*To the Honorable, The City Council of the City of Chicago:*

LADIES AND GENTLEMEN -- I transmit herewith a resolution honoring the life and memory of Firefighter Walter Patmon, Jr.

Your favorable consideration of this resolution will be appreciated.

Very truly yours,

(Signed) RAHM EMANUEL,  
*Mayor.*

Alderman Burke moved to *Suspend the Rules Temporarily* to permit immediate consideration of and action upon the said proposed resolution. The motion *Prevailed*.

The following is said proposed resolution:

WHEREAS, The members of this chamber were deeply saddened to learn of the passing on November 11, 2012, at age 61, of City of Chicago Firefighter Walter Patmon, Jr., who died in the line of duty; and

WHEREAS, Mr. Patmon was born February 17, 1951 in Chicago to Walter and Annie V. Patmon; and

WHEREAS, Walter Patmon, Jr. was the second of three children. He had an older brother, Joe and a younger sister, Mary Ann; and

WHEREAS, From an early age, Mr. Patmon was an individual of deep religious faith; and

WHEREAS, As a youngster, Mr. Patmon was affectionately known as "Walkie". He grew up on the West and South Sides of Chicago and attended Oglesby Elementary School. While attending elementary school, Mr. Patmon befriended a group of young men, who formed a brotherhood which lasted almost half a century; and

WHEREAS, Mr. Patmon graduated from Calumet High School in 1969. He then went to work for Michael Reese Hospital, where he met his wife, Diane. The couple was married for 33 years and they had three daughters together: Windy, Kirby and Kirwin. Mr. Patmon was deeply committed to his family; and

WHEREAS, In 1985, Mr. Patmon took the firefighter's examination and was placed on a waiting list. Finally, in 1994, his dream came true and he became a City of Chicago firefighter; and

WHEREAS, Upon graduation from the Fire Academy, Mr. Patmon was assigned to Truck Company 19 on the near north side, then transferred to Truck Company 40 in the Beverly area. A veteran firefighter for 18 years, he was committed to his fire company and helping people; and

WHEREAS, Mr. Patmon was very passionate about cooking. Friends, family, and co-workers often proclaimed his barbecue the "best ever". He was known for his dry seasoning mix called the "bub rub", a secret combination of spices that made Mr. Patmon's barbecue worth waiting for off the grill; and

WHEREAS, Walter Patmon, Jr. is survived by his loving wife, Diane, and his beautiful and gifted daughters: Windy, Kirby and Kirwin; his dear brother, Joe Williams; and his caring sister, Mary Ann; and many relatives and friends, who will miss him dearly; now, therefore,

*Rules Suspended* -- GRATITUDE EXTENDED TO CHICAGO POLICE OFFICERS DAVID P. UTING AND JESSIE A. ROSARIO, JR. FOR APPREHENSION OF ARMED ROBBERS.

[R2013-12]

The Honorable Rahm Emanuel, Mayor, presented the following communication:

OFFICE OF THE MAYOR  
CITY OF CHICAGO

January 17, 2013.

*To the Honorable, The City Council of the City of Chicago:*

LADIES AND GENTLEMEN -- I transmit herewith a congratulatory resolution concerning the Chicago Police Department.

Your favorable consideration of this resolution will be appreciated.

Very truly yours,

(Signed) RAHM EMANUEL,  
Mayor.

Alderman Burke moved to *Suspend the Rules Temporarily* to permit immediate consideration of and action upon the said proposed resolution. The motion *Prevailed*.

The following is said proposed resolution:

WHEREAS, On the night of October 5, 2012, a young Chicago man fell victim to crime when two assailants robbed him of his iPhone at gunpoint; and

WHEREAS, The next day, the young victim used the "find my iPhone" application, which led him and his father to a cell phone repair shop in the 1700 block of West North Avenue; and

WHEREAS, The shop's manager told them that a man had brought the iPhone in to the store earlier and had asked him to unlock it. Upon learning that it would take at least 45 minutes, the man had said that he would be back later, then left the store. The manager told the victim that the suspect should be back any minute; and

WHEREAS, A few minutes later, the victim, watching from a sheltered location, saw his assailant enter the store, then he immediately called 9-1-1; and

WHEREAS, Responding to the call for help were 14<sup>th</sup> District Officers David P. Uting (Star Number 18814) and Jessie A. Rosario, Jr. (Star Number 10319) of the Chicago Police Department; and

WHEREAS, Officers Uting and Rosario entered the store and began questioning the suspect. At first he told them that he was there to get his iPhone, then said that he was picking up his girlfriend's phone. When the victim and his father entered the store, the man became visibly nervous, and offered to retrieve his girlfriend from his car to verify his story, to no avail; and

WHEREAS, After the victim confirmed that the man was his attacker, Officers Rosario and Uting began a protective pat-down search. When the man began reaching his left hand down towards his waistband, Officer Rosario ordered him to keep his hands out of his pockets; and

WHEREAS, Adding to an already tense, charged situation, the offender's girlfriend entered the store and began to try to interfere. As Officer Rosario's search neared the offender's

waistband, the man suddenly tried to pull out a Smith & Wesson 9mm semiautomatic handgun; and

WHEREAS, Instantly, Officer Rosorio pushed the man against the wall, causing him to extend his arms to catch himself. Simultaneously, Officer Uting grabbed the pistol and began to wrestle it from the man's hand. Suddenly, the girlfriend attacked Officer Uting, jumping onto his back, but he kept focus, and disarmed the man without a shot being fired; and

WHEREAS, Both the man and his girlfriend were quickly subdued and placed under arrest. A subsequent investigation revealed that the gunman was a convicted felon, and a check of the weapon's serial number revealed that it had been stolen from a security guard in an unrelated theft; and

WHEREAS, Further investigation revealed that the gunman's cousin had also been involved in the cell-phone robbery, and he was arrested by fellow 14<sup>th</sup> District officers that night. The gunman was charged with armed robbery, unlawful use of weapon by a felon, and resisting arrest, and his girlfriend was also charged with resisting arrest; and

WHEREAS, Thanks to the superb training, quick reflexes and courage of these two officers, a pair of armed criminals were taken off the streets of Chicago, further misdeeds were averted, and a victim had his property restored to him; now, therefore,

*Be It Resolved*, That we, the Mayor and members of the City Council of the City of Chicago, assembled this 17<sup>th</sup> day of January 2013, do hereby applaud Chicago Police Officers David P. Uting and Jessie A. Rosario, Jr. for their professionalism, valor and exceptional efforts on behalf of the citizenry of Chicago; and

*Be It Further Resolved*, That suitable copies of this resolution be presented to these members of the Chicago Police Department, and placed on permanent record in their personnel files, as a token of our appreciation and esteem.

On motion of Alderman Burke seconded by Aldermen Moreno, Fioretti, Balcer, Waguespak, Mell and Sposato the foregoing resolution was *Adopted* by yeas and nays as follows:

*Yeas* -- Aldermen Moreno, Fioretti, Dowell, Burns, Hairston, Sawyer, Harris, Beale, Pope, Balcer, Cárdenas, Quinn, Burke, Foulkes, Thompson, Thomas, Lane, O'Shea, Cochran, Brookins, Muñoz, Zalewski, Chandler, Solis, Maldonado, Burnett, Ervin, Graham, Reboyras, Suarez, Waguespack, Mell, Austin, Colón, Sposato, Mitts, Cullerton, Laurino, P. O'Connor, M. O'Connor, Reilly, Smith, Tunney, Arena, Cappleman, Pawar, Osterman, Moore, Silverstein -- 49.

*Nays* -- None.

Alderman Pope moved to reconsider the foregoing vote. The motion was lost.

At this point in the proceedings, the Honorable Rahm Emanuel, Mayor, rose and on behalf of a grateful city, extended appreciation to Police Officers David P. Uting and Jessie A. Rosario, Jr. for their apprehension of two armed robbers. Lauding the honorees for their professionalism and courage during a life-threatening incident, Mayor Emanuel declared the officers examples for the recent graduates of the Police Academy and a testament to the vital role and responsibility entrusted to these guardians of the "thin blue line". Decrying the scourge of guns and violence which besets communities across America, Mayor Emanuel spoke of the need for improved background checks to prevent criminals from obtaining guns and called upon legislators to support passage of more comprehensive and effective gun control legislation and ensure that every community is provided a full complement of police officers. Mayor Emanuel then invited Police Officers David P. Uting and Jessie A. Rosario, Jr. to the Mayor's rostrum where he expressed his personal thanks and presented each with a parchment copy of the congratulatory resolution.

Re: Amending Agreement to Administrative Services Agreement (the "Agreement")

Ladies and Gentlemen:

I have acted as counsel for SomerCor 504, Inc., an Illinois not-for-profit corporation ("SomerCor"), in connection with the execution and delivery of the Agreement by and

between SomerCor and the City of Chicago, acting by and through its Department of Housing and Economic Development (the "City"). SomerCor has requested that this opinion be furnished to the City.

In so acting as counsel for the SomerCor I have examined:

- (i) an executed original of the Agreement;
- (ii) the Articles of Incorporation, including all amendments thereto, of SomerCor as furnished and certified by the Secretary of State of the State of Illinois;
- (iii) the Bylaws of SomerCor, as certified by the Secretary of SomerCor as of the date hereof; and
- (iv) the Certificate of Good Standing dated \_\_\_\_\_, issued by the Office of the Secretary of State of the State of Illinois, as to the good standing of SomerCor.

In my capacity as counsel, I have also examined such other documents or instruments as I have deemed relevant for the purposes of rendering the opinions hereinafter set forth.

I have also assumed, but have no reason to question, the legal capacity, authority and the genuineness of the signatures of and due and proper execution and delivery by the respective parties other than SomerCor which has made, executed or delivered or will make, execute and deliver the agreements and documents examined by me.

I express no opinion as to (i) the laws of any state or jurisdiction other than the State of Illinois (and any political subdivisions thereof) and the United States of America; and (ii) any matters pertaining or relating to the securities laws of the United States of America, the State of Illinois or any other state.

Based upon and subject to the assumptions and qualifications herein stated, it is my opinion that:

1. SomerCor is a not-for-profit corporation, duly organized and validly existing under the laws of the State of Illinois, SomerCor has made all filings required by the laws of the State of Illinois in respect of its formation and continuing existence, and has all requisite authority to carry on its business and to execute and deliver, and to consummate the transactions contemplated by, the Agreement.
2. The Agreement has been duly executed and delivered on behalf of SomerCor, and constitutes a legal, valid and binding obligation of SomerCor, enforceable against SomerCor in accordance with its terms, except to the extent that enforcement of any

such terms may be limited by: (a) applicable bankruptcy, reorganization, debt arrangement, insolvency or other similar laws generally affecting creditors' rights; or (b) judicial and public policy limitations upon the enforcement of certain remedies including those which a court of equity may in its discretion decline to enforce.

3. There is no action, suit or proceeding at law or in equity pending, nor to my knowledge threatened, against or affecting SomerCor, before any court or before any governmental or administrative agency, which if adversely determined could materially and adversely affect the ability of SomerCor to perform under the Agreement or any of its business or properties or financial or other conditions.
4. The transactions contemplated by the Agreement are governed by the laws of the State of Illinois.
5. The execution and delivery of the Agreement and the consummation of the transactions contemplated thereby will not constitute:
  - A. a violation or breach of (i) the Articles of Incorporation of SomerCor, (ii) the Bylaws of SomerCor, (iii) any provision of any contract or other instrument to which SomerCor is bound, or (iv) any order, writ, injunction, decree, statute, rule or regulation binding on SomerCor, or

The Park District and the City are sometimes referred to herein as the "Parties".

B. The Park District is a unit of local government under Article VII, Section 1 of the 1970 Constitution of the State of Illinois and, as such, has the authority to exercise control over and supervise the operation of parks within the corporate limits of the City.

C. The Park District seeks payment or reimbursement of funds expended for the rehabilitation of and improvements made to Harris Park (the "Project"), a 2.2 acre park located at 6200 South Drexel Avenue and legally described in (Sub)Exhibit A (the "Property").

D. The Park District owns the Property that lies wholly within the boundaries of the Woodlawn Redevelopment Area (as hereinafter defined).

E. The City is authorized under the provisions of the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1, et seq., as amended from time to time (the "Act"), to finance projects that eradicate blight conditions and conservation factors that could lead to blight through the use of tax increment allocation financing for redevelopment projects.

F. In accordance with the provisions of the Act, pursuant to ordinances adopted on January 20, 1999 and published in the *Journal of the Proceedings of the City Council of the City of Chicago* (the "*Journal*") for said date at pages 87763 to 87860, the City Council: (i) approved and adopted a redevelopment plan and project (the "Plan") for a portion of the City known as the "Woodlawn Redevelopment Project Area" (the "Woodlawn Redevelopment Area"); (ii) designated the Woodlawn Redevelopment Area as a "redevelopment project area"; and (iii) adopted tax increment allocation financing for the Woodlawn Redevelopment Area.

G. Under 65 ILCS 5/11-74.4-3(q)(7), such incremental ad valorem taxes which pursuant to the Act have been collected and are allocated to pay redevelopment project costs and obligations incurred in the payment thereof ("Increment") may be used to pay all or a portion of a taxing district's capital costs resulting from a redevelopment project necessarily incurred or to be incurred in furtherance of the objectives of the redevelopment plan and project, to the extent the municipality by written agreement accepts and approves such costs. (Increment collected from the Woodlawn Redevelopment Area shall be known as the "Woodlawn Increment").

H. HED wishes to make available to the Park District a portion of the Woodlawn Increment in an amount not to exceed a total of \$1,000,425 (the "TIF Assistance"), subject to Section 2.6, for the purpose of funding the Project (the "TIF-Funded Improvements") in the Woodlawn Redevelopment Area to the extent and in the manner provided in the Agreement (as hereinafter defined).

I. The Plan contemplates that tax increment financing assistance would be provided for public improvements, such as the Project, within the boundaries of the Woodlawn Redevelopment Area.

J. The Park District is a taxing district under the Act.

K. In accordance with the Act, the TIF-Funded Improvements shall include such of the Park District's capital costs necessarily incurred or to be incurred in furtherance of the objectives of the Plan, and the City has found that the TIF-Funded Improvements consist of the cost of the Park District's capital improvements that are necessary and directly result from the redevelopment project constituting the Project and, therefore, constitute "taxing districts' capital costs" as defined in Section 5/11-74.4-3(u) of the Act.

L. The City and the Park District wish to enter into this Agreement whereby the Park District shall undertake the Project and the City shall reimburse the Park District for the TIF-Funded Improvements made pursuant to the Project.

M. On \_\_\_\_\_, the City Council adopted an ordinance published in the *Journal* for said date at pages \_\_\_\_\_ to \_\_\_\_\_, (the "Authorizing Ordinance"), among other things, authorizing the execution of this Agreement.

N. On March 14, 2012, the Park District's Board of Commissioners passed a resolution expressing its desire to cooperate with the City in the completion of the Project and authorizing the execution of this Agreement (the "Park District Ordinance").

Now, Therefore, In consideration of the mutual covenants and agreements contained herein, the above recitals which are made a contractual part of this Agreement, and other good and valuable consideration the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

### *Terms And Conditions.*

#### *Section 1.*

#### *The Project.*

##### 1.1

[Intentionally omitted -- relating to the acquisition/conveyance of property]

##### 1.2

No later than 12 months from the Closing Date, or later as the Commissioner of HED (the "Commissioner") may agree in writing, the Park District shall let one or more contracts for the

Project in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, all as may be in effect from time to time, pertaining to or affecting the Project or the Park District as related thereto.

### 1.3

The plans and specifications for the Project (the "Plans and Specifications") shall at a minimum meet or shall have met the general requirements set forth in (Sub)Exhibit B hereof and shall be provided to the City by the Park District prior to the disbursement of the TIF Assistance. No material deviation from the Plans and Specifications may be made without the prior written approval of the City. The Park District shall comply with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, all as may be in effect from time to time, pertaining to or affecting the Project or the Park District as related thereto.

