City, its officers, agents and employees, from and against any and all Losses which the Developer ever had, now have, or hereafter may have, whether grounded in tort or contract or otherwise, in any and all courts or other forums, of whatever kind or nature, whether known or unknown, foreseen or unforeseen, now existing or occurring after the Closing Date, based upon, arising out of or in any way connected with, directly or indirectly (i) any environmental contamination, pollution or hazards associated with the Property or any improvements, facilities or operations located or formerly located thereon, including, without limitation, any release, emission, discharge, generation, transportation, treatment, storage or disposal of Hazardous Materials, or threatened release, emission or discharge of Hazardous Materials; (ii) the structural, physical or environmental condition of the Property, including, without limitation, the presence or suspected presence of Hazardous Materials in, on, under or about the Property or the migration of Hazardous Materials from or to other Property; (iii) any violation of, compliance with, enforcement of or liability under any Environmental Laws, including, without limitation, any governmental or regulatory body response costs, natural resource damages or Losses arising under CERCLA; and (iv) any investigation, cleanup, monitoring, remedial, removal or restoration work required by any federal, state or local governmental agency or political subdivision or other third party in connection or associated with the Property or any improvements, facilities or operations located or formerly located thereon (collectively, "Released Claims"); provided, however, the foregoing release shall not apply to the extent such Losses are proximately caused by the gross negligence or willful misconduct of the City following the Closing Date. Furthermore, the Developer shall indemnify, defend (through an attorney reasonably acceptable to the City) and hold the City and its officers, agents and employees harmless from and against any and all Losses which may be made or asserted by any third parties (including, without limitation, any of the Developer Parties) arising out of or in any way connected with, directly or indirectly, any of the Released Claims, except as provided in the immediately preceding sentence for the City's gross negligence or willful misconduct following the Closing Date.

21.5 Release Runs with the Property. The covenant of release in Section 21.4 above shall run with the Property, and shall be binding upon all successors and assigns of the Developer with respect to the Property, including, without limitation, each and every person, firm, corporation, limited liability company, trust or other entity owning, leasing, occupying, using or possessing any portion of the Property under or through the Developer following the date of the Deed. The Developer acknowledges and agrees that the foregoing covenant of release constitutes a material inducement to the City to enter into this Agreement, and that, but for such release, the City would not have agreed to convey the Property to the Developer. It is expressly agreed and understood by and between the Developer and the City that, should any future obligation of the Developer or Developer Parties arise or be alleged to arise in connection with any environmental, soil or other condition of the Property, the Developer and any of the Developer Parties shall not assert that those obligations must be satisfied in whole or in part by the City, because Section 21.4 contains a full, complete and final release of all such claims, except as provided in such section for the City's gross negligence or willful misconduct following the Closing Date.

21.6 Survival. This Section 21 shall survive the Closing Date or any termination of this Agreement (regardless of the reason for such termination).

**SECTION 22. DEVELOPER'S EMPLOYMENT OBLIGATIONS.**

22.1 Employment Opportunity. The Developer agrees, and shall contractually obligate its various contractors, subcontractors and any affiliate of the Developer operating on the Property (collectively, the "Employers" and individually, an "Employer") to agree, that with respect to the provision of services in connection with the construction of the Project:

(a) Neither the Developer nor any Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, gender identity, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Section 2-160-010 et seq. of the Municipal Code of Chicago, as amended from time to time (the "Human Rights Ordinance"). The Developer and each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon the foregoing grounds, and are treated in a non-discriminatory manner with regard to all job-related matters, including, without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Developer and each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Developer and each Employer, in all print solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon the foregoing grounds.

(b) To the greatest extent feasible, the Developer and each Employer shall present opportunities for training and employment of low and moderate income residents of the City, and provide that contracts for work in connection with the construction of the Project be awarded to business concerns which are located in or owned in substantial part by persons residing in, the City.

(c) The Developer and each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including, without limitation, the Human Rights Ordinance, and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

(d) The Developer, in order to demonstrate compliance with the terms of this Section 22.1, shall cooperate with and promptly and accurately respond to reasonable inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) The Developer and each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the construction of the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any affiliate

operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 22.1 shall be a basis for the City to pursue remedies under the provisions of Section 18.

22.2 City Resident Employment Requirement. The Developer agrees, and shall contractually obligate each Employer to agree, that during the construction of the Project, the Developer and each Employer shall comply with the minimum percentage of total worker hours performed by actual residents of the City of Chicago as specified in Section 2-92-330 of the Municipal Code of Chicago (at least fifty percent); provided, however, that doing so does not violate a collective bargaining agreement of Developer or an Employer and that in addition to complying with this percentage, the Developer and each Employer shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

(a) The Developer and the Employers may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the chief procurement officer of the City of Chicago.

(b) "Actual residents of the City of Chicago" shall mean persons domiciled within the City of Chicago. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

(c) The Developer and the Employers shall provide for the maintenance of adequate employee residency records to ensure that actual Chicago residents are employed on the construction of Project. The Developer and the Employers shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

(d) The Developer and the Employers shall submit weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) to the Department in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Developer or Employer hired the employee should be written in after the employee's name.

(e) The Developer and the Employers shall provide full access to their employment records to the chief procurement officer, the Department, the Superintendent of the Chicago Police Department, the inspector general, or any duly authorized representative thereof. The Developer and the Employers shall maintain all relevant personnel data and records for a period of at least three (3) years after the issuance of the Certificate of Completion.

(f) At the direction of the Department, the Developer and the Employers shall provide affidavits and other supporting documentation to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

(g) Good faith efforts on the part of the Developer and the Employers to provide work for actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the chief procurement officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section 22.2 concerning the worker hours performed by actual Chicago residents.

(h) If the City determines that the Developer or an Employer failed to ensure the fulfillment of the requirements of this Section 22.2 concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section 22.2. If such non-compliance is not remedied in accordance with the breach and cure provisions of Section 18.3, the parties agree that 1/20 of 1 percent (.05%) of the aggregate hard construction costs set forth in the Final Project Budget shall be surrendered by the Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer and/or the other Employers or employees to prosecution.

(i) Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement.

(j) The Developer shall cause or require the provisions of this Section 22.2 to be included in all construction contracts and subcontracts related to the construction of the Project.

22.3 Developer's MBE/WBE Commitment. Developer's MBE/WBE Commitment. The Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the general contractor to agree, that during the construction of the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code of Chicago (the "Procurement Program"), and (ii) the Minority and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code of Chicago (the "Construction Program," and collectively with the

Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 22.3, during the course of construction of the Project, at least 26% of the aggregate hard construction costs shall be expended for contract participation by minority-owned businesses and at least 6% of the aggregate hard construction costs shall be expended for contract participation by women-owned businesses.

(b) For purposes of this Section 22.3 only:

(i) The Developer (and any party to whom a contract is let by the Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by the Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code of Chicago, as applicable.

(ii) The term "minority-owned business" or "MBE" shall mean a business identified in the Directory of Certified Minority Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a minority-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(iii) The term "women-owned business" or "WBE" shall mean a business identified in the Directory of Certified Women Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a women-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code of Chicago, the Developer's MBE/WBE commitment may be achieved in part by the Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture, or (ii) the amount of any actual work performed on the Project by the MBE or WBE); by the Developer utilizing a MBE or a WBE as the general contractor (but only to the extent of any actual work performed on the Project by the general contractor); by subcontracting or causing the general contractor to subcontract a portion of the construction of the Project to one or more MBEs or WBEs; by the purchase of materials or services used in the construction of the Project from one or more MBEs or WBEs; or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer's MBE/WBE commitment as described in this Section 23.3. In accordance with Section 2-92-730, Municipal Code of Chicago, the Developer shall not substitute any MBE or WBE general contractor or subcontractor without the prior written approval of the Department.

(d) The Developer shall deliver quarterly reports to the City's monitoring staff describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by the Developer or the general contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the construction of the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining the Developer's compliance with this MBE/WBE commitment. The Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the construction of the Project for at least five (5) years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by the Developer, on prior notice of at least five (5) business days, to allow the City to review the Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the construction of the Project.

(e) Upon the disqualification of any MBE or WBE general contractor or subcontractor, if the disqualified party misrepresented such status, the Developer shall be obligated to discharge or cause to be discharged the disqualified general contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code of Chicago, as applicable.

(l) Any reduction or waiver of the Developer's MBE/WBE commitment as described in this Section 22.3 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code of Chicago, as applicable.

22.4 Pre-Construction Conference and Post-Closing Compliance Requirements. Not less than fourteen (14) days prior to the Closing Date, the Developer and the Developer's general contractor and all major subcontractors shall meet with the Department monitoring staff regarding compliance with all Section 22 requirements. During this pre-construction meeting, the Developer shall present its plan to achieve its obligations under this Section 22, the sufficiency of which the City's monitoring staff shall approve as a precondition to the Closing. During the construction of the Project, the Developer shall submit all documentation required by this Section 22 to the City's monitoring staff, including, without limitation, the following: (a) subcontractor's activity report; (b) contractor's certification concerning labor standards and prevailing wage requirements; (c) contractor letter of understanding; (d) monthly utilization report; (e) authorization for payroll agent; (f) certified payroll; (g) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (h) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that the Developer is not complying with its obligations under this Section 22, shall, upon the delivery of written notice to the Developer, be deemed an Event of Default.

Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (w) issue a written demand to the Developer to halt construction of the Project, (x) withhold any further payment of any City funds to the Developer or the general contractor, or (y) seek any other remedies against the Developer available at law or in equity.

#### SECTION 23. REPRESENTATIONS AND WARRANTIES.

23.1 Representations and Warranties of the Developer. To induce the City to execute this Agreement and perform its obligations hereunder, the Developer hereby represents and warrants to the City that as of the date of this Agreement and as of the Closing Date the following shall be true and correct in all respects:

- a. The Developer is a limited liability company duly organized, validly existing and in good standing under the laws of the State of Illinois with full power and authority to acquire, own and redevelop the Property, and the person signing this Agreement on behalf of the Developer has the authority to do so.
- b. All certifications and statements contained in the Economic Disclosure Statement last submitted to the City by the Developer (and any legal entity holding an interest in the Developer) are true, accurate and complete.
- c. The Developer is in title to the Developer Parcels.
- d. The Developer's execution, delivery and performance of this Agreement and all instruments and agreements contemplated hereby will not, upon the giving of notice or lapse of time, or both, result in a breach or violation of, or constitute a default under, any other agreement to which the Developer, or any party affiliated with the Developer, is a party or by which the Developer or the Property is bound.
- e. To the best of the Developer's knowledge, no action, litigation, investigation or proceeding of any kind is pending or threatened against the Developer, or any party affiliated with the Developer, and the Developer knows of no facts which could give rise to any such action, litigation, investigation or proceeding, which could: (a) affect the ability of the Developer to perform its obligations hereunder; or (b) materially affect the operation or financial condition of the Developer.
- f. To the best of the Developer's knowledge, the Project will not violate: (a) any Laws, including, without limitation, any zoning and building codes and environmental regulations; or (b) any building permit, restriction of record or other agreement affecting the Property.

23.2 Representations and Warranties of the City. To induce the Developer to execute this Agreement and perform its obligations hereunder, the City hereby represents and warrants to the Developer that the City has authority under its home rule powers to execute and deliver this

Agreement and perform the terms and obligations contained herein, and the person signing this Agreement on behalf of the City has the authority to do so.

23.3 Survival of Representations and Warranties. Each of the parties agrees that all of its representations and warranties set forth in this Section 23 or elsewhere in this Agreement are true as of the date of this Agreement and will be true in all material respects at all times thereafter, except with respect to matters which have been disclosed in writing and approved by the other party.

#### SECTION 24. PROVISIONS NOT MERGED WITH DEED.

The provisions of this Agreement shall not be merged with the Deed, and the delivery of the Deed shall not be deemed to affect or impair the provisions of this Agreement.

#### SECTION 25. HEADINGS.

The headings of the various sections of this Agreement have been inserted for convenience of reference only and shall not in any manner be construed as modifying, amending, or affecting in any way the express terms and provisions thereof.

#### SECTION 26. ENTIRE AGREEMENT.

This Agreement constitutes the entire agreement between the parties and supersedes and replaces completely any prior agreements between the parties with respect to the subject matter hereof. This Agreement may not be modified or amended in any manner other than by supplemental written agreement executed by the parties.

#### SECTION 27. SEVERABILITY.

If any provision of this Agreement, or any paragraph, sentence, clause, phrase or word, or the application thereof is held invalid, the remainder of this Agreement shall be construed as if such invalid part were never included and this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

### SECTION 31. RECORDATION OF AGREEMENT.

Either party may record this Agreement at the Office of the Cook County Recorder of Deeds. The party so choosing to record this Agreement shall pay the recording fees.

### SECTION 32. OTHER ACTS

The parties agree to perform such other acts and to execute, acknowledge and deliver such other instruments, documents and materials as may be reasonably necessary to consummate the transactions contemplated by this Agreement.

### SECTION 33. BUSINESS RELATIONSHIPS.

The Developer acknowledges (1) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (2) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as described in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (3) notwithstanding anything to the contrary contained in this Agreement, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. The Developer hereby represents and warrants that no violation of Section 2-156-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

### SECTION 34. PATRIOT ACT CERTIFICATION.

The Developer represents and warrants that neither the Developer nor any Affiliate thereof (as defined in the next paragraph) is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

As used in the above paragraph, an "Affiliate" shall be deemed to be a person or entity related to the Developer that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Developer, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

SECTION 35. PROHIBITION ON CERTAIN CONTRIBUTIONS –  
MAYORAL EXECUTIVE ORDER NO. 2011-4.

