*Be It Ordained by the City Council of the City of Chicago:*

*Part A.*

*Article I.*

*Authorization, Findings, Determinations  
And Approval Of Documents.*

SECTION 1.1 Authorization. The above recitals are incorporated in this ordinance. This ordinance is adopted pursuant to Section 6(a) of Article VII of the Constitution. This ordinance authorizes the issuance of the 2016 Senior Lien Bonds as follows: (i) this Part A authorizes the 2016 financing plan, (ii) Part B hereof authorizes the issuance, from time to time, of all or a portion of the 2016 Senior Lien Bonds, in one or more series, in such principal amounts and with such terms and provisions as set forth therein and in the Senior Lien Master Indenture, and the related Supplemental Indentures therein approved; and (iii) Part C hereof provides for the enactment of this ordinance.

SECTION 1.2 Findings And Determinations. This City Council hereby finds and determines as follows:

(a) that the issuance of the 2016 Senior Lien Bonds and the refunding of the Outstanding Airport Obligations and any other bonds, notes or other obligations issued by the City to finance or refinance any Airport Project will result in debt service savings or provide other benefits to the Airport;

(b) that the Airport Projects to be financed by the City with the proceeds of the 2016 Senior Lien Bonds are necessary and essential to the efficient operation of the Airport;

(c) that the City's ability to issue 2016 Senior Lien Bonds from time to time without further action by this City Council at various times, in various principal amounts and with various interest rates and interest rate mechanisms, maturities, redemption provisions and other terms will enhance the City's opportunities to obtain financing for the Airport upon the most favorable terms available;

(d) that from time to time it is desirable to refund (i) outstanding airport revenue bonds and notes of the City (including bonds and notes payable from passenger facility charges or special facility revenues) and other payment obligations related thereto (the "Outstanding Obligations") and (ii) future issues of Airport revenue bonds and notes of the City (including bonds and notes payable from passenger facility charges or special facility revenues) as may be outstanding from time to time, and other payment obligations related thereto (the "Future Outstanding Obligations");

(e) that the delegations of authority that are contained in this ordinance are necessary and desirable because this City Council cannot itself as advantageously, expeditiously or conveniently exercise such authority and make such specific determinations. Thus, authority is granted to the Mayor, the Chief Financial Officer appointed by the Mayor or the City Comptroller (the "Authorized Officer" as referred to herein being either the Chief Financial Officer or the City Comptroller) to determine to sell one or more series of 2016 Senior Lien Bonds, at one or more times, as and to the extent such officers determine that such sale or sales is desirable and in the best financial interest of the City and the Airport.

SECTION 1.3 Form Of Supplemental Indenture. There have been presented to this City Council the form of the Fifty-Second Supplemental Indenture Securing Chicago O'Hare International Airport General Airport Senior Lien Revenue Bonds, Series 2016A (attached hereto as Exhibit A).

SECTION 1.4 Title. This ordinance may hereafter be cited as the "2016 O'Hare Financing Ordinance".

#### SECTION 2.1 Authorization Of 2016 Senior Lien Bonds.

(a) \$3,000,000,000 aggregate principal amount of 2016 Senior Lien Bonds are hereby authorized to be issued as Senior Lien Obligations pursuant to the Senior Lien Master Indenture and one or more Supplemental Indentures and for the purposes specified in Section 2.2 of this Part B. The 2016 Senior Lien Bonds may be issued bearing interest at a fixed interest rate or rates as more fully set forth in the related Supplemental Indenture. Any 2016 Senior Lien Bonds may be issued as current interest bonds, as capital appreciation bonds or as capital appreciation bonds that convert to current interest bonds at a future date after their issuance.

(b) The 2016 Senior Lien Bonds shall mature not later than January 1, 2057, and shall bear interest from their date, or from the most recent date to which interest has been paid or duly provided for, until the City's obligation with respect to the payment of the principal amount thereof shall be discharged, payable as provided in the related Supplemental Indenture at a rate or rates not in excess of 10 percent per annum. Each series of 2016

Senior Lien Bonds may be subject to mandatory and optional redemption (including mandatory redemption pursuant to the application of Sinking Fund Payments), upon the terms and conditions set forth in the Senior Lien Master Indenture and the related Supplemental Indenture. The redemption price may be based upon a formula designed to compensate the Owner of the 2016 Senior Lien Bonds to be redeemed based upon prevailing market conditions on the date fixed for redemption, commonly known as a "make-whole" redemption price (the "Make-Whole Redemption Price"). At the time of sale of the 2016 Senior Lien Bonds, an Authorized Officer shall determine the provisions of the formula to be used to establish any Make-Whole Redemption Price, which may vary depending on whether the 2016 Senior Lien Bonds are issued on a taxable or tax-exempt basis. An Authorized Officer shall confirm and transmit the applicable Make-Whole Redemption Price on such dates and to such parties as shall be necessary to effectuate such redemption.

(c) The 2016 Senior Lien Bonds shall be entitled "Chicago O'Hare International Airport General Airport Senior Lien Revenue Bonds" or "Chicago O'Hare International Airport General Airport Senior Lien Revenue Refunding Bonds", as appropriate. The 2016 Senior Lien Bonds may be issued in one or more separate series, appropriately designated to indicate the order of their issuance.

(d) Each 2016 Senior Lien Bond shall be issued in fully registered form and in the denominations set forth in the related Supplemental Indenture; and shall be dated and numbered and further designated and identified as provided in the Senior Lien Master Indenture and the related Supplemental Indenture.

(e) Principal of and premium, if any, on the 2016 Senior Lien Bonds shall be payable at the principal corporate trust office of the Senior Lien Trustee or any Paying Agent as provided in the Senior Lien Master Indenture and related Supplemental Indenture. Payment of interest on the 2016 Senior Lien Bonds shall be made to the registered owner thereof and shall be paid by check or draft of the Senior Lien Trustee mailed to the registered owner at his or her address as it appears on the registration books of the City kept by the Senior Lien Trustee or at such other address as is furnished to the Senior Lien Trustee in writing by such registered owner, or by wire transfer as further provided in the Senior Lien Master Indenture and related Supplemental Indenture.

(f) Subject to the limitations set forth in this section, authority is hereby delegated to either the Mayor or the Authorized Officer to determine the aggregate principal amount of 2016 Senior Lien Bonds to be issued, the date thereof, the maturities thereof, any provisions for optional redemption thereof, the schedule of Sinking Fund Payments, if any, to be applied to the mandatory redemption thereof (which mandatory redemption shall be at a Redemption Price equal to the principal amount of each 2016 Senior Lien Bond to be redeemed, without premium, plus accrued interest), the rate or rates of interest payable thereon or method for determining such rate or rates and the first interest payment date thereof. Any optional redemption shall be at Redemption Prices that may include a redemption premium for each 2016 Senior Lien Bond to be redeemed expressed as a percentage, not exceeding the greater of twenty percent (20%) of the principal amount or twenty percent (20%) of the amortized value as of the redemption date (or in the case of

capital appreciation bonds, the accreted value as of the redemption date) of the 2016 Senior Lien Bond to be redeemed, or as a formula designed to compensate the owner of the 2016 Senior Lien Bond to be redeemed based upon prevailing market conditions on the date fixed for such redemption, commonly known as a "make-whole" redemption premium.

SECTION 2.2 Purposes. Pursuant to Section 203 of the Senior Lien Master Indenture, the 2016 Senior Lien Bonds are to be issued for the following purposes, as determined by the Authorized Officer at the time of the sale of the 2016 Senior Lien Bonds:

(a) the payment, or the reimbursement for the payment, of all or a portion of the costs of acquiring, constructing and equipping any Airport Project or Projects;

(d) the payment of the Costs of Issuance of the 2016 Senior Lien Bonds.

The proceeds of each series of 2016 Senior Lien Bonds shall be applied for the purposes set forth above in the manner and in the amounts specified in a Certificate of an Authorized Officer (as defined in the Senior Lien Master Indenture) delivered in connection with the issuance of such series pursuant to the Senior Lien Master Indenture and the related Supplemental Indenture.

SECTION 2.3 Pledge Of Revenues And Other Available Monies. The 2016 Senior Lien Bonds, together with interest thereon, shall be limited obligations of the City secured by a pledge of the Revenues and by any Other Available Monies pledged under the Senior Lien Master Indenture and the related Supplemental Indenture, and shall be valid claims of the registered owners thereof only against the funds and assets and other money held by the Senior Lien Trustee with respect thereto and against such Revenues and Other Available Monies. The 2016 Senior Lien Bonds and the obligation to pay interest thereon do not now and shall never constitute an indebtedness or a loan of credit of the City, or a charge against its general credit or taxing powers, within the meaning of any constitutional or statutory limitation of the State of Illinois. In connection with the issuance of any series of 2016 Senior Lien Bonds secured by a pledge of or otherwise payable from Other Available Monies, the City shall determine in the related Supplemental Indenture or by a Certificate of an Authorized Officer filed with the Senior Lien Trustee, all of the terms and conditions of such pledge, including the annual payment amount, the lien status thereof and the duration of such pledge.

#### SECTION 2.4 Approval Of Supplemental Indentures.

(b) Each such Supplemental Indenture shall be substantially in the form of the Fifty-Second Supplemental Indenture, presented to this meeting and may contain such changes or revisions as shall be approved by the Mayor or the Authorized Officer.

(c) The execution and delivery of a Supplemental Indenture shall constitute conclusive evidence of this City Council's approval of the form of such Supplemental Indenture as executed and delivered.

SECTION 2.5 Credit Instruments. The Authorized Officer is hereby authorized to arrange for the provision of (a) one or more Qualified Credit Instruments and (b) one or more Qualified Reserve Account Credit Instruments (as defined in the Fifty-Second Supplemental Indenture) as security for all or a portion of the 2016 Senior Lien Bonds if the Authorized Officer determines that it would be in the best financial interest of the City in the operation of the Airport.

In addition, one or more of the 2016 Senior Lien Bonds may be issued as bonds, the interest on which will be includable in the gross income of the owners thereof for federal income tax purposes under the Code, if determined by the Authorized Officer to be beneficial to the City in the operation of the Airport.

modifications thereof as shall be approved by the Mayor or the Authorized Officer, as the case may be, subject to the limitations contained in this ordinance, the execution and delivery thereof to constitute conclusive evidence of this City Council's approval of such changes and modifications.

(c) To evidence the exercise of the authority delegated to the Mayor or the Authorized Officer by this ordinance, the Mayor or the Authorized Officer, as the case may be, is hereby directed to execute and file with the City Clerk in connection with the sale of 2016 Senior Lien Bonds a certificate setting forth the determinations made pursuant to the authority granted herein, which certificate shall constitute conclusive evidence of the proper exercise by them of such authority. Contemporaneously with the filing of such certificate, the Mayor or the Authorized Officer shall also file with the City Clerk one copy of each Official Statement and executed Contract of Purchase in connection with the 2016 Senior Lien Bonds. Each filing shall be made as soon as practicable subsequent to the execution of the Contract of Purchase. The City Clerk shall direct copies of such filings to the City Council.

(e) If determined by the Authorized Officer to be in the best financial interest of the City in the operation of the Airport, the Authorized Officer is authorized to procure one or more municipal bond insurance policies covering all or a portion of the 2016 Senior Lien Bonds.

(f) The Authorized Officer is hereby authorized to execute and deliver a Continuing Disclosure Undertaking (the "Continuing Disclosure Undertaking") evidencing the City's agreement to comply with the requirements of Section (b)(5) of Rule 15c2-12 adopted by the Securities and Exchange Commission under the Securities Exchange Act of 1934 in a form approved by the Corporation Counsel. Upon its execution and delivery on behalf of the City as herein provided, the Continuing Disclosure Undertaking will be binding on the City, and the officers, employees and agents of the City are hereby authorized to do all such acts and things and to execute all such documents as may be necessary to carry out and comply with the provisions of the Continuing Disclosure Undertaking as executed. The

Authorized Officer is hereby further authorized to amend the Continuing Disclosure Undertaking in accordance with its terms from time to time following its execution and delivery as said Authorized Officer shall deem necessary. Notwithstanding any other provision of this ordinance, the sole remedies for any failure by the City to comply with the Continuing Disclosure Undertaking shall be the ability of the beneficial owner of any 2016 Senior Lien Bond to seek mandamus or specific performance by court order to cause the City to comply with its obligations under the Continuing Disclosure Undertaking.

**SECTION 2.9 Escrow Deposit Agreements.** To provide for the payment and retirement of Outstanding Obligations and Future Outstanding Obligations, the Mayor or the Authorized Officer of the City is hereby authorized to execute and deliver for and on behalf of the City one or more Escrow Deposit Agreements in substantially the form of escrow deposit agreements previously used for such purpose by the City, together with such changes thereto and modifications thereof as shall be approved by the Mayor or the Authorized Officer, as the case may be, the execution and delivery thereof to constitute conclusive evidence of this City Council's approval of such changes and modifications.

**SECTION 2.10 Tax Directives.** The City covenants to take any action required by the provisions of Section 148(f) of the Code in order to assure compliance with Section 412 of the Senior Lien Master Indenture. The Bonds are issuable only as fully registered Bonds in the authorized denominations described in the Indenture. Bonds may be transferred on the books of registration kept by the Bond Registrar by the owner in person or by his or her duly authorized attorney, upon surrender thereof, together with a written instrument of transfer executed by the owner or his or her duly authorized attorney. The City shall execute and the Trustee shall authenticate and deliver Bonds which the Bondholder making the exchange is entitled to receive.

Such registration of transfer or exchange of Bonds shall be without charge to the owners of such Bonds, but any taxes or other governmental charges required to be paid with respect to the same shall be paid by the owners of the Bond requesting such transfer or exchange as a condition precedent to the exercise of such privilege.

The Bond Registrar shall not be required to register for transfer or exchange any undelivered Bond or Bonds after the giving of notice calling such Bond for redemption or partial redemption has been made.

The person in whose name any Bond is registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of or on account of principal, premium, if any, or interest shall be made only to or upon the order of the registered owner thereof or his duly authorized attorney, but such registration may be changed as hereinabove provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

Failure to mail any such notice to the registered owner of any Bond or any defect therein shall not affect the validity of the proceedings for such redemption of Bonds.

This Bond and all other Bonds of the series of which it forms a part are issued pursuant to and in full compliance with the Constitution and laws of the State of Illinois, particularly Article VII, Section 6(a) of the 1970 Constitution of the State of Illinois, and pursuant to an ordinance adopted by the City Council of the City, which ordinance authorizes the execution and delivery of the Indenture. The Indenture prescribes the manner in which it may be discharged and after which the Bonds shall no longer be secured by or entitled to the benefits of the Indenture, except as provided in the Indenture and for the purposes of registration and exchange of Bonds and of such payment, including a provision that the Bonds shall be deemed to be paid if Federal Obligations, as defined therein, maturing as to principal and interest in such amounts and at such times as to insure the availability of sufficient moneys to pay the principal of, premium, if any, and interest on the Bonds and all necessary and proper fees, compensation and expenses of the Trustee shall have been deposited with the Trustee.

Until so exchanged, temporary Bonds shall have the same rights, remedies and security hereunder as definitive Bonds.

**Section 2.07. Delivery of Bonds.** Upon the execution and delivery of this Fifty-Second Supplemental Indenture, the City shall execute and deliver to the Trustee, and the Trustee shall authenticate, the Bonds and deliver them to the purchasers as may be directed by the City as hereinafter in this Section 2.07 provided.

Prior to the delivery by the Trustee of any of the Bonds there shall be filed with the Trustee:

- (a) A copy, duly certified by the City Clerk, of the Ordinance;
- (b) Original executed counterpart of the Indenture;
- (c) Original executed counterpart of this Fifty-Second Supplemental Indenture;
- (d) A Counsel's Opinion to the effect that (i) the Indenture and this Fifty-Second Supplemental Indenture have been duly and lawfully authorized by all necessary action on the part of the City, have been duly and lawfully executed by authorized officers of the City, are in full force and effect and are valid and binding upon the City and enforceable in accordance with their terms (except as limited by any applicable bankruptcy, liquidation, reorganization, insolvency or other similar laws or by general principles of equity if equitable remedies are sought); (ii) the Indenture and this Fifty-Second Supplemental Indenture create the valid pledge of Revenues, moneys and securities which they purport to create; and (iii) upon their execution, authentication and delivery, the Bonds will have been duly and validly authorized and issued in accordance with the Constitution and laws of the State of Illinois, the Indenture and this Fifty-Second Supplemental Indenture;

(e) A written order as to the delivery of the Bonds, executed by an Authorized Officer stating (i) the identity of the purchasers, aggregate purchase price and date and place of delivery of the Bonds and (ii) that no Event of Default has occurred and is continuing under the Indenture or this Fifty-Second Supplemental Indenture;

(f) The Certificate of the City required by Section 206(e) of the Indenture;  
and

[(g) A Certificate of an Independent Airport Consultant or a Certificate of the City complying with Section 206(f) of the Indenture.]

**Section 2.08. Mutilated, Lost, Stolen or Destroyed Bonds.** If any Bond is mutilated, lost, stolen or destroyed, the City may execute and the Trustee may authenticate a new Bond of like date, maturity, interest rate and denomination as the Bond mutilated, lost, stolen or destroyed, *provided* that, in the case of any mutilated Bond, such mutilated Bond shall first be surrendered to the Trustee, and in the case of any lost, stolen or destroyed Bond, there shall be first furnished to the City and the Trustee evidence of such loss, theft or destruction satisfactory to the City and the Trustee, together with indemnity satisfactory to them. In the event any such Bond shall have matured, instead of issuing a substitute Bond the City may pay the same without surrender thereof. The City and the Trustee may charge the Registered Owner of such Bond with their reasonable fees and expenses in this connection. All Bonds so surrendered to the Trustee shall be cancelled and destroyed, and evidence of such destruction shall be given to the City. Upon the date of final maturity or redemption of all of the Bonds, the Trustee shall destroy any inventory of unissued certificates.

**Section 2.09. Registration and Exchange of Bonds; Persons Treated as Owners.** The City shall cause books for the registration and for the transfer of the Bonds as provided in this Fifty-Second Supplemental Indenture to be kept by the Trustee as the Bond Registrar of the City. Upon surrender for transfer of any Bond at the principal office of the Bond Registrar, duly endorsed for transfer or accompanied by an assignment duly executed by the Registered Owner or his or her attorney duly authorized in writing, the City shall execute and the Bond Registrar shall authenticate and deliver in the name of the transferee or transferees a fully registered Bond for a like aggregate principal amount.

Bonds may be exchanged at the principal office of the Bond Registrar for a like aggregate principal amount of fully registered Bonds of the same maturity of other authorized denominations. The City shall execute and the Bond Registrar shall authenticate and deliver Bonds which the Bondowners making the exchange are entitled to receive, bearing numbers not contemporaneously then outstanding. The execution by the City of any Bond of any denomination shall constitute full and due authorization of such denomination and the Bond Registrar shall thereby be authorized to authenticate and deliver such Bond.

The Bond Registrar shall not be required to register for transfer or exchange any undelivered Bond or any Bond after the giving of notice calling such Bond for redemption or partial redemption.

The person in whose name any fully registered Bond is registered at the close of business on any Record Date with respect to any Interest Payment Date shall be entitled to receive the interest payable on such Interest Payment Date notwithstanding the cancellation of such registered Bond upon any transfer or exchange thereof subsequent to the Record Date and prior to such Interest Payment Date, except if and to the extent there shall be a default in the payment of the interest due on such Interest Payment Date, in which case such defaulted interest shall be paid to the person in whose name such Bond is registered either at the close of business on the day preceding the date of payment of such defaulted interest or on a subsequent Record Date for such payment if one shall have been established as hereinafter provided. A subsequent Record Date may be established by or on behalf of the City by notice mailed to the Registered Owners of Bonds not less than 10 days preceding such Record Date, which Record Date shall be not more than 30 days prior to the subsequent interest payment date.

Except as provided in the Indenture, as to any Bond the person in whose name the same shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of principal, premium, if any, or interest on any Bond shall be made only to or upon the written order of the Registered Owner thereof or his legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

In each case the Bond Registrar shall require the payment by the Bondowner requesting exchange or transfer of any tax or other governmental charge required to be paid with respect to such exchange or transfer, but otherwise no charge shall be made to the Bondowner for such exchange or transfer.

**Section 2.10. Book-Entry Provisions.** The provisions of this Section shall apply so long as the Bonds are maintained in book-entry form with DTC or another Securities Depository, any provisions of this Fifty-Second Supplemental Indenture to the contrary notwithstanding.

(a) *Payments.* The Bonds shall be payable to the Securities Depository, or its nominee, as the Registered Owner of the Bonds, in next day funds on each date on which the principal of, premium, if any, and interest on the Bonds is due as set forth in this Fifty-Second Supplemental Indenture and in the Bonds. Such payments shall be made to the offices of the Securities Depository specified by the Securities Depository to the City and the Trustee in writing. Without notice to or the consent of the beneficial owners of the Bonds, the City and the Securities Depository may agree in writing to make payments of principal and interest in a manner different from that set forth herein. If such different manner of payment is agreed upon, the City shall give the Trustee notice thereof, and the Trustee shall make payments with respect to the Bonds in the manner specified in such notice as set forth herein. Neither the City nor the Trustee shall have any obligation with respect to the transfer or crediting of the principal of, premium, if any, and interest on the Bonds to Participants or the beneficial owners of the Bonds or their nominees.

(b) *Replacement of the Securities Depository.* If the City receives notice that the Securities Depository has received notice from its Participants having interests in at least 50% in principal amount of the Bonds that the Securities Depository or its successor is incapable of discharging its responsibilities as a securities depository or that it is in the best interests of the beneficial owners that they obtain certificated Bonds, the City shall cause the Trustee to authenticate and deliver Bond certificates. The City shall have no obligation to make any investigation to determine the occurrence of any events that would permit the City to make any determination described in this paragraph.

(c) *Discontinuance of Book-Entry or Change of Securities Depository.* If, following a determination or event specified in paragraph (b) above, the City discontinues the maintenance of the Bonds in book-entry form with the then current Securities Depository, the City will issue replacement Bonds to the replacement Securities Depository, if any, or, if no replacement Securities Depository is selected for the Bonds, directly to the Participants as shown on the records of the former Securities Depository or, to the extent requested by any Participant, to the beneficial owners of the Bonds shown on the records of such Participant. Replacement Bonds shall be in fully registered form and in Authorized Denominations, be payable as to interest on the Interest Payment Date of the Bonds by check or draft mailed to each Registered Owner at the address of such Registered Owner as it appears on the bond registration books maintained by the City for such purpose at the principal corporate trust office of the Trustee or at the option of any Registered Owner of not less than \$1,000,000 original principal amount of Bonds, by wire transfer to any address in the continental United States of America on such Interest Payment Date to such Registered Owner as of such Record Date, if such Registered Owner provides the Trustee with written notice of such wire transfer address not later than the Record Date (which notice may provide that it will remain in effect with respect to subsequent Interest Payment Dates unless and until changed or revoked by subsequent notice). Principal and redemption premium, if any, on the replacement Bonds are payable only upon presentation and surrender of such replacement Bond or Bonds at the principal corporate trust office of the Trustee.

(d) *Effect of Book-Entry System.* The Securities Depository and its Participants and the beneficial owners of the Bonds, by their acceptance of the Bonds, agree that the City and the Trustee shall not have liability for the failure of such Securities Depository to perform its obligations to the Participants and the beneficial owners of the Bonds, nor shall the City or the Trustee be liable for the failure of any Participant or other nominee of the beneficial owners to perform any obligation of the Participant to a beneficial owner of the Bonds.

**Section 3.03. Deposit of Funds.** For the redemption of any of the Bonds, the City shall cause to be deposited in the Principal and Interest Account moneys sufficient to pay when due the principal of and premium, if any, and interest on the redemption date to be applied in accordance with the provisions of Section 4.05 hereof.

**Section 4.06. Use of Moneys in the Costs of Issuance Account and the Program Fee Account.** Moneys in the Costs of Issuance Account shall be used solely for the payment or reimbursement of Costs of Issuance of the Bonds as directed in a Certificate filed with the Trustee. If after the payment of all Costs of Issuance, as specified in a Certificate filed with the Trustee, there shall be any balance remaining in the Costs of Issuance Account, such balance shall be transferred to the Program Fee Account.

Moneys in the Program Fee Account shall be used solely for the payment of fees and expenses with respect to the Bonds as set forth in a Certificate filed with the Trustee.

**Section 4.07. Tax Covenants.** The City covenants to take any action required by the provisions of the Code and within its power to take in order to preserve the exemption from federal income taxation of interest on the Bonds (other than with respect to an alternative minimum tax imposed on interest on the Bonds), including, but not limited to, the provisions of Section 148 of the Code relating to "arbitrage bonds." The City covenants to comply with the provisions of the Tax Certificates.

**Section 4.08. Nonpresentment of Bonds.** If any Bond shall not be presented for payment when the principal thereof becomes due, either at maturity, or at the date fixed for redemption thereof, or otherwise, if moneys sufficient to pay any such Bond shall have been made available to the Trustee for the benefit of the Registered Owner or Owners thereof, subject to the provisions of the immediately following paragraph, all liability of the City to the Registered Owner thereof for the payment of such Bond shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of the Trustee to hold such moneys, without liability for interest thereon, for the benefit of the Registered Owner of such Bond who shall thereafter be restricted exclusively to such moneys, for any claim of whatever nature under the Indenture or this Fifty-Second Supplemental Indenture or on, or with respect to, such Bond.

Any moneys so deposited with and held by the Trustee not so applied to the payment of Bonds within two years after the date on which the same shall have become due shall be repaid by the Trustee to the City upon direction of an Authorized Officer, and thereafter the Registered Owners of such Bonds shall be entitled to look only to the City for payment, and then only to the extent of the amount so repaid, and all liability of the Trustee with respect to such moneys shall thereupon cease, and the City shall not be liable for any interest thereon and shall not be regarded as a trustee of such moneys.

Before being required to make any such payment to the City, the Trustee may, at the expense of the City, publish such notice as may be deemed appropriate by the Trustee listing the Bonds so payable and not presented, and stating that such moneys remain unclaimed and that after a date set forth therein any balance thereof then remaining will be paid to the City. The obligation of the Trustee under this Section 4.08 to pay any such funds to the City shall be subject, however, to any provisions of law applicable to the Trustee or to such funds providing other requirements for disposition of unclaimed property.

**Section 4.09. Moneys to Be Held in Trust.** All moneys required to be deposited with or paid to the Trustee for the account of any Fund or Account referred to in any provision of this Fifty-Second Supplemental Indenture shall be held by the Trustee in trust as provided in Section 1003 of the Indenture, and shall, while held by the Trustee, constitute part of the Trust Estate and be subject to the lien or security interest created hereby.

Any Qualified Investments held to the credit of the Debt Service Reserve Account shall be valued in accordance with Section 307 of the Indenture. If on any valuation date as provided in Section 307 of the Indenture the amount on deposit in the Debt Service Reserve Account is more than the Reserve Requirement, the amount of such excess shall be transferred by the Trustee for deposit into the Revenue Fund established under the Indenture.

(b) If at any time the Debt Service Reserve Account holds both a Qualified Reserve Account Credit Instrument and Qualified Investments, the Qualified Investments shall be liquidated and the proceeds applied for the purposes for which Debt Service Reserve Account moneys may be applied under this Fifty-Second Supplemental Indenture prior to any draw being made on the Qualified Reserve Account Credit Instrument. If the Debt Service Reserve Account holds Qualified Reserve Account Credit Instruments issued by more than one issuer, draws shall be made under such credit instruments on a *pro rata* basis to the extent of available funds. Amounts deposited in the 2016A Dedicated Sub-Fund for the purpose of restoring amounts withdrawn from the Debt Service Reserve Account shall be applied first to reimburse the Qualified Credit Provider and thereby reinstate the Qualified Reserve Account Credit Instrument and next to make deposits into the Debt Service Reserve Account.

[**Section 4.11. Common Debt Service Reserve Sub-Fund.** The City hereby designates the Bonds as Common Reserve Bonds. The City and the Trustee covenant and agree that the Common Debt Service Reserve Sub-Fund is to be administered for the equal benefit, protection and security of the Owners of the Common Reserve Bonds and that, with respect to the Common Debt Service Reserve Sub-Fund, all Outstanding Common Reserve Bonds are on a parity and rank equally without preference, priority or distinction.]

- (vii) If applicable, that certain specified disbursements are not required to be certified by a Consulting Engineer pursuant to (b) below, specifying the amount of such disbursements and the reason that such disbursements need not be so certified.

(b) In respect to disbursements from the Project Account in payment for work done in connection with the construction, acquisition and installation of 2016A Airport Projects, such requisition, signed by the Chief Financial Officer or the City Comptroller, shall be accompanied by a certificate signed by a Consulting Engineer certifying that the obligations in stated amounts have been incurred by the City, and that each item thereof is a proper charge against the designated sub-account of the Project Account and has not been included in any prior requisition which has been paid, and insofar as any such obligation was incurred for work, materials, equipment or supplies, such work was actually performed in the furtherance of the construction, acquisition and installation of such 2016A Airport Projects delivered at the site of the Airport for those purposes, or delivered for storage or fabrication at a place or places approved by a Consulting Engineer and under the control of the City. Notwithstanding the foregoing, no certificate of a Consulting Engineer shall be required with respect to disbursements for Costs of Issuance or other costs that the Chief Financial Officer or the City Comptroller shall have certified as being costs that are not directly related to the actual construction, acquisition and installation of 2016A Airport Projects such as land acquisition, payment of auditor's fees and other similar costs that may otherwise be paid from the Project Accounts in compliance with the Tax Certificates.

(c) Upon receipt of any such orders and accompanying certificates the Trustee shall pay each such obligation from the appropriate sub-account of the Project Account and the Trustee shall make disbursements in accordance with the directions from the Chief Financial Officer or the City Comptroller. The moneys held in the Project Account shall be invested in accordance with the requirements of Article V hereof.

**Section 7.01. Acceptance of Trusts.** The Trustee hereby accepts the trusts imposed upon it by this Fifty-Second Supplemental Indenture, and agrees to perform said trusts, but only upon and subject to the express terms and conditions set forth herein and in the Indenture. ## ARTICLE VIII

### Supplemental Indentures

**Section 8.01. Supplements or Amendments to Fifty-Second Supplemental Indenture.** This Fifty-Second Supplemental Indenture may be supplemented or amended in the manner set forth in Articles VII and VIII, respectively, of the Indenture.

## ARTICLE IX

### Indenture Amendment

**Section 9.01. Written Consent to Indenture Amendment.** The Thirty-Seventh Supplemental Indenture from the City to the Trustee dated April 1, 2010, authorizes the amendment of the Indenture (the "2010 Amendment"). The 2010 Amendment deletes in full Section 413 of the Indenture which contains restrictions on the sale or transfer of the Airport. In consideration for the security interests granted by the City for the benefit of the Owners of the Bonds, the Owners from time to time of the Bonds hereby consent to the Thirty-Seventh Supplemental Indenture and to the 2010 Amendment of the Indenture. Such consents shall be fully effective for all purposes of Article VIII of the Indenture. The consent of any Owner made pursuant to this Section may be revoked in writing as provided by subsection (b) of Section 803 of the Indenture.

## ARTICLE X

### Insurer Provisions

**Section 10.01. Insurer Provisions.** The City hereby designates \_\_\_\_\_ as the Insurer with respect to the Insured Bonds. The Insurer shall be entitled to the benefits of Section 1104 of the Indenture. Anything contained in this Fifty-Second Supplemental Indenture or in the Bonds to the contrary notwithstanding, the existence of all rights given to the Insurer hereunder or under the Indenture are expressly conditioned on the timely and full performance of the payment obligations of the Insurer under the Policy.

This Section 10.01 contains certain covenants and restrictions for the benefit of \_\_\_\_\_ which apply in addition to, and not in substitution of, the provisions of the Indenture. The following covenants shall apply only to the Insured Bonds and shall only be applicable during the period in which any Insured Bonds are Outstanding or any amounts are due

to \_\_\_\_\_ under the Policy, and \_\_\_\_\_'s rights have not terminated pursuant to clause (a) of this Section 10.01. The covenants contained in this Section 10.01 may only be enforced by \_\_\_\_\_ and may be modified, amended or waived at any time with the prior written consent of \_\_\_\_\_ and without the consent of the Trustee (so long as such modification or amendment imposes no additional duties on the Trustee) or any holder of the Bonds.

(a) The existence of all rights given to \_\_\_\_\_ under this Fifty-Second Supplemental Indenture or the Indenture are expressly conditioned on the timely and full performance of the payment obligations of \_\_\_\_\_ under the Policy.

(b) \_\_\_\_\_ shall be considered the sole Owner of the Insured Bonds as provided in Section 1104 of the Indenture.

(c) It shall constitute an event of default hereunder for purposes of Section 901(d) of the Indenture if the City fails or refuses to comply with the provisions of the Indenture, or defaults in the performance or observance of any covenants, agreements or conditions on its part contained in the Indenture or the Senior Lien Obligations, which materially affects the rights of the Owners of the Senior Lien Obligations and the failure, refusal or default continues for a period of 45 days after written notice of it by the Trustee or the Owners of not less than 25% in principal amount of the Outstanding Senior Lien Obligations; provided, however, that in the case of any such default which can be cured by due diligence but which cannot be cured within the 45-day period, the time to cure is extended for such period as may be necessary to remedy the default with all due diligence, provided that such extension shall not exceed 45 days without the prior written consent of \_\_\_\_\_ (which consent shall not be unreasonably withheld).

(d) To the extent that this Fifty-Second Supplemental Indenture confers upon or gives or grants to \_\_\_\_\_ any right, remedy or claim under this Fifty-Second Supplemental Indenture, \_\_\_\_\_ is hereby explicitly recognized as being a third-party beneficiary hereunder and may enforce any such right, remedy or claim conferred, given or granted hereunder.

(e) No amendment or modification of any provisions of this Fifty-Second Supplemental Indenture giving any right, remedy or claim to \_\_\_\_\_ may be made without the prior written consent of \_\_\_\_\_ (which consent shall not be unreasonably withheld).

(f) No amendment of the Indenture that materially and adversely alters the security for the Insured Bonds shall become effective without the prior written consent of \_\_\_\_\_ (which consent shall not be unreasonably withheld).

(g) The rights granted to \_\_\_\_\_ hereunder to request, consent to or direct any action are rights granted to \_\_\_\_\_ in consideration of its issuance of the \_\_\_\_\_ Policy. Any exercise by \_\_\_\_\_ of such rights is merely an exercise of \_\_\_\_\_'s contractual rights and shall not be construed or deemed to be taken for the benefit or on behalf of the holders of the Insured Bonds nor does such

action evidence any position of \_\_\_\_\_, positive or negative, as to whether Bondholder consent is required in addition to the consent of \_\_\_\_\_.

(h) Notwithstanding anything in the Indenture to the contrary, in the event that the principal and/or interest due on the Insured Bonds shall be paid by \_\_\_\_\_ pursuant to the Policy, the Insured Bonds shall remain Outstanding for all purposes, not be defeased or otherwise satisfied and not be considered paid by the City and all covenants, agreements and other obligations of the City to the registered owners shall continue to exist and shall run to the benefit of \_\_\_\_\_, and \_\_\_\_\_ shall be subrogated to the rights of such registered owners. The term "Outstanding" under the Indenture includes Insured Bonds described in this clause (h). The lien of the Indenture shall not be discharged unless all amounts due or to become due to \_\_\_\_\_ hereunder have been paid in full or duly provided for.

(i) The City shall pay or reimburse \_\_\_\_\_, but only from Revenues and subject and subordinate to all then existing liens on and pledges of Revenues as security for the payment of Airport Obligations, any and all charges, fees, costs and expenses which \_\_\_\_\_ may reasonably pay or incur in connection with (i) the administration, enforcement, defense or preservation of any rights or security in the Indenture; (ii) the pursuit of any remedies under the Indenture or otherwise afforded by law or equity, (iii) any amendment, waiver or other action with respect to, or related to, the Indenture whether or not executed or completed, (iv) the violation by the City of any law, rule or regulation, or any judgment, order or decree applicable to it or (v) any litigation or other dispute in connection with the Indenture or the transactions contemplated thereby, other than amounts resulting from the failure of \_\_\_\_\_ to honor its obligations under the Policy. \_\_\_\_\_ reserves the right to charge a reasonable fee as a condition to executing any amendment, waiver or consent proposed in respect of the Indenture.

## ARTICLE XI

**Section 11.01. Fifty-Second Supplemental Indenture as Part of Indenture.** This Fifty-Second Supplemental Indenture shall be construed in connection with and as a part of the Indenture and all terms, conditions and covenants contained in the Indenture, except as herein modified and except as restricted in the Indenture to Senior Lien Obligations of another Series, shall apply and be deemed to be for the equal benefit, security and protection of the Bonds.

Severability.** If any provision of this Fifty-Second Supplemental Indenture shall be held or deemed to be or shall, in fact, be illegal, inoperative or unenforceable, the same shall not affect any other provision or provisions herein contained or render the same invalid, inoperative or unenforceable to any extent whatever.

**Section 11.03. Use of the words "herein," "whereby," "hereunder," "hereof," "hereinbefore," "hereinafter" and other equivalent words refer to this Fifty-Second Supplemental Indenture and not solely to the particular portion in which any such word is used.

**Section 11.06. Captions.** The captions and headings in this Fifty-Second Supplemental Indenture are for convenience only and in no way define, limit or describe the scope or intent of any provisions or Sections of this Fifty-Second Supplemental Indenture.

Additional Notices.** Copies of all notices, certificates or other communications given to the City or the Trustee pursuant to the requirements of the Indenture or this Fifty-Second Supplemental Indenture at the addresses set forth in Section 1105 of the Indenture shall be given to the Insurer and to any Qualified Credit Provider of Qualified Credit Instruments held in the Debt Service Reserve Account at the same time and in the same manner.

IN WITNESS WHEREOF, the City has caused these presents to be executed in its name and with its official seal hereunto affixed and attested by its duly authorized officials; and to evidence its acceptance of the trusts hereby created, the Trustee has caused these presents to be executed in its corporate name and attested by its duly authorized officers, as of the date first above written.

*Be It Ordained by the City Council of the City of Chicago:*

*Part A.*

*Article I.*

*Authorization, Findings, Determinations And  
Approval Of Documents.*

SECTION 1.1 Authorization. The above recitals are incorporated in this ordinance. This ordinance is adopted pursuant to Section 6(a) of Article VII of the Constitution. This ordinance authorizes the issuance of the 2016 PFC Bonds as follows: (i) this Part A authorizes the 2016 O'Hare passenger facility charge revenue bond financing plan; (ii) Part B hereof authorizes the issuance, from time to time, of 2016 PFC Bonds, in one or more series, in such principal amounts and with such terms and provisions as set forth therein and in the PFC Master Indenture and the related Supplemental Indentures therein approved; (iii) Part C hereof sets forth provisions applicable to the 2016 PFC Bonds and authorizes City officials to execute and deliver agreements relating to the matters authorized by this ordinance; and (iv) Part D hereof provides for the enactment of this ordinance.

SECTION 1.2 Finding And Determinations. This City Council hereby finds and determines as follows:

(a) that the issuance of the 2016 PFC Bonds and the refunding of the Outstanding PFC Bonds will result in debt service savings or provide other benefits to the Airport;

(b) that the Projects to be financed by the City with the proceeds of the 2016 PFC Bonds are necessary and essential to the efficient operation of the Airport;

(c) that the City's ability to issue the 2016 PFC Bonds from time to time without further action by this City Council at various times, in various principal amounts and with various interest rates, maturities, redemption provisions and other terms will enhance the City's opportunities to obtain financing for the Airport upon the most favorable terms available; and

(d) that the delegations of authority that are contained in this ordinance are necessary and desirable because this City Council cannot itself as advantageously, expeditiously or conveniently exercise such authority and make such specific determinations. Thus, authority is granted to the Mayor, the Chief Financial Officer appointed by the Mayor or the City Comptroller (the "Authorized Officer" as referred to herein being either the Chief Financial Officer or the City Comptroller) to determine to sell one or more series of 2016 PFC Bonds, at one or more times, as and to the extent such officers determine that such sale or sales is desirable and in the best financial interest of the City in the operation of the Airport.

SECTION 1.3 Form Of Ninth Supplemental Indenture. There has been presented to this City Council the form of Ninth Supplemental Indenture Securing Chicago O'Hare International Airport Passenger Facility Charge Revenue Bonds, Series 2016A and

Passenger Facility Charge Revenue Refunding Bonds, Series 2016B (attached hereto as Exhibit A).

SECTION 1.4 Title. This ordinance may hereafter be cited as the "2016 O'Hare PFC Financing Ordinance".

"2016 PFC Bonds" means the 2016 PFC Bonds authorized by Section 2.1 of this Part B.

*Article II.*

*Authorization And Details Of 2016 PFC Bonds.*

SECTION 2.1 Authorization Of 2016 PFC Bonds. (a) The 2016 PFC Bonds are hereby authorized to be issued in an aggregate principal amount of not to exceed \$500,000,000 plus an amount equal to the amount of any original issue discount used in the marketing of the 2016 PFC Bonds (not to exceed 10 percent of the principal amount thereof) pursuant to the PFC Master Indenture and one or more Supplemental Indentures for the purposes specified in Section 2.2 of this Part B. The 2016 PFC Bonds shall be issued bearing interest at a fixed interest rate or rates as more fully set forth in the related Supplemental Indenture. The 2016 PFC Bonds may be issued as current interest bonds, as capital appreciation bonds or as capital appreciation bonds that convert to current interest bonds at a future date after their issuance.

(b) The 2016 PFC Bonds shall mature not later than January 1, 2057, and shall bear interest from their date, or from the most recent date to which interest has been paid or duly provided for, until the City's obligation with respect to the payment of the principal amount thereof shall be discharged, payable as provided in the related Supplemental Indenture at a rate or rates not in excess of 10 percent per annum. Each series of 2016 PFC Bonds may be subject to mandatory and optional redemption (including mandatory redemption pursuant to the application of Sinking Fund Payments), upon the terms and conditions set forth in the PFC Master Indenture and the related Supplemental Indenture.

(c) The 2016 PFC Bonds shall be entitled "Chicago O'Hare International Airport Passenger Facility Charge Revenue Bonds" or "Chicago O'Hare International Airport Passenger Facility Charge Revenue Refunding Bonds" and may be issued in one or more separate series, appropriately designated to indicate the order of their issuance. Each 2016 PFC Bond shall be issued in fully registered form and in the denominations set forth in the related Supplemental Indenture; and shall be dated and numbered and further designated and identified as provided in the PFC Master Indenture and the related Supplemental Indenture.

(d) Principal of and premium, if any, on the 2016 PFC Bonds shall be payable at the designated corporate trust office of the PFC Master Trustee or any Paying Agent as provided in the PFC Master Indenture and related Supplemental Indenture. (e) Subject to the limitations set forth in this section, authority is hereby delegated to either the Mayor or the Authorized Officer to determine the aggregate principal amount of 2016 PFC Bonds to be issued, the authorized purposes for which such 2016 PFC Bonds are to be issued, the date thereof, the maturities thereof, any provisions for optional redemption thereof, the schedule of Sinking Fund Payments, if any, to be applied to the mandatory redemption thereof (which mandatory redemption shall be at a Redemption Price equal to the principal amount of each 2016 PFC Bond to be redeemed, without premium, plus accrued interest), the rate or rates of interest payable thereon and the first interest payment date thereof. Any optional redemption shall be at Redemption Prices that may include a redemption premium for each 2016 PFC Bond to be redeemed expressed as a percentage, not exceeding the greater of twenty percent (20%) of the principal amount or twenty percent (20%) of the amortized value as of the redemption date (or in the case of capital appreciation bonds, the accreted value as of the redemption date) of the 2016 PFC Bond to be redeemed, or as a formula designed to compensate the owner of the 2016 PFC Bond to be redeemed based upon prevailing market conditions on the date fixed for such redemption, commonly known as a "make whole" redemption premium.

SECTION 2.2 Purposes. Pursuant to Section 203 of the PFC Master Indenture, the 2016 PFC Bonds are to be issued for the following purposes, as determined by the Authorized Officer at the time of the sale of any Series of the 2016 PFC Bonds:

The proceeds of each Series of 2016 PFC Bonds shall be applied for the purposes set forth above in the manner and in the amounts specified in a Certificate of an Authorized Officer (as defined in the PFC Master Indenture) delivered in connection with the issuance of such series pursuant to the PFC Master Indenture and the related Supplemental Indenture.

SECTION 2.3 Pledge Of PFC Revenues. The 2016 PFC Bonds, together with interest thereon, shall be limited obligations of the City secured by a pledge of the PFC Revenues pledged under the PFC Master Indenture and the related Supplemental Indenture, and shall be valid claims of the registered owners thereof only against the funds and assets and other money held by the PFC Master Trustee with respect thereto and against such PFC Revenues. The 2016 PFC Bonds and the obligation to pay interest thereon do not now and shall never constitute an indebtedness or a loan of credit of the City, or a charge

against its general credit or taxing powers, within the meaning of any constitutional or statutory limitation of the State of Illinois.

SECTION 2.4 Approval Of Supplemental Indentures. (a) The form of Ninth Supplemental Indenture presented to this meeting is hereby approved in all respects. The Mayor or the Authorized Officer is hereby authorized, with respect to each series of 2016 PFC Bonds, to execute and deliver a Supplemental Indenture in substantially the form of the Ninth Supplemental Indenture for and on behalf of the City, and the City Clerk is hereby authorized to attest the same and to affix thereto the corporate seal of the City or a facsimile thereof.

(b) Each such Supplemental Indenture shall be substantially in the form of the Ninth Supplemental Indenture presented to this meeting and may contain such changes or revisions as shall be approved by the Mayor or the Authorized Officer, such changes or revisions may include, without limit, such changes as may be necessary or desirable, as determined by the Mayor or the Authorized Officer, to set forth the authorized purposes and the application of the proceeds of the 2016 PFC Bonds issued thereunder as authorized herein.

(c) The execution and delivery of a Supplemental Indenture shall constitute evidence of this City Council's approval of the form of such Supplemental Indenture as executed and delivered.

SECTION 2.5 Municipal Bond Insurance Policies; Qualified Reserve Account Credit Instruments. If determined by the Authorized Officer to be in the best financial interest of the City in its operation of the Airport, the Authorized Officer is authorized to:

(i) procure one or more municipal bond insurance policies covering all or a portion of the 2016 PFC Bonds; and

(ii) arrange for the provision of one or more Qualified Reserve Account Credit Instruments as security for all or a portion of the 2016 PFC Bonds.

*Part C.*

*Article I.*

*Bond Sale And Related Matters.*

SECTION 1.1 Application And Definitions. The provisions of this Part C are applicable to obligations issued pursuant to Part B of this ordinance and shall be applied in conjunction therewith. Terms defined in Parts A and B shall have the same meanings when used in this Part C.

SECTION 1.2 Sale Of 2016 PFC Bonds. (a) Subject to the limitations contained in this ordinance, authority is hereby delegated to the Mayor or the Authorized Officer to sell the 2016 PFC Bonds in one or more series from time to time to one or more underwriters selected by the Authorized Officer pursuant to one or more Contracts of Purchase with respect to the 2016 PFC Bonds between the City and such underwriters; provided that the aggregate purchase price of each series of the 2016 PFC Bonds shall not be less than 85 percent of the principal amount thereof to be issued (less any original issue discount which may be used in the marketing thereof) plus accrued interest thereon from their date to the date of delivery thereof and payment thereof. In addition, one or more series of the 2016 PFC Bonds may be issued as bonds the interest on which will be includable in the gross income of the owners thereof for federal income tax purposes under the Code, if determined by the Authorized Officer to be in the best financial interest of the City in its operation of the Airport.

(b) The Mayor or the Authorized Officer, with the concurrence of the chairman of the Committee on Finance of the City Council, is hereby authorized and directed to execute and deliver one or more Contracts of Purchase relating to the 2016 PFC Bonds in substantially the form of the Contracts of Purchase used in connection with the previous sales of passenger facility charge revenue bonds by the City, together with such changes thereto and modifications thereof as shall be approved by the Mayor or the Authorized Officer, as the case may be, subject to the limitations contained in this ordinance, the execution and delivery thereof to constitute conclusive evidence of this City Council's approval of such changes and modifications.

(c) To evidence the exercise of the authority delegated to the Mayor or the Authorized Officer by this ordinance, the Mayor or the Authorized Officer, as the case may be, is hereby directed to execute and file with the City Clerk in connection with the sale of 2016 PFC Bonds a certificate setting forth the determinations made pursuant to the authority granted herein, which certificate shall constitute conclusive evidence of the proper exercise by them of such authority. Contemporaneously with the filing of such certificate, the Mayor or the Authorized Officer shall also file with the City Clerk one copy of each Official Statement and executed Contract of Purchase in connection with the 2016 PFC Bonds. Each filing shall be made as soon as practicable subsequent to the execution of the Contract of Purchase. The City Clerk shall direct copies of such filings to the City Council.

(d) The Authorized Officer is hereby authorized to cause to be prepared the form or forms of Preliminary Official Statement describing the 2016 PFC Bonds. the Mayor or the Authorized Officer shall deem advisable, and the Mayor or the Authorized Officer is authorized to execute and deliver each such final Official Statement to the underwriters in the name and on behalf of the City, the execution of such final official statement to constitute conclusive evidence of this City Council's approval of such changes and completions.

(e) The Authorized Officer is hereby authorized to execute and deliver a Continuing Disclosure Undertaking (the "Continuing Disclosure Undertaking") evidencing the City's agreement to comply with the requirements of Section (b)(5) of Rule 15c2-12 adopted by the Securities and Exchange Commission under the Securities Exchange Act of 1934 in a form approved by the Corporation Counsel. Upon its execution and delivery on behalf of the City as herein provided, the Continuing Disclosure Undertaking will be binding on the City, and the officers, employees and agents of the City are hereby authorized to do all such acts and things and to execute all such documents as may be necessary to carry out and comply with the provisions of the Continuing Disclosure Undertaking as executed. The Authorized Officer is hereby further authorized to amend the Continuing Disclosure Undertaking in accordance with its terms from time to time following its execution and delivery as said Authorized Officer shall deem necessary. Notwithstanding any other provision of this ordinance, the sole remedies for any failure by the City to comply with the Continuing Disclosure Undertaking shall be the ability of the beneficial owner of any 2016 PFC Bond to seek mandamus or specific performance by court order to cause the City to comply with its obligations under the Continuing Disclosure Undertaking.

SECTION 1.3 Execution And Delivery Of 2016 PFC Bonds. Pursuant to the PFC Master Indenture, the Mayor shall execute the 2016 PFC Bonds on behalf of the City, by manual or facsimile signature, and the corporate seal of the City or a facsimile thereof shall be affixed, imprinted, engraved or otherwise reproduced on the 2016 PFC Bonds and they shall be attested by the manual or facsimile signature of the City Clerk. The 2016 PFC Bonds shall, upon such execution on behalf of the City, be delivered to the PFC Master Trustee for authentication and thereupon shall be authenticated by the PFC Master Trustee and shall be delivered pursuant to written order of the City authorizing and directing the delivery of the 2016 PFC Bonds to or upon the order of the underwriters pursuant to the applicable Contract of Purchase.

Principal of, premium, if any, and interest on this Bond shall be payable in lawful money of the United States of America at the corporate trust operations office of The Bank of New York Mellon Trust Company, N.A., as Trustee, or its successor in trust (the "*Trustee*"); *provided, however*, that payment of the interest on any Interest Payment Date shall be (i) made to the registered owner hereof as of the close of business on the applicable Record Date (as defined in the Indenture) with respect to such Interest Payment Date and shall be paid by check or draft mailed to such registered owner hereof at his or her address as it appears on the registration books of the City maintained by the Trustee as Bond Registrar or at such other address as is furnished in writing by such registered owner to the Trustee as Bond Registrar as of the close of business on such Record Date or (ii) made by wire transfer to such registered owner as of the close of business on such Record Date upon written notice of such wire transfer address in the continental United States by such owner to the Bond Registrar given prior to such Record Date (which notice may provide that it will remain in effect until revoked), *provided* that each such wire transfer shall only be made with respect to an owner of \$1,000,000 or more in aggregate principal amount of the Bonds as of the close of business on the Record Date relating to such Interest Payment Date; except, in each case, that if and to the extent that there shall be a default in the payment of the interest due on such Interest Payment Date, such defaulted interest shall be paid to the registered owners as provided in the Indenture. So long as this Bond is restricted to being registered in the registration books of City in the name of a Securities Depository (as defined in the Indenture), the provisions of the Indenture governing Book-Entry Bonds shall govern the payment of the principal of and interest on this Bond.

This Bond is one of an authorized series of bonds limited in aggregate principal amount to \$ \_\_\_\_\_ (the "*Bonds*") issued pursuant to, under authority of and in full compliance with the Constitution and laws of the State of Illinois, particularly Article VII, Section 6(a) of the 1970 Constitution of the State of Illinois and an ordinance of the City Council of the City, and executed under a Master Trust Indenture Securing Chicago O'Hare International Airport Passenger Facility Charge Obligations dated as of January 1, 2008, from the City to The Bank of New York Mellon Trust Company, N.A., as trustee (the "*Trustee*"), as heretofore supplemented and amended and as supplemented by a Ninth Supplemental Indenture, dated as of \_\_\_\_\_, 2016, from the City to the Trustee (collectively, the "*Indenture*"), for the purpose of [paying costs of Projects at the Chicago O'Hare International Airport] [paying costs related to the refunding of passenger facility charge revenue bonds of the City previously issued to finance certain projects at Chicago O'Hare International Airport], funding debt service reserve accounts and paying costs and expenses incidental thereto and to the issuance of the Bonds.

The Bonds are limited obligations of the City and shall not constitute an indebtedness of the City or a loan of credit thereof within the meaning of any constitutional or statutory limitation. Neither the faith and credit nor the taxing power of the City, the State of Illinois or any political subdivision thereof is pledged to the payment of the principal of the Bonds, or the interest or any premium thereon, or other costs incident thereto. The Bonds are payable solely from the revenues in the Indenture pledged to such payment, and no owner or owners of the Bonds shall ever have the right to compel any exercise of the taxing power of the City, the State of Illinois or any political subdivision thereof.

The Bonds and the interest thereon are payable from PFC Revenues pledged to the payment thereof under the Indenture and certain other moneys held by or on behalf of the Trustee. Copies of the Indenture are on file at the corporate trust office of the Trustee, and reference to the Indenture and any and all supplements thereto and modifications and amendments thereof is made for a description of the pledge and covenants securing the Bonds, the nature, extent and manner of enforcement of such pledge, the rights and remedies of the registered owners of the Bonds, and the limitations on such rights and remedies.

The Bonds are issuable only as fully registered Bonds in the authorized denominations described in the Indenture. Bonds may be transferred on the books of registration kept by the Bond Registrar by the owner in person or by the owner's duly authorized attorney, upon surrender thereof, together with a written instrument of transfer executed by the owner or the owner's duly authorized attorney. Upon surrender for registration of transfer of any Bond with all partial redemptions endorsed thereon at the office of the Bond Registrar, the City shall execute and the Trustee shall authenticate and deliver in the name of the transferee or transferees a new Bond or Bonds of the same maturity and interest rate, aggregate principal amount and tenor and of any authorized denomination or denominations and bearing numbers not contemporaneously outstanding under the Indenture.

Bonds may be exchanged at the office of the Bond Registrar for an equal aggregate principal amount of Bonds in the appropriate form and in the same maturity and interest rate, aggregate principal amount and tenor and of any authorized denomination or denominations. The City shall execute and the Trustee shall authenticate and deliver Bonds which the Bondholder making the exchange is entitled to receive.

Such registration of transfer or exchange of Bonds shall be without charge to the owners of such Bonds, but any taxes or other governmental charges required to be paid with respect to the same shall be paid by the owners of the Bond requesting such transfer or exchange as a condition precedent to the exercise of such privilege.

The Bond Registrar shall not be required to register for transfer or exchange any undelivered Bond or Bonds after the giving of notice calling such Bond for redemption or partial redemption has been made.

The person in whose name any Bond is registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of or on account of principal, premium, if any, or interest shall be made only to or upon the order of the registered owner thereof or the owner's duly authorized attorney, but such registration may be changed as hereinabove provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

The Bonds maturing on January 1, 20\_\_, are subject to mandatory redemption, in part and by lot as provided in the Indenture from mandatory Sinking Fund Payments, on January 1 in each of the years and in the respective principal amounts set forth below, at a Redemption Price equal to the principal amount thereof to be redeemed:

This Bond and all other Bonds of the series of which it forms a part are issued pursuant to an ordinance adopted by the City Council of the City, which ordinance authorizes the execution and delivery of the Indenture. This Bond and the series of which it forms a part are limited obligations of the City payable solely from the amounts pledged therefor under the Indenture.

