indemnification language herein or any limitation placed on the indemnity therein given as a matter of law.

5.10

The Park District shall require all subcontractors to provide the insurance required herein and insurance customarily required by the Park District or the Park District may provide the required coverages for subcontractors. All subcontractors shall be subject to the same insurance requirements of the Park District unless otherwise specified herein. In all contracts relating to the Project, the Park District agrees to require the contractor to name the City as an additional insured on insurance coverages and to require the contractor to indemnify the City from all claims, damages, demands, losses, suits, actions, judgments and expenses including but not limited to attorney's fees arising out of or resulting from work on the Project by the contractor or contractor's suppliers, employees, or agents.

7.1

(ii) all amounts shown as previous payments on the current Requisition Form have been paid to the parties entitled to such payment;

(iii) the Board has approved all work and materials for the Requisition Form, and such work and materials conform to the plans and specifications for the Project; and

(iv) the Board is in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, as well as all policies, programs and procedures of the Board, all as may be in effect from time to time, pertaining to or affecting the Project or the Board as related thereto.

The City shall have the right, in its discretion, to require the Board to submit further documentation as the City may require in order to verify that the matters certified to above are true and correct, and the approval of the Requisition Form by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by the Board.

(c) [Intentionally Omitted]

(d) Payments of City Increment Funds will be subject to the availability of Wilson Yard Increment in the Wilson Yard Tax Increment Financing Redevelopment Project Area Special Tax Allocation Fund created pursuant to the Adoption Ordinance (the "Special Tax Allocation Fund"), subject to all applicable restrictions on and obligations of the City contained in all City ordinances relating to the Wilson Yard Increment and all agreements and other documents entered into by the City pursuant thereto.

(e) (i) The Board's right to receive payments hereunder shall be subordinate to the obligations of the City to be paid from Wilson Yard Increment and the commitments by the City to pay Wilson Yard Increment listed on (Sub)Exhibit J hereto.

(ii) The City, subject to the terms of this subsection 1(e)(ii), may, until the earlier to occur of (1) the expiration of the Term of this Agreement or (2) the date that the City has paid directly or the Board has been reimbursed in the full amount of the City Funds under this Agreement, exclude up to 90 percent of the Increment generated from the construction value of a new assisted development project and pledge that Increment to a developer on a basis superior to that of the Board. For purposes of this subsection, "a new assisted development project" shall not include any development project that is or will be exempt from the payment of ad valorem property taxes. Further, for purposes of this subsection, "Increment generated from the construction value of a new assisted development project" shall be the amount of Increment generated by the equalized assessed value ("EAV") of such affected parcels over and above the EAV of such affected parcels for the year immediately preceding the year in which the new assisted development project commences (the "Base Year"). Except for the foregoing, the Board shall retain its initial lien status relative to Wilson Yard Increment.

In the event that the City elects to avail itself of the provisions of this subsection, it shall, at least seven (7) days prior to executing a binding commitment pledging the Increment described above, certify, in a letter to the Board, the affected parcels and the EAV thereof for the Base Year.

(f) [Intentionally Omitted]

(g) The availability of City Increment Funds is subject to the City's compliance with all applicable requirements regarding the use of the Wilson Yard Increment deposited annually into the Special Tax Allocation Fund and the timing of such use.

(h) The Board shall, at the request of the City, agree to any reasonable amendments to this Agreement that are necessary or desirable in order for the City to issue (in its sole discretion) any bonds in connection with the Redevelopment Area, the proceeds of which may be used to reimburse the City for expenditures made in connection with, or provide a source of funds for the payment for, the TIF-Funded Improvements ("Bonds"); provided, however, that any such amendments shall not have a material adverse effect on the Board or the Project. The Board shall, at the Board's expense, cooperate and provide reasonable assistance in connection with the marketing of any such Bonds, including but not limited to providing written descriptions of the Project, making representations, providing information regarding its financial condition and assisting the City in preparing an offering statement with respect thereto. The City may, in its sole discretion, use all or a portion of the proceeds of such Bonds if issued to pay for all or a portion of the TIF-Funded Improvements.

2. The current estimate of the cost of the Project is \$3,495,042. The Board has delivered to the Commissioner, and the Commissioner hereby approves, a detailed project budget for the Project, attached hereto and incorporated herein as (Sub)Exhibit G. The Board certifies that it has identified sources of funds (including the City Funds) sufficient to complete the Project. The Board agrees that the City will only contribute the City Funds to the Project and that all costs of completing the Project over the City Funds shall be the sole responsibility of the Board. If the Board at any point does not have sufficient funds to complete the Project, the Board shall so notify the City in writing, and the Board may narrow the scope of the Project as agreed with the City in order to construct and rehabilitate the Facility with the available funds.

3. Attached as (Sub)Exhibit H and incorporated herein is a preliminary list of capital improvements, land assembly costs, relocation costs and other costs, if any, recognized by the City as being eligible redevelopment project costs under the Act with respect to the Project, to be paid for out of City Funds ("TIF-Funded Improvements"); and to the extent the TIF-Funded Improvements are included as taxing district capital costs under the Act, the Board acknowledges that the TIF-Funded Improvements are costs for capital improvements and the City acknowledges it has determined that these TIF-Funded Improvements are necessary and directly result from the Wilson Yard Redevelopment Plan. Prior to the expenditure of City Funds on the Project, the Commissioner, based upon the detailed project budget, shall make such modifications to (Sub)Exhibit H as he or she wishes in his or her discretion to account for all of the City Funds to be expended under this Agreement; provided, however, that all TIF-Funded Improvements shall (i) qualify as redevelopment project costs under the Act, (ii) qualify as eligible costs under the Wilson Yard Redevelopment Plan; and (iii) be improvements that the Commissioner has agreed to pay for out of City Funds, subject to the terms of this Agreement.

4. If the aggregate cost of the Project is less than the amount of the City Funds contemplated by this Agreement, the Board shall have no claim to the difference between the amount of the City Funds contemplated by this Agreement and the amount of the City Funds actually paid by the City to the Board and expended by the Board on the Project.

5. If requested by the City, the Board shall provide to the City quarterly reports on the progress of the Project and reasonable access to its books and records relating to the Project.

6. Commencing with the first State fiscal year (July 1 -- June 30) beginning after the execution of this Agreement and for each State fiscal year thereafter until and including State fiscal year 2025, the Board shall annually notify the City of (i) the amount of the actual, final award that it receives from the Illinois Capital Development Board pursuant to the Illinois School Construction Law (5 ILCS 230/5-1), and (ii) any available "Excess Amount" (as defined in the following sentence). In the event that such an award in any particular State fiscal year exceeds 130 percent of \$114,914,131, as adjusted every January 31, beginning January 31, 2005, by the Consumer Price Index for All Urban Consumers for all items published by the United States Department of Labor for the preceding calendar year period (the "Base Amount"), the Board shall provide the City with value equivalent to an amount that is equal to 50 percent of the grant amount that the Board receives that is in excess of 130 percent of the Base Amount (the "Excess Amount"). For example, if the Base Amount was \$100.00 and if the Board was awarded a grant of \$150.00 in a particular State fiscal year, \$20.00 of this award would qualify as Excess Amount; therefore, the Board would provide the City with value equivalent to \$10.00, which is 50 percent of the Excess Amount. After receipt by the City of the notice required under this paragraph and if an Excess Amount exists in any particular fiscal year, the Board and the City shall determine, by mutual agreement, what the equivalent value should be, if any, and the City shall inform the Board whether it wishes to receive such value by (i) having the Board pay the City, for its application, as determined by the City, an amount equal to the Excess Amount, or (ii) applying a reduction or credit (equal to the Excess Amount), in whole or in part, to some future assistance that the City is providing to the Board through one or more tax increment financing agreements. The City and the Board shall cooperate to establish a mutually agreeable process under which the Board will provide the requisite value to the City. It is acknowledged between the Board and City that a similar undertaking of the Board may be contained in other agreements between the City and the Board pursuant to which the City provides tax increment financing assistance for capital projects of the Board. Accordingly, the City shall have the sole and exclusive right to determine how to deal with the Excess Amount within the context of the several agreements that may be outstanding or contemplated from time to time that address the City's rights regarding any such Excess Amount.

Article Four

Term.

The Term of the Agreement shall be deemed to have commenced as of the Agreement Date set forth above and shall expire on the date on which the Wilson Yard Redevelopment Area is no longer in effect (through and including December 31, 2025).

*Article Five.**Indemnity; Default.*

1. The Board agrees to indemnify, defend and hold the City, its officers, officials, members, employees and agents harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, reasonable attorneys' fees and court costs) suffered or incurred by the City arising from or in connection with (i) the Board's failure to comply with any of the terms, covenants and conditions contained within this Agreement, or (ii) the Board's or any contractor's failure to pay general contractors, subcontractors or materialmen in connection with the Project.

2. The failure of the Board to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Board under this Agreement or any related agreement shall constitute an "Event of Default" by the Board hereunder. Upon the occurrence of an Event of Default, the City may terminate this Agreement and all related agreements, and may suspend disbursement of the City Funds. The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to injunctive relief or the specific performance of the agreements contained herein.

In the event the Board shall fail to perform a covenant which the Board is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the Board has failed to cure such default within thirty (30) days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those defaults which are not capable of being cured within such thirty (30) day period, the Board shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

3. The failure of the City to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the City under this Agreement or any other agreement directly related to this Agreement shall constitute an "Event of Default" by the City hereunder. Upon the occurrence of an Event of Default, the Board may terminate this Agreement and any other agreement directly related to this Agreement. The Board may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to injunctive relief or the specific performance of the agreements contained herein.

In the event the City shall fail to perform a covenant which the City is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the City has failed to cure such default within thirty (30) days of its receipt of a written notice from the Board specifying the nature of the default; provided, however, with respect to those defaults which are not capable of being cured within such thirty (30) day period, the City shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

*Second Amendment To TIF Neighborhood Improvement Program Agreement
In The Englewood Neighborhood Redevelopment Project Area
For Single-Family Housing.*

This second amendment to the TIF Neighborhood Improvement Program agreement (the "Agreement") is made as of this day _____ of _____, 2011 by and between the City of Chicago, a municipal corporation and home rule unit of local government existing under the 1970 Constitution of the State of Illinois (the "City"), acting through its Department of Housing and Economic Development ("DHED"), and Neighborhood Housing Services of Chicago, Inc., an Illinois not-for profit corporation ("NHS").

Whereas, The City is authorized under the provisions of the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1, et seq., as amended from time to time (the "Act"), to finance projects that eradicate blighted conditions and conservation area factors through the use of tax increment allocation financing for redevelopment projects; and

Whereas, To induce redevelopment pursuant to the Act, the City Council of the City (the "City Council") adopted the following ordinances on June 27, 2001: (1) "An Ordinance of the City of Chicago, Illinois Approving a Redevelopment Plan for the Englewood Neighborhood Redevelopment Project Area"; (2) "An Ordinance of the City of Chicago, Illinois Designating the Englewood Neighborhood Redevelopment Project Area as a Redevelopment Project Area Pursuant to the Tax Increment Allocation Redevelopment Act"; and (3) "An Ordinance of the City of Chicago, Illinois Adopting Tax Increment Allocation Financing for the Englewood Neighborhood Redevelopment Project Area" (the "Englewood Neighborhood Financing Ordinance"). The redevelopment project area referred to above is referred to herein as the "Englewood Neighborhood TIF Area" and the Redevelopment Plan referred to above is referred to herein as the "Englewood Neighborhood Plan"; and

Whereas, The City, through DHED, established a TIF Neighborhood Improvement program to fund improvements to single-family residential properties in the Englewood Neighborhood TIF Area (the "Englewood Program") and had entered into an agreement in 2005 with NHS ("Agreement") pursuant to which NHS performed certain administrative services for the Englewood Program; and

Whereas, In the Agreement, DHED made available the proceeds of a loan to the City from Local Initiatives Support Corporation ("LISC"), dated December 10, 2004 and with an original principal amount of up to \$1,500,000 (the "Loan") for the Englewood Program; and

Whereas, By an ordinance adopted by the City Council of the City on October 8, 2008, the City approved \$1,500,000 in additional funds (the "First Re-Funding"), for a total, collective amount of \$3,000,000 for the Englewood Program and approved the execution and delivery of the First Amendment to the Agreement; and

Whereas, The City now desires to further expand the scope of the Englewood Program by providing for up to \$1,000,000 in additional funds to continue to fund improvements for single-family residential properties within the Englewood Neighborhood TIF Area ("New Funds"); and

Whereas, The City now desires to amend the Agreement with NHS pursuant to which NHS will continue to provide administrative services under the newly expanded Englewood Program; and

Whereas, The City's obligation to provide the New Funds under the Agreement will be met through (i) incremental taxes deposited in the Special Tax Allocation Fund of the Englewood Neighborhood TIF Area, or (ii) any other funds legally available to the City for this purpose; and

Whereas, By an ordinance adopted by the City Council of the City on _____, 2011, the City has approved the execution and delivery of this Second Amendment to the Agreement;

Now, Therefore, In consideration of the mutual promises and covenants set forth below, the parties hereto agree as follows:

Article II.

Reaffirmation Of Representations, Warranties And Covenants.

NHS reaffirms each and every representation, warranty and covenant made in Article III of the Agreement. NHS reaffirms that it has insurance in force that conforms to the requirements of Section 4.9 of the Agreement.

Article III.

Amendments To Agreement.

The Agreement is amended as follows:

(a) Substitute the following text for the current text in Article IV, Section 4.2(a):

(a) The total amount of Program Funds shall be up to an aggregate of \$4,000,000, including the proceeds of the Loan, the First Re-Funding and the New Funds in an

amount not to exceed \$1,000,000 from the Special Tax Allocation Fund of the Englewood Neighborhood TIF Area, or any other funds legally available to the City for this purpose. NHS shall provide written notice to the City when the aggregate amount of Program Funds committed or paid hereunder, including Grants and administrative costs paid to or for the account of NHS pursuant to Section 6.5, equals \$3,750,000. Program Funds are deemed committed for purposes of this section when NHS has determined the amount of Program Funds to be the subject of a Grant and sent notice of final approval of an Application pursuant to Section 4.3(e) to an Eligible Homeowner. Notwithstanding the foregoing, NHS understands and agrees that the City's obligation to provide Program Funds under this Agreement is expressly conditioned upon the availability of unencumbered incremental taxes in the Special Tax Allocation Fund for the Englewood Neighborhood TIF Area. No Grants shall be made or committed to be made by NHS hereunder when such commitment would result in the aggregate amount of Grants, together with all administrative costs related to such Grants paid to NHS pursuant to Section 6.5, exceeding the available Program Funds in such amount as the City may determine from time to time. No Grants shall be made or committed to be made by NHS hereunder after the date of receipt of the notice from the City described in Section 6.2 hereof regarding the termination of this Agreement.

(b) Substitute the following text for the current text in Article IV, Section 4.2(b):

(b) As of the date of this Agreement, the total amount of funds available hereunder for use in the Englewood Neighborhood TIF Area is \$4,000,000. This amount may be changed from time to time upon written notice by DHED to NHS, provided that the aggregate amount shall not exceed \$4,000,000 (or such other amount as the City may determine from time to time).

(c) Substitute the following text for the current text in Article IV, Section 4.2(c):

(c) The City will from time to time place all or a portion of the New Funds, in an amount determined by DHED but not exceeding \$1,000,000 in the aggregate, into an interest-bearing segregated or escrow account established by NHS for this purpose. Any income earned on amounts held in the account shall be used at the sole discretion of the City: (i) to make Grants hereunder, or (ii) in such other manner as the City determines. NHS shall disburse funds from this account to the City at the written request of the City if income is earned on amounts held in the account. NHS shall make any such disbursement within 30 days of its receipt of the City's request. NHS agrees that any disbursements from this account which are later determined to have been made in violation of this Agreement will be repaid to this account by NHS.

(d) Substitute "\$4,000,000" for any other occurrences of "\$3,000,000" in the Agreement.

(e) Add the following definition of "First Re-Funding" in Article II:

"First Re-Funding" means the \$1,500,000 for the Englewood Program approved by an ordinance adopted by the City Council on October 8, 2008.

Except as set forth herein, the Agreement is not amended.

Article IV.

Obligation To Provide Documents.

NHS shall execute and deliver to DHED such documents as may be required by the Corporation Counsel of the City, including, but not limited to, the City's current form of Economic Disclosure Statement.

In Witness Whereof, The City and NHS have executed this Agreement as of the date first set forth above.

ARTICLE II

THE BONDS

Section 2.01 Issuance of Bonds. The Bonds shall be issued in the aggregate principal amount of \$_____; shall be designated "Multi-Family Housing Revenue Bonds (Hazel Winthrop Apartments) Series 2011A (FHA Insured/GNMA)"; shall be issued only as fully registered bonds; and shall be in the Authorized Denominations requested by the Holder (*provided, however*, that each Bond shall have only one principal maturity date). Unless the Issuer shall otherwise direct, the Bonds shall be numbered from R-1 upward.

Each Bond shall be in the form attached as *Exhibit A* to this Indenture, shall be dated the Issuance Date, and shall bear interest until paid from the most recent date to which interest has been duly paid or provided for or, if no interest has been paid or duly provided for, from the Issuance Date.

Interest on the Bonds is payable on _____, 2011, and on each _____ 2 and _____ thereafter (the "Interest Payment Dates"). Interest on the Bonds shall be calculated on the basis of a 360-day year of twelve 30-day months.

The Bonds shall mature on _____, 20____, and shall bear interest at the Interest Rate:

<u>Year</u>	<u>Principal Amount</u>	<u>Interest Rate</u>
20__	\$ _____	_____ %

Section 2.02 Payment of Bonds. - Payment of principal, premium, if any, and interest shall be made in lawful money of the United States of America. Principal of and premium, if any, on the Bonds due upon maturity or earlier redemption in whole shall be paid only upon presentation and surrender thereof for cancellation at the principal corporate trust office of the Trustee or at the principal office of any additional paying agent appointed pursuant to Section 7.13 hereof to the Person appearing on the registration books as the registered Holder thereof. Payment of the interest and principal (other than as set forth above) on any Bond shall be made to the Person whose name appears on the Bond Register as the registered Holder thereof as of the close of business on the Regular Record Date applicable to such Interest Payment Date, such interest to be paid by check or draft mailed to such registered Holder at his or her address as it appears on such Bond Register, notwithstanding the cancellation of such Bond upon any registration of transfer or exchange thereof subsequent to such Regular Record Date and prior to such Interest Payment Date; provided, however, that payment of interest on any Interest Payment Date shall be made by wire transfer to the Holder as of the close of business on the Regular Record Date upon written notice of such wire transfer address in the continental United States of America by such Holder to the Trustee given prior to such Regular Record Date (which notice may provide that it will remain in effect until revoked), and further provided that such wire transfer shall only be made with respect to an owner of \$1,000,000 or more in aggregate principal amount of the Bonds as of the close of business on the Regular Record Date relating to such Interest Payment Date.

If the funds available under this Indenture are insufficient on any Interest Payment Date to pay the interest then due, the Regular Record Date shall no longer be applicable with respect to the Bonds. If sufficient funds for the payment of such overdue interest thereafter become available, the Trustee shall immediately establish a special interest payment date for the payment of the overdue interest and a Special Record Date (which shall be a Business Day) for determining the Holders entitled to such payments. Notice of such day so established shall be given by first-class mail by the Trustee to each Holder at least 10 days prior to the Special Record Date, but not more than 30 days prior to the special interest payment date. The overdue interest shall be paid on the special interest payment date to the Person whose name appears on the Bond Register as the Registered Holder thereof as of the close of business on the Special Record Date. Prior Holders of Bonds who transfer or exchange Bonds prior to such Special Record Date shall have no rights with respect to the payment of overdue interest on the Bonds so transferred or exchanged.

Section 2.03 Restriction on Issuance of Bonds. No Bonds may be issued under the provisions of this Indenture except in accordance with this Article. The total principal amount of Bonds that may be issued hereunder, other than Bonds issued pursuant to the provisions of Sections 2.08 and 2.10 hereof or in substitution for other Bonds, is expressly limited to the amount set forth in Section 2.01.

Section 2.04 Limited Obligations. The Bonds and the interest thereon are limited obligations of the Issuer, payable solely from the revenues, receipts and security pledged

therefor in the Granting Clauses hereof. The Bonds, together with premium, if any, and interest thereon, do not constitute an indebtedness, liability, general or moral obligation or a pledge of the full faith or loan of credit of the Issuer, the State, or any political subdivision of the State within the meaning of any constitutional or statutory provisions. Neither the Issuer, the State nor any political subdivision thereof shall be obligated to pay the principal of, premium, if any, or interest on the Bonds or other costs incident thereto except from the payments pledged with respect thereto and certain reserve funds established in connection therewith. Neither the faith and credit nor the taxing power of the United States of America, the Issuer, the State or any political subdivision thereof is pledged to the payment of the principal of, premium, if any, or interest on the Bonds or other costs incident thereto. The Bonds are not a debt of the United States of America or any agency thereof, and are not guaranteed by the United States of America or any agency thereof.

Section 2.05 Indenture Constitutes Contract. In consideration of the purchase and acceptance of the Bonds issued hereunder by those who shall hold them from time to time, the provisions of this Indenture shall be deemed to be a part of, and continue to be, a contract between the Issuer and the Holders of the Bonds from time to time.

Section 2.06 Execution. The Bonds shall be executed on behalf of the Issuer by the manual or facsimile signature of its Mayor or Chief Financial Officer, attested by the manual or facsimile signature of its City Clerk or Deputy City Clerk, under the official seal, or a facsimile thereof, of the Issuer. Any facsimile signatures shall have the same force and effect as if said officers had manually signed said Bonds. Any reproduction of the official seal of the Issuer on the Bonds shall have the same force and effect as if the official seal of the Issuer had been impressed on the Bonds.

In case any officer whose manual or facsimile signature shall appear on any Bonds shall cease to be such officer before the delivery of such Bonds, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes, the same as if he had remained in office until delivery, and also any Bond may bear the facsimile signatures of, or may be signed by, such persons as at the actual time of the execution of such Bond shall be the proper officers to sign such Bond although at the date of such Bond such persons may not have been such officers.

Section 2.07 Authentication. Only such Bonds as shall have endorsed thereon a certificate of authentication substantially in the form on the attached *Exhibit A* set forth duly executed by the Trustee shall be entitled to any right or benefit under this Indenture. No Bond shall be valid or obligatory for any purpose unless and until such certificate of authentication shall have been duly executed manually by the Trustee; and such executed certificate upon any such Bond shall be conclusive evidence that such Bond has been authenticated and delivered under this Indenture. The Trustee's certificate of authentication on any Bond shall be deemed to have been executed by it if signed by an authorized officer of the Trustee, but it shall not be necessary that the same person sign the certificate of authentication of all of the Bonds.

Section 2.08 Mutilated, Lost, Stolen or Destroyed Bonds. In the event any Bond is mutilated, lost, stolen or destroyed, the Issuer shall execute and the Trustee shall authenticate a new Bond, of like date, Interest rate, maturity and denomination as that mutilated, lost, stolen or destroyed. Any mutilated Bond shall first be surrendered to the Trustee; and in the case of any lost, stolen or destroyed Bond, there shall first be furnished to the Issuer and the Trustee evidence of such loss, theft or destruction reasonably satisfactory to them together with

indemnity reasonably satisfactory to them. In the event any such Bond shall have matured, instead of issuing a duplicate Bond or Bonds the Trustee may pay the same without surrender thereof. The Issuer and the Trustee may charge the holder or owner of such Bond with their reasonable fees and expenses, including the cost of printing replacement Bonds.

Every new Bond issued pursuant to this Section shall, with respect to such Bond, constitute an additional contractual obligation of the Issuer, whether or not the mutilated, lost, stolen or destroyed Bond shall be found at any time, and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Bonds duly issued hereunder. All Bonds shall be held and owned on the express condition that the foregoing provisions of this Section are exclusive with respect to the replacement or payment of mutilated, lost, stolen or destroyed Bonds and shall preclude any and all rights or remedies, notwithstanding any law or statute existing or hereafter enacted to the contrary with respect to the replacement or payment of negotiable instruments or other securities without their surrender.

Section 2.09 Transfer and Exchange of Bonds; Persons Treated as Holders. The Trustee as Registrar shall cause a bond register (herein sometimes referred to as the "Bond Register") to be kept for the registration of transfers of Bonds. Any Bond may be transferred only upon an assignment duly executed by the registered Holder or his or her duly authorized representative in such form as shall be satisfactory to the Registrar, and upon surrender of such Bond to the Trustee for cancellation. Whenever any Bond or Bonds shall be surrendered for transfer, the Issuer shall execute and the Trustee shall authenticate and deliver to the transferee a replacement fully registered Bond or Bonds of Authorized Denomination in an aggregate principal amount equal to the unmatured and unredeemed principal amount of, and bearing interest at the same rate and maturing on the same date or dates as, the Bonds being presented and surrendered for transfer.

Any Bond may, in accordance with its terms, be exchanged, at the office of the Trustee, for a new fully registered Bond or Bonds, of the same maturity, of any Authorized Denomination or Denominations in an aggregate principal amount equal to the unmatured and unredeemed principal amount of, and bearing interest at the same rate as, the Bonds being exchanged.

In all cases in which Bonds shall be transferred or exchanged hereunder, the Trustee may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such transfer or exchange.

All Bonds issued upon any transfer or exchange of Bonds shall be the valid limited obligations of the Issuer, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Bonds surrendered upon transfer or exchange. Neither the Issuer nor the Trustee shall be required to make any exchange or transfer of a Bond during a period beginning at the opening of business 15 days before (i) any Interest Payment Date (including any special interest payment date described in Section 2.02 hereof), or (ii) the day of the mailing of a notice of redemption of Bonds and ending at the close of business on the day of such mailing or such Interest Payment Date, or to transfer or exchange any Bonds selected for redemption, in whole or in part.

The Person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes and payment of or on account of the principal of and premium and interest on any such Bond shall be made only to or upon the order of the registered Holder thereof or his legal representative, and neither the Issuer nor the

Trustee shall be affected by any notice to the contrary. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums to be paid.

Section 2.10 Temporary Bonds. Until definitive Bonds are ready for delivery, there may be executed; and upon the request of the Issuer, the Trustee shall authenticate and deliver, in lieu of definitive Bonds, temporary printed, typewritten, engraved or lithographed Bonds, in such Authorized Denomination as shall be determined by the Issuer, in fully registered form, in substantially the tenor hereinabove set forth and with such appropriate omissions, insertions and variations as may be required.

If temporary Bonds shall be issued, the Issuer shall cause the definitive Bonds to be prepared and to be executed and delivered to the Trustee, and the Trustee, upon presentation to it at its principal corporate trust office of any temporary Bonds, shall cancel the same and authenticate and deliver in exchange therefor, without charge to the holder or owner thereof, a definitive Bond or Bonds, as the case may be, of an equal aggregate principal amount in Authorized Denominations, of the same series and maturities and bearing interest at the same rates as the temporary Bond surrendered. Until so exchanged, the temporary Bonds shall in all respects be entitled to the same benefit and security of this Indenture as the definitive Bonds to be issued and authenticated hereunder. Interest on temporary Bonds, when due and payable, if the definitive Bonds shall not be ready for exchange, shall be paid in the manner provided in Section 2.02 hereof.

Section 2.11 Safekeeping and Cancellation of Bonds. Any Bond surrendered for the purpose of payment or retirement, or for exchange, or for replacement or payment pursuant to Section 2.08, shall be cancelled upon surrender thereof to the Trustee. Certification of such surrender and cancellation shall be made to the Issuer by the Trustee. Cancelled Bonds, or unissued Bond inventory held in blank by the Trustee upon the maturity or total redemption of the Bonds, shall be destroyed by shredding or cremation by the Trustee, and certificates of such destruction (describing the manner thereof) shall be provided by the Trustee to the Issuer.

Section 2.12 Book-Entry Provisions. The provisions of this Section shall apply so long as the Bonds are maintained in book-entry form with The Depository Trust Company or another Securities Depository, any provisions of this Indenture to the contrary notwithstanding.

(a) Payments. The Bonds shall be payable to the Securities Depository, or its nominee, as the registered owner of the Bonds, on each date on which the principal of, interest on, and premium, if any, on the Bonds is due as set forth in this Indenture and in the Bonds. Such payments shall be made to the offices of the Securities Depository specified by the Securities Depository to the Issuer and the Trustee in writing. Without notice to or the consent of the beneficial owners of the Bonds, the Issuer and the Securities Depository may agree in writing to make payments of principal, premium, if any, and interest in a manner different from that set forth herein. If such different manner of payment is agreed upon, the Issuer shall give the Trustee notice thereof, and the Trustee shall make payments with respect to the Bonds in the manner specified in such notice as set forth herein. Neither the Issuer nor the Trustee shall have any obligation with respect to the transfer or crediting of the principal of, interest on, and premium, if any, on the Bonds to Participants or the beneficial owners of the Bonds or their nominees.

(b) Replacement of the Securities Depository. The Issuer may, and in the case of subparagraph (ii) below shall, discontinue use of a Securities Depository as the depository of the Bonds if (i) the Issuer, in its sole discretion, determines that (A) such Securities Depository is incapable of discharging its duties with respect to the Bonds, or (B) the interest of the beneficial owners of the Bonds might be adversely affected by the continuation of the book-entry system with such Securities Depository as the depository for the Bonds, (ii) the beneficial owners of 100% of the Bonds Outstanding direct the Issuer to do so, or (iii) such Securities Depository determines not to continue to act as a depository for the Bonds or is no longer permitted to act as such depository. Notice of any determination pursuant to clause (i) shall be given to such Securities Depository at least 30 days prior to any such determination (or such fewer number of days as shall be acceptable to such Securities Depository). The Issuer shall have no obligation to make any investigation to determine the occurrence of any events that would permit the Issuer to make any determination described in this paragraph.

(c) Discontinuance of Book-Entry or Change of Securities Depository. If, following a determination or event specified in paragraph (b) above, the Issuer discontinues the maintenance of the Bonds in book-entry form with the then current Securities Depository, the Issuer will issue replacement Bonds to the successor Securities Depository, if any, or, if no replacement Securities Depository is selected for the Bonds, directly to the Participants as shown on the records of the former Securities Depository or, to the extent requested by any Participant or if directed to do so by the beneficial owners of 100% of the Bonds Outstanding pursuant to subparagraph (b)(ii) above, to the beneficial owners of the Bonds shown on the records of such Participant. Replacement Bonds shall be in fully registered form and in authorized denominations, be payable as to interest on the Interest Payment Dates of the Bonds by check or draft mailed to each registered owner at the address of such owner as it appears on the bond registration books maintained by the Bond Registrar for such purpose at the principal corporate trust office of the Trustee or at the option of any registered owner of not less than \$1,000,000 principal amount of Bonds, by wire transfer to any address in the continental United States of America on such Interest Payment Date to such registered owner as of the Regular Record Date relating to such Interest Payment Date, if such registered owner provides the Trustee with written notice of such wire transfer address not later than such Regular Record Date (which notice may provide that it will remain in effect with respect to subsequent Interest Payment Dates unless and until changed or revoked by subsequent notice). Principal and redemption premium, if any, on the replacement Bonds are payable only upon presentation and surrender of such replacement Bond or Bonds at the principal corporate trust office of the Trustee.

(d) Effect of Book-Entry System. The Securities Depository and its Participants and the beneficial owners of the Bonds, by their acceptance of the Bonds, agree that the Issuer and the Trustee shall not have liability for the failure of such Securities Depository to perform its obligations to the Participants and the beneficial owners of the Bonds, nor shall the Issuer or the Trustee be liable for the failure of any Participant or other nominee of the beneficial owners to perform any obligation of the Participant to a beneficial owner of the Bonds.

Section 2.13 Delivery of the Bonds. Upon execution and delivery of this Indenture, the Trustee shall authenticate and deliver the Bonds upon the order of the Issuer, but only upon the receipt of the following:

- (a) An order of the Issuer directing the Trustee to authenticate and deliver the Bonds against receipt of the purchase price therefor;
- (b) A certified copy of the Ordinance;
- (c) An approving opinion of Bond Counsel regarding the validity of the Bonds and the exclusion of interest on the Bonds from federal income taxation;
- (d) An executed copy of the Purchase and Sale Agreement;
- (e) Copies of the executed FHA-insured Mortgage Note and Mortgage;
- (f) An executed copy of the Financing Agreement;
- (g) An executed counterpart of the Continuing Disclosure Agreement;
- (h) A certification of the GNMA Issuer (substantially in the form of *Exhibit B* hereto) that it has sufficient commitment authority to issue the GNMA Securities;
- (i) An opinion of counsel to the GNMA Issuer to the effect that the GNMA Issuer is and, under the GNMA authorized commitment authority, authorized to issue Guaranty Mortgage-Backed Securities to issue the GNMA Securities in an aggregate principal amount equal to at least \$_____;
- (j) [Executed copies of the Investment Agreement;] and
- (k) Evidence of recordation of the Regulatory Agreement (which may be in the form of a title company certified copy).

ARTICLE III

REDEMPTION OF BONDS

Section 3.01 Redemption of Bonds.

(a) Extraordinary Mandatory Redemption. The Bonds are subject to mandatory redemption prior to maturity on the earliest practicable date for which notice of redemption can be given by the Trustee pursuant to Section 3.03 hereof, unless otherwise provided, at a redemption price equal to the principal amount thereof plus accrued interest to the Redemption Date without premium (i) in whole on _____ (or such later date as shall be permitted under Section 4.03(c) of this Indenture), if the Initial CLC in the amount of \$_____ is not delivered to the Trustee by the Initial CLC Delivery Date (or such later date as shall be permitted under Section 4.03(c) of this Indenture) from amounts on deposit in or held for the benefit of the Project Fund, the Reserve Fund and the Bond Fund, (ii) in whole, without notice, if the PLC is not delivered to the Trustee by the PLC Delivery Date (or such later date as shall be permitted under Section 4.03(d) of this Indenture) (A) on the earliest practicable date (but not more than 15 days) following the PLC Delivery Date, initially in a principal amount equal to all funds remaining in the Project Fund and (B) thereafter, on the earliest practicable date (but not more than 15 days) following the CLC Maturity Date, the remaining principal amount upon receipt of the principal amount of any CLC; in either

case, at a redemption price equal to 100% of the principal amount of the Bonds to be redeemed, plus accrued interest to the Redemption Date, without premium; (iii) in part without notice, on the earliest practicable date after the PLC Delivery Date (but not more than 15 days) at a redemption price equal to 100% of the principal amount of the Bonds to be redeemed, plus accrued interest thereon to the Redemption Date, without premium, to the extent that the principal balance of the PLC delivered to the Trustee is less than \$_____ for any reason other than because a portion of the Mortgage Loan has been amortized, in a principal amount equal to the amount remaining in the Project Fund plus any prepayments on the CLCs; to the extent the PLC is delivered in an amount less than the principal amount of the Mortgage Note of Final Endorsement because of amortization of the Mortgage Loan, as certified by the Lender, monies on deposit in the Project Fund equal to such amortized amount shall be transferred to the Bond Fund rather than being used to call Bonds pursuant to this provision, provided, however, that such money transferred to the Bond Fund should be applied to the next regularly-scheduled sinking fund redemption; or (iv) as a whole or in part, if the Trustee receives payments on the GNMA Securities exceeding regularly scheduled payments of principal and interest thereon (other than optional prepayments of the Mortgage Loan), including payments representing (A) casualty insurance proceeds, condemnation awards or other amounts applied to the prepayment of the Mortgage Loan following a partial or total destruction or condemnation of the Project, (B) mortgage insurance proceeds or other amounts received with respect to the Mortgage Loan following the acceleration thereof upon the occurrence of an event of default thereunder, (C) a prepayment of the Mortgage Loan required by applicable rules, regulations, policies and procedures of HUD or GNMA (including the possible exercise by HUD of its right to override the prepayment and premium provisions of the Mortgage Note if HUD determines that prepayment of the Mortgage Loan will avoid a mortgage insurance claim and is therefore in the best interest of the Federal government), or (D) prepayments on the GNMA Security derived from prepayments on the Mortgage Loan made by the Borrower without notice or prepayment penalty while under the supervision of a trustee in bankruptcy. If less than all the Bonds then outstanding shall be called for redemption, Bonds to be redeemed shall be selected as provided in Section 3.02 hereof.

(b) Mandatory Sinking Fund Redemption of Bonds. Bonds are subject to mandatory redemption prior to maturity by lot, at a redemption price of par, plus accrued interest to the Redemption Date, from mandatory Sinking Fund Installments which are required to be made in amounts sufficient to redeem or pay on _____ and _____ of each year specified below the respective principal amount of such Bonds specified for each such date, as hereinafter set forth:

<u>Date</u>	<u>Principal Amount</u>	<u>Date</u>	<u>Principal Amount</u>
-------------	-------------------------	-------------	-------------------------

(c) Optional Redemption of Bonds. The Bonds are also subject to redemption at the option of the Issuer at the direction of the Borrower in whole or in part at any time, on or after _____, 2021 (and then at the earliest practical date for which notice of redemption can be given by the Trustee pursuant to Section 3.03 hereof), from (i) payments on the GNMA Securities representing optional prepayments on the Mortgage Loan, (ii) Seasoned Funds, (iii) refunding bond proceeds or (iv) any other source provided that the Trustee shall have received an opinion of Bond Counsel or bankruptcy counsel to the effect that moneys derived from such other source are not subject to the provisions of Sections 362(a), 547 and 550 of the United States Bankruptcy Code at the redemption price set forth below, plus accrued interest to the Redemption Date:

_____, 2021 through _____, 2022	102%
_____, 2022 through _____, 2023	101%
_____, 2023 and thereafter	100%

(d) Mandatory Redemption of Bonds Upon Termination of Agreement by Issuer Under Section 5.2 of Agreement. The Bonds will be redeemed in whole on any day within 30 days after the Borrower and the Trustee receive written notice from the Issuer of a termination of the Agreement and the Bonds pursuant to Section 5.2 of the Agreement. Such redemption shall be at a redemption price equal to the principal amount of the Bonds plus accrued interest to the redemption date plus a premium equal to any optional redemption premium which would be payable if the Bonds were optionally redeemed on such date in accordance with the provisions under "Optional Redemption of Bonds" in Section 3.01(c) above.

Section 3.02 Selection of Bonds for Redemption.

(a) If less than all the Bonds shall be called for extraordinary mandatory redemption pursuant to Section 3.01(a)(iii), the Trustee shall determine the amount of principal payments under the Mortgage Note that have been made prior to the purchase of the PLC (including any principal payment due on the dated date of the PLC) as specified in the certificate of the GNMA Issuer required by Section 4.03(b)(iii)(E)(4), and the Trustee shall transfer from the Project Fund to the Bond Fund an amount equal to such amount of principal payments. The Trustee shall redeem (and adjust the mandatory sinking fund schedules set forth in Section 3.01(b) accordingly), an amount of Bonds of each maturity so that the resulting decrease in debt service on the Bonds during each six-month period ending on each Interest Payment Date, is proportional, as nearly as practicable, to the decrease in the payment on the GNMA Securities in each six-month period. If less than all of the Bonds are to be called for optional redemption or pursuant to Section 3.01(a)(iv), the Trustee shall redeem (and adjust the mandatory sinking fund schedules set forth in Section 3.01(b) above accordingly), an amount of Bonds of each maturity so that the resulting decrease in debt service on the Bonds during each six-month period ending on each Interest Payment Date, is proportional, as nearly as practicable, to the decrease in the payments on the GNMA Securities in each six-month period. The decrease in the payments on the GNMA Securities shall be determined by comparing the originally scheduled payments on the GNMA Securities (as submitted by the Rating Agency in connection with the initial rating of the Bonds) to

the revised schedule of payments on the GNMA Securities as set forth in the certificate of the GNMA Issuer required by Section 4.04(i).

(b) If less than all the Bonds of any maturity then Outstanding shall be called for redemption, the Bonds (or portions of Bonds in the Authorized Denominations) of such maturity to be redeemed shall be selected by the Trustee by lot.

(c) The portion of any Bond to be redeemed shall be in the principal amount of an Authorized Denomination, and, in selecting Bonds for redemption, the Trustee shall treat each Bond as representing that number of Bonds which is obtained by dividing the principal amount of such Bond by \$5,000.

In case part but not all of an Outstanding Bond shall be selected for redemption, the Holder thereof or his attorney or legal representative shall present and surrender such Bond to the Trustee for payment of the principal amount thereof so called for redemption, and the Issuer shall execute and the Trustee shall authenticate and deliver to or upon the order to such Holder or his legal representative, without charge therefor, for the unredeemed portion of the Bond so surrendered a Bond of the same maturity and bearing interest at the same rate.

Section 3.03 Notice of Redemption. Unless waived by any Holder of Bonds to be redeemed, official notice of redemption shall be given by the Trustee on behalf of the Issuer by mailing a copy of an official redemption notice by first class mail or facsimile to the Holder of each Bond to be redeemed, at the address of such Holder shown on the Bond Register, not less than 15 days nor more than 60 days prior to the date fixed for redemption. Except in the case of mandatory sinking fund redemptions pursuant to Section 3.01(b) hereof, the Trustee shall not mail a notice of redemption until it has received funds to affect such redemption. As provided in Section 3.01(a) hereof, the Trustee shall redeem any Bonds to be redeemed under said Section 3.01(a) on the earliest practicable date for which notice can be given by the Trustee under this Section 3.03 and shall provide the shortest practicable notice period permitted hereunder.

All official notices of redemption shall be dated and shall state:

- (a) the Redemption Date,
- (b) the redemption price,
- (c) if less than all Outstanding Bonds are to be redeemed, the identification and the respective principal amounts of the Bonds to be redeemed,
- (d) that on the Redemption Date the redemption price will become due and payable upon each such Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date, and
- (e) the place where such Bonds are to be surrendered for payment of the redemption price, which place of payment shall be the principal corporate trust office of the Trustee.

In addition to the foregoing official notice, further notice shall be given by the Trustee as set out below, but no defect in said further notice nor any delay in giving such notice

nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if the official notice thereof is given as above prescribed.

(i) Each further notice of redemption given hereunder shall contain the information required above for an official notice of redemption plus (i) the CUSIP numbers of all Bonds being redeemed; (ii) the date of issue of the Bonds as originally issued; (iii) the rate of interest borne by each Bond being redeemed; (iv) the maturity date of each Bond being redeemed; and (v) any other descriptive information needed to identify accurately the Bonds being redeemed.

(ii) Each further notice of redemption shall be sent at least 30 days before the Redemption Date by registered or certified mail or overnight delivery service or facsimile to all registered security depositories then in the business of holding substantial amounts of obligations of types comprising the Bonds (such depositories now being The Depository Trust Company of New York, New York) and to one or more national information services that disseminate notices of redemption of obligations such as the Bonds.

(iii) Upon the payment of the redemption price of Bonds being redeemed, each check or other transfer of funds issued for such purpose shall identify, by issue and maturity, the Bonds being redeemed with the proceeds of such check or other transfer.

Failure to duly give official notice of redemption by mail or any defect therein shall not affect the validity of the proceedings for the redemption of any Bond or Bonds. Any notice mailed as provided in this Section shall be conclusively presumed to have been duly given, whether or not the registered Holder receives notice.

Additionally, in the event of an optional redemption of Bonds on a date on which the redemption price includes a redemption premium, the Trustee shall not give notice of such redemption unless the Trustee shall have received: (a) written notice of prepayment from the GNMA Issuer or the Borrower not less than 45 days prior to the applicable scheduled GNMA prepayment date; (b) at least 15 days prior to the anticipated GNMA prepayment date, written notice from the GNMA Issuer of its receipt of the amount of the prepayment, which amount shall include the principal to be prepaid under the GNMA Security plus accrued interest through the last day of the preceding month; (c) the prepayment premium from the Borrower in Seasoned Funds; and (d) a written certificate of the Borrower, upon which the Trustee may conclusively rely, that no Act of Bankruptcy has occurred during the 366-day period prior to the deposit by the Borrower of the prepayment premium with the Trustee, provided that if the Trustee shall receive a written commitment by the GNMA Issuer (with the written consent of GNMA) to make or pass through payment of the required prepayment premium with the prepaid principal amount, then the requirements of (c) and (d) shall no longer apply. The Borrower is required under the Financing Agreement to cause additional amounts, if any, necessary to effect the redemption of the Bonds to be paid to the Trustee, if any, to assure payment of all interest due on the Bonds to the Redemption Date, taking into account the anticipated earnings on the reinvestment of funds held under the Indenture, or to deposit such amounts with the Trustee, provided that the payment of such amounts meets the requirements of (c) and (d) above.

Section 3.04 Effect of Notice of Redemption. Notice of Redemption having been given in the manner provided in this Article III, and money sufficient for the redemption being held by the Trustee for that purpose, the Bonds so called for redemption shall become

due and payable on the Redemption Date, and interest thereon shall cease to accrue on such date; and the Holders of the Bonds so called for redemption shall thereafter no longer have any security or benefit under this Indenture except to receive payment of the redemption price for such Bonds and, to the extent provided in Section 3.02 hereof, to receive Bonds for any unredeemed portions of such Bonds.

Section 3.05 Cancellation. All Bonds which shall have been redeemed shall be cancelled and destroyed by the Trustee and shall not be reissued. A counterpart of the certificate of destruction evidencing such destruction shall be furnished by the Trustee to the Issuer.

- (b) Bond Fund;
- (c) Reserve Fund;
- (d) Costs of Issuance Fund; and
- (e) Rebate Fund.

Section 4.02 Application of Bond Proceeds and Other Moneys. Upon delivery of the Bonds, the proceeds thereof shall be deposited with the Trustee, together with \$_____ received from other moneys received from the purchaser or purchasers of the Bonds, and shall be applied as follows:

- (a) \$_____ shall be deposited in the Reserve Fund; and
- (b) \$_____ shall be deposited in the Project Fund.

Section 4.03 Project Fund.

(a) The Trustee shall deposit into the Project Fund the amounts required by Section 4.02(b) and any amounts paid to the Trustee for deposit into the Project Fund in accordance with Section 4.03(c) or Section 4.03(d) and shall invest such proceeds under the Investment Agreement. The Trustee shall request funds invested under the Investment Agreement in accordance with the terms thereof such that funds will be timely available in advance of the date such funds are needed to fund advances hereunder. No funds shall be advanced from the Project Fund prior to recordation of the Regulatory Agreement.

- (b) Moneys in the Project Fund shall be disbursed by the Trustee as follows:

(i) On each date upon which the Trustee acquires from the GNMA Issuer a CLC, the Trustee shall transfer simultaneously to the GNMA Issuer in payment thereof from the Project Fund moneys then on deposit therein such amount as shall be equal to 100% of the principal amount of such CLC, plus accrued and unpaid interest on such CLC at the Pass-Through Rate.

(ii) Without limiting the provisions of subsection (b)(i) above, with respect to the acquisition of the Initial CLC, the Trustee must receive, in addition to a requisition signed by the Borrower in the form required by the Financing Agreement, the items specified in Section 3.2(a) of the Financing Agreement to be delivered in connection with the Initial Advance.

(iii) Following the delivery to the Trustee of the Initial CLC, the Trustee shall disburse from the Project Fund to the GNMA Issuer, on behalf of the Owner, the amount necessary to purchase each CLC issued for a subsequent advance of the Mortgage Loan, determined in accordance with the Purchase and Sale Agreement, but only if the Trustee has (A) received a copy of the Application for Insurance of Advance of Mortgage Proceeds with respect to such advance executed by the GNMA Issuer, (B) received confirmation that all CLCs representing prior advances have been registered in the name of the Trustee or its designees, (C) received the CLC representing the current advance (the CLC shall be delivered to the Trustee simultaneously with payment by the Trustee of the purchase price therefor), (D) received a certificate of the GNMA Issuer to the effect that neither the GNMA Issuer, nor, to its actual knowledge, the Owner, is in default under any of the Mortgage Loan Documents and a certificate of the Owner to the effect that it is not in default under any of the Mortgage Loan Documents or the Financing Agreement, (E) received a certificate of the GNMA Issuer that (1) the unpaid principal amount balance of the Mortgage Loan, after such advance, will be equal to the aggregate principal amount of all CLCs, (2) the CLCs previously issued are valid and binding obligations of the GNMA Issuer, (3) the CLCs are validly issued and subject to the guaranty of GNMA as to the payments of the principal and interest thereon, and (4) if the disbursement by the Trustee is to purchase the PLC and the aggregate principal amount of the PLC then being issued is less than \$_____ notification of (x) the amount, if any, of FHA-required reduction of the Mortgage Loan at Final Endorsement and (y) the amount, if any, of scheduled principal amortization payments for the Mortgage Loan prior to the acquisition of the final CLC by the Trustee, (F) received a statement of the Owner that such disbursement will not violate the provisions of the Financing Agreement, (G) confirmed that the requirements of Section 4.03(c) and 4.04(g) will be satisfied, and (H) received notice of the amount of such disbursement no later than two Business Days prior to such disbursement; provided; however, that the Trustee shall not purchase CLCs in an aggregate principal amount in excess of \$_____ and shall not purchase the PLC if its principal amount exceeds \$_____ and provided further, however, that the Trustee shall not purchase any CLC unless, immediately after such purchase, the amount on deposit in the Project Fund will at least be equal to the sum of \$_____ minus the sum of (i) the principal amount of the CLC being purchased and (ii) the aggregate principal amount of all CLCs previously delivered to the Trustee or requested from GNMA.

(iv) The Trustee shall acquire the PLC by surrendering to the GNMA Issuer for cancellation concurrently with such payment all CLCs owned by the Trustee, plus accrued and unpaid interest, provided that the PLC shall have a principal amount equal to the aggregate principal amount of outstanding CLCs (less scheduled amortization and any mortgage reduction required by HUD) and shall be dated the first day of the month in which the PLC is acquired.

(c) If the Initial CLC is not delivered on or by the Initial CLC Delivery Date, the Trustee shall, on the Business Day immediately prior to _____ 1, 2011 (or such later date as may be established in this paragraph (c)), transfer to the Bond Fund all amounts on deposit in the Project Fund and Reserve Fund for application to the mandatory redemption of Bonds in accordance with Section 3.01(a)(i) hereof; provided, however, that such transfer and such redemption shall be delayed for no more than 360 consecutive days (which may, but need not be, subdivided into shorter periods of not less than 30 days each) if an Event of Default has not occurred and is not then continuing and the Trustee shall have received no later than the Business Day next preceding _____ 13, 2011 (or any date to which such date is extended pursuant to the provisions hereof) a request from either the GNMA Issuer or the Borrower for such delay (whether or not a conflicting request is received from the other such party) accompanied by (i) a cash flow projection accompanied by a verification report by a nationally recognized firm of certified public accountants or financial consultants acceptable to the Issuer demonstrating that the sum of (A) the amounts in the Project Fund, the Reserve Fund and the Bond Fund, (B) the investment earnings to accrue on the amounts held in the Project Fund, the Reserve Fund and the Bond Fund during the period ending 30 days after the end of any period of delay requested and (C) any additional sums paid to or held by the Trustee by or on behalf of the Borrower or the GNMA issuer for deposit into the Project Fund or Bond Fund (accompanied by an opinion of counsel acceptable to the Trustee to the effect that such sums are not subject to the provisions of Sections 362(a) and 547 of the Federal Bankruptcy Code in the event of a bankruptcy of the Borrower) will be at least equal to (1) the debt service on the Bonds as originally scheduled and will also be at least equal to (2) the debt service on the Bonds through the date which is 30 days after the end of any such period, plus, in each case, originally scheduled and accrued unpaid Trustee fees and rebate calculation fees (assuming redemption of all Bonds on the date set forth in this clause (2)) and any other amounts which were shown to be available at such time for debt service on the Bonds in the original cash flows prepared and submitted to the Rating Agency in connection with the issuance of the Bonds; (ii) an opinion of Bond Counsel to the effect that such extension will not adversely affect the exclusion of interest on the Bonds from gross income for federal income tax purposes; (iii) arrangements satisfactory to the Trustee for the making of the investments contemplated by the cash flow projection; and (iv) written notice from the Rating Agency that the rating then assigned to the Bonds will not be lowered or withdrawn as a result of such extension of the Initial CLC Delivery Date. Upon the receipt of the documents and upon the arrangements listed in this subdivision, the Trustee shall permit the extension(s); provided, however, that if such documents have not been received and such arrangements have not been made by the Business Day next preceding the Initial CLC Delivery Date, then the amounts on deposit in or held for the benefit of the Project Fund, the Reserve Fund and the Bond Fund on such date shall be transferred to the Bond Fund on the Business Day next preceding _____ 1, 2011 (or such later date as previously established under this paragraph (c)), and applied to the redemption of a portion of the Bonds pursuant to Section 3.01(a)(i) and further provided, however, that the Trustee shall not consent to

any such extension if such extension would in the opinion of the Trustee adversely impact the Bondholders and in the absence of evidence of the consent to the extension from GNMA, which evidence shall be receipt of the Initial CLC.

(d) The PLC Delivery Date may be extended one or more times provided that the Trustee shall have received no later than 15 days prior to the PLC Delivery Date or the initial CLC Maturity Date (or any date to which such dates are extended pursuant to the provisions hereof) a written request from either the GNMA Issuer or the Borrower for such delay (whether or not a conflicting request is received from the other such party) accompanied by (i) a cash flow projection prepared by financial consultants acceptable to the Issuer or the underwriter for the Bonds demonstrating that the sum of (A) the amounts in the Project Fund, the Reserve Fund and the Bond Fund, (B) the investment earnings to accrue on the amounts held in the Project Fund, the Reserve Fund and the Bond Fund during the period ending 30 days after the end of any period of delay requested, and (C) any additional sums paid to or held by the Trustee by or on behalf of the Borrower or the GNMA Issuer (including payments on the CLCs) for deposit into the Project Fund or Bond Fund (accompanied by an opinion of counsel acceptable to the Trustee to the effect that such sums are not subject to the provisions of Sections 362(a) and 547 of the Federal Bankruptcy Code in the event of a bankruptcy of the Borrower) will be at least equal to (1) the debt service on the Bonds as originally scheduled and will also be at least equal to (2) the debt service on the Bonds through the date which is 30 days after the end of any such period, plus, in each case, originally scheduled and accrued unpaid Trustee fees and rebate calculation fees (assuming redemption of all Bonds on the date set forth in this clause (2)) and any other amounts which were shown to be available at such time for debt service on the Bonds in the original cash flows prepared and submitted to the Rating Agency in connection with the issuance of the Bonds; (ii) an opinion of Bond Counsel to the effect that such extension will not adversely affect the exclusion of interest on the Bonds from gross income for federal income tax purposes; (iii) arrangements satisfactory to the Trustee for the making of the investments contemplated by the cash flow projection; and (iv) written notice from the Rating Agency that the rating then assigned to the Bonds will not be lowered or withdrawn as a result of such extension of the PLC Delivery Date. Upon the receipt of the documents and upon the arrangements listed in this subdivision, the Trustee shall permit the extension(s); provided, however, that if such documents have not been received and such arrangements have not been made by the Business Day next preceding the PLC Delivery Date (as extended) or the initial CLC Maturity Date (as extended) then the moneys remaining on deposit in the Project Fund on such date shall be transferred to the Bond Fund and applied, together with amounts on deposit in the Reserve Fund and the Bond Fund, to the redemption of Bonds pursuant to Section 3.01(a)(ii). In the event that the PLC Delivery Date is extended, in no event shall the CLC Maturity Date not be extended to a date that is 15 days after the extended PLC Delivery Date.

In the event Commencement of Amortization occurs prior to the PLC Delivery Date, under no circumstances shall the GNMA Issuer pass through to the Trustee principal payments on the Mortgage Note prior to the PLC Delivery Date (except to the extent provided in the CLCs); such principal payments shall be paid only pursuant to the terms of the Mortgage Note.

On the PLC Delivery Date, amounts remaining in the Project Fund shall be transferred to the Bond Fund either (i) for the redemption of the Bonds as set forth in

Section 3.01(a)(iii) hereof but only to the extent that the remaining amounts are attributable, as certified by the GNMA Issuer to the Trustee, to a reduction in the mortgage loan principal amount by the FHA (which does not include amortized principal) or (ii) otherwise transferring to the Bond Fund to be applied to pay debt service on the next Interest Payment Date. The Trustee shall transfer for cancellation pursuant to the book-entry system all CLCs held by it in exchange for the PLC. Notwithstanding such transfer by the Trustee of the CLCs, all such CLCs shall remain registered in the name of the Trustee and continue to be enforceable by the Trustee until such time as the Trustee has received delivery of the PLC.

(e) The Trustee shall not be required to acquire a GNMA Security unless it has sufficient funds for such acquisition on deposit in the Project Fund and Reserve Fund and unless the GNMA Security pays interest at the Pass-Through Rate and, in the case of the PLC, matures no later than _____ 15, 2053. The GNMA Security shall be registered in accordance with the provisions of Section 4.04(g).

(f) If the PLC is not delivered by the PLC Delivery Date, as such date may be extended pursuant to Section 4.03(d), the Trustee shall redeem all CLCs held by it upon their maturity and use the funds derived therefrom, together with the proceeds remaining in the Project Fund and transferred to the Bond Fund pursuant to Section 4.03(d), to redeem Bonds as provided in Section 3.01(a).

(g) The Trustee shall compare the GNMA Security or its book-entry form with the GNMA prospectus relating to the GNMA Security and GNMA Guaranty Agreement provided by the GNMA Issuer to assure delivery of the correct GNMA Security.

(h) All investment earnings under the Investment Agreement with respect to amounts on deposit in the Project Fund shall be deposited upon receipt as follows: (i) _____% of such amounts shall be deposited to the Rebate Fund and (ii) the balance shall be deposited in the General Account of the Bond Fund.

(i) On the date of purchase of GNMA Security, the GNMA Security must be registered in the name of the Trustee or other participant acting on behalf of the Trustee at the Federal Reserve System evidencing ownership of the GNMA Security the Trustee. The Trustee or other participant acting on behalf of the Trustee shall have a first-lien position perfected security interest in the GNMA Security.

Section 4.04 Bond Fund.

(a) There shall be established and maintained by the Trustee in the Bond Fund three Accounts - the General Account, the Optional Redemption Account and the Seasoned Funds Account. The Trustee shall deposit into the General Account of the Bond Fund (i) the amounts required by Section 4.02 hereof, if any, (ii) all amounts received by the Trustee from or with respect to the GNMA Security (other than payments on the GNMA Security resulting from optional prepayments of the Mortgage Loan), (iii) any amounts transferred from the Reserve Fund pursuant to Section 4.05 hereof, and (iv) investment earnings on the Bond Fund held by the Trustee under the Indenture. The Trustee shall deposit into the Optional Redemption Account of the Bond Fund all payments on the GNMA Security resulting from optional prepayments of the Mortgage Loan.

(b) On each interest Payment Date the Trustee shall apply amounts on deposit in the General Account (i) first, to pay the principal of and interest on the Bonds as the same becomes due; (ii) second, to pay the Trustee Fee; (iii) third, to pay the Rebate Analyst Fee.

(c) The Trustee shall apply amounts on deposit in the Optional Redemption Account to the optional redemption of Bonds pursuant to Section 3.01(c) hereof, provided that the Trustee shall not apply such amounts for such purpose unless such amounts are derived from (i) a payment on the GNMA Securities representing optional prepayment on the Mortgage Loan, (ii) refunding bond proceeds or (iii) any other source, provided that in the case of (iii) the Trustee must also be in receipt of an opinion of bankruptcy counsel to the effect that the amounts to be applied to the optional redemption of the Bonds will not be subject to an automatic stay or avoidance as a preferential transfer in the event of an Act of Bankruptcy.

(d) The GNMA Security shall be held at all times for the benefit of the Bond Fund. If the Trustee does not receive a payment on the GNMA Security when due by the close of business on the sixteenth day of any month, the Trustee shall notify and demand payment from GNMA by the close of business on the next succeeding Business Day. The Trustee shall demand payment from GNMA for all PLCs held by it upon their maturity (as such maturity may be extended pursuant to Section 4.03(c)) in return for payment of their principal amount to the Federal Reserve Bank for cancellation in connection with delivery of the PLC.

(e) The Trustee shall deposit into the Seasoned Funds Account of the Bond Fund and in subaccounts thereof, which the Trustee shall establish, for each such payment, without commingling the same with any other amounts in the Bond Fund, all amounts representing payments made to the Trustee by the Borrower for deposit therein as specified by the Borrower. Moneys on deposit in the Seasoned Funds Account which represent Seasoned Funds shall be applied only to pay the premium, if any, on the Bonds as the same shall become due and payable by redemption. Such moneys shall be paid to the Bondholders only if they constitute Seasoned Funds.

(f) The Trustee shall transfer to the Rebate Fund from the Bond Fund the amounts, if any, required pursuant to the Arbitrage Certificate.

(g) The GNMA Security must be registered in the name of the Trustee at the depository for such book-entry designation at the time of purchase of the GNMA Security by the Trustee and the Trustee shall have first-lien position perfected security interest in the GNMA Security.

(h) The Trustee shall be or shall become a member of the Federal Reserve System, and the GNMA Security, if in book-entry form, shall be held under the Federal Reserve System.

(i) The GNMA Issuer shall deliver to the Trustee a certificate setting forth the revised regularly scheduled future principal and interest payments on the GNMA Securities on (x) the PLC Delivery Date if the principal amount of the PLC is less than \$_____ due to mortgage reduction at Final Endorsement and (y) each instance that the Trustee receives payment on the GNMA Securities exceeding regularly scheduled payments of principal and interest thereon. Such certificate of the GNMA

Issuer will include all regularly scheduled future principal and interest payments on the GNMA Securities until scheduled maturity and will aggregate the scheduled future payments for each future six-payment interval that begins each January through the following June and that begins each July through the following _____.

Section 4.05 Reserve Fund. The Trustee shall deposit into the Reserve Fund (i) the amounts required by Section 4.02(b) hereof and (ii) any additional amounts required by the provisions of the Indenture to be deposited therein.

The Trustee shall apply amounts on deposit in the Reserve Fund on each Interest Payment Date or any Redemption Date to pay or provide for the payment of (i) the portion the purchase price of a CLC representing accrued and unpaid interest on such CLC at the Pass-Through Rate and (ii) the principal of, premium, if any, or interest on the Bonds becoming due and payable, whether at maturity or by prior redemption, on such date, and for which sufficient moneys are not yet available for such purpose in the Bond Fund.

On the Business Day after the Interest Payment Date following the CLC Maturity Date, all amounts on deposit in the Reserve Fund shall be transferred to the Bond Fund.

