- (3) specifying that the commissioner or head of the department or the commissioner of environment or any other city agency designated by the commissioner or head of the department or the commissioner of environment is authorized to inspect or to have inspected any vehicle or equipment in order to ensure full compliance with contract requirements specified pursuant to subsections (b)(1), (b)(2), and (b)(3) of this section;

extent that the verified diesel emission control retrofit device provides emissions reductions equivalent to the US EPA requirements for heavy-duty diesel vehicles engine model year 2010.

- (4) Each heavy-duty diesel vehicle, non-road vehicle and non-road equipment used in the performance of the contract shall be assigned only the maximum assigned point value for which it qualifies during one reporting period; provided, however, that the maximum assigned value for each heavy-duty diesel vehicle, non-road vehicle and non-road equipment listed in subsections (c)(3)(i) through (c)(3)(vii) of this section that consumed only a B20 or greater biodiesel blend during the reporting period shall be increased by one half point.
- (5) The clean fleet score for each reporting period shall be calculated by adding the numerical point values allocated, in accordance with subsections (c)(3) and (c)(4) of this section, to each heavy-duty diesel vehicle, non-road vehicle and non-road equipment used in the performance of the contract during the reporting period and dividing the total numerical point values by the total number of all heavy-duty diesel vehicles, non-road vehicles and non-road equipment used in the performance of the contract during the reporting period; provided, however, the contractor may, to the extent specified in the contract pursuant to subsections (b)(4), (b)(5) and (b)(6) of this section, exclude from the calculation of the clean fleet score heavy-duty diesel vehicles, non-road vehicles and non-road equipment used in the performance of the contract during the reporting period that are owned or leased by all CFS waiver grantees.

(d) *Costs.* All costs associated with meeting the requirements imposed pursuant to this section are incidental to the overall contract. No additional time or monies will be granted to the contractor for compliance with the requirements imposed pursuant to this section and any regulations promulgated pursuant thereto.

 - (iii) a statement that repowering, replacing or retrofitting all or some of the listed vehicles and equipment in order to comply with contract requirements that shall be specified in accordance with the provisions of this section will cause the applicant to suffer an undue financial hardship.
- (2) If, upon review of the application, the commissioner of environment or the commissioner's designee determines that the applicant has met all of the requirements set forth in subsection (f)(1) of this section, the commissioner is authorized to grant a clean fleet score annual waiver certificate to the applicant.
- (3) Any contractor may exclude from the calculation of the clean fleet score, to the extent allowed in subsection (b)(4), (b)(5), and (b)(6) of this section, the heavy-duty diesel vehicles, non-road vehicles and non-road equipment used in the performance of the contract during a reporting period that are owned or leased by any CFS waiver grantee.
- (4) A clean fleet score annual waiver certificate granted pursuant to this subsection shall be valid as long as the grantee continues to qualify for such waiver; provided, however, no such waiver shall be valid for more than a one year period from the time it has been granted; and further provided that the commissioner may renew the clean fleet score annual waiver certificate for additional one year periods upon submission by the CFS waiver grantee of a statement verified by affidavit that any of the information and statements that the CFS waiver grantee submitted to the commissioner to qualify for the waiver are not changed.
- (5) Any person who knowingly makes a false statement of material fact to the commissioner of environment with respect to a clean fleet score annual waiver certificate application specified in this subsection or rules and regulations promulgated thereunder shall be subject to the penalties provided in section 1-21-010 of this Code. COMMITTEE ON HISTORICAL LANDMARK PRESERVATION.

RECOMMENDATION BY COMMISSION ON CHICAGO LANDMARKS FOR
DESIGNATION OF FORMER SCHLITZ BREWERY-TIED HOUSE GARDENS AT
5120 N. BROADWAY AS CHICAGO LANDMARK.

[O2011-1464]

The Committee on Historical Landmark Preservation submitted the following report:

CHICAGO, April 8, 2011.

To the President and Members of the City Council:

Your Committee on Historical Landmark Preservation held its meeting on Wednesday, April 6, 2011 at 12:00 Noon in Room 201-A to consider an ordinance recommending the designation of Schlitz Brewery-Tied House, later Winona Gardens (now the South-East Asia Center), located at 5120 North Broadway as a Chicago landmark, and having had the same under advisement, begs leave to report and recommend that Your Honorable Body Pass the proposed ordinance transmitted herewith.

Respectfully submitted,

(Signed) EMMA MITTS,
Chairman.

On motion of Alderman Mitts, the said proposed ordinance transmitted with the foregoing committee report was *Passed* by yeas and nays as follows:

Yeas -- Aldermen Moreno, Fioretti, Dowell, Newsome, Hairston, Lyle, Jackson, Harris, Beale, Pope, Balcer, Burke, Foulkes, Thompson, Thomas, Lane, Rugai, Cochran, Brookins, Muñoz, Zaiewski, Dixon, Solis, Maldonado, Burnett, Ervin, Graham, Reboyras, Suarez, Waguespack, Mell, Colón, Rice, Mitts, Cullerton, Laurino, O'Connor, Doherty, Daley, Tunney, Levar, Shiller, M. Smith, Stone -- 44.