The Indenture prescribes the manner in which it may be discharged and after which the Bonds shall no longer be secured by or entitled to the benefits of the Indenture, except as provided in the Indenture and for the purposes of registration and exchange of Bonds and of such payment, including a provision that the Bonds shall be deemed to be paid if Defeasance Obligations maturing as to principal and interest in such amounts and at such times as to insure the availability of sufficient moneys to pay the principal of, premium, if any, and interest on the Bonds and all necessary and proper fees, compensation and expenses of the Trustee shall have been deposited with the Trustee.

Modifications or alterations of the Indenture, or of any supplements thereto, may be made only to the extent and in the circumstances permitted by the Indenture.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts and conditions required to be performed precedent to and in the execution and delivery of the Indenture and the issuance of this Bond have been performed in due time, form and manner as required by law, and that the issuance of this Bond and the series of which it forms a part does not exceed or violate any constitutional or statutory limitation.

This Bond shall not be valid or become obligatory for any purpose or be entitled to any security or benefit under the Indenture unless and until the certificate of authentication hereon shall have been duly executed by the Trustee.

IN WITNESS WHEREOF, the City of Chicago has caused this Bond to be executed in its name by the manual or facsimile signature of its Mayor and the manual or facsimile of its corporate seal to be printed hereon and attested by the manual or facsimile signature of its City Clerk.

Interest on the Bonds shall be paid by wire transfer to any Registered Owner who at the close of business on such Record Date has given written notice of its wire transfer address in the continental United States to the Bond Registrar prior to such Record Date (which notice may provide that it will remain in effect until revoked). *provided that each such wire transfer shall only be made with respect to a Registered Owner of \$1,000,000 or more in aggregate principal amount of the Bonds of a Series as of the close of business on such Record Date.*

*Section 2.05. Execution.* The Bonds shall be executed on behalf of the City with the official manual or facsimile signature of the Mayor of the City and attested with the official manual or facsimile signature of its City Clerk, and shall have affixed, impressed, imprinted or

In case any officer whose signature or a facsimile of whose signature shall appear on the Bonds shall cease to be such officer before the delivery of such Bonds, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes, as if he or she had remained in office until delivery.

*Section 2.06. Authentication.* No Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit under this Ninth Supplemental Indenture unless and until such certificate of authentication in substantially the form hereinabove set forth shall have been duly executed by the Trustee, and such executed certificate of the Trustee, upon any such Bond shall be conclusive evidence that such Bond has been authenticated and delivered under this Ninth Supplemental Indenture. The Trustee's certificate of authentication on any Bond shall be deemed to have been executed by it if signed by an authorized signatory of the Trustee, but it shall not be necessary that the same signatory sign the certificate of authentication on all of the Bonds.

*Section 2.07. Form of Bonds; Temporary Bonds.* The Bonds issued under this Ninth Supplemental Indenture shall be substantially in the form hereinbefore set forth, with such appropriate variations, omissions and insertions as are permitted or required by this Ninth Supplemental Indenture.

Pending preparation of definitive Bonds, or by agreement with the purchasers of the Bonds, the City may issue and, upon its request, the Trustee shall authenticate, in lieu of definitive Bonds, one or more temporary printed or typewritten Bonds in Authorized Denominations of substantially the tenor recited above. Upon request of the City, the Trustee shall authenticate definitive Bonds in exchange for and upon surrender of an equal principal amount of temporary Bonds. Until so exchanged, temporary Bonds shall have the same rights, remedies and security hereunder as definitive Bonds.

*Section 2.08. Delivery of Bonds.* Upon the execution and delivery of this Ninth Supplemental Indenture, the City shall execute and deliver to the Trustee, and the Trustee shall authenticate, the Bonds and deliver them to the purchasers as may be directed by the City as provided in this Section. *Section 2.09. Mutilated, Lost, Stolen or Destroyed Bonds.* In the event any Bond is mutilated, lost, stolen or destroyed, the City may execute and the Trustee may authenticate a new Bond of like date, Series, maturity, interest rate and denomination as the Bond mutilated, lost, stolen or destroyed; *provided* that, in the case of any mutilated Bond, such mutilated Bond shall first be surrendered to the Trustee, and in the case of any lost, stolen or destroyed Bond, there shall be first furnished to the City and the Trustee evidence of such loss, theft or destruction

satisfactory to the City and the Trustee, together with indemnity satisfactory to them. In the event any such Bond shall have matured, instead of issuing a substitute Bond the City may pay the same without surrender thereof. The City and the Trustee may charge the Registered Owner of such Bond with their reasonable fees and expenses in this connection. All Bonds so surrendered to the Trustee shall be cancelled and destroyed, and evidence of such destruction shall be given to the City. Upon the date of final maturity or redemption of all of the Bonds, the Trustee shall destroy any inventory of unissued certificates.

*Section 2.10. Registration and Exchange of Bonds; Persons Treated as Owners.* The City shall cause books for the registration and for the transfer of the Bonds as provided in this Ninth Supplemental Indenture to be kept by the Trustee as the Bond Registrar of the City. Upon surrender for transfer of any Bond at the office of the Bond Registrar, duly endorsed for transfer or accompanied by an assignment duly executed by the Registered Owner or such Owner's attorney duly authorized in writing, the City shall execute and the Bond Registrar shall authenticate and deliver in the name of the transferee or transferees a new fully registered Bond for a like Series, maturity, interest rate and aggregate principal amount.

Bonds may be exchanged at the corporate trust office of the Bond Registrar for a like aggregate principal amount of fully registered Bonds of the same Series and maturity and interest rate and of other Authorized Denominations. The City shall execute and the Bond Registrar shall authenticate and deliver Bonds which the Bondowners making the exchange are entitled to receive, bearing numbers not contemporaneously then outstanding. The execution by the City of any Bond of any denomination shall constitute full and due authorization of such denomination and the Bond Registrar shall thereby be authorized to authenticate and deliver such Bond.

The Bond Registrar shall not be required to register for transfer or exchange any undelivered Bond or any Bond after the giving of notice calling such Bond for redemption or partial redemption.

The person in whose name any fully registered Bond is registered at the close of business on any Record Date with respect to any Interest Payment Date shall be entitled to receive the interest payable on such Interest Payment Date notwithstanding the cancellation of such registered Bond upon any transfer or exchange thereof subsequent to the Record Date and prior to such Interest Payment Date, except if and to the extent there shall be a default in the payment of the interest due on such Interest Payment Date, in which case such defaulted interest shall be paid to the person in whose name such Bond is registered either at the close of business on the day preceding the date of payment of such defaulted interest or on a subsequent Record Date for such payment if one shall have been established as hereinafter provided. A subsequent Record Date for defaulted interest may be established by the Trustee by notice mailed to the Registered Owners of Bonds not less than 10 days preceding such Record Date, which Record Date shall be not more than 30 days prior to the subsequent Interest Payment Date.

Except as provided in the Indenture, as to any Bond the person in whose name the same shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of principal, premium, if any, or interest on any Bond shall be made only to or upon the written order of the Registered Owner thereof or his or her legal representative. All such

payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

In each case the Bond Registrar shall require the payment by the Bondowner requesting exchange or transfer, of any tax or other governmental charge required to be paid with respect to such exchange or transfer, but otherwise no charge shall be made to the Bondowner for such exchange or transfer.

*Section 2.11. Book-Entry Provisions.* The provisions of this Section shall apply so long as the Bonds are maintained in book-entry form with DTC or another Securities Depository.

(a) *Payments.* The Bonds shall be payable to the Securities Depository, or its nominee, as the Registered Owner of the Bonds, in same day funds on each date on which the principal of, interest on, and premium, if any, on the Bonds is due as set forth in this Ninth Supplemental Indenture and in the Bonds. Such payments shall be made to the offices of the Securities Depository specified by the Securities Depository to the City and the Trustee in writing. Without notice to or the consent of the beneficial owners of the Bonds, the City and the Securities Depository may agree in writing to make payments of principal and interest in a manner different from that set forth in this Ninth Supplemental Indenture. If such different manner of payment is agreed upon, the City shall give the Trustee written notice thereof, and the Trustee shall make payments with respect to the Bonds in the manner specified in such notice. Neither the City nor the Trustee shall have any obligation with respect to the transfer or crediting of the principal of, interest on, and premium, if any, on the Bonds to Participants or the beneficial owners of the Bonds or their nominees.

(b) *Replacement of the Securities Depository.* If (i) the City determines or (ii) the City receives notice that the Securities Depository has received notice from its Participants having interests in at least 50% in principal amount of the Bonds that the Securities Depository or its successor is incapable of discharging its responsibilities as a securities depository or that it is in the best interests of the beneficial owners that they obtain certificated Bonds, the City may (or in the case of clause (ii) above, the City shall) cause the Trustee to authenticate and deliver Bond certificates. The City shall have no obligation to make any investigation to determine the occurrence of any events that would permit the City to make any determination described in this paragraph.

(c) *Discontinuance of Book-Entry or Change of Securities Depository.* If, following a determination or event specified in paragraph (b) above, the City discontinues the maintenance of the Bonds in book-entry form with the then current Securities Depository, the City will issue replacement Bonds to the replacement Securities Depository, if any, or, if no replacement Securities Depository is selected for the Bonds, directly to the Participants as shown on the records of the former Securities Depository or, to the extent requested by any Participant, to the beneficial owners of the Bonds shown on the records of such Participant. Replacement Bonds shall be in fully registered form and in Authorized Denominations, be payable as to interest on the Interest Payment Dates of the Bonds by check or draft mailed to each Registered Owner

at the address of such Registered Owner as it appears on the bond registration books maintained by the City for such purpose at the corporate trust office of the Trustee or at the option of any Registered Owner of not less than \$1,000,000 in aggregate principal amount of Bonds, by wire transfer to any address in the continental United States of America on such Interest Payment Date to such Registered Owner as of such Record Date, if such Registered Owner provides the Trustee with written notice of such wire transfer address not later than the Record Date (which notice may provide that it will remain in effect with respect to subsequent Interest Payment Dates unless and until changed or revoked by subsequent notice). Principal and premium, if any, on the replacement Bonds are payable only upon presentation and surrender of such replacement Bond or Bonds at the corporate trust office of the Trustee.

(d) *Effect of Book-Entry System.* The Securities Depository and its Participants and the beneficial owners of the Bonds, by their acceptance of the Bonds, agree that the City and the Trustee shall not have liability for the failure of such Securities Depository to perform its obligations to the Participants and the beneficial owners of the Bonds, nor shall the City or the Trustee be liable for the failure of any Participant or other nominee of the beneficial owners to perform any obligation of the Participant to a beneficial owner of the Bonds.

(d) Upon calculation by the Trustee of each Series 2016AB Deposit Requirement under this Section, the Trustee shall notify the City of the Series 2016AB Deposit Requirement and the Deposit Date to which it relates together with such supporting documentation and calculations as the City may reasonably request.

(e) If on any Deposit Date, the amount held in the Series 2016AB Dedicated Sub-Fund for deposit to the various Accounts shall be less than the unsatisfied amount of the Series 2016AB Deposit Requirement for such Deposit Date, the City shall withdraw, or cause to be withdrawn, from the PFC Capital Fund and paid to the Trustee for deposit into the Series 2016AB Dedicated Sub-Fund the amount necessary to cure such deficiency.

*Section 4.05. Interest Account.* The Trustee shall withdraw from the Interest Account, prior to each Interest Payment Date, an amount equal to the interest due on the Bonds and not payable from a Capitalized Interest Account, and apply the same to the payment of such interest.

*Section 4.06. Capitalized Interest Account.* The Trustee shall withdraw from the Capitalized Interest Account, prior to each of the following Interest Payment Dates, the amounts set forth in the following table, and apply the same to the payment of the interest on the Bonds due on such Interest Payment Date:

*Section 4.07. Principal Account.* (a) The Trustee shall withdraw from the Principal Account, prior to each January 1 Payment Date, an amount equal to the Principal Installments of the Bonds maturing on that date, and apply the same to the payment of such Principal Installments when due.

(b) The Trustee shall establish and maintain in the Principal Account a separate account for each particular group of Bonds of a Series that mature on a single date and for which Sinking Fund Payments are established pursuant to Section 3.01(b). Moneys paid into the Principal Account as a Sinking Fund Payment in any year shall upon receipt be segregated and set aside in said accounts in proportion to the respective amounts of the Sinking Fund Payment on the next ensuing January 1 Payment Date with respect to the particular Bonds for which each such account is maintained.

(c) The Trustee shall apply moneys in any account established in the Principal Account as provided in subsection (b) of this Section to the purchase or redemption of the Bonds for which such account is maintained in the manner provided in this Section and Article III or to the payment of the principal thereof at maturity. (b) If at any time the Debt Service Reserve Account holds both a Qualified Reserve Account Credit Instrument and Qualified Investments, the Qualified Investments shall be liquidated and the proceeds applied for the purposes for which Debt Service Reserve Account moneys may be applied under this Ninth Supplemental Indenture prior to any draw being made on the Qualified Reserve Account Credit Instruments. If the Debt Service Reserve Account holds Qualified Reserve Account Credit Instruments issued by more than one issuer, draws shall be made under such credit instruments on a pro-rata basis to the extent of available funds.

(c) If on the Business Day prior to any Interest Payment Date there shall not be a sufficient amount in the Interest Account and the Capitalized Interest Account available to provide for the payment of the interest on the Bonds due on such Interest Payment Date, the Trustee shall withdraw from the Debt Service Reserve Account and pay into the Interest Account the amount needed to cure such deficiency.

(d) If on the Business Day prior to any January 1 Payment Date there shall not be a sufficient amount in the Principal Account to provide for the payment of the Principal Installments on the Bonds due on such January 1 Payment Date, the Trustee, after making any withdrawal required by subsection (c) of this Section, shall withdraw from the Debt Service Reserve Account and pay into the Principal Account the amount needed to cure such deficiency.

(e) If on any date all withdrawals or payments from the Debt Service Reserve Account required by any other provision of the Indenture or this Ninth Supplemental Indenture shall have been made, the Trustee, at the direction of the City expressed in a Certificate of an Authorized Officer filed with the Trustee, shall withdraw from the Debt Service Reserve Account the amount of any excess therein over the Reserve Requirement and either (a) deposit such moneys into any one or more of the Funds and Accounts maintained under the Indenture or this Ninth Supplemental Indenture or (b) pay such moneys to the City for deposit in the PFC Capital Fund.

(f) At the direction of the City expressed in a Certificate of an Authorized Officer filed with the Trustee, moneys in the Debt Service Reserve Account may be withdrawn from the Debt Service Reserve Account and deposited with the Trustee for the payment of the principal or Redemption Price of or the interest on Bonds in accordance with Section 601 of the Indenture, *provided* that immediately after such withdrawal the amount held in the Debt Service Reserve Account equals or exceeds the Reserve Requirement.

If, after payment of all Costs of Issuance of the Bonds, there shall be any balance remaining in the Costs of Issuance Accounts, such balance, at the direction of an Authorized Officer filed with the Trustee, shall be withdrawn (i) from the 2016A Costs of Issuance Account and deposited in the 2016A Construction Account and (ii) from the 2016B Costs of Issuance Account and deposited into the Interest Account.

*Section 4.11. Administrative Expense Account.* Moneys in the Administrative Expense Account shall be used for the payment of Administrative Expenses as directed by the City in one or more Certificates of an Authorized Officer filed with the Trustee.

- (ii) The respective amount to be paid and the forms of payment thereof;
- (iii) The purpose, by general classification, for which payment is to be made;
- (iv) That the obligations in stated amounts have been incurred by the City, and that each item thereof is a proper charge against the 2016A Construction Account and is due and has not been included in any prior requisition which has been paid;
- (v) That the payment is for costs which, pursuant to the PFC Approvals, are permitted to be paid from 2016A Bond proceeds; and
- (vi) That there has not been filed with or served upon the City any notice of any lien, right to lien, or attachment upon or claim affecting the right to receive payment of any of the moneys payable to any of the persons, firms or corporations named which have not been released or will not be released simultaneously with the payment of such obligations, and in the event that any assignment of right to receive payment has been made and notice thereof has been given to the City and the City has accepted such assignment, the order directing payment shall recite that fact and direct the payment to be made to the assignee thereof as shown by the records of the City.

(c) Upon receipt of any such requisitions, the Trustee shall pay each such obligation from the 2016A Construction Account, and the Trustee shall make disbursements in accordance with the directions of the Authorized Officer.

*Section 4.13. Permitted Transfers.* (a) Moneys in the 2016A Construction Account may be transferred or withdrawn as shall be specified by the City pursuant to paragraph (b) of this Section for any one or more of the following purposes: (i) to make transfers to one or more other construction accounts maintained under the Indenture to pay the Costs of the 2016A Projects, (ii) to make transfers into the Debt Service Reserve Account to make up any deficiency therein, (iii) to make transfers to the Interest Account or the Principal Account, or (iv) to redeem Bonds in accordance with the provisions of this Ninth Supplemental Indenture.

(b) Before any such transfer or withdrawal shall be made, the City shall file with the Trustee:

- (i) its requisition therefor, stating the amount of the transfer or withdrawal and directing the Trustee as to the application of such amount;
- (ii) a Counsel's Opinion stating that in the opinion of the signer, such transfer or withdrawal is permitted under the applicable PFC Approvals and will not constitute a

breach or default on the part of the City of any of the covenants or agreements contained in the Indenture or this Ninth Supplemental Indenture; and

(iii) an opinion of Bond Counsel to the effect that such transfer or withdrawal will not adversely affect any exemption from Federal income taxes of interest on any Bonds.

*Section 4.14. Tax Covenants.* The City covenants to take any action required by the provisions of the Code and within its power to take in order to preserve the exemption from Federal income taxation of interest on the Bonds (other than with respect to an alternative minimum tax imposed on interest on the Bonds), including, but not limited to, the provisions of Section 148 of the Code relating to "arbitrage bonds". ## ARTICLE II. THE BONDS

**Section 2.01 Issuance of Bonds.** The Bonds shall be issued in the maximum aggregate principal amount of \$10,596,000; shall be designated "Multi-Family Housing Revenue Bonds (Paul G. Stewart Apartments Phase III Tower Project), Series 2016 (FHA Insured/GNMA)"; shall be issued only as fully registered bonds, and shall be in the Authorized Denominations requested by the Holder (*provided, however, that each Bond shall have only one principal maturity date*). Unless the Issuer shall otherwise direct, the Bonds shall be numbered from R-1 upward.

Each Bond shall be in the form attached as *Exhibit A* to this Bond Indenture, shall be dated October 1, 2016 and shall bear interest, until paid, at the rate of [ ]% per annum (the "Interest Rate") from the respective Interest Accrual Commencement Date, provided that no interest shall accrue on principal of the Bond until the calendar month in which that portion of the principal amount of the Bond is drawn down as reflected on the drawdown schedule attached to the Bond as Appendix A.

Interest on the Bonds is payable on each \_\_\_\_\_ and \_\_\_\_\_, commencing on \_\_\_\_\_ (the "Interest Payment Dates") and shall be in the amount of interest that accrued during the six-month period preceding each Interest Payment Date on the principal balance of the Bonds Outstanding as of the last day of the six-month period preceding such Interest Payment Date. Interest on the Bonds shall be calculated on the basis of a 360-day year of twelve 30-day months.

The stated maturity of the Bonds shall be \_\_\_\_\_, 20\_\_\_. Principal of the Bonds shall be payable on each Interest Payment Date to the extent amounts are available for such purpose. Principal payable on the Bonds on each Interest Payment Date shall be equal to the amounts in the Bond Fund representing principal payments received on the GNMA Security, including, without limitation, principal payments on the GNMA Security representing (A) regularly scheduled payments of principal, including, without limitation, principal payments on maturing CLCs, (B) casualty insurance proceeds, condemnation awards or other amounts applied to the prepayment of the Mortgage Loan following a partial or total destruction or condemnation of the Project, (C) mortgage insurance proceeds or other amounts received with respect to the Mortgage Loan, (D) a voluntary prepayment of the Mortgage Loan, provided such principal payments are permitted pursuant to the terms of the Mortgage Note and shall include any applicable redemption premium payable on the Mortgage Loan, (E) a prepayment of the Mortgage Loan required by applicable rules, regulations, policies and procedures of FHA or GNMA (including the possible exercise by HUD of its right to override the prepayment and premium provisions of the Promissory Note following an event of default thereunder if HUD determines that prepayment of the Mortgage Loan will avoid a mortgage insurance claim and is therefore in the

best interest of the Federal government), or (F) prepayment on the GNMA Security derived from prepayments on the Mortgage Loan made by the Borrower without notice or prepayment penalty while under the supervision of a trustee in bankruptcy. Principal payable on each Bond on each Interest Payment Date shall be its pro rata proportion of each such amount available to pay the principal of the Bonds on such Interest Payment Date.

**Section 2.02 Payment of Bonds.** Payment of principal, premium, if any, and interest shall be made in lawful money of the United States of America. Principal of and premium, if any, on the Bonds due upon maturity or earlier redemption in whole shall be paid only upon presentation and surrender thereof for cancellation at the principal corporate trust office of the Bond Trustee or at the principal office of any additional paying agent appointed pursuant to Section 7.13 hereof to the Person appearing on the registration books as the registered Holder thereof. Payment of the interest and principal (other than as set forth above) on any Bond shall be made to the Person whose name appears on the Bond Register as the registered Holder thereof as of the close of business on the Regular Record Date applicable to such Interest Payment Date, such interest to be paid by check or draft mailed to such registered Holder at his or her address as it appears on such Bond Register, notwithstanding the cancellation of such Bond upon any registration of transfer or exchange thereof subsequent to such Regular Record Date and prior to such Interest Payment Date; provided, however, that payment of interest on any Interest Payment Date shall be made by wire transfer to the Holder as of the close of business on the Regular Record Date upon written notice of such wire transfer address in the continental United States of America by such Holder to the Bond Trustee given prior to such Regular Record Date (which notice may provide that it will remain in effect until revoked), and further provided that such wire transfer shall only be made with respect to an owner of \$1,000,000 or more in aggregate principal amount of the Bonds as of the close of business on the Regular Record Date relating to such Interest Payment Date.

If the funds available under this Bond Indenture are insufficient on any Interest Payment Date to pay the interest then due, the Regular Record Date shall no longer be applicable with respect to the Bonds. If sufficient funds for the payment of such overdue interest thereafter become available, the Bond Trustee shall immediately establish a special interest payment date for the payment of the overdue interest and a Special Record Date (which shall be a Business Day) for determining the Holders entitled to such payments. Notice of such day so established shall be given by first-class mail by the Bond Trustee to each Holder at least 10 days prior to the Special Record Date, but not more than 30 days prior to the special interest payment date. The overdue interest shall be paid on the special interest payment date to the Person whose name appears on the Bond Register as the Registered Holder thereof as of the close of business on the Special Record Date. Prior Holders of Bonds who transfer or exchange Bonds prior to such Special Record Date shall have no rights with respect to the payment of overdue interest on the Bonds so transferred or exchanged.

**Section 2.03 Restriction on Issuance of Bonds.** No Bonds may be issued under the provisions of this Bond Indenture except in accordance with this Article. The total principal amount of Bonds that may be issued hereunder, other than Bonds issued pursuant to the provisions of Sections 2.08 and 2.10 hereof or in substitution for other Bonds, is expressly limited to the amount set forth in Section 2.01.

**Section 2.04 Limited Obligations.** The Bonds and the interest thereon are limited obligations of the Issuer, payable solely from the revenues, receipts and security pledged therefor in the Granting Clauses hereof. The Bonds, together with premium, if any, and interest thereon, do not constitute an indebtedness, liability, general or moral obligation or a pledge of the full faith or loan of credit of the Issuer, the State, or any political subdivision of the State within the meaning of any constitutional or statutory provisions. None of the Issuer, the State or any political subdivision thereof shall be obligated to pay the principal of, premium, if any, or interest on the Bonds or other costs incident thereto except from the payments pledged with respect thereto and certain reserve funds established in connection therewith. Neither the faith and credit nor the taxing power of the United States of America, the Issuer, the State or any political subdivision thereof is pledged to the payment of the principal of, premium, if any, or interest on the Bonds or other costs incident thereto. The Bonds are not a debt of the United States of America or any agency thereof, and are not guaranteed by the United States of America or any agency thereof.

**Section 2.05 Bond Indenture Constitutes Contract.** In consideration of the purchase and acceptance of the Bonds issued hereunder by those who shall hold them from time to time, the provisions of this Indenture shall be deemed to be a part of, and continue to be, a contract between the Issuer and the Holders of the Bonds from time to time.

**Section 2.06 Execution.** The Bonds shall be executed on behalf of the Issuer by the manual or facsimile signature of its Mayor, attested by the manual or facsimile signature of its City Clerk, under the official seal, or a facsimile thereof, of the Issuer. Any facsimile signatures shall have the same force and effect as if said officers had manually signed said Bonds. Any reproduction of the official seal of the Issuer on the Bonds shall have the same force and effect as if the official seal of the Issuer had been impressed on the Bonds.

In case any officer whose manual or facsimile signature shall appear on any Bonds shall cease to be such officer before the delivery of such Bonds, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes, the same as if he had remained in office until delivery, and also any Bond may bear the facsimile signatures of, or may be signed by, such persons as at the actual time of the execution of such Bond shall be the proper officers to sign such Bond although at the date of such Bond such persons may not have been such officers.

**Section 2.07 Authentication.** Only such Bonds as shall have endorsed thereon a certificate of authentication substantially in the form on the attached *Exhibit A* duly executed by the Bond Trustee shall be entitled to any right or benefit under this Bond Indenture. No Bond shall be valid or obligatory for any purpose unless and until such certificate of authentication shall have been duly executed manually by the Bond Trustee; and such executed certificate upon any such Bond shall be conclusive evidence that such Bond has been authenticated and delivered under this Bond Indenture. The Bond Trustee's certificate of authentication on any Bond shall be deemed to have been executed by it if signed by an authorized officer of the Bond Trustee, but it shall not be necessary that the same person sign the certificate of authentication of all of the Bonds.

**Section 2.08 Mutilated, Lost, Stolen or Destroyed Bonds.** In the event any Bond is mutilated, lost, stolen or destroyed, the Issuer shall execute and the Bond Trustee shall authenticate a new Bond, of like date, interest rate, maturity and denomination as that mutilated,

lost, stolen or destroyed. Any mutilated Bond shall first be surrendered to the Bond Trustee; and in the case of any lost, stolen or destroyed Bond, there shall first be furnished to the Issuer and the Bond Trustee evidence of such loss, theft or destruction reasonably satisfactory to them together with indemnity reasonably satisfactory to them. In the event any such Bond shall have matured, instead of issuing a duplicate Bond or Bonds the Bond Trustee may pay the same without surrender thereof. The Issuer and the Bond Trustee may charge the holder or owner of such Bond with their reasonable fees and expenses, including the cost of printing replacement Bonds.

Every new Bond issued pursuant to this Section shall, with respect to such Bond, constitute an additional contractual obligation of the Issuer, whether or not the mutilated, lost, stolen or destroyed Bond shall be found at any time, and shall be entitled to all the benefits of this Bond Indenture equally and proportionately with any and all other Bonds duly issued hereunder. All Bonds shall be held and owned on the express condition that the foregoing provisions of this Section are exclusive with respect to the replacement or payment of mutilated, lost, stolen or destroyed Bonds and shall preclude any and all rights or remedies, notwithstanding any law or statute existing or hereafter enacted to the contrary with respect to the replacement or payment of negotiable instruments or other securities without their surrender.

**Section 2.09 Transfer and Exchange of Bonds; Persons Treated as Holders.** The Bond Trustee as Registrar shall cause a bond register (herein sometimes referred to as the "Bond Register") to be kept for the registration of transfers of Bonds. Any Bond may be transferred only upon an assignment duly executed by the registered Holder or his or her duly authorized representative in such form as shall be satisfactory to the Registrar, and upon surrender of such Bond to the Bond Trustee for cancellation. Whenever any Bond or Bonds shall be surrendered for transfer, the Issuer shall execute and the Bond Trustee shall authenticate and deliver to the transferee a replacement fully registered Bond or Bonds of Authorized Denomination in an aggregate principal amount equal to the unmatured and unredeemed principal amount of, and bearing interest at the same rate and maturing on the same date or dates as, the Bonds being presented and surrendered for transfer.

Any Bond may, in accordance with its terms, be exchanged, at the office of the Bond Trustee, for a new fully registered Bond or Bonds, of the same maturity, of any Authorized Denomination or Denominations in an aggregate principal amount equal to the unmatured and unredeemed principal amount of, and bearing interest at the same rate as, the Bonds being exchanged. In the event of a partial redemption of a Bond, the Bond Trustee shall authenticate and deliver to the Owner thereof a new Bond of like date, interest rate, maturity and denomination as the partially redeemed Bond in the amount of the unredeemed principal thereof.

In all cases in which Bonds shall be transferred or exchanged hereunder, the Bond Trustee may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such transfer or exchange.

All Bonds issued upon any transfer or exchange of Bonds shall be the valid limited obligations of the Issuer, evidencing the same debt, and entitled to the same benefits under this Bond Indenture, as the Bonds surrendered upon transfer or exchange. Neither the Issuer nor the Bond Trustee shall be required to make any exchange or transfer of a Bond during a period

beginning at the opening of business 15 days before (i) any Interest Payment Date (including any special interest payment date described in Section 2.02 hercof), or (ii) the day of the mailing of a notice of redemption of Bonds and ending at the close of business on the day of such mailing or such Interest Payment Date, or to transfer or exchange any Bonds selected for redemption, in whole or in part.

The Person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes and payment of or on account of the principal of and premium and interest on any such Bond shall be made only to or upon the order of the registered Holder thereof or his legal representative, and neither the Issuer nor the Bond Trustee shall be affected by any notice to the contrary. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums to be paid.

**Section 2.10 Temporary Bonds.** Until definitive Bonds are ready for delivery, there may be executed, and upon the request of the Issuer, the Bond Trustee shall authenticate and deliver, in lieu of definitive Bonds, temporary printed, typewritten, engraved or lithographed Bonds, in such Authorized Denomination as shall be determined by the Issuer, in fully registered form, in substantially the tenor hereinabove set forth and with such appropriate omissions, insertions and variations as may be required.

If temporary Bonds shall be issued, the Issuer shall cause the definitive Bonds to be prepared and to be executed and delivered to the Bond Trustee, and the Bond Trustee, upon presentation to it at its principal corporate trust office of any temporary Bonds, shall cancel the same and authenticate and deliver in exchange therefor, without charge to the holder or owner thereof, a definitive Bond or Bonds, as the case may be, of an equal aggregate principal amount in Authorized Denominations, of the same series and maturities and bearing interest at the same rates as the temporary Bond surrendered. Until so exchanged, the temporary Bonds shall in all respects be entitled to the same benefit and security of this Bond Indenture as the definitive Bonds to be issued and authenticated hereunder. Interest on temporary Bonds, when due and payable, if the definitive Bonds shall not be ready for exchange, shall be paid in the manner provided in Section 2.02 hereof

**Section 2.11 Safekeeping and Cancellation of Bonds.** Any Bond surrendered for the purpose of payment or retirement, or for exchange, or for replacement or payment pursuant to Section 2.08, shall be cancelled upon surrender thereof to the Bond Trustee. Certification of such surrender and cancellation shall be made to the Issuer by the Bond Trustee. Cancelled Bonds, or unissued Bond inventory held in blank by the Bond Trustee upon the maturity or total redemption of the Bonds, shall be destroyed by shredding or cremation by the Bond Trustee, and certificates of such destruction (describing the manner thereof) shall be provided by the Bond Trustee to the Issuer.

**Section 2.12 Book-Entry Provisions.** The provisions of this Section shall apply so long as the Bonds are maintained in book-entry form with The Depository Trust Company or another Securities Depository, any provisions of this Bond Indenture to the contrary notwithstanding.

(a) *Payments.* The Bonds shall be payable to the Securities Depository, or its nominee, as the registered owner of the Bonds, on each date on which the principal of, interest on, and premium, if any, on the Bonds is due as set forth in this Indenture and in the Bonds. Such payments shall be made to the offices of the Securities Depository specified by the Securities Depository to the Issuer and the Bond Trustee in writing. Without notice to or the consent of the beneficial owners of the Bonds, the Issuer and the Securities Depository may agree in writing to make payments of principal, premium, if any, and interest in a manner different from that set forth herein. If such different manner of payment is agreed upon, the Issuer shall give the Bond Trustee notice thereof, and the Bond Trustee shall make payments with respect to the Bonds in the manner specified in such notice as set forth herein. Neither the Issuer nor the Bond Trustee shall have any obligation with respect to the transfer or crediting of the principal of, interest on, and premium, if any, on the Bonds to Participants or the beneficial owners of the Bonds or their nominees.

(b) *Replacement of the Securities Depository.* The Issuer may, and in the case of subparagraph (ii) or (iii) below shall, discontinue use of a Securities Depository as the depository of the Bonds if (i) the Issuer, in its sole discretion, determines that (A) such Securities Depository is incapable of discharging its duties with respect to the Bonds, or (B) the interest of the beneficial owners of the Bonds might be adversely affected by the continuation of the book-entry system with such Securities Depository as the depository for the Bonds, (ii) the beneficial owners of 100% of the Bonds Outstanding direct the Issuer to do so, or (iii) such Securities Depository determines not to continue to act as a depository for the Bonds or is no longer permitted to act as such depository. Notice of any determination pursuant to clauses (i), (ii) or (iii) shall be given to such Securities Depository at least 30 days prior to any such determination (or such fewer number of days as shall be acceptable to such Securities Depository). The Issuer shall have no obligation to make any investigation to determine the occurrence of any events that would permit the Issuer to make any determination described in this paragraph.

(c) *Discontinuance of Book-Entry or Change of Securities Depository.* If, following a determination or event specified in paragraph (b) above, the Issuer discontinues the maintenance of the Bonds in book-entry form with the then current Securities Depository, the Issuer will issue replacement Bonds to the successor Securities Depository, if any, or, if no replacement Securities Depository is selected for the Bonds, directly to the Participants as shown on the records of the former Securities Depository or, to the extent requested by any Participant or if directed to do so by the beneficial owners of 100% of the Bonds Outstanding pursuant to subparagraph (b)(ii) above, to the beneficial owners of the Bonds shown on the records of such Participant. Replacement Bonds shall be in fully registered form and in authorized denominations, be payable as to interest on the Interest Payment Dates of the Bonds by check or draft mailed to each registered owner at the address of such owner as it appears on the bond registration books maintained by the Bond Registrar for such purpose at the principal corporate trust office of the Bond Trustee or at the option of any registered owner of not less than \$1,000,000 principal amount of Bonds, by wire transfer to any address in the continental United States of America on such Interest Payment Date to such registered owner as of the Regular Record Date relating to such Interest Payment Date, if such registered owner provides the Bond Trustee with written notice of such wire transfer address not later than such Regular Record Date (which notice may provide that it will remain in effect with respect to subsequent Interest Payment Dates unless and until changed or revoked by subsequent notice). Principal and redemption premium, if any, on the replacement Bonds are payable only upon

presentation and surrender of such replacement Bond or Bonds at the principal corporate trust office of the Bond Trustee.

(d) *Effect of Book-Entry System.* The Securities Depository and its Participants and the beneficial owners of the Bonds, by their acceptance of the Bonds, agree that the Issuer and the Bond Trustee shall not have liability for the failure of such Securities Depository to perform its obligations to the Participants and the beneficial owners of the Bonds, nor shall the Issuer or the Bond Trustee be liable for the failure of any Participant or other nominee of the beneficial owners to perform any obligation of the Participant to a beneficial owner of the Bonds.

**Section 2.13 Delivery of the Bonds.** (a) Upon execution and delivery of this Bond Indenture, the Bond Trustee shall authenticate and deliver the Bonds as provided in this Bond Indenture, but only upon the receipt of the following:

- (i) An order of the Issuer directing the Bond Trustee to authenticate and deliver the Bonds against receipt of the initial purchase price therefor;
- (ii) A certified copy of the Ordinance;
- (iii) An approving opinion of Bond Counsel regarding the validity of the Bonds and the exclusion of interest on the Bonds from federal income taxation;
- (iv) An executed copy of the Trade Agreement;
- (v) Evidence that the Mortgage Loan has been initially endorsed for FHA Insurance by FHA under the applicable provisions of the National Housing Act;
- (vi) An executed copy of the Financing Agreement;
- (vii) An executed counterpart of the Continuing Disclosure Agreement;
- (viii) A certification of the GNMA Issuer (substantially in the form of **Exhibit D** hereto) that it has sufficient commitment authority to issue the GNMA Securities;
- (ix) Copies of the executed FHA-insured Mortgage Note and Mortgage;
- (x) Evidence of recordation of the Land Use Restriction Agreement (which may be in the form of a title company certified copy); and
- (xi) A letter from the Rating Agency evidencing a rating of AA+ on the Bonds.

(b) On the Closing Date, the outstanding principal amount of the Bonds shall be \$51,000. The outstanding principal amount of the Bonds shall be increased from time to time prior to the delivery of the PLC by an amount equal to the principal amount of each CLC acquired pursuant to Section 4.03 of this Bond Indenture (except in the case of the Initial CLC, when the Bonds shall be increased by an amount equal to the Initial CLC principal amount less \$51,000). The Bond Trustee shall acquire each CLC, and shall amend Appendix A attached to the Bonds to reflect the corresponding increase in the outstanding principal amount of the Bonds upon acquisition thereof, upon receipt of the following: (i) a certificate from the GNMA Issuer stating the principal amount of the GNMA Securities that are available for delivery to the Bond Trustee in accordance with Section 4.03 of this Bond Indenture, (ii) a certificate of the Borrower in the form attached as *Exhibit B*, and (iii) Bond proceeds in an amount equal to 100.00% of the principal amount of the related CLC together with accrued interest at the Interest Rate on the entire principal amount of the related CLC from the related Interest Accrual Commencement Date to the delivery date of such CLC; provided, however, that notwithstanding anything herein to the contrary, the Bond Trustee shall not acquire additional CLCs or amend Appendix A to the Bonds if the Bond Trustee shall have received notice from the Issuer to the effect that there has been a change in law which prohibits an increase in the outstanding principal amount of the Bonds. In connection with each increase of the outstanding principal amount of the Bonds, the Bond Trustee shall promptly deliver a certificate of the Bond Trustee in the form of *Exhibit C* to the Issuer, the Borrower, the GNMA Issuer and the Bond Purchaser.

#### **Section 2.14 Special Provisions Related to Payments of Principal**

(a) On each Interest Payment Date, the Bond Trustee shall send a written statement, by first-class mail, postage prepaid, to each registered owner of the Bonds to which a check or draft was sent in payment of principal or interest on such Bonds (or send by electronic means as approved in writing by an owner of the Bonds), which written statement shall set forth the following with respect to a Bond having an initial principal amount of \$1,000:

(i) The aggregate amount of the payment of principal of, premium, if any, and interest on such Bond being paid upon such Interest Payment Date;

(ii) The amount of interest being paid on such Bond on such Interest Payment Date, the accrual period and noting the 30/360 method of calculation;

(iii) The amount of principal being paid on such Bond on such Interest Payment Date;

(iv) The principal amount of all Outstanding Bonds after giving effect to the payments of principal of the Bonds being made on such Interest Payment Date;

(v) The principal amount of all GNMA Securities held in the Bond Fund as of such Interest Payment Date; and

(vi) After the PLC Delivery Date, the following additional information:

(A) The "principal pay-down" rate per \$1,000 face value principal on such Interest Payment Date (calculated as the amount stated in subparagraph (iii) divided by the Bonds Outstanding as of the PLC Delivery Date and multiplied by \$1,000) and expressed as a value between \$0 and \$1,000;

(B) The "outstanding principal factor/pool factor" per \$1,000 face value principal on such Payment Date (calculated as the amount stated in subparagraph (iv) *divided by* the Bonds Outstanding as of the PLC Delivery Date and *multiplied by* \$1,000 and expressed as a value between \$0 and \$1,000).

(b) All reductions in the principal amount of a Bond effected by payment of installments of principal made on any Interest Payment Date shall be binding upon all owners of such Bond and any Bond issued upon the transfer thereof or in exchange therefor or in lieu therefor, whether or not such payment is noted on such Bond. The final installment of principal of and interest on each Bond shall be payable only upon presentation and surrender thereof on or after the Interest Payment Date therefore at the principal corporate trust office of the Bond Trustee.

(c) Subject to the foregoing provisions of this Section 2.14, each Bond delivered under this Bond Indenture upon registration or transfer of or in exchange for or in lieu of any other Bond shall carry the rights to unpaid principal and interest that were carried by such Bond. Upon transfer or exchange of any Bond, the Bond Trustee shall note on the new Bond or Bonds the outstanding principal amount of each such Bond.

(d) Whenever the Trustee has on deposit money sufficient to pay the entire remaining unpaid principal amount of the Bonds on the next Interest Payment Date, it shall, no later than two Business Days preceding such Interest Payment Date, mail or cause to be mailed to each registered owner in whose name a Bond to be so retired is registered a notice to the effect that:

(i) The Bond Trustee has on deposit in the Bond Fund funds sufficient to pay such final installment on such Interest Payment Date, and

(ii) Such final installment will be payable on such Interest Payment Date, but only upon presentation and surrender of such Bond at the principal corporate trust office of the Bond Trustee and that no interest shall accrue on such Bond after such Interest Payment Date.

**ARTICLE III  
REDEMPTION OF BONDS**

**Section 3.01 Redemption of Bonds**

(a) *Special Mandatory Redemption.* The Bonds shall be subject to redemption prior to maturity, as a whole or in part, on the earliest practicable date for which notice of redemption can be given by the Bond Trustee pursuant to Section 3.03, unless otherwise provided, at a redemption price equal to 100% of the principal amount thereof being redeemed plus accrued interest to the Redemption Date, and without premium:

(i) In whole on \_\_\_\_\_, 20\_\_ (or such later date upon the extension of the Initial CLC Delivery Date) if the Initial CLC in the amount of at least \$51,000 is not delivered to the Bond Trustee by the Initial CLC Delivery Date;

(ii) In whole on the CLC Maturity Date if the PLC is not delivered to the Bond Trustee on or before \_\_\_\_\_, 20\_\_ (or such later date as shall be permitted under Section 4.03(d) of this Bond Indenture); and

(iii) In whole or in part, to the extent that the Bond Trustee receives payments on a GNMA Security in excess of regularly scheduled payments of principal thereof and interest thereon (except payments representing optional prepayments of the Mortgage Loan by the Borrower) (1) from insurance proceeds as a result of damage to the mortgaged premises or condemnation awards which is applied to reduce the Mortgage Note indebtedness pursuant to the terms and provisions of the Mortgage, (2) if the Federal Housing Commissioner determines that prepayment will avoid a mortgage insurance claim and is therefore in the best interest of the Federal Government (as defined in the Mortgage Note), or (3) from a prepayment of the Mortgage Loan made by the Borrower without notice or prepayment penalty while under supervision of a trustee in bankruptcy.

(b) *Optional Redemption.* The Bonds are also subject to redemption at the option and direction of the Borrower in whole or in part on an Interest Payment Date, on or after \_\_\_\_\_ 1, 20\_\_ at the redemption prices (expressed as percentages of their principal amount) set forth in the table below plus accrued interest to the Redemption Date:

**Redemption Dates**

**Redemption Prices**

Payment shall be made in accordance with the provisions of Sections 2.01 and 2.14 of this Bond Indenture.

(c) Optional Tender by Bondholder Following LIHTC Placed in Service Date.

The Bonds will be subject to optional tender by the Holders of all of the then Outstanding Bonds in whole and not in part on any date following the later of [\_\_\_\_\_, 20\_\_], the date the PLC is delivered to the Bond Trustee or the LIHTC Placed in Service Date. The Holders may so tender the Bonds for redemption no earlier than the 30<sup>th</sup> calendar day following notice from the Holders to the Trustee, the Issuer and the Borrower of such Holders' election so to tender. Upon tender of the Bonds, the Bond Trustee shall transfer, notwithstanding the provisions of Section 5.07 of this Bond Indenture, to the single Holder identified in the notice from the Holders provided in the preceding sentence, as full consideration for the tender price for all of the Bonds, ownership of the PLC, together with any interest and principal received by the Bond Trustee with respect to the GNMA Securities and not already used to pay interest or principal on the Bonds. Upon delivery of the PLC and the other amounts described in the preceding sentence, the Bonds shall become due and payable on the tender date, and interest thereon shall cease to accrue on such date; and the Holders shall thereafter no longer have any security or benefit under this Bond Indenture except to receive payment of the tender price. The Bond Trustee shall cancel all tendered Bonds and no additional Bonds may be issued hereunder.

**Section 3.02 Effect of Redemption.** Upon moneys sufficient for the redemption being held by the Bond Trustee for that purpose, the Bonds so called for redemption shall become due and payable on the Redemption Date, and interest thereon shall cease to accrue on such date; and the Holders of the Bonds so called for redemption shall thereafter no longer have any security or benefit under this Bond Indenture except to receive payment of the redemption price for such Bonds.

**Section 3.03 Notice of Redemption.** (a) Upon any redemption of Bonds pursuant to this Article III, the Issuer hereby directs the Bond Trustee to, and the Bond Trustee shall, direct the Bond Registrar to call Bonds for redemption by mailing a copy of the notice of redemption to the Borrower and the Paying Agent at the same time as the Bond Registrar mails such notice of redemption to the owners of the Bonds as provided below.

Such notice of the call for any redemption shall be given by the Bond Trustee, at the direction of the Borrower or the Issuer (which direction shall be in writing), by directing the Bond Registrar to mail a copy of the redemption notice by first class mail, postage prepaid, at least 20 but not more than 60 calendar days prior to the date fixed for redemption to the registered owner of each Bond to be redeemed as a whole or in part at the address shown on the registration books of the Issuer maintained by the Bond Registrar; provided that failure to give such notice by mailing, or any defect therein, shall not affect the validity of any proceedings for the redemption of any Bond, or portion thereof with respect to which no such failure or defect has occurred.

All notices of redemption shall state:

- (1) the Redemption Date;
- (2) the redemption price;
- (3) the identification, including complete designation and issue date of the series of Bonds of which such Bonds are a part and the CUSIP number (and in the case of

partial redemption, the respective principal amounts), interest rates and maturity dates of the Bonds to be redeemed;

(4) that on the date fixed for redemption the redemption price will become due and payable upon each such Bond, and that interest thereon shall cease to accrue from and after said date;

(5) the name and address of the Bond Trustee and any Paying Agent for such Bonds, including the name and telephone number of a contact person and the place where such Bonds are to be surrendered for payment of the redemption price; and

(6) such other information as the Bond Trustee deems advisable.

(b) In addition to the redemption notice required by Section 3.03(a) hereof, further notice (the "*Additional Redemption Notice*") shall be given by the Bond Trustee as set forth below, but no defect in the Additional Redemption Notice, nor any failure to give all or any portion of the Additional Redemption Notice, shall in any manner affect the effectiveness of a call for redemption if notice thereof is given as prescribed in Section 3.03(a) of this Bond Indenture.

Each Additional Redemption Notice given hereunder shall contain the information required by Section 3.03(a) hereof, plus (i) the date such notice has been or will be mailed pursuant to this subsection (b); (ii) the date of issuance of the Bonds being redeemed, as originally issued; (iii) the maturity date of each Bond (or portion thereof) to be redeemed prior to maturity; and (iv) any other descriptive information needed to identify accurately the Bonds being redeemed prior to maturity.

Each Additional Redemption Notice shall be sent at least 20 calendar days before the date fixed for redemption by legible electronic transmission, registered or certified mail (postage prepaid) or overnight delivery service to all registered securities depositories then in the business of holding substantial amounts of obligations of types comprising the Bonds, and to at least two national information services that disseminate notices of redemption of obligations such as the Bonds.

**Section 3.04 Effect of Notice of Redemption.** Notice of Redemption having been given in the manner provided in this Article III, and money sufficient for the redemption being held by the Bond Trustee for that purpose, the Bonds so called for redemption shall become due and payable on the Redemption Date, and interest thereon shall cease to accrue on such date; and the Holders of the Bonds so called for redemption shall thereafter no longer have any security or benefit under this Bond Indenture except to receive payment of the redemption price for such Bonds and, to the extent provided in Section 2.09 hereof, to receive Bonds for any unredeemed portions of such Bonds.

**Section 3.05 Cancellation.** All Bonds which shall have been redeemed shall be cancelled and destroyed by the Bond Trustee and shall not be reissued. A counterpart of the certificate of destruction evidencing such destruction shall be furnished by the Bond Trustee to the Issuer.

**ARTICLE IV  
FUNDS; INVESTMENTS**

**Section 4.01 Establishment of Funds.** The following funds are hereby established and shall be maintained by the Bond Trustee under this Bond Indenture and held in trust by the Bond Trustee for the benefit of the Bonds:

- (a) Project Fund;
- (b) Bond Fund;
- (c) Reserve Fund;
- (d) Costs of Issuance Fund; and
- (e) Rebate Fund.

**Section 4.02 Application of Bond Proceeds.** (a) Upon the delivery of the Bonds, the portion of the initial proceeds thereof in the amount of the Initial Advance (\$\_\_\_\_\_) plus accrued interest thereon to the Closing Date shall be deposited in the Project Fund and the portion thereof representing a premium on the Bonds (\$\_\_\_\_\_) shall be deposited in the Reserve Fund.

(b) Upon an increase in the aggregate outstanding principal amount of the Bonds in accordance with Section 2.13 hereof, the proceeds resulting therefrom including accrued interest thereon shall be deposited in the Project Fund and applied by the Bond Trustee as provided in Section 4.03.

**Section 4.03 Project Fund**

(a) The Trustee shall deposit into the Project Fund the amounts required by and shall invest such proceeds in Qualified Investments in accordance with the terms of this Bond Indenture such that funds will be timely available in advance of the date such funds are needed to fund disbursements hereunder. No funds shall be disbursed from the Project Fund prior to recordation of the Land Use Restriction Agreement.

(b) Moneys in the Project Fund shall be disbursed by the Bond Trustee as follows:

- (i) On each date upon which the Bond Trustee acquires from the GNMA Issuer a CLC, the Bond Trustee shall transfer to the GNMA Issuer in payment thereof (x) from the Project Fund all moneys then on deposit therein and (y) from the Reserve Fund such amount as shall, together with the moneys

transferred from the Project Fund, be equal to 100% of the principal amount of such CLC, plus accrued and unpaid interest on such CLC at the Pass-Through Rate.

(ii) Without limiting the provisions of subsection (b)(i) above, with respect to the acquisition of the Initial CLC, the Bond Trustee must receive, in addition to a requisition signed by the Borrower in the form required by the Financing Agreement, the items specified in Section 3.2(a) of the Financing Agreement to be delivered in connection with the Initial Advance.

(iii) Following the delivery to the Bond Trustee of the Initial CLC, the Trustee shall disburse from the Project Fund to the GNMA Issuer, on behalf of the Borrower, the amount necessary to purchase each CLC issued for a subsequent advance of the Mortgage Loan, determined in accordance with the Trade Agreement, but only if the Bond Trustee has (A) received a copy of the Application for Insurance of Advance of Mortgage Proceeds with respect to such advance executed by the GNMA Issuer, (B) received confirmation that all CLCs representing prior advances have been registered in the name of the Bond Trustee, (C) received the CLC representing the current advance (the CLC shall be delivered to the Bond Trustee simultaneously with payment by the Bond Trustee of the purchase price therefor), (D) received a certificate of the GNMA Issuer to the effect that neither the GNMA Issuer nor, to its actual knowledge, the Borrower is in default under any of the Mortgage Loan Documents and a certificate of the Borrower to the effect that it is not in default under any of the Mortgage Loan Documents or the Financing Agreement, (E) received a certificate of the GNMA Issuer that (1) the unpaid principal amount balance of the Mortgage Loan, after such advance, will be equal to or greater than the aggregate principal amount of all CLCs, (2) the CLCs previously issued are valid and binding obligations of the GNMA Issuer, (3) the CLCs are validly issued and subject to the guaranty of GNMA as to the payments of the principal and interest thereon and (4) if the disbursement by the Bond Trustee is to purchase the final CLC and the aggregate principal amount of the final CLC then being issued and all previously issued CLCs is less than \$ \_\_\_\_\_, notification of (x) the amount, if any, of FHA-required reduction of the Mortgage Loan at Final Endorsement and (y) the amount, if any, of scheduled principal amortization payments for the Mortgage Loan prior to the acquisition of the final CLC by the Bond Trustee, (F) received a statement of the Borrower that such disbursement will not violate the provisions of the Financing Agreement, (G) confirmed that the requirements of Section 4.03(d) and 4.04(g) will be satisfied, (H) given the Bond Purchaser 2 Business Days prior written notice of the intended date of disbursement and copies of the documents described in clauses (A), (B), (C), (D), (E) and (F) above with respect to such disbursement and (I) received notice of the amount of such disbursement no later than two Business Days prior to such disbursement; provided, however, that the Bond Trustee shall not purchase CLCs in an aggregate principal amount in excess of \$ \_\_\_\_\_ and shall not purchase the PLC if its principal amount exceeds \$ \_\_\_\_\_; and provided further, however, that the Bond Trustee shall not purchase any CLC unless, immediately after such purchase, the

principal amount of Bonds authorized to be issued hereunder and not yet issued is equal to the amount of \$ \_\_\_\_\_ minus the sum of (i) the principal amount of the CLC being purchased and (ii) the aggregate principal amount of all CLCs previously delivered to the Bond Trustee or requested from GNMA.

(iv) The Bond Trustee shall acquire the PLC by surrendering to the GNMA Issuer for cancellation, concurrently with such acquisition, all CLCs owned by the Bond Trustee, provided that the PLC shall have a principal amount equal to the aggregate principal amount of all outstanding CLCs and shall be dated the first day of the month in which the final CLC is acquired.

(c) If the Initial CLC having a principal amount at least equal to \$ \_\_\_\_\_ is not delivered on or by the Business Day next preceding \_\_\_\_\_, 20\_\_ (or such later date as may be established pursuant to this paragraph (c)), the Bond Trustee shall, on the Business Day immediately prior to \_\_\_\_\_, 20\_\_ (or such later date as may be established pursuant to this paragraph (c)), transfer to the Bond Fund all amounts on deposit in the Project Fund and the Reserve Fund for application to the mandatory redemption of Bonds in accordance with Section 3.01(a) hereof; *provided, however*, that such transfer and such redemption shall be extended for no more than \_\_ successive 30-day periods if an Event of Default has not occurred and is not then continuing and the Bond Trustee shall have received no later than the Business Day next preceding \_\_\_\_\_, 20\_\_ (or any date to which such date is extended pursuant to the provisions hereof) a written request from either the GNMA Issuer or the Borrower for such extension (whether or not a conflicting request is received from the other such party) accompanied by (i) a cash flow projection prepared by financial consultants acceptable to the Issuer or the underwriter for the Bonds demonstrating that the sum of (A) the amounts in the Project Fund, the Reserve Fund and the Bond Fund, (B) the investment earnings to accrue on the amounts held in the Project Fund, the Reserve Fund and the Bond Fund during the period ending 30 days after the end of any period of delay requested and (C) any additional sums paid to or held by the Bond Trustee by or on behalf of the Borrower or the GNMA Issuer for deposit into the Project Fund, the Reserve Fund or the Bond Fund (accompanied by an opinion of counsel acceptable to the Bond Trustee to the effect that such sums are not subject to the provisions of Sections 362(a) and 547 of the Federal Bankruptcy Code in the event of a bankruptcy of the Borrower) will be at least equal to (1) the debt service on the Bonds as originally scheduled and will also be at least equal to (2) the debt service on the Bonds through the date which is 30 days after the end of any such period, plus, in each case, originally scheduled and accrued unpaid Bond Trustee fees (assuming redemption of all Bonds on the date set forth in this clause (2)) and any other amounts which were shown to be available at such time for debt service on the Bonds in the original cash flows prepared and submitted to the Rating Agency in connection with the issuance of the Bonds; (ii) an opinion of Bond Counsel to the effect that such extension will not adversely affect the exclusion of interest on the Bonds from gross income for federal income tax purposes; (iii) arrangements satisfactory to the Bond Trustee for the making of the investments contemplated by the cash flow projection; and (iv) written notice from the Rating Agency that the rating then assigned to the Bonds will not be lowered or withdrawn as a result of such extension of such Initial CLC delivery date. Upon the receipt of the documents and upon the arrangements listed in this subdivision, the Bond Trustee shall permit the extension(s); *provided, however*, that if such documents have not been received and such arrangements have not been made by the Business Day next preceding \_\_\_\_\_, 20\_\_ (or such later date as previously established under this paragraph (c)),

then the amounts on deposit in or held for the benefit of the Project Fund and the Reserve Fund on such date shall be transferred to the Bond Fund on the Business Day next preceding \_\_\_\_\_, 20\_\_\_\_ (or such later date as previously established under this paragraph (c)), and applied to the redemption of the Bonds pursuant to Section 3.01(a).

