*Be It Ordained by the City Council of the City of Chicago as follows:*

SECTION 1. The City Council, after a public meeting heretofore held on this ordinance by the Committee on Finance of the City Council, pursuant to proper notice and in accordance with the findings and recommendations of such committee, finds that all of the recitals contained in the preambles to this ordinance are full, true and correct and incorporates them into this ordinance by this reference.

SECTION 2. There shall be borrowed on the credit of and for and on behalf of the City in one or more series and at one or more times for Project purposes, the sum of not to exceed \$600,000,000 plus an amount equal to the amount of any net original issue discount used in

the marketing of such Bonds (not to exceed 15 percent of the principal amount of any such series of Bonds). The Bonds shall be issued from time to time in one or more series for Project purposes in an aggregate principal amount not exceeding the amount specified above, or such lesser amounts as may be determined by the City's Chief Financial Officer or the City Comptroller (each such officer is referred to as an "Authorized Officer").

The Bonds of each series may be issued pursuant to, and have such terms and provisions as are set forth in, a Trust Indenture from the City to a Bond Trustee substantially in the form attached as Exhibit A, which is incorporated in this ordinance by this reference, but with such revisions in text as the Mayor or the Authorized Officer executing the same shall determine are necessary or desirable, the execution thereof, and any amendment thereto, by the Mayor or such Authorized Officer to evidence the City Council's approval of all such revisions. Such revisions may include, among other things, revisions required (i) to reflect the issuance of the Bonds as Capital Appreciation Bonds, Convertible Bonds or Direct Purchase Bonds (each as hereinafter defined) and (ii) in the case of the issuance of a series of Bonds the interest on which is includable in the gross income of their owners for federal income tax purposes. With respect to any series of Bonds issued pursuant to a Trust Indenture, in the event of any conflict between the provisions of this ordinance and such Trust Indenture (including in the form of Bond attached thereto as an exhibit), the terms of such Trust Indenture shall be deemed to control. The Mayor or an Authorized Officer is authorized to enter into one or more of such Trust Indentures from time to time on behalf of the City.

All or any portion of the Bonds may be issued as Bonds payable in one payment on a fixed date ("Capital Appreciation Bonds"). Each series of Capital Appreciation Bonds shall be dated the date of issuance thereof and shall also bear the date of authentication, shall be in fully registered form, shall be numbered as determined by the applicable Bond Registrar (as defined in Section 3), and shall be in denominations equal to the original principal amounts of such Capital Appreciation Bonds or any integral multiple thereof, each such original principal amount representing Compound Accreted Value (as hereinafter defined) at maturity (the "Maturity Amount") of such minimum amounts and integral multiples thereof as shall be agreed upon by an Authorized Officer and the purchasers of such Capital Appreciation Bonds (but no single Bond shall represent Compound Accreted Value maturing on more than one date). As used herein, the "Compound Accreted Value" of a Capital Appreciation Bond on any date of determination shall be an amount equal to the original principal amount (or integral multiple thereof) plus an investment return accrued to the date of such determination at a semiannual compounding rate which is necessary to produce the yield to maturity borne by such Capital Appreciation Bond (the "Yield to Maturity").

All or any portion of the Bonds may be issued as Bonds bearing interest at fixed rates and paying interest semiannually as described below (the "Current Interest Bonds"). Each series of Current Interest Bonds shall be dated such date as shall be agreed upon by an Authorized Officer and the purchasers of such Current Interest Bonds, shall be in fully registered form, shall be in such minimum denominations and integral multiples thereof as shall be agreed upon by an Authorized Officer and the purchasers of such Current Interest Bonds (but no single Current Interest Bond shall represent installments of principal maturing on more than one date), and shall be numbered as determined by the applicable Bond Registrar.

The Bonds may be initially issued as Capital Appreciation Bonds containing provisions for the conversion of the Compound Accreted Value of such Bonds into Current Interest Bonds (the "Convertible Bonds") at such time following the initial issuance as shall be approved by an Authorized Officer. While in the form of Capital Appreciation Bonds, such Convertible Bonds shall be subject to all of the provisions and limitations of this ordinance relating to Capital Appreciation Bonds, and while in the form of Current Interest Bonds, such Convertible Bonds shall be subject to all of the provisions and limitations of this ordinance relating to Current Interest Bonds. In particular, when Convertible Bonds are in the form of Capital Appreciation Bonds prior to their conversion to Current Interest Bonds, the transfer, exchange and replacement provisions of this ordinance with respect to Capital Appreciation Bonds shall apply to such Convertible Bonds; provided that the Convertible Bonds delivered in the form of Capital Appreciation Bonds in connection with any such transfer, exchange or replacement shall have identical provisions for conversion to Current Interest Bonds as set forth in the Convertible Bonds being transferred, exchanged or replaced. In connection with the issuance and sale of any Convertible Bonds, the terms and provisions relating to the conversion of the Compound Accreted Value of such Convertible Bonds into Current Interest Bonds shall be as approved by an Authorized Officer at the time of sale of such Convertible Bonds. Notwithstanding any other provision hereof, any series of Bonds may be issued as Capital Appreciation Bonds, Current Interest Bonds, Convertible Bonds, or any combination thereof.

All or any portion of the Bonds may be issued and sold from time to time as a direct purchase to holders (the "Direct Purchase Bonds"). The Direct Purchase Bonds shall be sold as provided in Section 12 hereof.

The principal of the Bonds of each series shall become due and payable on or before the earlier of (i) January 1, 2057, or (ii) 40 years after the date of issuance of such series. Each series of Current Interest Bonds shall bear interest at a rate or rates and each series of Capital Appreciation Bonds shall have Yields to Maturity not to exceed 10 percent per annum. Any portion of the Bonds may be issued as Bonds the interest on which is not excludable from the gross income of their owners for federal income tax purposes if doing so is determined by an Authorized Officer to be beneficial to the City.

Each Capital Appreciation Bond shall accrue interest from its date at the rate per annum compounded semiannually on each January 1 and July 1, commencing on such January 1 or July 1 as determined by an Authorized Officer at the time of sale of such Capital Appreciation Bonds, which will produce the Yield to Maturity identified therein until the maturity date thereof. Interest on the Capital Appreciation Bonds shall be payable only at the respective maturity dates thereof.

Each Current Interest Bond shall bear interest from the later of its date or the most recent interest payment date to which interest has been paid or duly provided for, until the principal amount of such Bond is paid, such interest (computed upon the basis of a 360-day period of twelve 30-day months) being payable on January 1 and July 1 of each year, commencing on such January 1 or July 1 as shall be determined by an Authorized Officer at the time of the sale of each series of Current Interest Bonds. Interest on each Current Interest Bond shall

be paid to the person in whose name such Current Interest Bond is registered at the close of business on the 15<sup>th</sup> day of the month next preceding the interest payment date, by check or draft of the applicable Bond Registrar, or, at the option of any registered owner of \$1,000,000 or more in aggregate principal amount of Current Interest Bonds of a series, by wire transfer of immediately available funds to such bank in the continental United States of America as the registered owner of such Current Interest Bonds shall request in writing to the applicable Bond Registrar.

The Compound Accreted Value of the Capital Appreciation Bonds, the principal of the Current Interest Bonds and any redemption premium shall be payable in lawful money of the United States of America upon presentation and surrender thereof at the designated corporate trust office of the applicable Bond Registrar.

Each of the Bonds shall be designated "General Obligation Bonds, Series \_\_\_\_\_", with such additions, modifications or revisions as shall be determined to be necessary by an Authorized Officer at the time of the sale of such Bonds to reflect the calendar year of issuance of the Bonds, the order of sale of the Bonds, the specific series of the Bonds, whether the Bonds are being issued on a taxable basis, whether the Bonds are Capital Appreciation Bonds, Current Interest Bonds, Convertible Bonds, or Direct Purchase Bonds, and any other authorized features of the Bonds determined by an Authorized Officer as desirable to be reflected in the title of the Bonds being issued and sold.

The seal of the City or a facsimile thereof shall be affixed to or printed on each of the Bonds, and the Bonds shall be executed by the manual or facsimile signature of the Mayor and attested by the manual or facsimile signature of the City Clerk, and in case any officer whose signature shall appear on any Bond shall cease to be such officer before the delivery of such Bond, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery. As used in this ordinance, "City Clerk" shall mean the duly qualified and acting City Clerk of the City or any Deputy City Clerk or other person who may lawfully take a specific action or perform a specific duty prescribed for the City Clerk pursuant to this ordinance.

All Bonds shall have thereon a certificate of authentication substantially in the form hereinafter set forth duly executed by the applicable Bond Registrar or Bond Trustee as authenticating agent of the City and showing the date of authentication. No Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit under this ordinance unless and until such certificate of authentication shall have been duly executed by the applicable Bond Registrar or Bond Trustee by manual signature, and such certificate of authentication upon any such Bond shall be conclusive evidence that such Bond has been authenticated and delivered under this ordinance. The certificate of authentication on any Bond shall be deemed to have been executed by the applicable Bond Registrar or Bond Trustee if signed by an authorized officer of such Bond Registrar or Bond Trustee, but it shall not be necessary that the same officer sign the certificate of authentication on all of the Bonds issued hereunder.

SECTION 3. (a) Registration And Transfer. The City shall cause books (the "Bond Register") for the registration and for the transfer of each series of Bonds as provided in this ordinance to be kept at the designated corporate trust office of a bank or trust company designated by an Authorized Officer, which shall, with respect to a series of Bonds issued pursuant to a Trust Indenture, be the Bond Trustee for such series of Bonds (the "Bond Registrar"), as the registrar for the City in connection with such series of Bonds. The City is authorized to prepare multiple Bond blanks executed by the City for use in the transfer and exchange of Bonds.

Upon surrender for transfer of any Bond at the designated corporate trust office of the applicable Bond Registrar, duly endorsed by, or accompanied by a written instrument or instruments of transfer in form satisfactory to such Bond Registrar and duly executed by the registered owner or its attorney duly authorized in writing, the City shall execute and such Bond Registrar shall authenticate, date and deliver in the name of the transferee or transferees (a) in the case of any Capital Appreciation Bond, a new fully registered Capital Appreciation Bond or Bonds of the same series, maturity and Yield to Maturity of authorized denominations, for a like aggregate original principal amount of Capital Appreciation Bond or Bonds of the same series, maturity and Yield to Maturity of other authorized denominations, or (b) in the case of Current Interest Bonds, one or more fully registered Bonds of the same series, interest rate and maturity of authorized denominations, for a like principal amount. Any Capital Appreciation Bond or Bonds may be exchanged at said office of the applicable Bond Registrar for a like aggregate original principal amount of Capital Appreciation Bond or Bonds of the same series, maturity and Yield to Maturity of other authorized denominations. Any Current Interest Bond or Bonds may be exchanged at said office of the applicable Bond Registrar for a like aggregate principal amount of Bonds of the same series, type, interest rate and maturity of other authorized denominations. The execution by the City of any fully registered Bond shall constitute full and due authorization of such Bond, and the applicable Bond Registrar shall thereby be authorized to authenticate, date and deliver such Bond; provided that (a) the aggregate original principal amount of outstanding Capital Appreciation Bonds of each series, maturity and Yield to Maturity authenticated by the applicable Bond Registrar shall not exceed the authorized aggregate original principal amount of Capital Appreciation Bonds of such series, maturity and Yield to Maturity less previous retirements and (b) the principal amount of Current Interest Bonds of each series, maturity and interest rate authenticated by the applicable Bond Registrar or Bond Trustee shall not exceed the authorized principal amount of Current Interest Bonds for such series, maturity and interest rate less previous retirements.

The applicable Bond Registrar shall not be required to transfer or exchange (a) any Bond after notice calling such Bond for redemption has been mailed, or (b) any Bond during a period of 15 days next preceding mailing of a notice of redemption of such Bond; provided, however, that provisions relating to the transfer or exchange of Bonds of a series shall be as determined by an Authorized Officer at the time of the sale of such series and may be set forth in a notification of sale as described in Section 12 hereof or in the Trust Indenture as authorized in Section 2 hereof.

The person in whose name any Bond is registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of the Compound Accreted Value of, principal of, redemption premium, if any, or interest on any Bond, as appropriate, shall be made only to or upon the order of the registered owner thereof or its legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

No service charge shall be made for any transfer or exchange of Bonds, but the City or the applicable Bond Registrar may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds, except that no such payment may be required in the case of the issuance of a Bond or Bonds for the unredeemed portion of a Bond surrendered for redemption.

(b) Book-Entry Only System. If so determined and directed by an Authorized Officer in connection with the sale of any of the Bonds, such Bonds may be issued in book-entry only form. In connection with the issuance of Bonds in book-entry only form, an Authorized Officer is authorized to execute and deliver to the book-entry depository selected by such Authorized Officer such depository's standard form of representation letter. If any of the Bonds are registered in the name of a securities depository which uses a book-entry system, the standing of the beneficial owner to enforce any of the covenants herein may be established through the books and records of such securities depository or a participant therein.

(c) Bonds Lost, Destroyed, Et Cetera. If any Bond, whether in temporary or definitive form, is lost (whether by reason of theft or otherwise), destroyed (whether by mutilation, damage, in whole or in part, or otherwise) or improperly cancelled, the applicable Bond Registrar may authenticate a new Bond of like series, date, maturity date, interest rate (or, in the case of Capital Appreciation Bonds, Yield to Maturity), denomination and original principal amount (in the case of Capital Appreciation Bonds) or principal amount (in the case of Current Interest Bonds) and bearing a number not contemporaneously outstanding; provided that (i) in the case of any mutilated Bond, such mutilated Bond shall first be surrendered to the applicable Bond Registrar, and (ii) in the case of any lost Bond or Bond destroyed in whole, there shall be first furnished to the applicable Bond Registrar evidence of such loss or destruction, together with indemnification of the City and such Bond Registrar, satisfactory to such Bond Registrar. If any lost, destroyed or improperly cancelled Bond shall have matured or is about to mature, or has been called for redemption, instead of issuing a duplicate Bond, the applicable Bond Registrar shall pay the same without surrender thereof if there shall be first furnished to such Bond Registrar evidence of such loss, destruction or cancellation, together with indemnity, satisfactory to it. Upon the issuance of any substitute Bond, the applicable Bond Registrar may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto.

(d) Redemption And Repurchase. The Bonds may be made subject to redemption prior to maturity at the option of the City, in whole or in part on any date, at such times and at such redemption prices (to be expressed as a percentage of the principal amount of Current Interest Bonds being redeemed or as a formula as described below and expressed as a percentage of the Compound Accreted Value of Capital Appreciation Bonds to be redeemed

or as a formula as described below) not to exceed 120 percent, plus, in the case of Current Interest Bonds, accrued interest to the date of redemption, as determined by an Authorized Officer at the time of the sale thereof.

Notwithstanding the foregoing, such 120 percent limitation on the redemption price of Bonds shall not apply where the redemption price is based upon a formula designed to compensate the owner of the Bonds to be redeemed based upon prevailing market conditions on the date fixed for redemption, commonly known as a "make-whole" redemption price (the "Make-Whole Redemption Price"). At the time of sale of the Bonds, an Authorized Officer shall determine the provisions of the formula to be used to establish any Make-Whole Redemption Price, which may vary depending on whether the Bonds are issued on a taxable or tax-exempt basis. An Authorized Officer shall confirm and transmit the applicable Make-Whole Redemption Price on such dates and to such parties as shall be necessary to effectuate such redemption.

If fewer than all of the outstanding Bonds of a series are to be optionally redeemed, the Bonds to be called shall be called from such maturities and interest rates of such series as may be determined by an Authorized Officer.

Certain of the Bonds of a series may be made subject to mandatory redemption, at par and accrued interest to the date fixed for redemption, as determined by an Authorized Officer at the time of the sale thereof.

An Authorized Officer is authorized to sell (at a price determined by such Authorized Officer to be in the best interests of the City) or waive any right the City may have to call any of the Bonds for optional redemption, in whole or in part, and is further authorized to expend the proceeds of any such sales for any purpose for which the proceeds of the Bonds are authorized to be expended and for the payment or prepayment of any City debt obligations whether issued before or after the date of adoption of this ordinance, all as determined by an Authorized Officer; provided however, to the extent that interest on such Bonds is excluded from gross income for federal income tax purposes, such expenditures shall not adversely affect such exclusion. If determined to be necessary or appropriate, an Authorized Officer is authorized to solicit the consent of holders of outstanding Bonds to any such sale or waiver.

At the time of sale of Bonds of a series, an Authorized Officer is authorized to determine the manner of redeeming such Bonds, either by lot in the manner hereinafter provided or pro-rata in the manner determined by an Authorized Officer at the time of sale, if less than all of the Bonds of the same series, maturity and interest rate are to be redeemed.

The Current Interest Bonds shall be redeemed only in amounts equal to the respective minimum authorized denominations and integral multiples thereof and the Capital Appreciation Bonds shall be redeemed only in amounts representing the respective minimum authorized Maturity Amounts and integral multiples thereof. In the event of the redemption of fewer than all the Bonds of the same series, maturity and interest rate by lot, the aggregate principal amount or Maturity Amount (as appropriate) thereof to be redeemed shall be the minimum authorized denomination or Maturity Amount (as appropriate) for such series or an

integral multiple thereof, and the applicable Bond Registrar shall assign to each Bond of such series, maturity and interest rate, a distinctive number for each minimum authorized denomination or Maturity Amount (as appropriate) of such Bond and shall select by lot from the numbers so assigned as many numbers as, at such minimum authorized denomination or Maturity Amount (as appropriate) for each number, shall equal the principal amount or Maturity Amount (as appropriate) of such Bonds to be redeemed. In such case, the Bonds to be redeemed shall be those to which were assigned numbers so selected; provided that only so much of the principal amount or Maturity Amount (as appropriate) of each Bond shall be redeemed as shall equal such minimum authorized denomination or Maturity Amount (as appropriate) for each number assigned to it and so selected. In the event of the redemption of fewer than all Bonds of the same series, maturity and interest rate on a pro-rata basis, if the Bonds are held in book-entry form at the time of redemption, at the time of sale of the Bonds, an Authorized Officer is authorized to direct the Bond Registrar to instruct the book-entry depository to select the specific Bonds within such maturity and interest rate for redemption pro-rata among such Bonds. The City shall have no responsibility or obligation to ensure that the book-entry depository properly selects such Bonds for redemption.

The City shall, at least 45 days prior to any optional redemption date (unless a shorter time period shall be satisfactory to the applicable Bond Registrar), notify the applicable Bond Registrar of such redemption date and of the principal amount or Maturity Amount (as appropriate) of Bonds of such series to be redeemed.

In connection with any mandatory redemption of Bonds of a series as authorized above, the principal amounts of Bonds (or the Compound Accreted Value of the Capital Appreciation Bonds) of such series to be mandatorily redeemed in each year may be reduced through the earlier optional redemption thereof, with any partial optional redemptions of such Bonds of such series credited against future mandatory redemption requirements in such order of the mandatory redemption dates as an Authorized Officer may determine. In addition, on or prior to the 60<sup>th</sup> day preceding any mandatory redemption date of Bonds of a series, the applicable Bond Registrar may, and if directed by an Authorized Officer shall, purchase Bonds of such series required to be retired on such mandatory redemption date at such prices as an Authorized Officer shall determine. Any such Bonds so purchased shall be cancelled and the principal amount (or Compound Accreted Value, as appropriate) thereof shall be credited against the payment required on such next mandatory redemption date with respect to such series of Bonds.

The applicable Bond Registrar shall promptly notify the City in writing of the Bonds, or portions thereof, selected for redemption and, in the case of any Bond selected for partial redemption, the principal amount, Compound Accreted Value or Maturity Amount (as appropriate) thereof, and the interest rate thereof to be redeemed.

Subject to the limitation on redemption price set forth above, the terms of such redemption shall be determined by an Authorized Officer at the time of sale of the Bonds of each series and may be set forth in a notification of sale as described in Section 12 hereof or in the Trust Indenture as authorized in Section 2 hereof.

SECTION 4. Unless waived by any owner of Bonds to be redeemed, notice of the call for any such redemption shall be given by the applicable Bond Registrar on behalf of the City by mailing the redemption notice by first class mail at least 30 days and not more than 60 days prior to the date fixed for redemption to the registered owner of the Bond or Bonds to be redeemed at the address shown on the applicable Bond Register or at such other address as is furnished in writing by such registered owner to such Bond Registrar, but the failure to mail any such notice or any defect therein as to any Bond shall not affect the validity of the proceedings for the redemption of any other Bond. Any notice of redemption mailed as provided in this section shall be conclusively presumed to have been given whether or not actually received by the addressee.

All notices of redemption shall state:

- (1) the series designation of the Bonds to be redeemed;
- (2) the redemption date;
- (3) the redemption price, or in the case of a redemption of Bonds at a Make-Whole Redemption Price, a description of the formula by which the redemption price shall be determined;
- (4) if less than all outstanding Bonds of a series are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts and interest rates, Compound Accreted Values or Maturity Amounts) of the Bonds to be redeemed;
- (5) that on the redemption date the redemption price will become due and payable upon each such Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue or compound from and after said date;
- (6) the place where such Bonds are to be surrendered for payment of the redemption price, which place of payment shall be the designated corporate trust office of the applicable Bond Registrar; and
- (7) such other information as shall be deemed necessary by the applicable Bond Registrar at the time such notice is given to comply with law, regulation or industry standard.

With respect to an optional redemption of any series of Bonds, such notice may state that said redemption is conditioned upon the receipt by the applicable Bond Registrar on or prior to the date fixed for redemption of monies sufficient to pay the redemption price of the Bonds of such series. If such monies are not so received, such redemption notice shall be of no force and effect, the City shall not redeem such Bonds and the applicable Bond Registrar shall give notice, in the same manner in which the notice of redemption was given, that such monies were not so received and that such Bonds will not be redeemed. Unless the notice of redemption shall be made conditional as provided above, on or prior to any redemption

date for a series of Bonds, the City shall deposit with the applicable Bond Registrar an amount of money sufficient to pay the redemption price of all the Bonds or portions thereof of such series which are to be redeemed on that date.

Notice of redemption having been given as aforesaid, the Bonds, or portions thereof, so to be redeemed shall, on the redemption date, become due and payable at the redemption price therein specified, and from and after such date (unless the City defaults in the payment of the redemption price or unless, in the event of a conditional notice as described above, the necessary monies were not deposited) such Bonds, or portions thereof, shall cease to bear, accrue or compound interest. Upon surrender of such Bonds for redemption in accordance with said notice, such Bonds shall be paid by the applicable Bond Registrar at the redemption price. Installments of interest due on or prior to the redemption date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption (i) of any Current Interest Bond, there shall be prepared for the registered owner a new Current Interest Bond or Bonds of the same series, interest rate and maturity in the amount of the unpaid principal or (ii) of any Capital Appreciation Bond, there shall be prepared for the registered owner a new Capital Appreciation Bond or Bonds of the same series, Yield to Maturity and maturity date in the amount of the unpaid Maturity Amount.

If any Current Interest Bond or portion thereof called for redemption shall not be so paid upon surrender thereof for redemption, the principal shall, until paid, bear interest from the redemption date at the rate borne by such Bond, or portion thereof, so called for redemption. If any Capital Appreciation Bond, or portion thereof, called for redemption shall not be so paid upon surrender thereof for redemption, the Compound Accreted Value at such redemption date shall continue to accrue interest from such redemption date at the Yield to Maturity borne by such Capital Appreciation Bond, or portion thereof, so called for redemption. All Bonds which have been redeemed shall be cancelled and destroyed by the applicable Bond Registrar and shall not be reissued.

If any Bond is not presented for payment when the principal amount, Compound Accreted Value or Maturity Amount thereof becomes due, either at maturity or at a date fixed for redemption thereof or otherwise, and if monies sufficient to pay such Bond are held by the applicable Bond Registrar for the benefit of the registered owner of such Bond, such Bond Registrar shall hold such monies for the benefit of the registered owner of such Bond without liability to the registered owner for interest. The registered owner of such Bond thereafter shall be restricted exclusively to such funds for satisfaction of any claims relating to such Bond.

SECTION 5. The Capital Appreciation Bonds and the Current Interest Bonds of each series shall be prepared in substantially the following forms with such insertions and revisions as shall be necessary to reflect the terms and provisions of the sale of the Bonds of such series pursuant to Section 12 hereof; provided that if the text of any Bond is to be printed in its entirety on the front side of such Bond, then the text shown or appearing on the reverse side of such Bond shall replace paragraph [2] and the legend, "See Reverse Side for Additional Provisions", shall be omitted. The Convertible Bonds shall be prepared incorporating the provisions of the forms of Capital Appreciation Bonds and Current Interest Bonds set forth

below as necessary to reflect the terms and provisions of the sale of the Convertible Bonds pursuant to Section 12 hereof.

All Bonds may be prepared with such insertions and revisions as shall be necessary in connection with the issuance of such Bonds as Direct Purchase Bonds.

; provided that collections of such levy for any year in an amount in excess of that necessary to make the payments described in clauses (i) and (ii) above: (a) may be used for any lawful public purpose designated by the City Council or (b) may be reduced and abated by an Authorized Officer if such reduction is deemed desirable by an Authorized Officer in connection with the sale or sales of the Bonds, in each case as determined from time to time by an Authorized Officer as provided in Section 12 hereof.

The tax levy made in this section is not subject to the "Aggregate Levy" limitation contained in the Chicago Property Tax Limitation Ordinance contained in Chapter 3-92 of the Municipal Code of Chicago (the "Municipal Code"), and Section 3-92-020 of the Municipal Code is superseded to exclude the tax levy herein from the definition of "Aggregate Levy" contained therein.

The term "Pledged Taxes" means the taxes hereinabove levied for collection for the purpose of providing the funds necessary to make the payments described in clauses (i) and (ii) of the first paragraph of this Section 7, and the term "Pledged Taxes" shall also include any amounts deposited into the hereinafter-defined Bond Fund or deposited with the Ad Valorem Tax Escrow Agent (as defined in Section 9 below) by an Authorized Officer for the purpose of paying principal of and interest on the Bonds and any accrued interest received and deposited in the Bond Fund or the Ad Valorem Tax Escrow Account, if established pursuant to Section 9 below.

As provided in Section 12 or otherwise, the City reserves the right to abate all or a portion of the Pledged Taxes required to be levied in any year if and to the extent on or before March 31 of the next succeeding calendar year (or such earlier date as may be required by law), the City has on hand amounts dedicated to the payments described in clause (i) of the first paragraph of this Section 7 due during the one-year period commencing on January 2 of such succeeding calendar year. The City may, but shall not be required to, cause the levy or extension in any year of taxes for the payment of the costs of Ongoing Financing Services.

SECTION 8. The City shall appropriate or otherwise provide amounts sufficient to pay principal of and interest on the Bonds (including the Compound Accreted Value of any Capital Appreciation Bonds) for the years such amounts are due, and the City covenants to take timely action as required by law to carry out the provisions of this section, but, if for any such year it fails to do so, this ordinance shall constitute a continuing appropriation ordinance of such amounts without any further action on the part of the City Council.

SECTION 9. Each Authorized Officer is authorized to establish one or more special accounts, if determined to be necessary in connection with the sale of any of the Bonds, separate and segregated from all other funds and accounts of the City (each a "Bond Fund"), which shall be (i) held by an Authorized Officer, or (ii) maintained by a Bond Trustee pursuant to a Trust Indenture, or (iii) maintained with a bank or trust company to be designated by an Authorized Officer (each an "Ad Valorem Tax Escrow Account") pursuant to an escrow agreement (each an "Ad Valorem Tax Escrow Agreement"), between the City and the applicable Escrow Agent named therein (each an "Ad Valorem Tax Escrow Agent"), and one or more of the Mayor or an Authorized Officer are authorized to execute and deliver one or more Ad Valorem Tax Escrow Agreements in connection with the sale of the Bonds in such form as the officers so executing such agreement may deem appropriate in accordance with the provisions of this ordinance.

In lieu of the proceeds of such taxes being deposited with the City Treasurer, each Authorized Officer is authorized to direct the County Collectors of Cook and DuPage Counties, Illinois (the "County Collectors"), to deposit the proceeds of such taxes directly into the Bond Fund held pursuant to the applicable Trust Indenture or the applicable Ad Valorem Tax Escrow Account, if such Trust Indenture has been executed and delivered or such Ad Valorem Tax Escrow Account has been created.

SECTION 10. If the Pledged Taxes to be applied to the payment of the Bonds are not available in time to make any payments of principal of or interest on the Bonds when due, then the appropriate fiscal officers of the City are directed to make such payments from any other monies, revenues, receipts, income, assets or funds of the City that are legally available for that purpose in advancement of the collection of such Pledged Taxes, and when the proceeds thereof are received, such other funds shall be replenished, all to the end that the credit of the City may be preserved by the prompt payment of the principal of and interest on the Bonds as the same become due.

SECTION 11. A copy of this ordinance, duly certified by the City Clerk, shall be filed in the respective offices of the County Clerks of Cook and DuPage Counties, Illinois (the "County Clerks"), and such filing shall constitute the authority for and it shall be the duty of the County Clerks, in each year beginning in 2017, to and including 2056, to extend the taxes levied pursuant to Section 7 hereof for collection in such year, such taxes to be in addition to and in excess of all other taxes heretofore or hereafter authorized to be levied by the City on its behalf.

A copy of this ordinance, duly certified by the City Clerk, shall also be filed with each applicable Bond Trustee, each applicable Ad Valorem Tax Escrow Agent, if any, each applicable Bond Registrar, and if the County Collectors of Cook and DuPage Counties are authorized to deposit the proceeds of the taxes levied pursuant to Section 7 hereof directly with a Bond Trustee or an Ad Valorem Tax Escrow Agent pursuant to Section 9 hereof, with such County Collectors.

SECTION 12. Each Authorized Officer is authorized to sell all or any portion of the Bonds, other than the Direct Purchase Bonds which shall be sold as provided in the following paragraph, from time to time to or at the direction of an underwriter or group of underwriters to be selected by such Authorized Officer (the "Underwriters"), with the concurrence of the chairman of the Committee on Finance of the City Council, on such terms as such Authorized Officer may deem to be in the best interests of the City within the limitations set forth in this ordinance.

The Bonds may be sold as Direct Purchase Bonds in a manner and containing such terms authorized by an Authorized Officer, including pursuant to a placement agent arrangement, to a purchaser or purchasers other than the Underwriters (the "Direct Purchasers"), such Direct Purchasers to be selected by an Authorized Officer and such sale being permitted at a price of not less than 85 percent of the principal amount of the Direct Purchase Bonds

being sold. The Mayor or an Authorized Officer is authorized to do all such things and to execute and deliver such additional documents, agreements and certificates as shall be necessary in connection with the sale of Direct Purchase Bonds.

The principal amount of and the interest on the Bonds (including the Compound Accreted Value of any Capital Appreciation Bonds) sold of each series and maturity in the aggregate (after taking into account (i) interest on the Bonds of such series to be paid from proceeds of such series and (ii) mandatory redemptions) shall not exceed the amount levied therefor as specified in Section 7 hereof. The Bonds may be sold from time to time as an Authorized Officer shall determine that the proceeds of such sales are needed.

The Mayor or an Authorized Officer is authorized to execute and deliver a contract of purchase with respect to each sale of the Bonds (i) to, or at the direction of, the Underwriters or (ii) to the Direct Purchasers, in substantially the form previously used for similar general obligation Bonds of the City (the "Contract of Purchase"), with appropriate revisions to reflect the terms and provisions of the Bonds and such other revisions in text as the Mayor or an Authorized Officer shall determine are necessary or desirable in connection with the sale of the Bonds. Bonds sold pursuant to a Contract of Purchase shall be sold at a price of not less than 85 percent of the principal amount of the Bonds being sold. The compensation paid to the Underwriters in connection with any sale of Bonds shall not exceed five percent of the principal amount of the Bonds being sold. Nothing contained in this ordinance shall limit the sale of the Bonds or any maturity or, maturities thereof at a price or prices in excess of the principal amount thereof.

In connection with any sale of the Bonds, an Authorized Officer is authorized to obtain one or more policies of Bond insurance from recognized Bond insurers selected by an Authorized Officer, if such Authorized Officer determines such Bond insurance to be desirable in connection with such sale of the Bonds. Either Authorized Officer may, on behalf of the City, make covenants with such Bond insurer that are not inconsistent with the provisions of this ordinance and are necessary to carry out the purposes of this ordinance.

If Bonds are sold so as to require the levy of taxes for any year specified in Section 7 hereof for the purpose of making the payments described in clause (i) of the first paragraph of Section 7 hereof in an amount less than the amount specified for such year in the first paragraph of Section 7 hereof, then an Authorized Officer shall, on or prior to March 31 (or such earlier date as may be required by law) of the calendar year next succeeding such year, notify the City Council of the determination made pursuant to clauses (a) and (b) of the first paragraph of Section 7 hereof regarding the application of any resulting excess levy collections, and, in addition, in connection with a determination made pursuant to clause (b) of the first paragraph of Section 7 hereof, an Authorized Officer shall file in the respective offices of the County Clerks certificates of tax abatement for such year. In the event that upon the final sale of the Bonds of all series, such Bonds have been sold so as to require the levy of taxes in any year specified in Section 7 hereof for the purpose of making the payments described in clause (i) of the first paragraph of Section 7 hereof in an amount less than the

amount specified for such year in Section 7 hereof, then there shall be included, in the final notification of sale to the City Council described below in this Section 12, the determination made pursuant to clauses (a) and (b) of the first paragraph of Section 7 hereof regarding the application of any resulting excess levy collections for such year and any succeeding year and, in addition, in connection with a determination made pursuant to clause (b) of the first paragraph of Section 7 hereof, an Authorized Officer shall file in the respective offices of the County Clerks certificates of tax abatement for such year or years. If any of the Bonds are not to be sold and issued as provided herein and no levy collections are to be applied for the purposes of paying the costs of Ongoing Financing Services as determined by an Authorized Officer, the corresponding taxes herein levied to pay debt service thereon shall be abated in full. Any certificate of abatement delivered pursuant to this paragraph shall refer to the amount of taxes levied pursuant to Section 7 hereof, shall indicate the amount of reduction in the amount of taxes levied by the City resulting from the sale or sales of the Bonds or the non-issuance thereof, which reduced amount is to be abated from such taxes, and shall further indicate the remainder of such taxes which is to be extended for collection by the County Clerks.

The preparation, use and distribution of a preliminary official statement, an official statement, a private placement memorandum, or any other disclosure document relating to each sale and issuance of the Bonds are ratified and approved. The Mayor and each Authorized Officer are each authorized to execute and deliver an official statement or other disclosure document relating to each sale and issuance of the Bonds on behalf of the City. The preliminary official statement, official statement, private placement memorandum, and other disclosure documents herein authorized shall be substantially similar to those previously used for general obligation Bonds of the City, and shall contain the terms and provisions of and security for the Bonds, the manner in which the Bonds shall be sold, the use of proceeds of the Bonds, financial information for the City, and such other information as the Mayor or any Authorized Officer determines to be advisable under the circumstances.

Subsequent to the sale of any series of Bonds, an Authorized Officer shall file in the office of the City Clerk a notification of sale directed to the City Council setting forth (i) the series designation, the aggregate principal amount and authorized denominations of, maturity, schedule and redemption provisions for the Bonds sold, (ii) the principal amounts of the Bonds sold as Current Interest Bonds, Capital Appreciation Bonds, and Convertible Bonds, respectively, (iii) in the case of Direct Purchase Bonds, the principal amounts of such Bonds sold as Current Interest Bonds, Capital Appreciation Bonds and Convertible Bonds, respectively, (iv) in the case of Bonds sold as Capital Appreciation Bonds, (A) the Original Principal Amounts of and Yields to Maturity on the Capital Appreciation Bonds being sold and (B) a table of Compound Accreted Values per minimum authorized Compound Accreted Value at maturity for any Capital Appreciation Bonds being sold, setting forth the Compound Accreted Value of each such Capital Appreciation Bond on each semiannual compounding date, (v) the interest rates on the Current Interest Bonds sold, (vi) the identity of the insurer or insurers issuing the Bond insurance policy or policies, if any, referred to below, (vii) the identity of the Underwriters (or, in the case of Direct Purchase Bonds, the Direct Purchasers)

selected for such Bonds, (viii) the identity of the applicable Bond Registrar or of the Bond Trustee, if any, selected by an Authorized Officer for such Bonds, (ix) the compensation paid to the Underwriters in connection with such sale, and (x) any other matter authorized by this ordinance to be determined by an Authorized Officer at the time of the sale of the Bonds of each series.

In connection with any sale of the Bonds, an Authorized Officer is authorized to execute and deliver one or more continuing disclosure agreements evidencing the City's agreement to comply with the requirements of Section (b)(5) of Rule 15c2-12, adopted by the Securities and Exchange Commission (the "SEC") under the Securities Exchange Act of 1934, as amended, in a form approved by the Corporation Counsel. Upon its execution and delivery on behalf of the City as herein provided, each continuing disclosure agreement will be binding on the City, and the officers, employees and agents of the City are authorized to do all such acts and things and to execute all such documents as may be necessary to carry out and comply with the provisions of each continuing disclosure agreement as executed. Either Authorized Officer is further authorized to amend each continuing disclosure agreement in accordance with its respective terms from time to time following its execution and delivery as that Authorized Officer shall deem necessary. In addition, an Authorized Officer is authorized to make all future filings with the Electronic Municipal Market Access system operated by the Municipal Securities Rulemaking Board or such other municipal securities information repository as shall be designated by the SEC, all in accordance with the provisions of SEC Rule 15c2-12(b)(5). Notwithstanding any other provision of this ordinance, the sole remedies for any failure by the City to comply with any continuing disclosure agreement shall be the ability of the beneficial owner of any applicable Bond to seek mandamus or specific performance by court order to cause the City to comply with its obligations under such continuing disclosure agreement.

The Bonds shall be duly prepared and executed in the form and manner provided herein and delivered to the purchasers in accordance with the applicable terms of sale.