### 1.4

The Park District shall also provide the City with copies of all governmental licenses and permits required to construct the Project and to use, occupy and operate the Property as a public park from all appropriate governmental authorities, including evidence that the Property is appropriately zoned to be used, occupied, and operated as a public park.

### 1.5

The Park District shall include a certification of compliance with the requirements of Sections 1.2, 1.3, and 1.4 hereof with the request for the TIF Assistance hereunder at the time the Project is completed and prior to the disbursement of the TIF Assistance. The City shall be entitled to rely on this certification without further inquiry. Upon the City's request, the Park District shall provide evidence satisfactory to the City of such compliance.

## *Section 2.*

### *Funding.*

### 2.1

The City shall, subject to the Park District's satisfaction of the conditions precedent for disbursement described in this Section 2 and such other conditions contained in this Agreement, disburse the TIF Assistance to the Park District.

## 2.2

The City shall establish a special account within the Woodlawn Redevelopment Area Special Tax Allocation Fund; such special account is or shall be known as the "Harris Park Account". Disbursement of TIF Assistance funds will be subject to the availability of Woodlawn Increment in the Harris Park Account, subject to all restrictions on and obligations of the City contained in all Woodlawn Ordinances, or relating to the Woodlawn Increment and all agreements and other documents entered into by the City pursuant thereto.

## 2.3

Within 15 days after the Closing Date or such longer period of time as may be agreed to by the Commissioner, but in no event later than 30 days after the execution of this Agreement (the "Satisfaction Period"), the Park District must satisfy to the reasonable satisfaction of the Commissioner, the following conditions precedent for City's disbursement of the TIF Assistance to the Park District:

2.3.1 the Park District has satisfactory title to the Property, which may be evidenced by an acceptable title insurance policy, subject only to those title exceptions acceptable to the City and the Park District; and

2.3.2 [Intentionally omitted -- relating to title imperfections]

2.3.3 the Park District has satisfied the conditions stated in this Section 2.3 within the Satisfaction Period. If the Park District is unable to satisfy said conditions, either Party may terminate this Agreement by providing written notice to the other Party.

## 2.4

The Park District may request that a certificate(s) of expenditure in the form of (Sub)Exhibit D hereto ("Certificates of Expenditure") be processed and executed periodically, but in no event more frequently than quarterly. The City shall not execute Certificates of Expenditure in the aggregate in excess of the actual costs of the Project that are TIF-Funded Improvements. Prior to each execution of a Certificate of Expenditure by the City, the Park District shall submit documentation regarding the applicable expenditures to the City. Delivery by the Park District to the City of any request for execution by the City of a Certificate of Expenditure hereunder shall, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such request for execution of a Certificate of Expenditure, that:

2.4.1 the total amount of the request for the Certificate of Expenditure represents the actual amount payable to (or paid to) the general contractor, subcontractors, and other parties who have performed work on or otherwise provided goods or services in connection with the Project, and/or their payees;

2.4.2 all amounts shown as previous payments on the current request for a Certificate of Expenditure have been paid to the parties entitled to such payment;

2.4.3 the Park District has approved all work and materials for the current request for a Certificate of Expenditure, and such work and materials conform to the Plans and Specifications; and

2.4.4 the Park District is in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, all as may be in effect from time to time, pertaining to or affecting the Project or the Park District as related thereto.

## 2.5

The City shall have the right, in its discretion, to require the Park District to submit further documentation as the City may require in order to verify that the matters certified to in Section 2.4 are true and correct, and any execution of a Certificate of Expenditure by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by the Park District.

## 2.6

The current estimate of the cost of the Project is \$2,000,850. The Park District has delivered to the Commissioner a budget for the Project attached as (Sub)Exhibit C. The Park District certifies that it has identified sources of funds, including the TIF Assistance, sufficient to complete its budgeted portion of the Project. The Park District agrees that the City will reimburse the Park District with the TIF Assistance for the costs of the Project and that all costs of completing the Project over the TIF Assistance shall be the sole responsibility of the Park District. If the Park District at any point does not have sufficient funds to complete the Project, the Park District shall so notify the City in writing, and the Park District may narrow the scope of the Project (the "Revised Project") as agreed with the City in order to complete the Revised Project with the available funds.

## 2.7

(Sub)Exhibit C contains a preliminary list of capital improvements, land assembly costs, relocation costs, financing costs, and other costs, if any, recognized by the City as being eligible redevelopment project costs under the Act with respect to the Project, to be paid for out of the TIF Assistance. To the extent the TIF-Funded Improvements are included as taxing district capital costs under the Act, the Park District acknowledges that the TIF-Funded Improvements are costs for capital improvements and the City acknowledges it has determined that these TIF-Funded Improvements are necessary and directly result from the Plan. Prior to the expenditure of TIF Assistance on the Project, the Commissioner, based

upon the Project budget, may make such modifications to (Sub)Exhibit C as he or she wishes in his or her discretion to account for all of the TIF Assistance to be expended under this Agreement; provided, however, that all TIF-Funded Improvements shall (i) qualify as redevelopment project costs under the Act; (ii) qualify as eligible costs under the Plan; and (iii) be improvements that the Commissioner has agreed to pay for out of TIF Assistance funds, subject to the terms of this Agreement.

## 2.8

The Park District hereby acknowledges and agrees that the City's obligations hereunder with respect to the TIF Assistance are subject in every respect to the availability of funds as described in and limited by this Section 2. If no funds or insufficient funds are appropriated and budgeted in any fiscal period of the City for disbursements of the TIF Assistance, then the City will notify the Park District in writing of that occurrence, and the City may terminate this Agreement on the earlier of the last day of the fiscal period for which sufficient appropriation was made or whenever the funds appropriated for disbursement under this Agreement are exhausted.

## 2.9

If the aggregate cost of the Project is less than the amount of the TIF Assistance contemplated by this Agreement, the Park District shall have no claim to the difference between the amount of the TIF Assistance contemplated by this Agreement and the amount of the TIF Assistance actually paid by the City to the Park District and expended by the Park District on the Project.

## *Section 3.*

### *Term.*

## 3.1

The term of this Agreement shall commence on the Closing Date and shall expire on the date on which the Woodlawn Redevelopment Area is no longer in effect, or on the date of termination of this Agreement according to its terms, whichever occurs first.

This 2650 Milwaukee LLC Redevelopment Agreement (this "Agreement") is made as of this \_\_\_\_ day of \_\_\_\_, 2013, by and between the City of Chicago, an Illinois municipal corporation (the "City"), through its Department of Housing and Economic Development ("HED"), and 2650 Milwaukee LLC, an Illinois limited liability company (the "Developer").

RECITALS.

A. Constitutional Authority: As a home rule unit of government under Section 6(a), Article VII of the 1970 Constitution of the State of Illinois (the "State"), the City has the power to regulate for the protection of the public health, safety, morals and welfare of its inhabitants, and pursuant thereto, has the power to encourage private development in order to enhance the local tax base, create employment opportunities and to enter into contractual agreements with private parties in order to achieve these goals.

B. Statutory Authority: The City is authorized under the provisions of the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1 et seq., as amended from time to time (the "Act"), to finance projects that eradicate blighted conditions and conservation area factors through the use of tax increment allocation financing for redevelopment projects.

C. City Council Authority: To induce redevelopment pursuant to the Act, the City Council of the City (the "City Council") adopted the following ordinances on October 26, 1999: (1) "An Ordinance of the City of Chicago, Illinois Approving a Redevelopment Plan for the Fullerton/Milwaukee Redevelopment Project Area"; (2) "An Ordinance of the City of Chicago, Illinois Designating the Fullerton/Milwaukee Redevelopment Project Area as a Redevelopment Project Area Pursuant to the Tax Increment Allocation Redevelopment Act"; and (3) "An Ordinance of the City of Chicago, Illinois Adopting Tax Increment Allocation Financing for the Fullerton/Milwaukee Redevelopment Project Area" (the "TIF Adoption Ordinance") (items(1)-(3) collectively referred to herein as the "TIF Ordinances"). The redevelopment project area referred to above (the "Redevelopment Area") is legally described in Exhibit A hereto.

D. The Project: The Developer currently owns certain property located within the Redevelopment Area at 2636-56 N. Milwaukee, Chicago, Illinois 60647 and legally described on Exhibit B hereto (the "Property"), located within the building commonly known as the Logan Theatre (the "Building"), and, has undertaken rehabilitation of an approximately 12,000 square foot theater, containing 904 seats (which number may be reduced to accommodate more spacious seating), with approximately 8,000 square feet of adjacent storefront space and no parking spaces.

Rehabilitation of the Property also included repairing the Building's historic marquee sign, installing new theater seats, rehabbing the lobby, improving the concession stand, installing new projection and audio equipment, and building new ADA-compliant restrooms. The Property and related improvements (including but not limited to those TIF-Funded Improvements as defined below and set forth on Exhibit C) are collectively referred to herein as the "Project."

There are currently 18 occupied residential rental units on floors two and three of the Building; the Developer agrees to maintain the greater of (x) 20% of total residential rental units in the Building affordable, or (y) four (4) residential rental units in the Building affordable, as more fully set forth in Section 8.27. The completion of the Project would not reasonably be anticipated without the financing contemplated in this Agreement.

E. Redevelopment Plan: The Project will be carried out in accordance with this Agreement and the City of Chicago Fullerton/Milwaukee Tax Increment Financing Redevelopment Plan (the "Redevelopment Plan") attached hereto as Exhibit D.

F. City Financing: The City agrees to use, in the amounts set forth in Section 4.03 hereof, Incremental Taxes (as defined below), to pay for or reimburse the Developer for the costs of TIF-Funded Improvements (as defined below) pursuant to the terms and conditions of this Agreement.

Now, therefore, in consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

## SECTION 1. RECITALS.

The foregoing recitals are hereby incorporated into this agreement by reference.

## SECTION 2. DEFINITIONS.

For purposes of this Agreement, in addition to the terms defined in the foregoing recitals, the following terms shall have the meanings set forth below:

"Act" shall have the meaning set forth in the Recitals hereof.

"Actual residents of the City" shall mean persons domiciled within the City.

"Affiliate" shall mean any person or entity directly or indirectly controlling, controlled by or under common control with the Developer or an Approved Successor.

"Annual Compliance Report" shall mean a signed report from the Developer to the City (a) itemizing each of the Developer's obligations under the Agreement during the preceding calendar year, (b) certifying the Developer's compliance or noncompliance with such obligations, (c) attaching evidence (whether or not previously submitted to the City) of such compliance or noncompliance and (d) certifying that the Developer is not in default with respect to any provision of the Agreement, the agreements evidencing the Lender Financing, if any, or any related agreements; provided, that the obligations to be covered by the Annual Compliance Report shall include the following: (1) compliance with the Operating Covenant (Section 8.06); (2) compliance with the Affordable Housing Covenant (Section 8.27); (3) delivery of Financial Statements and unaudited financial statements (Section 8.13); (4) delivery of updated insurance certificates, if applicable (Section 8.14); (5) delivery of evidence of payment of Non-Governmental Charges, if applicable (Section 8.15); and (6) compliance with all other executory provisions of the Agreement.

5.07 Surveys. The Developer has furnished the City with three (3) copies of the Survey.

5.08 Insurance. The Developer, at its own expense, has insured the Property in accordance with Section 12 hereof, and has delivered certificates required pursuant to Section 12 hereof evidencing the required coverages to HED.

5.09 Opinion of the Developer's Counsel. On the Closing Date, the Developer has furnished the City with an opinion of counsel, substantially in the form attached hereto as Exhibit I, with such changes as required by or acceptable to Corporation Counsel. If the Developer has engaged special counsel in connection with the Project, and such special counsel is unwilling or unable to give some of the opinions set forth in Exhibit I hereto, such opinions were obtained by the Developer from its general corporate counsel.

5.10 Evidence of Prior Expenditures. The Developer has provided evidence satisfactory to HED in its sole discretion of the Prior Expenditures in accordance with the provisions of Section 4.05(a) hereof.

5.11 Financial Statements. The Developer has provided Financial Statements to HED for its most recent fiscal year, and audited or unaudited interim financial statements.

5.12 Documentation. The Developer has provided documentation to HED, satisfactory in form and substance to HED, with respect to current employment matters, including the reports described in Section 8.07.

5.13 Environmental. The Developer has provided HED with copies of any environmental reports or audits obtained by the Developer with respect to the Property, together with notices addressed to the Developer from any agency regarding environmental issues at the Property. The Developer has provided the City with a letter from the environmental engineer(s) who completed such audit(s), if any, authorizing the City to rely on such audits.

5.14 Corporate Documents; Economic Disclosure Statement. The Developer has provided a copy of its Articles of Organization containing the original certification of the Secretary of State of its state of organization; certificates of good standing from the Secretary of State of its state of organization and all other states in which the Developer is qualified to do business; a secretary's certificate in such form and substance as the Corporation Counsel may require; Operating Agreement of the limited liability company; and such other documentation as the City has requested. The Developer has provided to the City an Economic Disclosure Statement, in the City's then current form, dated as of the Closing Date.

5.15 Litigation. The Developer has provided to Corporation Counsel and HED, a description of all pending or threatened litigation or administrative proceedings involving the Developer, specifying, in each case, the amount of each claim, an estimate of probable liability, the amount of any reserves taken in connection therewith and whether (and to what extent) such potential liability is covered by insurance.

## SECTION 6. AGREEMENTS WITH CONTRACTORS.

6.01 Bid Requirement for General Contractor and Subcontractors, (a) Except as set forth in Section 6.01(b) below, prior to entering into an agreement with a General Contractor or any subcontractor for construction of the Project, the Developer shall solicit, or shall cause the General Contractor to solicit, bids from qualified contractors eligible to do business with, and having an office located in, the City of Chicago, and shall submit all bids received to HED for its inspection and written approval. For the TIF-Funded Improvements, the Developer shall select the General Contractor (or shall cause the General Contractor to select the subcontractor) submitting the lowest responsible bid who can complete the Project in a timely manner. If the Developer selects a General Contractor (or the General Contractor selects any subcontractor) submitting other than the lowest responsible bid for the TIF-Funded Improvements, the difference between the lowest responsible bid and the bid selected may not be paid out of City Funds. For Project work other than the TIF-Funded Improvements, if the Developer selects a General Contractor (or the General Contractor selects any subcontractor) who has not submitted the lowest responsible bid, the difference between the lowest

responsible bid and the higher bid selected shall be subtracted from the actual total Project costs for purposes of the calculation of the amount of City Funds to be contributed to the Project pursuant to Section 4.03(b) hereof. The Developer shall submit copies of the Construction Contract to HED in accordance with Section 6.02 below. Photocopies of all subcontracts entered or to be entered into in connection with the TIF-Funded Improvements shall be provided to HED within five (5) business days of the execution thereof. The Developer shall ensure that the General Contractor shall not (and shall cause the General Contractor to ensure that the subcontractors shall not) begin work on the Project until the Plans and Specifications have been approved by HED and all requisite permits have been obtained.

(b) If, prior to entering into an agreement with a General Contractor for construction of the Project, the Developer does not solicit bids pursuant to Section 6.01(a) hereof, then the fee of the General Contractor proposed to be paid out of City Funds shall not exceed [ten percent (10%)] of the total amount of the Construction Contract. Except as explicitly stated in this paragraph, all other provisions of Section 6.01(a) shall apply, including but not limited to the requirement that the General Contractor shall solicit competitive bids from all subcontractors.

6.02 Construction Contract. Prior to the execution thereof, the Developer shall deliver to HED a copy of the proposed Construction Contract with the General Contractor selected to handle the Project in accordance with Section 6.01 above, for HED's prior written approval, which shall be granted or denied within ten (10) business days after delivery thereof. Within ten (10) business days after execution of such contract by the Developer, the General Contractor and any other parties thereto, the Developer shall deliver to HED and Corporation Counsel a certified copy of such contract together with any modifications, amendments or supplements thereto.