(d) In each case in which Bonds would otherwise be subject to redemption pursuant to Section 3.01(a), the PLC Delivery Date (and the CLC Maturity Date, if applicable) may be extended for no more than \_\_\_\_\_ successive 30-day periods if an Event of Default has not occurred and is not then continuing and the Bond Trustee shall have received no later than the Business Day next preceding the PLC Delivery Date and/or the CLC Maturity Date, as applicable (or any date to which such date(s) are extended pursuant to the provisions hereof) a written request from either the GNMA Issuer or the Borrower for such extension (whether or not a conflicting request is received from the other such party) accompanied by (i) a cash flow projection prepared by financial consultants acceptable to the Issuer or the underwriter for the Bonds demonstrating that the sum of (A) the amounts in the Project Fund, the Reserve Fund and the Bond Fund, (B) the investment earnings to accrue on the amounts held in the Project Fund, the Reserve Fund and the Bond Fund during the period ending 30 days after the end of any period of extension requested, (C) any additional sums paid to or held by the Bond Trustee by or on behalf of the Borrower or the GNMA Issuer (including payments on the CLCs) for deposit into the Project Fund or Bond Fund (accompanied by an opinion of counsel acceptable to the Bond Trustee to the effect that such sums are not subject to the provisions of Sections 362(a) and 547 of the Federal Bankruptcy Code in the event of a bankruptcy of the Borrower) and (D) all scheduled payments on the CLCs held by the Trustee through the last day of such extension and all scheduled payments on the PLC assuming its issuance on the last day of such extension will be at least equal to (1) the debt service on the Bonds as originally scheduled and will also be at least equal to (2) the debt service on the Bonds through the date which is 30 days after the end of any such period, plus, in each case, originally scheduled and accrued unpaid Bond Trustee fees (assuming redemption of all Bonds on the date set forth in this clause (2)) and any other amounts which were shown to be available at such time for debt service on the Bonds in the original cash flows prepared and submitted to the Rating Agency in connection with the issuance of the Bonds; (ii) an opinion of Bond Counsel to the effect that such extension will not adversely affect the exclusion of interest on the Bonds from gross income for federal income tax purposes; (iii) arrangements satisfactory to the Bond Trustee for the making of the investments contemplated by the cash flow projection; (iv) written confirmation by the Bond Purchaser that the Bond Purchaser has received any extension fees required to be paid to the Bond Purchaser in connection with such extension; (v) any additional sums paid to or held by the Trustee by or on behalf of the Borrower or any other person for deposit into the Project Fund or the Bond Fund as required by the cash flow project described in clause (i) above; (vi) in the case of an extension of the PLC Delivery Date written evidence or confirmation from the GNMA Issuer that the CLC Maturity Date has been or will be extended at least to the end of such requested extension (subject to the requirements set forth in the next succeeding paragraph); and (vii) written notice from the Rating Agency that the rating then assigned to the Bonds will not be lowered or withdrawn as a result of such extension of the PLC Delivery Date. Upon the receipt of the documents and upon the arrangements listed in this subdivision, the Bond Trustee shall permit the extension(s).

In connection with any extension, the Trustee shall not consent to the extension of the CLC Maturity Date unless the CLCs will then mature not less than 30 days after the then current extension of the PLC Delivery Date. Upon the receipt of the documents and upon the arrangements listed in this subsection, the Trustee shall permit the extension(s); provided, however, that if such documents have not been received and such arrangements have not been made by the Business Day next preceding the PLC Delivery Date or the CLC Maturity Date (or any date to which any such date has been previously been extended), then the moneys remaining on deposit in the Project Fund on such date shall be transferred to the Bond Fund on the Business Day next preceding such foregoing dates, as applicable, and applied to the redemption of Bonds on such dates (except as such dates may be extended pursuant to the provisions of this Indenture).

In connection with any extension of the CLC Maturity Date, the Trustee shall not consent to the extension of the maturity date of the CLCs held by it unless such CLC Maturity Date is extended to a date not less than 30 days after the PLC Delivery Date (as extended, if applicable) pursuant to such extension. The Trustee's consent to any extension of the CLC Maturity Date shall be conditional upon the consent of GNMA, if required, and the GNMA Issuer to the extension of the CLC Maturity Date. The Trustee shall provide the GNMA Issuer with the written consent of the Trustee to the extension upon its receipt of the items required in clauses (i) through (vii) above and prior to the GNMA Issuer requesting consent of GNMA to such extension; provided, that the Trustee shall not consent to any such extension if such extension would in the opinion of the Trustee adversely impact the owners of the Bonds.

(e) In the event Commencement of Amortization occurs prior to the PLC Delivery Date, under no circumstances shall the GNMA Issuer pass through to the Bond Trustee principal payments on the Mortgage Note prior to the PLC Delivery Date (except to the extent provided in the CLCs); such principal payments shall be paid only pursuant to the terms of the Mortgage Note. Upon delivery of the final CLC, (i) the aggregate principal amount of the Bonds may not thereafter be increased pursuant to Section 2.13(b) hereof and (ii) any amounts remaining in the Project Fund shall be transferred to the Bond Fund to be applied to pay debt service on the next Interest Payment Date (other than Bonds issued in accordance with Section 2.08 of this Bond Indenture). The Bond Trustee shall transfer for cancellation pursuant to the book-entry system all CLCs held by it in exchange for the PLC. Notwithstanding such transfer by the Bond Trustee of the CLCs, all such CLCs shall remain registered in the name of the Bond Trustee and continue to be enforceable by the Bond Trustee until such time as the Bond Trustee has received delivery of the PLC.

(f) Notwithstanding anything herein to the contrary, the Bond Trustee shall not be required to acquire a GNMA Security unless the Bond Trustee has on deposit in the Project Fund and the Reserve Fund sufficient funds to do so and unless the GNMA Security pays interest at the Pass-Through Rate and, in the case of the PLC, matures no later than \_\_\_\_\_, 20\_\_\_. The GNMA Security shall be registered in accordance with the provisions of Section 4.04(e).

(g) The Bond Trustee shall compare the GNMA Security or its book-entry form with the GNMA prospectus relating to the GNMA Security and GNMA Guaranty Agreement provided by the GNMA Issuer to assure delivery of the correct GNMA Security.

**Section 4.04 Bond Fund**

(a) The Bond Trustee shall deposit into the Bond Fund all amounts received by the Bond Trustee from or with respect to the GNMA Security, including, without limitation, principal payments on the GNMA Security representing (A) regularly scheduled payments of principal, including, without limitation, principal payments on maturing CLCs, (B) casualty insurance proceeds, condemnation awards or other amounts applied to the prepayment of the Mortgage Loan following a partial or total destruction or condemnation of the Project, (C) mortgage insurance proceeds or other amounts received with respect to the Mortgage Loan, (D) a voluntary prepayment of the Mortgage Loan or a prepayment of the Mortgage Loan required by applicable rules, regulations, policies and procedures of FHA or GNMA (including the possible exercise by HUD of its right to override the prepayment and premium provisions of the Note following an event of default thereunder if HUD determines that prepayment of the Mortgage Loan will avoid a mortgage insurance claim and is therefore in the best interest of the Federal government), and (E) prepayments on the GNMA Security derived from prepayments on the Mortgage Loan made by the Borrower without notice or prepayment penalty while under the supervision of a trustee in bankruptcy and investment earnings on amounts held by the Bond Trustee hereunder. The Bond Trustee shall deposit into the Bond Fund all payments on the GNMA Security resulting from optional prepayments of the Mortgage Loan.

(b) The Bond Trustee shall apply amounts on deposit in the Bond Fund (i) first, to pay the principal of and interest on the Bonds as the same becomes due, (ii) next, to pay the Trustee Fee and (iii) last, to pay the City Administrative Fee.

(c) The GNMA Security shall be held at all times for the benefit of the Bond Fund. If the Bond Trustee does not receive a payment on the GNMA Security when due by the close of business on the 15<sup>th</sup> day of any month, the Bond Trustee shall notify and demand payment from GNMA by the close of business on the next succeeding Business Day. The Bond Trustee shall demand payment from GNMA for all CLCs held by it upon their maturity in return for payment of their principal amount or shall exchange the CLCs for the PLC as provided in Section 4.03(b)(iv).

(d) The Bond Trustee shall transfer to the Rebate Fund from the Bond Fund the amounts, if any, required pursuant to the Tax Regulatory Agreement.

(e) All GNMA Securities shall be in book-entry only form and shall be registered in the name of the Bond Trustee or the participant acting on behalf of the Bond Trustee at the depository for such book-entry designation at the time of purchase of the GNMA Securities by the Bond Trustee and the Bond Trustee shall have a first-lien perfected security interest in the GNMA Securities.

(f) The Bond Trustee shall be or shall become a member of the Federal Reserve System, and the GNMA Securities shall be held under the Federal Reserve System.

(g) The GNMA Issuer shall deliver to the Bond Trustee a certificate setting forth the revised regularly scheduled future principal and interest payments on the GNMA

Securities on (x) the delivery of the final CLC if the aggregate principal amount of such final CLC together with all previously delivered CLCs is less than \$ \_\_\_\_\_ [FACE AMOUNT] due to mortgage reduction at Final Endorsement and (y) each instance that the Trustee receives payment on the GNMA Securities exceeding regularly scheduled payments of principal and interest thereon. Such certificate of the GNMA Issuer will include all regularly scheduled future principal and interest payments on the GNMA Securities until scheduled maturity.

**Section 4.05 Reserve Fund.** The Bond Trustee shall deposit into the Reserve Fund (i) the amounts required by Section 4.02(a) hereof, and (ii) any additional amounts required by the provisions of this Bond Indenture to be deposited therein.

The Bond Trustee shall apply amounts on deposit in the Reserve Fund on each Interest Payment Date or any Redemption Date to pay or provide for the payment of interest on the Bonds becoming due and payable, whether at maturity or by prior redemption, on such date, and for which sufficient moneys are not yet available for such purpose in the Bond Fund.

At such time as no Bonds remain Outstanding, all amounts remaining in the Reserve Fund shall be paid first to the Issuer, amounts then due from the Borrower to the Issuer (including, but not limited to, amounts due under loans from the Issuer to the Borrower, if any), and second, to the Borrower.

**Section 4.06 Costs of Issuance Fund.** The Bond Trustee shall deposit into the Costs of Issuance Fund any amounts deposited with the Bond Trustee by or on behalf of the Borrower for deposit into the Costs of Issuance Fund.

The Bond Trustee shall apply amounts on deposit in the Costs of Issuance Fund to pay Costs of Issuance of the Bonds pursuant to the written direction of the Borrower filed with the Bond Trustee. Any amounts remaining in the Costs of Issuance Fund on [October 27, 2017], shall be transferred to the Project Fund, except that, with respect to such amounts remaining in the Cost of Issuance Fund that do not constitute Bond proceeds (within the meaning of the Code), such amounts shall be applied toward any amounts due to the Issuer by the Borrower or, if no such amounts are due to the Issuer, such amounts shall be paid to the Borrower.

**Section 4.07 Rebate Fund.** The purpose of the Rebate Fund is to facilitate compliance with Section 148(f) of the Code. Any Rebate Amount (as defined in the Tax Regulatory Agreement) deposited in such Fund shall be for the sole benefit of the United States of America and shall not be subject to the lien of the Bond Indenture or to the claim of any other Person, including, without limitation, the Bondholders and the Issuer. The requirements of this Section 4.07 are subject to, and shall be interpreted in accordance with, Section 148(f) of the Code and the Treasury Regulations applicable thereto (the "*Regulations*") and shall apply except to the extent the Bond Trustee is furnished with an opinion of Bond Counsel or other satisfactory evidence that the Regulations contain an applicable exception. The Bond Trustee shall make all payments, and file all forms, under the direction of the Borrower and pursuant to the Tax Regulatory Agreement.

Promptly at the end of each five-year period after the dated date of the Bonds and also upon the retirement of the Bonds, the Bond Trustee shall provide the Borrower with a statement of earnings on funds and accounts held under this Bond Indenture during any period not covered

by a prior statement. Each statement shall include the purchase and sale prices of each investment, if any (including any commission paid thereon which shall be separately stated if such information is available), the dates of each investment transaction, information as to whether such transactions were made at a discount or premium and such other information known or reasonably available to the Bond Trustee as the Borrower or rebate analyst shall reasonably require. If so requested by the Borrower at any time, the Bond Trustee shall create within the Bond Fund separate accounts for purposes of accounting for earnings on amounts attributable to the Bonds.

The Bond Trustee shall promptly transfer to the Rebate Fund each amount required to be deposited therein pursuant to the written direction of the Borrower or the rebate analyst pursuant to the Tax Regulatory Agreement, first from earnings in the Project Fund, and, second, to the extent amounts in the Project Fund are insufficient, from revenues which have been deposited into the Bond Fund and earnings thereon. To the extent that the amount to be deposited into the Rebate Fund exceeds the amount which can be transferred from such Funds, the Bond Trustee shall promptly notify the Borrower and an amount equal to such deficiency shall be paid promptly by the Borrower to the Bond Trustee for deposit into the Rebate Fund.

The Borrower and the Bond Trustee, on behalf of the Issuer, shall keep such records as will enable them to fulfill their respective responsibilities under this Section 4.07 and Section 148(f) of the Code, and the Borrower shall engage a rebate analyst as may be necessary in connection with such responsibilities. The Bond Trustee, to the extent furnished to it, will retain records of all calculations performed by the rebate analyst until six years after the retirement of the last obligation of the Bonds. The fees and expenses of the rebate analyst shall be paid by the Borrower pursuant to the Financing Agreement to the extent amounts provided hereunder are insufficient for such purpose. For purposes of the computation of the Rebate Amount required under the Tax Regulatory Agreement, the Bond Trustee shall make available to the Borrower and the Issuer during normal business hours all information in the Bond Trustee's control which is necessary to such computations.

**Section 4.08 Investment of Funds.** Any moneys held as part of any fund created in this Article shall be invested or reinvested by the Bond Trustee in Qualified Investments at the written or telephonic direction of the Authorized Borrower Representative, such telephonic direction to be promptly confirmed in writing. Such moneys may only be invested in Qualified Investments which mature or are subject to redemption or repurchase at par plus accrued interest at the option of the Bond Trustee (i) on or prior to the date or dates on which the Bond Trustee anticipates that cash funds will be required, or (ii) within six months of the date of investment. The investments so made and earnings thereon shall be held by the Bond Trustee and shall be deemed at all times to be a part of the fund in which such moneys were held unless and until transferred in accordance with Section 4.04(d); provided that for purposes of investment moneys held in any of the funds established hereunder may be commingled. The Bond Trustee is directed to sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund shall be insufficient to cover a proper disbursement from any fund. The Bond Trustee shall incur no liability resulting from any investments made pursuant to this Section.

The Bond Trustee may make any and all investments permitted by this Section through its own bond or investment department, unless otherwise directed in writing by the Authorized Borrower Representative.

**Section 4.09 Custody of Funds; Moneys to Be Held in Trust.** The funds created under this Bond Indenture shall be in the custody of the Bond Trustee in its trust capacity hereunder; and the Issuer authorizes and directs the Bond Trustee to withdraw moneys from said funds for the purposes specified herein, which authorization and direction the Bond Trustee hereby accepts. All moneys required to be deposited with or paid to the Bond Trustee under any provision of this Article IV shall be held by the Bond Trustee in trust, and except for moneys held in the Rebate Fund or deposited with or paid to the Bond Trustee for the redemption of Bonds, notice of redemption of which has been duly given, shall while held by the Bond Trustee constitute part of the security for the Holders and be subject to the lien hereof.

**Section 4.10 Final Balances.** Except as otherwise provided herein, upon final payment of all principal of, premium, if any, and interest on the Bonds, and upon satisfaction of all claims against the Issuer hereunder, including the payment of all fees, charges and expenses of the Bond Trustee which are due and payable hereunder, or upon the making of adequate provision for the payment of such amounts, as permitted hereby, and after satisfaction of all of the Borrower's obligations under the Financing Agreement, all money and securities remaining hereunder shall be remitted to the Borrower.

**Section 4.11 Nonpresentment of Bonds.** In the event any Bond shall not be presented for payment when the principal thereof becomes due in whole or in part, whether at maturity, at the Redemption Date or otherwise, or a check or draft for interest is uncashed, if funds sufficient to pay such Bonds shall have been made available to the Bond Trustee for the benefit of the Holder or Holders thereof, all liabilities of the Issuer to the Holder thereof for the payment of such Bond, as the case may be, shall thereupon cease and be completely discharged, and it shall be the duty of the Bond Trustee to hold such funds for a period of six years after maturity of all Bonds, without liability for interest thereon, in a separate account in the Bond Fund for the benefit of the Holder of such Bond, who shall thereafter be restricted exclusively to such funds for any claim of whatever nature on his part under this Bond Indenture or on, or with respect to, said Bond. After the expiration of such six-year period, the Bond Trustee shall return said funds to the Issuer upon its written request and the Holder or Holders of any such unrepresented Bond shall be entitled to payment of said Bond only from said funds held by the Issuer. The obligation of the Bond Trustee under this Section to pay any such funds to the Issuer shall be subject to any provisions of law applicable to the Bond Trustee or to such funds providing other requirements for disposition of unclaimed property.

**Section 4.12 Payment of Fees.** In connection with the issuance of the Bonds and with the Project, the Borrower will pay the following fees in the following manner:

The Bond Trustee will pay the following fees on behalf of the Borrower:

- (i) To the Issuer, an Issuer Fee in an amount equal to 1.5% of the par amount of the Bonds, payable on the Closing Date from Borrower equity;

(ii) To the Issuer, a Bond Legal Reserve Fee in an amount equal to 0.10% of the par amount of the Bonds, payable on the Closing Date from Borrower equity; and

(iii) To the Bond Trustee, an upfront fee in the amount of \$5,000 and a first year administration fee of \$3,600, both payable on the Closing Date, from Borrower equity; and

(iv) To the Issuer, a City Administrative Fee in an amount equal to 0.15% of the outstanding principal amount of the Bonds, accruing monthly and payable to the Issuer semi-annually; and

(v) To the Bond Trustee, an annual fee in an amount equal to 0.06% of the amount of Bonds outstanding, accruing monthly and payable to the Bond Trustee semi-annually.

#### ARTICLE V GENERAL COVENANTS AND REPRESENTATIONS

**Section 5.01 Payment of Principal or Redemption Price of and Interest on Bonds.** The Issuer shall promptly pay or cause to be paid the principal or redemption price of, and the interest on, every Bond issued hereunder according to the terms thereof, but shall be required to make such payment or cause such payment to be made only out of revenues available therefor under this Bond Indenture. The Issuer hereby designates the principal corporate trust office of the Bond Trustee as the place of payment for the Bonds.

**Section 5.02 Instruments of Further Assurance.** The Issuer and the Bond Trustee shall do, execute, acknowledge and deliver, such indentures supplemental hereto, and such further acts, instruments and transfers as the Bond Trustee may reasonably require for the better assuring, transferring, conveying, pledging, assigning and confirming unto the Bond Trustee all its interest in the property herein described and the revenues, receipts and other amounts pledged hereby to the payment of the principal of, premium, if any, and interest on the Bonds paid solely from the Trust Estate. Any and all interest in property hereafter acquired which is of any kind or nature herein provided to be and become subject to the lien hereof shall and without any further conveyance, assignment or act on the part of the Issuer or the Bond Trustee, become and be subject to the lien of this Bond Indenture as fully and completely as though specifically described herein, but nothing contained in this sentence shall be deemed to modify or change the obligations of the Issuer under this Section.

**Section 5.03 Recordation and Filing.** Pursuant to the Financing Agreement, the Borrower shall cause financing statements with respect to the Trust Estate described in this Bond Indenture to be at all times filed in such manner and in such places if required by law in order to fully preserve and protect the rights of the Issuer and the Bond Trustee hereunder and to perfect the security interest created by this Indenture in the Trust Estate described herein. To the extent possible under applicable law, as in effect in the jurisdiction(s) in which the Trust Estate is located, the Borrower will maintain the priority of the security interest herein created in the Trust Estate as a first lien thereon, and warrant, protect, preserve and defend its interest in the Trust

Estate and the security interest of the Bond Trustee herein and all rights of the Bond Trustee under this Bond Indenture against all actions, proceedings, claims and demands of all Persons, all paid for by the Borrower.

**Section 5.04 No Modification of Security.** The Issuer shall not, without the written consent of the Bond Trustee, alter, modify or cancel, or agree to consent to alter, modify or cancel any agreement which relates to or affects the security for the Bonds. The Bond Trustee shall not consent to any change in the maturity of the GNMA Security or the Mortgage Note, except as provided in Sections 4.03(c), 4.03(d), 5.07 and Article VIII hereof.

**Section 5.05 Reports.** The Bond Trustee shall furnish annually, to the Borrower (which shall furnish copies thereof to HUD), the GNMA Issuer and any Bondholder who requests copies thereof and furnishes an address to which such reports and statements are to be sent, copies of (a) any reports furnished to the Bond Trustee with regard to the Project and (b) annual statements of the Bond Trustee with regard to fund balances. The Bond Trustee shall be reimbursed by the Borrower for its reasonable costs in preparing any such statements.

#### **Section 5.06 Tax Covenants**

(a) The Issuer, to the extent that it has control over any of the following proceeds or payments, and the Bond Trustee, to the extent that it has discretion with respect to investment of such proceeds, covenant and agree that they will not take any action or fail to take any action with respect to the investment of the proceeds of any Bonds issued under this Bond Indenture or with respect to the payments derived from the security pledged hereunder or from the Financing Agreement which would result in constituting the Bonds "arbitrage bonds" within the meaning of such term as used in Section 148 of the Code. The Issuer and the Bond Trustee further covenant and agree that they will comply with and take all actions required by the Tax Regulatory Agreement. The Bond Trustee shall cause to be prepared all rebate calculations required to be performed pursuant to the Tax Regulatory Agreement.

(b) The Issuer covenants that it shall not use or cause the use of any proceeds of Bonds or any other funds of the Issuer, directly or indirectly, in any manner, and shall not take or cause to be taken any other action or actions, or fail to take any action or actions, which would result in interest on any of the Bonds becoming includable in gross income of any Holder thereof. The Issuer further covenants that it shall at all times do and perform all acts and things permitted by law and necessary or desirable in order to assure that interest paid by the Issuer on the Bonds shall be excluded from the gross income of the recipients thereof for federal income tax purposes.

(b) Except as provided in Section 3.01(c) hereof, the Bond Trustee shall not sell or otherwise dispose of the GNMA Security for an amount less than the amount sufficient, together with other amounts held under this Bond Indenture, to provide for the payment of the Bonds in accordance with ARTICLE IX hereof

## ARTICLE VI DEFAULT PROVISIONS AND REMEDIES OF BOND TRUSTEE AND HOLDERS

**Section 6.01 Events of Default.** Each of the following shall be an "Event of Default":

- (a) default in the due and punctual payment of any interest on any Bond; or
- (b) default in the due and punctual payment of the principal of or premium, if any, on any Bond whether at the stated maturity thereof, or on proceedings for redemption thereof, or on the maturity thereof by declaration; or
- (c) default in the performance or observance of any other of the covenants, agreements or conditions on the part of the Issuer in this Bond Indenture or in the Bonds; or
- (d) the occurrence and continuation of an event of default under the Financing Agreement of which the Bond Trustee has actual notice or of which the Bond Trustee is deemed to have notice pursuant to Section 7.04(i) hereof.

The Bond Trustee and the Issuer agree that notwithstanding the provisions hereof, no default under the terms of this Bond Indenture shall be construed as resulting in a default under the Mortgage Loan Documents unless such event also constitutes a default thereunder.

**Section 6.02 Acceleration.** Upon the occurrence of an Event of Default described in Section 6.01(a) or (b) hereof, and provided that the Mortgage Loan shall have been paid in full as certified by the GNMA Issuer to the Bond Trustee, the Bond Trustee may, and upon the written request of the Holders of not less than 25% in aggregate principal amount of all Bonds then Outstanding shall, by notice in writing delivered to the Borrower and the Issuer, declare the principal of all Bonds then Outstanding and the interest accrued thereon immediately due and payable and such principal and interest shall thereupon become and be immediately due and payable.

**Section 6.03 Rights of Holders.** If any Event of Default shall have occurred and be continuing, then the Trustee may and, if requested so to do by the Holders of not less than 25% in aggregate principal amount of Bonds affected by such default, and if indemnified as provided herein, the Bond Trustee shall:

- (a) by mandamus or other suit, action or proceeding at law or in equity require the Issuer to perform its covenants and duties under this Bond Indenture;
- (b) bring suit upon the Bonds;

- (c) by action or suit in equity require the Issuer to account for its actions as if it were the trustee of an express trust for the Holders of the Bonds;
- (d) by action or suit in equity enjoin any acts or things that may be unlawful or in violation of the rights of the Holders of the Bonds;
- (e) take any action to enforce its remedies under the Financing Agreement; or
- (f) take such other steps to protect and enforce its rights and the rights of the Holders of the Bonds, whether by action, suit or proceeding in aid of the execution of any power herein granted or for the enforcement of any other appropriate legal or equitable remedy.

**Section 6.04 Rights of Holders to Direct Proceedings.** Subject to the provisions of Section 6.08 hereof, the Holders of a majority in principal amount of the Bonds shall have the right at any time, by an instrument in writing executed and delivered to the Bond Trustee, to direct the time, method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of this Bond Indenture for the benefit of the Bonds, or for the appointment of a receiver or any other proceedings hereunder for the benefit of the Bonds, in accordance with the provisions of law and of this Bond Indenture.

**Section 6.05 Waiver by Issuer.** Upon the occurrence of an Event of Default, to the extent that such right may then lawfully be waived, neither the Issuer nor anyone claiming through or under it shall set up, claim or seek to take advantage of any appraisal, valuation, stay, extension or redemption laws now or hereinafter in force, in order to prevent or hinder the enforcement of this Bond Indenture; and the Issuer, for itself and all who may claim through or under it, hereby waives, to the extent that it lawfully may do so, the benefit of all such laws and all right of appraisal and redemption to which it may be entitled under the laws of the State.

**Section 6.06 Application of Moneys.** All moneys received by the Bond Trustee or a receiver pursuant to any right given or action taken pursuant to a default under Section 6.01(a) or (b) hereof and all moneys in the possession of the Bond Trustee shall, after payment of the costs and expenses of any proceedings resulting in the collection of such moneys and after payment of the fees and expenses of the Bond Trustee, its agents and attorneys, be deposited in the Bond Fund; and all moneys in the Bond Fund shall be applied, together with the other moneys held by the Bond Trustee hereunder, except the Rebate Fund, as follows:

- (a) Unless the principal of all the Bonds shall have become due and payable or have been declared due and payable, all such moneys shall be applied:

FIRST - to the payment to the Persons entitled thereto of all installments of interest then due on the Bonds, in the order of the maturity of the installments of such interest and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment thereof ratably, according to the amounts due on such installment, to the Persons entitled thereto, without any discrimination or privilege except as to any difference in the respective rates of interest specified in the Bonds;

SECOND - to the payment to the Persons entitled thereto of the unpaid principal of and premium, if any, on any of the Bonds which shall have become due (other than Bonds called for redemption for the payment of which money shall be held pursuant to Section 4.11 of this Bond Indenture) whether at maturity or by call for redemption, in the order of their due dates and beginning with the earliest such due date, with interest on such Bonds from the date upon which they become due and, if the amount available shall not be sufficient to pay in full principal of, premium, if any, and interest on the Bonds due on any particular date, together with such interest, then to the payment thereof ratably, according to the amount of the principal, interest, and premium, if any, due on such date, to the Persons entitled thereto without any discrimination or privilege; and

THIRD - to the payment of any unpaid fees and expenses of the Issuer and the GNMA Issuer.

Any moneys remaining after application as described above shall be deposited in the Bond Fund.

(b) If the principal of all the Bonds shall have become due and payable or shall have been declared due and payable, all such moneys shall be applied to the payment of the principal, premium, if any, and interest then due and unpaid upon the Bonds, without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of premium over principal or interest or of principal or interest over premium or of any Bond over any other Bond, ratably, according to the amounts due respectively for principal, premium, if any, and interest, to the persons entitled thereto without any discrimination or privilege, except as to any difference in the respective Interest Rates specified in the Bonds.

Whenever moneys are to be applied pursuant to the provisions of this Section, such moneys shall be applied at such times, and from time to time as the Bond Trustee shall determine, having due regard to the amount of such moneys available for such application in the future. Whenever the Bond Trustee shall apply such funds, it shall fix the date (which shall be an Interest Payment Date unless it shall deem another date more suitable) upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such date shall cease to accrue. The Bond Trustee shall give such notice as it may deem appropriate of the deposit with it of any such moneys and of the fixing of any such date, and shall not be required to make payment to the Holder of any Bond until such Bond shall be presented to the Bond Trustee for appropriate endorsement or for cancellation if fully paid.

**Section 6.07 Remedies Vested in Trustee.** All rights of action, including the right to file proof of claims, under this Bond Indenture or under any of the Bonds may be enforced by the Bond Trustee without the possession of any of the Bonds or the production thereof in any trial or other proceedings relating thereto and any such suit or proceeding instituted by the Bond Trustee shall be brought in its name as Bond Trustee without the necessity of joining as plaintiffs or defendants any Holders of the Bonds, and any recovery of judgment shall be for the benefit as provided herein of Holders of the Outstanding Bonds.

**Section 6.08 Remedies of Holders.** No Holder of any Bonds shall have any right to institute any suit, action or proceeding in equity or at law for the enforcement of any provision of this Bond Indenture or for the execution of any trust hereunder or for the appointment of a receiver or any other remedy hereunder, unless: (a) a default shall have occurred of which the Bond Trustee shall have been notified as provided herein; (b) such default shall have become an Event of Default; (c) the Holders of at least 25% in aggregate principal amount of the Outstanding Bonds shall have made written request to the Bond Trustee and shall have offered reasonable opportunity either to proceed to exercise the powers hereinbefore granted or to institute such action, suit or proceeding in its own name; (d) such Holders shall have offered to the Bond Trustee indemnity as provided herein; and (e) the Bond Trustee shall within 60 days thereafter fail or refuse to exercise the powers hereinbefore granted, or to institute such action, suit or proceeding, and such notification, request and offer of indemnity are hereby declared in every case at the option of the Bond Trustee to be conditions precedent to the execution of the powers and trusts under this Article VI, and to any action or cause of action for the enforcement of this Bond Indenture, or for any other remedy hereunder; it being understood and intended that no one or more Holders of the Bonds shall have any right in any manner whatsoever to affect, disturb or prejudice the lien of this Indenture or the rights of any other Holders of the Bonds or to obtain priority or preference over any other Holders (other than as provided herein) or to enforce any right under this Bond Indenture, except in the manner herein provided and for the equal and ratable benefit of all Holders of Bonds. Nothing contained in this Bond Indenture shall, however, affect or impair the right of any Holder to enforce the payment of the principal of, the premium, if any, and interest on any Bond at the maturity thereof or the obligation of the Issuer to pay the principal of, premium, if any, and interest on the Bonds issued hereunder to the respective Holders thereof, at the time, in the place, from the sources and in the manner expressed herein and in said Bonds.

**Section 6.09 Termination of Proceedings.** In case the Bond Trustee shall have proceeded to enforce any right under this Bond Indenture by the appointment of a receiver, by entry or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case the Issuer and the Bond Trustee shall be restored to their former positions and rights hereunder with respect to the Trust Estate herein conveyed, and all rights, remedies and powers of the Bond Trustee shall continue as if no such proceedings had been taken.

**Section 6.10 Waivers of Events of Default.** The Bond Trustee shall waive any Event of Default hereunder and its consequences and rescind any declaration of maturity of principal of and interest on the Bonds upon the written request of the Holders of a majority of the Outstanding Bonds; provided, however, that there shall not be waived (a) any default in the payment of the principal of any Bonds at the date of maturity specified therein, or upon proceedings for mandatory redemption, or (b) any default in the payment when due of the interest or premium on any such Bonds, unless prior to such waiver or rescission all arrears of interest, with interest (to the extent permitted by law) at the rate borne by the Bonds on overdue installments of interest or all arrears of payments of principal or premium, if any, when due (whether at the stated maturity thereof or upon proceedings for mandatory redemption) as the case may be, and all fees, costs, and expenses of the Bond Trustee, in connection with such default shall have been paid or provided for, and in case of any such waiver or rescission, or in case any proceeding taken by the Bond Trustee on account of any such default shall have been discontinued or abandoned or

determined adversely, then and in every such case the Issuer, the Bond Trustee and the Bondholders shall be restored to their former positions and rights hereunder, respectively, but no such waiver or rescission shall extend to any subsequent or other default, or impair any right consequent thereto.

**Section 6.11 Notice of Defaults; Opportunity of the Issuer, the Borrower and the GNMA Issuer to Cure Defaults.** Anything herein to the contrary notwithstanding no default under subsection (c) of Section 6.01 hereof (other than a default occasioned by the nonpayment of money) shall constitute an Event of Default until (i) actual notice of such default by registered or certified mail shall have been received by the Bond Trustee, and a notice of default shall have been given by the Bond Trustee or by the Holders of not less than 25% in aggregate principal amount of the Outstanding Bonds to the Borrower, the GNMA Issuer and the Issuer, and (ii) the Borrower and the Issuer shall have had with respect to a default under such subsection (c), 30 days after receipt of such notice, to correct said default or cause said default to be corrected, and shall not have corrected said default or caused said default to be corrected within the applicable period, and thereafter, with respect to a default described in such subsection (c), the GNMA Issuer shall have had 30 days to correct said default or cause said default to be corrected, and shall not have corrected said default or caused said default to be corrected within the applicable period; provided, however, if a default under such subsection (c) be such that it cannot be corrected within the applicable period, it shall not constitute an Event of Default if corrective action is instituted by the Borrower, the Issuer or the GNMA Issuer, as the case may be, within the applicable period and diligently pursued until the default is corrected.

With regard to any alleged default concerning which notice has been given to the Borrower under the provisions of this Section, the Issuer hereby grants the Borrower full authority for the account of the Issuer to perform any covenant or obligation alleged in said notice to constitute a default, in the name and stead of the Issuer with full power to do any and all things and acts to the same extent that the Issuer could do and perform any such things and acts and with power of substitution.

In the event the Issuer fails to perform any of its covenants or obligations under this Bond Indenture, the Borrower shall have the right to perform such covenants or obligations and the Issuer hereby consents to such fulfillment and waives any right it may have to interfere therewith.

## ARTICLE VII THE BOND TRUSTEE

### Section 7.01 Certain Duties and Responsibilities

(a) Except during the continuance of an Event of Default:

(i) The Bond Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Bond Indenture, and no implied covenants or obligations shall be read into this Bond Indenture against the Bond Trustee; and

(ii) in the absence of bad faith on its part, the Bond Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Bond Trustee and conforming to the requirements of this Bond Indenture; but in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Bond Trustee, the Bond Trustee shall be under a duty to examine the same to determine whether they conform to the requirements of this Bond Indenture.

(b) In case an Event of Default has occurred and is continuing, the Bond Trustee shall exercise such of the rights and powers vested in it by this Bond Indenture, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of his or her own affairs.

(c) No provision of this Bond Indenture shall be construed to relieve the Bond Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that

(i) This subsection (c) shall not be construed to limit the effect of subsection (a) of this Section;

(ii) The Bond Trustee shall not be liable for any error of judgment made in good faith by a responsible officer, unless it shall be proved that the Bond Trustee was negligent in ascertaining the pertinent facts; and

(iii) The Bond Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with directions received pursuant to Section 6.04 or the direction of the Holders of a majority in principal amount of Outstanding Bonds relating to the time, method and place of conducting any proceeding for any remedy available to the Bond Trustee, or exercising any trust or power conferred upon the Bond Trustee, under this Bond Indenture.

(d) No provisions of this Bond Indenture shall require the Bond Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers.

(e) Whether or not therein expressly so provided, every provision of this Bond Indenture relating to the conduct or affecting the liability of or affording protection to the Bond Trustee shall be subject to the provisions of this Section.

**Section 7.02 Notice of Default.** Within 30 days after the occurrence of any default hereunder of which the Bond Trustee is deemed to have notice hereunder, the Bond Trustee shall transmit by first class mail, to the Holders of all Bonds then Outstanding notice of such default hereunder known to the Bond Trustee, unless such default shall have been cured or waived prior thereto; provided, however, that, except in the case of a default in the payment of the principal of (or premium, if any) or interest on any Bond when due, the Bond Trustee shall be protected in

withholding such notice if and so long as the Bond Trustee in good faith determines that the withholding of such notice is in the interests of the Holders of the Bonds. For the purpose of this Section the term "default" means any event which is, or after notice or lapse of time or both would become, an Event of Default.

**Section 7.03 Required Reporting.** The Bond Trustee shall provide to the Rating Agency (with copies to the Issuer and the Borrower):

(a) notice of any of the following events: (i) any GNMA Security is sold (except for the exchange of the CLCs for the PLC), (ii) a partial prepayment is made on any GNMA Security, (iii) any funds held under this Bond Indenture are invested in an investment agreement, (iv) the Bonds are no longer Outstanding in accordance with Article IX hereof, (v) this Bond Indenture or any Mortgage Loan Document is amended in accordance with Article VIII hereof, and (vi) the appointment of any successor Bond Trustee or co-trustee.

(c) a copy of any notices sent to the GNMA Issuer, HUD or GNMA after the Bond Trustee has become entitled to claim any benefits under the GNMA Security; and

(d) such other information as the Rating Agency may reasonably request from time to time (i) in connection with its ongoing surveillance of the rating on the Bonds and (ii) in order to maintain the rating on the Bonds.

**Section 7.04 Certain Rights of Bond Trustee.** Except as otherwise provided in Section 10.01 hereof:

(a) the Bond Trustee may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order or other paper or document conforming to the requirements, if any, of this Bond Indenture, and believed by it to be genuine, and to have been signed or presented by the proper party or parties;

(b) any Request or Statement of the Issuer mentioned herein shall be sufficiently evidenced by an order or Request of the Issuer signed by an Authorized Issuer Representative and any resolution or ordinance of the governing body of the Issuer may be sufficiently evidenced by a Certificate of the Issuer;

(c) any notice, request, direction, election, order or demand of the Borrower mentioned herein shall be sufficiently evidenced by an instrument purporting to be signed in the name of the Borrower by an Authorized Borrower Representative (unless other evidence in respect thereof be herein specifically prescribed);

(d) whenever in the administration of this Bond Indenture the Bond Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or

omitting any action hereunder, the Bond Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon a Certificate of the Issuer;

(e) the Bond Trustee may consult with counsel, architects and engineers and other experts, and the written advice of such counsel, architects or engineers and other experts shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

(f) the Bond Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Bond Indenture at the request or direction of any of the Holders of the Bonds pursuant to this Indenture, unless such Holders shall have offered to the Bond Trustee reasonable security or indemnity against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction;

(g) the Bond Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order or other paper or document, but the Bond Trustee, in its discretion, may make such further inquiry or investigation into such fact or matters as it may see fit, and, if the Bond Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuer and the Borrower, including the Project, personally or by agent or attorney;

(h) the Bond Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder whether directly or by or through agents or attorneys, but the Bond Trustee shall be responsible for any misconduct or negligence on the part of any agent or attorney so appointed;

(i) the Bond Trustee shall not be required to take notice or be deemed to have notice of any default hereunder (except for any default due to the Bond Trustee's failure to make any of the payments required to be made by Article IV hereof) unless the Bond Trustee shall be specifically notified in writing of such default by the Issuer or the Holders of at least 25% in principal amount of Bonds affected thereby; and

(j) all notices or other instruments required by this Bond Indenture to be delivered to the Bond Trustee must, in order to be effective, be delivered at the principal corporate trust office of the Bond Trustee at the Notice Address referred to in Section 1.01 hereof.

**Section 7.05 Not Responsible for Recitals or Issuance of Bonds.** The recitals contained herein and in the Bonds, except the certificates of authentication, shall be taken as the statements of the Issuer, and the Bond Trustee assumes no responsibility for their correctness. The Bond Trustee makes no representations as to the validity or sufficiency of this Bond Indenture or of the Bonds.

**Section 7.06 Bond Trustee May Hold Bonds.** The Bond Trustee in its individual or any other capacity may become the owner or pledgee of Bonds and may otherwise deal with the Issuer with the same rights it would have if it were not Bond Trustee.

**Section 7.07 Compensation.** The Bond Trustee shall on each Interest Payment Date reimburse itself as provided in Section 4.04(b) hereof for all reasonable expenses, disbursements and advances incurred or made by the Bond Trustee in performing its obligations in accordance with any provision of this Bond Indenture (including the compensation and the expenses and disbursements of any Paying Agent, separate Bond Trustee or co-Bond trustee, its agents and counsel) provided, however, that the Bond Trustee's monthly compensation under this Section 7.07 shall be limited to one-twelfth (1/12) of [0.06%] of the outstanding aggregate principal amount of the Bonds for the preceding calendar month (payable monthly as provided in Section 4.04(b) hereof), including its services as dissemination agent under the Continuing Disclosure Agreement.

Any amounts payable to the Bond Trustee in excess of the amounts specified in the preceding paragraph shall be paid by the Borrower in accordance with Section 4.7 of the Financing Agreement.

**Section 7.08 Successor Bond Trustee.** Any corporation or association into which the Bond Trustee may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer its trust business and assets as a whole or substantially as a whole, or any corporation or association resulting from any such conversion, sale, merger, consolidation or transfer to which it is a party shall, *ipso facto*, be and become successor Bond Trustee hereunder and vested with all title to the whole property or Trust Estate and all the trusts, powers, discretions, immunities, privileges and all other matters as was its predecessor, without the execution or filing of any instruments or any further act, deed or conveyance on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

**Section 7.09 Resignation by the Bond Trustee.** The Bond Trustee and any successor Bond Trustee may at any time resign from the trusts hereby created by giving 60 days' written notice by registered or certified mail to the Issuer and to each Holder of the Bonds then Outstanding; provided that no such resignation shall take effect until a successor Bond Trustee shall have been appointed and shall have accepted such appointment as provided in Section 7.11. If no successor Bond Trustee shall have been appointed and have accepted appointment within 60 days following the giving of all required notices of resignation, the resigning Bond Trustee may petition any court of competent jurisdiction for the appointment of a successor Bond Trustee.

**Section 7.10 Removal of the Bond Trustee.** The Bond Trustee may be removed at any time, by an instrument or concurrent instruments in writing delivered to the Bond Trustee and the Issuer, and signed (a) by the Holders of a majority of the Bonds Outstanding at the time, or (b) with the written concurrence of the Issuer and the GNMA Issuer, provided, that such removal shall not be effective until all reasonable fees and expenses of the Bond Trustee have been paid in full, and provided, further, that the Bond Trustee shall continue to serve as Bond Trustee hereunder until a new Trustee has been appointed.

**Section 7.11 Appointment of Successor Bond Trustee by the Holders; Temporary Bond Trustee.** In case the Bond Trustee hereunder shall resign or be removed, or be dissolved, or shall be in the course of dissolution or liquidation, or otherwise become incapable of acting

hereunder, or in case it shall be taken under the control of any public officer or officers, or of a receiver appointed by a court, a successor may be appointed by the Holders of a majority of the principal amount of the outstanding Bonds, with notice to the Borrower and the GNMA Issuer, by an instrument or concurrent instruments in writing signed by such Holders, or by their duly authorized attorneys; provided, nevertheless, that in case of vacancy the Issuer, with the consent of the Borrower, which consent shall not be unreasonably withheld, may appoint a temporary Bond Trustee to fill such vacancy until a successor Bond Trustee shall be appointed by such Holders in the manner above provided; and any such temporary Bond Trustee so appointed by the Issuer shall immediately and without further act be superseded by the bond trustee so appointed by such Bondholders.

**Section 7.12 Concerning Any Successor Bond Trustee.** Every successor Bond Trustee appointed hereunder shall execute, acknowledge and deliver to its predecessor and also to the Issuer an instrument in writing accepting such appointment hereunder and thereupon such successor, without any further act, deed or conveyance, shall become fully vested with all the estates, properties, rights, powers, trusts, duties and obligations of its predecessor; but such predecessor shall, nevertheless, on the written request of the Issuer, or of its successor, and upon payment of all amounts due such predecessor, execute and deliver an instrument transferring to such successor Bond Trustee all the estates, properties, rights, powers, trusts, duties and obligations of such predecessor hereunder; and every predecessor Bond Trustee shall deliver all securities and money held by it as Bond Trustee hereunder to its successor. Should any instrument in writing from the Issuer be required by a successor Bond Trustee for more fully and certainly vesting in such successor the estate, rights, powers and duties hereby vested or intended to be vested in the predecessor, any and all such instruments in writing shall, on request be executed, acknowledged and delivered by the Issuer. The resignation of any Bond Trustee and the instrument or instruments removing any Bond Trustee and appointing a successor hereunder, together with all other instruments provided for in this Article, shall be filed and/or recorded by the successor Bond Trustee in any recording office where the Bond Indenture shall have been filed and/or recorded. Any such successor Bond Trustee shall be bound by all of the provisions hereof, including but not limited to Section 7.07 hereof. Every such Bond Trustee appointed pursuant to the provisions of this Section shall be a trust company or bank organized under the laws of the United States of America or any state thereof and which is in good standing, within or outside the State, having a reported capital and surplus of not less than \$10,000,000 if there be such an institution willing, qualified and able to accept the trust upon reasonable or customary terms.

**Section 7.13 Bond Trustee as Paying Agent and Bond Registrar; Additional Paying Agents.** The Bond Trustee is hereby designated and agrees to act as Paying Agent and Registrar for and in respect to the Bonds.

The Issuer from time to time may appoint one or more additional Paying Agents and, in the event of the resignation or removal of any Paying Agent, successor Paying Agents. Any such additional Paying Agent or successor Paying Agent shall signify its acceptance of the duties and obligations imposed upon it by this Bond Indenture by executing and delivering to the Issuer and the Bond Trustee a written acceptance thereof.

**Section 7.14 Successor Bond Trustee as Trustee, Paying Agent and Bond Registrar.** In the event of a change in the office of Bond Trustee, the predecessor Bond Trustee which shall have resigned or shall have been removed shall cease to be Bond Trustee and Paying Agent on the Bonds and Bond Registrar, and the successor Bond Trustee shall become such Bond Trustee, Paying Agent and Bond Registrar.

**Section 7.15 Co-Bond Trustee or Separate Bond Trustee.** At any time, but subject to compliance with all applicable regulations, for the purpose of meeting any legal requirements of any jurisdiction in which any part of the Trust Estate may at the time be located or for the purpose of enforcing any provisions of this Bond Indenture or the Financing Agreement, the Issuer and the Bond Trustee shall have power to appoint an additional Person as a co-bond trustee or separate bond trustee (provided, however, that the total fee payable to the Bond Trustee and the co-bond trustee or the Bond Trustee and the separate bond trustee, may not exceed the fee payable to the Bond Trustee prior to that appointment), and upon the request of the Bond Trustee or of the Holders of at least 25% in aggregate principal amount of Outstanding Bonds the Issuer shall for such purpose join with the Bond Trustee in the execution, delivery and performance of all instruments and agreements necessary or proper to appoint such Person to act as co-bond trustee of all or any part of the Trust Estate, and to vest in such Person or institution, in such capacity, such title to the Trust Estate, or any part thereof, and such rights, powers, duties, trusts or obligations as the Issuer and the Bond Trustee may consider necessary or desirable, subject to the remaining provisions of this Section.

If the Issuer shall not have made such appointment within 30 days after the receipt by it of a request to do so, or in case an event of default shall have occurred and be continuing, the Bond Trustee alone shall have the power to make such appointment.

The Bond Trustee, the Issuer and the Borrower shall execute, acknowledge and deliver all such instruments as may be reasonably required by any such co-bond trustee or separate bond trustee for more fully confirming such title, rights, powers, trusts, duties and obligations to such co-bond trustee or separate bond trustee.

Every co-bond trustee or separate bond trustee shall, to the extent permitted by law, but to such extent only, be appointed subject to the following terms, namely:

(a) the Bonds shall be authenticated and delivered, and all rights, powers, trusts, duties and obligations by this Bond Indenture conferred upon the Bond Trustee in respect of the custody, control or management of money, papers, securities and other personal property shall be exercised solely by the Bond Trustee;

(b) all rights, powers, duties and obligations conferred or imposed upon the Bond Trustee shall be conferred or imposed upon or exercised or performed by the Bond Trustee, or by the Bond Trustee and such co-trustee or separate trustee jointly, as shall be provided in the instrument appointing such co-bond trustee or separate bond trustee, except to the extent that under the law of any jurisdiction in which any particular act or acts are to be performed the Bond Trustee shall be incompetent or unqualified to perform such act or acts, in which event such act or acts shall be performed by such co-bond trustee or separate bond trustee;

(c) any request in writing by the Bond Trustee to any co-bond trustee or separate bond trustee to take or to refrain from taking any action hereunder shall be sufficient warrant for the taking or the refraining from taking of such action by such co-bond trustee or separate bond trustee;

(d) any co-bond trustee or separate bond trustee to the extent permitted by law may delegate to the Bond Trustee the exercise of any right, power, trust, duty or obligation, discretionary or otherwise;

(e) the Bond Trustee at any time by an instrument in writing with the concurrence of the Issuer may accept the resignation of or remove any co-bond trustee or separate bond trustee appointed under this Section and in case an Event of Default shall have occurred and be continuing, the Bond Trustee shall have power to accept the resignation of or remove any such co-bond trustee or separate bond trustee without the concurrence of the Issuer, and, upon the request of the Bond Trustee, the Issuer shall join with the Bond Trustee in the execution, delivery, and performance of all instruments and agreement necessary or proper to effectuate such resignation or removal. A successor to any co-bond trustee or separate bond trustee so resigned or removed may be appointed in the manner provided in this Section;

(f) no bond trustee hereunder shall be personally liable by reason of any act or omission of any other bond trustee hereunder;

(g) any demand, request, direction, appointment, removal, notice, consent, waiver or other action in writing executed by the Holders and delivered to the Bond Trustee shall be deemed to have been delivered to each such co-bond trustee or separate bond trustee; and

(h) any money, paper, securities or other items of personal property received by any such co-bond trustee or separate bond trustee hereunder shall forthwith, so far as may be permitted by law, be turned over to the Bond Trustee.

Upon the acceptance in writing of such appointment, any such co-bond trustee or separate bond trustee shall be vested with such title to the Trust Estate or any part thereof, and with such rights, powers, duties, trusts or obligations as shall be specified in the instrument of appointment jointly with the Bond Trustee (except insofar as local law makes it necessary for any such co-bond trustee or separate bond trustee to act alone) subject to all the terms of this Bond Indenture. Every such acceptance shall be filed with the Bond Trustee and the Issuer.

In case any co-bond trustee or separate bond trustee shall die, become incapable of acting, resign or be removed, the title to the Trust Estate and all rights, powers, trusts, duties and obligations of said co-bond trustee or separate bond trustee shall, so far as permitted by law, vest in and be exercised by the Bond Trustee unless and until a successor co-bond trustee or separate bond trustee shall be appointed in the manner herein provided.

**Section 7.16 Representations by Bond Trustee.** The Bond Trustee hereby represents and warrants that as of the date of execution of this Bond Indenture:

(a) It is duly organized and validly existing in good standing under the laws of the jurisdiction of its organization and has the power and authority to enter into and perform its obligations under this Bond Indenture;

(b) this Bond Indenture has been duly authorized, executed and delivered by it; and

(c) to the best of the Bond Trustee's knowledge, the execution of this Bond Indenture by the Bond Trustee does not violate laws, statutes, ordinances, regulations or agreements which are binding on the Bond Trustee.

**Section 7.17 Interpretation of Intent.** The Bond Trustee, in exercising its authority under this Bond Indenture, may interpret the intent of the parties hereunder. In exercising such authority, the Bond Trustee shall be held to a reasonable fiduciary standard subject to Section 7.01 hereof.

#### ARTICLE VIII SUPPLEMENTAL BOND INDENTURE

**Section 8.01 Supplemental Bond Indentures Not Requiring Consent of Bondholders.** The Issuer and the Trustee, without the consent of or notice to any of the Bondholders, may enter into a bond indenture or bond indentures supplemental to this Bond Indenture as shall not be inconsistent with the terms and provisions hereof or materially adverse to the interest of the Holders of the Bonds for any one or more of the following reasons:

(a) to cure any ambiguity or formal defect or omission in this Bond Indenture:

(b) to subject to the lien and pledge of this Bond Indenture additional revenues, properties or collateral;

(c) to grant to or confer upon the Bond Trustee for the benefit of the Bondholders any additional rights, remedies, powers or authority that may lawfully be granted to or conferred upon the Bondholders or the Bond Trustee or any of them;

(d) to modify, amend or supplement this Bond Indenture or any bond indenture supplemental hereto in such manner as to permit the qualification hereof and thereof under the Trust Indenture Act of 1939 or any similar federal statute hereafter in effect or under any state securities laws;

(e) to permit the Bond Trustee to comply with any obligations imposed upon it by law;

(f) to achieve compliance of this Bond Indenture with any applicable federal securities or tax laws or state securities laws;

(g) to maintain the exclusion from gross income for federal income taxation of interest on the Bonds;

(h) to obtain, improve or maintain the rating on the Bonds from any nationally recognized securities rating agency so long as such change does not affect the interest rates, maturities or redemption provisions of the Bonds and does not, in the opinion of Bond Counsel, adversely affect the exclusion from gross income for federal income taxation of interest on the Bonds; or

(i) in connection with any other change in this Bond Indenture which, in the judgment of the Bond Trustee, is not to the prejudice of the Bond Trustee or the Bondholders.

The Bond Trustee may rely upon an opinion of counsel as conclusive evidence that execution and delivery of a supplemental bond indenture have been effected in compliance with the provisions of this Article.

**Section 8.02 Supplemental Bond Indentures Requiring Consent of Bondholders.** With the consent of the Holders of not less than a majority in aggregate principal amount of the Outstanding Bonds, the Bond Trustee, from time to time, may enter into supplemental bond indentures for the purpose of modifying, altering, amending, adding to or rescinding any of the terms or provisions contained in this Bond Indenture or in any supplemental bond indenture; provided, however, that nothing in this Article contained shall permit, or be construed as permitting without the consent of the Holders of 100% of the Bonds outstanding: (a) an extension of the stated maturity or a reduction in the principal amount or reduction in the rate, or extension of time of payment of interest on, or reduction of any premium payable on the redemption of, any Bonds; (b) the creation of any lien on the Trust Estate prior to or on a parity with the lien of this Bond Indenture; (c) a reduction in the amount of the Bonds, the Holders of which are required to approve any such supplemental bond indenture, without the consent of the Holders of all Bonds at the time Outstanding which would be affected by the action to be taken; (d) the modification of the rights, duties or immunities of the Bond Trustee without the consent of the Bond Trustee; (e) a privilege or priority of any Bond over any other Bonds; (f) any reduction in the Borrower's obligations under the Mortgage Note, or change in the GNMA Issuer's obligations under (or GNMA's guaranty of) the GNMA Securities; (g) any amendment to Section 5.07 or Article VIII hereof, or (h) any action which may result in the denial of the exclusion of interest on the Bonds from gross income for federal income taxation.

If at any time the Issuer shall request the Bond Trustee to enter into any such supplemental bond indenture for any of the purposes of this Section, the Bond Trustee shall, upon being satisfactorily indemnified with respect to expenses, cause notice of the proposed execution of such supplemental indenture to be mailed, postage prepaid, to all Bondholders. Such notice shall briefly set forth the nature of the proposed supplemental bond indenture and shall state that copies thereof are on file at the corporate trust office of the Bond Trustee for inspection by all Bondholders. If, within 60 days or such longer period as shall be prescribed by the Issuer following the mailing of such notice, the Holders of not less than two-thirds in aggregate principal amount of Outstanding Bonds at the time of the execution of any such supplemental bond indenture shall have consented to and approved the execution thereof as herein provided, no Holder of any Bond shall have any right to object to any of the terms and provisions contained therein, or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Bond Trustee or the Issuer from executing the

same or from taking any action pursuant to the provisions thereof. Upon the execution of any such supplemental indenture as in this Section permitted and provided, this Bond Indenture shall be and be deemed to be modified and amended in accordance therewith. The Bond Trustee may rely upon an opinion of counsel as conclusive evidence that execution and delivery of a supplemental bond indenture have been effected in compliance with the provisions of this Article.