Developer agrees that Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in Developer of more than 7.5 percent (“Owners”), spouses and domestic partners of such Owners, Developer’s contractors (i.e., any person or entity in direct contractual privity with Developer regarding the subject matter of this Agreement) (“Contractors”), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent (“Sub-owners”) and spouses and domestic partners of such Sub-owners (Developer and all the other preceding classes of persons and entities are together, the “Identified Parties”), shall not make a contribution of any amount to the Mayor of the City of Chicago (the “Mayor”) or to his political fundraising committee (1) after execution of this Agreement by Developer, (2) while this Agreement or any Other Contract is executory, (3) during the term of this Agreement or any Other Contract between Developer and the City, or (4) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

Developer represents and warrants that from the later to occur of (1) May 16, 2011, and (2) the date the City approached the Developer or the date the Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Developer agrees that it shall not: (1) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor’s political fundraising committee; (2) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor’s political fundraising committee; or (3) Bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Developer agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Developer agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Developer intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the closing of this Agreement, the City may elect to decline to close the transaction contemplated by this Agreement.

For purposes of this provision:

“Bundle” means to collect contributions from more than one source, which is then delivered by one person to the Mayor or to his political fundraising committee.

“Other Contract” means any other agreement with the City of Chicago to which Developer is a party that is (1) formed under the authority of chapter 2-92 of the Municipal Code of Chicago; (2) entered into for the purchase or lease of real or personal property; or (3) for materials, supplies, equipment or services which are approved or authorized by the City Council of the City of Chicago.

“Contribution” means a “political contribution” as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are “Domestic Partners” if they satisfy the following criteria:

1. they are each other's sole domestic partner, responsible for each other's common welfare; and
2. neither party is married; and
3. the partners are not related by blood closer than would bar marriage in the State of Illinois; and
4. each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
5. two of the following four conditions exist for the partners:
  - a. The partners have been residing together for at least 12 months.
  - b. The partners have common or joint ownership of a residence.
  - c. The partners have at least two of the following arrangements:
    - i. joint ownership of a motor vehicle;
    - ii. a joint credit account;
    - iii. a joint checking account;
    - iv. a lease for a residence identifying both domestic partners as tenants.
  - d. Each partner identifies the other partner as a primary beneficiary in a will.

“Political fundraising committee” means a “political fundraising committee” as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

#### SECTION 36. FAILURE TO MAINTAIN ELIGIBILITY TO DO BUSINESS WITH THE CITY.

Failure by Developer or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for

termination of the Agreement and the transactions contemplated thereby. Developer shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

#### SECTION 37. INSPECTOR GENERAL AND LEGISLATIVE INSPECTOR GENERAL.

It is the duty of every officer, employee, department, agency, contractor, subcontractor, developer and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Legislative Inspector General and with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapters 2-55 and 2-56, respectively, of the Municipal Code of Chicago. The Developer understands and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code of Chicago.

#### SECTION 38. 2014 CITY HIRING PLAN.

(i) The City is subject to the June 16, 2014 "City of Chicago Hiring Plan" (as amended, the "2014 City Hiring Plan") entered in *Shakman v. Democratic Organization of Cook County*, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the 2014 City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(ii) The Developer is aware that City policy prohibits City employees from directing any individual to apply for a position with the Developer, either as an employee or as a subcontractor, and from directing the Developer to hire an individual as an employee or as a subcontractor. Accordingly, the Developer must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by the Developer under this Agreement are employees or subcontractors of the Developer, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by the Developer.

(iii) The Developer will not condition, base, or knowingly prejudice or affect any term or aspect to the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(iv) In the event of any communication to the Developer by a City employee or City official in violation of subparagraph (ii) above, or advocating a violation of subparagraph (iii) above, Developer will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General (the "OIG"), and also to

The Landlord shall be responsible for all loss or damage to personal property (including but not limited to materials, equipment, tools and supplies), owned or rented, by the Landlord.

6.2 Other Terms of Insurance. Within thirty (30) days after receipt of written request from Tenant, the Landlord will furnish the City of Chicago, Department of Fleet and Facility Management, Office of Real Estate Management, 30 North LaSalle Street, Suite 300, Chicago, Illinois 60602, a Certificate of Insurance evidencing the required coverage to be in force on the date of this Lease. The Landlord shall submit evidence on insurance prior to the commencement of the Term. The receipt of any certificates does not constitute agreement by the City that the insurance requirements in the Lease have been fully met or that the insurance policies indicated on the certificate are in compliance with all Lease requirements. The failure of the City to obtain certificates or other insurance evidence from Landlord shall not be deemed to be a waiver by the City. Non-conforming insurance shall not relieve Landlord of its obligation to provide Insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Lease.

The Insurance shall provide that should any of the applicable policies be canceled before the expiration date thereof, the issuing insurer will endeavor to mail 60 days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed but failure to do so shall impose no obligation or liability of any kind upon the insurer, its agents or representatives.

Any and all deductibles or self insured retentions on referenced insurance coverages shall be borne by Landlord.

The Landlord agrees that Landlord shall waive the right of subrogation against the City of Chicago.

The Landlord expressly understands and agrees that any coverages and limits furnished by Landlord shall in no way limit the Landlord's liabilities and responsibilities specified within the Lease documents or by law.

The Landlord expressly understands and agrees that any insurance or self insurance programs maintained by the City of Chicago shall apply in excess of and not contribute with insurance provided by the Landlord under the lease.

The required insurance shall not be limited by any limitations expressed in the indemnification language herein or any limitation placed on the indemnity therein given as a matter of law.

6.3 Landlord's Indemnification. Landlord shall indemnify and hold Tenant harmless against all liabilities, judgment costs, damages, and expenses which may accrue against, be charged to, or be recovered from Tenant by reason of Landlord's negligent performance of or failure to perform any of its obligations under this Lease.

## SECTION 7. DAMAGE OR DESTRUCTION

7.1 Damage or Destruction. If the Premises is damaged or destroyed by fire or other casualty or event to such extent that Tenant cannot continue occupancy or conduct its normal business therein, and if such damage or destruction is not repaired by Landlord or Tenant within ninety (90) days after the occurrence of such damage or destruction, then Tenant or Landlord shall have the option within one hundred (100) days after the occurrence of such damage or destruction to declare this Lease terminated as of the date of such damage or destruction by giving the other party written notice to such effect. If Tenant or Landlord exercises this option, the rent shall be apportioned as of the date of such damage or destruction and Landlord shall forthwith repay to Tenant all prepaid rent. In any event, rent payable by Tenant under this Lease shall abate during the period the Premises are rendered untenantable by such damage or destruction in proportion to the number of square feet of floor space in the Premises that are untenantable as the result of such fire or other casualty.

## SECTION 8. CONFLICT OF INTEREST AND GOVERNMENTAL ETHICS

8.1 Conflict of Interest. No official or employee of the City of Chicago, nor any member of any board, commission or agency of the City of Chicago, shall have any financial interest, (as directed in Chapter 2-156 of the Municipal Code of Chicago), either direct or indirect, in the Premises; nor shall any such official, employee, or member participate in making or in any way attempt to use his/her position to influence any City governmental decision or action with respect to this Lease.

8.2 Duty to Comply with Governmental Ethics Ordinance. Landlord and Tenant shall comply with Chapter 2-156 of the Municipal Code of Chicago, "Governmental Ethics," including but not limited to section 2-156-120, which states that no payment, gratuity, or offer of employment shall be made in connection with any City of Chicago contract as an inducement for the award of that contract or order. Any contract negotiated, entered into, or performed in violation of any of the provisions of Chapter 2-156 shall be voidable as to the City of Chicago.

#### SECTION 9. HOLDING OVER

9.1 Holding Over. Any holding over by Tenant shall be construed to be a tenancy from month to month only beginning on the date the Term ends and the base monthly rent shall be at the same rate as set forth in Section 3.1 (g) of this Lease. During any holding over period, Tenant shall also be responsible for the Reimbursement of Costs as set forth in Section 3.3 of this Lease and any other amounts payable by Tenant under this Lease.

#### SECTION 10. MISCELLANEOUS

10.1 Notice. All notices, demands and requests which may be or are required to be given, demanded or requested by either party to the other shall be in writing. Chicago, Illinois 60659-3995  
Attn: Mr. Franklin L. Friedman

or at such other place as Landlord may from time to time designate by written notice to Tenant. Any notice, demand or request which shall be served upon Landlord by Tenant, or upon Tenant by Landlord, in the manner aforesaid, shall be deemed to be sufficiently served or given for all purposes hereunder at the time such notice, demand or request shall be mailed.

10.2 Partial Invalidity. If any covenant, condition, provision, term or agreement of this Lease shall, to any extent, be held invalid or unenforceable, the remaining covenants, conditions, provisions, terms and agreements of this Lease shall not be affected thereby, but each covenant, condition, provision, term or agreement of this Lease shall be valid and in force to the fullest extent permitted by law.

10.3 Governing Law. This Lease shall be construed and be enforceable in accordance with the laws of the State of Illinois, without regard to conflicts of law principles.

10.4 Entire Agreement. All preliminary and contemporaneous negotiations are merged into and incorporated in this Lease. This Lease contains the entire agreement between the parties and shall not be modified or amended in any manner except by an instrument in writing signed by the Landlord and Tenant.

10.5 Captions and Section Numbers. The captions and section numbers appearing in this Lease are inserted only as a matter of convenience and in no way define, limit, construe or describe the scope or intent of such sections of this Lease nor in any way affect this Lease.

10.6 Binding Effect of Lease. The covenants, agreements, and obligations contained in this Lease shall extend to, bind, and inure to the benefit of the parties hereto and their legal representatives, heirs, successors, and assigns.

10.7 Time is of the Essence. Time is of the essence of this Lease and of each and every provision hereof.

10.8 No Principal/Agent or Partnership Relationship. Nothing contained in this Lease shall be deemed or construed by the parties hereto or by any third party as creating the relationship of principal and agent or of partnership or of joint venture between the parties hereto.

10.9 Authorization to Execute Lease. The parties signing this Lease hereby represent and warrant that they are the duly authorized and acting representatives of Landlord and Tenant respectively and that by their signing of this Lease it became the binding obligation of Landlord and Tenant respectively, subject to no contingencies or conditions except as specifically provided herein.

10.10 Termination of Lease. Tenant shall have the right to terminate this Lease by providing the Landlord with one hundred eighty days (180) prior written notice any time after December 31, 2018. If Tenant exercises this termination right, Tenant shall reimburse Landlord one eighty-fourth (1/84<sup>th</sup>) of the Build Out Costs, as defined in Exhibit C, capped at a total of Three Hundred Thousand Dollars (\$300,000), for each month remaining on the Term of the Lease.

10.11 Force Majeure. When a period of time is provided in this Lease for either party to do or perform any act or thing, the party shall not be liable or responsible for any delays due to strikes, lockouts, casualties, acts of God, wars, governmental regulation or control, and other

causes beyond the reasonable control of the party, and in any such event the time period shall be extended for the amount of time the party is so delayed.

10.12 Condemnation. If the whole or any substantial part of the Premises are taken or condemned by any competent authority for any public use or purpose, or if any adjacent property or street shall be so condemned or improved in such a manner as to require the use of any part of the Premises, the term of this Lease shall, at the option of Landlord or the condemning authority, be terminated upon, and not before, the date when possession of the part so taken shall be required for such use or purpose, and Landlord shall be entitled to receive the entire award without apportionment with Tenant. Rent shall be apportioned as of the date of Tenant's vacating as the result of said termination.

10.13 No Broker. Tenant warrants to Landlord that no broker or finder (a) introduced Tenant to the Premises, Irving or Franklin L. Friedman, (b) assisted Tenant in the negotiation of this Lease, or (c) dealt with Tenant on Tenant's behalf in connection with the Premises or this Lease. Landlord warrants to Tenant that, except for Franklin L. Friedman, no broker or finder (a) introduced Landlord to Tenant, (b) assisted Landlord in the negotiation of this Lease, or (c) dealt with Landlord on Landlord's behalf in connection with the Premises or this Lease. Landlord hereby discloses to Tenant that Franklin L. Friedman has a financial interest in Landlord, is a licensed Illinois real estate broker, and is not claiming any commission as a result of this Lease.

10.14 Prior Lease. Landlord and Tenant acknowledge and agree that the Tenant has leased a portion of the Premises under the 2013 Lease. Landlord and Tenant each acknowledge and agree that that the other party has performed all obligations under the 2013 Lease and that neither party has any claims against the other with respect to the 2013 Lease.

## SECTION 11. ADDITIONAL RESPONSIBILITIES OF LANDLORD

11.1 Landlord's Responsibilities. Landlord shall perform the following (subject to the provisions of Paragraph 11.2 of this Lease):

- (a) Provide water to the Premises;
- (b) Provide any required maintenance to the foundation and brick portions (other than doors and windows) of the exterior masonry structural walls of the Premises and repair any leak in the roof of the Premises; and
- (c) Clean the sidewalk in front of the Premises to the same extent that Landlord provides such service to the other tenants in Irving Plaza.

11.2 Qualifications. Notwithstanding anything to the contrary set forth in the preceding Paragraph 11.1 of this Lease:

- (a) Landlord shall only be required to perform any of Landlord's obligations pursuant to the preceding Paragraph 11.1 of this Lease within a reasonable period of time (considering Acts

of God and other occurrences beyond Landlord's control) after Landlord receives from Tenant written notice identifying the need for the performance of such obligation;

(b) Landlord shall only be required to perform such exterior obligations if the exterior weather conditions are conducive for the performance of such obligation;

(c) Landlord shall only be required to perform such obligation if the need for the performance of such obligation is not caused by any act or neglect of Tenant or any of Tenant's employees, contractors, agents, representatives, invitees or any person or entity holding by, through or under Tenant; and

(d) Landlord shall not be liable to Tenant for any damage to any property of Tenant or for any loss of business in or use of the Premises caused by the need for the performance by Landlord of any obligation.

