AMENDMENT OF TITLES 3 AND 4 OF MUNICIPAL CODE CONCERNING TAX ON TOBACCO PRODUCTS AND ASSOCIATED TOBACCO-RELATED REGULATIONS.
[SO2016-105]

On motion of Alderman Burke, the City Council took up for consideration the report of the Committee on Finance, deferred and published in the *Journal of the Proceedings of the City Council of the City of Chicago* of February 10, 2016, pages 18325 and 18326, recommending that the City Council pass the proposed substitute ordinance printed on pages 18326 through 18341 concerning tax on non-cigarette tobacco products and associated tobacco-related regulations.

Alderman Burke then moved to substitute a proposed ordinance for the ordinance deferred and published in the *Journal of the Proceedings of the City Council of the City of Chicago* on February 10, 2016. The motion *Prevailed*.

Thereupon, on motion of Alderman Burke, the substitute ordinance was *Passed* by yeas and nays as follows:

Yeas -- Aldermen Moreno, Hopkins, Dowell, Sawyer, Mitchell, Harris, Beale, Thompson, Quinn, Burke, Lopez, Foulkes, Curtis, Cochran, Muñoz, Scott, Solis, Maldonado, Burnett, Reboyras, Santiago, Waguespack, Mell, Ramirez-Rosa, Villegas, Mitts, Laurino, O'Connor, Smith, Arena, Cappleman, Pawar, Osterman, J. Moore, Silverstein -- 35.

Nays -- Aldermen Hairston, Sadlowski Garza, Cárdenas, D. Moore, O'Shea, Brookins, Zalewski, Ervin, Taliaferro, Sposato, Napolitano, Tunney -- 12.

Alderman Beale moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

WHEREAS, The City of Chicago is a home rule unit of government under Article VII, Section 6(a) of the 1970 Constitution of the State of Illinois and, as such, may exercise any power and perform any function pertaining to its government and affairs, a category that includes the authority to legislate for the protection of the public health; and

WHEREAS, The enactment of ordinances and regulations designed to discourage the use of tobacco plainly meets this criterion; and

WHEREAS, The 18 to 20-year-old range is a critical time for new smokers. Adolescents are more vulnerable than older adults to nicotine addiction, which can harm brain development,

and 9 out of 10 adult smokers start before age 21. Raising the legal age would put tobacco products on par with alcohol, and protect young adults from developing a dangerous lifelong habit; and

WHEREAS, Based on numerous studies, it is clear that high tobacco prices reduce tobacco consumption, both among youth users, who are especially price-sensitive, and among adults. A 10-percent increase in cigarette prices reduces demand among adult smokers by an average of four percent, and youth smokers are two-to-three times more price sensitive than adults. High prices reduce the prevalence of tobacco use, the probability of trying tobacco for the first time, the average number of cigarettes consumed per smoker, the initiation of daily smoking, and the initiation of daily heavy smoking. Moreover, reductions in the prevalence of smoking lead indirectly to even greater reductions by minimizing peer and parental influences, and by helping addicted smokers successfully quit; and

WHEREAS, The City of Chicago taxes cigarettes and e-cigarettes, but does not tax other tobacco products that are harmful to health, including cigars, smoking tobacco, pipe tobacco, and smokeless tobacco; and

WHEREAS, As cigarette prices have increased, smokers, particularly youth, have migrated to cheaper tobacco products. Little cigars, for example, appear virtually identical to cigarettes and cost substantially less. Large cigars and smokeless tobacco are also less expensive alternatives. Despite well-documented risks, smokers of all ages -- especially youth and young adults in low-income urban areas -- erroneously perceive cigars as less harmful than cigarettes; and

WHEREAS, The use of coupons, multi-package discounts, and other price-reduction instruments, all of which are widely available in Chicago, reduce retail prices for tobacco products. In a 2011 study of smokers attempting to quit conducted in New York City, 25 percent reported using a coupon or other discount on their last purchase, saving an average \$1.25 per package of cigarettes. Discounts entice consumers, including price-sensitive youth, to purchase deadly and highly addictive products; and

WHEREAS, This body has determined that establishing price floors for tobacco products will help address the persistent availability of low-priced cigarettes and other tobacco products in Chicago; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The foregoing recitals are hereby incorporated as the findings of the City Council.

WHEREAS, The City now desires to amend the MCC Program Ordinance in order to increase the Elected Amount to \$80,000,000; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Finding. The City Council finds that all of the recitals contained in the preambles to this ordinance are full, true and correct and does incorporate them into this ordinance by this reference.

SECTION 2. The Program. The Program shall be available for low- and moderate-income persons and families in connection with ownership of a single-family, owner-occupied, or one-four unit principal residence that is either a detached structure, condominium, townhome, or duplex and located entirely within the City. To be an "Eligible Borrower" for the Program, an applicant shall at a minimum (a) have an annualized gross income of not more than (1) 115 percent of the median family income for the City's metropolitan statistical area ("MSA") as published annually by HUD for an FHA insured, VA or USDA guaranteed Mortgage Loan (or such higher percentage if requested from the City subject to written approval from HUD), or (2) 175 percent of the median family income for the City's MSA as published annually by HUD for a Fannie Mae or Freddie Mac Mortgage Loan (or such higher percentage if requested from the City subject to written approval from Freddie Mac); (b) have a minimum credit score or equivalent credit history per FHA, VA, USDA, Fannie Mae or Freddie Mac credit and underwriting guidelines as published from time to time, as applicable; (c) contribute from the Eligible Borrower's own funds, subject to borrower investment minimums established by FHA or Freddie Mac, as applicable, but subject to a Program minimum for FHA and Freddie Mac Mortgage Loans of no less than the lesser of \$1,000 or 1 percent of the home purchase price; and (d) if applicable, meet the qualifications for "Eligible Persons" set forth in Section 2-45-130 of the Municipal Code of Chicago (the "Municipal Code"). First-time home buyers shall be required to provide proof of completion of a home buyer education course provided by a HUD-certified counseling agency that has been previously approved by DPD as a condition of closing a Mortgage Loan. Additional criteria in order to qualify as an Eligible Borrower, if any, shall be set forth in the Program Guidelines.

All Mortgage Loans shall be for a term of 30 years at a fixed rate of interest. Lenders will establish the Mortgage Loan rate of interest and pricing in accordance with the Program Lender Agreement; provided however, no Mortgage Loan shall be structured in such a way that an Eligible Borrower is to receive funds in connection with the closing of a Mortgage Loan free and clear of restrictions regarding its use.

Mortgage Loans shall be serviced only by Eligible Lenders who have entered into a Program Lender Agreement with the City and CIT.

SECTION 3. The Grants. For the purpose of providing funds to accomplish the Program, the City authorizes the advancement to CIT of an aggregate amount not to exceed \$1,000,000 for use in providing CIT Advanced Grants and for costs associated with administering the Program. The Chief Financial Officer and the City Comptroller (each an "Authorized Officer") and the Commissioner (the "Commissioner") of DPD, are authorized to execute on behalf of the City one or more documents with CIT in connection with advancing the funding for the CIT Advanced Grants.

Each Grant is subject to repayment on a pro rata basis if the property financed by the Mortgage Loan is sold or if the Mortgage Loan is refinanced prior to the end of the retention period as set forth in the Program Guidelines, which period shall be no longer than five years from the Mortgage Loan closing date for CIT Advanced Grants and no longer than 10 years from the Mortgage Loan closing date for Lender Advanced Grants (the "Retention Period"). This repayment obligation and the terms thereof shall be evidenced and secured by a subordinate lien on the property being purchased through the Program. At the expiration of the Retention Period, the repayment obligation shall be forgiven in full and the subordinate lien on such property released free and clear. If such property is sold or if the Mortgage Loan is refinanced during the Retention Period, the repayment of the Grant is reduced pro rata for each full month an Eligible Borrower lives at and uses such property in accordance with the terms and conditions of the Grant. DPD may, in its discretion, include in the Program Guidelines criteria for determining hardship for waiver of all or a portion of the repayment obligation. Funds returned pursuant to this Section 3, net of any amounts retained, if any, by a Lender pursuant to the Lender Participation Agreement shall be sent to CIT.

SECTION 4. City Program Guidelines. The Commissioner is authorized to issue Program Guidelines on behalf of the City with such policies and procedures and documentation as determined necessary to administer the Program in accordance with the provisions of this ordinance, including but not limited to those set forth in Section 2 above, in forms substantially similar to the forms issued pursuant to the Single-Family Mortgage Revenue Bond Program with such updates and changes to reflect the differences between the Program and the Single-Family Mortgage Revenue Bond Program. The Program Guidelines shall be updated from time to time as deemed necessary by the Commissioner to carry out the purposes of this ordinance.

The Program Guidelines shall be included as an attachment, and be incorporated by reference thereunder, to each Lender Participation Agreement entered into between the City and a Lender.

SECTION 5. The Lender Participation Agreement. The Authorized Officers and the Mayor are each authorized to execute the Lender Participation Agreement on behalf of the City in substantially the same form as the program lender agreement previously entered into by the City in connection with the Single-Family Mortgage Revenue Bond Program, with such changes, updates, additions and omissions to the program lender agreement deemed necessary by the Authorized Officer to reflect the differences between the Program and the Single-Family Mortgage Revenue Bond Program.

SECTION 6. Further Authorization. The Mayor, the Chief Financial Officer, the City Comptroller, the City Clerk, the Commissioner and the proper officers, officials, agents and employees of the City are hereby authorized, empowered and directed to do all such acts and things, and to execute all such documents and certificates, as may be necessary to carry out and comply with the provisions of this ordinance, the Program Guidelines, the Program Manual, and the Lender Participation Agreement. DPD is hereby authorized, in the discretion of the Commissioner, to charge a one-time fee per Mortgage Loan originated in connection with the Program which shall be collected under such terms and conditions as determined by the Commissioner and set forth in each Lender Participation Agreement, and collected in connection with closing of each Mortgage Loan (the "Program Fee"). The Program Fee shall be in an amount as determined by the Commissioner, but, in any event, not to exceed 2.5 percent per Mortgage Loan, and such Program Fees are hereby appropriated for corporate purposes of the City.

SECTION 7. Appointment Of Program Administrator, And Lenders And Escrow Trustee. Either Authorized Officer is hereby authorized to approve the designation of the Program Administrator through the execution of the Program Administration Agreement and the Lenders through the execution of one or more Lender Participation Agreements, and to designate the bank or trust company to serve as an escrow trustee to administer the CIT Advanced Grants and other Program-generated funds administered by CIT on behalf of the City.

SECTION 8. Waiver Of EDS Requirement. Notwithstanding anything to the contrary contained in the Municipal Code or any other ordinance or mayoral executive order (including, but not limited to Sections 2-45-130, 2-56-090, 2-92-380, 2-92-415, 2-92-585, 2-154-010 and 5-24-020 of the Municipal Code), no borrower or Lender shall be required to provide to the City the document commonly known as the "Economic Disclosure Statement and Affidavit" (the "EDS") in connection with the closing of a Mortgage Loan; however, each Lender shall be required to provide to the City an EDS in connection with executing a Lender Participation Agreement with the City. The City Council hereby finds that the agreements authorized pursuant to this ordinance are vital to the public health, safety and welfare of the citizens of the City, and that the City cannot obtain comparable benefits from sources other than the parties with whom the City is authorizing to contract with hereby.

SECTION 9. Amendment Of CIT Establishment Ordinance. The Original CIT Ordinance is hereby amended as follows by:

(A) adding to the end of the eighth whereas clause the additional purpose "to encourage home ownership in the City"; and

(B) adding a new Section 12 to read as follows:

"Section 12. Administration Of Home Buyer Assistance Program In The City.

SECTION 11. Separability. The provisions of this ordinance are hereby declared to be separable, and if any section, phrase or provision of this ordinance shall for any reason be declared to be invalid, such declaration shall not affect the validity of the remainder of the sections, phrases and provisions of this ordinance. No provision of the Municipal Code, or violation of any provision of the Municipal Code, shall be deemed to impair the validity of this ordinance or the instruments authorized by this ordinance, or to make any such instruments voidable at the option of the City; provided, however, that the foregoing shall not be deemed to affect the availability of any other remedy or penalty for any violation of any provision of the Municipal Code.

SECTION 12. Repealer. All ordinances, resolutions and orders, or parts thereof, in conflict with the provisions of this ordinance are, to the extent of such conflict, hereby superseded.

SECTION 13. Effective Date. Section 10 of this ordinance shall be deemed to be in full force and effect as of January 10, 2016. The other provisions of this ordinance shall be in full force and effect upon its adoption and approval.

Section 2.04. Sale of 2016A Second Lien Bonds.

(a) The Chief Financial Officer is authorized to execute on behalf of the City, with the concurrence of the Chairman of the Committee on Finance of the City Council, a Second Lien Bond Purchase Agreement for the sale by the City to the Second Lien Bond Initial Purchasers of the 2016A Second Lien Bonds of a series pursuant to a negotiated sale on such terms as the Chief Financial Officer may deem to be in the best interests of the City as provided in this Ordinance. Such terms include, without limitation, (i) the aggregate principal amount of the 2016A Second Lien Bonds of such series, (ii) the amount of any original issue discount, (iii) the principal amount of the 2016A Second Lien Bonds of such series maturing in each year, (iv) whether any of the 2016A Second Lien Bonds are being issued and sold as Taxable Bonds, (v) the issuance of the 2016A Second Lien Bonds of such series as serial bonds, non-callable term bonds, term bonds subject to mandatory sinking fund redemption or any combination of serial bonds, non-callable term bonds, or term bonds subject to mandatory sinking fund redemption, (vi) the numbering of the 2016A Second Lien Bonds, (vii) the interest rate or rates for the 2016A Second Lien Bonds of such series, (viii) whether the Debt Service Reserve Requirement for the 2016A Second Lien Bonds of such series (if such requirement is required to be met upon initial issuance of such 2016A Second Lien Bonds) will be met by a Qualified Reserve Account Credit Instrument or by cash from proceeds of the 2016A Second Lien Bonds and (ix) the first interest payment dates, the purposes for which the 2016A Second Lien Bonds of such series are being issued pursuant to the authorization granted in Section 2.02 of this Part B, and the prices and other terms upon which the 2016A Second Lien Bonds are subject to redemption, all as provided in and subject to the authorizations and limitations expressed in this Article II, including the limitations set forth in Section 2.03(c) of this Part B. The purchase price shall not be less than 85 percent of the principal amount of the 2016A Second Lien Bonds of a series plus accrued interest on the 2016A Second Lien Bonds of such series from their date to the date of their delivery, plus accrued interest on such 2016A Second Lien Bonds from their date to the date of their delivery, less any original issue discount (subject to the limitations in Section 2.01 of this Part B) and the compensation paid to the Second Lien Bond Initial Purchasers in connection with any sale of such series of 2016A Second Lien Bonds shall not exceed five percent of the principal amount of such series of 2016A Second Lien Bonds being sold. Nothing contained in this Ordinance shall limit the sale of the 2016A Second Lien Bonds or any maturity or maturities thereof at a price or prices in excess of the principal amount thereof. The Second Lien Bond Purchase Agreement shall be in substantially the form previously used for similar financings of the City with appropriate revisions to reflect the terms and provisions of the 2016A Second Lien Bonds of each series and such other revisions in text as the Chief Financial Officer shall determine are desirable or necessary in connection with the sale of the 2016A Second Lien Bonds of such series. The Chief Financial Officer shall determine the principal amount of the 2016A Second Lien Bonds of such series necessary to be issued for the purposes for which they are to be issued within the maximum amount specified in this Ordinance. The Chief Financial Officer may in the related Second Lien Bond Determination Certificate provide for such changes to the terms of the 2016A Second Lien Bonds of such

series, the form of the 2016A Second Lien Bonds of such series and the various bond covenants from those provided in this Ordinance and the Second Lien Bonds Master Indenture as he or she shall determine but which shall result in the 2016A Second Lien Bonds of such series having substantially the terms and being in substantially the form provided in the Second Lien Bonds Master Indenture and the Ninth Supplemental Indenture. Nothing in this Section 2.04 shall limit or restrict the ability of the City to sell the 2016A Second Lien Bonds by one or more private placements.

(b) The Chief Financial Officer is further authorized to take the actions and execute and deliver the documents and instruments specified in this Part B. The 2016A Second Lien Bonds of such series shall be then duly prepared and executed in the form and manner provided in the Second Lien Bonds Master Indenture and the Ninth Supplemental Indenture or Supplemental Indenture, as appropriate, and delivered to the Second Lien Bond Initial Purchasers or otherwise in accordance with the terms of sale.

(c) The Chief Financial Officer is authorized to cause to be prepared and delivered to prospective purchasers of the 2016A Second Lien Bonds of a series a Preliminary Official Statement or other disclosure document, as shall be approved by the Chief Financial Officer that shall be in substantially the form previously used for similar financings of the City with appropriate revisions to reflect the terms and provisions of the 2016A Second Lien Bonds of such series and to describe accurately the current condition of the Water System and the parties to the financing. Upon sale of the 2016A Second Lien Bonds of a series, the Chief Financial Officer is authorized to cause a final Official Statement or other disclosure document to be prepared, executed and (i) delivered to the Second Lien Bond Initial Purchasers and (ii) filed with the Office of the City Clerk or the Deputy City Clerk directed to the City Council.