The Mayor, each Authorized Officer, the City Treasurer and the City Clerk are each authorized to execute and deliver such other documents and agreements (including such contracts, such intergovernmental agreements or such grant agreements with not-for-profit organizations, educational or cultural institutions or for-profit organizations or to assist the United States government, the State of Illinois or other municipal corporations, units of local government or school districts in the State of Illinois, receiving proceeds of the Bonds as an Authorized Officer shall deem necessary and appropriate) and perform such other acts prior to or following the issuance of the Bonds as may be necessary or desirable in connection with the issuance of the Bonds and any transactions contemplated herein related to the application of the proceeds of the Bonds or collections or application of taxes levied for the payment of the Bonds or other purposes hereunder, but subject to any limitations on or restrictions of such power or authority as herein set forth. Any such actions heretofore taken by the Mayor, an Authorized Officer, the City Treasurer or the City Clerk in accordance with the provisions hereof are ratified and approved. With respect to each grant of Bond proceeds, each Authorized Officer is authorized to designate in writing, with the written concurrence of

the Budget Director of the City (the "Budget Director"), (i) one or more City departments or agencies to administer such grant, and (ii) the head of the City department or agency who shall be authorized to execute a grant agreement and such other documents, agreements or instruments as shall be deemed necessary or desirable by such City department or agency head. Upon any such written designation by an Authorized Officer with respect to a grant of Bond proceeds, such City department or agency shall be authorized to administer such grant and the head of such City department or agency shall be authorized to execute a grant agreement and such other documents, agreements or instruments as such official shall deem necessary or desirable.

SECTION 13. The proceeds from the sale of any series of the Bonds shall be used as follows:

(a) The sum representing the accrued interest received, if any, shall be used to pay the first interest becoming due on the Bonds sold, and to that end, shall be deposited in the applicable Bond Fund or the applicable Ad Valorem Tax Escrow Account, if established.

(b) From the sale proceeds derived from any such sale of a series of the Bonds, (i) such sum as may be determined by an Authorized Officer to be necessary to pay not more than three years of interest on the Bonds issued to pay costs of the Project may be used to pay such interest, and to that end, may be deposited in the applicable Bond Fund established for such Bonds; and (ii) the sum determined by an Authorized Officer to be necessary to pay the costs of the Project shall be set aside, held and invested at the direction of an Authorized Officer, as separate funds of the City pending such payment. Notwithstanding any provision of the Municipal Code, investments acquired with proceeds of the Bonds or investment income thereon may include but are not limited to agreements entered into between the City and providers of securities under which agreements such providers agree to purchase from or sell to the City specified securities on specific dates at predetermined prices, all as established at the time of execution of any such agreement and as set forth in such agreement, and guaranteed investment contracts, forward purchase agreements and other similar investment vehicles. Such guaranteed investment contracts, forward purchase agreements and other similar investment vehicles may, to the extent permitted by operative authorizing documents and by applicable law, be assigned or transferred from one Bond transaction to another or apply to the proceeds of more than one Bond transaction on a commingled or non-commingled basis, as determined by an Authorized Officer. The Mayor or an Authorized Officer is authorized to enter into any amendments to or restatements of existing documents or to execute new documents, to consent to actions being taken by others or to obtain the consent of other parties, as may be necessary or desirable in this respect. Investment income derived from Bond proceeds may be (w) expended for the same purposes for which Bond proceeds may be expended, (x) used for the payment or prepayment of City debt obligations, (y) deposited in the Corporate Fund of the City or (z) rebated to the United States of America as provided in Section 14 hereof, all as determined by an Authorized Officer or the Budget Director. Any commingled investment income from guaranteed investment contracts, forward purchase agreements

and other similar investment vehicles shall be apportioned among Bond transactions as determined by an Authorized Officer or as otherwise required by operative authorizing documents and applicable law.

(c) From the sale proceeds of a series of the Bonds not applied as provided in paragraphs (a) and (b), above, the amount deemed necessary by an Authorized Officer shall be applied to the payment of the costs of issuance of such Bonds, including the premium or fee for Bond insurance, if any, and any unexpended portion of the sale proceeds shall be paid to the City.

The costs of the Project may be paid directly by the City or may be financed by the making of grants for the implementation of the Project to (i) not-for-profit organizations, educational or cultural institutions or for-profit organizations, (ii) the State of Illinois, (iii) other units of local government, political subdivisions, municipal corporations or school districts in the State of Illinois, including any operating division thereof, or (iv) the United States government, all as determined by an Authorized Officer.

An Authorized Officer shall report to the City Council with respect to the expenditure of the proceeds of each series of the Bonds issued hereunder to pay the costs of the Project. Such reports shall be made no later than August 1 of each year, commencing August 1, 2017, with respect to expenditures made during the preceding calendar year. No report shall be required hereunder following any calendar year in which no proceeds of any series of the Bonds are expended to pay costs of the Project.

SECTION 14. The City covenants that it will take no action in the investment of the proceeds of the Bonds (other than Bonds issued as Bonds the interest on which is not excludable from the gross income of their owners for federal income tax purposes) which would result in making the interest payable on any of such Bonds subject to federal income taxes by reason of such Bonds being classified as "arbitrage bonds" within the meaning of Section 148 of the Code.

The City further covenants that it will act with respect to the proceeds of Bonds (other than Bonds issued as Bonds the interest on which is not excludable from the gross income of their owners for federal income tax purposes), the earnings on the proceeds of such Bonds and any other monies on deposit in any fund or account maintained in respect of such Bonds, including, if necessary, a rebate of such earnings to the United States of America, in a manner which would cause the interest on such Bonds to continue to be exempt from federal income taxation under Section 103(a) of the Code.

Each Authorized Officer is authorized to execute such certifications, tax returns, covenants and agreements as shall be necessary, in the opinion of nationally recognized Bond counsel, or in the best interest of the City, as determined by an Authorized Officer, to evidence the City's compliance with the covenants contained in this section.

SECTION 15. This ordinance is prepared in accordance with the powers of the City as a home rule unit under Article VII of the 1970 Illinois Constitution. The appropriate officers of the City are authorized to take such actions and do such things as shall be necessary to perform, carry out, give effect to and consummate the transactions contemplated by this ordinance and the Bonds, including, but not limited to, the exercise following the delivery date of any of the Bonds of any power or authority delegated to such official of the City under this ordinance with respect to the Bonds upon the initial issuance thereof, but subject to any limitations on or restrictions of such power or authority as herein set forth, and any actions heretofore taken by such officers of the City in accordance with the provisions of this ordinance are ratified and approved.

SECTION 16. The Mayor and each Authorized Officer may each designate another to act as their respective proxy and, as applicable, to affix their respective signatures to the Bonds whether in temporary or definitive form, and any other instrument, certificate or document required to be signed by the Mayor or an Authorized Officer pursuant to this ordinance and any instrument, certificate or document required thereby. In such case, each shall send to the City Council written notice of the person so designated by each, such notice stating the name of the person so selected and identifying the instruments, certificates and documents which such person shall be authorized to sign as proxy for the Mayor and each Authorized Officer, respectively. A written signature of the Mayor or of an Authorized Officer, respectively, executed by the person so designated underneath, shall be attached to each notice. Each notice, with the signatures attached, shall be recorded in the *Journal of the Proceedings of the City Council of the City of Chicago* for such date and filed in the office of the City Clerk. When the signature of the Mayor is placed on an instrument, certificate or document at the direction of the Mayor in the specified manner, the same, in all respects, shall be as binding on the City as if signed by the Mayor in person. When the signature of an Authorized Officer is so affixed to an instrument, certificate or document at the direction of such Authorized Officer, the same, in all respects, shall be as binding on the City as if signed by such Authorized Officer in person.

SECTION 17. If requested by the Bond Registrar, the Mayor, each Authorized Officer and the City Clerk are each authorized to execute the standard form of agreement between the City and the Bond Registrar with respect to the obligations and duties thereof.

SECTION 18. If payment or provision for payment is made, to or for the registered owners of all or a portion of the Bonds, of the Compound Accreted Value of any Capital Appreciation Bond and the principal of and interest due and to become due on any Current Interest Bond at the times and in the manner stipulated therein, and there is paid or caused to be paid to the applicable Bond Registrar or Bond Trustee, the applicable Ad Valorem Tax Escrow Agent as provided in Section 9 hereof, or such bank or trust company as shall be designated by an Authorized Officer (such bank or trust company hereinafter referred to as a "Defeasance Escrow Agent"), all sums of money due and to become due according to the provisions of this ordinance, then these presents and the estate and rights granted by this ordinance shall cease, terminate and be void as to those Bonds or portions thereof except for purposes of registration, transfer and exchange of Bonds and any such payment from such monies or obligations. Any Bond shall be deemed to be paid within the meaning of this

section when payment of the Compound Accreted Value of any such Capital Appreciation Bond or the principal of any such Current Interest Bond, plus interest thereon to the due date thereof (whether such due date be by reason of maturity or upon redemption as provided in this ordinance or otherwise), either (a) shall have been made or caused to have been made in accordance with the terms thereof, or (b) shall have been provided for by irrevocably depositing with the applicable Bond Registrar or Bond Trustee, the applicable Ad Valorem Tax Escrow Agent as provided in Section 9 hereof, or a Defeasance Escrow Agent, in trust and exclusively for such payment, (1) monies sufficient to make such payment or (2)(A) direct obligations of the United States of America; (B) obligations of agencies of the United States of America, the timely payment of principal of and interest on which are guaranteed by the United States of America; (C) obligations of the following agencies: Federal Home Loan Mortgage Corporation (FHLMC) debt obligations, Farm Credit System (formerly: Federal Land Banks, Federal Intermediate Credit Banks, and Banks for Cooperatives) debt obligations, Federal Home Loan Banks (FHL Banks) debt obligations, Fannie Mae debt obligations, Financing Corporation (FICO) debt obligations, Resolution Funding Corporation (REFCORP) debt obligations, and U.S. Agency for International Development (U.S. AID) Guaranteed notes; (D) pre-refunded municipal obligations defined as follows: any Bonds or other obligations of any state of the United States of America or of any agency, instrumentality or local governmental unit of any such state which are not callable at the option of the obligor prior to maturity or as to which irrevocable instructions have been given by the obligor to call on the date specified in the notice; or (E) instruments evidencing an ownership interest in obligations described in the preceding clauses (A), (B) and (C), or (3) a combination of the investments described in clauses (1) and (2) above, such amounts so deposited being available or maturing as to principal and interest in such amounts and at such times, without consideration of any reinvestment thereof, as will insure the availability of sufficient monies to make such payment (all as confirmed by a nationally recognized firm of independent public accountants). At such times as a Bond shall be deemed to be paid hereunder, as aforesaid, it shall no longer be secured by or entitled to the benefits of this ordinance, except for the purposes of registration, transfer and exchange of Bonds and any such payment from such monies or obligations. The defeasance of Bonds under this ordinance shall also be subject to any additional terms and conditions in the applicable Trust Indenture, if any.

No such deposit under this section shall be made or accepted hereunder and no use made of any such deposit unless, in the case of Bonds (other than Bonds issued as Bonds the interest on which is not excludable from the gross income of their owners for federal income tax purposes), the applicable Bond Registrar or Bond Trustee, the applicable Ad Valorem Tax Escrow Agent, or the applicable Defeasance Escrow Agent, as the case may be, shall have received an opinion of nationally recognized municipal Bond counsel to the effect that such deposit and use would not cause any of such Bonds to be treated as "arbitrage bonds" within the meaning of Section 148 of the Code or any successor provision thereto.

Nothing in this ordinance shall prohibit a defeasance deposit of escrow securities as provided in this section from being subject to a subsequent sale of such escrow securities

and reinvestment of all or a portion of the proceeds of that sale in escrow securities which, together with money to remain so held in trust, shall be sufficient to provide for payment of principal, redemption premium, if any, and interest on any of the defeased Bonds. Amounts held by the applicable Bond Registrar or Bond Trustee, the applicable Ad Valorem Tax Escrow Agent or any Defeasance Escrow Agent in excess of the amounts needed so to provide for payment of the defeased Bonds may be subject to withdrawal by the City. The Mayor or an Authorized Officer is authorized to execute and deliver from time to time one or more agreements (and amendments thereto) with counterparties selected by an Authorized Officer, with respect to the investment and use of such excess amounts held by the applicable Bond Registrar or Bond Trustee, the applicable Ad Valorem Tax Escrow Agent, or a Defeasance Escrow Agent.

SECTION 19. With respect to the Direct Purchase Bonds, an Authorized Officer is authorized to negotiate the terms and provisions of such Direct Purchase Bonds in addition to or as an alternative to the terms and provisions of the Trust Indenture securing the applicable series of Bonds.

SECTION 20. To the extent that any ordinance, resolution, rule, order or provision of the Municipal Code, or part thereof, is in conflict with the provisions of this ordinance, the provisions of this ordinance shall be controlling. If any section, paragraph, clause or provision of this ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this ordinance. No provision of the Municipal Code or violation of any provision of the Municipal Code shall be deemed to render voidable at the option of the City any document, instrument or agreement authorized hereunder or to impair the validity of this ordinance or the instruments authorized by this ordinance or to impair the rights of the owners of the Bonds to receive payment of the principal of or interest on the Bonds or to impair the security for the Bonds; provided further that the foregoing shall not be deemed to affect the availability of any other remedy or penalty for any violation of any provision of the Municipal Code.

SECTION 21. This ordinance shall be published by the City Clerk, by causing to be printed in special pamphlet form at least five copies hereof, which copies are to be made available in her office for public inspection and distribution to members of the public who may wish to avail themselves of a copy of this ordinance.

SECTION 22. This ordinance shall be in full force and effect from and after its adoption, approval by the Mayor and publication as provided herein.

If any lost, destroyed or improperly cancelled Bond shall have matured or is about to mature, or has been called for redemption, instead of issuing a duplicate Bond, the Trustee shall pay the same without surrender thereof if there shall be first furnished to the Trustee evidence of such loss, destruction or cancellation, together with indemnity, satisfactory to it. Upon the issuance of any substitute Bond, the Trustee may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto.

(c) The Trustee shall not be required to transfer or exchange any Bond during the period commencing on the Record Date next preceding any Interest Payment Date of such Bond and ending on such Interest Payment Date, or to transfer or exchange such Bond after the mailing of notice calling such Bond for redemption has been made as herein provided or during the period of 15 days next preceding the giving of notice of redemption of Bonds of the same Maturity Date and interest rate.

(d) Bonds delivered upon any registration of transfer or exchange as provided herein or as provided in Section 2.07 hereof shall be valid general obligations of the City, evidencing the same debt as the Bonds surrendered, shall be secured by this Indenture and shall be entitled to all of the security and benefits hereof and of the Bond Ordinance to the same extent as the Bond surrendered. The City, the Trustee and any Paying Agent may treat the Registered Owner of any Bond as the absolute owner thereof for all purposes, whether or not such Bond shall be overdue, and shall not be bound by any notice to the contrary. All payments of or on account of the principal of, premium, if any, and interest on any such Bond as herein provided shall be made only to or upon the written order of the Registered Owner thereof or such Registered Owner's legal representative, but such registration may be changed as herein provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

*Section 2.10. Cancellation.* Any Bond surrendered for the purpose of payment or retirement, or for exchange, transfer or replacement, shall be canceled upon surrender thereof to the Trustee or any Paying Agent. If the City shall acquire any of the Bonds, the City shall deliver such Bonds to the Trustee for cancellation and the Trustee shall cancel the same. Any such Bonds canceled by any Paying Agent other than the Trustee shall be promptly transmitted by such Paying Agent to the Trustee. Certification of Bonds canceled by the Trustee and Bonds canceled by a Paying Agent other than the Trustee which are transmitted to the Trustee shall be made to the City. Canceled Bonds may be destroyed by the Trustee unless instructions to the contrary are received from the City.

*Section 2.11. Book Entry Provisions.* The provisions of this Section shall apply as long as the Bonds are maintained in book entry form with DTC or another Securities Depository, any provisions of this Indenture to the contrary notwithstanding. Notwithstanding anything else to the contrary herein, so long as DTC is the Securities Depository, the Bonds shall be subject to the operational arrangements of DTC in effect from time to time.

(a) The Bonds shall be payable to the Securities Depository, or its nominee, as the Registered Owner of the Bonds, in same day funds on each date on which the principal of, premium, if any, and interest on the Bonds is due as set forth in this Indenture and the Bonds. Such payments shall be made to the offices of the Securities Depository specified by the Securities Depository to the City and the Trustee in writing. Without notice to or the consent of the Beneficial Owners of the Bonds, the City and the

Securities Depository may agree in writing to make payments of principal and interest in a manner different from that set forth herein. If such different manner of payment is agreed upon, the City shall give the Trustee notice thereof, and the Trustee shall make payments with respect to the Bonds in the manner specified in such notice. Neither the City nor the Trustee shall have any obligation with respect to the transfer or crediting of the principal of, premium, if any, and interest on the Bonds to Participants or the Beneficial Owners of the Bonds or their nominees.

(b) If (i) the City determines, or (ii) the City receives notice that the Securities Depository has received notice from its Participants having interests in at least 50 percent in principal amount of the Bonds, that the Securities Depository or its successor is incapable of discharging its responsibilities as a securities depository, or that it is in the best interests of the Beneficial Owners that they obtain certificated Bonds, the City may (or, in the case of clause (ii) above, the City shall) cause the Trustee to authenticate and deliver Bond certificates. The City shall have no obligation to make any investigation to determine the occurrence of any events that would permit the City to make any determination described in this paragraph.

(c) If, following a determination or event specified in paragraph (b) above, the City discontinues the maintenance of the Bonds in book entry form with the then current Securities Depository, the City will issue replacement Bonds to the replacement Securities Depository, if any, or, if no replacement Securities Depository is selected for the Bonds, directly to the Participants as shown on the records of the former Securities Depository or, to the extent requested by any Participant, to the Beneficial Owners of the Bonds shown on the records of such Participant. Any such Bonds so issued in replacement shall be in fully registered form and in Authorized Denominations, be payable as to interest on the Interest Payment Dates of the Bonds by check mailed to each Registered Owner at the address of such Registered Owner as it appears on the Bond Register or, at the option of any Registered Owner of not less than \$1,000,000 principal amount of Bonds, by wire transfer to any address in the United States of America on such Interest Payment Date to such Registered Owner as of such Record Date, if such Registered Owner provides the Trustee with written notice of such wire transfer address not later than the Record Date (which notice may provide that it will remain in effect with respect to subsequent Interest Payment Dates unless and until changed or revoked by subsequent notice). Principal and premium, if any, on the replacement Bonds are payable only upon presentation and surrender of such replacement Bond or Bonds at the Designated Corporate Trust Office of the Trustee.

(d) The Securities Depository and its Participants, and the Beneficial Owners of the Bonds, by their acceptance of the Bonds, agree that the City and the Trustee shall not have liability for the failure of such Securities Depository to perform its obligations to the Participants and the Beneficial Owners of the Bonds, nor shall the City or the Trustee be liable for the failure of any Participant or other nominee of the Beneficial Owners to perform any obligation of the Participant to a Beneficial Owner of the Bonds.

(e) As long as Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the Registered Owner of the Bonds, as nominee of DTC, references herein to the Registered Owners of the Bonds shall mean Cede & Co. and shall not mean the Beneficial Owners of the Bonds.

(f) As long as Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the Registered Owner of the Bonds:

(i) selection of Bonds to be redeemed upon partial redemption or presentation of Bonds to the Trustee upon partial redemption, shall be deemed made when the right to exercise ownership rights in such Bonds through DTC or DTC's Participants is transferred by DTC on its books;

(ii) any notices of the interest rate on the Bonds to be provided by the Trustee shall be provided to anyone identifying itself to the Trustee as a person entitled to exercise ownership rights with respect to such Bonds through DTC or its Participants; and

(iii) DTC may present notices, approvals, waivers or other communications required or permitted to be made by Registered Owners under this Indenture on a fractionalized basis on behalf of some or all of those persons entitled to exercise ownership rights in the Bonds through DTC or its Participants.

#### REDEMPTION OF BONDS

*Section 3.01. Redemption Terms, Dates and Prices.* The Bonds shall be subject to redemption prior to their Maturity Date in the amounts, at the times and in the manner provided in this Section.

(a) *Optional Redemption.* The Bonds are subject to optional redemption, on any date occurring or after \_\_\_\_\_ 1, 20\_\_, in such principal amounts and from such maturities and interest rates as the City shall determine and by lot within a single maturity and interest rate, at a Redemption Price of [100]% of the principal amount thereof being redeemed plus accrued interest, if any, to the date of redemption.

*[Insert make-whole redemption provisions authorized by Bond Ordinance if applicable]*

The City is authorized to sell or waive any right the City may have to call any of the Bonds for optional redemption, in whole or in part; *provided*, that such sale or waiver will not adversely affect the excludability of interest on the Bonds from gross income for federal income tax purposes.

(b) *General Provisions Regarding Redemptions.*

(i) No redemption of less than all of the Bonds Outstanding shall be made pursuant to Section 3.01(a) hereof unless the aggregate principal amount of Bonds to be redeemed is equal to \$5,000 multiples. Any redemption of less than all of the Bonds Outstanding shall be made in such a manner that all Bonds Outstanding after such redemption are in Authorized Denominations. If fewer than all Bonds Outstanding are to be optionally redeemed, the Bonds to be called shall be called from such maturities and interest rates as may be determined by an Authorized Officer.

(ii) Bonds may be called for redemption by the Trustee pursuant to Sections 3.01(a) and 3.01(c) hereof upon receipt by the Trustee at least 45 days prior to the redemption date (unless a shorter time period shall be satisfactory to the Trustee) of, in the case of a redemption pursuant to Section 3.01(a) of a written request of the City requesting such redemption, or in the case of a redemption pursuant to Section 3.01(c) in accordance with the mandatory schedule provided herein.

(iii) In lieu of redeeming Bonds pursuant to Section 3.01(a) hereof, the Trustee may, at the request of the City, use such funds available hereunder for redemption of Bonds to purchase Bonds in the open market at a price not exceeding the Redemption Price then applicable hereunder. Any Bond so purchased in lieu of redemption shall be delivered to the Trustee for cancellation and shall be canceled, all as provided in Section 2.10 hereof.

(c) *Mandatory Redemption of Bonds.*

The Bonds maturing on January 1, 20\_\_ are subject to mandatory redemption prior to maturity on January 1 of the years and in the amounts set forth below, at a Redemption Price of [100]% of the principal amount thereof plus accrued interest to the date fixed for redemption:

YEARPRINCIPAL AMOUNT

---

\*Final Maturity

The Bonds maturing on January 1, 20\_\_ are subject to mandatory redemption prior to maturity at a Redemption Price on January 1 of the years and in the amounts set forth below, at a Redemption Price equal to 100 percent of the principal amount thereof plus accrued interest to the date fixed for redemption:

YEARPRINCIPAL AMOUNT

---

\*Final Maturity

The principal amount of the Bonds to be mandatorily redeemed in each year may be reduced through the earlier optional redemption thereof, with any partial optional redemption of such Bonds credited against future mandatory redemption requirements in such order of the mandatory redemption dates as the City may determine. In addition, on or prior to the sixtieth (60th) day preceding any mandatory redemption date, the Trustee may, and if directed by the City shall, purchase Bonds required to be retired on such mandatory redemption date at such prices as the City shall determine. Any such Bond so purchased shall be canceled and the principal amount thereof shall be credited against the payment required on such next mandatory redemption date.

*Section 3.02. Notice of Redemption.* (a) Unless waived by any owner of Bonds to be redeemed, notice of the call for any such redemption shall be given by the Trustee on behalf of the City by mailing the redemption notice by first class mail at least 30 days and not more than 60 days prior to the date fixed for redemption to the Registered Owner of the Bond or Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such Registered Owner to the Trustee, but the failure to mail any such notice or any defect therein as to any Bond shall not affect the validity of the proceedings for the redemption of any other Bond. Any notice of redemption mailed as provided in this Section 3.02 shall be conclusively presumed to have been given whether or not actually received by the addressee.

All notices of redemption shall state:

- (1) the Series designation of the Bonds to be redeemed,
- (2) the redemption date,
- (3) the Redemption Price,
- (4) if less than all outstanding Bonds are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts and interest rates) of the Bonds to be redeemed.

(5) that on the redemption date the Redemption Price will become due and payable upon each such Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue or compound from and after said date,

(6) the place where such Bonds are to be surrendered for payment of the Redemption Price, and

(7) such other information as shall be deemed necessary by the Trustee at the time such notice is given to comply with law, regulation or industry standard.

(b) With respect to an optional redemption of Bonds, such notice may state that said redemption is conditioned upon the receipt by the Trustee on or prior to the date fixed for redemption of moneys sufficient to pay the Redemption Price of the Bonds. If such moneys are not so received, such redemption notice shall be of no force and effect, the City shall not redeem such Bonds and such failure to deposit such funds shall not constitute an Event of Default under this Indenture. The Trustee shall give notice, in the same manner in which the notice of redemption was given, that such moneys were not so received and that such Bonds will not be redeemed. Unless the notice of redemption shall be made conditional as provided above, on or prior to any redemption date for the Bonds, the City shall deposit with the Trustee an amount of money sufficient to pay the Redemption Price of all the Bonds or portions thereof which are to be redeemed on that date.

(c) Notice of redemption having been given as aforesaid, the Bonds, or portions thereof, so to be redeemed shall, on the redemption date, become due and payable at the Redemption Price therein specified, and from and after such date (unless the City defaults in the payment of the Redemption Price or unless, in the event of a conditional notice as described above, the necessary moneys were not deposited) such Bonds, or portions thereof, shall cease to bear interest. Upon surrender of such Bonds for redemption in accordance with said notice, such Bonds shall be paid by the Trustee at the Redemption Price. Installments of interest due on or prior to the redemption date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Bond, there shall be prepared for the Registered Owner a new Bond or Bonds of the same interest rate and maturity in the amount of the unpaid principal.

(d) If any Bond, or portion thereof, called for redemption shall not be so paid upon surrender thereof for redemption, the principal shall, until paid, bear interest from the redemption date at the rate borne by such Bond, or portion thereof, so called for redemption. All Bonds which have been redeemed shall be cancelled and destroyed by the Trustee and shall not be reissued.

(e) Failure to give notice in the manner prescribed hereunder with respect to any Bond, or any defect in such notice, shall not affect the validity of the proceedings for redemption for any Bond with respect to which notice was properly given. Upon the happening of the above conditions and if sufficient moneys are on deposit with the Trustee on the applicable redemption date to redeem the Bonds to be redeemed and to pay interest due thereon and premium, if any, the Bonds thus called shall not, after the applicable redemption date, bear interest, be protected

by this Indenture or the Bond Ordinance or be deemed to be Outstanding under the provisions of this Indenture.

(f) If any Bond is transferred or exchanged on the Bond Register after notice has been given calling such Bond for redemption, the Trustee will attach a copy of such notice to the Bond issued in connection with such transfer or exchange.

(g) If any Bond is not presented for payment when the principal amount thereof becomes due, either at maturity or at a date fixed for redemption thereof or otherwise, and if moneys sufficient to pay such Bond are held by the Trustee for the benefit of the Registered Owner of such Bond, the Trustee shall hold such moneys for the benefit of the Registered Owner of such Bond without liability to the Registered Owner for interest. The Registered Owner of such Bond thereafter shall be restricted exclusively to such funds for satisfaction of any claims relating to such Bond.

*Section 3.03. Selection of Bonds for Redemption.* If less than all the Bonds shall be called for redemption under any provision of this Indenture permitting such partial redemption, (i) such redemption shall be by lot in such manner as the Trustee may determine among such Bonds, and (ii) subject to other applicable provisions of this Indenture, the portion of any Bond to be redeemed shall be in a principal amount equal to an Authorized Denomination. In selecting Bonds for redemption, the Trustee shall assign to each Bond of like Maturity Date and interest rate, a distinctive number for each minimum Authorized Denomination of such Bond and shall select by lot from the numbers so assigned as many numbers as, at such minimum Authorized Denomination for each number, shall equal the principal amount of such Bonds to be redeemed. In such case, the Bonds to be redeemed shall be those to which were assigned numbers so selected; provided that only so much of the principal amount of each Bond shall be redeemed as shall equal such minimum Authorized Denomination for each number assigned to it and so selected. If it is determined that one or more, but not all, of the integral multiples of the Authorized Denomination of principal amount represented by any Bond is to be called for redemption, then, upon notice of intention to redeem such integral multiple of an Authorized Denomination, the Registered Owner of such Bond shall forthwith surrender such Bond to the Trustee for (a) payment to such Registered Owner of the Redemption Price of the integral multiple of the Authorized Denomination of principal amount called for redemption, and (b) delivery to such Registered Owner of a new Bond or Bonds in the aggregate principal amount of the unredeemed balance of the principal amount of such Bond. New Bonds representing the unredeemed balance of the principal amount of such Bond shall be issued to the Registered Owner thereof without charge therefor.

The Trustee shall promptly notify the City in writing of the Bonds, or portions thereof, selected for redemption and, in the case of any Bond selected for partial redemption, the principal amount thereof, and the interest rate thereof to be redeemed.

*Section 3.04. Deposit of Funds.* For the redemption of any of the Bonds, the City shall cause to be deposited in the Principal and Interest Account moneys sufficient to pay when due the principal of, and premium, if any, and interest on, the Bonds to be redeemed on the redemption date to be applied in accordance with the provisions hereof.

*Section 4.04. Project Fund.* (a) There is established with the Trustee a trust fund designated "City of Chicago General Obligation Bonds, Series 2016\_ Project Fund" to be held and applied in accordance with the terms and provisions of this Indenture. Moneys on deposit in the Project Fund will be paid out from time to time by the Trustee to or upon the order of the City in order to provide for the payment or to reimburse the City for the payment of Project Costs upon receipt by the Trustee of a certificate of an Authorized Officer describing the Project

Costs to be paid or reimbursed with such moneys (including the identity of and method of payment for each payee) and stating that:

(i) the costs in an aggregate amount set forth in such certificate are necessary and appropriate Project Costs that (a) have been incurred and paid or (b) are expected to be paid within the next 60 days;

(ii) the amount to be paid or reimbursed to the City as set forth in such certificate is reasonable and represents a part of the amount payable for the Project Costs and that such payment is to be made or, in the case of reimbursement to the City, was made, in accordance with the terms of any applicable contracts and in accordance with usual and customary practice under existing conditions;

(iii) that no part of the Project Costs that are the subject of such certificate was included in any certificate previously filed with the Trustee under the provisions of this Indenture; and

(iv) the use of the money so withdrawn from the Project Fund and the use of the facilities provided with such moneys will not result in a violation of any applicable covenant, term or provision of the Tax Certificate.

(b) Moneys in the Project Fund shall be invested at the written direction of an Authorized Officer to the fullest extent practicable in Permitted Investments maturing in such amounts and at such times as may be necessary to provide funds when needed to pay Project Costs or such other costs as may be required to be paid from such moneys. The City may, and to the extent required for payments from the Project Fund shall, direct the Trustee in writing to sell any such Permitted Investments at any time, and the proceeds of such sale, and of all payments at maturity and upon redemption of such investments, shall be held in the Project Fund. Earnings received on moneys or securities in the Project Fund shall be retained therein and applied to the purposes for which moneys in the Project Fund are otherwise held.

(c) The completion, substantial completion or abandonment of the Project shall be evidenced by a certificate of an Authorized Officer, which shall be filed promptly with the Trustee, stating the date of such completion, anticipated completion or abandonment and the amount, if any, required in the opinion of the signer of such certificate for the payment of any remaining part of the Project Costs. Upon the filing of such certificate, the balance in the Project Fund in excess of the amount, if any, stated in such certificate of the City as necessary to complete the Project shall be deposited into the Principal and Interest Account and applied as directed in such certificate; provided that such direction shall be consistent with Section 4.06 and applicable provisions of the Tax Certificate.

In addition to the Series 2016\_ Deposit Requirement, there shall be deposited into the Bond Fund any other moneys received by the Trustee under and pursuant to this Indenture, when accompanied by directions from the person depositing such moneys that such moneys are to be paid into the Bond Fund and to one or more accounts therein.

Upon calculation by the Trustee of each Series 2016\_ Deposit Requirement under this Section, the Trustee shall notify the City of the Series 2016\_ Deposit Requirement and the Deposit Date to which it relates, and shall provide the City with such supporting documentation and calculations as the City may reasonably request.

*Section 4.06. Tax Covenants.* (a) The City covenants that it will take no action in the investment of the proceeds of the Bonds which would result in making the interest payable on any of such Bonds subject to federal income taxes by reason of such Bonds being classified as "arbitrage bonds" within the meaning of Section 148 of the Code.

(b) The City further covenants that it will act with respect to the proceeds of the Bonds, the earnings on the proceeds of such Bonds and any other moneys on deposit in any fund or account maintained in respect of such Bonds, including, if necessary, a rebate of such earnings to the United States of America, in a manner which would cause the interest on such Bonds to continue to be exempt from federal income taxation under Section 103(a) of the Code.

*Section 4.07. Non-presentment of Bonds.* In the event any Bond shall not be presented for payment when the principal thereof becomes due, whether at maturity, at the date fixed for redemption or otherwise, if moneys sufficient to pay such Bond shall have been made available to the Trustee for the benefit of the Registered Owner thereof, subject to the provisions of the immediately following paragraph, all liability of the City to the Registered Owner thereof for the payment of such Bond shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of the Trustee to hold such moneys, without liability for interest thereon, for the benefit of the Registered Owner of such Bond who shall thereafter be restricted exclusively to such moneys, for any claim of whatever nature on his or her part under this Indenture or on, or with respect to, such Bond.

Any moneys so deposited with and held by the Trustee not so applied to the payment of Bonds within two years after the date on which the same shall have become due shall be repaid by the Trustee to the City, and thereafter the Registered Owners of such Bonds shall be entitled to look only to the City for payment, and then only to the extent of the amount so repaid, and all liability of the Trustee with respect to such moneys shall thereupon cease, and the City shall not be liable for any interest thereon and shall not be regarded as a trustee of such moneys. The obligation of the Trustee under this Section to pay any such funds to the City shall be subject, however, to any provisions of law applicable to the Trustee or to such funds providing other requirements for disposition of unclaimed property.

*Section 4.08. Moneys Held in Trust.* All moneys required to be deposited with or paid to the Trustee for the account of any fund or account referred to in any provision of this Indenture shall be held by the Trustee in trust as provided in Section 8.08 of this Indenture, and

shall, while held by the Trustee, constitute part of the Trust Estate and be subject to the lien or security interest created hereby.

## ARTICLE V

### INVESTMENT OF MONEYS

*Section 5.01. Investment of Moneys.* Moneys held in the funds, accounts and subaccounts established hereunder shall be invested and reinvested in accordance with the provisions governing investments contained in this Indenture. All such investments shall be held by or under the control of the Trustee and shall be deemed at all times a part of the fund, account or subaccount for which they were made.

*Section 5.02. Investment Income.* The interest earned on any investment of moneys held hereunder, any profit realized from such investment and any loss resulting from such investment shall be credited or charged to the fund, account or subaccount for which such investment was made.

## ARTICLE VI

### DISCHARGE OF LIEN

*Section 6.01. Defeasance.* (a) If the City shall pay to the Registered Owners of the Bonds, or provide for the payment of, the principal, premium, if any, and interest to become due on the Bonds, then this Indenture and the Bond Ordinance shall be fully discharged and satisfied with respect to the Bonds. Upon the satisfaction and discharge of this Indenture, the Trustee shall, upon the request of the City, execute and deliver to the City all such instruments as may be desirable to evidence such discharge and satisfaction, and all fiduciaries shall pay over or deliver to the City all funds, accounts and other moneys or securities held by them pursuant to this Indenture which are not required for the payment or redemption of the Bonds. If payment or provision for payment is made, to or for the Registered Owners of all or a portion of the Bonds, of the principal of and interest due and to become due on any Bond at the times and in the manner stipulated therein, and there is paid or caused to be paid to the Trustee all sums of money due and to become due according to the provisions of this Indenture, then these presents and the estate and rights hereby and by the Bond Ordinance granted shall cease, terminate and be void as to those Bonds or portions thereof except for purposes of registration, transfer and exchange of Bonds and any such payment from such moneys or obligations. Any Bond shall be deemed to be paid within the meaning of this Section when payment of the principal of any such Bond, plus interest thereon to the due date thereof (whether such due date be by reason of maturity or upon redemption as provided in this Indenture or otherwise), either (a) shall have been made or caused to have been made in accordance with the terms thereof, or (b) shall have been provided for by irrevocably depositing with the Trustee, in trust and exclusively for such payment, (1) moneys sufficient to make such payment or (2) Defeasance Obligations, or (3) a combination of the investments described in clauses (1) and (2) above, such amounts so deposited being available or maturing as to principal and interest in such amounts and at such times, without consideration of any reinvestment thereof, as will insure the availability of sufficient moneys to make such payment (all as confirmed by a nationally recognized firm of independent public accountants). If

the City shall pay and discharge a portion of the Bonds as aforesaid, such portion shall cease to be entitled to any lien, benefit or security under this Indenture and the Bond Ordinance. The liability of the City with respect to such Bonds shall continue, but the Registered Owners thereof shall thereafter be entitled to payment (to the exclusion of all other Bondholders) only out of the Defeasance Obligations deposited with the Trustee under Article VIII of this Indenture.

(b) No such deposit under this Section shall be made or accepted hereunder and no use made of any such deposit unless the Trustee shall have received an opinion of nationally recognized municipal bond counsel to the effect that such deposit and use would not cause any of such Bonds to be treated as "arbitrage bonds" within the meaning of Section 148 of the Code or any successor provision thereto.

(c) Nothing in this Indenture shall prohibit a defeasance deposit of escrow securities as provided in this section from being subject to a subsequent sale of such escrow securities and reinvestment of all or a portion of the proceeds of that sale in escrow securities which, together with money to remain so held in trust, shall be sufficient to provide for payment of principal, redemption premium, if any, and interest on any of the defeased Bonds. Amounts held by the Trustee in excess of the amounts needed so to provide for payment of the defeased Bonds may be subject to withdrawal by the City.