Section 4.06 Costs of Issuance Fund. The Trustee shall deposit into the Costs of Issuance Fund any amounts (if any) deposited with the Trustee by the Borrower from equity or other sources other than Bond proceeds for deposit into the Costs of Issuance Fund.

The Trustee shall apply amounts on deposit in the Costs of Issuance Fund to pay costs of issuance of the Bonds pursuant to the written direction of the Borrower filed with the Trustee. Any amounts remaining in the Costs of Issuance Fund on September 1, 2011, shall be applied toward any amounts due to the Issuer by the Borrower.

Section 4.07 Rebate Fund. The purpose of the Rebate Fund is to facilitate compliance with Section 148(f) of the Code. Any Rebate Amount (as defined in the Arbitrage Certificate) deposited in such Fund shall be for the sole benefit of the United States of America and shall not be subject to the lien of the Indenture or to the claim of any other person, including, without limitation, the Bondholders and the Issuer. The requirements of this Section 4.07 are subject to, and shall be interpreted in accordance with, Section 148(f) of the Code and the Treasury Regulations applicable thereto (the "Regulations") and shall apply except to the extent the Trustee is furnished with an opinion of Bond Counsel or other satisfactory evidence that the Regulations contain an applicable exception. The Trustee shall make all payments, and file all forms, under the direction of the Borrower and pursuant to the Arbitrage Certificate.

Promptly at the end of each five year period after the issue date of the Bonds and also upon the retirement of the Bonds, the Trustee shall provide the Borrower with a statement of earnings on funds and accounts held under this Indenture during any period not covered by a prior statement. Each statement shall include the purchase and sale prices of each investment, if any (including any commission paid thereon which shall be separately stated if such information is available), the dates of each investment transaction, information as to whether such transactions were made at a discount or premium and such other information known or reasonably available to the Trustee as the Borrower or rebate analyst shall reasonably require. If so requested by the Borrower at any time, the Trustee shall create within the Bond Fund separate accounts for purposes of accounting for earnings on amounts attributable to the Bonds.

The Trustee shall promptly transfer to the Rebate Fund each amount required to be deposited therein pursuant to the written direction of the Borrower or the rebate analyst pursuant to the Arbitrage Certificate, first from earnings in the Project Fund, and, second, to the extent amounts in the Project Fund are insufficient, from revenues which have been deposited into the Bond Fund and earnings thereon. To the extent that the amount to be deposited into the Rebate Fund exceeds the amount which can be transferred from such funds, the Trustee shall promptly notify the Borrower and an amount equal to such deficiency shall be paid promptly by the Borrower to the Trustee for deposit into the Rebate Fund.

The Borrower and the Trustee, on behalf of the Issuer, shall keep such records as will enable them to fulfill their respective responsibilities under this Section 4.07 and Section 148(f) of the Code, and the Borrower shall engage a rebate analyst as may be necessary in connection with such responsibilities. The Trustee, to the extent furnished to it, will retain records of all calculations performed by the rebate analyst until six years after the retirement of the last obligation of the Bonds. The fees and expenses of the rebate analyst shall be paid by the Borrower pursuant to the Financing Agreement to the extent amounts provided hereunder are insufficient for such purpose. For purposes of the computation of the Rebate Amount required under the Arbitrage Certificate, the Trustee shall make available to the Borrower and the Issuer during normal business hours all information in the Trustee's control which is necessary to such computations.

Section 4.08 Investment of Funds. The Trustee is hereby directed to enter into the Investment Agreement. Any moneys held as part of any fund created in this Article and not able to be invested pursuant to the Investment Agreement shall be invested or reinvested by the Trustee in Qualified Investments at the written or telephonic direction of the Authorized Borrower Representative, such telephonic direction to be promptly confirmed in writing. Such moneys may only be invested in Qualified Investments which mature or are subject to redemption or repurchase at par plus accrued interest at the option of the Trustee (i) on or prior to the date or dates on which the Trustee anticipates that cash funds will be required, or (ii) within six months of the date of investment. The investments so made and earnings thereon shall be held by the Trustee and shall be deemed at all times to be a part of the fund in which such moneys were held until transferred in accordance with the term of this Indenture; provided that for purposes of investment moneys held in any of the funds established hereunder may be commingled. The Trustee is directed to sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund shall be insufficient to cover a proper disbursement from any fund. The Trustee shall incur no liability resulting from any investments made pursuant to this Section.

The Trustee may make any and all investments permitted by this Section through its own bond or investment department, unless otherwise directed in writing by the Authorized Borrower Representative.

Section 4.09 Custody of Funds; Moneys to Be Held in Trust. The funds created under this Indenture shall be in the custody of the Trustee in its trust capacity hereunder; and the Issuer authorizes and directs the Trustee to withdraw moneys from said funds for the purposes specified herein, which authorization and direction the Trustee hereby accepts. All moneys required to be deposited with or paid to the Trustee under any provision of this Article IV shall be held by the Trustee in trust, and except for moneys held in the Rebate Fund or deposited with or paid to the Trustee for the redemption of Bonds, notice of redemption of which has been duly given, shall while held by the Trustee constitute part of the security for the Holders and be subject to the lien hereof.

Section 4.10 Final Balances. Upon final payment of all principal of, premium, if any, and interest on the Bonds, and upon satisfaction of all claims against the Issuer hereunder, including the payment of all fees, charges and expenses of the Trustee which are due and payable hereunder, or upon the making of adequate provision for the payment of such amounts, as permitted hereby, and after satisfaction of all of the Borrower's obligations under the Financing Agreement, all money and securities remaining hereunder shall be remitted to the Issuer.

Section 4.11 Nonpresentment of Bonds. In the event any Bond shall not be presented for payment when the principal thereof becomes due in whole or in part, whether at maturity, at the Redemption Date or otherwise, or a check or draft for interest is uncashed, if funds sufficient to pay such Bonds shall have been made available to the Trustee for the benefit of the Holder or Holders thereof, all liabilities of the Issuer to the Holder thereof for the payment of such Bond, as the case may be, shall thereupon cease and be completely discharged, and it shall be the duty of the Trustee to hold such funds for a period of six years after maturity of all Bonds, without liability for interest thereon, in a separate account in the Bond Fund for the benefit of the Holder of such Bond, who shall thereafter be restricted exclusively to such funds for any claim of whatever nature on his part under this Indenture or on, or with respect to, said Bond. After the expiration of such six-year period, the Trustee shall return said funds to the Issuer upon its written request and the Holder or Holders of any such unpresented Bond shall be entitled to payment of said Bond only from said funds held by the Issuer. The obligation of the Trustee under this Section to pay any such funds to the Issuer shall be subject to any provisions of law applicable to the Trustee or to such funds providing other requirements for disposition of unclaimed property.

ARTICLE V

GENERAL COVENANTS AND REPRESENTATIONS

Section 5.01 Payment of Principal or Redemption Price of and Interest on Bonds. The Issuer shall promptly pay or cause to be paid the principal or redemption price of, and the interest on, every Bond issued hereunder according to the terms thereof, but shall be required to make such payment or cause such payment to be made only out of revenues available therefor under this Indenture. The Issuer hereby designates the principal corporate trust office of the Trustee as the place of payment for the Bonds.

Section 5.02 Instruments of Further Assurance. The Issuer and the Trustee shall do, execute, acknowledge and deliver, such indentures supplemental hereto, and such further acts, instruments and transfers as the Trustee may reasonably require for the better assuring, transferring, conveying, pledging, assigning and confirming unto the Trustee all its interest in the property herein described and the revenues, receipts and other amounts pledged hereby to the payment of the principal of, premium, if any, and interest on the Bonds paid solely from the Trust Estate. Any and all interest in property hereafter acquired which is of any kind or nature herein provided to be and become subject to the lien hereof shall and without any further conveyance, assignment or act on the part of the Issuer or the Trustee, become and be subject to the lien of this Indenture as fully and completely as though specifically described herein, but nothing contained in this sentence shall be deemed to modify or change the obligations of the Issuer under this Section.

Section 5.03 Recordation and Filing. Pursuant to the Financing Agreement, the Borrower shall cause financing statements with respect to the Trust Estate described in this

Indenture to be at all times filed in such manner and in such places if required by law in order to fully preserve and protect the rights of the Issuer and the Trustee hereunder and to perfect the security interest created by this Indenture in the Trust Estate described herein. To the extent possible under applicable law, as in effect in the jurisdiction(s) in which the Trust Estate is located, and subject to the terms and limitations on liability set forth in the Financing Agreement, the Borrower will maintain the priority of the security interest herein created in the Trust Estate as a first lien thereon, and warrant, protect, preserve and defend its interest in the Trust Estate and the security interest of the Trustee herein and all rights of the Trustee under this Indenture against all actions, proceedings, claims and demands of all Persons, all paid for by the Borrower.

Section 5.04 No Modification of Security. The Issuer shall not, without the written consent of the Trustee, alter, modify or cancel, or agree to consent to alter, modify or cancel any agreement which relates to or affects the security for the Bonds. The Trustee shall not consent to any change in the maturity of the GNMA Security or the Mortgage Note, except as provided in Sections 4.03(c), 4.03(d), 5.07 and Article VIII hereof.

Section 5.05 Reports. The Trustee shall furnish annually, to the Borrower, the GNMA Issuer and any Bondholder who requests copies thereof and furnishes an address to which such reports and statements are to be sent, copies of (a) any reports furnished to the Trustee with regard to the Project and (b) annual statements of the Trustee with regard to fund balances. The Trustee shall be reimbursed by the Borrower for its reasonable costs in preparing any such statements.

Section 5.06 Tax Covenants.

(a) The Issuer, to the extent that it has control over any of the following proceeds or payments, and the Trustee, to the extent that it has discretion with respect to investment of such proceeds, covenant and agree that they will not take any action or fail to take any action with respect to the investment of the proceeds of any Bonds issued under this Indenture or with respect to the payments derived from the security pledged hereunder or from the Financing Agreement which would result in constituting the Bonds "arbitrage bonds" within the meaning of such term as used in Section 148 of the Code. The Issuer and the Trustee further covenant and agree that they will comply with and take all actions required by the Arbitrage Certificate.

(b) The Issuer covenants that it shall not use or cause the use of any proceeds of Bonds or any other funds of the Issuer, directly or indirectly, in any manner, and shall not take or cause to be taken any other action or actions, or fail to take any action or actions, which would result in interest on any of the Bonds becoming includable in gross income of any holder thereof. The Issuer further covenants that it shall at all times do and perform all acts and things permitted by law and necessary or desirable in order to assure that interest paid by the Issuer on the Bonds shall be excluded from the gross income of the recipients thereof for federal income tax purposes.

Section 5.07 Concerning the GNMA Security.

(a) The Trustee shall defend its rights in and to the GNMA Security for the benefit of the Bonds against the claims and demands of all Persons whomsoever.

(b) The Trustee shall not sell or otherwise dispose of the GNMA Security for an amount less than the amount sufficient, together with other amounts held under this Indenture, to provide for the payment of the Bonds in accordance with Article IX hereof.

(c) Except as otherwise specifically permitted by this Indenture, the Trustee shall not consent to any sale, modification or amendment of the GNMA Security without (i) notifying the Rating Agency of any proposed sale, modification or amendment, and (ii) obtaining the express written consent of 100% of the Holders of the Bonds.

ARTICLE VI

DEFAULT PROVISIONS AND REMEDIES OF TRUSTEE AND HOLDERS

Section 6.01 Events of Default. Each of the following shall be an "Event of Default":

- (a) default in the due and punctual payment of any interest on any Bond; or
- (b) default in the due and punctual payment of the principal of or premium, if any, on any Bond whether at the stated maturity thereof, or on proceedings for redemption thereof, or on the maturity thereof by declaration; or
- (c) default in the performance or observance of any other of the covenants, agreements or conditions on the part of the issuer in this Indenture or in the Bonds; or
- (d) the occurrence and continuation of an event of default under the Financing Agreement of which the Trustee has actual notice or of which the Trustee is deemed to have notice pursuant to Section 7.04(i) hereof.

The Trustee and the Issuer agree that notwithstanding the provisions hereof, no default under the terms of this Indenture shall be construed as resulting in a default under the Mortgage Loan Documents unless such event also constitutes a default thereunder.

Section 6.02 Acceleration. Upon the occurrence of an Event of Default described in Section 6.01(a) or (b) hereof, and provided that the Mortgage Loan shall have been paid in full as certified by the GNMA Issuer to the Trustee, the Trustee may, and upon the written request of the holders of not less than 25% in aggregate principal amount of all Bonds then Outstanding shall, by notice in writing delivered to the Borrower and the Issuer, declare the principal of all Bonds then Outstanding and the interest accrued thereon immediately due and payable and such principal and interest shall thereupon become and be immediately due and payable.

Section 6.03 Rights of Holders. If any Event of Default shall have occurred and be continuing, then the Trustee may and, if requested so to do by the Holders of not less than 25% in aggregate principal amount of Bonds affected by such default, and if indemnified as provided herein, the Trustee shall:

- (a) by mandamus or other suit, action or proceeding at law or in equity require the Issuer to perform its covenants and duties under this Indenture;
- (b) bring suit upon the Bonds;

(c) by action or suit in equity require the Issuer to account for its actions as if it were the trustee of an express trust for the holders of the Bonds;

(d) by action or suit in equity enjoin any acts or things that may be unlawful or in violation of the rights of the holders of the Bonds;

(e) take any action to enforce its remedies under the Financing Agreement;
or

(f) take such other steps to protect and enforce its rights and the rights of the holders of the Bonds, whether by action, suit or proceeding in aid of the execution of any power herein granted or for the enforcement of any other appropriate legal or equitable remedy.

Section 6.04 Rights of Holders to Direct Proceedings. Subject to the provisions of Section 6.08 hereof, the Holders of a majority in principal amount of the Bonds shall have the right at any time, by an instrument in writing executed and delivered to the Trustee, to direct the time, method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of this Indenture for the benefit of the Bonds, or for the appointment of a receiver or any other proceedings hereunder for the benefit of the Bonds, in accordance with the provisions of law and of this Indenture.

Section 6.05 Waiver by Issuer. Upon the occurrence of an Event of Default, to the extent that such right may then lawfully be waived, neither the Issuer nor anyone claiming through or under it shall set up, claim or seek to take advantage of any appraisal, valuation, stay, extension or redemption laws now or hereinafter in force, in order to prevent or hinder the enforcement of this Indenture; and the Issuer, for itself and all who may claim through or under it, hereby waives, to the extent that it lawfully may do so, the benefit of all such laws and all right of appraisement and redemption to which it may be entitled under the laws of the State.

Section 6.06 Application of Moneys. All moneys received by the Trustee or a receiver pursuant to any right given or action taken pursuant to a default under Section 6.01(a) or (b) hereof and all moneys in the possession of the Trustee shall, after payment of the cost and expenses of any proceedings resulting in the collection of such moneys and after payment of the fees and expenses of the Trustee, its agents and attorneys, be deposited in the Bond Fund; and all moneys in the Bond Fund shall be applied, together with the other moneys held by the Trustee hereunder, except the Rebate Fund, as follows:

(a) Unless the principal of all the Bonds shall have become due and payable or have been declared due and payable, all such moneys shall be applied:

FIRST: to the payment to the Persons entitled thereto of all installments of interest then due on the Bonds, in the order of the maturity of the installments of such interest and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment thereof ratably, according to the amounts due on such installment, to the Persons entitled thereto, without any discrimination or privilege except as to any difference in the respective rates of interest specified in the Bonds;

SECOND: to the payment to the Persons entitled thereto of the unpaid principal of and premium, if any, on any of the Bonds which shall have become due (other than Bonds called for redemption for the payment of which money shall be held pursuant to

Section 4.12 of this Indenture) whether at maturity or by call FOR redemption, in the order of their due dates and beginning with the earliest such due date, with interest on such Bonds from the date upon which they become due and, if the amount available shall not be sufficient to pay in full principal of, premium, if any, and interest on the Bonds due on any particular date, together with such interest, then to the payment thereof ratably, according to the amount of the principal, interest, and premium, if any, due on such date, to the Persons entitled thereto without any discrimination or privilege; and

THIRD: to the payment of any unpaid fees and expenses of the Issuer and the GNMA Issuer.

Any moneys remaining after application as described above shall be deposited in the General Account of the Bond Fund.

(b) If the principal of all the Bonds shall have become due and payable or shall have been declared due and payable, all such moneys shall be applied to the payment of the principal, premium, if any, and interest then due and unpaid upon the Bonds, without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of premium over principal or interest or of principal or interest over premium or of any Bond over any other Bond, ratably, according to the amounts due respectively for principal, premium, if any, and interest, to the persons entitled thereto without any discrimination or privilege, except as to any difference in the respective Interest Rates specified in the Bonds.

Whenever moneys are to be applied pursuant to the provisions of this Section, such moneys shall be applied at such times, and from time to time as the Trustee shall determine, having due regard to the amount of such moneys available for such application in the future. Whenever the Trustee shall apply such funds, it shall fix the date (which shall be an Interest Payment Date unless it shall deem another date more suitable) upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such date shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the deposit with it of any such moneys and of the fixing of any such date, and shall not be required to make payment to the Holder of any Bond until such Bond shall be presented to the Trustee for appropriate endorsement or for cancellation if fully paid.

Section 6.07 Remedies Vested in Trustee. All rights of action, including the right to file proof of claims, under this Indenture or under any of the Bonds may be enforced by the Trustee without the possession of any of the Bonds or the production thereof in any trial or other proceedings relating thereto and any such suit or proceeding instituted by the Trustee shall be brought in its name as Trustee without the necessity of joining as plaintiffs or defendants any Holders of the Bonds, and any recovery of judgment shall be for the benefit as provided herein of Holders of the Outstanding Bonds.

Section 6.08 Remedies of Holders. No Holder of any Bonds shall have any right to institute any suit, action or proceeding in equity or at law for the enforcement of any provision of this Indenture or for the execution of any trust hereunder or for the appointment of a receiver or any other remedy hereunder, unless: (a) a default shall have occurred of which the Trustee shall have been notified as provided herein; (b) such default shall have become an Event of Default; (c) the Holders of at least 25% in aggregate principal amount of the

Outstanding Bonds shall have made written request to the Trustee and shall have offered reasonable opportunity either to proceed to exercise the powers hereinbefore granted or to institute such action, suit or proceeding in its own name; (d) such Holders shall have offered to the Trustee indemnity as provided herein; and (e) the Trustee shall within 60 days thereafter fail or refuse to exercise the powers hereinbefore granted, or to institute such action, suit or proceeding, and such notification, request and offer of indemnity are hereby declared in every case at the option of the Trustee to be conditions precedent to the execution of the powers and trusts under this Article VI, and to any action or cause of action for the enforcement of this Indenture, or for any other remedy hereunder; it being understood and intended that no one or more Holders of the Bonds shall have any right in any manner whatsoever to affect, disturb or prejudice the lien of this Indenture or the rights of any other Holders of the Bonds or to obtain priority or preference over any other Holders (other than as provided herein) or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all Holders of Bonds. Nothing contained in this Indenture shall, however, affect or impair the right of any Holder to enforce the payment of the principal of, the premium, if any, and interest on any Bond at the maturity thereof or the obligation of the Issuer to pay the principal of, premium, if any, and interest on the Bonds issued hereunder to the respective Holders thereof, at the time, in the place, from the sources and in the manner expressed herein and in said Bonds.

Section 6.09 Termination of Proceedings. In case the Trustee shall have proceeded to enforce any right under this Indenture by the appointment of a receiver, by entry or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case the Issuer and the Trustee shall be restored to their former positions and rights hereunder with respect to the Trust Estate herein conveyed, and all rights, remedies and powers of the Trustee shall continue as if no such proceedings had been taken.

Section 6.10 Waivers of Events of Default. The Trustee shall waive any Event of Default hereunder and its consequences and rescind any declaration of maturity of principal of and interest on the Bonds upon the written request of the Holders of a majority of the Outstanding Bonds; provided, however, that there shall not be waived (a) any default in the payment of the principal of any Bonds at the date of maturity specified therein, or upon proceedings for mandatory redemption, or (b) any default in the payment when due of the interest or premium on any such Bonds, unless prior to such waiver or rescission all arrears of interest, with interest (to the extent permitted by law) at the rate borne by the Bonds on overdue installments of interest or all arrears of payments of principal or premium, if any, when due (whether at the stated maturity thereof or upon proceedings for mandatory redemption) as the case may be, and all fees, costs, and expenses of the Trustee, in connection with such default shall have been paid or provided for, and in case of any such waiver or rescission, or in case any proceeding taken by the Trustee on account of any such default shall have been discontinued or abandoned or determined adversely, then and in every such case the Issuer, the Trustee and the Bondholders shall be restored to their former positions and rights hereunder, respectively, but no such waiver or rescission shall extend to any subsequent or other default, or impair any right consequent thereto.

Section 6.11 Notice of Defaults; Opportunity of the Issuer, the Borrower and the GNMA Issuer to Cure Defaults. Anything herein to the contrary notwithstanding no default under subsection (c) of Section 6.01 hereof (other than a default occasioned by the nonpayment of money) shall constitute an Event of Default until (i) actual notice of such default by registered or certified mail shall have been received by the Trustee, and a notice of default

shall have been given by the Trustee or by the Holders of not less than 25% in aggregate principal amount of the Outstanding Bonds to the Borrower and its partners, the GNMA Issuer and the Issuer, and (ii) the Borrower, its partners and the Issuer shall have had with respect to a default under such subsection (c), 30 days after receipt of such notice, to correct said default or cause said default to be corrected, and shall not have corrected said default or caused said default to be corrected within the applicable period, and thereafter, with respect to a default described in such subsection (c), the GNMA Issuer shall have had 30 days to correct said default or cause said default to be corrected, and shall not have corrected said default or caused said default to be corrected within the applicable period; provided, however, if a default under such subsection (c) be such that it cannot be corrected within the applicable period, it shall not constitute an Event of Default if corrective action is instituted by the Borrower, any of the partners of the Borrower, the Issuer or the GNMA Issuer, as the case may be, within the applicable period and diligently pursued until the default is corrected.

With regard to any alleged default concerning which notice has been given to the Borrower under the provisions of this Section, the Issuer hereby grants the Borrower full authority for the account of the Issuer to perform any covenant or obligation alleged in said notice to constitute a default, in the name and stead of the Issuer with full power to do any and all things and acts to the same extent that the Issuer could do and perform any such things and acts and with power of substitution.

In the event the Issuer fails to perform any of its covenants or obligations under this Indenture, the Borrower shall have the right but not the obligation to perform such covenants or obligations and the Issuer hereby consents to such fulfillment and waives any right it may have to interfere therewith.

ARTICLE VII

THE TRUSTEE

Section 7.01 Certain Duties and Responsibilities.

(a) Except during the continuance of an Event of Default:

(i) The Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; but in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether they conform to the requirements of this Indenture.

(b) In case an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of his or her own affairs.

(c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that

(i) This subsection (c) shall not be construed to limit the effect of subsection (a) of this Section;

(ii) The Trustee shall not be liable for any error of judgment made in good faith by a responsible officer, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts; and

(iii) The Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with directions received pursuant to Section 6.04 or the direction of the Holders of a majority in principal amount of Outstanding Bonds relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture.

(d) No provisions of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers.

(e) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section.

Section 7.02 Notice of Default. Within 30 days after the occurrence of any default hereunder of which the Trustee is deemed to have notice hereunder, the Trustee shall transmit by first class mail, to the Holders of all Bonds then Outstanding notice of such default hereunder known to the Trustee, unless such default shall have been cured or waived prior thereto; provided, however, that, except in the case of a default in the payment of the principal of (or premium, if any) or interest on any Bond when due, the Trustee shall be protected in withholding such notice if and so long as the Trustee in good faith determines that the withholding of such notice is in the interests of the Holders of the Bonds. For the purpose of this Section the term "default" means any event which is, or after notice or lapse of time or both would become, an Event of Default.

Section 7.03 Required Reporting. The Trustee shall provide to the Rating Agency (with copies to the Issuer and the Borrower):

(a) notice of any of the following events: (i) any GNMA Security is sold (except for the exchange of the CLCs for the PLC), (ii) a partial prepayment is made on any GNMA Security, (iii) the Investment Agreement is amended or replaced by a new Investment Agreement, (iv) the Bonds are no longer Outstanding in accordance with Article IX hereof, (v) this Indenture or any Mortgage Loan Document is amended in accordance with Article VIII hereof, and (vi) the appointment of any successor Trustee or co-trustee.

(b) notice of the initial acquisition by the Trustee of (i) the Initial CLC, and (ii) the PLC (within 30 days of such acquisition);

(c) a copy of any notices sent to the GNMA Issuer, HUD or GNMA after the Trustee has become entitled to claim any benefits under the GNMA Security; and

(d) such other information as the Rating Agency may reasonably request from time to time (i) in connection with its ongoing surveillance of the rating on the Bonds and (ii) in order to maintain the rating on the Bonds.

Section 7.04 Certain Rights of Trustee. Except as otherwise provided in Section 10.01 hereof:

(a) the Trustee may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order or other paper or document conforming to the requirements, if any, of this Indenture, and believed by it to be genuine, and to have been signed or presented by the proper party or parties;

(b) any Request or Statement of the Issuer mentioned herein shall be sufficiently evidenced by an order or Request of the Issuer signed by an Authorized Issuer Representative and any resolution or ordinance of the governing body of the Issuer may be sufficiently evidenced by a Certificate of the Issuer;

(c) any notice, request, direction, election, order or demand of the Borrower mentioned herein shall be sufficiently evidenced by an instrument purporting to be signed in the name of the Borrower by an Authorized Borrower Representative (unless other evidence in respect thereof be herein specifically prescribed);

(d) whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon a Certificate of the Issuer;

(e) the Trustee may consult with counsel, architects and engineers and other experts, and the written advice of such counsel, architects or engineers and other experts shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

(f) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders of the Bonds pursuant to this Indenture, unless such Holders shall have offered to the Trustee reasonable security or indemnity against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction;

(g) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such fact or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuer, the GNMA Issuer and the Borrower, including the Project, personally or by agent or attorney;

(h) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder whether directly or by or through agents or attorneys, but the Trustee shall be responsible for any misconduct or negligence on the part of any agent or attorney so appointed;

(i) the Trustee shall not be required to take notice or be deemed to have notice of any default hereunder (except for any default due to the Trustee's failure to make any of the payments required to be made by Article IV hereof) unless the Trustee shall be specifically notified in writing of such default by the Issuer or the Holders of at least 25% in principal amount of Bonds affected thereby; and

(j) all notices or other instruments required by this Indenture to be delivered to the Trustee must, in order to be effective, be delivered at the principal corporate trust office of the Trustee at the Notice Address referred to in Section 1.01 hereof.

Section 7.05 Not Responsible for Recitals or Issuance of Bonds. The recitals contained herein and in the Bonds, except the certificates of authentication, shall be taken as the statements of the Issuer, and the Trustee assumes no responsibility for their correctness. The Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Bonds.

Section 7.06 Trustee May Hold Bonds. The Trustee in its individual or any other capacity may become the owner or pledgee of Bonds and may otherwise deal with the Issuer with the same rights it would have if it were not Trustee.

Section 7.07 Compensation. The Trustee may on each Interest Payment Date reimburse itself as provided in Section 4.04 hereof for all reasonable expenses, disbursements and advances incurred or made by the Trustee in performing its obligations in accordance with any provision of this Indenture (including the compensation and the expenses and disbursements of any Paying Agent, separate Trustee or co-trustee, its agents and counsel); provided, however, that the Trustee's semi-annually compensation under this Section 7.07 shall be limited to the Trustee Fee, including its services as dissemination agent under the Continuing Disclosure Agreement, which amount shall reduce ratably if and to the extent of the redemption or maturity of Outstanding Bonds.

Any amounts payable to the Trustee in excess of the amounts specified in the preceding paragraph shall be paid by the Borrower in accordance with Section 4.7 of the Financing Agreement and not from funds held under this Indenture.

Section 7.08 Successor Trustee. Any corporation or association into which the Trustee may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer its trust business and assets as a whole or substantially as a whole, or any corporation or association resulting from any such conversion, sale, merger, consolidation or transfer to which it is a party shall, ipso facto, be and become successor Trustee hereunder and vested with all title to the whole property or Trust Estate and all the trusts, powers, discretions, immunities, privileges and all other matters as was its predecessor, without the execution or filing of any instruments or any further act, deed or conveyance on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

Section 7.09 Resignation by the Trustee. The Trustee and any successor Trustee may at any time resign from the trusts hereby created by giving 60 days' written notice

by registered or certified mail to the Issuer and to each Holder of the Bonds then Outstanding; provided that no such resignation shall take effect until a successor Trustee shall have been appointed and shall have accepted such appointment as provided in Section 7.11. If no successor Trustee shall have been appointed and have accepted appointment within 60 days following the giving of all required notices of resignation, the resigning Trustee may petition any court of competent jurisdiction for the appointment of a successor Trustee.

Section 7.10 Removal of the Trustee. The Trustee may be removed at any time, by an instrument or concurrent instruments in writing delivered to the Trustee and the Issuer, and signed (a) by the Holders of a majority of the Bonds Outstanding at the time, or (b) with the written concurrence of the Issuer and the GNMA Issuer, provided, that such removal shall not be effective until all reasonable fees and expenses of the Trustee have been paid in full, and provided, further, that the Trustee shall continue to serve as Trustee hereunder until a new Trustee has been appointed.

Section 7.11 Appointment of Successor Trustee by the Holders; Temporary Trustee. In case the Trustee hereunder shall resign or be removed, or be dissolved, or shall be in the course of dissolution or liquidation, or otherwise become incapable of acting hereunder, or in case it shall be taken under the control of any public officer or officers, or of a receiver appointed by a court, a successor may be appointed by the Holders of a majority of the principal amount of the Outstanding Bonds, with the consent of the Borrower and notice to the GNMA Issuer, which consent shall not be unreasonably withheld, by an instrument or concurrent instruments in writing signed by such Holders, or by their duly authorized attorneys; provided, nevertheless, that in case of vacancy the Issuer, with the consent of the Borrower, which consent shall not be unreasonably withheld, may appoint a temporary Trustee to fill such vacancy until a successor Trustee shall be appointed by such Holders in the manner above provided; and any such temporary Trustee so appointed by the Issuer shall immediately and without further act be superseded by the trustee so appointed by such Bondholders.

Section 7.12 Concerning Any Successor Trustee. Every successor Trustee appointed hereunder shall execute, acknowledge and deliver to its predecessor and also to the Issuer an instrument in writing accepting such appointment hereunder and thereupon such successor, without any further act, deed or conveyance, shall become fully vested with all the estates, properties, rights, powers, trusts, duties and obligations of its predecessor; but such predecessor shall, nevertheless, on the written request of the Issuer, or of its successor, and upon payment of all amounts due such predecessor, execute and deliver an instrument transferring to such successor Trustee all the estates, properties, rights, powers, trusts, duties and obligations of such predecessor hereunder; and every predecessor Trustee shall deliver all securities and money held by it as Trustee hereunder to its successor. Should any instrument in writing from the Issuer be required by a successor Trustee for more fully and certainly vesting in such successor the estate, rights, powers and duties hereby vested or intended to be vested in the predecessor, any and all such instruments in writing shall, on request be executed, acknowledged and delivered by the Issuer. The resignation of any Trustee and the instrument or instruments removing any Trustee and appointing a successor hereunder, together with all other instruments provided for in this Article, shall be filed and/or recorded by the successor Trustee in any recording office where the Indenture shall have been filed and/or recorded. Any such successor Trustee shall be bound by all of the provisions hereof, including but not limited to Section 7.07 hereof. Every such Trustee appointed pursuant to the provisions of this Section shall be a trust company or bank organized under the laws of the United States of America or any state thereof and which is in good standing, within or outside the State, having a reported

capital and surplus of not less than \$10,000,000 if there be such an institution willing, qualified and able to accept the trust upon reasonable or customary terms.

Section 7.13 Trustee as Paying Agent and Bond Registrar; Additional Paying Agents. The Trustee is hereby designated and agrees to act as Paying Agent and Registrar for and in respect to the Bonds.

The Issuer from time to time may appoint one or more additional Paying Agents and, in the event of the resignation or removal of any Paying Agent, successor Paying Agents. Any such additional Paying Agent or successor Paying Agent shall signify its acceptance of the duties and obligations imposed upon it by this Indenture by executing and delivering to the Issuer and the Trustee a written acceptance thereof.

Section 7.14 Successor Trustee as Trustee, Paying Agent and Bond Registrar. In the event of a change in the office of Trustee, the predecessor Trustee which shall have resigned or shall have been removed shall cease to be Trustee and Paying Agent on the Bonds and Bond Registrar, and the successor Trustee shall become such Trustee, Paying Agent and Bond Registrar.

Section 7.15 Co-Trustee or Separate Trustee. At any time, but subject to compliance with all applicable regulations, for the purpose of meeting any legal requirements of any jurisdiction in which any part of the Trust Estate may at the time be located or for the purpose of enforcing any provisions of this Indenture or the Financing Agreement, the Issuer and the Trustee shall have power to appoint an additional Person as a co-trustee or separate trustee (provided, however, that the total fee payable to the Trustee and the co-trustee or the Trustee and the separate trustee, may not exceed the fee payable to the Trustee prior to that appointment), and upon the request of the Trustee or of the Holders of at least 25% in aggregate principal amount of Outstanding Bonds the Issuer shall for such purpose join with the Trustee in the execution, delivery and performance of all instruments and agreements necessary or proper to appoint such Person to act as co-trustee of all or any part of the Trust Estate, and to vest in such Person or institution, in such capacity, such title to the Trust Estate, or any part thereof, and such rights, powers, duties, trusts or obligations as the Issuer and the Trustee may consider necessary or desirable, subject to the remaining provisions of this Section.

If the Issuer shall not have made such appointment within 30 days after the receipt by it of a request to do so, or in case an event of default shall have occurred and be continuing, the Trustee alone shall have the power to make such appointment.

The Trustee, the Issuer and the Borrower shall execute, acknowledge and deliver all such instruments as may be reasonably required by any such co-trustee or separate trustee for more fully confirming such title, rights, powers, trusts, duties and obligations to such co-trustee or separate trustee.

Every co-trustee or separate trustee shall, to the extent permitted by law, but to such extent only, be appointed subject to the following terms, namely:

- (a) the Bonds shall be authenticated and delivered, and all rights, powers, trusts, duties and obligations by this Indenture conferred upon the Trustee in respect of the custody, control or management of money, papers, securities and other personal property shall be exercised solely by the Trustee;

(b) all rights, powers, duties and obligations conferred or imposed upon the Trustee shall be conferred or imposed upon or exercised or performed by the Trustee, or by the Trustee and such co-trustee or separate trustee jointly, as shall be provided in the instrument appointing such co-trustee or separate trustee, except to the extent that under the law of any jurisdiction in which any particular act or acts are to be performed the Trustee shall be incompetent or unqualified to perform such act or acts, in which event such act or acts shall be performed by such co-trustee or separate trustee;

(c) any request in writing by the Trustee to any co-trustee or separate trustee to take or to refrain from taking any action hereunder shall be sufficient warrant for the taking or the refraining from taking of such action by such co-trustee or separate trustee;

(d) any co-trustee or separate trustee to the extent permitted by law may delegate to the Trustee the exercise of any right, power, trust, duty or obligation, discretionary or otherwise;

(e) the Trustee at any time by an instrument in writing with the concurrence of the Issuer may accept the resignation of or remove any co-trustee or separate trustee appointed under this Section and in case an Event of Default shall have occurred and be continuing, the Trustee shall have power to accept the resignation of or remove any such co-trustee or separate trustee without the concurrence of the Issuer, and, upon the request of the Trustee, the Issuer shall join with the Trustee in the execution, delivery, and performance of all instruments and agreement necessary or proper to effectuate such resignation or removal. A successor to any co-trustee or separate trustee so resigned or removed may be appointed in the manner provided in this Section;

(f) no trustee hereunder shall be personally liable by reason of any act or omission of any other trustee hereunder;

(g) any demand, request, direction, appointment, removal, notice, consent, waiver or other action in writing executed by the Holders and delivered to the Trustee shall be deemed to have been delivered to each such co-trustee or separate trustee; and

(h) any money, paper, securities or other items of personal property received by any such co-trustee or separate trustee hereunder shall forthwith, so far as may be permitted by law, be turned over to the Trustee.

Upon the acceptance in writing of such appointment, any such co-trustee or separate trustee shall be vested with such title to the Trust Estate or any part thereof, and with such rights, powers, duties, trusts or obligations as shall be specified in the instrument of appointment jointly with the Trustee (except insofar as local law makes it necessary for any such co-trustee or separate trustee to act alone) subject to all the terms of this Indenture. Every such acceptance shall be filed with the Trustee, Borrower and the Issuer.

In case any co-trustee or separate trustee shall die, become incapable of acting, resign or be removed, the title to the Trust Estate and all rights, powers, trusts, duties and obligations of said co-trustee or separate trustee shall, so far as permitted by law, vest in and be exercised by the Trustee unless and until a successor co-trustee or separate trustee shall be appointed in the manner herein provided.

Section 7.16 Representation by Trustee. The Trustee hereby represents and warrants that as of the date of execution of this Indenture:

(a) It is duly organized and validly existing in good standing under the laws of the jurisdiction of its organization and has the power and authority to enter into and perform its obligations under this Indenture;

(b) this Indenture has been duly authorized, executed and delivered by it; and

(c) to the best of the Trustee's knowledge, the execution of this Indenture by the Trustee does not violate laws, statutes, ordinances, regulations or agreements which are binding on the Trustee.

Section 7.17 Interpretation of Intent. The Trustee, in exercising its authority under this Indenture, may interpret the intent of the parties hereunder. In exercising such authority, the Trustee shall be held to a reasonable fiduciary standard subject to Section 7.01 hereof.

ARTICLE VIII

SUPPLEMENTAL INDENTURE

Section 8.01 Supplemental Indentures Not Requiring Consent of Bondholders. The Issuer and the Trustee, without the consent of or notice to any of the Bondholders, may enter into an indenture or indentures supplemental to this Indenture as shall not be inconsistent with the terms and provisions hereof or materially adverse to the interest of the Holders of the Bonds for any one or more of the following reasons:

(a) to cure any ambiguity or formal defect or omission in this Indenture;

(b) to subject to the lien and pledge of this Indenture additional revenues, properties or collateral;

(c) to grant to or confer upon the Trustee for the benefit of the Bondholders any additional rights, remedies, powers or authority that may lawfully be granted to or conferred upon the Bondholders or the Trustee or any of them;

(d) to modify, amend or supplement this Indenture or any indenture supplemental hereto in such manner as to permit the qualification hereof and thereof under the Trust Indenture Act of 1939 or any similar federal statute hereafter in effect or under any state securities laws;

(e) to permit the Trustee to comply with any obligations imposed upon it by law;

(f) to achieve compliance of this Indenture with any applicable federal securities or tax laws or state securities laws;

(g) to maintain the exclusion from gross income for federal income taxation of interest on the Bonds;

(h) to obtain, improve or maintain the rating on the Bonds from any nationally recognized securities rating agency so long as such change does not affect the interest rates, maturities or redemption provisions of the Bonds and does not, in the opinion of Bond Counsel, adversely affect the exclusion from gross income for federal income taxation of interest on the Bonds; or

(i) in connection with any other change in this Indenture which, in the judgment of the Trustee, is not to the prejudice of the Trustee or the Bondholders.

The Trustee may rely upon an opinion of counsel as conclusive evidence that execution and delivery of a supplemental indenture have been effected in compliance with the provisions of this Article.

Section 8.02 Supplemental Indentures Requiring Consent of Bondholders. With the consent of the Holders of not less than a majority in aggregate principal amount of the Outstanding Bonds, the Trustee, from time to time, may enter into supplemental indentures for the purpose of modifying, altering, amending, adding to or rescinding any of the terms or provisions contained in this Indenture or in any supplemental indenture; provided, however, that nothing in this Article contained shall permit, or be construed as permitting without the consent of the Holders of 100% of the Bonds outstanding: (a) an extension of the stated maturity or a reduction in the principal amount or reduction in the rate, or extension of time of payment of interest on, or reduction of any premium payable on the redemption of, any Bonds; (b) the creation of any lien on the Trust Estate prior to or on a parity with the lien of this Indenture; (c) a reduction in the amount of the Bonds, the Holders of which are required to approve any such supplemental indenture, without the consent of the Holders of all Bonds at the time Outstanding which would be affected by the action to be taken; (d) the modification of the rights, duties or immunities of the Trustee without the consent of the Trustee; (e) a privilege or priority of any Bond over any other Bonds; (f) any reduction in the Borrower's obligations under the Mortgage Note, or change in the GNMA Issuer's obligations under (or GNMA's guaranty of) the GNMA Securities; (g) any amendment to Section 5.07 or Article VIII hereof, or (h) any action which may result in the denial of the exclusion of interest on the Bonds from gross income for federal income taxation.

If at any time the Issuer shall request the Trustee to enter into any such supplemental indenture for any of the purposes of this Section, the Trustee shall, upon being satisfactorily indemnified with respect to expenses, cause notice of the proposed execution of such supplemental indenture to be mailed, postage prepaid, to all Bondholders. Such notice shall briefly set forth the nature of the proposed supplemental indenture and shall state that copies thereof are on file at the corporate trust office of the Trustee for inspection by all Bondholders. If, within 60 days or such longer period as shall be prescribed by the Issuer following the mailing of such notice, the Holders of not less than two-thirds in aggregate principal amount of Outstanding Bonds at the time of the execution of any such supplemental indenture shall have consented to and approved the execution thereof as herein provided, no Holder of any Bond shall have any right to object to any of the terms and provisions contained therein, or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Trustee or the Issuer from executing the same or from taking any action pursuant to the provisions thereof. Upon the execution of any such supplemental indenture as in this Section permitted and provided, this Indenture shall be and be deemed to be modified and amended in accordance therewith. The Trustee may rely upon an opinion of counsel as conclusive evidence that execution and delivery of a supplemental indenture have been effected in compliance with the provisions of this Article.

Anything herein to the contrary notwithstanding, a supplemental indenture under this Article which affects any rights of the Borrower shall not become effective unless and until the Borrower shall have consented to the execution and delivery of such supplemental indenture. In this regard, the Trustee shall cause notice of the proposed execution and delivery of any such supplemental indenture to be mailed by certified or registered mail to the Borrower at least 15 days prior to the proposed date of execution and delivery of any supplemental indenture. The Borrower shall be deemed to have consented to the execution and delivery of any such supplemental indenture if the Trustee does not receive a letter of protest or objection thereto signed by or on behalf of the Borrower on or before the close of business of the Trustee on the fifteenth day after the mailing of said notice and a copy of the proposed supplemental indenture.

Section 8.03 Amendments to Financing Agreement Not Requiring Consent of the Bondholders. The Issuer and the Borrower, without the consent of the Bondholders, may enter into any amendment, change or modification to the Financing Agreement as shall not be inconsistent with the terms of the Financing Agreement or materially adverse to the interests of the Holder of the Bonds for any one or more of the following purposes:

- (a) to cure any ambiguity or formal defect or omission in the Financing Agreement;
- (b) to grant to or confer upon the Issuer or the Trustee for the benefit of the Bondholders any additional rights, remedies, powers or authority that may be lawfully granted to or conferred upon the Issuer or the Trustee or either of them;
- (c) to maintain the exclusion from gross income for federal income taxation of interest of the Bonds;
- (d) to obtain, improve or maintain the rating on the Bonds so long as such change does not affect the interest rates, maturities or redemption provisions of the Bonds and does not, in the opinion of Bond Counsel, adversely affect the exclusion from gross income for federal income taxation of interest on the Bonds; or
- (e) in connection with any other change which, in the judgment of the Trustee, is not to the prejudice of the Trustee or the Bondholders.
- (f) the Trustee may rely upon an opinion of counsel as conclusive evidence that such amendment, change or modification has been effected in compliance with the provisions of this Article.

Section 8.04 Amendments to Financing Agreement Requiring Consent of Bondholders. With the consent of the Holders of not less than a majority in aggregate principal amount of the Bonds at the time Outstanding, the Issuer, the Trustee and the Borrower may from time to time enter into amendments, changes and modifications to the Financing Agreement for the purpose of modifying, altering, amending, adding to or rescinding any of the terms or provisions contained therein; *provided, however*, that no such amendment, change or modification shall permit or be construed as permitting: (a) any adverse effect on the security for the Bonds, (b) a reduction in the amount of Bonds, the Holders of which are required to approve any such amendment, change or modification without the consent of Holders of all Bonds at the time Outstanding which would be affected by the action to be taken; or (c) any

action which may result in the denial of the exclusion of the interest on the Bonds from gross income for federal income tax purposes.

If at any time, the Borrower or the Issuer shall request the consent of the Trustee to any such amendment, change or modification of the Financing Agreement, the Trustee shall, upon being satisfactorily indemnified by the Borrower with respect to expenses, cause notice of such proposed amendment, change or modification to be given in the same manner as provided above with respect to supplemental indentures. Such notice shall briefly set forth the nature of such proposed amendment, change or modification and shall state that copies of the instrument embodying the same are on file at the corporate trust office of the Trustee for inspection by all Bondholders. If, within 60 days following the giving of such notice the Holders of not less than two-thirds in aggregate principal amount of Outstanding Bonds at the time of the execution of any such amendment, change or modification shall have consented to and approved the execution thereof as described above, no Holder of any Bond shall have any right to object to the terms and provisions contained therein, or to the operation thereof, or in any manner to question the propriety of the execution thereof or to enjoin or to restrain the Issuer or the Trustee from consenting to the execution thereof. The Trustee may rely upon an opinion of counsel as conclusive evidence that such amendment, change or modification has been effected in compliance with the provisions of this Article.

Section 8.05 Modification of Mortgage Loan Documents. Nothing contained herein or in the Financing Agreement shall limit or impair the right of the GNMA Issuer to require or agree to any amendment, change or modification of the Mortgage Loan Documents for the purpose of curing any ambiguity, or of curing, correcting or supplementing any defective or inconsistent provision contained therein, or in regard to matters or questions arising under said Mortgage Loan Documents so long as any such amendment, change or modification shall not adversely affect the payment terms of, the security for or the tax-exempt status of the Bonds.

ARTICLE IX

SATISFACTION AND DISCHARGE OF INDENTURE

Section 9.01 Discharge of Lien. If the Issuer shall pay or cause to be paid to the Holders of the Bonds the principal, interest and premium, if any, to become due thereon at the times and in the manner stipulated therein and herein, and shall have paid all fees and expenses of the Trustee, and if the Issuer shall keep, perform and observe all and singular the covenants and promises in the Bonds and in this Indenture expressed as to be kept, performed and observed by it or on its part, then these presents and the estate and rights hereby granted shall, at the option of the Issuer, cease, determine and be void, and thereupon the Trustee shall cancel and discharge the lien of this Indenture and execute and deliver to the Issuer such instruments in writing as shall be requisite to satisfy the lien hereof, shall reconvey to the Issuer the estate hereby conveyed, and shall assign and deliver to the Issuer (to the extent that the Issuer certifies to the Trustee that the Issuer is owed money by the Borrower) or to Borrower (if no such certification of the Issuer is delivered to the Trustee) any interest in property at the time subject to the lien of this Indenture which may then be in its possession, except amounts held by the Trustee for the payment of principal of and interest and premium, if any, on the Bonds.

All Outstanding Bonds shall, prior to the maturity or redemption date thereof, be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this Section if, under circumstances which, in the opinion of Bond Counsel, do not cause interest on the Bonds to be includable in gross income for federal income purposes, the

following conditions shall have been fulfilled: (a) in case any of the Bonds are to be redeemed on any date prior to their maturity, the Issuer shall have given to the Trustee, in form satisfactory to it, irrevocable instructions to mail, as provided in Article III hereof, notice of redemption of such bonds on said date; and (b) there shall be on deposit with the Trustee either money or direct non-callable obligations of, or non-callable obligations guaranteed by, the United States of America in an amount sufficient, as certified to the Trustee by independent public accountants of national standing, to pay when due the principal or redemption price, if applicable, and interest due and to become due on the Bonds on and prior to the Redemption Date or maturity date thereof, as the case may be. Upon satisfaction and discharge of this Indenture as aforesaid, the Trustee shall provide notice of such discharge by first class mail to Holders of all Bonds Outstanding, provided that for any Bonds subject to optional redemption within 90 days of the discharge of this Indenture no such notice need be given.

Section 9.02 Survival of Certain Provisions. Notwithstanding the foregoing, any provisions of this Indenture which relate to the maturity of Bonds, interest payments and dates thereof, optional and mandatory redemption provisions, credit against mandatory sinking fund requirements, exchange, transfer and registration of Bonds, replacement of mutilated, destroyed, lost or stolen Bonds, the safekeeping and cancellation of Bonds, non-presentment of Bonds, the holding of moneys in trust, and repayments of moneys in funds held hereunder, and the duties of the Trustee and the Registrar in connection with all of the foregoing, shall remain in effect and be binding upon the Trustee, the Registrar, the Paying Agent and the Holders notwithstanding the release and discharge of this Indenture. The provisions of this Article shall survive the release, discharge and satisfaction of this Indenture.

ARTICLE X

MISCELLANEOUS

Section 10.01 Consents and Other Instruments of Bondholders. Any consent, request, direction, approval, waiver, objection, appointment or other instrument required by this Indenture to be signed and executed by the Bondholders may be signed and executed in any number of concurrent writings of similar tenor and may be signed or executed by such Bondholders in person or by agent appointed in writing. Proof of the execution of any such instrument, if made in the following manner, shall be sufficient for any of the purposes of this Indenture and shall be conclusive in favor of the Trustee with regard to any action taken under such instrument, namely:

(a) The fact and date of the execution by any Person of any such instrument may be proved by the affidavit of a witness of such execution or by the certificate of any notary public or other officer of any jurisdiction, authorized by the laws thereof to take acknowledgments of deeds, certifying that the Person signing such instrument acknowledged to him the execution thereof. Where such execution is by an officer of a corporation or association or a member of a limited liability company or a partner of a partnership on behalf of such corporation, association, limited liability company or partnership, such affidavit or certificate shall also constitute sufficient proof of his authority.

(b) The ownership of Bonds shall be proven by the Bond Register.

(c) Any request, consent or vote of the Holder of any Bond shall bind every future Holder of any Bond issued in exchange therefor or in lieu thereof, in respect of

anything done or permitted to be done by the Trustee or the Issuer pursuant to such request, consent or vote.

(d) In determining whether the Holders of the requisite amount of the principal amount of the Bonds then Outstanding have concurred in any demand, request, direction, consent or waiver under this Indenture, Bonds which are owned by the Issuer or the Borrower or by any Person directly or indirectly controlling or controlled by, or under direct or indirect common control with the Issuer or the Borrower shall be disregarded and deemed not to be Outstanding for the purpose of determining whether the Trustee shall be protected in relying on any such demand, request, direction, consent or waiver. Only Bonds which the Trustee knows to be so owned shall be disregarded. Bonds so owned which have been pledged in good faith may be regarded as Outstanding for the purposes of this Section if the pledgee shall establish to the satisfaction of the Trustee the pledgee's right to vote such Bonds. In case of a dispute as to such right, any decision by the Trustee taken upon the advice of counsel shall be full protection to the Trustee.

Section 10.02 Limitation of Rights. With the exception of rights herein expressly conferred, nothing expressed or implied in this Indenture or the Bonds is intended or shall be construed to give to any Person other than the parties hereto, the Borrower and the Holders of the Bonds, any legal or equitable right, remedy or claim under or in respect to this Indenture or any covenants, conditions and provisions hereof.

Section 10.03 Severability. If any provision of this Indenture shall be held or deemed to be or shall in fact be inoperative or unenforceable as applied in any particular case in any jurisdiction or jurisdictions or in all jurisdictions, or in all cases because it conflicts with any other provision or provisions hereof or any constitution, statute, rule of law or public policy, or for any other reason, such circumstances shall not have the effect of rendering the provision in question inoperative or unenforceable in any other case or circumstances, or of rendering any other provision or provisions herein contained invalid, inoperative or unenforceable to any extent whatever.

The invalidity of any one or more phrases, sentences, clauses or sections in this Indenture contained shall not affect the remaining portions of this Indenture or any part thereof.

Section 10.04 Notices. All notices, certificates or other communications hereunder shall be sufficiently given and shall be deemed given three days after deposit by first-class mail, except any notice specifically required to be given by certified or registered mail shall be deemed given three days after being mailed by certified or registered mail, postage prepaid, and any notice dispatched by messenger, facsimile or telegram, addressed to the Notice Address of the person to whom such notices, certificates or other communications are given shall be deemed given when delivered.

Section 10.05 Payments Due on Saturdays, Sundays and Holidays. In any case where the date of maturity of interest on or principal of the Bonds or the GNMA Securities, or the date fixed for redemption of any Bonds, shall be a Saturday, Sunday, legal holiday or a day on which banking institutions are authorized by law to close, then payment of interest or principal need not be made on such date but may be made on the next succeeding Business Day with the same force and effect as if made on the date of maturity or the date fixed for redemption, and no interest shall accrue for the period after such date.

Section 10.06 Counterparts. This Indenture may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

Section 10.07 Situs of Contract. The State shall be deemed to be the situs of contract for all purposes of this Indenture.

Section 10.08 No Recourse. No recourse shall be had for the principal of, redemption premium, if any, and interest on any of the Bonds or for any claim based thereon or upon any obligation, covenant or agreement contained in the Indenture or the Financing Agreement against any past, present or future official, officer or employee of the Issuer, as such, either directly or through the Issuer or any successor, under any rule of law, statute or constitution or by the enforcement of any assessment or penalty or otherwise, and all such liability is hereby expressly waived and released as a condition of and consideration for the execution of the Indenture and the Financing Agreement and the issuance of the Bonds.

Section 10.09 Successors and Assigns. All the covenants and representations contained in this Indenture, by or on behalf of the Issuer, shall bind and inure to the benefit of its successors and assigns, whether or expressed or not.

Section 10.10 Books, Records and Accounts. The Trustee agrees to keep proper books, records and accounts in which complete and correct entries shall be made of all transactions relating to the receipt, disbursements, investment, allocation and application of the proceeds received from the sale of the Bonds, the revenues received in connection with the GNMA Security, the revenues received from the Funds created pursuant to this Indenture and all other money held by the Trustee hereunder. The Trustee shall make such books, records and accounts available for inspection by the Issuer or the Holder of any Bond during reasonable hours and under reasonable conditions.

Section 10.11 HUD and GNMA Requirements to Control. Notwithstanding anything in this Indenture to the contrary, the provisions of this Indenture and the Financing Agreement are subject and subordinate to the National Housing Act, all applicable HUD insurance regulations and related administrative requirements and the Mortgage Loan Documents and all applicable GNMA regulations and related administrative requirements; and in the event of any conflict between the provisions of this Indenture or the Financing Agreement and the provisions of the National Housing Act, any applicable HUD regulations, related administrative requirements and the Mortgage Loan Documents, any applicable GNMA regulations and related administrative requirements, the said National Housing Act, HUD regulations, related administrative requirements and Mortgage Loan Documents, and the said GNMA regulations and related administrative requirements shall be controlling in all respects.

Section 10.12 HUD Regulations. Notwithstanding anything in this Indenture to the contrary, the Issuer, its designee or any person shall not and cannot acquire or succeed to the General Partner's interest as general partner of the Borrower or exercise the General Partner's rights or powers as such general partner unless and until the Issuer, its designee or any Person first complies with all HUD requirements pertaining to transfers of physical assets and has received HUD's prior written approval. Prior to satisfying the requirements pertaining to transfers of physical assets neither the Issuer, its designee nor any Person will assert any claim or interest in the HUD Project (HUD Project No. _____) or interest in the Borrower by reason of the provisions of this Indenture. Except as otherwise set forth herein or in the Financing Agreement, any claim asserted against the Project shall not be a personal liability of

the Borrower but shall instead be a limited obligation payable solely from the Borrower's interest in, and Surplus Cash derived from the Project

Section 10.13 Enforcement Not to Affect Mortgage Loan or GNMA Security. Notwithstanding any provision in this Indenture to the contrary, enforcement of this Indenture and the Financing Agreement will not result in any claim under the Mortgage Loan, or claim against the Project, the Mortgage Loan proceeds, any reserve or deposit made with the GNMA Issuer or another Person required by HUD in connection with the Mortgage Loan, or against the rents or other income from the Project (other than available "Surplus Cash," as defined in the HUD Regulatory Agreement) for payment hereunder.

IN WITNESS WHEREOF, the parties hereto have caused this Indenture to be duly executed and their respective corporate seals to be hereunto affixed and attested, all as of the date and year first above written.

The City of Chicago, a municipality and home rule unit of government duly organized and validly existing under the Constitution and the laws of the State of Illinois (the "Issuer"), for value received, hereby promises to pay (but only from the revenues and other assets and in the manner hereinafter described) to the Registered Borrower specified above or registered assigns (the "Holder") (subject to any right of prior redemption provided for in the Indenture referred to below), on the Maturity Date set forth above, the principal amount set forth above and to pay interest on said principal amount until said principal amount shall have been fully paid, at the rate per annum specified above, payable on each _____ and _____, commencing _____, 2011 (the "Interest Payment Dates"). This Bond will bear interest from the most recent Interest Payment Date to which interest has been paid or, if no interest has been paid, from _____, 2011. Principal of, premium, if any, and interest on this Bond are payable, without deduction for exchange, collection or service charges, in lawful money of the United States of America. Principal is payable at the principal corporate trust office of Seaway Bank and Trust Company, in the City of Chicago, Illinois, or its successors in trust (the "Trustee") upon presentation and surrender of this Bond. The interest so payable on any Interest Payment Date shall be calculated on a 30-day month, 360-day year basis, and shall, subject to certain exceptions provided in the Indenture referred to below, be paid to the Holder in whose name this Bond is registered at the close of business on the first day of the calendar month of such Interest Payment Date (the "Regular Record Date"). Date. If any interest is not timely paid or duly provided for, the Trustee is required to establish a Special Record Date for the payment of that overdue interest to the Holders as of that Special Record Date. Notice of the Special Record Date shall be mailed to Holders not less than 10 days prior thereto. So long as this Bond is restricted to being registered in the registration books of the Issuer in the name of a Securities Depository (as defined in the Indenture), the provisions of the Indenture governing Book-Entry Bonds shall govern the payment of principal of, premium, if any, and interest on this Bond.

This Bond is one of a duly authorized series of bonds of the Issuer designated as its Multi-Family Housing Revenue Bonds (Hazel Winthrop Apartments) Series 2011A (FHA Insured/GNMA), in the aggregate principal amount of \$_____ (the "Bonds"), pursuant to Article VII, Section 6 of the 1970 Constitution of the State of Illinois, and pursuant to the Ordinance adopted by the Issuer on February __, 2011. The Bonds are issued under and are equally and ratably secured as to principal, premium, if any, and interest by a Trust Indenture dated as of _____ 1, 2011, from the Issuer to the Trustee (the "Indenture"), to which Indenture and all indentures supplemental thereto (copies of which are on file at the office of the Trustee) reference is hereby made. By the acceptance of this Bond, the Holder hereof assents to all of the provisions of the Indenture.

The Bonds are limited obligations of the Issuer payable solely from funds, moneys and securities held by the Trustee under the Indenture and amounts derived under the Financing Agreement (as defined in the Indenture), including amounts derived from the GNMA Security described herein.

The Bonds, together with premium, if any, and interest thereon, do not constitute an indebtedness, liability, general or moral obligation or a pledge of the full faith or loan of credit of the Issuer, the State of Illinois, or any political subdivision of the State of Illinois within the meaning of any constitutional or statutory provisions. Neither the Issuer, the State of Illinois nor any political subdivision thereof shall be obligated to pay the principal of, premium, if any, or interest on the Bonds or other costs incident thereto except from the revenues and assets pledged with respect thereto. Neither the full faith and credit nor the taxing power of the United States of America, the Issuer, the State of Illinois or any political subdivision thereof is pledged to the payment of the principal of, premium, if any, or interest on the Bonds or other costs incident thereto. The Bonds are not a debt of the United States of America or any agency thereof, and are not guaranteed by the United States of America or any agency thereof.

This Bond shall not be entitled to any benefit under the Indenture or become valid or obligatory for any purpose until the certificate of authentication shall have been signed by the Trustee.

The Bonds are being issued by the Issuer for the purpose of financing a FHA-insured mortgage loan (the "Mortgage Loan") to be made to Community Housing Partners XV L.P., an Illinois limited partnership (the "Borrower"), for the purpose of financing a portion of the cost of acquiring, rehabilitating and equipping a multi-family residential project situated in the City of Chicago and known as "Hazel Winthrop Apartments."

To secure payment of principal of and interest on the Bonds, the Borrower has arranged for the acquisition by the Trustee of fully modified mortgage-backed securities (the "GNMA Security") to be issued by Enterprise Community Investment, Inc. (the "GNMA Issuer"), which will be guaranteed as to timely payment of principal and interest by the Government National Mortgage Association ("GNMA").

The Bonds are subject to redemption prior to maturity as provided in the Indenture.

The Holder of this Bond shall have no right to enforce the provisions of the Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any event of default thereunder, or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Indenture.

Neither the Issuer nor the Borrower shall be liable for an acceleration of the Bonds or payment of additional interest thereon in the event that interest on the Bonds is declared or becomes includable in gross income for federal income tax purposes.

Modifications or alterations of the Indenture or of any indenture supplemental thereto may be made only to the extent and in the circumstances permitted by the Indenture.

This Bond is transferable by the Holder hereof in person or by his attorney duly authorized in writing at the principal corporate trust office of the Trustee, but only in the manner and subject to the limitations provided in the Indenture upon payment of any tax, fee or other governmental charge required to be paid with respect to such transfer, and upon surrender and cancellation of this Bond. Upon such transfer a new registered Bond or Bonds of the same maturity and interest rate and of authorized denomination or denominations for the same aggregate principal amount will be issued to the transferee in exchange therefor.

The Issuer and the Trustee may deem and treat the registered owner hereof as the absolute owner hereof for the purpose of receiving payment of or on account of principal hereof and interest due hereon and for all other purposes and neither the Issuer nor the Trustee shall be affected by any notice to the contrary.

The Bonds are issuable only as registered Bonds without coupons in denominations of \$5,000 principal amount, and any integral multiple thereof. Subject to the limitations of the Indenture and upon payment of any tax, fee or other governmental charge required to be paid with respect to such exchange, Bonds may be exchanged for a like aggregate principal amount of Bonds of the same maturity and interest rate of other authorized denominations.