Nays -- None.

Alderman Pope moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

WHEREAS, Pursuant to the procedures set forth in the Municipal Code of Chicago (the "Municipal Code"), Sections 2-120-630 through -690, the Commission on Chicago Landmarks (the "Commission") has determined that the (former) Schlitz Brewery-Tied House at

5120 North Broadway, as more precisely described in Exhibit A attached hereto and incorporated herein (the "Building"), meets three criteria for landmark designation as set forth in Section 2-120-620 (1), (4) and (6) of the Municipal Code; and

WHEREAS, The Building was built in 1904 as a brewery-tied house, or tavern which exclusively sold Schlitz Brewery products. It was commissioned by Edward Uihlein, a German immigrant and the manager of Schlitz Brewery's operations in Chicago, and the Building is one of the best-remaining examples of 57 such brewery-tied houses built by Schlitz in Chicago from 1897 to 1905; and

WHEREAS, The Building represents a distinct property type that conveys important themes from Chicago and American history from the late-nineteenth and early-twentieth centuries, including the rise of vertically-integrated manufacturing production and retail sales; the role of science and technology in the transformation of crafts into industries, including the brewery industry; increasing competition among businesses as the city and country grew; the role of the neighborhood saloon; the role of ethnic immigrants as both leaders of the brewing industry and as consumers; and the national question about the role of alcohol in society which would later culminate in national Prohibition; and

WHEREAS, The Building conveys the economic prominence of the brewing industry in Chicago and Milwaukee during the late-nineteenth and early-twentieth centuries, made possible by those cities' access to grain markets, fresh water, natural supplies of ice, and train transportation; and

WHEREAS, The Building is representative of the brewing industry founded and managed by German immigrants, several of whom were prominent businessmen active in the city's affairs; and therefore reflects the importance of ethnic immigration in Chicago's history and development, generally, and specifically the contributions of the Chicago's German ethnic community, one of the city's largest ethnic groups; and

WHEREAS, The Building is typical of other brewery-tied houses in Chicago which were most commonly located on prominent corners of commercial streets, well served by street cars or elevated trains, and in neighborhoods settled by large ethnic and working class populations; and, as such, the Building conveys the early social character and leisure habits of these early residents of Chicago's neighborhoods; and

WHEREAS, As the unintended manifestation of legislation and social pressure by progressive reformers, the Building conveys the national debate about alcohol consumption and the "Dry" movement in the late-nineteenth and early-twentieth centuries. The subsequent proliferation of drinking places under the tied-house system was a factor in the establishment of national Prohibition in 1919; and

WHEREAS, The Building is one of a great number of buildings built in Chicago by the Schlitz Brewery, whose association with the city may be traced back to the aftermath of the Fire of 1871, when the brewery sent water and, in particular, beer to the ravaged city, establishing a loyal customer base in Chicago, and solidifying its motto "The beer that made Milwaukee Famous"; and

WHEREAS, The Building represents a distinct and recognizable building type in Chicago's neighborhoods typified by such features as its display of brewery insignia, its prominent

corner location on a neighborhood commercial street, its corner entrance marked by a prominent turret and other ornamental features, and its use of high-quality masonry construction and picturesque styles of architecture; and

WHEREAS, The Building exemplifies aspects of picturesque styles of architecture including the German Renaissance Revival, Queen Anne, and Tudor Revival. Popular in the late-nineteenth and early-twentieth centuries, these styles emphasize visually-pleasing characteristics and motifs drawn from earlier periods, and these styles helped the brewery-tied houses to present a legitimate and socially-responsible image amidst growing opposition to drinking establishments; and

WHEREAS, The Building was designed in an eclectic German Renaissance Revival style of architecture, and includes such stylistic features as semicircular lunettes at the top of the turret and the use of heraldic ornament on the outside of the turret; and

WHEREAS, The Building shows the influence of the Queen Anne style of architecture, with its projecting turret with pyramidal roof, and its use of a mixture of exterior textures and building materials, including brick, stone, and metal; and

WHEREAS, A 1934 addition to the Building, as well as exterior alterations to the first story in 1935, are representative of the Tudor Revival style of architecture in the use of half-timbering, roughly coursed brick masonry and flagstone masonry; and

WHEREAS, The Building was originally designed by Chicago architect Charles Thisslew, who designed a number of other Schlitz brewery-tied houses which survive in the city, including 2159 West Belmont Avenue (1903 -- 1904), 9401 South Ewing Avenue (1907), 2001 West Grand Avenue (1905) and 2901 West Diversey Avenue (1902); and

WHEREAS, The Building displays exceptionally fine craftsmanship and detailing in high-quality historic materials, displayed through such features as its brick and stone masonry and pressed-metal architectural ornament at the turret; and

WHEREAS, Characteristic of Chicago's brewery-tied houses, the Building displays a Schlitz "belted globe" insignia on its facade, the design of which is based on sculptor Richard Bock's design for Schlitz's exhibit at the 1893 World's Columbian Exposition; and

WHEREAS, Chicago's brewery-tied houses represent a distinct building type, and the individual examples of this type enhance the architectural character of Chicago's neighborhoods; and

WHEREAS, The Building retains more than sufficient physical integrity to express its "historic, community, architectural, or aesthetic interest or value" as required by Section 2-120-630 of the Municipal Code, through its location and setting, and overall design quality. The Building retains the great majority of its historic materials, design, and detailing to convey its architectural and historic values; and

WHEREAS, The Building is owned by the South-East Asia Center, a non-profit community organization, which has consented to the designation; and

WHEREAS, On February 3, 2011, the Commission adopted a resolution recommending to the City Council of the City of Chicago that the Building be designated as a Chicago landmark; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The above recitals are expressly incorporated in and made a part of this ordinance as though fully set forth herein.