## ARTICLE VII

### DEFAULT PROVISIONS; REMEDIES

*Section 7.01. Defaults.* Each of the following events is hereby declared to be an "Event of Default:"

(a) payment of the principal or Redemption Price, if any, of any Bonds shall not be made when and as the same shall become due, whether at maturity or upon call for redemption or otherwise;

(b) payment of any installment of interest on any Bonds shall not be made when and as the same shall become due; or

(c) the City shall fail or refuse to comply with the provisions of this Indenture, or shall default in the performance or observance of any of the covenants, agreements or conditions on its part contained herein or in the Bonds, which materially affects the rights of the owners of the Bonds and such failure, refusal or default shall continue for a period of 45 days after written notice thereof by the Trustee or the owners of not less than 25 percent in principal amount of the Outstanding Bonds; *provided, however*, that in the case of any such default which can be cured by due diligence but which cannot be cured within the 45-day period, the time to cure shall be extended for such period as may be necessary to remedy the default with all diligence.

*Section 7.02. Remedies.* (a) Upon the happening and continuance of any Event of Default specified in paragraph (a) or (b) of Section 7.01 hereof, the Trustee shall proceed, or

upon the happening and continuance of any Event of Default (beyond the time periods specified therein) specified in paragraph (c) of Section 7.01 hereof, the Trustee may proceed, and upon the written request of the owners of not less than 25 percent in principal amount of the Outstanding Bonds, shall proceed, in its own name, subject to the provisions of this Section, to protect and enforce its rights and the rights of the owners of the Bonds by such of the following remedies as the Trustee, being advised by counsel, shall deem most effectual to protect and enforce such rights:

(i) by mandamus or other suit, action or proceeding at law or in equity, to enforce all rights of the owners of the Bonds including the right to require the City to receive and collect taxes adequate to carry out the covenants and agreements as to such taxes and to require the City to carry out any other covenant or agreement with the owners of the Bonds and to perform its duties under this Indenture;

(ii) by bringing suit upon the Bonds;

(iii) by action or suit in equity, require the City to account as if it were the trustee of an express trust for the owners of the Bonds; and/or

(iv) by action or suit in equity, enjoin any acts or things which may be unlawful or in violation of the rights of the owners of the Bonds.

(b) In the enforcement of any rights and remedies under this Indenture, the Trustee shall be entitled to sue for, enforce payment of and receive any and all amounts then or during any default becoming, and at any time remaining, due from the City but only out of moneys pledged as security for the Bonds for principal, Redemption Price, interest or otherwise, under any provision of this Indenture or of the Bonds, and unpaid, with interest on overdue payments at the rate or rates of interest specified in such Bonds, together with any and all costs and expenses of collection and of all proceedings hereunder and under such Bonds without prejudice to any other right or remedy of the Trustee or of the owners of the Bonds, and to recover and enforce a judgment or decree against the City for any portion of such amounts remaining unpaid, with interest, costs and expenses, and to collect from any moneys available under this Indenture for such purpose, in any manner provided by law, the moneys adjudged or decreed to be payable.

(c) Under no circumstance may the Trustee declare the principal of or interest on any Bond to be due and payable prior to its Maturity Date following the occurrence of an Event of Default under this Indenture.

## ARTICLE VIII

### TRUSTEE AND PAYING AGENT

*Section 8.01. Acceptance of Trusts.* The Trustee hereby accepts the trusts imposed upon it by this Indenture, and agrees to perform said trusts, but only upon and subject to the express terms and conditions set forth herein. Except as otherwise expressly set forth in this Indenture, the Trustee assumes no duties, responsibilities or liabilities by reason of its execution

of this Indenture other than as set forth in this Indenture, and this Indenture is executed and accepted by the Trustee subject to all the terms and conditions of its acceptance of the trust under this Indenture. The Trustee shall make payments to Bondholders and effect optional and mandatory redemptions when required, whether or not its fees and expenses have been fully paid.

*Section 8.02. Dealing in Bonds.* The Trustee, in its individual capacity, may buy, sell, own, hold and deal in any of the Bonds, and may join in any action which the Registered Owner of any Bond may be entitled to take with like effect as if it did not act in any capacity hereunder. The Trustee, in its individual capacity, either as principal or agent, may also engage in or be interested in any financial or other function with the City, and may act as depository, trustee or agent for any committee or body of the Registered Owners of Bonds secured hereby or other obligations of the City as freely as if it did not act in any capacity hereunder.

*Section 8.03. Compensation of Trustee.* The City shall pay to the Trustee from time to time reasonable compensation for all services rendered under this Indenture and also all reasonable expenses, charges, counsel fees and other disbursements, including those of their attorneys, agents and employees incurred in and about the performance of their powers and duties under this Indenture and, except as provided in Section 8.01 hereof the Trustee shall have a lien therefor on any and all moneys at any time held by it under this Indenture. The City further agrees to indemnify and save the Trustee harmless against any liabilities which it may incur in the exercise and performance of its powers and duties hereunder, which are not due to its negligence or default.

*Section 8.04. Paying Agent.* [**Consider whether you want this provision in a fixed rate transaction.**] The Trustee may appoint a Paying Agent with power to act on its behalf and subject to its direction (i) in the authentication, registration and delivery of Bonds in connection with transfers and exchanges hereunder, as fully to all intents and purposes as though such Paying Agent had been expressly authorized by this Indenture to authenticate, register and deliver Bonds, and (ii) for effecting purchases and sales of Bonds pursuant hereto and accepting deliveries of Bonds, making deliveries of Bonds and holding Bonds pursuant hereto. The foregoing notwithstanding, the Trustee need not appoint a Paying Agent hereunder as long as the Bonds are held in book-entry form pursuant to Section 2.11 hereof; at any time the Bonds are not held in book-entry form pursuant to Section 2.11 hereof, the Trustee shall either maintain an office in New York, New York capable of handling the duties of Paying Agent hereunder, or shall appoint a Paying Agent with an office in New York, New York hereunder. Any Paying Agent appointed pursuant to this Section shall evidence its acceptance by a certificate filed with the Trustee, the Bank and the City. For all purposes of this Indenture, the authentication, registration and delivery of Bonds by or to any Paying Agent pursuant to this Section 8.04 shall be deemed to be the authentication, registration and delivery of Bonds "by or to the Trustee." Such Paying Agent shall at all times be a commercial bank or trust company having an office in New York, New York, and shall at all times be a corporation organized and doing business under the laws of the United States of America or of any state with combined capital and surplus of at least \$50,000,000 and in each case authorized under such laws to exercise corporate trust powers and subject to supervision or examination by Federal or state authority. If such corporation publishes reports of condition at least annually pursuant to law or the requirements of such

authority, then for the purposes of this Section the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published.

Any corporation into which such Paying Agent may be merged or converted, or with which it may be consolidated, or any corporation resulting from any merger, consolidation or conversion to which such Paying Agent shall be a party, or any corporation succeeding to the corporate trust business of such Paying Agent, shall be a successor of such Paying Agent hereunder, if such successor corporation is otherwise eligible under this Section, without the execution or filing or any further act on the part of the parties hereto or such Paying Agent or such successor corporation.

Any Paying Agent may at any time resign by giving written notice of resignation to the Trustee and the City, and such resignation shall take effect at the appointment by the Trustee of a successor Paying Agent pursuant to the succeeding provisions of this Section and the acceptance by the successor Paying Agent of such appointment. The Trustee may at any time terminate the agency of any Paying Agent by giving written notice of termination to such Paying Agent and the City, which termination shall not take effect until the acceptance by the successor Paying Agent of such appointment. Upon receiving such a notice of resignation or upon such a termination, or in case at any time such Paying Agent shall cease to be eligible under this Section, the Trustee shall promptly appoint a successor Paying Agent, shall give written notice of such appointment to the City and shall mail notice of such appointment to all Registered Owners of Bonds.

Notwithstanding anything herein to the contrary, any Paying Agent shall be entitled to rely on information furnished to it orally or in writing by the Trustee and shall be protected hereunder in relying thereon. The Trustee agrees to pay to any Paying Agent from time to time its fees and expenses for its services, and the Trustee shall be entitled to be reimbursed for such payments pursuant to Section 8.03 hereof.

*Section 8.05. Notice to Rating Agencies.* The Trustee hereby agrees that if at any time (a) the City redeems any portion of the Bonds Outstanding hereunder prior to their Maturity Date, (b) the City provides for the payment of any portion of the Bonds pursuant to Section 6.01, (c) a successor Trustee is appointed, (d) any supplement to this Indenture shall become effective, or any party thereto shall waive any provision of this Indenture, or (e) any other information that a Rating Agency may reasonably request in order to maintain the ratings on the Bonds, then, in each case, the Trustee shall give notice thereof to each Rating Agency then maintaining a rating on the Bonds.

Any notice given to a Rating Agency hereunder shall be mailed by first class mail as follows:

*[Insert addresses of Rating Agencies rating the Bonds]*

*Section 8.06. Qualification of Trustee.* The Trustee hereunder shall be a bank, trust company or national banking association having the powers of a trust company doing business and having a corporate trust office in the City of Chicago, Illinois.

*Section 8.07. Responsibilities of Trustee.* (a) The recitals of fact herein and in the Bonds shall be taken as the statements of the City and the Trustee assumes no responsibility for the correctness of the same. The Trustee makes no representations as to the validity or sufficiency of this Indenture or any Supplemental Indenture or of any Bonds issued hereunder or thereunder or in respect of the security afforded by this Indenture or any Supplemental Indenture and the Trustee shall not incur any responsibility in respect thereof. The Trustee shall, however, be responsible for its representation contained in its certificate of authentication on the Bonds. The Trustee shall not be under any responsibility or duty with respect to the issuance of the Bonds for value or the application of the proceeds thereof except to the extent such proceeds are paid to the Trustee in its capacity as Trustee, or the application of any moneys paid to the City or others in accordance with this Indenture or any Supplemental Indenture. The Trustee shall not be under any obligation or duty to perform any act that would involve it in expense or liability or to institute or defend any action or suit in respect hereof, or to advance any of its own moneys, unless properly indemnified. Subject to the provisions of paragraph (b) of this Section, the Trustee shall not be liable in connection with the performance of its duties hereunder except for its own negligence or willful misconduct or that of its agents.

(b) The Trustee, prior to the occurrence of an Event of Default and after the remedy of all Events of Default that may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in this Indenture and each Supplemental Indenture. In case an Event of Default has occurred and has not been remedied, the Trustee shall exercise such of the rights and powers vested in it by law, this Indenture and each Supplemental Indenture and shall use the same degree of care and skill in their exercise as a prudent person would exercise or use under the circumstances in the conduct of his or her own affairs. Any provision of this Indenture and any Supplemental Indenture and any Supplemental Indenture relating to action taken or so to be taken by the Trustee or to evidence upon which the Trustee may rely shall be subject to the provisions of this Section.

*Section 8.08. Funds Held in Trust and Security Therefor.* Any moneys held by the Trustee, as such, at any time pursuant to the terms of this Indenture or any Supplemental Indenture shall be and hereby are assigned, transferred and set over unto the Trustee in trust for the purposes and upon the terms and conditions of this Indenture or any Supplemental Indenture. Subject to the terms of this Indenture concerning Permitted Investments, all moneys (not including securities) held by the Trustee, as such, may be deposited by the Trustee in its banking department, or with such other banks, trust companies, or national banking associations, each having a place of business in the City of Chicago, Illinois, as may be designated by the City and approved by the Trustee. No such funds shall be deposited with any bank, trust company or national banking association, other than the Trustee, in an amount exceeding 25 percent of the

amount which an officer of such bank, trust company or national banking association shall certify to the Trustee and the City as the combined capital, surplus and undivided profits of such bank, trust company or national banking association. No such funds shall be deposited or remain on deposit with any bank, trust company or national banking association in excess of the amount insured by the Federal Deposit Insurance Corporation, unless (a) such bank, trust company or national banking association shall have deposited in trust with the trust department of the Trustee or with a Federal Reserve Bank or branch or, with the written approval of the Trustee and the City, pledged to some other bank, trust company or national banking association, for the benefit of the City and the appropriate fund, account, subfund or subaccount, as collateral security for the moneys deposited, Qualified Collateral having a current market value (exclusive of accrued interest) at least equal to 110 percent of the amount of such moneys, or (b) in lieu of such collateral security as to all or any part of such moneys, there shall have been deposited in trust with the trust department of the Trustee, for the benefit of the City and the appropriate fund, account, subfund or subaccount, and remain in full force and effect as security for such moneys or part thereof, the indemnifying bond or bonds of a surety company or companies qualified as surety for deposits of funds of the United States of America and qualified to transact business in the State in a sum at least equal to the amount of such moneys or part thereof. The Trustee shall allow and credit interest on any such moneys held by it at such rate as it customarily allows upon similar moneys of similar size and under similar conditions or as required by law. Interest in respect of moneys or on securities in any fund, account, subfund or subaccount shall be credited in each case to the fund, account, subfund or subaccount in which such moneys or securities are held.

*Section 8.09. Evidence on which Trustee May Act.* The Trustee shall be protected in acting upon any notice, resolution, request, consent, order, certificate, report, opinion, bond or other paper or document believed by it to be genuine, and to have been signed or presented by the proper party or parties. The Trustee may consult with counsel, who may or may not be counsel to the City, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance therewith. Whenever the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, including payment of moneys out of any fund or account, such matter (unless other evidence in respect thereof be herein specifically prescribed) may be deemed to be conclusively proved and established by a Certificate, and such Certificate shall be full warrant for any action taken or suffered in good faith under the provisions of this Indenture upon the faith thereof, but in its discretion the Trustee may in lieu thereof accept other evidence of such fact or matter or may require such further or additional evidence as to it may seem reasonable. Except as otherwise expressly provided herein or therein, any request, order, notice or other direction required or permitted to be furnished pursuant to any provision hereof or thereof by the City to the Trustee shall be sufficiently executed if executed in the name of the City by an Authorized Officer.

*Section 8.10. Permitted Acts and Functions.* The Trustee may become the Owner of any Bonds, with the same rights it would have if it were not the Trustee. To the extent permitted by law, the Trustee may act as depositary for, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of the Owners of Bonds or to effect or aid in any reorganization growing out of the enforcement

of the Bonds or this Indenture, whether or not any such committee shall represent the Owners of a majority in principal amount of the Bonds then Outstanding.

*Section 8.11. Resignation.* The Trustee may at any time resign and be discharged of its duties and obligations created by this Indenture by giving not fewer than 60 days' written notice to the City and mailing notice thereof, to the owners of Bonds at their addresses shown on the registration books kept by the Trustee within 20 days after the giving of such written notice. Such resignation shall take effect upon the appointment and acceptance of appointment of a successor by the City or the Owners of Bonds as herein provided.

*Section 8.12. Removal.* The Trustee may be removed at any time by the Owners of a majority in principal amount of the Bonds then Outstanding, excluding any Bonds held by or for the account of the City, by an instrument or concurrent instruments in writing signed and duly acknowledged by such Owners of Bonds or by their attorneys duly authorized in writing and delivered to the City. Copies of each such instrument shall be delivered by the City to the Trustee and any successor. The City may remove the Trustee at any time, except during the existence of an Event of Default, for such cause (or upon 30 days' notice for any reason) as shall be determined in the sole discretion of the City by filing with the Trustee an instrument signed by an Authorized Officer and by mailing notice thereof to the Bank and to the Owners of Bonds at their addresses shown on the registration books kept by the Trustee. Any removal of the Trustee shall take effect upon the appointment and acceptance of appointment of a successor Trustee.

*Section 8.13. Appointment of Successor.* In case at any time the Trustee shall resign or shall be removed or shall become incapable of acting, or shall be adjudged a bankrupt or insolvent, or if a receiver, liquidator or conservator of the Trustee or of its property shall be appointed, or if any public officer shall take charge or control of the Trustee or of its property or affairs, a successor may be appointed by the Owners of a majority in principal amount of the Bonds then Outstanding, excluding any Bonds held by or for the account of the City, by an instrument or concurrent instruments in writing signed by such Owners or their attorneys duly authorized in writing and delivered to such successor Trustee, notification thereof being given to the City and the predecessor Trustee. Pending such appointment, the City shall forthwith appoint a Trustee to fill such vacancy until a successor Trustee (if any) shall be appointed by the Owners of Bonds as herein authorized. The City shall mail notice to Owners of Bonds of any such appointment within 20 days after such appointment. Any successor Trustee appointed by the City shall, immediately and without further act, be superseded by a Trustee appointed by the Owners of Bonds. If in a proper case no appointment of a successor Trustee shall be made pursuant to the foregoing provisions of this Section within 45 days after the Trustee shall have given to the City written notice of resignation as provided in Section 8.11 hereof or after the occurrence of any other event requiring or authorizing such appointment, the Trustee, any Owner of Bonds may apply to any court of competent jurisdiction to appoint a successor. Said court may thereupon, after such notice, if any, as said court may deem proper and prescribe, appoint such successor Trustee. Any Trustee appointed under the provisions of this Section shall be a bank, trust company or national banking association, in any such case having corporate trust powers, doing business and having a corporate trust office in the City.

*Section 8.14. Transfer of Rights and Property to Successor.* Any successor Trustee appointed under this Indenture shall execute, acknowledge and deliver to its predecessor Trustee, and also to the City, a written instrument of acceptance respecting such appointment, and thereupon such successor Trustee, without any further act, deed or conveyance, shall become fully vested with all moneys, estates, properties, rights, powers, duties and obligations of such predecessor Trustee, with like effect as if originally named as Trustee; but the Trustee ceasing to act shall nevertheless, on the request of the City, or of the successor Trustee, execute, acknowledge and deliver such instruments of conveyance and further assurance and do such other things as may reasonably be required for more fully and certainly vesting and confirming in such successor Trustee all the right, title and interest of the predecessor Trustee in and to any property held by it under this Indenture, and shall pay over, assign and deliver to the successor Trustee any money or other property subject to the trusts and conditions herein set forth. Should any deed, conveyance or instrument in writing from the City be required by such successor Trustee for more fully and certainly vesting in and confirming to such successor Trustee any such estates, rights, powers and duties, any and all such deeds, conveyances and instruments in writing shall, on request, and so far as may be authorized by law, be executed, acknowledged and delivered by the City.

*Section 8.15. Merger or Consolidation.* Any company into which the Trustee may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party or any company to which the Trustee may sell or transfer all or substantially all of its corporate trust business, provided such company shall be a bank, trust company or national banking association which is qualified to be a successor to the Trustee under Section 8.13 hereof and shall be authorized by law to perform all the duties imposed upon it by this Indenture, shall be the successor to the Trustee without the execution or filing of any paper or the performance of any further act.

*Section 8.16. Adoption of Authentication.* In case any of the Bonds contemplated to be issued under this Indenture shall have been authenticated but not delivered, any successor Trustee may adopt the certificate of authentication of any predecessor Trustee so authenticating such Bonds and deliver such Bonds so authenticated, and in case any of the said Bonds shall not have been authenticated, any successor Trustee may authenticate such Bonds in the name of the predecessor Trustee, or in the name of the successor Trustee, and in all such cases such certificate shall have the full force which it is anywhere in the Bonds or in this Indenture *provided* that the certificate of the Trustee shall have.

*Section 8.17. Evidence of Signatures of Owners and Ownership of Bonds.* (a) Any request, consent or other instrument which this Indenture may require or permit to be signed and executed by the Owners of Bonds may be in one or more instruments of similar tenor, and shall be signed or executed by such Owners in person or by their attorneys appointed in writing. Proof of (i) the execution of any such instrument, or of an instrument appointing any such attorney, or (ii) the ownership by any person of the Bonds, shall be sufficient for any purpose of this Indenture (except as otherwise herein expressly provided) if made in the following manner, but the Trustee may nevertheless in its discretion require further or other proof in cases where it deems the same desirable:

(1) The fact and date of the execution by any Owner or his attorney of such instrument may be proved by the certificate, which need not be acknowledged or verified, of an officer of a bank or trust company satisfactory to the Trustee or of any notary public or other officer authorized to take acknowledgments of deeds to be recorded in the jurisdiction in which he purports to act, that the person signing such request or other instrument acknowledged to him the execution thereof, or by an affidavit of a witness of such execution, duly sworn to before such notary public or other officer.

(2) The authority of the person or persons executing any such instrument on behalf of a corporate Owner of Bonds may be established without further proof if such instrument is signed by a person purporting to be the president or vice president of such corporation with a corporate seal affixed and attested by a person purporting to be its secretary or an assistant secretary.

(b) The ownership of Bonds and the amount, numbers and other identification, and date of ownership of the same shall be proved by the Bond Register. Any request, consent or vote of the Owner of any Bond shall bind all future Owners of such Bond in respect of anything done or suffered to be done by the City or the Trustee in accordance therewith.

*Section 8.18. Preservation and Inspection of Documents.* All documents received by the Trustee under the provisions of this Indenture shall be retained in its possession and shall be subject at all reasonable times to the inspection of the City and any Owner of Bonds and their agents and their representatives, any of whom may make copies thereof.

## ARTICLE IX

### SUPPLEMENTAL INDENTURE

*Section 9.01. Supplemental Indenture Effective Upon Execution by the Trustee.* For any one or more of the following purposes and the purposes enumerated in Section 9.04 hereof, and at any time or from time to time, a Supplemental Indenture may be authorized by an ordinance adopted by the City Council of the City, which, upon the filing with the Trustee of a copy of such ordinance certified by the City Clerk and the execution and delivery of such Supplemental Indenture by the City and the Trustee, shall be fully effective in accordance with its terms and not subject to consent by the Registered Owners of the Bonds:

(a) to add to the covenants and agreements of the City in this Indenture other covenants and agreements to be observed by the City which are not contrary to or inconsistent with this Indenture as theretofore in effect;

(b) to add to the limitations and restrictions in this Indenture other limitations and restrictions to be observed by the City which are not contrary to or inconsistent with this Indenture as theretofore in effect;

(c) to surrender any right, power or privilege reserved to or conferred upon the City by the terms of this Indenture, but only if the surrender of such right, power or

privilege is not contrary to or inconsistent with the covenants and agreements of the City contained in this Indenture;

(d) to confirm, as further assurance, the pledge herein, and the subjection of, additional properties, taxes or other collateral to any lien, claim or pledge created or to be created by, this Indenture;

(e) to cure any ambiguity, supply any omission, or cure or correct any defect or inconsistent provision in this Indenture;

(f) to insert such provisions clarifying matters or questions arising under this Indenture as are necessary or desirable and are not contrary to or inconsistent with this Indenture as theretofore in effect; or

(g) to provide additional duties of the Trustee under this Indenture.

*Section 9.02. Supplemental Indentures Effective With Consent of Owners of Bonds.*

At any time or from time to time, a Supplemental Indenture may be authorized by an ordinance adopted by the City Council of the City, subject to consent by the Owners of Bonds in accordance with and subject to the provisions of this Article, which Supplemental Indenture, upon the filing with the Trustee of a copy of such ordinance certified by the City Clerk, upon compliance with the provisions of this Article, and upon execution and delivery of such Supplemental Indenture by the City and the Trustee, shall become fully effective in accordance with its terms.

*Section 9.03. General Provisions.*

(a) This Indenture shall not be modified or amended in any respect except as provided in and in accordance with and subject to the provisions of this Article. Nothing in this Article shall affect or limit the right or obligation of the City to adopt, make, do, execute, acknowledge or deliver any ordinance, resolution, act or other instrument pursuant to the provisions of this Article or the right or obligation of the City to execute and deliver to the Trustee any instrument which elsewhere in this Indenture it is provided shall be delivered to the Trustee.

(b) Any ordinance authorizing a Supplemental Indenture referred to and permitted or authorized by Section 9.01 or 9.04 hereof may be adopted by the City Council of the City without the consent of any of the Owners of Bonds, but such Supplemental Indenture shall be executed and delivered by the City and the Trustee and shall become effective only on the conditions, to the extent and at the time provided in this Article. Every Supplemental Indenture delivered to the Trustee for execution shall be accompanied by an opinion of counsel stating that such Supplemental Indenture has been duly and lawfully authorized by the City Council of the City and executed by the City in accordance with the provisions of this Indenture, is authorized or permitted by this Indenture, and will, when executed and delivered by the Trustee, be valid and binding upon the City and enforceable in accordance with its terms.

(c) The Trustee is hereby authorized to enter into, execute and deliver any Supplemental Indenture referred to and permitted or authorized by this Article and to make all

further agreements and stipulations which may be therein contained, and the Trustee, in taking such action, shall be fully protected in relying on an opinion of counsel that such Supplemental Indenture is authorized or permitted by the provisions of this Indenture.

(d) No Supplemental Indenture shall change or modify any of the rights or obligations of the Trustee without its written assent thereto.

(c) No Supplemental Indenture shall take effect unless and until there has been delivered to the Trustee an Opinion of Bond Counsel to the effect that such Supplemental Indenture does not adversely affect the exclusion from gross income for federal income tax purposes to which interest on the Bonds would otherwise be entitled.

*Section 9.04. Additional Matters.* Additionally, this Indenture may, without the consent of, or notice to, any of the Bondholders, be supplemented and amended, in such manner as shall not be inconsistent with the terms and provisions hereof, for any one or more of the following purposes:

- (a) to provide for certificated Bonds; and
- (b) to secure or maintain ratings from any Rating Agency in the highest long term debt rating category, of such Rating Agency which are available for the Bonds, which changes will not restrict, limit or reduce the obligation of the City to pay the principal of, premium, if any, and interest on the Bonds as provided in this Indenture or otherwise adversely affect the Registered Owners of the Bonds under this Indenture.

*Section 9.05. Mailing of Notice of Amendment.* Any provision in this Article for the mailing of a notice or other paper to owners of Bonds shall be fully complied with if it is mailed postage prepaid only (i) to each Registered Owner of then Outstanding Bonds at his address, if any, appearing upon the registration books maintained by the City at the Designated Corporate Trust Office of the Trustee, and (ii) to the Trustee.

*Section 9.06. Powers of Amendment.* Any modification or amendment of this Indenture or of the rights and obligations of the City and of the Owners of the Bonds, in particular, which requires the consent of the Bondholders, may be made by a Supplemental Indenture, with the written consent given as provided in Section 9.07, (a) of the Owners of a majority in principal amount of the Bonds Outstanding at the time such consent is given, or (b) in case less than all of the then Outstanding Bonds are affected by the modification or amendment, of the Owners of a majority in principal amount of the then Outstanding Bonds so affected. No such modification or amendment shall permit a change in the terms of redemption or maturity of the principal of any Outstanding Bonds or of any installment of interest thereon or a reduction in the principal amount or the Redemption Price thereof or in the rate of interest thereon, or in terms of purchase or the purchase price thereof, without the consent of the owner of such Bonds, or shall reduce the percentages or otherwise affect the classes of Bonds the consent of the owners of which is required to effect any such modification or amendment, or shall change or modify any of the rights or obligations of the Trustee without its written assent thereto. For the purposes

of this Section, a Bond shall be deemed to be affected by a modification or amendment of this Indenture if the same adversely affects or diminishes the rights of the owners of such Bond.

*Section 9.07. Consent of Owners of Bonds.* (a) The City may at any time authorize a Supplemental Indenture making a modification or amendment permitted by the provisions of Section 9.06, to take effect when and as provided in this Section. A copy of such Supplemental Indenture (or brief summary thereof or reference thereto in form approved by the Trustee), together with a request to the Owners of the Bonds for their consent thereto in form satisfactory to the Trustee, shall be mailed by the City to the Owners of the Bonds (but failure to mail such copy and request shall not affect the validity of the Supplemental Indenture when consented to as in this Section provided). Such Supplemental Indenture shall not be effective unless and until, and shall take effect in accordance with its terms when, (i) there shall have been filed with the Trustee (1) the written consents of Owners of the percentages of Outstanding Bonds specified in Section 9.06 and (2) an opinion of counsel stating that such Supplemental Indenture has been duly and lawfully executed and delivered by the City and the Trustee in accordance with the provisions of this Indenture, is authorized or permitted hereby and is valid and binding upon the City and enforceable in accordance with its terms upon its becoming effective as in this Section provided, and (ii) a notice shall have been mailed as hereinafter in this Section provided.

(b) The consent of an Owner of Bonds to any modification or amendment shall be effective only if accompanied by proof of the Ownership, at the date of such consent, of the Bonds with respect to which such consent is given, which proof shall be such as is permitted by Section 8.17. A certificate or certificates signed by the Trustee that it has examined such proof and that such proof is sufficient in accordance with Section 8.17 shall be conclusive that the consents have been given by the Owners of the Bonds described in such certificate or certificates. Any such consent shall be binding upon the Owner of the Bonds giving such consent and upon any subsequent Owner of such Bonds and of any Bonds issued in exchange therefor (whether or not such subsequent Owner thereof has notice thereof) unless such consent is revoked in writing by the Owner of such Bonds giving such consent or a subsequent Owner thereof by filing such revocation with the Trustee, prior to the time when the written statement of the Trustee hereinafter provided for in this Section is filed. The fact that a consent has not been revoked may likewise be proved by a certificate of the Trustee to the effect that no revocation thereof is on file with the Trustee.

(c) At any time after the Owners of the required percentages of Bonds shall have filed their consents to the Supplemental Indenture, the Trustee shall make and file with the City a written statement that the Owners of such required percentages of Bonds have filed such consents. Such written statement shall be conclusive that such consents have been so filed. At any time thereafter notice, stating in substance that the Supplemental Indenture (which may be referred to as a Supplemental Indenture entered into by the City and the Trustee as of a stated date, a copy of which is on file with the Trustee) has been consented to by the Owners of the required percentages of Bonds and will be effective as provided in this Section, shall be given to Owners by the Trustee by mailing such notice to the Owners of the Bonds and the Bank (but failure to mail such notice shall not prevent such Supplemental Indenture from becoming effective and binding as provided in this Section). The Trustee shall file with the City proof of the mailing of such notice. A record, consisting of the papers required or permitted by this

Section to be filed with the Trustee, shall be proof of the matters therein stated. Such Supplemental Indenture making such amendment or modification shall be deemed conclusively binding upon the Trustee and the Owners of all Bonds at the expiration of 40 days after the filing with the Trustee of proof of the mailing of such last mentioned notice, except in the event of a final decree of a court of competent jurisdiction setting aside such Supplemental Indenture in a legal action or equitable proceeding for such purpose commenced within such 40-day period; except that the Trustee and the City, during such 40-day period and any such further period during which any such action or proceeding may be pending, shall be entitled in their absolute discretion to take such action, or to refrain from taking such action, with respect to such Supplemental Indenture as they may deem expedient.

*Section 9.08. Modifications by Unanimous Consent.* The terms and provisions of this Indenture and the rights and obligations of the City and of the Owners of the Bonds hereunder may be modified or amended in any respect upon the consent of the Owners of all the then Outstanding Bonds to the execution and delivery of such Supplemental Indenture, such consent to be given as provided in Section 9.07 except that no notice to the Owners of the Bonds shall be required; but no such modification or amendment shall change or modify any of the rights or obligations of the Trustee without its written assent thereto.

*Section 9.09. Exclusion of Bonds.* Bonds owned by or for the account of the City shall not be deemed Outstanding for the purpose of consent or other action or any calculation of Outstanding Bonds provided for in this Article, and the City shall not be entitled with respect to such Bonds to give any consent or take any other action provided for in this Article. At the time of any consent or other action taken under this Article, the City shall furnish the Trustee with a Certificate upon which the Trustee may rely, describing all Bonds so to be excluded.

*Section 9.10. Notation on Bonds.* Bonds authenticated and delivered after the effective date of any action taken as in this Article provided may, and, if the Trustee so determines, shall, bear a notation by endorsement or otherwise in form approved by the City and the Trustee as to such action, and in that case upon demand of the Owner of any Bond Outstanding at such effective date and presentation of his Bond for that purpose at the Designated Corporate Trust Office of the Trustee or upon any exchange or registration of transfer of any Bond Outstanding at such effective date, suitable notation shall be made on such Bond or upon any Bond issued upon any such exchange or registration of transfer by the Trustee as to any such action. If the City or the Trustee shall so determine, new Bonds so modified as in the opinion of the Trustee and the City to conform to such action shall be prepared, authenticated and delivered, and upon demand of the Owner of any Bond then Outstanding shall be exchanged, without cost to such Owner, for Bonds of the same maturity upon surrender of such Bond.

Alderman Beale moved to reconsider the foregoing vote. The motion was lost.

Alderman Burke invoked Rule 14 of the City Council's Rules of Order and Procedure, disclosing that he had represented parties to this ordinance in previous and unrelated matters.

The following is said ordinance as passed:

WHEREAS, By virtue of Section 6(a) of Article VII of the 1970 Constitution of the State of Illinois, the City of Chicago (the "City") is a home rule unit of local government and, as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, As a home rule unit and pursuant to the Constitution, the City is authorized and empowered to issue multi-family housing revenue bonds for the purpose of financing the cost of acquiring, rehabilitating and equipping an affordable multi-family housing facility for low- and moderate-income families located in the City; and

WHEREAS, By this ordinance (this "Ordinance"), the City Council of the City (the "City Council") has determined that it is necessary and in the best interests of the City to provide financing to WHP Village LLC, an Illinois limited liability company (the "Borrower"), the manager of which is WHP Village Manager LLC, an Illinois limited liability company, the

sole members of which are Brinshore PL LLC and Michaels Chicago Holding Company LLC, each an Illinois limited liability company, to pay or reimburse a portion of the costs of acquiring, rehabilitating, and equipping of low- and moderate-income residential facilities consisting of 21 residential buildings and related common facilities and containing approximately 200 residential dwelling units (the "Improvements") which will include 55 market-rate units, 4 non-tax credit public housing Rental Assistance Demonstration ("RAD") units, and 141 tax credit units, 91 of which will be leased to public housing RAD residents and known as the Villages of Westhaven (the "Project"), located generally between West Lake Street, North Seeley Avenue, a 16-foot public alley that runs parallel to West Maypole Avenue and North Leavitt Street, in the City, as described in Exhibit A-1 attached hereto (the "Property"), and to pay a portion of the costs of issuance and other costs incurred in connection therewith; and

WHEREAS, The Chicago Housing Authority ("CHA") currently owns the Property and the Improvements; and

WHEREAS, A current appraisal of the Property and the Improvements indicates that the fair market value of the Property and the Improvements is Fifteen Million One Hundred Ninety-five Thousand Dollars (\$15,195,000); and

WHEREAS, CHA intends to make a donation to Michaels Community Services Corporation, a New Jersey nonprofit corporation, doing business as Better Tomorrows ("Better Tomorrows"), of a 99-year ground lease of the Property and a conveyance of the fee interest in the Improvements, whereupon Better Tomorrows will immediately assign its leasehold interest in the Property and convey title to the Improvements to the Borrower, who will develop the Project on the Property; and

WHEREAS, By this Ordinance, the City Council has determined that it is necessary and in the best interests of the City to borrow money for the purposes set forth above and in evidence of its limited, special obligation to repay that borrowing, to issue tax-exempt revenue bonds, which are expected to be issued in one series, to be designated as multi-family housing revenue bonds (Villages of Westhaven Project), Series 2016 (the "Bonds") as shown on Exhibit A-2 of this Ordinance; and

WHEREAS, The principal and interest on the Bonds may be secured by, among other things, a senior mortgage on the leasehold estate in the Property, the Improvements and certain other related collateral, by certain capital contributions to be made to the Borrower by its investor member(s) in connection with the allocation to the Borrower of federal low-income housing tax credits, by cash and/or securities collateral from the CHA and by pledges and/or assignments of certain funds, personal property, and contractual rights of the Borrower and its affiliates; and

WHEREAS, The Bonds and the obligation to pay interest thereon do not now and shall never constitute an indebtedness of or an obligation of the City, the State of Illinois or any political subdivision thereof, within the purview of any Constitutional limitation or statutory provision, or a charge against the general credit or taxing powers of any of them. No owner

of the Bonds shall have the right to compel the taxing power of the City, the State of Illinois or any political subdivision thereof to pay any principal installment of, premium, if any, or interest on the Bonds; and

WHEREAS, In connection with the issuance of the Bonds, the City Council has determined by this Ordinance that it is necessary and in the best interests of the City to enter into (i) one or more financing agreements, which may be in the form of (a) a bond issuance agreement (the "Bond Issuance Agreement") to provide for the issuance of the Bonds to finance a portion of the costs of the Project, to be entered into among the City, the hereinafter defined purchaser of the Bonds, and the hereinafter defined Fiscal Agent, providing for the security for and terms and conditions of the Bonds to be issued thereunder and (b) a loan agreement (the "Loan Agreement") between the City and the Borrower providing for the loan of the proceeds of the Bonds to the Borrower and the use of such proceeds; (ii) one or more arbitrage and/or tax certificates (each, a "Tax Agreement" and collectively, the "Tax Agreements") between the City and the Borrower; and (iii) one or more land use restriction agreements between the City and the Borrower (the "Land Use Restriction Agreement"); and

WHEREAS, The CHA expects to make certain funds from housing authority sources available to the Borrower, which may include Moving to Work Funds and/or Capital Development Funds as shown on Exhibit A-2 of this Ordinance (the "CHA Loan"), which, when available, may be used to repay a portion of the Bonds; and

WHEREAS, The obligations of the Borrower for repayment of the CHA Loan would be evidenced by a promissory note made by the Borrower to CHA (the "CHA Note") and the obligations of the Borrower under the CHA Note would be secured by a second mortgage covering the leasehold estate in the Property and the Improvements; and

WHEREAS, The Illinois General Assembly pursuant to 20 ILCS 3805/7.28 (as supplemented, amended and restated from time to time) has authorized a program allowing the allocation of certain tax credits for qualified donations made in connection with affordable housing projects (the "Donation Tax Credit Program"); and

WHEREAS, The ground leasing of the Property and the conveyance of the Improvements by the CHA may qualify under the Donation Tax Credit Program as an eligible donation, and may generate certain additional proceeds which CHA would also like to make available to the Borrower ("CHA Donation Tax Credit Loan"), and the obligations of the Borrower under the CHA Donation Tax Credit Loan would be secured by a third mortgage covering the leasehold estate in the Property and the Improvements, as shown on Exhibit A-2 of this Ordinance; and

WHEREAS, Better Tomorrows' assignment of its leasehold estate in the Property and the conveyance of the Improvements to the Borrower (the "Better Tomorrows Loan") in exchange for a note made by the Borrower to Better Tomorrows will be secured by a fourth mortgage covering the leasehold estate in the Property and the Improvements, as shown on Exhibit A-2 of this Ordinance; now, therefore,

*Be It Ordained by the City Council of the City of Chicago, as follows:*

SECTION 2. Findings And Determinations. The City Council hereby finds and determines that the delegations of authority that are contained in this Ordinance, including the authority to make the specific determinations described herein, are necessary and desirable because the City Council cannot itself as advantageously, expeditiously or conveniently exercise such authority and make such specific determinations. Thus, authority is granted to each hereinafter defined Authorized Officer to determine to sell the Bonds on such terms as and to the extent such officer determines that such sale or sales are desirable and in the best financial interest of the City. Any such designation and determination by an Authorized Officer shall be signed in writing by such Authorized Officer and filed with the City Clerk and shall remain in full force and effect for all purposes of this Ordinance unless and until revoked, such revocation to be signed in writing by an Authorized Officer and filed with the City Clerk.