6.03 Performance and Payment Bonds. Prior to the commencement of any portion of the Project which includes work on the public way, the Developer shall require that the General Contractor be bonded for its payment by sureties having an AA rating or better using a bond in the form attached as Exhibit L hereto. The City shall be named as obligee or co-obligee on any such bonds.

6.04 Employment Opportunity. The Developer shall contractually obligate and cause the General Contractor and each subcontractor to agree to the provisions of Section 10 hereof.

6.05 Other Provisions. In addition to the requirements of this Section 6, the Construction Contract and each contract with any subcontractor shall contain provisions required pursuant to Section 3.04 (Change Orders), Section 8.09 (Prevailing Wage), Section 10.01(e) (Employment Opportunity), Section 10.02 (City Resident Employment Requirement), Section 10.03 (MBE/WBE Requirements, as applicable), Section 12 (Insurance) and Section 14.01 (Books and Records) hereof. Photocopies of all contracts or subcontracts entered or to be entered into in connection with the TIF-Funded Improvements shall be provided to HED within five (5) business days of the execution thereof.

## SECTION 7. COMPLETION OF CONSTRUCTION OR REHABILITATION.

7.01 Certificate of Completion of Construction or Rehabilitation. Upon satisfaction of the conditions set forth in this Section 7.01, and upon the Developer's written request, which shall include a final Project budget detailing the total actual cost of the construction of the Project (the "Project Cost"), HED shall issue to the Developer the Completion Certificate for the Project (the "Certificate"). The Certificate shall be in recordable form certifying that the Developer has fulfilled its obligation to complete the applicable Project in accordance with the terms of this Agreement. No Certificate shall be issued unless HED is satisfied that the Developer has fulfilled all of the following obligations that pertain to the Certificate being requested:

(a) General conditions applicable to Certificate

- (i) The Developer has completed construction of the Project according to the Plans and Specifications.
- (ii) The Developer has submitted to HED adequate documentation of the Project Cost.
- (iii) Receipt of a Certificate of Occupancy, if applicable, or other evidence acceptable to HED that the Developer has complied with building permit requirements for Project.
- (iv) The City's Monitoring and Compliance Unit has verified that, at the time the Certificate is issued, the Developer is in full compliance as determined on a Project-wide basis with City requirements set forth in Section 10 and Section 8.09 (M/WBE, City Residency and Prevailing Wage) with respect to construction of the Project, and that 100% of the Developer's MBE/WBE Commitment in Section 10.03 has been fulfilled.
- (v) The Developer has incurred costs for TIF-Funded Improvements in an amount equal to or higher than the amount indicated on Exhibit C with respect to Project, unless the Developer agrees to a lesser amount.
- (vi) There exists neither an Event of Default (after any applicable cure period) which is continuing nor a condition or event which, with the giving of notice or passage of time or both, would constitute an Event of Default.

HED shall respond to the Developer's written request for a Certificate within forty-five (45) days by issuing either a Certificate or a written statement detailing the ways in which the Project does not conform to this Agreement or has not been satisfactorily completed, and the measures which must be taken by the Developer in order to obtain the Certificate. The Developer may resubmit a written request for a Certificate upon completion of such measures.

7.02 Effect of Issuance of Certificate; Continuing Obligations. The Certificate relates only to the rehabilitation of the Project, and upon its issuance, the City will certify that the terms of the Agreement specifically related to the Developer's obligation to complete such activities have been satisfied. After the issuance of a Certificate, however, all executory terms and conditions of this Agreement and all representations and covenants contained herein will continue to remain in full force and effect throughout the Term of the Agreement as to the parties described in the following paragraph, and the issuance of the Certificate shall not be construed as a waiver by the City of any of its rights and remedies pursuant to such executory terms.

Those covenants specifically described at Sections 8.02, 8.06, 8.19 and 8.27 as covenants that run with the land are the only covenants in this Agreement intended to be binding upon any transferee of the Property (including an assignee as described in the following sentence) throughout the Term of the Agreement notwithstanding the issuance of a Certificate; provided, that upon the issuance of a Certificate, the covenants set forth in Section 8.02 shall be deemed to have been fulfilled. The other executory terms of this Agreement that remain after the issuance of a Certificate shall be binding only upon the Developer or a permitted assignee of the Developer who, pursuant to Section 18.15 of this Agreement, has contracted to take an assignment of the Developer's rights under this Agreement and assume the Developer's liabilities hereunder.

7.03 Failure to Complete. If the Developer fails to complete the Project in accordance with the terms of this Agreement, then the City has, but shall not be limited to, any of the following rights and remedies:

- (a) the right to terminate this Agreement and any other related agreements to which the City and the Developer are or shall be parties, and cease all disbursement of City Funds not yet disbursed pursuant hereto;
- (b) the right (but not the obligation) to complete those TIF-Funded Improvements that are public improvements and to pay for the costs of TIF-Funded Improvements (including interest costs) out of City Funds or other City monies. In the event that the aggregate cost of completing the TIF-Funded Improvements exceeds the amount of City Funds available pursuant to Section 4.01, the Developer shall reimburse the City for all reasonable costs and expenses incurred by the City in completing such TIF-Funded Improvements in excess of the available City Funds; and
- (c) the right to seek reimbursement of the City Funds from the Developer.

7.04 Notice of Expiration of Term of Agreement. Upon the expiration of the Term of the Agreement, HED shall provide the Developer, at the Developer's written request, with a written notice in recordable form stating that the Term of the Agreement has expired.

#### SECTION 8. COVENANTS/REPRESENTATIONS/WARRANTIES OF THE DEVELOPER.

8.01 General. The Developer represents, warrants and covenants, as of the date of this Agreement and as of the date of each disbursement of City Funds hereunder and throughout the Compliance Period, that:

(a) the Developer is an Illinois limited liability company duly organized, validly existing, qualified to do business in Illinois, and licensed to do business in any other state where, due to the nature of its activities or properties, such qualification or license is required;

(b) the Developer has the right, power and authority to enter into, execute, deliver and perform this Agreement;

(c) the execution, delivery and performance by the Developer of this Agreement has been duly authorized by all necessary corporate action, and does not and will not violate its Articles of Organization or operating agreement as amended and supplemented, any applicable provision of law, or constitute a breach of, default under or require any consent under any agreement, instrument or document to which the Developer is now a party or by which the Developer is now or may become bound;

(d) unless otherwise permitted or not prohibited pursuant to or under the terms of this Agreement, the Developer possesses and shall maintain good, indefeasible and merchantable fee simple title to the Property (and all improvements thereon) free and clear of all liens (except for the Permitted Liens, Lender Financing, if any, as disclosed in the Project Budget, and non-governmental charges that the Developer is contesting in good faith pursuant to Section 8.15 hereof)

(e) the Developer is now and for the Term of the Agreement shall remain solvent and able to pay its debts as they mature;

(f) there are no actions or proceedings by or before any court, governmental commission, board, bureau or any other administrative agency pending, or to Developer's actual knowledge, threatened or affecting the Developer which would impair its ability to perform under this Agreement;

(g) the Developer has and shall maintain all government permits, licenses, certificates and consents (including, without limitation, appropriate environmental approvals) necessary to conduct its business and to construct, complete and operate the Project;

(h) the Developer is not in default with respect to any indenture, loan agreement, mortgage, deed, note or any other agreement or instrument related to the borrowing of money, or with respect to any other material contract, lease agreement, instrument or commitment, to which the Developer is a party or by which the Developer is bound;

(i) the Financial Statements are, and when hereafter required to be submitted will be, complete, correct in all material respects and accurately present the assets, liabilities, results of operations and financial condition of the Developer, and there has been no material adverse change in the assets, liabilities, results of operations or financial condition of the Developer since the date of the Developer's most recent Financial Statements;

(j) the Developer shall not do any of the following without the prior written consent of HED: (1) be a party to any merger, liquidation or consolidation; (2) sell, transfer, convey, lease or otherwise dispose of all or substantially all of its assets or any portion of the Property (including but not limited to any fixtures or equipment now or hereafter attached thereto) except in the ordinary course of business; (3) enter into any transaction outside the ordinary course of the Developer's business; (4) assume, guarantee, endorse, or otherwise become liable in connection with the obligations of any other person or entity; or (5) enter into any transaction that would cause a material and detrimental change to the Developer's financial condition;

(k) the Developer has not incurred, and, prior to the issuance of a Certificate, shall not, without the prior written consent of the Commissioner of HED, allow the existence of any liens against the Property (or improvements thereon) other than the Permitted Liens; or incur any indebtedness, secured or to be secured by the Property (or improvements thereon) or any fixtures now or hereafter attached thereto, except Lender Financing, if any, disclosed in the Project Budget;

(l) has not made or caused to be made, directly or indirectly, any payment, gratuity or offer of employment in connection with the Agreement or any contract paid from the City treasury or pursuant to City ordinance, for services to any City agency ("City Contract") as an inducement for the City to enter into the Agreement or any City Contract with the Developer in violation of Chapter 2-156-120 of the Municipal Code of the City; and

(m) neither the Developer nor any affiliate of the Developer is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any

other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. For purposes of this subparagraph (m) only, the term "affiliate," when used to indicate a relationship with a specified person or entity, means a person or entity that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with such specified person or entity, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

8.02 Covenant to Redevelop. Upon HED's approval of the Project Budget, the Scope Drawings and Plans and Specifications as provided in Sections 3.02 and 3.03 hereof, and the Developer's receipt of all required building permits and governmental approvals, the Developer shall redevelop the Property in accordance with this Agreement and all Exhibits attached hereto, the TIF Ordinances, the Scope Drawings, Plans and Specifications, Project Budget and all amendments thereto, and all federal, state and local laws, ordinances, rules, regulations, executive orders and codes applicable to the Project, the Property and/or the Developer. The covenants set forth in this Section 8.02 shall run with the land and be binding upon any transferee, but shall be deemed satisfied upon issuance by the City of a Certificate with respect thereto.

8.03 Redevelopment Plan. The Developer represents that the Project is and shall be in compliance with all of the terms of the Redevelopment Plan.

8.04 Use of City Funds. City Funds disbursed to the Developer shall be used by the Developer solely to pay for (or to reimburse the Developer for its payment for) the TIF-Funded Improvements as provided in this Agreement.

8.05 Other Bonds. The Developer shall, at the request of the City, agree to any reasonable amendments to this Agreement that are necessary or desirable in order for the City to issue (in its sole discretion) any bonds in connection with the Redevelopment Area, the proceeds of which may be used to reimburse the City for expenditures made in connection with, or provide a source of funds for the payment for, the TIF-Funded Improvements (the "Bonds"); provided, however, that any such amendments shall not have a material adverse effect on the Developer or the Project. The Developer shall, at the Developer's expense, cooperate and provide reasonable assistance in connection with the marketing of any such Bonds, including but not limited to providing written descriptions of the Project, making representations, providing information regarding its financial condition and assisting the City in preparing an offering statement with respect thereto.

## 8.6 Operating Covenant.

(a) Covenant to Maintain Property as a Theater. The Developer hereby covenants and agrees to maintain its Property as a theater throughout the Compliance Period (the "Operating Covenant"). Maintaining the Property as a theater shall mean operating the Property in a manner substantially similar to its current use and operation. The Operating Covenant set forth in this Section 8.06 shall run with the land and be binding upon any transferee of the Property. A default under the Operating Covenant shall constitute an Event of Default, without notice or opportunity to cure.

(b) Covenants to Maintain Theater Name and Marquee Sign. The Developer hereby covenants and agrees to maintain the name of the theater on the Property as the "Logan Theatre" throughout the Compliance Period (the "Naming Covenant"). The Developer further covenants and agrees to maintain the Building's marquee sign, which exhibits the theater's name, in substantially the same location, size, and shape as it currently stands throughout the Compliance Period (the "Marquee Covenant"). The Naming Covenant and the Marquee Covenant set forth in this Section 8.06 shall run with the land and be binding upon any transferee of the Property. A default under the Naming Covenant or the Marquee Covenant shall constitute an Event of Default without notice or opportunity to cure.

(c) Covenant Runs with the Land; Remedy. The covenants set forth in this Section 8.06 shall run with the land and be binding upon any transferee of the Property throughout the Term of this Agreement. Upon expiration of the Term of this Agreement, if requested in writing by the Developer, the City shall deliver to Developer a release of this Agreement, in recordable form. In the event of a default of the Operating Covenant, the Naming Covenant, or the Marquee Covenant in this Section 8.06, the City shall have the right to recapture the City Funds previously paid or disbursed to the Developer for the Project if such default is not cured during the applicable cure period, if any, and to exercise any remedies described or referred to in this Agreement.

8.07 Employment Opportunity; Progress Reports. The Developer covenants and agrees to abide by, and contractually obligate and use reasonable efforts to cause the General Contractor and each subcontractor to abide by the terms set forth in Section 10 hereof. The Developer shall deliver to the City written monthly progress reports detailing compliance with the requirements of Sections 8.09, 10.02 and 10.03 of this Agreement. Such reports shall be delivered to the City every month beginning after the first full month of the Project and ending at the end of the Project. If any such reports indicate a shortfall in compliance, the Developer shall also deliver a plan to HED which shall outline, to HED's satisfaction, the manner in which the Developer shall correct any shortfall.

8.08 Employment Profile. The Developer shall submit, and contractually obligate and cause the General Contractor or any subcontractor to submit, to HED, from time to time, statements of its employment profile upon HED's request.

8.09 Prevailing Wage. The Developer covenants and agrees to pay, and to contractually obligate and cause the General Contractor and each subcontractor to pay, the prevailing wage rate as ascertained by the Illinois Department of Labor (the "Department"), to all Project employees. All such contracts shall list the specified rates to be paid to all laborers, workers and mechanics for each craft or type of worker or mechanic employed pursuant to such contract. If the Department revises such prevailing wage rates, the revised rates shall apply to all such contracts. Upon the City's request, the Developer shall provide the City with copies of all such contracts entered into by the Developer or the General Contractor to evidence compliance with this Section 8.09.

8.10 Arms-Length Transactions. Unless HED has given its prior written consent with respect thereto, no Affiliate of the Developer may receive any portion of City Funds, directly or indirectly, in payment for work done, services provided or materials supplied in connection with any TIF-Funded Improvement. The Developer shall provide information with respect to any entity to receive City Funds directly or indirectly (whether through payment to the Affiliate by the Developer and reimbursement to the Developer for such costs using City Funds, or otherwise), upon HED's request, prior to any such disbursement.

8.11 Conflict of Interest. Pursuant to Section 5/11-74.4-4(n) of the Act, the Developer represents, warrants and covenants that, to the best of its knowledge, no member, official, or employee of the City, or of any commission or committee exercising authority over the Project, the Redevelopment Area or the Redevelopment Plan, or any consultant hired by the City or the Developer with respect thereto, owns or controls, has owned or controlled or will own or control any interest, and no such person shall represent any person, as agent or otherwise, who owns or controls, has owned or controlled, or will own or control any interest, direct or indirect, in the Developer's business, the Property or any other property in the Redevelopment Area.

8.12 Disclosure of Interest. The Developer's counsel has no direct or indirect financial ownership interest in the Developer, the Property or any other aspect of the Project.

8.13 Financial Statements. The Developer shall obtain and provide to HED Financial Statements for the Developer's fiscal year ended 2010 and each year thereafter for the Term of the Agreement. In addition, the Developer shall submit audited or unaudited interim financial statements as soon as reasonably practical following the close of each fiscal year and for such other periods as HED may request.

8.14 Insurance. The Developer, at its own expense, shall comply with all provisions of Section 12 hereof.

8.15 Non-Governmental Charges, (a) Payment of Non-Governmental Charges. Except for the Permitted Liens, the Developer agrees to pay or cause to be paid when due any Non-Governmental Charge assessed or imposed upon the Project, the Property or any fixtures that are or may become attached thereto, which creates, may create, or appears to create a lien upon all or any portion of the Property or Project; provided however, that if such Non-Governmental Charge may be paid in installments, the Developer may pay the same together with any accrued interest thereon in installments as they become due and before any fine, penalty, interest, or cost may be added thereto for nonpayment. The Developer shall furnish to HED, within thirty (30) days of HED's request, official receipts from the appropriate entity, or other proof satisfactory to HED, evidencing payment of the Non-Governmental Charge in question.

