*Rules Suspended* -- GRATITUDE EXTENDED TO CHICAGO DEPARTMENT OF STREETS AND SANITATION EMPLOYEES ROOSEVELT BROWN AND MINOR THOMAS FOR EXEMPLARY CONDUCT.

[R2015-995]

The Honorable Rahm Emanuel, Mayor, presented the following communication:

OFFICE OF THE MAYOR  
CITY OF CHICAGO

December 9, 2015.

*To the Honorable, The City Council of the City of Chicago:*

LADIES AND GENTLEMEN -- I transmit herewith a congratulatory resolution regarding Mr. Roosevelt Brown and Mr. Minor Thomas of the Department of Streets and Sanitation.

Your favorable consideration of this resolution will be appreciated.

Very truly yours,

(Signed) RAHM EMANUEL,  
*Mayor.*

Alderman Burke moved to *Suspend the Rules Temporarily* to permit immediate consideration of and action upon the said proposed resolution. The motion *Prevailed*.

The following is said proposed resolution:

WHEREAS, In the early afternoon of Sunday, June 21, 2015, Roosevelt Brown and Minor Thomas, employees of the Chicago Department of Streets and Sanitation Graffiti Blasters unit, were eastbound on Division Street in the Wicker Park neighborhood when they caught sight of an obviously distressed woman calling for help; and

WHEREAS, Brown and Thomas pulled over and jumped out of their truck to investigate; and

WHEREAS, The distraught woman told them that a man had just assaulted her, putting his hands on her body in an unwelcome and inappropriate manner; and

WHEREAS, The woman pointed out her assailant, and Brown and Thomas took off in pursuit; and

WHEREAS, After a short chase, Brown and Thomas overtook the man attempting to flee down an alley, foiled his escape, and held him in front of a restaurant near the intersection of Division and Hoyne Avenue until the police arrived; and

WHEREAS, The man was ultimately charged with a misdemeanor count of battery; and

WHEREAS, Suitably impressed by Brown and Thomas's timely and effective assistance, the victim of this degrading attack wrote a letter to the Commissioner of Streets and Sanitation expressing her eternal gratitude, urging that the men be "identified, thanked, and celebrated", and sharing the sentiment "with guys like these working for the City, I'm proud to be a Chicagoan"; now, therefore,

*Be It Resolved*, That we, the Mayor and members of the City Council of the City of Chicago, assembled this ninth day of December 2015, do hereby offer our heartfelt thanks to Roosevelt Brown and Minor Thomas for their exemplary conduct and willingness to go above and beyond the call of duty; and

*Be It Further Resolved*, That copies of this resolution be presented to Roosevelt Brown and Minor Thomas as tokens of our esteem and gratitude, and placed on permanent record in their personnel files, as testaments to their stalwart service to the City of Chicago.

On motion of Alderman Burke, seconded by Aldermen Moreno, Dowell, Harris, Curtis, Zalewski, Mitts and Sposato, the foregoing proposed resolution was *Adopted* by yeas and nays as follows:

*Yeas* -- Aldermen Moreno, Hopkins, Dowell, Burns, Hairston, Sawyer, Mitchell, Harris, Beale, Sadlowski Garza, Thompson, Cárdenas, Quinn, Burke, Lopez, Foulkes, D. Moore, Curtis, O'Shea, Cochran, Brookins, Muñoz, Zalewski, Scott, Solis, Maldonado, Burnett, Ervin, Taliaferro, Reboyras, Santiago, Waguespack, Mell, Austin, Ramirez-Rosa, Villegas, Mitts, Sposato, Laurino, O'Connor, Napolitano, Reilly, Smith, Tunney, Arena, Cappleman, Pawar, Osterman, J. Moore, Silverstein -- 50.

*Nays* -- None.

Alderman Beale moved to reconsider the foregoing vote. The motion was lost.

At this point in the proceedings, the Honorable Rahm Emanuel, Mayor, rose and expressed his appreciation to Department of Streets and Sanitation employees Roosevelt Brown and Minor Thomas for their courageous actions in subduing a violent assailant. Lauding the honorees for their selfless response and willingness to become involved in a dangerous situation to help a woman in distress, Mayor Emanuel declared them true public servants and noted that Mr. Brown and Mr. Thomas represent not only the best of Chicago, but also the positive difference that caring and civic-minded citizens make in our city. Mayor Emanuel then invited Roosevelt Brown and Minor Thomas to the Mayor's rostrum where he presented each with a parchment copy of the congratulatory resolution.

The following is said ordinance as passed:

WHEREAS, The City of Chicago (the "City") is a home rule unit of government under Article VII, Section 6(a) of the 1970 Constitution of the State of Illinois and, as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, The Chicago Park District (the "Park District"), is an Illinois municipal corporation and a unit of local government under Article VII, Section 1 of the 1970 Constitution of the State of Illinois and, as such, is authorized to exercise control over and supervise the operation of parks within the corporate limits of the City; and

WHEREAS, The Park District has undertaken to rehabilitate and improve existing improvements on a parcel of land known as Welles Park, which is generally located at 2333 West Sunnyside Avenue, Chicago, Illinois and legally described in Exhibit A (the "Property"); and

WHEREAS, The Property lies wholly within the boundaries of the Western Avenue North Redevelopment Area (as hereinafter defined); and

WHEREAS, The City is authorized under the provisions of the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1, et seq., as amended from time to time (the "Act"), to finance projects that eradicate blight conditions and conservation factors that could lead to blight through the use of tax increment allocation financing for redevelopment projects; and

WHEREAS, In accordance with the provisions of the Act, and pursuant to ordinances adopted on January 12, 2000, and published in the *Journal of the Proceedings of the City Council of the City of Chicago* (the "*Journal of Proceedings*") for said date at pages 22394 -- 22521, the City Council: (i) approved and adopted a redevelopment plan and project (the "Plan") for a portion of the City known as the "Western Avenue North Redevelopment Project Area" (the "Western Avenue North Redevelopment Area"); (ii) designated the Western Avenue North Redevelopment Area as a "redevelopment project area"; and (iii) adopted tax increment allocation financing for the Western Avenue North Redevelopment Area; furthermore, the Plan was amended pursuant to ordinance adopted on May 17, 2000, and published in the *Journal of Proceedings* for said date at pages 31610 to 31706; and

WHEREAS, Under 65 ILCS 5/11-74.4-3(q)(7), such incremental ad valorem taxes which pursuant to the Act have been collected and are allocated to pay redevelopment project costs and obligations incurred in the payment thereof ("Increment") may be used to pay all or a portion of a taxing district's capital costs resulting from a redevelopment project necessarily incurred or to be incurred in furtherance of the objectives of the redevelopment plan and project, to the extent the municipality by written agreement accepts and approves such costs (Increment collected from the Western Avenue North Redevelopment Area shall be known as the "Western Avenue North Increment"); and

WHEREAS, Pursuant to an ordinance adopted on June 25, 2014, and published in the *Journal of the Proceedings* for said date at pages 82987 -- 83007, the City Council previously

authorized the City to make available to the Park District a portion of the Western Avenue North Increment in an amount not to exceed \$1,300,000 for the purpose of partially funding improvements to public buildings and other facilities on the Property (the "TIF-Funded Improvements") in the Western Avenue North Redevelopment Area to the extent and in the manner provided in an intergovernmental agreement (the "First Welles Agreement") which was entered into as of July 28, 2015 between the City and the Park District; and

WHEREAS, After careful consideration and attempting in good faith to complete the TIF-Funded Improvements, the Park District determined that some of the TIF-Funded Improvements would be more extensive and expensive than initially determined; and

WHEREAS, The City wishes to make available to the Park District an additional portion of the Western Avenue North Increment in an amount not to exceed \$400,000 for the purpose of partially funding the TIF-Funded Improvements in the Western Avenue North Redevelopment Area to the extent and in the manner provided in the Agreement (as hereinafter defined); and

WHEREAS, The Plan contemplates that tax increment financing assistance would be provided for public improvements, such as the Project, within the boundaries of the Western Avenue North Redevelopment Area; and

WHEREAS, The Park District is a taxing district under the Act; and

WHEREAS, In accordance with the Act, the TIF-Funded Improvements shall include such of the Park District's capital costs necessarily incurred or to be incurred in furtherance of the objectives of the Plan, and the City has found that the TIF-Funded Improvements consist of the cost of the Park District's capital improvements that are necessary and directly result from the redevelopment project constituting the Project and, therefore, constitute "taxing districts' capital costs" as defined in Section 5/11-74.4-3(u) of the Act; and

WHEREAS, The City and the Park District wish to enter into an intergovernmental agreement in substantially the form attached as Exhibit B (the "Agreement") whereby the City shall pay for or reimburse the Park District for a portion of the TIF-Funded Improvements; now, therefore,

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. The above recitals are expressly incorporated in and made a part of this ordinance as though fully set forth herein.

SECTION 2. The City hereby finds that the TIF-Funded Improvements, among other eligible redevelopment project costs under the Act approved by the City, consist of the cost of the Park District's capital improvements that are necessary and directly result from the redevelopment project constituting the Project and, therefore, constitute "taxing districts' capital costs" as defined in Section 5/11-74.4-3(u) of the Act.

SECTION 3. Subject to the approval of the Corporation Counsel of the City of Chicago as to form and legality, and to the approval of the Chief Financial Officer, the Commissioner of Planning and Development is authorized to execute and deliver the Agreement, and such other documents as are necessary, between the City of Chicago and the Park District, which Agreement may contain such other terms as are deemed necessary or appropriate by the parties executing the same on the part of the City.

SECTION 4. To the extent that any ordinance, resolution, rule, order or provision of the Municipal Code of Chicago, or part thereof, is in conflict with the provisions of this ordinance the provisions of this ordinance shall control. If any section, paragraph, clause or provision of this ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any other provision of this ordinance.

SECTION 5. This ordinance shall be in full force and effect from and after the date of its passage and approval.

(To Ordinance)

*Intergovernmental Agreement With Chicago Park  
District For Rehabilitation Of Welles Park.*

This Agreement is made the \_\_\_\_\_ day of \_\_\_\_\_, 2015 (the "Closing Date"), under authority granted by Article VII, Section 10 of the 1970 Constitution of the State of Illinois, by and between the City of Chicago (the "City"), an Illinois municipal corporation, by and through its Department of Planning and Development or any successor thereto ("DPW"); and the Chicago Park District (the "Park District"), an Illinois municipal corporation. The Park District and the City are sometimes referred to herein as the "Parties."

*Recitals:*

A. The City is a home rule unit of government under Article VII, Section 6(a) of the 1970 Constitution of the State of Illinois and, as such, may exercise any power and perform any function pertaining to its government and affairs.

B. The Park District is a unit of local government under Article VII, Section 1 of the 1970 Constitution of the State of Illinois, and as such, has the authority to exercise control over and supervise the operation of parks within the corporate limits of the City.

C. The Park District seeks payment or reimbursement of funds it intends to expend for the rehabilitation of certain facilities which are a part of Welles Park (the "Project"), an approximately 15 acre park located at 2333 West Sunnyside Avenue and legally described in (Sub)Exhibit A (the "Property"),

D. The Park District owns the Property and the Property lies wholly within the boundaries of the Western Avenue North Redevelopment Area (as hereinafter defined).

E. The City is authorized under the provisions of the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1, et seq., as amended from time to time (the "Act"), to finance projects that eradicate blight conditions and conservation factors that could lead to blight through the use of tax increment allocation financing for redevelopment projects.

F. In accordance with the provisions of the Act, and pursuant to ordinances adopted on January 12, 2000 and published in the *Journal of the Proceedings of the City Council of the City of Chicago* (the "*Journal of Proceedings*") for said date at pages 22394 -- 22521, the City Council: (i) approved and adopted a redevelopment plan and project the "Plan") for a portion of the City known as the "Western Avenue North Redevelopment Project Area" (the "Western Avenue North Redevelopment Area"); (ii) designated the Western Avenue North Redevelopment Area as a "redevelopment project area", and (iii) adopted tax increment allocation financing for the Western Avenue North Redevelopment Area Furthermore, the Plan was amended pursuant to ordinance adopted on May 17, 2000 and published in the *Journal of Proceedings* for said date at pages 31610 to 31706.

G. Under 65 ILCS 5/11-74.4-3(q)(7), such incremental ad valorem taxes which pursuant to the Act have been collected and are allocated to pay redevelopment project costs and obligations incurred in the payment thereof ("Increment") may be used to pay all or a portion of a taxing district's capital costs resulting from a redevelopment project necessarily incurred or to be incurred in furtherance of the objectives of the redevelopment plan and project, to the extent the municipality by written agreement accepts and approves such costs, (increment collected from the Western Avenue North Redevelopment Area shall be known as the "Western Avenue North Increment").

H. The Park District is a taxing district under the Act.

I. DPD wishes to make available to the Park District a portion of the Western Avenue North Increment in an amount not to exceed a total of \$400,000 (the "TIF Assistance"), subject to Section 2.5, for the purpose of funding the Project (the "TIF-Funded Improvements") in the Western Avenue North Redevelopment Area to the extent and in the manner provided in the Agreement (as hereinafter defined).

J. The Plan contemplates that tax increment financing assistance would be provided for public improvements, such as the Project, within the boundaries of the Western Avenue North Redevelopment Area.

K. The Park District is a taxing district under the Act.

L. In accordance with the Act, the TIF-Funded improvements shall include such of the Park District's capital costs necessarily incurred or to be incurred in furtherance of the objectives of the Plan, and the City has found That the TIF-Funded Improvements consist of the cost of the Park District's capital improvements that are necessary and directly result from the redevelopment project constituting the Project and, therefore, constitute "taxing districts' capital costs" as defined in Section 5/11-74,4-3(u) of the Act.

M. The City and the Park District wish to enter into this Agreement whereby the Park District shall undertake the Project and the City shall reimburse the Park District for the TIF-Funded Improvements made pursuant to the Project.

N. On \_\_\_\_\_, 2015, the City Council adopted an ordinance published in the *Journal* for said date at pages 82967 -- 83007, (the "Authorizing Ordinance"), among other things, authorizing the execution of this Agreement.

O. On \_\_\_\_\_, 20\_\_, the Park District's Board of Commissioners passed an ordinance expressing its desire to accept TIF Assistance from the City for the Project and authorizing the execution of thii Agreement (the "Park District Ordinance").

Now, Therefore, In consideration of the mutual covenants and agreements contained herein, the above recitals which are made a contractual part of this Agreement, and other good and valuable consideration the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

*Terms And Conditions.*

*Section 1.*

*The Project.*

1.1. No later than eighteen (18) months from the Closing Date, or later as the Commissioner of DPD (the "Commissioner") may agree in writing, the Park District shall let one or more contracts for the Project in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, all as may be in effect from time to time pertaining to or affecting the Project or the Park District as related thereto.

1.2. The plans and specifications for the Project (the "Plans and Specification") shall at a minimum meet or shall have met the general requirements set forth in (Sub)Exhibit B hereof and comply with plans and specifications which the Park District will have provided to, and be approved by, DPD prior to the disbursement of the TIF Assistance. No material deviation from the Plans and Specifications may be made without the prior written approval of the City. The Park District shall comply with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, all as may be in effect from time to time, pertaining to or affecting the Project or the Park District as related thereto.

1.3. The Park District shall also provide the City with copies of all governmental licenses and permits required to construct the Project and to use, occupy and operate the Property as a public park from all appropriate governmental authorities, including evidence that the Property is appropriately zoned to be used, occupied, and operated as a public park.

1.4. The Park District shall include a certification of compliance with the requirements of Sections 1.1, 1.2 and 1.3 hereof with the request for the TIF Assistance hereunder at the time the Project is completed and prior to any disbursement of the TIF Assistance, The City shall be entitled to rely on this certification without further inquiry. Upon the City's request, the Park District shall provide evidence satisfactory to the City of such compliance.

*Section 2.*

*Funding.*

2.1. The City shall, subject to the Park District's satisfaction of the conditions precedent for disbursement described in this Section 2 and such other conditions contained in this Agreement, disburse the TIF Assistance to the Park District.

2.2. The City shall establish a special account within the Western Avenue North Redevelopment Project Area Special Tax Allocation Fund; such special account shall be known as the ["Welles Park -- Fieldhouse/Pool & Other Improvements Account"]. Disbursement of TIF Assistance funds will be subject to the availability of Western Avenue North increment in the Welles Park Account, subject to all restrictions on and obligations of the City contained in all Western Avenue North Ordinances, or relating to the Western Avenue North Increment and all agreements and other documents entered into by the City pursuant thereto.

2.3. Within 15 days after the Closing Date or such longer period of time as may be agreed to by the Commissioner, but in no event later than 90 days after the execution of this Agreement (the "Satisfaction Period"), the Park District must satisfy to the reasonable satisfaction of the Commissioner, the following conditions precedent for City's disbursement of the TIF Assistance to the Park District:

2.3.1. the Park District has satisfactory title to the Property, which may be evidenced by an acceptable title insurance policy, subject only to those title exceptions acceptable to the City and the Park District; and

2.3.2. the Park District has satisfied the conditions stated in this Section 2.3 within the Satisfaction Period. If the Park District is unable to satisfy said conditions, either Party may terminate this Agreement by providing written notice to the other Party.

2.4. The Park District may request payment from the City by submitting a Certificate of Expenditure in the form of (Sub)Exhibit D hereto ("Certificate of Expenditure") be processed and executed periodically, but in no event more frequently than quarterly. The City shall not execute and approve Requisitions for Payment in the aggregate in excess of the actual costs of the Project that are TIF-Funded Improvements, and in no event in an amount greater than the TIF Assistance. Prior to each execution of a Certificate of Expenditure by the City, the Park District shall submit documentation regarding the applicable expenditures to DPD. Delivery by the Park District to the City of any request for execution by the City of a Certificate of Expenditure hereunder shall, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such request for execution of a Certificate of Expenditure, that:

2.4.1. the total amount of the request for the Certificate of Expenditure represents the actual amount payable to (or paid to) the general contractor, subcontractors, and other parties who have performed work on or otherwise provided goods or services in connection with the Project, and/or their payees;

2.4.2. all amounts shown as previous payments on the current request for a Certificate of Expenditure have been paid to the parties entitled to such payment;

2.4.3. the Park District has approved all work and materials for the current request for a Certificate of Expenditure, and such work and materials conform to the Plans and Specifications; and

2.4.4. the Park District is in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, all as may be in effect from time to time, pertaining to or affecting the Project or the Park District as related thereto.

2.5. The City shall have the right, in its discretion, to require the Park District to submit further documentation as the City may require in order to verify that the matters certified to in Section 2.4 are true and correct, and any execution and approval of a Certificate of Expenditure by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by the Park District.

2.6. The current estimated cost [athe entire Project is [[~~\$1,300,000~~]], with \$400,000 in TIF Assistance. The Park District has delivered to the Commissioner a budget for the Project attached as (Sub)Exhibit C. The Park District certifies that it has identified sources of funds, including the TIF Assistance, sufficient to complete its budgeted portion of the Project The Park District agrees that the City will reimburse the Park District with the TIF Assistance for the costs of the Project and that all costs of completing the Project over the TIF Assistance shall be the sole responsibility of the Park District. If the Park District at any point learns upon reasonable duty of inquiry that it does not have sufficient funds to complete the Project, the Park District shall so notify the City immediately in writing and cease all work on the Project until the City and the Park District agree on how to proceed; the Park District may narrow the scope of the Project (the "Revised Project") as agreed to by the City prior to the restart of any work in order to complete the Revised Project with the [[approved funds or TIF Assistance]]. The City has the right, at its election, to withhold and refuse all reimbursement in the event that the Park District fails to so notify the City and/or the Park District and the City fail to reach agreement on a Revised Project as described above.

2.7. (Sub)Exhibit C contains a preliminary list of capital improvements, equipment costs, general construction costs, and other costs, if any, recognized by the City as being eligible redevelopment project costs under the Act with respect to the Project, to be paid for out of the TIF Assistance. To the extent the TIF-Funded Improvements are included as taxing district capital costs under the Act, the Park District acknowledges that the TIF-Funded improvements are costs for capital improvements and the City acknowledges it has determined that these TIF-Funded improvements are necessary and directly result from the Plan. Prior to the expenditure of TIF Assistance funds on the Project, the Commissioner, based upon the Project budget, may make such modifications to (Sub)Exhibit C as he or she wishes in his or her discretion to account for all of the TIF Assistance funds to be expended under this Agreement; provided, however, that all TIF-Funded Improvements shall (i) qualify as redevelopment project costs under the Act, (ii) qualify as eligible costs under the Plan; and (iii) be improvements that the Commissioner has agreed to pay for out of TIF Assistance funds, subject to the terms of this Agreement.

2.8. The Park District hereby acknowledges and agrees that the City's obligations hereunder with respect to the TIF Assistance are subject in every respect to the availability of funds as described in and limited by this Section 2, If no funds or insufficient funds are appropriated and budgeted in any fiscal period of the City for disbursements of the TIF Assistance, then the City will notify the Park District in writing of that occurrence, and the City may terminate this Agreement on the earlier of the last day of the fiscal period for which sufficient appropriation was made or whenever the funds appropriated for disbursement under this Agreement are exhausted.

2.9. If the aggregate cost of the Project is less than the amount of the TIF Assistance contemplated by this Agreement, the Park District shall have no claim to the difference between the amount of the TIF Assistance contemplated by this Agreement and the amount of the TIF Assistance actually paid by the City to the Park District and expended by the Park District on the Project.

### *Section 3.*

#### *Term.*

The term of this Agreement shall commence on the Closing Date and shall expire on the date on which the Western Avenue North Redevelopment Area is no longer in effect, or on the date of termination of this Agreement according to its terms, whichever occurs first.

### *Section 4.*

#### *Environmental Matters.*

4.1. It shall be the responsibility of the Park District, at its sole cost and expense, to investigate and determine the soil and environmental condition of the Property, including obtaining phase I and, if applicable, phase II environmental audits for the Property and (b) to determine if any environmental remediation is necessary with respect to the Property or the Project, and any such work that the Park District determines is required shall be performed at its sole cost and expense as the parties understand and agree that the City's financial obligation shall be limited to an amount not to exceed the TIF Assistance which is provided solely for the items set forth on (Sub)Exhibit C. The City makes no covenant, representation, or warranty as to the environmental condition of the Property or the suitability of the Property as a park or for any use whatsoever.

4.2. The Park District agrees to carefully inspect the Property prior to commencement of any activity related to the Project to ensure that such activity shall not damage surrounding property, structures, utility lines or any subsurface lines or cables. The Park District shall be solely

responsible for the safety and protection of the public. The City reserves the right to inspect the work being done on the Property. The Park District agrees to keep the Property free from all liens and encumbrances arising out of any work performed, materials supplied or obligations incurred by or for the Park District.

*Section 5.*

*Insurance.*

5.1. The Park District shall provide and maintain at the Park District's own expense, or cause to be provided during the term of this Agreement, the insurance coverages and requirements specified below, insuring all operations related to this Agreement.

5.1.1. *Workers' Compensation And Employer's Liability.* Workers Compensation as prescribed by applicable law covering all employees who are to provide a service under this Agreement and Employer's Liability coverage with limits of not less than \$100,000 each accident or illness.

5.1.2. *Commercial General Liability (Primary And Umbrella).* Commercial General Liability Insurance or equivalent with limits of not less than \$1,000,000 per occurrence for bodily injury, personal injury, and property damage liability. Coverages shall include the following: all premises and operations, products/completed operations, explosion, collapse, underground, separation of insureds, defense, and contractual liability (with no limitation endorsement). The City of Chicago is to be named as an additional insured on a primary, noncontributory basis for any liability arising directly or indirectly from the work.

5.1.3. *Automobile Liability. (Primary And Umbrella).* When any motor vehicles (owned, non-owned and hired) are used in connection with work to be performed, the Park District shall provide or cause to be provided, Automobile Liability Insurance with limits of not less than \$1,000,000 per occurrence for bodily injury and property damage.

5.1.4. *Professional Liability.* When any architects, engineers or professional consultants perform work in connection with this Agreement, the Park District shall cause to be provided, Professional Liability Insurance covering acts, errors, or omissions shall be maintained with limits of not less than \$1,000,000.

5.1.5. *Self Insurance.* To the extent permitted by applicable Law, the Park District may self-insure for the insurance requirements specified above, it being expressly understood and agreed that, if the Park District does self insure for any such insurance requirements, the Park District must bear all risk of loss for any loss which would otherwise be covered by insurance policies, and the self-insurance program must comply with at least such insurance requirements as stipulated above.

5.2. The Park District will furnish the City at the address stated in Section 8.13, original Certificates of Insurance evidencing the required coverage to be in force on the Closing Date, and renewal Certificates of Insurance, promptly as any requisite insurance is renewed. The Park District shall submit evidence of insurance on the City's Insurance Certificate Form or equivalent prior to the Closing Date. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in this Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence shall not be deemed to be a waiver by the City.

5.3. The Park District shall advise all insurers of the provisions of this Agreement regarding insurance. Nonconforming insurance shall not relieve the Park District of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of this Agreement, and the City retains the right to stop work until proper evidence of insurance is provided, or this Agreement may be terminated.

5.4. The required insurance shall provide for sixty (60) days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

5.5. Any and all deductibles or self-insured retentions on referenced insurance coverages shall be borne by the Park District and its contractors.

5.6. The Park District agrees that insurers shall waive their rights of subrogation against the City, its employees, elected officials, agents, or representatives.

5.7. The Park District expressly understands and agrees that any coverage and limits furnished by the Park District shall in no way limit the Park District's liabilities and responsibilities specified by this Agreement or by law.

5.8. The Park District expressly understands and agrees that any insurance or self-insurance programs maintained by the City shall not contribute with insurance provided by the Park District under this Agreement.

5.9. The required insurance shall not be limited by any limitations expressed in the indemnification language herein or any limitation placed on the indemnity therein given as a matter of law.

5.10. The Park District shall require all subcontractors to provide the insurance required herein and insurance customarily required by the Park District or the Park District may provide the coverages for subcontractors. All subcontractors shall be subject to the same insurance requirements of the Park District unless otherwise specified herein. In all contracts relating to the Project, the Park District agrees to require the contractor to name the City as an additional insured on insurance coverages and to require the contractor to indemnify the City from all claims,

damages, demands, losses, suits, actions, judgments and expenses including but not limited to attorney's fees arising out of or resulting from work on the Project by the contractor or contractors suppliers, employees, or agents.

5.11. The City's Risk Management Department maintains the right to modify, delete, alter or change these requirements.

*Section 6.*

*Indemnity/No Personal Liability.*

6.1. The Park District agrees to indemnify and hold the City, its officers and employees, harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses, including, without limitation, reasonable attorney's fees and court costs suffered or incurred by the City arising from or in connection with (i) the Park District's failure to comply with any of the terms, covenants and conditions contained in this Agreement: or (ii) the Park District's or any contractor's failure to pay general contractors, subcontractors or materialmen in connection with the Project. The defense and indemnification obligations in this Section 6.1 shall survive any termination or expiration of this Agreement.

6.2. No elected or appointed official or member or employee or agent of the City or the Park District shall be individually or personally liable in connection with this Agreement.

*Section 7.*

*Default.*

7.1. If the Park District, without the City's written consent, fails to complete the Project within 36 months after the date of execution of this Agreement, then the City may terminate this Agreement by providing written notice to the Park District.

7.2. In the event the Park District fails to perform, keep or observe any of its covenants, conditions, promises, agreements or obligations under this Agreement not identified in Section 7.1 and such default is not cured as described in Section 7.3 hereof, the City may terminate this Agreement.

7.3. Prior to termination, the City shall give its notice of intent to terminate 30 days prior to termination at the address specified in Section 8.13 hereof, and shall state the nature of the default. In the event Park District does not cure such default within the 30-day notice period, such

termination shall become effective at the end of such period; provided, however, with respect to those defaults which are not capable of being cured within such 30-day period, the Park District shall not be deemed to have committed such default and no termination shall occur if the Park District has commenced to cure the alleged default within such 30-day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

7.4. The City may in any court of competent jurisdiction, by any proceeding at law or in equity, secure the specific performance of the agreements contained herein, or may be awarded damages for failure of performance, or both.

#### *Section 8.*

##### *General Provisions.*

8.1. Authority. Execution of this Agreement by the City is authorized by the Authorizing Ordinance. Execution of this Agreement by the Park District is authorized by the Park District Ordinance. The parties represent and warrant to each other that they have the authority to enter into this Agreement and perform their obligations hereunder.

8.2. Assignment This Agreement, or any portion thereof, shall not be assigned by either Party without the prior written consent of the other.

CABLE SYSTEM FRANCHISE RENEWAL AGREEMENT WITH RCN CABLE TV OF CHICAGO, INC. FOR FRANCHISE AREA 2.

[O2015-8427]

The Committee on Finance submitted the following report:

CHICAGO, December 9, 2015.

*To the President and Members of the City Council:*

Your Committee on Finance, having had under consideration a communication recommending a proposed ordinance concerning the authority to approve the renewal of the RCN Area 2 Cable Franchise Agreement, having had the same under advisement, begs leave to report and recommend that Your Honorable Body *Pass* the proposed ordinance transmitted herewith.

This recommendation was concurred in by a viva voce vote of the members of the committee, with no dissenting vote.

Respectfully submitted,

(Signed) EDWARD M. BURKE,  
*Chairman.*

On motion of Alderman Burke, the said proposed ordinance transmitted with the foregoing committee report was *Passed* by yeas and nays as follows:

*Yeas* -- Aldermen Moreno, Hopkins, Dowell, Burns, Hairston, Sawyer, Mitchell, Harris, Beale, Sadlowski Garza, Thompson, Cárdenas, Quinn, Burke, Lopez, Foulkes, D. Moore, Curtis, O'Shea, Cochran, Brookins, Muñoz, Zalewski, Scott, Solís, Maldonado, Burnett, Ervin, Taliaferro, Reboyras, Santiago, Waguespack, Mell, Austin, Ramirez-Rosa, Villegas, Mitts, Sposato, Laurino, O'Connor, Napolitano, Reilly, Smith, Tunney, Arena, Cappleman, Pawar, Osterman, J. Moore, Silverstein -- 50.

*Nays* -- None.

Alderman Beale moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

WHEREAS, Pursuant to Section 4-280-100 of the Municipal Code of Chicago, the City Council is authorized to renew a nonexclusive franchise creating a right to construct and operate a cable system within the public ways of the City; and

WHEREAS, RCN Cable TV of Chicago, Inc. ("RCN") currently maintains and operates a cable system in City of Chicago Franchise Area 2 pursuant to a Cable Television Franchise Agreement which became effective on December 7, 2000 (the "RCN Franchise"); and

WHEREAS, The RCN Franchise is scheduled to expire on December 6, 2015; and

WHEREAS, RCN has expressed an interest to the Cable Administrator to renew the RCN Franchise and to continue to provide cable service in Chicago; and

WHEREAS, Following negotiations with RCN, the Cable Administrator has reached a franchise renewal agreement that is fair and reasonable and which will benefit cable consumers; and

WHEREAS, Section 6(a) of Article VII of the Illinois Constitution provides that a home rule unit "may exercise any power and perform any function pertaining to its government and affairs including, but not limited to, the power to regulate for the protection of the public health, safety, morals and welfare; to license; to tax . . ."; and

WHEREAS, The City Council Committee on Finance has conducted a public hearing affording RCN and members of the public a reasonable opportunity to comment on the proposed RCN franchise renewal agreement; and

WHEREAS, After reviewing the franchise renewal agreement, the legal, financial, technical and character qualifications of RCN, and the public interest, the City Council has determined that it is in the best interests of the City of Chicago to grant a nonexclusive renewal franchise to RCN, to extend, install, maintain and operate a cable system within Franchise Area 2 of the City of Chicago; now, therefore,

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. The Mayor is hereby authorized to enter into a franchise renewal agreement between the City of Chicago and RCN Cable TV of Chicago, Inc., in substantially the form attached hereto.

SECTION 2. This ordinance shall be in force and effect upon its passage and approval, and upon becoming effective, shall be deemed to apply retroactively to December 7, 2015.

Franchise Renewal Agreement referred to in this ordinance reads as follows:

*Cable System Franchise Renewal Agreement  
With RCN Cable TV Of Chicago, Inc.*

*Franchise Area 2.*

*Preamble*

This Agreement, made and executed by and between the City of Chicago (the "City") and RCN Cable TV of Chicago, Inc., a Delaware corporation with its principal place of business at 2640 West Bradley Place, Chicago, Illinois 60618 ("RCN" or "the Grantee"):

*Witnesseth:*

WHEREAS, Section 6(a) of Article VII of the Illinois Constitution provides in relevant part that a home rule unit "may exercise any power and perform any function pertaining to its government and affairs including, but not limited to, the power to regulate for the protection of the public health, safety, morals and welfare; to license; to tax . . ."; and

WHEREAS, Section 5/11-42-11 of the Illinois Municipal Code, 65 ILCS 5/11-42-11, provides in relevant part that "[T]he corporate authorities of each municipality may license, franchise and tax the business of operating a community antenna television system . . ."; and

WHEREAS, The City Council of the City of Chicago (the "City Council") adopted Chapter 4-280 of the Municipal Code of Chicago, "Chicago Cable Communications Ordinance" (the "Cable Ordinance"), on February 10, 1982, to provide for the non-exclusive franchising and regulation of cable systems within the City; and

WHEREAS, The City Council adopted Chapter 4-284 of the Municipal Code of Chicago, "Chicago Cable Ethics Ordinance" (the "Cable Ethics Ordinance"), on April 21, 1982, to ensure that the awarding of franchises for and operation of cable systems within the City be conducted free of conflict of interest or the appearance of conflict of interest and with maximum protection to enhance public confidence in the cable services franchise award process and the operations of all franchised cable services within the City; and

WHEREAS, The City seeks to provide cable franchises and renewals in an evenhanded and nondiscriminatory manner, taking all relevant facts and circumstances into account, so as to allow all cable system franchisees to provide service within the City on a fair and competitive footing; and

WHEREAS, The Grantee has constructed and installed, and is currently maintaining and operating a cable system in City of Chicago Franchise Area 2 pursuant to a Cable System Franchise Agreement which became effective on December 7, 2000; and

WHEREAS, The Cable Administrator of the City of Chicago (the "Cable Administrator") and the Grantee have negotiated a mutually acceptable Franchise Renewal Agreement; and

WHEREAS, The City Clerk has posted an electronic copy of the negotiated Franchise Renewal Agreement on its website, which can be accessed online at public libraries throughout the City so that the public would have the opportunity to be informed regarding the Franchise Renewal Agreement; and

WHEREAS, After reviewing the Franchise Renewal Agreement and after considering the comments made thereon, the legal, financial, and technical qualifications of the Grantee, and the public interest, the City Council has determined that it is in the best interests of the City and all persons located therein to renew the non-exclusive franchise of RCN, to extend, install, maintain and operate a cable system within Franchise Area 2 of the City; and

WHEREAS, The Grantee has voluntarily agreed to various terms in this Agreement that the City could not have legally required as conditions precedent to a cable system franchise renewal, and each party recognizes that such agreement was voluntary on the part of the Grantee;

NOW, THEREFORE, it is hereby agreed as follows:

#### Section 1. Definitions

Unless the context clearly indicates that a different meaning is intended, for purposes of this Agreement all terms, phrases, words or their derivations shall be defined as set forth in Section 4-280-030 of the Cable Ordinance, or as follows; provided, however, that terms, phrases, words or their derivations not defined in the Cable Ordinance or in this Agreement shall be given their common and ordinary meanings:

(1) "Activation" means that sufficient facilities have been constructed and installed by the Grantee in accordance with applicable federal, state and local laws and regulations or other standards so as to permit a person with proper terminal equipment to receive the services offered by the Grantee.

(2) "Affiliates" means any person or entity that directly or indirectly controls or is controlled by or is under common control with the Grantee.

(3) "Commercial Use" means the use of such PEG access facilities where the primary purpose is generating profit, and includes, by way of example, the selling of air-time, and any programming or use which, in whole or in part depicts, demonstrates, or discusses products, services, or businesses for the primary purpose of benefiting or enhancing a profit-making enterprise.

Commercial Use does not include by way of example, (a) programming and the identification of financial supporters similar to what is provided on public broadcasting channels; (b) the solicitation of financial support for the provision of PEG access by those entities that manage access facilities and for charitable, educational or governmental purposes; or (c) programming offered by accredited public educational institutions which may offer tele-courses over an educational PEG channel.

(4) "Communications Act" means the Communications Act of 1934, 47 U.S.C. Section 151 et seq., as amended.

(5) "Franchise Area 2" means that portion of the City set forth in the Cable Ordinance referenced in Section 2.3 of this Agreement and any subsequent annexations to Franchise Area 2 by the City pursuant to Section 13.2 of this Agreement during the term of this Agreement.

(6) "Institutional Network" or "I-Net" means a dedicated, high-speed, high-capacity telecommunications network with upstream and downstream capability, designed and constructed to connect the facilities of public institutions, and capable of interconnecting with other telecommunications networks.

(7) "Major Outage" means the simultaneous loss of service (i.e. total loss of signals on any cable of the Grantee's subscriber network system) to five hundred (500) or more subscribers.

## Section 2. Grant of Authority

### 2.1 Grant of Franchise

Pursuant to the Communications Act and Section 4-280-040 of the Cable Ordinance, which together with the Cable Ethics Ordinance, provide the local regulatory framework for all cable systems within the City, the City hereby renews the Grantee's nonexclusive franchise to extend, install, maintain and operate a cable system within Franchise Area 2 on the terms and conditions set forth in this Agreement, in the Communications Act, in the Cable Ordinance, in the Cable Ethics Ordinance and applicable state law.

The renewed franchise agreement neither authorizes RCN to use the Public rights-of-way for purposes of providing any service other than cable services, nor prohibits RCN from doing so. Any authority RCN may have to provide non-cable service shall be subject to municipal, state and federal law. No privilege or power of eminent domain is bestowed by the renewed franchise agreement.

### 2.2 Term and Effective Date of This Agreement

This Agreement shall take effect at 12:00:01 a.m. on December 7, 2015 (the "Effective Date"), provided that: (1) the City Council has also approved this Agreement and thereby renewed the Grantee's franchise pursuant to Section 4-280-100(C) of the Cable Ordinance, and (2) the Grantee has also accepted this Agreement and the franchise renewal granted hereunder pursuant to Section 4-280-470 of the Cable Ordinance by executing, within thirty (30) days after the date of passage by the City Council of an ordinance approving and adopting this Agreement and the franchise renewal granted hereunder, the Form of Acceptance set forth in Exhibit A attached to this Agreement and made a part hereof. Pursuant to Section 4-280-060 of the Cable Ordinance, the term of this Agreement and the franchise renewal granted hereunder shall be ten (10) years, commencing on the Effective Date.

### 2.3 Territorial Extent of Franchise Area

The territorial extent of Franchise Area 2 is as defined in Section 1(5) of this Agreement and currently as set forth in the Cable Ordinance.

### 2.4 Acts or Omissions of Affiliates

During the term of this Agreement, the Grantee shall be liable for the acts or omissions of its affiliates while such affiliates are involved directly or indirectly in the, installation, maintenance, extension or operation of the Grantee's cable system as if the acts or omissions of such affiliates were the acts or omissions of the Grantee.

## Section 3. Incorporation of Other Documents and Laws by Reference

This Agreement and the ordinance adopting this Agreement supplement and harmonize the regulatory framework set forth in the Cable Ordinance and the Communications Act; and this Agreement and the ordinance adopting this Agreement shall at all times be read and construed for consistency and compatibility with the provisions of the Cable Ordinance and the Communications Act as read and interpreted in concert each with the other.

## Section 4. Franchise Fee and Other Fees

The terms and conditions set forth in this Section 4 are pursuant to the terms and conditions set forth in Section 4-280-130 of the Cable Ordinance.

### 4.1 Franchise Fee

Pursuant to Sections 4-280-130(A) and (B) of the Cable Ordinance, the Grantee shall pay to the City a franchise fee of five percent (5%) of the annual gross revenues received by the Grantee during the period of its operation under this Agreement. In the event that Grantee bundles or combines Cable Services (which are subject to the Franchise Fee) with Non-Cable Services (which are not subject to the Franchise Fee) so that Subscribers pay a single fee for more than one class of service resulting in a discount on Cable Services, Grantee agrees that for the purpose of calculation of the Franchise Fee, it shall allocate to Cable Service revenue no less than a pro rata share of the revenue received for the bundled or combined services. The pro rate share shall be computed on the basis of the published charge for each service in the bundled or combined classes of services when purchased separately.

### 4.2 Subsequent Action Affecting Franchise Fee

If, during the term of this Agreement, any court, agency or other entity of competent jurisdiction takes any action or makes any declaration that adversely affects the amount or method of payment of the franchise fee set forth in Section 4.1 of this Agreement, the City and the Grantee shall promptly enter into negotiations to amend this Agreement to make the City whole in a manner consistent with said action or declaration by restoring the City to a position equivalent to that which the City held prior to said action or declaration.

#### 4.3 Other Fees and Costs

Pursuant and in addition to Section 4-280-280(A) of the Cable Ordinance, the Grantee shall pay all fees necessary to obtain all federal, state and local licenses, permits and authorizations required for the, installation, maintenance, extension or operation of the Grantee's cable system; provided, however, that no additional or special fees shall be imposed on the Grantee by the City for any such license, permit or authorization other than fees applicable to other persons for such licenses, permits or authorizations and that no fees shall be imposed on the Grantee by the City for any permits and/or inspections for attachments to utility poles or service drops. Additionally, the City shall use its best efforts to assist the Grantee in obtaining all such local licenses, permits and authorizations in an expeditious and timely manner. Grantee shall also pay all costs necessary to repair or restore the public rights-of-way caused by the Grantee's installation, maintenance, extension or operation of the Grantee's cable system.

#### 4.4 Not a Tax

Payment by the Grantee to the City of the franchise fee and other fees and costs set forth herein shall not be considered in the nature of a tax, but shall be in addition to any and all federal, state and local taxes, that are separate and distinct obligations of the Grantee.

#### 4.5 Recomputation

Pursuant to Section 4-280-130 of the Cable Ordinance, the City expressly reserves the right to inspect the Grantee's books and records and to audit and recompute the amount determined to be payable to the City as a percentage of the Grantee's gross revenues as defined in Section 4-280-030(M) of the Cable Ordinance ("Gross Revenues"); provided that the City shall be reimbursed by the Grantee for the City's costs in connection with exercising the City's rights consistent with Section 4-280-190 of the Cable Ordinance. If, after exercising such right, the City determines that an additional amount is due from the Grantee, the Grantee shall pay such additional amount, together with applicable interest, within thirty (30) days after the Grantee's receipt of notice from the City pursuant to Section 4-280-130 of the Cable Ordinance. The City's rights pursuant to this Section 4.5 shall also apply to verification of all other payments for which the Grantee is obligated pursuant to this Agreement. Notwithstanding the document retention period provided in Section 4-280-190(C) of the Cable Ordinance, the Grantee shall retain all books and records for inspection by the City for a period of six (6) years following the close of the fiscal year to which the records apply.

#### 4.6 Interest

If any payments for which the Grantee is obligated pursuant to this Agreement are not made on or before the due dates, the Grantee shall make such payments from such due date in the amount due and owing until such amount is paid in full plus an amount of interest calculated at the rate of one percent (1%) per month. If an additional amount is due as a result of the recomputation referred to in Section 4.5 of this Agreement and such amount is not paid within thirty (30) days after the Grantee's receipt of notice from the City pursuant to Section 4-280-130(C) of the Cable Ordinance, the Grantee shall pay the amount due and owing until such amount is paid in full plus an amount of interest calculated at the rate of one per cent (1%) per

month. The obligations and calculations set forth in this Section 4.6 shall apply to all payment obligations of the Grantee as set forth in this Agreement.

## Section 5. Insurance and Bonds

The Grantee expressly acknowledges and agrees that the requirements set forth in this Section 5 are in addition to the obligations of the Grantee pursuant to Section 4-280-140 of the Cable Ordinance.

### 5.1 Types and Amounts of Insurance

Pursuant and in addition to Section 4-280-140 of the Cable Ordinance, the Grantee shall procure and maintain at all times, at the Grantee's own expense, during the term of this Agreement, and during any time period following expiration of this Agreement if the Grantee is required to perform additional work or services in connection with this Agreement for any reason whatsoever, the types of policies of insurance specified below, with insurance companies authorized to do business in the State of Illinois covering all operations under this Agreement, whether performed by the Grantee or, by way of illustration and not limitation, any and all of the Grantee's contractors, subcontractors, architects, engineers, construction managers, agents or consultants (collectively "Contractors and Subcontractors").

The types of policies of insurance and current minimum limits of liability and related coverages required pursuant to Section 5 of this Agreement are as follows:

#### (1) Workers Compensation and Employers Liability Insurance

Workers Compensation Insurance, in accordance with the laws of the State of Illinois, or any other applicable jurisdiction, covering all employees who are to provide a service under this Agreement and Employers Liability coverage with limits of liability of not less than five hundred thousand dollars (\$500,000.00) each accident or illness.

#### (2) Commercial General Liability Insurance (Primary and Umbrella)

Commercial General Liability Insurance or equivalent with limits of not less than ten million dollars (\$10,000,000.00) per occurrence for bodily injury, personal injury, and property damage liability. Coverage extensions shall include the following: all premises and operations, products/completed operations, explosion, collapse, underground, independent contractors, separation of insured, and contractual liability (with no limitation endorsement).

Contractors and Subcontractors shall be required to maintain Commercial General Liability Insurance limits of not less than one million dollars (\$1,000,000.00), but shall otherwise be subject to the same requirements as the Grantee.

(3) Automobile Liability Insurance (Primary and Umbrella)

When any motor vehicles owned, non-owned or hired are used in connection with work or services to be performed pursuant to this Agreement, the Grantee shall provide Comprehensive Automobile Liability Insurance with liability limits of not less than one million dollars (\$1,000,000.00) per occurrence for bodily injury and property damage.

(4) Professional Liability

If and when any architects, engineers, construction managers or consultants perform work or services in connection with this Agreement, Professional Liability Insurance covering acts, errors, or omissions shall be maintained with limits of not less than one million dollars (\$1,000,000.00). Coverage extensions shall include contractual liability. When any Professional Liability policy of insurance as required in this Section 5.1(4) is renewed or replaced, the policy of insurance retroactive date shall coincide with, or precede, start of work or services pursuant to this Agreement and as the case may be prior to the start of work or services pursuant to any contract between the Grantee and any of the Grantee's Contractors or Subcontractors. Any claims-made policy of insurance issued pursuant to this Section 5.1(4) that is not renewed or replaced shall have an extended reporting period of a minimum of two (2) years.

(5) All Risk Property Insurance

The Grantee shall be responsible for all loss or damage to personal property (including but not limited to material, equipment, tools and supplies), owned or rented, by the Grantee.

5.2 General Requirements For All Types and Amounts of Insurance

(1) Certificates to City

The Grantee shall furnish the Comptroller of the City of Chicago (the "City Comptroller") (c/o Risk Management, 333 South State Street, Room 400, Chicago, Illinois 60604), original Certificates of Insurance evidencing all required insurance coverages to be in force on the Effective Date, and such Renewal Certificates of Insurance or such similar evidence of insurance, if such policies of insurance have an expiration or renewal date occurring during the term of this Agreement. A copy of all such certificates shall be provided to the Cable Administrator. Prior to the Effective Date the Grantee shall submit such evidence of insurance on the "City of Chicago Insurance Certificate of Coverage Form" or such other form(s) as prescribed by the City. The receipt by the City of any such certificate(s) or other evidence of insurance shall not constitute agreement by the City that the insurance requirements set forth in the Cable Ordinance and this Agreement have been fully met or that the policies of insurance indicated on such certificate(s) or other evidence of insurance are in compliance with the requirements of the Cable Ordinance and this Agreement. It shall not be deemed a waiver by the City of the requirements of this Section 5, if, for any reason, the City does not receive such certificates or other evidence of insurance from the Grantee. The Grantee shall advise all its insurers of the provisions of this Agreement regarding insurance. Non-conforming insurance shall not relieve the Grantee of its obligation to secure insurance as specified in the Cable Ordinance and this Agreement. Failure to fulfill any of the insurance conditions may constitute a violation of this Agreement. The City retains the

right to order the Grantee to stop work and services until proper evidence of insurance is provided consistent with this Agreement.

(2) Additional Insureds

The City, including its employees, its elected and appointed officials, its agents, its consultants and its representatives are to be expressly named as additional insureds on a primary, non-contributory basis, on all policies of insurance required pursuant to this Section 5, except for workers compensation and professional liability insurance, for any liability arising directly or indirectly from the work or services of the Grantee or the Grantee's Contractors or Subcontractors.

(3) 60 Day Notice

All policies of insurance required pursuant to this Section 5 shall expressly provide for sixty (60) days prior written notice to the City in the event limits of liability or any other coverages are substantially changed, canceled, or non-renewed.

(4) Contractors and Subcontractors

The Grantee shall require all the Grantee's Contractors and Subcontractors to carry all relevant policies of insurance as are required of the Grantee with the same limits of liability, except as provided in Section 5.1(2) of this Agreement, and related coverages as required of the Grantee by this Agreement. In the alternative, the Grantee, at the Grantee's expense, may provide such coverages for any or all Contractors and Subcontractors. If so, the evidence of such assumption by the Grantee shall be in writing.

(5) Deductibles

Any and all deductibles or self-insured retentions on all insurance coverages pursuant to this Agreement shall be borne solely by the Grantee.

(6) Subrogation Waiver

All insurers issuing any policy of insurance pursuant to this Agreement shall waive their rights of subrogation against the City, its employees, its elected and appointed officials, its agents, its consultants and its representatives.

(7) No Limit Liability

The Grantee agrees that the insurance coverages pursuant to this Agreement shall in no way limit the Grantee's liabilities and responsibilities specified in this Agreement or by law.

(8) Claims Made Policies

In addition to the requirements of Section 5.1(4) of this Agreement, to the extent that any policy of insurance required by the Cable Ordinance and Section 5 of this Agreement is issued on a claims made basis and is not renewed or replaced, such policy of insurance retroactive date shall have an extended reporting period of a minimum of two (2) years.

(9) Additional Coverage

If the Grantee, or any of the Grantee's Contractors or Subcontractors, desire additional insurance coverage, higher limits of liability, or other forms of indemnification for their own protection, the Grantee and each of its Contractors and Subcontractors, shall be responsible for the acquisition and cost of such additional policies of insurance and limits of liability thereunder.

(10) Modifications of Section 5

The City maintains the right to modify the requirements of Section 5 of this Agreement at any time during the term of this Agreement. The City shall give the Grantee written notice of any such modifications not less than thirty (30) days in advance of requiring such modification, unless a different time period is explicitly stated herein.

5.3 Performance Bonds

Pursuant to the applicable provisions of Section 4-280-140(A)(3) of the Cable Ordinance, the Grantee and the City have agreed that the Grantee will not file a performance bond. However, the City reserves the right to have the Grantee provide a performance bond in an appropriate amount pursuant to Section 5.7 of this Agreement.

5.4 Right to Require Replacement of Insurance or Bonds

In the event that the financial condition of any entity insuring any policy of insurance or performance bond pursuant to the requirements of the Cable Ordinance and this Agreement materially adversely changes during the term of this Agreement or during the term of any such policy of insurance and performance bond issued pursuant to the Cable Ordinance and this Agreement such that the City Comptroller, pursuant to Section 4-280-140 of the Cable Ordinance would not have accepted the policy of insurance or approved the performance bond or the City Corporation Counsel would not have found the form of the policy of insurance or performance bond satisfactory; the City may, at any time, require the prompt replacement of such policy of insurance or bond, as the financial condition of any entity issuing such policy of insurance or performance bond may require. The Grantee agrees to inform the City of any information the Grantee receives regarding a material adverse change in the financial condition of any entity issuing any policy of insurance or performance bond pursuant to this Agreement.

If the City determines replacement of any policy of insurance or performance bond is necessary, the City shall inform the Grantee in writing setting forth the City's reasons for such replacement demand. Upon receipt by the Grantee of such written notice from the City, the Grantee shall promptly, but in no event within more than twenty-one (21) days of receipt of such

notice, either respond in writing to the City regarding the City's replacement demand or replace the policy of insurance or performance bond, as the case may be.

#### 5.5 Insurance for Contractors and Subcontractors

Consistent with Section 5.2(4) and (9) of this Agreement, the Grantee shall provide or cause to be provided insurance coverage, of the types and amounts set forth in this Section 5, for any Contractor or Subcontractor involved in the construction, installation, maintenance, extension, or operation of its cable television system by either obtaining the necessary coverages in any and all of the Grantee's policies of insurance or by requiring such Contractor or Subcontractor to obtain such insurance coverages.

#### 5.6 Alterations

The Grantee shall not materially change or alter the terms or conditions of any policy of insurance or performance bond required pursuant to this Section 5 except upon sixty (60) days prior written notice to the Cable Administrator, the City Comptroller and the City Corporation Counsel. Any changes or alterations to any policy of insurance or performance bond shall satisfy the requirements set forth in this Section 5 and Section 4-280-140 of the Cable Ordinance and be in a form satisfactory to the City Corporation Counsel and to the extent provided for in Section 4-280-140 of the Cable Ordinance acceptable to the City Comptroller.

#### 5.7 The City's Right To Increase Minimum Amounts

In the event of changed circumstances that render the limits of liability and coverages provided for in any policy of insurance or performance bond provided for in Sections 5.1 and 5.3 of this Agreement inadequate, the City reserves the right to reasonably increase the minimum amounts of such limits of liability and related coverages upon sixty (60) days prior written notice to the Grantee in order to ensure adequate protection to the City. Within sixty (60) days after such notice, the Grantee shall increase the limits of liabilities and related coverages, as applicable, to an amount(s) consistent with the City's notice pursuant to this Section 5.7.

#### 5.8 No Excuse from Performance

None of the provisions contained in this Section 5 nor the policies of insurance or performance bonds required pursuant to this Agreement shall be construed to excuse the faithful performance by the Grantee of the terms and conditions of the Cable Ordinance and this Agreement or limit the liability of the Grantee under the Cable Ordinance and this Agreement for any and all damages in excess of the coverages provided for in such policies of insurance or performance bonds.

### 5.9 Endorsement

Any and all of the policies of insurance and performance bonds required pursuant to this Section 5 shall expressly contain the following endorsement:

"It is hereby understood and agreed that the insurance company [surety] shall not cancel or refuse to renew this policy of insurance [performance bond] without giving the City Comptroller, the Corporation Counsel and the Cable Administrator written notice, by registered mail, of its intention to cancel or not to renew, at least sixty (60) days prior to such action."

## Section 6. Letter of Credit

### 6.1 Form and Amount

Pursuant to the terms and conditions set forth in Section 4-280-150 of the Cable Ordinance, prior to the Effective Date, the Grantee shall obtain and deposit with the City a letter of credit from a financial institution satisfactory to and approved by the City Comptroller. Additionally, the form and content of this letter of credit shall be approved by the City Corporation Counsel. The amount of the letter of credit shall be five hundred thousand dollars (\$500,000.00); provided, however, that the amount of the letter of credit shall be three hundred seventy-five thousand dollars (\$375,000.00) per franchise area if the Grantee or its affiliates provide cable television services in two of the City's franchise areas; provided, further, that the amount of the letter of credit shall be three hundred fifty thousand dollars (\$350,000.00) per franchise area if the Grantee or its affiliates provide cable television services in three or more of the City's franchise areas.

### 6.2 Endorsement

Pursuant and in addition to Section 4-280-150(E) of the Cable Ordinance, the letter of credit referred to herein shall contain the following endorsement:

"It is hereby understood and agreed that the surety will not cancel or refuse to renew this letter of credit without giving the City Comptroller, the Corporation Counsel and the Cable Administrator written notice, by registered mail, of its intention to cancel or not to renew this letter of credit, at least sixty (60) days prior to such action."

## Section 7. EXTRAORDINARY SERVICE

### 7.1 Extra-Long Drops

If the installation of a service outlet requires an aerial drop in excess of one hundred fifty (150) feet or an underground drop in excess of seventy-five (75) feet, the Grantee may charge the subscriber requesting such extra-long drop an amount that is equal to the costs of time and materials in accordance with industry standards for that portion of the drop in excess of one hundred fifty (150) feet or seventy-five (75) feet, respectively. The Grantee shall provide such subscriber a written estimate of the costs of installing an extra-long drop and obtain such subscriber's written consent prior to any installation of such drop; provided, however, that the

Grantee may require an advance payment of such costs from such subscriber as a condition of performing the requested installation.

## 7.2 Non-Standard Installations

If a subscriber requests a non-standard installation including, but not limited to, optional underground construction pursuant to Section 4-280-270 (E) of the Cable Ordinance, concealed wiring or routing from the tap to the dwelling unit that differs from the easiest route that could otherwise be taken (usually following the telephone drop) which results in greater costs, the Grantee may charge the subscriber for such non-standard installation in an amount equal to the costs of time and materials in accordance with prevailing industry standards at the time of such request. The Grantee shall provide such subscriber a written estimate of the costs of such installation and obtain such subscriber's written consent prior to any such installation; provided, however, that the Grantee may require an advance payment of such costs from such subscriber as a condition of performing the requested non-standard installation.

## Section 8. System Design

### 8.1 Subscriber Network System

A. The Grantee shall provide and maintain a subscriber network system utilizing a fiber optic trunk and coaxial feeder cable providing a minimum upper frequency limit of 750MHz with return transmission paths, and the cable system is capable of delivering high quality signals that meet or exceed FCC technical standards at 47 C.F.R. § 76 Subpart K, regardless of a particular manner in which the signal is transmitted. Grantee agrees to maintain the cable system in manner consistent with, or in excess of these specifications throughout the term of the Franchise.

B. Grantee shall install or maintain equipment so that all closed captioned programming received by the cable system shall include the closed caption signal and shall be transmitted to subscribers so long as the closed captioned signal is provided consistent with FCC standards.

### 8.2 Additional Channels/Institutional Network

(1) If the Grantee determines the need for additional channel capacity or the activation of upstream channel capacity, the Grantee shall provide such additional capacity or activate any or all of such capacity on the subscriber network system upon the Grantee's determination that such additional capacity is technically and economically feasible.

(2) Upon receiving one or more written requests for proposals ("RFP"s) from the City during the term of this Agreement, the Grantee agrees to submit a good-faith proposal for the design, construction, operation and maintenance of an Institutional Network in response to each such RFP. The Grantee also agrees to cooperate, free of charge, with any City planning process to explore I-Net communications needs of local government, local government institutions and educational institutions.

### 8.3 Twenty-Four Hour Operation

The Grantee's cable system shall be designed and operated to ensure that it is in operation and is capable of receiving and transporting signals twenty-four (24) hours per day; provided, however, that the operation of the Grantee's cable system may be interrupted by the Grantee only during the times and for the reasons set forth in Section 4-280-260(B) of the Cable Ordinance.

### 8.4 Alternative Design

If the Grantee elects to use an alternative to the design set forth in Section 8.1 of this Agreement, such alternative design shall be at least equal to or exceed the performance and capabilities of the design set forth in Section 8.1 of this Agreement. The Grantee shall submit in writing such alternative design with appropriate documentation to the Cable Administrator no later than sixty (60) days prior to the implementation of such design alternative.

### 8.5 Interference

The Grantee's cable system shall be designed to minimize accumulation of upstream thermal noise. All connectors, splices and other equipment used therein by the Grantee shall be designed, manufactured and installed so as to minimize signal leakage or ingress.

### 8.6 Reliability and Safety

In order to promote reliability and safety, the Grantee shall protect its equipment in a suitable manner from possible damage due to electrical surges. All trunk amplifiers shall contain automatic or manual gain and slope control circuitry designed to maintain high levels of signal quality over varying temperature conditions.

### 8.7 Satellite Earth Stations

The Grantee shall, at a minimum, provide and maintain uninterrupted carriage of all satellite-delivered services, or services delivered by any other present or future transmission technology, offered on the Grantee's cable system. Additionally, the Grantee shall provide an uninterruptible power supply ("UPS") for all equipment necessary to carry such satellite-delivered services.

### 8.8 Standby Power

The Grantee shall provide and maintain equipment capable of providing standby power for the Grantee's headend and hub facilities for a minimum of eight (8) hours and for the transportation and distribution amplifiers for a minimum of two (2) hours at any temperature above -10°F; provided, however, that standby power for the transportation and distribution amplifiers may be maintained at a minimum of one (1) hour at any temperature above -10°F if: (i) an automatic remote visual and aural alarm is provided and continuously monitored twenty-four (24) hours per day and automatically indicates when a standby power unit is operating in an

emergency mode; (ii) a pool of portable generators capable of providing the requisite power are conveniently located; and (iii) procedures are established to ensure the prompt dispatch of a portable generator to any standby power unit operating in emergency mode.

#### 8.9 Standby Capability

The Grantee shall provide and maintain facilities including a diversity of failure modes to ensure standby capability so that the failure of any part of the Grantee's cable system does not result in a loss of service throughout the Grantee's cable system.

#### 8.10 Status/Performance Monitoring

The Grantee shall perform such status/performance monitoring as may be required by applicable FCC rules and regulations.

#### 8.11 Equipment

The Grantee may substitute the equipment used in the construction, extension and installation of its cable system with equipment of equivalent or better quality and function consistent with the requirements set forth in Section 8 of this Agreement. All equipment used in the construction, extension and installation of the Grantee's cable system shall be new or of equivalent quality; provided, however, that the Grantee may, in specific instances, seek a waiver from the Cable Administrator of said requirement. In any event the Grantee shall retain the necessary invoices and records as evidence of such purchases for a period of not less than two (2) years from date of such purchases, and shall permit the Cable Administrator, upon reasonable notice to the Grantee, to inspect the Grantee's documentation showing the specifications of such equipment.

#### 8.12 Emergency Alert System

Pursuant and in addition to Section 4-280-240(A) and (B) of the Cable Ordinance, the Grantee shall provide without charge to the City an emergency alert system ("EAS") meeting all applicable requirements of federal law.

The Grantee's cable system shall include the capability for the City to access the EAS using non-location-specific technology, without the assistance of the Grantee, in the event of emergency or for reasonable tests, to override at least the audio on all Channels on Grantee's cable system to utilize the federally mandated EAS in accordance with applicable state or local plans or with broadcaster preemption or override of individual signals.

Grantee shall broadcast all EAS messages initiated by the City.

### Section 9. Technical Standards

The Grantee shall conform to the FCC Proof of Performance Standards including, but not limited to, composite triple beat ("CTB"), carrier noise ("C/N"), composite second order ("CSO"), Hum and Differential Gain and number of system monitoring test points based on the number of

the Grantee subscribers, plus one (1) test point at each repeater consistent with the requirements set forth in Section 8 of this Agreement.

#### 9.1 Performance Requirements

The Grantee shall be responsible for insuring that the cable system is designed, installed, maintained, repaired and operated in a manner that fully complies with the FCC rules in the most recent Edition of "Subpart K--Technical Standards," of Chapter 1 of Title 47, 47 C.F.R. Ch. 1, § 76.601 et seq., as amended. If during the term of this Agreement "Subpart K--Technical Standards" is repealed without substitution or otherwise is made non-binding upon the Grantee, the Grantee agrees to comply with the FCC technical standards set forth in and referenced by the latest version in effect of "Subpart K--Technical Standards." The Cable Administrator shall have the right to obtain a copy of tests and records related to the standards upon request, and shall have the authority to enforce compliance with such standards, except as may be prohibited under federal law and regulation.

#### 9.2 Subscriber Network System

The Grantee shall submit to the Cable Administrator for approval a plan that establishes performance standards and methods of measurement for the utilization of the upstream portion of the Grantee's subscriber network system. The Grantee shall submit to the Cable Administrator for approval a plan that establishes methods of measurement for all applicable technical standards for the utilization of the downstream portion of the Grantee's subscriber network system.

#### 9.3 Institutional Network

In the event that the Grantee offers an INS, the Grantee's performance parameters shall be in accordance with those set forth in Section 9 of this Agreement.

#### 9.4 Performance Measurement Standards

In order to properly conduct the performance observations set forth in Section 9 of this Agreement, the Grantee shall ensure that all amplifiers and other equipment are in normal operating condition with automatic slope and gain control ("ASGC") carriers properly adjusted.

#### 9.5 Test Procedures

Pursuant and in addition to Section 4-280-250(A) of the Cable Ordinance, the Grantee shall conduct all system tests at the intervals required by section 76.601 of the FCC rules and Regulations, Part 76, Subpart K (technical Standards). Upon request by the Cable Administrator, Grantee shall provide copies of completed FCC reports within fourteen (14) working days of the request. The tests shall include, without limitation, (1) initial proof of performance for any construction; and (2) semi-annual compliance tests.

#### Section 10. Maintenance of System

At all times during the term of this Agreement, the Grantee shall maintain its cable television system in good repair and condition.

#### Section 11. "As-Built" Maps

The Grantee shall, during the term of this Agreement: (1) maintain up-to-date "as built" maps, that shall be available for examination by the City during the Grantee's normal business hours at a location within the City limits, and (2) provide, in the event of a system upgrade, plant extension or new development, copies of such maps to the Cable Administrator, without charge, upon request. Such maps, set forth by utility quarter section, shall, at a minimum, include cable routings and the location of amplifiers, power supplies, fiber optic nodes and system monitor test points. Consistent with applicable law, the Cable Administrator shall treat such maps as confidential trade secrets, and shall provide the Grantee with a copy of any appeal, received by the Cable Administrator, of the Cable Administrator's notice of denial provided to a third party seeking inspection and copies of such maps.

#### Section 12. Construction Requirements and Standards

##### 12.1 General

(1) The Grantee shall construct, install, maintain, extend and operate its cable system in a safe, orderly and workmanlike manner utilizing only materials of good, durable quality with due respect for engineering considerations and in accordance with applicable federal, state and local laws and regulations.

(2) The Grantee shall during the term of this Agreement maintain its membership in the City's Office of Underground Coordination and the Chicago Utility Alert Network, or their successors. The Grantee shall comply with the Office of Underground Coordination procedures and the Chicago Department of Transportation's "Regulations for Openings, Construction and Repair in the Public Way, as updated or amended from time to time. The Grantee is required to provide the City an "Existing Facility Protection" plan as required by the City's Office of Underground Coordination. The City shall have the right, exercisable in writing to the Grantee within thirty (30) days after receipt from the Grantee of the "Existing Facility Protection" plan to:

- (A) Have conduit and manholes necessary for underground conduit for City use, all to the City's specifications, constructed by the Grantee within the routes detailed in the "Existing Facility Protection" Plan submittal(s): or
- (B) Access the site of construction or installation and jointly construct such conduit and manholes in cooperation with the Grantee.

Should the thirty (30) days' option period pass without the Grantee's receipt of such notice, the Grantee may make the appropriate applications and commence construction of its facilities with no further obligation under this paragraph regarding such facilities.

(3) With respect to aerial construction, the Grantee agrees to meet with the Cable Administrator or designee to review and coordinate potential aerial joint construction. In the event the City wishes to engage in aerial joint construction, the City shall provide at least 30 days' written notice of such intent to the Grantee. The Grantee agrees to cooperate with the City so long as aerial joint construction does not, in the sole opinion of the Grantee, impede or impair the Grantee's construction schedule. In the event that the City, through the Cable Administrator or designee, shall choose to participate in aerial joint construction, the Grantee agrees to coordinate and commence such aerial joint construction. However, aerial joint construction shall not proceed if the City cannot obtain pole attachment agreements or pole space for the City facilities on the existing poles or if the fiber optic cable or other material necessary for construction is unavailable.

(4) Cost of Joint Construction. In the event the City elects to proceed under Paragraph (2)(A) or (3) of this Section, an amount not to exceed 50% of the actual cost of materials and labor expended by the Grantee on joint construction shall be paid by the City. Such actual cost shall not exceed the reasonable and customary cost charged by the industry commonly engaged in such work. The City agrees to remit payment to the Grantee within 75 days of receiving an invoice from the Grantee, and failure to reimburse the Grantee within this time period shall suspend the Grantee's obligation to continue joint construction until such payment is received. Upon the Grantee's request, the Cable Administrator shall on an annual basis provide to the Grantee documentation that affirms the availability of appropriated funds to reimburse the Grantee for anticipated joint construction and identifies the source of such funds.

(5) In the event that it is in the interest of the City for joint construction, including aerial, to proceed in a comprehensive basis throughout those franchise areas in which the Grantee is undertaking initial construction, the Grantee and the Cable Administrator may, by mutual agreement, provide for procedures for such comprehensive joint construction, including aerial, other than as set forth in Paragraphs 2, 3 and 4 of this Section.

(6) Additional Duty of Cooperation. In addition to the other provisions of this Section 12., throughout the term of this Agreement the Grantee shall provide such cooperation as the City shall reasonably request in regard to the City's location, construction, installation, maintenance and extension of underground conduit so long as such cooperation shall not interfere with the Grantee's operations and shall not result in any material expense to the Grantee.

## 12.2 Compliance Standards

Pursuant and in addition to Section 4-280-240(A) of the Cable Ordinance, the Grantee shall at all times during the term of this Agreement comply with the following:

- (1) National Electrical Safety Code of the American National Standards Institute (latest edition);
- (2) National Electrical Code of the National Fire Protection Association (latest edition);
- (3) UL Code (latest edition); and

(4) Tower Standards:

- (a) EIA-RS-222-A,
- (b) Federal Aviation Administration (the "FAA") and
- (c) United States and State of Illinois Departments of Transportation.

12.3 Construction and Installation Manual

The Grantee shall submit to the Cable Administrator a revised manual in printable electronic format that sets forth the specifications, standards and procedures for construction and installation of the Grantee's cable system (the "Construction/Installation Manual"). Said manual shall be consistent with the highest state-of-the-art standards of the cable industry and shall, at a minimum, establish procedures to ensure quality work and provide for the safety and protection of residents and property. The Grantee's Construction/Installation Manual shall be submitted to the Cable Administrator within sixty (60) days of the Effective Date.

12.4 The Grantee's Construction and Inspection Manual

The Grantee shall submit a revised "Construction and Inspection Manual for Grounding, Bonding, and Surge Protection" (the "Construction/Inspection Manual") in printable electronic format to the Cable Administrator within (60) days of the Effective Date. Such manual shall, at a minimum, include procedures regarding the following:

- (a) Aerial Pole Lines
- (b) Ground Resistance Measurement
- (c) Grounding and Bonding Locations
- (d) Underground Construction
- (e) Service Drops - Aerial
- (f) Service Drops - Underground
- (g) Towers
- (h) TVROs (including LNAs and LNCs)
- (i) Buildings
- (j) Power Supplies
- (k) Amplifiers
- (l) Operating Reliability Goals.

12.5 Engineering Site Survey

The Grantee has submitted to the Cable Administrator a fully coordinated engineering site survey (the "Site Survey") of all the Grantee's off-air broadcast and satellite signal reception sites demonstrating adequate clearance from interference prior to commencement of construction of the Grantee's cable system, and during the term of this Agreement the Grantee shall submit to the Cable Administrator an updated Site Survey at least sixty (60) days prior to activating any off-air broadcast or satellite signal reception site not in operation on the Effective Date.

### 12.6 Restoration

Pursuant and in addition to Section 4-280-270(F) of the Cable Ordinance and paragraph 12.1 (2) of this Agreement, the Grantee shall promptly restore or replace all public ways or private property in as good a condition as the Grantee found said public ways and private property at the time of commencement of the Grantee's work thereon; provided, however, that where conditions prohibit prompt restoration or replacement of said public ways, the Grantee may request from the City an extension of time within which to complete such restoration, which request shall not unreasonably be denied. The Grantee shall conduct all restoration or replacement in a competent and efficient manner minimizing disruption and inconvenience to others.

### 12.7 Tree Trimming on Public and Private Property

Pursuant and in addition to Section 4-280-270(I) of the Cable Ordinance, the Grantee, in trimming trees or other foliage on public property, shall properly and promptly dispose of such trimmings. The Grantee shall not trim any tree or other foliage located on private property prior to obtaining the written consent of the owner of such private property. Such trees or other foliage shall be trimmed at the Grantee's own expense and the trimmings shall be disposed of properly and promptly.

### 12.8 New Technologies

The Grantee's cable system shall be designed, constructed, extended, and operated as a state-of-the-art cable system as required by this Agreement. If, as a result of technological developments during the term of this Agreement, the quality or quantity of programming or services available to subscribers or users of the Grantee's cable system become subject to upgrade, the Grantee shall promptly investigate the feasibility of implementing such new developments and shall implement such technological developments if such implementation (i) can be accomplished without adding an unwarranted financial burden to subscribers and (ii) is economically feasible and viable for the Grantee. In determining whether or not the Grantee shall be required to implement such new developments, the City and the Grantee shall consider, among other factors, and consistent with federal law, the remaining term of this Agreement, performance demonstrating the operational feasibility of the new developments, construction costs, the adaptability of such developments to the Grantee's cable system or any part thereof and the potential marketability of the new services and other factors affecting the economic feasibility and viability of implementation of such new technologies. Nothing herein shall require the Grantee to provide digital convertor boxes to its subscribers at no charge unless otherwise required by the FCC.

### 12.9 Contractors and Subcontractors

All Contractors and Subcontractors of the Grantee must be properly licensed under all applicable federal, state and local laws and regulations. The Grantee shall be solely and completely responsible for all acts or omissions of any and all of the Grantee's Contractors or Subcontractors in the construction, installation, maintenance or operation of the Grantee's cable system. Grantee's Contractors and Subcontractors shall comply with the insurance requirements of this Agreement.

## Section 13. Extension of Service

### 13.1 New Developments

The geographic area in which the Grantee's right and obligation to offer cable television services within Franchise Area 2 shall be as set forth in a "Release and Settlement Agreement" dated November 12, 2004, a copy of which is set forth as Exhibit H attached hereto and made part of this Agreement.

### 13.2 Annexation

[This Section Intentionally Left Blank]

## Section 14. Intra-City Interconnection

### 14.1 Purpose

Pursuant and in addition to Section 4-280-300 of the Cable Ordinance, the Grantee shall cooperate with other City grantees of a franchise to provide cable service and "holders" of authorization by the Illinois Commerce Commission pursuant to 220 ILCS 5/21-401 to offer or provide cable or video service within the City (jointly referred to as "Other Grantees") to interconnect Grantee and all Other Grantees within the City to ensure that the granting by the City of separate franchises or authorizations by the Illinois Commerce Commission for cable service or video service does not restrict utilization of such cable service or video service on a City-wide basis. Sufficient interconnection is essential for access channels and local origination channels to facilitate City-wide and geographically-targeted programming and services.

### 14.2 Capacity and Timetable

Interconnection of the facilities of Grantee and all Other Grantees within the City shall, at a minimum, and without charge, provide adequate capacity for three (3) channels including two (2) subcarriers to be delivered from each of the Other Grantees' franchise areas to the facility located at the main branch of the Chicago Public Library, Harold Washington Library Center, 400 South State Street, Chicago, Illinois 60605 ("Library") or subsequently designated central interconnection facility and six (6) channels including two (2) subcarriers to be delivered to each of the grantees' franchise areas from the Chicago Access Corporation ("CAC") facility located at 1309 S. Wood Street, Chicago, Illinois 60608 or subsequently designated central interconnection facility. Said interconnections shall be operational within one (1) year of service being delivered by any Other Grantee to its first subscriber and within one (1) month of any change to a subsequently designated central interconnection facility. Additional channel capacity shall be incrementally activated on an as-needed basis to ensure that all public access, municipal utilization, and municipally administered local origination can be delivered to each of the Other Grantees' franchised or authorized areas from the Library, CAC or subsequently designated central interconnection facilities; provided, however, that the Other Grantees may submit an alternative design that equals or exceeds the performance and capabilities of the design referred to in this Section 14.2.

#### 14.3 Interconnection Responsibilities

The Grantee and the Other Grantees shall be responsible for: (i) providing and covering the costs of all equipment and facilities necessary to implement the Interconnection referred to in this Section 14 of this Agreement, (ii) obtaining all licenses, permits and authorizations necessary to conduct and operate such interconnection system, and (iii) covering all capital costs and operational and maintenance expenses associated therewith.

#### 14.4 Construction and Technical Standards

Unless otherwise agreed to in writing by the Cable Administrator, the interconnection system described in Section 14 of this Agreement shall be designed, constructed, installed, maintained and operated in accordance with the standards set forth in Sections 4-280-230(A), 4-280-240(A) and 4-280-250(A) of the Cable Ordinance and Sections 9, 10, 11 and 12 of this Agreement. Additionally, such interconnection system shall be designed, constructed, operated and maintained so as not to degrade the quality of any of the signals transmitted on the Grantee's and Other Grantees' subscriber or I-Net systems. All requirements of this section will apply even if interconnection needs to be implemented by Grantee necessitates linking through franchise areas of Other Grantees.

#### 14.5 Fees, Rules, Etc.

Nothing herein shall prohibit the Grantee from establishing reasonable fees for use of the interconnection system or from promulgating and requiring reasonable terms or conditions relating to the use thereof; provided, however, that neither the City nor the Chicago Access Corporation (the "CAC") shall be charged at any time for the use thereof. In addition, the Cable Administrator shall annually review utilization of the interconnection system and the allocation of bandwidth to the City and the CAC to ensure that the City and the CAC have been reserved adequate capacity on the interconnection system to meet the respective reasonable needs of the City and the CAC.

### Section 15. Channel Allocation

#### 15.1 Standard Allocation

The Grantee shall at all times provide the same channel allocations for the following channels as provided for by all Other Grantees operating cable television services systems within the City:

- (1) The City-wide local origination channel referred to in Section 17 of this Agreement;
- (2) All channels under the control of the CAC; and
- (3) At least two (2) local government access channels.

The Grantee hereby agrees to comply with the standard channel allocation set forth in Exhibit B attached hereto and made part of this Agreement which shall be amended when channels are added pursuant to the franchises and authorizations of the Grantee and Other Grantees. The Grantee shall cooperate with all Other Grantees operating within the City to establish a standard allocation for those channels for which such allocation is required but not established as of the Effective Date. Grantee shall not unreasonably refuse to reach agreement with Other Grantees on the standard channel allocation of these channels. Upon agreement between and among the Grantee and all Other Grantees, such standard channel allocation shall be incorporated into Exhibit B to this Agreement. In the event that the Grantee and Other Grantees are unable to agree upon such standard allocation, the Cable Administrator shall act as the arbitrator and his or her decision shall be final and binding on the Grantee and the Other Grantees.

#### Section 16. Aeronautical Frequencies

The Grantee shall comply with all FCC rules and regulations regarding operation in the frequency bands 108-137 and 225-400 MHZ.

#### Section 17. Local Origination

During the term of this Agreement, the Grantee, in cooperation with the Other Grantees operating cable systems within the City, hereby agrees to contribute to local origination as set forth in this Section 17. The Grantee shall reserve a 24-hour City-wide Local Origination channel on its system exclusively for programming produced by producers and businesses located in the City of Chicago. The purposes of this channel shall include: (1) to serve as an environment in which aspiring local producers can develop their skills and exchange ideas and viewpoints, and (2) to carry out the aims of the Resolution # 454. This channel shall be allocated as provided in Exhibit B to this Agreement.

The City shall have sole authority and responsibility for the administration of the Local Origination channel, and shall exercise sole control over the use and operation of such channel.

#### Section 18. Chicago Access Corporation

In furtherance of the benefits to the public of PEG access:

##### 18.1 Channel Commitments

Pursuant to Section 4-280-320(A) of the Cable Ordinance, the Grantee shall dedicate ten percent (10%) of its usable channels from their inception as access channels on its subscriber network system. All such channels shall be provided to the CAC free of charge and be under the exclusive use and control of the CAC; provided, however, that such channels are utilized by the CAC for non-commercial programming and purposes and without any charges by the CAC to any subscriber or advertiser. The Grantee will provide CAC channels to subscribers at equivalent visual and audio quality and equivalent functionality to that in which the Grantee delivers the primary signal of local television broadcast stations on its cable system and without the need for subscribers to obtain or pay for any additional equipment to receive CAC channels. The Grantee

will provide CAC channels to subscribers on the Grantee's basic cable offerings or tiers. CAC channels will also be transmitted in High Definition ("HD") during the franchise period at a time and in an order determined by CAC with a minimum of six (6) months' notice for the first signal's transmission and a minimum of two (2) months' notice for transmission of subsequent channels consistent with the obligations set forth in Section 18.4 of this Agreement. HD resolution will be equivalent to the resolution used in the Grantee's HD tier. The Grantee will continue to carry CAC channels in SD format in addition to HD format as long as there are SD channels in its basic channel lineup. Under no circumstances shall the Grantee have the authority or right to exercise any control over the use or operation of the CAC channels except as provided in Section 4-280-320(B) of the Cable Ordinance and Section 531 of the Communications Act. Neither the Grantee nor the CAC shall be liable for the quality or content of any programming produced or transmitted by the Grantee or the CAC. Pursuant and in addition to Section 4-280-320(B) of the Cable Ordinance, the Grantee shall be given prior written notice six (6) months before the CAC utilizes any unused channel.

#### 18.2 Equipment

The Grantee shall provide, at the Grantee's sole expense but without change in ownership, modulators and other necessary equipment to permit full and practical utilization from the Grantee's headend downstream, by conventional technical means, of each CAC channel. The Grantee will provide CAC with Limited Basic and Expanded Basic service free of charge at CAC's location with any equipment necessary to receive that service. If changes in the technology used by the Grantee require additional equipment for distribution of CAC channels, including the provision of HD, the Grantee shall make such equipment available at no cost to CAC. Additionally, the Grantee shall insure that its cable system is constructed and operated to permit the CAC to cablecast live programming from remote locations with no charge to the CAC for access to the Grantee's existing facilities suitable for such purposes at the Grantee's headend.

#### 18.3 Programming Authority

The Grantee shall have no authority or control over any programming cablecast on channels dedicated to the CAC pursuant to Section 18.1 of this Agreement. All programming cablecast on such channels shall not be considered origination cablecasting for purposes of Grantee's compliance with Section 76 Subpart G of the FCC rules and regulations unless otherwise determined by the FCC with respect to the Grantee. The Grantee shall have no responsibility under Section 4-280-230(D) of the Cable Ordinance for programming cablecast on any CAC dedicated channels. Nothing in Section 18 of this Agreement shall be construed to imply that Grantee is a common carrier.

#### 18.4 CAC/Grantee Cooperation

With respect to any obligations provided for under this Agreement by and between the Grantee and the CAC, the Grantee and the CAC shall act in a reasonable, expeditious and timely manner.

### 18.5 Other Assistance

The Grantee shall include appropriate designation of the CAC's channels on channel cards and other channel listings provided to subscribers in a manner equivalent to identification of local broadcast channels. If channels are selected by a viewer through a menu system, the CAC channels shall be displayed in a manner equivalent to local broadcast channels. Further, the Grantee shall provide a listing of CAC channels and programming on the Grantee's electronic program guide in a manner equivalent to local broadcast channels if such a guide is utilized by the Grantee. It is the CAC's responsibility to provide the Grantee or the Grantee's designated agent, as determined by the Grantee, with program schedules in a timely manner.

The Grantee will provide video service free of charge to CAC at a level that enables CAC to monitor all CAC programming. Additionally, during the term of its franchise, for as long as the Grantee makes video on demand ("VOD") available on its system in Chicago, it will include in its VOD offerings up to 30 hours per week of public access programming selected by CAC. The CAC shall be solely responsible for uploading its content to the Grantee's system in accordance with Exhibit G. The CAC VOD programming will be available to subscribers 24 hours a day, seven days a week. Any CAC programming placed on VOD shall be available to subscribers free of charge. The Grantee will provide, upon CAC's request, any aggregate data regarding subscriber use of the CAC's programming on the VOD platform. Neither the Grantee nor the CAC shall be liable for the quality or content of any programming produced or transmitted by the Grantee or the CAC.

### Section 19. Leased Access

The Grantee shall comply with Section 532 of the Communications Act as amended from time to time, and all FCC rules and regulations promulgated thereunder, regarding the provision of channel capacity for commercial use. The Grantee acknowledges and agrees that, should current federal preemptive authority be modified so as to permit the City to enact and enforce requirements governing the provision of channel capacity for commercial use, the Grantee shall comply with any and all such requirements of the City during the remainder of the term of this Agreement, upon one hundred and twenty (120) days' written notice by the City.

### Section 20. Municipal Utilization

(1) During the term of this Agreement, the Grantee shall provide, free of charge, two (2) local government channels on its subscriber network system for the exclusive use and control of the City and other local agencies designated by the City. The channels shall be utilized for the purpose of distributing non-commercial services, any other charitable, nonprofit purpose or other similar purpose, including, without limitation, the generation of revenues by activities reasonably related to such use or purpose, or any other purpose agreed to by City and Grantee. The Grantee shall have no authority or control over any programming cablecast on such dedicated channels. All programming cablecast on such dedicated channels shall not be considered origination cablecasting for purposes of the Grantee's compliance with Section 76 Subpart G of the FCC rules and regulations unless otherwise determined by the FCC with respect to the Grantee. The Grantee shall have no responsibility under Section 4-280-230(D) of the Cable Ordinance for programming cablecast on any such dedicated channel. Additionally, nothing in Section 20 of this Agreement shall be construed to imply that Grantee is a common carrier.

(2) Upon demonstration by the City of full utilization of the channel capacity dedicated to the City, the Grantee shall exercise its best efforts to provide additional channel capacity to the City on the Grantee's cable system to meet the reasonable needs of the City unless to do so would place an unreasonable economic burden on the Grantee.

(3) The Grantee shall provide, at the Grantee's sole expense but without change in ownership, modulators and other necessary equipment to permit full and practical utilization from the Grantee's headend downstream, by conventional technical means, of each local government channel. The Grantee will provide the City with Limited Basic and Expanded Basic service free of charge at the City's location with any equipment necessary to receive that service. If changes in the technology used by the Grantee require additional equipment for distribution of City channels, including the provision of HD, the Grantee shall make such equipment available at no cost to the City. Additionally, the Grantee shall insure that its cable system is constructed and operated to permit the City to cablecast live programming from remote locations with no charge to the City for access to the Grantee's existing facilities suitable for such purposes at the Grantee's headend.

(4) The Grantee will provide all municipal and local origination channels to subscribers at equivalent visual and audio quality and equivalent functionality to that in which the Grantee delivers the primary signal of local television broadcast stations on its cable system and without the need for subscribers to obtain or pay for any additional equipment to receive all municipal and local origination channels. The Grantee will provide all municipal and local origination channels to subscribers on the Grantee's basic cable offerings or tiers. Municipal and local origination channels will also be transmitted in High Definition ("HD") during the franchise period at a time and in an order determined by the City with a minimum of six (6) months' notice for the first signal's transmission and a minimum of two (2) months' notice for transmission of subsequent channels consistent with the obligations set forth in Section 18.4 of this Agreement. HD resolution will be equivalent to the resolution used in the Grantee's HD tier. The Grantee will continue to carry municipal and local origination channels in SD format in addition to HD format as long as there are SD channels in its basic channel lineup.

(5) The Grantee will provide video service free of charge to the City at a level that enables the City to monitor all City programming. Additionally, during the term of its franchise, for as long as the Grantee makes video on demand ("VOD") available on its cable system in Chicago, it will include in its VOD offerings up to 30 hours per week of public access programming selected by the City. The City VOD programming will be available to subscribers 24 hours a day, seven days a week. Any City programming placed on VOD shall be available to subscribers free of charge. The Grantee will provide, upon the City's request, any aggregate data regarding subscriber use of the City's programming on the VOD platform. Neither the Grantee nor the City shall be liable for the quality or content of any programming produced or transmitted by the Grantee or the City. The City shall be solely responsible for uploading its content to the Grantee's cable system in accordance with Exhibit G.

#### Section 21. Payments and Contributions

In addition to the franchise fee and other payments made to the City pursuant to this agreement or otherwise, the Grantee has agreed with the City and CAC, as set forth in an

agreement dated December 7, 2015 by and between the Grantee, the City and the CAC (the "Grant Agreement") to pay the City and CAC 1% of gross revenues. The terms and conditions of those payments by the Grantee to the City and CAC are set forth in the Grant Agreement, which the cable administrator is authorized to execute on behalf of the City, and which is attached for reference purposes only as Exhibit C. Grantee has also agreed to provide the City at no charge to the City certain services and equipment as provided in Exhibit D.

Grantee agrees that it will not offset or reduce its payment of past, present or future Franchise fees required pursuant to Section 4 of this Agreement, as a result of its obligation to remit the contribution required by the Grant Agreement or to provide the services listed in Exhibit D.

## Section 22. Employment Requirements

The following provisions are set forth pursuant and in addition to Section 554 of the Communications Act, as may be amended from time to time, and all FCC rules and regulations promulgated thereunder, and Section 4-280-450 of the Cable Ordinance.

### 22.1 Affirmative Action

Pursuant to Section 4-280-450(B) and (C) of the Cable Ordinance, the Grantee, during the term of this Agreement, shall exercise its best efforts to maximize equal employment opportunities for minorities and women. The goal for the Grantee's workforce with respect to minority employment shall be parity with the population of minorities in relation to the general population of the City, consistent with the most recent U.S. Census data. The Grantee shall take affirmative action to accomplish this goal in each of the job categories set forth in Exhibit E attached hereto and made part of this Agreement. The goals for the Grantee's workforce with respect to female employment shall be parity with the respective percentage representations of females in the labor force of the City in each of the job categories set forth in Exhibit E to this Agreement. The Grantee shall take affirmative action to accomplish such goals in such job categories.

### 22.2 Equal Employment Opportunity/Affirmative Action Plan

The Grantee shall revise its Equal Employment Opportunity/Affirmative Action Plan (the "EEO/AA Plan") in accordance with the requirements set forth in Exhibit E to this Agreement. This EEO/AA Plan shall be filed with the Cable Administrator for approval within ninety (90) days after the Effective Date. The Cable Administrator shall within forty-five (45) days after receipt by it of such plan approve such plan or notify Grantee in writing of the deficiencies in such plan.

### 22.3 Pass-Through Requirements

In order to satisfy the employment requirements of Section 22 of this Agreement, the Communications Act and applicable FCC rules and regulations, and the Cable Ordinance, the Grantee shall ensure that each contractor having a contract or contracts with the Grantee and each subcontractor having a contract or contracts with the Grantee's Contractors and

Subcontractors in excess of fifty thousand dollars (\$50,000.00) and at least fifteen (15) employees engaged in the construction, installation, maintenance or operation of the Grantee's cable system complies with Sections 22.1, 22.4, 22.5, 22.6, 22.7 and 22.8 of this Agreement, Section 4-280-450 of the Cable Ordinance, Section 554 of the Communications Act, and all FCC rules and regulations promulgated thereunder. Additionally, the Grantee shall ensure that each such contractor or sub-contractor develops an Equal Employment Opportunity/Affirmative Action Plan (the "Contractors'/Sub-Contractors' EEO/AA Plans") in accordance with the requirements set forth in Exhibit E to this Agreement. Each such Contractor/Sub-Contractor EEO/AA Plan shall be made available to the Cable Administrator upon the Cable Administrator's request.

#### 22.4 Local Residents

The Grantee shall take affirmative action to ensure that at least fifty percent (50%) of its employees engaged in the construction, installation, maintenance or operation of its cable television system are actual residents of the City.

#### 22.5 Unions

The Grantee shall notify each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding or with which the Grantee enters into discussions regarding a collective bargaining agreement or other contract or understanding of the Grantee's responsibilities under Section 22 of this Agreement, Section 4-280-450 of the Cable Ordinance, Section 554 of the Communications Act, and all FCC rules and regulations promulgated thereunder. The Grantee shall, to the extent possible through negotiation or modification of any such agreements, contracts or understandings, ensure that such agreements, contracts or understandings contain provisions consistent with Section 22 of this Agreement, Section 4-280-450 of the Cable Ordinance, and Section 554 of the Communications Act, and all FCC rules and regulations promulgated thereunder so as not to impede the Grantee's ability to satisfy the requirements set forth herein and therein.

#### 22.6 Training

The Grantee shall establish and provide such training programs for qualified minorities and women as necessary to satisfy the employment requirements as set forth in this Agreement.

#### 22.7 Records

Commencing on the Effective Date and continuing for the term of this Agreement, the Grantee shall prepare and maintain the following records on forms provided by the City: job applicant flow logs, promotion, demotion, termination and transfer logs, and training activity and/or apprenticeship program participation summaries. Such records shall be available to the City during the Grantee's normal business hours and shall be retained in the Grantee's files for not less than three (3) years.

## 22.8 Reporting Requirements

The Grantee, during the term of this Agreement, shall file with the City the following reports

(1) Annually for the term of this Agreement:

- (a) statistical reports;
- (b) progress evaluation reports;
- (c) a report listing any EEO/AA complaints filed against the Grantee with a court or federal or State of Illinois or local agency having appropriate jurisdiction.

(2) Commencing one (1) year after approval by the City of the Grantee's EEO/AA Plan and continuing on an annual basis for the term of this Agreement a report summarizing and updating the Grantee's EEO/AA Plan.

## 22.9 Compliance

In order to monitor the Grantee's compliance with its EEO/AA Plan and the other requirements set forth in Section 22 of this Agreement, the City, whenever necessary or appropriate, shall conduct a compliance review. Such review shall consist of a comprehensive analysis and evaluation of the records maintained and the reports required to be submitted to the City pursuant to Sections 22.7 and 22.8 of this Agreement and any other relevant information and data. The Grantee shall be deemed to be in compliance for purposes of Section 22 of this Agreement and Section 4-280-450(B) and (C) and of the Cable Ordinance if the City determines that the Grantee has exercised its best efforts to comply on an annual basis with the Grantee's EEO/AA Plan and the requirements set forth in Sections 22.1, 22.3, 22.4 and 22.6 of this Agreement.

## Section 23. Contractors and Subcontractors

### 23.1 Local Businesses

The Grantee shall utilize businesses located within the City in connection with the construction, installation, maintenance, extension and operation of its cable system to the maximum extent feasible and with due regard to price, quality and timing of delivery. In addition, the Grantee shall, to the maximum extent feasible and with due regard to price, quality and timing of delivery of the purchase of comparable materials, equipment or supplies of any nature, give preference for such items which are assembled, manufactured or otherwise produced, in whole or in part, within the City.

### 23.2 Minority Business Enterprises (MBEs)

Pursuant to Section 4-280-450(E) of the Cable Ordinance, the Grantee shall, during the term of this Agreement, exercise its best efforts to ensure that qualified minority-owned businesses ("MBEs") located in and certified by the City receive a fair and substantial share of the

economic benefits forthcoming from development of the Grantee's cable television services system. For purposes of this Section 23.2, "a fair and substantial share of the economic benefits" shall mean forty percent (40%) of the total dollar value of contracts awarded by the Grantee, excluding contracts where participation of MBEs would not be practically possible such as factory direct purchases, purchases of satellite-delivered services and purchases of materials or equipment from a sole source of supply. Such exclusions shall be detailed, with justifications, in the Grantee's Minority Business Enterprise Plan (the "MBE Plan") referred to in Section 23.4 of this Agreement. The Grantee's MBE Plan shall be subject to City approval.

### 23.3 Women's Business Enterprises (WBEs)

The Grantee, during the term of this Agreement, shall exercise its best efforts to ensure that qualified women-owned businesses ("WBEs") located in and certified by the City are awarded twelve percent (12%) of the total dollar value of contracts issued by the Grantee, excluding contracts where participation of WBEs would not be practically possible such as factory direct purchases, purchases of satellite-delivered services and purchases of materials or equipment from a sole source of supply. Such exclusions shall be detailed, with justifications, in the Grantee's Women's Business Enterprise Plan (the "WBE Plan") referred to in Section 23.4 of this Agreement. The Grantee's WBE Plan shall be subject to City approval.

### 23.4 Business Enterprise Plans

The Grantee shall develop separate revised MBE and WBE Plans in accordance with the requirements set forth in Exhibit F attached hereto and made a part of this Agreement. Such plans shall be filed with the City for approval within ninety (90) days after the Effective Date. The City shall, within forty-five (45) days of receipt by it of such plans, approve such plans or notify Grantee in writing of the deficiencies in any of said plans.

### 23.5 Reporting Requirements

Annually during the term of this Agreement, the Grantee shall file with the City the following reports on forms supplied by the City:

- (1) a descriptive summary of the categories and total dollar value of all contracts awarded by the Grantee;
- (2) a descriptive summary of the categories and total dollar value of all contracts awarded by the Grantee, excluding contracts where participation of MBEs and WBEs would not be practically possible in accordance with Sections 23.2 and 23.3 of this Agreement and Exhibit F to this Agreement;
- (3) a descriptive summary of the total dollar value of all contracts awarded to MBEs and WBEs;
- (4) a descriptive summary of the Grantee's efforts both to locate and facilitate the participation of qualified MBEs and WBEs in the construction, installation, maintenance and operation of the Grantee's cable system including a description of the specific programs implemented by the Grantee to meet the goals set forth in Sections 23.2 and 23.3 of this Agreement;

- (5) commencing within one (1) year after approval by the City of the Grantee's MBE and WBE Plans and continuing on an annual basis for the term of this Agreement, separate reports summarizing and updating the Grantee's MBE and WBE Plans.

#### 23.6 Compliance

In order to monitor the Grantee's compliance with its MBE and WBE Plans and the other requirements set forth herein, the City, whenever necessary or appropriate, but no less than once every six months shall, commencing one (1) year after approval by the City of the Grantee's MBE and WBE Plans, conduct a compliance review. Such review shall consist of a comprehensive analysis and evaluation of the reports required to be submitted to the City pursuant to Section 23.5 of this Agreement and any other relevant information and data. The Grantee shall be deemed to be in compliance for purposes of Section 24 of this Agreement and Section 4-280-450(E) of the Cable Ordinance if the City determines that the Grantee has exercised its best efforts to comply on an annual basis with its MBE and WBE Plans and the requirements set forth in Sections 23.1, 23.2 and 23.3 of this Agreement.