(d) Upon a finding by the Chief Financial Officer that the purchase of municipal bond insurance for the 2016A Second Lien Bonds of a series is likely to facilitate the marketing and sale of such 2016A Second Lien Bonds and permit completion of such sale in a timely fashion, and that such insurance is available at an acceptable premium, the Chief Financial Officer is authorized to cause the City to purchase a Section 2.08 Obligation consisting of a policy of municipal bond insurance for the 2016A Second Lien Bonds of such series, payable from amounts received upon the sale of such 2016A Second Lien Bonds or from available funds in the Water Fund. Such policy shall be provided by a bond insurance company or association approved by the Chief Financial Officer. In addition, upon a finding by the Chief Financial Officer that the purchase of a Qualified Reserve Account Credit Instrument is appropriate, and that such Qualified Reserve Account Credit Instrument is available at an acceptable cost, the Chief Financial Officer is authorized to cause the City to obtain a Qualified Reserve Account Credit Instrument to satisfy the Debt Service Reserve Requirement for the 2016A Second Lien Bonds of a series, the cost of which shall be payable from amounts received upon the sale of such 2016A Second Lien Bonds or from available funds in the Water Fund, and to execute an agreement relating to such Qualified Reserve Account Credit Instrument and any related agreements with the Second Lien Bond Provider of such Qualified Reserve Account Credit Instrument. The Chief Financial Officer may on behalf of the City make necessary covenants with respect to any policy of municipal bond insurance or Qualified Reserve Account Credit Instrument consistent with this Ordinance, including, without limitation, granting the provider of

a policy of municipal bond insurance or the Second Lien Bond Provider the right to consent to amendments to this Ordinance on behalf of the Registered Owners of the 2016A Second Lien Bonds of a series so long as such provider is not in default and is observing its obligations under such policy or Qualified Reserve Account Credit Instrument.

(e) Subsequent to each such sale, the Chief Financial Officer shall file in the Office of the City Clerk or the Deputy City Clerk directed to the City Council (i) a Second Lien Bond Determination Certificate setting forth the terms of sale of the 2016A Second Lien Bonds of such series consistent with Section 2.04(a) and (f) of this Part B and, if appropriate, the designations described in Section 2.04(b) of this Part B, (ii) an executed copy of the Second Lien Bond Purchase Agreement, reflecting concurrence of the Chairman of the Committee on Finance of the City Council in the determinations made by the Chief Financial Officer as to the terms of sale of such 2016A Second Lien Bonds, (iii) the Preliminary Official Statement, the final Official Statement and/or other disclosure document of the City as provided in Section 2.04(c) of this Part B, (iv) the Ninth Supplemental Indenture or Supplemental Indenture, as appropriate, (v) an executed copy of the remarketing agreement, if any and (vi) if applicable, an executed copy of the agreement relating to such Section 2.08 Obligation and promissory note.

If so determined and directed by the Chief Financial Officer in the Second Lien Bond Determination Certificate in connection with the sale of any of the 2016A Second Lien Bonds, the 2016A Second Lien Bonds shall be issued in book-entry only form. In connection with the issuance of 2016A Second Lien Bonds in book-entry only form, the Chief Financial Officer is authorized to execute and deliver to the book-entry depository selected by the Chief Financial Officer such depository's standard form of representation letter.

Section 2.05. Additional Authorization. The Mayor or the Chief Financial Officer is hereby also authorized to convert the interest rate on any Outstanding Second Lien Bonds from a variable to a fixed interest rate, and in connection therewith to enter into any agreements determined by such officer to be necessary or appropriate.

ARTICLE III WATER FUND AND ACCOUNTS

Section 3.01. Revenue Obligation. Any Outstanding Senior Lien Bonds shall have a claim, solely from the Net Revenues Available for Bonds, and the Accounts of the Water Fund established as provided in Section 3.03 of this Part B (except as provided in the immediately succeeding sentence), but with a claim with respect to each series of Outstanding Senior Lien Bonds the Subaccount of the Senior Lien Debt Service Reserve Account to which such series relates. The Senior Lien Bonds shall have no claim for payment from amounts on deposit in the Second Lien Bonds Account or from Second Lien Bond Revenues, or from amounts on deposit in the Subordinate Lien Obligations Account or from Subordinate Lien Obligation Revenues. The claim for payment of the Senior Lien Bonds from accounts of the Water Fund and from Net Revenues Available for Bonds shall be senior to the claim of bonds issued on a subordinate basis to the Senior Lien Bonds, including Second Lien Bonds and Subordinate Lien Obligations.

Section 3.02. Water Fund. There has been created and there exists a separate fund of the City designated the Water Fund into which the Gross Revenues of the Water System are and shall be deposited as collected. The Water Fund shall continue as a separate fund of the City. The Water Fund shall constitute a trust fund and has been and is irrevocably pledged to the owners of the Senior Lien Bonds, Second Lien Bonds (but solely with respect to amounts on deposit in the Second Lien Bonds Account), Subordinate Lien Obligations (but solely with respect to amounts on deposit in the Subordinate Lien Obligations Account), CP Notes (but solely with respect to amounts on deposit in the Commercial Paper Account) and Water System Line of Credit Notes (but solely with respect to amounts on deposit in the Line of Credit Notes Account) from time to time Outstanding for the sole purpose of carrying out the covenants, terms and conditions of the ordinances authorizing the Senior Lien Bonds, Second Lien Bonds (but solely with respect to amounts on deposit in the Second Lien Bonds Account), Subordinate Lien Obligations (but solely with respect to amounts on deposit in the Subordinate Lien Obligations Account), CP Notes (but solely with respect to amounts on deposit in the Commercial Paper Account) and Water System Line of Credit Notes (but solely with respect to amounts on deposit in the Line of Credit Notes Account).

The Water Fund shall be used only as provided in this Part B and in the ordinances authorizing Bonds for (a) paying Operation and Maintenance Costs, (b) paying the principal of, redemption premium, if any, and interest on Senior Lien Bonds (or purchasing Senior Lien Bonds), and (c) establishing and maintaining (for the purposes specified in those ordinances) the Senior Lien Bonds Construction Accounts and the Accounts in the Water Fund described in Section 3.03 of this Part B and all other reserve funds or accounts which are required to be established and maintained in the ordinances authorizing the issuance of Senior Lien Bonds, Second Lien Bonds, Subordinate Lien Obligations, CP Notes and Water System Line of Credit Notes; provided that any funds available after these requirements have been satisfied or which are not necessary to satisfy these requirements may be used for any lawful purpose of the Water System.

A lien on and security interest in the Net Revenues Available for Bonds and the various Accounts of the Water Fund established as provided in Section 3.03 of this Part B (other than the Second Lien Bonds Account, the Subordinate Lien Obligations Account, the Commercial Paper Account and the Line of Credit Notes Account) are granted to the Registered Owners of the Senior Lien Bonds Outstanding from time to time, subject to amounts in the various Accounts being deposited, credited and expended as provided in this Ordinance, and with amounts in various Subaccounts of the Senior Lien Debt Service Reserve Account securing only the series or set of series of Senior Lien Bonds to which such Subaccounts relate. Nothing in this Ordinance shall prevent the City from commingling money in the Water Fund (except the Accounts to which reference is made in paragraphs (a) through (g) of Section 3.03 of this Part B) with other money, funds and accounts of the City. Any advance by the City to the Water Fund from other funds of the City shall have a claim for reimbursement only from amounts in the Water Fund not required for deposit in the various Accounts specified in paragraphs (a) through (g) of Section 3.03 of this Part B.

Section 3.03. Application of Net Revenues Available for Bonds. There have been created and there exist and shall be maintained in the Water Fund, the following separate

accounts: the Senior Lien Principal and Interest Account, the Senior Lien Debt Service Reserve Account and its various Subaccounts; the Water Rate Stabilization Account and the Senior Lien Rebate Accounts. There have also been created and shall be maintained in the Water Fund, (i) the Second Lien Bonds Account and its various Subaccounts for each series of Second Lien Bonds, (ii) the Subordinate Lien Obligations Account and its various Subaccounts for each series of Subordinate Lien Obligations, (iii) the Commercial Paper Account and its various Subaccounts and (iv) the Line of Credit Notes Account and its various Subaccounts. The Net Revenues Available for Bonds shall be transferred, without any further official action or direction, to the Senior Lien Principal and Interest Account, the Senior Lien Debt Service Reserve Account, the Senior Lien Rebate Accounts, the Second Lien Bonds Account, the Subordinate Lien Obligations Account, the Commercial Paper Account, the Line of Credit Notes Account and the Water Rate Stabilization Account in the order in which those accounts are listed below, for use in accordance with the provisions of paragraphs (a), (b), (c), (d), (e), (f), (g) and (h) of this Section 3.03.

(a) Senior Lien Principal and Interest Account. Not later than 10 days prior to each principal or interest payment date for the Senior Lien Bonds, there shall be transferred to the Senior Lien Principal and Interest Account sufficient funds to pay the amount of the principal, redemption premium, if any, and interest becoming due, whether upon maturity, redemption or otherwise, on such payment date on all Outstanding Senior Lien Bonds.

Funds in the Senior Lien Principal and Interest Account shall be used only for the purpose of paying principal of, redemption premium, if any, and interest on Outstanding Senior Lien Bonds as the same become due.

(b) Senior Lien Debt Service Reserve Account.

(i) There may be established by any ordinances authorizing the issuance of any series of Senior Lien Parity Bonds one or more other Subaccounts in the Senior Lien Debt Service Reserve Account with respect to one or more series of Senior Lien Parity Bonds.

(ii) Whenever the balance in the various Subaccounts of the Senior Lien Debt Service Reserve Account is less than the Senior Lien Debt Service Reserve Requirement for the various series of Senior Lien Bonds, except as permitted pursuant to Section 6.01(b) of this Part B, there shall be transferred to the Senior Lien Debt Service Reserve Account within the next 12 months sufficient funds to maintain balances in the various Subaccounts of the Senior Lien Debt Service Reserve Account at least equal to the Senior Lien Debt Service Reserve Requirement for the various series of Senior Lien Bonds.

Funds in any Subaccount of the Senior Lien Debt Service Reserve Account and any Senior Lien Debt Service Reserve Account Credit Instruments in that Subaccount shall be used to pay principal of, redemption premium, if any, and interest on the Senior Lien Bonds of the series to which the Subaccount relates (or when series of Senior Lien Bonds are secured on a parity basis by Subaccounts relating to those various series, then funds in each such Subaccount shall be so used on a parity basis to pay

principal of, redemption premium, if any, and interest on the Senior Lien Bonds to which those various Subaccounts relate) as the same become due at any time when there are insufficient funds available for such purpose in the Senior Lien Principal and Interest Account (after any available amounts in the Water Rate Stabilization Account have first been applied to that purpose).

(iii) All or any part of the Senior Lien Debt Service Reserve Requirement for any series of Senior Lien Bonds may be met by deposit with the City of one or more Senior Lien Debt Service Reserve Account Credit Instruments. A Senior Lien Debt Service Reserve Account Credit Instrument shall, for purposes of determining the value of the amounts on deposit in the Senior Lien Debt Service Reserve Account and the Subaccount or Subaccounts to which it relates, be valued at the Senior Lien Debt Service Reserve Account Credit Instrument Coverage for such Senior Lien Debt Service Reserve Account Credit Instrument except as provided in the next sentence. If a Senior Lien Debt Service Reserve Account Credit Instrument is to terminate (or is subject to termination) prior to the last principal payment date on any Outstanding Senior Lien Bond of the series of Senior Lien Bonds to which it relates, then the Senior Lien Debt Service Reserve Account Credit Instrument Coverage of that Senior Lien Debt Service Reserve Account Credit Instrument shall be reduced each year, beginning on the date which is four years prior to the first date on which the Senior Lien Debt Service Reserve Account Credit Instrument is to terminate (or is subject to termination), by 25 percent of the coverage in each of the years remaining prior to such date, provided that if by the terms of the Senior Lien Debt Service Reserve Account Credit Instrument and the terms of the related Senior Lien Bond ordinance, the City has the right and duty to draw upon such Senior Lien Debt Service Reserve Account Credit Instrument prior to its termination for deposit in the related Subaccount of the Senior Lien Debt Service Reserve Account (if and to the extent a substitute Senior Lien Debt Service Reserve Account Credit Instrument is not deposited in that related Subaccount) all or part of its Senior Lien Debt Service Reserve Account Credit Instrument Coverage, then the reduction shall be in an amount equal to the difference between (A) the Senior Lien Debt Service Reserve Requirement for that series of Senior Lien Bonds and (B) the sum of the amounts on deposit in the related Subaccount of the Senior Lien Debt Service Reserve Account and the amount which the City may draw under the Senior Lien Debt Service Reserve Account Credit Instrument prior to its termination for deposit in the related Subaccount of the Senior Lien Debt Service Reserve Account. Any amounts in any Subaccount of the Senior Lien Debt Service Reserve Account which are not required to be transferred to the Senior Lien Principal and Interest Account may, from time to time, be used to pay costs of acquiring a Senior Lien Debt Service Reserve Account Credit Instrument for that Subaccount or to make payments due under a Senior Lien Bond Reimbursement Agreement with respect to such Senior Lien Debt Service Reserve Account Credit Instrument, but only if after such payment, the value of the amounts on deposit in such Subaccount of the Senior Lien Debt Service Reserve Account shall not be less than the Senior Lien Debt Service Reserve Requirement for that series of Senior Lien Bonds. The City pledges and grants a lien on and security interest in the amounts on deposit in the Subaccounts of the Senior Lien Debt Service Reserve Account to any Senior Lien Bond Provider with respect to the particular Subaccount corresponding to such Senior Lien Bond Provider's Senior Lien Debt Service Reserve Account Credit Instrument, provided

that the pledge, lien and security interest shall be junior to any claim for the benefit of the Registered Owners of Senior Lien Bonds of that series.

After the deposit of a Senior Lien Debt Service Reserve Account Credit Instrument into any Subaccount of the Senior Lien Debt Service Reserve Account and after the City has received notice of the value of the amounts on deposit in such Subaccount of the Senior Lien Debt Service Reserve Account after such deposit, the Chief Financial Officer may then direct the transfer from such Subaccount of the Senior Lien Debt Service Reserve Account to any account of the Water Fund of any amounts in such Subaccount of the Senior Lien Debt Service Reserve Account in excess of the Senior Lien Debt Service Reserve Requirement for that series of Senior Lien Bonds for use in accordance with Section 3.07 of this Part B.

(c) Senior Lien Rebate Accounts. There shall be transferred from the Water Fund from Net Revenues Available for Bonds and deposited to the credit of the various Senior Lien Rebate Accounts the amounts as shall be required to be held available for rebate to the United States of America with respect to each series of Bonds as required by Section 3.06 of this Part B. Each such Senior Lien Rebate Account shall be deposited in a separate bank account in a bank or banks designated by the Chief Financial Officer pursuant to a depository agreement. The amount so to be held available shall be determined from time to time by the City pursuant to the ordinances authorizing the various series of Senior Lien Bonds.

Amounts in such Senior Lien Rebate Accounts shall be used at the direction of the City to make rebate payments to the United States of America and to the extent not needed for such purpose shall be transferred to the Water Fund.

(d) Second Lien Bonds Account. There is established in the Second Lien Bonds Account with respect to the 2016A Second Lien Bonds a separate and segregated 2016A Second Lien Bonds Subaccount. There may be established by any ordinances or related indentures authorizing the issuance of any series of Second Lien Parity Bonds one or more other Subaccounts in the Second Lien Bonds Account with respect to such Second Lien Parity Bonds including a Debt Service Reserve Account for such series of Second Lien Parity Bonds, and such ordinance or indenture may also authorize the establishment of a Series Reserve Account Requirement (as defined in the Second Lien Bonds Master Indenture) for such series of Second Lien Parity Bonds and the purchase of a Qualified Reserve Account Credit Instrument (as defined in the Second Lien Bonds Mater Indenture) for purposes of fulfilling such requirement. There shall be transferred to the Second Lien Bonds Account and to the Subaccounts in the Second Lien Bonds Account such amounts on such dates as are required to be so transferred by the Ninth Supplemental Indenture and each other Supplemental Indenture without priority of one Subaccount over any other Subaccount. The moneys in the various Subaccounts of the Second Lien Bonds Account shall be transferred by the Chief Financial Officer on the date so deposited in such various Subaccounts to the appropriate paying agents or trustees for the related series of Second Lien Bonds for the purpose of paying such amounts as may be required to be paid by the ordinances and related indentures authorizing such Second Lien Bonds.