(b) Right to Contest. The Developer has the right, before any delinquency occurs:

- (i) to contest or object in good faith to the amount or validity of any Non-Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted, in such manner as shall stay the collection of the contested Non-Governmental Charge, prevent the imposition of a lien or remove such lien, or prevent the sale or forfeiture of the Property (so long as no such contest or objection shall be deemed or construed to relieve, modify or extend the Developer's covenants to pay any such Non-Governmental Charge at the time and in the manner provided in this Section 8.15); or
- (ii) at HED's sole option, to furnish a good and sufficient bond or other security satisfactory to HED in such form and amounts as HED shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property or any portion thereof or any fixtures that are or may be attached thereto, during the pendency of such contest, adequate to pay fully any such contested Non-Governmental Charge and all interest and penalties upon the adverse determination of such contest.

8.16 Developer's Liabilities. The Developer shall not enter into any transaction that would materially and adversely affect its ability to perform its obligations hereunder or to repay any material liabilities or perform any material obligations of the Developer to any other person or entity.

The Developer shall immediately notify HED of any and all events or actions which may materially affect the Developer's ability to carry on its business operations or perform its obligations under this Agreement or any other documents and agreements.

8.17 Compliance with Laws. To the best of the Developer's knowledge, after diligent inquiry, the Property and the Project are and shall be in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, executive orders and codes pertaining to or affecting the Project and the Property. Upon the City's request, the Developer shall provide evidence satisfactory to the City of such compliance.

8.18 Recording and Filing. The Developer shall cause this Agreement, certain exhibits (as specified by Corporation Counsel), all amendments and supplements hereto to be recorded and filed against the Property on the date hereof in the conveyance and real property records of the county in which the Project is located. This Agreement shall be recorded prior to any mortgage made in connection with Lender Financing, if any. The Developer shall pay all fees and charges incurred in connection with any such recording. Upon recording, the Developer shall immediately transmit to the City an executed original of this Agreement showing the date and recording number of record.

8.19 Real Estate Provisions,

(a) Governmental Charges.

(i) Payment of Governmental Charges. The Developer agrees to pay or cause to be paid when due all Governmental Charges (as defined below) which are assessed or imposed upon the Developer, the Property or the Project, or become due and payable, and which create, may create, or appear to create a lien upon the Developer or all or any portion of the Property or the Project. "Governmental Charge" shall mean all federal, State, county, the City, or other governmental (or any instrumentality, division, agency, body, or department thereof) taxes, levies, assessments, charges, liens, claims or encumbrances (except for those assessed by foreign nations, states other than the State of Illinois, counties of the State other than Cook County, and municipalities other than the City) relating to the Developer, the Property or the Project including but not limited to real estate taxes.

(ii) Right to Contest. The Developer has the right before any delinquency occurs to contest or object in good faith to the amount or validity of any Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted in such manner as shall stay the collection of the contested Governmental Charge and prevent the imposition of a lien or the sale or forfeiture of the Property.

The Developer's right to challenge real estate taxes applicable to the Property is limited as provided for in Section 8.19(c) below; provided, that such real estate taxes must be paid in full when due and may be disputed only after such payment is made. No such contest or objection shall be deemed or construed in any way as relieving, modifying or extending the Developer's covenants to pay any such Governmental Charge at the time and in the manner provided in this Agreement unless the Developer has given prior written notice to HED of the Developer's intent to contest or object to a Governmental Charge and, unless, at HED's sole option,

(iii) the Developer shall demonstrate to HED's satisfaction that legal proceedings instituted by the Developer contesting or objecting to a Governmental Charge shall conclusively operate to prevent or remove a lien against, or the sale or forfeiture of, all or any part of the Property to satisfy such Governmental Charge prior to final determination of such proceedings; and/or

(iv) the Developer shall furnish a good and sufficient bond or other security satisfactory to HED in such form and amounts as HED shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property during the pendency of such contest, adequate to pay fully any such contested Governmental Charge and all interest and penalties upon the adverse determination of such contest.

(b) Developer's Failure To Pay Or Discharge Lien. If the Developer fails to pay any Governmental Charge or to obtain discharge of the same, the Developer shall advise HED thereof in writing, at which time HED may, but shall not be obligated to, and without waiving or releasing any obligation or liability of the Developer under this Agreement, in HED's sole discretion, make such payment, or any part thereof, or obtain such discharge and take any other action with respect thereto which HED deems advisable. All sums so paid by HED, if any, and any expenses, if any, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, shall be promptly disbursed to HED by the Developer. Notwithstanding anything contained herein to the contrary, this paragraph shall not be construed to obligate the City to pay any such Governmental Charge. Additionally, if the Developer fails to pay any Governmental Charge, the City, in its sole discretion, may require the Developer to submit to the City audited Financial Statements at the Developer's own expense.

(c) Real Estate Taxes.

(i) Acknowledgment of Real Estate Taxes. The Developer agrees that (A) for the purpose of this Agreement, the total projected minimum assessed value of the Property that is necessary to support the debt service indicated ("Minimum Assessed Value") is shown on Exhibit J attached hereto and incorporated herein by reference for the years noted on Exhibit J; (B) Exhibit J sets forth the specific improvements which will generate the fair market values, assessments, equalized assessed values and taxes shown thereon; and (C) the real estate taxes anticipated to be generated and derived from the respective portions of the Property and the Project for the years shown are fairly and accurately indicated in Exhibit J.

(ii) Real Estate Tax Exemption. With respect to the Property or the Project, neither the Developer nor any agent, representative, lessee, tenant, assignee, transferee or successor in interest to the Developer shall, during the Term of this Agreement, seek, or authorize any exemption (as such term is used and defined in the Illinois Constitution, Article IX, Section 6 (1970)) for any year that the Redevelopment Plan is in effect.

(iii) No Reduction in Real Estate Taxes. Neither the Developer nor any agent, representative, lessee, tenant, assignee, transferee or successor in interest to the Developer shall, during the Term of the Agreement, directly or indirectly, initiate, seek or apply for proceedings in order to lower the assessed value of all or any portion of the Property or the Project below the amount of the Minimum Assessed Value as shown in Exhibit J for the applicable year.

(iv) No Objections. The Developer nor any agent, representative, lessee, tenant, assignee, transferee or successor in interest to the Developer, shall object to or in any way seek to interfere with, on procedural or any other grounds, the filing of any Underassessment Complaint or subsequent proceedings related thereto with the Cook County Assessor or with the Cook County Board of Appeals, by either the City or any taxpayer. The term "Underassessment Complaint" as used in this Agreement shall mean any complaint seeking to increase the assessed value of the Property up to (but not above) the Minimum Assessed Value as shown in Exhibit J.

(v) Covenants Running with the Land. The parties agree that the restrictions contained in this Section 8.19(c) are covenants running with the land and this Agreement shall be recorded by the Developer as a memorandum thereof, at the Developer's expense, with the Cook County Recorder of Deeds on the Closing Date. These restrictions shall be binding upon the

Developer and its agents, representatives, lessees, successors, assigns and transferees from and after the date hereof, provided however, that the covenants shall be released when the Redevelopment Area is no longer in effect. The Developer agrees that any sale, lease, conveyance, or transfer of title to all or any portion of the Property or Redevelopment Area from and after the date hereof shall be made explicitly subject to such covenants and restrictions. Notwithstanding anything contained in this Section 8.19(c) to the contrary, the City, in its sole discretion and by its sole action, without the joinder or concurrence of the Developer, its successors or assigns, may waive and terminate the Developer's covenants and agreements set forth in this Section 8.19(c).

8.20 Title Policy. On the Closing Date, the Developer shall furnish the City with a copy of the Title Policy for the Property or a binding, signed, marked-up commitment to issue such Title Policy, certified by the Title Company, showing fee simple title to the Building in the Developer. The Title Policy shall be dated as of the date of this Agreement and shall contain only those title exceptions listed as Permitted Liens on Exhibit F hereto and shall evidence the recording of this Agreement pursuant to the provisions of Section 8.18 hereof. The Title Policy also shall contain such endorsements as may be required by Corporation Counsel, including but not limited to an owner's comprehensive endorsement and satisfactory endorsements regarding zoning (3.1 with parking), contiguity, location, access and survey. The Developer shall provide to HED, prior to the Closing Date, copies of all easements and encumbrances of record with respect to the Property not addressed, to HED's satisfaction, by the Title Policy and any endorsements thereto.

8.21 Permit Fees. In connection with the Project, the Developer shall be obligated to pay only those building, permit, engineering, tap on and inspection fees that are assessed on a uniform basis throughout the City of Chicago and are of general applicability to other property within the City of Chicago. Notwithstanding anything to the contrary in this Section 8.21, in consideration of the City Funds, the Developer shall not be entitled to the waiver of those fees for the Project as otherwise authorized pursuant to Sec. 2-120-815 of the Chicago Landmarks Ordinance governing the waiving of permit fees for properties designated as Chicago Landmarks.

8.22 [Intentionally omitted]

8.23 Survival of Covenants. All warranties, representations, covenants and agreements of the Developer contained in this Section 8 and elsewhere in this Agreement shall be true, accurate and complete at the time of the Developer's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and (except as provided in Section 7 hereof upon the issuance of a Certificate) shall be in effect throughout the Term of the Agreement.

8.24 Annual Compliance Report. Beginning with the issuance of the Certificate and continuing throughout the Term of the Agreement, the Developer shall submit to HED the Annual Compliance Report within 30 days after the end of the calendar year to which the Annual Compliance Report relates.

8.25 Continuing Disclosure Obligation. The Developer shall comply with Section 2-154-020 of the Municipal Code.

8.26 Inspector General and Legislative Inspector General. It is the duty of the Developer, and any bidder, proposer, contractor, subcontractor, and every applicant for certification of eligibility for a City contract or program, and all officers, directors, agents, partners, and employees of the Developer, and any such bidder, proposer, contractor, subcontractor or such applicant to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code. Developer represents that it understands and will abide by all provisions of Chapter 2-56 of the Municipal Code and that it will inform subcontractors of this provision and require their compliance.

It is the duty of the Developer, and any bidder, proposer, contractor, subcontractor, and every applicant for certification of eligibility for a City contract or program, and all officers, directors, agents, partners, and employees of the Developer, and any such bidder, proposer, contractor, subcontractor or such applicant to cooperate with the Legislative Inspector General in any investigation undertaken pursuant to Chapter 2-55 of the Municipal Code. Developer represents that it understands and will abide by all provisions of Chapter 2-55 of the Municipal Code and that it will inform subcontractors of this provision and require their compliance.

8.27 Affordable Housing Covenant. The Developer agrees and covenants to the City that, prior to any foreclosure of the Property by a lender providing Lender Financing, the provisions of this Section 8.27 shall govern the terms of the Developer's obligation to provide affordable housing. Furthermore, following foreclosure, if any, and from the date of such foreclosure through the Term of the Agreement, the provisions of this Section 8.27 shall govern the terms of the obligation to provide affordable housing under this Agreement.

(a) The greater of (x) 20% of total residential rental units, or (y) four (4) residential rental units (which is comprised of two 2-bedrooms units and two 1-bedroom units) in the Property shall be Affordable Units (as hereafter defined).

(b) As used in this Section 8.27, the term "Affordable Units" shall mean affordable to households earning no more than 60% of area median income as defined by the US Department of Housing and Urban Development (HUD).

(c) The covenants set forth in this Section 8.27 shall run with the land and be binding upon any transferee.

(d) The City and the Developer may enter into a separate agreement to implement the provisions of this Section 8.27.

#### SECTION 9. COVENANTS/REPRESENTATIONS/WARRANTIES OF CITY.

9.01 General Covenants. The City represents that it has the authority as a home rule unit of local government to execute and deliver this Agreement and to perform its obligations hereunder.

9.02 Survival of Covenants. All warranties, representations, and covenants of the City contained in this Section 9 or elsewhere in this Agreement shall be true, accurate, and complete at the time of the City's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and be in effect throughout the Term of the Agreement.

#### SECTION 10. DEVELOPER'S EMPLOYMENT OBLIGATIONS.

10.01 Employment Opportunity. The Developer, on behalf of itself and its successors and assigns, hereby agrees, and shall contractually obligate its or their various contractors, subcontractors or any Affiliate of the Developer operating on the Property (collectively, with the Developer, the "Employers" and individually an "Employer") to agree, that for the Term of this Agreement with respect to Developer and during the period of any other party's provision of services in connection with the construction of the Project or occupation of the Property:

(a) No Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Chapter 2-160, Section 2-160-010 et seq., Municipal Code, except as otherwise provided by said ordinance and as amended from time to time (the "Human Rights Ordinance"). Each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or

other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

(b) To the greatest extent feasible, each Employer is required to present opportunities for training and employment of low- and moderate-income residents of the City and preferably of the Redevelopment Area; and to provide that contracts for work in connection with the construction of the Project be awarded to business concerns that are located in, or owned in substantial part by persons residing in, the City and preferably in the Redevelopment Area.

(c) Each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the City's Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

(d) Each Employer, in order to demonstrate compliance with the terms of this Section 10, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) Each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any Affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or Affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 10.01 shall be a basis for the City to pursue remedies under the provisions of Section 15.02 hereof.

**10.02 City Resident Construction Worker Employment Requirement.** The Developer agrees for itself and its successors and assigns, and shall contractually obligate its General Contractor and shall cause the General Contractor to contractually obligate its subcontractors, as applicable, to agree, that during the construction of the Project they shall comply with the minimum percentage of total

worker hours performed by actual residents of the City as specified in Section 2-92-330 of the Municipal Code of Chicago (at least 50 percent of the total worker hours worked by persons on the site of the Project shall be performed by actual residents of the City); provided, however, that in addition to complying with this percentage, the Developer, its General Contractor and each subcontractor shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

The Developer may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the Chief Procurement Officer of the City.

"Actual residents of the City" shall mean persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

The Developer, the General Contractor and each subcontractor shall provide for the maintenance of adequate employee residency records to show that actual Chicago residents are employed on the Project. Each Employer shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) shall be submitted to the Commissioner of HED in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Employer hired the employee should be written in after the employee's name.

The Developer, the General Contractor and each subcontractor shall provide full access to their employment records to the Chief Procurement Officer, the Commissioner of HED, the Superintendent of the Chicago Police Department, the Inspector General or any duly authorized representative of any of them. The Developer, the General Contractor and each subcontractor shall maintain all relevant personnel data and records for a period of at least three (3) years after final acceptance of the work constituting the Project.

At the direction of HED, affidavits and other supporting documentation will be required of the Developer, the General Contractor and each subcontractor to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

Good faith efforts on the part of the Developer, the General Contractor and each subcontractor to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section 10.02 concerning the worker hours performed by actual Chicago residents.

When work at the Project is completed, in the event that the City has determined that the Developer has failed to ensure the fulfillment of the requirement of this Section 10.02 concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section 10.02. Therefore, in such a case of non-compliance, it is agreed that 1/20 of 1 percent (0.0005) of the aggregate hard construction costs set forth in the Project budget (the product of .0005 x such aggregate hard construction costs) (as the same shall be evidenced by approved contract value for the actual contracts) shall be surrendered by the Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer, the General Contractor and/or the subcontractors to prosecution. Any retainage to cover contract performance that may become due to the Developer pursuant to Section 2-92-250 of the Municipal Code of Chicago may be withheld by the City pending the Chief Procurement Officer's determination as to whether the Developer must surrender damages as provided in this paragraph.

Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246 " and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement or related documents.

The Developer shall cause or require the provisions of this Section 10.02 to be included in all construction contracts and subcontracts related to the Project.

10.03. MBE/WBE Commitment. The Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the General Contractor to agree that during the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code of Chicago (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business

Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code of Chicago (the "Construction Program," and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 10.03, during the course of the Project, at least the following percentages of the MBE/WBE Budget shall be expended for contract participation by MBEs and by WBEs:

- (1) At least 24 percent by MBEs.
- (2) At least four percent by WBEs.