SECTION 2. The Building is hereby designated as a Chicago landmark in accordance with Section 2-120-700 of the Municipal Code.

SECTION 3. For purposes of Section 2-120-740 of the Municipal Code governing permit review, the significant historical and architectural features of the Building are identified as:

all exterior elevations, including rooflines, of the Building.

SECTION 4. The Commission is hereby directed to create a suitable plaque appropriately identifying said landmark and to affix the plaque on or near the property designated as a Chicago landmark in accordance with the provisions of Section 2-120-700 of the Municipal Code.

SECTION 5. The Commission is directed to comply with the provisions of Section 2-120-720 of the Municipal Code, regarding notification of said designation.

SECTION 6. If any provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such provision shall not affect the validity or enforceability of any of the other provisions of this ordinance.

SECTION 7. This ordinance shall take effect upon its passage and approval.

The Tenant shall submit evidence on insurance prior to Agreement award. The receipt of any certificates does not constitute agreement by the Landlord that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the Landlord to obtain certificates or other insurance evidence from Tenant shall not be deemed to be a waiver by the Landlord. The Tenant shall advise all insurers of the Agreement provisions regarding insurance. Nonconforming insurance shall not relieve Tenant of its obligation to provide Insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the Landlord retains the right to terminate the Agreement until proper evidence of insurance is provided.

The insurance shall provide for 60 days prior written notice to be given to the Landlord in the event coverage is substantially changed, canceled, or non-renewed.

Any and all deductibles or self-insured retentions on referenced insurance coverages shall be borne by Tenant.

The Tenant agrees that its insurers shall waive their rights of subrogation against the Landlord, its employees, elected officials, agents or representatives.

The Tenant expressly understands and agrees that any coverages and limits furnished by Tenant shall in no way limit the Tenant's liabilities and responsibilities specified within the Agreement documents or by law.

The Tenant expressly understands and agrees that any insurance or self-insurance programs maintained by the City of Chicago shall apply in excess of and not contribute with insurance provided by the Tenant under the Agreement.

The required insurance shall not be limited by any limitations expressed in the indemnification language herein or any limitation placed on the indemnity therein given as a matter of law.

The City of Chicago Department of Finance, Office of Risk Management, maintains the right to modify, delete, alter or change these requirements.

6.3 Liability.

It is understood and agreed that neither party to this agreement shall be legally liable for any negligence or wrongful act either of omission or commission chargeable to the other unless such liability is imposed by law and that this Agreement shall not be construed as seeking either to enlarge or diminish any obligation or duty owed by one party against the other or against third parties.

such Section 2-156-030(b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (c) notwithstanding anything to the contrary contained in this agreement, that a violation of Section 2-156-030(b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this agreement shall be grounds for termination of this agreement and the transactions contemplated hereby. Tenant hereby represents and warrants that no violation of Section 2-145-030(b) has occurred with respect to this agreement or the transactions contemplated hereby.

12.2 Patriot Act Certification.

Tenant represents and warrants that neither Tenant nor any Affiliate (as hereafter defined) thereof is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable laws: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. As used in this section, an "Affiliate" shall be deemed to be a person or entity related to Tenant that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Tenant, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

12.3 Prohibition On Certain Contributions -- Mayoral Executive Order Number 05-1.

Tenant agrees that Tenant, any person or entity who directly or indirectly has an ownership or beneficial interest in Tenant of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Tenant's contractors (i.e., any person or entity in direct contractual privity with Tenant regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Subowners") and spouses and domestic partners of such Subowners (Tenant and all the other preceding classes of persons and entities are together the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fund-raising committee (a) after execution of this agreement by Tenant, (b) while this agreement or any Other Contract (as hereinafter defined) is executory, (c) during the term of this agreement or any Other Contract, or (d) during any period while an extension of this agreement or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to February 10, 2005, the effective date of Executive Order 2005-1.

Tenant represents and warrants that from the later of (a) February 10, 2005, or (b) the date the City approached Tenant, or the date Tenant approached the City, as applicable, regarding the formulation of this agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fund-raising committee.

Tenant agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fund-raising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fund-raising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fund-raising committee.

Tenant agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order Number 05-1 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order Number 05-1.

Notwithstanding anything to the contrary contained herein, Tenant agrees that a violation of, noncompliance with, misrepresentation with respect to, or breach of any covenant or warranty under this Section 28 or violation of Mayoral Executive Order Number 05-1 constitutes a breach and default under this agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this agreement, and under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Tenant intentionally violates this provision or Mayoral Executive Order Number 05-1 prior to the Closing, the City may elect to decline to close the transaction contemplated by this agreement.