(e) Subordinate Lien Obligations Account. There have been established and there shall exist and be maintained in the Subordinate Lien Obligations Account the following separate and segregated Subaccounts: the Subordinate Lien Principal and Interest Subaccount and the Subordinate Lien Debt Service Reserve Subaccount. There may be established by any ordinances authorizing the issuance of any series of Subordinate Lien Parity Obligations one or more Sub-subaccounts in the Subordinate Lien Principal and Interest Subaccount and Subordinate Lien Debt Service Reserve Subaccount with respect to such Subordinate Lien Parity Obligations. On the business day immediately preceding each May 1 and November 1, there shall be transferred to the Subordinate Lien Obligations Account, the amount required by any ordinance authorizing the issuance of Subordinate Lien Obligations to be deposited in the Subordinate Lien Obligations Account on such date without priority, one over the other, to any Subaccounts within the Subordinate Lien Obligations Account, the amount to be so deposited specified in a certificate of the Chief Financial Officer. The moneys in the various Subaccounts of the Subordinate Lien Obligations Account and Sub-subaccounts described in this paragraph (e) shall be used to pay such amounts as may be required to be paid by this Ordinance and any ordinance authorizing Subordinate Lien Parity Obligations.

(f) Commercial Paper Account. There has been established and there shall exist and be maintained in the Water Fund a separate and segregated Commercial Paper Account. There may be established by any ordinances or related indentures authorizing the issuance of any CP Notes one or more other Subaccounts in the Commercial Paper Account with respect to such CP Notes. There shall be transferred to the Commercial Paper Account and to the Subaccounts in the Commercial Paper Account such amounts on such dates as are required to be so transferred by the indenture pursuant to which the CP Notes are issued. The moneys in the various Subaccounts of the Commercial Paper Account shall be transferred by the Chief Financial Officer on the date so deposited in such various Subaccounts to the appropriate paying agents or trustees for the related CP Notes for the purpose of paying such amounts as may be required to be paid by the ordinances and related indentures authorizing such CP Notes.

(g) Line of Credit Notes Account. There has been established and there shall exist and be maintained in the Water Fund a separate and segregated Line of Credit Notes Account. There may be established by any ordinances or related Water System Line of Credit Agreements authorizing the issuance of any Water System Line of Credit Notes one or more other Subaccounts in the Line of Credit Notes Account with respect to such Water System Line of Credit Notes. There shall be transferred to the Line of Credit Notes Account and to the Subaccounts in the Line of Credit Notes Account such amounts on such dates as are required to be so transferred by the Water System Line of Credit Agreements pursuant to which the Water System Line of Credit Notes are issued. The moneys in the various Subaccounts of the Line of Credit Notes Account shall be transferred by the Chief Financial Officer on the date so deposited in such various Subaccounts to the appropriate owners of or paying agents or trustees for the related Water System Line of Credit Notes for the purpose of paying such amounts as may be required to be paid by the ordinances and related Water System Line of Credit Agreements authorizing such Water System Line of Credit Notes.

(h) Water Rate Stabilization Account. The City has caused amounts to be credited to the Water Rate Stabilization Account. In any year the City may withdraw any amounts from the

Water Rate Stabilization Account and use those amounts for (i) paying any expenses or obligations of the Water System, including, without limitation, any Operation and Maintenance Costs, (ii) making deposits in the Senior Lien Principal and Interest Account, (iii) making deposits in the various Subaccounts of the Senior Lien Debt Service Reserve Account, (iv) making deposits when due in the Second Lien Bonds Account (but only if and to the extent no amounts are required to be deposited in the Senior Lien Principal and Interest Account and in the various Subaccounts of the Senior Lien Debt Service Reserve Account as provided in the immediately succeeding sentence), (v) making deposits when due in the Subordinate Lien Obligations Account (but only if and to the extent no amounts are required to be deposited in the Senior Lien Principal and Interest Account, the various Subaccounts of the Senior Lien Debt Service Reserve Account as provided in the immediately succeeding sentence or in the Second Lien Bonds Account), (vi) making deposits when due in the Commercial Paper Account (but only if and to the extent no amounts are required to be deposited in the Senior Lien Principal and Interest Account, the various Subaccounts of the Senior Lien Debt Service Reserve Account, in the Second Lien Bond Accounts or the Subordinate Lien Obligations Account), (vii) making deposits when due in the Line of Credit Notes Account (but only if and to the extent no amounts are required to be deposited in the Senior Lien Principal and Interest Account, the various Subaccounts of the Senior Lien Debt Service Reserve Account, in the Second Lien Bond Accounts, in the Subordinate Lien Obligations Account or in the Commercial Paper Account), (viii) any cost of repairs, replacements, renewals, improvements, equipment or extensions to the Water System or (ix) any other cost or expense relating to the Water System or the financing or refinancing of the Water System. The Water Rate Stabilization Account shall be used to make all required deposits in the Senior Lien Principal and Interest Account and the various Subaccounts of the Senior Lien Debt Service Reserve Account when no other funds are available for that purpose. Any Net Revenues remaining in any period not required for transfer to the Senior Lien Principal and Interest Account, the various Subaccounts of the Senior Lien Debt Service Reserve Account, any Senior Lien Rebate Account, the Second Lien Bonds Account, the Subordinate Lien Obligations Account, the Commercial Paper Account or the Line of Credit Notes Account may be transferred to the Water Rate Stabilization Account at any time upon the direction of the Chief Financial Officer.

Section 3.04. Deficiencies, Excess. In the event of a deficiency in any Fiscal Year in the Senior Lien Principal and Interest Account, any Subaccount of the Senior Lien Debt Service Reserve Account, any Senior Lien Rebate Account, the Second Lien Bonds Account, or the Subordinate Lien Obligations Account, the Commercial Paper Account or the Line of Credit Notes Account, the amount of such deficiency shall be included in the amount to be transferred from the Water Fund and deposited into such Account or Subaccount during the next 12-month period or succeeding Fiscal Year, as required by this Part B.

Whenever the balance in any Subaccount of the Senior Lien Debt Service Reserve Account exceeds the amount required to be on deposit in that Account or Subaccount, such excess may be transferred to the Senior Lien Principal and Interest Account, and whenever the balance in any Subaccount of any Senior Lien Rebate Account exceeds the amount required to be on deposit in that Account or Subaccount, such excess may be transferred to the Water Fund, provided in each case that no such transfers shall be made when any debt service payments on outstanding obligations of the City that are payable by their terms from the revenues of the Water

System are past due. Any funds which remain in the Water Fund at the end of any Fiscal Year shall be retained in the Water Fund and shall be available for appropriation for any proper purpose of the Water System.

Section 3.05. Investments. Funds in the Accounts established as provided in Section 3.03 of this Part B shall be invested in Permitted Investments. All amounts in the various Subaccounts of the Senior Lien Debt Service Reserve Account and each Senior Lien Rebate Account shall be invested in Permitted Investments which are held separate and distinct from those of any other Funds or Account. Investments shall be scheduled to mature before needed for the respective purposes of each of such Accounts. All Investment Earnings on any such Accounts so invested as provided in this Section 3.05 shall be credited to the Water Fund and shall be considered Gross Revenues; provided, however, that earnings on the investment of amounts on deposit in the Senior Lien Rebate Accounts shall not be Investment Earnings, shall not be considered Gross Revenues and shall be retained in the respective Senior Lien Rebate Accounts except to the extent no longer required for rebate purposes.

For purposes of determining whether sufficient cash and investments are on deposit in such Accounts under the terms and requirements of this Ordinance, investments shall be valued at cost or market price, whichever is lower, on or about December 31 in each year.

provision of the Municipal Code shall be deemed to impair the validity of this Ordinance or the instruments authorized by this Ordinance, including the 2016A Second Lien Bonds, the Second Lien Bonds Master Indenture, the Ninth Supplemental Indenture or any Supplemental Indenture, or to make any such document or instrument voidable at the option of the City, or to impair the rights of the owners of the 2016A Second Lien Bonds to receive payment of the principal of, premium, if any, or interest on the 2016A Second Lien Bonds or to impair the security for the 2016A Second Lien Bonds; provided further that the foregoing shall not be deemed to affect the availability of any other remedy or penalty for any violation of any provision of the Municipal Code.

Section 1.04. Severability. If any section, paragraph, clause or provision of this Ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this Ordinance.

Section 1.05. Registered Owner Remedy. Any Registered Owner of a 2016A Second Lien Bond may proceed by civil action to compel performance of all duties required by this Ordinance, including the establishment and collection of sufficient fees, charges and rates for services supplied by the Water System and the application of Gross Revenues and the various Accounts of the Water Fund as provided by this Ordinance.

Section 1.06. Contract. The provisions of this Ordinance shall constitute a contract between the City and the Registered Owners of the 2016A Second Lien Bonds, and no changes, additions or alterations of any kind shall be made to that contract except as provided in this Ordinance, and as provided in the Second Lien Bonds Master Indenture, Ninth Supplemental Indenture and each Supplemental Indenture, so long as the 2016A Second Lien Bonds are Outstanding.

Section 1.07. Appropriation. The provisions of this Ordinance constitute an appropriation of the amounts received upon the sale of the 2016A Second Lien Bonds for the purposes specified in Section 2.02 of each of Part B of this Ordinance and an appropriation of the Net Revenues Available for Bonds for deposit in the various Accounts established as provided by Section 3.03 of Part B of this Ordinance and for payment of principal of, redemption premium, if any, and interest on the 2016A Second Lien Bonds and for other payments required to be made by the City pursuant to the documents, agreements and instruments authorized herein, all as provided in this Ordinance.

Section 1.08. Continuing Disclosure Undertaking. The Mayor and the Chief Financial Officer are each authorized to execute and deliver, as to each series of 2016A Second Lien Bonds, an undertaking (a "Continuing Disclosure Undertaking") evidencing the City's agreement to comply with the requirements of Section (b)(5) of Rule 15c2-12 adopted by the Securities and Exchange Commission under the Securities Exchange Act of 1934, as from time to time in effect, in a form approved by the Corporation Counsel of the City. Upon its execution and delivery on behalf of the City, the Continuing Disclosure Undertaking shall be binding upon the City, and the officers, employees and agents of the City are authorized to do all such acts and things and to execute all such documents as may be necessary to carry out and comply with the provisions of the Continuing Disclosure Undertaking as executed. The Chief Financial Officer is

Notwithstanding any other provision of this Ordinance, the sole remedies for failure by the City to comply with the Continuing Disclosure Undertaking shall be the ability of the beneficial owner of any 2016A Second Lien Bonds, as appropriate, to seek mandamus or specific performance by court order to cause the City to comply with its obligations under the Continuing Disclosure Undertaking. No failure by the City to comply with the Continuing Disclosure Undertaking shall constitute a default under this Ordinance or under any Bonds.

Section 1.10. Escrow Restructuring. Nothing in this Ordinance shall restrict or limit the ability of the City to restructure securities held for the payment of Senior Lien Bonds, Second Lien Bonds, or Subordinate Lien Obligations.

Section 1.11. Book-Entry. In order to provide for the initial issuance of obligations issued pursuant to this Ordinance ("Obligations") in a form that provides for a system of book-entry only transfers, the ownership of one fully registered Obligation for each maturity in the aggregate principal amount of such maturity may be registered in the name of Cede & Co., as a nominee of The Depository Trust Company, New York, New York ("DTC"), or a successor nominee or successor securities depository. In the event that the City determines that the system of book-entry only transfers through DTC (or a successor securities depository) is not in the best interests of the Beneficial Owners (as hereinafter defined) of the Obligations or is burdensome to the City, the City may notify DTC, whereupon DTC will notify the DTC Participants (as hereinafter defined) of the availability through DTC of Obligation certificates. In such event, the City shall issue and the note registrar shall authenticate, transfer and exchange Obligation certificates as requested by DTC of like principal amount, series and maturity, in authorized denominations, to the identifiable Beneficial Owners, in replacement of such Beneficial Owners' beneficial interests in the Obligations. For the purposes of this paragraph, the term "Beneficial Owners" shall mean (a) those persons for whom DTC was created to hold their securities ("DTC Participants"), and (b) the persons for whom the DTC Participants acquire interests in the Obligations as nominees.

Section 1.12. Headings. Any headings preceding the texts of the several Articles and Sections of this Ordinance shall be solely for convenience or reference and shall not constitute a part of this Ordinance nor shall they affect its meaning, construction or effect.

remedies are sought); (D) the Series 2016A Bond Ordinance, the Indenture and this Ninth Supplemental Indenture create the valid pledge of the Trust Estate, including Second Lien Bond Revenues and moneys and securities held in the Second Lien Bonds Account (other than monies, instruments and securities or any Qualified Reserve Account Credit Instrument on deposit in a Debt Service Reserve Account for any other Series of Second Lien Bonds issued or to be issued) under the Series 2016A Bond Ordinance, the Indenture and this Ninth Supplemental Indenture for the benefit and security of the Series 2016A Bonds; subject to application of such moneys and securities in the manner provided in the Indenture and this Ninth Supplemental Indenture; (E) upon the execution, authentication and delivery of the Indenture and this Ninth Supplemental Indenture, the Series 2016A Bonds will have been, duly and validly authorized and issued in accordance with the Constitution and laws of the State, the Series 2016A Bond Ordinance, the Indenture and this Ninth Supplemental Indenture and (F) any required approval for the issuance of the Series 2016A Bonds has been obtained;

(iv) a written order as to the delivery of the Series 2016A Bonds, signed by the Chief Financial Officer and stating (A) the identity of the purchasers, the aggregate purchase price and the date and place of delivery; and (B) that no Event of Default has occurred and is continuing under the Indenture or this Ninth Supplemental Indenture; and

(v) a Certificate of the Chief Financial Officer stating that the conditions of Section 2.06 of the Master Indenture have been met.

Section 2.06. Mutilated, Lost, Stolen or Destroyed Series 2016A Bonds. In the event a Series 2016A Bond is mutilated, lost, stolen or destroyed, the City may execute and the Trustee may authenticate a new Series 2016A Bond of like date, maturity, interest rate and denomination as the Series 2016A Bond mutilated, lost, stolen or destroyed; provided that, in the case of any mutilated Series 2016A Bond, such mutilated Series 2016A Bond shall first be surrendered to the Trustee, and in the case of any lost, stolen or destroyed Series 2016A Bond, there shall be first furnished to the City and the Trustee evidence of such loss, theft or destruction satisfactory to the City and the Trustee, together with indemnity satisfactory to them. In the event any such Series 2016A Bond has matured, instead of issuing a substitute Series 2016A Bond the City may pay the same without surrender of such Series 2016A Bond. The City and the Trustee may charge the Registered Owner of such Series 2016A Bond with their reasonable fees and expenses in this connection. All Series 2016A Bonds so surrendered to the Trustee shall be canceled and destroyed, and evidence of such destruction shall be given to the City. Upon the date of final maturity or redemption of all of the Series 2016A Bonds, the Trustee shall destroy any inventory of unissued certificates.

All duplicate Series 2016A Bonds issued and authenticated pursuant to this Section shall constitute original, contractual obligations of the City (whether or not, in the case of the first paragraph of this Section, lost, stolen or destroyed Series 2016A Bonds be at any time found by anyone), and shall be entitled to equal and proportionate rights and benefits under this Ninth Supplemental Indenture as all other Outstanding Series 2016A Bonds issued under this Ninth Supplemental Indenture.

All Series 2016A Bonds shall be owned upon the express condition that the foregoing provisions, to the extent permitted by law, are exclusive with respect to the replacement or payment of mutilated, destroyed, lost, stolen or purchased Series 2016A Bonds, and shall preclude any and all other rights or remedies.

Section 2.07. Transfer and Exchange of Series 2016A Bonds; Persons Treated as Owners. (a) Subject to the limitations contained in subsection (c) of this Section, upon surrender for registration of transfer of any Series 2016A Bond at the principal corporate trust office of the Trustee, duly endorsed by, or accompanied by a written instrument or instruments of transfer in form satisfactory to the Trustee and duly executed by the Bondholder or such Bondholder's attorney duly authorized in writing, the City shall execute, and the Trustee shall authenticate and deliver, in the name of the transferee or transferees a new Series 2016A Bond or Bonds of like date and tenor in Authorized Denominations of the same Maturity Date and interest rate for the aggregate principal amount which the Registered Owner is entitled to receive bearing numbers not contemporaneously Outstanding. Subject to the limitations contained in subsection (c) of this Section, Series 2016A Bonds may be exchanged at such times at such designated corporate trust office of the Trustee upon surrender of such Series 2016A Bond together with an assignment duly executed by the Registered Owner of such Series 2016A Bonds or such Registered Owner's attorney in such form and with guarantee of signature as shall be satisfactory to the Trustee for an equal aggregate principal amount of Series 2016A Bonds of like date and tenor of any Authorized Denomination as the Series 2016A Bonds surrendered for exchange bearing numbers not contemporaneously Outstanding. The execution by the City of any Series 2016A Bond of any Authorized Denomination shall constitute full and due authorization of such Authorized Denomination, and the Trustee shall thereby be authorized to authenticate and deliver such registered Series 2016A Bond.