The principal hereof may be declared or may become due on the conditions and in the manner and at the time set forth in the Indenture upon the occurrence of an event of default as provided in the Indenture.

No recourse shall be had for the payment of the principal of, premium, if any, or interest on this Bond, or for any claim based hereon, or otherwise in respect hereof, or based on or in respect of the Indenture or any indenture supplemental thereto, against any trustee, officer or employee, as such, past, present or future, of the Issuer or any successor, whether by virtue of any constitution, statute or rule of law, or by the enforcement of any assessment or penalty or otherwise, all such liability being, by the acceptance hereof and as part of the consideration for the issue hereof, expressly waived and released. Interest shall be payable on any overdue installment of principal, premium, if any, and (to the extent that such interest shall be legally enforceable) interest on this Bond at the rate of interest from time to time borne by this Bond from the due date thereof until paid. Principal of and premium, if any, on this Bond shall be payable in lawful money of the United States of America only at the principal corporate trust office of Seaway Bank and Trust Company, as Paying Agent, or its successors under trust (the "Paying Agent").

Interest on this Bond shall be payable to the Registered Owner hereof as of the Record Date (as hereinafter defined). Payments of interest on this Bond shall be made in lawful money of the United States of America by check or draft of the Paying Agent mailed on the applicable Interest Payment Date to the Registered Owner hereof at his address as it appears on the registration books of the City kept by the Paying Agent, as registrar (the "Bond Registrar"), or at such other address as is furnished to the Paying Agent in writing by such Registered Owner no later than the close of business on the Record Date immediately preceding the applicable Interest Payment Date; provided that on or prior to the Conversion Date, as hereinafter defined, payments of interest on this Bond may be made by wire transfer to the Registered Owner of this Bond if the Registered Owner hereof is the Registered Owner of at least \$1,000,000 in principal amount of the Bonds (as hereinafter defined) as of the close of business on the Record Date immediately preceding the applicable Interest Payment Date and such Registered Owner shall have given written notice to the Paying Agent on or before the second Business Day immediately preceding such Record Date, directing the Paying Agent to make such payments of interest by wire transfer and identifying the location and number of the account to which such payments should be wired. This Bond is one of an authorized series of Bonds in the aggregate principal amount of \$_____ (the "Bonds") issued for the purpose of loaning the proceeds thereof to Community Housing Partners XV L.P., an Illinois limited partnership (the "Borrower"), for the purpose of providing funds to pay a portion of the cost of acquiring, renovating and equipping a multi-family housing project (the "Project") owned and operated by the Borrower and located in Chicago, Illinois. The Bonds are all issued under and are equally and ratably secured by and entitled to the protection of a Trust Indenture dated as of _____ 1, 2011 (which indenture, as from time to time amended and supplemented, is herein referred to as the "Indenture"), duly executed and delivered by the City to Seaway Bank and Trust Company, Chicago, Illinois, as trustee (the "Trustee"). Reference is hereby made to the Indenture for a description of the rights, duties and obligations of the City, the Trustee and the owners of the Bonds and the terms upon which the Bonds are issued and secured. The terms and conditions of the loan of the proceeds of the Bonds to the Borrower for the financing of the Project and the repayment of said funds are contained in a Loan Agreement dated as of _____ 1, 2011, by and between the City and the Borrower (which agreement, as from time to time amended and supplemented, is hereinafter referred to as the "Agreement").

Except as otherwise provided in the Indenture, the Bonds are issuable only as fully registered Bonds without coupons in denominations of \$100,000 and any integral multiple of \$5,000 in excess thereof during the Variable Rate Period, and in denominations of \$5,000 and any integral multiple thereof during the Fixed Rate Period. This Bond is transferable by the Registered Owner hereof in person or by his attorney duly authorized in writing at the principal corporate trust office of the Bond Registrar, but only in the manner, subject to the limitations and upon payment of the charges provided in the Indenture, and upon surrender and cancellation of

this Bond. Upon such transfer a new Bond or Bonds of authorized denomination or denominations for the same aggregate principal amount will be issued to the transferee in exchange therefor. The City, the Trustee, the Paying Agent and Seaway Bank and Trust Company, as tender agent, or its successors under trust (the "Tender Agent") may deem and treat the Registered Owner hereof as the absolute owner hereof for the purpose of receiving payment of or on account of principal hereof and premium, if any, hereon and interest due hereon and for all other purposes, and neither the City, the Trustee, the Paying Agent nor the Tender Agent shall be affected by any notice to the contrary.

Subject to the limitations and upon payment of the charges provided in the Indenture and upon surrender and cancellation thereof, Bonds may be exchanged for a like aggregate principal amount of Bonds of other authorized denominations. The Bond Registrar shall not be required to transfer or exchange any Bond after notice calling such Bond or portion thereof for redemption prior to maturity has been given as herein provided, nor during the period of 10 days next preceding the giving of such notice of redemption.

Harris N.A. has issued an irrevocable, transferable letter of credit dated the date of delivery of the Bonds in favor of the Trustee for the benefit of the owners from time to time of the Bonds, supporting the payment of the unpaid principal amount of the Bonds or the purchase price of the Bonds and in either case up to [35][189] days of interest at the [Cap Rate (as hereinafter defined)][the Fixed Rate] accrued on the Bonds to pay interest on the Bonds when due under the conditions set forth therein. The initial letter of credit, together with any substitute letter of credit, is hereinafter referred to as the "Letter of Credit," and Harris N.A., together with the issuer of any substitute Letter of Credit, is hereinafter referred to as the "Bank."

This Bond shall bear interest on the unpaid principal balance hereof until paid at the rates provided below. This Bond shall bear interest at the Variable Rate (as defined in the Indenture) during the Variable Rate Period from the Variable Rate Interest Payment Date to which interest on this Bond has been paid or duly provided for immediately preceding the date of authentication hereof, unless (a) such date of authentication shall be dated on or prior to the Record Date for the first Variable Rate Interest Payment Date, in which case this Bond shall bear interest from the date of the initial delivery of this Bond, or (b) such date of authentication shall be after a Record Date and prior to a Variable Rate Interest Payment Date to which interest on this Bond has been paid or duly provided for, in which case this Bond shall bear interest from such Variable Rate Interest Payment Date, and shall bear interest at the Fixed Rate (as defined in the Indenture) during the Fixed Rate Period from the first day of the _____ or _____ to which interest on this Bond has been paid or duly provided for immediately preceding the date of authentication hereof, unless (a) such date of authentication shall be on or prior to the Record Date for the first day of _____ or _____ immediately following the date of commencement of the Fixed Rate Period (the "Conversion Date"), in which case this Bond shall bear interest from the Conversion Date, or (b) such date of authentication shall be after the fifteenth day of the month preceding a Fixed Rate Interest Payment Date and prior to such Fixed Rate Interest Payment Date, in which case this Bond shall bear interest from such Fixed Rate Interest Payment Date.

During a Variable Rate Period, the Registered Owner hereof has the right to tender this Bond or a portion hereof (in authorized denominations, provided that after such tender such remaining portion shall also be in an authorized denomination) to the Tender Agent for purchase as a whole or in part on any Business Day during the Variable Rate Period, but not thereafter, at a purchase price equal to 100 percent of the principal amount hereof tendered plus accrued interest to the specified purchase date, in accordance with the Indenture.

During a Variable Rate Period and subject to the provisions below, the Registered Owner of this Bond is required to tender this Bond to the Tender Agent for purchase on (i) the Proposed Conversion Date, (ii) a Letter of Credit Substitution Date (as hereinafter defined) and (iii) a Letter of Credit Termination Date (as hereinafter defined) (each a "Mandatory Tender Date"), each as defined and described in the Indenture.

The Bonds are subject to redemption prior to maturity from any available funds, including moneys derived from a prepayment of the Note (or a portion thereof) at the prices, on the dates and under the terms and conditions set forth in the Indenture.

The Registered Owner of this Bond has no right to enforce the provisions of the Indenture or the Agreement or to institute action to enforce the covenants therein, or to take any action with respect to any event of default under the Indenture or the Agreement, or to institute, appear in or defend any suit or other proceedings with respect thereto, except as provided in the Indenture. In certain events, on the conditions, in the manner and with the effect set forth in the Indenture, the principal of all the Bonds issued under the Indenture and then outstanding may become or may be declared due and payable before the stated maturity thereof, together with interest accrued thereon. The Indenture prescribes the manner in which it may be discharged, including a provision that under certain circumstances the Bonds shall be deemed to be paid if Governmental Obligations, as defined therein, maturing as to principal and interest in such amounts and on such dates as will provide sufficient funds to pay the principal of and interest and premium, if any, on such Bonds and all fees, charges and expenses of the Trustee, and all other liabilities of the Borrower under the Agreement, shall have been deposited with the Trustee, after which such Bonds shall no longer be secured by or entitled to the benefits of the Indenture or the Agreement, except for purposes of transfer and exchange and payment from such Governmental Obligations on the date or dates specified at the time of such deposit.

The Indenture permits the amendment thereof and the modification of the rights and obligations of the City and the rights of the owners of the Bonds at any time by the City with the consent of the Registered Owners of a majority, or in certain instances 100 percent, in aggregate principal amount of the Bonds at the time outstanding, as defined in the Indenture. Any such consent or waiver by the Registered Owner of this Bond shall be conclusive and binding upon such owner and upon all future owners of this Bond and of any Bond issued upon the transfer or exchange of this Bond whether or not notation of such consent or waiver is made upon this Bond. The Indenture also contains provisions permitting the Trustee to enter into certain supplemental indentures without the consent of the owners of the Bonds and to waive certain past defaults under the Indenture and their consequences. No supplemental indenture will become effective without the consent of the Borrower and, if a Letter of Credit is then in effect and if the Bank has not failed to honor a properly presented drawing thereunder, the Bank.

THIS BOND AND ALL OTHER BONDS ISSUED UNDER AND SECURED BY THE INDENTURE, AS HEREINAFTER DEFINED, ARE, AND ARE TO BE, EQUALLY AND RATABLY SECURED, TO THE EXTENT PROVIDED IN THE INDENTURE, SOLELY BY A PLEDGE OF THE REVENUES AND OTHER FUNDS PLEDGED UNDER THE INDENTURE. THE BONDS, TOGETHER WITH PREMIUM, IF ANY, AND INTEREST THEREON, ARE SPECIAL, LIMITED OBLIGATIONS OF THE CITY, PAYABLE SOLELY FROM THE REVENUES AND ARE A VALID CLAIM OF THE OWNERS FROM TIME TO TIME THEREOF ONLY AGAINST THE MONEYS HELD BY THE TRUSTEE AND THE TENDER AGENT AND PLEDGED TO THE PAYMENT OF THE BONDS, AND THE REVENUES, WHICH REVENUES SHALL BE USED FOR NO OTHER PURPOSE THAN TO PAY THE PRINCIPAL INSTALLMENTS OF, PREMIUM, IF ANY, AND INTEREST ON THE BONDS, EXCEPT AS MAY BE OTHERWISE EXPRESSLY AUTHORIZED IN THE INDENTURE OR THE AGREEMENT. THE BONDS ARE NOT AN

INDEBTEDNESS OF THE CITY OR A CHARGE AGAINST ITS GENERAL CREDIT OR THE GENERAL CREDIT TAXING POWERS OF THE STATE, THE CITY, OR ANY OTHER POLITICAL SUBDIVISION THEREOF, AND SHALL NEVER GIVE RISE TO ANY PECUNIARY LIABILITY OF THE CITY, AND NEITHER THE CITY, THE STATE NOR ANY OTHER POLITICAL SUBDIVISION THEREOF SHALL BE LIABLE FOR THE PAYMENTS OF PRINCIPAL OF AND, PREMIUM, IF ANY, AND INTEREST ON THE BONDS, AND THE BONDS ARE PAYABLE FROM NO OTHER SOURCE, BUT ARE SPECIAL, LIMITED OBLIGATIONS OF THE CITY, PAYABLE SOLELY OUT OF THE REVENUES AND RECEIPTS OF THE CITY DERIVED PURSUANT TO THE AGREEMENT. NO OWNER OF THE BONDS HAS THE RIGHT TO COMPEL ANY EXERCISE OF THE TAXING POWER OF THE STATE, THE CITY OR ANY OTHER POLITICAL SUBDIVISION THEREOF TO PAY THE BONDS OR THE INTEREST OR PREMIUM, IF ANY, THEREON.

No recourse shall be had for the payment of the principal or premium, if any, or purchase price of, or interest on, this Bond, or for any claim based hereon or on the Indenture, against any member, officer or employee, past, present or future, of the City or of any successor body, as such, either directly or through the City or any such successor body, under any constitutional provision, statute or rule of law, or by the enforcement of any assessment or by any legal or equitable proceeding or otherwise.

This Bond is not valid unless the Certificate of Authentication endorsed hereon is duly executed by the Paying Agent.

2. The Note, the Letter of Credit and original executed counterparts of this Indenture, the Agreement, the Reimbursement Agreement, the Bond Purchase Agreement and the Remarketing Agreement.
3. A written request and authorization to the Authenticating Agent by the City and signed by an authorized officer of the City to authenticate and deliver the Bonds to the purchaser or purchasers therein identified upon payment to the Trustee, but for the account of the City, of a sum specified in such written request and authorization representing the principal proceeds of the Bonds, plus a sum specified in such request and authorization representing accrued interest, if any, thereon to the date of delivery.
4. Evidence of recordation of the Land Use Restriction Agreement.

Section 2.7. Mutilated, Lost, Stolen or Destroyed Bonds. If any Bond is mutilated, lost, stolen or destroyed, the City may execute and the Authenticating Agent may authenticate a new

Bond of like denomination as that mutilated, lost, stolen or destroyed, bearing a number not contemporaneously then outstanding; provided that in the case of any mutilated bond, such mutilated Bond shall first be surrendered to the Bond Registrar, and in the case of any lost, stolen or destroyed Bond, there shall be first furnished to the City, the Trustee, the Bond Registrar and the Borrower evidence of such loss, theft or destruction satisfactory to the City, the Trustee, the Bond Registrar and the Borrower, together with an indemnity satisfactory to each of them. If any such Bond shall have matured or is to mature within 15 days after the request for a new Bond, instead of issuing a duplicate Bond, the City may pay the same on the appropriate date. As a prerequisite to the delivery of such Bonds, the City and the Authenticating Agent may charge the owner of such Bond with their reasonable fees and expenses in this connection.

Section 2.8. Registration, Transfer and Exchange of Bonds.

(a) The Trustee, as Bond Registrar, shall fully register, on the registration books of the City to be maintained by the Trustee, each of the Bonds issued hereunder in the name of the owner. The registration books shall be kept for that purpose at the principal corporate trust office of the Trustee. No transfer of a Bond shall at any time be valid unless it is made in the registration books at the written request of the Registered Owner or his legal representative. A Bond is transferable by the Registered Owner or his duly authorized attorney at the principal corporate trust office of the Trustee, upon surrender of the Bond, accompanied by a duly executed instrument of transfer in form and with guaranty of signature satisfactory to the Trustee, subject to such reasonable regulations as the City or the Trustee may prescribe, and upon payment of any taxes or other governmental charges incident to such transfer. Upon any such transfer a new fully registered Bond or Bonds of the same maturity and in the same aggregate principal amount will be issued to the transferee.

(b) The City and the Trustee shall not be required to (i) issue or register the transfer of or exchange any Bonds to be considered for redemption during the period beginning on the 10th day next preceding any date of selection of Bonds to be redeemed and ending at the close of business on the day of mailing of the notice of redemption or (ii) register the transfer of or exchange any portion of any Bonds selected for redemption until after the redemption date.

(c) Upon payment of any required tax, fee or other governmental charge and subject to the conditions provided in this Indenture, Bonds, upon the surrender thereof at the principal corporate trust office of the Trustee with a written instrument of transfer, in form and with guaranty of signature satisfactory to the Trustee, duly executed by the Registered Owner thereof, may be exchanged for an equal aggregate principal amount of registered Bonds of the same maturity and interest rate of any other authorized denomination.

(d) The City and the Trustee may deem and treat the person in whose name the Bond shall be registered at any particular point in time (whether such time is a Record Date or otherwise) as the absolute owner thereof for all purposes, whether such Bond shall be overdue or not, and payment of or on account of the principal of or interest on any such Bond shall be made only to or upon the order of the Registered Owner thereof (at such point in time as provided herein) or his legal representative, but such registration may be changed, as herein provided. All such payments made by the Trustee pursuant to this Indenture shall be valid and effectual to satisfy and discharge the liability of the City upon any such Bond, to the extent of the sum or sums so paid, and neither the City nor the Trustee shall be affected by any notice to the contrary.

Section 2.9. *Cancellation of Bonds; Reductions of Letter of Credit.* Whenever any outstanding Bond shall be delivered to the Trustee or the Bond Registrar for cancellation pursuant to this Indenture, upon payment of the principal amount represented thereby, or for replacement pursuant to Section 2.7 hereof, or upon exchange or transfer pursuant to Section 2.8 hereof, or upon partial redemption pursuant to Section 3.2 hereof, or upon tender for purchase pursuant to Section 4.1 or Section 4.2 hereof, such Bond shall be delivered by the Trustee or the Tender Agent to the Bond Registrar, shall be promptly canceled and destroyed by the Bond Registrar and counterparts of a certificate evidencing such cancellation and destruction shall be furnished by the Bond Registrar to the Trustee, the Tender Agent, the City and the Borrower. If the Bonds (other than Bonds held by the Tender Agent pursuant to Section 6.9 hereof) are redeemed prior to maturity in part pursuant to Article III hereof and delivered by the Borrower to the Trustee for cancellation pursuant to this Section 2.9 in the aggregate principal amount of \$100,000 or more, the Trustee may reduce the amount of the Letter of Credit in accordance with its terms in an amount equal to the principal amount of such Bonds plus interest on such principal amount for the number of days of interest coverage then specified in the Letter of Credit at the Cap Rate.

Section 2.10. *Application of Bond Proceeds.* The proceeds of the Bonds shall be deposited with the Trustee, as follows:

- (a) Accrued interest, if any, shall be deposited in the Principal and Interest Account of the Bond Fund;
- (b) \$_____ shall be deposited in the Acquisition and Construction Fund

Section 2.11. *Book Entry System.* Initially, it is intended that the Bonds be registered so as to participate in a securities depository system with DTC (the "DTC System"), as set forth herein. The Bonds shall be initially issued in the form of a single fully registered Bond. Upon initial issuance, the ownership of such Bond shall be registered in the name of Cede & Co., as nominee of DTC. The City and the Trustee are authorized to execute and deliver such letters to or agreements with DTC as shall be necessary to effectuate the DTC System, including the Representation Letter. In the event of any conflict between the terms of the Representation Letter and the terms of this Indenture, the terms of this Indenture shall control. DTC may exercise the rights of an owner only in accordance with the terms hereof applicable to the exercise of such rights.

With respect to Bonds registered in the name of Cede & Co., as nominee of DTC, the City, the Trustee and the Borrower shall have no responsibility or obligation to any broker-dealer, bank or other financial institution for which DTC holds Bonds from time to time as securities depository (each such broker-dealer, bank or other financial institution being referred to herein as a "DTC Participant") or to any person on behalf of whom such a DTC Participant directly or indirectly holds an interest in the Bonds (each such person being herein referred to as an "Indirect Participant"). Without limiting the immediately preceding sentence, the City, the Trustee and the Borrower shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any DTC Participant or any Indirect Participant or any other person, other than an owner, as shown in the registration books of the City, of any notice with respect to the Bonds, including any notice of redemption, (iii) the payment to any DTC Participant or Indirect Participant or any other person, other than an owner, as shown in the registration books of the City, of any amount with respect to principal of, premium, if any, or interest on, the Bonds or the purchase price with respect to any Bonds

tendered for purchase or (iv) any consent given by DTC as owner. So long as certificates for the Bonds are not issued pursuant to Section 2.12, the City, the Borrower and the Trustee may treat DTC or any successor Depository as, and deem DTC or any successor Depository to be, the absolute owner of the Bonds for all purposes whatsoever, including without limitation (i) the payment of principal and interest on the Bonds and the purchase price with respect to any Bonds tendered for purchase, (ii) giving notice of redemption and other matters with respect to the Bonds, (iii) registering transfers with respect to the Bonds and (iv) the selection of Bonds for redemption. While in the DTC System, no person other than Cede & Co., or any successor thereto, as nominee for DTC, shall receive a Bond certificate with respect to any Bond. Upon delivery by DTC to the Trustee of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions in this Indenture with respect to interest checks or drafts being mailed to the owner at the close of business on the Record Date applicable to any Interest Payment Date, the name "Cede & Co." in this Indenture shall refer to such new nominee of DTC.

So long as Cede & Co. is the registered owner of the Bonds, optional tender notices hereunder shall be given by the Beneficial Owner of such Bonds exercising ownership rights through DTC Participants pursuant to DTC's operating procedures as in effect from time to time.

Section 2.12. Successor Securities Depository; Transfers Outside Book Entry System. If (a) the City or the Borrower determines that DTC is incapable of discharging its responsibilities described herein and in the Representation Letter, (b) the Representation Letter shall be terminated for any reason or (c) the City or the Borrower determines that it is in the best interest of the beneficial owners of the Bonds that they be able to obtain certificated Bonds, the City shall notify DTC of the availability through DTC of Bond certificates and the Bonds shall no longer be restricted to being registered in the registration books of the City in the name of Cede & Co., as nominee of DTC. At that time, the City may determine that the Bonds shall be registered in the name of and deposited with a successor Depository operating a securities depository system, as may be acceptable to the City, or such Depository's agent or designee, or if the City does not select such an alternate securities depository system then the Bonds may be registered in whatever name or names owners of Bonds transferring or exchanging Bonds shall designate, in accordance with the provisions hereof.

Section 2.13. Payments and Notices to Cede & Co. Notwithstanding any other provision of this Indenture to the contrary, so long as any of the Bonds are registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of, premium, if any, and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, in the manner provided in the Representation Letter.

ARTICLE III

REDEMPTION OF BONDS BEFORE MATURITY

Section 3.1. Certain Redemption Dates and Prices.

(a) (1) *Optional Redemption during Variable Rate Period.* While the Bonds bear interest at a Variable Rate, the Bonds are subject to redemption prior to maturity at the option of the Borrower pursuant to Section 7.2 of the Agreement from funds derived pursuant to Section 6.4 hereof, as a whole or in part (and, if in part, by lot in such manner as may be designated by the Trustee, provided that Bonds held by or on behalf of the Tender Agent for the account of the Borrower resulting from a draw upon the Letter of Credit shall be first selected for redemption

until all such Bonds have been redeemed which may be selected for redemption) on any date, at a redemption price of _____ percent of the principal amount thereof to be redeemed plus accrued interest to the date fixed for redemption.

After the Conversion Date, the Bonds also are subject to redemption prior to maturity at the option of the Borrower pursuant to and in accordance with Sections 7.2 and 7.3 of the Agreement from funds derived pursuant to Section 6.4 hereof, as a whole on any date, or in part on any Interest Payment Date (and, if in part, by lot in such manner as may be designated by the Trustee, provided that Bonds held by or on behalf of the Tender Agent for the account of the Borrower resulting from a draw upon the Letter of Credit shall be first selected for redemption until all such Bonds have been redeemed which may be selected for redemption), at the redemption price of par.

(a) (2) *Optional Redemption during Fixed Rate Period Commencing on Closing Date.* If the Bonds commence bearing interest at a Fixed Rate on the Closing Date, then the Bonds shall be subject to redemption prior to maturity at the option of the Borrower pursuant to Section 7.2 of the Agreement from funds derived pursuant to Section 6.4 hereof, as a whole or in part (and, if in part, by lot in such manner as may be designated by the Trustee, provided that Bonds held by or on behalf of the Tender Agent for the account of the Borrower resulting from a draw upon the Letter of Credit shall be first selected for redemption until all such Bonds have been redeemed which may be selected for redemption) on any date, at a redemption price of 100 percent of the principal amount thereof to be redeemed plus accrued interest to the date fixed for redemption.

(b) *Extraordinary Optional Redemption.* While the Bonds bear interest at a Fixed Rate, at the option of the Borrower, the Bonds are subject to redemption as a whole prior to maturity on any date at a redemption price of 100 percent of the principal amount to be redeemed plus accrued interest to the date fixed for redemption, within 360 days after the occurrence of any one of the following events:

(i) the Project Facilities shall have been damaged or destroyed to such an extent that, in the opinion of the Borrower, (x) the required restoration and repair could not reasonably be expected to be completed within a period of six months after commencement of restoration or repair, (y) the Borrower is prevented or would likely be prevented from using the Project Facilities for normal purposes for a period of six months or more, or (z) the cost of restoration and repair would exceed 25 percent of the original cost of acquiring, constructing and equipping the Project Facilities; or

(ii) title to the whole or any part of the Project Facilities or the use or possession thereof shall have been taken or condemned by a competent authority to such an extent that, in the opinion of the Borrower, the Borrower is prevented from using the Project Facilities for normal purposes for a period of six months or more.

(c) *Mandatory Redemption Upon Determination of Taxability.* The Bonds are subject to mandatory redemption prior to maturity by the City from a draw upon the Letter of Credit (or funds derived from the prepayment of the Note by the Borrower pursuant to Section 7.1 of the Agreement during the Fixed Rate Period), as a whole and not in part, on any date within 60 days of the occurrence of a Determination of Taxability, at a redemption price of 100 percent of the principal amount to be redeemed (or 103 percent of the principal amount thereof to be redeemed during the Fixed Rate Period) plus accrued interest to the date fixed for redemption.

(d) *[Mandatory Redemption of Bonds Upon Termination of Agreement by City Under Section ____ of Agreement.* The Bonds will be redeemed in whole on any day within 30 days after the Borrower and the Trustee receive written notice from the City of a termination of the Agreement and the Bonds pursuant to Section ____ of the Agreement. Such redemption shall be at a redemption price equal to the principal amount of the Bonds plus accrued interest to the redemption date plus a premium equal to any optional redemption premium which would be payable if the Bonds were optionally redeemed on such date in accordance with the provisions under "Optional Redemption" in Section 3.1(a) above.]

(e) *Direction to Trustee to Call for Redemption.* The City hereby directs the Trustee to, and the Trustee shall, direct the Bond Registrar to call Bonds for redemption when it shall have been notified in writing by the Borrower, pursuant to Section 7.3 of the Agreement and shall direct the Bond Registrar to mail a copy of the notice of redemption to the Bank, the Borrower, the Paying Agent and the Remarketing Agent at the same time as the Bond Registrar mails such notice of redemption to the owners of the Bonds that have been called for redemption pursuant to Section 3.3 hereof; provided that so long as the Letter of Credit is in effect, the Trustee shall not direct the Bond Registrar to give notice of any redemption pursuant to Section 3.1(a) hereof unless the Bank has consented in writing to such redemption.

Section 3.2. Partial Redemption of Bonds. In the case of a partial redemption of Bonds prior to maturity by lot when Bonds of denominations greater than \$100,000 during the Variable Rate Period or greater than \$5,000 during the Fixed Rate Period are then outstanding, then for all purposes in connection with such redemption, each \$5,000 of face value of principal amount shall be treated as though it were a separate Bond in the denomination of \$5,000, as the case may be. If it is determined that one or more, but not all of the \$5,000 units of face value represented by any Bond is to be called for redemption, then upon notice of redemption of such \$5,000 unit or units, the owner of such Bond shall forthwith surrender such Bond to the Paying Agent (1) for payment of the redemption price (including the premium, if any, and interest, if any, to the date fixed for redemption) of the \$5,000 unit or units of face value called for redemption, and (2) for exchange, without charge to the owner thereof, for a new Bond or Bonds of the aggregate principal amount of the unredeemed balance of the principal amount of such Bond. If the owner of any such Bond of a denomination greater than \$5,000 of principal amount shall fail to present such Bond to the Paying Agent for payment and exchange as aforesaid, such Bond shall, nevertheless, become due and payable on the date fixed for redemption to the extent of the \$5,000 unit or units of face value called for redemption (and to that extent only); interest shall cease to accrue on the portion of the principal amount of such Bond represented by such \$5,000 unit or units of face value on and after the date fixed for redemption and (funds sufficient for the payment of the redemption price having been deposited with the Paying Agent, and being available for the redemption of said unit or units on the date fixed for redemption) such Bond shall not be entitled to the benefit or security of this Indenture to the extent of the portion of its principal amount (and accrued interest thereon to the date fixed for redemption) represented by such \$5,000 unit or units of face value nor shall new Bonds be thereafter issued corresponding to said unit or units. Bonds shall be redeemed only in authorized denominations. During any period in which this Indenture requires minimum denominations of \$100,000, the Trustee shall not select portions of Bonds for redemption, such that the outstanding principal amount of any Bond is less than \$100,000 after giving effect to such call for redemption.

Section 3.3. Notice of Redemption. (a) Such notice of the call for any redemption shall be given by the Trustee, at the direction of the Borrower or the City (which direction shall be in writing), by directing the Bond Registrar to mail a copy of the redemption notice by first

class mail, postage prepaid, at least 30 but not more than 60 days prior to the date fixed for redemption to the Registered Owner of each Bond to be redeemed as a whole or in part at the address shown on the registration books of the City maintained by the Bond Registrar; provided that failure to give such notice by mailing, or any defect therein, shall not affect the validity of any proceedings for the redemption of any Bond, or portion thereof with respect to which no such failure or defect has occurred.

All notices of redemption shall state:

- (1) the redemption date;
- (2) the redemption price;
- (3) the identification, including complete designation and issue date of the series of Bonds of which such Bonds are a part and the CUSIP number (and in the case of partial redemption, the respective principal amounts), interest rates and maturity dates of the Bonds to be redeemed;
- (4) that on the date fixed for redemption the redemption price will become due and payable upon each such Bond, and that interest thereon shall cease to accrue from and after said date;
- (5) the name and address of the Trustee and any Paying Agent for such Bonds, including the name and telephone number of a contact person and the place where such Bonds are to be surrendered for payment of the redemption price; and
- (6) such other information as the Trustee deems advisable.

(b) In addition to the redemption notice required by the Section 3.3(a) hereof, further notice (the "Additional Redemption Notice") shall be given by the Trustee as set forth below, but no defect in the Additional Redemption Notice, nor any failure to give all or any portion of the Additional Redemption Notice, shall in any manner affect the effectiveness of a call for redemption if notice thereof is given as prescribed in Section 3.3(a) of this Indenture.

Each Additional Redemption Notice given hereunder shall contain the information required by Section 3.3(a) hereof, plus (i) the date such notice has been or will be mailed pursuant to this subsection (b); (ii) the date of issuance of the Bonds being redeemed, as originally issued; (iii) the maturity date of each Bond (or portion thereof) to be redeemed prior to maturity; and (iv) any other descriptive information needed to identify accurately the Bonds being redeemed prior to maturity.

Each Additional Redemption Notice shall be sent at least 30 days before the date fixed for redemption by legible electronic transmission, registered or certified mail (postage prepaid) or overnight delivery service to all registered securities depositories then in the business of holding substantial amounts of obligations of types comprising the Bonds, and to at least two national information services that disseminate notices of redemption of obligations such as the Bonds.

Section 3.4. Redemption Payments. On or prior to the date fixed for redemption, funds immediately available hereunder at the principal corporate trust office of the Trustee on such redemption date shall be deposited in the Bond Fund and transferred to the Paying Agent

to pay, and the Paying Agent is hereby authorized and directed to apply such funds in the Bond Fund to the payment of, the Bonds or portions thereof called for redemption, together with accrued interest, if any, thereon to the date fixed for redemption and any required premium. Upon the giving of notice and the deposit of funds for redemption, interest on the Bonds or portions thereof thus called shall no longer accrue from and after the date fixed for redemption, and such Bonds shall no longer be entitled to the benefit or security of this Indenture.

Section 3.5. Cancellation. All Bonds which have been redeemed shall not be reissued but shall be canceled and disposed of by the Trustee or Bond Registrar in accordance with Section 2.9 hereof.

ARTICLE IV

TENDERS FOR PURCHASE AND REMARKETING OF BONDS

Section 4.1. Purchase of Bonds at Option of Holder. The owner of any Bond shall have the right to tender such Bond to the Tender Agent for purchase in whole or in part (in any authorized denomination, provided that after such tender such remaining portion shall also be in an authorized denomination) on any Business Day during the Variable Rate Period, but not thereafter, at a purchase price equal to 100 percent of the principal amount of Bonds tendered plus accrued interest to the specified purchase date. In order to exercise such option with respect to any Bond or portion thereof, the owner thereof must give to the Tender Agent at its designated corporate trust office by the opening of business at such office on a Business Day at least seven days immediately preceding the proposed purchase date, written notice or notice by telephone, confirmed by written notice of tender to the Tender Agent on a Business Day not more than two Business Days after such telephonic notice, of tender to the Tender Agent (which written notice of tender shall in either case be in the form provided in this Indenture or shall be in such other form acceptable to the Tender Agent). Upon the delivery of such written notice of tender, such election to tender shall be irrevocable and binding upon the owner thereof. At or before 10:00 A.M., New York time, on the specified purchase date, the owner of each Bond as to which such written notice of tender shall have been given shall deliver each Bond to be purchased as a whole or in part and an instrument of assignment or transfer duly executed in blank (which instrument of assignment or transfer shall be in the form provided on such Bond or in such other forms acceptable to the Tender Agent), to the Tender Agent at its designated corporate trust office, and any Bond which is not so tendered, but for which there has been irrevocably deposited in the Bond Purchase Fund Available Moneys sufficient to pay the purchase price thereof and all other Bonds tendered or deemed tendered for purchase on such specified purchase date, shall be deemed to have been tendered by the owner thereof and purchased from such owner on the specified purchase date. The Tender Agent shall, in its sole discretion, determine whether, with respect to any Bond, the owner thereof shall have properly exercised the option to have its Bond purchased as a whole or in part.

If any such notice of tender for purchase shall have been given to the Tender Agent pursuant to this Section 4.1, the Tender Agent shall immediately give telephonic notice, promptly confirmed by a written notice, to the Remarketing Agent, the Bank, the Trustee and the Borrower on the same date that the Tender Agent receives notice of the tender for purchase, if possible, or on the immediately following Business Day, specifying the principal amount of Bonds as to which notice of tender for purchase has been given and the proposed date of purchase. On the specified purchase date, the Tender Agent shall purchase, or cause to be purchased, all Bonds as to which written notices of tender for purchase have been received at a purchase price equal to the principal amount thereof plus accrued interest, if any, thereon.

Funds for payment of the purchase price of such Bonds shall be withdrawn by the Tender Agent from the Bond Purchase Fund as provided in Section 6.9 of this Indenture.

If there has been irrevocably deposited in the Bond Purchase Fund Available Moneys sufficient to pay the purchase price of all Bonds tendered or deemed to be tendered for purchase on such specified purchase date, the owner of any Unsurrendered Bond shall not be entitled to receive interest on such Unsurrendered Bond on and after the specified purchase date, and all such Unsurrendered Bonds shall be deemed to have been tendered for purchase and purchased pursuant to this Section 4.1 on such specified purchase date. The Bond Registrar, at the direction of the Tender Agent, shall issue a new Bond or Bonds in the same aggregate principal amount for any Unsurrendered Bonds which are not tendered for purchase on any specified purchase date and, upon receipt of any such Unsurrendered Bonds from the owner thereof, shall pay the purchase price of such Unsurrendered Bonds to the owners thereof and cancel such Unsurrendered Bonds as provided in Section 2.9 of this Indenture.

When the Bonds are held under a Book-Entry System pursuant to Section 2.11, Beneficial Owners shall have the right to require a purchase of Bonds as provided in Section 2.11.

Section 4.2. Mandatory Tender of Bonds. Subject to the provisions below, on or prior to the Conversion Date the owner of each Bond is required to tender such Bond to the Tender Agent for purchase on (i) a Proposed Conversion Date, (ii) a Letter of Credit Substitution Date or (iii) a Letter of Credit Termination Date (each a "Mandatory Tender Date"), all as more fully provided in this Section 4.2.

Notice of a mandatory tender shall be prepared by the Trustee and given by the Bond Registrar by first class mail, postage prepaid, to the owners of all Bonds at their addresses appearing on the registration books of the City maintained by the Bond Registrar, not less than 30 nor more than 35 days prior to a Mandatory Tender Date. Such notice of mandatory tender shall specify the Mandatory Tender Date and (a) shall state that the Mandatory Tender Date is a Proposed Conversion Date or a Letter of Credit Substitution Date or a Letter of Credit Termination Date, as the case may be, and that all Bonds shall be tendered by the owner or Beneficial Owner thereof for purchase at or before 10:00 A.M., New York time, on such Mandatory Tender Date (or, if the Mandatory Tender Date is not a Business Day, on the immediately following Business Day) to the Tender Agent at its designated corporate trust office, together with an instrument of assignment or transfer duly executed in blank (which instrument of assignment or transfer shall be in the form provided on the Bonds or such other form acceptable to the Tender Agent), and shall be purchased on the Mandatory Tender Date (or, if the Mandatory Tender Date is not a Business Day, on the immediately following Business Day) at a purchase price equal to the principal amount thereof and accrued interest, if any, thereon, and any such Bond which is not so tendered but for which there has been irrevocably deposited in the Bond Purchase Fund Available Moneys sufficient to pay the purchase price thereof and of all other Bonds so tendered and deemed to be tendered for purchase on the Mandatory Tender Date, shall be deemed to have been tendered for purchase by the owner thereof and purchased from such owner on the Mandatory Tender Date.

All Bonds shall be tendered by the owner thereof to the Tender Agent for purchase at or before 10:00 A.M., New York time on the Mandatory Tender Date (or, if the Mandatory Tender Date is not a Business Day, on the immediately following Business Day), by delivering such Bonds to the Tender Agent at its designated corporate trust office, together with an instrument of assignment or transfer duly executed in blank (which instrument of assignment or transfer

shall be in the form provided on the Bonds or such other form acceptable to the Tender Agent). On the Mandatory Tender Date, the Tender Agent shall purchase, or cause to be purchased, all Bonds at a purchase price equal to the principal amount thereof and accrued interest, if any, thereon. Funds for payment of the purchase price of such Bonds shall be drawn by the Tender Agent from the Bond Purchase Fund as provided in Section 6.9 of this indenture.

If there has been irrevocably deposited in the Bond Purchase Fund Available Moneys sufficient to pay the purchase price of all Bonds tendered or deemed tendered for purchase on the Mandatory Tender Date, the owner of any Unsurrendered Bond shall not be entitled to receive interest on such Unsurrendered Bond on and after the relevant Mandatory Tender Date, and all such Unsurrendered Bonds shall be deemed to have been tendered for purchase and purchased pursuant to this Section 4.2 on such Mandatory Tender Date. The Tender Agent shall issue a new Bond or Bonds in the same aggregate principal amount for any Unsurrendered Bonds which are not tendered for purchase on any Mandatory Tender Date and, upon receipt of any such Unsurrendered Bonds from the owners thereof, shall pay the purchase price of such Unsurrendered Bonds to the owners thereof and cancel such Unsurrendered Bonds as provided in Section 2.9 of this Indenture.

Section 4.3. Procedures for Purchase of Bonds. Unless otherwise directed by the Borrower not to do so, the Remarketing Agent will use its best efforts to remarket all Bonds tendered or deemed to be tendered for purchase pursuant to Section 4.1 or Section 4.2 hereof at a purchase price equal to 100 percent of the principal amount thereof, and to remarket all Bonds held by the Tender Agent pursuant to Section 6.9 hereof. The Borrower may at any time, upon written direction to the Remarketing Agent, direct the Remarketing Agent to cease to resume the remarketing of some or all of the Bonds. The Bank's written consent is required for any such direction by the Borrower to the Remarketing Agent not to remarket Bonds that have been purchased with the proceeds of a draw under the Letter of Credit and the Borrower has not reimbursed the Bank for such draws.

At or prior to 3:00 P.M., New York time, on the Business Day immediately preceding the applicable purchase date, the Remarketing Agent shall give notice by electronic transmission or telephone, promptly confirmed in writing, to the Trustee, the Borrower, the Bond Registrar, the Tender Agent (to be received by the Tender Agent by the close of business on such day) and the Bank, specifying or confirming the names, addresses and taxpayer identification numbers of the new Registered Owners of, and the principal amount and denominations of, such Bonds, if any, remarketed by it pursuant to this Section 4.3, and also specifying the principal amount of Bonds to be purchased on such purchase date which it has failed to remarket (if any) and the amount of accrued interest, if any, on such Bonds. [If the Bonds are no longer held in book-entry form and registered in the name of Cede & Co., the Remarketing Agent shall furnish the names, addresses and taxpayer identification numbers of purchasers and the denominations of the Bonds to be delivered to each purchaser.] The Remarketing Agent shall make appropriate settlement pursuant to this Section 4.3 between the purchasers of such remarketed Bonds and the Tender Agent, and shall direct said purchasers by appropriate instructions to pay all moneys in immediately available funds for the purchase price of the Bonds which have been remarketed pursuant to this Section 4.3 to the Tender Agent for deposit in the Bond Purchase Fund pursuant to Section 6.8 hereof at or before 11:00 A.M., New York time, on the purchase date. The Tender Agent shall deposit the proceeds of any such remarketing in the Bond Purchase Fund pursuant to Section 6.8 hereof, and the Tender Agent shall hold and disburse such moneys pursuant to this Section 4.3 and Sections 4.4 and 6.9 hereof.

At or before 3:00 P.M., New York time, on each purchase date (or the immediately following Business Day if such purchase date is not a Business Day), the Tender Agent, but only to the extent it shall have received money for such purpose, shall:

(i) pay the purchase price to each owner of a Bond (or portion thereof) tendered for purchase by mailing a check to the owner, or by wire transfer to the Registered Owner thereof if the Registered Owner of at least \$1,000,000 in aggregate principal amount of Bonds gives written notice to the Tender Agent directing the Tender Agent to make such payment of purchase price by wire transfer and identifying the location and the number of the account to which such payment should be wired. The Tender Agent shall pay each such purchase price from moneys on deposit in the Bond Purchase Fund in the manner set forth in Section 6.9 hereof, provided that the Tender Agent shall not pay or wire transfer the purchase price of any Unsurrendered Bond, unless and until the owner of such Unsurrendered Bond presents such Unsurrendered Bond, together with an instrument of assignment or transfer duly executed in blank, to the Tender Agent; and

(ii) redeliver or cancel all Bonds in accordance with this Section 4.3 and Section 6.9 hereof.

Notwithstanding any provision herein contained to the contrary, any Bond remarketed by the Remarketing Agent which has been called for prior redemption pursuant to Article III hereof shall be redelivered with a copy of the redemption notice and any Bond as to which notice of mandatory tender has been given pursuant to Section 4.2 hereof shall be redelivered with a copy of the notice of mandatory tender.

Section 4.4. Duties of Tender Agent. The Tender Agent agrees that it shall:

(a) hold all Bonds delivered to it pursuant to Section 4.1 or Section 4.2 hereof in trust solely for the benefit of the respective owners which shall have so delivered such Bonds until moneys representing the purchase price of such Bonds shall have been delivered to or for the account of or to the order of such owners; and

(b) subject to Section 6.10 hereof, hold all moneys delivered to it pursuant to Sections 4.3 and 6.9 hereof for the purchase of Bonds in the Bond Purchase Fund in trust solely for the benefit of the person which shall have so delivered such moneys until the purchase date; and on and after the purchase date, the Tender Agent shall hold all such moneys in the Bond Purchase Fund in trust solely for the benefit of the respective owners of the Bonds so purchased until the Tender Agent shall have paid the purchase price with respect to such Bonds to such owners; provided, that if any moneys remain in the Bond Purchase Fund after the payment in full of the purchase price of all Bonds tendered for purchase pursuant to Section 4.1 or Section 4.2 hereof, such moneys shall be held in trust for the benefit of the Bank and the Borrower, to be applied in accordance with Section 6.9(d) hereof.

Section 4.5. Duties of the Remarketing Agent. The Remarketing Agent shall perform the duties set out in Section 4.3 hereof. The Remarketing Agent shall not knowingly offer for sale or sell any Bonds to the City, the Borrower, any guarantor of the Borrower's obligations under the Agreement, or any general partner of the Borrower and the City agrees that it will not purchase Bonds from the Remarketing Agent upon the remarketing of the Bonds. Notwithstanding any other provision herein to the contrary, the Remarketing Agent shall be

under no obligation to remarket Bonds if an Event of Default has occurred and is continuing hereunder.

ARTICLE V

GENERAL COVENANTS

Section 5.1. Payment of Principal, Premium, if any, and Interest. The City covenants that it will promptly pay or cause to be paid the principal of, premium, if any, and interest on every Bond issued under this Indenture at the place, on the dates and in the manner provided herein and in said Bonds according to the true intent and meaning thereof. The principal of, premium, if any, and interest on the Bonds are payable by the City solely and only from the Revenues, and nothing in the Bonds or this Indenture should be considered as assigning or pledging any other funds or assets of the City, other than such Revenues and the right, title and interest of the City in and to the Agreement (except as otherwise provided herein) in the manner and to the extent herein specified.

Section 5.2. Compliance with Code. (a) The City, to the extent that it has control over any of the following proceeds or payments, and the Trustee, to the extent that it has discretion with respect to investment of such proceeds, covenant and agree that they will not take any action or fail to take any action with respect to the payments derived from the security pledged hereunder or from the Agreement which would result in constituting the Bonds "arbitrage bonds" within the meaning of such term as used in Section 148 of the Code. The City and the Trustee further covenant and agree that they will comply with and take the specific actions required by the Arbitrage Certificate.

(b) The City covenants that it shall not use or cause the use of any proceeds of Bonds or any other funds of the City, directly or indirectly, in any manner, and shall not take or cause to be taken any other action or actions, or fail to take any action or actions, which would result in interest on any of the Bonds becoming includable in gross income of any holder thereof. The City further covenants that it shall at all times do and perform all acts and things permitted by law and necessary or desirable in order to assure that interest paid by the City on the Bonds shall be excluded from the gross income of the recipients thereof for federal income tax purposes.

Section 5.3. Instruments of Further Assurance. The City covenants that it will do, execute, acknowledge and deliver or cause to be done, executed, acknowledged and delivered, such indentures supplemental hereto and such further acts, instruments and transfers as the Trustee or the Bank may reasonably require for the better assuring, transferring, conveying, pledging, assigning and confirming unto the Trustee all and singular the rights assigned hereby and the amounts assigned and pledged hereby to the payment of the principal of, premium, if any, and interest on the Bonds. The City covenants and agrees that, except as herein and in the Agreement and the Note provided, it will not sell, convey, mortgage, encumber or otherwise dispose of any part of the Revenues or its rights under the Agreement.

Section 5.4. List of Bondholders. The Bond Registrar will keep on file a list of names and addresses of all Registered Owners of the Bonds on the registration books of the City maintained by the Bond Registrar, together with the principal amount and numbers of such Bonds. At reasonable times and under reasonable regulations established by the Bond Registrar, said list may be inspected and copied by the Trustee, by the Borrower, by the Bank, by the Remarketing Agent or by the owners (or a designated representative thereof) of 15

percent or more in aggregate principal amount of Bonds then outstanding, such ownership and the authority of such designated representative to be evidenced to the satisfaction of the Trustee, or by any other person mandated by law. It is expressly understood that so long as the Bonds are held in the DTC System, the sole Registered Owner is Cede & Co.

Section 5.5. *Rights Under Agreement.* The Agreement, a duly executed counterpart of which has been filed with the Trustee, sets forth the covenants and obligations of the City and the Borrower, and reference is hereby made to the same for a detailed statement of said covenants and obligations of the Borrower thereunder, and the City agrees that the Trustee in its name or in the name of the City may enforce all rights of the City (except those rights reserved by the City hereunder) and all obligations of the Borrower under and pursuant to the Agreement for and on behalf of the Registered Owners, whether or not the City is in default hereunder.

ARTICLE VI

REVENUES AND FUNDS

Section 6.1. *Source of Payment of the Bonds.* The Bonds herein authorized and all payments to be made by the City hereunder, are not general obligations of the City, but are special, limited obligations payable solely and only from the Revenues and as provided in the Agreement and in this Indenture.

The Revenues are to be remitted directly to the Trustee for the account of the City and deposited in the Bond Fund (hereinafter created). The entire amount of said Revenues is hereby assigned and pledged to the payment of the principal of and interest and premium, if any, on the Bonds (and as otherwise provided in this Indenture).

Section 6.2. *Creation of Bond Fund.* There is hereby created by the City and established with the Trustee a Bond Fund to be designated "City of Chicago Bond Fund (Hazel Winthrop Apartments)," which is pledged and shall be used to pay the principal of, premium, if any, and interest on the Bonds. Within the Bond Fund there are hereby established accounts to be designated "Bond Fund – Principal and Interest Account" and "Bond Fund - Letter of Credit Account".

Section 6.3. *Payments into Bond Fund.* There shall be deposited in the Bond Fund, as and when received, (a) any amount in the Acquisition and Construction Fund directed to be paid into the Principal and Interest Account under Section 6.7 and Article VII hereof, (b) all Revenues for deposit in the Principal and Interest Account; and (c) all other moneys received by the Trustee under and pursuant to any of the provisions of the Agreement, the Note or the Letter of Credit which are required or which are accompanied by directions that such moneys are to be paid into the Principal and Interest Account or the Letter of Credit Account, as the case may be.

Section 6.4. *Use of Moneys in Bond Fund; Draws on Letter of Credit.* Except as provided in Sections 6.12 and 10.2 hereof, moneys in the Bond Fund shall be used solely for the payment of the principal of and premium, if any, on the Bonds at maturity or upon acceleration and for the redemption of the Bonds prior to maturity, and for the payment of the interest on the Bonds when due and for the payment of the obligations of the Borrower under the Reimbursement Agreement, but shall not be used to pay the purchase price of any Bond tendered to the Tender Agent for purchase pursuant to Section 4.1 or Section 4.2 hereof.

The City hereby authorizes and directs the Trustee to withdraw, from time to time, sufficient moneys from the Bond Fund to pay or cause to be paid the principal of, premium, if any, and interest on the Bonds as the same become due and payable, which authorization and direction the Trustee hereby accepts. Funds for such payments of the principal of and premium, if any, and interest on such Bonds shall be derived from the following sources in the order of priority indicated:

(a) if the Letter of Credit is then in effect, all moneys derived by the Trustee from a draw under the Letter of Credit for principal of, premium, if any, and interest on the Bonds, provided that in no event shall such moneys be used to pay the principal of, premium, if any, and interest on Purchased Bonds or Borrower Bonds;

(b) moneys transferred from the Acquisition and Construction Fund to the Bond Fund pursuant to Section 3.4 of the Agreement, provided that such moneys constitute Available Moneys, to pay principal of the Bonds at maturity or upon redemption prior to maturity;

(c) Available Moneys held by the Trustee pursuant to Article VIII hereof, such moneys to be applied only to the payment or the redemption of Bonds which are deemed to be paid in accordance with Article VIII hereof,

(d) payments made by the Borrower pursuant to the Note and Article VII of the Agreement, such moneys to be applied only to the redemption of Bonds, provided that such amounts constitute Available Moneys;

(e) all payments made by the Borrower pursuant to the Note and Section 4.2(a) of the Agreement, and amounts derived from the investment of such amounts; and

(f) all other amounts received by the Trustee under and pursuant to the Agreement, the Note or from any other source when required or accompanied by directions by the Borrower that such amounts are to be paid into the Bond Fund, and amounts derived from the investment of such amounts.

If the Letter of Credit is then in effect, on the Business Day immediately preceding the date on which any principal and/or interest shall become due on the Bonds, whether upon any Interest Payment Date, at maturity, upon the date fixed for redemption or upon maturity by declaration of acceleration of the Bonds, the Trustee shall, without making any prior claim or demand upon the Borrower, draw under and in accordance with the Letter of Credit so as to receive moneys thereunder in an amount which shall be equal to the amount of principal and interest coming due on the Bonds on the date such payment is due; provided that such draw upon a declaration of acceleration shall be as soon as possible and in no event later than three Business Days after such declaration of acceleration; and provided further, that the Trustee shall not draw under the Letter of Credit to pay the principal of and/or interest on any Purchased Bonds or any Borrower Bonds. Any such moneys drawn under the Letter of Credit shall be deposited and held in the Bond Fund - Letter of Credit Account which shall be a separate, segregated account in the Bond Fund, and shall not be commingled with other moneys in the Bond Fund. If for any reason funds are not available under the Letter of Credit for payment of principal and/or interest due on the Bonds on any such date, the Trustee shall immediately request from the Borrower funds sufficient to make all such payments of principal and/or interest on the Bonds pursuant to the Note and Section 4.2(a) of the Agreement by directing that the Borrower deposit such funds with the Trustee at its principal corporate trust office.

If the Letter of Credit is then in effect, all payments by the Borrower under Section 4.2(a) of the Agreement and deposited into the Bond Fund pursuant to clause (e) above and any amounts referenced in clause (b) above shall be paid by the Trustee to the Bank and applied against the Borrower's obligation to reimburse the Bank for draws under the Letter of Credit under the Reimbursement Agreement.

Section 6.5. Custody of Bond Fund. The Bond Fund shall be in the custody of the Trustee but in the name of the City, and the City hereby authorizes and directs the Trustee to withdraw sufficient funds from the Bond Fund and transfer same to the Paying Agent to pay or cause to be paid the principal of, premium, if any, and interest on the Bonds as the same become due and payable, which authorization and direction the Trustee hereby accepts.

Section 6.6. Creation of Acquisition and Construction Fund. There is hereby created by the City and established with the Trustee a trust fund to be designated the "City of Chicago Acquisition and Construction Fund (Hazel Winthrop Apartments)," which shall be expended in accordance with the provisions of Sections 3.3 and 3.4 of the Agreement and Section 6.7 hereof.

Section 6.7. Payments into Acquisition and Construction Fund; Disbursements. The proceeds of the Bonds shall be deposited in the Acquisition and Construction Fund as provided in Section 2.10(b) hereof. All moneys in the Acquisition and Construction Fund shall be expended on written requisitions signed by an Authorized Borrower Representative, as defined in the Agreement, and approved in writing by the Bank, in the form attached as Exhibit A hereto in accordance with the provisions of the Agreement.

The Trustee shall keep and maintain adequate records pertaining to the Acquisition and Construction Fund and all disbursements therefrom, and after the Project has been completed and a certificate of payment of all costs is or has been filed as provided in Section 3.4 of the Agreement, the Trustee shall file an accounting thereof with the City and the Borrower. The completion of the Project and payment or provision made for payment of the full Cost of the Project shall be evidenced by the filing with the Trustee of a certificate required by the provisions of Section 3.4 of the Agreement. Any balance remaining in the Acquisition and Construction Fund on the Completion Date shall be used in accordance with said Section 3.4. If the Borrower should prepay installments in whole pursuant to Section 7.1 or 7.2 of the Agreement, or if an event of default shall occur and be continuing hereunder, any balance then remaining in the Acquisition and Construction Fund shall without further authorization be deposited in the Bond Fund by the Trustee.

Section 6.8. Creation and Sources of Bond Purchase Fund. There is hereby created by the City and ordered established with the Tender Agent, as agent of the Trustee, a trust fund to be designated the "City of Chicago Bond Purchase Fund (Hazel Winthrop Apartments)", which shall be used to pay the purchase price of Bonds tendered or deemed to be tendered for purchase pursuant to Section 4.1 or Section 4.2 of this Indenture. The Tender Agent, as agent of the Trustee, shall hold all moneys on deposit in the Bond Purchase Fund in trust as provided in Section 4.4 hereof. The Trustee hereby appoints the Tender Agent to serve as its agent for such purpose. The Tender Agent shall notify the Trustee by 11:15 a.m. New York time on the purchase date, confirmed in writing, of the amount of funds received described in clause (i) below, with respect to such purchase date, and the amount of any deficiency in the amount of funds available to pay the purchase price.

There shall be paid into the Bond Purchase Fund, as and when received:

(i) the proceeds of the remarketing of Bonds by the Remarketing Agent pursuant to Section 4.3 of this Indenture (which proceeds shall at all times prior to their transfer from the Bond Purchase Fund be held by the Tender Agent in a separate and segregated account in the Bond Purchase Fund separate and apart from all other moneys in the Bond Purchase Fund);

(ii) all moneys drawn by the Trustee, or the Tender Agent as agent of the Trustee, under the Letter of Credit for the purpose of paying such purchase price (all of which moneys shall at all times prior to their transfer from the Bond Purchase Fund be held by the Tender Agent, as agent of the Trustee, in a separate and segregated account in the Bond Purchase Fund separate and apart from all other moneys in the Bond Purchase Fund);

(iii) all payments made directly by the Borrower pursuant to Section 4.2(e) of the Agreement (each of which payments shall at all times prior to their transfer from the Bond Purchase Fund be held by the Tender Agent in a separate and segregated account in the Bond Purchase Fund separate and apart from all other moneys in the Bond Purchase Fund); and

(iv) all other moneys received by the Trustee or the Tender Agent as agent of the Trustee under and pursuant to any of the provisions of this Indenture, the Agreement, the Note, the Letter of Credit or otherwise which are required or which are accompanied by directions that such moneys are to be paid into the Bond Purchase Fund (each of which payments shall at all times prior to their transfer from the Bond Purchase Fund be held by the Tender Agent, as agent of the Trustee, in a separate and segregated account in the Bond Purchase Fund separate and apart from all other moneys in the Bond Purchase Fund).

Section 6.9. Use of Moneys in the Bond Purchase Fund.

(a) Except as provided in this Section 6.9 or Section 6.12 of this Indenture, moneys in the Bond Purchase Fund shall be used solely for the payment of the purchase price of Bonds tendered or deemed to be tendered for purchase on any purchase date pursuant to Section 4.1 or Section 4.2 of this Indenture and to pay any obligations of the Borrower under the Reimbursement Agreement.

(b) On each purchase date (or, if such purchase date is not a Business Day, on the immediately following Business Day), the Tender Agent shall pay the purchase price of Bonds tendered for purchase from moneys on deposit in the Bond Purchase Fund from funds derived from the following sources in the order of priority indicated:

(i) proceeds of the remarketing of such Bonds pursuant to Section 4.3 hereof which constitute Available Moneys under clause (iv) of the definition thereof;

(ii) if the Letter of Credit is then in effect, moneys derived from a draw under the Letter of Credit to pay the purchase price of Bonds tendered or deemed to be tendered for purchase;

(iii) any other moneys on deposit in the Bond Purchase Fund that constitute Available Moneys;

(iv) payments made by the Borrower pursuant to Section 4.2(e) of the Agreement; and

(v) any other moneys received by the Trustee which are required to be paid into the Bond Purchase Fund or which are accompanied by instructions that such moneys be paid into the Bond Purchase Fund.

Bonds (or portions thereof in authorized denominations) purchased with moneys described in clause (ii) above ("Purchased Bonds") shall be registered in the name of the Borrower, shall be held by the Tender Agent in trust for the account of the Borrower, and shall not be transferred or exchanged by the Tender Agent until (A) the Tender Agent has received from the Bank notice in writing, by telecopy or tested telex, that the Borrower has reimbursed the Bank for the drawing or portion of the drawing made under the Letter of Credit to pay the purchase price of such Bonds, pursuant to the Reimbursement Agreement, and that the Letter of Credit has been reinstated in the amount of the aggregate principal amount of such Bonds and the amount originally drawn under the Letter of Credit to pay the portion of the purchase price equal to the accrued interest, if any, on such Bonds, or (B) the Remarketing Agent shall have given the Tender Agent notice by telephone, promptly confirmed in writing, that such Bonds have been remarketed by the Remarketing Agent, and the Tender Agent shall have moneys in an amount sufficient to reimburse the Bank for the drawing or portion of the drawing made under the Letter of Credit to pay the purchase price of such Bonds, which moneys are on deposit in the Bond Purchase Fund, and the Bank has given the Tender Agent notice in writing, by electronic transmission, that the Letter of Credit has been reinstated in the amount of the aggregate principal amount of such Bonds and the amount originally drawn under the Letter of Credit to pay the portion of the purchase price equal to the accrued interest, if any, on such Bonds; and in either event, the Tender Agent may then release such Bonds, and register the transfer of such Bonds at the direction of the Borrower in the event of (A) above or in the names of the new Registered Owners thereof as shall be provided by the Remarketing Agent by telephone or electronic transmission, promptly confirmed in writing, in the manner set forth in Section 4.3 hereof, in the event of (B) above. Bonds (or portions thereof in authorized denominations) purchased with moneys described in clause (iii) above shall, at the direction of the Borrower, be held by the Tender Agent for the account of the Borrower and registered in the name of the Borrower or be cancelled.

(c) If the Letter of Credit is in effect on a purchase date (or, if such day is not a Business Day, on the immediately following Business Day), and the funds available under clause (i) of subsection (b) above for the payment of the purchase price of the Bonds to be purchased pursuant to Section 4.1 or Section 4.2 of this Indenture on such purchase date are not sufficient to pay the purchase price of such Bonds in full at or before 11:15 A.M., New York time, on such purchase date, the Trustee shall, without making any prior demand or claim upon the Borrower, make a drawing under the Letter of Credit before 12:00 Noon, New York time, and the Bank shall make payment under the Letter of Credit to the Tender Agent at or before 2:00 P.M., New York time, in immediately available funds which funds will be wired directly from the Bank to the Tender Agent, in an amount which will be sufficient, together with the funds available under such clause (i) of subsection (b) above, to pay the purchase price of such Bonds on such purchase date (or the immediately following Business Day if such purchase date is not a Business Day). If for any reason funds are not available under the Letter of Credit for payment of the purchase price of such Bonds on such purchase date (or the immediately following Business Day if such purchase date is not a Business Day), the Trustee shall immediately request from the Borrower funds sufficient to pay the purchase price of such Bonds

pursuant to Section 4.2(e) of the Agreement by directing that the Borrower deposit such funds with the Tender Agent at its principal corporate trust office.