For purposes of this provision:

(a) "Bundle" means to collect contributions from more than one source, which contributions are then delivered by one person to the Mayor or to his political fund-raising committee.

(b) "Other Contract" means any other agreement with the City to which Tenant is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council.

(c) "Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

(d) Individuals are "domestic partners" if they satisfy the following criteria:

(i) they are each other's sole domestic partner, responsible for each other's common welfare; and

(ii) neither party is married; and

(iii) the partners are not related by blood closer than would bar marriage in the State of Illinois; and

(iv) each partner is at least 18 years of age, and the partners are the same sex and the partners reside at the same residence; and

(v) two of the following four conditions exist for the partners:

(1) The partners have been residing together for at least 12 months.

(2) The partners have common or joint ownership of a residence.

(3) The partners have at least two of the following arrangements:

(A) joint ownership of a motor vehicle;

(B) joint credit account;

(C) a joint checking account;

(D) a lease for a residence identifying both domestic partners as tenants.

(4) Each partner identifies the other partner as a primary beneficiary in a will.

(e) "Political fund-raising committee" means a "political fund-raising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

12.4 Waste Ordinance Provisions.

In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Tenant warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this agreement is executory, Tenant's, any general contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this agreement, constitutes a breach of and an event of default under this agreement, for which the opportunity to cure, if curable, will be granted, only at the sole designation of the Chief Procurement Officer. Such breach and default entitles the City to all remedies under the

agreement, at law or in equity. This section does not limit Tenant's, general contractor's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this agreement. Noncompliance with these terms and conditions may be used by the City as grounds for the termination of this agreement, and may further affect the Tenant's eligibility for future contract awards.

12.5 Failure To Maintain Eligibility To Do Business With City.

Failure by Tenant or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of this agreement and the transactions contemplated thereby. Developer shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

12.6 Cooperation With Office Of Inspector General And Legislative Inspector General.

It is the duty of Developer and any bidder, proposer, contractor, subcontractor, and every applicant for certification of eligibility for a City contract or program, and all officers, directors, agents, partners, and employees of any such grantee, subgrantee, bidder, proposer, contractor, subcontractor or such applicant to cooperate with the Legislative Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-55 of the Municipal Code, and to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code. Tenant represents and warrants that it understands and will abide by all provisions of Chapter 2-55 and Chapter 2-56 of the Municipal Code and that Tenant will inform its contractors and subcontractors of this provision and require their compliance.

Openlands must submit evidence of insurance on the City's Insurance Certificate Form (copy attached as Exhibit F) or equivalent prior to execution of the Agreement. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in this Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from Openlands is not a waiver by the City of any requirements for Openlands to obtain and maintain the specified coverages. Openlands must advise all insurers of the provisions of this Agreement regarding insurance. Non-conforming insurance does not relieve Openlands of the obligation to provide insurance as specified in this Agreement. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to suspend this Agreement until proper evidence of insurance is provided, or the Agreement may be terminated.

The insurance must provide for sixty (60) days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

Any deductibles or self insured retentions on referenced insurance coverages must be borne by Openlands.

Openlands agrees that insurers waive their rights of subrogation against the City, its employees, elected officials, agents, or representatives.

The coverages and limits furnished by Openlands in no way limit Openlands's liabilities and responsibilities specified within the Agreement or by law.

Any insurance or self-insurance programs maintained by the City do not contribute with insurance provided by Openlands under this Agreement.

The required insurance to be carried out is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

If Openlands is a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

Openlands must require all subcontractors to provide insurance required in this Agreement, or Openlands may provide the coverages for subcontractors. All subcontractors are subject to the same insurance requirements of Openlands unless otherwise specified in this Agreement.

If Openlands or its subcontractors desire additional coverages, the party desiring additional coverages is responsible for the acquisition and cost.

Notwithstanding any provision in the Agreement to the contrary, the City's Risk Management Department maintains the right to modify, delete, alter or change these requirements.

SECTION 7. INDEMNIFICATION

Openlands will indemnify and defend the City, its officials, agents and employees (the "City Indemnitees") against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, attorneys' and expert witnesses' fees and court costs) the City Indemnitees suffer or incur arising from or in connection with the actions or omissions of Openlands and/or any contractors or subcontractors in implementing the Project, if any, or Openlands's breach of this Agreement. SECTION 8. NO LIABILITY OF OFFICIALS

If Openlands, without the City's written consent (which consent will not be unreasonably withheld, conditioned or delayed) defaults by failing to perform any of its obligations under this Agreement then the City may terminate this Agreement if such default is not cured as provided in Section 9.2 below. If the City so terminates this Agreement, Openlands must repay the City promptly any amounts received pursuant to this Agreement and not yet applied to the Project.

If Openlands does not cure the default within the 30-day period, the termination will become effective at the end of the period. With respect to those defaults that are not capable of being cured within the 30-day period, Openlands will not be deemed to be in default if it has begun to cure the default within the 30-day period and thereafter diligently and continuously prosecutes the cure of the default until cured.