To assist the City in monitoring the Grantee's compliance with its customer service obligations and MBE and WBE Plans, including but not limited to the forty percent (40) requirement of Section 23.2 of this Agreement and the twelve percent (12%) requirement of Section 23.3 of this Agreement, the Cable Administrator shall select an advisory group, consisting of six (6) residents, not to exceed two representatives from each ward located within that portion of Franchise Area 2 served by the Grantee. The Cable Administrator's selection of residents shall be based on the recommendations of those Aldermen whose wards are included in whole or in part within that part of Franchise Area 2 served by the Grantee. The Grantee shall provide this advisory group with such relevant information and data as the advisory group may from time to time require, in order to monitor the Grantee's compliance with its customer service obligations and MBE and WBE Plans. Upon the Cable Administrator's request, but no more than quarterly, the advisory group shall report its findings to the Cable Administrator, which shall use the advisory group's findings to assist the Cable Administrator in monitoring the Grantee's quality of customer service and carrying out its compliance review pursuant to this Section.

#### Section 24. Customer Services

The Grantee shall comply with the standards and requirements for customer service set forth in the most recent Edition of FCC Customer service obligations, 47 C.F.R. Ch. 1, § 76.309, in effect on the Effective Date, and shall comply with all other applicable FCC regulations relating to customer service obligations, including any amendments to 47 C.F.R. Ch. 1, § 76.309, during the term of this Agreement that impose higher or additional customer service standards on a cable operator, and Grantee shall comply with the Cable and Video Customer Protection Law, 220 ILCS 5/22-501 et seq. and the enforcement provisions that are included in Article XII, chapter 4-280 of the Cable Ordinance.

#### 24.1 Business Offices and Personnel

Pursuant and in addition to Section 4-280-240(C) of the Cable Ordinance, the Grantee shall establish and maintain such business offices and provide personnel, telephone service and other equipment, as needed, to ensure timely, efficient and effective service to consumers. Such personnel shall include one person designated by the Grantee to act as a liaison between the Grantee and the City regarding consumer service issues. All business offices of the Grantee shall have a locally listed telephone number with an access line available to subscribers 24 hours a day, seven days a week. The Grantee's business offices shall be open, at a minimum, from 9 a.m. to 6 p.m. on Monday through Friday, and from 9 a.m. to noon on Saturday. Upon a showing of changed circumstances or for other good cause shown, the City may permit a reduction in the Grantee's business office hours, and such permission shall not be unreasonably withheld. Additionally, at various times during the day, the Grantee shall cablecast the address, telephone number and office hours of its business offices on a local origination channel received by all subscribers.

#### 24.2 Subscriber Complaints

Pursuant and in addition to Section 4-280-260 of the Cable Ordinance and applicable state law, the Grantee shall promptly respond to and resolve all subscriber complaints; provided, however, that nothing herein shall require the Grantee to maintain or repair any equipment not provided by the Grantee, maintain records with respect thereto nor respond to or resolve subscriber complaints relating thereto. The Grantee shall maintain records of such complaints setting forth the date and nature of the complaint and any action taken in response thereto. Such records shall be available to the City during the Grantee's normal business hours and retained in the Grantee's files for not less than three (3) years. A statistical summary of such records shall be prepared by the Grantee and submitted to the City annually.

#### 24.3 Major Outages

The Grantee shall maintain records of all major outages. Such records shall indicate the estimated number of subscribers affected, the date and time of first notification of the outage, the date and time service was restored, the cause of the outage and a description of the corrective action taken. Such records shall be available to the City during the Grantee's normal business hours and retained in the Grantee's files for not less than three (3) years. A statistical summary of such records shall be prepared by the Grantee and submitted to the City annually, commencing twelve (12) months after the Effective Date.

#### 24.4 Requests for Installation

Pursuant and in addition to Section 4-280-280(C) of the Cable Ordinance, the Grantee shall fill all reasonable orders for a standard installation of its services within seven (7) business days and all other reasonable orders within thirty (30) days after the date of such order. For purposes of the time period for installation as opposed to any costs charged as set forth in Sections 7.1 and 7.2 of this Agreement, "standard" installations are those that are located up to 150 feet from the existing distribution system. A request shall be deemed reasonable if (i) the services requested are uniformly available on the Grantee's cable system; (ii) the services are

requested in a portion of Franchise Area 2 where the Grantee's cable system has been constructed and activated; (iii) the Grantee in cooperation with appropriate agencies can accomplish a proper physical extension of its cable system to a person's premises within such seven (7) or thirty (30) days; and (iv) the Grantee can obtain access to a person's premises. If the Grantee fails within such seven (7) or thirty (30) day period to provide the service requested, the Grantee, upon request of the person requesting service, shall within thirty (30) days thereafter promptly refund any and all deposits or advance payments made by such person. The Grantee shall maintain a record of all installation requests detailing when and what action was taken.

#### 24.5 Translated Information

All information and materials provided to customers as required by this Agreement shall also be available in the Spanish language.

#### 24.6 Information Filed With The City

Pursuant and in addition to Section 4-280-190(E) of the Cable Ordinance, the Grantee shall file the information required in Section 4-280-190(E) and the customer information and materials required by this Agreement with the City at least fourteen (14) days prior to any distribution of such information or materials.

#### 24.7 Employee Identification

Each employee of the Grantee when entering private property or working on public ways shall be required to wear an employee identification card issued by the Grantee bearing the name and a recent photograph of said employee.

#### 24.8 Nondiscrimination

Pursuant and in addition to Section 4-280-180(C) of the Cable Ordinance, the Grantee shall not discriminate against any person in the solicitation or provision of any service or equipment on the basis of age, sex, race, color, creed, ethnic origin, sexual orientation, marital status or physical or mental impairment.

#### 24.9 Late Fees

For purposes of this Section 24.9, any assessment, charge, cost, fee or sum, however characterized, that the Grantee imposes upon a subscriber for late payment of a bill is a late fee and shall be subject to the following provisions:

(1) No such fee may be imposed until thirty (30) days have passed from the date a subscriber bill is sent and the payment amount due has not been paid on such bill. Such fee may not exceed one-and-a-half dollars (\$1.50) per such bill.

(2) No fee beyond that permitted by subsection (1) of this Section may be imposed until forty-seven (47) days have passed from the date a subscriber bill is sent and the payment amount due has not been paid on such bill. Any such fee may not exceed the Grantee's reasonable costs associated with late payment including, but not limited to, the fairly allocated costs of personnel.

(3) For purposes of subsections (1) and (2) of this Section, a subscriber bill shall be deemed sent upon:

(a) The date of the United States Postal Service postmark on the envelope of such subscriber bill; or

(b) If the Grantee uses an agent to mail subscriber bills, the date shown on mailing records kept by such agent in the ordinary course of business that shows, to the satisfaction of the Cable Administrator, when subscriber bills are mailed. If such records show that a particular grouping or class of bills was mailed on more than one day, all bills in such grouping or class shall be considered to have been mailed on the last day that any such bill was mailed; or

(c) The date the monthly cable bill is electronically processed if said bill is generated and mailed within five (5) calendar days after the close of the Grantee's accounting cycle (such close being ten (10) calendar days after the due date on the subscriber's bill). If the Grantee uses an agent to process subscriber bills, the records kept by such agent in the ordinary course of business shall constitute acceptable proof if such records show, to the satisfaction of the Cable Administrator, the dates on which subscriber bills are mailed; or

(d) In the absence of proof specified in (a), (b) or (c), such other proof as may be acceptable to the Cable Administrator.

(4) The Grantee shall provide the processing and mailing records that constitute proof under subsections 3(b) and (c) of this Section 24.9 to the Cable Administrator upon the Cable Administrator's request during the term of this Agreement, and shall further provide proof, satisfactory to the Cable Administrator, that such records are accurate, authentic and complete. Such proof may be in the form of a notarized affidavit by the agent.

(5) For purposes of subsections (1) and (2) of this Section, a subscriber payment shall be considered to have been paid on the day that it is received by the Grantee or by the Grantee's agent (e.g., a currency exchange designated by the Grantee).

(6) If during the term of this Agreement, applicable but non-preemptive federal, state or local law permits the Grantee to impose late fees on subscribers that exceed the limitations imposed by this Section, the Grantee agrees to adhere to the limitations of this Section. If during the term of this Agreement, applicable federal, state or local law enacted after the Effective Date imposes more stringent limits on the Grantee's ability to impose late fees than are imposed by this Section, the Grantee agrees to adhere to such federal, state or local law. If a final order of a court of competent jurisdiction imposes more stringent limits on the Grantee's ability to impose late fees than are imposed by this Section, the Grantee agrees to adhere to such applicable ruling.

(7) Nothing in this Section 24.9 shall be deemed to create, limit, or otherwise affect the ability of the Grantee, if any, to impose other assessments, charges, fees or sums other than those permitted by this Section, for the Grantee's other services or activities it performs in compliance with applicable law, including FCC law, rule or regulation.

(8) The Grantee's late fee and disconnection policies and practices shall be nondiscriminatory and such policies and practices, and any fees imposed pursuant to this Section 24.9, shall apply equally in all parts of Franchise Area 2, without regard to the neighborhood or income level of the subscriber.

## Section 25. Privacy

### 25.1 Requirements

The Grantee shall construct, install, maintain and operate its cable system so as to protect the privacy rights of each subscriber and user in accordance with Section 4-280-290 of the Cable Ordinance as interpreted and applied in harmony with Section 551 of the Communications Act and FCC rules and regulations promulgated thereunder, the requirements of this Agreement and any other applicable federal, state and local laws and regulations.

### 25.2 Monitoring, Collection, Use or Release

Pursuant and in addition to Section 4-280-290 of the Cable Ordinance, the Grantee shall not monitor, collect or use any information or signals transmitted over the Grantee's cable system, with the exception of any record of aggregated data that does not identify particular persons, without the prior written or electronic consent of the subscriber or user, provided that such collection and use is permissible in order to obtain information necessary to provide services to the subscriber or detect an unauthorized reception of cable service. The Grantee shall not release or disclose any individually identifiable information about any subscriber or user to the City or any other third party without the prior written or electronic consent of such subscribers or users unless such disclosure is made by the Grantee to a subscriber(s) or user(s) in accord with the exceptions set forth in Section 551(c)(2) of the Communications Act. Any consent of a subscriber or user for the monitoring, collection, use or release of any information or signals transmitted over or obtained by the Grantee's cable system shall be explicit, in writing or electronic form, and in a form separate from any contract or other agreement for cable services or use. Such consent shall contain a statement in bold print that states that the subscriber or user knowingly authorizes the monitoring, collection, use or release of such information, that the consent is revocable at any time by the subscriber or user without penalty and that describes the exact timing and nature of the monitoring, collection, use or release of such information. Such consent is revocable without penalty at any time by the subscriber or user upon prior written or electronic notice to the Grantee. In no event shall such consent be obtained by the Grantee from a subscriber or user as a condition of cable service or a continuation thereof, except if such consent is necessary to adequately provide such service.

### 25.3 Privacy Information

Prior to installation of service, and at least once a year thereafter, the Grantee shall provide each subscriber with a simple, thorough written explanation conforming to the notice requirements set forth in Section 551(1)(a)(A-E) of the Communications Act, and further informing each subscriber of all applicable privacy requirements as set forth herein and in Section 4-280-290 of the Cable Ordinance; provided, however, that such information shall be filed with the City not less than thirty (30) days prior to its being distributed to any subscriber.

### 25.4 Ownership of Data

The ownership of any data or signals originated by a subscriber or user and maintained by the Grantee or a third party that are intended for the sole use of such subscriber or user shall remain solely in the originating subscriber or user, even though such data or signals are maintained by the Grantee or a third party.

### 25.5 Court-Ordered Disclosure

Pursuant and in addition to Section 4-280-290(B)(4) of the Cable Ordinance, if a court of competent jurisdiction authorizes or orders the monitoring, collection, use or release of any individually identifiable information about any subscriber or user, the Grantee shall notify such subscriber or user within a sufficient amount of time to permit the subscriber or user to challenge the monitoring, collection, use or release of such information except if a court of competent jurisdiction orders otherwise.

### 25.6 Destruction of Information

Any individually identifiable information of a subscriber or user collected by the Grantee pursuant to Section 4-280-290 of the Cable Ordinance and the provisions of this Agreement shall be destroyed immediately after the purpose for its collection has been accomplished unless the Cable Ordinance, this Agreement or federal, state or local laws or a court of competent jurisdiction require retention of such identifiable information.

### 25.7 Request for Information

Pursuant and in addition to Section 4-280-290(C)(5) of the Cable Ordinance, the Grantee, within two (2) weeks of receipt by the Grantee of a written request from any subscriber or user, shall make available to such subscriber or user the information collected or maintained by it with respect to such subscriber or user. Additionally, the Grantee shall permit its subscribers or users to correct any inaccurate information collected in regard to such Subscriber or User. If such information is in machine-readable form, the Grantee shall translate such information and provide such subscriber or user with a copy of the translation. Such rights shall be in addition to any other rights or remedies the City has under the Cable Ordinance, this Agreement or other applicable federal, state or local laws.

## Section 26. Enforcement

### 26.1 Sanctions

Pursuant to Section 4-280-490(A) and (B) of the Cable Ordinance, the City shall have the right to impose monetary penalties, fines and other monetary sanctions in accordance with Section 26.6 of this Agreement in the event the Grantee violates any provision of the Cable Ordinance, any Section of this Agreement or any rule or regulation lawfully adopted by the City pursuant to Section 4-280-380 B.(11) of the Cable Ordinance. Additionally, the City shall have the right to impose substituted damages for those violations set forth in Section 26.5 of this Agreement. Such rights shall be in addition to any other rights or remedies the City has under the Cable Ordinance, this Agreement, the Communications Act, FCC rules and regulations or other applicable laws.

### 26.2 Notice of Violation

If the City has reason to believe that the Grantee is in violation of the Cable Ordinance, this Agreement, state law, or any rule or regulation lawfully adopted by the City pursuant to Section 4-280-380 B. (11) of the Cable Ordinance, the City shall notify the Grantee, in writing, of the violation setting forth the nature of such violation. Within thirty (30) days of its receipt of such notice, the Grantee shall respond in writing to the City either contesting the City's notice of violation with supporting documentation or confirming that it has remedied the violation within such thirty (30) day period. If the Grantee cannot reasonably remedy the violation within the time period specified and so informs the City in writing within the time provided by the City, the City may extend the time permitted for remedying the violation provided the Grantee informs the City on a regular basis of the steps being taken to remedy such violation.

### 26.3 Notice of Assessment

If within thirty (30) days of its receipt of notice of the violation pursuant to Section 26.2 of this Agreement or such time as provided by the City, the Grantee fails to submit a written response either contesting the notice of violation as set forth in Section 26.2 of this Agreement or notifying the City that the Grantee has remedied the violation within the time period specified or any extensions thereto pursuant to Section 26.2 of this Agreement, or if the City determines, after due consideration of the Grantee's response and supporting documentation, that the Grantee is in violation of the Cable Ordinance, this Agreement, any rule or regulation adopted by the City or other applicable law, the City, after considering all relevant factors, may impose upon the Grantee monetary penalties, fines, liquidated or substituted damages or other monetary sanctions from the date of notice of violation in accordance with Sections 26.5 or 26.6 of this Agreement and shall provide the Grantee with written notice of such assessment. Such notice of assessment shall state the amount assessed and provide a date of at least seven (7) days after receipt of such notice upon which payment for the violation is due from the Grantee.

#### 26.4 Withdrawal from Letter of Credit

Notwithstanding Section 4-280-150(B) or any other provision of the Cable Ordinance, if the Grantee fails to pay to the City any monetary penalties, fines, interest, liquidated or substituted damages or other monetary sanctions imposed upon the Grantee by the City on or before the date set forth in the notice of assessment pursuant to Section 26.3 of this Agreement, the City, may immediately request payment of the amount thereof from the letter of credit and draw on the letter of credit referred to in Section 6 of this Agreement. If a draw by the City on Grantee's letter of credit is made, the City shall notify the Grantee in writing of the date and amount of such draw.

#### 26.5 Substituted Damages

The Grantee agrees the following events, if any such event occurs, will result in actual damages to the City which actual damages will be either impracticable or difficult to ascertain and therefore agrees to pay to the City the following amounts which shall not be considered in the nature of penalties:

(1) \$750.00 a day for each day or part thereof that such failure continues as a result of a material failure to comply with the design, technical, maintenance, construction or operational requirements set forth or referred to in Sections 8, 9, 10 and 12 of this Agreement;

(2) \$750.00 per day for each day or part thereof that such failure continues as a result of a material failure to comply with the interconnection requirements set forth or referred to in Section 14 of this Agreement; and

(3) \$250.00 a day for each day or part thereof that such a failure continues, except as approved by the City or the City Council, if required, a material failure to provide the services set forth or referred to in Section 7 of this Agreement.

#### 26.6 Monetary Penalties, Fines and Other Monetary Sanctions

Pursuant to Section 4-280-490(A) and (B) of the Cable Ordinance, if the Grantee fails to comply with any provision of the Cable Ordinance this Agreement or other applicable law, the City, may assess and impose monetary penalties, fines and other monetary sanctions for such failure in an amount not to exceed \$750.00 per day per violation for each day or part thereof that such failure continues. If the Grantee fails to comply with any rule or regulation lawfully adopted by the City pursuant to Section 4-280-380 B(11) of the Cable Ordinance, the City may assess and impose fines for such failure in an amount not to exceed \$50.00 per day per violation for each day or part thereof that such failure continues. All such monetary penalties, fines and other monetary sanctions shall be determined by the City in accordance with the principles set forth below:

(1) Such monetary penalties, fines, interest and other monetary sanctions shall exceed the financial benefits to the Grantee's delaying or failing to comply with the applicable requirement;

(2) Even where such benefits are not easily discernable, such monetary penalties, fines and other monetary sanctions shall be of an amount to have a significant deterrent effect on the Grantee; and

(3) Such monetary penalties, fines, interest and other monetary sanctions shall be sufficient to protect the City and other affected parties against loss resulting from the Grantee's violations.

#### 26.7 Act or Omission Beyond The Grantee's Control

The Grantee shall not be subject to the imposition of monetary penalties, fines, interest, liquidated or substituted damages or other monetary sanctions referred to in Section 26 of this Agreement for any act or omission if such act or omission was beyond the Grantee's control. An act or omission shall not be deemed to be beyond the Grantee's control if committed, omitted or caused by an affiliate, or Contractor or Subcontractor of the Grantee involved in constructing, installing, maintaining or operating the Grantee's cable system within the City of Chicago. Neither the inability of the Grantee to obtain financing for whatever reason nor the misfeasance or malfeasance of the Grantee's officers, directors, employees, agents, affiliates and Contractors and Subcontractors shall be deemed an act or omission beyond the Grantee's control.

#### 26.8 Other Rights of The City

The right of the City to impose upon the Grantee monetary penalties, fines, interest, liquidated or substituted damages or other monetary sanctions pursuant to Sections 26.5 and 26.6 hereof shall be in addition to any other rights or remedies the City has pursuant to the Communications Act, FCC rules and regulations, the Cable Ordinance, this Agreement or other applicable laws.

#### 26.9 No Waiver of Rights

The decision by the City to forego the imposition upon the Grantee of monetary penalties, fines, interest, liquidated or substituted damages or other monetary sanctions in a particular instance shall in no way act to waive the City's rights under this Section 26 for subsequent violations of the Cable Ordinance or this Agreement.

### Section 27. Miscellaneous Provisions

#### 27.1 Governing Law

This Agreement shall be construed pursuant to the laws of the State of Illinois.

#### 27.2 Descriptive Headings

Section headings are descriptive and used merely for the purpose of organization and where inconsistent with the text are to be disregarded.

### 27.3 Employees and Agents

The Grantee shall be solely and completely responsible for the actions of its employees and agents in the course of their employment.

### 27.4 Rights Reserved to The City

The Grantee hereby acknowledges and accepts the rights reserved to the City in Section 4-280-440 of the Cable Ordinance. The Grantee hereby waives, except to the extent any such waiver would be inconsistent with Section 545 of the Communications Act, the Grantee's rights, if any, to attempt to modify any provisions of this Agreement without the prior written approval of the City or appropriate action of the City Council, if such City Council action is required.

### 27.5 Compliance with The Cable Ethics Ordinance

The Grantee pledges that it has made no promise or inducement, oral or written, to any City employee, City representative or City advisor as defined in Section 4-284-020 of the Cable Ethics Ordinance regarding the receipt or award of the franchise renewal granted hereunder.

### 27.6 No Inducement

The Grantee acknowledges that it has not been induced to accept this franchise renewal by any promise, verbal or written, made by or on behalf of the City or by any third person regarding any term or condition set forth in the Cable Ordinance or this Agreement.

### 27.7 No FCC Waiver Without Notice to The City

The Grantee shall not apply for any waivers, exceptions or declaratory rulings from the FCC or any other federal or state regulatory agency regarding the Grantee's cable system without prior written notice to the City.

### 27.8 No Excuse from Compliance

The Grantee shall not be excused from compliance with any of the terms or conditions of the Communications Act, FCC rules and regulations, state law, the Cable Ethics Ordinance, the Cable Ordinance or this Agreement by failure of the City upon one or more occasions to insist upon such compliance by the Grantee or to seek compliance by the Grantee with any term or condition of the Ethics Ordinance, the Communications Act, FCC rules and regulations, state law, the Cable Ordinance or this Agreement.

### 27.9 Transfer of Franchise

During the term of this Agreement, the Grantee shall conform in all respects to Section 4-280-170 of the Cable Ordinance, as interpreted and applied in accordance with applicable federal law.

### 27.10 City Action

In any action by the City mandated or permitted under the Cable Ordinance or this Agreement, the City shall act in a reasonable, expeditious and timely manner. Additionally, in any instance where City approval or consent is required under the Cable Ordinance or this Agreement, the City shall not unreasonably withhold its approval or consent.

### 27.11 Force Majeure

The Grantee shall not be deemed in violation of this Agreement or the Cable Ordinance for delay in performance or failure to perform in whole or part its obligations under the Cable Ordinance or this Agreement due to strike, war or act of war (whether an actual declaration is made or not), insurrection, riot, act of public enemy, accident, fire, flood or other act of God or by other events to the extent that such events are caused by circumstances beyond the Grantee's control pursuant to Section 4-280-110(E) of the Cable Ordinance and Section 26.7 of this Agreement. Any such delay or failure to perform shall not be deemed to be a violation of the Cable Ordinance or this Agreement. In the event that a delay in performance or failure to perform affects only part of the Grantee's ability to perform such obligations under the Cable Ordinance or this Agreement, the Grantee shall perform such obligations to the extent the Grantee is able to do so in as expeditious a manner as possible. The Grantee shall promptly notify the City in writing of an event covered by this Section 27.11, which writing shall include, at a minimum, the date, nature and cause of such event. Additionally, the Grantee, in such notice, shall indicate the anticipated extent of such delay and the specific obligations pursuant to the Cable Ordinance or this Agreement to be affected.

### 27.12 Severability

Except as otherwise provided in Section 4.2 of this Agreement, if any provision of this Agreement or any portion of any provision of this Agreement is deemed invalid under any applicable ordinance or federal or state law, such provision shall be, to the extent invalid, deemed omitted and all remaining provisions of this Agreement shall remain in full force and effect.

### 27.13 Notices

All notices and filings required by the Cable Ordinance, this Agreement or any other applicable law or regulation shall be, except as otherwise provided in this Agreement, or other applicable law or regulation:

If to the City:	The Cable Administrator Department of Business Affairs and Consumer Protection 121 N. La Salle Street, Room 805 Chicago, Illinois 60602
If to the Grantee:	Mr. Tom McKay Senior Vice President/ General Manager 2640 West Bradley Place Chicago, Illinois 60618

and shall be by United States Mail, with all necessary postage pre-paid, except as otherwise provided by this Agreement, the Cable Ordinance or any other law or regulation.

27.14 Minority Ownership/Participation

Pursuant and in addition to the purposes set forth in Section 4-280-020(D) of the Cable Ordinance, the Grantee agrees to promote and support minority ownership/participation in the Grantee as provided in Exhibit F attached to this Agreement and made a part hereof.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed by their respective, duly authorized agents or officers, as of the day and year set forth below.

*Form Of Acceptance.*

In accepting the franchise renewal for Franchise Area 2 within the City of Chicago, pursuant to Sections 4-280-390(A), (B), (C), and 4-280-420 of the Chicago Cable Communications Ordinance (the "Cable Ordinance"), the Grantee hereby:

- a) agrees to accept the validity of the terms and conditions of the Cable Ordinance, Chapter 4-280 of the Municipal Code and the Agreement in their respective entireties relying upon the Grantee's own investigation and understanding of the power and authority of the City of Chicago to grant said franchise renewal. The Grantee further agrees that it shall not, at any time, proceed against the City in any claim or proceeding challenging any term or provision of the Cable Ordinance or Agreement as unreasonable, arbitrary or void, or allege that the City did not have the authority to impose such term or condition;
- b) expressly acknowledges that the Grantee has voluntarily agreed to various terms in this Agreement, including but not limited to terms in Sections 4.3, 17, 21, and 27.14; expressly acknowledges that the City could not have legally required one or more of the voluntary terms in this Agreement as conditions precedent to a cable system franchise renewal; and expressly acknowledges that the City has expressed its understanding to the Grantee that such agreement was voluntary on the part of the Grantee;
- c) expressly acknowledges that the Grantee has not been induced to accept the Agreement by any promise, verbal or written, on behalf of the City or by any third person regarding any term or condition of the Cable Ordinance or the Agreement not expressed therein;
- d) further acknowledges that the Grantee has carefully read the terms and conditions of the Cable Ordinance and the Agreement and accepts without reservation the obligations imposed by the terms and conditions therein; and
- e) pledges that no promise or inducement, oral or written, has been made to any City employee or official regarding receipt of this franchise renewal.

The undersigned hereby certifies that he/she has been duly authorized pursuant to his roles and responsibilities as the Senior Vice President-General Manager of RCN Cable TV of Chicago, Inc. to make this acceptance of the franchise renewal for Franchise Area 2 within the City of Chicago.

*Grant Agreement.*

This Grant Agreement ("Agreement") is made as of this \_\_\_\_\_ day of \_\_\_\_\_, 2015 by and between, RCN Cable TV of Chicago, Inc. ("RCN") and the City of Chicago ("City") and Chicago Access Corporation ("CAC").

A. The City is a municipal corporation and home rule unit of local government existing under the Constitution of the State of Illinois, acting through its Department of Business Affairs and Consumer Protection and in accordance with the Chicago Cable Communications Ordinance, Chapter 4-280-010, et seq. ("Cable Ordinance"), the City operates certain government access channels.

B. CAC is a not-for-profit corporation incorporated under the laws of the State of Illinois and created in accordance with Section 4-280-310, et seq., of the Cable Ordinance. CAC has its principal offices in the City of Chicago, Illinois. In accordance with the Cable Ordinance, CAC operates certain public access cable channels in the City of Chicago. CAC receives most of its funding from payments made to it by cable companies that have been granted franchises to operate cable systems in the City of Chicago.

C. RCN is a corporation organized under the laws of the State of Delaware, with its principal offices being located in the city of Princeton, New Jersey. As of the date of this Agreement, there is pending before the Chicago City Council an ordinance (such ordinance, as it may be hereafter revised or amended, is referred to herein as the "Renewal Authorization") to authorize a renewal of RCN's cable system franchise for Franchise Area 2 (the "Franchise") in the City of Chicago, which Franchise was originally granted in 2000.

D. In order to promote the public interest and public access television in the City of Chicago, if the Renewal Authorization is approved and the Franchise is renewed, RCN has agreed to make certain payments to the City and CAC as set forth below; and RCN, the City and CAC desire to recite that commitment in a written agreement.

Now, Therefore, In consideration of the mutual promises and covenants set forth herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree that if the Renewal Authorization is approved, and the Chicago City Council renews the RCN Franchise:

1. The City and CAC will cooperate with RCN with respect to RCN's performing any and all of its undertakings with respect to public access television, including any obligations imposed on RCN by any City of Chicago ordinance approving the Renewal Authorization or the Franchise.

2. In addition to complying with all terms of the Cable Ordinance, other applicable ordinances and the Franchise agreement, beginning December 7, 2015, RCN shall pay to the City and CAC, as set forth in paragraph 3 below, a total grant amount equal to one percent (1%) of the gross revenues RCN derives from its cable system throughout the period of its renewed Franchise (the "Grant"). For purposes of this paragraph 2, the term "gross revenues RCN derives from its cable system" has the meaning set forth in Sections 4-280-030C, 4-280-030D and 4-280-030M of the Cable Ordinance ("Gross Revenues").

3. The Grant shall be allocated as follows: two-thirds or .67 percent of Gross Revenues to CAC and one-third or .33 percent of Gross Revenues to the City (1 percent of Gross Revenues in total). Accordingly, RCN shall make separate payments of the Grant directly to the CAC and the City in these respective allocated shares. There are no restrictions as to the City's or CAC's use of the monies RCN will pay to the City and CAC pursuant to this paragraph. Payments to the City and CAC of the Grant shall be made on a quarterly basis 30 days after the close of the calendar quarters ending March 31, June 30, September 30 and December 31.

(a) Each such payment to the City of .33 percent and each such payment to the CAC of .67 percent, of the gross revenues RCN derives from its cable system during the immediately preceding calendar quarter shall include a statement explaining the basis for the calculation of the payment and shall include a copy of the financial statement submitted to the City pursuant to Section 4-280-130B of the Cable Ordinance, showing RCN's Gross Revenues derived during the immediately preceding three (3) month calendar quarter. Additionally, RCN shall also provide CAC, within 120 days following the conclusion of the RCN's fiscal year, a copy of any audited annual report submitted to the City pursuant to the same section.

(b) On the last day of the first full month after the end of the term of the Franchise, RCN shall submit a financial statement to the City and CAC showing the RCN's Gross Revenues for which no payment has yet been tendered to CAC and the City pursuant to this Agreement and shall simultaneously tender payment to the City and to CAC their respective share of the Grant not previously tendered.

(c) Notwithstanding subsections (a) through (b) above, in the event that an audit is conducted of RCN for any calendar year pursuant to Section 4-280-130C of the Cable Ordinance or otherwise, and such audit properly shows an adjustment is necessary to the Grant payments due to the City and to CAC under this Agreement, RCN shall so adjust payments due the City and CAC within one hundred twenty (120) days after the conclusion of the calendar year, and RCN at the same time shall provide the City and the CAC with any relevant financial information concerning any such adjustment.

(d) If any of the payments referred to in this paragraph 3 are not made on or before their due dates to the City and/or CAC, RCN shall pay to the City and/or CAC, respectively, interest from such due date on the amount due and owing until such amount is paid in full at the monthly rate of one and one-half percent (1.5%). If an additional amount is due the City and CAC as a result of the audit referred to in subparagraph (c)

and such amount is not paid within thirty (30) days after RCN is notified of the result of the audit, RCN shall pay interest to the City and CAC, on the amount due and owing until such amount is paid in full, at the monthly rate of one and one-half percent (1.5%).

4. In the event that the City enters into an agreement with Comcast or any other franchised cable provider that provides for a grant payment in an amount less than one percent (1%) of that provider's gross revenues, the City, CAC and RCN agree that RCN shall pay that lesser percentage of gross revenues on a going-forward basis and starting on the same date that the payments made by that other cable provider are to commence, allocated between the City and CAC in such percentages as they shall jointly direct RCN in writing. RCN shall have no right to any refund or set-off of any kind for payments previously made pursuant to this agreement as a consequence, if any, of this paragraph. In the event that the City enters into an agreement with Comcast or any other franchised cable provider that provides for a grant payment in an amount greater than one percent (1%) of that provider's gross revenues, the City, CAC and RCN agree that RCN shall pay that greater percentage of gross revenues on a going-forward basis and starting on the same date that the payments made by that other cable provider are to commence, allocated between the City and CAC in the same percentages as stated in paragraph 3 above. The City and CAC shall have no right to seek any additional payments for a prior time period as a consequence, if any, of this paragraph.

5. In the event that the requirement contained in Section 4-280-320(A) of the Cable Ordinance that provides that "[T]he franchise(s) shall provide that the CAC shall control the use of 10 percent of all cable channels (including 10 percent of all channels on subscriber cables) from their inception, free of charge, as access channels" is modified in any way, including by renegotiation with any other franchised cable provider, the City and CAC agree that the modified requirement shall govern RCN's obligations under this ordinance section.

6. RCN agrees that a violation of the terms of this agreement by RCN may be considered by the City as a material violation of the Franchise and shall subject RCN to all remedies available to the City under the Franchise.

7. No amendment or other modification of this Agreement shall be valid or binding on any party hereto unless in writing and signed by all of the parties. Other than franchise fees and other fees and taxes owed to the City by RCN pursuant to applicable law, this document contains the entire agreement between the parties hereto with respect to payments to be made by RCN to the City and to CAC based on gross revenues from RCN cable services regarding Franchise Area 2, and supersedes all prior agreements or understandings. This Agreement shall bind and inure to the benefit of and be enforceable by RCN, the City and CAC and their respective successors and assigns. This Agreement will be governed by the laws of the State of Illinois. Each party represents and warrants to each other party that its undersigned representative has full power and authority to enter into this Agreement, that it has received all necessary or required approvals with respect thereto and that this Agreement constitutes the legal, valid and binding obligation of such party, enforceable against such party in accordance with its terms. Each party further represents and warrants

that it is entering into this Agreement voluntarily and has received the advice and representation of counsel. No inference shall be drawn for or against any party because of its role in the drafting of this Agreement.

In Witness Whereof, the parties have executed this Agreement as of the date written above.

*EEO/AA Plan.*

The City and the Grantee recognize that in order to ensure the participation of minorities<sup>(1)</sup> and women in the Grantee's work force that the Grantee must take affirmative action to maximize equal employment opportunities for minorities and women. To this end, the Grantee, pursuant to Section 22.2 of the Agreement, shall develop and file an Equal Employment Opportunity/Affirmative Action Plan (the "EEO/AA Plan") with the Cable Administrator for approval within ninety (90) days after the Effective Date. For purposes of this Exhibit E and Section 22 of the Agreement, all general population and labor force statistics shall be derived from the latest U.S. Census Data.

I. EEO/AA Plan.

The Grantee's EEO/AA Plan shall contain:

- A. A workforce profile that indicates the number of individual positions by job title in each of the following job categories:
1. Officials and Managers/Technical/Professional;
  2. Sales;
  3. Office and Clerical;
  4. Craftsmen;
  5. Operatives;
  6. Laborers; and
  7. Service workers.

---

(1) For purposes of this Exhibit E, Section 4-280-450 of the Cable Ordinance and Section 22 of the Agreement, the term "minorities" shall be defined to mean persons who are citizens or lawful permanent residents of the United States and who are:

- a) Black (a person having origins in any of the black racial groups of Africa);
- b) Hispanic (a person of Spanish or Portuguese culture with origins in Mexico, South or Central America, or the Caribbean Islands, regardless of race);
- c) Asian American (a person having origins in any of the original peoples of the Far East, Southeast Asia, the Indian subcontinent, or the Pacific Islands); or
- d) American Indian and Alaskan Native (a person having origins in any of the original peoples of North America).

This workforce profile shall also indicate the levels by grade or pay scale of the various positions within each job category.

B. Specific, numerical, affirmative action goals. Such goals shall be set by:

1. Multiplying established percentages for each group in the appropriate job category, by;
2. The number of positions (whether filled or vacant) indicated in each job category; and
3. Subtracting the members of each group presently included in the Grantee's workforce in each job category.

C. A description of the Grantee's EEO/AA Plan that demonstrates the Grantee's commitment to maximizing the employment opportunities of minorities and women in its workforce. The Grantee's EEO/AA Plan shall be disseminated both internally and externally and appropriately reflected in the Grantee's:

1. Employee and Supervisory Manuals;
2. Training and Employment Materials;
3. Employment notices which set forth the rights of an employee if he/she believes that he/she has been discriminated against;
4. Job application forms in bold type; and
5. Contracts with its Contractors and Subcontractors.

Also indicative of the Grantee's efforts to disseminate its policy shall be the featuring of minorities and women in advertisements, posters or other public relations materials.

D. A description of personnel practices and procedures that will be used by the Grantee to:

1. Eliminate artificial barriers or other impediments to full utilization of minorities and females; and
2. Ensure that the Grantee's policies, procedures or practices are both neutral and nondiscriminatory on their face and administered in a fair manner.

This description shall provide an analysis of personnel practices and procedures and include, but not be limited to, a general description of the following:

1. The Grantee's selection process, including, but not limited to, job descriptions, job titles, employee requirements, application forms, interview procedures;
  2. The Grantee's transfer, evaluation, and promotion practices;
  3. Salaries, fringe benefits and other forms of compensation;
  4. Accessibility of the Grantee's facilities or equipment to handicapped persons; and
  5. Seniority practices.
- E. The designation of a senior company official who shall have full responsibility for the development, implementation and monitoring of the Grantee's EEO/AA policies and programs. This official shall be given adequate personnel and financial resources to conduct the Grantee's EEO/AA policies and programs.

The title of this official shall appear in all materials relating to the Grantee's EEO/AA Plan.

- F. A description of the procedures to be used by the Grantee to inform all of its personnel that successful implementation of and compliance with the Grantee's EEO/AA policies and programs will be an essential element in performance evaluation and promotion.
- G. A description of a systematic, affirmative action recruitment program to be used by the Grantee to attract minority and female applicants to the Grantee's workforce. Such description shall also identify applicant sources in the City's labor force. The Grantee may rely on personnel resource organizations to obtain data on current and potential applicant sources. Minority and women's organizations and colleges with a significant proportion of minority and female students may also provide such recruitment information. Techniques to recruit potential applicants may include:
1. Placing job announcements/advertisements in newspapers;
  2. On-site visits at minority and women's colleges;
  3. Contacting and sending job announcements to minority and women's professional organizations and civil rights, legal and community organizations;
  4. Attendance at special career programs at local high schools and colleges or participating in conventions or meetings sponsored by civil rights or public interest organizations; and

5. Announcing employment opportunities on radio and TV on both minority and non-minority stations.
- H. A description of the Grantee's apprenticeship training and educational programs that will be established and implemented by the Grantee to satisfy the employment requirements set forth herein and in Section 22 of the Agreement.
- I. A description of the Grantee's internal audit and monitoring system that must be integrated with the Grantee's normal personnel, budgetary and management systems and used to conduct an analysis of each aspect of the Grantee's EEO/AA policies and programs and to measure the effectiveness of this program. This description shall include, but not be limited to:
1. A procedure for monitoring vacancies created by new hiring, expansion, promotion, attrition or termination to assess opportunities for meeting its Equal Employment Opportunity and Affirmative Action goals.
  2. A procedure for assessing the usefulness of various recruitment sources and techniques.

II. Underutilization Analysis.

Subsequent to submission of its EEO/AA Plan, the Grantee shall be required to conduct, on an annual basis, a statistical analysis pursuant to guidelines established by the City, to determine whether minorities or women are underutilized in the Grantee's workforce in any job category. Generally, this analysis shall consist of a comparison of the projected annual, numerical affirmative action goals of the Grantee and the actual representation of minorities and females in the Grantee's workforce.

*Exhibit "F".*

(To Cable System Franchise Renewal Agreement  
With RCN Cable TV Of Chicago, Inc.)

*MBE And WBE Plans.*

The City recognizes that (i) minority and women-owned businesses have historically been underutilized in the cable television industry; (ii) the minority and female populations comprise substantially more than half of the general population of the City; (iii) there are a significant number of qualified minority and women-owned businesses located within the City; and (iv) by providing opportunities to such minority and women-owned businesses, the Grantee shall

assist in increasing the participation of minority and women-owned businesses in the cable television industry. To this end, the Grantee, pursuant to Section 23.2 and 3 of the Agreement, shall develop separate MBE<sup>(2)</sup> and WBE<sup>(3)</sup> Plans.

I. MBE/WBE Plans.

Both the MBE and WBE Plans of the Grantee shall contain:

A. description of the Grantee's internal MBE/WBE policy that demonstrates the Grantee's commitment to maximizing the participation of minority and women-owned businesses located in the City in the construction, installation, maintenance and operation of its cable television system. This policy shall be disseminated both internally and externally and be reflected in all of the Grantee's contracts. Indicative of the Grantee's efforts to disseminate this policy shall be:

1. Timely notice of the Grantee's intent to award contracts to the minority and female business communities, MBE/WBE assistance agencies and other MBE/WBE-related organizations;
2. Advertising in publications having significant circulation among minorities and/or females;
3. Sponsoring conferences to advertise the Grantee's MBE/WBE policies and to explain the procedures for MBE/WBE participation;
4. Maintaining systematic contacts with the minority and female business communities, MBE/WBE assistance agencies, MBE/WBE contractor associations and other minority and female organizations to encourage referrals of qualified MBE/WBEs; and
5. Communicating the Grantee's MBE/WBE policies to all existing contractors and subcontractors and requesting MBE/WBE referrals for future considerations.

---

(2) For purposes of this Exhibit F, Section 4-280-450(E) of the Cable Ordinance and Sections 23.2 and 3 of the Agreement, MBE ("Minority Business Enterprise") means a business (a) which is at least fifty-one percent (51%) owned by one or more minorities or, in the case of a publicly owned business, at least fifty-one percent (51%) of the stock of which is owned by one or more minorities; and (b) whose minority owners possess the power to direct or cause the direction of the management and policies of the business and to make day-to-day as well as major decisions regarding management, policy, and operations of the business.

(3) For purposes of this exhibit and Section 23 of the Agreement, WBE ("Women's Business Enterprise") means a business (a) which is at least fifty-one percent (51%) owned by one or more females or, in the case of a publicly owned business, at least fifty-one percent (51%) of the stock of which is owned by one or more females; and (b) whose female owners possess the power to direct or cause the direction of the management and policies of the business and to make day-to-day as well as major decisions regarding management, policy and operations of the business.

B. The designation of a senior company official who shall have full responsibility for the development, implementation and monitoring of the Grantee's MBE/WBE programs. This official shall be given adequate personnel and financial resources to conduct such programs. The title of this official shall appear in all of the Grantee's materials relating to MBEs/WBEs.

C. A description of specific programs that will be established and implemented by the Grantee to meet its required MBE and WBE goals and to ensure the participation of MBEs/WBEs in the construction, installation, maintenance and operation of its cable television system.

D. A description of specialized programs that the Grantee may, at its option, establish and implement to meet its required MBE and WBE goals and to ensure the participation of MBEs/WBEs in the construction, installation, maintenance and operation of the Grantee's cable television system such as:

1. Set-asides for MBEs/WBEs;
2. Joint venture arrangements between MBEs/WBEs and other firms;
3. Sole source contracts with capable, qualified MBEs/WBEs;
4. Division of contracts to facilitate greater MBE/WBE participation;
5. Accelerated or pro-rated payment plans and pro-rated delivery schedules in order to minimize the cash flow problems of MBEs/WBEs;
6. Purchasing supplies and/or leasing the required equipment for a job and then subcontracting with MBEs/WBEs only for the expertise required to perform the job; and
7. Revolving loan funds.

Also indicative of the Grantee's efforts to meet its MBE/WBE goals shall be: a) the deposit of funds in minority or women-owned banks; b) bonding, management and technical assistance; c) the dissemination of informational materials; d) the sponsoring of seminars and workshops; and e) advising MBEs/WBEs on organizational and contractual requirements, bid specifications, contracting schedules and procurement procedures.

E. A description of the categories and dollar values of all contracts to be awarded by the Grantee.

F. A description of the categories and dollar values of all contracts that should be excluded from the total dollar value of contracts to be awarded by the Grantee because participation of MBEs/WBEs would not be practically possible such as

factory direct purchases, purchases of satellite-delivered services and purchases of materials or equipment from a sole source of supply. These exclusions must be justified by the Grantee in this description and are subject to the approval of the Cable Administrator.

G. A description of the Grantee's internal audit and monitoring system that must be integrated with the Grantee's normal personnel, budgetary and management systems and used for purposes of measuring the effectiveness of the Grantee's MBE/WBE programs. Said description shall:

1. Set forth specifically the steps the Grantee will take to identify and award contracts to MBEs and WBEs;
2. Detail the methods the Grantee will use for monitoring its MBE/WBE programs;
3. Be consistent with the MBE/WBE<sup>(4)</sup> counting methods set forth below:
  - a) The total dollar value of the contract awarded to the MBE/WBE is counted toward the applicable MBE/WBE goals.
  - b) The total dollar value of a contract with an MBE/WBE owned and controlled by both minority males and non-minority females is counted towards MBE or WBE goals respectively, in proportion to the percentage of ownership and control of each group in the business.
  - c) The total dollar value of a contract with an MBE-owned and controlled by minority women is counted toward either the applicable MBE goal or the WBE goal, but not toward both. The Grantee may choose the goal to which the contract value is applied.
  - d) The portion of the total dollar value of a contract with an eligible joint venture that is equal to the percentage of ownership and control of the MBE/WBE partner in the joint venture may be counted towards the applicable MBE/WBE goals.
  - e) Only expenditures to MBEs/WBEs that perform a "commercially useful function" in the performance of a contract may be counted towards the applicable MBE/WBE goals. An MBE/WBE is considered to perform a "commercially useful function" if it is responsible for the execution of a distinct element in the performance of a contract and carries out its responsibilities by actively performing, managing and supervising the job.

---

(4) MBEs/WBEs must be certified in accordance with standards established by the City.

f) The portion of the total dollar value of a sub-contract performed by an MBE/WBE is counted towards the applicable MBE/WBE goals.

g) Materials and supplies obtained from MBE/WBE suppliers and manufacturers may be counted towards the applicable MBE/WBE goals, provided that the MBE/WBE assumes the actual and contractual responsibility for the provision of materials or supplies. In cases where the MBE/WBE exercises the exclusive role of a distributor, broker or agent for the obtaining of materials or supplies, then only the commission, markup or fee earned by the MBE/WBE may be counted towards the applicable MBE/WBE goals.

DESIGNATION OF VARIOUS FINANCIAL INSTITUTIONS AS MUNICIPAL DEPOSITORIES FOR CITY OF CHICAGO AND CHICAGO BOARD OF EDUCATION FUNDS.

[SO2015-4695]

The Committee on Finance submitted the following report:

CHICAGO, December 9, 2015.

*To the President and Members of the City Council:*

Your Committee on Finance, having had under consideration a communication recommending a proposed substitute ordinance concerning the authority to designate municipal depositories for the City of Chicago and the Chicago Board of Education, having had the same under advisement, begs leave to report and recommend that Your Honorable Body *Pass* the proposed substitute ordinance transmitted herewith.

This recommendation was concurred in by a viva voce vote of the members of the committee, with no dissenting vote.

Alderman Burke abstains from voting under the provisions of Rule 14.

Respectfully submitted,

(Signed) EDWARD M. BURKE,  
*Chairman.*

On motion of Alderman Burke, the said proposed substitute ordinance transmitted with the foregoing committee report was *Passed* by yeas and nays as follows:

*Yeas* -- Aldermen Moreno, Hopkins, Dowell, Burns, Hairston, Sawyer, Mitchell, Harris, Beale, Sadlowski Garza, Thompson, Cárdenas, Quinn, Lopez, Foulkes, D. Moore, Silverstein -- 49.

*Nays* -- None.

Alderman Beale moved to reconsider the foregoing vote. The motion was lost.

Alderman Burke invoked Rule 14 of the City Council's Rules of Order and Procedure, disclosing that he had represented parties to this ordinance in previous and unrelated matters.

The following is said ordinance as passed:

WHEREAS, On November 28, 2014, the City Comptroller advertised for bids from national and state banks and federal and state savings and loan associations for the payment of interest upon the funds of the City of Chicago (the "City") and of the Chicago Board of Education (the "Board") in accordance with Section 2-32-400 of the Municipal Code of Chicago (the "Code"); and

WHEREAS, The City Comptroller received bids from three financial institutions seeking to be designated as municipal depositories pursuant to the Code and determined that each of these three financial institutions is eligible to be designated as a municipal depository of the City and the Board; and

WHEREAS, The City Comptroller reported such findings to the City Council, and the City Council wishes to designate such financial institutions as municipal depositories; now, therefore,

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. The following national banks are hereby designated as municipal depositories of the City of Chicago and of the Chicago Board of Education for the purpose of holding and paying interest on municipal deposits, and each such financial institution has on file with the City Comptroller the information required under Sections 2-32-430, 2-32-440, 2-32-450 and 2-32-455 of the Code:

Associated Bank, N.A.;

First Merit Bank, N.A.; and

MB Financial Bank, N.A.

SECTION 2. The designation as municipal depositories of the three financial institutions specified in Section 1 of this ordinance shall not constitute a "comparable designation of legal depositories" for purposes of the ordinance passed on May 12, 2010, and published at pages 89665 -- 89667 of the *Journal of the Proceedings of the City Council of the City of Chicago* ("*Journal of Proceedings*") of that date, or for purposes of the ordinance passed on September 8, 2010, and published at pages 98367 -- 98368 of the *Journal of Proceedings* of that date.

SECTION 3. To the extent that any ordinance, resolution, rule, order or provision of the Code, or part thereof, is in conflict with the provisions of this ordinance, the provisions of this ordinance shall control. If any section, paragraph, clause or provision of this ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any other provision of this ordinance.

SECTION 4. This ordinance shall take full force and effect upon its passage and approval.

TERMINATION OF SPECIAL SERVICE AREA NO. 1 AND ESTABLISHMENT OF SPECIAL SERVICE AREA NO. 1-2015, IMPOSITION OF TAX LEVY, APPROVAL OF YEAR 2016 BUDGET AND AUTHORIZATION OF SERVICE PROVIDER AGREEMENT.

[O2015-8875]

The Committee on Finance submitted the following report:

CHICAGO, December 9, 2015.

*To the President and Members of the City Council:*

Your Committee on Finance, having had under consideration a proposed ordinance concerning the authority to terminate Special Service Area Number 1, to establish Special Service Area Number 1-2015, to approve the imposition of a tax levy, to approve the 2016 budget and to approve the service provider agreement, amount to be levied: \$2,434,811, having had the same under advisement, begs leave to report and recommend that Your Honorable Body *Pass* the proposed ordinance transmitted herewith.

This recommendation was concurred in by a viva voce vote of the members of the committee, with no dissenting vote.

Respectfully submitted,

(Signed) EDWARD M. BURKE,  
*Chairman.*

On motion of Alderman Burke, the said proposed ordinance transmitted with the foregoing committee report was *Passed* by yeas and nays as follows:

*Yeas* -- Aldermen Moreno, Hopkins, Dowell, Burns, Hairston, Sawyer, Mitchell, Harris, Beale, Sadlowski Garza, Thompson, Cárdenas, Quinn, Burke, Lopez, Foulkes, D. Moore, Curtis, O'Shea, Cochran, Brookins, Muñoz, Zalewski, Scott, Solis, Maldonado, Burnett, Ervin, Taliaferro, Reboyras, Santiago, Waguespack, Mell, Austin, Ramirez-Rosa, Villegas, Mitts, Sposato, Laurino, O'Connor, Napolitano, Reilly, Smith, Tunney, Arena, Cappleman, Pawar, Osterman, J. Moore, Silverstein -- 50.

*Nays* -- None.

Alderman Beale moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

WHEREAS, Special service areas may be established pursuant to Article VII, Sections 6(l) and 7(6) of the Constitution of the State of Illinois, and pursuant to the provisions of the Special Service Area Tax Law, 35 ILCS 200/27-5, et seq., as amended from time to time (the "Act") and pursuant to the Property Tax Code, 35 ILCS 200/1-1, et seq., as amended from time to time (the "Code"); and

WHEREAS, On July 7, 1977, the City Council of the City of Chicago (the "City Council") enacted an ordinance, as amended by an ordinance enacted by the City Council on November 17, 1993, as further amended by an ordinance enacted by the City Council on December 21, 1994, as further amended by an ordinance enacted by the City Council on December 11, 1996, which established an area known and designated as City of Chicago Special Service Area Number 1 (the "Original Area") and authorized the levy of an annual tax not to exceed an annual rate of .405 percent (.405%) of the equalized assessed value of the taxable property therein (the "Original Services Tax") to provide certain special services in and for the Original Area in addition to the services provided by and to the City of Chicago generally; and

WHEREAS, The City now desires to terminate the authorization of the levy of the Original Services Tax in the Original Area; and

WHEREAS, The City Council determines that it is in the best interests of the City of Chicago (the "City") to establish a new special service area to be known and designated as Special Service Area Number 1-2015 (the "Area") to provide certain special governmental services in addition to services provided generally by the City, all as further provided in this ordinance (the "Special Services"), and further determines to authorize the levy of an annual ad valorem real property tax in the Area for a period of fifteen (15) years sufficient to produce revenues required to provide those Special Services (the "Services Tax"); and

WHEREAS, The City Council desires to authorize the execution of an agreement with a service provider for the provision of the Special Services in and for the Area in fiscal year 2016; now, therefore,

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. Incorporation Of Preambles. The preambles of this ordinance are hereby incorporated into this text as if set out herein in full.

SECTION 2. Termination Of City Of Chicago Special Service Area Number 1. The authorization of the annual levy of the Original Services Tax in and for the Original Area is hereby terminated.

SECTION 3. Findings. The City Council finds and declares as follows:

- (a) The Area, as established by this ordinance, consists of contiguous territory in the City;
- (b) The City Council adopted an ordinance on September 24, 2015 authorizing a public hearing (the "Public Hearing") to consider the establishment of the Area and the levy of the Services Tax on the taxable property located in the Area to provide the Special Services;
- (c) Notice of the Public Hearing was given by publication at least once not less than 15 days prior to the hearing in the *Chicago Sun-Times*, a newspaper published in and of general circulation within the City, and notice of the Public Hearing was also given by depositing said notice in the United States mail addressed to the person or persons in whose name the general taxes for the last preceding year were paid on each property lying within the Area, not less than 10 days prior to the time set for the Public Hearing. For any properties for which taxes for the last preceding year were not paid, the notice was sent to the person last listed on the tax rolls prior to that year as the owner of the property;
- (d) The notice complied with all of the applicable provisions of the Act;
- (e) The Public Hearing was held on December 3, 2015 by the Committee on Finance of the City Council. All interested persons, including all persons owning real property located within the Area, were given an opportunity to be heard at the Public Hearing regarding any issues embodied in the notice and have had an opportunity to file with the City Clerk of the City of Chicago (the "City Clerk") written objections on such issues;
- (f) The Committee on Finance of the City Council has heard and considered all of the comments, objections, protests and statements made at the Public Hearing with regard to the issues embodied in the notice and has determined to recommend to the City Council that it is in the public interest and in the interest of the City and the Area to establish the Area and to authorize the levy of the Services Tax, all as provided in this ordinance;
- (g) The Public Hearing was finally adjourned on December 3, 2015;
- (h) The 60-day period as described in Section 27-55 of the Act, in which an objection petition to this ordinance may be filed, commenced on December 3, 2015; and
- (i) The City Council hereby finds and determines that it is in the best interests of the City that the Area be established and the Services Tax be authorized, all as set forth herein.

SECTION 4. Area Established. There is hereby established a new special service area located within the City to be known and designated as City of Chicago Special Service Area Number 1-2015. The approximate street location of said territory consists of the area on both sides of State Street, from Wacker Drive on the north to Congress Parkway on the south, extending west to Dearborn Street to include Block 37. A legal description of the Area is attached as Exhibit 1 hereto and hereby incorporated herein. A map of the Area is attached as Exhibit 2 hereto and hereby incorporated herein. A list of Permanent Index Numbers for the properties in the Area is attached hereto as Exhibit 3 and hereby incorporated herein.

SECTION 5. Special Services Authorized. The Special Services authorized hereby include, but are not limited to: customer attraction, public way aesthetics, sustainability and public place enhancements, economic/business development, safety programs, and other activities to promote commercial and economic development. The Special Services shall be in addition to services provided to and by the City of Chicago generally.

SECTION 6. Authorization Of Levy. There is hereby authorized to be levied in each year beginning in 2015 through and including 2029 the Services Tax upon the taxable property within the Area to produce revenues required to provide the Special Services, said Services Tax not to exceed an annual rate of 0.575 percent (0.575%) of the equalized assessed value of the taxable property within the Area. The Services Tax shall be in addition to all other taxes provided by law and shall be levied pursuant to the provisions of the Code. The levy of the Services Tax for each year shall be made by annual ordinance, commencing with this ordinance.

SECTION 7. Appropriations. Based on the recommendation of the Department of Planning and Development, there is hereby appropriated the following sum in the amount and for the purposes necessary to provide the Special Services in and for the Area indicated as follows:

Special Service Area Number 1-2015

Special Service Area Budget.

For the fiscal year beginning January 1, 2016 and ending December 31, 2016.

	Expenditures
Service Provider Agreement for the provision of Special Services	\$2,434,811
TOTAL BUDGET REQUEST:	\$2,434,811

## Expenditures

## Source Of Funding

Tax levy not to exceed an annual rate of 0.575% of the equalized assessed value of taxable property within Special Service Area Number 1-2015	\$2,434,811
--	-------------

SECTION 8. Levy Of Taxes. There is hereby levied pursuant to the provisions of Article VII, Sections 6(a) and 6(l)(2) of the Constitution of the State of Illinois and pursuant to the provisions of the Act and pursuant to the provisions of this ordinance, the sum of \$2,434,811 as the amount of the Services Tax for the tax year 2015.

SECTION 9. Commission Authorized. There is hereby established the State Street Special Service Area Commission (the "Commission") which shall consist of 13 members, nine of which shall be representatives of the private sector, and four public sector members. The Mayor, with the approval of the City Council, shall appoint the initial Commission members. The initial nine private sector Commission members shall be appointed to serve for three year terms. Upon the expiration of the term of any initial Commission member, the Mayor, with the approval of City Council, shall appoint a successor Commission member. Each successor Commission member shall be appointed to serve for a term of three years and until a successor is appointed. The four public officials shall be appointed by the Mayor, at his or her sole discretion, and shall serve until being removed or replaced by the Mayor. In the event of a vacancy on the Commission due to resignation, death, inability to serve, removal by the Mayor, or other reason, the Mayor, with the approval of City Council, shall appoint a successor. Each successor so appointed shall serve for the remaining term for which he/she was appointed. The Commission shall designate one member as the Chairman of the Commission, and he/she shall serve not more than two successive two-year terms. The Commission may establish bylaws for its procedural operation.

The Commission shall have the powers delegated to it in Section 10 hereof. The terms and powers of the Commission members shall cease upon the termination of the time period for which the levy of the Services Tax is authorized. The members of the Commission shall serve without compensation.

SECTION 10. Powers Of The Commission. The Commission is hereby granted the following powers:

- (a) to recommend the rate or amount of the Services Tax and an annual budget to the City Council; and

(b) to recommend a sole service provider contract, including a scope of services and a contractor therefor, to the City Council for the provision of the Special Services.

SECTION 11. Service Provider Agreement. The Commissioner of the Department of Planning and Development (the "Commissioner"), or a designee of the Commissioner (each, an "Authorized Officer"), are each hereby authorized, subject to approval by the Corporation Counsel as to form and legality, to enter into, execute and deliver a service provider agreement (the "Service Provider Agreement") as authorized herein with Chicago Loop Alliance, an Illinois not-for-profit corporation, as the service provider (the "Service Provider"), for a one-year term in a form acceptable to such Authorized Officer, along with such other supporting documents, if any, as may be necessary to carry out and comply with the provisions of the Service Provider Agreement. The budget attached as Exhibit 5 hereto and hereby incorporated herein (the "Budget") shall also be attached to the Service Provider Agreement as an exhibit. Upon the execution of the Service Provider Agreement and the receipt of proper documentation the Authorized Officer and the City Comptroller are each hereby authorized to disburse the sums appropriated in Section 7 above to the Service Provider in consideration for the provision of the Special Services described in the Budget. The Department of Planning and Development shall make a copy of the executed Service Provider Agreement readily available for public inspection.

SECTION 12. Protests And Objections. If a petition of objection is filed with the Office of the City Clerk signed by at least fifty-one percent (51%) of the electors residing within the boundaries of the Area and by at least fifty-one percent (51%) of the owners of record of the property included within the boundaries of the Area within 60 days following the adjournment of the Public Hearing, all as provided for in Section 27-55 of the Act, as a result of such filing this ordinance shall be deemed to be null and void, the Area shall not be created, the Services Tax shall not be levied, and the Service Provider Agreement shall not be entered into or shall be deemed to be null and void and no compensation in connection therewith shall be provided to the Service Provider.

SECTION 13. Severability. If any provision of this ordinance or the application of any such provision to any person or circumstances shall be invalid, such invalidity shall not affect the provisions or application of this ordinance which can be given effect without the invalid provision or application, and to this end each provision of this ordinance is declared to be severable.

SECTION 14. Filing. The City Clerk is hereby ordered and directed to file in the Office of the County Clerk of Cook County, Illinois (the "County Clerk"), in accordance with Section 27-75 of the Act, a certified copy of this ordinance containing an accurate map of the Area and a copy of the public hearing notice attached as Exhibit 4. The City Clerk is hereby further ordered and directed to file in the Office of the Recorder of Deeds of Cook County,

in accordance with Section 27-40 of the Act a certified copy of this ordinance containing a description of the Area within 60 days of the effective date of this ordinance. In addition, the City Clerk is hereby further ordered and directed to file in the Office of the County Clerk, in accordance with Section 27-75 of the Act, a certified copy of this ordinance on or prior to December 29, 2015, and the County Clerk shall thereafter extend for collection together with all other taxes to be levied by the City, the Services Tax herein provided for, said Services Tax to be extended for collection by the County Clerk for the tax year 2015 against all the taxable property within the Area, the amount of the Services Tax herein levied to be in addition to and in excess of all other taxes to be levied and extended against all taxable property within the Area.

SECTION 15. Conflict. This ordinance shall control over any provision of any other ordinance, resolution, motion or order in conflict with this ordinance, to the extent of such conflict.

SECTION 16. Publication. This ordinance shall be published by the City Clerk, in special pamphlet form, and made available in her office for public inspection and distribution to members of the public who may wish to avail themselves of a copy of this ordinance.

SECTION 17. Effective Date. This ordinance shall take effect 10 days after its passage and publication.

IMPOSITION OF TAX LEVY, APPROVAL OF YEAR 2016 BUDGET AND  
AUTHORIZATION OF SERVICE PROVIDER AGREEMENT FOR SPECIAL SERVICE  
AREA NO. 14.

[O2015-8044]

The Committee on Finance submitted the following report:

CHICAGO, December 9, 2015.

*To the President and Members of the City Council:*

Your Committee on Finance, having had under consideration a proposed ordinance authorizing the imposition of a tax levy, the approval of the 2016 budget and the approval of the service provider agreement for Special Service Area Number 14, amount to be levied: \$447,781, having had the same under advisement, begs leave to report and recommend that Your Honorable Body *Pass* the proposed ordinance transmitted herewith.

This recommendation was concurred in by a viva voce vote of the members of the committee, with no dissenting vote.

Respectfully submitted,

(Signed) EDWARD M. BURKE,  
*Chairman.*

On motion of Alderman Burke, the said proposed ordinance transmitted with the foregoing committee report was *Passed* by yeas and nays as follows:

*Yeas* -- Aldermen Moreno, Hopkins, Dowell, Burns, Hairston, Sawyer, Mitchell, Harris, Beale, Sadlowski Garza, Thompson, Cárdenas, Quinn, Burke, Lopez, Foulkes, D. Moore, Curtis, O'Shea, Cochran, Brookins, Muñoz, Zalewski, Scott, Solis, Maldonado, Burnett, Ervin, Taliaferro, Reboyras, Santiago, Waguespack, Mell, Austin, Ramirez-Rosa, Villegas, Mitts, Sposato, Laurino, O'Connor, Napolitano, Reilly, Smith, Tunney, Arena, Cappleman, Pawar, Osterman, J. Moore, Silverstein -- 50.

*Nays* -- None.

Alderman Beale moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

WHEREAS, Special service areas may be established pursuant to Article VII, Sections 6(1) and 7(6) of the Constitution of the State of Illinois and pursuant to the provisions of the Special Service Area Tax Law, 35 ILCS 200/27-5, et seq., as amended from time to time (the "Act") and pursuant to the Property Tax Code, 35 ILCS 200/1-1, et seq., as amended from time to time; and

WHEREAS, On October 7, 1993, the City Council of the City of Chicago (the "City Council") enacted an ordinance establishing a special service area known and designated as City of Chicago Special Service Area Number 14 to provide special governmental services in the area in addition to services provided generally by the City of Chicago and authorizing a real property tax not to exceed an annual rate of forty-one one-hundredths of one percent (0.41%) of the equalized assessed value of all property within the area to provide such services for a period of four years (the "Initial Levy Period"), which such ordinance was amended on March 9, 1995; and

WHEREAS, The Initial Levy Period has expired; and

WHEREAS, On December 10, 1997, the City Council enacted an ordinance which again established a special service area known and designated as City of Chicago Special Service Area Number 14 and authorized the levy of an annual tax for the period beginning in 1997 through and including 2000 (the "Second Levy Period"), not to exceed an annual rate of forty-one one-hundredths of one percent (0.41%) of the equalized assessed value of the taxable property therein to provide certain special services in and for the area in addition to the services provided by and to the City of Chicago generally; and

WHEREAS, The Second Levy Period has expired; and

WHEREAS, On December 5, 2001, the City Council enacted an ordinance which again established a special service area known and designated as City of Chicago Special Service Area Number 14 and authorized the levy of an annual tax, for the period beginning in 2001 through and including 2004 (the "Third Levy Period"), not to exceed the sum of forty-one one-hundredths of one percent (0.41%) of the equalized assessed value of the taxable property therein to provide certain special services in and for the area in addition to the services provided by and to the City of Chicago generally; and

WHEREAS, The Third Levy Period has expired; and

WHEREAS, On December 7, 2005, the City Council enacted an ordinance which again established a special service area known and designated as City of Chicago Special Service Area Number 14 and authorized the levy of an annual tax, for the period beginning in 2005 through and including 2007 (the "Fourth Levy Period"), not to exceed the sum of forty-one one-hundredths of one percent (0.41%) of the equalized assessed value of the taxable property therein to provide certain special services in and for the area in addition to the services provided by and to the City of Chicago generally; and

WHEREAS, The Fourth Levy Period has expired; and

WHEREAS, On November 12, 2008, the City Council enacted an ordinance which again established a special service area known and designated as City of Chicago Special Service Area Number 14 and authorized the levy of an annual tax, for a period of five years beginning in 2008 through and including 2012 (the "Fifth Levy Period"), not to exceed the sum of forty-one one-hundredths of one percent (0.41%) of the equalized assessed value of the taxable property therein to provide certain special services in and for the area in addition to the services provided by and to the City of Chicago generally; and

WHEREAS, The Fifth Levy Period has expired; and

WHEREAS, On December 11, 2013, the City Council enacted an ordinance (the "Establishment Ordinance") which established an area known and designated as City of Chicago Special Service Area Number 14 (the "Area") and authorized the levy of an annual tax, for the period beginning in 2013 through and including 2017, not to exceed an annual rate of forty-one one-hundredths of one percent (0.41%) of the equalized assessed value of the taxable property therein (the "Services Tax") to provide certain special services in and for the Area in addition to the services provided by and to the City of Chicago generally (the "Special Services"); and

WHEREAS, Certain funds in Fund 392 ("Fund 392") in the amount of \$1,894 are available for use in connection with the Area; and

WHEREAS, The Establishment Ordinance established the Area as that territory consisting approximately of West Marquette Road on the north, West 75<sup>th</sup> Street on the south, South Kedzie Avenue on the west and South Bell Avenue on the east; and

WHEREAS, The Special Services authorized in the Establishment Ordinance include, but are not limited to: security services provided in the Area, including the administration necessary for the implementation of such security services; coordinated marketing and promotional activities; business retention and recruitment; area strategic planning; and other technical assistance activities to promote community and economic development; and

WHEREAS, The Establishment Ordinance provided for the appointment of the Marquette Park Special Service Area Commission (the "Commission") to advise the City Council regarding the amount of the Services Tax to be levied and for the purpose of recommending to the City Council: (1) a yearly budget based upon the cost of providing the Special Services; (2) an entity to serve as a service provider (the "Service Provider"); (3) an agreement between the City and the Service Provider for the provision of Special Services to the Area (the "Service Provider Agreement"); and (4) a budget to be included in the agreement between the City and the Service Provider (the "Budget") (the aforementioned items 1 through 4 shall be known collectively herein as the "Recommendations"); and

WHEREAS, The Commission has been duly appointed and qualified and has heretofore prepared and transmitted to the Commissioner of the Department of Planning and Development (the "Commissioner") its Recommendations to the City Council, including the Budget attached hereto as Exhibit A and hereby made a part hereof; now, therefore,

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. Incorporation Of Preambles. The preambles of this ordinance are hereby incorporated into this text as if set out herein in full.

AUTHORIZATION OF SERVICE PROVIDER AGREEMENT FOR SPECIAL SERVICE  
AREA NO. 17.

[O2015-8046]

The Committee on Finance submitted the following report:

CHICAGO, December 9, 2015.

*To the President and Members of the City Council:*

Your Committee on Finance, having had under consideration a proposed ordinance authorizing the imposition of a tax levy, the approval of the 2016 budget and the approval of the service provider agreement for Special Service Area Number 17, amount to be levied: \$682,034, having had the same under advisement, begs leave to report and recommend that Your Honorable Body *Pass* the proposed ordinance transmitted herewith.

This recommendation was concurred in by a viva voce vote of the members of the committee, with no dissenting vote.

Respectfully submitted,

(Signed) EDWARD M. BURKE,  
*Chairman.*

On motion of Alderman Burke, the said proposed ordinance transmitted with the foregoing committee report was *Passed* by yeas and nays as follows:

*Yeas* -- Aldermen Moreno, Hopkins, Dowell, Burns, Hairston, Sawyer, Mitchell, Harris, Beale, Sadlowski Garza, Thompson, Cárdenas, Quinn, Burke, Lopez, Foulkes, D. Moore, Curtis, O'Shea, Cochran, Brookins, Muñoz, Zalewski, Scott, Solis, Maldonado, Burnett, Ervin, Taliaferro, Reboyras, Santiago, Waguespack, Mell, Austin, Ramirez-Rosa, Villegas, Mitts, Sposato, Laurino, O'Connor, Napolitano, Reilly, Smith, Tunney, Arena, Cappleman, Pawar, Osterman, J. Moore, Silverstein -- 50.

*Nays* -- None.

Alderman Beale moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

WHEREAS, Special service areas may be established pursuant to Article VII, Sections 6(l) and 7(6) of the Constitution of the State of Illinois and pursuant to the provisions of the Special Service Area Tax Law, 35 ILCS 200/27-5, et seq., as amended from time to time (the "Act") and pursuant to the Property Tax Code, 35 ILCS 200/1-1, et seq., as amended from time to time; and

WHEREAS, On October 28, 1997, the City Council (the "City Council") of the City of Chicago enacted an ordinance which established an area known and designated as City of Chicago Special Service Area Number 17 (the "Initial Area") and authorized the levy of an annual tax, for the period beginning in tax year 1997 through and including tax year 2003 (the "Initial Levy Period"), not to exceed an annual rate of one quarter of one percent (0.25%) of the equalized assessed value of the taxable property in the Initial Area to provide certain special services in and for the Initial Area in addition to the services provided by and to the City of Chicago (the "City") generally; and

WHEREAS, The Initial Levy Period has expired; and

WHEREAS, On December 8, 2004, the City Council enacted an ordinance which again established a special service area known and designated as City of Chicago Special Service Area Number 17 (the "Second Area"), as amended by an ordinance enacted by the City Council on November 1, 2006, to provide certain special services in the Second Area in addition to services provided generally by the City and authorizing a levy of an annual tax, for the period beginning in 2004 through and including 2013, not to exceed an annual rate of one quarter of one percent (0.25%) of the equalized assessed value of all property within the Second Area to provide such services for an additional period of 10 years (the "Second Services Tax"); and

WHEREAS, On November 16, 2011, the City Council enacted an ordinance (the "Establishment Ordinance") which reestablished an area known and designated as City of Chicago Special Service Area Number 17 (the "Area") with reconstituted boundaries, terminated the authorization to levy the Second Services Tax, and authorized the levy of an annual tax, for the period beginning in tax year 2011 through and including tax year 2025, not to exceed an annual rate of 0.25 percent of the equalized assessed value of the taxable property therein (the "Services Tax") to provide certain special services in and for the Area in addition to the services provided by and to the City of Chicago generally (the "Special Services"); and

WHEREAS, The Establishment Ordinance established the Area as that territory consisting approximately of the area on North Sheffield Avenue, from West Diversey Parkway to West Irving Park Road; West Diversey Parkway on the north side of the street, from 916 West Diversey Parkway to 1012 West Diversey Parkway; North Clark Street, from West Fletcher Street on the west side of the street to West Byron Street and from West Belmont Avenue on the east side of the street up to and including the parking lot north of 3801 North Clark Street; West Belmont Avenue, from North Halsted Street on the north side of the street and North Clark Street on the south side of the street to North Racine Avenue; West Addison Street, from the parking lot west of 1111 West Addison Street to North Wilton Avenue; West Addison Street, from North Wilton Avenue to North Reta Avenue on the south side of the street; the south side of West Irving Park Road, from 1017 West Irving Park Road up to and including the parking lot just east of North Fremont Street; West Waveland Avenue, from North Sheffield Avenue to North Clark Street; and North Seminary Avenue, from North Clark Street to West Waveland Avenue; and

WHEREAS, The Special Services authorized in the Establishment Ordinance include, but are not limited to: recruitment of new businesses to the Area, rehabilitation activities, maintenance and beautification activities, new construction, security, coordination of promotional and advertising activities, strategic planning for the Area, and other technical assistance activities to promote commercial and economic development (which may include, but are not limited to, streetscape improvements, strategic transit/parking improvement including parking management studies, and enhanced land use oversight and control initiatives); and

WHEREAS, The Establishment Ordinance provided for the appointment of the Central Lakeview Special Service Area Commission (the "Commission") to advise the City Council regarding the amount of the Services Tax to be levied and for the purpose of recommending to the City Council: (1) a yearly budget based upon the cost of providing the Special Services; (2) an entity to serve as a service provider (the "Service Provider"); (3) an agreement between the City and the Service Provider for the provision of Special Services to the Area (the "Service Provider Agreement"); and (4) a budget to be included in the agreement between the City and the Service Provider (the "Budget") (the aforementioned items 1 through 4 shall be known collectively herein as the "Recommendations"); and

WHEREAS, The Commission has been duly appointed and qualified and has heretofore prepared and transmitted to the Commissioner of the Department of Planning and Development (the "Commissioner") its Recommendations to the City Council, including the Budget attached hereto as Exhibit A and hereby made a part hereof; now, therefore,

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. Incorporation Of Preambles. The preambles of this ordinance are hereby incorporated into this text as if set out herein in full.

SECTION 2. Appropriations. There is hereby appropriated the following sums in the amounts and for the purposes necessary to provide the Special Services in and for the Area, the estimated amounts of miscellaneous income and the amounts required to be raised by the levy of the Services Tax indicated as follows:

REESTABLISHMENT OF SPECIAL SERVICE AREA NO. 42, IMPOSITION OF TAX LEVY, APPROVAL OF YEAR 2016 BUDGET AND AUTHORIZATION OF SERVICE PROVIDER AGREEMENT.

[O2015-8048]

The Committee on Finance submitted the following report:

CHICAGO, December 9, 2015.

*To the President and Members of the City Council:*

Your Committee on Finance, having had under consideration a communication recommending a proposed ordinance concerning the authority to reestablish Special Service Area Number 42, to approve the imposition of a tax levy, to approve the 2016 budget and to approve the service provider agreement, amount to be levied: \$539,024, having had the same under advisement, begs leave to report and recommend that Your Honorable Body *Pass* the proposed ordinance transmitted herewith.

This recommendation was concurred in by a viva voce vote of the members of the committee, with no dissenting vote.

Respectfully submitted,

(Signed) EDWARD M. BURKE,  
*Chairman.*

On motion of Alderman Burke, the said proposed ordinance transmitted with the foregoing committee report was *Passed* by yeas and nays as follows:

*Yeas* -- Aldermen Moreno, Hopkins, Dowell, Burns, Hairston, Sawyer, Mitchell, Harris, Beale, Sadlowski Garza, Thompson, Cárdenas, Quinn, Burke, Lopez, Foulkes, D. Moore, Curtis, O'Shea, Cochran, Brookins, Muñoz, Zalewski, Scott, Solis, Maldonado, Burnett, Ervin, Taliaferro, Reboyras, Santiago, Waguespack, Mell, Austin, Ramirez-Rosa, Villegas, Mitts, Sposato, Laurino, O'Connor, Napolitano, Reilly, Smith, Tunney, Arena, Cappleman, Pawar, Osterman, J. Moore, Silverstein -- 50.

*Nays* -- None.

Alderman Beale moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

WHEREAS, Special service areas may be established pursuant to Article VII, Sections 6(1) and 7(6) of the Constitution of the State of Illinois and pursuant to the provisions of the Special Service Area Tax Law, 35 ILCS 200/27-5, et seq., as amended from time to time (the "Act") and pursuant to the Property Tax Code, 35 ILCS 200/1-1, et seq., as amended from time to time (the "Code"); and

WHEREAS, On November 15, 2006, the City Council of the City of Chicago (the "City Council") enacted an ordinance (the "Establishment Ordinance") which established an area known and designated as City of Chicago Special Service Area Number 42 (the "Area") and authorized the levy of an annual tax, for the period beginning in tax year 2006 through and including tax year 2015 (the "Original Period"), not to exceed an annual rate of two percent (2%) of the equalized assessed value of the taxable property therein (the "Services Tax") to provide certain special services in and for the Area in addition to the services provided by and to the City of Chicago (the "City") generally (the "Original Special Services"); and

WHEREAS, The City Council finds that it is in the best interests of the City to authorize: (i) certain special services in the Area distinct from the Original Special Services (the "Special Services"), and (ii) the extension of the Original Period and of the levy of the Services Tax for the provision of the Special Services in the Area for a period beginning in tax year 2015 through and including tax year 2024; and

WHEREAS, The Establishment Ordinance established the Area consisting of Stony Island Avenue, from 67<sup>th</sup> Street to 73<sup>rd</sup> Street and the west side only of Stony Island Avenue, from 73<sup>rd</sup> Street to 79<sup>th</sup> Street, and 71<sup>st</sup> Street, from South Shore Drive to Kimbark Avenue; and

WHEREAS, The Establishment Ordinance provided for the appointment of the 71<sup>st</sup>/Stony Special Service Area Commission (the "Commission") to advise the City Council regarding the amount of the Services Tax to be levied and for the purpose of recommending to the City Council: (1) a yearly budget based upon the cost of providing the Special Services, (2) an entity to serve as a service provider (the "Service Provider"), (3) an agreement between the City and the Service Provider for the provision of Special Services to the Area (the "Service Provider Agreement"), and (4) a budget to be included in the agreement between the City and the Service Provider (the "Budget") (the aforementioned items 1 through 4 shall be known collectively herein as the "Recommendations"); and

WHEREAS, The Commission has been duly appointed and qualified and has heretofore prepared and transmitted to the Commissioner of the Department of Planning and Development (the "Commissioner") its Recommendations to the City Council, including the Budget attached hereto as Exhibit A and hereby made a part hereof; now, therefore,

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. Incorporation Of Preambles. The preambles of this ordinance are hereby incorporated into this text as if set out herein in full.

SECTION 2. Findings. The City Council finds and declares as follows:

(a) The City Council enacted an ordinance on September 24, 2015, authorizing a public hearing (the "Public Hearing") to consider (i) the authorization of the Special Services as distinct from the Original Special Services, and (ii) the authorization of the extension of the Original Period and of the levy of the Services Tax for the provision of the Special Services in the Area for a period beginning in tax year 2015 through and including tax year 2024;

(b) Notice of the Public Hearing was given by publication at least once not less than 15 days prior to the hearing in the *Chicago Sun-Times*, a newspaper published in and of general circulation within the City, and notice of the Public Hearing was also given by depositing said notice in the United States mail addressed to the person or persons in whose name the general taxes for the last preceding year were paid on each property lying within the Area, not less than 10 days prior to the time set for the Public Hearing. For any properties for which taxes for the last preceding year were not paid, the notice was sent to the person last listed on the tax rolls prior to that year as the owner of the property;

(c) The notice complied with all of the applicable provisions of the Act;

(d) The Public Hearing was held on November 13, 2015, by the Committee on Finance of the City Council. All interested persons, including all persons owning real property located within the Area, were given an opportunity to be heard at the Public Hearing regarding any issues embodied in the notice and have had an opportunity to file with the City Clerk of the City of Chicago (the "City Clerk") written objections on such issues;

(e) The Committee on Finance of the City Council has heard and considered all of the comments, objections, protests and statements made at the Public Hearing with regard to the issues embodied in the notice and has determined to recommend to the City Council that it is in the public interest and in the interest of the City and the Area to authorize the Special Services and extend the Original Period and the levy of the Services Tax, all as provided in this ordinance;

(f) The Public Hearing was finally adjourned on November 13, 2015;

(g) The 60-day period as described in Section 27-55 of the Act, in which an objection petition to this ordinance may be filed, commenced on November 13, 2015; and

(h) The City Council hereby finds and determines that it is in the best interests of the City that (i) the Special Services be authorized, and (ii) the extension of the Original Period and the levy of the Services Tax for the provision of the Special Services in the Area for a period beginning in tax year 2015 through and including tax year 2024 be authorized.

SECTION 3. Special Services Authorized. The Special Services authorized hereby included but are not limited to: customer attraction, public way aesthetics, sustainability and public place enhancements, economic/business development, safety programs, and other activities to promote commercial and economic development. The Special Services shall be in addition to services provided to and by the City generally.

SECTION 4. Authorization Of Levy. There is hereby authorized to be levied in each year beginning in 2015 through and including 2024 the Services Tax upon the taxable property within the Area to produce revenues required to provide the Special Services, said Services Tax not to exceed an annual rate of two percent (2.0%) of the equalized assessed value of the taxable property within the Area. The Services Tax shall be in addition to all other taxes provided by law and shall be levied pursuant to the provisions of the Code. The levy of the Services Tax for each year shall be made by annual ordinance, commencing with this ordinance.

SECTION 5. Appropriations. There is hereby appropriated the following sums in the amounts and for the purposes necessary to provide the Special Services in and for the Area, the estimated amounts of miscellaneous income and the amounts required to be raised by the levy of the Services Tax indicated as follows:

71<sup>st</sup>/Stony Special Service Area Commission

The Department of Planning and Development shall promptly make a copy of the executed Service Provider Agreement readily available for public inspection.

SECTION 8. Protests And Objections. If a petition of objection is filed with the Office of the City Clerk signed by at least fifty-one percent (51%) of the electors residing within the

boundaries of the Area and by at least fifty-one percent (51%) of the owners of record of the property included within the boundaries of the Area within sixty (60) days following the adjournment of the Public Hearing, all as provided for in Section 27-55 of the Act, as a result of such filing the portions of this ordinance which authorize the Special Services and extend the Original Period and the levy of the Services Tax, shall be deemed to be null and void, the Services Tax shall not be levied, and the Service Provider Agreement shall not be entered into or shall be deemed to be null and void and no compensation in connection therewith shall be provided to the Service Provider.

SECTION 9. Severability. If any provision of this ordinance or the application of any such provision to any person or circumstances shall be invalid, such invalidity shall not affect the provisions or application of this ordinance which can be given effect without the invalid provision or application, and to this end each provision of this ordinance is declared to be severable.

SECTION 10. Filing. The City Clerk is hereby ordered and directed to file in the Office of the County Clerk of Cook County, Illinois (the "County Clerk") a certified copy of this ordinance on or prior to December 29, 2015, and the County Clerk shall thereafter extend for collection together with all other taxes to be levied by the City of Chicago, the Services Tax herein provided for, said Services Tax to be extended for collection by the County Clerk for the tax year 2015 against all the taxable property within the Area, the amount of the Services Tax herein levied to be in addition to and in excess of all other taxes to be levied and extended against all taxable property within the Area.

SECTION 11. Conflict. This ordinance shall control over any provision of any other ordinance, resolution, motion or order in conflict with this ordinance, to the extent of such conflict.

SECTION 12. Publication. This ordinance shall be published by the City Clerk, in special pamphlet form, and made available in her office for public inspection and distribution to members of the public who may wish to avail themselves of a copy of this ordinance.

SECTION 13. Effective Date. This ordinance shall take effect 10 days after its passage and publication.

REESTABLISHMENT OF SPECIAL SERVICE AREA NO. 44, IMPOSITION OF TAX LEVY, APPROVAL OF YEAR 2016 BUDGET AND AUTHORIZATION OF SERVICE PROVIDER AGREEMENT.

[O2015-8049]

The Committee on Finance submitted the following report:

CHICAGO, December 9, 2015.

*To the President and Members of the City Council:*

Your Committee on Finance, having had under consideration a communication recommending a proposed ordinance concerning the authority to reestablish Special Service Area Number 44, to approve the imposition of a tax levy, to approve the 2016 budget and to approve the service provider agreement, amount to be levied: \$14,458, having had the same under advisement, begs leave to report and recommend that Your Honorable Body *Pass* the proposed ordinance transmitted herewith.

This recommendation was concurred in by a viva voce vote of the members of the committee, with no dissenting vote.

Respectfully submitted,

(Signed) EDWARD M. BURKE,  
*Chairman.*

On motion of Alderman Burke, the said proposed ordinance transmitted with the foregoing committee report was *Passed* by yeas and nays as follows:

*Yeas* -- Aldermen Moreno, Hopkins, Dowell, Burns, Hairston, Sawyer, Mitchell, Harris, Beale, Sadlowski Garza, Thompson, Cárdenas, Quinn, Burke, Lopez, Foulkes, D. Moore, Curtis, O'Shea, Cochran, Brookins, Muñoz, Zalewski, Scott, Solis, Maldonado, Burnett, Ervin, Taliaferro, Reboyras, Santiago, Waguespack, Mell, Austin, Ramirez-Rosa, Villegas, Mitts, Sposato, Laurino, O'Connor, Napolitano, Reilly, Smith, Tunney, Arena, Cappleman, Pawar, Osterman, J. Moore, Silverstein -- 50.

*Nays* -- None.

Alderman Beale moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

WHEREAS, Special service areas may be established pursuant to Article VII, Sections 6(l) and 7(6) of the Constitution of the State of Illinois and pursuant to the provisions of the Special Service Area Tax Law, 35 ILCS 200/27-5, et seq., as amended from time to time (the "Act"), and pursuant to the Property Tax Code, 35 ILCS 200/1-1, et seq., as amended from time to time (the "Code"); and

WHEREAS, On November 7, 2007, the City Council of the City of Chicago (the "City Council") enacted an ordinance, as amended on December 12, 2007 (collectively the "Establishment Ordinance") which established an area known and designated as City of Chicago Special Service Area Number 44 (the "Original Area") and authorized the levy of an annual tax, for the period beginning in 2007 through and including 2016 (the "Original Period"), not to exceed an annual rate of two and a half percent (2.5%) of the equalized assessed value of the taxable property therein (the "Services Tax") to provide certain special services in and for the Area in addition to the services provided by and to the City of Chicago (the "City") generally (the "Original Special Services"); and

WHEREAS, The City Council finds that it is in the best interests of the City to authorize; (i) the enlargement of the boundaries of the Original Area (as enlarged, the "Area"), (ii) certain special services in the Area distinct from the Original Special Services (the "Special Services"), and (iii) the extension of the Original Period and of the levy of the Services Tax for the provision of the Special Services in the Area for a period beginning in tax year 2015 through and including tax year 2029 (the "Extended Levy Period"); and

WHEREAS, Certain funds in Fund A52 ("Fund A52") in the amount of \$240 are available for use in connection with the Area; and

WHEREAS, The Establishment Ordinance provided for the appointment of the 103<sup>rd</sup> Street Beverly Special Service Area Commission (the "Commission") to advise the City Council regarding the amount of the Services Tax to be levied and for the purpose of recommending to the City Council: (1) a yearly budget based upon the cost of providing the Special Services, (2) an entity to serve as a service provider (the "Service Provider"), (3) an agreement between the City and the Service Provider for the provision of Special Services to the Area (the "Service Provider Agreement"), and (4) a budget to be included in the agreement between the City and the Service Provider (the "Budget") (the aforementioned items 1 through 4 shall be known collectively herein as the "Recommendations"); and

WHEREAS, The Commission has been duly appointed and qualified and has heretofore prepared and transmitted to the Commissioner of the Department of Planning and Development (the "Commissioner") its Recommendations to the City Council, including the Budget attached hereto as Exhibit 5 and hereby made a part hereof; now, therefore,

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. Incorporation Of Preambles. The preambles of this ordinance are hereby incorporated into this text as if set out herein in full.

SECTION 2. Findings. The City Council finds and declares as follows:

(a) The City Council enacted an ordinance on September 24, 2015 authorizing a public hearing, as amended by an ordinance enacted by the City Council on October 28, 2015 (the "Public Hearing") to consider the authorization of: (i) the enlargement of the boundaries of the Original Area to the Area while keeping its designation as City Special Service Area Number 44, (ii) certain Special Services distinct from the Original Special Services, and (iii) the Extended Levy Period;

(b) Notice of the Public Hearing was given by publication at least once not less than 15 days prior to the hearing in the *Chicago Sun-Times*, a newspaper published in and of general circulation within the City, and notice of the Public Hearing was also given by depositing said notice in the United States mail addressed to the person or persons in whose name the general taxes for the last preceding year were paid on each property lying within the Area, not less than 10 days prior to the time set for the Public Hearing. For any properties for which taxes for the last preceding year were not paid, the notice was sent to the person last listed on the tax rolls prior to that year as the owner of the property;

(c) The notice complied with all of the applicable provisions of the Act;

(d) The Public Hearing was held on November 13, 2015 by the Committee on Finance of the City Council. All interested persons, including all persons owning real property located within the Area, were given an opportunity to be heard at the Public Hearing regarding any issues embodied in the notice and have had an opportunity to file with the City Clerk of the City (the "City Clerk") written objections on such issues;

(e) The Committee on Finance of the City Council has heard and considered all of the comments, objections, protests and statements made at the Public Hearing with regard to the issues embodied in the notice and has determined to recommend to the City Council that it is in the public interest and in the interest of the City and the Area to authorize the Special Services and extend the Original Period and the levy of the Services Tax, all as provided in this ordinance;

(f) The Public Hearing was finally adjourned on November 13, 2015;

(g) The 60-day period as described in Section 27-55 of the Act, in which an objection petition to this ordinance may be filed, commenced on November 13, 2015; and

(h) The City Council hereby finds and determines that it is in the best interests of the City to authorize: (i) the enlargement of the boundaries of the Original Area to the Area,

(ii) certain Special Services in the Area distinct from the Original Special Services, and (iii) the Extended Levy Period.

SECTION 3. Area Enlarged. The Original Area is hereby enlarged to the Area, which shall consist of Walden Parkway, from 99<sup>th</sup> Street to 107<sup>th</sup> Street, and from Longwood Drive to Wood Street along 103<sup>rd</sup> Street, as further described on Exhibit 1 attached hereto and hereby incorporated herein. A map of the Area is attached as Exhibit 2 hereto and hereby incorporated herein. A list of Permanent Index Numbers for the properties in the Area is attached hereto as Exhibit 3 and hereby incorporated herein.

SECTION 4. Special Services Authorized. The Special Services authorized hereby include but are not limited to: customer attraction, public way aesthetics, sustainability and public place enhancements, economic/business development, safety programs, and other activities to promote commercial and economic development. The Special Services shall be in addition to services provided to and by the City generally.

SECTION 5. Authorization Of Levy. There is hereby authorized to be levied in each year beginning in tax year 2015 through and including tax year 2029 the Services Tax upon the taxable property within the Area to produce revenues required to provide the Special Services, said Services Tax not to exceed an annual rate of two and a half percent (2.5%) of the equalized assessed value of the taxable property within the Area. The Services Tax shall be in addition to all other taxes provided by law and shall be levied pursuant to the provisions of the Code. The levy of the Services Tax for each year shall be made by annual ordinance, commencing with this ordinance.

SECTION 6. Appropriations. There is hereby appropriated the following sums in the amounts and for the purposes necessary to provide the Special Services in and for the Area, the estimated amounts of miscellaneous income and the amounts required to be raised by the levy of the Services Tax indicated as follows:

SECTION 7. Levy Of Taxes. There is hereby levied pursuant to the provisions of Article VII, Sections 6(a) and 6(l)(2) of the Constitution of the State of Illinois and pursuant to the provisions of the Act and pursuant to the provisions of this ordinance, the sum of \$14,458 as the amount of the Services Tax for the tax year 2015.

SECTION 8. Service Provider Agreement. The Commissioner, or a designee of the Commissioner (each, an "Authorized Officer"), are each hereby authorized, subject to approval by the Corporation Counsel as to form and legality, to enter into, execute and deliver a Service Provider Agreement as authorized herein with Beverly Area Planning Association, an Illinois not-for-profit corporation, as the Service Provider, for a one-year term in a form acceptable to such Authorized Officer, along with such other supporting documents, if any, as may be necessary to carry out and comply with the provisions of the Service Provider Agreement. The Budget shall be attached to the Service Provider Agreement as an exhibit. Upon the execution of the Service Provider Agreement and the receipt of proper documentation, the Authorized Officer and the City Comptroller are each hereby authorized to disburse the sums appropriated in Section 6 above to the Service Provider in consideration for the provision of the Special Services described in the Budget. The Department of Planning and Development shall promptly make a copy of the executed Service Provider Agreement readily available for public inspection.

SECTION 9. Protests And Objections. If a petition of objection is filed with the Office of the City Clerk signed by at least fifty-one percent (51%) of the electors residing within the boundaries of the Area and by at least fifty-one percent (51%) of the owners of record of the property included within the boundaries of the Area within sixty (60) days following the

adjournment of the Public Hearing, all as provided for in Section 27- 55 of the Act, as a result of such filing the portions of this ordinance which authorize (i) the enlargement of the boundaries of the Area, (ii) the Special Services distinct from the Original Special Services, and (iii) the extension of the Original Period and the levy of the Services Tax, shall be deemed to be null and void, and such provisions shall not take effect.

SECTION 10. Severability. If any provision of this ordinance or the application of any such provision to any person or circumstances shall be invalid, such invalidity shall not affect the provisions or application of this ordinance which can be given effect without the invalid provision or application, and to this end each provision of this ordinance is declared to be severable.

SECTION 11. Filing. The City Clerk is hereby ordered and directed to file in the Office of the County Clerk of Cook County, Illinois (the "County Clerk"), in accordance with Section 27-75 of the Act, a certified copy of this ordinance containing an accurate map of the Area and a copy of the public hearing notice attached as Exhibit 4. The City Clerk is hereby further ordered and directed to file in the Office of the Recorder of Deeds of Cook County, in accordance with Section 27- 40 of the Act, a certified copy of this ordinance containing a description of the Area, within 60 days of the effective date of this ordinance. In addition, the City Clerk is hereby further ordered and directed to file in the Office of the County Clerk, in accordance with Section 27-75 of the Act, a certified copy of this ordinance on or prior to December 29, 2015, and the County Clerk shall thereafter extend for collection together with all other taxes to be levied by the City, the Services Tax herein provided for, said Services Tax to be extended for collection by the County Clerk for the tax year 2015 against all the taxable property within the Area, the amount of the Services Tax herein levied to be in addition to and in excess of all other taxes to be levied and extended against all taxable property within the Area.

SECTION 12. Conflict. This ordinance shall control over any provision of any other ordinance, resolution, motion or order in conflict with this ordinance, to the extent of such conflict.

SECTION 13. Publication. This ordinance shall be published by the City Clerk, in special pamphlet form, and made available in her office for public inspection and distribution to members of the public who may wish to avail themselves of a copy of this ordinance.

SECTION 14. Effective Date. This ordinance shall take effect 10 days after its passage and publication.

## APPROVAL OF AMENDMENT NO. 2 TO MIDWEST TAX INCREMENT FINANCING REDEVELOPMENT PROJECT AND PLAN.

[O2015-8428]

The Committee on Finance submitted the following report:

CHICAGO, December 9, 2015.

*To the President and Members of the City Council:*

Your Committee on Finance, having had under consideration a proposed ordinance authorizing the approval of Amendment Number 2 for the redevelopment plan for the Midwest Tax Increment Financing Redevelopment Project Area, having had the same under advisement, begs leave to report and recommend that Your Honorable Body *Pass* the proposed ordinance transmitted herewith.

This recommendation was concurred in by a viva voce vote of the members of the committee, with no dissenting vote.

Respectfully submitted,

(Signed) EDWARD M. BURKE,  
*Chairman.*

On motion of Alderman Burke, the said proposed ordinance transmitted with the foregoing committee report was *Passed* by yeas and nays as follows:

*Yeas* -- Aldermen Moreno, Hopkins, Dowell, Burns, Hairston, Sawyer, Mitchell, Harris, Beale, Sadlowski Garza, Thompson, Cárdenas, Quinn, Burke, Lopez, Foulkes, D. Moore, Curtis, O'Shea, Cochran, Brookins, Muñoz, Zalewski, Scott, Solis, Maldonado, Burnett, Ervin, Taliaferro, Reboyras, Santiago, Waguespack, Mell, Austin, Ramirez-Rosa, Villegas, Mitts, Sposato, Laurino, O'Connor, Napolitano, Reilly, Smith, Tunney, Arena, Cappleman, Pawar, Osterman, J. Moore, Silverstein -- 50.

*Nays* -- None.