(d) Notwithstanding any other provision of this Indenture to the contrary, if (i) the Remarketing Agent shall remarket any Bonds tendered for purchase pursuant to Section 4.1 or Section 4.2 hereof and the proceeds of such remarketing are received by the Tender Agent after the Trustee has made a drawing under the Letter of Credit to pay the purchase price of such remarketed Bonds, pursuant to subsection (c) above, or (ii) the Remarketing Agent shall subsequently remarket any Bonds held by the Tender Agent for the account of the Borrower and registered in the name of the Borrower, the purchase price of which Bonds was paid by the Tender Agent as a result of a drawing under the Letter of Credit, pursuant to subsection (b) above, then all proceeds of any such remarketing which necessitated a drawing under the Letter of Credit (or which would otherwise be payable to the Borrower as the Registered Owner of the Bonds) shall be paid by the Tender Agent to the Bank to satisfy the obligations of the Borrower under the Reimbursement Agreement, relating to such drawing under the Letter of Credit. The Trustee and the Tender Agent shall immediately notify the Bank by telecopy or telephone, promptly confirmed in writing, that such proceeds are on deposit in the Bond Purchase Fund, and the Bank shall certify to the Trustee the amount of the obligation of the Borrower under the Reimbursement Agreement relating to such drawing under the Letter of Credit. When such obligations of the Borrower to the Bank under the Reimbursement Agreement have been satisfied, then all such moneys remaining in the Bond Purchase Fund shall be paid to the Borrower.

Section 6.10. Non-Presentation of Bonds. If any Bond shall not be presented for payment when the principal thereof becomes due, either at maturity or otherwise, or at the date fixed for redemption thereof, or on the date set for purchase of such Bond pursuant to Section 4.1 or Section 4.2 hereof, then if funds sufficient to pay or purchase such Bond shall have been made available to the Tender Agent, all liability of the City for the payment of such Bond and all liability of the Borrower for the purchase of such Bond shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of the Tender Agent to hold such fund or funds, without liability of interest thereon, for the benefit of the owner of such Bond or the owner of such Unsurrendered Bond, as the case may be, who shall thereafter be restricted exclusively to such fund or funds, for any claim of whatever nature on his part under this Indenture or on, or with respect to, said Bond. Subject to applicable law, any moneys so deposited with and held by the Tender Agent for the benefit of such persons, if any, for five years after the date upon which such moneys were so deposited, shall be paid to the Borrower or to the Bank as provided in Section 6.12 hereof, on written request of the Borrower or the Bank, as the case may be, and thereafter such persons shall look only to the Borrower for the purpose of payment from such moneys and the Tender Agent shall have no further liability with respect to such moneys.

Section 6.11. Moneys to be Held in Trust. All moneys required to be deposited with or paid to the Trustee for the account of the Bond Fund and the Acquisition and Construction Fund and moneys deposited with or paid to the Tender Agent for the account of the Bond Purchase Fund under any provision of this Indenture shall be held by the Trustee and the Tender Agent in trust, and except for moneys deposited with or paid to the Trustee for the redemption of Bonds, notice of the redemption of which has been duly given, and except for moneys deposited with or paid to the Trustee for the payment of interest on specific Bonds, and except for moneys held in trust in the Bond Purchase Fund, and except for moneys which have been deposited with the Trustee pursuant to Article VIII hereof, while held by the Trustee and Tender Agent constitute part of the Trust Estate and be subject to the lien or security interest created hereby. All

moneys derived from remarketing proceeds or draws on the Letter of Credit must be held in an Eligible Account.

Section 6.12. Repayment to the Borrower and the Bank from Bond Fund and Bond Purchase Fund. Except as otherwise provided in Section 6.9(d) hereof, any amounts remaining in the Bond Fund, the Bond Purchase Fund or any other fund or account established pursuant to this Indenture after payment in full of the Bonds (or provision therefor having been made in accordance herewith), other than Bonds held by the Tender Agent pursuant to Section 6.9(b) hereof, the purchase price of all Bonds tendered or deemed to be tendered to the Tender Agent for purchase pursuant to Section 4.1 or Section 4.2 hereof, the payment of the fees, charges and expenses of the Trustee, the Bond Registrar and all other amounts required to be paid hereunder and under the Agreement, the Note and the Letter of Credit, shall be paid to the Borrower or the Bank, as provided in Section 8.5 of the Agreement, and at such time the Note shall be canceled and delivered to the Borrower.

Section 6.13. Additional Payments Under the Agreement. Pursuant to Section 4.2(c) of the Agreement the Borrower has agreed to pay as provided therein fees and expenses of the Trustee and the Tender Agent. All such additional payments received by the Trustee shall not be paid into the Bond Fund or the Bond Purchase Fund, but shall be disbursed by the Trustee solely for the purposes for which said additional payments are received. The Trustee hereby agrees to make such disbursements.

ARTICLE VII

INVESTMENT OF MONEYS

Any moneys held as part of the Acquisition and Construction Fund or the Bond Fund shall be invested and reinvested by the Trustee at the direction of the Borrower in accordance with the provisions of Section 3.5 of the Agreement. Any moneys derived from a drawing under the Letter of Credit and deposited in the Bond Fund (including any moneys held for the payment of a particular Bond and any income derived from the investment of such moneys), if invested or reinvested, shall be invested or reinvested in Governmental Obligations which mature in not more than 30 days or as needed to make timely payment of principal and interest on the Bonds. The Trustee may make any and all such investments through its own bond department. Any such investments shall be held by or under the control of the Trustee and shall be deemed at all times a part of the fund for which they were made. The interest accruing thereon and any profit realized from such investments shall be credited to such fund, and any net loss resulting from such investments shall be charged to such fund. Notwithstanding the foregoing, interest accruing thereon and profits realized from investments in the Acquisition and Construction Fund shall be initially credited to such fund and then transferred to the Bond Fund pursuant to Section 6.3 hereof. The Trustee, at the direction of the Borrower, shall sell and reduce to cash a sufficient amount of such investments of the Acquisition and Construction Fund, as specified in such direction, whenever the cash balance in the Acquisition and Construction Fund is insufficient to pay a requisition when presented. The Trustee shall sell and reduce to cash a sufficient amount of such investments of the Bond Fund whenever the cash balance in the Bond Fund is insufficient to pay the principal of, premium, if any, and interest on the Bonds when due; provided, that the Trustee shall first sell and reduce to cash those investments of the Bond Fund which mature earliest.

Any moneys held as part of the Bond Purchase Fund shall not be invested or reinvested by the Tender Agent.

ARTICLE VIII

DISCHARGE OF LIEN

If the City shall pay or cause to be paid, or there shall be otherwise paid or provision for payment made to or for the owners from time to time of the Bonds, the principal, premium, if any, and interest due or to become due thereon on the dates and in the manner stipulated therein, and shall pay or cause to be paid to the Trustee all sums of money due or to become due according to the provisions hereof, and the Borrower shall pay or cause to be paid all obligations of the Borrower to reimburse the Bank for drawings under the Reimbursement Agreement (other than any reimbursement for drawings under the Letter of Credit to pay the purchase price of Bonds tendered or deemed to be tendered for purchase pursuant to Section 4.1 or Section 4.2 hereof which reimbursement is not then due and payable under the Reimbursement Agreement) and other amounts due and payable to the Bank under the Reimbursement Agreement and the Borrower shall pay or cause to be paid all obligations of the Borrower to the City, then these presents and the estate and rights hereby granted shall cease, determine and be void, whereupon the lien of this Indenture shall be canceled and except for amounts in the Bond Fund or the Bond Purchase Fund required to be paid to the Bank under Section 6.12 hereof, all amounts held hereunder shall be paid to the Borrower. Upon such discharge, the Trustee shall cancel the Note and return it to the Borrower and shall cancel the Letter of Credit and return it to the Bank.

On or after the Conversion Date, any Bond shall be deemed to be paid within the meaning of this Article VIII when payment of the principal of and premium, if any, on such Bond, plus interest thereon to the due date thereof (whether such due date be by reason of maturity or upon redemption prior to maturity as provided in this Indenture or upon payment of the purchase price on a purchase date, or otherwise), either (i) shall have been made or caused to be made in accordance with the terms thereof, or (ii) shall have been provided by irrevocably depositing with the Trustee, in trust and irrevocably setting aside exclusively for such payment, (1) Available Moneys sufficient to make such payment, or (2) Governmental Obligations purchased with Available Moneys (provided that in the opinion of Bond Counsel such deposit will not adversely affect the exclusion from gross income for purposes of federal income taxation of interest on the Bonds or cause any of the Bonds to be classified as "arbitrage bonds" within the meaning of Section 148 of the Code) maturing as to principal and interest in such amounts and on such dates as will provide sufficient moneys without reinvestment to make such payment, and all necessary and proper fees, compensation and expenses of the Trustee pertaining to the Bonds with respect to which such deposit is made and all other liabilities of the Borrower under the Agreement shall have been paid or the payment thereof provided for to the satisfaction of the Trustee. There shall be no defeasance during the Variable Rate Period and no defeasance shall be effective during the Fixed Rate Period until the Trustee shall receive prior written evidence from each Rating Agency then rating the Bonds that such deposit referred to in the prior sentence will not cause a reduction or withdrawal of the then current rating on the Bonds. At such time as a Bond shall be deemed to be paid hereunder, as aforesaid, it shall no longer be secured by or entitled to the benefits of this Indenture, except for the purposes set forth in Sections 2.7 and 2.8 hereof and any such payment from such moneys or Governmental Obligations on the date or dates specified at the time of such deposit.

Notwithstanding the foregoing, in the case of Bonds which by their terms may be redeemed prior to the stated maturities thereof, no deposit under clause (ii) of the immediately preceding paragraph shall be deemed a payment of such Bonds as aforesaid until the Borrower,

on behalf of the City, shall have given the Trustee, in form satisfactory to the Trustee, irrevocable instructions:

(a) stating the date when the principal (and premium, if any) of each such Bond is to be paid, whether at maturity or on a redemption date (which may be any redemption date permitted by this Indenture);

(b) to direct the Bond Registrar to call for redemption pursuant to this Indenture any Bonds to be redeemed prior to maturity pursuant to (a) hereof, and

(c) to direct the Bond Registrar to mail, as soon as practicable, in the manner prescribed by Article III hereof, a notice to the owners of such Bonds that the deposit required by (ii) above has been made with the Trustee and that said Bonds are deemed to have been paid in accordance with this Article VIII and stating the maturity or redemption date upon which moneys are to be available for the payment of the principal or redemption price, if applicable, on said Bonds as specified in (a) hereof.

Any moneys so deposited with the Trustee as provided in this Article VIII may at the written direction of the Borrower also be invested and reinvested in Governmental Obligations, maturing in the amounts and on the dates as hereinbefore set forth, and all income from all Governmental Obligations in the hands of the Trustee pursuant to this Article VIII which is not required for the payment of the Bonds and interest and premium, if any, thereon with respect to which such moneys are deposited, shall be deposited in the Bond Fund as and when collected for use and application as are other moneys deposited in that fund.

Anything in Article XI hereof to the contrary notwithstanding, if moneys or Governmental Obligations have been deposited or set aside with the Trustee pursuant to this Article VIII for the payment of the principal of, premium, if any, and interest on the Bonds and the principal of, premium, if any, and interest on such Bonds shall not have in fact been actually paid in full, no amendment to the provisions of this Article VIII shall be made without the consent of the owner of each of the Bonds affected thereby.

Notwithstanding the release and discharge of the lien of this Indenture as provided above, those provisions of this Indenture relating to the maturity of the Bonds, interest payments and dates thereof, redemption provisions, tender and purchase provisions, exchange and transfer of Bonds, replacement of mutilated, destroyed, lost, stolen or Unsurrendered Bonds, the safekeeping and cancellation of Bonds, nonpresentment of Bonds, the holding of moneys in trust, redemption of Bonds and the duties of the Trustee, the Bond Registrar, the Tender Agent, the Paying Agent and the Remarketing Agent in connection with all of the foregoing, remain in effect and shall be binding upon the Trustee and the owners of the Bonds.

ARTICLE IX

(b) Failure to pay the principal of; or premium, if any, on any Bond, when due, whether at the stated maturity thereof or upon proceedings for redemption thereof;

(c) Failure to pay when due the purchase price of any Bond tendered or deemed to be tendered to the Tender Agent for purchase pursuant to Section 4.1 or Section 4.2 hereof when due;

(d) Receipt by the Trustee, not later than the last day provided for in the Letter of Credit on which the Bank can give notice preventing a reinstatement of the Letter of Credit following a drawing under the Letter of Credit to pay regularly scheduled interest on the Bonds, of written notice by the Bank that the Borrower has not reimbursed the Bank for such drawing or of the occurrence of an "Event of Default" under the Reimbursement Agreement, and, that as a consequence of either of the above, the Bank will not reinstate the Letter of Credit with respect to such drawing;

(e) Receipt by the Trustee of written notice from the Bank of the occurrence of an "Event of Default" under the Reimbursement Agreement and requesting the Trustee to accelerate the Bonds;

(f) Failure to perform or observe any other of the covenants, agreements or conditions on the part of the City in this Indenture or in the Bonds contained and failure to remedy the same after notice thereof pursuant to Section 9.12 hereof; or

(g) The occurrence of an "Event of Default" under the Agreement.

Section 9.2. Acceleration. Upon (i) the occurrence of an Event of Default under Section 9.1(d) or Section 9.1(e), the Trustee shall, or (ii) the occurrence and continuance of any other Event of Default hereunder the Trustee may, and upon the written request of the owners of not less than a majority in aggregate principal amount of Bonds then Outstanding shall, declare the principal of all Bonds then Outstanding and the interest accrued thereon to the date of such declaration immediately due and payable (and interest on the Bonds shall cease to accrue from and after the date of declaration of acceleration), and such principal, interest, and any premium the City shall have become obligated to pay prior to such date, if any, shall thereupon become and be immediately due and payable; provided that so long as a Letter of Credit is in effect and the Bank has not failed to honor a properly presented and conforming drawing thereunder, no acceleration shall be declared under subsection (ii) of this Section 9.2 by reason of a default under Sections 9.1 (f) or (g) hereof without the prior written consent of the Bank. Upon any declaration of acceleration hereunder the Trustee shall immediately declare an amount equal to all amounts then due and payable on the Bonds to be immediately due and payable under Section 4.2(a) of the Agreement and under the Note in accordance with Section 6.2(a) of the Agreement, and, if the Letter of Credit is then in effect, the Trustee shall as soon as possible and in no event later than three Business Days after such declaration, draw under the Letter of Credit to the fullest extent permitted by the terms thereof to pay the principal of, and accrued interest on, the Bonds and shall fix the date upon which funds shall be applied as provided in Section 9.7 hereof. As soon as practicable upon any such declaration of acceleration, the Trustee shall give written notice thereof to the City, the Borrower, the Tender Agent and the Remarketing Agent; provided that failure to give such notice shall not affect the validity or effectiveness of such declaration.

Section 9.3. Other Remedies; Rights of Bondholders. Upon the occurrence of an Event of Default hereunder the Trustee may, in addition or as an alternative to the remedy

provided for in Section 9.2 hereof, pursue any available remedy by suit at law or in equity to enforce the payment of the principal of, premium, if any, and interest on the Bonds then Outstanding. If an Event of Default shall have occurred, and if requested so to do by the owners of a majority in aggregate principal amount of Bonds then Outstanding and indemnified as provided in Section 10.1(l) hereof, the Trustee shall and in its own name:

- (a) By mandamus, other suit, action or proceeding at law or in equity, enforce all rights of the Bondholders, including the right to require the City to collect the amounts payable under the Agreement and the Note and to require the City to carry out any other provisions of this Indenture for the benefit of the Bondholders;
- (b) Pursue any and all remedies available to it under the Agreement;
- (c) Bring suit upon the Bonds;
- (d) By action or suit in equity require the City to account as if it were the trustee of an express trust for the Bondholders; and
- (e) By action or suit in equity enjoin any acts or things that may be unlawful or in violation of the rights of the Bondholders.

No remedy by the terms of this Indenture conferred upon or reserved to the Trustee or the City (or to the Registered Owners) is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Trustee or the City or to the Registered Owners hereunder or now or hereafter existing at law or in equity.

No delay or omission to exercise any right or power accruing upon any default or Event of Default hereunder shall impair any such right or power or shall be construed to be a waiver of any such default or Event or Default or acquiescence therein; and such right and power may be exercised from time to time as often as may be deemed expedient.

No waiver of any default or event of default hereunder, whether by the Trustee or by the Registered Owners, shall extend to or shall affect any subsequent default or Event or Default or shall impair any rights or remedies consequent thereon.

Section 9.4. *Right of Bank and Bondholders to Direct Proceedings.* Subject to the provisions of Section 10.1(l) hereof, anything in this Indenture to the contrary notwithstanding, the Bank or the owners of a majority in aggregate principal amount of the Bonds then Outstanding shall have the right, at any time, by an instrument or instruments in writing executed and delivered to the Trustee, to direct the method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of this Indenture, or for the appointment of a receiver or any other proceedings hereunder; provided, that such direction shall not be otherwise than in accordance with the provisions of law and of this Indenture and shall not result in the personal liability of the Trustee; and provided further, that the Bank shall have no such right to direct proceedings relating to remedies against the Bank, including any drawing under the Letter of Credit. In the event of conflict between the directions of the Bank and those of the Registered Owners with respect to an Event of Default, the directions of the Bank shall prevail so long as the Bank has not failed to honor a properly presented and conforming drawing under the Letter of Credit. The Trustee may take any other action under this Indenture which is not inconsistent with such direction.

Section 9.5. Appointment of Receivers. Upon the occurrence of an Event of Default hereunder and upon the filing of a suit or other commencement of judicial proceedings to enforce the rights of the Trustee and of the Registered Owners under this Indenture, the Trustee shall be entitled, as a matter of right, to the appointment of a receiver or receivers of the Trust Estate and of the revenues, earnings, income, products and profits thereof, pending such proceedings, with such powers as the court making such appointment shall confer.

Section 9.6. Waiver. Upon the occurrence of an Event of Default hereunder, to the extent that such rights may then lawfully be waived, neither the City, nor anyone claiming through or under the City, shall set up, claim, or seek to take advantage of any appraisal, valuation, stay, extension or redemption laws now or hereafter in force, in order to prevent or hinder the enforcement of this Indenture, and the City, for itself and all who may claim through or under it, hereby waives, to the extent that it lawfully may do so, the benefit of all such laws.

Section 9.7. Application of Moneys. All moneys (other than moneys derived from a drawing under the Letter of Credit and proceeds of a remarketing pursuant to Section 4.3) received by the Trustee pursuant to any right given or action taken under the provisions of this Article IX or pursuant to Section 6.9 hereof shall, after payment to the Trustee and the Bond Registrar of all amounts due and payable pursuant to Section 10.2 hereof and after payment of all expenses of the Trustee incurred in connection with litigation against the Bank resulting from the Bank's failure to honor a properly presented drawing under the Letter of Credit, be deposited in the Bond Fund; all moneys derived from a drawing under the Letter of Credit to pay principal of and interest on the Bonds shall be deposited in the Bond Fund - Letter of Credit Account, a separate, segregated account in the Bond Fund; and all moneys in the Bond Fund (other than moneys held for the payment of a particular Bond) during the continuation of an Event of Default hereunder shall be applied in the order of priority set forth in Section 6.4 hereof, as follows:

(a) Unless the principal of all the Bonds shall have become or shall have been declared due and payable, all such moneys shall be applied:

First - To the payment to the persons entitled thereto of all interest then due on the Bonds (other than Borrower Bonds), and, if the amount available shall not be sufficient to pay said amount in full, then to the payment ratably, according to the amounts due, to the persons entitled thereto, without any discrimination or privilege;

Second - To the payment to the persons entitled thereto of the unpaid principal of and premium, if any, on any of the Bonds which shall have become due (other than Bonds matured or called for redemption for the payment of which moneys are held pursuant to the provisions of this Indenture, and other than Borrower Bonds), and, if the amount available shall not be sufficient to pay in full such unpaid principal premium and, then to the payment ratably to the persons entitled thereto without any discrimination or privilege;

Third - To the payment of the obligations of the Borrower due and owing to the Bank under the Reimbursement Agreement (other than any reimbursement for drawings under the Letter of Credit to pay the purchase price of Bonds tendered or deemed to

be tendered for purchase pursuant to Section 4.1 or Section 4.2 hereof, which reimbursement is not then due and payable under the Reimbursement Agreement); and

Fourth - To the payment of the principal of, premium, if any, and interest on Borrower Bonds in the same manner as above provided.

(b) If the principal of all the Bonds shall have become due or shall have been declared due and payable, all such moneys shall be applied First, to the payment of the principal and interest then due and unpaid upon the Bonds (other than Borrower Bonds), without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any Bond over any other Bond (other than Borrower Bonds), ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or privilege, Second, to the payment of the obligations of the Borrower due and owing under the Reimbursement Agreement (other than any reimbursement for drawings under the Letter of Credit to pay the purchase price of Bonds tendered or deemed to be tendered for purchase pursuant to Section 4.1 or Section 4.2 thereof, which reimbursement is not due and payable under the Reimbursement Agreement), and Third, to the payment of principal of and interest on Borrower Bonds in the same manner.

(c) If the principal of all of the Bonds shall have been declared due and payable, and if such declarations shall thereafter have been rescinded and annulled under the provisions of this Article IX then, subject to the provisions of Section 9.7(b) hereof if the principal of all of the Bonds shall later become due or be declared due and payable, the moneys shall be applied in accordance with the provisions of Section 9.7(a) hereof.

Subject to the provisions of Section 10.2 hereof, whenever moneys are to be applied pursuant to the provisions of this Section 9.7, such moneys shall be applied at such times, and from time to time, as the Trustee shall determine, having due regard to the amount of such moneys available for application and the likelihood of additional moneys becoming available for such application in the future. Whenever the Trustee shall apply such funds, it shall fix the date (which shall be an Interest Payment Date unless it shall deem another date more suitable) upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such date shall cease to accrue; provided that if the Trustee shall declare an acceleration and shall draw under the Letter of Credit to pay the principal of and accrued interest on the Bonds, pursuant to Section 6.4 hereof, the Trustee shall fix the date upon which such application is to be made, which date shall be the date of such drawing under the Letter of Credit. The Trustee shall give such notice as it may deem appropriate of the deposit with it of any such moneys and of the fixing of any such date, and shall not be required to make payment to the owner of any Bond until such Bond shall be presented to the Trustee for appropriate endorsement or for cancellation if fully paid.

Section 9.8. Remedies Vested in Trustee. All rights of action (including the right to file proof of claims) under this Indenture or under any of the Bonds may be enforced by the Trustee without the possession of any of the Bonds or the production thereof in any trial or other proceeding relating thereto and any such suit or proceeding instituted by the Trustee shall be brought in its name as Trustee without the necessity of joining as plaintiffs or defendants any owners of the Bonds, and any recovery of judgment shall be for the equal and ratable benefit of the owners of the outstanding Bonds.

Section 9.9. *Rights and Remedies of Bondholders.* No owner of any Bond shall have any right to institute any suit, action or proceeding at law or in equity for the enforcement of this Indenture, the Agreement or the Note or for the execution of any trust hereof or for the appointment of a receiver or any other remedy hereunder or thereunder, unless a default has also occurred and the Trustee has been notified as provided in Section 10.1(h) hereof, or by said subsection it is deemed to have notice, nor unless such default shall have become an Event of Default hereunder and the owners of a majority in aggregate principal amount of Bonds then Outstanding shall have made written request to the Trustee and shall have offered it reasonable opportunity either to proceed to exercise the powers hereinbefore granted or to institute such action, suit or proceeding in its own name, nor unless also they have offered to the Trustee indemnity as provided in Section 10.1(l), nor unless the Trustee shall thereafter fail or refuse to exercise the powers hereinbefore granted, or to institute such action, suit or proceeding in its own name for 60 days after such notification, request, and offer of indemnification; and such notification, request and offer of indemnity are hereby declared in every case at the option of the Trustee to be conditions precedent to the execution of the powers and trusts of this Indenture, and to any action or cause of action for the enforcement of this Indenture, the Agreement or the Note, or for the appointment of a receiver or for any other remedy hereunder or thereunder; it being understood and intended that not one or more owners of the Bonds shall have any right in any manner whatsoever to affect, disturb or prejudice the lien of this Indenture by its, his or their action or to enforce any right hereunder or thereunder except in the manner herein provided, and that all proceedings at law or in equity shall be instituted, had and maintained in the manner herein provided and for the equal and ratable benefit of the owners of all Bonds then Outstanding. Nothing contained in this Indenture, however, shall affect or impair the right of any Registered Owner to enforce the payment of the principal of, premium, if any, and interest on any Bond at and after the maturity thereof, or the obligation of the City to pay the principal of, premium, if any, and interest on each of the Bonds issued hereunder to the respective owners thereof on the date, at the place, from the source and in the manner in the Bonds expressed, or the payment of the purchase price of any Bond which is due and payable, subject to the rights of the Bank as set forth in Section 9.4 hereof.

Section 9.10. *Termination of Proceedings.* If the Trustee shall have proceeded to enforce any right under this Indenture by the appointment of a receiver or otherwise, and such proceeding shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case the City, the Trustee and the Registered Owners shall be restored to their former positions and rights hereunder respectively with regard to the property subject to this Indenture, and all rights, remedies and powers of the Trustee shall continue as if no such proceeding had been taken.

Section 9.11. *Waivers of Events of Default.* The Trustee may at its discretion waive any Event of Default hereunder and its consequences, other than any Event of Default under Sections 9.1(d) or (e) hereof, the waiver of which shall require the prior written consent of the Bank provided that the Bank shall not have failed to honor a properly presented and conforming drawing under the Letter of Credit, and rescind any declaration of acceleration of principal, and shall do so upon the written request of the owners of (1) a majority in aggregate principal amount of all the Bonds then Outstanding in respect of which default in the payment of principal or interest, or both, exists, or in respect of which a default in the payment of the purchase price exists, or (2) a majority in aggregate principal amount of all Bonds then Outstanding in the case of any other default; provided that there shall not be waived (a) any default in the payment of the principal of or premium, if any, on any Outstanding Bonds at the date of maturity specified therein or redemption prior to maturity, or (b) any default in the payment when due of the interest on any such Bonds, or (c) any default in the payment when due of the purchase price of

any such Bonds tendered or deemed to be tendered for purchase under Section 4.1 or Section 4.2 hereof unless prior to such waiver or rescission, all arrears of principal or interest, or both, with interest, to the extent permitted by law, as in the Bonds provided on overdue installments or all arrears of payments of such purchase price, as the case may be, and all expenses of the Trustee, in connection with such default shall have been paid or provided for; provided that if the Trustee shall have made a drawing under the Letter of Credit in connection with any such Event of Default to be so waived, no such waiver shall be effective until the Trustee receives written evidence from the Bank that it has rescinded its notice of an event of default under the Reimbursement Agreement and that the Letter of Credit shall have been reinstated to an amount equal to the outstanding principal amount of the Bonds plus interest thereon for the sum of [(i) 35 days (or 189 days if the Bonds are then in the Fixed Rate Period)], plus (ii) if the interest component of the Letter of Credit does not automatically and immediately reinstate after a drawing to pay interest on the Bonds, the sum of (A) six days, plus (B) the maximum number of calendar days the Bank is allowed pursuant to the provisions of the Letter of Credit to reinstate the Letter of Credit after a drawing thereon for interest on the Bonds, at the [Cap Rate][Fixed Rate]; and in case of any such waiver or rescission, or in case any proceeding taken by the Trustee on account of any such default shall have been discontinued or abandoned or determined adversely, then and in every such case the City, the Trustee and the Registered Owners shall be restored to their former positions and rights hereunder, respectively, but no such waiver or rescission shall extend to any subsequent or other default, or impair any right consequent thereon; provided further, that a waiver of any "Event of Default" under the Reimbursement Agreement by the Bank and a rescission and annulment of its consequences by the Bank and (if the Event of Default hereunder is the event described in Section 9.1(d) or Section 9.1(e) hereof), a reinstatement of the Letter of Credit shall, upon written notice, delivered to the Trustee from the Bank of such waiver, rescission, annulment and reinstatement, constitute a waiver of the corresponding Event of Default hereunder and a rescission and annulment of the consequences thereof.

Section 9.12. Notice of Defaults Under Section 9.1(f); Opportunity of the City and the Borrower to Cure Such Defaults. Anything herein to the contrary notwithstanding, no default under Section 9.1(f) hereof shall constitute an Event of Default hereunder until notice of such default by registered or certified mail, return receipt requested, shall be given to the City, the Borrower, the partners of the Borrower, the Bank and the Remarketing Agent by the Trustee or to the City, the Borrower, the partners of the Borrower, the Trustee, the Tender Agent, the Bank and the Remarketing Agent by the owners of not less than a majority in aggregate principal amount of all Bonds then Outstanding, which notice shall specify such default, request that said default be remedied and state that such notice is a "Notice of Default" hereunder, and the City and the Borrower shall have had 90 days after receipt of such notice to correct said default or cause said default to be corrected, and shall not have corrected said default or caused said default to be corrected within the applicable period.

With regard to any default concerning which notice is given to the City, the Borrower, the Bank and the Remarketing Agent under the provisions of this Section 9.12, the City hereby grants the Borrower full authority for the account of the City to perform any covenant or obligation alleged in said notice to constitute a default, in the name and stead of the City with full power to do any and all lawful things and acts to the same extent that the City could do and perform any such things and acts and with power of substitution.

In the event the City fails to perform any of its covenants or obligations under this Indenture, the Borrower shall have the right but not obligation to perform such covenants or

obligations and the City hereby consents to such fulfillment and waives any right it may have to interfere therewith.

Section 9.13. Remedies Not Exclusive. No remedy herein conferred is intended to be exclusive of any other remedy or remedies, and each remedy is in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute.

ARTICLE X

TRUSTEE, BOND REGISTRAR, TENDER AGENT AND REMARKETING AGENT

Section 10.1. Acceptance of Trusts. The Trustee and the Bond Registrar hereby accept the respective trusts imposed upon them by this Indenture and agree to perform said trusts and all ministerial duties and obligations of the City under the Agreement and this Indenture, but only upon and subject to the following express terms and conditions:

(a) The Trustee, prior to the occurrence of an Event of Default and after any and all Events of Default which may have occurred hereunder have been cured by the appropriate party, undertakes to perform such duties and only such duties as are specifically set forth in this Indenture. If an Event of Default has occurred hereunder (which has not been cured or waived) the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of his or her own affairs.

(b) The Trustee and the Bond Registrar may execute any of the trusts or powers hereof and perform any of their respective duties by or through attorneys, agents, receivers or employees, but shall, in the case of attorneys, agents, receivers or employees, not be answerable for the conduct of the same if appointed by the Trustee or the Bond Registrar in good faith and without negligence, and shall be entitled to advice of counsel concerning its duties hereunder and thereunder, and the advice of such counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder or thereunder in good faith in reliance thereon, and may in all cases pay such reasonable compensation to all such attorneys, agents and receivers as may reasonably be employed in connection with the trusts hereof or thereof.

(c) The Trustee and the Bond Registrar shall not be responsible for any recital herein or in the Bonds (except with respect to the certificate of the Authenticating Agent endorsed on the Bonds and the legend required by Section 2.2 hereof), or for the validity of the execution by the City of this Indenture or any supplemental indentures hereto, or of any instruments of further assurance, or for the sufficiency of the security for the Bonds issued hereunder or intended to be secured hereby. In purchasing Bonds hereunder, the Tender Agent shall be acting as a conduit and shall not be purchasing Bonds for its own account. No provision of this Indenture shall require the Tender Agent to expend or risk its own funds.

(d) The Trustee and the Bond Registrar shall not be accountable for the use of the proceeds of any Bonds authenticated or delivered hereunder. The Trustee or the Bond Registrar may become the owner of Bonds secured hereby with the same rights which it would have if it were not the Trustee or the Bond Registrar.

(e) The Trustee and the Bond Registrar shall be protected in acting upon any requisition, notice, request, consent, certificate, order, affidavit, letter, telegram or other paper or

document believed in good faith to be genuine and correct and to have been signed or sent by the proper person or persons. Any action taken by the Trustee and the Bond Registrar pursuant to this Indenture upon the request or authority or consent of any person who at the time of making such request or giving such authority or consent is the owner of any Bond, shall be conclusive and binding upon such owner and all future owners of the same Bond and upon Bonds issued in exchange therefor or in place thereof or on registration of transfer thereof.

(f) As to the existence or non-existence of any fact or as to the sufficiency or validity of any instrument, paper or proceeding, the Trustee and the Bond Registrar shall be entitled to rely upon a certificate signed by a member or an authorized officer of the City or an Authorized Borrower Representative under the Agreement as sufficient evidence of the facts therein contained and prior to the occurrence of a default of which the Trustee has been notified as provided in Section 10.1(h) hereof, or of which by Section 10.1(h) it is deemed to have notice, shall also be at liberty to accept a similar certificate to the effect that any particular dealing, transaction or action is necessary or expedient, but may at its discretion secure such further evidence deemed by it to be necessary or advisable, but shall in no case be bound to secure the same. The Trustee and the Bond Registrar may accept a certificate of an officer of the City under the seal of the City to the effect that an authorization in the form therein set forth has been adopted by the City as conclusive evidence that such authorization has been duly adopted, and is in full force and effect.

(g) The permissive right of the Trustee and the Bond Registrar to do things enumerated in this Indenture shall not be construed as a duty and neither the Trustee nor the Bond Registrar shall be answerable for other than their negligence or willful misconduct.

(h) The Trustee shall not be required to take notice or be deemed to have notice of any default hereunder except failure by the City to cause to be made any of the payments to the Trustee required to be made by Article V hereof, unless the Trustee shall be specifically notified in writing of such default by the City, the Bank or by the owners of at least a majority in aggregate principal amount of Bonds then Outstanding and all notices or other instruments required by this Indenture to be delivered to the Trustee must, in order to be effective, be delivered at the principal corporate trust office of the Trustee (unless otherwise provided in the Bonds and this Indenture), and in the absence of such notice so delivered the Trustee may conclusively assume there is no default except as aforesaid.

(i) At any and all reasonable times and after reasonable notice has been provided, the Trustee, and its duly authorized agents, attorneys, experts, engineers, accountants and representatives, shall have the right fully to inspect any and all of the property herein conveyed, including all books, papers and records of the City pertaining to the Project and the Bonds.

(j) The Trustee and the Bond Registrar shall not be required to give any bond or surety in respect of the execution of said trusts and powers or otherwise in respect of the premises.

(k) Notwithstanding anything elsewhere in this Indenture and the Agreement with respect to the authentication of any Bonds, the withdrawal of any cash, the release of any property, or any action whatsoever within the purview of this Indenture and the Agreement and the Note, the Trustee or the Bond Registrar shall have the right, but shall not be required, to demand any showings, certificates, opinions, appraisals or other information, or corporate action or evidence thereof, in addition to that by the terms hereof required as a condition of such action, by the Trustee or the Bond Registrar deemed desirable for the purpose of establishing

the right of the City to the authentication of any Bonds, the withdrawal of any cash, or the taking of any other action by the Trustee.

(l) Before taking any action hereunder, the Trustee may require that a satisfactory indemnity bond be furnished by such owners for the reimbursement of all expenses to which it may be put and to protect it against all liability, except liability which is adjudicated to have resulted from its failure to comply with the standard of care prescribed by Section 10.1(a) hereof in the case of actions referred to in Sections 9.3, 9.4 and 9.5 hereof, and, in the case of an action referred to in Section 10.4 hereof, liability which is adjudicated to have resulted from its negligence or willful misconduct. Notwithstanding anything contained herein to the contrary, the Trustee is required to (i) draw on the Letter of Credit pursuant to its terms, (ii) make payments to bondholders in accordance with this Indenture on each Interest Payment Date, on any redemption date and at maturity, (iii) provide notices to bondholders required to be delivered hereunder and (iv) effect any mandatory tender, mandatory redemption or acceleration pursuant to Sections 9.1(d) or (e) hereof, in each case without indemnification from any party.

Section 10.2. Fees, Charges, Indemnities and Expenses of the Trustee, the Bond Registrar and the City. The Trustee, the Bond Registrar and the City shall be entitled to payment and reimbursement for reasonable fees for their respective services rendered hereunder and all advances, counsel fees and other expenses reasonably made or incurred by the Trustee, the Bond Registrar and the City in connection with such services and in connection with entering into this Indenture, including any such fees and expenses incurred in connection with action taken under Article IX hereof. The Trustee, the Bond Registrar and the City shall also be entitled to payment of their reasonable fees, charges and expenses in the event that provision for the payment of the Bonds is made pursuant to Article VIII hereof. The Trustee shall have a first lien for the foregoing fees, charges and expenses with the right to enforce such lien for payment prior to payment on account of principal of, premium, if any, and interest on any Bond upon the Trust Estate (other than moneys derived from a drawing under the Letter of Credit or held for the payment of particular Bonds whether or not such payment is then due and owing) for the foregoing fees, charges and expenses incurred by it. The Trustee shall have no such lien for such fees, charges and expenses on moneys in the Bond Purchase Fund or otherwise held hereunder for the payment of the purchase price of Bonds tendered or deemed to be tendered to the Trustee for purchase. Notwithstanding anything herein to the contrary, including the failure to pay fees and expenses, the Trustee shall at all times be required to (i) pay, to the extent moneys are on deposit under this Indenture and available therefor, principal of, premium, if any, and interest on the Bonds when due at maturity, upon redemption prior to maturity, acceleration or otherwise, (ii) to make drawings under the Letter of Credit, when required to do so by the terms of this Indenture, (iii) to accelerate payment of the principal of and interest on the Bonds when required to do so by the terms of this Indenture and (iv) to cause a mandatory tender of the Bonds when required to do so by the terms of the Indenture.

Section 10.3. Notice to Bondholders if Default Occurs. If a default occurs of which the Trustee is by Section 10.1(h) hereof required to take notice or if notice of default be given as therein provided, then the Trustee shall promptly give written notice thereof to the Bond Registrar, the Bank, the Remarketing Agent, the Borrower and the Tender Agent, and the Bond Registrar shall promptly give written notice thereof by first class mail, postage prepaid, to the owner of each Bond as shown by the list of Registered Owners required by the terms of Section 5.8 hereof to be kept at the office of the Trustee.

Section 10.4. Intervention by the Trustee. In any judicial proceeding to which the City is a party which, in the opinion of the Trustee and its counsel, has a substantial bearing on the

interests of the owners from time to time of the Bonds, the Trustee may intervene on behalf of Registered Owners and shall do so if requested in writing by the owners of at least a majority of the aggregate principal amount of Bonds then Outstanding.

Section 10.5. Successor Trustee, Bond Registrar, Remarketing Agent or Tender Agent. Any corporation or association into which the Trustee, Bond Registrar, Remarketing Agent or Tender Agent may be converted or merged, or with which be consolidated, or to which any one of them may sell or transfer its corporate trust business as a whole or substantially as a whole, or any corporation or association resulting from any such conversion, merger or consolidation to which any one of them is a party, shall be and become successor Trustee, Bond Registrar, Remarketing Agent or Tender Agent hereunder and vested with all of the title to the Trust Estate and all the trusts, powers, discretions, immunities, privileges and all other matters as was its predecessor, without the execution or filing of any instrument or any further act, deed or conveyance on the part of any of the parties hereto, anything herein to the contrary notwithstanding. Any such successor Trustee, Bond Register, Remarketing Agent or Tender Agent shall give notice thereof to the City, the Borrower, the Bank and the Remarketing Agent.

Section 10.6. Resignation by the Trustee; Bond Registrar or Tender Agent. The Trustee, Bond Registrar or Tender Agent and any successor Trustee, Bond Registrar or Tender Agent may at any time resign from the trusts hereby created by giving 30 days' written notice by first class mail, postage prepaid, to the City, the Borrower, the Bank, the Remarketing Agent and the owner of each Bond as shown by the list of Registered Owners required by Section 5.6 hereof to be kept by the Bond Registrar, provided that such resignation shall only take effect when a successor Trustee, successor Bond Registrar or successor Tender Agent, as the case may be, has been appointed pursuant to Section 10.8.

Section 10.7. Removal of the Trustee, Bond Registrar or Tender Agent. The Trustee, Bond Registrar or Tender Agent may be removed at any time (subject to the appointment of a successor Trustee, successor Bond Registrar or successor Tender Agent, as the case may be, pursuant to Section 10.8 hereof), by (i) the City, at the written request of the Borrower, delivered to the Trustee, to the Bond Registrar, to the Tender Agent, to the City, to the Bank and to the Remarketing Agent, and (ii) an instrument or concurrent instruments in writing delivered to the Trustee, to the Bond Registrar, to the Tender Agent, to the City, to the Borrower, to the Bank and to the Remarketing Agent, and signed by the owners of a majority in aggregate principal amount of Bonds then Outstanding provided that no such removal shall take effect until a successor Trustee, successor Bond Registrar or successor Tender Agent, as the case may be, has been appointed pursuant to Section 10.8.

Section 10.8. Appointment of Successor Trustee, Bond Registrar or Tender Agent by Bondholders or City. If the Trustee, Bond Registrar or Tender Agent hereunder shall give notice of resignation or be removed, or be dissolved, or shall be in the course of dissolution or liquidation, or otherwise become incapable of acting hereunder, or in case it shall be taken under the control of any public office or offices, or of a receiver appointed by a court, a successor may with the prior written consent of the Borrower (to the extent that no "Event of Default" shall have occurred and be continuing under the Agreement) be appointed by the owners of a majority in aggregate principal amount of Bonds then Outstanding, by an instrument or concurrent instruments in writing signed by such owners, or by their duly authorized attorneys in fact, a copy of which shall be delivered personally or sent by first class mail, postage prepaid, to the City, the retiring Trustee, the successor Trustee, the Bond Registrar or successor Bond Registrar, the Tender Agent or successor Tender Agent, the Borrower, the Bank and the Remarketing Agent. Pending such appointment by the Bondholders, the City may, with the prior

written consent of the Borrower (to the extent that no "Event of Default" shall have occurred and be continuing under the Agreement) appoint a temporary successor Trustee, Bond Registrar or Tender Agent by an instrument in writing signed by an authorized officer of the City, a copy of which shall be delivered personally or sent by first class mail, postage prepaid, to the retiring Trustee, the successor Trustee, the Bond Registrar or successor Bond Registrar, the Tender Agent or successor Tender Agent, the Borrower, the Bank and the Remarketing Agent. If the City fails to act pursuant to the previous sentence, the Borrower may (to the extent no "Event of Default" shall have occurred and be continuing under the Agreement) appoint a temporary successor Trustee, Bond Registrar or Tender Agent by an instrument in writing signed by an authorized officer of the Borrower, a copy of which shall be delivered personally or sent by first class mail, postage prepaid, to the City, the retiring Trustee, the successor Trustee, the Bond Registrar or successor Bond Registrar, the Tender Agent or successor Tender Agent, the City, the Bank and the Remarketing Agent. If the Registered Owners and the City or Borrower fail to so appoint a successor Trustee, Bond Registrar or Tender Agent hereunder within 45 days after the Trustee, Bond Registrar or Tender Agent has given notice of its resignation, has been removed, has been dissolved, has otherwise become incapable of acting hereunder or has been taken under control by a public officer or receiver, the Trustee, Bond Registrar or Tender Agent shall have the right to petition a court of competent jurisdiction to appoint a successor hereunder. Every such Trustee, Bond Registrar or Tender Agent appointed pursuant to the provisions of this Section 10.8 shall be a trust company or bank with trust powers in good standing in the state of its incorporation and have a reported capital and surplus of not less than \$50,000,000 if there be such an institution willing, qualified and able to accept the trust upon customary terms and applicable law. Notwithstanding any of the provisions of this Article X to the contrary concerning the resignation or removal of the Trustee or the appointment of a successor Trustee, no such resignation, removal or appointment shall be effective until the Bank shall have issued and delivered to the successor Trustee (i) a substitute Letter of Credit in substantially the same form as the existing Letter of Credit, but in favor of the successor Trustee, whereupon the retiring Trustee shall simultaneously return the Letter of Credit then held by it to the Bank for cancellation, or (ii) an amendment to the existing Letter of Credit, evidencing transfer thereof in all respects to the successor Trustee, to the extent permitted by law and by the terms of the Letter of Credit.

Section 10.9. Concerning Any Successor Trustee. Every successor Trustee appointed hereunder shall execute, acknowledge and deliver to its predecessor and also to the City an instrument in writing accepting such appointment hereunder and thereupon such successor, without any further act, deed or conveyance, shall become fully vested with all the estates, properties, rights, powers, trusts, duties and obligations of its predecessor; but such predecessor shall, nevertheless, on the written request of the City, or of its successor, execute and deliver an instrument transferring to such successor all the estates, properties, rights, powers and trusts of such predecessor hereunder, and every predecessor Trustee shall deliver all securities and moneys held by it as Trustee hereunder or thereunder to its successor. Should any instrument in writing from the City be required by any successor Trustee for more fully and certainly vesting in such successor the estate, rights, powers and duties hereby or thereby vested or intended to be vested in the predecessor, any and all such instruments in writing shall, on request, be executed, acknowledged and delivered by the City. The resignation of any Trustee and the instrument or instruments removing any Trustee and appointing a successor hereunder and thereunder, together with all other instruments provided for in this Article X, shall be filed or recorded by the successor Trustee in each recording office where the Indenture shall have been filed or recorded.

Section 10.10. Appointment of Successor Trustee. It is the purpose of this Indenture that there shall be no violation of any law of any jurisdiction (including particularly the law of the State) denying or restricting the right of banking corporations or associations to transact business as Trustee in such jurisdiction. It is recognized that in case of litigation under this Indenture, the Agreement, the Note or the Letter of Credit, and in particular in case of the enforcement of any of them on default, or in case the Trustee deems that by reason of any present or future law of any jurisdiction it may not exercise any of the powers, rights or remedies granted herein or in the Agreement or the Note to the Trustee or hold title to the properties, in trust, as herein granted, or take any other action which may be desirable or necessary in connection therewith, it may be necessary that the Trustee appoint, with the consent of the Borrower (to the extent that no "Event of Default" shall have occurred and be continuing under the Agreement) and the Bank, an additional individual or institution as a separate trustee or co-trustee. The following provisions of this Section 10.10 are adapted to these ends.

If the Trustee appoints an additional individual or institution as a separate trustee or co-trustee, in the event of the incapacity or lack of authority of the Trustee, by reason of any present or future law of any jurisdiction, to exercise any of the rights, powers, trusts and remedies herein granted to the Trustee or to hold title to the Trust Estate or to take any other action which may be necessary or desirable in connection therewith, each and every remedy, power, right, obligation, claim, demand, cause of action, immunity, estate, title, interest and lien expressed or intended by this Indenture to be imposed upon, exercised by or voted in or conveyed to the Trustee with respect thereto shall be imposed upon, exercisable by and vest in such separate trustee or co-trustee, but only to the extent necessary to enable such separate trustee or co-trustee to exercise such powers, rights, trusts and remedies, and every covenant and obligation necessary to the exercise thereof by such separate trustee or co-trustee shall run to and be enforceable by either of them. Such separate trustee or co-trustee shall deliver an instrument in writing acknowledging and accepting its appointment hereunder to the City, the Trustee, the Borrower, the Bank and the Remarketing Agent.

Should any instrument in writing from the City be required by the separate trustee or co-trustee so appointed by the Trustee for more fully and certainly vesting in and confirming to him or it such properties, rights, powers, trusts, duties and obligations, any and all such instruments in writing shall, on request, be executed, acknowledged and delivered by the City. If the City shall fail to deliver the same within 15 days of such request, the Trustee is hereby appointed attorney-in-fact for the City to execute, acknowledge and deliver such instruments in the City's name and stead. In case any separate trustee or co-trustee, or a successor to either, shall die, become incapable of acting, resign or be removed, all the states, properties, rights, powers, trusts, duties and obligations of such separate trustee or co-trustee, so far as permitted by law, shall vest in and be exercised by the Trustee until the appointment of a new trustee or successor to such separate trustee or co-trustee.

Section 10.11. Appointment of a Remarketing Agent. The City and the Borrower shall, with the consent of the Bank, which consent shall not be unreasonably withheld, appoint the Remarketing Agent, subject to the conditions hereinafter set forth, and the Remarketing Agent shall act as the agent of the City in determining the Variable Rate and the Fixed Rate pursuant to Section 2.2 hereof, and shall act as the agent of the Borrower in connection with the remarketing of the Bonds pursuant to Section 4.3 hereof. Merrill Lynch, Pierce, Fenner & Smith Incorporated is hereby appointed the initial Remarketing Agent. The Remarketing Agent shall designate to the Trustee its principal office and signify its acceptance of the duties and obligations imposed upon it hereunder by a written instrument of acceptance delivered to the City, the Borrower, the Trustee and the Bank (which written instrument may be the Remarketing

Agreement), under which the Remarketing Agent will agree to fulfill its duties and obligations set forth in this Indenture and keep such books and records with respect to its duties as Remarketing Agent as shall be consistent with prudent industry practice and to make such books and records available for inspection by the Trustee, the City, the Borrower and the Bank at all reasonable times.

The Remarketing Agent shall be a member of the National Association of Securities Dealers, Inc., or a commercial bank chartered under the laws of the United States of America or any state thereof, having a capitalization of at least \$50,000,000 and authorized by law to perform all the duties imposed upon it by this Indenture. The Remarketing Agent may at any time resign and be discharged of the duties and obligations created by this Indenture by giving at least 60 days' written notice to the City, the Borrower, the Bank and the Trustee. The Remarketing Agent may be removed at any time by the Borrower by an instrument filed with the Remarketing Agent and the Trustee. Upon any such resignation or removal the Borrower shall, with the consent of the Bank (which consent shall not be unreasonably withheld), appoint a successor Remarketing Agent by an instrument filed by the Borrower and the Bank with the City, the Remarketing Agent and the Trustee.

Section 10.12. Bond Registrar, Authenticating Agent, Paying Agent and Tender Agent. The Trustee is hereby appointed as and agrees to act as Bond Registrar, Paying Agent, Authenticating Agent and Tender Agent for and in respect of the Bonds.

Section 10.13. Notices to Rating Agencies. The Trustee shall provide Moody's or S&P, as appropriate, with prompt written notice following the effective date of such event of (i) the appointment of any successor Trustee, Remarketing Agent or Tender Agent, or any agent appointed by the Trustee to perform a material duty, (ii) the delivery of a substitute Letter of Credit, (iii) any material amendments to this Indenture, the Agreement, the Letter of Credit or any other document relating to this transaction to which the Trustee is a party or with respect to which the Trustee has received prior written notice, (iv) the expiration, termination or extension of any Letter of Credit, (v) the conversion of the interest rate borne by the Bonds from the Variable Rate to the Fixed Rate, or (vi) the redemption in whole or the mandatory tender of the Bonds. The Trustee shall not be liable to any party for failing to provide any notice pursuant to this Section 10.13.

ARTICLE XI

SUPPLEMENTAL INDENTURES

Section 11.1. Supplemental Indentures Not Requiring Consent of Bondholders. The City and the Trustee may, without consent of, or notice to, any of the Bondholders enter into an indenture or indentures supplemental to this Indenture for any one or more of the following purposes:

(a) To cure any ambiguity or formal defect or omission in this Indenture or to make any other change, provided that no such action in the judgment of the Trustee is to the prejudice of the Registered Owners;

(b) To grant to or confer upon the Trustee for the benefit of the Bondholders any additional rights, remedies, powers or authority that may lawfully be granted to or conferred upon the Bondholders or the Trustee;

(c) To provide for an Alternate Credit Facility pursuant to Section 5.9(e) of the Agreement and to make any other change necessary to facilitate the provision of the Alternate Credit Facility;

(d) To permit fully registered Bonds to be exchanged for coupon Bonds (which may be registrable as to principal only) upon receipt by the City, the Borrower and the Trustee of an opinion of Bond Counsel to the effect that the exchange of fully registered Bonds for Bonds in coupon form is permitted by applicable law and will not have an adverse effect on the exclusion of the interest on the Bonds from gross income of the owners thereof for purposes of federal income taxation;

(e) To make further provisions for a book-entry system of registration for the Bonds;

(f) To provide for the purchase of Bonds on the open market on behalf of the Borrower from funds derived through drawings under the Letter of Credit, provided that the Borrower provide the Trustee with an opinion of Bond Counsel to the effect that any such amendment is permitted by applicable law and will not have an adverse effect on the exclusion of the interest on the Bonds from gross income of the owners thereof for purposes of federal income taxation and will not have an adverse effect on the security provided to the owners from time to time of the Bonds by this Indenture;

(g) To secure or maintain ratings from the Rating Agencies in both the highest short-term or commercial paper debt Rating Category and also in either of the two highest long-term debt Rating Categories of the applicable Rating Agency or Agencies, which changes will not restrict, limit or reduce the obligation of the Borrower to pay the principal of and premium, if any, and interest on the Bonds or otherwise materially adversely affect the Registered Owners under this Indenture, but only if there shall be supplied to the Borrower, the City, the Bank, the Trustee and the Remarketing Agent an opinion of Bond Counsel stating that the proposed modification or amendment will not adversely affect the exclusion of the interest on the Bonds from gross income of the owners thereof for purposes of federal income taxation; or

(h) To make any other change which in the sole determination of the Trustee does not materially adversely affect the owners; in making such determination the Trustee may rely on the opinion of such counsel as it may select, but only if there shall be supplied to the Borrower, the City, the Bank, the Trustee and the Remarketing Agent an opinion of Bond Counsel stating that the proposed modification or amendment will not adversely affect the exclusion of the interest on the Bonds from gross income of the owners thereof for purposes of federal income taxation.

Upon the execution of such supplemental indenture as in this Section 11.1 permitted and provided, this Indenture shall be deemed to be modified and amended in accordance therewith.

Section 11.2. Supplemental Indentures Requiring Consent of Bondholders. Exclusive of supplemental indentures covered by Section 11.1 hereof and subject to the terms and provisions contained in this Section 11.2, and not otherwise, the owners of not less than a majority in aggregate principal amount of the Bonds then Outstanding shall have the right, from time to time, anything contained in this Indenture to the contrary notwithstanding, to consent to and approve the execution by the City and the Trustee of such other indenture or indentures supplemental hereto as shall be deemed necessary and desirable by the City for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in this Indenture or in any supplemental indenture; provided that nothing in

this Section 11.2 or in Section 11.1 hereof contained shall permit, or be construed as permitting, without the consent of the owners of 100 percent in aggregate principal amount of the Bonds then Outstanding, (a) an extension of the maturity (or mandatory redemption date) of the principal of, premium, if any, or the interest on, any Bond issued hereunder, or (b) a reduction in the principal amount of, or redemption premium on, or the Variable Rate or the Fixed Rate borne by any Bond issued hereunder, except as provided in Section 2.2 hereof, or a change in the method of calculating the Variable Rate or the Fixed Rate, or (c) a change of any date upon which any Bond may be purchased in accordance with the terms thereof and the provisions of Sections 4.1 and 4.2 of this Indenture, or (d) a privilege or priority of any Bond or Bonds over any other Bond or Bonds, or (e) a reduction in the aggregate principal amount of the Bonds required for consent to such supplemental indenture or for consent to any amendment, change or modification to the Agreement as provided in Section 12.2 hereof, or (f) the creation of any lien ranking prior to or on a parity with the lien of this Indenture on the Trust Estate or any part thereof, except as hereinbefore expressly permitted, or (g) the deprivation of the owner of any Bond then outstanding of the lien hereby created on the Trust Estate.

If at any time the City shall request the Trustee to enter into any such supplemental indenture for any of the purposes of this Section 11.2, the Trustee shall, upon being satisfactorily indemnified with respect to expenses, cause notice of the proposed execution of such supplemental indenture to be mailed by first class mail, postage prepaid, to the owner of each Bond then Outstanding as shown by the list of Registered Owners required by the terms of Section 5.8 hereof to be kept at the office of the Trustee. Such notice shall briefly set forth the nature of the proposed supplemental indenture and shall state that copies thereof are on file at the principal corporate trust office of the Trustee for inspection by all Registered Owners. If, within 60 days or such longer period as shall be prescribed by the City following the mailing of such notice, the owners of not less than a majority or 100 percent, as the case may be, in aggregate principal amount of the Bonds then Outstanding shall have consented to and approved the execution thereof as herein provided, no owner of any Bond shall have any right to object to any of the terms and provisions contained therein, or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Trustee or the City from executing the same or from taking any action pursuant to the provisions thereof. Upon the execution of any such supplemental indenture as in this Section 11.2 permitted and provided, this Indenture shall be and be deemed to be modified and amended in accordance therewith.

Section 11.3. Consent of Borrower and Bank. Anything herein to the contrary notwithstanding, a supplemental indenture under this Article XI shall not become effective unless and until the Borrower (to the extent that no "Event of Default" shall have occurred and be continuing under the Agreement) and the Bank (provided that the Bank shall not have failed to honor a properly presented and conforming drawing under the Letter of Credit) shall have consented in writing to the execution and delivery of such supplemental indenture. In this regard, the Trustee shall cause notice of the proposed execution of any such supplemental indenture, together with a copy of the proposed supplemental indenture, to be given by first class mail, postage prepaid, to the Borrower and the Bank at least 15 days prior to the proposed date of execution and delivery of any such supplemental indenture. The Borrower shall be deemed to have consented to the execution and delivery of any such supplemental indenture if the Trustee does not receive a letter of protest or objection thereto signed by or on behalf of the Borrower, as the case may be, on or before 4:30 P.M., local time, at the principal corporate trust office of the Trustee, on the fifteenth day after the mailing of said notice. Prior to the execution of any supplemental indenture which affects the duties of the Bond Registrar hereunder, consent must be obtained from the Bond Registrar.

Section 11.4. *Notices to Remarketing Agent.* The Trustee shall give written notice to the Remarketing Agent at the direction of the Borrower of any supplement or amendment to the Indenture, together with a copy of such supplement or amendment, entered into pursuant to this Article XI; provided, that the Trustee shall not be responsible for or incur any additional liability for failing to give such notice.

ARTICLE XII

AMENDMENT OF AGREEMENT AND NOTE

Section 12.1. *Amendments, Etc., to Agreement and Note Not Requiring Consent of Bondholders.* The City and the Trustee may, without the consent of or notice to the Registered Owners, consent to any amendment, change or modification of the Agreement (including an assignment thereof) and the Exhibits thereto and the Note as may be required (i) by the provisions of the Agreement or this Indenture; (ii) for the purpose of curing any ambiguity or formal defect or omission or in connection with any other change therein, provided, that any such action in the judgment of the Trustee will not materially adversely affect the Registered Owners; (iii) to provide for an Alternate Credit Facility pursuant to Section 5.9(e) of the Agreement and to make any other change necessary to facilitate the provision of the Alternate Credit Facility; (iv) to secure or maintain ratings from the Rating Agencies in both the highest short-term or commercial paper debt Rating Category and also in either of the two highest long-term debt Rating Categories of the applicable Rating Agency or Agencies; (v) to provide for the purchase of Bonds on the open market on behalf of the Borrower from funds derived through drawings under the Letter of Credit; and (vi) to make any other change which in the sole determination of the Trustee does not materially adversely affect the Registered Owners; in making such determination the Trustee may rely on the opinion of such counsel as it may select. With respect to any such amendment the Borrower must provide the Trustee with an opinion of Bond Counsel to the effect that any such amendment is permitted by applicable law and will not have an adverse effect on the exclusion of the interest on the Bonds from gross income of the owners thereof for purposes of federal income taxation.

Section 12.2. *Amendments, Etc., to Agreement and Note Requiring Consent of Bondholders.* Except for the amendments, changes or modifications as provided in Section 12.1 hereof, the City and the Trustee shall not consent to any other amendment, change or modification of the Agreement or the Note without the giving of notice and the written approval or consent of the owners of not less than a majority in aggregate principal amount of the Bonds then Outstanding given as in this Section 12.2; provided that nothing in this Section 12.2 or in Section 12.1 hereof contained shall permit or be construed as permitting, without the consent of the owners of 100 percent in aggregate principal amount of the Bonds then Outstanding, (a) an extension of time for the payment of an amount due pursuant to Section 4.2(a) or 4.2(e) of the Agreement; (b) a reduction in the total amount due pursuant to Section 4.2(a) or 4.2(e) of the Agreement and on the Note; or (c) a reduction in the aggregate principal amount of the Bonds required for consent to such amendment, change or modification of the Agreement and the Note. With respect to any such amendment the Borrower must provide the Trustee with an opinion of Bond Counsel to the effect that any such amendment is permitted by applicable law and will not have an adverse effect on the exclusion of the interest on the Bonds from gross income of the owners thereof for purposes of federal income taxation. If at any time the City and the Borrower shall request the consent of the Trustee to any such proposed amendment, change or modification of the Agreement or the Note, the Trustee shall, upon being satisfactorily indemnified with respect to expenses, cause notice of such proposed amendment, change or modification to be given in the same manner as provided by Section 11.2 hereof with respect to

supplemental indentures. Such notice shall briefly set forth the nature of such proposed amendment; change or modification and shall state that copies of the instrument embodying the same are on file at the principal corporate trust office of the Trustee for inspection by all owners.

Section 12.3. Consent of Bank. Anything herein to the contrary notwithstanding, any amendment, change or modification of the Agreement or the Note under this Article XII shall not become effective unless and until the Bank, provided that the Bank shall not have failed to honor a properly presented and conforming drawing under the Letter of Credit, shall have consented in writing to the execution and delivery of such amendment, change or modification. In this regard, the City shall cause the Trustee to give notice of the proposed execution of any such amendment, change or modification, together with a copy of the proposed amendment, change or modification, to be given by the first class mail, postage prepaid, to the Bank at least 15 days prior to the proposed date of execution and delivery of any such amendment, change or modification.

Section 12.4. Notice to Remarketing Agent. The Trustee shall give written notice to the Remarketing Agent at the direction of the Borrower of any amendment or supplement to the Agreement or the Note, together with a copy of such amendment or supplement, entered into pursuant to this Article XII; provided, that the Trustee shall not be responsible for or incur any additional liability for failing to give such notice.

ARTICLE XIII

AMENDMENT AND SUBSTITUTION OF LETTER OF CREDIT

Section 13.1. Amendment of Letter of Credit. The Trustee may, without the consent of or notice to the owners of the Bonds, consent to any amendment, change or modification of the Letter of Credit or the exhibits thereto as may be required (i) for the purpose of curing any ambiguity or formal defect or omission; (ii) to obtain a credit rating on the Bonds from a Rating Agency; (iii) to effect a transfer thereof to a successor Trustee; (iv) to effect an extension of the terms thereof; (v) to effect a reduction or reinstatement thereof in accordance with its terms; or (vi) in connection with any other change which, in the judgment of the Trustee, does not adversely affect the interests of the owners of the Bonds; provided that the Trustee shall not consent to any other change, modification or amendment to the Letter of Credit without notice to and the written consent or approval of the owners of not less than 100 percent in aggregate principal amount of the Bonds then Outstanding. The Trustee shall give written notice to the Remarketing Agent at the direction of the Borrower of any amendment or supplement to the Letter of Credit, together with a copy of such amendment or supplement, entered into pursuant to this Article XIII; provided that the Trustee shall not be responsible for or incur any additional liability for failing to give such notice. The consent of the City under this Section 13.1 shall not be unreasonably withheld.