(b) No service charge shall be imposed upon the Registered Owners for any exchange or transfer of Series 2016A Bonds. The City and the Trustee may, however, require payment by the person requesting an exchange or transfer of Series 2016A Bonds of a sum sufficient to cover any tax, fee or other governmental charge that may be imposed in relation to such exchange or transfer, except in the case of the issuance of one or more Series 2016A Bonds for the unredeemed portion of a Series 2016A Bond surrendered for redemption in part.

(c) The Trustee shall not be required to transfer or exchange any Series 2016A Bond during the period commencing on the Record Date next preceding any Interest Payment Date of such Series 2016A Bond and ending on such Interest Payment Date, or to transfer or exchange such Series 2016A Bond after the mailing of notice calling such Series 2016A Bond for redemption has been made as provided in this Ninth Supplemental Indenture or during the period of 15 days next preceding the giving of notice of redemption of Series 2016A Bonds of the same Maturity Date and interest rate.

(d) Series 2016A Bonds delivered upon any registration of transfer or exchange as provided in this Section 2.07 or as provided in Section 2.08 hereof shall be valid limited obligations of the City, evidencing the same debt as the Series 2016A Bonds surrendered, shall be secured by the Indenture and shall be entitled to all of the security and benefits of this Ninth Supplemental Indenture to the same extent as the Series 2016A Bond surrendered.

(e) The City, the Trustee and any Paying Agent may treat the Registered Owner of any Series 2016A Bond as the absolute owner of such Series 2016A Bond for all purposes, whether or not such Series 2016A Bond shall be overdue, and shall not be bound by any notice to the contrary. All payments of or on account of the principal of, premium, if any, and interest on any such Series 2016A Bond as provided in this Ninth Supplemental Indenture shall be made only to or upon the written order of the Registered Owner of such Series 2016A Bond or such Registered Owner's legal representative, but such registration may be changed as provided in this Ninth Supplemental Indenture. All such payments shall be valid and effectual to

satisfy and discharge the liability upon such Series 2016A Bond to the extent of the sum or sums so paid.

Section 2.08. Cancellation. Any Series 2016A Bond surrendered for the purpose of payment or retirement, or for exchange, transfer or replacement, shall be canceled upon surrender of such Series 2016A Bond to the Trustee or any Paying Agent. If the City shall acquire any of the Series 2016A Bonds, the City shall deliver such Series 2016A Bonds to the Trustee for cancellation and the Trustee shall cancel the same. Any such Series 2016A Bonds canceled by any Paying Agent other than the Trustee shall be promptly transmitted by such Paying Agent to the Trustee. Certification of Series 2016A Bonds canceled by the Trustee and Series 2016A Bonds canceled by a Paying Agent other than the Trustee which are transmitted to the Trustee shall be made to the City. Canceled Series 2016A Bonds may be destroyed by the Trustee unless instructions to the contrary are received from the City. Upon the date of final maturity or redemption of all Series 2016A Bonds, the Trustee shall destroy any inventory of unissued certificates.

Section 2.09. Book-Entry Provisions. The provisions of this Section shall apply as long as the Series 2016A Bonds are maintained in book-entry form with DTC or another Securities Depository, any provisions of this Ninth Supplemental Indenture to the contrary notwithstanding.

(a) Payments of the principal of and interest on the Series 2016A Bonds shall be made to the Securities Depository, or its nominee, as the Registered Owner of the Series 2016A Bonds, in same day funds on each date on which the principal of, premium, if any, and interest on the Series 2016A Bonds is due as set forth in this Ninth Supplemental Indenture and the Series 2016A Bonds. Such payments shall be made to the offices of the Securities Depository specified by the Securities Depository to the City and the Trustee in writing. Without notice to or the consent of the beneficial owners of the Series 2016A Bonds, the City and the Securities Depository may agree in writing to make payments of principal and interest in a manner different from that set forth herein. If such different manner of payment is agreed upon, the City shall give the Trustee written notice thereof, and the Trustee shall make payments with respect to the Series 2016A Bonds in the manner specified in such notice as set forth herein. Neither the City nor the Trustee shall have any obligation with respect to the transfer or crediting of the principal of, premium, if any, and interest on the Series 2016A Bonds to Participants or the beneficial owners of the Series 2016A Bonds or their nominees.

(b) The Registered Owners of the Series 2016A Bonds have no right to the appointment or retention of a Securities Depository for the Series 2016A Bonds. If (i) the City determines, or (ii) the City receives notice that the Securities Depository has received notice from its Participants having interests in at least 50 percent in principal amount of the Series 2016A Bonds that the Securities Depository or its successor is incapable of discharging its responsibilities as a securities depository, or that it is in the best interests of the beneficial owners that they obtain certificated Series 2016A Bonds, the City may (or, in the case of clause (ii) above, the City shall) cause the Trustee to authenticate and deliver Series 2016A Bond certificates. The City shall have no obligation to make any investigation to determine the occurrence of any events that would permit the City to make any determination described in this paragraph.

(c) If, following a determination or event specified in paragraph (b) above, the City discontinues the maintenance of the Series 2016A Bonds in book-entry form with the then current Securities Depository, the City will issue replacement Series 2016A Bonds to the

replacement Securities Depository, if any, or, if no replacement Securities Depository is selected for the Series 2016A Bonds, directly to the Participants as shown on the records of the former Securities Depository or, to the extent requested by any Participant, to the beneficial owners of the Series 2016A Bonds shown on the records of such Participant. Replacement Series 2016A Bonds shall be in fully registered form and in Authorized Denominations, be payable as to interest on the Interest Payment Dates of such Series 2016A Bonds by check mailed to each Registered Owner at the address of such Registered Owner as it appears on the Bond Register or, at the option of any Registered Owner of not less than \$1,000,000 principal amount of Series 2016A Bonds, by wire transfer to any address in the United States of America on such Interest Payment Date to such Registered Owner as of such Record Date, if such Registered Owner provides the Trustee with written notice of such wire transfer address not later than the Record Date (which notice may provide that it will remain in effect with respect to subsequent Interest Payment Dates unless and until changed or revoked by subsequent notice). Principal and premium, if any, on the replacement Series 2016A Bonds are payable only upon presentation and surrender of such replacement Series 2016A Bond or Bonds at the principal corporate trust office of the Trustee.

(d) The Securities Depository and its Participants, and the beneficial owners of the Series 2016A Bonds, by their acceptance of the Series 2016A Bonds, agree that the City and the Trustee shall not have liability for the failure of such Securities Depository to perform its obligations to the Participants and the beneficial owners of the Series 2016A Bonds, nor shall the City or the Trustee be liable for the failure of any Participant or other nominee of the beneficial owners to perform any obligation of the Participant to a beneficial owner of the Series 2016A Bonds.

(e) As long as Cede & Co. is the Registered Owner of the Series 2016A Bonds, as nominee of DTC, references herein to the Registered Owners of the Series 2016A Bonds shall mean Cede & Co. and shall not mean the beneficial owners of the Series 2016A Bonds.

(f) As long as Cede & Co. is the Registered Owner of the Series 2016A Bonds:

(i) selection of Series 2016A Bonds to be redeemed upon partial redemption or presentation of such Series 2016A Bonds to the Trustee upon partial redemption shall be deemed made when the right to exercise ownership rights in such Series 2016A Bonds through DTC or DTC's Participants is transferred by DTC on its books; and

(ii) DTC may present notices, approvals, waivers or other communications required or permitted to be made by Registered Owners under this Ninth Supplemental Indenture on a fractionalized basis on behalf of some or all of those persons entitled to exercise ownership rights in the Series 2016A Bonds through DTC or its Participants.

ARTICLE III

REDEMPTION OF SERIES 2016A BONDS

Section 3.01. Optional Redemption. [The Series 2016A Bonds maturing on or after [_____] 1, 20__] are subject to redemption prior to maturity at the option of the City, in whole or in part, on any date on or after [_____] 1, 20__], and if in part, in such order of maturity as the City shall determine and within any maturity and interest rate by lot, at a Redemption Price equal to the outstanding principal amount of such Series 2016A Bond, together with accrued interest to the date fixed for redemption.]

accrued and unpaid as of the date on which the Series 2016A Bonds are to be redeemed, discounted to the date on which the Series 2016A Bonds are to be redeemed on a semi-annual basis, assuming a 360-day year consisting of twelve 30-day months, at the Treasury Rate (as defined below) plus [_____] basis points plus accrued and unpaid interest on the Series 2016A Bonds to be redeemed on the redemption date.

"Treasury Rate" means, as of any redemption date, the yield to maturity as of such redemption date of United States Treasury Securities with a constant maturity (as compiled and published in the most recent Federal Reserve Statistical H.15 (519)) that has become publicly available not more than 45 days and not less than four Business Days prior to the redemption date (excluding inflation-indexed securities) (or, if such Statistical Release is no longer published, any publicly available source of similar market data) most nearly equal to the period from the redemption date to the maturity date of the Series 2016A Bonds to be redeemed; provided however, that if the period from the redemption date to such maturity date is less than one year, the weekly average yield on actually traded United States Treasury securities adjusted to a constant maturity of one year will be used.

The redemption price of the Series 2016A Bonds to be redeemed pursuant to the Make-Whole Optional Redemption provision described above will be determined by an independent accounting firm, investment banking firm or financial advisor retained by the City at the City's expense to calculate such redemption price. The Trustee and the City may conclusively rely on such determination of redemption price by such independent accounting firm, investment banking firm or financial advisor and will not be liable for such reliance.]

Section 3.04. Redemption Terms; Notice of Redemption.

(a) Series 2016A Bonds may be called for redemption by the Trustee pursuant to Section 3.01 hereof upon receipt by the Trustee at least 45 days prior to the redemption date (or such shorter period as shall be acceptable to the Trustee) of a written request of the City requesting such redemption. [Term Bonds shall be called for redemption by the Trustee pursuant to Section 3.02 hereof without further request or direction from the City or any other party.] [Series 2016A Bonds may be called for redemption by the Trustee pursuant to Section 3.03 hereof upon receipt by the Trustee at least 45 days prior to the redemption date (or such shorter period as shall be acceptable to the Trustee) of a written request of the City requesting such redemption.]

(b) Unless waived by any owner of Series 2016A Bonds to be redeemed, notice of the call for any [optional, mandatory redemption or optional make-whole redemption pursuant to Section 3.01, 3.02 or Section 3.03 hereof] shall be given by the Trustee on behalf of the City by mailing the redemption notice by first class mail at least 30 days and not more than 45 days prior to the date fixed for redemption to the Registered Owner of the Series 2016A Bond or Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such Registered Owner to the Trustee, but the failure to mail any such notice or any defect therein as to any Series 2016A Bond to be redeemed shall not affect the validity of the proceedings for the redemption of any other Series 2016A Bond to be redeemed. Any notice of redemption mailed as provided in this Section shall be conclusively presumed to have been given whether or not actually received by the addressee.

(c) All notices of redemption shall specify, at a minimum: (i) the series name and designation and certificate numbers of Series 2016A Bonds being redeemed, (ii) the CUSIP numbers of the Series 2016A Bonds being redeemed, (iii) the principal amount of Series 2016A

Bonds being redeemed and the redeemed amount for each certificate (for partial calls), (iv) the redemption date, (v) the redemption price, (vi) the Date of Issuance of the Series 2016A Bonds being redeemed, (vii) the interest rate and maturity date of the Series 2016A Bonds being redeemed, (viii) the date of mailing of notices to Registered Owners and information services (if required), and (ix) the name of the employee of the Trustee which may be contacted with regard to such notice. With respect to an optional redemption of any Series 2016A Bonds, such notice may state that said redemption is conditioned upon the receipt by the Trustee on or prior to the date fixed for redemption of moneys sufficient to pay the redemption price of the Series 2016A Bonds being redeemed. If such moneys are not so received, such redemption notice shall be of no force and effect, the City shall not redeem such Series 2016A Bonds and the Trustee shall give notice, in the same manner in which the notice of redemption was given, that such moneys were not so received and that such Series 2016A Bonds will not be redeemed. Unless the notice of redemption shall be made conditional as provided above, on or prior to any redemption date for Series 2016A Bonds, the City shall deposit with the Trustee an amount of money sufficient to pay the redemption price of all Series 2016A Bonds or portions thereof which are to be redeemed on that date.

(d) Notice of redemption having been given as aforesaid, the Series 2016A Bonds, or portions thereof, so to be redeemed shall, on the redemption date (unless the redemption has been canceled as described in Section 3.04(c) hereof), become due and payable at the redemption price therein specified, and from and after such date (unless the City shall default in the payment of the redemption price) such Series 2016A Bonds, or portions thereof, shall cease to bear interest. Section 3.05. Selection of Series 2016A Bonds for Redemption. In the event of the redemption of fewer than all the Series 2016A Bonds of the same interest rate and maturity, the aggregate principal amount thereof to be redeemed shall be in an Authorized Denomination, and the Trustee shall assign to each Series 2016A Bond of such interest rate and maturity a distinctive number for each minimum Authorized Denomination of such Bond and shall select by lot from the numbers so assigned as many numbers as, at such minimum Authorized Denomination for each number, shall equal the principal amount of such Series 2016A Bonds to be redeemed. The Series 2016A Bonds to be redeemed shall be those to which were assigned numbers so selected; provided that only so much of the principal amount of each Series 2016A Bond shall be redeemed as shall equal such minimum Authorized Denomination for each number assigned to it and so selected. For purposes of any redemption of fewer than all of the outstanding Series 2016A Bonds of a single interest rate and maturity, the particular Series 2016A Bonds or portions thereof to be redeemed shall be selected not more than 60 days prior to the redemption date by the Trustee.

The Trustee, in its individual capacity, either as principal or agent, may also engage in or be interested in any financial or other transaction with the City, and may act as depositary, trustee or agent for any committee or body of the Registered Owners of the Series 2016A Bonds secured by this Ninth Supplemental Indenture or other obligations of the City as freely as if it did not act in any capacity under this Ninth Supplemental Indenture.

Any Paying Agent appointed by the City may be removed at any time by an instrument signed by the Chief Financial Officer and filed with such Paying Agent and the Trustee. The Trustee may at any time terminate the agency of any Paying Agent appointed by it by giving written notice of such termination to such Paying Agent and the City. Upon receiving such a notice of resignation or upon such a termination, or in case at any time such Paying Agent shall cease to be eligible under this Section, the Trustee shall promptly appoint a successor Paying Agent shall give written notice of such appointment to the City and shall mail notice of such appointment to all Owners of Series 2016A Bonds. 5.02 Other Governmental Approvals. The Developer must have secured all other necessary approvals and permits required by any state, federal, or local statute, ordinance or regulation and has submitted evidence thereof to DPD. 5.09 Evidence of Prior Expenditures. The Developer must have provided evidence satisfactory to DPD in its sole discretion of the Prior Expenditures.

5.10 Financial Statements. The Developer must have provided DPD with such financial statements as DPD may reasonably require.

5.11 Documentation; Employment Plan. The Developer has provided documentation to DPD, satisfactory in form and substance to DPD, with respect to current employment matters in connection with the construction or rehabilitation work on the Project, including the reports described in Section 3.07. At least thirty (30) days prior to the Closing Date, the Developer has met with the Workforce Solutions division of DPD to review employment opportunities with the Developer after construction or rehabilitation work on the Project is completed. On or before the Closing Date, Developer has provided to DPD, and DPD has approved, the Employment Plan for the Project (the "Employment Plan"). The Employment Plan includes, without limitation, the Developer's estimates of future job openings, titles, position descriptions, qualifications, recruiting, training, placement and such other information as DPD has requested relating to the Project.

5.12 Environmental. The Developer must have provided DPD with copies of any existing phase I environmental audits completed with respect to the Property and a letter from the environmental engineer(s) who completed such audit(s), authorizing the City to rely on such audits.

5.13 Corporate Documents; Economic Disclosure Statement. 5.14 Litigation. The Developer must have provided to Corporation Counsel and DPD, a description of all pending or threatened litigation or administrative proceedings involving the Developer and the Property.

SECTION 6. AGREEMENTS WITH CONTRACTORS

In connection with the Project, the Developer shall comply with, and shall cause the general contractor and all subcontractors to comply with, the construction requirements set forth below that are applicable to such parties. Such requirements are specific City requirements that must be satisfied and include, without limitation, wage, MBE/WBE utilization and City resident hiring requirements.

6.01 Construction Requirements

A. Construction Contract. Upon DPD's request, the Developer must provide DPD with a certified copy of the construction contract, together with any modifications, amendments or supplements thereto, and upon DPD's request, a copy of any subcontracts.

B. Performance and Payment Bonds. Prior to the commencement of any portion of the Project which includes work on the public way, the Developer must require the General Contractor to be bonded for its payment by sureties having an AA rating or better using a bond in a form acceptable to the City. The City shall be named as obligee or co-obligee on any such bonds.

C. Employment Profile. Upon DPD's request, the Developer, the General Contractor and all subcontractors must submit to DPD statements of their respective employment profiles.