Alderman Beale moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

WHEREAS, On May 17, 2000, the City Council of the City of Chicago (the "City Council") adopted the following ordinances pursuant to the Illinois Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1, et seq., as amended (the "Act"): (1) an ordinance approving a redevelopment plan, as revised on April 14, 2010 and amended on May 9, 2012 (collectively, the "Original Plan") for a portion of the City of Chicago (the "City") known as the Midwest Tax Increment Financing Redevelopment Project Area (the "Original Project Area") for the purpose of implementing tax increment allocation financing ("Tax Increment Allocation Financing"); (2) designating the Original Project Area as a redevelopment project area pursuant to the Act; and (3) adopting Tax Increment Allocation Financing for the Original Project Area pursuant to the Act; and

WHEREAS, It is desirable and in the best interests of the citizens of the City for the City to encourage development of areas located adjacent to the Original Project Area by expanding the boundaries of the Original Project Area and designating such expanded project area as a redevelopment project area under the Act to be known as the Midwest Tax Increment Financing Redevelopment Project Area Amendment Number 2 (the "Expanded Area"); and

WHEREAS, The City desires further to supplement and amend the Original Plan for the Original Project Area to provide for the redevelopment of the Expanded Area; and

WHEREAS, The City has caused to be prepared an Eligibility Study of the Expanded Area, which Eligibility Study confirms the existence within the Expanded Area of various eligibility factors as set forth in the Act and supports a finding of eligibility of the Expanded Area for designation as a redevelopment area under the Act; and

WHEREAS, It is desirable and in the best interest of the citizens of the City for the City to implement Tax Increment Allocation Financing pursuant to the Act for the Expanded Area described in Section 2 of this ordinance, to be redeveloped pursuant to a proposed redevelopment plan and project attached hereto as Exhibit A (the "Amended Plan"); and

WHEREAS, The Community Development Commission (the "Commission") of the City has heretofore been appointed by the Mayor of the City with the approval of its City Council (the City Council, referred to herein collectively with the Mayor as the "Corporate Authorities") (as codified in Chapter 2-124 of the City's Municipal Code) pursuant to Section 5/11-74.4-4(k) of the Act; and

WHEREAS, The Commission is empowered by the Corporate Authorities to exercise certain powers enumerated in Section 5/11-74.4-4(k) of the Act, including the holding of certain public hearings required by the Act; and

WHEREAS, Pursuant to Sections 5/11-74.4-4 and 5/11-74.4-5 of the Act, the Commission, by authority of the Corporate Authorities, called a public hearing (the "Hearing") on October 13, 2015, concerning approval of the Amended Plan, designation of

the Expanded Area as a redevelopment project area pursuant to the Act and adoption of Tax Increment Allocation Financing within the Expanded Area pursuant to the Act; and

WHEREAS, The Amended Plan (including the Eligibility Study attached thereto as an exhibit) was made available for public inspection and review pursuant to Section 5/11-74.4-5(a) of the Act beginning July 31, 2015, being a date not less than 10 days prior to the adoption by the Commission of Resolution 15-CDC-23 on August 11, 2015, fixing the time and place for the Hearing, at the offices of the City Clerk and the City's Department of Planning and Development; and

WHEREAS, Pursuant to Section 5/11-74.4-5(a) of the Act, notice of the availability of the Amended Plan (including the Eligibility Study attached thereto as an exhibit) and of how to obtain the same was sent by mail on August 18, 2015, which is within a reasonable time after the adoption by the Commission of Resolution 15-CDC-23, to: (a) all residential addresses that, after a good faith effort, were determined to be (i) located within the Expanded Area, and (ii) located within 750 feet of the boundaries of the Expanded Area (or, if applicable, were determined to be the 750 residential addresses that were closest to the boundaries of the Expanded Area); and (b) organizations and residents that were registered interested parties for such Expanded Area; and

WHEREAS, Due notice of the Hearing was given pursuant to Section 5/11-74.4-6 of the Act, said notice being given to all taxing districts having taxable property within the Expanded Area and to the Department of Commerce and Economic Opportunity of the State of Illinois by certified mail on August 17, 2015, by publication in the *Chicago Sun-Times* or *Chicago Tribune* on September 15, 2015, and September 22, 2015, and by certified mail to taxpayers within the Expanded Area on September 22, 2015; and

WHEREAS, A meeting of the joint review board established pursuant to Section 5/11-74.4-5(b) of the Act (the "Board") was convened upon the provision of due notice on September 11, 2015, at 10:00 A.M., to review the matters properly coming before the Board and to allow it to provide its advisory recommendation regarding the approval of the Amended Plan, designation of the Expanded Area as a redevelopment project area pursuant to the Act and adoption of Tax Increment Allocation Financing within the Expanded Area, and other matters, if any, properly before it; and

WHEREAS, The Commission has forwarded to the City Council a copy of its Resolution 15-CDC-27, attached hereto as Exhibit B, adopted on October 13, 2015, recommending to the City Council approval of the Amended Plan, among other related matters; and

WHEREAS, The Corporate Authorities have reviewed the Amended Plan (including the Eligibility Study attached thereto as an exhibit), testimony from the Hearing, if any, the recommendation of the Board, if any, the recommendation of the Commission and such other

matters or studies as the Corporate Authorities have deemed necessary or appropriate to make the findings set forth herein, and are generally informed of the conditions existing in the Expanded Area; now, therefore,

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. Recitals. The above recitals are incorporated herein and made a part hereof.

SECTION 2. The Expanded Area. The Expanded Area is legally described in Exhibit C attached hereto and incorporated herein. The street location (as near as practicable) for the Expanded Area is described in Exhibit D attached hereto and incorporated herein. The map of the Expanded Area is depicted on Exhibit E attached hereto and incorporated herein.

SECTION 3. Findings. The Corporate Authorities hereby make the following findings as required pursuant to Section 5/11-74.4-3(n) of the Act:

a. The Expanded Area on the whole has not been subject to growth and development through investment by private enterprise and would not reasonably be expected to be developed without the adoption of the Amended Plan;

b. The Amended Plan:

(i) conforms to the comprehensive plan for the development of the City as a whole; or

(ii) either (A) conforms to the strategic economic development or redevelopment plan issued by the Chicago Plan Commission, or (B) includes land uses that have been approved by the Chicago Plan Commission;

c. The Amended Plan meets all of the requirements of a redevelopment plan as defined in the Act and, as set forth in the Amended Plan, the estimated date of completion of the projects described therein and retirement of all obligations issued to finance redevelopment project costs is not later than December 31 of the year in which the payment to the municipal treasurer as provided in subsection (b) of Section 11-74.4-8 of the Act is to be made with respect to ad valorem taxes levied in the 23<sup>rd</sup> calendar year after the year in which the ordinance approving the redevelopment project area is adopted, and, as required pursuant to Section 5/11-74.4-7 of the Act, no such obligation shall have a maturity date greater than 20 years;

d. Within the Amended Plan:

(i) as provided in Section 5/11-74.4-3(n)(5) of the Act, the housing impact study: a) includes data on residential unit type, room type, unit occupancy, and racial and ethnic

composition of the residents; and b) identifies the number and location of inhabited residential units in the Area that are to be or may be removed, if any, the City's plans for relocation assistance for those residents in the Area whose residences are to be removed, the availability of replacement housing for such residents and the type, location, and cost of the replacement housing, and the type and extent of relocation assistance to be provided;

(ii) as provided in Section 5/11-74.4-3(n)(7) of the Act, there is a statement that households of low-income and very low-income persons living in residential units that are to be removed from the Area shall be provided affordable housing and relocation assistance not less than that which would be provided under the federal Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and the regulations under that Act, including the eligibility criteria.

SECTION 4. Approval Of The Amended Plan. The City hereby approves the Amended Plan pursuant to Section 5/11-74.4-4 of the Act.

SECTION 5. Powers Of Eminent Domain. In compliance with Section 5/11-74.4-4(c) of the Act and with the Amended Plan, the Corporation Counsel is authorized to negotiate for the acquisition by the City of parcels contained within the Expanded Area. In the event the Corporation Counsel is unable to acquire any of said parcels through negotiation, the Corporation Counsel is authorized to institute eminent domain proceedings to acquire such parcels. Nothing herein shall be in derogation of any proper authority.

SECTION 6. Invalidity Of Any Section. If any provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such provision shall not affect any of the remaining provisions of this ordinance.

SECTION 7. Superseder. All ordinances, resolutions, motions or orders in conflict with this ordinance are hereby repealed to the extent of such conflict.

SECTION 8. Effective Date. This ordinance shall be in full force and effect immediately upon its passage.

*Amendment Number 2.*

## **EXECUTIVE SUMMARY**

Tax Increment Financing ("TIF") is permitted by the Illinois Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1 et seq., as amended (the "**Act**"). The Act provides a mechanism for municipalities, after meeting the requirements and procedures for establishing a redevelopment project area and a redevelopment plan, to mitigate blighting influences, encourage local growth and development, and attract new private development to the redevelopment area.

On May 17, 2000, the City Council of the City of Chicago (the "**City**") adopted ordinances approving the Midwest Tax Increment Financing Redevelopment Project and Plan, as amended most recently by ordinance adopted on May 9, 2012 (collectively the "**Original Plan**") and designating the Midwest Redevelopment Project Area (the "**Original Project Area**"). The Original Plan included a legal description of the Original Project Area, assessment of TIF eligibility factors, goals and objectives, project costs, sources of funds, valuation of parcels, impacts on surrounding areas and taxing bodies, and a housing impact analysis.

Between 2002 and 2007 select portions of the Original Project Area and neighboring areas to the west were in the early stages of revitalization and redevelopment. When the Great Recession began to take root in 2008, property values collapsed, renovations and construction projects ceased, and development plans were cancelled. Foreclosure rates in these West Side communities reached record highs. In an effort to stem the negative impacts and after effects of this sharp decline in residential construction activity, stabilize the neighborhood, and reenergize economic development activity within the larger community, the City of Chicago proposed an amendment to the Midwest TIF to extend the life of the Midwest TIF and expand the boundaries.

Johnson Research Group ("**JRG**") and ERS Enterprises, Inc. ("**ERS**"), or collectively, the "**Consultants**" have been engaged to prepare this Amendment to the Original Plan. The Original Plan, inclusive of all previous revisions and amendments, is being amended to:

1. Expand the boundaries to include approximately 542.8 acres of land located immediately west of the Original Area. The land is generally bounded by Madison Street and Maypole Avenue on the north; Laramie Avenue on the west; Polk Street, Arthington Street, and Interstate 290 on the south; and Hamlin Boulevard on the east;

2. Extend the life of the Midwest TIF by 12 years to December 31, 2036 as authorized by 65 ILCS 5/11-74.4-3.5 ( c ) (105) (“the Act”);
3. Complete a full Housing Impact Study that encompasses the Original Project Area and the Added Area;
4. Amend the anticipated EAV of the Redevelopment Project Area to reflect the Added Area; and
5. Amend the total estimated redevelopment project costs.

Except as amended by this Amendment No. 2, the provisions of the Original Plan shall continue in full force and effect.

Pursuant to the Act, the Original Plan was not subject to the requirements of a full Housing Impact Study. The Original Area and the Added Area together include 18,407 residential units. With the implementation of Amendment No. 2 to the Midwest Plan, it has been determined that a full Housing Impact is necessary under the Act. A Housing Impact Study has been completed pursuant to Section 11-74.4-3(n) (5) of the Act (See Section XIII, Housing Impact and Related Matters, Midwest Tax Increment Financing Redevelopment Project and Plan Amendment No. 2).

This Amendment No. 2 summarizes the analysis and findings of the Consultants which unless otherwise noted, are the responsibility of the Consultants. The City of Chicago is entitled to rely on the findings and conclusions of this Amendment No. 2 in making the amendments to the Original Plan provided for herein. The Consultants have prepared this Amendment No. 2 and the related Eligibility Study of the Added Area (Exhibit IV) and related Housing Impact Study (Exhibit V) with the understanding that the City would rely: 1) on the findings and conclusions of this Amendment No. 2 and the adoption and implementation of this Amendment No. 2; and 2) on the fact that the Consultants have obtained the necessary information for this Amendment No. 2 and related Eligibility Report and Housing Impact Study to comply with the Act.

## **MODIFICATIONS TO ORIGINAL PLAN**

### **References to the Project Area and the Redevelopment Plan**

The Midwest Tax Increment Financing Redevelopment Project Area which was referred to as the “Project Area” will herein be referred to as the “**Original Project Area**”. The area proposed to be added to the Original Project Area will herein be referred to as the “**Added Area**”. The Original Project Area, as amended by the Added Area, shall be referred to herein as the “**Redevelopment Project Area**”.

Additionally, the Midwest Tax Increment Financing Redevelopment Project and Plan as amended, shall hereinafter be referred to as the “**Redevelopment Plan**”. The amendments to the Original Plan are outlined below with a supplemental Eligibility Study for the Added Area and

the addition of a Housing Impact Study of the Redevelopment Project Area. Each of the changes detailed below follow the format of the Original Plan.

## Section I. INTRODUCTION

*The following paragraph is to be added in **Section I. Introduction** as paragraph 4:*

"Johnson Research Group, Inc. ("JRG") was retained in 2014 to further amend the Midwest Redevelopment Plan to extend the life of the TIF by 12 years and to study whether an additional area of 542.8 acres qualifies as a conservation area or a blighted area under the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1 et seq. (the "Act"). The additional 12 years for the Midwest TIF District is authorized by 65 ILCS 5/11-74.4-3.5 (c) (105). As part of this Amendment No. 2, a report detailing the conditions and qualifying factors for the Added Area is attached as an Exhibit IV to the Redevelopment Plan. In accordance with the Act, a full Housing Impact Study has been conducted and is also included as Exhibit V to the Redevelopment Plan."

### **A. Midwest Tax Increment Financing Redevelopment Project Area**

*The following paragraph is to be added as the first paragraph of the Original Plan, Section A of the Introduction:*

"The Redevelopment Project Area encompasses approximately 2,538.3 acres of improved and vacant land inclusive of perimeter and interior streets. It includes the Original Project Area of approximately 1,995.5 acres plus the Added Area of approximately 542.8 acres. The boundaries of the Original Area have been expanded to include the Added Area which is generally bounded by Madison Street and Maypole Avenue on the north; Laramie Street on the west; Polk Street, Arthington Street, and Interstate 290 on the south; and Hamlin Boulevard on the east (See Figure 1. Original Area and Added Area Boundary Map)."

*The following paragraph is to be added as the sixth paragraph of the Original Plan, Section A, of the Introduction:*

"The Added Area contains 2,476 buildings, of which approximately 94% are 35 years of age or older. The land uses of the Added Area are predominantly residential with a commercial corridor along Cicero Avenue and an industrial corridor along the Chicago and Northwestern Rail Line. The Added Area straddles the West Garfield Park and Austin Community Areas and like the neighboring community areas of North Lawndale and East Garfield Park, have experienced decades long declines in physical and economic conditions. Vacant buildings and lots are the most visible sign of disinvestment. There are 718 vacant lots located throughout the Added Area comprising 71.4 acres of land."

### **Section II. LEGAL DESCRIPTION**

*The last sentence of the first paragraph of Section II, Legal Description and Project Boundary, should be deleted in its entirety and replaced with the following:*

"The boundaries of the Redevelopment Project Area are shown in Figure 2. Redevelopment Project Area Boundary and are generally described below:"

*Paragraph two of the Original Plan Section II, Legal Description and Project Boundary, should be deleted in its entirety and replaced with the following:*

"The Redevelopment Project Area is bounded on the north by the alley north of Monroe Street, sections of Maypole Avenue, Kinzie Street, Lake Street and Washington Boulevard; on the east by an irregular line including Western Avenue and sections of California, Washtenaw, Talman and Rockwell Avenues; on the south by the C.B. & O Rail Line, an irregular line which includes the south side frontage of 16th Street from Albany Avenue to Pulaski Road, and sections of Taylor and Arthington Streets; and on the west by sections of Pulaski Road, the alley west of Pulaski Road, and Hamlin Boulevard and Laramie Avenue. Excluded from the Redevelopment Project Area is an irregular area bounded by sections of Polk Street, Taylor Street and Lexington Avenue on the north; Kedzie Avenue and Albany Avenue on the east; Roosevelt Road on the south; and Central Park Avenue and Independence Boulevard on the west."

### **Section III. ELIGIBILITY CONDITIONS**

*The following paragraph is to be added as the second paragraph of the Original Plan, Section III, Eligibility Conditions:*

"A separate analysis was conducted for the Added Area the results of which are more fully described in a separate report which presents the definitions, applications and extent of blight and conservation factors that apply within the Added Area. The report, entitled Midwest Added Area Tax Increment Financing Eligibility Study is attached as Exhibit IV to this Redevelopment Plan."

#### **A. Summary of Redevelopment Project Area Eligibility**

*The following paragraphs are to be added following the final bullet point/paragraph of the Original Plan, Section A of the Eligibility Conditions:*

"The Added Area is an improved area consisting of the residential, commercial, industrial and institutional land uses. The Added Area qualifies as a conservation area under the improved property criteria as stated in the Act. Specifically,

- Age Threshold: 94% of the buildings are 35 years of age or older;
- Of the 13 factors in the TIF Act, four (4) factors are present to a meaningful extent and reasonably distributed throughout the entire Added Area and include:
  1. Deterioration
  2. Structures Below Minimum Code Standards
  3. Inadequate Utilities
  4. Declining or Lagging EAV
- One additional factor, Excessive Land Coverage/ Overcrowding was found to be present to a meaningful extent but limited to a subsection of the area and therefore not reasonably distributed within the Added Area.

- The Added Area is negatively impacted by an excessive number of vacant lots. 718 vacant lots are located throughout the Added Area for a total of 71.4 acres;
- Building permit activity in the Added Area reflect low levels of private investment as evidenced by a total of 6 permits for new construction compared with 108 permits for demolition for the five-year period from January 2009 to December 2014.
- The Added Area has been hard hit by the foreclosure crisis with the Austin community area consecutively ranking highest of the 77 Chicago community areas in foreclosure filings from 2009 to 2013; North Lawndale, West Garfield Park and East Garfield Park ranked in the top 20 community areas for multi-family building foreclosures.
- Population in the Austin and West Garfield Park community areas has significantly declined between the 2000 and 2010 Census. Austin experienced a decline of 16.2% and West Garfield Park decreased by 21.8%. By comparison, the City of Chicago population decreased by 6.9% in the same period.
- It can be reasonably concluded that the Added Area (i) has not been subject to growth through investment by private enterprise, and (ii) would not reasonably be anticipated to be developed without the adoption of the Redevelopment Plan."

#### ***B. Surveys and Analysis Conducted***

*The following sentence should be added as the last paragraph of Section III. B of the Original Plan:*

"Surveys and analyses utilized to evaluate the eligibility factors present within the Added Area are highlighted in detail in Exhibit IV. Midwest Added Area Tax Increment Financing Eligibility Study."

### **Section IV. REDEVELOPMENT GOALS AND OBJECTIVES**

#### ***A. General Goals***

*No changes*

#### ***B. Redevelopment Plan Objectives***

*No changes*

### **Section V. REDEVELOPMENT PROJECT**

*The following paragraph is to be added as the second paragraph of the Original Plan, Section V:*

“Additional plans and studies that encompass all or portions of the Redevelopment Project were reviewed and incorporated into the supplemental recommendations presented in this Amendment No. 2 to the Midwest Redevelopment Project and Plan. These include the East Garfield Quality of Life Plan (2005), North Lawndale Quality of Life Plan (2005), the CTA Blue Line Vision Study.”

**A. Overall Redevelopment Concept**

*No changes*

**B. Land Use Plan**

*Section B of the Original Plan, Land Use Plan, shall be deleted in its entirety and replaced with the following:*

“Figure 3 presents the generalized Land-Use Plan that will be in effect upon adoption of this Redevelopment Plan. As indicated in Figure 3, the Redevelopment Project Area should be redeveloped as a planned and cohesive urban neighborhood providing sites for a range of housing types, parks and open space, focused commercial development, limited industrial development and select areas for hospital or institutional uses. The various land uses should be arranged and located so that there is a sensitive transition between residential and non-residential developments in order to minimize conflicts between different land uses.

Residential, commercial, mixed-use, and related community uses, such as public and private institutional uses, should be encouraged within the Redevelopment Project Area as shown in Figure 3. Land-Use Plan. Residential uses include single family and multi-unit developments. Commercial uses should be focused at the intersections of major arterial streets, in accordance with the underlying zoning.

All development should comply with the Redevelopment Plan objectives set forth in Section IV above, the Chicago Zoning Ordinance, and all other relevant City ordinances and development guidelines.

The generalized Land Use Plan designates seven (7) land use categories, excluding public rights of way, within the Redevelopment Project Area as described below:

**1. Residential**

Residential land-use makes up the large majority of the Redevelopment Project Area and the strength and stability of this land use component is the primary building block for community revitalization. Development of new housing is encouraged throughout the Redevelopment Project Area, with strategic focus starting first on vacant sites with proximity to community building blocks such as libraries, schools, and public

transportation. New residential buildings should be compatible in design, scale and density with existing residential development.

Included in this category are smaller scale religious institutions, day care homes or centers, and social service centers, as permitted within the City's Zoning Ordinance, which support and complement the residential neighborhood.

## **2. Commercial**

Within the Redevelopment Project Area, there are several arterial corridors including Madison Street, Pulaski Road, Cicero Avenue and Roosevelt Road. These corridors, once lined with small businesses that bustled with activity, have suffered from obsolescence and the draw of suburban malls and big box retailers. The revitalization of these corridors as vibrant, pedestrian-oriented, commercial corridors is a key component of a healthy community. The urban corridors of today must reinvent themselves in a more focused and strategic manner. Although the corridors may be home to a mix of uses including commercial and residential as well as complementary public or institutional uses, more intensive retail, service or entertainment uses are encouraged at key commercial nodes with good accessibility and at locations where similar and compatible uses exist. A concentration of neighborhood scale commercial uses that offer quality goods and services and promote pedestrian activity are encouraged in these areas to keep spending power within the community while enlivening the street.

Commercial nodes are illustrated in Figure 3. Land Use Plan and include multiple intersections along each of the key arterial streets.

## **3. Mixed Use**

The Mixed-Use land use designation recognizes that the primary commercial corridors of the early 20<sup>th</sup> century have given way to an urban blend of uses and intensity of development. Mixed-Use areas now serve as transitional uses between the commercially intensive nodes at key intersections and predominantly residential areas on the interior of the neighborhood. This designation is intended to address a varied mix of residential, commercial and institutional uses that serve and complement the neighborhood.

Predominantly low density residential use should be encouraged where business or commercial use is not economically viable while higher density, commercial and multi-family residential developments encouraged where transit lines, accessibility and visibility come together to create an environment where the mix of uses serve and support employees, businesses and residents.

Select intersections where transit-oriented developments are appropriate include the Pulaski stop on the CTA Blue Line and the Kedzie stop on the Green Line. Appropriate uses should emphasize convenience retail and service uses such as coffee shops, personal services, banks, and dry cleaners.

#### **4. Public-Institutional**

The Public-Institutional land use category identifies the educational, recreational, and civic facilities which are important physical assets of the community and serve as social gathering places. These are among the most important building blocks of the community and include public schools, libraries, police and fire stations, and post offices. School and library facilities and programming should be enhanced for the benefit and growth of the whole community. As new development occurs, review and consideration should be given to capital improvements to schools and library facilities, particularly in the western portion of the Redevelopment Project Area where the distance to the nearest elementary school and library exceeds a half mile.

#### **5. Private-Institutional**

The Private-Institutional land use designation encompasses facilities that provide critical community services by non-profit or quasi-public organizations. Private-Institutional facilities include hospitals and health clinics such as Mt. Sinai Medical Center and RML Specialty Hospital, community and recreation centers such as YMCA and Chicago Community Services Center, and major social service agencies such as Deborah's Place or Catholic Charities.

#### **6. Public - Open Space**

Public-Open Space areas include the existing and intended public park and open space areas. The Redevelopment Project Area boasts the presence of two regional parks linked by an historic boulevard system. However, for some residents, these parks remain too far for day to day enjoyment and recreational opportunities. Additional park space and quality park programming is encouraged within the Redevelopment Project Area to serve existing and future residents of existing neighborhoods and community areas.

Bicycle path development and bike rental stations are encouraged at park and recreation locations, transit stations and other key pedestrian locations within the Redevelopment Project Area.

#### **7. Industrial**

Industrial land use areas designated within the Redevelopment Project Area are situated in close proximity to residential areas and consequently more suitable for less intensive industrial activities such as distribution, warehousing, office, and research and development facilities. In addition, limited commercial development which serves and supports existing and nearby industrial areas should be permitted in selected locations."

### ***C. Development and Design Objectives***

*Section V. C of the Original Plan, Development and Design Objectives, shall be deleted in its entirety and replaced with the following:*

“Listed below are the specific Development and Design Objectives which will assist the City in directing and coordinating public and private improvement and investment within the Redevelopment Project Area in order to achieve the general goals and objectives identified in *Section IV* of this Redevelopment Plan.

The Development and Design Objectives are intended to help attract a variety of desirable uses such as new residential, business, institutional, and commercial development; foster a consistent and coordinated development pattern; and create an attractive urban identity for the Redevelopment Project Area.

**a) Land Use**

- Promote comprehensive, area-wide redevelopment of the Redevelopment Project Area on a planned basis, allowing a wide range of residential, business, retail, family entertainment, commercial services, industrial, open space, public and institutional uses.
- Encourage the clustering of similar and supporting commercial uses to promote cumulative attraction, multi-stop shopping and business activity.
- Promote business retention and new employment development.
- Promote convenience retail and service uses that can provide for the day-to-day needs of nearby residents, employees and business patrons.
- Explore transit oriented development opportunities at key stations along the CTA Blue Line and Green Line.
- Promote quality infill housing in residential areas at a range of prices to serve the community's diverse residents.

**b) Building and Site Development**

- Promote rehabilitation over demolition, wherever feasible to preserve the quality and character of the community.
- Ensure that the design of new buildings is attractive, high quality and compatible with the neighborhood character.
- Preserve buildings with historic and architectural value where appropriate.
- Locate building service and loading areas away from front entrances and major streets where possible.
- Encourage parking, service, loading and support facilities which can be shared by multiple businesses.
- Encourage retail, entertainment, and restaurants on the first and second floors of buildings to create a pedestrian-oriented environment.
- Improve the design and appearance of commercial storefronts, including facade treatment, color, materials, awnings and canopies, and commercial signage.

**c) Transportation and Infrastructure**

- Ensure safe and convenient access to and circulation within the Redevelopment Project Area for pedestrians, bicyclists, autos, trucks and public transportation.
- Alleviate traffic congestion along arterial routes through limited driveways, shared loading zones, efficient bus stop spacing and traffic management improvements.
- Upgrade the streetscape (including signage, lighting, gateways and building facades) of commercial corridors to support businesses and improve the visual character of the street.
- Promote "transit-friendly" developments that incorporate transit facilities into their design.
- Create small "arrival" places or mini-plazas at the entrances to transit stations.
- Provide well-defined, safe pedestrian connections between developments within the Redevelopment Project Area and nearby destinations.
- Upgrade public utilities and infrastructure as required.

**d) Parking**

- Ensure that all commercial/retail businesses are served by an adequate supply of conveniently located parking.
- Maintain curb parking on selected streets to serve the retail and commercial businesses.
- Promote shared parking through cooperative arrangements between businesses which would permit existing parking lots to be used by neighboring businesses during off-peak periods.
- Ensure that parking lots are attractively designed and adequately maintained.

**e) Urban Design**

- Provide new pedestrian-scale lighting in areas with intense pedestrian activity.
- Provide new street trees and accent lighting where space permits.
- Promote high quality and harmonious architectural and landscape design within mixed use districts.
- Enhance the appearance of the Redevelopment Project Area by landscaping the major street corridors.
- Provide distinctive design features, including landscaping and signage, at the major entryways into the Redevelopment Project Area.
- Clean-up and maintain vacant land, particularly in highly visible locations; where possible, use vacant lots for open space or pocket parks.

- Promote the inclusion of "public art" in new developments and at selected locations throughout the community.

**f) Landscaping and Open Space**

- Ensure that new development contains sufficient open space.
- Promote the development of shared open spaces within the Redevelopment Project Area, including courtyards, recreational areas, etc.
- Ensure that all open spaces are designed, landscaped and lighted to achieve a high level of security.
- Promote the use of landscaping to screen dumpsters, waste collection areas, and the perimeter of parking lots and other vehicular use areas.
- Use landscaping and attractive fencing to screen loading and service areas from public view.
- Ensure that all landscaping and design materials comply with the City of Chicago Landscape Ordinance."

***D. Redevelopment Improvements and Activities***

*Section V. D of the Original Plan, Redevelopment Improvements and Activities, shall be deleted in its entirety and replaced with the following:*

The City proposes to achieve its redevelopment goals and objectives for the Redevelopment Project Area through the use of public financing techniques including, but not limited to, tax increment financing, to undertake some or all of the activities and improvements authorized under the Act, including the activities and improvements described below. The City also maintains the flexibility to undertake additional activities and improvements authorized under the Act, if the need for activities or improvements change as redevelopment occurs in the Redevelopment Project Area.

The City may enter into redevelopment agreements or intergovernmental agreements with public or private entities for the furtherance of this Redevelopment Plan. Such redevelopment agreements may be for the assemblage of land; the construction, rehabilitation, renovation or restoration of improvements or facilities; the provision of services; or any other lawful purpose. Redevelopment agreements may contain terms and provisions which are more specific than the general principles set forth in this Redevelopment Plan and which include affordable housing requirements as described below.

The City requires that developers who receive TIF assistance for market rate housing set aside 20 percent of the units to meet affordability criteria established by the City's Department of Planning and Development. Generally, this means the affordable for-sale units should be priced at a level that is affordable to persons earning no more than 100

percent of the area median income as defined by the US Department of Housing and Urban Development ("HUD"), and affordable rental units should be affordable to persons earning no more than 60% of the area median income.

**1. Property Assembly**

Property acquisition and land assembly by the private sector in accordance with this Redevelopment Plan will be encouraged by the City. To meet the goals and objectives of this Redevelopment Plan, the City may acquire and assemble property throughout the Redevelopment Project Area. Land assemblage by the City may be by purchase, exchange, donation, lease, eminent domain, through the Tax Reactivation Program or other programs and may be for the purpose of: (a) sale, lease or conveyance to private developers; or (b) sale, lease, conveyance or dedication for the construction of public improvements or facilities. Furthermore, the City may require written redevelopment agreements with developers before acquiring any properties. As appropriate, the City may devote acquired property to temporary uses until such property is scheduled for disposition and development.

In connection with the City exercising its power to acquire real property, including the exercise of the power of eminent domain, under the Act in implementing the Redevelopment Plan, the City will follow its customary procedures of having each such acquisition recommended by the Community Development Commission (or any successor commission) and authorized by the City Council of the City. Acquisition of such real property as may be authorized by the City Council does not constitute a change in the nature of this Redevelopment Plan.

The City or a private developer may acquire any historic structure (whether a designated City or State landmark on, or eligible for nomination to, the National Register of Historic Places) and (a) demolish any non-historic feature of such structure; (b) demolish all or portions, as allowed by laws, of historic structures, if necessary, to implement a project that meets the goals and objectives of the Redevelopment Plan; and (c) incorporate any historic structure or historic feature into a development on the subject property or adjoining property.

**2. Relocation**

Relocation assistance may be provided in order to facilitate redevelopment of portions of the Redevelopment Project Area and to meet other City objectives. Business or households legally occupying properties to be acquired by the City may be provided with relocation advisory and financial assistance as determined by the City.

**3. Provision of Public Works or Improvements**

The City may provide public improvements and facilities that are necessary to service the Redevelopment Project Area in accordance with this Redevelopment

Plan and the comprehensive plan for development of the City as a whole. Public improvements and facilities may include, but are not limited to, the following:

**a) *Streets and Utilities***

A range of individual roadway, utility and related improvement projects, from repair and resurfacing to major construction or reconstruction, may be undertaken.

**b) *Parks and Open Space***

Improvements to existing or future parks, open spaces and public plazas may be provided, including the construction of pedestrian walkways, stairways, lighting, landscaping and general beautification improvements may be provided for the use of the general public.

**c) *Transportation Infrastructure***

Improvements and/or expansion of existing or future CTA Rapid Transit Stations and bus stops in the Redevelopment Project Area may be provided to support the increased demand resulting from future development within the Redevelopment Project Area. Enhancements to or expansion of the on-street bicycle path system and bicycle stations may be provided to increase transportation options and recreational opportunities to, from and within the community.

**4. Rehabilitation of Existing Buildings**

The City will encourage the rehabilitation of buildings that are basically sound and/or historically significant, and are located so as not to impede the Redevelopment Project. This includes properties individually designated as Chicago Landmarks, contributing properties to Chicago Landmark Districts, properties individually listed to the National Register of Historic Places, contributing properties to National Register of Historic Places-listed historic districts, and properties identified as either "orange" or "red" in the Chicago Historic Resources Survey. Incremental Property Taxes may be used in connection with Department of Planning and Development programs to assist in the rehabilitation of housing.

**5. Job Training and Related Educational Programs**

Separate or combined programs designed to increase the skills of the labor force to meet employers' hiring needs and to take advantage of the employment opportunities within the Redevelopment Project Area may be implemented.

**6. Day Care Services**

Incremental Property Taxes may be used to cover the cost of day care services and centers within the Redevelopment Project Area for children of low-income employees of Redevelopment Project Area businesses or institutions.

**7. Taxing Districts Capital Costs**

The City may reimburse all or a portion of the costs incurred by certain taxing districts in the furtherance of the objectives of this Redevelopment Plan.

**8. Interest Subsidies**

Funds may be provided to redevelopers for a portion of interest costs incurred by a redeveloper related to the construction, renovation or rehabilitation of a redevelopment project provided that:

- (a) such costs are to be paid directly from the special tax allocation fund established pursuant to the Act;
- (b) such payments in any one year may not exceed 30 percent of the annual interest costs incurred by the redeveloper with respect to the redevelopment project during that year;
- (c) if there are not sufficient funds available in the special tax allocation fund to make the payment, then the amounts so due shall accrue and be payable when sufficient funds are available in the special tax allocation fund;
- (d) the total of such interest payments paid pursuant to the Act may not exceed 30 percent of the total: (i) costs paid or incurred by a redeveloper for a redevelopment project plus (ii) redevelopment project costs excluding any property assembly costs and any relocation costs incurred by the City pursuant to the Act; and
- (e) the cost limits set forth in subparagraphs (b) and (d) above shall be modified to permit payment of up to 75 percent of interest costs incurred by a developer for the financing of rehabilitated or new housing units for low-income households and very low-income households, as defined in Section 3 of the Illinois Affordable Housing Act.

**9. Affordable Housing**

Funds may be provided to developers for up to 50 percent of the cost of construction, renovation or rehabilitation of all low- and very low-income housing units (for ownership or rental) as defined in Section 3 of the Illinois Affordable Housing Act. If the units are part of a residential redevelopment project that includes units not affordable to low- and very low-income households, only the low- and very low-income units shall be eligible for benefits under the Act.

**10. Analysis, Administration, Studies, Surveys, Legal, etc.**

Under contracts that will run for three years or less (excluding contracts for architectural and engineering services which are not subject to such time limits) the City and/or private developers may undertake or engage professional consultants, engineers, architects, attorneys, etc. to conduct various analyses,

studies, surveys, administration or legal services to establish, implement and manage this Redevelopment Plan.

**E. Redevelopment Project Costs**

*Section V. E. of the Original Plan entitled, Redevelopment Project Costs shall be replaced in its entirety with the following:*

"The various redevelopment expenditures that are eligible for payment or reimbursement under the Act are reviewed below. Following this review is a list of estimated redevelopment project costs that are deemed to be necessary to implement this Redevelopment Plan (the "**Redevelopment Project Costs**").

**1. Eligible Redevelopment Project Costs**

Redevelopment project costs include the sum total of all reasonable or necessary costs incurred, estimated to be incurred, or incidental to this Redevelopment Plan pursuant to the Act. Such costs may include, without limitation, the following:

- a) Costs of studies, surveys, development of plans and specifications, implementation and administration of the redevelopment plan including but not limited to, staff and professional service costs for architectural, engineering, legal, financial, planning or other services (excluding lobbying expenses), provided that no charges for professional services are based on a percentage of the tax increment collected;
- b) The cost of marketing sites within the Redevelopment Project Area to prospective businesses, developers and investors;
- c) Property assembly costs, including but not limited to, acquisition of land and other property, real or personal, or rights or interests therein, demolition of buildings, site preparation, site improvements that serve as an engineered barrier addressing ground level or below ground environmental contamination, including, but not limited to parking lots and other concrete or asphalt barriers, and the clearing and grading of land;
- d) Costs of rehabilitation, reconstruction or repair or remodeling of existing public or private buildings, fixtures, and leasehold improvements; and the cost of replacing an existing public building if pursuant to the implementation of a redevelopment project the existing public building is to be demolished to use the site for private investment or devoted to a different use requiring private investment; including any direct or indirect costs relating to Green Globes or LEED certified construction elements or construction elements with an equivalent certification;
- e) Costs of the construction of public works or improvements including any direct or indirect costs relating to Green Globes or LEED certified

construction elements or construction elements with an equivalent certification subject to the limitations in Section 11-74.4-3(q)(4) of the Act;

- f) Costs of job training and retraining projects including the cost of "welfare to work" programs implemented by businesses located within the Redevelopment Project Area and such proposals feature a community-based training program which ensures maximum reasonable opportunities for residents of the Redevelopment Project Area and surrounding community;
- g) Financing costs including, but not limited to, all necessary and incidental expenses related to the issuance of obligations and which may include payment of interest on any obligations issued thereunder including interest accruing during the estimated period of construction of any redevelopment project for which such obligations are issued and for a period not exceeding 36 months following completion and including reasonable reserves related thereto;
- h) To the extent the City by written agreement accepts and approves the same, all or a portion of a taxing district's capital costs resulting from the redevelopment project necessarily incurred or to be incurred within a taxing district in furtherance of the objectives of the redevelopment plan and project;
- i) Relocation costs to the extent that a City determines that relocation costs shall be paid or is required to make payment of relocation costs by federal or state law or by Section 74.4-3(n)(7) of the Act (see Section V.C.2 above);
- j) Payment in lieu of taxes, as defined in the Act;
- k) Costs of job training, retraining, advanced vocational education or career education, including but not limited to, courses in occupational, semi-technical or technical fields leading directly to employment, incurred by one or more taxing districts, provided that such costs: (i) are related to the establishment and maintenance of additional job training, advanced vocational education or career education programs for persons employed or to be employed by employers located in the Redevelopment Project Area; and (ii) when incurred by a taxing district or taxing districts other than the City, are set forth in a written agreement by or among the City and the taxing district or taxing districts, which agreement describes the program to be undertaken including but not limited to, the number of employees to be trained, a description of the training and services to be provided, the number and type of positions available or to be available, itemized costs of the program and sources of funds to pay for the same, and the term of the agreement. Such costs include, specifically, the payment by community college districts of costs pursuant to Sections 3-37, 3-38, 3-40, and 3-40.1 of the Public Community College Act, 110

- ILCS 805/3-37, 805/3-38, 805/3-40 and 805/3-40.1, and by school districts of costs pursuant to Sections 10-22.20a and 10-23.3a of the School Code, 105 ILCS 5/10-22.20a and 5/10-23.3a;
- l) Interest costs incurred by a developer related to the construction, renovation or rehabilitation of a redevelopment project provided that:
    - 1. such costs are to be paid directly from the special tax allocation fund established pursuant to the Act;
    - 2. such payments in any one year may not exceed 30 percent of the annual interest costs incurred by the redeveloper with regard to the redevelopment project during that year;
    - 3. if there are not sufficient funds available in the special tax allocation fund to make the payment pursuant to this provision, then the amounts so due shall accrue and be payable when sufficient funds are available in the special tax allocation fund;
    - 4. the total of such interest payments paid pursuant to the Act may not exceed 30 percent of the total: (i) cost paid or incurred by the developer for such redevelopment project, plus (ii) redevelopment project costs excluding any property assembly costs and any relocation costs incurred by the City pursuant to the Act; and
    - 5. The cost limits set forth in paragraphs 2 and 4 above may be modified to permit payment of up to 75 percent of the interest cost incurred by a developer for the financing of rehabilitated or new housing units for low-income households and very low-income households, as defined in Section 3 of the Illinois Affordable Housing Act.
  - m) Unless explicitly provided in the Act, the cost of construction of new privately-owned buildings shall not be an eligible redevelopment project cost;
  - n) An elementary, secondary, or unit school district's increased costs attributable to assisted housing units will be reimbursed as provided in the Act;
  - o) Instead of the eligible costs provided for in (l) 2,3 and 5 above, the City may pay up to 50 percent of the cost of construction, renovation and/or rehabilitation of all low- and very low-income housing units (for ownership or rental) as defined in Section 3 of the Illinois Affordable Housing Act. If the units are part of a residential redevelopment project that includes units not affordable to low- and very low-income households, only the low- and very low-income units shall be eligible for benefits under the Act; and

- p) The cost of daycare services for children of employees from low-income families working for businesses located within the Redevelopment Project Area and all or a portion of the cost of operation of day care centers established by redevelopment project area businesses to serve employees from low-income families working in businesses located in the Redevelopment Project Area. For the purposes of this paragraph, "**low-income families**" means families whose annual income does not exceed 80 percent of the City, county or regional median income as determined from time to time by the United States Department of Housing and Urban Development.

If a special service area has been established pursuant to the Special Service Area Tax Act, 35 ILCS 200/27-5 *et. seq.* then any tax increment revenues derived from the tax imposed pursuant to the Special Service Area Tax Act may be used within the redevelopment project area for the purposes permitted by the Special Service Area Tax Act as well as the purposes permitted by the Act.

## **2. Estimated Redevelopment Project Costs**

A range of redevelopment activities and improvements will be required to implement this Redevelopment Plan. The activities and improvements and their estimated costs are set forth in Exhibit II of this Redevelopment Plan. All estimates are based on 2015 dollars. Funds may be moved from one line item to another or to an eligible cost category described in this Redevelopment Plan.

Redevelopment Project Costs described in this Redevelopment Plan are intended to provide an upper estimate of expenditures. Within this upper estimate, adjustments may be made in line items without amending this Redevelopment Plan.

In the event the Act is amended after the date of the approval of this Redevelopment Plan by the City Council of Chicago to (a) include new eligible redevelopment project costs, or (b) expand the scope or increase the amount of existing eligible redevelopment project costs (such as, for example, by increasing the amount of incurred interest costs that may be paid under 65 ILCS 5/11-74.4-3(q)(11)), this Redevelopment Plan shall be deemed to incorporate such additional, expanded or increased eligible costs as Redevelopment Project Costs under the Redevelopment Plan to the extent permitted by the Act. In the event of such amendment(s) to the Act, the City may add any new eligible redevelopment project costs as a line item in Exhibit II or otherwise adjust the line items in Exhibit II without amendments to this Redevelopment Plan, to the extent permitted by the Act. In no instance, however, shall such additions or adjustments result in any increase in the total redevelopment project costs without a further amendment to this Redevelopment Plan."

### ***F. Sources of Funds***

*Sentences one and two of paragraph two of Subsection F. Sources of Funds of Section V of the Original Plan, should be deleted and replaced with the following sentences:*

The Redevelopment Project Area is contiguous to several TIFs as illustrated in Figure 4. Adjacent TIF Districts. These adjacent TIF Districts include: Homan/Arthington TIF, Roosevelt/Cicero TIF, Kinzie Industrial Corridor TIF, Western/Ogden TIF, Northwest Industrial Corridor TIF, Chicago/Central Park TIF, Central West TIF, Madison/Austin TIF, Ogden/Pulaski TIF and Harrison/Central TIF. The Midwest TIF may, in the future, be contiguous to or separated only by a public right of way from, other redevelopment project areas created under the Act.

### ***G. Issuance of Obligations***

*In paragraph two of subsection G of Section V of the Original Plan, Issuance of Obligations, the first sentence is deleted and replaced with the following:*

"The redevelopment project shall be completed, and all obligations issued to finance redevelopment costs shall be retired, no later than December 31 of the year in which the payment to the City treasurer as provided in the Act is to be made with respect to ad valorem taxes levied in the thirty fifth calendar year following the year in which the ordinance approving the Redevelopment Project Area is adopted (By December 31, 2036). "

### ***H. Valuation of the Project Area***

*Subsection H. Valuation of the Project Area, in Section V of the Original Plan is deleted and replaced with the following:*

#### ***1. Most Recent Equalized Assessed Valuation of Properties in the Redevelopment Project Area***

The purpose of identifying the most recent equalized assessed valuation ("EAV") of the Redevelopment Project Area is to provide an estimate of the initial EAV which the Cook County Clerk will certify for the purpose of annually calculating the incremental EAV and incremental property taxes of the Redevelopment Project Area. The certified initial 1998 EAV for the Original Project Area is \$98,090,835. The 2014 EAV of all taxable parcels in the Added Area is estimated to be \$118,643,063, resulting in a combined estimated initial EAV for the Redevelopment Project Area of \$216,733,898. See Exhibit III. Added Area 2014 EAV by PIN and the Original Area 1998 EAV by PIN.

#### ***2. Anticipated Equalized Assessed Valuation***

By the tax year 2035 (collection year 2036), based on current assessment trends and redevelopment activity expected in the Redevelopment Project Area, the EAV of the

Redevelopment Project Area is estimated to approach \$763 million. These estimates are calculated using information obtained on recent trends in Cook County assessments, State of Illinois equalization factors for Cook County, City of Chicago property tax rates, and an estimated annual inflation rate in EAV of 2.50%. In summary, this estimated final EAV assumes new construction of 200 single family homes (attached and detached), renovation of 1,000 existing residential units, new construction of 100,000 square feet of commercial/retail space, increased occupancy of 50,000 square feet of existing commercial space, and new construction or increased occupancy of 100,000 square feet of existing industrial space.

## **Section VI. LACK OF GROWTH AND DEVELOPMENT THROUGH INVESTMENT BY PRIVATE ENTERPRISE**

*The following paragraphs should be added at the end of the Original Plan, Section VI:*

As described in *Section III* of this Amended Redevelopment Plan and more fully in the Added Area Eligibility Study, the Added Area exhibits certain blighting conditions that qualify the area as a conservation area under the TIF Act. Additional conditions exist that indicate the Added Area has not been subject to growth through investment by private enterprise and would not reasonably be anticipated to be developed without public intervention. The lack of growth and development in the Added Area is evidenced by the following:

- The Added Area is negatively impacted by an excessive number of vacant lots. 718 vacant lots are located throughout the Added Area for a total of 71.4 acres;
- Building permit activity in the Added Area reflect low levels of private investment as evidenced by a total of 6 permits for new construction compared with 108 permits for demolition for the five-year period from January 2009 to December 2014.
- The Added Area has been hard hit by the foreclosure crisis with the Austin community area ranking highest of the 77 Chicago community areas in foreclosure filings from 2009 to 2013; North Lawndale, West Garfield Park and East Garfield Park ranked in the top 20 community areas for multi-family building foreclosures.
- Population in the Austin and West Garfield Park community areas has significantly declined between the 2000 and 2010 Census. Austin experienced a decline of 16.2% and West Garfield Park decreased by 21.8%. By comparison, the City of Chicago population decreased by 6.9% in the same period.

## **Section VII. FINANCIAL IMPACT**

*No changes.*

**Section VIII. DEMAND ON TAXING DISTRICT SERVICES**

*Section V. D of the Original Plan, Redevelopment Improvements and Activities, shall be deleted in its entirety and replaced with the following:*

"The Act requires an assessment of any financial impact of the Redevelopment Project Area on, or any increased demand for services from, any taxing district affected by the Redevelopment Plan and a description of any program to address such financial impacts or increased demand. Presented below are the major taxing districts presently levying taxes against properties located within the Redevelopment Project Area and an assessment of any financial impact on taxing districts as well as the City's program to address such demand.

**Cook County.** The County has principal responsibility for the protection of persons and property, the provision of public health services and the maintenance of County highways. It is expected that any increase in demand for City services and programs associated with the Redevelopment Project Area can be adequately handled by existing Cook County facilities. Therefore, no special programs are proposed for Cook County.

**Cook County Forest Preserve District.** The Forest Preserve District is responsible for acquisition, restoration and management of lands for the purpose of protecting and preserving open space in the City and County for the education, pleasure and recreation of the public. It is expected that any increase in demand for Forest Preserve District services and programs associated with the Redevelopment Project Area can be adequately handled by existing Forest Preserve District facilities. Therefore, no special programs are proposed for Forest Preserve District.

**Metropolitan Water Reclamation District of Greater Chicago (MWRD).** MWRD provides the main trunk lines for the collection of waste water from cities, villages and towns, and for the treatment and disposal thereof. It is expected that any increase in demand for MWRD services and programs associated with the Redevelopment Project Area can be adequately handled by existing MWRD facilities. Therefore, no special programs are proposed for MWRD.

**Chicago Community College District 508 (City Colleges).** This district is a unit of the State of Illinois' system of public community colleges, whose objective is to meet the educational needs of residents of the City and other students seeking higher education programs and services. It is expected that any increase in demand for City Colleges services and programs associated with the Redevelopment Project Area can be adequately handled by existing City Colleges facilities. Therefore, no special programs are proposed for City Colleges.

**Board of Education of the City of Chicago.** General responsibilities of the Board of Education include the provision, maintenance and operations of educational facilities and the provision of educational services for kindergarten through twelfth grade.

- Thirty three (33) public schools are located in the Redevelopment Project Area. The schools are: Alain Locke Charter ES, Catalyst Charter ES – Howland, CCA Academy HS, Chalmers Special ES, Collins Academy HS, CSW Academy HS, Dodge ES (administrative offices only), Dvorak Technology Academy, Ericson Elem Academy, Faraday ES, Frazier IB ES, Frazier Preparatory Academy, Gregory ES, Herzl ES, Jensen Elem Academy, Johnson ES, Kellman Corp ES, KIPP Ascend Charter School, KIPP Charter Ascend Primary, L.E.A.R.N. Charter - Campbell ES, Lawndale Elem Academy, Manley Career Acad, Marine Military Math and Science Acad, Marshall Metro HS, N Lawndale Charter HS - Christiana, North Lawndale Charter HS - Collins, Penn ES, Phoenix Military Academy, Plamondon ES, Sumner Elem Academy, Webster ES, Hefferan ES, and Clark Academic Prep HS.
- It is expected that new residential development or the redevelopment of vacant, underutilized or non-residential property to residential and/or mixed-use will result in an increase in demand for services provided by the Board of Education. The amount and type of new development is not known at this time but will be closely monitored by the City of Chicago.
- With the decline in population and housing units within the community area over several decades, there has been a corresponding decrease in the number of school age students attending public school facilities near the Redevelopment Project Area. Many of the elementary school facilities in the Redevelopment Project Area are operating well under capacity with only one facility, Locke Charter School, operating over capacity.
- Due to the mobility of high school age children, capacity issues at the high school level are not considered as critical as elementary schools. It is anticipated that new high school age children resulting from new development in the Redevelopment Project Area can be accommodated by the city-wide school system but may require, over time, new or expanded school facilities.
- It is not anticipated that new development within the Redevelopment Project Area will exceed the capacity of the current facilities provided by the Board of Education. The City and the Board of Education will monitor development in the Redevelopment Project Area to ensure that residents are adequately served and any increased demand for services and capital improvements provided by the Board of Education are addressed.

**Chicago Park District.** The Park District is responsible for the provision, maintenance and operation of park and recreational facilities throughout the City and for the provision of recreation programs.

- There are eighteen (18) park facilities located within the Redevelopment Project Area including two (2) historic regional parks, Douglas Park and Garfield Park (which includes the Garfield Park Conservatory); and sixteen (16) smaller parks: Moore, John Clark, Violet, Park No 500, Boler, Millard, Park No. 515, Ginkgo, Gladys, Park No. 422, Horan, Barberry, Christiana, Taylor, Sain and Park No. 489. These facilities are illustrated in Figure 5. Community Facilities Map.

- It is expected that an increase in the number of households and businesses to the Redevelopment Project Area may generate additional demand for recreational services and programs and may create the need for additional open spaces and recreational facilities operated by the Chicago Park District. The amount and type of new development is not known at this time.
- The City intends to monitor development in the Redevelopment Project Area and, with the cooperation of the Chicago Park District, will attempt to ensure that any increased demands for the services and capital improvements provided by the Chicago Park District are addressed in connection with any particular residential and business development. Open space and/or recreational facilities may be provided to meet the needs of diverse and expanding residential population and existing and future employees of the Redevelopment Project Area and nearby areas.

**Chicago School Finance Authority.** The Authority was created in 1980 to exercise oversight and control over the financial affairs of the Board of Education. As an oversight board, an impact assessment is not applicable.

**City of Chicago.** The City is responsible for the provision of a wide range of municipal services, including: police and fire protection; capital improvements and maintenance; water supply and distribution; sanitation service; building, housing and zoning codes, etc.

- City of Chicago facilities that are located within the Redevelopment Project Area include fire stations, police stations, the CTA Kedzie Garage and CTA rapid transit stations for the Blue Line and Green Line. Facilities are illustrated in Figure 4, Community Facilities.
- It is expected that any increase in demand for City services and programs associated with the Redevelopment Project Area can be adequately handled by existing City, police, fire protection, sanitary collection and recycling services and programs maintained and operated by the City. Therefore, no special programs are proposed for the City.

**City of Chicago Library Fund.** General responsibilities of the Library Fund include the provision, maintenance and operation of the City's library facilities.

- There is one library, the Douglass Branch Library, currently located in the Redevelopment Project Area. The Legler library is located immediately adjacent to the Redevelopment Project Area.
- It is expected that new residential development or the redevelopment of vacant, underutilized property for residential use may result in an increase in demand for services provided by the Library Fund. The amount and type of new development is not known at this time but will be closely monitored by the City of Chicago.

The City intends to monitor development in the Redevelopment Project Area with the cooperation of all taxing districts and will attempt to ensure that any financial impacts, increased needs for services, or capital improvements are addressed in connection with any particular development.”

**Section IX. CONFORMITY OF THE REDEVELOPMENT PLAN FOR THE PROJECT AREA TO LAND USES APPROVED BY THE PLANNING COMMISSION OF THE CITY**

*No changes.*

**Section X. PHASING AND SCHEDULING**

*In paragraph 3 of Section X of the Original Plan, the year 2022 is replaced with the year "2036."*

**Section XI. PROVISIONS FOR AMENDING THIS REDEVELOPMENT PLAN**

*No changes.*

**Section XII. COMMITMENT TO FAIR EMPLOYMENT PRACTICES AND AFFIRMATIVE ACTION PLAN**

*In paragraph B) of Section XII of the Original Plan, the reference to "25% Minority Business Enterprises and 5% Woman Business Enterprises" is replaced with the following:*

*"24% Minority Business Enterprises and 4% Woman Business Enterprises"*

**Section XIII. HOUSING IMPACT AND RELATED MATTERS**

*Section XIII. of the Original Plan, HOUSING AND IMPACT RELATED MATTERS shall be deleted in its entirety and replaced with the following:*

*"See Exhibit V at end of report."*

4. Public Works & Improvements, including streets and utilities, parks and open space, public facilities (schools & other public facilities)[1]		192,000,000
5. Relocation Costs		11,000,000
6. Job Training, Retraining, Welfare-to-Work		23,000,000
7. Interest Subsidy		9,000,000
8. Day Care Services		9,000,000
<b>TOTAL REDEVELOPMENT COSTS<sup>[2,3]</sup></b>		<b>\$450,000,000<sup>[4]</sup></b>

[1] This category may also include paying for or reimbursing (i) an elementary, secondary or unit school district's increased costs attributed to assisted housing units, and (ii) capital costs of taxing districts impacted by the Redevelopment Project Area. As permitted by the Act, to the extent the City by written agreement accepts and approves the same, the City may pay or reimburse all or a portion of a taxing district's capital costs resulting from a redevelopment project necessarily incurred or to be incurred within a taxing district in furtherance or the objectives of the Redevelopment Plan.

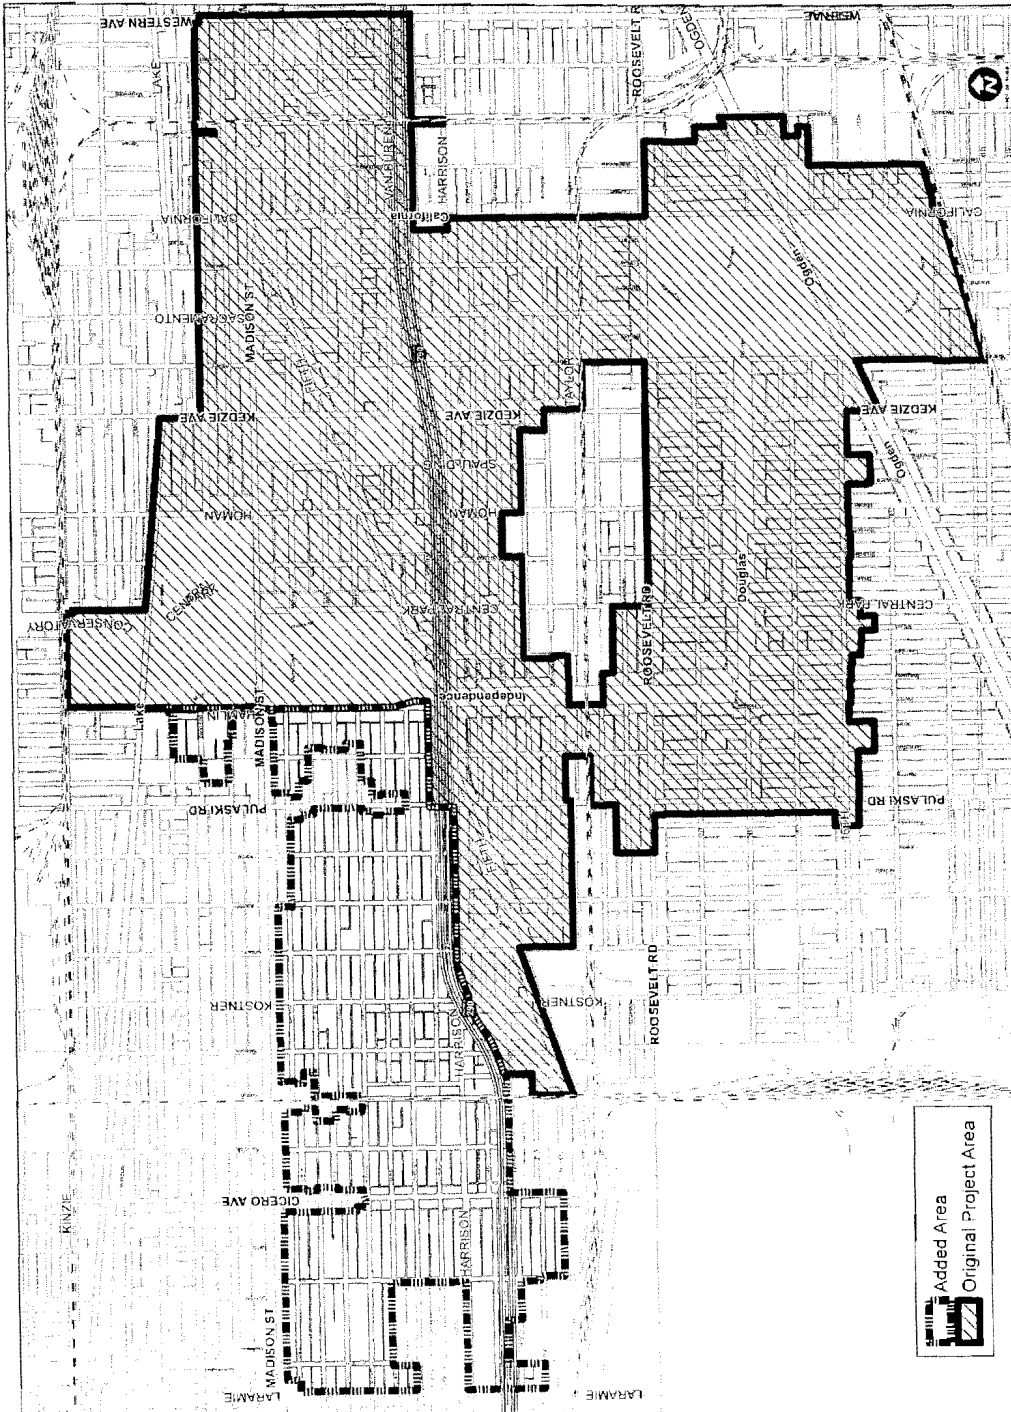

[2] Total Redevelopment Project Costs represent an upper limit on expenditures that are to be funded using tax increment revenues and exclude any additional financing costs, including any interest expense, capitalized interest and costs associated with optional redemptions. These costs are subject to prevailing market conditions and are in addition to Total Redevelopment Project Costs. Within this limit, adjustments may be made in line items without amendment to this Redevelopment Plan, to the extent permitted by the Act.

[3] The amount of the Total Redevelopment Project Costs that can be incurred in the Redevelopment Project Area will be reduced by the amount of redevelopment project costs incurred in contiguous redevelopment project areas, or those separated from the Redevelopment Project Area only by a public right-of-way, that are permitted under the Act to be paid, and are paid, from the incremental property taxes generated in the Redevelopment Project Area, but will not be reduced by the amount of redevelopment project costs incurred in the Redevelopment Project Area which are paid from incremental property taxes generated in contiguous redevelopment project areas or those separated from the Redevelopment Project Area only by a public right-of-way.

[4] All costs are in 2015 dollars and may be increased by five percent (5%) after adjusting for inflation reflected in the Consumer Price Index (CPI) for All Urban Consumers for All Items for the Chicago-Gary-Kenosha, IL-IN-WI, CMSA, published by the U.S. Department of Labor.

Additional funding from other sources such as federal, state, county, or local grant funds may be utilized to supplement the City's ability to finance redevelopment project costs identified above.

Financing Redevelopment Project And Plan)

*Midwest Added Area Tax Increment Financing Eligibility Study.*

## INTRODUCTION

On May 17, 2000, the Chicago City Council adopted the Midwest Tax Increment Financing Redevelopment Project and Plan ("Midwest TIF"). The Midwest TIF encompasses an irregularly shaped area generally bounded by Kinzie Street on the north, Kenton Avenue on the west, 21st Street on the south, and Western Avenue on the east. Between 2002 and 2007 the residential areas to the west of the Midwest TIF were in the early stages of a renovation boom. When the Great Recession began to take root in 2008, property values collapsed, renovations and construction projects ceased, and development plans were cancelled. In an effort to stem the negative impacts of this sharp decline in residential construction activity, stabilize the neighborhood and reenergize economic development activity within the larger community, the City of Chicago proposed an amendment to the Midwest TIF to expand the boundaries.

In order to consider the expansion of the existing Midwest TIF, Johnson Research Group, Inc. ("JRG") and Ernest R. Sawyer Enterprises ("ERS") or collectively, the "Consultants," were engaged to determine whether approximately 542.8 acres of land located on the west side of the City of Chicago (the "City") qualifies for designation as a redevelopment project area based on findings for a "**conservation area**," and/or a "**blighted area**" within the requirements set forth in the Tax Increment Allocation Redevelopment Act (the "**Act**"). The Act is found in Illinois Compiled Statutes, Chapter 65, Act 5, Section 11-74.4-1 *et. seq.* as amended.

The irregularly shaped area examined in this report is generally bounded by Madison Street and Maypole Avenue on the north; on the west by Laramie Avenue, on the south by Polk Street, Arthington Street and Interstate 290 (I-290), and on the east by Hamlin Boulevard (hereafter referred to as the "**Added Area**"). The eligibility findings for the Added Area are documented and summarized in this document entitled the *Midwest Added Area Tax Increment Financing Eligibility Study* (the "**Added Area Eligibility Study**"). This document constitutes a supplement to the Midwest Redevelopment Project and Plan as amended and is an eligibility analysis for the Added Area only. The findings in this document do not change the findings or determination for the original Midwest TIF Redevelopment Area. The boundaries of the Added Area are shown on **Eligibility Study Figure 1, Added Area Boundary**.

The findings and conclusions presented in this report are based on surveys, documentation, and analyses conducted by Johnson Research Group ("JRG" or the "**Consultant**") for the Added Area. The Added Area Eligibility Study summarizes the analyses and findings of JRG's work, which is the responsibility of JRG. The City of Chicago is entitled to rely on the findings and conclusions of this Added Area Eligibility Study in designating the Added Area as a redevelopment project area under the Act. JRG has prepared this Added Area Eligibility Study and the related Redevelopment Project and Plan with the understanding that the City would rely on (i) the findings and conclusions of this Added Area Eligibility Study and the related Redevelopment Plan, and (ii) the fact that JRG has obtained the necessary information so that the Added Area Eligibility Study and related Redevelopment Plan will comply with the Act. The determination of whether the Added Area qualifies for designation as a redevelopment project area based on findings of the area as a conservation area, or a blighted area, or a combination of both, pursuant to the Act is made by the City of Chicago after careful review and consideration of the conclusions contained in this Added Area Eligibility Study.

### **The Added Area**

The Added Area is located approximately 5 miles west of the central business district of the City of Chicago, just west of Garfield Park. The Added Area encompasses most of the land between Madison Street and I-290, extending from Laramie Avenue (5200 West) to Hamlin Boulevard

(3800 West), as well as four blocks south of I-290 between Laramie Avenue and Cicero Avenue (4800 West).

The Added Area is an improved area which contains 2,476 buildings and 3,890 tax parcels within 117 full and partial tax blocks located in the West Garfield Park and Austin Community Areas, with total land area of 542.8 acres.

The Added Area is predominantly a residential area, but also consists of two industrial subareas. The residential area is characterized by predominantly 2-, 3-, and 4-story multi-family properties interspersed with single family buildings, churches, parks, and school buildings. Commercial uses, which are in many cases the ground floor of mixed use buildings, are almost exclusively along Cicero and Kostner Avenues. One of the industrial areas lies along the east side of Kenton Avenue and a freight railroad, and stretches from Monroe Street south to I-290. The other industrial subarea stretches east-west along Harrison Street from Lavergne Avenue to Kilbourn Avenue. Existing land uses in the Added Area are illustrated in *Eligibility Study Figures 2a and 2b: Existing Land Use (West) and (East)*.

The Added Area as a whole is physically characterized by densely built, aging residential property, obsolete commercial and industrial properties, and a large number of vacant lots on otherwise improved parcels. The residential building stock is almost all over 80 years old and consequently requires regular ongoing maintenance to keep up with normal deterioration. In many cases such maintenance is either too expensive for owners, or is neglected, resulting in a high percentage of properties in varying stages of disrepair. The industrial areas consist of a high portion of vacant lots and buildings, old and obsolete structures, and deteriorated or nonexistent parking areas.

#### ***Summary of Added Area Eligibility***

For TIF designation, an improved redevelopment project area must qualify for classification as a conservation area, a blighted area, or a combination of both blighted and conservation areas as set forth in the Act. Surveys and analyses documented in this report indicate that the Added Area is eligible as a conservation area within the requirements of the Act.

The Added Area qualifies as a conservation area under the improved property criteria as set forth in the Act. Specifically,

- Ninety-four percent (94%) of the buildings are 35 years of age or older;
- Four (4) conservation area factors are present to a meaningful extent and reasonably distributed throughout the entire Added Area. These include:
  1. Deterioration
  2. Structures Below Minimum Code Standards
  3. Inadequate Utilities
  4. Declining or Lagging EAV
- One additional factor: Excessive Vacancies is present to a meaningful extent and impacts the Added Area, but is limited in nature or not consistently present across the Added Area so cannot be considered "reasonably" distributed throughout the Added Area. Nonetheless, the presence of this factor supports the overall eligibility of the Added Area.

Finally, the Added Area includes only real property and improvements that would be substantially benefited by the proposed redevelopment project improvements.

## I. BASIS FOR REDEVELOPMENT

The Illinois General Assembly made these key findings in adopting the Act:

1. That there exists in many municipalities within the state blighted and conservation areas;
2. That as a result of the existence of blighted areas and areas requiring conservation, there is an excessive and disproportionate expenditure of public funds, inadequate public and private investment, unmarketability of property, growth in delinquencies and crime, and housing and zoning law violations in such areas together with an abnormal exodus of families and businesses so that the decline of these areas impairs the value of private investments and threatens the sound growth and the tax base of taxing districts in such areas, and threatens the health, safety, morals, and welfare of the public; and
3. That the eradication of blighted areas and the treatment and improvement of conservation areas by redevelopment projects are essential to the public interest.

To ensure that the exercise of these powers is proper and in the public interest, the Act also specifies certain requirements that must be met before a municipality can proceed with implementing a redevelopment project. One of these requirements is that the municipality must demonstrate that a prospective redevelopment project area qualifies either as a blighted area or as a conservation area within the definitions for each set forth in the Act (Section 11-74.4-3).

Blighted areas are defined as: 1) any improved area in which buildings or improvements are detrimental to the public safety, health or welfare because of a combination of 5 or more of the thirteen (13) improved area eligibility factors set forth in the Act; and 2) any vacant area in which its sound growth is impaired by the presence of 1 or more of 7 eligibility criteria set forth in the Act.

Conservation areas are defined in the Act as any improved area in which 50% or more the structures have an age of 35 years and the improved area exhibits the presence of a combination of 3 or more of the thirteen (13) improved area eligibility factors set forth in the Act. Such an area is not yet a blighted area but if left unchecked, the presence of 3 or more such factors which are detrimental to the public safety, health or welfare, such an area may become a blighted area.

### *Improved Area Eligibility Criteria*

Section 11-74.4.3 of the Act defines the thirteen (13) eligibility factors for improved areas. To support a designation as a blighted or conservation area each qualifying factor must be: (i) present to a meaningful extent and that presence documented so that the City may reasonably find that the factor is clearly present within the intent of the Act and (ii) reasonably distributed throughout the improved part of the Added Area.

1. Dilapidation
2. Obsolescence
3. Deterioration
4. Illegal use of individual structures
5. Presence of structures below minimum code standards
6. Excessive vacancies
7. Lack of ventilation, light, or sanitary facilities
8. Inadequate utilities
9. Excessive land coverage and overcrowding of structures and community facilities
10. Deleterious land-use or layout

11. Lack of community planning
12. Environmental remediation costs have been incurred or are required
13. Declining or lagging rate of growth of total equalized assessed valuation

It is also important to note that the test of eligibility is based on the conditions of the area as a whole; it is not required that eligibility be established for each and every property in the Added Area.

## II. ELIGIBILITY SURVEY AND ANALYSIS

An analysis was made of each of the factors listed in the Act for conservation areas and blighted areas to determine whether each or any factors are present in the Added Area, and if so, to what extent and in what locations. Surveys and analyses conducted by JRG included:

1. Exterior survey of the condition and use of all buildings and sites;
2. Field survey of environmental conditions covering streets, sidewalks, curbs and gutters, lighting, traffic, parking facilities, landscaping, fences, and general property maintenance;
3. Analysis of the existing uses within the Added Area and their relationships to the surroundings;
4. Comparison of current land use to current zoning ordinance and the current zoning map;
5. Analysis of original platting and current parcel size and layout;
6. Analysis of vacant parcels and buildings;
7. Analysis of building floor area and site coverage;
8. Review of previously prepared plans, studies and data;
9. Analysis of City of Chicago building permit data and building code violation data for the period from January 2009 through December 2014;
10. Analysis of storm, sanitary sewer lines and water supply lines within the Added Area via existing infrastructure maps provided by the City of Chicago's Department of Water Management;
11. Analysis of Cook County Assessor records for assessed valuations and equalization factors for tax parcels in the Added Area for assessment years 2008 to 2014; and
12. Review of Cook County Treasurer property tax payment records for collection years 2012, 2013, and 2014.

A statement of findings is presented for each factor listed in the Act. The conditions that exist and the relative extent to which each factor is present are described below.

A factor noted as "**not present**" indicates either that no information was available or that no evidence could be documented as part of the various surveys and analyses. A factor noted as present to a limited extent indicates that conditions exist that document that the factor is present, but that the distribution or impact of the condition is limited. Finally, a factor noted as present to a meaningful extent indicates that conditions exist which document that the factor is present throughout major portions of the Added Area and that the presence of such conditions have a major adverse impact or influence on adjacent and nearby development.

The following is the summary evaluation of the eligibility factors for the Added Area, presented in the order in which they appear in the Act.

### III. IMPROVED AREA ELIGIBILITY FACTORS

The following is the summary evaluation of the eligibility factors for the Added Area presented in the order in which they appear in the Act.

#### Age

Age is a primary and threshold criterion in determining an area's qualification for designation as a conservation area. For consideration of eligibility as a conservation area, at least 50% of the buildings in the area must be at least 35 years old. Age presumes the existence of problems or limiting conditions resulting from normal and continuous use of structures over an extended period of years. Since building deterioration and related structural problems can be a function of time and climate, structures which are 35 years or older typically exhibit more problems and require greater maintenance than more recently constructed buildings.

Of the 2,476 buildings within the 117 tax blocks, 2,326 (94%) are 35 years of age or more.

***Conclusion: The Added Area meets the required age test for designation as a conservation area. Ninety-four percent (94%) of the buildings within the Added Area exceed 35 years in age.***

#### A. Dilapidation

*Section 11-74.4-3 of the Act defines Dilapidation: An advanced state of disrepair or neglect of necessary repairs to the primary structural components of buildings or improvements in such a combination that a documented building condition analysis determines that major repair is required or the defects are so serious and so extensive that the buildings must be removed.*

This section summarizes the process used for assessing building conditions in the Added Area, the standards and criteria used for evaluation, and the findings as to the existence of dilapidation or deterioration of structures. The process, standards and criteria were applied in accordance with the Building Conditions Survey Manual. The Building Conditions Manual, with updates to current standards, has been in use for over 40 years by Midwest planning consultants. The original manual was developed by experienced planners involved in field surveys and analysis, providing a consistent method of evaluating buildings necessary for the background findings for the planning profession since the days of assessing properties during the 1960's Urban Renewal years.

The building condition analysis is based on a thorough exterior inspection of the buildings and sites conducted from October 2014 through June 2015. Structural deficiencies in building components and related environmental deficiencies in the Added Area were noted during the inspections.

##### *Building Components Evaluated*

During the field survey, each component of the buildings in the Added Area was examined to determine whether it was in sound condition or had minor, major, or critical defects. Building components examined were of two types:

##### Primary Structural

These include the basic elements of any building: foundation walls, load-bearing walls and columns, floors, roof and roof structure.

##### Secondary Components

These are components generally added to the primary structural components and are necessary parts of the building, including exterior and interior stairs, windows and

window units, doors and door units, interior walls, porches and steps, chimneys, and gutters and downspouts.

#### Criteria for Classifying Defects for Building Components

Each primary and secondary component was evaluated separately as a basis for determining the overall condition of individual buildings. This evaluation considered the relative importance of specific components within a building and the effect that deficiencies in components will have on the remainder of the building.

#### *Building Component Classifications*

The four categories used in classifying building components and systems and the criteria used in evaluating structural deficiencies are described below:

##### Sound

Building components that contain no defects, are adequately maintained, and require no treatment outside of normal ongoing maintenance.

##### Deficient - Requiring Minor Repair

Building components containing defects (loose or missing material or holes and cracks over a limited area) which often may be corrected through the course of normal maintenance. Minor defects have no real effect on either primary or secondary components and the correction of such defects may be accomplished by the owner or occupants, such as pointing masonry joints over a limited area or replacement of less complicated components. Minor defects are not considered in rating a building as structurally substandard.

##### Deficient - Requiring Major Repair

Building components which contain major defects over a widespread area and would be difficult to correct through normal maintenance. Buildings in the major deficient category would require replacement or rebuilding of components by people skilled in the building trades.

##### Critical

Building components that contain major defects (bowing, sagging, or settling to any or all exterior components causing the structure to be out-of-plumb, or broken, loose or missing material and deterioration over a widespread area) so extensive that the cost of repair would be excessive.

#### *Final Building Rating*

After completion of the exterior-interior building condition survey, each structure was placed in one of four categories based on the combination of defects found in various primary and secondary building components. Each final rating is described below:

##### Sound

Sound buildings can be kept in a standard condition with normal maintenance. Buildings so classified have no minor defects.

##### Deficient

Deficient buildings contain defects that collectively are not easily correctable and cannot be accomplished in the course of normal maintenance. The classification of major or minor reflects the degree or extent of defects found during the survey of the building.

*Minor* -- one or more minor defect, but no major defect.

*Major* -- one or more major defects in one of the primary components or in the combined secondary components, but no critical defect.

### Substandard

Structurally substandard buildings contain defects that are so serious and so extensive that the building must be removed or major components substantially repaired and/or replaced. Buildings classified as structurally substandard have two or more major defects.

"Minor deficient" and "major deficient" buildings are considered to be the same as "deteriorating" buildings as referenced in the Act; "substandard" buildings are the same as "dilapidated" buildings. The words "building" and "structure" are presumed to be interchangeable.

### *Exterior Survey*

The conditions of the buildings within the Added Area were determined based on observable components. JRG conducted an exterior survey of each building within the Added Area to determine its condition. JRG identified 29 buildings as dilapidated. Of the 2,476 buildings in the Added Area:

- 1152 buildings (46.5%) were classified as structurally sound;
- 1101 buildings (44.5%) were classified as minor deficient (deteriorating);
- 194 buildings (7.8%) were classified as major deficient (deteriorating); and
- 29 buildings (1.2%) were classified as structurally substandard (dilapidated).

***Conclusion: Minor Presence of Factor. Dilapidation (structurally substandard buildings) as a factor is present to a limited extent in 21 of the 117 tax blocks in the Added Area.***

## **B. Obsolescence**

*Section 11-74.4-3 of the Act defines Obsolescence: The condition or process of falling into disuse. Structures have become ill suited for the original use.*

In making findings with respect to buildings, it is important to distinguish between *functional obsolescence*, which relates to the physical utility of a structure, and *economic obsolescence*, which relates to a property's ability to compete in the market place.

### Functional Obsolescence

Historically, structures have been built for specific uses or purposes. The design, location, height, and space arrangement are intended for a specific occupant at a given time. Buildings become obsolete when they contain characteristics or deficiencies which limit their use and marketability after the original use ceases. The characteristics may include loss in value to a property resulting from an inherent deficiency existing from poor design or layout, the improper orientation of the building on its site, etc., which detracts from the overall usefulness or desirability of a property.

### Economic Obsolescence

Economic obsolescence is normally a result of adverse conditions which cause some degree of market rejection and, hence, depreciation in market values.

If functionally obsolete properties are not periodically improved or rehabilitated, or economically obsolete properties are not converted to higher and better uses, the income and value of the property erodes over time. This value erosion leads to deferred maintenance, deterioration, and excessive vacancies. These manifestations of obsolescence then begin to have an overall blighting influence on surrounding properties and detract from the economic vitality of the overall area.

Factors of obsolescence may include inadequate utility capacities, outdated building designs, etc.

Obsolescence as a factor should be based upon the documented presence and reasonable distribution of buildings and site improvements evidencing such obsolescence.

### ***Obsolete Building Types***

Obsolete buildings contain characteristics or deficiencies that limit their long-term sound use or reuse. Obsolescence in such buildings is typically difficult and expensive to correct. Obsolete building types have an adverse affect on nearby and surrounding development and detract from the physical, functional and economic vitality of the area.

Obsolescence is present to a limited extent in the overall Added Area, with only 16 structures found obsolescent, but has a significant negative impact on the industrial subareas. Most of the obsolescence was found in large, old commercial and industrial structures that are ill suited for their original use due to insufficient size (ceiling heights, loading areas), ingress/egress, off-street parking, or mechanical systems, partly evidenced by wall or window air conditioning units and outmoded inefficient windows. Many of these obsolescent buildings are concentrated in, and have a major impact on, the industrial subarea north of I-290, and have an adverse effect on adjacent blocks as well. Nonetheless, as large portions of the Added Area are not affected by these obsolete buildings, the factor cannot be considered "distributed throughout" the Added Area.

See ***Added Area Eligibility Study Figure 3. Obsolescence.***

***Conclusion: Minor Presence of Factor. The analysis indicates that obsolescence is present to a significant extent, but only in 10 of 117 tax blocks. Therefore, Obsolescence is not meaningfully present and reasonably distributed throughout the Added Area.***

### **C. Deterioration**

*Section 11-74.4-3 of the Act defines Deterioration: With respect to buildings, defects including, but not limited to, major defects in the secondary building components such as doors, windows, porches, gutters and downspouts, and fascia. With respect to surface improvements, that the condition of roadways, alleys, curbs, gutters, sidewalks, off-street parking, and surface storage areas evidence deterioration, including, but not limited to, surface cracking, crumbling, potholes, depressions, loose paving material, and weeds protruding through paved surfaces.*

Based on the definition given by the Act, deterioration refers to any physical deficiencies or disrepair in buildings or site improvements requiring treatment or repair.

- Deterioration may be evident in basically sound buildings containing minor defects, such as lack of painting, loose or missing materials, or holes and cracks over limited areas. This deterioration can be corrected through normal maintenance.
- Deterioration which is not easily correctable and cannot be accomplished in the course of normal maintenance may also be evident in buildings. Such buildings may be classified as minor deficient or major deficient buildings, depending upon the degree or extent of defects. This would include buildings with defects in the secondary building components (e.g., doors, windows, porches, gutters and downspouts, fascia materials, etc.), and defects in primary building components (e.g., foundations, frames, roofs, etc.), respectively.

### ***Deterioration of Sites and Infrastructure***

As part of the survey, JRG documented site conditions that include broken pavement, uneven street surfaces, and gravel surfaces within parking areas, sidewalks, and alleys. Based on the field survey of streets, curbs, gutters, sidewalks, and alleys within the Added Area, deterioration

of street pavement and/or curbs, gutters, and sidewalks was noted in 38 of the 117 tax blocks, or approximately one third of the Added Area.

#### ***Deterioration of Buildings***

The analysis of building deterioration is based on the survey methodology and criteria described in the preceding section on "Dilapidation." Thirteen hundred twenty-four (1,324) buildings within the Added Area are classified as exhibiting deteriorating conditions. The condition of Deterioration is found in all types of buildings, throughout all portions of the Added Area and is present to a meaningful extent in over 79% of the tax blocks. See **Added Area Eligibility Study Figure 4, Deterioration.**

***Conclusion: Major Presence of Factor. Deterioration is present to a major extent in 93 of the 117 tax blocks and is therefore meaningfully present and reasonably distributed throughout the Added Area.***

#### **D. Presence of Structures Below Minimum Code Standards**

*Section 11-74.4-3 of the Act defines the Presence of structures below minimum code standards: All structures that do not meet the standards of zoning, subdivision, building, fire, and other governmental codes applicable to property, but not including housing and property maintenance codes.*

As referenced in the definition above, the principal purposes of governmental codes applicable to properties are to require buildings to be constructed in such a way as to sustain safety of loads expected from the type of occupancy; to be safe for occupancy against fire and similar hazards; and/or to establish minimum standards essential for safe and sanitary habitation. Structures below minimum code standards are characterized by defects or deficiencies that threaten health and safety.

As part of its research, JRG documented City of Chicago building code violations during the period from 2009 through December 2014. A total of 7,358 violations were issued by the City to buildings in the Added Area during this period, affecting 783 buildings in 95 of the 117 tax blocks. In order for a block to have a major, or meaningful, presence of this factor, at least 20% of the buildings on the block must have had one or more code violations. Using this threshold, 75 tax blocks were documented exhibiting a major presence of this factor, with another 20 blocks showing a minor presence of the factor. See **Added Area Eligibility Study Figure 5, Buildings Below Minimum Code Standards.**

***Conclusion: Major Presence of Factor. The analysis indicates that Structures Below Minimum Code Standards is present to a meaningful extent in 75 of the 117 tax blocks in the Added Area and is reasonably distributed throughout the Added Area.***

#### **E. Illegal Use of Individual Structures**

*Section 11-74.4-3 of the Act defines illegal use of individual structures: The use of structures in violation of applicable federal, State, or local laws, exclusive of those applicable to the presence of structures below minimum code standards.*

Violation of federal, State or local laws were not evident as part of the exterior field survey conducted as part of this Added Area Eligibility Study.

***Conclusion: No Presence of Factor. No condition pertaining to illegal uses of individual structures has been documented as part of the exterior surveys and***

*analyses undertaken within the Added Area. This factor is not a supporting factor for Added Area eligibility.*

#### **F. Excessive Vacancies**

*Section 11-74.4-3 of the Act defines excessive vacancies: The presence of buildings that are unoccupied or under-utilized and that represent an adverse influence on the area because of the frequency, extent, or duration of the vacancies.*

Excessive vacancy in a building is defined as having 20% or more vacant units (commercial, industrial, or residential). Excessive vacancies in a block is considered present to a major, or meaningful, extent when more than 20% of its buildings are at least 20% vacant. Excessive vacancies in a block is considered present to a minor extent when at least one building is over 20% vacant, but less than 20% of its buildings exhibit such vacancy. Using these definitions, the factor of excessive vacancies has a significant presence in the Added Area but is not distributed throughout the area. Of the 117 tax blocks in the Added Area, 20 blocks show a major presence and 67 blocks show a minor presence of excessive vacancies. See Added Area Eligibility Study Figure 6, Excessive Vacancies.

**Conclusion: Minor Presence of Factor. Excessive vacancies as a factor is present to a significant extent in the Added Area but is not distributed throughout the entire Added Area. Therefore this factor is not sufficiently present to qualify as a contributing factor of eligibility.**

#### **G. Lack of Ventilation, Light, or Sanitary Facilities**

*Section 11-74.4-3 of the Act defines lack of ventilation, light, or sanitary facilities: The absence of adequate ventilation for light or air circulation in spaces or rooms without windows, or that require the removal of dust, odor, gas, smoke, or other noxious airborne materials. Inadequate natural light and ventilation means the absence or inadequacy of skylights or windows for interior spaces or rooms and improper window sizes and amounts by room area to window area ratios. Inadequate sanitary facilities refers to the absence or inadequacy of garbage storage and enclosure, bathroom facilities, hot water and kitchens, and structural inadequacies preventing ingress and egress to and from all rooms and units within a building.*

An interior inspection of conditions is required to determine the presence of this factor. No such inspection was conducted as part of this Added Area Eligibility Study. Sufficient ingress/egress and the presence of sufficient window openings was present from an exterior field survey.

**Conclusion: No Presence of Factor. No condition pertaining to a lack of ventilation, light, or sanitary facilities has been documented as part of the exterior surveys and analyses undertaken within the Added Area. This factor is not present in the Added Area.**

#### **H. Inadequate Utilities**

*Section 11-74.4-3 of the Act defines inadequate utilities: Underground and overhead utilities such as storm sewers and storm drainage, sanitary sewers, water lines, and gas, telephone, and electrical services that are shown to be inadequate. Inadequate utilities are those that are: (i) of insufficient capacity to serve the uses in the redevelopment project area, (ii) deteriorated, antiquated, obsolete, or in disrepair, or (iii) lacking within the redevelopment project area.*

Existing sewer and water supply lines throughout the City were largely put in place 50 to 100 years ago and many are undersized. These aging and/or undersized lines are obsolete by today's development standards and inadequate to accommodate new development.

Review and analysis of the City's water and sewer atlases for the pipes that serve the Added Area indicate that many of the existing lines have already exceeded or will soon exceed their intended life of approximately 100 years. Many of these lines were laid prior to the land uses they serve currently. The older water lines, directly serving 47 of the 117 blocks, were laid between 1895 and 1915 (100 to 120 years old). The Added Area's sewer lines are more consistently older with over 90% of the lines placed in service between 1886 and 1922 (from 93 to 129 years old), serving 109 of the 117 blocks. See **Added Area Eligibility Study Figure 7. Inadequate Utilities.**

**Conclusion: Major Presence of Factor. Inadequate utilities as a factor impacts 109 of the 117 blocks in the Added Area, and is present to a meaningful extent and reasonably distributed throughout the Added Area.**

**I. Excessive Land Coverage & Overcrowding of Structures and Community Facilities**

*Section 11-74.4-3 of the Act defines excessive land coverage and overcrowding of structures and community facilities: The over-intensive use of property and the crowding of buildings and accessory facilities onto a site. Examples of problem conditions warranting the designation of an area as one exhibiting excessive land coverage are: the presence of buildings either improperly situated on parcels or located on parcels of inadequate size and shape in relation to present-day standards of development for health and safety and the presence of multiple buildings on a single parcel. For there to be a finding of excessive land coverage, these parcels must exhibit one or more of the following conditions: insufficient provision for light and air within or around buildings, increased threat of spread of fire due to the close proximity of buildings, lack of adequate or proper access to a public right-of-way, lack of reasonable required off-street parking, or inadequate provision for loading and service.*

Excessive land coverage and overcrowding of structures and community facilities is present in only 19 sites and 13 of the 117 tax blocks in the Added Area. Further, each of these blocks is only affected to a limited extent by this factor. Fourteen of the nineteen overcrowded sites are multi-family residential buildings with almost total lot coverage and no off-street parking.

See **Added Area Eligibility Study Figure 8, Excessive Land Coverage/Overcrowding of Structures and Community Facilities.**

**Conclusion: Minor Presence of Factor. Excessive land coverage and overcrowding of structures and community facilities is not present to a meaningful extent and reasonably distributed throughout the Added Area.**

**J. Deleterious Land Use or Layout**

*Section 11-74.4-3 of the Act defines deleterious land-use or layout: The existence of incompatible land-use relationships, buildings occupied by inappropriate mixed-uses, or uses considered to be noxious, offensive, or unsuitable for the surrounding area.*

While there are a several isolated residential buildings situated adjacent to or in close proximity to industrial uses and sites, the land uses in general are consistent with the Zoning Ordinance and do not result in conflicting or inappropriate mix of uses.

**Conclusion: No Presence of Factor. Deleterious land-use or layout has not been documented as present in the Added Area.**

**K. Lack of Community Planning**

*Section 11-74.4-3 of the Act defines lack of community planning: The proposed redevelopment project area was developed prior to or without the benefit or guidance of a community plan. This means that the development occurred prior to the adoption by the municipality of a comprehensive or other community plan or that the plan was not followed at the time of the area's development. This factor must be documented by evidence of adverse or incompatible land-use relationships, inadequate street layout, improper subdivision, parcels of inadequate shape and size to meet contemporary development standards, or other evidence demonstrating an absence of effective community planning.*

The City of Chicago was incorporated in 1837 and expanded in population and geography well into the 20<sup>th</sup> century. With the adoption of the Burnham Plan in 1909, the City established a pattern of streets and boulevards on a grid system with residential, commercial and confined industrial areas separated by major rail lines, commercial corridors and the parks connected by green boulevards. The neighborhoods of the Added Area were almost completely built out by the 1930s. The Burnham Plan served as a guiding plan for the development of the Added Area.

**Conclusion: No Presence of Factor. The factor lack of community planning is not present in the Added Area.**

**L. Environmental Remediation**

*Section 11-74.4-3 of the Act defines environmental remediation: The area has incurred Illinois Environmental Protection Agency or United States Environmental Protection Agency remediation costs for, or a study conducted by an independent consultant recognized as having expertise in environmental remediation has determined a need for, the clean-up of hazardous waste, hazardous substances, or underground storage tanks required by State or federal law, provided that the remediation costs constitute a material impediment to the development or redevelopment of the redevelopment project area.*

The Added Area does not contain any properties or Long-term Cleanup Sites on the United States Environmental Protection Agency's Region 5 Superfund website but contains eight properties with incidents as reported on the Leaking Underground Storage Tanks ("LUST") database maintained by the Illinois Environmental Protection Agency's Leaking Incident Database.

**Conclusion: Minor Presence of Factor. There exist only limited conditions in eight scattered sites in the Added Area pertaining to a need for environmental remediation, as documented in the Illinois Environmental Protection Agency's Leaking Incident Database.**

**M. Declining or Lagging Equalized Assessed Valuation**

*Section 11-74.4-3 of the Act defines declining or lagging equalized assessed valuation: The total equalized assessed value of the proposed redevelopment project area has declined for 3 of the last 5 calendar years for which information is available or is increasing at an annual rate that is less than the balance of the municipality for 3 of the last 5 calendar years for which information is available or is increasing at an annual rate that is less than the Consumer Price Index for All Urban Consumers published by the United States Department of Labor or successor agency for 3 of the last 5 calendar years for which information is available.*

Over the period from 2009 to 2014, the growth rate of the total equalized assessed valuation (EAV) of the Added Area has declined in four of the last five years and lagged behind the annual growth rate of the Consumer Price Index (CPI) in the same four years. These figures are shown below in **Table 1. Growth of Added Area vs. Consumer Price Index (CPI)**.

Table 1. Growth of Added Area vs. Consumer Price Index (CPI)

Year	Added Area EAV	% Change	CPI –Dec. Value/ All Urban Consumers	% Change	Slower than CPI Growth?
2009	174,550,786		215.949		
2010	171,010,482	-2.03%	219.179	1.50%	YES
2011	156,523,707	-8.47%	225.672	2.96%	YES
2012	124,624,692	-20.38%	229.601	1.74%	YES
2013	116,991,330	-6.13%	233.049	1.50%	YES
2014	118,643,063	1.41%	234.812	0.76%	NO

2009 to 2014 is the most recent five year period for which data is available for the Added Area and CPI.

Percent Change reflects the annual growth in EAV from the prior year (e.g. -20.29% change in Added Area EAV for Year 2012 represents the decline in EAV from 2011 to 2012).

**Conclusion:** *Factor is Present. As documented by the decline in EAV of the Added Area in four consecutive years, from 2009 to 2013, Declining or Lagging Equalized Assessed Valuation as a factor is present to a major extent in the Added Area. The growth in EAV of the Added Area also grew slower than that of the Consumer Price Index in four of the last five years.*

#### IV. DETERMINATION OF ADDED AREA ELIGIBILITY

The Added Area meets the requirements of the Act for designation as a conservation area.

##### A. Age

The Added Area meets the threshold criteria which requires that 50% or more of buildings are 35 years of age or older. Ninety-four percent (94%) of the Added Area's buildings are 35 years of age or older.

##### B. Conservation Area Criteria

The meaningful presence and reasonable distribution of a minimum of three of the thirteen factors set forth in the Act are required for an Added Area to qualify for designation as a conservation area. The analysis of the Added Area found a meaningful presence and a reasonable distribution of four (4) factors throughout the Added Area, including:

1. Deterioration
2. Structures Below Minimum Code
3. Inadequate Utilities
4. Declining or Lagging EAV

The summary of conservation area factors is documented on a block-by-block basis in **Table 2: Distribution of Conservation Area Factors.**

The eligibility findings presented in this report indicate that the Added Area is in need of revitalization and guided growth to ensure that it will contribute to the long-term physical, economic, and social well-being of the City. The Added Area contains properties and buildings of various sizes and design that are advancing in obsolescence and deterioration and experiencing high levels of City building code violations. The water and sewer infrastructure is largely in need of comprehensive upgrades and property values have declined in four of the last five years. These conservation factors, as identified and described in detail above, indicate that the Added Area as a whole has not been subject to growth and development through investment by private enterprise, and would not reasonably be anticipated to be developed without public action.

## **INTRODUCTION**

ERS Enterprises, Inc. ("ERS") and Johnson Research Group, Inc. ("JRG") have been engaged to prepare a second Amendment ("Amendment 2") to the Midwest Tax Increment Financing Redevelopment Project and Plan. Amendment 2 of the original plan expands the Midwest Project Area to include the original Project Area as well as additional tax parcels which make up the amended Project Area ("Redevelopment Project Area"). ERS has prepared this Housing Impact Study for the Redevelopment Project Area pursuant to Section 11-74.4-3(n)(5) of the Illinois Tax Increment Allocation Redevelopment Act ("Act"). As required by the Act, ERS conducted the Housing Impact Study for the Midwest Redevelopment Project Area.

The Midwest Redevelopment Project Area is bounded on the north by the alley north of Monroe Street, sections of Maypole Avenue, Kinzie Street, Lake Street and Washington Boulevard; on the east by an irregular line including Western Avenue and sections of California, Washtenaw, Talman and Rockwell Avenues; on the south by the C.B. & O Rail Line, an irregular line which includes the south side frontage of 16th Street from Albany Avenue to Pulaski Road, and sections of Taylor and Arthington Streets; and on the west by sections of Pulaski Road, the alley west of Pulaski Road, and Hamlin Boulevard and Laramie Avenue. Excluded from the Redevelopment Project Area is an irregular area bounded by sections of Polk Street, Taylor Street and Lexington Avenue on the north; Kedzie Avenue and Albany Avenue on the east; Roosevelt Road on the south; and Central Park Avenue and Independence Boulevard on the west.

For the purpose of this Housing Impact Study, the following area generally described below has been excluded from the Housing Impact Study, and hereafter the study area of the Housing Impact Study is referred to as the "Study Area":

- Maypole Avenue on the north;
- Washington Boulevard on the south;
- Hamlin Avenue on the east and
- Harding Avenue on the west.

As such, the City of Chicago has certified pursuant to the Act that no occupied housing units located within this specific area will be removed as the result of the implementation of the Redevelopment Plan.

The Midwest Redevelopment Project Area is strategically located directly west of the Loop and is regionally accessible by the Kennedy, Dan Ryan and Eisenhower Expressways, and the Chicago Transit Authority's Blue Line running down the median of the Eisenhower Expressway.

A map of the Midwest Redevelopment Project Area is included in the Redevelopment Plan, which is contained in a separate document.

### **Housing Impact Study**

The Redevelopment Plan for the Redevelopment Project Area does not presently envision acquiring or demolishing occupied housing units. It is possible, however, at some point during the remaining life of the TIF some relocation may occur as a consequence of the land use changes, renovation and redevelopment activity that is envisioned.

It is for that reason that this report fulfills the legislative requirements for a Housing Impact Study, as set forth in the Act (65 ILCS 5/11-74.4-1 et seq.). The specific requirements of the Housing Impact Study are as follows:

Part I of the Housing Impact Study shall include the following for all residential units within the Redevelopment Project Area:

- (i) data as to whether the residential units are single family or multi-family units; and
- (ii) the number and type of rooms within the units, if that information is available; and
- (iii) whether the units are inhabited or uninhabited, as determined not less than 45 days before the date that the ordinance or resolution required by subsection (a) of Section 11-74.4-5 is passed; and
- (iv) data as to the racial and ethnic composition of the residents in the inhabited residential units. The data requirement as to the racial and ethnic composition of the residents in the inhabited residential units shall be deemed to be fully satisfied by data from the most recent federal census.

Part II of the Housing Impact Study shall identify the inhabited residential units in the Redevelopment Project Area that are to be or may be removed. If inhabited residential units are to be removed, then the housing impact study shall identify:

- (i) the number and location of those units that will or may be removed; and
- (ii) the municipality's plans for relocation assistance for those residents in the Redevelopment Project Area whose residences are to be removed; and
- (iii) the availability of replacement housing for those residents whose residences are to be removed, and the type, location, and cost of the housing; and
- (iv) the type and extent of relocation assistance to be provided.