11.3 Build Out. Prior to the Commencement Date, the Landlord will have completed the repair and build out of the Premises as agreed to between Landlord and Tenant, and as further described in Exhibit B attached hereto.

## SECTION 12. ADDITIONAL RESPONSIBILITIES OF TENANT

12.1 Tenant's Responsibilities. Tenant, at Tenant's cost and expense, shall at all times during the term of this Lease:

(a) Replace any broken glass on, in or about the Premises (including glass in any walls, doors and windows) provided that said damage was not caused by Landlord or Landlord's employees or attributable to Landlord negligence or Landlord's employee's negligence;

(b) Provide nightly custodial services for the Premises which shall be construed as cleaning, scavenger, exterminator, window and other washing, emptying wastepaper baskets, replacement of light bulbs and tubes and lighting ballasts and sweeping of any kind;

(c) Maintain and repair in operating condition the Premises and all parts thereof, including without limitation the heating, air-conditioning, lighting, electrical, plumbing and other equipment, fixtures, parts and/or systems in or for the Premises (except for Landlord's obligations under Section 11 of this Lease);

(d) Upon the termination of this Lease, surrender the Premises to Landlord in a comparable condition that existed at the Premises as of the Commencement Date, with normal wear and tear taken into consideration;

(e) Allow Landlord to place upon the Premises rental signs each not to exceed 2 feet square in size;

(f) Provide monthly alarm service, if determined to be necessary by Tenant;

(g) Not perform or permit any practice than may (i) damage the reputation of, or otherwise be injurious to, the Premises or neighborhood, or (ii) be disturbing to other tenants, or (iii) be illegal, or (iv) increase the rate of insurance on the Premises; and

(h) Keep out of the Premises materials which cause a fire hazard or safety hazard; Comply with reasonable requirements of Landlords' fire insurance carrier; Not destroy, deface, damage, impair, or remove any part of the Premises or facilities, equipment or appurtenances thereto; and Maintain any smoke detectors in the Premises in accordance with applicable law.

### SECTION 13. ADDITIONAL CLAUSES

13.1 Lease Supremacy. Landlord and Tenant acknowledge that except as expressly set forth in this Lease, this Lease supersedes any prior leases for the Premises between Tenant and Landlord or Landlord's predecessor-in-interest. Except as expressly set forth in this Lease, the prior leases are null and void and of no further force or effect.

13.2 Non-disturbance and Attornment Agreement. In the event that the Premises are subject to a mortgage as of the date of this Lease, a non-disturbance and attornment agreement will be obtained from any mortgagee(s) at that time.

13.3 Closure of Library. Landlord, at Landlord's option may (but shall not be obligated to) perform maintenance and/or other work from time to time during the term of this Lease to the front masonry wall of the building in which the Premises is located. If Landlord delivers two weeks prior written notice to Tenant requesting that Tenant close the library during the period in which Landlord is performing such work, Tenant (at Tenant's cost and expense) shall close the library during such period. If Landlord so notifies Tenant in writing that Landlord is requiring Tenant to so close the library, the base rent payable under this Lease shall abate during such period that Landlord requires Tenant to so close.

### SECTION 14. DISCLOSURES AND REPRESENTATIONS

14.1 Business Relationships. Landlord acknowledges (a) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (b) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (c) notwithstanding anything to the contrary contained in this Lease, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Lease shall be grounds for termination of this Lease and the transactions contemplated hereby. Landlord hereby represents and warrants that no violation by Landlord of Section 2-145-030 (b) has occurred with respect to this Lease or the transactions contemplated hereby.

14.2 Patriot Act Certification. Landlord represents and warrants that neither Landlord nor, to the best of Landlord's knowledge, any Affiliate (as hereafter defined) thereof is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable Laws: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. As used in this Section, an "Affiliate" shall be deemed to be a person or entity related to Landlord that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Landlord, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

14.3 Prohibition on Certain Contributions-Mayoral Executive Order No. 2011-4. Landlord agrees that Landlord, any person or entity who directly or indirectly has an ownership or beneficial interest in Landlord of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Landlord's contractors (i.e., any person or entity in direct contractual privity with Landlord regarding the subject matter of this Lease) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Landlord and all the other preceding classes of persons and entities are together the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (a) after execution of this Lease by Landlord, (b) while this Lease or any Other Contract (as hereinafter defined) is executory, (c) during the term of this Lease or any Other Contract, or (d) during any period while an extension of this Lease or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to May 16, 2011, the effective date of Executive Order 2011-4.

Landlord represents and warrants that to the best of Landlord's knowledge from the later of (a) May 16, 2011, or (b) the date the City approached Landlord, or the date Landlord approached the City, as applicable, regarding the formulation of this Lease, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Landlord agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Landlord agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Notwithstanding anything to the contrary contained herein, Landlord agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this Lease or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Lease, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this Lease, and under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Landlord intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the Closing, the City may elect to decline to close the transaction contemplated by this Lease.

For purposes of this provision:

(a) "Bundle" means to collect contributions from more than one source, which contributions are then delivered by one person to the Mayor or to his political fundraising committee.

(b) "Other Contract" means any other agreement with the City to which Landlord is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council.

(c) "Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

(d) Individuals are "domestic partners" if they satisfy the following criteria:

(i) they are each other's sole domestic partner, responsible for each other's common welfare; and

(ii) neither party is married; and

(iii) the partners are not related by blood closer than would bar marriage in the State of Illinois; and

(iv) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and

(v) two of the following four conditions exist for the partners:

(1) The partners have been residing together for at least 12 months.

(2) The partners have common or joint ownership of a residence.

(3) The partners have at least two of the following arrangements:

(A) joint ownership of a motor vehicle;

(B) joint credit account;

- (C) a joint checking account;
  - (D) a lease for a residence identifying both domestic partners as tenants.
- (4) Each partner identifies the other partner as a primary beneficiary in a will.

(e) "Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

14.4 Waste Ordinance Provisions. In accordance with Section 11-4-1600(c) of the Municipal Code of Chicago, Landlord warrants and represents that it, and to the best of its knowledge, its Contractors and its subcontractors regarding the subject matter of this Lease ("Subcontractors"), have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this Lease is executory, Landlord's, any general Contractor's or any Subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Lease, constitutes a breach of and an event of default under this Lease, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Commissioner of the Department of Fleet and Facility Management. Such breach and default entitles the City to all remedies under this Lease, at law or in equity. This section does not limit Landlord's, its general Contractors' and its Subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Lease. Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Lease, and may further affect the Landlord's eligibility for future contract awards.

14.5 Failure to Maintain Eligibility to do Business with City. Failure by Landlord or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of this Lease and the transactions contemplated thereby. Landlord shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

14.6 Cooperation with Office of Inspector General and Legislative Inspector General. It is the duty of Landlord and any bidder, proposer, contractor, subcontractor, and every applicant for certification of eligibility for a City contract or program, and all officers, directors, agents, partners, and employees of any such grantee, subgrantee, bidder, proposer, contractor, subcontractor or such applicant to cooperate with the Legislative Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-55 of the Municipal Code, and to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code. Landlord represents and warrants that it understands and will abide by all provisions of Chapter 2-55 and Chapter 2-56 of the Municipal Code and that Landlord will inform its Contractors and Subcontractors of this provision and include a provision requiring their compliance with such Chapters 2-55 and 2-56 in any written agreement between Landlord and its Contractors and Subcontractors.

#### 14.7 2014 Hiring Plan Prohibitions.

(i) The City is subject to the June 16, 2014 "City of Chicago Hiring Plan", as amended (the "2014 City Hiring Plan") entered in *Shakman v. Democratic Organization of Cook County*, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the 2014 City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(ii) Landlord is aware that City policy prohibits City employees from directing any individual to apply for a position with Landlord, either as an employee or as a subcontractor, and from directing Landlord to hire any individual as an employee or as a subcontractor. Accordingly, Landlord must follow its own hiring and contracting procedures, without being influenced by City or City employees. Any and all personnel provided by Landlord under this Lease are employees or subcontractors of Landlord, not employees of the City. This Lease is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Landlord.

(iii) Landlord will not condition, base, or knowingly prejudice or affect any term or aspect of the employment of any personnel provided under this Lease, or offer employment to any individual to provide services under this Lease, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Lease, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(iv) In the event of any communication to Landlord by a City employee or City official in violation of paragraph (ii) above, or advocating a violation of paragraph (iii) above, Landlord will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("OIG Hiring Oversight"), and also to the head of the relevant City department utilizing services provided under this Lease. Landlord will also cooperate with any inquiries by OIG Hiring Oversight.

IN WITNESS WHEREOF, the parties have executed this Lease as of the day and year first written above.

The Applicant shall seek LEED certification (or equivalent alternative certification, such as Energy Star) and provide a 50 percent net green roof on Building 2 and Building 4 as shown on the Proposed Landscape/Green Roof Plan.

Applicant shall construct the open space shown on the site plan. The open space shall continue to be privately owned, maintained and subject to occasional partial closure for private use but, subject to the foregoing, shall remain accessible to the public during hours in which public parks are accessible to the public. Nothing contained herein shall preclude residents or other individuals from using the open space for other private uses, provided that they obtain all necessary governmental approvals and permits.
15. The Applicant acknowledges and agrees that the rezoning of the Property from the B3-3 Community Shopping District to the B3-5 Community Shopping District and then to this Planned Development, triggers the requirements of Section 2-45-115 of the Municipal Code (the "Affordable Requirements Ordinance" or "ARO").

Any developer of a "residential housing project" within the meaning of the ARO must: (i) set aside 10 percent of the housing units in the residential housing project (the "Required Units") as affordable units, or provide the Required Units in an approved off-site location; (ii) pay a fee in lieu of the development of the Required Units; or (iii) any combination of (i) and (ii); provided, however, that residential housing projects with 20 or more units must provide at least 25 percent of the Required Units on-site or, with the Commissioner's approval, off-site. If the developer elects to provide affordable units off-site, the off-site affordable units must be located within a two-mile radius from the residential housing project and in a higher income area or downtown district. The Property is located in a "higher income area" within the meaning of the ARO, and the Applicant has agreed to satisfy its affordable housing obligation by providing 26 affordable units in the rental Building 1 and Building 2 to be constructed in the Planned Development, as set forth in the Affordable Housing Profile Form attached hereto as Exhibit [\_\_\_\_]. The Applicant agrees that the affordable rental units must be affordable to households earning no more than 60 percent of the Chicago Primary Metropolitan Statistical Area Median Income (AMI), as updated annually by the City of Chicago. If the Applicant subsequently reduces (or increases) the number of housing units in the Planned Development, the Applicant shall update and resubmit the Affordable Housing Profile Form to the Department of Planning and Development ("DPD") for review and approval, and DPD may adjust the number of required Affordable Units without amending the Planned Development. Prior to the issuance of any building permits for any residential building in the Planned Development, including, without limitation, excavation or foundation permits, the Applicant must execute and record an affordable housing agreement in accordance with Section 2-45-115(L). The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the affordable housing agreement will be recorded against the Planned Development, or the applicable portion thereof, and will constitute a lien against such property. The Commissioner of DPD may enforce remedies for any breach of this Statement 15, including any breach of any affordable housing agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development.

16. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development ordinance lapse, the Commissioner of DPD shall initiate a zoning map amendment to rezone the Property to the B3-2 Community Shopping District.

The edge of the south dock shall consist of an approximate 26-foot zone in which various boat and ship docking accessories, pavilions, kiosks, planters and furniture are permitted. To the north and adjacent to this 26-foot zone, there shall be an approximately 20-foot clear zone, free and clear of all obstructions for easy pedestrian passage.
- (v) The edge of the north dock shall consist of an approximately 10-foot zone in which various boat and ship dock accessories, kiosks, planters and furniture are permitted provided that public pedestrian passage is feasible.
- (vi) The boat and ship docking accessories described above include, but are not limited to, gangplanks, stairs and accessory structures, pavilions and kiosks. These accessories shall be appropriate and consistent with the character of the Navy Pier and Headlands Subareas development. They shall be sized and located to avoid unreasonable interference with public pedestrian passage or with public access to the water or lake front vistas. The location of the accessories of each boat or ship shall be limited to the boat dock areas set forth in Statement 11 hereof. They shall be limited to movable or semi-permanent structures.
- (vii) Movable or semi-permanent kiosks are also permitted in the Headlands Subarea and elsewhere along the south dock of the Navy Pier Subarea, except in the clear zones. The kiosks shall be sized and located appropriately and consistently with the character of this Planned Development. Moreover, they shall not unreasonably interfere with public pedestrian passage or with public access to the water or the lake front vista.
- (viii) Permanent kiosks or other permanent buildings or structures located anywhere on the Property are subject to the approval of the Commissioner. The approximately 4,000 square foot "Welcome Pavilion" proposed to be developed in the Headlands Subarea, as depicted on the plans, is hereby approved.
- (ix) The areas depicted on the Conceptual Site/Landscape Plan -- On-Pier Park, Exhibit 9, described by Statement 5 of this Planned Development, west of the area depicted as Chicago Shakespeare Theater Expansion, commonly known as the Crystal Garden and On-Pier Park, shall be designed, constructed and maintained as public spaces to provide areas for

passive activities and public gathering and, except as provided herein, at no charge or cost to public users; provided, however, that the restaurant/cafe and catered dining areas depicted in the Conceptual Site/Landscape Plan -- On-Pier Park, Exhibit 9, described in Statement 5 of this Planned Development, may charge customers for their use of said restaurant/cafe and catered dining areas. Within the Crystal Garden, the public space consists of approximately 22,000 square feet of area, centrally located. Each of these public areas shall be (a) handicapped accessible, (b) designed to function as a public space, (c) improved with seating and tables appropriately located and arranged and in reasonable and sufficient quantities to encourage public use, (d) provided with appropriate interior and exterior landscaping, (e) reasonably accessible to restroom facilities and to food and beverage facilities, and (f) except as provided herein, shall be open to the public during all operating hours. Regular musical entertainment, live performances and cultural programs and exhibits within these areas are encouraged. The areas shall be maintained in a clean and litter free condition. The Crystal Garden shall have largely unobstructed views from within the space out to the lake and City.