(b) For purposes of this Section 10.03 only, the Developer (and any party to whom a contract is let by the Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by the Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code of Chicago, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code of Chicago, the Developer's MBE/WBE commitment may be achieved in part by the Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture or (ii) the amount of any actual work performed on the Project by the MBE or WBE), by the Developer utilizing a MBE or a WBE as the General Contractor (but only to the extent of any actual work performed on the Project by the General Contractor), by subcontracting or causing the General Contractor to subcontract a portion of the Project to one or more MBEs or WBEs, or by the purchase of materials or services used in the Project from one or more MBEs or WBEs, or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer's MBE/WBE commitment as described in this Section 10.03. In accordance with Section 2-92-730, Municipal Code of Chicago, the Developer shall not substitute any MBE or WBE General Contractor or subcontractor without the prior written approval of HED.

(d) The Developer shall deliver quarterly reports to the City's monitoring staff during the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by the Developer or the General Contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the Project,

a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining the Developer's compliance with this MBE/WBE commitment. The Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the Project for at least five years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by the Developer, on five Business Days' notice and, to allow the City to review the Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the Project.

(e) Upon the disqualification of any MBE or WBE General Contractor or subcontractor, if such status was misrepresented by the disqualified party, the Developer shall be obligated to discharge or cause to be discharged the disqualified General Contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code of Chicago, as applicable.

(f) Any reduction or waiver of the Developer's MBE/WBE commitment as described in this Section 10.03 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code of Chicago, as applicable.

(g) Prior to the commencement of the Project, the Developer shall be required to meet with the City's monitoring staff with regard to the Developer's compliance with its obligations under this Section 10.03. The General Contractor and all major subcontractors shall be required to attend this pre-construction meeting. During said meeting, the Developer shall demonstrate to the City's monitoring staff its plan to achieve its obligations under this Section 10.03, the sufficiency of which shall be approved by the City's monitoring staff. During the Project, the Developer shall submit the documentation required by this Section 10.03 to the City's monitoring staff, including the following: (i) subcontractor's activity report; (ii) contractor's certification concerning labor standards and prevailing wage requirements; (iii) contractor letter of understanding; (iv) monthly utilization report; (v) authorization for payroll agent; (vi) certified payroll; (vii) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (viii) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that the Developer is not complying with its obligations under this Section 10.03, shall, upon the delivery of written notice to the Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (1) issue a written demand to the Developer to halt the Project, (2) withhold any further payment of any City Funds to the Developer or the General Contractor, and/or (3) seek any other remedies against the Developer available at law or in equity.

## SECTION 11. ENVIRONMENTAL MATTERS.

The Developer hereby represents and warrants to the City that the Developer has conducted environmental studies sufficient to conclude that the Project may be constructed, completed and operated in accordance with all Environmental Laws and this Agreement and all Exhibits attached hereto, the Scope Drawings, Plans and Specifications and all amendments thereto, the Bond Ordinance and the Redevelopment Plan.

Without limiting any other provisions hereof, the Developer agrees to indemnify, defend and hold the City harmless from and against any and all losses, liabilities, damages, injuries, costs, expenses or claims of any kind whatsoever including, without limitation, any losses, liabilities, damages, injuries, costs, expenses or claims asserted or arising under any Environmental Laws incurred, suffered by or asserted against the City as a direct or indirect result of any of the following, regardless of whether or not caused by, or within the control of the Developer: (i) the presence of any Hazardous Material on or under, or the escape, seepage, leakage, spillage, emission, discharge or release of any Hazardous Material from (A) all or any portion of the Property or (B) any other real property in which the Developer, or any person directly or indirectly controlling, controlled by or under common control with the Developer, holds any estate or interest whatsoever (including, without limitation, any property owned by a land trust in which the beneficial interest is owned, in whole or in part, by the Developer), or (ii) any liens against the Property permitted or imposed by any Environmental Laws, or any actual or asserted liability or obligation of the City or the Developer or any of its Affiliates under any Environmental Laws relating to the Property.

## SECTION 12. INSURANCE.

The Developer must submit evidence of insurance on the City of Chicago Insurance Certificate Form (copy attached) or equivalent prior to closing. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from Developer is not a waiver by the City of any requirements for the Developer to obtain and maintain the specified coverages. The Developer shall advise all insurers of the Agreement provisions regarding insurance. Non-conforming insurance does not relieve Developer of the obligation to provide insurance as specified herein. (i) the Developer's failure to comply with any of the terms, covenants and conditions contained within this Agreement; or

(ii) the Developer's or any contractor's failure to pay General Contractors, subcontractors or materialmen in connection with the TIF-Funded Improvements or any other Project improvement; or

(iii) the existence of any material misrepresentation or omission in this Agreement, any offering memorandum or information statement or the Redevelopment Plan or any other document related to this Agreement that is the result of information supplied or omitted by the Developer or any Affiliate Developer or any agents, employees, contractors or persons acting under the control or at the request of the Developer or any Affiliate of Developer; or

To the extent that the preceding sentence may be unenforceable because it is violative of any law or public policy, Developer shall contribute the maximum portion that it is permitted to pay and satisfy under the applicable law, to the payment and satisfaction of all indemnified liabilities incurred by the Indemnitees or any of them. The provisions of the undertakings and indemnification set out in this Section 13.01 shall survive the termination of this Agreement.

#### SECTION 14. MAINTAINING RECORDS/RIGHT TO INSPECT

14.01 Books and Records. The Developer shall keep and maintain separate, complete, accurate and detailed books and records necessary to reflect and fully disclose the total actual cost of the Project and the disposition of all funds from whatever source allocated thereto, and to monitor the Project. (b) the failure of the Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Developer under any other agreement with any person or entity if such failure may have a material adverse effect on the Developer's business, property, assets, operations or condition, financial or otherwise;

(c) the making or furnishing by the Developer to the City of any representation, warranty, certificate, schedule, report or other communication within or in connection with this Agreement or any related agreement which is untrue or misleading in any material respect;

(d) except as otherwise permitted hereunder, the creation (whether voluntary or involuntary) of, or any attempt to create, any lien or other encumbrance upon the Property, including any fixtures now or hereafter attached thereto, other than the Permitted Liens, or the making or any attempt to make any levy, seizure or attachment thereof;

(e) the commencement of any proceedings in bankruptcy by or against the Developer or for the liquidation or reorganization of the Developer, or alleging that the Developer is insolvent or unable to pay its debts as they mature, or for the readjustment or arrangement of the Developer's debts, whether under the United States Bankruptcy Code or under any other state or federal law, now or hereafter existing for the relief of debtors, or the commencement of any analogous statutory or non-statutory proceedings involving the Developer; provided, however, that if such commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such proceedings are not dismissed within sixty (60) days after the commencement of such proceedings;

(f) the appointment of a receiver or trustee for the Developer, for any substantial part of the Developer's assets or the institution of any proceedings for the dissolution, or the full or partial liquidation, or the merger or consolidation, of the Developer; provided, however, that if such appointment or commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such appointment is not revoked or such proceedings are not dismissed within sixty (60) days after the commencement thereof;

(g) the entry of any judgment or order against the Developer which remains unsatisfied or undischarged and in effect for sixty (60) days after such entry without a stay of enforcement or execution;

(h) the occurrence of an event of default under the Lender Financing, which default is not cured within any applicable cure period;

(i) the dissolution of the Developer;

(j) the institution in any court of a criminal proceeding (other than a misdemeanor) against the Developer or any natural person who owns a material interest in the Developer, which is not dismissed within thirty (30) days, or the indictment of the Developer or any natural person who owns a material interest in the Developer, for any crime (other than a misdemeanor); or

(k) the sale or transfer of 50% of the ownership interest, whether individually or in aggregate, of the Developer without the prior written consent of the City.

For purposes of Section 15.01 (j) hereof, a person with a material interest in the Developer shall be one owning in excess of ten (10%) of the Developer's membership interests.

15.02 Remedies. Upon the occurrence of an Event of Default, the City may terminate this Agreement and any other agreements to which the City and the Developer are or shall be parties, suspend disbursement of City Funds, place a lien on the Project in the amount of City Funds paid, and seek reimbursement of any City Funds paid. The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to damages, injunctive relief or the specific performance of the agreements contained herein. Upon the occurrence of an Event of Default under Section 8.06, the Developer shall be obligated to repay to the City all previously disbursed City Funds.

15.03 Curative Period. In the event the Developer shall fail to perform a monetary covenant which the Developer is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the Developer has failed to perform such monetary covenant within ten (10) days of its receipt of a written notice from the City specifying that it has failed to perform such monetary covenant. In the event the Developer shall fail to perform a non-monetary covenant which the Developer is required to perform under this Agreement, except as described in the following paragraph, an Event of Default shall not be deemed to have occurred unless the Developer has failed to cure such default within thirty (30) days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those non-monetary defaults which are not capable of being cured within such thirty (30) day period, the Developer shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

Notwithstanding any other provision of this Agreement to the contrary, there shall be no notice requirement or cure period with respect to an Event of Default arising from the Developer's failure to comply with the Operating Covenant.

#### SECTION 16. MORTGAGING OF THE PROJECT.

All mortgages or deeds of trust in place as of the date hereof with respect to the Property or any portion thereof are listed on Exhibit F hereto (including but not limited to mortgages made prior to or on the date hereof in connection with Lender Financing) and are referred to herein as the "Existing Mortgages." Any mortgage or deed of trust that the Developer may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof is referred to herein as a "New Mortgage." Any New Mortgage that the Developer may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof with the prior written consent of the City is referred to herein as a "Permitted Mortgage." It is hereby agreed by and between the City and the Developer as follows:

(a) In the event that a mortgagee or any other party shall succeed to the Developer's interest in the Property or any portion thereof pursuant to the exercise of remedies under a New Mortgage (other than a Permitted Mortgage), whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of the Developer's interest hereunder in accordance with Section 18.15 hereof, the City may, but shall not be obligated to, attorn to and recognize such party as the successor in interest to the Developer for all purposes under this Agreement and, unless so recognized by the City as the successor in interest, such party shall be entitled to no rights or benefits under this Agreement, but such party shall be bound by those provisions of this Agreement that are covenants expressly running with the land.

(b) In the event that any mortgagee shall succeed to the Developer's interest in the Property or any portion thereof pursuant to the exercise of remedies under an Existing Mortgage or a Permitted Mortgage, whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of the Developer's interest hereunder in accordance with Section 18.15 hereof, the City hereby agrees to attorn to and recognize such party as the successor in interest to the Developer for all purposes under this Agreement so long as such party accepts all of the obligations and liabilities of "the Developer" hereunder; provided, however, that, notwithstanding any other provision of this Agreement to the contrary, it is understood and agreed that if such party accepts an assignment of the Developer's interest under this Agreement, such party has no liability under this Agreement for any Event of Default of the Developer which accrued prior to the time such party succeeded to the interest of the Developer under this Agreement, in which case the Developer shall be solely responsible. However, if such mortgagee under a Permitted Mortgage or an Existing Mortgage does not expressly accept an assignment of the Developer's interest hereunder, such party shall be entitled to no rights and benefits under this Agreement, and such party shall be bound only by those provisions of this Agreement, if any, which are covenants expressly running with the land.

(c) Prior to the issuance by the City to the Developer of a Certificate pursuant to Section 7 hereof, no New Mortgage shall be executed with respect to the Property or any portion thereof without the prior written consent of the Commissioner of HED.

This Agreement and the Exhibits attached hereto may not be amended or modified without the prior written consent of the parties hereto; provided, however, that the City, in its sole discretion, may amend, modify or supplement Exhibit D hereto without the consent of any party hereto. It is agreed that no material amendment or change to this Agreement shall be made or be effective unless ratified or authorized by an ordinance duly adopted by the City Council. The term "material" for the purpose of this Section 18.01 shall be defined as any deviation from the terms of the Agreement which operates to cancel or otherwise reduce any developmental, construction or job-creating obligations of Developer (including those set forth in Sections 10.02 and 10.03 hereof) by more than five percent (5%) or materially changes the Project site or character of the Project or any activities undertaken by Developer affecting the Project site, the Project, or both, or increases any time agreed for performance by the Developer by more than ninety (90) days.

18.02 Entire Agreement. This Agreement (including each Exhibit attached hereto, which is hereby incorporated herein by reference) constitutes the entire Agreement between the parties hereto and it supersedes all prior agreements, negotiations and discussions between the parties relative to the subject matter hereof.

18.03 Limitation of Liability. No member, official or employee of the City shall be personally liable to the Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to the Developer from the City or any successor in interest or on any obligation under the terms of this Agreement.

18.04 Further Assurances. The Developer agrees to take such actions, including the execution and delivery of such documents, instruments, petitions and certifications as may become necessary or appropriate to carry out the terms, provisions and intent of this Agreement.

18.05 Waiver. Waiver by the City or the Developer with respect to any breach of this Agreement shall not be considered or treated as a waiver of the rights of the respective party with respect to any other default or with respect to any particular default, except to the extent specifically waived by the City or the Developer in writing. No delay or omission on the part of a party in exercising any right shall operate as a waiver of such right or any other right unless pursuant to the specific terms hereof. A waiver by a party of a provision of this Agreement shall not prejudice or constitute a waiver of such party's right otherwise to demand strict compliance with that provision or any other

provision of this Agreement. No prior waiver by a party, nor any course of dealing between the parties hereto, shall constitute a waiver of any such parties' rights or of any obligations of any other party hereto as to any future transactions.

18.06 Remedies Cumulative. The remedies of a party hereunder are cumulative and the exercise of any one or more of the remedies provided for herein shall not be construed as a waiver of any other remedies of such party unless specifically so provided herein.

18.07 Disclaimer. Nothing contained in this Agreement nor any act of the City shall be deemed or construed by any of the parties, or by any third person, to create or imply any relationship of third-party beneficiary, principal or agent, limited or general partnership or joint venture, or to create or imply any association or relationship involving the City.

18.08 Headings. The paragraph and section headings contained herein are for convenience only and are not intended to limit, vary, define or expand the content thereof.

18.09 Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed an original and all of which shall constitute one and the same agreement.

18.10 Severability. If any provision in this Agreement, or any paragraph, sentence, clause, phrase, word or the application thereof, in any circumstance, is held invalid, this Agreement shall be construed as if such invalid part were never included herein and the remainder of this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

18.11 Conflict. In the event of a conflict between any provisions of this Agreement and the provisions of the TIF Ordinances, such ordinance shall prevail and control.

18.12 Governing Law. This Agreement shall be governed by and construed in accordance with the internal laws of the State of Illinois, without regard to its conflicts of law principles.

18.13 Form of Documents. All documents required by this Agreement to be submitted, delivered or furnished to the City shall be in form and content satisfactory to the City.

Except as otherwise provided herein, this Agreement shall not run to the benefit of, or be enforceable by, any person or entity other than a party to this Agreement and its successors and permitted assigns. This Agreement should not be deemed to confer upon third parties any remedy, claim, right of reimbursement or other right.

18.17 Force Majeure. Neither the City nor the Developer nor any successor in interest to either of them shall be considered in breach of or in default of its obligations under this Agreement in the event of any delay caused by damage or destruction by fire or other casualty, strike, shortage of material, unusually adverse weather conditions such as, by way of illustration and not limitation, severe rain storms or below freezing temperatures of abnormal degree or for an abnormal duration, tornadoes or cyclones, and other events or conditions beyond the reasonable control of the party affected which in fact interferes with the ability of such party to discharge its obligations hereunder. The individual or entity relying on this section with respect to any such delay shall, upon the occurrence of the event causing such delay, immediately give written notice to the other parties to this Agreement. The individual or entity relying on this section with respect to any such delay may rely on this section only to the extent of the actual number of days of delay effected by any such events described above.

Failure by the Developer to provide such notice as described above may result in the termination of all or a part of the payment or reimbursement obligations of the City set forth herein.