The term business relationship is defined in Section 2-156-080 of the Code.

deposit in a financial institution; or (v) an endowment or insurance policy or annuity contract purchased from an insurance company. Description Of Project.

The Hayes Healy gymnasium of DePaul University was purchased and demolished by the CTA in order to create space for the new Fullerton station house. In response to community concerns about the loss of this historic structure and at the request of Alderman Vi Daley, the CTA salvaged carved limestone relief panels from the building facade.

As an in-kind gift of services to the CTA, the City, through DCASE, will restore six of the panels, each measuring approximately 25 feet by 25 feet and depicting various athletes (skater, football player, wrestler, et cetera) and will permanently install them adjacent to the historic Fullerton Station House, which has been refurbished by the CTA for use as an auxiliary entrance on the north side of Fullerton Avenue. The relief panels will be cleaned, repaired, sealed with a protective coating for long term display and installed in a steel framework system. The six panels will be mounted to steel poles installed on either side of the main stairway of the station house (three panels per side). The panels will be visible to customers as they ascend and descend the stairway, yet out of reach to deter touching or vandalism.

The total value of the in-kind gift of services for the fabrication, delivery and installation of the panels shall not exceed \$67,000.

The Grantee expressly warrants that the Pedestrian Overpass shall be designed and constructed in compliance with all federal, state and local laws and regulations. The Grantee expressly warrants that the Pedestrian Overpass shall be designed and constructed in compliance with accessibility standards, including, but not limited to: (1) the Americans with Disabilities Act of 1990, 42 U.S.C. 12101, et seq., and the regulations promulgated thereunder; (2) the Illinois Environmental Barriers Act (410 ILCS 25/1, et seq. 5) Not-For-Profit.

The Grantee covenants that it is a not-for-profit concern. In the event of a change in the Grantee's not-for-profit status, the Easement will immediately terminate and the new owner of the Hospital Buildings must apply for an Easement or promptly remove the Pedestrian Overpass.

6) Removal And Restoration.

Grantee shall have the right to terminate this Easement at any time. Upon termination of the Easement granted by this Agreement the Grantee, without cost or expense to the City, shall promptly remove the Pedestrian Overpass from the Easement Area, and all other structures and facilities related to the Pedestrian Overpass as may be located in the affected public way, and shall restore the public way to the extent altered or disturbed by the installation, construction, use, operation, inspection, maintenance, repair, replacement or removal of the Pedestrian Overpass, and all work related thereto, to a proper condition under the supervision and to the satisfaction of the Commissioner of Transportation and in accordance with the Municipal Code of Chicago.

property of any person, arising out of, or occurring in any manner relating to the Easement Area or the Pedestrian Overpass. In the event any legal action is taken against City or its agents or any claim is made relating to the Easement Areas or the Pedestrian Overpass, the City may elect to tender said defense to Grantee which shall and must defend such action or claim at Grantee's own expense and City shall cooperate with Grantee in the defense thereof. City shall have the right to join Grantee as a party defendant in any such legal action. This indemnity shall not be the exclusive remedy of the City, and City shall maintain whatever other right of indemnity it may have under common law, by statute, or by ordinance.

8) Maintenance.

- a) The Grantee shall maintain the Pedestrian Overpass at its expense.
- b) The Grantee shall maintain the Pedestrian Overpass so that the improvement does not unduly interfere with any use of the public way by the City, the public, or any person or entity authorized to use or occupy the public way.

9) City Has No Operational Duties.

Any insurance or self-insurance programs maintained by the City of Chicago do not contribute with insurance provided by the Grantee and contractor under the Agreement.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

If Grantee or contractor is a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

16. The applicant acknowledges that is in the public interest to design, construct and maintain the project in a manner which promotes and enables universal access throughout the property. Plans for all future improvements on the property shall be reviewed and approved by the Mayor's Office for People with Disabilities ("MOPD") to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.
 17. Unless substantial construction of the improvements contemplated herein within this planned development has commenced within six (6) years following adoption of this amended planned development, and unless completion is thereafter diligently pursued, then this planned development shall expire and the zoning of the property shall automatically revert back to its prior zoning of C1-2 Neighborhood Commercial District classification. The six (6) year period may be extended for up to one (1) additional year if, before expiration, the Commissioner of the Department of Housing and Economic Development determines that good cause for an extension is shown.

to those of Residential-Business Planned Development 84, as amended.

SECTION 3. This ordinance shall be in force and effect from and after its passage.

Plan of Development Statements attached to this ordinance read as follows:

Residential-Business Planned Development No. _____

Plan Of Development Statements.