Anything herein to the contrary notwithstanding, a supplemental bond indenture under this Article which affects any rights of the Borrower shall not become effective unless and until the Borrower shall have consented to the execution and delivery of such supplemental bond indenture. In this regard, the Bond Trustee shall cause notice of the proposed execution and delivery of any such supplemental bond indenture to be mailed by certified or registered mail to the Borrower at least 15 days prior to the proposed date of execution and delivery of any supplemental indenture. The Borrower shall be deemed to have consented to the execution and delivery of any such supplemental bond indenture if the Bond Trustee does not receive a letter of protest or objection thereto signed by or on behalf of the Borrower on or before the close of business of the Bond Trustee on the fifteenth day after the mailing of said notice and a copy of the proposed supplemental bond indenture.

**Section 8.03 Amendments to Financing Agreement Not Requiring Consent of the Bondholders.** The Issuer and the Borrower, without the consent of the Bondholders, may enter into any amendment, change or modification to the Financing Agreement as shall not be inconsistent with the terms of the Financing Agreement or materially adverse to the interests of the Holder of the Bonds for any one or more of the following purposes:

- (a) to cure any ambiguity or formal defect or omission in the Financing Agreement;
- (b) to grant to or confer upon the Issuer or the Bond Trustee for the benefit of the Bondholders any additional rights, remedies, powers or authority that may be lawfully granted to or conferred upon the Issuer or the Bond Trustee or either of them;
- (c) to maintain the exclusion from gross income for federal income taxation of interest of the Bonds;
- (d) to obtain, improve or maintain the rating on the Bonds so long as such change does not affect the interest rates, maturities or redemption provisions of the Bonds and does not, in the opinion of Bond Counsel, adversely affect the exclusion from gross income for federal income taxation of interest on the Bonds; or
- (e) in connection with any other change which, in the judgment of the Bond Trustee, is not to the prejudice of the Bond Trustee or the Bondholders.

The Bond Trustee may rely upon an opinion of counsel as conclusive evidence that such amendment, change or modification has been effected in compliance with the provisions of this Article.

**Section 8.04 Amendments to Financing Agreement Requiring Consent of Bondholders.** With the consent of the Holders of not less than a majority in aggregate principal amount of the Bonds at the time Outstanding, the Issuer, the Bond Trustee and the Borrower may from time to time enter into amendments, changes and modifications to the Financing Agreement for the purpose of modifying, altering, amending, adding to or rescinding any of the terms or provisions contained therein; provided, however, that no such amendment, change or modification shall permit or be construed as permitting: (a) any adverse effect on the security for the Bonds, (b) a reduction in the amount of Bonds, the Holders of which are required to approve any such amendment, change or modification without the consent of Holders of all Bonds at the time Outstanding which would be affected by the action to be taken; or (c) any action which may result in the denial of the exclusion of the interest on the Bonds from gross income for federal income tax purposes.

If at any time, the Borrower or the Issuer shall request the consent of the Bond Trustee to any such amendment, change or modification of the Financing Agreement, the Bond Trustee shall, upon being satisfactorily indemnified by the Borrower with respect to expenses, cause notice of such proposed amendment, change or modification to be given in the same manner as provided above with respect to supplemental bond indentures. Such notice shall briefly set forth the nature of such proposed amendment, change or modification and shall state that copies of the instrument embodying the same are on file at the corporate trust office of the Bond Trustee for inspection by all Bondholders. If, within 60 days following the giving of such notice the Holders of not less than two-thirds in aggregate principal amount of Outstanding Bonds at the time of the execution of any such amendment, change or modification shall have consented to and approved the execution thereof as described above, no Holder of any Bond shall have any right to object to the terms and provisions contained therein, or to the operation thereof, or in any manner to question the propriety of the execution thereof or to enjoin or to restrain the Issuer or the Bond Trustee from consenting to the execution thereof. The Bond Trustee may rely upon an opinion of counsel as conclusive evidence that such amendment, change or modification has been effected in compliance with the provisions of this Article.

**Section 8.05 Modification of Mortgage Loan Documents.** Nothing contained herein or in the Financing Agreement shall limit or impair the right of the GNMA Issuer to require or agree to any amendment, change or modification of the Mortgage Loan Documents for the purpose of curing any ambiguity, or of curing, correcting or supplementing any defective or inconsistent provision contained therein, or in regard to matters or questions arising under said Mortgage Loan Documents so long as any such amendment, change or modification shall not adversely affect the payment terms of, the security for or the tax-exempt status of the Bonds.

## ARTICLE IX SATISFACTION AND DISCHARGE OF BOND INDENTURE

**Section 9.01 Discharge of Lien.** If the Issuer shall pay or cause to be paid to the Holders of the Bonds the principal, interest and premium, if any, to become due thereon at the times and in the manner stipulated therein and herein and shall have paid all fees and expenses of the Bond Trustee, and if the Issuer shall keep, perform and observe all and singular the covenants and promises in the Bonds and in this Bond Indenture expressed as to be kept, performed and observed by it or on its part, then these presents and the estate and rights hereby granted shall, at

the option of the Issuer, cease, determine and be void, and thereupon the Bond Trustee shall cancel and discharge the lien of this Bond Indenture and execute and deliver to the Issuer such instruments in writing as shall be requisite to satisfy the lien hereof, shall reconvey to the Issuer the estate hereby conveyed, and shall assign and deliver to the Issuer (to the extent that the Issuer certifies to the Bond Trustee that the Issuer is owed money by the Borrower) or to Borrower (if no such certification of the Issuer is delivered to the Bond Trustee) any interest in property at the time subject to the lien of this Bond Indenture which may then be in its possession, except amounts held by the Bond Trustee for the payment of principal of and interest and premium, if any, on the Bonds. Prior to the issuance of the total aggregate principal amount of Bonds authorized to be issued hereunder, the Issuer shall not be deemed to have satisfied the provisions of this Section 9.01 unless it confirms in writing to the Bond Trustee that the Bond Trustee shall not be directed to authenticate and deliver any additional Bonds or increase the aggregate principal amount of the Bonds pursuant to Section 2.13(b) hereof subsequent to the date if discharged.

All Outstanding Bonds shall, prior to the maturity or redemption date thereof, be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this Section if, under circumstances which, in the opinion of Bond Counsel, do not cause interest on the Bonds to be includable in gross income for federal income purposes, the following conditions shall have been fulfilled: (a) in case any of the Bonds are to be redeemed on any date prior to their maturity, the Issuer shall have given to the Bond Trustee, in form satisfactory to it, irrevocable instructions to mail, as provided in Article III hereof, notice of redemption of such bonds on said date; and (b) there shall be on deposit with the Bond Trustee either money or direct non-callable obligations of, or non-callable obligations guaranteed by, the United States of America in an amount sufficient, as certified to the Bond Trustee by independent public accountants of national standing, to pay when due the principal or redemption price, if applicable, and interest due and to become due on the Bonds on and prior to the Redemption Date or maturity date thereof, as the case may be. Upon satisfaction and discharge of this Bond Indenture as aforesaid, the Bond Trustee shall provide notice of such discharge by first class mail to Holders of all Bonds Outstanding, provided that for any Bonds subject to optional redemption within 90 days of the discharge of this Bond Indenture no such notice need be given.

**Section 9.02 Survival of Certain Provisions.** Notwithstanding the foregoing, any provisions of this Bond Indenture which relate to the maturity of Bonds, interest payments and dates thereof, optional and mandatory redemption provisions, credit against mandatory sinking fund requirements, exchange, transfer and registration of Bonds, replacement of mutilated, destroyed, lost or stolen Bonds, the safekeeping and cancellation of Bonds, non-presentment of Bonds, the holding of moneys in trust, and repayments of moneys in funds held hereunder, and the duties of the Bond Trustee and the Bond Registrar in connection with all of the foregoing, shall remain in effect and be binding upon the Bond Trustee, the Bond Registrar, the Paying Agent and the Holders notwithstanding the release and discharge of this Bond Indenture. The provisions of this Article shall survive the release, discharge and satisfaction of this Bond Indenture.

ARTICLE X  
MISCELLANEOUS

**Section 10.01 Consents and Other Instruments of Bondholders.** Any consent, request, direction, approval, waiver, objection, appointment or other instrument required by this Bond Indenture to be signed and executed by the Bondholders may be signed and executed in any number of concurrent writings of similar tenor and may be signed or executed by such Bondholders in person or by agent appointed in writing. Proof of the execution of any such instrument, if made in the following manner, shall be sufficient for any of the purposes of this Bond Indenture and shall be conclusive in favor of the Trustee with regard to any action taken under such instrument, namely:

(a) The fact and date of the execution by any Person of any such instrument may be proved by the affidavit of a witness of such execution or by the certificate of any notary public or other officer of any jurisdiction, authorized by the laws thereof to take acknowledgments of deeds, certifying that the Person signing such instrument acknowledged to him the execution thereof. Where such execution is by an officer of a corporation or association or a member of a limited liability company or a partner of a partnership on behalf of such corporation, association, limited liability company or partnership, such affidavit or certificate shall also constitute sufficient proof of his authority.

(b) The ownership of Bonds shall be proven by the Bond Register.

(c) Any request, consent or vote of the Holder of any Bond shall bind every future Holder of any Bond issued in exchange therefor or in lieu thereof, in respect of anything done or permitted to be done by the Trustee or the Issuer pursuant to such request, consent or vote.

(d) In determining whether the Holders of the requisite amount of the principal amount of the Bonds then Outstanding have concurred in any demand, request, direction, consent or waiver under this Bond Indenture, Bonds which are owned by the Issuer or the Borrower or by any Person directly or indirectly controlling or controlled by, or under direct or indirect common control with the Issuer or the Borrower shall be disregarded and deemed not to be Outstanding for the purpose of determining whether the Bond Trustee shall be protected in relying on any such demand, request, direction, consent or waiver. Only Bonds which the Bond Trustee knows to be so owned shall be disregarded. Bonds so owned which have been pledged in good faith may be regarded as Outstanding for the purposes of this Section if the pledgee shall establish to the satisfaction of the Bond Trustee the pledgee's right to vote such Bonds. In case of a dispute as to such right, any decision by the Bond Trustee taken upon the advice of counsel shall be full protection to the Bond Trustee.

**Section 10.02 Limitation of Rights.** With the exception of rights herein expressly conferred, nothing expressed or implied in this Bond Indenture or the Bonds is intended or shall be construed to give to any Person other than the parties hereto, the Borrower and the Holders of the Bonds, any legal or equitable right, remedy or claim under or in respect to this Bond Indenture or any covenants, conditions and provisions hereof.

**Section 10.03 Severability.** If any provision of this Bond Indenture shall be held or deemed to be or shall in fact be inoperative or unenforceable as applied in any particular case in any jurisdiction or jurisdictions or in all jurisdictions, or in all cases because it conflicts with any other provision or provisions hereof or any constitution, statute, rule of law or public policy, or for any other reason, such circumstances shall not have the effect of rendering the provision in question inoperative or unenforceable in any other case or circumstances, or of rendering any other provision or provisions herein contained invalid, inoperative or unenforceable to any extent whatever.

The invalidity of any one or more phrases, sentences, clauses or sections in this Bond Indenture contained shall not affect the remaining portions of this Bond Indenture or any part thereof

**Section 10.04 Notices.** All notices, certificates or other communications hereunder shall be sufficiently given and shall be deemed given three days after deposit by first-class mail, except any notice specifically required to be given by certified or registered mail shall be deemed given three days after being mailed by certified or registered mail, postage prepaid, and any notice dispatched by messenger, facsimile or telegram, addressed to the Notice Address of the person to whom such notices, certificates or other communications are given shall be deemed given when delivered.

**Section 10.05 Payments Due on Saturdays, Sundays and Holidays.** In any case where the date of maturity of interest on or principal of the Bonds or the GNMA Securities, or the date fixed for redemption of any Bonds, shall be a Saturday, Sunday, legal holiday or a day on which banking institutions are authorized by law to close, then payment of interest or principal need not be made on such date but may be made on the next succeeding Business Day with the same force and effect as if made on the date of maturity or the date fixed for redemption, and no interest shall accrue for the period after such date.

**Section 10.06 Counterparts.** This Bond Indenture may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

**Section 10.07 Governing Law.** The laws of the State shall govern the construction of this Bond Indenture and of all Bonds issued hereunder, without reference to its conflict of laws principles.

**Section 10.08 No Recourse.** No recourse shall be had for the principal of, redemption premium, if any, and interest on any of the Bonds or for any claim based thereon or upon any obligation, covenant or agreement contained in the Bond Indenture or the Financing Agreement against any past, present or future official, officer or employee of the Issuer, as such, either directly or through the Issuer or any successor, under any rule of law, statute or constitution or by the enforcement of any assessment or penalty or otherwise, and all such liability is hereby expressly waived and released as a condition of and consideration for the execution of the Bond Indenture and the Financing Agreement and the issuance of the Bonds.

**Section 10.09 Successors and Assigns.** All the covenants and representations contained in this Bond Indenture, by or on behalf of the Issuer, shall bind and inure to the benefit of its successors and assigns, whether or expressed or not.

**Section 10.10 Books, Records and Accounts.** The Bond Trustee agrees to keep proper books, records and accounts in which complete and correct entries shall be made of all transactions relating to the receipt, disbursements, investment, allocation and application of the proceeds received from the sale of the Bonds, the revenues received in connection with the GNMA Security, the revenues received from the Funds created pursuant to this Bond Indenture and all other money held by the Bond Trustee hereunder. The Bond Trustee shall make such books, records and accounts available for inspection by the Issuer or the Holder of any Bond during reasonable hours and under reasonable conditions.

**Section 10.11 HUD and GNMA Requirements to Control.** Notwithstanding anything in this Bond Indenture to the contrary, the provisions of this Bond Indenture and the Financing Agreement are subject and subordinate to the National Housing Act, all applicable HUD insurance regulations and related administrative requirements and the Mortgage Loan Documents and all applicable GNMA regulations and related administrative requirements; and in the event of any conflict between the provisions of this Bond Indenture or the Financing Agreement and the provisions of the National Housing Act, any applicable HUD regulations, related administrative requirements and the Mortgage Loan Documents, any applicable GNMA regulations and related administrative requirements, the said National Housing Act, HUD regulations, related administrative requirements and Mortgage Loan Documents, and the said GNMA regulations and related administrative requirements shall be controlling in all respects.

**Section 10.12 HUD Regulations.** Notwithstanding anything in this Bond Indenture to the contrary, the Issuer, its designee or any person shall not and cannot acquire or succeed to Grand Boulevard Housing IV, LLC's interest as general partner of the Borrower or exercise Grand Boulevard Housing IV, LLC's rights or powers as such general partner unless and until the Issuer, its designee or any person first complies with all HUD requirements pertaining to transfers of physical assets and received HUD's written preliminary approval. Prior to satisfying the requirements pertaining to transfers of physical assets neither the Issuer, its designee nor any person will assert any claim or interest in the HUD Project (HUD Project No. 071-35889) by reasons of the provisions of this Bond Indenture. Except as otherwise set forth herein or in the Financing Agreement, any claim asserted against the Project shall not be a personal liability of the Borrower but shall instead be a limited obligation payable solely from the Borrower's interest in, and Surplus Cash (as defined in the HUD Regulatory Agreement) revenues derived from, the Project.

**Section 10.13 Enforcement Not to Affect Mortgage Loan or GNMA Security** Notwithstanding any provision in this Bond Indenture to the contrary, enforcement of this Bond Indenture and the Financing Agreement will not result in any claim under the Mortgage Loan, or claim against the Project, the Mortgage Loan proceeds, any reserve or deposit made with the GNMA Issuer or another Person required by HUD in connection with the Mortgage Loan, or against the rents or other income from the Project (other than available "Surplus Cash," as defined in the HUD Regulatory Agreement) for payment hereunder.

IN WITNESS WHEREOF, the parties hereto have caused this Bond Indenture to be duly executed and their respective corporate seals to be hereunto affixed and attested, all as of the date and year first above written.

The City of Chicago, a municipality and home rule unit of government duly organized and validly existing under the Constitution and the laws of the State of Illinois (the "Issuer"), for value received, hereby promises to pay (but only from the revenues and other assets and in the manner hereinafter described) to the Registered Owner specified above or registered assigns (the "Holder") (subject to any right of prior redemption provided for in the Bond Indenture referred to below), no later than the stated Maturity Date set forth above, the principal amount set forth on Appendix A hereto, which shall not exceed the principal amount set forth above and to pay interest on the principal amount set forth on Appendix A hereto as provided herein until said principal amount shall have been fully paid, at the rate per annum specified above on the principal amount outstanding on the last day of the preceding six-month period, payable on each \_\_\_\_\_ and \_\_\_\_\_, commencing \_\_\_\_\_, 201\_. Principal of the Bonds shall be payable on each Interest Payment Date to the extent amounts are available for such purpose, but shall in any event be payable on the stated maturity date. Principal payable on the Bonds on each Interest Payment Date shall be equal to the amounts in the Bond Fund representing principal payments received on the GNMA Security and available to pay the principal of the Bonds, until the entire principal amount of the Bonds has been paid. Principal payable on each Bond on each Interest Payment Date shall be the pro rata share of each such amount available to pay the principal of the Bonds on such Interest Payment Date. The principal balance of this Bond will bear interest until paid as stated below. No interest shall accrue on the principal amount of the Bond until that

portion of the principal amount of the Bond is drawn down in accordance with the drawdown schedule attached to this Bond. Principal of, premium, if any, and interest on this Bond are payable, without deduction for exchange, collection or service charges, in lawful money of the United States of America. Principal due at maturity or upon earlier redemption in whole is payable at the principal corporate trust office of Seaway Bank and Trust Company, an Illinois state banking corporation having its principal corporate trust office in Chicago, Illinois, or its successors in trust (the "Bond Trustee" or "Trustee") upon presentation and surrender of this Bond. The interest so payable on any Interest Payment Date shall be calculated on a 30-day month, 360-day year basis, shall be in the amount of interest that accrued during the calendar month preceding each Interest Payment Date on the principal balance of the Bonds outstanding as of the last day of the calendar month preceding the subject Interest Payment Date, and shall, subject to certain exceptions provided in the Indenture referred to below, be paid to the Holder in whose name this Bond is registered at the close of business on the first day of the calendar month of such Interest Payment Date (the "Regular Record Date"). Payment of interest and principal (other than as set forth above) shall be made by check or draft mailed on that Interest Payment Date to the Holder hereof at the close of business on the Regular Record Date at the address shown on the registration records for the Bonds kept by the Bond Trustee, *provided, however*, that payment of interest on any Interest Payment Date shall be made by wire transfer to the Holder as of the close of business on the Regular Record Date upon written notice of such wire transfer address in the continental United States (which notice may provide that it will remain in effect until revoked), *provided* that such wire transfer shall only be made with respect to an owner of \$1,000,000 or more in aggregate principal amount of the Bonds as of the close of business on the Regular Record Date relating to such Interest Payment Date. If any interest is not timely paid or duly provided for, the Trustee is required to establish a Special Record Date for the payment of that overdue interest to the Holders as of that Special Record Date. Notice of the Special Record Date shall be mailed to Holders not less than 10 days prior thereto. So long as this Bond is restricted to being registered in the registration books of the Issuer in the name of a Securities Depository (as defined in the Bond Indenture), the provisions of the Bond Indenture governing Book-Entry Bonds shall govern the payment of principal of, premium, if any, and interest on this Bond.

This Bond is one of a duly authorized series of bonds of the City designated as its Multi-Family Housing Revenue Bonds (Paul G. Stewart Apartments Phase III Tower Project), Series 2016 (FHA Insured/GNMA) (the "Bonds"), in the aggregate principal amount of \$\_\_\_\_\_ (the "Bonds"), pursuant to Article VII, Section 6 of the 1970 Constitution of the State of Illinois, and pursuant to the Ordinance adopted by the Issuer on \_\_\_\_\_, 2016. The Bonds are issued under and are equally and ratably secured as to principal, premium, if any, and interest by a Bond Indenture dated as of October 1, 2016, from the Issuer to the Bond Trustee (the "Bond Indenture"), to which Bond Indenture and all indentures supplemental thereto (copies of which are on file at the office of the Bond Trustee) reference is hereby made. By the acceptance of this Bond, the Holder hereof assents to all of the provisions of the Bond Indenture.

The Bonds are limited obligations of the Issuer payable solely from funds, moneys and securities held by the Bond Trustee under the Bond Indenture and amounts derived under the Financing Agreement (as defined in the Bond Indenture), including amounts derived from the GNMA Security described herein.

The Bonds, together with premium, if any, and interest thereon, do not constitute an indebtedness, liability, general or moral obligation or a pledge of the full faith or loan of credit of the Issuer, the State of Illinois, or any political subdivision of the State of Illinois within the meaning of any constitutional or statutory provisions. None of the Issuer, the State of Illinois or any political subdivision thereof shall be obligated to pay the principal of, premium, if any, or interest on the Bonds or other costs incident thereto except from the revenues and assets pledged with respect thereto. Neither the full faith and credit nor the taxing power of the United States of America, the Issuer, the State of Illinois or any political subdivision thereof is pledged to the payment of the principal of, premium, if any, or interest on the Bonds or other costs incident thereto. The Bonds are not a debt of the United States of America or any agency thereof, and are not guaranteed by the United States of America or any agency thereof.

This Bond shall not be entitled to any benefit under the Bond Indenture or become valid or obligatory for any purpose until the certificate of authentication shall have been signed by the Bond Trustee.

The Bonds are being issued by the Issuer for the purpose of financing an FIIA-insured mortgage loan (the "Mortgage Loan") to be made to PGS Bronzeville III Limited Partnership, an Illinois limited partnership (the "Borrower") for the purpose of financing a portion of the costs of acquisition, rehabilitation and equipping of a 20-story, residential apartment building containing approximately 180 residential dwelling units, along with common area, service and management offices on the 1<sup>st</sup> and 2<sup>nd</sup> floors and approximately 70 parking spaces (9 of which are handicapped accessible), for low and moderate income individuals and families, located at 401 East Bowen Avenue, Chicago, Illinois, and known as "Paul G. Stewart Apartments Phase III Tower (the "Project").

To secure payment of principal of and interest on the Bonds, the Borrower has arranged for the acquisition by the Trustee of fully modified mortgage-backed securities (the "GNMA Security") to be issued by P/R Mortgage & Investment Corp. (the "GNMA Issuer"), which will be guaranteed as to timely payment of principal and interest by the Government National Mortgage Association ("GNMA").

Principal payable on this Bond on each Interest Payment Date shall be equal to the amounts in the Bond Fund representing principal payments received on the GNMA Security, including, without limitation, principal payments on the GNMA Security representing regularly scheduled payments of principal including, without limitation, principal payments on maturing CLCs.

This Bond shall be subject to mandatory redemption prior to maturity, as a whole or in part, on the earliest practicable date for which notice of redemption can be given by the Bond Trustee pursuant to the Bond Indenture, unless otherwise provided, at a redemption price equal to 100% of the principal amount hereof being redeemed plus accrued interest to the Redemption Date, and without premium:

(i) In whole on \_\_\_\_\_, 20\_\_ (or such later date upon the extension of the Initial CLC Delivery Date) if the Initial CLC in the amount of at least \$51,000 is not delivered to the Bond Trustee by the Initial CLC Delivery Date;

(ii) In whole on the CLC Maturity Date if the PLC is not delivered to the Bond Trustee on or before \_\_\_\_\_, 20\_\_ (or such later date as shall be permitted under Section 4.03(d) of the Bond Indenture); and

Upon such transfer a new registered Bond or bonds of the same maturity and interest rate and of authorized denomination or denominations for the same aggregate principal amount will be issued to the transferee in exchange therefor.

The Issuer and the Bond Trustee may deem and treat the registered owner hereof as the absolute owner hereof for the purpose of receiving payment of or on account of principal hereof and interest due hereon and for all other purposes and neither the Issuer nor the Bond Trustee shall be affected by any notice to the contrary.

The principal hereof may be declared or may become due on the conditions and in the manner and at the time set forth in the Bond Indenture upon the occurrence of an event of default as provided in the Bond Indenture.

No recourse shall be had for the payment of the principal of, premium, if any, or interest on this Bond, or for any claim based hereon, or otherwise in respect hereof, or based on or in respect of the Bond Indenture or any indenture supplemental thereto, against any trustee, officer or employee, as such, past, present or future, of the Issuer or any successor, whether by virtue of any constitution, statute or rule of law, or by the enforcement of any assessment or penalty or otherwise, all such liability being, by the acceptance hereof and as part of the consideration for the issue hereof, expressly waived and released. *Certificate Of Borrower Regarding Principal Advance.*

I am the [\_\_\_\_\_] of the Manager of the General Partner of PGS Bronzeville III Limited Partnership (the "Borrower"), and, as such, am familiar with the terms and provisions of the Bond Indenture dated as of October 1, 2016 (the "Bond Indenture") between the City of Chicago, Cook County, Illinois (the "Issuer") and Seaway Bank and Trust Company, as Bond Trustee (the "Bond Trustee") authorizing the issuance of the Issuer's Multi-Family Housing Revenue Bonds (Paul G. Stewart Apartments Phase III Tower Project), Series 2016 (FHA Insured/GNMA) in the maximum aggregate principal amount of \$10,596,000 in multiple principal advances (each, a "Principal Advance") from time to time (the "Bonds"). Capitalized terms used but not defined herein shall have the same meaning as in the Bond Indenture.

As Authorized Borrower Representative designated under the Bond Indenture, I hereby request a Principal Advance in the amount of \$\_\_\_\_\_ for the purpose of purchasing a CLC in a corresponding principal amount and hereby certify as follows with respect to such Principal Advance:

1. Each of the representations and warranties of the Borrower contained in the Bond Purchase Agreement with respect to the Bonds between the Issuer, the Borrower and Stifel, Nicolaus & Company, Incorporated (the "Purchaser"), are true and correct in all material respects as of the date hereof as if made on the date hereof.

2. Each of the Bond Purchase Agreement, the Tax Regulatory Agreement, the Financing Agreement, the Land Use Restriction Agreement and any other certificate executed and delivered by the Borrower in connection therewith, has not been amended or modified and is in full force and effect as of the date hereof. Each such agreement and certificate constitutes a legal, valid and binding obligation of the Borrower enforceable against the Borrower in accordance with its terms, except as such enforceability may be limited by bankruptcy, insolvency, reorganization, arrangements, fraudulent conveyance, moratorium or other laws or equitable principals relating to or affecting the enforcement of creditors' rights generally, by application of equitable principles.

3. The representations and warranties of the Borrower contained in the Financing Agreement, the Tax Regulatory Agreement, the Land Use Restriction Agreement, and any other certificates executed and delivered by the Borrower in connection therewith and in connection with the Bonds, are true and correct in all material respects as of this date or given on this date. All covenants of the Borrower contained therein have been duly performed, observed and complied with in all material respects. There is no Event of Default or any event which with the passage of time or giving of notice would

constitute an Event of Default on the part of the Borrower with respect to the performance of any of the covenants, conditions, agreements or provisions contained in the Financing Agreement, the Tax Regulatory Agreement or the Land Use Restriction Agreement.

4. The Borrower has not been notified, either directly or indirectly, by Polsinelli, PC, Bond Counsel, that its approving opinion dated the date of the initial delivery of the Bonds with respect to the validity of the Bonds and the exclusion from gross income for federal income tax purposes of interest thereon has been withdrawn or may no longer be relied upon without the substitution of a revised Opinion of Bond Counsel acceptable to the Bond Trustee, the Issuer, the GNMA Issuer and the Holders.

5. The request by the Borrower for a Principal Advance on the Bonds is being made in accordance with the representations of the Borrower in the Tax Regulatory Agreement and the Land Use Restriction Agreement in connection with the Initial Advance, as such documents may have been amended, modified or superceded as of the date hereof. The Principal Advance referenced herein is intended by the Borrower to be treated as being part of a single issue of Bonds for which the issue date is the date of the initial Principal Advance on the Bonds. The treatment of the Bonds, and all Principal Advances thereto, as a single issue, reflects the economic substances of the transaction and does not avoid Section 103 or any of Sections 141 through 150 of the Internal Revenue Code of 1986, as amended, or the general purposes thereof.

(i) a certificate in the form attached hereto as *Exhibit A* executed by an Authorized Borrower Representative certifying, among other things, that 95% of the amount of the CLC to be acquired represents Qualified Project Costs, that purchase of such CLC is a proper charge against the Project Fund and the Reserve Fund, that the costs incurred by the Borrower are presently due and payable and have not been previously paid or requisitioned; and

(ii) the relevant CLC (which shall be delivered simultaneously with such interim advance).

The Bond Trustee shall review each CLC delivered to it in connection with the initial advance and each interim advance to ensure that (i) the amount of such CLC, when added to all previous CLCs issued to the Bond Trustee, does not exceed \$ \_\_\_\_\_, (ii) such CLC bears interest at the Pass-Through Rate, (iii) such CLC matures on \_\_\_\_\_, 20\_\_\_\_, and (iv) such CLC is delivered to the Bond Trustee by the last day of the month in which it was issued. With respect to the final CLC to be delivered to the Bond Trustee, the Bond Trustee shall also receive (i) a copy of the executed and approved Application for Insurance of Advances of Mortgage Proceeds pertaining to such final advance, (ii) a Schedule of Subscribers and GNMA Guaranty Agreement and (iii) written assurance from the GNMA Issuer that it will proceed to submit to GNMA-approved document custodian the finally endorsed Mortgage Note.

(c) Delivery of PLC. The Bond Trustee shall deliver as requested by the GNMA Issuer its authorization to cancel all CLCs held by it upon issuance by the GNMA Issuer and delivery to the Bond Trustee of the PLC on or before the PLC Delivery Date and upon receipt by the Bond Trustee of a Schedule of Subscribers and GNMA Guaranty Agreement and written assurance from the GNMA Issuer that it will proceed to submit to GNMA the finally endorsed Mortgage Note; provided, however, that the CLCs shall not be so cancelled if the principal balance of the Mortgage Note as of the PLC Delivery Date is less than the aggregate principal amount of such CLCs unless the GNMA Issuer has paid to the Bond Trustee, as a partial prepayment of such CLCs, an amount equal to the difference between the then current outstanding principal balance of the Mortgage Note as of the PLC Delivery Date and the aggregate principal amount of the CLCs.

The obligation of the Bond Trustee to acquire the PLC is subject to Section 4.03(b)(iv) of the Bond Indenture and receipt of the following documents:

(i) written evidence from the GNMA Issuer that the PLC will be issued to the Bond Trustee in the principal amount equal to the unamortized portion of the Mortgage Loan with a final maturity date no later than \_\_\_\_\_, 20\_\_\_\_, will be dated no later than the first day of the month in which the CLCs mature and will be delivered no later than the last day of the month in which it is issued and will bear interest at the Pass-Through Rate;

(ii) a Schedule of Subscribers and GNMA Guaranty Agreement [and a certificate of the GNMA Issuer to the effect that, to the best of the GNMA Issuer's knowledge, such Schedule of Subscribers and GNMA Guaranty Agreement has been duly authorized, executed and delivered by the GNMA Issuer, and constitutes a valid and binding obligation of the GNMA Issuer and GNMA and (B) the PLC upon its issuance will constitute a valid and binding obligation of GNMA, enforceable in accordance with its terms; and

(iii) a GNMA prospectus relating to the GNMA Security.

**Section 3.3 Payments by Borrower.** In addition to all payments required to be made with respect to the Mortgage Note, the Borrower agrees to make the following additional payments, to the extent not paid pursuant to the Mortgage Note:

(a) To the Bond Trustee on the date of delivery of the Bonds from other amounts received from Stifel, Nicolaus & Company, Incorporated in connection with the sale of the Bonds, [\$ \_\_\_\_\_] for deposit in the Reserve Fund.

(b) All taxes and assessments of any type or character charged to the Issuer or to the Bond Trustee affecting the amount available to the Issuer or the Bond Trustee to pay the principal of or interest on the Bonds or in any way arising due to the transactions contemplated hereby (including taxes and assessments assessed or levied by any public agency or governmental issuer of whatsoever character having power to levy taxes or assessments) but excluding franchise taxes based upon the capital and/or income of the Bond Trustee and taxes based upon or measured by the net income of the Bond Trustee; provided, however, that the Borrower shall have the right to protest any such taxes or assessments and to require the Issuer or the Bond Trustee, at the Borrower's expense, to protest and contest any such taxes or assessments assessed or levied upon them and that the Borrower shall have the right to withhold payment of any such taxes or assessments pending disposition of any such protest or contest unless such withholding, protest or contest would adversely affect the rights or interests of the Issuer or the Bond Trustee or the respective liens of the Bond Indenture or the Mortgage.

(c) The Bond Trustee Fee, the Issuer Fee, the Issuer's Legal Reserve, the Issuer's financial advisor fee, the City Administrative Fee, and the Rebate Analyst Fee;

(d) To the extent the amounts on deposit in the Bond Fund (and available to pay the Bond Trustee in accordance with Section 4.04 of the Bond Indenture) are insufficient to pay the Bond Trustee Fee, the fee of the dissemination agent under the Continuing Disclosure Agreement or the Rebate Analyst Fee, the Borrower shall, not later than five days after notification from the Bond Trustee of such deficiency, pay such amount to the Bond Trustee, the dissemination agent or the rebate analyst, as appropriate.

(e) All fees, expenses and responsibilities of the Borrower to the GNMA Issuer or the Borrower to FHA or GNMA in connection with the Mortgage Loan, which obligations shall be the obligations of the Borrower and shall not be the obligations of the Issuer.

(f) All fees and expenses required to obtain an extension of the PLC Delivery Date under Section 4.03(d) of the Indenture, and Borrower agrees to deposit with the Bond Trustee for deposit in the Bond Fund such required amounts at the time of the request for the extension.

(g) In the event the Borrower is in default under any provision of this Agreement, the Mortgage Loan Documents (subject to the nonrecourse, notice and cure provisions thereof) or the Land Use Restriction Agreement, to the Issuer, the Bond Trustee and the GNMA Issuer all reasonable fees and disbursements by such persons and their agents (including attorneys' fees and expenses) which are reasonably connected therewith or incidental thereto, except to the extent such fees and disbursements are paid from moneys available therefor under the Bond Indenture.

(h) Upon the written demand of the Bond Trustee, to the Bond Trustee, on behalf of the Issuer, any amount required to be rebated to the United States of America pursuant to Sections 4.07 and 5.06 of the Bond Indenture, to the extent that funds are not available therefor under the Bond Indenture; provided, however, that such obligation shall be payable from "Surplus Cash" (as defined in the HUD Regulatory Agreement) and from no other source. If "Surplus Cash" is not available for such purpose, the General Partner shall pay such amounts. The obligation of the General Partner to make such payments shall be a recourse obligation of the General Partner, and no lien or claim shall be made by such General Partner against the revenues and assets of the Project except from "Surplus Cash" to the extent available. The General Partner's obligation to make such payments shall be evidenced by the General Partner's execution and acceptance of this Agreement.

(i) Any amounts required to be paid in connection with the redemption of Bonds pursuant to Section 3.01 of the Bond Indenture.

**Section 3.4 Sufficiency of the Project Fund.** THE ISSUER DOES NOT MAKE ANY WARRANTY, EITHER EXPRESS OR IMPLIED, THAT THE MONEYS DEPOSITED UNDER THE BOND INDENTURE AND AVAILABLE FOR THE PURPOSES THEREIN SPECIFIED WILL BE SUFFICIENT TO PAY ALL OF THE COST THEREOF. The Borrower agrees that if after disbursement of all the moneys in the Project Fund, the Borrower should pay any cost relating to the Project, the Borrower shall not be entitled to any reimbursement therefor from the Issuer, the Bond Trustee, or the holders of the Bonds, except to the extent the Issuer has agreed in writing.

**Section 3.5 Investment of Moneys.** Any moneys held as part of the Project Fund, the Bond Fund, the Reserve Fund or the Costs of Issuance Fund under the Bond Indenture shall initially be invested and reinvested by the Bond Trustee in Qualified Investments, as provided in Section 4.08 of the Bond Indenture. The Borrower has reviewed those provisions of the Bond Indenture relating to investment of funds held under the Bond Indenture and the use of such investment earnings, and has directed the initial investment of funds deposited to the Project Fund, the Bond Fund, the Reserve Fund or the Costs of Issuance Fund, and hereby approves of the same. The Issuer, the Bond Trustee and the Borrower jointly and severally covenant (to the extent of their control over such matters) that the use of the proceeds of the Bonds, including any moneys held as part of any fund under the Bond Indenture and any other amounts received by

the Issuer in respect to property directly or indirectly financed with the proceeds of the Bonds and proceeds from interest earned on the investment and reinvestment of such fund and proceeds, shall be invested or otherwise used and shall be restricted in such manner and to such extent, if any, as may be necessary, after taking into account reasonable expectations at the time of issuance of the Bonds, so that the Bonds will not constitute "arbitrage bonds" within the meaning of Section 148 of the Code.

#### ARTICLE IV. ADDITIONAL COVENANTS AND AGREEMENTS

**Section 4.1 FHA Regulations Control.** In the event of any conflict between the provisions of this Agreement and the applicable rules and regulations of FHA, such rules and regulations of FHA shall control. In the event that the consent of FHA is required by such rules and regulations in order for the Issuer or the Bond Trustee to exercise any remedy hereunder, such consent shall be obtained prior to the exercise of such remedy.

**Section 4.2 Inspections.** All equipment, buildings, plans and specifications, offices, apparatus, devices, books, contracts, records, documents, and other papers relating to the Project shall at all times be maintained in reasonable condition for proper audit, and shall, upon at least 48 hours prior written notice and during regular business hours, be subject to examination and inspection at any reasonable time by the Issuer, the Bond Trustee or their authorized agents.

**Section 4.3 Reports and Information.** At the request of the Issuer or the Bond Trustee, their agents, employees or attorneys, the Borrower shall furnish to the Issuer and the Bond Trustee, concurrently with delivery to FHA or HUD, copies of any reports and information furnished to FHA or HUD pursuant to the Mortgage Loan Documents. Additionally, the Borrower shall furnish to the Issuer and the Bond Trustee, if so requested, such information as may be reasonably requested in writing from time to time relative to compliance by the Borrower with the provisions of this Agreement and the Land Use Restriction Agreement.

**Section 4.4 Assignment.** No transfer of title to the Project shall be made unless (1) FHA consents to such transfer, as long as the Mortgage Loan is insured or held by FHA, (2) the GNMA Issuer consents to such transfer, as long as the Mortgage Loan is outstanding, and (3) the transferee assumes all of the duties of the Borrower under this Agreement, the Continuing Disclosure Agreement, the Land Use Restriction Agreement and the Mortgage Loan Documents, provided that such assumption may contain an exculpation of the assignee from liability with respect to any obligation hereunder except for the General Partner's obligations under Section 3.3(h) hereunder. Upon the assumption of the duties of the Borrower, the Borrower shall be released from all executory obligations so assumed.

**Section 4.5 Use of Proceeds.** The Borrower shall not take any action or omit to take any action within its control, which action or omission would in any way cause the Bond Trustee to apply the proceeds from the sale of the Bonds in a manner contrary to that provided for in the Bond Indenture or the Mortgage Loan Documents.

**Section 4.6 Indemnification.**

(a) The Borrower hereby assumes liability for and at its expense agrees to indemnify, protect, have and keep harmless, the Issuer and the Bond Trustee, their respective successors, assigns, agents, advisors and servants ("Indemnified Persons"), from and against any and all liabilities, obligations, losses, damages, penalties, claims, actions, suits, costs, expenses and disbursements (including reasonable legal and paralegal fees and disbursements) of whatsoever kind and nature which arise out of or are based upon the alleged inaccuracy of information furnished to the Issuer or the Bond Trustee by the Borrower for inclusion in the Official Statement relating to the Bonds.

(b) The Borrower will pay, and will protect, indemnify and save the Indemnified Persons harmless from and against, any and all liabilities, losses, damages, costs and expenses (including reasonable attorneys' and paralegal fees and expenses of the Issuer), causes of action, suits, claims, demands and judgments of whatsoever kind and nature (including those arising or resulting from any injury to or death of any person or damage to property) arising out of the following, to the extent permitted by law:

- (i) the design, construction and installation of the Project;
- (ii) the use of the Project by the Borrower;
- (iii) violation by the Borrower of any agreement, warranty, covenant or condition of this Agreement, the Tax Regulatory Agreement, the Land Use Restriction Agreement or the Mortgage Loan Documents;
- (iv) violation by the Borrower of any other contract, agreement or restriction relating to the Project; and
- (v) violation by the Borrower of any law, ordinance, regulation or court order affecting the Project or the ownership, occupancy or use thereof.

(c) The Borrower will pay, and will protect, indemnify and save the Trustee harmless from and against, any and all liabilities, losses, damages, costs, and expenses (including reasonable attorneys' fees and expenses of the Bond Trustee), causes of action, suits, claims, demands and judgments of whatsoever kind and nature arising out of the violation by the Borrower of any agreement, warranty, covenant or condition of the Land Use Restriction Agreement, except when caused by the Bond Trustee's own negligence or willful misconduct or by the joint negligence or willful misconduct of the Bond Trustee and any other person (other than the Borrower and related entities).

(d) The Issuer or the Bond Trustee, as the case may be, shall notify the Borrower in writing of any claim or action brought against the Issuer or the Bond Trustee (or any of their respective Indemnified Persons), as the case may be, in respect of which indemnity may be sought against the Borrower, setting forth the particulars of such claim or action, and the Borrower will assume the defense thereof, including the employment of counsel, and the payment of all reasonable expenses. The Issuer or the Bond Trustee, as the case may be, may employ separate counsel in any such action and participate in the defense thereof. The fees and

expenses of such separate counsel so incurred shall be at the expense of the Borrower without regard to any authorization of such employment by the Borrower.

**Section 4.7 Fees.** Reference is hereby made to Section 7.07 of the Bond Indenture which sets forth the compensation and reimbursement to which the Bond Trustee is entitled for ordinary fees and expenses. The Borrower agrees to pay, whether out of the proceeds of the Mortgage Loan or other funds, the fees and reasonable expenses of the Bond Trustee (to the extent not paid in accordance with Section 7.07 of the Bond Indenture), the rebate analyst and the dissemination agent (including the reasonable fees and expenses of their counsel) in connection with the issuance of the Bonds and the performance of their duties in connection with the transactions contemplated hereby, including, without limitation, all costs of recording and filing, to the extent such fees and expenses are not otherwise paid from the Costs of Issuance Fund in accordance with Section 4.06 of the Bond Indenture. All such amounts shall be paid directly to the parties entitled thereto for their own account as and when such amounts become due and payable. The Borrower will also pay any reasonable expenses in connection with any redemption of the Bonds. Specifically, and without limiting the foregoing, the Borrower agrees to pay to the Issuer or to any payee designated by the Issuer, within 30 days after receipt of request for payment thereof, all expenses of the Issuer related to the Project and the financing thereof which are not paid from the funds held under the Bond Indenture, including, without limitation, legal fees and expenses incurred in connection with the interpretation, performance, enforcement or amendment of any documents relating to the Project or the Bonds or in connection with questions or other matters arising under such documents.

The obligations of the Borrower under this Section shall survive the termination of this Agreement and the payment and performance of all of the other obligations of the Borrower hereunder and under the Mortgage Loan Documents, the Tax Regulatory Agreement and the Land Use Restriction Agreement.

**Section 4.8 Establishment of Completion Date.** Within 60 days after the Completion Date, the Borrower shall furnish to the Issuer and the Bond Trustee a certificate stating that the Project has been completed.

**Section 4.9 Continuing Disclosure.** The Borrower hereby covenants and agrees to enter into and comply with the provisions of the Continuing Disclosure Agreement. Notwithstanding any other provision of this Agreement, failure of the Borrower to comply with the Continuing Disclosure Agreement shall not be considered an event of default under this Agreement; however, the Bond Trustee, at the written request of the Holders of at least 25% aggregate principal amount of Outstanding Bonds, shall (only to the extent the Bond Trustee has been provided indemnity satisfactory to it from any costs, liabilities or expenses, including reasonable fees and expenses of its attorneys), or any Bondholders may, take such actions as may be necessary and appropriate, including seeking mandamus or specific performance by court order, to cause the Borrower to comply with its obligations pursuant to this Section 4.9.

**Section 4.10 Recordation and Filing.** The Borrower shall cause financing statements with respect to the Trust Estate described in the Bond Indenture to be at all times filed in such manner and in such places if required by law in order to fully preserve and protect the rights of the Issuer and the Bond Trustee hereunder and to perfect the security interest created by the Bond Indenture in the Trust Estate described herein. To the extent possible under applicable law, as in the effect in the jurisdiction(s) in which the Trust Estate is located, the Borrower will maintain the priority of the security interest herein created in the Trust Estate as a first lien thereon, and warrant, protect, preserve and defend its interest in the Trust Estate and the security interest of the Bond Trustee herein and all rights of the Bond Trustee under the Bond Indenture against all actions proceedings, claims and demands of all Persons, all paid for by the Borrower.

**Section 4.11 Purchase of Issuer's Bonds.** The Borrower agrees that neither it, nor any "related person" (within the meaning of the Code) will acquire, pursuant to any arrangement, formal or informal, any of the Bonds in an amount related to the amount of the Mortgage Loan to be funded by the Issuer for the Borrower.

#### **ARTICLE V. EVENTS OF DEFAULT; REMEDIES**

**Section 5.1 Events of Default; Remedies.** Upon violation of any of the provisions of this Agreement by the Borrower, the Issuer or the Bond Trustee shall give written notice thereof to the Borrower by messenger, overnight courier or registered or certified mail, postage prepaid, return-receipt requested. If such violation is not corrected or action commenced and diligently pursued to effect such correction to the reasonable satisfaction of the Issuer and the Bond Trustee within 30 days after the date such notice is received by Borrower, or within such further time as the Issuer or the Bond Trustee permits, which permission shall not be unreasonably withheld, without further notice the Issuer or the Bond Trustee may declare a default under this Agreement effective on the date of such declaration of default, and upon such default the Issuer or the Bond Trustee may apply to any state or federal court having jurisdiction for specific performance of this Agreement, for an injunction against any violation of this Agreement, for the appointment of a receiver to take over and operate the Project in accordance with the terms of this Agreement, or for such other relief in law or equity as may be appropriate, since the injury to the Issuer and the Bond Trustee arising from a default under any of the terms of this Agreement would be irreparable, and the amount of damage would be difficult to ascertain; provided, however, that nothing herein is intended to affect or extend any period of time established by the Mortgage or to impose any personal liability upon the Borrower or any of the partners of the Borrower or to constitute a default under the Mortgage Loan Documents, except as provided therein.

The prevailing party in any suit, in law or equity, against the Borrower with respect to any breach of this Agreement shall be entitled to reimbursement from the other party to such suit for all attorneys' fees and disbursements of the prevailing party reasonably connected therewith or incidental thereto except, in the case of fees and disbursements due the Issuer or the Bond Trustee, to the extent such attorneys' fees are paid from moneys available therefor under the Bond Indenture.

## ARTICLE II

### CREATION OF NOTES; DETAILS OF THE NOTES

**Section 2.01 Issuance of Notes.** The Notes shall be issued in the maximum aggregate principal amount of \$ \_\_\_\_; shall be designated “Multi-Family Housing Revenue Notes (Paul G. Stewart Apartments Phase III Tower Project), Series 2016”; shall be issued only as fully registered notes, without coupons; and shall be in Authorized Denominations. Unless the Issuer shall otherwise direct, the Notes shall be numbered from R-1 upward.

Each Note shall be in the form attached as *Exhibit A* to this Note Indenture, shall be dated the Dated Date, and shall bear interest from the Dated Date until paid at the fixed rate of [\_\_\_%] per annum (the "Interest Rate").

Interest on the Notes is payable on each \_\_\_\_\_ and \_\_\_\_\_, commencing on \_\_\_\_\_, 201\_\_ (the "Interest Payment Dates"). Interest on the Notes shall be calculated on the basis of a 360-day year of twelve 30-day months.

The stated maturity of the Notes shall be \_\_\_\_\_, 20\_\_.

**Section 2.02 Payment of Notes.** Payment of principal, premium, if any, and interest shall be made in lawful money of the United States of America. Principal of and premium, if any, on the Notes due upon maturity or earlier redemption in whole shall be paid only upon presentation and surrender thereof for cancellation at the principal corporate trust office of the Note Trustee to the Person appearing on the registration books as the registered Holder thereof. Payment of the interest and principal (other than as set forth above) on any Note shall be made to the Person whose name appears on the Note Register as the registered Holder thereof as of the close of business on the Regular Record Date applicable to such Interest Payment Date, such interest to be paid by check or draft mailed to such registered Holder at his or her address as it appears on such Note Register, notwithstanding the cancellation of such Note upon any registration of transfer or exchange thereof subsequent to such Regular Record Date and prior to such Interest Payment Date; provided, however, that payment of interest on any Interest Payment Date shall be made by wire transfer to the Holder as of the close of business on the Regular Record Date upon written notice of such wire transfer address in the continental United States of America by such Holder to the Note Trustee given prior to such Regular Record Date (which notice may provide that it will remain in effect until revoked), and further provided that such wire transfer shall only be made with respect to an owner of \$1,000,000 or more in aggregate principal amount of the Notes as of the close of business on the Regular Record Date relating to such Interest Payment Date.

If the funds available under this Note Indenture are insufficient on any Interest Payment Date to pay the interest then due, the Regular Record Date shall no longer be applicable with respect to the Notes. If sufficient funds for the payment of such overdue interest thereafter become available, the Trustee shall immediately establish a special interest payment date for the payment of the overdue interest and a Special Record Date (which shall be a Business Day) for determining the Holders entitled to such payments. Notice of such day so established shall be given by first-class mail by the Note Trustee to each Holder at least 10 days prior to the Special Record Date, but not more than 30 days prior to the special interest payment date. The overdue interest shall be paid on the special interest payment date to the Person whose name appears on the Note Register as the Registered Holder thereof as of the close of business on the Special Record Date. Prior Holders of Notes who transfer or exchange Notes prior to such Special Record Date shall have no rights with respect to the payment of overdue interest on the Notes so transferred or exchanged.

**Section 2.03 Restriction on Issuance of Notes.** No Notes may be issued under the provisions of this Note Indenture except in accordance with this Article. The total principal amount of Notes that may be issued hereunder, other than Notes issued pursuant to the

provisions of Sections 2.08 and 2.10 hereof or in substitution for other Notes, is expressly limited to the amount set forth in Section 2.01.

**Section 2.04 Limited Obligations.** The Notes and the interest thereon are limited obligations of the Issuer, payable solely from the revenues, receipts and security pledged therefor in the Granting Clauses hereof. The Notes, together with premium, if any, and interest thereon, do not constitute an indebtedness, liability, general or moral obligation or a pledge of the full faith or loan of credit of the Issuer, the State, or any political subdivision of the State within the meaning of any constitutional or statutory provisions. Neither the Issuer, the State nor any political subdivision thereof shall be obligated to pay the principal of, premium, if any, or interest on the Notes or other costs incident thereto except from the payments pledged with respect thereto and certain reserve funds established in connection therewith. Neither the faith and credit nor the taxing power of the United States of America, the Issuer, the State or any political subdivision thereof is pledged to the payment of the principal of, premium, if any, or interest on the Notes or other costs incident thereto. The Notes are not a debt of the United States of America or any agency thereof, and are not guaranteed by the United States of America or any agency thereof.

**Section 2.05 Note Indenture Constitutes Contract.** In consideration of the purchase and acceptance of the Notes issued hereunder by those who shall hold them from time to time, the provisions of this Note Indenture shall be deemed to be a part of, and continue to be, a contract between the Issuer and the Holders of the Notes from time to time.

**Section 2.06 Execution.** The Notes shall be executed on behalf of the Issuer by the manual or facsimile signature of its Mayor, attested by the manual or facsimile signature of its City Clerk, under the official seal, or a facsimile thereof, of the Issuer. Any facsimile signatures shall have the same force and effect as if said officers had manually signed said Notes. Any reproduction of the official seal of the Issuer on the Notes shall have the same force and effect as if the official seal of the Issuer had been impressed on the Notes.

In case any officer whose manual or facsimile signature shall appear on any Notes shall cease to be such officer before the delivery of such Notes, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes, the same as if he had remained in office until delivery, and also any Note may bear the facsimile signatures of, or may be signed by, such persons as at the actual time of the execution of such Note shall be the proper officers to sign such Note although at the date of such Note such persons may not have been such officers.

**Section 2.07 Authentication.** Only such Notes as shall have endorsed thereon a certificate of authentication substantially in the form on the attached *Exhibit A* set forth duly executed by the Note Trustee shall be entitled to any right or benefit under this Note Indenture. No Note shall be valid or obligatory for any purpose unless and until such certificate of authentication shall have been duly executed manually by the Note Trustee; and such executed certificate upon any such Note shall be conclusive evidence that such Note has been authenticated and delivered under this Note Indenture. The Note Trustee's certificate of authentication on any Note shall be deemed to have been executed by it if signed by an authorized officer of the Note Trustee, but it shall not be necessary that the same person sign the certificate of authentication of all of the Notes.

**Section 2.08 Mutilated, Lost, Stolen or Destroyed Notes.** In the event any Note is mutilated, lost, stolen or destroyed, the Issuer shall execute and the Note Trustee shall authenticate a new Note, of like date, interest rate, maturity and denomination as that mutilated, lost, stolen or destroyed. Any mutilated Note shall first be surrendered to the Note Trustee; and in the case of any lost, stolen or destroyed Notes, there shall first be furnished to the Issuer and the Note Trustee evidence of such loss, theft or destruction reasonably satisfactory to them together with indemnity reasonably satisfactory to them. In the event any such Note shall have matured, instead of issuing a duplicate Note or Notes the Trustee may pay the same without surrender thereof. The Issuer and the Note Trustee may charge the holder or owner of such Note with their reasonable fees and expenses, including the cost of printing replacement Notes.

Every new Note issued pursuant to this Section shall, with respect to such Note, constitute an additional contractual obligation of the Issuer, whether or not the mutilated, lost, stolen or destroyed Note shall be found at any time, and shall be entitled to all the benefits of this Note Indenture equally and proportionately with any and all other Notes duly issued hereunder. All Notes shall be held and owned on the express condition that the foregoing provisions of this Section are exclusive with respect to the replacement or payment of mutilated, lost, stolen or destroyed Notes and shall preclude any and all rights or remedies, notwithstanding any law or statute existing or hereafter enacted to the contrary with respect to the replacement or payment of negotiable instruments or other securities without their surrender.

**Section 2.09 Transfer and Exchange of Notes; Persons Treated as Holders.** The Note Trustee as Note Registrar shall cause a note register (herein sometimes referred to as the "Note Register") to be kept for the registration of transfers of Notes. Any Note may be transferred only upon an assignment duly executed by the registered Holder or his or her duly authorized representative in such form as shall be satisfactory to the Note Registrar, and upon surrender of such Note to the Note Trustee for cancellation. Whenever any Note or Notes shall be surrendered for transfer, the Issuer shall execute and the Note Trustee shall authenticate and deliver to the transferee a replacement fully registered Note or Notes of Authorized Denomination in an aggregate principal amount equal to the unmatured and unredeemed principal amount of, and bearing interest at the same rate and maturing on the same date or dates as, the Notes being presented and surrendered for transfer.

Any Note may, in accordance with its terms, be exchanged, at the office of the Note Trustee, for a new fully registered Note or Notes, of the same maturity, of any Authorized Denomination or Denominations in an aggregate principal amount equal to the unmatured and unredeemed principal amount of, and bearing interest at the same rate as, the Notes being exchanged.

In all cases in which Notes shall be transferred or exchanged hereunder, the Note Trustee may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such transfer or exchange.

All Notes issued upon any transfer or exchange of Notes shall be the valid limited obligations of the Issuer, evidencing the same debt, and entitled to the same benefits under this Note Indenture, as the Notes surrendered upon transfer or exchange. Neither the Issuer nor the Note Trustee shall be required to make any exchange or transfer of a Note during a period

beginning at the opening of business 15 days before (i) any Interest Payment Date (including any special interest payment date described in Section 2.02 hereof), or (ii) the day of the mailing of a notice of redemption of Notes and ending at the close of business on the day of such mailing or such Interest Payment Date, or to transfer or exchange any Notes selected for redemption, in whole or in part.

