8. The Developer fails to perform, keep or observe any of the other covenants, promises, agreements, or obligations under this Agreement, including but not limited to, the covenants set forth in Sections 13 and 17 herein, or any other written agreement entered into with the City with respect to this Project, which default is not cured pursuant to Section 18.3.a.; or

9. Failure to close by the Outside RDA Closing Date or the Outside Parcel 1 Closing Date, as such date may be extended by the Department in its sole and absolute discretion in accordance with Section 3 of this Agreement (no notice or cure period shall apply); or

10. Failure to commence or completion construction in accordance with the timeframes set forth in Section 11 of this Agreement.
- c. Prior to Conveyance. Prior to the Parcel 1 Closing, if an Event of Default occurs and is continuing, and the default is not cured in the time period provided herein, the City may terminate this Agreement, and institute any action or proceeding at law or in equity against the Developer.
- d. After Conveyance. If an Event of Default occurs after the Parcel 1 Closing but prior to the issuance of the Certificate of Completion, and the default is not cured in the time period provided for in this Section 18.3, the City may terminate this Agreement and the Lease and exercise any and all remedies available to it at law or in equity. If there is an Event of Default for failure to complete the Project in accordance with the timeframe set forth in Section 11, then the City may terminate this Agreement and the Lease and exercise any and all remedies available to it at law or in equity, including, without limitation, the right to re-enter and take possession of the Property, terminate the estate conveyed to the Developer, revest title to the Property in the City and record the Reconveyance Deed(s) (the "Right of Reverter"); provided, however, the City's Right of Reverter shall be limited by, and shall not defeat, render invalid, or limit in any way, the lien of any mortgage authorized by this Agreement. If title to the Property revests in the City pursuant to the Right of Reverter, the Developer shall be responsible for all real estate taxes and assessments which accrued during the period the Property was owned by or leased to the Developer, and shall cause the release of all liens or encumbrances placed on the Property (except those permitted by Section 15) during the period of time the Property was owned by or leased to the Developer. The Developer will cooperate with the City to ensure that if the City records the Reconveyance Deed, such recording is effective for purposes of transferring title to the Property to the City, subject only to those title exceptions that (i) were on title as of the date and time that the City conveyed the Property to the Developer and (ii) utility easements.

Notwithstanding the foregoing to the contrary, prior to the City's exercise of its Right of Reverter, the City shall provide written notice to the Developer of its intent to exercise its Right of Reverter. The City shall grant the Developer an additional period of time such that the Developer has a total of ninety (90) days (from the date of the initial notice of default) to cure the applicable Event of Default, and, if the default is not capable of being cured within such 90-day period, and provided the Developer has commenced to cure the default and is diligently proceeding to cure the default within the 90-day period, and thereafter diligently prosecutes such cure through to completion, then the 90-day period shall be extended for the length of time that is reasonably necessary to cure the default.

The City's Right of Reverter shall terminate on the later of (i) the date that is ten (10) years after the date on which the City issues the Certificate of Completion or (ii) the date on which the City receives from the Developer all amounts owed to the City pursuant to Section 14.

- e. Waiver and Estoppel. Any delay by the City in instituting or prosecuting any actions or proceedings or otherwise asserting its rights shall not operate as a waiver of such rights or operate to deprive the City of or limit such rights in any way. No waiver made by the City with respect to any specific default by the Developer shall be construed, considered or treated as a waiver of the rights of the City with respect to any other defaults of the Developer.

**SECTION 19. CONFLICT OF INTEREST; CITY'S AND DEVELOPER'S REPRESENTATIVES NOT INDIVIDUALLY LIABLE.**

The Developer warrants that no agent, official, or employee of the City shall have any personal interest, direct or indirect, in this Agreement or the Property, nor shall any such agent, official or employee participate in any decision relating to this Agreement which affects his or her personal interests or the interests of any entity or association in which he or she is directly or indirectly interested. No agent, official, or employee of the City shall be personally liable to the Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to the Developer or successor or on any obligation under the terms of this Agreement. It is expressly understood and agreed to by and between the parties hereto, anything herein to the contrary notwithstanding, that no individual member of the Developer, its officers, members of its board of directors, officials, agents, representatives or employees shall be personally liable for any of the Developer's obligations or any undertaking or covenant of the Developer contained in this Agreement.

**SECTION 20. INDEMNIFICATION.**

The Developer agrees to indemnify, defend and hold the City harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, reasonable attorneys' fees and court costs) (collectively "Losses") suffered or incurred by the City arising from or in connection with: (1) a Developer Event of Default that has occurred; (2) the failure of the Developer or any of Developer's contractors, subcontractors or agents to pay contractors, subcontractors or material suppliers in connection with the construction of the Project; (3) the failure of the Developer to redress any misrepresentations or omissions in this Agreement or any other agreement relating hereto; and (4) any actions, including but not limited to, conducting environmental tests on the Property as set forth in Section 21 herein, resulting from any activity undertaken by the Developer on the Property prior to or after the conveyance of said Property to the Developer by the City; provided, however, the Developer shall have no obligation to indemnify the City for Losses to the extent such Losses are caused by the City or its agents. This indemnification shall survive any termination of this Agreement (regardless of the reason for such termination).

**SECTION 21. ENVIRONMENTAL MATTERS.**

21.1 “AS IS” SALE. THE CITY MAKES NO COVENANT, REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, OF ANY KIND, AS TO THE STRUCTURAL, PHYSICAL OR ENVIRONMENTAL CONDITION OF THE PROPERTY OR THE SUITABILITY OF THE PROPERTY FOR ANY PURPOSE WHATSOEVER. THE DEVELOPER ACKNOWLEDGES THAT IT HAS HAD ADEQUATE OPPORTUNITY TO INSPECT AND EVALUATE THE STRUCTURAL, PHYSICAL AND ENVIRONMENTAL CONDITION AND RISKS OF THE PROPERTY AND ACCEPTS THE RISK THAT ANY INSPECTION MAY NOT DISCLOSE ALL MATERIAL MATTERS AFFECTING THE PROPERTY. THE DEVELOPER AGREES TO ACCEPT THE PROPERTY IN ITS “AS IS,” “WHERE IS” AND “WITH ALL FAULTS” CONDITION AT CLOSING WITHOUT ANY COVENANT, REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, OF ANY KIND, AS TO THE STRUCTURAL, PHYSICAL OR ENVIRONMENTAL CONDITION OF THE PROPERTY OR THE SUITABILITY OF THE PROPERTY FOR ANY PURPOSE WHATSOEVER. THE DEVELOPER ACKNOWLEDGES THAT IT IS RELYING SOLELY UPON ITS OWN INSPECTION AND OTHER DUE DILIGENCE ACTIVITIES AND NOT UPON ANY INFORMATION (INCLUDING, WITHOUT LIMITATION, ENVIRONMENTAL STUDIES OR REPORTS OF ANY KIND) PROVIDED BY OR ON BEHALF OF THE CITY OR ITS AGENTS OR EMPLOYEES WITH RESPECT THERETO. THE DEVELOPER AGREES THAT IT IS ITS SOLE RESPONSIBILITY AND OBLIGATION TO PERFORM AT ITS EXPENSE ANY ENVIRONMENTAL REMEDIATION WORK (AS DEFINED BELOW) AND TAKE SUCH OTHER ACTION AS IS NECESSARY TO PUT THE PROPERTY IN A CONDITION WHICH IS SUITABLE FOR ITS INTENDED USE. “Environmental Remediation Work” shall mean all investigation, sampling, monitoring, testing, reporting, removal (including, excavation, transportation and disposal), response, storage, remediation, treatment and other activities necessary for the performance of the Project, all in accordance with all requirements of IEPA, and all applicable Laws, including, without limitation, all applicable Environmental Laws.

21.2 Right of Entry. During the Due Diligence Period, the City shall grant the Developer the right, at its sole cost and expense, to enter the Property pursuant one or more right of entry agreements to inspect the same, perform surveys, environmental assessments, soil and any other due diligence it deems necessary or desirable to satisfy itself as to the condition of the Property. The Developer agrees to deliver to the City a copy of each report prepared by or for the Developer regarding the environmental condition of the Property; provided, however, that such delivery shall not be deemed to be a representation or warranty as to the accuracy or completeness of any such report.

21.3 Environmental Remediation. If the Developer is required to enroll Parcel 1 in the SRP (see Section 8.2.K.), then the Developer shall undertake all remediation work that may be needed on Parcel 1 promptly after the Parcel 1 Closing in order to obtain a Final No Further Remediation Letter, and obtain such Final No Further Remediation Letter. The contractors selected by the Developer, and the terms of the contract must be approved by the City, which approval shall not be unreasonably withheld, prior to the commencement of any remediation

work on the Property. The Developer shall be solely responsible for all site preparation costs, including, but not limited to, the removal of soil, pre-existing building foundations, soil exceeding the IEPA's TACO Tier 1 commercial / industrial criteria for Parcel 1, and demolition debris, and the removal, disposal, storage, remediation, removal or treatment of Hazardous Waste (as defined in Section 21.6) from Parcel 1.

The City, acting through its Department of Fleet and Facility Management, and any successor department thereto ("DFFM") shall have the right to review and approve the Draft No Further Remediation Letter (the "Draft NFR Letter"), if a Draft NFR is required.

After DFFM approves the Draft NFR Letter, the Developer covenants and agrees to complete all investigation, removal, response, disposal, remediation and other activities ("Remediation Work") necessary to obtain (as applicable) a Final No Further Remediation Letter from the IEPA approving the use of Parcel 1 for the Project, based on the Draft NFR Letter ("Final NFR Letter"). The Final NFR Letter may be reasonably conditioned upon use and maintenance of engineered barriers and other institutional or engineering controls acceptable to the IEPA. The City shall have the right to review in advance and approve all documents submitted to the IEPA under the SRP, as amended or supplemented from time to time, including, without limitation, the Comprehensive Site Investigation and Remediation Objectives Report, the Remedial Action Plan, and the Remedial Action Completion Report (collectively, the "SRP Documents") and any changes thereto. The Developer shall cooperate and consult with the City at all relevant times (and in all cases upon the City's request) with respect to environmental matters. The Developer shall bear sole responsibility for all aspects of the Remediation Work and any other investigative and cleanup costs associated with Parcel 1. The Developer shall promptly transmit to the City copies of all SRP Documents prepared or received after the date hereof, including, without limitation, any written communications delivered to or received from the IEPA or other regulatory agencies with respect to the Remediation Work.

The Developer acknowledges and agrees that the City will not issue a Certificate of Completion or a Certificate of Occupancy for the Project until the IEPA has issued, and the City has approved, a Final NFR Letter for Parcel 1.

The Developer must abide by the terms and conditions of the Final NFR letter.

21.4 Release and Indemnification. The Developer, on behalf of itself and its officers, directors, employees, successors, assigns and anyone claiming by, through or under them (collectively, the "Developer Parties"), hereby releases, relinquishes and forever discharges the City, its officers, agents and employees, from and against any and all Losses which the Developer ever had, now have, or hereafter may have, whether grounded in tort or contract or otherwise, in any and all courts or other forums, of whatever kind or nature, whether known or unknown, foreseen or unforeseen, now existing or occurring after the Parcel 1 Closing Date, based upon, arising out of or in any way connected with, directly or indirectly (i) any environmental contamination, pollution or hazards associated with the Property or any improvements, facilities or operations located or formerly located thereon, including, without limitation, any release, emission, discharge, generation, transportation, treatment, storage or

disposal of Hazardous Materials, or threatened release, emission or discharge of Hazardous Materials; (ii) the structural, physical or environmental condition of the Property, including, without limitation, the presence or suspected presence of Hazardous Materials in, on, under or about the Property or the migration of Hazardous Materials from or to other Property; (iii) any violation of, compliance with, enforcement of or liability under any Environmental Laws, including, without limitation, any governmental or regulatory body response costs, natural resource damages or Losses arising under CERCLA; and (iv) any investigation, cleanup, monitoring, remedial, removal or restoration work required by any federal, state or local governmental agency or political subdivision or other third party in connection or associated with the Property or any improvements, facilities or operations located or formerly located thereon (collectively, "Released Claims"); provided, however, the foregoing release shall not apply to the extent such Losses are proximately caused by the gross negligence or willful misconduct of the City following the Parcel 1 Closing Date. Furthermore, the Developer shall indemnify, defend (through an attorney reasonably acceptable to the City) and hold the City and its officers, agents and employees harmless from and against any and all Losses which may be made or asserted by any third parties (including, without limitation, any of the Developer Parties) arising out of or in any way connected with, directly or indirectly, any of the Released Claims, except as provided in the immediately preceding sentence for the City's gross negligence or willful misconduct following the Parcel 1 Closing Date.

21.5 Release Runs with the Property. The covenant of release in Section 21.4 above shall run with the Property, and shall be binding upon all successors and assigns of the Developer with respect to the Property, including, without limitation, each and every person, firm, corporation, limited liability company, trust or other entity owning, leasing, occupying, using or possessing any portion of the Property under or through the Developer following the date of the Deed. The Developer acknowledges and agrees that the foregoing covenant of release constitutes a material inducement to the City to enter into this Agreement, and that, but for such release, the City would not have agreed to convey the Property to the Developer. It is expressly agreed and understood by and between the Developer and the City that, should any future obligation of the Developer or Developer Parties arise or be alleged to arise in connection with any environmental, soil or other condition of the Property, the Developer and any of the Developer Parties shall not assert that those obligations must be satisfied in whole or in part by the City, because Section 21.4 contains a full, complete and final release of all such claims, except as provided in such section for the City's gross negligence or willful misconduct following the Parcel 1 Closing Date.

21.6 Survival. This Section 21 shall survive the Parcel 1 Closing Date or any termination of this Agreement (regardless of the reason for such termination).

## **SECTION 22. DEVELOPER'S EMPLOYMENT OBLIGATIONS.**

22.1 Employment Opportunity. The Developer agrees, and shall contractually obligate its various contractors, subcontractors and any affiliate of the Developer operating on the Property (collectively, the "Employers" and individually, an "Employer") to agree, that with respect to the provision of services in connection with the construction of the Project:

(a) Neither the Developer nor any Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, gender identity, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Section 2-160-010 et seq. of the Municipal Code of Chicago, as amended from time to time (the "Human Rights Ordinance"). The Developer and each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon the foregoing grounds, and are treated in a non-discriminatory manner with regard to all job related matters, including, without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Developer and each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Developer and each Employer, in all print solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon the foregoing grounds.

(b) To the greatest extent feasible, the Developer and each Employer shall present opportunities for training and employment of low and moderate income residents of the City, and provide that contracts for work in connection with the construction of the Project be awarded to business concerns which are located in or owned in substantial part by persons residing in, the City.

(c) The Developer and each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including, without limitation, the Human Rights Ordinance, and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

(d) The Developer, in order to demonstrate compliance with the terms of this Section 22.1, shall cooperate with and promptly and accurately respond to reasonable inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) The Developer and each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the construction of the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 22.1 shall be a basis for the City to pursue remedies under the provisions of Section 18.

22.2 City Resident Employment Requirement. The Developer agrees, and shall contractually obligate each Employer to agree, that during the construction of the Project, the Developer and each Employer shall comply with the minimum percentage of total worker hours performed by actual residents of the City of Chicago as specified in Section 2-92-330 of the Municipal Code of Chicago (at least fifty percent); provided, however, that doing so does not violate a collective bargaining agreement of Developer or an Employer and that in addition to complying with this percentage, the Developer and each Employer shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

(a) The Developer and the Employers may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the chief procurement officer of the City of Chicago.

(b) "Actual residents of the City of Chicago" shall mean persons domiciled within the City of Chicago. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

(c) The Developer and the Employers shall provide for the maintenance of adequate employee residency records to ensure that actual Chicago residents are employed on the construction of Project. The Developer and the Employers shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

(d) The Developer and the Employers shall submit weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) to the Department in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Developer or Employer hired the employee should be written in after the employee's name.

(e) The Developer and the Employers shall provide full access to their employment records to the chief procurement officer, the Department, the Superintendent of the Chicago Police Department, the inspector general, or any duly authorized representative thereof. The Developer and the Employers shall maintain all relevant personnel data and records for a period of at least three (3) years after the issuance of the Certificate of Completion.

(f) At the direction of the Department, the Developer and the Employers shall provide affidavits and other supporting documentation to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

(g) Good faith efforts on the part of the Developer and the Employers to provide work for actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the chief procurement officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section 22.2 concerning the worker hours performed by actual Chicago residents.

(h) If the City determines that the Developer or an Employer failed to ensure the fulfillment of the requirements of this Section 22.2 concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section 22.2. If such non-compliance is not remedied in accordance with the breach and cure provisions of Section 18.3, the parties agree that 1/20 of 1 percent (.05%) of the aggregate hard construction costs set forth in the Final Project Budget shall be surrendered by the Developer and for the Employers to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer and/or the other Employers or employees to prosecution.

(i) Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement.

(j) The Developer shall cause or require the provisions of this Section 22.2 to be included in all construction contracts and subcontracts related to the construction of the Project.

22.3 Developer's MBE/WBE Commitment. The Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the general contractor to agree, that during the construction of the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code of Chicago (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code of Chicago (the "Construction Program," and collectively with the

Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 22.3, during the course of construction of the Project, at least 24% of the aggregate hard construction costs shall be expended for contract participation by minority owned businesses and at least 4% of the aggregate hard construction costs shall be expended for contract participation by women owned businesses.

(b) For purposes of this Section 22.3 only:

(i) The Developer (and any party to whom a contract is let by the Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by the Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code of Chicago, as applicable.

(ii) The term "minority-owned business" or "MBE" shall mean a business identified in the Directory of Certified Minority Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a minority-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(iii) The term "women-owned business" or "WBE" shall mean a business identified in the Directory of Certified Women Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a women-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code of Chicago, the Developer's MBE/WBE commitment may be achieved in part by the Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture, or (ii) the amount of any actual work performed on the Project by the MBE or WBE); by the Developer utilizing a MBE or a WBE as the general contractor (but only to the extent of any actual work performed on the Project by the general contractor); by subcontracting or causing the general contractor to subcontract a portion of the construction of the Project to one or more MBEs or WBEs; by the purchase of materials or services used in the construction of the Project from one or more MBEs or WBEs; or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer's MBE/WBE commitment as described in this Section 22.3. In accordance with Section 2-92-730,

Municipal Code of Chicago, the Developer shall not substitute any MBE or WBE general contractor or subcontractor without the prior written approval of the Department.

(d) The Developer shall deliver quarterly reports to the City's monitoring staff describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, *inter alia*, the name and business address of each MBE and WBE solicited by the Developer or the general contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the construction of the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining the Developer's compliance with this MBE/WBE commitment. The Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the construction of the Project for at least five (5) years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by the Developer, on prior notice of at least five (5) business days, to allow the City to review the Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the construction of the Project.

(e) Upon the disqualification of any MBE or WBE general contractor or subcontractor, if the disqualified party misrepresented such status, the Developer shall be obligated to discharge or cause to be discharged the disqualified general contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code of Chicago, as applicable.

(f) Any reduction or waiver of the Developer's MBE/WBE commitment as described in this Section 22.3 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code of Chicago, as applicable.

22.4 Pre-Construction Conference and Post-Closing Compliance Requirements. Not less than fourteen (14) days prior to the Parcel 1 Closing Date, the Developer and the Developer's general contractor and all major subcontractors shall meet with the Department monitoring staff regarding compliance with all Section 22 requirements. During this pre-construction meeting, the Developer shall present its plan to achieve its obligations under this Section 22, the sufficiency of which the City's monitoring staff shall approve as a precondition to the Closing. During the construction of the Project, the Developer shall submit all documentation required by this Section 22 to the City's monitoring staff, including, without limitation, the following: (a) subcontractor's activity report; (b) contractor's certification concerning labor standards and prevailing wage requirements; (c) contractor letter of understanding; (d) monthly utilization report; (e) authorization for payroll agent; (f) certified payroll; (g) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (h) evidence of compliance with job creation/job retention

requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that the Developer is not complying with its obligations under this Section 22, shall, upon the delivery of written notice to the Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (w) issue a written demand to the Developer to halt construction of the Project, (x) withhold any further payment of any City funds to the Developer or the general contractor, or (y) seek any other remedies against the Developer available at law or in equity.

### **SECTION 23. REPRESENTATIONS AND WARRANTIES.**

23.1 Representations and Warranties of the Developer. To induce the City to execute this Agreement and perform its obligations hereunder, the Developer hereby represents and warrants to the City that as of the date of this Agreement, as of the RDA Closing Date, as of the Parcel 1 Closing Date, and as of the Parcel 2 Closing Date the following shall be true and correct in all respects:

- a. The Developer is a corporation duly organized, validly existing and in good standing under the laws of the State of Illinois with full power and authority to acquire, own and redevelop the Property, and the person signing this Agreement on behalf of the Developer has the authority to do so.
- b. All certifications and statements contained in the Economic Disclosure Statement last submitted to the City by the Developer (and any legal entity holding an interest in the Developer) are true, accurate and complete.
- c. The Developer's execution, delivery and performance of this Agreement and all instruments and agreements contemplated hereby will not, upon the giving of notice or lapse of time, or both, result in a breach or violation of, or constitute a default under, any other agreement to which the Developer, or any party affiliated with the Developer, is a party or by which the Developer or the Property is bound.
- d. To the best of the Developer's knowledge, no action, litigation, investigation or proceeding of any kind is pending or threatened against the Developer, or any party affiliated with the Developer, and the Developer knows of no facts which could give rise to any such action, litigation, investigation or proceeding, which could: (a) affect the ability of the Developer to perform its obligations hereunder; or (b) materially affect the operation or financial condition of the Developer.
- e. To the best of the Developer's knowledge, the Project will not violate: (a) any Laws, including, without limitation, any zoning and building codes and environmental regulations; or (b) any building permit, restriction of record or other agreement affecting the Property.

23.2 Representations and Warranties of the City. To induce the Developer to execute this Agreement and perform its obligations hereunder, the City hereby represents and warrants to the Developer that the City has authority under its home rule powers to execute and deliver this Agreement and perform the terms and obligations contained herein, and the person signing this Agreement on behalf of the City has the authority to do so.

23.3 Survival of Representations and Warranties. Each of the parties agrees that all of its representations and warranties set forth in this Section 23 or elsewhere in this Agreement are true as of the date of this Agreement and will be true in all material respects at all times thereafter, except with respect to matters which have been disclosed in writing and approved by the other party.

**SECTION 24. PROVISIONS NOT MERGED WITH DEED.**

The provisions of this Agreement shall not be merged with the Deed, and the delivery of the Deed shall not be deemed to affect or impair the provisions of this Agreement.

**SECTION 25. HEADINGS.**

The headings of the various sections of this Agreement have been inserted for convenient reference only and shall not in any manner be construed as modifying, amending, or affecting in any way the express terms and provisions thereof.

This Agreement constitutes the entire agreement between the parties and supersedes and replaces completely any prior agreements between the parties with respect to the subject matter hereof. This Agreement may not be modified or amended in any manner other than by supplemental written agreement executed by the parties.

**SECTION 27. SEVERABILITY.**

If any provision of this Agreement, or any paragraph, sentence, clause, phrase or word, or the application thereof is held invalid, the remainder of this Agreement shall be construed as if such invalid part were never included and this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

The parties, by notice given hereunder, may designate any further or different addresses to which subsequent notices, demands or communications shall be given.

**SECTION 29. SUCCESSORS AND ASSIGNS.**

Except as otherwise provided in this Agreement, the terms and conditions of this Agreement shall apply to and bind the successors and assigns of the parties.

**SECTION 30. TERMINATION.**

In the event that a closing has not occurred by the applicable outside closing date, or any extensions thereof in the Department's sole and absolute discretion or notice and cure period, then the City may terminate this Agreement upon written notice to the Developer.

**SECTION 31. RECORDATION OF AGREEMENT.**

The Developer shall record, or cause the Title Company to record, this Agreement at the Office of the Cook County Recorder of Deeds. The Developer shall pay the recording fees.

**SECTION 32. CONSENT AND APPROVAL.**

Except where otherwise specified, whenever the consent or approval of the City is required hereunder, such consent or approval shall not be unreasonably withheld, conditioned, or delayed.

**SECTION 33. OTHER ACTS**

The parties agree to perform such other acts and to execute, acknowledge and deliver such other instruments, documents and materials as may be reasonably necessary to consummate the transactions contemplated by this Agreement.

**SECTION 34. BUSINESS RELATIONSHIPS.**

The Developer acknowledges (1) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (2) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as described in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (3) notwithstanding anything to the contrary contained in this Agreement, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. The Developer hereby represents and warrants that no violation of Section 2-156-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

**SECTION 35. PATRIOT ACT CERTIFICATION.**

The Developer represents and warrants that neither the Developer nor any Affiliate thereof (as defined in the next paragraph) is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule,

regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

As used in the above paragraph, an "Affiliate" shall be deemed to be a person or entity related to the Developer that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Developer, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

**SECTION 36. PROHIBITION ON CERTAIN CONTRIBUTIONS –  
MAYORAL EXECUTIVE ORDER NO. 2011-4.**

Developer agrees that Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in Developer of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Developer's contractors (i.e., any person or entity in direct contractual privity with Developer regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Developer and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (1) after execution of this Agreement by Developer, (2) while this Agreement or any Other Contract is executory, (3) during the term of this Agreement or any Other Contract between Developer and the City, or (4) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

Developer represents and warrants that from the later to occur of (1) May 16, 2011, and (2) the date the City approached the Developer or the date the Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Developer agrees that it shall not: (1) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (2) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (3) Bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Developer agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Developer agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole and absolute discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Developer intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the closing of this Agreement, the City may elect to decline to close the transaction contemplated by this Agreement.

For purposes of this provision:

“Bundle” means to collect contributions from more than one source, which is then delivered by one person to the Mayor or to his political fundraising committee.

“Other Contract” means any other agreement with the City of Chicago to which Developer is a party that is (1) formed under the authority of chapter 2-92 of the Municipal Code of Chicago; (2) entered into for the purchase or lease of real or personal property; or (3) for materials, supplies, equipment or services which are approved or authorized by the City Council of the City of Chicago.

“Contribution” means a “political contribution” as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are “Domestic Partners” if they satisfy the following criteria:

1. they are each other's sole domestic partner, responsible for each other's common welfare; and
2. neither party is married; and
3. the partners are not related by blood closer than would bar marriage in the State of Illinois; and
4. each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
5. two of the following four conditions exist for the partners:
  - a. The partners have been residing together for at least 12 months.
  - b. The partners have common or joint ownership of a residence.
  - c. The partners have at least two of the following arrangements:
    - i. joint ownership of a motor vehicle;
    - ii. a joint credit account;
    - iii. a joint checking account;
    - iv. a lease for a residence identifying both domestic partners as tenants.

- d. Each partner identifies the other partner as a primary beneficiary in a will.

“Political fundraising committee” means a “political fundraising committee” as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

**SECTION 37. FAILURE TO MAINTAIN ELIGIBILITY TO DO BUSINESS WITH THE CITY.**

Failure by Developer or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of the Agreement and the transactions contemplated thereby. Developer shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

**SECTION 38. INSPECTOR GENERAL AND LEGISLATIVE INSPECTOR GENERAL.**

It is the duty of every officer, employee, department, agency, contractor, subcontractor, developer and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City’s Legislative Inspector General and with the City’s Inspector General in any investigation or hearing undertaken pursuant to Chapters 2-55 and 2-56, respectively, of the Municipal Code of Chicago. The Developer understands and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code of Chicago.

**SECTION 39. 2014 CITY HIRING PLAN.**

(i) The City is subject to the June 16, 2014 “City of Chicago Hiring Plan” (as amended, the “2014 City Hiring Plan”) entered in *Shakman v. Democratic Organization of Cook County*, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the 2014 City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(ii) Developer is aware that City policy prohibits City employees from directing any individual to apply for a position with Developer, either as an employee or as a subcontractor, and from directing Developer to hire an individual as an employee or as a subcontractor. Accordingly, Developer must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Developer under this Agreement are employees or subcontractors of Developer, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Developer.

(iii) Developer will not condition, base, or knowingly prejudice or affect any term or aspect to the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any

political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(iv) In the event of any communication to Developer by a City employee or City official in violation of subparagraph (ii) above, or advocating a violation of subparagraph (iii) above, Developer will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General (the "OIG"), and also to the head of the relevant City Department utilizing services provided under this Agreement. Developer will also cooperate with any inquiries by the OIG.

**SECTION 40. COUNTERPARTS.**

This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and all of which, taken together, shall constitute a single, integrated instrument.

**IN WITNESS WHEREOF**, the parties have caused this Agreement to be executed on or as of the date first above written.

**RECITALS**

WHEREAS, Landlord is the owner of the real property more commonly known 1850 W. 95<sup>th</sup> Street / 9448 S. Pleasant Avenue, Chicago, Cook County, Illinois, which has no present municipal use; and

WHEREAS, Landlord has agreed to lease to Tenant, and Tenant has agreed to lease from Landlord, such real property, to be used as a parking lot for the benefit of patrons of Tenant's private event hall and pizza café at 2105-2121 W. 95<sup>th</sup> Street, Chicago, Illinois.

NOW THEREFORE, in consideration of the covenants, terms, and conditions set forth herein, the parties agree and covenant as follows:

**SECTION 1. GRANT**

1.1 Grant. Landlord hereby leases to Tenant, and Tenant hereby leases from Landlord, the following described premises situated in the City of Chicago, County of Cook, State of Illinois, to wit:

Approximately 13,811 square feet of space located on that certain parcel of real estate more commonly known as 1850 W. 95<sup>th</sup> Street / 9448 S. Pleasant Avenue, Chicago, Illinois (PINs 25-06-422-028 and -029; the "**Premises**"), as legally described on **Exhibit A** attached hereto.

**SECTION 2. TERM**

2.1 Term. The term of this Lease (the "**Term**") shall begin on the Commencement Date and shall end on the date that is ten (10) years following the Commencement Date (the "**Ending Date**"), unless sooner terminated as set forth in this Lease.

**SECTION 3. RENT, TAXES, AND UTILITIES**

3.1 Rent. Tenant shall pay base rent for the Premises in the amount of One Dollar (\$1.00) for the period beginning on the Commencement Date and ending on the Ending Date.

3.2 Taxes. Tenant acknowledges that Premises are exempt from leasehold, real estate, and other property taxes. Tenant shall pay when due any leasehold, real estate, and other property taxes assessed or levied on the Premises where attributable to Tenant's use of the Premises. Tenant shall pay such amounts and Tenant shall provide Landlord with proof of such payment within ten (10) days of such payment. Tenant further acknowledges that real estate taxes are one (1) year in arrears in Cook County and that as a result Tenant shall be responsible for satisfaction of leasehold, real estate, and other property taxes assessed or levied on the Premises on account of Tenant's use for at least one year after the Ending Date. Tenant's failure to pay any such taxes shall constitute a default under this Lease. Notwithstanding the foregoing, nothing herein shall preclude Tenant from contesting any charge or tax levied against the Premises. The failure of Tenant to pay such taxes during the pendency of the contest shall not constitute a default under this Lease. Tenant's tax responsibilities under this section shall survive the expiration, cancellation, or termination of this Lease.

3.3 Utilities. Tenant shall pay when due all charges for gas, electricity, water, sewer, telephone, other communication, and any other utilities and charges that may be assessed on the Premises during the Term, or as a result of, Tenant's occupancy of the Premises. Landlord shall not have any responsibility for providing, delivering, or paying for any utilities supplied to the Premises.

3.4 Accord and Satisfaction. No payment by Tenant or receipt by Landlord of a lesser amount than any installment or payment of the rent or any amounts due hereunder shall be deemed to be other than on account of the amount due, and no endorsement of statement or any check or any letter accompanying any check or payment of rent shall be deemed an accord and satisfaction. Landlord may accept such check or payment without prejudice as to Landlord's right to recover the balance of such installment or payment or to pursue any other remedies available to Landlord.

**SECTION 4. CONDITION AND ENJOYMENT OF PREMISES, ALTERATIONS, ADDITIONS, AND SURRENDER**

4.1 Satisfaction with Condition. Tenant agrees that Tenant has inspected the Premises and all related areas and grounds and that Tenant is satisfied with the physical condition thereof and accepts the Premises in its "As-Is" condition.

4.2 Covenant of Quiet Enjoyment. Landlord covenants and agrees that Tenant, upon paying the rent and upon observing and keeping the covenants, agreements, and conditions of this Lease on its part to be kept, observed, and performed, shall lawfully occupy and enjoy the

Premises (subject to the provisions of this Lease) during the Term without hindrance or molestation by Landlord.

4.3 Tenant's Duty to Maintain Premises. Tenant shall, at Tenant's expense, keep the Premises in a condition of good repair and order, and in compliance with all applicable provisions of the Municipal Code of Chicago. If Tenant shall refuse or neglect to make needed repairs within fifteen (15) days after written notice thereof sent by Landlord, unless such repair cannot be remedied within fifteen (15) days, and Tenant shall have commenced and is diligently pursuing all necessary action to remedy such repair, Landlord, at Landlord's option, is authorized to either make such repairs and Tenant will, within thirty (30) business days of demand, reimburse Landlord for the reasonable cost thereof, or Landlord can immediately terminate this Lease by providing the Tenant with written notice thereof. Landlord shall have the right of access to the Premises for the purpose of inspecting and making repairs to the Premises, provided that, except in the case of emergencies, Landlord shall first give notice to Tenant of its desire to enter the Premises and will schedule its entry so as to minimize any interference with Tenant's use of the Premises.

4.4 Use of the Premises. Tenant shall use the Premises only for parking. Tenant shall not use the Premises in a manner that would violate any laws, ordinances, orders, rules, regulations, and requirements of all federal, state and municipal governmental departments (collectively – the “Laws”) which may be applicable to the Premises or to the use or manner of use of the Premises. Tenant further covenants not to do or suffer any waste or damage, comply in all respects with the Laws and requirements of all federal, state, and municipal governmental departments which may be applicable to the Premises or to the use or manner of use of the Premises. Tenant shall not use said Premises for political or religious activities.