Each of (i) the Mayor of the City (the "Mayor"), the (ii) Chief Financial Officer of the City (as defined below) or (iii) any other officer designated in writing by the Mayor (the Mayor, the Chief Financial Officer or any such other officer being referred to as an "Authorized Officer") is hereby authorized to execute and deliver the Bond Issuance Agreement on behalf of the City, in substantially the form attached hereto as Exhibit B, as determined in the Notification

of Sale, and made a part hereof and hereby approved with such changes therein as shall be approved by the Authorized Officer executing the same, with such execution to constitute conclusive evidence of such officer's approval and the City Council's approval of any changes or revisions from the form of the Bond Issuance Agreement attached to this Ordinance.

As used herein, the term "Chief Financial Officer" shall mean the Chief Financial Officer of the City appointed by the Mayor, or, if there is no such officer then holding said office, the City Comptroller.

SECTION 5. Limited Obligations. The Bonds, when issued and outstanding, will be limited obligations of the City, payable solely as provided in the Bond Issuance Agreement. The Bonds and the interest thereon shall never constitute a debt or general obligation or a pledge of the faith, the credit or the taxing power of the City within the meaning of any Constitutional or statutory provision of the State of Illinois. The Bonds shall be payable solely from the funds pledged therefor pursuant to the terms of the Bond Issuance Agreement hereinafter described.

SECTION 6. Assignment Of Rights. In each case, each shall send to the City Council written notice of the person so designated by each, such notice stating the name of the person so selected and identifying the instruments, certificates and documents that such person shall be authorized to sign as proxy for the Mayor and the Authorized Officer, respectively. A written signature of the Mayor or the Authorized Officer, respectively, executed by the person so designated underneath, shall be attached to each notice. SECTION 14. Public Hearing. This City Council hereby directs that the Bonds shall not be issued unless and until the requirements of Section 147(f) of the Code, including particularly the approval requirement following any required public hearing, have been fully satisfied, and that no contract, agreement or commitment to issue the Bonds shall be executed or undertaken prior to satisfaction of the requirements of said Section 147(f) unless the performance of said contract, agreement or commitment is expressly conditioned upon the prior satisfaction of such requirements. All such actions taken prior to the enactment of this Ordinance are hereby ratified and confirmed.

SECTION 15. Severability. If any provision of this Ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such provision shall not affect any of the remaining provisions of this Ordinance.

The Department of Planning and Development ("DPD") is hereby authorized to charge an administrative fee or fees in connection with the delivery and administration of the Bond Issuance Agreement and the Bonds, which shall be collected under such terms and conditions as determined by the DPD Authorized Officer and which shall be in an amount as determined by the DPD Authorized Officer but not to exceed the maximum amount permitted under Section 148 of the Code to avoid characterization of the Bond Issuance Agreement and the Bonds as "arbitrage bonds" as defined in Section 148. Such administrative fee or fees shall be used by DPD for administrative expenses and other housing activities. Initially, such administrative fee or fees shall be an amount equal to (i) 1.5 percent of the original principal amount of the Bonds payable upon issuance of the Bonds, plus (ii) an ongoing bond administrative fee of 15 basis points (0.0015%) of the outstanding principal amount, accruing monthly and payable semi-annually.

The City is authorized to assess and collect at the closing a fee of 10 basis points (0.0010%) of the aggregate principal amount of the Bonds, and to use such fee to pay for legal and other fees incurred by the City in connection with private activity bonds issued by the City.

SECTION 18. Inconsistent Provisions. All ordinances, resolutions, motions or orders in conflict with this Ordinance are hereby repealed to the extent of such conflict.

SECTION 19. No Recourse. No recourse shall be had for the payment of the principal of, premium, if any, or interest on any of the Bonds or for any claim based thereon or upon any obligation, covenant or agreement contained in this Ordinance, the Bond Issuance Agreement, the Loan Agreement, the Land Use Restriction Agreement, or the Tax Agreements against any past, present or future officer, member or employee of the City, or any officer, employee, director or trustee of any successor, as such, either directly or through the City, or any such successor, under any rule of law or equity, statute or constitution or by the enforcement of any assessment or penalty or otherwise, and all such liability of any such member, officer, employee, direct or trustee as such is hereby expressly waived and released as a condition of and consideration for the execution of the Bond Issuance Agreement, the Loan Agreement, the Land Use Restriction Agreement, and the Tax Agreements and the issuance of the Bonds.

SECTION 20. No Impairment. To the extent that any ordinance, resolution, rule, order or provision of Chapter 16-18 of the Municipal Code of Chicago (the "Municipal Code"), or part thereof, is in conflict with the provisions of this Ordinance, the provisions of this Ordinance shall be controlling. If any section, paragraph, clause or provision of this Ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this Ordinance. No provision of the Municipal Code or violation of any provision of the Municipal Code shall be deemed to render voidable at the option of the City any document, instrument or agreement authorized hereunder or to impair the validity of this Ordinance or the instruments authorized by this Ordinance or to impair the rights of the owners of the Bonds to receive payment of the principal of or interest on the Bonds or to impair the security for the Bonds; provided further that the foregoing shall not be deemed to affect the availability of any other remedy or penalty for any violation of any provision of the Municipal Code.

## ARTICLE II

### BONDS

Section 2.01. Authorization of Bonds. The Bonds shall be issued, from time to time, under the provisions of this Bond Issuance Agreement in accordance with this Article.

Section 2.02. Issuance of Bonds; Payments. (a) The Bonds shall be designated "City of Chicago Multi-Family Housing Revenue Bonds (Villages of Westhaven Project), Series 2016," and shall be issued in substantially the form of **Exhibit B** hereto. The Bonds shall mature on the Maturity Date, shall bear interest on disbursed amounts from the respective dates of disbursement, and shall be issuable only as a registered bond without coupons. The Bonds shall be lettered and numbered R-1.

Principal of the Bonds shall be advanced in the amount of [\$50,000] on the Closing Date. Principal of the Bonds thereafter shall be disbursed by the Bondholder in multiple advances over time as provided in Articles IX, X and XI of the Loan Agreement. The amount of Bonds actually issued may not exceed the limitation set forth in Section 9.2(b) of the Loan Agreement.

(b) The Bonds shall be dated the Closing Date. Any Bond issued in substitution therefor at any time thereafter shall be dated its respective date of delivery.

(c) Except to the extent that the provisions of Article III or Section 7.02 hereof with respect to redemption or acceleration prior to maturity may become applicable hereto, the Bonds shall mature as to principal as provided above.

(d) All payments on the Bonds shall be first applied to interest on the unpaid principal balance and then to the unpaid principal balance. No repayment of principal of or interest on the Bonds may be re-advanced by the Bondholder. The Bondholder shall make all notations upon the Bonds or in the Bondholder's books and records as provided in Section 2.3(c) of the Loan Agreement.

(e) The principal of and interest on the Bonds shall be payable in lawful money of the United States of America. Such principal and interest shall be payable at the principal office of the Bondholder or as otherwise directed in writing by the Bondholder.

(f) The Conversion Date shall be such date specified by the Borrower in writing to the Bondholder stating that the following conditions have been satisfied: (i) the Project is Complete as provided in Section 7.11(b) of the Loan Agreement and the partial redemption of

the Bonds pursuant to Section 3.02(c) hereof shall have been funded in full, (ii) the Debt Service Coverage Ratio for each of the three calendar months preceding the Conversion Date has been at least 1.20 to 1.00; (iii) at least 93% of the units in the Project have been occupied in each of the three calendar months preceding the Conversion Date; (iv) all disbursements of funds from the subordinate debt financings for the Project (the CHA Loan and the CHA Donation Tax Credit Loan) have been funded in full in accordance with the Funding Schedule set forth in Exhibit F to the Loan Agreement; and (v) all capital contributions required to have been paid to date by the Investor Member under the Operating Agreement, including the \$\_\_\_\_\_ capital contribution from which the Bonds will be redeemed in part pursuant to Section 3.02(c) hereof, shall have been paid in full. Notwithstanding the foregoing, the Conversion Date shall in no event be later than \_\_\_\_\_ 1, 2019 [34 months from closing], subject to extension as provided below. Notwithstanding any other provision herein to the contrary, Bonds may be redeemed in part pursuant to Section 3.01 hereof at the direction of the Borrower so that the outstanding principal amount of the Bonds immediately following the Conversion Date is less than \$\_\_\_\_\_, in order to permit the conditions to conversion set forth herein to be met.

(g) The Conversion Date may be extended on a one time basis for six months until \_\_\_\_\_ 1, 2019 [40 months from closing] upon the occurrence of the following:

(i) the Borrower shall have made a written request to the Bondholder at least 30 days and not more than 90 days prior to \_\_\_\_\_ 1, 2019 to extend the Conversion Date for six months to the date specified above;

(ii) there shall not exist any Default or Event of Default at the time of the extension request or at the time of the extension;

(iii) the Project is Complete within the meaning of Section 7.11(b) of the Loan Agreement;

(iv) the Borrower and the Guarantors are in compliance with all financial covenants set forth in the Loan Agreement or the Borrower Collateral Documents, as applicable, as reflected in the most recent financial statements of the Borrower and the Guarantors provided pursuant to the Loan Agreement or Borrower Collateral Documents and there shall have been no material adverse change in the business or financial condition of the Borrower or the Guarantors;

(v) the Borrower pays to the Bondholder all out-of-pocket expenses associated with the extension;

(vi) all applicable regulatory requirements, including appraisal requirements, shall have been satisfied with respect to the extension; and

(vii) (1) the extension shall have been documented to the satisfaction of the Bondholder; and (2) the Bondholder shall have received updated title coverage (if requested) and endorsements and UCC, judgment and lien searches satisfactory to it.

Section 2.03. Interest Rates on Bonds. (a) During the Initial Period, the unpaid portion of the principal amount of the Bonds that has been advanced shall bear interest at the Initial

Period Interest Rate [*may be adjustment if Permanent Interest Rate begins earlier*]. During the Permanent Period, the unpaid portion of the principal amount of the Bonds shall bear interest at the Permanent Interest Rate [*may be adjustment for earlier start to Permanent Interest Rate*]. Interest on the outstanding principal balance of the Bonds shall be calculated by multiplying (a) the actual number of days elapsed in the period for which the calculation is being made by (b) a daily rate based on a 360-day year (that is, the Initial Period Interest Rate, the Permanent Interest Rate or the Past Due Rate, as then applicable, expressed as an annual rate divided by 360) by (c) the outstanding principal balance. The parties acknowledge this will result in a higher rate of interest than if interest were calculated based on a 365-366 day year and waives any right to object to said basis of calculation. The accrual period for calculating interest due on each Interest Payment Date shall be the calendar month immediately prior to such Interest Payment Date.

(b) Alternate Rate. If the Bondholder determines that no adequate basis exists for determining the LIBOR Monthly Rate or that the LIBOR Monthly Rate will not adequately and fairly reflect the cost to the Bondholder of purchasing the Bonds for the purpose of funding the Loan, or that any applicable law or regulation or compliance therewith by the Bondholder prohibits, restricts or makes impossible the charging of interest based on the LIBOR Monthly Rate and the Bondholder so notifies the Borrower, then until the Bondholder notifies the Borrower that the circumstances no longer exist which rendered the LIBOR Monthly Rate unavailable (or under which the Bondholder determined that the LIBOR Monthly Rate did not adequately and fairly reflect the cost to the Bondholder of purchasing the Bonds for the purpose of funding the Loan), interest shall accrue and be payable on the unpaid principal balance of the Bonds from the date the Bondholder so notifies the Borrower until the Maturity Date of the Bond (whether by acceleration, declaration, extension or otherwise) at a fluctuating rate of interest equal to the Alternate Rate.

(c) Past Due Rate. If any amount payable by the Borrower under the Loan Agreement or the Borrower Note is not paid when due (without regard to any applicable grace periods), such amount shall thereafter bear interest at the Past Due Rate to the fullest extent permitted by applicable law. Accrued and unpaid interest on past due amounts (including interest on past due interest) shall be due and payable on demand, at the Past Due Rate.

#### Section 2.04. Payment Dates.

(a) Interest Payment Dates. Interest on disbursed amounts under the Bonds and the Borrower Note shall be payable monthly commencing on the first day of each calendar month following the Closing Date on any date of redemption and on the Maturity Date.

(b) Principal Payment Dates. During the Initial Period, principal of the Bonds and the Borrower Note shall not amortize and shall not be paid on a scheduled basis; provided that the Bonds and the Borrower Note shall be subject to redemption and acceleration as provided herein. During the Permanent Period, principal under the Bonds and the Borrower Note, calculated based on a 30-year amortization from the Conversion Date, shall be payable monthly commencing on the first day of the calendar month following the Conversion Date and continuing on the first day of each month thereafter, on any date of redemption and on the Maturity Date (in an amount equal to the unpaid principal amount outstanding).

Attached hereto as Exhibit F is a principal amortization schedule to be in effect during the Permanent Period, which schedule assumes an outstanding principal balance of the Bonds of \$ \_\_\_\_\_ immediately following the Conversion Date. In the event that the principal amount of the Bonds outstanding immediately following the Conversion Date is less than such amount, then the Bondholder shall prepare a revised amortization schedule reflecting the actual outstanding principal amount and adjusting each principal payment on a pro rata basis to reflect such reduced principal amount.

Section 2.05. Interest on Amounts Past Due. Notwithstanding anything in this Article II to the contrary, if the Issuer shall fail to make any of the payments required to be made by it under this Bond Issuance Agreement, including, without limitation, any mandatory redemption required by Section 3.02 of this Bond Issuance Agreement, or under the Bonds, such payment shall continue as an obligation of the Issuer until the unpaid amount overdue shall have been fully paid and interest on the principal amount of the Bonds so overdue shall continue to accrue at the applicable Past Due Rate, from the date such payment was due until the date such payment is made or the date the Bonds have been repaid in full, whichever is earlier.

Section 2.06. Transfers of Bonds. The Bonds may be transferred in whole, and not in part, but only to a single Qualified Transferee that is reasonably acceptable to the Issuer, which Qualified Transferee shall execute and deliver to the Issuer a letter in the form of the Qualified Transferee letter attached hereto as Exhibit D; all of the Bonds shall be so transferred if any of the Bonds are so transferred. Successive transfers of the Bonds are permitted, subject to the limitations set forth in this Section. Notwithstanding the foregoing, the Bondholder may sell participating interests in the Bonds in accordance with applicable law.

Section 2.07. Funding Losses. As provided in the Loan Agreement, the Borrower will indemnify the Bondholder upon demand against any loss or expense, including, without limitation, reasonable attorneys' fees and expenses, which the Bondholder may sustain or incur (including, without limitation, any loss or expense sustained or incurred in obtaining, liquidating or employing deposits or other funds acquired to effect, fund or maintain the Loan and/or the Bonds) as a consequence of any failure of Borrower to make any payment when due of any amount due hereunder. Determinations by the Bondholder for purposes of this Section of the amount required to indemnify the Bondholder shall be conclusive in the absence of manifest error.

Section 2.08. Execution; Limited Obligation. (a) The Bonds shall be executed on behalf of the Issuer with the manual or facsimile signature of its Mayor and shall be acknowledged by the manual or facsimile signature of the City Clerk of the Issuer, and the seal of the Issuer shall be impressed, imprinted or reproduced thereon. In case any officer whose signature shall appear on the Bonds shall cease to be such officer before the delivery of the Bonds, such signature shall nevertheless be valid and sufficient for all purposes, the same as if he had remained in office until delivery. The Bonds may be signed on behalf of the Issuer by such persons who, at the time of the execution of the Bonds, are duly authorized or hold the appropriate offices of the Issuer, although on the date of the Bonds such persons were not so authorized or did not hold such offices.

(b) THE BONDS AND THE INTEREST THEREON CONSTITUTE SPECIAL, LIMITED OBLIGATIONS OF THE ISSUER, PAYABLE SOLELY FROM THE PAYMENTS TO BE MADE BY THE BORROWER UNDER THE LOAN AGREEMENT OR FROM THE OTHER SOURCES SPECIFIED OR REFERRED TO IN THIS BOND ISSUANCE AGREEMENT, ALL OF WHICH ARE SPECIFICALLY ASSIGNED AND PLEDGED TO SUCH PURPOSES IN THE MANNER AND TO THE EXTENT PROVIDED HEREIN. THE BONDS AND ALL OTHER OBLIGATIONS OF THE ISSUER IN CONNECTION THEREWITH DO NOT CONSTITUTE A DEBT OF THE ISSUER, THE STATE OF ILLINOIS OR ANY POLITICAL SUBDIVISION THEREOF, AND NEITHER THE ISSUER NOR THE STATE OF ILLINOIS OR ANY POLITICAL SUBDIVISION THEREOF, SHALL BE LIABLE THEREON, NOR IN ANY EVENT SHALL THE BONDS OR OTHER OBLIGATIONS BE PAYABLE OUT OF ANY FUNDS OR PROPERTIES OTHER THAN THOSE PLEDGED UNDER THIS BOND ISSUANCE AGREEMENT. THE BONDS SHALL NOT CONSTITUTE AN INDEBTEDNESS OF THE ISSUER, THE STATE OF ILLINOIS OR ANY POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY DEBT PROVISION.

Section 2.09. Authentication. No Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this Bond Issuance Agreement unless and until a certificate of authentication on such Bond, substantially in the form herein set forth, shall have been duly executed by the Fiscal Agent, and such executed certificate of the Fiscal Agent upon a Bond shall be conclusive evidence that such Bond has been authenticated and delivered under this Bond Issuance Agreement. The Fiscal Agent's certificate of authentication on a Bond shall be deemed to have been executed by it if manually signed by an authorized signatory of the Fiscal Agent.

Section 2.10. Form of the Bonds and Temporary Bonds. (a) The Bonds, and the Fiscal Agent's certificates of authentication to be endorsed thereon, shall be in substantially the form herein set forth, with such variations, omissions and insertions as are permitted or required by this Bond Issuance Agreement. The Bonds shall provide that the principal thereof and interest thereon shall be payable only out of Revenues.

(b) A Bond may be initially issued in temporary form exchangeable for a definitive Bond when ready for delivery. Each temporary Bond shall be in the same denomination as the Bond it is issued in lieu of, and such temporary Bond may contain such reference to any of the provisions of this Bond Issuance Agreement as the Issuer may deem appropriate. Every temporary Bond shall be executed by the Issuer and shall be authenticated by the Fiscal Agent upon the same conditions, and in substantially the same manner, as the definitive Bond it is issued in lieu of. If the Issuer issues a temporary Bond in lieu of a definitive Bond, the Issuer shall execute and furnish the definitive Bond without delay, and thereupon the temporary Bond shall be surrendered for cancellation in exchange therefor at the Designated Office of the Fiscal Agent, and the Fiscal Agent shall authenticate and deliver in exchange for such temporary Bond a definitive registered Bond of the same series and maturity, and in the same denomination bearing the same interest rate. Until so exchanged, the temporary Bond shall be entitled to the same benefits under this Bond Issuance Agreement as the definitive Bond it is issued in lieu of, but only to the extent that such temporary Bond is authenticated and delivered hereunder.

Section 2.11. Delivery of the Bonds. (a) Upon (i) receipt by the Issuer of a duly executed Initial Investor Letter from the Bondholder, (ii) the execution and delivery of this Bond Issuance Agreement, the Loan Agreement, the Bonds, the Borrower Note, the Borrower Collateral Documents and the Tax Certificate and the delivery of the Security for the Bonds, (iii) the execution, delivery and recording of the Land Use Restriction Agreements, and the receipt by the Issuer of evidence of the priority of the Land Use Restriction Agreements over the Borrower Collateral Documents, (iv) delivery by the Issuer to the Fiscal Agent of a copy of the Ordinance, certified by the Issuer to be in full force and effect, and (v) receipt by the Issuer of an opinion of Bond Counsel to the effect that the Bonds have been duly authorized and issued, and that interest thereon is excluded from gross income of the owners thereof for Federal income tax purposes, the Issuer shall execute and deliver to the Fiscal Agent and the Fiscal Agent shall authenticate the Bonds and deliver the Bonds to the Bondholder as directed by the Issuer.

(b) Advances of proceeds under the Bonds shall be paid by the Bondholder over to the Fiscal Agent as received from time to time and deposited in the Construction Fund pursuant to Article IV hereof. Promptly following the approval by the Bondholder of each written request for a disbursement of Bond proceeds in accordance with the provisions of the Loan Agreement, the Bondholder shall advance to the Fiscal Agent sufficient moneys to permit the Fiscal Agent to make the approved disbursement in question (taking into account for such purpose any available moneys in the Construction Fund that were previously advanced under paragraph (c) of this Section 2.11 and not yet disbursed).

Section 2.12. Mutilated, Lost, Stolen or Destroyed Bonds. In the event any Bond is mutilated, lost, stolen or destroyed, the Issuer may execute, and the Fiscal Agent shall authenticate and deliver, a new Bond of like date, maturity, series, interest rate and denomination as the Bond mutilated, lost, stolen or destroyed. In each such case, the applicant for a substitute Bond shall furnish to the Issuer and the Fiscal Agent such security or indemnity as may be required by them to save each of them harmless. In each case of loss, theft or destruction, the applicant shall furnish to the Issuer and the Fiscal Agent evidence to their satisfaction of the loss, theft or destruction of such Bond and of the ownership thereof, and in each case of the mutilation of any Bond, the applicant shall surrender the mutilated Bond to the Fiscal Agent. Upon the issuance of a substitute Bond, the Issuer and the Fiscal Agent may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses and fees connected therewith. In the event any Bond has matured or is about to mature and is mutilated, lost, stolen, or destroyed, the Issuer may, instead of the issuing a substitute Bond as permitted by this Section, pay or authorize the payment of the same upon satisfaction of the conditions set forth above.

Section 2.13. Bond Registrar; Registration Books; Persons Treated as Bondholder; Restrictions on Transfer. (a) The Fiscal Agent, which is hereby constituted and appointed the Bond Registrar of the Issuer, shall keep books for the registration and transfer of the Bonds, as provided in this Bond Issuance Agreement. Upon surrender for transfer of the Bonds at the Designated Office of the Fiscal Agent, duly endorsed by, or accompanied by a written instrument or instruments of transfer in form satisfactory to the Fiscal Agent and duly executed by the registered owner or his attorney duly authorized in writing, and accompanied by a Qualified Transferee Letter executed by the party to whom the Bonds are to be transferred, the Issuer shall execute, and the Fiscal Agent shall authenticate and deliver in the name of the transferee, new

Bonds of the same series, interest rates and maturities for like principal amounts. No Bond may be transferred in part, and all Bonds shall be transferred as a whole, so at all times there is but one registered owner of all of the Bonds issued and outstanding hereunder; provided that the Bondholder may, subject to applicable law, transfer participations in the Bonds. Upon the making of any such transfer, the transferor may assign to the transferee its interests in, to and under the Borrower Note and the Borrower Collateral Documents, and in the event of any such assignment, the transferor shall notify the Issuer and the Borrower of such assignment.

(b) Any exchange of a temporary Bond for a definitive Bond shall be without charge, except for the payment of any tax, fee or other governmental charge. With respect to any other exchange or transfer, the Fiscal Agent may charge a sum not exceeding the actual cost (if any) of printing new Bonds to be issued upon such exchange or transfer, together with reasonable expenses of the Fiscal Agent in connection therewith. In each case the Fiscal Agent shall require the payment by the registered owner of the Bond requesting exchange, registration or transfer, of any tax, fee or other governmental charge required to be paid with respect to such exchange, registration or transfer. All Bonds surrendered upon exchange or transfer provided for in this Bond Issuance Agreement shall be promptly cancelled by the Fiscal Agent and thereafter disposed of in accordance with Section 2.14 hereof.

(c) The Person in whose name the Bonds shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of principal thereof or interest thereon, shall be made only to or upon the order of the registered owner thereof or his legal representative, but such registration may be changed as hereinabove provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon the Bonds to the extent of the sum or sums so paid.

Section 2.14. Cancellation of Bonds. Whenever any Bond shall be delivered to the Fiscal Agent for cancellation pursuant to this Bond Issuance Agreement, upon payment of the principal and interest represented thereby, or for replacement, transfer or exchange pursuant to Section 2.13 hereof, such Bond shall be promptly cancelled and destroyed by the Fiscal Agent, and a certificate as to such cancellation and destruction shall be furnished by the Fiscal Agent to the Issuer and the Borrower.

Section 2.15. Conditions to Bondholder's Purchase of Bonds. The Bondholder's obligation to purchase and accept the delivery of the Bonds is expressly conditioned upon the following:

- (a) No Event of Default or Default shall exist hereunder;
- (b) The representations and warranties of the Issuer contained herein and in the Loan Agreement shall not prove to be incorrect or misleading in any material respect;
- (c) The Bondholder shall have received an opinion of Bond Counsel in form acceptable to Bondholder to the effect that the interest payable on the Bonds is excludable from the Federal gross income of the Bondholder;
- (d) the Bondholder shall have received all of the Borrower Collateral Documents in form acceptable to Bondholder;

(e) the conditions precedent to the first disbursement of the proceeds of the Loan set forth in Articles X and XI of the Loan Agreement have been satisfied; and

(f) the Bondholder shall have received payment of its transaction fees relating to the purchase of the Bonds equal to one-half of one percent (0.5%) of the authorized principal amount of the Bonds.

(g) the conditions precedent to the Bondholder's purchase of the Bonds set forth in the Summary of Terms and Conditions dated \_\_\_\_\_, 2016 between the Bondholder and the Borrower, as amended, shall have been met to the satisfaction of the Bondholder (or been waived by the Bondholder). The Bondholder's purchase of the Bonds shall establish conclusively that these conditions have been met.

### ARTICLE III

#### REDEMPTION OF BONDS BEFORE MATURITY

Section 3.01. Optional Redemption. The Bonds are subject to optional redemption prior to maturity on any Business Day by the Issuer pursuant to the request of the Borrower in accordance with Section 3.1(a) of the Loan Agreement, in whole or in part (and, if in part, at the direction of the Borrower as to the principal amount to be redeemed), at a redemption price of 100% of the principal amount thereof being redeemed, without premium, plus accrued interest to the date fixed for redemption. To effect such redemption, the Borrower shall give written notice to the Bondholder and the Issuer not less than 2 Business Days prior to the applicable redemption date. The Borrower may withdraw any such notice, and revoke the election made therein, by giving written notice of such withdrawal and revocation to the Bondholder and the Issuer on or before the date fixed for redemption. Any partial redemption of the Bonds shall be applied pro rata amongst all principal amortization payments, except as otherwise agreed by the Borrower and the Bondholder.

Section 3.02. Mandatory Redemption. The Bonds are subject to mandatory redemption prior to maturity on any Business Day by the Issuer in whole or in part, at a redemption price of 100% of the principal amount thereof being redeemed plus accrued interest to the date fixed for redemption, and without premium, upon the occurrence of any of the events set forth below:

(a) Within 15 days following the Completion Date, to the extent of any excess amounts on deposit in the Construction Fund or the Construction Escrow on the Completion Date which are not set aside for the payment of Costs of the Project not then due and payable (as provided in Section 9.4 of the Loan Agreement);

(b) to the extent the Owner Collateral Documents provide that the proceeds of any insurance or condemnation payment received with respect to the Project be applied to the prepayment of the Borrower Note and the redemption of Bonds;

(c) on the Conversion Date, in the principal amount of \$\_\_\_\_\_, from proceeds of (i) the \_\_\_\_\_ equity contributions made by the Investor Member under the Operating Agreement in the amount of \$\_\_\_\_\_, (ii) CHA funds on deposit in the Cash Collateral Fund established

under the Cash Collateral Agreement in the amount of \$ \_\_\_\_\_, and (iii) to the extent proceeds of (i) and (ii) are insufficient for such purpose, from other funds provided by the Borrower;

(d) in whole, within 30 days following the occurrence of a Determination of Taxability.

If for any reason the redemption under (c) above does not occur because the Conversion Date conditions have not been met, all proceeds of the \_\_\_\_\_ equity contributions made by the Investor Member under the Operating Agreement and CHA funds on deposit under the Cash Collateral Agreement shall nevertheless be applied to a partial redemption of the Bonds in the amount of such contribution.

## ARTICLE IV

### REVENUES AND FUNDS

Section 4.01. Revenues; Payment Notations. (a) The Fiscal Agent is authorized and directed, subject to Section 7.06 of this Bond Issuance Agreement, to apply all available Revenues to the payment of the principal of and interest on the Bonds as and when received, including, without limitation, (i) any amount in the Construction Fund, the Construction Escrow or the escrow account referred to in Section 9.4 of the Loan Agreement, in either case to the extent provided in such Section; (ii) all payments specified in Section 2.2 (a) of the Loan Agreement, including, without limitation, payments on the Borrower Note and amounts applied to payment of the Borrower Note under the Borrower Collateral Documents; (iii) all prepayments specified in Article III of the Loan Agreement, including, without limitation, prepayments made on the Borrower Note; and (iv) all other moneys received by the Bondholder under and pursuant to any of the provisions of the Loan Agreement that are required or are accompanied by directions that such moneys are to be applied to the payment of the principal of and interest on the Bonds. Except as otherwise directed in Article III hereof, all Revenues shall be applied (i) first, to the payment of interest on the Bonds, and (ii) second to the payment of principal of the Bonds.

(b) Subject to Section 2.08 hereof, the Issuer hereby covenants and agrees that as long as the Bonds are outstanding it will pay, or cause to be paid, to the Bondholder, sufficient sums from Revenues promptly to meet and pay the principal of and interest on the Bonds as the same become due and payable. Nothing herein shall be construed as requiring the Issuer to use any funds or revenues from any source other than Revenues.

(c) The Fiscal Agent shall note on the payment record attached as Schedule A to the Bonds, or in the Fiscal Agent's books and records relating to the Bonds, the date and amount of (i) each draw increasing the principal amount of the Bonds, and (ii) each payment of principal (whether at maturity or upon acceleration or prior redemption) and/or interest on the Bonds. The information so recorded shall be rebuttable presumptive evidence of the accuracy thereof. The failure to so record any such information or any error in so recording any such information shall not, however, limit or otherwise affect the obligations of the Issuer hereunder or under the Bonds to repay the principal amount thereof together with all interest accruing thereon.

Section 4.02. Creation of Construction Fund; Disbursements. (a) There is hereby created by the Issuer and ordered established with the Fiscal Agent a Fund in the name of the Issuer to be designated "City of Chicago Construction Fund (Villages of Westhaven Project)" (the "Construction Fund"). Advances of Bond proceeds by the Bondholder shall be deposited in the Construction Fund; provided that advances of Bond proceeds used to pay interest on the Bonds shall be paid or credited directly to the Bondholder as payment of such interest.

(b) The Issuer hereby authorizes and directs the Fiscal Agent to use the moneys in the Construction Fund, pursuant to written requests therefor submitted by the Borrower (except as otherwise provided in Section 4.04 hereof), and approved in writing by the Bondholder, for payment of the Costs of the Project, and for payment of principal of and interest on the Bonds in accordance with Sections 3.02 and 4.01 hereof and Articles IX, X and XI of the Loan Agreement. The Fiscal Agent shall keep and maintain adequate records pertaining to the Construction Fund and all disbursements therefrom, and shall promptly, following a written request therefor, submit to the Issuer, the Borrower or the Bondholder copies of all reports, statements of receipts and disbursements and the like relating to the Construction Fund and any other funds held by the Fiscal Agent under this Bond Issuance Agreement. Moneys remaining in the Construction Fund when the Project is Complete shall be applied to redeem Bonds pursuant to Section 3.02(a) of this Bond Issuance Agreement. Disbursements may be made monthly on the first day of each month.

(c) Upon the occurrence of an Event of Default under Section 12.1(f) of the Loan Agreement, or a declaration of acceleration following the occurrence of any Event of Default hereunder, or a redemption in whole of the Bonds, any moneys remaining in the respective accounts of the Construction Fund shall be used to pay the principal and interest then due and unpaid on the Bonds.

(d) Future advances of Bond proceeds may be made to fund interest on the Bonds on each Interest Payment Date prior to the Completion Date, but only upon receipt by the Issuer and the Fiscal Agent of a certification from the Borrower that the amount so advanced represents interest chargeable to the Borrower's capital account for federal tax law purposes. Any amounts so advanced shall be applied to pay interest on the Bonds as it next comes due. Advances of Bond proceeds to pay interest on the Bonds shall not be subject to any other disbursement requirements or conditions set forth in the Loan Agreement, except for the overall condition on the amount of total disbursements set forth in Section 9.2(b) of the Loan Agreement.

Section 4.03. Fiscal Agent's Fees, Charges and Expenses. The Fiscal Agent agrees that the Issuer shall have no liability for any fees, charges and expenses of the Fiscal Agent, and the Fiscal Agent agrees to look only to the Borrower for the payment of all reasonable fees, charges and expenses of the Fiscal Agent as provided in the Loan Agreement and in this Bond Issuance Agreement.

Section 4.04. Moneys to be Held in Trust. All moneys required to be deposited with or paid to the Fiscal Agent for the account of the Construction Fund or the escrow account referred to in Section 9.4 of the Loan Agreement under any provision of this Bond Issuance Agreement or the Loan Agreement shall be held by the Fiscal Agent in trust and applied for the purposes

herein or therein specified. No Person not a party hereto shall have any rights to the money in the Construction Fund or the escrow account referred to in Section 9.4 of the Loan Agreement.

Section 4.05. Repayment of Excess Moneys. Any amounts remaining in any fund, or otherwise paid to the Fiscal Agent on behalf of the Issuer under this Bond Issuance Agreement or the Loan Agreement, after payment in full of the principal of and interest on the Bonds, the fees, charges and expenses of the Issuer and the Fiscal Agent, and all other amounts required to be paid under this Bond Issuance Agreement and the Loan Agreement shall be paid (a) first, to the Issuer to the extent of any moneys owed by the Borrower to the Issuer, and (b) second, to the Borrower.

Section 4.06. Cash Collateral Agreement. Reference is hereby made to the Cash Collateral Agreement. Moneys held under the Cash Collateral Agreement shall be applied to pay the principal of and interest on the Bonds as provided in the Cash Collateral Agreement.

Section 4.07. Security Agreement. Reference is hereby made to the Security Agreement. Moneys held under the Security Agreement shall be available to pay the principal of and interest on the Bonds as provided in the Security Agreement.

## ARTICLE V

### INVESTMENT OF MONEYS

Section 5.01. Investment of Moneys. Any moneys held as part of any Account of the Construction Fund, to the extent not disbursed on the date of deposit therein, shall be invested or reinvested by the Fiscal Agent in Eligible Investments in accordance with the provisions of Section 9.6 of the Loan Agreement. The direction and written confirmation specified in Section 9.6 of the Loan Agreement shall specify to the extent applicable the issuer or obligor, the principal amount, maturity date and interest rate of each such Eligible Investment. All such Eligible Investments shall be held by or under the control of the Fiscal Agent and shall be deemed at all times a part of such Account, and the interest accruing thereon, if any, and any profit realized from such Eligible Investments shall be credited to such Account. Any loss resulting from such investments shall be charged to such Account. The Fiscal Agent shall be entitled to rely conclusively on all written investment instructions provided by the Borrower pursuant to Section 9.6 of the Loan Agreement, and the Fiscal Agent shall have no responsibility or liability for any depreciation in the value of any investment or for any loss, direct or indirect, resulting from any investment made in accordance with such direction and written confirmation from the Borrower specified in Section 9.6 of the Loan Agreement.

Section 5.02. Investments through Fiscal Agent's Investment Department. The Fiscal Agent may make any and all investments permitted by the provisions of Sections 5.01 through its own investment department or that of an affiliate. Upon the written direction of the Borrower or the Issuer, the Fiscal Agent shall confirm in writing any investment made with the moneys in the Construction Fund. The Fiscal Agent shall answer all reasonable inquiries from the Borrower or the Issuer as to the status of moneys in each of such Fund or account. The Fiscal Agent shall file with the Issuer a copy of its statements that it delivers to the Borrower with respect to the investment of any funds held under this Bond Issuance Agreement.

## ARTICLE VI

## GENERAL COVENANTS OF ISSUER

Until payment in full of the Bonds, the Issuer covenants and agrees that each of the covenants, undertakings and agreements set forth in this Section shall be complied with:

Section 6.01. Payment of Principal and Interest. The Issuer covenants that it will promptly pay the principal of and interest on the Bonds at the place, on the dates and in the manner provided herein and in the Bonds according to the true intent and meaning hereof and thereof; provided, however, that the Bonds shall be a special, limited obligation of the Issuer payable as to principal and interest solely from the Revenues as provided in Section 2.08 of this Bond Issuance Agreement.