The Person in whose name any Note shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes and payment of or on account of the principal of and premium and interest on any such Note shall be made only to or upon the order of the registered Holder thereof or his legal representative, and neither the Issuer nor the Note Trustee shall be affected by any notice to the contrary. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Note to the extent of the sum or sums to be paid.

**Section 2.10 Temporary Notes.** Until definitive Notes are ready for delivery, there may be executed, and upon the request of the Issuer, the Note Trustee shall authenticate and deliver, in lieu of definitive Notes, temporary printed, typewritten, engraved or lithographed Notes, in such Authorized Denomination as shall be determined by the Issuer, in fully registered form, in substantially the tenor hereinabove set forth and with such appropriate omissions, insertions and variations as may be required.

If temporary Notes shall be issued, the Issuer shall cause the definitive Notes to be prepared and to be executed and delivered to the Note Trustee, and the Note Trustee, upon presentation to it at its principal corporate trust office of any temporary Notes, shall cancel the same and authenticate and deliver in exchange therefor, without charge to the holder or owner thereof, a definitive Note or Notes, as the case may be, of an equal aggregate principal amount in Authorized Denominations, of the same series and maturities and bearing interest at the same rates as the temporary Note surrendered. Until so exchanged, the temporary Notes shall in all respects be entitled to the same benefit and security of this Note Indenture as the definitive Notes to be issued and authenticated hereunder. Interest on temporary Notes, when due and payable, if the definitive Notes shall not be ready for exchange, shall be paid in the manner provided in Section 2.02 hereof.

**Section 2.11 Safekeeping and Cancellation of Notes.** Any Note surrendered for the purpose of payment or retirement, or for exchange, or for replacement or payment pursuant to Section 2.08, shall be cancelled upon surrender thereof to the Note Trustee. Certification of such surrender and cancellation shall be made to the Issuer by the Note Trustee. Cancelled Notes, or unissued Note inventory held in blank by the Note Trustee upon the maturity or total redemption of the Notes, shall be destroyed by shredding or cremation by the Note Trustee, and certificates of such destruction (describing the manner thereof) shall be provided by the Note Trustee to the Issuer.

**Section 2.12 Book-Entry Provisions.** The provisions of this Section shall apply so long as the Notes are maintained in book-entry form with The Depository Trust Company or another Securities Depository, any provisions of this Note Indenture to the contrary notwithstanding.

(a) *Payments.* The Notes shall be payable to the Securities Depository, or its nominee, as the registered owner of the Notes, on each date on which the principal of, interest on, and premium, if any, on the Notes is due as set forth in this Note Indenture and in the Notes. Such payments shall be made to the offices of the Securities Depository specified by the Securities Depository to the Issuer and the Note Trustee in writing. Without notice to or the consent of the beneficial owners of the Notes, the Issuer and the Securities Depository may agree in writing to make payments of principal, premium, if any, and interest in a manner different from that set forth herein. If such different manner of payment is agreed upon, the Issuer shall give the Note Trustee notice thereof, and the Note Trustee shall make payments with respect to the Notes in the manner specified in such notice as set forth herein. Neither the Issuer nor the Note Trustee shall have any obligation with respect to the transfer or crediting of the principal of, interest on, and premium, if any, on the Notes to Participants or the beneficial owners of the Notes or their nominees.

(b) *Replacement of the Securities Depository.* The Issuer may, and in the case of subparagraph (ii) below shall, discontinue use of a Securities Depository as the depository of the Notes if (i) the Issuer, in its sole discretion, determines that (A) such Securities Depository is incapable of discharging its duties with respect to the Notes, or (B) the interest of the beneficial owners of the Notes might be adversely affected by the continuation of the book-entry system with such Securities Depository as the depository for the Notes, (ii) the beneficial owners of 100% of the Notes Outstanding direct the Issuer to do so, or (iii) such Securities Depository determines not to continue to act as a depository for the Notes or is no longer permitted to act as such depository. Notice of any determination pursuant to clauses (i), (ii) or (iii) shall be given to such Securities Depository at least 30 days prior to any such determination (or such fewer number of days as shall be acceptable to such Securities Depository). The Issuer shall have no obligation to make any investigation to determine the occurrence of any events that would permit the Issuer to make any determination described in this paragraph.

(c) *Discontinuance of Book-Entry or Change of Securities Depository.* If, following a determination or event specified in paragraph (b) above, the Issuer discontinues the maintenance of the Notes in book-entry form with the then current Securities Depository, the Issuer will issue replacement Notes to the successor Securities Depository, if any, or, if no replacement Securities Depository is selected for the Notes, directly to the participants in the former Securities Depository as shown on the records of the former Securities Depository or, to the extent requested by any such participant or if directed to do so by the beneficial owners of 100% of the Notes Outstanding pursuant to subparagraph (b)(ii) above, to the beneficial owners of the Notes shown on the records of such Participant. Replacement Notes shall be in fully registered form and in authorized denominations, be payable as to interest on the Interest Payment Dates of the Notes by check or draft mailed to each registered owner at the address of such owner as it appears on the note registration books maintained by the Note Registrar for such purpose at the principal corporate trust office of the Note Trustee or at the option of any registered owner of not less than \$1,000,000 principal amount of Notes, by wire transfer to any address in the continental United States of America on such Interest Payment Date to such registered owner as of the Regular Record Date relating to such Interest Payment Date, if such registered owner provides the Note Trustee with written notice of such wire transfer address not later than such Regular Record Date (which notice may provide that it will remain in effect with respect to subsequent Interest Payment Dates unless and until changed or revoked by subsequent

notice). Principal and redemption premium, if any, on the replacement Notes are payable at maturity or earlier redemption only upon presentation and surrender of such replacement Note or Notes at the principal corporate trust office of the Note Trustee.

(d) *Effect of Book-Entry System.* The Securities Depository and its Participants and the beneficial owners of the Notes, by their acceptance of the Notes, agree that the Issuer and the Note Trustee shall not have liability for the failure of such Securities Depository to perform its obligations to the Participants and the beneficial owners of the Notes, nor shall the Issuer or the Note Trustee be liable for the failure of any Participant or other nominee of the beneficial owners to perform any obligation of the Participant to a beneficial owner of the Notes.

**Section 2.13 Delivery of the Notes.** Upon execution and delivery of this Note Indenture, the Note Trustee shall authenticate and deliver the Notes as provided in this Note Indenture, but only upon the receipt of the following:

- (a) An order of the Issuer directing the Note Trustee to authenticate and deliver the Notes against receipt of the initial purchase price therefor;
- (b) A certified copy of the Ordinance;
- (c) An approving opinion of Bond Counsel regarding the validity of the Notes and the exclusion of interest on the Notes from federal income taxation;
- (d) An executed copy of the Loan Agreement;
- (e) An executed copy of the Tax Regulatory Agreement;
- (f) An executed counterpart of the Continuing Disclosure Agreement; and
- (g) Evidence of recordation of the Land Use Restriction Agreement (which may be in the form of a title company certified copy).

THE NOTES, THE PRINCIPAL OF AND THE INTEREST THEREON ARE SPECIAL LIMITED OBLIGATIONS OF THE ISSUER PAYABLE SOLELY FROM THE TRUST ESTATE PLEDGED TO SUCH PURPOSES IN THE MANNER AND TO THE EXTENT PROVIDED IN THIS NOTE INDENTURE AND FROM NO OTHER REVENUES OR ASSETS OF THE ISSUER. THE NOTES, THE PRINCIPAL OF AND THE INTEREST THEREON DO NOT CONSTITUTE AN INDEBTEDNESS OR OBLIGATION OF THE CITY OR THE STATE, AND NEITHER THE FAITH AND CREDIT NOR THE TAXING POWER OF THE CITY OR THE STATE IS PLEDGED TO THE PAYMENT OF PRINCIPAL OF OR INTEREST ON THE NOTES.

### ARTICLE III

#### REDEMPTION OF NOTES

**Section 3.01 Redemption of Notes.** The Notes are subject to redemption as follows:

Optional Redemption of Notes. The Notes are subject to redemption in whole or in part on any date on or after the later of \_\_\_\_, 20\_\_ or the LIHTC Placed in Service Date, at the option and the direction of the Borrower, at a redemption price equal to 100% of the principal amount thereof to be redeemed, plus accrued interest to the redemption date.

**Section 3.02 Notices of Redemption.** (a) All or a portion of the Notes shall be called for optional redemption pursuant to Section 3.01 hereof by the Note Trustee as herein provided upon receipt by the Note Trustee and the Issuer at least 45 days prior to the redemption date (unless a shorter notice shall be satisfactory to the Note Trustee and the Issuer) of a certificate of the Borrower specifying the principal amount of the Notes to be called for redemption, the applicable redemption price or prices, and the provision or provisions of this Indenture pursuant to which such Notes are to be called for redemption. In the case of every redemption, the Note Trustee shall cause notice of such redemption by mailing by first-class mail a copy of the redemption notice to the Holders designated for redemption in whole or in part, at their addresses as the same shall last appear upon the registration records, in each case not more than 60 nor less than 30 days prior to the redemption date, provided, however, that failure to receive such notice, or any defect therein, shall not affect the validity of any proceedings for the redemption of such Notes. So long as the Notes are in book-entry form, notice of redemption will be given by the Note Trustee only to DTC or its successor. Redemption is conditioned upon the Note Trustee having on deposit in the Project Fund, the Capitalized Interest Account and the Collateral Fund, prior to the redemption date, sufficient moneys to redeem all of the Notes, and if the Note Trustee does not have sufficient funds for this purpose, no Notes shall be redeemed. The Note Trustee shall furnish the Borrower and the Issuer with a copy of each notice of redemption given with respect to any optional redemption under Section 3.01 hereof, as soon as practicable after the delivery of notice to the Holders.

(b) Each notice of redemption shall specify the date fixed for redemption, the redemption price, the place or places of payment, that payment will be made upon presentation and surrender of the Notes to be redeemed, that interest accrued to the date fixed for redemption will be paid as specified in said notice, and that on and after said date interest thereon will cease to accrue. If less than all the Outstanding Notes are to be redeemed, the notice of redemption shall specify the numbers of the Notes or portions thereof to be redeemed.

#### ARTICLE IV

##### REVENUES AND FUNDS

**Section 4.01 Creation of Funds.** The following trust funds are hereby created by the Issuer and ordered established with the Note Trustee to be used for the purposes as hereinafter provided in this Note Indenture:

- (a) The Capitalized Interest Fund;
- (b) The Project Fund (including an Earnings Account therein);
- (c) The Note Payment Fund;
- (d) The Collateral Fund; and

(e) The Cost of Issuance Fund.

The Note Trustee may create one or more accounts or subaccounts within any fund authorized by this Note Indenture for the purpose of accounting for funds deposited into or held in each fund or for carrying out any of the requirements of this Note Indenture. The Note Trustee may transfer funds between accounts and subaccounts within any fund.

**Section 4.02 Deposits into and Uses of Amounts in the Capitalized Interest Fund.** On the Closing Date, the Note Trustee shall deposit the portion of the initial proceeds of the Notes representing a premium on the Notes (\$ \_\_\_\_\_) in the Capitalized Interest Fund. Such amount will be equal to the interest to accrue on the Notes from their dated date to the date of their maturity and will be invested pursuant to Section 6.01 hereof. The amount on deposit in the Capitalized Interest Fund shall always equal the remaining interest payable on the Notes to their maturity date. All interest on the Notes shall be paid from the Capitalized Interest Fund. Amounts in the Capitalized Interest Fund will be used to pay interest on the Notes on each Interest Payment Date and upon maturity or prior redemption of the Notes or upon acceleration thereof. Any amounts remaining in the Capitalized Interest Fund upon redemption of the Notes shall be transferred by the Note Trustee to the Project Fund and may be used by the Borrower for approved Project costs, as provided in Section 5.02 below.

**Section 4.03 Deposits into and Uses of Amounts in the Project Fund.** On the Closing Date, the Note Trustee shall deposit the portion of the initial proceeds of the Notes in the amount of \$ \_\_\_\_\_ in the Project Fund. Such amount will be loaned to the Borrower, upon requisition by the Borrower to the Note Trustee for such amounts, on a monthly basis, as provided in the Loan Agreement. Each requisition will occur on a Project Draw Date, as described in Section 5.02, below. On the Closing Date, the Note Trustee shall deposit the portion of the initial proceeds of the Notes representing accrued interest thereon, if any, in the Earnings Account of the Project Fund. Amounts in the Project Fund and the Earnings Account will be invested pursuant to Section 6.01 hereof. Earnings on amounts in the Project Fund, the Capitalized Interest Fund, and the Collateral Fund shall be deposited in the Earnings Account of the Project Fund.

**Section 4.04 Note Payment Fund.** Upon the maturity date or prior redemption or acceleration of the Notes, the following amounts will be transferred to the Note Payment Fund and used to pay the principal amount of the Notes: (a) The amount on deposit in the Collateral Fund, and (h) any unexpended proceeds of the Notes on deposit in the Project Fund.

**Section 4.05 Non-Presentation of Notes.** Subject to the provisions of Section 10.21 hereof, in the event any Notes shall not be presented for payment when the principal thereof becomes due, either at maturity or otherwise, if funds sufficient to pay such Notes shall have been made available to the Note Trustee for the benefit of the Holder or Holders thereof, all liability of the Issuer to the Holder thereof for the payment of such Note shall forthwith cease, terminate and be completely discharged, and thereupon it shall be the duty of the Note Trustee to hold such fund or funds, without liability for interest thereon, for the benefit of the Holder of such Note, who shall thereafter be restricted exclusively to such fund or funds, for any claim of whatever nature on its part under the Indenture or on, or with respect to, such Note. Any such Notes shall cease to bear interest on the specified maturity and such Notes or portions thereof

shall no longer be protected by or subject to the benefit or security of this Note Indenture and shall not be deemed to be outstanding under the provisions of this Note Indenture.

**Section 4.06 Deposits into and Uses of Amounts in the Collateral Fund.** Not less than one (1) day prior to each disbursement of proceeds of the Notes from the Project Fund, the Borrower shall cause to be deposited with the Note Trustee pursuant to the Redevelopment Agreement, and the Note Trustee, upon receipt thereof, will deposit into the Collateral Fund an amount of TIF-Related Amounts sufficient, when added to the TIF-Related Amounts and other funds then on deposit in the Collateral Fund, to satisfy the requirement of Section 4.07 after taking into account such disbursement of proceeds of the Notes from the Project Fund.

**Section 4.07 Collateral Fund Limitations and Requirements.** At all times, the amount of funds on deposit in the Collateral Fund, when added to the amount of proceeds of the Notes remaining in the Project Fund, will equal or exceed the principal amount of the Notes. TIF-Related Amounts made available to the Project pursuant to the Redevelopment Agreement will only be deposited into the Collateral Fund; such amounts will not be paid to the Borrower or any other third party.

**Section 4.08 Collateral Fund Deposit Irrevocable.** The deposit of the TIF-Related Amounts and other funds into the Collateral Fund shall constitute an irrevocable deposit with the Note Trustee for the respective benefit of the owners of the Notes. All amounts in the Collateral Fund and the Note Payment Fund shall be the exclusive property of the Note Trustee for the benefit of the Owners of the Notes.

Neither the Note Payment Fund nor the Collateral Fund, or investments thereof, shall constitute the funds or property of the Issuer or the Borrower. Each of the Issuer and the Borrower waive any right to or interest in the Note Payment Fund, the Collateral Fund, and investments thereof. Neither the Issuer nor the Borrower shall have the right to direct the disposition of any funds or property on deposit in or credited to the Note Payment Fund or the Collateral Fund.

**Section 4.09 Use of Collateral Fund Moneys to Pay Principal of the Notes.** Upon the maturity of the Notes, upon redemption prior to maturity, or upon acceleration, the amount on deposit in the Collateral Fund shall be transferred to the Note Payment Fund and used to pay the principal amount of the Notes.

**Section 4.10 Costs of Issuance Fund.** On the Closing Date, the Note Trustee shall deposit the Costs of Issuance Deposit in the Costs of Issuance Fund to pay Costs of Issuance from amounts available therein upon the written direction of the Issuer, which costs of issuance shall not exceed the amounts set forth in a certificate of the Issuer. Any funds remaining in the Costs of Issuance Fund more than one hundred eighty (180) days after the Closing Date, and not specifically committed to the payment of Costs of Issuance, shall be paid to the Borrower to the extent such funds are not Note Proceeds or otherwise restricted funds. If such remaining funds are Note Proceeds or otherwise restricted funds, such funds shall be deposited by the Note Trustee into the Note Payment Fund.

**Section 4.11 Payment of Fees.** In connection with the issuance of the Notes and with the Project, the Trustee will pay the following fees on behalf of the Borrower:

(a) To the Issuer, an Issuer Fee in an amount equal to 1.5% of the par amount of the Notes, payable on the Closing Date from Borrower equity;

(b) To the Issuer, a Bond Legal Reserve Fee in an amount equal to 0.10% of the par amount of the Notes, payable on the Closing Date from Borrower equity; and

(c) To the Issuer, a City Administrative Fee in an amount equal to 0.15% annually of the outstanding principal of the Notes, accruing monthly and payable to the Issuer for the full term of the Notes on the Closing Date from Borrower equity; and

(d) To the Note Trustee, an upfront fee in the amount of \$3,000 and an annual fee in the amount of \$2,000 for two years, all of which will be paid on the Closing Date from Borrower equity.

## ARTICLE V

### CUSTODY AND APPLICATION OF NOTE PROCEEDS

**Section 5.01 Custody of Funds.** The Capitalized Interest Fund, the Project Fund, the Collateral Fund and the Note Payment Fund shall be in the custody of the Note Trustee but in the name of the Issuer, and the Issuer hereby authorizes and directs the Note Trustee to use the amounts on deposit in the Capitalized Interest Fund, the Project Fund, the Collateral Fund and the Note Payment Fund for the purposes set forth in Article IV.

**Section 5.02 Procedure for Making Disbursements from Project Fund.** Each disbursement from the Project Fund shall be made on a Project Draw Date solely to pay eligible rehabilitation costs of the Project and only upon the receipt by the Note Trustee of (1) a request or requests therefor executed by the Borrower, upon requisition forms in substantially the form attached as Exhibit B hereto, (2) certification by a Borrower Representative that such costs are qualified costs pursuant to Section 142 of the Code, and (3) confirmation by the Note Trustee that an amount equal to the amount requested to be disbursed from Note proceeds has been received by the Note Trustee and deposited as required in this Note Indenture in the Collateral Fund. Draws made from the Earnings Account shall require only items (1) and (2) above. Each requisition shall evidence disbursements in accordance with Exhibit B attached hereto from (i) the Project Fund, (ii) the Earnings Account, and/or (iii) the Costs of Issuance Fund.

All disbursements from the Project Fund will be made by the Note Trustee directly to Title Services, Inc. as escrowee administering the construction loan escrow, which shall disburse such funds pursuant to such escrow to the Borrower or to the Contractor or any other contractor or supplier or other party entitled to payment for which payment is requested by the Borrower, as Borrower may request, and shall not be made more frequently than once per month.

The Note Trustee and the Issuer shall not in any event be responsible or liable to any person (other than the Borrower, but only in the case of the Note Trustee and only in the event of a failure by the Note Trustee to make disbursements following request for disbursements in

accordance with the Documents, when such failure is within the Note Trustee's control, and after notice of such failure and a 3-day opportunity to cure such failure) for the disbursement of, or failure to disburse, moneys from the Project Fund, or any part thereof, and no contractor, subcontractor or material or equipment supplier shall have any right or claim against the Note Trustee or the Issuer under this Note Indenture.

The proceeds of the Notes shall be used or deemed used exclusively to pay costs that (i) are (A) capital expenditures (as defined in Section 1.150-1(a) of the Code's regulations) and (B) not made for the acquisition of existing property, to the extent prohibited in Section 147(d) of the Code, and (ii) are made exclusively with respect to a "qualified residential rental project" within the meaning of Section 142(d) of the Code and that for the greatest number of buildings the proceeds of the Notes shall be deemed allocated on a pro rata basis to each building in the Project and the land on which it is located so that each building and the land on which it is located will have been financed fifty percent (50%) or more by the proceeds of tax-exempt obligations for the purpose of complying with Section 42(h)(4)(B) of the Code; provided, however, the foregoing representation, covenant and warranty is made for the benefit of the Borrower and its partners and neither the Note Trustee nor the Issuer shall have any obligation to enforce this covenant nor shall they incur any liability to any person, including without limitation, the Borrower, the partners of the Borrower, any other affiliate of the Borrower or the Holders of the Notes for any failure to meet the intent expressed in the foregoing representation, covenant and warranty; and provided further, failure to comply with this representation, covenant and warranty shall not constitute a default or Event of Default under this Note Indenture.

**Section 5.03 Note Trustee May Rely on Requisitions and Certifications.** In making any such disbursement from the Project Fund, the Note Trustee may rely on any requests and confirmations delivered to it pursuant to Section 5.02 hereof, and the Note Trustee shall be relieved of all liability with respect to making such payments in accordance with such requests and confirmations.

**Section 5.04 Completion of Project.** The completion of the Project and the payment of all costs and expenses incident thereto shall be evidenced for the Project by the filing with the Note Trustee of (a) the certificate of the Borrower Representative required by the provisions of Section 3.05 of the Loan Agreement and (b) a certificate signed by the Borrower Representative stating that all obligations and costs in connection with the Project and payable out of the Project Fund have been paid and discharged except for amounts for the payment of costs of the Project not then due and payable or then in dispute and that all of the dwelling units in the Project have been placed in service for tax credit purposes; provided, however, that no amounts necessary to pay principal and interest on the Notes at maturity shall be held by the Trustee in the Project Fund beyond such maturity date. Additionally, the Borrower has agreed pursuant to Section 3.06 of the Loan Agreement that in the event that there are insufficient moneys available in the Project Fund to pay the Costs of the Project, the Borrower will complete the Project and pay the portion of the Costs of the Project in excess of the moneys available therefor in the Project Fund.

**Section 5.05 Disposition of Moneys in Project Fund after Completion of Project.** Subject to the proviso in Section 5.04 above, as soon as practicable after the date of the certificate referred to in clause (b) of Section 5.04 hereof, any balance remaining in the Project Fund (other than the amounts retained by the Note Trustee referred to in Section 5.04 hereof)

shall be transferred to the Note Payment Fund and applied to the payment of principal of the Notes.

Notwithstanding the provisions of this Section or any other provision herein set forth, none of the moneys in the Project Fund will be disbursed for or be used to pay any cost, or to reimburse the Issuer or the Borrower for any cost, which is not permitted by the Code, the Loan Agreement or this Note Indenture.

## ARTICLE VI

### INVESTMENT OF FUNDS

**Section 6.01 Investment of Project Fund, Capitalized Interest Fund and Collateral Fund.** Any moneys held as a part of the Project Fund (including the Earnings Account therein), the Collateral Fund or the Capitalized Interest Fund and not required for immediate disbursement and withdrawal, shall at the written direction of the Borrower be invested or reinvested by the Note Trustee in Permitted Investments.

The amount deposited in the Capitalized Interest Fund and the amounts deposited in the Project Fund on the Closing Date shall be invested at or shortly after the Closing Date in investments which mature or are redeemable by the Note Trustee without penalty at times sufficient to meet the interest payment dates on the Notes and to fund anticipated construction draws. Amounts deposited in the Collateral Fund shall be invested in investments which mature or are redeemable by the Note Trustee without penalty on or prior to the first optional redemption date of the Notes. Maturing amounts of such investments and interest income on such investments shall be invested in money market funds or in other investments which mature or are redeemable without penalty on or before the dates such funds are anticipated by the Borrower to be needed. The Note Trustee may not sell any investments at a loss. Subject to this Section 6.01, the Borrower shall, by direction from the Borrower Representative, direct the investment of amounts held in the Project Fund (including the Earnings Account therein), the Capitalized Interest Fund, and the Collateral Fund and such investments shall have maturities consonant with the need for funds as estimated by the Borrower Representative.

**Section 6.02 Accounting for Termination of Investments; No Arbitrage.** Subject to Section 6.01 herein, in the event the moneys in the Project Fund, the Capitalized Interest Fund or the Collateral Fund have been invested in Permitted Investments and the Permitted Investment at any time and for any reason fails to satisfy the requirements of Section 6.01 hereof, the Note Trustee shall, at the written direction of the Borrower and with the written approval of the Rating Agency, terminate any such investment, and the proceeds of such termination, shall be credited to the Project Fund, the Capitalized Interest Fund and the Collateral Fund, respectively.

All investment earnings on moneys or any investment held in any fund or account created hereunder shall be credited to the respective fund or account hereunder and used for the purposes thereof

If the Issuer is of the opinion, upon receipt of advice of Bond Counsel, that it is necessary to restrict or limit the yield on the investment of any moneys, securities or other obligations paid

to or held by the Note Trustee hereunder in order to comply with the provisions of the Documents intended to prevent any Notes from being considered "arbitrage bonds" within the meaning of Section 148 of the Code, an authorized officer of the Issuer may give written notice to the Note Trustee and the Borrower to such effect (together with appropriate written instructions), in which event the Note Trustee will take such action as is set forth in such written instructions to restrict or limit the yield on such investment so as to comply with Section 148 of the Code.

**Section 6.03 Note Trustee's Own Bond or Investment Department.** The Note Trustee may make any and all investments permitted under Section 6.01 hereof through its own bond or investment department or that of any affiliate.

**Section 6.04 Moneys to be Held in Trust.** Subject to Section 5.02 hereof, all moneys required to be deposited with or paid to the Note Trustee for account of the Capitalized Interest Fund, the Project Fund or the Collateral Fund under any provision of this Note Indenture shall be held by the Note Trustee in trust, and shall, while held by the Note Trustee, constitute part of the Trust Estate and be subject to the lien and claim created by this Note Indenture.

The Note Trustee, acting in its capacity as Note Trustee and not as sponsor, advisor or manager in connection with any investments hereunder, shall not be liable for any loss arising from investments made in accordance with this Section, or for any loss resulting from the redemption or sale of any such investments as authorized by this Section.

## ARTICLE VII

### GENERAL COVENANTS

**Section 7.01 Payment of Notes.** Each and every covenant made in this Note Indenture, including all covenants made in the several sections of this Article, is predicated upon the condition that any obligation for the payment of money incurred by the Issuer shall be payable solely (a) from Revenues, which are specifically assigned to secure the payment of the Notes in the manner and to the extent specified in this Note Indenture, (b) from the moneys held in the funds and accounts created under this Note Indenture, and (c) from any other moneys held pursuant to the Trust Estate. Nothing in the Notes or in this Note Indenture shall be construed as pledging any other funds or assets of the Issuer.

The Issuer covenants that it will promptly pay, as provided herein, the principal of and interest on the Notes from the Trust Estate at the place, on the date and in the manner provided herein and in the Notes.

**Section 7.02 Performance of Covenants.** The Issuer covenants that it will faithfully perform at all times any and all covenants, undertakings, stipulations and provisions contained in this Note Indenture, in any and every Note executed, authenticated and delivered hereunder and in all proceedings pertaining thereto, subject, however to the limitations set forth in Section 2.04 hereof. The Issuer represents and warrants that it is duly authorized under the laws of the State to issue the Notes, to enter into this Note Indenture and the Loan Agreement and to assign the

Revenues, and that, upon issuance, authentication, and delivery the Notes are and will be valid and enforceable limited obligations of the Issuer according to the import thereof.

**Section 7.03 Compliance with Laws.** The Issuer will comply with all valid material acts, rules, regulations, orders and directions of any legislative, executive, administrative or judicial body applicable to this Note Indenture and the Loan Agreement.

**Section 7.04 Enforcement of Borrower's Obligations.** So long as any of the Notes are Outstanding, the Issuer will cooperate with the Note Trustee in enforcing the obligations of the Borrower to pay, or cause to be paid, all the payments and other costs and charges payable pursuant to the Loan Agreement. Nothing contained in this Section or in any other section of this Note Indenture shall be deemed to modify the provisions of the Constitution and Section 2.04 hereof or require that the Issuer expend any of its own funds or assets to enforce the obligations of the Borrower under the Documents.

**Section 7.05 Further Assurances, Instruments and Actions.** The Issuer will, from time to time, execute and deliver such further instruments, conveyances, assignments and transfers and take such further actions as may be reasonable and as may be required to better assure, convey, grant, assign or confirm the Trust Estate and all other rights, revenues or funds pledged, assigned or intended to be so pledged or assigned hereunder for the benefit of the owners of the Notes; provided, however, that no such instruments or actions shall pledge the credit or taxing power of the City, the State, or any other political subdivision of the State, or create or give rise to any monetary obligation or liability of the Issuer.

**Section 7.06 Priority of Pledge.** The Issuer covenants and agrees that it will not create any lien or claim upon the Revenues other than the liens and claims hereby created. Except for the assignment to the Note Trustee, the Issuer will not sell, lease or otherwise dispose of or encumber any of the Revenues, and will cooperate in causing to be discharged or satisfied any lien or charge on any part of the Trust Estate.

**Section 7.07 Books and Documents Open to Inspection.** The Issuer covenants and agrees that all books and documents in its possession relating to the Notes, the Project, and the moneys, revenues and receipts derived from the Project, if any, that shall at any time be in its possession, shall, within a reasonable time of a request by the Note Trustee, the Rating Agency, the Holders, or the Borrower, be open to inspection during the Issuer's regular business hours by such accountants or other agents as the Note Trustee, the Rating Agency, the Holders, or the Borrower may from time to time designate.

**Section 7.08 Borrower to Indemnify and Hold Issuer and Note Trustee Harmless from Liability.** The Borrower has agreed to indemnify and hold the Issuer Indemnified Parties and the Note Trustee harmless from and against liability arising out of claims as defined and as provided in Section 7.01 of the Loan Agreement.

**Section 7.09 Tax-Exempt Status of Notes.** The Issuer and the Note Trustee each agrees that it will not (a) take any action, (b) fail to take any action, or (c) make any use of the Project or the proceeds of the Notes, which would cause the interest on any of the Notes to be or become includible in the gross income of the owners thereof for federal income tax purposes

(except for minimum or preference tax purposes or other indirect taxation). In connection with the foregoing, the Issuer covenants to comply with the provisions of the Tax Regulatory Agreement.

## ARTICLE VIII

### DISCHARGE

**Section 8.01 Discharge of Lien.** If and when the Notes secured hereby shall become due and payable in accordance with their terms as provided in this Note Indenture, or otherwise, and the whole amount of the principal and the interest so due and payable upon all of the Notes, together with all other amounts payable hereunder by the Issuer and all fees and expenses of the Note Trustee and the Issuer, shall be paid, or provision shall have been made for the payment of the same, then the right, title and interest of the Note Trustee in and to the Trust Estate and all covenants, agreements and other obligations of the Issuer to the Holders shall thereupon cease, terminate and become void and be discharged and satisfied. In such event, upon request of the Issuer and subject to the provisions of Section 5.05 hereof, the Note Trustee shall turn over to the Borrower, so long as there shall have occurred no Event of Default which is uncured and continuing, any surplus in the Note Payment Fund and all balances remaining in any other fund created under this Note Indenture and shall assign and transfer to the Issuer all other property then held by the Note Trustee under this Note Indenture and shall execute such documents as may be reasonably required by the Issuer.

If and when the Trustee shall hold sufficient moneys hereunder, as verified to the Note Trustee in writing by an Independent public accounting firm of national reputation or other firm similarly experienced in performing such computations, to provide for payment of the whole amount of the principal and interest due and payable and thereafter to become due and payable upon all the Notes, together with all other amounts payable or which may thereafter become payable hereunder by the Issuer, notwithstanding that all the Notes have not yet become due and payable and that consequently the right, title and interest of the Note Trustee in and to the Trust Estate shall not have ceased, terminated and become void pursuant to the foregoing provisions of this Section 8.01, the Note Trustee, on demand of the Issuer but subject to the provisions of Section 5.05 hereof, shall turn over to the Borrower, so long as there shall have occurred no Event of Default which is uncured and continuing, or to such person, body or authority as may be entitled to receive the same, any surplus in the Note Payment Fund in excess of the amount sufficient to pay the whole amount of the principal and interest due and payable and thereafter to become due and payable upon all Notes together with all other amounts payable or which may thereafter become payable hereunder by the Issuer.

All outstanding Notes shall, prior to the maturity thereof, be deemed to have been paid within the meaning and with the effect expressed above if (a) there shall have been deposited with the Note Trustee (as verified to the Note Trustee in writing by an Independent public accounting firm of national reputation or other firm similarly experienced in performing such computations) either (i) moneys in an amount which shall be sufficient, or (ii) Government Obligations which are not subject to redemption prior to maturity, the principal of and the interest on which when due will provide moneys which, together with the moneys, if any, deposited with the Note Trustee at the same time, shall be sufficient, to pay when due the

principal and interest due and to become due on such Notes on the maturity date thereof, and (b) the Issuer shall have given the Note Trustee, in form satisfactory to it irrevocable instructions to give, as soon as practicable, a notice to the Holders of such Notes and the Rating Agency that the deposit required by (a) above has been made with the Note Trustee and that such Notes are deemed to have been paid in accordance with this Section and stating such maturity upon which moneys are to be available for the payment of the principal and interest on such Notes.

Neither the securities nor moneys deposited with the Note Trustee pursuant to this Section nor principal or interest payments on any such securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal and interest, on such Notes; provided that any cash received from such principal or interest payments on such securities deposited with the Note Trustee, if not then needed for such purpose, shall, to the extent practicable, be reinvested in Government Obligations (including any short term investment fund rated "Aaa" or "P-1" by the Rating Agency and secured by and investing solely in Government Obligations) maturing at times and in amounts sufficient to pay when due the principal and interest to become due on such Notes on and prior to such maturity dates thereof, as the case may be, and interest earned from such reinvestment shall be paid over to the Borrower, as received by the Note Trustee, free and clear of any trust, lien or pledge.

The release of the obligations of the Issuer under this Section 8.01 shall be without prejudice to the right of the Note Trustee provided in Section 10.04 hereof to be paid reasonable compensation for all services rendered by it hereunder and all its reasonable expenses, charges and other disbursements and those of its attorneys, agents and employees, incurred on and about the Issuer of the trust hereby created and the performance of its powers and duties hereunder, and shall not affect the obligations of the Borrower to make the payments required by the Loan Agreement or the Promissory Note.

## ARTICLE IX

### DEFAULTS AND REMEDIES

**Section 9.01 Events of Default and Acceleration.** If any of the following events occur, it is hereby defined as and declared to be and constitute an "Event of Default":

(a) any interest on any Note is not paid on the date on which the same becomes due; or

(b) the principal of any Note is not paid on the date on which the same becomes due, whether at the stated maturity thereof, as a result of optional redemption thereof by acceleration or otherwise; or

(c) an Event of Default occurs under the Loan Agreement; or

(d) the Issuer fails to duly and promptly perform, comply with, or observe any covenant, condition, agreement or provision (other than as specified in (a) or (b) of this Section 9.01) contained in the Notes or in this Note Indenture on the part of the Issuer to be performed, and such failure shall continue for a period of 90 days after written notice specifying such failure and requiring the same to be remedied shall have been given to the Issuer and the Borrower by

the Note Trustee, which notice may be given by the Note Trustee in its discretion and shall be given at the written request of the Holders of not less than 100% in principal amount of the Notes then Outstanding; provided, however, that if such default be such that it is correctable but cannot be corrected within 90 days, it shall not be an Event of Default if the Issuer or the Borrower is taking appropriate corrective action to cure such failure and if such failure will not impair the security for the Loan or the Notes.

If any Loan payment required under the Loan Agreement to avoid a default under (a) or (b) of this Section shall not have been received at the close of business on the last business day preceding the day on which payment must be made to avoid a default under such (a) or (b), the Note Trustee shall use its best efforts to give telephonic notice of such default to the Borrower, which telephonic notice shall be confirmed by written notice to the Borrower. If any other default shall occur under the provisions of this Section, the Note Trustee shall, within five days after having actual knowledge of such default, use its best efforts to give written notice of such default to the Issuer, the Borrower and the Holders of the Notes. A default or an Event of Default specified in (a) through (d) above shall occur even though the Note Trustee fails to give the notice required by this paragraph, the giving of such notice being intended solely to aid in the enforcement of the rights of Holders and not in limitation of such rights.

If an Event of Default specified in (a) or (b) of this Section 9.01 shall occur and be continuing, the Note Trustee, may, and upon written request of the Holders of not less than 51% in principal amount of the Notes then Outstanding shall, declare the principal of all Notes then Outstanding to be immediately due and payable by notice in writing to that effect delivered to the Issuer and the Borrower, and upon such declaration such principal, together with interest accrued thereon, shall become immediately due and payable at the place of payment provided therein, anything in this Note Indenture or in the Notes to the contrary notwithstanding.

If an Event of Default specified in (c) or (d) of this Section 9.01 shall occur and be continuing, the Note Trustee, upon written request of the Holders of not less than 100% in principal amount of the Notes then Outstanding shall, declare the principal of all Notes then Outstanding to be immediately due and payable by notice in writing to that effect delivered to the Issuer and the Borrower, and upon such declaration such principal, together with interest accrued thereon, shall become immediately due and payable at the place of payment provided therein, anything in this Note Indenture or in the Notes to the contrary notwithstanding.

**Section 9.02 Note Trustee to Enforce Rights of Issuer.** Only in accordance with the provisions of this Note Indenture, the Note Trustee, as the assignee of all the right, title and interest of the Issuer in and to each of the documents constituting a part of the Trust Estate (except the Reserved Rights of the Issuer), may enforce the rights granted to the Issuer pursuant to such documents. In the enforcement of any rights or remedies under such documents, no provision of such documents shall require, and none shall be construed to require, that the Note Trustee post a bond or establish any surety of any kind as a condition precedent to exercising any such rights or remedies.

**Section 9.03 Remedies in Addition to Acceleration.** Upon the happening of any Event of Default, then and in every such case the Note Trustee in its discretion may, and upon the written request of the Holders of not less than 51% in principal amount of the Notes then

Outstanding and receipt of satisfactory indemnity shall (in addition to its right or duty to accelerate as provided in Section 9.01 hereof):

(a) by mandamus, or other suit, action or proceeding at law or in equity, enforce all rights of the Holders, and require the Issuer or the Borrower to carry out any agreements with or for the benefit of the Holders and to perform its or their duties under the Documents including, but not limited to, foreclosing upon the security interest in or otherwise using funds on deposit in the Note Payment Fund pursuant to this Note Indenture; or

(b) bring suit upon the Notes.

**Section 9.04 Termination of Proceedings.** In case any proceeding taken by the Note Trustee on account of any default or Event of Default shall have been discontinued or abandoned for any reason, or shall have been determined adversely to the Note Trustee, then and in every such case, the Issuer, the Note Trustee, the Holders, and the Borrower shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies and powers of the Note Trustee shall continue as though no such proceeding had been taken.

**Section 9.05 Right of Holders to Direct Proceedings.** No Holder of any of the Notes shall have any right to institute any suit, action or proceeding in equity or at law for the execution of any trust hereunder, or any other remedy hereunder or on the Notes, unless such Holder previously shall have given to the Note Trustee written notice of an Event of Default as hereinabove provided and unless also the Holders of not less than 51% in principal amount of the Notes then outstanding shall have made written request of the Note Trustee to do so, after the right to exercise such powers or rights of action, as the case may be, shall have accrued, and shall have afforded the Note Trustee a reasonable opportunity either to proceed to exercise the powers hereinabove granted, or to institute such action, suit or proceeding in its or their name; nor unless there also shall have been offered to the Note Trustee security and satisfactory indemnity against the costs, expenses and liabilities to be incurred therein or thereby, and the Note Trustee shall not have complied with such request within a reasonable time; and such notification, request and offer of indemnity are hereby declared in every such case, at the option of the Note Trustee, to be conditions precedent to the execution of the trusts of this Note Indenture or for any other remedy hereunder; it being understood and intended that no one or more Holders of the Notes hereby secured shall have any right in any manner whatever by its or their action to affect, disturb or prejudice the security of this Note Indenture, or to enforce any right hereunder or under the Notes, except in the manner herein provided and for the equal benefit of all Holders of Outstanding Notes. For purposes of the foregoing sentence, the Note Trustee shall be deemed to have failed to act within a reasonable time if it fails to take action within 60 days after receipt of notice and compliance with the foregoing terms and conditions, whereupon, the Holders of 51% aggregate principal amount of the Notes may take such action in the place of the Note Trustee. Nothing in this Note Indenture contained shall, however, affect or impair the right of any Holder of Notes to enforce the payment of the principal of and interest on any Note at and after the maturity thereof, or the obligation of the Issuer to pay the principal of and interest, on each of the Notes issued hereunder to the respective Holders of the Notes at the time, place, from the source and in the manner herein and in such Notes expressed.

**Section 9.06 Remedies Vested in Trustee.** All rights of action under this Note Indenture or under any of the Notes secured hereby which are enforceable by the Note Trustee may be enforced by it without the possession of any of the Notes, or the production thereof at the trial or other proceedings relative thereto, and any such suit, action or proceeding instituted by the Note Trustee shall be brought in its name for the equal and ratable benefit of the Holders of the Notes, subject to the provisions of this Note Indenture.

**Section 9.07 Remedies Non-Exclusive and Cumulative.** No remedy herein conferred upon or reserved to the Note Trustee or to the Holders of the Notes is intended to be exclusive of any other remedy or remedies, and each and every such remedy shall be cumulative, and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute.

**Section 9.08 Delays or Omissions by Note Trustee.** No delay or omission of the Note Trustee or of any Holder of the Notes to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default, or any acquiescence therein; and every power and remedy given by this Article IX to the Note Trustee and to the Holders of the Notes, respectively, may be exercised from time to time and as often as may be deemed expedient.

**Section 9.09 Application of Moneys.** All moneys received by the Note Trustee pursuant to any right given or action taken under the provisions of this Article IX shall, after payment of the costs and expenses of the proceedings resulting in the collection of such moneys and of the fees, expenses and advances incurred or made by the Note Trustee and the Issuer with respect thereto, be deposited in the Note Payment Fund and all moneys so deposited in the Note Payment Fund during the continuance of an Event of Default (other than moneys for the payment of Notes which have matured or otherwise become payable prior to such Event of Default or for the payment of interest due prior to such Event of Default, which moneys shall continue to be held for such payments) shall be applied as follows:

(a) Unless the principal of all the Notes shall have become or shall have been declared due and payable, all such moneys shall be applied:

First - To the payment to the persons entitled thereto of all installments of interest then due on the Notes, in the direct order of the maturity of the installments of such interest and, if the amounts available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or privilege;

Second - To the payment to the persons entitled thereto of the unpaid principal, on any of the Notes, which shall have become due (other than Notes which have matured or otherwise become payable prior to such Event of Default and moneys for the payment of which are held in the Note Payment Fund or otherwise held by the Note Trustee), with interest on such principal from the respective dates upon which the same became due and, if the amount available shall not be sufficient to pay in full the amount of principal, and the interest due on any particular date, then to the payment ratably, according to the amount of principal due on such date, to the persons entitled thereto, without any discrimination or privilege;

Third - To the payment to the persons entitled thereto of all other of the Issuer's Obligations and the Borrower Obligations, and, if the amount available shall not be sufficient to pay such Obligations in full, then to the payment ratably, according to the amounts then due, to the persons entitled thereto without discrimination or privilege; and

Fourth - The remainder, if any, shall be paid over to the Borrower, its successors or assigns, or whomever may be lawfully entitled to receive the same, or as a court of competent jurisdiction may direct.

(b) If the principal of all the Notes shall have become or shall have been declared due and payable, all such moneys shall be applied to the payment of the principal of and interest then due and unpaid upon the Notes, without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any Note over any other Note, ratably, according to the amounts due respectively for principal and interest to the persons entitled thereto without any discrimination or privilege. Any remaining funds shall be applied in accordance with the paragraphs designated "Third" and "Fourth" of subsection (a) above.

Whenever moneys are to be applied pursuant to the provisions of this Section, such moneys shall be applied at such times, and from time to time, as the Note Trustee shall determine, having due regard to the amount of such moneys available for application and the likelihood of additional moneys becoming available for such application in the future. Whenever the Note Trustee shall apply such funds, it shall fix the date (which shall be an interest payment date unless it shall deem another date more suitable) upon which such application is to be made, and upon such date interest on the amounts or principal to be paid on such dates shall cease to accrue. The Note Trustee shall give such notice as it may deem appropriate of the deposit with it of any such moneys and of the fixing of any such date, and shall not be required to make payment to the Holder of any Note until such Note shall be presented to the Note Trustee for appropriate endorsement or for cancellation if fully paid.

**Section 9.10 Severability of Remedies.** It is the purpose and intention of this Article to provide rights and remedies to the Note Trustee and Holders which may be lawfully granted under the provisions of the Act, but should any right or remedy herein granted be held to be unlawful, the Note Trustee and the Holders shall be entitled, as above set forth, to every other right and remedy provided in this Note Indenture and by law.

## ARTICLE X

### CONCERNING THE NOTE TRUSTEE

**Section 10.01 Acceptance of Trusts.** The Note Trustee hereby accepts the trusts hereby created and agrees to perform and execute such trusts as an ordinary prudent trustee under a corporate indenture, but only upon the additional terms set forth in this Article, to all of which the Issuer agrees and the respective Holders of the Notes agree upon and by their acceptance of delivery of any of the Notes.

**Section 10.02 Note Trustee Not Responsible for Recitals, Statements and Representations.** Except as otherwise expressly provided herein, any representations or warranties by the Issuer in this Note Indenture or in the Notes contained shall be taken and construed as made by and on the part of the Issuer, and not by the Note Trustee, and Note Trustee does not assume, and shall not have, any responsibility or obligation for the correctness of any thereof.

Except for information provided by the Note Trustee concerning the Note Trustee, the Note Trustee shall have no responsibility for any information in any Official Statement or other disclosure material distributed with respect to the Notes, and the Note Trustee shall have no responsibility for compliance with any state or federal securities laws in connection with the Notes.

**Section 10.03 Action by Note Trustee through and Reliance upon Others.** The Note Trustee may execute any of the trusts or powers hereof and perform the duties required of it hereunder by or through attorneys, agents, receivers or employees. The Note Trustee shall be entitled to advice of counsel concerning all matters of trust and its duties hereunder, and the written advice or opinion of such counsel shall be full and complete authorization and protection for any action taken or omitted by it in good faith and in accordance with such advice or opinion. The Note Trustee may in all cases pay such reasonable compensation to all such attorneys, agents, receivers and employees as may be reasonably employed in connection with the trusts hereof. The Note Trustee shall not be answerable for the exercise of any discretion or power under this Note Indenture or for anything whatever in connection with the trust, except only for negligence or willful misconduct with respect to its responsibilities hereunder.

Except for fraud and willful misconduct, no personal recourse may be taken, directly or indirectly, against any officer, director, employee or agent of the Note Trustee with respect to the obligations of the Note Trustee under this Note Indenture or any certificate or other writing delivered in connection therewith. The Note Trustee's immunities and protections from liability and its right to indemnification in connection with the performance of its duties and functions under this Note Indenture shall extend to the Note Trustee's officers, directors, agents and employees.

The Note Trustee's immunities and protections from liability and its right to payment of compensation and indemnification in connection with performance of its duties and functions under this Note Indenture shall survive the Note Trustee's resignation or removal and the final payment of the Notes.

**Section 10.05 Note Trustee's Obligations to Take or Have Notice of Default.** The Note Trustee shall not be required to take notice, or to be deemed to have notice, of any default under this Note Indenture other than a default under Section 9.01(a) or Section 9.01(b) hereof, unless specifically notified in writing of such default by the Issuer or by the Holders of not less than [25%/51%] in principal amount of the Notes then Outstanding. The Note Trustee may, however, at any time, in its discretion, require of the Issuer information and advice as to the performance of any of the covenants, conditions and agreements contained herein.

**Section 10.06 Duties of Note Trustee.** (a) If an Event of Default has occurred and is continuing, the Note Trustee shall exercise its rights and powers and use the same degree of care and skill in their exercise as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default,

(1) The Note Trustee need perform only those duties that are specifically set forth in the Note Indenture and no others, and

(2) In the absence of bad faith on its part, the Note Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed, upon certificates or opinions furnished to the Note Trustee and conforming to the requirements of this Note Indenture. However, the Note Trustee shall examine those certificates and opinions to determine whether they conform to the requirements of the Note Indenture.

(c) The Note Trustee may not be relieved from liability for its own negligent action, its own negligent failure to act or its own willful misconduct, except that

(1) This paragraph does not limit the effect of paragraph (b) of this Section,

(2) The Note Trustee shall not be liable for any error of judgment made in good faith by a responsible officer of the Note Trustee, unless it is proved that the Note Trustee was negligent in ascertaining the pertinent facts,

(3) The Note Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it in accordance with this Note Indenture, and

(4) No provision of this Note Indenture shall require the Note Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers.

(d) The Note Trustee's immunities and protections from liability and its right to indemnification in connection with the performance of its duties under this Note Indenture shall extend to the Note Trustee's officers, directors, agents, attorneys and employees. Such immunities and protections and right to indemnification, together with the Note Trustee's right to

compensation, shall survive the Note Trustee's resignation or removal, the defeasance or discharge of this Note Indenture and final payment of the Notes.

(e) Except as otherwise provided in this Article, the Note Trustee shall be under no obligation to take any action in respect of any default, or toward the execution or enforcement of any of the trusts hereby created, or to institute, appear in or defend any suit or other proceeding in connection therewith, unless requested in writing so to do by the Holders of not less than 51% in principal amount of the Notes then Outstanding, and if in its opinion such action may tend to involve it in expense or liability, unless furnished, from time to time as often as it may require, with security and satisfactory indemnity. The foregoing provisions are intended only for the protection of the Note Trustee, and shall not affect any discretion or power given by any provision of this Note Indenture to the Note Trustee to take action in respect of any default without such notice or request from the Holders, or without such security or indemnity.

(f) Every provision of this Note Indenture that in any way relates to the Note Trustee is subject to paragraphs (a) through (e) of this Section.

**Section 10.07 Note Trustee May Rely Upon Instruments.** The Note Trustee shall be under no duty to make any investigation or inquiry as to any statements contained or matters referred to in any indenture, notice, telegram, request, consent, waiver, certificate, statement, affidavit, voucher, bond, requisition or other paper or document which it shall in good faith believe to be genuine and to have been passed or signed by the proper board, body or person or to have been prepared and furnished pursuant to any of the provisions of the Note Indenture or the Documents, but may accept and rely upon the same as conclusive evidence of the truth and accuracy of such statements, and shall be protected and shall incur no liability in acting or proceeding in good faith in reliance thereon. The Note Trustee shall not be bound to recognize any person as a Holder of any Note or to take any action at his request unless satisfactory evidence of the ownership of such Note shall be furnished to the Note Trustee.

**Section 10.08 Note Trustee May Own and Deal in Notes and Deal with Issuer and Borrower.** The Note Trustee may in good faith buy, sell, own, hold and deal in any of the Notes issued hereunder and secured by this Note Indenture, and may join in any action which any Holder may be entitled to take with like effect as if the Note Trustee were not a party to this Note Indenture. The Note Trustee, either as principal or agent, may also engage in or be interested in any financial or other transaction with the Issuer or the Borrower or any related entity, and may act as depository, trustee, or agent for any committee or body of Holders of the Notes secured hereby or other obligations of the Issuer as freely as if it were not Note Trustee hereunder.

**Section 10.09 Financial Liability of the Note Trustee.** No provision of this Note Indenture will require the Note Trustee to expend or risk its own funds or otherwise incur or risk any financial liability in the performance of any of its duties under this Note Indenture, or in the exercise of any of its rights or powers if it will have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

Except as may otherwise be provided in this Note Indenture, the Note Trustee will have the right to demand, in respect to the authentication of any Notes or the release of any property,

any showings, certificates, opinions (including Opinions of Counsel), appraisals or other information, or corporate action or evidence thereof, in addition to that by the terms hereof or of the Loan Agreement required as a condition of such action by the Note Trustee deemed desirable for the purpose of establishing the right of the Issuer or the Borrower to the authentication of any Notes, or the release of any property.

**Section 10.10 Note Trustee May Construe Ambiguous or Inconsistent Provisions.** The Note Trustee may construe any of the provisions of the Note Indenture insofar as the same may appear to be ambiguous or inconsistent with any other provisions hereof.

**Section 10.11 Resignation of Note Trustee.** The Note Trustee may at any time resign and be discharged of the duties and obligations created by this Note Indenture by giving not less than 60 days written notice to the Issuer specifying the date when such resignation shall take effect and such resignation shall take effect upon the day specified in such notice unless previously a successor shall have been appointed, in which event such resignation shall take effect immediately on the appointment of such successor, provided that such resignation shall not take effect unless and until a successor shall have been appointed.

**Section 10.12 Removal of Note Trustee.** The Note Trustee shall be removed by the Issuer if at any time so requested by an instrument or concurrent instruments in writing, filed with the Note Trustee and the Issuer, and signed by the Holders of a majority in principal amount of the Notes then Outstanding or their attorney-in-fact duly authorized, excluding any Notes held by or for the account of the Issuer. The Issuer may also remove the Note Trustee at any time, except during the existence of any event of default as defined in Section 9.01 hereof, for cause or breach of trust or for acting or proceeding in violation of, or failing to act or proceed in accordance with any provision of this Note Indenture with respect to the duties and obligations of the Note Trustee by filing with the Note Trustee an instrument signed by an authorized officer of the Issuer. A copy of each such instrument providing for any such removal shall be delivered by the Issuer to any Holder who shall have filed his name and address with the Issuer.

**Section 10.13 Appointment of Successor Note Trustee.** In case at any time the Note Trustee shall resign or shall be removed or shall become incapable of acting, or shall be adjudged bankrupt or insolvent, or if a receiver, liquidator or conservator of the Note Trustee, or of its property, shall be appointed, or if any public officer shall take charge or control of the Note Trustee, or of its property or affairs, the Issuer covenants and agrees that it will thereupon appoint a successor Note Trustee.

If in a proper case no appointment of a successor Note Trustee shall be made pursuant to the foregoing provision of this Section within 45 days after the Note Trustee shall have given to the Issuer written notice, as provided in Section 10.12 hereof or at any time after a vacancy in the office of the Note Trustee shall have occurred by reason of its inability to act, the Note Trustee or the Holder of any Note may apply to any court of competent jurisdiction to appoint a successor Note Trustee. Said court may thereupon, after such notice, if any, as such court may deem proper, prescribe and appoint a successor Note Trustee.

Any Note Trustee appointed under the provision of this Section 10.13 in succession to the Note Trustee shall be a bank or trust company or national banking association with trust powers,

having a combined capital, surplus and undivided profits of at least \$50,000,000 if there be such a bank or trust company or national bank association willing and able to accept the office on reasonable and customary terms and authorized by law to perform all the duties imposed upon it by this Note Indenture.

**Section 10.14 Appointment of Successor Note Trustee by Court.** In case at any time the Note Trustee shall resign and no appointment of a successor Note Trustee shall be made pursuant to the foregoing provisions of this Article prior to the date specified in the notice of resignation as the date when such resignation shall take effect, the retiring Note Trustee may forthwith apply to a court of competent jurisdiction for the appointment of a successor Note Trustee. If no appointment of a successor Note Trustee shall be made pursuant to the foregoing provisions of this Article within forty-five (45) days after a vacancy shall have occurred in the office of Note Trustee, the Holder of any Note may apply to any court of competent jurisdiction to appoint a successor Note Trustee. Such court may thereupon, after such notice, if any, as it may deem proper, prescribe and appoint a successor Note Trustee.

**Section 10.15 Acceptance of Trust by Successor Note Trustee.** Any successor Note Trustee appointed hereunder shall execute, acknowledge and deliver to the Issuer and the Rating Agency an instrument accepting such appointment hereunder, and thereupon such successor Note Trustee, without further act, deed or conveyance, shall become duly vested with all the estates, property, rights, powers, trust, duties and obligations of its predecessor in the trust hereunder, with like effect as if originally named Note Trustee herein. Upon request of such Note Trustee, the Note Trustee ceasing to act and the Issuer shall execute and deliver an instrument transferring to such successor Note Trustee all the estates, property, rights, powers and trusts hereunder of the Note Trustee so ceasing to act, and the Note Trustee so ceasing to act shall pay over to the successor Note Trustee all moneys and other assets at the time held by it hereunder.