Section 13.2. Substitute Letters of Credit. The parties hereto acknowledge that the Borrower may, at its option, deliver substitute Letters of Credit to the Trustee in accordance with the provisions of Section 5.7 of the Agreement. Upon receipt by the Trustee from the Borrower of notice that the Borrower intends to deliver a substitute Letter of Credit, the Trustee shall promptly notify the Bond Registrar thereof; whereupon the Bond Registrar shall give notice of the proposed substitution to the City and the Bondholders, in the same manner provided in Section 4.2 for the giving of notices of mandatory tender, not less than 10 Business Days prior to the expected date of receipt of said substitute Letter of Credit. Such notice shall be prepared by the Trustee and submitted to the Bond Registrar, and shall (i) identify the Bank which is to

issue the substitute Letter of Credit, (ii) describe the term, principal amount and expected date of receipt of the proposed substitute Letter of Credit, and (iii) state that the City's and the Trustee's acceptance of the proposed Letter of Credit will be contingent upon fulfillment of the requirements of Section 5.7(c) of the Agreement.

ARTICLE XIV

MISCELLANEOUS

Section 14.1. Consents, Etc., of Bondholders. Any consent, request, direction, approval, objection or other instrument required by this Indenture to be signed and executed by the owners may be in any number of concurrent documents and may be executed by such owners in person or by agent appointed in writing. Proof of the execution of any such consent, request, direction, approval, objection or other instrument or of the writing appointing any such agent and of the ownership of Bonds, if made in the following manner, shall be sufficient for any of the purposes of this Indenture, and shall be conclusive in favor of the Trustee with regard to any action taken by it under such request or other instrument, namely:

(a) The fact and date of the execution by any person of any such writing may be proved by the certificate of any officer in any jurisdiction who by law has power to take acknowledgment within such jurisdiction that the person signing such writing acknowledged before him the execution thereof, or by an affidavit of any witness to such execution, or in any manner satisfactory to the Trustee.

(b) The fact of ownership of Bonds and the amount or amounts, numbers and other identification of such Bonds, and the date of owning the same shall be proved by the registration books of the City maintained by the Trustee pursuant to Section 2.8 hereof.

In determining whether the owners of the requisite principal amount of Bonds Outstanding have given any request, demand, authorization, direction, notice, consent or waiver under this Indenture, Bonds owned by the Borrower or any person related to the Borrower shall be disregarded and deemed not to be Outstanding under this Indenture, except that in determining whether the Trustee shall be protected in relying upon any such request, demand, authorization, direction, notice, consent or waiver, only Bonds which the Trustee knows to be so owned shall be so disregarded. Notwithstanding the foregoing, Bonds so owned which have been pledged in good faith shall not be disregarded as aforesaid if the pledgee establishes to the satisfaction of the Trustee the pledgee's right so to act with respect to such Bonds and that the pledgee is not the Borrower.

Notwithstanding the foregoing paragraph, Bonds owned by the Borrower or any person related to the Borrower shall be deemed to be Outstanding under the Indenture if all the Bonds Outstanding at the time are owned by the Borrower; provided that in such event the Borrower may not consent to any supplement to this Indenture that would adversely affect the validity of the Bonds or the exclusion of the interest on the Bonds from gross income of the owners thereof for purposes of federal income taxation; and provided further, that if a supplement to this Indenture is executed at a time when the Borrower or any person related to the Borrower are the owners of all the Outstanding Bonds, Bond Counsel shall render an opinion that the execution of the supplement to this Indenture does not have an adverse effect on the validity of the Bonds or the exemption of the interest thereon from gross income of the owners thereof for purposes of federal income taxation.

Section 14.2. Limitation of Rights. With the exception of rights herein expressly conferred, nothing expressed or mentioned in or to be implied from this Indenture or the Bonds is intended or shall be construed to give to any person or borrower other than the parties hereto, the Borrower, the Remarketing Agent, the Bank, the Bond Registrar and the owners of the Bonds, any legal or equitable right, remedy or claim under or with respect to this Indenture or any covenants, conditions and provisions therein contained, this Indenture and all of the covenants, conditions and provisions hereof being intended to be and being for the sole and exclusive benefit of the parties hereto and the Borrower, the Remarketing Agent, the Bank, the Bond Registrar and the owners from time to time of the Bonds as herein provided.

Section 14.3. HUD and GNMA Requirements to Control. Notwithstanding anything in this Indenture to the contrary, the provisions of this Indenture and the Financing Agreement are subject and subordinate to the National Housing Act, all applicable HUD insurance regulations and related administrative requirements and the Mortgage Loan Documents and all applicable GNMA regulations and related administrative requirements; and in the event of any conflict between the provisions of this Indenture or the Loan Agreement and the provisions of the National Housing Act, any applicable HUD regulations, related administrative requirements and the Mortgage Loan Documents, any applicable GNMA regulations and related administrative requirements, the said National Housing Act, HUD regulations, related administrative requirements and Mortgage Loan Documents, and the said GNMA regulations and related administrative requirements shall be controlling in all respects.

Section 14.4. HUD Regulations. Notwithstanding anything in this Indenture to the contrary, the Issuer, its designee or any person shall not and cannot acquire or succeed to the general partner's interest in Borrower or exercise the general partner's rights or powers as the sole general partner of the Borrower unless and until the Issuer, its designee or any Person first complies with all HUD requirements pertaining to transfers of physical assets and has received HUD's written approval. Prior to HUD's determination that the requirements pertaining to a transfer of physical assets have been satisfied, neither the Issuer, its designee nor any Person will assert any claim against the HUD Project (HUD Project No. _____) or interest in the Borrower by reasons of the provisions of this Indenture and/or the Financing Agreement. Except as otherwise set forth herein or in the Financing Agreement, any claims asserted against the HUD Project shall not be a personal liability of the Borrower but shall instead be a limited obligation payable solely from the Borrower's interest in and Surplus Cash revenues derived from the Project Facilities (as defined in the Agreement) and from the payments made by the Bank to the Trustee on behalf of the Borrower under the Letter of Credit.

Section 14.5. Enforcement Not to Affect Mortgage Loan or GNMA Security. Notwithstanding any provision in this Agreement to the contrary, enforcement of this Indenture and the Financing Agreement will not result in any claim under the Mortgage Loan, or claim against the Project, the Mortgage Loan proceeds, any reserve or deposit made with the Mortgagee or another Person required by HUD in connection with the Mortgage Loan, or against the rents or other income from the Project (other than available "Surplus Cash," as defined in the HUD Regulatory Agreement) for payment hereunder.

Section 14.6. Notices. Unless otherwise specifically provided herein, all notices, certificates or other communications shall be sufficiently given and shall be deemed given when the same are (a) deposited in the United States mail and sent by first class mail, postage prepaid, or (b) delivered, in each case, to the parties at the addresses set forth below or at such other address as a party may designate by notice to the other parties:

Section 14.13. Provisions for Payment of Expenses. The City shall not be obligated to execute any documents or take any other action under or pursuant to this Indenture, the Agreement or any other document in connection with the Bonds unless and until provision for the payment of expenses of the City shall have been made. Section 14.15. Third Party Beneficiary. The Trustee and the City acknowledge that so long as the Letter of Credit is in effect or any amount remains payable under the Reimbursement Agreement, the Bank shall be an express third party beneficiary of the provisions of this Indenture, with the power to enforce the same.

(b) The Issuer has issued the Bonds for the purpose of financing a portion of the Project Costs.

(c) To the knowledge of the undersigned representatives of the Issuer, neither the execution and delivery of the Bonds, this Agreement, the Regulatory Agreement or the Indenture, the consummation of the transactions contemplated hereby and thereby, nor the fulfillment of or compliance with the terms, conditions or provisions of the Bonds, this Agreement, the Regulatory Agreement or the Indenture conflict with or result in a material breach of any of the terms, conditions or provisions of any agreement, instrument, judgment, order, or decree to which the Issuer is now a party or by which it is bound, or constitute a material default under any of the foregoing.

Section 2.2. Representations and Warranties of Borrower. The Borrower represents and warrants that:

(a) The Borrower (i) is a limited partnership duly organized and validly existing under the laws of the State, and is qualified to transact business under the laws of the State, and (ii) has the power and authority to carry on its properties and assets, and to carry out its business as now being conducted by it, and as contemplated by this Agreement, the Tax Agreement, the Regulatory Agreement, the Continuing Disclosure Agreement and the Mortgage Loan Documents.

(k) Neither the Borrower nor any "related person" (within the meaning of the Code) will acquire, pursuant to any arrangement, formal or informal, any of the Bonds.

(o) The Indenture has been submitted to the Borrower for its examination, and the Borrower acknowledges, by execution of this Agreement, that it has reviewed and approved the Indenture.

(p) Borrower has not taken, or permitted to be taken on its behalf, and agrees that it will not take, or permit to be taken on its behalf, any action which would adversely affect the exclusion from gross income for federal income tax purposes of the interest paid on the Bonds, and that it will make and take, or require to be made and taken, such acts and filings as may from time to time be required under the Code to maintain the exclusion from gross income for federal income tax purposes of the interest on the Bonds, including maintaining continuous compliance with the requirements of Section 142 of the Code.

(q) If the Borrower becomes aware of any situation, event or condition which would result in the interest of the Bonds becoming includable in gross income for federal income tax purposes, the Borrower shall promptly give written notice thereof to the Issuer and the Trustee.

ARTICLE III BOND PROCEEDS

Section 3.1. Application of Bond Proceeds. In order to enable the Issuer to provide funds to finance the Mortgage Loan made to finance the Project, the Issuer has issued and delivered the Bonds to the purchasers thereof, and has caused to be deposited the net proceeds thereof with the Trustee for application in accordance with the provisions of the Indenture and this Agreement.

Section 3.2. The GNMA Security; Disbursements From the Project Fund.

(a) Initial CLC. The obligation of the Trustee to acquire the Initial CLC on behalf of the Issuer is subject to Section 4.03(b) of the Indenture and receipt on or before the date of acquisition of such Initial CLC by the Trustee of the following documents:

(i) the Initial CLC issued to the Trustee in a principal amount not to exceed amounts available in the Project Fund as of the date of delivery of the CLC, bearing interest at the Pass-Through Rate, maturing on the CLC Maturity Date, and delivered to the Trustee within 30 days of its date of issuance (which shall be the first day of a month);

(ii) a certificate in the form attached hereto as **Exhibit A** executed by an Authorized Borrower Representative certifying, among other things, that 95% of the amount of the CLC represents Qualified Project Costs, that purchase of the CLC is a proper charge against the Project Fund, that the costs incurred by the Borrower are presently due and have not been previously paid or requisitioned;

(iii) a copy of the Application for Insurance of Advances of Mortgage Proceeds pertaining to the Initial Advance, executed by the GNMA Issuer and approved by FHA;

(iv) a GNMA prospectus relating to the GNMA Security;

(v) a copy of the executed and recorded Mortgage certified by the title company;

(vi) a copy of the executed Mortgage Note initially endorsed by FHA evidencing the Mortgage Loan;

(vii) a copy of an ALTA Lender's Policy of title insurance issued with respect to the Project showing the Regulatory Agreement to have a priority immediately subordinate to the Mortgage, HUD Regulatory Agreement and any related UCC Financing Statements and assignment of rents and leases to the GNMA Issuer; and

(viii) the original or certified copy of the executed and recorded Regulatory Agreement.

(b) Subsequent CLCs. After acquisition of the Initial CLC and except for the disbursement relating to the Final Advance, the Trustee shall make periodic advances of moneys available in the Project Fund to the GNMA Issuer, on behalf of the Borrower, to acquire subsequent CLCs, but only in accordance with the conditions of Section 4.03(b)(iii) of the Indenture and the terms and provisions of the Purchase and Sale Agreement and this Agreement.

The obligation of the Trustee to make interim advances to acquire subsequent CLCs is further subject to the timely receipt by the Trustee of all payments due on previously delivered CLCs, and is also subject to the receipt of the following documents, on or before the date any interim advance is made by the Trustee:

(i) a certificate in the form attached hereto as **Exhibit A** executed by an Authorized Borrower Representative certifying, among other things, that 95% of the amount of the CLC to be acquired represents Qualified Project Costs, that purchase of such CLC is a proper charge against the Project Fund, that the costs incurred by the Borrower are presently due and payable and have not been previously paid or requisitioned; and

(ii) the relevant CLC (which shall be delivered simultaneously with such interim advance).

The Trustee shall review each CLC delivered to it in connection with the initial advance and each interim advance to ensure that (i) the amount of such CLC, when added to all previous CLCs issued to the Trustee, does not exceed \$_____, (ii) such CLC bears

interest at the Pass-Through Rate, (iii) such CLC matures on _____ 15, 2014 (unless otherwise extended pursuant to Section 403(c) of the Indenture), and (iv) such CLC is delivered to the Trustee by the last day of the month in which it was issued.

(c) Delivery of PLC. The Trustee shall deliver as requested by the GNMA Issuer its authorization to cancel all CLCs held by it upon issuance by the GNMA Issuer and delivery of the PLC on the PLC Delivery Date and upon receipt by the Trustee of a Schedule of Subscribers and GNMA Guaranty Agreement and written assurance from the GNMA Issuer that it will proceed to submit to GNMA the finally endorsed Mortgage Note; provided, however, that the CLCs shall not be so cancelled if the principal balance of the Mortgage Note as of the PLC Delivery Date is less than the aggregate principal amount of such CLCs unless the GNMA Issuer has paid to the Trustee, as a partial prepayment of such CLCs, an amount equal to the difference between the then current outstanding principal balance of the Mortgage Note as of the PLC Delivery Date and the aggregate principal amount of the CLCs.

The obligation of the Trustee to acquire the PLC is subject to Section 4.03(b)(iv) of the Indenture and receipt of the following documents:

(i) written evidence from the GNMA Issuer that the PLC will be issued to the Trustee in the principal amount equal to the amortized principal amount of the Mortgage Loan with a final maturity date no later than 480 months from the Commencement of Amortization and in no event later than _____ 20, 2053, will be dated no later than the first day of the month in which the CLCs mature and will be delivered no later than the last day of the month in which it is issued and will bear interest at the Pass-Through Rate;

(ii) the final certificate in the form attached hereto as *Exhibit A* executed by an Authorized Borrower Representative certifying, among other things, that at least 95% of the amount of the PLC represents Qualified Project Costs, the principal amount of the PLC in excess of the aggregate principal amount of the CLCs is a proper charge against the Project Fund and that the principal amount of the PLC in excess of the aggregate principal amount of the CLCs represents the payment of an obligation incurred by the Borrower presently due and payable and not previously paid or requisitioned;

(iii) an executed counterpart of the Schedule of Subscribers and GNMA Guaranty Agreement and a certificate of the GNMA Issuer to the effect that (A) such Schedule of Subscribers and GNMA Guaranty Agreement has been duly authorized, executed and delivered by the GNMA Issuer, and constitutes a valid and binding obligation of the GNMA Issuer and GNMA, and (B) the PLC upon its issuance will constitute a valid and binding obligation of GNMA, enforceable in accordance with its terms;

(iv) a copy of the executed and approved Application for Insurance of Advances of Mortgage Proceeds pertaining to such final advance; and

(v) a GNMA prospectus relating to the GNMA Security.

Section 3.3. Payments by Borrower. In addition to all payments required to be made with respect to the Mortgage Note, the Borrower agrees to make the following additional payments, to the extent not paid pursuant to the Mortgage Note:

(a) All taxes and assessments of any type or character charged to the Issuer or to the Trustee affecting the amount available to the Issuer or the Trustee to pay the principal of or interest on the Bonds or in any way arising due to the transactions contemplated hereby (including taxes and assessments assessed or levied by any public agency or governmental issuer of whatsoever character having power to levy taxes or assessments) but excluding franchise taxes based upon the capital and/or income of the Trustee and taxes based upon or measured by the net income of the Trustee; *provided, however,* that the Borrower shall have the right to protest any such taxes or assessments and to require the Issuer or the Trustee, at the Borrower's expense, to protest and contest any such taxes or assessments assessed or levied upon them and that the Borrower shall have the right to withhold payment of any such taxes or assessments pending disposition of any such protest or contest unless such withholding, protest or contest would adversely affect the rights or interests of the Issuer or the Trustee or the respective liens of the Indenture or the Mortgage.

(b) To the extent the amount on deposit in the Bond Fund pursuant to Section 4.04 of the Indenture is insufficient to pay the fees of the Trustee, the dissemination agent under the Continuing Disclosure Agreement or the rebate analyst, the Borrower shall, not later than five days after notification from the Trustee of such deficiency, pay such amount to the Trustee, the dissemination agent or the rebate analyst, as appropriate.

(c) All fees, expenses and responsibilities of the Borrower to the GNMA Issuer, if any, or of either the Borrower or the GNMA Issuer to FHA or GNMA in connection with the Mortgage Loan, which obligations shall be the obligations of the Borrower or the GNMA Issuer, as the case may be, and shall not be the obligations of the Issuer.

(d) All fees and expenses required to obtain an extension of the CLC Maturity Date and the PLC Delivery Date under Section 4.03 of the Indenture, and Borrower agrees to deposit with the Trustee for deposit in the Bond Fund the estimated amount at the time of the request for the extension and the actual required amount of such fees and expenses before the extension is granted.

(e) In the event the Borrower is in default under any provision of this Agreement, the Mortgage Loan Documents (subject to the nonrecourse, notice and cure provisions thereof) or the Regulatory Agreement, to the Issuer, the Trustee and the GNMA Issuer all reasonable fees and disbursements by such persons and their agents (including attorneys' fees and expenses) which are reasonably connected therewith or incidental thereto, except to the extent such fees and disbursements are paid from moneys available therefor under the Indenture.

(f) Upon the written demand of the Trustee, to the Trustee, on behalf of the Issuer, any amount required to be rebated to the United States of America pursuant to Sections 4.07 and 5.06 of the Indenture, to the extent that funds are not available therefor under the Indenture; *provided, however,* that such obligation shall be payable from "Surplus Cash" (as defined in the HUD Regulatory Agreement) and from no other source. If "Surplus Cash" is not available for such purpose, the General Partner shall pay such amounts. The obligation of the General Partner to make such payments shall be a recourse obligation of the General Partner, and no lien or claim shall be made by such General Partner against the revenues and assets of the Project except from "Surplus Cash" to the extent available. The General Partner's obligation to make such payments shall be evidenced by the General Partner's execution and acceptance of this Agreement.

(g) Any amounts required to be paid in connection with the redemption of Bonds pursuant to Section 3.01 of the Indenture.

Section 3.4. Sufficiency of the Project Fund. THE ISSUER DOES NOT MAKE ANY WARRANTY, EITHER EXPRESS OR IMPLIED, THAT THE MONEYS DEPOSITED UNDER THE INDENTURE AND AVAILABLE FOR THE PURPOSES THEREIN SPECIFIED WILL BE SUFFICIENT TO PAY ALL OF THE COST THEREOF. The Borrower agrees that if after disbursement of all the moneys in the Project Fund, the Borrower should pay any cost relating to the Project, the Borrower shall not be entitled to any reimbursement therefor from the Issuer, the Trustee, or the holders of the Bonds, except to the extent the Issuer has agreed in writing.

Section 3.5. Investment of Moneys. Any moneys held as part of the Project Fund, the Bond Fund, the Reserve Fund or the Costs of Issuance Fund under the Indenture shall initially be invested and reinvested by the Trustee in Qualified Investments, as provided in Section 4.08 of the Indenture. The Borrower has reviewed those provisions of the Indenture relating to investment of funds held under the Indenture and the use of such investment earnings, and has directed the initial investment of funds deposited to the Project Fund, the Bond Fund, the Reserve Fund or the Costs of Issuance Fund, and hereby approves of the same. The Issuer, the Trustee and the Borrower jointly and severally covenant (to the extent of their control over such matters) that the use of the proceeds of the Bonds, including any moneys held as part of any fund under the Indenture and any other amounts received by the Issuer in respect to property directly or indirectly financed with the proceeds of the Bonds, and proceeds from interest earned on the investment and reinvestment of such fund and proceeds, shall be invested or otherwise used and shall be restricted in such manner and to such extent, if any, as may be necessary, after taking into account reasonable expectations at the time of issuance of the Bonds, so that the Bonds will not constitute "arbitrage bonds" within the meaning of Section 148 of the Code.

ARTICLE IV ADDITIONAL COVENANTS AND AGREEMENTS

Section 4.1. FHA Regulations Control. Notwithstanding anything in this Agreement to the contrary, the provisions of this Financing Agreement and the Indenture are subject and subordinate to the National Housing Act, all applicable HUD insurance regulations and related administrative requirements and the Mortgage Loan Documents and all applicable GNMA regulations and administrative requirements; and in the event of any conflict between the provisions of this Financing Agreement or the Indenture and the provisions of the National Housing Act, any applicable HUD regulations, related administrative requirements and the Mortgage Loan Documents, any applicable GNMA regulations and related administrative requirements, the said National Housing Act, HUD regulations, related administrative requirements and Mortgage Loan Documents and the said GNMA regulations and related administrative requirements shall be controlling in all respects. In the event that the consent of FHA is required by such rules and regulations in order for the Issuer or the Trustee to exercise any remedy hereunder, such consent shall be obtained prior to the exercise of such remedy.

Section 4.2. inspections. All equipment, buildings, plans, offices, apparatus, devices, books, contracts, records, documents, and other papers relating to the Project shall at all times be maintained in reasonable condition for proper audit, and shall, upon at least 48 hours prior written notice and during regular business hours, be subject to examination and inspection at any reasonable time by the Issuer, the Trustee or their authorized agents.

Section 4.3. Reports and Information. At the request of the Issuer or the Trustee, their agents, employees or attorneys, the Borrower shall furnish to the Issuer and the Trustee, concurrently with delivery to FHA or HUD, copies of any reports and information furnished to FHA or HUD pursuant to the Mortgage Loan Documents. Additionally, the Borrower shall furnish to the Issuer and the Trustee, if so requested, such information as may be reasonably requested in writing from time to time relative to compliance by the Borrower with the provisions of this Agreement and the Regulatory Agreement.

Section 4.4. Assignment. No transfer of title to the Project shall be made unless (1) FHA consents to such transfer, as long as the Mortgage Loan is insured or held by FHA, (2) the GNMA Issuer consents to such transfer, as long as any GNMA Security is outstanding, and (3) the transferee assumes all of the duties of the Borrower under this Agreement, the Continuing Disclosure Agreement, the Regulatory Agreement and the Mortgage Loan Documents, provided that such assumption may contain an exculpation of the assignee from liability with respect to any obligation hereunder except for the General Partner's obligations under Section 3.3(g) hereunder. Upon the assumption of the duties of the Borrower, the Borrower shall be released from all executory obligations so assumed.

Section 4.5. Use of Proceeds. The Borrower shall not take any action or omit to take any action within its control, which action or omission would in any way cause the Trustee to apply the proceeds from the sale of the Bonds in a manner contrary to that provided for in the indenture or the Mortgage Loan Documents.

Section 4.6. Indemnification.

(a) The Borrower hereby assumes liability for and at its expense agrees to indemnify, protect, have and keep harmless, the Issuer and the Trustee, their respective successors, assigns, agents and servants, from and against any and all liabilities, obligations, losses, damages, penalties, claims, actions, suits, costs, expenses and disbursements (including reasonable legal fees and disbursements) of whatsoever kind and nature which arise out of or are based upon the alleged inaccuracy of information furnished to the Issuer or the Trustee by the Borrower for inclusion in the Official Statement relating to the Bonds.

(b) The Borrower will pay, and will protect, indemnify and save the Issuer (including any official, agent, officer, member of the City Council, director or employee thereof and counsel to the Issuer) harmless from and against, any and all liabilities, losses, damages, costs and expenses (including reasonable attorneys' fees and expenses of the Issuer), causes of action, suits, claims, demands and judgments of whatsoever kind and nature (including those arising or resulting from any injury to or death of any person or damage to property) arising out of the following, to the extent permitted by law:

- (i) the design, rehabilitation and installation of the Project;
- (ii) the use of the Project by the Borrower;
- (iii) violation by the Borrower of any agreement, warranty, covenant or condition of this Agreement, the Tax Agreement, the Regulatory Agreement or the Mortgage Loan Documents;
- (iv) violation by the Borrower of any other contract, agreement or restriction relating to the Project; or

(v) violation by the Borrower of any law, ordinance, regulation or court order affecting the Project or the ownership, occupancy or use thereof.

(c) The Borrower will pay, and will protect, indemnify and save the Trustee harmless from and against, any and all liabilities, losses, damages, costs, and expenses (including reasonable attorneys' fees and expenses of the Trustee), causes of action, suits, claims, demands and judgments of whatsoever kind and nature arising out of the violation by the Borrower of any agreement, warranty, covenant or condition of the Regulatory Agreement, except when caused by the Trustee's own negligence or willful misconduct or by the joint negligence or willful misconduct of the Trustee and any other person (other than the Borrower and related entities).

(d) The Issuer or the Trustee, as the case may be, shall notify the Borrower in writing of any claim or action brought against the Issuer or the Trustee, as the case may be, in respect of which indemnity may be sought against the Borrower, setting forth the particulars of such claim or action, and the Borrower will assume the defense thereof, including the employment of counsel, and the payment of all reasonable expenses. The Issuer or the Trustee, as the case may be, may employ separate counsel in any such action and participate in the defense thereof. The fees and expenses of such separate counsel so incurred shall be at the expense of the Borrower without regard to any authorization of such employment by the Borrower.

Section 4.7. Fees. Reference is hereby made to Section 7.07 of the Indenture which sets forth the compensation and reimbursement to which the Trustee is entitled for ordinary fees and expenses. The Borrower agrees to pay, whether out of the proceeds of the Mortgage Loan or other funds, all reasonable fees and expenses of the Trustee (to the extent not paid in accordance with Section 7.07 of the Indenture), the rebate analyst and the dissemination agent (including the reasonable fees and expenses of their counsel) in connection with the issuance of the Bonds and the performance of their duties in connection with the transactions contemplated hereby, including, without limitation, all costs of recording and tiling, to the extent such fees and expenses are not otherwise paid from the Costs of Issuance Fund in accordance with Section 4.06 of the Indenture. All such amounts shall be paid directly to the parties entitled thereto for their own account as and when such amounts become due and payable. The Borrower will also pay any reasonable expenses in connection with any redemption of the Bonds. Specifically, and without limiting the foregoing, the Borrower agrees to pay to the Issuer or to any payee designated by the Issuer, within 30 days after receipt of request for payment thereof, all expenses of the Issuer related to the Project and the financing thereof which are not paid from the funds held under the Indenture, including, without limitation, legal fees and expenses incurred in connection with the interpretation, performance, enforcement or amendment of any documents relating to the Project or the Bonds or in connection with questions or other matters arising under such documents.

The obligations of the Borrower under this Section shall survive the termination of this Agreement and the payment and performance of all of the other obligations of the Borrower hereunder and under the Mortgage Loan Documents, the Tax Agreement and the Regulatory Agreement.

Section 4.8. Establishment of Completion Date. Within 60 days of the Completion Date, the Borrower shall furnish to the Issuer and the Trustee a certificate stating that the Project has been completed.

Section 4.9. Continuing Disclosure. The Borrower hereby covenants and agrees to enter into and comply with the provisions of the Continuing Disclosure Agreement. Notwithstanding any other provision of this Agreement, failure of the Borrower to comply with the Continuing Disclosure Agreement shall not be considered an event of default under this Agreement; however, the Trustee, at the written request of the holders of at least 25% aggregate principal amount of Outstanding Bonds, shall (only to the extent the Trustee has been provided indemnity satisfactory to it from any costs, liabilities or expenses, including reasonable fees and expenses of its attorneys), or any Bondholders may, take such actions as may be necessary and appropriate, including seeking mandamus or specific performance by court order, to cause the Borrower to comply with its obligations pursuant to this Section 4.9.

Section 4.10. Recordation and Filing. The Borrower shall cause financing statements with respect to the Trust Estate described in the Indenture to be at all times filed in such manner and in such places if required by law in order to fully preserve and protect the rights of the Issuer and the Trustee hereunder and to perfect the security interest created by the Indenture in the Trust Estate described herein. To the extent possible under applicable law, as in the effect in the jurisdiction(s) in which the Trust Estate is located, the Borrower will maintain the priority of the security interest herein created in the Trust Estate as a first lien thereon, and warrant, protect, preserve and defend its interest in the Trust Estate and the security interest of the Trustee herein and all rights of the Trustee under the Indenture against all actions proceedings, claims and demands of all Persons. All related expenses shall be paid for by the Borrower except to the extent that the expenses related to actions required to be taken as a result of the negligence or willful misconduct of the Trustee.

Section 4.11. Purchase of Issuer's Bonds. The Borrower agrees that neither it, nor any "related person" (within the meaning of the Code) will acquire, pursuant to any arrangement, formal or informal, any of the Bonds in an amount related to the amount of the Mortgage Loan to be funded by the Issuer for the Borrower.

Section 4.12. Covenants to City. The Borrower covenants to the Issuer as follows:

(a) no member, official or employee of the Issuer shall have any personal interest, direct or indirect, in the Borrower's business or shall participate in any decision relating to the Borrower's business which affects his/her personal interests or the interests of any corporation, partnership or association in which he/she is directly interested;

(b) no former member, official or employee of the Issuer shall, for a period of one year after the termination of the member's, official's or employee's term of office or employment, assist or represent the Borrower in any business transaction involving the Issuer or any of its agencies, if the member, official or employee participated personally and substantially in the subject matter of the transaction during his/her term of office or employment, provided that if the member, official or employee exercised contract management authority with respect to a contract (including any loan from the Issuer), this prohibition shall be permanent as to that contract; and

(c) the Borrower shall comply with Section 2-154-020 of the Municipal Code of Chicago.

ARTICLE V
EVENTS OF DEFAULT; REMEDIES

Section 5.1. Events of Default; Remedies. Upon violation of any of the provisions of this Agreement by the Borrower, the Issuer or the Trustee shall give written notice thereof to the Borrower by messenger, overnight courier or registered or certified mail, postage prepaid, return-receipt requested. If such violation is not corrected or action commenced and diligently pursued to effect such correction to the reasonable satisfaction of the Issuer and the Trustee within 30 days after the date such notice is received by Borrower, or within such further time as the Issuer or the Trustee permits, which permission shall not be unreasonably withheld, without further notice the Issuer or the Trustee may declare a default under this Agreement effective on the date of such declaration of default, and upon such default the Issuer or the Trustee may apply to any state or federal court having jurisdiction for specific performance of this Agreement, for an injunction against any violation of this Agreement, for the appointment of a receiver to take over and operate the Project in accordance with the terms of this Agreement, or for such other relief in law or equity as may be appropriate, since the injury to the Issuer and the Trustee arising from a default under any of the terms of this Agreement would be irreparable, and the amount of damage would be difficult to ascertain; provided, however, that nothing herein is intended to affect or extend any period of time established by the Mortgage or to impose any personal liability upon the Borrower or any of the partners of the Borrower or to constitute a default under the Mortgage Loan Documents, except as provided therein.

The prevailing party in any suit, in law or equity, against the Borrower with respect to any breach of this Agreement shall be entitled to reimbursement from the other party to such suit for all attorneys' fees and disbursements of the prevailing party reasonably connected therewith or incidental thereto except, in the case of fees and disbursements due the Issuer or the Trustee, to the extent such attorneys' fees are paid from moneys available therefor under the Indenture.

Section 5.2. Termination by the Issuer. (a) Pursuant to Section 2-156-030(b) of the Municipal Code of Chicago, it is illegal for any elected official of the Issuer, or any person acting at the direction of such official, to contact, either orally or in writing, any other Issuer official or employee with respect to any matter involving any person with whom the elected official has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship. [Violation of Section 2-156-030(b) by any elected official, or any person acting at the direction of such official, with respect to this Agreement, the Indenture, the Bonds or the "Bond Purchase Agreement" related to the Bonds, or in connection with the transactions contemplated hereby or thereby, shall be grounds for termination of this Agreement, the Bonds and the transactions contemplated hereby and thereby.]

(b) [Failure by the Borrower or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the Issuer as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of this Agreement, the Bonds and the transactions contemplated hereby and thereby.]

(c) [The Issuer shall give written notice thereof to the Trustee and the Borrower of a termination by the Issuer pursuant to (a) or (b) above.]

(h) The estimated cost of acquiring, constructing and equipping the Project, inclusive of financing costs, exceeds \$_____.

(i) Except for Purchased Bonds pursuant to Section 6.9 of the Indenture, neither the Borrower nor any "related person" (within the meaning of the Code) will acquire, pursuant to any arrangement, formal or informal, any of the Bonds.

(j) Until payment in full of all of the Bonds and the Series A Bonds, unless the City shall otherwise consent in writing, it will not incur, create, assume or suffer to exist any mortgage, pledge, security interest, lien, charge or other encumbrance of any nature on the Project Facilities or the Trust Estate (as defined in the Indenture) other than (i) any liens, taxes or other governmental charge which are not yet due and payable, (ii) any pledge of the interests of the partners of the Borrower in connection with either syndication of any federal low income housing tax credits allocated for the Project or the Reimbursement Agreement, (iii) any grants or loans provided through the Affordable Housing Loan, (iv) any lien, including, without limiting the generality of the foregoing, mechanics' liens, or other liens resulting from a good-faith dispute on the part of the Borrower, which dispute the Borrower agrees to resolve diligently, or which liens are insured over by a title insurance company acceptable to the Trustee, (v) any lien or obligations relating to the Letter of Credit or any Alternate Credit Facility, (vi) any mortgage, lien or other encumbrance granted on or prior to the date of issuance of the Bonds to the City or Enterprise Community Investment, Inc. as security for loans, grants, tax increment financing provided or allocated by any such entity to finance a portion of the Costs of the Project including without limitation the HUD/FHA Loan Documents as defined in the HUD Required Provisions Rider, (vii) the extended use agreement required pursuant to Section 42 of the Code in connection with the aforementioned federal low income housing tax credits, and (viii) such other pledges as may be approved in writing by the City.

(k) The Indenture has been submitted to the Borrower for its examination, and the Borrower acknowledges, by execution of this Agreement, that it has approved the Indenture.

(l) The Borrower has not taken, or permitted to be taken on its behalf, and agrees that it will not take, or permit to be taken on its behalf, any action which would adversely affect the exclusion from gross income for federal income tax purposes of the interest paid on the Bonds, and that it will make and take, or require to be made and taken, such acts and tilings as may from time to time be required under the Code to maintain the exclusion from gross income for federal income tax purposes of the interest on the Bonds, including maintaining continuous compliance with the requirements of Section 142 of the Code.

(m) If the Borrower becomes aware of any situation, event or condition which it believes would result in the interest of the Bonds becoming includible in gross income for federal income tax purposes, the Borrower shall promptly give written notice thereof to the City and the Trustee.

ARTICLE III

ACQUISITION, CONSTRUCTION AND EQUIPPING OF THE PROJECT FACILITIES; ISSUANCE OF THE BONDS

Section 3.1 Acquisition, Construction and Equipping of the Project Facilities; Title. The Borrower agrees that it will acquire, construct, rehabilitate and equip or complete the acquisition and equipping of, the Project Facilities; any plans and specitications for any construction, including any and all supplements, amendments and additions (or deletions) thereto (or therefrom), shall be made available to the City and the Trustee on written request.

Except as otherwise disclosed to the Trustee, the Borrower represents and warrants that it has, or simultaneously with the delivery of the Bonds will have, acquired good and marketable interests to the Project Facilities to enable the Borrower to acquire, construct, equip and use the Project Facilities as contemplated by this Agreement.

Section 3.2 Agreement to Issue Bonds; Application of Bond Proceeds. In order to provide funds to finance a portion of the Cost of the Project, as provided in Section 4.1 hereof, the City agrees that it will simultaneously with the execution and delivery hereof issue, sell and cause to be delivered to the purchasers thereof, the Bonds in the aggregate principal amount of \$_____ bearing interest, maturing, subject to prior redemption and subject to transfer, as set forth in the Indenture.

Section 3.3 Disbursements from the Acquisition and Construction Fund. The City authorizes and directs the Trustee, upon compliance with the Indenture, to disburse the moneys in the Acquisition and Construction Fund to or on behalf of the Borrower for the following purposes, in the following order of priority, and, subject to the provisions of Section 3.4 hereof, for no other purposes:

(a) Payment to the Borrower of such amounts, if any, as shall be necessary to reimburse the Borrower in full for all advances and payments made by it at any time after _____, for expenditures in connection with the preparation of plans and specitications for the Project (including any preliminary study or planning of the Project or any aspect thereof) and the acquisition, construction, rehabilitation and equipping of the Project.

(b) Payment or reimbursement for labor, services, materials and supplies used or furnished in the acquisition, construction and equipping of the Project, all as provided in the plans, specifications and work orders therefor, payment or reimbursement for the cost of the acquisition, construction and equipping of utility services or other facilities and the acquisition and installation of all real and personal property deemed necessary in connection with the Project and payment or reimbursement for the miscellaneous capitalized expenditures incidental to any of the foregoing items.

(c) Payment or reimbursement of any legal, financial and accounting fees and expenses, the established administrative fees and expenses of the City, costs of the execution and filing of any instruments and the preparation of all other documents in connection therewith, and payment or reimbursement of all fees, costs and expenses for the preparation of this Agreement, the Note, the Reimbursement Agreement, the Letter of Credit, the Indenture, the Remarketing Agreement and the Bonds.

(d) To the extent not paid by a contractor for construction or installation with respect to any part of the Project, payment or reimbursement of the premiums on all insurance required to be taken out and maintained during the Acquisition and Construction Period, if any.

(e) Payment or reimbursement of the fees, if any, for architectural, engineering, legal, investment banking and supervisory services with respect to the Project.

(f) Payment of the taxes, assessments, interest on the Bonds and other charges, if any, that may become payable during the Acquisition and Construction Period with respect to the Project, or reimbursement thereof if paid by the Borrower.

(g) Payment or reimbursement of expenses incurred in seeking to enforce any remedy against any supplier, conveyor, grantor, contractor or subcontractor in respect of any default under a contract relating to the Project.

(h) Payment of interest on the Bonds during the construction period of the Project (and thereafter with the approving opinion of Bond Counsel) or fees for credit enhancement arrangements applicable to the Bonds to the extent such fees constitute a reasonable charge for the transfer of credit risk.

(i) Payment of any other costs permitted by the Constitution and laws of the State.

All moneys remaining in the Acquisition and Construction Fund after the Completion Date and after payment or provision for payment of all other items provided for in the preceding subsections (a) to (i), inclusive, of this Section 3.3, shall at the direction of the Borrower be used in accordance with Section 3.4 hereof.

Each of the payments referred to in this Section 3.3 shall be made upon receipt by the Trustee of a written requisition (substantially in the form set forth in *Exhibit A* to the Indenture) signed by the Authorized Borrower Representative and approved in writing by the Bank.

Section 3.4 Establishment of Completion Date; Obligation of Borrower to Complete.

The Completion Date shall be evidenced to the Trustee and the Bank by a certificate signed by the Authorized Borrower Representative, stating the Cost of the Project and stating that (a) the Project has been completed substantially in accordance with the plans, specifications and work orders therefor and all labor, services, materials and supplies used in such acquisition, construction and equipping have been paid for, and (b) all other facilities necessary in connection with the Project have been acquired, constructed and equipped in accordance with the plans, specifications and work orders therefor, and all costs and expenses incurred in connection therewith (other than costs and expenses for which the Borrower has withheld payment) have been paid, and (c) the disbursement of amounts from the Acquisition and Construction Fund complied with all representations and covenants of the Borrower pertaining thereto contained in the Borrower's Tax Certificate (the "*Project Certificate*") delivered by the Borrower upon the initial issuance of the Bonds. If the Borrower withholds the payment of any such cost or expense of the Project, the certificate shall state the amount of such withholding and the reason therefor. Notwithstanding the foregoing, such certificate may state that it is given without prejudice to any rights against third parties which exist at the date of such certificate or which may subsequently come into being. It shall be the duty of the Borrower to cause such certificate to be furnished to the City and the Trustee promptly after the Project shall have been completed.

Within 10 days after the delivery by the Authorized Borrower Representative of the certificate evidencing the Completion Date, the Trustee shall retain in the Acquisition and Construction Fund a sum equal to the amounts necessary for payment of Costs of the Project not then due and payable or the liability for which the Borrower is contesting as set forth in said certificate. Any amount not so retained in the Acquisition and Construction Fund for such costs, and all amounts so retained but not subsequently used and for which notice of such failure of use has been given by the Borrower to the Trustee, shall be segregated by the Trustee and used by the Trustee, at the direction of the Authorized Borrower Representative, (a) to redeem Bonds on the earliest redemption date permitted by the Indenture for which no prepayment premium or penalty pertains, or, at the option of the Borrower, at an earlier redemption date (provided that, in neither event shall such amounts be used to pay interest or premium on the Bonds in connection with such redemption), (b) to purchase Bonds on the open market (including Bonds subject to mandatory purchase) prior to such redemption date (provided that, if Bonds are purchased at an amount in excess of the principal amount thereof, the Borrower shall pay such excess out of other funds) for the purpose of cancellation, (c) prepay the Mortgage Loan to the extent required at final endorsement of note related to the HUD loan and then subject to written consent of the Bank and HUD, to repay the City for costs of the Project paid with the proceeds of the Affordable Housing Loan, or (d) subject to the written consent of the Bank, to pay any additional Costs of the Project not provided for by the retention described in the first sentence of this paragraph, provided, in the case of clauses (c) and (d), that the Trustee is furnished with an opinion of Bond Counsel to the effect that such use is lawful under the Constitution and laws of the State and will not adversely affect the exclusion from gross income of interest on any of the Bonds for purposes of federal income taxation. Until used for one or more of the foregoing purposes, such segregated amount may be invested as permitted by Section 3.5 hereof, but may not be invested, without an opinion of Bond Counsel to the effect that such investment will not adversely affect the exclusion from gross income of interest on any of the Bonds for purposes of federal income taxation, to produce a yield on such amount (computed from the Completion Date and taking into account any investment of such amount from the Completion Date) greater than the yield on the Bonds, computed in accordance with applicable provisions of the Code. The City agrees to cooperate with the Trustee and take all

required action necessary to redeem the Bonds or to accomplish any other purpose contemplated by this Section 3.4.

If the moneys in the Acquisition and Construction Fund available for payment of the Cost of the Project are not sufficient to pay the costs thereof in full, the Borrower agrees to pay directly the costs of completing the Project as may be in excess of the moneys available therefor in the Acquisition and Construction Fund. The City does not make any warranty, either express or implied, that the moneys which will be paid into the Acquisition and Construction Fund and which, under the provisions of this Agreement, will be available for payment of a portion of the Cost of the Project, will be sufficient to pay all the costs which will be incurred in that connection. The Borrower agrees that if after exhaustion of the moneys in the Acquisition and Construction Fund the Borrower should pay any portion of the Cost of the Project pursuant to the provisions of this Section 3.4, it shall not be entitled to any reimbursement therefor from the City or from the Trustee, nor shall it be entitled to any diminution of the amounts payable under Section 4.2 hereof or under the Note.

Section 3.5 Investment of Moneys. Any moneys held as part of the Acquisition and Construction Fund shall be invested or reinvested by the Trustee, at the oral (promptly confirmed in writing) or written direction of the Authorized Borrower Representative, as provided in Article VII of the Indenture, in Investment Obligations specified by the Authorized Borrower Representative. Any moneys held as a part of the Bond Fund (including any moneys held for the payment of a particular Bond) shall be invested or reinvested by the Trustee at the written direction of the Authorized Borrower Representative as provided in Article VII of the Indenture, to the extent permitted by law, in Investment Obligations, except to the extent Article VII of the Indenture requires that said moneys be invested or reinvested solely in Governmental Obligations. Any such securities may be purchased at the offering or market price thereof at the time of such purchase. The Trustee may make any and all such investments through its own bond department.

The investments so purchased shall be held by the Trustee and shall be deemed at all times a part of the Acquisition and Construction Fund or the Bond Fund, as the case may be, and the interest accruing thereon and any profit realized therefrom shall be credited to such fund and any net losses resulting from such investment shall be charged to such fund and paid by the Borrower.

Any moneys held as part of the Bond Purchase Fund shall not be invested.

ARTICLE IV

REPAYMENT PROVISIONS

Section 4.1 Bond Proceeds. The City covenants and agrees, upon the terms and conditions of this Agreement, to lend the proceeds received from the sale of the Bonds to the Borrower in order to finance the Cost of the Project. Pursuant to said covenant and agreement, the City will issue the Bonds upon the terms and conditions contained in the Indenture and this Agreement, and will lend the proceeds of the Bonds to the Borrower by causing the Bond proceeds to be applied as provided in Article III hereof. Such proceeds shall be disbursed by the Trustee to or on behalf of the Borrower as provided in Section 3.3 hereof.

Section 4.2 Repayment of the Loan and Payment of Other Amounts Payable. As evidence of obligation to repay the Loan made hereunder by the City, the Borrower will issue its

Note to the Trustee in the principal amount of \$_____. The Note shall be dated the date of issuance and delivery of the Bonds, shall mature on _____, _____, except as the provisions hereinafter set forth with respect to prepayment may become applicable thereto. The Note shall bear interest on the unpaid principal amount thereof from the date of the Note at such rates equal to the interest rates from time to time borne by the Bonds, calculated on the same basis and to be paid at the same times as interest on the Bonds is calculated and paid from time to time. The Note shall be subject to prepayment as herein provided. Payments of the principal of and premium, if any, and interest on the Note shall be made in lawful money of the United States of America in federal or other immediately available funds. The Note shall be in substantially the same form as Exhibit A attached hereto and made a part hereof. The City and the Borrower agree that the Note shall be payable to the Trustee. The Borrower covenants and agrees that the payments of principal of, premium, if any, and interest on the Note shall at all times be sufficient to enable the Trustee to pay when due the principal of, premium, if any, and interest on the Bonds; provided that the Excess Amount (as hereinafter defined) held by the Trustee in the Bond Fund on a payment date shall be credited against the payment due on such date; and provided further, that, subject to the provisions of the immediately following sentence, if at any time the amount held by the Trustee in the Bond Fund should be sufficient (and remain sufficient) to pay on the dates required the principal of, premium, if any, and interest on the Bonds then remaining unpaid, the Borrower shall not be obligated to make any further payments under the provisions of this Section 4.2(a) or on the Note. Notwithstanding the provisions of the preceding sentence, if on any date the Excess Amount held by the Trustee in the Bond Fund is insufficient to make the then required payments of principal (whether at maturity or upon redemption prior to maturity or acceleration), premium, if any, and interest on the Bonds on such date, the Borrower shall forthwith pay such deficiency. The term "Excess Amount" as of any interest payment date shall mean the amount in the Bond Fund on such date in excess of the amount required for the payment of the principal of the Bonds which theretofore has matured at maturity or on a date fixed for redemption and premium, if any, on such Bonds in all cases where Bonds have not been presented for payment and paid, or for the payment of interest which has theretofore come due in all cases where interest checks have not been presented for payment and paid.

If the Borrower shall fail to pay any installment of principal of, premium, if any, or interest on the Note or under this Section 4.2(a), the installment so in default shall continue as an obligation of the Borrower until the amount so in default shall have been fully paid, and the Borrower agrees to pay the same with interest thereon until paid (to the extent legally enforceable) at a rate equal to the rate borne by the Bonds from time to time from the due date thereof until paid.

(a) The Borrower also agrees to pay to the City, its costs, fees and expenses related to this Agreement, the Indenture, the Bonds and the Project at any time while this Agreement is in effect, including the fees and expenses of its counsel.

(b) The Borrower also agrees to pay to the Bond Registrar, the Tender Agent and the Trustee (i) the initial acceptance fee of the Trustee and the costs and expenses, including reasonable attorneys' fees, incurred by the Trustee in entering into and executing the Indenture, and (ii) during the term of this Agreement (A) an amount equal to the annual fee of the Trustee for the ordinary services of the Trustee, as trustee, rendered and ordinary expenses incurred under this Agreement, the Note and the Indenture, including reasonable attorneys' fees, as and when the same become due, (B) the fees, charges and expenses of the Underwriter, the Bond Registrar and the Tender Agent, as and when the same become due, and (C) the fees, charges and expenses of

the Trustee for the necessary extraordinary services rendered by it and extraordinary expenses incurred by it under this Agreement, Note and the Indenture, including reasonable attorneys' fees, as and when the same become due.

(c) If the Bonds bear interest at a Variable Rate, the Borrower also agrees to pay all fees, charges and expenses of the Remarketing Agent, as set forth in the Remarketing Agreement, in carrying out duties and obligations and performing services under and pursuant to the Indenture and the Remarketing Agreement.

(d) In addition to the payments required to be made by the Borrower pursuant to the foregoing subsections of this Section 4.2 and the Note, the Borrower agrees to pay to the Tender Agent amounts sufficient to pay the purchase price of any Bonds to be purchased pursuant to Section 4.1 or Section 4.2 of the Indenture, on the purchase date of such Bonds as set forth in said Section 4.1 or said Section 4.2, as the case may be. All such payments shall be made to the Tender Agent in lawful money of the United States of America in federal or other immediately available funds at the principal corporate trust office of the Tender Agent.

(e) If the Borrower is in default under any provision of this Agreement or the Land Use Restriction Agreement, after giving effect to applicable notice and cure provisions the Borrower also agrees to pay to the City and the Trustee all fees and disbursements by such persons and their agents (including attorneys' fees and expenses) which are connected therewith or incidental thereto, except to the extent such fees and disbursements are paid from moneys available therefor under the Indenture.

(f) Upon the written demand of the Trustee, the Borrower also agrees to pay to the Trustee, on behalf of the City, any amount required to be rebated to the United States of America pursuant to the Tax Agreement, to the extent that funds are not available therefor under the Indenture. If the Borrower does not have funds available for such purpose, the General Partner of the Borrower shall pay such amounts. The obligation of the General Partner to make such payments shall be a personal obligation of the general partner, and no lien or claim shall be made by such General Partner against the revenues and assets of the Project Facilities. The General Partner's obligation to make such payments in its personal capacity shall be evidenced by the General Partner's execution and acceptance of this Agreement.

(g) If the Trustee is authorized and directed to draw moneys under the Letter of Credit in accordance with the provisions of the Indenture to the extent necessary to pay the principal of, premium, if any, and interest on the Bonds if and when due, any moneys derived from a drawing under the Letter of Credit shall constitute a credit against the obligation of the Borrower to make corresponding payments on the Note and under subsections (a) of this Section 4.2. Drawings under the Letter of Credit to pay the purchase price of Bonds when due and remarketing proceeds available for such purpose shall constitute a credit against the obligation of the Borrower to make corresponding payments under subsection (e) of this Section 4.2.

(h) If the date when any of the payments required to be made by this Section 4.2 is not a Business Day, then such payments may be made on the next Business Day with the same force and effect as if made on the nominal due date, and no interest shall accrue for the period after such date.

(i) If the Bonds bear interest at a Variable Rate commencing on the Closing Date, the Borrower shall have, and is hereby granted, the option to elect to convert the interest rate borne by the Bonds to the Fixed Rate pursuant to the provisions of Section 2.2 of the Indenture, subject to the terms and conditions set forth therein.

Section 4.3 No Defense or Set-off; Unconditional Obligation. The obligations of the Borrower to make the payments required in Section 4.2 hereof and pursuant to the Note and to perform and observe the other agreements on its part contained herein shall be absolute and unconditional, irrespective of any defense or any rights of set-off, recoupment or counterclaim the Borrower might otherwise have against the City, the Trustee, the Tender Agent, the Paying Agent, the Bond Registrar, the Remarketing Agent or the Bank. The Borrower shall pay during the term of this Agreement the payments to be made on account of the Loan as prescribed in Section 4.2 hereof and all other payments required hereunder free of any deductions and without abatement, diminution or set-off other than those herein expressly provided. Until such time as the principal of, premium, if any, and interest on the Note and the Bonds shall have been fully paid, or provision for the payment thereof shall have been made in accordance with the Indenture, the Borrower: (i) will not suspend or discontinue any payments provided for in Section 4.2 hereof or the Note; (ii) will perform and observe all of its agreements contained in this Agreement; and (iii) will not terminate this Agreement for any cause, including, without limiting the generality of the foregoing, its failure to complete the Project, the occurrence of any acts or circumstances that may constitute failure of consideration, destruction of or damage to the Project, commercial frustration of purpose, any change in the tax laws of the United States of America or the State or any political subdivision thereof, or any failure of the City, the Trustee or the Bank to perform and observe any agreement, whether express or implied, or any duty, liability or obligation arising out of or connected with this Agreement, except to the extent permitted by this Agreement.

Section 4.4 Assignment and Pledge of Issuer's Rights. As security for the payment of the Bonds, the City will assign and pledge to the Trustee all right, title and interest of the City in and to this Agreement and the Note, including the right to receive payments hereunder and thereunder (except for certain rights reserved under the Indenture), and hereby directs the Borrower to make said payments directly to the Trustee. The Borrower herewith assents to such assignment and pledge and will make payments directly to the Trustee without defense or set-off by reason of any dispute between the Borrower and the City or the Trustee.

ARTICLE V

SPECIAL COVENANTS AND AGREEMENTS

Section 5.1 Issuer's and Trustee's Right of Access to the Project. The Borrower agrees that during the term of this Agreement the City and the Trustee and their duly authorized agents shall have the right during regular business hours, with reasonable notice, to enter upon the Project Facilities and examine and inspect the Project Facilities.

Section 5.2 Release and Indemnification Covenants. The Borrower shall indemnify and hold the City (including any official, agent, officer, director or employee thereof and counsel to the City) harmless against any and all claims asserted by or on behalf of any person, firm, corporation, private or municipal, or other entity arising or resulting from, or in any way connected with (i) the financing, design, construction, installation, operation, use or maintenance of the Project Facilities, (ii) the violation by the Borrower of any agreement, warranty, covenant or condition of this Agreement, the Land Use Restriction Agreement, any

other contract, agreement or restriction relating to the Project, or any law, ordinance, regulation or court order affecting the Project or the ownership, occupancy or use thereof, (iii) any act, including negligent acts, failure to act or misrepresentation by any person, firm, corporation, governmental authority or other entity, including the City, in connection with the issuance, sale or delivery of the Bonds, or (iv) any act, failure to act or unintentional misrepresentation by the City in connection with, or in the performance of any obligation related to the issuance, sale and delivery of the Bonds or under this Agreement or the Indenture, or any other agreement executed by or on behalf of the City, including all liabilities, costs and expenses, including attorneys' fees, incurred in any action or proceeding brought by reason of any such claim. If any action or proceeding is brought against the City by reason of any such claim, such action or proceeding shall be defended against by counsel as the City shall determine, and the Borrower shall indemnify the City for costs of such counsel. The Borrower upon notice from the City shall defend such an action or proceeding on behalf of the City. The Borrower shall also indemnify the City from and against all costs and expenses, including attorneys' fees, lawfully incurred in enforcing any obligation of the Borrower under this Agreement. Notwithstanding the foregoing, nothing contained in this subsection shall be construed to indemnify or release the City from any liability which it would otherwise have had arising from the gross negligence, intentional misrepresentation or willful misconduct on the part of the City, or any official, officers, employees, agents or representatives of the City acting in their capacities other than as contemplated by this Agreement.

(a) The Borrower shall indemnify and hold the Trustee, the Bond Registrar, any person who "controls" the Bond Registrar or the Trustee within the meaning of Section 15 of the Securities Act of 1933, as amended, and any member, officer, director, official and employee of the Underwriter, the Remarketing Agent, the Bond Registrar or the Trustee (collectively called the "Indemnified Parties") harmless from and against, any and all claims, damages, demands, expenses, liabilities and losses of every kind, character and nature asserted by or on behalf of any person arising out of, resulting from, or in any way connected with, the condition, use, possession, conduct, management, planning, design, acquisition, construction, installation, renovation or sale of the Project Facilities or any part thereof. The Borrower also covenants and agrees, at its expense, to pay, and to indemnify and hold the Indemnified Parties harmless of, from and against, all costs, reasonable attorneys' fees, expenses and liabilities incurred in any action or proceeding brought by reason of any such claim or demand. In the event that any action or proceeding is brought against the Indemnified Parties by reason of any such claim or demand, the Indemnified Parties shall immediately notify the Borrower, which shall defend any action or proceeding on behalf of the Indemnified Parties, including the employment of counsel, the payment of all reasonable expenses and the right to negotiate and consent to settlement. Any one or more of the Indemnified Parties shall have the right to employ separate counsel in any such action and to participate in the defense thereof, but the fees and expenses of such counsel shall be at the expense of such Indemnified Parties unless the employment of such counsel has been specifically authorized by the Borrower. If such separate counsel is employed, the Borrower may join in any such suit for the protection of its own interests. The Borrower shall not be liable for any settlement of any such action effected without consent, but if settled with the consent of the Borrower or if there be a final judgment for the plaintiff in any such action, the Borrower agrees to indemnify and hold harmless the Indemnified Parties. Notwithstanding the foregoing, nothing contained in this subsection shall be construed to indemnify or release the Indemnified Parties from any liability which it would otherwise have had arising from the gross negligence, intentional misrepresentation or willful misconduct on the part of any of the Indemnified Parties, or any official, officers,

employees, agents or representatives of the Indemnified Parties acting in their capacities other than as contemplated by this Agreement.

(b) The Borrower shall indemnify and hold each of the Trustee, Bond Registrar, Paying Agent and Tender Agent harmless from and against, any and all claims, damages, demands, expenses, liabilities and losses of every kind, character and nature asserted by or on behalf of any person arising out of, resulting from, or in any way connected with its acceptance or exercise of the powers and duties of such office under the Indenture and, in the case of the Trustee, as the assignee, transferee and pledgee of all right, title and interest of the City in and to this Agreement and sums payable hereunder, which are not due to negligence or willful misconduct of the party seeking indemnification, as well as the reasonable costs and expenses of defending against any claim of liability.

Section 5.3 Records of Borrower. The City and the Trustee shall be permitted, after reasonable notice during regular business hours during the term of this Agreement, to examine the books and records of the Borrower with respect to the Project.

Section 5.4 Tax-Exempt Status. Neither the City nor the Borrower shall cause any proceeds of the Bonds to be expended except pursuant to the Indenture. The Borrower shall not take or omit, or permit to be taken or omitted, any other action with respect to the use of such proceeds the taking or omission of which would result in the loss of exclusion of interest on the Bonds from gross income for purposes of federal income taxation, or take or omit, or permit to be taken or omitted, any other action the taking or omission of which would cause the loss of such exclusion. The Borrower shall comply with all provisions of the Arbitrage Certificate.

Section 5.5 Taxes and Governmental Charges. The Borrower hereby covenants and agrees that it will promptly pay, as the same become due, all lawful taxes, assessments, utility charges and other governmental charges of any kind whatsoever levied or assessed by federal, state or any municipal government upon or with respect to the Project Facilities or any part thereof or any payments under this Agreement and the Note. The Borrower may, at its expense and in its own name and behalf, in good faith contest any such taxes, assessments and other charges and, in the event of any such contest, permit the taxes, assessments or other charges so contested to remain unpaid during the period of such contest and any appeal therefrom, provided that during such period enforcement of any such contested item shall be effectively stayed.

Section 5.6 Maintenance and Repair; Insurance. The Borrower hereby covenants and agrees that it will maintain the Project Facilities in a safe and sound operating condition, making from time to time all needed material repairs thereto, and shall maintain amounts of insurance coverage with respect to the Project Facilities as may be required by the City and/or the Bank, and shall pay all costs of such maintenance, repair and insurance.

Section 5.7 Letter of Credit. (a) On or prior to the issuance, sale and delivery of the Bonds to the purchaser or purchasers thereof pursuant to Section 2.6 of the Indenture, the Borrower hereby covenants and agrees to obtain and deliver to the Trustee the initial, irrevocable, transferable Letter of Credit to be issued by the Bank in favor of the Trustee for the benefit of the owners from time to time of the Bonds in the form of [Appendix B] to the initial Reimbursement Agreement. The initial Letter of Credit shall be dated the date of issuance and delivery of the Bonds; shall expire on _____ unless otherwise extended in accordance with the terms and provisions of subsection (b) below and the Reimbursement Agreement; shall

be in the amount of (i) the aggregate principal amount of the Bonds (A) to enable the Trustee to pay the principal of the Bonds at maturity, upon call for redemption prior to maturity or acceleration, and (B) if the Bonds bear interest at a Variable Rate, to enable the Trustee to pay the portion of purchase price of Bonds tendered or deemed to be tendered to the Trustee for purchase, equal to the aggregate principal amount of such Bonds, plus (ii) an amount equal to the interest to accrue on the Bonds for the number of days specified by the Indenture, (A) to enable the Trustee to pay interest accrued on the Bonds on the dates and in the manner set forth in the Indenture, and (B)) if the Bonds bear interest at a Variable Rate, to enable the Trustee to pay the portion of the purchase price of Bonds tendered or deemed to be tendered to the Trustee for purchase, equal to the accrued interest on such Bonds.

(b) During the Variable Rate Period, except as hereinafter provided, at any time prior to the 35th day prior to the interest payment date on the Bonds immediately preceding the Stated Expiration Date of the Letter of Credit, the Borrower may, at its option, provide for the extension of the term of the Letter of Credit. Any such extension shall be to the 15th day of any calendar month at least one year after the Stated Expiration Date of the existing Letter of Credit. In connection therewith the Borrower shall furnish proof of such extension, in the form of an amendment to the Letter of Credit evidencing such extension, to the Trustee no later than the 35th day prior to the interest payment date on the Bonds immediately preceding the Stated Expiration Date of the Letter of Credit.