1. The area delineated as Residential-Business Planned Development Number 84 consists of approximately one hundred thirty-one thousand eight hundred twenty-nine (131,829) net square feet (3.03 acres) of property bounded by West Grant Place; a line 284.57 feet east of and parallel to North Geneva Terrace; the public alley next north of and parallel to West Webster Avenue; a line 404.80 feet east of and parallel to North Geneva Terrace; West Webster Avenue; the public alley next west of and parallel to North Cleveland Avenue; a line 125 feet south of and parallel to West Webster Avenue; North Lincoln Avenue; and North Geneva Terrace (the "Property"). The applicant, Geneva Webster LLC (the "Applicant") is the owner of the Property.
2. All applicable official reviews, approvals or permits are required to be obtained by the Applicant. Any dedication or vacation of streets, alleys or easements or any adjustments of rights-of-way shall require a separate submittal on behalf of the Applicant, its successors, assignees or grantees and approval by the City Council.
3. The requirements, obligations and conditions contained within this planned development shall be binding upon the Applicant, its successors and assigns and, if different than the Applicant, the legal titleholders and any ground lessees. All rights granted hereunder to the Applicant shall inure to the benefit of the Applicant's successors and assigns and, if different than the Applicant, the legal titleholder and any ground lessees (including any condominium or homeowners' association which may be formed). Furthermore, pursuant to the requirements of Section 17-8-0400 of the Chicago Zoning Ordinance, the Property, at the time of applications for amendments, modifications or changes (administrative, legislative or otherwise) to this planned development are made, shall be under single ownership or under single designated control. For so long as the Applicant owns any part of the Property, the Applicant shall be the sole designated zoning control party for the entire Property including all subareas. At which time the Applicant no longer owns any part of the Property, any changes or modifications to this planned development may be made by owners of the Property in accordance with Section 17-8-0400 of the Chicago Zoning Ordinance. Where portions of the improvements located on the Property have been submitted to the Illinois Condominium Property Act, the term "owner" shall be deemed to refer solely to the condominium association of the owners of such portions of the improvements and not to the individual unit owners therein. Nothing herein shall prohibit or in any way restrict the alienation, sale or any other transfer of all or any portion of the Property or any rights, interests or obligations therein. An agreement among different owners of the Property or a covenant binding upon owners of the Property may designate the parties authorized to apply for future amendments, modifications or other changes to this planned development.

4. This planned development consists of these nineteen (19) statements, a Bulk Regulations and Data Table, an Existing Zoning Map, an Existing Land-Use Map, a Planned Development Boundary and Property Line Map, a Site/Landscape Plan, a Green Roof Plan, a Development Phasing Plan and Building Elevations, all prepared by Solomon Cordwell Buenz, last revised January 19, 2011. Full-sized copies of these plans and elevations are on file with the Department of Zoning and Land Use Planning (with its successors, the "Department"). These and no other zoning controls shall apply to the Property. This planned development conforms to the intent and purpose of the Chicago Zoning Ordinance, Title 17 of the Municipal Code of Chicago, and all requirements thereof, and satisfies the established criteria for approval as a planned development.
5. The uses of the Property permitted pursuant to this planned development shall include:

Subarea 1: Accessory parking; below-grade non-accessory parking; and retail use. Notwithstanding the foregoing, the following retail uses are expressly prohibited: adult uses, flea markets, pawn shops, pet sales and grooming, payday loan stores, and package liquor stores. Loading by semi-trailers serving retail uses in Subarea 1 shall be prohibited on weekdays between the hours of 7:00 A.M. -- 9:00 A.M. and 3:00 P.M. -- 6:00 P.M.

Subarea 2: Medical and related uses; residential dwelling units including, without limitation, dwelling units on the ground floor; accessory parking; and all permitted uses in the B2-3 District, excluding, however, the following: retail uses, entertainment and spectator sports, undertaking, lodging, pet sales and grooming, hair and nail salons, indoor participant sports and recreation, and health clubs.

Subarea 3: Open space and driveway improvements, as depicted on the Site Plan. No buildings shall be permitted on Subarea 3.
6. Business identification signs and temporary signs such as construction and marketing signs shall be permitted subject to the review and approval of the Department. Flashing signs and video display signs shall be prohibited. All other on-premise signs shall be permitted within the planned development subject to the review and approval of the Department, consistent with the provisions of Section 17-12-010, et seq., of the Chicago Municipal Code. Off-premise signs shall not be permitted in the planned development.
7. Closure of all or part of any public streets or alleys during demolition or construction shall be subject to the review and approval of the Chicago Department of Transportation. All work proposed in the public way must be designed and constructed in accordance with the Chicago Department of Transportation Construction Standards for Work in the Public Way and in compliance with the Municipal Code of the City of Chicago.