#### **PART I – HOUSING SURVEY**

The information presented in this report is compiled from a variety of sources. In the winter of 2014-2015, Ernest R. Sawyer Enterprises conducted field research that identified the parcels and buildings located in the Redevelopment Project Area, the number of units in each building, and whether the units were occupied or vacant.

The field work and demographic data was supplemented with information from the 2010 U.S. Census American Community Survey Selected Housing Characteristics Profile. Ratios from the fifty-five (55) Census Block Groups that align most closely with the Redevelopment Project Area were applied to the actual unit counts to provide estimates of the age of the housing stock, the number of rooms and bedrooms, and whether the occupied units were leased or owned.

### i. Number and Type of Residential Units

The number and type of residential units within the Redevelopment Project Area were identified during the housing field survey conducted by ERS. This survey, completed during the winter of 2014-2015, revealed that the Redevelopment Project Area contains a total of **6,488** residential buildings totaling **18,066** residential units. Of which, **17,195** are occupied. The number of residential units by building type is outlined in **Table 1, Number & Type of Residential Units in the Redevelopment Project Area.**

**Table 1: Number & Type of Residential Units in Redevelopment Project Area**

Building Type	Total # of Buildings	Total # of Units
Single Family	1574	1574
Multi-Family	4777	16184
Mixed Use	137	308
<b>TOTAL</b>	<b>6488</b>	<b>18,066</b>

Source: ERS Enterprises

### ii. Number and Type of Rooms in Residential Units

**Table 2** identifies the estimated number of residential units in the Redevelopment Project Area by the number of bedrooms in each unit.

#### Methodology

The methodology employed to estimate the number of housing units by bedroom number is as follows: Data from the 2010 U.S. Census was gathered for the 55 census block groups overlapping the Redevelopment Project Area – and the percentage of units in each bedroom category were determined. The total number of occupied residential units in the Redevelopment Project Area, **17,195**, was then applied to the Redevelopment Project Area Census Block Group percentages for each category to arrive at an estimated number of households for each bedroom category.

As defined by the Census Bureau, number of bedrooms includes all rooms intended for use as bedrooms even if they are currently used for some other purpose. A housing unit consisting of only one room, such as a one-room efficiency apartment, is classified, by definition, as having no bedroom.

**Table 2: Additional Units By Number of Bedrooms in the Redevelopment Project Area**

Number of Bedrooms	Number of Units	% of Total
No Bedroom	1150	6.69%
1 Bedroom	1828	10.63%

3 Bedrooms	6367	37.03%

5+ Bedrooms	462	2.69%
<b>TOTAL:</b>	<b>17,195</b>	<b>100.0%</b>

### iii. Number of Inhabited Units

A survey of inhabited dwelling units within the Redevelopment Project Area was conducted by ERS in the winter of 2014-2015. This survey identified a total of **18,066** residential units, of which **871 (4.8%)** were identified as vacant and **17,195 (95.2%)** units were identified as inhabited.

### iv. Race and Ethnicity of Residents

The racial and ethnic composition of the residents within the Redevelopment Project Area is identified in **Table 3, Race and Ethnicity Characteristics of Residents in the Redevelopment Project Area**, within this section. The methodology used to determine this information is described below.

#### Methodology

As required by the Act, the racial and ethnic composition of the residents in the inhabited residential units was estimated by using demographic data specific to the Redevelopment Project Area Census Block Groups. To determine the racial and ethnic composition of the residents in the inhabited residential units for the purpose of this Housing Impact Study, racial and ethnic data from the 2010 U.S. Census was gathered for the 55 blocks within the Redevelopment Project Area Census Block Groups. All racial categories are based on categories defined by the U.S. Census Bureau. The average household size in the Redevelopment Project Area was estimated at **2.95** persons using the total population divided by the total households in the Redevelopment Project Area Census Blocks. This number was multiplied by the total inhabited residential units in the Redevelopment Project Area, **17,195**, to arrive at an estimated total population of **50,725**. The total population figure was then multiplied by the racial category percentages in the Redevelopment Project Area Census Blocks. The breakdown by Hispanic origin is also provided although the U.S. Census Bureau does not categorize Hispanic origin as a racial group.

**Table 3: Race and Ethnicity Characteristics of Residents in the Redevelopment Project Area**

Race	Total	Percent of Total

## **PART II – POTENTIAL HOUSING IMPACT**

Part II of this study contains, as required by the Act, information on any acquisition and relocation program, along with replacement housing and relocation assistance.

### **i. Number and Location of Units That May Be Removed**

The primary objectives of the Plan are to improve quality of life in the Redevelopment Project Area and the City of Chicago through the elimination of the influences and manifestations of physical and economic deterioration and obsolescence within the Redevelopment Project Area; develop an environment within the Redevelopment Project Area which will contribute more positively to the health, safety, and general welfare of the City, and preserve or enhance the value of properties adjacent to the Redevelopment Project Area; and an increased real estate tax base for the City and other taxing districts having jurisdiction over the Redevelopment Project Area.

#### **Methodology**

Presented below are the three steps used to fulfill the statutory requirements of defining the number and location of inhabited residential units that may be removed or impacted.

- 1) **Properties identified for acquisition.** An acquisition plan has not been prepared as part of the Redevelopment Project Area. Therefore, there are zero (0) occupied housing units that may be impacted due to acquisition.
- 2) **Dilapidation.** The thirty (30) buildings classified as “dilapidated” in the Redevelopment Project Area are presented in more detail in the Redevelopment Project Area Eligibility Study. Five (5) single family units, of which three (3) are occupied, have been identified as dilapidated. Fifty-five (55) multi-family units, of which ten (10) are occupied, have been identified as dilapidated. One (1) occupied unit in a mixed use building has also been identified as dilapidated.
- 3) **Changes in land use.** The Land Use Plan, presented in Section V of the Plan identifies the future land uses to be in effect upon adoption of the Plan. When compared to existing land uses, 141 units have been identified at locations where the Land Use Plan differs from the existing land use.

The City currently has no plans to displace any occupied residential units. However, due to differences between the Redevelopment Plan's long-term Land Use Plan and the existing land uses, 141 occupied units have been identified that may be subject to potential displacement if future development projects take place in these locations.

The City has no plans to displace any occupied residential units. However, based on the methodology described above, up to 155 residential units could be subject to potential displacement as a result of new development projects and the long term implementation of the Redevelopment Plan. The properties with occupied residential units that may be subject to displacement are illustrated in **Figure 1. Occupied Units Subject to Potential Displacement**, at the end of this report.

### **ii. Plan for Relocation Assistance**

The City's plans for relocation assistance for those qualified residents in the Redevelopment Project Area whose residences are to be removed shall be consistent with the requirements set forth in Section 11-74.4-3(n)(7) of the Act. No specific relocation plan has been prepared by the City as of the date of this report because no project has

been approved by the City. Until such a project is approved, there is no certainty that any removal of residences will actually occur.

### iii. Replacement Housing

In accordance with Section 11-74.4-3 (n)(7) of the Act, the City shall make a good faith effort to ensure that affordable replacement housing for any qualified displaced resident whose residence is removed is located in or near the Redevelopment Project Area.

At this juncture there are no plans to remove any residences within the Redevelopment Project Area. However, if replacement housing were needed, a sampling of the availability of housing (within 5 miles) surrounding the Redevelopment Project Area is shown in **Table 4, Survey of Available Rental Housing Units.**

The location, type and cost of a sample of possible replacement housing units located within the Redevelopment Project Area and the surrounding community were determined by a search of affordable apartments through HUD. It is important to note that Chicago has a rental cycle where apartments turn over at a greater rate on May 1 and October 1 of each year. These times would likely reflect a wider variety of rental rates, unit sizes and locations than those available at other times throughout the year.

### iv. Type and Extent of Relocation Assistance

In the event that the implementation of the Plan results in the removal of residential housing units in the Redevelopment Project Area occupied by low-income households or very low-income households, or the displacement of low-income households or very low-

income households from such residential housing units, such households shall be provided affordable housing and relocation assistance not less than that which would be provided under the federal Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and the regulations thereunder, including the eligibility criteria. Affordable housing may be either existing or newly constructed housing. The City shall make a good faith effort to ensure that this affordable housing is located in or near the Redevelopment Project Area.

As used in the above paragraph "low-income households", "very low-income households" and "affordable housing" shall have the meanings set forth in Section 3 of the Illinois Affordable Housing Act, 310 ILCS 65/3. As of the date of this Plan, these statutory terms are defined as follows: (i) "low-income household" means a single person, family or unrelated persons living together whose adjusted income is more than 50 percent but less than 80 percent of the median income of the area of residence, adjusted for family size, as such adjusted income and median income are determined from time to time by the United States Department of Housing and Urban Development ("HUD") for purposes of Section 8 of the United States Housing Act of 1937; (ii) "very low-income household" means a single person, family or unrelated persons living together whose adjusted income is not more than 50 percent of the median income of the area of residence, adjusted for family size, as so determined by HUD; and (iii) "affordable housing" means residential housing that, so long as the same is occupied by low-income households or very low-income households, requires payment of monthly housing costs, including utilities other than telephone, of no more than 30 percent of the maximum allowable income for such households, as applicable.

Based on demographic information in the Redevelopment Project Area Census Block Groups and the income limits provided by United States Department of Housing and Urban Development ("HUD"), ERS concludes that approximately **50%** of the households within the Redevelopment Project Area can be classified as very, very low-income, **17%** of the households may be classified as very low-income, and **14%** of the households may be categorized as low-income, as defined by Section 3 of the *Illinois Affordable Housing Act, 310 ILCS 65/3*. These statutory terms have the following meanings:

- a. "low-income households" means a single-person, family or unrelated persons living together whose adjusted income is more than 50 percent but less than 80 percent of the median income of the area of residence, adjusted for family size, as such adjusted income and median income are determined from time to time by HUD for purposes of Section 8 of the United States Housing Act of 1937;
- b. "very low-income households" means a single-person, family or unrelated persons living together whose adjusted income is not more than 50 percent of the median income of the area of residence, adjusted for family size, as so determined by HUD;
- c. "very, very low-income households" means a single-person, family or unrelated persons living together whose adjusted income is not more than 30 percent of the median income of the area of residence, adjusted for family size, as so determined by HUD; and
- d. "affordable housing" means residential housing that, so long as the same is occupied by low-income households or very low-income

households, requires payment of monthly housing costs, including utilities other than telephone, of no more than 30 percent of the maximum allowable income for such households, as applicable.

Collectively, low-income, very low-income and very, very low-income households are estimated to represent 80% of the inhabited households in the Redevelopment Project Area. After adding a fourth income category – moderate-income households – the Redevelopment Project Area's collective households with incomes at or below the moderate income level are estimated at 87% of the inhabited households in the Redevelopment Project Area. To calculate the number of households at each income category, the Redevelopment Project Area Census Block Group percentages were applied to the total inhabited units in the Redevelopment Project Area and the results are summarized in Table 5, Redevelopment Project Area Household Income- 2010.

**Table 5: Redevelopment Project Area Household Income 2010**

Income Category	Annual Income Range	# of Households	% of Households
Very, Very Low Income	\$0 - \$24,250	8529	49.6%
Very Low Income	\$24,250 - \$38,000	2837	16.5%
Low Income	\$38,000 - \$60,800	2321	13.5%
Moderate Income	\$60,800 - \$76,000	1204	7.0%
Above Moderate Income	\$76,000 or Above	2304	13.4%
<b>TOTAL</b>		<b>17195</b>	<b>100%</b>

U.S. Department of Housing and Urban Development, 2010 U.S. Census, ERS Research and Field Survey

Replacement housing for any displaced households over the course of the life of the Redevelopment Project Area are strongly encouraged to be affordable at these income levels. It should be noted that these income levels are likely to change over the remaining life of the TIF as both median income and income levels within the Redevelopment Project Area change.

Project And Plan.*

## I. INTRODUCTION

This document is to serve as a redevelopment plan for an area located west of the City of Chicago's (the "City") central business district (the "Loop") and is generally bounded on the north by Lake, Washington and Kinzie Streets; on the south by 16th Street; on the east by California Avenue; and on the west by Pulaski Road. This area is subsequently referred to in this document as the Midwest Tax Increment Financing Redevelopment Project Area (the "Project Area"). The Project Area is strategically located directly west of the Loop and is regionally accessible by the Kennedy, Dan Ryan and Eisenhower Expressways and the Chicago Transit Authority's Blue Line running down the median of the Eisenhower Expressway.

As part of its strategy to encourage managed growth and stimulate private investment within the Project Area, the City engaged Trkla, Pettigrew, Allen & Payne, Inc. ("TPAP") to study whether the Project Area of approximately 1,995.5 acres qualifies as a "conservation area" or a "blighted area" under the Illinois Tax Increment Allocation Redevelopment Act (65 ILCS 5/11-74.4-3). The Project Area, described in more detail below as well as in the accompanying Eligibility Study, has not been subject to growth and development through investment by private enterprise and is not reasonably expected to be developed without the efforts and leadership of the City.

While small-scale or piecemeal redevelopment efforts might occur in limited portions of the Project Area, the extensive obsolescence, vacancies and long-term depreciation of physical maintenance of most of the existing buildings are likely to preclude the revitalization of the Project Area on a scale sufficient to return the Project Area to a long-term sound condition without the intervention of the City.

The City believes that the Project Area should be revitalized on a coordinated, comprehensive and planned basis. A coordinated and comprehensive redevelopment effort will allow the City and other taxing districts to work cooperatively to prepare for the increased service demands that may arise from the conversion of underutilized land and buildings to more intensive uses. Such a comprehensive redevelopment plan will also encourage job training to prepare residents of surrounding and nearby neighborhoods for newly created job opportunities anticipated within the Project Area.

### *A. Midwest Tax Increment Financing Redevelopment Project Area*

The two Chicago community areas of North Lawndale and East Garfield Park that make up the Project Area have experienced significant physical and economic decline for more than 30 years. Once a thriving and beautiful area graced by boulevards, this area is now a scattering of abandoned and deteriorated buildings and vacant lots formerly occupied by residential and commercial buildings. Substantial disinvestment on the West Side has resulted in a major decline in the real estate and business tax base and a loss of a significant number of Lawndale's and East Garfield Park's jobs, and the absence of any major development initiative until Homan Square, a TIF-assisted development in the Homan-Arthington TIF. Since the creation of the

Lawndale Conservation Plan in 1968, numerous conservation, rehabilitation, and revitalization efforts have been attempted in this area without much success. These efforts were undertaken by a wide range of City, institutional, and development entities. They usually focus on specific sites or blocks, and lacked the critical mass needed to effect large-scale physical and economic change in the area.

The Project Area contains 5,085 buildings and encompasses a total of approximately 1,995.5 acres. All areas of the Project Area are improved with buildings, surface parking lots, and/or curbs, gutters, sidewalks and street lighting. For a map depicting the boundaries and legal description of the Project Area, see Section II, *Legal Description*.

In general, the Project Area can be described as a "mixed use" area with a variety of land uses, which includes: office, residential, retail, entertainment, institutional, transportation, government and open space. The Project Area offers significant potential for revitalization, which this Plan seeks to address. On the western edge of the Project Area, Providence St. Mel High School represents a vital community anchor. It has had a long-standing presence and exemplary academic record. In addition, Garfield and Douglas Parks serve as major assets for the Project Area.

The Project Area as a whole contains a mix of mostly residential and commercial buildings all varying in height and size. Approximately ninety six percent (95.9%) of the buildings are over 35 years old. The Project Area is characterized by aging infrastructure, deteriorated site development, obsolete buildings, structures below minimum code standards, and vacant and under-utilized buildings.

The considerable physical assets of the Project Area include the following features:

- CTA Rapid Transit (Blue) Line within the Project Area connects the Project Area to the Loop, western suburbs and O'Hare airport. The Green Line runs from the Loop to Oak Park.
- Numerous exits off the Eisenhower Expressway (I-290) provide convenient access to the Loop, University of Illinois at Chicago and the surrounding medical campus.
- The Loop is located approximately two miles east of the Project Area which makes the area attractive for new development.
- Numerous CTA bus lines serve the Project Area.
- Two large parks, Garfield and Douglas connected by Independence and Douglas Boulevards, define the Project Area as one well served by large open space amenities.

Although the Project Area enjoys strong locational assets, particularly its excellent access to highways, rail and transit service, and proximity to the Loop, the Project Area is likely to continue to erode without reinvestment. Existing properties continue to sit vacant due to deterioration and obsolescence while potential business and residential tenants find more attractive and desirable environments outside of the Project Area in which to locate.

The Project Area on the whole has not been subject to growth and development through investment by private enterprise. Evidence of this lack of growth and development is detailed in *Section VI* and summarized below.

- Numerous buildings show signs of obsolescence, deterioration, building code violations, excessive vacancies, and an overall depreciation of physical maintenance.
- Much of the Project Area's infrastructure needs to be repaired. Many of the Project Area's curbs and gutters, street lighting, alleys and sidewalks need repair or replacement.
- Within the last five years, limited new buildings have been built in the Project Area. In this same time period, significant buildings in the Project Area have been demolished. Overall, the investment is very limited and scattered having little to no impact on the Project Area.
- A significant number of buildings within the Project Area are vacant or underutilized.

Without a comprehensive and area-wide effort by the City to promote investment, the Project Area will not likely be subject to sound growth and development through private investment. Existing plans and City programs which support the rehabilitation and improvement of the Project Area have not been implemented on a scale sufficient to achieve the redevelopment goals for the area, as evidenced by the minimal new construction and private investment which has occurred. Today, much of the Project Area is characterized by dilapidation, obsolescence, deterioration, structures below minimum code standards, excessive vacancies, deleterious land-use or layout, depreciation of physical maintenance and a lack of community planning.

While small-scale, piecemeal development might occur in limited portions of the Project Area, the City believes that the Project Area should be revitalized on a coordinated, comprehensive and planned basis to ensure continuity with the planning efforts of the greater central area and surrounding neighborhoods. A coordinated and comprehensive redevelopment effort will allow the City and other taxing districts to work cooperatively to prepare for the increased service demands that may arise from the conversion of underutilized land and buildings to more intensive uses. Such a comprehensive redevelopment plan will also encourage job training to assist in putting residents of the neighborhood and the surrounding neighborhoods to work in jobs anticipated to be created within the Project Area.

### ***B. Tax Increment Financing***

In January 1977, Tax Increment Financing ("TIF") was authorized by the Illinois General Assembly through passage of the *Tax Increment Allocation Redevelopment Act*, 65 ILCS 5/11-74.4-1 *et seq.*, as amended (the "Act"). The Act provides a means for municipalities, after the approval of a redevelopment plan and project, to redevelop blighted, conservation, or industrial park conservation areas and to finance eligible "redevelopment project costs" with incremental property tax revenues. "Incremental Property Tax" or "Incremental Property Taxes" are derived from the increase in the current EAV of real property within the redevelopment project area over and above the "Certified Initial EAV" of such real property. Any increase in EAV is then multiplied by the current tax rate which results in Incremental Property Taxes. A decline in current EAV does not result in a negative Incremental Property Tax.

To finance redevelopment project costs, a municipality may issue obligations secured by Incremental Property Taxes to be generated within the project area. In addition, a municipality may pledge towards payment of such obligations any part or any combination of the following: (a) net revenues of all or part of any redevelopment project; (b) taxes levied and collected on any or all property in the municipality; (c) the full faith and credit of the municipality; (d) a mortgage on part or all of the redevelopment project; or (e) any other taxes or anticipated receipts that the municipality may lawfully pledge.

Tax increment financing does not generate tax revenues by increasing tax rates; it generates revenues by allowing the municipality to capture, temporarily, the new tax revenues produced by the enhanced valuation of properties resulting from the municipality's redevelopment program, improvements and activities, various redevelopment projects, and the reassessment of properties. Under TIF, all taxing districts continue to receive property taxes levied on the initial valuation of properties within the redevelopment project area. Additionally, taxing districts can receive distributions of excess Incremental Property Taxes when annual Incremental Property Taxes received exceed principal and interest obligations for that year and redevelopment project costs necessary to implement the redevelopment plan have been paid. Taxing districts also benefit from the increased property tax base after redevelopment project costs and obligations are paid.

### ***C. The Redevelopment Plan for the Midwest Tax Increment Financing Redevelopment Project Area***

As evidenced in *Section VI*, the Project Area experienced only very limited growth and development through private investment. Furthermore, it is not reasonable to expect that the Project Area as a whole will be redeveloped without the use of TIF.

TPAP has prepared the Midwest Tax Increment Financing Redevelopment Plan and Project (the "Redevelopment Plan") and the related eligibility study with the understanding that the City would rely on (i) the findings and conclusions of the Redevelopment Plan and the related eligibility study in proceeding with the designation of the Redevelopment Plan, and (ii) the fact that TPAP has obtained the necessary information so that the Redevelopment Plan and the related eligibility study will comply with the Act.

This Redevelopment Plan has been formulated in accordance with the provisions of the Act and is intended to guide improvements and activities within the Project Area in order to stimulate private investment in the Project Area. The goal of the City, through implementation of this Redevelopment Plan, is that the entire Project Area be revitalized on a comprehensive and planned basis to ensure that private investment in rehabilitation and new development occurs:

1. On a coordinated rather than piecemeal basis to ensure that land use, access and circulation, parking, public services and urban design are functionally integrated and meet present-day principles and standards; and
2. On a reasonable, comprehensive and integrated basis to ensure that the factors of blight and conservation are eliminated; and

3. Within a reasonable and defined time period so that the Project Area may contribute productively to the economic vitality of the City.

Redevelopment of the Project Area will constitute a large and complex endeavor, presenting challenges and opportunities commensurate with its scale. The success of this redevelopment effort will depend to a large extent on the cooperation between the private sector and agencies of local government. Adoption of this Redevelopment Plan enables the implementation of a comprehensive program for redevelopment of the Project Area. By means of public investment, the Project Area will become a stable environment that will again attract private investment. Public investment will set the stage for area-wide redevelopment by the private sector. Through this Redevelopment Plan, the City will serve as the central force for directing the assets and energies of the private sector to ensure a unified and cooperative public-private redevelopment effort.

This Redevelopment Plan sets forth the overall "Redevelopment Project" to be undertaken to accomplish the City's above-stated goal. During implementation of the Redevelopment Project, the City may, from time to time: (i) undertake or cause to be undertaken public improvements and activities; and (ii) enter into redevelopment agreements and intergovernmental agreements with private or public entities to construct, rehabilitate, renovate or restore private or public improvements on one or several parcels (items (i) and (ii) are collectively referred to as "Redevelopment Projects").

This Redevelopment Plan specifically describes the Project Area and summarizes the conservation area factors which qualify the Project Area as a "conservation area" as defined in the Act.

Successful implementation of this Redevelopment Plan requires that the City utilize Incremental Property Taxes and other resources in accordance with the Act to stimulate the comprehensive and coordinated development of the Project Area. Only through the utilization of TIF will the Project Area develop on a comprehensive and coordinated basis, thereby eliminating the existing and threatened blight and conservation area conditions which have limited development of the Project Area by the private sector.

The use of Incremental Property Taxes will permit the City to direct, implement and coordinate public improvements and activities to stimulate private investment within the Project Area. These improvements, activities and investments will benefit the City, its residents, and all taxing districts having jurisdiction over the Project Area. These anticipated benefits include:

- The enhancement of the economic base arising from new business and residential development and the rehabilitation of existing buildings.
- An increased sales tax base resulting from new and existing retail development.
- An increase in construction, business, retail, commercial, and other full-time employment opportunities for existing and future residents of the City.
- The construction of an improved system of roadways, utilities and other infrastructure which better serves existing businesses and adequately accommodates desired new development.
- The re-establishment of stable residential neighborhoods.

- The expansion of public facilities.
- The consolidation of commercial uses in compact business centers and the redevelopment of non-usable, former strip commercial areas.

## II. LEGAL DESCRIPTION AND PROJECT BOUNDARY

The boundaries of the Project Area have been drawn to include only those contiguous parcels of real property and improvements substantially benefited by the proposed Redevelopment Project to be undertaken as part of this Redevelopment Plan. The boundaries of the Project Area are shown in Figure 1, *Project Boundary*, and are generally described below:

The Project Area is generally bounded on the north by Lake, Washington and Kinzie Streets; on the south by 16th Street; on the east by California Avenue; and on the west by Pulaski Road.

The boundaries of the Project Area are legally described in Exhibit I at the end of this report.

## III. ELIGIBILITY CONDITIONS

The results summarized in this section are more fully described in a separate report which presents the definition, application and extent of the conservation and blight factors in the Project Area. The report, prepared by TPAP is entitled "Midwest Tax Increment Financing Eligibility Study," is attached as Exhibit IV to this Redevelopment Plan.

### A. *Summary of Project Area Eligibility*

Based upon surveys, inspections and analyses of the Project Area, the Project Area qualifies as a "conservation area" within the requirements of the Act. Fifty percent (50%) or more of the buildings in the Project Area have an age of 35 years or more, and the Project Area is characterized by the presence of a combination of three or more of the conservation factors listed in the Act, rendering the Project Area detrimental to the public safety, health and welfare of the citizens of the City. While the Project Area contains some isolated blighted areas, the Project Area as a whole is not yet a blighted area, but it may become a blighted area. What follows is a summary of the TIF eligibility factors:

- Of the 5,085 buildings in the Project Area, 4,883 buildings (96.0%) are 35 years of age or older.
- Of the remaining 14 eligibility factors set forth in the Act for a conservation area, 9 factors are found to be present.

- Seven of the 9 factors found to be present are found to be present to a major extent and are reasonably distributed throughout the Project Area. These factors include: obsolescence, deterioration, structures below minimum code, excessive vacancies, deleterious land use or layout, depreciation of physical maintenance and lack of community planning.
- Two of the 9 factors found to be present area found to be present to a limited extent. These factors include: dilapidation and excessive land coverage.
- All blocks within the Project Area show the presence of conservation factors.
- The Project Area includes only real property and improvements thereon substantially benefited by the proposed redevelopment project improvements.

### ***B. Surveys and Analyses Conducted***

The conservation and blight factors found to be present in the Project Area are based upon surveys and analyses conducted by TPAP. The surveys and analyses conducted for the Project Area include:

1. Exterior survey of the condition and use of each building;
2. Site surveys of streets, alleys, sidewalks, curbs and gutters, lighting, parking facilities, landscaping, fences and walls, and general property maintenance;
3. Analysis of existing uses and their relationships;
4. Comparison of current land use to current zoning ordinance and the current zoning map;
5. Analysis of original and current platting and building size and layout;
6. Analysis of vacant sites and vacant buildings;
7. Analysis of building floor area and site coverage;
8. Analysis of building permits issued for the Project Area from 1991 through 1996; and
9. Review of previously prepared plans, studies and data.

## IV. REDEVELOPMENT GOALS AND OBJECTIVES

Comprehensive and coordinated area-wide investment in new public and private improvements and facilities is essential for the successful redevelopment of the Project Area and the elimination of conditions that have impeded redevelopment of the Project Area in the past. Redevelopment of the Project Area will benefit the City through improvements in the physical environment, an increased tax base, and additional employment opportunities.

This section identifies the general goals and objectives adopted by the City for redevelopment of the Project Area. Section V presents more specific objectives for development and design within the Project Area and the redevelopment activities the City plans to undertake to achieve the goals and objectives presented in this section.

### *A. General Goals*

Listed below are the general goals adopted by the City for redevelopment of the Project Area. These goals provide overall focus and direction for this Redevelopment Plan.

1. An improved quality of life in the Project Area and the surrounding community.
2. Elimination of the influences and manifestations of physical and economic deterioration and obsolescence within the Project Area.
3. An environment which will contribute more positively to the health, safety and general welfare of the Project Area and the surrounding community.
4. An environment which will preserve or enhance the value of properties within and adjacent to the Project Area.
5. An increased real estate and sales tax base for the City and other taxing districts having jurisdiction over the Project Area.
6. The retention and enhancement of sound and viable existing residences, businesses, and industries within the Project Area.
7. The attraction of new residential, business, commercial, retail, and institutional development and the creation of new job opportunities within the Project Area.
8. Employment of residents from within the Project Area and within the adjacent communities in jobs in the Project Area and in adjacent redevelopment project areas. When appropriate, developers and businesses should make themselves available to City and/or local community groups and training institutions to identify, pre-screen and provide pre-employment training to local residents.

### ***B. Redevelopment Objectives***

Listed below are the redevelopment objectives which will guide planning decisions regarding redevelopment within the Project Area.

1. Reduce or eliminate those conditions which qualify the Project Area as a conservation area. These conditions are described in detail in Exhibit IV to this Redevelopment Plan.
2. Strengthen the economic well-being of the Project Area by increasing taxable values.
3. Assemble or encourage the assembly of non-compatible uses, deteriorated or chronically vacant structures and vacant land into parcels of appropriate shape and sufficient size for redevelopment in accordance with this Redevelopment Plan.
4. Provide needed incentives to stimulate private investment and spur revitalization of existing residential buildings, facilitate new residential development, and encourage a broad range of improvements in business retention, rehabilitation and new development.
5. Encourage quality appearance of buildings, rights-of-way and open spaces and encourage high standards of design.
6. Rehabilitate and enhance historically and architecturally significant buildings within the Project Area.
7. Encourage the rehabilitation, renovation and restoration of deteriorated structures where land use is consistent with the Redevelopment Plan.
8. Develop new housing targeted to all income levels and special needs populations that relates to the existing community.
9. Provide needed improvements and community facilities in proper relationship to the projected demand for such facilities and in accordance with present-day design standards.
10. Encourage the development of new and improved shopping opportunities and family entertainment venues.
11. Establish job readiness and job training programs to provide residents within the Project Area and within the adjacent communities with the skills necessary to secure jobs in the Project Area and in adjacent redevelopment project areas.
12. Secure commitments from employers in the Project Area and adjacent redevelopment project areas to interview graduates of the Project Area's job readiness and job training programs.
13. Create new job opportunities for City residents utilizing first source hiring programs and appropriate job training programs.
14. Provide opportunities for women and minority businesses to share in the redevelopment of the Project Area.

## V. REDEVELOPMENT PROJECT

This section presents the Redevelopment Project anticipated to be undertaken by the City and by private entities on behalf of the City in furtherance of this Redevelopment Plan. Several previous plans and policies have been reviewed and form the basis for many of the recommendations presented in this Redevelopment Plan, including: the 1973 *Chicago 21 Plan*; *North Lawndale Community Planning Study*; *Madison-Western Redevelopment Plan Amendment No. 3*; *East Garfield Park Redevelopment Project Area* report; *Homan-Van Buren Redevelopment Plan*; *Madison-Albany Redevelopment Area Plan Amendment No. 3* and the *Madison-Kedzie Project Redevelopment Plan as Amended by Revision No. 1*.

The Redevelopment Project described in this Redevelopment Plan and pursuant to the Act includes: a) the overall redevelopment concept; b) the land use plan; c) improvement and development recommendations for planning subareas; d) development and design objectives; e) a description of redevelopment improvements and activities; f) estimated redevelopment project costs; g) a description of sources of funds to pay estimated redevelopment project costs; h) a description of obligations that may be issued; and i) identification of the most recent EAV of properties in the Project Area and an estimate of future EAV.

### A. *Overall Redevelopment Concept*

The Project Area should be redeveloped as a cohesive and distinctive residential and commercial district. It should consist of residential and commercial uses offering a range of development opportunities; commercial uses that serve and support surrounding neighborhoods and employment centers; and a range of public facilities, open spaces and pedestrian amenities.

The Project Area should be redeveloped on a planned and coordinated basis. Within the Project Area, opportunities for high quality, in-fill residential development within residential neighborhoods should be promoted, viable existing businesses should be retained and enhanced, and new business, institutional, government, transportation, entertainment, and retail development should be undertaken in appropriate locations on existing vacant or underutilized properties within the Project Area. New residential development should be compatible in design, scale, density, and setback with the existing residential uses.

The entire Project Area should be marked by improvements in safety and infrastructure, upgrading and stabilizing residential neighborhoods, retention and expansion of jobs and businesses, new business development, and enhancement of the area's overall image and appearance. Improvement projects should include: the rehabilitation and reuse of existing residential and commercial buildings; new residential and commercial construction; street and infrastructure improvements; creation and enhancement of open space, landscaping and other appearance improvements; and the provision of new community facilities and amenities which both residents and businesses find beneficial in a contemporary mixed use urban neighborhood.

The Project Area should maintain good accessibility and should continue to be served by a street system and public transportation facilities that provide safe and convenient access to and circulation within the Project Area.

The Project Area should be characterized by a planned network of open spaces and public amenities which will organize and provide focus to the Project Area. An open space network comprised of parks, open spaces, trails, and landscaped streets and boulevards should be created to link business centers, retail areas, residential development, open spaces, and community facilities.

The Project Area should have a coherent overall design and character. Individual developments should be visually distinctive and compatible. The Project Area should respect the City's traditional form characterized by a grid pattern of streets with buildings facing the street and located at or very near the front property line.

### ***B. Land Use Plan***

Figure 2 presents the Land-Use Plan that will be in effect upon adoption of this Redevelopment Plan.

As indicated in Figure 2, the Project Area should be redeveloped as a planned and cohesive urban neighborhood providing sites for a range of housing types, limited commercial development, and parks and open space. The various land uses should be arranged and located so that there is a sensitive transition between residential and non-residential developments in order to minimize conflicts between different land uses.

Residential, commercial, mixed-use, and related community uses, such as public and private institutional uses, should be encouraged within the Midwest Redevelopment Project Area as shown in Figure 2, Generalized Land-Use Plan. Residential uses include single family and multi-unit developments. Commercial uses should be focused at the intersections of major arterial streets, in accordance with the underlying zoning. Complementary public and private uses should also be permitted.

All development should comply with the Redevelopment Plan objectives set forth in Section IV above, the Chicago Zoning Ordinance, and all other relevant City ordinances and development guidelines.

The Land-Use Plan identifies the land use to be in effect upon adoption of this Redevelopment Plan. The primary land use categories within the Project Area include residential, commercial/retail/service, mixed-use (commercial/residential, or commercial/industrial or commercial/institutional) public/institutional, parks/open space, hospital, and industrial. The land uses include those described and listed below.

1. Residential

Residential land-use areas include existing residential neighborhoods and other locations suitable for residential use. Development of new housing will be encouraged on vacant sites within blocks where residential uses already exist. New residential buildings should be compatible in design, scale and density with existing residential development. Day care homes and centers, schools, parks, churches, and similar uses which support and are compatible with residential neighborhoods and similar and compatible uses consistent with the City's Zoning Ordinance should be permitted within designated residential land use areas.

2. Commercial/Retail/Service

Areas designated for commercial/retail service use are intended to provide goods and services for the immediate neighborhood and surrounding community. Commercial/retail service areas should be clustered in areas near important intersections with good accessibility and at locations where similar and compatible uses exist. Commercial/retail/service uses consistent with the City Zoning Ordinance should be permitted.

3. Mixed Use (Commercial/Multi-Family Residential, Commercial/Industrial, or Commercial/Institutional)

The land use designation of mixed-use occurs in several locations within the General Land Use Plan. This designation is intended to indicate an area that is characterized by basically sound mix of uses or has potential for one or more of the other uses shown in the Land Use Plan's legend. Most of the mixed-use areas indicated on the Land Use Plan are envisioned in this plan as a mixture of either commercial and multi-family residential, or commercial/industrial, or commercial/institutional use.

Within designated mixed-use areas development for predominantly low density residential use of entire block fronts will be encouraged where it is determined by the City that business or commercial use of such block fronts is not economically viable or could adversely affect potential for sound residential development.

4. Public/Institutional

Public/Institutional land use areas provide space for the educational, recreational, civic, social and religious institutions of the surrounding community.

5. Parks/Open Space

Parks/Open space areas include the existing public park and open space areas. Additional park space is encouraged within the Redevelopment Project Area to serve existing and future residents of existing neighborhoods and community areas.

6. Hospital

The hospital land-use designation includes existing hospitals and related medical facilities.

## 7. Industrial

Industrial land use areas are suitable for a wide mix of land uses, including manufacturing, assembly, distribution, warehousing, office, and research and development facilities. In addition, limited commercial development which serves and supports existing and nearby industrial areas should be permitted in selected locations.

### *C. Development And Design Objectives*

Listed below are the specific Development and Design Objectives which will assist the City in directing and coordinating public and private improvement and investment within the Project Area in order to achieve the general goals and objectives identified in *Section IV* of this Redevelopment Plan.

The Development and Design Objectives are intended to help attract a variety of desirable uses such as new residential, business, institutional, and commercial development; foster a consistent and coordinated development pattern; and create an attractive urban identity for the Project Area.

#### **a) Land Use**

- Promote comprehensive, area-wide redevelopment of the Project Area on a planned basis, allowing a wide range of residential, business, retail, family entertainment, commercial services, open space, public and institutional uses.
- Promote business retention and new employment development.
- Encourage the clustering of similar and supporting commercial uses to promote cumulative attraction, multi-stop shopping and business activity.
- Promote convenience retail and service uses that can provide for the day-to-day needs of nearby residents, employees and business patrons.
- Promote compatible new housing in residential areas.

#### **b) Building and Site Development**

- Where feasible, repair and rehabilitate existing buildings in poor condition.
- Reuse vacant buildings in serviceable condition for new businesses, residential uses, or mixed-use development.
- Ensure that the design of new buildings is compatible with the surrounding building context.
- Preserve buildings with historic and architectural value where appropriate.
- Locate building service and loading areas away from front entrances and major streets where possible.
- Encourage parking, service, loading and support facilities which can be shared by multiple businesses.

- Encourage retail, entertainment, and restaurants on the first and second floors of buildings to create a pedestrian-oriented environment.
- Improve the design and appearance of commercial storefronts, including facade treatment, color, materials, awnings and canopies, and commercial signage.

**c) Transportation and Infrastructure**

- Ensure safe and convenient access to and circulation within the Project Area for pedestrians, bicyclists, autos, trucks and public transportation.
- Alleviate traffic congestion along arterial routes through limited driveways, shared loading zones, efficient bus stop spacing and traffic management improvements.
- Improve the street surface conditions, street lighting, and traffic signalization.
- Promote “transit-friendly” developments that incorporate transit facilities into their design.
- Create small “arrival” places or mini-plazas at the entrances to transit stations.
- Provide well-defined, safe pedestrian connections between developments within the Project Area and nearby destinations.
- Upgrade public utilities and infrastructure as required.

**d) Parking**

- Ensure that all commercial/retail businesses are served by an adequate supply of conveniently located parking.
- Maintain curb parking on selected streets to serve the retail and commercial businesses.
- Promote shared parking through cooperative arrangements between businesses which would permit existing parking lots to be used by neighboring businesses during off-peak periods.
- Ensure that parking lots are attractively designed and adequately maintained.
- Promote the use of ground floor space within parking structures for retail or service businesses.

**e) Urban Design**

- Provide new pedestrian-scale lighting in areas with intense pedestrian activity.
- Provide new street trees and accent lighting where space permits.
- Promote high quality and harmonious architectural and landscape design within mixed use districts.
- Enhance the appearance of the Project Area by landscaping the major street corridors.

- Provide distinctive design features, including landscaping and signage, at the major entryways into the Project Area.
- Clean-up and maintain vacant land, particularly in highly visible locations; where possible, use vacant lots for open space or pocket parks.
- Promote the development of “public art” at selected locations.

**f) Landscaping and Open Space**

- Promote the development of shared open spaces within the Project Area, including courtyards, recreational areas, etc.
- Ensure that all open spaces are designed, landscaped and lighted to achieve a high level of security.
- Promote the use of landscaping to screen dumpsters, waste collection areas, and the perimeter of parking lots and other vehicular use areas.
- Use landscaping and attractive fencing to screen loading and service areas from public view.
- Ensure that all landscaping and design materials comply with the City of Chicago Landscape Ordinance.

***D. Redevelopment Improvements and Activities***

The City proposes to achieve its redevelopment goals and objectives for the Project Area through the use of public financing techniques including, but not limited to, tax increment financing, to undertake some or all of the activities and improvements authorized under the Act, including the activities and improvements described below. The City also maintains the flexibility to undertake additional activities and improvements authorized under the Act, if the need for activities or improvements change as redevelopment occurs in the Project Area.

The City may enter into redevelopment agreements or intergovernmental agreements with public or private entities for the furtherance of this Redevelopment Plan. Such redevelopment agreements may be for the assemblage of land; the construction, rehabilitation, renovation or restoration of improvements or facilities; the provision of services; or any other lawful purpose. Redevelopment agreements may contain terms and provisions which are more specific than the general principles set forth in this Redevelopment Plan and which include affordable housing requirements as described below.

It is City policy to require that developers who receive TIF assistance for market rate housing set aside 20 percent of the units to meet affordability criteria established by the City’s Department of Housing. Generally, this means the affordable for-sale units should be priced at a level that is affordable to persons earning no more than 120 percent of the area median income, and affordable rental units should be affordable to persons earning no more than 80% of the area median income.

1. **Property Assembly**

To meet the goals and objectives of this Redevelopment Plan, the City may acquire and assemble property throughout the Project Area. Land assemblage by the City may be by purchase, exchange, donation, lease or eminent domain or through the Tax Re-activation Program and may be for the purpose of (a) sale, lease or conveyance to private developers, or (b) sale, lease, conveyance or dedication for the construction of public improvements or facilities. Furthermore, the City may require written redevelopment agreements with developers before acquiring any properties. As appropriate, the City may devote acquired property to temporary uses until such property is scheduled for disposition and development.

In connection with the City exercising its power to acquire real property, including the exercise of the power of eminent domain, under the Act in implementing the Redevelopment Plan, the City will follow its customary procedures of having each such acquisition recommended by the Community Development Commission (or any successor commission) and authorized by the City Council of the City. Acquisition of such real property as may be authorized by the City Council does not constitute a change in the nature of this Redevelopment Plan.

The City may demolish improvements, remove and grade soils and prepare sites with soils and materials suitable for new construction. Clearance and demolition will, to the greatest extent possible, be timed to coincide with redevelopment activities so that tracts of land do not remain vacant for extended periods and so that the adverse effects of clearance activities may be minimized.

The City may (a) acquire any historic structure (whether a designated City or State landmark or on, or eligible for, nomination to the National Register of Historic Places); (b) demolish any non-historic feature of such structure; and (c) incorporate any historic structure or historic feature into a development on the subject property or adjoining property.

2. **Relocation**

Relocation assistance may be provided in order to facilitate redevelopment of portions of the Redevelopment Project Area and to meet other City objectives. Business or households legally occupying properties to be acquired by the City may be provided with relocation advisory and financial assistance as determined by the City.

3. **Provision of Public Works or Improvements**

The City may provide public improvements and facilities that are necessary to service the Project Area in accordance with this Redevelopment Plan and the comprehensive plan for development of the City as a whole. Public improvements and facilities may include, but are not limited to, the following:

a) *Streets and Utilities*

A range of individual roadway, utility and related improvement projects, from repair and resurfacing to major construction or reconstruction, may be undertaken.

b) *Parks and Open Space*

Improvements to existing or future parks, open spaces and public plazas may be provided, including the construction of pedestrian walkways, stairways, lighting, landscaping and general beautification improvements may be provided for the use of the general public.

c) *Transportation Infrastructure*

Improvements and/or expansion of the existing CTA Rapid Transit Stations and bus stops in the Project Area may be provided to support the increased demand resulting from future development within the Project Area.

**4. Rehabilitation of Existing Buildings**

The City will encourage the rehabilitation of buildings that are basically sound and/or historically significant, and are located so as not to impede the Redevelopment Project. Incremental Property Taxes may be used in connection with Department of Housing programs to assist in the rehabilitation of housing.

**5. Job Training and Related Educational Programs**

Separate or combined programs designed to increase the skills of the labor force to meet employers' hiring needs and to take advantage of the employment opportunities within the Project Area may be implemented.

**6. Taxing Districts Capital Costs**

The City may reimburse all or a portion of the costs incurred by certain taxing districts in the furtherance of the objectives of this Redevelopment Plan.

**7. Interest Subsidies**

Funds may be provided to redevelopers for a portion of interest costs incurred by a redeveloper related to the construction, renovation or rehabilitation of a redevelopment project provided that:

- (a) such costs are to be paid directly from the special tax allocation fund established pursuant to the Act;
- (b) such payments in any one year may not exceed 30 percent of the annual interest costs incurred by the redeveloper with respect to the redevelopment project during that year;

- (c) if there are not sufficient funds available in the special tax allocation fund to make the payment, then the amounts so due shall accrue and be payable when sufficient funds are available in the special tax allocation fund; and
- (d) the total of such interest payments paid pursuant to the Act may not exceed 30 percent of the total: (i) costs paid or incurred by a redeveloper for a redevelopment project plus (ii) redevelopment project costs excluding any property assembly costs and any relocation costs incurred by the City pursuant to the Act.

**8. Analysis, Administration, Studies, Surveys, Legal, etc.**

The City may undertake or engage professional consultants, engineers, architects, attorneys, etc. to conduct various analyses, studies, surveys, administration or legal services to establish, implement and manage this Redevelopment Plan.

***E. Redevelopment Project Costs***

The various redevelopment expenditures which are eligible for payment or reimbursement under the Act are reviewed below. Following this review is a list of estimated redevelopment project costs which are deemed to be necessary to implement this Redevelopment Plan (the "Redevelopment Project Costs"). Some of the costs listed below will become eligible costs under the Act pursuant to an amendment to the Act effective November 1, 1999.

**1. Eligible Redevelopment Project Costs**

Redevelopment project costs include the sum total of all reasonable or necessary costs incurred, estimated to be incurred, or incidental to this Redevelopment Plan pursuant to the Act. Such costs may include, without limitation, the following:

- (1) Costs of studies, surveys, development of plans and specifications, implementation and administration of the redevelopment plan including but not limited to, staff and professional service costs for architectural, engineering, legal, financial, planning or other services, provided that no charges for professional services are based on a percentage of the tax increment collected; and the cost of marketing sites within the area to prospective businesses, developers and investors.
- (2) Property assembly costs, including but not limited to, acquisition of land and other property, real or personal, or rights or interests therein, demolition of buildings, site preparation, site improvements that serve as an engineered barrier addressing ground level or below ground environmental contamination, including, but not limited to parking lots and other concrete or asphalt barriers, and the clearing and grading of land;
- (3) Costs of rehabilitation, reconstruction or repair or remodeling of existing public or private buildings, fixtures, and leasehold improvements; and the cost of replacing an existing public building if pursuant to the implementation of a redevelopment

ment project the existing public building is to be demolished to use the site for private investment or devoted to a different use requiring private investment;

- (4) Costs of the construction of public works or improvements;
- (5) Costs of job training and retraining projects including the cost of "welfare to work" programs implemented by businesses located within the redevelopment project area;
- (6) Financing costs including, but not limited to, all necessary and incidental expenses related to the issuance of obligations and which may include payment of interest on any obligations issued thereunder including interest accruing during the estimated period of construction of any redevelopment project for which such obligations are issued and for a period not exceeding 36 months following completion and including reasonable reserves related thereto;
- (7) To the extent the municipality by written agreement accepts and approves the same, all or a portion of a taxing district's capital costs resulting from the redevelopment project necessarily incurred or to be incurred within a taxing district in furtherance of the objectives of the redevelopment plan and project;
- (8) Relocation costs to the extent that a municipality determines that relocation costs shall be paid or is required to make payment of relocation costs by federal or state law;
- (9) Payment in lieu of taxes as defined in the Act;
- (10) Costs of job training, retraining, advanced vocational education or career education, including but not limited to, courses in occupational, semi-technical or technical fields leading directly to employment, incurred by one or more taxing districts, provided that such costs: (i) are related to the establishment and maintenance of additional job training, advanced vocational education or career education programs for persons employed or to be employed by employers located in a redevelopment project area; and (ii) when incurred by a taxing district or taxing districts other than the municipality, are set forth in a written agreement by or among the municipality and the taxing district or taxing districts, which agreement describes the program to be undertaken including but not limited to, the number of employees to be trained, a description of the training and services to be provided, the number and type of positions available or to be available, itemized costs of the program and sources of funds to pay for the same, and the term of the agreement. Such costs include, specifically, the payment by community college districts of costs pursuant to Sections 3-37, 3-38, 3-40, and 3-40.1 of the Public Community College Act and by school districts of costs pursuant to Sections 10-22.20a and 10-23.3a of the School Code;

- (11) Interest cost incurred by a redeveloper related to the construction, renovation or rehabilitation of a redevelopment project provided that:
- (A) such costs are to be paid directly from the special tax allocation fund established pursuant to the Act;
  - (B) such payments in any one year may not exceed 30 percent of the annual interest costs incurred by the redeveloper with regard to the redevelopment project during that year;
  - (C) if there are not sufficient funds available in the special tax allocation fund to make the payment pursuant to this provision, then the amounts so due shall accrue and be payable when sufficient funds are available in the special tax allocation fund;
  - (D) the total of such interest payments paid pursuant to the Act may not exceed 30 percent of the total: (i) cost paid or incurred by the redeveloper for such redevelopment project plus (ii) redevelopment project costs excluding any property assembly costs and any relocation costs incurred by a municipality pursuant to the Act.
  - (E) up to 75% of the interest cost incurred by a redeveloper for the financing of rehabilitated or new housing units for low-income households and very low-income households, as defined in Section 3 of the Illinois Affordable Housing Act.
  - (F) up to 50% of the cost of construction, renovation and/or rehabilitation of all low- and very low-income housing units (for ownership or rental) as defined in Section 3 of the Illinois Affordable Housing Act. If the units are part of a residential redevelopment project that includes units not affordable to low- and very low-income households, only the low- and very low-income units shall be eligible for benefits under the Act.
- (12) Unless explicitly provided in the Act, the cost of construction of new privately-owned buildings shall not be an eligible redevelopment project cost.

If a special service area has been established pursuant to the Special Service Area Tax Act, 35 ILCS 235/0.01 *et. seq.* then any tax increment revenues derived from the tax imposed pursuant to the Special Service Area Tax Act may be used within the redevelopment project area for the purposes permitted by the Special Service Area Tax Act as well as the purposes permitted by the Act.

## 2. Estimated Redevelopment Project Costs

A range of redevelopment activities and improvements will be required to implement this Redevelopment Plan. The activities and improvements and their estimated costs are set forth in Exhibit II of this Redevelopment Plan. All estimates are based on 1999 dollars. Funds may be moved from one line item to another or to an eligible cost category described in this Plan.

Redevelopment Project Costs described in this Redevelopment Plan are intended to provide an upper estimate of expenditures. Within this upper estimate, adjustments may be made in line items without amending this Redevelopment Plan.

### *F. Sources of Funds to Pay Redevelopment Project Costs*

Funds necessary to pay for Redevelopment Project Costs and secure municipal obligations issued for such costs are to be derived primarily from Incremental Property Taxes. Other sources of funds which may be used to pay for Redevelopment Project Costs or secure municipal obligations are land disposition proceeds, state and federal grants, investment income, private financing and other legally permissible funds the City may deem appropriate. Also, the City may permit the utilization of guarantees, deposits and other forms of security made available by private sector developers. Additionally, the City may utilize revenues, other than state sales tax increment revenues, received under the Act from one redevelopment project area for eligible costs in another redevelopment project area that is either contiguous to, or is separated only by a public right-of-way from, the redevelopment project area from which the revenues are received. The City may incur Redevelopment Project Costs which are paid from funds of the City other than incremental taxes, and the City may then be reimbursed from such costs from incremental taxes.

The Roosevelt/Homan and Homan/Arthington TIFs are contiguous and located interior to the Project Area. The Project Area is contiguous to the Roosevelt/Cicero and the Kinzie Industrial Corridor TIF on the west and the Western/Ogden TIF on the east and may, in the future, be contiguous to or separated only by a public right of way from, other redevelopment project areas created under the Act. The City may utilize net incremental property taxes received from the Project Area to pay eligible redevelopment project costs, or obligations issued to pay such costs, in other contiguous redevelopment project areas or project areas separated only by a public right-of-way, and vice versa. The amount of revenue from the Project Area made available to support such contiguous redevelopment project areas or those separated only by a public right-of-way, when added to all amounts used to pay eligible Redevelopment Project Costs within the Project Area, shall not at any time exceed the total Redevelopment Project Costs described in this Redevelopment Plan.

The Project Area may become contiguous to, or be separated only by a public right-of-way from, redevelopment project areas created under the Industrial Jobs Recovery Law (65 ILCS 5/11-74.6-1, et seq.). If the City finds that the goals, objectives and financial success of such contiguous redevelopment project areas or those separated only by a public right-of-way are interdependent with those of the Project Area, the City may determine that it is in the best inter-

ests of the City and in furtherance of the purposes of the Redevelopment Plan that net revenues from the Project Area be made available to support any such redevelopment project areas. The City therefore proposes to utilize net incremental revenues received from the Project Area to pay eligible redevelopment project costs (which are eligible under the Industrial Jobs Recovery Law referred to above) in any such areas and vice versa. Such revenues may be transferred or loaned between the Project Area and such areas. The amount of revenue from the Project Area so made available, when added to all amounts used to pay eligible Redevelopment Project Costs within the Project Area or other areas as described in the preceding paragraph, shall not at any time exceed the total Redevelopment Project Costs described in Exhibit II of this Redevelopment Plan.

### ***G. Issuance of Obligations***

The City may issue obligations secured by Incremental Property Taxes pursuant to Section 11-74.4-7 of the Act. To enhance the security of a municipal obligation, the City may pledge its full faith and credit through the issuance of general obligation bonds. Additionally, the City may provide other legally permissible credit enhancements to any obligations issued pursuant to the Act.

The redevelopment project shall be completed, and all obligations issued to finance redevelopment costs shall be retired, no later than December 31 of the year in which the payment to the City treasurer as provided in the Act is to be made with respect to ad valorem taxes levied in the twenty-third calendar year following the year in which the ordinance approving the Project Area is adopted (By December 31, 2023). Also, the final maturity date of any such obligations which are issued may not be later than 20 years from their respective dates of issue. One or more series of obligations may be sold at one or more times in order to implement this Redevelopment Plan. Obligations may be issued on a parity or subordinated basis.

In addition to paying Redevelopment Project Costs, Incremental Property Taxes may be used for the scheduled retirement of obligations, mandatory or optional redemption, establishment of debt service reserves and bond sinking funds. To the extent that Incremental Property Taxes are not needed for these purposes, any excess Incremental Property Taxes shall then become available for distribution annually to taxing districts having jurisdiction over the Project Area in the manner provided by the Act.

### ***H. Valuation of the Project Area***

#### **1. Most Recent Equalized Assessed Valuation of Properties in the Project Area**

The purpose of identifying the most recent equalized assessed valuation ("EAV") of the Project Area is to provide an estimate of the initial EAV which the Cook County Clerk will certify for the purpose of annually calculating the incremental EAV and incremental property taxes of the Project Area. The 1998 EAV of all taxable parcels in the Project Area is approximately \$111.6 million. This total EAV by PIN is summarized in Exhibit III. The EAV is subject to verification by the Cook County Clerk. After verification, the final figure shall be certified by the Cook County Clerk, and shall become

the Certified Initial EAV from which all incremental property taxes in the Project Area will be calculated by Cook County.

**2. Anticipated Equalized Assessed Valuation**

By the tax year 2022 (collection year 2023) and following roadway and utility improvements, installation of additional and upgraded lighting, improved signage and landscaping, etc. and substantial completion of potential Redevelopment Projects, the EAV of the Project Area is estimated to approach \$260 million. Estimates are based on several key assumptions, including: 1) redevelopment of the Project Area will occur in a timely manner; 2) between approximately 2,310 and 4,620 new residential units will be constructed in the Project Area and occupied by 2016; 3) an estimated annual inflation in EAV of 2 percent will be realized through 2022, and 4) the five year average state equalization factor of 2.1436 (tax years 1994 through 1998) is used in all years to calculate estimated EAV.

## **VI. LACK OF GROWTH AND DEVELOPMENT THROUGH INVESTMENT BY PRIVATE ENTERPRISE**

As described in *Section III* of this Redevelopment Plan, the Project Area as a whole is adversely impacted by the presence of numerous conservation and blight factors, and these factors are reasonably distributed throughout the Project Area. Conservation and blight factors within the Project Area are widespread and represent major impediments to sound growth and development.

The physical decline of structures and sites, and the lack of private investment in the Project Area are evidenced by the following:

### **Physical Condition of the Project Area**

- Approximately ninety-six (96.0) percent of the 5,085 buildings in the Project Area are 35 years of age or older.
- Of the 14 conservation area factors set forth in the Act, nine factors are found to be present. Factors include dilapidation, obsolescence, deterioration, structures below minimum code standards, excessive vacancies, excessive land coverage, deleterious land-use or layout, depreciation of physical maintenance and lack of community planning.
- In over five years between 1994 and 1999, the City's Building Department issued building code violations to 2,452 of 4,520 different buildings located east of Pulaski within the Project Area. This represents 54% of the total buildings within the Project Area.
- A major portion of the Project Area's infrastructure (i.e. streets, alleys, curbs and gutters, street lighting and sidewalks) needs major repair or replacement.

### **Lack of Investment and Growth by Private Enterprise**

- Between 1994 and 1999, 403 structures in the Project Area have been demolished while only 267 new structures were added. This represents a decline in development activity in the Project Area since demolitions have not been replaced with new construction.

- Between 1997 and 1998, the EAV of the Project Area increased by only 0.4 percent while the EAV of the City of Chicago as a whole increased by 1.8 percent.
- In addition to park and school facilities, the City of Chicago owns 894 separate parcels out of 10,398 parcels, which represents 8.6% of property in the Project Area.
- Between 1994 and 1999, the majority of permits (51%) were issued for repairs. Of the 922 permits issued for repairs, 197 building permits were issued for repairs by order of the City's Building Department.
- A significant number of buildings within the Project Area are vacant or underutilized. In particular, 941 buildings are either partially or totally vacant. This vacant space is evidence of the lack of growth and development within the Project Area.

## VII. FINANCIAL IMPACT

Without the adoption of the Redevelopment Plan and TIF, the Project Area is not reasonably expected to be redeveloped by private enterprise. In the absence of City-sponsored redevelopment initiatives, there is the potential that conservation and blight factors will continue to exist and spread, and the Project Area on the whole and adjacent properties will become less attractive for the maintenance and improvement of existing buildings and sites. In the absence of City-sponsored redevelopment initiatives, erosion of the assessed valuation of property in and outside of the Project Area could lead to a reduction of real estate tax revenue to all taxing districts.

*Section V* of this Redevelopment Plan describes the comprehensive, area-wide Redevelopment Project proposed to be undertaken by the City to create an environment in which private investment can occur. The Redevelopment Project will be staged over a period of years consistent with local market conditions and available financial resources required to complete the various redevelopment improvements and activities as well as Redevelopment Projects set forth in this Redevelopment Plan. Successful implementation of this Redevelopment Plan is expected to result in new private investment in rehabilitation of buildings and new construction on a scale sufficient to eliminate problem conditions and to return the area to a long-term sound condition.

The Redevelopment Project is expected to have significant short- and long-term positive financial impacts on the taxing districts affected by this Redevelopment Plan. In the short-term, the City's effective use of TIF can be expected to stabilize existing assessed values in the Project Area, thereby stabilizing the existing tax base for local taxing agencies. In the long-term, after the completion of all redevelopment improvements and activities, Redevelopment Projects and the payment of all Redevelopment Project Costs and municipal obligations, the taxing districts will benefit from the enhanced tax base which results from the increase in EAV caused by the Redevelopment Projects.

## VIII. DEMAND ON TAXING DISTRICT SERVICES

The following major taxing districts presently levy taxes against properties located within the Project Area:

Cook County. The County has principal responsibility for the protection of persons and property, the provision of public health services and the maintenance of County highways.

Cook County Forest Preserve District. The Forest Preserve District is responsible for acquisition, restoration and management of lands for the purpose of protecting and preserving open space in the City and County for the education, pleasure and recreation of the public.

Metropolitan Water Reclamation District of Greater Chicago. This district provides the main trunk lines for the collection of waste water from cities, villages and towns, and for the treatment and disposal thereof.

Chicago Community College District 508. This district is a unit of the State of Illinois' system of public community colleges, whose objective is to meet the educational needs of residents of the City and other students seeking higher education programs and services.

Board of Education of the City of Chicago. General responsibilities of the Board of Education include the provision, maintenance and operations of educational facilities and the provision of educational services for kindergarten through twelfth grade. Twenty-three public schools are located in the Project Area.

Chicago Park District. The Park District is responsible for the provision, maintenance and operation of park and recreational facilities throughout the City and for the provision of recreation programs. There are eight parks located within the Project Area.

Chicago School Finance Authority. The Authority was created in 1980 to exercise oversight and control over the financial affairs of the Board of Education.

City of Chicago. The City is responsible for the provision of a wide range of municipal services, including: police and fire protection; capital improvements and maintenance; water supply and distribution; sanitation service; building, housing and zoning codes, etc. A fire station is located within the Project Area and is illustrated in Figure 4, *Surrounding Community Facilities*.

City of Chicago Library Fund. General responsibilities of the Library Fund include the provision, maintenance and operation of the City's library facilities.

In 1994, the Act was amended to require an assessment of any financial impact of the Project Area on, or any increased demand for services from, any taxing district affected by the Redevelopment Plan and a description of any program to address such financial impacts or increased demand. The City intends to monitor development in the areas and with the cooperation of the other affected taxing districts will attempt to ensure that any increased needs are addressed in connection with any particular development.

In addition to the major taxing districts summarized above, the Chicago Urban Transportation District, and the City of Chicago Special Service Area 12 have taxing jurisdiction over part or all of the Project Area. The Chicago Urban Transportation District (formerly a separate taxing district from the City) no longer extend tax levies, but continues to exist for the purpose of receiving delinquent taxes.

#### ***A. Impact of the Redevelopment Project***

The replacement of vacant and underutilized properties with business, residential, and other development may cause increased demand for services and/or capital improvements to be provided by the Metropolitan Water Reclamation District, the City, the Board of Education and the Chicago Park District. The estimated nature of these increased demands for services on these taxing districts are described below.

Metropolitan Water Reclamation District of Greater Chicago. The replacement of vacant and underutilized properties with new development may cause increased demand for the services and/or capital improvements provided by the Metropolitan Water Reclamation District.

City of Chicago. The replacement of vacant and underutilized properties with new development may increase the demand for services and programs provided by the City, including police protection, fire protection, sanitary collection, recycling, etc.

Board of Education. The addition of new households with school-aged children to the Project Area may increase the demand for services and programs provided by the Board of Education. The nearest public schools are: Faraday, Maples, Rockwell, Calhoun, Marshall H. S., Gregory, Bethune, Manley H. S., Henson, Herzl, Hess, Lathrop, William Penn, Dvorak, Howland and Collins H. S. all of which are located within the Project Area. The locations of these schools are illustrated in Figure 5, *Surrounding Community Facilities*.

Chicago Park District. The replacement of vacant and underutilized properties with residential, business and other development may increase the demand for services, programs and capital improvements provided by the Chicago Park District within and adjacent to the Project Area. These public services or capital improvements may include, but are not necessarily limited to, the provision of additional open spaces and recreational facilities by the Chicago Park District. The nearest parks are Garfield Park and Douglas Park both located either wholly or in part within the Project Area. The locations of these parks are illustrated in Figure 5, *Surrounding Community Facilities*.

*B. Program to Address Increased Demand for Services or Capital Improvements*

The following activities represent the City's program to address increased demand for services or capital improvements provided by the impacted taxing districts.

- It is expected that any increase in demand for treatment of sanitary and storm sewage associated with the Project Area can be adequately handled by existing treatment facilities maintained and operated by the Metropolitan Water Reclamation District. Therefore, no special program is proposed for the Metropolitan Water Reclamation District.
- It is expected that any increase in demand for City services and programs associated with the Project Area can be adequately handled by existing City, police, fire protection, sanitary collection and recycling services and programs maintained and operated by the City. Therefore, no special programs are proposed for the City.
- It is expected that the households that may be added to the Project Area will contain some school-aged children and, at this time, no special program is proposed for the Board of Education. The City will attempt to ensure that any increased demands for the services and capital improvements provided by the Board of Education are addressed in connection with any particular residential development in the Project Area.
- It is expected that the households and businesses that may be added to the Project Area may generate additional demand for recreational services and programs and may create the need for additional open spaces and recreational facilities operated by the Chicago Park District. The City intends to monitor development in the Project Area and, with the cooperation of the Chicago Park District, will attempt to ensure that any increased demands for the services and capital improvements provided by the Chicago Park District are addressed in connection with any particular residential and business development. Open space and/or recreational facilities may be provided to meet the needs of an expanding residential population and existing and future employees of the Project Area and nearby areas.
- It is expected that any increase in demand for Cook County, Cook County Forest Preserve District, and the Chicago Community College District 508's services and programs associated with the Project Area can be adequately handled by services and programs maintained and operated by these taxing districts. Therefore, at this time, no special programs are proposed for these taxing districts. Should demand increase so that it exceeds existing service and program capabilities, the City will work with the affected taxing district to determine what, if any, program is necessary to provide adequate services.

Exhibit II to this Redevelopment Plan illustrates the preliminary allocation of Redevelopment Project Costs.

## **IX. CONFORMITY OF THE REDEVELOPMENT PLAN FOR THE PROJECT AREA TO LAND USES APPROVED BY THE PLANNING COMMISSION OF THE CITY**

This Redevelopment Plan and the Redevelopment Project described herein include land uses which will be approved by the Chicago Plan Commission prior to the adoption of the Redevelopment Plan.

## **X. PHASING AND SCHEDULING**

A phased implementation strategy will be utilized to achieve comprehensive and coordinated redevelopment of the Project Area.

It is anticipated that City expenditures for Redevelopment Project Costs will be carefully staged on a reasonable and proportional basis to coincide with Redevelopment Project expenditures by private developers and the receipt of Incremental Property Taxes by the City.

The estimated date for completion of Redevelopment Projects is no later than the year 2022.

## **XI. PROVISIONS FOR AMENDING THIS REDEVELOPMENT PLAN**

This Redevelopment Plan may be amended pursuant to the Act.

## **XII. COMMITMENT TO FAIR EMPLOYMENT PRACTICES AND AFFIRMATIVE ACTION PLAN**

The City is committed to and will affirmatively implement the following principles with respect to this Redevelopment Plan:

- A) The assurance of equal opportunity in all personnel and employment actions, with respect to the Redevelopment Project, including, but not limited to hiring, training, transfer, promotion, discipline, fringe benefits, salary, employment working conditions, termination, etc., without regard to race, color, religion, sex, age, handicapped status, national origin, creed or ancestry.

- B) Redevelopers must meet the City's standards for participation of 25% Minority Business Enterprises and 5% Woman Business Enterprises and the City Resident Construction Worker Employment Requirement as required in redevelopment agreements.
- C) This commitment to affirmative action and nondiscrimination will ensure that all members of the protected groups are sought out to compete for all job openings and promotional opportunities.
- C) Redevelopers will meet City standards for the prevailing wage rate as ascertained by the Illinois Department of Labor to all project employees.

The City shall have the right in its sole discretion to exempt certain small businesses, residential property owners and developers from the above.

### **XIII. HOUSING IMPACT AND RELATED MATTERS**

The Project Area contains 643 single-family buildings, 2,524 two-family buildings, 1,168 multi-family buildings, and 217 mixed-use buildings with upper story residential for a total of 14,737 residential units. Of the 14,737 residential units in the Project Area 12,051 units are inhabited. Because the Project Area includes a significant number of residential units, information is provided regarding this Plan's potential impact on housing.

Included in the Plan is the General Land Use Plan (Figure 2). This map indicates parcels of real property on which there are buildings containing residential units that could be removed if the Plan is implemented in this regard, and that to the extent those units are inhabited, the residents thereof might be displaced. The Plan also includes information on the condition of buildings within the Area. Some of the residential buildings exhibit a combination of characteristics such as dilapidation or deterioration, excessive vacancies, and obsolescence which might result in a building's removal and the displacement of residents, during the time that this Plan is in place.

The number and type of residential buildings in the Area potentially affected by the Plan were identified during the building condition and land use survey conducted as part of the eligibility analysis for the Area. A good faith estimate and determination of the number of residential units within each such building whether such residential units were inhabited and whether the inhabitants were low-income or very low-income households were based on a number of research and analytical tools including, where appropriate, physical building surveys, data received from data bases maintained by the City's Department of Planning and Development, Cook County tax assessment records or 1990 census data.

Any buildings containing residential units that may be removed and any displacement of residents of inhabited units projected in this Plan are expressly intended to be within the contemplation of the comprehensive program intended or sought to be implemented pursuant to this Plan. To the extent that any such removal or displacement will affect households of low-income and very low-income persons, there shall be provided affordable housing and relocation assistance not less than that which would be provided under the Federal Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and the regulations thereunder, including the eligibility criteria. Affordable housing may either be existing or newly constructed housing and the City shall make a good faith effort to ensure that the affordable housing is located in or near the Project Area. For the purposes hereof, "low-income households," "very low-income households," and "affordable housing" shall have the meanings set forth in the Illinois Affordable Housing Act.

### Map and Survey Overview

Based on the Plan's General Land Use Plan, when compared to the *Generalized Existing Land Use* map included as part of Exhibit IV herein, there are certain parcels of property currently containing residential uses and units that, if the Plan is implemented in that regard, could result in such buildings being removed. There are 446 inhabited residential units reflected on the General Land Use Plan map that could be subject to displacement. Of this number, 59 are estimated to be occupied by residents classified as low-income, and 324 are estimated to be occupied by residents classified as very low-income.

In addition to the various maps discussed previously, the building condition survey revealed that 116 residential buildings exhibit a combination of characteristics such as dilapidation or deterioration, functional and economic obsolescence, and excessive vacancies. These conditions, if left unchecked, may result in the removal of buildings and the displacement of residents. Based on the building conditions survey, it is possible that 213 additional residential units could be removed. Such units may be located anywhere within the Project Area, but will be limited to a total of 213 to be removed without amendment of this Plan in accordance with the requirements of the Act. Of this number, 25 are estimated to be occupied by residents classified as low-income, and 160 are estimated to be occupied by residents classified as very low-income.

[Figures 1A, 1B, 2 and 3 referred to in this Midwest Tax Increment Financing Redevelopment Project and Plan, printed on Exhibit III of this Plan, includes a listing of parcels within the Project Area. Exhibit III will be supplemented to identify those inhabited residential units which may be subject to displacement as discussed above.]

<b>TOTAL REDEVELOPMENT COSTS<sup>[3] [4]</sup></b>	<b>\$ 100,500,000</b>

<sup>[1]</sup> Certain costs included in the line items listed above will become eligible costs under the Act pursuant to an amendment to the Act which will become effective November 1, 1999.

<sup>[2]</sup> This category may also include reimbursing (i) an elementary, secondary or unit school district's increased costs attributed to assisted housing units, and (ii) capital costs of taxing districts impacted by the redevelopment of the Project Area. As permitted by the Act, to the extent the City by written agreement accepts and approves the same, the City may pay, or reimburse all, or a portion of a taxing district's capital costs resulting from a redevelopment project necessarily incurred or to be incurred within a taxing district in furtherance of the objectives of the Redevelopment Plan.

<sup>[3]</sup> Total Redevelopment Costs exclude any additional financing costs, including any interest expense, capitalized interest and costs associated with optional redemptions. These costs are subject to prevailing market conditions and are in addition to Total Project Costs.

<sup>[4]</sup> The amount of the Total Redevelopment Costs that can be incurred in the Project Area will be reduced by the amount of redevelopment project costs incurred in contiguous redevelopment project areas, or those separated from the Project Area only by a public right of way, that are permitted under the Act to be paid, and are paid, from incremental property taxes generated in the Project Area, but will not be reduced by the amount of redevelopment project costs incurred in the Project Area which are paid from incremental property taxes generated in contiguous redevelopment project areas or those separated from the Project Area only by a public right of way.

Additional funding from other sources such as federal, state, county, or local grant funds may be utilized to supplement the City's ability to finance Redevelopment Project Costs identified above.

*Midwest Project Area Tax Increment Financing Eligibility Study.*

## EXECUTIVE SUMMARY

The purpose of this study is to determine whether the Midwest Tax Increment Financing Redevelopment Project Area (the "Project Area") qualifies for designation as a "conservation area" within the definitions set forth in the Tax Increment Allocation Redevelopment Act (the "Act"). The Act is found in Illinois Compiled Statutes, Chapter 65, Act 5, Section 11-74.4-1 *et. seq.*, as amended.

The findings presented in this study are based on surveys and analyses conducted by Vernon Williams Architects, P.C. and Trkla, Pettigrew, Allen & Payne, Inc. ("TPAP") for the Project Area of approximately 1,995.5 acres located three and one half miles west of the central business district of Chicago, Illinois.

The Project Area is an improved area that encompasses 327 full and partial blocks, two large city parks (Garfield Park and Douglas Park) and 10,398 tax parcels of various sizes. The Project Area is generally bounded by Kinzie Street, Lake Street, Washington Boulevard and the Eisenhower Expressway on the north; Western, California and Rockwell Avenues on the east; 16th Street, the C.B. & O Rail Line south of 19th Street on the south; and Pulaski Road, Hamlin Avenue and the Belt Rail Line west of Kolmar Avenue on the west.

The boundaries of the Project Area are shown on Figure 1, *Project Boundary*.

Figure 2, *Current Generalized Land Use*, demonstrates a generalized view of current land use patterns within the Project Area. This figure is generalized and does not constitute the totality of land uses on a parcel-by-parcel basis within the Project Area.

As set forth in the Act, a "redevelopment project area" means an area designated by the municipality which is not less in the aggregate than 1½ acres, and in respect to which the municipality has made a finding that there exist conditions which cause the area to be classified as an industrial park conservation area, a blighted area, or a conservation area, or a combination of both blighted and conservation areas. The Project Area exceeds the minimum acreage requirements of the Act.

As set forth in the Act, "conservation area" means any improved area within the boundaries of a redevelopment project area located within the territorial limits of the municipality in which 50% or more of the structures in the area have an age of 35 years or more. Such an area is not yet a blighted area but because of a combination of three or more of the following factors--dilapidation; obsolescence; deterioration; illegal use of individual structures; presence of structures below minimum code standards; abandonment; excessive vacancies; overcrowding of structures and community facilities; lack of ventilation, light or sanitary facilities; inadequate utilities; excessive land coverage; deleterious land use or layout; depreciation of physical maintenance; or lack of community planning--is detrimental to the public safety, health, morals or welfare and such an area may become a blighted area.

GENERALIZED EXISTING LAND USE

While it may be concluded that the mere presence of the minimum number of the stated factors in the Act may be sufficient to make a finding that conditions exist which cause the area to be classified as a conservation area, the conclusions contained in the Eligibility Study are made on the basis that the conservation factors must be present to an extent which would lead reasonable persons to conclude that public intervention is appropriate or necessary. Secondly, the conservation factors must be reasonably distributed throughout the Project Area so that basically good areas are not arbitrarily found to be conservation areas simply because of proximity to areas which are found to be conservation areas.

On the basis of this approach, the Project Area is found to be eligible as a conservation area within the conservation area definition set forth in the Act. Specifically:

- Approximately ninety-six (96.0) percent of the 5,085 buildings in the Project Area are 35 years of age or older.
- Of the 14 conservation area factors set forth in the Act, nine factors are found to be present. These factors include dilapidation, obsolescence, deterioration, structures below minimum code standards, excessive vacancies, excessive land coverage, deleterious land-use or layout, depreciation of physical maintenance and lack of community planning.
- All blocks within the Project Area show the presence of conservation factors.
- Seven of the factors present within the Project Area are found to be present to a major extent and are reasonably distributed throughout the Project Area. These factors are obsolescence, deterioration, structures below minimum code, excessive vacancies, deleterious land use or layout, depreciation of physical maintenance and lack of community planning.
- Two of the factors present within the Project Area are found to a limited extent and, while affecting most blocks, the properties within each of the blocks where these factors are present are limited in number. These factors are dilapidation and excessive land coverage.
- The combination of conservation factors present within the Project Area are detrimental to the public safety, health, morals or welfare and may cause the Project Area to become blighted.
- The Project Area includes only real property and improvements that will be substantially benefited by the proposed redevelopment project improvements.

The conclusions of the eligibility analyses indicate that the Project Area is in need of revitalization and guided growth to ensure that it will contribute to the long-term physical, economic, and social stability of the City. The analyses indicate that the Project Area is not yet a blighted area, but deteriorating and declining conditions are present and the Project Area may become a blighted area in the future. The combination of factors present indicate that the Project Area as a whole has not been subject to growth and development through investment by private enterprise, and would not reasonably be anticipated to be developed without public action, including designating the Project Area as a redevelopment project area pursuant to the Act and adopting the use of tax increment financing to stimulate private investment.

Section III, *Eligibility Analysis and Conclusions*, contains a summary of the surveys and analysis conducted within the Project Area and the conclusions of the eligibility analyses undertaken to assist the City in determining whether the Project Area qualifies for designation as a redevelopment project area and use of tax increment financing pursuant to the Act.

## I. BASIS FOR REDEVELOPMENT

The Illinois General Assembly made two key findings in adopting the Act:

1. That there exists in many municipalities within the State blighted and conservation areas; and
2. That the eradication of blighted areas and the treatment and improvement of conservation areas by redevelopment projects are essential to the public interest.

These findings were made on the basis that the presence of blight or conditions which lead to blight are detrimental to the safety, health, welfare and morals of the public.

To ensure that the exercise of these powers is proper and in the public interest, the Act also specifies certain requirements which must be met before a municipality can proceed with implementing a redevelopment project. One of these requirements is that the municipality must demonstrate that a prospective redevelopment project qualifies either as a "blighted area" or as a "conservation area" within the definitions for each set forth in the Act (in Section 11-74.4-3). These definitions are described below.

### A. *Eligibility of a Conservation Area*

A conservation area is an improved area in which 50 percent or more of the structures in the area have an age of 35 years or more and there is a presence of a combination of three or more of the fourteen factors listed below. Such an area is not yet a blighted area, but because of a combination of three or more of these factors, the area may become a blighted area.

- Dilapidation
- Obsolescence
- Deterioration
- Illegal use of individual structures
- Presence of structures below minimum code standards
- Abandonment
- Excessive vacancies
- Overcrowding of structures and community facilities
- Lack of ventilation, light, or sanitary facilities
- Inadequate utilities
- Excessive land coverage
- Deleterious land-use or lay-out
- Depreciation of physical maintenance
- Lack of community planning

***B. Eligibility of a Blighted Area***

A blighted area may be either improved or vacant. If the area is improved (e.g., with industrial, commercial and residential buildings or improvements), a finding may be made that the area is blighted because of the presence of a combination of five or more of the following fourteen factors:

- Age
- Dilapidation
- Obsolescence
- Deterioration
- Illegal use of individual structures
- Presence of structures below minimum code standards
- Excessive vacancies
- Overcrowding of structures and community facilities
- Lack of ventilation, light, or sanitary facilities
- Inadequate utilities
- Excessive land coverage
- Deleterious land-use or lay-out
- Depreciation of physical maintenance
- Lack of community planning.

If the area is vacant, it may be found to be eligible as a blighted area based on the finding that the sound growth of the taxing districts is impaired by one of the following criteria:

- A combination of two or more of the following factors: obsolete platting of the vacant land; diversity of ownership of such land; tax and special assessment delinquencies on such land; flooding on all or part of such vacant land; deterioration of structures or site improvements in neighboring areas adjacent to the vacant land.
- The area immediately prior to becoming vacant qualified as a blighted improved area.
- The area consists of an unused quarry or unused quarries.
- The area consists of unused railyards, rail tracks or railroad rights-of-way.
- The area, prior to the area's designation, is subject to chronic flooding which adversely impacts on real property which is included in or (is) in proximity to any improvement on real property which has been in existence for at least five years and which substantially contributes to such flooding.
- The area consists of an unused disposal site, containing earth, stone, building debris or similar material, which were removed from construction, demolition, excavation or dredge sites.
- The area is not less than 50 nor more than 100 acres and 75% of which is vacant, notwithstanding the fact that such area has been used for commercial agricultural purposes within five years prior to the designation of the redevelopment project area, and which area meets at least one of the factors itemized in provision (1) of the subsection (a), and the area

has been designated as a town or village center by ordinance or comprehensive plan adopted prior to January 1, 1982, and the area has not been developed for that designated purpose.

While the Act defines a blighted area and a conservation area, it does not define the various factors for each, nor does it describe what constitutes the presence or the extent of presence necessary to make a finding that a factor exists. Therefore, reasonable criteria should be developed to support each local finding that an area qualifies as either a blighted area or as a conservation area. In developing these criteria, the following principles have been applied:

1. The minimum number of factors must be present and the presence of each must be documented;
2. For a factor to be considered present, it should be present to a meaningful extent so that a local governing body may reasonably find that the factor is clearly present within the intent of the Act; and
3. The factors should be reasonably distributed throughout the redevelopment project area.

It is also important to note that the test of eligibility is based on the conditions of the area as a whole; it is not required that eligibility be established for each and every property in the project area.

## II. THE MIDWEST PROJECT AREA

The Project Area is generally bounded on the north by sections of Kinzie Street, Lake Street and Washington Boulevard; on the east by an irregular line including Western Avenue and sections of California, Washtenaw, Talman and Rockwell Avenues; on the south by the C.B. & O Rail Line and an irregular line which includes the south side frontage of 16th Street from Albany Avenue to Pulaski Road; and on the west by sections of Pulaski Road and Hamlin Avenue.

In total, the Project Area contains 5,085 buildings, 327 full and partial blocks, 10,398 tax parcels of various sizes, and encompasses approximately 1,995.5 acres of land. The acreage is divided as indicated in Table 1 below. The entire Project Area also contains a significant number of vacant parcels, many of which occupy major portions of the block, and others scattered among individual sites and parcels.

For the purpose of identifying land within the entire improved "conservation area" the Project Area is divided into separate areas as illustrated in Table 1.

**Table 1: Acreage Distribution  
Midwest Project Area**

<b>Area</b>	<b>Total Acres</b>	<b>Percent of Total Area</b>
• Rail Lines	20.7	1.0
• Eisenhower Expressway	98.9	4.9
• Other Streets and Alley rights-of-way	681.8	34.2
• Douglas Park	176.8	8.9
• Garfield Park	183.8	9.2
• Remaining built-up area blocks	833.5	41.8
<b>Total</b>	<b>1,995.5</b>	<b>100.0</b>

The Project Area includes major portions of the North Lawndale and East Garfield Park neighborhoods. The area contains many positive amenities including two large city parks (Garfield Park and Douglas Park), a number of other institutional and educational facilities, and good access to major transportation routes such as the Eisenhower Expressway. Although new in-fill housing has been constructed in a few concentrated areas, a number of problem conditions continue to exist. These include: aging buildings; widespread deterioration of building and site conditions; obsolete building types; vacant buildings, including buildings which are burned-out or vandalized building shells, and vacant space within buildings; vacant and underutilized land areas littered with debris; and wide-spread evidence of deferred maintenance. Many of these conditions are concentrated along the commercial corridors where empty buildings, vacant lots and boarded buildings dominate the existing pattern of development. These conditions are found along corridor streets such as Pulaski Road, Kedzie Avenue, Roosevelt Road, Harrison Avenue, along the Eisenhower Expressway, Madison Street, Jackson Boulevard, West Fifth Avenue and 16th Street. Deteriorating conditions along these corridors have a blighting influence on nearby residential areas. West Fifth Avenue contains a mix of incompatible commercial and residential activity. Local streets exhibit poor pavement conditions and a lack of curbs and walks.

### III. ELIGIBILITY SURVEY AND ANALYSIS FINDINGS:

An analysis was made of each of the eligibility factors listed in the Act for a conservation area to determine whether each or any are present in the Project Area, and if so, to what extent and in what locations. Surveys and analyses conducted by TPAP and Vernon Williams - Architects, P.C. included:

1. Exterior survey of the condition and use of each building;
2. Site surveys of streets, alleys, sidewalks, curbs and gutters, lighting, parking facilities, landscaping, fences and walls, and general property maintenance;
3. Analysis of existing uses and their relationships;
4. Comparison of current land use to current zoning ordinance and the current zoning map;
5. Analysis of original and current platting and building size and layout;
6. Analysis of vacant sites and vacant buildings;
7. Analysis of building floor area and site coverage;
8. Analysis of building permits issued for the Project Area from 1991 through 1996; and
9. Review of previously prepared plans, studies and data.

Figure 3 presents the survey form used to record building conditions.

A factor noted as "not present" indicates either that no information was available or that no evidence could be documented as part of the various surveys and analyses. A factor noted as "present to a limited extent" indicates that conditions exist which document that the factor is present, but that the distribution or impact of the factor is limited. Finally, a factor noted as "present to a major extent" indicates that conditions exist which document that the factor is present throughout major portions of the block, and that the presence of such conditions are widespread throughout the area and has had a major adverse impact or influence on adjacent and nearby development.

The following statement of findings is presented for each blight factor listed in the Act. The conditions that exist and the relative extent to which each factor is present in the Project Area are described. What follows is the summary evaluation of the 14 conservation factors for the area. The factors are presented in order of their listing in the Act.

### *A. Age*

Age is a prerequisite factor in determining an area's qualification for designation as a conservation area. Age presumes the existence of problems or limiting conditions resulting from normal and continuous use of structures over a period of years. Since building deterioration and related structural problems can be a function of time, temperature, moisture and level of maintenance over an extended period of years, structures which are 35 years or older typically exhibit more problems and require greater maintenance than more recently constructed buildings. Structures within the Project Area are some of the oldest buildings in the city, most of which were built between the 1890's and the 1930's.

### **Conclusion**

Of the 5,085 buildings within the Project Area, 4,883, or 96 percent, are 35 years of age or older. The Project Area meets the conservation area prerequisite that more than 50 percent of the structures are 35 years of age or older.

Figure 4, *Age*, illustrates the presence and distribution by block of all buildings in the Project Area which are more than 35 years of age. This factor is widely distributed throughout the Project Area.

### *B. Dilapidation*

Dilapidation refers to advanced disrepair of buildings and site improvements. Webster's New Collegiate Dictionary defines "dilapidate," "dilapidated" and "dilapidation" as

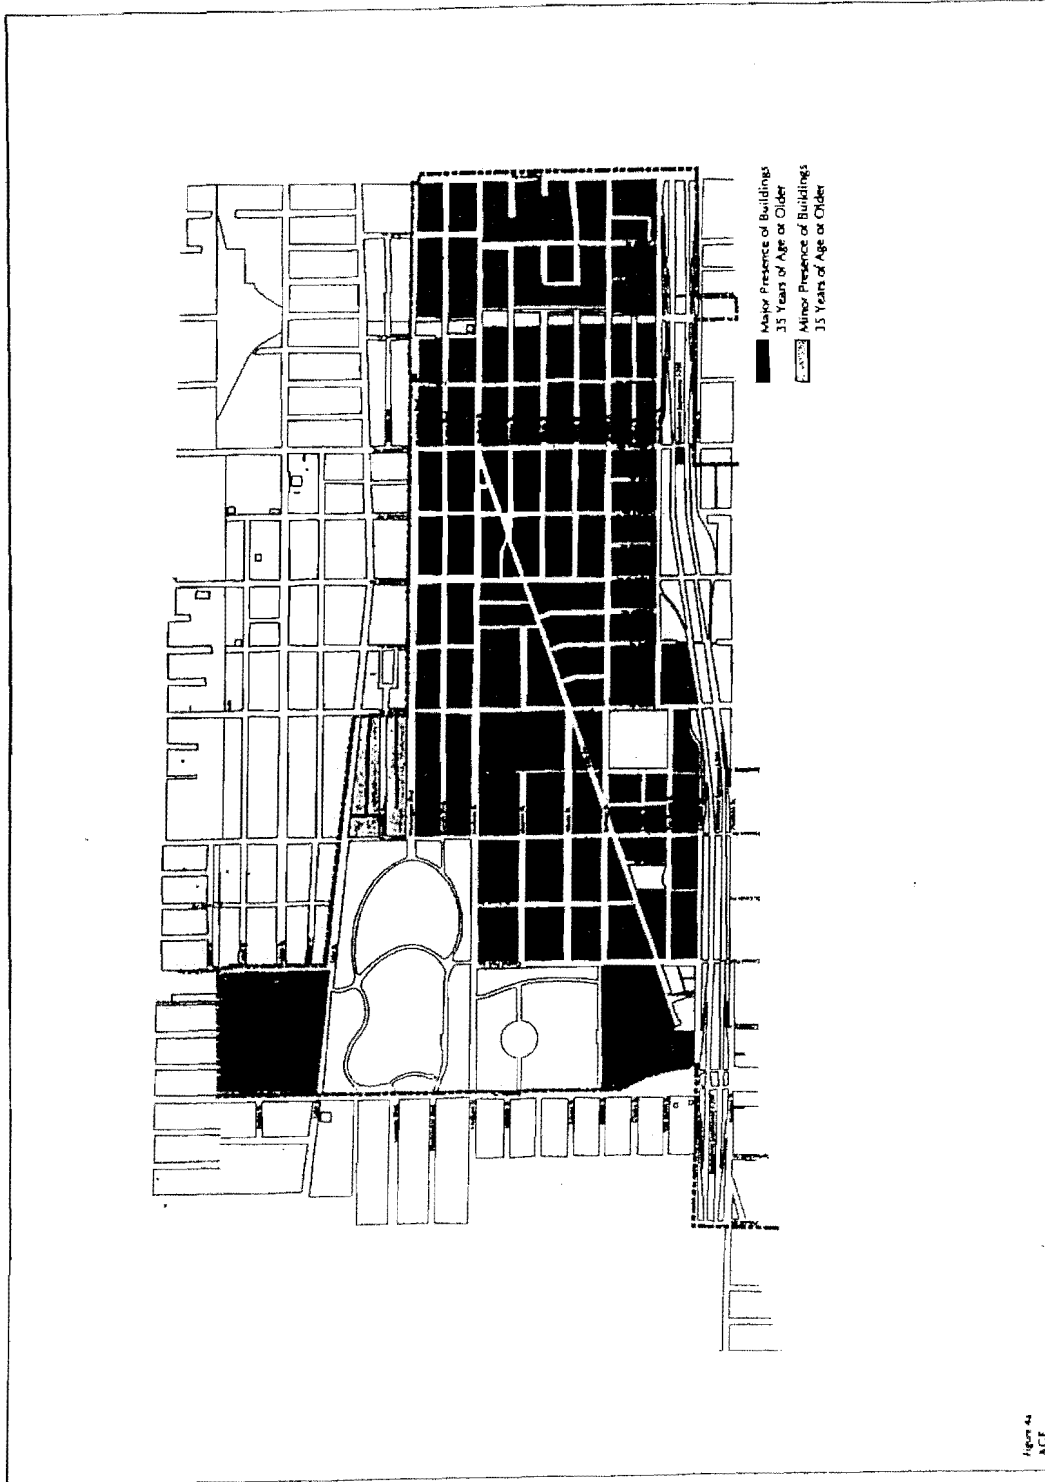

Dilapidate, "... to become or cause to become partially ruined and in need of repairs, as through neglect."

Dilapidated, "... falling to pieces or into disrepair; broken down; shabby and neglected."

Dilapidation, "... dilapidating or becoming dilapidated; a dilapidated condition."

To determine the existence of dilapidation, an assessment was undertaken of all buildings within the Project Area. The process used for assessing building conditions, the standards and criteria used for evaluation, and the findings as to the existence of dilapidation are presented below.

The building condition analysis is based an exterior inspection of all buildings undertaken during the period beginning in December 1998 through January 1999 and during August and September, 1999 for the extended area blocks. Noted during the inspections were structural deficiencies in building components and related environmental deficiencies in the Project Area.

## **1. Building Components Evaluated**

During the field survey, each component of a building was examined to determine whether it was in sound condition or had minor, major, or critical defects. Building components examined were of two types:

### Primary Structural

These include the basic elements of any building: foundation walls, load bearing walls and columns, roof and roof structure.

### Secondary Components

These components are generally secondary to the primary structural components and are necessary parts of the building, including porches and steps, windows and window units, doors and door units, chimneys, gutters and downspouts.

Each primary and secondary component was evaluated separately as a basis for determining the overall condition of individual buildings. This evaluation considered the relative importance of specific components within a building and the effect that deficiencies in the various components have on the remainder of the building.

## **2. Building Rating Classifications**

Based on the evaluation of building components, each building was rated and classified into one of the following categories:

### Sound

Buildings which contain no defects, are adequately maintained, and require no treatment outside of normal maintenance as required during the life of the building.

### Deficient

Buildings which contain defects (loose or missing material or holes and cracks) over either limited or widespread areas which may or may not be correctable through the course of normal maintenance (depending on the size of the building or number of buildings in a large complex). Deficient buildings contain defects which, in the case of limited or minor defects, clearly indicate a lack of or a reduced level of maintenance. In the case of major defects, advanced defects are present over widespread areas would require major upgrading and significant investment to correct.

### Dilapidated

Buildings which contain major defects in primary and secondary components over widespread areas. The defects are so serious and advanced that the building is considered to be substandard, requiring improvements or total reconstruction. Corrective action may not be feasible.

Of the 5,085 buildings within the Project Area, 191, or 3.7% are in a substandard (dilapidated) condition. The factor of dilapidation is present to a limited extent in the blocks containing the older buildings.

Blocks in which 10% or more of the buildings are dilapidated (substandard) are indicated as characterized by the presence of dilapidation to a major extent. Blocks in which less than 10% of the buildings are dilapidated are indicated as characterized by the presence of dilapidation to a limited extent. Figure 5, *Dilapidation*, illustrates the presence and distribution of substandard buildings in the Project Area.

### C. *Obsolescence*

Webster's New Collegiate Dictionary defines "obsolescence" as "being out of use; obsolete." "Obsolete" is further defined as "no longer in use; disused" or "of a type or fashion no longer current." These definitions are helpful in describing the general obsolescence of buildings or site improvements in a proposed redevelopment project area. In making findings with respect to buildings, it is important to distinguish between functional obsolescence, which relates to the physical utility of a structure, and economic obsolescence, which relates to a property's ability to compete in the market place.

#### Functional Obsolescence

Historically, structures have been built for specific uses or purposes. The design, location, height, and space arrangement are intended for a specific occupant at a given time. Buildings become obsolete when they contain characteristics or deficiencies which limit their use and marketability after the original use ceases. The characteristics may include loss in value to a property resulting from an inherent deficiency existing from poor design or layout, the improper orientation of the building on its site, etc., which detracts from the overall usefulness or desirability of a property.

#### Economic Obsolescence

Economic obsolescence is normally a result of adverse conditions which cause some degree of market rejection and, hence, depreciation in market values.

Site improvements, including sewer and water lines, public utility lines (gas, electric and telephone), roadways, parking areas, parking structures, sidewalks, curbs and gutters, lighting, etc., may also evidence obsolescence in terms of their relationship to contemporary development standards for such improvements. Factors of obsolescence may include inadequate utility capacities, outdated designs, etc.

Obsolescence as a factor should be based upon the documented presence and reasonable distribution of buildings and site improvements evidencing such obsolescence.

## 1. Obsolete Building Types

Functional or economic obsolescence in buildings, which limits their long-term use or reuse, is typically difficult and expensive to correct. Deferred maintenance, deterioration and vacancies often result. The presence of obsolete buildings can have an adverse effect on nearby and surrounding development and detract from the physical, functional and economic vitality of the area. Characteristics observed in buildings characterized by obsolescence include the following:

- Small, narrow buildings with limited floor plates for existing or long-term use.
- Single purpose buildings designed for a specific use which are not easily adaptable or suited to other uses, including small commercial buildings and accessory storage buildings.
- Lack of, or inadequate, loading facilities.
- Buildings with single-pane windows.
- Commercial buildings converted to uses other than the original uses for which they were constructed, i.e. store-front churches or commercial properties used for dwelling purposes.
- Residential buildings converted to accommodate additional units or converted/expanded to accommodate commercial activity.

One hundred ninety-nine (199) of the 5,085 buildings in the Project Area are impacted by obsolescence. Buildings characterized by obsolescence are limited in their efficient or economic use consistent with contemporary standards.

## 2. Obsolete Platting

The Project Area was originally platted around the turn of the century. The grid pattern of typical city blocks, narrow 25 foot lots, commercial frontage along major streets dominate the area. Fifth Avenue runs diagonally through the northern portion of the area resulting in small triangular-shaped blocks, an inconsistent pattern of block sizes and shapes, and including parcels of varying configurations and depths. The narrow lot pattern, including many lots of 25 feet in width, is consistent with the developed residential blocks in the Project Area and in other Chicago neighborhoods. However, the same narrow platting along commercial corridors inhibits the use of property, limits the proper development of these commercial frontages, and is inconsistent with modern-day standards for commercial development. Numerous buildings with limited widths and depths are vacant, and narrow parcels formerly occupied by buildings are now vacant along these corridors. Affected properties lack adequate provision for vehicular access, parking, and loading. Business located on small sites have limited opportunity for expansion, and land assembly is difficult due to the diversity of ownership that typically exists. Commercial properties impacted by obsolete platting exist along all of the major commercial streets including Madison Street, West Fifth Avenue, Harrison Street, Roosevelt Road, 16th Street, Ogden Avenue, Pulaski Road, Kedzie Avenue, California Avenue and a small section of Western Avenue.

## **Conclusion**

The factor of obsolescence, including obsolete buildings and obsolete platting is present to a major extent in 82, or 25 percent, of the 327 blocks and to a limited extent in 73, or 22 percent of the total blocks.

Blocks in which 20% or more of the buildings or sites are obsolete are indicated as characterized by the presence of obsolescence to a major extent. Blocks in which less than 20 % of the buildings or sites are obsolete are indicated as characterized by the presence of obsolescence to a limited extent. Figure 6, *Obsolescence*, illustrates the presence and extent of obsolescence in the Project Area.

### ***D. Deterioration***

Deterioration refers to any physical deficiencies or disrepair in buildings or site improvements requiring treatment or repair.