Section 6.02. Performance of Covenants. The Issuer covenants that it will faithfully perform at all times any and all covenants, undertakings, stipulations of and provisions applicable to the Issuer contained in this Bond Issuance Agreement and in the Bonds; provided, however, that the Issuer shall not be obligated to take any action or execute any instrument pursuant to any provision hereof until it shall have been requested to do so by the Borrower or the Bondholder, and, at the option of the Issuer, until it shall have received from the Borrower or the Bondholder assurance satisfactory to the Issuer that the Issuer shall be reimbursed for its reasonable expenses incurred or to be incurred in connection with taking such action or executing such instrument. The Issuer represents that it is duly authorized pursuant to the Ordinance to issue the Bonds, to execute this Bond Issuance Agreement, to pledge and assign the Loan Agreement, the Borrower Note and the Security for the Bonds, and the amounts payable under the Loan Agreement, the Borrower Note and the Security for the Bonds, in the manner and to the extent set forth herein; that all action on its part required for the issuance of the Bonds and the execution and delivery of this Bond Issuance Agreement has been duly and effectively taken; and that each of the Bonds in the hands of the Bondholder is and will be a valid and enforceable obligation of the Issuer according to the terms thereof and hereof. Anything contained in this Bond Issuance Agreement to the contrary notwithstanding, it is hereby understood that none of the covenants of the Issuer contained in this Bond Issuance Agreement are intended to create a pecuniary obligation of the Issuer with respect to payment of principal of and interest on the Bonds.

Section 6.03. Assigned Rights; Instruments of Further Assurance. The Issuer represents that the pledge and assignment of the Security for the Bonds to the Bondholder hereby made is valid and lawful. The Issuer covenants that it will defend its interest in and to the Loan Agreement, the Borrower Note, the Security for the Bonds and the Revenues, and the pledge and assignment thereof to the Bondholder, against the claims and demands of all Persons whomsoever; provided, however, that all reasonable attorneys' fees and expenses incurred by the Issuer in the performance of its obligations under this covenant shall be paid by the Borrower. The Issuer covenants that it will do, execute, acknowledge and deliver or cause to be done, executed, acknowledged and delivered, such agreements supplemental hereto and such further acts, instruments and transfers as the Bondholder may reasonably require for the better assuring, transferring, conveying, pledging, assigning and confirming unto the Bondholder of the Loan Agreement, the Borrower Note, the Security for the Bonds and the Revenues, the rights pledged

and assigned hereby, and the amounts pledged to the payment of the principal of and interest on the Bonds; provided, however, that the Issuer undertakes no responsibility for the preparation or filing of any such instrument or the maintenance of any security interest intended to be perfected thereby, all of which shall be the responsibility of the Bondholder and the Borrower. The Issuer covenants and agrees that, except as herein and in the Loan Agreement provided, it will not sell, convey, mortgage, encumber or otherwise dispose of any part of its interest in and to the Loan Agreement, the Borrower Note, the Security for the Bonds or the Revenues.

Section 6.04. Recordation and Other Instruments. In order to perfect the security interest of the Bondholder in the Security for the Bonds, the Issuer, to the extent permitted by law, will execute such assignments, security agreements or financing statements, naming the Bondholder as assignee and pledgee of the Security for the Bonds assigned and pledged under this Bond Issuance Agreement for the payment of the principal of and interest on the Bonds and as otherwise provided herein, as the Bondholder shall reasonably request in writing, and the Borrower will cause the same to be duly filed and recorded, as the case may be, in the appropriate state and county offices as required by the provisions of the Uniform Commercial Code or other similar law as adopted in Illinois, as from time to time amended. To continue the security interest evidenced by the financing statements, the Bondholder shall file and record, or cause to be filed and recorded, such necessary continuation statements or supplements thereto and other instruments from time to time as may be required pursuant to the provisions of the said Uniform Commercial Code or other similar law to fully preserve and protect the security interest of the Bondholder in the Security for the Bonds and to perfect the lien hereof and the rights of the Bondholder hereunder. The Issuer, to the extent permitted by law, at the expense of the Borrower, shall execute and cause to be executed any and all further instruments as shall be reasonably requested in writing by the Bondholder for such protection and perfection of the interests of the Bondholder, and the Issuer or its agent shall, upon written direction from the Bondholder, file and refile or cause to be filed and refiled such instruments as shall be necessary to preserve and perfect the lien of this Bond Issuance Agreement upon the Security for the Bonds until the principal of and interest on the Bonds issued hereunder shall have been paid or provision for payment shall be made as herein provided.

Section 6.05. Inspection of Books. The Issuer, the Fiscal Agent and the Bondholder covenant and agree that all books and documents in their possession relating to the Project and the Revenues shall at all reasonable times be open to inspection by such accountants or other agencies as the other parties may from time to time designate.

Section 6.06. Rights Under Loan Agreement. The Loan Agreement, a duly executed copy of which has been delivered to the Bondholder, sets forth the covenants and obligations of the Issuer and the Borrower, including provisions to the effect that subsequent to the issuance of the Bonds and prior to its payment in full or provision for payment thereof in accordance with the provisions hereof, the Loan Agreement may not be effectively amended, changed, modified, altered or terminated without the written consent of the Issuer and the Bondholder, and reference is hereby made to the same for a detailed statement of said covenants and obligations of the Issuer and the Borrower thereunder. The Issuer agrees that the Bondholder, in its name or in the name of the Issuer, may enforce all rights of the Issuer and all obligations of the Borrower under and pursuant to the Loan Agreement, and the Issuer will not enforce such rights and obligations itself except at the written direction of the Bondholder, in each case whether or not the Issuer is

in Default hereunder; provided, however, that the foregoing shall not apply to Issuer Reserved Rights.

Section 6.07. Prohibited Activities. The Issuer covenants and agrees that it has not engaged, and will not engage, in any activities, and that it has not taken, and will not take, any action, that might result in any interest on the Bonds becoming includible in the gross income of the owner of the Bonds under Federal income tax laws.

Section 6.08. Arbitrage. The Issuer shall not take any action within its power or fail to take any action of which it has knowledge with respect to the investment of the proceeds of the Bonds, including, without limitation, moneys on deposit in any Fund or Account in connection with the Bonds, whether or not such moneys were derived from the proceeds of the sale of the Bonds or from any other sources, or with respect to the payments derived from the Borrower Note which may result in constituting the Bonds an "arbitrage bond" within the meaning of such term as used in Section 148 of the Code and the Regulations. The Issuer further covenants to create a rebate fund upon direction by the Borrower to facilitate the payment of any rebatable arbitrage that may arise.

Section 6.09. Representations of the Issuer Contained in Loan Agreement. Article V of the Loan Agreement is hereby incorporated by reference into this Bond Issuance Agreement for the benefit of the Bondholder.

## ARTICLE VII

### DEFAULT PROVISIONS AND REMEDIES OF BONDHOLDER

Section 7.01. Events of Default. Each of the following is hereby defined and declared to be and shall constitute an "Event of Default" hereunder:

(a) default in the due and punctual payment of any amount required to be paid under the Bonds or this Bond Issuance Agreement, whether by way of principal, interest or otherwise, including, without limitation, any mandatory redemption required by Section 3.02 of this Bond Issuance Agreement; provided that such default shall not constitute an Event of Default hereunder if such default is cured within five days after written notice thereof to the Issuer and the Borrower from the Bondholder; or

(b) default in the performance or observance of any other of the covenants, agreements or conditions on the part of the Issuer in this Bond Issuance Agreement or in the Bonds (and not constituting an Event of Default under any of the other provisions of this Section 7.01); provided that such default shall not constitute an Event of Default hereunder if such default is cured within 90 days after written notice thereof to the Issuer and the Borrower from the Bondholder as long as during such period the Issuer and/or the Borrower is using its best efforts to cure such default and such default can be cured in such period; or

(c) any Event of Default shall occur under the Loan Agreement or any Borrower Collateral Document (following the expiration of applicable notice and cure periods); or

(d) any material representation or warranty made by the Issuer herein is breached or is false or misleading in any material respect, or any schedule, certificate, financial statement, report, notice or other writing furnished by the Issuer to the Bondholder is false or misleading in any material respect on the date as of which the facts therein set forth are stated or certified; or

(e) this Bond Issuance Agreement or the Bonds or any of the Borrower Collateral Documents, or any lien granted by the Borrower or the Issuer to the Bondholder, shall (except in accordance with its terms), in whole or in part, terminate, cease to be effective or cease to be the legally valid, binding and enforceable obligations of the Issuer; or the Issuer shall directly or indirectly, contest in any manner such effectiveness, validity, binding nature or enforceability.

Notwithstanding anything to the contrary contained herein, the Fiscal Agent and the Issuer hereby agree that any cure of any default made or tendered by one or more of the Borrower's members be deemed to be a cure by the Borrower and shall be accepted or rejected on the same basis as if made or tendered by the Borrower.

Section 7.02. Acceleration. Upon the occurrence of an Event of Default hereunder and as long as such Event of Default is continuing, the Bondholder may, by notice in writing delivered to the Issuer and the Borrower, declare the entire principal amount of the Bonds then outstanding and the interest accrued thereon immediately due and payable, and such principal and interest shall thereupon become and be immediately due and payable, subject, however, to the right of the Bondholder, by written notice to the Issuer and the Borrower, to annul such declaration and rescind its effect as hereinafter provided.

Section 7.03. Other Remedies; Rights of Bondholder. (a) Upon the occurrence of an Event of Default hereunder, the Bondholder may exercise and enforce such rights as exist under the Loan Agreement and the Borrower Collateral Documents or pursue any available remedy by suit at law or in equity or by statute to enforce the payment of the principal of and interest on the Bonds, or to enforce any obligations of the Issuer hereunder.

(b) No remedy by the terms of this Bond Issuance Agreement conferred upon or reserved to the Bondholder is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and in addition to any other remedy given to the Bondholder hereunder or now or hereafter existing at law or in equity or by statute.

(c) No delay or omission to exercise any right or power accruing upon any Event of Default hereunder shall impair any such right or power or shall be construed to be a waiver of any such Event of Default or acquiescence therein; and such right and power may be exercised from time to time as often as may be deemed expedient. No waiver of any Event of Default hereunder shall extend to or shall affect any subsequent Event of Default or shall impair any rights or remedies consequent thereon.

(d) All remedies for which provision is made in this Bond Issuance Agreement shall be available only to the extent such remedies are not prohibited by the laws of the State of Illinois, decisions of courts of the State of Illinois or any other applicable law, statute, ordinance, regulation or court decision.

Section 7.04. Appointment of Receivers. Upon the occurrence of an Event of Default hereunder, and upon the filing of a suit or other commencement of judicial proceedings to enforce the rights of the Bondholder under this Bond Issuance Agreement, the Bondholder shall be entitled, as a matter of right, to the appointment of a receiver or receivers of the Security for the Bonds and of the revenues, earnings and income thereof, pending such proceedings, with such powers as the court making such appointment shall confer.

Section 7.05. Waiver of Rights. Except as specified in Section 7.09 hereof, upon the occurrence of an Event of Default hereunder, to the extent that such rights may then lawfully be waived, neither the Issuer, nor anyone claiming through or under the Issuer, shall set up, claim, or seek to take advantage of any appraisal, valuation, stay, extension, exemption or redemption laws now or hereafter in force, in order to prevent or hinder the enforcement of this Bond Issuance Agreement, and the Issuer, for itself and all who may claim through or under it, hereby waives, to the extent that it lawfully may do so, the benefit of all such laws.

Section 7.06. Application of Funds. All funds received by the Bondholder pursuant to any right given or action taken under the provisions of this Article, after payment of the costs and expenses of the proceedings resulting in the collection of such moneys and of the expenses, liabilities and advances incurred or made by the Bondholder or the Issuer, shall be applied to pay the principal of and interest on the Bonds on the basis set forth in Section 4.01 hereof. Notwithstanding any other provision of this Bond Issuance Agreement to the contrary, funds received by the Bondholder may be applied (a) as long as an Event of Default has not occurred and is not continuing, with respect to payments and other amounts then due under the Borrower Note, or, if all such payments and other amounts, if any, have been paid, may be applied as directed by the Borrower, and (b) if an Event of Default has occurred and is continuing, to satisfy amounts due the Bondholder as directed and in such order as determined by the Bondholder.

Section 7.07. Termination of Proceedings. In case the Bondholder shall have proceeded to enforce any right under this Bond Issuance Agreement by the appointment of a receiver or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case the Issuer, the Borrower, the Fiscal Agent and the Bondholder shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies and powers of the Bondholder shall continue as if no such proceedings had been taken.

Section 7.08. Termination of Bond Issuance Agreement. (c) *Payments to Fiscal Agent.* The Borrower shall pay to the Fiscal Agent until the principal of and interest on the Borrower Note shall have been fully paid, the reasonable fees, charges and expenses (if any) of the Fiscal Agent, as fiscal agent and Bond registrar, as and when the same become due. The Borrower further agrees to indemnify the Fiscal Agent for, and to defend and hold the Fiscal Agent harmless against, any loss, liability or expense incurred without negligence or bad faith on its part, arising out of or in connection with its powers or duties hereunder and under the Bond Issuance Agreement, including, but not limited to, the cost and expenses of defending itself against any claim or liability in connection with the exercise of any of such powers or performance of any such duties.

(d) *Payments to Issuer.* The Borrower shall pay to the Issuer (i) an Issuer fee equal to 1.5% of the authorized stated principal amount of the Bonds plus a fee of 0.0010% (10 basis points) of the authorized stated principal amount of the Bonds, payable on the Closing Date, and (ii) an annual administrative fee equal to 0.0015% (15 basis points) of the then outstanding principal amount of the Bonds, which shall accrue monthly and be payable semi-annually on each June 1 and December 1, commencing December 1, 2016, while the Bonds are outstanding.

Section 2.2. Payment. (a) *Payments under the Borrower Note.* The Borrower will promptly and punctually pay all amounts payable with respect to the Borrower Note, without any presentment of the Borrower Note, notice of nonpayment (except as otherwise expressly set forth therein), notice of dishonor or notice of protest, and without any notation of such payment being made thereon, directly to the Bondholder in immediately available funds by wire transfer originated by the Borrower not later than 12:00 noon, Chicago, Illinois time, on each payment date, such payment to be marked for attention as indicated, or by charging an account of the Borrower established with the Bondholder, which charge is hereby authorized by the Borrower. The Borrower Note is subject to assignment as set forth in Section 4.2 hereof. Payments with respect to the Borrower Note shall be made by wire transfer pursuant to the wire transfer instructions attached hereto as **Exhibit D**, or such other replacement wire transfer instructions as shall be provided in writing by Bondholder to Borrower.

(b) *Payments Due on Saturdays, Sundays and Holidays.* In any case where the date of payment of principal of or interest on the Borrower Note or the Bonds, or the date fixed for prepayment of all or a portion of the Borrower Note or the Bonds, as applicable, shall be other than a Business Day, then such payment need not be made on such date but may be made on the next succeeding Business Day, and the Borrower Note and the Bonds shall continue to bear interest until such date of actual payment.

(c) *Payment Notations.* The Bondholder shall make a notation on the Borrower Note on the payment record thereon, or in the Bondholder's books and records, of each principal and interest payment made pursuant to this Section 2.2 and the date to which interest has been paid. The information so recorded shall be rebuttable presumptive evidence of the accuracy thereof. The failure to so record any such information, or any error in so recording any such information, shall not, however, limit or otherwise affect the obligations of the Borrower hereunder or under the Borrower Note to repay the principal balance thereof together with all interest accruing thereon.

(d) *Manner of Payment.* The principal of and interest on the Borrower Note shall be payable in lawful money of the United States of America; such principal and interest shall be payable at the principal office of the Bondholder.

(e) *Return of Collateral.* Upon payment in full of the Borrower Note and termination of this Loan Agreement, the Issuer shall or shall cause the Fiscal Agent to, on a timely basis, reassign and redeliver (or cause to be reassigned and redelivered) to the Borrower, or to such Person or Persons as the Borrower shall designate, against receipt, such of the collateral (if any) assigned by the Borrower to the Issuer as shall not have been sold or otherwise applied by the Issuer pursuant to the terms hereof and as shall still be held by it or the Fiscal Agent hereunder, together with appropriate instruments of reassignment and release, including, without limitation, UCC termination statements; it shall be the obligation of the Borrower to provide all such instruments of reassignment and release. Any such reassignment shall be without recourse upon, or representation or warranty by, the Issuer, and shall be at the cost and expense of the Borrower. If a claim is made upon the Issuer (or any assignee of the Issuer, including, but not limited to, the Bondholder) at any time for recovery of any amount received by the Issuer (or such assignee) in payment of the Borrower Note, whether received from the Borrower or otherwise (a "Recovery Claim"), and should the Issuer (or such assignee) repay all or part of said amount by reason of: (i) any judgment, decree or order of any court or administrative body having jurisdiction over the Issuer or any assignee of the Issuer, or the Property of either thereof; or (ii) any settlement or compromise of any such Recovery Claim effected by the affected party with the claimant (including the Borrower), this Loan Agreement, the Borrower Collateral Documents and the Security for the Bonds shall continue in effect with respect to the amount so repaid to the same extent as if such amount had never originally been received by the Issuer or such assignee, notwithstanding any prior termination of this Loan Agreement, the return of this Loan Agreement, the Borrower Collateral Documents or any of the Security for the Bonds to the Borrower (or any designee of the Borrower), or the cancellation of the Borrower Note.

Section 2.3. *Interest Rates.* The interest rate per annum payable on the Borrower Note shall be equal to the interest rate payable from time to time on the Bonds as provided in Article II

of the Bond Issuance Agreement. Interest on the Borrower Note shall be payable at such times as interest is payable on the Bonds under the provisions of the Bond Issuance Agreement.

Section 2.4. Interest on Amounts Past Due. Notwithstanding anything in this Article II to the contrary, if the Borrower shall fail to make any of the payments required to be made by it under this Agreement or under the Borrower Note, including, without limitation, any mandatory prepayments required by Section 3.1(b) of this Agreement, such payments shall continue as an obligation of the Borrower until the unpaid amount so overdue shall have been fully paid, and interest on the Borrower Note shall continue to accrue from the date such payment was due until the date such payment is made or the date the Borrower Note has been repaid in full, whichever is earlier, at the applicable Past Due Rate described in Section 2.03(f) of the Bond Issuance Agreement with respect to interest on overdue payments under the Bonds.

Section 2.5. Application of Payments. All payments on account of indebtedness outstanding under the Borrower Note shall be first applied to interest on the unpaid principal balance, and the remainder to the unpaid principal balance, of the Borrower Note.

Section 2.6. Event of Default under the Bond Issuance Agreement. Upon a declaration of acceleration by the Bondholder under Section 7.02 of the Bond Issuance Agreement, an amount equal to the outstanding principal of the Borrower Note, together with accrued interest due thereon, shall become immediately due and payable hereunder, and thereafter, to the extent not previously issued, the Issuer shall be under no obligation to issue further Bonds or make further Loans (or disbursement of Loans) of the proceeds thereof.

Section 2.7. No Defense or Set-off; Unconditional Obligation. (a) The obligation of the Borrower to make the payments required to be made by it herein, the obligation of the Borrower to make the payments pursuant to the Borrower Note, and the obligation of the Borrower to perform and observe fully all other agreements, obligations and covenants on its part contained herein shall be absolute and unconditional, irrespective of any defense or any rights of set-off, recoupment, abatement or counterclaim it might otherwise have against the Issuer, the Fiscal Agent or the Bondholder.

(b) Subject to Section 14.1 hereof, the Borrower covenants and agrees with and for the express benefit of the Issuer and the Bondholder that all payments pursuant hereto and the Borrower Note shall be made by the Borrower on or before the dates the same become due, and the Borrower shall perform all of its other obligations, covenants and agreements hereunder, without notice or demand (except as provided herein), and without abatement, deduction, reduction, diminishment, waiver, abrogation, set-off, counterclaim, recoupment, defense or other modification, or any right of termination or cancellation arising from any circumstance whatsoever, whether now existing or hereafter arising, and regardless of any act of God, contingency, event or cause whatsoever, and irrespective (without limitation) of whether any portion of the Project shall have been started or completed, or whether the title to any portion of the Premises or the Project is defective or nonexistent, or whether the revenues of the Borrower are sufficient to make such payments, and notwithstanding any damage to, or loss, theft or destruction of, the Premises or the Project, or any part thereof, expiration of this Loan Agreement, any failure of consideration or frustration of purpose, the taking by eminent domain or otherwise of title to or of the right of temporary use of, all or any part of Premises or the

Project, legal curtailment of the use thereof, any assignment, novation, merger, consolidation, transfer of assets, leasing or other similar transaction of or affecting the Borrower, the Premises or the Project, whether with or without the approval of the Issuer, any change in the tax or other laws of the United States of America, the State of Illinois or any political subdivision of either thereof, any change in the Issuer's legal organization or status, or any default of the Issuer hereunder, and regardless of the invalidity of any portion of this Loan Agreement or the Bond Issuance Agreement, or any other document or instrument referred to herein or therein; and, to the extent legally permissible, the Borrower hereby waives the provisions of any statute or other law now or hereafter in effect impairing or conflicting with any of its obligations, covenants or agreements under this Loan Agreement or the Borrower Note, or which releases or purports to release the Borrower herefrom or therefrom. Nothing in this Loan Agreement shall be construed as a waiver by the Borrower of any rights or claims the Borrower may have against the Issuer under this Loan Agreement or otherwise, but any recovery upon such rights and claims shall be had from the Issuer separately, it being the intent of this Loan Agreement that, except as provided in Section 14.1 hereof, the Borrower shall be unconditionally and absolutely obligated, without right of set-off or abatement, to perform fully all of its obligations, agreements and covenants under this Loan Agreement and the Borrower Note for the benefit of the Issuer and the Bondholder.

### ARTICLE III

#### PREPAYMENT OF THE BORROWER NOTE

##### Section 3.1. Prepayment of the Borrower Note.

(a) *Optional Prepayment.* The Borrower may prepay, in whole or in part, on any Business Day, the principal amount of any Borrower Note then outstanding, at a prepayment price of 100% of the principal amount thereof being prepaid (such optional prepayments to be applied to the redemption of the Bonds as provided in Section 3.01 of the Bond Issuance Agreement).

(b) *Mandatory Prepayment.* The Borrower Note is subject to mandatory prepayment, without premium or penalty, prior to the Maturity Date on each date that the Bonds are subject to mandatory redemption pursuant to Section 3.02 of the Bond Issuance Agreement in the principal amounts specified therein.

(c) In the event of any prepayment hereunder, the Borrower shall pay to the Bondholder all accrued and unpaid interest through the date of such prepayment on the principal balance of the Borrower Note being prepaid.

Section 3.2. Surrender of Borrower Note on Prepayment. Upon any partial prepayment of the Borrower Note, the Borrower Note may, at the option of the Issuer and the Bondholder (subject to assignment as set forth in Section 4.2 hereof), be surrendered to the Borrower in exchange for a new Borrower Note, of the same series, maturity date and interest rate, and in principal amount equal to the unpaid principal balance thereof; provided that the Borrower executes such documents, instruments, certificates and agreements that the Bondholder may deem necessary or appropriate, and reimburses the Issuer and the Bondholder for any reasonable

cost or expense, including, without limitation, reasonable attorneys' fees and expenses. If the entire unpaid principal balance of the Borrower Note is prepaid, the Borrower Note shall be cancelled by the Bondholder and surrendered to the Borrower, and shall not be so exchanged.

Section 3.3. Funding Losses. Subject to Section 14.1 hereof, the Borrower hereby agrees to indemnify the Bondholder upon demand against any loss or expense that the Bondholder may sustain or incur, including, without limitation, reasonable attorneys' fees and expenses, in obtaining, liquidating or employing deposits or other funds acquired to effect, fund or maintain the Loan and/or the Bonds as a consequence of (a) any failure of the Borrower to make any payment when due of any amount due under the Borrower Note, or (b) any payment or prepayment of the Loan and/or the Bonds on a date other than the scheduled payment dates therefor. Determinations by the Bondholder, for purposes of this subsection, of the amount required to indemnify the Bondholder shall be conclusive in the absence of manifest error.

Section 3.4. Rate Management Agreements. Nothing contained in this Article III shall be construed to alter or obviate any payment obligations of the Borrower arising pursuant to any Rate Management Agreement.

#### ARTICLE IV

##### LIMITED OBLIGATION; ASSIGNMENT BY ISSUER

Section 4.1. Limited Obligation of Issuer. The obligations of the Issuer under this Loan Agreement are special, limited obligations of the Issuer, payable solely out of the Revenues. The obligations of the Issuer hereunder shall not be deemed to constitute an indebtedness or an obligation of the Issuer, the State of Illinois or any political subdivision thereof within the meaning of any constitutional limitation or statutory provision, or a charge against the credit or general taxing powers, if any, of any of them.

Section 4.2. Assignment of Issuer's Rights. As security for the payment of the Bonds, the Issuer will, pursuant to the Bond Issuance Agreement, assign and pledge to the Bondholder all of the Issuer's right, title and interest in and to this Loan Agreement and the Borrower Note, except that it will retain the Issuer Reserved Rights, but such retention by the Issuer will not limit in any way the exercise by the Bondholder of its rights hereunder, under the Bond Issuance Agreement, the Borrower Note, the Bonds and the Security for the Bonds. Notwithstanding anything herein to the contrary, the Issuer hereby directs the Borrower to make all payments under this Loan Agreement (except with respect to the Issuer Reserved Rights) and the Borrower Note directly to the Bondholder. The Borrower hereby acknowledges and consents to such pledge and assignment, and agrees to make payments directly to the Bondholder (except with respect to the Issuer Reserved Rights), without defense or set-off, recoupment or counterclaim by reason of any dispute between the Borrower on the one hand, and the Bondholder, the Fiscal Agent or the Issuer on the other hand, or otherwise. After any such assignment and pledge referenced in this Loan Agreement, the Bond Issuance Agreement, the Bonds, the Borrower Note or the Security for the Bonds, all rights, interest and benefits accruing to the Issuer under this Loan Agreement or the Borrower Note, except for the Issuer Reserved Rights, shall be assigned to and become the rights and benefits of the Bondholder. Any obligations of the Issuer as provided in the Bond Issuance Agreement, this Loan Agreement, the Bonds or the Borrower

Note shall remain the obligations of the Issuer to the extent provided herein and therein after such assignment. The Issuer agrees that the Bondholder, in its name or in the name of the Issuer, may enforce all rights of the Issuer (other than the Issuer Reserved Rights) and all obligations of the Borrower under and pursuant to the assigned documents as aforesaid, and the Issuer will not enforce such rights and obligations itself except at the written direction of the Bondholder, in each case whether or not the Issuer is in Default hereunder.

THE ISSUER MAKES NO REPRESENTATION, EITHER EXPRESS OR IMPLIED, AS TO THE CREDITWORTHINESS OR THE ABILITY OF THE BORROWER TO MAKE THE PAYMENTS DUE UNDER THIS LOAN AGREEMENT OR THE BORROWER NOTE AND DOES NOT REPRESENT OR WARRANT AS TO ANY OF THE STATEMENTS, MATERIALS (FINANCIAL OR OTHERWISE), REPRESENTATIONS OR CERTIFICATIONS FURNISHED OR TO BE MADE AND FURNISHED BY THE BORROWER IN CONNECTION WITH THE ISSUANCE, SALE, EXECUTION AND DELIVERY OF THE BONDS, OR AS TO THE CORRECTNESS, COMPLETENESS OR ACCURACY OF SUCH STATEMENTS.

Section 5.7. No Litigation. To the knowledge of the undersigned representatives of the Issuer, there is no action, suit, proceeding or investigation pending or threatened against the Issuer that seeks to restrain or enjoin the issuance or delivery of the Bonds, or the execution and delivery of the Bond Issuance Agreement, this Loan Agreement or the Issuer Documents, or that in any way contests or affects any authority for the issuance or delivery of the Bonds, or the execution and delivery of the Bond Issuance Agreement, this Loan Agreement or the Issuer Documents, or the validity of the Bonds, the Bond Issuance Agreement, this Loan Agreement or in any way contests the corporate existence or powers of the Issuer, or in any way affects the exclusion from gross income for Federal income tax purposes of interest on the Bonds.

Section 5.8. Location of the Project. The Project is located entirely within the corporate boundaries of the City of Chicago, Illinois.

The Borrower does not know of any basis for any of the foregoing: (a) that, in any case, may materially and adversely affect the financial condition or operation of the Borrower or the Manager Member; (b) that, in any case, may seek to restrain, or would otherwise have a material adverse effect on, the transactions contemplated herein; or (c) that, in any case, would affect the validity or enforceability of the Borrower Documents.

The Borrower has filed or caused to be filed all federal, state and local tax reports and returns which are required to be filed, and has paid or caused to be paid all taxes as shown on said returns or which are due or on any assessment received by it.

Section 6.8. Full Disclosure. To the best of the Borrower's knowledge after due diligence and reasonable investigation, neither this Loan Agreement nor any written statement furnished by the Borrower to the Issuer or the Bondholder in connection with the negotiation of the sale of the Bonds contains any untrue statement of a material fact or omits to state a material fact necessary to make the statements contained therein or herein not misleading. To the best of the Borrower's knowledge, the Borrower has disclosed to the Bondholder in writing all facts that might materially and adversely affect the transactions contemplated by this Loan Agreement, or that might materially and adversely affect the business, credit, operations, financial condition or prospects of the Borrower, or that might materially and adversely affect any material portion of the Borrower's Properties (including, but not limited to, the Project), or the Borrower's ability to perform its obligations under the Borrower Documents.

Section 6.9. No Defaults. To the best of the Borrower's knowledge, the Borrower is not in default in the payment or performance of any of its obligations, liabilities or indebtedness, or the performance of any mortgage, indenture, lease, contract or other agreement, instrument or undertaking to which it is a party or by which it or any of its Properties may be bound, which default would have a material and adverse effect on the business, operations, Property or condition, financial or otherwise, of the Borrower. To the best of the Borrower's knowledge, no event, act or condition exists that would constitute a Default or an Event of Default hereunder. To the best of the Borrower's knowledge, the Borrower is not in default under any order, award or decree of any court, arbitrator or Governmental Body binding upon or affecting it, or by which any of its Properties may be bound or affected, which default would have a material adverse effect on the business, operations, Property or condition, financial or otherwise, of the Borrower, and no such order, award or decree adversely affects the ability of the Borrower to carry on its business as currently conducted or the ability of it to perform its obligations under this Loan Agreement, the Borrower Note, the Borrower Collateral Documents, the Security for the Bonds and the Borrower Documents.

Section 6.12. Restrictions on the Borrower. The Borrower is not a party to any contract or agreement, or subject to any charter or other restriction, that materially and adversely affects (within the sole discretionary judgment of the Bondholder) its ability to perform its obligations under this Agreement. The Borrower is not a party, or otherwise subject, to any provision contained in any instrument evidencing Indebtedness, any agreement relating thereto or any other contract or agreement (including its Operating Agreement) that restricts or otherwise limits the incurring of the Indebtedness to be represented by the Borrower Documents. The Borrower possesses all rights and properties necessary for the conduct of its business as currently conducted and as intended to be conducted.

Section 6.13. No Conflict of Interest. No member of the governing body of the Issuer or any elected or salaried officer or official of the Issuer has any interest (financial, employment or other) in the Borrower, the Project or the transactions contemplated by the Borrower Documents.

Section 6.17. Financial Statements. All balance sheet, income statements, statements of cash flow and other financial data that have been or shall hereafter be furnished to the Bondholder for the purposes of or in connection with this Loan Agreement do and will present fairly in accordance with GAAP, consistently applied, the financial condition of the Borrower as of the dates thereof and the results of its operations for the periods covered thereby.

Section 6.18. Broker's Fees. Other than with respect to any term sheet proposal deposit and the origination fee being paid by the Borrower in connection with the purchase of the Bonds by the Bondholder, the Borrower has no obligation to any Person in respect of any finder's, broker's or similar fee in connection with the Borrower Documents.

The Development Cost Budget for the Project is true and complete in all material respects and sufficient finally and fully to pay for the acquisition and the construction of the Project and the payment of all costs and expenses incurred or estimated to be incurred in connection with the Project in accordance with the terms and conditions hereof.

Section 6.22. Business Loan. The Borrower Note and the Bonds, including the interest rates thereon, (i) are each a business loan within the purview of 815 ILCS 205/4(1)(c), as amended from time to time, (ii) are each an exempted transaction under the Truth In Lending Act, 12 U.S.C. 1601 et seq., as amended from time to time, and (iii) do not, and when disbursed shall not, violate the provisions of the Illinois usury laws, any consumer credit laws or the usury laws of any state which may have jurisdiction over this transaction or the Borrower.

Section 6.23. Survival. The representations and warranties set forth in this Article VI shall survive until all Liabilities have been indefeasibly paid in full.

Section 6.24. Remaking of Representations and Warranties. At the time of making of each disbursement pursuant to Section 9.3, the Borrower shall be deemed to have remade each of the representations and warranties contained in this Article VI with the same effect as though made on the date of such disbursement.

## ARTICLE VII

### COVENANTS OF BORROWER

Section 7.1. Tax-Exempt Status of the Bonds. The proceeds of the Bonds will be used in a manner consistent with the representations of the Borrower contained herein and the Tax Certificate. The Borrower shall not use the Project, or permit the Project to be used, in such a way as would result in the loss of the exclusion from gross income for Federal income tax purposes of interest on the Bonds, and will not act in any manner that would adversely affect the exclusion from gross income for Federal income tax purposes of interest on the Bonds.

Section 7.2. Taxes, Charges and Assessments. The Borrower shall pay or cause to be paid on or before the date they become due, all taxes (except taxes imposed on gross or net income), duties, charges, assessments and impositions on, or on account of, the use, occupancy or operation of the Project, and on any payments under this Loan Agreement or under the Borrower Note. The Borrower shall promptly pay when due all amounts except such as the Borrower is diligently contesting in good faith and by appropriate proceedings; provided that the Borrower has provided for and is maintaining adequate reserves with respect thereto in

accordance with GAAP or a bond or other acceptable form of security to assure payment is made.

Section 7.3. Compliance with Orders, Ordinances, Etc. The Borrower shall, at its sole cost and expense, comply with all current and future applicable Government Regulations, the failure to comply with which would materially and adversely affect the Project or the use, occupancy or condition thereof. The Borrower shall have the right to contest any such Government Regulation and, in the event of any such contest, may refrain from complying therewith during the period of such contest and any appeal therefrom; provided that it has furnished additional security satisfactory to the Bondholder for any loss or damage that the Bondholder may sustain by reason of such non-compliance.

Section 7.4. Books, Records and Inspections. The Borrower shall maintain complete and accurate books and records (including records relating to the Project), and, during reasonable times and upon reasonable notice (except upon an Event of Default when no such notice shall be required), shall permit the Issuer and the Bondholder to have full and complete access to such books and records of the Borrower, and shall permit the Issuer and the Bondholder to visit, audit, examine, copy and inspect, as applicable, the Borrower's books and records, offices, Premises and operations, at the sole cost and expense of the Borrower. The Issuer and the Bondholder have no duty to visit the Premises, to supervise or observe construction or to examine any books or records. Any site visit, observation or examination by the Issuer or the Bondholder is solely for the purpose of protecting their respective rights and interests. No site visit, observation or examination by the Issuer or the Bondholder will impose any liability on the Issuer or the Bondholder or result in a waiver of any Event of Default of the Borrower or be a representation that the Borrower is or will be in compliance with the approved Plans and Specifications for the Project, that the construction of the Project is free from defective materials or workmanship, or that the construction complies with all applicable laws, ordinance and regulations. Neither the Borrower, nor any other party, is entitled to rely on any site visit, observation or examination by the Issuer or the Bondholder. The Issuer and the Bondholder owe no duty of care to protect the Borrower or any other party against, or to inform the Borrower or any other party of, any negligent or defective design or construction of the Project or any other adverse condition affecting the Premises.

Section 7.5. Change in Nature of Operations. The Borrower shall not make any material change in the nature of its operations carried on as of the date of issuance of the Bonds unless consented to in writing by the Issuer and the Bondholder.

Section 7.6. Borrower to Maintain Existence; Consolidation or Merger. Absent the prior written consent of the Bondholder, the Borrower shall, as long as the Bonds are outstanding, maintain its existence, not dissolve, liquidate, transfer any membership except as provided herein or other equity interest in the Borrower or otherwise dispose of all or substantially all of its assets, and not consolidate with or merge into another business entity or permit one or more other business entities to consolidate with or merge into it. Notwithstanding anything to the contrary contained herein, the Investor Member shall be permitted to remove the Manager Member and replace the Manager Member with an affiliate of the Investor Member in accordance with the Operating Agreement without the consent of the Bondholder, provided that (a) the membership interests of any such substitute Manager Member shall be subject to the

Bondholder's security interests pursuant to the terms of the Security Agreement, and (b) any such substitute Manager Member shall execute any and all documents, including security agreements and financing statements, as the Bondholder may reasonably request in order to create, perfect, or continue such security interests. Notwithstanding the foregoing, the substitute Manager Member shall assume all the rights and obligations of the Manager Member under all of the Loan Documents.

After all equity contributions have been made pursuant to the terms and conditions of the Operating Agreement, such Investor Member interests shall be transferable without the consent of either the Bondholder or the Issuer. Notwithstanding the foregoing, the Investor Member interests shall be transferable at any time without the consent of the Issuer or the Bondholder, so long as such interest is transferred to an affiliate of the Investor Member; provided, however, that any other Investor Member transfers prior to the payment of the equity contribution shall require Bondholder and Issuer consent.

The Borrower shall be permitted to amend the Operating Agreement to reflect such removal and substitution of the Manager Member or permitted transfer of the Investor Member's interests without the consent of the Issuer or the Bondholder to the extent such transfer is permitted without consent as provided above.