8. The maximum height of improvements on the Property shall be as designated on the Building Elevations and in the Bulk Regulations and Data Table attached hereto. In addition to the maximum heights of the buildings and any appurtenances attached thereto prescribed in this planned development, the height of any improvements also shall be subject, if applicable, to height limitations as approved by the Federal Aviation Administration.
9. For purposes of floor area ratio ("FAR") calculations, the definitions in the Chicago Zoning Ordinance shall apply.
10. The improvements on the Property shall be designed, constructed and maintained in substantial conformance with the plans described in Statement Number 4 above, in accordance with the parkway tree and parking lot landscaping provisions of the Chicago Zoning Ordinance (to the extent the same are not inconsistent with such plans) and corresponding regulations and guidelines.
11. Prior to issuance by the Department of a determination pursuant to Section 17-13-0610 of the Chicago Zoning Ordinance ("Part II approval") for construction within Subarea 3, a site plan, landscape plan and building elevations for such lots shall be submitted to the Department for review and approval in accordance with the site plan review provisions of Section 17-13-0800. No Part II approval shall be granted until the applicable site plans, landscape plans, elevations and right-of-way plans have been approved by the Department. In the event of any inconsistency between approved site plans, landscape plans and elevations and the terms of the planned development in effect at the time of approval of such site plans and elevations or of the modifications thereto, the terms of the planned development shall govern. Following approval of such site plans, landscape plans and elevations by the Commissioner, the Department shall keep such approved plans and elevations on permanent file and they shall be deemed to be an integral part of this planned development.
12. The City of Chicago established a Part II Review Fee per square foot for the total buildable square feet (floor area). The Part II Review Fee will be assessed by the Department during the actual Part II Review. The fee as determined by the Department staff at that time is final and binding on the Applicant and must be paid to the Department prior to the issuance of any Part II Approval.
13. The terms, conditions and exhibits of this planned development may be modified administratively by the Commissioner of the Department upon the application for such a modification by the owner or ground lessee of the Property and a determination by the Commissioner of the Department that such modification is minor, appropriate and consistent with the nature of the improvements contemplated by this planned development. Any such modification of the requirements of the planned development by the Commissioner of the Department shall be deemed to be a minor change in the

planned development as contemplated by Section 17-13-0611 of the Chicago Zoning Ordinance.

14. The Applicant acknowledges that it is in the public interest to design, construct and maintain all buildings in a manner that promotes and maximizes the conservation of natural resources. The Applicant shall design, construct and maintain all new buildings located within the Property to LEED certification standards and in accordance with the City of Chicago's sustainable development matrix in effect as of the date of approval of this planned development. As set forth on the Green Roof Plan, a minimum 50 percent net green roof (approximately 40,803 square feet) shall be provided.
15. The Applicant acknowledges that it is in the public interest to design, construct and maintain the improvements on the Property in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all new buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities ("MOPD") at the time of application for a building permit to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.
16. All work proposed in the public way must be designed and constructed in accordance with the Chicago Department of Transportation Construction Standards for Work in the Public Way and in compliance with the Municipal Code of the City of Chicago. Any changes to ingress and egress as depicted in the Plans and as set forth below shall be subject to the review and approval of the Department of Transportation and the Department. Off-street parking and loading facilities shall be provided in compliance with this planned development.
17. The Applicant will comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioner of Streets and Sanitation, the Commissioner of the Environment and the Commissioner of Buildings under Section 13-32-125 of the Municipal Code of Chicago or any other provision of that Code.
18. Pursuant to Section 2-45-110 of the Municipal Code (the "Affordable Requirements Ordinance"), an amendment to a planned development which grants additional floor area for the development of 10 or more housing units and/or for which the developer is receiving financial assistance from the City, subjects the development of the additional housing units authorized or permitted by such amendment to the affordability requirements specified under the Affordable Requirements Ordinance. As a result of this amendment to Planned Development Number 84, the City Council has approved additional floor area that authorizes or permits the development of 10 or more units. Ten percent (10%) -- or twenty percent (20%), if financial assistance is provided by the City -- of any housing units developed as part of the planned development are required

to be built as affordable housing, as that term is defined by the Affordable Requirements Ordinance, or a payment-in-lieu must be made prior to permitting. As part of the approval process for any application proposing the construction of residential dwelling units, the Applicant shall also provide, for the review and approval of the Department of Community Development (or any successor department thereto), such information, documents and agreements as may be required under the Affordable Requirements Ordinance to assure that such required affordable housing units are provided and maintained.

19. Unless substantial construction or renovation has commenced within six (6) years of the effective date of this planned development, this amended planned development shall expire upon the sixth anniversary of the effective date hereof. If this amended planned development expires pursuant to the foregoing provision, the zoning of the Property shall automatically revert to the Residential Planned Development Number 84 in effect immediately prior to this amendment. Such reversion shall not render any building existing at the time to be nonconforming. The six year period may be extended for up to one additional year if, before expiration, the Commissioner determines that good cause for an extension is shown.

The following is said ordinance as passed:

WHEREAS, A national leader in the urban green movement, the City of Chicago is proud of its reputation as one of the greenest cities in America and of its commitment to creating a local economy that is prosperous, sustainable, environmentally responsible and fundamentally sound; and

WHEREAS, In keeping with Mayor Richard M. Daley's and the Chicago City Council's belief that it is essential to promote good stewardship of the earth and its resources, a Joint Committee of the Committee on Finance, the Committee on Energy, Environmental Protection and Public Utilities, and the Committee on Economic, Capital and Technology Development of the Chicago City Council established a Chicago Green Business Task Force, comprising city officials, private citizens and business owners, in an effort to find ways to encourage and reward local businesses that adopt environmentally friendly policies and practices; and