- (x) Limited private uses of the Crystal Garden during operating hours are permitted; provided, however, these uses, except for the restaurant/cafe and catered dining areas, may occur only very occasionally (from time to time), must be more limited in the summer months than otherwise.
- (xi) It may be necessary in connection with live music, live performances or other events in the Crystal Garden and On-Pier Park to charge a fee to cover the cost of the entertainment. Also, the applicant may charge a reasonable fee to ride the carousel, Ferris wheel, or swing ride, or other rides or attractions, or for special entertainment in the On-Pier Park.
- (xii) Appropriate and decorative lighting of all exterior public pedestrian areas and budget permitting, of appropriate Navy Pier Subarea building features, shall be provided and maintained. In no circumstances should lighting on the Property be directed at Lake Point Tower.
- (xiii) The Navy Pier Subarea, Headlands Subarea and Dime Pier Subarea development contemplated herein are intended to be a single, integrated project; provided, however, that the work described in Exhibits 8 through 27, 38 through 43, and 45 through 52 and the Dime Pier Subarea development may be conducted in stages and phases, as designated by the applicant or, with respect to the Dime Pier Subarea, the Chicago Park District.
- (xiv) The MPEA, with respect to the Headlands and Navy Pier Subareas, and the Chicago Park District, with respect to the Jane Addams Park Subarea and Dime Pier Subarea, shall make appropriate arrangements to ensure public safety and public access to such subareas, to the extent feasible,

during construction. If requested by any appropriate department of the City, the MPEA or the Chicago Park District, as applicable, shall provide and follow a reasonably acceptable plan and schedule of such arrangements; which plan shall be coordinated with the Department.

11. The perimeter of the north and south dock areas of the Navy Pier and Headlands Subareas may be used to dock boats and ships, and passengers may embark and disembark from such boats and ships along the docks of the Navy Pier and Headlands Subareas, provided that the following principles are followed:
  - (i) Pedestrian circulation along, and public access to, the dock's edge and views from the pedestrian areas of the Navy Pier and Headlands Subareas shall not be unreasonably impaired. In the Headlands Subarea (except in areas adjacent to Ogden Slip) and the south dock of the Navy Pier Subarea no more than fifty percent (50%) of each of the dock's length may be occupied by docked boats or ships at any one time, and each docked boat or ship shall be separated from every other docked boat or ship by fifty (50) feet, or if separated by a lesser distance, the total length of any portion of the dock which is occupied by boats or ship at any one time shall not exceed two hundred (200) feet (unless occupied by a single boat longer than two hundred (200) feet in which case said boat shall be separated from every other boat by fifty (50) feet).
  - (ii) The operation of docked boats and ships shall be regulated by the MPEA to avoid unreasonable adverse impacts of such uses on the surrounding neighborhood. These impacts include, but are not limited to, noise created by passengers and litter.
  - (iii) No boats or ships shall be permanently docked on the north, south or east side of the Navy Pier Subarea adjacent to the Auditorium. Embarking and disembarking of boat passengers along any portion of the Headlands (except the easternmost docks) of the Headlands Subarea shall not be permitted after 11:00 P.M. on weekdays and 12:00 A.M. on weekends.
12. The maximum permitted Floor Area Ratio ("FAR") for the site shall be in accordance with the attached Bulk Regulations Table. For the purposes of FAR calculations and measurements, the definitions in the Zoning Ordinance shall apply. For purposes of grade, the definition in the Zoning Ordinance shall apply. The permitted FAR identified in the Bulk Regulations Table has been determined using a Net Site Area of 4,718,841 square feet.
13. The MPEA, with respect to the Navy Pier and Headlands Subareas, acknowledges that the development of such subareas will have unique traffic-generation and parking characteristics which will require diligent and ongoing operational control to assure that the impact of the development on the surrounding traffic network, park

uses, pedestrian flow and parking supply will not be unreasonably adverse. The MPEA further acknowledges that, although the streets on the Headlands Subarea will be City-owned streets over which the City shall maintain legal jurisdiction, the generation of traffic activity and the traffic activity itself on these streets will largely be within the control of the MPEA.

Accordingly, the MPEA shall be responsible for implementing certain operational controls over parking and traffic activity expected to occur on the Navy Pier and Headlands Subareas. These operational controls are set forth in the "Traffic Management Plan" ("TMP") Exhibit 29 described in Statement 5 in this Planned Development. The TMP, as it may be amended or otherwise modified from time to time, shall be effective upon passage and approval of this Planned Development, or in accordance with such amendment or modification from time to time, and shall be deemed an integral part of this Planned Development. The MPEA's compliance with the TMP shall be a requirement of this Planned Development.

In order to assure the TMP's effectiveness, the Commissioner may request, not more than once every two years after the effective date of this Planned Development, MPEA to submit, and MPEA shall so submit, reports describing traffic and parking activity and assessing the effectiveness of the various provisions of the TMP as they relate to the Navy Pier and Headlands Subareas, and any recommended modifications thereto. Additionally, the MPEA, or its designated representative, shall cooperate with the City and with applicable transit agencies in the on-going review and updating of the TMP, as it relates to the Navy-Pier and Headlands Subareas.

Modifications may be made to the TMP at any time with the approval of the Commissioner. Such modifications and approvals shall be kept on file with the Department.

In order to assure that the provisions of the TMP are properly carried out and that proper and prompt coordination exists among the MPEA and the various departments of the City and the applicable transit departments of the City and the applicable transit agencies and the public, the MPEA shall designate and maintain a Transportation Coordinator ("TC"). The TC may consist of one (1) or more individuals, but in any event, a single person, entity or division of the MPEA shall be readily available and apparent for inquiry by any parties concerned. The TC shall be charged with the responsibility, on behalf of the MPEA, to (a) oversee and coordinate the day-to-day implementation of the TMP, (b) act as a formal point of communication between the MPEA and any other agencies or individuals inquiring or concerned about traffic, or parking-related issues, and (c) coordinate traffic loading and parking management activity with representatives of the City and the appropriate transit agencies.

14. The MPEA acknowledges that with the development of the "River East Corridor", there is a need for a comprehensive traffic management plan for a larger area than that contemplated by the TMP, Exhibit 29. In order to serve this need the creation of a Traffic Management Authority ("TMA") covering that broader area may be

necessary. In the event a TMA is created, the MPEA agrees to join the TMA; to be an active and participating member of its board; and to cooperate and participate in the creation of such a comprehensive plan, and in the preparation of a funding structure which implements the plan and which at a minimum advances the goal of providing regular, frequent shuttle service to remote parking. The MPEA further agrees to continue to run its remote parking shuttle service at its current level of service as described in the TMP, Exhibit 29. The MPEA shall pay its pro rata share of the funding plan, which shall include its agreement to run its remote parking shuttle service at its current level of service. The Commissioner may approve modifications to the level of shuttle service at the request of MPEA based on updated analyses regarding need and demand for shuttle service.

15. The design of the roadway network located on the Headlands Subarea as depicted on the Roadway Network Map, Exhibit 5, described in Statement 5 of this Planned Development has been determined by the City to be necessary and appropriate to handle the expected uses of the Navy Pier and Headlands Subareas in a safe and efficient manner, while maximizing the availability of open space and park land on the Headlands Subarea. The City acknowledges, however, that the actual uses of the Navy Pier and Headlands Subareas may vary from that expected. Accordingly, the Commissioner may request, and MPEA shall submit, not more than once prior to the expiration of the fifth anniversary following the effective date of this amendment to the Planned Development, a traffic study prepared by a traffic engineer assessing the adequacy and sufficiency of the Headlands Subarea's roadway network to handle the actual traffic demand experienced during said period. Following receipt of said study or studies, the Commissioner shall consult with the Commissioner of the Department of Transportation. If the Commissioner of the Department of Planning and Development and the Commissioner of the Department of Transportation determine that changes to said roadway network are necessary or appropriate to accommodate the actual uses of the Navy Pier and Headlands Subareas, while maximizing the availability of open space and park land, said Commissioners shall so notify the MPEA. Such changes shall be limited to modifications or changes to the roadway network. Said Commissioners shall make such determination and send such notice within ninety (90) days following receipt of said study. The City shall, at its own expense and within one (1) year thereafter, make such changes to the roadway network as are required. The MPEA shall, at its own expense and within one (1) year thereafter, make such changes to the landscaping on the Headlands Subarea as are reasonably required as a result of the changes to the roadway network undertaken by the City.
16. The parcel depicted on the Subarea Map, Exhibit 7, as Tract E.1, Existing Federal Parcels, is outside the boundaries of this Planned Development. The MPEA acknowledges, however, that such parcel shall be served by access ways over and across the Headlands Subareas. In the event that the MPEA or the City acquire control of this parcel sufficient to allow redevelopment as park land, then the Headlands Subarea shall be reconfigured and landscaped to create a park area which is coordinated with the parcel. Such reconfiguration and landscaping shall be designed, constructed and maintained in general conformance with the

Site/Landscape Plan -- Headlands Subarea (Polk Bros Park), Exhibit 8, described in Statement Number 5 and attached hereto. Such reconfiguration and landscaping shall be completed by the MPEA within a reasonable time following the aforesaid acquisition of the necessary rights to the parcel or following substantial completion of the redevelopment of the parcel as park land, whichever is earlier.

Any development of the Headlands Subarea, and particularly of Tract E.2, shall be coordinated with and shall be designed and constructed to accommodate the then existing or known plans for the Turning Basin Park. When and if the Turning Basin Park is developed, the MPEA will permit third parties reasonable access to Tract E.2 in order to coordinate said development with Tract E.2.

17. The MPEA shall manage the uses of the Headlands and Navy Pier Subareas to avoid unreasonably adverse impacts on the surrounding residents. On the Headlands Subarea, no neighborhood festivals shall be permitted.
18. Upon review and determination, "Part II Review", pursuant to Section 17-13-0610 of the Zoning Ordinance, a Part II Review fee shall be assessed by the Department of Planning and Development. The fee, as determined by staff at the time, is final and binding on the applicant and must be paid to the Department of Revenue prior to the issuance of any Part II Approval.
19. The Site and Landscape Plans shall be in substantial conformance with the Landscape Ordinance and any other corresponding regulations and guidelines. Final landscape plan review and approval will be by the Department. Any interim reviews associated with site plan review or Part II Reviews, are conditional until final Part II Approval.
20. The MPEA, with respect to the Headlands and Navy Pier Subareas, and the Chicago Park District, with respect to the Jane Addams Park Subarea and Dime Pier Subarea, shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation, Environment and Buildings, under Section 13-32-085 of the Chicago Municipal Code, or any other provision of that Code.
21. The terms and conditions of development under this Planned Development ordinance may be modified administratively, pursuant to Section 17-13-0611-A of the Chicago Zoning Ordinance by the Zoning Administrator upon the application for such a modification by the MPEA, its successors and assigns and, if different than the MPEA, the legal titleholders and any ground lessors.
22. The MPEA and the Chicago Park District acknowledge that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and

regulations related to access for persons with disabilities and to promote the highest standard of accessibility.

23. The MPEA and Chicago Park District acknowledge that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. The proposed structures on the Dime Pier Subarea shall be designed and constructed in an energy efficient manner generally consistent with the Leadership in Energy and Environmental Design ("LEED") Green Building Rating System; the roof of the proposed structures will consist of twenty-five percent (25%) of the net roof area covered with photovoltaic panels and the remaining seventy-five percent (75%) covered with high albedo roof materials; in addition, the project will incorporate FSC certified wood products, native plantings, and the heating and cooling system will incorporate natural ventilation that will reduce energy demand through a geothermal system located beneath the floating docks in the harbor. The South Dock and the initial work in Polk Bros Park, which includes the fountain, plaza and surrounding landscaping, has been submitted for certification under the SITES program, a comprehensive rating system for the development of sustainable landscapes administered by Green Business Certification, Inc. The hotel will achieve a LEED certification and 50 percent of its net roof area will be vegetated, meeting the guidelines of the Sustainable Policy of the Department of Planning and Development.
24. The MPEA acknowledges that, although the City's Percent for Public Art ordinance is not applicable to the proposed development, the Navy Pier and Headlands Subareas development project is a public project and that the location and placement of art work in appropriate places on the Headlands and Navy Pier Subareas is a worthy public goal. Accordingly the MPEA shall, in its planning for the design and construction of the proposed development, take into consideration the installation of art work as an integral part of interior and exterior spaces. In connection with this requirement, the MPEA shall work with the appropriate representatives of the Public Art Program of the City's Department of Cultural Affairs and Special Events.
25. The plans are hereby approved in their entirety and no further approvals shall be required under this Planned Development or the Zoning Ordinance for the improvements undertaken in accordance with the plans, other than Part II Approval (per Section 17-13-0610 of the Zoning Ordinance). Applicant and DPD, at either party's request, may continue to evolve the design of the elevations or materials, and changes to such elevations or materials, if any, shall, if mutually agreed upon, be reviewed by DPD pursuant to Section 17-13-0800.
26. The improvements contemplated by this Planned Development are anticipated to be conducted in phases. Unless substantial construction of any of the improvements contemplated by this amendment to the Planned Development and depicted in the plans, including without limitation the hotel to be constructed in the Navy Pier Subarea, the Welcome Pavilion to be constructed in the Headlands Subarea, or any of the improvements depicted the Conceptual Site Plan -- Navy Pier -- Zone 6

(Exhibit 15) have commenced within six (6) years following adoption of this amendment to the Planned Development (subject to extension for one additional year as set forth in Section 17-13-0612 of the Chicago Zoning Ordinance), then this amendment to the Planned Development shall expire by separately introduced ordinance, if any, in which event the zoning of the Property shall revert to Planned Development 527, as amended, on January 13, 2010.