The use contemplated under this Lease is limited to providing parking for Tenant's vehicles, and Tenant shall not allow any general or public parking at the Premises. Tenant shall not operate the Premises so as to cause the Premises to be deemed a “Competing Parking Facility” under the Chicago Metered Parking System Agreement dated December 4, 2008 by and between the City of Chicago and Chicago Parking Meters, LLC.

4.5 Alterations, Additions and Improvements. Tenant may not make any alterations, additions, or improvements to the Premises without the prior written approval of the Commissioner of the Department of Planning and Development. Any such alterations, additions, and improvements shall be in full compliance with the applicable Laws. Landlord shall not be obligated to pay for any alterations, additions, or improvements to the Premises.

## **SECTION 5. ASSIGNMENT, SUBLEASE, AND LIENS**

5.1 Assignment and Sublease. Tenant shall not assign this Lease in whole or in part, or sublet or license the Premises or any part thereof.

5.2 Tenant's Covenant against Encumbering Title. Tenant shall not do any act which shall in any way encumber the fee simple estate of Landlord in and to the Premises, nor shall the interest or estate of Landlord in the Premises be in any way subject to any claim by way of lien or encumbrance, whether by operation of law or by virtue of any express or implied contract by Tenant. Any claim to, or lien upon, the Premises arising from any act or omission of Tenant shall accrue only against the leasehold estate of Tenant and shall be subject to and subordinate to the paramount title and rights of Landlord in and to the Premises.

5.3 Tenant's Covenant against Liens. Tenant shall not permit the Premises to become subject to any mechanic's, laborer's, or materialmen's liens on account of labor or material furnished to Tenant or claimed to have been furnished to Tenant. In case of any such lien attaching, Tenant shall immediately pay and remove such lien or furnish security or indemnify Landlord in a manner satisfactory to Landlord in its sole discretion to protect Landlord against any defense or expense arising from such lien. Except during any period in which Tenant appeals any judgment or obtains a rehearing of any such lien, or in the event judgment is stayed, Tenant shall immediately pay any judgment rendered against Tenant, with all proper costs and charges, and shall have the lien released and any judgment satisfied. If Tenant fails to pay and remove any lien or contest such lien in accordance herewith, Landlord, at its election, may pay and satisfy same, and all sums so paid by Landlord shall become immediately due and payable by Tenant, with interest from the date of payment at the rate set at 12% per annum provided that such rate shall not be deemed usurious by any Federal, State, or Local law.

## **SECTION 6. INSURANCE AND INDEMNIFICATION**

6.1 Insurance. Tenant shall procure and maintain at all times, at Tenant's own expense, during the Term, the insurance coverages and requirements specified below, insuring all operations related to the Lease. The kind and amounts of insurance required are as follows:

(a) Worker's Compensation and Employer's Liability. Workers Compensation as prescribed by applicable law, covering all employees who are to provide a service under this Lease, and Employer's Liability Insurance with limits of not less than \$500,000 each accident, illness or disease.

(b) Commercial General Liability (Primary and Umbrella). Commercial General Liability Insurance or equivalent, with limits of not less than \$1,000,000 per occurrence, for bodily injury, personal injury, and property damage liability. Coverage shall include the following: All premises and operations, products/completed operations, defense, separation of insureds, and contractual liability (not to include Endorsement CG 21 39 or equivalent).

The City of Chicago shall be named as an additional insured under the policy. Such additional insured coverage shall be provided on CG 20 10 or on a similar additional insured form acceptable to the City. The additional insured coverage shall not have any

limiting endorsements or language under the policy such as, but not limited to, Tenant's sole negligence or the Additional Insured's vicarious liability. Tenant's liability insurance shall be primary without right of contribution by any other insurance or self-insurance maintained by or available to the City.

(c) Automobile Liability Insurance (Primary and Umbrella). When any motor vehicles (owned, non-owned and hired) are used in connection with the Lease, Tenant shall provide and maintain Automobile Liability Insurance with limits of not less than \$1,000,000 per occurrence for bodily injury and property damage. The City of Chicago shall be named as an additional insured on a primary, non-contributory basis.

The Tenant shall be responsible for all loss or damage personal property (including, but not limited to materials, equipment, tools and supplies), owned, rented or used by Tenant.

6.2 Other Terms of Insurance. Tenant will furnish the City of Chicago, Department of Planning and Development, 121 North LaSalle Street, Room 1000, Chicago, Illinois 60602, Attn: Commissioner, original Certificates of Insurance evidencing the required coverage to be in force on the date of this Lease, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the Term. Tenant shall submit evidence of insurance prior to execution of the Lease. The receipt of any certificate does not constitute agreement by Landlord that the insurance requirements in this Lease have been fully met or that the insurance policies indicated on the certificate are in compliance with all requirements in the Lease. The failure of Landlord to obtain certificates or other insurance evidence from Tenant shall not be deemed to be a waiver by Landlord. Tenant shall advise all insurers of the Lease provisions regarding insurance. Non-conforming insurance shall not relieve Tenant of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Lease and the Landlord retains the right to terminate or suspend the Lease until proper evidence of insurance is provided.

The Tenant shall provide for 60 days prior written notice to be given to the Landlord in the event coverage is substantially changed, cancelled, or non-renewed.

Any and all deductibles or self-insured retentions on referenced insurance coverages shall be borne by Tenant.

Tenant hereby grants to the Landlord a waiver of any right of subrogation which any insurer of Tenant may acquire against the Landlord by virtue of the payment of any loss under the insurance. Tenant agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the Landlord has received a waiver of subrogation endorsement from the insurer(s).

Tenant expressly understands and agrees that any coverages and limits furnished by Tenant shall in no way limit the Tenant's liabilities and responsibilities specified in this Lease or by law.

Tenant expressly understands and agrees that its insurance is primary and any insurance or self-insurance programs maintained by the Landlord shall not contribute with insurance provided by Tenant.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Lease or any limitation placed on the indemnity in this Lease given as a matter of law.

If Tenant is a joint venture or limited liability company, the insurance policies shall name the joint venture or limited liability company as a named insured.

If Tenant maintains higher limits than the minimums shown above, Landlord shall be entitled to coverage for the higher limits maintained by Tenant. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the Landlord.

Notwithstanding any provision to the contrary, the City of Chicago, Department of Finance, Office of Risk Management, maintains the rights to modify, delete, alter or change these requirements at any time during the Term of Lease.

6.3 Tenant's Indemnification. Tenant shall indemnify, defend, and hold Landlord harmless against all liabilities, judgments, amounts paid in settlement, arbitration or mediation awards, costs, damages, and expenses (including reasonable attorney's fees, expenses, and court costs), whether such claim is related to or arises from personal injury or property damage which may be expended by or accrue against, be charged to, or be recovered from Landlord or Tenant by reason of Tenant's performance of or failure to perform any of Tenant's obligations under this Lease or Tenant's negligent acts or failure to act, or resulting from the acts or failure to act of Tenant's contractors, respective officers, directors, agents, or employees including, but not limited to, the use of the Premises as a parking lot under the Metered Parking Concessions Agreement entered into between Landlord and Chicago Parking Meters, L.L.C. This Section shall survive the expiration or termination of this Lease.

## **SECTION 7. CONFLICT OF INTEREST AND GOVERNMENTAL ETHICS**

7.1 Conflict of Interest. No official or employee of the City of Chicago, nor any member of any board, commission or agency of the City of Chicago, shall have any financial interest (as defined in Chapter 2-156 of the Municipal Code of Chicago), either direct or indirect, in the Premises. No such official, employee, or member shall participate in making or in any way attempt to use his or her position to influence any City governmental decision or action with respect to this Lease.

7.2 Duty to Comply with Governmental Ethics Ordinance. Landlord and Tenant shall comply with Chapter 2-156 of the Municipal Code of Chicago, "Governmental Ethics," including, but not limited to, section 2-156-120, which states that no payment, gratuity, or offer of employment shall be made in connection with any City of Chicago contract as an inducement for the award of that contract or order. Any contract or lease negotiated, entered into, or performed in violation of any of the provisions of Chapter 2-156 shall be voidable in the sole discretion of the City.

## **SECTION 8. ADDITIONAL RESPONSIBILITIES OF TENANT**

8.1 Custodial Services. Tenant shall provide and pay for custodial services and shall be responsible for keeping the Premises clean and free of debris. Tenant shall provide and pay for any exterminator service whenever such services are reasonably necessary.

8.2 Scavenger/Dumpster Services. Tenant shall provide and pay for scavenger/dumpster services.

8.3 Security. Tenant is responsible for properly securing the Premises during the Term.

8.4 Repairs for Tenant Negligence, Vandalism, or Misuse. Tenant shall not destroy, deface, damage, impair, nor remove any part of the Premises or facilities, equipment or appurtenances, unless approved as part of an alteration, addition, or improvement under this Lease. Tenant shall assume all responsibility for any repairs to the Premises necessitated by the negligence, vandalism, or misuse of the Premises or equipment therein by Tenant's employees, clients, invitees, agents, or contractors.

8.5 Hazardous Substances. Tenant shall not use or store any Hazardous Substances (defined below) on the Premises. Tenant shall promptly notify the Landlord if Tenant discovers any Hazardous Substances on the Premises. As used in this Lease, the term "Hazardous Substances" shall mean any toxic substance, hazardous material, hazardous chemical or hazardous, toxic or dangerous waste defined or qualifying as such in (or for the purposes of) any Environmental Laws (as defined hereunder), or any pollutant, toxic vapor, or contaminant, and shall include, but not be limited to, polychlorinated biphenyls (PCBs), crude oil, any fraction thereof, or refined petroleum products such as oil, gasoline, or other petroleum-based fuels, lead paint, asbestos or asbestos-containing materials, urea formaldehyde, any radioactive material or by-product material, radon and mold. "Environmental Laws" shall mean any and all Laws, permits and other requirements or guidelines of governmental authorities applicable to the Premises and relating to the regulation and protection of human health, safety, the environment, natural resources or to any Hazardous Substances, including without limitation, any Laws requiring the filing of reports and notices relating to Hazardous Substances.

8.6 Permits. For any activity which Tenant desires to conduct on the Premises in which a license or permit is required, said license or permit must be obtained by Tenant prior to using the Premises for such activity. The Department of Planning and Development must be notified of any such license or permit. Failure to obtain a required license or permit shall constitute a material breach of the terms of this Lease. Tenant understands that this Lease shall in no way act as a substitute for any other permitting or approvals that may be required to undertake any activities on the Premises.

8.7 Full Liability. Tenant assumes full legal and financial responsibility and liability for any and all use of the Premises by Tenant, Tenant's employees, clients, invitees, contractors, and any other person entering the Premises.

8.8 Condition at Termination. Upon the termination of this Lease, Tenant shall surrender the Premises to the Landlord in the same or better condition to the condition of the Premises at the beginning of Tenant's occupancy of the Premises. Tenant shall remove all equipment and/or materials placed on the Premises by Tenant or anyone acting by or under Tenant. Said removal shall be without cost to Landlord.

9.10 Termination of Lease. 9.11 Holding Over. Any holding over by Tenant shall be construed to be a tenancy from month to month beginning on the date that is ten (10) years following the Commencement Date and the rent shall be at the same rate as set forth in Section 3.1 of this Lease. Provided, however, that such amendment(s) shall not serve to extend the Term hereof nor serve, in the sole opinion of the Landlord, to otherwise materially alter the essential provisions contained herein. Such amendment(s) shall be in writing, shall establish the factual background necessitating such alteration, shall set forth the terms and conditions of such modification, and shall be duly executed by both Landlord and Tenant. Such amendment(s) shall only take effect upon execution by both parties. Upon execution, such amendment(s) shall become a part of this Lease and all other provisions of this Lease shall otherwise remain in full force and effect.

#### **SECTION 10. TENANT DISCLOSURES AND AFFIRMATIONS**

10.1 Business Relationships. Tenant acknowledges (A) receipt of a copy of Section 2-156-030(b) of the Municipal Code of Chicago, (B) that it has read such provision and understands that pursuant to such Section 2-156-030(b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (C) notwithstanding anything to the contrary contained in this Lease, that a violation of Section 2-156-030(b) by an elected official, or any person acting at the direction of such official, with respect to this Lease shall be grounds for termination of this Lease. Tenant hereby represents and warrants that no violation of Section 2-156-030(b) has occurred with respect to this Lease.

10.2 Patriot Act Certification. Tenant represents and warrants that neither Tenant nor any Affiliate (as hereafter defined) thereof is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable Laws: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. As used in this Section, an "Affiliate" shall be deemed to be a person or entity related to Tenant that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Tenant, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

10.3 Prohibition on Certain Contributions-Mayoral Executive Order No. 2011-4. Tenant agrees that Tenant, any person or entity who directly or indirectly has an ownership or beneficial interest in Tenant of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Tenant's contractors (i.e., any person or entity in direct contractual privity with Tenant regarding the subject matter of this Lease) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Tenant and all the other preceding classes of persons and entities are together the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (a) after execution of this Lease by Tenant, (b) while this Lease or any Other Contract (as hereinafter defined) is executory, (c) during the Term of this Lease or any Other Contract, or (d) during any period while an extension of this Lease or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to May 16, 2011, the effective date of Executive Order 2011-4.

Tenant represents and warrants that from the later of (a) May 16, 2011, or (b) the date the City approached Tenant, or the date Tenant approached the City, as applicable, regarding the formulation of this Lease, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Tenant agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Tenant agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4. or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Notwithstanding anything to the contrary contained herein, Tenant agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Lease, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this Lease, and under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Tenant intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the execution of this Lease, the City may elect to decline to lease the Premises to Tenant or to terminate the Lease after execution.

For purposes of this provision:

(a) “Bundle” means to collect contributions from more than one source, which contributions are then delivered by one person to the Mayor or to his political fundraising committee.

(b) “Other Contract” means any other agreement with the City of Chicago to which Tenant is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council.

(c) “Contribution” means a “political contribution” as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

- (d) Individuals are “domestic partners” if they satisfy the following criteria:
- (i) they are each other's sole domestic partner, responsible for each other's common welfare; and
  - (ii) neither party is married; and
  - (iii) the partners are not related by blood closer than would bar marriage in the State of Illinois; and
  - (iv) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
  - (v) two of the following four conditions exist for the partners:
    - (1) The partners have been residing together for at least 12 months.
    - (2) The partners have common or joint ownership of a residence.
    - (3) The partners have at least two of the following arrangements:
      - (A) joint ownership of a motor vehicle;
      - (B) joint credit account;
      - (C) a joint checking account;
      - (D) a lease for a residence identifying both domestic partners as tenants.
    - (4) Each partner identifies the other partner as a primary beneficiary in a will.

(e) “Political fundraising committee” means a “political fundraising committee” as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

10.4 Waste Ordinance Provisions. In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Tenant warrants and represents that it, and to the best of its knowledge, its Contractors and its subcontractors regarding the subject matter of this Lease (“Subcontractors”), have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the “Waste Sections”). During the period while this

Lease is executory, Tenant's, any general Contractor's or any Subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Lease, constitutes a breach of and an event of default under this Lease, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Commissioner of the Department of Planning and Development. Such breach and default entitles the City to all remedies under this Lease, at law or in equity. This section does not limit Tenant's, its general Contractors' and its Subcontractors' duty to comply with all applicable federal, state, county and municipal Laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Lease. Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Lease, and may further affect the Tenant's eligibility for future contract awards.

10.5 Failure to Maintain Eligibility to do Business with City. Failure by Tenant or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of this Lease and the transactions contemplated thereby. Tenant shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

10.6 Cooperation with Office of Inspector General and Legislative Inspector General. It is the duty of Tenant and any bidder, proposer, contractor, subcontractor, and every applicant for certification of eligibility for a City contract or program, and all officers, directors, agents, partners, and employees of any such grantee, subgrantee, bidder, proposer, contractor, subcontractor or such applicant to cooperate with the Legislative Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-55 of the Municipal Code, and to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code. Tenant represents and warrants that it understands and will abide by all provisions of Chapter 2-55 and Chapter 2-56 of the Municipal Code and that Tenant will inform its Contractors and Subcontractors of this provision and require their compliance.

10.7 2014 Hiring Plan Prohibitions.

(i) The City is subject to the June 16, 2014 "City of Chicago Hiring Plan", as amended (the "2014 City Hiring Plan") entered in *Shakman v. Democratic Organization of Cook County*, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the 2014 City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(ii) Tenant is aware that City policy prohibits City employees from directing any individual to apply for a position with Tenant, either as an employee or as a subcontractor, and from directing Tenant to hire any individual as an employee or as a subcontractor. Accordingly, Tenant must follow its own hiring and contracting procedures, without being influenced by City or City employees. Any and all personnel provided by Tenant under this Lease are employees or subcontractors of Tenant, not employees of the City. This Lease is not intended to and does not

constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Tenant.

(iii) Tenant will not condition, base, or knowingly prejudice or affect any term or aspect of the employment of any personnel provided under this Lease, or offer employment to any individual to provide services under this Lease, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Lease, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(iv) In the event of any communication to Tenant by a City employee or City official in violation of paragraph (ii) above, or advocating a violation of paragraph (iii) above, Tenant will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("OIG Hiring Oversight"), and also to the head of the relevant City department utilizing services provided under this Lease. Tenant will also cooperate with any inquiries by OIG Hiring Oversight.

IN WITNESS WHEREOF, the parties have executed this Lease as of the date first written above.

**WHEREAS**, the Plan and the use of tax increment financing provide a mechanism to support new growth through leveraging private investment, and helping to finance land acquisition, demolition, remediation, site preparation and infrastructure for new development in the Area; and

**WHEREAS**, the City is the owner of vacant parcels of land commonly known as 1348-1350 South Washtenaw, 1354-1364 South Washtenaw, and 1347-1359 South Fairfield, Chicago, Illinois, which are legally described on Exhibit A-1 attached hereto (collectively the "City Property"); and

Fairfield, Chicago, Illinois, which are legally described on Exhibit A-2 attached hereto (collectively, the "Developer Property"); and

**WHEREAS**, the Developer has proposed to pay One Dollar (\$1.00), which is approximately One Hundred Eighty-Nine Thousand Nine Hundred Ninety-Nine and 00/100 Dollars (\$189,999.00) less than the appraised fair market value of the City Property, as consideration for the purchase of the City Property; and

**WHEREAS**, the Developer intends to construct and operate on the City Property and Developer Property (the City Property and Developer Property, collectively the "Property") a parking lot for employees, physicians and visitors of the Developer (and of the following affiliated institutions: Sinai Health System, Schwab Rehabilitation Hospital and Care Network, The Mount Sinai Community Foundation (d/b/a Sinai Medical Group) Sinai Community Institute, and Holy Cross Hospital), as more fully described on Exhibit B attached hereto (such construction and operation, collectively, the "Project"); and

**NOW, THEREFORE**, in consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

#### **SECTION 1. INCORPORATION OF RECITALS.**

The foregoing recitals constitute an integral part of this Agreement and are incorporated herein by this reference with the same force and effect as if set forth herein as agreements of the parties.

#### **SECTION 2. PURCHASE PRICE.**

The City hereby agrees to sell, and Developer hereby agrees to purchase, upon and subject to the terms and conditions of this Agreement, the City Property, for the sum of One Dollar (\$1.00) ("Purchase Price"), to be paid to the City at the Property Closing by certified check or cashier's check. The Developer acknowledges that the Purchase Price is approximately One Hundred Eighty-Nine Thousand Nine Hundred Ninety-Nine and 00/100 Dollars (\$189,999.00) less than the appraised fair market value of the City Property and that the City has only agreed to sell the City Property to the Developer for the Purchase Price because the Developer has agreed to execute this Agreement and comply with its terms and conditions, including, without limitation, Section 14.

#### **SECTION 3. EARNEST MONEY AND PERFORMANCE DEPOSIT.**

3.1 Earnest Money. [intentionally omitted]

3.2 Performance Deposit. [intentionally omitted]

#### **SECTION 4. CLOSING.**

The closing of the transaction contemplated by this Agreement (the "Closing") shall take place at the downtown Chicago offices of a title company selected by the Developer (the "Title Company"), on a date that is within thirty (30) days after the Developer has satisfied all conditions precedent set forth in Section 9, unless the Department, in its sole discretion, waives one or more such conditions, or on such other date as the parties mutually agree upon in writing (the "Closing").

Date"); provided, however, in no event shall the Closing occur any later than October 31, 2016, 2016, unless the Department, in its sole discretion, extends the Closing Date by no more than six (6) months. On or before the Closing Date, the City shall deliver to the Title Company the Deed, all necessary state, county and municipal real estate transfer tax declarations, and an ALTA statement.

## **SECTION 5. CONVEYANCE OF TITLE.**

5.1 Form of Deed. At the Closing, the City shall convey the City Property by quitclaim deed ("Deed") to Developer, subject to the terms of this Agreement and the following:

- (a) the Plan for the Area;
- (b) the standard exceptions in an ALTA title insurance policy;
- (c) general real estate taxes and any special assessments or other taxes;
- (d) all easements, encroachments, covenants and restrictions of record and not shown of record;
- (e) such other title defects as may exist; and
- (f) any and all exceptions caused by the acts of the Developer or its agents.

5.2 Recording Costs. The Developer shall pay to record the Deed and any other documents incident to the conveyance of the City Property to Developer.

5.3 Escrow Fees. If the Developer requires conveyance through escrow, the Developer shall pay all escrow fees.

## **SECTION 6. TITLE AND SURVEY.**

6.1 Title Commitment and Insurance. Not less than 30 days before the anticipated Closing Date, the Developer shall order a current title commitment for the City Property issued by the Title Company. The Developer shall pay the cost of, and shall be responsible for, obtaining on the Closing Date, any title insurance, extended coverage and any endorsements it deems necessary. The City agrees to provide the Title Company with a completed ALTA owner's statement, and other transfer documents typically required by the Title Company and typically provided by the City (but expressly excluding, however, "gap" undertakings, title indemnities and similar liabilities) at or prior to the Closing. At the Closing, the Developer shall deliver to the City a copy of the owner's policy of title insurance that it obtains with respect to the City Property.

6.2 Survey. The Developer shall also be solely responsible for and shall pay all costs associated with obtaining any survey it deems necessary.

6.3 Real Estate Taxes. The City shall use reasonable efforts to obtain the waiver or

release of any delinquent real estate tax liens on the City Property prior to the Closing, to the extent such tax liens can be waived or released through submission of an abatement letter to the Cook County Treasurer, the filing of a certificate of error or a motion to vacate a tax sale. If, after using such reasonable efforts, the City is unable to obtain the waiver or release of any such tax liens or is unable to cause the Title Company to insure over such tax liens, or if the City Property is encumbered with any other exceptions that would adversely affect the use and insurability of the City Property for the development of the Project, the Developer shall have the option to do one of the following: (1) accept title to the City Property subject to the exceptions, without reduction in the Purchase Price; or (2) terminate this Agreement by delivery of written notice to the City, in which event this Agreement shall be null and void, and except as otherwise specifically provided herein, neither party shall have any further right, duty or obligation hereunder. If the Developer elects not to terminate this Agreement as aforesaid, the Developer agrees to accept title subject to all exceptions.

#### **SECTION 7. BUILDING PERMITS AND OTHER GOVERNMENTAL APPROVALS.**

The Developer shall apply for all necessary building permits and other required permits and approvals for the construction of the Project (collectively, "Governmental Approvals") no later than 60 days after the City Council authorizes the sale of the City Property, unless the Department, in its sole discretion, extends such application date, and shall pursue such permits and approvals in good faith and with all due diligence.

#### **SECTION 8. PROJECT BUDGET AND PROOF OF FINANCING.**

The total budget for the Project is currently estimated to be Nine Hundred Ninety Thousand and 00/100 Dollars (\$990,000) (the "Preliminary Project Budget"). Not less than fourteen (14) days prior to the Closing Date, the Developer shall submit to the Department for approval a final project budget ("Final Project Budget") materially consistent with the Preliminary Project Budget and evidence of (i) commitments from lenders, for which the closing of such financing would occur simultaneously with or in advance of the City's closing on the conveyance of the City Property (i.e., the Property Closing), and (ii) evidence of funds adequate to construct the Project, as shall be acceptable to the Department, in its sole discretion (the "Proof of Project Financing"). The Department agrees that the Proof of Project Financing will be deemed satisfied where evidence exists of available funds, including financing that will close on the Closing and grants that have been received prior to the Closing, in a dollar amount of at least eighty percent (80%) of the Final Project Budget.

#### **SECTION 9. CONDITIONS TO THE CITY'S OBLIGATION TO CLOSE.**

The obligations of the City to close on the conveyance of the City Property to Developer are contingent upon each of the following being satisfied at least fourteen (14) days prior to the Closing Date, or by such other date as may be specified, unless waived or extended in writing by the Department:

9.1 Legal Opinion. The Developer shall have delivered to the City a legal opinion stating, in part, that Developer been duly organized and are duly authorized to enter into this Agreement. Such opinion shall be in a form and substance reasonably acceptable to the City's Corporation Counsel.

9.3 Organization and Authority Documents. The Developer shall have delivered to the City the Developer's articles of incorporation, including all amendments thereto, as furnished and certified by the Office of the Secretary of State of the State of Illinois; Certificates of Good Standing dated no more than thirty (30) days prior to the Closing Date, issued by the Office of the Secretary of State of the State of Illinois, as to the good standing of Developer; and operating agreements, resolutions and such other organizational documents as the City may reasonably request.

9.4 Representations and Warranties. On the Closing Date, the representations and warranties of the Developer in this Agreement shall be true and correct.

9.5 Final Governmental Approvals. Developer shall have delivered to the City evidence of its receipt of all Governmental Approvals necessary to construct the Project.

9.6 Budget and Proof of Financing. The City shall have approved the Developer's Final Project Budget and Proof of Financing.

9.7 Simultaneous Loan Closing. On the Closing Date, the Developer shall simultaneously close all the financing approved by the Department as part of the Developer's Proof of Financing.

9.8 Insurance. The Developer shall provide evidence of insurance reasonably acceptable to the City. The City shall be named as an additional insured on any liability insurance policies (\$1M per occurrence and \$2M aggregate) and as a loss payee (subject to the rights of the holder of any Approved Mortgage) on any property insurance policies from the Closing Date through the date the City issues the Certificate of Completion. With respect to property insurance, the City will accept an ACORD 28 form. With respect to liability insurance, the City will accept an ACORD 25 form, together with a copy of the endorsement that is added to the Developer's policy showing the City as an additional insured.

9.9 Subordination Agreement. On the Closing Date, and prior to recording any mortgage approved pursuant to Section 9.7 (each such mortgage, an "Approved Mortgage"),

the Developer shall, at the City's request, deliver to the City a subordination agreement in a form reasonably acceptable to the City (the "Subordination Agreement"), in which the Lender agrees to subordinate the lien of its mortgage to the covenants running with the land as provided in Section 18.

9.10 MBE/WBE and Local Hiring Compliance Plan. The Developer and the Developer's general contractor and all major subcontractors shall meet with staff from the Department regarding compliance with the 24% MBE, 4% WBE, 50% Local Hiring and other requirements set forth in Section 23, and at least fourteen (14) days prior to the Closing Date, the City shall have approved the Developer's compliance plan in accordance with Section 23.4.

9.11 Phase I Report. The Developer shall have delivered a Phase I Environmental Site Assessment Report ("Phase I Report"), dated within 180 days prior to the Closing Date, to the City.

9.12 Reconveyance Deed. Prior to the conveyance of the City Property to the Developer, Developer shall deliver to the City a special warranty deed for the Property in recordable form naming the City as grantee ("Reconveyance Deed"), for possible recording in accordance with Section 19.6 below, if applicable.

9.13 Proof of Ownership of Developer Parcels. Prior to the conveyance of the City Property to Developer, the Developer shall deliver to the City documentation in a form reasonably acceptable to the City's Corporation Counsel evidencing that Developer is in title to the Developer Parcels.

9.14 Other Obligations. On the Closing Date, the Developer shall have performed all of the other obligations required to be performed by the Developer under this Agreement as of the Closing Date.

9.15 Right to Terminate. If any of the conditions in this Section 9 have not been satisfied to the City's reasonable satisfaction within the time period provided for herein, the City may, at its option, terminate this Agreement after (a) delivery of written notice to the Developer at any time after the expiration of the applicable time period, stating the condition or conditions that have not been fulfilled, and (b) providing the Developer with forty-five (45) days to fulfill those conditions. If, after receiving notice and an opportunity to cure as described in the preceding sentence, the Developer still has not fulfilled the applicable conditions to the City's reasonable satisfaction prior to the expiration of said forty-five (45) day period, this Agreement shall be null and void and, except as otherwise specifically provided, neither party shall have any further right, duty or obligation hereunder. Any forbearance by the City in exercising its right to terminate this Agreement upon a default hereunder shall not be construed as a waiver of such right.

## **SECTION 10. CONSTRUCTION REQUIREMENTS.**

10.1 Drawings. The Developer shall construct the Project on the Property in substantial accordance with the site plan and other drawings attached hereto as Exhibit C, and in accordance

the final plans and specifications prepared by Terra Engineering, dated March 5, 2015, which have been approved by the Department and which are incorporated herein by this reference (collectively, "Drawings"). No material deviation from the Drawings may be made without the prior written approval of the Department. If the Developer submits and the Department approves revised design development drawings and specifications after the date of this Agreement, the term "Drawings" as used herein shall refer to the revised design development drawings and specifications upon the Department's written approval of the same.

10.2 Relocation of Utilities, Curb Cuts and Driveways. The Developer shall be solely responsible for and shall pay all costs associated with: (a) the relocation, installation or construction of public or private utilities, curb cuts and driveways; (b) the repair or reconstruction of any curbs, vaults, sidewalks or parkways required in connection with or damaged as a result of the Developer's construction of the Project; (c) the removal of existing pipes, utility equipment or building foundations; and (d) the termination of existing water or other services. The City shall have the right to approve any streetscaping provided by the Developer as part of the Project, including, without limitation, any paving of sidewalks, landscaping and lighting.

10.3 City's Right to Inspect Property. For the period commencing on the Closing Date and continuing through the date the City issues a Certificate of Completion (as defined in Section 13 below), any duly authorized representative of the City shall have access to the Property, at all reasonable times for the purpose of determining whether the Developer is constructing the Project in accordance with the terms of this Agreement and all applicable federal, state and local statutes, laws, ordinances, codes, rules, regulations, orders and judgments, including, without limitation, Sections 7-28 and 11-4 of the Municipal Code of Chicago relating to waste disposal (collectively, "Laws").

10.4 Barricades and Signs. Upon the City's request, the Developer agrees to erect such signs as the City may reasonably require identifying the Property as a City redevelopment project. The Developer may erect signs of its own incorporating such approved identification information upon the execution of this Agreement. Prior to the commencement of any construction activity requiring barricades, the Developer shall install a construction barricade of a type and appearance satisfactory to the City and constructed in compliance with all applicable Laws. The City shall have the right to approve all barricades, the maintenance, appearance, color scheme, painting, nature, type, content and design of all barricades, and all signage, which approval shall not be unreasonably withheld or delayed.

10.5 Survival. The provisions of this Section 10 shall survive the Closing.

## **SECTION 11. LIMITED APPLICABILITY.**

The approval of any Drawings by the Department's Bureau of Economic Development is for the purpose of this Agreement only and does not constitute the approval required by the City's Department of Buildings, any other Department Bureau (such as, but not limited to, the Department's Bureau of Zoning), or any other City department; nor does the approval by the Department pursuant to this Agreement constitute an approval of the quality, structural soundness

or the safety of any improvements located or to be located on the Property. The approval given by the Department shall be only for the benefit of the Developer and any lienholder authorized by this Agreement.

#### **SECTION 12. COMMENCEMENT AND COMPLETION OF PROJECT.**

The Developer shall commence construction of the Project no later than thirty (30) days following the Closing, and shall complete the Project (as evidenced by the issuance of a Certificate of Completion) no later than February 28 31, 2017; provided, however, the Department, in its sole discretion, may extend the construction commencement and completion dates by no more than six (6) months for good cause shown by issuing a written extension letter. The Developer shall give written notice to the City within five (5) days after it commences construction. The Developer shall construct the Project in accordance with the Drawings, and all Laws and covenants and restrictions of record.

#### **SECTION 13. CERTIFICATE OF COMPLETION.**

Upon completion of the construction of the Project, the Developer shall request that the City inspect the improvements. Within forty-five (45) days after receipt of a request for inspection, the City shall inspect the Project to determine whether it is substantially complete (i.e., complete except for punch list items) and constructed in accordance with this Agreement, and shall thereafter deliver to the Developer either a Certificate of Completion ("Certificate of Completion") or a written statement indicating in adequate detail how the Developer has failed to complete the construction of the Project in compliance with this Agreement or is otherwise in default, and what measures or acts are necessary, in the sole opinion of the City, for the Developer to take or perform in order to obtain the Certificate of Completion. If the City requires additional measures or acts to assure compliance, the Developer shall have thirty (30) days to correct any deficiencies and resubmit a request for inspection.

The Certificate of Completion will not be issued until the Developer has obtained the Final Residential NFR Letter (as defined in Section 22.4 below) for the Project, if required pursuant to Section 22.

The Certificate of Completion shall be in recordable form, and shall, upon recording, constitute a conclusive determination of satisfaction and termination of the covenants in this Agreement and the Deed (but specifically excluding those on-going covenants as referenced in Section 14) with respect to the Developer's obligations to construct the Project. The Certificate of Completion shall not, however, constitute evidence that the Developer has complied with any Laws relating to the construction of the Project, nor shall it serve as any guaranty as to the quality of the construction.