Section 7.7. Transfer of Project. Absent the prior written consent of the Bondholder and the Issuer, the Borrower shall not sell, transfer or otherwise dispose of the Project or any portion thereof (other than sales or other dispositions of obsolete equipment or fixtures in the ordinary course of business) while the Bonds are Outstanding.

Section 7.8. Environmental Requirements; Indemnity.

(a) As between the Issuer and the Borrower, the Issuer and the Borrower agree and understand that the terms and provisions of the Environmental Indemnity Agreement shall govern all indemnifications from the Borrower to the Issuer with respect to environmental matters affecting the Project. The terms and provisions of the Environmental Indemnity Agreement are incorporated herein by this reference, mutatis mutandis, as if fully set forth herein with respect to such relationship. As such, the balance of the provisions of this Section govern only the relationship between the Borrower and the Bondholder with respect to indemnifications from the Borrower to the Bondholder with regard to environmental matters affecting the Project.

(b) For purposes of this Section 7.8, the term "Hazardous Substance" means and includes any substance, material or waste, including asbestos, petroleum and petroleum products (including crude oil), that is or becomes designated, classified or regulated as "toxic," "hazardous" or a "pollutant," or that is or becomes similarly designated, classified or regulated, under any federal, state or local law, regulation or ordinance, but does not include any such substance that is a customary and ordinary household, cleaning or office product used on the Premises by Borrower or any tenant or agent of Borrower, or customary construction materials used during the course of construction of the Project by the Borrower and its general contractor, provided such use is in accordance with applicable hazardous materials laws.

(c) Before signing this Agreement, the Borrower researched and inquired into the previous uses and owners of the Premises and obtained a Phase I environmental site assessment and other reports with respect to the environmental conditions of the Premises, copies of which have been delivered to the Bondholder. Based on that due diligence, the Borrower represents and warrants to the Bondholder that, except as the Borrower has disclosed to the Bondholder in writing and as described in the Phase I environmental site assessment, to the best of the Borrower's knowledge, (i) no Hazardous Substance has been disposed of, or released to or from, or otherwise now exists in, on, under or around, the Premises, and (ii) no aboveground or underground storage tanks are now or have ever been located on or under the Premises.

(d) The Borrower has complied, and will comply and cause all tenants and any other persons who may come upon the Premises to comply in all material respects with all federal, state and local laws, regulations and ordinances governing or applicable to Hazardous Substances ("Environmental Laws"), including those requiring disclosures to prospective and actual buyers or tenants of all or any portion of the Premises. The Borrower will not install or allow to be installed any aboveground or underground storage tanks on the Premises. The Borrower must comply with the recommendations of any qualified environmental engineer or other expert engaged by the Borrower with respect to the Premises. The Borrower must promptly notify the Bondholder in writing (i) if it knows, suspects or believes there may be any Hazardous Substance in or around any part of the Premises, any improvements constructed on the Premises, or the soil, groundwater or soil vapor on or under the Premises, or that the Borrower or the Premises may be subject to any threatened or pending investigation by any governmental agency under any law, regulation or ordinance pertaining to any Hazardous Substance, and (ii) of any claim made or threatened by any person, other than a governmental agency, against the Borrower arising out of or resulting from any Hazardous Substance being present or released in, on or around any part of the Premises, any Improvements constructed on the Premises or the soil, groundwater or soil vapor on or under the Premises (any of the matters described in clauses (i) and (ii) above a "Hazardous Substances Claim").

(e) The Bondholder, and its respective officers, employees, directors, agents, parent, subsidiary, affiliates, assignees, and any purchasers of the Premises at any foreclosure sale with respect to the Mortgage (each individually, an "Indemnified Party," and all collectively, the "Indemnified Parties"), have the right at any reasonable time and upon notice to the Borrower to enter and visit the Premises for the purposes of observing the Premises, taking and removing soil or groundwater samples and conducting tests on any part of the Premises. The Indemnified Parties have no duty, however, to visit or observe the Premises or to conduct tests, and no site visit, observation or testing by any Indemnified Party imposes any liability on any Indemnified Party. In no event will any site visit, observation or testing by any Indemnified Party be a representation that Hazardous Substances are or are not present in, on or under the Premises, or that there has been or will be compliance with any law, regulation or ordinance pertaining to Hazardous Substances or any other applicable governmental law. Neither the Borrower nor any other party is entitled to rely on any site visit, observation or testing by any Indemnified Party. The Borrower waives to the fullest extent permitted by law any such duty of care on the part of the Indemnified Parties or any other party to protect the Borrower or inform the Borrower or any other party of any Hazardous Substances or any other adverse condition affecting the Premises. Any Indemnified Party will give the Borrower reasonable notice before entering the Premises. The Indemnified Party will make reasonable efforts to avoid interfering with the Borrower's use

of the Premises in exercising any rights provided in this Section. The Borrower must pay all reasonable costs and expenses incurred by an Indemnified Party in connection with any inspection or testing conducted in accordance with this subsection if the same are performed as a result of any violation or potential violation, as determined in Bondholder's reasonable discretion, of Environmental Laws. The results of all investigations conducted and/or reports prepared by or for any Indemnified Party must at all times remain the property of the Indemnified Party, and under no circumstances will any Indemnified Party have any obligation whatsoever to disclose or otherwise make available to the Borrower or any other party the results or any other information obtained by any of them in connection with the investigations and reports. Notwithstanding the foregoing, the Indemnified Parties hereby reserve the right, and the Borrower hereby expressly authorizes any Indemnified Party, to make available to any party (including any governmental agency or authority and any prospective bidder at any foreclosure sale of the Premises with respect to the Mortgage) any and all reports, whether prepared by any Indemnified Party or prepared by the Borrower and provided to any Indemnified Party (collectively, "Environmental Reports") that any Indemnified Party may have with respect to the Premises. The Borrower consents to the Indemnified Parties' notifying any party (either as part of a notice of sale or otherwise) of the availability of any or all of the Environmental Reports and the information contained therein. The Borrower acknowledges that the Indemnified Parties cannot control or otherwise assure the truthfulness or accuracy of the Environmental Reports and that the release of the Environmental Reports, or any information contained therein, to prospective bidders at any foreclosure sale of the Premises with respect to the Mortgage may have a material and adverse effect upon the amount that a party may bid at such sale. The Borrower agrees that the Indemnified Parties have no liability whatsoever as a result of delivering any or all of the Environmental Reports or any information contained therein to any third party, and the Borrower hereby releases and forever discharges the Indemnified Parties from any and all claims, damages, or causes of action, arising out of, connected with or incidental to the Environmental Reports or the delivery thereof.

(f) The Borrower must promptly undertake any and all remedial work ("Remedial Work") in response to Hazardous Substances Claims to the extent required by governmental agency or agencies involved or as recommended by prudent business practices, if such standard requires a higher degree of remediation, and in all events to minimize any impairment to the Bondholder's security under the Borrower Collateral Documents. All Remedial Work must be conducted (i) in a diligent and timely fashion by licensed contractors acting under the supervision of a consulting environmental engineer, (ii) pursuant to a detailed written plan for the Remedial Work approved by all public or private agencies or persons with a legal or contractual right to such approval, (iii) with insurance coverage pertaining to liabilities arising out of the Remedial Work as is then customarily maintained with respect to such activities, and (iv) only following receipt of any required permits, licenses or approvals. The selection of the Remedial Work contractors and consulting environmental engineer, the contracts entered into with such parties, any disclosures to or agreements with any public or private agencies or parties relating to Remedial Work and the written plan for the Remedial Work (and any changes thereto) at the Bondholder's option, is subject to the Bondholder's prior written approval, which may not be unreasonably withheld or delayed.

(g) The obligations and rights of the parties under this Section 7.8 are secured by the Mortgage until the first to occur of full, final and indefeasible repayment of the Liabilities

or the transfer of title to all or any part of the Premises at a foreclosure sale under the Mortgage or by deed in lieu of such foreclosure (any of the foregoing transfers being referred to as a "Foreclosure Transfer"). The parties' obligations and rights under this Section 7.8 continue in full force and effect after the full and final payment of the Liabilities or a Foreclosure Transfer, as the case may be, but (i) in the case of a full and final payment of the Liabilities, the Borrower's obligations under this Section 7.8 are thereafter limited to the indemnification obligations of subsections (h) and (i) below as to Indemnified Costs (as defined below) arising out of or as a result of events prior to the full and final payment of the Liabilities, and (ii) in the case of a Foreclosure Transfer, the obligations do not include the obligation to reimburse any Indemnified Party for diminution in value of the Premises resulting from the presence of Hazardous Substances on the Premises before the date of the Foreclosure Transfer if, and to the extent that, the Indemnified Party recovers on a deficiency judgment including compensation for such diminution in value; provided, however, that nothing in this sentence impairs or limits an Indemnified Party's right to obtain a judgment in accordance with applicable law for any deficiency in recovery of all obligations that are secured by the Mortgage, subject to the provisions of Section 14.1 hereof. As used in this Section 7.8, the term "Indemnified Costs" means all actual or threatened liabilities, claims, actions, causes of action, judgments, orders, damages (including foreseeable and unforeseeable consequential damages), costs, expenses, fines, penalties and losses incurred in connection with Hazardous Substances on the Property (including sums paid in settlement of claims and all consultant, expert and reasonable legal fees and expenses of the Bondholder's counsel), including those incurred in connection with any investigation of site conditions or any clean-up, remedial, removal or restoration work (whether of the Premises or any other property), or any resulting damages, harm or injuries to the person or property of any third parties or to any natural resources.

(h) Unless due to the gross negligence or intentional misconduct of the Indemnified Parties, the Borrower shall indemnify, defend and hold the Indemnified Parties harmless for, from and against any and all Indemnified Costs directly or indirectly arising out of or resulting from any Hazardous Substance being present or released in, on or around any part of the Premises, or in the soil, groundwater or soil vapor on or under the Premises, including: (i) any claim for such Indemnified Costs asserted against any Indemnified Party by any federal, state or local governmental agency, including the United States Environmental Protection Agency and the Illinois Environmental Protection Agency, and including any claim that any Indemnified Party is liable for any such Indemnified Costs as an "owner" or "operator" of the Premises under any law relating to Hazardous Substances; (ii) any claim for such Indemnified Costs asserted against any Indemnified Party by any person other than a governmental agency, including (1) any person who may purchase or lease all or any portion of the Premises from the Borrower, from any Indemnified Party or from any other purchaser or lessee, (2) any person who may at any time have any interest in all or any portion of the Premises, (3) any person who may at any time be responsible for any clean-up costs or other Indemnified Costs relating to the Premises, and (4) any person claiming to have been injured in any way as a result of exposure to any Hazardous Substance; (iii) any Indemnified Costs incurred by any Indemnified Party in the exercise by the Indemnified Party of its rights and remedies under this Section 7.8; and (iv) any Indemnified Costs incurred by any Indemnified Party as a result of currently existing conditions in, on or around the Premises, whether known or unknown by the Borrower or the Indemnified Parties at the time this Agreement is executed, or attributable to the acts or omissions of the

Borrower, any of the Borrower's tenants, or any other person in, on or around the Premises with the consent or under the direction of the Borrower.

(i) Unless due to the gross negligence or intentional misconduct of the Indemnified Parties, upon demand by any Indemnified Party, the Borrower must defend any investigation, action or proceeding involving any Indemnified Costs that is brought or commenced against any Indemnified Party, whether alone or together with the Borrower or any other person, all at the Borrower's own cost and by counsel approved by the Indemnified Party. In the alternative, any Indemnified Party may elect to conduct its own defense at the Borrower's expense.

(j) In addition to any other rights or remedies the Bondholder may have under this Agreement, at law or in equity, upon the occurrence of an Event of Default under this Agreement, the Bondholder may do or cause to be done whatever is necessary to cause the Premises to comply with any and all laws, regulations and ordinances governing or applicable to Hazardous Substances, and any other applicable law, rule, regulation, order or agreement, and the cost thereof will become immediately due and payable upon demand by the Bondholder, and if not paid when due will accrue interest at the default rate set forth in the Bonds, until paid. The Borrower hereby acknowledges and agrees that any amounts realized by the Bondholder by reason of the following may be applied to pay the Liabilities prior to being applied to pay the Borrower's obligations to reimburse the Bondholder for costs and expenses, including those incurred by the Bondholder in enforcing its rights and remedies under the provisions of this Section 7.8: (i) any payments made pursuant to the Bonds or any of the Borrower Collateral Documents (other than payments made to the Bondholder for reimbursement of costs and expenses or for enforcement of its rights and remedies, under the provisions of this Section 7.8); (ii) any foreclosure of the Mortgage or the other documents evidencing or securing the Liabilities (including any amounts realized by reason of any credit bid in connection with any such foreclosure); (iii) any conveyance in lieu of foreclosure; (iv) any other realization upon any security for the Liabilities; (v) any recoveries against the Borrower personally (except for recoveries against the Borrower for reimbursement of costs and expenses or enforcement of the Bondholder's rights and remedies under this Section 7.8); and (vi) any recoveries against any person or entity other than the Borrower (including any guarantor) to the maximum extent permitted by applicable law.

(k) To the extent any provision of this Section 7.8 conflicts with or provides lesser protection to the Bondholder than that provided by the Environmental Indemnity Agreement, the provisions of the Environmental Indemnity Agreement shall control.

Section 7.9. Insurance. The Borrower shall at all times maintain insurance with respect to the Project as is set forth in the Mortgage.

Section 7.10. Project Budget. All Costs of the Project shall be identified by line item in the Development Cost Budget approved in writing by the Bondholder, the Bondholder's purchase of the Bond to constitute evidence that the Bondholder has approved the initial Development Cost Budget. The initial Development Cost Budget shall have a hard cost contingency line item in the minimum amount of ten percent (10%) of the hard cost amount (exclusive of profit and overhead) of the approved contract for construction of the Project

between the Borrower and a general contractor approved by the Bondholder. The initial Development Cost Budget, once so approved by the Bondholder shall not be modified or amended without the prior written approval of the Bondholder; provided, that individual line item changes in an amount not individually in excess of \$25,000 and in the aggregate not in excess of \$100,000 may be made without Bondholder approval, provided that the entire budget is "in balance" as provided in Section 7.12.

Section 7.11. Completion of Construction.

(a) The Borrower shall commence construction of the Project during or before the Closing Date, and Complete all improvements comprising the Project during or before [25 months after Closing].

(b) For purposes of this Section, the Project shall be deemed "Complete" when (a) the Project has been substantially completed in accordance with the approved Plans and Specifications therefor and all applicable laws and ordinances, as evidenced by a certification of the Borrower's design architect; (b) final lien waivers from the Borrower's General Contractor and any other contractors providing materials and labor in connection with the Project have been obtained, or the Borrower shall have deposited with the Bondholder such surety bond, cash or other security satisfactory to the Bondholder in its sole discretion to secure the payment of any unpaid claims; (c) a final certificate of occupancy (or its functional equivalent) has been issued by the City of Chicago Department of Buildings with respect to the Project; and (d) all buildings in the Project have been "placed in service" pursuant to the requirements of Section 42 of the Internal Revenue Code.

Section 7.12. Balancing. The Borrower shall maintain the sources and uses of funds for the Project "in balance." The Project is "in balance" whenever the amount of the undisbursed funds (the "Undisbursed Funds") considering all financing sources that are, in the Bondholder's reasonable judgment, available for disbursement to pay Costs of the Project are sufficient, in the Bondholder's reasonable judgment, to pay all budgeted and unpaid Costs of the Project through completion of the Project, except for developer fees. The Project is "out of balance" if and when the Bondholder in its reasonable judgment determines that the Undisbursed Funds for the Project are insufficient to pay for all Costs of the Project.

Section 7.13. Change Orders. The Borrower must obtain the Bondholder's prior written approval of any change in any work or materials for the Project (whether positive or negative) exceeding \$25,000 in amount. Also, the Borrower must obtain the Bondholder's prior written approval for any change in any work or materials if the aggregate amount of all changes (whether positive or negative) with respect to the Project will then exceed \$100,000.

Section 7.14. Covenant Against Liens. The Borrower must pay or otherwise discharge promptly all claims and liens for labor done and materials and services furnished in connection with the construction of the Project. The Borrower has the right to contest in good faith any claim or lien, provided that it does so diligently and without prejudice to the Bondholder or delay in completing the Project by the Completion Date. Promptly upon the Bondholder's request, the Borrower must provide a bond, cash deposit or other security satisfactory to the Bondholder in the exercise of its reasonable judgment.

Section 7.15. Financial Statements. Within 120 days after the end of its fiscal year, the Borrower must deliver annual audited balance sheets and income statements to the Bondholder for itself and, until construction of the Project is Complete, of the Guarantors, together with a statement showing all changes in the financial condition of any such parties or of the Project occurring during the preceding fiscal year. Also, the Borrower must deliver promptly to the Bondholder (a) monthly certified rent rolls for the Project commencing the first month after the date that construction of the Project is Complete through the Conversion Date, and (b) from and after the Conversion Date, quarterly balance sheets, operating statements and certified rent rolls for the Project within thirty (30) days after each fiscal quarter. The Borrower must also deliver copies of all federal income tax returns (including all Schedule K-1s and any information returns) filed by the Borrower and, until construction of the Project is Complete, the Guarantors within thirty (30) days after the filing of each such income tax or information return.

Section 7.16. Notices. The Borrower must notify the Bondholder promptly in writing of: (a) any litigation affecting the Borrower, the Manager Member, the Guarantors or the Developer, the defense of which has not been tendered to and accepted by the Borrower's insurance carrier; (b) any written or oral communication the Borrower receives from any governmental, judicial or legal authority giving notice of any claim or assertion that the Premises or the Project fails in any material respect to comply with any of any applicable law, ordinance, rule, regulation or other governmental requirements; (c) any material adverse change in the physical condition of the Project (including any damage suffered as a result of earthquakes or floods); (d) any material adverse change in financial condition or operations of the Borrower, the Manager Member or the Developer; (e) any change in the ownership or control of the Borrower or any of its members; or (f) any default by the Borrower's General Contractor or any subcontractor or material supplier for the Project.

Section 7.17. Zoning Amendments, Subdivisions, etc. The Borrower will not, without the prior written consent of the Bondholder, suffer or cause any change in zoning relating to the Premises or permit any vacation of any existing public street or alley serving the Premises or dedicate any portion of the Premises or convert any portion of the Project to condominium or cooperative ownership.

Section 7.18. Signage. Until the Project is Complete, the Borrower shall permit the Bondholder to display signage in cooperation with other Project funders in a highly visible location on the Project site.

## ARTICLE VIII

### COVENANTS OF THE ISSUER

Until the payment in full of the Bonds and the Borrower Note, and until all Liabilities are indefeasibly satisfied in full, the Issuer covenants and agrees that each of the covenants, undertakings and agreements set forth in this Section shall be complied with.

Section 8.1. Payment of Principal and Interest. The Issuer shall promptly pay the principal of and interest on the Bonds at the place, on the dates and in the manner provided in the Bond Issuance Agreement and the Bonds according to the true intent and meaning thereof;

provided, however, that the Bonds shall be a special, limited obligation of the Issuer payable as to principal and interest solely from the Revenues as provided in Section 2.08 of the Bond Issuance Agreement.

Section 8.2. Borrower Note. The Issuer shall not thwart the efforts of the Borrower or the Bondholder to defend (and, upon the written request of the Bondholder, shall assist in such defense if such assistance is necessary to adequately defend the rights of the Bondholder thereunder at no cost to the Issuer) the title to the Borrower Note against all claims and demands of all Persons whomsoever, and hereby authorizes the Borrower and the Bondholder to defend, on behalf of the Issuer, all such claims and demands.

Section 8.3. Further Assurances. The Issuer shall execute, acknowledge and deliver each and every further act, deed, conveyance, transfer and assurance reasonably necessary or proper for the better assuring of the pledge and assignment to the Bondholder of this Loan Agreement, the Borrower Note and the Security for the Bonds. The Borrower agrees to pay all expenses incurred by the Issuer in connection with the performance by the Issuer of its agreements under this Section 8.3.

Section 8.4. Arbitrage. The Issuer shall not take any action within its control, or fail to take any action of which it has knowledge, with respect to the investment of the proceeds of the Bonds, including, without limitation, moneys on deposit in any Fund or Account in connection with the Bonds, whether or not such moneys were derived from the proceeds of the sale of the Bonds or from any other source, or with respect to the payments derived from the Borrower Note, which may result in constituting the Bonds "arbitrage bonds" within the meaning of Section 148 of the Code and the Regulations. The Issuer further covenants to create a rebate fund upon direction by the Borrower to facilitate the payment of any rebatable arbitrage that may arise.

Section 8.5. Recordation and Other Instruments. As provided in Section 6.04 of the Bond Issuance Agreement, in order to perfect the security interest of the Bondholder in the Security for the Bonds, the Issuer, to the extent permitted by law, will execute such assignments, security agreements or financing statements, naming the Bondholder as assignee and pledgee of the Security for the Bonds assigned and pledged under the Bond Issuance Agreement for the payment of the principal of and interest on the Bonds and as otherwise provided herein, as the Bondholder shall reasonably request in writing, and the Borrower will cause the same to be duly filed and recorded, as the case may be, in the appropriate state and county offices as required by the provisions of the Uniform Commercial Code or other similar law as adopted in Illinois, as from time to time amended. The Issuer, to the extent permitted by law, at the expense of the Borrower, shall execute and cause to be executed any and all further instruments as shall be reasonably requested in writing by the Bondholder for such protection and perfection of the interests of the Bondholder, and the Issuer or its agent shall, upon written direction from the Bondholder, file and refile or cause to be filed and refiled such instruments as shall be necessary to preserve and perfect the lien of the Bond Issuance Agreement upon the Security for the Bonds until the principal of and interest on the Bonds issued hereunder shall have been paid or provision for payment shall be made as herein provided.

Section 8.6. Assignment of Issuer's Rights. As security for the payment of the Bonds, the Issuer shall assign and pledge this Loan Agreement (except for Issuer Reserved Rights), the Borrower Note and the Security for the Bonds to the Bondholder. The Bondholder and the Borrower hereby agree to such assignment, and the Borrower agrees that it shall make payments directly to the Bondholder as herein provided, without any defense or rights of set-off whatsoever.

## ARTICLE IX

### CONSTRUCTION OF PROJECT; ISSUANCE OF BONDS

Section 9.1. Agreement to Complete Project; Application of Bond Proceeds. The Borrower shall apply the proceeds of the Bonds to the acquisition, construction and renovation of the Project as described in **Exhibit B** attached hereto. The Borrower acknowledges and agrees that the disbursement of proceeds of the Bonds shall be made in the order and pursuant to the terms of the Construction Escrow Agreement. The Borrower agrees that the acquisition, construction and renovation of the Project will at all times proceed with due diligence to completion.

Section 9.2. Agreement to Issue the Bonds. (a) In order to provide funds to make the Loan to the Borrower to pay a portion of the Costs of the Project and related expenses, but subject to the terms and conditions contained in the Bond Issuance Agreement, the Issuer agrees that it will issue, sell and cause to be delivered to the Bondholder the Bonds in the principal amount of up to \$[Principal], bearing interest and maturing as set forth in the Bond Issuance Agreement. The Issuer will deposit, or cause to be deposited, the proceeds of the Bonds advanced by the Bondholder pursuant to the Bond Issuance Agreement with the Fiscal Agent for deposit in the Construction Fund in accordance with Article IV of the Bond Issuance Agreement (except for that portion of each advance of Bond proceeds, if any, deposited in the Capitalized Interest Account, as provided therein).

(b) Notwithstanding any other provision herein to the contrary, the maximum principal amount of Bond proceeds which are advanced (and thus the maximum principal amount of Loan proceeds which are disbursed) shall not exceed the sum of (i) 85% of the equity contributions scheduled to be contributed by the Investor Member of the Borrower under the Operating Agreement, (ii) 80% of the appraised value of the Project as completed (as set forth in the appraisal prepared for the Bondholder prior to the Closing Date), and (iii) the amount on deposit from time to time in the Cash Collateral Fund.

Section 9.3. Disbursements from the Construction Fund. Upon receipt by the Fiscal Agent of the proceeds from the sale of the Bonds as advanced by the Bondholder, the Fiscal Agent will, subject to the prior written approval of the Bondholder, disburse moneys in the Construction Fund to or on behalf of the Borrower for the following purposes, to the extent included in the related Development Cost Budget or otherwise approved by Bondholder:

(a) Payment of the initial or acceptance fee of the Fiscal Agent (if any), the fees and expenses for recording or filing any required documents or instruments by which the revenues and receipts to be derived by the Issuer pursuant to this Loan Agreement, the related

Borrower Note and the Security for the Bonds are assigned and pledged as security for the related Bonds, and the fees and expenses for recording or filing any financing statements and any other documents or instruments that either the Borrower or counsel to the Issuer may deem desirable to file or record.

(b) Payment to the Borrower of such amounts as shall be necessary to reimburse the Borrower (or for the Borrower to reimburse the Developer, if applicable) in full for all advances and payments made or costs that have been or will be incurred prior to or after the delivery of the Bonds for expenditures in connection with the preparation of Plans and Specifications (including any preliminary study or planning of the Project or any aspect thereof), the acquisition, construction and renovation of the Project and the acquisition and installation necessary to provide utility services and all real or personal properties deemed necessary in connection with the Project.

(c) Payment or reimbursement to the Borrower of all financial, legal and accounting fees and expenses (including all expenses incurred in connection with the placement of the Bonds) incurred in connection with the authorization, sale and issuance of the Bonds, the preparation of the Bond Issuance Agreement, this Loan Agreement, the Security for the Bonds, the Borrower Documents, the Issuer Documents and all other documents in connection therewith.

(d) Payment or reimbursement for labor, services, materials and supplies used or furnished on site improvements and in the acquisition, construction and renovation of the Project as provided in **Exhibit B** hereto, payment for the cost of the acquisition and installation of utility services or other facilities, and the acquisition and installation of all real and personal property deemed necessary in connection with the Project and payment for the miscellaneous capitalized expenditures incidental to any of the foregoing items.

(e) Payment or reimbursement of the fees if any, for architectural, engineering, legal, investment banking and supervisory services with respect to the Project, and of any costs incurred to obtain the General Contractor's payment and performance bond, and of any fees payable to the Issuer or the Bondholder, or the Issuer's or the Bondholder's counsel, or to the Investor Member in connection with the financing of the Project.

Each of the payments referred to in this Section 9.3, other than those payments referred to in subsection (h) above, shall be made upon receipt by the Fiscal Agent of the documents and showings specified in Section 9.5 hereof.

Notwithstanding any other provision hereof or of the Bond Issuance Agreement, in the event the moneys in the Construction Fund and the Construction Escrow, together with the balance of monies that are available through the Additional Funding Sources, for payment of the Costs of the Project should not, in the Bondholder's reasonable judgment, be sufficient to pay the costs thereof in full, the Borrower agrees within ten (10) days after receipt of written notice thereof from the Bondholder to pay directly, or to deposit in the Construction Fund (or in the Construction Escrow) moneys sufficient to pay, the costs of completing the Project as may be in excess of the moneys available therefor in the Construction Fund and the Construction Escrow and from the Additional Funding Sources. NEITHER THE ISSUER NOR THE BONDHOLDER MAKES ANY WARRANTY, EITHER EXPRESS OR IMPLIED, THAT THE MONEYS THAT WILL BE PAID INTO THE CONSTRUCTION FUND, AND THAT, UNDER THE PROVISIONS OF THIS LOAN AGREEMENT, WILL BE AVAILABLE FOR PAYMENT OF THE COSTS OF THE PROJECT RELATING TO THE PROJECT, WILL BE SUFFICIENT TO PAY ALL THE COSTS THAT WILL BE INCURRED IN THAT CONNECTION. The Borrower agrees that if it should pay or should deposit moneys in the Construction Fund or Construction Escrow for payment of any portion of the Costs of the Project pursuant to the provisions of this Section 9.3, it shall not be entitled to any reimbursement therefor from the Issuer, the Fiscal Agent or the Bondholder, nor shall it be entitled to any diminution of the amounts payable under the Borrower Note or hereunder. The Borrower hereby pledges, sets over and transfers to the Issuer and hereby grants to the Issuer a security interest and right of setoff in all rights to the proceeds in the escrow account, if any, created pursuant to Section 9.4 of this Loan Agreement.

All proceeds of the Bonds remaining in the Construction Fund or in the Construction Escrow after the Project is Complete, and after payment or provision for payment of all other items provided for in subsections (a) to (h), inclusive, of this Section 9.3, shall be used in accordance with Section 9.4 hereof.

Section 9.4. Completion of the Project. (a) Any proceeds of the Bonds (including investment proceeds) remaining in the Construction Fund or in the Construction Escrow on the date the Project is Completed and not set aside for the payment of Costs of the Project not then due and payable shall on such date be transferred to, if applicable, and placed by the Fiscal Agent in a separate escrow account and used to pay the outstanding principal balance of the Borrower Note and the corresponding redemption of the Bonds at the earliest possible redemption date, provided that, until used for such purpose, moneys on deposit in such escrow account may be invested as provided in Section 9.6 hereof, but may not be invested to produce a yield on such moneys (computed from the date the Project was completed and taking into account any investment of moneys during the period from the date the Project was Completed until such moneys were deposited in such escrow account) greater than the yield on the Bonds, all as such terms are used in and determined in accordance with Section 148(a) of the Code and the Regulations. On or after the Conversion Date, if a payment in excess of \$10,000 is made by the Fiscal Agent in accordance with this Section 9.4, the Bondholder shall recalculate the amortizing payments under the Loan based on the reduced outstanding principal, and the

monthly payments of principal plus interest owed by Borrower through the term of the Loan shall be reduced accordingly.

(b) No Person not a party hereto shall have any rights to the money or other funds or assets from time to time in the Construction Fund or the escrow accounts referred to in this Section 9.4 or Section 4.02 of the Bond Issuance Agreement.

Section 9.5. Disbursements. Except for Bond proceeds used to pay interest on the Bonds (for which no disbursement request shall be required), Bond proceeds shall be disbursed by the Bondholder to the Fiscal Agent for deposit in the Construction Fund upon written request, substantially in the form of Exhibit C hereto, signed by the Borrower and the Bondholder. Except to the extent that the disbursement pertains to costs of issuance of the Bonds, amounts disbursed from the Construction Fund shall be disbursed to the escrow agent under the Construction Escrow Agreement for further disbursement as provided therein. To the extent the disbursement pertains to the CHA Collateral Portion of the Bonds, the consent of the CHA to such disbursement shall be required as provided in the CHA Loan Agreement and the Construction Escrow Agreement. The Bondholder's disbursement of funds to the Fiscal Agent for deposit in the Construction Fund, shall be subject to the satisfaction of the conditions set forth in Articles X and XI hereof.

Immediately following a disbursement, the Borrower covenants that written notice of the amount and date of the disbursement shall be provided to the Issuer. Such notice may be provided by an email sent to such address as the Issuer may have designated to be used for such purposes in a prior notice to the Borrower.

Section 9.6. Investment of Moneys. (a) Any moneys held as part of the Construction Fund, or the escrow accounts specified in Section 9.4 hereof, or as part of any other Fund or Account in the possession or control of the Fiscal Agent, while acting as such under the Bond Issuance Agreement, and any other moneys subject to the requirements of Section 148(a) of the Code, including any moneys that at any time shall constitute "gross proceeds" of the Bonds within the meaning of the Regulations, shall be invested, to the extent permitted by law, only in Eligible Investments.

(b) All such investments of moneys held by the Fiscal Agent as a part of the Construction Fund or the escrow accounts specified in Section 9.4 hereof or any other Fund or Account shall be made by the Fiscal Agent at the direction of the Borrower (which direction shall be either in writing or given orally and confirmed in writing). The approval of the Issuer shall not be required prior to the making of any such investment, but the Issuer reserves the right (which right is subject to assignment as set forth in Section 4.2 hereof) to disapprove in its reasonable discretion any investments or proposed investments of which it has notice. If no direction is given by the Borrower, the Issuer may direct (which right is subject to assignment as set forth in Section 4.2 hereof) the Fiscal Agent to invest in any of the Eligible Investments, and, if no direction is given, the Fiscal Agent or any affiliate thereof shall invest in no-load, open-end money market mutual funds (including those of the Fiscal Agent and its affiliates) registered under the Investment Company Act of 1940, provided that the portfolios of such funds are limited to Government Obligations and each such fund has been assigned a rating by each Rating Agency of "AAA" or "Aaa," as applicable.

(c) The Fiscal Agent may make any and all such investments through its own investment department or that of an affiliate. The investments so purchased shall be held by the Fiscal Agent and shall be deemed at all times a part of the Fund, Account or Subaccount for which the investment was made, and the interest accruing thereon and any profit realized therefrom shall be credited to such Fund, Account or Subaccount, as the case may be, and any net losses resulting from such investment shall be charged to such Fund, Account or Subaccount, as the case may be. The Fiscal Agent shall be entitled to rely conclusively on all written investment instructions provided by the Borrower pursuant to this Section 9.6, and the Fiscal Agent shall have no responsibility or liability for any depreciation in the value of any investment or for any loss, direct or indirect, resulting from any investment made in accordance with such direction and written confirmation from the Borrower specified in this Section 9.6.

(d) Notwithstanding the foregoing, moneys advanced by the Bondholder and deposited in the Construction Fund shall be immediately disbursed to the title company under the Construction Escrow Agreement for deposit in the Construction Escrow thereunder, and shall not be invested by the Fiscal Agent.

Section 9.7. Arbitrage Covenant. The Borrower covenants with the Bondholder and the Issuer that, as long as any of the payment obligations hereunder remain unpaid, moneys on deposit in any Fund, Account or Subaccount in connection with the Bonds, whether or not such moneys were derived from the proceeds of the sale of the Bonds or from any other source, will not be used or invested at the Borrower's direction in a manner that will cause the Bonds to be "arbitrage bonds" within the meaning of Section 148(a) of the Code and the Regulations.

(i) there shall be entered against the Borrower one or more judgments or decrees in excess of \$100,000 in the aggregate at any one time outstanding for the Borrower, excluding those judgments or decrees (i) that shall have been stayed, vacated or bonded, (ii) for and to the extent to which the Borrower is insured and with respect to which the insurer specifically has assumed responsibility in writing, or (iii) for and to the extent to which the Borrower is otherwise indemnified if the terms of such indemnification are satisfactory to the Issuer and the Bondholder; or

(j) a material default or material event of default shall occur under any of the documents evidencing, securing or executed in connection with, any loan made by any Additional Funding Source with respect to the Project, including, without limitation, any promissory notes, mortgages or agreements containing covenants, conditions and restrictions, which default is not cured before the lapse of any applicable cure period; or

(k) a default or event of default shall occur under the Operating Agreement, the effect of which is to materially delay payment of an Investor Member capital contribution, which delay will have a material adverse effect on the Project, which default is not cured before the lapse of any applicable cure period.

Notwithstanding anything to the contrary herein, the Bondholder hereby agrees that any cure of any default by the Borrower made or tendered by one or more of the Borrower's members (including, without limitation, the Investor Member) shall be deemed a cure by the Borrower and shall be accepted or rejected on the same basis as if made or tendered by the Borrower. Additionally, Bondholder agrees to standstill on its remedies discussed in Section 12.2 if and to the extent the Bondholder has not given at least fifteen (15) days' written notice to the Investor Member of the occurrence of an Event of Default.

Section 12.2. Remedies on Default. If any one or more of the foregoing Events of Default shall occur, then the Bondholder (as assignee of the Issuer pursuant to the Bond Issuance Agreement) shall have the right, but not the obligation, and without notice, to exercise any one or more of the following rights and remedies, at any time and from time to time, singularly, successively or collectively, and in such order and when and as often as may from time to time be determined:

(a) The Bondholder may exercise any right, power or remedy permitted to it by law as a holder of the Borrower Note, including the right to declare the entire principal of and all unpaid interest accrued on the Borrower Note to be, and upon written notice to the Borrower (with a copy to the Issuer) of such declaration such Borrower Note and the unpaid accrued

interest thereon shall become, due and payable, without presentment, demand or protest, all of which are hereby expressly waived. The Borrower shall forthwith pay to the Bondholder the entire principal of and interest accrued on the Borrower Note. There shall be automatically waived, rescinded and annulled such declaration of acceleration of the Borrower Note and the consequences thereof when any declaration of acceleration of the Bonds pursuant to Section 7.02 of the Bond Issuance Agreement has been waived, rescinded and annulled.

(b) The Bondholder may take whatever action at law or in equity that may appear necessary or desirable to collect the payments and other amounts then due and thereafter to become due, or to enforce performance and observance of any obligation, agreement or covenant of the Borrower under this Loan Agreement or the other Borrower Collateral Documents.

(c) The Bondholder may direct the Fiscal Agent to withhold further disbursements of proceeds made available to the Borrower hereunder.

If the Bondholder shall have proceeded to enforce its rights under this Loan Agreement, the Borrower Note, the Borrower Collateral Documents or the Security for the Bonds, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely to the Bondholder, then and in every such case the Borrower, the Issuer and the Bondholder shall be restored, respectively, to their several positions and rights hereunder and thereunder, and all rights, remedies and powers of the Borrower, the Issuer and the Bondholder shall continue as though no such proceeding had been taken.

If there shall be pending proceedings for the bankruptcy or for the reorganization of the Borrower under the federal bankruptcy laws or any other applicable law, or in case a custodian, receiver or trustee shall have been appointed for any of the Property of the Borrower, or in the case of any other similar judicial proceedings relative to the Borrower, or to the creditors or Property of the Borrower, the Issuer and the Bondholder shall be entitled and empowered, by intervention in such proceedings or otherwise, to file and prove a claim or claims for the whole amount owing and unpaid pursuant to the Borrower Note and this Loan Agreement, and, in case of any judicial proceedings, to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Issuer and the Bondholder allowed in such judicial proceedings relative to the Borrower, its creditors or its Property, and to collect and receive any moneys or other property payable or deliverable on such claims, and to distribute the same after the deduction of its charges and expenses; and any custodian, receiver, assignee or trustee in bankruptcy or reorganization is hereby authorized to make such payments to the Issuer and the Bondholder, and to pay to the Issuer and the Bondholder any amount due it for compensation and expenses, including attorneys' and paralegals' fees, costs, disbursements and expenses incurred by it up to the date of such distribution.