- Deterioration may be evident in basically sound buildings containing minor defects, such as lack of painting, loose or missing materials, or holes and cracks over limited areas. This deterioration can be corrected through normal maintenance.
- Deterioration which is not easily correctable and cannot be accomplished in the course of normal maintenance may also be evident in buildings. Such buildings may be classified as minor deficient or major deficient buildings, depending upon the degree or extent of defects. Minor deficient and major deficient buildings are characterized by defects in the secondary building components (*e.g.*, doors, windows, fire escapes, gutters and downspouts, fascia materials, etc.), and defects in primary building components (*e.g.*, foundations, exterior walls, floors, roofs, etc.), respectively.

It should be noted that all buildings and site improvements classified as dilapidated are also deteriorated.

### **Deterioration of Buildings**

The analysis of building deterioration is based on the survey methodology and criteria described in the preceding section on "Dilapidation." Of the total 5,085 buildings, including dilapidated buildings, 3,368 or 66.2 percent, are classified as deteriorating or deteriorated.

Table 2, *Summary of Building Deterioration*, summarizes building deterioration within the blocks containing buildings in the Project Area.

### **Deterioration of Street Pavement, Alleys, Curbs, Gutters and Sidewalks and Viaducts**

Field surveys were conducted to identify the condition of streets, alleys, curbs, gutters sidewalks, and viaducts in the Project Area. Major mile and half-mile street are generally in good condition, except along the east side of Pulaski Road, from 16th Street to the Eisenhower Expressway which contains patched pavement and pot holes. Many of the interior east-west and north-south street surfaces, sidewalks and alleys are deteriorating. East-west streets and portions of streets in deteriorating condition include: Monroe Street, Fifth Avenue, Adams Street, Jackson Boulevard, portions of Flounoy Street, Lexington Street, Polk Street, Arthington Street, Taylor Street, particularly from Pulaski Road to Kildare with very poor pavement, including pot holes, gravel areas with discarded auto parts, Fillmore Street, 13th Street, 15th Street and 16th Street. North-south streets, curbs, and sidewalks impacted by deterioration include: Harding Avenue in the southwest portion of the area, portions of Lawndale Avenue, St. Louis Avenue, Christiana Avenue, Spaulding Avenue, Albany Avenue, Whipple Avenue, Sacramento Avenue, Richmond and Francisco Avenues, Mozart and a two-block area of California Avenue, Washtenaw, Rockwell Street and Campbell Avenue.

Additionally, railroad viaducts are deteriorating under the elevated rail lines along Rockwell Street, north of the Eisenhower Expressway, and over the north-south streets at the rail line between Taylor and Fillmore Street.

Deterioration as a factor is present to a major extent in 221 blocks and to a limited extent in 60 blocks within the Project Area.

Blocks in which 20% or more of the buildings or site improvements are characterized by some deterioration and, provided that at least 10% of all buildings are deteriorating to a major extent, indicate the factor of deterioration is present to a major extent. Blocks in which fewer than 20% of the buildings or sites show some deterioration and fewer than 10% of all buildings are deteriorating to a major extent, deterioration is considered to be present to a limited extent. Figure 7, *Deterioration*, illustrates the presence and extent of deterioration within the Project Area.

#### ***E. Illegal Use Of Individual Structures***

Illegal use of individual structures refers to the presence of uses or activities which are not permitted by law.

Illegal use of individual structures was not documented as part of the field surveys conducted.

***F. Presence of Structures Below Minimum Code Standards***

Structures below minimum code standards include all structures which do not meet the standards of subdivision, building, housing, property maintenance, fire, or other governmental codes applicable to the property. The principal purposes of such codes are to require buildings to be constructed so that they will be strong enough to support the loads expected, to be safe for occupancy against fire and similar hazards, and/or to establish minimum standards essential for safe and sanitary habitation. Structures below minimum code are characterized by defects or deficiencies which threaten health and safety.

Determination of the presence of structures below minimum code standards was based upon visible defects and advanced deterioration of building components from the exterior surveys. Of the total 5,085 buildings, 1,004, or 19.7 percent, exhibited advanced deterioration and defects which are below the standards for existing buildings and property maintenance codes of the City of Chicago. Additionally, code violation records of the City, available for the area from Pulaski Road east indicate that over the past 4 years, 2,452 of the total 4,520 buildings in the area east of Pulaski Road, or 54.2 percent, were cited for code violations.

Blocks in which 20% or more of the buildings contain advanced defects indicate the factor of structures below minimum code standards is present to a major extent. Blocks in which fewer than 20% of the buildings are below minimum code standards are considered present to a limited extent. The factor of structures below minimum code standards is present to a major extent in 139 blocks and to a limited extent in 115 blocks. Figure 7 illustrates the extent of buildings below minimum code standards in area blocks.

***G. Abandonment***

Abandonment as a factor applies only to conservation areas. Webster's New Collegiate Dictionary defines "abandon" as "to give up with the intent of never again claiming one's right or interest"; or "to give over or surrender completely; to desert."

**Conclusion**

Research of tax delinquent properties over extended years that might indicate the presence of abandonment was not conducted as part of the survey and analysis process.

***H. Excessive Vacancies***

Excessive vacancies refers to the presence of buildings or sites which are either unoccupied or not fully utilized, and which exert an adverse influence on the surrounding area due to the frequency or duration of vacancies. Excessive vacancies include properties for which there is little expectation for future occupancy or utilization.

Excessive building vacancies are found throughout much of the Project Area. Vacancies include buildings which are entirely vacant and buildings with vacant floor areas. Vacancies are prevalent in both commercial buildings and residential buildings.

Information regarding vacancies in individual buildings was obtained from exterior building surveys conducted by TPAP and Vernon Williams Architects, P.C. Vacancies, as observed, include a combination of gutted buildings, boarded-up buildings, vacant units or floor areas or signs advertising space available.

Of the total 5,085 buildings, 938, or 18.4%, are either partially or totally vacant.

Blocks in which 20% or more of the buildings are partially or totally vacant are indicated as characterized by the presence of excessive vacancies to a major extent. Blocks with fewer than 20% of the buildings partially or totally vacant are characterized by the presence of excessive vacancies to a limited extent. Excessive vacancies as a factor is present to a major extent in 154 blocks and to a limited extent in 99 blocks. Figure 9, *Excessive Vacancies*, illustrates the extent of vacancies by block.

#### *I. Overcrowding of Structures and Community Facilities*

Overcrowding of structures and community facilities refers to the utilization of public or private buildings, facilities, or properties beyond their reasonable or legally permitted capacity. Overcrowding is frequently found in buildings originally designed for a specific use and later converted to accommodate a more intensive use without adequate regard for minimum floor area requirements, privacy, ingress and egress, loading and services, capacity of building systems, etc.

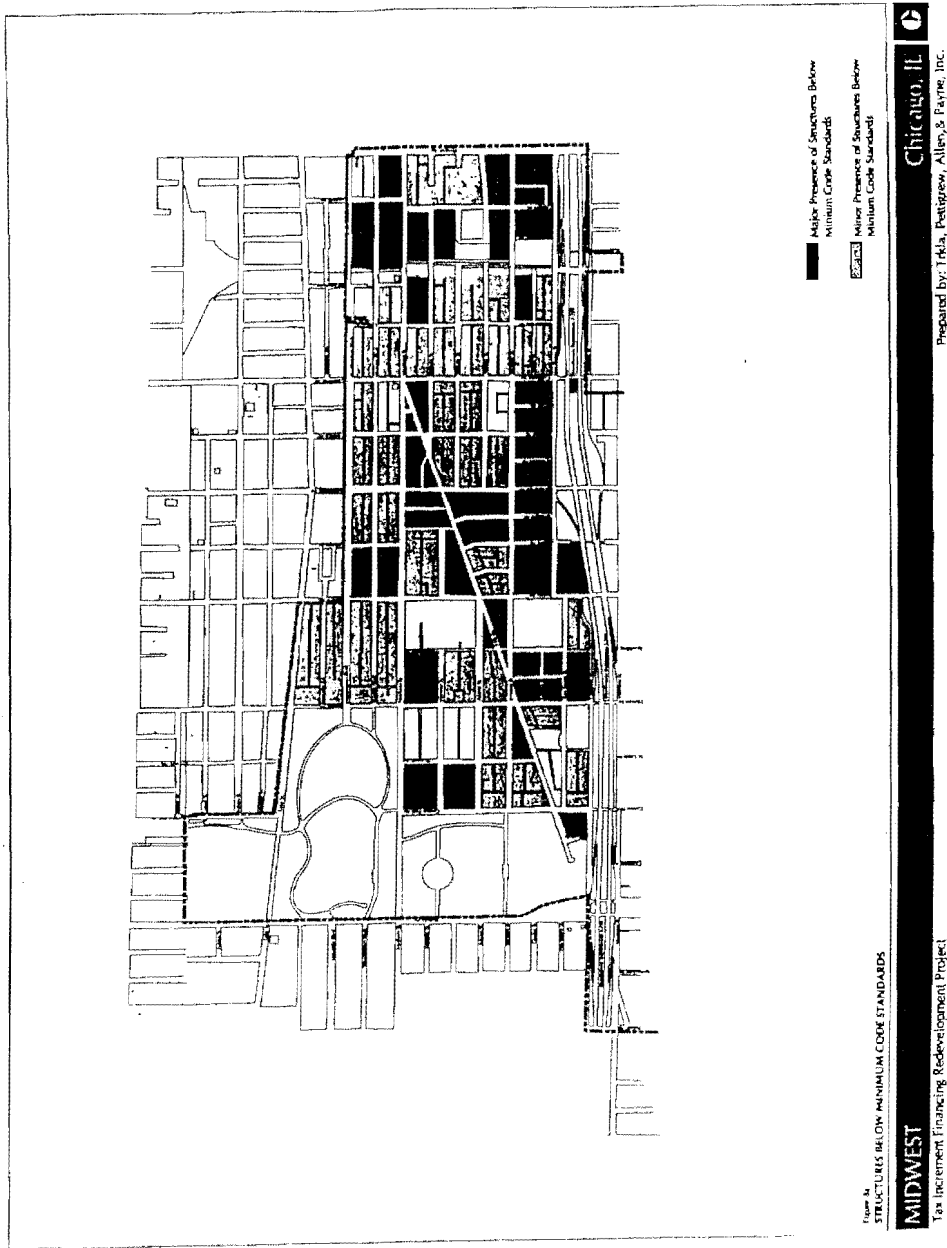

Conditions of overcrowding of structures and community facilities have not been documented as part of the exterior surveys undertaken within the Project Area.

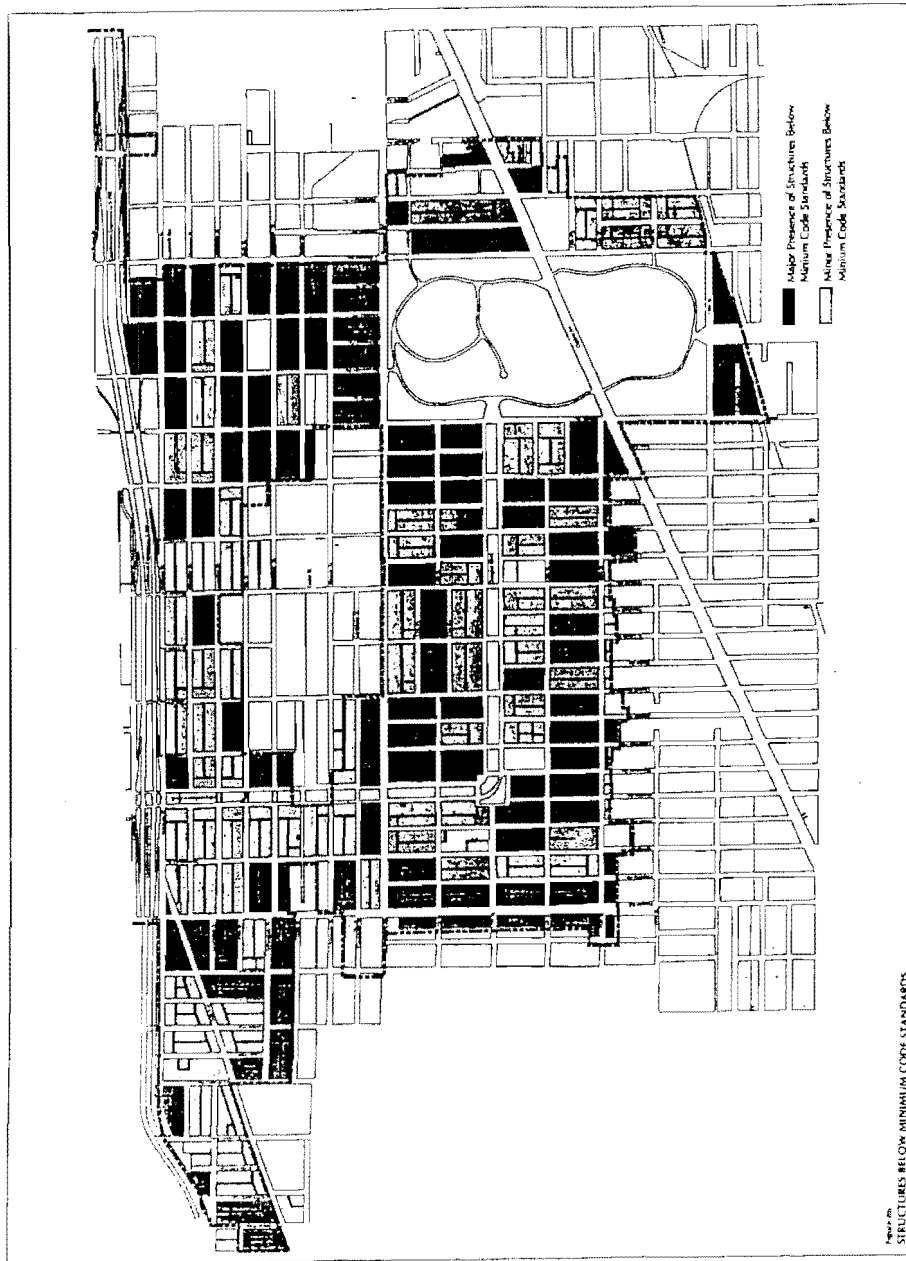

#### *J. Lack of Ventilation, Light, or Sanitary Facilities*

Lack of ventilation, light, or sanitary facilities refers to substandard conditions which adversely affect the health and welfare of building occupants (*i.e.*, residents, employees, or visitors). Typical requirements for ventilation, light, and sanitary facilities include:

- Adequate mechanical ventilation for air circulation in spaces/rooms without windows, *i.e.*, bathrooms, and rooms that produce dust, odor or smoke;
- Adequate natural light and ventilation by means of skylights or windows, proper window sizes, and adequate room area to window area ratios; and
- Adequate sanitary facilities (*i.e.*, garbage storage/enclosure, bathroom facilities, hot water, and kitchens).

The factor of lack of ventilation, light, or sanitary facilities is not documented as part of the exterior surveys conducted for the Project Area.

### ***K. Inadequate Utilities***

Inadequate utilities refers to deficiencies in the capacity or condition of utilities which service a property or area, including, but not limited to, storm drainage, water supply, electrical power, streets, sanitary sewers and natural gas.

Determination of existing utilities and conditions of inadequate utilities has not been documented as part of the surveys and analyses undertaken within the Project Area.

### ***L. Excessive Land Coverage***

Excessive land coverage refers to the over-intensive use of land and the over crowding of buildings and accessory facilities on a site. Problem conditions include buildings either improperly situated on the parcel or located on parcels of inadequate size and shape in relation to present-day standards for health and safety. The resulting inadequate conditions include such factors as insufficient provision of light and air circulation, increased threat of fires due to the close proximity of buildings, inadequate or improper access to a public right-of-way, lack of required off-street parking, and inadequate provisions for loading and service.

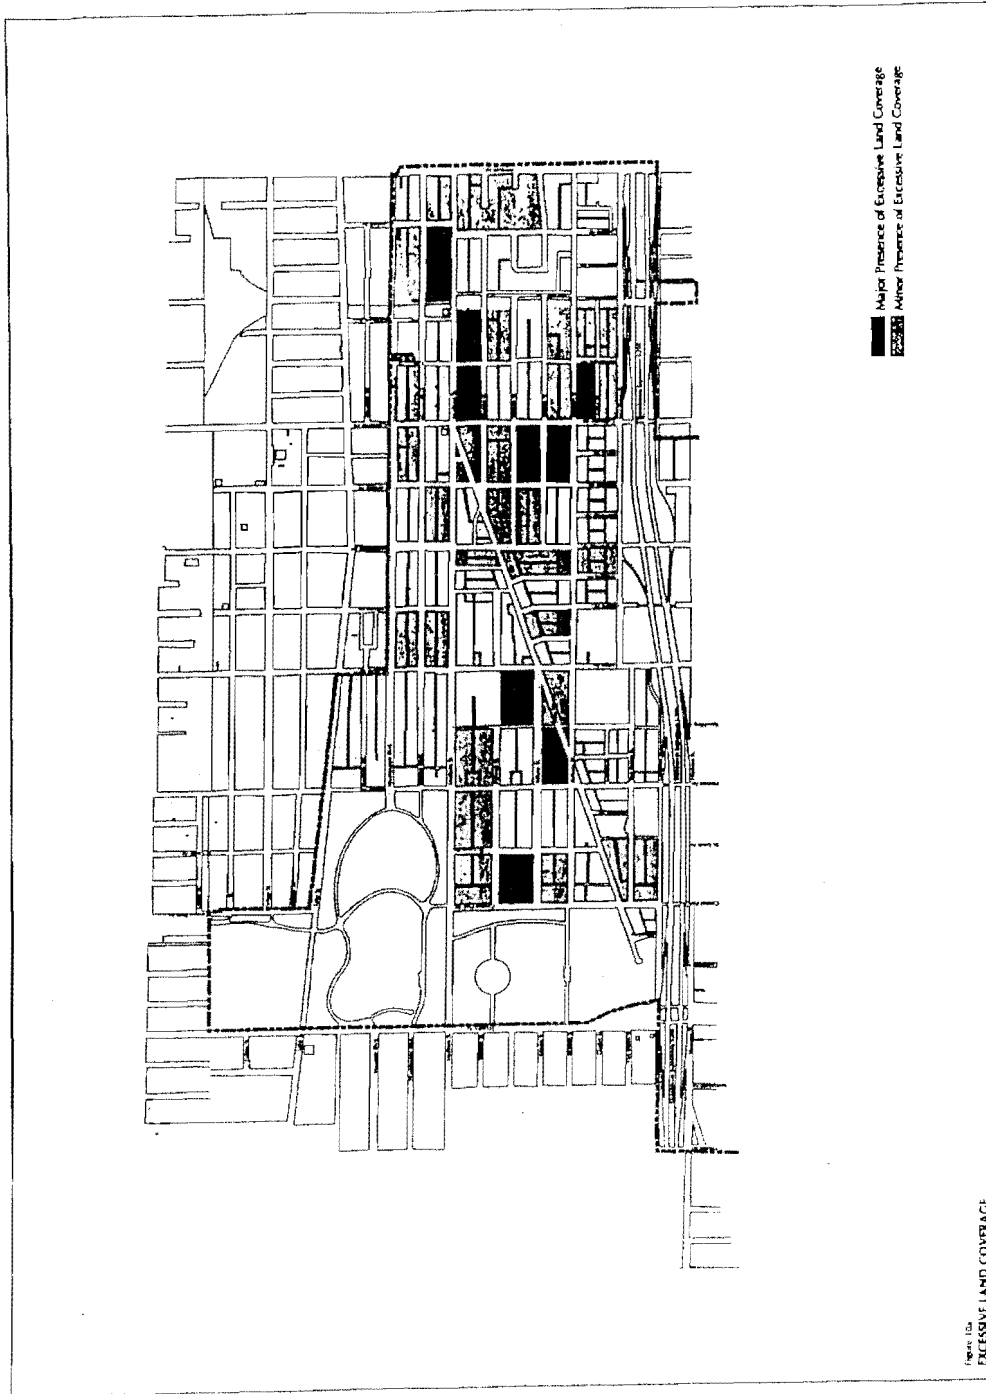

Excessive land coverage is present within most blocks and is widespread throughout the Project Area. Excessive land coverage is present where buildings cover most or all of the property upon which they are located and are characterized by the following conditions: a) parcels with multiple buildings, including residential properties where rear buildings are accessed via alleys; b) large multi-story apartment buildings occupying the entire lot with no provisions for off-street parking, service or loading; c) residential, commercial or mixed-use buildings converted to churches with no provisions for parking loading, or service; d) blocks containing public or private schools where building coverage leaves limited or no space for parking, service, or recreational space; and e) commercial and industrial properties with total lot coverage and lack of off-street parking, loading or service.

The factor of excessive land coverage is present to a major extent in 38 blocks and to a limited extent in 110 blocks.

Blocks in which 20% or more of the sites or land area is impacted by excessive land coverage are indicated as characterized by the presence of excessive land coverage to a major extent. Blocks in which less than 20% of the sites or land area indicates excessive land coverage are indicated as characterized by the presence of excessive land coverage to a limited extent. Figure 10, *Excessive Land Coverage*, illustrates the presence and extent of blocks impacted by this factor within the Project Area.

### ***M. Deleterious Land-Use Or Layout***

Deleterious land-uses include all instances of incompatible land-use relationships, buildings occupied by inappropriate mixed uses, and uses which may be considered noxious, offensive or otherwise environmentally unsuitable.

EXCESSIVE LAND COVERAGE

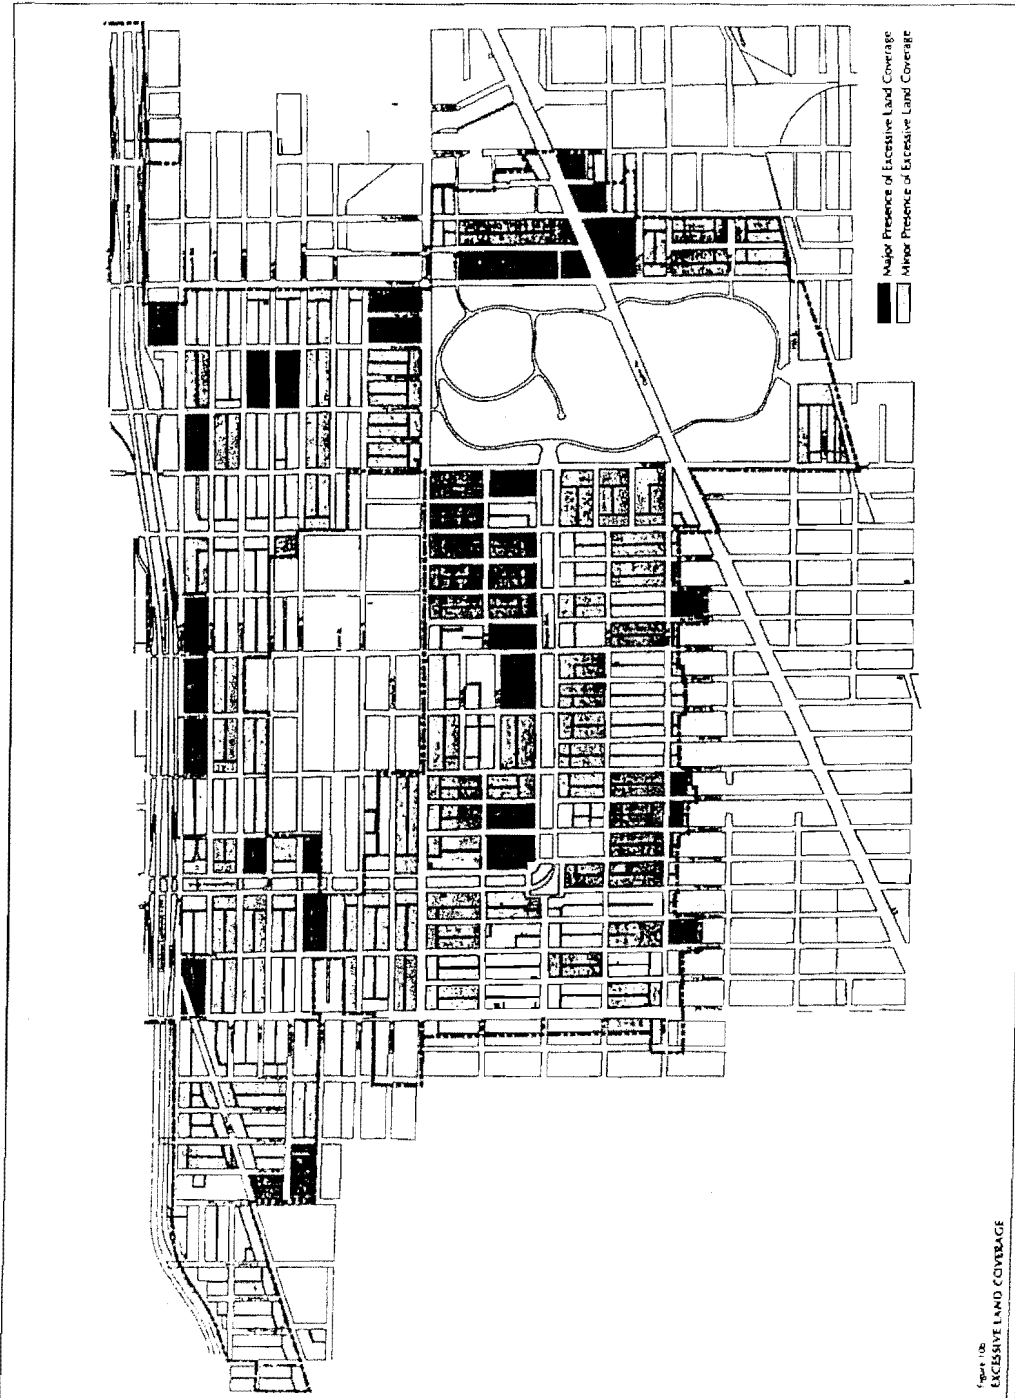

Figure 102  
EXCESSIVE LAND COVERAGE

Deleterious layout includes evidence of improper or obsolete platting of the land, inadequate street layout, and parcels of inadequate size or shape to meet contemporary development standards. It is also evidenced by improper layout of buildings on parcels and in relation to other nearby buildings.

Major portions of the Project Area include blocks which contain a mixture of uses including residential uses within commercial corridors or commercial and other non-residential uses within residential blocks. A mix of commercial and residential uses exists along the main commercial streets including: 5th Avenue, 16th Street, Roosevelt Road, Harrison Street, Madison Street, Lake Street, Taylor Street, Pulaski Road, Kedzie Avenue And at Arthington Street and Kildare Avenue.

The incompatible mix continues to have a negative affect on areas adjacent to blocks in which these conditions are present.

The area also includes blocks with improper layout of parcels and buildings, including narrow parcels located along the major commercial corridors, parcels with total building coverage, and parcels with multiple buildings which overcrowd the site. Most of the local schools are located on blocks where the buildings cover most or all of the sites with no provisions for play, parking, and service areas.

The factor of deleterious land-use or layout is present to a major extent in 101 blocks and to a limited extent in 92 blocks.

Blocks in which 20% or more of all properties indicate deleterious land use or layout are indicated as characterized by the presence of deleterious land use or layout to a major extent. Blocks in which fewer than 20% of the properties indicate deleterious land use or layout are indicated as characterized by the presence of deleterious land use or layout to a limited extent. Figure 11, *Deleterious Land Use or Layout*, illustrates the extent of these conditions in the Project Area.

#### ***N. Depreciation of Physical Maintenance***

Depreciation of physical maintenance refers to the deferred maintenance of buildings, parking areas and public improvements such as alleys, sidewalks and streets.

The presence of this factor within the Project Area includes:

- Buildings and Premises. Of the 5,085 buildings, 3,368, or 66 percent, suffer from deferred maintenance of windows, doors, store fronts, exterior walls, roofs and cornices, fire escapes, porches and steps, loading docks, fascias, gutters, downspouts and chimneys. Yards and premises, including many vacant lots throughout much of the area contain high weeds, deteriorated fencing, exposed junk storage, fly dumping and debris.

- Streets, Alleys, Sidewalks, Curbs and Gutters. Deterioration of these improvements is widespread throughout the Project Area's local interior street system. Poor pavement conditions include pot holes, exposed initial brick pavers and broken or missing sections of curb and sidewalk. Fly dumping of car tires, garbage bags, litter and debris is present on local streets near and under viaducts. Most of the vacant land and parcels contain uncut weeds and large amounts of debris.
- Parking Surface and Site Surface Areas. Parking areas within many blocks and particularly along commercial corridors, contain gravel surface with pot holes, weed growth and depressions. Industrial and commercial properties along major streets contain parking surfaces with either gravel or deteriorated asphalt which lack striping or bumper stops.

The factor of depreciation of physical maintenance is present to a major extent throughout the entire area and includes properties, streets, curbs and gutters, sidewalks, parking and storage surface areas, alleys and viaducts.

Blocks in which 40% or more of the buildings, premises or sites exhibit depreciation of physical maintenance are indicated as characterized by the presence of depreciation of physical maintenance to a major extent. Block in which less than 40% of the buildings, premises or sites exhibit depreciation of physical maintenance are characterized by the presence of depreciation of physical maintenance to a limited extent. Figure 12, *Depreciation of Physical Maintenance*, illustrates the presence of this factor in the Project Area.

#### *O. Lack of Community Planning*

The Project Area blocks were platted and buildings constructed prior to the existence of a community plan. Commercial corridors and residential blocks were originally platted and developed on a parcel-by-parcel and building-by-building basis, with little evidence of coordination and planning among buildings and activities. The Project Area contains an inconsistent pattern of large and small blocks and sites. The Project Area is characterized by incompatible land use relationships with residential activity in areas otherwise developed for non-residential uses. The lack of community planning prior to development has contributed to some of the problem conditions which characterize the overall Project Area.

The factor of lack of community planning is present to a major extent throughout the entire Project Area.

#### IV. DETERMINATION OF PROJECT AREA ELIGIBILITY

The Project Area meets the requirements of the Act for designation as a "Conservation Area." Of the total 5,085 building, 4,876, or 95.9 percent of the buildings are 35 years of age or older. In addition to Age, which is a prerequisite factor and present to a major extent, there is a reasonable presence and distribution of 9 of the 14 factors listed in the Act for designation as a conservation area. These conservation factors include the following:

1. Dilapidation
2. Obsolescence
3. Deterioration
4. Structures below minimum code standards
5. Excessive vacancies
6. Excessive land coverage
7. Deleterious land-use or layout
8. Depreciation of physical maintenance
9. Lack of community planning

A summary of conservation factors by block is contained in Table 3, *Distribution of Conservation Factors*.

The eligibility findings indicate that the Project Area is in need of revitalization and guided growth to ensure that it will contribute to the long-term physical, economic, and social well-being of the City. The Project Area is deteriorating and declining and, if not acted upon, could become a blighted area. All factors indicate that the Project Area as a whole has not been subject to significant growth and development through investment by private enterprise, and would not reasonably be anticipated to be developed without public action.

*Midwest Tax Increment Financing  
Redevelopment Plan And Project.*

*Amendment No. 1.*

Tax Increment Financing ("TIF") is permitted by the Illinois Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1 et seq., as amended (the "Act"). The Act provides a mechanism for municipalities, after meeting the requirements and procedures for establishing a redevelopment project area and a redevelopment plan, to mitigate blighting influences, encourage local growth and development, and attract new private development to the redevelopment area.

On May 17, 2000 the City Council of the City of Chicago (the "City") adopted ordinances approving the Midwest Tax Increment Financing Redevelopment Project and Plan, as revised most recently by ordinance adopted on April 14, 2010 (the "Original Plan") and designating the Midwest Redevelopment Project Area (the "Project Area"). The Original Plan included a legal description of the Project Area, assessment of TIF eligibility factors, goals and objectives, project costs, sources of funds, valuation of parcels, impacts on surrounding areas and taxing bodies, and a housing impact analysis.

The Original Plan, inclusive of revisions 1 through 4, is being AMENDED to increase the Project Area's Estimated Redevelopment Project Cost BUDGET. The Original Plan, as amended, shall hereinafter be referred to as the "Redevelopment Plan". The amendments to the Original Plan are outlined below and a budget comparison is available as an appendix.

**Section I. Introduction:**

The following paragraph is to be added after the second paragraph of the Introduction:

"PGAVPLANNERS was retained in 2011 to amend the Midwest Redevelopment Plan developed by TPAP. The purpose of Amendment Number 1 is to increase the Project Area's Estimated Redevelopment Project Costs. Amendment Number 1 is not adding parcels to the Project Area, is not affecting the general land use plan, is not substantially changing the nature of the redevelopment project, and is not increasing the total number of inhabited residential units where displacement may result (213), as indicated in Section XIII of the Original Plan."

**Section II. Legal Description and Project Boundary:**

No changes.

**Section III. Eligibility Conditions:**

No changes.

**Section IV. Redevelopment Goals and Objectives:**

No changes.

**Section XII. Commitment to Fair Employment Practices and Affirmative Action Plan**

No changes.

**Section XIII. Housing Impact and Related Matters**

No changes.

**Exhibit I: Legal Description of Project Boundary**

No changes.

**Exhibit II: Estimated Redevelopment Project Costs**

Exhibit II is to be replaced in its entirety with the following:

---

<b>MIDWEST TIF</b>		
<u>ELIGIBLE EXPENSE</u>		<u>ESTIMATED COST</u>
1.	Analysis, Administration, Studies, Surveys, Legal, Marketing <sup>1</sup> , etc.	\$7,600,000
2.	Property Assembly including Acquisition, Site Prep and Demolition, Environmental Remediation	\$45,000,000
3.	Rehabilitation of Existing Buildings, Fixtures and Leasehold Improvements, Affordable Housing Construction and Rehabilitation Costs	\$48,000,000
4.	Public Works & Improvements, including streets and utilities, parks and open space, public facilities (schools & other public facilities) <sup>1</sup>	\$94,000,000
5.	Relocation Costs	\$5,500,000

**Section V. Redevelopment Project:**

In Section V, under subsection **H. Valuation of the Project Area**, paragraph 2. **Anticipated Equalized Assessed Valuation** is to be replaced with the following:

“By the tax year 2022 (collection year 2023), based on current assessment trends and redevelopment activity observed in the Project Area, the EAV of the Project Area is estimated to be approximately \$1.2 billion (the EAV of the Project Area in the Original Plan was estimated to be \$260 million). These estimates are calculated using information obtained on recent trends in Cook County assessments, State of Illinois equalization factors, City of Chicago property tax rates, and an estimated annual inflation rate in EAV of 9% (well below the annualized rate of increase of 18%). Field observations and a review of several development agreements to which the City has entered into, contributed support for these EAV projections.”

**Section VI. Lack of Growth and Development Through Investment by Private Enterprise:**

No changes.

**Section VII. Financial Impact:**

No changes.

**Section VIII. Demand on Taxing District Services**

No changes.

**Section IX. Conformity of the Redevelopment Plan for the Project Area to Land Uses Approved by the Planning Commission of the City**

No changes.

**Section X. Phasing and Scheduling**

No changes.

**Section XI. Provisions for Amending this Redevelopment Plan**

No changes.

Appendix referred to in this Midwest Tax Increment Financing Redevelopment Plan and Project Amendment Number 1 reads as follows:

of its City Council ("City Council", referred to herein collectively with the Mayor as the "Corporate Authorities") (as codified in Chapter 2-124 of the City's Municipal Code) pursuant to Section 5/11-74.4-4(k) of the Illinois Tax Increment Allocation Redevelopment Act, as amended (65 ILCS 5/11-74.4-1, et seq.) (the "Act"); and

Whereas, The Commission is empowered by the Corporate Authorities to exercise certain powers set forth in Section 5/11-74.4-4(k) of the Act, including the holding of certain public hearings required by the Act; and

Whereas, Staff of the City's Department of Planning and Development has conducted or caused to be conducted certain investigations, studies and surveys of the Midwest Redevelopment Project Area Amendment Number 2, the street boundaries of which are described on (Sub)Exhibit A hereto (the "Area"), to determine the eligibility of the Area as a redevelopment project area as defined in the Act (a "Redevelopment Project Area") and for tax increment allocation financing pursuant to the Act ("Tax Increment Allocation Financing"), and previously has presented the following documents to the Commission for its review:

Midwest Redevelopment Plan and Project Amendment Number 2 (the "Plan")

; and

Whereas, Prior to the adoption by the Corporate Authorities of ordinances approving a redevelopment plan, designating an area as a Redevelopment Project Area or adopting Tax Increment Allocation Financing for an area, it is necessary that the Commission hold a public hearing (the "Hearing") pursuant to Section 5/11-74.4-5(a) of the Act, convene a meeting of a joint review board (the "Board") pursuant to Section 5/11-74.4-5(b) of the Act, set the dates of such Hearing and Board meeting and give notice thereof pursuant to Section 5/11-74.4-6 of the Act; and

Whereas, A public meeting (the "Public Meeting") was held in accordance and in compliance with the requirements of Section 5/11-74.4-6(e) of the Act, on July 27, 2015 at 6:30 P.M., at St. Michael's Missionary Baptist Church located at 4106 West Monroe Street, Chicago, Illinois (this date being more than 14 business days before the scheduled mailing of the notice of the Hearing [hereinafter defined] as specified in the Act), pursuant to notice from the City's Commissioner of the Department of Planning and Development, given on July 12, 2015 (this date being more than 15 days before the date of the Public Meeting, as specified in the Act), by certified mail to all taxing districts having real property in the proposed Area and to all entities requesting that information that have taken the steps necessary to register to be included on the interested parties registry for the proposed Area in accordance with Section 5/11-74.4-4.2 of the Act and, with a good faith effort, by regular mail, to all residents and to the last known persons who paid property taxes on real estate in the proposed Area (which good faith effort was satisfied by such notice being mailed to each residential address and to the person or persons in whose name property taxes were paid on real property for the last preceding year located in the proposed Area); and

Whereas, The Report and Plan were made available for public inspection and review since July 31, 2015, being a date not less than 10 days before the Commission meeting at which the Commission adopted Resolution 15-CDC-23 on August 11, 2015 fixing the time and place for the Hearing, at City Hall, 121 North LaSalle Street, Chicago, Illinois, in the following offices: City Clerk, Room 107 and Department of Planning and Development, Room 1000; and

Whereas, Notice of the availability of the Report and Plan, including how to obtain this information, were sent by mail on August 18, 2015 which is within a reasonable time after the adoption by the Commission of Resolution 15-CDC-23 August 11, 2015 to: (a) all residential addresses that, after a good faith effort, were determined to be (i) located within the Area and (ii) located outside the proposed Area and within 750 feet of the boundaries of the Area (or, if applicable, were determined to be the 750 residential addresses that were outside the proposed Area and closest to the boundaries of the Area); and (b) organizations and residents that were registered interested parties for such Area; and

Whereas, Notice of the Hearing by publication was given at least twice, the first publication being on September 15, 2015 a date which is not more than 30 nor less than 10 days prior to the Hearing, and the second publication being on September 22, 2015, both in the *Chicago Sun-Times* or the *Chicago Tribune*, being newspapers of general circulation within the taxing districts having property in the Area; and

Whereas, Notice of the Hearing was given by mail to taxpayers by depositing such notice in the United States mail by certified mail addressed to the persons in whose names the general taxes for the last preceding year were paid on each lot, block, tract or parcel of land lying within the Area, on September 22, 2015, being a date not less than 10 days prior to the date set for the Hearing; and where taxes for the last preceding year were not paid, notice was also mailed to the persons last listed on the tax rolls as the owners of such property within the preceding three years; and

Whereas, Notice of the Hearing was given by mail to the Illinois Department of Commerce and Economic Opportunity ("DCEO") and members of the Board (including notice of the convening of the Board), by depositing such notice in the United States mail by certified mail addressed to DCEO and all Board members, on August 17, 2015, being a date not less than 45 days prior to the date set for the Hearing; and

Whereas, Notice of the Hearing and copies of the Report and Plan were sent by mail to taxing districts having taxable property in the Area, by depositing such notice and documents in the United States mail by certified mail addressed to all taxing districts having taxable property within the Area, on August: 17, 2015, being a date not less than 45 days prior to the date set for the Hearing; and

Whereas, The Hearing was held on October 13, 2015, at 1:00 P.M., at City Hall, 2<sup>nd</sup> Floor, 121 North LaSalle Street, Chicago, Illinois, as the official public hearing, and testimony was heard from all interested persons or representatives of any affected taxing district present at the Hearing and wishing to testify, concerning the Commission's

recommendation to City Council regarding approval of the Plan, designation of the Area as a Redevelopment Project Area and adoption of Tax Increment Allocation Financing within the Area; and

Whereas, The Board meeting was convened on September 11, 2015 at 10:00 A.M., being a date at least 14 days but not more than 28 days after the date of the mailing of the notice to the taxing districts on August 17, 2015 in Room 1003A, City Hall, 121 North LaSalle Street, Chicago, Illinois, to review the matters properly coming before the Board to allow it to provide its advisory recommendation regarding the approval of the Plan, designation of the Area as a Redevelopment Project Area, adoption of Tax Increment Allocation Financing within the Area and other matters, if any, properly before it, all in accordance with Section 5/11-74.4-5(b) of the Act; and

Whereas, The Commission has reviewed the Report and Plan, considered testimony from the Hearing, if any, the recommendation of the Board, if any, and such other matters or studies as the Commission deemed necessary or appropriate in making the findings set forth herein and formulating its decision whether to recommend to City Council approval of the Plan, designation of the Area as a Redevelopment Project Area and adoption of Tax Increment Allocation Financing within the Area; now, therefore,

*Be It Resolved by the Community Development Commission of the City of Chicago:*

Section 1. The above recitals are incorporated herein and made a part hereof.

Section 2. The Commission hereby makes the following findings pursuant to Section 5/11-74.4-3(n) of the Act or such other section as is referenced herein:

a. The Area on the whole has not been subject to growth and development through investment by private enterprise and would not reasonably be expected to be developed without the adoption of the Plan;

b. The Plan:

(i) conforms to the comprehensive plan for the development of the City as a whole; or

(ii) the Plan either (A) conforms to the strategic economic development or redevelopment plan issued by the Chicago Plan Commission or (B) includes land uses that have been approved by the Chicago Plan Commission;

c. The Plan meets all of the requirements of a redevelopment plan as defined in the Act and, as set forth in the Plan, the estimated date of completion of the projects described therein and retirement of all obligations issued to finance redevelopment project costs is not later than December 31 of the year in which the payment to the municipal treasurer as provided in subsection (b) of Section 5/11-74.4-8 of the Act is to be made with respect to ad valorem taxes levied in the twenty-third calendar year following the year of the adoption

of the ordinance approving the designation of the Area as a redevelopment project area and, as required pursuant to Section 5/11-74.4-7 of the Act, no such obligation shall have a maturity date greater than 20 years;

d. To the extent required by Section 5/11-74.4-3(n)(6) of the Act, the Plan incorporates the housing impact study, if such study is required by Section 5/11-74.4-3(n)(5) of the Act;

e. The Plan will not result in displacement of residents from inhabited units.

f. The Area includes only those contiguous parcels of real property and improvements thereon that are to be substantially benefited by proposed Plan improvements, as required pursuant to Section 5/11-74.4-4(a) of the Act;

g. As required pursuant to Section 5/11-74.4-3(p) of the Act:

- (i) the Area is not less, in the aggregate, than one and one-half acres in size; and
- (ii) conditions exist in the Area that cause the Area to qualify for designation as a redevelopment project area and a blighted area as defined in the Act;

h. If the Area is qualified as a "blighted area", whether improved or vacant, each of the factors necessary to qualify the Area as a Redevelopment Project Area on that basis is (i) present, with that presence documented to a meaningful extent so that it may be reasonably found that the factor is clearly present within the intent of the Act and (ii) reasonably distributed throughout the improved part or vacant part, as applicable, of the Area as required pursuant to Section 5/11-74.4-3(a) of the Act;

i. If the Area is qualified as a "conservation area" the combination of the factors necessary to qualify the Area as a redevelopment project area on that basis is detrimental to the public health, safety, morals or welfare, and the Area may become a blighted Area; [and]

Section 3. The Commission recommends that the City Council approve the Plan pursuant to Section 5/11-74.4-4 of the Act.

Section 4. The Commission recommends that the City Council designate the Area as a Redevelopment Project Area pursuant to Section 5/11-74.4-4 of the Act.

Section 5. The Commission recommends that the City Council adopt Tax Increment Allocation Financing within the Area.

Section 6. If any provision of this resolution shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such provision shall not affect any of the remaining provisions of this resolution.

Section 7. All resolutions, motions or orders in conflict with this resolution are hereby repealed to the extent of such conflict.

Section 8. This resolution shall be effective as of the date of its adoption.

Section 9. A certified copy of this resolution shall be transmitted to the City Council.

Adopted: October 13, 2015.

(Sub)Exhibit "A" referred to in this Resolution 15-CDC-27 reads as follows:

The following is said ordinance as passed:

WHEREAS, It is desirable and in the best interest of the citizens of the City of Chicago, Illinois (the "City") for the City to implement tax increment allocation financing ("Tax Increment Allocation Financing") pursuant to the Illinois Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1, et seq. as amended (the "Act"), for a proposed amendment to the redevelopment project area known as the Midwest Tax Increment Financing Redevelopment Project Area Amendment Number 2 (the "Expanded Area") described in Section 2 of this ordinance, to be redeveloped pursuant to a proposed amended redevelopment plan and project (the "Amended Plan"); and

WHEREAS, A public meeting ("Public Meeting") was held in compliance with the requirements of Section 5/11-74.4-6(e) of the Act on July 27, 2015 at 6:30 P.M. at St. Michael's Missionary Baptist Church, 4106 West Monroe Street, Chicago, Illinois; and

WHEREAS, The Amended Plan (including the related eligibility report attached thereto as an exhibit and, if applicable, the feasibility study and the housing impact study) has been made available for public inspection and review pursuant to Section 5/11-74.4-5(a) of the Act since July 31, 2015, being a date not less than 10 days before the meeting of the Community Development Commission of the City ("Commission") at which the Commission adopted Resolution 15-CDC-23 on August 11, 2015 fixing the time and place for a public hearing ("Hearing"), at the offices of the City Clerk and the City's Department of Planning and Development; and

WHEREAS, Pursuant to Section 5/11-74.4-5(a) of the Act, notice of the availability of the Amended Plan (including the related eligibility report attached thereto as an exhibit and, if applicable, the feasibility study and the housing impact study) was sent by mail on August 18, 2015 which is within a reasonable time after the adoption by the Commission of Resolution 15-CDC-23 to: (a) all residential addresses that, after a good faith effort, were determined to be (i) located within the Expanded Area and (ii) located within 750 feet of the boundaries of the Expanded Area (or, if applicable, were determined to be the 750 residential addresses that were closest to the boundaries of the Expanded Area); and (b) organizations and residents that were registered interested parties for such Expanded Area; and

WHEREAS, A meeting of the joint review board established pursuant to Section 5/11-74.4-5(b) of the Act (the "Board") was convened upon the provision of due notice on September 11, 2015 at 10:00 A.M., to review the matters properly coming before the Board and to allow it to provide its advisory recommendation regarding the approval of the Amended Plan, designation of the Expanded Area as a redevelopment project area pursuant to the Act and adoption of Tax Increment Allocation Financing within the Expanded Area, and other matters, if any, properly before it; and

WHEREAS, Pursuant to Sections 5/11-74.4-4 and 5/11-74.4-5 of the Act, the Commission held the Hearing concerning approval of the Amended Plan, designation of the Expanded Area as a redevelopment project area pursuant to the Act and adoption of Tax Increment Allocation Financing within the Expanded Area pursuant to the Act on October 13, 2015; and

WHEREAS, The Commission has forwarded to the City Council a copy of its Resolution 15-CDC-23, recommending to the City Council approval of the Amended Plan, among other related matters; and

WHEREAS, The City Council has heretofore approved the Amended Plan, which was identified in An Ordinance Of The City Of Chicago, Illinois, Approving The Midwest Tax Increment Financing Redevelopment Project And Plan Amendment Number 2; now, therefore,

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 3. Findings. The Corporate Authorities hereby make the following findings:

a. The Expanded Area includes only those contiguous parcels of real property and improvements thereon that are to be substantially benefitted by proposed Amended Plan improvements, as required pursuant to Section 5/11-74.4-4(a) of the Act;

b. As required pursuant to Section 5/11-74.4-3(p) of the Act:

(i) the Expanded Area is not less, in the aggregate, than one and one-half acres in size; and

(ii) conditions exist in the Expanded Area that cause the Expanded Area to qualify for designation as a redevelopment project area and a conservation area as defined in the Act;

c. If the Expanded Area is qualified as a "blighted area", whether improved or vacant, each of the factors necessary to qualify the Expanded Area as a redevelopment project area on that basis is (i) clearly present within the intent of the Act and with that presence documented to a meaningful extent, and (ii) reasonably distributed throughout the improved part or vacant part, as applicable, of the Expanded Area as required pursuant to Section 5/11-74.4-3(a) of the Act;

d. If the Expanded Area is qualified as a "conservation area", the combination of the factors necessary to qualify the Expanded Area as a redevelopment project area on that basis is detrimental to the public health, safety, morals or welfare, and the Expanded Area may become a blighted area.

SECTION 4. Expanded Area Designated. The Expanded Area is hereby designated as a redevelopment project area pursuant to Section 5/11-74.4-4 of the Act.

SECTION 5. Invalidity Of Any Section. If any provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such provision shall not affect any of the remaining provisions of this ordinance.

SECTION 6. Superseder. All ordinances, resolutions, motions or orders in conflict with this ordinance are hereby repealed to the extent of such conflict.

SECTION 7. Effective Date. This ordinance shall be in full force and effect immediately upon its passage.

July 2015

ADOPTION OF TAX INCREMENT ALLOCATION FINANCING FOR EXPANDED  
MIDWEST REDEVELOPMENT PROJECT AREA.

[O2015-8429]

The Committee on Finance submitted the following report:

CHICAGO, December 9, 2015.

*To the President and Members of the City Council:*

Your Committee on Finance, having had under consideration a proposed ordinance authorizing the adoption of Tax Increment Allocation Financing for the Midwest Redevelopment Amendment Number 2 Project Area, having had the same under advisement, begs leave to report and recommend that Your Honorable Body *Pass* the proposed ordinance transmitted herewith.

This recommendation was concurred in by a viva voce vote of the members of the committee, with no dissenting vote.

Respectfully submitted,

(Signed) EDWARD M. BURKE,  
*Chairman.*

On motion of Alderman Burke, the said proposed ordinance transmitted with the foregoing committee report was *Passed* by yeas and nays as follows:

*Yeas* -- Aldermen Moreno, Hopkins, Dowell, Burns, Hairston, Sawyer, Mitchell, Harris, Beale, Sadlowski Garza, Thompson, Cárdenas, Quinn, Burke, Lopez, Foulkes, D. Moore, Curtis, O'Shea, Cochran, Brookins, Muñoz, Zalewski, Scott, Solis, Maldonado, Burnett, Ervin, Taliaferro, Reboyras, Santiago, Waguespack, Mell, Austin, Ramirez-Rosa, Villegas, Mitts, Sposato, Laurino, O'Connor, Napolitano, Reilly, Smith, Tunney, Arena, Cappleman, Pawar, Osterman, J. Alderman Beale moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

WHEREAS, It is desirable and in the best interest of the citizens of the City of Chicago, Illinois (the "City") for the City to implement tax increment allocation financing ("Tax Increment Allocation Financing") pursuant to the Illinois Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1, et. seq. as amended (the "Act"), for a proposed amended redevelopment project area to be known as the Midwest Tax Increment Financing Redevelopment Project Area Amendment Number 2 (the "Expanded Area") described in Section 2 of this ordinance, to be redeveloped pursuant to a proposed amended redevelopment plan and project (the "Amended Plan"); and

WHEREAS, The Community Development Commission of the City has forwarded to the City Council of the City ("City Council") a copy of its Resolution 15-CDC-23, recommending to the City Council the adoption of Tax Increment Allocation Financing for the Expanded Area, among other things; and

WHEREAS, As required by the Act, the City has heretofore approved the Amended Plan, which was identified in An Ordinance Of The City Of Chicago, Illinois, Approving The Midwest Tax Increment Financing Redevelopment Project And Plan Amendment Number 2 and has heretofore designated the Expanded Area as a redevelopment project area by passage of An Ordinance Of The City Of Chicago, Illinois, Designating The Expanded Midwest Tax Increment Financing Redevelopment Project Area As A Redevelopment Project Area Pursuant To The Tax Increment Allocation Redevelopment Act and has otherwise complied with all other conditions precedent required by the Act; now, therefore,

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. Recitals. The above recitals are incorporated herein and made a part hereof.

SECTION 2. Tax Increment Allocation Financing Adopted. Tax Increment Allocation Financing is hereby adopted pursuant to Section 5/11-74.4-8 of the Act to finance redevelopment project costs as defined in the Act and as set forth in the Amended Plan within the Expanded Area legally described in Exhibit A attached hereto and incorporated herein. The street location (as near as practicable) for the Expanded Area is described in Exhibit B attached hereto and incorporated herein. The map of the Expanded Area is depicted in Exhibit C attached hereto and incorporated herein.

SECTION 3. Allocation Of Ad Valorem Taxes. Pursuant to the Act, the ad valorem taxes, if any, arising from the levies upon taxable real property in the Expanded Area by taxing districts and tax rates determined in the manner provided in Section 5/11-74.4-9(c) of the Act each year after the effective date of this ordinance until redevelopment project costs and all municipal obligations financing redevelopment project costs incurred under the Act have been paid, shall be divided as follows:

- a. That portion of taxes levied upon each taxable lot, block, tract or parcel of real property which is attributable to the lower of the current equalized assessed value or the initial equalized assessed value of each such taxable lot, block, tract or parcel of real property in

the Expanded Area shall be allocated to, and when collected, shall be paid by the county collector to the respective affected taxing districts in the manner required by law in the absence of the adoption of Tax Increment Allocation Financing; and

b. That portion, if any, of such taxes which is attributable to the increase in the current equalized assessed valuation of each taxable lot, block, tract or parcel of real property in the Expanded Area over and above the initial equalized assessed value of each property in the Expanded Area shall be allocated to, and when collected, shall be paid to the City treasurer who shall deposit said taxes into a special fund designated the "119<sup>th</sup> Street/I-57 Redevelopment Project Area Special Tax Allocation Fund" of the City for the purpose of paying redevelopment project costs and obligations incurred in the payment thereof.

SECTION 4. Invalidation Of Any Section. If any provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such provision shall not affect any of the remaining provisions of this ordinance.

SECTION 5. Superseder. All ordinances, resolutions, motions or orders in conflict with this ordinance are hereby repealed to the extent of such conflict.

SECTION 6. Effective Date. This ordinance shall be in full force and effect immediately upon its passage.

PAYMENT OF HOSPITAL, MEDICAL AND NURSING SERVICES RENDERED  
CERTAIN INJURED MEMBERS OF POLICE AND FIRE DEPARTMENTS.

The Committee on Finance submitted the following report:

CHICAGO, December 9, 2015.

*To the President and Members of the City Council:*

Your Committee on Finance, having had under consideration four orders authorizing the payment of hospital and medical expenses of police officers and firefighters injured in the line of duty, having had the same under advisement, begs leave to report and recommend that Your Honorable Body *Pass* the proposed orders transmitted herewith.

This recommendation was concurred in by a viva voce vote of the members of the committee, with no dissenting vote.

Respectfully submitted,

(Signed) EDWARD M. BURKE,  
*Chairman.*

On motion of Alderman Burke, the said proposed orders transmitted with the foregoing committee report were *Passed* by yeas and nays as follows:

*Yeas* -- Aldermen Moreno, Hopkins, Dowell, Burns, Hairston, Sawyer, Mitchell, Harris, Beale, Sadlowski Garza, Thompson, Cárdenas, Quinn, Burke, Lopez, Foulkes, D. Moore, Curtis, O'Shea, Cochran, Brookins, Muñoz, Zalewski, Scott, Solis, Maldonado, Burnett, Ervin, Taliaferro, Reboyras, Santiago, Waguespack, Mell, Austin, Ramirez-Rosa, Villegas, Mitts, Sposato, Laurino, O'Connor, Napolitano, Reilly, Smith, Tunney, Arena, Cappleman, Pawar, Osterman, J. Moore, Silverstein -- 50.

*Nays* -- None.

Alderman Beale moved to reconsider the foregoing vote. The motion was lost.

The following are said orders as passed (the italic heading in each case not being a part of the order):

*Regular Orders.*

(Each Amount Not To Exceed \$1,000.00)

[Or2015-746]

*Ordered,* That the City Comptroller is authorized and directed to issue payments, each in an amount not to exceed \$1,000.00, in conformity with the schedule herein set forth, to physicians, hospitals, nurses or other individuals, in settlement for hospital, medical and nursing services rendered to the injured members of the Police Department and/or the Fire Department herein named. The payment of any of these bills shall not be construed as an approval of any previous claims pending or future claims for expenses or benefits on account of any alleged injury to the individuals named. The total amount of said claims is set opposite the names of the injured members of the Police Department and/or the Fire Department, and payments are to be drawn in favor of the proper claimants and charged to the following Account Numbers: 100-57-2005-0937; 610-57-4415-0937; 740-57-4415-0937; 100-59-2005-0937; 610-59-4415-0937; and 740-59-4415-0937.

*Third Party Orders.*  
(Each Amount Not To Exceed \$1,000.00)

[Or2015-748]

*Ordered,* That the City Comptroller is authorized and directed to issue payments, each in an amount not to exceed \$1,000.00, in conformity with the schedule herein set forth, to physicians, hospitals, nurses or other individuals, in settlement for hospital, medical and nursing services rendered to the injured members of the Police Department and/or the Fire Department herein named; provided such members of the Police Department and/or Fire Department shall enter into an agreement in writing with the City of Chicago to the effect that, should it appear that any of said members of the Police Department and/or Fire Department have received any sum of money from the party whose negligence caused such injury, or have instituted proceedings against such party for the recovery of damage on account of such injury or medical expenses, then in that event the City shall be reimbursed by such member of the Police Department and/or the Fire Department out of any sum that such member of the Police Department and/or Fire Department has received or may hereafter receive from such third party on account of such injury or medical expenses, not to exceed the expense in accordance with Opinion Number 1422 of the Corporation Counsel of said City, dated March 19, 1926. The payment of any of these bills shall not be construed as approval of any previous claims pending or future claims for expenses or benefits on account of any alleged injury to the individuals named. The total amount of such claims, as allowed, is set opposite the names of the injured members of the Police Department and/or the Fire Department and the payments are to be drawn in favor of the proper claimants and charged to the following Account Numbers: 100-57-2005-0937; 610-57-4415-0937; 740-57-4415-0937; 100-59-2005-0937; 610-59-4415-0937; and 740-59-4415-0937.

AMENDMENT OF SECTIONS 2-92-660 AND 2-92-780 OF MUNICIPAL CODE BY  
EXTENDING MBE/WBE CONSTRUCTION PROGRAM TO MARCH 31, 2016.  
[SO2015-8043]

The Committee on the Budget and Government Operations submitted the following report:

CHICAGO, December 9, 2015.

*To the President and Members of the City Council:*

Your Committee on the Budget and Government Operations, having had under

consideration an ordinance authorizing an amendment to Chapter 2-92 of the Municipal Code of Chicago necessary to provide for the continuation of the minority- and women-owned (MBE/WBE) firms' construction program, and having been presented with a proposed amendment by Alderman Ariel Reboyras (30) to insert the date March 31, 2016; and having had the same under advisement, begs leave to report and recommend that Your Honorable Body *Pass* the ordinance, as amended, transmitted herewith.

This recommendation was concurred in by a viva voce vote of the members of the committee.

Respectfully submitted,

(Signed) CARRIE M. AUSTIN,  
*Chairman.*

On motion of Alderman Austin, the said proposed substitute ordinance transmitted with the foregoing committee report was *Passed* by yeas and nays as follows:

*Yeas*-- Aldermen Moreno, Hopkins, Dowell, Burns, Hairston, Sawyer, Mitchell, Harris, Beale, Sadlowski Garza, Thompson, Cárdenas, Quinn, Burke, Lopez, Foulkes, D. Moore, Curtis, O'Shea, Cochran, Brookins, Muñoz, Zalewski, Scott, Solis, Maldonado, Burnett, Ervin, Taliaferro, Reboyras, Santiago, Waguespack, Mell, Austin, Ramirez-Rosa, Villegas, Mitts, Sposato, Laurino, O'Connor, Napolitano, Reilly, Smith, Tunney, Arena, Cappleman, Pawar, Osterman, J. Moore, Silverstein -- 50.

*Nays* -- None.

Alderman Beale moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

WHEREAS, The City of Chicago (the "City") is a home rule unit of local government as defined in Section 6(a), Article VII of the 1970 Constitution of the State of Illinois and, as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, The City, through its Department of Procurement Services, (the "Department") is responsible for the contracting of goods and services for the City; and

WHEREAS, Pursuant to Section 2-92-650, et seq., (the "Ordinance") of the Municipal Code of Chicago ("Code"), the Department has established a minority- and women-owned business enterprise construction procurement program (the "MBE/WBE program"); and

WHEREAS, The Ordinance provides in pertinent part that the Ordinance "shall expire on December 31, 2015, unless the city finds that its remedial purposes have not been fully achieved and there is a compelling interest in continuing narrowly tailored remedies to redress discrimination against MBEs or WBEs so that the city will not function as a passive participant in a discriminatory marketplace"; and

WHEREAS, In order to determine whether it is appropriate to allow the Ordinance to expire or instead to continue the narrowly tailored remedies contained therein, a comprehensive review of the relevant data is warranted; and

WHEREAS, The City has retained the noted econometrician Dr. David G. Blanchflower, Bruce V. Rauner Professor of Economics, Dartmouth College, and former member of the Monetary Policy Committee of the Bank of England to carry out such a comprehensive review; and

WHEREAS, The City has also commissioned a credit market survey on lender discrimination which was conducted by the National Opinion Research Center (NORC) at The University of Chicago; and

WHEREAS, The City has also retained Don O'Bannon, Esq., who conducted a study to explore anecdotal evidence of possible discrimination against minorities and women through the use of a focus group and stakeholder meetings; and

WHEREAS, The City has also retained the law firm of Pugh, Jones & Johnson to provide counsel to the City and the retained parties with respect to the entire comprehensive review; and

WHEREAS, Dr. Blanchflower has concluded his review and has provided a detailed report of his conclusions to the City, including the NORC credit market survey and the anecdotal study, together with recommendations based on his findings ("the Final Report") that the MBE/WBE program should continue; and

WHEREAS, It is advisable and appropriate to incorporate the conclusions and recommendations of the Final Report into law; now, therefore,

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. Sections 2-92-660 and 2-92-780 of the Code are hereby amended by inserting the underscored language and deleting the struck through language as follows:

2-92-660 Findings Of Discrimination.

(Omitted text is unaffected by this ordinance.)

(v) Following a comprehensive review of the relevant data conducted in 2009, the city has determined to extend this article to December 2015 and make other changes to this

article, and following a subsequent comprehensive review of the relevant data conducted in 2015, the city has determined to further extend this article to March 31, 2016.

2-92-780 Review And Sunset.

This article shall be subject to an interim review by the chief procurement officer to be concluded by December of 2012, and shall expire on ~~December 31, 2015~~ March 31, 2016, unless the city finds that its remedial purposes have not been fully achieved and there is a compelling interest in continuing narrowly tailored remedies to redress discrimination against M.B.E.s or W.B.E.s so that the city will not function as a passive participant in a discriminatory marketplace.

SECTION 2. This ordinance shall be in full force and effect from the date of its passage and approval.

SUPPLEMENTAL APPROPRIATION AND AMENDMENT OF YEAR 2015 ANNUAL APPROPRIATION ORDINANCE WITHIN FUND NO. 925.

[O2015-8052]

The Committee on the Budget and Government Operations submitted the following report:

CHICAGO, December 9, 2015.

*To the President and Members of the City Council:*

Your Committee on the Budget and Government Operations, having had under consideration an ordinance authorizing a supplemental appropriation and an amendment to the Year 2015 Annual Appropriation Ordinance, and a carryover to 2016, necessary to reflect an increase in the amount of funds received from federal, state, public, and/or private agencies, and having had the same under advisement, begs leave to report and recommend that Your Honorable Body *Pass* the ordinance transmitted herewith.

This recommendation was concurred in by a viva voce vote of the members of the committee.

Respectfully submitted,

(Signed) CARRIE M. AUSTIN,  
*Chairman.*

On motion of Alderman Austin, the said proposed ordinance transmitted with the foregoing committee report was *Passed* by yeas and nays as follows:

*Yeas* -- Aldermen Moreno, Hopkins, Dowell, Burns, Hairston, Sawyer, Mitchell, Harris, Beale, Sadlowski Garza, Thompson, Cárdenas, Quinn, Burke, Lopez, Foulkes, D. Moore, Curtis, O'Shea, Cochran, Brookins, Muñoz, Zalewski, Scott, Solis, Maldonado, Burnett, Ervin, Taliaferro, Reboyras, Santiago, Waguespack, Mell, Austin, Ramirez-Rosa, Villegas, Mitts, Sposato, Laurino, O'Connor, Napolitano, Reilly, Smith, Tunney, Arena, Cappleman, Pawar, Osterman, J. Moore, Silverstein -- 50.

*Nays* -- None.

Alderman Beale moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

WHEREAS, The Annual Appropriation Ordinances for the years 2015 and 2016 of the City of Chicago (the "City") contain estimates of revenues receivable as grants from agencies of the state and federal governments and public and private agencies; and

WHEREAS, In accordance with Section 8 of the Annual Appropriation Ordinances, the heads of various departments and agencies of the City have applied to agencies of the state and federal governments and public and private agencies for grants to the City for various purposes; and

WHEREAS, The City through its Department of Family and Support Services has been awarded federal grant funds in the amount of \$700,000 in fiscal year 2015 by the United States Department of Education; Office of Career, Technical, and Adult Education which shall be used in both the years 2015 and 2016 Performance Partnership Pilots for Disconnected Youth Program; now, therefore,

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. The sum of \$700,000 not previously appropriated, representing increased grant awards, is hereby appropriated from Fund 925 -- Grant Funds for 2015 and carried over into 2016. The Annual Appropriation Ordinance for 2015 is hereby further amended by striking the words and figures and adding the words and figures indicated in the attached Exhibit A. The Annual Appropriation Ordinance for 2016 is hereby amended by striking the words and figures and adding the words and figures indicated in the attached Exhibit B which is hereby made a part hereof.

SECTION 2. To the extent that any ordinance, resolution, rule, order or provision of the Municipal Code of Chicago, or part thereof, is in conflict with the provisions of this ordinance, the provisions of this ordinance shall control. If any section, paragraph, clause or provision of this ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this ordinance.

SECTION 3. This ordinance shall be in full force and effect upon its passage and approval.

## TRANSFER OF YEAR 2015 FUNDS WITHIN CITY COUNCIL LEGISLATIVE REFERENCE BUREAU.

[O2015-8876]

The Committee on the Budget and Government Operations submitted the following report.

CHICAGO, December 9, 2015.

*To the President and Members of the City Council:*

Your Committee on the Budget and Government Operations, having had under consideration an ordinance authorizing a transfer of funds within the City Council Legislative Reference Bureau, and having had the same under advisement, begs leave to report and recommend that Your Honorable Body *Pass* the ordinance transmitted herewith.

This recommendation was concurred in by a viva voce vote of the members of the committee.

Respectfully submitted,

(Signed) CARRIE M. AUSTIN,  
*Chairman.*

On motion of Alderman Austin, the said proposed ordinance transmitted with the foregoing committee report was *Passed* by yeas and nays as follows:

*Yeas* -- Aldermen Moreno, Hopkins, Dowell, Burns, Hairston, Sawyer, Mitchell, Harris, Beale, Sadlowski Garza, Thompson, Cárdenas, Quinn, Burke, Lopez, Foulkes, D. Moore, Curtis, O'Shea, Cochran, Brookins, Muñoz, Zalewski, Scott, Solis, Maldonado, Burnett, Ervin, Taliaferro, Reboyras, Santiago, Waguespack, Mell, Austin, Ramirez-Rosa, Villegas, Mitts, Sposato, Laurino, O'Connor, Napolitano, Reilly, Smith, Tunney, Arena, Cappleman, Pawar, Osterman, J. Moore, Silverstein -- 50.

*Nays* -- None.

Alderman Beale moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

WHEREAS, The City of Chicago is a home rule unit of government as defined in Article VII, Section 6(a) of the Illinois Constitution and, as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, The management of its finances is a matter pertaining to the government and affairs of the City of Chicago; now, therefore,

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. The City Comptroller and the City Treasurer are authorized and directed to make the following transfer of funds for the year 2015. This transfer will leave sufficient unencumbered appropriations to meet all liabilities that have been or may be incurred during the year 2015 payable from such appropriations:

SUPPORT OF COOK COUNTY CLASS 6(b) TAX INCENTIVES FOR PROPERTY AT  
11600 S. BURLEY AVE.

[R2015-911]

The Committee on Economic, Capital and Technology Development submitted the following report:

CHICAGO, December 9, 2015.

*To the President and Members of the City Council:*

Reporting for your Committee on Economic, Capital and Technology Development, for which a meeting was held on December 7, 2015, having had under consideration a Class 6(b) tax incentive resolution which was introduced on November 18, 2015 by Alderman Susan Sadlowski Garza for the property located at 11600 South Burley Avenue, begs leave to report and recommend that Your Honorable Body *Adopt* said proposed resolution transmitted herewith.

This recommendation was concurred in by a viva voce vote of the members of the committee.

Respectfully submitted,

(Signed) HOWARD BROOKINS, JR.,  
*Chairman.*

On motion of Alderman Brookins, the said proposed resolution transmitted with the foregoing committee report was *Adopted* by yeas and nays as follows:

*Yeas* -- Aldermen Moreno, Hopkins, Dowell, Burns, Hairston, Sawyer, Mitchell, Harris, Beale, Sadlowski Garza, Thompson, Cárdenas, Quinn, Burke, Lopez, Foulkes, D. Moore, Curtis, O'Shea, Cochran, Brookins, Muñoz, Zalewski, Scott, Solis, Maldonado, Burnett, Ervin, Taliaferro, Reboyras, Santiago, Waguespack, Mell, Austin, Ramirez-Rosa, Villegas, Mitts, Sposato, Laurino, O'Connor, Napolitano, Reilly, Smith, Tunney, Arena, Cappleman, Pawar, Osterman, J. Moore, Silverstein -- 50.

*Nays* -- None.

Alderman Beale moved to reconsider the foregoing vote. The motion was lost.

The following is said resolution as adopted:

WHEREAS, The Cook County Board of Commissioners has enacted the Cook County Real Property Assessment Classification Ordinance, as amended from time to time (the "Ordinance"), which provides for, among other things, real estate tax incentives to property owners who build, rehabilitate, enhance and occupy property which is located within Cook County and which is used primarily for industrial purposes; and

WHEREAS, The City of Chicago (the "City"), consistent with the Ordinance, wishes to induce industry to locate and expand in the City by supporting financial incentives in the form of property tax relief; and

WHEREAS, South Chicago Property Management Ltd., an Ohio limited liability company (the "Applicant"), owns certain real estate located generally at 11600 South Burley Avenue, Chicago, Illinois 60617, as further described on Exhibit A hereto (the "Subject Property"); and

WHEREAS, The Applicant has been the owner of the Subject Property since 2001 and the Subject Property has been used for industrial purposes for more than 10 years; and

WHEREAS, The Ordinance permits a Class 6(b) classification for certain properties which have been used for industrial purposes for a minimum of 10 years when the industrial enterprise that occupies the premises submits evidence of hardship supporting a determination that participation in the Sustainable Emergency Relief Program (the "SER Program") is necessary for the industrial enterprise to continue operations at its current location and maintain its staff, and that without such designation the industrial enterprise would not be economically viable causing the property to be in imminent risk of becoming vacant and unused ("Evidence of Hardship"); and

WHEREAS, The Applicant has submitted Evidence of Hardship to the City; and

WHEREAS, Special circumstances exist of dilapidation obsolescence, deterioration, presence of structures below minimum code standards, excessive vacancies, inadequate utilities, and deleterious land use or layout (the "Special Circumstances"); and

WHEREAS, The City's Department of Planning and Development has reviewed the Evidence of Hardship and (i) found that the Special Circumstances qualify the Subject Property for participation in the SER Program, (ii) determined that Applicant's participation in the SER Program is necessary for the Applicant to continue operations at the Subject Property and maintain its staff, and that without such designation the Applicant's industrial enterprise on the Subject Property would not be economically viable causing the Subject Property to be in imminent risk of becoming vacant and unused; and

WHEREAS, The Applicant has filed with the Office of the Assessor of Cook County (the "Assessor") an eligibility application for a Class 6(b) tax incentive under the SER Program, including the Evidence of Hardship; and

WHEREAS, The Subject Property is located within: (i) the City of Chicago Enterprise Zone Number 3 (created pursuant to the Illinois Enterprise Zone Act, 20 ILCS 665/1, et seq., as amended, and pursuant to an ordinance enacted by the City Council of the City, as amended), and (ii) the Lake Calumet Industrial Corridor Redevelopment Project Area (created pursuant to the Illinois Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1, et seq., as amended, and pursuant to an ordinance enacted by the City Council of the City), and the purposes of Enterprise Zones and Redevelopment Project Areas are also to provide certain incentives in order to stimulate economic activity and to revitalize depressed areas; and

Whereas, It is the final responsibility of the Assessor to determine that an application for a Class 6(b) classification is eligible pursuant to the Ordinance; and

WHEREAS, The Ordinance requires that, in connection with the filing of a Class 6(b) eligibility application with the Assessor under the SER Program, an applicant must obtain from the municipality in which such real estate that is proposed for Class 6(b) designation is located a resolution expressly stating that the municipality (i) has found that special circumstances exist which qualify the property for the Class 6(b) designation pursuant to the SER Program, (ii) has determined that the applicant's participation in the SER Program is necessary for the industrial enterprise to continue operations at its current location and maintain its staff, and that without such designation the industrial enterprise would not be economically viable causing the property to be in imminent risk of becoming vacant and unused, and (iii) supports and consents to the Class 6(b) classification by the Assessor; and

WHEREAS, The current and future use of the Subject Property provides and will continue to provide significant present and future employment; and

WHEREAS, Notwithstanding the Class 6(b) status of the Subject Property, the continued industrial utilization thereof will generate significant ongoing revenues for the City in the form of real estate taxes and other tax revenues; now, therefore,

*Be It Resolved by the City Council of the City of Chicago:*

SECTION 1. That the City finds that the Special Circumstances qualify the Subject Property for participation in the SER Program pursuant to the Ordinance.

SECTION 2. That the City determines that the Applicant's participation in the SER Program is necessary for the Applicant to continue operations at the Subject Property and maintain its staff, and that without such designation the Applicant's industrial enterprise on the Subject Property would not be economically viable causing the Subject Property to be in imminent risk of becoming vacant and unused.

SECTION 3. That the City supports and consents to the Class 6(b) classification pursuant to the SER Program by the Assessor with respect to the Subject Property.

SECTION 4. That the Clerk of the City of Chicago is authorized to and shall send a certified copy of this resolution to the Office of the Cook County Assessor, Room 312, County Building, Chicago, Illinois 60602, and a certified copy of this resolution may be included with the Class 6(b) eligibility application filed with the Assessor by the Applicant, as applicant, in accordance with the Ordinance.

SECTION 5. That this resolution shall be effective immediately upon its passage and approval.

Exhibit "A" referred to in this resolution reads as follows:

SUPPORT OF COOK COUNTY CLASS 6(b) TAX INCENTIVES FOR PROPERTY AT  
4900 W. GRAND AVE.

[R2015-914]

The Committee on Economic, Capital and Technology Development submitted the following report:

CHICAGO, December 9, 2015.

*To the President and Members of the City Council:*

Reporting for your Committee on Economic, Capital and Technology Development, for which a meeting was held on December 7, 2015, having had under consideration a Class 6(b) tax incentive resolution which was introduced on November 18, 2015 by Alderman Gilbert Villegas for the property located at 4900 West Grand Avenue, begs leave to report and recommend that Your Honorable Body *Adopt* said proposed resolution transmitted herewith.

This recommendation was concurred in by a viva voce vote of the members of the committee.

Respectfully submitted,

(Signed) HOWARD BROOKINS, JR.,  
*Chairman.*

On motion of Alderman Brookins, the said proposed resolution transmitted with the foregoing committee report was *Adopted* by yeas and nays as follows:

*Yeas* -- Aldermen Moreno, Hopkins, Dowell, Burns, Hairston, Sawyer, Mitchell, Harris, Beale, Sadlowski Garza, Thompson, Cárdenas, Quinn, Burke, Lopez, Foulkes, D. Moore, Curtis, O'Shea, Cochran, Brookins, Muñoz, Zalewski, Scott, Solis, Maldonado, Burnett, Ervin, Taliaferro, Reboyras, Santiago, Waguespack, Mell, Austin, Ramirez-Rosa, Villegas, Mitts, Sposato, Laurino, O'Connor, Napolitano, Reilly, Smith, Tunney, Arena, Cappleman, Pawar, Osterman, J. Moore, Silverstein -- 50.

*Nays* -- None.

Alderman Beale moved to reconsider the foregoing vote. The motion was lost.

The following is said resolution as adopted:

WHEREAS, The Cook County Board of Commissioners has enacted the Cook County Real Property Assessment Classification Ordinance, as amended from time to time (the "Ordinance"), which provides for, among other things, real estate tax incentives to property owners who build, rehabilitate, enhance and occupy property which is located within Cook County and which is used primarily for industrial purposes; and

WHEREAS, The City of Chicago (the "City"), consistent with the Ordinance, wishes to induce industry to locate and expand in the City by supporting financial incentives in the form of property tax relief; and

WHEREAS, 4900 West Grand LLC, an Illinois limited liability company (the "Applicant"), owns certain real estate located generally at 4900 West Grand Avenue, Chicago, Illinois 60639, as further described on Exhibit A hereto (the "Subject Property"); and

WHEREAS, The Applicant intends to reoccupy an approximately 32,400 square foot industrial facility located on the Subject Property; and

WHEREAS, The Applicant has filed with the Office of the Assessor of Cook County (the "Assessor") an eligibility application for a Class 6(b) tax incentive under the Ordinance; and

WHEREAS, The Applicant purchased the Subject Property for value; and

WHEREAS, At the time of purchase for value, the Subject Property had been abandoned for greater than 24 continuous months; and

WHEREAS, The Subject Property is located within (i) the City of Chicago Enterprise Zone Number 5 (created pursuant to the Illinois Enterprise Zone Act, 20 ILCS 665/1, et seq., as amended, and pursuant to an ordinance enacted by the City Council of the City, as amended), and (ii) the Northwest Industrial Corridor Redevelopment Project Area (created pursuant to the Illinois Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1, et seq., as amended, and pursuant to an ordinance enacted by the City Council of the City), and the purposes of the Enterprise Zones and Redevelopment Project Areas are also to provide certain incentives in order to stimulate economic activity and to revitalize depressed areas; and

WHEREAS, It is the responsibility of the Assessor to determine that an application for a Class 6(b) classification is eligible pursuant to the Ordinance; and

WHEREAS, The Ordinance requires that, in connection with the filing of a Class 6(b) eligibility application with the Assessor, the applicant must obtain from the municipality in which such real estate that is proposed for Class 6(b) designation is located a resolution expressly stating that the municipality has determined that the incentive provided by Class 6(b) is necessary for development to occur on such real estate and that the municipality supports and consents to the Class 6(b) classification by the Assessor; and

WHEREAS, The intended use of the Subject Property will provide significant present and future employment; and

WHEREAS, Notwithstanding the Class 6(b) status of the Subject Property, the redevelopment and utilization thereof will generate significant new revenues to the City in the form of additional real estate taxes and other tax revenues; now, therefore,

*Be It Resolved by the City Council of the City of Chicago:*

SECTION 1. That the City determines that the incentive provided by Class 6(b) is necessary for the reoccupation to occur on the Subject Property.

SECTION 2. That the City supports and consents to the Class 6(b) classification by the Assessor with respect to the Subject Property.

SECTION 3. That the Clerk of the City of Chicago is authorized to and shall send a certified copy of this resolution to the Office of the Cook County Assessor, Room 312, County Building, Chicago, Illinois 60602, and a certified copy of this resolution may be included with the Class 6(b) eligibility application filed with the Assessor by the Applicant, as applicant, in accordance with the Ordinance.

SECTION 4. That this resolution shall be effective immediately upon its passage and approval.

WHEREAS, The Applicant intends to construct an approximately 79,395 square foot addition to an existing 75,746 square foot industrial facility located on the Subject Property; and

WHEREAS, The Applicant has filed with the Office of the Assessor of Cook County (the "Assessor") an eligibility application for a Class 6(b) tax incentive under the Ordinance; and

WHEREAS, The Subject Property is located within the Little Village Industrial Corridor Redevelopment Project Area (created pursuant to the Illinois Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1, et seq., as amended, and pursuant to an ordinance enacted by the City Council of the City), and the purpose of the Redevelopment Project Areas are also to provide certain incentives in order to stimulate economic activity and to revitalize depressed areas; and

WHEREAS, It is the responsibility of the Assessor to determine that an application for a Class 6(b) classification or renewal of a Class 6(b) classification is eligible pursuant to the Ordinance; and

WHEREAS, The Ordinance requires that, in connection with the filing of a Class 6(b) eligibility application with the Assessor, the applicant must obtain from the municipality in which such real estate that is proposed for Class 6(b) designation is located a resolution expressly stating that the municipality has determined that the incentive provided by Class 6(b) is necessary for development to occur on such real estate and that the municipality supports and consents to the Class 6(b) classification by the Assessor; and

WHEREAS, The intended use of the Subject Property will provide significant present and future employment; and

WHEREAS, Notwithstanding the Class 6(b) status of the Subject Property, the redevelopment and utilization thereof will generate significant new revenues to the City in the form of additional real estate taxes and other tax revenues; now, therefore,

*Be It Resolved by the City Council of the City of Chicago:*

SECTION 1. That the City determines that the incentive provided by Class 6(b) is necessary for the development to occur on the Subject Property.

SECTION 2. That the City supports and consents to the Class 6(b) classification by the Assessor with respect to the Subject Property.

SECTION 3. That the Clerk of the City of Chicago is authorized to and shall send a certified copy of this resolution to the Office of the Cook County Assessor, Room 312, County Building, Chicago, Illinois 60602, and a certified copy of this resolution may be included with the Class 6(b) eligibility application filed with the Assessor by the Applicant, as applicant, in accordance with the Ordinance.

SECTION 4. That this resolution shall be effective immediately upon its passage and approval.

SUPPORT OF COOK COUNTY CLASS 7(c) TAX INCENTIVES FOR PROPERTY AT  
825 W. 47<sup>TH</sup> ST.

[O2015-8054]

The Committee on Economic, Capital and Technology Development submitted the following report:

CHICAGO, December 9, 2015.

*To the President and Members of the City Council:*

Reporting for your Committee on Economic, Capital and Technology Development, for which a meeting was held on December 7, 2015, having had under consideration a Class 7(c) tax incentive ordinance which was introduced on November 18, 2015 by Mayor Rahm Emanuel for the property located at 825 West 47<sup>th</sup> Street, begs leave to report and recommend that Your Honorable Body *Pass* said proposed ordinance transmitted herewith.

This recommendation was concurred in by a viva voce vote of the members of the committee.

Respectfully submitted,

(Signed) HOWARD BROOKINS, JR.,  
*Chairman.*

On motion of Alderman Brookins, the said proposed ordinance transmitted with the foregoing committee report was *Passed* by yeas and nays as follows:

*Yeas* -- Aldermen Moreno, Hopkins, Dowell, Burns, Hairston, Sawyer, Mitchell, Harris, Beale, Sadlowski Garza, Thompson, Cárdenas, Quinn, Burke, Lopez, Foulkes, D. Moore, Curtis, O'Shea, Cochran, Brookins, Muñoz, Zalewski, Scott, Solis, Maldonado, Burnett, Ervin, Taliaferro, Reboyras, Santiago, Waguespack, Mell, Austin, Ramirez-Rosa, Villegas, Mitts, Sposato, Laurino, O'Connor, Napolitano, Reilly, Smith, Arena, Cappleman, Pawar, Osterman, J. Moore, Silverstein -- 49.

*Nays* -- Alderman Tunney -- 1.

Alderman Beale moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

WHEREAS, The City of Chicago (the "City") is a home rule unit of government under Section 6(a), Article VII of the 1970 Constitution of the State of Illinois authorized to exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, The Cook County Board of Commissioners has enacted the Real Property Assessment Classification Ordinance, as amended (the "Ordinance"), which establishes the Class 7(c) tax incentive under the Ordinance; and

WHEREAS, Halsted Two Property LLC, an Illinois limited liability company ("Halsted"), owns certain real estate located generally at 825 West 47<sup>th</sup> Street, Chicago, Illinois 60609, as further described on Exhibit A hereto (the "Project Site"); and

WHEREAS, Halsted proposes to develop the Project Site by constructing an approximately 2,048 square foot building on a 12,478 square foot parcel (the "Project"); and

WHEREAS, The Project will increase employment opportunities, economic activity in the area and growth in the real property tax base; and

WHEREAS, Halsted has applied to the Office of the Assessor of Cook County, Illinois (the "Assessor") for designation of the Project Site as a Class 7(c) classification eligible for certain real estate tax incentives; and

WHEREAS, The Ordinance provides that an applicant for Class 7(c) classification must obtain an ordinance or resolution from the municipality in which the real estate is located expressly stating that (a) the municipality has determined that the eligibility factors of the Ordinance are present, and (b) the municipality supports and consents to the Class 7(c) classification by the Assessor; and

WHEREAS, The Department of Planning and Development of the City ("DPD") has reviewed the proposed Project, has determined that it meets the necessary eligibility requirements for Class 7(c) designation, and hereby recommends to the City Council that the City expressly determine that (a) the required eligibility factors are present, and (b) the City

supports and consents to the Class 7(c) classification by the Assessor of the Project Site; now, therefore,

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. The above recitals are hereby expressly incorporated as if fully set forth herein.

SECTION 2. DPD has reviewed the eligibility application for a Class 7(c) classification and Incentive Classification Initial Questionnaire and determined that the four eligibility factors under the Ordinance that must be present to demonstrate that the Project Site is "in need of commercial development" are satisfied.

SECTION 3. The City hereby determines that the Project meets eligibility factor (1) under the Ordinance in that real estate taxes in the area for three of the last six years have either declined or remained stagnant due to the depressed condition of the area.

SECTION 4. The City hereby determines that the Project meets eligibility factor (2) under the Ordinance in that there is a reasonable expectation that the development, redevelopment or rehabilitation of the Project is viable and likely to go forward on a reasonably timely basis if granted Class 7(c) designation and will therefore result in the economic enhancement of the property.

SECTION 5. The City hereby determines that the Project meets eligibility factor (3) under the Ordinance in that certification of the Project Site for Class 7(c) designation will materially assist development, redevelopment or rehabilitation of the Project Site and the Project would not go forward without the full incentive offered under Class 7(c).

SECTION 6. The City hereby determines that the Project meets eligibility factor (4) under the Ordinance in that certification of the Project Site for Class 7(c) designation is reasonably expected to ultimately result in an increase in real property tax revenue and employment opportunities of the property.

SECTION 7. The City further hereby determines that the Project Site is a redevelopment priority of the City.

SECTION 8. The City hereby determines that the incentive provided by Class 7(c) designation is necessary for development to occur on the Project Site and hereby supports and consents to the Class 7(c) designation by the Assessor of the Project Site.

SECTION 9. The Commissioner of DPD (the "Commissioner"), or a designee of the Commissioner, are each hereby authorized to deliver a certified copy of this ordinance to the Assessor and to furnish such additional information as may be required in connection with the Class 7(c) designation of the Project Site.

SECTION 10. This ordinance shall be effective from and after its passage and approval.

INTERGOVERNMENTAL AGREEMENT WITH PUBLIC BUILDING COMMISSION OF CHICAGO FOR DEMOLITION AND ENVIRONMENTAL REMEDIATION OF OLD MALCOLM X COLLEGE CAMPUS FACILITIES AT 1900 W. VAN BUREN ST.

[O2015-8407]

The Committee on Housing and Real Estate submitted the following report:

CHICAGO, December 9, 2015.

*To the President and Members of the City Council:*

Your Committee on Housing and Real Estate, for which a meeting was held on December 7, 2015, having had under consideration the ordinance introduced by Mayor Rahm Emanuel on November 18, 2015, this being the intergovernmental agreement with the Public Building Commission for demolition of 1900 West Van Buren Street, begs leave to recommend that Your Honorable Body *Pass* said ordinance transmitted herewith.

This recommendation was concurred in by a voice vote of all committee members present, with no dissenting votes.

Respectfully submitted,

(Signed) JOSEPH A. MOORE,  
*Chairman.*

On motion of Alderman J. Moore, the said proposed ordinance transmitted with the foregoing committee report was *Passed* by yeas and nays as follows:

*Yeas* -- Aldermen Moreno, Hopkins, Dowell, Burns, Hairston, Sawyer, Mitchell, Harris, Beale, Sadlowski Garza, Thompson, Cárdenas, Quinn, Burke, Lopez, Foulkes, D. Moore, Curtis, O'Shea, Cochran, Brookins, Muñoz, Zalewski, Scott, Solis, Maldonado, Burnett, Ervin, Taliaferro, Reboyras, Santiago, Waguespack, Mell, Austin, Ramirez-Rosa, Villegas, Mitts, Sposato, Laurino, O'Connor, Napolitano, Reilly, Smith, Tunney, Arena, Cappleman, Pawar, Osterman, J. Moore, Silverstein -- 50.

*Nays* -- None.

Alderman Beale moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

WHEREAS, The City of Chicago (the "City") is a home rule unit of local government under the 1970 Constitution of the State of Illinois and has the authority to promote the health, safety and welfare of its inhabitants, to furnish essential governmental services through its various departments and agencies and to enter into contractual agreements with units of local government for the purpose of achieving the aforesaid objectives; and

WHEREAS, On March 18, 1956, the City Council of the City (the "City Council") created the Public Building Commission of Chicago (the "Commission"), an Illinois municipal corporation, pursuant to the Public Building Commission Act of the State of Illinois (the "Act") for the purpose of facilitating the funding, acquiring and constructing of public buildings, improvements and facilities for use by local public agencies in the furnishing of essential governmental services; and

WHEREAS, The Commission is authorized and empowered by the Act to acquire fee simple title to real property, including easements and reversionary interests in streets, alleys and other public places, by purchase or the exercise of eminent domain, for public improvements in an area or areas that have been selected, located and approved by the governing bodies of the City and the Commission; and

WHEREAS, The Commission has heretofore undertaken the acquisition, construction, alteration, repair, renovation, rehabilitation and equipping of buildings and facilities for use by various public bodies including the City, the Board of Education of the City of Chicago, the Chicago Park District, and the Board of Trustees of Community College District Number 508, County of Cook and State of Illinois; and

WHEREAS, The Commission has agreed to undertake the demolition and environmental remediation of the old Malcolm X College Campus facilities (the "Project") generally located at 1900 West Van Buren Street, Chicago, Illinois (the "Site"); and

WHEREAS, The City wishes to provide the Commission funds in an estimated amount of not to exceed \$10,000,000 (available pursuant to that certain Revolving Line of Credit Agreement dated September 24, 2015 among the City, JPMorgan Chase Bank, Bank of China and BMO Harris Bank) for the Project; and

WHEREAS, The City, acting through the Office of Budget and Management and the Department of Fleet and Facility Management ("2FM"), intends to participate actively with the Commission in the planning and implementation of the Project including, without limitation, review and approval of the Demolition Program and assistance with the preparation and approval of the Project budget and schedule; and

WHEREAS, The City has determined that it is necessary, desirable and in the public interest to enter into an agreement with the Commission in substantially the form attached hereto as Exhibit 1 (the "Agreement") pursuant to the Intergovernmental Cooperation Act of the State of Illinois in order to set forth the City's and the Commission's respective objectives, duties and responsibilities and to describe the procedures and guidelines to be followed with respect to the implementation of the Project; now, therefore,

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. The recitals of this ordinance are hereby incorporated into this text as if set out herein in full.

SECTION 2. The Commissioner of 2FM (the "2FM Commissioner") is hereby authorized to execute, subject to the review of the Corporation Counsel as to form and legality, the Agreement and such other documents as are necessary, between the City and the Commission, which may contain such other terms as are deemed necessary or appropriate by the parties executing the same on the part of the City.

SECTION 3. The 2FM Commissioner, the Budget Director and their respective designees, are each authorized to execute such additional documents, information, assurances and certifications and to take such additional actions in connection with the Project as may be necessary or required pursuant to the Agreement as contemplated therein.

SECTION 4. To the extent that any ordinance, resolution, rule, order or provision of the Municipal Code of Chicago, or part thereof, is in conflict with the provisions of this ordinance, the provisions of this ordinance shall be controlling. If any section, paragraph, clause or provision of this ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this ordinance.

SECTION 5. This ordinance shall take effect upon its passage and approval.

Exhibit 1 referred to in this ordinance reads as follows:

*Exhibit 1.*  
(To Ordinance)

*Intergovernmental Agreement With Public Building Commission  
Of Chicago Regarding Malcolm X Campus.*

This Intergovernmental Agreement (the "Agreement"), dated as of \_\_\_\_\_, 201\_ is made by and between the City of Chicago, an Illinois municipal corporation, having its principal offices at City Hall, 121 North LaSalle Street, Chicago, Illinois 60602 (the "City"), and the Public Building Commission of Chicago, an Illinois municipal corporation, having its offices at the Richard J. Daley Center, Room 200, Chicago, Illinois 60602 (the "Commission").

RECITALS

A. The City is a home rule unit of local government under the 1970 Constitution of the State of Illinois and has the authority to promote the health, safety and welfare of its inhabitants, to furnish essential governmental services through its various departments and agencies and to enter into contractual agreements with units of local government for the purpose of achieving the aforesaid objectives.

B. On March 18, 1956, the City Council of the City (the "City Council") created the Commission pursuant to the Public Building Commission Act of the State of Illinois (the "Act") for the purpose of facilitating the funding, acquiring and constructing of public buildings, improvements and facilities for use by local public agencies in the furnishing of essential governmental services.

C. The Commission is authorized and empowered by the Act to acquire fee simple title to real property, including easements and reversionary interests in streets, alleys and other public places, by purchase or the exercise of eminent domain, for public improvements in an area or areas that have been selected, located and approved by the governing bodies of the City and the Commission.

D. The Commission has heretofore undertaken the acquisition, construction, alteration, repair, renovation, rehabilitation and equipping of buildings and facilities for use by various public bodies including the City, the Board of Education of the City of Chicago, the Chicago Park District, and the Board of Trustees of Community College District No. 508, County of Cook and State of Illinois.

E. The Commission by resolution number [ ] adopted on [ ] has agreed to undertake the demolition and environmental remediation of the City-owned old Malcolm X College Campus facilities (the "Project") located generally at 1900 West Van Buren Street, Chicago, Illinois (the "Site").

F. The City wishes to provide the Commission funds in an estimated amount of not to exceed \$10,000,000 (available pursuant to that certain Revolving Line of Credit Agreement dated September 24, 2015 among the City, JPMorgan Chase Bank, Bank of China and BMO Harris Bank) for the Project.

G. The City, acting through the Office of Budget and Management and the Department of Fleet and Facility Management ("2FM"), intends to participate actively with the Commission in the planning and implementation of the Project including, without limitation, the development of the Demolition Program (as hereinafter defined), review and approval of the Demolition Program and assistance with the preparation and approval of the Budget and the Schedule (as hereinafter defined).

H. The parties have determined that it is necessary, desirable and in the public interest to enter into this Agreement pursuant to the Intergovernmental Cooperation Act of the State of Illinois in order to set forth their respective objectives, duties and responsibilities and to describe the procedures and guidelines to be followed with respect to the implementation of the Project.

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, the parties hereby agree as follows:

## DEFINITIONS

For purposes of this Agreement, each of the following terms shall have the respective meaning assigned to it as follows:

2FM: The Department of Fleet and Facility Management of the City.

Act: The Public Building Commission Act of the State of Illinois, 50 ILCS 20/1 *et seq.* (1994), as amended from time to time.

Architect of Record: The firm or entity employed by the Commission or its designee for the purpose of designing and observing the Work for compliance with the Contract Documents.

Authorized Commission Representative: The person or entity employed or retained by the Commission to provide planning, land acquisition, demolition and environmental remediation, administration and/or coordination services for the Project.

Authorized 2FM Representative: The Commissioner of 2FM, including the duly designated representative thereof, who is designated as 2FM's representative in the planning and implementation of the Project.

Board: The Board of Commissioners of the Public Building Commission of Chicago.

Budget: The budget for the design, acquisition and completion of the Project as set forth on Exhibit B attached hereto. For purposes of this Agreement, the term "Budget" includes, as the case may be, preliminary budget(s) established by the City and final budget(s) as determined by the Budget Director, the Authorized 2FM Representative and the Commission as a result of the review process more fully described in Section 2.2 hereof.

Budget Director: The Budget Director of the City, including the duly designated representative thereof, who is designated by the City to receive notices pursuant to this Agreement and otherwise act as the City's representative in implementing the financial requirements of this Agreement.

Certificate of Final Acceptance: The certificate, substantially in the form attached hereto as Exhibit C2, which shall be delivered by the Commission to 2FM to certify that a Certificate of

Final Completion has been issued by the Architect of Record for the Project, that the Commission has verified that all punch list work has been completed, and that all deliverables, including but not limited to the items as provided in Section 10.6, have been transmitted to 2FM.

**Certificate of Substantial Completion:** The certificate issued by the Architect of Record to certify that the Project has been essentially completed except for Punch List Work, and the City is able to occupy and use the Project for the purpose intended.

**City:** The City of Chicago, an Illinois municipal corporation.

**City Council:** The City Council of the City.

**Commission:** The Public Building Commission of Chicago, an Illinois municipal corporation.

**Contract:** A contract, including all of the Contract Documents as described therein, between the 2FM and a Contractor to perform services and/or provide labor, materials, equipment and other Work and facilities required for the completion of the Project. For purposes of this Agreement, the term "Contract" may include a professional services agreement, general construction contract, construction management contract or other form of agreement for Project-related activities.