#### **SECTION 14. RESTRICTIONS ON USE.**

The Developer, for itself, its successors and assigns, agrees as follows:

14.1 The Developer shall construct the Project in accordance with the Drawings, this Agreement and all applicable Laws.

14.2 The Developer shall for a period of ten (10) years after the issuance of the Certificate of Completion devote the Property for (i) the operation of a parking lot for employees, physicians and visitors of the Developer (and of the following affiliated institutions: Sinai Health System, Schwab Rehabilitation Hospital and Care Network, The Mount Sinai Community Foundation (d/b/a Sinai Medical Group) Sinai Community Institute, and Holy Cross Hospital) or (ii) health care, health facilities, health education and training, scientific research, community health care and social services uses. Prior to that date that is ten (10) years after the issuance of the Certificate of Completion, should the Developer be unable to devote the Property to the uses stated in the preceding sentence of this Section 14.2 and the Developer is not otherwise in default in the performance of its obligations under this Agreement, the Commissioner of the Department ("Commissioner") may allow, in his sole and absolute discretion, the Developer to devote the Property for a new use; provided, however, that said new use is permitted under the zoning approved for the Property and, prior to the expiration of Section 14.4 below, is consistent with the Plan. The Developer shall comply with all land use restrictions, institutional controls and other terms and conditions contained in the Final Residential NFR Letter (as defined in Section 22.4 below) for the Project, if required pursuant to Section 22.

14.3 The Developer shall not discriminate on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status, or source of income in the sale, lease, rental, use or occupancy of the Property or any part thereof or the Project or any part thereof.

14.4 The Developer shall devote the Property to a use consistent with the Plan.

14.5 Commencing one (1) year after the City's issuance of the Certificate of Completion, and annually thereafter, the Developer shall submit to the Department documentation evidencing the Developer's payment of real estate taxes, if any, owed on the Property, and the Developer's application for an exemption from real property taxes, if applicable (if the Cook County Board of Review has issued an exemption to the Developer, a copy of such exemption shall be substituted for the exemption application). Said documentation must be submitted to the Department within thirty (30) days following the completion of the applicable one (1) year period.

The Developer acknowledges and agrees that the use restrictions set forth in this Section 14 constitute material, bargained-for consideration for the City, and that, but for such use restrictions, the City would not have agreed to convey the City Property to Developer.

## **SECTION 15. PROHIBITION AGAINST SALE OR TRANSFER OF PROPERTY.**

(a) For purposes of this Section 15:

"Affiliate" shall be deemed to be either: (1) Sinai Health System, an Illinois not-for-profit corporation, with principal offices at 1500 California Ave, Chicago, Illinois; or (2) a person or

entity related to the Developer that is qualified to do business with the City and has been approved by the Commissioner and which directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with the Developer. A person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract, membership or otherwise.

“Appraised Fair Market Value of the Property as Improved” means the appraised fair market value of the Property (or portion thereof), as improved, as of a date that is within ninety (90) days of the Developer’s proposed closing date for the Proposed Property Sale (as defined below), and which appraisal has been ordered by the City and paid for by the Developer; provided, however, that the Department may require, pursuant to written notice, that the Developer order and pay for such appraisal.

“Appraised Fair Market Value of the Property as Unimproved” means the appraised fair market value of the Property (or portion thereof), as unimproved, as of a date that is within ninety (90) days of the Developer’s proposed closing date for the Proposed Property Sale (as defined below), and which appraisal has been ordered by the City and paid for by the Developer; provided, however, that the Department may require, pursuant to written notice, that the Developer order and pay for such appraisal.

“Gross Sales Price” means the gross price at which the Developer offers to sell and a purchaser agrees to pay to purchase all or a portion of the Property, without any set-offs or credits.

“Project Cost” means the cost of the Project’s construction (or portion of the Project, as calculated on a pro rata basis) as evidenced by the dollar amount of the general contractor’s sworn statement. At the end of construction, Developer shall submit to the Department the general contractor’s sworn statement.

“Proposed Property Sale” means the Developer’s or an Affiliate’s sale of all or a portion of the Property (i.e., the land, the air rights or both the land and air rights).

(b) Prior to the City’s issuance of the Certificate of Completion the Developer shall not, without the prior written consent of the Department, which consent shall be in the Department’s sole discretion: (1) directly or indirectly sell, transfer or otherwise dispose of the Property or any part thereof or any interest therein, or the Developer’s controlling interests therein (including without limitation, a transfer by assignment of any beneficial interest under a land trust); or (2) directly or indirectly assign this Agreement.

(c) After the City’s issuance of the Certificate of Completion but prior to the date that is ten (10) years following the City’s issuance of the Certificate of Completion:

(1) The Developer shall not, without the prior written consent of the Department, which consent shall be in the Department's sole discretion: (A) directly or indirectly sell, transfer or otherwise dispose of the Property or any part thereof or any interest therein, or the Developer's controlling interests therein (including without limitation, a transfer by assignment of any beneficial interest under a land trust); or (B) directly or indirectly assign this Agreement to any person or entity that is not an Affiliate (as defined in Section 15(a) above). The City shall be provided copies of any and all sales contracts, legal descriptions, descriptions of intended use, certifications from the proposed buyer regarding this Agreement and such other information as the City may reasonably request. The proposed buyer must be qualified to do business with the City (including but not limited to anti-scofflaw requirement).

(2) Developer may, subject to the parties executing an amendment to this Agreement, which terms of the amendment shall be in the Commissioner's sole and absolute discretion: (A) directly or indirectly sell, transfer or otherwise dispose of the Property or any part thereof or any interest therein, or the Developer's controlling interests therein (including without limitation, a transfer by assignment of any beneficial interest under a land trust); or (B) directly or indirectly assign this Agreement to an Affiliate (as defined in Section 15(a) above).

(d) The Department's consent to a Proposed Property Sale of the Property also is subject to the following: If the Proposed Property Sale is scheduled to close prior to the date that is ten (10) years following the City's issuance of the Certificate of Completion: The Developer shall pay (by cashier's check or certified check) to the City concurrent with the Developer's closing on the Proposed Property Sale an amount equal to the Appraised Fair Market Value of the Property as Unimproved plus fifty percent (50%) of the difference between (x) minus (y), where (x) equals the greater of the Gross Sales Price and the Appraised Fair Market Value of the Property as Improved and (y) equals the Project Cost.

(e) Ten (10) years plus one (1) day after the City's issuance of the Certificate of Completion, no City consent shall be required for any transfer of the Property or portion thereof.

#### **SECTION 16. LIMITATION UPON ENCUMBRANCE OF PROPERTY.**

Prior to the issuance of the Certificate of Completion, the Developer shall not, without the Department's prior written consent, which shall be in the Department's sole discretion, engage in any financing or other transaction which would create an encumbrance or lien on the Property, except for the acquisition and construction financing approved pursuant to Section 9.6 hereof.

#### **SECTION 17. MORTGAGEES NOT OBLIGATED TO CONSTRUCT.**

Notwithstanding any other provision of this Agreement or of the Deed, the holder of any mortgage authorized by this Agreement (or any affiliate of such holder) shall not itself be obligated to construct or complete the Project, or to guarantee such construction or completion, but shall be

bound by the other covenants running with the land specified in Section 18 and, at the Property Closing, at the City's request, shall execute a Subordination Agreement (as defined in Section 9.2.F). If any such mortgagee or its affiliate succeeds to the Developer's interest in the Property prior to the issuance of the Certificate of Completion, whether by foreclosure, deed-in-lieu of foreclosure or otherwise, and thereafter transfers its interest in the Property to another party (that is not also a mortgagee), such transferee shall be obligated to complete the Project, and shall also be bound by the other covenants running with the land specified in Section 18.

#### **SECTION 18. COVENANTS RUNNING WITH THE LAND.**

The parties agree, and the Deed shall so expressly provide, that the covenants provided in Section 12 (Commencement and Completion of Project), Section 14 (Restrictions on Use), Section 15 (Prohibition Against Sale or Transfer of Property) Section 16 (Limitation Upon Encumbrance of Property), Section 21 (Indemnification) and Section 22 (Environmental Matters) will be covenants running with the land, binding on the Developer and its successors and assigns (subject to the limitation set forth in Section 17 above and Section 22.7 below as to any permitted mortgagee) to the fullest extent permitted by law and equity for the benefit and in favor of the City, and shall be enforceable by the City. The covenants provided in Sections 12, 14.1, 16, 21 and 22 (except for Section 22.7) shall expire and terminate upon the issuance of the Certificate of Completion without further action by the parties. The covenants contained in Sections 14.2, 14.5 and 15 shall expire and terminate on the date that is ten (10) years following the City's issuance of the Certificate of Completion without further action by the parties. The covenant contained in Section 14.3 shall remain in effect without limitation as to time. The covenant contained in Section 14.4 shall expire and terminate without further action of the parties upon the expiration of the Plan for the Area.

#### **SECTION 19. PERFORMANCE AND BREACH.**

19.1 Time of the Essence. Time is of the essence in the Developer's performance of its obligations under this Agreement.

19.2 Permitted Delays. The Developer shall not be considered in breach of its obligations under this Agreement in the event of a delay due to unforeseeable causes beyond the Developer's control and without the Developer's fault or negligence, including, without limitation, acts of God, acts of the public enemy, acts of the United States government, fires, floods, epidemics, quarantine restrictions, strikes, embargoes and unusually severe weather or delays of subcontractors due to such causes (collectively, "Permitted Delays"). The time for the performance of the obligations shall be extended only for the period of the delay and only if the Developer requests an extension in writing within twenty (20) days after the beginning of any such delay.

19.3 Cure. If the Developer defaults in the performance of its obligations under this Agreement, the Developer shall have sixty (60) days after written notice of default from the City to cure the default, or such longer period as shall be reasonably necessary to cure such default provided the Developer promptly commences such cure and thereafter diligently pursues such cure to completion (so long as continuation of the default does not create material risk to the Project or to persons using the Project).

Whenever the City shall deliver a notice or demand pursuant to this Section 19.3, the City shall at the same time forward a copy of such notice or demand to any lender previously approved by the City in writing. After the expiration of any applicable cure period, each such lender shall have the right, at its option, to remedy such default within an additional thirty (30) day cure period. In no event shall the cure period applicable to any lender extend beyond ninety (90) days from the date of the City's default notice to the Developer.

Notwithstanding the foregoing, no notice or cure period shall apply to defaults under Sections 19.4(c), (e), (g) and (j).

19.4 Event of Default. The occurrence of any one or more of the following shall constitute an "Event of Default" under this Agreement:

(a) The Developer makes or furnishes a warranty, representation, statement or certification to the City (whether in this Agreement, an Economic Disclosure Statement, or another document) that is not true and correct.

(b) A petition is filed by or against the Developer under the Federal Bankruptcy Code or any similar state or federal law, whether now or hereafter existing, which is not vacated, stayed or set aside within thirty (30) days after filing.

(c) The Developer fails to commence or complete the Project in accordance with the time line outlined in Section 12 above, or the Developer abandons or substantially suspends construction of the Project (no notice or cure period shall apply).

(d) The Developer fails to pay real estate taxes or assessments affecting the Property or any part thereof when due, or places thereon any encumbrance or lien unauthorized by this Agreement, or suffers or permits any levy or attachment, mechanic's, laborer's, material supplier's, or any other lien or encumbrance unauthorized by this Agreement to attach to the Property.

(e) The Developer makes an assignment, pledge, unpermitted financing, encumbrance, transfer or other disposition in violation of this Agreement (no notice or cure period shall apply).

(f) There is a material and adverse change in the Developer's financial condition or operations that materially and adversely affects the ability of the Developer to perform its obligations under this Agreement.

(g) The Developer fails to close by the Closing Date, as such date may be amended by the Department, in its sole discretion (no notice or cure period shall apply, except as set forth in Section 9.15).

(h) The Developer materially fails to perform, keep or observe any of the other covenants, conditions, promises, agreements or obligations under this Agreement or any other written agreement entered into with the City with respect to the Project.

(i) The Developer fails to comply with the restrictions on use set forth in Sections 14.1, 14.3, 14.4 and 14.5.

(j) Following the City's issuance of the Certificate of Completion, the Developer fails to use the Property in accordance with Section 14.2 (no notice or cure period shall apply).

19.5 Prior to Closing. If an Event of Default occurs prior to the Closing, and the default is not cured in the time period provided for in Section 19.3 above, the City may terminate this Agreement, institute any action or proceeding at law or in equity against the Developer.

19.6 After Closing. If an Event of Default occurs after the Closing but prior to the issuance of the Certificate of Completion, and the default is not cured in the time period provided for in Section 19.3 above, the City may terminate this Agreement and exercise any and all remedies available to it at law or in equity, including, without limitation, the right to re-enter and take possession of the Property, terminate the estate conveyed to the Developer, revert title to the Property in the City and record the Reconveyance Deed (the "Right of Reverter"); provided, however, the City's Right of Reverter shall be limited by, and shall not defeat, render invalid, or limit in any way, the lien of any mortgage authorized by this Agreement. The Developer will cooperate with the City to ensure that if the City records the Reconveyance Deed, such recording is effective for purposes of transferring title to the Property to the City, subject only to: (a) those title exceptions that were on title as of the date and time that the City conveyed the City Property to the Developer; and (b) utility easements. The City's Right of Reverter shall terminate upon the issuance of the Certificate of Completion.

Notwithstanding any other provision of this Agreement or of the Deed, should the Developer fail to comply with the use restriction set forth in Section 14.2 during the period commencing on the City's issuance of the Certificate of Completion and expiring ten (10) years thereafter, the City may elect, in its sole and absolute discretion, to have Developer pay the City an amount equal to the fair market value of the Property at the time of the default, provided that the determination of such fair market value shall exclude the value of all improvements made to the Property after the Closing. Upon such payment from the Developer to the City, the City shall issue a release of the use restrictions set forth in Section 14.2.

## **SECTION 20. CONFLICT OF INTEREST; CITY'S REPRESENTATIVES NOT INDIVIDUALLY LIABLE.**

The Developer represents and warrants that no agent, official or employee of the City shall have any personal interest, direct or indirect, in the Developer, this Agreement, the Property or the Project, nor shall any such agent, official or employee participate in any decision relating to this Agreement which affects his or her personal interests or the interests of any corporation,

partnership, association or other entity in which he or she is directly or indirectly interested. No agent, official or employee of the City shall be personally liable to the Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to the Developer or successor or with respect to any commitment or obligation of the City under the terms of this Agreement.

## **SECTION 21. INDEMNIFICATION.**

The Developer agrees to indemnify, defend and hold the City harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, reasonable attorneys' fees and court costs) suffered or incurred by the City arising from or in connection with: (a) the failure of the Developer to perform its obligations under this Agreement; (b) the failure of the Developer or any contractor or other agent, entity or individual acting under the control or at the request of the Developer ("Agent") to pay contractors, subcontractors or material suppliers in connection with the construction and management of the Project; (c) any misrepresentation or omission made by the Developer or any Agent; (d) the failure of the Developer to redress any misrepresentations or omissions in this Agreement or any other agreement relating hereto; and (e) any activity undertaken by the Developer or any Agent on the Property prior to or after the Closing. This indemnification shall survive the Closing or any termination of this Agreement (regardless of the reason for such termination).

## **SECTION 22. ENVIRONMENTAL MATTERS.**

22.1 The Developer hereby represents and warrants to the City that, as of the Closing Date, the Developer shall conduct environmental studies sufficient to conclude that the Project may be constructed, completed and operated in accordance with all Environmental Laws and this Agreement and all Exhibits attached hereto, the Working Drawings and Specifications and all amendments thereto, and the Plan. The Developer represents and warrants that, as of the Closing Date, it shall deliver true and complete copies of all final environmental studies, reports, field data, correspondence with any environmental agency and similar documents prepared by or for the Developer (or otherwise obtained by the Developer) regarding the environmental condition of the Property (collectively, "Environmental Documents") as of the date hereof to the City.

22.2 The Developer acknowledges that the Property has not been fully characterized for all contaminants of concern, and agrees: (a) to conduct a phase II investigation, including sampling sufficient to determine whether the Property needs to be included in the Site Remediation Program ("SRP") administered by the Illinois Environmental Protection Agency ("IEPA") based on paragraph 22.3 below. The City's Department of Fleet and Facilities Management ("2FM") shall have the right to review and approve to the sampling plan and results, and any site investigation reports prepared in connection therewith. Upon 2FM's request, the Developer shall perform additional tests for the purpose of determining whether the Property satisfies IEPA's Tiered Approach to Corrective Action Objectives ("TACO") Tier 1 residential criteria; except that Developer is not required to perform such additional tests if IEPA has provided Developer with a written determination that the Property satisfies IEPA's TACO Tier 1 residential criteria based on existing tests.

22.3 If the site characterization activities disclose the presence of contaminants exceeding residential criteria, the Developer shall enroll the Property in the SRP and take all necessary and proper steps to obtain a draft comprehensive No Further Remediation Letter based on IEPA's Tiered Approach to Corrective Action Objectives ("TACO") Tier 1 residential remediation objectives ("Draft Residential NFR Letter"). If the site characterization activities do not disclose the presence of contaminants exceeding residential criteria, the Developer shall not be required to enroll in the SRP or seek an NFR letter. 2FM shall have the right to review and approve the Draft Residential NFR Letter.

22.4 After 2FM approves the Draft Residential NFR Letter, the Developer covenants and agrees to complete all investigation, removal, response, disposal, remediation and other activities ("Remediation Work") necessary to obtain (as applicable) a final comprehensive No Further Remediation Letter from the IEPA approving the proposed uses of the Property listed in Section 14.2(ii) above (health care, health facilities, health education and training, scientific research, community health care and social services uses), based on the Draft Residential NFR Letter ("Final Residential NFR Letter"). The Final Residential NFR Letter may be reasonably conditioned upon use and maintenance of engineered barriers and other institutional or engineering controls acceptable to the IEPA. The City shall have the right to review in advance and approve all documents submitted to the IEPA under the SRP Program, as amended or supplemented from time to time, including, without limitation, the Comprehensive Site Investigation and Remediation Objectives Report, the Remedial Action Plan, and the Remedial Action Completion Report (collectively, the "SRP Documents") and any changes thereto, and the Developer's estimate of the cost to perform the Remediation Work. The Developer shall cooperate and consult with the City at all relevant times (and in all cases upon the City's request) with respect to environmental matters. The Developer shall bear sole responsibility for all aspects of the Remediation Work and any other investigative and cleanup costs associated with the Property. The Developer shall promptly transmit to the City copies of all Environmental Documents prepared or received after the date hereof, including, without limitation, any written communications delivered to or received from the IEPA or other regulatory agencies with respect to the Remediation Work. The Developer acknowledges and agrees that the City will not issue a Certificate of Completion until the IEPA has issued, and the City has approved, a Final Residential NFR Letter, which approval shall not be unreasonably withheld. The Developer must abide by the terms and conditions of the Final Residential NFR letter. If, in the future, the Developer will disrupt engineered barriers, change the property use, or complete an action which would affect the conditions of the Final Residential NFR Letter, then the Developer must notify and work with IEPA and obtain a revised Final Residential NFR Letter.

22.5 Without limiting any other provisions hereof, the Developer agrees to indemnify, defend and hold the City harmless from and against any and all losses, liabilities, damages, injuries, costs, expenses or claims of any kind asserted or arising under any Environmental Laws incurred, suffered by or asserted against the City as a direct or indirect result of any of the following, regardless of whether or not caused by, or within the control of the Developer: (i) the presence of any Hazardous Material on or under, or the escape, seepage, leakage, spillage, emission, discharge or release of any Hazardous Material from (A) all or any portion of the

Property or (B) any other real property in which the Developer, or any person directly or indirectly controlling, controlled by or under common control with the Developer, holds any estate or interest whatsoever (including, without limitation, any property owned by a land trust in which the beneficial interest is owned, in whole or in part, by the Developer) which in any way impacts the Property, or (ii) any liens against the Property permitted or imposed by any Environmental Laws, or any actual or asserted liability or obligation of the City or the Developer or any of its Affiliates under any Environmental Laws relating to the Property.

For the purposes of this Section 22:

“Affiliate” means a person or entity that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with the Developer, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through shared ownership, a trust, a contract or otherwise.

“Environmental Laws” shall mean all federal, state, local or other governmental laws (including common law), statutes, ordinances, codes, rules, regulations or other requirements, now or hereafter in effect, as amended or supplemented from time to time, and any applicable judicial or administrative interpretation thereof, including any applicable judicial or administrative order, consent decree or judgments, relating to the regulation and protection of human health, safety, the environment and natural resources in the jurisdiction in which the Property is located, including, without limitation, the Comprehensive Environmental Response, Compensation and Liability Act of 1980 (42 U.S.C. §§ 9601 et seq.) (“CERCLA”), the Hazardous Materials Transportation Act (49 U.S.C. §§ 1801 et seq.), the Federal Water Pollution Control Act (33 U.S.C. § 1251 et seq.), the Clean Air Act (42 U.S.C. § 7401 et seq.), the Resource Conservation and Recovery Act (42 U.S.C. §§ 6901 et seq.) (“RCRA”), the Toxic Substances and Control Act of 1976 (15 U.S.C. §§ 2601 et seq.) (“TSCA”), the Federal Insecticide, Fungicide and Rodenticide Act (7 U.S.C. § 136 et seq.), and all analogous state and local counterparts or equivalents, including, without limitation, the Illinois Environmental Protection Act (415 ILCS 5/1 et seq.).

“Hazardous Material” or “Hazardous Substance” shall mean any toxic substance, hazardous substance, hazardous material, hazardous chemical or hazardous, toxic or dangerous waste defined or qualifying as such in (or for the purposes of) any Environmental Laws, or any pollutant or contaminant, and shall include, but not be limited to, volatile organic compounds (“VOCs”), polynuclear aromatic hydrocarbons (“PNAs”), petroleum (including crude oil), any radioactive material or by-product material, polychlorinated biphenyls (“PCBs”), and asbestos in any form or condition.

#### 22.6 Right of Entry.

(a) The Developer’s obligations hereunder are conditioned upon the Developer being satisfied with the condition of the City Property for the construction, development and operation of

the Project. Upon the Developer's request, the City shall grant the Developer the right, at its sole cost and expense, to enter the City Property for a period of ninety (90) days (the "Inspection Period") pursuant to a Right of Entry Agreement in form and substance reasonably acceptable to the City to inspect the same, perform surveys, environmental assessments, soil and any other due diligence it deems necessary or desirable to satisfy itself as to the condition of the City Property.

(b) If the Developer determines that it is not satisfied, in its sole discretion, with the condition of the City Property, the Developer may terminate this Agreement by written notice to the City within thirty (30) days after the expiration of the Inspection Period, whereupon this Agreement shall be null and void and, except as otherwise specifically provided, neither party shall have any further right, duty or obligation hereunder. If the Developer elects not to terminate this Agreement pursuant to this Section 22.5, the Developer shall be deemed satisfied with the condition of the City Property.

22.7 Indemnity. For purposes of this Section 22.7:

"Indemnitees" shall mean the City, and its elected and appointed officials, employees, agents and affiliates.

"Losses" means any and all claims, demands, actions, suits, causes of action, legal or administrative proceedings, losses, damages, obligations, liabilities, executions, judgments, fines, penalties, assessments, liens, debts, costs, expenses and disbursements of any kind or nature whatsoever (including, without limitation, investigation, cleanup, monitoring, remedial, removal and restoration costs, natural resource damages, property damages, and the reasonable fees and disbursements of counsel for Indemnitees in connection with any investigative, administrative or judicial proceeding commenced or threatened, whether or not such Indemnities shall be designated a party thereto).

The Developer, for itself and its successors and assigns (other than the holder of any Approved Mortgage authorized by this Agreement (or any affiliate of such holder)), hereby completely and forever waives, releases and discharges the Indemnitees, and indemnifies, defends and holds harmless the Indemnitees from and against any and all Losses, whether direct or indirect, known or unknown, foreseen or unforeseen, now existing or occurring after the Closing Date, based upon, arising out of, or related to (a) Developer's failure to complete the environmental Remediation Work; (b) any environmental contamination, pollution or hazards associated with the Property or any improvements, facilities or operations located or formerly located thereon, including, without limitation, any release, emission, discharge, generation, transportation, treatment, storage or disposal of Hazardous Substances, or threatened release, emission or discharge of Hazardous Substances; (c) the structural, physical or environmental condition of the Property, including, without limitation, the presence or suspected presence of Hazardous Substances in, on, under or about the Property or the migration of Hazardous Substances from or to other property; and (d) any violation of, compliance with, enforcement of or liability under any Environmental Laws, including, without limitation, any Losses the City may suffer or incur as a potentially responsible party under CERCLA. The foregoing covenant of release and

indemnification shall run with the land, and shall be binding upon all successors and assigns of the Developer with respect to the Property, including, without limitation, each and every person, firm, corporation, limited liability company, trust or other entity owning, leasing, occupying, using or possessing any portion of the Property under or through the Developer following the date of the Deed (excluding, however, the holder of any Approved Mortgage authorized by this Agreement (or any affiliate of such holder); provided however, that if the holder of any Approved Mortgage (or any affiliate of such holder) succeeds to the Developer's interest in the Property, whether by foreclosure, deed-in-lieu of foreclosure or otherwise, and thereafter transfers its interest in the Property to another party, such transferee will be bound by this Section 22.7).

This Section 22.7 shall survive the Closing or any termination of this Agreement (regardless of the reason for such termination).

### **SECTION 23. DEVELOPER'S EMPLOYMENT OBLIGATIONS.**

23.1 Employment Opportunity. The Developer agrees, and shall contractually obligate its various contractors, subcontractors and any affiliate of the Developer operating on the Property (collectively, the "Employers" and individually, an "Employer") to agree, that with respect to the provision of services in connection with the construction of the Project or occupation of the Property:

(a) Neither the Developer nor any Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Section 2-160-010 et seq. of the Municipal Code of Chicago, as amended from time to time (the "Human Rights Ordinance"). The Developer and each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon the foregoing grounds, and are treated in a non-discriminatory manner with regard to all job-related matters, including, without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Developer and each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Developer and each Employer, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon the foregoing grounds.

(b) To the greatest extent feasible, the Developer and each Employer shall present opportunities for training and employment of low and moderate income residents of the City, and provide that contracts for work in connection with the construction of the Project be awarded to business concerns which are located in or owned in substantial part by persons residing in, the City.

(c) The Developer and each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including, without limitation, the Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), both as amended from time to time, and any regulations promulgated thereunder.

(d) The Developer, in order to demonstrate compliance with the terms of this Section 23.1, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) The Developer and each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the construction of the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 23.1 shall be a basis for the City to pursue remedies under the provisions of Section 19.

### 23.2 City Resident Employment Requirement.

(a) The Developer agrees, and shall contractually obligate each Employer to agree, that during the construction of the Project, the Developer and each Employer shall comply with the minimum percentage of total worker hours performed by actual residents of the City of Chicago as specified in Section 2-92-330 of the Municipal Code of Chicago (at least fifty percent); provided, however, that in addition to complying with this percentage, the Developer and each Employer shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

(b) The Developer and the Employers may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the chief procurement officer of the City of Chicago.

(c) "Actual residents of the City of Chicago" shall mean persons domiciled within the City of Chicago. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

(d) The Developer and the Employers shall provide for the maintenance of adequate employee residency records to ensure that actual Chicago residents are employed on the construction of the Project. The Developer and the Employers shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

(e) The Developer and the Employers shall submit weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) to the Department in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Developer or Employer hired the employee should be written in after the employee's name.

(f) The Developer and the Employers shall provide full access to their employment records to the chief procurement officer, the Department, the Superintendent of the Chicago Police Department, the inspector general, or any duly authorized representative thereof. The Developer and the Employers shall maintain all relevant personnel data and records for a period of at least three (3) years after the issuance of the Certificate of Completion.

(g) At the direction of the Department, the Developer and the Employers shall provide affidavits and other supporting documentation to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

(h) Good faith efforts on the part of the Developer and the Employers to provide work for actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the chief procurement officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section 23.2 concerning the worker hours performed by actual Chicago residents.

(i) If the City determines that the Developer or an Employer failed to ensure the fulfillment of the requirements of this Section 23.2 concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section 23.2. If such non-compliance is not remedied in accordance with the breach and cure provisions of Section 19.3, the parties agree that 1/20 of 1 percent (.05%) of the aggregate hard construction costs set forth in the Final Project Budget shall be surrendered by the Developer and for the Employers to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer and/or the other Employers or employees to prosecution.

(j) Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement.

(k) The Developer shall cause or require the provisions of this Section 23.2 to be included in all construction contracts and subcontracts related to the construction of the Project.

23.3 Developer's MBE/WBE Commitment. The Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the general contractor to agree, that during the construction of the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code of Chicago (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code of Chicago (the "Construction Program," and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 23.3, during the course of construction of the Project, at least 24% of the aggregate hard construction costs, as set forth in Exhibit F hereto (the "MBE/WBE Budget") shall be expended for contract participation by minority-owned businesses and at least 4% of the MBE/WBE Budget shall be expended for contract participation by women-owned businesses.

(b) For purposes of this Section 23.3 only:

(i) The Developer (and any party to whom a contract is let by the Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by the Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code of Chicago, as applicable.

(ii) The term "minority-owned business" or "MBE" shall mean a business identified in the Directory of Certified Minority Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a minority-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(iii) The term "women-owned business" or "WBE" shall mean a business identified in the Directory of Certified Women Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a women-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code of Chicago, the Developer's MBE/WBE commitment may be achieved in part by the Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by

the Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture, or (ii) the amount of any actual work performed on the Project by the MBE or WBE); by the Developer utilizing a MBE or a WBE as the general contractor (but only to the extent of any actual work performed on the Project by the general contractor); by subcontracting or causing the general contractor to subcontract a portion of the construction of the Project to one or more MBEs or WBEs; by the purchase of materials or services used in the construction of the Project from one or more MBEs or WBEs; or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer's MBE/WBE commitment as described in this Section 23.3. In accordance with Section 2-92-730, Municipal Code of Chicago, the Developer shall not substitute any MBE or WBE general contractor or subcontractor without the prior written approval of the Department.

(d) The Developer shall deliver quarterly reports to the City's monitoring staff during the construction of the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, *inter alia*, the name and business address of each MBE and WBE solicited by the Developer or the general contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the construction of the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining the Developer's compliance with this MBE/WBE commitment. The Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the construction of the Project for at least five (5) years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by the Developer, on prior notice of at least five (5) business days, to allow the City to review the Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the construction of the Project.

(e) Upon the disqualification of any MBE or WBE general contractor or subcontractor, if the disqualified party misrepresented such status, the Developer shall be obligated to discharge or cause to be discharged the disqualified general contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code of Chicago, as applicable.

(f) Any reduction or waiver of the Developer's MBE/WBE commitment as described in this Section 23.3 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code of Chicago, as applicable.

23.4 Pre-Construction Conference and Post-Closing Compliance Requirements. Not less than fourteen (14) days prior to the Closing Date, the Developer and the Developer's general

contractor and all major subcontractors shall meet with the City's monitoring staff regarding compliance with all Section 23 requirements. During this pre-construction meeting, the Developer shall present its plan to achieve its obligations under this Section 23, the sufficiency of which the City's monitoring staff shall approve as a precondition to the Property Closing. During the construction of the Project, the Developer shall submit all documentation required by this Section 23 to the City's monitoring staff, including, without limitation, the following: (a) subcontractor's activity report; (b) contractor's certification concerning labor standards and prevailing wage requirements; (c) contractor letter of understanding; (d) monthly utilization report; (e) authorization for payroll agent; (f) certified payroll; (g) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (h) evidence of compliance with job creation/job retention requirements, if any. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that the Developer is not complying with its obligations under this Section 23, shall, upon the delivery of written notice to the Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (x) issue a written demand to the Developer to halt construction of the Project, (y) withhold any further payment of any City funds to the Developer or the general contractor, or (z) seek any other remedies against the Developer available at law or in equity.

#### **SECTION 24. REPRESENTATIONS AND WARRANTIES.**

24.1 Representations and Warranties of the Developer. To induce the City to execute this Agreement and perform its obligations hereunder, the Developer hereby represents and warrants to the City that as of the date of this Agreement, the Closing Date and the Closing Date the following shall be true and correct in all respects:

(a) Developer is an Illinois not-for-profit corporation and has the authority to acquire, own and redevelop the Property.

(b) All certifications and statements contained in the Economic Disclosure Statement last submitted to the City by the Developer (and any legal entity holding an interest in the Developer) are true, accurate and complete.

(c) The Developer's execution, delivery and performance of this Agreement and all instruments and agreements contemplated hereby will not, upon the giving of notice or lapse of time, or both, result in a breach or violation of, or constitute a default under, any other agreement to which the Developer, or any party affiliated with the Developer, is a party or by which the Developer or the Property is bound.

(d) To the best of the Developer's knowledge, no action, litigation, investigation or proceeding of any kind is pending or threatened against the Developer, or any party affiliated with the Developer, and the Developer knows of no facts which could give rise to any such action, litigation, investigation or proceeding, which could: (i) affect the ability of the Developer to perform its obligations hereunder; or (ii) materially affect the operation or financial condition of the Developer.

(e) To the best of the Developer's knowledge, the Project will not violate: (i) any Laws, including, without limitation, any zoning and building codes and, subject to the completion of any environmental Remediation Work, Environmental Laws; or (ii) any building permit, restriction of record or other agreement affecting the Property.

24.2 Representations and Warranties of the City. To induce the Developer to execute this Agreement and perform its obligations hereunder, the City hereby represents and warrants to the Developer that the City has authority under its home rule powers to execute and deliver this Agreement and perform the terms and obligations contained herein.

24.3 Survival of Representations and Warranties. Each of the parties agrees that all of its representations and warranties set forth in this Section 24 or elsewhere in this Agreement are true as of the date of this Agreement and will be true in all material respects at all times thereafter, except with respect to matters which have been disclosed in writing and approved by the other party.

#### **SECTION 26. BUSINESS RELATIONSHIPS.**

The Developer acknowledges (a) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (b) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (c) notwithstanding anything to the contrary contained in this Agreement, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. The Developer hereby represents and warrants that no violation of Section 2-145-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

**SECTION 27. PATRIOT ACT CERTIFICATION.**

The Developer represents and warrants that neither the Developer nor any Affiliate (as hereafter defined) thereof is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable Laws: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. As used in this Section 27, an "Affiliate" shall be deemed to be a person or entity related to the Developer that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with the Developer, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

**SECTION 28. PROHIBITION ON CERTAIN CONTRIBUTIONS - MAYORAL EXECUTIVE ORDER NO. 2011-4.**

Developer agrees that Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in Developer of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Developer's contractors (i.e., any person or entity in direct contractual privity with Developer regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Developer and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (1) after execution of this Agreement by Developer, (2) while this Agreement or any Other Contract is executory, (3) during the term of this Agreement or any Other Contract between Developer and the City, or (4) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

Developer represents and warrants that from the later to occur of (1) May 16, 2011, and (2) the date the City approached the Developer or the date the Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Developer agrees that it shall not: (1) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (2) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (3) Bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Developer agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to

entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Developer agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Developer intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the closing of this Agreement, the City may elect to decline to close the transaction contemplated by this Agreement.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source, which is then delivered by one person to the Mayor or to his political fundraising committee.