(c) [During a Variable Rate Period], subject to the provisions of [Section 2.09] of the initial Reimbursement Agreement and any similar provision of any subsequent Reimbursement Agreement, while a Letter of Credit is in effect, the Borrower may, at its option, deliver to the Trustee a substitute Letter of Credit in substitution for the existing Letter of Credit at any time prior to the 35th day prior to the interest payment date on the Bonds immediately preceding the Stated Expiration Date of the Letter of Credit. The substitute Letter of Credit shall be an irrevocable, direct-pay, transferable letter of credit of a commercial bank in substantially the same form and tenor as the existing Letter of Credit. The stated amount of the substitute Letter of Credit shall equal the then Outstanding principal amount of the Bonds, plus an amount equal to the interest to accrue on the Bonds then Outstanding for a number of days equal to (i) if the Bonds are then in the Variable Rate Period, 35 days, and if the Bonds are then in the Fixed Rate Period, 185 days, plus (ii) if the interest component of the Letter of Credit does not automatically and immediately reinstate after a drawing to pay interest on the Bonds, the sum of (A) six days, plus (B) the maximum number of calendar days the Bank is allowed pursuant to the provisions of such Letter of Credit to reinstate the Letter of Credit after a drawing thereon for interest on the Bonds, at the Cap Rate (or if the Bonds are then in a Fixed Rate Period, at the Fixed Rate). The substitute Letter of Credit shall contain administrative provisions reasonably satisfactory to the Trustee and, if in the Fixed Rate Period, shall expire on the same date as the existing Letter of Credit or on the 15th day of a calendar month no sooner than the Stated Expiration Date of the existing Letter of Credit.

Simultaneously with the delivery of any substitute Letter of Credit to the Trustee, the Borrower must also provide the Trustee with written evidence from the Bank which issued the existing Letter of Credit that the Borrower shall have paid all of its obligations under the Reimbursement Agreement to such Bank (other than any obligations with respect to reimbursement for drawings under the Letter of Credit to purchase Bonds tendered or deemed tendered for purchase pursuant to Section 4.1 or Section 4.2 of the Indenture, which obligations

are not yet due and owing under the Reimbursement Agreement) and shall have paid all other amounts due and owing under the Reimbursement Agreement pursuant to which the existing Letter of Credit was issued (except as aforesaid). Simultaneously with the delivery of such substitute Letter of Credit to the Trustee, the Borrower shall also provide the Trustee with an opinion of Bond Counsel to the effect that such substitute Letter of Credit is authorized under this Agreement, complies with the terms hereof and will not have an adverse effect on the exclusion of the interest on the Bonds from gross income for purposes of federal income taxation. If the Borrower shall fail to furnish to the Trustee written evidence of payment to the Bank as aforesaid together with such opinion of Bond Counsel, the Trustee shall not be deemed to have received the substitute Letter of Credit and shall not surrender the existing Letter of Credit. Upon delivery of a substitute Letter of Credit and the foregoing evidence and opinion, the Trustee is authorized to surrender the existing Letter of Credit and to approve the cancellation of the existing Letter of Credit.

(d) On or after the Conversion Date, the Borrower may, at its option, provide for the delivery to the Trustee of an Alternate Credit Facility to either supplement a Letter of Credit, replace a Letter of Credit or provide credit enhancement if no Letter of Credit is then in effect. An Alternate Credit Facility must be sufficient to cover the full amount of principal and interest on the Bonds (covering at least the amount of interest specified in (c) above). Any Alternate Credit Facility shall be payable to the Trustee for the benefit of the owners of the Bonds and shall have administrative provisions reasonably satisfactory to the Trustee. Simultaneously with the delivery of such an Alternate Credit Facility to the Trustee, the Borrower shall provide the Trustee with (i) an opinion of Bond Counsel to the effect that the delivery of such Alternate Credit Facility is authorized under this Agreement, complies with the terms hereof and will not have an adverse effect on the exclusion of the interest on the Bonds from gross income for purposes of federal income taxation and (ii) if the Alternate Credit Facility is replacing an existing Letter of Credit, written evidence of maintenance of ratings and payment of all obligations owing the existing Bank as provided in subsection (c) above. The Borrower hereby covenants and agrees to give the City, the Trustee, the Bank and the Remarketing Agent written notice of intention to deliver any such Alternate Credit Facility at least 15 Business Days prior to the date on which the Borrower expects to deliver such Alternate Credit Facility.

(e) If the Letter of Credit is set to expire and the Borrower does not intend to deliver a substitute Letter of Credit to the Trustee, the Borrower shall, on or before the 35th day prior to the interest payment date immediately preceding the Stated Expiration Date, give written notice to the City, the Trustee, the Remarketing Agent and the Bank that the Borrower does not intend to deliver such a substitute Letter of Credit to the Trustee prior to the Stated Expiration Date.

Section 5.8. *Environmental Laws.* The Borrower will comply with the requirements of all federal, state and local environmental and health and safety laws, rules, regulations and orders applicable to or pertaining to the Project Facilities.

Section 5.9. *Annual Certificate.* The Borrower will furnish to the City and to the Trustee within 120 days after the close of the Borrower's fiscal year, a certificate of the Borrower signed by the Authorized Borrower Representative stating that the Borrower has made a review of its activities during the preceding fiscal year for the purpose of determining whether or not the Borrower has complied with all of the terms, provisions and conditions of this Agreement and the Land Use Restriction Agreement and the Borrower has kept, observed, performed and fulfilled each and every covenant, provision and condition of this Agreement and the Land Use

Restriction Agreement on its part to be performed and is not in default in the performance or observance of any of the terms, covenants, provisions or conditions hereof, or if the Borrower shall be in default such certificate shall specify all such defaults and the nature thereof. Additionally, the Borrower shall furnish to the City and the Trustee, if so requested, such information as may be reasonably requested in writing from time to time relative to compliance by the Borrower with the provisions of this Agreement and the Land Use Restriction Agreement.

Section 5.10. Borrower to Maintain Its Partnership Existence; Conditions Under Which Exceptions Permitted. The Borrower agrees that during the term of this Agreement and so long as any Bond is Outstanding, it will maintain its existence as an Illinois limited partnership, will not dissolve or otherwise dispose of all or substantially all of its assets, and will not consolidate with or merge into another entity or permit one or more entities to consolidate with or merge into it.

Section 5.11. Continuing Disclosure Undertaking. If the Bonds become subject to the continuing disclosure requirements of Rule 15c2-12 (the "Rule") adopted by the Securities and Exchange Commission under the Securities Exchange Act of 1934, as amended, the Borrower shall comply with all applicable requirements of the Rule, including the execution of a continuing disclosure undertaking required by the Rule.

Section 5.12. Covenants to City. The Borrower covenants to the City as follows:

(a) no member, official or employee of the City shall have any personal interest, direct or indirect, in the Borrower's business or shall participate in any decision relating to the Borrower's business which affects his/her personal interests or the interests of any corporation, partnership or association in which he/she is directly interested;

(b) no former member, official or employee of the City shall, for a period of one year after the termination of the member's, official's or employee's term of office or employment, assist or represent the Borrower in any business transaction involving the City or any of its agencies, if the member, official or employee participated personally and substantially in the subject matter of the transaction during his/her term of office or employment, provided that if the member, official or employee exercised contract management authority with respect to a contract (including any loan from the City), this prohibition shall be permanent as to that contract; and

(c) the Borrower shall comply with Section 2-154-020 of the Municipal Code of Chicago.

ARTICLE VI

EVENTS OF DEFAULT AND REMEDIES

Section 6.1 Events of Default. The occurrence and continuation of any one of the following shall constitute an Event of Default hereunder:

(a) failure by the Borrower to pay any amounts required to be paid as principal, premium, if any, or interest under this Agreement or under the Note, including, without limitation, Section 4.2(a) or 4.2(e) hereof, on the dates and in the manner specified therein or herein; or

(b) failure by the Borrower to observe or perform any covenant, condition or agreement on its part to be observed or performed in this Agreement, other than as referred to in subsection (a) above, for a period of 30 days after written notice, specifying such failure and requesting that it be remedied, is given to the Borrower by the City, the Trustee or the Bank. If a default other than as described in subsection (a) above is not reasonably capable of being cured within 30 days, then the City and the Trustee shall agree in writing to an extension of such time for such period as they determine reasonable prior to expiration provided that the Borrower is diligently pursuing a cure; or

(c) the dissolution or liquidation of the Borrower or the filing by the Borrower of a voluntary petition in bankruptcy, or failure of the Borrower to promptly lift any execution, garnishment or attachment of such consequence as will impair its ability to carry on its obligations hereunder, or an order for relief under Title 11 of the United States Code, as amended from time to time, is entered against the Borrower, or a petition or answer proposing the entry of an order for relief against the Borrower under Title 11 of the United States Code, as amended from time to time, or reorganization, arrangement or debt readjustment under any present or future federal bankruptcy act or any similar federal or state law shall be filed in any court and such petition or answer shall not be discharged within 90 days after the filing thereof, or the Borrower shall fail generally to pay its debts as they become due, or a custodian (including without limitation a receiver, trustee, assignee for the benefit of creditors or liquidator of the Borrower) shall be appointed for or take possession of all or a substantial part of its properties and shall not be discharged within 90 days after such appointment or taking possession, or the Borrower shall consent to or acquiesce in such appointment or taking possession, or assignment by the Borrower for the benefit of its creditors, or the entry by the Borrower into an agreement of composition with its creditors, for its reorganization, arrangement or debt readjustment under any present or future federal bankruptcy act or any similar federal or state laws; or

(d) any warranty, representation or other statement made by or on behalf of the Borrower contained herein, or in any document or certificate furnished by the Borrower in compliance with or in reference hereto, is false or misleading in any material respect; or

(e) an "Event of Default" shall occur and be continuing under the Indenture.

Section 6.2. Remedies on Default. Whenever any Event of Default shall have occurred and be continuing hereunder, the City or the Trustee may take any one or more of the following remedial steps:

(a) The Trustee may exercise any right, power or remedy permitted to it by law as a holder of the Note, and shall have in particular, without limiting the generality of the foregoing, the right to declare the entire principal and all unpaid interest accrued on the Note to the date of such declaration and any premium the Borrower shall have become obligated to pay to be immediately due and payable, if concurrently with or prior to such notice the unpaid principal of and all unpaid accrued interest and premium on the Bonds have been declared to be due and payable under the Indenture, and upon such declaration the Note and the unpaid accrued interest thereon and such premium shall thereupon become forthwith due and payable in an amount sufficient to pay the principal of, premium, if any, and interest on the Bonds under Section 9.2 of the Indenture, without presentment, demand or protest, all of which is hereby expressly

waived. The Borrower shall forthwith pay to the Trustee the entire principal of, premium, if any, and interest accrued on the Note.

(b) The City and the Trustee shall waive, rescind and annul such declaration and the consequences thereof, when any declaration of acceleration on the Bonds has been waived, rescinded and annulled pursuant to and in accordance with Section 9.2 of the Indenture.

(c) The City or the Trustee may take whatever action at law or in equity may appear necessary or desirable to collect the payments and other amounts then due and thereafter to become due or to enforce the performance and observance of any obligation, agreement or covenant of the Borrower under this Agreement.

In case the City or the Trustee shall have proceeded to enforce its rights under this Agreement or the Note, and such proceedings shall have been discontinued or abandoned for any reason or shall have been determined adversely to the City or the Trustee, as the case may be, then and in every such case the Borrower, the City and the Trustee shall be restored respectively to their several positions and rights hereunder and under the Note, and all rights, remedies and powers of the Borrower, the City and the Trustee shall continue as though no such proceeding had been taken.

In case there shall be pending proceedings for the bankruptcy of the Borrower under the federal bankruptcy laws or any other applicable law, or in case a receiver or trustee shall have been appointed for the property of the Borrower, or in the case of any other similar judicial proceedings relative to the Borrower, or to the property of the Borrower, the Trustee shall be entitled and empowered, by intervention in such proceedings or otherwise, to file and prove a claim or claims for the whole amount owing and unpaid pursuant to this Agreement and the Note and, in case of any judicial proceedings, to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee allowed in such judicial proceedings relative to the Borrower, its creditors or its property, and to collect and receive any moneys or other property payable or deliverable on any such claims, and to distribute the same after the deduction of charges and expenses; and any receiver, assignee or trustee in bankruptcy or reorganization is hereby authorized to make such payments to the Trustee, and to pay to the Trustee any amount due it for compensation and expenses, including reasonable attorneys' fees incurred by it up to the date of such distribution.

Section 6.3. Agreement to Pay Attorney's Fees and Expenses. If the City or the Trustee should employ attorneys or incur other expenses for the collection of the payments due under this Agreement or the Note or the enforcement of the performance or observance of any obligation or agreement on the part of the Borrower contained herein, the Borrower agrees that it will on demand therefor pay to the City or the Trustee the fees of such attorneys and such other expenses so incurred by the City or the Trustee.

Section 6.4. No Remedy Exclusive. No remedy herein conferred upon or reserved to the City or the Trustee is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement and the Indenture now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power and accruing upon any Event of Default hereunder shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the City to exercise any remedy reserved to it

in this Article VI, it shall not be necessary to give any notice other than such notice as may be herein expressly required. Such rights and remedies as are given the City hereunder shall also extend to the Trustee, and the Trustee and the owners from time to time of the Bonds shall be deemed third party beneficiaries of all covenants and agreements contained herein.

Section 6.5. No Additional Waiver Implied by One Waiver. If any agreement contained in this Agreement should be breached by the Borrower and thereafter waived by the City or the Trustee, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

Section 6.6. Termination by the City. (a) Pursuant to Section 2-156-030(b) of the Municipal Code of Chicago, it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected official has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship. [Violation of Section 2-156-030(b) by any elected official, or any person acting at the direction of such official, with respect to this Agreement, the Indenture, the Bonds or the "Bond Purchase Agreement" related to the Bonds, or in connection with the transactions contemplated hereby or thereby, shall be grounds for termination of this Agreement, the Bonds and the transactions contemplated hereby and thereby.]

(b) [Failure by the Borrower or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of this Agreement, the Bonds and the transactions contemplated hereby and thereby.]

(d) [The City shall give written notice thereof to the Trustee and the Borrower of a termination by the City pursuant to (a) or (b) above.]

ARTICLE VII

PREPAYMENT OF NOTE

Section 7.1 Obligation to Prepay the Note. Upon the occurrence of a Determination of Taxability the Borrower shall have, and hereby accepts, the obligation to prepay the principal of the Note as a whole, and not in part, on any date within 60 days after the occurrence of a Determination of Taxability, for redemption of the Bonds pursuant to Section 3.1(c) of the Indenture. The amount to be prepaid pursuant to this Section 7.1 in such event shall be 100 percent of the then outstanding principal amount of the Bonds (or [103] percent of the then outstanding principal amount of the Bonds during the Fixed Rate Period) plus accrued interest to the date fixed for redemption.

Section 7.2 General Option to Prepay the Note. The Borrower shall have, and is hereby granted, the option to prepay the principal of the Note as a whole, or in part, by paying to the Trustee an amount sufficient to redeem all or a portion of the Bonds then Outstanding, in the manner, at the redemption prices (including premium, if any), from the sources and on the dates specified in Sections 3.1(a) and 3.1(b) of the Indenture.

Section 7.3 Redemption of the Bonds. To perform an obligation imposed upon the Borrower or to exercise an option granted to the Borrower by this Article VII, the Borrower shall give written notice to the City, the Trustee and the Bank which notice shall specify therein the date upon which prepayment of the Note (or a portion thereof) will be made, which date shall be not less than 35 days from the date the notice is mailed, and shall specify that all of the principal amount of the Note or a specified portion thereof is to be so prepaid. On or before the date such notice is given to the Bank, the Borrower shall obtain the consent of the Bank to such redemption required by Section 7.19(c) of the initial Reimbursement Agreement or any similar provision of any subsequent Reimbursement Agreement. The Trustee shall take all steps (other than the payment of the money required to redeem the Bonds) necessary under the applicable provisions of the Indenture to effect the redemption of the Bonds (or a portion thereof) in amounts equal to the amount of the principal of the Note so prepaid as provided in this Article VII.

No transfer of title to the Project Facilities shall be made unless the transferee assumes all of the duties of the Borrower under this Agreement and the Land Use Restriction Agreement, provided that such assumption may contain an exculpation of the assignee from personal liability with respect to any obligation hereunder. Upon the assumption of the duties of the Borrower, the Borrower shall be released from all executory obligations so assumed.

Section 8.3 Severability. If any provision of this Agreement shall be held or deemed to be or shall, in fact, be illegal, inoperative or unenforceable, the same shall not affect any other provision or provisions herein contained or render the same invalid, inoperative or unenforceable to any extent whatsoever.

Section 8.4 Execution of Counterparts. This Agreement may be simultaneously executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument; provided that for purposes of perfecting a security interest in this Agreement by the Trustee under Article 9 of the Uniform Commercial Code of the State, only the counterpart assigned, pledged and delivered to the Trustee shall be deemed the original.

Section 8.5 Amounts Remaining in Any Fund or With Trustee. It is agreed by the parties hereto that after payment in full of (a) the principal of, premium, if any, and interest on the Bonds, (b) the fees, charges and expenses of the City, the Trustee, the Bond Registrar and the Remarketing Agent in accordance herewith and with the Indenture, the Note and the Remarketing Agreement (the payment of which fees, charges and expenses shall be evidenced by a written certification of the Borrower that it has fully paid all such fees, charges and expenses), (c) all other amounts required to be paid under this Agreement, the Note and the Indenture and (d) any amounts due under the Mortgage Loan concurrently with final endorsement of the Promissory Note evidencing the Mortgage Loan, (e) any amounts due to the City pursuant to the Affordable Housing Loan for the Project and, thereafter, any other amounts

due to the City, including, but not limited to, all taxes, water bills and parking tickets owed to the City, any amounts remaining in any fund or account maintained under this Agreement or the Indenture and not applied to the principal of, premium, if any, and interest on the Bonds shall belong to and be paid to the Borrower by the Trustee; provided that if the Trustee shall have drawn under the Letter of Credit, the Trustee shall request a written statement from the Bank as to whether or not the Bank has been reimbursed by the Borrower for any and all such drawings under the Reimbursement Agreement (other than an obligation for a drawing under the Letter of Credit to purchase Bonds tendered or deemed to be tendered for purchase pursuant to Section 4.1 or Section 4.2 of the Indenture, which obligations are not due and owing under the Reimbursement Agreement and except to the extent any other obligations are disputed in good faith), such amounts remaining in the Bond Fund or the Bond Purchase Fund shall, upon written notice from the Bank that the Borrower has not reimbursed the Bank under the Reimbursement Agreement for any such drawing under the Letter of Credit (which notice shall state the unreimbursed amount), shall be deemed to constitute property of and be paid to the Bank by the Trustee to the extent that the Borrower has not so reimbursed the Bank.

Section 8.6 Amendments, Changes and Modifications. Except as otherwise provided in this Agreement or the Indenture, subsequent to the initial issuance of the Bonds and prior to their payment in full, this Agreement may not be effectively amended, changed, modified, altered or terminated except in the manner provided in the Indenture.

Section 8.7 Governing Law. This Agreement shall be governed exclusively by and construed in accordance with the applicable law of the State.

Section 8.8 Authorized Borrower Representative. Whenever under the provisions of this Agreement the approval of the Borrower is required or the Borrower is required to take some action at the request of the City, the Trustee or the Bank, such approval or such request shall be given for the Borrower by the Authorized Borrower Representative, and the City, the Trustee and the Bank shall be authorized to act on any such approval or request and neither party hereto shall have any complaint against the other or against the Trustee or the Bank as a result of any such action taken.

Section 8.9 Terms of This Agreement. This Agreement shall be in full force and effect from the date hereof, and shall continue in effect until the payment in full of all principal of, premium, if any, and interest on the Bonds, or provision for the payment thereof shall have been made pursuant to Article VIII of the Indenture, all fees, charges and expenses of the City, the Trustee, the Bond Registrar, the Underwriter and the Remarketing Agent have been fully paid or provision made for such payment (the payment of which fees, charges, indemnities and expenses shall be evidenced by a written certification of the Borrower that it has fully paid all such fees, charges, indemnities and expenses) and all other amounts due hereunder and under the Note have been duly paid or provision made for such payment. All representations, certifications and covenants by the Borrower as to the indemnification of various parties as described in Section 5.2 hereof, the payment of fees and expenses of the City as described in Sections 4.2(b) and 6.3 hereof and all matters affecting the tax-exempt status of the interest on Bonds shall survive the termination of this Agreement.

Section 8.10 Binding Effect. This Agreement shall inure to the benefit of and shall be binding upon the City, the Borrower and their respective successors and assigns; subject, however, to the limitations contained in Section 4.4 hereof,

Section 8.11 References to Bank and Letter of Credit. At any time while the Letter of Credit is not in effect and all amounts payable under the Reimbursement Agreement have been paid, all references to the Bank and the Letter of Credit shall be ineffective.

Section 8.12 Limited Liability of City. No covenant, agreement or obligation contained in this Agreement shall be deemed to be a covenant, agreement or obligation of any present or future member, official, officer, employee or agent of the City in his individual capacity, and neither the members, officials, officers, employees and agents of the City nor any officer thereof executing this Agreement shall be liable personally hereon or be subject to any personal liability or accountability by reason of the execution and delivery hereof. No member, official, officer, employee or agent of the City shall incur any personal liability with respect to any other action taken by him pursuant to this Agreement or any of the transactions contemplated hereby provided he does not act in bad faith.

Section 8.13 Rights Under the Indenture. With regard to any default concerning which notice is given to the City, the Borrower, the Bank and the Remarketing Agent under the provisions of Section 9.12 of the Indenture, the City hereby grants the Borrower full authority for the account of the City to perform any covenant or obligation alleged in said notice to constitute a default, in the name and stead of the City with full power to do any and all lawful things and acts to the same extent that the City could do and perform any such things and acts and with power of substitution.

Section 8.14 Limited Liability of Borrower. Except as provided in this Section, neither the Borrower nor any of its general or limited partners or their respective successors and assigns is personally liable for payments on the Note. The obligations of the Borrower contained in this Agreement and in the Note are limited obligations payable solely from the Borrower's interest in and revenues derived from the Project Facilities and from the payments made by the Bank to the Trustee on behalf of the Borrower under the Letter of Credit. Any judgment rendered against the Borrower for damages at law under this Agreement or the Note shall be limited to the Borrower's interest in and the revenues derived from the Project Facilities, and except as otherwise expressly provided herein, no deficiency or other personal judgment, or any order or decree of specific performance or other equitable remedies shall be rendered against the Borrower, its assets (other than its interest in and the revenues derived from the Project Facilities), its general or limited partners, their heirs, personal representatives, successors, transferees or assigns, as the case may be, in any action or proceedings arising out of this Agreement or the Note, or any judgment, order or decree rendered pursuant to any such action or proceedings; provided that the limitations of this Section shall not apply to equitable remedies ordered or decreed to enforce the non-monetary covenants and agreements of this Agreement.

Section 8.15 HUD Rider. The HUD-Required Provisions Rider attached hereto as Exhibit B is hereby incorporated into this Loan Agreement.

The Borrower covenants and agrees that the payments of principal hereof and premium, if any, and interest hereon will be sufficient to enable the Trustee to pay when due the principal of, premium, if any, and interest on the City's Multi-Family Housing Revenue Bonds (Hazel Winthrop Apartments) Series 2011B in the aggregate principal amount of \$_____ (the "Bonds"), issued pursuant to the Trust Indenture dated as of _____ 1, 2011, from the City to the Trustee.

Each payment of principal of, premium, if any, and interest on this Promissory Note shall at all times be sufficient to pay the total amount of principal of (whether at maturity or upon acceleration or prior redemption), premium, if any, and interest on the Bonds on the same date. The total payments to be made by the Borrower hereunder shall be sufficient to pay when due the principal of (whether at maturity or upon acceleration or prior redemption), premium, if any, and interest on the Bonds; provided that the Excess Amount (as hereinafter defined) held by the Trustee in the Bond Fund (as defined in the Agreement) on a payment date shall be credited against the payment due on such date; and provided further, that, subject to the provisions of the immediately following sentence, if at any time the amount held by the Trustee in said Bond Fund should be sufficient (and remain sufficient) to pay at the times required the principal of, interest and premium, if any, on the Bonds then remaining unpaid, the Borrower shall not be obligated to make any further payments under the provisions of the preceding sentence. If on

any day the Excess Amount held by the Trustee in said Bond Fund is insufficient to make the then required payments of principal of (whether at maturity or upon redemption prior to maturity or acceleration), interest and premium, if any, on the Bonds on such date, the Borrower shall forthwith pay such deficiency. The term "Excess Amount" as of any interest payment date shall mean the amount in said Bond Fund on such date in excess of the amount required for payment of the principal of the Bonds which theretofore has matured at maturity or on a date fixed for redemption and premium, if any, on such Bonds in all cases where interest checks have not been presented for payment and paid.

This Promissory Note is entitled to the benefit and is subject to the conditions of the Agreement. The obligations of the Borrower to make the payments required hereunder are absolute and unconditional, without any defense or without right of set-off, counterclaim or recoupment by reason of any default by the City under the Agreement or under any other agreement between the Borrower, the City or the Trustee, or out of any indebtedness or liability at any time owing to the Borrower by the City or the Trustee, or for any other reason.

This Promissory Note is subject to mandatory prepayment as a whole, and optional prepayment as a whole or in part, as provided in Article VII of the Agreement.

In certain events, on the conditions, in the manner and with the effect set out in the Agreement, the principal installments of this Promissory Note may be declared due and payable before the stated maturity thereof, together with accrued interest thereon.

Except as provided in this paragraph, neither the Borrower, any of its general or limited partners or their respective successors and assigns is personally liable for payments under this Note. The obligations of the Borrower contained in this Note are limited obligations payable solely from the Borrower's interest in and revenues derived from the Project Facilities (as defined in the Agreement) and from the payments made by the Bank (as defined in the Agreement) to the Trustee on behalf of the Borrower under the Letter of Credit (as defined in the Agreement). Any judgment rendered against the Borrower for damages at law under this Note shall be limited to the Borrower's interest in and the revenues derived from the Project Facilities, and except as otherwise expressly provided in the Agreement; no deficiency or other personal judgment, or any order or decree of specific performance or other equitable remedies shall be rendered against the Borrower, its assets (other than its interest in and the revenues derived from the Project Facilities), its general or limited partners, their heirs, personal representatives, successors, transferees or assigns, as the case may be, in any action or proceedings arising out of this Note, or any judgment, order or decree rendered pursuant to any such action or proceeding.

Reference is hereby made to the Agreement for a complete statement of the terms and conditions under which the maturity of the principal installments of this Promissory Note may be accelerated.

IN WITNESS WHEREOF, the Borrower has executed and delivered this Promissory Note as of the ____ day of ___, 2011.

Section 13. *Expenses.* The Owner shall pay, or cause to be paid, all of the other costs and expenses in connection with the financing contemplated by this Agreement and the Basic Documents, including, but not limited to: (i) the fees and expenses of Bond Counsel, Corporation Counsel, Counsel to the Underwriters, Counsel to the GNMA Issuer and Counsel to the Owner and the General Partner; (ii) the fees and expenses of the Trustee; (iii) the fees and expenses (including fees advanced by the Representative to DTC, CUSIP, MSRB, SIFMA,

travel, deposits and other expenses) of the Underwriters; (iv) the cost of preparing, printing and electronic posting of the Official Statement; (iv) the cost of printing the Bonds; and (v) bond rating agency fees.

Section 14. *Indemnification.* (a) the Owner agrees to indemnify and hold harmless (i) the Underwriters and each person who controls the Underwriters within the meaning of the Securities Act or the 1934 Act, and (ii) the City and its officers, employees, attorneys and agents as follows:

- (A) against any and all loss, liability, claim, damage and expense whatsoever arising out of any untrue statement or alleged untrue statement of a material fact, or the omission or alleged omission from the Preliminary Official Statement or the Official Statement of a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, unless such untrue statement or omission was made in reliance upon and in conformity with written information furnished to the Owner by the Underwriters or the City expressly for use in the Preliminary Official Statement or the Official Statement (or any amendment or supplement thereto);
- (B) against any and all loss, liability, claim, damage and expense whatsoever to the extent of the aggregate amount paid in settlement of any litigation or investigation or proceeding by any governmental agency or body, commenced or threatened, or of any claim whatsoever based upon any such untrue statement or omission referred to in paragraph (i) above, or any such alleged untrue statement or omission, if such settlement is effected with the written consent of the Owner, but only if such alleged untrue statement or omission was not made in reliance upon and in conformity with written information furnished to the Owner by the Underwriters or the City expressly for use in the Preliminary Official Statement or the Official Statement (or any amendment or supplement thereto); and
- (C) against any and all expense whatsoever (including the fees and disbursements of counsel, subject to the limitation set forth in Subsection (c) of this Section, chosen by the Underwriters, each person who controls the Underwriters or the City, its officers, employees, attorneys and agents as appropriate) reasonably incurred in investigating, preparing or defending against any litigation or investigation or proceeding by any governmental agency or body, commenced or threatened, or any claim whatsoever based upon any such untrue statement or omission referred to in paragraph (i) above, or any such alleged untrue statement or omission, to the extent any such expense is not paid under paragraphs (i) or (ii) above but only if such alleged untrue statement or omission was not made in reliance upon and in conformity with written information furnished to the Owner by the Underwriters or the City expressly for use in the Preliminary Official Statement or the Official Statement (or any amendment or supplement thereto).

(b) The Underwriters agree to indemnify and hold harmless (i) the Owner and each person who controls the Owner within the meaning of the Securities Act or the 1934 Act and (ii) the City and its officers, employees, attorneys and agents against any and all loss, liability, claim, damage and expense with respect to (A) untrue statements or omissions, or alleged untrue statements or omissions, made in the Preliminary Official Statement or the Official Statement (or any amendment or supplement thereto) under the headings "UNDERWRITING" or "RATING" or in reliance upon and in conformity with written information furnished to the

Owner or the City, as the case may be, by the Underwriters expressly for use in the Preliminary Official Statement or the Official Statement (or any amendment or supplement thereto); or (B) any material misstatements or omissions made by any agent, employee or officer of the Underwriters or anyone authorized by the Underwriters to sell the Bonds made in connection with any offer to sell a Bond if such misstatements or omissions arise from providing any information concerning the Bonds to purchasers or potential purchasers of a Bond other than a complete Preliminary Official Statement or complete Official Statement.

(c) Each indemnified party shall give prompt notice to each indemnifying party of any action commenced against it or any claim asserted against it in respect of which indemnity may be sought hereunder but failure to so notify any indemnifying party shall not relieve it from any liability which it may have otherwise than on account of this Section 14 indemnity. An indemnifying party, upon receiving notice of any action or claim for which indemnification is sought by another party hereto, may assume and control the defense thereof with counsel satisfactory to it and the indemnified party; provided, the City must consent in writing to the assumption of its defense by any counsel appointed by the indemnifying party. Following the assumption of the defense of any such action or claim, the indemnifying party shall not be liable for any legal or other expense subsequently incurred by the indemnified party in the defense of such action or claim, except expenses incurred because (i) the indemnifying party shall not have employed counsel to defend such action or claim within a reasonable time after its assumption of the defense thereof, (ii) the indemnified party has been advised by counsel employed by the indemnified party to defend such action or claim that the indemnified party may have available to it one or more defenses to such action or claim that are inconsistent with the defenses available to the indemnifying party or one or more other indemnified parties. An indemnified party may participate in the defense of such action or claim. In no event (other than aforesaid) shall the indemnifying parties be liable for the fees and expenses of more than one counsel for all indemnified parties in connection with any action or separate but similar or related actions in the same jurisdiction arising out of the same general allegations or circumstances unless it is determined that the retention of one counsel would create a conflict between the indemnified parties, in which case additional counsel may be retained by the indemnifying party.

(d) In order to provide for just and equitable contribution as a result of specific circumstances or acts for which both the Owner and the Underwriters are determined to be liable to the City for the indemnity provided for in paragraphs (a) and (b) of this Section, the Owner and the Underwriters shall contribute to the aggregate losses, damages, expenses, liabilities or claims of the nature contemplated by this Section 14 indemnity incurred by the Owner and the Underwriters, in such proportions as determined by a court of competent jurisdiction; provided, however, that no person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. For purposes of this Section, each person who controls the Underwriters, within the meaning of the Securities Act or the 1934 Act, shall have the same rights of contribution as the Underwriters and each person who controls the Owner, within the meaning of the Securities Act or the 1934 Act, shall have the same rights of contribution as the Owner.

(e) The indemnity provided by subsection (a) of this Section shall be in addition to any other liability the Owner may otherwise have hereunder, at common law or otherwise, and is provided solely for the benefit of the Underwriters and the City and their respective successors, assigns, legal representatives or controlling persons and the members, officers, employees and agents thereof, and no other person shall acquire or have any right under or by virtue of such provisions of this Agreement. The indemnity provided by subsection (b) of this

Section shall be in addition to any other liability the Underwriters may otherwise have hereunder, at common law or otherwise, and is provided solely for the benefit of the Owner and its controlling persons and the City, the members, officers, employees, attorneys and agents thereof, and their respective successors, assigns, legal representatives, and no other person shall acquire or have any right under or by virtue of such provisions of this Agreement.

(f) The Owner agrees to reimburse the Underwriters and the City (in connection with its indemnity provided in Subsection (a) hereof) and the Underwriters agree to reimburse the Owner and the City (in connection with its indemnity provided in Subsection (b) hereof) for any expenses (including reasonable fees and expenses of counsel, subject to the limitation set forth in Subsection (c) of this Section) incurred as a result of producing documents, presenting testimony or evidence or preparing to present testimony or evidence (based upon the time expended by the Underwriters, the City and/or the Owner, as the case may be, at their then current time charges), in connection with any court or administrative proceeding (including any investigation which may be preliminary thereto) arising out of or relating to the offer, issuance or sale of the Bonds.

Section 2. Purchase and Sale of the Bonds. Upon the terms and conditions and upon the basis of the representations herein set forth, the Underwriters agree to purchase and the City agrees to sell to the Underwriters \$_____ aggregate principal amount of the Bonds at an aggregate purchase price of \$_____ (representing 100% of the principal amount thereof), payable in federal or other immediately available funds, and the Underwriters will be paid a cash payment of \$_____, to be paid by the Owner in federal or other immediately available funds on the Date of Closing. The Bonds will be issued under and pursuant to, and secured as provided in the Indenture. The Bonds mature on _____, and will initially bear interest at the rate of ____ % per annum.

Section 3. Initial Offering. The Underwriters agree to make an initial offering of all of the Bonds at offering prices which do not exceed (or at the offering yields which are not less than) those set forth on the cover of the Official Statement.

Section 4. Official Statement: End of Underwriting Period.

(a.) As soon as practicable after the date of the Official Statement, but in no event later than seven (7) days after its date, the Borrower will deliver to the Underwriters ten copies

of the Official Statement duly executed and approved by a duly authorized officer of the Borrower.

(b.) The Underwriters agree to comply with all applicable rules and regulations of the Securities and Exchange Commission (the "SEC") and the Municipal Securities Rulemaking Board (the "MSRB") including but not limited to rules G-17, G-19, G-30, and G-32 of the MSRB.

(c.) If on or prior to the Date of Closing (as hereinafter defined) or within twenty-five (25) days after the "end of the underwriting period" (as hereinafter defined) any event known to the City or the Owner relating to or affecting the City, the Owner, the Project, the Ordinance or the Bonds should occur which would cause any statement of a material fact contained in the Official Statement to be materially incorrect or materially incomplete, the City or the Owner, as the case may be, will promptly notify the Underwriters in writing of the circumstances and details of such event. If, as a result of such event, it is necessary, in the joint opinion of the City, the Owner and the Representative to amend or supplement the Official Statement by stating or restating any material fact necessary in order to make the statements made therein, in light of the circumstances under which they were made, not misleading, the Owner will forthwith prepare, execute and furnish to the Representative a reasonable number of copies of an amendment of or a supplement to the Official Statement in form and substance satisfactory to the City, the Owner and the Representative, at the Owner's sole cost and expense, which will amend or supplement the Official Statement so that, as amended or supplemented, the Official Statement will not contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading. For the purposes of this paragraph (a), the City and the Owner will furnish information that the Representative may from time to time reasonably request.

(d.) For purposes of this Bond Purchase Agreement, the term "end of the underwriting period" will be the later of the Date of Closing or the date on which the Underwriters no longer retain an unsold balance of the Bonds for sale to the public. The Underwriters agree that the date on which the end of the underwriting period occurs is the Date of Closing, unless the Underwriters otherwise notifies the City and the Owner in writing prior to 25 days after the Date of Closing that, to the best of its knowledge, the Underwriters retain for sale to the public an unsold balance of the Bonds in which case the end of the underwriting period may be extended for additional periods of 30 days upon receipt of an additional written notification from the Underwriters that, to the best of their knowledge, there exists an unsold balance of the Bonds but in any event no longer than 60 days after the Date of Closing.

(e.) The Representative agrees to (i) file or cause to be filed the Official Statement with a nationally recognized municipal securities information repository within ten (10) days after the date hereof. Promptly after the date after which the Underwriters are no longer obligated under Rule 15c2-12(b)(4) to deliver to potential customers the Official Statement, the Representative will notify the City and Owner of such date.

(f.) By acceptance of this Agreement, the City and the Owner hereby consent to the use by the Underwriters of the statements and information in the Official Statement relating to the City, the Bonds and the Basic Documents and do not object to use by the Underwriters of the Official Statement in connection with the public offering and sale of the Bonds.

Section 5. Closing. The payment for the Bonds (the "Closing") will take place at 10:00 a.m. local time prevailing in Chicago, Illinois, at the offices of Greenberg Traurig, LLP, Bond Counsel, on _____ (the "Date of Closing"), or at such other time or date as the

Representative, the City and the Owner mutually agree upon, at which time the City will have caused the Bonds to be credited to the Representative's account at The Depository Trust Company ("DTC") in New York, New York. The Bonds will be in fully registered form, duly executed and authenticated and in such authorized denominations as the Underwriters specify and will be registered in the name of Cede & Co., as nominee of DTC. The Closing may be extended to such later date as the Underwriters, the City and the Owner mutually agree.

Section 6. Conditions of this Agreement. The Underwriters have entered into this Agreement in reliance upon the performance by the City and the Owner of their respective obligations hereunder, as of the date hereof, and as of the Date of Closing. The obligations of the Underwriters under this Agreement are subject to the following further conditions:

(a) at the time of the Closing, (i) the Closing Documents will be in full force and effect and will not have been amended, modified or supplemented, except as therein permitted and as may have been agreed to in writing by the Representative or as otherwise agreed by the Representative evidenced by their acceptance of their respective Bonds and payment therefor, and (ii) the City will have duly adopted and there will be in full force and effect such ordinances as, in the opinion of Bond Counsel, will be necessary in connection with the transactions contemplated hereby;

- (i) any event occurs, which in the Representative's reasonable judgment, makes untrue any statement of a material fact set forth in the Official Statement or results in an omission to state a material fact necessary to make the statements therein, in light of the circumstances under which they are made, not misleading; or
- (ii) if, prior to the Date of Closing, any of the following events or developments occur:
 - (A) a committee of the House of Representatives or the Senate of the Congress of the United States or a joint or conference committee thereof has pending before it legislation, which legislation, if enacted in its form as introduced or as amended, has the purpose or effect of including in gross income for federal income tax purposes interest received on the Bonds or obligations of the general character of the Bonds, which in the reasonable opinion of the Representative materially adversely affects the market price of the Bonds; (B) a tentative decision with respect to legislation has been reached by a committee of the House of Representatives or the Senate of the Congress of the United States or a joint conference committee thereof, or legislation has been favorably reported by such a committee or be introduced, by amendment or otherwise, in, or be passed by, the House of Representatives or the Senate, or recommended to the Congress of the United States for passage by the President of the United States, or be enacted by the Congress of the United States, or a decision by a Court of the United States of America has been rendered, or a ruling, regulation, or order of the Treasury Department of the United States or the Internal Revenue Service has been made or proposed having the purpose or effect of including in gross income for federal income tax purposes interest received on the Bonds or obligations of the general character of the Bond or the Bonds, or any other event

has occurred, including a press release, publication or other form of notice concerning the proposed legislation by the President of the United States, the Treasury Department of the United States, the Internal Revenue Service, any member of the Congress of the United States, or any committee of either or both Houses of the Congress of the United States or the staff of any such committee, which would result in the inclusion in gross income for federal income tax purposes of interest received on the Bonds or obligations of the general character of the Bonds, which in the reasonable opinion of the Representative materially adversely affects the market price of the Bonds; (C) any legislation, ordinance, rule or regulation has been enacted by any governmental body, department or agency of the State, or a decision by any court of competent jurisdiction within the State has been rendered which in the reasonable opinion of the Representative materially adversely affects the market price of the Bonds; (D) a stop order, ruling, regulation or proposed regulation by, or on behalf of, the Securities and Exchange Commission (the "SEC") or any other governmental agency having jurisdiction over the subject matter has been issued or made to the effect that the issuance, offering or sale of obligations of the general character of the Bonds, or the issuance, offering or sale of the Bonds, as contemplated hereby or by the Official Statement, is in violation or would be in violation of any provision of the federal securities laws, including the Securities Act of 1933, as amended (the "Securities Act"), and as then in effect, and the 1934 Act, as then in effect, or that the Ordinance or the Indenture needs to be qualified under the Trust Indenture Act of 1939, as amended (the "Trust Indenture Act") and as then in effect; (E) legislation has been enacted by the Congress of the United States, or a decision by a court of the United States has been rendered, to the effect that the Bonds or obligations of the general character of the Bonds are not exempt from registration under the requirements of the Securities Act as then in effect, or the 1934 Act, as then in effect, or that the Ordinance or the Indenture is not exempt from qualification under the Trust Indenture Act as then in effect; (F) additional restrictions not in force as of the date hereof have been imposed on trading in securities generally by any governmental authority or by any national securities exchange, which materially adversely affects the market price of the Bonds; (G) a general banking moratorium has been established by federal, Illinois or New York authorities having jurisdiction and is in force; (H) a war involving the United States has been declared, or any conflict involving the armed forces of the United States has escalated, or any other national emergency relating to the effective operation of government or the financial community has occurred, which in the reasonable opinion of the Representative materially adversely affects the market price of the Bonds (it being agreed by the Representative that there is no such conflict, escalation or emergency of such a character as of the date hereof); or (I) there has occurred any event, which in the Representative's reasonable opinion, after consultation with its legal counsel, makes the Official Statement either (a) contain an untrue statement of a material fact or (b) omit to state a material fact required to be stated therein or necessary to make the statements contained therein not misleading in any material respect, and the Owner fails to prepare or furnish or fails to cause to be prepared or furnished to the Underwriters an amendment or supplement to the Official Statement, which will amend or supplement the Official Statement so that, as amended or supplemented, the Official Statement will not contain any untrue statement of a material fact or omit to state a material fact

required to be stated therein or necessary to make the statements contained therein not misleading.

- (c) at or prior to the Closing, the Representative receives the following:

If the City or the Owner is unable to satisfy the conditions to the Underwriters' obligations in this Agreement or if the Underwriters' obligations are terminated for any reason permitted by this Agreement, this Agreement will terminate and neither the Underwriters, the City nor the

(l) (i) no approvals, permits, consents, authorizations, certifications or other orders not already obtained are required to be obtained as of the date hereof by the Owner from any governmental agency, authority, board or commission having jurisdiction which could materially affect (A) the performance by the Owner of its obligations under the Basic Owner Documents or (B) the construction, equipping and operation of the Project; (ii) the financing of the costs of the Project, as contemplated by the Official Statement, is consistent with and does not violate or conflict with the terms of the various consents or approvals of any such agencies or entities; and (iii) the Owner does not have any reason to believe that any additional approvals, licenses or permits necessary for the construction, equipping, occupancy and use of the Project will not be obtained in due course;

(m) all of the representations and warranties of the Owner in the other Basic Owner Documents are true and correct as of this date, as if made on this date;

(n) the Owner will, on the Date of Closing, have good and marketable title to the Project; and

(o) any certificate signed by an authorized officer of the General Partner on behalf of the Owner delivered to the City or the Underwriters are deemed a representation and warranty by the Owner to such parties as to the statements made therein.

Section 9. Representations of the Underwriters. The Representative represents to the City and the Owner that it is duly authorized to act as Representative of the Underwriters and to enter into and perform this Agreement on behalf of the Underwriters, and has full authority to take such action as it may deem advisable with respect to all matters pertaining to this Agreement. Each Underwriter hereby severally represents to the City that the Bonds will be offered and, if issued, sold by the Underwriters in accordance with applicable state and federal securities laws. Each Underwriter hereby severally represents and warrants that: (a) it is a member of the National Association of Securities Dealers, Inc., and is licensed by the Illinois

Department of Securities in the office of the Secretary of State of the State of Illinois as a broker-dealer; (b) it has not given any information or made any representation in connection with the underwriting of the Bonds other than as contained in the Official Statement, including the Appendices thereto; and (c) no person holding an office of the City, either by election or appointment, is in any manner interested, either directly or indirectly, in any contract being entered into or the performance of any work to be carried out in connection with the underwriting of the Bonds and upon which such officer may be called upon to act or vote.

Section 10. Unauthorized Business Relationships. The Underwriters and the Owner acknowledge (A) receipt of a copy of Section 2-156-030(b) of the Municipal Code of Chicago (B) that representatives of the Underwriters and the Owner have read such provision and understand that pursuant to such Section 2-156-030(b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected official has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (C) that a violation of Section 2-156-030(b) by an elected official, or any person acting at the direction of such official with respect to any transaction contemplated hereby will be grounds for termination of this Agreement and the transactions contemplated hereby. The Underwriters and the Owner hereby represent and warrant that, to the best of their knowledge after due inquiry, no violation of Section 2-156-030(b) has occurred with respect to this Agreement or the transactions contemplated hereby.

Section 11. Termination by the Representative. This Agreement may be terminated in writing by the Representative if any of the following occurs: (i) this Agreement has not been accepted by the City and the Owner within the time herein provided; (ii) the Official Statement or any of the Closing Documents have not been delivered, or the Bonds, the Official Statement or any of the Closing Documents have not been executed or a portion of the underwriting fee provided for in Section 2 hereof has not been paid on the Date of Closing; or (iii) any condition set forth in Section 6(b) hereof has occurred and is continuing.

Section 12. Termination by City and Owner. This Agreement may be terminated in writing by the City or the Owner if the Representative fails to accept delivery of the Bonds on the Date of Closing upon tender thereof to the Underwriters by the City, delivery to the Representative of all of the Closing Documents; and tender of payment of the underwriting fee to the Underwriters as provided for in Section 2 hereof.

Section 13. Expenses. The Underwriters will pay their own out-of-pocket expenses. The Owner will pay all of the other costs and expenses in connection with the financing contemplated by this Agreement and the Basic Documents, including, but not limited to: (i) the fees and expenses of Bond Counsel, Corporation Counsel, Counsel to the Underwriters, Counsel to the Bank and Counsel to the Owner and the General Partner; (ii) the fees and expenses of the Trustee; (iii) the cost of duplication and printing of the Official Statement; (iv) the cost of printing the Bonds; (v) fees and expenses of the City and (vi) fees and expenses of the Bank.

Section 14. Indemnification. (a) the Owner agrees to indemnify and hold harmless (i) the Underwriters and each person who controls the Underwriters within the meaning of the Securities Act or the 1934 Act, and (ii) the City and its officers, employees, attorneys and agents as follows:

- (i) against any and all loss, liability, claim, damage and expense whatsoever arising out of any untrue statement or alleged untrue statement of a material fact, or the omission or alleged omission from the Official Statement of a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, unless such untrue statement or omission was made in reliance upon and in conformity with written information furnished to the Owner by the Underwriters or the City expressly for use in the Official Statement (or any amendment or supplement thereto);
- (ii) against any and all loss, liability, claim, damage and expense whatsoever to the extent of the aggregate amount paid in settlement of any litigation or investigation or proceeding by any governmental agency or body, commenced or threatened, or of any claim whatsoever based upon any such untrue statement or omission, or any such alleged untrue statement or omission referred to in paragraph (i) above, if such settlement is effected with the written consent of the Owner, but only if such alleged untrue statement or omission was not made in reliance upon and in conformity with written information furnished to the Owner by the Underwriters or the City expressly for use in the Official Statement (or any amendment or supplement thereto); and
- (iii) against any and all expense whatsoever (including the fees and disbursements of counsel, subject to the limitation set forth in Subsection (c) of this Section, chosen by the Underwriters, each person who controls the Underwriters or the City, their respective officers, employees, attorneys and agents as appropriate) reasonably incurred in investigating, preparing or defending against any litigation or investigation or proceeding by any governmental agency or body, commenced or threatened, or any claim whatsoever based upon any such untrue statement or omission referred to in paragraph (i) above, or any such alleged untrue statement or omission, to the extent any such expense is not paid under paragraphs (i) or (ii) above but only if such alleged untrue statement or omission was not made in reliance upon and in conformity with written information furnished to the Owner by the Underwriters or the City expressly for use in the Official Statement (or any amendment or supplement thereto).

(b) The Underwriters agree to indemnify and hold harmless (i) the Owner and each person who controls the Owner within the meaning of the Securities Act or the 1934 Act and (ii) the City and its officers, employees, attorneys and agents against any and all loss, liability, claim, damage and expense with respect to (x) untrue statements or omissions or alleged untrue statements or omissions, made in the Official Statement (or any amendment or supplement thereto) under the heading "RATING" or in reliance upon and in conformity with written information furnished to the Owner or the City, as the case may be, by the Underwriters expressly for use in the Official Statement (or any amendment or supplement thereto); or (y) any material misstatements or omissions made by any agent, employee or officer of the Underwriters or anyone authorized by the Underwriters to sell the Bonds made in connection with any offer to sell a Bond if such misstatements or omissions arise from providing any information on the Bonds to purchasers or potential purchasers of a Bond other than a complete Official Statement.

(c) Each indemnified party will give prompt notice to each indemnifying party of any action commenced against it or any claim asserted against it in respect of which indemnity may be sought hereunder but failure to so notify any indemnifying party will not relieve it from any liability which it may have otherwise than on account of this indemnity agreement. An indemnifying party, upon receiving notice of any action or claim for which indemnification is sought by another party hereto, may assume and control the defense thereof with counsel satisfactory to it and the indemnified party; provided, the City must consent in writing to the assumption of its defense by any counsel appointed by the indemnifying party. Following the assumption of the defense of any such action or claim, the indemnifying party will not be liable for any legal or other expense subsequently incurred by the indemnified party in the defense of such action or claim, except expenses incurred because (i) the indemnifying party has not employed counsel to defend such action or claim within a reasonable time after its assumption of the defense thereof, (ii) the indemnified party has been advised by counsel employed by the indemnified party to defend such action or claim that the indemnified party may have available to it one or more defenses to such action or claim that are inconsistent with the defenses available to the indemnifying party or one or more other indemnified parties. An indemnified party may participate in the defense of such action or claim. In no event (other than aforesaid) will the indemnifying parties be liable for the fees and expenses of more than one counsel for all indemnified parties in connection with any action or separate but similar or related actions in the same jurisdiction arising out of the same general allegations or circumstances unless it is determined that the retention of one counsel would create a conflict between the indemnified parties, in which case additional counsel may be retained.

(d) In order to provide for just and equitable contribution as a result of specific circumstances or acts for which both the Owner and the Underwriters are determined to be liable to the City for the indemnity provided for in paragraphs (a) and (b) of this Section, the Owner and the Underwriters will contribute to the aggregate losses, damages, expenses, liabilities or claims of the nature contemplated by said indemnity agreement incurred by the Owner and the Underwriters, in such proportions as determined by a court of competent jurisdiction; provided, however, that no person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) is entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. For purposes of this Section, each person who controls the Underwriters, within the meaning of the Securities Act or the 1934 Act, has the same rights of contribution as the Underwriters and each person who controls the Owner within the meaning of the Securities Act or the 1934 Act, has the same rights of contribution as the Owner.

-----------------	--------------

* The projected Equity from the low-income housing tax credits is \$2,888,669 (estimate); of this amount, the Series 2011 Bonds will bridge receipt of \$925,000; as a result, the Equity from Low-Income Housing Tax Credits is listed as \$1,963,669.

** \$1,700,000 at initial closing and \$2,300,000 after initial closing for a total of \$4,000,000

*** Irrevocably available for the Project.

4.02 Developer Funds. Equity and/or Lender Financing may be used to pay any Project cost, including but not limited to Redevelopment Project Costs.

4.03 City Funds.

(a) Uses of City Funds. City Funds may only be used to pay directly or reimburse the Developer for costs of TIF-Funded Improvements that constitute Redevelopment Project Costs. Exhibit C sets forth, by line item, the TIF-Funded Improvements for the Project, and the maximum amount of costs that may be paid by or reimbursed from City Funds for each line item therein (subject to Sections 4.03(b) and 4.05(d)), contingent upon receipt by the City of documentation satisfactory in form and substance to DHED evidencing such cost and its eligibility as a Redevelopment Project Cost.

(b) Sources of City Funds. Subject to the terms and conditions of this Agreement, including but not limited to this Section 4.03 and Section 5 hereof, the City hereby agrees to provide City funds from the sources and in the amounts described directly below (the "City Funds") to pay for or reimburse the Developer for the costs of the TIF-Funded Improvements:

(i) Initial Payment. The City will make an initial payment of (A) Two Million Dollars (\$2,000,000) from Lawrence/Broadway Ported Funds, plus (B) up to an additional Five Hundred Thousand Dollars (\$500,000) from the Wilson Yard TIF Fund, if available (collectively, the "Initial Payment"), to [VOP] on the Closing Date.

4.04 Construction Escrow; Requisition Form. The City and the Developer hereby agree to enter into the Escrow Agreement. All disbursements of Project funds shall be made through the funding of draw requests with respect thereto pursuant to the Escrow Agreement and this Agreement. The City must receive copies of any draw requests and related documents submitted to the Title Company for disbursements under the Escrow Agreement. Notwithstanding any other provision in this Agreement, in the event of a conflict between the provisions in this Agreement governing the disbursement of the City Funds and the provisions in the Escrow Agreement relating to the disbursement of the City Funds and the order of disbursement and conditions to disbursement of the City Funds and all other Lender Financing sources, the terms of the Escrow Agreement shall control.

At Closing, the Developer shall provide DHED with a Requisition Form, along with the documentation described therein. DHED shall retain the right to approve or reject any cost in the Project or in any Requisition Form as (i) a TIF-Funded Improvement or (ii) a part of the actual total Redevelopment Project Costs.

4.05 Treatment of Prior Expenditures and Subsequent Disbursements.

(a) Prior Expenditures. Only those expenditures made by the Developer with respect to the Project prior to the Closing Date, evidenced by documentation satisfactory to DHED and approved by DHED as satisfying costs covered in the Project Budget, shall be considered previously contributed Equity or Lender Financing hereunder (the "Prior Expenditures"). DHED shall have the right, in its sole discretion, to disallow any such expenditure as a Prior Expenditure. Exhibit J hereto sets forth the prior expenditures approved by DHED as of the date hereof as Prior Expenditures. Prior Expenditures made for items other than TIF-Funded Improvements shall not be reimbursed to the Developer, but shall reduce the amount of Equity and/or Lender Financing required to be contributed by the Developer pursuant to Section 4.01 hereof.

(b) Allocation Among Line Items. Disbursements for expenditures related to TIF-Funded Improvements may be allocated to and charged against the appropriate line only, with transfers of

costs and expenses from one line item to another, without the prior written consent of DHED, being prohibited; provided, however, that such transfers among line items, in an amount not to exceed \$50,000 or \$150,000 in the aggregate, may be made without the prior written consent of DHED.

4.06 Cost Overruns. If the aggregate cost of the TIF-Funded Improvements exceeds City Funds available pursuant to Section 4.03 hereof, or if the cost of completing the Project exceeds the Project Budget, the Developer shall be solely responsible for such excess cost, and shall hold the City harmless from any and all costs and expenses of completing the TIF-Funded improvements in excess of City Funds and of completing the Project.

4.07 Conditional Grant. The City Funds being provided hereunder are being granted to Developer on a conditional basis, subject to the Developer's compliance with the provisions of this Agreement. The City Funds are subject to being reimbursed if the Property, or any portion thereof, ceases to be utilized as affordable rental housing as set forth in Section 8.19 hereof within 15 years following the date of the Certificate. Upon fulfillment of the requirements of Section 8.19 for 15 years following the date of the Certificate, the grant of City Funds shall no longer be deemed to be conditional.

SECTION 5. CONDITIONS PRECEDENT

endorsements as shall be required by Corporation Counsel, including but not limited to an owner's comprehensive endorsement and satisfactory endorsements regarding zoning (3.1 with parking), contiguity, location, access and survey. The Developer has provided to DHED, on or prior to the Closing Date, documentation related to the purchase of the Property and certified copies of all easements and encumbrances of record with respect to the Property not addressed, to DHED's satisfaction, by the Title Policy and any endorsements thereto.

5.09 Opinion of the Developer's Counsel. On the Closing Date, the Developer has furnished the City with an opinion of counsel, substantially in the form attached hereto as Exhibit K, with such changes as required by or acceptable to Corporation Counsel. If the Developer has engaged special counsel in connection with the Project, and such special counsel is unwilling or unable to give some of the opinions set forth in Exhibit K hereto, such opinions were obtained by the Developer from its general corporate counsel.

SECTION 6. AGREEMENTS WITH CONTRACTORS

6.01 Bid Requirement for General Contractor and Subcontractors. Prior to entering into an agreement with a General Contractor or any subcontractor for construction of the Project, the Developer shall solicit, or shall cause the General Contractor to solicit, bids from qualified contractors eligible to do business with the City of Chicago, and shall submit all bids received to DHED for its inspection and written approval. For the TIF-Funded Improvements, the Developer shall select the General Contractor (or shall cause the General Contractor to select the subcontractor) submitting the lowest responsible bid who can complete the Project in a timely manner. If the Developer selects a General Contractor (or the General Contractor selects any subcontractor) submitting other than the lowest responsible bid for the TIF-Funded Improvements, the difference between the lowest responsible bid and the bid selected may not be paid out of City Funds. The Developer shall submit copies of the Construction Contract to DHED in accordance with Section 6.02 below. Photocopies of all subcontracts entered or to be entered into in connection with the TIF-Funded Improvements shall be provided to DHED within five (5) business days of the execution thereof. The Developer shall ensure that the General Contractor shall not (and shall cause the General Contractor to ensure that the subcontractors shall not) begin work on the Project until the Plans and Specifications have been approved by DHED and all requisite permits have been obtained.

6.02 Construction Contract. Prior to the execution thereof, the Developer shall deliver to DHED a copy of the proposed Construction Contract with the General Contractor selected to handle the Project in accordance with Section 6.01 above, for DHED's prior written approval, which shall be granted or denied within ten (10) business days after delivery thereof. Within ten (10) business days after execution of such contract by CHP, the General Contractor and any other parties thereto, the Developer shall deliver to DHED and Corporation Counsel a certified copy of such contract together with any modifications, amendments or supplements thereto.

6.03 Performance and Payment Bonds. Prior to the commencement of any portion of the Project which includes work on the public way, the Developer shall require that the General Contractor shall cause to be issued a Performance-Payment Bond Dual Obligatee HUD form, from a

surety acceptable to HUD and in the name of the Developer for the lump sum amount of the [HUD mortgage] and with _____, HUD and Government National Mortgage Association designated as the only dual obligees.

6.04 Employment Opportunity. The Developer shall contractually obligate and cause the General Contractor and each subcontractor to agree to the provisions of Section 10 hereof.

6.05 Other Provisions. In addition to the requirements of this Section 6, the Construction Contract and each contract with any subcontractor shall contain provisions required pursuant to Section 3.04 (Change Orders), Section 8.08 (Prevailing Wage), Section 10.01(e) (Employment Opportunity), Section 10.02 (City Resident Employment Requirement), Section 10.03 (MBE/WBE Requirements, as applicable), Section 12 (Insurance) and Section 14.01 (Books and Records) hereof. SECTION 7. COMPLETION OF CONSTRUCTION OR REHABILITATION

7.01 Certificate of Completion of Construction or Rehabilitation.

(a) Upon completion of the rehabilitation of the Project in accordance with the terms of this Agreement, and after final disbursement from the Escrow, and upon the Developer's written request, DHED shall issue to the Developer a Certificate in recordable form certifying that the Developer has fulfilled its obligation to complete the Project in accordance with the terms of this Agreement.

(b) DHED shall respond to the Developer's written request for a Certificate within forty-five (45) days by issuing either a Certificate or a written statement detailing the ways in which the Project does not conform to this Agreement or has not been satisfactorily completed, and the measures which must be taken by the Developer in order to obtain the Certificate. The Developer may resubmit a written request for a Certificate upon completion of such measures.

(c) Developer acknowledges that the City will not issue a Certificate until the following conditions have been met:

- (i) the Project, including all of the TIF-Funded Improvements, has been substantially completed; and
- (ii) All of the 30 rental units have been leased; and
- (iii) Developer has provided DHED with evidence acceptable to DHED showing that Developer has complied with building permit requirements; and
- (iv) the City's monitoring unit has determined in writing that the Developer is in complete compliance with all requirements of Sections 8.09 and 10.

7.02 Effect of Issuance of Certificate; Continuing Obligations. The Certificate relates only to the rehabilitation of the Project, and upon its issuance, the City will certify that the terms of the Agreement specifically related to the Developer's obligation to complete such activities have been satisfied. After the issuance of a Certificate, however, all executory terms and conditions of

this Agreement and all representations and covenants contained herein will continue to remain in full force and effect throughout the Term of the Agreement as to the parties described in the following paragraph, and the issuance of the Certificate shall not be construed as a waiver by the City of any of its rights and remedies pursuant to such executory terms.

Those covenants specifically described at Sections 8.02, 8.18 and 8.19 as covenants that run with the land are the only covenants in this Agreement intended to be binding upon any transferee of the Property (including an assignee as described in the following sentence) throughout the Term of the Agreement notwithstanding the issuance of a Certificate; provided, that upon the issuance of a Certificate, the covenants set forth in Section 8.02 shall be deemed to have been fulfilled. The other executory terms of this Agreement that remain after the issuance of a Certificate shall be binding only upon the Developer or a permitted assignee of the Developer who, pursuant to Section 18.15 of this Agreement, has contracted to take an assignment of the Developer's rights under this Agreement and assume the Developer's liabilities hereunder.