WHEREAS, Based on the recommendations of the majority of the Task Force, the Chicago City Council seeks to establish a Chicago Green Business Program to certify businesses that demonstrate environmental leadership; that meet and exceed minimum environmental regulatory requirements; that take voluntary steps to reduce energy and water use, waste and greenhouse gas emissions; that otherwise conserve natural resources; and that challenge themselves to conduct their business activities in an environmentally sound and sustainable manner; and

WHEREAS, Each business that pledges to "go Green" by complying with minimum standards of environmental performance will qualify under the Program for certification as a Chicago Green Business, and will be issued a Chicago Green Business Logo that the business can display and use to market itself to an ever-growing body of environmentally conscious consumers; and

WHEREAS, The Chicago Green Business Program will empower individuals to make purchasing decisions consistent with their own environmental philosophy by providing consumers with invaluable information about the operational practices of the businesses they choose to patronize; and

WHEREAS, By encouraging the growth of a market for businesses that embrace green practices, the Chicago Green Business Program will provide local businesses with an incentive to implement environmentally friendly policies, such as resource and energy conservation, pollution prevention, and air emissions and solid waste reduction, thereby decreasing the negative impact of business on the environment; and

WHEREAS, The initial thrust of the Chicago Green Business Program is directed at establishing minimum, common-sense standards that all businesses wishing to participate in the Program will be expected to meet. The Program, however, is designed to enable the City of Chicago's Department of the Environment to develop, over time, additional minimum standards for particular industries seeking certification as a Chicago Green Business, such as restaurants, automobile repair shops, office and retail establishments, hotels, contractors and landscapers; and

WHEREAS, Environmental leadership, responsibility, flexibility and choice are the hallmarks of the Chicago Green Business Program. These qualities, coupled with a legal mechanism that allows for the ongoing development of an innovative, technologically current and nuanced checklist of business-specific green practices and standards, will ensure that the Chicago Green Business Program remains viable and relevant in the twenty-first century; and

WHEREAS, With support from local businesses, the Chicago Green Business Program will guarantee Chicago's future as a clean, environmentally responsible, and evergreen place for all Chicagoans to live, work and play; now, therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SUPPORT OF ILLINOIS HOUSE BILL 1109 (THE LENDER RESPONSIBILITY AND FAST TRACK FORECLOSURE BILL).

[R2011-437]

A resolution, presented by the Honorable Richard M. Daley, Mayor, and Aldermen Moreno, Fioretti, Dowell, Newsome, Hairston, Lyle, Jackson, Harris, Beale, Pope, Balcer, Thompson, Thomas, Lane, Cochran, Dixon, Solis, Maldonado, Burnett, Ervin, Graham, Reboyras, Suarez, Waguespack, Mell, Colón, Rice, Mitts, Laurino, Doherty, Daley, Tunney, Shiller, M. Smith and Stone, reading as follows:

WHEREAS, In 2010, there were 23,364 mortgage foreclosure filings in Chicago, which compares to an annual average of just over 8,000 foreclosure filings in recent years prior to the housing crisis; and

WHEREAS, Foreclosures are devastating for neighborhoods because vacant and abandoned properties depress home values, weaken the tax base, breed crime, and drive up governmental costs as municipalities bear the burden of securing and maintaining these properties; and

WHEREAS, The foreclosure process can last as long as 12 to 18 months, and many homeowners in foreclosure move out of their house before the foreclosure is complete, leaving no one to maintain and secure the property; and

WHEREAS, House Bill 1109, the Lender Responsibility and Fast Track Foreclosure Bill, has been introduced into the Illinois General Assembly and has passed out of committee in the House of Representatives; and

WHEREAS, The Lender Responsibility and Fast Track Foreclosure Bill will authorize municipalities to hold mortgage lenders, including banks and their agents, responsible for

maintaining and securing vacant and abandoned properties, and will give municipalities priority liens to help them recover some of their fines and costs associated with vacant properties; and

WHEREAS, The bill also will give lenders the legal right, as well as the responsibility, to take action to preserve their portfolio of vacant properties during the foreclosure process, and will hold those lenders harmless against trespass and other claims when they are engaged in such compliance activity; and

WHEREAS, In addition, House Bill 1109 would reduce the foreclosure "redemption period" that lenders and their agents must wait to receive their judicial deed to vacant abandoned properties from 90 to 30 days, thereby reducing the amount of time a building remains unoccupied and an inviting target for thieves, vandals, squatters and gangs; and

WHEREAS, The City Council believes that passage of House Bill 1109 will provide the City with powerful tools to combat problems caused by vacant and abandoned properties, and to help stabilize neighborhoods throughout Chicago; now, therefore,

Be It Resolved, That we, the Mayor and members of the City Council of the City of Chicago, assembled this 13th day of April 2011, do hereby express our strong support for House Bill 1109, the Lender Responsibility and Fast Track Foreclosure Bill; and we urge that both Houses of the Illinois General Assembly pass the bill, and that the Governor sign the bill when it arrives on his desk; and

Be It Further Resolved, That copies of this resolution be delivered to the Governor of the State of Illinois, the President of the Illinois Senate, the Minority Leader of the Illinois Senate, the Speaker of the Illinois House of Representatives, and the Minority Leader of the Illinois House of Representatives.