"Other Contract" means any other agreement with the City of Chicago to which Developer is a party that is (1) formed under the authority of chapter 2-92 of the Municipal Code of Chicago; (2) entered into for the purchase or lease of real or personal property; or (3) for materials, supplies, equipment or services which are approved or authorized by the City Council of the City of Chicago.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

1. they are each other's sole domestic partner, responsible for each other's common welfare; and
2. neither party is married; and
3. the partners are not related by blood closer than would bar marriage in the State of Illinois; and
4. each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
5. two of the following four conditions exist for the partners:
  - a. The partners have been residing together for at least 12 months.
  - b. The partners have common or joint ownership of a residence.
  - c. The partners have at least two of the following arrangements:
    - i. joint ownership of a motor vehicle;
    - ii. a joint credit account;
    - iii. a joint checking account;

- iv. a lease for a residence identifying both domestic partners as tenants.
- d. Each partner identifies the other partner as a primary beneficiary in a will.

"Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

## **SECTION 29. MISCELLANEOUS.**

29.2 Cumulative Remedies. The remedies of any party hereunder are cumulative and the exercise of any one or more of such remedies shall not be construed as a waiver of any other remedy herein conferred upon such party or hereafter existing at law or in equity, unless specifically so provided herein.

29.3 Date for Performance. If the final date of any time period set forth herein falls on a Saturday, Sunday or legal holiday under the laws of Illinois or the United States of America, then such time period shall be automatically extended to the next business day.

29.4 Entire Agreement; Modification. This Agreement constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes any prior agreements, negotiations and discussions. This Agreement may not be modified or amended in any manner without the prior written consent of the parties hereto. No term of this Agreement may be waived or discharged orally or by any course of dealing, but only by an instrument in writing signed by the party benefited by such term.

29.8 No Merger. The terms of this Agreement shall not be merged with the Deed, and the delivery of the Deed shall not be deemed to affect or impair the terms of this Agreement.

29.9 No Waiver. No waiver by the City with respect to any specific default by the Developer shall be deemed to be a waiver of the rights of the City with respect to any other defaults of the Developer, nor shall any forbearance by the City to seek a remedy for any breach or default be deemed a waiver of its rights and remedies with respect to such breach or default, nor shall the City be deemed to have waived any of its rights and remedies unless such waiver is in writing.

29.10 Severability. If any term of this Agreement or any application thereof is held invalid or unenforceable, the remainder of this Agreement shall be construed as if such invalid part were never included herein and this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

29.11 Successors and Assigns. Except as otherwise provided in this Agreement, the terms and conditions of this Agreement shall apply to and bind the successors and assigns of the parties.

### **SECTION 30. FAILURE TO MAINTAIN ELIGIBILITY TO DO BUSINESS WITH THE**

Failure by Developer or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of the Agreement and the transactions contemplated thereby. Developer shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

### **SECTION 31. INSPECTOR GENERAL AND LEGISLATIVE INSPECTOR GENERAL.**

It is the duty of every officer, employee, department, agency, contractor, subcontractor, developer and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Legislative Inspector General and with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapters 2-55 and 2-56, respectively, of the Municipal Code of Chicago. The Developer understands and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code of Chicago.

### **SECTION 32. 2014 HIRING PLAN PROHIBITIONS.**

(a) The City is subject to the June 16, 2014 "City of Chicago Hiring Plan", as amended (the "2014 City Hiring Plan") entered in *Shakman v. Democratic Organization of Cook County*, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the 2014 City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(b) Developer is aware that City policy prohibits City employees from directing any individual to apply for a position with Developer, either as an employee or as a subcontractor, and from directing Developer to hire an individual as an employee or as a subcontractor. Accordingly, Developer must follow its own hiring and contracting procedures, without being influenced by

City employees. Any and all personnel provided by Developer under this Agreement are employees or subcontractors of Developer, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Developer.

(c) Developer will not condition, base, or knowingly prejudice or affect any term or aspect of the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(d) In the event of any communication to Developer by a City employee or City official in violation of paragraph (b) above, or advocating a violation of paragraph (c) above, Developer will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("OIG Hiring Oversight"), and also to the head of the relevant City department utilizing services provided under this Agreement. Developer will also cooperate with any inquiries by OIG Hiring Oversight.

**IN WITNESS WHEREOF**, the parties have caused this Agreement to be executed on or as of the date first above written.

WHEREAS, The City and LISC desire to amend the LISC Agreement (i) to increase the annual maximum subsidy to be paid to LISC by Forty-five Thousand Dollars (\$45,000) (for a total of \$66,000 per year, commencing January 1, 2016) in consideration of LISC's providing additional maintenances services relating to the Large Lot Website and additional community outreach services relating to the Large Lot Program, and (ii) to provide a one-time subsidy in the amount of One Hundred Fifty-five Thousand Dollars (\$155,000) to LISC in consideration of LISC's making certain technical updates to the Large Lot Website, including data verification, and providing additional outreach services; now, therefore,

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. The above recitals are expressly adopted herein as the legislative findings of the City Council and incorporated herein and made a part of this ordinance.

SECTION 2. The Mayor or his proxy is authorized to execute, and the City Clerk or Deputy City Clerk is authorized to attest, quitclaim deeds, each such deed conveying a City Parcel to the respective Qualifying Property Owner (as that term is defined in the Large Lot Program Ordinance) selected by the Department, or to a land trust of which the

Qualified Property Owner is the sole beneficiary, or to an entity of which the Qualified Property Owner is the sole owner and the controlling party, for the purchase price of One and no/100 Dollars (\$1.00) per City Parcel.

SECTION 3. The Committee on Housing and Real Estate submitted the following report:

CHICAGO, May 18, 2016.

*To the President and Members of the City Council:*

  - c. "Partial Certificate of Completion" or "last Partial Certificate of Completion" shall be replaced by "Certificate of Completion"
  - d. "Department" or "DPD" shall refer to the City's Department of Planning and Development.
  - e. Recitals.
    - i. The term "Project" shall mean "One (1) condominium building consisting of a total of eight (8) units with eight (8) off-street parking spaces and either: (a) four (4) single-family homes (each containing approximately 3,500 to 4,500 square feet of gross area on three (3) to four (4) floors, including a fully finished basement; each home will contain three (3) to four (4) bedrooms, and three-and-a-half (3.5) baths; all homes will have masonry and limestone exterior walls; and each home will include a two (2) car garage); or (b) two (2) eight (8) unit condominium buildings."

As a result of this amendment to the term 'Project,' Exhibit B is hereby deleted.

- f. Section 3.1. (Earnest Money). The Earnest Money previously was credited to the Purchase Price at the Closing, and neither the Original Developer nor the New Developer shall have any right to the Earnest Money.
- g. Section 8 (Project Budget and Proof of Financing) is amended and restated to read as follows: "The total Project budget is currently estimated to be Two Million Five Hundred Thousand Dollars (\$2,500,000) (the 'Preliminary Project Budget'). Not less than fourteen (14) days prior to the "closing" of this AA&A Agreement, the Developer shall submit to the Department for approval: (1) a final budget which is materially consistent with the Preliminary Project Budget (the 'Final Budget'); and (2) evidence

of funds adequate to construct the Project, as shall be acceptable to the Department, in its sole discretion (the 'Proof of Financing')."

- h. Section 11 (Limited Applicability) is amended and restated to read as follows: "The approval of any Working Drawings and Specifications by the Department's Bureau of Housing is for the purpose of this Agreement, as amended, only and does not constitute the approval required by the City's Department of Buildings, any other Department Bureau (such as, but not limited to, the Department's Bureau of Zoning), or any other City department; nor does the approval by the Department pursuant to this Agreement, as amended, constitute an approval of the quality, structural soundness or the safety of any improvements located or to be located on the Project Land. The approval given by the Department shall be only for the benefit of the Developer."
- i. Section 12 (Commencement and Completion of the Project) is amended and restated to read as follows: "The Developer shall commence construction of the Project no later than July 1, 2007 and shall complete the Project (as evidenced by the issuance of the last Partial Certificate of Completion) no later than June 30, 2021; provided, however, DPD in its sole discretion may extend the construction commencement date. The Developer shall give written notice to the City within five (5) days after it commences construction. The Developer shall construct the Project in accordance with the Plans and all Laws and covenants and restrictions of record."
- j. Section 13 is now titled "Certificate of Completion" and is amended and restated to read as follows:

"Upon completion of the construction of the Project, the Developer shall submit the Project's certificates of occupancy to the Department and request that the City inspect the improvements. Within forty-five (45) days after receipt of the Project's certificate of occupancy and a request for inspection, the City shall inspect the Project to determine whether it is substantially complete (i.e., complete except for punch list items) and constructed in accordance with this Agreement, and shall thereafter deliver to the Developer either a Certificate of Completion ("Certificate of Completion") or a written statement indicating in adequate detail how the Developer has failed to complete the construction of the Project in compliance with this Agreement or is otherwise in default, and what measures or acts are necessary, in the sole opinion of the City, for the Developer to take or perform in order to obtain the Certificate of Completion. If the City requires additional measures or acts to assure compliance, the Developer shall have thirty (30) days to correct any deficiencies and resubmit a request for inspection. The Certificate of Completion shall be in recordable form, and shall, upon recording,

constitute a conclusive determination of satisfaction and termination of the covenants in this Agreement with respect to the Developer's obligations to construct the Project. The Certificate of Completion shall not, however, constitute evidence that the Developer has complied with any Laws relating to the construction of the Project, nor shall it serve as any guaranty as to the quality of the construction. Upon (a) recordation of the Certificate of Completion, and (b) the sale of the Affordable Units in accordance with Section 14.3 hereof, the City shall return the Performance Deposit to the Developer."

As a result of this amendment to Section 13, Exhibits F and G are hereby deleted.

- k. Section 14.3 (Development and Sale of Affordable Units) is amended and restated to read as follows:

"Shall develop and sell the Affordable Units in accordance with the following provisions:

- (a) The Affordable Units shall each have 2 bedrooms and 2 bathrooms and shall be similar in construction, design and appearance to the 2 bedroom and 2 bathroom market rate units in the Project.
- (b) The Developer shall sell each Affordable Unit for \$173,000, excluding any upgrades selected by the unit purchaser.
- (c) The Developer shall sell each Affordable Unit a Qualified Household (i.e., 100% of the Chicago PMSA), as determined by the Developer.
- (d) The Developer shall require the buyer of each Affordable Unit to execute and record a residency, transfer financing and affordability covenant ("Affordability Covenant") in a form acceptable to the City.

The parties agree that the Developer complied with Section 14.3, as amended. As a result, the In Lieu Fee Lien is hereby released.

As a result of this amendment to Section 14.3, Exhibit H and I are hereby deleted.

- l. Section 16 (Limitation Upon Encumbrance of City Land) is amended and restated to read as follows: Prior to the issuance of the Certificate of Completion, the Developer shall not, without DPD's written prior consent, which shall be in DPD's sole discretion, engage in any financing or other transaction which would create an encumbrance or lien on the Remaining

City Land (such encumbrance or lien consented to by DPD, an "Approved Mortgage"), except for the acquisition and construction financing approved pursuant to Section 9.2 hereof, and recorded documents necessary to convert the Remaining City Land, where applicable, to a condominium form of ownership.

- m. Section 18 (Covenants Running with the Land) is amended and restated to read as follows: "The parties agree, and the Deed shall so expressly provide, that the covenants provided in Section 12 (Commencement and Completion of Project), Section 14 (Restrictions on Use), Section 15 (Prohibition Against Transfer of Project Land) and Section 16 (Limitation Upon Encumbrance of Project Land) will be covenants running with the land, binding on the Developer and its successors and assigns (subject to the limitation set forth in Section 17 above as to any permitted mortgagee) to the fullest extent permitted by law and equity for the benefit and in favor of the City, and shall be enforceable by the City. The covenants provided in Sections 12, 14.1, 14.2, 15 and 16 shall terminate upon the issuance of the Certificate of Completion for the Project. The covenants contained in Section 14.3 have terminated because the Developer has satisfied its obligation under Section 14.3, as amended.
- n. Section 19.4(c) (Event of Default) is amended and restated to read as follows: "The Developer fails to complete the Project in accordance with the time line outlined in Section 12 above, as amended, or the Developer abandons or substantially suspends construction of the Project."
- o. Section 19.6 (After Closing) is amended and restated to read as follows: "If an Event of Default occurs after the Closing but prior to the issuance of the Certificate of Completion for the Project, and the default is not cured in the time period provided for in Section 19.3 above, the City may terminate this Agreement, as amended, and exercise any and all remedies available to it at law or in equity, including, without limitation, the right to re-enter and take possession of the Remaining City Land, terminate the estate conveyed to the Developer, revert title to the Remaining City Land in the City and record the Reconveyance Deed (the "Right of Reverter"); provided, however, the City's Right of Reverter shall be limited by, and shall not defeat, render invalid, or limit in any way, the lien of any mortgage authorized by this Agreement. The Developer will cooperate with the City to ensure that if the City records the Reconveyance Deed, such recording is effective for purposes of transferring title to the Remaining City Land to the City, subject only to those title exceptions that were on title as of the date and time that the City conveyed the Remaining City Land to the Developer."
- p. Section 19.9 (No Remedies Against Housing Units or Purchasers) is amended and restated to read as follows: "Notwithstanding anything in

this Section 19 or otherwise, the City shall have no rights or remedies against a purchaser of a condominium unit or single-family house, as applicable, or against such unit or house, after the sale of such unit or house to such purchaser. By operation of this Section 19.9, each condominium unit or single-family house, as applicable, shall be released from the encumbrance of this Agreement at the time of such unit or house's sale to a bona fide purchaser."

- q. Section 28 (Prohibition on Certain Contributions) is amended and restated to read as follows:

"Developer agrees that Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in Developer of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Developer's contractors (i.e., any person or entity in direct contractual privity with Developer regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Developer and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (1) after execution of this Agreement by Developer, (2) while this Agreement or any Other Contract is executory, (3) during the term of this Agreement or any Other Contract between Developer and the City, or (4) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

Developer represents and warrants that from the later to occur of (1) May 16, 2011, and (2) the date the City approached the Developer or the date the Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Developer agrees that it shall not: (1) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (2) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (3) Bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Developer agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others

to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Developer agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Developer intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the closing of this Agreement, the City may elect to decline to close the transaction contemplated by this Agreement.

For purposes of this provision:

“Bundle” means to collect contributions from more than one source, which is then delivered by one person to the Mayor or to his political fundraising committee.

“Other Contract” means any other agreement with the City of Chicago to which Developer is a party that is (1) formed under the authority of chapter 2-92 of the Municipal Code of Chicago; (2) entered into for the purchase or lease of real or personal property; or (3) for materials, supplies, equipment or services which are approved or authorized by the City Council of the City of Chicago.

“Contribution” means a “political contribution” as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are “Domestic Partners” if they satisfy the following criteria:

1. they are each other's sole domestic partner, responsible for each other's common welfare; and
2. neither party is married; and
3. the partners are not related by blood closer than would bar marriage in the State of Illinois; and
4. each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
5. two of the following four conditions exist for the partners:
  - a. The partners have been residing together for at least 12 months.

- b. The partners have common or joint ownership of a residence.
- c. The partners have at least two of the following arrangements:

  - ii. a joint credit account;
  - iii. a joint checking account;
  - iv. a lease for a residence identifying both domestic partners as tenants.
- d. Each partner identifies the other partner as a primary beneficiary in a will.

Democratic Organization of Cook County*, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the 2014 City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(ii) Developer is aware that City policy prohibits City employees from directing any individual to apply for a position with Developer, either as an employee or as a subcontractor, and from directing Developer to hire an individual as an employee or as a subcontractor. Accordingly, Developer must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Developer under this Agreement are employees or subcontractors of Developer, not employees of the City of Chicago. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(iv) In the event of any communication to Developer by a City employee or City official in violation of subparagraph (ii) above, or advocating a violation of subparagraph (iii) above, Developer will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General (the "OIG"), and also to the head of the relevant City Department utilizing services provided under this Agreement. Developer will also cooperate with any inquiries by the OIG."

- s. The Redevelopment Agreement is amended to include Section 31 (Failure To Maintain Eligibility To Do Business with the City) which reads as follows: "Failure by Developer or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of the Agreement and the transactions contemplated thereby. Developer shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago."
  - t. The Redevelopment Agreement is amended to include Section 32 (Inspector General and Legislative Inspector General) which reads as follows: "It is the duty of every officer, employee, department, agency, contractor, subcontractor, developer and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Legislative Inspector General and with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapters 2-55 and 2-56, respectively, of the Municipal Code of Chicago. The Developer understands and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code of Chicago."

  - b. All certifications and statements contained in the Economic Disclosure Statement last submitted to the City by the New Developer (and any legal entity holding an interest in the New Developer) are true, accurate and complete.
  - c. The New Developer's execution, delivery and performance of the Redevelopment Agreement, as amended by this AA&A Agreement, and all instruments and agreements contemplated hereby will not, upon the giving of notice or lapse of time, or both, result in a breach or violation of, or constitute a default under, any other agreement to which the New Developer, or any party affiliated with the New Developer, is a party or by which the New Developer or the Project Land is bound.
  - d. To the best of the New Developer's knowledge, no action, litigation, investigation or proceeding of any kind is pending or threatened against the New Developer, or any party affiliated with the New Developer, and the New Developer knows of no facts which could give rise to any such action, litigation, investigation or proceeding, which could: (i) affect the ability of the New Developer to perform its obligations hereunder; or (ii) materially affect the operation or financial condition of the New Developer.
  - e. To the best of the New Developer's knowledge, the Project will not violate: (i) any Laws, including, without limitation, any zoning and building codes and environmental regulations; or (ii) any building permit, restriction of record or other agreement affecting the Project Land.
  - f. New Developer agrees that all of its representations and warranties set forth herein or elsewhere in the Redevelopment Agreement, as amended by this AA&A Agreement are true as of the date of this AA&A Agreement and will be true in all material respects at all times thereafter, except with respect to matters which have been disclosed in writing and approved by the other party.

- 11. Full Force and Effect. Except as amended hereby, the Redevelopment Agreement shall continue in full force and effect as the binding obligations of the City, Original Developer and New Developer, respectively.

IN WITNESS WHEREOF, the parties have caused this First Amendment to be executed on or as of the date first above written.

F. Closing Condition. The obligation of the parties to close the Transaction is subject to confirmation by CDOT that Grant funding remains available for improvement of the 84<sup>th</sup> Street Dedication. In the event the Grant funding is not satisfied or waived by both the City and CLD on or before the closing date, either party may terminate this Agreement and upon termination, neither party shall have any further obligation to the other.

### *Section 3.*

#### *Construction And Maintenance Of Triangle Park.*

A. Construction Of Triangle Park. The parties acknowledge that the construction of Triangle Park has been substantially completed by the City, and that water to supply the irrigation system serving Triangle Park is being fed by a City water valve assembly located (approximately) at 7918 South Lake Shore Drive in the parkway east of Triangle Park and east of South Brandon Avenue, together with supply lines delivering water to the irrigation system. Also, underground conduit(s) providing electricity has been installed by the City under CDOT Project Number B-6-157, U.S. 41 Relocation. The City will continue to provide water for Triangle Park and maintenance of the water valve assembly and supply lines to the point

of connection to the irrigation system at Triangle Park, including the annual spring start up and fall shutdown of the water service to the irrigation system, as long as the City is responsible for maintaining the landscaped medians in S. Lake Shore Drive to the east of Triangle Park. Any successor to the City responsible for maintaining the medians shall assume the maintenance obligation of the City with respect to the water valve assembly and supply lines. CLD shall maintain or cause to be maintained the irrigation system at Triangle Park. CLD also agrees to work with the City to perform, or cause to be performed, additional maintenance responsibilities for the irrigation system; which may include spring inspection following the pressurization of the main by the City, and the shut-down and blow out of the irrigation system at the end of the year, and repairs of any broken parts. CLD shall be responsible for installation of cable, equipment, and connection of the electricity required to illuminate Triangle Park.

B. Maintenance Of Triangle Park. CLD shall be responsible for the maintenance of Triangle Park, and agrees to keep Triangle Park, or cause it to be kept, in a safe, sightly and clean condition. The required maintenance shall include, without limitation, removing litter, debris and weeds at least once a week; sweeping the abutting right-of-way; mowing the grass and pruning the plants, shrubs and trees; performing a spring and fall cleanup each year; and removing snow from the sidewalk within Triangle Park. CLD shall also be responsible for maintenance of the irrigation system serving Triangle Park, as previously noted herein. CLD and the City agree that a local community group may be engaged to perform certain maintenance and gardening obligations at Triangle Park, as determined by CLD. Maintenance of Triangle Park shall also include replacement of plants and other landscaping, if perished. CDOT agrees to enforce any replacement warranty against landscaping companies and nurseries installing plants and other landscaping at Triangle Park which have perished during the warranty period due to contractor negligence or bad material. Any failures which are caused or attributed to work by others in Triangle Park will not be covered. The City and CLD shall confer and establish in good faith a mutually acceptable maintenance program implementing the foregoing requirements.

#### *Section 4.*

#### *Remedies.*

A. Time Is Of The Essence. The parties agree that time is of the essence in the performance of their obligations under this Agreement and every provision hereof in which time is an element. No extension of time for the performance of any obligation or act shall be deemed an extension of time for performance of any other obligation or act. If any date for performance falls on a Saturday, Sunday or legal holiday, then the time of such performance shall be extended to the next business day thereafter.

B. Breach. In the event of a default by a party in the performance of its obligations under this Agreement, such party upon written notice from the other shall immediately proceed to cure or remedy such default. In the event that the default has not been cured within a reasonable time, the non-defaulting party may terminate this Agreement by written notice thereof to the other, which shall be the non-defaulting party's sole and exclusive remedy under this Agreement.

C. Waiver And Estoppel. Any delay by either party in instituting or prosecuting any actions or proceedings or otherwise asserting its rights shall not operate as a waiver of such rights or operate to deprive said party of or limit such rights in any way. No waiver made by either party with respect to any specific default by the other party shall be construed, considered or treated as a waiver of the rights of said party with respect to any other defaults of the other party.

*Section 5.*

*Representations And Warranties.*

A. Representations And Warranties Of CLD. To induce the City to execute this Agreement and perform its obligations hereunder, CLD hereby represents and warrants to the City as follows:

1. To the best of CLD's knowledge, no litigation or proceedings are pending or threatened against CLD or any party controlling or controlled by CLD which could prevent CLD from performing its obligations in accordance with the terms of this Agreement.
2. To the best of CLD's knowledge, the execution, delivery and performance by CLD of this Agreement has not constituted or will not, upon the giving of notice or lapse of time, constitute a breach or default under any other agreement which may affect the property to which CLD or any party controlling or controlled by CLD is a party or may be bound or affected, or a violation of any law or court order which may affect the property, any part thereof, any interest therein or the use thereof.
3. CLD has full power and authority to execute and deliver this Agreement and perform its obligations set forth herein.
4. To the best of CLD's knowledge, except for mortgages and other liens, if any, which can be satisfied by the payment of money at the Closing, and except for real estate taxes and assessments not due and payable, CLD has not: a) granted, suffered or permitted any lien, claim or encumbrance upon the property or any portion thereof, b) permitted or suffered any levy, attachment, claim or restraint to be made affecting the property, or c) executed any leases for the property which will not be terminated at or before the Closing Date.

B. Representations And Warranties Of The City. To induce CLD to execute this Agreement and perform its obligations hereunder, the City hereby represents and warrants to CLD as follows:

1. The execution of this Agreement by the City and the performance of its obligations hereunder have been authorized by an ordinance adopted by the City Council of the City of Chicago.

2. To the best of the City's knowledge, the performance by the City of its obligations hereunder will not violate any other agreement to which the City is a party or any court order or decree by which the City is bound.
3. To the best of the City's knowledge, there is no litigation pending against the City that could prevent the City from performing its obligations in accordance with the terms of this Agreement.

C. Survival Of Representations And Warranties. The parties agree that all of their respective representations and warranties set forth in this Section 5 or elsewhere in this Agreement are true as of the date of this Agreement and will be true at all times hereafter, except with respect to matters which have been disclosed in writing to and approved by the other party. The continued accuracy of the representations and warranties shall be a condition precedent to the obligation of the parties to close the transaction contemplated by this Agreement.

*Section 6.*

*Conflict Of Interest; City's Representatives Not Individually Liable.*

No agent, official or employee of the City shall have any personal interest, direct or indirect, in this Agreement; nor shall any such agent, official or employee participate in any decision relating to this Agreement which affects his/her personal interest or the interest of any corporation, partnership or association in which he/she is directly or indirectly interested. No agent, official or employee of the City shall be personally liable to CLD or any successor in interest in the event of any default or breach by the City.

*Section 7.*

*Business Relationships.*

CLD acknowledges: (A) receipt of a copy of Section 2-156-030(b) of the Municipal Code of Chicago, (B) that it has read such provision and understands that pursuant to such Section 2-156-030(b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (c) notwithstanding anything to the contrary contained in this Agreement, that a violation of Section 2-156-030(b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. CLD hereby represents and warrants that no violation of Section 2-156-030(b) has occurred with respect to this Agreement or the transactions contemplated hereby.

*Section 8.*

*Patriot Act Certification.*

CLD represents and warrants that neither CLD nor any Affiliate thereof (as defined in the next paragraph) is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

As used in the above paragraph, an "Affiliate" shall be deemed to be a person or entity related to CLD that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with CLD, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

*Section 9.*

*Prohibition On Certain Contributions --  
Mayoral Executive Order No. 2011-4.*

CLD agrees that CLD, any person or entity who directly or indirectly has an ownership or beneficial interest in CLD of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, CLD's contractors (i.e., any person or entity in direct contractual privity with CLD regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Subowners") and spouses and domestic partners of such Subowners (CLD and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (i) after execution of this Agreement by CLD, (ii) after the effective date of execution of this Agreement, while this Agreement or any Other Contract is executory, (iii) during the term of this Agreement or any Other Contract between CLD and the City, or (iv) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

CLD agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

CLD agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order Number 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order Number 2011-4.

CLD agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order Number 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract unless cured within thirty (30) days after written notice of default from the City, and, if not cured within such cure period (which may be by return of any contribution which violates said Executive Order) shall entitle the City to all remedies under this Agreement, and under any Other Contract, at law and in equity.

If CLD intentionally violates this provision or Mayoral Executive Order Number 2011-4 prior to the closing of this Agreement, the City may elect to decline to close the transaction contemplated by this Agreement.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source, which is then delivered by one person to the Mayor or to his political fundraising committee. "Other Contract" means any other agreement with the City of Chicago to which CLD is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council of the City of Chicago.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

(A) they are each other's sole domestic partner, responsible for each other's common welfare; and

(B) neither party is married; and

(C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and

(D) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and

(E) two of the following four conditions exist for the partners:

1. The partners have been residing together for at least 12 months.
2. The partners have common or joint ownership of a residence.

3. The partners have at least two of the following arrangements:
  - a. joint ownership of a motor vehicle;
  - b. a joint credit account;
  - c. a joint checking account;
  - d. a lease for a residence identifying both domestic partners as tenants.
  
4. Each partner identifies the other partner as a primary beneficiary in a will.

“Political fundraising committee” means a “political fundraising committee” as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

*Section 10.*

[Intentionally omitted.]

*Section 11.*

*Failure To Maintain Eligibility To Do Business With The City.*

Prior to Closing, failure by CLD or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of this Agreement and the transactions contemplated herein. CLD shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

*Section 12.*

*Inspector General And Legislative Inspector General.*

It is the duty of CLD and the duty of any bidder, proposer, contractor, subcontractor, and every applicant for certification of eligibility for a City contract or program, and all of CLD's officers, directors, agents, partners, and employees and any such bidder, proposer, contractor, subcontractor or such applicant: (a) to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code and (b) to cooperate with the Legislative Inspector General in any investigation undertaken pursuant to Chapter 2-55 of the Municipal Code. CLD represents that it understands and will

abide by all provisions of Chapters 2-56 and 2-55 of the Municipal Code and that it will inform subcontractors of this provision and require their compliance.

*Section 13.*

*Waste Ordinance Provisions.*

In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, CLD warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this Agreement is executory, CLD's, any general contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Commissioner of CDOT. Such breach and default entitles the City to all remedies under the Amendment, at law or in equity. This Section does not limit CLD's, general contractor's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Agreement. Noncompliance with these terms and conditions may be used by the City as grounds for the termination of this Agreement, and may further affect CLD's eligibility for future contract awards.

*Section 14.*

*City Of Chicago Hiring Plan.*

A. The City is subject to the June 16, 2014 "City of Chicago Hiring Plan" (as amended, the "2014 City Hiring Plan") entered in *Shakman V. Democratic Organization of Cook County*, Case Number 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the Shakman Accord and the 2014 City Hiring Plan prohibit the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

B. CLD is aware that City policy prohibits City employees from directing any individual to apply for a position with CLD, either as an employee or as a subcontractor, and from directing CLD to hire an individual as an employee or as a subcontractor. Accordingly, CLD must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by CLD under this Agreement are employees or subcontractors of CLD, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by CLD.

C. CLD will not condition, base, or knowingly prejudice or affect any term or aspect of the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

D. In the event of any communication to CLD by a City employee or City official in violation of paragraph (b) above, or advocating a violation of paragraph (c) above, CLD will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("IGO Hiring Oversight"), and also to the Commissioner of CDOT. CLD will also cooperate with any inquiries by IGO Hiring Oversight related to this Agreement.

#### *Section 15.*

##### *FOIA And Local Records Act Compliance.*

A. FOIA. CLD acknowledges that the City is subject to the Illinois Freedom of Information Act, 5 ILCS 140/1 et. seq., as amended ("FOIA"). The FOIA requires the City to produce records (very broadly defined in the FOIA) in response to a FOIA request in a very short period of time, unless the records requested are exempt under the FOIA. If CLD receives a request from the City to produce records within the scope of FOIA, that would be otherwise required under this Agreement then CLD covenants to comply with such request within two Business Days of the date of such request. Failure by CLD to timely comply with such request will be a breach of this Agreement.

B. Exempt Information. Documents that CLD submits to the City that contain trade secrets and commercial or financial information may be exempt if disclosure would result in competitive harm. However, for documents submitted by CLD to be treated as a trade secret or information that would cause competitive harm, FOIA requires that CLD mark any such documents as "proprietary, privileged or confidential". If CLD marks a document as "proprietary, privileged and confidential", then the City will evaluate whether such document may be withheld under the FOIA. The City, in its discretion, will determine whether a document will be exempted from disclosure, and that determination is subject to review by the Illinois Attorney General's Office and/or the courts.

C. Local Records Act. CLD acknowledges that the City is subject to the Local Records Act, 50 ILCS 205/1 et seq., as amended (the "Local Records Act"). The Local Records Act provides that public records may only be disposed of as provided in the Local Records Act. If requested by the City, CLD covenants to use its best efforts consistently applied to assist

the City in its compliance with the Local Records Act concerning records arising under or in connection with this Agreement and the transactions contemplated in the Agreement.

*Section 16.*

*Headings And Governing Law.*

The headings of the various sections of this Agreement have been inserted for convenient reference only and shall not in any manner be construed as modifying, amending or affecting in any way the express terms and provisions thereof. This Agreement shall be governed by and construed in accordance with the laws of the State of Illinois.

*Section 17.*

*Entire Agreement.*

This Agreement constitutes the entire agreement between the parties and supersedes and replaces any prior agreements between the parties with respect to the subject matter hereof. This Agreement shall not be modified or amended in any manner other than by supplemental written agreement executed by the parties.

*Section 18.*

*Severability.*

If any provision of this Agreement, or any paragraph, sentence, clause, phrase or word, or the application thereof, is held invalid, the remainder of this Agreement shall be construed as if such invalid part were never included herein and this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

*Amendments.*

This Agreement may only be amended by the parties in writing. Such amendment shall become effective upon its execution by the parties.

*Section 22.*

*Successors And Assigns.*

### RECITALS

**WHEREAS**, the City is the owner of the real property commonly known as 1713 South Ashland Avenue, Chicago, Cook County, Illinois, which is improved with a one story building ("**Building**") used as the Lower West Side Neighborhood Health Clinic; and

**WHEREAS**, the Lower West Side community wishes for the University to operate a medical clinic at the Lower West Side Neighborhood Health Clinic and the University has an interest in operating the clinic; and

**WHEREAS**, the City has agreed to lease to the University, and the University has agreed to lease from the City, approximately 6,400 square feet of clinical and general medical and administrative office space located on the first floor of the Building (the "**Premises**") together with access to an adjacent parking lot all as legally described on **Exhibit A** and as depicted on **Exhibit B** attached hereto; and

**WHEREAS**, the University's use of the Premises to deliver primary care, maternal health, and preventative medical services will improve the overall quality of affordable health services available to area residents.

**NOW THEREFORE**, in consideration of the covenants, terms, and conditions set forth herein, the parties hereto agree and covenant as follows:

### **SECTION 1. GRANT**

1.1 Grant. Landlord hereby leases to Tenant, and Tenant hereby leases from Landlord, the following described premises situated in the City of Chicago, County of Cook, State of Illinois, to wit:

Approximately 6,400 square feet of space on the first floor of the Building, located on that certain parcel of real estate more commonly known as 1713 South Ashland Avenue, Chicago, Illinois, (part of PINs 17-20-302-001, -005, -006, -009, and -043) .

**SECTION 2. TERM**

2.1 Term. The term of this IGA (the “**Term**”) shall begin on the Commencement Date and shall end on December 31, 2022, unless sooner terminated as set forth in this IGA. Notwithstanding anything to the contrary in this IGA, the Commencement Date shall be the date on which the University takes possession of the Premises.