18.20 Venue and Consent to Jurisdiction. If there is a lawsuit under this Agreement, each party may hereto agrees to submit to the jurisdiction of the courts of Cook County, the State of Illinois and the United States District Court for the Northern District of Illinois.

This includes, subject to any limits under applicable law, attorney's fees and legal expenses, whether or not there is a lawsuit, including attorney's fees for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), appeals and any anticipated post-judgment collection services. Developer also will pay any court costs, in addition to all other sums provided by law.

18.22 Business Relationships. The Developer acknowledges (A) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (B) that Developer has read such provision and understands that pursuant to such Section 2-156-030 (b), it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (C) that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. [To Be Retyped On The Developer's Counsel's Letterhead]

\_\_\_\_\_, \_\_\_\_\_  
City of Chicago  
121 North LaSalle Street  
Chicago, Illinois 60602

Attention: Corporation Counsel

Ladies and Gentlemen:

We have acted as counsel to \_\_\_\_\_, an [Illinois] \_\_\_\_\_  
(the "Developer"), in connection with the purchase of certain land and the construction of

certain facilities thereon located in the \_\_\_\_\_ Redevelopment Project Area (the "Project"). In that capacity, we have examined, among other things, the following agreements, instruments and documents of even date herewith, hereinafter referred to as the "Documents":

(a) \_\_\_\_\_ Redevelopment Agreement (the "Agreement") of even date herewith, executed by Developer and the City of Chicago (the "City");

[(b) the Escrow Agreement of even date herewith executed by Developer and the City;]

(c) [insert other documents including but not limited to documents related to purchase and financing of the Property and all lender financing related to the Project]; and

(d) all other agreements, instruments and documents executed in connection with the foregoing.

In addition to the foregoing, we have examined:

(a) the original or certified, conformed or photostatic copies of the Developer's (i) Articles of Incorporation, as amended to date, (ii) qualifications to do business and certificates of good standing in all states in which the Developer is qualified to do business, (iii) Bylaws, as amended to date, and (iv) records of all corporate proceedings relating to the Project [revise if the Developer is not a corporation]; and

(b) such other documents, records and legal matters as we have deemed necessary or relevant for purposes of issuing the opinions hereinafter expressed.

In all such examinations, we have assumed the genuineness of all signatures (other than those of the Developer), the authenticity of documents submitted to us as originals and conformity to the originals of all documents submitted to us as certified, conformed or photostatic copies.

Based on the foregoing, it is our opinion that:

1. Developer is a corporation duly organized, validly existing and in good standing under the laws of its state of [incorporation] [organization], has full power and authority to own and lease its properties and to carry on its business as presently conducted, and is in good standing and duly qualified to do business as a foreign [corporation] [entity] under the laws of every state in which the conduct of its affairs or the ownership of its assets requires such qualification, except for those states in which its failure to qualify to do business would not have a material adverse effect on it or its business.

2. Developer has full right, power and authority to execute and deliver the Documents to which it is a party and to perform its obligations thereunder. Such execution, delivery and

performance will not conflict with, or result in a breach of, Developer's [Articles of Incorporation or Bylaws] [describe any formation documents if Developer is not a corporation] or result in a breach or other violation of any of the terms, conditions or provisions of any law or regulation, order, writ, injunction or decree of any court, government or regulatory authority, or, to the best of our knowledge after diligent inquiry, any of the terms, conditions or provisions of any agreement, instrument or document to which Developer is a party or by which Developer or its properties is bound. To the best of our knowledge after diligent inquiry, such execution, delivery and performance will not constitute grounds for acceleration of the maturity of any agreement, indenture, undertaking or other instrument to which Developer is a party or by which it or any of its property may be bound, or result in the creation or imposition of (or the obligation to create or impose) any lien, charge or encumbrance on, or security interest in, any of its property pursuant to the provisions of any of the foregoing, other than liens or security interests in favor of the lender providing Lender Financing (as defined in the Agreement).

3. The execution and delivery of each Document and the performance of the transactions contemplated thereby have been duly authorized and approved by all requisite action on the part of Developer.

4. Each of the Documents to which Developer is a party has been duly executed and delivered by a duly authorized officer of Developer, and each such Document constitutes the legal, valid and binding obligation of Developer, enforceable in accordance with its terms, except as limited by applicable bankruptcy, reorganization, insolvency or similar laws affecting the enforcement of creditors' rights generally.

5. (Sub)Exhibit A attached hereto (a) identifies each class of capital stock of Developer, (b) sets forth the number of issued and authorized shares of each such class, and (c) identifies the record owners of shares of each class of capital stock of Developer and the number of shares held of record by each such holder. To the best of our knowledge after diligent inquiry, except as set forth on (Sub)Exhibit A, there are no warrants, options, rights or commitments of purchase, conversion, call or exchange or other rights or restrictions with respect to any of the capital stock of Developer. Each outstanding share of the capital stock of Developer is duly authorized, validly issued, fully paid and nonassessable.

6. To the best of our knowledge after diligent inquiry, no judgments are outstanding against Developer, nor is there now pending or threatened, any litigation, contested claim or governmental proceeding by or against Developer or affecting Developer or its property, or seeking to restrain or enjoin the performance by Developer of the Agreement or the transactions contemplated by the Agreement, or contesting the validity thereof. To the best of our knowledge after diligent inquiry, Developer is not in default with respect to any order, writ, injunction or decree of any court, government or regulatory authority or in default in any respect under any law, order, regulation or demand of any governmental agency or instrumentality, a default under which would have a material adverse effect on Developer or its business.

7. To the best of our knowledge after diligent inquiry, there is no default by Developer or any other party under any material contract, lease, agreement, instrument or commitment to which Developer is a party or by which company or its properties is bound.

8. To the best of our knowledge after diligent inquiry, all of the assets of Developer are free and clear of mortgages, liens, pledges, security interests and encumbrances except for those specifically set forth in the Documents.

9. The execution, delivery and performance of the Documents by Developer have not and will not require the consent of any person or the giving of notice to, any exemption by, any registration, declaration or filing with or any taking of any other actions in respect of, any person, including without limitation any court, government or regulatory authority.

10. To the best of our knowledge after diligent inquiry, Developer owns or possesses or is licensed or otherwise has the right to use all licenses, permits and other governmental approvals and authorizations, operating authorities, certificates of public convenience, goods carriers permits, authorizations and other rights that are necessary for the operation of its business.

11. A federal or state court sitting in the State of Illinois and applying the choice of law provisions of the State of Illinois would enforce the choice of law contained in the Documents and apply the law of the State of Illinois to the transactions evidenced thereby.

We are attorneys admitted to practice in the State of Illinois and we express no opinion as to any laws other than federal laws of the United States of America and the laws of the State of Illinois.

[Note: include a reference to the laws of the State of Incorporation/  
Organization of Developer, if other than Illinois.]

This opinion is issued at Developer's request for the benefit of the City and its counsel, and may not be disclosed to or relied upon by any other person.

Very truly yours,

WHEREAS, The City has determined that the continuance of a shortage of affordable rental housing is harmful to the health, prosperity, economic stability and general welfare of the City; and

WHEREAS, The City has certain funds available from a variety of funding sources ("Multi-Family Program Funds") to make loans and grants for the development of multi-family residential housing to increase the number of families served with decent, safe, sanitary and affordable housing and to expand the long-term supply of affordable housing, and such Multi-Family Program Funds are administered by the City's Department of Housing and Economic Development ("HED"); and

WHEREAS, HED has preliminarily reviewed and approved the making of a loan to Hope for Seniors Foundation, an Illinois not-for-profit corporation ("HFSF"), in an amount not to exceed \$6,100,000 (the "Loan"), the proceeds of which shall be loaned to Community Housing Partners XIV, L.P., an Illinois limited partnership (the "Borrower") of which the general partners are: 1) Chicago Community Development Corporation, an Illinois corporation, as the managing general partner, 2) Darul Amaan Lawrence Kedzie, Inc., an Illinois corporation, and 3) HFSF, to be funded from Multi-Family Program Funds pursuant to the terms and conditions set forth in Exhibit A attached hereto and made a part hereof; and

WHEREAS, The City's conveyance of the City Property to HFSF, or another entity affiliated with the Borrower, in connection with the Project (as described in Exhibit A hereto) may qualify under the Donation Tax Credit Program as an eligible donation, and may generate certain additional proceeds for the Project, but the receipt of such donation and proceeds is not a condition to the City's making the Loan; now, therefore,

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. The above recitals are expressly incorporated in and made a part of this ordinance as though fully set forth herein.

SECTION 2. Upon the approval and availability of the additional financing as shown in Exhibit A hereto, the Commissioner of HED (the "Commissioner") and a designee of the Commissioner (collectively, the "Authorized Officer") are each hereby authorized, subject to approval by the Corporation Counsel, to enter into and execute such agreements and instruments, and perform any and all acts as shall be necessary or advisable in connection with the implementation of the Loan. The Authorized Officer is hereby authorized, subject to the approval of the Corporation Counsel, to negotiate any and all terms and provisions in connection with the Loan which do not substantially modify the terms described in Exhibit A hereto. Upon the execution and receipt of proper documentation, the Authorized Officer is hereby authorized to disburse the proceeds of the Loan to HFSF or the Borrower.

SECTION 3. The City hereby approves the conveyance of the City Property as a donation to HFSF, or to another entity affiliated with the Borrower in the sole discretion of the Authorized Officer, from the City under the Donation Tax Credit Program in connection with the Project. The Authorized Officer is hereby authorized to transfer the tax credits allocated to the City under the Donation Tax Credit Program in connection with the conveyance of the City Property to an entity satisfactory to the Authorized Officer on such terms and conditions as are satisfactory to the Authorized Officer (the "Transfer"). The proceeds, if any, received by the City in connection with the Transfer are hereby appropriated, and the Authorized Officer is hereby authorized to use such proceeds, to make a grant or loan to HFSF, or to the Borrower, or to another entity affiliated with the Borrower, in the Authorized Officer's sole discretion, for use in connection with the Project (the "Grant"). The Authorized Officer is hereby authorized, subject to approval by the Corporation Counsel, to enter into and execute such agreements and instruments, and perform any and all acts as shall be necessary or advisable in connection with the implementation of the Transfer and the Grant. Upon the execution and receipt of proper documentation, the Authorized Officer is hereby authorized to disburse the proceeds of the Grant to HFSF, the Borrower, or to another entity affiliated with the Borrower, as applicable.

SECTION 4. The Mayor or his proxy is authorized to execute, and the City Clerk is authorized to attest, a quitclaim deed conveying the City Property to HFSF, or another entity affiliated with the Borrower, or to a land trust of which the Borrower is the sole beneficiary, subject to those covenants, conditions and restrictions set forth in this ordinance.

SECTION 5. The following provisions shall govern the City's conveyance of the City Property to HFSF, or another entity affiliated with the Borrower:

(i) Form Of Quitclaim Deed. The City shall convey to HFSF, or another entity affiliated with the Borrower, title to the City Property by quitclaim deed for the sum of One and no/100 Dollars (\$1.00), which shall be paid by HFSF, or another entity affiliated with the Borrower, to the City on the date the City conveys the City Property. Without limiting the quitclaim nature of the deed, the conveyance of and title to the City Property shall, in addition to the provisions of this ordinance, be subject to:

- (a) general real estate taxes and any special assessments or other taxes;
- (b) all easements, encroachments, covenants and restrictions of record and not shown of record;
- (c) such other title defects as may exist; and
- (d) any and all exceptions caused by the acts of HFSF, another entity affiliated with the Borrower, the Borrower or its agents.

The City shall use reasonable efforts to obtain the waiver or release of any delinquent real estate taxes or tax liens on the City Property prior to the closing, to the extent such taxes or tax liens can be waived or released through submission of an abatement letter to the

Cook County Treasurer, a motion to vacate a tax sale or a petition for exemption. If the City is unable to obtain the waiver or release of any such tax liens or is unable to cause the title company to insure over such tax liens, or if the City Property is encumbered with any other unpermitted exceptions, HFSF, or another entity affiliated with the Borrower, shall have the option to do one of the following: (a) accept title to the City Property subject to the unpermitted exceptions, which shall then become permitted exceptions; or (b) terminate this Agreement by delivery of written notice to the City at least fourteen (14) days prior to the closing date.

(ii) Financing. HFSF, the Borrower, or another entity affiliated with the Borrower, shall not, without prior written consent of HED, which shall be in HED's sole discretion, engage in any financing or other transaction which would create an encumbrance or lien on the City Property (other than financing described on Exhibit A).

(iii) The City Property. The closing for the City Property shall consist of the land conveyance followed by the financing closing and shall take place on such date and at such place as the parties may mutually agree to in writing.

(iv) Recordation Of Quitclaim Deed. HFSF or the Borrower shall promptly record the quitclaim deed for the City Property in the Office of the Recorder of Deeds of Cook County, Illinois. HFSF or the Borrower shall pay all costs for so recording the quitclaim deed.

(v) Escrow. In the event that HFSF or the Borrower requires conveyance through an escrow, HFSF or the Borrower shall pay all escrow fees.

(vi) Environmental Condition Of The City Property. The City makes no covenant, representation or warranty as to the soil or environmental condition of the City Property or the suitability of the City Property for any purpose whatsoever, and HFSF, or an entity affiliated with the Borrower, and the Borrower agree to accept the Property "as is". If after the closing of the City's conveyance of the City Property, the soil or environmental condition of the City Property is not in all respects entirely suitable for the use to which the City Property is to be utilized, it shall be the sole responsibility and obligation of HFSF, another entity affiliated with the Borrower, or the Borrower to take such action as is necessary to put the City Property in a condition suitable for such intended use. HFSF and the Borrower agree to release and indemnify the City from any claims and liabilities relating to or arising from the environmental condition of the City Property (including, without limitation, claims under CERCLA) and to undertake and discharge all liabilities of the City arising from any environmental condition which existed on the City Property prior to the closing.

SECTION 6. To the extent that any ordinance, resolution, rule, order or provision of the Municipal Code of Chicago, or part thereof, is in conflict with the provisions of this ordinance, the provisions of this ordinance shall control. If any section, paragraph, clause or provision of this ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this ordinance. CHICAGO, January 17, 2013.

*To the President and Members of the City Council:*

This recommendation was concurred in by a viva voce vote of the members of the Committee.

Respectfully submitted,

(Signed) CARRIE M. AUSTIN,

On motion of Alderman Austin, the said proposed ordinance transmitted with the foregoing committee report was *Passed* by yeas and nays as follows:

*Yeas* -- Aldermen Moreno, Fioretti, Dowell, Burns, Hairston, Sawyer, Harris, Beale, Pope, Balcer, Cárdenas, Quinn, Burke, Foulkes, Thompson, Thomas, Lane, O'Shea, Cochran, Brookins, Muñoz, Zalewski, Chandler, Solis, Maldonado, Burnett, Ervin, Graham, Reboyras, Suarez, Waguespack, Mell, Austin, Colón, Sposato, Mitts, Cullerton, Laurino, P. O'Connor, M. O'Connor, Reilly, Smith, Tunney, Arena, Cappleman, Pawar, Osterman, Moore, Silverstein -- 49.

*Nays* -- None.

Alderman Pope moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. Chapter 2-92 of the Municipal Code of Chicago is hereby amended by adding a new Section 2-92-413, as follows:

2-92-413 Contracts -- Bid Incentives For Alternatively Powered Vehicles.