**Contract Documents:** The drawings, specifications and program requirements (including, without limitation, civil, architectural, structural, mechanical, fire protection and electrical drawings and technical specifications) developed by the Architect of Record for the completion of the Project as approved by the Authorized Commission Representative and the Authorized 2FM Representative for compliance with the approved Demolition Program and all other documents attached to the Contract and/or incorporated by reference into the Contract.

**Contractor:** An individual or firm that contracts with the 2FM to perform services and/or provide Work in connection with the Project in accordance with the Standard of Performance as provided in this Agreement. For purposes of this Agreement, the term "Contractor" may include

a general or specialty contractor, subcontractor, design entity, construction manager, environmental consultant or other consultants engaged by 2FM to implement the Project.

Corporation Counsel: The Corporation Counsel, including the duly designated representative thereof, of the City.

Demolition Program: The requirements specified by 2FM with respect to the Project including, but not limited to the nature, scope and extent of the Project, and the materials and equipment to be used in the demolition and environmental remediation of the old Malcolm X College Campus facilities.

Executive Director: The Executive Director, including the duly designated representative thereof, of the Commission.

Final Completion: The last date on which all of the following events have occurred: the Commission in consultation with the Authorized 2FM Representative, has determined that all Punch List Work and any other remaining Work has been completed in accordance with the Contract Documents; final inspections have been completed; all deliverables as provided in Section 10.6 hereof including, but not limited to, all warranties have been provided to the Commission and forwarded to 2FM; and all contractual requirements for final payment to the Contractor have been completed.

IEPA: The Illinois Environmental Protection Agency.

Municipal Code: The Municipal Code of Chicago.

Notice of Substantial Completion: The certificate, substantially in the form attached hereto as Exhibit C1, which shall be delivered by the Commission to the Authorized 2FM Representative along with a Certificate of Substantial Completion issued by the Architect of Record, and a copy of the Punch List. Project: As defined in the Recitals.

Project Account: An existing interest-bearing account of the Commission that will be used for purposes of depositing funds advanced by the City to pay the costs incurred by the Commission in implementing the Project as more fully described in Section 9.3 hereof.

Punch List or Punch List Work: Minor adjustments or repairs in the Work as determined by the Architect of Record that must be completed prior to Final Completion and Acceptance of the Work and the issuance of the Certificate of Final Completion. The Authorized Commission Representative and the Authorized 2FM Representative shall have the right of consult with the Architect of Record concerning the preparation and completion of the Punch List.

Schedule: The anticipated date or dates on which the Project shall be complete.

Site: The real estate parcel or area upon which the Project will be constructed.

Site Work: Any remediation of adverse environmental site conditions, demolition and environmental remediation or other site development work in connection with the Project that may be undertaken by the Commission.

Standard of Performance. In addition to performing the Work in full compliance with the Contract Documents, the Contractor must perform, or cause to be performed, all Work required of it under the terms and conditions of the Contract with the degree of skill, care and diligence normally exercised by qualified and experienced contractors in performing work in a project of a scope and magnitude comparable to the Work.

Substantial Completion: The date on which the Architect of Record has issued a Certificate of Substantial Completion to certify that the Project has been essentially completed in accordance with the Contract Documents except for Punch List Work that will not preclude the beneficial use of the Project for the purpose intended.

Work: Work means the obligations of the Contractor under the Contract Documents. Work includes, unless specifically excluded by the Contract Documents, the furnishing of all materials, labor, equipment, supplies, plant, tools, scaffolding, transportation, superintendence, permits, inspections, insurance, taxes and all other services, facilities and expenses necessary for the full performance and completion of the requirements of the Contract Documents.

SECTION I  
INCORPORATION OF RECITALS AND DEFINITIONS

The recitations and definitions set forth above constitute an integral part of the Agreement and are hereby incorporated herein by this reference with the same force and effect as if set forth herein as agreements of the parties.

SECTION II  
SCOPE OF PROJECT

2.1. Project. The Commission will coordinate and manage the planning, design and construction of the Project on behalf of the City. The Project will be undertaken by the Commission pursuant to the terms of this Agreement, the Act, the Contract Documents, the Municipal Code and all other applicable rules, regulations, statutes and ordinances.

2.2 Review of Project. The parties by their designated representatives will review the proposed design, scope of the Work, the preliminary Budget, land acquisition requirements, remediation of environmental conditions, site preparation work, zoning and any other factors that may affect the coordination or cost of the Project or the Schedule. Upon completion of such review procedures, the parties shall approve in writing the Demolition Program, the final Budget and the Schedule for such Project. Following such approval, the Commission shall proceed with the implementation of the Project in accordance with the terms of this Agreement.

SECTION III  
RESPONSIBILITIES OF THE PARTIES

3.1 The Commission. In discharging its obligations to construct the Project on behalf of the City, the Commission will perform construction administration and management services. Specific responsibilities of the Commission with respect to the implementation of the Demolition Program include, but are not limited to, the following:

- 3.1.1 [intentionally omitted];
- 3.1.2 [intentionally omitted];
- 3.1.3 [intentionally omitted];
- 3.1.4 [intentionally omitted];

3.1.5 [intentionally omitted];

3.1.6 Engage or cause to be engaged the services of such environmental consultants as may be necessary in order to prepare bid and demolition documents, monitor the Site Work and perform other services as directed by the Commission;

3.1.7 [intentionally omitted];

3.1.8 [intentionally omitted];

3.1.9 Prepare or cause to be prepared the terms and conditions of the Contract, which shall be forwarded by the Commission to the Authorized 2FM Representative for review and comment prior to the solicitation of bids and/or proposals for the Work upon request;

3.1.10 Solicit or cause to be solicited bids and/or proposals for the Contract and any other Work as may be required for the design and completion of the Project;

3.1.11 Engage the services of such architectural, engineering and other design and/or demolition and environmental remediation consultants as may be necessary for the completion of the Project, incorporating into the Contract with any such design entity the copyright provisions set forth on Exhibit D attached hereto and incorporated herein by reference. The Commission shall assign to the City any and all such copyrights which have been conveyed to the Commission;

3.1.12 Examine all documents submitted by the City, 2FM, or a Contractor and render decisions pertaining thereto with reasonable promptness in order to avoid delay in the completion of the Project;

3.1.13 Obtain such surveys, title information, environmental tests and other reports and documents as may be necessary or advisable in order to determine the condition of the Site and factors that may affect the cost of completion of the Project or the Schedule, and obtain approval of the environmental remediation plan, if required, from IEPA.

3.1.14 Determine the types and amounts of insurance and payment and performance bonds to be provided by the Contractor and the sufficiency of evidence that such coverages are in force as more fully described in Section 7.3 and Section 8.2 hereof;

3.1.15 Require and procure from the Contractor waivers for all liens or rights of lien for labor and materials furnished by or through it in the construction of the Project prior to processing interim and final pay requests as more fully described in Section 7.4 hereof;

3.1.16 Require, by appropriate provision in the Contract, that the Contractor indemnify, save and hold harmless the City and the Commission as more fully described in Section 8.1 hereof;

3.1.17 In consultation with the Budget Director, approve any and all changes to the Contract including increases or decreases in the scope of the Work of the Contractor and adjustments in the contract price occasioned thereby which do not result in an increase in the overall Budget for the Project;

3.1.18 Apply the funds deposited in the Project Account or otherwise paid by the City solely to obtain the full and faithful completion of the Project in accordance with the Budget unless otherwise authorized by the Budget Director;

3.1.19 Enforce the terms and conditions of the Contract and all other agreements pertaining to the Project, consistent with the requirements thereof;

3.1.20 Avail itself of the rights and remedies in the Contract and all other agreements pertaining to the Project, it being understood and agreed that the Work is under charge and care of the Commission to protect the best interests of the City; and

3.1.21 Provide for such additional services as may be requested in writing by the Budget Director or the Authorized 2FM Representative with respect to the Project provided that sufficient funds are available to pay the costs of such services

3.1.22 Enforce the Standard of Performance in all Work.

3.1.23 Incorporate into each Contract the following representation and warranty:

"Neither the Contractor nor any affiliate of the Contractor is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. For purposes of this subparagraph only, the term 'affiliate,' when used to indicate a relationship with a specified person or entity, means a person or entity that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with such specified person or entity, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise."

3.2 The City. The Budget Director, in consultation with the Authorized Commission Representative, shall determine the nature and scope of the Project. The City shall pay all costs of implementing the Project as set forth in the Budget for the Project. In no event shall the Commission be obligated to pay, nor shall the Commission disburse any funds from the Project Account that exceeds the overall Budget for the Project without the written approval of the Budget Director. The Commission may re-allocate funds among line items within the Budget which do not increase the overall Budget for the Project as more fully described in Section 9 hereof. Specific responsibilities of the City include, but are not limited to, the following:

3.2.1 Provide information to the Commission regarding the requirements of the Demolition Program, including the design objectives, constraints and criteria, space requirements and relationships, and Site requirements, with reasonable promptness in order to avoid delay in the progress of such Project,

3.2.2 Provide a preliminary Budget for the Project which shall include, without limitation, contingencies for bidding, changes during construction and other costs which

are the responsibility of the City and, in consultation with the Authorized Commission Representative, determine the final Budget for each Project;

3.2.3 Designate the Authorized 2FM Representative to act on the City's behalf with respect to the Project for the purpose of attending meetings, examining documents and rendering timely decisions pertaining to the design and completion of a Project;

3.2.4 In consultation with the Authorized Commission Representative, the Budget Director, and the Authorized 2FM Representative shall review and approve in writing all change orders that cause the cost of the Project to exceed the overall Budget for this Project;

3.2.5 Pay all costs incurred by the Commission in connection with the implementation of the Project as provided in the Budget;

3.2.6 Cooperate with the Commission and its designated representatives in obtaining any and all approvals pertaining to the use of the Site, and execute any applications for permit or the like as may be required in order to complete the Project;

3.2.7 [intentionally omitted]; and

3.2.8 Provide such additional assistance as shall be agreed by the parties.

#### SECTION IV SITE AVAILABILITY AND ACCESS

4.1 [intentionally omitted]

4.2 [intentionally omitted]

4.3 Right of Entry. It is expressly acknowledged and agreed that the Commission and the City and their respective employees, consultants and the Contractor shall have the right to enter upon the Site or portion thereof owned by the Commission or the City for purposes associated with the development and implementation of the Project and other related facilities and the completion of the Project without further authorization by the Commission or the City. Any Contractor that may enter upon the Site for such purposes at the direction of the Commission or the City, as applicable, will be required to indemnify the Commission or the City,

as applicable, and their respective commissioners, officials, employees, agents and representatives from and against all claims arising out of such entry and to provide to the Commission and 2FM, upon request, certificates of insurance evidencing the types and limits of insurance as specified on Exhibit E. The Commission and the City shall be named as additional insured on all such insurance policies. The City shall cooperate with the Commission and its designated representatives in obtaining any and all approvals pertaining to the use of the Site, and execute any applications for permit or the like as may be required in order to complete any such Project.

4.4 Unpermitted Encumbrances. Neither the Commission nor the Contractor nor any of their respective commissioners, officials, representatives, designees, agents, successors or assignees shall engage in any financing or other transaction the effect of which creates an encumbrance or lien upon the Site.

4.5 [Intentionally Omitted].

#### SECTION V ENVIRONMENTAL CONDITIONS

5.1 Reports and Studies. It shall be the responsibility of the Commission, at the sole cost and expense of the City, to investigate and determine the soil and environmental condition of the Site, including obtaining a Phase I environmental audit and, if applicable, a Phase II environmental audit of the Site. A copy of any such reports that may have been obtained by the Commission regarding the environmental condition of the Site or the geology thereof shall be provided to the City after such report becomes available to the Commission. Neither the City nor the Commission makes any covenant, representation or warranty as to the environmental condition of the Site or the suitability of the Site.

5.2 Environmental Remediation. In the event that adverse environmental conditions of the Site are discovered as a result of the investigation of the soil and environmental conditions that preclude the use of the Site for its intended purpose, the Commission will undertake or cause to be undertaken the remediation of such adverse environmental condition

with funds allocated in the Budget for such purpose. All environmental costs and expenses that exceed the amount allocated in the Budget for such purpose shall be subject to the prior written approval of the Budget Director. The nature and extent of such remediation will be determined by the Commission in consultation with representatives of 2FM and IEPA, if applicable. In no event shall the Commission incur any cost or expense as a result of the condition of the Site or the remediation of environmental conditions thereon in excess of the amount provided by the City. If the cost of the environmental remediation action exceeds the budgeted amount approved by the City, the Commission shall promptly notify the Budget Director and the parties shall mutually agree upon appropriate action to be taken.

5.3 Environmental Laws. The Commission agrees that at all times during its performance of this Agreement, it shall cause the Contractor to comply, with all "Environmental Laws." "Environmental Laws" mean any and all Federal, State or local statutes, laws, regulations, ordinances, codes, rules, orders, licenses, judgments, decrees or requirements relating to public health and safety and the environment now or hereafter in force, as amended and hereafter amended, including but not limited: (i) the Comprehensive Environmental Response, Compensation and Liability Act (42 U.S.C. Section 9601 et seq.); (ii) any so-called "Superfund" or "Superlien" law; (iii) the Hazardous Materials Transportation Act (49 U.S.C. Section 1802 et seq.); (iv) the Resource Conservation and Recovery Act (42 U.S.C. Section 6902 et seq.); (v) the Clean Air Act (42 U.S.C. Section 7401 et seq.); (vi) the Clean Water Act (33 U.S.C. Section 1251 et seq.); (vii) the Toxic Substances Control Act (15 U.S.C. Section 2601 et seq.); (viii) the Federal Insecticide, Fungicide and Rodenticide Act (7 U.S.C. Section 136 et seq.); (ix) the Illinois Environmental Protection Act (415 ILCS 5/1 et seq.); and (x) the Municipal Code of Chicago, including but not limited to the Municipal Code of Chicago, Sections 7-28-390, 7-28-440, 11-4-1410, 11-4-1420, 11-4-1450, 11-4-1500, 11-4-1530, 11-4-1550, or 11-4-1560. Upon the City's request, the Commission and/or the Contractor will provide evidence satisfactory to the City of such current compliance.

SECTION VI  
COMPLETION OF THE PROJECT

6.1 Preparation of Contract Documents. The Commission shall determine whether to appoint an Architect of Record as defined above or other design entity, to prepare design documents, issue a request for proposals that includes the preparation of the design documents, or proceed in some other manner to obtain design documents that are sufficiently complete to solicit bids or proposals for the completion of the Project. The Commission shall provide a copy of such design submittals as may be requested by the Authorized 2FM Representative for review and timely approval to determine compliance with the Demolition Program.

6.2 Selection of Contractor. Upon completion of the Contract Documents, the Commission shall solicit bids or proposals for the construction of the Project or portion thereof by public advertisement, or from pre-qualified contractors in consultation with the Authorized 2FM Representative, as determined by the Commission in accordance with its usual and customary procurement procedures. The Commission shall review and evaluate the bids or proposals received for the completion of the Project and conduct such investigations as may be necessary and appropriate to determine the responsiveness of the bid or proposal and the proposed cost of completing the Project in accordance with the Budget. During the bid review period, the Authorized 2FM Representative and the Budget Director shall have the right to attend meetings and participate in the evaluation process. Following the bid review process, the Board upon recommendation of the Executive Director shall award the Contract to the lowest responsible and responsive bidder.

6.3 Limited Applicability of Approval. Any approvals of the completion of the Project, Site Work or the Contract Documents made by the Authorized 2FM Representative for purposes of this Agreement only and do not affect or constitute approvals required for building permits or approvals required pursuant to federal, state or local law, code or any ordinance or order of the City, nor shall any such approval constitute approval of the quality or the safety of the Project. It

is understood and agreed that the Commission shall act on behalf of the City in ensuring the Contractor's compliance with all applicable laws and requirements.

6.4 Ownership of Documents. All documents, including but not limited to, all data, certificates, schematics, warranties, environmental remediation documents, prototype and other design documents, copyrights and Contract Documents with regard to the demolition and environmental remediation and completion of the Project shall be the property of the City. The Commission shall assign and transfer ownership of all such documents and materials that it may have obtained from the Contractor or others to 2FM on behalf of the City at Final Completion of the Project or conveyance of fee simple title to the Site.

#### SECTION VII ADMINISTRATION OF THE PROJECT

7.1 Enforcement of Contract. The Commission shall comply, and cause the Contractor to comply, with the terms and conditions of the Contract as appropriate and applicable, including all applicable federal, state and local laws, codes, ordinances and orders now or hereafter in force. Such requirements include, but are not limited to, accessibility standards for persons with disabilities or environmentally limited persons, Illinois Prevailing Wage Act, the Chicago Human Rights Ordinance, EEO and affirmative action requirements, the Commission's Special Conditions regarding MBE and WBE participation, Chicago residency requirements and community hiring requirements, which are incorporated herein by reference.

7.2 Coordination with the City. The Commission shall inform the Authorized 2FM Representative and the Budget Director of the status of progress regarding acquisition of the Site and the implementation of the Project not less frequently than on a monthly basis and, upon request, provide the Authorized 2FM Representative and the Budget Director with a copy of any reports or other documents that may have been obtained by the Commission. As soon as reasonably practicable, the Commission shall provide the Budget Director with any information which may result in an increase in the amount required to complete the Site Work, construction of the Project or cause the acquisition of the Site or the completion of the Project to be delayed.

The Authorized 2FM Representative shall have the right to inspect the Project at all reasonable times and to attend meetings with representatives of the Commission, the Contractor and others regarding the Project. In order to protect the City and the Commission from incurring additional costs as a result of unauthorized work, any requests or directions that the Authorized 2FM Representative may have with respect to the completion of the Project shall be directed to the Authorized Commission Representative and not to the Contractor. The Authorized 2FM Representative will provide to the Commission prompt, accurate and complete information regarding the requirements of 2FM so that the progress of the Project will not be impeded. All data provided by 2FM shall be evaluated by the Authorized Commission Representative, who shall have the right to recommend alternative approaches and value engineering in order to reduce costs while maintaining the overall quality of the Project and the Schedule.

7.3 **Payment and Performance Bond.** The Commission, as set forth in Section 3.1.14, shall determine the type and amount of payment and performance bonds required for the Project and require the Contractor to provide a payment and performance bond to ensure that the terms and conditions of the Contract Documents will be faithfully performed. The payment and performance bond shall be in the amount specified in the Contract and issued by a surety company licensed to do business in the State of Illinois and approved by the Commission. If the surety fails or is deemed by the Commission to be insufficient security for the completion of the Project, the Commission will require the Contractor to furnish an additional bond in such amount as may be determined by the Commission. Any proceeds derived by the Commission as a result of the payment and performance bond shall be credited to the Project Account and applied as agreed by the Commission and the Budget Director.

7.4 **Waiver and Release of Liens.** The Commission, as set forth in Section 3.1.15 shall require and procure from the Contractor waivers of liens or rights of lien for all labor and materials furnished in the completion of the Project. This provision shall be construed as being solely for the benefit of the Commission and the City and shall not confer any rights hereunder

for the benefit of the Contractor or its subcontractors. To ensure payment of lien claims, the Commission shall retain the amounts of the liens claimed by subcontractors or suppliers from payments to the Contractor unless an appropriate waiver or mechanic's lien bond is provided or the *liened funds are deposited with the Circuit Court of Cook County, Illinois in accordance with applicable Illinois legal requirements and the Contract Documents*. Except as provided above, the Commission shall not make final payment to Contractor nor shall any part of the amounts retained for lien claims be paid until the Contractor shall have delivered to the Commission a complete release of all liens, financial obligations or claims from the Contractor, subcontractor, and other agents acting on its behalf in connection with the Work or arising out of the Work and an affidavit that so far as the Contractor has knowledge or information, releases all the labor and material for which a claim could be made or a lien could be filed. If any lien remains unsatisfied after all payments have been made, then the Contractor shall be required to refund to the Commission all moneys that the latter may be compelled to pay in discharging such lien, including all costs and reasonable attorney's fees. Any amounts so refunded shall be for the benefit of the City and credited to the Project Account.

7.5 Default by Contractor. In the event that the Contractor defaults in its obligations under the Contract, the Commission shall pursue all rights and remedies afforded to it pursuant to the terms of the Contract, at law or in equity. Upon request by the Budget Director or the Corporation Counsel and approval by the Board, the Commission shall assign any of its rights and remedies for default by the Contractor to the City.

#### SECTION VIII INDEMNITY AND INSURANCE

8.1 Indemnity. Each Contract awarded by the Commission for the Project shall require the Contractor to indemnify, save and hold harmless the Commission and the City, and their respective commissioners, officers, agents, employees and representatives, individually and collectively, from all claims, demands, actions and the like, made or instituted by third

parties arising or alleged to arise out of the Work as a result of any act or omission of the Contractor or any of its subcontractors or any of their respective employees or agents.

8.2 Insurance. The Commission, as set forth in Section 3.1.14, shall require the Contractor to purchase and maintain during the implementation of the Site Work and/or the performance of the Work, the types and amounts of insurance as shall be specified by the Commission substantially in the form attached hereto as Exhibit E. Prior to the commencement of Work on the Project, the Commission shall obtain from the Contractor certificates of insurance evidencing the required insurance and certifying the name and address of the Contractor, the description of work or services covered by such policies, the inception and expiration dates of the policies and the specific coverages to be provided. The City and the Commission shall be included as named insureds as their respective interests may appear on the Contractor's insurance policies. A copy of any and all such insurance certificates shall be provided by the Commission to the Authorized 2FM Representative upon request. All such insurance shall be placed in financially responsible companies, satisfactory to the Commission and authorized under the insurance laws of the State of Illinois to do business in the State of Illinois. Upon issuance of the Notice of Substantial Completion as described in Section 10.4 hereof, the City shall be responsible for insuring the Site including all improvements thereon.

#### SECTION IX PAYMENT OF PROJECT COSTS

9.1 Cost of the Project. It is the intent of the parties that the cost of completing the Project shall not exceed the sums specified in the final Budget for the Project. All plans, specifications and estimates of costs shall be reviewed by the duly designated representatives of the parties. The fee for the Commission's services for the management and administration of the Project will be included within the Budget and shall not exceed three percent (3%) of the demolition and environmental remediation cost of the Project and will be billed to the City on a pro rata basis commensurate with the Schedule for construction of the Project. In addition, the City agrees (after approving the Commission's choice of counsel) to pay or reimburse the

Commission for all reasonable legal fees, costs and expenses incurred by the Commission in undertaking the Project as follows:

9.1.1 Land Acquisition. The Project Budget will include the estimated costs of acquiring any land that may be necessary in order to construct the Project and will be paid by the City in accordance with the provisions of Section 9.3 of this Agreement.

9.1.2 Third-Party Negligence. Claims or proceedings against the Commission or the Contractor that arise out of a claim or proceeding that is instituted by third parties as a result of any negligent or willful act of the Contractor or any of its subcontractors or subconsultants shall be tendered to the Contractor for defense of the Commission and the City pursuant to Section VIII, Indemnity and Insurance, of this Agreement.

9.1.3 Demolition Litigation. The Commission will use its best efforts to enforce the provisions of the Contract so that the Project is completed in a cost efficient, timely manner. The Commission will defend or prosecute, as applicable, rights and remedies afforded by the Contract in a reasonable, prudent manner. Unless the City consents otherwise, the Commission shall pursue and exhaust, and shall pursuant to the Contract require the Contractor to pursue and exhaust any alternative dispute resolution opportunities provided for under the Contract before litigating any dispute in connection with the Project. To the extent that payment of the Commission's legal costs and expenses are not recovered from the Contractor or any surety, the City agrees to pay or reimburse the Commission for costs incurred for legal costs and expenses subject to the following conditions:

9.1.3.1 The Commission will not initiate any legal proceeding related to the Project and no settlement shall be made without the prior written consent of the Budget Director and the Corporation Counsel;

9.1.3.2 The City shall have the right to approve (such approval not to be unreasonably withheld) counsel selected by the Commission;

9.1.3.3 The Commission will notify the Budget Director and the Corporation Counsel of any proceeding related to the Project within ten (10) days following receipt of summons and complaint or as otherwise directed by the Budget Director or the Corporation Counsel;

9.1.3.4 The Commission will apprise the Budget Director and the Corporation Counsel on a quarterly basis or otherwise as agreed by the parties concerning the status of any legal proceeding related to the Project;

9.1.3.5 The Commission, the Budget Director and the Corporation Counsel shall establish a separate legal budget as soon as practicable after the commencement of any legal proceeding related to a Project;

9.1.3.6 The Commission will provide a monthly legal services report summary related to the Project to the Budget Director and the Corporation Counsel;

9.1.3.7 Any legal fees, costs or expenses incurred must comply with the City's Outside Counsel Guidelines ("Guidelines") and for payment purposes must be submitted after notification to Patrick Ryan, the Corporation Counsel's Director of Administration, online to the City's legal auditor, Examen, for review and recommendation to the Commission of the invoice amounts to be paid; the Commission shall review the charges not in compliance with the Guidelines, as determined by the Examen, and process the invoices for payment; and

9.1.3.8 Notwithstanding the foregoing, in the event that the Commission is judged by a court of competent jurisdiction to have been negligent or to have committed other acts of misconduct involving a claim or other legal proceeding the parties will equitably adjust the reimbursement of legal fees and costs as appropriate.

9.1.4 Application of Funds. Any funds that may be recovered by the Commission as a result of any such legal proceedings shall be deposited in the Project Account and disbursed as directed by the Executive Director and the Budget Director.

9.1.5 Disclaimer. It is expressly understood and agreed that the City will not reimburse the Commission for any legal fees on account of findings against the Commission for breach of contract and/or breach of this Agreement.

9.2 [intentionally omitted]

9.3 Payment of Project Costs. The Commission shall provide the City with a cash flow for the Project upon request. The Commission shall prepare and provide to the Budget Director, on a quarterly basis in advance, the estimated amounts that will be required to pay the cost of the Project during the next succeeding ninety (90) days. Requests for payment shall include professional services, land acquisition, demolition and environmental remediation, administrative costs, contingency reserves and such other items as shall have been agreed by the parties ("Request for Payments"). Within thirty (30) days following receipt of a quarterly estimate and Request for Payment, the Budget Director shall process the Request for Payment and remit payment to the Commission, which payment shall consist of the estimated amounts required for payment of the costs of the Project during the next succeeding ninety (90) day period as such amounts may be adjusted from time to time by mutual agreement of the parties. The Commission will deposit such funds in the Project Account to pay eligible costs of the Project in accordance with the procedures specified in the Contract Documents for interim and final payments. Payments for professional services and other costs of the Project shall be on the basis of invoices approved by the Commission pursuant to its usual and customary payment procedures. In the event that such Request for Payment has not been paid to the Commission within thirty (30) days following the receipt of such Request for Payment, the Commission shall have the right to suspend its performance of this Agreement until payment is received.

9.4 Reallocation of Funds; Insufficient or Excess Funds. The Commission may re-allocate any line item in the Budget of the Project to any other cost or activity of the Project so long as the overall Budget for the Project is not exceeded. In the event that the amounts paid to the Commission by the City for the Project pursuant to the Budget shall be insufficient to complete Acquisition Activities, Site Work and/or the completion of the Project, the Commission shall notify the Budget Director in writing and the parties shall agree in writing on any future action that may be appropriate. In no event shall the Commission be obligated to expend any funds for the Project in excess of the amounts provided by the City. Any balance remaining in the Project Account upon completion of the Project shall be disbursed by the Budget Director.

9.5 Records; Audit. The Commission shall maintain records and accounts of all financial transactions relating to the implementation of the Project. The City shall have the right to inspect the books and records of the Commission pertaining to the Project at all reasonable times.

#### SECTION X COMPLETION OF THE PROJECT

10.1 Standards for Site Work and Demolition. The Commission shall require the Contractor to provide for the Project materials that are new and Work of good quality, free from faults or defects, and implement any Site Work that may be required consistent with the requirements for environmental remediation approved by the Commission in consultation with representatives of 2FM and the IEPA, and complete the Project in conformity with the Standard of Performance set forth in this Agreement and the requirements of the Contract and the Contract Documents. The Commission shall also require that the Contractor correct any deficient or defective work or materials in accordance with the procedures described in the Contract Documents or as prescribed by law. For a period of one (1) year commencing no earlier than the date of Substantial Completion, or such longer period as may be required to enforce any applicable special warranty in any of the various subcontracts to the Contract, by the manufacturer or by law ("Contractor's Warranty"), the Commission shall assist the City in

causing the Contractor to correct, repair or replace any such deficient or defective work or materials and any damage caused by such work and materials. Any equipment or material that is repaired or replaced will have the warranty period extended for a minimum period of one year from the date of the last repair or replacement if standard in the industry and consistent with the applicable warranty. Repairs or replacements that the Contractor makes under this provision must also include a manufacturer's warranty, if standard with the manufacturer, in addition to the Contractor's Warranty. In the event that the City requires the Commission's assistance to enforce the provisions of the Contract or the manufacturer's warranty, the Commission will cooperate with the City to enforce such Contract and cause the Contractor to correct any such deficient or defective Work or materials and any damage caused by such Work or materials.

10.2 Completion Requirements. The Commission shall require the Contractor to comply with the requirements of the Contract Documents with respect to the close-out of the Site Work and construction of the Project including, but not limited to, the completion of Punch List Work, the furnishing of material and equipment guarantees, warranties, operating and maintenance data, waivers of lien, certified payrolls and such other documents as may be required to comply with the terms of the Contract. Upon Final Completion, the Commission will cause five (5) copies of the Certificate of Final Completion issued by the Architect of Record and all other relevant documents to be delivered to 2FM. Any liquidated damages that may be assessed by the Commission against a Contractor for non-performance or delay will be credited to the Project Account or otherwise disbursed as agreed by the Budget Director.

10.3 Inspections. All Work and materials constituting the Project shall be inspected by the Authorized Commission Representative, the Architect of Record, the Authorized 2FM Representative and any other personnel as designated by the City. The Commission shall notify the Authorized 2FM Representative when the Project has been scheduled for inspections to certify Substantial Completion and Final Completion. The Authorized 2FM Representative shall have the right to attend any and all such inspections. The Commission will monitor completion

of Punch List Work by the Contractor and update the Authorized 2FM Representative on a periodic basis.

10.4 Notice of Substantial Completion. Upon issuance of the Certificate of Substantial Completion by the Architect of Record, the Commission shall deliver to the Authorized 2FM Representative a copy of such certificate. Upon delivery to the Authorized 2FM Representative of such certificate along with the Notice substantially in the form attached hereto as Exhibit C1, the Project will be deemed substantially complete according to the Contract Documents except for Punch List Work.

10.5 Transfer of Responsibility. Within five (5) business days following receipt by 2FM of the documents as provided in Section 10.4 above, the City shall assume responsibility for the Project from that date forward including, without limitation, costs of operation and maintenance, electricity, gas, water, telecom and other utilities, security, personnel and insurance to a level as determined to be appropriate by the City.

10.6 Certificate of Final Acceptance. Upon issuance of the Certificate of Final Completion by the Architect of Record, the Commission shall deliver to the Authorized 2FM Representative a Certificate of Acceptance, substantially in the form attached hereto as Exhibit C2 along with a copy of the Certificate of Final Completion issued by the Architect of Record. The Certificate of Final Acceptance shall certify that each of the following have been completed and appropriate documentation delivered to 2FM: environmental reports; permits and licenses; training of 2FM personnel; subcontractor/manufacturers warranties. Upon delivery of such certificates by the Authorized Commission Representative to the Authorized 2FM Representative, the Project will be deemed completed and accepted by the City in accordance with the terms of this Agreement.

10.7 Final Payment to Contractor. Unless otherwise provided by the Contract, upon completion of all the Work required to be completed by the Contract Documents and issuance of a Certificate of Final Completion by the Architect of Record, the Commission shall process final

payment to the Contractor in accordance with the procedures set forth in the Contract Documents.

## SECTION XII MISCELLANEOUS PROVISIONS

12.1 Entire Agreement; Amendment. Except as otherwise provided herein, this Agreement contains the entire agreement of the parties with respect to the subject matter herein and supersedes all prior agreements, negotiations and discussions with respect thereto, and shall not be modified, amended or changed in any manner whatsoever except by mutual consent of the parties as reflected by written instrument executed by the parties hereto.

12.2 Conflict of Interest. No member of the Board nor any member of any agency, board, commission or department of the City nor any official or employee of the City or the Commission shall have any financial or ownership interest, direct or indirect, in the Site or any Contract; nor shall any such member, official or employee participate in any decision which affects his or her personal interest or the interests of any corporation, partnership or association in which he or she is directly or indirectly interested. No representative of the City or the Commission shall be personally liable for the performance of the City or the Commission of the terms and conditions of this Agreement.

12.3 Mutual Assistance. The parties agree to perform their respective obligations, including the execution and delivery of any documents, instruments and certificates, as may be necessary or appropriate, consistent with the terms and provisions of this Agreement.

12.4 Disclaimer. No provision of this Agreement, nor any act of the City or the Commission shall be deemed or construed by any of the parties, or by third persons, to create

any relationship of third-party beneficiary, or of principal or agent, or of limited or general partnership, or of joint venture, or of any association or relationship involving the City or the Commission.

12.5 Headings. The headings of the various sections and subsections of this Agreement have been inserted for convenient reference only and shall not in any manner be construed as modifying, amending or affecting in any way the express terms and provisions hereof.

12.6 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Illinois.

12.7 Successors and Assigns. The terms of this Agreement shall be binding upon the City and the Commission. None of the rights, duties or obligations under this Agreement may be assigned without the express written consent of the parties except as otherwise provided in this Agreement.

12.8 Severability. If any provision of this Agreement, or any paragraph, sentence, clause, phrase, or word, or the application thereof, in any circumstance, is held invalid, the remainder of this Agreement shall be construed as if such invalid part were not included herein and the remainder of the terms of this Agreement shall be valid and enforceable to the fullest extent permitted by law.

12.9 Counterparts. This Agreement shall be executed in several counterparts, each of which shall constitute an original instrument.

IN WITNESS WHEREOF, the parties hereto have executed or caused this Agreement to be executed, all as of the date first written above.

*Copyright Provisions.*

The parties intend and agree that, to the extent permitted by law, the drawings, specifications and other design documents to be produced by the Architect and its subconsultants pursuant to this Agreement (the "Work") shall conclusively be deemed works made for hire within the meaning and purview of Section 101 of the United States Copyright Act, 17 USC 101, et seq., and that the Commission, the City, and 2FM (the City and 2FM collectively referred to in this (Sub)Exhibit D as the "User Agency") and their successors and assigns, will be the copyright owner of all aspects, elements and components thereof in which copyrights can subsist. To the extent that any of the foregoing does not qualify as a "work made for hire", the Architect hereby irrevocably grants, conveys, bargains, sells, assigns, transfers and delivers to the Commission and the User Agency and their successors and assigns, all right, title, and interest in and to the copyrights and all U.S. and foreign copyright registrations, copyright applications and copyright renewals thereof, and all other intangible, intellectual property embodied in or pertaining to the Work contracted for under the Agreement, free and clear of any liens, claims or other encumbrances, to the fullest extent permitted by law. The Architect will execute all documents and, at the expense of the Commission, perform all acts that the Commission may reasonably request in order to assist the Commission and the User Agency and their successors and assigns, in perfecting their rights in and to the copyrights relating to the Work.

The Architect warrants to the Commission and the User Agency and their successors and assigns, that (1) the Work constitutes a work of authorship; (2) on the date hereof the Architect is the lawful owner of good and marketable title in and to the copyrights for the Work (including the copyrights on designs and plans relating to the Work); (3) the Architect has the legal right to fully assign any such copyright with respect to the Work; (4) the Architect has not assigned any copyrights nor granted any licenses, exclusive or non-exclusive, to any other party; (5) the Architect is not a party to any other agreement or subject to any other restrictions with respect to the Work; and (6) the plans and designs for the Work will, upon completion of the Services be complete, entire and comprehensive. Further, the Architect agrees that it will not restrict or otherwise interfere with the Commission's and/or the User Agency's future actions in authorizing the use, adaptation, revision, or modification or destruction of the Work provided that the Architect is indemnified for any damages resulting from any such future re-use or adaptation of the Work as may be authorized by the Commission or by the User Agency, as applicable.

*Insurance Requirements.*

*City Of Chicago  
Contract Insurance Requirements.*

The Contractor must provide and maintain at Contractor's own expense, until Contract completion and during the time period following final completion if Contractor is required to return and perform any additional work, the minimum insurance coverages and requirements specified below, insuring all operations related to the Contract.

A. Insurance To Be Provided

1) Workers Compensation And Employers Liability.

Workers Compensation Insurance, as prescribed by applicable law covering all employees who are to provide a service under this Contract and Employers Liability coverage with limits of not less than \$500,000 each accident or illness.

2) Commercial General Liability (Primary And Umbrella).

Commercial General Liability Insurance or equivalent with limits of not less than \$2,000,000 per occurrence for bodily injury, personal injury, and property damage liability. Coverages must include the following: all premises and operations, products/completed operations, (for minimum of two years following project completion), explosion, collapse, underground, separation of insureds, defense, and contractual liability (with no limitation endorsement). The Public Building Commission and the City of Chicago are to be named as additional insureds on a primary, noncontributory basis for any liability arising directly or indirectly from the work. Subcontractors performing work for Contractor must maintain limits of not less than \$1,000,000 per occurrence with the same terms herein.

Subcontractors performing work for Contractor must maintain limits of not less than \$1,000,000 per occurrence with the same terms herein.

3) Automobile Liability (Primary And Umbrella).

When any motor vehicles (owned, non-owned and hired) are used in connection with work to be performed, the Contractor must provide Automobile Liability Insurance, with limits of not less than \$2,000,000 per occurrence for bodily injury and property damage. The Public Building Commission and the City of Chicago are to be named as additional insureds on a primary, noncontributory basis.

Subcontractors performing work for Contractor must maintain limits of not less than \$1,000,000 per occurrence with the same terms herein.

4) Contractors Pollution Liability.

When any work is performed which may cause a pollution exposure. Contractors Pollution Liability must be provided covering bodily injury, property damage and other losses caused by pollution conditions that arise from the Contract scope of services with limits of not less than \$1,000,000 per occurrence. When policies are renewed or replaced, the policy retroactive date must coincide with or precede, start of work on the Contract. A claims-made policy, which is not renewed or replaced, must have an extended reporting period of two years. The Public Building Commission and the City of Chicago are to be named as additional insureds on a primary, noncontributory basis.

5) Professional Liability.

When any architects, engineers, construction managers or other professional consultants perform work in connection with this Contract, Professional Liability Insurance covering acts, errors, or omissions must be maintained with limits of not less than \$1,000,000. Coverage must include contractual liability. When policies are renewed or replaced, the policy retroactive date must coincide with, or precede, start of work on the Contract. A claims-made policy, which is not renewed or replaced, must have an extended reporting period of two years.

6) Builders Risk.

When Contractor undertakes any construction, including improvements, betterments, and/or repairs, the Contractor must provide All Risk Builders Risk Insurance at replacement cost for materials, supplies, equipment, machinery and fixtures that are or will be part of the permanent facility. Coverage must include but are not limited to the following: right to partial occupancy, collapse, water including overflow, leakage, sewer backup, or seepage, damage to adjoining or existing property, debris removal, scaffolding, faulty workmanship or materials, mechanical-electrical breakdown, testing, and equipment stored off site or in transit. The Public Building Commission and the City of Chicago are to be named as additional insureds and loss payees.

The Contractor is responsible for all loss or damage to Commission and/or City property at full replacement cost.

The Contractor is responsible for all loss or damage to personal property (including but not limited to materials, equipment, tools, and supplies) owned, rented, or used by Contractor.

7) Railroad Protective Liability.

When any work is to be done, adjacent to or on railroad or transit property, Contractor must provide, with respect to the operations that Contractor or subcontractors perform, Railroad Protective Liability Insurance in the named of railroad or transit entity. The policy must have limits of not less than \$2,000,000 per occurrence and \$6,000,000 in the aggregate for losses arising out of injuries to or death of all persons, and for damage to or destruction of property, including the loss of use thereof.

B. Additional Requirements.

Contractor must furnish the Public Building Commission Procurement Department, Richard J. Daley Center, Room 200, Chicago, Illinois 60602, original Certificates of Insurance, or such similar evidence, to be in force on the date of this Contract, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the term of this Contract. The Contractor must submit evidence of insurance to the Public Building Commission prior to Contract award. The receipt of any certificate does not constitute agreement by the Commission that the insurance requirements in the Contract have been fully met or that the insurance policies indicated on the certificate are in compliance with all Contract requirements. The failure of the Commission to obtain certificates or other insurance evidence from Contractor is not a waiver by the Commission of any requirements for the Contractor to obtain and maintain the specified coverages. The Contractor shall advise all insurers of the Contract provisions regarding insurance. Nonconforming insurance does not relieve Contractor of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Contract, and the Commission retains the right to stop work until proper evidence of insurance is provided, or the Contract may be terminated.

The Commission and/or City of Chicago reserve the right to obtain copies of insurance policies and records from the Contractor and/or its subcontractors at any time upon written request.

The insurance must provide for 60 prior written notice to be given to the Commission in the event coverage is substantially changed, canceled, or non-renewed.

Any deductibles or self-insured retentions on referenced insurance coverages must be borne by Contractor.

The Contractor agrees that insurers waive their rights of subrogation against the Public Building Commission, its employees, elected officials, agents, or representatives and the City of Chicago.

The coverage and limits furnished by Contractor in no way limit the Contractor's liabilities and responsibilities specified within the Contract or by law.

Any insurance or self-insurance programs maintained by the Commission and City of Chicago do not contribute with insurance provided by the Contractor under the Contract.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Contract or any limitation placed on the indemnity in this Contract given as a matter of law.

If contractor is a joint venture, the insurance policies must name the joint venture as a named insured.

The Contractor must require all subcontractors to provide the insurance required herein, or Contractor may provide the coverage for subcontractors. All subcontractors are subject to the same insurance requirements of Contractor unless otherwise specified in this Contract.

If Contractor or subcontractor desires additional coverage, the party desiring the additional coverage is responsible for the acquisition and cost.

The Public Building Commission maintains the rights to modify, delete, alter or change these requirements.

ACCEPTANCE OF BIDS FOR PURCHASE OF CITY-OWNED PROPERTIES AT VARIOUS LOCATIONS UNDER ADJACENT NEIGHBORS LAND ACQUISITION PROGRAM.

The Committee on Housing and Real Estate submitted the following report:

CHICAGO, December 9, 2015.

*To the President and Members of the City Council:*

Your Committee on Housing and Real Estate, for which a meeting was held on December 7, 2015, having had under consideration the ordinances introduced by Mayor Rahm Emanuel on November 18, 2015, these being the sale of City-owned properties at various locations, begs leave to recommend that Your Honorable Body *Pass* said ordinances transmitted herewith.

This recommendation was concurred in by a voice vote of all committee members present, with no dissenting votes.

Respectfully submitted,

(Signed) JOSEPH A. MOORE,  
*Chairman.*

On motion of Alderman J. Moore, the said proposed ordinances transmitted with the forgoing committee report were *Passed* by yeas and nays as follows:

*Yeas* -- Aldermen Moreno, Hopkins, Dowell, Burns, Hairston, Sawyer, Mitchell, Harris, Beale, Sadlowski Garza, Thompson, Cárdenas, Quinn, Burke, Lopez, Foulkes, D. Moore, Curtis, O'Shea, Cochran, Brookins, Muñoz, Zalewski, Scott, Solis, Maldonado, Burnett, Ervin, Taliaferro, Reboyras, Santiago, Waguespack, Mell, Austin, Ramirez-Rosa, Villegas, Mitts, Sposato, Laurino, O'Connor, Napolitano, Reilly, Smith, Tunney, Arena, Cappleman, Pawar, Osterman, J. Moore, Silverstein -- 50.

*Nays* -- None.

Alderman Beale moved to reconsider the foregoing vote. The motion was lost.

The following are said ordinances as passed (the italic heading in each case not being a part of the ordinance):

*6506 S. Dorchester Ave.*

[O2015-8220]

WHEREAS, The City of Chicago ("City") is a home rule unit of government by virtue of the provisions of the Constitution of the State of Illinois of 1970 and, as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, The City, through the foreclosure of demolition liens, tax sales and other methods of acquisition, has acquired title to numerous parcels of real property which are of minimal value and costly to clean up and maintain, and because title to such properties was vested in the City, the properties were exempted from real estate taxes, thus depriving the City of revenue; and

WHEREAS, Pursuant to an ordinance (the "Original Program Ordinance") adopted by the City Council of the City ("City Council") on March 6, 1981 and published on pages 5584 and 5585 of the *Journal of the Proceedings of the City Council of the City of Chicago* ("Journal") for such date, the City established a program for the disposition of certain vacant real property owned by the City known as the Adjacent Neighbors Land Acquisition Program; and

WHEREAS, The Original Program Ordinance was amended by ordinances adopted on July 23, 1982 and published in the *Journal* for such date at pages 11830 -- 11833, and on January 7, 1983 and published in the *Journal* for such date at pages 14803 -- 14805 (the Original Program Ordinance and such two amending ordinances, collectively, the "Original ANLAP Ordinances"); and

WHEREAS, Pursuant to an ordinance adopted by the City Council on September 14, 1994 and published in the *Journal* for such date at pages 56195 -- 56198, the City Council repealed the Original ANLAP Ordinances, and established a new program, also known as the Adjacent Neighbors Land Acquisition Program, for the disposition of certain vacant real property owned by the City, which ordinance was subsequently amended by ordinances adopted on September 4, 2002 and published in the *Journal* for such date at pages 92771 -- 92773, and on July 28, 2010 and published in the *Journal* for such date at pages 97370 -- 97374, and on June 25, 2014 and published in the *Journal* for such date at pages 83533 -- 83535 (such new program, as amended, the "ANLAP Program"); and

WHEREAS, Pursuant to the ANLAP Program, as codified at Municipal Code Chapter 2-159-010, et seq. (the "ANLAP Program Ordinance"), a qualified City-owned parcel may be sold if it has an appraised value of not more than Fifty Thousand and no/100 Dollars (\$50,000.00); and

WHEREAS, Pursuant to the ANLAP Program, if the property appraises at or for less than Ten Thousand and no/100 Dollars (\$10,000.00) the minimum acceptable bid must be at least One Thousand and no/100 Dollars (\$1,000.00); if the property appraises at or for less than Twenty Thousand and no/100 Dollars (\$20,000.00) but more than Ten Thousand and no/100 Dollars (\$10,000.00) the minimum acceptable bid must be at least Two Thousand and no/100 Dollars (\$2,000.00); and if the property appraises for more than Twenty Thousand and no/100 Dollars (\$20,000.00) the minimum acceptable bid must be Two Thousand and no/100 Dollars (\$2,000.00), plus fifty percent (50%) of the appraised value which exceeds Twenty Thousand and no/100 Dollars (\$20,000.00); and

WHEREAS, Pursuant to the ANLAP Program, an Adjacent Neighbor means a person who owns one parcel, or two or more contiguous parcels, of real property that is immediately adjacent to a City-owned parcel and at least one of the parcels is an improved parcel which the person occupies as his primary residence; and

WHEREAS, Pursuant to the ANLAP Program, any deed conveying a parcel pursuant thereto shall contain covenants which: (1) prohibit the grantee from conveying, assigning or otherwise transferring the parcel except in conjunction with the sale of the real estate on which grantee's primary residence is located, including the adjacent side yard if any; and (2) require that the parcel be improved with landscaped open space within six months of the conveyance of such parcel and prohibit the construction of any permanent improvements on the parcel, excluding only improvements made by the grantee on the parcel that constitute an integrated addition to the grantee's primary residence, or a garage appurtenant thereto;

and (3) require the grantee to maintain the parcel in accordance with the provisions of the Municipal Code of Chicago. The covenants shall terminate ten years after the date of the conveyance of the parcel to the grantee; and

WHEREAS, The Department of Planning and Development ("DPD") of the City desires to convey the vacant parcel of real property identified on Exhibit A to this ordinance (the "ANLAP Parcel") to Douglass J. Bevel (the "Purchaser"), who has a principal residence of 6508 South Dorchester Avenue, Chicago, Illinois 60637, which ANLAP Parcel is located in the Woodlawn Project Area ("Area") established pursuant to ordinances adopted by the City Council on January 20, 1999 and published in the *Journal of the Proceedings of the City Council of the City of Chicago* for such date at pages 87763 through 87861; and

WHEREAS, DPD has caused notice of the proposed sale of the ANLAP Parcel to be sent to all eligible adjacent neighbors (if any) and has also caused public notice advertising the City's intent to enter into the sale of the ANLAP parcel to the Purchaser to be published in the *Chicago Sun-Times* on September 14, 2015; and

WHEREAS, Purchaser's proposal was the only proposal received by the deadline indicated in the aforesaid notice; and

WHEREAS, Pursuant to Resolution Number 15-073-21 adopted on August 20, 2015, by the Plan Commission of the City of Chicago ("Commission"), the Commission approved the sale of the Property to the Purchaser; now, therefore,

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. The City hereby accepts the bid of the Purchaser to purchase the ANLAP Parcel, which purchase shall be subject to all of the terms, conditions, covenants and restrictions of the ANLAP Program and the ANLAP Program Ordinance.

SECTION 2. The Mayor or his proxy is authorized to execute, and the City Clerk or Deputy City Clerk is authorized to attest, a quitclaim deed conveying the ANLAP Parcel to the Purchaser for the purchase price of Four Thousand Five Hundred and no/100 Dollars (\$4,500.00). Such deed shall include a covenant obligating the Purchaser to use the ANLAP Parcel only for a use consistent with the land uses permitted under the redevelopment plan for the Area and consistent with the requirements of the ANLAP Program Ordinance.

SECTION 3. If any provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity of such provision shall not affect any of the other provisions of this ordinance.

SECTION 4. All ordinances, resolutions, motions or orders inconsistent with this ordinance are hereby repealed to the extent of such conflict.

SECTION 5. This ordinance shall take effect upon its passage and approval.

The covenants shall terminate 10 years after the date of the conveyance of the parcel to the grantee; and

WHEREAS, The Department of Planning and Development ("DPD") of the City desires to convey the vacant parcel of real property identified on Exhibit A to this ordinance (the "ANLAP Parcel") to Gregory Lee and Jeanette Lee (the "Purchasers"), who have a principal residence of 1835 South Hamlin Avenue, Chicago, Illinois 60623, which ANLAP Parcel is located in the Ogden/Pulaski Project Area ("Area") established pursuant to ordinances adopted by the City Council on April 9, 2008 and published in the *Journal of the Proceedings of the City Council of the City of Chicago* for such date at pages 24221 through 24477; and

WHEREAS, DPD has caused notice of the proposed sale of the ANLAP Parcel to be sent to all eligible adjacent neighbors (if any) and has also caused public notice advertising the City's intent to enter into the sale of the ANLAP parcel to the Purchasers to be published in the *Chicago Sun-Times* on October 15, 2015; and

WHEREAS, Purchasers' proposal was the only proposal received by the deadline indicated in the aforesaid notice; and

WHEREAS, Pursuant to Resolution Number 15-002-21 adopted on January 15, 2015, by the Plan Commission of the City of Chicago ("Commission"), the Commission approved the sale of the Property to the Purchasers; now, therefore,

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. The City hereby accepts the bid of the Purchasers to purchase the ANLAP Parcel, which purchase shall be subject to all of the terms, conditions, covenants and restrictions of the ANLAP Program and the ANLAP Program Ordinance.

SECTION 2. The Mayor or his proxy is authorized to execute, and the City Clerk or Deputy City Clerk is authorized to attest, a quitclaim deed conveying the ANLAP Parcel to the Purchasers for the purchase price of One Thousand and no/100 Dollars (\$1,000.00). Such deed shall include a covenant obligating the Purchasers to use the ANLAP Parcel only for a use consistent with the land uses permitted under the redevelopment plan for the Area and consistent with the requirements of the ANLAP Program Ordinance.

SECTION 3. If any provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity of such provision shall not affect any of the other provisions of this ordinance.

SECTION 4. All ordinances, resolutions, motions or orders inconsistent with this ordinance are hereby repealed to the extent of such conflict.

SECTION 5. This ordinance shall take effect upon its passage and approval.

SALE OF CITY-OWNED PROPERTIES AT VARIOUS LOCATIONS UNDER  
PRESERVING COMMUNITIES TOGETHER PROGRAM.

The Committee on Housing and Real Estate submitted the following report:

CHICAGO, December 9, 2015.

*To the President and Members of the City Council:*

Your Committee on Housing and Real Estate, for which a meeting was held on December 7, 2015, having had under consideration the ordinances introduced by Mayor Rahm Emanuel on November, 18 2015, these being the sale of City-owned properties at various locations, begs leave to recommend that Your Honorable Body *Pass* said ordinances transmitted herewith.

This recommendation was concurred in by a voice vote of all committee members present, with no dissenting votes.

Respectfully submitted,

(Signed) JOSEPH A. MOORE,  
*Chairman.*

On motion of Alderman J. Moore, the said proposed ordinances transmitted with the foregoing committee report were *Passed* by yeas and nays as follows:

*Yeas*-- Aldermen Moreno, Hopkins, Dowell, Burns, Hairston, Sawyer, Mitchell, Harris, Beale, Sadlowski Garza, Thompson, Cárdenas, Quinn, Burke, Lopez, Foulkes, D. Moore, Curtis, O'Shea, Cochran, Brookins, Muñoz, Zalewski, Scott, Solis, Maldonado, Burnett, Ervin, Taliaferro, Reboyras, Santiago, Waguespack, Mell, Austin, Ramirez-Rosa, Villegas, Mitts, Sposato, Laurino, O'Connor, Napolitano, Reilly, Smith, Tunney, Arena, Cappleman, Pawar, Osterman, J. Moore, Silverstein -- 50.

*Nays* -- None.

Alderman Beale moved to reconsider the foregoing vote. The motion was lost.

The following are said ordinances as passed (the italic heading in each case not being a part of the ordinance):

*10760 S. Champlain Ave.*

[O2015-8323]

WHEREAS, The City of Chicago ("City") is a home rule unit of government by virtue of the provisions of Article VII, Section 6(a) of the Constitution of the State of Illinois of 1970 and, as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, The City Council of the City ("City Council") by ordinance adopted May 20, 1992 and published in the *Journal of the Proceedings of the City Council of the City of Chicago* ("*Journal*") for such date at pages 16333 -- 16335, established the Chicago Abandoned Properties Program ("CAP Program"), pursuant to which the City has acquired numerous abandoned properties either through statutory abandonment proceedings, or through the foreclosure of municipal liens, and conveyed such abandoned properties to developers for rehabilitation, and worked with such developers to successfully rehabilitate such abandoned properties; and

WHEREAS, The City Council, by ordinance adopted February 6, 2008 and published in the *Journal* for such date at pages 20654 -- 20657, renamed the CAP Program as the "Preserving Communities Together Program" (the "PCT Program") and expanded the acquisition authority for such program; and

WHEREAS, There are a substantial number of abandoned, deteriorated and dangerous buildings in the City which threaten the health, safety, economic stability and general welfare of the citizens of the City, and which are the subject of certain housing court proceedings; and

WHEREAS, The City has created the PCT Program to help abate the dangers posed by abandoned, deteriorated and dangerous buildings in the City through the acquisition and subsequent conveyance of the buildings to parties who have proposed to rehabilitate them; and

WHEREAS, The City is the owner of the property commonly known as 10760 South Champlain Avenue, Chicago, Illinois, and legally described on Exhibit A hereto (the "Property"), which is improved with single-family home ("Building") in need of substantial repair and is qualified to be included in the PCT Program; and

WHEREAS, Chicago Neighborhood Initiatives, Inc., an Illinois not-for-profit corporation (the "Developer"), has proposed to purchase the Property from the City and rehabilitate the Building for residential housing in accordance with the provisions of the PCT Program; and

WHEREAS, By Resolution Number 15-033-21, adopted by the Plan Commission of the City (the "Plan Commission") on March 19, 2015, the Plan Commission recommended the sale of the Property; and

WHEREAS, Public notices advertising the intent of the City's Department of Planning and Development (the "Department") to enter into a negotiated sale with the Developer and requesting alternative proposals appeared in the *Chicago Sun-Times* on February 27, 2015, March 6, 2015 and March 13, 2015; and

WHEREAS, No alternative proposals have been received by the deadline indicated in the aforesaid notice; and

WHEREAS, The Department has reviewed the Developer's application and has recommended that the City Council approve the conveyance of the Property to the Developer for the purpose of rehabilitating the Building in accordance with the provisions of the PCT Program; now, therefore,

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. The sale of the Property to the Developer for the sum of One and no/100 Dollars (\$1.00), plus holding costs incurred by the City during its period of ownership of the Property, is hereby approved. Due to the current deteriorated condition of the Building and market conditions, the Commissioner of the Department or of any successor department thereto (the "Commissioner") may waive the requirement that the Developer reimburse the City for holding costs incurred by the City during its period of ownership of the Property. This approval is expressly conditioned upon the Developer entering into a redevelopment agreement with the City. The redevelopment agreement shall require that the rehabilitated Property be sold to an owner-occupant with a household income, adjusted for family size, at or below one hundred twenty percent (120%) of the Chicago Primary Metropolitan Statistical Area median income, as determined by the U.S. Department of Housing and Urban Development; provided, however, the Commissioner shall have the discretion to waive such

requirement. The Commissioner is authorized to negotiate and execute a redevelopment agreement with the Developer, and such other documents which may be required or necessary to implement the intent and objectives of the PCT Program, subject to the approval of the Corporation Counsel. The Commissioner is further authorized to consent to the Developer's subsequent conveyance of the Property and the Developer's assignment of the redevelopment agreement, provided the proposed grantee and assignee are qualified to do business with the City (including but not limited to anti-scofflaw requirement).

SECTION 2. The Mayor is authorized to execute, and the City Clerk or Deputy City Clerk is authorized to attest, a quitclaim deed conveying the Property to the Developer, or to a land trust of which the Developer is the sole beneficiary, or to a business entity of which the Developer is the sole controlling party, subject to the approval of the Corporation Counsel.

SECTION 3. If any provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such provision shall not affect any of the other provisions of this ordinance.

SECTION 4. All ordinances, resolutions, motions or orders inconsistent with this ordinance are hereby repealed to the extent of such conflict.

SECTION 5. This ordinance shall take effect upon its passage and approval.

AKRAM JABER.

[O2015-8174]

The Committee on Housing and Real Estate submitted the following report:

CHICAGO, December 9, 2015.

*To the President and Members of the City Council:*

Your Committee on Housing and Real Estate, for which a meeting was held on December 7, 2015, having had under consideration the ordinances introduced by Mayor Rahm Emanuel on November 18, 2015, this being the negotiated sale of property at 5709 South State Street, begs leave to recommend that Your Honorable Body *Pass* said ordinance transmitted herewith.

This recommendation was concurred in by a voice vote of all committee members present, with no dissenting vote.

Respectfully submitted,

(Signed) JOSEPH A. MOORE,  
*Chairman.*

On motion of Alderman J. Moore, the said proposed ordinance transmitted with the forgoing committee report was *Passed* by yeas and nays as follows:

*Yeas* -- Aldermen Moreno, Hopkins, Burns, Hairston, Sawyer, Mitchell, Harris, Beale, Sadlowski Garza, Thompson, Cárdenas, Quinn, Burke, Lopez, Foulkes, D. Moore, Curtis, O'Shea, Cochran, Brookins, Muñoz, Zalewski, Scott, Solis, Maldonado, Burnett, Ervin, Taliaferro, Reboyras, Santiago, Waguespack, Mell, Austin, Ramirez-Rosa, Villegas, Mitts, Sposato, Laurino, O'Connor, Napolitano, Reilly, Smith, Tunney, Arena, Cappleman, Pawar, Osterman, J. Moore, Silverstein -- 49.

*Nays* -- Alderman Dowell -- 1.

Alderman Beale moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

WHEREAS, The City of Chicago ("City") is a home rule unit of government by virtue of the provisions of the Constitution of the State of Illinois of 1970 and, as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, The City is the owner of the vacant parcel of property located at 5709 South State Street, Chicago, Illinois, which is legally described on Exhibit A attached hereto (the "Property"), which Property is located in the Washington Park Redevelopment Project Area ("Area") established pursuant to ordinances adopted by the City Council of the City on October 8, 2014, published in the *Journal of the Proceedings of the City Council of the City of Chicago* for such date at pages 91436 through 91587; and

WHEREAS, Akram Jaber (the "Grantee"), with a principal address of 5701 South State Street, Chicago, Illinois 60621, has offered to purchase the Property from the City for the sum of Seven Thousand and no/100 Dollars (\$7,000.00), such amount being the appraised fair market value of the Property, to improve with a parking lot thereon; and

WHEREAS, Pursuant to Resolution Number 15-065-21 adopted on July 16, 2015, by the Plan Commission of the City (the "Commission"), the Commission approved the negotiated sale of the Property to the Grantee; and

WHEREAS, Public notice advertising the City's intent to enter into a negotiated sale of the Property with the Grantee and requesting alternative proposals appeared in the *Chicago Sun-Times*, a newspaper of general circulation, on September 21 and 28, 2015; and

WHEREAS, No alternative proposals were received by the deadline indicated in the aforesaid notice; now, therefore,

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. The City Council of the City hereby approves the sale of the Property to the Grantee for the amount of Seven Thousand and no/100 Dollars (\$7,000.00).

SECTION 2. The Mayor or his proxy is authorized to execute, and the City Clerk or Deputy City Clerk is authorized to attest, a quitclaim deed conveying the Property to the Grantee. The quitclaim deed shall also contain language substantially in the following form:

This conveyance is subject to the express condition that: 1) a parking lot is constructed on the Property within 12 months of the date of this deed. In the event that the condition is not met, the City of Chicago may re-enter the Property and re-vest title in the City of Chicago. Grantee, at the request of the City of Chicago, covenants to execute and deliver to the City a reconveyance deed to the Property to further evidence such re-vesting of title. This right of reverter and re-entry shall terminate upon the issuance of a certificate of completion, release or similar instrument by the City of Chicago.

The Grantee acknowledges that if the Grantee develops the Property with a residential housing project, as defined under and that is subject to Section 2-45-115 of the Municipal Code of the City (the "2015 Affordable Requirements Ordinance"), the Grantee and such project shall be obligated to comply with the 2015 Affordable Requirements Ordinance.

SECTION 3. If any provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such provision shall not affect any of the other provisions of this ordinance.

SECTION 4. All ordinances, resolutions, motions or orders inconsistent with this ordinance are hereby repealed to the extent of such conflict.

AMENDMENT OF PRIOR NEGOTIATED SALE OF CITY-OWNED PROPERTIES AT  
VARIOUS LOCATIONS.

[O2015-8412]

The Committee on Housing and Real Estate submitted the following report:

CHICAGO, December 9, 2015.

*To the President and Members of the City Council:*

Your Committee on Housing and Real Estate, for which a meeting was held on December 7, 2015, having under consideration the ordinance introduced by Mayor Rahm Emanuel on November 18, 2015, this being the amendment of a previously-passed negotiated sale of properties at 1144 North Christiana Avenue and 1222 North Rockwell Street, begs leave to recommend that Your Honorable Body *Pass* said ordinance transmitted herewith.

This recommendation was concurred in by a voice vote of all committee members present, with no dissenting votes.

Respectfully submitted,

(Signed) JOSEPH A. MOORE,  
*Chairman.*

On motion of Alderman J. Moore, the said proposed ordinance transmitted with the foregoing committee report was *Passed* by yeas and nays as follows:

*Yeas*-- Aldermen Moreno, Hopkins, Dowell, Burns, Hairston, Sawyer, Mitchell, Harris, Beale, Sadlowski Garza, Thompson, Cárdenas, Quinn, Burke, Lopez, Foulkes, D. Moore, Curtis, O'Shea, Cochran, Brookins, Muñoz, Zalewski, Scott, Solis, Maldonado, Burnett, Ervin, Taliaferro, Reboyras, Santiago, Waguespack, Mell, Austin, Ramirez-Rosa, Villegas, Mitts, Sposato, Laurino, O'Connor, Napolitano, Reilly, Smith, Tunney, Arena, Cappleman, Pawar, Osterman, J. Moore, Silverstein -- 50.

*Nays* -- None.

Alderman Beale moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

WHEREAS, The City of Chicago ("City") is a home rule unit of government by virtue of the provisions of the Constitution of the State of Illinois of 1970 and, as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, Pursuant to ordinance (the "Original Ordinance") adopted by the City Council of the City (the "City Council") on February 5, 2014, and published in the *Journal of the Proceedings of the City Council of the City of Chicago* for such date, at pages 74087 through 74093, the City Council authorized the City's sale to L&MC Investments LLC, an Illinois limited liability company (the "Developer"), of the seven vacant parcels of real property commonly known as 1122 North Christiana Avenue, 1144 North Christiana Avenue, 1222 North Rockwell Street, 1226 North Campbell Avenue, 1754 -- 1756 North Drake Avenue (two (2) parcels), and 3221 West Crystal Street, Chicago, Illinois (each such parcel, a "Parcel"), and legally described on Exhibit A of the Original Ordinance, which exhibit is attached hereto, for the consideration of One and no/100 Dollars (\$1.00) per Parcel for the development of affordable single-family housing; and

WHEREAS, The City has previously conveyed to the Developer the Parcels commonly known as 1226 North Campbell Avenue, 1122 North Christiana Avenue, 1754 -- 1756 North Drake Avenue, and 3221 West Crystal Street, Chicago, Illinois; and

WHEREAS, The Developer and the City's Department of Planning and Development have proposed (i) to amend Exhibit A of the Original Ordinance by deleting the Parcel located at 1222 North Rockwell Street (the "Rockwell Parcel") and (ii) to amend the outside date (set forth in the Original Ordinance) by which the Developer must take title to the Parcel located at 1144 North Christiana Avenue (the "Christiana Parcel"); now, therefore,

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. The foregoing recitals are incorporated herein.

SECTION 2. Exhibit A of the Original Ordinance is amended by deleting the Rockwell Parcel.

[O2015-8425]

The Committee on Housing and Real Estate submitted the following report:

CHICAGO, December 9, 2015.

*To the President and Members of the City Council:*

Your Committee on Housing and Real Estate, for which a meeting was held on December 7, 2015, having had under consideration the ordinance introduced by Mayor Rahm Emanuel on November 18, 2015, this being the extension of a right-of-entry agreement with the Chicago Housing Authority for 100 South Racine Avenue, begs leave to recommend that Your Honorable Body *Pass* the proposed ordinances transmitted herewith.

This recommendation was concurred in by a voice vote of all committee members present, with no dissenting votes.

Respectfully submitted,

(Signed) JOSEPH A. MOORE,  
*Chairman.*

On motion of Alderman J. Moore, the said proposed ordinance transmitted with the foregoing committee report was *Passed* by yeas and nays as follows:

*Yeas* -- Aldermen Moreno, Hopkins, Dowell, Burns, Hairston, Sawyer, Mitchell, Harris, Beale, Sadlowski Garza, Thompson, Cárdenas, Quinn, Burke, Lopez, Foulkes, D. Moore, Curtis, O'Shea, Cochran, Brookins, Muñoz, Zalewski, Scott, Solis, Maldonado, Burnett, Ervin, Taliaferro, Reboyras, Santiago, Waguespack, Mell, Austin, Ramirez-Rosa, Villegas, Mitts, Sposato, Laurino, O'Connor, Napolitano, Reilly, Smith, Tunney, Arena, Cappleman, Pawar, Osterman, J. Moore, Silverstein -- 50.

*Nays* -- None.

Alderman Beale moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

WHEREAS, The City of Chicago (the "City") is a home rule unit of government by virtue of the provisions of the Constitution of the State of Illinois of 1970 and, as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, The City is the owner of the decommissioned 12<sup>th</sup> District Police Station building and surrounding grounds located at 100 South Racine Avenue, Chicago, Cook County, Illinois (the "Property"); and

WHEREAS, By ordinance adopted on May 6, 2015, and published at pages 108379 -- 108436 in the *Journal of the Proceedings of the City Council of the City of Chicago*, of such date, the City Council of the City ("City Council") authorized the conveyance of the Property to the Chicago Children's Theater, an Illinois not-for-profit corporation (the "Developer"); and

WHEREAS, The Developer proposes to rehabilitate and develop the Property to include two theaters, classrooms, support spaces, administrative offices, and underground parking; and

WHEREAS, The Developer and the City anticipate that the conveyance of the Property will be completed in early 2016; and

WHEREAS, The Developer wishes to begin remediation work on the Property prior to the completion of the conveyance of the Property; and

WHEREAS, The Developer has hired Pepper Environmental Technologies, Inc., an Illinois corporation (the "Licensee"), to conduct remediation work at the Property; and

WHEREAS, Pursuant to Section 2-51-050(l) of the Municipal Code of Chicago, the Commissioner of the Department of Fleet and Facility Management has the authority to enter into right-of-entry agreements for up to 90 days each; and

WHEREAS, The City and Licensee have entered into a right-of-entry agreement to begin remediation work at the Property (the "Right-of-Entry Agreement"); and

WHEREAS, It is anticipated that Licensee's remediation work will require more than 90 days; and

WHEREAS, Pursuant to Section 2-51-050(l) of the Municipal Code of Chicago, City Council approval is required to extend the Right-of-Entry Agreement for 90 days beyond the initial 90 day term; now, therefore,

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. The foregoing recitals are hereby adopted as the findings of the City Council.

SECTION 2. The Commissioner of the Department of Fleet and Facility Management is authorized to execute an amendment to the Right-of-Entry Agreement to extend the term by 90 days; such amendment to be approved as to form and legality by the Corporation Counsel in substantially the form attached hereto as Exhibit A.

SECTION 3. This ordinance shall take effect immediately upon its passage and approval.

Exhibit "A" referred to in this ordinance reads as follows:

*Exhibit "A".*

*Amendment To Right-Of-Entry Agreement.*

This Amendment to Right-of-Entry Agreement (the "Amendment") is made and effective as of \_\_\_\_\_, 2015 by and between City of Chicago, an Illinois municipal corporation and

home rule unit of government (the "City") and Pepper Environmental Technologies, Inc., an Illinois corporation (the "Licensee").

*Recitals.*

Whereas, On October 15, 2015, City and Licensee executed that certain Right-of-Entry Agreement (the "Agreement") governing Licensee's access to 100 South Racine Avenue, Chicago, Illinois (the "Property"); and

Whereas, The Term of the Agreement expires January 3, 2016, and Licensee requires more time to complete the remediation work contemplated under the Agreement; and

Whereas, By ordinance adopted on \_\_\_\_\_, 2015, and published at pages \_\_\_\_\_ -- \_\_\_\_\_ in the *Journal of the Proceedings of the City Council of the City of Chicago* of such date, the City Council authorized the extension of the Term of the Agreement by 90 days;

Now, Therefore, In consideration of the above recitals, and the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. The foregoing recitals are hereby incorporated into and made a part of this Amendment by this reference.
2. The Term of the Agreement is hereby extended by 90 days.
3. If any term, provision or condition of this Amendment is found to be or is rendered invalid or unenforceable, it shall not affect the remaining terms, provisions and conditions of this Amendment, and each and every other term, provision and condition of this Amendment shall be valid and enforceable to the fullest extent permitted by law.
4. This Amendment shall be governed, construed, applied and enforced in accordance with the laws of the State of Illinois.
5. This Amendment may be executed in any number of counterparts, each of which shall be deemed to be an original, and all of such counterparts shall together constitute one Amendment.
6. City and Licensee further acknowledge and agree that, except to the extent hereinabove provided, the provisions of the Agreement remain unmodified and in full force and effect. This Amendment is hereby attached and made part of the Agreement and is specifically incorporated into the Agreement. To the extent any terms and provisions of this Amendment are inconsistent with the terms and

provisions of the Agreement, the terms and provisions of this Amendment shall prevail.

In Witness Whereof, The parties have executed this Amendment to the Agreement as of the day and year first above written.

AMENDMENT OF TITLES 3, 4, 9 AND 10 OF MUNICIPAL CODE REGARDING CONFISCATION OF ILLEGAL CIGARETTES, CIGARETTE VENDING MACHINES, DENIAL, REVOCATION OR SUSPENSION OF LICENSES, IMMIGRATION ASSISTANCE, BILL OF RIGHTS CONCERNING TAX PREPARATION SERVICES, AND EXTENSION OF PRODUCE STANDS ON PUBLIC WAY PILOT PROGRAM.  
[SO2015-8045]

The Committee on License and Consumer Protection submitted the following report:

CHICAGO, December 9, 2015.

*To the President and Members of the City Council:*

Your Committee on License and Consumer Protection, having under consideration a substitute ordinance introduced by Mayor Rahm Emanuel at the request of the Commissioner of Business Affairs and Consumer Protection (which was referred on November 18, 2015), to amend Titles 3, 4, 9 and 10 of the Municipal Code of Chicago regarding cigarette vending machines, licenses, immigration assistance, bill of rights regarding tax preparation services, and extension of produce stands on public way pilot program, begs leave to recommend that Your Honorable Body *Pass* the substitute ordinance which is transmitted herewith.

This recommendation was concurred in by a viva voce vote of the members of the committee on December 8, 2015.

Respectfully submitted,

(Signed) EMMA MITTS,  
*Chairman.*

On motion of Alderman Mitts, the said proposed substitute ordinance transmitted with the foregoing committee report was *Passed* by yeas and nays as follows:

*Yeas* -- Aldermen Moreno, Hopkins, Dowell, Burns, Hairston, Sawyer, Mitchell, Harris, Beale, Sadlowski Garza, Thompson, Cárdenas, Quinn, Burke, Lopez, Foulkes, D. Moore, Curtis, O'Shea, Cochran, Brookins, Muñoz, Zalewski, Scott, Solis, Maldonado, Burnett, Ervin, Taliaferro, Reboyras, Santiago, Waguespack, Mell, Austin, Ramirez-Rosa, Villegas, Mitts, Sposato, Laurino, O'Connor, Napolitano, Reilly, Smith, Tunney, Arena, Cappleman, Pawar, Osterman, J. Moore, Silverstein -- 50.

*Nays* -- None.

Alderman Beale moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. Section 3-42-110 of the Municipal Code of Chicago is hereby amended by deleting the language stricken through and inserting the language underscored, as follows:

3-42-110 Confiscation Of Illegal Cigarettes And Cigarette-Vending Machines.

(Omitted text is unaffected by this ordinance.)

(b) After issuing a notice of violation, the comptroller or the commissioner of business affairs and consumer protection shall institute an action with the department of administrative hearings which shall appoint an administrative law officer who shall conduct the hearing, no later than 45 days after the issuance of the notice of violation, to determine whether the cigarette packages at the time of issuance of the notice of violation, were unstamped or improperly stamped in violation of the provisions of this chapter. If the alleged violation is not contested or the administrative law officer determines by a preponderance of the evidence that any or all of the cigarette packages were unstamped or improperly stamped in violation of the provisions of this chapter, the administrative law officer shall enter an order requiring payment by the cigarette purveyor or the owner of the following penalty for cigarettes possessed in violation of Section 3-42-020: ~~\$1,000.00~~ \$2,000.00 for a first violation involving forty or fewer packages, and ~~\$25.00~~ \$50.00 per package for a violation involving over forty packages, and an additional ~~\$2,000.00~~ \$4,000.00 for the second and each subsequent offense occurring within 24 months, plus fees for the seizure and storage of any seized cigarette packages or cigarette-vending machines. Any penalty imposed for a violation of Section 3-42-020 shall be in addition to any penalty imposed for a violation of Section 3-42-025. If the administrative law officer determines a violation, all unstamped or improperly stamped cigarette packages seized under this section shall be forfeited to the city and subsequently destroyed or sold at public sale. Any money contained in a cigarette-vending machine seized under this section shall also be forfeited to the city, unless the administrative law officer determines that the evidence presented by the alleged violator at the hearing established that the money was not consideration for unstamped or improperly stamped cigarette packages. The cigarette purveyor and the owner of the unstamped or improperly stamped cigarette packages or cigarette-vending machines shall be jointly and severally liable for sanctions provided by this section.

(Omitted text is unaffected by this ordinance.)

The following is said ordinance as passed:

WHEREAS, The City of Chicago ("City") is a home rule unit of local government pursuant to Article VII, Section 6(a) of the 1970 constitution of the State of Illinois and, as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, The properties at 1101 -- 1145 East 63<sup>rd</sup> Street, 1100 -- 1124 East 64<sup>th</sup> Street, 1130 -- 1144 East 64<sup>th</sup> Street, 6300 -- 6316 South University Avenue, 6320 -- 6336 South University Avenue, and 6301 -- 6335 South Greenwood Avenue are owned by the City of Chicago, a municipal corporation; and

WHEREAS, The Chicago Department of Planning and Development proposes to assemble properties, including the portion of the public alleys herein vacated, and convey these to The University of Chicago for development of the Woodlawn Charter School; and

WHEREAS, The City Council of the City of Chicago, after due investigation and consideration, has determined that the nature and extent of public use and the public interest to be subserved is such as to warrant the vacation of part of the public alleys described in the following ordinance; now, therefore,

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. All that part of an east/west 20-foot wide public alley lying west of and adjoining the west right-of-way line of South University Avenue and all that part of an north/south 20-foot wide public alley lying north of and adjoining the north right-of-way line of East 64<sup>th</sup> Street, all inclusive, in Block 2 of Second Plat of Woodlawn, being a subdivision of the east 22 acres of the north half of the northwest quarter of Section 23, Township 38 North, Range 14 East of the Third Principal Meridian, according to the ante-fire plat thereof recorded August 23, 1867, in Cook County, Illinois, said parcel containing 11,641.62 square feet, or 0.267 acre, more or less, as shaded and legally described by the words "Hereby Vacated" on the plat hereto attached as Exhibit A, which drawing for greater clarity, is hereby made a part of this

ordinance, be and the same is hereby vacated and closed, inasmuch as the same is no longer required for public use and the public interest will be subserved by such vacation.

SECTION 2. The City of Chicago hereby reserves for the benefit of Commonwealth Edison, its successors or assigns, a non-exclusive utility easement to operate, maintain, construct, replace and renew overhead wires, poles, and associated equipment and underground conduit, cables, and associated equipment for the transmission and distribution of electrical energy, telephonic and associated services under, over and along the alleys herein vacated, with the right of ingress and egress. The grade of the vacated alleys shall not be altered in a manner so as to interfere with the operation and maintenance of Commonwealth Edison facilities. No buildings, permanent structures or obstructions shall be placed over said facilities without express written release of easement by Commonwealth Edison. Any future relocation of Commonwealth Edison facilities lying within the area herein vacated shall be accomplished by the Department of Planning and Development or its assign(s), and completed at the expense of same.

SECTION 3. The vacation herein provided for is made upon the express condition that within 180 days after the passage of this ordinance, the Department of Planning and Development or its assign(s) shall file or cause to be filed for record in the Office of the Recorder of Deeds of Cook County, Illinois, a certified copy of this ordinance, together with the full-sized associated plat as approved by the Superintendent of Maps and Plats.

SECTION 4. This ordinance shall take effect and be in force from and after its passage and publication. The vacation shall take effect and be in force from and after its recording.

CLOSURE TO VEHICULAR TRAFFIC PORTION OF S. CALUMET AVE. FOR HADIYA  
PENDLETON PARK.

[O2015-8340]

The Committee on Transportation and Public Way submitted the following report:

CHICAGO, December 8, 2015.

*To the President and Members of the City Council:*

Your Committee on Transportation and Public Way begs leave to report and recommend that Your Honorable Body *Pass* a proposed closure to vehicular traffic for a portion of the 66-foot wide right-of-way of South Calumet Avenue within the area south of East 43<sup>rd</sup> Street and north of East 44<sup>th</sup> Street for public park use by the Chicago Park District for Hadiya Pendleton Park. This ordinance was referred to the committee on November 18, 2015.

This recommendation was concurred in unanimously by a viva voce vote of the members of the committee, with no dissenting vote.

Respectfully submitted,

(Signed) ANTHONY BEALE,  
*Chairman.*

On motion of Alderman Beale, the said proposed ordinance transmitted with the foregoing committee report was *Passed* by yeas and nays as follows:

*Yeas* -- Aldermen Moreno, Hopkins, Dowell, Burns, Hairston, Sawyer, Mitchell, Harris, Beale, Sadlowski Garza, Thompson, Cárdenas, Quinn, Burke, Lopez, Foulkes, D. Moore, Silverstein -- 50.

*Nays* -- None.

Alderman Beale moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. That part of South Calumet Avenue, 66-foot wide right-of-way, lying south of East 43<sup>rd</sup> Street and north of East 44<sup>th</sup> Street described as follows: beginning at a point on the east right-of-way line of South Calumet Avenue 74.20 feet south of the northwest corner of Lot 15 in H. Honore's Subdivision of part of the northeast quarter of the northeast quarter of the southwest quarter of Section 3, Township 38 North, Range 13 East of the Third Principal Meridian per Document 85080 recorded February 20, 1873; thence south 01 degree, 46 minutes, 27 seconds east, along said east line of South Calumet Avenue, 232.19 feet to a point of curvature; thence westerly along the arc of a curve, concave south, having a radius of 33.00 feet, having a chord bearing south 88 degrees, 13 minutes, 33 seconds west, for a distance of 103.67 feet to a point of tangency on the west right-of-way line of South Calumet Avenue; thence north 01 degree, 46 minutes, 27 seconds west, along said west line of South Calumet Avenue, 232.19 feet to a point of curvature; thence easterly along the arc of a curve concave north, having a radius of 33.00 feet, having a chord bearing north 88 degrees, 13 minutes, 33 seconds east, for a distance of 103.67 feet to a point of tangency on said east right-of-way line of South Calumet Avenue and the point of beginning, all in Cook County, Illinois, said parcel of land herein described contains 11,903 square feet or 0.273 acre, more or less, as shaded and legally described by the words: "Hereby Closed To Vehicular Traffic" on the plat hereto attached as Exhibit A, which plat for greater certainty, is hereby made a part of this ordinance, be and the same is hereby closed to vehicular traffic except for a lane which shall be provided in said street for fire, police and other emergency vehicles, inasmuch as the same is intended for public park use by the Chicago Park District (Hadiya Pendleton Park) and the public interest will be subserved by such closing.

SECTION 2. The closure herein contemplated is made with the express condition that all utilities as currently situated in the public way herein closed shall have unimpeded ingress and egress for the repair and maintenance of their facilities, and that no permanent structures or trees shall be placed over said facilities, or current soil grades changed by the Chicago Park District, without the express written pre-review and approval of the involved respective utility. The Chicago Park District shall also be responsible for the repair, renewal or replacement of the park-owned physical improvements on the area herein closed, that may be damaged in association with said utilities exercising their easement rights.

SECTION 3. The closure herein provided for is made upon the express condition that within 180 days after the passage of this ordinance, the Chicago Park District shall deposit in the City Treasury of the City of Chicago a sum sufficient to defray the costs of removing paving and curb returns and constructing sidewalk with the most current version of the Chicago Department of Transportation's Regulations for Opening, Repair and Construction in the Public Way and its appendices, and in agreement with the executed Duty to Build Agreement attached herein and made a part of this ordinance as Exhibit B.

SECTION 4. This ordinance shall take effect and be in force from and after its passage and publication.

AMENDMENT OF SECTIONS 11-4-2170 AND 11-4-2200 OF MUNICIPAL CODE REGARDING DEMOLITIONS AND RENOVATIONS OF BUILDINGS AND ASBESTOS ABATEMENT.

[O2015-8047]

The Committee on Zoning, Landmarks and Building Standards submitted the following report:

CHICAGO, December 9, 2015.

*To the President and Members of the City Council:*

Presenting a report for your Committee on Zoning, Landmarks and Building Standards which held a meeting on December 7, 2015, the following items were passed by a majority of the members present:

Page 1 contains one mayoral ordinance regarding the demolition of buildings and asbestos abatement.

Pages 1 through 8 contain various map amendments regarding land use.

Page 8 also contains business identification signs over 100 feet in diameter and 24 feet above grade, one off-premises sign and one landmark fee waiver.

I hereby move for passage of the proposed ordinance transmitted herewith.

Respectfully submitted,

(Signed) DANIEL S. SOLIS,  
*Chairman.*

On motion of Alderman Solis, the said proposed ordinance transmitted with the foregoing committee report was *Passed* by yeas and nays as follows:

Yeas -- Aldermen Moreno, Hopkins, Dowell, Burns, Hairston, Sawyer, Mitchell, Harris, Beale, Sadlowski Garza, Thompson, Cárdenas, Quinn, Burke, Lopez, Foulkes, D. Moore, Curtis, O'Shea, Cochran, Brookins, Muñoz, Zalewski, Scott, Solis, Maldonado, Burnett, Ervin, Taliaferro, Reboyras, Santiago, Waguespack, Mell, Austin, Ramirez-Rosa, Villegas, Mitts, Sposato, Laurino, O'Connor, Napolitano, Reilly, Smith, Tunney, Arena, Cappleman, Pawar, Osterman, J. Moore, Silverstein -- 50.

Nays -- None.

Alderman Beale moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. Chapter 11-4 of the Municipal Code of Chicago is hereby amended by adding the language underscored and by deleting the language struck through, as follows:

11-4-2170 Demolitions And Renovations: Permit And Notification Requirements; Performance Standards For Asbestos Abatement; Control And Disposal Of Dust And Debris.

(a) Demolition Of Buildings, Facilities Or Other Structures; Notice Of Intent To Demolish Required. No demolition of a building, facility or other structure shall be initiated within the city unless a written notice of intent to demolish, accompanied by the fee required by this section, has been filed with, and approved by, the department of health at least ten working days prior to the commencement of demolition. The ten working day period shall not apply if the building, facility or other structure to be demolished has been found to be structurally unsound and in danger of imminent collapse by the building commissioner or state authority or court of competent jurisdiction; provided, however, any person or contractor demolishing such building, facility or other structure shall file a written notice with the department of health regarding such demolition as soon as practicable, and must have a properly licensed asbestos abatement contractor on site during the demolition.

(1) Notice Contents: The notice of intent to demolish shall be in such form as prescribed by the commissioner. ~~The owner(s) of any building, facility or other structure to be demolished shall sign the notice of intent to demolish together with any contractor or other person retained or otherwise authorized by the owner(s) to perform the demolition.~~ At a minimum, the notice of intent to demolish shall include the following information:

(i) The name, telephone number, e-mail address, and address of every person having an ownership interest in the building, facility or other structure to be demolished or the land upon which the building, facility or other structure is situated;

(ii) The name, telephone number, e-mail address, and address of every contractor or other person performing the demolition;

(iii) A ~~sworn~~ statement ~~signed~~ attested to by each applicant that the applicant agrees agreeing to comply with the notification requirements set forth in subsection (e)(3) ~~of this section~~;

(iv) A ~~sworn~~ statement ~~signed~~ attested to by each applicant that discloses whether the demolition will occur at a building containing asbestos. Before making such ~~sworn~~ statement, if the building is a facility, the applicant shall have the building inspected by a licensed asbestos professional, or, if the building is not a facility, the applicant, at a minimum, shall have the contractor or other person performing the demolition conduct a visual inspection of the building, to detect the presence of asbestos in or on the building. If the demolition will occur at a building containing asbestos, the ~~sworn~~ statement shall include a representation that the applicants will comply with the performance standards set forth in subsection (e) ~~of this section~~, if applicable, and the disposal requirements set forth in subsection (d)(2) ~~of this section~~;

(Omitted text is unaffected by this ordinance.)

(xiii) The name, address, 24-hour contact telephone number, and, if available, the fax number and e-mail address, of a person with responsibility over the project.

(2) Posting Permits: The demolition permit required pursuant to Section 13-32-010 of this code must be posted in a conspicuous place at the demolition site.

(Omitted text is unaffected by this ordinance.)

(e) Performance standards for ~~facility demolitions or renovations requiring~~ asbestos abatement.

(Omitted text is unaffected by this ordinance.)

(3) Notification Required: Any person performing asbestos abatement at any facility within the city shall provide the department with notice of the abatement by submitting the following forms at least 10 working days prior to the commencement of the abatement and such notice shall be accompanied by the environmental review fee required by this section: (i) a fully completed copy of the asbestos abatement notification form prescribed

by the commissioner, and (ii) in the case of a demolition of a facility with ACM, a fully completed and signed certified notice of intent to demolish form, in accordance with subsection (a) ~~of this section~~. In the event the asbestos abatement does not begin on the date in the notice, the person shall comply with subsection (f) for rescheduling of the date. If the abatement is performed as part of an emergency renovation operation, as defined in 40 CFR § 61.141, the notification must be submitted as soon as possible, but no later than the following work day.

(f) Rescheduling of demolition or asbestos abatement starting dates.

(1) Later Start Dates: In the event that any owner or operator intends to begin a demolition at a date later than the start date contained in any notification required to be filed under this section, then that person must: (i) no less than one business day in advance of the original start date notify the department that the demolition or asbestos abatement will not begin on the original start date ~~by telephone or fax as soon as possible before the original start date~~; and (ii) provide written notification to the department of the new start date at least ten working days prior to the new start date.

(2) Earlier Start Dates: In the event that any owner or operator intends to begin a demolition or asbestos abatement at a date earlier than the start date contained in any notification required to be filed under this section, then that person must provide written notification to the department of the new start date at least ten working days before the demolition or asbestos abatement work begins.

(3) Unscheduled Work Prohibited: In no event shall a demolition or asbestos abatement ~~operation work~~ begin on a date or time other than the date and time contained in the ~~written~~ notice of the new start date unless authorized pursuant to the emergency provisions set forth in Subsection (a) or (c)(3) ~~of this section~~.

(Omitted text is unaffected by this ordinance.)

SECTION 2. This ordinance shall take effect upon its passage and approval.

AMENDMENT OF TITLE 17 OF MUNICIPAL CODE BY RECLASSIFICATION OF AREAS SHOWN ON MAP NOS. 1-E AND 11-I.

The Committee on Zoning, Landmarks and Building Standards submitted the following report:

CHICAGO, December 9, 2015.

*To the President and Members of the City Council:*

Presenting a report for your Committee on Zoning, Landmarks and Building Standards which held a meeting on December 7, 2015, the following items were passed by a majority of the members present:

Page 1 contains one mayoral ordinance regarding the demolition of buildings and asbestos abatement.

Pages 1 through 8 contain various map amendments regarding land use.

Page 8 also contains business identification signs over 100 feet in diameter and 24 feet above grade, one off-premises sign and one landmark fee waiver.

I hereby move for passage of the proposed substitute ordinances transmitted herewith.

Respectfully submitted,

(Signed) DANIEL S. SOLIS,  
*Chairman.*

On motion of Alderman Soils, the said proposed substitute ordinances transmitted with the foregoing committee report were *Passed* by yeas and nays as follows:

*Yeas* -- Aldermen Moreno, Hopkins, Dowell, Burns, Hairston, Sawyer, Mitchell, Harris, Beale, Sadlowski Garza, Thompson, Cárdenas, Quinn, Lopez, Foulkes, D. *Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. Title 17 of the Municipal Code of Chicago, the Chicago Zoning Ordinance, is hereby amended by changing all the Residential-Business Planned Development Number 70, as amended, symbols and indications as shown on Map Number 1-E in an area bounded by:

the south right-of-way line of East Wacker Drive or the line thereof extended where no street exists; a line 3,095 feet east of the west line of North Michigan Avenue; a line 140 feet south of the north line of East Randolph Street, or the line thereof if extended where no street exists; a line 2,022 feet east of the west line of North Michigan Avenue; the north line of East Randolph Street; the east line of North Stetson Avenue; the north line of East Lake Street; North Michigan Avenue; the north line of East South Water Street; a line 55.53 feet west of the east line of North Beaubien Court, or the line thereof if extended where no street exists; the south line of the alley next north of and parallel to East South Water Street; the east line of the alley next east of and parallel to North Michigan Avenue; a line 138.74 feet north of the north line of the alley next north of and parallel to East South Water Street, or the line thereof if extended where no alley exists; a line 55.53 feet west of the east line of North Beaubien Court, or the line thereof if extended where no street exists; a line 428.773 feet north of the north line of East South Water Street; a line 19.69 feet west of the east line of North Beaubien Court, or the line thereof if extended where no street exists; a line 468.819 feet north of East South Water Street; and a line 68.43 feet east of the east line of North Beaubien Court, or the line thereof if extended where no street exists,

to the designation of Residential-Business Planned Development Number 70, as amended, which is hereby established in the area above described, subject to such use and bulk regulations as are set forth in the Plan of Development herewith attached and made a part thereof and to no others.

SECTION 2. This ordinance shall be in force and effect from after its passage.

Plan of Development Statements referred to in this ordinance read as follows:

*Residential-Business Planned Development No. 70, As Amended 2015.*

*Planned Development Statements.*

1. The area delineated herein as Residential-Business Planned Development Number 70, as amended (“the Planned Development”) consists of approximately one million eight hundred fifty-eight thousand nine hundred twenty-two (1,858,922) square feet (forty-two and sixty-seven hundredths (42.67) acres) of property (the “Property”) which is divided into seven (7) subareas as depicted in the attached subarea map. Subareas A, B, C, D, F and G have been substantially developed in a manner consistent with this Planned Development. Subarea E is controlled by the applicant, Lakeshore East LLC.
2. All necessary official reviews, approvals or permits are required to be obtained by the applicant as to Subarea E and by the respective owners of the property to Subareas A, B, C, D, F and G.
3. The requirements, obligations and conditions contained within the Planned Development shall be binding upon the applicant, its successors and assigns and, if different than the applicant, the legal titleholder and any ground lessors with respect to Subarea E and to the respective owners, their successors and assigns with respect to Subareas A, B, C, D, F and G. All rights granted hereunder to the applicant shall inure to the benefit of the applicant’s successors and assigns and if different than the applicant, then to the owners of record title to all of the Property and any ground lessors with respect to Subarea E and to the respective owners, their successors and assigns with respect to Subareas A, B, C, D, F and G. With respect to Subarea E, the applicant is hereby designated as the controlling entity for purposes of this Planned Development.
4. This plan of development consists of these seventeen (17) statements; a Bulk Regulations and Data Table; an Existing Zoning Map; a Planned Development Boundary Map; a Subarea Map; a Net Developable Area Map for Subarea E; a Generalized Land-Use Plan for Subarea E; a Pedestrian Walkway System -- Pedway Level Plan; a Subarea E Parcelization Plans (Upper Level, Intermediate Level and Lower Level); Subarea E Right-of-Way Adjustment Maps and a Subarea E Public Park Zone Map; Boundary Plans; Site Plans for Parcel D1; Green Roof Plan for Parcel D1; Elevations for Parcel D1 dated November 19, 2015 prepared by bKL Architecture. The Planned Development is applicable to the area delineated hereto and these and no other zoning controls shall apply to the Property, provided, however, that the development of the Property shall also be subject to an ordinance adopted by the City Council and known as the 2000 Amendatory Lakefront Ordinance and also subject to the Lakeshore East Master Plan and Design Standards dated November 19, 2015 prepared by bKL Architecture.

5. (A) Within Subareas A, B, C, D, F and G at the elevations above Chicago City Datum indicated, provided that these elevations may be varied by plus or minus five (+/- 5) feet or as otherwise necessary to meet existing conditions, and subject to the condition in statement 12 and in the Bulk Regulations and Data Table, the following uses are permitted:

Lower Level:

(+8.0 feet):

Illinois Central Gulf tracks and facilities; warehousing and storage; trucking; public esplanade park along the Chicago River; and accessory uses including automobile parking and hotel uses. (Major service access level)

Interim Level:

Accessory uses including automobile parking and hotel uses.

Intermediate Level:

(+26.0 feet):

Accessory uses including automobile parking and hotel uses (Vehicular Access Level).

Interim Level:

Accessory uses including retail sales, service used automobile parking and hotel uses.

Arcade Level:

Pedestrian walkways; public park; and accessory uses including retail sales, service uses, automobile parking and hotel uses.

Upper Level:

(+53.0 feet) and above:

Apartment, office, mixed use (apartment-office) and hotel buildings; accessory uses including retail sales and service uses; related uses; and pedestrian walkways (Vehicular Right-of-Way and Access Level).

(B) Within Subarea E, the following uses are permitted: public parks; public school; commercial uses, retail uses, hotel uses, residential uses, business uses, office uses, religious and institutional uses, warehousing and storage and accessory uses.

In addition, the following uses shall be permitted in all subareas and at all levels subject to the review and approval of the Department of Planning and Development:

- (i) broadcast and telecommunication structures, equipment and installations including parabolic transmitting and receiving antennae; and
  - (ii) townhouses and any land-use accessory to a principal use at any level and not specifically authorized in statements 5(A) and (B); and
  - (iii) public utility and public service uses necessary to serve the development including, but not limited to district electrical generation and utility substations under this Planned Development; and
  - (iv) district cooling and heating.
6. Business identification signs affixed to the face of or recessed into a building or structure shall be permitted within the Planned Development, subject to the review and approval of the Department of Planning and Development. Temporary construction and marketing signs shall be permitted subject to the review and approval of the Department of Planning and Development. No advertising signs shall be permitted within the Planned Development.
7. Any dedication or vacation of streets, alleys or easements or any adjustment of rights-of-way shall require a separate submittal on behalf of the applicant if within Subarea E, and the respective owners of the property within Subareas A, B, C, D, F and G if within those subareas, and approval by the City Council.
8. Off-street parking and loading facilities shall be provided in compliance with this Planned Development subject to the review of the Department of Transportation and the approval of the Department of Planning and Development. A minimum of two percent (2%) of all parking spaces provided within the Planned Development, in parking structures or areas developed after the effective date hereof, shall be designated and designed for parking for the handicapped.
9. Any service drive or other ingress or egress shall be adequately designed and paved, in accordance with the regulations of the Department of Transportation in effect at the time of construction and in compliance with the Municipal Code of the City of Chicago, to provide ingress and egress for motor vehicles, including emergency vehicles. There shall be no parking within such paved areas except where provided in public street areas as permitted by the Department of Transportation. Ingress and egress shall be subject to the review and approval of the Bureau of Traffic Engineering and Operations and of the Commissioner of Planning and Development.