**SECTION 3. RENT, TAXES, AND UTILITIES**

3.1 Rent. Tenant shall pay base rent for the Premises in the amount of One Dollar (\$1.00) for the entire Term, with the receipt and sufficiency of said sum hereby acknowledged by both parties. The term “Rent” as used herein means the base rent of \$1.00 plus all other payments due under this IGA of any kind or nature.

3.2 Taxes. Tenant acknowledges that Premises are exempt from leasehold, real estate, and other property taxes. Tenant shall pay when due any leasehold, real estate, and other property taxes assessed or levied on the Premises where attributable to Tenant’s use of the Premises, if and only to the extent required by applicable law. Tenant shall pay such amounts and Tenant shall provide Landlord with proof of such payment within ten (10) days of such payment. Tenant further acknowledges that real estate taxes are one (1) year in arrears in Cook County and that as a result Tenant shall be responsible for satisfaction of leasehold, real estate, and other property taxes assessed or levied on the Premises on account of Tenant’s use for at least one year after Tenant vacates the Premises. Tenant’s failure to pay any such taxes shall constitute a default under this IGA. Notwithstanding the foregoing, nothing herein shall preclude Tenant from contesting any charge or tax levied against the Premises based upon University’s status as a public body corporate and politic of the State of Illinois or any other exemption, claim or defense. The failure of Tenant to pay such taxes during the pendency of the contest shall not constitute a default under this IGA. Tenant’s tax responsibilities under this section shall survive the expiration, cancellation, or termination of this IGA.

3.3 Operating Costs. Tenant shall reimburse Landlord’s Operating Costs for the Premises as delineated pursuant to Section 3.3.a below beginning on the Commencement Date as reimbursement for Landlord’s costs to operate the Building and the Premises.

a. Calculation of Operating Costs. Tenant shall pay for Operating Costs (as hereinafter defined) incurred by Landlord with regards to Tenant’s “Proportionate Use” of the Building. This Proportionate Use shall be based on the square footage occupied by Tenant divided by the Building’s total square footage. The Building’s total square footage is approximately 13,968 square feet and Tenant’s leasehold is approximately 6,400 square feet, which comprises 45.8% of the Building’s total square footage. "Operating Costs" shall be based on Tenant’s 45.8% Proportionate Use. Operating Costs shall include (i) all utilities (including, but not limited to gas, electricity, and water), (ii) security services for the Building (not the Premises), (iii) landscaping and snow removal, (iv) common area maintenance and maintenance of the building envelope, roof, and

structural components, (v) maintenance of electrical, plumbing, and HVAC systems, and (vi) Tenant's allocable share of other costs incurred by Landlord in operating and maintaining the Building (excluding (a) any capital repairs or improvements that may be required, (b) repairs required by casualty, or (c) costs that are specific and isolated to other tenants' space within the Building). Tenant shall separately contract for custodial services, telephone services, and other communication services at the Premises. For 2016, Tenant's Operating Costs are estimated to be, and Tenant shall initially pay, \$1,461.88 per month (subject to subsequent accounting and adjustment which may serve to increase or decrease these estimated Operating Costs for 2016 and/or subsequent years). An estimate of 2016 Operating Costs is set forth in Exhibit C attached hereto.

b. Reimbursement Procedure. Each calendar year and as soon as Landlord can secure data for the prior year's operating costs, Landlord shall provide Tenant with the estimate of the annual estimated Operating Costs for such year. Tenant shall pay to Landlord, one-twelfth (1/12) of such amount in equal monthly installments, on the first day of each month during such year following billing by Landlord. Once full data becomes available, Landlord shall provide Tenant with the actual Operating Costs for the previous year and a statement with reasonable supporting documentation as to whether Tenant has underpaid or overpaid said Operating Costs. In the event Tenant's payments during the previous calendar year are less than the actual Operating Costs due from Tenant, such underpayment shall be included in Tenant's subsequent monthly installment(s) of Operating Costs spread out for the remainder of the year, or, if said underpayment shall have been made in the last year of the Term, Tenant shall remit said underpayment to Landlord within thirty (30) days. If Tenant's installments during the previous calendar year are more than the actual Operating Costs due from Tenant, Landlord shall credit said amount against Tenant's subsequent monthly installment(s) of Operating Costs for the remainder of the year, or, if said overpayment shall have been made in the last year of the Term, Landlord shall refund said overpayment to Tenant within thirty (30) days.

Operating Costs shall be paid to Landlord at the Department of Finance, Warrants for Collection, City Hall, 121 North LaSalle, Room 107, Chicago, Illinois 60602 or at such place as Landlord may from time to time, hereby designate in writing to Tenant. Landlord shall invoice Tenant for such Operating Costs on a monthly basis. In the event that Tenant does not receive such invoice from Landlord, Tenant shall contact Landlord. Landlord's failure to invoice Tenant for Operating Costs or other expenses does not constitute a waiver of any such charges.

3.4 Accord and Satisfaction. No payment by Tenant or receipt by Landlord of a lesser amount than any installment or payment of the Rent or any amounts due hereunder shall be deemed to be other than on account of the amount due, and no endorsement of statement or any check or any letter accompanying any check or payment of Rent shall be deemed an accord and satisfaction. Landlord may accept such check or payment without prejudice as to Landlord's right to recover the balance of such installment or payment or to pursue any other remedies available to Landlord.

**SECTION 4. CONDITION AND ENJOYMENT OF PREMISES, ALTERATIONS, ADDITIONS, AND PARKING**

4.1 Satisfaction with Condition. Tenant agrees that Tenant has inspected the Premises and all related areas and grounds and that Tenant is satisfied with the physical condition thereof and accepts the Premises in its "As-Is" condition as of the Commencement Date.

4.2 Covenant of Quiet Enjoyment. Landlord covenants and agrees that Tenant, upon paying the Rent and upon observing and keeping the covenants, agreements, and conditions of this IGA on its part to be kept, observed, and performed, shall lawfully occupy and enjoy the Premises (subject to the provisions of this IGA) during the Term without hindrance or molestation by Landlord.

4.3 Tenant's Duty to Maintain Premises. Tenant shall, at Tenant's expense, keep the Premises in a condition of good repair and order, and in compliance with all applicable provisions of the Municipal Code of Chicago. If Tenant shall refuse or neglect to make needed repairs within fifteen (15) days after written notice thereof sent by Landlord, unless such repair cannot be remedied within fifteen (15) days, and Tenant shall have commenced and is diligently pursuing all necessary action to remedy such repair, Landlord, at Landlord's option, is authorized to either make such repairs and Tenant will, within thirty (30) business days of demand, reimburse Landlord for the reasonable cost thereof, or Landlord can immediately terminate this IGA by providing the Tenant with written notice thereof. Landlord shall have the right of access to the Premises for the purpose of inspecting and making repairs to the Premises, provided that, except in the case of emergencies, Landlord shall first give notice to Tenant of its desire to enter the Premises and will schedule its entry so as to minimize any interference with Tenant's use of the Premises.

4.4 Maintenance of the Building. Landlord shall take reasonable and reasonably prompt efforts to maintain the Building and all of its structural elements and mechanical systems (including the Building envelope, roof, HVAC, plumbing, and electrical systems) in condition of good repair and order, and in compliance with all applicable provisions of the Municipal Code of Chicago. Tenant shall notify Landlord regarding any issues with maintenance of the Building.

4.5 Use of the Premises. Tenant shall use the Premises only as a medical clinic. Tenant shall not use the Premises in a manner that would violate any laws, ordinances, orders, rules, regulations, and requirements of all federal, state and municipal governmental departments (collectively – the "Laws") which may be applicable to the Premises or to the use or manner of use of the Premises. Tenant further covenants not to do or suffer any waste or damage, comply in all respects with the Laws and requirements of all federal, state, and municipal governmental departments which may be applicable to the Premises or to the use or manner of use of the Premises.

4.6 Alterations, Additions and Improvements. Tenant may not make alterations, additions, or improvements to the Premises without the prior written approval of the Commissioner of the Department of Fleet and Facility Management. All alterations, additions, and improvements shall be in full compliance with the applicable Laws. Landlord shall not be obligated to pay for any alterations, additions, or improvements to the Premises.

4.7 Access to Parking Lot. Tenant shall have non-exclusive access to the Building's parking lot on a first-come first-served basis. Such use of the parking lot shall be subject to all rules in place, or hereinafter in place, governing the parking lot.

4.8 Signage. University may place exterior and interior signage on the Premises and/or Building. Such signage and placement must be approved in writing by the Commissioner of the Department of Fleet and Facility Management, such approval not to be unreasonably withheld, conditioned, or delayed.

## **SECTION 5. ASSIGNMENT, SUBLEASE, AND LIENS**

5.1 Assignment and Sublease. Tenant shall not assign this IGA in whole or in part, or sublet or license the Premises or any part thereof, without Landlord's prior written consent.

5.2 Tenant's Covenant against Encumbering Title. Tenant shall not do any act which shall in any way encumber the fee simple estate of Landlord in and to the Premises, nor shall the interest or estate of Landlord in the Premises be in any way subject to any claim by way of lien or encumbrance, whether by operation of law or by virtue of any express or implied contract by Tenant. Any claim to, or lien upon, the Premises arising from any act or omission of Tenant shall accrue only against the leasehold estate of Tenant and shall be subject to and subordinate to the paramount title and rights of Landlord in and to the Premises.

5.3 Tenant's Covenant against Liens. Tenant shall not permit the Premises to become subject to any mechanic's, laborer's, or materialmen's liens on account of labor or material furnished to Tenant or claimed to have been furnished to Tenant. In case of any such lien attaching, Tenant shall immediately pay and remove such lien or furnish security or indemnify Landlord in a manner satisfactory to Landlord in its sole discretion to protect Landlord against any defense or expense arising from such lien. Except during any period in which Tenant appeals any judgment or obtains a rehearing of any such lien, or in the event judgment is stayed, Tenant shall immediately pay any judgment rendered against Tenant, with all proper costs and charges, and shall have the lien released and any judgment satisfied. If Tenant fails to pay and remove any lien or contest such lien in accordance herewith, Landlord, at its election, may pay and satisfy same, and all sums so paid by Landlord shall become immediately due and payable by Tenant, with interest from the date of payment at the rate set at 12% per annum provided that such rate shall not be deemed usurious by any Federal, State, or Local law.

**SECTION 6. INSURANCE AND LIABILITY**

6.1 Self-Insurance. Tenant shall secure insurance coverages for each of the insurance requirements as incorporated herein under this Section 6 or Tenant may self-insure for the same types and amounts.

6.2 Insurance. Tenant shall procure and maintain at all times, at Tenant's own expense, or cause to be maintained at the expense of service providers, as applicable, at all times during the Term, the insurance coverages and requirements specified below, insuring all operations related to the IGA. The kind and amounts of insurance required are as follows:

(a) Worker's Compensation and Employer's Liability. Workers Compensation as prescribed by applicable law, covering all employees who are to provide a service under this IGA, and Employer's Liability Insurance with limits of not less than \$500,000 each accident, illness or disease.

(b) Commercial General Liability (Primary and Umbrella). Commercial General Liability Insurance or equivalent, with limits of not less than \$3,000,000 per occurrence, for bodily injury, personal injury, and property damage liability. Coverage shall include the following: All premises and operations, products/completed operations, defense, separation of insureds, and contractual liability (not to include Endorsement CG 21 39 or equivalent).

The City of Chicago shall be named as a contracting party under the University's self-insurance program for purposes of this Section 6.2 only. The contracting party coverage shall not have any language under the policy such as, but not limited to, Tenant's sole negligence or the contracting party's vicarious liability. Tenant's liability insurance shall be primary without right of contribution by any other insurance or self-insurance maintained by or available to the City.

(c) Automobile Liability Insurance (Primary and Umbrella). When any motor vehicles (owned, non-owned and hired) are used in connection with the IGA, Tenant shall provide and maintain Automobile Liability Insurance with limits of not less than \$1,000,000 per occurrence for bodily injury and property damage.

(d) Medical Professional Liability. Medical Professional Liability coverage with limits of not less than \$5,000,000 including prior acts coverage, such instances covering Tenant against any claim made against Tenant arising out of a medical incident involving the rendering of or a failure to render professional services, whether caused by an error, omission or act of the Tenant, of any person employed or contracted by Tenant for whose actions or omissions Tenant is legally liable. The policy shall have an extended reporting period of two (2) years. When policies are renewed or replaced the policy retroactive date must coincide with or precede the start of work. Upon City's request, Tenant shall provide City with copies of the professional licenses and/or certificates for each of the professionals performing services in the Premises.

Landlord shall not be responsible for any loss or damage personal property (including, but not limited to materials, equipment, tools and supplies), owned, rented or used by Tenant.

6.3 Other Terms of Insurance. Tenant will furnish the City of Chicago, Department of Fleet and Facility Management, Office of Real Estate Management, 30 North LaSalle Street, Suite 300, Chicago, Illinois 60602, original Certificates of Insurance evidencing the required coverage to be in force on the date of this IGA, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the Term. Tenant shall submit evidence of insurance prior to execution of the IGA. The receipt of any certificate does not constitute agreement by Landlord that the insurance requirements in this IGA have been fully met or that the insurance policies indicated on the certificate are in compliance with all requirements in the IGA. The failure of Landlord to obtain certificates or other insurance evidence from Tenant shall not be deemed to be a waiver by Landlord. Non-conforming insurance shall not relieve Tenant of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the IGA and the Landlord retains the right to terminate or suspend the IGA until proper evidence of insurance is provided.

The Tenant shall provide for 30 days prior written notice to be given to the Landlord in the event coverage is substantially changed, cancelled, or non-renewed.

Any and all deductibles or self-insured retentions on referenced insurance coverages shall be borne by Tenant.

Tenant hereby agrees that its insurers, and/or Tenant's self-insurance program, shall waive any right of subrogation which any insurer of Tenant may acquire against the Landlord by virtue of the payment of any loss under the insurance. Upon request by Landlord, Tenant agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the Landlord has received a waiver of subrogation endorsement from the insurer(s).

Tenant expressly understands and agrees that any coverages and limits furnished by Tenant shall in no way limit the Tenant's liabilities and responsibilities specified in this IGA or by law.

Tenant expressly understands and agrees that its insurance is primary and any insurance or self-insurance programs maintained by the Landlord shall not contribute with insurance provided by Tenant.

The required insurance coverages and limits to be carried shall not be reduced by any limitations expressed in this IGA.

If Tenant maintains higher limits than the minimums shown above, Landlord shall be entitled to coverage for the higher limits maintained by Tenant. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the Landlord to the extent of Landlord's loss.

The Tenant must require all contractors or subcontractors to provide the insurance required herein, or Tenant may provide the coverages for contractors or subcontractors. All contractors and subcontractors are subject to the same insurance requirements of Tenant unless otherwise specified in this IGA. Tenant must ensure that Landlord is an additional insured on an Endorsement CG-2010 of the insurance required from contractors and subcontractors.

Notwithstanding any provision to the contrary, the City of Chicago, Department of Finance, Office of Risk Management, maintains the rights to modify, delete, alter or change these requirements at any time during the Term of IGA.

6.4 Liability. It is understood and agreed that neither party to this IGA shall be legally liable for any negligence or wrongful act either of omission or commission chargeable to the other unless such liability is imposed by law and that this IGA shall not be construed as seeking either to enlarge or diminish any obligation or duty owed by one party against the other or against third parties. Tenant shall be responsible for all loss or damage to business property (including but not limited to materials, equipment, tools and supplies), owned or rented, by Tenant.

## **SECTION 7. CONFLICT OF INTEREST AND GOVERNMENTAL ETHICS**

7.1 Conflict of Interest. No official or employee of the City of Chicago, nor any member of any board, commission or agency of the City of Chicago, shall have any financial interest (as defined in Chapter 2-156 of the Municipal Code of Chicago), either direct or indirect, in the Premises. No such official, employee, or member shall participate in making or in any way attempt to use his or her position to influence any City governmental decision or action with respect to this IGA.

7.2 Duty to Comply with Governmental Ethics Ordinance. ### RECITALS

**WHEREAS**, Landlord is the owner of the real property commonly known as 641 West 63<sup>rd</sup> Street, Chicago, Cook County, Illinois, which is improved with a one story building with basement (“**Building**”) used as the Englewood Neighborhood Health Clinic; and

**WHEREAS**, Tenant wishes to provide primary care medical services at the Englewood Neighborhood Health Clinic as a delegate agency on behalf of the City’s Department of Public Health; and

**WHEREAS**, Landlord has agreed to lease to Tenant, and Tenant has agreed to lease from Landlord, approximately 2,990 square feet of clinical office space in the Building.

**NOW THEREFORE**, in consideration of the covenants, terms, and conditions set forth herein, the parties agree and covenant as follows:

### **SECTION 1. GRANT**

1.1 Grant. Landlord hereby leases to Tenant, and Tenant hereby leases from Landlord, the following described premises situated in the City of Chicago, County of Cook, State of Illinois, to wit:

Approximately 2,990 square feet in the Building, located on that certain parcel of real estate more commonly known as 641 West 63<sup>rd</sup> Street, Chicago, Illinois, PINs 20-21-102-009, -010, -016, -017, -020, -025 (the “**Premises**”), as further depicted on Exhibit A attached hereto.

### **SECTION 2. TERM**

2.1 Term. The term of this Lease (the “**Term**”) shall begin on the Commencement Date and shall end on December 31, 2022, unless sooner terminated as set forth in this Lease.

**SECTION 3. RENT, TAXES, AND UTILITIES**

3.1 Rent. Tenant shall pay base rent for the Premises in the amount of One Dollar (\$1.00) for the entire Term, with the receipt and sufficiency of said sum hereby acknowledged by both parties. The term "Rent" as used herein means the base rent of \$1.00 plus all other payments due under this Lease of any kind or nature.

3.2 Taxes. Tenant acknowledges that Premises are exempt from leasehold, real estate, and other property taxes. Tenant shall pay when due any leasehold, real estate, and other property taxes assessed or levied on the Premises where attributable to Tenant's use of the Premises. Tenant shall pay such amounts and Tenant shall provide Landlord with proof of such payment within ten (10) days of such payment. Tenant further acknowledges that real estate taxes are one (1) year in arrears in Cook County and that as a result Tenant shall be responsible for satisfaction of leasehold, real estate, and other property taxes assessed or levied on the Premises on account of Tenant's use for at least one year after Tenant vacates the Premises. Tenant's failure to pay any such taxes shall constitute a default under this Lease. Notwithstanding the foregoing, nothing herein shall preclude Tenant from contesting any charge or tax levied against the Premises. The failure of Tenant to pay such taxes during the pendency of the contest shall not constitute a default under this Lease. Tenant's tax responsibilities under this section shall survive the expiration, cancellation, or termination of this Lease.

3.3 Operating Costs. Tenant shall reimburse Landlord's Operating Costs for the Premises as delineated pursuant to Section 3.3.a below beginning on the Commencement Date as reimbursement for Landlord's costs to operate the Building and the Premises.

a. Calculation of Operating Costs. Tenant shall pay for Operating Costs (as hereinafter defined) incurred by Landlord with regards to Tenant's "Proportionate Use" of the Building. This Proportionate Use shall be based on the square footage leased by Tenant divided by the Building's total square footage. The Building's total square footage is approximately 54,189 square feet and Tenant's leasehold is approximately 2,300 square feet, which comprises 5.52% of the Building's total square footage. "Operating Costs" shall be based on Tenant's 5.52% Proportionate Use. Operating Costs shall include (i) all utilities (including, but not limited to gas, electricity, and water), (ii) security services for the Building (not the Premises), (iii) landscaping and snow removal, (iv) common area maintenance and maintenance of the building envelope, roof, and structural components, (v) maintenance of electrical, plumbing, and HVAC systems, and (vi) Tenant's allocable share of other costs incurred by Landlord in operating and maintaining the Building (excluding (a) any capital repairs or improvements that may be required, (b) repairs required by casualty, or (c) costs that are specific and isolated to other tenants' space within the Building). Tenant shall separately contract for custodial services, telephone services, and other communication services at the Premises. For 2016, Tenant's Operating Costs are estimated to be, and Tenant shall initially pay, \$777.66 per month (subject to subsequent accounting and adjustment which may serve to increase or decrease these estimated Operating Costs for 2016 and/or subsequent years).

b. Reimbursement Procedure. Each calendar year and as soon as Landlord can secure data for the prior year's operating costs, Landlord shall provide Tenant with the estimate the annual estimated Operating Costs for such year. Tenant shall pay to Landlord, one-twelfth (1/12) of such amount in equal monthly installments, on the first day of each month during such year following billing by Landlord. Once full data becomes available, Landlord shall provide Tenant with the actual Operating Costs for the previous year and a statement with reasonable supporting documentation as to whether Tenant has underpaid or overpaid said Operating Costs. In the event Tenant's payments during the previous calendar year are less than the actual Operating Costs due from Tenant, such underpayment shall be included in Tenant's subsequent monthly installment(s) of Operating Costs spread out for the remainder of the year, or, if said underpayment shall have been made in the last year of the Term, Tenant shall refund said underpayment to Landlord within thirty (30) days. If Tenant's installments during the previous calendar year are more than the actual Operating Costs due from Tenant, Landlord shall credit said amount against Tenant's subsequent monthly installment(s) of Operating Costs for the remainder of the year, or, if said overpayment shall have been made in the last year of the Term, Landlord shall refund said overpayment to Tenant within thirty (30) days.

Operating Costs shall be paid to Landlord at the Department of Finance, Warrants for Collection, City Hall, 121 North LaSalle, Room 107, Chicago, Illinois 60602 or at such place as Landlord may from time to time, hereby designate in writing to Tenant. Landlord shall invoice Tenant for such Operating Costs on a monthly basis. In the event that Tenant does not receive such invoice from Landlord, Tenant shall contact Landlord. Landlord's failure to invoice Tenant for Operating Costs or other expenses does not constitute a waiver of any such charges.

3.4 Accord and Satisfaction. No payment by Tenant or receipt by Landlord of a lesser amount than any installment or payment of the Rent or any amounts due hereunder shall be deemed to be other than on account of the amount due, and no endorsement of statement or any check or any letter accompanying any check or payment of Rent shall be deemed an accord and satisfaction. Landlord may accept such check or payment without prejudice as to Landlord's right to recover the balance of such installment or payment or to pursue any other remedies available to Landlord.

#### **SECTION 4. CONDITION AND ENJOYMENT OF PREMISES, ALTERATIONS, ADDITIONS, AND SURRENDER**

4.1 Satisfaction with Condition. Tenant agrees that Tenant has inspected the Premises and all related areas and grounds and that Tenant has noted existing roof leaks, but is otherwise satisfied with the physical condition thereof and accepts the Premises in its "As-Is" condition.

4.2 Covenant of Quiet Enjoyment. Landlord covenants and agrees that Tenant, upon paying the Rent and upon observing and keeping the covenants, agreements, and conditions of this Lease on its part to be kept, observed, and performed, shall lawfully occupy and enjoy the

Premises (subject to the provisions of this Lease) during the Term without hindrance or molestation by Landlord.

4.3 Tenant's Duty to Maintain Premises. Tenant shall, at Tenant's expense, keep the Premises in a condition of good repair and order, and in compliance with all applicable provisions of the Municipal Code of Chicago. If Tenant shall refuse or neglect to make needed repairs within fifteen (15) days after written notice thereof sent by Landlord, unless such repair cannot be remedied within fifteen (15) days, and Tenant shall have commenced and is diligently pursuing all necessary action to remedy such repair, Landlord, at Landlord's option, is authorized to either make such repairs and Tenant will, within thirty (30) business days of demand, reimburse Landlord for the reasonable cost thereof, or Landlord can immediately terminate this Lease by providing the Tenant with written notice thereof. Landlord shall have the right of access to the Premises for the purpose of inspecting and making repairs to the Premises, provided that, except in the case of emergencies, Landlord shall first give notice to Tenant of its desire to enter the Premises and will schedule its entry so as to minimize any interference with Tenant's use of the Premises.

4.4 Use of the Premises. Tenant shall use the Premises only as a primary care medical clinic. Tenant shall not use the Premises in a manner that would violate any laws, ordinances, orders, rules, regulations, and requirements of all federal, state and municipal governmental departments (collectively – the "Laws") which may be applicable to the Premises or to the use or manner of use of the Premises. Tenant further covenants not to do or suffer any waste or damage, comply in all respects with the Laws and requirements of all federal, state, and municipal governmental departments which may be applicable to the Premises or to the use or manner of use of the Premises.

4.5 Alterations, Additions and Improvements. Tenant may not make alterations, additions, or improvements to the Premises without the prior written approval of the Commissioner of the Department of Fleet and Facility Management or the Commissioner's designated representative, such approval not to be unreasonably withheld. All alterations, additions, and improvements shall be in full compliance with the applicable Laws. Landlord shall not be obligated to pay for any alterations, additions, or improvements to the Premises.

## **SECTION 5. ASSIGNMENT, SUBLEASE, AND LIENS**

5.1 Assignment and Sublease. Tenant shall not assign this Lease in whole or in part, or sublet or license the Premises or any part thereof, without Landlord's prior written consent.

5.2 Tenant's Covenant against Encumbering Title. Tenant shall not do any act which shall in any way encumber the fee simple estate of Landlord in and to the Premises, nor shall the interest or estate of Landlord in the Premises be in any way subject to any claim by way of lien or encumbrance, whether by operation of law or by virtue of any express or implied contract by Tenant. Any claim to, or lien upon, the Premises arising from any act or omission of Tenant

shall accrue only against the leasehold estate of Tenant and shall be subject to and subordinate to the paramount title and rights of Landlord in and to the Premises.

5.3 Tenant's Covenant against Liens. Tenant shall not permit the Premises to become subject to any mechanic's, laborer's, or materialmen's liens on account of labor or material furnished to Tenant or claimed to have been furnished to Tenant. In case of any such lien attaching, Tenant shall immediately pay and remove such lien or furnish security or indemnify Landlord in a manner satisfactory to Landlord in its sole discretion to protect Landlord against any defense or expense arising from such lien. Except during any period in which Tenant appeals any judgment or obtains a rehearing of any such lien, or in the event judgment is stayed, Tenant shall immediately pay any judgment rendered against Tenant, with all proper costs and charges, and shall have the lien released and any judgment satisfied. If Tenant fails to pay and remove any lien or contest such lien in accordance herewith, Landlord, at its election, may pay and satisfy same, and all sums so paid by Landlord shall become immediately due and payable by Tenant, with interest from the date of payment at the rate set at 12% per annum provided that such rate shall not be deemed usurious by any Federal, State, or Local law.

## **SECTION 6. INSURANCE AND INDEMNIFICATION**

6.1 Insurance. Tenant shall procure and maintain at all times, at Tenant's own expense (or at the expense of service providers, as applicable), at all times during the Term, the insurance coverages and requirements specified below, insuring all operations related to the Lease. Tenant shall also require any service provider to procure and maintain the same type and amounts of insurance that is required of Tenant. The kind and amounts of insurance required are as follows:

- (a) Worker's Compensation and Employer's Liability. Workers Compensation as prescribed by applicable law, covering all employees who are to provide a service under this Lease, and Employer's Liability Insurance with limits of not less than \$500,000 each accident, illness or disease.
- (b) Commercial General Liability (Primary and Umbrella). Commercial General Liability Insurance or equivalent, with limits of not less than \$3,000,000 per occurrence, for bodily injury, personal injury, and property damage liability. Coverage shall include the following: All premises and operations, products/completed operations, defense, separation of insureds, and contractual liability (not to include Endorsement CG 21 39 or equivalent).

The City of Chicago shall be named as an additional insured under the policy. Such additional insured coverage shall be provided on CG 20 10 or on a similar additional insured form acceptable to the City. The additional insured coverage shall not have any limiting endorsements or language under the policy such as, but not limited to, Tenant's sole negligence or the Additional Insured's vicarious liability. Tenant's liability insurance

shall be primary without right of contribution by any other insurance or self-insurance maintained by or available to the City.

(c) Automobile Liability Insurance (Primary and Umbrella). When any motor vehicles (owned, non-owned and hired) are used in connection with the Lease, Tenant shall provide and maintain Automobile Liability Insurance with limits of not less than \$1,000,000 per occurrence for bodily injury and property damage. The City of Chicago shall be named as an additional insured on a primary, non-contributory basis.

(d) Medical Professional Liability. Medical Professional Liability coverage with limits of not less than \$5,000,000 including prior Acts coverage, such instances covering Tenant against any claim made against Tenant arising out of a medical incident involving the rendering of or a failure to render professional services or out of the performance of the services in Tenant's capacity toward the Landlord as professional consultant, whether caused by an error, omission or act of the Tenant, of any person employed by Tenant or any others for whose actions or omissions Tenant is legally liable. The policy shall have an extended reporting period of two (2) years. When policies are renewed or replaced the policy retroactive date must coincide with or precede the start of work.

The Tenant shall be responsible for all loss or damage personal property (including, but not limited to materials, equipment, tools and supplies), owned, rented or used by Tenant.

6.2 Other Terms of Insurance. Tenant will furnish the City of Chicago, Department of Fleet and Facility Management, Office of Real Estate Management, 30 North LaSalle Street, Suite 300, Chicago, Illinois 60602, original Certificates of Insurance evidencing the required coverage to be in force on the date of this Lease, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the Term. Tenant shall submit evidence of insurance prior to execution of the Lease. The receipt of any certificate does not constitute agreement by Landlord that the insurance requirements in this Lease have been fully met or that the insurance policies indicated on the certificate are in compliance with all requirements in the Lease. The failure of Landlord to obtain certificates or other insurance evidence from Tenant shall not be deemed to be a waiver by Landlord. Tenant shall advise all insurers of the Lease provisions regarding insurance. Non-conforming insurance shall not relieve Tenant of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Lease and the Landlord retains the right to terminate or suspend the Lease until proper evidence of insurance is provided.

The Tenant shall provide for 60 days prior written notice to be given to the Landlord in the event coverage is substantially changed, cancelled, or non-renewed if Tenant has knowledge of such cancellation or change in coverage. In any event, Tenant shall provide Landlord with notice promptly after Tenant receives same, if any is received by Tenant.

Any and all deductibles or self-insured retentions on referenced Tenant insurance coverages shall be borne by Tenant.

Tenant hereby grants to the Landlord a waiver of any right of subrogation which any insurer of Tenant may acquire against the Landlord by virtue of the payment of any loss under the insurance. Tenant agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the Landlord has received a waiver of subrogation endorsement from the insurer(s).

Tenant expressly understands and agrees that any coverages and limits furnished by Tenant shall in no way limit the Tenant's liabilities and responsibilities specified in this Lease or by law.

Tenant expressly understands and agrees that its insurance is primary and any insurance or self-insurance programs maintained by the Landlord shall not contribute with insurance provided by Tenant.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Lease or any limitation placed on the indemnity in this Lease given as a matter of law.

If Tenant is a joint venture or limited liability company, the insurance policies shall name the joint venture or limited liability company as a named insured.

If Tenant maintains higher limits than the minimums shown above, Landlord shall be entitled to coverage for the higher limits maintained by Tenant. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the Landlord.

Notwithstanding any provision to the contrary, the City of Chicago, Department of Finance, Office of Risk Management, maintains the rights to modify, delete, alter or change these requirements at any time during the Term of Lease.

6.3 Tenant's Indemnification. Tenant shall indemnify, defend, and hold Landlord harmless against all liabilities, judgments, amounts paid in settlement, arbitration or mediation awards, costs, damages, and expenses (including reasonable attorney's fees, expenses, and court costs), whether such claim is related to or arises from personal injury or property damage which may be expended by or accrue against, be charged to, or be recovered from Landlord or Tenant by reason of Tenant's performance of or failure to perform any of Tenant's obligations under this Lease or Tenant's negligent acts or failure to act, or resulting from the acts or failure to act of Tenant's contractors, respective officers, directors, agents, or employees. Notwithstanding the foregoing, Tenant shall not indemnify Landlord for liabilities arising out of Landlord's negligence or misconduct. This Section shall survive the expiration or termination of this Lease.

**SECTION 7. CONFLICT OF INTEREST AND GOVERNMENTAL ETHICS**

7.1 Conflict of Interest. No official or employee of the City of Chicago, nor any member of any board, commission or agency of the City of Chicago, shall have any financial interest (as defined in Chapter 2-156 of the Municipal Code of Chicago), either direct or indirect, in the Premises. No such official, employee, or member shall participate in making or in any way attempt to use his or her position to influence any City governmental decision or action with respect to this Lease.

7.2 Duty to Comply with Governmental Ethics Ordinance. Landlord and Tenant shall comply with Chapter 2-156 of the Municipal Code of Chicago, "Governmental Ethics," including, but not limited to, section 2-156-120, which states that no payment, gratuity, or offer of employment shall be made in connection with any City of Chicago contract as an inducement for the award of that contract or order. Any contract or lease negotiated, entered into, or performed in violation of any of the provisions of Chapter 2-156 shall be voidable in the sole discretion of the City.

**SECTION 8. ADDITIONAL RESPONSIBILITIES OF TENANT**

8.1 Custodial Services. Tenant shall provide and pay for custodial services and shall be responsible for keeping the Premises clean and free of debris. Tenant shall provide and pay for any exterminator service whenever such services are reasonably necessary.

8.2 Scavenger/Dumpster Services. Tenant shall provide and pay for scavenger/dumpster services for the Premises.

8.3 Security. Tenant is responsible for properly securing the Premises during the Term.

8.4 Maintenance of Premises. Tenant shall maintain the interior of the Premises, including fixtures located within the Premises, such as sinks, toilets, and light fixtures.

8.5 Fire Protection. Tenant shall provide and maintain smoke detectors, carbon monoxide detectors, and fire extinguishers in the Premises at all times as required by applicable Laws.

8.6 Accessibility. Tenant is responsible for ensuring that the Premises comply with all applicable Laws regarding accessibility standards for persons with disabilities or environmentally limited persons, including the following: the Americans with Disabilities Act of 1990, 42 U.S.C. § 12101 et seq., and the Americans with Disabilities Act Accessibility Guidelines for Buildings and Facilities, the Architectural Barriers Act Pub. L, 90-480 (1968), and the Uniform Federal Accessibility Standards; and the Illinois Environmental Barriers Act, 410 ILCS 25/L et seq. and all regulations promulgated thereunder, see Illinois Administrative

Code, Title 71, Chapter 1, Section 400.110. If the above standards are inconsistent, Tenant must assure that the Premises comply with the standard providing the greatest accessibility.