D. Prevailing Wage. The Developer, the General Contractor and all subcontractors must pay the prevailing wage rate as ascertained by the Illinois Department of Labor (the "Department"), to all persons working on the Project. All such contracts shall list the specified rates to be paid to all laborers, workers and mechanics for each craft or type of worker or mechanic employed pursuant to such contract. If the Department revises such prevailing wage rates, the revised rates shall apply to all such contracts. Upon the City's request, the Developer shall provide the City with copies of all such contracts entered into by the Developer or the General Contractor to evidence compliance with this Paragraph D.

E. Employment Opportunity. The Developer shall contractually obligate its or their various contractors, subcontractors or any Affiliate of the Developer operating on the Property (collectively, with the Developer, the "Employers" and individually an "Employer") to agree, that for the Term of this Agreement with respect to Developer and during the period of any other party's provision of services in connection with the construction of the Project or occupation of the Property:

(1) No Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Chapter 2-160, Section 2-160-010 et seq., Municipal Code, except as otherwise provided by said ordinance and as amended from time to time (the "Human Rights Ordinance"). Each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

(2) To the greatest extent feasible, each Employer is required to present opportunities for training and employment of low- and moderate-income residents of the City and preferably of the Area; and to provide that contracts for work in connection with the construction of the Project be awarded to business concerns that are located in, or owned in substantial part by persons residing in, the City and preferably in the Area.

(3) Each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the City's Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

(4) Each Employer, in order to demonstrate compliance with the terms of this Paragraph, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(5) Each Employer shall include the foregoing provisions of subparagraphs (1) through (4) in every contract entered into in connection with the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any Affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or Affiliate, as the case may be.

(6) Failure to comply with the employment obligations described in this Paragraph E shall be a basis for the City to pursue its remedies under the Redevelopment Agreement.

F. City Resident Construction Worker Employment Requirement. The Developer agrees for itself and its successors and assigns, and shall contractually obligate its General Contractor and shall cause the General Contractor to contractually obligate its subcontractors, as applicable, to agree, that during the construction of the Project they shall comply with the minimum percentage of total worker hours performed by actual residents of the City as specified in Section 2-92-330 of the Municipal Code of Chicago (at least 50 percent of the total worker hours worked by persons on the site of the Project shall be performed by actual residents of the City); provided, however, that in addition to complying with this percentage, the Developer, its General Contractor and each subcontractor shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

The Developer may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the Chief Procurement Officer of the City.

"Actual residents of the City" shall mean persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

The Developer, the General Contractor and each subcontractor shall provide for the maintenance of adequate employee residency records to show that actual Chicago residents are employed on the Project. Each Employer shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) shall be submitted to the Commissioner of DPD in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Employer hired the employee should be written in after the employee's name.

The Developer, the General Contractor and each subcontractor shall provide full access to their employment records to the Chief Procurement Officer, the Commissioner of DPD, the Superintendent of the Chicago Police Department, the Inspector General or any duly authorized representative of any of them. The Developer, the General Contractor and each subcontractor shall

maintain all relevant personnel data and records for a period of at least three (3) years after final acceptance of the work constituting the Project.

At the direction of DPD, affidavits and other supporting documentation will be required of the Developer, the General Contractor and each subcontractor to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

Good faith efforts on the part of the Developer, the General Contractor and each subcontractor to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) shall not suffice to replace the actual, verified achievement of the requirements of this Paragraph concerning the worker hours performed by actual Chicago residents.

When work at the Project is completed, in the event that the City has determined that the Developer has failed to ensure the fulfillment of the requirement of this Paragraph concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Paragraph. Therefore, in such a case of non-compliance, it is agreed that 1/20 of 1 percent (0.0005) of the aggregate hard construction costs set forth in the Project budget (the product of .0005 x such aggregate hard construction costs) (as the same shall be evidenced by approved contract value for the actual contracts) shall be surrendered by the Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer, the General Contractor and/or the subcontractors to prosecution. Any retainage to cover contract performance that may become due to the Developer pursuant to Section 2-92-250 of the Municipal Code of Chicago may be withheld by the City pending the Chief Procurement Officer's determination as to whether the Developer must surrender damages as provided in this paragraph.

Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement or related documents.

The Developer shall cause or require the provisions of this Paragraph F to be included in all construction contracts and subcontracts related to the Project.

G. The Developer's MBE/WBE Commitment.

The Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the General Contractor to agree that, during the Project:

(1) Consistent with the findings which support the Minority-Owned and Women-Owned Business Enterprise Procurement Program (the "MBE/WBE" Program"), Section 2-92-420 et seq.,

Municipal Code of Chicago, and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Paragraph G, during the course of the Project, at least the following percentages of the MBE/WBE Budget attached hereto as Exhibit D-2 (as these budgeted amounts may be reduced to reflect decreased actual costs) shall be expended for contract participation by MBEs or WBEs:

- i. At least 24 percent by MBEs.
- ii. At least 4 percent by WBEs.

2. For purposes of this Paragraph G only, the Developer (and any party to whom a contract is let by the Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by the Developer in connection with the Project) shall be deemed a "contract" as such terms are defined in Section 2-92-420, Municipal Code of Chicago.

(3) Consistent with Section 2-92-440, Municipal Code of Chicago, the Developer's MBE/WBE commitment may be achieved in part by the Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the Developer), or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture or (ii) the amount of any actual work performed on the Project by the MBE or WBE), by the Developer utilizing a MBE or a WBE as a General Contractor (but only to the extent of any actual work performed on the Project by the General Contractor), by subcontracting or causing the General Contractor to subcontract a portion of the Project to one or more MBEs or WBEs, or by the purchase of materials used in the Project from one or more MBEs or WBEs, or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer's MBE/WBE commitment as described in this Paragraph G. The Developer or the General Contractor may meet all or part of this commitment through credits received pursuant to Section 2-92-530 of the Municipal Code of Chicago for the voluntary use of MBEs or WBEs in its activities and operations other than the Project.

(4) Prior to the City's issuance of a Certificate, the Developer shall provide to DPD a final report describing its efforts to achieve compliance with this MBE/WBE commitment. Such report shall include inter alia the name and business address of each MBE and WBE solicited by the Developer or the General Contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist DPD in determining the Developer's compliance with this MBE/WBE commitment. DPD has access to the Developer's books and records, including, without limitation, payroll records, books of account and tax returns, and records and books of account in accordance with the Redevelopment Agreement, on five (5) business days' notice, to allow the City to review the Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the Project.

(5) Upon the disqualification of any MBE or WBE General Contractor or subcontractor, if such status was misrepresented by the disqualified party, the Developer shall be obligated to discharge or cause to be discharged the disqualified General Contractor or subcontractor and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this

Subsection (e), the disqualification procedures are further described in Section 2-92-540, Municipal Code of Chicago.

(6) Any reduction or waiver of the Developer's MBE/WBE commitment as described in this Paragraph G shall be undertaken in accordance with Section 2-92-450, Municipal Code of Chicago.

(7) Prior to the commencement of the Project, the Developer, the General Contractor and all major subcontractors shall be required to meet with the monitoring staff of DPD with regard to the Developer's compliance with its obligations under this Paragraph G. During this meeting, the Developer shall demonstrate to DPD its plan to achieve its obligations under this Paragraph G, the sufficiency of which shall be approved by DPD. During the Project, the Developer shall, upon the request of the monitoring staff of DPD, such interim reports as the monitoring staff may require. Failure to submit such documentation on a timely basis, or a determination by DPD, upon analysis of the documentation, that the Developer is not complying with its obligations hereunder shall, upon the delivery of written notice to the Developer, be deemed an Event of Default hereunder.

H. Books and Records. The Developer, the general contractor and each subcontractor shall keep and maintain books and records that fully disclose the total actual cost of the Project and the disposition of all funds from whatever source allocated thereto and as otherwise necessary to evidence the Developer's compliance with its obligations under this Agreement, including, but not limited to, payroll records, general contractor's and subcontractors' sworn statements, general contracts, subcontracts, purchase orders, waivers of lien, paid receipts and invoices and the like. Such books and records shall be available at the applicable party's offices for inspection, copying, audit and examination by an authorized representative of the City, at the Developer's expense.

I. Incorporation in Other Contracts. The general contract and each subcontract shall include a rider incorporating Paragraphs C, D, E(5) and H of this Section 6.01 and the insurance requirements in Exhibit L. The general contract shall also incorporate in such rider Paragraphs F and G of this Section 6.01.

SECTION 7. COMPLETION OF CONSTRUCTION OR REHABILITATION

7.01 Certificate(s) of Completion of Construction or Rehabilitation.

Upon completion of the Project in accordance with the terms of this Agreement and upon the Developer's written request, DPD shall either issue to the Developer an Initial Certificate or Final Certificate, respectively, in recordable form certifying that the Developer has fulfilled its obligation to complete the Project in accordance with the terms of this Agreement or a written statement detailing the measures which must be taken in order to obtain the Initial Certificate or Final Certificate. DPD may require a single inspection by an inspecting architect hired at the Developer's expense to confirm the completion of the Project. DPD shall respond to Developer's written request for an Initial Certificate or Final Certificate within forty-five (45) days by issuing either an Initial Certificate or Final Certificate, respectively, or a written statement detailing the ways in which the Project does not conform to this Agreement or has not been satisfactorily completed, and the measures which must be taken by Developer in order to obtain either Certificate. Developer may resubmit a written request for a Initial Certificate or Final Certificate upon completion of such measures.

The Developer acknowledges and understands that the City will not issue the **Initial Certificate** and pay out City Funds in connection with the Project, until the following conditions have been met:

- Completion of the Project;
- Evidence acceptable to DPD that the Total Project Cost is equal to, or in excess of, \$14,106,174. As described in Section 4.03(c), the City Funds will be reduced on a dollar for dollar basis if the Total Project Cost is less than \$14,106,174;
- Receipt of a Certificate of Occupancy or other evidence acceptable to DPD that the developer has complied with building permit requirements for Project;
- The Developer shall have initially signed leases for 65% of the Property and this shall not include the square footage of the Common Area, the not for profit art center, and movie theater, as described herein;
- Evidence acceptable to DPD that the Project met or exceeded MBE/WBE, Prevailing Wage, and City Residency requirements; Developer has received a letter from DPD's Compliance and Monitoring division stating that the Developer is in complete compliance with all City Requirements (MBE/WBE, City Residency, and Prevailing Wage), as provided in herein;
- Evidence that the Developer has incurred TIF-eligible costs in an equal amount to, or greater than, the total maximum amount of City Funds for the Project (up to \$2,000,000); and
- The Developer shall provide evidence acceptable to the City that the Developer has met the Sustainability Requirement for the Project. The Sustainability Requirement consists of a stamped letter from a licensed design professional and a completed LEED checklist stating that the work completed has met the LEED credit items defined in this Agreement.

Furthermore, the Developer acknowledges and understands that the City will not issue the **Final Certificate** and pay out City Funds in connection with the Project, until the following conditions have been met:

- Issuance of the Initial Certificate; and
- The Developer shall lease or make best efforts to lease 11,764 square feet of Arts Space solely to arts and complementary uses businesses for twenty-four (24) months after the issuance of the Initial Certificate at no more than \$1 per square foot for the theater space and \$3 per square foot for the art center and has provided evidence satisfactory to the City that the Developer made best efforts to lease the Arts Space accordingly.

7.02 Effect of Issuance of Certificate: Continuing Obligations. The Certificates relates only to the performance of the work associated with the Project improvements. After the issuance of the

Certificates, however, all executory terms and conditions of this Agreement and all representations and covenants contained herein unrelated to such work will remain in effect throughout the Compliance and Monitoring Period, or such shorter period as may be explicitly provided for herein, as to the parties described in the following paragraph, and the issuance of the Certificate shall not be construed as a waiver by the City of any of its rights and remedies pursuant to such executory terms.

Those covenants specifically described at Sections 8.01 (l) 8.02, 8.05 and 8.14 as covenants that run with the land will bind any transferee of the Property (including an assignee as described in the following sentence) throughout the Term of the Agreement or such shorter period as may be explicitly provided for therein. The other executory terms of this Agreement shall be binding only upon the Developer or a permitted assignee under Section 15.15 of this Agreement.

7.03 Failure to Complete. If the Developer fails to complete the Project in accordance with the terms of this Agreement, no Certificate will ever be issued, and the City will have the right to terminate this Agreement. If this occurs, no City Funds will ever be paid to the Developer. In addition, if the Project's TIF-Funded Improvements include any public improvements, the City will have the right (but not the obligation) to complete such public improvements and the Developer must immediately reimburse the City for all reasonable costs and expenses incurred in completing such public improvements.

7.04 Notice of Expiration of Term of Agreement. Upon the expiration of the Term of the Agreement, DPD shall provide the Developer, at the Developer's written request, with a written notice in recordable form stating that the Term of the Agreement has expired.

SECTION 8. COVENANTS/REPRESENTATIONS/WARRANTIES OF THE DEVELOPER.

8.01 General. The Developer represents, warrants and covenants, as of the date of this Agreement and as of the date of each disbursement of City Funds hereunder, that:

(a) the Developer as defined for the purposes of this Agreement, is Irving Park Property Holdings LLC., and is duly organized, validly existing, qualified to do business in Illinois, and licensed to do business in any other state where, due to the nature of its activities or properties, such qualification or license is required;

(b) the Developer has the right, power and authority to enter into, execute, deliver and perform this Agreement;

(c) the execution, delivery and performance of this Agreement by Developer (including each of them, respectively) has been duly authorized by all necessary action, and does not and will not violate its Articles of Organization or Incorporation, by-laws or operating agreement as amended and supplemented, any applicable provision of law, or constitute a breach of, default under or require any consent under any agreement, instrument or document to which the Developer (including each of them, respectively) is now a party or by which the Developer (including each of them, respectively) is now or may become bound;

(d) the Developer will continue to own good, indefeasible and merchantable title to the Property (and all improvements thereon), free and clear of all liens except for the Permitted Liens and such other matters as DPD may consent to in writing;

(e) the Developer (including each of them, respectively) is now and for the Term of the Agreement shall remain solvent and able to pay its debts as they mature;

(f) there are no actions or proceedings by or before any court, governmental commission, board, bureau or any other administrative agency pending, threatened or affecting the Developer (including each of them, respectively) which would impair its ability to perform under this Agreement;

(g) the Developer (including each of them, respectively) has and shall maintain all government permits, certificates and consents necessary to conduct its business and to construct, complete and operate the Project;

(h) the Developer is not in default with respect to any agreement or instrument related to the borrowing of money to which the Developer (or either of them) is bound or for which the Property serves as collateral;

(i) any financial statements provided to the City are and will be, at the time of submittal, true, complete and correct in all material respects and accurately present the assets, liabilities, results of operations and financial condition of the Developer, and there has been no material adverse change in the assets, liabilities, results of operations or financial condition of the Developer since the date of the Developer's most recent Financial Statements;

(j) the Developer (including each of them, respectively) shall not, directly or indirectly do any of the following without the prior written consent of DPD, which consent shall be in DPD's sole discretion: (1) be a party to any merger, liquidation or consolidation; (2) sell (including, without limitation, any sale and leaseback), transfer, convey, lease (other than expressly permitted herein) or otherwise dispose of all or substantially all of its assets or any portion of the Property; or (3) enter into any transaction that would cause a material and detrimental change to the Developer's financial condition;

(k) Developer has not made or caused to be made, directly or indirectly, any payment, gratuity or offer of employment in connection with the Agreement or any contract paid from the City treasury or pursuant to City ordinance, for services to any City agency ("City Contract") as an inducement for the City to enter into the Agreement or any City Contract with the Developer in violation of Chapter 2-156-120 of the Municipal Code of the City;

(l) the Property shall not be used for any Prohibited Use;

(m) neither the Developer nor any affiliate of the Developer is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. For purposes of this

subparagraph (m) only, the term "affiliate," when used to indicate a relationship with a specified person or entity, means a person or entity that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with such specified person or entity, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise; and

(n) Developer (including each of them, respectively) agrees that Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in Developer of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Developer's contractors (i.e., any person or entity in direct contractual privity with Developer regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Developer and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee during (i) the bid or other solicitation process for this Agreement or Other Contract (as defined below), including while this Agreement or any Other Contract is executory, (ii) the term of this Agreement or any Other Contract between Developer and the City, and/or (iii) any period while an extension of this Agreement or any Other Contract with the City is being sought or negotiated.

Developer represents and warrants that since the date of public advertisement of the specification, request for qualifications, request for proposals or request for information (or any combination of those requests) or, if not competitively procured, from the date the City approached the Developer or the date the Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Developer agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Developer agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Developer agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Developer violates this provision or Mayoral Executive Order No. 2011-4 prior to the closing of this Agreement, the City may elect to decline to close the transaction contemplated by this Agreement.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source which are then delivered by one person to the Mayor or to his political fundraising committee.