10. In addition to the maximum height of the buildings and any appurtenances thereto prescribed in this Planned Development, the height of any improvement shall also be subject to height limitations approved by the Federal Aviation Administration.
11. This Planned Development shall be subject to the "Rules, Regulations and Procedures in relation to Planned Development Amendments" as promulgated by the Commissioner of the Department of Planning and Development and in effect on the date hereof.
12. Subareas A, B, C, D, F and G already have been substantially developed. The further development or redevelopment of properties within Subareas A, B, C, D, F and G shall be subject only to the regulations in Subsections A through G below. The development of Subarea E shall be completed in accordance with all of the regulations contained herein and in accordance with the Guidelines of the Lakeshore East Master Plan and Design Standards dated November 19, 2015.

(A) Net Developable Area. For purposes of Floor Area Ratio calculations, the definitions in the Chicago Zoning Ordinance shall apply, provided, however, that "Net Developable Area" refers to the net site area at the Upper Level. The Upper Level is typically at approximately + 53.0 feet above Chicago City Datum but may be lower or higher depending on factors such as road levels and the location of building entrances and exits as determined by the applicant. Floor Area below the Upper Level shall not be included in calculating the total number of square feet of development unless the principal entrance to the building is located below the Upper Level and, in that event, the level of the principal entrance to the building shall be considered "curb level" for purposes of the Chicago Zoning Ordinance.

(B) Bulk And Density Regulations:

1) Warehousing and storage uses permitted as principal uses in Statement Number 5 shall be limited to four hundred thousand (400,000) square feet and shall be established in accordance with the DX-16 Downtown Mixed-Use District regulations existing on the effective date of this Planned Development, As Amended 2015.

2) With regard to areas devoted as a principal use to office, hotel and residential uses and retail sales and service uses, the following maximums shall apply:

Office, maximum floor area = 12,000,000 square feet

Hotel, maximum number of rooms/keys = 5,550

Residential maximum number of dwelling units = 9,050 units

Retail sales and service, maximum floor area = 1,325,000 square feet

Provided, however, that in calculating these maximums, ballrooms, meeting rooms, exhibition space and eating facilities associated with a hotel use and located at or above the established Upper Level shall be chargeable against the maximum permitted floor area, for principal retail sales and service uses.

- 3) The applicant may increase the maximum number of dwelling units allowed by up to three thousand one hundred eighty-three (3,183) dwelling units by converting a portion of the maximum allowed office space and/or a portion of the maximum allowed hotel rooms/keys. The applicant may increase the maximum amount of office space by up to two million (2,000,000) square feet by converting a portion of the maximum dwelling units and/or a portion of the maximum number of hotel rooms/keys. The applicant may increase the maximum number of hotel rooms/keys by up one thousand (1,000) rooms/keys by converting a portion of the maximum allowed office space and/or a portion of the maximum allowed dwelling units. For purposes of this conversion one thousand (1,000) square feet of office space shall be equal to one (1) dwelling unit, two (2) hotel rooms/keys shall be equal to one (1) dwelling unit, and one thousand (1,000) square feet of the office space shall be equal to two (2) hotel rooms/keys.
- 4) Except for Subarea E, the number of efficiency units within this Planned Development shall not exceed thirty percent (30%) of the number of permitted dwelling units. The number of efficiency units in Subarea E shall not exceed fifteen percent (15%).
- 5) To the extent this Planned Development does not cover all items required for development, the Chicago Zoning Ordinance shall apply as follows: warehousing and storage shall be in general conformity with the DX-16 Downtown Mixed-Use District regulations; permitted office, hotel and retail used shall be in general conformity with the DX-16 Downtown Mixed-Use District regulations; and residential uses shall be in general conformity with the DR-10 Downtown Residential District regulations.

(C) Maximum Permitted Site Coverage.

- 1) East of North Stetson Avenue: (except for Subarea E) fifty percent (50%) between Upper Level and plus thirty (+30) feet above the Upper Level (sixty percent (60%) on a single parcel provided that a single parcel may contain multiple buildings); and forty percent (40%) above plus thirty (+30) feet above the Upper Level.
- 2) West of North Stetson Avenue: eighty percent (80%) between the Upper Level and plus seventy-five (+75) feet above the Upper Level; and sixty percent (60%) above plus seventy-five (+75) feet above the Upper Level.

- 3) Subarea E: Site coverage is controlled by the Parcel Design Criteria as described in the Master Plan and Design Standards dated November 19, 2015.

(D) Periphery Setbacks And Minimum Distance Between Buildings.

- 1) For Subareas A, B, C, D, F and G:

Minimum Distance Between Building Faces at Upper Level: eighty and zero-tenths (80.0) feet.

Minimum Distance Between Building Corners or Building Face-to-Corner at Upper Level: sixty and zero-tenths (60.0) feet.

Periphery setback and distance provisions may be adjusted where required to allow flexibility of architectural or site design arrangement, subject to the approval of the Department of Planning and Development.

- 2) For Subarea E: Setbacks are controlled by the Master Plan and Design Standards dated November 19, 2015.

(E) Parking.

- 1) Minimum Requirements for other uses:

Office building: one (1) space per three thousand five hundred (3,500) square feet.

Hotel: one (1) space per three (3) rooms/keys.

Residential building: spaces equal to fifty-five percent (55%) of the dwelling units including efficiency units, provided that with respect to townhome units a minimum of one (1) parking space per dwelling unit shall be required. Subarea E shall require spaces equal to forty percent (40%) of the dwelling units including efficiency units.

- 2) Location.

All parking spaces required to serve buildings or uses shall be located on the same parcel as the building or use served, or (i) if a residential use, within five hundred (500) feet walking distance measured from the property line; or (ii) if a non-residential use, within one thousand (1,000) feet walking distance measured from the property line.

- 3) Vehicular entrances and exits to accessory automobile parking areas shall be located in conformance with the Automobile Entrance Zone Maps attached hereto. Provided, however, that temporary driveways shall be permitted within the restricted areas depicted on the Automobile Entrance Zone Maps when necessitated by division of parcels and subject to the review and approval of the Department of Transportation.
- 4) The location, geometrics and operation of all interior or local ramps adjoining any structure at the Upper Level shall be subject to the review of the Department of Transportation and the approval of the Department of Planning and Development.

(F) Loading.

Minimum off-street loading shall be provided in accordance with the regulations applicable in the DR-10 Downtown Residential District and DX-12 Downtown Mixed-Use District of the Chicago Zoning Ordinance existing on the effective date hereof. The location of loading berths shall be subject to the review of the Department of Transportation and the approval of the Department of Planning and Development.

(G) Construction Of Public Improvements.

No certificate of occupancy shall be issued for any improvement located within a parcel in the development until such time as the applicant for the certificate produces evidence that construction of public improvements related to the improvement located within a parcel in said development has been completed, is under construction or is under contract for construction, or that adequate access can be provided, all as certified by the Department of Transportation and approved by the Department of Planning and Development. The vertical connections (handicap accessible) adjacent to the Neighborhood Park shall be installed prior to the issuance of a Certificate of Occupancy for the building containing said vertical connection. In addition, the applicant shall use its best efforts to provide landscaping in the parkway area of North Columbus Drive along the frontage of said street adjacent to Subarea E subject to the review and approval of the Department of Planning and Development and the Department of Transportation.

(H) Public Park.

Applicant has provided the Neighborhood Park depicted on the Public Park Zone map and has dedicated the fee simple title of the Neighborhood Park to the Chicago Park District. The City of Chicago acknowledges that this satisfies all

open space impact fee requirements of the applicant in the development of Subarea E.

(I) Public Elementary School.

Provided the applicant is instructed to proceed by the City of Chicago, the Chicago Board of Education and the Chicago Park District, the applicant shall be responsible for the construction of a forty-five thousand (45,000) square foot portion of a fifty-three thousand (53,000) square foot structure to contain a public elementary school with space to be shared with the Chicago Park District to be substantially completed on or before June 30, 2020.

(J) Pedestrian Walkways.

The pedestrian walkways depicted on the Pedway Level Pedestrian Walkway System Map shall consist of an enclosed all-weather walkway (as depicted on the Pedway Level Pedestrian Walkway System Map), designed to accommodate pedestrian movement at the Arcade Level and/or other levels as depicted in the Pedway Level Pedestrian Walkway System Map attached hereto. It shall be the responsibility of the applicant to provide continuous pedestrian walkways at the Arcade Level and/or other levels within Subarea E pursuant to the Master Plan and Design Standards subject to the review of the Department of Transportation and the approval of the Department of Planning and Development.

(K) In addition to other requirements contained within these Statements, the Applicant shall cause the following design principles to be implemented:

- 1) Improve the connection from East South Water Street to Wacker Drive, including pedestrian safety measures and traffic calming measures at the intersection of Field Boulevard and Sub Wacker Drive;
- 2) Create a roadway connection from Waterside Drive (upper level) to Wacker Drive, including traffic calming and pedestrian safety measures;
- 3) Create a pedestrian connection at the upper level from Parcel A2 (Tides) to Parcel B2 (Shoreham), which shall include a terrace overlook with specialty paving, landscaping and accent lighting;
- 4) Create a pedestrian connection at the upper level from the east end of Wacker Drive to Parcel B1 (Regatta), which shall include specialty paving, landscaping and accent lighting;

- 5) Create a pedestrian terrace overlook at the new Wacker Drive extension (upper level), which shall include specialty paving, pedestrian seating, accent lighting and significant landscape planters;
- 6) Create a pedestrian connection at the Pedway level from the east property line of the parcel occupying the western portion of Parcel D1 (GEMS) to the property occupying the eastern portion of Parcel D1;
- 7) Create a Vertical Connection from the Upper Level to the Lower Level, with access to the Pedway level as well;
- 8) The character of the through-building public pedestrian connections to Wacker Drive, at both the upper and lower levels, shall be pedestrian friendly, including adequate lighting for safety, decorative paving and a clear marked pedestrian zone.

All the above items shall be subject to further coordination and input with/from the Chicago Department of Transportation and the Department of Planning and Development.

13. Prior to the issuance by the Department of Planning and Development of a determination pursuant to Section 17-13-0610 of the Chicago Zoning Ordinance ("Part II Approval") for development or redevelopment of any development parcels within the Planned Development, other than alterations to existing buildings which do not increase their height or alter their footprints, a Site Plan for the proposed development, including parking areas, shall be submitted to the Commissioner of the Department of Planning and Development for approval. Review and approval of the Site Plan by the Commissioner is intended to assure that specific development proposals conform with the general design standards in Statement 12, is consistent with the intent of the Lakeshore East Master Plan and Design Standards dated November 19, 2015 and to ensure coordination of public improvements described in statements 12(G), 12(H), 12(I), 12(J) and 12(K). No Part II Approval for work for which a Site Plan must be submitted to the Commissioner shall be granted until the Site Plan has been approved by the Commissioner. Further, all Part II Submittals shall be in compliance with the Chicago Landscape Ordinance. Following approval of a Site Plan by the Commissioner, the approved plan shall be kept on permanent file with the Department of Planning and Development and shall be deemed to be an integral part of this Planned Development. The approved Site Plan may be changed by the provisions of Section 17-13-0611 of the Chicago Zoning Ordinance. A Site Plan shall, at a minimum, provide the following information with respect to the proposed improvements:

- (1) the boundaries of the Property;

- (2) the footprint of the improvements;
- (3) location and dimensions of all loading berths;
- (4) preliminary landscaping plan prepared by a landscape architect with final landscaping plan to be approved at Part II stage;
- (5) all pedestrian circulation routes;
- (6) the location of any adjacent public improvements;
- (7) a signage plan for any building where retail or theater uses would be present above the ground level;
- (8) preliminary building sections and elevations of the improvements with a preliminary building materials list; and
- (9) statistical information applicable to the Property limited to the following:
  - (a) floor area and floor area ratio;
  - (b) uses to be established;
  - (c) building heights; and
  - (d) all setbacks, required and provided.

A Site Plan shall include such other information as may be necessary to illustrate conformance with the applicable provisions of this Planned Development.

14. The terms, conditions and exhibits of this Planned Development ordinance may be modified administratively by the Commissioner of the Department of Planning and Development upon the application for such a modification by the Applicant and after a determination by the Commissioner of the Department of Planning and Development that such a modification is minor, appropriate and consistent with the nature of the improvements contemplated in this Planned Development and the purposes underlying the provisions hereof. Any such modification of the requirements of this statement by the Commissioner of the Department of Planning shall be deemed to be a minor change in the Planned Development as contemplated by Section 17-13-0611 of the Chicago Zoning Ordinance.
15. The applicant acknowledges that it is in the public interest to design, construct and maintain all buildings in a manner which provides healthier indoor environments,

reduces operating costs and conserves energy and natural resources. At the time of a hearing before the Chicago Plan Commission all developments must be in substantial compliance with the current City of Chicago Sustainable Development Policy set forth by the Department of Planning and Development. The applicant shall use best and reasonable efforts to design, construct and maintain all buildings located within Subarea E of this Planned Development in an energy efficient manner, generally consistent with LEED Certification or its equivalent. Applicant shall provide a green roof to cover at least 25 percent of the net roof area of a building. "Net roof area" is defined as a total roof area minus any required perimeter setbacks, rooftop structures, and roof-mounted equipment.

16. The applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables, and maximizes universal access throughout the property. Plans for all buildings and improvements on the property shall be reviewed and approved by the Mayor's Office for People with Disabilities ("MOPD") to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility. No approvals shall be granted pursuant to Section 17-13-0610 of the Chicago Zoning Ordinance until the Director of MOPD has approved detailed construction drawings for each building or improvement.
17. All minimum construction within Subarea E set forth in Statement Number 17 of the 2002 version of Residential-Business Planned Development Number 70 has been completed.

## 1.0 Introduction

**LAKESHORE EAST  
MASTER PLAN AND DESIGN STANDARDS**

**Introduction**

Lakeshore East is a new mixed-use community that will be developed on Illinois Center railroad land between Lake Shore Drive on the east, Michigan Avenue on the west, Randolph Street on the south and Wacker Drive on the north. Lakeshore East, located within Illinois Center east of Columbus Drive, will include residential, hotel, office, mixed-use development and a new public park.

Development on the approximately 52 acres of land within these Illinois Center boundaries has been regulated by a number of Planned Developments approved by the City of Chicago since 1969. Illinois Center is the subject of the existing Planned Development No. 70. This Planned Development was originally approved in 1969. It was subsequently amended in 1979, and then again in 1993.

Most of the Illinois Center property west of Columbus Drive has now been developed. East of Columbus Drive, there are also a number of existing buildings, including: an office building at Three Illinois Center, the Blue Cross-Blue Shield building, the Swiss Grand Hotel and Five high rise residential buildings. In addition, west of Columbus Drive, the residential Park Millennium is currently under construction.

Lakeshore East will be created on approximately 28 acres of land that remain between Columbus Drive and Lake Shore Drive. The development of Lakeshore east will be guided by a new amendment

to Planned Development No. 70. This area is identified as Sub-Area E within Planned Development No. 70, and is currently occupied by a golf course facility and other open space located on the property east of Columbus Drive. Lakeshore East will be located within this area.

The 1993 Amendment to Planned Development No. 70 permitted approximately 14.5 million square feet to be constructed on a net developable area of 1.1 million square feet (28 acres) within Sub-Area E.

Under the new amendment to Planned Development No. 70 The Lakeshore East development will construct 9.7 million square feet of buildable area, which is approximately 2/3 of what was previously allowed. The net developable area has been reduced to under 700,000 square feet (14 acres) as a result of a significant increase in the land dedicated to the public for parks, open spaces and road rights of way.

Lakeshore East will create a new urban neighborhood including residential condominiums, apartments and townhomes, hotel, office, commercial, retail and mixed-use development and public open space including a new public park. A combined public school / park district facility is also anticipated to be included within the development.

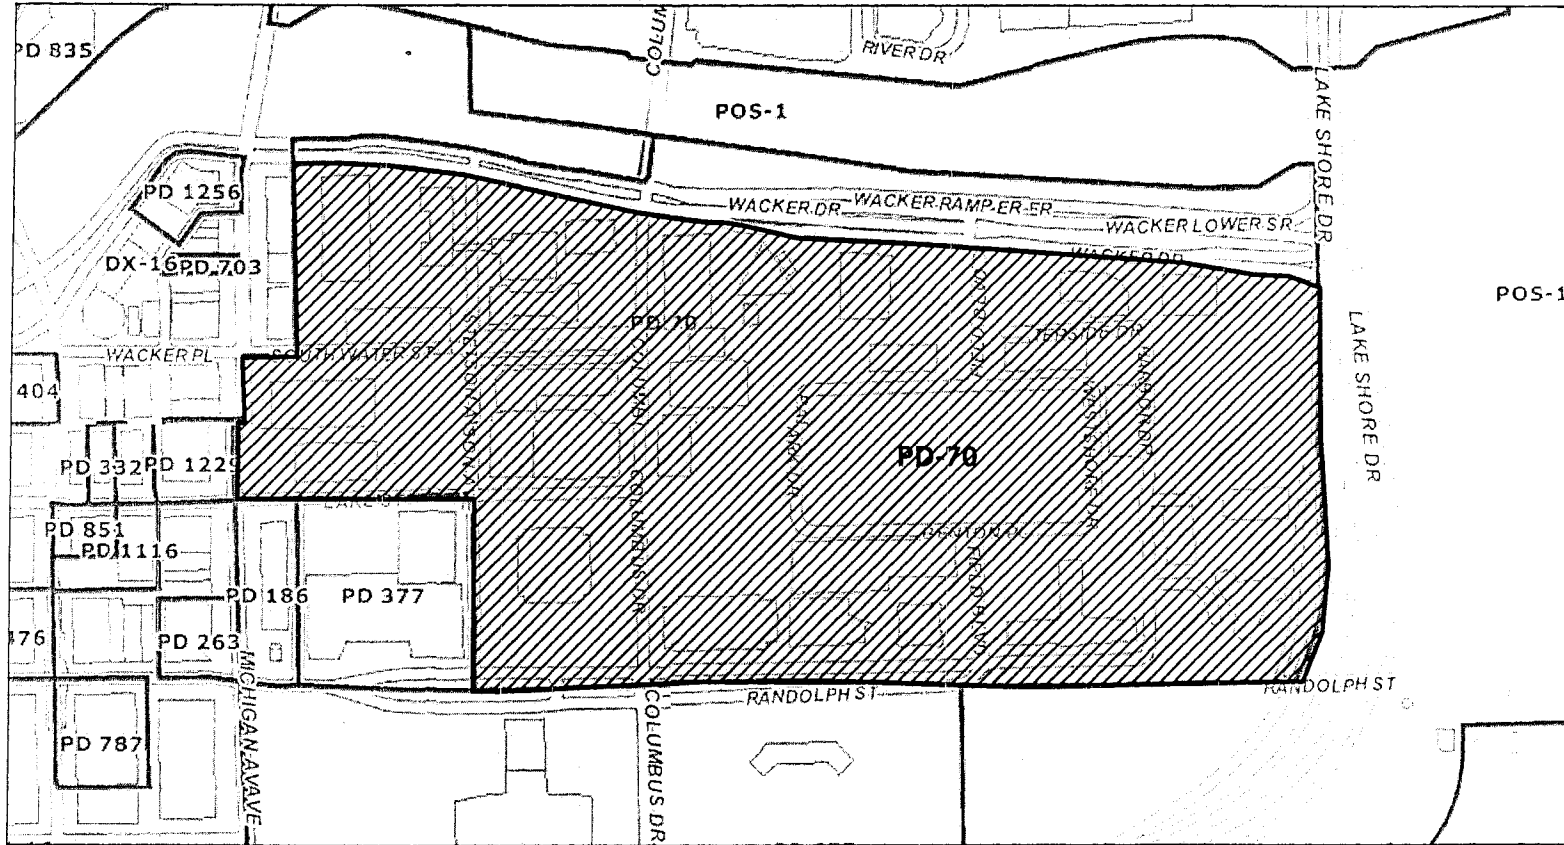

This Lakeshore East Master Plan and Design Guidelines Standards both illustrates and will guide the organization, scale, form and character of new buildings, streets and open spaces over time.

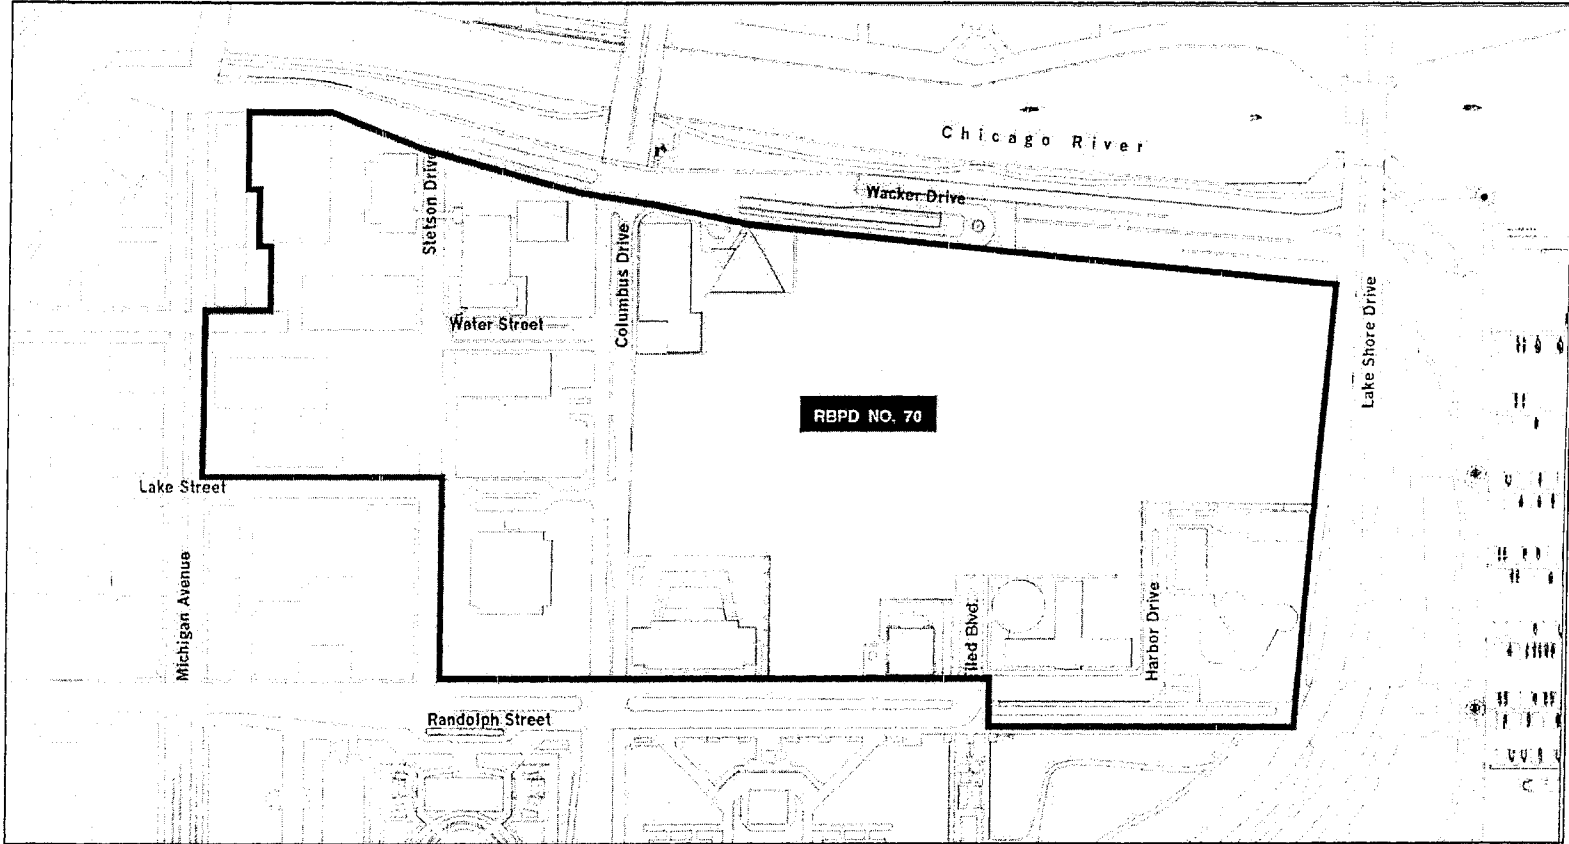

This document is intended to ensure that the future development of Lakeshore East is consistent with the vision and principles laid out in the *Lakeshore East Master Plan*.

The document is organized into five sections:

- **Urban Design Principles**  
Basic design principles that will guide future development
- **Development Summary**  
The framework for development
- **Access and Circulation**  
Connections for cars and people
- **Open Space**  
Parks and courtyards to create a green neighborhood
- **Design Standards**  
Guidelines that will shape the character of buildings, and the public realm

## 2.0 Urban Design Principles

- General Intent / Site Context and Location
- Urban Framework
- Building Height and Massing
- Access and Circulation
- Open Space
- View Corridors

**Site Context and Location**

The Lakeshore East site is one of the largest remaining development parcels in the center of Chicago. Located at the mouth of the Chicago River at Lake Michigan, the site offers tremendous opportunities for new development and open space. The remarkable assets of this site include:

- Proximity to the Loop, the East Loop, the Magnificent Mile, Navy Pier, DuSable Harbor, Grant Park, the Lakefront and the Chicago River
- Spectacular views of the city and the waterfront
- Diverse uses on surrounding blocks, including offices, hotels, residential
- Proximity to transit including the METRA, CTA, Rail and the new busway to McCormick Place
- Proximity to Grant Park Parking Garages

To respond to the unique context of the site, a set of urban design principles have been developed that address the following issues:

- *The Urban Framework*
- *Building height and massing*
- *Access and Circulation*
- *Open Space*
- *View Corridors*

**General Intent / Site Context and Location**

The Master Plan sets forth the basic principles and controls needed to guide the development of the +/-28 acres Lakeshore East development. The Master Plan Standards will guide the development of Lakeshore East as it becomes a vibrant urban district supporting 9.7 million square feet of new residential, hotel, office and mixed use development.

It is also the intent of the Master Plan to enhance the urban fabric and character of Chicago's central area, while also achieving the goals of the City of Chicago and the developer criteria set forth for the Lakeshore East area by a 1993 Planned Development amendment.

The Master plan offers a development framework intended to ensure that as Lakeshore East evolves, it will provide a high quality of life for its residents and neighbors alike. The pattern of development blocks, streets and open spaces will connect Lakeshore East and adjacent developments and amenities. This framework will also strengthen the areas adjacent to the site, offering access to Lakeshore East's amenities and connections through this new district to other neighborhoods, the Chicago River and the lakefront.

**Urban Framework**

- Establish urban blocks which are similar in size to typical downtown Chicago blocks
- Create urban streets in character with those of a residential neighborhood
- Create addressing opportunities for multiple buildings per block

Subarea E  
*A single, contiguous development site.*

Proposed development plan  
*Establish urban-scaled blocks and extend the local street system into the development to avoid the potential perception of a 'super-block'*

**Building Height and Massing**

- Place tall buildings with a sensitivity towards existing residential towers
- Frame the park with low-rise development and townhouses which can screen all existing and future parking podiums from view
- Place the tallest buildings along Coumbus Drive and at key prominent locations
- Strengthen the character of the urban street wall, or facades, on Wacker Drive along the Chicago River
- "Stagger" high-rise buildings to maximize views throughout the future development

Low-rise townhouses can screen parking podiums from the street

Building massing and height should be sensitive to existing towers, street walls and view corridors

**Access & Circulation**

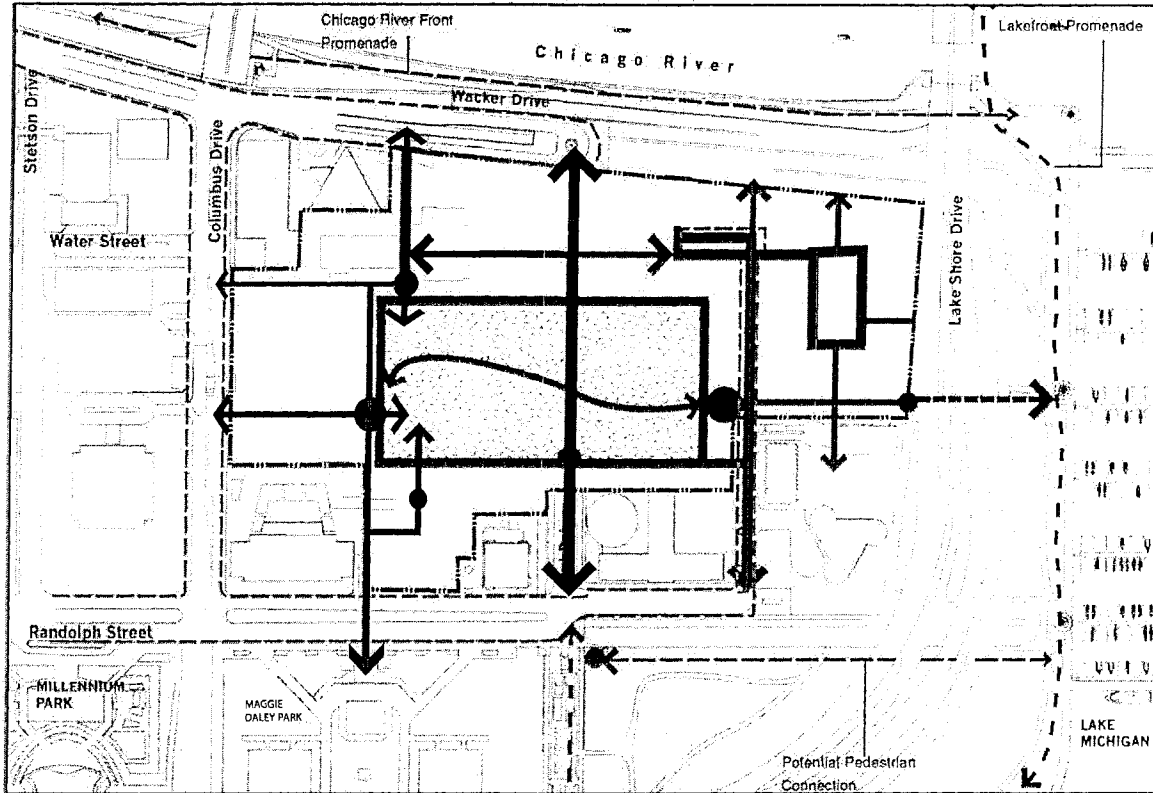

- Maximize connection to surrounding development
- Create a permeable neighborhood
- Weave the different levels together
- Strengthen pedestrian connections to the river and lakefront
- Provide convenient parking, drop-off, and service access without negatively impacting the existing streets

**Diagram Legend:**

The Diagram to the right represents a hierarchy of connectivity. The large arrows represent the major or primary access corridors of the site. They represent both pedestrian or vehicular traffic depending on their location. The smaller arrows indicate the secondary corridors of access.

The circles represent the major vertical connections of the site which allows the pedestrian to access the different levels of the development.

The dark dotted arrows indicate existing connections along the Riverfront, Lakefront and to Grant Park at the lower level. The light dotted arrows identify existing pedestrian movement along the major streets at the upper level.

Maximize connectivity to surrounding development and create a permeable neighborhood

NOTE: These plans are diagrammatic in nature and are only intended to show approximate dimensions and locations.

Open Space

- Create a large neighborhood park as the focus of Lakeshore East
- Create smaller courtyards between buildings.
- Connect the open spaces in Lakeshore East to Grant Park, the Chicago Riverwalk and the lakefront park system
- Create well landscaped 'green' streets.

Develop a new public park, smaller courtyards between buildings and create landscaped green streets.

NOTE: These plans are diagrammatic in nature and are only intended to show approximate dimensions and locations.

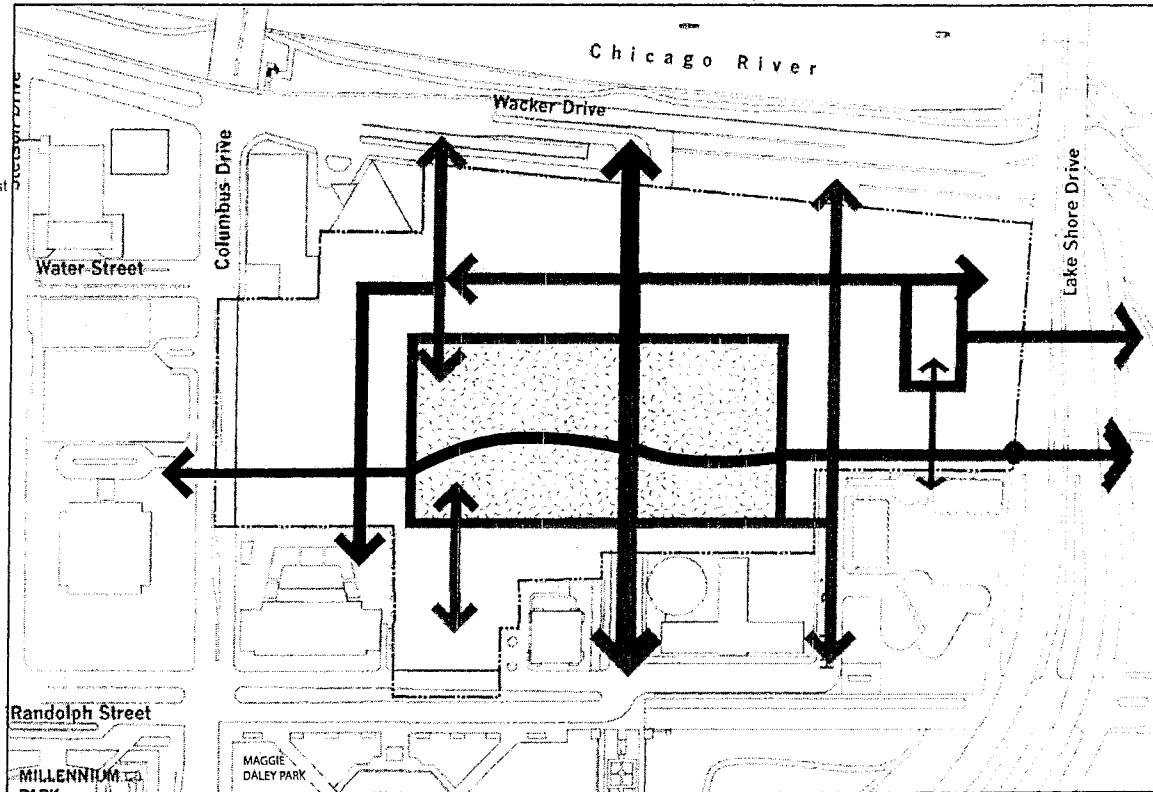

View Corridors

- Ensure a visually permeable neighborhood
- Create east / west and north / south view corridors
- Maximize views from existing residences
- Place tall buildings at the northern edge of Lakeshore East
- Maximize views to the central park
- Create appropriate building separation to allow for views through the development

Diagram Legend:

The large arrows and thicker lines represent the major view corridors of the site.

The smaller arrows represent the secondary view corridors of the site.

Introduction

The master plan for Lakeshore East establishes a framework of 7 development parcels. These development parcels are defined by a network of addressing streets at various levels. Parcel dimensions have been established that will allow for flexibility in accepting a variety of land uses and building types.

The intent of the master plan is to develop a new, vibrant urban district that promotes a collective image for Lakeshore East. This may be achieved through a consensus that is based on the following principles :

Land Use

- New development should be compatible with neighboring uses.
- Locate Office uses at the western portion of the site, adjacent to existing office buildings, office could locate along Wacker Drive limited by the location of the upper level roadway of Wacker Drive
- Locate residential uses adjacent to and within views of the neighborhood park, Chicago River, and / or Lake Michigan
- Provide a future school site within the park

Parcelization

- Ensure the creation of an urban framework of streets and blocks
- Allow for future development flexibility

Development Plan

- Locate taller buildings with a sensitivity towards existing view corridors from neighboring buildings
- Frame the neighborhood park with townhomes or low-rise development with taller buildings beyond.

Parking

- Maximize on-street parking
- Screen all structured parking from view
- Develop below grade parking lined with townhomes which front onto the park

## 4.0 Access and Circulation

Vehicular Access and Rights-of-Way  
Automobile Entrance Zones / Parking Access  
Pedestrian Access  
Right of Way Criteria

**Introduction**

The family of streets identified within this master plan establishes an identity and character for this neighborhood. These street types address the complexities of the site and the different levels, while emphasizing the pedestrian character of the development. The framework of streets and sidewalks has been designed to provide separate vehicular and pedestrian paths, while ensuring an active and energetic street environment. Pedestrian safety and easy access between the different levels must also be ensured throughout the plan. Generous sidewalk widths, ground level activities and distinctive landscape treatments will create a strong pedestrian environment for the neighborhood.

Each of the streets has been designed to serve equally as an open space amenity and a vehicular travel zone. The local streets lead to and link the new public park to each major block. This concept is strengthened by the provision for interior courtyards and other public spaces that directly link to the main pedestrian paths.

The following street types and sections respond to the anticipated levels of vehicular traffic within the neighborhood. They also establish a connected network of intimately-scaled, pedestrian oriented streets. These guidelines address the following principles:

**Streets**

- Create well-scaled, tree-lined streets which strengthen the pedestrian environment
- Extend Harbor Drive north in order to complete the local residential street system
- Ramp Field Drive down from upper Randolph Street and connect it to a new Park Drive ringing the park at the natural grade level
- Provide a new internal street at the upper level to provide multiple access and address points for the western parcels

**Parking Access**

- Provide convenient access from the upper, intermediate, and lower levels
- Locate parking access mainly within interior courts or side streets

**Service Access**

- Locate service access at the lower level
- Utilize utility easements for service access

**Pedestrian Access**

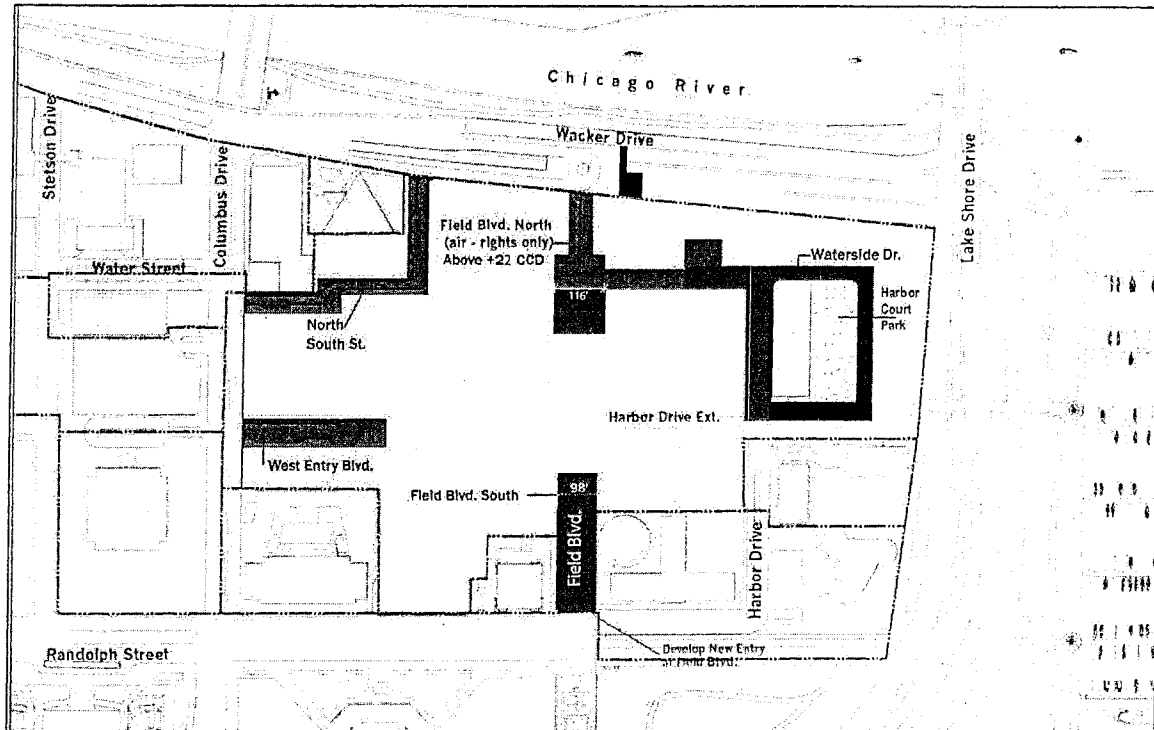

- Provide clear pedestrian links to the Chicago River and Lake Michigan
- Provide convenient access between the upper and lower levels
- Provide handicap access throughout the development
- Extend and connect the Pedway to the park

**Emergency Access Easements**

- *Emergency Access easements will meet all Chicago Fire Department requirements*

R.O.W. Adjustments - Upper Level

- The upper level is intended to serve local neighborhood traffic only
- Access to the Park Drive occurs from a connection to Upper Randolph via a sloped Field Boulevard.

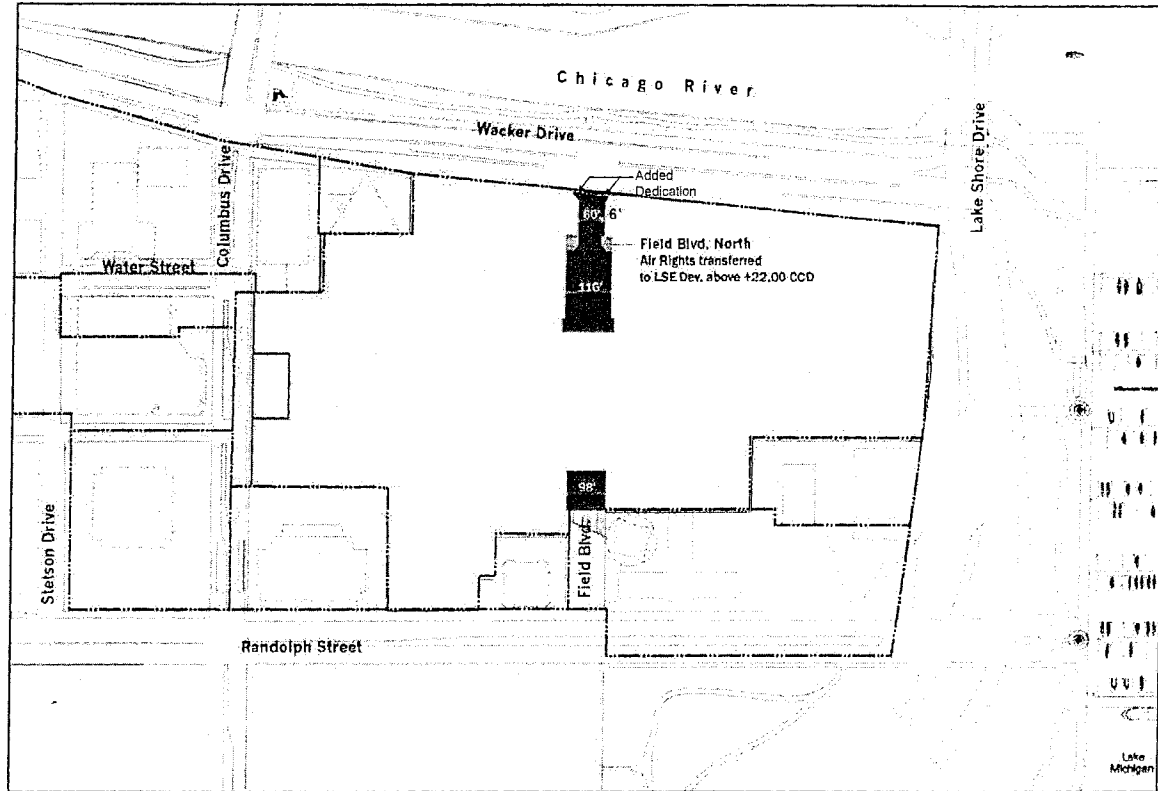

Note: Refer to Street Criteria Drawings for new R.O.W., dimensions & criteria

NOTE:

1. Various Non-Roadway Portions of Upper Level Right of Ways may contain ventilation grates and structures in order to accommodate Lower Level Uses (e.g., parking garages, public, quasi-public and private utilities, etc.)
2. These plans are diagrammatic in nature. The precise location and dimensions of future roadways will be subject to the approval of the city. The vacation and dedications will be accomplished through separate ordinances.

R.O.W. Adjustments - Intermediate Level

- No new roadway connections to Wacker Drive or Randolph St. are proposed at this level, in order to minimize thru-traffic.

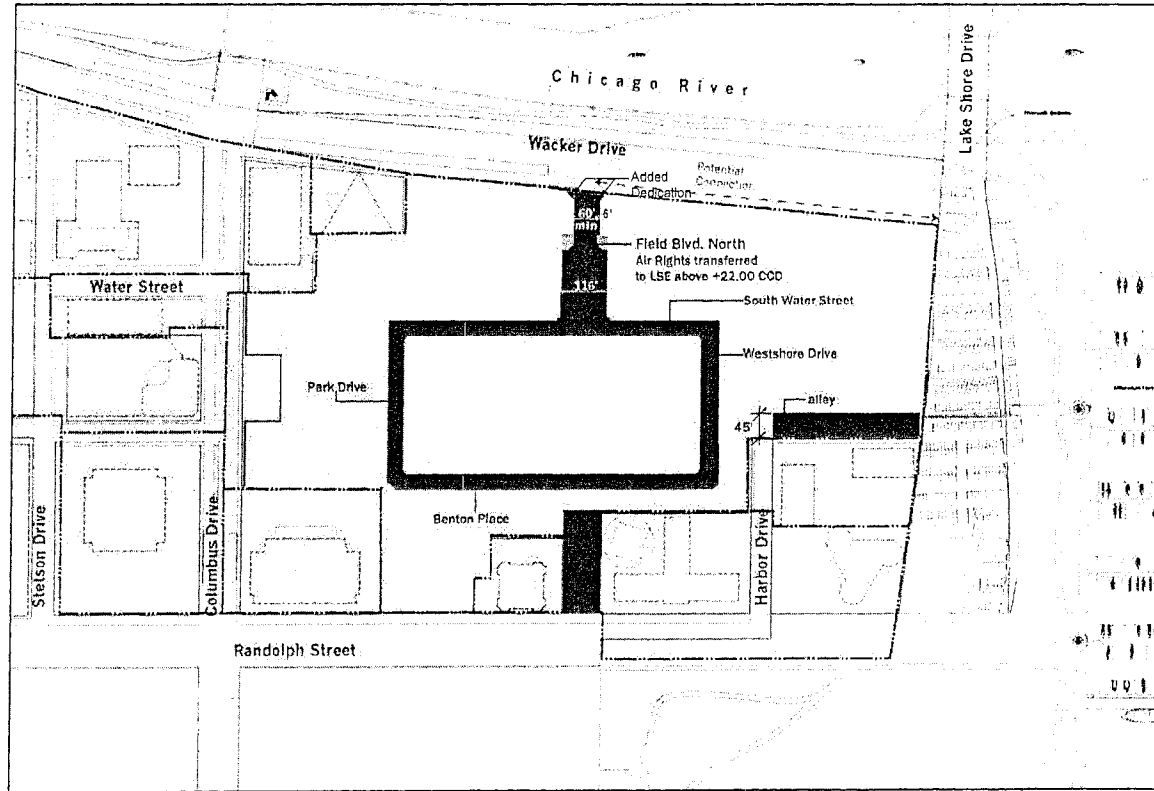

R.O.W. to be Vacated
  New R.O.W. to be Dedicated
  Existing Dedicated R.O.W. to Remain

Note: Refer to Street Criteria Drawings for new R.O.W. dimensions & criteria

NOTE: These plans are diagrammatic in nature. The precise location and dimensions of future roadways will be subject to the approval of the city. The vacation and dedications will be accomplished through separate ordinances.

R.O.W. Adjustments - Lower Level

- The Park Drive will ring the neighborhood park with one way through traffic at the lower level
- A connection to Lower Wacker Drive via Field Drive North will allow a second means of access / egress to the lower level.

Note: Refer to Street Criteria Drawings for new R.O.W. dimensions & criteria

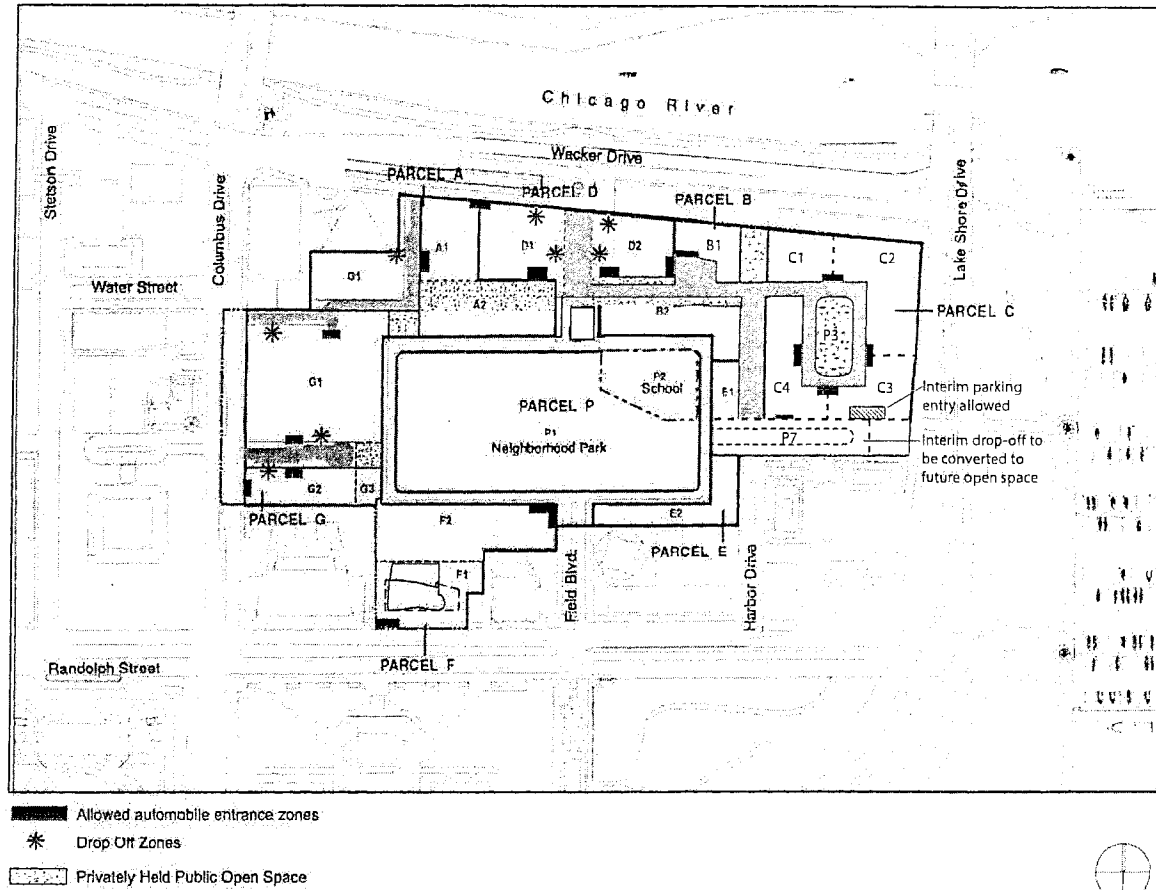

NOTE: These plans are diagrammatic in nature. The precise location and dimensions of future roadways will be subject to the approval of the city. The vacation and dedications will be accomplished through separate ordinances.

**Automobile Drop-Off Zones**

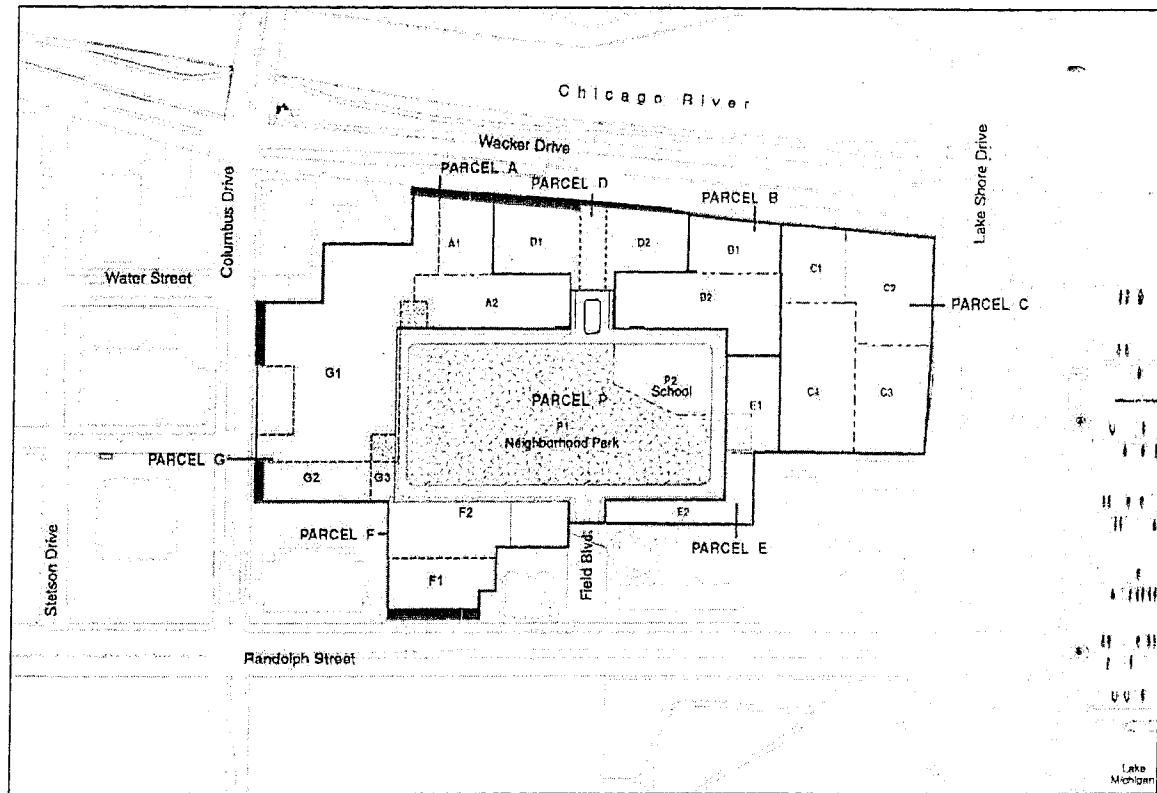

- Automobile Drop-off zones at building entries should be conveniently located, yet discreet.
- Curb-side drop-off zones are preferred. Large vehicular turn-around interrupting pedestrian sidewalks should be avoided.

**Parking Entries**

- Entries to parking garages should be incorporated & integrated into the facade of a building.
- Large uncovered ramps within the sidewalk zone or open spaces should be avoided.
- Where parking access traverses a pedestrian access, the paving material should be consistent w/ the adjacent pedestrian sidewalk paving.

Automobile Entrance Zones - Intermediate Level

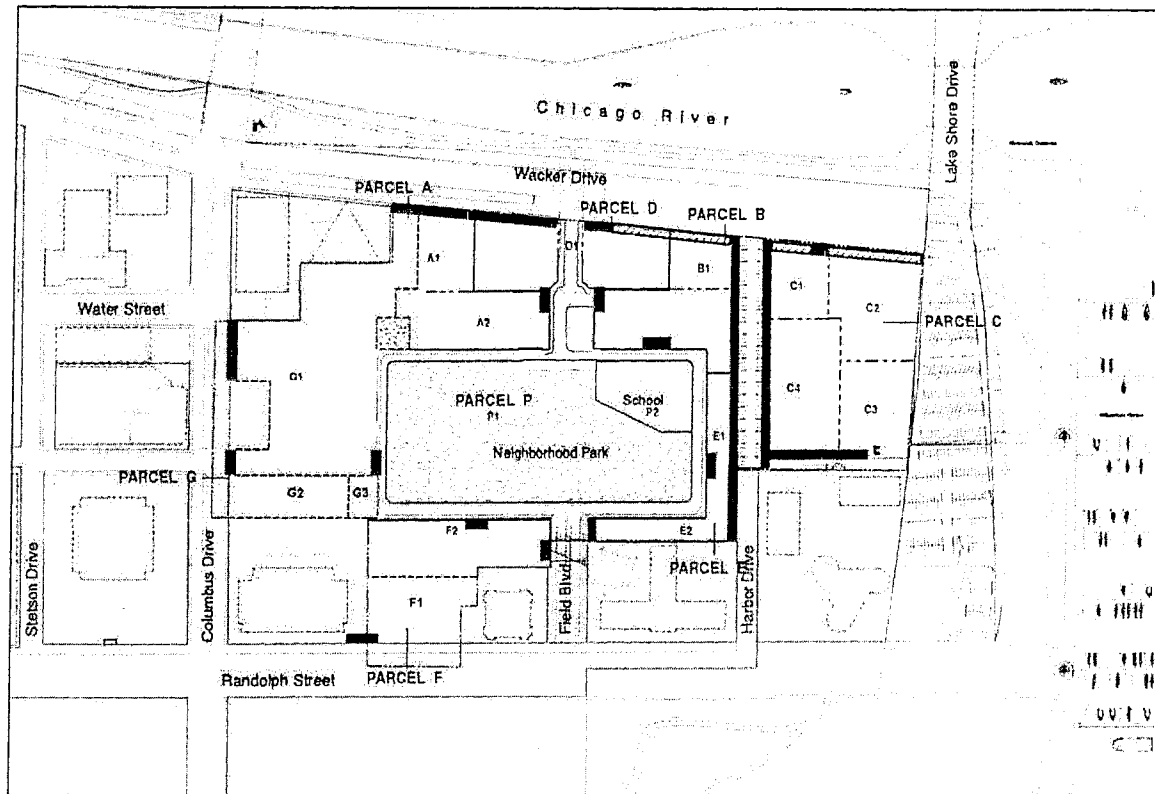

-  Allowed automobile entrance zones
-  Privately Held Public Open Space

NOTE: These plans are diagrammatic in nature and are only intended to show suggested, not required automobile entrance zones.

Automobile Entrance Zones - Lower Level

Service Vehicular Access

- The lower level is where all service activity will take place. Both access to and from the site will take place on this level.
- Service access can feed off the existing utility easements at this level.

 Potential Driveway entry zone (requires extension of a portion of Lower Wacker Drive)
  Allowed automobile entrance zones

NOTE: These plans are diagrammatic in nature and are only intended to show suggested, not required automobile entrance zones.

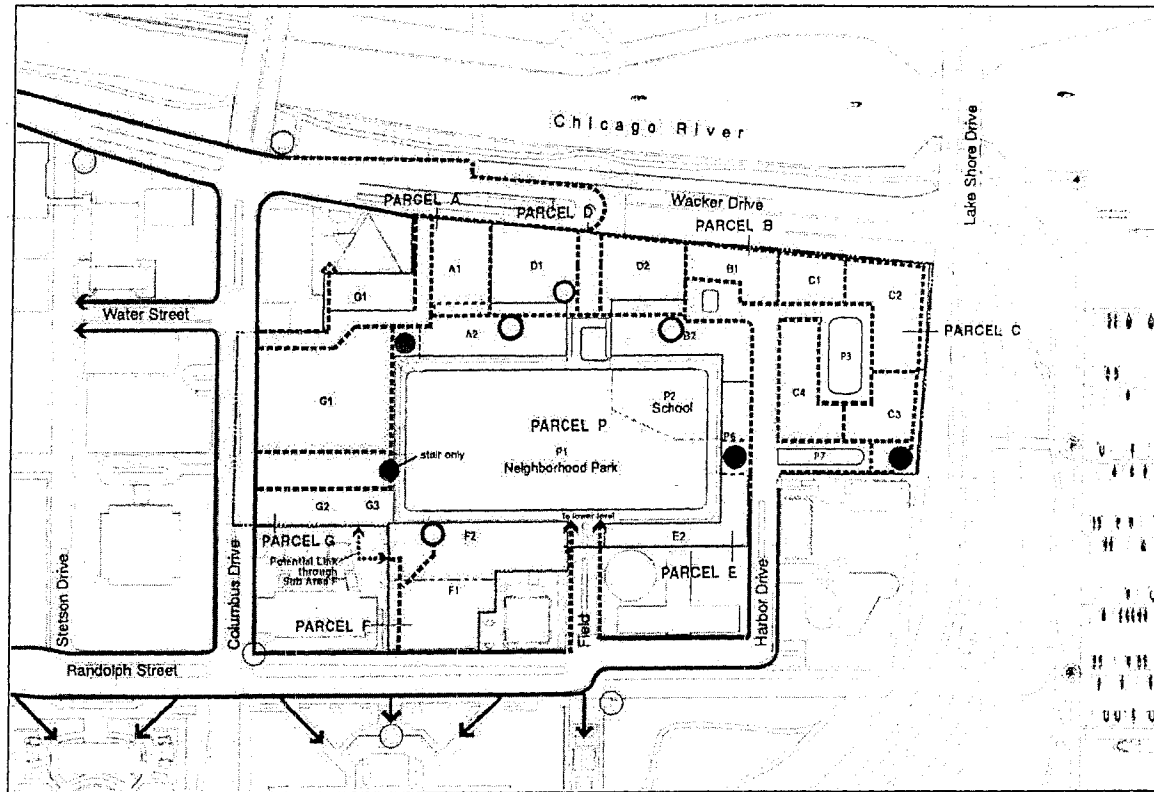

**Pedestrian Walkway System - Upper Level**

**Connections to Grant Park**

- Pedestrian Connections will exist on the upper level connecting to existing Grant Park Features such as the Daley Bicentennial Garage; Cancer Survivor's Park, and Millennium Gardens. These connections will adhere to the guidelines of both The City of Chicago Landscape Ordinance, and also those provided by the Chicago Park District.

**Vertical Connections**

- Vertical connections will also be provided, and will be handicap accessible.
- Private developable spaces may be integrated in and around the vertical connections, as long as public access is maintained to the elevators and/or stairs.

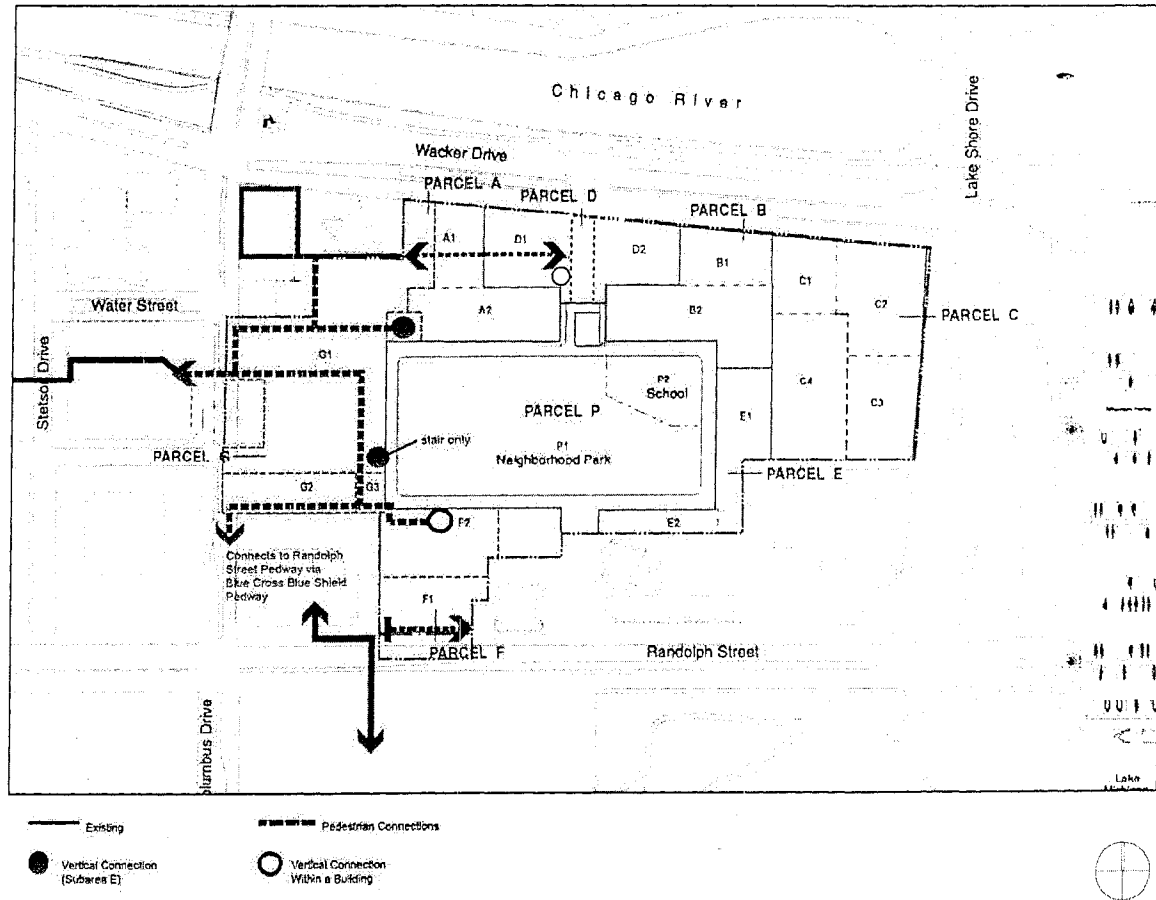

NOTE: These plans are diagrammatic in nature and they indicate the approximate location and the intent of the vertical connection, not the precise locations.

**Pedestrian Walkway System - The Pedway System**

**Connections to existing pedway system**

- Within Subarea E, connections to the existing pedway system will be provided to sub-parcels A1, D1, F1, G1 and G2, as shown on the adjacent diagram. In general, the new connections maintain or exceed minimum requirements, and provide a minimum / maximum of 8'-25' walkway widths.
- Within other subarea, potential connections could feed into these proposed for Subarea E.

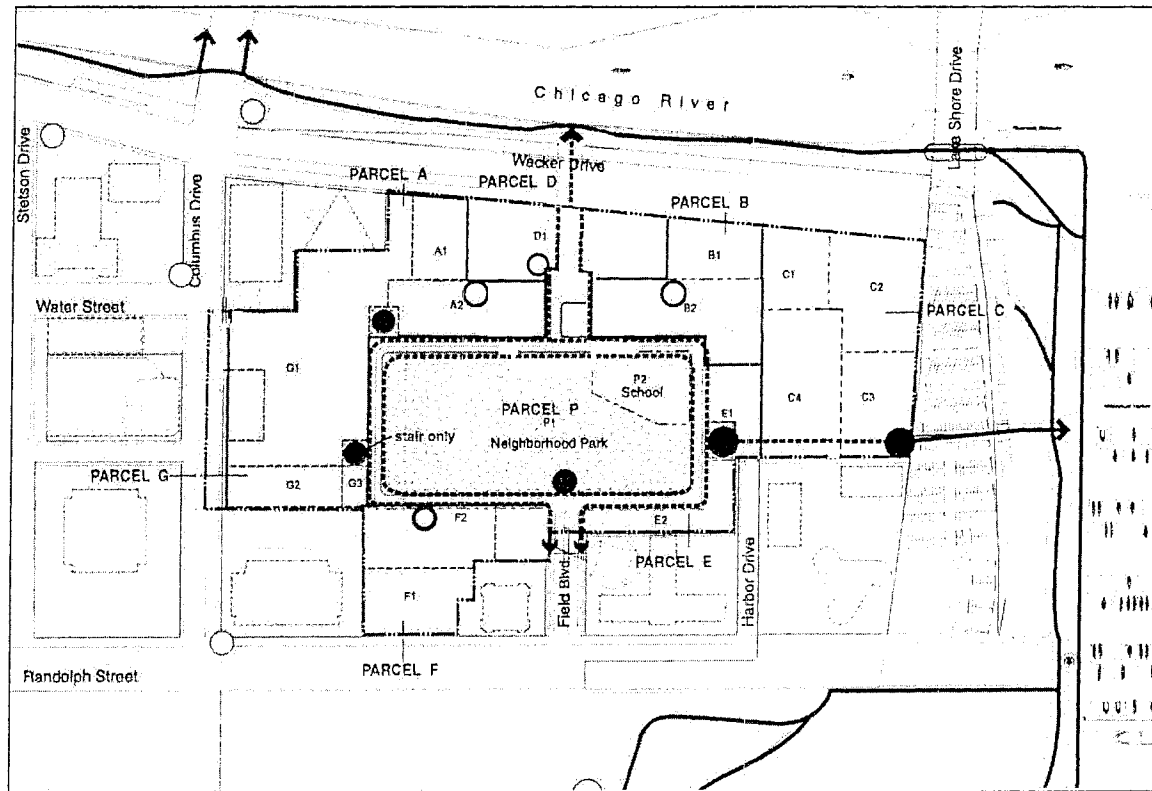

NOTE: This plan is diagrammatic in nature and is intended to show which parcels / sub-parcels should be connected to the parkway system, not the actual route for the connections.

**Pedestrian Walkway System - Lower Level**

**Connections to the River and Lakefront**

- Pedestrian Connections will be provided to both the lakefront and river at the lower level. These connections will be coordinated with The Chicago Park District.
- The character of the connections to the river and lakefront should be pedestrian friendly. Ornamental pedestrian fixtures should be provided. Adequate lighting levels for safety should also be provided. A safe marked zone for pedestrians should be created.
- Parking and sound should be screened from view of these pedestrian corridors to the greatest extent possible.
- Long large walls at the proposed underground pedestrian connection to the Lake and River should provide openings to active spaces when possible or be well-lit with articulated architectural details and potentially public art displays such as the existing Riverwalk Gateway at the southwest corner of the River and the Lake.

NOTE: This plan is diagrammatic in nature and is intended to show which parcels / sub-parcels should be connected to the parkway system, not the actual route for the connections.

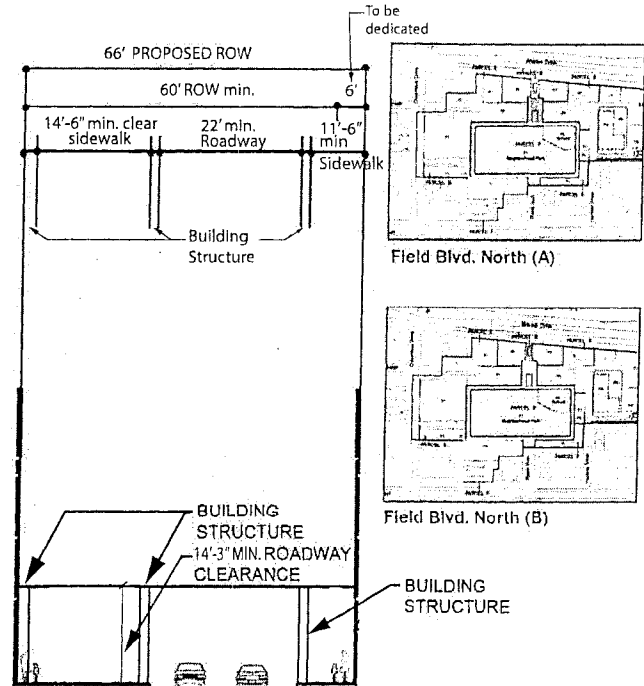

VERTICAL CONNECTIONS: Private Developable spaces may be integrated in and around the vertical connections, as long as public access is maintained to the elevators and/or stairs.

**FIELD BLVD. NORTH**

Field Blvd. North serves as a major entry into the new development from the north. Field Blvd. shall be a divided boulevard oriented north and south, connecting to the Park Drive. It will feature a consistent and attractive streetscape to include canopy trees, street lighting and pedestrian walk (per City ordinance). These walks will serve as the primary link for pedestrians walking to and from the Neighborhood Park and the Chicago Riverwalk.

## 5.0 Open Space

Introduction

Public Park Zone

The Open Space Framework

The Neighborhood Park: Preliminary Conceptual Design

The Neighborhood Park: Park Programming Zones

Neighborhood Park Preliminary Landscape Guidelines

Parks and Open Space: Parcel C

Parks and Open Space: Other Parcels

**Introduction**

The open space of Lakeshore East is defined by a series of green spaces including a large urban neighborhood park. The neighborhood park area will be approximately 6 acres in its size. Overall the Lakeshore East site will contain approximately 12 acres of publicly accessible open space which includes courtyards, pedestrian promenades, and landscaped setbacks.

Linear pedestrian promenades will be landscaped with trees, flowering planters and paved sidewalks. These pedestrian streets will act as promenades that connect the east and west edges of the site, but will also provide emergency vehicular access to future developments.

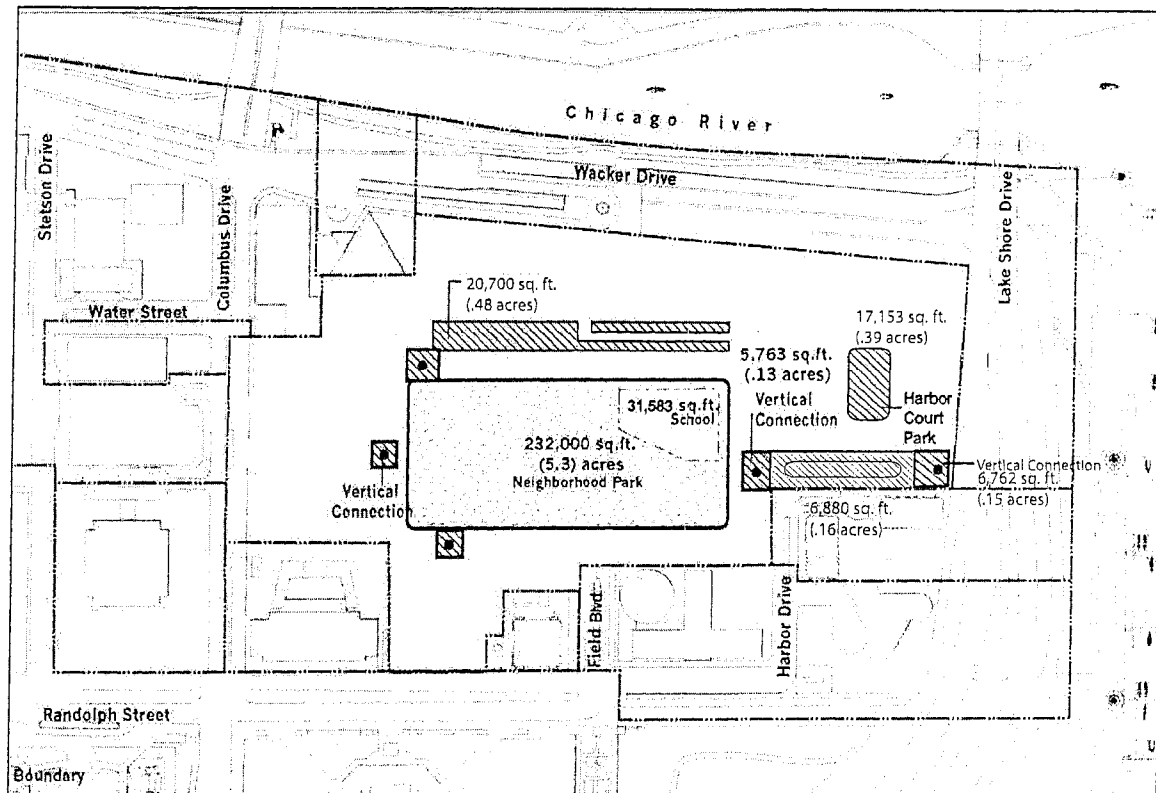

Connections to the river and the lakefront will be provided as links to the great open space of the city. A strong connection to Grant Park via Field Blvd. will also be provided.

The neighborhood character of the park will be an amenity for both future and existing residents. It will essentially be located at the lower level on grade creating a neighborhood open space where trees and landscaping can flourish.

In conjunction with the neighborhood park there will be courtyards, and open space buffers which will enhance and link the surrounding open space amenities. Interior green spaces or courtyards will serve as open space amenities for both new and existing residents.

Roof top gardens are strongly encouraged to be created on various buildings. These gardens will provide a landscaped aesthetic while also enhancing the environmental aspects of the buildings.

The Open Space Framework

NOTE: These plans are diagrammatic in nature and they indicate the approximate location and the intent of the vertical connection, not the precise locations.

**NEIGHBORHOOD PARK**  
Preliminary Conceptual Design

A large public park ("the Neighborhood Park") shall be designed and constructed to encourage public use. The Neighborhood Park is intended to function as a public space for outdoor events and provide a gathering space for the surrounding office, hotel and residential neighborhood.

**Neighborhood Park Scale & Character**

The park should generally function as a passive neighborhood open space. Large permanent active athletic uses, with the exception of the multi purpose open space in the center of the park, should be avoided. The park should be designed and scaled appropriately for neighborhood use as opposed to a regional attraction.

**Park Perimeter / Entries**

The perimeter of the Neighborhood Park shall be designed to define the park as a public space and will offer sidewalks, seat furniture, lighting and terraces for gathering. A wide landscaped parkway planted with large canopy trees and a continuous 6' wide pedestrian sidewalk should complete the Park Drive streetscape and define the edge of the park.

Access to the park shall be directed to and controlled at key locations through the use of identifiable entry areas. An entry overlook terrace shall be created at the south end of the park near the Field Blvd. intersection to provide a panoramic view of the park. A public stairway and handicap accessible ramp shall be provided at this location.

The eastern and western entries to the park shall be aligned with the vertical connections in parcels E and G.

Pedestrian crosswalks along the Park Drive should be coordinated with these entries and the flow of traffic.

Preliminary Neighborhood Park Concept  
(For Illustrative Purposes Only)

The Office of James Burnett

**Park Programming Zones**

The park shall include a centrally located, large, gently sloping open green space to be used for both active and passive uses.

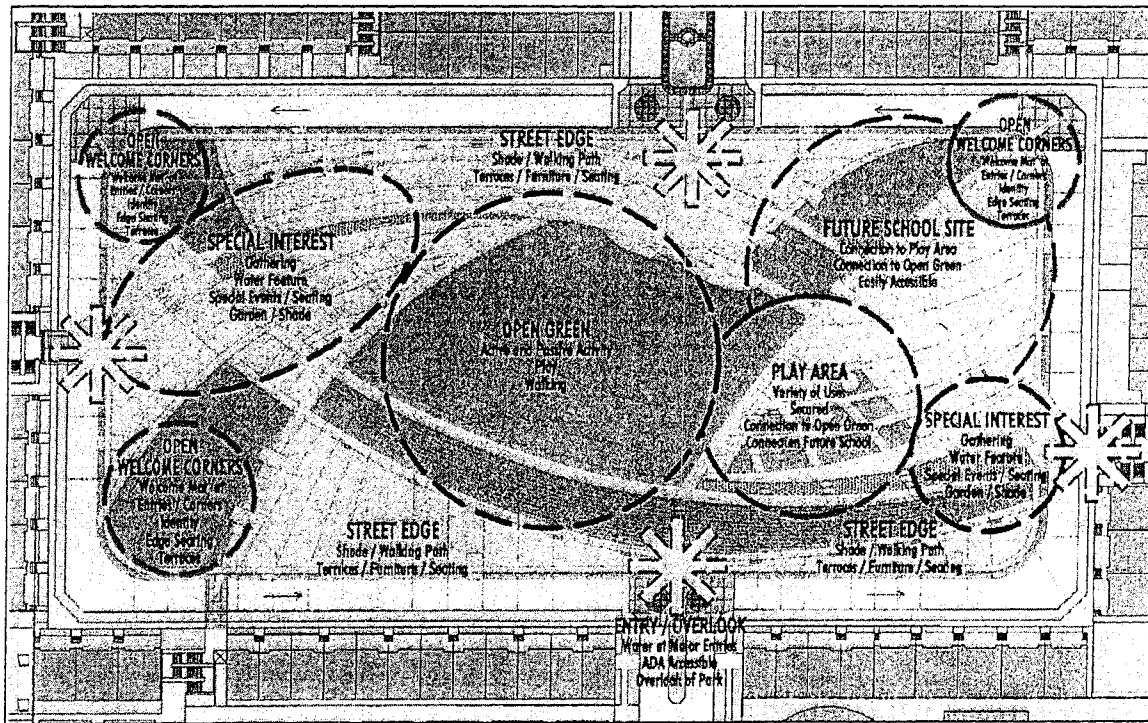

A secured play area shall be provided adjacent to the future school, and offer a variety of play opportunities for several age groups. The play area should also be located adjacent to the open green. The approved park design shall be completed within the first phase of development. The playground shall be placed within the park in a location where it will not be impacted by future school construction.

A centrally located dog park may be provided. The inclusion of a dog park will alleviate the requirement to install individual dog runs/facilities in the individual residential buildings.

A future school zone at the northeast corner of the park shall be designated. Prior to construction of the school, this area shall be designed and built to similar open space standards as the rest of the park for interim open space use. The future school will share space for Chicago Park District facilities.

**Topography**

The park shall generally slope front el. +6.00 CCD on the north up to e1.+30.00 CCD to the south. The park topography should transition smoothly to the various sloped roadways at the perimeter of the park. Large retaining walls at the perimeter of the park more than 3' high should be avoided.

Park Programming Zones

The Office of James Burnett

**PRELIMINARY LANDSCAPE GUIDELINES**

The design of the park will be coordinated with the City of Chicago, The Chicago Park District, and the community. The following preliminary landscape guidelines indicate minimum standards for landscape materials.

The design and quality of Landscape Materials within all publicly accessible neighborhood open space areas must be executed with these same minimum standards.

**Paving**

The location of sidewalks and their particular treatment will be determined by the intended use and the overall nature of pedestrian spaces. Park pathways shall be ADA accessible. Typical sidewalks shall use more basic materials such as concrete. Areas such as the linear promenades, entry ways for residential townhomes/towers, and other special pedestrian walkways could utilize higher quality materials.

Paving materials for pedestrian paths may include, yet are not limited to, the following: concrete, colored concrete, concrete unit pavers, brick, stone pavers, decomposed granite.

**Landscaping**

The landscape is intended to enhance the site by providing flourishing species of diverse vegetation, while also promoting the use of indigenous plant materials. Ornamental planting should be used for local points, small courts or special areas within the park.

The planting specifications for new landscaping should be consistent with the City of Chicago Landscape Ordinance. The following is a brief summary of some additional guidelines for plantings:

**Lawn Areas**

Active and passive lawn areas will incorporate sod. Ornamental prairie grass or meadows may be used as ornamental beds.

**Existing Trees**

To the greatest extent possible, the existing trees designated as desirable species shall be protected, maintained and/or relocated into the neighborhood park or other future open space areas.

**New Trees**

The following minimum guidelines for tree sizes (at time of installation) shall be followed:

- 1) Minimum root ball sizes for trees: shall conform to ANLA Standards
- 2) Specimen tree size:
  - a) Minimum caliper : 6 inches
  - b) Height range : 20' to 30' feet
- 3) Shade tree size:
  - a) Minimum caliper : 3 1/2 -4 inches
  - b) Height range : 18' to 25' feet
- 4) Small upright/ornamental tree size:
  - a) Minimum caliper : 2 7/2 inches
  - b) Height range : 6' to 12' feet

**Shrubs and Other Plantings**

These minimum guidelines for the following miscellaneous plant types shall be followed:

- 1) Shrubs:
  - a) Minimum container size: 5 gallon
  - b) Height range: 1 1/2 to 3 feet minimum

- 2) Vines, trailing ground cover or trailing perennials:
  - a) Minimum container size: 1 gallon.
  - b) Minimum number of runners: 4.
  - c) 8 inches minimum length of runners.
- 3) Clump ground covers or clump perennials:
  - a) Minimum container size: 1/2 gallon
  - b) crown and roots shall be well developed within container
- 4) Annuals:
  - a) Minimum container size: 2-1/2 inch pots
  - b) Height range: varies with annual type
  - c) Full crown with healthy, vigorous flowers

**Landscape Irrigation System**

A landscape irrigation system will be provided in all necessary areas for the general maintenance, and up keep of vegetation.

**Water Features**

If water features are to be created in the park, they should be compatible with their setting. For example, smaller, more intimate fountains may help to create a serene space. Larger, more active and participatory fountains can help to draw large gatherings of people and provide a focal point for a larger setting.

The technical design of a potential water feature should incorporate the necessary equipment (i.e. filter, pumps, nozzles, etc.) required for efficient use and desired aesthetic effect. Public safety, wintertime use, and maintenance should also be carefully considered in the design of water features in the park.

**Fences**

If utilized, fencing in the park shall provide for safety only. Fencing should not hinder public access through the site.

Fencing should be ornamental in its nature in order to enhance the overall aesthetic setting of the park. High quality materials such as ornamental metal, black in color, should be used for fencing. Fencing shall be limited to a maximum height of 48".

**Playground Equipment**

Playground equipment will be furnished with the latest materials and safety surface to ensure both durability and safety. The equipment should be designed to accommodate a variety of users and age ranges. Playground equipment shall meet ADA requirements.

**Park Furnishings**

Site furnishings will be supplied where applicable. Furnishings may utilize a number of materials which could include steel, stone, wood, etc..

The design and selection of the Neighborhood Park furnishings including, but not limited to, lighting, benches, bike racks, and trash receptacles shall be coordinated and approved by the City of Chicago and The Chicago Park District.

**Structures**

Structures within the park setting should be simple, small in scale and in character with the park setting. Small structures such as arbors, pergolas, gazebos, may help to enhance the pedestrian realm and provide shade, a place to rest and create a sense of place.

**Park Lighting**

Park lighting shall be provided and should incorporate pedestrian friendly ornamental fixtures placed along the park paths. The fixtures shall be spaced at a comfortable distance in order to provide adequate lighting for safety at night.

**PARCEL C PARK**

The Parcel C Park shall be an open space centrally located within the future residential area on the east side of the development. Encircled by the Harbor Court drop off, safe and convenient pedestrian access shall be provided from all Parcel C buildings to the internal park.

The park should feature a common green to be used for both active and passive uses. The park should provide walking paths, special paving, seating, and lighting in addition to special ornamental planting. A small children's playground could also be provided in this open space.

**PARCEL C LINEAR PARK**

The Linear Park connects pedestrians from the extension of Harbor Drive to the lakefront. This space also provides automobile and emergency access to the two southern residential buildings in Parcel C.

This linear green space shall be designed to create a pedestrian friendly environment. The sidewalks shall be designed with canopy trees, special plantings, lighting, and special paving surfaces. The median should be planted with canopy trees, shrubs, ground cover, and perennials.

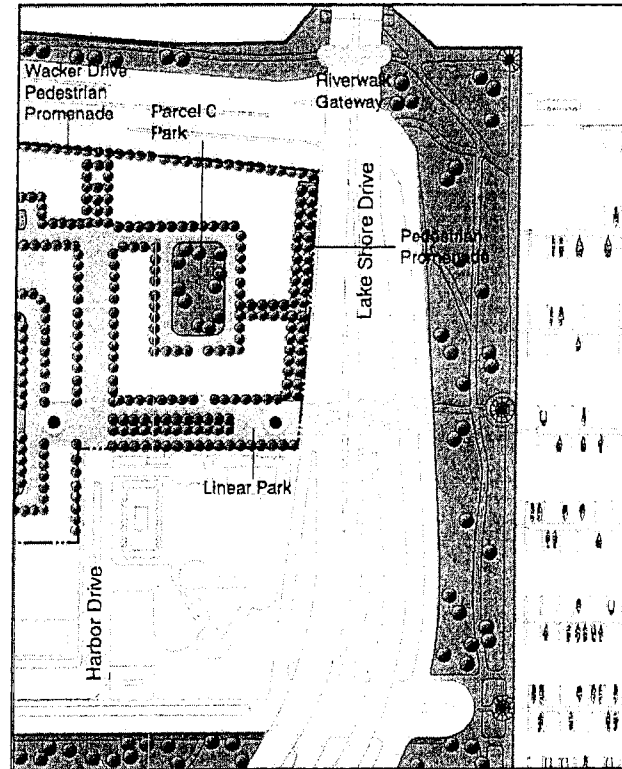

An interim driveway/drop off may be provided (if required) for access for buildings on Parcel C3 and C4. Once the entire Parcel C development is completed, and the Internal Harbor Court drop off is operating, this space shall be converted into permanent open space. However, emergency vehicular access through this space, connected to Harbor Court, must be maintained.

At the eastern edge of this space, a stairway and elevator shall be provided for pedestrians to connect to the existing walkway under Lake Shore Drive, connecting Lakeshore East to the lakefront and DuSable Harbor. (See page 5.10 for further standards for this vertical connection)

**PARCEL C LAKESHORE DRIVE PROMENADE**

This linear green space shall be designed to provide a publicly accessible pedestrian promenade along the eastern edge of the development. This 40' wide (minimum) promenade shall be designed with canopy trees, special plantings, lighting, and special paving surfaces.

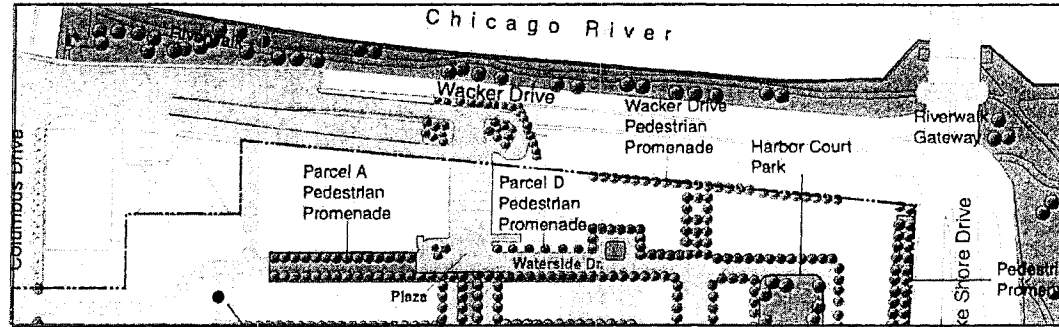

Special consideration must be given to its relationship to Lake Shore Drive. Its location may be at or above the elevation of Lake Shore Drive. Parking podiums must be screened front view through the use of architectural or landscaped elements.

**PARCEL B & C WACKER DRIVE PROMENADE**

This linear green space shall be designed to provide a publicly accessible pedestrian promenade along the northern edge of the development at the upper level. This 20' wide (minimum) walkway shall be designed with canopy trees, special plantings, lighting, and special paving surfaces.

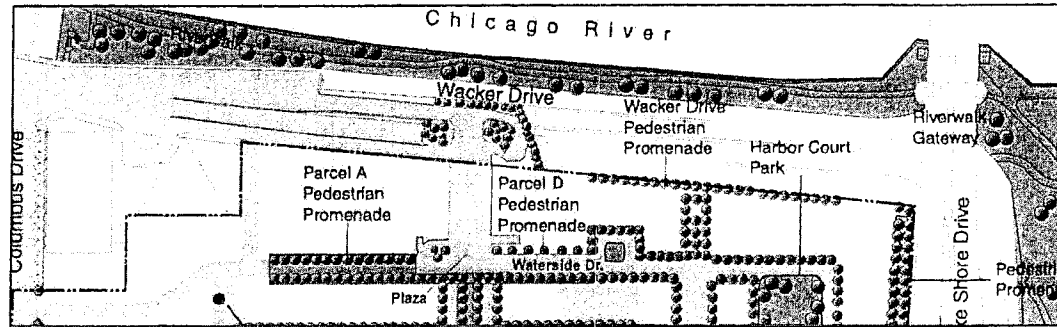

Opportunities for sidewalk cafes and terrace overlooks should be encouraged and integrated into the promenade design.

C Wacker Drive Promenade

**PARCEL A & D PROMENADE**

A linear green space shall be designed to provide a publicly accessible pedestrian promenade between the buildings fronting Upper Wacker Drive & the Park Drive. This promenade shall lead to a plaza spanning Field Blvd. North. Both the promenade & the plaza shall provide an important secondary east west connection at the upper level through the future development. The pedestrian walk shall be designed to accommodate emergency vehicular access.

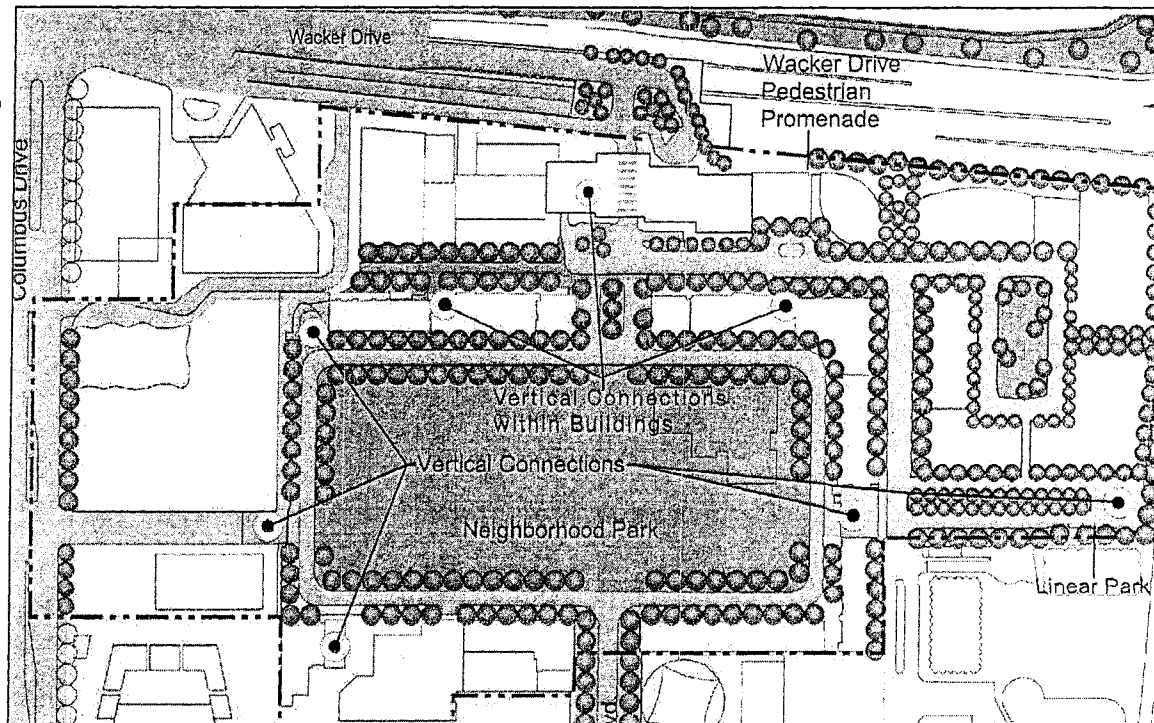

Parcel A & D Promenade

NOTE: These plans are diagrammatic in nature and are only intended to show approximate dimensions and locations.

**VERTICAL CONNECTIONS**

A minimum of 4 vertical connections shall be created to connect upper level development with the park ring roads. As previously mentioned, one additional connection must be included in Parcel C along Lake Shore Drive. These connections must include stairways and elevators as is feasible.

Placed at each edge of the Neighborhood Park, these connections will ensure views into the park from the surrounding areas. These connections must provide attractive and convenient pedestrian friendly access between the upper and lower levels of the district. The design of the stairways shall complement the Neighborhood Park and streetscape design through the use of special paving, lighting, hand rails and planters. These connections shall be treated as landscape features incorporating plantings to help soften this connection between levels.

NOTE: These plans are diagrammatic in nature and they indicate the approximate location and the intent of the vertical connection, not the precise locations.

## 6.0 Design Standards

- Introduction
- Development Review Process
- Controls for Development
- Parcel Design Criteria
- Building Design Criteria
- Building Materials
- Environmental Considerations

**Introduction**

The Design Standards included as part of the Lakeshore East Planned Development submittal are intended to ensure that the basic Lakeshore East Master Plan concepts are realized. These Master Plan Concepts include:

- 
- Create urban street walls that support a diverse pedestrian experience.
- Create an enhanced pedestrian environment that physically and visually connects activities within existing and future buildings to adjacent public areas.
- Preserve views from existing development through new development to the greatest extent possible. Establish view corridors for new development.
- Create a distinctive skyline.

The following standards describe specific design intentions which should be used by the designers, developers and city agencies involved in the building of Lakeshore East.

**Development Review Process**

The Design Standards are intended to establish a self-policing structure for evaluation of projects which shall be submitted to the Department of Planning and Development for approval, prior to submission to the City for building permit.

The developer shall establish a Lakeshore East Design Review Committee for internal review of all development proposals for conformance with the Master Plan. All design submissions should include detailed site plans, building plans, elevations, material samples, and information on lighting and signage. The Design Review Committee may also request additional project information including models or three dimensional renderings.

Any modifications to the Master Plan or Design Standards will require discussion with the City of Chicago Department of Planning and Development and a consensus that the changes do not negatively impact the intent of the Master Plan. Any modifications deemed significant will require an update to the Master Plan & Partial PD Amendment.

INTRODUCTION

**Controls for Development**

The Lakeshore East Master Plan establishes seven development parcels organized around a neighborhood park. The parcels have been defined to accommodate the projected long term build-out. The parcels have also been divided into sub-parcels to permit flexibility in responding to specific development proposals. The sub-parcel divisions may adjust slightly in order to accommodate building design refinements over time.

The Master Plan envisions a mix of highrise, midrise and lowrise development. The development of each parcel within the Master Plan is governed by a set of site design criteria and building envelope controls. Site design criteria include pedestrian and vehicle access. The building envelope controls mandate the placement of buildings within the parcels, setting a pattern of development that creates a strong sense of place at the pedestrian level. Two distinct sets of controls, building mass criteria and streetwall criteria, are defined for each parcel. The building envelope controls have been created in a way to allow some design flexibility within each sub-parcel. Also, the Department of Planning and Development may administratively allow minor modifications or adjustments to the building envelope controls.

**Maximum Developable F.A.R.**

Within Subarea E, a maximum developable area has been established. This maximum developable area will not fill the entire allowable building envelopes, but may be shifted from one parcel to another parcel as long as the maximum building envelopes are maintained.

For the purpose of calculating maximum developable F.A.R. area, only the inhabitable area at or above the building entry shall be included.

**Parcel Design Criteria**

**Pedestrian Access**

A well-connected pedestrian network is critical to successfully creating an urban neighborhood in Chicago. The maximum allowable distance between two pedestrian walkways along a single blockface should not exceed the length of a typical downtown Chicago block or approximately 320'. Midblock pedestrian walkways which pass through development parcels are also encouraged.