(As Amended)

*Traffic Management Plan.*

(1) Purpose.

It is the intent of this plan to help assure that the Navy Pier and Headlands Subareas will be operated in a manner which avoids unreasonable adverse impacts on existing traffic on nearby streets and expressways; assures reasonable safe and efficient traffic operations on the Headlands Subarea and reasonably safe and efficient parking and traffic operations on the Navy Pier Subarea and as related to the Navy Pier and Headlands Subareas development, parking and traffic operation of the Property; assures reasonably safe and efficient pedestrian and bicycle movements on and about the Navy Pier and Headlands Subareas; and avoids unreasonable interference with the continuous flow of traffic to, through and from the Navy Pier and Headlands Subareas.

(2) General Principles.

- (i) Traffic movement on the Navy Pier Subarea should be subordinate to traffic movements on the Headlands Subarea. Every reasonable effort should be made to assure that traffic flow into or out of the Navy Pier Subarea is managed to assure that the Headlands Subarea street network operates at a reasonably acceptable level, is reasonably safe for pedestrians and bicyclists and is reasonably efficient for vehicles.
- (ii) Private automobile traffic to the Navy Pier Subarea should be minimized to avoid unreasonable adverse impact on the surrounding neighborhood. Every reasonable effort should be made to encourage use of public transit, walking, and biking as modes to access Navy Pier. During Design Days and Peak-Peak Days, remote parking options should be promoted to limit impacts of private automobile use on the Navy Pier and Headlands Subareas.
- (iii) The Headlands Subarea should be maintained as a place of arrival and departure, not as a parking area. Every reasonable effort should be made to assure the continuous flow of traffic on the Headlands Subarea and to prohibit stopping for lengthy periods of time, parking, including restriction on vehicle lane movements and patterns of circulation on and about the Headlands Subarea. Emphasize the safety of pedestrians accessing and crossing through the Headlands Subarea, particularly in front of the Head House and entrances to South Dock and North Dock.
- (iv) The South Dock of the Navy Pier Subarea is intended to be a pedestrian oriented public way. All vehicles (other than emergency vehicles and small service vehicles, as necessary and appropriate) should be prohibited from using the South Dock during operating hours.

(3) Specific Conditions.

(i) Headlands Subarea

(a) Staging/Parking

- No vehicle of any kind is permitted to park at any time.
- CTA buses: Allowed to stage within the designated bus terminal area only.
- School/Charter buses: Allowed to unload/load passengers in designated space within one of the following areas (in order of each location's priority) as directed by signs and/or traffic management personnel:

- (1) North Gateway Park
- (2) Head House Drive (South Loop)
- (3) Head House Drive (Head House) -- Drop-Off Only
- (4) Recirculation Lane -- Temporary, as needed

Passengers must be waiting for pick-up or the bus will be turned away and not allowed to stage.

- Trolleys/Sightseeing Tour Buses: Allowed in designated space along the north side of Grand Avenue between Head House Drive and Streeter Drive.
- Taxis: Allowed in designated space in the outside lane along Head House Drive south of the South Dock only. Taxi queues should not extend into the traffic lanes of Head House Drive.
- Other motor vehicles: No staging or parking is allowed along roadways within the Headlands Subarea at any time. Passenger drop-offs and pick-ups are permitted along Head House Drive; however, vehicles may not stage or wait for passengers that are not waiting curbside.

(b) Circulation.

The vehicular circulation plan for the Headlands and Navy Pier Subareas are planned to separate traffic patterns by mode of transportation, reduce volumes and congestion along Head House Drive, improve access to visitor parking, and increase pedestrian and bicycle safety via fewer vehicle conflicts at crossings, and facilitate a safer and more comfortable environment for visitors between Navy Pier and Polk Bros Park.

- CTA Buses (and CTA Service Vehicles): Buses enter via Illinois Street to Streeter Drive to Jardine Drive and the CTA bus terminal. Buses exit via Jardine Drive to westbound Grand Avenue. No vehicular traffic should be allowed in CTA terminal area at any time, other than CTA buses, CTA service vehicles, and school/charter buses exiting the north Polk Bros Park passenger loading/unloading area.

- School/Charter Buses: Buses enter in one of two locations to access the three passenger loading/unloading areas in Polk Bros Park; north on Streeter Drive to Jardine Drive to access the north Gateway Park area; and east into Head House Drive to access the South Loop area or the passenger area in front of the Head House. Buses destined for either of the two on-pier turnarounds travel north on Streeter Drive to Grand Avenue. All buses shall exit to westbound Grand Avenue.
- Trolley/Sightseeing Tour Buses: Buses enter via Illinois Street east into Head House Drive and circulate north to turn westbound on Grand Avenue to the designated passenger loading/unloading area. Some trolleys will instead turn east on North Dock before returning to westbound Grand Avenue. All buses exit to the west on Grand Avenue.
- Taxis and Limousines: Taxis and limousines primarily enter east into Head House Drive and circulate through the South Loop to drop-off/pick-up passenger in the designated areas. Some taxis and limousines may continue east along North Dock to the Riva/Shakespeare Theater turnaround or the east turnaround. To pick-up, taxis may use the designated taxi stand south of South Dock or in the designated locations in the two on-pier turnarounds. Limousine passengers must be waiting curbside for pick-up or they will be turned away. All vehicles will exit to westbound Grand Avenue. To return to the taxi stand after dropping off a passenger, taxis may use the recirculation road from Grand Avenue.
- Private Automobiles:
  - (1) All autos destined for parking on Navy Pier will travel north on Streeter Drive to eastbound Grand Avenue and North Dock to the West or East Parking Garage.
  - (2) Autos dropping off/picking up passengers will enter east into Head House Drive and circulate through the South Loop to drop-off/pick-up passenger in front of the Head House.
  - (3) All vehicles will exit to westbound Grand Avenue.
- Private automobiles, taxis, and limousines may use the recirculation lane.

(ii) Navy Pier Subarea.

(a) South Dock.

- No motor vehicles, other than emergency vehicles and small service vehicles (as necessary and appropriate) should be permitted on the South Dock during operating hours. Provided, however, service and maintenance vehicles may be permitted after non-operating hours.

(b) North Dock.

- Loading activity at the Family Pavilion loading docks should be scheduled to avoid conflicts on the North Dock roadway.
- Every reasonable effort should be taken to avoid unreasonable noise disturbance to the surrounding residential area due to loading activity after 11:00 P.M. and before 8:00 A.M. This includes to the extent reasonable and practical discouraging semi-truck activity at the Festival Hall loading docks during this time.
- Parking for visitors arriving via private automobile may park in the West and East Garages which are accessible from the North Dock. Valet parking access is available for special events on a case-by-case basis in a way that minimizes conflicts along the North Dock.

(iii) Design Days-Peak Hours; Special Considerations.

Design Days-Peak Hours is defined as peak hour periods on days when daily attendance in excess of thirty-five thousand (35,000) is anticipated. During Design Days, the following provisions shall apply, as appropriate:

(a) Advance Wayfinding Signs.

- Overhead signs (digital and static) may be provided at two locations; Illinois Street, between Lake Shore Drive and Streeter Drive and Streeter Drive, south of Grand Avenue. A sign over each lane would designate the appropriate lane assignment for each vehicle type (i.e., buses, taxis, school/charter buses, cars) and/or destination (i.e., Navy Pier parking, alternate parking, Grand Avenue). Some signs would be digital and allow for variable messages and traffic circulation depending upon conditions.

- Digital signs would be controlled by Navy Pier to be most responsive to ongoing traffic conditions. However, the City of Chicago would maintain the ability to access the variable message content via a wireless connection for emergency messages or other appropriate uses.

(b) Remote Parking System.

- Remote parking locations will be identified to supplement on-pier parking, as needed.
- Signs on appropriate roadways direct motorists to off-site parking for the Navy Pier Subarea. Electronic early warning signs should be installed on Lake Shore Drive, the exit ramp at Grand Avenue and Illinois Street, west of Lake Shore Drive. In addition, the occupancy of the Navy Pier Subarea parking lots should be monitored. When the on-pier lots are substantially full, the electronic early warning signs should be activated so that motorists seeking parking are discouraged from entering the Headlands Subarea, other than to drop-off passengers.
- Parking trolleys will continue to pick-up and drop-off passengers seasonally at designated and clearly marked points in front of the Head House and at the east and west drop-off areas reached from the north dock roadway. Regular and frequent shuttle intervals are recommended to enhance the attractiveness of off-site parking.

(c) Grand Avenue Reversible Lane.

- Grand Avenue, between Streeter Drive and Head House Drive, will maintain four (4) travel lanes, including one (1) permanent eastbound travel lane, one (1) reversible travel lane and two (2) permanent westbound travel lanes.
- In its typical configuration, the reversible lane will provide eastbound travel to the North Dock and the on-pier parking garages to limit potential impacts of entering traffic on nearby streets. During peak periods when the on-pier garages are full and/or periods of peak exiting traffic from the on-pier garages (such as early weekend afternoons, after special events or performances, and after fireworks displays), the reversible lane will transition to westbound traffic flow.

- Illuminated traffic signals on this segment of Grand Avenue will indicate the directional flow of traffic for the reversible lane and the two adjacent lanes.

(d) North Dock.

- The reversible middle lane of the North Dock roadway, normally an eastbound lane, may be used as a westbound lane, but only when the reduced eastbound capacity does not impede the Headlands Subarea traffic flow.

(e) Intersection Control.

- Trained private traffic personal, City Traffic Control Aides (TCA), or City Police may be located at the Illinois Street/Streeter Drive intersection, in front of the Head House, the Grand Avenue/Head House intersection, and the Grand Avenue/Streeter Avenue intersection to direct and assist the flow of traffic.
- Panel trucks or other delivery vehicles of a similar nature may be permitted to enter the North Dock at any times.

During the Design Days-Peak Hours, the following provisions shall apply:

- No semi-truck should be allowed to enter the north loading dock.
- No trucks of any kind should be allowed to stage on the North Dock.
- No private buses shall be permitted to stage on the North Dock roadway.

(iv) Peak-Peak Days-Peak Hours, Special Conditions.

Peak-Peak Days-Peak Hours are defined as days when daily attendance in excess of fifty thousand (50,000) is reasonably anticipated. During these peak hours on such days, for example the fireworks display on July 4<sup>th</sup>, it is critical that the number of vehicles allowed access to the Headlands Subarea be sharply curtailed. All vehicular traffic should be subordinate to public transit, parking shuttle operations and pedestrian and bicycle circulation. Each of the following provisions should apply to an approximately two (2) hour period immediately preceding the event giving rise to the Peak-Peak Days-Peak Hour designation:

- No vehicles should be allowed to enter the Navy Pier Subarea parking lots except when such action will relieve traffic in the Headlands Subarea.
- No vehicles, except the parking shuttle, should be allowed on Head House Drive or on the recirculation lane.
- The parking shuttle may drop-off passengers in the two (2) drop-off areas reached from the North Dock roadway (via Streeter Drive and the eastbound lane on Grand Avenue, between Street and Head House Drives).
- To direct and assist with the flow of traffic, trained private traffic personnel or City Police should be located at the Illinois/Street intersection, in front of the Head House, at the Grand/Head House intersection, on the North Dock roadway, and at the Grand Avenue/Streeter Drive intersection.
- No semi-truck should be allowed to enter the north loading dock roadway.

[SO2016-2607]

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. Title 17 of the Municipal Code of Chicago, the Chicago Zoning Ordinance, is hereby amended by changing all the DC-12 Downtown Core District and DC-16 Downtown Core District symbols and indications as shown on Map Number 1-F in an area bounded by:

a line 194.91 feet south of and parallel to West Kinzie Street; North Clark Street; the north bank of the Chicago River; North LaSalle Street; West Carroll Avenue; a line 149.48 feet west of and parallel to North Clark Street; a line 234.77 feet south of and parallel to West Kinzie Street; and a line 80.22 feet west of and parallel to North Clark Street,

to the designation of Waterway Business Planned Development Number \_\_\_\_\_ and a corresponding use district is hereby established in the area above described.

SECTION 2. This ordinance shall be in force and effect from after its passage and due publication.

Plan of Development Statements referred to in this ordinance read as follows:

*Waterway Business Planned Development No. \_\_\_\_\_.*

*Plan Of Development Statements.*

1. The area delineated herein as Waterway Business Planned Development Number \_\_\_\_\_ consists of approximately 70,690.85 square feet of property which is depicted on the attached Planned Development Boundary and Property Line Map ("Property") and is owned or controlled by the applicant, 322 North Clark LLC.
2. All applicable official reviews, approvals or permits are required to be obtained by the applicant or its successors, assignees, or grantees. Any dedication or vacation of streets or alleys, or easements, or adjustments of right-of-way, or consolidation or resubdivision of parcels, shall require a separate submittal on behalf of the applicant or its successors, assignees, or grantees and approval by the City Council.