8.7 Repairs for Tenant Negligence, Vandalism, or Misuse. Tenant shall not destroy, deface, damage, impair, nor remove any part of the Premises or facilities, equipment or appurtenances, unless approved as part of an alteration, addition, or improvement under this Lease. Tenant shall assume all responsibility for any repairs to the Premises necessitated by the negligence, vandalism, or misuse of the Premises or equipment therein by Tenant's employees, clients, invitees, agents, or contractors.

8.8 Hazardous Substances. Tenant shall not use or store any Hazardous Substances (defined below) on the Premises except those routinely found in a medical clinic. Tenant shall promptly notify the Landlord if Tenant discovers any Hazardous Substances on the Premises. As used in this Lease, the term "Hazardous Substances" shall mean any toxic substance, hazardous material, hazardous chemical or hazardous, toxic or dangerous waste defined or qualifying as such in (or for the purposes of) any Environmental Laws (as defined hereunder), or any pollutant, toxic vapor, or contaminant, and shall include, but not be limited to, polychlorinated biphenyls (PCBs), crude oil, any fraction thereof, or refined petroleum products such as oil, gasoline, or other petroleum-based fuels, lead paint, asbestos or asbestos-containing materials, urea formaldehyde, any radioactive material or by-product material, radon and mold. "Environmental Laws" shall mean any and all Laws, permits and other requirements or guidelines of governmental authorities applicable to the Premises and relating to the regulation and protection of human health, safety, the environment, natural resources or to any Hazardous Substances, including without limitation, any Laws requiring the filing of reports and notices relating to Hazardous Substances.

8.9 Permits. For any activity which Tenant desires to conduct on the Premises in which a license or permit is required, said license or permit must be obtained by Tenant prior to using the Premises for such activity. The Department of Fleet and Facility Management must be notified of any such license or permit. Failure to obtain a required license or permit shall constitute a material breach of the terms of this Lease. Tenant understands that this Lease shall in no way act as a substitute for any other permitting or approvals that may be required to undertake any activities on the Premises.

8.10 Signage. Tenant may place exterior and interior signage on the Premises and/or Building. Such signage and placement must be approved in writing by the Commissioner of the Department of Fleet and Facility Management, such approval not to be unreasonably withheld.

8.11 Landlord's Personal Property. Tenant acknowledges that there exists certain fixtures, machinery, equipment, appurtenances and other property (taken together "the Equipment") furnished or installed and owned by Landlord that shall remain part of the leased Premises and may be used by Tenant. Tenant shall perform, or have performed by a reputable maintenance professional, routine care and maintenance of the Equipment up to an expense not to exceed fifty (50) percent of the current value of the Equipment. However, Tenant shall not be required to repair or replace any Equipment, the cost of which would be above fifty (50) percent

of the value of the Equipment, except if such damage or destruction is due to Tenant's negligence or misuse of the Equipment. At the end of Tenant's tenancy Tenant shall return all Equipment in the same condition it received the Equipment, normal wear and tear excepted.

8.12 Trade Fixtures. Tenant shall maintain Tenant's equipment and trade fixtures in the Premises in good condition. Upon the termination or cancellation of this Intergovernmental Agreement, Tenant shall remove Tenant's personal property and equipment, provided that Tenant shall repair any injury or damage to the Premises and/or Building resulting from such removal. If Tenant does not remove Tenant's furniture, machinery, trade fixtures and all other items of personal property, Landlord may, at its option, remove the same and deliver them to any other place of business of Tenant or warehouse the same. Tenant shall pay the cost of such removal, including the repair for such removal, delivery and warehousing, to Landlord on demand, or Landlord may treat such property as being conveyed to Landlord with this Lease serving as a bill of sale, without further payment or credit by Landlord to Tenant.

8.13 Full Liability. Tenant assumes full legal and financial responsibility and liability for any and all use of the Premises by Tenant, Tenant's employees, clients, invitees, contractors, and any other person entering the Premises.

8.14 Condition at Termination. Upon the termination of this Lease, Tenant shall surrender the Premises to the Landlord in the same or better condition to the condition of the Premises at the beginning of Tenant's occupancy of the Premises. Tenant shall remove all equipment and/or materials placed on the Premises by Tenant or anyone acting by or under Tenant. Said removal shall be without cost to Landlord.

8.15 No Alcoholic Beverages. Tenant agrees that alcoholic beverages shall not be sold, given away, or consumed on the Premises.

8.16 Illegal Activity. Tenant shall not perform or permit any practice that is illegal or injurious to the Premises or unreasonably disturbs other tenants.

8.17 Non-Discrimination. Tenant agrees that Tenant shall not discriminate on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, immigration status, sexual orientation, marital status, parental status, military discharge status, or source of income in the use or occupancy of the Premises.

8.18 Economic Disclosure Statement Affidavit Updates. Throughout the Term, Tenant shall provide Landlord with any material updates to the information submitted in Tenant's Economic Disclosure Statement and Affidavit. Landlord may also request such updates from time to time. Failure to provide such information on a timely basis shall constitute a default under this Lease.

**SECTION 9. MISCELLANEOUS**

Any notice, demand or request which shall be served upon Tenant by Landlord, or upon Landlord by Tenant, in the manner aforesaid, shall be deemed to be sufficiently served or given for all purposes hereunder at the time such notice, demand or request shall be mailed.

9.2 Partial Invalidity. If any covenant, condition, provision, term or agreement of this Lease shall, to any extent, be held invalid or unenforceable, the remaining covenants, conditions, provisions, terms and agreements of this Lease shall not be affected thereby, but each covenant, condition, provision, term or agreement of this Lease shall be valid and in force to the fullest extent permitted by law.

9.3 Governing Law. This Lease shall be construed and be enforceable in accordance with the laws of the State of Illinois.

9.4 Entire Agreement. All preliminary and contemporaneous negotiations are merged into and incorporated in this Lease. This Lease contains the entire agreement between the parties and shall not be modified or amended in any manner except by an instrument in writing executed

by the parties hereto. This Lease may be executed in several duplicate counterparts, each of which shall be deemed an original of this Lease for all purposes.

9.5 Captions and Section Numbers. The captions and section numbers appearing in this Lease are inserted only as a matter of convenience and in no way define, limit, construe or describe the scope or intent of such sections of this Lease nor in any way affect this Lease.

9.6 Binding Effect of Lease. The covenants, agreements, and obligations contained in this Lease shall extend to, bind, and inure to the benefit of the parties hereto and their legal representatives, heirs, successors, and assigns, and is subject to no contingencies or conditions except as specifically provided herein.

9.7 Time is of the Essence. Time is of the essence of this Lease and of each and every provision hereof.

9.8 No Principal/Agent or Partnership Relationship. Nothing contained in this Lease shall be deemed or construed by the parties hereto nor by any third party as creating the relationship of principal and agent or of partnership or of joint venture between the parties hereto.

9.9 Authorization to Execute Lease. The parties executing this Lease hereby represent and warrant that they are the duly authorized and acting representatives of Landlord and Tenant respectively.

9.10 Termination of Lease. Landlord and Tenant shall have the right to terminate this Lease for convenience without penalty by providing the other party with ninety (90) days prior written notice.

9.11 Holding Over. Any holding over by Tenant shall be construed to be a tenancy from month to month beginning on January 1, 2023 and the Rent shall be at the same rate as set forth in Section 3.1 of this Lease. During such holding over all other provisions of this Lease shall remain in full force and effect.

9.12 Force Majeure. When a period of time is provided in this Lease for either party to do or perform any act or thing, the party shall not be liable or responsible for any delays due to strikes, lockouts, casualties, acts of God, wars, governmental regulation or control, and other causes beyond the reasonable control of the party, and in any such event the time period shall be extended for the amount of time the party is so delayed.

9.13 Tenant Default. Tenant must adhere to all provisions of this Lease. Failure of Tenant to adhere to all provisions of this Lease will result in default. In the event of such default, Landlord will notify Tenant in writing as to the circumstances giving rise to such default. Upon written receipt of such notice, Tenant must cure such default within ten (10) business days. If Tenant does not cure such default within ten (10) business days, Landlord may cancel this Lease with five (5) days written notice.

9.14 No Brokers. The Department of Fleet and Facility Management, Office of Real Estate Management, does not use brokers, tenant representatives, or other finders. Tenant warrants to Landlord that no broker, landlord or tenant representative, or other finder (a) introduced Tenant to Landlord, (b) assisted Tenant in the negotiation of this Lease, or (c) dealt with Tenant on Tenant's behalf in connection with the Premises or this Lease. Under no circumstances shall Tenant make any payments due hereunder to any broker(s).

9.15 Amendments. From time to time, the parties hereto may amend this Lease without City Council approval with respect to any provisions reasonably related to Tenant's use of the Premises and/or Landlord's administration of this Lease, including, but not limited to, amendments to permit the expansion of Tenant's Premises. Provided, however, that such amendment(s) shall not serve to extend the Term hereof nor serve, in the sole opinion of the Landlord, to otherwise materially alter the essential provisions contained herein. Such amendment(s) shall be in writing, shall establish the factual background necessitating such alteration, shall set forth the terms and conditions of such modification, and shall be duly executed by both Landlord and Tenant. Such amendment(s) shall only take effect upon execution by both parties. Upon execution, such amendment(s) shall become a part of this Lease and all other provisions of this Lease shall otherwise remain in full force and effect.

## **SECTION 10. TENANT DISCLOSURES AND AFFIRMATIONS**

10.1 Business Relationships. Tenant acknowledges (A) receipt of a copy of Section 2-156-030(b) of the Municipal Code of Chicago, (B) that it has read such provision and understands that pursuant to such Section 2-156-030(b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (C) notwithstanding anything to the contrary contained in this Lease, that a violation of Section 2-156-030(b) by an elected official, or any person acting at the direction of such official, with respect to this Lease shall be grounds for termination of this Lease. Tenant hereby represents and warrants that no violation of Section 2-156-030(b) has occurred with respect to this Lease.

10.2 Patriot Act Certification. Tenant represents and warrants that neither Tenant nor any Affiliate (as hereafter defined) thereof is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable Laws: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. As used in this Section, an "Affiliate" shall be deemed to be a person or entity related to Tenant that, directly or indirectly, through one or more intermediaries,

controls, is controlled by or is under common control with Tenant, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

10.3 Prohibition on Certain Contributions-Mayoral Executive Order No. 2011-4. Tenant agrees that Tenant, any person or entity who directly or indirectly has an ownership or beneficial interest in Tenant of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Tenant's contractors (i.e., any person or entity in direct contractual privity with Tenant regarding the subject matter of this Lease) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Tenant and all the other preceding classes of persons and entities are together the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (a) after execution of this Lease by Tenant, (b) while this Lease or any Other Contract (as hereinafter defined) is executory, (c) during the Term of this Lease or any Other Contract, or (d) during any period while an extension of this Lease or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to May 16, 2011, the effective date of Executive Order 2011-4.

Tenant represents and warrants that from the later of (a) May 16, 2011, or (b) the date the City approached Tenant, or the date Tenant approached the City, as applicable, regarding the formulation of this Lease, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Tenant agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Tenant agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Notwithstanding anything to the contrary contained herein, Tenant agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Lease, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this Lease, and under any Other Contract, at law and in equity.

This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Tenant intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the execution of this Lease, the City may elect to decline to lease the Premises to Tenant or to terminate the Lease after execution.

For purposes of this provision:

(a) “Bundle” means to collect contributions from more than one source, which contributions are then delivered by one person to the Mayor or to his political fundraising committee.

(b) “Other Contract” means any other agreement with the City of Chicago to which Tenant is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council.

(c) “Contribution” means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

(d) Individuals are “domestic partners” if they satisfy the following criteria:

- (i) they are each other's sole domestic partner, responsible for each other's common welfare; and
- (ii) neither party is married; and
- (iii) the partners are not related by blood closer than would bar marriage in the State of Illinois; and
- (iv) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
- (v) two of the following four conditions exist for the partners:
  - (1) The partners have been residing together for at least 12 months.
  - (2) The partners have common or joint ownership of a residence.
  - (3) The partners have at least two of the following arrangements:
    - (A) joint ownership of a motor vehicle;
    - (B) joint credit account;
    - (C) a joint checking account;
    - (D) a lease for a residence identifying both domestic partners as tenants.
  - (4) Each partner identifies the other partner as a primary beneficiary in a will.

(e) “Political fundraising committee” means a “political fundraising committee” as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

10.4 Waste Ordinance Provisions. In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Tenant warrants and represents that it, and to the best of its knowledge, its Contractors and its subcontractors regarding the subject matter of this Lease (“Subcontractors”), have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the “Waste Sections”). During the period while this Lease is executory, Tenant’s, any general Contractor’s or any Subcontractor’s violation of the Waste Sections, whether or not relating to the performance of this Lease, constitutes a breach of and an event of default under this Lease, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Commissioner of the Department of Fleet and Facility Management. Such breach and default entitles the City to all remedies under this Lease, at law or in equity. This section does not limit Tenant’s, its general Contractors’ and its Subcontractors’ duty to comply with all applicable federal, state, county and municipal Laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Lease. Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Lease, and may further affect the Tenant’s eligibility for future contract awards.

10.5 Failure to Maintain Eligibility to do Business with City. Failure by Tenant or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of this Lease and the transactions contemplated thereby. Tenant shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

10.6 Cooperation with Office of Inspector General and Legislative Inspector General. It is the duty of Tenant and any bidder, proposer, contractor, subcontractor, and every applicant for certification of eligibility for a City contract or program, and all officers, directors, agents, partners, and employees of any such grantee, subgrantee, bidder, proposer, contractor, subcontractor or such applicant to cooperate with the Legislative Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-55 of the Municipal Code, and to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code. Tenant represents and warrants that it understands and will abide by all provisions of Chapter 2-55 and Chapter 2-56 of the Municipal Code and that Tenant will inform its Contractors and Subcontractors of this provision and require their compliance.

10.7 2014 Hiring Plan Prohibitions.

(i) The City is subject to the June 16, 2014 “City of Chicago Hiring Plan”, as amended (the “2014 City Hiring Plan”) entered in *Shakman v. Democratic Organization of Cook County*, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the 2014 City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(ii) Tenant is aware that City policy prohibits City employees from directing any individual to apply for a position with Tenant, either as an employee or as a subcontractor, and

from directing Tenant to hire any individual as an employee or as a subcontractor. Accordingly, Tenant must follow its own hiring and contracting procedures, without being influenced by City or City employees. Any and all personnel provided by Tenant under this Lease are employees or subcontractors of Tenant, not employees of the City. This Lease is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Tenant.

(iii) Tenant will not condition, base, or knowingly prejudice or affect any term or aspect of the employment of any personnel provided under this Lease, or offer employment to any individual to provide services under this Lease, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Lease, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(iv) In the event of any communication to Tenant by a City employee or City official in violation of paragraph (ii) above, or advocating a violation of paragraph (iii) above, Tenant will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("OIG Hiring Oversight"), and also to the head of the relevant City department utilizing services provided under this Lease. Tenant will also cooperate with any inquiries by OIG Hiring Oversight.

**IN WITNESS WHEREOF**, the parties have executed this Lease as of the date first written above.

### RECITALS

**WHEREAS**, Landlord is the owner of the real property commonly known as 2847-61 North Clark Street, Chicago, Cook County, Illinois, which is improved with a building (“**Building**”) used as the Lakeview Neighborhood Health Center; and

**WHEREAS**, Tenant wishes to provide mental health services, substance abuse services, group therapy, and wellness classes at the Lakeview Neighborhood Health Center; and

**WHEREAS**, Landlord has agreed to lease to Tenant, and Tenant has agreed to lease from Landlord, the entire second floor of the Building, consisting of approximately 10,909 square feet of space, and approximately 3,230 square feet of clinical space on the first floor of the Building.

**NOW THEREFORE**, in consideration of the covenants, terms, and conditions set forth herein, the parties agree and covenant as follows:

### **SECTION 1. GRANT**

1.1 Grant. Landlord hereby leases to Tenant, and Tenant hereby leases from Landlord, the following described premises situated in the City of Chicago, County of Cook, State of Illinois, to wit:

Approximately 10,909 square feet of space which constitutes the entire second floor of the Building, and approximately 3,230 square feet of clinical space on the first floor of the Building, located on that certain parcel of real estate more commonly known as 2847-61 North Clark Street, Chicago, Illinois, PIN 14-28-120-017 (the “**Premises**”), as further depicted on Exhibit A attached hereto.

### **SECTION 2. TERM**

2.1 Term. The term of this Lease (the “**Term**”) shall begin on the Commencement Date and shall end on December 31, 2026, unless sooner terminated as set forth in this Lease.

### **SECTION 3. RENT, TAXES, AND UTILITIES**

3.1 Rent. Tenant shall pay base rent for the Premises in the amount of One Dollar (\$1.00) for the entire Term, with the receipt and sufficiency of said sum hereby acknowledged by both parties. The term "Rent" as used herein means the base rent of \$1.00 plus all other payments due under this Lease of any kind or nature.

3.2 Taxes. Tenant acknowledges that Premises are exempt from leasehold, real estate, and other property taxes. Tenant shall pay when due any leasehold, real estate, and other property taxes assessed or levied on the Premises where attributable to Tenant's use of the Premises. Tenant shall pay such amounts and Tenant shall provide Landlord with proof of such payment within ten (10) days of such payment. Tenant further acknowledges that real estate taxes are one (1) year in arrears in Cook County and that as a result Tenant shall be responsible for satisfaction of leasehold, real estate, and other property taxes assessed or levied on the Premises on account of Tenant's use for at least one year after Tenant vacates the Premises. Tenant's failure to pay any such taxes shall constitute a default under this Lease. Notwithstanding the foregoing, nothing herein shall preclude Tenant from contesting any charge or tax levied against the Premises. The failure of Tenant to pay such taxes during the pendency of the contest shall not constitute a default under this Lease. Tenant's tax responsibilities under this section shall survive the expiration, cancellation, or termination of this Lease.

3.3 Operating Costs. Tenant shall reimburse Landlord's Operating Costs for the Premises as delineated pursuant to Section 3.3.a below beginning on the Commencement Date as reimbursement for Landlord's costs to operate the Building and the Premises.

a. Calculation of Operating Costs. Tenant shall pay for Operating Costs (as hereinafter defined) incurred by Landlord with regards to Tenant's "Proportionate Use" of the Building. This Proportionate Use shall be based on the square footage leased by Tenant divided by the Building's total square footage. The Building's total square footage is approximately 26,969 square feet and Tenant's leasehold is approximately 14,139 square feet, which comprises 52.4% of the Building's total square footage. "Operating Costs" shall be based on Tenant's 52.4% Proportionate Use. Operating Costs shall include (i) all utilities (including, but not limited to gas, electricity, and water), (ii) security services for the Building (not the Premises), (iii) landscaping and snow removal, (iv) ~~common~~ area maintenance and maintenance of the building envelope, roof, and structural components, (v) maintenance of electrical, plumbing, and HVAC systems, and (vi) Tenant's allocable share of other costs incurred by Landlord in operating and maintaining the Building (excluding (a) any capital repairs or improvements that may be required, (b) repairs required by casualty, or (c) costs that are specific and isolated to other tenants' space within the Building). Tenant shall separately contract for custodial services, telephone services, and other communication services at the Premises. For 2016, Tenant's Operating Costs are estimated to be, and Tenant shall initially pay, \$5,563.90 per month (subject to subsequent accounting and adjustment which may serve to increase or decrease these estimated Operating Costs for 2016 and/or subsequent years).

b. Reimbursement Procedure. Each calendar year and as soon as Landlord can secure data for the prior year's operating costs, Landlord shall provide Tenant with the estimate the annual estimated Operating Costs for such year. Tenant shall pay to Landlord, one-twelfth (1/12) of such amount in equal monthly installments, on the first day of each month during such year following billing by Landlord. Once full data becomes available, Landlord shall provide Tenant with the actual Operating Costs for the previous year and a statement with reasonable supporting documentation as to whether Tenant has underpaid or overpaid said Operating Costs. In the event Tenant's payments during the previous calendar year are less than the actual Operating Costs due from Tenant, such underpayment shall be included in Tenant's subsequent monthly installment(s) of Operating Costs spread out for the remainder of the year, or, if said underpayment shall have been made in the last year of the Term, Tenant shall refund said underpayment to Landlord within thirty (30) days. If Tenant's installments during the previous calendar year are more than the actual Operating Costs due from Tenant, Landlord shall credit said amount against Tenant's subsequent monthly installment(s) of Operating Costs for the remainder of the year, or, if said overpayment shall have been made in the last year of the Term, Landlord shall refund said overpayment to Tenant within thirty (30) days.

Operating Costs shall be paid to Landlord at the Department of Finance, Warrants for Collection, City Hall, 121 North LaSalle, Room 107, Chicago, Illinois 60602 or at such place as Landlord may from time to time, hereby designate in writing to Tenant. Landlord shall invoice Tenant for such Operating Costs on a monthly basis. In the event that Tenant does not receive such invoice from Landlord, Tenant shall contact Landlord. Landlord's failure to invoice Tenant for Operating Costs or other expenses does not constitute a waiver of any such charges.

3.4 Accord and Satisfaction. No payment by Tenant or receipt by Landlord of a lesser amount than any installment or payment of the Rent or any amounts due hereunder shall be deemed to be other than on account of the amount due, and no endorsement of statement or any check or any letter accompanying any check or payment of Rent shall be deemed an accord and satisfaction. Landlord may accept such check or payment without prejudice as to Landlord's right to recover the balance of such installment or payment or to pursue any other remedies available to Landlord.

#### **SECTION 4. CONDITION AND ENJOYMENT OF PREMISES, ALTERATIONS, ADDITIONS, AND SURRENDER**

4.1 Satisfaction with Condition. Tenant agrees that Tenant has inspected the Premises and all related areas and grounds and that Tenant is satisfied with the physical condition thereof and accepts the Premises in its "As-Is" condition.

4.2 Covenant of Quiet Enjoyment. Landlord covenants and agrees that Tenant, upon paying the Rent and upon observing and keeping the covenants, agreements, and conditions of this Lease on its part to be kept, observed, and performed, shall lawfully occupy and enjoy the

Premises (subject to the provisions of this Lease) during the Term without hindrance or molestation by Landlord.

4.3 Tenant's Duty to Maintain Premises. Tenant shall, at Tenant's expense, keep the Premises in a condition of good repair and order, and in compliance with all applicable provisions of the Municipal Code of Chicago. If Tenant shall refuse or neglect to make needed repairs within fifteen (15) days after written notice thereof sent by Landlord, unless such repair cannot be remedied within fifteen (15) days, and Tenant shall have commenced and is diligently pursuing all necessary action to remedy such repair, Landlord, at Landlord's option, is authorized to either make such repairs and Tenant will, within thirty (30) business days of demand, reimburse Landlord for the reasonable cost thereof, or Landlord can immediately terminate this Lease by providing the Tenant with written notice thereof. Landlord shall have the right of access to the Premises for the purpose of inspecting and making repairs to the Premises, provided that, except in the case of emergencies, Landlord shall first give notice to Tenant of its desire to enter the Premises and will schedule its entry so as to minimize any interference with Tenant's use of the Premises. The Landlord shall maintain the common systems (including, without limitation, heating, plumbing, air-conditioning, electricity and such other common systems as may be present in the Building); the roof of the Building; all exterior walls; the structure and frame of the Building; and the interior walls, ceilings, fixtures.

4.4 Use of the Premises. Tenant shall use the Premises only as a mental health clinic. Tenant shall not use the Premises in a manner that would violate any laws, ordinances, orders, rules, regulations, and requirements of all federal, state and municipal governmental departments (collectively – the "Laws") which may be applicable to the Premises or to the use or manner of use of the Premises. Tenant further covenants not to do or suffer any waste or damage, comply in all respects with the Laws and requirements of all federal, state, and municipal governmental departments which may be applicable to the Premises or to the use or manner of use of the Premises.

4.5 Alterations, Additions and Improvements. Within twelve months of the Commencement Date, Tenant shall complete façade improvements to the Building to provide windows to Tenant's first floor premises and to enhance the aesthetic appearance of the Building's façade. Tenant shall provide copies of the plans for these improvements to the City's Department of Fleet and Facility Management for approval prior to commencing work.

Tenant may not make any other alterations, additions, or improvements to the Premises without the prior written approval of the Commissioner of the Department of Fleet and Facility Management. All alterations, additions, and improvements shall be in full compliance with the applicable Laws. Landlord shall not be obligated to pay for any alterations, additions, or improvements to the Premises.

**SECTION 5. ASSIGNMENT, SUBLEASE, AND LIENS**

5.1 Assignment and Sublease. Tenant shall not assign this Lease in whole or in part, or sublet or license the Premises or any part thereof, without Landlord's prior written consent.

5.2 Tenant's Covenant against Encumbering Title. Tenant shall not do any act which shall in any way encumber the fee simple estate of Landlord in and to the Premises, nor shall the interest or estate of Landlord in the Premises be in any way subject to any claim by way of lien or encumbrance, whether by operation of law or by virtue of any express or implied contract by Tenant. Any claim to, or lien upon, the Premises arising from any act or omission of Tenant shall accrue only against the leasehold estate of Tenant and shall be subject to and subordinate to the paramount title and rights of Landlord in and to the Premises.

5.3 Tenant's Covenant against Liens. Tenant shall not permit the Premises to become subject to any mechanic's, laborer's, or materialmen's liens on account of labor or material furnished to Tenant or claimed to have been furnished to Tenant. In case of any such lien attaching, Tenant shall immediately pay and remove such lien or furnish security or indemnify Landlord in a manner satisfactory to Landlord in its sole discretion to protect Landlord against any defense or expense arising from such lien. Except during any period in which Tenant appeals any judgment or obtains a rehearing of any such lien, or in the event judgment is stayed, Tenant shall immediately pay any judgment rendered against Tenant, with all proper costs and charges, and shall have the lien released and any judgment satisfied. If Tenant fails to pay and remove any lien or contest such lien in accordance herewith, Landlord, at its election, may pay and satisfy same, and all sums so paid by Landlord shall become immediately due and payable by Tenant, with interest from the date of payment at the rate set at 12% per annum provided that such rate shall not be deemed usurious by any Federal, State, or Local law.

**SECTION 6. INSURANCE AND INDEMNIFICATION**

6.1 Insurance. Tenant shall procure and maintain at all times, at Tenant's own expense (or at the expense of service providers, as applicable), at all times during the Term, the insurance coverages and requirements specified below, insuring all operations related to the Lease. Tenant shall also require any service provider to procure and maintain the same type and amounts of insurance that is required of Tenant. The kind and amounts of insurance required are as follows:

(a) Worker's Compensation and Employer's Liability. Workers Compensation as prescribed by applicable law, covering all employees who are to provide a service under this Lease, and Employer's Liability Insurance with limits of not less than \$500,000 each accident, illness or disease.

(b) Commercial General Liability (Primary and Umbrella). Commercial General Liability Insurance or equivalent, with limits of not less than \$3,000,000 per occurrence, for bodily injury, personal injury, and property damage liability. Coverage shall include the following: All premises and operations, products/completed operations, defense,

separation of insureds, and contractual liability (not to include Endorsement CG 21 39 or equivalent).

The City of Chicago shall be named as an additional insured under the policy. Such additional insured coverage shall be provided on CG 20 10 or on a similar additional insured form acceptable to the City. The additional insured coverage shall not have any limiting endorsements or language under the policy such as, but not limited to, Tenant's sole negligence or the Additional Insured's vicarious liability. Tenant's liability insurance shall be primary without right of contribution by any other insurance or self-insurance maintained by or available to the City.

(c) Automobile Liability Insurance (Primary and Umbrella). When any motor vehicles (owned, non-owned and hired) are used in connection with the Lease, Tenant shall provide and maintain Automobile Liability Insurance with limits of not less than \$1,000,000 per occurrence for bodily injury and property damage. The City of Chicago shall be named as an additional insured on a primary, non-contributory basis.

(d) Medical Professional Liability. Medical Professional Liability coverage with limits of not less than \$5,000,000 including prior Acts coverage, such instances covering Tenant against any claim made against Tenant arising out of a medical incident involving the rendering of or a failure to render professional services or out of the performance of the services in Tenant's capacity toward the Landlord as professional consultant, whether caused by an error, omission or act of the Tenant, of any person employed by Tenant or any others for whose actions or omissions Tenant is legally liable. The policy shall have an extended reporting period of two (2) years. When policies are renewed or replaced the policy retroactive date must coincide with or precede the start of work.

The Tenant shall be responsible for all loss or damage personal property (including, but not limited to materials, equipment, tools and supplies), owned, rented or used by Tenant.

6.2 Other Terms of Insurance. Tenant will furnish the City of Chicago, Department of Fleet and Facility Management, Office of Real Estate Management, 30 North LaSalle Street, Suite 300, Chicago, Illinois 60602, original Certificates of Insurance evidencing the required coverage to be in force on the date of this Lease, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the Term. Tenant shall submit evidence of insurance prior to execution of the Lease. The receipt of any certificate does not constitute agreement by Landlord that the insurance requirements in this Lease have been fully met or that the insurance policies indicated on the certificate are in compliance with all requirements in the Lease. The failure of Landlord to obtain certificates or other insurance evidence from Tenant shall not be deemed to be a waiver by Landlord. Tenant shall advise all insurers of the Lease provisions regarding insurance. Non-conforming insurance shall not relieve Tenant of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Lease and the Landlord retains the right to terminate or suspend the Lease until proper evidence of insurance is provided.

The Tenant shall provide for 60 days prior written notice to be given to the Landlord in the event coverage is substantially changed, cancelled, or non-renewed.

Any and all deductibles or self-insured retentions on referenced insurance coverages shall be borne by Tenant.

Tenant hereby grants to the Landlord a waiver of any right of subrogation which any insurer of Tenant may acquire against the Landlord by virtue of the payment of any loss under the insurance. Tenant agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the Landlord has received a waiver of subrogation endorsement from the insurer(s).

Tenant expressly understands and agrees that any coverages and limits furnished by Tenant shall in no way limit the Tenant's liabilities and responsibilities specified in this Lease or by law.

Tenant expressly understands and agrees that its insurance is primary and any insurance or self-insurance programs maintained by the Landlord shall not contribute with insurance provided by Tenant.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Lease or any limitation placed on the indemnity in this Lease given as a matter of law.

If Tenant is a joint venture or limited liability company, the insurance policies shall name the joint venture or limited liability company as a named insured.

If Tenant maintains higher limits than the minimums shown above, Landlord shall be entitled to coverage for the higher limits maintained by Tenant. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the Landlord.

Notwithstanding any provision to the contrary, the City of Chicago, Department of Finance, Office of Risk Management, maintains the rights to modify, delete, alter or change these requirements at any time during the Term of Lease.

6.3 Tenant's Indemnification. Tenant shall indemnify, defend, and hold Landlord harmless against all liabilities, judgments, amounts paid in settlement, arbitration or mediation awards, costs, damages, and expenses (including reasonable attorney's fees, expenses, and court costs), whether such claim is related to or arises from personal injury or property damage which may be expended by or accrue against, be charged to, or be recovered from Landlord or Tenant by reason of Tenant's performance of or failure to perform any of Tenant's obligations under this Lease or Tenant's negligent acts or failure to act, or resulting from the acts or failure to act of

Tenant's contractors, respective officers, directors, agents, or employees. This Section shall survive the expiration or termination of this Lease.

#### **SECTION 7. CONFLICT OF INTEREST AND GOVERNMENTAL ETHICS**

7.1 Conflict of Interest. No official or employee of the City of Chicago, nor any member of any board, commission or agency of the City of Chicago, shall have any financial interest (as defined in Chapter 2-156 of the Municipal Code of Chicago), either direct or indirect, in the Premises. No such official, employee, or member shall participate in making or in any way attempt to use his or her position to influence any City governmental decision or action with respect to this Lease.

7.2 Duty to Comply with Governmental Ethics Ordinance. Landlord and Tenant shall comply with Chapter 2-156 of the Municipal Code of Chicago, "Governmental Ethics," including, but not limited to, section 2-156-120, which states that no payment, gratuity, or offer of employment shall be made in connection with any City of Chicago contract as an inducement for the award of that contract or order. Any contract or lease negotiated, entered into, or performed in violation of any of the provisions of Chapter 2-156 shall be voidable in the sole discretion of the City.

#### **SECTION 8. ADDITIONAL RESPONSIBILITIES OF TENANT**

8.1 Custodial Services. Tenant shall provide and pay for custodial services and shall be responsible for keeping the Premises clean and free of debris. Tenant shall provide and pay for any exterminator service whenever such services are reasonably necessary.

If the above standards are inconsistent, Tenant must assure that the Premises comply with the standard providing the greatest accessibility.

8.7 Repairs for Tenant Negligence, Vandalism, or Misuse. Tenant shall not destroy, deface, damage, impair, nor remove any part of the Premises or facilities, equipment or appurtenances, unless approved as part of an alteration, addition, or improvement under this Lease. Tenant shall assume all responsibility for any repairs to the Premises necessitated by the negligence, vandalism, or misuse of the Premises or equipment therein by Tenant's employees, clients, invitees, agents, or contractors.

8.8 Hazardous Substances. Tenant shall not use or store any Hazardous Substances (defined below) on the Premises. Tenant shall promptly notify the Landlord if Tenant discovers any Hazardous Substances on the Premises. As used in this Lease, the term "Hazardous Substances" shall mean any toxic substance, hazardous material, hazardous chemical or hazardous, toxic or dangerous waste defined or qualifying as such in (or for the purposes of) any Environmental Laws (as defined hereunder), or any pollutant, toxic vapor, or contaminant, and shall include, but not be limited to, polychlorinated biphenyls (PCBs), crude oil, any fraction thereof, or refined petroleum products such as oil, gasoline, or other petroleum-based fuels, lead paint, asbestos or asbestos-containing materials, urea formaldehyde, any radioactive material or by-product material, radon and mold. 8.9 Permits. For any activity which Tenant desires to conduct on the Premises in which a license or permit is required, said license or permit must be obtained by Tenant prior to using the Premises for such activity. The Department of Fleet and Facility Management must be notified of any such license or permit. Failure to obtain a required license or permit shall constitute a material breach of the terms of this Lease. Tenant understands that this Lease shall in no way act as a substitute for any other permitting or approvals that may be required to undertake any activities on the Premises.