(a) For purposes of this section only, the following definitions apply:

"Alternative fuel" has the meaning ascribed to that term in the Energy Policy Act of 1992, and the rules promulgated by the United States Department of Energy pursuant to that Act. The term "alternative fuel" includes but is not limited to natural gas, liquefied petroleum gas, hydrogen, ethanol E85 or electricity;

"Alternatively powered vehicle" means a vehicle that:

(1) is fueled by alternative fuel; provided that if a vehicle is capable of being powered by alternative fuel and traditional petroleum-based gasoline or petroleum-based diesel fuel, the vehicle must be powered by the alternative fuel for no less than 80% BTUs consumed during the three months prior to the submission of the bid; or

(2) is commonly referred to as a hybrid vehicle that is capable of being powered by a combination of any fuel and an alternative power source and the alternative power source includes an energy storage system to store generated or accumulated energy which substantially reduces the fuel use and emissions when compared to a standard vehicle of the same age, type and size; or

(3) is fueled by a biodiesel blend; provided that the vehicle is powered by the biodiesel blend for no less than 80% of the gallons consumed during the three months prior to the submission of the bid; or

(4) is fueled by traditional petroleum-based gasoline or petroleum-based diesel fuel, but powered by an engine substantially more efficiently designed than a standard vehicle of the same age, type and size; provided that the vehicle is rated by the United States Environmental Protection Agency in the top 5% for fuel efficiency for similar vehicles.

An "Alternatively powered vehicle" does not include any vehicle which is: (i) primarily used in a warehouse or similar type of enclosed structure; (ii) required to use, or given credit for using, alternative fuel by any federal, state or local law; or (iii) subject to Section 2-92-595.

"Bid incentive" means an amount deducted, for bid evaluation purposes only, from the contract base bid in order to calculate the bid price to be used to evaluate the bid on a competitively bid contract.

"Biodiesel blend" has the meaning ascribed to that term in Section 2-92-595.

"Construction project" has the meaning ascribed to that term in Section 2-92-335.

“Contract” means any contract, purchase order, construction project, or other agreement (other than a delegate agency contract or lease of real property or collective bargaining agreement) awarded by the city and whose cost is to be paid from funds belonging to or administered by the city.

“Contract base bid” means the total dollar amount a contractor bids on a contract without factoring any bid incentive or percentage reductions in the bid amount.

“Eligible business” means a business located within the counties of Cook, DuPage, Kane, Lake, McHenry or Will in the State of Illinois (the “Six County Region”), and as to which: (1) a majority of the business’ fleet is located and used within the Six County Region; and (2) a majority of those vehicles located and used within the Six County Region are alternatively powered vehicles.

“Fleet” means 10 or more vehicles that are owned, operated, leased or otherwise controlled by a business.

“Vehicle” means every device powered by a motor or engine and by, upon, or in which any person or property is or may be transported or drawn upon a street or highway, except a “vehicle” shall not include motorized wheelchairs, golf carts, neighborhood electric vehicles, as that term is defined in Section 9-4-010, devices moved solely by human power, devices used exclusively upon stationary rails or tracks, or snowmobiles, as defined in the Snowmobile Registration and Safety Act of Illinois.

(b) (1) Unless otherwise prohibited by any federal, state or local law, for any contract having an estimated contract value of \$100,000 or more advertised, or if not advertised awarded, after the effective date of this ordinance, the chief procurement officer shall allocate a bid incentive of ½% of the contract base price to a qualified bidder when the qualified bidder is an eligible business.

The bid incentive is used only to calculate an amount to be used in evaluating the bid to determine the low bidder, and it does not affect the contract price.

For purposes of this section the total dollar value of a construction project contract includes both materials and labor.

(2) The chief procurement officer may forego awarding the bid incentive under this section, under the following conditions:

- (i) an emergency exists;
- (ii) for cooperative purchasing or cooperative construction contracts;
- (iii) where an eligible business is determined by the chief procurement officer to be unqualified, unable, or ineligible to perform the contract; or
- (iv) for any other factor the chief procurement officer deems to be in the city’s best interest.

(3) For all contracts advertised after the effective date of this section, the chief procurement officer shall include the bid incentive provision consistent with this section in all such advertising.

(4) As a condition of being awarded the bid incentive, the eligible business shall continue to meet the definition of an eligible business during the term of the contract for which the bid incentive was awarded.

(c) The contractor shall maintain adequate records necessary to monitor compliance with this section and shall submit such reports as required by the chief procurement officer. Full access to the contractor's and subcontractors' records shall be granted to the chief procurement officer, the commissioner of the supervising department, the inspector general, or any duly authorized representative thereof. The contractor and subcontractors shall maintain all relevant records for a period of no less than seven years after final acceptance of the work.

(d) A bidder desiring to receive an incentive pursuant to this section shall include with its bid submission, an affidavit and other supporting documents demonstrating that the bidder satisfies all pertinent requirements as an eligible business.

(e) Upon completion of the work, any eligible business that receives a bid preference but that fails to meet the definition as an eligible business during the term of the contract for which the bid incentive was awarded shall be fined in an amount equal to three times the amount of the bid incentive awarded.

(f) The chief procurement officer is authorized to adopt, promulgate and enforce reasonable rules and regulations pertaining to the administration and enforcement of this section.

(g) This section shall not apply to any contract to the extent that the requirements imposed by this section are inconsistent with procedures or standards required by any law or regulation of the United States or the State of Illinois to the extent such inconsistency is not permitted under law or the home rule powers of the city.

SECTION 2. This ordinance shall take effect after its passage and approval.

Now, Therefore, In consideration of the covenants and mutual agreements herein contained, the parties hereto agree as follows:

*Agreement.*

Pursuant to this Agreement to provide security on CTA rail lines, surface vehicles, and properties, the CPD agrees as follows:

(a) The CPD will assign CPD officers on a daily basis, on such CTA rail lines, surfaces vehicles, routes and locations as requested by CTA and approved by the CPD. Based on current projections, the number of officers assigned daily is approximately but will not exceed 60 officers.

(f) The number of CPD officers provided for herein shall be in addition to the CPD officers in the Public Transportation Section of the CPD whose normal full-time duties consist of protecting CTA passengers, employees and property.

(g) Participants in the VSEP shall be subject to the CPD Special Order, Voluntary Special Employment Program or any amendment thereto or modification thereof promulgated by the Superintendent of Police, provided that any such special order or amendment thereto or modification thereof will only permit officers to participate in the VSEP when they are on furlough, regular day off, day off due to holiday, personal day or compensatory time.

(h) The Superintendent of Police and the President, or his designee, of the CTA may request a temporary increase of the number of sworn Police personnel in the VSEP in writing to meet seasonal or special security needs, and such personnel shall be subject to all the terms of this Agreement. The CTA request for any increase shall be in writing and shall specify the approximate number of personnel, their rank, whether they are in VSEP or regularly assigned full-time CPD supervisory personnel, the expected duration of the increase and the seasonal or special security need related to the increase.

(i) Per this Agreement, the Commander of the CPD's Public Transportation Section will notify the CTA's Chief Safety & Security Officer of the projected manpower for the upcoming months in advance to ensure that CTA and CPD are in agreement as to the manpower allocation.

#### 4. Operations.

CTA shall establish overall goals and objectives for the security of its employees, passengers and property. The CTA may make recommendations as to the locations and routes to be patrolled by the CPD officers and the CPD shall give those recommendations due consideration. Officers participating in the VSEP shall continue to be subject to the rules and regulations, practices and procedures, of any and all General and Special Orders and directives, and any amendments thereto or modification of such rules and regulations, General and Special Orders and directives, as promulgated by the Superintendent of Police. The daily performance of the VSEP shall also be monitored by CTA personnel designated by its Chairman or President, including the Chief Safety and Security Officer. The CPD shall provide a suitable location of operation for the VSEP. In addition, the following shall govern operations of the CTA VSEP:

(a) The CPD shall maintain weekly deployment schedules and daily logs and statistics on CTA crimes, incidents, arrests and any activity performed by CPD officers relating to such incidents. The CTA shall have the right, upon reasonable notice to the CPD, to inspect and copy the above daily logs and statistics. It will be the responsibility of the CPD to forward a summary of said data to the CTA on a monthly basis.

(b) The Public Transportation Section Commander of the CPD shall have ongoing meetings and dialogue with CTA representatives, including its Chief Safety and Security Officer and the Vice President of Security, to discuss areas of concern relating to incidents that affect passengers, employees and properties of CTA.

(c) The CTA shall also have the right, upon reasonable notice to the CPD, to inspect and copy the above daily logs and statistics and any other records related to this Agreement at its expense.

#### 5. Emergencies.

Nothing contained herein shall preclude the emergency use of CPD officers or equipment referred to herein in any manner at the direction of the CPD.

#### 6. Vehicles.

CTA shall be responsible for providing sufficient vehicles which meet CPD specifications. These vehicles will be used solely by the VSEP or CPD's Public Transportation Section for so long as this Agreement remains in effect. The City of Chicago shall provide adequate parking for vehicles provided by the CTA and will be responsible for providing fuel, maintenance and repair. In addition, the following shall apply:

(a) The City of Chicago holds title and has possession of the vehicles provided by CTA for use by the VSEP officers.

(b) During the term of this Agreement, the City of Chicago shall promptly return to the CTA title and possession of any and all vehicles which are permanently out of service. The City of Chicago may request CTA purchase up to twelve (12) vehicles beginning in Year 2 of the Agreement and not to exceed six (6) vehicles to be purchased in Year 2 and six (6) vehicles to be purchased in Year 3 of the Agreement. Title to any replacement vehicles will be transferred to the City of Chicago upon transfer of possession.

#### 7. Compensation Of Officers -- Funded By The CTA Security Agreement.

All officers on the VSEP shall be paid wages for their work hereunder at a rate equal to the then current straight-time rate which they normally would receive for their regular employment with the CPD, except in those instances where a retroactive increase or payment of overtime and/or premium pay, incurred during the term of this Agreement, if any, is provided for by the CPD's General and/or Special Orders, or where such payment, if any, is otherwise required by law. By agreement of the parties, the CTA may withhold a mutually agreed upon percentage of the total amount to be paid under this Agreement per year until December 1<sup>st</sup> of each year for the purposes of payment for retroactive increases. The CPD shall establish procedures for the officers to receive their pay for the VSEP through the CPD's payroll system.

#### 8. Reimbursement By CTA.

Provided that in no event shall CTA reimburse the CPD more than \$30,000,000 for the next three (3) years (approximately \$10,000,000 per year), CTA shall be responsible for reimbursing CPD for:

(a) CPD Officers -- All wages paid under this Agreement which are paid at straight time hereunder to all VSEP officers providing the additional CTA security, including any retroactive increase, premium and/or overtime pay, incurred during the term of this Agreement, if any, plus ten percent (10%) being deemed to cover the following, including, but not limited to:

- (i) pay for court appearances relating to work on the CTA security assignment;
- (ii) pay for time loss and medical benefits paid due to injury, while engaged in work as part of the CTA security assignment;
- (iii) other benefits and administrative overhead.

(b) CPD Supervisors -- All wages and benefits paid hereunder to dedicated supervisors providing the additional CTA security, including any retroactive increase, premium and/or overtime pay, incurred during the term of this Agreement, if any, plus forty percent (40%) being deemed to cover the following, including, but not limited to:

- (i) fringe package consisting of hospital insurance, Medicare insurance, workers compensation insurance, general liability insurance, City pension obligations, etc.;
- (ii) rank credit benefit which by contract provides a supervisor .75 hours of credit on the book for each tour of duty worked;
- (iii) other benefits and administrative overhead.

(c) As reimbursement for the City's one-time dedication of fifty (50) officers to CPD's Public Transportation Section in Spring of 2012, CTA agrees to reimburse City for the associated costs with the training of fifty (50) new police recruits in the amount of \$1,887,308.95 payable on or before December 31, 2012.

(d) CPD shall report and account to the CTA on a quarterly basis within 45 days of the end of each quarter quantifying to whatever extent possible the items listed under (a) and (b) above.

(e) On a monthly basis, the CPD will submit an invoice to the CTA for reimbursement in the form attached hereto as exemplar Exhibit A of said wages earned plus said percentage in the case of CPD officers and supervisors assigned under this Agreement, and wages earned plus the cost of the items listed above in the case of regularly assigned full-time CPD supervisory personnel. CTA will reimburse the CPD within thirty (30) days of receipt of said invoices. Upon expiration of the Agreement, or its earlier termination, for any reason, the CPD shall promptly return to the CTA any excess monies held by the CPD as security for such wages and costs.

## 9. Labor Guidelines.

Under no circumstances shall CTA be considered a party to the collective bargaining agreement between the City of Chicago and the Fraternal Order of Police, Lodge 7 and the Policemen's Benevolent and Protective Association of Illinois, Unit 156 -- Sergeants. CTA understands that this Agreement is subject to General and/or Special Orders of the CPD governing the Voluntary Special Employment Program, including the provisions relating to officers' compensation. The CPD believes that the officers in the VSEP are not and shall not

be legally entitled to any additional overtime or premium compensation for their work hereunder under any collective bargaining agreement or any federal, state or local law or judicial ruling.

#### 10. Compensation Indemnification By CTA.

Upon receipt of reasonable notice of a claim or suit seeking additional compensation alleged or claimed to be due to any VSEP officer or to any regularly assigned full-time CPD supervisory personnel for overtime or premium compensation which in any manner results from, arises out of, or is connected with work performed by these officers in the VSEP or in their supervisory roles, the CTA shall indemnify and hold harmless the City of Chicago, the CPD, and each of their officers, agents and employees from, for, and against, and agrees to defend same from and against, any and all suits, claims, grievances, damages, costs, expenses, judgments and/or liabilities, including costs of defense and reasonable attorneys' fees, and further agrees to pay any settlement entered into or on behalf of, or judgment entered against, the foregoing individuals and/or entities, for any additional compensation.

Any liability on the part of CTA for overtime shall not include liquidated damages in excess of actual damages for overtime pay under 29 U.S.C. §216 which in any manner results from arises out of, or are connected with work performed on CTA VSEP. The obligation of the CTA, pursuant to this paragraph, to reimburse, indemnify and hold harmless is not limited to the \$30,000,000 amount of reimbursement by CTA to City of Chicago over the term of this Agreement referenced in Section 8 of this Agreement.

#### 11. Compensation Indemnification Procedures.

In such instances where the City of Chicago, the CPD and/or their officers, agents and employees are entitled to be indemnified and held harmless with respect to such overtime or premium compensation claims against them, the parties further agree as follows:

(a) Such party(ies) shall have a right to counsel.

(b) In grievance and arbitration proceedings, the Corporation Counsel of the City of Chicago shall act as counsel and direct the defense, or at this option, appoint outside counsel, and in the latter instance, the City of Chicago will be responsible for the payment of attorney's fees, but not the other costs of defense.

(c) The City of Chicago, with the approval of the CTA which will not be unreasonably withheld, is authorized to settle such grievance and/or arbitration proceedings, and the CTA will be responsible for payment of those settlements. The service of notice of the settlement of any of the aforesaid claims shall be personal service upon the CTA or by certified mail, and the failure of the CTA to respond in writing within thirty (30) days from the date of receipt, shall constitute approval of the settlement by the CTA.

(d) Except as otherwise provided above, in all other matters, counsel shall be selected by the CTA in consultation with the Corporation Counsel of the City of Chicago, and the

CTA will also direct the defense of the claim in consultation with the Corporation Counsel of the City of Chicago.

(e) If any claim against the City of Chicago or any of its officers, agents, or employees is made for overtime or premium compensation wherein liquidated damages are sought pursuant to 29 U.S.C. §216, and where the claim results from, arises out of or is connected with work performed by officers pursuant to this Agreement, the Corporation Counsel of the City of Chicago, at the expense of the City of Chicago, may appoint counsel and direct the defense of said claim for liquidated damages. This will not affect the CTA's obligation to assume to representation and/or defense of claims for actual damages and to pay for settlements or awards based on said claims. In any instance where the Office of the Corporation Counsel of the City of Chicago is designated to defend the claim pursuant to the above provisions, the CTA will assume the costs and expenses of defending the litigation, but will not reimburse the City of Chicago for time spent by the Corporation Counsel's Office in defending the claim.