"Other Contract" means any other agreement with the City of Chicago to which Developer is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase, sale or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved and/or authorized by the City Council of the City of Chicago.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

- (A) they are each other's sole domestic partner, responsible for each other's common welfare; and
- (B) neither party is married, as defined under Illinois law; and
- (C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and
- (D) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
- (E) two of the following four conditions exist for the partners:
 - 1. The partners have been residing together for at least 12 months.
 - 2. The partners have common or joint ownership of a residence.
 - 3. The partners have at least two of the following arrangements:
 - a. joint ownership of a motor vehicle;
 - b. a joint credit account;
 - c. a joint checking account;
 - d. a lease for a residence identifying both domestic partners as tenants.
 - 4. Each partner identifies the other partner as a primary beneficiary in a will.

"Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

8.02 Covenant to Redevelop. The Developer shall redevelop the Space in accordance with this Agreement and all Exhibits attached hereto, the Redevelopment Plan, the TIF Ordinances, the Project Budget and all amendments thereto, and all applicable federal, state and local laws, ordinances, rules, regulations, executive orders and codes. The covenants set forth in this Section shall run with the land but shall be deemed satisfied and shall terminate when the City issues its Certificate for recording in the Recorder's Office of Cook County.

8.03 Use of City Funds. City Funds shall be used by the Developer solely to reimburse the Developer for its payment for the TIF-Funded Improvements.

8.04 Bonds. The Developer shall, at the request of the City, agree to any reasonable amendments to this Agreement that are necessary or desirable in order for the City to issue (in its sole discretion) any bonds in connection with the Area; provided, however, that any such amendments shall not have a material adverse effect on the Developer or the Project. The Developer shall, at the Developer's expense, cooperate and provide reasonable assistance in connection with the marketing of any such bonds, including but not limited to providing written descriptions of the Project, making representations, providing information regarding its financial condition and assisting the City in preparing an offering statement with respect thereto. If any such bonds are issued, the City may use the proceeds thereof to reimburse the Developer for any amounts remaining due under this Agreement.

8.05 Occupancy and Operations Covenant / Jobs Covenant.

(a) The Developer shall continuously lease and cause to be operated a minimum of 24,481 square foot Binny's, an approximately 3,900 square foot Culvers, an approximately 6,000 square foot area that is intended to be a film theater, and an approximately 5,764 square foot area intended to be an art center, the combined space for arts and complementary uses will be 11,764 square feet, hereinafter the "Arts Space". The Developer shall lease or make best efforts to lease the Arts Space solely to arts and complementary uses businesses for twenty-four (24) months after the issuance of the Initial Certificate at no more than \$1 per square foot for the theater space and \$3 per square foot for the art center. Thereafter, upon the City being satisfied that the Developer made best efforts to lease the Arts Space accordingly, the Arts Space will be maintained as space leased at no more than \$1 per square foot for the space currently designated for the theater and \$3 per square foot for the space currently designated to be the art center. The Developer shall have signed leases for 65% of the Property and this requirement shall not include the square footage of the common area and the Arts Space, as described in this Agreement. If the Developer fails to satisfy these requirements, the City shall have the right to halt payment or seek reimbursement of City Funds made to the Developer and to terminate this Agreement. The Occupancy and Operations Covenant shall apply throughout the Compliance & Monitoring Period. Developer will be allowed one, one year cure period for a default under this Section 8.05.

(b) Developer shall make a best effort to create and maintain a minimum of 130 FTE jobs throughout the Compliance & Monitoring Period.

8.06 Arms-Length Transactions. Unless disclosed in the approved Project Budget or unless DPD has given its prior written consent with respect thereto, no Affiliate of the Developer may receive any portion of City Funds, directly or indirectly, in payment for work done, services provided or materials supplied in connection with any TIF-Funded Improvement. The Developer shall provide information with respect to any entity to receive City Funds directly or indirectly (whether through payment to the Affiliate by the Developer and reimbursement to the Developer for such costs using City Funds, or otherwise), upon DPD's request, prior to any such disbursement.

8.07 Conflict of Interest. Pursuant to Section 5/11-74.4-4(n) of the Act, the Developer (including each of them, respectively) represents, warrants and covenants that, to the best of its knowledge, no member, official, or employee of the City, or of any commission or committee

exercising authority over the Project, the Area or the Redevelopment Plan, or any consultant hired by the City or the Developer with respect thereto, owns or controls, has owned or controlled or will own or control any interest, and no such person shall represent any person, as agent or otherwise, who owns or controls, has owned or controlled, or will own or control any interest, direct or indirect, in the Developer's business, the Property or any other property in the Area.

8.08 Disclosure of Interest. The Developer's counsel has no direct or indirect financial ownership interest in the Developer, the Property or any other aspect of the Project.

8.09 Financial Statements. The Developer shall provide DPD current financial statements prior to Closing, and at DPD's request, shall provide such interim statements as DPD may require.

8.10 Insurance. The Developer shall provide and maintain during the Term of the Agreement, and cause other applicable parties to provide and maintain, the insurance coverages specified in Exhibit L.

8.11 Non-Governmental Charges. Except for the Permitted Liens, and subject to the next sentence, the Developer agrees to pay or cause to be paid when due any Non-Governmental Charges. The Developer has the right, before any delinquency occurs, to contest any Non-Governmental Charge by appropriate legal proceedings properly and diligently prosecuted, so long as such proceedings serve to prevent any sale or forfeiture of the Property.

8.12 Compliance with Laws. The Property and the Project are and shall be operated in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, executive orders and codes.

8.13 Recording and Filing. The Developer shall cause this Agreement, certain exhibits (as specified by Corporation Counsel), all amendments and supplements hereto to be recorded and filed against the Property in the Recorder's Office of Cook County. If the Permitted Liens include any existing mortgages, such mortgagee must execute a subordination agreement in the form of Exhibit J.

8.14 Real Estate Provisions; Governmental Charges. Subject to the next paragraph, the Developer will pay or cause to be paid when due all Governmental Charges (as defined below) which are assessed or imposed upon the Developer, the Space or the Project. "Governmental Charge" shall mean all federal, State, county, the City, or other governmental (or any instrumentality, division, agency, body, or department thereof) taxes, levies, assessments, charges, liens, claims or encumbrances, including, but not limited to, general real estate taxes.

The Developer has the right, before any delinquency occurs, to contest any Governmental Charge by appropriate legal proceedings properly and diligently prosecuted, so long as such proceedings serve to prevent any sale or forfeiture of the Property.

Neither the Developer nor any agent, representative, lessee, tenant, assignee, transferee or successor in interest to the Developer shall, during the Term of this Agreement, directly or indirectly, initiate, seek or apply for proceedings in order to lower the assessed value of all or any portion of the Property or the Project below the amount of the Minimum Assessed Value as described in Exhibit M.

8.15 Lease. Developer shall submit to the City all leases for the Project for approval prior to closing.

8.16 Survival of Covenants. All warranties, representations, covenants and agreements of the Developer contained in this Section 8 and elsewhere in this Agreement shall be true, accurate and complete at the time of the Developer's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and (except as provided in Section 7 hereof upon the issuance of a Certificate) shall be in effect throughout the Term of the Agreement, or such shorter period as may be explicitly provided herein.

8.17 Annual Compliance Report. Beginning with the calendar year in which the Certificate is issued and continuing throughout Compliance and Monitoring Period, the Developer shall submit to DPD the Annual Compliance Report by March 1st of the year following the end of the calendar year to which the Annual Compliance Report relates. For example, if the Certificate is issued in 2016, then the first Annual Compliance Report will be due no later than March 1, 2017.

8.18 Job Readiness Program. The Developer and the General Contractor shall undertake a job readiness program, to work with the City, through the Workforce Solutions (DPD Workforce Division), to participate in job training programs to provide job applicants for the jobs created by the Project and the operation of the Developer's business on the Property. Developer and General Contractor shall meet with DPD prior to the Closing Date to discuss the Project.

8.19 Inspector General. It is the duty of Developer and the duty of any bidder, proposer, contractor, subcontractor, and every applicant for certification of eligibility for a City contract or program, and all of Developer's officers, directors, agents, partners, and employees and any such bidder, proposer, contractor, subcontractor or such applicant: (a) to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code and (b) to cooperate with the Legislative Inspector General in any investigation undertaken pursuant to Chapter 2-55 of the Municipal Code. Developer represents that it understands and will abide by all provisions of Chapters 2-56 and 2-55 of the Municipal Code and that it will inform subcontractors of this provision and require their compliance.

8.20. FOIA and Local Records Act Compliance.

(a) FOIA. The Developer acknowledges that the City is subject to the Illinois Freedom of Information Act, 5 ILCS 140/1 et. seq., as amended ("FOIA"). The FOIA requires the City to produce records (very broadly defined in FOIA) in response to a FOIA request in a very short period of time, unless the records requested are exempt under the FOIA. If the Developer receives a request from the City to produce records within the scope of FOIA, then the Developer covenants to comply with such request within 48 hours of the date of such request. Failure by the Developer to timely comply with such request shall be an Event of Default.

(b) Exempt Information. Documents that the Developer submits to the City under Section 8.17, (Annual Compliance Report) or otherwise during the Term of the Agreement that contain trade secrets and commercial or financial information may be exempt if disclosure would result in competitive harm. However, for documents submitted by the Developer to be treated as a trade secret or information that would cause competitive harm, FOIA requires that Developer mark any such documents as "proprietary, privileged or confidential." If the Developer marks a document

as "proprietary, privileged and confidential", then DPD will evaluate whether such document may be withheld under the FOIA. DPD, in its discretion, will determine whether a document will be exempted from disclosure, and that determination is subject to review by the Illinois Attorney General's Office and/or the courts.

(c) Local Records Act. The Developer acknowledges that the City is subject to the Local Records Act, 50 ILCS 205/1 et . seq, as amended (the "Local Records Act"). The Local Records Act provides that public records may only be disposed of as provided in the Local Records Act. If requested by the City, the Developer covenants to use its best efforts consistently applied to assist the City in its compliance with the Local Records Act.

8.21 Shakman Accord

(a) The Developer shall perform under this Agreement as an independent contractor to the City and not as a representative, employee, agent or partner of the City.

(b) The City is subject to the June 16, 2014 the "City of Chicago Hiring Plan" (the "2014 City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United State District Court for the Northern District of Illinois). Among other things, the 2014 City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(c) Developer is aware that City policy prohibits City employees from directing any individual to apply for a position with Developer, either as an employee or as a subcontractor, and from directing Developer to hire an individual as an employee or as a subcontractor. Accordingly, Developer must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Developer under this Agreement are employees or subcontractors of Developer, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Developer.

(d) Developer will not condition, base, or knowingly prejudice or affect any term or aspect of the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(e) In the event of any communication to Developer by a City employee or City official in violation of paragraph (c) above, or advocating a violation of paragraph (d) above, Developer will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("IGO Hiring Oversight"), and also to the head of the Department. Developer will also cooperate with any inquiries by IGO Hiring Oversight or the Shakman Monitor's Office related to this Agreement.

8.22 Sustainability Requirement. Prior to the issuance of a Certificate, the Developer shall provide evidence acceptable to the City that the Developer has met the Sustainability Requirement for the Project. The Sustainability Requirement consists of a stamped letter from a licensed design professional and a completed LEED checklist indicating that the work completed has met the LEED credit items.

8.23 Recapture of TIF Assistance.

(a) If the sale, transfer or refinance of the Project (each happening being a "Capital Event") occurs on or before the fifth year anniversary of the issuance of the Initial Certificate, the Developer agrees to pay and remit to the City on the closing date of such sale or transfer an amount equal to the greater of ten (10%) of the sales proceeds, as calculated as the total sales price minus \$14,106,174 based on the final executed settlement statement prepared in connection with such sale or other transfer, or the total amount of City funds paid to Developer as of the closing date of such transaction.

(b) If a Capital Event occurs after the fifth year anniversary of the issuance of the Initial Certificate and prior to the tenth anniversary of the issuance of said Certificate, the Developer agrees to pay and remit to the City on the closing date of such Capital Event, an amount equal to fifty percent (50%) of the sum of the Sales Price less \$14,106,174, less \$2,115,926 as calculated using final executed settlement statement prepared in connection with such sale or other transfer.

(c) Any TIF Recapture Amount received by the City shall be deposited into a separate account within the TIF Fund and shall be used for Redevelopment Project Costs.

(d) Any TIF Recapture Amount due and owing to the City pursuant to Section 8.23(a) or Section 8.23(b) due to the occurrence of a Capital Event shall be paid by the Developer on the closing date of such Capital Event.

(e) This Section 8.23 shall be in effect until a Capital Event in which Developer is no longer in control of the entire Project. With respect to Capital Event of less than the entire Project, such successor shall not have any obligations or liabilities under this Section 8.23 provided the Developer shall continue to have obligations under this Section 8.23 with respect to the portion of the Project that was not subject to the Capital Event.

(f) This section shall not apply to any refinancing of the Project that includes conversion of construction financing to permanent financing, provided that no funds are disbursed to the Developer.

SECTION 9. ENVIRONMENTAL MATTERS

The Developer hereby represents and warrants to the City that it has conducted environmental studies sufficient to conclude that the Project may be constructed, completed and operated in accordance with the requirements of all Environmental Laws and this Agreement. The Developer agrees to indemnify, defend and hold the City harmless from and against any and all

losses, liabilities, damages, injuries, costs, expenses or claims of any kind whatsoever including, without limitation, any losses, liabilities, damages, injuries, costs, expenses or claims asserted or arising under any Environmental Laws incurred, suffered by or asserted against the City and relating to the Project or the Property.

SECTION 10. INDEMNIFICATION

The Developer agrees to indemnify, pay, defend and hold the City, and its elected and appointed officials, employees, agents and affiliates (individually an "Indemnitee," and collectively the "Indemnitees") harmless from and against, any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, claims, costs, expenses and disbursements of any kind or nature whatsoever (and including without limitation, the reasonable fees and disbursements of counsel for such Indemnitees in connection with any investigative, administrative or judicial proceeding commenced or threatened, whether or not such Indemnities shall be designated a party thereto), that may be imposed on, suffered, incurred by or asserted against the Indemnitees in any manner directly or indirectly relating or arising out of this Agreement or the Project. The provisions of the undertakings and indemnification set out in this Section 10 shall survive the termination of this Agreement.

SECTION 11. MAINTAINING RECORDS / RIGHT TO INSPECT

The Developer shall (a) comply with the requirements of Paragraph H of Section 6.01 during the Term of the Agreement and cause the other applicable parties to comply with such requirements, and (b) upon three (3) business days' notice, permit any authorized representative of the City to have access to all portions of the Project and the Property during normal business hours to confirm the Developer's compliance with its obligations under this Agreement.

SECTION 12. DEFAULT AND REMEDIES

12.01 Events of Default. The occurrence of any one or more of the following events, subject to the provisions of Section 12.03, shall constitute an "Event of Default" by the Developer hereunder:

(a) the failure of the Developer to comply with any covenant or obligation, or the breach by the Developer of any representation or warranty, under this Agreement or any related agreement;

(b) the commencement of any bankruptcy, insolvency, liquidation or reorganization proceedings under any applicable state or federal law, or the commencement of any analogous statutory or non-statutory proceedings involving the Developer; provided, however, that if such commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such proceedings are not dismissed within sixty (60) days after the commencement of such proceedings;

(c) the appointment of a receiver or trustee for the Developer, for any substantial part of the Developer's assets or the institution of any proceedings for the dissolution, or the full or partial liquidation, or the merger or consolidation, of the Developer; provided, however, that if such appointment or commencement of proceedings is involuntary, such action shall not constitute an

Event of Default unless such appointment is not revoked or such proceedings are not dismissed within sixty (60) days after the commencement thereof;

(d) the entry of any judgment or order against the Developer or the Property which remains unsatisfied or undischarged and in effect for sixty (60) days after such entry without a stay of enforcement or execution;

(e) the dissolution of the Developer or the death of any natural person who owns a 50% or more ownership interest in the Developer, unless, in the case of a death, the Developer establishes to the DPD's satisfaction that such death shall not impair the Developer's ability to perform its executory obligations under this Agreement;

(f) the institution in any court of a criminal proceeding (other than a misdemeanor) against the Developer or any natural person who owns 5% or more ownership interest in the Developer, which is not dismissed within thirty (30) days, or the indictment of the Developer or any natural person who owns such a material interest in the Developer, for any crime (other than a misdemeanor).

(g) failure to timely submit the Annual Compliance Report to the City as required by this Agreement, the failure of which will constitute an event of default without notice or opportunity to cure; or

(h) failure to comply with the sustainability requirements for the Project as stated in Section 8.22 by which the City shall have the right to reduce the amount of City Funds by an amount equal to 10% of City Funds.

12.02 Remedies. Upon the occurrence of an Event of Default, the City may terminate this Agreement and all related agreements, and may suspend disbursement of City Funds. The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy. However, the City shall not be entitled to recover any City Funds previously paid to the Developer unless the Event of Default involves a Reimbursement Event.