**Section 10.16 Merger or Consolidation of Note Trustee with Another Corporation.** Any corporation into which any Note Trustee hereunder may be merged or with which it may be consolidated, or any corporation resulting from any merger or consolidation to which any Note Trustee hereunder shall be a party, or to which it may sell or transfer its corporate trust business and assets as a whole or substantially as a whole, shall be the successor Note Trustee under this Indenture without the execution or filing of any paper or any further act on the part of the parties hereto, anything herein to the contrary notwithstanding.

**Section 10.17 Action of Note Trustee during Existence of an Event of Default.** Notwithstanding any other provisions of this Article, the Note Trustee shall, during the existence of an Event of Default known to the Note Trustee, exercise such of the rights and powers vested in it by the Note Indenture and use the same degree of skill and care in their exercise as a prudent person would use and exercise under the circumstances.

**Section 10.18 Notice of an Event of Default.** Notwithstanding anything herein to the contrary, upon the occurrence of an Event of Default known to the Note Trustee, the Note Trustee shall within 30 days give written notice thereof to the Issuer, to the Rating Agency, and to each Holder at its last address appearing upon the registration books of the Issuer kept by the Note Trustee unless such Event of Default shall have been cured before the giving of such notice.

**Section 10.19 Note Trustee May Intervene.** In any judicial proceeding to which the Issuer is a party and which, in the opinion of the Note Trustee and its counsel, has a substantial bearing on the interests of Holders of the Notes, the Note Trustee may intervene on behalf of the Holders of the Notes and shall, upon receipt of satisfactory indemnity do so if requested in writing by the Holders of not less than 51% in principal amount of Notes then outstanding, if such intervention is permitted by the court having jurisdiction in the premises.

**Section 10.20 Unclaimed Moneys.** Anything in this Note Indenture to the contrary notwithstanding, any moneys held by the Note Trustee in trust for the payment and discharge of any Notes which remain unclaimed for a period up to six months, prior to the date when such moneys would escheat under applicable law and after the date when such Notes have become due and payable either at their stated maturity dates, if such moneys were held by the Note Trustee at such date, or for a period up to six months prior to the date when such moneys would escheat under applicable law if deposited with the Note Trustee after such date when all Notes became due and payable, shall be paid by the Note Trustee to the Issuer as its absolute property and free from trust, and the Note Trustee shall thereupon be released and discharged. Thereafter, any person having a claim against any such moneys shall look solely to the Issuer for payment of the same.

**Section 10.21 Appointment of Co-Note Trustee.** It is the purpose of this Note Indenture that there shall be no violation of any law of any jurisdiction (including particularly the law of the State) denying or restricting the right of banking corporations or associations to transact business as a trustee in such jurisdiction. It is recognized that in case of litigation under this Note Indenture or the Loan Agreement, and in particular in case of the enforcement thereof on default, or in the case the Note Trustee deems that by reason of any present or future law of any jurisdiction it may not exercise any of the powers, rights or remedies herein granted to the Note Trustee or hold title to the properties, in trust, as herein granted, or take any, action which may be desirable or necessary in connection therewith, it may be necessary that the Note Trustee appoint an additional individual or institution as a separate or co-note trustee. The following provisions of this Section are adopted to these ends.

In the event that the Note Trustee appoints an additional individual or institution as a separate or co-note trustee, each and every remedy, power, right, claim, demand, cause of action, immunity, estate, title, interest and lien expressed or intended by this Note Indenture to be exercised by or vested in or conveyed to the Note Trustee with respect thereto shall be exercisable by and vest in such separate or co-note trustee but only to the extent necessary to enable such separate or co-note trustee to exercise such powers, rights and remedies, and every covenant and obligation necessary to the exercise thereof by such separate or co-note trustee shall run to and be enforceable by either of them.

Approval in writing from the Issuer, not to be unreasonably withheld or delayed, shall be required prior to the appointment of the separate or co-note trustee by the Note Trustee. All such instruments in writing shall, on request, be executed, acknowledged and delivered by the Issuer at the expense of the Borrower. In case any separate or co-note trustee or a successor to either shall die, become incapable of acting, resign or be removed, all the estates, properties, rights, powers, trusts, duties and obligations of such separate or co-note trustee, so far as permitted by

law and so approved by the Issuer, shall vest in and be exercised by the Note Trustee until the appointment of a successor to such separate or co-note trustee.

**Section 10.22 Financing Statements.** Pursuant to Section 5.04 of the Loan Agreement, the Borrower shall perfect, or shall cause to be perfected any security interest created hereunder by the filing of financing statements which fully comply with the State of Illinois Uniform Commercial Code — Secured Transactions. Notwithstanding the foregoing, the Note Trustee shall file all necessary continuation statements with respect to any such original financing statements of which a legible copy showing the date and place of filing, is delivered to the Note Trustee, at the expense of the Borrower within the time prescribed by the State of Illinois Uniform Commercial Code—Secured Transactions.

## ARTICLE XI

### MODIFICATION OF NOTE INDENTURE AND OTHER DOCUMENTS

**Section 11.01 Limitation on Amendments to this Note Indenture.** This Note Indenture shall not be modified or amended in any respect except as provided in accordance with and subject to the provisions of this Article.

**Section 11.02 Amendments to Note Indenture and Loan Agreement Not Requiring Consent of Holders.**

(a) The Issuer and the Note Trustee may, from time to time and at any time, without the consent of Holders, enter into agreements supplemental to this Note Indenture and the Loan Agreement as follows:

(1) to specify and determine any matters and things relative to Notes which shall not materially adversely affect the interest of the Holders;

(2) to cure any formal defect, omission or ambiguity in this Note Indenture or the Loan Agreement if such action does not materially adversely affect the rights of the Holders;

(3) to grant to or confer upon the Note Trustee for the benefit of the Holders any additional rights, remedies, powers, authority or security which may lawfully be granted or conferred and which are not contrary to or inconsistent with this Note Indenture as heretofore in effect;

(4) to add to the covenants and agreements of the Issuer in this Note Indenture or the Loan Agreement other covenants and agreements to be observed by the Issuer which are not contrary to or inconsistent with this Note Indenture or the Loan Agreement as theretofore in effect;

(5) to add to the limitations and restrictions in this Note Indenture or the Loan Agreement, other limitations and restrictions to be observed by the Issuer which are not contrary to or inconsistent with this Note Indenture or the Loan Agreement as theretofore in effect;

(6) to confirm, as further assurance, any pledge under and the subjection to any claim, lien or pledge created, or to be created by, this Note Indenture, of the Revenues or of any other moneys, securities or funds; or

(7) to modify, amend or supplement this Note Indenture or the Loan Agreement in any respect which, in the judgment of the Note Trustee, is not materially adverse to the interests of the owners of the Notes.

(b) Before the Issuer shall enter into any agreement supplemental to this Note Indenture pursuant to this Section, there shall have been filed with the Note Trustee an opinion of Bond Counsel stating that such supplemental indenture is authorized or permitted by this Note Indenture and complies with its terms, and that upon adoption it will be valid and binding upon the Issuer in accordance with its terms. The opinion of counsel filed with the Note Trustee shall also state that the effectiveness of the supplemental indenture will not adversely affect the exclusion of interest on the Notes from gross income for federal income tax purposes.

(c) The Note Trustee shall send written notice to the Rating Agency and the Borrower of any amendment to this Indenture or the Loan Agreement.

#### **Section 11.03 Amendments to Note Indenture Requiring Consent of Holders.**

(a) Subject to the terms and provisions contained in this Section and not otherwise, the Holders of not less than 66 2/3% in aggregate principal amount of the Notes then outstanding shall have the right, from time to time, to consent to and approve the execution and delivery by the Issuer and the Note Trustee of any agreement supplemental to this Note Indenture as shall be deemed necessary or desirable by the Issuer and the Note Trustee for the purposes of modifying, altering, amending, adding to or rescinding any of the terms or provisions contained in this Note Indenture; provided, however, that, unless approved in writing by the Holders of all of the Notes then outstanding, nothing herein contained shall permit, or be construed as permitting, (i) a change in the terms of maturity of the principal of or the interest on any Outstanding Note, or a reduction in the principal amount of any outstanding Note or the rate of interest thereon, or (ii) the creation of a claim or lien upon, or a pledge or assignment of, the Trust Estate ranking prior to or on a parity with the claim, lien, assignment or pledge created by this Note Indenture, or the release of the Trust Estate or any part thereof (except to the extent permitted pursuant to the Documents), or (iii) a preference or priority of any Note or Notes over any other Note or Notes, or (iv) a reduction in the aggregate principal amount of the Notes required for any action or consent by Holders set forth in this Note Indenture, including (without limitation) that required for consent to such supplemental note indentures. This Section shall not limit or otherwise affect the ability of the Issuer to enter into agreements supplemental to this Note Indenture without the consent of the Holders pursuant to Section 11.02 hereof.

(b) If at any time the Issuer and the Note Trustee shall determine to enter into any supplemental note indenture for any of the purposes of this Section, the Note Trustee shall cause written notice of the proposed supplemental note indenture to be given to all Holders of the Notes; provided, however, that failure to give such notice or any defect therein, shall not affect the validity of any proceedings pursuant hereto. Such notice shall briefly set forth the nature of

the proposed supplemental indenture and shall state that a copy thereof is on file at the Trust Office of the Note Trustee for inspection by all Holders.

(c) Within 120 days after the date of giving such notice, the Issuer and the Note Trustee may enter into such supplemental note indenture in substantially the form described in such notice only if there shall have first been filed with the Issuer (i) the written consents of Holders of not less than 66 2/3% in aggregate principal amount of the Notes then outstanding (or 100% if required hereunder) and (ii) an opinion of counsel stating that (1) such supplemental note indenture is authorized or permitted by this Note Indenture and complies with its terms, and that upon adoption it will be valid and binding upon the Issuer in accordance with its terms and (2) the effectiveness of the supplemental note indenture will not affect the exemption from federal income taxes of the interest on the Notes.

(d) If the Holders of not less than the percentage of Notes required by this Section shall have consented to and approved the supplemental indenture as herein provided, no Holder of any Note shall have any right to object to such supplemental note indenture, or to object to any of the terms and provisions contained therein or the operation thereof, or in any manner to question the propriety thereof, or to enjoin or restrain the Issuer or the Note Trustee from entering into the same or from taking any action pursuant to the provisions thereof.

(e) Upon the effectiveness of any supplemental note indenture entered into pursuant to the provisions of this Section, this Note Indenture shall be, and be deemed to be, modified and amended in accordance therewith, and the respective rights, duties and obligations under this Note Indenture of the Issuer, the Note Trustee and all Holders of Notes then outstanding shall thereafter be determined, exercised and enforced under this Note Indenture subject in all respects to such modifications and amendments.

(f) The Note Trustee shall send written notice to the Rating Agency of any amendment to this Note Indenture.

**Section 11.04 Supplemental Note Indentures Part of Note Indenture.** Any supplemental note indenture entered into in accordance with the provisions of this Article shall thereafter form a part of this Note Indenture and all the terms and conditions contained in any such supplemental note indenture as to any provision authorized to be contained therein shall be and shall be deemed to be a part of the terms and conditions of this Note Indenture for any and all such purposes.

**Section 11.05 Required Consent.** Notwithstanding anything herein to the contrary, the Note Trustee shall not be required to enter into or consent to any supplemental note indenture or any amendment of any other Document that would materially adversely affect the rights, obligations, powers, privileges, indemnities, immunities or other security provided the Note Trustee herein or therein, except to the extent necessary, as set forth in an opinion of Bond Counsel, to preserve the exclusion of interest on the Notes from gross income for federal income tax purposes.

**Section 11.06 Amendments to Documents Requiring Consent of Holders.** Except as provided in Section 11.02 of this Note Indenture, the Issuer and the Note Trustee shall not consent to any amendment, change or modification of the Documents without the giving of notice and the written approval or consent of the Holders of the Notes at the time Outstanding given and procured as provided in Section 11.03 hereof; provided, however, no such separate approval or consent shall be required in connection with the issuance of refunding notes if any required consent of the required number of Holders to the issuance thereof shall have been previously obtained. If at any time the Issuer and the Borrower shall request the consent of the Note Trustee to any such proposed amendment, change or modification, the Note Trustee shall cause notice of such proposed amendment, change, or modification to be given in the same manner as provided by Section 11.03 hereof with respect to supplemental indentures. Such notice shall briefly set forth the nature of such proposed amendment, change or modification and shall state that copies of the instrument embodying the same are on file at the Trust Office of the Note Trustee for inspection by all Holders.

## ARTICLE XII TIF-RELATED AMOUNTS

**Section 12.01 TIF Bridge Loan.** The proceeds of the Loan to be made to the Borrower under the Loan Agreement (the "Loan Proceeds") will be used by the Borrower to pay directly or reimburse TIF-eligible costs of acquiring and renovating the Project. Each disbursement of Loan Proceeds is conditioned upon there being deposited in the Collateral Fund by the Borrower cash in an amount equal to the amount of Loan Proceeds being disbursed out of the Project Fund to pay TIF-eligible costs. The Borrower intends to obtain such cash from the proceeds of the TIF Loan being made to the Borrower by BHCDC ("TIF Loan Proceeds"). The Borrower anticipates, however, that Loan Proceeds will be needed to be disbursed out of the Project Fund during the course of renovating the Project at times when TIF Loan Proceeds are not yet available for deposit into the Collateral Fund as required by this Note Indenture. Accordingly, the Borrower intends to obtain a bridge loan (the "TIF Bridge Loan") to provide funds, on an interim basis, that the Borrower can use to make deposits into the Collateral Fund as required by this Indenture. The principal amount of the TIF Bridge Loan will be repaid by the Borrower from the TIF Loan Proceeds, when and as received by the Borrower, and interest on the TIF Bridge Loan will be paid by the Borrower from capital contributions made to the Borrower from its partners and/or a tax credit equity bridge loan.

**Section 12.02 TIF Bridge Loan Proceeds.** In the event that the Borrower uses proceeds of the TIF Bridge Loan ("TIF Bridge Loan Proceeds") for any deposit by the Borrower into the Collateral Fund, the Borrower shall notify the Note Trustee of the amount of TIF Bridge Loan Proceeds so used. If, subsequently, TIF Loan Proceeds are deposited with the Note Trustee (either by the City (pursuant to a direction to do so by BHCDC), by BHCDC (pursuant to a direction to do so by the Borrower), or by the Borrower), then such TIF Loan Proceeds shall be deposited by the Note Trustee in the Collateral Fund and, concurrently therewith, and subject to Section 4.07, the Note Trustee shall disburse the same amount from the Collateral Fund to or as directed by the Borrower to the lender of the TIF Bridge Loan.

Notwithstanding anything contained in this Note Indenture to the contrary, the lender of the TIF Bridge Loan is an intended express third party beneficiary of this ARTICLE XII.

Notwithstanding anything contained in this Note Indenture or the Loan Agreement to the contrary, TIF Loan Proceeds may be used to repay the TIF Bridge Loan.

Notwithstanding anything contained in this Note Indenture or the Loan Agreement to the contrary, the Issuer shall disburse TIF Funds solely pursuant to the terms of the Redevelopment Agreement.

### ARTICLE XIII MISCELLANEOUS

**Section 13.01 Note Indenture for Benefit of Issuer, Note trustee and Holders.** Except as herein otherwise specifically provided, nothing in this Note Indenture expressed or implied is intended or shall be construed to confer upon any person, other than the Issuer, the Note Trustee and the Holders of the Notes, any right, remedy or claim under or by reason of this Note Indenture, this Note Indenture being intended to be for the sole and exclusive benefit of the Issuer and the Note Trustee and the Holders of the Notes; provided that this Note Indenture shall also be for the benefit of the Borrower, and the Borrower shall be deemed to be a third-party beneficiary of and in connection with those matters in which the terms of this Note Indenture fairly construed are indicative that they are for the benefit of the Borrower.

**Section 13.02 Severability.** In case any one or more of the provisions of this Note Indenture or of the Notes for any reason, is held to be illegal or invalid such illegality or invalidity shall not affect any other provisions of this Note Indenture or the Notes, and this Note Indenture and the Notes shall be construed and enforced to the end that the transactions contemplated hereby be effected and the obligations contemplated hereby be enforced as if such illegal or invalid provisions had not been contained therein.

No personal recourse may be taken, directly or indirectly, against any past, present or future officer, director, employee or agent of the Issuer with respect to the obligations of the Issuer under this Note Indenture or any certificate or other writing delivered in connection therewith. The Issuer's immunities and protections from liability and its right to indemnification in connection with the performance of its duties and functions under this Note Indenture shall extend to the Issuer's past, present and future officers, directors, employees and agents.

**Section 13.04 Governing Law.** The laws of the State shall govern the construction of this Note Indenture and of all Notes issued hereunder, without reference to its conflict of laws principles.

#### **Section 13.05 Notices; Publication of Notice**

(a) All notices, advice, certifications or other communications hereunder between the Issuer and the Note Trustee shall be sufficiently given and shall be deemed given when delivered by hand or overnight courier, or mailed by certified or registered mail, postage prepaid, return receipt requested, or transmitted by electronic means (including, without limitation, facsimile transmission) addressed to the appropriate Notice Address. The Issuer or the

Note Trustee may, by notice given hereunder, designate any further or different addresses to which subsequent notices, advice, certifications or other communications shall be sent. Notices to persons other than the Issuer or the Note Trustee (such as, for example, notices to owners of Notes) shall be governed by the other applicable provisions of this Note Indenture.

(b) Whenever the Issuer or the Note Trustee is required or permitted to give or publish notice of any event or occurrence under this Note Indenture, such notice shall be given or published in such manner and by such means as the Issuer or the Note Trustee, as the case may be, shall determine to be appropriate. Such publication may be by (but is not limited to) any of the following means: (1) publication in one or more newspapers or trade journals selected by the Issuer or the Note Trustee, as the case may be; (2) publication by or through one or more financial information reporting services; (3) delivery to one or more "nationally recognized municipal securities information repositories" (as such terms is defined in Securities and Exchange Commission Rule 15c2-12) or any successor repository or entity fulfilling a substantially similar or like role; or (4) by mailing a copy of such notice by first class mail, postage prepaid, to the person entitled to receive the notice at such person's address as shown on the records of the Issuer or the Note Trustee.

**Section 13.06 Note Trustee as Paying Agent and Note Registrar.** The Note Trustee is hereby designated and agrees to act as paying agent and Bond registrar for and in respect to the Notes.

**Section 13.07 Execution of Instruments by Holders and Proof of Ownership of Notes.** Any request, direction, consent or other instrument in writing required or permitted by this Note Indenture to be signed or executed by Holders may be in any number of concurrent instruments of similar tenor and may be signed or executed by such Holders in person or by agent appointed by an instrument in writing. Proof of the execution of any such instrument and of the ownership of the Notes shall be sufficient for any purpose of this Note Indenture and shall be conclusive in favor of the Note Trustee with regard to any action taken by it under such instrument if made in the following manner:

(a) The fact and date of the execution by any person of any such instrument may be proved by the certificate of any officer in any jurisdiction who, by the laws thereof, has power to take acknowledgments within such jurisdiction, to the effect that the person signing such instrument acknowledged before him the execution thereof, or by an affidavit of a witness to such execution.

(b) The ownership of Notes shall be conclusively proved by the registration books kept under the provisions of Section 2.09 of this Note Indenture.

Nothing contained in this ARTICLE shall be construed as limiting the Note Trustee to such proof, it being intended that the Note Trustee may accept any other evidence of the matters herein stated which to it may seem sufficient. Any request or consent of the Holder of any Note shall bind every future Holder of the same Note in respect of anything done by the Note Trustee pursuant to such request or consent.

**Section 13.08 Counterparts.** This Note Indenture may be simultaneously executed in several counterparts, each of which shall be an original, but all of which shall constitute but one and the same instrument.

**Section 13.09 Successors and Assigns.** All the covenants and representations contained in this Note Indenture, by or on behalf of the Issuer, shall bind and inure to the benefit of its successors and assigns, whether expressed or not.

**Section 13.10 Books, Records and Accounts.** The Note Trustee agrees to keep proper books, records and accounts in which complete and correct entries shall be made of all transactions relating to the receipt, disbursements, investment, allocation and application of the proceeds received from the sale of the Notes, the revenues received from the Funds created pursuant to this Note Indenture and all other money held by the Note Trustee hereunder. The Note Trustee shall make such books, records and accounts available for inspection by the Issuer or the Holder of any Note during reasonable hours and under reasonable conditions.

**Section 13.11 HUD and GNMA Requirements to Control.** Notwithstanding anything in this Note Indenture to the contrary, the provisions of this Note Indenture and the Loan Agreement are subject and subordinate to the National Housing Act, all applicable HUD insurance regulations and related administrative requirements and the Mortgage Loan Documents and all applicable GNMA regulations and related administrative requirements (all as set forth in the Bond Indenture); and in the event of any conflict between the provisions of this Note Indenture or the Loan Agreement and the provisions of the National Housing Act, any applicable HUD regulations, related administrative requirements and the Mortgage Loan Documents, any applicable GNMA regulations and related administrative requirements, the said National Housing Act, HUD regulations, related administrative requirements and Mortgage Loan Documents, and the said GNMA regulations and related administrative requirements shall be controlling in all respects.

**Section 13.12 HUD Regulations.** Notwithstanding anything in this Note Indenture to the contrary, the Issuer, its designee or any person shall not and cannot acquire or succeed to Grand Boulevard Housing IV, LLC's interest as general partner of the Borrower or exercise Grand Boulevard Housing IV, LLC's rights or powers as such general partner unless and until the Issuer, its designee or any person first complies with all HUD requirements pertaining to transfers of physical assets and received HUD's written preliminary approval. Prior to satisfying the requirements pertaining to transfers of physical assets neither the Issuer, its designee nor any person will assert any claim or interest in the HUD Project (HUD Project No. 071-35889) by reasons of the provisions of this Note Indenture. Except as otherwise set forth herein or in the Loan Agreement, any claim asserted against the Project shall not be a personal liability of the Borrower but shall instead be a limited obligation payable solely from the Borrower's interest in, and Surplus Cash (as defined in the HUD Regulatory Agreement) revenues derived from, the Project.

This Note is one of an issue of the \$\_\_\_\_\_ City of Chicago Multi-Family Housing Revenue Notes (Paul G. Stewart Apartments Phase III Tower Project), Series 2016 (the "Notes"), of like date and tenor, except as to number and denomination, issued under and pursuant to Article VII, Section 6 of the 1970 Constitution of the State of Illinois, and pursuant to the ordinance adopted by the Issuer on \_\_\_\_\_, 2016. The Notes are issued under and are equally and ratably secured as to principal, premium, if any, and interest by a Note Indenture dated as of October 1, 2016, from the Issuer to the Note Trustee (the "Note Indenture"), to which Note Indenture and all indentures supplemental thereto (copies of which are on file at the office of the Note Trustee) reference is hereby made. By the acceptance of this Note, the Holder hereof assents to all of the provisions of the Note Indenture.

The Notes are limited obligations of the Issuer, payable solely from funds, monies and securities held by the Note Trustee under the Note Indenture and amounts derived under the Loan Agreement (as defined in the Note Indenture), including amounts derived from the Redevelopment Agreement described herein.

The Notes, together with premium, if any, and interest thereon, do not constitute an indebtedness, liability, general or moral obligation or a pledge of the full faith or loan of credit of the Issuer, the State of Illinois, or any political subdivision of the State of Illinois within the meaning of any constitutional or statutory provisions. None of the Issuer, the State of Illinois or any political subdivision thereof shall be obligated to pay the principal of, premium, if any, or interest on the Notes or other costs incident thereto except from the revenues and assets pledged with respect thereto. Neither the full faith and credit nor the taxing power of the United States of America, the Issuer, the State of Illinois or any political subdivision thereof is pledged to the payment of the principal of, premium, if any, or interest on the Notes or other costs incident thereto. The Notes are not a debt of the United States of America or any agency thereof, and are not guaranteed by the United States of America or any agency thereof.

This Note shall not be entitled to any benefit under the Note Indenture or become valid or obligatory for any purpose until the certificate of authentication shall have been signed by the Note Trustee.

The Notes are being issued by the Issuer for the purpose of financing a loan (the "Loan"), to be made to PGS Bronzeville III Limited Partnership, an Illinois limited partnership (the "Borrower") for the purpose of financing a portion of the cost of acquisition, rehabilitation and equipping of a 20-story, residential apartment building containing approximately 180 residential dwelling units, along with common area, service and management offices on the 1<sup>st</sup> and 2<sup>nd</sup> floors and approximately 70 parking spaces (nine of which are handicapped accessible), for low- and moderate-income senior individuals and families, located at 401 East Bowen Avenue, Chicago, Illinois, and known as "the Paul G. Stewart Apartments Phase III Tower" (the "Project"). The Proceeds of the Notes are being lent to the Borrower by the Issuer under a Loan Agreement dated as of October 1, 2016, between the Borrower and the Issuer (the "Loan Agreement") and evidenced by a Promissory Note dated as of October \_\_\_\_\_, 2016 from the Borrower to the Issuer (the "Promissory Note").

The Notes are issued under the Note Indenture and, to the extent provided therein, are together with all other Notes that may be issued thereunder, equally and ratably secured and entitled to the protection given by the Note Indenture. Pursuant to the Note Indenture, the Issuer has assigned to the Note Trustee (among other things) the Revenues. Pursuant to the Promissory Note and the Loan Agreement, payments sufficient for the prompt payment when due of the principal of and interest on the Notes are to be paid by the Borrower to the Note Trustee for the account of the Issuer. The obligations of the Borrower under the Promissory Note and the Loan Agreement are secured by the proceeds of the Notes deposited into the Project Fund, the Collateral Fund and the Note Payment Fund, all created pursuant to Section 4.01 of the Note Indenture.

Reference is made to the Note Indenture, the Promissory Note, the Loan Agreement and to all amendments and supplements thereto for a description of the property pledged and assigned and the provisions, among others, with respect to the nature and extent of the security, the rights, duties and other obligations of the Issuer and the Note Trustee, the terms on which the Notes are issued and secured, the rights of the holders of the Notes and provisions for defeasance of such rights. Capitalized terms used herein have the same meaning as set forth in the Note Indenture. The Notes are subject to optional redemption prior to maturity.

In certain events, on the conditions, in the manner and with the effect set forth in the Note Indenture, the principal of all the Notes then outstanding under the Note Indenture may become or may be declared due and payable before the stated maturities thereof, together with the interest accrued thereon.

The Holder of this Note shall have no right to enforce the provisions of the Note Indenture, or to institute action to enforce the covenants therein, or to take any action with respect to any default under the Note Indenture, or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Note Indenture. The Note Trustee shall treat the registered owner of this Note as the person exclusively entitled to payment of principal and interest, and the exercise of all rights and powers of the owner of this Note.

All acts, conditions and things required by the statutes of the State and the Note Indenture to exist, to have happened and to have been performed precedent to and in the issuance of this Note, do exist, have happened and have been performed.

of the Tax Regulatory Agreement executed by the City, the Borrower and the Note Trustee in connection with the Notes.

(c) The average maturity of the Notes does not exceed 120% of the average reasonably expected economic life of the Project determined in accordance with Section 147(b) of the Code.

(d) Neither the Borrower nor any "related person" (within the meaning of the Code) will acquire, pursuant to any arrangement, formal or informal, any of the Notes in an amount related to the principal amount of the Notes.

(e) Less than 25% of the net proceeds of the Notes will be used for the acquisition of the land on which the Project is located.

(f) None of the proceeds of the Notes will be used to provide any airplane, skybox or other private luxury box, health club facility, any facility primarily used for gambling, or any store the principal business of which is the sale of alcoholic beverages for consumption off premises, and none of the proceeds of the Notes will be used for the acquisition of land to be used for farming or industrial park purposes.

(h) The Note Indenture has been submitted to the Borrower for its examination, and the Borrower acknowledges, by execution of this Loan Agreement, that it has reviewed and approved the Note Indenture.

(i) Borrower has not taken, or permitted to be taken on its behalf, and agrees that it will not take, or permit to be taken on its behalf, any action which would adversely affect the exclusion from gross income for federal income tax purposes of the interest paid on the Notes, and that it will make and take, or require to be made and taken, such acts and filings as may from time to time, be required under the Code to maintain the exclusion from gross income for federal income tax purposes of the interest on the Notes, including maintaining continuous compliance with the requirements of Section 142 of the Code.

(j) If the Borrower becomes aware of any situation, event or condition which would result in the interest of the Notes becoming includable in gross income for federal income tax purposes, the Borrower shall promptly give written notice thereof to the Issuer and the Note Trustee.

**ARTICLE III.  
ACQUISITION, REHABILITATION AND EQUIPPING OF THE PROJECT;  
ISSUANCE OF THE NOTES**

**Section 3.01 Agreement to Acquire, Rehabilitate and Equip the Project.** The Borrower agrees to make or cause to be made all contracts and do all things necessary for the acquisition, rehabilitation and equipping of the Project. The Borrower further agrees that it will acquire, rehabilitate and equip the Project with all reasonable dispatch and use its best efforts to cause the acquisition, rehabilitation and equipping of the Project to be completed by the Completion Date, or as soon thereafter as may be practicable, delays caused by force majeure as defined in Section 8.01 hereof only excepted; but if for any reason such acquisition, rehabilitation and equipping is not completed by said Completion Date there shall be no resulting liability on the part of the Borrower or the Issuer and no diminution in or postponement of the payments required in Section 4.02 hereof to be paid by the Borrower.

**Section 3.02 Agreement to Issue, Sell and Deliver the Notes; Deposit of Note Proceeds.** In order to provide funds for the payment of the Costs of the Project, the Issuer, concurrently with the execution of this Loan Agreement, will issue, sell, and deliver the Notes and deposit the proceeds thereof with the Note Trustee, which amounts shall be immediately deposited into the Project Fund.

**Section 3.03 Disbursements from the Project Fund.** In the Note Indenture, the Issuer has authorized and directed the Note Trustee to make disbursements from the Project Fund to pay Project Costs. The Note Trustee shall make disbursements from the Project Fund as provided in the Note Indenture, and pursuant to the receipt of a Requisition in substantially the form attached to the Note Indenture as Exhibit B.

**Section 3.04 Furnishing Documents to the Note Trustee.** The Borrower agrees to cause such Requisitions to be directed to the Note Trustee as may be necessary to effect payments out of the Project Fund in accordance with Section 3.03 hereof, including all documents Borrower may be required to provide under the Redevelopment Agreement.

**Section 3.05 Establishment of Completion Date.**

(a) The Borrower Representative shall evidence completion of the Project and the actual date of completion to the Issuer and the Note Trustee by an executed certificate evidencing the completion of the Project (the "Completion Certificate"). The Completion Certificate shall be executed by the Borrower Representative and shall state to the best information and belief of the Borrower, after due inquiry, that, except for amounts retained (subject to the provisions of this Section 3.05) by the Note Trustee at the Issuer's or the Borrower's direction for any costs not then due and payable or costs due and payable, the payment of which is being diligently contested in good faith, construction of the Project has been completed in material compliance with all applicable laws, regulations and agreements, and all costs of labor, services, materials and supplies used in the Project have been paid, all equipment necessary for the operation of the Project has been purchased, installed and paid for, is suitable and sufficient for its intended purposes, and is fully operable, all costs and expenses incurred in connection with the Project have been paid except for amounts not yet due and payable or being

diligently contested in good faith by the Borrower, and the Project is suitable and sufficient for its intended purposes. Notwithstanding the foregoing, the Completion Certificate shall further state that it is given without prejudice to any rights of the Borrower against third parties which exist at the date of the Completion Certificate or which may subsequently come into being. The Completion Certificate shall be furnished by the Borrower to the Issuer and the Note Trustee promptly following the completion of the Project.

(b) If at least ninety-five percent (95%) of the Net Proceeds of the Notes have not been used to pay Costs of the Project, any amount (exclusive of amounts retained by the Note Trustee in the Project Fund for payment of Costs of the Project not then due and payable) remaining in the Project Fund shall be transferred by the Note Trustee into the Note Payment Fund and used by the Note Trustee (i) to pay the principal of the Notes or (ii) for any other purpose provided that the Note Trustee is furnished with an opinion of Bond Counsel to the effect that such use is a lawful use of such amounts and will not cause interest on the Notes to be included in gross income for federal income tax purposes. Until used for one or more of the foregoing purposes, such segregated amount may be invested as permitted by the Note Indenture provided that prior to any such investment the Note Trustee is provided with an opinion of Bond Counsel to the effect that such investment will not cause interest on the Notes to be included in gross income for federal income tax purposes.

**Section 3.06 Borrower Required to Pay in Event Project Fund Insufficient.** In the event the moneys in the Project Fund available for payment of the Costs of the Project are not sufficient to pay the Costs of the Project in full, the Borrower agrees to complete the Project and to pay that portion of the Costs of the Project in excess of the moneys available therefor in the Project Fund. The Issuer does not make any warranty, either express or implied, that the moneys paid into the Project Fund and available for payment of the Costs of the Project will be sufficient to pay all of the Costs of the Project. The Borrower agrees that if after exhaustion of the moneys in the Project Fund, the Borrower should pay any portion of the Costs of the Project pursuant to the provisions of this Section 3.06, the Borrower shall not be entitled to any reimbursement therefor from the Issuer, the Note Trustee or the Holders of any of the Notes, nor shall the Borrower be entitled to any diminution of the amounts payable under this Loan Agreement.

**Section 3.07 Arbitrage Covenant.** The Borrower covenants with the Issuer (a) not to take any action or fail to take any action which would cause the interest on the Notes to be or become includable in the gross income of the Holders for federal income tax purposes and (b) not to cause or direct any moneys on deposit in any fund or account to be used in a manner that would cause the Notes to be classified as "arbitrage bonds" within the meaning of Section 148 of the Code. The Borrower certifies and covenants to and for the benefit of the Issuer and the Holders that so long as there are any Notes outstanding, moneys on deposit in any fund or account in connection with the Notes, whether such moneys were derived from the proceeds of the sale of the Notes or from any other sources, will not be used in a manner that will cause the Notes to be classified as "arbitrage bonds" within the meaning of Section 148 of the Code. In order to satisfy the arbitrage and rebate requirements contained in the Code, the Borrower will comply with the provisions of the Tax Regulatory Agreement, including the hiring of a rebate analyst and payment of such rebate analyst's fee, as set forth in the Tax Regulatory Agreement.

**ARTICLE IV.  
LOAN PROVISIONS**

**Section 4.01 Loan of Proceeds.** The Issuer agrees, upon the terms and conditions contained in this Loan Agreement and the Note Indenture, to lend to the Borrower the proceeds received by the Issuer from the sale of the Notes. Such proceeds shall be disbursed to or on behalf of the Borrower as provided in Section 3.03 hereof.

**Section 4.02 Amounts Payable.**

(a) The Borrower hereby covenants and agrees to repay the Loan on or before any date that any payment of interest or principal is required to be made in respect of the Notes pursuant to the Note Indenture, until the principal of and interest on the Notes shall have been fully paid or provision for the payment thereof shall have been made in accordance with the Note Indenture, in immediately available funds, a sum which, together with any other moneys available for such payment in any account of the Note Payment Fund, will enable the Note Trustee to pay the amount payable on such date as principal of (whether at maturity or acceleration or otherwise) and interest on the Notes as provided in the Note Indenture. Payments by the Note Trustee of principal and interest on the Notes from amounts in the Note Payment Fund and funds deposited in the Collateral Fund under the Indenture from TIF-Related Amounts (as defined and described in the Note Indenture) and other funds shall be credited against the Borrower's obligation to pay principal and interest on the Loan. The Borrower also covenants and agrees to pay any additional interest, taxes or penalties that may be due as a result of a Determination of Taxability.

It is understood and agreed that all payments of principal and interest payable by the Borrower under subsection (a) of this Section 4.02 are assigned by the Issuer to the Note Trustee for the benefit of the Holders of the Notes (excluding amounts on deposit in the Rebate Fund). The Borrower consents to such assignment.

(b) In the event the Borrower should fail to make any of the payments required in this Section 4.02, the item or installment so in default shall continue as an obligation of the Borrower until the amount in default shall have been fully paid, and the Borrower agrees to pay the same with interest thereon, to the extent permitted by law, from the date when such payment was due, at the rate of interest borne by the Notes.

**Section 4.03 Fees and Expenses.** The Borrower agrees to pay the Issuer's Fee on the Closing Date, the Bond Legal Reserve Fee on the Closing Date, the City's Administrative Fee (on a semiannual basis), the Trustee's Fees and the fee of any rebate analyst hired to comply with the requirements set forth in the Tax Regulatory Agreement (including the reasonable fees and expenses of their respective counsel actually incurred) in connection with the issuance of the Notes and the performance of their duties in connection with the transactions contemplated hereby, including, without limitation, all costs of recording and filing, to the extent such fees and expenses are not otherwise paid from the Project Fund in accordance with the Note Indenture. All such amounts shall be paid directly to the parties entitled thereto for their own account. The Borrower will also pay any reasonable expenses actually incurred in connection with any redemption of the Notes. Specifically, and without limiting the foregoing, the Borrower agrees to

pay to and indemnify the Issuer, the Note Trustee or to any payee designated by the Issuer, within thirty (30) calendar days after receipt of request for payment thereof, all reasonable expenses of the Issuer and the Note Trustee actually incurred and related to the Project and the financing thereof which are not paid from the funds held under the Note Indenture, including, without limitation, reasonable legal and paralegal fees and expenses incurred in connection with the interpretation, performance, enforcement or amendment of any documents relating to the Project or the Notes or in connection with questions or other matters arising under such documents.

The obligations of the Borrower under this Section shall survive the termination of this Loan Agreement and the payment and performance of all of the other obligations of the Borrower hereunder and under the other Borrower Documents.

**Section 4.04 Obligations of the Borrower Unconditional.** The obligations of the Borrower to make the payments required under this Loan Agreement, and to perform and observe the other agreements on its part contained herein shall be absolute and unconditional, irrespective of any defense or any right of notice, setoff, recoupment or counterclaim it might otherwise have against the Issuer, the Note Trustee or any other person. Subject to termination as provided herein, the Borrower (a) will not suspend or discontinue, or permit the suspension or discontinuance of, any payments provided for under this Loan Agreement, (b) will perform and observe all of its other agreements contained in this Loan Agreement and (c) will not terminate this Loan Agreement for any cause including, without limiting the generality of the foregoing, any acts or circumstances that may constitute failure of consideration, eviction or constructive eviction, destruction of or damage to the Project, commercial frustration of purpose, or change in the tax or other laws or administrative rulings of or administrative actions by the United States of America or the State or any political subdivision of either, any failure of the Issuer to perform and observe any agreement, whether express or implied, or any duty, liability, or obligation arising out of or connected with this Loan Agreement, whether express or implied, or any failure of the Note Trustee to perform and observe any agreement, whether express or implied, or any duty, liability or obligation arising out of or connected with the Note Indenture, whether express or implied.

**Section 4.05 Limited Obligation of Issuer.** The obligations of the Issuer under this Loan Agreement are special, limited obligations of the Issuer, payable solely out of the Revenues. The obligations of the Issuer hereunder shall not be deemed to constitute an indebtedness or an obligation of the Issuer, the State of Illinois or any political subdivision thereof within the meaning of any constitutional limitation or statutory provision, or a charge against the credit or general taxing powers, if any, of any of them.

**Section 4.06 Assignment of Issuer's Rights.** As security for the payment of the Notes, the Issuer will, pursuant to the Note Indenture and the Assignment, assign and pledge to the Note Trustee all of the Issuer's right, title and interest in and to this Loan Agreement and the Promissory Note, except that it will retain the Issuer Reserved Rights, but such retention by the Issuer will not limit in any way the exercise by the Note Trustee of its rights hereunder, under the Assignment or under the Note Indenture, the Promissory Note and the Notes. Notwithstanding anything herein to the contrary, the Issuer hereby directs the Borrower to make all payments under this Loan Agreement (except with respect to the Issuer Reserved Rights) and the

Promissory Note directly to the Note Trustee. The Borrower hereby acknowledges and consents to such pledge and assignment, and agrees to make payments directly to the Note Trustee (except with respect to the Issuer Reserved Rights), without defense or set-off, recoupment or counterclaim by reason of any dispute between the Borrower on the one hand, and the Note Trustee or the Issuer on the other hand, or otherwise. After any such assignment and pledge referenced in this Loan Agreement, the Note Indenture, the Notes or the Promissory Note, all rights, interest and benefits accruing to the Issuer under this Loan Agreement or the Promissory Note, except for the Issuer Reserved Rights, shall be assigned to and become the rights and benefits of the Trustee. Any obligations of the Issuer as provided in the Note Indenture, this Loan Agreement, the Notes or the Promissory Note shall remain the obligations of the Issuer to the extent provided herein and therein after such assignment. The Issuer agrees that the Note Trustee, in its name or in the name of the Issuer, may enforce all rights of the Issuer (other than the Issuer Reserved Rights) and all obligations of the Borrower under and pursuant to the assigned documents as aforesaid, and the Issuer will not enforce such rights and obligations itself except at the written direction of the Note Trustee, in each case whether or not the Issuer is in Default hereunder.

#### **ARTICLE V. SPECIAL COVENANTS**

**Section 5.01 Access to the Project.** The Borrower agrees that the Issuer, the Note Trustee and their duly authorized agents, attorneys, experts, engineers, accountants and representatives shall have the right to inspect the Project and the acquisition, rehabilitation and equipping thereof at all reasonable times. The Borrower acknowledges that the Issuer shall monitor the acquisition, rehabilitation and equipping of the Project. The Issuer, the Note Trustee and their duly authorized agents shall also be permitted, at all reasonable times, to examine the books, accounts, contracts, documents, and other papers of the Borrower with respect to the Project which shall all be maintained by the Borrower in reasonable condition and for audit.

**Section 5.02 Further Assurances and Corrective Instruments.** The Issuer and the Borrower agree that they will, from time to time, execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, such supplements hereto and such further instruments as may reasonably be required for carrying out the expressed intention of this Loan Agreement.

The Note Trustee shall be authorized to act on any such approval or request pursuant to the Note Indenture.

**Section 5.04 Financing Statements.** The Borrower shall, or shall cause to be executed and filed any and all financing statements, or any amendments thereof or continuation statements thereto, to perfect the security interests granted in the Note Indenture, in the manner prescribed in the Note Indenture. The Borrower shall pay all costs of filing such instruments and any fees and expenses (including reasonable attorney's fees) associated therewith.

**Section 5.05 Insurance.** The Borrower shall obtain and keep in force such insurance coverage as may be required by the Issuer in its reasonable discretion from time to time. All insurance policies and renewals thereof relating to the Project shall be in a form acceptable to the Issuer in its reasonable discretion and shall designate the Issuer and the Note Trustee as additional insured for liability insurance on the Project. The Issuer shall be furnished with full copies of all policies within fifteen (15) calendar days of receipt thereof and shall have the right to receive duplicate copies of policies and renewals, and the Borrower shall promptly furnish the Issuer with copies of all renewal notices and all receipts for paid premiums within fifteen (15) calendar days of receipt thereof. The Borrower shall notify the Issuer at least 30 calendar days in advance of an endorsement or of any change in the terms of coverage adverse to the Issuer. In the event of loss, the Borrower shall give prompt notice to the insurance carrier and the Issuer.

With respect to any casualty insurance, it shall (a) be in an amount equal to the greater of the actual cash value or the replacement cost of the insurable then existing improvements and equipment in the Project and (b) be provided by an insurance company with a claims paying ability rating of not less than "B+V" by A.M. Best.

**Section 5.06 Restriction on Plans and Specifications.** The Borrower will not cause, permit or suffer to exist, any material deviations from the Plans and Specifications and will not approve or consent to any construction change directive without the prior approval of the Issuer, which approval shall not be unreasonably held.

**Section 5.07 Requisitions.**

(a) At such time as the Borrower shall desire to obtain an advance from the Project Fund, the Borrower shall complete, execute and deliver to the Note Trustee a Requisition. Each Requisition shall be signed on behalf of the Borrower, shall be in the form set forth on Exhibit B to the Note Indenture, and shall state with respect to each disbursement to be made: (i) the number of the Requisition, (ii) the amount to be disbursed and the sources of such disbursement, (iii) that each obligation described therein is a Project Cost, has been properly incurred and has not been the basis for any previous disbursement, (iv) that the expenditure of such disbursement when added to all previous disbursements will result in not less than 95% of all disbursements from proceeds of the Notes having been used to pay or reimburse the Borrower for Qualified Project Costs, and (v) that all Project Costs contained on such Requisition constitute TIF Funded Improvements (as defined in the Redevelopment Agreement) under the Redevelopment Agreement. The Borrower shall submit the Requisition to the Note Trustee for payment. Approved Requisitions may be submitted to the Note Trustee by facsimile and shall not include accompanying supporting materials.

(b) The amounts deposited into the Project Fund may be disbursed by the Note Trustee only in accordance with Section 5.02 of the Note Indenture, including delivery of a written Requisition of the Borrower satisfying the requirements of this Section 5.07 and Section 5.02 of the Note Indenture.

**Section 5.08 Borrower Receipt of Insurance or Condemnation Proceeds.** In the event the Borrower receives any proceeds of insurance or any condemnation awards with respect to the Project from a party other than the Note Trustee, the Borrower shall promptly upon receipt remit all such insurance proceeds or condemnation awards to the Note Trustee for deposit to the Project Fund under the Note Indenture, and subject to the Requisition approval process set forth herein, such proceeds shall be used to repair or restore the loss caused to the Project.

The Borrower and the Issuer acknowledge that the Note Trustee shall have no obligations under this Section 5.09 other than to receive such statements and, if requested, to furnish such statements to Holders.

**Section 5.10 Environmental Requirements; Indemnity.**

(a) As between the Issuer and the Borrower, the Issuer and the Borrower agree and understand that the terms and provisions of an environmental indemnification agreement between the parties, if any, shall govern all indemnifications from the Borrower to the Issuer with respect to environmental matters affecting the Project. The terms and provisions of such environmental indemnification agreement are incorporated herein by this reference, mutatis mutandis, as if fully set forth herein with respect to such relationship. As such, the balance of the provisions of this Section govern only the relationship between the Borrower and the Issuer with respect to indemnifications from the Borrower to the Issuer with regard to environmental matters affecting the Project.

(b) For purposes of this Section 5.10, the term "Hazardous Substance" means and includes any substance, material or waste, including asbestos, petroleum and petroleum products (including crude oil), that is or becomes designated, classified or regulated as "toxic," "hazardous" or a "pollutant," or that is or becomes similarly designated, classified or regulated, under any federal, state or local law, regulation or ordinance, but does not include any such substance that is a customary and ordinary household, cleaning or office product used on the Premises (as defined below) by Borrower or any tenant or agent of Borrower, or customary construction materials used during the course of construction of the Project by the Borrower and its general contractor, provided such use is in accordance with applicable hazardous materials laws.

(c) Before signing this Loan Agreement, the Borrower researched and inquired into the previous uses and owners of the premises on which the Project is located (the "Premises") and obtained a Phase I environmental site assessment and other reports with respect to the environmental conditions of the Premises, a copy of which has been delivered to the Issuer. Based on that due diligence, the Borrower represents and warrants to the Issuer that,

except as the Borrower has disclosed to the Issuer in writing and as described in the Phase I environmental site assessment, to the best of the Borrower's knowledge, (i) no Hazardous Substance has been disposed of, or released to or from, or otherwise now exists in, on, under or around, the Premises, and (ii) no aboveground or underground storage tanks are now or have ever been located on or under the Premises.

(d) The Borrower has complied, and will comply and cause all tenants and any other persons who may come upon the Premises to comply in all material respects with all federal, state and local laws, regulations and ordinances governing or applicable to Hazardous Substances, including those requiring disclosures to prospective and actual buyers or tenants of all or any portion of the Premises. The Borrower will not install or allow to be installed any aboveground or underground storage tanks on the Premises. The Borrower must comply with the recommendations of any qualified environmental engineer or other expert engaged by the Borrower with respect to the Premises. The Borrower must promptly notify the Issuer in writing (1) if it knows, suspects or believes there may be any Hazardous Substance in or around any part of the Premises, any improvements constructed on the Premises, or the soil, groundwater or soil vapor on or under the Premises, or that the Borrower or the Premises may be subject to any threatened or pending investigation by any governmental agency under any law, regulation or ordinance pertaining to any Hazardous Substance, and (ii) of any claim made or threatened by any person, other than a governmental agency, against the Borrower arising out of or resulting from any Hazardous Substance being present or released in, on or around any part of the Premises, any Improvements constructed on the Premises or the soil, groundwater or soil vapor on or under the Premises (any of the matters described in clauses (i) and (ii) above a "Hazardous Substances Claim").

(e) The Issuer, and its respective officers, employees, directors, agents, assignees, and any purchasers of the Premises at any foreclosure sale (each individually, an "Indemnified Party," and all collectively, the "Indemnified Parties"), have the right at any reasonable time and upon notice to the Borrower to enter and visit the Premises for the purposes of observing the Premises, taking and removing soil or groundwater samples and conducting tests on any part of the Premises. The Indemnified Parties have no duty, however, to visit or observe the Premises or to conduct tests, and no site visit, observation or testing by any Indemnified Party imposes any liability on any Indemnified Party. In no event will any site visit, observation or testing by any Indemnified Party be a representation that Hazardous Substances are or are not present in, on or under the Premises, or that there has been or will be compliance with any law, regulation or ordinance pertaining to Hazardous Substances or any other applicable governmental law. Neither the Borrower nor any other party is entitled to rely on any site visit, observation or testing by any Indemnified Party. The Borrower waives to the fullest extent permitted by law any such duty of care on the part of the Indemnified Parties or any other party to protect the Borrower or inform the Borrower or any other party of any Hazardous Substances or any other adverse condition affecting the Premises. Any Indemnified Party will give the Borrower reasonable notice before entering the Premises. The Indemnified Party will make reasonable efforts to avoid interfering with the Borrower's use of the Premises in exercising any rights provided in this Section. The Borrower must pay all costs and expenses incurred by an Indemnified Party in connection with any inspection or testing conducted in accordance with this subsection. The results of all investigations conducted and/or reports prepared by or for any Indemnified Party must at all times remain the property of the Indemnified Party, and under no

circumstances will any Indemnified Party have any obligation whatsoever to disclose or otherwise make available to the Borrower or any other party the results or any other information obtained by any of them in connection with the investigations and reports. Notwithstanding the foregoing, the Indemnified Parties hereby reserve the right, and the Borrower hereby expressly authorizes any Indemnified Party, to make available to any party (including any governmental agency or authority and any prospective bidder at any foreclosure sale of the Premises) any and all reports, whether prepared by any Indemnified Party or prepared by the Borrower and provided to any Indemnified Party (collectively, "Environmental Reports") that any Indemnified Party may have with respect to the Premises. The Borrower consents to the Indemnified Parties' notifying any party (either as part of a notice of sale or otherwise) of the availability of any or all of the Environmental Reports and the information contained therein. The Borrower acknowledges that the Indemnified Parties cannot control or otherwise assure the truthfulness or accuracy of the Environmental Reports and that the release of the Environmental Reports, or any information contained therein, to prospective bidders at any foreclosure sale of the Premises may have a material and adverse effect upon the amount that a party may bid at such sale. The Borrower agrees that the Indemnified Parties have no liability whatsoever as a result of delivering any or all of the Environmental Reports or any information contained therein to any third party, and the Borrower hereby releases and forever discharges the Indemnified Parties from any and all claims, damages, or causes of action, arising out of, connected with or incidental to the Environmental Reports or the delivery thereof.

(f) The Borrower must promptly undertake any and all remedial work ("Remedial Work") in response to Hazardous Substances Claims to the extent required by governmental agency or agencies involved or as recommended by prudent business practices, if such standard requires a higher degree of remediation, and in all events to minimize any impairment to the Issuer's security under the Borrower Documents. All Remedial Work must be conducted (i) in a diligent and timely fashion by licensed contractors acting under the supervision of a consulting environmental engineer, (ii) pursuant to a detailed written plan for the Remedial Work approved by all public or private agencies or persons with a legal or contractual right to such approval, (iii) with insurance coverage pertaining to liabilities arising out of the Remedial Work as is then customarily maintained with respect to such activities, and (iv) only following receipt of any required permits, licenses or approvals. The selection of the Remedial Work contractors and consulting environmental engineer, the contracts entered into with such parties, any disclosures to or agreements with any public or private agencies or parties relating to Remedial Work and the written plan for the Remedial Work (and any changes thereto) at the Issuer's option, is subject to the Issuer's prior written approval, which may not be unreasonably withheld or delayed.

(g) The obligations and rights of the parties under this Section 5.10 continue in full force and effect until the first to occur of full, final and indefeasible repayment of the Liabilities or the transfer of title to all or any part of the Premises at a foreclosure sale or by deed in lieu of such foreclosure (any such foregoing transfer being referred to as a "Foreclosure Transfer"). The parties' obligations and rights under this Section 5.10 continue in full force and effect after the full and final payment of the Liabilities or a Foreclosure Transfer, as the case may be, but (i) in the case of a full and final payment of the Liabilities, the Borrower's obligations under this Section 5.10 are thereafter limited to the indemnification obligations of subsections (i) and (j) below as to Indemnified Costs (as defined below) arising out of or as a result of events

prior to the full and final payment of the Liabilities, and (ii) in the case of a Foreclosure Transfer, the obligations do not include the obligation to reimburse any Indemnified Party for diminution in value of the Premises resulting from the presence of Hazardous Substances on the Premises before the date of the Foreclosure Transfer if, and to the extent that, the Indemnified Party recovers on a deficiency judgment including compensation for such diminution in value; provided, however, that nothing in this sentence impairs or limits an Indemnified Party's right to obtain a judgment in accordance with applicable law for any deficiency in recovery of all obligations, subject to the provisions of Section 9.03 hereof. As used in this Section 5.10, the term "Indemnified Costs" means all actual or threatened liabilities, claims, actions, causes of action, judgments, orders, damages (including foreseeable and unforeseeable consequential damages), costs, expenses, fines, penalties and losses incurred in connection with Hazardous Substances on the Property (including sums paid in settlement of claims and all consultant, expert and reasonable legal fees and expenses of the Issuer's counsel), including those incurred in connection with any investigation of site conditions or any clean-up, remedial, removal or restoration work (whether of the Premises or any other property), or any resulting damages, harm or injuries to the person or property of any third parties or to any natural resources.

(h) The Borrower shall indemnify, defend and hold the Indemnified Parties harmless for, from and against any and all Indemnified Costs directly or indirectly arising out of or resulting from any Hazardous Substance being present or released in, on or around any part of the Premises, or in the soil, groundwater or soil vapor on or under the Premises, including: (i) any claim for such Indemnified Costs asserted against any Indemnified Party by any federal, state or local governmental agency, including the United States Environmental Protection Agency and the Illinois Environmental Protection Agency, and including any claim that any Indemnified Party is liable for any such Indemnified Costs as an "owner" or "operator" of the Premises under any law relating to Hazardous Substances; (ii) any claim for such Indemnified Costs asserted against any Indemnified Party by any person other than a governmental agency, including (1) any person who may purchase or lease all or any portion of the Premises from the Borrower, from any Indemnified Party or from any other purchaser or lessee, (2) any person who may at any time have any interest in all or any portion of the Premises, (3) any person who may at any time be responsible for any clean-up costs or other Indemnified Costs relating to the Premises, and (4) any person claiming to have been injured in any way as a result of exposure to any Hazardous Substance; (iii) any Indemnified Costs incurred by any Indemnified Party in the exercise by the Indemnified Party of its rights and remedies under this Section 5.10; and (iv) any Indemnified Costs incurred by any Indemnified Party as a result of currently existing conditions in, on or around the Premises, whether known or unknown by the Borrower or the Indemnified Parties at the time this Loan Agreement is executed, or attributable to the acts or omissions of the Borrower, any of the Borrower's tenants, or any other person in, on or around the Premises with the consent or under the direction of the Borrower.

(i) Upon demand by any Indemnified Party, the Borrower must defend any investigation, action or proceeding involving any Indemnified Costs that is brought or commenced against any Indemnified Party, whether alone or together with the Borrower or any other person, all at the Borrower's own cost and by counsel approved by the Indemnified Party. In the alternative, any Indemnified Party may elect to conduct its own defense at the Borrower's expense.