3. The requirements, obligations and conditions contained within this planned development shall be binding upon the applicant, its successors and assigns and, if different than the applicant, the legal titleholders and any ground lessors. Furthermore, pursuant to the requirements of Section 17-8-0400 of the Chicago Zoning Ordinance, the Property, at the time applications for amendments, modifications or changes (administrative, legislative or otherwise) to this planned development are made, shall be under single ownership or under single designated control. Single designated control is defined in Section 17-8-0400 of the Zoning Ordinance.
4. All work proposed in the public way must be designed and constructed in accordance with the Department of Transportation Construction Standards for Work in the Public Way and in compliance with the Municipal Code of the City of Chicago. The submitted plans must be approved by the Department of Transportation. Applicant shall make the following improvements:

Prior to issuance of Certificate of Occupancy, the applicant agrees to remove the existing traffic signal at 320 North Clark Street and to perform a traffic signal warrant study to determine whether a new mid-block pedestrian traffic signal should be provided on Clark Street adjacent to the project's proposed entrance driveway. If warranted, the applicant agrees to fully fund, install, and activate the traffic signal prior to issuance of the Certificate of Occupancy. The applicant also agrees to install countdown pedestrian signals at the intersection of Clark Street and Kinzie Street prior to the issuance of the Certificate of Occupancy.
5. This plan of development consists of these sixteen (16) Statements; a Bulk Regulations and Data Table; an Existing Land-Use Map; Existing Zoning Map; a Planned Development Boundary Map; a Green Roof Plan, a Property Line and Right-of-Way Adjustment Map; a Site Plan/First Floor; and Building Elevations prepared by HKS Architects dated, August 18, 2016. Full size copies of the Site Plan and Building Elevations are on file with the Department of Planning and Development. In any instance where a provision of this planned development conflicts with the Chicago Building Code, the Building Code shall control. This planned development conforms to the intent and purpose of the Zoning Ordinance, and all requirements thereto, and satisfies the established criteria for approval as a planned development. In case of a conflict between the terms of this planned development ordinance and the Zoning Ordinance, this planned development ordinance shall control.
6. The following uses shall be allowed within the area herein delineated as Waterway Business Planned Development: cultural exhibits; day care; lodge or private club; artist work or sales space; building maintenance services; business equipment sales and service; business support services; communication service establishments; eating, and drinking establishments (all); entertainment and spectator sports, small and medium venue; financial services; food and beverage retail sales; hotel; medical service; office; personal service; repair and laundry services, consumer; retail sales, general; indoor participant sports and recreation; children's play center; valuable

objects dealer; light equipment sales/rentals; artisan manufacturing, production and industrial services; wireless communication facilities; riveredge docking; accessory parking.

7. Business identification signs shall be permitted within the planned development subject to the review and approval of the Department of Planning and Development. Temporary signs, such as construction and marketing signs, shall be permitted subject to the review and approval of the Department of Planning and Development.
8. Any service drives or other ingress or egress (including ramps from Clark Street and/or LaSalle Street to Carroll Avenue) shall be adequately designed and paved in accordance with the regulations of the Department of Transportation in effect at the time of construction and in compliance with the Municipal Code of the City of Chicago, to provide ingress and egress for motor vehicles, including emergency vehicles. There shall be no parking within such emergency areas. Ingress and egress shall be subject to the review and approval of the Department of Transportation and the Department of Planning and Development. Closure of all or part of any public streets or alleys during demolition or construction shall be subject to the review and approval of the Department of Transportation.
9. In addition to the maximum height of the building and any appurtenance thereto prescribed in this planned development, the height of any improvement shall also be subject to height limitations approved by the Federal Aviation Administration.
10. For purposes of Floor Area Ratio ("FAR") calculations the definitions in the Zoning Ordinance shall apply.
11. The improvements on the Property shall be designed, installed and maintained in substantial conformance with the Site/Landscape Plan, the Riveredge Plan and Building Elevations and in accordance with the parkway tree provisions of the Chicago Zoning Ordinance and corresponding regulations and guidelines. All physical improvements to the exterior of the designated historic Reid Murdoch Building including, but not limited to roof top additions, infill additions, signage, awnings, window replacement, cleaning and restoration, shall require approval of the Commission on Chicago Landmarks.
12. The applicant acknowledges the importance of the Chicago River as a resource for both commerce and recreation and also acknowledges the City's goals of improving the appearance and quality of and accessibility to the Chicago River, as provided for in the Waterway Planned Development Guidelines set forth in Section 17-8-0509 of the Chicago Zoning Ordinance. To further these goals, the applicant may pursue a permit from the Army Corps of Engineers to extend the existing deck running east to west along the Property at the river level ("River Deck") in accordance with the plan attached hereto. Applicant's application for permit will provide for extending the River Deck southward to a point aligned with the south edge of the existing dolphins adjacent to the Clark and LaSalle Street bridge houses. Following its extension, the River Deck shall include a publicly accessible walkway ("Riveredge Walkway").

When completed, the Riveredge Walkway shall be open and available for use by the general public, free of charge, during normal Chicago Park District hours and such other hours as may be designated by applicant; provided, however, applicant may from time to time close off public access to the Riveredge Walkway for repairs and to prevent the establishment of any public, prescriptive or constructive easements to such area or portion thereof. Until such time as the applicant secures the permit from the Army Corps of Engineers and the related approvals for the extension of the River Deck, applicant shall continue to maintain the River Deck and provide a street level walkway connection between LaSalle and Clark Streets ("Street Level Deck"). From the Street Level Deck, applicant also provides stairways to the River Deck, one on the west end (LaSalle Street) and one on the east end (Clark Street). Until such time as the applicant secures the permit from the Army Corps of Engineers and the related approvals for the extension of the River Deck, the Street Level Deck and River Deck and at least one stairway shall be open, unobstructed, and available for use by the general public, free of charge, during normal Chicago Park District hours; provided, however, applicant may from time to time close off public access to the Street Level Deck and the River Deck for repairs and to prevent establishment of any public, prescriptive or constructive easements. Notwithstanding the foregoing and provided the public ingress and egress is not blocked, the applicant and any lessee, shall be permitted to operate outdoor dining areas on the River Deck and Street Level Deck.

13. The terms, conditions and exhibits of this planned development ordinance may be modified administratively by the Commissioner of the Department of Planning and Development upon the application for such modification by the applicant and after a determination by the Commissioner of the Department of Planning and Development that such a modification is minor, appropriate and consistent with the nature of the improvements contemplated in this planned development and the purposes underlying the provisions hereof. Any such modification of the requirements of this statement by the Commissioner of the Department of Planning and Development shall be deemed to be a minor change in the planned development as contemplated by Section 17-13-0611 of the Chicago Zoning Ordinance.
14. The applicant acknowledges that it is in the public interest to design, construct and maintain all buildings in a manner which promotes and maximizes the conservation of energy resources. The applicant shall use best and reasonable efforts to design, construct and maintain all new buildings located within this planned development in an energy efficient manner, generally consistent with the most current energy efficiency standards. Applicant will achieve building certification for the new building area and will provide a 50 percent green roof on all new net roof area.
15. The applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enable and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities ("MOPD") to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of

accessibility. No approvals shall be granted pursuant to Section 17-13-0611 until the Director of MOPD has approved detailed construction drawings for each building or improvement.

16. Unless substantial construction of the new improvements contemplated in this planned development has commenced within six (6) years following adoption of this planned development, and unless completion is thereafter diligently pursued, then this planned development shall expire and the zoning of the Property shall automatically revert to DC-16 Downtown Core District.

Applicant:	1032 West Fulton Market Condominium LLC
Property Location:	1032 -- 1042 West Fulton Market
Proposed Zoning:	DS-5 Downtown Service District

Lot Area: 12,575 square feet

1032 West Fulton Market Condominium LLC is the "Applicant" for a Type 1 Zoning Map Amendment for the subject property located at 1032 through 1042 West Fulton Market from the C1-1 Neighborhood Commercial District to the DS-5 Downtown Service District. The Applicant proposes to add a single-story addition to the existing three-story building and erect a new five-story building with a fifth floor setback on the property.

The site is located in the downtown expansion area established by Section 17-1-1500 of the Zoning Ordinance. The site is bounded by West Fulton Market to the south, Carpenter Street to the east, residential properties to the west and a 10-foot public alley and commercial properties to the north. The site is located within the Kinzie Industrial Corridor TIF and the Fulton-Randolph Market District. To the north of the subject property are properties zoned C1-3, to the east is C3-5 zoning, and to the south and west is C1-1.

The subject property consists of approximately 12,575 square feet and is currently occupied by an existing three-story office building and a surface parking lot. The Applicant proposes to add a single-story addition to the existing three-story building and erect a new five-story building with a fifth floor setback on the property. The new building will include a fifth floor roof deck. Both structures will be masonry in construction. Each building will primarily serve as office space. The new building will include a ground floor retail component. A total of 17 off-street parking spaces will be provided in the new building. A basement level parking area will include 14 spaces. An additional three parking spaces will be provided at ground level.

The proposed zoning change will allow two longstanding businesses that have outgrown their space to remain in the community.

*Type 1 Zoning Map Amendment Application.*

Applicant:

Park West Cooperative Nursery School

Property Location: 2212 -- 2216 North Bissell Street  
Proposed Zoning: RM5 Residential Multi-Unit District  
Lot Area: 3,560.15 square feet

Park West Cooperative Nursery School is the "Applicant" for a Type 1 Zoning Map Amendment for the subject property located at 2212 -- 2216 North Bissell Street (the "Property") from the RT4 Residential Two-Flat, Townhouse and Multi-Unit District to the RM5 Residential Multi-Unit District. The Applicant proposes to add a two-story addition to replace an existing private garage and a three-story addition.

The site is bounded by Bissell Street to the east, a 16-foot public alley to the south, private parking and elevated CTA tracks to the west, and residential properties to the north. The site is located within the Sheffield Historic District. To the north and east of the subject property are properties zoned RT4, to the south is a property zoned B1-2 and to the west is Planned Development Number 2.

The subject property consists of 3,560.15 square feet and is currently occupied by an existing three-story residential masonry building. The Applicant proposes to demolish an existing private garage at the rear of the site and replace it with a new two-story addition and a three-story addition. Both additions will be of masonry construction. The building will be used for a nursery and for offices for nursery staff.

The Applicant will seek approval of variations from the Zoning Board of Appeals to reduce the required setbacks and to reduce the required rear yard open space.

The proposed use requires two Off-Street Parking Spaces. No parking spaces will be provided on-site. The Applicant will seek approval of a Special Use from the Zoning Board of Appeals in order to satisfy the parking requirement off-site. The proposed location of the two off-site parking spaces is 940 West Belden Avenue. The distance from the entrance to the daycare and the proposed parking lot is under 600 feet. Pick up and drop off procedures will be conducted via a proposed 44-foot standing zone to be located in front of the proposed nursery school on the west side of Bissell Street.

Proposed Zoning:

B3-5 Neighborhood Mixed-Use District

Lot Area:

7,391 square feet

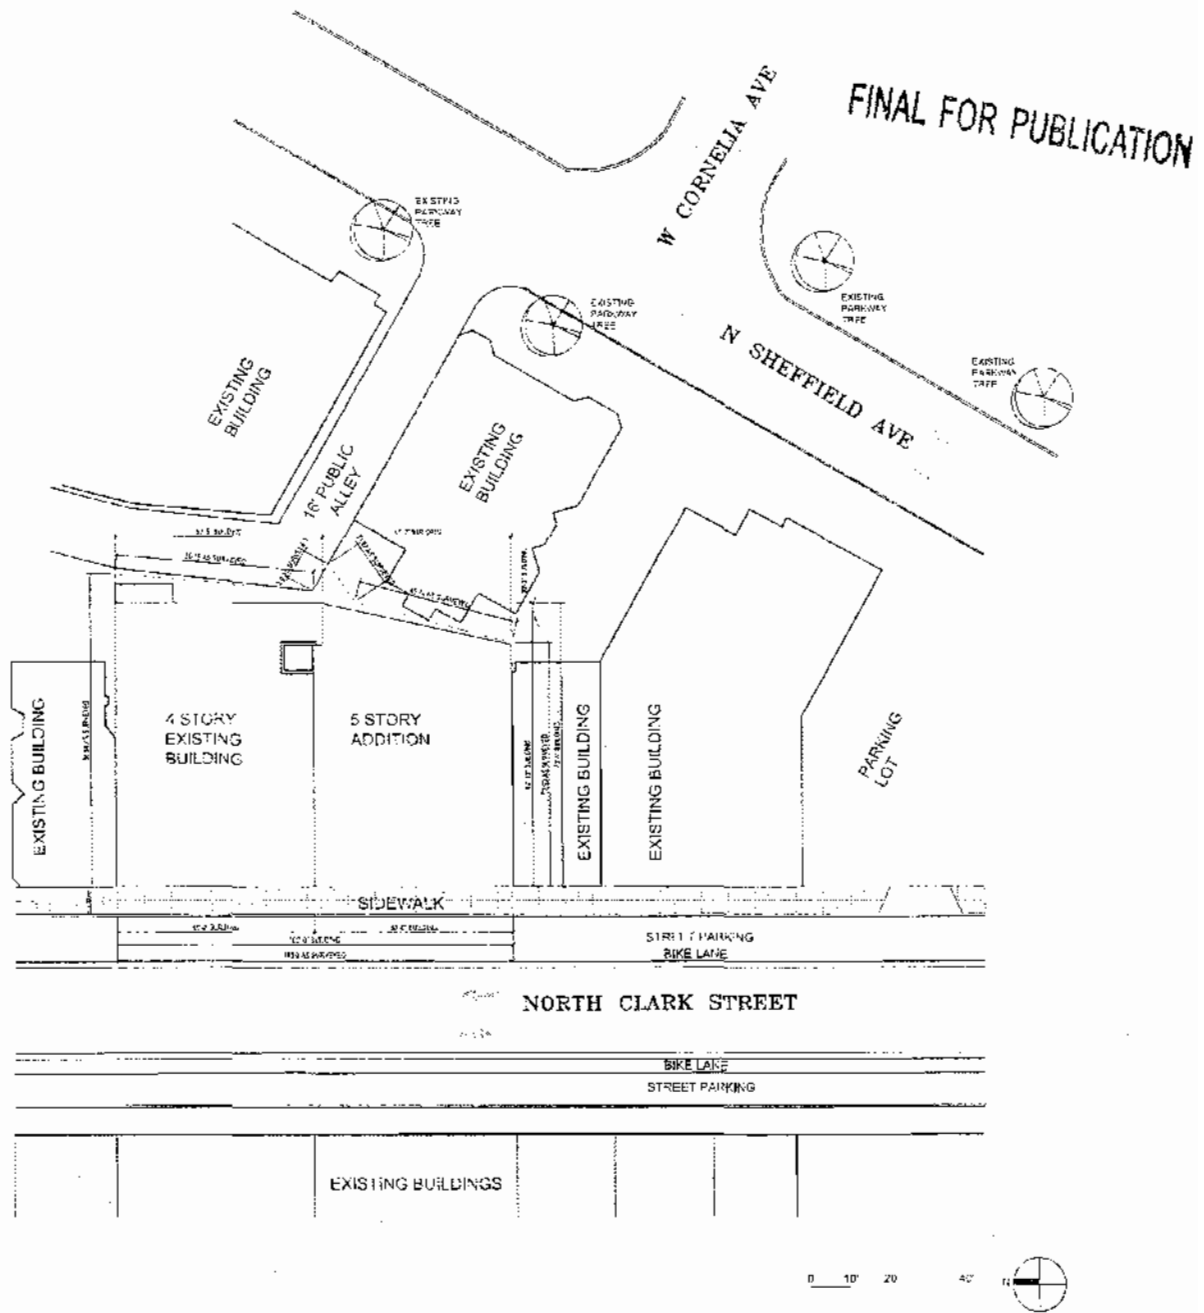

Proposed Land Use:

The applicant is seeking a zoning change in order to permit the rehabilitation of the existing four-story building, and the erection of a new five-story addition -- on the adjacent vacant lots, in order to locate and establish a new hotel, with retail tenancy, at the subject property. The rehabilitation plan, for the existing (vacant) four-story building, calls for the build-out and location of a hotel lobby (1,762 square feet) and a single retail space (1,476 square feet) -- at grade level, and fifteen (15) hotel rooms -- above (Floors 2 through 4). The new five-story addition will contain a small hotel lobby area (275 square feet) and a single retail space (2,336 square feet) -- at grade level, and twenty (20) hotel rooms -- above (Floors 2 through 5), for a total of thirty-five (35) hotel rooms at the site. Additional retail space (1,942 square feet) and a communal staff area (1,261 square feet) will be available in the basement of the existing building, with retail storage (1,000 square feet) located in the basement of the new addition. As part of the plan, the applicant also intends to erect two private roof decks -- one above the 4<sup>th</sup> Floor of the existing building and one above the 5<sup>th</sup> Floor of the new addition, which will be available for use by guests of the hotel and the retail tenants. No on-site parking is required or intended for the proposed building, with new addition. The newly rehabbed building, with

The following uses are permitted in the area delineated herein as a Business Planned Development: all uses allowed in the DX-5 Downtown Mixed-Use District, including, without limitation, office; high technology office; daycare; animal services; business equipment sales and service; business support services; urban farm (rooftop operation); communication service establishments; eating and drinking establishments (all, including taverns and outdoor patios); indoor special event including incidental liquor sales; financial services; small and medium venues, banquet or meeting halls; food and beverage retail sales; liquor sales; medical service; personal service; general retail sales; participant sports and recreation; car wash; limited and artisan manufacturing, production and industrial services; co-located wireless communication facilities and incidental and accessory uses and non-accessory and accessory parking.
6. On-premises signs and temporary signs, such as construction and marketing signs, shall be permitted within the Planned Development, subject to the review and approval of DPD. Off-premises signs are prohibited within the boundary of the Planned Development.
7. For purposes of height measurement, the definitions in the Zoning Ordinance shall apply. The height of any building shall also be subject to height limitations, if any, established by the Federal Aviation Administration.
8. The maximum permitted Floor Area Ratio ("FAR") for the Property shall be in accordance with the attached Bulk Regulations and Data Table. For the purposes of FAR calculations and measurements, the definitions in the Zoning Ordinance shall apply. The permitted FAR identified in the Bulk Regulations and Data Table has been determined using a net site area of 86,804 square feet and a base FAR of 5.0. The improvements to be constructed on the Property will be subject to the following Neighborhood Opportunity Fund floor area bonus criteria; otherwise more specifically described in Sections 16-14-010, 17-4-1000 and other referenced portions of the Chicago Municipal Code as follows:

Description	FAR
Base FAR	5.00
Neighborhoods Opportunity	2.00
Total FAR:	7.00

#### Neighborhoods Opportunity Bonus Calculation

$$2.0 \times 86,804 = 173,608 \text{ square feet}$$

$$173,608 \text{ square feet} \times \$29.00 \text{ per square foot} \times 0.80 = \$4,027,705.60 \text{ contribution}$$

Pursuant to Section 17-4-1003-C, prior to the issuance of the first building permit for any building or buildings within the Planned Development, the Neighborhoods Opportunity Fund floor area bonus payment, as further described in this Statement 8 and Section 16-14-010, shall be paid in full; provided, however, if the Planned Development is constructed in phases, the bonus payment shall be paid on a pro rata basis as the first building permit for each subsequent new building or phase of construction is issued.

The Applicant, its successors or assigns, shall contribute the amount of Four Million Twenty-seven Thousand Seven Hundred Five and 60/100 Dollars (\$4,027,705.60) to the City of Chicago prior to the issuance of the "Part II Approval" as follows: Three Million Two Hundred Twenty-two Thousand One Hundred Sixty-four and 48/100 Dollars (\$3,222,164.48) into the Neighborhoods Opportunity Fund and Four Hundred Two Thousand Seven Hundred Seventy and 56/100 Dollars (\$402,770.56) into each of the Citywide Adopt-a-Landmark Fund and Local Impact Fund. The amount of bonus floor area and corresponding payment may be modified prior to issuance of a building permit in accordance with Section 17-4-1003-C of the Zoning Ordinance, provided that the total FAR does not exceed the maximum FAR set forth in this Planned Development. The funds contributed pursuant to this Statement 8 shall be utilized as set forth in Section 17-4-1004 (Neighborhoods Opportunity Fund), 17-4-1005 (Local Impact Bonus) and 17-4-1006 (Citywide Adopt-a-Landmark) of the Zoning Ordinance. The Applicant's obligations pursuant to this Statement 8 shall be fully satisfied upon payment of the amounts set forth herein (as modified pursuant to Section 17-4-1003-C).

It is currently anticipated that the Four Hundred Two Thousand Seven Hundred Seventy and 56/100 Dollars (\$402,770.56) contribution to the Local Impact Fund (as such amount shall be adjusted in accordance with Section 17-4-1003-C at the time of building permit) will be utilized for a public library within one (1) mile of the Planned Development site. Any modification of the allocation of the Local Impact Fund contribution shall be subject to Section 17-4-1005-G but in no event shall such modification cause a delay in the issuance of a Part II Approval, building permit or certificate of occupancy for the Planned Development.

9. Upon review and determination, "Part II Review", pursuant to Section 17-13-0610 of the Zoning Ordinance, a Part II Review fee shall be assessed by DPD. The fee, as determined by staff at the time, is final and binding on the Applicant and must be paid to the Department of Revenue prior to the issuance of any Part II Approval.

10. The Site and Landscape Plans shall be in substantial conformance with the Landscape Ordinance and any other corresponding regulations and guidelines. Final landscape plan review and approval will be by DPD. Any interim reviews associated with site plan review or Part II reviews, are conditional until final Part II Approval.
11. The Applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation, Fleet and Facility Management and Buildings, under Section 13-32-125 of the Municipal Code, or any other provision of that Code.
12. The terms and conditions of development under this Planned Development ordinance may be modified administratively, pursuant to Section 17-13-0611-A of the Zoning Ordinance by the Zoning Administrator upon the application for such a modification by the Applicant, its successors and assigns and, if different than the Applicant, the legal titleholders and any ground lessors.
13. The Applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.
14. The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. The Applicant shall seek LEED certification (or equivalent alternative certification, such as Energy Star) and provide a 50 percent green roof equivalent to an actual total of 23,455 square feet.
15. The Plans are hereby approved in their entirety and no further approvals shall be required under this Planned Development or the Zoning Ordinance for the improvements undertaken in accordance with the Plans, other than Part II Approval (per Section 17-13-0610 of the Zoning Ordinance). Applicant and DPD, at either party's request, may continue to evolve the design of the building elevations or materials and changes to such elevations or materials, if any, shall, if mutually agreed upon, be reviewed by DPD pursuant to Section 17-13-0800.
16. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development ordinance lapse, the Commissioner of DPD shall initiate a zoning map amendment to rezone the Property to the DX-5 Downtown Mixed-Use District.

Projects receiving an affordable housing floor area bonus ("Eligible Building") must either provide on-site affordable housing units or make a cash payment to the city's Affordable Housing Opportunity Fund in accordance with formulas set forth in Section 17-4-1004-C. The applicant has elected to make a cash payment in lieu of providing on-site affordable housing units. In accordance with the formulas set forth in Section 17-4-1004-C and the Bonus Worksheet, the applicant acknowledges and agrees that it must make a cash

payment to the Affordable Housing Opportunity Fund in the amount of \$636,606.40 ("Cash Payment"). (See also attached Exhibit B -- Affordable Housing Profile Form).

10. Pursuant to the Transit Infrastructure Improvements Bonus provisions of Section 17-4-1020 of the Zoning Ordinance, the applicant has requested an increase in the floor area permitted on the Property based on a cash contribution for public transit infrastructure improvements. Pursuant to Section 17-4-1020-A of the Zoning Ordinance, the applicant must enter into an agreement with the agency undertaking the improvements providing for such cash contribution. The Commissioner may require evidence that such cash contribution has been funded by the applicant as a condition to issuance of any Part II Approvals.
11. Pursuant to the Adopt-a-Landmark Bonus provisions of Section 17-4-1022 of the Zoning Ordinance, the applicant has requested an increase in the floor area of the Property based on the proposed restoration of concrete balconies at the Marina City residential towers located at 300 North State Street (the "Landmark Project"). Pursuant to Section 17-4-1022 of the Zoning Ordinance, the Commissioner of Department of Planning and Development (the "Commissioner"), acting on behalf of the City and the Commission on Chicago Landmarks, is authorized and directed to enter into an agreement with the Marina Towers Condominium Association, which is the association of owners of the Landmark Project established pursuant to the Illinois Condominium Property Act, regarding the manner in which funds for renovation work in the Landmark Building relating to the Adopt-A-Landmark Bonus, as approved by the Commission on Chicago Landmarks, will be used. On July 7, 2016, the Commission on Chicago Landmarks approved a scope of work and budget for the Landmark Project, providing for the expenditure of Five Hundred Nine Thousand Two Hundred Ninety-Two Dollars (\$509,292.00) in project costs (the "Project Costs"), which corresponds to a floor area bonus of 1.4 over the net site area of 10,575 square feet for a bonus square footage of 14,805 square feet. The agreement shall be in a form approved by the Corporation Counsel and shall be executed and submitted to the Department of Planning and Development prior to the issuance of any approvals pursuant to Section 17-13-0610 of the Chicago Municipal Code ("Part II"). The Commissioner may require evidence that the Project Costs have been funded by the applicant as a condition to issuance of any Part II Approvals. The terms and conditions of the Landmark Project Scope of Work and Budget may be modified administratively by the Commissioner in accordance with

the provisions of Statement 15 of this Planned Development and as described in the Landmark Project Scope of Work and Budget.

12. Upon review and determination, "Part II Review", pursuant to Section 17-13-0610 of the Zoning Ordinance, a Part II Review fee shall be assessed by the Department of Planning and Development. The fee, as determined by staff at the time, is final and binding on the applicant and must be paid to the Department of Revenue prior to the issuance of any Part II Approval.
13. The Site and Landscape Plans shall be in substantial conformance with the Landscape Ordinance and any other corresponding regulations and guidelines. Final landscape plan review and approval will be by the Department of Planning and Development. Any interim reviews associated with site plan review or Part II Reviews, are conditional until final Part II Approval.
14. The applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation, Fleet and Facility Management and Buildings, under Section 13-32-125 of the Municipal Code, or any other provision of that Code.
15. 16. The applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.

and
- b. install a northbound left turn arrow at the LaSalle/Hubbard traffic signal.

The funding, design and provision of all infrastructure improvements detailed in this Statement 15: A) will be the responsibility of the applicant, B) will be subject to review and installation scheduling by the Department of Transportation, and C) must be designed and constructed in accordance with the Department of Transportation Construction Standards for Work in the Public Way in compliance with the Municipal Code of the City of Chicago.

19. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development ordinance lapse, the Commissioner of the Department of Planning and Development shall initiate a zoning map amendment to rezone the Property to the DX-7 Downtown Mixed-Use District.

For the purposes of FAR calculations and measurements, the definitions in the Zoning Ordinance shall apply. The permitted FAR identified in the Bulk Regulations Table has been determined using a Net Site Area of 32,503 square feet. The improvements to be constructed on the Property will utilize the following series of FAR bonuses summarized in Bonus Worksheet, attached as Exhibit B:

Description (List Of All Bonuses Applied For And Calculations)	FAR
Base FAR	5.00
Affordable Housing	1.00
Transit Infrastructure Improvements	<u>1.00</u>
Total FAR	7.00

Pursuant to the Transit Infrastructure Improvements Bonus provisions of Section 17-4-1020 of the Zoning Ordinance, the applicant has requested an increase in the floor area permitted on the Property based on a cash contribution for public transit infrastructure improvements. The applicant shall make a cash contribution in the amount of One Million One Hundred Eighteen Thousand One Hundred Three and 20/100 Dollars (\$1,118,103.20), which corresponds to a floor area bonus of 1.0 over the net site area of 32,503 square feet. Pursuant to Section 17-4-1020-A of the Zoning Ordinance, the applicant must enter into an agreement with the agency undertaking the improvements providing for such cash contribution. The Commissioner may require evidence that such cash contribution has been funded by the applicant as a condition to issuance of any Part II Approvals.

9. The applicant acknowledges and agrees that the rezoning of the Property from a DX-5 to this Planned Development, triggers the requirements of Section 2-45-115 of the Municipal Code (the "Affordable Requirements Ordinance" or "ARO"). Any developer of a "residential housing project" within the meaning of the ARO must: (i) set aside 10 percent of the housing units in the residential housing project (the "Required Units") as affordable units, or provide the Required Units in an approved off-site location; (ii) pay a fee in lieu of the development of the Required Units; or (iii) any combination of (i) and (ii); provided, however, that residential housing projects

with 20 or more units must provide at least 25 percent of the Required Units on-site [or, with the Commissioner's approval, off-site – if in higher income or downtown]; and provided that owner-occupied residential housing projects in downtown districts have the option to pay a higher in-lieu fee if they elect not to provide a minimum of 25 percent of the required affordable owner-occupied units either on-site or off-site. If the developer elects to provide affordable units off-site, the off-site affordable units must be located within a two-mile radius from the residential housing project and in a higher income area or downtown district. The project is an owner-occupied project located in a downtown area within the meaning of the ARO, and the applicant has agreed to satisfy its affordable housing obligation by making a cash payment to the Affordable Housing Opportunity Fund in the amount of \$160,000.00 per unit ("Cash Payment"), as set forth in the Affordable Housing Profile Form attached hereto as Exhibit [A]. If the applicant subsequently reduces (or increases) the number of housing units in the Planned Development, or the project changes to include rental units, the applicant shall update and resubmit the Affordable Housing Profile Form to the Department of Planning and Development ("DPD") for review and approval, and DPD may adjust the number of required Affordable Units without amending the Planned Development. Prior to the issuance of any building permits for any residential building in the Planned Development, including, without limitation, excavation or foundation permits, the applicant must make the required Cash Payment. The Commissioner of DPD may enforce remedies for any breach of this statement including any breach of any affordable housing agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development.

The applicant further acknowledges and agrees that the project is subject to Section 17-4-1004-C of the Zoning Code and has requested an increase in the floor area ratio for the Property, as set forth in the bonus worksheet attached hereto as Exhibit B ("Bonus Worksheet"), and as a result is also subject to the requirements of Section 17-4-1004-C of the Zoning Code (the "Density Bonus Provisions"). The Affordable Housing Density Bonus payment of \$1,118,103.20 will be applied as a credit against the in-lieu fees required under the ARO.

10. Upon review and determination, "Part II Review", pursuant to Section 17-13-0610 of the Zoning Ordinance, a Part II Review fee shall be assessed by the Department of Planning and Development. The fee, as determined by staff at the time, is final and binding on the applicant and must be paid to the Department of Revenue prior to the issuance of any Part II Approval.
11. The Site and Landscape Plans shall be in substantial conformance with the Landscape Ordinance and any other corresponding regulations and guidelines. Final landscape plan review and approval will be by the Department of Planning and Development. Any interim reviews associated with site plan review or Part II Reviews, are conditional until final Part II Approval.

12. The applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation, Fleet and Facility Management and Buildings, under Section 13-32-125 of the Municipal Code, or any other provision of that Code.
13. The terms and conditions of development under this Planned Development ordinance may be modified administratively, pursuant to Section 17-13-0611-A of the Zoning Ordinance by the Zoning Administrator upon the application for such a modification by the applicant, its successors and assigns and, if different than the applicant, the legal titleholders and any ground lessors.
14. The applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.
15. The applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. The project will be in substantial compliance with the City of Chicago Sustainable Development Policy by achieving LEED Silver certification and providing a green roof of approximately 4,800 square feet.

The Commissioner of the Department of Planning and Development is authorized to enter into such a covenant with the Applicant, and its successors and assigns.

(c) Donation Of Scottish Rite Cathedral.

12. The permitted Floor Area Ratio identified in the Bulk Regulations and Data Table has been determined using a net site area of seventy-seven thousand ninety-seven (77,097) square feet (one and seventy-seven hundredths (1.77) acres), a base floor area ratio of 7.00 and additional floor area ratio for a series of proposed amenities, as follows:

Description	Floor Area Ratio
Base Floor Area Ratio	7.00
Adopt-A-Landmark	1.40
Affordable Housing	1.75
Neighborhoods Opportunity	<u>0.29</u>
Total Floor Area Ratio	10.44

The calculation of the additional Floor Area Ratio obtained through the series of proposed amenities is as follows:

Adopt-A-Landmark.

Restoration and renovation work and budget as approved by the Commission on Chicago Landmarks.

Bonus Floor Area Ratio =  $7 \times 0.20 = 1.40$  Floor Area Ratio

$1.40 \times 77,097 = 107,935$  square feet

$107,935$  square feet  $\times$  \$25.00 per square foot  $\times$  0.80 = \$2,158,700.00 contribution.

#### Affordable Housing

Bonus Floor Area Ratio =  $7 \times 0.25 = 1.75$  Floor Area Ratio

$1.75 \times 77,097 = 134,919.25$  square feet

$134,919.25$  square feet  $\times$  \$25.00 per square foot  $\times$  0.80 = \$2,698,385.00 contribution

The Applicant, its successors or assigns, shall contribute the amount of Two Million Six Hundred Ninety-eight Thousand Three Hundred Eighty-five and no/100 Dollars (\$2,698,385.00) to the City of Chicago's Affordable Housing Opportunity Fund prior to the issuance of the "Part II Approval" for the construction of the first high-rise building contemplated in this planned development.

#### Neighborhoods Opportunity.

$22,290$  square feet  $\times$  \$43.00 per square foot  $\times$  .80 = \$766,776 contribution

Pursuant to Section 17-4-1003-C, prior to the issuance of the first building permit for any building or buildings within the Planned Development, the Neighborhoods Opportunity Fund floor area bonus payment, as further described in this Statement 12 and Section 16-14-010, shall be paid in full; provided, however, if the planned development is constructed in phases, the bonus payment shall be paid on a pro rata basis as the first building permit for each subsequent new building or phase of construction is issued.

The Applicant, its successors or assigns, shall contribute the amount of Seven Hundred Sixty-six Thousand Seven Hundred Seventy-six and no/100 Dollars (\$766,776.00) to the City of Chicago prior to the issuance of the "Part II Approval" for the building that is the subject of this 2016 amendment as follows: Six Hundred Thirteen Thousand Four Hundred Twenty-one and no/100 Dollars (\$613,421.00) into the Neighborhoods Opportunity Fund and Seventy-six Thousand Six Hundred Seventy-eight and no/100 Dollars (\$76,678.00) into each of the Citywide Adopt-A-Landmark Fund and Local Impact Fund. The amount of bonus floor area and corresponding payment may be modified prior to issuance of a building permit in accordance with Section 17-4-1003-C of the Zoning Ordinance, provided that the total FAR does not exceed the maximum FAR set forth in this planned development. The funds contributed pursuant to this Statement 12 shall be utilized as set forth in Section 17-4-1004 (Neighborhoods Opportunity Fund), 17-4-1005 (Local Impact Bonus) and 17-4-1006 (Citywide Adopt-A-Landmark) of the Zoning Ordinance. The Applicant's

obligations pursuant to this Statement 12 shall be fully satisfied upon payment of the amounts set forth herein (as modified pursuant to Section 17-4-1003-C).

It is currently anticipated that the Seventy-six Thousand Six Hundred Seventy-eight and no/100 Dollars (\$76,678.00) contribution to the Local Impact Fund (as such amount shall be adjusted in accordance with Section 17-4-1003-C at the time of building permit) will be utilized for improvements to Washington Square Park. Any modification of the allocation of the Local Impact Fund contribution shall be subject to Section 17-4-1005-G but in no event shall such modification cause a delay in the issuance of a Part II approval, building permit or certificate of occupancy for the planned development.

13. The terms, conditions and exhibits of this planned development ordinance may be modified administratively by the Commissioner of the Department of Planning and Development upon the application for such a modification by the Applicant and after a determination by the Commissioner of the Department of Planning and Development that such a modification is minor, appropriate and consistent with the nature of the improvements contemplated in this planned development and the purposes underlying the provisions hereof. Any such modification of the requirements of this planned development by the Commissioner of the Department of Planning and Development shall be deemed to be a minor change in the planned development as contemplated by Section 17-13-0611 of the Chicago Zoning Ordinance.
14. The Applicant acknowledges that it is in the public interest to design, construct and maintain all buildings in a manner that promotes and maximizes the conservation of natural resources. The Applicant shall use best and reasonable efforts to design, construct and maintain all buildings located within the Property in a manner generally consistent with the Leadership in Energy and Environmental Design Green Building Rating System ("LEED"). The Applicant agrees to provide a twenty-five percent (25%) green roof equaling approximately sixteen thousand forty-six (16,046) square feet of net useable roof area. The Applicant agrees to provide an outdoor dog run of approximately two hundred (200) square feet to be located as depicted on the second (2<sup>nd</sup>) Floor Plan.

The Applicant for purposes of this 2016 amendment agrees to provide a thirty-nine percent (39%) green roof equaling approximately 14,328 square feet, achieve building certification (such as Green Globes or Energy Star) and provide a three-year maintenance contract for the green roof.

15. The Applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables, and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities ("MOPD") to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of

accessibility. No building permit shall be granted by the Department of Buildings until the Director of MOPD has approved detailed construction drawings for each building or improvement proposed to be constructed pursuant to the permit.

- 16. Unless substantial construction of the improvements contemplated by this amendment has commenced within six (6) years following adoption of this planned development and completion is thereafter diligently pursued, this planned development shall expire and the zoning of the Property shall revert to Residential-Business Planned Development Number 1043, as it existed prior to this amendment.

(C) The Amount of Off-Street  
Parking:

21 parking spaces; 1 loading berth

Southeast: 0 feet, 0 inches

(E) Building Height: 76 feet, 5 inches

- h. The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. The residential building within Subarea A located at approximately

3300 South Federal Street is a Chicago landmark and on the National Register of Historic Places. Further, the Applicant intends to seek historic tax credits in connection with the development of the historic building. In light of the foregoing, prior to issuance of Part II Approval the Applicant shall obtain approval from DPD of its proposed sustainable elements in order to meet the intent of the City of Chicago Sustainable Development Policy Green Matrix.

- i. The Applicant acknowledges and agrees that the addition of "dwelling units" as a permitted use for this Planned Development triggers the requirements of Section 2-45-115 of the Municipal Code (the "Affordable Requirements Ordinance" or "ARO"). Any developer of a "residential housing project" within the meaning of the ARO must: (i) set aside 10 percent of the housing units in the residential housing project (the "Required Units") as affordable units, or provide the Required Units in an approved off-site location; (ii) pay a fee in lieu of the development of the Required Units; or (iii) any combination of (i) and (ii); provided, however, that residential housing projects with 20 or more units must provide at least 25 percent of the Required Units on-site. The property is located in a "lower income area" within the meaning of the ARO, and the Applicant has agreed to satisfy its affordable housing obligation by providing 10 affordable units in the rental building to be constructed in the Planned Development, as set forth in the Affordable Housing Profile Form attached hereto as Exhibit A. The Applicant agrees that the affordable rental units must be affordable to households earning no more than 60 percent of the Chicago Primary Metropolitan Statistical Area Median Income (AMI), as updated annually by the City of Chicago. If the Applicant subsequently reduces (or increases) the number of housing units in the Planned Development, the Applicant shall update and resubmit the Affordable Housing Profile Form to the Department of Planning and Development ("DPD") for review and approval, and DPD may adjust the number of required Affordable Units without amending the Planned Development. Prior to the issuance of any building permits for any residential building in the Planned Development, including, without limitation, excavation or foundation permits, the Applicant must execute and record an affordable housing agreement in accordance with Section 2-45-115(L). The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the affordable housing agreement will be recorded against the Planned Development, or the applicable portion thereof, and will constitute a lien against such property. The Commissioner of DPD may enforce remedies for any breach of this Statement 8(i), including any breach of any affordable housing agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development.
- j. This amendment shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this amendment ordinance lapse, the Commissioner of DPD shall initiate a zoning map amendment to rezone the property to Residential Planned Development Number 1.