**Vehicular Access**

The multi-level plan of Lakeshore East should accommodate the bulk of parking and service below grade. Curb cuts should be kept to a minimum and the use of shared curb cuts along shared property lines is encouraged. Curb cuts should not exceed 20 feet in width. Parking entries should be integrated with the building's architecture through the use of similar materials, patterns, textures and color. All parking above the street level must be screened with occupied space.

Service access is permitted at the lower level only.

**Emergency Vehicle Access**

Required emergency vehicle access easements are identified on the parcel diagrams.

**Interim Uses**

Undeveloped parcels may support interim uses such as recreational open space, dog friendly areas,

and surface parking interim use plans will be reviewed by the Department of Planning and Development. They should identify all temporary improvements and timeframe of interim use.

**Utility Easements**

Utility easement corridors, varying in width and Dedicated and Conveyed to the City of Chicago below approximately +20.92 C.C.D. currently exist throughout the site. As future development fills in the site, the existing utility corridors will generally occur at the lowest level of the parking structure. A service roadway, generally at elevation +6 C.C.D., will typically occur along the easements and intermittent structural columns/caissons for the structures above may fall within the easement corridors. The placing of structural easements within existing easements must be coordinated with existing and future utilities.

These utility easement corridors must be accessible to all utility entities, and will also have controlled accessibility to building service vehicles and to adjacent parking structures.

Existing utilities, will either remain in place, or be relocated into the new, final utility corridors. New utilities will also occur within the new dedicated roadways on grade throughout the site.

**Highrise Building Design Criteria**

Highrises are characterized by their three elements: the building base, the tower and the top. Transition lines should be articulated at the two or three story level lower base, between the base and tower, and between the tower and top. The transition lines may be achieved by a change of material, a setback, a reveal or a cornice line.

**Building Base**

It is important that the base of the building extend to the sidewalk to define the urban street environment and support a close relationship between activities in each building. Special streetwall standards for the base include:

**Setbacks and Building Lines**

The building must extend to the defined edge of the sidewalk (specified by property line, easement or setback) for at least 80% of the frontage. The building may setback a maximum of 10 feet for up to 25% of the frontage from the defined edge of sidewalk if the additional setback is designed to include sidewalk cafes, seating, public art, landscaping or other amenities.

**Ground Floor Active Building Uses and Transparency**

Active uses that are visually connected to the pedestrian environment are encouraged along the ground floor of the building. These active uses may include retail, lobbies or office space. The ground level facade of the building should be transparent to allow viewing into the interior of the building. Blank walls are not encouraged.

**Building Envelope**

Building mechanical floors may extend beyond the maximum building envelope. Maximum building envelopes are identified for each sub parcel.

**Building Tower**

Generally, the preferred location for highrise towers should be toward the primary street frontage.

**Building Top**

A varied and distinctive skyline is desired. The building top should provide special architectural treatment to express building identity. Vertical design elements, such as spires, should be integrated with the design of the building tower and top. The height of a vertical design element may extend above the maximum building height, and is subject to administrative approval by the Department of Planning and Development.

All rooftop mechanical systems including communication devices should be concealed from view within an architectural enclosure.

**Building Separation**

To preserve views, a minimum separation of 40' between non-party walls is required. Building projections, such as balconies or bay windows, may not extend into the minimum building separation.

**Building Height**

Building height is defined as the vertical distance from the curb level opposite the front of the building to the top of the highest occupied floor of the building. For purposes of identifying occupied spaces, the following areas shall be excluded: mechanical rooms, elevator machine rooms & overruns, rooftop deck access rooms, habitable areas comprising less than 20% of the total room area. Maximum heights, identified in total feet, for the building base, lower and top are identified for each parcel.

FINAL FOR PUBLICATION

**Townhouses**

It is important that the townhouses create a continuous streetwall that frames the park and special pedestrian ways. It is also important that the townhouses along the Park Drive screen all existing and future podiums from view. Special townhouse standards include:

**Setbacks and Building Lines**

The design of the townhouse podiums shall include a minimum landscape setback of 5' from the sidewalk (specified by property line, easement or setback) East of Field Blvd. South, along the East / West segment of Park Drive, the minimum podium setback may be 3'. Entry stairs may extend into the landscape setback. Townhouses within a particular grouping along the same street frontage should maintain a similar setback from the sidewalk & from their podium.

**Orientation**

Townhouse entries should be oriented to the street. The townhouses should be designed to include living space at the ground floor to ensure "eyes on the street". Stacked townhouses which have two street frontages should address both streets.

**Variety**

Variety in the use of materials and articulation is encouraged within groupings of townhouses, in order to create an aesthetically diverse neighborhood setting.

**Building Height**

Building height is defined as the vertical distance from the curb level opposite the front of the building to the highest point of the townhouse roof. If extending beyond the maximum building height, rooftop enclosures may not exceed 10% of the rooftop area and should be architecturally integrated with the design of the townhouse roof. Maximum heights for the townhouses are identified for each parcel.

NOTE: These plans are diagrammatic in nature and are only intended to show approximate locations and dimensions.

**School Building**

The scope of the work for the 45,000 sq. ft. elementary school will include the site work required to prepare the site for construction of the proposed building. The developer shall also provide the "core and shell". It will include all cast in place concrete structural steel, steel joists, and roofing. Additionally, it will include complete exterior enclosures with windows, storefront, glass and glazing, exterior masonry, and exterior doors. Finally, it will include all utilities to a location within the building such as a pump room, or mechanical space. The "core and shell" of the building can be further defined by the following specifications sections from the Chicago Public Schools Project Manual dated 1999 / 2000 (a copy of which is on file at the Department of Planning and Development) :

**Building Elements**

Special consideration will be given to the following building elements during the development review process.

**Landscape Roofs**

Green roofs, or roofs that are covered with planting, can provide great benefits to the building as well as the urban environment and are encouraged. Green roofs may be used to reduce the building's energy costs and also reduce stormwater runoff.

A majority of the defined green roof area should be covered by vegetation. Public access is not mandatory but maintenance access should be maintained. Future installations, such as mechanical equipment, should not have a negative impact on the landscaped area. Drought resistant indigenous plants that require minimal maintenance are recommended.

**Arcades**

Arcades are allowed, but must be continuous along the entire length of the building frontage from one street right of way to the next street. Minimum width is 8 feet clear, maximum width is 20 feet and minimum clear interior height is 14 feet. Arcades shall have a minimum decorative pavement treatment, and landscaping, seating or other public amenities as appropriate. Arcades shall not contain parking spaces, passenger drop-offs, ramps, loading berths or any other vehicular use, or trash storage facilities.

**Through Block Pedestrian Connections**

Indoor and outdoor through block pedestrian connections are encouraged.

**Enclosed Through Block Connections**

The connection should provide a continuous unobstructed corridor of at least 20 feet in width and the unobstructed height must be a minimum of 15 feet. Material finishes and lighting should be selected to ensure a pleasant and safe pedestrian connection.

**Exterior Through Block Connections**

The connection should be a continuous unobstructed space at least 20 feet in width. A minimum clear height of 20 feet is required where the connection is not open to the sky. Building elevations that border the connection should include active building uses where possible or be treated with plantings, murals and other architectural details.

**Balconies**

Balconies are permitted but must be integrated within the design of the building facade.

**Bay Windows**

Bay windows are allowed and may extend above a ground level landscape setback but may not extend into the minimum building separation.

**Canopies and Awnings**

Canopies and awnings are permitted for retail development and building entries. Canopies and Awnings should be integrated with the design of the facade. Materials should be high quality and may be either fixed or retractable. They must meet all

applicable City Codes and regulations.

**Exhausts**

Exhaust vents should not be located on a building's primary street frontage.

**Signage**

Signage is to be kept to an absolute minimum. The design of signs should be compatible with the building and street frontage. High quality and durable materials are encouraged. Signs should be mounted in locations that respect the design of the building, including arrangements of bays and window openings. Fixtures for externally illuminated signs should be simple and unobtrusive.

Signage at building tops is limited to hotel uses and is subject to administrative review and approval of the Department of Planning and Development. Signage must be integrated with the design of the building.

**Building Lighting**

Lighting may vary within the Lakeshore East Development. Public spaces should be adequately lit to ensure a safe pedestrian environment. Lighting used to highlight architectural features such as articulated building tops or building entrances is encouraged. Such architectural lighting should be planned to not visually impact adjacent buildings or public spaces.

**Radio Antennae**

Radio antennae may be allowed on Parcels G and D but must be integrated with the design of the building.

**Parking**

**Parking Entrances**

Parking garage entrances should be designed as an integrated element of the building's facade through the use of similar materials and detailing. Driveways and curb cuts should be compatible in material and detailing with adjacent sidewalks.

**Perimeter Walls**

All Parking at or above the upper street level must be screened by occupied space. Parking along the lower and intermediate levels may extend to the parcel line; however the parking must be architecturally screened when it is adjacent to a public accessway, such as intermediate Wacker Drive and Lake Shore Drive. Along Field Blvd. North parking must be screened by occupied space at the lower level, and architecturally screened above the lower level. Along the Park Drive, the townhomes and other residential buildings will screen all existing and future parking podiums from view.

**Ventilation**

Parking garage ventilation should be well designed, with openings which should incorporate architectural screening. Ventilation structures should be designed as integral components of adjacent buildings or open space.

**Building Materials**

The selection of appropriate building materials should be made with a concern for the existing context.

All Glass curtain-wall buildings are discouraged and highly reflective glass will not be permitted. If all glass-curtain-walls are used, high quality, low-e or clear glass should be used.

Two grades of building material quality, Grade 1 and Grade 2, have been identified in the Master Plan.

- Grade 1  Natural Stone
- Brick
- Architectural Precast
- Glass and Metal Curtain Walls

- Grade 2  Grade 1 Materials preferred
- Exposed Structural Concrete allowed with architectural detailing and clean, high quality construction
- formwork (such as steel forms or plastic faced plywood)

Generally, Grade 1 materials should be used for signature buildings at the perimeter of the site and Grade 2 materials may be used for buildings on the interior of the site. Unique materials and colors are encouraged along the ground level, at building entrances and on the rooftops.

In general, whether Grade 1 or Grade 2 materials are used, a high quality level of finishes and details is important.

**Building Bases**

Grade 1 materials should be used on the building bases and the townhouses. Clear or lightly tinted glass is preferred. Retail storefronts may include ornamental metals.

**Building Towers**

The portion of the building above the base should use materials that are compatible with the material used for the base and also be complementary with neighboring buildings. Towers identified as signature buildings should use Grade 1 materials; however, the level of articulation and detailing may be simplified. Towers identified as Grade 2 may use exposed structural concrete clear or slightly tinted glass is preferred. Ornamental metals may be used for building accents.

**Building Top**

The materials used for the building tops should be of high quality and present a distinctive image for the building.

**Material Color**

Material colors should minimize differences between adjacent parcels. Predominantly dark buildings are discouraged.

Stone, brick and concrete colors should be light to medium warm neutral colors.

Glass colors may include clear panes or slightly tinted gray, silver, green or blue.

**Environmentally Conscious Design**

The Lake Shore East Development is a significant opportunity to showcase environmentally sensitive design. The following recommendations can be used as a checklist to evaluate and ensure an environmentally sensitive approach to building a neighborhood.

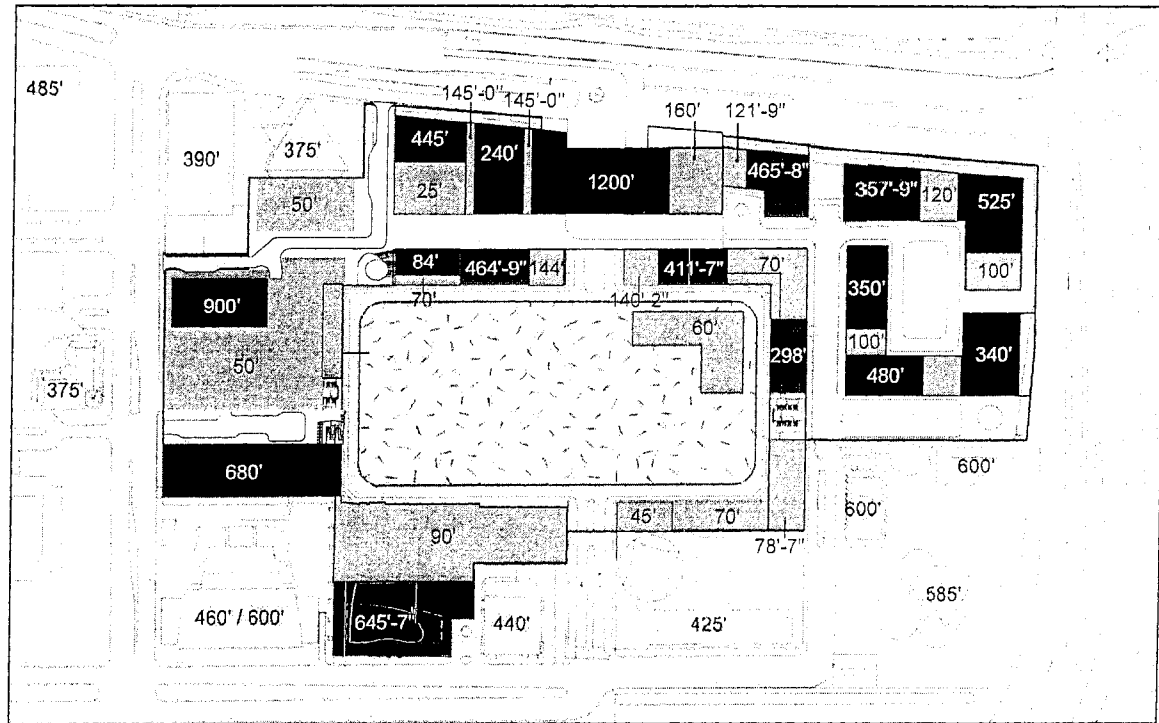

**Site Design Recommendations**

- Orient buildings to optimize solar exposure.
- Buildings near the Lakefront should reduce the amount of curtain wall in an effort to reduce the injury to migratory birds due to the transparent nature of the facade.
- Utilize indigenous landscape materials, with an appropriate diversity in plant species.
- Properly manage stormwater runoff
- Relocate and reuse existing trees.

**Building Design Recommendations**

- Coordinate programmed areas that will benefit from sun exposures in appropriate zones within the building.
- Manipulate building envelopes that will respond to climate and orientation.
- Consider the integration of photovoltaic panels and/or fuel cells for electric generation.
- Encourage operable windows that provide fresh air to interior workspaces and living spaces.
- Utilize energy efficient building systems.
- Include "landscape roofs."
- Develop exterior and interior shading devices that minimize heat gain.
- Utilize exterior and interior "light shelves" that bring daylight into the interior zones and workspaces of the buildings.
- Minimize the use of hazardous or "off gassing" materials, specifically materials with volatile organic compounds (VOC's).
- Employ wood products harvested from certified forests.
- When possible, select materials based on life-cycling costs.
- Develop lighting controls that manage energy consumption including task lighting, daylighting, an energy efficient artificial lighting.
- Coordinate a tenant recycling program with the City of Chicago's recycling program.

*Reclassification Of Area Shown On Map No. 11-I.*  
(As Amended)  
(Application No. 18436)  
(Common Address: 4618 -- 4620 N. Western Ave.)

[SO2015-5313]

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. That the Chicago Zoning Ordinance be amended by changing all of the C2-1 Motor Vehicle-Related Commercial District symbols and indications as shown on Map Number 11-I in the area bounded by:

West Eastwood Avenue; North Western Avenue; a line 75.00 feet south of West Eastwood Avenue; and a line 108.00 feet west of North Western Avenue,

to those of a B2-3 Neighborhood Mixed-Use District.

SECTION 2. Changing all of the B2-3 Neighborhood Mixed-Use District symbols and indications shown on Map Number 11-I in the area bounded by:

West Eastwood Avenue; North Western Avenue; a line 75.00 feet south of West Eastwood Avenue; and a line 108.00 feet west of North Western Avenue,

to those of a Residential-Business Planned Development and a corresponding use district is hereby established in the area above described.

SECTION 3. This ordinance shall be in force and effect from and after its passage and due publication.

Plan of Development Statements referred to in this ordinance read as follows:

*Residential-Business Planned Development No. \_\_\_\_\_.*

*Plan Development Statements.*

1. The area delineated herein as Residential Business Planned Development Number \_\_\_\_\_ ("Planned Development") consists of approximately 8,099 square feet of property which is depicted on the attached Planned Development Boundary and Property Line Map ("Property") and is owned or controlled by the applicant, JAB Merger LLC. At the time of implementation of this Planned Development, the site has been zoned C2-1 and is located within 600 feet of an entrance to the CTA Brown Line Western Avenue station. Because the application reduces the number of parking spaces by (more than) 50 percent from the minimum otherwise required, it is eligible

for increased Floor Area Ratio (Section 17-3-0403-B), reduced Minimum Lot Area per Unit (Section 17-3-0402-B), and increased height (Section 17-3-0408-B). Due to the increase in Floor Area Ratio, the project was required to be a mandatory planned development pursuant to Section 17-3-0403-B at the time the planned development application was introduced to the Chicago City Council.

2. The requirements, obligations and conditions contained within this Planned Development shall be binding upon the applicant, its successors and assigns and, if different than the applicant, the legal titleholders and any ground lessors. All rights granted hereunder to the applicant shall inure to the benefit of the applicant's successors and assigns and, if different than the applicant, the legal titleholder and any ground lessors. Furthermore, pursuant to the requirements of Section 17-8-0400 of the Chicago Zoning Ordinance, the Property, at the time of application for amendments, modifications or changes (administrative, legislative or otherwise) to this Planned Development are made, shall be under single ownership or designated control. Single designated control is defined in Section 17-8-0400 of the Zoning Ordinance.
3. All applicable official reviews, approvals or permits are required to be obtained by the applicant or its successors, assignees or grantees. Any dedication or vacation of streets or alleys or grants of easements or any adjustment of the right-of-way shall require a separate submittal to the Department of Transportation on behalf of the applicant or its successors, assigns or grantees.

Any requests for grants of privilege, or any items encroaching on the public way, shall be in compliance with the plans.

Ingress or egress shall be pursuant to the plans and may be subject to the review and approval of the Departments of Planning and Development and Transportation. Closure of all or any public street or alley during demolition or construction shall be subject to the review and approval of the Department of Transportation.

All work proposed in the public way must be designed and constructed in accordance with the Department of Transportation Construction Standards for Work in the Public Way and in compliance with the Municipal Code of the City of Chicago. Prior to the issuance of any Part II Approval, the submitted plans must be approved by the Department of Transportation.

4. This plan of development consists of 16 Statements; a Bulk Regulations Table; an Existing Zoning Map; a Property Line and Right-of-Way Map; Landscape Plan; First Floor Plan; and Building Elevations (North, South, East and West) prepared by Sullivan Goulette Architects and dated November 19, 2015, submitted herein. In any instance where a provision of this Planned Development conflicts with the Chicago Building Code, the Building Code shall control. This Planned Development conforms to the intent and purpose of the Zoning Ordinance, and all requirements thereto, and satisfies the established criteria for approval as a Planned Development. In case of a conflict between the terms of this Planned Development Ordinance and the Zoning Ordinance, this Planned Development Ordinance shall control.

5. The following uses are permitted in the area delineated herein as a Residential-Business Planned Development: multi-family residential dwelling units located at and above the ground floor, eating and drinking establishments, financial services (excluding payday/title secured loan store and pawn shop), food and beverage retail sales, general retail sales, medical service, personal service, dry cleaning service, office, accessory parking and accessory uses.
6. On-premises signs and temporary signs, such as construction and marketing signs, shall be permitted within the Planned Development, subject to the review and approval of the Department of Planning and Development. Off-premises signs are prohibited within the boundary of the Planned Development.
7. For purposes of height measurement, the definitions in the Zoning Ordinance shall apply. The height of any building shall also be subject to height limitations, if any, established by the Federal Aviation Administration.
8. The maximum permitted Floor Area Ratio ("FAR") for the site shall be in accordance with the attached Bulk Regulations Table. For the purposes of FAR calculations and measurements, the definitions in the Zoning Ordinance shall apply. The permitted FAR identified in the Bulk Regulations Table has been determined using a Net Site Area of 8,099 square feet.
9. Upon review and determination, "Part II Review", pursuant to Section 17-13-0610 of the Zoning Ordinance, a Part II Review fee shall be assessed by the Department of Planning and Development. The fee, as determined by staff at the time, is final and binding on the applicant and must be paid to the Department of Revenue prior to the issuance of any Part II Approval.
10. The Site and Landscape Plans shall be in substantial conformance with the Landscape Ordinance and any other corresponding regulations and guidelines. Final landscape plan review and approval will be by the Department of Planning and Development. Any interim reviews associated with site plan review or Part II Reviews, are conditional until final Part II Approval.
11. The applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation, Fleet and Facility Management and Buildings, under Section 13-32-125 of the Municipal Code, or any other provision of that Code.
12. The applicant acknowledges and agrees that the rezoning of the Property from C2-1 to B2-3 for construction of this Planned Development triggers the requirements of Section 2-45-110 of the Municipal Code (the "Affordable Housing Ordinance"). Any developer of a "residential housing project" within the meaning of the Affordable Housing Ordinance ("Residential Project") must: (i) develop affordable housing units as part of the Residential Project; (ii) pay a fee in lieu of the development of affordable housing units; or (iii) any combination of (i) and (ii). In accordance with these

requirements and the Affordable Housing Profile Form attached hereto as Exhibit A, the applicant has agreed to provide two (2) affordable housing units (for rental units, 10 percent of total if leased at prices affordable, at 60 percent AMI in the Residential Project for households earning up to 60 percent of the Chicago Primary Metropolitan Statistical Area median income (the "Affordable Units"), and make a cash payment to the Affordable Housing Opportunity Fund in the amount of \$100,000 per unit ("Cash Payment") for two (2) additional units. At the time of each Part II Review for the Residential Project, applicant may update and resubmit the Affordable Housing Profile Form to the Department of Planning and Development ("DPD") for review and approval. If the applicant subsequently reduces the number of dwelling units in the Residential Project, DPD may adjust the requirements of this Statement 12 (i.e., number of Affordable Units and/or amount of Cash Payment) accordingly without amending the Planned Development. Prior to the issuance of any building permits for the Residential Project, including, without limitation, excavation or foundation permits, the applicant must either make the required Cash Payment, or execute an Affordable Housing Agreement in accordance with Section 2-45-110(i)(2). The terms of the Affordable Housing Agreement and any amendments thereto are incorporated herein by this reference. The applicant acknowledges and agrees that the Affordable Housing Agreement will be recorded against the Residential Project and will constitute a lien against each Affordable Unit. The City shall execute partial releases of the Affordable Housing Agreement prior to or at the time of the sale of each Affordable Unit to an income-eligible buyer at an affordable price, subject to the simultaneous execution and recording of a mortgage, restrictive covenant or similar instrument against such Affordable Unit. The Commissioner of Planning and Development may enforce remedies for breach of the Affordable Housing Agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development.

13. The terms and conditions of development under this Planned Development ordinance may be modified administratively, pursuant to Section 17-13-0611-A of the Zoning Ordinance by the Zoning Administrator upon the application for such a modification by the applicant, its successors and assigns and, if different than the applicant, the legal titleholders and any ground lessors.
14. The applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.
15. The applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs, conserves energy and maximizes the preservation of natural

resources. At the time of a hearing before the Chicago Plan Commission, all developments must be in substantial compliance with the current City of Chicago Sustainable Development Policy set forth by the Department of Planning and Development. The applicant will achieve LEED or Energy Star certification for the Project and will have a green roof of 1,441 square feet (minimum 50 percent of net roof area).

16. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development ordinance lapse, the Commissioner of the Department of Planning and Development shall initiate a zoning map amendment to rezone the Property to B2-3.

\*Rent amounts updated annually in the "City of Chicago's Maximum Affordable Monthly Rent Chart"

**SECTION 4: PAYMENT IN LIEU OF UNITS**

When do you expect to make the payment -in-lieu? March 2016  
 (typically corresponds with issuance of building permits) Month/Year

For ARO projects, use the following formula to calculate payment owed:

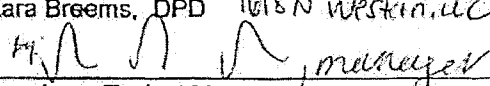

$$\frac{40}{\text{Number of total units in development}} \times 10\% = \frac{4}{\text{(round up to nearest whole number)}} \times \$100,000 = \$400,000^* = \text{Amount owed}$$

For Density Bonus projects, use the following formula to calculate payment owed:

$$\frac{\text{Bonus Floor Area (sq ft)}}{\text{median price per base FAR foot (from table below)}} \times 80\% \times \$ \text{_____} = \$ \text{_____} = \text{Amount owed}$$

Submarket (Table for use with the Density Bonus fees-in-lieu calculations)	Median Land Price per Base FAR Foot
Loop: Chicago River on north/west; Congress on south; Lake Shore Dr on east	\$31
North: Division on north; Chicago River on south/west; Lake Shore Dr. on east	\$43
South: Congress on north; Stevenson on south; Chicago River on west; Lake Shore Dr. on east	\$22

AMENDMENT OF TITLE 17 OF MUNICIPAL CODE BY RECLASSIFICATION OF PARTICULAR AREAS.

The Committee on Zoning, Landmarks and Building Standards submitted the following report:

CHICAGO, December 9, 2015.

*To the President and Members of the City Council:*

Presenting a report for your Committee on Zoning, Landmarks and Building Standards which held a meeting on December 7, 2015, the following items were passed by a majority of the members present:

Page 1 contains one mayoral ordinance regarding the demolition of buildings and asbestos abatement.

Pages 1 through 8 contain various map amendments regarding land use.

Page 8 also contains business identification signs over 100 feet in diameter and 24 feet above grade, one off-premises sign and one landmark fee waiver.

I hereby move for passage of the proposed ordinances and substitute ordinances transmitted herewith.

Respectfully submitted,

(Signed) DANIEL S. SOLIS,  
*Chairman.*

On motion of Alderman Solis, the said proposed ordinances and substitute ordinances transmitted with the foregoing committee report were *Passed* by yeas and nays as follows:

*Yeas*-- Aldermen Moreno, Hopkins, Dowell, Burns, Hairston, Sawyer, Mitchell, Harris, Beale, Sadlowski Garza, Thompson, Cárdenas, Quinn, Burke, Lopez, Foulkes, D. [SO2015-6434]

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. That the Chicago Zoning Ordinance be amended by changing all of the Residential-Business Planned Development Number 1281 symbols and indications as shown on Map Number 1-F in the area bounded by:

West Hubbard Street; North Wells Street; a line 100 feet south of and parallel to West Hubbard Street; the public alley next west of and parallel to North Wells Street; the public alley next south of and parallel to West Hubbard Street; and a line 256.14 feet west of and parallel to North Wells Street,

to those of Residential-Business Planned Development Number 1281, as amended.

SECTION 2. This ordinance shall be in force and effect from and after its passage and publication.

Plan of Development Statements referred to in this ordinance read as follows:

*Residential-Business Planned Development No. \_\_\_\_\_.*

*Planned Development Statements.*

1. The area delineated herein as Planned Development Number TBD ("Planned Development") consists of approximately 24,278 square feet of property which is depicted on the attached Planned Development Boundary and Property Line Map ("Property"). 215 Hubbard LLC is owner as tenant in common of a portion of the Property and the "Applicant" for this Planned Development pursuant to authorization of the owner of the remainder of Property.
2. The requirements, obligations and conditions contained within this Planned Development shall be binding upon the Applicant, its successors and assigns and, if different than the Applicant, the legal titleholders and any ground lessors. All rights

granted hereunder to the Applicant shall inure to the benefit of the Applicant's successors and assigns and, if different than the Applicant, the legal titleholder and any ground lessors. Furthermore, pursuant to the requirements of Section 17-8-0400 of the Chicago Zoning Ordinance (the "Zoning Ordinance"), the Property, at the time of application for amendments, modifications or changes (administrative, legislative or otherwise) to this Planned Development, shall be under single ownership or designated control. Single designated control is defined in Section 17-8-0400 of the Zoning Ordinance.

3. All applicable official reviews, approvals or permits are required to be obtained by the Applicant or its successors, assignees or grantees. Any dedication or vacation of streets or alleys or grants of easements or any adjustment of the right-of-way shall require a separate submittal to the Chicago Department of Transportation ("CDOT") on behalf of the Applicant or its successors, assigns or grantees.

Any requests for grants of privilege, or any items encroaching on the public way, shall be in compliance with the plans.

Ingress or egress shall be pursuant to the plans and may be subject to the review and approval of the Department of Planning and Development ("DPD") and CDOT. Closure of all or any public street or alley during demolition or construction shall be subject to the review and approval of CDOT.

All work proposed in the public way must be designed and constructed in accordance with CDOT Standards for Work in the Public Way and in compliance with the Municipal Code of the City of Chicago. Prior to the issuance of any Part II Approval, the submitted plans must be approved by CDOT.

4. This plan of development consists of these 17 Statements; a Bulk Regulations and Data Table and the following exhibits and plans attached hereto prepared by Hirsch Associates and dated November 19, 2015 (the "Plans"): an Existing Zoning Map; an Existing Land-Use Map; a Planned Development Property and Boundary Line Map; a Site Plan; a Landscape/Green Roof Plan; Subarea A Building Elevations (North, South, East and West) and Subarea B Building Elevations (North, South, East and West). Full-sized copies of the Site Plan, Landscape Plan and Building Elevations are on file with the DPD. In any instance where a provision of this Planned Development conflicts with the Chicago Building Code, the Building Code shall control. This Planned Development conforms to the intent and purpose of the Zoning Ordinance, and all requirements thereof, and satisfies the established criteria for approval as a Planned Development. In case of a conflict between the terms of this Planned Development Ordinance and the Zoning Ordinance, this Planned Development Ordinance shall control.
5. The following uses are permitted in the area delineated herein as a Business Planned Development:

Subarea A:

dwelling units located above the ground floor; animal services (excluding overnight kennels or boarding); eating and drinking establishments; financial services (excluding payday/title loans, pawnshops and drive throughs); food and beverage retail sales (excluding liquor stores and grocery stores); office; personal service; general retail sales; and related, incidental and accessory uses and parking.

Subarea B:

animal services (excluding overnight kennels or boarding); eating and drinking establishments; financial services (excluding payday/title loans, pawnshops and drive throughs); food and beverage retail sales (excluding liquor stores and grocery stores); office; personal service; general retail sales; and related, incidental and accessory uses and parking.

6. On-premises signs and temporary signs, such as construction and marketing signs, shall be permitted within the Planned Development, subject to the review and approval of DPD. Off-premises signs are prohibited within the boundary of the Planned Development.
7. For purposes of height measurement, the definitions in the Zoning Ordinance shall apply. The height of any building shall also be subject to height limitations, if any, established by the Federal Aviation Administration.
8. The maximum permitted Floor Area Ratio ("FAR") for the Property shall be in accordance with the attached Bulk Regulations and Data Table. For the purposes of FAR calculations and measurements, the definitions in the Zoning Ordinance shall apply. The permitted FAR identified in the Bulk Regulations and Data Table has been determined using a Net Site Area of 24,278 square feet and a base FAR of 7.0, and additional FAR for proposed FAR bonuses as follows:

Description	FAR
Base FAR:	7.00
Affordable Housing:	1.75
Transit Infrastructure:	1.40
Total FAR:	10.15

9. Upon review and determination, "Part II Review", pursuant to Section 17-13-0610 of the Zoning Ordinance, a Part II Review fee shall be assessed by DPD. The fee, as determined by staff at the time, is final and binding on the Applicant and must be paid to the Department of Revenue prior to the issuance of any Part II Approval.
10. The Site and Landscape Plans shall be in substantial conformance with the Landscape Ordinance and any other corresponding regulations and guidelines. Final landscape plan review and approval will be by DPD. Any interim reviews associated with site plan review or Part II Reviews, are conditional until final Part II Approval.
11. The Applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation, Fleet and Facility Management and Buildings, under Section 13-32-125 of the Municipal Code, or any other provision of that Code.
12. The terms and conditions of development under this Planned Development ordinance may be modified administratively, pursuant to Section 17-13-0611-A of the Zoning Ordinance by the Zoning Administrator upon the application for such a modification by the Applicant, its successors and assigns and, if different than the Applicant, the legal titleholders and any ground lessors.
13. The Applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.
14. The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. The Applicant shall seek LEED certification and provide a 50 percent net green roof equivalent to an actual total of 6,024 square feet.
15. The Applicant acknowledges and agrees that the rezoning of a portion of the Property from the DX-5 Downtown Mixed-Use District to the DX-7 Downtown Mixed-Use District for this Planned Development triggers the requirements of Section 2-45-110 of the Municipal Code (the "Affordable Housing Ordinance" or "AHO"). Any developer of a "residential housing project" within the meaning of the Affordable Housing Ordinance ("Residential Project") must: (i) develop affordable housing units as part of the Residential Project; (ii) pay a fee in lieu of the development of affordable housing units; or (iii) any combination of (i) and (ii). The Applicant further acknowledges and agrees

that this Planned Development is subject to Section 17-4-1004-D of the Zoning Code, which also requires on-site affordable housing or payment of a fee in lieu of providing affordable housing for rezonings in DC, DX and DR districts that increase the base floor area ratio. If a planned development is subject to the requirements of both Sections (2-45-110 and 17-4-1004-D), the developer may elect to satisfy the AHO requirements by complying with the affordable housing floor area bonus provided for in Section 17-4-1004. Applicant has elected to comply with Section 17-4-1004. Pursuant to Section 17-4-1004-B of the Zoning Ordinance, the Applicant has requested an increase in the floor area ratio for the Property, as set forth in the bonus worksheet required under Section 17-4-1003-D and attached hereto as Exhibit [\_\_\_\_\_] ("Bonus Worksheet"). In accordance with the formulas set forth in Section 17-4-1004-C and the Bonus Worksheet, the Applicant acknowledges and agrees that it must provide either a minimum of 10,621.75 square feet of floor area (the "Affordable Units") in the building receiving the affordable housing floor area bonus ("Eligible Building"), with an affordable unit mix comparable to the overall mix and approved by DPD's density bonus project manager prior to issuance of the first building permit, or make a cash payment in lieu of providing affordable housing in the amount of \$1,461,552.80 ("Cash Payment"), or \$100,000 per unit ("Pro Rata Amount"). Prior to the issuance of any building permits for the Eligible Building, including, without limitation, excavation or foundation permits, the Applicant must either make the required Cash Payment or provide a performance bond or other security in the amount of the Cash Payment ensuring construction of the Affordable Units. If the Applicant elects to construct the Affordable Units, it must also enter into an Affordable Housing Agreement with the City pursuant to Section 17-4-1004-E9 prior to the issuance of any building permits for the Eligible Building, including, without limitation, excavation or foundation permits. The terms of the Affordable Housing Agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the Affordable Housing Agreement will be recorded against the Eligible Building and will constitute a lien against each Affordable Unit in an amount equal to the Pro Rata Amount. The City shall execute partial releases of the Affordable Housing Agreement prior to or at the time of the sale of each Affordable Unit to an income-eligible buyer at an affordable price, subject to the simultaneous execution and recording of a mortgage, restrictive covenant or similar instrument against such Affordable Unit. In addition to the Affordable Housing Agreement, the Applicant acknowledges and agrees that, pursuant to Section 17-4-1003-D3, the Bonus Worksheet will serve as an official record of bonuses and amenities. The Applicant must comply with the applicable affordable housing standards and requirements set forth in Section 17-4-1004, the terms of which are incorporated herein by this reference. Notwithstanding anything to the contrary contained in Section 17-4-1003-E, the Commissioner of the Department of Planning and Development may enforce remedies for breach of the Affordable Housing Agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development.

- 16. Pursuant to the Transit Infrastructure Improvements Bonus provisions of Section 17-4-1020 of the Zoning Ordinance, the Applicant has requested an increase in the floor area permitted on the Property based on a cash contribution for public transit infrastructure improvements. The Applicant shall make a cash contribution in the amount of \$1,169,228, which corresponds to a floor area bonus of 1.40. Pursuant to Section 17-4-1020-A of the Zoning Ordinance, the Applicant must enter into an agreement with the agency undertaking the improvements providing for such cash contribution. The Applicant must provide evidence that such cash contribution has been paid by the Applicant as a condition to issuance of any Part II Approvals.
- 17. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development ordinance lapse, the Commissioner of DPD shall initiate a zoning map amendment to rezone the Property to the DX-7 Downtown Mixed-Use District.

*Reclassification Of Area Shown On Map No. 1-G.*

(As Amended)

(Application No. 18516T1)

(Common Address: 817 W. Lake St.)

[SO2015-6406]

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. Title 17 of the Municipal Code of Chicago, the Chicago Zoning Ordinance, is hereby amended by changing all of the C3-1 Commercial, Manufacturing and Employment District symbols and indications as shown on Map Number 1-G in the area bounded by:

a line 40 feet south of West Lake Street; a line 181.31 feet west of North Halsted Street; the public alley next south of West Lake Street; and North Green Street,

to those of a DS-3 Downtown Service District.

SECTION 2. This ordinance shall be in force and effect from and after its passage and due publication.

[Site Plan; First, Second and Third Floor Plans; and North, South, East and West Building Elevations attached to this ordinance printed on pages 15865 through 15872 of this *Journal*.]

Type 1 Narrative Rezoning Analysis attached to this ordinance reads as follows:

*Substitute Type 1 Rezoning Narrative.*

Applicant intends to redevelop and revitalize a blighted commercial property which has been vacant for over 10 years into a single-tenant restaurant space and needs additional FAR to complete the project as planned.

The property is currently improved with a vacant building containing approximately 4,959 square feet on the first floor, approximately 3,834 square feet of floor space on the second floor, and approximately 373 square feet of floor space on the third floor for a total floor space of approximately 9,166 square feet. Under the property's current Zoning District of C3-1, which provides for an FAR of 1.2, the property is restricted from utilizing its full potential because no additional square footage can be added to the existing building.

Accordingly, applicant is requesting a zoning amendment for the property from a C3-1 Zoning District to a DS-3 Zoning District in order to complete its proposed redevelopment project into a single-tenant restaurant space. Specific project details are as follows:

Proposed Land Use of Project:	Single-tenant restaurant
Floor Area Ratio of Project:	2.6 FAR
Density of Project:	Zero dwelling units
Off-Street Parking for Project:	Zero per Zoning Code Section 17-10-0101-C
Setbacks for Project:	None
Building Height for Project:	44 feet
Floor Plans of Project:	See attached Exhibit A

The increased zoning for the property is in accordance with Fulton District Innovation Plan Developed by the Chicago Department of Planning and Development, which provides that the property is located within the Lake Street Business and Service Subarea. Building scale within the subarea is suggested to be three to eight stories and suggested uses in the subarea specifically include restaurants.

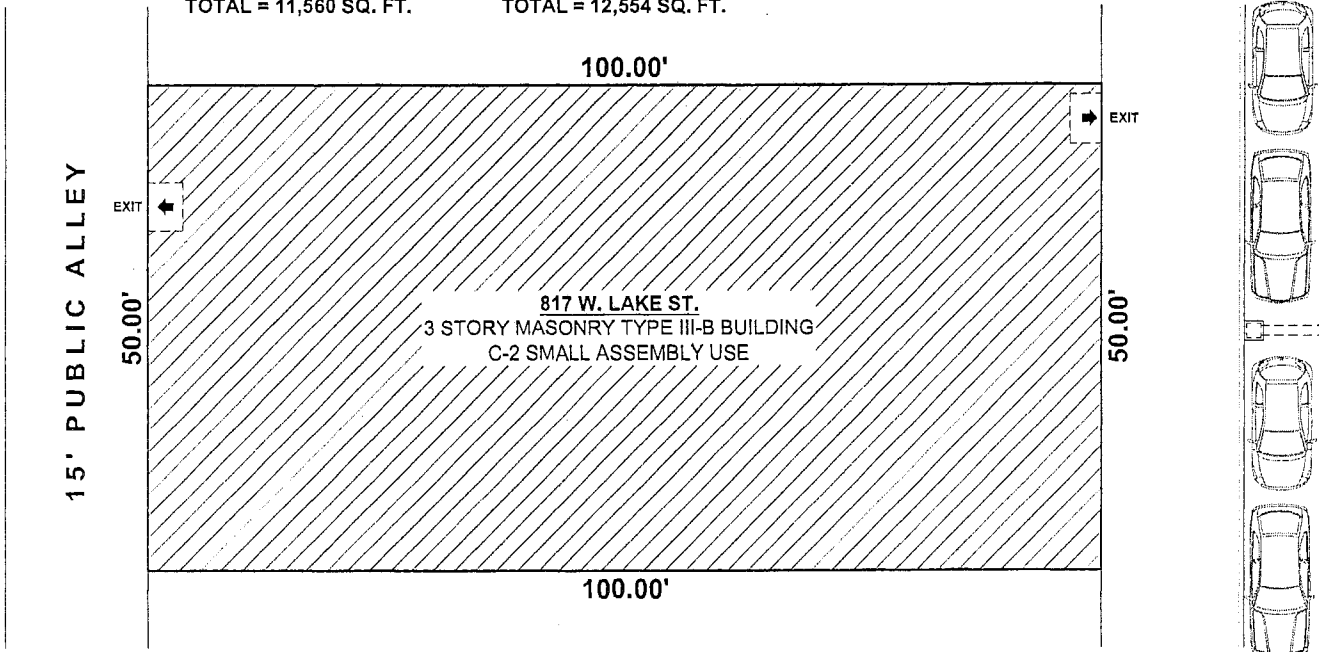

The increased zoning is also in accordance with Continuing Land Use Planning for Guiding Growth presentation developed by the Chicago Department of Planning and Development and the Chicago Department of Transportation, which provides that the property is located within the Stay and Play subarea. Building scale within the subarea is suggested to be three to 15 stories and suggested uses in the subarea specifically include restaurants.

The property is not located within the Historic Fulton-Randolph Market District and is not designated as a landmarked property. Further, there are currently no residential dwellings in the immediate vicinity of the property.

(650 -- 658 S. Wells St., 700 -- 758 S. Wells St., 223 -- 313 W. Harrison St.,  
301 -- 321 W. Polk St. And 201 -- 249 W. Polk St.)

[SO2015-4644]

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. That the Chicago Zoning Ordinance be amended by changing all of the DX-7 Downtown Mixed-Use District symbols and indications as shown on Map Number 2-F in the area bounded by:

West Harrison Street; a line 220 feet west of and parallel to North Wells Street; a line 306.25 feet south of and parallel to West Harrison Street; North Wells Street; West Polk Street; and the east boundary line of the south branch of the Chicago River,

to those of a Waterway Residential-Business Planned Development subject to the statements and bulk regulations and data table attached hereto.

SECTION 2. This ordinance shall be in force and effect from and after its passage and publication.

Plan of Development Statements referred to in this ordinance read as follows:

*Waterway Residential-Business Planned Development No. TBD.*

1. The area delineated herein as Waterway Residential-Business Planned Development Number \_\_\_\_\_ ("Planned Development") consists of approximately 282,710 square feet of net site area (after right-of-way adjustments contemplated herein) together with certain portions of adjacent rights-of-way, as depicted on the attached Planned Development Boundary and Property Line Map ("Property"). 1000 South Wells (Chicago) LLC (the "Applicant") is the owner of a portion of the Property and has requested this Planned Development with the authorization of the owner of the remainder of the property, Franklin Point Equities LLC. This Planned Development is divided into Subareas (each, a "Subarea" and collectively, the "Subareas") as indicated on the attached Subarea Map.
2. All applicable official reviews, approvals or permits are required to be obtained by the Applicant or its successors, assignees or grantees. Any dedication or vacation of streets or alleys or grants of easements or any adjustment of the right-of-way shall require a separate submittal to the Department of Transportation ("CDOT") on behalf of the Applicant or its successors, assignees or grantees.

Any requests for grants of privilege, or any items encroaching on the public way, shall be in compliance with the plans.

Ingress or egress shall be pursuant to the plans and may be subject to the review and approval of the Department of Planning and Development (the "Department" or "DPD") and CDOT. Closure of all or any public street or alley during demolition or construction shall be subject to the review and approval of CDOT.

All work proposed in the public way must be designed and constructed in accordance with the CDOT Construction Standards for Work in the Public Way and in compliance with the Municipal Code of the City of Chicago. Prior to the issuance of any Part II Approval, the submitted plans must be approved by CDOT.

Prior to issuance of any Part II Approvals for the Open Space Subarea, the Applicant shall submit an updated traffic study to CDOT that reviews the intersections of Harrison/LaSalle, Harrison/Clark, and Congress/Clark and reviews the feasibility of converting Clark, between Congress and Harrison to two-way; provided, however, the Applicant shall not be responsible for the cost of any additional infrastructure that may be recommended in the updated traffic study to be provided prior to Part II Approval.

Simultaneous with the construction of the improvements in the Open Space Subarea, and subject to issuance of all necessary permits by all governmental or quasi-governmental authorities having jurisdiction over such improvements, Applicant shall construct or cause to be constructed, at its sole cost, the following infrastructure improvements:

- (a) install a traffic signal at Wells Street/Polk Street prior to issuance of any certificate of occupancy;
  - (b) modify signal timings at Harrison Street/Wacker Drive/Franklin Street/Access Drive to accommodate a split phase for northbound and southbound to provide access for Building A or Building B (whichever is constructed first); and
  - (c) provide a perpetual easement for pedestrian passage on Wells Street in the width shown on the site plan (notwithstanding any building columns) with a height clearance that will meet CDOT standards (currently anticipated to be 15 feet, 3 inches, but in no event less than 12 feet) prior to issuance of any certificate of occupancy.
3. The requirements, obligations and conditions contained within this Planned Development shall be binding upon the Applicant, its successors and assigns and, if different than the Applicant, the legal titleholders and any ground lessees. All rights granted hereunder to the Applicant shall inure to the benefit of the Applicant's successors and assigns and, if different than the Applicant, the legal titleholder and any ground lessees. Furthermore, pursuant to the requirements of Section 17-8-0400 of the Chicago Zoning Ordinance, the Property, at the time of application for amendments, modifications or changes (administrative, legislative or otherwise) to this Planned Development are made, shall be under single-ownership or designated control. Single designated control for purposes of this statement shall mean that any application to the City for any amendment to this Planned Development or any other modification or change thereto (administrative, legislative or otherwise) shall be made or authorized by all the owners of the Property and any ground/air-rights lessors of the Property, subject, however, to the following exceptions and conditions: (a) any changes or modifications to this Planned Development applicable to or in a given Subarea need only be made or authorized by the owners and/or any ground/air-rights lessors of such Subarea; provided, however, that for so long as the Applicant or any affiliate thereof owns or controls any part of the Property, any application to the City for any such changes or modifications (administrative, legislative or otherwise) must in all cases be additionally authorized by the Applicant and (b) where portions of the improvements located on the Property have been submitted to the Illinois Condominium Property Act, the term "owner" shall be deemed to refer solely to the condominium association of the owners of such portions of the improvements and not to the individual unit owners therein. Nothing herein shall prohibit or in any way restrict the alienation, sale or any other transfer of all or any portion of the Property or any rights, interests or obligations therein including any ground or air-rights leases. Upon any alienation, sale or any other transfer of all or any portion of the Property or the rights therein including any ground or air-rights leases (but not including an assignment or transfer of rights pursuant to a mortgage or otherwise as collateral for any indebtedness) and solely with respect to the portion of the Property so transferred, the term "Applicant" shall be deemed amended to apply to the transferee thereof (and its beneficiaries if such transferee is a land trust) and the seller or transferor thereof (and its beneficiaries if such seller or transferor is a land trust) shall thereafter be released from any and all obligations or liability

hereunder; provided, however that the Applicant's right to authorize changes or modifications to this Planned Development for so long as it owns or controls all or any portion of the Property as set forth in clause (a) of this Statement Number 3 above shall not be deemed amended or transferred to apply to a transferee (or its beneficiaries as aforesaid) unless expressly assigned in a written instrument executed by the original Applicant hereunder.

4. This plan of development consists of these 18 Statements, a Bulk Regulations Table and the following plans all prepared by Perkins + Will dated November 19, 2015 (collectively, the "Plans"):
  - a. Existing Zoning Map.
  - b. Planned Development Boundary and Property Line Map.
  - c. Existing Land-Use Map.
  - d. Subarea Map.
  - e. Overall Site and Landscape Plan.
  - f. Site Plan (Subareas 1 -- 3).
  - g. Landscape/Plantings + Roof Plan (Subareas 1 -- 3).
  - h. Building Elevations (Subareas 1 -- 3).

Where applicable, full-sized copies of the Plans are on file with the Department. In any instance where a provision of this Planned Development conflicts with the Chicago Building Code, the Building Code shall control. This Planned Development conforms to the intent and purpose of the Zoning Ordinance, and all requirements thereto, and satisfies the established criteria for approval as a planned development. In case of a conflict between the terms of this Planned Development ordinance and the Zoning Ordinance, this Planned Development ordinance shall control.

5. The following uses are permitted in this Planned Development:
  - a. Residential uses (both on and above the ground floor): multi-unit residential.
  - b. Public and civic uses: day care, public safety services.
  - c. Business and commercial uses: animal services, artist work or sales space, building maintenance services, business support services, communication service establishment, eating and drinking establishments, financial services, food and beverage retail sales, medical service, office, accessory parking, personal service, repair or laundry service, consumer, retail sales, general.

The following uses are permitted in Subareas 1 and 3 only and in conjunction with Site Plan Approval:

- a. Residential: artist and business live/work space.
- b. Public and civic uses:
  - i. Cultural exhibits and libraries (including, without limitation, museums).
  - ii. Parks and recreation (incidental or accessory to the open space or other uses on the site; including, without limitation, community centers, recreation buildings and similar assembly uses).

The following uses are permitted in Buildings A and B only and in conjunction with Site Plan Approval:

- a. Public and civic uses: schools.
- b. Business and commercial uses: lodging (hotel/motel and vacation rental).
- c. Residential uses: elderly housing, assisted living.

The following uses are permitted in Buildings A and E and the open space Subarea only and in conjunction with Site Plan Approval:

- a. Business and commercial uses: participant sports and recreation (outdoor).

As contemplated by Section 17-10-0503 of the Zoning Ordinance, up to 45 percent of the minimum required accessory parking spaces may be leased out on a daily, weekly or monthly basis to persons who are not residents, tenants, patrons, employees, or guests of the principal use.

6. On-premises signs and temporary signs, such as construction and marketing signs, shall be permitted within the Planned Development, subject to the review and approval of the Department. Off-premises signs are prohibited within the boundary of the Planned Development.
7. For purposes of height measurement, the definitions in the Zoning Ordinance shall apply. The height of any building shall also be subject to height limitations, if any, established by the Federal Aviation Administration.
8. The maximum permitted Floor Area Ratio ("FAR") for the site shall be in accordance with the attached Bulk Regulations Table. For the purposes of FAR calculations and

measurements, the definitions in the Zoning Ordinance shall apply. The permitted FAR identified in the Bulk Regulations Table has been determined using a Net Site Area of 282,710 square feet.

9. The Applicant shall obtain approvals from MWRD as may be required in order to release any stormwater from the development into the Chicago River. Stormwater detention facilities on the property shall be privately owned and maintained.
10. The Applicant acknowledges the importance of the Chicago River as a resource for both commerce and recreation and also acknowledges the City's goals of improving the appearance, quality and accessibility of the river, as contained in the waterway planned development guidelines contained in the Zoning Ordinance (Section 17-8-0912) and the Chicago River Corridor Design Guidelines and Standards. To further these goals, the Applicant agrees, as set forth in the Plans, to: (a) provide a minimum 30-foot building setback from the river with a continuous riverwalk as shown on the Landscape Plans, not including encroachments for structural columns or other structural support necessary for extending buildings and other building elements above the riverwalk beginning at a height of three (3) stories minimum above the lowest finished floor and extending to the top of such improvements, and will be landscaped in accordance with the Plans, and (b) permit connection of such riverwalk and landscaping with similar facilities on adjacent properties when adjacent properties are improved or redeveloped. The Applicant shall permit un-gated public access to the river setback and provide signage on the riverwalk and at riverwalk entries indicating that the riverwalk is open to the public during typical Chicago Park District hours. All riverwalk and landscaping improvements within the river setback must be substantially completed within 18 months of the issuance of all necessary permits by all governmental or quasi-governmental authorities having jurisdiction over such improvements including, without limitation, the Army Corps of Engineers, Metropolitan Water Reclamation District, IDNR-OWR, Coast Guard and CDOT, and provided that construction and planting may be delayed due to delays or inability to perform such acts due to causes beyond the reasonable control of the Applicant and provide that completion may be delayed if consistent with good landscape practice or if necessary to accommodate construction of later phases of development, but not longer than one year following receipt of the final occupancy certificate.

In addition to the riverwalk, and subject to the receipt of all necessary permits and approvals, the Applicant or its successors and assigns, at its sole cost, shall design and construct the open space improvements as depicted on the Landscape Plan (hereinafter the "Park"). Upon completion of the Park, the Applicant, its successors and assigns and, if different than the Applicant, the legal titleholders and any ground lessors, shall be responsible for maintaining and managing the Park for the purposes set forth herein, including ensuring that the Park's landscaping is well maintained, that the vegetation and plantings are kept in a healthy condition and that the Park facilities are clean, well lit, litter free and clear of snow (hardscaped areas) and debris. The maintenance and management obligations contained herein shall continue for the life of this Planned Development and may, at the Applicant's election, be delegated or

assigned to a homeowners association or master association. The Park shall be privately owned maintained and, subject to occasional partial closure for private use but subject to the foregoing, shall remain accessible to the public during hours in which public parks are accessible to the public. All improvements within the Park must be substantially completed within the 18-month period set forth in this Statement 10 above, provided that plantings may be delayed if consistent with good landscape practice, but not longer than one year following the construction of the open space improvements set forth herein.

11. Upon review and determination, "Part II Review", pursuant to Section 17-13-0610 of the Zoning Ordinance, a Part II Review fee shall be assessed by the Department. The fee, as determined by staff at the time, is final and binding on the Applicant and must be paid to the Department of Revenue prior to the issuance of any Part II Approval.
12. The Plans are deemed to be in conformance with the Landscape Ordinance and other corresponding regulations and guidelines. Final landscape plan review and approval will be by the Department. Any interim reviews associated with site plan review or Part II Reviews, are conditional until final Part II Approval.
13. The Applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation, Environment and Buildings, under Section 13-32-125 of the Municipal Code, or any other provision of that Code.
14. The terms and conditions of development under this Planned Development ordinance may be modified administratively, pursuant to Section 17-13-0611-A of the Zoning Ordinance by the Zoning Administrator upon the application for such a modification by the Applicant, its successors and assigns and, if different than the Applicant, the legal titleholders and any ground lessees, subject to Statement 3 above.

Prior to the Part II Approval (per Section 17-13-0610 of the Zoning Ordinance) in Subareas 1 and 3, the Applicant shall submit a site plan, landscape plan and building elevations for the specific Subareas for review and approval by the Department. Review and approval by the Department is intended to assure that specific development components substantially conform with the Planned Development and to assist the City in monitoring ongoing development. Subarea Site Plan Approval Submittals need only include that portion of the Property for which approval is being sought by the Applicant. If the Applicant is seeking approval for a portion of the Property that represents less than an entire Subarea, the Applicant shall also include a site plan for that area of the Property which is bounded on all sides by either public rights-of-way or the boundary of the nearest Subarea. The site plan provided shall include all dimensioned and planned street rights-of-way.

No Part II Approval for Subareas 1 or 3 shall be granted until Site Plan approval has been granted. If the Subarea Site Plan Approval Submittals substantially conform to the provisions of the Planned Development, the Department shall approve the submittal

in a prompt and timely manner. Following approval by the Department, the approved Subarea Site Plan Approval Submittals, supporting data and materials shall be made part of the main file and shall be deemed to be an integral part of the Planned Development.

After approval of the Subarea Site Plan, changes or modifications may be made pursuant to the provisions of Statement 14. In the event of any inconsistency between approved plans and the terms of the Planned Development, the terms of the Planned Development shall govern. Any Subarea Site Plan Approval Submittals shall, at a minimum, provide the following information:

- fully-dimensioned site plan (including a footprint of the proposed improvements);
- fully-dimensioned building elevations;
- fully-dimensioned landscape plan(s); and
- statistical information applicable to the subject Subarea, including floor area, the applicable FAR, uses to be established, building heights and setbacks.

Subarea Site Plan Approval Submittals shall include all other information necessary to illustrate substantial conformance to the Planned Development.

15. The Applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.
16. The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all new buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. At the time of Site Plan Approval, all new buildings must demonstrate substantial compliance with the current City of Chicago Sustainable Development Policy set forth by the Department of Planning and Development.
17. The Applicant acknowledges and agrees that the rezoning of the Property from DX-7 Mixed-Use District to this Planned Development triggers the requirements of Section 2-45-110 of the Municipal Code (the "Affordable Requirements Ordinance" or "ARO"). Any developer of a "residential housing project" within the meaning of the ARO must: (a) develop affordable housing units as part of the residential housing project; (b) pay a fee in lieu of the development of affordable housing units; or (c) any combination of (a) and (b). The Applicant further acknowledges and agrees that the Planned Development has received bonus floor area pursuant to Section 17-4-1004-B

of the Zoning Ordinance ("Bonus FAR"), and as a result is also subject to the requirements of Section 17-4-1004-D of the Zoning Ordinance (the "Density Bonus Provisions"). Like the ARO, the Density Bonus Provisions require the Applicant to either provide on-site affordable housing or pay a fee in lieu of providing affordable housing, but the formulas for calculating the required number of affordable units and the amount of the in lieu fee are different under the Density Bonus Provisions. If a Planned Development is subject to both the ARO and the Density Bonus Provisions, the Applicant may elect to comply with either. In this case, the Applicant has elected to comply with the Density Bonus Provisions. Accordingly, pursuant to the formulas set forth in Section 17-4-1004-C of the Zoning Ordinance and the attached Bonus Worksheet, the Applicant acknowledges and agrees that in exchange for the receipt of 494,743 square feet in Bonus FAR it must either: (x) devote a minimum of 123,686 square feet to affordable housing ("Affordable Floor Area"); or (y) make a cash payment in lieu of providing the Affordable Floor Area in the amount of \$8,707,477 (the "Cash Payment"); or (z) any combination of (x) and (y), in which event the amount of Affordable Floor Area and the amount of the Cash Payment shall be adjusted to account for the combination selected.

The Bonus FAR this Planned Development has been allocated to Subareas 1 -- 3 as follows:

Subarea	Total FAR (square feet)	Maximum Bonus FAR (square feet)	Subarea FAR (square feet)/ Overall Planned Development FAR (square feet)	Affordable Floor Area (square feet) Required	Cash Payment Required
1	1,518,610	303,722	0.613899	75,931	\$5,345,513.81
2	441,369	88,274	0.178424	22,069	\$1,553,620.80
3	513,733	102,747	0.207677	25,687	\$1,808,342.39
Open Space	0	0	0.0000	0	\$0
TOTAL	2,473,712	494,743	1.0000	123,686	\$8,707,477

The Applicant may not transfer Bonus FAR between Subareas, but may apply the Bonus FAR in Subarea 1 to one or more buildings in such Subarea. The Cash Payment and Affordable Floor Area for the Planned Development as a whole shall be prorated among the individual buildings in the Planned Development based on the amount of Bonus FAR each building receives compared to the overall Bonus FAR in the Planned Development. For example, if the Applicant elects to make a Cash Payment in lieu of providing Affordable Floor Area for a building, such payment shall be calculated by multiplying \$8,707,477 (the total Cash Payment due for the Planned Development) by a fraction, the numerator of which shall be the amount of Bonus FAR such building receives and the denominator of which shall be 494,743 square feet (the total amount of Bonus FAR in the Planned Development).

Prior to the issuance of any building permit (including, without limitation, an excavation or foundation permit, but not including any site preparation or mass grading permit that is not specific to a building) for any building receiving Bonus FAR, the Applicant must either enter into an affordable housing agreement with the City pursuant to Section 17-4-1004-E9 ("Affordable Housing Agreement") committing to provide the required Affordable Floor Area or make the required Cash Payment. If the Applicant elects to provide the Affordable Floor Area, the terms of the Affordable Housing Agreement and any amendments thereto are incorporated herein by this reference. The Applicant must comply with the applicable affordable housing standards and requirements set forth in Section 17-4-1004, the terms of which are incorporated herein by this reference. Notwithstanding anything to the contrary contained in Section 17-4-1003-E, the Commissioner of the Department of Planning and Development, or any successor department thereto, may enforce remedies for breach of the Affordable Housing Agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development. In addition, notwithstanding anything to the contrary contained in Section 17-4-1003-E, if the Applicant subsequently reduces the overall floor area of the Planned Development (resulting in a corresponding reduction in Bonus FAR), the Department may adjust the requirements of this Statement 17 on a going forward basis (i.e., in calculating the required Affordable Floor Area and/or in lieu Cash Payment due for future construction) without amending the Planned Development; provided, however, the Department shall have no obligation to make retroactive adjustments to previous calculations of required Affordable Floor Area and/or Cash Payments for buildings that have received Part II Approval (per Section 17-13-0610 of the Zoning Ordinance). In order for any such changes to be effective, the Applicant shall update and resubmit the Bonus Worksheet to the Department for review and approval. The Applicant acknowledges and agrees that, pursuant to Section 17-4-1003-D3, the Bonus Worksheet (as updated in accordance with this statement) will serve as an official record of bonuses and amenities.

17. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development Ordinance lapse, the Commissioner of DPD shall initiate a zoning map amendment to rezone the Property to the DX-7 Downtown Mixed-Use District.

Type 1 Narrative Rezoning Analysis attached to this ordinance reads as follows:

17-13-0303-C.1 Narrative Zoning and Development Analysis  
 Proposed Type 1 Map Amendment to Classify or Reclassify 3527-3533 West North Avenue to the B3-5  
 Community Shopping District

Narrative

The subject property is located in the Humboldt Park neighborhood and is comprised of 4 lots on the South side of North Avenue, between St. Louis and Central Park.

The westernmost lot (3533 West North Avenue) is currently improved with a two-story building owned by La Casa Norte and from which La Casa Norte provides counseling and social services to homeless and other at-risk youth and families. The eastern three lots (3527-3531 West North Avenue) are improved with a vacant and dilapidated 2-story structure. La Casa Norte was able to acquire the eastern three lots in 2010 with assistance from one of its benefactors.

Provided the City of Chicago grants the necessary zoning and permitting approvals<sup>1</sup>, La Casa Norte intends to demolish the two existing structures and create a new mixed-use development to be known as "Pierce House," with extensive green building features, 25 dwelling units targeted for occupancy by chronically homeless youth and families and a multi-purpose community center<sup>2</sup> that would include a community meeting space and art gallery, community computer lab, health, dental and nutrition services, food & clothing pantries, a drop-in center for homeless youth with anti-violence programming, counseling, social services, offices for La Casa Norte, and similar uses. La Casa Norte believes Pierce House will provide essential and desperately-needed affordable housing and services for its community and could also serve as a vibrant catalyst for additional revitalization in the area.

Please refer to the attached plans prepared by Landon Bone Baker Architects.

Development Analysis for Project as Proposed

F.A.R	4.1 (47,690 s.f. of Gross Floor Area/11,530 s.f. of Lot Area) <sup>3</sup>
Lot Area per Dwelling Unit	461 square feet per dwelling unit (11,530 s.f. Lot Area/25 d.u.)
Off-Street Parking	9 spaces <sup>4</sup>
Bicycle Parking	Minimum 10 spaces
Front Yard Set Back	0'
Side Yard Setbacks	0'
Rear Yard Setback (First Floor)	Minimum 23'
Rear Yard Setback (Upper Floors)	0' <sup>5</sup>
Proposed Building Height	65' (5 story)

FINAL FOR PUBLICATION

<sup>1</sup> The site was rezoned from B3-1 to B3-5 in 2011 pursuant to a Type I rezoning application by La Casa Norte for this same project. La Casa Norte is seeking this rezoning because the 2011 Type 1 rezoning has lapsed.

<sup>2</sup> The Zoning Board of Appeals (ZBA) approved this Special Use in 2012, and La Casa Norte is applying again.

<sup>3</sup> Basement floor area is not counted, given that the basement will be more than 50% below grade.

<sup>4</sup> A copy of the Zoning Administrator's prior Parking Determination is attached. Applicant is seeking an updated letter.

<sup>5</sup> The ZBA approved the Variation to permit this setback reduction in 2012, and La Casa Norte is applying again.

[SO2015-5352]

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. Title 17 of the Municipal Code of Chicago, the Chicago Zoning Ordinance, is hereby amended by changing all the Residential-Business Planned Development Number 132 symbols and indications as shown on Map Number 11-G in an area bounded by:

West Montrose Avenue; North Hazel Street; West Cullom Avenue; a line 325 feet east of North Broadway; a line 110 feet northwest of West Cullom Avenue; a line 249.85 feet west of North Hazel Street, from a point on a line 249.85 feet west of North Hazel Street to a point on a line 162.70 feet northwesterly of West Cullom Avenue and 209.63 feet easterly of North Broadway; a line 162.70 feet northwesterly of West Cullom Avenue; North Broadway; and North Sheridan Road,

to the designation of Residential-Business Planned Development Number 132, as amended, which is hereby established in the area above described, subject to such use and bulk regulations as are set forth in the Plan of Development herewith attached and made a part thereof and to no others.

SECTION 2. This ordinance shall be in force and effect from after its passage and due publication.

Plan of Development Statements referred to in this ordinance read as follows.

*Residential-Business Planned Development No. 132, As Amended.*

*Plan Of Development Statements.*

1. The area delineated herein as Residential-Business Planned Development Number 132, as amended, consists of approximately 207,616 square feet of property which is depicted on the attached Planned Development Boundary and Property Line Map ("Property") and is owned or controlled by the applicant, WRPV XII Pensacola Chicago LLC.
2. The requirements, obligations and conditions contained within this planned development shall be binding upon the applicant, its successors and assigns and, if different than the applicant, the legal titleholders and any ground lessors. All rights granted hereunder to the applicant shall inure to the benefit of the applicant's successors and assigns and, if different than the applicant, the legal titleholder and any ground lessors. Furthermore, pursuant to the requirements of Section 17-8-0400 of the Chicago Zoning Ordinance, the Property, at the time applications for amendments, modifications or changes (administrative, legislative or otherwise) to this planned development are made, shall be under single ownership or under single designated control. Single designated control is defined in Section 17-8-0400 of the Zoning Ordinance.
3. All applicable official reviews, approvals or permits are required to be obtained by the applicant or its successors, assignees, or grantees. Any dedication or vacation of streets or alleys, or grants of easements, or adjustments of right-of-way, shall require a separate submittal to the Department of Transportation on behalf of the applicant or its successors, assignees, or grantees.

Any requests for grants of privilege, or any items encroaching on the public way, shall be in compliance with the plans.

Ingress or egress shall be pursuant to the plans and may be subject to the review and approval of the Departments of Planning and Development and Transportation. Closure

of all or any public street or alley during demolition or construction shall be subject to the review and approval of the Department of Transportation.

All work proposed in the public way must be designed and constructed in accordance with the Department of Transportation Construction Standards for Work in the Public Way and in compliance with the Municipal Code of the City of Chicago. Prior to the issuance of any Part II Approval, the submitted plans must be approved by the Department of Transportation.

4. This plan of development consists of these sixteen (16) Statements; a Bulk Regulations and Data Table; an Existing Land-Use Map: Existing Zoning Map; a Planned Development Boundary and Property Line Map; a Phase I Site Plan/Landscape Plan: and Phase I Building Elevations; and Phase II Building Massing Drawings, prepared by architect Brininstool + Lynch dated November 19, 2015. Full size copies of the Site Plan, Landscape Plan and Building Elevations are on file with the Department of Planning and Development. In any instance where a provision of this planned development conflicts with the Chicago Building Code, the Building Code shall control. This planned development conforms to the intent and purpose of the Zoning Ordinance, and all requirements thereto, and satisfies the established criteria for approval as a planned development. In case of a conflict between the terms of this planned development ordinance and the Zoning Ordinance, this planned development ordinance shall control.
5. The following uses shall be allowed within the area herein delineated as Residential Business Planned Development:

Subarea A:

residential dwelling units on and above the ground floor; artist live/work space above the ground floor; detached house; elderly housing; townhouse; two-flat; assisted living (elderly custodial care); animal services including sales and grooming and veterinary and excluding shelter/boarding kennel and stables; artist work or sales space; building maintenance services; business support services (excluding day labor employment agency and employment agencies); eating and drinking establishments including restaurant limited, restaurant general, tavern, outdoor patio if located on a rooftop or located at grade; financial services including bank, savings bank, savings and loan association, currency exchange and credit union, automated teller machine facility; food and beverage retail sales including liquor store package goods, liquor sales as accessory use; medical service; office including high technology office and electronic data storage center; personal service including hair salon, nail salon or barbershop and massage establishment; repair or laundry service, consumer including dry cleaning drop-off or pick-up (no on-premises plant) and coin-operated laundromat; retail sales general; sports and recreation, participant, indoor, entertainment cabaret, children's play center; co-located wireless communication facilities; accessory parking, and accessory uses.

## Subarea B:

accessory parking.

## Subarea C:

residential dwelling units on and above the ground floor, townhouses, accessory parking.

6. On-premises signs and temporary signs, such as construction and marketing signs, shall be permitted within the planned development, subject to the review and approval of the Department of Planning and Development. Off-premises signs are prohibited within the boundary of the planned development.
7. For purposes of height measurement, the definitions in the Zoning Ordinance shall apply. The height of any building shall also be subject to height limitations, if any, established by the Federal Aviation Administration.
8. The maximum permitted Floor Area Ratio ("FAR") for the site shall be in accordance with the attached Bulk Regulations and Data Table. For the purposes of FAR calculations and measurements, the definitions in the Zoning Ordinance shall apply. The permitted FAR identified in the Bulk Regulations and Data Table has been determined using a Net Site Area of 207,616 square feet.
9. Upon review and determination, "Part II Review", pursuant to Section 17-13-0610 of the Zoning Ordinance, a Part II Review fee shall be assessed by the Department Planning and Development. The fee, as determined by staff at the time, is final and binding on the applicant and must be paid to the Department of Revenue prior to the issuance of any Part II Approval.
10. The Site and Landscape Plans shall be in substantial conformance with the Landscape Ordinance and any other corresponding regulations and guidelines. Final landscape plan review and approval will be by the Department of Planning and Development. Any interim reviews associated with site plan review or Part II Reviews, are conditional until final Part II Approval.
11. The applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation, Environment and Buildings, under Section 13-32-125 of the Municipal Code, or any other provision of that Code.
12. Prior to the Department of Planning and Development issuing a determination pursuant to Section 17-13-0610 of the Chicago Zoning Ordinance (a "Part II Approval") for development of Phase II, a site plan for the proposed development of such shall be submitted to the Department of Planning and Development for Site Plan Approval. Site Plan Approval is intended to assure that the specific development proposals substantially conform with this planned development and to assist the City in monitoring

ongoing development. A site plan may be submitted for all or part of Phase II. Such site plan need only include the area within the Property for which approval is being sought by the applicant. No Part II Approval for such area shall be granted until an applicable Site Plan has been approved.

Requests for Site Plan Approval shall be submitted to the Commissioner of the Department of Planning and Development ("DPD"). Applicant shall also submit an updated Traffic Study at that time to the Department of Transportation and DPD. Following approval of a Site Plan by the Zoning Administrator, the Site Plan shall be kept on permanent file with the Department of Planning and Development and shall be deemed to be an integral part of this planned development.

After approval of a Site Plan Approval or Part II Approval by DPD concerning the Property or a portion thereof, the same may be changed or modified pursuant to the provisions of Statement Number 13 of this planned development. In the event of any inconsistency between an approved Site Plan and the terms of this planned development (including any amendments hereto that may be in effect at the time of such approval), the terms of this planned development (as the same may be so amended) shall govern.

A Site Plan shall, at a minimum, provide the following information with respect to the proposed improvements within the boundaries of the area to be developed:

- (a) building elevations and sections;
- (b) footprint of the improvements;
- (c) preliminary landscaping plan;
- (d) pedestrian circulation; updated traffic study
- (e) preliminary cross-sections of the improvements; and
- (f) statistical information applicable to the area, including floor area and floor area ratio, numbers of dwelling units, uses to be established, building heights and setbacks.

A Site Plan shall include such other information as may be necessary to illustrate conformance with the applicable provisions of this planned Development and any City Ordinances or policies in effect at the time of submission of the Site Plan.

13. The terms and conditions of development under this planned development ordinance may be modified administratively, pursuant to Section 17-13-0611-A of the Zoning Ordinance by the Zoning Administrator upon the application for such a modification by the applicant, its successors and assigns and, if different than the applicant, the legal titleholders and any ground lessors.

14. The applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enable and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote accessibility.
15. The applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. Applicant has agreed to provide a 50 percent green roof for the new net roof area in Subarea A. Applicant has also agreed to achieve Building Certification for the new building areas in Subarea A to comply with the City of Chicago's Sustainable Development Policy.
16. Unless construction of the new improvements contemplated in this planned development has commenced within six years following adoption of this planned development, and unless completion is thereafter diligently pursued, then this planned development shall expire and the zoning of the Property shall automatically revert to the prior approved Residential Business Planned Development Number 132.

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. That the Chicago Zoning Ordinance be amended by changing all the Residential Planned Development Number 546 District symbols and indications as shown on Map Number 13-K in the area bounded by:

a line 1,277 feet north of and parallel with the north line of West Foster Avenue; a line 510 feet east of and parallel with the centerline of North Kostner Avenue extended north; a line 1,189 feet north of and parallel with the north line of West Foster Avenue; a line 660 feet east of and parallel with the centerline of North Kostner Avenue extended north; a line from a point 667 feet north of the north line of West Foster Avenue and 660 feet east of the centerline of North Kostner Avenue extended north to a point 590 feet north of the north line of West Foster Avenue and 737 feet east of the centerline of North Kostner Avenue extended north; a line 590 feet north of and parallel with the north line of West Foster Avenue; a line 1,331 feet east of and parallel with the centerline of North Kostner Avenue extended north; an arc of a circle with a radius of 100 feet and its center 262.5 feet north of the north line of West Foster Avenue and 1,431 feet east of the

centerline of North Kostner Avenue extended north; a line from a point on that arc 163 feet north of the north line of West Foster Avenue and 1,213 feet west of the west line of North Pulaski Road to a point 189 feet north of the north line of West Foster Avenue and 980 feet west of the west line of North Pulaski Road; a line from a point 189 feet north of the north line of West Foster Avenue and 980 feet west of the west line of North Pulaski Road to a point 79.5 feet north of the north line of West Foster Avenue and 756 feet west of the west line of North Pulaski Road; a line from a point 79.5 feet north of the north line of West Foster Avenue and 756 feet west of the west line of North Pulaski Road to a point 100 feet north of the north line of West Foster Avenue and 690 feet west of the west line of North Pulaski Road; a line 100 feet north of and parallel with the north line of West Foster Avenue; a line 630 feet west of and parallel with the west line of North Pulaski Road; an arc of a circle with a radius of 30 feet and its center 70 feet north of the north line of West Foster Avenue and 600 feet west of the west line of North Pulaski Road; a line 40 feet north of and parallel with the north line of West Foster Avenue; a line 495 feet west of and parallel with the west line of North Pulaski Road; West Foster Avenue; the centerline of the north fork of the north branch of the Chicago River; the east line of Gompers Park north of the Chicago River; the north line of Gompers Park; and the centerline of North Kostner Avenue extended north,

to those of Residential Planned Development Number 546, as amended, which is hereby described in the area above.

SECTION 2. This ordinance shall be in force and take effect from and after its passage and due publication.

Plan of Development Statements referred to in this ordinance read as follows.

*Residential Planned Development No. 546, As Amended.*

*Plan Of Development Statements.*

1. The area delineated herein as a Residential Planned Development consists of approximately 693,210 square feet (15.9 acres) as depicted on the Planned Development Boundary Map.
2. All applicable official reviews, approvals or permits are required to be obtained by the applicant, including permits identified by the Chicago Department of Environment. In order to promote adequate floodplain and stormwater management, the applicant shall, at its sole expense: (i) elevate all roadways and the lowest floor of all buildings located within the 100-year floodplain to one foot above the Base Flood Elevation; (ii) provide at least 100 percent on-site, compensatory stormwater storage for any fill brought on site; and (iii) perform any measures or construct any improvements required by the

Chicago Department of Environment, the Metropolitan Water Reclamation District, the Illinois Department of Transportation -- Water Resources Division, or the United States Army Corps of Engineers to ensure that the proposed development will not result in any reduction in water quality or increased flood risk to properties located downstream or adjacent to the proposed development. In addition, the applicant shall apply for a National Pollution Discharge Elimination System ("NPDES") permit from the Illinois Environmental Protection Agency ("IEPA") for all outflows into the river, and shall monitor and report to the IEPA the water quality in stormwater detention basins as required by such permit. The applicant shall be responsible for performing any measures identified by the IEPA to mitigate unacceptable levels of contamination which are attributable to the proposed residential planned development. Any dedication or vacation of streets or alleys, or easements, or adjustments of right-of-way, or consolidation or resubdivision of parcels, shall require a separate submittal on behalf of the applicant and approval by the City Council. The dedication of any roadways within the residential planned development shall not obligate the City to maintain or repair any additional structures adjacent to or appurtenant to such roadways. The applicant shall be responsible for maintaining an existing seawall located adjacent to such roadway. The applicant shall also be responsible for maintaining any new swales, culverts, stormwater detention basins or other similar structures which may be constructed immediately under or adjacent to the access road.

3. The requirements, obligations and conditions contained within this planned development shall be binding upon the applicant, its successors and assigns and, if different than the applicant, the legal titleholders, including any homeowners association which is formed to succeed the applicant. All rights granted hereunder to the applicant shall inure to the benefit of the applicant's successors and assigns and, if different than the applicant, the legal titleholder including any homeowners association which is formed to succeed the applicant. Furthermore, pursuant to the requirements of Section 17-13-0611 of the Chicago Zoning Ordinance, the property, at the time applications for amendments, modifications or changes (administrative, legislative or otherwise) to this planned development are made, shall be under single ownership or under single designated control. Single designated control for purposes of this paragraph shall mean that any application to the City for any amendment to this planned development or any other modification or change thereto (administrative, legislative or otherwise) shall be made or authorized by the applicant or any homeowners association which is formed to succeed the applicant. Nothing herein shall be construed to mean that any individual owner, or any ground lessors, of the property or any portion thereof is relieved of obligations imposed hereunder or rights granted herein or is not subject to City action pursuant to this planned development. In addition, nothing herein shall prohibit or in any way restrict the alienation, sale or any other transfer of all or any portion of the property or any rights, interests or obligations therein. Upon any alienation, sale or any other transfer of all or any portion of the property or the rights therein, except any assignment or transfer of rights pursuant to a mortgage or otherwise as collateral for any indebtedness, and solely with respect to the portion of the property so transferred, the term applicant shall be deemed amended to apply to the transferee thereof (and its beneficiaries if such transferee is a land trust) and the

seller or transferor thereof (and its beneficiaries if such seller or transferor is a land trust) shall thereafter be released from any and all obligations or liability hereunder.

4. This plan of development consists of fourteen (14) Statements: an Existing Zoning Map; a Property Line and Planned Development Boundary Map; a Generalized Land-Use Map; an Existing Land-Use Map; a Table of Use and Bulk Regulations and Related Controls; and a Site Plan, a Landscape Plan and Elevation Plans, dated February 10, 1994. Full size sets of the Site Plan, a Landscape Plan and Elevation Plans are on file with the Department of Planning and Development. The planned development is applicable to the area delineated hereto and these and no other controls shall apply. The planned development conforms to the intent and purpose of the Chicago Zoning Ordinance, Title 17 of the Municipal Code of Chicago, and all requirements thereof, and satisfies the established criteria for approval as a planned development.
5. The following uses shall be permitted within the area delineated herein as "Planned Development": single-family and multi-family dwellings, accessory parking and related uses.
6. Identification signs shall be permitted within the Planned Development subject to the review and approval of the Department of Planning and Development. Temporary signs, such as construction and marketing signs shall be permitted, subject to the review and approval of the Department of Planning and Development. Off-premises signage is prohibited within the Planned Development.
7. Any service drives or other ingress or egress (excluding emergency access through the St. Luke's Cemetery) shall be adequately designed and paved in accordance with the regulations of the Department of Transportation in effect at the time of construction and in compliance with the Municipal Code of the City of Chicago, to provide ingress and egress for motor vehicles, including emergency vehicles. There shall be no parking within such paved areas. Ingress and egress shall be subject to the review and approval of the Department of Transportation, Bureau of Traffic Engineering and Operations and the Department of Planning and Development. Conditioned upon receipt of the requisite permits and approvals, the applicant shall provide at the applicant's sole expense for traffic signalization at the main entrance to the adjoining shopping center on West Foster Avenue, widen West Foster Avenue to accommodate left turns into the shopping center, and provide an access road from the Planned Development into the shopping center. The applicant shall also provide at the applicant's sole expense (1) for the installation of crash-through type gates at the entrance to St. Luke's Cemetery and at the Emergency Access connection; and (2) shall provide the Chicago Police Department with sufficient keys to the gate at the entrance to St. Luke's Cemetery and the Emergency Access connection. The applicant shall require any homeowners association which is formed to succeed the applicant to provide at the association's sole expense for private security to monitor the gate at the entrance to St. Luke's Cemetery and at the Emergency Access connection at all times when the roadway within the Planned Development boundaries is not passable.

8. Height restriction of any building or any appurtenances thereto shall, in addition to the Table of Use and Bulk Regulations, be subject to:
  - (a) Height limitations as certified on Form FAA-117 or successor forms involved in the same subject matter and approved by the Federal Aviation Administration; and
  - (b) Airport zoning regulations as established by the Department of Planning and Development, the Department of Aviation and the Department of Law, and approved by the City Council.
9. For purposes of Floor Area Ratio (FAR) calculations, the definitions in the Chicago Zoning Ordinance shall apply. For the purposes of this amendment, the floor area is being increased to .87 overall, with 3,200 square feet of floor area to be allocated to two undeveloped single-family home lots on Summerdale Avenue with the Permanent Index Numbers of 13-10-202-004, 13-10-202-003, and 3,400 square feet of floor area allocated to two undeveloped single-family home lots on Lowell Avenue with the Permanent Index Numbers of 13-10-202-002 and 13-10-202-001.
10. The Planned Development herein shall be subject to the "Rules, Regulations and Procedures related to Planned Developments" as promulgated by the Commissioner of the Department Planning and Development.
11. Improvements of the property, including landscaping and all entrances and exits to the parking areas, shall be designed and installed in substantial conformance with the Use and Bulk Regulations, Site Plan, Landscape Plan and Elevation Plans attached hereto and made a part hereof. In addition, parkway trees and other landscaping shall be installed and maintained at all times in accordance with the Landscape Plan and the parkway tree provisions of the Chicago Zoning Ordinance and corresponding regulations and guidelines. The applicant shall dedicate a conservation easement to an appropriate public or private not-for-profit agency approved by the City, the Forest Preserve District and the Chicago Park District (such approval to occur within 60 days from adoption of this ordinance), to preserve in perpetuity the property identified on the Landscape Plan as a Conservation Area. The conservation easement shall, at a minimum, provide that the Conservation Area shall on average be 50 feet wide consisting of naturally occurring vegetation augmented with trees and shrubs native to the area; shall be open and accessible to the public during regular Forest Preserve District hours; and shall be kept free and clear of any structures except those riveredge amenities described on the Site Plan (e.g., trails, benches, a gazebo). Removal of any healthy existing trees within this Conservation Area shall be prohibited. In addition, the applicant shall submit with its first application for approval under Section 17-13-0610 of the Chicago Zoning Ordinance ("Part II Approval") a tree protection plan describing the measures to be taken to protect trees within the Conservation Area during construction and a Riveredge Restoration and Landscape Management Plan describing the measures the applicant shall take, prior to dedication of the easement, concerning

the naturally occurring plant species and native plant species that would improve the aesthetics and natural wildlife habitats within the Conservation Area. No Part II Approval shall be issued by the Department of Planning and Development until the forementioned plans have been submitted; approved by the City, the Forest Preserve of Cook County and the Chicago Park District; and the aforementioned conservation easement has been dedicated. The applicant shall also provide and maintain the public amenities (e.g. benches, scenic overlooks, gazebo), described on the Site Plan. The applicant shall also be responsible for maintaining and repairing any damage occurring to an existing seawall on the applicant's property, as well as other flood-control or storm water detention structures which may be constructed on the property for the benefit of the residents of the residential planned development and adjacent property owners. The required conservation easement was dedicated to and accepted by the Chicago Park District on April 7, 1995 and recorded on April 20, 1995 as Document Number 95263077.

12. The applicant acknowledges that it is in the public interest to design, construct and maintain all buildings in a manner which promotes and maximizes the conservation of energy resources. The applicant shall use best and reasonable efforts to design, construct and maintain all buildings located within this Planned Development in an energy efficient manner, generally consistent with most current energy efficiency standards by the American Society of Heating, Refrigerating and Air-Conditioning Engineers ("ASHRAE") and the Illuminating Engineering Society ("IES"). Copies of these standards may be obtained from the Department of Planning and Development.
13. The terms, conditions and exhibits of this Planned Development ordinance may be modified, administratively, by the Commissioner of the Department of Planning and Development upon the request of the applicant and after a determination by the Commissioner that such a modification is minor, appropriate and consistent with the nature of the development of the property contemplated herein. Any such modification shall be deemed to be a minor change in the Planned Development ordinance as contemplated by Section 17-13-0611 of the Chicago Zoning Ordinance. Notwithstanding the provisions of subclause (4) of Section 17-13-0611 of the Chicago Zoning Ordinance, such minor changes may include a reduction in the minimum required distance between structures, a reduction in periphery setbacks or an increase in the maximum percent of land covered.
14. As of the date of this amendment, the Planned Development is completely built out with the exception of four single-family home lots that are the subject of this amendment. The Planned Development will remain in full force and effect from this point forward.

Moore, Silverstein -- 50.

*Nays* -- None.

Alderman Beale moved to reconsider the foregoing vote. The motion was lost.

The following is said order as passed:

WHEREAS, Section 2-120-815 of the Municipal Code provides that the Chicago City Council may by passage of an appropriate order waive any fees charged by the City for any permit for which approval of the Commission on Chicago Landmarks (the "Commission") is required, in accordance with Chapter 2-120 of the Municipal Code; and

WHEREAS, The permits identified below require Commission approval, in accordance with Section 2-120-740 of the Municipal Code; now, therefore,

*Be It Ordered by the City Council of the City of Chicago:*

SECTION 1. The foregoing recitals are hereby adopted as the findings of the City Council.

SECTION 2. The Commissioner of the Department of Buildings, the Commissioners of the Departments of Environment and Fire, the Director of the Department of Revenue and the Zoning Administrator are hereby directed to issue those permits for which approval of the Commission on Chicago Landmarks is required pursuant to Chapter 2-120 of the Municipal Code, free of charge, notwithstanding any other ordinances of the City Council to the contrary, for the property at:

Address:	215 East Cullerton Street ("Property")
District/Building:	Prairie Avenue District

for work generally described as:

repairs to the facade and roof of an historic residence

Owner:	Colleen Harper
Owner's Address:	215 East Cullerton Street
City, State, Zip:	Chicago, Illinois 60616

SECTION 3. The fee waiver authorized by this order shall be effective from October 1, 2015 through October 1, 2016, and shall not apply to additional developer service fees, stop-work order fees or any fines.

SECTION 4. That the permit purchaser for the Property shall be entitled to a refund of city fees for which it has paid and which are exempt pursuant to Section 1 hereof.

SECTION 5. This order shall be in force and effect upon its passage.

## ISSUANCE OF PERMITS FOR SIGNS/SIGNBOARDS.

***THE HONORABLE RAHM EMANUEL, MAYOR:***

*TRIBUTE TO LATE FREDDIE J. MARTIN.*

[R2015-979]

WHEREAS, The members of this chamber were deeply saddened to learn of the death on November 7, 2015, at age 90, of Freddie J. Martin, a beloved citizen and friend of his community; and

WHEREAS, Born on December 8, 1924, in Copiah County near Hazlehurst, Mississippi, Mr. Martin was the 21<sup>st</sup> of 22 children born to the blessed matrimony of Mr. Lee Jones Martin, Sr. and Mrs. Viola Sinclair Martin; and

WHEREAS, A thoughtful and astute young man with a penchant for learning, Mr. Martin excelled in the classroom but had to halt his education just after completing the sixth grade to work on the family farm with his father and brothers, where he learned valuable life lessons that helped build his sterling character; and

WHEREAS, A determined and responsible young man, Mr. Martin courted and fell in love with a beautiful girl named Beatrice Jessie from Hazlehurst, Mississippi. He and Beatrice were married on March 31, 1946, in Jackson, Mississippi, and their matrimony was blessed with 11 children; and

WHEREAS, Always looking to build a better life for his family, in 1953 Mr. Martin moved to the City of Chicago, where he worked at the BF Goodrich Company before beginning a job in the electric motors division of the General Motors Corporation, a career underscored by more than 25 years of distinguished service; and

WHEREAS, An exemplary family, Mr. and Mrs. Martin were among the first African American residents to purchase a house in the historic Burnside neighborhood in 1973, a house that still stands as a symbol of their diligence and resolve; and

WHEREAS, A man of faith who strived to empower and uplift his family and community, Mr. Martin began and ended each day with fervent prayer and scripture reading. Mr. Martin was an esteemed member, devoted deacon, and trusted steward at Pilgrim Baptist Church in Bronzeville for over 40 years, where he provided guidance and support to the ministerial staff and fellow congregants; and

WHEREAS, Mr. Martin is survived by his loving wife, Beatrice; his children, Freddie, Jr. (Yvette), Mildred (Dennis), Troy (Cecelia), Calvin, Jacquelyn (Raymond, Sr.), Vanessa (Nathan), Patricia, Christopher (Reneé) and Lorraine (Sterling); 16 grandchildren; 23 great-grandchildren; 3 great-great-grandchildren; very dear nieces and nephews; and a host of other relatives and friends; and

WHEREAS, Mr. Martin touched the lives of all who knew him through his kindness, his generosity, his heart and his spirit. He will be deeply missed, but the memory of his character and compassion will live on in those who knew and loved him; now, therefore,

*Be It Resolved*, That we, the Mayor and members of the City Council of the City of Chicago, assembled this ninth day of December 2015, do hereby honor the life and memory of Freddie J. Martin and extend our heartfelt condolences to his family; and

*Be It Further Resolved*, That suitable copies of this resolution be presented to the family of Freddie J. Martin, as a sign of our sympathy and good wishes.

CONGRATULATIONS EXTENDED TO OFFICER PATRICIA FERRARO ON RETIREMENT FROM CHICAGO POLICE DEPARTMENT.

[R2015-1012]

WHEREAS, We, in this city of immigrants, this city of neighborhoods, this most American of all cities, are particularly cognizant of the "American Dream"; and

WHEREAS, Though seemingly fixed and inviolable, the complex social fabric of our great metropolis could be easily torn asunder were it not for the guardians of the public welfare, indeed, the guardians of the "American Dream"; and

WHEREAS, Dedication to and fulfillment of the motto of the Chicago Police Department -- "We Serve and Protect" -- exacts a substantial physical and emotional toll not only on the officers who must daily cope with the stress and danger of being life's arbitrator for countless citizens, but also on their family members; and

WHEREAS, Through professionalism and sacrifice, the members of the Chicago Police Department have provided us with one of the safest cities in the United States of America, allowing each of us to pursue our own version of the "American Dream" in safety and confidence; and

[R2015-985]

WHEREAS, God in His infinite wisdom has called Melvin Lee, most beloved citizen, to his eternal reward, November 7, 2015; and

WHEREAS, This august body has been informed of his passing by the Honorable Carrie M. Austin, Alderman of the 34<sup>th</sup> Ward; and

WHEREAS, Melvin, the youngest of seven children, was born on August 24, 1953, in Brownsville, Tennessee, to the union of the Talton Lee, Sr. and Polly Taylor Lee. At the age of two, Melvin and his family relocated to Chicago, Illinois. He accepted Christ as his savior at the age of 12 in the company of his sister, Alice; and

WHEREAS, Melvin's childhood was fun-filled and adventurous. His education began at Jenner Elementary School, then graduating to Dewitt C. Cregier Vocational High School, where he developed an interest in cars, majoring in auto mechanics; and

WHEREAS, Melvin married Debra Williams on May 24, 1977, a union that lasted until her passing on July 7, 1994. They were blessed with two adorable sons, Damien and Armond. Later, Melvin met and married his current wife, Karen Barnette-Lee, on March 25, 2002. Along with the rest of the family, she faithfully stood by his bedside until he passed on to eternity; and

WHEREAS, Melvin, known to be hardworking and strong-willed, began his career with U.S. Steel Company and ended as a journeyman/lineman for the City of Chicago; and

WHEREAS, Melvin, a traveler at heart, delighted in taking his family on many road trips throughout the country. He specialized in cooking, preferring his food "well done" or, as the family recalled, sometimes overcooked. He relished the role of family storyteller and enjoyed working on cars; and

WHEREAS, Melvin was the ultimate "good man" who cherished the love of his family. He never met anyone he could not embrace as a friend nor cause to smile. His friends were many and no neighbor was a stranger; and

WHEREAS, Melvin leaves to cherish his memory his loving and devoted wife, Karen; four children, daughter, Stacey; sons, Damien, Armond and Andre; two brothers, (the late) Talton, Jr. and William; two sisters, Bobbie and Alice; mother-in-law, Mrs. Rachel Barnett; and a host of nieces, nephews, cousins and many, many friends; now, therefore,

*Be It Resolved*, That we, the Mayor and members of the City Council of the City of Chicago, gathered here this ninth day of December 2015 A.D., do hereby express our sorrow on the death of Melvin Lee and express to his family and friends our deepest sympathy; and

*Be It Further Resolved*, That a suitable copy of this resolution be prepared and presented to the family of Melvin Lee as a token of our honor, gratitude and respect.

*TRIBUTE TO LATE TALTON LEE, JR.*

[R2015-986]

WHEREAS, God in His infinite wisdom has called Talton Lee, Jr., most beloved citizen, to his eternal reward, November 16, 2015; and

WHEREAS, This august body has been informed of his passing by the Honorable Carrie M. Austin, Alderman of the 34<sup>th</sup> Ward; and

WHEREAS, Talton, the fourth of seven children, was born on April 17, 1948, in Brownsville, Tennessee to the union of the Talton Lee and Polly Taylor Lee. At the age of seven, Talton and his family relocated to Chicago, Illinois. He accepted Christ at an early age and was baptized; and

WHEREAS, Talton, affectionately known as June or T. Lee, married Emma Jarvis on April 8, 1967, and were blessed with a beautiful daughter, LaTonya Chree; and

WHEREAS, Talton was employed with Commonwealth Edison for 33 years, beginning his career as lineman and retiring as maintenance inspector; and

WHEREAS, Talton loved taking road trips to visit family out of town, going to various jazz festivals and classic car shows. He took pleasure in hosting barbeques, taco parties and car washes at his house. His hobby was working on cars. He savored Italian beef from Al's on the West Side; corned beef in Skokie; rag bologna from Brownsville, Tennessee; sandwiches from Hog Wild; Beggars Pizza; and perch from Dicola's. In his spare time, he indulged in watching Family Feud marathons and enjoyed western movies and judge programs; and

WHEREAS, Talton leaves to cherish his memory his adoring daughter, LaTonya; sisters, Bobbie J. Ross and Alice Lee-Venson; brother, Williams T. Lee; his girlfriend, Robin Harden; a host of nieces, nephews, extended family, friends and a whole bunch of cars; and

WHEREAS, Talton touched the lives of all who knew him through his kindness, his generosity, his heart and his spirit. He will be deeply missed, but the memory of his character, intelligence and compassion will live on in those who knew and loved him; now, therefore,

*Be It Resolved*, That we, the Mayor and members of the City Council of the City of Chicago, gathered here this ninth day of December 2015 A.D., do hereby express our sorrow on the death of Talton Lee, Jr. and express to his family and friends our deepest sympathy; and

*Be It Further Resolved*, That a suitable copy of this resolution be prepared and presented to the family of Talton Lee, Jr. as a token of our honor, gratitude and respect.

*GRATITUDE EXTENDED TO TEACHERS AND ADMINISTRATORS OF PRUSSING ELEMENTARY SCHOOL AND MEMBERS OF CHICAGO POLICE AND FIRE DEPARTMENTS FOR LIFE-SAVING CONTAINMENT OF CARBON MONOXIDE LEAK.*

[R2015-994]

WHEREAS, On the morning of October 30, 2015, a series of errors and malfunctions caused carbon monoxide to leak into Prussing Elementary School from a separate building containing the school's boiler; and

WHEREAS, The first indications of an issue were when some children and staff began to show symptoms of carbon monoxide poisoning; and

WHEREAS, School officials acted quickly, contacting the Chicago Fire Department; and

WHEREAS, Chicago Firefighters arrived quickly and, due to carbon monoxide detectors on their clothing, determined there was a dangerous amount of carbon monoxide in the air; and

WHEREAS, Carbon monoxide is an odorless, colorless gas that can cause death; and

WHEREAS, Upon learning of the dangerous conditions in the school, teachers, administrators, police and firefighters quickly evacuated the school to get the children to safety; and

WHEREAS, Ninety students and teachers were ultimately transported to hospitals for potential carbon monoxide poisoning; and

WHEREAS, The outcome of this incident could have been much worse had teachers, administrators, police and firefighters not acted quickly to keep students safe; now, therefore,

*Be It Resolved*, That we, the Mayor and members of the City Council, gathered together this ninth day of December 2015, do hereby commend the teachers and administrators of Prussing Elementary School, the police of the Chicago Police Department and the firefighters of the Chicago Fire Department, for their quick actions on October 30, 2015; and

*Be It Further Resolved*, That a suitable copy of this resolution be prepared and presented to Prussing Elementary School.