7.03 Failure to Complete. If the Developer fails to complete the Project in accordance with the terms of this Agreement, then the City has, but shall not be limited to, any of the following rights and remedies:

(a) the right to terminate this Agreement and cease all disbursement of City Funds not yet disbursed pursuant hereto;

(b) the right (but not the obligation) to complete those TIF-Funded Improvements that are public improvements and to pay for the costs of TIF-Funded Improvements (including interest costs) out of City Funds or other City monies. In the event that the aggregate cost of completing the TIF-Funded Improvements exceeds the amount of City Funds available pursuant to Section 4.01, the Developer shall reimburse the City for all reasonable costs and expenses incurred by the City in completing such TIF-Funded Improvements in excess of the available City Funds; and

(c) the right to seek reimbursement of the City Funds from the Developer, provided that the City is entitled to rely on an opinion of counsel that such reimbursement will not jeopardize the tax-exempt status of the TIF Bonds.

7.04 Notice of Expiration of Term of Agreement. Upon the expiration of the Term of the Agreement, DHED shall provide the Developer, at the Developer's written request, with a written notice in recordable form stating that the Term of the Agreement has expired.

SECTION 8. COVENANTS/REPRESENTATIONS/WARRANTIES OF THE DEVELOPER.

8.01 General. The Developer represents, warrants and covenants, as of the date of this Agreement and as of the date of each disbursement of City Funds hereunder, that:

(d) each of CHP, CCDC and VOP has the right, power and authority to enter into, execute, deliver and perform this Agreement;

(e) the execution, delivery and performance by the Developer of this Agreement has been duly authorized by all necessary action, and does not and will not violate (as applicable) its Articles of Incorporation, Articles of Organization, by-laws, operating agreement or partnership agreement as amended and supplemented, any applicable provision of law, or constitute a breach of, default under or require any consent under any agreement, instrument or document to which the Developer is now a party or by which the Developer is now or may become bound;

(f) unless otherwise permitted or not prohibited pursuant to or under the terms of this Agreement, the Developer shall acquire and shall maintain good, indefeasible and merchantable fee simple title to the Property (and all improvements thereon) free and clear of all liens (except for the Permitted Liens, Lender Financing as disclosed in the Project Budget and non-governmental charges that the Developer is contesting in good faith pursuant to Section 8.15 hereof);

(g) the Developer is now and for the Term of the Agreement shall remain solvent and able to pay its debts as they mature;

(h) there are no actions or proceedings by or before any court, governmental commission, board, bureau or any other administrative agency pending, threatened or affecting the Developer which would impair its ability to perform under this Agreement;

(i) the Developer has and shall maintain all government permits, certificates and consents (including, without limitation, appropriate environmental approvals) necessary to conduct its business and to construct, complete and operate the Project;

(j) the Developer is not in default with respect to any indenture, loan agreement, mortgage, deed, note or any other agreement or instrument related to the borrowing of money to which the Developer is a party or by which the Developer is bound;

(k) the Financial Statements are, and when hereafter required to be submitted will be, complete, correct in all material respects and accurately present the assets, liabilities, results of operations and financial condition of the Developer, and there has been no material adverse change in the assets, liabilities, results of operations or financial condition of the Developer since the date of the Developer's most recent Financial Statements;

(l) prior to the issuance of a Certificate, the Developer shall not do any of the following without the prior written consent of DHED: (1) be a party to any merger, liquidation or consolidation; (2) sell, transfer, convey, lease or otherwise dispose of all or substantially all of its assets or any portion of the Property (including but not limited to any fixtures or equipment now or hereafter attached thereto) except in the ordinary course of business; (3) enter into any transaction outside the ordinary course of the Developer's business; (4) assume, guarantee, endorse, or otherwise become liable in connection with the obligations of any other person or entity; or (5) enter into any transaction that would cause a material and detrimental change to the Developer's financial condition;

(m) the Developer has not incurred, and, prior to the issuance of a Certificate, shall not, without the prior written consent of the Commissioner of DHED, allow the existence of any liens against the Property (or improvements thereon) other than the Permitted Liens; or incur any indebtedness, secured or to be secured by the Property (or improvements thereon) or any fixtures now or hereafter attached thereto, except Lender Financing disclosed in the Project Budget;

(n) has not made or caused to be made, directly or indirectly, any payment, gratuity or offer of employment in connection with the Agreement or any contract paid from the City treasury or pursuant to City ordinance, for services to any City agency ("City Contract") as an inducement for the City to enter into the Agreement or any City Contract with the Developer in violation of Chapter 2-156-120 of the Municipal Code of the City; and

(o) neither the Developer nor any affiliate of the Developer is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. For purposes of this subparagraph (m) only, the term "affiliate," when used to indicate a relationship with a specified person or entity, means a person or entity that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with such specified person or entity, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

8.02 Covenant to Redevelop. Upon DHED's approval of the Project Budget, the Scope Drawings and Plans and Specifications as provided in Sections 3.02 and 3.03 hereof, and the Developer's receipt of all required building permits and governmental approvals, the Developer shall redevelop the Property in accordance with this Agreement and all Exhibits attached hereto, the TIF Ordinances, the Scope Drawings, Plans and Specifications, Project Budget and all amendments thereto, and all federal, state and local laws, ordinances, rules, regulations, executive orders and codes applicable to the Project, the Property and/or the Developer. The covenants set forth in this Section shall run with the land and be binding upon any transferee, but shall be deemed satisfied upon issuance by the City of a Certificate with respect thereto.

8.03 Redevelopment Plan. The Developer represents that the Project is and shall be in compliance with all of the terms of the Redevelopment Plan.

8.04 Use of City Funds. City Funds disbursed to the Developer shall be used by the Developer solely to pay for (or to reimburse the Developer for its payment for) the TIF-Funded Improvements as provided in this Agreement.

8.05 Other Bonds. The Developer shall, at the request of the City, agree to any reasonable amendments to this Agreement that are necessary or desirable in order for the City to issue (in its sole discretion) any bonds in connection with the Redevelopment Area, the proceeds of which may be used to reimburse the City for expenditures made in connection with, or provide a source of funds for the payment for, the TIF-Funded Improvements (the "Bonds"); provided, however, that any

such amendments shall not have a material adverse effect on the Developer or the Project. The Developer shall, at the Developer's expense, cooperate and provide reasonable assistance in connection with the marketing of any such Bonds, including but not limited to providing written descriptions of the Project, making representations, providing information regarding its financial condition and assisting the City in preparing an offering statement with respect thereto.

8.06 Employment Opportunity; Progress Reports. The Developer covenants and agrees to abide by, and contractually obligate and use reasonable efforts to cause the General Contractor and each subcontractor to abide by the terms set forth in Section 10 hereof. The Developer shall deliver to the City written progress reports detailing compliance with the requirements of Sections 8.08, 10.02 and 10.03 of this Agreement. Such reports shall be delivered to the City quarterly during the Term. If any such reports indicate a shortfall in compliance, the Developer shall also deliver a plan to DHED which shall outline, to DHED's satisfaction, the manner in which the Developer shall correct any shortfall.

8.07 Employment Profile. The Developer shall submit, and contractually obligate and cause the General Contractor or any subcontractor to submit, to DHED, from time to time, statements of its employment profile upon DHED's request.

8.08 Prevailing Wage. On account of HUD's senior loan to Developer, the Project is subject to the requirements of the Davis-Bacon Act, 40 U.S.C. Section 276a et seq. Accordingly, pursuant to 820 ILCS 130/11, Section 11 of the Illinois Prevailing Wage Act (820 ILCS 130/0/01 et seq.), the requirements of Illinois Prevailing Wage Act shall not apply to the Project.

8.09 Arms-Length Transactions. Unless DHED has given its prior written consent with respect thereto, no Affiliate of the Developer may receive any portion of City Funds, directly or indirectly, in payment for work done, services provided or materials supplied in connection with any TIF-Funded Improvement. The Developer shall provide information with respect to any entity to receive City Funds directly or indirectly (whether through payment to the Affiliate by the Developer and reimbursement to the Developer for such costs using City Funds, or otherwise), upon DHED's request, prior to any such disbursement.

8.10 Conflict of Interest. Pursuant to Section 5/11-74.4-4(n) of the Act, the Developer represents, warrants and covenants that, to the best of its knowledge, no member, official, or employee of the City, or of any commission or committee exercising authority over the Project, the Redevelopment Area or the Redevelopment Plan, or any consultant hired by the City or the Developer with respect thereto, owns or controls, has owned or controlled or will own or control any interest, and no such person shall represent any person, as agent or otherwise, who owns or controls, has owned or controlled, or will own or control any interest, direct or indirect, in the Developer's business, the Property or any other property in the Redevelopment Area.

8.11 Disclosure of Interest. The Developer's counsel has no direct or indirect financial ownership interest in the Developer, the Property or any other aspect of the Project.

8.12 Financial Statements. The Developer shall obtain and provide to DHED Financial Statements for the Developer's fiscal year ended December 31, 2005 and each year thereafter for the Term of the Agreement. In addition, the Developer shall submit unaudited financial statements as soon as reasonably practical following the close of each fiscal year and for such other periods as DHED may request.

8.13 Insurance. The Developer, at its own expense, shall comply with all provisions of Section 12 hereof.

8.14 Non-Governmental Charges. (a) Payment of Non-Governmental Charges. Except for the Permitted Liens, the Developer agrees to pay or cause to be paid when due any Non-Governmental Charge assessed or imposed upon the Project, the Property or any fixtures that are or may become attached thereto, which creates, may create, or appears to create a lien upon all or any portion of the Property or Project; provided however, that if such Non-Governmental Charge may be paid in installments, the Developer may pay the same together with any accrued interest thereon in installments as they become due and before any time, penalty, interest, or cost may be added thereto for nonpayment. The Developer shall furnish to DHED, within thirty (30) days of DHED's request, official receipts from the appropriate entity, or other proof satisfactory to DHED, evidencing payment of the Non-Governmental Charge in question.

(b) Right to Contest. The Developer has the right, before any delinquency occurs:

(i) to contest or object in good faith to the amount or validity of any Non-Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted, in such manner as shall stay the collection of the contested Non-Governmental Charge, prevent the imposition of a lien or remove such lien, or prevent the sale or forfeiture of the Property (so long as no such contest or objection shall be deemed or construed to relieve, modify or extend the Developer's covenants to pay any such Non-Governmental Charge at the time and in the manner provided in this Section 8.14); or

(ii) at DHED's sole option, to furnish a good and sufficient bond or other security satisfactory to DHED in such form and amounts as DHED shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property or any portion thereof or any fixtures that are or may be attached thereto, during the pendency of such contest, adequate to pay fully any such contested Non-Governmental Charge and all interest and penalties upon the adverse determination of such contest.

8.15 Developer's Liabilities. The Developer shall not enter into any transaction that would materially and adversely affect its ability to perform its obligations hereunder or to repay any material liabilities or perform any material obligations of the Developer to any other person or entity. The Developer shall immediately notify DHED of any and all events or actions which may materially affect the Developer's ability to carry on its business operations or perform its obligations under this Agreement or any other documents and agreements.

8.16 Compliance with Laws. To the best of the Developer's knowledge, after diligent inquiry, the Property and the Project are and shall be in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, executive orders and codes pertaining to or affecting the Project and the Property. Upon the City's request, the Developer shall provide evidence satisfactory to the City of such compliance.

8.17 Recording and Filing. The Developer shall cause this Agreement, certain exhibits (as specified by Corporation Counsel), all amendments and supplements hereto to be recorded and tiled against the Property on the date hereof in the conveyance and real property records of the county in which the Project is located. This Agreement shall be recorded prior to any mortgage made in connection with Lender Financing. The Developer shall pay all fees and charges incurred

in connection with any such recording. Upon recording, the Developer shall immediately transmit to the City an executed original of this Agreement showing the date and recording number of record.

8.18 Real Estate Provisions.

(a) Governmental Charges.

(i) Payment of Governmental Charges. The Developer agrees to pay or cause to be paid when due all Governmental Charges (as defined below) which are assessed or imposed upon the Developer, the Property or the Project, or become due and payable, and which create, may create, a lien upon the Developer or all or any portion of the Property or the Project. "Governmental Charge" shall mean all federal, State, county, the City, or other governmental (or any instrumentality, division, agency, body, or department thereof) taxes, levies, assessments, charges, liens, claims or encumbrances (except for those assessed by foreign nations, states other than the State of Illinois, counties of the State other than Cook County, and municipalities other than the City) relating to the Developer, the Property or the Project including but not limited to real estate taxes.

(ii) Right to Contest. The Developer has the right before any delinquency occurs to contest or object in good faith to the amount or validity of any Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted in such manner as shall stay the collection of the contested Governmental Charge and prevent the imposition of a lien or the sale or forfeiture of the Property. No such contest or objection shall be deemed or construed in any way as relieving, modifying or extending the Developer's covenants to pay any such Governmental Charge at the time and in the manner provided in this Agreement unless the Developer has given prior written notice to DHED of the Developer's intent to contest or object to a Governmental Charge and, unless, at DHED's sole option,

(i) the Developer shall demonstrate to DHED's satisfaction that legal proceedings instituted by the Developer contesting or objecting to a Governmental Charge shall conclusively operate to prevent or remove a lien against, or the sale or forfeiture of, all or any part of the Property to satisfy such Governmental Charge prior to final determination of such proceedings; and/or

(ii) the Developer shall furnish a good and sufficient bond or other security satisfactory to DHED in such form and amounts as DHED shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property during the pendency of such contest, adequate to pay fully any such contested Governmental Charge and all interest and penalties upon the adverse determination of such contest.

(b) Developer's Failure To Pay Or Discharge Lien. If the Developer fails to pay any Governmental Charge or to obtain discharge of the same, the Developer shall advise DHED thereof in writing, at which time DHED may, but shall not be obligated to, and without waiving or releasing any obligation or liability of the Developer under this Agreement, in DHED's sole discretion, make such payment, or any part thereof, or obtain such discharge and take any other action with respect thereto which DHED deems advisable. All sums so paid by DHED, if any, and any expenses, if any, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, shall be promptly disbursed to DHED by the Developer. Notwithstanding anything contained herein to the contrary, this paragraph shall not be construed to obligate the City to pay any such Governmental

Charge. Additionally, if the Developer fails to pay any Governmental Charge, the City, in its sole discretion, may require the Developer to submit to the City audited Financial Statements at the Developer's own expense.

(c) Real Estate Taxes.

(i) Acknowledgment of Real Estate Taxes. The Developer agrees that (A) for the purpose of this Agreement, the total projected minimum assessed value of the Property ("Minimum Assessed Value") is shown on Exhibit L attached hereto and incorporated herein by reference for the years noted on Exhibit L; and (B) the real estate taxes anticipated to be generated and derived from the respective portions of the Property and the Project for the years shown are fairly and accurately indicated in Exhibit L.

(ii) Real Estate Tax Exemption. With respect to the Property or the Project, neither the Developer nor any agent, representative, lessee, tenant, assignee, transferee or successor in interest to the Developer shall, during the Term of this Agreement, seek, or authorize any exemption (as such term is used and defined in the Illinois Constitution, Article IX, Section 6 (1970)) for any year that the Redevelopment Plan is in effect, provided, however, nothing contained in this provision shall preclude Developer from applying for and receiving abatements of real estate taxes for the Project, subject to the restrictions of clause (iii) below.

(iii) No Reduction in Real Estate Taxes. Neither the Developer nor any agent, representative, lessee, tenant, assignee, transferee or successor in interest to the Developer shall, during the Term of this Agreement, directly or indirectly, initiate, seek or apply for proceedings in order to lower the assessed value of all or any portion of the Property or the Project below the amount of the Minimum Assessed Value as shown in Exhibit L for the applicable year.

(iv) No Objections. Neither the Developer nor any agent, representative, lessee, tenant, assignee, transferee or successor in interest to the Developer, shall object to or in any way seek to interfere with, on procedural or any other grounds, the filing of any Underassessment Complaint or subsequent proceedings related thereto with the Cook County Assessor or with the Cook County Board of Appeals, by either the City or any taxpayer. The term "Underassessment Complaint" as used in this Agreement shall mean any complaint seeking to increase the assessed value of the Property up to (but not above) the Minimum Assessed Value as shown in Exhibit L.

(v) Covenants Running with the Land. The parties agree that the restrictions contained in this Section 8.18(c) are covenants running with the land and this Agreement shall be recorded by the Developer as a memorandum thereof, at the Developer's expense, with the Cook County Recorder of Deeds on the Closing Date. These restrictions shall be binding upon the Developer and its agents, representatives, lessees, successors, assigns and transferees from and after the date hereof, provided however, that the covenants shall be released when the Redevelopment Area is no longer in effect. The Developer agrees that any sale, lease, conveyance, or transfer of title to all or any portion of the Property or Redevelopment Area from and after the date hereof shall be made explicitly subject to such covenants and restrictions. Notwithstanding anything contained in this Section 8.18(c) to the contrary, the City, in its sole discretion and by its sole action, without the joinder or

concurrence of the Developer, its successors or assigns, may waive and terminate the Developer's covenants and agreements set forth in this Section 8.18(c).

8.19 Affordable Housing Covenant. The Developer agrees and covenants to the City that at all times during the Term of the Agreement, the Developer shall comply with the following affordable housing covenants:

- (a) The Facility shall be operated and maintained solely as residential rental housing;
- (b) All of the units in the Facility shall be available for occupancy to and be occupied solely by one or more persons qualifying as Low Income Families (as defined below) upon initial occupancy; and
- (c) All of the units in the Facility has monthly rents not in excess of thirty percent (30%) of the maximum allowable income for a Low Income Family (with the applicable Family size for such units determined in accordance with the rules specified in Section 42(g)(2) of the Internal Revenue Code of 1986, as amended); provided, however, that for any unit occupied by a Family (as defined below) that no longer qualifies as a Low Income Family due to an increase in such Family's income since the date of its initial occupancy of such unit, the maximum monthly rent for such unit shall not exceed thirty percent (30%) of such Family's monthly income.
- (d) As used in this Section 8.19, the following terms have the following meanings:
 - (i) "Family" shall mean one or more individuals, whether or not related by blood or marriage; and
 - (ii) "Low Income Families" shall mean Families whose annual income does not exceed sixty percent (60%) of the Chicago-area median income, adjusted for Family size, as such annual income and Chicago-area median income are determined from time to time by the United States Department of Housing and Urban Development, and thereafter such income limits shall apply to this definition.
- (e) The covenants set forth in this Section 8.19 shall run with the land and be binding upon any transferee.
- (f) The City and the Developer may enter into a separate agreement to implement the provisions of this Section 8.19.

8.20 Annual Compliance Report. Beginning with the issuance of the Certificate and continuing throughout the Term of the Agreement, the Developer shall submit to DHED the Annual Compliance Report within 30 days after the end of the calendar year to which the Annual Compliance Report relates.

8.21 Survival of Covenants. All warranties, representations, covenants and agreements of the Developer contained in this Section 8 and elsewhere in this Agreement shall be true, accurate and complete at the time of the Developer's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and (except as provided in Section 7 hereof upon the issuance of a Certificate) shall be in effect throughout the Term of the Agreement.

SECTION 9. COVENANTS/REPRESENTATIONS/WARRANTIES OF CITY

9.01 General Covenants. The City represents that it has the authority as a home rule unit of local government to execute and deliver this Agreement and to perform its obligations hereunder.

9.02 Survival of Covenants. All warranties, representations, and covenants of the City contained in this **Section 9** or elsewhere in this Agreement shall be true, accurate, and complete at the time of the City's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and be in effect throughout the Term of the Agreement.

SECTION 10. DEVELOPER'S EMPLOYMENT OBLIGATIONS

10.01 Employment Opportunity. The Developer, on behalf of itself and its successors and assigns, hereby agrees, and shall contractually obligate its or their various contractors, subcontractors or any Affiliate of the Developer operating on the Property (collectively, with the Developer, the "Employers" and individually an "Employer") to agree, that for the Term of this Agreement with respect to Developer and during the period of any other party's provision of services in connection with the construction of the Project or occupation of the Property:

(a) No Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Chapter 2-160, Section 2-160-010 et seq., Municipal Code, except as otherwise provided by said ordinance and as amended from time to time (the "Human Rights Ordinance"). Each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

(b) To the greatest extent feasible, each Employer is required to present opportunities for training and employment of low- and moderate-income residents of the City and preferably of the Redevelopment Area; and to provide that contracts for work in connection with the construction of the Project be awarded to business concerns that are located in, or owned in substantial part by persons residing in, the City and preferably in the Redevelopment Area.

(c) Each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the City's Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

(d) Each Employer, in order to demonstrate compliance with the terms of this Section, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) Each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any Affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or Affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 10.01 shall be a basis for the City to pursue remedies under the provisions of Section 15.02 hereof.

10.02 City Resident Construction Worker Employment Requirement. The Developer agrees for itself and its successors and assigns, and shall contractually obligate its General Contractor and shall cause the General Contractor to contractually obligate its subcontractors, as applicable, to agree, that during the construction of the Project they shall comply with the minimum percentage of total worker hours performed by actual residents of the City as specified in Section 2-92-330 of the Municipal Code of Chicago (at least 50 percent of the total worker hours worked by persons on the site of the Project shall be performed by actual residents of the City); provided, however, that in addition to complying with this percentage, the Developer, its General Contractor and each subcontractor shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

The Developer may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the Chief Procurement Officer of the City.

"Actual residents of the City" shall mean persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

The Developer, the General Contractor and each subcontractor shall provide for the maintenance of adequate employee residency records to show that actual Chicago residents are employed on the Project. Each Employer shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) shall be submitted to the Commissioner of DHED in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Employer hired the employee should be written in after the employee's name.

The Developer, the General Contractor and each subcontractor shall provide full access to their employment records to the Chief Procurement Officer, the Commissioner of DHED, the Superintendent of the Chicago Police Department, the Inspector General or any duly authorized representative of any of them. The Developer, the General Contractor and each subcontractor shall maintain all relevant personnel data and records for a period of at least three (3) years after final acceptance of the work constituting the Project.

At the direction of DHED, affidavits and other supporting documentation will be required of the Developer, the General Contractor and each subcontractor to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

Good faith efforts on the part of the Developer, the General Contractor and each subcontractor to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section concerning the worker hours performed by actual Chicago residents.

When work at the Project is completed, in the event that the City has determined that the Developer has failed to ensure the fulfillment of the requirement of this Section concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section. Therefore, in such a case of non-compliance, it is agreed that 1/20 of 1 percent (0.0005) of the aggregate hard construction costs set forth in the Project budget (the product of .0005 x such aggregate hard construction costs) (as the same shall be evidenced by approved contract value for the actual contracts) shall be surrendered by the Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer, the General Contractor and/or the subcontractors to prosecution. Any retainage to cover contract performance that may become due to the Developer pursuant to Section 2-92-250 of the Municipal Code of Chicago may be withheld by the City pending the Chief Procurement Officer's determination as to whether the Developer must surrender damages as provided in this paragraph.

Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement or related documents.

The Developer shall cause or require the provisions of this Section 10.02 to be included in all construction contracts and subcontracts related to the Project.

10.03. MBE/WBE Commitment. The Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the General Contractor to agree that during the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code of Chicago (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code of Chicago (the "Construction Program," and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 10.03, during the course of the Project, at least the following percentages of the MBE/WBE Budget shall be expended for contract participation by MBEs and by WBEs:

- (1) At least 24 percent by MBEs.
- (2) At least four percent by WBEs.

(b) For purposes of this Section 10.03 only, the Developer (and any party to whom a contract is let by the Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by the Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code of Chicago, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code of Chicago, the Developer's MBE/WBE commitment may be achieved in part by the Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture or (ii) the amount of any actual work performed on the Project by the MBE or WBE), by the Developer utilizing a MBE or a WBE as the General Contractor (but only to the extent of any actual work performed on the Project by the General Contractor), by subcontracting or causing the General Contractor to subcontract a portion of the Project to one or more MBEs or WBEs, or by the purchase of materials or services used in the Project from one or more MBEs or WBEs, or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer's MBE/WBE commitment as described in this Section 10.03. In accordance with Section 2-92-730, Municipal Code of Chicago, the Developer shall not substitute any MBE or WBE General Contractor or subcontractor without the prior written approval of DHED.

(d) The Developer shall deliver quarterly reports to the City's monitoring staff during the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by the Developer or the General Contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining the Developer's compliance with this MBE/WBE commitment. The Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the Project for at least five years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by the Developer, on five Business Days' notice, to allow the City to review the Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the Project.

(e) Upon the disqualification of any MBE or WBE General Contractor or subcontractor, if such status was misrepresented by the disqualified party, the Developer shall be obligated to discharge or cause to be discharged the disqualified General Contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code of Chicago, as applicable.

(f) Any reduction or waiver of the Developer's MBE/WBE commitment as described in this Section 10.03 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code of Chicago, as applicable.

(g) Prior to the commencement of the Project, the Developer shall be required to meet with the City's monitoring staff with regard to the Developer's compliance with its obligations under this Section 10.03. The General Contractor and all major subcontractors shall be required to attend this pre-construction meeting. During said meeting, the Developer shall demonstrate to the City's monitoring staff its plan to achieve its obligations under this Section 10.03, the sufficiency of which shall be approved by the City's monitoring staff. During the Project, the Developer shall submit the documentation required by this Section 10.03 to the City's monitoring staff, including the following: (i) subcontractor's activity report; (ii) contractor's certification concerning labor standards and prevailing wage requirements; (iii) contractor letter of understanding; (iv) monthly utilization report; (v) authorization for payroll agent; (vi) certified payroll; (vii) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (viii) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that the Developer is not complying with its obligations under this Section 10.03, shall, upon the delivery of written notice to the Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (1) issue a written demand to the Developer to halt the Project, (2) withhold any further payment of any City Funds to the Developer or the General Contractor, or (3) seek any other remedies against the Developer available at law or in equity.

SECTION 11. ENVIRONMENTAL MATTERS

The Developer hereby represents and warrants to the City that the Developer has conducted environmental studies sufficient to conclude that the Project may be constructed, completed and operated in accordance with all Environmental Laws and this Agreement and all Exhibits attached hereto, the Scope Drawings, Plans and Specifications and all amendments thereto, [the Bond Ordinance] and the Redevelopment Plan.

Without limiting any other provisions hereof, the Developer agrees to indemnify, defend and hold the City harmless from and against any and all losses, liabilities, damages, injuries, costs, expenses or claims of any kind whatsoever including, without limitation, any losses, liabilities, damages, injuries, costs, expenses or claims asserted or arising under any Environmental Laws incurred, suffered by or asserted against the City as a direct or indirect result of any of the following, regardless of whether or not caused by, or within the control of the Developer: (i) the presence of any Hazardous Material on or under, or the escape, seepage, leakage, spillage, emission, discharge or release of any Hazardous Material from (A) all or any portion of the Property or (B) any other real property in which the Developer, or any person directly or indirectly controlling, controlled by or under common control with the Developer, holds any estate or interest whatsoever (including, without limitation, any property owned by a land trust in which the beneficial interest is owned, in whole or in part, by the Developer), or (ii) any liens against the Property permitted or imposed by any Environmental Laws, or any actual or asserted liability or obligation of the City or the Developer or any of its Affiliates under any Environmental Laws relating to the Property.

SECTION 12. INSURANCE

The Developer shall procure and maintain, or cause to be maintained, at its sole cost and expense, at all times throughout the Term of the Agreement, and until each and every obligation of the Developer contained in the Agreement has been fully performed, the types of insurance specified below, with insurance companies authorized to do business in the State of Illinois covering all operations under this Agreement, whether performed by the Developer, any contractor or

subcontractor:

- (a) Prior to Execution and Delivery of this Agreement: At least 10 business days prior to the execution of this Agreement, the Developer shall procure and maintain the following kinds and amounts of insurance:
- (i) Workers' Compensation and Occupational Disease Insurance

- (b) Construction: Prior to the construction of any portion of the Project, the Developer shall procure and maintain, or cause to be maintained, the following kinds and amounts of insurance:

Coverage extensions shall include boiler and machinery, and flood.

(v) Professional Liability

When any architects, engineers or consulting firms perform work in connection with this Agreement, Professional Liability insurance shall be maintained with limits of \$1,000,000.00. The policy shall have an extended reporting period of two years. When policies are renewed or replaced, the policy retroactive date must coincide with, or precede, start of work on the Project.

(c) Other Provisions

Upon DHED's request, the Developer shall provide DHED with copies of insurance policies or certificates evidencing the coverage specified above. If the Developer fails to obtain or maintain any of the insurance policies required under this Agreement or to pay any insurance policies required under this Agreement, or to pay any premium in whole or in part when due, the City may (without waiving or releasing any obligation or Event of Default by the Developer hereunder) obtain and maintain such insurance policies and take any other action which the City deems advisable to protect its interest in the Property and/or the Project. All sums so disbursed by the City including reasonable attorneys' fees, court costs and expenses, shall be reimbursed by the Developer upon demand by the City.

The Developer agrees, and shall cause each contractor and subcontractor to agree, that any insurance coverages and limits furnished by the Developer and such contractors or subcontractors shall in no way limit the Developer's liabilities and responsibilities specified under this Agreement or any related documents or by law, or such contractor's or subcontractor's liabilities and responsibilities specified under any related documents or by law. The Developer shall require all contractors and subcontractors to carry the insurance required herein, or the Developer may provide the coverage for any or all contractors and subcontractors, and if so, the evidence of insurance submitted shall so stipulate.

The Developer agrees, and shall cause its insurers and the insurers of each contractor and subcontractor engaged after the date hereof in connection with the Project to agree, that all such insurers shall waive their rights of subrogation against the City.

The Developer shall comply with any additional insurance requirements that are stipulated by the Interstate Commerce Commission's Regulations, Title 49 of the Code of Federal Regulations, Department of Transportation; Title 40 of the Code of Federal Regulations, Protection of the Environment and any other federal, state or local regulations concerning the removal and transport of Hazardous Materials.

The City maintains the right to modify, delete, alter or change the provisions of this Section 12 and so long as such action does not, without the Developer's prior written consent, increase the requirements set forth in this Section 12 beyond that which is reasonably customary at such time.

SECTION 13. INDEMNIFICATION

13.01 General Indemnity. Developer agrees to indemnify, pay, defend and hold the City, and its elected and appointed officials, employees, agents and affiliates (individually an "Indemnitee," and collectively the "Indemnities") harmless from and against, any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, claims, costs, expenses and disbursements of any kind or nature whatsoever (and including without limitation, the reasonable fees and disbursements of counsel for such Indemnities in connection with any investigative, administrative or judicial proceeding commenced or threatened, whether or not such Indemnities shall be designated a party thereto), that may be imposed on, suffered, incurred by or asserted against the Indemnities in any manner relating or arising out of:

(i) the Developer's failure to comply with any of the terms, covenants and conditions contained within this Agreement; or

(ii) the Developer's or any contractor's failure to pay General Contractors, subcontractors or materialmen in connection with the TIF-Funded Improvements or any other Project improvement; or

(iii) the existence of any material misrepresentation or omission in this Agreement, any offering memorandum or information statement or the Redevelopment Plan or any other document related to this Agreement that is the result of information supplied or omitted by the Developer or any Affiliate Developer or any agents, employees, contractors or persons acting under the control or at the request of the Developer or any Affiliate of Developer; or

(iv) the Developer's failure to cure any misrepresentation in this Agreement or any other agreement relating hereto;

provided, however, that Developer shall have no obligation to an Indemnitee arising from the wanton or willful misconduct of that Indemnitee. To the extent that the preceding sentence may be unenforceable because it is violative of any law or public policy, Developer shall contribute the maximum portion that it is permitted to pay and satisfy under the applicable law, to the payment and satisfaction of all indemnified liabilities incurred by the Indemnities or any of them. The provisions of the undertakings and indemnification set out in this Section 13.01 shall survive the termination of this Agreement.

SECTION 14. MAINTAINING RECORDS/RIGHT TO INSPECT

14.01 Books and Records. The Developer shall keep and maintain separate, complete, accurate and detailed books and records necessary to reflect and fully disclose the total actual cost of the Project and the disposition of all funds from whatever source allocated thereto, and to monitor the Project. All such books, records and other documents, including but not limited to the Developer's loan statements, if any, General Contractors' and contractors' sworn statements, general contracts, subcontracts, purchase orders, waivers of lien, paid receipts and invoices, shall be available at the Developer's offices for inspection, copying, audit and examination by an authorized representative of the City, at the Developer's expense. The Developer shall incorporate this right to inspect, copy, audit and examine all books and records into all contracts entered into by the Developer with respect to the Project.

14.02 Inspection Rights. Upon three (3) business days' notice, any authorized representative of the City has access to all portions of the Project and the Property during normal business hours for the Term of the Agreement.

SECTION 15. DEFAULT AND REMEDIES

15.01 Events of Default. The occurrence of any one or more of the following events, subject to the provisions of Section 15.03, shall constitute an "Event of Default" by the Developer hereunder:

(a) the failure of the Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Developer under this Agreement or any of the Series 2011 Bond Documents;

(b) the failure of the Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Developer under any other agreement with any person or entity if such failure may have a material adverse effect on the Developer's business, property, assets, operations or condition, financial or otherwise;

(c) the making or furnishing by the Developer to the City of any representation, warranty, certificate, schedule, report or other communication within or in connection with this Agreement or any of the Series 2011 Bond Documents which is untrue or misleading in any material respect;

(d) except as otherwise permitted hereunder, the creation (whether voluntary or involuntary) of; or any attempt to create, any lien or other encumbrance upon the Property, including any fixtures now or hereafter attached thereto, other than the Permitted Liens, or the making or any attempt to make any levy, seizure or attachment thereof;

(e) the commencement of any proceedings in bankruptcy by or against the Developer or for the liquidation or reorganization of the Developer, or alleging that the Developer is insolvent or unable to pay its debts as they mature, or for the readjustment or arrangement of the Developer's debts, whether under the United States Bankruptcy Code or under any other state or federal law, now or hereafter existing for the relief of debtors, or the commencement of any analogous statutory or non-statutory proceedings involving the Developer; provided, however, that if such commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such proceedings are not dismissed within sixty (60) days after the commencement of such proceedings;

(f) the appointment of a receiver or trustee for the Developer, for any substantial part of the Developer's assets or the institution of any proceedings for the dissolution, or the full or partial liquidation, or the merger or consolidation, of the Developer; provided, however, that if such appointment or commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such appointment is not revoked or such proceedings are not dismissed within sixty (60) days after the commencement thereof;

(g) the entry of any judgment or order against the Developer which remains unsatisfied or undischarged and in effect for sixty (60) days after such entry without a stay of enforcement or execution;

(h) the occurrence of an event of default under the Lender Financing, which default is not cured within any applicable cure period;

(i) the dissolution of the Developer;

(j) the institution in any court of a criminal proceeding (other than a misdemeanor) against the Developer or any natural person who owns a material interest in the Developer, which is not dismissed within thirty (30) days, or the indictment of the Developer or any natural person who owns a material interest in the Developer, for any crime (other than a misdemeanor); or

(k) prior to the issuance of the Certificate, the sale or transfer of a majority of the ownership interests of the Developer without the prior written consent of the City, provided, however, the respective interests of Developer's investor limited partner shall be transferable to any affiliate of Enterprise Community Investments, Inc. without the consent of the City.

For purposes of Sections 15.01(i) and 15.01(j) hereof, a person with a material interest in the Developer shall be one owning in excess of ten (10%) of CHP's partnership interests.

15.02 Remedies. Upon the occurrence of an Event of Default, the City may terminate this Agreement and all related agreements, and may suspend disbursement of City Funds. The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to injunctive relief or the specific performance of the agreements contained herein.

15.03 Curative Period. In the event the Developer shall fail to perform a monetary covenant which the Developer is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the Developer has failed to perform such monetary covenant within ten (10) days of its receipt of a written notice from the City specifying that it has failed to perform such monetary covenant. In the event the Developer shall fail to perform a non-monetary covenant which the Developer is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the Developer has failed to cure such default within thirty (30) days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those non-monetary defaults which are not capable of being cured within such thirty (30) day period, the Developer shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured, provided further, notwithstanding anything to the contrary contained herein, the City hereby agrees that any cure of and default made or tendered by one of Developer's limited partners or any Lender shall be deemed to be a cure by the Developer and shall be accepted or rejected on the same basis as if made or tendered by Developer.

SECTION 16. MORTGAGING OF THE PROJECT

All mortgages or deeds of trust in place as of the date hereof with respect to the Property or any portion thereof are listed on Exhibit G hereto (including but not limited to mortgages made prior to or on the date hereof in connection with Lender Financing) and are referred to herein as the "Existing Mortgages." Any mortgage or deed of trust that the Developer may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof is referred to herein as a "New Mortgage." Any New Mortgage that the Developer may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof with the prior written consent of the City is referred to herein as a "Permitted Mortgage." It is hereby agreed by and between the City and the Developer as follows:

(a) In the event that a mortgagee or any other party shall succeed to the Developer's interest in the Property or any portion thereof pursuant to the exercise of remedies under a New Mortgage (other than a Permitted Mortgage), whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of the Developer's interest hereunder in accordance with Section 18.15 hereof, the City may, but shall not be obligated to, attorn to and recognize such party as the successor in interest to the Developer for all purposes under this Agreement and, unless so recognized by the City as the successor in interest, such party shall be entitled to no rights or benefits under this Agreement, but such party shall be bound by those provisions of this Agreement that are covenants expressly running with the land.

(b) In the event that any mortgagee shall succeed to the Developer's interest in the Property or any portion thereof pursuant to the exercise of remedies under an Existing Mortgage or a Permitted Mortgage, whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of the Developer's interest hereunder in accordance with Section 18.15 hereof, the City hereby agrees to attorn to and recognize such party as the successor in interest to the Developer for all purposes under this Agreement so long as such party accepts all of the obligations and liabilities of "the Developer" hereunder; provided, however, that, notwithstanding any other provision of this Agreement to the contrary, it is understood and agreed that if such party accepts an assignment of the Developer's interest under this Agreement, such party has no liability under this Agreement for any Event of Default of the Developer which accrued prior to the time such party succeeded to the interest of the Developer under this Agreement, in which case the Developer shall be solely responsible. However, if such mortgagee under a Permitted Mortgage or an Existing Mortgage does not expressly accept an assignment of the Developer's interest hereunder, such party shall be entitled to no rights and benefits under this Agreement, and such party shall be bound only by those provisions of this Agreement, if any, which are covenants expressly running with the land.

(c) Prior to the issuance by the City to the Developer of a Certificate pursuant to Section 7 hereof, no New Mortgage shall be executed with respect to the Property or any portion thereof without the prior written consent of the Commissioner of DHED.

SECTION 18. MISCELLANEOUS

18.01 Amendment. This Agreement and the Exhibits attached hereto may not be amended or modified without the prior written consent of the parties hereto; provided, however, that the City, in its sole discretion, may amend, modify or supplement Exhibit D hereto without the consent of any party hereto. It is agreed that no material amendment or change to this Agreement shall be made or be effective unless ratified or authorized by an ordinance duly adopted by the City Council. The term "material" for the purpose of this Section 18.01 shall be defined as any deviation from the terms of the Agreement which operates to cancel or otherwise reduce any developmental, construction or job-creating obligations of Developer (including those set forth in Sections 10.02 and 10.03 hereof) by more than five percent (5%) or materially changes the Project site or character of the Project or any activities undertaken by Developer affecting the Project site, the Project, or both, or increases any time agreed for performance by the Developer by more than ninety (90) days.

18.02 Entire Agreement. This Agreement (including each Exhibit attached hereto, which is hereby incorporated herein by reference) constitutes the entire Agreement between the parties hereto and it supersedes all prior agreements, negotiations and discussions between the parties relative to the subject matter hereof.

18.03 Limitation of Liability. No member, official or employee of the City shall be personally liable to the Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to the Developer from the City or any successor in interest or on any obligation under the terms of this Agreement.

18.04 Further Assurances. The Developer agrees to take such actions, including the execution and delivery of such documents, instruments, petitions and certifications as may become necessary or appropriate to carry out the terms, provisions and intent of this Agreement.

18.05 Waiver. Waiver by the City or the Developer with respect to any breach of this Agreement shall not be considered or treated as a waiver of the rights of the respective party with respect to any other default or with respect to any particular default, except to the extent specifically waived by the City or the Developer in writing. No delay or omission on the part of a party in exercising any right shall operate as a waiver of such right or any other right unless pursuant to the specific terms hereof. A waiver by a party of a provision of this Agreement shall not prejudice or constitute a waiver of such party's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by a party, nor any course of dealing between the parties hereto, shall constitute a waiver of any such parties' rights or of any obligations of any other party hereto as to any future transactions.

18.06 Remedies Cumulative. The remedies of a party hereunder are cumulative and the exercise of any one or more of the remedies provided for herein shall not be construed as a waiver of any other remedies of such party unless specifically so provided herein.

18.07 Disclaimer. Nothing contained in this Agreement nor any act of the City shall be deemed or construed by any of the parties, or by any third person, to create or imply any relationship of third-party beneficiary, principal or agent, limited or general partnership or joint venture, or to create or imply any association or relationship involving the City.

18.09 Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed an original and all of which shall constitute one and the same agreement.

18.10 Severability. If any provision in this Agreement, or any paragraph, sentence, clause, phrase, word or the application thereof, in any circumstance, is held invalid, this Agreement shall be construed as if such invalid part were never included herein and the remainder of this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

18.11 Conflict. In the event of a conflict between any provisions of this Agreement and the provisions of the TIF Ordinances and/or the Bond Ordinance, if any, such ordinance(s) shall prevail and control.

18.12 Governing Law. This Agreement shall be governed by and construed in accordance with the internal laws of the State of Illinois, without regard to its conflicts of law principles.

18.13 Form of Documents. All documents required by this Agreement to be submitted, delivered or furnished to the City shall be in form and content satisfactory to the City.

18.14 Approval. Except as otherwise provided herein, this Agreement shall not run to the benefit of, or be enforceable by, any person or entity other than a party to this Agreement and its successors and permitted assigns. This Agreement should not be deemed to confer upon third parties any remedy, claim, right of reimbursement or other right.

18.17 Force Majeure. Neither the City nor the Developer nor any successor in interest to either of them shall be considered in breach of or in default of its obligations under this Agreement in the event of any delay caused by damage or destruction by fire or other casualty, strike, shortage of material, unusually adverse weather conditions such as, by way of illustration and not limitation, severe rain storms or below freezing temperatures of abnormal degree or for an abnormal duration, tornadoes or cyclones, and other events or conditions beyond the reasonable control of the party affected which in fact interferes with the ability of such party to discharge its obligations hereunder. The individual or entity relying on this section with respect to any such delay shall, upon the occurrence of the event causing such delay, immediately give written notice to the other parties to this Agreement. Opinion Of Developer's Counsel.

[To Be Retyped On The Developer's Counsel's Letterhead]

City of Chicago
121 North LaSalle Street
Chicago, Illinois 60602

Attention: Corporation Counsel

Ladies and Gentlemen:

We have acted as counsel to _____, an [Illinois]
_____ (the "Developer"), in connection with the purchase of certain land

and the construction of certain facilities thereon located in the _____
Redevelopment Project Area (the "Project"). In that capacity, we have examined, among
other things, the following agreements, instruments and documents of even date herewith,
hereinafter referred to as the "Documents":

(a) _____ Redevelopment Agreement (the "Agreement") of even date
herewith, executed by the Developer and the City of Chicago (the "City");

[(b) the Escrow Agreement of even date herewith executed by the Developer and the
City;]

(c) [insert other documents including but not limited to documents related to purchase
and financing of the Property and all lender financing related to the Project]; and

(d) all other agreements, instruments and documents executed in connection with the
foregoing.

In addition to the foregoing, we have examined:

(a) the original or certified, conformed or photostatic copies of the Developer's (i) Articles
of Incorporation, as amended to date, (ii) qualifications to do business and certificates of
good standing in all states in which the Developer is qualified to do business, (iii) Bylaws,
as amended to date, and (iv) records of all corporate proceedings relating to the Project
[revise if the Developer is not a corporation]; and

(b) such other documents, records and legal matters as we have deemed necessary or
relevant for purposes of issuing the opinions hereinafter expressed.

In all such examinations, we have assumed the genuineness of all signatures (other than
those of the Developer), the authenticity of documents submitted to us as originals and
conformity to the originals of all documents submitted to us as certified, conformed or
photostatic copies.

Based on the foregoing, it is our opinion that:

1. The Developer is a corporation duly organized, validly existing and in good standing
under the laws of its state of [incorporation] [organization], has full power and authority to
own and lease its properties and to carry on its business as presently conducted, and is in
good standing and duly qualified to do business as a foreign [corporation] [entity] under the
laws of every state in which the conduct of its affairs or the ownership of its assets requires
such qualification, except for those states in which its failure to qualify to do business would
not have a material adverse effect on it or its business.

2. The Developer has full right, power and authority to execute and deliver the Documents to which it is a party and to perform its obligations thereunder. Such execution, delivery and performance will not conflict with, or result in a breach of, the Developer's [Articles of Incorporation or Bylaws] [describe any formation documents if the Developer is not a corporation] or result in a breach or other violation of any of the terms, conditions or provisions of any law or regulation, order, writ, injunction or decree of any court, government or regulatory authority, or, to the best of our knowledge after diligent inquiry, any of the terms, conditions or provisions of any agreement, instrument or document to which the Developer is a party or by which the Developer or its properties is bound. To the best of our knowledge after diligent inquiry, such execution, delivery and performance will not constitute grounds for acceleration of the maturity of any agreement, indenture, undertaking or other instrument to which the Developer is a party or by which it or any of its property may be bound, or result in the creation or imposition of (or the obligation to create or impose) any lien, charge or encumbrance on, or security interest in, any of its property pursuant to the provisions of any of the foregoing, other than liens or security interests in favor of the lender providing Lender Financing (as defined in the Agreement).

3. The execution and delivery of each Document and the performance of the transactions contemplated thereby have been duly authorized and approved by all requisite action on the part of the Developer.

4. Each of the Documents to which the Developer is a party has been duly executed and delivered by a duly authorized officer of the Developer, and each such Document constitutes the legal, valid and binding obligation of the Developer, enforceable in accordance with its terms, except as limited by applicable bankruptcy, reorganization, insolvency or similar laws affecting the enforcement of creditors' rights generally.

5. Exhibit A attached hereto (a) identifies each class of capital stock of the Developer, (b) sets forth the number of issued and authorized shares of each such class, and (c) identifies the record owners of shares of each class of capital stock of the Developer and the number of shares held of record by each such holder. To the best of our knowledge after diligent inquiry, except as set forth on Exhibit A, there are no warrants, options, rights or commitments of purchase, conversion/call or exchange or other rights or restrictions with respect to any of the capital stock of the Developer. Each outstanding share of the capital stock of the Developer is duly authorized, validly issued, fully paid and nonassessable.

6. To the best of our knowledge after diligent inquiry, no judgments are outstanding against the Developer, nor is there now pending or threatened, any litigation, contested claim or governmental proceeding by or against the Developer or affecting the Developer or its property, or seeking to restrain or enjoin the performance by the Developer of the Agreement or the transactions contemplated by the Agreement, or contesting the validity thereof. To the best of our knowledge after diligent inquiry, the Developer is not in default with respect to any order, writ, injunction or decree of any court, government or regulatory authority or in default in any respect under any law, order, regulation or demand of any governmental agency or instrumentality, a default under which would have a material adverse effect on the Developer or its business.

7. To the best of our knowledge after diligent inquiry, there is no default by the Developer or any other party under any material contract, lease, agreement, instrument or commitment to which the Developer is a party or by which the company or its properties is bound.

8. To the best of our knowledge after diligent inquiry, all of the assets of the Developer are free and clear of mortgages, liens, pledges, security interests and encumbrances except for those specifically set forth in the Documents.

9. The execution, delivery and performance of the Documents by the Developer have not and will not require the consent of any person or the giving of notice to, any exemption by, any registration, declaration or filing with or any taking of any other actions in respect of, any person, including without limitation any court, government or regulatory authority.

10. To the best of our knowledge after diligent inquiry, the Developer owns or possesses or is licensed or otherwise has the right to use all licenses, permits and other governmental approvals and authorizations, operating authorities, certificates of public convenience, goods carriers permits, authorizations and other rights that are necessary for the operation of its business.

11. A federal or state court sitting in the State of Illinois and applying the choice of law provisions of the State of Illinois would enforce the choice of law contained in the Documents and apply the law of the State of Illinois to the transactions evidenced thereby.

We are attorneys admitted to practice in the State of Illinois and we express no opinion as to any laws other than federal laws of the United States of America and the laws of the State of Illinois.

This opinion is issued at the Developer's request for the benefit of the City and its counsel, and may not be disclosed to or relied upon by any other person.

Very truly yours,

By: _____

The provisions of the Document are also expressly subordinate to the HUD/FHA Loan Documents. In the event of any conflict between the Document and the provisions of applicable federal statutes, HUD mortgage insurance regulations, related HUD directives and administrative requirements, or HUD/FHA Loan Documents, the federal statutes, HUD mortgage insurance regulations, related HUD directives and administrative requirements and HUD/FHA Loan Documents shall control, unless waived in writing by HUD with respect to the Project.
- R-2 Failure on the part of the Owner to comply with the covenants contained in the Document shall not serve as the basis for default on any HUD-insured or HUD-held mortgage on the Project. Additionally, and notwithstanding any term or condition to the contrary in the Document or any of the Subordinate Lender's Loan Documents, no failure of the part of the Owner or its successors or assigns to comply with the covenants in the Mortgage Note, the HUD Mortgage, the HUD Regulatory Agreement, or any of the other HUD/FHA Loan Documents shall serve as a basis for the Subordinate Lender, its successors or assigns, or any other party acting by or through the rights provided therein, to declare a default under the Document or any of the Subordinate lender's Loan Documents or to exercise any other rights provided in the Subordinate Lender's Loan Documents, without the express written approval of the Senior Lender, or its successors and assigns to the HUD Mortgage and HUD.

- R-5 Unless waived in writing by HUD with respect to the Project, any action which is prohibited or required by HUD pursuant to applicable federal law, HUD regulations, HUD directives and administrative requirements or the HUD/FHA Loan Documents, shall supersede any conflicting provision of the Document; and the performance or failure to perform of the Owner in accordance with such laws, regulations, directives, administrative requirements or HUD/FHA Loan Documents shall not constitute an event of default under the Document.

- R-6 So long as HUD is the insurer or holder of any mortgage on the Project or any indebtedness secured by a mortgage on the Project, the Owner shall not and is not permitted to pay any amount required to be paid under the provisions of the Document except from distributable Surplus Cash, as such term is defined in, and in accordance with the conditions prescribed in the HUD Regulatory Agreement unless specifically permitted in writing by HUD.
- R-7 In the event of the appointment, by any court, of any person, other than HUD or Mortgagee, as a receiver, as a mortgagee or party in possession, or in the event of any enforcement of any assignment of leases, rents, issues, profits, or contracts contained in the Document, with or without court action, no rents, revenue or other income of the Project collected by the receiver, person in possession or person pursuing enforcement as aforesaid, shall be utilized for the payment of interest, principal or any other amount due and payable under the provisions of the Document, except from distributable Surplus Cash in accordance with the HUD Regulatory Agreement. The receiver, person in possession or person pursuing enforcement shall operate the Project in accordance with all provisions of the HUD/FHA Loan Documents.
- R-8 A duplicate of each notice given, whether required or permitted to be given, under the provisions of the Document shall also be given to:
- Department of Housing and Urban Development
77 West Jackson Boulevard
Chicago, Illinois 60604
Attention: Director of Multi-Family Housing Project Number 071-_____
- HUD may designate any further or different addresses for such duplicate notices.
- R-9 Notwithstanding anything in the Document to the contrary, the Owner and its successors and assigns may sell, convey, transfer, lease, sublease or encumber the Project or any part thereof provided it obtains the prior written consent of HUD to any such sale, conveyance, transfer, lease, sublease or encumbrance. The Owner may make application to HUD for approval of a Transfer of Physical Assets in accordance with HUD regulations, directives and policies. A duplicate copy of such application shall be served on the Subordinate Lender. Within 90 days after such service, the Subordinate Lender shall serve written notice of its approval of such transfer, or of its requirements for approval of such transfer, on HUD, the Mortgagee and the Owner. No such transfer shall occur or be effective until the Subordinate Lender's requirements shall have been satisfied. In the event the Subordinate Lender fails to serve such notices on HUD, the Mortgagee and the Owner within said time, then any consent by HUD to such transfer shall be conclusively deemed to be the Subordinate Lender's prior written consent to such transfer and consummation of such transfer shall not be a default under the Document.

- R-10 The Owner's covenants contained in the Document shall automatically terminate in the event of a foreclosure or deed in lieu of foreclosure of any mortgage insured or held by HUD with respect to the Project, or any portion thereof. Upon such termination, the Subordinate Lender shall furnish to HUD such releases and other documentation as HUD shall deem necessary or convenient to confirm or evidence such termination.
- R-11 Notwithstanding anything in the Document to the contrary, the provisions of this HUD-Required Rider are for the benefit and are enforceable by HUD and the Mortgagee.

(To Ordinance)

Termination Of Amended And Restated Airport Use Agreement
And Terminal Facilities Lease.*

This Agreement is made as of _____, 2011, by and between Delta Air Lines, Inc.,

a Delaware corporation ("Delta") and City of Chicago, a municipal corporation and home rule unit of local government organized and existing under the laws of the State of Illinois ("City").

Recitals.

A. Delta and City are parties to the Amended and Restated Airport Use Agreement and Terminal Facilities Lease dated as of January 1, 1985 (as amended, the "Delta AUA"), pursuant to which Delta leases certain premises at Chicago O'Hare International Airport (the "Airport") including without limitation Concourse L (the "Delta Premises").

Terminal Project) (the "Bonds"), pursuant to which the City made the proceeds of the Bonds available to Delta to refund certain bonds which had been previously issued by the City to finance a portion of the costs of the Delta Premises and under which Delta agrees to pay amounts to the City sufficient to pay the principal of, premium, if any, and interest on the Bonds in accordance with the terms of the SFUA.

C. Delta and American Airlines, Inc. ("American") are parties to a Sublease Agreement dated as of May 11, 1995, whereby American subleases from Delta certain portions of the Delta Premises (the "American Sublease").

D. Delta, as successor-by-merger to Northwest Airlines, Inc. ("Northwest"), and City are parties to the Amended and Restated Airport Use Agreement and Terminal Facilities Lease dated as of January 1, 1985 (as amended, the "Former Northwest AUA"), pursuant to which Delta leases certain premises at the Airport including without limitation premises on Concourse E (the "Former Northwest Premises").

E. On December 31, 2009, Northwest merged into Delta, resulting in a single air carrier operating under Delta's name, and the Former Northwest AUA was assigned to Delta by operation of law.

F. Delta has completed the process of co-locating the combined airlines' operations into the Former Northwest Premises. Delta ceased all of its operations from the Delta Premises on or about November 17, 2009.

G. City wishes to purchase Delta's remaining leasehold interest in the Delta Premises with funds received by the City from passenger facility charges ("PFCs"), so that the City, acting through its Chicago Department of Aviation ("CDA"), can allow other air carriers to utilize such premises as City preferential or common use premises:

H. Delta wishes to be relieved of its obligations under the Delta AUA, the American Sublease, and the SFUA.

Now, Therefore, In consideration of the foregoing recitals and the parties' respective conditions, agreements, covenants and undertakings under this Agreement, and intending to be legally bound hereby, the parties hereby agree as follows:

1. Terminations, Undertakings And Transfers.

1.1 Termination Of Delta AUA. Delta and City hereby agree to terminate the Delta AUA, on the terms and subject to the conditions of this Agreement and the Termination Agreement attached hereto as (Sub)Exhibit A (the "Termination Agreement").

1.2 Mutual Undertakings Related To SFUA. On the terms and subject to the conditions of this Agreement and the Mutual Undertakings Regarding Special Facility Use Agreement attached hereto as (Sub)Exhibit B (the "SFUA Undertaking"), the City agrees, from and after the Closing (as defined in Section 4 below), to pay with legally authorized PFC revenues the debt service on the Bonds and satisfy such other obligations of Delta under the SFUA as provided in this Agreement and in the SFUA Undertaking.

1.3 Transfer Of Personal Property. Delta hereby agrees to remise, release and quitclaim to City, and City hereby agrees to acquire from Delta, any interest that Delta may have (without any warranties of title, condition, or otherwise) in and to the Bond-financed personal property located in the Delta Premises and certain non-Bond-financed personal property located in the Delta Premises (collectively, the "Personal Property"), as such Personal Property is more particularly identified in the Bill of Sale attached hereto as (Sub)Exhibit C (the "Bill of Sale") and on the terms and provisions and subject to the conditions of this Agreement and the Bill of Sale. The Personal Property conveyed to the City shall be free from any liens or encumbrances created or permitted to be created by Delta.

1.4 Payment Agreement. On the terms and subject to the conditions of this Agreement and the Payment Agreement attached hereto as (Sub)Exhibit D (the "Payment Agreement"), Delta agrees, from and after Closing (as defined in Section 4 below), to make certain annual payments to the City specified in the schedule set forth in the Payment Agreement and adjusted as provided therein.

2. Delta/Northwest Merger.

2.1 In connection with the merger between Northwest and Delta, City hereby approves the assignment to Delta, effective December 31, 2009, of the Former Northwest AUA and all other leases and contracts currently in effect, if any, formerly between the City and Northwest. Delta hereby assumes and agrees to perform, and shall be bound by all of Northwest's obligations under the Former Northwest AUA and such other leases and contracts, whether arising before or after the effective date of assignment.

2.2 The Former Northwest AUA (as assigned to Delta) and the Delta AUA shall be and remain separate agreements and shall not be merged into a single agreement. Upon closing of the transactions contemplated hereby and the termination of the Delta AUA, the Former Northwest AUA (as assigned to Delta) shall be Delta's sole AUA for the Airport.

3. Accommodation Of Other Airlines In Delta Premises Prior To Closing.

3.1 For as long as this Agreement is in effect, Delta agrees to use commercially reasonable efforts to accommodate in the Delta Premises Spirit Airlines, Alaska Airlines, Air Choice One, Virgin America, JetBlue, and any other air carriers that City desires to locate on Concourse L ("OALs"), on terms and conditions acceptable to Delta and approved by CDA in accordance with the requirements of the Delta AUA; provided, however, as of the date hereof, the City and/or the OALs shall be responsible for maintenance of Concourse L and, as of the date hereof, Delta shall not be obligated to enter into any new agreement with an OAL that includes occupancy of any portion of the Delta Premises at any time after May 31, 2011 unless such agreement provides that said agreement is terminable on no more than ten (10) days prior written notice and unless such subtenant subleases at least 13,672 square feet of space for each mainline gate subleased or 4,557 square feet per each of the three parking positions subleased at the commuter gate (Gate Number 10A). Effective January 1, 2011, Delta shall have the right, at its option, to require any airlines then subleasing space from Delta to sublease at least 13,672 square feet per mainline gate subleased or 4,557 square feet per parking position at such commuter gate. Such agreements with OALs (except for the American Sublease) for use or occupancy of portions of the Delta Premises, whether effective prior to or after the date of this Agreement, are referred to herein as the "Subordinate Agreements".

3.2 Delta will not be required to incur any relocation, tenant improvement, maintenance or other costs in connection with such accommodations.

3.3 Except as provided in Sections 3.1 and 3.2, the Subordinate Agreements shall have month-to-month terms and shall otherwise utilize Delta's standard on-airport sublease form.

3.4 Delta shall not be required to provide handling or any other services to OALs accommodated by Delta in the Delta Premises.

3.5 Delta's obligation to accommodate OALs in the Delta Premises shall cease upon termination of this Agreement for any reason.

4. Closing.

The consummation of the transactions contemplated hereby (the "Closing") shall occur on a date mutually acceptable to Delta and City (the actual date of the Closing being the "Closing Date"), but in no event shall the Closing occur on a date earlier than seven days after the City's receipt of Federal Aviation Administration ("FAA") approval of the City's application to the FAA to use PFCs to redeem the Bonds. If the Closing has not occurred by December 31, 2011, this Agreement shall terminate and neither party shall have further obligations hereunder except for obligations that expressly survive termination of this Agreement. The parties shall use commercially reasonable efforts to ensure that the Closing occurs no later than June 1, 2011. If the Closing has not occurred by July 1, 2011, either party may terminate this Agreement at any time thereafter by written notice to the other party and neither party shall have further obligations hereunder except for obligations that expressly survive termination of this Agreement. The Closing shall occur by execution and delivery of the closing documents set forth in Sections 4.1 and 4.2.

4.1 Delta Deliveries At Closing. At Closing, Delta shall deliver or cause the delivery to City of (i) the Bill of Sale duly executed by Delta; (ii) a counterpart duly executed by Delta of the Termination Agreement; (iii) a counterpart duly executed by Delta of the SFUA Undertaking; and (iv) a counterpart duly executed by Delta of the Payment Agreement.

4.2 City Deliveries At Closing. At Closing, City shall deliver or cause the delivery to Delta of (i) a counterpart duly executed by City of the Termination Agreement; (ii) a counterpart duly executed by City of the SFUA Undertaking; and (iii) a counterpart duly executed by City of the Payment Agreement.

4.3 Debt Service Reimbursement. In the event that the Closing occurs after Delta makes the interest payment due to be paid to the holders of the Bonds on May 1, 2011 (which amount is required to be paid under the SFUA on or around April 29, 2011), the City shall reimburse Delta at the Closing for said Bond interest payment (and any subsequent Bond interest payments paid by Delta) solely from the proceeds of PFCs approved for such use.

4.4 Prorations. Any and all rent and other charges payable by Delta under the Delta AUA and the SFUA shall be prorated between Delta and City as of the Closing Date. To the extent practicable, utility charges, real property taxes and other expenses, if any, for the Delta Premises shall be prorated as of the Closing Date. In the event such rentals, taxes, expenses or charges are not determinable on the Closing Date, such amounts shall be prorated at Closing on the basis of the best available information at such time, and the parties shall recalculate the proration of such amounts promptly upon receipt of the necessary bills or other required documents and shall make between themselves any equitable adjustment required by reason of any difference between the estimated amount used as a basis for the proration at Closing and the actual amount. Any utility transfer fees shall be paid by City. Any sales, transfer or similar taxes shall be paid by City. Delta shall continue to be entitled to any year-end reconciliation payments due from the City to Delta under the Delta AUA attributable to time periods through the Closing Date, and Delta shall continue to be responsible for payment to American of any portion of said payments due to American under the American Sublease for the same time period. The provisions of this Section 4.4 shall survive Closing.