8.10 Full Liability. Tenant assumes full legal and financial responsibility and liability for any and all use of the Premises by Tenant, Tenant's employees, clients, invitees, contractors, and any other person entering the Premises.

8.11 Condition at Termination. Upon the termination of this Lease, Tenant shall surrender the Premises to the Landlord in the same or better condition to the condition of the Premises at the beginning of Tenant's occupancy of the Premises. Tenant shall remove all equipment and/or materials placed on the Premises by Tenant or anyone acting by or under Tenant, and Tenant shall replace the door locks to the Premises. Said removal and lock replacement shall be without cost to Landlord.

8.13 Illegal Activity. Tenant shall not perform or permit any practice that is illegal or injurious to the Premises or unreasonably disturbs other tenants.

8.14 Non-Discrimination. Tenant agrees that Tenant shall not discriminate on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, immigration status, sexual orientation, marital status, parental status, military discharge status, or source of income in the use or occupancy of the Premises.

8.15 Economic Disclosure Statement Affidavit Updates. Throughout the Term, Tenant shall provide Landlord with any material updates to the information submitted in Tenant's Economic Disclosure Statement and Affidavit. As used in this Section, an "Affiliate" shall be deemed to be a person or entity related to Tenant that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Tenant, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

10.3 Prohibition on Certain Contributions-Mayoral Executive Order No. 2011-4. Tenant agrees that Tenant, any person or entity who directly or indirectly has an ownership or beneficial interest in Tenant of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Tenant's contractors (i.e., any person or entity in direct contractual privity with Tenant regarding the subject matter of this Lease) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Tenant and all the other preceding classes of persons and entities are together the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (a) after execution of this Lease by Tenant, (b) while this Lease or any Other Contract (as hereinafter defined) is executory, (c) during the Term of this Lease or any Other Contract, or (d) during any period while an extension of this Lease or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to May 16, 2011, the effective date of Executive Order 2011-4.

Tenant represents and warrants that from the later of (a) May 16, 2011, or (b) the date the City approached Tenant, or the date Tenant approached the City, as applicable, regarding the formulation of this Lease, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Tenant agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's

political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Tenant agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Notwithstanding anything to the contrary contained herein, Tenant agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Lease, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this Lease, and under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Tenant intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the execution of this Lease, the City may elect to decline to lease the Premises to Tenant or to terminate the Lease after execution.

For purposes of this provision:

(a) “Bundle” means to collect contributions from more than one source, which contributions are then delivered by one person to the Mayor or to his political fundraising committee.

(b) “Other Contract” means any other agreement with the City of Chicago to which Tenant is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council.

(c) “Contribution” means a “political contribution” as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

(d) Individuals are “domestic partners” if they satisfy the following criteria:

(i) they are each other's sole domestic partner, responsible for each other's common welfare; and

(ii) neither party is married; and

(iii) the partners are not related by blood closer than would bar marriage in the State of Illinois; and

(iv) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and

- (v) two of the following four conditions exist for the partners:
  - (1) The partners have been residing together for at least 12 months.
  - (2) The partners have common or joint ownership of a residence.
  - (3) The partners have at least two of the following arrangements:
    - (A) joint ownership of a motor vehicle;
    - (B) joint credit account;
    - (C) a joint checking account;
    - (D) a lease for a residence identifying both domestic partners as tenants.
  - (4) Each partner identifies the other partner as a primary beneficiary in a will.

(e) "Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

10.4 Waste Ordinance Provisions. In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Tenant warrants and represents that it, and to the best of its knowledge, its Contractors and its subcontractors regarding the subject matter of this Lease ("Subcontractors"), have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this Lease is executory, Tenant's, any general Contractor's or any Subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Lease, constitutes a breach of and an event of default under this Lease, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Commissioner of the Department of Fleet and Facility Management. Such breach and default entitles the City to all remedies under this Lease, at law or in equity. This section does not limit Tenant's, its general Contractors' and its Subcontractors' duty to comply with all applicable federal, state, county and municipal Laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Lease. Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Lease, and may further affect the Tenant's eligibility for future contract awards.

10.5 Failure to Maintain Eligibility to do Business with City. Failure by Tenant or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of this Lease and the transactions contemplated thereby. Tenant shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

10.6 Cooperation with Office of Inspector General and Legislative Inspector General. It is the duty of Tenant and any bidder, proposer, contractor, subcontractor, and every applicant for certification of eligibility for a City contract or program, and all officers, directors, agents, partners, and employees of any such grantee, subgrantee, bidder, proposer, contractor, subcontractor or such applicant to cooperate with the Legislative Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-55 of the Municipal Code, and to

cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code. Tenant represents and warrants that it understands and will abide by all provisions of Chapter 2-55 and Chapter 2-56 of the Municipal Code and that Tenant will inform its Contractors and Subcontractors of this provision and require their compliance.

10.7 2014 Hiring Plan Prohibitions.

(i) The City is subject to the June 16, 2014 "City of Chicago Hiring Plan", as amended (the "2014 City Hiring Plan") entered in *Shakman v. Democratic Organization of Cook County*, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the 2014 City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(ii) Tenant is aware that City policy prohibits City employees from directing any individual to apply for a position with Tenant, either as an employee or as a subcontractor, and from directing Tenant to hire any individual as an employee or as a subcontractor. Accordingly, Tenant must follow its own hiring and contracting procedures, without being influenced by City or City employees. Any and all personnel provided by Tenant under this Lease are employees or subcontractors of Tenant, not employees of the City. This Lease is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Tenant.

(iii) Tenant will not condition, base, or knowingly prejudice or affect any term or aspect of the employment of any personnel provided under this Lease, or offer employment to any individual to provide services under this Lease, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Lease, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(iv) In the event of any communication to Tenant by a City employee or City official in violation of paragraph (ii) above, or advocating a violation of paragraph (iii) above, Tenant will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("OIG Hiring Oversight"), and also to the head of the relevant City department utilizing services provided under this Lease. Tenant will also cooperate with any inquiries by OIG Hiring Oversight.

IN WITNESS WHEREOF, the parties have executed this Lease as of the date first written above.

(See Sec. 17-17-0305 for rules governing the measurement of *floor area ratio*.)

**17-4-0405-B Bonus Floor Area.** Under the provisions of Sec. 17-4-1000, development in ~~dash 12 and dash 16~~ all “D” districts is eligible for floor area bonuses, over and above the stated maximum *base floor area ratios* of Sec. 17-4-0405-A. ~~Floor area bonuses for affordable housing and “adopting” an historic landmark may be approved in any dash 5, dash 7, dash 10, dash 12 or dash 16 “D” district, subject to the provisions of Sec. 17-4-1004 and Sec. 17-4-1022, respectively.~~

**17-4-0405-C FAR Increase for Transit-Served Locations.** All projects in D dash 3 districts located within 1,320 feet of a CTA or METRA rail station entrance or within 2,640 feet of a CTA or METRA rail station entrance when the subject building is located along a pedestrian street or a pedestrian retail street, and which (1) provide no more than one parking space per dwelling unit, and (2) satisfy the criteria set forth in Sec. 17-13-0905-F, may increase the maximum *floor area ratio* standard to 3.5. This *floor area ratio* is allowed only if the project is reviewed and approved in accordance with the Type I Zoning Map Amendment procedures of Sec. 17-13-0302, or the planned development procedures of Sec. 17-13-0600 (if the project qualifies as a mandatory or elective planned development under Sections 17-8-0500 or 17-8-0600). Projects that receive a floor area increase under this section are not eligible for additional bonus floor area under Sec. 17-4-1000, nor shall a floor area increase under this section be credited against bonus floor area under Section 17-4-1000.

**17-4-0405-D Additional FAR Increase for On-Site Affordable Housing Units in Transit-Served Locations.** All projects in D dash 3 districts subject to Sec. 2-45-115 that qualify for and are granted a *floor area ratio* increase of 0.5 under Sec. 17-4-0405-C above are eligible for additional *floor area ratio* increases as follows: (1) projects that provide at least 50% of the required affordable units on-site, may increase the maximum *floor area ratio* standard by an additional 0.25 to 3.75, and (2) projects that provide 100% of the required affordable units on-site may increase the maximum *floor area ratio* standard by an additional 0.5 to 4.0. These *floor area ratio* increases are allowed only if the project is reviewed and approved in accordance with the Type I Zoning Map Amendment procedures of Sec. 17-13-0302, or the planned development procedures of Sec. 17-13-0600 (if the project qualifies as a mandatory or elective planned development under Sections 17-8-0500 or 17-8-0600). Projects that receive a floor area increase under this section are not eligible for additional bonus floor area under Sec. 17-4-1000, nor shall a floor area increase under this section be credited against bonus floor area under Section 17-4-1000.

**SECTION 7.** Section 17-4-0604 of the Chicago Zoning Ordinance is hereby amended by deleting the struck-through language, as follows:

**17-4-0604 Standards.** Minimum sidewalk widths of at least 14 feet are necessary to promote safe and efficient pedestrian flows along designated *mobility streets*. Whenever development occurs on lots abutting a *mobility street* and the width of the abutting sidewalk is less than 14 feet, the building must be set back to accommodate a sidewalk with a width of at least 14 feet. ~~Buildings abutting *mobility streets* that request floor area bonuses pursuant to Sec. 17-4-1000 must use the Sidewalk Widening bonus of Sec. 17-4-1010.~~

**SECTION 8.** Section 17-4-1000 of the Chicago Zoning Ordinance is hereby amended by deleting the section in its entirety and substituting the following new section in lieu thereof, underscored as follows:

**17-4-1000 Floor area bonuses.**

**17-4-1001 Purpose.** The floor area bonus provisions of this section are intended to provide the opportunity for downtown area projects to achieve appropriate increases in *floor area ratio* above the *base floor area ratios*, while providing a corresponding economic incentive for developers to contribute to the economic growth of qualified investment areas as defined in Sec. 16-14-020, to preserve Chicago landmarks, and to provide public amenities in the downtown area or immediate vicinity that improve the quality of life of City residents, employees, and visitors and are a benefit to the public. This section shall be liberally construed and applied to achieve its purposes.

**17-4-1002 Eligibility Criteria.** *Residential buildings* and nonresidential buildings in all “D” districts are eligible to receive floor area bonuses under this Sec. 17-4-1000.

**17-4-1003 Administration.**

**17-4-1003-A Planned Development Review.** Floor area bonuses under this Sec. 17-4-

1000 may be approved only in accordance with the *planned development* procedures of Sec. 17-13-0600. The Zoning Administrator must review proposed floor area bonus requests and make a recommendation to the Commissioner of Planning and Development and the Chicago Plan Commission. The Commissioner of Planning and Development and the Chicago Plan Commission shall each in turn make a recommendation to the city council. Floor area bonuses may be approved only if they are consistent with the purposes described in Sec. 17-1-0500, Sec. 17-4-1001, and Sec. 17-8-0100.

**17-4-1003-B Submittal Requirements.** All applicants for bonus floor area must file a bonus worksheet with the Zoning Administrator.

1. The Zoning Administrator shall, by rule, establish a required form and content for such worksheets.

2. Such worksheets must, at a minimum, include the calculations for the amount of bonus floor area requested. In addition, every application for bonus floor area may include a written plan identifying the local improvements to receive financial support from the Local Impact Fund pursuant to Sec. 17-4-1005.

3. Such worksheets will serve as an official record of bonuses and such records will be binding on the *property owners* and their successors and assigns.

**17-4-1003-C Bonus Formula.**

1. Floor area bonuses will be based on a financial contribution that reflects the value of land within the surrounding area, based on the following formula:

Cost of 1 square foot of floor area = 80% × median cost of land per buildable square foot.

2. The cost of land must be based on sale prices within the most recent 5 years, as provided by the Department of Planning and Development.

3. The Commissioner of Planning and Development is responsible for updating estimates of land values at least once every five years.

4. The bonus payment shall be paid in full prior to the issuance of the first building permit for any building or buildings within the *planned development*; provided, however, if the *planned development* is constructed in phases, the bonus payment shall be paid on a pro rata basis as the first building permit for each subsequent new building or phase of construction is issued. The amount due prior to the issuance of a building permit (whether for a single building or for any subsequent phase of construction) shall be calculated by multiplying the total bonus payment due for the *planned development* as a whole (as the land value determination may be adjusted from time to time pursuant to paragraphs 2 and 3 above) by a fraction, the numerator of which is the amount of floor area in the building or buildings for which the permit is then being issued and the denominator of which is the total amount of floor area approved in the *planned development* (calculated as the total maximum *floor area ratio* in the *planned development*

multiplied by the total net site area in the *planned development*), as follows:

$$\frac{\text{Bonus payment due at the time of applicable permit}^*}{\text{Total bonus payment for planned development}^{**}} \times \frac{\text{Floor area approved for construction in building permit for applicable building or phase} \div \text{maximum floor area approved for construction in planned development as a whole}^{***}}$$

- \* Each payment is due prior to the issuance of the first building permit for any building or buildings in the *planned development*.
- \*\* The total bonus payment shall be determined by calculating the amount of bonus floor area granted in the approved *planned development* times the amount per square foot due pursuant to Sec. 17-4-1003-C-1 (as the same may be adjusted in accordance with Sec. 17-4-1003-C-2 and Sec. 17-4-1003-C-3), and therefore the final payment amount may change over time.
- \*\*\* Maximum floor area is calculated as the total maximum *floor area ratio* in the *planned development* multiplied by the total net site area in the *planned development*.

#### **17-4-1003-D Allocation of Bonus Payment.**

1. Except as provided in paragraphs 2 and 3 below, all funds received for floor area bonuses under this Sec. 17-4-1000 shall be deposited in the following funds in the following percentages:

<b><u>Bonus Fund</u></b>	<b><u>Percentage of Bonus Payment</u></b>
<u>Neighborhoods Opportunity Fund</u>	<u>80%</u>
<u>Citywide Adopt-a-Landmark Fund</u>	<u>10%</u>
<u>Local Impact Fund</u>	<u>10%</u>

2. In lieu of the direct deposits otherwise required into the Citywide Adopt-a-Landmark Fund or the Local Impact Fund, the Department of Planning and Development may direct applicants to make payments directly to sister agencies or landmark *property owners* to finance specific projects pursuant to the requirements of Sec. 17-4-1005 or Sec. 17-4-1006, as applicable.

3. In lieu of the direct deposit otherwise required into the Local Impact Fund, the *planned development* ordinance may provide for applicants to undertake specific local improvement projects themselves pursuant to the requirements of Sec. 17-4-1005-E.

4. Funds from the Local Impact Fund and the Citywide Adopt-a-Landmark Fund may be combined to finance specific landmark restoration projects in the downtown area, provided such projects satisfy the requirements of Sec. 17-4-1005-C with respect to authorized uses of the Local Impact Fund and Sec. 17-4-1006-C with respect to authorized uses of the Citywide Adopt-a-Landmark Fund.

5. Funds from the Neighborhoods Opportunity Fund and the Citywide Adopt-a-Landmark Fund may be combined to finance specific landmark restoration projects in qualified investment areas, as that term is defined in Chapter 16-14, provided such projects satisfy the requirements of Chapter 16-14 with respect to authorized uses of the Neighborhoods Opportunity Fund and Sec. 17-4-1006-C with respect to authorized uses of the Citywide Adopt-a-Landmark Fund.

**17-4-1003-E Minimum and Maximum Floor Area Bonus.**

1. The minimum floor area bonus for any "D" district is 0.5 FAR.
2. Each of the following "D" districts shall have a maximum floor area bonus as follows:

<u>(a)</u>	<u>DR-3, DX-3, DS-3</u>	<u>= 2.75</u>
<u>(b)</u>	<u>DR-5, DX-5, DS-5</u>	<u>= 3.1</u>
<u>(c)</u>	<u>DR-7, DX-7</u>	<u>= 4.5</u>
<u>(d)</u>	<u>DX-10, DR-10</u>	<u>= 3.8</u>
<u>(e)</u>	<u>DX-12, DC-12</u>	<u>= 6.4</u>
<u>(f)</u>	<u>DX-16, DC-16</u>	<u>= No Maximum</u>

**17-4-1004 Neighborhoods Opportunity Bonus.**

17-4-1004-A Percentage Allocated. 80 percent of all funds due for floor area bonuses under this Sec. 17-4-1000 shall be allocated to and deposited in the Neighborhoods Opportunity Fund established pursuant to Chapter 16-14.

17-4-1004-B Use of Funds. All funds deposited in the Neighborhoods Opportunity Fund shall be used exclusively for the purposes permitted by Chapter 16-14.

**17-4-1005 Local Impact Bonus.**

17-4-1005-A Percentage Allocated. 10 percent of all funds due for floor area bonuses under this Sec. 17-4-1000 shall be allocated to and deposited in the Local Impact Fund established pursuant to Sec. 17-4-1005-B, except as provided in Sec. 17-4-1003-D-2 for direct payments to sister agencies and landmark *property owners* and Sec. 17-4-1005-E for in-kind improvements.

17-4-1005-B Local Impact Fund. A separate fund is hereby established and designated the Local Impact Fund into which the funds collected from the local impact portion of the floor area bonuses under this Sec. 17-4-1000 will be deposited. Except as provided in Sec. 17-4-1005-D, the revenues of the Local Impact Fund shall be reserved and utilized exclusively in accordance with Sec. 17-4-1005-C below.

17-4-1005-C Use of Funds. All funds deposited in the Local Impact Fund shall be used

for specific improvements located within one mile of the *planned development* site, if the *planned development* ordinance identifies specific improvements. Funds derived from multiple *planned developments* can be used for a common local improvement project, provided such project is located within one mile of each *planned development* site. If the *planned development* ordinance does not identify specific improvements, then the Department of Planning and Development, in consultation with the alderman of the ward in which the *planned development* site is located, may allocate such funds to eligible improvements located anywhere in the downtown area. The Local Impact Fund may be used to finance improvements in the following categories:

1. Off-Site Park and Open Space. Local impact funds may be distributed to the Chicago Park District, the Chicago Department of Transportation, or another City department or sister agency to support the creation or improvement of pocket parks, improvements to the Chicago Riverwalk, or other public park spaces.

2. Pedestrian, Streetscape, and Infrastructure Improvements. Local impact funds may be distributed to the Chicago Department of Transportation or another City department or sister agency to support pedestrian, streetscape, and infrastructure improvements that the applicant is not otherwise obligated to undertake. Qualifying pedestrian, streetscape, and infrastructure improvements may include, without limitation, raised planters, special pavers, decorative or historic *street* lighting, pedestrian lighting, *flag* and *banner* poles, hanging baskets, bicycle infrastructure and facilities, and bridge house improvements. Plans should demonstrate the maximum use of trees without obstructing the *public way* or views of retail uses. *Street* lighting components should be selected from the City's lighting palette. Pavement treatments and materials should reflect those generally used in the immediate area.

3. Transit Infrastructure Improvements. Local impact funds may be distributed to the Chicago Transit Authority, the Chicago Department of Transportation, or another City department or sister agency to support improvements to transit stations and other public transit infrastructure. Qualifying improvements may include, without limitation, new access easements, improvements, remediation and repairs to connecting passageways, mezzanines, concourse areas, tracks, and other public transit structures and facilities.

4. Local Adopt-a-Landmark. Local impact funds may be distributed to *property owners* of buildings, structures, works of art, or other objects that have been designated as "Chicago Landmarks" under the Chicago Landmarks Ordinance, or have been identified as contributing to the historic or architectural significance of any district designated as a "Chicago Landmark" under the Chicago Landmarks Ordinance, to support specific restoration projects, subject to the criteria and guidelines set forth in Sec. 17-4-1006.

**17-4-1005-D Alternative Use of Local Impact Funds.** Upon the recommendation of the Commissioner of Planning and Development, after consultation with the Chicago Board of Education and the alderman of the ward in which the *planned development* site is located, the

planned development ordinance may allocate all or a portion of the 10% local impact component of any bonus payment to the Public Schools Capital Improvement Program to support construction of new schools, school expansions, and related improvements.

**17-4-1005-E Option for In-Kind Provision of Local Improvements.** In lieu of the required cash contribution to the Local Impact Fund, the *planned development* ordinance may provide for applicants to undertake specific local improvement projects, including infrastructure improvements, themselves. The Department of Planning and Development shall review proposals for in-kind improvements on a case-by-case basis in consultation with the alderman of the ward in which the *planned development* site is located. If the Department of Planning and Development, after consultation with the alderman of the ward in which the *planned development* site is located, approves the proposal, the applicant shall submit project documentation, including but not limited to, detailed site-specific cost estimates for the improvements, appropriate drawings, detailed construction commitments, a construction schedule, and a performance bond for completion of the improvements.

**17-4-1005-F Binding Commitments.**

1. Any sister agency that receives funds under this Sec. 17-4-1005 (whether from the City as a distribution from the Local Impact Fund, or from the applicant directly pursuant to Sec. 17-4-1003-D-2) must enter into an agreement with the City regarding the manner in which the funds will be used. Any funds that have not been used upon completion of the local improvement project shall be returned to the Local Impact Fund and applied to other eligible local improvement project costs.

2. If the Department of Planning and Development, after consultation with the alderman of the ward in which the *planned development* site is located, approves a proposal for in-kind improvements pursuant to Sec. 17-4-1005-E, the applicant shall enter into an agreement with the applicable City department or sister agency specifying the type of improvements to be provided, the value of the improvements, the timeline for completion of the improvements, and any other terms or conditions the Commissioner of Planning and Development deems necessary or desirable.

3. The Commissioner of Planning and Development, or the Commissioner's designee, is authorized to execute all agreements with sister agencies and landmark *property owners* on behalf of the City. All agreements must be in a form approved by the corporation counsel.

**17-4-1005-G Minor Change for Allocation of Local Impact Funds.** Changes to local improvements or local landmark restoration projects specified in a *planned development* ordinance, or the substitution of one type of local improvement or landmark for another, or the manner in which payments are made or satisfied under Sec. 17-4-1003-D, shall be deemed minor changes and may be permitted by the Zoning Administrator, in consultation with the alderman of the ward in which the *planned development* site is located, as provided in Sec. 17-13-0611.

**17-4-1006 Citywide Adopt-a-Landmark.**

**17-4-1006-A Percentage Allocated.** 10 percent of all funds due for floor area bonuses under this Sec. 17-4-1000 shall be allocated to and deposited in the Citywide Adopt-a-Landmark Fund established pursuant to Sec. 17-4-1006-B, except as provided in Sec. 17-4-1003-D-2 for direct payments to landmark *property owners*.

**17-4-1006-B Citywide Adopt-a-Landmark Fund.** A separate fund is hereby established and designated the Citywide Adopt-a-Landmark Fund into which the funds collected from the citywide adopt-a-landmark portion of the floor area bonuses under this Sec. 17-4-1000 will be deposited. The revenues of the Citywide Adopt-a-Landmark Fund shall be reserved and utilized exclusively in accordance with Sec. 17-4-1006-C below.

**17-4-1006-C Use of Funds.** All funds deposited in the Citywide Adopt-a-Landmark Fund shall be used to support restoration of buildings, structures, works of art, or other objects that have been designated as "Chicago Landmarks" under the Chicago Landmarks Ordinance, or have been identified as contributing to the historic or architectural significance of any district designated as a "Chicago Landmark" under the Chicago Landmarks Ordinance, subject to the following criteria and guidelines:

1. Restoration projects must be consistent with landmark guidelines.
2. Except as provided in paragraph 5 below, the Commission on Chicago Landmarks must approve the scope of work and associated budget for the restoration project pursuant to its standard review and approval procedures.
3. Funds must be used for substantial interior or exterior renovation work that is visible from a public *street* or within a portion of the interior that is open to the public. Such work must exceed normal maintenance work. Examples of work that exceeds normal maintenance work are the restoration of a missing cornice or the replacement of deteriorated terra cotta.
4. The Department of Planning and Development will give priority to projects that have not been completed and that address exterior envelope issues. The Department may also establish other funding priorities by rule. For projects that have not been completed, the *property owner* of the landmark receiving the funds (whether from the City as a distribution from the Citywide Adopt-a-Landmark Fund, or from the applicant directly pursuant to Sec. 17-4-1003-D-2) must enter into an agreement with the City and the Commission on Chicago Landmarks regarding the manner in which the funds will be used. All agreements must be in a form approved by the Corporation Counsel. Any funds that have not been used upon completion of the restoration project shall be returned to the Citywide Adopt-a-Landmark Fund and applied to other eligible landmark restoration project costs. The Department of Planning and Development shall maintain a list of eligible, pre-approved projects that are seeking funding.
5. Completed projects under \$30,000 are eligible for adoption, provided the Department of Planning and Development has previously approved the scope of work and

budget for such projects. The Department shall maintain a list of completed projects that are eligible for reimbursement under this section.

**17-4-1007 Prior Bonuses.** Floor area bonuses granted under the provisions of Sec. 17-4-1000 in effect immediately before the effective date of this amendatory ordinance of 2016 (“Previous Bonus Provisions”) shall remain in effect and shall be governed by this Sec. 17-4-1007.

**17-4-1007-A** Any request to increase the overall bonus floor area above the maximum amount of floor area granted pursuant to the Previous Bonus Provisions shall require *planned development* review and approval and shall be subject to the terms of this amendatory ordinance of 2016. Floor area bonus payments shall only be due for the amount of floor area bonus in excess of the amount granted pursuant to the Previous Bonus Provisions.

**17-4-1007-B** No public benefit or amenity for which a floor area bonus has been granted under the Previous Bonus Provisions may be eliminated or reduced in size without (1) a corresponding reduction in approved floor area, (2) replacement of such eliminated or reduced bonus floor area through new floor area bonus payments pursuant to the terms of this amendatory ordinance of 2016, or (3) a re-allocation of unused bonus floor area only among previously approved and specifically identified bonus categories in a *planned development* or approved bonus worksheet. The Zoning Administrator is authorized to approve any reduction under clause (1), replacement under clause (2), or re-allocation under clause (3) above as a minor change in accordance with Sec. 17-13-0611 in the case of projects that are subject to *planned development* review, or through a similar determination in the case of projects that are not subject to *planned development* review.

**17-4-1008 Existing Development.** Existing developments in DC-16 or DX-16 districts, which are *nonconforming* with respect to the applicable *floor area ratio* standards, may seek a floor area bonus pursuant to this amendatory ordinance of 2016 to increase the amount of floor area over the established nonconforming floor area. An increase of 5% or less of the floor area in existence as of the effective date of this amendatory ordinance may be approved as an *administrative adjustment* by the Zoning Administrator in accordance with Sec. 17-13-1003-D. An increase of more than 5% of such existing floor area requires *planned development* review and approval. Floor area bonus payments shall only be due for the amount of floor area in excess of the established nonconforming floor area.

**17-4-1009 Pending Applications.**

**17-4-1009-A** Except as provided in Sec. 17-4-1009-B, this amendatory ordinance of 2016 shall apply to all projects seeking approval for bonus floor area on or after its effective date.

**17-4-1009-B** The provisions of Sec. 17-4-1000 in effect immediately before the effective date of this amendatory ordinance of 2016 shall apply to any project for which: (1) the city council has passed an ordinance approving the sale of city land for fair market value prior to that effective date; or (2) in the case of projects that are subject to *planned development* review, an

ordinance authorizing the *planned development* has been introduced to city council prior to that effective date, provided the *planned development* application must identify specific bonuses, or (3) in the case of projects that are not subject to *planned development* review, a bonus worksheet, together with fully-dimensioned drawings for the project site, have been submitted in complete form, and the bonus worksheet stamped approved prior to that effective date, provided, however, the applicant must obtain a building permit for the project within one year after the bonus worksheet has been approved. Notwithstanding the foregoing exceptions, an applicant may elect to comply with the provisions of this amendatory ordinance of 2016, in which case the applicant must agree to be governed by the totality of the new provisions.

**17-4-1010 Rules and Regulations.** The Commissioner of Planning and Development is authorized to adopt such rules as the commissioner may deem necessary for the proper implementation, administration, and enforcement of this amendatory ordinance, including for the administration of, and payments out of, the Neighborhoods Opportunity Fund, the Local Impact Fund, and the Citywide Adopt-a-Landmark Fund.

**SECTION 9.** Section 17-8-0100 of the Chicago Zoning Ordinance is hereby amended by deleting the struck-through language and inserting the underscored language, as follows:

*(Omitted text is unaffected by this ordinance.)*

**17-8-0105** allow flexibility in application of selected use, *bulk*, and development standards in order to promote ~~creative~~ excellence and creativity in building design and high-quality urban design; and

*(Omitted text is unaffected by this ordinance.)*

**SECTION 10.** Section 17-8-0514 of the Chicago Zoning Ordinance is hereby amended by deleting the struck-through language, as follows:

**~~17-8-0514 Bonus Floor Area in Excess of 150% of the Base FAR.~~** *Planned development* review and approval is required for any development using floor area bonuses (~~See under Sec. 17-4-1000).~~ if the development is proposed to exceed 150% of the base FAR allowed in the underlying zoning district. ~~Planned development~~ review and approval is also required for ~~elimination or substitution of any amenity for which a floor area bonus was granted.~~

**SECTION 11.** Section 17-8-0900 of the Chicago Zoning Ordinance is hereby amended by deleting the struck-through language and inserting the underscored language, as follows:

*(Omitted text is unaffected by this ordinance.)*

**17-8-0902 Other Regulations.** Except as otherwise expressly stated, *planned developments* must comply with any special regulations that apply to the subject property, ~~such as including but not limited to,~~ the Chicago Landmark Ordinance, and the Lake Michigan and Chicago Lakefront Protection Ordinance, the Chicago River Urban Design Guidelines - Downtown Corridor, and the Department of Planning and Development's sustainable development policy.

**17-8-0903 Approved Plans.** *Planned developments* must be consistent with plans that have been adopted by the Plan Commission or approved by the City Council. In furtherance of the foregoing, and in recognition of evolving and changing conditions within the areas which are the subject thereof, all such plans, including any specific information or determinations relating to uses, bulk, height, and other standards contained in such plans, shall be treated as guidelines to inform consideration and not as regulations or requirements in connection with the evaluation of specific planned development proposals. The specific terms and conditions of an approved planned development shall govern to the extent they differ from such guidelines.

*(Omitted text is unaffected by this ordinance.)*

**17-8-0904-B Transportation.**

1. All *streets* should be constructed to City standards pertaining to paving and construction materials and be dedicated for public use. Deviations from standard widths (cross-sections) may be approved as part of the PD approval process.

2. When new streets are required for large-scale, multi-building developments, the new streets should reconnect the existing street grid.

**17-8-0904-C Parking.**

1. Large fields of surface parking should be avoided. Large parking lots should be broken up into smaller “cells” or “pods” that are defined by buildings, landscaping and pedestrian paths.

2. Parking should be located behind buildings or to the side of buildings. Large parking areas between buildings and the adjacent *street/sidewalk* should be avoided.

3. Shared parking should be provided whenever possible. Parking lots should be constructed to allow easy access to one or more buildings and multiple storefronts/uses.

4. On large retail and shopping center sites, small footprint, multi-level parking structures are preferred over large surface parking lots.

5. Parking areas should be designed and laid out to maximize pedestrian safety and ease of connections to adjoining property.

6. On large retail and shopping center sites, separate and distinct pedestrian pathways should be provided to connect adjacent public sidewalks and parking areas with building entrances. Clearly delineated crosswalks should be provided when such pathways cross vehicular traffic lanes.

7. Bicycle parking facilities should be easily accessible and secure.

8. Driveways to parking areas should be minimal where possible and located and

designed to maximize pedestrian safety and comfort.

#### **17-8-0904-D Parking in "D" Districts.**

1. Vehicle access and service functions should be accessed from alleys in order to diminish conflicts with pedestrian traffic on sidewalks.
2. ~~Porte cocheres and similar covered entrances for automobiles are generally strongly discouraged. When used, such features should be limited in size and serve lobbies that are clearly visible from the street. These entrances should be combined with landscaped open space.~~
3. ~~Underground parking is strongly encouraged as a means of reducing the height and bulk of downtown buildings~~ for superior building design that eliminates blank walls at street level for an improved pedestrian experience.
4. Any portion of a multi-level parking garage not located below grade should be lined by active use for a minimum depth of 20 feet (see Sec. 17-8-905-B, Building Features, below).

*(Omitted text is unaffected by this ordinance.)*

#### **17-8-0905-B Building Features.**

1. Buildings should be located abutting the sidewalk with doors, windows and active uses adjacent to it. Exceptions are appropriate when building setbacks would allow the widening of a narrow sidewalk or where a large site allows a plaza or open space.
2. Primary pedestrian entrances should be located at sidewalk level. These entrances should be obvious to pedestrians by forming a significant focal element of the building, through the use of façade variations, porticos, roof variations, recesses or projections, or other architectural forms that are integral to the building. ~~and~~ Such features should help provide building identity and presence on the street.
3. ~~On large lots, townhouses or multi-story retail~~ Active uses such as retail or residential, as appropriate, should be employed ~~as liner space~~ to screen parking garages from view and to ensure active uses at sidewalk level.
4. Large expanses of blank walls should be avoided, particularly in areas where pedestrian movement is expected.
5. For grade-level retail, A a minimum of 60% of the street- facing building façade between 2 feet and 8 feet in height should be comprised of clear, non-reflective windows that allow views of indoor commercial space or product display areas.
6. If solid windowless walls are necessary in limited instances because of a building's use or activity, they should be articulated with ~~arches, piers, columns,~~ architectural or

material relief, planters, landscaping and other elements that reduce building scale at ground level and add to the building's visual interest.

7. ~~In neighborhood areas (outside of downtown), street-facing façades of buildings should be broken up by using horizontal bays that give the appearance of smaller, individual storefronts. Bays should have a width of 25 to 40 feet to reduce the visual impact of larger buildings and create a more pedestrian friendly environment.~~ Building facades at pedestrian level should be appropriately scaled within the context of the existing streetscape. This may include, by way of example and not limitation, breaking up a long façade with vertical bays or proportioning a curtain wall with additional mullions.