Section 12.3. Right to Perform Covenants; Advances. Notwithstanding anything to the contrary contained herein, if the Borrower shall fail to make any payment or perform any act required to be made or performed by it hereunder, then and in each such case the Issuer or the Bondholder, upon not less than 15 days' prior written notice to the Borrower, may (but shall not be obligated to) remedy such failure for the account of the Borrower, and make advances for that purpose. If such failure involves, has caused or threatens to cause a condition that must, in the

opinion of the Issuer or the Bondholder, be cured immediately, the Issuer or the Bondholder may remedy such failure without prior notice to the Borrower. No such performance or advance shall operate to release the Borrower from any such default and any sums so advanced shall be repayable by the Borrower on demand, and shall bear interest at the Past Due Rate. The Issuer agrees that the Bondholder, in its name or in the name of the Issuer, may enforce all rights of the Issuer and all obligations of the Borrower under and pursuant to this Loan Agreement, and the Issuer will not enforce such rights and obligations itself except at the written direction of the Bondholder, in each case whether or not the Issuer is in Default under the Bond Issuance Agreement; provided, however, that the Issuer hereby reserves to itself the right to enforce all Issuer Reserved Rights.

Section 12.4. Costs and Expenses.

(a) The Borrower agrees to pay on demand all of the reasonable out-of-pocket costs and expenses of the Issuer (including the reasonable fees and out-of-pocket expenses of the Issuer's counsel, Bond Counsel, the Bondholder's counsel and local counsel, if any, who may be retained by said counsel) in connection with the preparation, negotiation, execution, delivery and administration of this Loan Agreement, the Borrower Note, the Borrower Collateral Documents or the Security for the Bonds and all other agreements, certificates, instruments or documents provided for herein or delivered or to be delivered hereunder or in connection herewith (including all amendments, supplements, modifications, restatements and waivers executed and delivered pursuant hereto or in connection herewith). The Borrower further agrees that the Issuer, in its sole discretion, may deduct all such unpaid amounts from the aggregate proceeds of the Borrower Note.

(b) The costs, fees, disbursements and expenses that the Issuer incurs with respect to the following shall be part of the Liabilities, payable by the Borrower on demand if, at any time after the date of this Loan Agreement, the Issuer: (i) employs counsel for advice or other representation (A) with respect to the amendment or enforcement of this Loan Agreement, the Borrower Note, the Borrower Collateral Documents or the Security for the Bonds, (B) to represent the Issuer in any work-out or any type of restructuring of the Borrower Note or the Bonds, or any litigation, contest, dispute, suit or proceeding or to commence, defend or intervene or to take any other action in or with respect to any litigation, contest, dispute, suit or proceeding (whether instituted by the Issuer, the Bondholder, the Borrower or any other Person) in any way or respect relating to this Loan Agreement, the Borrower Note, the Borrower Collateral Documents, the Security for the Bonds or the Borrower's affairs, or any collateral securing the Liabilities hereunder, or (C) to enforce any of the rights of the Issuer with respect to the Borrower; and/or (ii) seeks to enforce or enforces any of the rights and remedies of the Issuer with respect to the Borrower. Without limiting the generality of the foregoing, such expenses, costs, charges, disbursements and fees include: fees, costs, disbursements and expenses of attorneys, accountants and consultants; court costs and expenses; court reporter fees, costs and expenses; long distance telephone charges; and telegram and facsimile charges.

(c) The Borrower agrees to pay on demand, and to save and hold the Issuer harmless from all liability for, any stamp or other taxes that may be payable in connection with or related to the execution or delivery of this Loan Agreement, the Borrower Note, the Borrower Collateral Documents, the Security for the Bonds, the Bonds or of any other agreements,

certificates, instruments or documents provided for herein or delivered or to be delivered hereunder or in connection herewith.

(d) All of the Borrower's obligations provided for in this Section 12.4 shall be Liabilities and shall survive repayment of the Bonds and the Borrower Note, cancellation of the Bonds and the Borrower Note, or any termination of this Loan Agreement or any related document.

Section 12.5. Exercise of Remedies. No remedy herein conferred upon or reserved to the Issuer or the Bondholder is intended to be exclusive of any other available remedy, but each and every such remedy shall be cumulative and in addition to every other remedy given under this Loan Agreement, the Borrower Note, the Borrower Collateral Documents, if any, or the Security for the Bonds, or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any Event of Default hereunder shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Issuer or the Bondholder to exercise any remedy reserved to it in this Article XII, it shall not be necessary to give any notice, other than such notice as may be herein expressly required. Such rights and remedies as are given the Issuer hereunder shall also extend to the Bondholder to the extent applicable, and the Bondholder shall be deemed a third-party beneficiary of all covenants and agreements herein contained.

Section 12.6. Default by Issuer; Limited Liability. Notwithstanding any provision or obligation to the contrary herein set forth, no provision of this Loan Agreement shall be construed so as to give rise to a pecuniary liability of the Issuer or a charge upon the general credit of the Issuer. The liability of the Issuer hereunder shall be limited to its interest in this Loan Agreement, the Borrower Note, the Borrower Collateral Documents, if any, and the Security for the Bonds, and the Lien of any judgment shall be restricted thereto. In the performance of the agreements of the Issuer herein contained, any obligation it may incur for the payment of money shall not be a debt of the Issuer, and the Issuer shall not be liable on any obligation so incurred. The Issuer does not assume general liability for the repayment of the Bonds or for the costs, fees, penalties, taxes, interest, commissions, charges, insurance or any other payments recited herein, and the Issuer shall be obligated to pay the same only out of Revenues. The Issuer shall not be required to do any act whatsoever, or exercise any diligence whatsoever, to mitigate the damages to the Borrower if an Event of Default shall occur hereunder.

Section 12.7. Application of Funds. All funds received by the Bondholder are subject to the rights given or action taken under the provisions of Article VII of the Bond Issuance Agreement. Notwithstanding any other provision of this Loan Agreement or the Bond Issuance Agreement to the contrary, funds received by the Bondholder may be applied (a) as long as an Event of Default has not occurred and is not continuing, to the payments and other amounts, if any, then due under the Borrower Note or, if all such payments and other amounts, if any, have been paid, the same may be applied as directed by the Borrower (subject to the restrictions of the Land Use Restriction Agreements and the Tax Certificate), and (b) if an Event of Default has occurred and is continuing, as directed and in such order as determined by the Bondholder.

## ARTICLE XIII

## INDEMNIFICATION

Section 13.1. Indemnification of Issuer and Fiscal Agent. (a) Except as otherwise provided below and subject to Section 14.1 hereof, the Issuer and the Fiscal Agent, and each of their officers, agents, independent contractors, employees, successors and assigns, and, in the case of the Issuer, its elected and appointed officials, past, present or future (hereinafter the "Indemnified Persons"), shall not be liable to the Borrower for any reason. Unless caused by the gross negligence or intentional misconduct of an Indemnified Party, the Borrower shall defend, indemnify and hold the Indemnified Persons harmless from any loss, claim, damage, tax, penalty or expense (including, but not limited to, reasonable counsel fees, costs, expenses and disbursements), or liability (other than with respect to payment of the principal of or interest on the Borrower Note) of any nature due to any and all suits, actions, legal or administrative proceedings, or claims arising or resulting from, or in any way connected with: (i) the financing, installation, operation, use or maintenance of the Project; (ii) any act, failure to act, or misrepresentation by the Borrower or any member of the Borrower, or any Person acting on behalf of, or at the direction of, the Borrower or any member of the Borrower, in connection with the issuance, sale or delivery of the Bonds; (iii) any false or misleading representation made by the Borrower in the Borrower Documents; (iv) the breach by the Borrower of any covenant contained in the Borrower Documents, or the failure of the Borrower to fulfill any such covenant which is not cured within all applicable notice and cure periods; (v) enforcing any obligation or liability of the Borrower under this Loan Agreement, the Borrower Note, the Borrower Collateral Documents, the Security for the Bonds or the Borrower Documents, or any related agreement; (vi) taking any action requested by the Borrower; (vii) taking any action reasonably required by the Borrower Documents; or (viii) taking any action considered necessary by the Issuer or the Fiscal Agent, and which is authorized by the Borrower Documents. If any suit, action or proceeding is brought against any Indemnified Person, the interests of the Indemnified Person in that suit, action or proceeding shall be defended by counsel to the Indemnified Person or the Borrower, as the Indemnified Person shall determine. If such defense is by counsel to the Indemnified Person, the Borrower shall indemnify and hold harmless the Indemnified Person for the cost of that defense, including counsel fees, disbursements, costs and expenses. If the Indemnified Persons affected by such suit determine that the Borrower shall defend the Indemnified Persons, the Borrower shall immediately assume the defense at its own cost. Neither the Indemnified Persons nor the Borrower shall be liable for any settlement of any proceeding made without each of their consent. In no event shall the Borrower be liable to an Indemnified Person for its own willful misconduct or gross negligence.

(b) Any provision of this Loan Agreement or any other instrument or document executed and delivered in connection therewith to the contrary notwithstanding, the Issuer retains the right to enforce: (i) any applicable federal or state law or regulation or resolution of the Issuer; and (ii) any rights accorded the Issuer by federal or state law or regulation or resolution of the Issuer, and nothing in this Loan Agreement shall be construed as an express or implied waiver thereof.

(c) If the Indemnified Persons are requested by the Borrower to take any action under this Loan Agreement or any other instrument executed in connection herewith for

the benefit of the Borrower, they will do so if and only if: (i) the Indemnified Persons are a necessary party to any such action; (ii) the Indemnified Persons have received specific written direction from the Borrower, as required hereunder or under any other instrument executed in connection herewith, as to the action to be taken by the Indemnified Persons; and (iii) a written agreement of indemnification and payment of costs, liabilities and expenses satisfactory to the Indemnified Persons has been executed by the Borrower prior to the taking of any such action by the Indemnified Persons.

(d) The obligations of the Borrower under this Section 13.1 shall survive any assignment or termination of this Loan Agreement and, as to the Fiscal Agent, any resignation or removal of the Fiscal Agent.

(e) Indemnification of the Issuer by the Borrower with respect to environmental matters shall be governed exclusively by the terms and provisions of the Environmental Indemnity Agreement.

#### ARTICLE XIV

#### MISCELLANEOUS

Section 14.1. Non-recourse Liability; Exceptions. Subject to the terms contained in the next succeeding paragraph, following the Conversion Date, the covenants and agreements contained in this Loan Agreement and the Borrower Note shall be non-recourse to the Borrower and all members thereof, and in the event of a default hereunder or under any related document, the sole source of satisfaction of repayment of the amounts due to the Issuer and the Bondholder hereunder and under the Borrower Note shall be limited to the rights of the Issuer and Bondholder hereunder and under the Borrower Documents, as well as under any guarantees.

Notwithstanding the immediately preceding paragraph, nothing in this Loan Agreement, in the Borrower Note, in the Borrower Collateral Documents or in the Security for the Bonds shall limit the rights of the Issuer or the Bondholder, following any of the events hereinafter described, to take any action as may be necessary or desirable to pursue the Borrower, the Manager Member, (prior to the date the Project is Complete, the Guarantors) or the Developer for any and all losses incurred by the Issuer or the Bondholder arising from (i) a material misrepresentation, fraud made in writing or misappropriation of funds by the Borrower, the Manager Member, the Guarantors or the Developer; (ii) intentional or material waste to the Premises; (iii) use of proceeds of the Loan for costs other than Costs of the Project, (iv) except as may be permitted herein, any transfer of title to all or any portion of the Project without the Issuer's and the Bondholder's prior written consent; (v) the misappropriation or misapplication of insurance proceeds or condemnation awards relating to the Project by the Borrower, the Manager Member or the Developer; (vi) the recovery of rents more than one-month in advance in violation of the Borrower Collateral Documents; (vii) any indemnity by the Borrower or any other party, any guaranties, completion agreements and any similar rights to payment and performance that have been or may be executed, or that have been or may be granted, by the Borrower or any other party in connection with the Loan; or (viii) the default (after expiration of any notice and cure period) by Borrower or the Manager Member in the performance of their respective obligations under this Loan Agreement or the Borrower Note relating to preserving

the condition of the Premises or the enforceability or priority of the Issuer's or the Bondholder's interest in the Security for the Bonds, including obligations to pay all taxes and charges that may affect or become a lien on the Premises, to maintain the Premises and all insurance in accordance with this Loan Agreement and to repay all sums advanced by Issuer or Bondholder for any such purposes.

Section 14.2. Severability. If any provision of this Loan Agreement shall be held or deemed to be, or shall, in fact, be, inoperative or unenforceable as applied in any particular case in any jurisdiction or jurisdictions, or in all jurisdictions, or in all cases because it conflicts with any other provision or provisions hereof or any constitution, statute or rule of public policy, or for any other reason, such circumstances shall not have the effect of rendering the provision in question inoperative or unenforceable in any other case or circumstance, or of rendering any other provision or provisions herein contained invalid, inoperative or unenforceable to any extent whatsoever. The invalidity of any one or more phrases, sentences, clauses or Sections contained in this Loan Agreement shall not affect the remaining portions of this Loan Agreement, or any part thereof; provided, however, that no holding of invalidity shall require the Issuer to make any payment from any moneys other than Revenues.

Section 14.3. Notices. A duplicate copy of each notice required to be given hereunder by the Bondholder or the Fiscal Agent to the Issuer or the Borrower shall also be given to the others. The Issuer, the Borrower, the Fiscal Agent and the Bondholder may designate any further or different addresses to which subsequent notices, requests, complaints, demands, communications and other papers shall be sent.

Section 14.4. Assignments. Except as otherwise expressly provided herein, this Loan Agreement may not be assigned by any party without the consent of the other and the Bondholder, except that the Issuer shall assign to the Bondholder certain of its rights under this Loan Agreement as provided by Section 4.2 hereof, and the Bondholder may assign such rights to its successors and assigns as owner of the Bonds.

Section 14.5. Counterparts. This Loan Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument; provided, however, that for purposes of perfecting a security interest in this Loan Agreement under Article 9 of the Illinois Uniform Commercial Code, only the counterpart delivered, pledged and assigned to the Bondholder shall be deemed the original.

Section 14.6. Amounts Remaining in the Bond Issuance Agreement Funds. It is agreed by the parties hereto that after payment in full of: (a) the principal of and interest on the Bonds (or provision for payment thereof having been made in accordance with the provisions of the Bond Issuance Agreement); (b) the fees, charges, disbursements, costs and expenses of the Bondholder and the Fiscal Agent in accordance with the Bond Issuance Agreement; and (c) all

other amounts required to be paid under this Loan Agreement, the Borrower Note and the Bond Issuance Agreement, then any amounts remaining in any of the Funds or Accounts created under the Bond Issuance Agreement shall be paid by the Fiscal Agent as follows: (i) first, to the Issuer to the extent of any moneys owed by the Borrower to the Issuer pursuant to the Bond Documents, and (ii) second, to the Borrower.

Section 14.7. Amendments, Changes and Modifications. Subsequent to the initial issuance of the Bonds and prior to their payment in full (or provision for payment thereof having been made in accordance with the provisions of the Bond Issuance Agreement), this Loan Agreement may not be effectively amended, changed, modified, altered or terminated without the written consent of the Bondholder and, with respect to the Issuer Reserved Rights, the Issuer.

Section 14.8. Governing Law; Jury Trial. This Loan Agreement and the Borrower Note, and the rights and obligations of the parties hereunder and thereunder, shall be construed in accordance with, and shall be governed by, the laws of the State of Illinois, without regard to its conflict of laws principles.

**THE BORROWER HEREBY IRREVOCABLY WAIVES ANY RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING (I) TO ENFORCE OR DEFEND ANY RIGHTS UNDER OR IN CONNECTION WITH THIS LOAN AGREEMENT OR THE BORROWER NOTE, OR ANY AMENDMENT, INSTRUMENT, DOCUMENT OR AGREEMENT DELIVERED, OR WHICH MAY IN THE FUTURE BE DELIVERED, IN CONNECTION HERewith OR THEREWITH, OR (II) ARISING FROM ANY DISPUTE OR CONTROVERSY IN CONNECTION WITH OR RELATED TO THIS LOAN AGREEMENT OR THE BORROWER NOTE, OR ANY SUCH AMENDMENT, INSTRUMENT, DOCUMENT OR AGREEMENT, AND AGREES THAT ANY SUCH ACTION OR COUNTERCLAIM SHALL BE TRIED BEFORE A COURT AND NOT BEFORE A JURY.**

**THE BORROWER IRREVOCABLY AGREES THAT, SUBJECT TO THE ISSUER'S SOLE AND ABSOLUTE ELECTION, ANY ACTION OR PROCEEDING IN ANY WAY, MANNER OR RESPECT ARISING OUT OF THIS LOAN AGREEMENT, THE BORROWER NOTE, THE BORROWER COLLATERAL DOCUMENTS AND THE SECURITY FOR THE BONDS, OR ANY AMENDMENT, INSTRUMENT, DOCUMENT OR AGREEMENT DELIVERED OR WHICH MAY IN THE FUTURE BE DELIVERED IN CONNECTION HERewith OR THEREWITH, OR ARISING FROM ANY DISPUTE OR CONTROVERSY ARISING IN CONNECTION WITH OR RELATED TO THIS LOAN AGREEMENT, THE BORROWER NOTE, THE BORROWER COLLATERAL DOCUMENTS AND THE SECURITY FOR THE BONDS, OR ANY SUCH AMENDMENT, INSTRUMENT, DOCUMENT OR AGREEMENT, SHALL BE LITIGATED ONLY IN THE COURTS HAVING SITUS WITHIN THE CITY OF CHICAGO, STATE OF ILLINOIS, AND THE BORROWER HEREBY CONSENTS AND SUBMITS TO THE JURISDICTION OF ANY LOCAL, STATE OR FEDERAL COURT LOCATED WITHIN SUCH CITY AND STATE. THE BORROWER HEREBY WAIVES ANY RIGHT IT MAY HAVE TO TRANSFER OR CHANGE THE VENUE OF ANY LITIGATION BROUGHT AGAINST IT IN ACCORDANCE WITH THIS SECTION.**

Section 14.9. Term of Loan Agreement. This Loan Agreement shall be in full force and effect from the date hereof, and shall continue in effect until the indefeasible payment in full of all Liabilities. All representations, certifications and covenants by the Borrower as to the indemnification of various parties (including, without limitation, the Issuer and the Issuer Indemnified Persons) and the payment of fees and expenses of the Issuer as described herein, and all matters affecting the tax-exempt status of the Bonds shall survive the termination of this Loan Agreement and the payment in full of the Borrower Note and the Bonds.

Section 14.10. Bond Issuance Agreement Provisions. The Bond Issuance Agreement provisions concerning the Bonds and the other matters therein are an integral part of the terms and conditions of the Loan made by the Issuer to the Borrower pursuant to this Loan Agreement, and the execution of this Loan Agreement shall constitute conclusive evidence of approval of the Bond Issuance Agreement by the Borrower to the extent it relates to the Borrower and the Project. Additionally, the Borrower agrees that, whenever the Bond Issuance Agreement by its terms imposes a duty or obligation upon the Borrower, such duty or obligation shall be binding upon the Borrower to the same extent as if the Borrower were an express party to the Bond Issuance Agreement, and the Borrower hereby agrees to carry out and perform all of its obligations under the Bond Issuance Agreement as fully as if the Borrower were a party to the Bond Issuance Agreement.

Section 14.11. Binding Effect. This Loan Agreement shall inure to the benefit of and shall be binding upon the Issuer and the Borrower, and their respective successors and assigns; subject, however, to the limitations contained in Section 4.2 hereof.

Section 14.12. Immunity of Issuer's Officers. No recourse shall be had for the payment of any principal of or interest on the Bonds, or for any obligation, covenant or agreement contained in this Loan Agreement, against any past, present or future officer, member, supervisor, director, agent or employee of the Issuer, or any successor entity, as such, either directly or through the Issuer or any such successor entity, under any rule of law or equity, statute or constitution, or by the enforcement of any assessment or penalty or otherwise, and all such liability of any such officer, member, supervisor, director, agent or employee as such is hereby expressly waived and released as a condition of, and in consideration for, the execution and delivery of this Loan Agreement.

Section 14.13. Participations. (a) The Borrower acknowledges that the Bondholder shall have the right to grant participations in the Bonds and the Borrower Note, pursuant to the Bond Issuance Agreement, all without notice to or consent from the Borrower. No holder of a participation in the Bonds or the Borrower Note shall have any rights under this Loan Agreement.

(b) The Borrower hereby consents to the disclosure of any information obtained in connection herewith by the Issuer to any Person that is a participant or potential participant pursuant to clause (a) above, it being understood that the Issuer and its assigns shall advise any such Person of its obligation to keep confidential any nonpublic information disclosed to it pursuant to this Section 14.13. The Issuer shall advise the Borrower of each Person that becomes a participant pursuant to clause (a) above.

Section 14.14. Waivers. If any agreement contained in this Loan Agreement should be breached by the Borrower and thereafter waived in writing by the Issuer or the Bondholder, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder. For any waiver hereunder to be effective, such shall be in writing and signed by an authorized representative of the party granting the waiver.

Section 14.15. Patriot Act Notification.

(a) As of the date of this Loan Agreement the Borrower is, and during the term of this Loan Agreement the Borrower shall remain, in full compliance with all the applicable laws and regulations of the United States of America that prohibit, regulate or restrict financial transactions, including, but not limited to, conducting any activity or failing to conduct any activity, if such action or inaction constitutes a money laundering crime, including any money laundering crime prohibited under the Money Laundering Control Act, 18 U. S. C. 1956, 1957, or the Bank Secrecy Act, 31 U. S. C. 5311 et seq. and any amendments or successors thereto and any applicable regulations promulgated thereunder.

(b) The Borrower represents and warrants that: (a) neither it, nor any of its members, or any officer, director or employee, is named as a "Specially Designated National and Blocked Person" as designated by the United States Department of the Treasury's Office of Foreign Assets Control, or as a person, group, entity or nation designated in Presidential Executive Order 13224 as a person who commits, threatens to commit, or supports terrorism; (b) it is not owned or controlled, directly or indirectly, by the government of any country that is subject to a United States Embargo; and (c) it is not acting, directly or indirectly, for or on behalf of any person, group, entity or nation named by the United States Treasury Department as a "Specially Designated National and Blocked Person," or for or on behalf of any person, group, entity or nation designated in Presidential Executive Order 13224 as a person who commits, threatens to commit, or supports terrorism; and that it is not engaged in this transaction directly or indirectly on behalf of, or facilitating this transaction directly or indirectly on behalf of, any such person, group, entity or nation.

(c) The Borrower acknowledges that it understands and has been advised by its own legal counsel as to the requirements of the applicable laws referred to above, including the Money Laundering Control Act, 18 U. S. C. 1956, 1957, the Bank Secrecy Act, 31 U. S. C. 5311 et seq., the applicable regulations promulgated thereunder, and the Foreign Assets Control Regulations, 31 C. F. R. Section 500 et seq.

Section 14.16. Entire Agreement. *Land-Use Restriction Agreement With  
WHP Village LLC.*

THIS LAND USE RESTRICTION AGREEMENT (this "Agreement"), entered into as of June 1, 2016, between the CITY OF CHICAGO, a municipal corporation and home rule unit of government duly organized and validly existing under the Constitution and laws of the State of Illinois (the "City"), and WHP VILLAGE, LLC an Illinois limited liability company (the "Borrower"),

WHEREAS, the Issuer has issued, sold and delivered its \$[Principal] Multi-Family Housing Revenue Bonds (Villages of Westhaven Project) Series 2016 (the "Bonds"); and

WHEREAS, the Bonds are issued pursuant to a Bond Issuance Agreement of even date herewith (the "Bond Issuance Agreement"), among the Issuer, BMO Harris Bank N.A., as Bondholder (the "Bondholder") and BMO Harris Bank N.A., as Fiscal Agent (the "Fiscal Agent"), and the proceeds derived from the issuance and sale of the Bonds have been lent by the Issuer to the Borrower pursuant to the Loan Agreement of even date herewith (the "Loan Agreement"), between the Issuer and the Borrower to finance costs of a 200-unit mixed income, multi-family residential rental development known as the Villages of Westhaven and located on the Premises, which includes 55 market-rate rental units, 4 non-tax credit public housing (RAD) units, and 141 tax credit units, 91 of which will be leased to public housing (RAD) residents (together with all rights and interests of the Borrower in common areas in such building and on the related site, the "Units"), located on the site described in Exhibit A hereto (the "Site" and, together with the Units, the "Project"); and

WHEREAS, the Chicago Housing Authority ("CHA") has donated to Michaels Community Services Corporation, a New Jersey nonprofit corporation, d/b/a Better Tomorrows ("Better Tomorrows"), a 99-year ground lease of the Site and a conveyance of the fee interest in the Units, and Better Tomorrows has assigned its leasehold interest in the Site and conveyed title to the Units to the Borrower, who will rehabilitate the Units; and

WHEREAS, in order to assure the Issuer and the owners of the Bonds that interest on the Bonds will be excluded from gross income for federal income tax purposes under the Internal Revenue Code of 1986, as amended (the "Code"), and to further the public purposes of the Issuer, certain restrictions on the use and occupancy of the Project under the Code must be established;

NOW, THEREFORE, in consideration of the mutual promises and covenants hereinafter set forth, and of other good and valuable consideration, the receipt, sufficiency and adequacy of which are hereby acknowledged, the Borrower and the Issuer agree as follows:

**Section 1. Term of Restrictions.**

(a) **Occupancy Restrictions.** The term of the Occupancy Restrictions set forth in Section 3 hereof shall commence on the first day on which at least 10% of the Units are first occupied following completion of such Units and shall end on the latest of (i) the date which is 15 years after the date on which at least 50% of the Units in the Project are first occupied; (ii) the first date on which no tax-exempt note or bond (including any refunding note or bond) issued with respect to the Project is outstanding (treating, for such purpose, the Project as being financed in part by all Bonds); or (iii) the date on which any housing assistance provided with respect to the Project under Section 8 of the United States Housing Act of 1937, as amended,

terminates (which period is hereinafter referred with respect to the Project as the “**Qualified Project Period**”).

(b) *Rental Restrictions.* The Rental Restrictions with respect to the Project set forth in Section 4 hereof shall remain in effect during the Qualified Project Period.

(c) *Involuntary Loss or Substantial Destruction.* The Occupancy Restrictions set forth in Section 3 hereof, and the Rental Restrictions set forth in Section 4 hereof, shall cease to apply to the Project in the event of involuntary noncompliance caused by fire, seizure, requisition, foreclosure, transfer of title by deed in lieu of foreclosure, change in federal law or an action of a federal agency (with respect to the Project) after the date of delivery of the Bonds, which prevents the Issuer from enforcing the Occupancy Restrictions and the Rental Restrictions (with respect to the Project), or condemnation or similar event (with respect to the Project), but only if, within a reasonable time, (i) all of the Bonds are promptly retired, or amounts received as a consequence of such event are used to provide a new project which meets all of the requirements of this Agreement, which new project is subject to new restrictions substantially equivalent to those contained in this Agreement, and which is substituted in place of the Project by amendment of this Agreement; and (ii) an opinion from nationally recognized bond counsel (selected by the Issuer) is received to the effect that noncompliance with the Occupancy Restrictions and the Rental Restrictions applicable to the Project as a result of such involuntary loss or substantial destruction resulting from an unforeseen event with respect to the Project will not adversely affect the exclusion of the interest on the Bonds from the gross incomes of the owners thereof for purposes of federal income taxation; provided, however, that the preceding provisions of this paragraph shall cease to apply in the case of such involuntary noncompliance caused by foreclosure, transfer of title by deed in lieu of foreclosure or similar event if at any time during the Qualified Project Period with respect to the Project subsequent to such event the Borrower or any Affiliated Party (as hereinafter defined) obtains an ownership interest in the Project for federal income tax purposes. “**Affiliated Party**” means a person whose relationship to another person is such that (i) the relationship between such persons would result in a disallowance of losses under Section 267 or 707(b) of the Code; or (ii) such persons are members of the same controlled group of corporations (as defined in Section 1563(a) of the Code, except that “more than 50%” shall be substituted for “at least 80%” each place it appears therein).

(d) *Termination.* This Agreement shall terminate with respect to the Project upon the earliest of (i) termination of the Occupancy Restrictions and the Rental Restrictions with respect to the Project, as provided in paragraphs (a) and (b) of this Section 1; or (ii) delivery to the Issuer and the Borrower of an opinion of nationally recognized bond counsel (selected by the Issuer) to the effect that continued compliance of the Project with the Rental Restrictions and the Occupancy Restrictions applicable to the Project is not required in order for interest on the Bonds to remain excludible from gross income for federal income tax purposes.

(e) *Certification.* Upon termination of this Agreement, the Borrower and the Issuer shall execute and cause to be recorded (at the Borrower’s expense), in all offices in which this Agreement was recorded, a certificate of termination, specifying which of the restrictions contained herein has terminated.

(f) *Encumbrance of Fee.* In furtherance of enforcing compliance with the provisions of Section 142(d) of the Code and Section 1.103-8(b) of the Regulations applicable to this Agreement, unless the provisions of paragraph (c) or (d) above apply to the Project resulting in a termination of the restrictions set forth herein, such restrictions shall continue to apply to the Project following the termination of the Borrower's or any other party's leasehold estate therein, whether or not the Project is thereafter re-leased by the Chicago Housing Authority until termination of the Occupancy Restrictions and the Rental Restrictions as provided in Sections 1(a) and (b).

**Section 2. Project Restrictions.** The Borrower represents, warrants and covenants that:

(a) The Borrower has reviewed the provisions of the Code and the Treasury Regulations thereunder (the "**Regulations**") applicable to this Agreement (including, without limitation, Section 142(d) of the Code and Section 1.103-8(b) of the Regulations) with its counsel and understands said provisions.

(b) The Project is being acquired, rehabilitated, constructed and equipped for the purpose of providing a "qualified residential rental project" (as such phrase is used in Section 142(d) of the Code) and will, during the term of the Rental Restrictions and Occupancy Restrictions hereunder applicable to the Project, continue to constitute a "qualified residential rental project" under Section 142(d) of the Code and any Regulations heretofore or hereafter promulgated thereunder and applicable thereto.

(c) Substantially all (not less than 95%) of the Project will consist of a "building or structure" (as defined in Section 1.103-8(b)(8)(iv) of the Regulations), or several proximate buildings or structures, of similar construction, each containing one or more similarly constructed residential units (as defined in Section 1.103-8(b)(8)(i) of the Regulations) located on a single tract of land or contiguous tracts of land (as defined in Section 1.103-8(b)(4)(ii)-(B) of the Regulations), which will be owned, for federal tax purposes, at all times by the same person, and financed pursuant to a common plan (within the meaning of Section 1.103-8(b)(4)(ii) of the Regulations), together with functionally related and subordinate facilities (within the meaning of Section 1.103-8(b)(4)(iii) of the Regulations). If any such building or structure contains fewer than five (5) units, no unit in such building or structure shall be Borrower-occupied.

(d) None of the Units in the Project will at any time be used on a transient basis, nor will the Project itself be used as a hotel, motel, dormitory, fraternity or sorority house, rooming house, hospital, nursing home, sanitarium, rest home or trailer park or court for use on a transient basis; (provided only that during the period of renovation of the Project, residents may occupy particular Units on a short-term basis to accommodate the renovations); nor shall any portion of the Project be operated as an assisted living facility which provides continual or frequent nursing, medical or psychiatric services; *provided, however* that nothing herein shall be understood to prohibit single room occupancy units occupied under month to month leases.

(e) Any functionally related and subordinate facilities (e.g., parking areas, swimming pools, tennis courts, etc.) which are included as part of the Project will be of a character and size commensurate with the character and size of the Project, and will be made available to all tenants in the Project on an equal basis; fees will only be charged with respect to the use thereof if the

charging of fees is customary for the use of such facilities at similar residential rental properties in the surrounding area (i.e., within a one-mile radius), or, if none, then within comparable urban settings in the City of Chicago, and then only in amounts commensurate with the fees being charged at similar residential rental properties within such area. In any event, any fees charged will not be discriminatory or exclusionary as to the Qualifying Tenants (as defined in Section 3 hereof). No functionally related and subordinate facilities will be made available to persons other than tenants or their guests.

(f) Each residential unit in the Project will contain separate and complete facilities for living, sleeping, eating, cooking and sanitation for a single person or family.

(g) No portion of the Project will be used to provide any health club facility, any facility primarily used for gambling, or any store, the principal business of which is the sale of alcoholic beverages for consumption off premises, in violation of Section 147(e) of the Code.

**Section 3. Occupancy Restrictions.** The Borrower represents, warrants and covenants with respect to the Project that:

(a) Pursuant to the election of the Issuer in accordance with the provisions of Section 142(d)(1)(A) of the Code, at all times during the Qualified Project Period with respect to the Project at least 40% of the completed Units in the Project shall be continuously occupied (or treated as occupied as provided herein) or held available for occupancy by Qualifying Tenants as herein defined. For purposes of this Agreement, "Qualifying Tenants" means individuals or families whose aggregate adjusted incomes do not exceed 60% of the applicable median gross income (adjusted for family size) for the area in which the Project is located, as such income and area median gross income are determined by the Secretary of the United States Treasury in a manner consistent with determinations of income and area median gross income under Section 8 of the United States Housing Act of 1937, as amended (or, if such program is terminated, under such program as in effect immediately before such determination).

(b) Prior to the commencement of occupancy of any unit to be occupied by a Qualifying Tenant, the prospective tenant's eligibility shall be established by execution and delivery by such prospective tenant of an Income Computation and Certification in the form attached hereto as **Exhibit B** (the "**Income Certification**") evidencing that the aggregate adjusted income of such prospective tenant does not exceed the applicable income limit. In addition, such prospective tenant shall be required to provide whatever other information, documents or certifications are reasonably deemed necessary by the Borrower or the Issuer to substantiate the Income Certification.

(c) Not less frequently than annually, the Borrower shall determine whether the current aggregate adjusted income of each tenant occupying any unit being treated by the Borrower as occupied by a Qualifying Tenant exceeds the applicable income limit. For such purpose the Borrower shall require each such tenant to execute and deliver the Income Computation and Certification attached hereto as **Exhibit B**; *provided, however*, that for any calendar year during which no unit in the Project is occupied by a new resident who is not a Qualifying Tenant, no Income Computation and Certification for existing tenants shall be required.

(d) Any unit vacated by a Qualifying Tenant shall be treated as continuing to be occupied by such tenant until reoccupied, other than for a temporary period not to exceed 31 days, at which time the character of such unit as a unit occupied by a Qualifying Tenant shall be redetermined.

(e) If an individual's or family's income exceeds the applicable income limit as of any date of determination, the income of such individual or family shall be treated as continuing not to exceed the applicable limit, provided that the income of an individual or family did not exceed the applicable income limit upon commencement of such tenant's occupancy or as of any prior income determination, and provided, further, that if any individual's or family's income as of the most recent income determination exceeds 140% of the applicable income limit, such individual or family shall cease to qualify as a Qualifying Tenant if, prior to the next income determination of such individual or family, any unit in the Project of comparable or smaller size to such individual's or family's unit is occupied by any tenant other than a Qualifying Tenant.

(f) The lease to be utilized by the Borrower in renting any Unit in the Project to a prospective Qualifying Tenant shall provide for termination of the lease and consent by such person to eviction following 30 days' written notice, subject to applicable provisions of Illinois law (including for such purpose all applicable home rule ordinances), for any material misrepresentation made by such person with respect to the Income Certification with the effect that such tenant is not a Qualified Tenant.

(g) All Income Certifications will be maintained on file at the Project as long as any Bonds are outstanding and for five years thereafter with respect to each Qualifying Tenant who occupied a Unit in the Project during the period the restrictions hereunder are applicable, and the Borrower will, promptly upon receipt, file a copy thereof with the Issuer.

(h) On the first day of the Qualified Project Period with respect to the Project, on the fifteenth days of January, April, July and October of each year during the Qualified Project Period with respect to the Project, and within 30 days after the final day of each month in which there occurs any change in the occupancy of a Unit in the Project, the Borrower will submit to the Issuer a "Certificate of Continuing Program Compliance," in the form attached hereto as Exhibit C, executed by the Borrower with respect to the Project.

(i) The Borrower shall submit to the Secretary of the United States Treasury (at such time and in such manner as the Secretary shall prescribe) with respect to the Project an annual certification on Form 8703 as to whether the Project continues to meet the requirements of Section 142(d) of the Code. Failure to comply with such requirement may subject the Borrower to the penalty provided in Section 6652(j) of the Code.

**Section 4. Rental Restrictions.** The Borrower represents, warrants and covenants with respect to the Project that once available for occupancy, each Unit in the Project will be rented or available for rental on a continuous basis to members of the general public (other than (a) Units for resident managers or maintenance personnel, (b) Units for Qualifying Tenants as provided for in Section 3 hereof, (c) Units which may be rented to Qualifying Tenants in accordance with any HUD-approved owner preference granted in accordance with 24 CFR Section 5.655, HUD Occupancy Handbook 4350.3, and which satisfies treasury regulations 1.103-8(b) and 1.42-9,

and (d) Units which may be rented under the Section 8 assistance program, which Units (subject to the Section 8 assistance program) shall be leased to eligible tenants in accordance with Section 8 requirements), subject, however, to the requirements of Section 3(a) hereof. Each Qualifying Tenant (as hereinafter defined) occupying a Unit in the Project shall be required to execute a written lease with a stated term of not less than 30 days nor more than one year.