(j) In addition to any other rights or remedies the Issuer may have under this Loan Agreement, at law or in equity, upon the occurrence of an Event of Default under this Loan Agreement, the Issuer may do or cause to be done whatever is necessary to cause the Premises to comply with any and all laws, regulations and ordinances governing or applicable to Hazardous Substances, and any other applicable law, rule, regulation, order or agreement, and the cost thereof will become immediately due and payable upon demand by the Issuer, and if not paid when due will accrue interest at the default rate set forth in the Notes, until paid. The Borrower hereby acknowledges and agrees that any amounts realized by the Issuer by reason of the following may be applied to pay the Liabilities prior to being applied to pay the Borrower's obligations to reimburse the Issuer for costs and expenses, including those incurred by the Issuer in enforcing its rights and remedies under the provisions of this Section 5.10: (i) any payments made pursuant to the Notes or any of the Borrower Documents (other than payments made to the Issuer for reimbursement of costs and expenses or for enforcement of its rights and remedies, under the provisions of this Section 5.10); (ii) any foreclosure of documents evidencing or securing the Liabilities (including any amounts realized by reason of any credit bid in connection with any such foreclosure); (iii) any conveyance in lieu of foreclosure; (iv) any other realization upon any security for the Liabilities; (v) any recoveries against the Borrower personally (except for recoveries against the Borrower for reimbursement of costs and expenses or enforcement of the Issuer's rights and remedies under this Section 5.10); and (vi) any recoveries against any person or entity other than the Borrower (including any guarantor) to the maximum extent permitted by applicable law.

#### ARTICLE VI.

#### RESTRICTION ON TRANSFER; ASSIGNMENT, SELLING, LEASING

##### Section 6.01 Restriction on Transfer; Removal of Manager.

(a) In the event the Borrower intends to sell, lease (except to the tenants who will occupy units in the Project), sublease or otherwise materially encumber the whole of or any part of the Project or sell, assign or otherwise, except as otherwise provided herein, transfer any interest in the Borrower (a "transfer"), it shall (i) apply to the Issuer for consent to transfer, and (ii) comply with the provisions of the Tax Regulatory Agreement restricting any such transfer.

(b) In addition, in connection with a proposed transfer, the Borrower and any transferee shall comply with all applicable provisions of the laws and regulations of the Issuer and State in effect at that time regarding notice to tenants, and tenants' rights generally, including, specifically, the right of first refusal, or any successor legislation thereto. The transferee shall expressly assume the Borrower's duties and obligations under this Loan Agreement and any other Borrower Documents in writing simultaneously with any approved transfer as set forth in this Section 6.01. The Borrower shall make available to the Issuer copies of any documents reflecting an amendment to member interests in the Borrower or other organizational documents relating to the sale or other transfer of assets of the Borrower.

(c) Except as otherwise provided for herein, and with the prior written consent of the Issuer in its sole and absolute discretion, the Borrower will not, directly or indirectly, by operation of law or otherwise, sell, assign, grant a deed of trust, pledge, hypothecate, transfer or otherwise dispose of the Project or any interest in the Project, and will not encumber, alienate,

hypothecate, grant a security interest in or grant any other ownership or control interest whatsoever in the Project, in the leases or in the rents, issues and profits therefrom.

(d) Except as otherwise provided for herein, and with the prior written consent of the Issuer, no interest in the Borrower and no ownership interest in the Manager may be sold, conveyed, transferred, assigned, pledged or otherwise transferred, in whole or in part, directly or indirectly, by operation of law or otherwise.

(e) Notwithstanding anything to the contrary contained in the subsections above or otherwise in the Borrower Documents, each of the following transactions are hereby deemed to be expressly permitted hereunder and shall not require any further consent of the Issuer:

(i) Issuance of partnership interests in the Borrower equal to 99.99% of the profits, losses, credits, distributions and other interests in the Borrower to \_\_\_\_\_, a[n] \_\_\_\_\_ (the "Investor Member");

(ii) The pledge and encumbrance of the membership interests in the Borrower of the Investor Member to or for the benefit of any financial institution which enables the Investor Member to make its capital contributions to Borrower and any subsequent realization by any such lender upon the interests of the Investor Member in the Borrower; and

(iii) [The pledge of the general partner interest in Borrower to any lender that provides a loan to Borrower to provide bridge financing for the capital contributions of the Investor Member].

(f) The Borrower will not become a party to any merger or consolidation, or agree to effect any asset acquisition or stock acquisition.

(g) The Borrower will not convert the ownership of the Project into condominium or cooperative housing corporation form of ownership other than a limited equity cooperative that is a qualified cooperative housing corporation as defined in Section 143(k)(9) of the Code.

(h) The Borrower will not seek the dissolution or winding up, in whole or in part, of the Borrower or voluntarily file, or consent to the filing of, a petition for bankruptcy, reorganization, or assignment for the benefit of creditors or similar proceedings.

(i) The Borrower will not enter into any arrangement, directly or indirectly, whereby the Borrower shall sell or transfer any property owned by it in order then or thereafter to lease such property or lease other property that the Borrower intends to use for substantially the same purpose as the property being sold or transferred without the prior written consent of the Issuer in its sole and absolute discretion.

(j) The Borrower will not take any action that would adversely affect the exclusion of interest on the Notes from gross income, for purposes of federal income taxation nor

omit or fail to take any action required to maintain the exclusion of interest on the Notes from gross income, for purposes of federal income taxation.

(k) This Loan Agreement may not be sold, assigned, transferred or otherwise disposed of by the Borrower without the prior written consent of the Issuer (which consent shall be within the reasonable discretion of the Issuer), subject to each of the following conditions:

(i) No such assignment will relieve the Borrower from primary liability for any of its obligations hereunder (unless the Issuer agrees in writing to release the Borrower) and in the event of any such assignment, the Borrower will continue to remain primarily liable for payment of its obligations hereunder and for performance and observance of the other covenants and agreements on its part herein provided.

(ii) No such assignment will, in the opinion of Bond Counsel (all such expenses related to such opinion shall be paid by the Borrower), impair the exclusion of interest on the Notes from gross income for purposes of federal income taxation.

(iii) The assignee will assume in writing the obligations of the Borrower hereunder to the extent of the interest assigned in a form acceptable to the Issuer (the "Assumption Agreement").

(iv) Prior to any such assignment, the Borrower will, furnish or cause to be furnished to the Issuer and the Trustee an executed original of the Assumption Agreement.

## ARTICLE VII. INDEMNIFICATION

**Section 7.01 Indemnification of Issuer and Note Trustee.** (a) Except as otherwise provided below and subject to Sections 8.07 and 9.04 hereof, the Issuer and the Note Trustee, and each of their officers, agents, independent contractors, employees, successors and assigns, and, in the case of the Issuer, its elected and appointed officials, past, present or future (hereinafter the "Indemnified Persons"), shall not be liable to the Borrower for any reason. The Borrower shall defend, indemnify and hold the Indemnified Persons harmless from any loss, claim, damage, tax, penalty or expense (including, but not limited to, reasonable counsel fees, costs, expenses and disbursements), or liability (other than with respect to payment of the principal of or interest on the Promissory Note) of any nature due to any and all suits, actions, legal or administrative proceedings, or claims arising or resulting from, or in any way connected with: (i) the financing, installation, operation, use or maintenance of the Project; (ii) any act, failure to act, or misrepresentation by the Borrower or any member of the Borrower, or any Person acting on behalf of, or at the direction of, the Borrower or any member of the Borrower, in connection with the issuance, sale or delivery of the Notes; (iii) any false or misleading representation made by the Borrower in the Borrower Documents; (iv) the breach by the Borrower of any covenant contained in the Borrower Documents, or the failure of the Borrower to fulfill any such covenant which are not cured within all applicable notice and cure periods; (v)

enforcing any obligation or liability of the Borrower under this Loan Agreement, the Promissory Note, or the other Borrower Documents, or any related agreement; (vi) taking any action requested by the Borrower; (vii) taking any action reasonably required by the Borrower Documents; or (viii) taking any action considered necessary by the Issuer or the Note Trustee, and which is authorized by the Borrower Documents. If any suit, action or proceeding is brought against any Indemnified Person, the interests of the Indemnified Person in that suit, action or proceeding shall be defended by counsel to the Indemnified Person or the Borrower, as the Indemnified Person shall determine. If such defense is by counsel to the Indemnified Person, the Borrower shall indemnify and hold harmless the Indemnified Person for the cost of that defense, including counsel fees, disbursements, costs and expenses. If the Indemnified Persons affected by such suit determine that the Borrower shall defend the Indemnified Persons, the Borrower shall immediately assume the defense at its own cost. Neither the Indemnified Persons nor the Borrower shall be liable for any settlement of any proceeding made without each of their consent. In no event shall the Borrower be liable to an Indemnified Person for its own willful misconduct or gross negligence.

(b) Any provision of this Loan Agreement or any other instrument or document executed and delivered in connection therewith to the contrary notwithstanding, the Issuer retains the right to enforce: (i) any applicable federal or state law or regulation or resolution of the Issuer; and (ii) any rights accorded the Issuer by federal or state law or regulation or resolution of the Issuer, and nothing in this Loan Agreement shall be construed as an express or implied waiver thereof.

(c) If the Indemnified Persons are requested by the Borrower to take any action under this Loan Agreement or any other instrument executed in connection herewith for the benefit of the Borrower, they will do so if and only if: (i) the Indemnified Persons are a necessary party to any such action; (ii) the Indemnified Persons have received specific written direction from the Borrower, as required hereunder or under any other instrument executed in connection herewith, as to the action to be taken by the Indemnified Persons; and (iii) a written agreement of indemnification and payment of costs, liabilities and expenses satisfactory to the Indemnified Persons has been executed by the Borrower prior to the taking of any such action by the Indemnified Persons.

(d) The obligations of the Borrower under this Section 7.01 shall survive any assignment or termination of this Loan Agreement and, as to the Note Trustee, any resignation or removal of the Note Trustee.

(e) [Indemnification of the Issuer by the Borrower with respect to environmental matters shall be governed exclusively by the terms and provisions of any environmental indemnification agreement.]

#### ARTICLE VIII. DEFAULTS AND REMEDIES

**Section 8.01 Defaults Defined.** The following shall be "Defaults" under this Loan Agreement and the term "Default" shall mean, whenever it is used in this Loan Agreement, any one or more of the following events:

(a) Failure by the Borrower to pay any amount required to be paid under subsection (a) or (b) of Section 4.02 hereof.

(b) Failure by the Borrower to observe and perform any covenant, condition or agreement on its part to be observed or performed herein other than as referred to in subsection (a) of this Section or failure by the Borrower to observe and perform any covenant, condition or agreement on its part to be observed or performed in the Tax Regulatory Agreement, for a period of 60 calendar days after written notice, specifying such failure and requesting that it be remedied, will have been given to the Borrower by the Issuer or the Note Trustee; provided, with respect to any such failure covered by this subsection (b), no event of default will be deemed to have occurred so long as a course of action adequate to remedy such failure will have been commenced within such 60 calendar-day period and will thereafter be diligently prosecuted to completion and the failure will be remedied thereby.

(c) The dissolution or liquidation of the Borrower, or the voluntary initiation by the Borrower of any proceeding under any federal or state law relating to bankruptcy, insolvency, arrangement, reorganization, readjustment of debt or any other form of debtor relief, or the initiation against the Borrower of any such proceeding which shall remain undismissed for 60 calendar days, or failure by the Borrower to promptly have discharged any execution, garnishment or attachment of such consequence as would impair the ability of the Borrower to carry on its operations at the Project, or assignment by the Borrower for the benefit of creditors, or the entry by the Borrower into an agreement of composition with its creditors or the failure generally by the Borrower to pay its debts as they become due.

(d) The occurrence of a Default under the Note Indenture

The provisions of subsection (b) of this Section are subject to the following limitation: if by reason of force majeure it is impossible for the Borrower in whole or in part, despite its best efforts, to carry out any of its agreements contained herein (other than its obligations contained in Article IV hereof), the Borrower shall not be deemed in Default during the continuance of such inability. Such force majeure event does not affect any obligations of the Borrower other than the timing of performance of such obligations. The term "force majeure" as used herein shall mean, without limitation, the following: acts of God; strikes or other industrial disturbances; acts of public enemies; orders or restraints of any kind of the government of the United States of America or of the State or of any of their departments, agencies or officials, or of any civil or military authority; insurrections; riots; terrorism, landslides; earthquakes; fires; storms; droughts; floods; or explosions; not reasonably within the control of the Borrower. The Borrower agrees, however, to use its best efforts to remedy with all reasonable dispatch the cause or causes preventing the Borrower from carrying out its agreement.

**Section 8.02 Remedies on Default.** Whenever any Default referred to in Section 8.01 hereof shall have happened and be continuing beyond the expiration of any applicable cure period, the Note Trustee, or the Issuer (in the event the Note Trustee fails to act), may take one or any combination of the following remedial steps:

(a) If the Note Trustee has declared the Notes immediately due and payable pursuant to Section 9.01 of the Indenture, by written notice to the Borrower, declare an amount

equal to all amounts then due and payable on the Notes, whether by acceleration of maturity (as provided in the Note Indenture) or otherwise, to be immediately due and payable, whereupon the same shall become immediately due and payable; and

(b) Take whatever action at law or in equity may appear necessary or desirable to collect the amounts then due and thereafter to become due, or to enforce performance and observance of any obligation, agreement or covenant of the Borrower under this Loan Agreement, the Promissory Note, the Tax Regulatory Agreement or any other Borrower Document in the event of default thereunder.

Any amounts collected pursuant to action taken under this Section shall be paid into the Note Payment Fund and applied in accordance with the provisions of the Note Indenture.

**Section 8.03 No Remedy Exclusive.** Subject to Section 9.01 of the Note Indenture, no remedy herein conferred upon or reserved to the Issuer or the Note Trustee is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Loan Agreement or now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any Default shall impair any such right or power nor shall it be construed to be a waiver thereof, but any such right or power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Issuer or the Note Trustee to exercise any remedy reserved to it in this Article, it shall not be necessary to give any notice, other than such notice as may be required in this Article. Such rights and remedies as are given the Issuer hereunder shall also extend to the Note Trustee, and the Note Trustee and the Holders, subject to the provisions of the Note Indenture, including, but not limited to the Reserved Rights of the Issuer, shall be entitled to the benefit of all covenants and agreements herein contained.

**Section 8.04 Agreement to Pay Attorneys' Fees and Expenses.** In the event the Borrower should Default under any of the provisions of this Loan Agreement or under the Promissory Note and the Issuer and/or Note Trustee should employ attorneys or incur other expenses for the collection of payments required hereunder or under the Promissory Note, or the enforcement of performance or observance of any obligation or agreement on the part of the Borrower contained herein or in the Promissory Note, the Borrower agrees that it will on demand therefor pay to the Issuer and the Note Trustee, as the case may be, the reasonable fees and expenses of such attorneys and such other expenses so incurred by the Issuer and/or the Note Trustee. This Section 8.04 will continue in full force and effect notwithstanding the full payment of the obligations under the Loan Agreement or the termination of this Loan Agreement for any reason.

**Section 8.05 No Additional Waiver Implied by One Waiver.** In the event any agreement contained in this Loan Agreement should be breached by either party and thereafter waived by the other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

**Section 8.06 Right to Cure.** Notwithstanding anything to the contrary herein or Otherwise in the Borrower Documents, if the Borrower shall, for whatever reason, at any time fail to pay any amount or perform any act which it is obligated to pay or perform under any of

the Borrower Documents and, as a result, a default or event of default occurs or may occur thereunder, the Investor Member shall have the right to perform such act or pay such amount on behalf of the Borrower and thereby cure or prevent such default or event of default, provided such default or event of default is cured within any applicable cure period or grace period provided to the Borrower herein or otherwise in the Borrower Documents.

**Section 8.07 Default by Issuer; Limited Liability.** Notwithstanding any provision or obligation to the contrary herein set forth, no provision of this Loan Agreement shall be construed so as to give rise to a pecuniary liability of the Issuer or a charge upon the general credit of the Issuer. The liability of the Issuer hereunder shall be limited to its interest in this Loan Agreement, the Promissory Note, and any other Borrower Documents, and the lien of any judgment shall be restricted thereto. In the performance of the agreements of the Issuer herein contained, any obligation it may incur for the payment of money shall not be a debt of the Issuer, and the Issuer shall not be liable on any obligation so incurred. The Issuer does not assume general liability for the repayment of the Notes or for the costs, fees, penalties, taxes, interest, commissions, charges, insurance or any other payments recited herein, and the Issuer shall be obligated to pay the same only out of Revenues. The Issuer shall not be required to do any act whatsoever, or exercise any diligence whatsoever, to mitigate the damages to the Owner if an Event of Default shall occur hereunder.

#### ARTICLE IX. MISCELLANEOUS

**Section 9.01 Term of Agreement.** This Loan Agreement shall remain in full force and effect from the date hereof until such time as all of the Notes and all amounts payable hereunder and under the Note Indenture shall have been fully paid or provision made for such payments, whichever is later, provided, that the provisions of Sections 5.10, 7.01 and Article VIII hereof shall survive termination of this Loan Agreement.

#### **Section 9.02 Notices; Publication of Notice.**

(a) All notices, advice, certifications or other communications hereunder between the Issuer and the Borrower shall be sufficiently given and shall be deemed given when delivered by hand or overnight courier, or mailed by certified or registered mail, postage prepaid, return receipt requested, or transmitted by electronic means (including, without limitation, facsimile transmission) addressed to the appropriate Notice Address. The Issuer or the Borrower may, by notice given hereunder, designate any further or different addresses to which subsequent notices, advice, certifications or other communications shall be sent. Notices to persons other than the Issuer or the Borrower (such as, for example, notices to owners of Notes) shall be governed by the other applicable provisions of the Note Indenture.

(b) Whenever the Issuer or the Borrower is required or permitted to give or publish notice of any event or occurrence under this Loan Agreement, such notice shall be given or published in such manner and by such means as the Issuer or the Borrower, as the case may be, shall determine to be appropriate. Such publication may be by (but is not limited to) any of the following means: (i) publication in one or more newspapers or trade journals selected by the Issuer or the Borrower, as the case may be; (ii) publication by or through one or more financial

information reporting services; (iii) delivery to one or more "nationally recognized municipal securities information repositories" (as such terms is defined in Securities and Exchange Commission Rule 15c2-12) or any successor repository or entity fulfilling a substantially similar or like role; or (iv) by mailing a copy of such notice by first class mail, postage prepaid, to the person entitled to receive the notice at such person's address as shown on the records of the Issuer or the Borrower.

**Section 9.03 Nonrecourse Liability of Borrower.** From and after the date of this Agreement, (a) the liability of the Borrower and the Manager under this Loan Agreement shall be limited to the Project and moneys derived from the operation of the Project, and such amounts as may be invested in accordance with Section 6.01 of the Note Indenture, and the Issuer and the Trustee shall look exclusively thereto or to such other security as may from time to time be given or have been given for payment of the Notes, and any judgment rendered against the Borrower or the Manager under this Loan Agreement shall be limited to the Project and moneys derived from the operation of the Project, and any other security so given for satisfaction thereof; and (b) no deficiency or other personal judgment shall be sought or rendered against the Borrower or the Manager (including the officers and employees of the Manager) or their respective successors, transferees or assigns, in any action or proceeding arising out of this Loan Agreement, or any judgment, order or decree rendered pursuant to any such action or proceeding; provided, however, that nothing herein shall limit the Issuer's or the Note Trustee's ability to exercise any right or remedy with respect to any property pledged or granted to the Issuer or any trustee under this Loan Agreement, or both, or to exercise any right against the Borrower or the Manager, on account of any claim for fraud or deceit, and against any other person or entity on account of any claim for fraud or deceit. Notwithstanding anything herein to the contrary, nothing in this Section shall limit the rights of indemnification against the Borrower and the Manager pursuant to Sections 5.10, 7.01 and 8.02 hereof. Furthermore, notwithstanding anything to the contrary, the Borrower and the Manager shall be fully liable for: (i) amounts payable to the Issuer constituting Reserved Rights of the Issuer, (ii) any amount due and owing as a result of any calculation or determination which may be required in connection with the Notes for the purpose of complying with Section 148 of the Code (including rebate liability) or any applicable Treasury regulation, and (iii) the indemnification and the payment obligations to the Issuer under Sections 5.10, 7.01 and 8.02 hereof.

The limit on the Borrower's and the Manager's liability set forth in this Section shall not, however, be construed, and is not intended to in any way, to constitute a release, in whole or in part, of the indebtedness evidenced by this Loan Agreement or a release, in whole or in part, or an impairment of the security interest, or in case of any default or enforcing any other right of the Issuer under this Loan Agreement or to alter, limit or affect the liability of any person or party who may now or hereafter or prior hereto guarantee, or pledge, grant or assign its assets or collateral as security for, the obligations of the Borrower under this Loan Agreement.

The provisions of this Section shall survive the termination of this Loan Agreement.

**Section 9.04 No Pecuniary Liability of Issuer.** No agreements or provisions contained in this Loan Agreement or any agreement, covenant or undertaking by the Issuer contained in any document executed by the Issuer in connection with the Project or any property of the Borrower financed, directly or indirectly, out of proceeds of the Notes or the issuance, sale and

delivery of the Notes will give rise to any pecuniary liability of the Issuer (including tax and rebate liability) or its past, present or future officers, directors, employees, commissioners, agents or members of its governing body and their successors and assigns or constitute a charge against the Issuer's general credit, or obligate the Issuer financially in any way, except with respect to the Trust Estate. No failure of the Issuer to comply with any terms, covenants or agreements in this Loan Agreement or in any document executed by the Issuer in connection with the Notes will subject the Issuer or its past, present or future officers, directors, employees, commissioners, agents and members of its governing body and their successors and assigns to any pecuniary charge or liability except to the extent that the same can be paid or recovered from the Trust Estate. Without limiting the requirement to perform its duties or exercise its rights and powers under this Loan Agreement upon receipt of appropriate indemnity or payment, none of the provisions of this Loan Agreement or the Indenture will require the Issuer to expend or risk its own funds or otherwise to incur financial liability in the performance of any of its duties or in the exercise of any of its rights or powers under this Loan Agreement. Nothing in this Loan Agreement will preclude a proper party in interest from seeking and obtaining, to the extent permitted by law, specific performance against the Issuer for any failure to comply with any term, condition, covenant or agreement in this Loan Agreement or in the Note Indenture; provided that no costs, expenses or other monetary relief will be recoverable from the Issuer except as may be payable from the funds available under this Loan Agreement or made available under the Indenture by the Borrower and pledged to the payment of the Notes.

No covenant, agreement or obligation contained herein or in any other financing instrument executed in connection with the Project or the making of the Loan shall be deemed to be a covenant, agreement or obligation of any past, present or future director, officer, employee, commissioner, or agent of the Issuer in his or her individual capacity so long as he or she does not act in bad faith, and no such director, officer, employee, commissioner or agent of the Issuer in his or her individual capacity shall be subject to any liability under any agreement to which the Issuer is a party or with respect to any other action taken by him or her so long as he or she does not act in bad faith.

**Section 9.05 Binding Effect.** This Loan Agreement shall inure to the benefit of and shall be binding upon the Issuer, the Borrower, the Trustee, the Holders and their respective successors and assigns.

**Section 9.06 Severability.** In the event any provision of this Loan Agreement shall be held invalid or unenforceable by any court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision hereof.

**Section 9.07 Amounts Remaining in Funds.** Subject to the provisions of Section 4.07 of the Note Indenture, it is agreed by the parties hereto that any amounts remaining in any account of the Note Payment Fund, the Project Fund, or any other fund created under the Note Indenture upon expiration or earlier termination of this Loan Agreement, as provided in this Loan Agreement, after payment in full of the Notes (or provision for payment thereof having been made in accordance with the provisions of the Note Indenture) and the fees and expenses of the Note Trustee and the Issuer in accordance with the Note Indenture, shall belong to and be paid to the Borrower by the Trustee so long as those remaining amounts do not constitute Note Proceeds.

**Section 9.08 Amendments, Changes and Modifications.** Subsequent to the issuance of the Notes and prior to their payment in full (or provision for the payment thereof having been made in accordance with the provisions of the Note Indenture), and except as otherwise herein expressly provided, this Loan Agreement may not be effectively amended, changed, modified, altered or terminated without the written consent of the Note Trustee, in accordance with the provisions of the Note Indenture.

**Section 9.09 Execution in Counterparts.** This Loan Agreement may be simultaneously executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

**Section 9.10 Applicable Law; Jury Trial.** This Loan Agreement and the Promissory Note, and the rights and obligations of the parties hereunder and thereunder, shall be construed in accordance with, and shall be governed by, the laws of the State of Illinois, without regard to its conflict of laws principles.

**THE BORROWER HEREBY IRREVOCABLY WAIVES ANY RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING (I) TO ENFORCE OR DEFEND ANY RIGHTS UNDER OR IN CONNECTION WITH THIS LOAN AGREEMENT OR THE PROMISSORY NOTE, OR ANY AMENDMENT, INSTRUMENT, DOCUMENT OR AGREEMENT DELIVERED, OR WHICH MAY IN THE FUTURE BE DELIVERED; IN CONNECTION HEREWITH OR THEREWITH, OR (II) ARISING FROM ANY DISPUTE OR CONTROVERSY IN CONNECTION WITH OR RELATED TO THIS LOAN AGREEMENT OR THE PROMISSORY NOTE, OR ANY SUCH AMENDMENT, INSTRUMENT, DOCUMENT OR AGREEMENT, AND AGREES THAT ANY SUCH ACTION OR COUNTERCLAIM SHALL BE TRIED BEFORE A COURT AND NOT BEFORE A JURY.**

**THE BORROWER IRREVOCABLY AGREES THAT, SUBJECT TO THE ISSUER'S SOLE AND ABSOLUTE ELECTION, ANY ACTION OR PROCEEDING IN ANY WAY, MANNER OR RESPECT ARISING OUT OF THIS LOAN AGREEMENT, THE PROMISSORY NOTE AND THE OTHER BORROWER DOCUMENTS, OR ANY AMENDMENT, INSTRUMENT, DOCUMENT OR AGREEMENT DELIVERED OR WHICH MAY IN THE FUTURE BE DELIVERED IN CONNECTION HEREWITH OR THEREWITH, OR ARISING FROM ANY DISPUTE OR CONTROVERSY ARISING IN CONNECTION WITH OR RELATED TO THIS LOAN AGREEMENT, THE PROMISSORY NOTE AND THE OTHER BORROWER DOCUMENTS, OR ANY SUCH AMENDMENT, INSTRUMENT, DOCUMENT OR AGREEMENT, SHALL BE LITIGATED ONLY IN THE COURTS HAVING SITUS WITHIN THE CITY OF CHICAGO, STATE OF ILLINOIS, AND THE BORROWER HEREBY CONSENTS AND SUBMITS TO THE JURISDICTION OF ANY LOCAL, STATE OR FEDERAL COURT LOCATED WITHIN SUCH CITY AND STATE. THE BORROWER HEREBY WAIVES ANY RIGHT IT MAY HAVE TO TRANSFER OR CHANGE THE VENUE OF ANY LITIGATION BROUGHT AGAINST IT IN ACCORDANCE WITH THIS SECTION.**

**Section 9.11 Captions.** The captions and headings in this Loan Agreement are for convenience only and in no way define, limit or describe the scope or intent of any provisions or Sections of this Loan Agreement.

IN WITNESS WHEREOF, the Issuer and the Borrower have caused this Loan Agreement to be executed in their respective official names and their respective official seals to be hereunto affixed and attested by their duly authorized officers, all as of the date first above written.

*Exhibit "F":*  
(To Ordinance)

*Land-Use Restriction Agreement.*

THIS LAND USE RESTRICTION AGREEMENT (this "Agreement"), entered into as of October 1, 2016, between the CITY OF CHICAGO, a municipal corporation and home rule unit of local government duly organized and validly existing under the Constitution and laws of the State of Illinois (the "Issuer"), and PGS BRONZEVILLE III LIMITED PARTNERSHIP, an Illinois limited partnership (the "Owner"),

**WITNESSETH:**

**WHEREAS**, the Issuer has issued, sold and delivered its \$10,596,000 Multi-Family Housing Revenue Bonds (Paul G. Stewart Apartments Phase III Tower Project), Series 2016 (the "Bonds"); and

**WHEREAS**, the Bonds are issued pursuant to the Bond Indenture of even date herewith (the "Bond Indenture"), between the Issuer and Seaway Bank and Trust Company, an Illinois state banking corporation having its principal corporate trust office in Chicago, Illinois, as bond trustee (the "Bond Trustee"); and

**WHEREAS**, the proceeds derived from the issuance and sale of the Bonds are being lent by the Issuer to the Owner pursuant to the Financing Agreement of even date herewith (the "Financing Agreement"), between the Issuer and the Owner for the purpose of financing a portion of the costs of the acquisition and renovation of a 20-story, residential apartment building containing approximately one hundred and eighty (180) residential dwelling units (the "Units"), along with (1) common area, (2) service and management offices on the 1<sup>st</sup> and 2<sup>nd</sup> floors and (3) approximately 70 surface parking spaces (9 of which are handicapped accessible), for low and moderate income senior individuals and families, located at 401 East Bowen Avenue, Chicago, Illinois (as further described in Exhibit A hereto, the "Site"), which is commonly known as Paul G. Stewart Apartments Phase III Tower (collectively, the Property and the Units are referred to herein as the "Project")

**WHEREAS**, the Issuer has issued, sold and delivered its \$ \_\_\_\_\_ Multi-Family Housing Revenue Notes (Paul G. Stewart Apartments Phase III Tower Project), Series 2016 (the "Notes" and collectively with the Bonds, the "Obligations"); and

**WHEREAS**, the Notes are issued pursuant to the Note Indenture of even date herewith (the "Note Indenture") between the Issuer and Seaway Bank and Trust Company, as note trustee (the "Note Trustee" and collectively with the Bond Trustee, the "Trustee"); and

**WHEREAS**, the proceeds derived from the issuance and sale of the Notes are being lent by the Issuer to the Owner pursuant to the Loan Agreement of even date herewith (the "Loan Agreement"), between the Issuer and the Owner for the purpose of financing a portion of the costs of the Project; and

**WHEREAS**, in order to assure the Issuer and the Holders that interest on the Obligations will be excluded from gross income for federal income tax purposes under the Internal Revenue Code of 1986, as amended (the "Code"), and to further the public purposes of the Issuer, certain restrictions on the use and occupancy of the Project under the Code must be established;

NOW, THEREFORE, in consideration of the mutual promises and covenants hereinafter set forth, and of other good and valuable consideration, the receipt, sufficiency and adequacy of which are hereby acknowledged, the Owner and the Issuer agree as follows:

**Section 1. Term of Restrictions**

(a) **Occupancy Restrictions.** The term of the Occupancy Restrictions set forth in Section 3 hereof shall commence on the first day on which at least 10% of the Units are first occupied following completion of the renovation of such Units and shall end on the latest of (i) the date which is 15 years after the date on which at least 50% of the Units in the Project are first occupied; (ii) the first date on which no tax-exempt note or bond (including any refunding note or bond) issued with respect to the Project is outstanding; or (iii) the date on which any housing assistance provided with respect to the Project under Section 8 of the United States Housing Act of 1937, as amended, terminates (which period is hereinafter referred with respect to the Project as the "Qualified Project Period").

(b) **Rental Restrictions.** The Rental Restrictions with respect to the Project set forth in Section 4 hereof shall remain in effect during the Qualified Project Period.

(c) **Involuntary Loss or Substantial Destruction.** The Occupancy Restrictions set forth in Section 3 hereof, and the Rental Restrictions set forth in Section 4 hereof, shall cease to apply to the Project in the event of involuntary noncompliance caused by fire, seizure, requisition, foreclosure, transfer of title by deed in lieu of foreclosure, change in federal law or an action of a federal agency (with respect to the Project) after the date of delivery of the Obligations, which prevents the Issuer from enforcing the Occupancy Restrictions and the Rental Restrictions (with respect to the Project), or condemnation or similar event (with respect to the Project), but only if, within a reasonable time, (i) all of the Obligations are promptly retired, or amounts received as a consequence of such event are used to provide a new project which meets all of the requirements of this Agreement, which new project is subject to new restrictions substantially equivalent to those contained in this Agreement, and which is substituted in place of the Project by amendment of this Agreement; and (ii) an opinion from nationally recognized bond counsel (selected by the Issuer) is received to the effect that noncompliance with the Occupancy Restrictions and the Rental Restrictions applicable to the Project as a result of such involuntary loss or substantial destruction resulting from an unforeseen event with respect to the Project will not adversely affect the exclusion of the interest on the Obligations from the gross income of the owner thereof for purposes of federal income taxation; provided, however, that the preceding provisions of this paragraph shall cease to apply in the case of such involuntary noncompliance caused by foreclosure, transfer of title by deed in lieu of foreclosure or similar event if at any time during the Qualified Project Period with respect to the Project subsequent to such event the Owner or any Affiliated Party (as hereinafter defined) obtains an ownership interest in the Project for federal income tax purposes. "Affiliated Party" means a person whose relationship to another person is such that (i) the relationship between such persons would result in a disallowance of losses under Section 267 or 707(b) of the Code; or (ii) such persons are members of the same controlled group of corporations (as defined in Section 1563(a) of the Code, except that "more than 50%" shall be substituted for "at least 80%" each place it appears therein).

(d) **Termination.** This Agreement shall terminate with respect to the Project upon the earliest of (i) termination of the Occupancy Restrictions and the Rental Restrictions with respect to the Project, as provided in paragraphs (a) and (b) of this Section 1; or (ii) delivery to the Issuer and the Owner of an opinion of nationally recognized bond counsel (selected by the Issuer) to the effect that continued compliance of the Project with the Rental Restrictions and the Occupancy Restrictions applicable to the Project is not required in order for interest on the Obligations to remain excludible from gross income for federal income tax purposes.

(e) **Certification.** Upon termination of this Agreement, the Owner and the Issuer shall execute and cause to be recorded (at the Owner's expense), in all offices in which this Agreement was recorded, a certificate of termination, specifying which of the restrictions contained herein has terminated.

(f) **Hud-Required Language.** The parties hereby incorporate into this Agreement the provisions set forth in **Appendix I** attached hereto to the same extent and effect as if the provisions set forth in Appendix I were fully set forth and made a part hereof.

**Section 2. Project Restrictions.** The Owner represents, warrants and covenants that:

(a) The Owner has reviewed the provisions of the Code and the Treasury Regulations thereunder (the "**Regulations**") applicable to this Agreement (including, without limitation, Section 142(d) of the Code and Section 1.103-8(b) of the Regulations) with its counsel and understands said provisions.

(b) The Project is being acquired, renovated and equipped for the purpose of providing a "qualified residential rental project" (as such phrase is used in Section 142(d) of the Code) and will, during the term of the Rental Restrictions and Occupancy Restrictions hereunder applicable to the Project, continue to constitute a "qualified residential rental project" under Section 142(d) of the Code and any Regulations heretofore or hereafter promulgated thereunder and applicable thereto.

(c) Substantially all (not less than 95%) of the Project will consist of a "building or structure" (as defined in Section 1.103-8(b)(8)(iv) of the Regulations), or several proximate buildings or structures, of similar construction, each containing one or more similarly constructed residential units (as defined in Section 1.103-8(b)(8)(i) of the Regulations) located on a single tract of land or contiguous tracts of land (as defined in Section 1.103-8(b)(4)(ii)-(B) of the Regulations), which will be owned, for federal tax purposes, at all times by the same person, and financed pursuant to a common plan (within the meaning of Section 1.103-8(b)(4)(ii) of the Regulations), together with functionally related and subordinate facilities (within the meaning of Section 1.103-8(b)(4)(iii) of the Regulations). If any such building or structure contains fewer than five (5) units, no unit in such building or structure shall be Owner-occupied.

(d) None of the Units in the Project will at any time be used on a transient basis, nor will the Project itself be used as a hotel, motel, dormitory, fraternity or sorority house, rooming house, hospital, nursing home, sanitarium, rest home or trailer park or court for use on a transient basis; nor shall any portion of the Project be operated as an assisted living facility which provides continual or frequent nursing, medical or psychiatric services; *provided, however that*

nothing herein shall be understood to prohibit single-room-occupancy units occupied under month-to-month leases.

(e) All of the Units in the Project will be leased or rented, or available for lease or rental, on a continuous basis to members of the general public (other than (i) Units for resident managers or maintenance personnel, (ii) Units for Qualifying Tenants as provided for in Section 3 hereof, and (iii) Units which may be rented under the Section 8 assistance program, which units (subject to the Section 8 assistance program) shall be leased to eligible tenants in accordance with Section requirements), subject, however, to the requirements of Section 3(a) hereof. Each Qualifying Tenant (as hereinafter defined) occupying a Unit in the Project shall be required to execute a written lease with a stated term of not less than 30 days nor more than one year.

(f) Any functionally related and subordinate facilities (*e.g.*, parking areas, swimming pools, tennis courts, etc.) which are included as part of the Project will be of a character and size commensurate with the character and size of the Project, and will be made available to all tenants in the Project on an equal basis; fees will only be charged with respect to the use thereof if the charging of fees is customary for the use of such facilities at similar residential rental properties in the surrounding area (*i.e.*, within a one-mile radius), or, if none, then within comparable urban settings in the City of Chicago, and then only in amounts commensurate with the fees being charged at similar residential rental properties within such area. In any event, any fees charged will not be discriminatory or exclusionary as to the Qualifying Tenants (as defined in Section 3 hereof). No functionally related and subordinate facilities will be made available to persons other than tenants or their guests.

(g) Each residential unit in the Project will contain separate and complete facilities for living, sleeping, eating, cooking and sanitation for a single person or family.

(h) No portion of the Project will be used to provide any health club facility (except as provided in (f) above), any facility primarily used for gambling, or any store, the principal business of which is the sale of alcoholic beverages for consumption off premises, in violation of Section 147(e) of the Code.

**Section 3. Occupancy Restrictions.** The Owner represents, warrants and covenants with respect to the Project that:

(a) Pursuant to the election of the Issuer in accordance with the provisions of Section 142(d)(1)(A) of the Code, at all times during the Qualified Project Period with respect to the Project at least 40% of the completed Units in the Project shall be continuously occupied (or treated as occupied as provided herein) or held available for occupancy by Qualifying Tenants as herein defined. For purposes of this Agreement, "Qualifying Tenants" means individuals or families whose aggregate adjusted incomes do not exceed 60% of the applicable median gross income (adjusted for family size) for the area in which the Project is located, as such income and area median gross income are determined by the Secretary of the United States Treasury in a manner consistent with determinations of income and area median gross income under Section 8 of the United States Housing Act of 1937, as amended (or, if such program is terminated, under such program as in effect immediately before such determination).

(b) Prior to the commencement of occupancy of any unit to be occupied by a Qualifying Tenant, the prospective tenant's eligibility shall be established by execution and delivery by such prospective tenant of an Income Computation and Certification in the form attached hereto as Exhibit B (the "Income Certification") evidencing that the aggregate adjusted income of such prospective tenant does not exceed the applicable income limit. In addition, such prospective tenant shall be required to provide whatever other information, documents or certifications are reasonably deemed necessary by the Owner or the Issuer to substantiate the Income Certification.

(c) Not less frequently than annually, the Owner shall determine whether the current aggregate adjusted income of each tenant occupying any unit being treated by the Owner as occupied by a Qualifying Tenant exceeds the applicable income limit. For such purpose the Owner shall require each such tenant to execute and deliver the Income Certification; *provided, however*, that for any calendar year during which no unit in the Project is occupied by a new resident who is not a qualifying tenant, no Income Computation and Certification for existing tenants shall be required.

(d) Any unit vacated by a Qualifying Tenant shall be treated as continuing to be occupied by such tenant until reoccupied, other than for a temporary period not to exceed 31 days, at which time the character of such unit as a unit occupied by a Qualifying Tenant shall be redetermined.

(e) If an individual's or family's income exceeds the applicable income limit as of any date of determination, the income of such individual or family shall be treated as continuing not to exceed the applicable limit, provided that the income of an individual or family did not exceed the applicable income limit upon commencement of such tenant's occupancy or as of any prior income determination, and provided, further, that if any individual's or family's income as of the most recent income determination exceeds 140% of the applicable income limit, such individual or family shall cease to qualify as a Qualifying Tenant if, prior to the next income determination of such individual or family, any unit in the Project of comparable or smaller size to such individual's or family's unit is occupied by any tenant other than a Qualifying Tenant.

(f) The lease to be utilized by the Owner in renting any Unit in the Project to a prospective Qualifying Tenant shall provide for termination of the lease and consent by such person to eviction following 30 days' written notice, subject to applicable provisions of Illinois law (including for such purpose all applicable home rule ordinances), for any material misrepresentation made by such person with respect to the Income Certification with the effect that such tenant is not a Qualified Tenant.

(g) All Income Certifications will be maintained on file at the Project as long as the Note is outstanding and for five years thereafter with respect to each Qualifying Tenant who occupied a Unit in the Project during the period the restrictions hereunder are applicable, and the Owner will, promptly upon receipt, file a copy thereof with the Issuer.

(h) On the first day of the Qualified Project Period with respect to the Project, on the fifteenth days of January, April, July and October of each year during the Qualified Project Period with respect to the Project, and within 30 days after the final day of each month in which

there occurs any change in the occupancy of a Unit in the Project, the Owner will submit to the Issuer a "Certificate of Continuing Program Compliance," in the form attached hereto as **Exhibit C** executed by the Owner with respect to the Project.

(i) The Owner shall submit to the Secretary of the United States Treasury (at such time and in such manner as the Secretary shall prescribe) with respect to the Project an annual certification on Form 8703 as to whether the Project continues to meet the requirements of Section 142(d) of the Code. Failure to comply with such requirement may subject the Owner to the penalty provided in Section 6652(j) of the Code.

**Section 4. Rental Restrictions.** The Owner represents, warrants and covenants with respect to the Project that once available for occupancy, each Unit in the Project will be rented or available for rental on a continuous basis to members of the general public (other than (a) Units for resident managers or maintenance personnel, (b) Units for Qualifying Tenants as provided for in Section 3 hereof, and (c) Units which may be rented under the Section 8 assistance program, which Units (subject to the Section 8 assistance program) shall be leased to eligible tenants in accordance with Section 8 requirements). If a Housing Assistance Payments Contract is subsequently entered into with respect to the Project under the Section 8 assistance program, in administering the restrictions hereunder with respect to the Project the Owner will comply with all Section 8 requirements.

**Section 5. Transfer Restrictions.** The Owner covenants and agrees that no conveyance, transfer, assignment or any other disposition of title to any portion of the Project (a "Transfer") shall be made prior to the termination of the Rental Restrictions and Occupancy Restrictions hereunder with respect to the Project, unless the transferee pursuant to the Transfer assumes in writing (the "Assumption Agreement"), in a form reasonably acceptable to the Issuer, all of the executory duties and obligations hereunder of the Owner with respect to such portion of the Project, including those contained in this Section 5, and agrees to cause any subsequent transferee to assume such duties and obligations in the event of a subsequent Transfer by the transferee prior to the termination of the Rental Restrictions and Occupancy Restrictions hereunder with respect to the Project. The Owner shall deliver the Assumption Agreement to the Issuer at least 30 days prior to a proposed Transfer. This Section 5 shall not apply to any involuntary transfer pursuant to Section 1(c) hereof. This Section shall not be deemed to restrict the transfer of any partnership interest in the Owner or a transfer by foreclosure or deed in lieu of foreclosure.

#### **Section 6. Enforcement**

(a) The Owner shall permit all duly authorized representatives of the Issuer to inspect any books and records of the Owner regarding the Project and the incomes of Qualifying Tenants which pertain to compliance with the provisions of this Agreement and Section 142(d) of the Code and the regulations heretofore or hereafter promulgated thereunder.

(b) In addition to the information provided for in Section 3(i) hereof, the Owner shall submit any other information, documents or certifications reasonably requested by the Issuer, which the Issuer deems reasonably necessary to substantiate continuing compliance with the

provisions of this Agreement and Section 142(d) of the Code and the regulations heretofore or hereafter promulgated thereunder.

(c) The Issuer and the Owner each covenants that it will not take or permit to be taken any action within its control that it knows would adversely affect the exclusion of interest on the Obligations from the gross income of the owners thereof for purposes of federal income taxation pursuant to Section 103 of the Code. Moreover, each covenants to take any lawful action within its control (including amendment of this Agreement as may be necessary in the opinion of nationally recognized bond counsel selected by the Issuer) to comply fully with all applicable rules, rulings, policies, procedures, regulations or other official statements promulgated or proposed by the Department of the Treasury or the Internal Revenue Service from time to time pertaining to obligations issued under Section 142(d) of the Code and affecting the Project.

(d) The Owner covenants and agrees to inform the Issuer by written notice of any violation of its obligations hereunder within five days of first discovering any such violation. If any such violation is not corrected to the satisfaction of the Issuer within the period of time specified by either the Issuer, which shall be (i) the lesser of (A) 60 days after the effective date of any notice to or from the Owner, or (B) 75 days from the date such violation would have been discovered by the Owner by the exercise of reasonable diligence, or (ii) such longer period as may be necessary to cure such violation, provided bond counsel (selected by the Issuer) of nationally recognized standing in matters pertaining to the exclusion of interest on municipal bonds from gross income for purposes of federal income taxation issues an opinion that such extension will not result in the loss of such exclusion of interest on the Obligations, without further notice, the Issuer shall declare a default under this Agreement effective on the date of such declaration of default, and the Issuer shall apply to any, court, state or federal, for specific performance of this Agreement or an injunction against any violation of this Agreement, or any other remedies at law or in equity or any such other actions as shall be necessary or desirable so as to correct noncompliance with this Agreement.

(e) The Owner and the Issuer each acknowledges that the primary purposes for requiring compliance with the restrictions provided in this Agreement are to preserve the exclusion of interest on the Obligations from gross income for purposes of federal income taxation, and that the Issuer, on behalf of the owners of the Obligations, who are declared to be third-party beneficiaries of this Agreement, shall be entitled for any breach of the provisions hereof, to all remedies both at law and in equity in the event of any default hereunder.

(f) In the enforcement of this Agreement, the Issuer may rely on any certificate delivered by or on behalf of the Owner or any tenant with respect to the Project.

(g) Nothing in this Section shall preclude the Issuer from exercising any remedies it might otherwise have, by contract, statute or otherwise, upon the occurrence of any violation hereunder.

(h) Notwithstanding anything to the contrary contained herein, the Issuer hereby agrees that any cure of any default made or tendered by one or more of the Owner's partners shall

be deemed to be a cure by the Owner and shall be accepted or rejected on the same basis as if made or tendered by the Owner.

**Section 7. Covenants to Run with the Land.** The Owner hereby subjects the Project, the Property, the Site and the Units to the covenants, reservations and restrictions set forth in this Agreement. The Issuer and the Owner hereby declare their express intent that the covenants, reservations and restrictions set forth herein shall be deemed covenants, reservations and restrictions running with the land to the extent permitted by law, and shall pass to and be binding upon the Owner's successors in title to the Project, the Units, and the Site, throughout the term of this Agreement. Each and every contract, deed, mortgage, lease or other instrument hereafter executed covering or conveying the Project, the Units or the Site, or any portion thereof or interest therein (excluding any transferee of a partnership interest in the Owner), shall conclusively be held to have been executed, delivered and accepted subject to such covenants, reservations and restrictions, regardless of whether such covenants, reservations and restrictions are set forth in such contract, deed, mortgage, lease or other instrument.

**Section 8. Recording.** The Owner shall cause this Agreement and all amendments and supplements hereto to be recorded in the conveyance and real property records of Cook County, Illinois, and in such other places as the Issuer may reasonably request. The Owner shall pay all fees and charges incurred in connection with any such recording.

**Section 9. Agents of the Issuer.** The Issuer shall have the right to appoint agents to carry out any of its duties and obligations hereunder, and shall, upon written request, certify in writing to the other party hereto any such agency appointment.

**Section 10. No Conflict with Other Documents.** The Owner warrants and covenants that it has not and will not execute any other agreement with provisions inconsistent or in conflict with the provisions hereof (except documents that are subordinate to the provisions hereof), and the Owner agrees that the requirements of this Agreement are paramount and controlling as to the rights and obligations herein set forth, which supersede any other requirements in conflict herewith.

**Section 11. Interpretation.** Any capitalized terms not defined in this Agreement shall have the same meaning as terms defined in the Bond Indenture, the Financing Agreement, the Note Indenture, the Loan Agreement or Section 142(d) of the Code and the regulations heretofore or hereafter promulgated thereunder.

1. Notwithstanding anything in the Land Use Restriction Agreement (the "Land-Use

Restriction Agreement") to which these HUD Requirements are attached as Appendix I to the contrary, except the requirements in USC 42(h)(6)(E)(ii) (if applicable), the provisions of the Land-Use Restriction Agreement are expressly subordinate to (i) the HUD Mortgage, (ii) the HUD Regulatory Agreement and (iii) Program Obligations. In the event of any conflict between the provisions of the Land-Use Restriction Agreement and the provisions of the HUD Mortgage, HUD Regulatory Agreement, or Program Obligations, the provisions of the HUD Mortgage, HUD Regulatory Agreement and/or Program Obligations shall control and supersede the enforcement of the Land-Use Restriction Agreement.

2. In the event of foreclosure, the Land-Use Restriction Agreement (including without limitation, any and all land use covenants and/or restrictions contained therein) shall automatically terminate, with the exception of the requirements of USC 42(h)(6)(E)(ii) above, or as otherwise approved by HUD.

3. Failure of the Issuer and Owner to comply with the covenants provided in the Land-Use Restriction Agreement does not and shall not serve as a basis for default under the terms of the HUD Mortgage, the HUD Regulatory Agreement, or any other document relating to the Mortgage Loan to Owner for the HUD Project, provided that, nothing therein limits the Issuer's ability to enforce the terms of the Land-Use Restriction Agreement to the extent not in conflict with the Mortgage Loan Documents or Program Obligations.

4. Except for the Issuer's reporting requirement, in enforcing the Land Use Restriction Agreement the Issuer will not file any claim against the HUD Project or any reserve or deposit required by HUD in connection with the HUD Mortgage or HUD Regulatory Agreement, or the rents or other income from the HUD Project other than a claim against:

- i. Available Surplus Cash, if the Owner is a for-profit entity;
- ii. Available distributions and Residual Receipts authorized for release by HUD, if the Owner is a limited distribution entity; or
- iii. Available Residual Receipts authorized by HUD, if the Owner is a non-profit entity.

5. For so long as the Mortgage Loan is outstanding, Owner and Issuer shall not further amend the Land Use Restriction Agreement without HUD's prior written consent.

6. Subject to the HUD Regulatory Agreement, the Issuer may require the Owner to indemnify and hold the Issuer harmless from loss, cost, damage and expense arising from any claim or proceeding instituted against Issuer relating to the subordination and covenants set forth in the Land Use Restriction Agreement, provided, however, that Owner's obligation to indemnify and hold the Issuer harmless shall be limited to available Surplus Cash and/or Residual Receipts of the Owner.

7. No action shall be taken in accordance with the rights granted in the Land Use Restriction Agreement to preserve the tax-exemption of the interest on the notes or bonds,

or prohibiting the owner from taking any action that might jeopardize the tax-exemption, except in strict accord with Program Obligations.

**RECITALS**

A. **Constitutional Authority:** As a home rule unit of government under Section 6(a), Article VII of the 1970 Constitution of the State of Illinois (the "State"), the City has the power to regulate for the protection of the public health, safety, morals and welfare of its inhabitants, and pursuant thereto, has the power to encourage private development in order to enhance the local tax base, create employment opportunities and to enter into contractual agreements with private parties in order to achieve these goals.

B. **Statutory Authority:** The City is authorized under the provisions of the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1 et seq., as amended from time to time (the "Act"), to finance projects that eradicate blighted conditions and conservation area factors through the use of tax increment allocation financing for redevelopment projects.

C. **City Council Authority:** To induce redevelopment pursuant to the Act, the City Council of the City (the "City Council") adopted the following ordinances on March 27, 2002: (1) "An Ordinance of the City of Chicago, Illinois Approving a Tax Increment Redevelopment Plan for the 47<sup>th</sup>/King Redevelopment Project Area;" (2) "An Ordinance of the City of Chicago, Illinois Designating the 47<sup>th</sup>/King Redevelopment Project Area as a Tax Increment Financing District;" and (3) "An Ordinance of the City of Chicago, Illinois Adopting Tax Increment Allocation Financing for the 47<sup>th</sup>/King Redevelopment Project Area" (the "47<sup>th</sup>/King TIF Adoption Ordinance") (items (1)-(3) collectively referred to herein as the "TIF Ordinances," the redevelopment plan approved by the TIF Ordinances is referred to herein as the "47<sup>th</sup>/King Redevelopment Plan" and the redevelopment project area created by the TIF Ordinances is referred to herein as the "47<sup>th</sup>/King Redevelopment Area").

D. **The Project:** The Developer will acquire certain property located within the 47<sup>th</sup> and King Drive Redevelopment Area at 401 East Bowen Avenue, Chicago, Illinois and legally described on Exhibit B hereto (the "Property") and, within the time frames set forth in Section 3.01 hereof, shall commence and complete the rehabilitation of an twenty-story building on the Property, which will include 180 residential dwelling units, along with a common area, service and management offices, and approximately 70 surface parking spaces (the "Facility"). The completion of the Project would not reasonably be anticipated without the financing contemplated in this Agreement.

**E. Redevelopment Plan:** The Project will be carried out in accordance with this Agreement and the 47<sup>th</sup> and King Drive Redevelopment Plan and Project (the "Redevelopment Plan") attached hereto as Exhibit D.

**F. City Financing:** The City agrees to use, in the amounts set forth in Section 4.03 hereof, Available Incremental Taxes (as defined below), to pay for or reimburse any of the Developer Parties for the costs of TIF-Funded Improvements pursuant to the terms and conditions of this Agreement.

In addition, as described in Section 8.05 hereof, the City may, in its discretion, issue tax increment allocation bonds ("TIF Bonds") secured by Incremental Taxes (as defined herein) pursuant to a TIF bond ordinance (the "TIF Bond Ordinance"), the proceeds of which (the "TIF Bond Proceeds") may be used to pay for the costs of the TIF-Funded Improvements not previously paid for from Available Incremental Taxes, or in order to reimburse the City for the costs of TIF-Funded Improvements; provided, however, that any such amendments shall not have a material adverse effect on the Developer Parties or the Project; provided, further, that the proceeds of TIF Bonds issued on a tax-exempt basis cannot be used as a source of City Funds or to repay the City Funds.

Now, therefore, in consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

If the Developer Parties selects any contractor submitting other than the lowest responsible bid for the TIF-Funded Improvements, the difference between the lowest responsible bid and the bid selected may not be paid out of City Funds. DPD shall respond to the Developer Parties' written request for a Certificate within forty-five (45) days by issuing either a Certificate or a written statement detailing the ways in which the Project does not conform to this Agreement or has not been satisfactorily completed, and the measures which must be taken by the Developer Parties in order to obtain the Certificate. The other executory terms of this Agreement that remain after the issuance of a Certificate shall be binding only upon the Developer Parties or a permitted assignee of the Developer Parties who, pursuant to Section 18.15 of this Agreement, has contracted to take an assignment of the Developer Parties' rights under this Agreement and assume the Developer Parties' liabilities hereunder.

The Developer has the right before any delinquency occurs to contest or object in good faith to the amount or validity of any Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted in such manner as shall stay the collection of the contested Governmental Charge and prevent the imposition of a lien or the sale or forfeiture of the Property. The Developer's right to challenge real estate taxes applicable to the Property is limited as provided for in **Section 8.18(c)** below; provided, that such real estate taxes must be paid in full when due and may be disputed only after such payment is made. No such contest or objection shall be deemed or construed in any way as relieving, modifying or extending the Developer's covenants to pay any such Governmental Charge at the time and in the manner provided in this Agreement unless the Developer has given prior written notice to DPD of the Developer's intent to contest or object to a Governmental Charge and, unless, at DPD's sole option,

(iii) the Developer shall demonstrate to DPD's satisfaction that legal proceedings instituted by the Developer contesting or objecting to a Governmental Charge shall conclusively operate to prevent or remove a lien against, or the sale or forfeiture of, all or any part of the Property to satisfy such Governmental Charge prior to final determination of such proceedings; and/or

(iv) the Developer shall furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property during the pendency of such contest, adequate to pay fully any such contested Governmental Charge and all interest and penalties upon the adverse determination of such contest.

All sums so paid by DPD, if any, and any expenses, if any, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, shall be promptly disbursed to

DPD by the Developer. Notwithstanding anything contained herein to the contrary, this paragraph shall not be construed to obligate the City to pay any such Governmental Charge. (e) Each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any Affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or Affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 10.01 shall be a basis for the City to pursue remedies under the provisions of Section 15.02 hereof.