12.03 Curative Period. In the event the Developer fails to perform any covenant or obligation or breaches any representation or warranty which the Developer is required to perform under this Agreement, an Event of Default shall not be deemed to have occurred unless the Developer has failed to cure such default within thirty (30) days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those non-monetary defaults which are not capable of being cured within such thirty (30) day period, the Developer shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured. No such cure period, however, shall apply to Events of Default described in Section 12(b), (c), (d), (e) or (f), which defaults shall have the cure periods described therein, if any. Notwithstanding anything to the contrary in this section, a single one year cure period shall apply to default arising from a breach of the jobs and operations covenants in Section 8.05. There shall be no cure period for default arising from Developer's failure to comply with the Annual Compliance Report covenant in Section 8.17 and such breaches shall be an immediate Event of Default.

SECTION 13. MORTGAGING OF THE PROJECT

All mortgages or deeds of trust in place as of the date hereof with respect to the Property or any portion thereof are listed on Exhibit F hereto. No mortgagee shall have the right to succeed to the Developer's rights under this Agreement unless it complies with the first sentence of Section 15.15 hereof.

SECTION 15. MISCELLANEOUS

15.01 Amendment. This Agreement and the Exhibits attached hereto may not be amended or modified without the prior written consent of the parties hereto; provided, however, that the City, in its sole discretion, may amend, modify or supplement Exhibit A hereto without the consent of any party hereto, and DPD may grant consents as explicitly provided for under certain sections of this Agreement. It is agreed that no material amendment or change to this Agreement shall be made or be effective unless ratified or authorized by an ordinance duly adopted by the City Council. The term "material" for the purpose of this Section 15.01 shall be defined as any deviation from the terms of the Agreement which operates to materially reduce the scope of the Project, increases the square footage allocated to office space to an amount greater than fifty percent (50%), materially changes the Project or business operations of the Developer at the Property, or increases the City Funds payable to the Developer.

15.02 Entire Agreement. This Agreement (including each Exhibit attached hereto, which is hereby incorporated herein by reference) constitutes the entire Agreement between the parties hereto and it supersedes all prior agreements, negotiations and discussions between the parties relative to the subject matter hereof.

15.03 Limitation of Liability. No member, official or employee of the City shall be personally liable to the Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to the Developer from the City or any successor in interest or on any obligation under the terms of this Agreement.

15.04 Further Assurances. The Developer agrees to take such actions, including the execution and delivery of such documents, instruments, petitions and certifications as may become necessary or appropriate to carry out the terms, provisions and intent of this Agreement.

15.05 Waiver. Waiver by the City or the Developer with respect to any breach of this Agreement shall not be considered or treated as a waiver of the rights of the respective party with respect to any other default or with respect to any particular default, except to the extent specifically waived by the City or the Developer in writing. No delay or omission on the part of a party in exercising any right shall operate as a waiver of such right or any other right unless pursuant to the specific terms hereof. A waiver by a party of a provision of this Agreement shall not prejudice or constitute a waiver of such party's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by a party, nor any course of dealing between the parties hereto, shall constitute a waiver of any such parties' rights or of any obligations of any other party hereto as to any future transactions.

15.06 Remedies Cumulative. The remedies of a party hereunder are cumulative and the exercise of any one or more of the remedies provided for herein shall not be construed as a waiver of any other remedies of such party unless specifically so provided herein.

15.07 Disclaimer. Nothing contained in this Agreement nor any act of the City shall be deemed or construed by any of the parties, or by any third person, to create or imply any relationship of third-party beneficiary, principal or agent, limited or general partnership or joint venture, or to create or imply any association or relationship involving the City.

15.08 Headings. The paragraph and section headings contained herein are for convenience only and are not intended to limit, vary, define or expand the content thereof.

15.09 Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed an original and all of which shall constitute one and the same agreement.

15.10 Severability. If any provision in this Agreement, or any paragraph, sentence, clause, phrase, word or the application thereof, in any circumstance, is held invalid, this Agreement shall be construed as if such invalid part were never included herein and the remainder of this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

15.11 Conflict. In the event of a conflict between any provisions of this Agreement and the provisions of the TIF Ordinances, and any bond ordinances relating to the Area, if any, such ordinance(s) shall prevail and control.

15.12 Governing Law. This Agreement shall be governed by and construed in accordance with the internal laws of the State of Illinois, without regard to its conflicts of law principles.

15.13 Form of Documents. All documents required by this Agreement to be submitted, delivered or furnished to the City shall be in form and content satisfactory to the City.

15.14 Approval. Wherever this Agreement provides for the approval or consent of the City, DPD or the Commissioner, or any matter is to be to the City's, DPD's or the Commissioner's satisfaction, unless specifically stated to the contrary, such approval, consent or satisfaction shall be made, given or determined by the City, DPD or the Commissioner in writing and in the reasonable discretion thereof. The Commissioner or other person designated by the Mayor of the City shall act for the City or DPD in making all approvals, consents and determinations of satisfaction, granting the Certificate or otherwise administering this Agreement for the City.

15.15 Assignment. The Developer may not sell, assign or otherwise transfer its interest in this Agreement in whole or in part without the written consent of the City, which consent shall be in the City's sole discretion and which, if granted, may be conditioned upon, among other things, the assignee's assumption of all of the Developer's obligations under this Agreement. The foregoing limitation shall not prevent the Developer from collaterally assigning to a lender that is also providing financing for the Project the Developer's right to receive the payment of City Funds as security for such lender financing. The Developer consents to the City's sale, transfer, assignment or other disposal of this Agreement at any time in whole or in part.

15.16 Binding Effect. This Agreement shall be binding upon the Developer, the City and their respective successors and permitted assigns (as provided herein) and shall inure to the benefit of the Developer, the City and their respective successors and permitted assigns (as provided herein). Except as otherwise provided herein, this Agreement shall not run to the benefit of, or be enforceable by, any person or entity other than a party to this Agreement and its successors and permitted assigns. This Agreement should not be deemed to confer upon third parties any remedy, claim, right of reimbursement or other right.

15.17 Force Majeure. Neither the City nor the Developer nor any successor in interest to either of them shall be considered in breach of or in default of its obligations under this Agreement in the event of any delay caused by damage or destruction by fire or other casualty, strike, shortage of material, unusually adverse weather conditions such as, by way of illustration and not limitation, severe rain storms or below freezing temperatures of abnormal degree or for an abnormal duration, tornadoes or cyclones, and other events or conditions beyond the reasonable control of the party affected which in fact interferes with the ability of such party to discharge its obligations hereunder. The individual or entity relying on this section with respect to any such delay shall, upon the occurrence of the event causing such delay, immediately give written notice to the other parties to this Agreement. The individual or entity relying on this section with respect to any such delay may rely on this section only to the extent of the actual number of days of delay affected by any such events described above.

15.18 Exhibits. All of the exhibits attached hereto are incorporated herein by reference.

15.19 Business Economic Support Act. Pursuant to the Business Economic Support Act (30 ILCS 760/1 et seq.), if the Developer is required to provide notice under the WARN Act, the Developer shall, in addition to the notice required under the WARN Act, provide at the same time a copy of the WARN Act notice to the Governor of the State, the Speaker and Minority Leader of the House of Representatives of the State, the President and minority Leader of the Senate of State, and the Mayor of each municipality where the Developer has locations in the State. Failure by the Developer to provide such notice as described above may result in the termination of all or a part of the payment or reimbursement obligations of the City set forth herein.

15.20 Venue and Consent to Jurisdiction. If there is a lawsuit under this Agreement, each party may hereto agree to submit to the jurisdiction of the courts of Cook County, the State of Illinois and the United States District Court for the Northern District of Illinois.

15.21 Costs and Expenses. In addition to and not in limitation of the other provisions of this Agreement, Developer agrees to pay upon demand the City's out-of-pocket expenses, including attorney's fees, incurred in connection with the enforcement of the provisions of this Agreement. This includes, subject to any limits under applicable law, attorney's fees and legal expenses, whether or not there is a lawsuit, including attorney's fees for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), appeals and any anticipated post-judgment collection services. Developer also will pay any court costs, in addition to all other sums provided by law.

15.22 Business Relationships. The Developer acknowledges (A) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (B) that Developer has read such provision and understands that pursuant to such Section 2-156-030 (b), it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an

elected official has a Business Relationship, and (C) that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. The Developer hereby represents and warrants that, to the best of its knowledge after due inquiry, no violation of Section 2-156-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

IN WITNESS WHEREOF, the parties hereto have caused this Redevelopment Agreement to be executed on or as of the day and year first above written.

Description Of The Project.

The proposed redevelopment project is to renovate the vacant bank building and the adjacent building into approximately 67,430 square feet of retail, commercial and office space. The bank building will have approximately 61,212 square feet of leased space. The major tenant, Binny's, will occupy the entire first floor, a fitness user will initially occupy the entire lower level and a portion of the second floor, and a movie theater, art center, and complementary businesses are intended to occupy the second floor. The developer will build out the arts and complementary business space and deliver a plain vanilla shell suitable for such use. The second floor will also initially have other office tenants.

The Developer shall continuously lease and cause to be operated a minimum of 24,481 square foot Binny's, an approximately 3,900 square foot Culver's, an approximately 6,000 square foot area that is intended to be a film theater, and an approximately 5,764 square foot area intended to be an art center, the combined space for arts and complementary uses will be 11,764 square feet, hereinafter (the "Arts Space").

The adjacent building will be an approximately 5,123 square foot restaurant initially leased to Elly's Pancake House. An existing parking lot behind these buildings will provide approximately 173 parking spaces. The developer will demolish the one-story building at 4939 West Irving Park Road and replace it with a new approximately 3,900 square foot commercial building that will be leased to Culver's. The two renovated buildings, the parking lot, and the new commercial building together constitute the "Project".

Opinion Of Developer's Counsel.

[To Be Retyped On The Developer's Counsel's Letterhead]

City of Chicago
121 North LaSalle Street
Chicago, Illinois 60602
Attention: Corporation Counsel

Ladies and Gentlemen:

We have acted as counsel to Irving Park Property Holdings LLC, an Illinois limited liability company (the "Developer"), in connection with the purchase of certain land and the construction of certain facilities thereon located in the Portage Park Increment Financing Redevelopment Project Area (the "Project"). In that capacity, we have examined, among other things, the following agreements, instruments and documents of even date herewith, hereinafter referred to as the "Documents":

(a) Irving Park Property Holdings, LLC Redevelopment Agreement (the "Agreement") of even date herewith, executed by the Developer and the City of Chicago (the "City");

[(b) the Escrow Agreement of even date herewith executed by the Developer and the City;]

(c) [insert other documents including but not limited to documents related to purchase and financing of the Property and all lender financing related to the Project]; and

(d) all other agreements, instruments and documents executed in connection with the foregoing.

In addition to the foregoing, we have examined:

(a) the original or certified, conformed or photostatic copies of the Developer's (i) Articles of Organization, as amended to date, (ii) qualifications to do business and certificates of good standing in all states in which the Developer is qualified to do business, (iii) Operating Agreement, as amended to date; and

(b) such other documents, records and legal matters as we have deemed necessary or relevant for purposes of issuing the opinions hereinafter expressed.

In all such examinations, we have assumed the genuineness of all signatures (other than those of the Developer), the authenticity of documents submitted to us as originals and

conformity to the originals of all documents submitted to us as certified, conformed or photostatic copies.

Based on the foregoing, it is our opinion that:

1. The Developer (and each of them) is a limited liability company duly organized, validly existing and in good standing under the laws of its state of [organization, has full power and authority to own and lease its properties and to carry on its business as presently conducted, and is in good standing and duly qualified to do business as a domestic limited liability company] under the laws of every state in which the conduct of its affairs or the ownership of its assets requires such qualification, except for those states in which its failure to qualify to do business would not have a material adverse effect on it or its business.

2. The Developer (and each of them) has full right, power and authority to execute and deliver the Documents to which it is a party and to perform its obligations thereunder. Such execution, delivery and performance will not conflict with, or result in a breach of, the Developer's Articles of Organization or Operating Agreement or result in a breach or other violation of any of the terms, conditions or provisions of any law or regulation, order, writ, injunction or decree of any court, government or regulatory authority, or, to the best of our knowledge after diligent inquiry, any of the terms, conditions or provisions of any agreement, instrument or document to which the Developer is a party or by which the Developer or its properties is bound. To the best of our knowledge after diligent inquiry, such execution, delivery and performance will not constitute grounds for acceleration of the maturity of any agreement, indenture, undertaking or other instrument to which the Developer is a party or by which it or any of its property may be bound, or result in the creation or imposition of (or the obligation to create or impose) any lien, charge or encumbrance on, or security interest in, any of its property pursuant to the provisions of any of the foregoing, other than liens or security interests in favor of the lender providing Lender Financing (as defined in the Agreement).

3. The execution and delivery of each Document and the performance of the transactions contemplated thereby have been duly authorized and approved by all requisite action on the part of the Developer.

4. Each of the Documents to which the Developer is a party has been duly executed and delivered by a duly authorized Manager of the Developer, and each such Document constitutes the legal, valid and binding obligation of the Developer, enforceable in accordance with its terms, except as limited by applicable bankruptcy, reorganization, insolvency or similar laws affecting the enforcement of creditors' rights generally.

5. (Sub)Exhibit A attached hereto (a) identifies all Members and other interest Holders (if any) of the Developer and (b) sets forth percentage of ownership of each Member and/or interest Holder. To the best of our knowledge after diligent inquiry, except as set forth on (Sub)Exhibit A, there are no warrants, options, rights or commitments of purchase, conversion, call or exchange or other rights or restrictions with respect to any interests of the Developer. Each outstanding interest in the Developer is duly authorized, validly issued, fully paid and nonassessable.

6. To the best of our knowledge after diligent inquiry, no judgments are outstanding against the Developer, nor is there now pending or threatened, any litigation, contested

claim or governmental proceeding by or against the Developer or affecting the Developer or its property, or seeking to restrain or enjoin the performance by the Developer of the Agreement or the transactions contemplated by the Agreement, or contesting the validity thereof. To the best of our knowledge after diligent inquiry, the Developer is not in default with respect to any order, writ, injunction or decree of any court, government or regulatory authority or in default in any respect under any law, order, regulation or demand of any governmental agency or instrumentality, a default under which would have a material adverse effect on the Developer or its business.

7. To the best of our knowledge after diligent inquiry, there is no default by the Developer or any other party under any material contract, lease, agreement, instrument or commitment to which the Developer is a party or by which the company or its properties is bound.

8. To the best of our knowledge after diligent inquiry, all of the assets of the Developer are free and clear of mortgages, liens, pledges, security interests and encumbrances except for those specifically set forth in the Documents.

9. The execution, delivery and performance of the Documents by the Developer have not and will not require the consent of any person or the giving of notice to, any exemption by, any registration, declaration or filing with or any taking of any other actions in respect of, any person, including without limitation any court, government or regulatory authority.

10. To the best of our knowledge after diligent inquiry, the Developer owns or possesses or is licensed or otherwise has the right to use all licenses, permits and other governmental approvals and authorizations, operating authorities, certificates of public convenience, goods carriers permits, authorizations and other rights that are necessary for the operation of its business.

11. A federal or state court sitting in the State of Illinois and applying the choice of law provisions of the State of Illinois would enforce the choice of law contained in the Documents and apply the law of the State of Illinois to the transactions evidenced thereby.

We are attorneys admitted to practice in the State of Illinois and we express no opinion as to any laws other than federal laws of the United States of America and the laws of the State of Illinois.

This opinion is issued at the Developer's request for the benefit of the City and its counsel, and may not be disclosed to or relied upon by any other person.

Very truly yours,

By: _____

Moore, Silverstein -- 48.

Nays -- None.

Alderman Beale moved to reconsider the foregoing vote. The motion was lost.

The following is said ordinance as passed:

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Section 2-92-390 of the Municipal Code of Chicago is hereby amended by adding the language underscored and by deleting the language struck through, as follows:

2-92-390 Equal Employment Opportunity Regulations For Contracts -- Enforcement.

(a) If there exists evidence that minorities and/or women are under-represented in a contractor's work force, by comparison thereof to the labor force available within the population of the City of Chicago as established in the most recent federal census or in statistics compiled by the U.S. Department of Labor, if more recent, such contractor shall forthwith take appropriate remedial action to achieve compliance with applicable federal laws and regulations.

(b) (1) For any construction project having an estimated contract value of \$100,000.00 or more, and which is directly supervised by the City of Chicago, beginning with the calendar year 1984, the city shall have as its yearly equal employment opportunity goals the following percentages of construction aggregated work hours in each of the categories of construction journeyworker and apprentice:

(~~1~~ A) At least 25 percent by minorities, as described in subsection (c) of this section;

(~~2~~ B) At least seven percent by women.

(2) For any construction project having an estimated contract value of \$100,000.00 or more, which is directly supervised by the City of Chicago, beginning with the calendar year 1984, the city shall have as its yearly employment opportunity goals the following percentages of construction aggregated work hours in the category of construction laborer:

(~~1~~ A) At least 40 percent by minorities, as described in subsection (c) of this section;

(~~2~~ B) At least ten percent by women.