8. Adequate sidewalk widths should be maintained to ensure pedestrian clear zones with a width appropriate for the level of pedestrian activity expected.

#### **17-8-0906 Urban Design.**

*(Omitted text is unaffected by this ordinance.)*

#### **17-8-0906-B Building Orientation and Massing.**

1. Building orientation and massing should create active “*street* or building walls” lining the sidewalk.

2. Buildings should be aligned with neighboring buildings, located close to the sidewalk and close to one another.

3. Where a *street* wall exists, its continuity must be reinforced with the new development. Gaps between buildings that interrupt the *street* wall should be avoided.

4. As the development pattern of the area permits, Buildings on corner sites should be located close to both *street frontages* to help “hold” and give prominence to the corner. Parking areas and driveways should not be located at corners.

*(Omitted text is unaffected by this ordinance.)*

#### **17-8-0906-C Residential Development.**

1. Gated, walled-off residential developments are not characteristic of Chicago neighborhoods. Such development styles should not be used.

2. Large-scale residential developments of 2 or more acres should include a variety of housing types, such as *townhouses* and *detached houses*. A mix of building types is representative of the diverse *residential building* types found in Chicago neighborhoods.

3. When new streets are required for large-scale residential developments, they should reconnect the existing street grid.

*(Omitted text is unaffected by this ordinance.)*

### **17-8-0907 Building Design.**

#### **17-8-0907-A General Intent.**

1. Design excellence is expected in buildings located in planned developments.
2. The creativity and flexibility inherent in planned developments require building designs that uniquely respond to the program and location.
3. Building designs should respond to the most up-to-date sustainability and good urban design practices, including but not limited to, energy efficiency and effective landscape where appropriate.

#### **17-8-0907-A-B General Guidelines.**

1. Cornices or similar enhancements should be located at the top of building façades facing public streets. The existing context of a site should be respected in the design of adjacent new construction. This includes the existing general size, shape and scale, site plan and materials of surrounding properties. High-rise buildings or towers should respect the context and scale of surrounding buildings with setbacks at appropriate heights which will also reduce the apparent mass from street level.
2. Elements such as cornices, belt courses, window bays, variations in wall plane and roof features should be used to create interesting attractive buildings. Buildings located at intersections should have prominent design and lighting programs, due to their visibility.
3. Architectural design should articulate and enhance buildings, especially those located at intersections due to their prominence and visibility.
4. All sides and areas of buildings that are visible to the public should be treated with materials, finishes and architectural details that are of high-quality and appropriate for use on the primary street-facing façade.

**17-8-0907-B C High-rise Buildings.** For the purposes of this section, high-rise building is defined as any new construction over 80 feet in height.

1. Buildings should have a clearly defined vertical appearance, comprised of a base, midsection, and top.

2. The bases and upper stories of high-rise buildings should be in the same vertical plane along all building *façades* fronting public *streets*, except as otherwise provided for in the following subsection 3.

3. Upper-story setbacks should be used to reduce the apparent mass and bulk of tall buildings. Such setbacks should convey a sense of sculpting to the tower and the top floors of the building. Setbacks should be at least 10 feet in depth. Exceptions to this standard include:

(a) Upper-level setbacks are not permitted on LaSalle Street between Madison Street and Jackson Boulevard, unless the upper-level setbacks occur at a height above 175 feet.

(b) Upper-level setbacks are not permitted on State Street or Wabash Avenue between the Chicago River and Congress Parkway, unless the upper-level setbacks occur at a height above 55 feet.

*(Omitted text is unaffected by this ordinance.)*

#### **17-8-0909 Parks, Open Space, and Landscaping.**

**17-8-0909-A General Intent.** *Planned developments* should:

1. where appropriate for the site, provide adequate, inviting, usable and accessible parks, open spaces and recreation areas for workers, visitors and residents; and

~~2. provide special elements within parks, open spaces or on sidewalks to create a sense of place associated with the development; and~~

~~3.~~ where appropriate, provide substantial landscaping of the open areas on the building and the site (including contiguous *public ways*).

*(Omitted text is unaffected by this ordinance.)*

**SECTION 12.** Section 17-13-1003 of the Chicago Zoning Ordinance is hereby amended by deleting the struck-through language and inserting the underscored language, as follows:

*(Omitted text is unaffected by this ordinance.)*

**17-13-1003-D Reserved. Floor Area Ratio Bonuses.**

1. The Zoning Administrator is authorized to approve an *administrative adjustment* to award a floor area bonus under Sec. 17-4-1000 to any existing development in a DC-16 or DX-16 district, which is *nonconforming* with respect to the applicable *floor area ratio* standards, provided such floor area bonus does not exceed 5% of the floor area in existence as of the effective date of this amendatory ordinance.

2. Such an *administrative adjustment* may be approved only when the Zoning Administrator determines that the proposed adjustment meets the general approval criteria of Sec. 17-13-1007-B.

**SECTION 13.** To the extent that any ordinance, resolution, rule, order or provision of the Municipal Code of Chicago, or any portion thereof, is in conflict with any provision of this ordinance, the provisions of this ordinance shall control. The provisions of this ordinance are declared to be separate and severable. The invalidity of any provision of this ordinance, or the invalidity of the application thereof to any person or circumstance, shall not affect the validity of the remainder of this ordinance, or the validity of its application to other persons or circumstances.

**SECTION 14.** Following due passage and approval, this ordinance shall be in full force and effect on June 1, 2016.

For the purposes of FAR calculations and measurements, the definitions in the Zoning Ordinance shall apply. The permitted Floor Area Ratio identified in the Bulk Regulations Table has been determined using a Net Site Area of 46,287 square feet and a base FAR of 16.00. The improvements to be constructed on the Property will utilize the following series of FAR bonuses:

Description (list of all bonuses applied for and calculations)	FAR
Base FAR:	16.000
Concealed Parking Facade:	1.575
Setback Bonus:	2.493
Affordable Housing Bonus:	<u>1.017</u>
Total FAR:	21.085

9. The applicant acknowledges and agrees that the rezoning of the Property from DX-16 Mixed-Use District to this Planned Development triggers the requirements of Section 2-45-110 of the Municipal Code (the "Affordable Housing Ordinance" or "AHO"). Any developer of a "residential housing project" within the meaning of the Affordable Housing Ordinance ("Residential Project") must: (i) develop affordable housing units as part of the Residential Project; (ii) pay a fee in lieu of the development of affordable housing units; or (iii) any combination of (i) and (ii). The applicant further acknowledges and agrees that the project has received an affordable housing floor area bonus pursuant to Section 17-4-1004-B of the Zoning Ordinance, as set forth in the bonus worksheet attached hereto as Exhibit A ("Bonus Worksheet"), and as a result is also subject to the requirements of the former Section 17-4-1004-D of the Zoning Code (the "Density Bonus Provisions"). Like the ARO, the Density Bonus Provisions require on-site affordable housing or payment of a fee in lieu of providing affordable housing, but the formulas for calculating the number of required affordable units and the amount of the in lieu payment are different from the formulas in the ARO. If a planned development is subject to both the ARO and the former Density Bonus Provisions, the applicant may elect to comply with either. In this case, the applicant has elected to

comply with the Density Bonus Provisions. In accordance with the formulas set forth in the former Section 17-4-1004-C and the Bonus Worksheet, the applicant acknowledges and agrees that it must provide a minimum of 11,768.50 square feet of affordable housing floor area (the "Affordable Units") in the building receiving the affordable housing floor area bonus ("Eligible Building"), with an affordable unit mix comparable to the overall mix and approved by DPD's density bonus project manager, or make a cash payment in lieu of providing Affordable Units in the amount of \$828,502.40 ("Cash Payment"). Prior to the issuance of any building permits for the Eligible Building, including, without limitation, excavation or foundation permits, the applicant must either make the required Cash Payment or, if providing Affordable Units, enter into an affordable housing agreement with the City pursuant to the former Section 17-4-1004-E9 ("Affordable Housing Agreement"). The terms of the Affordable Housing Agreement and any amendments thereto are incorporated herein by this reference. The applicant acknowledges and agrees that the Affordable Housing Agreement will be recorded against the Eligible Building. The City shall execute partial releases of the Affordable Housing Agreement prior to or at the time of the sale of each Affordable Unit to an income-eligible buyer at an affordable price, subject to the simultaneous execution and recording of a mortgage, restrictive covenant or similar instrument against such Affordable Unit. In addition to the Affordable Housing Agreement, the applicant acknowledges and agrees that, pursuant to Section 17-4-1003-D3, the Bonus Worksheet will serve as an official record of bonuses and amenities. The applicant must comply with the applicable affordable housing standards and requirements set forth in the former Section 17-4-1004, the terms of which are incorporated herein by this reference. Notwithstanding anything to the contrary contained in the former Section 17-4-1003-E, the Commissioner of DPD may enforce remedies for breach of the Affordable Housing Agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development. If this Planned Development does not receive city council approval by July 13, 2016, the project will be subject to Section 2-45-115 of the Municipal Code (the "2015 ARO"). In such event, the applicant shall meet with the Department of Planning and Development to determine the application of the 2015 ARO to the project, and the 2015 ARO requirements will replace and supersede the affordability requirements set forth in this section.

10. Upon review and determination, "Part II Review", pursuant to Section 17-13-0610 of the Zoning Ordinance, a Part II Review fee shall be assessed by the Department of Planning and Development. The fee, as determined by staff at the time, is final and binding on the applicant and must be paid to the Department of Revenue prior to the issuance of any Part II Approval.
11. The Site and Landscape Plans shall be in substantial conformance with the Landscape Ordinance and any other corresponding regulations and guidelines. Final landscape plan review and approval will be by the Department of Planning and Development. Any interim reviews associated with site plan review or Part II Reviews, are conditional until final Part II Approval.

12. The applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation, Environment and Buildings, under Section 13-32-125 of the Municipal Code, or any other provision of that Code.
13. The terms and conditions of development under this Planned Development ordinance may be modified administratively, pursuant to Section 17-13-0611-A of the Zoning Ordinance by the Zoning Administrator upon the application for such a modification by the applicant, its successors and assigns and, if different than the applicant, the legal titleholders and any ground lessors.
14. The applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.
15. The applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. At the time of a hearing before the Chicago Plan Commission, all developments must be in substantial compliance with the current City of Chicago Sustainable Development Policy set forth by the Department of Planning and Development. The proposed Planned Development shall be in compliance with the Sustainable Development Policy by obtaining LEED certification and by providing a green roof of at least 50 percent of Net Roof Area of the new building constructed in Subarea A containing a green roof of approximately 13,900 square feet and shall meet the applicable storm water requirements of the Department of Water Management.
16. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development ordinance lapse, the Commissioner of the Department of Planning and Development shall initiate a zoning map amendment to rezone the Property to the DX-16 Downtown Mixed-Use District.

3. All applicable official reviews, approvals or permits are required to be obtained by the applicant or its successors, assignees or grantees. Any requests for grants of privilege, or any items encroaching on the public way, shall be in compliance with the plans.

Countdown pedestrian signals must be installed at the Broadway and Sheridan intersection.

4. This plan of development consists of these seventeen (17) Statement; a Bulk Regulations and Data Table; an Existing Zoning Map; an Existing Land-Use Map; a Planned Development Boundary and Property Line Map; Site Plan; Landscape and

Green Roof Plan; and Building Elevations (North, South, East and West) prepared by Jonathan Splitt Architects Ltd. dated April 21, 2016, submitted herein. Full-sized copies of the Site Plan, Landscape Plan and Building Elevations are on file with the Department of Planning and Development. In any instance where a provision of this Planned Development conflicts with the Chicago Building Code, the Building Code shall control. This Planned Development conforms to the intent and purpose of the Zoning Ordinance, and all requirements thereto, and satisfies the established criteria for approval as a Planned Development. In case of a conflict between the terms of this Planned Development ordinance and the Zoning Ordinance, this Planned Development ordinance shall control.

5. The following uses are permitted in the area delineated herein as a Residential Business Planned Development: multi-unit residential, retail; office; restaurant, limited or general (excluding drive through facilities); financial services (except payday loan, pawn shop or drive through services), package goods liquor store; personal services (including but not limited to hair salons, barber shops and nail salons); laundry service, or dry cleaning drop-off (no on-premises plant); animal services (including sales, grooming and veterinary service but no shelter or boarding); accessory parking; accessory and related uses.
6. On-premises signs and temporary signs, such as construction and marketing signs, shall be permitted within the Planned Development, subject to the review and approval of the Department of Planning and Development. Off-premise signs are prohibited within the boundary of the Planned Development.
7. For purposes of height measurement, the definitions in the Zoning Ordinance shall apply. The height of any building shall also be subject to height limitations, if any, established by the Federal Aviation Administration.
8. The maximum permitted floor area ratio ("FAR") for the site shall be in accordance with the attached Bulk Regulations and Data Table. For the purposes of FAR calculations and measurements, the definitions in the Zoning Ordinance shall apply. The permitted FAR identified in the Bulk Regulations Table has been determined using a net site area of 32,742 square feet.
9. Upon review and determination, "Part II Review", pursuant to Section 17-13-0610 of the Zoning Ordinance, a Part II Review fee shall be assessed by the Department of Planning and Development. The fee, as determined by staff at the time, is final and binding on the applicant and must be paid to the Department of Revenue prior to the issuance of any Part II Approval.
10. The Site and Landscape Plans shall be in substantial conformance with the Landscape Ordinance and any other corresponding regulations and guidelines. The improvements on the Property, including the on-site exterior landscaping, as well as the landscaping along the adjacent rights-of-way and all entrances and exits to and from the parking and loading areas, shall be designed, constructed, and maintained in substantial conformance with the Site Plan and the Landscape Plan. In addition, parkway trees shall be planted and maintained in accordance, with the Parkway Tree Planting provisions of the Chicago Zoning Ordinance and corresponding regulations and

guidelines. Final landscape plan review and approval will be by the Department of Planning and Development. Any interim Reviews associated with site plan review or Part II Reviews, are conditional until final Part II Approval.

11. The applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation, Fleet and Facility Management and Buildings, under Section 13-32-125 of the Municipal Code, or any other provision of that Code.
12. The applicant acknowledges and agrees that the rezoning of the Property from B1-2, B3-2, B1-5, B3-5, to B3-5 for construction of this Planned Development triggers the requirements of Section 2-45-110 of the Municipal Code (the "Affordable Housing Ordinance"). Any developer of a "residential housing project" within the meaning of the Affordable Housing Ordinance ("Residential Project") must: (i) develop affordable housing units as part of the Residential Project; (ii) pay a fee in lieu of the development of affordable housing units; or (iii) any combination of (i) and (ii). In accordance with these requirements and the Affordable Housing Profile Form attached hereto as Exhibit [\_\_\_\_], the applicant has agreed to provide [13] affordable housing units in the Residential Project for households earning up to 60 percent of the Chicago Primary Metropolitan Statistical Area median income (the affordable Units), or make a cash payment to the Affordable Housing Opportunity Fund in the amount of \$100,000 per unit ("Cash Payment"). At the time of each Part II Review for the Residential Project, applicant may update and resubmit the Affordable Housing Profile Form to the Department of Planning and Development ("DPD") for review and approval. If the applicant subsequently reduces the number of dwelling units in the Residential Project, DPD may adjust the requirements of this Statement Number 3 (i.e., number of Affordable Units and/or amount of Cash Payment) accordingly without amending the Planned Development. Prior to the issuance of any building permits for the Residential Project, including, without limitation, excavation or foundation permits, the applicant must either make the required Cash Payment, or execute an Affordable Housing Agreement in accordance with Section 2-45-110(i)(2). The terms of the Affordable Housing Agreement and any amendments thereto are incorporated herein by this reference. The applicant acknowledges and agrees that the Affordable Housing Agreement will be recorded against the Residential Project and will constitute a lien against each Affordable Unit. The Commissioner of DPD may enforce remedies for breach of the Affordable Housing Agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development. If this Planned Development does not receive City Council approval by July 13, 2016, the project will be subject to Section 2-45-115 of the Municipal Code (the "2015 ARO"). In such event, the applicant shall meet with the Department of Planning and Development to determine the application of the 2015 ARO to the project, and the 2015 ARO requirements will replace and supersede the affordability requirements set forth in this section.
13. The terms and conditions of development under this Planned Development ordinance may be modified administratively, pursuant to Section 17-13-0611-A of the Zoning Ordinance by the Zoning Administrator upon the application for such a modification by the applicant, its successors and assigns and, if different than the applicant, the legal titleholders and any ground lessors.

14. The applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.
15. The applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. All development shall be in substantial compliance with the current City of Chicago Sustainable Development Policy set forth by the Department of Planning and Development. The proposed building shall provide a vegetated ("green") roof, totaling a minimum of 50 percent of the net roof area (approximately 10,033 square feet) and obtain a LEED certification.
16. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development ordinance lapse, the Zoning Administrator shall initiate a zoning map amendment to rezone the Property to B3-5 Community Shopping District.
17. The applicant acknowledges that the Planned Development includes a building commonly known as 3835 -- 3845 North Broadway, which is color-coded orange in the Chicago Historic Resources Survey published in 1996. Section 17-8-0911 of the Zoning Ordinance provides that planned developments should give priority to the adaptive reuse of red- and orange-rated historic buildings, and Section 13-32-230 of the Municipal Code imposes a demolition delay period on such historic buildings in order to enable DPD to explore preservation options. In accordance with the priorities established in Section 17-8-0911 and Section 13-32-230, the applicant agrees to: (a) retain and preserve the character-defining features of the building, including the terra cotta eagles, cornice and piers, and the cast iron window heads, (b) design the facades to feature and complement the terra cotta (or any other historic elements) that may be uncovered after removal of the non-historic cladding above the storefronts and below the 2<sup>nd</sup> floor windows, (c) salvage and re-install any uncovered historic features if possible, or replicate such historic features if deteriorated, (d) restore the terra cotta return on the south elevation, and (e) remove, store, repair and re-install the terra cotta facade elements, including the eagles, in accordance with procedures specified in an agreement between the applicant and DPD. Such agreement must be in a form approved by the corporation counsel, and must be executed prior to the issuance of any permits for the project. All reconstruction work shall be subject to the review and approval of DPD. At the completion of such reconstruction work, the applicant shall submit to DPD's Planning, Design and Historic Preservation Division the final, as-built, drawings and a report by a restoration specialist. The as-built drawings shall indicate the amount and location of salvaged facade materials reused in the completed project and the report by the restoration specialist shall certify that the reconstructed facades have been completed in accordance with the approved plans and permits. The applicant must complete the restoration work and the Commissioner of DPD must issue a certificate of completion for the historic facade reconstruction prior to the issuance of a certificate of occupancy for the Planned Development.

*Narrative.*

*1646 N. Damen Ave.*

The subject property is an existing 41 year old, two-story building consisting of approximately 2,620 square feet, which is currently zoned M1-2 (Limited Manufacturing/Business Park District). The applicant is seeking a zoning amendment in order to allow for the existing retail and residential dwelling unit at the property, and to conform with the

surrounding B3-2 (Community Shopping District) zoning district. The applicant does not propose any alterations to the existing two-story building, which has 1,470 square feet of retail space located on the ground floor and one existing residential dwelling unit located on the second floor. The subject property is one of the few remaining properties located in the surrounding area zoned M1-2 (Limited Manufacturing/Business Park District) and is located approximately 765 feet from a CTA Transit Station located on Damen Avenue. The rezoning of the property would allow for retail uses and the residential dwelling unit to remain.

Type 1 Narrative Rezoning Analysis attached to this ordinance reads as follows:

*17-13-0303-C(1) Narrative Zoning Analysis.*

*4710 -- 4714 S. Dr. Martin Luther King, Jr. Drive, Chicago, Illinois.*

Proposed Zoning:	B2-3 Neighborhood Mixed-Use District
Lot Area:	10,042 square feet
Proposed Land Use:	The applicant is seeking a zoning change in order to permit the rehabilitation of an existing, nonconforming, three-story (with basement) residential building, at the subject site. The proposal calls for the establishment of 20 dwelling units, within the existing

building. All of the proposed work will be within the interior of the existing building. No physical expansion of, or additions to, the existing building are intended or required. Due to its immediate proximity to the 47<sup>th</sup> Street CTA Station, and pursuant to the Transit Oriented Development Ordinance, as amended, there will be zero on-site parking available for the newly rehabilitated, 20-unit, residential building. The existing building is, and will continue to be approximately 38 feet, 6 inches in height and masonry in construction. The proposed zoning change is required in order to bring the newly rehabilitated (existing) building and parking conditions, into legal compliance under the current Zoning Ordinance.

9. The applicant acknowledges and agrees that the rezoning of the Property from DS-3 to DX-5 for this Planned Development triggers the requirements of Section 2-45-110 of the Municipal Code (the "Affordable Housing Ordinance" or "AHO"). Any developer of a "residential housing project" within the meaning of the Affordable

Housing Ordinance ("Residential Project") must: (i) develop affordable housing units as part of the Residential Project; (ii) pay a fee in lieu of the development of affordable housing units; or (iii) any combination of (i) and (ii). The applicant further acknowledges and agrees that this Planned Development is subject to the former Section 17-4-1004-D of the Zoning Code, which also requires on-site affordable housing or payment of a fee in lieu of providing affordable housing for rezonings in DC, DX and DR districts that increase the base floor area ratio. If a planned development is subject to the requirements of both sections (2-45-110 and the former 17-4-1004-D), the developer may elect to satisfy the AHO requirements by complying with the affordable housing floor area bonus provided for in Section 17-4-1004. Applicant has elected to comply with Section 17-4-1004. Pursuant to Section 17-4-1004-B of the Zoning Ordinance, the applicant has requested an increase in the floor area ratio for the Property, as set forth in the bonus worksheet required under the former Section 17-4-1003-D and attached hereto as Exhibit A ("Bonus Worksheet"). In accordance with the formulas set forth in the former Section 17-4-1004-C and the Bonus Worksheet, the Applicant acknowledges and agrees that it must provide either a minimum of 6,935 square feet of floor area (the "Affordable Units") in the building receiving the affordable housing floor area bonus ("Eligible Building"), with an affordable unit mix comparable to the overall mix and approved by DPD's density bonus project manager prior to issuance of the first building permit, or make a cash payment in lieu of providing affordable housing in the amount of \$643,584.70 ("Cash Payment"), or \$8,146.64 per unit ("Pro Rata Amount"). Prior to the issuance of any building permits for the Eligible Building, including, without limitation, excavation or foundation permits, the Applicant must either make the required Cash Payment or provide a performance bond or other security in the amount of the Cash Payment ensuring construction of the Affordable Units. If the Applicant elects to construct the Affordable Units, it must also enter into an Affordable Housing Agreement with the City pursuant to the former Section 17-4-1004-E9 prior to the issuance of any building permits for the Eligible Building, including, without limitation, excavation or foundation permits. The terms of the Affordable Housing Agreement and any amendments thereto are incorporated herein by this reference. The applicant acknowledges and agrees that the Affordable Housing Agreement will be recorded against the Eligible Building and will constitute a lien against each Affordable Unit in an amount equal to the Pro Rata Amount. The City shall execute partial releases of the Affordable Housing Agreement prior to or at the time of the sale of each Affordable Unit to an income-eligible buyer at an affordable price, subject to the simultaneous execution and recording of a mortgage, restrictive covenant or similar instrument against such Affordable Unit. In addition to the Affordable Housing Agreement, the applicant acknowledges and agrees that, pursuant to the former Section 17-4-1003-D3, the Bonus Worksheet will serve as an official record of bonuses and amenities. The applicant must comply with the applicable affordable housing standards and requirements set forth in the former Section 17-4-1004, the terms of which are incorporated herein by this reference. Notwithstanding anything to the contrary contained in the former Section 17-4-1003-E, the Commissioner of the Department of Planning and Development may enforce remedies for breach of the Affordable Housing Agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development. If this Planned Development does not receive City Council approval by

July 13, 2016, the project will be subject to Section 2-45-115 of the Municipal Code (the "2015 ARO"). In such event, the applicant shall meet with the Department of Planning and Development to determine the application of the 2015 ARO to the project, and the 2015 ARO requirements will replace and supersede the affordability requirements of this section.

10. Upon review and determination, "Part II Review", pursuant to Section 17-13-0610 of the Zoning Ordinance, a Part II Review fee shall be assessed by the Department of Housing and Economic Development. The fee, as determined by staff at the time, is final and binding on the applicant and must be paid to the Department of Revenue prior to the issuance of any Part II Approval.
11. The Site and Landscape Plans shall be in substantial conformance with the Landscape Ordinance and any other corresponding regulations and guidelines. Final landscape plan review and approval will be by the Department of Planning and Development. Any interim reviews associated with site plan review or Part II Reviews, are conditional until final Part II Approval.
12. The applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation, Environment and Buildings, under Section 13-32-125 of the Municipal Code, or any other provision of that Code.
13. The terms and conditions of development under this Planned Development ordinance may be modified administratively, pursuant to Section 17-13-0611-A of the Zoning Ordinance by the Zoning Administrator upon the application for such a modification by the applicant, its successors and assigns and, if different than the applicant, the legal titleholders and any ground lessors.
14. The applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.
15. The applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. The applicant has agreed to provide a 50 percent green roof over the net roof area and achieve Energy Star Certification to comply with the City of Chicago's Sustainable Matrix.
16. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development ordinance lapse, the Commissioner of the Department of Planning and Development shall initiate a zoning map amendment to rezone the Property to a DX-5 Downtown Mixed-Use District.

*CONGRATULATIONS EXTENDED TO ST. DOROTHY'S ROMAN CATHOLIC CHURCH ON 100<sup>TH</sup> ANNIVERSARY.*

[R2016-281]

WHEREAS, On Sunday, June 19, 2016, Chicago Archbishop Blase Cupich will be the main celebrant of a Jubilee Mass in honor of the centennial year of St. Dorothy's Roman Catholic Church, a historic and iconic pillar of the spiritual community in the Chatham-Grand Crossing neighborhood of this city; and

WHEREAS, For the past 100 years, St. Dorothy's Catholic Church has proclaimed its faith on the South Side of Chicago in service of the people of Chatham-Grand Crossing; and

WHEREAS, Even as dramatic changes have occurred and ethnic change altered the look of the community, countless families and individuals have found a home and a quality education at St. Dorothy's. Many have moved on in their lives to other environs. Many others have stayed to become part of the fabric of parish life; and

WHEREAS, Regardless of the circumstances, St. Dorothy's has always been there to serve the people, to nourish the faith, to educate the young and to fight against injustice. The history of St. Dorothy's memorializes the story of the endurance, perseveration and salvation of the South Side Catholic community; and

WHEREAS, In 1916, the recently appointed Chicago Archbishop, George William Mundelein, appointed Reverend John Scanlan to organize a new Catholic parish in the Chatham-Grand Crossing area in Chicago dedicated to Saint Dorothy of Caesarea. Father Scanlon purchased 24 city lots at 78<sup>th</sup> Street between Vernon and Eberhart and celebrated the first Mass there on July 16, 1916, held at 811 East 75<sup>th</sup> Street in a hall leased to the new church; and

WHEREAS, In May of 1917, a combination church and school was completed and first Mass was celebrated on November 18, 1917. The school contained eight classrooms, with 298 children enrolled, and was staffed by six nuns from the Order of the Blessed Virgin Mary from Dubuque, Iowa. At first, only two Sunday Masses were held, but only half of the parishioners could be accommodated. Soon Father Scanlan began saying four masses a weekend, with the help of priests from a nearby Carmelite community; and

WHEREAS, During the turbulent decades between the late 1950s and the majority of the 1960s, St. Dorothy's stood for justice as a rapid racial transition occurred within the parish boundaries. Father Michael Kilbride was pastor during those transition years when Chatham-Grand Crossing became an African-American middle class neighborhood. Due to his diligent groundwork that he and his parishioners laid down, a *Chicago Tribune* news article at that time noted, "St. Dorothy's is a changing parish, but this is a kind of change that gives a church strength"; and

WHEREAS, By the end of the 1960s, St. Dorothy's began to set a new vision for future social action coming from a strong Christian belief, but not without controversy. Many parishioners had demanded that the then-archbishop and cardinal John Cody appoint, as St. Dorothy's pastor, the controversial civil rights activist and African-American Reverend George Clements (who was already assistant pastor). However, the cardinal chose Reverend Rollins Lambert, the first African American to be ordained in the archdiocese, instead; and

WHEREAS, Both priests served St. Dorothy's congregation together and evangelized for the cause of African-Americans, but in markedly different ways and with radically different styles. However, Father Clements noted that there was nothing but respect between the two priests. *COMMEMORATION OF 156<sup>TH</sup> ANNIVERSARY OF NOMINATION OF ABRAHAM LINCOLN AS REPUBLICAN PRESIDENTIAL CANDIDATE.*

[R2016-361]

WHEREAS, May 16 -- 18, 2016, officially marks the 156<sup>th</sup> anniversary of one of the most historically important events in the American experience, namely, the nomination of Abraham Lincoln as the Republican candidate for president inside the Chicago "Wigwam"; and

WHEREAS, The Chicago City Council has been informed of this milestone by Alderman Edward M. Burke; and

WHEREAS, In the years 1856 -- 1860 the sectional crisis over the issue of slavery intensified; and

WHEREAS, The fledgling Republican Party, representing a coalition of abolitionists, Free Soilers, former members of the defunct Whig Party and Northern mercantile and industrial interests desired to hold its second national nominating convention in a Midwestern location; and

WHEREAS, The Republican Party selected the City of Chicago, an emerging "crossroads of commerce" driven by the rapid expansion of 12 east/west railroad trunk lines, as its host city; and

WHEREAS, With a growing population of 112,000, the city lacked an adequate convention hall to accommodate state delegations, out-of-town newspaper reporters and scores of dignitaries and public officials; and

WHEREAS, In response, the Chicago Republican Club collected \$7,000 in private subscriptions to erect a temporary, three-sided, wood-planked structure they named the "Wigwam"; and

WHEREAS, The hastily-constructed "Wigwam" stood just south of the Chicago River at the present site of Lake Street and Wacker Drive on land owned by the Garrett Bible Institute; and

WHEREAS, An estimated crowd of 30,000 people descended upon Chicago in the third week of May 1860 to participate in or to observe the convention proceedings; and

WHEREAS, The Republican Party platform committee drafted 17 statements of principle, calling for the preservation of the union and freedom of immigration while opposing the expansion of slavery, and the Fugitive Slave Law; and

WHEREAS, Thirteen declared and undeclared candidates, including Abraham Lincoln of Illinois, vied for the party's nomination; and

WHEREAS, Senator William H. Seward of New York, the acknowledged front-runner for the nomination, faced a strong challenge from four other main contenders, including Ohio Governor Salmon P. Chase, Pennsylvania Senator Simon Cameron, Abraham Lincoln, and Missouri Congressman Edward Bates; and

WHEREAS, Senator Seward, Governor Chase and Senator Cameron each confronted strong internal opposition among various factions and special interests of the Republican Party; and

WHEREAS, Members of the Illinois and Indiana delegations, with long-time Abraham Lincoln supporters Ward Hill Lamon, David Davis and Leonard Swett, recognized an opportunity to secure the nomination of Lincoln, a westerner favorably viewed by political moderates; and

WHEREAS, The Lincoln team acted swiftly and resourcefully to shore-up support for their candidate through political subterfuge and artful negotiation; and

WHEREAS, On the evening of May 17, Davis and Swett negotiated key cabinet appointments for Senator Cameron and Governor Chase in return for an agreement to release their delegates to Lincoln; and

WHEREAS, To counter the remaining threat to Abraham Lincoln's nomination posed by the Seward delegation, Ward Hill Lamon authorized the printing of counterfeit admission tickets to the gallery and randomly distributed them to Lincoln loyalists who "packed" the hall; and

WHEREAS, By the time the Seward delegation arrived at the Wigwam from their hotels, they were denied admission after discovering their places had been taken; and

WHEREAS, A vanguard of pandemonium swept over the hall as the Lincoln supporters stamped their feet and loudly cheered on the favorite son of Illinois to a stampede victory on the third ballot with 349 delegate votes; and

WHEREAS, If not for the behind-the-scenes maneuvering of Ward Hill Lamon, David Davis, Leonard Swett and hundreds of Chicago citizens, it is quite probable that Abraham Lincoln would have lost the nomination and the future course of American history would have forever altered; now, therefore,

*Be It Resolved*, That we, the Mayor and the members of the Chicago City Council, assembled this 18<sup>th</sup> day of May 2016, do hereby commemorate this historic and prominent anniversary and pay homage to the courage, the memory and sacrifice of our beloved 16<sup>th</sup> President, Abraham Lincoln, a proud son of Illinois; and

*Be It Further Resolved*, That suitable copies of this resolution be presented to the Chicago History Museum and the Abraham Lincoln Presidential Library and Museum in Springfield, Illinois.

At this point in the proceedings, Alderman Burke presented for display the commemorative brass plaque that was affixed to a successor building constructed on the site of the Wigwam convention center and meeting hall located at Lake Street and Wacker Drive that served as the location of the 1860 Republican National Convention where Abraham Lincoln received the nomination for United States President.

WHEREAS, Family came first for the Goldmans, and in order to give their children, Steve and Lisa the best, they volunteered through many organizations to support all the young people of Rogers Park, including work with the St. Jerome's Teen Club, the High Ridge YMCA Chargers Football Program, the Eugene Field School PTA, the Sullivan High School PTA, the Sullivan High School Boosters Club, the Leone Beach Junior Guard Program Parent Association, and served as leaders for Boy Scout and Girl Scout troops; and

WHEREAS, Carol and Sandy were equally committed to the improvement of their community where they gave thousands of hours of volunteer service for numerous Rogers Park organizations, including the Chicago Police Department's 24<sup>th</sup> District Steering Committee and CAPS Committee, the Rogers Park Historical Society, and the Rogers Park Art and Music Street Fair Committee, and co-founded the Rogers Park Builders' Group and the Rogers Park Garden Group; and