4.5 Expenses. City shall bear the full cost of the opinions of counsel described in Sections 6.2 and 6.3 of this Agreement. Delta shall bear the full cost of the opinion of counsel described in Section 7.2 of this Agreement. City will be responsible for any fees and costs (including without limitation Trustee fees) related to the City's undertakings under the SFUA pursuant to the SFUA Undertaking. Except as otherwise specifically provided herein, each party agrees to bear its own costs and expenses in connection with preparation, negotiation and Closing of the transactions set forth herein, including, but not limited to, legal and accounting fees and expenses. The provisions of this Section 4.5 shall survive Closing.

5. Condition Of Property; City's Acknowledgment.

Except As Otherwise Expressly Set Forth Herein Or In The Termination Agreement, Upon Termination Of The Delta AUA, The City Shall Accept The Delta Premises As Is, With All Faults And Without Any Warranty Whatsoever As To The Condition Or Fitness For Any

Particular Purpose Of The Delta Premises. City acknowledges that the Delta Premises may require repairs, and may contain asbestos building materials, lead-based paint, radon gas, hydrocarbon products and other hazardous substances. City's execution of the Termination Agreement at Closing shall constitute City's acceptance of the Delta Premises in its then-current physical and environmental condition and City's waiver to the fullest extent permitted by applicable law of any and all rights, claims, and causes of action that City may then or thereafter have against Delta arising out of or relating to the physical or environmental condition of the Delta Premises. The provisions of this Section 5 shall survive Closing.

6. Delta's Conditions To Closing.

The obligations of Delta to consummate the Closing will be subject to and conditioned on:

6.1 City's execution and delivery of the Termination Agreement, the SFUA Undertaking, and the Payment Agreement;

6.2 Receipt of an opinion ("Bond Counsel Opinion") by City's bond counsel in favor of City and Delta in form and substance reasonably acceptable to counsel for City and Delta, respectively, to the effect that (i) the transactions contemplated by this Agreement as effected by the Termination Agreement, the SFUA Undertaking, the Payment Agreement and the Bill of Sale ("Transactions") will not require consent of the holders of the Bonds or the Trustee (the "Trustee") under the Indenture of Trust related to the Bonds dated as of November 15, 1982, as thereafter supplemented (the "Indenture"); (ii) the Closing of the Transactions will not be an event of default or an event which with the giving of notice to the Trustee and the passage of time would become an event of default under the SFUA; and (iii) the Closing of the Transactions will not adversely affect the exclusion of interest on the Bonds from the gross income of the holders for federal income tax purposes.

6.3 Receipt of an opinion by City's Corporation Counsel in favor of Delta and reasonably acceptable to Delta as to the enforceability of this Agreement, the Termination Agreement, the SFUA Undertaking and the Payment Agreement.

6.4 Execution and delivery by American and Delta of an agreement on terms reasonably acceptable to Delta and American terminating the American Sublease (the "American Sublease Termination").

6.5 Termination or expiration of all subleases and other agreements with OALs with respect to the Delta Premises on terms reasonably acceptable to Delta.

7. City's Conditions to Closing.

7.1 Delta's execution and delivery of the Bill of Sale, the Termination Agreement, the SFUA Undertaking, and the Payment Agreement;

7.2 Receipt of an opinion by Delta's in-house counsel in favor of City and reasonably acceptable to City as to the enforceability of this Agreement, the Bill of Sale, the Termination Agreement, the SFUA Undertaking and the Payment Agreement.

7.3 Receipt of the Bond Counsel Opinion.

7.4 Receipt of PFC approval.

8. Destruction Or Damage.

8.1 Casualty Over \$250,000. In the event of an insured or uninsured casualty to the Delta Premises prior to Closing having an estimated cost of repair which equals or exceeds Two Hundred Fifty Thousand Dollars (\$250,000), City shall have the right to terminate this Agreement by written notice to Delta within twenty (20) business days after City learns of such casualty and receipt by Delta and City of notice of the estimated cost of repair thereof. In the event City terminates this Agreement because of such casualty, neither party shall have any further liability under this Agreement to the other except for liabilities that expressly survive termination of this Agreement. If City does not provide the aforesaid notice, then this Agreement will remain in full force and effect; provided that, at Closing, Delta will assign to City any insurance proceeds payable with respect to such casualty (except any proceeds with respect to business interruption) and the right to make the insurance adjustment for such proceeds with the insurance company.

8.2 Casualty Under \$250,000. In the event of an insured or uninsured casualty to the Delta Premises prior to Closing having an estimated cost of repair which is less than Two Hundred Fifty Thousand Dollars (\$250,000), this Agreement shall remain in full force and effect except that at Closing, Delta will assign to City any insurance proceeds payable with respect to such casualty (except any proceeds with respect to business interruption) and the right to make the insurance adjustment for such proceeds with the insurance company.

8.3 Cost Of Repair. For purposes of this Section 8, the phrase "estimated cost of repair" shall mean an estimate obtained from a reputable independent consultant selected by Delta and reasonably approved by City, which approval City agrees not to unreasonably withhold or delay.

8.4 Insurance. Delta, at its expense, shall maintain its standard fire and extended coverage insurance policy insuring, to the extent required by the Delta AUA and/or the SFUA, the Delta Premises until Closing.

9. Brokers.

Delta hereby represents and warrants to City that Delta has not dealt with any broker or finder in respect to the transaction contemplated hereby. Delta hereby agrees to indemnify

City for any claim for brokerage commission or finder's fee asserted by a person, firm or corporation claiming to have been engaged by Delta. City hereby represents and warrants to Delta that City has not dealt with any broker or finder in respect to the transaction contemplated hereby, and City hereby agrees to indemnify Delta for any claim for brokerage commission or finder's fee asserted by a person, firm or corporation claiming to have been engaged by City. The provisions of this Section 9 shall survive the Closing or the termination of this Agreement.

10. Default.

10.1 Default By Delta. In the event that Delta materially breaches or defaults in its obligations under this Agreement, and if such default is not cured within five (5) days from notice by City to Delta, then City may either (A) declare this Agreement null and void and of no force and effect, and each party shall thereupon be released from all further obligations hereunder, except for obligations that expressly survive termination of this Agreement, or (B) seek specific performance of this Agreement.

*Agreement Regarding Mutual Undertakings
Under Special Facility Use Agreement.*

This Agreement Regarding Mutual Undertakings under Special Facility Use Agreement (this "Agreement") is made and entered into as of the ____ day of _____, 2011 (the "Effective Date"), by and between Delta Air Lines, Inc., a Delaware corporation ("Delta") and the City of Chicago, a municipal corporation and home rule unit of local government organized and existing under the laws of the State of Illinois ("City").

Recitals.

A. Delta and City are parties to the Amended and Restated Airport Use Agreement and Terminal Facilities Lease dated as of January 1, 1985 (as amended, the "Delta AUA"), pursuant to which Delta leases certain premises at Chicago O'Hare International Airport (the "Airport") including without limitation Concourse L (the "Delta Premises").

B. Delta and City are parties to the Special Facility Use Agreement dated August 1, 1982, as amended and supplemented from time to time (the "SFUA"); relating to the \$33,880,000 aggregate principal amount Chicago-O'Hare International Airport Special Facility Revenue Refunding Bonds, Series 1992 (Delta Air Lines, Inc. Terminal Project) (the "Bonds"), pursuant to which City made the proceeds of the Bonds available to Delta to refund certain bonds which had been previously issued by City to finance a portion of the costs of the Delta Premises and under which Delta agrees to pay amounts to the City sufficient to pay the principal of, premium, if any, and interest on the Bonds in accordance with the terms of the SFUA; and

C. Delta and City are parties to that certain Agreement Regarding Undertakings Under Special Facility Use Agreement and Termination of Amended and Restated Airport Use Agreement and Terminal Facilities Lease, dated as of _____, 2011 (the "Transaction Description Agreement"), pursuant to which Delta and City agreed, among other matters, to terminate the Delta AUA and to make certain mutual commitments and agreements with respect to the SFUA and the Bonds, on the terms and conditions set forth in the Transaction Description Agreement and this Agreement.

D. By separate termination agreement, Delta and City have terminated the Delta AUA as of the Effective Date.

Now, Therefore, In consideration of the foregoing and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties, intending to be legally bound, agree as follows:

1. Mutual Undertakings Related To SFUA; No Release.

1.1 Effective as of the Effective Date, City, for itself and its successors and assigns, hereby covenants with Delta and its successors and assigns that (A) City shall and does hereby agree to comply with and perform all of the covenants, agreements, conditions, terms and obligations on the part of Delta to be complied with and performed under Sections 3.2, 3.3, 3.4, 6.3(b) -- (e), 6.6 and 7.5 of the SFUA and Sections 3.2, 5.2 and 5.3(a)(ii), (b)(ii) and (c) of the Third Supplemental Special Facility Use Agreement dated as of August 1, 1992 between Delta and City, accruing from and after the Effective Date; and (B) City shall indemnify, defend and hold Delta harmless from and against any claim, liability, loss, damage, cost or expense (including, without limitation, reasonable attorneys' fees and disbursements) which Delta may suffer or incur as the result of City's failure to comply with or perform any of such covenants, agreements, conditions, terms and obligations under the SFUA, accruing from and after the Effective Date.

1.2 Until the SFUA is terminated in accordance with its terms, Delta will not be relieved from liability under the SFUA and shall remain liable for performance of all obligations thereunder.

1.3 City agrees to prepay the Bonds in full from legally available passenger facility charge funds no later than December 31, 2011, and to effect simultaneously with such payment, termination of the SFUA and Delta's release from any further obligations under the SFUA and the Bonds. City shall be responsible for payment of any fees and costs, including without limitation Trustee fees, related to or required in connection with the prepayment of the Bonds as required hereby.

1.4 Delta shall take all actions required under the SFUA to permit City to comply with its obligations specified in Sections 1.1 and 1.3 above, in accordance with reasonable instructions from City and at City's sole expense.

1.5 Nothing in this Agreement is intended to grant to City any right to amend, supplement, modify or assign the SFUA on Delta's behalf.

1.6 City shall not commit or permit to be committed any act or omission that violates any term or condition of the SFUA or that would cause Delta to be in default under the SFUA or to incur any liability thereunder. Without limiting the breadth of the foregoing covenant, City shall not use the Delta Premises or permit the Delta Premises to be used in a manner that would violate the SFUA. City shall not commit or permit to be committed any act or omission that could cause the Bonds to lose their tax-exempt status.

2.7 No Implied Waiver. The failure or delay on the part of either party to enforce or exercise any of the rights set forth in this Agreement shall not constitute a waiver of such party's right to demand strict compliance with the terms of this Agreement, and the waiver by either party of any default or breach by the other party of any provision of this Agreement shall not operate as, or be deemed to operate as, a waiver of any subsequent or other default or breach.

2.8 No Third Party Beneficiaries. Nothing in this Agreement is intended to confer any rights to, or impose any obligations on, any person not a party hereto or the parties' respective duly authorized successors and assigns. Nothing in this Agreement is intended to relieve, discharge or limit the obligation or liability of any person to the parties or either one of them.

Airport License And Agreement.

This airport license and agreement ("License") is entered into this _____ day of _____ 2010, between the City of Chicago, a municipal corporation and a home rule unit of local government under Sections 1 and 6(a), respectively, of Article VII of the 1970 Constitution of the State of Illinois ("Licensor"), and _____, a corporation duly organized and existing under the laws of the State of Illinois.

In consideration of the mutual promises and covenants set forth herein, Licensor and Licensee agree as follows:

1. Airport Use.

Subject to the terms and conditions set forth herein, Licensor grants to Licensee a nonexclusive right to use Chicago O'Hare International Airport ("Airport") solely for the landing, taking off, flying over, taxiing, loading, and unloading of aircraft operated by Licensee, and any functions incidental thereto. In furtherance thereof, Licensee may be permitted to use such apron and ramp areas for loading and unloading as may be designated by the Commissioner of the Department of Aviation ("Commissioner"). This License shall not enlarge or diminish Licensee's rights regarding any use of other airport facilities to which it may be entitled by virtue of other contractual relationships.

2. Term.

The term of the License shall be for one calendar month, commencing on _____, 2011 and continuing for additional periods of one (1) calendar month each, not to exceed a total of three (3) years. The License is revocable at will by the Commissioner, with or without cause, provided the Commissioner first gives Licensee thirty (30) days written notice in accordance with the terms and conditions hereof. Licensee shall provide Licensor with written notice no less than thirty (30) days prior to discontinuance of operations at the Airport.

3. Fees And Charges.

In return for the use of the facilities and for the privileges granted herein, Licensee agrees to pay to Licensor landing fees based upon the Landing Fee Rates payable by Airline Parties calculated as provided in the Chicago O'Hare International Airport Amended and Restated Airport Use Agreement and Terminal Facilities Lease (as amended, the "Airport Use Agreement") and such other fees and charges at the Airport, as may be applicable including but not limited to common use gate fees, without need for notice or demand by Licensor and without deduction or set off.

No additional charges shall be assessed in the event that Licensee's aircraft departs from the Airport for another destination, and the aircraft, without making a stop at some other airport, is forced to return to and land at the Airport because of meteorological conditions, mechanical or operating causes, or for any similar emergency or precautionary reason.

Upon the expiration or termination of the License, Licensee shall continue to be entitled to receive any amounts due to Licensee as a result of any overpayment of landing fees relating to any landings of Licensee during the term of the License and shall continue to be liable to Licensor for any underpayment of landing fees relating to any landings of Licensee during the term of the License calculated as provided in the Airport Use Agreement.

4. Monthly Activity Report.

Licensee shall furnish to Licensors on or before the 10th day of each month, in such form and detail as may be requested by the Commissioner, a true and accurate report of Licensee's operations at the Airport during the preceding month, setting forth all data necessary to calculate the fees and charges due and owing the City. This report shall include, but shall not necessarily be limited to, Licensee's total number of landings for the month by type of aircraft; the maximum gross certified landing weight of each aircraft; the total number of enplaning and deplaning passengers; and the amount of cargo, freight, and mail loaded and unloaded for such month. Licensee shall certify the report and send it to the Commissioner in care of the Department of Aviation, Finance Department, Chicago O'Hare International Airport, and P.O. Box 66142, Chicago, Illinois 60666.

5. Method Payment Of Fees And Charges.

Following receipt of the monthly activity report, Licensors shall transmit to Licensee a statement of the fees and charges incurred by Licensee during the reported month and the fees and charges shall be paid by Licensee no more than fifteen (15) days after the date of the statement. Notwithstanding acceptance by Licensors of any payment made by Licensee, Licensors shall have the right to question the accuracy of Licensee's reports, and to audit Licensee's records upon which such reports were based. Licensee agrees to maintain original copies of all such reports for a minimum of three (3) years from the date of creation and to make them readily available at the Department of Aviation, Finance Department, upon reasonable demand therefore by Licensors.

If Licensee fails to furnish Licensors with the monthly activity report when due, Licensee's landing fee shall be determined by assuming that the Licensee's total landed weight for such month was 200% of its total landed weight for the highest reported month for which such data is available for Licensee. Any necessary adjustment in such landing fee shall not be calculated by Licensors until an accurate report is delivered to Licensors by Licensee. Resulting surpluses or deficits shall be applied as credits or charges to the statement issued for the next succeeding month.

Licensee shall make all payments when due at the Office of the City Comptroller, Room 420, 333 South State Street, Chicago, Illinois 60604-3976, or at such other place as may be designated by the Office of the City Comptroller.

6. Rules And Regulations.

Licensee shall comply with all applicable federal, state, and local government laws, rules and regulations, including without limitation the rules, regulations, and ordinances of Licensors, which are now or hereafter in effect, including but not limited to the Rules and Regulations Regarding the Operation of Domestic Common Use Gates and the Chicago O'Hare International Airport Gate Access and Assignment Procedures for Domestic Use Gates.

7. Indemnification.

Licensee agrees to indemnify, defend, save, and hold Licensor fully harmless from and against all liabilities, losses, suits, claims, judgments, fines, or demands of every kind and nature (including all reasonable costs for investigation, reasonable attorneys' fees, court costs, and expert's fees) arising from, related to, or caused by Licensee's use of, or occupancy of, or operations at the Airport; provided, however, that Licensee shall not be liable solely and to the extent any injury, damage or loss is caused by the gross negligence of Licensor, its agents, officials, or employees.

8. Non-Liability Of Licensor.

Licensor shall not be liable for any acts or omissions of Licensee, or its agents, servants, officials, employees, or independent contractors; or for any conditions resulting from the operations or activities of Licensee, its agents, servants, employees, officials, or independent contractors; or for any loss or damage to any personal property or equipment of Licensee, its agents, servants, employees, officials, or independent contractors.

9. Insurance.

Licensee shall, at its own expense, procure and keep in force at all times during the term of this License, or any renewal thereof, with a company acceptable to Licensor, insurance with such coverages and limits as may be reasonably directed by the Licensor's Risk Manager, but in no event less than that required by the guidelines issued by the Airports Council International ("ACI"). Licensee shall cause Licensor to be named as an additional insured on all such policies and shall furnish Licensor's Risk Manager with proper certificate evidencing that such insurance is in force. At least thirty (30) days notice must be given to Licensor prior to cancellation of or change in insurance coverage. Licensor reserves the right to change the insurance requirements during the term of the License.

10. Security.

Concurrent with the execution of this License, Licensee shall deposit with the City Comptroller of the City of Chicago ("Comptroller") security in such form and amount as may be reasonably requested by Licensor to guarantee Licensee's performance of its obligations hereunder which security shall include three months of projected landing fees, common use gate fees and passenger facility charge fees.

11. Delinquent Fees.

There shall be added to all sums due Licensor by way of this License an interest charge of 1½ percent of the principal sum for each full calendar month of delinquency, or 18 percent per annum, computed as simple interest. No interest shall be charged upon that

portion of any debt which, in good faith, is in dispute. No interest shall be charged upon any account until payment is thirty (30) days overdue, but interest shall be computed and assessed as of the original due date.

12. Nondiscrimination Clause.

- (a) That no person on the grounds of race, creed, color, religion, age, sex, or national origin shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of its facilities.

Whereas, The City maintains throughout the City nine (9) fueling sites supplying various fuels where City vehicles can obtain unleaded gasoline, ultra low sulfur diesel (ULSD) fuel, compressed natural gas (CNG) in gasoline gallon equivalent (GGE), and when available E85 fuel (85 percent ethanol and 15 percent gasoline); and

Whereas, The CTA has determined that it would be both operationally and financially advantageous for the CTA if the CTA had access to City fueling sites during regular hours of operation for its non-revenue vehicles, and the City desires to give the CTA access to its fueling sites during regular hours of operation; and

Whereas, Under the authority of State of Illinois Metropolitan Transit Authority Act, 70 ILCS 3605/33, the CTA as a municipal corporation is exempt from State of Illinois motor fuel taxes and Cook County tax (which is refunded by the County) on its fuel purchases, provided that the CTA directly purchases fuels subject to such taxes, and the City has no such motor fuel tax exemption; and

Whereas, The parties desire to enter into an agreement whereby the CTA will order, pay its suppliers directly, and have delivered certain fuels for its use at the City fueling sites, commingled with the City fuel inventory, in return for access to such sites and the related City administration and accounting of the CTA fuel consumption by its non-revenue vehicles; and

Whereas, Gas cards issued by the City will be used to control fuel usage and for invoicing; and

Whereas, On _____, 20 __, the City Council adopted an ordinance authorizing the execution of this Agreement between the City and CTA; and

Whereas, On November 10, 2010, the Chicago Transit Authority Board adopted an ordinance authorizing the execution of this Agreement between the CTA and the City,

Now, Therefore, In consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

Agreement.

Article One.

Incorporation Of Recitals.

1.01 Incorporation.

The recitals stated above are incorporated in the Agreement by reference and made a part of the Agreement.

Article Two.

Fuels, Services And Billing.

2.01 CTA Non-Revenue Vehicles Types Of Fuels.

This Agreement applies only to the CTA's non-revenue vehicles using unleaded gasoline, ultra low sulfur diesel fuel (or a ULS biodiesel blend), compressed natural gas in GGE and E85 fuel.

2.02 Vehicle Information.

The CTA will provide the City with CTA vehicle number, license plate and vehicle identification number ("VIN"), make, model, year, mileage, type of fuel required, fuel tank capacity plus additional maintenance information for all CTA non-revenue vehicles which are added to the fleet. For leased or rented non-revenue vehicles the CTA will provide the City with the same information but no maintenance information.

2.03 CTA Access To Fueling Sites.

The CTA will have access for its non-revenue vehicles only to all of the City's fueling sites listed on Exhibit A during regular hours of operation for the types of fuels shown for each site, throughout the term of this Agreement, subject to the terms of this Agreement. The CTA may request that the City: (i) keep fueling sites open beyond regular hours, including fueling sites which for budget or operational reasons have reduced service hours; or (ii) keep fueling sites open on City holidays or City shut-down days, provided, however, that the CTA agrees to reimburse the City at a rate of \$75.00 per hour for each hour of requested operation to cover personnel and operating costs.

2.04 Unleaded Gasoline Access.

a) Gasoline Supply Agreement. The terms and conditions of the City's contract with its unleaded gasoline supplier (the "City Gasoline Supply Agreement") have previously been supplied to the CTA. The CTA agrees to enter into a separate unleaded gasoline fuel supply contract with the City's gasoline supplier (the "CTA Gasoline Supply Contract"). The CTA Gasoline Supply Contract will: (i) run concurrently with the City Gasoline Supply Agreement; (ii) provide that the City's gasoline supplier will deliver the same quality, grade and type of gasoline delivered to the City under the City Gasoline Supply Agreement, and (iii) will provide at a minimum the same terms and conditions as the City Gasoline Supply Agreement.

b) Coordination Of Agreements. The CTA Gasoline Supply Agreement and the City Gasoline Supply Agreement will be administered and coordinated (e.g. reconciliation and delivery report generation and delivery coordination) under the direction of the City Representative or designee with direct coordination with the CTA Representatives or designee, each as listed in Article Seventeen such that delivery schedules, notices, price change information and the like will be promptly sent to both the City and the CTA.

c) CTA Gasoline Purchases And Delivery. Each month, the CTA will submit a release to the City's gasoline supplier for the forecasted amount of CTA consumption of gasoline. Such release will request delivery as instructed by the City. The City will confirm all deliveries of gasoline received from each order placed by the City to CTA's supplier via e-mail or by mail with copies of delivery tickets and Bills of Lading to the CTA. Under its contract with the gasoline supplier, the CTA will be solely responsible for all gasoline costs and transport and delivery charges to City fueling sites. As between the City and the CTA, the number of gallons of delivered gasoline will be defined as the "CTA Monthly Gasoline Base Amount". The City will use such information, together with consumption information and mileage data to prepare and provide to the CTA a monthly gasoline usage report for the CTA (the "CTA Monthly Gasoline Usage Report").

d) City Charges To The CTA.

i) City Per Gallon Charge. For access to the City fueling sites and related administration, the CTA will pay the City a charge of 35 cents (\$0.35) per gallon of the CTA Monthly Gasoline Base Amount (the "City Per Gallon Charge"). On an annual basis, commencing in January, 2010, the City will review the City Per Gallon Charge and decide, in its sole discretion, whether to adjust the City Per Gallon Charge for the next year. The City Per Gallon Charge also covers the costs of: 1) pre-mixed anti-freeze, 2) windshield washer solvent, 3) multi-viscosity motor oils, each as made available for gasoline-fueled CTA non-revenue vehicles.

ii) Billing. The CTA will pay the City Per Gallon Charge each month for the prior month's consumption.

e) Gasoline Inventory Adjustments. Based on the CTA Monthly Gasoline Usage Report, the CTA will consult with the City to adjust its orders for the gasoline inventory comprising the CTA Monthly Gasoline Base Amount, month-to-month, to track its forecasted consumption. For example:

i. If the CTA Monthly Gasoline Base Amount is 5,000 gallons in a month and the CTA's actual consumption is 6,000 gallons for that month, then the CTA Monthly Gasoline Base Amount for the next month should be 6,000 gallons (assuming a 5,000 gallon forecast amount) to account on an inventory-in-the-storage tank basis for the increased consumption in the prior month; or

ii. If the CTA Monthly Gasoline Base Amount is 5,000 gallons in a month, and the CTA's actual consumption is 4,000 gallons for that month, then the CTA Monthly Gasoline Base Amount for the next month should be 4,000 gallons (assuming a 5,000 forecast amount) to account for the decreased consumption of gasoline inventory in the prior month.

iii. In the event the City's records of CTA fuel consumption reveal that the average yearly use has been underestimated by the City in excess of ten percent (10%), then the CTA shall not be liable to make-up the difference by ordering additional fuel from its supplier in excess of ten percent (10%) for the year. In this case the City will be responsible for overages in excess of ten percent (10%).

2.05 Diesel Fuel Access.

a) Diesel Supply Agreement. The terms and conditions of the City's contract with its diesel fuel supplier (the "City Diesel Supply Agreement") have previously been supplied to the CTA. The CTA agrees to enter into a separate diesel fuel supply contract with the City's diesel fuel supplier (the "CTA Diesel Supply Contract"). The CTA Diesel Supply Contract will: (i) run concurrently with the City Diesel Supply Agreement; (ii) provide that the City diesel fuel supplier will deliver the same quality, grade and type of diesel fuel delivered to the City under the City Diesel Supply Agreement; and (iii) will have the same terms and conditions as the City Diesel Supply Agreement.

b) Coordination Of Agreements. The CTA Diesel Supply Contract and the City Diesel Supply Agreement will be administered and coordinated (e.g. reconciliation and delivery report generation and delivery coordination) under the direction of the City Representative or designee with direct coordination with CTA Representatives or designee, each as listed in Article Seventeen such that delivery schedules, notices, price change information and the like will be promptly sent to both the City and the CTA.

c) CTA Diesel Fuel Purchases And Deliveries. Each month, the CTA will submit a release to the City's diesel fuel supplier for the forecasted amount of CTA consumption of ultra low sulfur diesel (ULSD) fuel. Such release will request delivery as instructed by the City. The City will confirm all deliveries of ULSD received from each order placed by the City to CTA's supplier via e-mail or by mail with copies of delivery tickets and Bills of Lading to the CTA. Under its contract with the diesel fuel supplier, the CTA will be solely responsible for all diesel fuel costs and transport and delivery charges to the City fueling sites. As between the City and the CTA, the number of gallons of delivered ULSD fuel is defined as the "CTA Monthly Diesel Fuel Base Amount". The City will use such information, together with consumption information and mileage data to prepare a monthly diesel fuel usage report for the CTA (the "CTA Monthly Diesel Fuel Usage Report").

d) City Charges To The CTA Of Diesel Fuel Access.

i) For access to the City fueling sites and related administration, the CTA will pay the City a charge of 35 cents (\$0.35) per gallon of the CTA Monthly Diesel Fuel Base Amount (the "Diesel Per Gallon Charge"). On an annual basis beginning in January, 2010, the City will review the Diesel Per Gallon Charge and decide, in its discretion, whether to adjust the Diesel Per Gallon Charge for the next year. The Diesel Per Gallon Charge also covers the costs of: 1) pre-mixed anti-freeze, 2) windshield washer solvent, each as made available for diesel-fueled CTA non-revenue vehicles.

ii) Billing. The CTA will pay the Diesel Per Gallon Charge each month for the prior month's consumption.

e) Diesel Fuel Inventory Adjustments. Based on the CTA Monthly Diesel Fuel Usage Report, the CTA will consult with the City to adjust its orders for the diesel fuel inventory, month-to-month, to track its forecasted consumption. Examples listed in Section 2.04(e) have similar utility to the order adjustment for diesel fuel.

2.06 Compressed Natural Gas Fuel Costs.

The cost to the CTA of a gasoline gallon equivalent (GGE) of compressed natural gas (CNG) will be the sum of: (i) the charge to the City per "therm" of natural gas received at the fueling site compressor, multiplied by a factor of 1.22 to convert each therm into a GGE, including all applicable taxes; plus, (ii) an additional charge of 35 cents (\$0.35) per GGE pumped at 3,800 p.s.i. (the "GGE Charge"). On an annual basis commencing in January, 2010, the City will review the GGE Charge and decide, in its sole discretion, whether to adjust the GGE Charge for the next year. The CTA will pay the cost of GGE CNG each month for the prior month's consumption. Presently, the CTA's consumption of GGE CNG is low and the amount of state fuel taxes (currently \$0.19 per GGE) on such consumption is minimal. When the CTA's consumption of GGE CNG increases materially, then the parties will review the charges in this section, including the applicable taxes, and will amend this section as the parties believe mutually beneficial to reflect the CTA's increased consumption pattern.

2.07 E85 Fuel Costs.

The cost to the CTA of E85 fuel will be the sum of: (i) the charge to the City for a gallon of E85 fuel at the fueling site, including all applicable taxes; plus, (ii) an additional charge of 35 cents (\$0.35) per gallon (the "E85 Gallon Charge"). On an annual basis commencing in January, 2010, the City will review the E85 Gallon Charge and decide, in its sole discretion, whether to adjust the E85 Gallon Charge for the next year. The CTA will pay the costs of E85 fuel each month for the prior month's consumption. Presently, the CTA's consumption of E85 fuel is negligible. When the CTA's consumption of E85 fuel increases materially, then

the parties will review the charges in this section, including the applicable taxes, and will amend this section as the parties believe mutually beneficial to reflect the CTA's increased E85 fuel consumption pattern.

2.08 Gas Cards And Phasing-In.

The City will issue a gas card to CTA employees as authorized by the CTA, subject to a phasing-in schedule to be agreed upon by the City and the CTA. When a gas card is initially issued or whenever a replacement gas card is issued for any reason, the CTA will pay the City a non-refundable fee of \$15 per card.

2.09 Billing And Payment.

(a) Quarterly Overpayments And Under Payments. Within 30 days of the end of each calendar quarter, the City will send the CTA a reconciled billing statement for the calendar quarter showing all CTA consumption, purchases and payments. Under payments by the CTA will be reflected on the next billing. Overpayments by the CTA will be reflected with a credit on the next billing. Unpaid invoices over 60 days shall result in a 1.5 percent late fee on any outstanding balance, or the maximum allowed by law.

(b) Disputes And Errors. Disputes and errors between the parties under this Agreement will be referred to the representatives of each party scheduled in Article Seventeen for good faith resolution. If the representatives cannot resolve any disputes or correct any errors to the satisfaction of the parties within 30 days, then such unresolved disputes and uncorrected errors will be referred to the Commissioner of Fleet and CTA's Chief Infrastructure Officer for good faith resolution by them within 30 days of referral. If the Commissioner of Fleet and the Chief Infrastructure Officer of the CTA cannot resolve the matter(s), then each party may pursue its remedies at law and shall endeavor to do so within one year of the date when the dispute or error arose.

Article Three.

Term.

3.01 Term Of Agreement.

The term of this Agreement shall be for six years beginning on the effective date.

3.02 Option To Renew.

The parties have two options to renew this Agreement for a period of three years each after review and agreement by both parties. In the event the mutual review does not commence

within seven (7) months from the end of the Agreement term, then the Agreement will be automatically extended for an additional three (3) year term. In the latter case, the Agreement may be terminated as provided herein.

3.03 Termination.

Either party may terminate this Agreement upon twelve (12) months prior written notice to the other.

Article Four

Consent.

4.01 Consent.

Whenever the consent or approval of one or both parties to this Agreement is required hereunder, such consent or approval will not be unreasonably withheld and will be provided in writing by the consenting party.

Insurance Requirements.

The CTA shall provide and maintain at CTA's own expense, during the term of this Agreement, the insurance coverages and requirements specified below, insuring all operations related to the Agreement.

A. Insurance To Be Provided.

1) Workers' Compensation and Employer's Liability

Workers' Compensation as prescribed by applicable law covering all employees who are to provide a service under this Agreement and Employer's Liability coverage with limits of not less than \$100,000 for each accident or illness.

2) Commercial General Liability (Primary And Umbrella).

Commercial General Liability Insurance or equivalent with limits of not less than \$1,000,000 per occurrence for bodily injury, personal injury, and property damage liability. Coverages shall include the following: all premises and operations, products/completed operations, separation of insureds, defense, and contractual liability (with no limitation endorsement). The City of Chicago is to be named as an additional insured on a primary, noncontributory basis for any liability arising directly or indirectly from the services.

3) Automobile Liability (Primary And Umbrella).

When any motor vehicles (owned, non-owned and hired) are used in connection with this Agreement, the CTA shall provide Automobile Liability Insurance with limits of not less than \$1,000,000 per occurrence for bodily injury and property damage. The City of Chicago is to be named as an additional insured on a primary, noncontributory basis.

4) Self-Insurance.

To the extent permitted by law, the CTA may self-insure for the insurance requirements specified above, it being expressly understood and agreed that, if the CTA does self-insure for the above insurance requirements, the CTA shall bear all risk of loss for any loss which would otherwise be covered by insurance policies, and the self-insurance program shall comply with at least the insurance requirements as stipulated above.

B. Other Requirements.

The CTA will furnish the City of Chicago, Department of Procurement, City Hall, Room 403, 121 North LaSalle Street 60602, original Certificates of Insurance evidencing the required coverage to be in force on the date of this Agreement, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the term of this Agreement. The CTA shall submit evidence of insurance on the City of Chicago Insurance Certificate Form or an equivalent form acceptable to the City of Chicago's Department of Risk Management prior to the commencement of this Agreement. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all of the Agreement's requirements. The failure of the City to obtain certificates or other insurance evidence from the CTA shall not be deemed to be a waiver by the City. The CTA shall advise all insurers of the provisions of this Agreement regarding insurance. Nonconforming insurance shall not relieve the CTA of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to halt performance under this Agreement until proper evidence of insurance is provided, or the Agreement may be terminated.

The insurance shall provide for 60 days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

Any and all deductibles or self-insured retentions on referenced insurance coverages shall be borne by the CTA.

The CTA agrees that insurers shall waive their rights of subrogation against the City of Chicago, its employees, elected officials, agents, or representatives.

The CTA expressly understands and agrees that any coverages and limits furnished by CTA shall in no way limit the CTA's liabilities and responsibilities specified within the Agreement documents or by law.

The CTA expressly understands and agrees that any insurance or self-insurance programs maintained by the City of Chicago shall not contribute with insurance provided by the CTA under the Agreement.

The required insurance shall not be limited by any limitations expressed in any indemnification language herein or any limitation placed on the indemnity therein given as a matter of law.

The City of Chicago maintains the right to modify, delete, alter or change these requirements and shall provide written notice to the CTA of any such changes.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The foregoing recitals are hereby adopted as the findings of the City Council.

SECTION 2. The City hereby approves the conveyance of the Calumet Property and the Expansion Property to the Park District at no cost, subject to the following conditions precedent: (a) the City shall obtain any necessary Consents for the transfer of title to the Calumet Property, (b) the Park District shall grant the City and its agents, employees, representatives, contractors and subcontractors (collectively, the "City Parties") access to (or, if required under the Grant Agreements or Permits, a real property interest in) the Calumet Property, or applicable portions thereof, to allow the City to fulfill its obligations under the Grant Agreements and Permits, and (c) the Park District shall grant the City Parties a right of access to Big Marsh to remove the Clay Fill. The City's conveyance of the Expansion Property and the Calumet Property shall be on an "as is" basis, without any warranty, express or implied, by the City as to the environmental condition of such property or any improvements located thereon.

SECTION 3. The Mayor or his proxy is authorized to execute, and the City Clerk or Deputy City Clerk is authorized to attest, a quitclaim deed or deeds conveying the Expansion Property and the Calumet Property to the Park District.

SECTION 4. The Commissioner of DOE (the "DOE Commissioner"), and a designee thereof, and the Commissioner of the Department of Housing and Economic Development (the "HED Commissioner"), and a designee thereof, are each hereby authorized to negotiate, execute and deliver such documents as may be necessary or appropriate to implement the provisions of this ordinance. Such documents may contain terms and provisions that the DOE Commissioner and the HED Commissioner and a designee of each deem appropriate. Any applicable commissioner or department head (including but not limited to the DOE Commissioner and the HED Commissioner), and a designee thereof, of a department which has received a Grant or Permit on behalf of the City are each hereby authorized to negotiate, execute and deliver (a) any easements, leases, licenses, permits or other instruments or agreements necessary or appropriate to satisfy the City's obligations under the Grant Agreements and the Permits, subject to the approval of the Corporation Counsel, and (b) any amendments, assignments or subgrants of the Grant Agreements or Permits necessary or appropriate to implement the provisions of this ordinance, subject to the approval of the Corporation Counsel. Such easements, leases, licenses, permits or other instruments or agreements, and such amendments, assignments or subgrants of the Grant Agreements and Permits may contain terms and provisions that the applicable commissioner or department head and a designee thereof deem appropriate. Notwithstanding anything to the contrary contained in this Section 4, the City, acting by and through any of its departments, shall have no authority under this ordinance to indemnify the Park District as to the environmental condition of the Expansion Property or the Calumet Property, or to commit to future funding (except to the extent provided for under the Grant Agreements) with respect to any remediation, restoration, construction, operation, maintenance or management costs associated with the ownership and operation of the Expansion Property or the Calumet Property.

SECTION 5. If the passage and approval of this ordinance, or the actions contemplated by this ordinance, conflict with the terms of any Grant Agreement or Permit, then the terms of such Grant Agreement or Permit shall control and this ordinance shall be deemed invalid and unenforceable with respect to the applicable portion of the Calumet Property, unless and until any necessary Consents are obtained pursuant to the applicable Grant Agreement or Permit.

SECTION 6. If any provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such provision shall not affect any of the other provisions of this ordinance.

SECTION 7. All ordinances, resolutions, motions or orders in conflict with this ordinance are hereby repealed to the extent of such conflict.

SECTION 8. This ordinance shall take effect immediately upon its passage and approval.

WHEREAS, Pursuant to an ordinance adopted by the City Council of the City of Chicago ("City Council") on July 21, 1999 and published at pages 8099 -- 8197 of the *Journal of the Proceedings of the City Council of the City of Chicago*, page (the "*Journal*") of such date, a certain redevelopment plan and project ("Plan") for the 24th/Michigan Redevelopment Project Area ("Area") was approved pursuant to the Illinois Tax Increment Allocation Redevelopment Act, as amended (65 ILCS 5/11-74.4-1, et seq.) (the "Act"); and

Coverage extensions shall include the following: all premises and operations, products/completed operations, defense, separation of insureds, and contractual liability (with no limitation endorsement). The City of Chicago, its employees, elected officials, agents, and representatives are to be named as additional insureds on a primary, noncontributory basis for any liability arising directly or indirectly from the lease. Notwithstanding the foregoing, this section shall be subordinate to the liability insurance required under the Tenant's Operating Agreement with Tenant's Service Provider.

(c) Automobile Liability Insurance (Primary And Umbrella).

When any motor vehicles (owned, non-owned and hired) are used in connection with work to be performed by Landlord's employees, the Landlord shall provide Comprehensive Automobile Liability Insurance with limits of not less than \$1,000,000 per occurrence, for bodily injury and property damage.

an expiration or renewal date occurring during the Term of this lease. The Landlord shall submit evidence on insurance prior to lease award. The receipt of any certificates does not constitute agreement by the City that the insurance requirements in the lease have been fully met or that the insurance policies indicated on the certificate are in compliance with all lease requirements. The failure of the City to obtain certificates or other insurance evidence from Landlord shall not be deemed to be a waiver by the City. The Landlord shall advise all insurers of the lease provisions regarding insurance. Nonconforming insurance shall not relieve Landlord of its obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the lease, and the City retains the right, upon 30 days written notice and cure, to terminate the lease until proper evidence of insurance is provided.

The insurance shall provide for 45 days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

Any and all deductibles or self-insured retentions on referenced insurance coverages shall be borne by Landlord.

The Landlord agrees that insurers shall waive their rights of subrogation against the City of Chicago, its employees, elected officials, agents or representatives.

The Landlord expressly understands and agrees that any coverages and limits furnished by Landlord shall in no way limit the Landlord's liabilities and responsibilities specified within the lease documents or by law, provided, however, that the coverages and limits furnished by the Social Service Provider pursuant to the Operating Agreement shall be primary and shall apply before the coverages and limits furnished by Landlord.

The Landlord expressly understands and agrees that any insurance or self-insurance programs maintained by the City of Chicago shall apply in excess of and not contribute with insurance provided by the Landlord under the lease or the insurance provided by the Social Service provider under the Operating Agreement. Notwithstanding the foregoing, the City's insurance or self-insurance shall provide the primary liability coverage before Landlord's coverage whenever, and for as long as, the City exercises its rights under Section 4.6 of this lease to staff and operate the Premises with City employees.

The required insurance shall not be limited by any limitations expressed in the indemnification language herein or any limitation placed on the indemnity therein given as a matter of law.

The City of Chicago Risk Management Department maintains the right to reasonably modify, delete, alter or change these requirements.

6.3 City Self-Insurance.

Notwithstanding the foregoing to the contrary, (a) Landlord or Tenant may elect to terminate this lease as of the date of such casualty if the Tenant cannot continue to occupy or conduct its normal course of business therein, or (b) in the event that Tenant elects not to terminate this lease as of the date of such casualty Landlord may elect to terminate this lease within 90 days after the date of damage if any of its lenders requires that the insurance proceeds or any portion thereof be applied to the mortgage debt or the damage is not fully covered by Landlord's insurance policies.

In the alternative, Tenant may elect to perform such improvements and repairs at Tenant's costs using Tenant's staff or Tenant's vendors subject to Landlord's consent. Such consent shall not be unreasonably withheld.

13.1 Business Relationships.

Landlord acknowledges (a) receipt of a copy of Section 2-156-030(b) of the Municipal Code of Chicago, (b) that it has read such provision and understands that pursuant to such Section 2-156-030(b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (c) notwithstanding anything to the contrary contained in this agreement, that a violation of Section 2-156-030(b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this agreement shall be grounds for termination of this agreement and the transactions contemplated hereby. Landlord hereby represents and warrants that no violation of Section 2-145-030(b) has occurred with respect to this agreement or the transactions contemplated hereby.

13.2 Patriot Act Certification.

Landlord represents and warrants that neither Landlord nor any Affiliate (as hereafter defined) thereof is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable Laws: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. As used in this section, an "Affiliate" shall be deemed to be a person or entity related to Landlord that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Landlord, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert),

whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

13.3 Prohibition On Certain Contributions -- Mayoral Executive Order No. 05-1.

Landlord agrees that Landlord, any person or entity who directly or indirectly has an ownership or beneficial interest in Landlord of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Landlord's contractors (i.e., any person or entity in direct contractual privity with Landlord regarding the subject matter of this agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Subowners") and spouses and domestic partners of such Subowners (Landlord and all the other preceding classes of persons and entities are together the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fund-raising committee (a) after execution of this agreement by Landlord, (b) while this agreement or any Other Contract (as hereinafter defined) is executory, (c) during the Term of this agreement or any Other Contract, or (d) during any period while an extension of this agreement or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to February 10, 2005, the effective date of Executive Order 2005-1.

Landlord represents and warrants that from the later of (a) February 10, 2005, or (b) the date the City approached Landlord, or the date Landlord approached the City, as applicable, regarding the formulation of this agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fund-raising committee.

Landlord agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fund-raising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fund-raising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fund-raising committee.

Landlord agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order Number 05-1 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order Number 05-1.

Notwithstanding anything to the contrary contained herein, Landlord agrees that a violation of, noncompliance with, misrepresentation with respect to, or breach of any covenant or warranty under this Section 28 or violation of Mayoral Executive Order Number 05-1 constitutes a breach and default under this agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this agreement, and under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Landlord intentionally violates this provision or Mayoral Executive Order Number 05-1 prior to the Closing, the City may elect to decline to close the transaction contemplated by this agreement.

For purposes of this provision:

(a) "Bundle" means to collect contributions from more than one source, which contributions are then delivered by one person to the Mayor or to his political fund-raising committee.

(b) "Other Contract" means any other agreement with the City to which Landlord is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council.

(c) "Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

(d) Individuals are "domestic partners" if they satisfy the following criteria:

- (i) they are each other's sole domestic partner, responsible for each other's common welfare; and
- (ii) neither party is married; and
- (iii) the partners are not related by blood closer than would bar marriage in the State of Illinois; and
- (iv) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
- (v) two of the following four conditions exist for the partners:
 - (1) The partners have been residing together for at least 12 months.
 - (2) The partners have common or joint ownership of a residence.
 - (3) The partners have at least two of the following arrangements:
 - (A) joint ownership of a motor vehicle;
 - (B) joint credit account;
 - (C) a joint checking account;
 - (D) a lease for a residence identifying both domestic partners as landlords.

(4) Each partner identifies the other partner as a primary beneficiary in a will.

(e) "Political fund-raising committee" means a "political fund-raising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

13.4 Waste Ordinance Provisions.

In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Landlord warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this agreement is executory, Landlord's, any general contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this agreement, constitutes a breach of and an event of default under this agreement, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Chief Procurement Officer. Such breach and default entitles the City to all remedies under the agreement, at law or in equity. This section does not limit Landlord's, general contractor's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this agreement. Noncompliance with these terms and conditions may be used by the City as grounds for the termination of this agreement, and may further affect the Landlord's eligibility for future contract awards.

13.5 Failure To Maintain Eligibility To Do Business With City.

Failure by Landlord or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of this agreement and the transactions contemplated thereby. Developer shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

13.6 Cooperation With Office Of Inspector General And Legislative Inspector General.

It is the duty of Developer and any bidder, proposer, contractor, subcontractor, and every applicant for certification of eligibility for a City contract or program, and all officers, directors, agents, partners, and employees of any such grantee, subgrantee, bidder, proposer, contractor, subcontractor or such applicant to cooperate with the Legislative Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-55 of the Municipal Code, and to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code. Landlord represents and warrants that it understands and will abide by all provisions of Chapter 2-55 and Chapter 2-56 of the Municipal Code and that Landlord will inform its contractors and subcontractors of this provision and require their compliance.

Section 6.

Insurance And Indemnification.

6.1 Insurance.

The Landlord shall procure and maintain at all times, at Landlord's own expense, during the Term of this lease, the insurance coverages and requirements specified below, insuring all operations related to the lease.

The kinds and amounts of insurance required are as follows:

(a) Workers' Compensation And Occupational Disease Insurance.

Commercial Liability Insurance or equivalent with limits of not less than \$1,000,000 per occurrence, for bodily injury, personal injury, and property damage liability. Coverage extensions shall include the following: all premises and operations, products/completed operations, defense, separation of insureds, and contractual liability (with no limitation endorsement). The City of Chicago, its employees, elected officials, agents, and representatives are to be named as additional insureds on a primary, noncontributory basis for any liability arising directly or indirectly from the lease. Notwithstanding the foregoing, this section shall be subordinate to the liability insurance required under the Tenant's Operating Agreement with Tenant's Service Provider.

(c) Automobile Liability Insurance (Primary And Umbrella).

The Landlord shall submit evidence on insurance prior to lease award. The receipt of any certificates does not constitute agreement by the City that the insurance requirements in the lease have been fully met or that the insurance policies indicated on the certificate are in compliance with all lease requirements. The failure of the City to obtain certificates or other insurance evidence from Landlord shall not be deemed to be a waiver by the City. The Landlord shall advise all insurers of the lease provisions regarding insurance. Nonconforming insurance shall not relieve Landlord of its obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the lease, and the City retains the right, upon 30 days written notice and cure, to terminate the lease until proper evidence of insurance is provided.

The insurance shall provide for 45 days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

Any and all deductibles or self-insured retentions on referenced insurance coverages shall be borne by Landlord.

The Landlord agrees that insurers shall waive their rights of subrogation against the City of Chicago, its employees, elected officials, agents or representatives.

The Landlord expressly understands and agrees that any coverages and limits furnished by Landlord (or by the Social Service Provider pursuant to the Operating Agreement) shall

Landlord hereby represents and warrants that no violation of Section 2-145-030(b) has occurred with respect to this agreement or the transactions contemplated hereby.

13.2 Patriot Act Certification.

Landlord represents and warrants that neither Landlord nor any Affiliate (as hereafter defined) thereof is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable Laws: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. As used in this section, an "Affiliate" shall be deemed to be a person or entity related to Landlord that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Landlord, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

13.3 Prohibition On Certain Contributions -- Mayoral Executive Order No. 05-1.

Landlord agrees that Landlord, any person or entity who directly or indirectly has an ownership or beneficial interest in Landlord of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Landlord's contractors (i.e., any person or entity in direct contractual privity with Landlord regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Subowners") and spouses and domestic partners of such Subowners (Landlord and all the other preceding classes of persons and entities are together the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fund-raising committee (a) after execution of this agreement by Landlord, (b) while this agreement or any Other Contract (as hereinafter defined) is executory, (c) during the term of this agreement or any Other

Contract, or (d) during any period while an extension of this agreement or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to February 10, 2005, the effective date of Executive Order Number 2005-1.

Landlord represents and warrants that from the later of (a) February 10, 2005, or (b) the date the City approached Landlord, or the date Landlord approached the City, as applicable, regarding the formulation of this agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fund-raising committee.

Landlord agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fund-raising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fund-raising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fund-raising committee.

Landlord agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order Number 05-1 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order Number 05-1.

Notwithstanding anything to the contrary contained herein, Landlord agrees that a violation of, noncompliance with, misrepresentation with respect to, or breach of any covenant or warranty under this Section 28 or violation of Mayoral Executive Order Number 05-1 constitutes a breach and default under this agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this agreement, and under any Other Contract, at Law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Landlord intentionally violates this provision or Mayoral Executive Order Number 05-1 prior to the Closing, the City may elect to decline to close the transaction contemplated by this agreement.

For purposes of this provision:

(a) "Bundle" means to collect contributions from more than one source, which contributions are then delivered by one person to the Mayor or to his political fund-raising committee.

(b) "Other Contract" means any other agreement with the City to which Landlord is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council.

(c) "Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

(d) Individuals are "domestic partners" if they satisfy the following criteria:

- (i) they are each other's sole domestic partner, responsible for each other's common welfare; and
- (ii) neither party is married; and
- (iii) the partners are not related by blood closer than would bar marriage in the State of Illinois; and
- (iv) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and

 - (1) The partners have been residing together for at least 12 months.
 - (2) The partners have common or joint ownership of a residence.
 - (3) The partners have at least two of the following arrangements:

 - (B) joint credit account;
 - (C) a joint checking account;
 - (D) a lease for a residence identifying both domestic partners as Landlords.
 - (4) Each partner identifies the other partner as a primary beneficiary in a will.

(e) "Political fund-raising committee" means a "political fund-raising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

13.4 Waste Ordinance Provisions.

In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Landlord warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28

or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this agreement is executory, Landlord's, any general contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this agreement, constitutes a breach of and an event of default under this agreement, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Chief Procurement Officer. Such breach and default entitles the City to all remedies under the agreement, at Law or in equity. This section does not limit Landlord's, general contractor's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this agreement. Noncompliance with these terms and conditions may be used by the City as grounds for the termination of this agreement, and may further affect the Landlord's eligibility for future contract awards.

13.5 Failure To Maintain Eligibility To Do Business With City.

Failure by Landlord or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of this agreement and the transactions contemplated thereby. Developer shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

13.6 Cooperation With Office Of Inspector General And Legislative Inspector General.

It is the duty of Developer and any bidder, proposer, contractor, subcontractor, and every applicant for certification of eligibility for a City contract or program, and all officers, directors, agents, partners, and employees of any such grantee, subgrantee, bidder, proposer, contractor, subcontractor or such applicant to cooperate with the Legislative Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-55 of the Municipal Code, and to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code. Landlord represents and warrants that it understands and will abide by all provisions of Chapter 2-55 and Chapter 2-56 of the Municipal Code and that Landlord will inform its contractors and subcontractors of this provision and require their compliance.

WHEREAS, Our city, state and nation have a duty to recognize and acknowledge a deep and abiding debt of gratitude to the veterans of our armed forces; and

WHEREAS, Many veterans of our armed forces, and the conflicts in which they were called to fight, sacrificed physically, emotionally and psychologically as a result of their experiences; and

WHEREAS, While some injuries may have healed, many veterans bear emotional and psychological scars that have exacted a devastating and continuing toll; and

WHEREAS, When we look around our own city, we see veterans, who have served our country, without jobs, hope or homes; and

WHEREAS, Homeless veterans suffer additional challenges because they are unable to secure proper state identification with which to access the programs and assistance necessary to help them heal hidden wounds and secure the blessings of the country for which they served and sacrificed; and

WHEREAS, While we, as a Council, work to create and expand opportunities to our citizens, we must also work to ensure that those to whom we owe an incalculable debt are provided access to those programs from which they can benefit and find hope for the future; and

WHEREAS, While there is much we cannot do to help and assist our homeless veterans, we must do that which we can; and

WHEREAS, Ensuring homeless veterans are provided the ability to secure proper, appropriate and necessary state identification cards with which to seek jobs, services, adequate housing and access to critically important programs is an important first step; now, therefore,

Be It Resolved, The City Council of the City of Chicago supports, endorses and encourages the expeditious issuance, to veterans of the U.S. Armed Forces, of official State of Illinois picture identification cards, at no cost, upon presentation of official armed forces discharge documents or identification documents issued by U.S. Veterans Administration.

***GOVERNOR PATRICK QUINN AND ILLINOIS GENERAL ASSEMBLY URGED TO
REJECT LIMITATIONS OR RESTRICTIONS ON ILLINOIS MUNICIPALITIES AND
COUNTIES TO REGULATE TRANSFER, POSSESSION OR TRANSPORTATION OF
FIREARMS AND AMMUNITION.***

[R2011-332]

A resolution, presented by the Honorable Richard M. Daley, Mayor, and Aldermen Moreno, Fioretti, Dowell, Newsome, Hairston, Lyle, Jackson, Harris, Beale, Pope, Balcer, Cárdenas,

Burke, Foulkes, Thompson, Thomas, Lane, Rugai, Cochran, Dixon, Solis, Burnett, Ervin, Graham, Reboyras, Suarez, Austin, Colón, Rice, Mitts, Cullerton, Laurino, O'Connor, Reilly, Tunney, Levar, Shiller, Schulter and M. Smith, reading as follows:

WHEREAS, For many years the City of Chicago and other Illinois home rule units of local government have imposed reasonable regulations on the ownership, possession, sale and transportation of firearms and firearms ammunition including, in the case of Chicago, a firearms registration requirement that, from 1982 until last year, prohibited the registration of new handguns; and

WHEREAS, Over the past two years, a divided United States Supreme Court overturned decades of established jurisprudence, first by holding that the Second Amendment to the United States Constitution bestowed a limited right upon individuals to possess handguns, then, in *McDonald v. City of Chicago*, by holding that the Second Amendment applies not just to the Federal Government but also to the states and local governments; and

WHEREAS, Although the State of Illinois has enacted several laws to regulate the sale, possession and transportation of firearms, the City Council of the City of Chicago concluded, after the U.S. Supreme Court's decision in *McDonald*, that these laws are not sufficient to protect Chicago citizens from the unique and heightened risk of firearm violence, especially handgun violence, endemic in densely populated urban areas, and

WHEREAS, In order to provide for the ongoing protection of the public welfare and safety after the *McDonald* decision, the City Council of the City of Chicago held hearings, heard testimony and made a deliberate decision to pass an ordinance that provides for reasonable regulation of firearms in compliance with the rulings of the United States Supreme Court, and

WHEREAS, Specifically, the City Council amended the Municipal Code of Chicago to eliminate provisions that had effectively banned the possession of handguns by most private individuals, and to establish a new permit system and revised firearm registration process that allows an individual to possess a handgun for the protection of his or her home, subject to reasonable restrictions that the City Council has determined are necessary to protect public safety; and

WHEREAS, Under the City's current firearm ordinances, the City restricts the number of accessible firearms that may be kept at home; requires that certain precautions be taken to restrict accessibility of firearms to minors; generally prohibits the private possession of sawed-off shotguns, assault weapons and high capacity magazine cartridges; requires at least one hour of range training and four hours of classroom instruction in order to obtain a permit to possess firearms; and imposes other regulations relating to public safety; and

WHEREAS, The National Rifle Association, one of the most powerful and wealthiest lobbying organizations in the Nation, apparently is hoping that the recent decisions of the United States Supreme Court will create momentum that will improve the chances of passage by the Illinois General Assembly of legislation that the NRA supports, including legislation that

would severely restrict the ability of municipalities and counties to regulate the transfer, possession and transportation of firearms and ammunition for purposes of public safety; and

WHEREAS, Specifically, legislation supported by the NRA includes: House Bill 3, which would prohibit units of local government from requiring the registration or the reporting of the sale or transfer of firearms, and from keeping a firearms registry; House Bill 4, which would prohibit home rule units from requiring firearms training and instruction or to otherwise regulate the ownership or possession of firearms; House Bill 8, which prohibits counties, including home rule counties, from imposing restrictions or limitations greater than State law on the acquisition, possession, transportation, carrying, and transfer of firearms; House Bill 142, which would impose similar limitations on all units of local government, including home rule units; House Bill 264, which would prohibit units of local government, including home rule units, from imposing licensing or permit requirements on firearms ownership or possession; and House Bill 265, which would prohibit units of local government, including home rule units, from regulating the transportation of firearms; and

WHEREAS, This pending state legislation would directly jeopardize and potentially eliminate the authority and the ability of the City to implement and enforce many provisions of its firearms regulation ordinances; and

WHEREAS, Although legislation similar to some of these bills has been considered by previous General Assemblies, the General Assembly has rejected the legislation because it has recognized that the regulation of firearms at the municipal and county level is sometimes necessary; and

WHEREAS, The exercise of home rule powers in this area is necessary because regulations that may be appropriate for firearms possessed in dense urban areas, such as Chicago and its surrounding suburbs, may not be appropriate in some rural areas, where firearms and hunting are more likely to be a part of daily life; now, therefore,

Be It Resolved, That we, the Mayor and members of the City Council of the City of Chicago, assembled this ninth day of March 2011, do hereby urge the Illinois General Assembly to reject any and all proposed legislation that would limit or restrict the powers of Illinois municipalities and counties to regulate the transfer, possession or transportation of firearms and ammunition for purposes of public safety; and

Be It Further Resolved, That we encourage the Governor of the State of Illinois to veto any such legislation if it should pass the General Assembly; and

Be It Further Resolved, That copies of this resolution be delivered to the Governor of the State of Illinois, the President of the Illinois Senate, the Minority Leader of the Illinois Senate, the Speaker of the Illinois House of Representatives, and the Minority Leader of the Illinois House of Representatives.

GOVERNOR PATRICK QUINN AND ILLINOIS GENERAL ASSEMBLY URGED TO REJECT LEGISLATION ALLOWING MEMBERS OF PUBLIC TO CARRY CONCEALED FIREARMS.

[R2011-333]

A resolution, presented by the Honorable Richard M. Daley, Mayor, and Aldermen Moreno, Fioretti, Dowell, Newsome, Jackson, Pope, Balcer, Cárdenas, Burke, Foulkes, Thompson, Thomas, Lane, Rugai, Dixon, Solis, Burnett, Ervin, Graham, Reboyras, Suarez, Austin, Colón, Rice, Mitts, Cullerton, Laurino, O'Connor, Reilly, Tunney, Levar, Shiller, Schulter and M. Smith, reading as follows:

WHEREAS, There are currently several bills pending in the Illinois General Assembly that would authorize persons to carry concealed firearms if they have been issued a permit; and

WHEREAS, Specifically, four identical bills, Senate Bill 82 and House Bills 112, 148 and 1403, would allow persons over the age of 21 to apply to the county sheriff or to the Department of State Police for a permit to carry a handgun concealed on the person or in a vehicle; and

WHEREAS, Firearm-related injuries and deaths are the cause of significant social and economic costs to the City of Chicago and its communities, and have a severe impact on our criminal justice and health care systems; and

WHEREAS, The overwhelming majority of homicides in the City of Chicago are committed with a firearm, and on an annual basis there are typically approximately 2,000 aggravated battery offenses involving a firearm within the City of Chicago; and

WHEREAS, The pending legislation would preempt home rule powers and would prohibit any local regulation of permittees, except that the legislation would allow a municipality to pass an ordinance prohibiting carrying a concealed firearm in portions of a building owned, leased or controlled by that municipality, so long as the ordinance does not impose any criminal penalties for violating the prohibition; and

WHEREAS, The legislation also would purport to give similar powers to the Illinois General Assembly to pass a statute prohibiting concealed firearms on property owned, leased or controlled by the State, although it is unclear why the General Assembly would need authority in the legislation to pass a statute; and

WHEREAS, In an apparent concession to lobbyists representing the National Rifle Association, the legislation would prohibit persons from carrying concealed firearms into meetings of the General Assembly and other public bodies, unless the person is a registered lobbyist or a member of the public body itself; and

WHEREAS, In another apparent concession to the National Rifle Association, the legislation would provide that a National Rifle Association Personal Protection Instructor or a National Rifle Association Pistol Marksmanship Instructor is automatically certified to conduct the training courses required by the legislation, for which \$100 of a \$125 per-student course fee would be retained by the instructor; and

WHEREAS, Claims that legalizing the concealed carrying of firearms would improve public safety are dubious at best, which helps to explain why concealed carry in Illinois has been opposed by such organizations as the American Academy of Pediatrics-Illinois, the Illinois League of Women Voters, Voices for Illinois Children, and many others, as well as former Cook County Sheriff Tom Dart; and

WHEREAS, According to the Illinois Campaign to Prevent Gun Violence, a Chicago-based advocacy group, from May 2007 through February 2010, at least 139 people, including nine police officers, were killed nationwide by concealed handgun permit holders; and

WHEREAS, Although some gun rights advocates have cited studies that supposedly support the claim that legalized concealed carry reduces violent crime, academic research conducted by respected researchers, including the University of Chicago and John Hopkins University, and studies published by the Stanford Law Review and the Journal of Trauma, have criticized the methodology and faulty conclusions of studies cited by gun rights advocates, and have concluded that there is no evidence that concealed carry reduces violent crime and in many cases may increase such crime; and

WHEREAS, The ability to carry concealed firearms in public will expose Chicago taxpayers to greater expenses associated with the increased number of firearms-related incidents that can be expected to occur; now, therefore,

Be It Resolved, That we, the Mayor and members of the City Council of the City of Chicago, assembled this ninth day of March 2011, do hereby urge the Illinois General Assembly to reject any legislation that would allow members of the public to carry concealed firearms on their person or in their vehicles; and

Be It Further Resolved, That we encourage the Governor of the State of Illinois to veto any such legislation if it should pass the General Assembly; and

Be It Further Resolved, That copies of this resolution be delivered to the Governor of the State of Illinois, the President of the Illinois Senate, the Minority Leader of the Illinois Senate, the Speaker of the Illinois House of Representatives, and the Minority Leader of the Illinois House of Representatives.