(3) In order to effectuate the achievement of these goals, the chief procurement officer shall employ the canvassing formula described in subsection (~~b~~ c) of this section in the bidding for and in the awarding of all contracts involving construction projects having an estimated contract value of \$100,000.00 or more and which are directly supervised by the City of Chicago.

These goals shall also apply to construction projects subsidized in part with federal revenues pursuant to congressionally created grant programs which are intended to

encourage economic revitalization including improved opportunities for the poor, minorities, and unemployed within the municipality to which the grant was given (including, without limitation, Community Development Block Grants, Urban Development Action Grants and Economic Development Administration Grants), and shall be monitored by the supervising department.

(c) Fulfillment of these equal employment opportunity goals for construction projects having an estimated contract value of \$100,000.00 or more which are directly supervised by the City of Chicago will be achieved through contracts which shall include the following language:

In accordance with Chapter 2-92 of the Municipal Code of Chicago, and in order to promote equality of opportunity for minority and female personnel on this project, the City of Chicago has established the following canvassing formula for the purpose of evaluating proposals and awarding the contract.

Each bidder is invited to propose the minority and female employee utilization goals for the project, as percentages of the journeyworker and apprentice and laborer hours to be expended in the construction of the project. Lines 2, 4, and 6 in the formula shall not be greater than ~~50~~ 70 percent in each category, for the purpose of canvassing only. The ~~50~~ 70 percent limit shall not deter or restrict the fuller utilization of minority employees for the project, but shall only serve as a limiting figure for use in the formula. Similarly, lines 8, 10, and 12 shall not be greater than ~~40~~ 15 percent in each category, for the purpose of canvassing only. Actual amounts of minority and female work will be measured for the total hours of construction workers employed on the projects within each of the categories of journeyworkers, apprentice, laborers by the contractor and all of the worksite subcontractors.

Canvassing Formula.

- Line 1. Base bid, in figures _____
- Line 2. Percentage of the total journeyworker hours that the contractor proposes to be worked by minority journeyworkers during construction of the project. Maximum figure ~~50~~ 70. _____
- Line 3. Multiply line 2 by line 1 by 0.04 _____
- Line 4. Percentage of the total apprentice hours that the contractor proposes to be worked by minority apprentices during construction of the project. Maximum figure ~~50~~ 70 _____
- Line 5. Multiply line 4 by line 1 by 0.03 _____

- Line 6. Percentage of the total laborer hours that the contractor proposes to be worked by minority laborers during construction of the project. Maximum figure ~~50~~ 70.

- Line 7. Multiply line 6 by line 1 by .01. _____
- Line 8. Percentage of the total journeyworker hours that the contractor proposes to be worked by female journeyworkers during construction of the project. Maximum figure ~~40~~ 15.

- Line 9. Multiply line 8 by line 1 by 0.04. _____
- Line 10. Percentage of the total apprentice hours that the contractor proposes to be worked by female apprentices during construction of the project. Maximum figure, ~~40~~ 15.

- Line 11. Multiply line 10 by line 1 by 0.03. _____
- Line 12. Percentage of the total laborer hours that the contractor proposes to be worked by female laborers during construction of the project. Maximum figure ~~40~~ 15.

- Line 13. Multiply line 12 by line 1 by 0.01 _____
- Line 14. Summation of lines 3, 5, 7, 9, 11 and 13 _____
- Line 15. Subtract line 14 from line 1 = award criteria figure _____

The bidder shall complete the canvassing formula and transfer the final award criteria figure, line 15, to the space provided on the itemized proposal sheet. A contract in the amount of the total base bid will be awarded to the responsible bidder with the lowest award criteria figure. The city reserves the right to revise all arithmetic calculations for correctness. The contractor is obliged during the construction of the project to fulfill every numerical commitment made under the canvassing formula categories. Therefore, every limiting condition or circumstance which may affect referral, hiring, or deployment of construction trades employees must be taken into account by the bidder before the commitment is proposed. Limits imposed by the policies or circumstances of labor organizations or other referral resources, for example, should be anticipated by the bidder, since relief from the contractor's obligations as established under the canvassing formula is not available due to such circumstances found to exist during construction. Also, if journeyworkers will not be employed in the project, or apprentices, or laborers, then the proposal made in the appropriate lines, lines 2 and 8, or lines 4 and 10 or 6 and 12, should be entered as "0 percent", since no journeyworker or apprentice or laborer hours are reported after construction, this will be computed by the city as 0 percent minority/female hours achieved.

If commitments are made in the apprentice category, lines 4 and 10, the total apprentice hours to be employed on the project should be anticipated to be a substantial number of hours; since it is the intention of the city that where a commitment for a percentage of minority or female apprentices has been made, the percentage may be counted as fulfilled only as long as there were provided at least 40 actual hours of minority or female employment as apprentices. For this reason, where a minority or female percentage commitment has been made, if in the final audit of the performance of the contract there are less than 40 actual hours of minority or female apprentice work performed hours counted, then the number of minority or female apprentice hours will be counted by the City as "0" for the purpose of measuring the achievement towards the apprentice canvassing formula goal.

Therefore, notice that when the contractor is performing at a level under a minority or female apprentice goal, line 4 or line 10 above, the contractor will be subject to the full amount of liquidated damages, see lines 5 and 11, if at least 40 actual hours of minority or female apprenticeship work are not achieved. When the bidder foresees that this minimum amount of apprenticeship is not available to the project, then "0" should be put in lines 4 and 10 as the percentage commitment for apprentices.

The contractor is obligated to meet the total commitment made in each category, subject to liquidated damages as described below for noncompliance. The contractor hereby consents and agrees that, in the event of failure to comply with each of the minimum commitments submitted with the proposal on lines 2, 4, 6, 8, 10 and 12 of the canvassing formula, covering journeyworkers, apprentices, and laborers, respectively, the following shall apply to determine a monetary sum to be withheld from the final payment to the contractor.

In calculating the aggregated work hours toward the utilization goals for construction journeyworkers, apprentices, or laborers under this subsection, the contractor shall be given 150 percent credit for every work hour performed by a minority or woman worker residing within a socio-economically disadvantaged area. The criteria for designation of an area as socio-economically disadvantaged will be set forth in rules promulgated by the Commissioner of Planning and Development. Such criteria shall include, but not be limited to, the median family income of an area.

(Omitted text is unaffected by this ordinance.)

(e) The chief procurement officer is authorized to adopt rules for the proper administration of this section.

SECTION 2. This ordinance shall take effect after its passage and approval and shall apply to contracts advertised after the effective date of this ordinance.

Incorporation Of Recitals.

The recitals set forth above are incorporated herein by reference and made a part hereof.

Article Two.

The Project -- Scope Of Work.

1. The Project will include design, construction, and maintenance of Green Stormwater Infrastructure and recreational improvements.

A. For Phase I, at the Phase I Sites, as described in the Project Description for Phase I set forth on (Sub)Exhibit 1.

B. For Phase II, at the Phase II Sites to be identified by the Board as is more fully set forth herein. It is contemplated that the Project Descriptions for the Phase II Sites will be substantially similar to those for Phase I.

2. The Green Stormwater Infrastructure improvements of the Project for Phase I and for Phase II shall be designed to exceed the requirements of the City's Stormwater Management Ordinance and cost-effectively maximize retention of rainfall runoff from impervious areas on each school site.

3. The Board caused to be prepared construction drawings, specifications, and details (hereinafter "Construction Documents"), Cost Estimates, and an Operations and Maintenance Plan ("O & M Plans") for each of the Phase I Sites. The City acknowledges and agrees that it reviewed the Construction Documents, Cost Estimates, and O & M Plans for each of the Phase I Sites and that it accepted those Construction Documents, Cost Estimates, and O & M Plans. The City further acknowledges and agrees that it has inspected the completed improvements on each of the Phase I Sites and has found them to be constructed in accordance with the Construction Documents for the respective Phase I Sites and otherwise acceptable to the City.

4. The Board has caused to be prepared the Construction Documents, Cost Estimates, O & M Plans, and "out to bid" documents for each of the Phase II Sites identified in Section 2.10 herein, has provided copies thereof to the Department, and the Department has accepted and approved same and provided comments thereon. For the remainder of the Phase II Sites yet to be identified, the Board shall cause to be prepared the Construction Documents, Cost Estimates, O & M Plans, and "out to bid" documents for each such to-be-identified Phase II Site and shall provide the Department and the District with a copy of 30 percent, 60 percent, and 100 percent" complete Construction Documents, including Cost estimates and "out to bid" documents, for the to-be-identified Phase II Sites for the Department's and the District's respective approvals.

5. The Department shall review and provide comments to the Board in writing within 14 calendar days of receipt of the 30 percent, 60 percent and 100 percent complete Construction Documents referenced in Section 2.4 of this Agreement for the to-be-identified Phase II Sites.

6. The Department's and the District's review and comment on the Construction Documents for the Phase II Sites shall be limited to those components applying to Green Stormwater Infrastructure. The Board shall incorporate the Department's and the District's review comments into the Construction Documents for the to-be-identified Phase II Sites and has done so for the Phase II Sites identified in Section 2.10 herein.

7. The Board shall construct Phase II of the Project in accordance with the final Construction Documents up to the budgeted amount agreed upon prior to bidding and provided funding is in place as set forth in Section 2.9 in this Agreement.

8. The Board shall provide construction oversight and administrative support for Phase II of the Project up to the budgeted amount agreed upon prior to bidding and provided funding is in place as set forth in Section 2.9 in this Agreement, and further provided that the Board

may include design and project management expenses in the site budgets and submitted as part of the Board's request for reimbursement from the Department hereunder.

9. Notwithstanding anything to the contrary elsewhere in this Agreement, the Board's obligations under this Agreement are contingent on the securing of available funding either through Board-approved capital plan(s) or third party sources other than the City under this Agreement and the District. The Board shall have no obligation to utilize Board funds to fund any obligations hereunder, and the Board's obligations hereunder are further contingent on the Board's entry into the District Phase II IGA upon terms acceptable to the Board and the District.

10. At least ten (10) months prior to the beginning of each fiscal year of the Board commencing for the fiscal year 2017, the Board, the Department, and the District shall meet to agree upon the proposed Phase II Sites for each respective fiscal year of the Board. It is anticipated that such site selection will be based upon prioritization of sites in accordance with the criteria for the Space To Grow program as agreed upon among the Board, the Department and the District.

While it is contemplated that Green Stormwater Infrastructure improvements will be designed and constructed for 30 Phase II Sites within the Board's fiscal years 2016 through 2020, the exact number of Phase II Sites per fiscal year may vary, such that more or less than six per year may be included within Phase II of the Project. For example, for the Board's fiscal year 2016, it is anticipated that the Board, the Department, and the District will agree to construct or cause to be constructed the Green Stormwater Infrastructure improvements solely on the following sites: (i) Cather Elementary, 2908 West Washington Boulevard, Chicago, Illinois 60612; (ii) Orozco Academy, 1940 West 18th Street, Chicago, Illinois 60608; and (iii) Wadsworth Elementary, 6650 South Ellis Avenue, Chicago, Illinois, 60637 provided funding is in place as set forth in Section 2.9 in this Agreement.

Notwithstanding anything to the contrary contained in this Agreement, if the Green Stormwater Infrastructure and recreational improvements are constructed at fewer than six Phase II Sites in any particular Board fiscal year, that shall not reduce the City's commitment for the total maximum possible reimbursement of \$15,000,000 to be allocated over the five-year period (Board's fiscal years 2016 through 2020); any City funds that would have been used to reimburse the Board for Phase II Sites that were not completed in any particular Board fiscal year shall be available for reimbursement in subsequent years.

Article Three.

Funding.

1. Project Site Descriptions.

Phase I:

Overall Description.

Space to Grow: Greening Chicago Schoolyards, a partnership led by Openlands and Healthy Schools Campaign, and supported by Chicago Public Schools, is an innovative program to transform Chicago schoolyards into spaces that provide students, their families and the broader community with the opportunity for active play, space for physical education classes, opportunities for outdoor learning, gardening and environmental literacy, and engagement with art. While the main objective of Space to Grow is to build schoolyards that meet the needs of students, these green schoolyards will have the added benefit of reconnecting communities with their local public schools; providing much-needed green space in otherwise heavily urbanized neighborhoods; and, significantly contributing to a reduction in stormwater runoff across the city.

Improvements for the four Space to Grow pilot schools, Morrill, Grissom, Schmid and Leland Elementary Schools, have been substantially completed. All projects are meeting more stringent stormwater standards than current Chicago Stormwater Management Ordinance based on an agreement between DWM and MWRD. Projects are meeting stormwater storage for Bulletin 70 rainfall events instead of the TP40 rainfall events as currently required by Chicago Stormwater Management Ordinance, and are specifically designed to retain additional stormwater volume to meet Consent Decree requirements.

Grissom.

Grissom's scope of work includes removal of asphalt, playground, fencing, and utilities. Site improvements include a 2 -- 5 and 5 -- 12 year old playground on rubber play surfacing, basketball half courts and overlapping volleyball court on permeable asphalt, painted asphalt track, baseball backstop, artificial turf, an outdoor classroom, walkways and resurfaced asphalt; landscape improvements including an edible kitchen community garden, rain gardens, infiltration planters, and a butterfly garden; Site amenities including fencing, signage, and site furnishings; and Utility upgrades including stormwater storage and a lawn hydrant.

Schmid.

Schmid's scope of work includes removal of asphalt, playground, fencing, parking lot, and utilities. Site improvements include a permeable paver parking lot, 2 -- 5 and 5 -- 12 year old playground on rubber play surfacing, renovated tennis court, renovated basketball court, an outdoor classroom, and walkway upgrades; landscape improvements including

an edible kitchen community garden, rain gardens, infiltration planters, and a butterfly garden; Site amenities including fencing improvements, signage, and site furnishings; and Utility upgrades including stormwater storage, roof drain stormwater capture and outfall through an educational runnel, and lighting.

Morrill.

Morrill’s scope of work includes removal of asphalt, fencing, and utilities. Site improvements include a 2 -- 5 year old playground and fitness station on rubber play surfacing, basketball half courts, artificial turf soccer field, painted asphalt track, an outdoor classroom, walkways, and asphalt with painted games; landscape improvements including an edible kitchen community garden, rain gardens, infiltration planters, and a butterfly garden; Site amenities including fencing, signage, and site furnishings; and utility upgrades including stormwater storage, downspout disconnection on the fieldhouse, lawn hydrants, and electrical renovations.

Leland.

Leland’s scope of work includes removal of asphalt, playground, fencing, and utilities. Site improvements include a 2 -- 5 year old playground and 5 -- 12 year old play mounds on rubber play surfacing, basketball half court, painted asphalt track, an outdoor classroom, walkways and new asphalt; landscape improvements including an edible kitchen community garden, rain gardens, infiltration planters, and a butterfly garden; Site amenities including fencing, signage, and site furnishings; and utility upgrades including stormwater storage, downspout disconnection on the modular and a new hose bibb.

Phase II.

It is contemplated that the Project Descriptions for the Phase II Sites will be substantially similar to those for Phase I.

SECTION 1. The above recitals are hereby expressly incorporated as if fully set forth herein.

SECTION 2. DPD has reviewed the eligibility application for a Class 7(c) classification and incentive classification initial questionnaire and determined that the four eligibility factors under the Ordinance that must be present to demonstrate that the Project Site is "in need of commercial development" are satisfied.

SECTION 3. The City hereby determines that the Project meets eligibility factor (1) under the Ordinance in that real estate taxes in the area for three of the last six years have either declined or remained stagnant due to the depressed condition of the area.

SECTION 4. The City hereby determines that the Project meets eligibility factor (2) under the Ordinance in that there is a reasonable expectation that the development, redevelopment or rehabilitation of the Project is viable and likely to go forward on a reasonably timely basis if granted Class 7(c) designation and will therefore result in the economic enhancement of the property.

SECTION 5. The City hereby determines that the Project meets eligibility factor (3) under the Ordinance in that certification of the Project Site for Class 7(c) designation will materially assist development, redevelopment or rehabilitation of the Project Site and the Project would not go forward without the full incentive offered under Class 7(c).

SECTION 6. The City hereby determines that the Project meets eligibility factor (4) under the Ordinance in that certification of the Project Site for Class 7(c) designation is reasonably expected to ultimately result in an increase in real property tax revenue and employment opportunities of the property.

SECTION 7. The City further hereby determines that the Project Site is a redevelopment priority of the City.

SECTION 8. The City hereby determines that the incentive provided by Class 7(c) designation is necessary for development to occur on the Project Site and hereby supports and consents to the Class 7(c) designation by the Assessor of the Project Site.

SECTION 9. The Commissioner of DPD (the "Commissioner"), or a designee of the Commissioner, are each hereby authorized to deliver a certified copy of this ordinance to the Assessor and to furnish such additional information as may be required in connection with the Class 7(c) designation of the Project Site.

SECTION 10. This ordinance shall be effective from and after its passage and approval.