**Section 5. Transfer Restrictions.** The Borrower covenants and agrees that no conveyance, transfer, assignment or any other disposition of title to any portion of the Project (a "Transfer") shall be made prior to the termination of the Rental Restrictions and Occupancy Restrictions hereunder with respect to the Project, unless the transferee pursuant to the Transfer assumes in writing (the "Assumption Agreement"), in a form reasonably acceptable to the Issuer, all of the executory duties and obligations hereunder of the Borrower with respect to such portion of the Project, including those contained in this Section 5, and agrees to cause any subsequent transferee to assume such duties and obligations in the event of a subsequent Transfer by the transferee prior to the termination of the Rental Restrictions and Occupancy Restrictions hereunder with respect to the Project. The Borrower shall deliver the Assumption Agreement to the Issuer at least 30 days prior to a proposed Transfer. This Section 5 shall not apply to any involuntary transfer pursuant to Section 1(c) hereof. This Section shall not be deemed to restrict the transfer of any membership interest in the Borrower or a transfer by foreclosure or deed in lieu of foreclosure.

**Section 6. Enforcement.**

(a) The Borrower shall permit all duly authorized representatives of the Issuer to inspect any books and records of the Borrower regarding the Project and the incomes of Qualifying Tenants which pertain to compliance with the provisions of this Agreement and Section 142(d) of the Code and the regulations heretofore or hereafter promulgated thereunder.

(b) In addition to the information provided for in Section 3(i) hereof, the Borrower shall submit any other information, documents or certifications reasonably requested by the Issuer, which the Issuer deems reasonably necessary to substantiate continuing compliance with the provisions of this Agreement and Section 142(d) of the Code and the regulations heretofore or hereafter promulgated thereunder.

(c) The Issuer and the Borrower each covenants that it will not take or permit to be taken any action within its control that it knows would adversely affect the exclusion of interest on the Bonds from the gross income of the owners thereof for purposes of federal income taxation pursuant to Section 103 of the Code. Moreover, each covenants to take any lawful action within its control (including amendment of this Agreement as may be necessary in the opinion of nationally recognized bond counsel selected by the Issuer) to comply fully with all applicable rules, rulings, policies, procedures, regulations or other official statements promulgated or proposed by the Department of the Treasury or the Internal Revenue Service from time to time pertaining to obligations issued under Section 142(d) of the Code and affecting the Project.

(d) The Borrower covenants and agrees to inform the Issuer by written notice of any violation of its obligations hereunder within five days of first discovering any such violation. If

any such violation is not corrected to the satisfaction of the Issuer within the period of time specified by either the Issuer, which shall be (i) the lesser of (A) 45 days after the effective date of any notice to or from the Borrower, or (B) 60 days from the date such violation would have been discovered by the Borrower by the exercise of reasonable diligence, or (ii) such longer period as may be necessary to cure such violation, provided bond counsel (selected by the Issuer) of nationally recognized standing in matters pertaining to the exclusion of interest on municipal bonds from gross income for purposes of federal income taxation issues an opinion that such extension will not result in the loss of such exclusion of interest on the Bonds, without further notice, the Issuer shall declare a default under this Agreement effective on the date of such declaration of default, and the Issuer shall apply to any court, state or federal, for specific performance of this Agreement or an injunction against any violation of this Agreement, or any other remedies at law or in equity or any such other actions as shall be necessary or desirable so as to correct noncompliance with this Agreement.

(e) The Borrower and the Issuer each acknowledges that the primary purposes for requiring compliance with the restrictions provided in this Agreement are to preserve the exclusion of interest on the Bonds from gross income for purposes of federal income taxation, and that the Issuer, on behalf of the owners of the Bonds, who are declared to be third-party beneficiaries of this Agreement, shall be entitled for any breach of the provisions hereof, to all remedies both at law and in equity in the event of any default hereunder.

(f) In the enforcement of this Agreement, the Issuer may rely on any certificate delivered by or on behalf of the Borrower or any tenant with respect to the Project.

(g) Nothing in this Section shall preclude the Issuer from exercising any remedies it might otherwise have, by contract, statute or otherwise, upon the occurrence of any violation hereunder.

(h) Notwithstanding anything to the contrary contained herein, the Issuer hereby agrees that any cure of any default made or tendered by one or more of the Borrower's members or Borrower's lenders shall be deemed to be a cure by the Borrower and shall be accepted or rejected on the same basis as if made or tendered by the Borrower.

**Section 7. Covenants To Run With the Land.** The Borrower hereby subjects the Project, to the covenants, reservations and restrictions set forth in this Agreement. The Issuer and the Borrower hereby declare their express intent that the covenants, reservations and restrictions set forth herein shall be deemed covenants, reservations and restrictions running with the land to the extent permitted by law, and shall pass to and be binding upon the Borrower's successors in title to the Project throughout the term of this Agreement. Each and every contract, deed, mortgage, lease or other instrument hereafter executed covering or conveying the Project, the Units or the Site, or any portion thereof or interest therein (excluding any transferee of a limited liability company interest in the Borrower), shall conclusively be held to have been executed, delivered and accepted subject to such covenants, reservations and restrictions, regardless of whether such covenants, reservations and restrictions are set forth in such contract, deed, mortgage, lease or other instrument.

**Section 8. Recording.** The Borrower shall cause this Agreement and all amendments and supplements hereto to be recorded in the conveyance and real property records of Cook

County, Illinois, and in such other places as the Issuer may reasonably request. The Borrower shall pay all fees and charges incurred in connection with any such recording.

**Section 9. Agents of the Issuer.** The Issuer shall have the right to appoint agents to carry out any of its duties and obligations hereunder, and shall, upon written request, certify in writing to the other party hereto any such agency appointment.

**Section 10. 7. Misrepresentation. I/We acknowledge that I/we have been advised that the making of any misrepresentation or misstatement in this declaration will constitute a material breach of my/our agreement with the Borrower to lease the unit, and may entitle the Borrower to prevent or terminate my/our occupancy of the unit by institution of an action for ejection or other appropriate proceedings.

I/We declare under penalty of perjury that the foregoing is true and correct.

[O2016-3325]

The Committee on Finance submitted the following report:

CHICAGO, May 18, 2016.

*To the President and Members of the City Council:*

Your Committee on Finance, having had under consideration an ordinance concerning the authority to approve a restructuring for City Loans with Senior Suites Chicago Corporation, having had the same under advisement, begs leave to report and recommend that Your Honorable Body *Pass* the proposed ordinance transmitted herewith.

This recommendation was concurred in by a viva voce vote of the members of the committee, with no dissenting vote.

Respectfully submitted,

(Signed) EDWARD M. BURKE,  
*Chairman.*

Moore, Curtis, O'Shea, Cochran, Brookins, Muñoz, Zalewski, Scott, Solis, Maldonado, Burnett, Ervin, Taliaferro, Reboyras, Santiago, Waguespack, Mell, Austin, Ramirez-Rosa, Villegas, Mitts, Sposato, Laurino, O'Connor, Napolitano, Reilly, Smith, Tunney, Arena, Cappleman, Pawar, Osterman, J. *Nays* -- None.

Alderman Beale moved to reconsider the foregoing vote. The motion was lost.

Alderman Burke invoked Rule 14 of the City Council's Rules of Order and Procedure, disclosing that he had represented parties to this ordinance in previous and unrelated matters.

The following is said ordinance as passed:

WHEREAS, The City of Chicago (the "City"), a home rule unit of government under Section 6(a), Article VII of the 1970 Constitution of the State of Illinois, has heretofore found and does hereby find that there exists within the City a serious shortage of decent, safe and sanitary rental housing available to persons of low- and moderate-income; and

WHEREAS, The City has determined that the continuance of a shortage of affordable rental housing is harmful to the health, prosperity, economic stability and general welfare of the City; and

WHEREAS, Pursuant to ordinances (each an "Ordinance") enacted by the City Council of the City (the "City Council") on the dates listed in Exhibit A hereto and published in the *Journal of the Proceedings of the City Council of the City of Chicago* for such dates at the pages listed on Exhibit A hereto, the City has previously made certain loans (the "City Loans") in the original principal amounts listed in Exhibit A hereto to certain affiliates of Senior Suites Chicago Corporation, an Illinois corporation ("Senior Suites") (such affiliates of Senior Suites, the "Borrowers"), for the acquisition and/or construction of apartment buildings located at the addresses listed in Exhibit A hereto and of dwelling units contained therein for low-and moderate-income senior citizens (the "Projects"); and

WHEREAS, The City Loans are secured by the junior mortgages on the Projects listed in Exhibit A hereto (the "City Mortgages"); and

WHEREAS, The Department of Planning and Development ("DPD") has approved restructurings of the City Loans (the "Restructurings") in a manner which: (1) will not alter the principal amount of the City Loans, (2) will not alter the interest rates on the principal balances of the City Loans, (3) will alter the maturity dates of certain of the City Loans, (4) will alter the repayment terms of certain of the City Loans, and (5) will either (a) subordinate certain of the City Mortgages to any liens which will secure the new senior loan to Senior Suites and/or the Borrowers described in Exhibit B hereto (the "New Senior Loan"), or (b) consent to the repayment of the existing senior mortgages on certain of the Projects with the proceeds of the New Senior Loan without a concomitant acceleration of the maturity date of the applicable City Loans (items 1 through 5, collectively, the "Material Terms"); now, therefore,

*Be It Ordained by the City Council of the City of Chicago as follows:*

SECTION 1. The recitals above and the exhibits below are expressly incorporated in and made a part of this Ordinance as though fully set forth herein.

SECTION 2. The Restructurings are hereby approved as described above. The Commissioner of DPD (the "Commissioner") or a designee of the Commissioner, are each hereby authorized, subject to approval by the Corporation Counsel, to negotiate any and all terms and provisions in connection with the Restructurings which do not substantially modify the material terms as described herein. The Commissioner, or a designee of the Commissioner, are each hereby authorized, subject to approval by the Corporation Counsel, to enter into and execute such agreements and instruments, and perform any and all acts as

shall be necessary or advisable in connection with the implementation of the Restructurings. The Commissioner or a designee of the Commissioner are each hereby authorized, subject to approval by the Corporation Counsel, to enter into and execute such agreements and instruments, and perform any and all acts as shall be necessary or advisable, in connection with any future Restructurings of the City Loans, which do not substantially modify the Material Terms.

SECTION 3. Notwithstanding anything to the contrary contained in the Municipal Code of Chicago (the "Municipal Code") or any other ordinance or mayoral executive order, no parties other than the Borrowers, any legal entities which are direct owners in excess of 7.5 percent of the Borrowers which have changed in connection with the Restructurings, and all legal entities which constitute the direct or indirect controlling parties of the Borrowers (as determined by the Corporation Counsel), shall be required to provide to the City the document commonly known as the "Economic Disclosure Statement and Affidavit" (or any successor to such document) in connection with the Restructurings.

SECTION 4. To the extent that any ordinance, resolution, rule, order or provision of the Municipal Code, or part thereof, is in conflict with the provisions of this Ordinance, the provisions of this Ordinance shall control. If any section, paragraph, clause or provision of this Ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this Ordinance. Neither Section 2-45-110 nor Section 2-45-115 of the Municipal Code shall apply to the Projects in connection with the Restructurings.

SECTION 5. This Ordinance shall be effective as of the date of its passage and approval.

WHEREAS, Pursuant to the ANLAP Program, any deed conveying a parcel pursuant thereto shall contain covenants which: (1) prohibit the grantee from conveying, assigning or otherwise transferring the parcel except in conjunction with the sale of the adjacent neighbor's parcel on which his primary residence is located; and (2) require that the parcel be improved with landscaped open space within six months of the conveyance of such parcel and prohibit the construction of any permanent improvements on the parcel, excluding only improvements made by the grantee on the parcel that constitute an integrated addition to the grantee's primary residence on the adjacent lot, or a garage appurtenant thereto; and (3) require the grantee to maintain the parcel in accordance with the provisions of the Municipal Code of Chicago. The covenants shall terminate 10 years after the date of the conveyance of the parcel to the grantee; and

WHEREAS, The Department of Planning and Development ("DPD") of the City desires to convey the vacant parcel of real property identified on Exhibit A to this ordinance (the "ANLAP Parcel") to Rachel Stapinski and Miles Vance (collectively, the "Purchaser"), who have a principal residence of 10351 South Avenue L, Chicago, Illinois 60617, which ANLAP Parcel is located in the Ewing Avenue Redevelopment Project Area ("Area") established pursuant to ordinances adopted by the City Council on March 10, 2010 and published in the *Journal of the Proceedings of the City Council of the City of Chicago* for such date at pages 85884 through 86017; and

5.3 Real Estate Taxes. The City shall use reasonable efforts to obtain the waiver or release of any delinquent real estate taxes or tax liens on the Property during the Due Diligence Period, to the extent such taxes or tax liens can be waived or released through submission of an abatement letter to the Cook County Treasurer, a motion to vacate a tax sale, or a petition for exemption. If, after using such reasonable efforts, the City is unable to obtain the waiver or release of any such tax liens or is unable to cause the Title Company to insure over such tax liens, or if the Property is encumbered with any other exceptions that would adversely affect the use and insurability of the Property for the development of the Project, the Developer shall have the option to do one of the following: (1) accept title to Parcel 1 and lease Parcel 2 subject to the exceptions, without reduction in the Purchase Price or Rent; or (2) terminate this Agreement by delivery of written notice to the City, in which event the City will return the Performance Deposit to the Developer and this Agreement shall be null and void, and except as otherwise specifically provided herein, neither party shall have any further right, duty or obligation

hereunder. If the Developer elects not to terminate this Agreement as aforesaid, the Developer agrees to accept title subject to all exceptions that were not waived or released. In addition, after the Parcel 1 Closing Date, the City agrees to cooperate with the Developer and execute such documents as reasonably may be necessary to cause the Assessor's Office and/or Board of Review to change the real estate tax status of the Property.

#### **SECTION 6. BUILDING PERMITS AND OTHER GOVERNMENTAL APPROVALS.**

The Developer shall apply for and obtain all necessary building permits and other approvals, including zoning approval (collectively, the "Governmental Approvals"), necessary to construct the Project, prior to the Parcel 1 Closing Date, unless the Department, in its sole and absolute discretion, agrees to waive such requirement.

#### **SECTION 7. PROJECT BUDGET AND PROOF OF FINANCING.**

The total budget for the Project is currently estimated to be One Million Seven Hundred Ninety Thousand and 00/100 Dollars (\$1,790,000.00) (the "Preliminary Project Budget"). Not less than fourteen (14) days prior to the Parcel 1 Closing Date, the Developer shall submit to the Department for approval: (1) a final budget for the Project which is for an amount not more than five percent (5%) less than the Preliminary Project Budget (the "Final Project Budget"); and (2) evidence of funds adequate to construct the Project, as shall be acceptable to the Department, in its sole and absolute discretion (the "Proof of Financing").

#### **SECTION 8. CONDITIONS TO THE CITY'S OBLIGATION TO CLOSE.**

The obligations of the City to "close" this Agreement are contingent upon the Developer's satisfaction of the obligations set forth in Section 8.1(A) through Section 8.1(E) no later than forty-five (45) days following the Ordinance Date, or by such other date as may be specified, unless waived or extended in writing by the Commissioner, in the Commissioner's sole and absolute discretion:

A. Legal Opinion. F. Developer Election Not to Proceed. At any time following the Ordinance Date but prior to the expiration of the Due Diligence Period, the Developer may elect not to proceed with the transaction by delivering written notice to the City. If the Developer elects not to proceed, the Developer shall deliver notice to the City.

G. City Right to Terminate. If any of the conditions in this Section 8.1 have not been satisfied to the City's reasonable satisfaction within the time period provided for herein, the City may, at its option, terminate this Agreement after (a) delivery of written notice to the Developer at any time after the expiration of the applicable time period, stating the condition or conditions that have not been fulfilled, and (b) providing the Developer with forty-five (45) days to fulfill those conditions. If, after receiving notice and an opportunity to cure as described in the preceding sentence, the Developer still has not fulfilled the applicable conditions to the City's reasonable satisfaction, this Agreement shall be null and void and, except as otherwise specifically provided, neither party shall have any further right, duty or obligation hereunder; provided, however, the City shall retain the Performance Deposit. Any forbearance by the City in exercising its right to terminate this Agreement upon a default hereunder shall not be construed as a waiver of such right.

8.2 Parcel 1 Closing. The obligations of the City to close on the conveyance of Parcel 1 to the Developer and to lease Parcel 2 to the Developer are contingent upon each of the following items in Section 8.2(A) through Section 8.2(L) being satisfied at least fourteen (14) days prior to the Parcel 1 Closing Date, or by such other date as may be specified, unless waived or extended in writing by the Commissioner, in the Commissioner's sole and absolute discretion:

B. Budget and Proof of Financing. The City shall have approved the Developer's Final Project Budget and Proof of Financing.

C. Simultaneous Loan Closing. The Developer shall close the financing necessary for the construction of the Project in advance of, or simultaneously with, the Parcel 1 Closing.

D. Insurance. The Developer shall provide evidence of insurance reasonably acceptable to the City. The City shall be named as an additional insured on any liability insurance policies (\$1M per occurrence and \$2M aggregate) and as a loss payee (subject to the rights of any permitted mortgagee) on any property insurance policies from the Parcel 1 Closing Date through the date the City issues the Certificate of Completion; provided, however, that with respect to Parcel 2, such insurance policies must remain in effect through the expiration of the term of the Lease. With respect to property insurance, the City will accept an ACORD 28 form. With respect to liability insurance, the City will accept an ACORD 25 form, together with a copy of the endorsement that is added to the Developer's policy showing the City as an additional insured.

E. Due Diligence. The Developer shall have delivered to the City updated due diligence searches in Developer's name (UCC, State and federal tax liens, pending litigation (Developer as plaintiff, and Developer as defendant) and judgments in Cook County and the U.S. District Court for the Northern District of Illinois, and bankruptcy) showing no unacceptable liens, litigation, judgments or filings, as reasonably determined by the City's Corporation Counsel. In addition, the Developer shall have delivered to the City an updated or recertified Economic Disclosure Statement and Affidavit.

G. MBE/WBE and Local Hiring Compliance Plan. The Developer and the Developer's general contractor and all major subcontractors shall meet with staff from the Department regarding compliance with the MBE/WBE and other requirements set forth in Section 22, and at least fourteen (14) days prior to the Parcel 1 Closing Date, the City shall have approved the Developer's compliance plan in accordance with Section 22.4.

H. Representations and Warranties. On the Parcel 1 Closing Date, each of the representations and warranties of the Developer in this Agreement shall be true and correct.

I. Other Obligations. On the Parcel 1 Closing Date, the Developer shall have performed all of the other obligations required to be performed by the Developer under this Agreement as of the Parcel 1 Closing Date.

J. Reconveyance Deed. Prior to the conveyance of Parcel 1 to the Developer, the Developer shall deliver to the City a special warranty deed for Parcel 1 in recordable form naming the City as grantee ("Reconveyance Deed"), for possible recording in accordance with Section 18.3 below.

K. Enrollment in SRP. The Developer shall have enrolled Parcel 1 in the SRP, if the Developer's Phase II ESA identifies contamination above the IEPA's TACO Tier 1 commercial / industrial criteria.

L. Lease of Parcel 2. The Developer shall have executed the Lease and paid the Rent due thereunder to the City.

M. Right to Terminate. If any of the conditions in this Section 8.2 have not been satisfied to the City's reasonable satisfaction within the time period provided for herein, the City may, at its option, terminate this Agreement after (a) delivery of written notice to the Developer at any time after the expiration of the applicable time period, stating the condition or conditions that have not been fulfilled, and (b) providing the Developer with forty-five (45) days to fulfill those conditions. If, after receiving notice and an opportunity to cure as described in the preceding sentence, the Developer still has not fulfilled the applicable conditions to the City's reasonable satisfaction, this Agreement shall be null and void and, except as otherwise specifically provided, neither party shall have any further right, duty or obligation hereunder; provided, however, the City shall retain the Performance Deposit. Any forbearance by the City in exercising its right to terminate this Agreement upon a default hereunder shall not be construed as a waiver of such right.

8.3 Parcel 2 Closing. The obligations of the City to close on the conveyance of Parcel 2 to the Developer upon the expiration of the Lease is contingent upon each of the following items in Section 8.3.A. through Section 8.3.F. being satisfied at least fourteen (14) days prior to the Parcel 2 Closing Date, or by such other date as may be specified, unless waived or extended in writing by the Commissioner, in the Commissioner's sole and absolute discretion:

A. Payment. The Developer shall have paid the City on or before the Parcel 2 Closing Date, by certified check or cashier's check, an amount equal to the Parcel 2 Purchase Price.

## **SECTION 9. SITE PLANS AND ARCHITECTURAL DRAWINGS.**

9.1 Site Plans. The Developer shall construct the Project on the Property in accordance with the site plan, specifications and architectural drawings prepared by Grand Designs, LLC, 820 Wenonah Avenue, Oak Park, IL 60304, which have been approved by the Department and which are attached hereto as Exhibit D (collectively, the "Working Drawings and Specifications"). No material deviation from the Working Drawings and Specifications may be made without the Department's prior written approval. If the Developer submits and the Department approves revised design development drawings and specifications after the date of this Agreement, the term "Working Drawings and Specifications" as used herein shall refer to the revised design development drawings and specifications upon the Department's written approval of the same. Notwithstanding the foregoing, if after the date of this Agreement the City Council approves a planned development ordinance governing the Property, and as part of the process of approving such ordinance the Department approves the drawings attached to same, the term "Working Drawings and Specifications" as used herein shall refer to the revised site plan, specifications and architectural drawings, as applicable, attached to such planned development ordinance.

9.2 Relocation of Utilities, Curb Cuts and Driveways. To the extent necessary to complete the Project, the Developer shall be solely responsible for and shall pay all costs in regard to: (1) the relocation, installation or construction of public or private utilities located on the Property; (2) the relocation, installation and construction of any curb cuts and driveways; (3) the repair or reconstruction of any curbs, vaults, sidewalks or parkways required in connection with the Developer's redevelopment; (4) the removal of existing pipes, utility equipment or building foundations located on the Property; and (5) the termination of existing water or other services. Any streetscaping, including any paving of sidewalks, landscaping and lighting provided by the Developer, as part of the Project, must be approved by the City in accordance with standard City procedures for such work.

9.3 Inspection by the City. For the period commencing on the Parcel 1 Closing Date and continuing through the date the City issues the Certificate of Completion, any duly authorized representative of the City shall have access to the Property at all reasonable times for the purpose of determining whether the Developer is constructing the Project in accordance with

the terms of this Agreement and all applicable federal, state and local statutes, laws, ordinances, codes, rules, regulations, orders and judgments, including, without limitation, Sections 7-28 and 11-4 of the Municipal Code of Chicago relating to waste disposal (collectively, "Laws").

The Developer may erect signs of its own incorporating such approved identification information upon the execution of this Agreement. Prior to the commencement of any construction activity requiring barricades, the Developer shall install a construction barricade of a type and appearance satisfactory to the City and constructed in compliance with all applicable Laws. The City shall have the right to approve all barricades, the maintenance, appearance, color scheme, painting, nature, type, content and design of all barricades, and all signage, which approval shall not be unreasonably withheld or delayed.

#### **SECTION 10. LIMITED APPLICABILITY.**

The approval of any Working Drawings and Specifications by the Department's Bureau of Economic Development is for the purpose of this Agreement only and does not constitute the approval required by the City's Department of Buildings, any other Department Bureau (such as, but not limited to, the Department's Bureau of Zoning), or any other City department; nor does the approval by the Department pursuant to this Agreement constitute an approval of the quality, structural soundness or the safety of any improvements located or to be located on the Property. The approval given by the Department shall be only for the benefit of the Developer and any lienholder authorized by this Agreement.

#### **SECTION 11. COMMENCEMENT AND COMPLETION OF PROJECT.**

Subject to the receipt of all necessary Government Approvals, the Developer shall commence construction of the Project no later than one (1) month following the Parcel 1 Closing Date and shall complete the Project, as reasonably determined by the Department and evidenced by a Certificate of Completion, no later than twenty-four (24) months following the Parcel 1 Closing Date.

The Commissioner shall have discretion to extend the Project construction commencement and completion dates for good cause shown by issuing a written extension letter. The Developer shall give written notice to the City within five (5) days after it commences construction of the Project.

The Project shall be constructed in accordance with all applicable Laws.

#### **SECTION 12. CERTIFICATE OF COMPLETION.**

Upon the later of (i) completion of the Project, (ii) Developer's completion of a hazardous materials survey of the buildings on Parcel 1 and abatement of any hazardous materials if necessary for redevelopment and occupancy, and (iii) if enrollment of Parcel 1 in the

SRP was required (see Section 8.2.K.), the Developer's providing the Department with a copy of the Final No Further Remediation Letter for Parcel 1, the Developer shall request from the City a certificate of completion (the "Certificate of Completion"). Within forty-five (45) days thereof, the City shall provide the Developer with either the Certificate of Completion or a written statement indicating in adequate detail how the Developer has failed to complete the Project in compliance with this Agreement, or is otherwise in default, and what measures or acts are necessary, in the sole reasonable opinion of the Department, for the Developer to take or perform in order to obtain the Certificate of Completion. If the Department requires additional measures or acts to assure compliance, the Developer shall resubmit a written request for the Certificate of Completion upon compliance with the City's response. The Certificate of Completion shall be in recordable form, and shall, upon recording, constitute a conclusive determination of satisfaction and termination of certain of the covenants in this Agreement and the Deed (but excluding those on-going covenants as referenced in Section 17) with respect to the Developer's obligations to construct the Project on Parcel 1 (i.e., such Certificate of Completion does not amend or limit the parties' rights and obligations with respect to Parcel 2). The recordation of the Certificate of Completion shall constitute a conclusive determination of satisfaction and termination of Developer's covenant to secure a Final No Further Remediation Letter for the Property.

### **SECTION 13. RESTRICTIONS ON USE.**

The Developer, for itself and its successors and assigns, agrees as follows:

13.1 The Developer shall construct the Project in accordance with the Working Drawings and Specifications, this Agreement and all applicable Laws.

13.2 The Developer shall not, in violation of applicable law, discriminate on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status, or source of income in the sale, lease, rental, use or occupancy of the Property or any part thereof, except as permitted by applicable law.

13.3 The Developer shall devote Parcel 1 to a restaurant use and shall devote Parcel 2 to a parking lot for the benefit of the Parcel 1 restaurant.

13.4 Commencing one (1) year after the City's issuance of the Certificate of Completion, and annually thereafter, the Developer shall submit to the Department a report ("Report") which includes: (i) Developer's audited financial statements for the preceding calendar year; and (ii) documentation evidencing the Developer's payment of real estate taxes, if any, owed on the Property. Each Report must be submitted to the Department within thirty (30) days following the completion of the applicable one (1) year period.

**SECTION 14. TRANSFER OF PROPERTY; TRANSFER OF INTERESTS IN DEVELOPER.**

A. Restriction on Transfer Prior to Issuance of Certificate of Completion. Prior to the City's issuance of the Certificate of Completion, as provided herein, the Developer may not, without the prior written consent of the Department, which consent shall be in the Department's sole and absolute discretion: (a) directly or indirectly sell, transfer, convey, lease or otherwise dispose of all or substantially all of its assets or all or any portion of the Property (including but not limited to any fixtures or equipment now or hereafter attached thereto) or any interest therein or the Developer's controlling interests therein (including, without limitation, a transfer by assignment of any beneficial interest under a land trust), except for sales, transfers, conveyances, leases or other dispositions to an "Insider Party" (as defined in Section 14.E. below) ; or (b) directly or indirectly assign this Agreement. The Developer acknowledges and agrees that the Department may withhold its consent under (a) or (b) above if, among other reasons, the proposed purchaser, transferee or assignee (or such entity's principal officers, members or directors) is in violation of any Laws, or if the Developer fails to submit sufficient evidence of the financial responsibility, business background and reputation of the proposed purchaser, transferee or assignee. In the event of a proposed sale, transfer, conveyance, lease or other disposition of all or any portion of the Property, the Developer shall provide the City copies of any and all sales contracts, legal descriptions, descriptions of intended use, certifications from the proposed purchaser, transferee or assignee, as applicable, regarding this Agreement and such other information as the City may reasonably request. The proposed purchaser, transferee or assignee (including any purchaser, transferee or assignee that is an Insider Party) must be qualified to do business with the City (including but not limited to anti-scofflaw requirement).

B. Transfer of Property Within Twenty (20) Years Following the Effective Date. If the Developer sells the Property within twenty (20) years following the Effective Date (except for sales, transfers, conveyances, leases or other dispositions to an Insider Party), the Developer shall pay to the City as follows:

(i) if the Net Sale Proceeds are greater than or equal to the dollar amount of the Developer's equity contribution to the Project plus FMV of Parcel 1, then the Developer shall pay to the City a dollar amount equal to the sum of the "FMV of Parcel 1" and fifty percent (50%) of the Net Profit;

(ii) if the Net Sales Proceeds are greater than One Dollar (\$1.00), but less than the dollar amount of the Developer's equity contribution to the Project plus FMV of Parcel 1, then the Developer shall pay to the City on a pari passu basis a pro rata dollar amount equal to the FMV of Parcel 1 divided by (the FMV of Parcel 1 plus the dollar amount of the Developer's equity contribution to the Project); or

(iii) if the Net Sales Proceeds are negative (i.e., the Property is sold for a loss), then the Developer does not owe any money to the City pursuant to this Section 14.B.

For purposes of this Section 14.B., the following definitions shall apply:

2.5% ROI Amount: Dollar amount which represents 2.5% project ROI (determined using a method of calculation acceptable to the Department).

FMV of Parcel 1: The fair market value of Parcel 1, valued without improvements, as of date of the Developer's sale of the Property, as determined by an appraiser selected by the City and paid for by the Developer.

Net Profit: Net Sale Proceeds minus FMV of Parcel 1, which will be paid on a pari passu basis with a return of Developer's equity to Developer minus 2.5% ROI Amount.

Net Sale Proceeds: Gross sales price at which the Developer sells the Property to a third-party less closing costs and commissions less the dollar amount of the mortgage that was approved by the Department.

C. City Lien. Concurrent with the Parcel 1 Closing, the City shall record a lien in the amount of Two Hundred Sixty-Seven Thousand Dollars (\$267,000), which lien shall be subordinated to any construction or primary loan that is associated with the Project and has been approved by the Department. The Developer shall complete all documents required by the City in connection with the recording of such lien.

D. Transfer of Interests in the Developer. If the Developer is a business entity, no principal party of the Developer (e.g., a general partner, member, manager or shareholder) may sell, transfer or assign any of its interest in the entity prior to the date that is twenty (20) years following the Effective Date to anyone other than an Insider Party without the prior written consent of the Department, which consent shall be in the Department's sole and absolute discretion. The Developer must disclose the identity of all individuals and entities to the City at the time such individuals and entities obtain an interest in the Developer.

E. Insider Party. For purposes of this Section 14, "Insider Party" means an individual or entity that is eligible to do business with the City, and that satisfies one or more of the following criteria:

(i) existing (as of the Effective Date) shareholder, partner, or member of the Developer;

(ii) a spouse and/or issue or an entity solely controlled by a spouse and/or issue of any existing (as of the Effective Date) shareholders, partners, or members of the Developer;

(iii) the trustee(s) of a testamentary trust for the benefit of the spouse and/or issue of any existing (as of the Effective Date) shareholders, partners, or members of the Developer, that succeeded to Developer's interest upon any existing (as of the Effective Date) shareholders, partners, or members of the Developer's death, divorce, or legal separation; or

(iv) a new entity solely composed of any existing (as of the Effective Date) shareholders, partners, or members of the Developer and their spouse and/or issues.

**SECTION 15. LIMITATION UPON ENCUMBRANCE OF PROPERTY.**

A. Prior to the issuance of the Certificate of Completion, the Developer shall not, without the Department's prior written consent, which consent shall be in the Department's sole and absolute discretion, engage in any financing or other transaction which creates a financial encumbrance or lien on Parcel 1, except for the purposes of obtaining: (a) funds necessary to acquire the Property; (b) funds related to the Proof of Financing or otherwise necessary to construct the Project in substantial accordance with the Final Project Budget; and (c) after construction, funds necessary to own, maintain and operate the Property and the Project in accordance with the requirements of this Agreement. After the issuance of the Certificate of Completion, no City consent shall be required for any type of financing or other transaction which creates a financial encumbrance or lien on Parcel 1.

B. In no event shall the Developer engage in any financing or other transaction which creates a financial encumbrance or lien on Parcel 2 prior to the City's closing on the conveyance of Parcel 2 to the Developer.

**SECTION 16. MORTGAGEES NOT OBLIGATED TO CONSTRUCT**

Notwithstanding any other provision of this Agreement or of the Deed, the holder of any mortgage authorized by this Agreement (or any affiliate or nominee of such holder) shall not itself be obligated to construct or complete the Project, or to guarantee such construction or completion, but shall be bound by the other covenants running with the land specified in Section 17, and at the Parcel 1 Closing shall execute a Subordination Agreement as provided in Section 8.2. If any such mortgagee, affiliate or nominee succeeds to the Developer's interest in Parcel 1 prior to the issuance of the Certificate of Completion, whether by foreclosure, deed-in-lieu of foreclosure or otherwise, and thereafter transfers its interest in Parcel 1 to another party (that is not also a mortgagee, its affiliate or nominee), such transferee shall be obligated to complete the Project, and shall also be bound by the other covenants running with the land specified in Section 17.

**SECTION 17. COVENANTS RUNNING WITH THE LAND.**

The parties agree, and the Deed shall so expressly provide, that the covenants provided in Section 11 (Commencement and Completion of Project), Section 13 (Restrictions on Use), and Section 14 (Transfer of Property; Transfer of Interests in Developer) and Section 15 (Limitation Upon Encumbrance of Property) will be covenants running with the land, binding on the Developer and its successors and assigns (subject to the limitations set forth in Section 16 above as to any permitted mortgagee, affiliate or nominee) to the fullest extent permitted by law and equity for the benefit and in favor of the City, and shall be enforceable by the City. The covenants provided in Section 11, and Section 13.1 shall terminate upon the issuance of the Certificate of Completion. The covenants contained in Section 13.2 shall remain in effect without limitation as to time. The covenants contained in Sections 13.3 and 13.4 shall terminate twenty (20) years following the Effective Date. The covenants contained in Section 14 shall terminate on the date that is twenty (20) years following the Effective Date, unless terminated in writing at an earlier date in the sole and absolute discretion of the Commissioner. The covenants contained in Section 15.A shall terminate on the date the City issues the Certificate of

Completion. The covenants contained in Section 15.B. shall terminate immediately following the City's conveyance of Parcel 2 to the Developer. All terminations referenced in this Section 17 shall occur as and when set forth herein and shall not require additional City action such as issuance of a release or further authorization by City Council.

## SECTION 18. PERFORMANCE AND BREACH.

18.1 Time of the Essence. Time is of the essence in each party's performance of their respective obligations under this Agreement.

18.2 Permitted Delays. The Developer shall not be considered in breach of its obligations under this Agreement in the event of a delay due to unforeseeable causes beyond the Developer's control and without the Developer's fault or negligence, including but not limited to, acts of God, acts of the public enemy, acts of the United States government, fires, floods, epidemics, quarantine restrictions, strikes, embargoes, material shortages, and unusually severe weather or delays of contractors or subcontractors due to such causes. The time for the performance of the obligations shall be extended only for the period of the delay and only if the Developer requests it in writing of the City within thirty (30) days after the beginning of any such delay.

### 18.3 Breach

- a. Generally. If the Developer defaults in performing its obligations under this Agreement, the City shall deliver written notice of such default, after which the Developer shall have a 45-day cure period to remedy such default. If the default is not capable of being cured within the 45-day period, then provided the Developer has commenced to cure the default and is diligently proceeding to cure the default within the 45-day period, and thereafter diligently prosecutes such cure through to completion, then the 45-day period shall be extended for the length of time that is reasonably necessary to cure the default. If the default is not cured in the time period provided for herein, the City may institute such proceedings at law or in equity as may be necessary or desirable to cure and remedy the default, including but not limited to, proceedings to compel specific performance.

No notice or cure period shall apply to a failure to close by the respective dates as set forth in Section 3 herein, as such dates may have been extended by the Commissioner, in his sole and absolute discretion. Unless the failure to close is due to circumstances described in Section 18.2. above or caused by a breach by the City under the terms of this Agreement, such failure shall constitute an immediate "Event of Default". Failure to close by any of the dates set forth in Section 3 shall entitle the City to terminate this Agreement.

- b. Event of Default. The occurrence of any one or more of the following shall constitute an "Event of Default" after written notice from the City (if required):

1. The Developer fails to perform any obligation of the Developer under this Agreement, which default is not cured pursuant to Section 18.3.a.; or

2. The Developer makes or furnishes a warranty, representation, statement or certification to the City (whether in this Agreement, an Economic Disclosure Form, or another document) which is not true and correct, which default is not cured pursuant to Section 18.3.a.; or

3. A petition is filed by or against the Developer under the Federal Bankruptcy Code or any similar state or federal law, whether now or hereafter existing, which is not vacated, stayed or set aside within thirty (30) days after filing; or

4. Except as excused by Section 18.2 above, the Developer abandons or substantially suspends the construction work for a period of time greater than 60 days (no notice or cure period shall apply); or

5. Unless being contested in good faith by the Developer, the Developer fails to timely pay real estate taxes or assessments affecting the Property or suffers or permits any levy or attachment, material suppliers' or mechanics' lien, or any other lien or encumbrance unauthorized by this Agreement to attach to the Property, which default is not cured pursuant to Section 18.3(a); or

6. The Developer makes an assignment, pledge, unpermitted financing, encumbrance, transfer or other disposition in violation of this Agreement (no notice or cure period shall apply); or

7. The Developer's financial condition or operations adversely change to such an extent that would materially and adversely affect the Developer's ability to complete the Project, which default is not cured pursuant to Section 18.3.a.; or