#### 12. Indemnification By City Of Chicago.

Upon receipt of reasonable notice of a claim or suit, based solely upon the action of CPD officers or supervisors while performing duties pursuant to the VSEP, supervision of VSEP and/or the duties relating to the Public Transportation Section of the CPD, the City of Chicago shall indemnify and hold harmless the CTA and any of its officers, agents, or employees from, for, and against, and agrees to defend same from and against, any and all suits, claims, grievances, damages, costs, expenses, judgments and/or liabilities, including costs of defense and reasonable attorney's fees, and further agrees to pay any settlement entered into or on behalf of, or judgment entered against, the foregoing individuals and/or entities, excluding punitive damages. The City of Chicago shall not assume the representation, pay any settlements or award(s) based on any such claims, nor defend nor indemnify the CTA or any of its officers, agents, or employees from, for, and against, claims based on any theory other than one based solely upon the actions of the CPD officers performing their duties under this agreement nor where the standard alleged is a breach of duty of a common carrier which invokes the highest degree of care of passengers.

#### 13. Indemnification Procedures.

In such instances where the CTA or any of its officers, agents and employees are entitled to be indemnified, and held harmless with respect to any claim or suit based solely upon the actions of the CPD officers while performing duties hereunder, the parties further agree as follows:

(a) Such party(ies) shall have a right to counsel.

(b) Such counsel shall be selected by the Corporation Counsel of the City of Chicago, who will also be responsible for directing the defense of the claim.

The CTA, its officers, agents and employees are obligated to cooperate with the City of Chicago during the course of the investigation, administration and/or litigation of any tort or civil rights claim. Failure to cooperate with the City of Chicago during the course of the investigation, administration or litigation of claims extinguishes any obligation of the City of Chicago hereunder to represent and/or defend against the claim or to pay for any settlement or award based on such claim with regard to the CTA and/or the non-cooperating officer, agent or employee.

#### 14. Claims Against VSEP.

The City of Chicago, upon receipt of reasonable notice of a claim or suit, shall be responsible for, hold officers harmless from and pay for damages or monies which may be adjudged, assessed, or otherwise levied against any officer working on a CTA VSEP pursuant to the CPD's VSEP, subject to the conditions set forth herein and excluding punitive damages. These officers shall have legal representation by the City of Chicago in any civil cause of action brought against an officer resulting from or arising out of the performance of duties of the VSEP. The City of Chicago will provide the protections set forth above so long as the officer is acting within the scope of his/her employment on the VSEP and the officer cooperates with the City during the course of the investigation, administration and/or litigation of the claim.

The City of Chicago shall not assume the representation and/or defense of any of the aforementioned claims if it is determined by the City of Chicago that the officer alleged to have committed the tortuous act or violation of civil rights was acting outside the scope of his/her employment on the VSEP, was not acting in the performance of duties of the VSEP, or is deemed to have acted in a willful and wanton manner, nor shall the City of Chicago pay any settlements or awards based on such claims. The City of Chicago shall have the sole right to determine whether or not the officer was working within the scope of his/her employment or performance of duty on the VSEP or acted in a willful and wanton manner.

#### 15. Consents.

Whenever the consent or approval of one or both parties to this Agreement is required hereunder, such consent or approval shall not be unreasonably withheld.

It is further understood and agreed that the entry into this Agreement by the City of Chicago or the CTA shall not operate or be construed as a waiver of any rights, claims or actions they may have against the other, including, but not limited to, any claims resulting from the providing of officers to the CTA pursuant to this Agreement.

It is understood and agreed that nothing herein contained is intended or should be construed as in any way creating or establishing the relationship of co-partners or joint ventures between the parties hereto, or as constituting CTA or the City of Chicago as representative of each other for any purpose.

24. Authority.

This Agreement is entered into by authority of and in accordance with the provisions of the Intergovernmental Cooperation Act, 5 ILCS 220/1, et seq., as amended.

25. Ordinance.

Execution of this Agreement by the City of Chicago is authorized by virtue of an ordinance passed by the City Council of the City of Chicago on \_\_\_\_\_.

26. Shakman Accord Provisions.

(i) The City is subject to the May 31, 2007 Order entitled "Agreed Settlement Order and Accord" (the "Shakman Accord") and the August 16, 2007 "City of Chicago Hiring Plan" (the "City Hiring Plan") entered in *Shakman v. Democratic Organization of Cook County*, Case Number 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the Shakman Accord and the City Hiring Plan prohibit the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(ii) The Chicago Transit Authority is aware that City policy prohibits City employees from directing any individual to apply for a position with the CTA, either as an employee or as a subcontractor, and from directing the CTA to hire an individual as an employee or as a subcontractor. Accordingly, the CTA must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by the CTA under this Agreement are employees or subcontractors of the CTA, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by the CTA.

(iii) The CTA will not condition, base, or knowingly prejudice or affect any term or aspect of the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(iv) In the event of any communication to the CTA by a City employee or City official in violation of this Section 26(h), or advocating a violation of Section 26(iii), the CTA will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("IGO Hiring Oversight"), and also to the head of the relevant City Department. The following is said ordinance as passed:

WHEREAS, The City of Chicago (the "City") is a home rule unit of government as defined in Section 6(a), Article VII of the 1970 Constitution of the State of Illinois and, as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, The City, through the Department of Cultural Affairs and Special Events ("DCASE"), sponsors and conducts unparalleled exhibits, programs, festivals and cultural and entertainment events as further described by this ordinance (collectively "Events") in City facilities managed by DCASE and other City departments and throughout the City's streets, parks and neighborhoods; and

WHEREAS, The Events promote the public interest by providing vital recreation for the citizens of the City and from around the world, enhancing the cultural life of the City, and bringing together large numbers of people from every segment of society to meet and share in common social experiences in celebration of the City; and

WHEREAS, The City Council wishes to confer contracting authority on the Commissioner for other functions important to the functioning of DCASE, including the operation of retail shops at DCASE's facilities, and the authority to buy, maintain, and restore art, all as specified in this ordinance; now, therefore,

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. The above recitals are made a part of this ordinance as though fully set forth here.

SECTION 2. DCASE is authorized to sponsor and produce the Events set forth in Exhibit A attached to this ordinance. Subject to the availability of funds, DCASE may add additional programs, exhibits, festivals, cultural and/or entertainment events to Exhibit A.

SECTION 3. Those revenues that the Events may generate in 2013 in excess of revenues that may have been appropriated in the 2013 Annual Appropriation Ordinance, as well as all City revenues collected in connection with concession agreements entered pursuant to this ordinance, must be deposited into Fund Number 355, and are subject to appropriation. All agreements authorized in this ordinance must be made subject to the availability of funds.

SECTION 4. (a) DCASE is authorized to operate concessions at the Events, including through third parties, selling items of interest to the public. (b) The Commissioner is authorized to execute agreements with theater groups, performers, artists, entities promoting the arts, and art organizations selected by the Commissioner, which may include rights to use the space for performances or art exhibits on City space in facilities that DCASE manages for free or reduced rent, provided that such uses are consistent with and further the mission of DCASE. Such agreements may authorize the entity using the space to sell works of art or tickets to performances or exhibitions and to keep the proceeds, and may also provide for the City to give financial or promotional support to the entity.

SECTION 5. (a) DCASE is authorized to impose application fees and/or registration fees in connection with certain Events, as follows: (i) Race to Taste (the "Race") -- an application fee of up to Thirty-five and no/100 Dollars (\$35.00) on all participants in the Race; (ii) Online talent submissions to perform at Events -- a fee of not more than Ten and no/100 Dollars (\$10.00); and (iii) any other Event where, based on the location of the Event, the estimated number of participants in the Event, the duration of the Event or any other relevant factor set forth in duly promulgated rules and regulations, DCASE determines that an application fee and/or registration fee is required for such Event. Provided, however, that if

an application fee and/or registration fee is assessed under this item (iii), such fee shall not exceed \$100.00 and shall be reasonably related to the costs incurred by DCASE in connection with the administration of such Event. Any balance remaining from the application fees and/or registration fees after payment of the costs of the respective Event must be applied to the costs incurred by the City with respect to various other Events.

(b) DCASE is authorized to sell up to 3,000 tickets per night at \$25 per seat for admittance to concerts that take place at the Petrillo Band Shell during the Taste of Chicago. In addition, DCASE is authorized to sell up to 150 tickets per day at \$40 per person for admittance to events held at the Chef of the Day Pavilion during the Taste of Chicago. Any balance remaining from the sale of tickets after payment of the costs of the Taste of Chicago shall be applied to the costs incurred by the City with respect to various other Events. Notwithstanding Section 18, the Commissioner is authorized to enter into and execute agreements with one or more entities to provide ticket selling services for the tickets referenced in this subsection, upon such terms and conditions that the Commissioner deems appropriate; provided that the term of the agreement shall expire no later than December 31, 2013.

SECTION 6. DCASE must impose a service charge of \$2.00 on the purchase of each strip, sheet or other group of twelve (12) coupons redeemable for food and beverage at Taste of Chicago, Chicago Blues Festival, Chicago Jazz Festival, and Gospel Music Festival. DCASE may also sell coupons in electronic and other formats and at quantities greater or less than 12. The service charge for an individual coupon must not be greater than 1/12 of \$2.00. Ticket surcharge will cover the City's costs for these Events, which include, without limitation: security; entertainment; programming; production and marketing; maintenance operation; restroom facilities; inclusion of dining areas and picnic tables; and public relations efforts regionally, nationally and internationally. Any balance remaining from the service charge revenues after payment of these costs must be applied to the costs incurred by the City with respect to various other Events.

SECTION 7. On behalf of the City, DCASE may donate the amount of one percent (1%) of the total ticket sales, less service charge revenues and sales tax, generated from Taste of Chicago for the relief of malnutrition to not-for-profit organizations and/or for job training in the culinary arts industry in the City as directed by the Commissioner in consultation with the Commissioner of the Department of Family and Support Services (the "DFSS Commissioner").

SECTION 8. The Commissioner is authorized to charge festival and event organizers for costs incurred by the City in connection with a Special Event, as such term is defined in Section 10-8-335(a)(1) of the Municipal Code of Chicago, or a Parade or Athletic Event, as such terms are defined in Section 10-8-330(a), or such other events for which the City provides special services of the type described in Section 10-8-335(a)(1)(B). The Commissioner is authorized to promulgate such rules and regulations, subject to the approval of the Corporation Counsel, as he or she determines are necessary or desirable for the implementation of this section by posting these at the DCASE main offices.

The Commissioner is authorized to collect payments from festival and event organizers for such costs for deposit in Fund Number 355. The funds collected by the City pursuant to this section will be used only to reimburse various funds described in the 2013 Annual Appropriation Ordinance for the costs referenced above.

SECTION 9. DCASE is authorized from time to time to sell at auction or otherwise any excess quantities of events and sports banners, posters and related memorabilia. Any balance remaining after applying the proceeds to the costs of the sales may be used to donate to not-for-profit organizations devoted to the relief of malnutrition in the City designated by the Commissioner in consultation with the DFSS Commissioner and to purchase holiday gifts and provide holiday entertainment for needy Chicago children.

SECTION 10. The Commissioner is authorized to enter into and execute agreements for a term of up to two (2) years with vendors and with contractors and professionals (consultants) for goods or services in connection with the Events, including but not limited to: souvenir vendors, art vendors, providers of amusement games and rides and for hospitality, supply of signage, protocol gift and floral services, maintenance services, security services, and fireworks for Events; provided, however, that the Commissioner or designees select the vendors, contractors and consultants by evaluating their qualifications and proposals submitted in response to publicly advertised solicitations. SECTION 11. (a) The Commissioner is authorized, after evaluation of qualifications and proposals submitted in response to a publicly advertised solicitation or otherwise publicly disseminated solicitation, such as the mailing of applications to qualified entities or posting on the City of Chicago website, as determined in the Commissioner's discretion, to enter into and execute agreements for one (1) year with food and beverage vendors. Such terms may also require food and beverage

vendors to tender security deposits or allow the Commissioner to collect liquidated damages to ensure compliance with rules and regulations that she may promulgate pertaining to food and beverage vendors.

(b) The Commissioner is authorized to enter into and execute agreements with (i) such persons (as that term is defined in Municipal Code Section 1-4-090) whom the Commissioner reasonably deems to be Renowned Food and Beverage Vendors (as defined below), (ii) persons who prepare and sell items at an Event based upon the recipes of and with the express written permission of a Renowned Food and Beverage Vendor, and (iii) food service industry organizations representing Renowned Food and Beverage Vendors. **Other sustainable strategies and/or Project Notes:**

Subject site is already improved with a building which is not to be expanded except entrance features to enhance ADA access. The main improvements will be an improved parking lot which will be enhanced with trees and other landscaping. The soils in the parking area have high levels of contamination. Capping such areas, and capturing the stormwater and redirecting it to the sewer system, enhances sustainability by preventing such run-off from percolating through the contaminated soils and thereby leeching contamination into the Chicago River.

*Rules Suspended --* UNITED STATES CONGRESS AND ILLINOIS GENERAL ASSEMBLY URGED TO PASS ASSAULT WEAPONS BAN.

[R2013-10]

A proposed resolution, presented by Aldermen Silverstein, Moreno, Fioretti, Dowell, Burns, Hariston, Sawyer, Beale, Pope, Balcer, Cardenas, Quinn, Burke, Foulkes, Thompson, Thomas, Lane, O'Shea, Brookins, Chandler, Solis, Maldonado, Burnett, Ervin, Graham, Reboyras, Suarez, Wasquespack, Mell, Austin, Colòn, Mitts, Cullerton, Laurino, P. O'Connor, Reilly, Smith, Tunney, Arena, Cappleman, Pawar, Osterman and Moore reading as follows:

WHEREAS, Assault weapons are a class of military-style semi-automatic firearms, designed and manufactured for the sole purpose of killing many people quickly, and are the weapon of choice for criminals, enabling them to commit some of our Nation's deadliest crimes; and

WHEREAS, Tragically, there has been a recent series of shooting rampages in which innocent bystanders, attendees at movie theaters, gatherers at political events, school children, and others have been killed by individuals wielding and firing semi-automatic weapons, including at the Sandy Hook Elementary School in Newtown, Connecticut and the Century Movie Theater in Aurora, Colorado; and

WHEREAS, In 1994, the United States Congress, recognizing the threat to public safety posed by the continued availability of assault weapons, enacted the Federal Assault Weapon Ban, which banned certain models of assault weapons, as well as high capacity magazines. During the first nine years of the federal ban, the use of assault weapons in crimes dropped by 66 percent and the number of murders caused by firearms dropped by 7 percent. Unfortunately, the legislation contained a sunset provision, with the ban expiring in 2004, and attempts to re-enact the federal ban have failed; and

WHEREAS, In the absence of legislation from the federal government, seven states, including California, New York, Massachusetts, New Jersey, Connecticut, Hawaii and Maryland, attempted to stem the violence by enacting laws banning assault weapons. In addition, the District of Columbia and five large urban cities, including the City of Chicago, have enacted local laws banning such weapons; and

WHEREAS, Despite numerous attempts, the State of Illinois has never been able to muster the political will to enact an assault weapons ban, and a recent attempt in the lame-duck session of the General Assembly again failed to enact such a ban; and

WHEREAS, Even the United States Supreme Court has held that the Second Amendment's right to bear arms is subject to reasonable restrictions, including a prohibition on carrying "dangerous and unusual weapons"; and

WHEREAS, The effective regulation of assault weapons and high capacity magazines requires comprehensive legislation and action on the part of the federal, state and local government in order to protect our communities and prevent the further loss of innocent lives; now, therefore,

*Be It Resolved*, That we, the Mayor and Members of the City Council of the City of Chicago, assembled this 17<sup>th</sup> day of January 2013, do hereby urge the United States Congress and the Illinois General Assembly to pass an assault weapons ban in order to protect our communities; and

*Be It Further Resolved*, That copies of this resolution be sent to the President of the United States, Barack Obama, to the Speaker of the United States House of Representatives, John Boehner, to the United States House of Representatives Minority Leader, Nancy Pelosi, to the United States Senate Majority Leader, Harry Reid, to the United States Senate Minority Leader, Mitch McConnell, to Governor Pat Quinn, to the President and Minority Leader of the Illinois Senate, and the Speaker and Minority Leader of the Illinois House of Representatives.