**10.02 City Resident Construction Worker Employment Requirement.** The Developer Parties agree for themselves and their successors and assigns, and shall contractually obligate their contractors and subcontractors, as applicable, to agree, that during the construction of the Project they shall comply with the minimum percentage of total worker hours performed by actual residents of the City as specified in Section 2-92-330 of the Municipal Code of Chicago (at least 50 percent of the total worker hours worked by persons on the site of the Project shall be performed by actual residents of the City); provided, however, that in addition to complying with this percentage, the Developer Parties, their contractors and each subcontractor shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

The Developer Parties may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in

accordance with standards and procedures developed by the Chief Procurement Officer of the City.

"Actual residents of the City" shall mean persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

The Developer Parties, the contractors and each subcontractor shall provide for the maintenance of adequate employee residency records to show that actual Chicago residents are employed on the Project. Each Employer shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) shall be submitted to the Commissioner of DPD in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Employer hired the employee should be written in after the employee's name.

The Developer Parties, the contractors and each subcontractor shall provide full access to their employment records to the Chief Procurement Officer, the Commissioner of DPD, the Superintendent of the Chicago Police Department, the Inspector General or any duly authorized representative of any of them. The Developer Parties, the General Contractor and each subcontractor shall maintain all relevant personnel data and records for a period of at least three (3) years after final acceptance of the work constituting the Project.

At the direction of DPD, affidavits and other supporting documentation will be required of the Developer Parties, the contractors and each subcontractor to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

Good faith efforts on the part of the Developer Parties, the contractors and each subcontractor to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section concerning the worker hours performed by actual Chicago residents.

When work at the Project is completed, in the event that the City has determined that the Developer Parties have failed to ensure the fulfillment of the requirement of this Section concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section. Therefore, in such a case of non-compliance, it is agreed that 1/20 of 1 percent (0.0005) of the aggregate hard construction costs set forth in the Project budget (the product of .0005 x such aggregate hard construction costs) (as the same shall be evidenced by approved contract value for the actual contracts) shall be surrendered by the Developer Parties to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer Parties, the General Contractor and/or the subcontractors to prosecution. Any retainage to cover contract performance that may become due to the Developer Parties pursuant to Section 2-92-250 of the Municipal Code of Chicago may be withheld by the City pending the Chief

Procurement Officer's determination as to whether the Developer Parties must surrender damages as provided in this paragraph.

Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246 " and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement or related documents.

The Developer Parties shall cause or require the provisions of this **Section 10.02** to be included in all construction contracts and subcontracts related to the Project.

**10.03. MBE/WBE Commitment.** (a) Consistent with the findings which support the Minority-Owned and Women-Owned Business Enterprise Procurement Program (the "**MBE/WBE Program**"), Section 2-92-420 *et seq.*, Municipal Code of Chicago, and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this **Section 10.03**, during the course of construction of the Project, at least the following percentages of the MBE/WBE Budget (as set forth in **Exhibit H-2** hereto) shall be expended for contract participation by minority-owned businesses ("**MBEs**") and by women-owned businesses ("**WBEs**") as follows:

1. at least 26 percent by MBEs;
2. at least 6 percent by WBEs.

(c) Consistent with Section 2-92-440, Municipal Code of Chicago, the Developer Parties' MBE/WBE commitment may be achieved in part by the Developer Parties' status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the Developer Parties) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture or (ii) the amount of any actual work performed on the Project by the MBE or WBE), by the Developer Parties utilizing a MBE or a WBE as a contractor (but only to the extent of any actual work performed on the Project by such contractor), by subcontracting a portion of the Project to one or more MBEs or WBEs, or by the purchase of materials used in the Project from one or more MBEs or WBEs, or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer Parties' MBE/WBE commitment as described in this **Section 10.03**.

(d) The Developer Parties shall deliver quarterly reports to DPD during the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, *inter alia*, the name and business address of each MBE and WBE solicited by the Developer Parties or a contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist DPD in determining the Developer Parties' compliance with this MBE/WBE commitment. The Developer Parties shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the Project for at least five years after completion of the Project, and DPD shall have access to all such records maintained by the Developer Parties, on five Business Days' notice, to allow the City to review the Developer Parties' compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the Project.

(e) Upon the disqualification of any MBE or WBE contractor or subcontractor, if such status was misrepresented by the disqualified party, the Developer Parties shall be obligated to discharge or cause to be discharged the disqualified contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this Section 10.03, the disqualification procedures are further described in Sections 2-92-540 and 2-92-730 of the Municipal Code of Chicago.

(f) Any reduction or waiver of the Developer Parties' MBE/WBE commitment as described in this Section 10.03 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730 of the Municipal Code of Chicago.

(g) Prior to the commencement of the Project, the Developer Parties shall be required to meet with the monitoring staff of DPD with regard to the Developer Parties' compliance with its obligations under this Section 10.03. All contractors and all major subcontractors shall be required to attend this pre-construction meeting. During said meeting, the Developer Parties shall demonstrate to DPD their plan to achieve their obligations under this Section 10.03, the sufficiency of which shall be approved by DPD. During the Project, the Developer Parties shall submit the documentation required by this Section 10.03 to the monitoring staff of DPD. Failure to submit such documentation on a timely basis, or a determination by DPD, upon analysis of the documentation, that the Developer Parties are not complying with their obligations under this Section 10.03, shall, upon the delivery of written notice to the Developer Parties, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided hereunder, the City may: (1) issue a written demand to the Developer Parties to halt the Project, (2) withhold any further payments to, or on behalf of, the Developer Parties, (3) draw on the Letter of Credit or (4) seek any other remedies against the Developer Parties available at law or in equity.

The Developer Parties will include the foregoing provisions in every contract entered into in connection with the Project and every agreement with any Affiliate operating on the Property so that such provision will be binding upon each contractor or Affiliate, as the case may be.

## SECTION 11. ENVIRONMENTAL MATTERS

The Developer Parties hereby represent and warrant to the City that the Developer Parties have conducted environmental studies sufficient to conclude that the Project may be constructed, completed and operated in accordance with all Environmental Laws and this Agreement and all Exhibits attached hereto, the Scope Drawings, Plans and Specifications and all amendments thereto, and the Redevelopment Plan.

Without limiting any other provisions hereof, the Developer Parties agree to indemnify, defend and hold the City harmless from and against any and all losses, liabilities, damages, injuries, costs, expenses or claims of any kind whatsoever including, without limitation, any losses, liabilities, damages, injuries, costs, expenses or claims asserted or arising under any Environmental Laws incurred, suffered by or asserted against the City as a direct or indirect result of any of the following, regardless of whether or not caused by, or within the control of the Developer Parties: (i) the presence of any Hazardous Material on or under, or the escape, seepage, leakage, spillage, emission, discharge or release of any Hazardous Material from (A) all or any portion of the Property or (B) any other real property in which the Developer Parties or any person directly or indirectly controlling, controlled by or under common control with the Developer Parties, holds any estate or interest whatsoever (including, without limitation, any property owned by a land trust in which the beneficial interest is owned, in whole or in part, by

the Developer Parties), or (ii) any liens against the Property permitted or imposed by any Environmental Laws, or any actual or asserted liability or obligation of the City or the Developer Parties or any of its Affiliates under any Environmental Laws relating to the Property.

The Developer must submit evidence of insurance on the City of Chicago Insurance Certificate Form (copy attached) or equivalent prior to closing. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from Developer is not a waiver by the City of any requirements for the Developer to obtain and maintain the specified coverages. The Developer shall advise all insurers of the Agreement provisions regarding insurance. Non-conforming insurance does not relieve Developer of the obligation to provide insurance as specified herein. (i) the Developer Parties' failure to comply with any of the terms, covenants and conditions contained within this Agreement; or

(ii) the Developer Parties' or any contractor's failure to pay contractors, subcontractors or materialmen in connection with the TIF-Funded Improvements or any other Project improvement; or

(iii) the existence of any material misrepresentation or omission in this Agreement, the Redevelopment Plan or any other document related to this Agreement that is the result of information supplied or omitted by the Developer Parties or any Affiliate of the Developer Parties or any agents, employees, contractors or persons acting under the control or at the request of the Developer Parties or any Affiliate of the Developer Parties; or

(iv) the Developer Parties' failure to cure any misrepresentation in this Agreement or any other agreement relating hereto;

provided, however, that Developer Parties shall have no obligation to an Indemnitee arising from the wanton or willful misconduct of that Indemnitee. To the extent that the preceding sentence may be unenforceable because it violates any law or public policy, Developer Parties shall contribute the maximum portion that they are permitted to pay and satisfy under the applicable law, to the payment and satisfaction of all indemnified liabilities incurred by the Indemnitees or any of them. The provisions of the undertakings and indemnification set out in this **Section 13.01** shall survive the termination of this Agreement.

#### SECTION 14. MAINTAINING RECORDS/RIGHT TO INSPECT

**14.01 Books and Records.** The Developer Parties shall keep and maintain separate, complete, accurate and detailed books and records necessary to reflect and fully disclose the total actual cost of the Project and the disposition of all funds from whatever source allocated thereto, and to monitor the Project. All such books, records and other documents, including but not limited to the Developer Parties' loan statements, if any, General Contractor's and subcontractors' sworn statements, general contracts, subcontracts, purchase orders, waivers of lien, paid receipts and invoices, shall be available at the Developer Parties' offices for inspection, copying, audit and examination by an authorized representative of the City, at the Developer Parties' expense. (b) the failure of the Developer Parties to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Developer Parties under any other agreement with any person or entity if such failure may have a material adverse effect on the Developer Parties' business, property, assets, operations or condition, financial or otherwise;

(c) the making or furnishing by the Developer Parties to the City of any representation, warranty, certificate, schedule, report or other communication within or in connection with this Agreement or any related agreement which is untrue or misleading in any material respect;

(d) except as otherwise permitted hereunder, the creation (whether voluntary or involuntary) of, or any attempt to create, any lien or other encumbrance upon the Property, including any fixtures now or hereafter attached thereto, other than the Permitted Liens, or the making or any attempt to make any levy, seizure or attachment thereof;

(e) the commencement of any proceedings in bankruptcy by or against the Developer Parties or for the liquidation or reorganization of the Developer Parties, or alleging that the Developer Parties are insolvent or unable to pay its debts as they mature, or for the readjustment or arrangement of the Developer Parties' debts, whether under the United States Bankruptcy Code or under any other state or federal law, now or hereafter existing for the relief of debtors, or the commencement of any analogous statutory or non-statutory proceedings involving the Developer Parties; provided, however, that if such commencement of proceedings

is involuntary, such action shall not constitute an Event of Default unless such proceedings are not dismissed within sixty (60) days after the commencement of such proceedings;

(f) the appointment of a receiver or trustee for the Developer Parties, for any substantial part of the Developer Parties' assets or the institution of any proceedings for the dissolution, or the full or partial liquidation, or the merger or consolidation, of the Developer Parties; provided, however, that if such appointment or commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such appointment is not revoked or such proceedings are not dismissed within sixty (60) days after the commencement thereof;

(g) the entry of any judgment or order against the Developer Parties which remains unsatisfied or undischarged and in effect for sixty (60) days after such entry without a stay of enforcement or execution;

(h) the occurrence of an event of default under the Lender Financing, which default is not cured within any applicable cure period;

(i) the dissolution of the Developer Parties or the death of any natural person who owns a material interest in the Developer Parties;

(j) the institution in any court of a criminal proceeding (other than a misdemeanor) against the Developer Parties, or any natural person who owns a material interest in the Developer Parties, which is not dismissed within thirty (30) days, or the indictment of the Developer Parties or any natural person who owns a material interest in the Developer Parties, for any crime (other than a misdemeanor); or

(k) prior to the expiration of the Term of the Agreement, the sale or transfer of a majority of the ownership interests of the Developer Parties without the prior written consent of the City, except that the Developer's limited partner may sell a limited partner interest in the Developer without the prior written consent of the City.

For purposes of Sections 15.01(i) and 15.01(j) hereof, a person with a material interest in the Developer shall be one owning in excess of ten (10%) of the Developer's partnership interests.

**15.02 Remedies.** Upon the occurrence of an Event of Default, the City may terminate this Agreement and all related agreements, and may suspend disbursement of City Funds. Additionally, upon the occurrence of an Event of Default in relation to Section 8.19, the Developer Parties shall reimburse the City all of the City Funds disbursed to any one of the Developer Parties to date. The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to reimbursement of all or part of the City Funds, injunctive relief or the specific performance of the agreements contained herein.

**15.03 Curative Period.** In the event the Developer Parties shall fail to perform a monetary covenant which the Developer Parties are required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the Developer Parties have failed to perform such monetary covenant within ten (10) days of its receipt of a written notice from the City specifying that it has failed to perform such monetary covenant. In the event the Developer Parties shall fail to perform a non-monetary covenant which the Developer Parties are required to perform

under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the Developer Parties have failed to cure such default within thirty (30) days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those non-monetary defaults which are not capable of being cured within such thirty (30) day period, the Developer Parties shall not be deemed to have committed an Event of Default under this Agreement if they have commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured. Under the same terms and conditions stated in this Section 15.03, The anticipated investors in the Low Income Housing Tax Credits ("LIHTC"), the syndication of which shall produce the Equity set forth in Section 4.01, and their successors and assigns (solely as LIHTC investor) shall have the right, but not the obligation, to cure an Event of Default if the Developer Parties fail to do so before the City exercises its remedies. However, the City shall be under no obligation to provide notice specifically to said investors, it being understood that notice to the Developer shall be sufficient for such purpose.

#### SECTION 16. MORTGAGING OF THE PROJECT

All mortgages or deeds of trust in place as of the date hereof with respect to the Property or any portion thereof are listed on Exhibit G hereto (including but not limited to mortgages made prior to or on the date hereof in connection with Lender Financing) and are referred to herein as the "**Existing Mortgages**." Any mortgage or deed of trust that the Developer Parties may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof is referred to herein as a "**New Mortgage**." Any New Mortgage that the Developer Parties may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof with the prior written consent of the City is referred to herein as a "**Permitted Mortgage**." It is hereby agreed by and between the City and the Developer Parties as follows:

(a) In the event that a mortgagee or any other party shall succeed to the Developer's interest in the Property or any portion thereof pursuant to the exercise of remedies under a New Mortgage (other than a Permitted Mortgage), whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of the Developer's interest hereunder in accordance with Section 18.15 hereof, the City may, but shall not be obligated to, attorn to and recognize such party as the successor in interest to the Developer for all purposes under this Agreement and, unless so recognized by the City as the successor in interest, such party shall be entitled to no rights or benefits under this Agreement, but such party shall be bound by those provisions of this Agreement that are covenants expressly running with the land.

(b) In the event that any mortgagee shall succeed to the Developer's interest in the Property or any portion thereof pursuant to the exercise of remedies under an Existing Mortgage or a Permitted Mortgage, whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of the Developer's interest hereunder in accordance with Section 18.15 hereof, the City hereby agrees to attorn to and recognize such party as the successor in interest to the Developer Parties for all purposes under this Agreement so long as such party accepts all of the obligations and liabilities of "the Developer Parties" hereunder; provided, however, that, notwithstanding any other provision of this Agreement to the contrary, it is understood and agreed that if such party accepts an assignment of the Developer Parties' interest under this Agreement, such party has no liability under this Agreement for any Event of Default of the Developer Parties which accrued prior to the time such party succeeded to the interest of the Developer Parties under this Agreement, in which case the Developer Parties shall be solely responsible. However, if such mortgagee under a

Permitted Mortgage or an Existing Mortgage does not expressly accept an assignment of the Developer Parties' interest hereunder, such party shall be entitled to no rights and benefits under this Agreement, and such party shall be bound only by those provisions of this Agreement, if any, which are covenants expressly running with the land.

(c) Prior to the issuance by the City to the Developer Parties of a Certificate pursuant to Section 7 hereof, no New Mortgage shall be executed with respect to the Property or any portion thereof without the prior written consent of the Commissioner of DPD.

**18.03 Limitation of Liability.** No member, official or employee of the City shall be personally liable to the Developer Parties or any successor in interest in the event of any default or breach by the City or for any amount which may become due to the Developer Parties from the City or any successor in interest or on any obligation under the terms of this Agreement.

**18.04 Further Assurances.** The Developer Parties agree to take such actions, including the execution and delivery of such documents, instruments, petitions and certifications as may become necessary or appropriate to carry out the terms, provisions and intent of this Agreement.

**18.05 Waiver.** Waiver by the City or the Developer Parties with respect to any breach of this Agreement shall not be considered or treated as a waiver of the rights of the respective party with respect to any other default or with respect to any particular default, except to the extent specifically waived by the City or the Developer Parties in writing. No delay or omission on the part of a party in exercising any right shall operate as a waiver of such right or any other right unless pursuant to the specific terms hereof. A waiver by a party of a provision of this Agreement shall not prejudice or constitute a waiver of such party's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by a party, nor any course of dealing between the parties hereto, shall constitute a waiver of any such parties' rights or of any obligations of any other party hereto as to any future transactions.

**18.06 Remedies Cumulative.** The remedies of a party hereunder are cumulative and the exercise of any one or more of the remedies provided for herein shall not be construed as a waiver of any other remedies of such party unless specifically so provided herein.

**18.10 Severability.** If any provision in this Agreement, or any paragraph, sentence, clause, phrase, word or the application thereof, in any circumstance, is held invalid, this Agreement shall be construed as if such invalid part were never included herein and the remainder of this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

**18.11 Conflict.** In the event of a conflict between any provisions of this Agreement and the provisions of the TIF Ordinances, such ordinance(s) shall prevail and control.

**18.12 Governing Law.** This Agreement shall be governed by and construed in accordance with the internal laws of the State of Illinois, without regard to its conflicts of law principles.

**18.13 Form of Documents.** All documents required by this Agreement to be submitted, delivered or furnished to the City shall be in form and content satisfactory to the City.

The Commissioner or other person designated by the Mayor of the City shall act for the City or DPD in making all approvals, consents and determinations of satisfaction, granting the Certificate or otherwise administering this Agreement for the City.

**18.15 Assignment.** The Developer Parties may not sell, assign or otherwise transfer their interest in this Agreement in whole or in part without the written consent of the City. Any successor in interest to the Developer Parties under this Agreement shall certify in writing to the City its agreement to abide by all remaining executory terms of this Agreement, including but not limited to Sections 8.18, 8.19 and 8.20 hereof, for the Term of the Agreement. The Developer Parties consent to the City's sale, transfer, assignment or other disposal of this Agreement at any time in whole or in part.

**18.16 Binding Effect.** This Agreement shall be binding upon the Developer Parties, the City and their respective successors and permitted assigns (as provided herein) and shall inure to the benefit of the Developer Parties, the City and their respective successors and

permitted assigns (as provided herein). Except as otherwise provided herein, this Agreement shall not run to the benefit of, or be enforceable by, any person or entity other than a party to this Agreement and its successors and permitted assigns. This Agreement should not be deemed to confer upon third parties any remedy, claim, right of reimbursement or other right.

**18.17 Force Majeure.** Neither the City, the Developer Parties nor any successor in interest to any of them shall be considered in breach of or in default of its obligations under this Agreement in the event of any delay caused by damage or destruction by fire or other casualty, strike, shortage of material, unusually adverse weather conditions such as, by way of illustration and not limitation, severe rain storms or below freezing temperatures of abnormal degree or for an abnormal duration, tornadoes or cyclones, and other events or conditions beyond the reasonable control of the party affected which in fact interferes with the ability of such party to discharge its obligations hereunder. The individual or entity relying on this section with respect to any such delay shall, upon the occurrence of the event causing such delay, immediately give written notice to the other parties to this Agreement. The individual or entity relying on this section with respect to any such delay may rely on this section only to the extent of the actual number of days of delay effected by any such events described above.

Developer Parties also will pay any court costs, in addition to all other sums provided by law.

The Developer Parties hereby represent and warrant that, to the best of their knowledge after due inquiry, no violation of Section 2-156-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

**18.23 Debarment Certification.** Failure by the Developer Parties or any controlling person of either, as defined in Section 1-23-010 of the Municipal Code, thereof to maintain eligibility to do business with the City as required by Section 1-23-030 of the Municipal Code shall be grounds for termination of this Agreement and the transactions contemplated thereby.

**18.24 Inspector General and Legislative Inspector General.** It is the duty of the Developer Parties, any subgrantee, bidder, proposer, contractor, subcontractor, and every applicant for certification of eligibility for a City contract or program, and all officers, directors, agents, partners, and employees of any such subgrantee, bidder, proposer, contractor, subcontractor or such applicant to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code. [To Be retyped On The Developer Parties' Counsel's letterhead]

City of Chicago  
 121 North LaSalle Street  
 Chicago, Illinois 60602  
 Attention: Corporation Counsel

Ladies and Gentlemen:

I have acted as counsel to PGS Bronzeville III Limited Partnership, an Illinois limited partnership (the "Developer") and its general partner, Grand Boulevard Housing IV LLC, an Illinois limited liability company (the "General Partner"), in connection with the acquisition of certain land and the rehabilitation of a building thereon located in the 47<sup>th</sup> and King Drive Redevelopment Project Area (the "Project"). In that capacity, I have

examined, among other things, the following agreements, instruments and documents of even date herewith, hereinafter referred to as the "Documents":

(a) PGS Bronzeville III Limited Partnership Redevelopment Agreement (the "Agreement") of even date herewith, executed by the Developer, the General Partner and the City of Chicago (the "City"); and

(b) all other agreements, instruments and documents executed in connection with the foregoing.

In addition to the foregoing, I have examined:

(a) the original or certified, conformed or photostatic copies of (1) the Developer's (i) Certificate of Limited Partnership, (ii) limited partnership agreement, as amended to date, (iii) certificate of existence in all states in which the Developer is qualified to do business, (iv) records of all partnership proceedings relating to the Project; and (2) the General Partner's (i) Articles of Organization, (ii) operating agreement, as amended to date, (iii) Bylaws, if any, as amended to date, (iv) the certificate of good standing, and (v) records of all members' proceedings relating to the Project; and

(b) such other documents, records and legal matters as I have deemed necessary or relevant for purposes of issuing the opinions hereinafter expressed.

In all such examinations, I have assumed the genuineness of all signatures (other than those of the Developer and the General Partner), the authenticity of documents submitted to us as originals and conformity to the originals of all documents submitted to us as certified, conformed or photostatic copies.

Based on the foregoing, it is my opinion that:

1. The Developer is a limited partnership, duly organized and validly existing under the laws of its state of formation, has full power and authority to own and lease its properties and to carry on its business as presently conducted, and is in good standing and duly qualified to do business as a limited partnership under the laws of every state in which the conduct of its affairs or the ownership of its assets requires such qualification, except for those states in which its failure to qualify to do business would not have a material adverse effect on it or its business. The General Partner is a limited liability company, duly organized, validly existing and in good standing under the laws of its state of incorporation, has full power and authority to own and lease its properties and to carry on its business as presently conducted, and is in good standing and duly qualified to do business as a foreign corporation under the laws of every state in which the conduct of its affairs or the ownership of its assets requires such qualification, except for those states in which its failure to qualify to do business would not have a material adverse effect on it or its business.

2. The Developer and the General Partner have full right, power and authority to execute and deliver the Documents to which they are a party and to perform their obligations thereunder. Such execution, delivery and performance will not conflict with, or result in a breach of the Developer's partnership agreement or the General Partner's articles of organization, or result in a breach or other violation of any of the terms, conditions or provisions of any law or regulation, order, writ, injunction or decree of any court, government or regulatory authority or, to the best of my knowledge after diligent inquiry, any of the terms, conditions or provisions of any agreement, instrument or document to which the Developer or the General Partner is a party or by which the Developer or the General Partner or its properties is bound. To the best of my knowledge after diligent inquiry, such execution, delivery and performance will not constitute grounds for acceleration of the maturity of any agreement, indenture, undertaking or other instrument to which the Developer or the General Partner is a party or by which it or any of its property may be bound, or result in the creation or imposition of (or the obligation to create or impose) any lien, charge or encumbrance on, or security interest in, any of its property pursuant to the provisions of any of the foregoing, other than liens or security interests in favor of the lender providing Lender Financing (as defined in the Agreement).

3. The execution and delivery of each Document and the performance of the transactions contemplated thereby have been duly authorized and approved by all requisite action on the part of the Developer and the General Partner.

4. Each of the Documents to which the Developer or the General Partner is a party has been duly executed and delivered by a duly authorized officer of the Developer or the General Partner, as applicable, and each such Document constitutes the legal, valid and binding obligation of the Developer or the General Partner enforceable in accordance with its terms, except as limited by applicable bankruptcy, reorganization, insolvency or similar laws affecting the enforcement of creditors' rights generally.

5. To the best of my knowledge after diligent inquiry, no judgments are outstanding against the Developer or the General Partner nor is there now pending or threatened, any litigation, contested claim or governmental proceeding by or against the Developer or the General Partner or affecting the Developer or the General Partner or its property, or seeking to restrain or enjoin the performance by the Developer or the General Partner of the Agreement or the transactions contemplated by the Agreement, or contesting the validity thereof. To the best of my knowledge after diligent inquiry, the Developer or the General Partner is not in default with respect to any order, writ, injunction or decree of any court, government or regulatory authority or in default in any respect under any law, order, regulation or demand of any governmental agency or instrumentality, a default under which would have a material adverse effect on the Developer or, the General Partner or its business.

6. To the best of my knowledge after diligent inquiry, there is no default by the Developer or the General Partner or any other party under any material contract, lease, agreement, instrument or commitment to which the Developer or the General Partner is a party or by which the company or its properties is bound.

7. To the best of my knowledge after diligent inquiry, all of the assets of the Developer or the General Partner are free and clear of mortgages, liens, pledges, security interests and encumbrances except for those specifically set forth in the Documents.

8. The execution, delivery and performance of the Documents by the Developer or the General Partner have not and will not require the consent of any person or the giving of notice to, any exemption by, any registration, declaration or filing with or any taking of any other actions in respect of any person, including without limitation any court, government or regulatory authority.

9. To the best of my knowledge after diligent inquiry, the Developer or the General Partner own or possess or is licensed or otherwise have the right to use all licenses, permits and other governmental approvals and authorizations, operating authorities, certificates of public convenience, goods carriers permits, authorizations and other rights that are necessary for the operation of its business.

10. A federal or state court sitting in the State of Illinois and applying the choice of law provisions of the State of Illinois would enforce the choice of law contained in the Documents and apply the law of the State of Illinois to the transactions evidenced thereby. I am admitted to practice in the State of Illinois and I express no opinion as to any laws other than federal laws of the United States of America and the laws of the State of Illinois.

This opinion is issued at the Developer's and the General Partner's request for the benefit of the City and its counsel, and may not be disclosed to or relied upon by any other person, except as required by law.

Very truly yours,

R-2 Failure on the part of the Developer to comply with the covenants contained in the document shall not serve as a basis for default on any HUD-insured or HUD-held mortgage on the Project. Additionally, and notwithstanding any term or condition to the contrary in the document, no failure on the part of the Developer or its successors or assigns to comply with the covenants in the Mortgage Note, the HUD Mortgage, the HUD Regulatory Agreement, or any of the other HUD/FHA Loan Documents shall serve as a basis for DPD, its successors or assigns, or any other party acting by or through the rights provided therein, to declare a default under the document, without the express written approval of the senior lender, or its successors and assigns to the HUD Mortgage, and HUD.

R-3 Compliance by the Developer with the provisions and covenants of the document and enforcement of the provisions and covenants contained in the document, including, but not limited to, any indemnification provisions or covenants, will not and shall not result in any claim or lien against the Project, any asset of the Project, the proceeds of the Mortgage, any reserve, or deposit required by HUD in connection with the Mortgage transaction or the rents or other income from the Project, other than distributable "Surplus Cash" (as that term "Surplus Cash" is defined in the HUD Regulatory Agreement).

R-4 No amendment to the document made after the date of the HUD initial endorsement of the Mortgage Note shall have any force or effect until and unless such amendment is approved in writing by HUD. No amendment made after the aforesaid date to any HUD/FHA Loan Document shall be binding upon DPD unless DPD has consented thereto in writing.

R-5 Unless waived in writing by HUD with respect to the Project any action of the Developer which is prohibited or required by HUD pursuant to applicable federal law, HUD regulations, HUD directives and administrative requirements or the HUD/FHA Loan Documents shall supersede any conflicting provision of the document, and the performance or failure to perform of the Developer in accordance with such laws, regulations, directives, administrative requirements or HUD/FHA Loan Documents shall not constitute an event of default under the document.

R-6 So long as HUD is the insurer or holder of any mortgage on the Project or any indebtedness secured by a mortgage on the Project, the Developer and the General Partner shall not and are not permitted to pay any amount required to be paid under the provisions of the document except from Surplus Cash, as such term is defined, and in accordance with the conditions prescribed in the HUD Regulatory Agreement unless specifically permitted in writing by HUD.

R-7 In the event of the appointment by any court of any person, other than HUD or the Mortgagee, as a receiver, as a mortgagee or party in possession, or in the event of any enforcement of any assignment of leases, rents, issues, profits, or contracts contained in the document, with or without court action, no rents, revenue or other income of the Project collected by the receiver, person in possession or person pursuing enforcement as aforesaid, shall be utilized for the payment of interest, principal or any other amount due and payable under the provisions of the document except from distributable Surplus Cash in accordance with the HUD Regulatory Agreement. The receiver, person in possession or person pursuing enforcement shall operate the Project in accordance with all provisions of the HUD/FHA Loan Documents.

R-8 A duplicate of each notice given, whether required or permitted to be given, under the provisions of the document shall also be given to:

Department of Housing and Urban Development  
77 West Jackson Boulevard, 23<sup>rd</sup> Floor  
Chicago, Illinois 60604  
Attention: Director of Multi-Family Housing  
Project Number [\_\_\_\_\_]

HUD may designate any further or different addresses for such duplicate notices.

R-9 Notwithstanding anything in the document to the contrary, the Developer and its successors and assigns may sell, convey, transfer, lease, sublease or encumber the Project or any part thereof provided it obtains the prior written consent of HUD to any such

sale, conveyance, transfer, lease, sublease or encumbrance. The Developer may make application to HUD for approval of a Transfer of Physical Assets in accordance with HUD regulations, directives and policies. A duplicate copy of such application shall be served on DPD. Within 90 days after such service, DPD shall serve written notice of its approval of such transfer, or of its requirements for approval of such transfer, on HUD, the Mortgagee and the Developer. No such transfer shall occur or be effective until DPD's requirements shall have been satisfied. In the event DPD fails to serve such notice on HUD, the Mortgagee and the Developer within said time, then any consent by HUD to such transfer shall be conclusively deemed to be DPD's prior written consent to such transfer and consummation of such transfer shall not be a default under the document.

R-10 The Developer's covenants contained in the document shall automatically terminate in the event of a foreclosure or deed in lieu of foreclosure of any mortgage insured or held by HUD with respect to the Project, or any portion thereof. Upon such termination, DPD shall furnish to HUD such releases and other documentation as HUD shall deem necessary or convenient to confirm or evidence such termination.

R-11 Notwithstanding anything in the document to the contrary, the provisions of this HUD-Required Provisions Rider are for the benefit of and are enforceable by HUD and the Mortgagee.

In consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

*Article One:*

*Incorporation Of Recitals*

The recitals set forth above are incorporated herein by reference and made a part hereof.

*Article Two:*

*The Project.*

1. The School, the Facility and the Project are described in (Sub)Exhibit A hereto. The plans and specifications for the Project shall be provided to the City by the Board and approved by the City in the City's discretion. The Board shall comply with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, as well as all policies, programs and procedures of the Board, all as may be in effect from time to time, pertaining to or affecting the Project or the Board as related thereto. The Board shall include a certification of such compliance with each request for City Funds hereunder and at the time the Project is completed. The City shall be entitled to rely on this certification without further inquiry. Upon the City's request, the Board shall provide evidence satisfactory to the City of such compliance.

2. In all contracts relating to the Project, the Board agrees to require the contractor (including the Commission, if applicable) to name the City as an additional insured on insurance coverages and to require the contractor to indemnify the City from all claims, damages, demands, losses, suits, actions, judgments and expenses including but not limited to attorney's fees arising out of or resulting from work on the Project by the contractor or contractor's suppliers, employees, or agents.

*Article Three:*

*Funding.*

1. (a) On a quarterly basis (or as otherwise agreed to by the Department), commencing not earlier than 2017, the Board shall provide the Department with a Requisition Form, in the form of (Sub)Exhibit E hereto, along with: (i) a cost itemization of the applicable portions of the budget attached as (Sub)Exhibit G hereto; (ii) evidence of the expenditures upon TIF-Funded Improvements which the Board has incurred; and (iii) all other documentation described in (Sub)Exhibit E. The City shall review and, in the City's discretion, approve each Requisition Form and make the applicable requested and approved disbursement of City Funds, subject to the availability thereof. The availability of the City Funds is subject to the City's compliance with all applicable requirements regarding the use of such funds and the timing of such use. No City Funds shall be disbursed with respect to the Project until the Board has evidenced to the City in writing to the City's satisfaction that the Board owns or otherwise controls the Property, or has the right to enter the Property and undertake such activities as the Board deems necessary prior to owning or otherwise controlling the Property. The Board will only request disbursement of City Funds and the City will only disburse City Funds for the costs of the Project, to the extent that such costs are TIF-Funded Improvements.

(b) Delivery by the Board to the Department of a Requisition Form hereunder shall, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such Requisition Form, that:

(i) the total amount of the City Funds disbursed in the previously made Disbursement (if any) represents the actual amount paid to the general contractor, subcontractors, and other parties who have performed work on or otherwise provided goods or services in connection with the Project, and/or their payees;

(ii) all amounts shown as previous payments on the current Requisition Form have been paid to the parties entitled to such payment;

(iii) the Board has approved all work and materials for the current Requisition Form, and such work and materials conform to the plans and specifications for the Project; and

(iv) the Board is in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, as well as all policies, programs and procedures of the Board, all as may be in effect from time to time; pertaining to or affecting the Project or the Board as related thereto.

The City shall have the right, in its discretion, to require the Board to submit further documentation as the City may require in order to verify that the matters certified to above are true and correct, and any approval of a Requisition Form by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by the Board.

(c) [Intentionally omitted.]

(d) [Intentionally omitted.]

(e) (i) The Board's right to receive payments hereunder shall be subordinate to all prior obligations and priorities of the City to be paid from Redevelopment Area Increment, including but not limited to the following items and amounts:

Program Administration	\$3,133,959
Bike Land	\$98,000
Park District	\$350,000
CTA	\$4,250,000
Infrastructure	\$65,338,427
Bridges	\$8,666,734
Professional Services	\$301,136

(ii) The City, subject to the terms of this subsection 1 (e)(ii), may, until the earlier to occur of (1) the expiration of the Term of this Agreement or (2) the date that the City has paid directly or the Board has been reimbursed in the full amount of the City Funds under this Agreement, exclude up to 90 percent of the Redevelopment Area Increment generated from the construction value of a new assisted development project and pledge that Redevelopment Area Increment to a developer on a basis superior to that of the Board. For purposes of this subsection, "a new assisted development project" shall not include any development project that is or will be exempt from the payment of ad valorem property taxes. Further, for purposes of this subsection, "Redevelopment Area Increment generated from the construction value of a new assisted development project" shall be the amount of Redevelopment Area Increment generated by the equalized assessed value ("EAV") of such affected parcels over and above the EAV of such affected parcels for the year immediately preceding the year in which the new assisted development project commences (the "Base Year"). Except for the foregoing, the Board shall retain its initial lien status relative to Redevelopment Area Increment. In the event that the City elects to avail itself of the provisions of this subsection, it shall, at least seven days prior to executing a binding commitment pledging the Redevelopment Area Increment described above, certify, in a letter to the Board, the affected parcels and the EAV thereof for the Base Year.

(f) [Intentionally omitted.]

(g) The availability of City Funds is subject to: (i) the City's annual retention of Redevelopment Area Increment in an amount necessary for the payment of expenses incurred by the City in the administration of the Redevelopment Area; and (ii) the City's compliance with all applicable requirements regarding the use of such funds and the timing of such use.

(h) The Board shall, at the request of the City, agree to any reasonable amendments to this Agreement that are necessary or desirable in order for the City to issue (in its sole discretion) any bonds in connection with the Redevelopment Area, the proceeds of which may be used to reimburse the City for expenditures made in connection with, or provide a source of funds for the payment for, the TIF-Funded Improvements ("Bonds"); provided, however, that any such amendments shall not have a material adverse effect on the Board or the Project. The Board shall, at the Board's expense, cooperate and provide reasonable assistance in connection with the marketing of any such Bonds, including but not limited to providing written descriptions of the Project, making representations, providing information regarding its financial condition and assisting the City in preparing an offering statement with respect thereto. The City may, in its sole discretion, use all or a portion of the proceeds of such Bonds if issued to pay for all or a portion of the TIF-Funded Improvements.

2. The current estimate of the cost of the Project is \$10,667,000. The Board has delivered to the Commissioner, and the Commissioner hereby approves, a detailed project budget for the Project, attached hereto and incorporated herein as (Sub)Exhibit G. The Board certifies that it has identified sources of funds (including the City Funds) sufficient to complete the Project. The Board agrees that the City will only contribute the City Funds to the Project and that all costs of completing the Project over the City Funds shall be the sole responsibility of the Board. If the Board at any point does not have sufficient funds to complete the Project, the Board shall so notify the City in writing, and the Board may narrow the scope of the Project as agreed with the City in order to construct the Facility with the available funds.

3. Attached as (Sub)Exhibit H and incorporated herein is a preliminary list of capital improvements, land assembly costs, relocation costs and other costs, if any, recognized by the City as being eligible redevelopment project costs under the Act with respect to the Project, to be paid for out of City Funds ("TIF-Funded Improvements"); and to the extent the TIF-Funded Improvements are included as taxing district capital costs under the Act, the Board acknowledges that the TIF-Funded Improvements are costs for capital improvements and the City acknowledges it has determined that these TIF-Funded Improvements are necessary and directly result from the Redevelopment Plan. Prior to the expenditure of City Funds on the Project, the Commissioner, based upon the detailed project budget, shall make such modifications to (Sub)Exhibit H as he or she wishes in his or her discretion to account for all of the City Funds to be expended under this Agreement; provided, however, that all TIF-Funded Improvements shall (i) qualify as redevelopment project costs under the Act, (ii) qualify as eligible costs under the Redevelopment Plan; and (iii) be improvements that the Commissioner has agreed to pay for out of City Funds, subject to the terms of this Agreement.

4. If the aggregate cost of the Project is less than the amount of the City Funds contemplated by this Agreement, the Board shall have no claim to the difference between the amount of the City Funds contemplated by this Agreement and the amount of the City Funds actually paid by the City to the Board and expended by the Board on the Project.

5. If requested by the City, the Board shall provide to the City quarterly reports on the progress of the Project and reasonable access to its books and records relating to the Project.

6. [intentionally omitted]

7. During the Term hereof the Board shall not sell, transfer, convey or otherwise dispose of all or any portion of the Facility and/or the Property or any interest therein to a party other than the City (a "Transfer"), or otherwise effect or consent to a Transfer to a party other than the City, without the prior written consent of the City. The City's consent to any Transfer may, in the City's sole discretion, be conditioned upon (among other things) whether such a Transfer would conflict with the statutory basis for the grant of the City Funds hereunder pursuant to the Act.

#### *Article Four:*

##### *Term.*

The Term of the Agreement shall commence as of the Agreement Date and shall expire on the date on which the Redevelopment Area is no longer in effect (through and including July 30, 2020).

*Article Five:*

*Indemnity; Default.*

1. The Board agrees to indemnify, defend and hold the City, its officers, officials, members, employees and agents harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, reasonable attorneys' fees and court costs) suffered or incurred by the City arising from or in connection with (i) the Board's failure to comply with any of the terms, covenants and conditions contained within this Agreement, or (ii) the Board's or any contractor's failure to pay general contractors, subcontractors or materialmen in connection with the Project.

2. The failure of the Board to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Board under this Agreement or any agreement directly related to this Agreement shall constitute an "Event of Default" by the Board hereunder. Upon the occurrence of an Event of Default, the City may terminate this Agreement and all agreements directly related to this Agreement, and may suspend disbursement of the City Funds. The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to injunctive relief or the specific performance of the agreements contained herein.

In the event the Board shall fail to perform a covenant which the Board is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the Board has failed to cure such default within thirty (30) days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those defaults which are not capable of being cured within such 30-day period, the Board shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such 30-day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

3. The failure of the City to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the City under this Agreement or any other agreement directly related to this Agreement shall constitute an "Event of Default" by the City hereunder. Upon the occurrence of an Event of Default, the Board may terminate this Agreement and any other agreement directly related to this Agreement. The Board may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to injunctive relief or the specific performance of the agreements contained herein.

In the event the City shall fail to perform a covenant which the City is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the City has failed to cure such default within thirty (30) days of its receipt of a written notice from the Board specifying the nature of the default; provided, however, with respect to those defaults which are not capable of being cured within such 30-day period, the City shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such 30-day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

The execution of the Tax Agreement by the Authorized Officer shall be deemed conclusive evidence of the approval of the City Council to the terms provided in the Tax Agreement.

SECTION 4. Security For The Bonds. The Bonds shall be limited obligations of the City, payable from and/or secured by (i) a senior mortgage on and security interest in the Property, the Improvements and related collateral, (ii) certain funds pledged under the Bond Issuance Agreement, (iii) certain capital contributions to be made to the New Borrower by its limited partner(s) in accordance with the terms and conditions of the limited partnership agreement of the New Borrower in connection with the allocation to the New Borrower of federal low-income housing tax credits and certain other funds, personal property and contractual rights of the New Borrower and its affiliates pledged and/or assigned to the Fiscal Agent, (iv) all right, title and interest of the City (other than certain reserved rights of the City, as described in the Loan Agreement) in the Loan Agreement, and (v) the proceeds of the Bonds and income from the temporary investment thereof, as provided in the Bond Issuance Agreement. In order to secure the payment of the principal of, premium, if any, and interest on the Bonds, such rights, proceeds and investment income are hereby pledged to the extent and for the purposes as provided in the Bond Issuance Agreement and are hereby appropriated for the purposes set forth in the Bond Issuance Agreement. The Bond Issuance Agreement shall set forth such covenants with respect to the application of such rights, proceeds and investment income as shall be deemed necessary by the Authorized Officer in connection with the sale of the Bonds issued thereunder.

SECTION 5. Limited Obligations. The Bonds, when issued and outstanding, will be limited obligations of the City, payable solely as provided in the Bond Issuance Agreement. The Bonds and the interest thereon shall never constitute a debt or general obligation or a pledge of the faith, the credit or the taxing power of the City within the meaning of any Constitutional or statutory provision of the State of Illinois. The Bonds shall be payable solely from the funds pledged therefor pursuant to the terms of the Bond Issuance Agreement hereinafter described.

SECTION 6. Assignment Of Rights. The right, title and interest of the City (except for certain rights to notice, involvement in certain discussions related to the Bonds, indemnification, and reimbursement) in, to and under the Loan Agreement, and the revenues to be derived by the City thereunder will be assigned to the Fiscal Agent under the Bond Issuance Agreement.

SECTION 7. Sale And Delivery Of Bonds. Subject to the terms and conditions of the Bond Issuance Agreement and such additional terms as are set forth in the Notification of Sale with the approval of an Authorized Officer, the Bonds shall be sold and delivered to the Purchaser, except that an Authorized Officer, following a formal written request by New Borrower may select one or more additional or other Bond purchasers in place of the Bond purchaser identified herein.

In connection with the offer and delivery of the Bonds, the Authorized Officer, and such other officers of the City as may be necessary, is authorized to execute and deliver such instruments and documents as may be necessary to implement the transaction and to effect the issuance and delivery of the Bonds. Any limitation on the amount of Bonds issued pursuant to this Ordinance as set forth herein shall be exclusive of any original issue discount or premium.

SECTION 8. Notification Of Sale. Subsequent to the sale of any Bonds, the Authorized Officer shall file in the Office of the City Clerk a notification of sale (the "Notification of Sale") for such Bonds directed to the City Council setting forth (i) the aggregate original principal amount of, maturity schedule, redemption provisions for and nature of each series of the Bonds sold, (ii) the identities of the Purchaser and the Fiscal Agent, (iii) the interest rates on the Bonds and/or a description of the method of determining the interest rate applicable to the Bonds from time to time, and (iv) any other matter authorized by this ordinance to be determined by an Authorized Officer at the time of the sale of any Bonds. There shall be attached to such notification the final form of the Bond Issuance Agreement and the Loan Agreement.

SECTION 9. Use Of Proceeds. The proceeds from the sale of the Bonds shall be deposited as provided in the Bond Issuance Agreement and used for the purposes set forth in the third paragraph of the recitals of this ordinance.

SECTION 10. Proxies. Each Authorized Officer may designate another to act as their respective proxy and to affix their respective signatures to each Bond, whether in temporary or definitive form, and to any other instrument, certificate or document required to be signed by such Authorized Officer pursuant to this ordinance or a Bond Issuance Agreement. In each case, each shall send to the City Council written notice of the person so designated by each, such notice stating the name of the person so selected and identifying the instruments, certificates and documents that such person shall be authorized to sign as proxy for the Mayor and the Authorized Officer, respectively. A written signature of the Mayor or the Authorized Officer, respectively, executed by the person so designated underneath, shall be attached to each notice. Each notice, with signatures attached, shall be recorded in the *Journal of the Proceedings of the City Council of the City of Chicago* and filed with the City Clerk. When the signature of the Mayor is placed on an instrument, certificate or document at the direction of the Mayor in the specified manner, the same, in all respects, shall be as binding on the City as if signed by the Mayor in person. When the signature of the Authorized Officer is so affixed to an instrument, certificate or document at the direction of the Authorized Officer in the specified manner, the same, in all respects, shall be as binding on the City as if signed by the Authorized Officer in person.

SECTION 11. Execution Of Bonds. The Bonds shall be executed by manual or facsimile signature of the Mayor of the City or the Authorized Officer, and the seal of the City shall be affixed or imprinted and attested to by the manual or facsimile signature of the City Clerk, as set forth in the Bond Issuance Agreement, and the same shall be delivered to the Fiscal Agent for proper authentication and delivery upon instructions to that effect.

SECTION 12. Volume Cap. The Bonds are obligations taken into account under Section 146 of the Code in the allocation of the City's volume cap.

SECTION 13. Additional Authorization Regarding Bonds. Each Authorized Officer, the City Treasurer, the Commissioner of the Department of Planning and Development (the "Commissioner") and a designee of the Commissioner (collectively with the

Commissioner, the "DPD Authorized Officer"), and the City Clerk are each hereby authorized to execute and deliver such other documents and agreements, including, without limitation, any documents necessary to evidence the receipt or assignment of any collateral for the Bonds from the New Borrower, any escrow agreements, subordination agreements or intercreditor agreements that may be deemed necessary or desirable, and perform such other acts as may be necessary or desirable in connection with the Bonds, including, but not limited to, the exercise following the delivery date of the Bonds of any power or authority delegated to such official under this ordinance with respect to the Bonds upon original issuance, but subject to any limitations on or restrictions of such power or authority as herein set forth.

SECTION 14. Public Hearing. This City Council hereby directs that the Bonds shall not be issued unless and until the requirements of Section 147(f) of the Code, including particularly the approval requirement following any required public hearing, have been fully satisfied, and that no contract, agreement or commitment to issue the Bonds shall be executed or undertaken prior to satisfaction of the requirements of said Section 147(f) unless the performance of said contract, agreement or commitment is expressly conditioned upon the prior satisfaction of such requirements. All such actions taken prior to the enactment of this ordinance are hereby ratified and confirmed.

SECTION 15. Restructuring. The DPD Authorized Officer is hereby authorized, subject to approval by the Corporation Counsel, to enter into and execute such agreements and instruments, and perform any and all acts as shall be necessary or advisable in connection with the Restructuring. The DPD Authorized Officer is hereby authorized, subject to the approval of the Corporation Counsel, to negotiate any and all terms and provisions in connection with the Restructuring. The DPD Authorized Officer is hereby further authorized, subject to approval by the Corporation Counsel, to enter and execute such agreements and instruments and perform any and all acts as shall be necessary or advisable, and to negotiate any and all terms and provisions in connection with any future restructuring of the City Loan which do not substantially modify the Material Terms.

SECTION 16. Severability. If any provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such provision shall not affect any of the remaining provisions of this ordinance.

SECTION 17. Administrative Fee. DPD is hereby authorized to charge an administrative fee or fees in connection with the delivery and administration of the Bond Issuance Agreement and the Bonds, which shall be collected under such terms and conditions as determined by the DPD Authorized Officer and which shall be in an amount as determined by the DPD Authorized Officer but not to exceed the maximum amount permitted under Section 148 of the Code to avoid characterization of the Bond Issuance Agreement and the Bonds as "arbitrage bonds" as defined in Section 148. Such administrative fee or fees shall be used by DPD for administrative expenses and other housing activities. Initially, such administrative fee or fees shall be an amount equal to (i) 1.5 percent of the original principal amount of the Bonds payable upon issuance of

the Bonds, plus (ii) an ongoing bond administrative fee of 15 basis points (0.0015 percent) of the outstanding principal amount, accruing monthly and payable semi-annually.

SECTION 18. Reserve For Legal Expenses. The City is authorized to assess and collect at the closing a fee of 10 basis points (0.0010 percent) of the aggregate principal amount of the Bonds, and to use such fee to pay for legal and other fees incurred by the City in connection with private activity bonds issued by the City.

SECTION 19. Inconsistent Provisions. All ordinances, resolutions, motions or orders in conflict with this ordinance are hereby repealed to the extent of such conflict.

SECTION 20. No Recourse. No recourse shall be had for the payment of the principal of, premium, if any, or interest on any of the Bonds or for any claim based thereon or upon any obligation, covenant or agreement contained in this ordinance, the Bond Issuance Agreement, the Loan Agreement, the Land Use Restriction Agreement, or the Tax Agreement against any past, present or future officer, member or employee of the City, or any officer, employee, director or trustee of any successor, as such, either directly or through the City, or any such successor, under any rule of law or equity, statute or constitution or by the enforcement of any assessment or penalty or otherwise, and all such liability of any such member, officer, employee, direct or trustee as such is hereby expressly waived and released as a condition of and consideration for the execution of the Bond Issuance Agreement, the Loan Agreement, the Land Use Restriction Agreement, and the Tax Agreement and the issuance of the Bonds.

SECTION 21. No Impairment. To the extent that any ordinance, resolution, rule, order or provision of Chapter 16-18 of the Municipal Code of Chicago (the "Municipal Code"), or part thereof, is in conflict with the provisions of this ordinance, the provisions of this ordinance shall be controlling. If any section, paragraph, clause or provision of this ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this ordinance. No provision of the Municipal Code or violation of any provision of the Municipal Code shall be deemed to render voidable at the option of the City any document, instrument or agreement authorized hereunder or to impair the validity of this ordinance or the instruments authorized by this ordinance or to impair the rights of the owners of the Bonds to receive payment of the principal of or interest on the Bonds or to impair the security for the Bonds; provided further that the foregoing shall not be deemed to affect the availability of any other remedy or penalty for any violation of any provision of the Municipal Code. Neither Section 2-45-110 nor Section 2-45-115 of the Municipal Code shall apply to the Property in connection with the Restructuring.

SECTION 22. Effective Date. This ordinance shall be in full force and effect immediately upon its passage and approval.

## ARTICLE II

### BONDS

Section 2.01. Authorization of Bonds. The Bonds shall be issued, from time to time, under the provisions of this Bond Issuance Agreement in accordance with this Article.

Section 2.02. Issuance of Bonds; Payments. (a) The Bonds shall be designated "City of Chicago Multi-Family Housing Revenue Bonds (Lawn Terrace Preservation Project), Series 2016," and shall be issued in substantially the form of Exhibit B hereto. The Bonds shall mature on the Maturity Date, shall bear interest on disbursed amounts from the respective dates of disbursement, and shall be issuable only as a registered bond without coupons. The Bonds shall be lettered and numbered R-1.

Principal of the Bonds shall be advanced in the amount of [\$50,000] on the Closing Date. Principal of the Bonds thereafter shall be disbursed by the Bondholder in multiple advances over time as provided in Articles IX, X and XI of the Loan Agreement. The amount of Bonds actually issued may not exceed the limitation set forth in Section 9.2(b) of the Loan Agreement.

(b) The Bonds shall be dated the Closing Date. Any Bond issued in substitution therefor at any time thereafter shall be dated its respective date of delivery.

(c) Except to the extent that the provisions of Article III or Section 7.02 hereof with respect to redemption or acceleration prior to maturity may become applicable hereto, the Bonds shall mature as to principal as provided above.

(d) All payments on the Bonds shall be first applied to interest on the unpaid principal balance and then to the unpaid principal balance. No repayment of principal of or interest on the Bonds may be re-advanced by the Bondholder. The Bondholder shall make all notations upon the Bonds or in the Bondholder's books and records as provided in Section 2.3(c) of the Loan Agreement.

(e) The principal of and interest on the Bonds shall be payable in lawful money of the United States of America. Such principal and interest shall be payable at the principal office of the Bondholder or as otherwise directed in writing by the Bondholder.

(f) The Conversion Date shall be such date specified by the Borrower in writing to the Bondholder stating that the following conditions have been satisfied: (i) the Project is Complete as provided in Section 7.11(b) of the Loan Agreement and the partial redemption of

the Bonds pursuant to Section 3.02(c) hereof shall have been funded in full, (ii) the Debt Service Coverage Ratio for each of the three calendar months preceding the Conversion Date has been at least \_\_\_\_ to 1.00; (iii) at least \_\_\_\_% of the units in the Project have been occupied in each of the three calendar months preceding the Conversion Date; (iv) all disbursements of funds from Additional Funding Sources have been funded in full in accordance with the Funding Schedule set forth in Exhibit F to the Loan Agreement; (v) all capital contributions required to have been paid to date by the Limited Partner under the Limited Partnership Agreement, including the \$\_\_\_\_\_ capital contribution from which the Bonds will be redeemed in part pursuant to Section 3.02(c) hereof, shall have been paid in full; and (vi) the Reserves have been established and funded in accordance with the Reserves Agreement. Notwithstanding the foregoing, the Conversion Date shall in no event be later than \_\_\_\_\_ 1, \_\_\_\_\_ [18 months from closing]. Notwithstanding any other provision herein to the contrary, Bonds may be redeemed in part pursuant to Section 3.01 hereof at the direction of the Borrower so that the outstanding principal amount of the Bonds immediately following the Conversion Date is less than \$\_\_\_\_\_, in order to permit the conditions to conversion set forth herein to be met.

Section 2.03. Interest Rates on Bonds. (a) During the Initial Period, the unpaid portion of the principal amount of the Bonds that has been advanced shall bear interest at the Initial Period Interest Rate. During the Permanent Period, the unpaid portion of the principal amount of the Bonds shall bear interest at the Permanent Interest Rate. Interest on the outstanding principal balance of the Bonds shall be calculated by multiplying (a) the actual number of days elapsed in the period for which the calculation is being made by (b) a daily rate based on a 360-day year (that is, the Initial Period Interest Rate, the Permanent Interest Rate or the Past Due Rate, as then applicable, expressed as an annual rate divided by 360) by (c) the outstanding principal balance. The parties acknowledge this will result in a higher rate of interest than if interest were calculated based on a 365-366 day year and waives any right to object to said basis of calculation. The accrual period for calculating interest due on each Interest Payment Date shall be the calendar month immediately prior to such Interest Payment Date.

(b) Reserved.

(c) Past Due Rate. If any amount payable by the Borrower under the Loan Agreement or the Borrower Note is not paid when due (without regard to any applicable grace periods), such amount shall thereafter bear interest at the Past Due Rate to the fullest extent permitted by applicable law. Accrued and unpaid interest on past due amounts (including interest on past due interest) shall be due and payable on demand, at the Past Due Rate.

Section 2.04. Payment Dates.

(a) Interest Payment Dates. Interest on disbursed amounts under the Bonds and the Borrower Note shall be payable monthly commencing on the first day of each calendar month following the Closing Date on any date of redemption and on the Maturity Date.

(b) Principal Payment Dates. During the Initial Period, principal of the Bonds and the Borrower Note shall not amortize and shall not be paid on a scheduled basis; provided that the Bonds and the Borrower Note shall be subject to redemption and acceleration as provided herein. During the Permanent Period, principal under the Bonds and the Borrower Note,

calculated based on a 30-year amortization from the Conversion Date, shall be payable monthly commencing on the first day of the calendar month following the Conversion Date and continuing on the first day of each month thereafter, on any date of redemption and on the Maturity Date (in an amount equal to the unpaid principal amount outstanding).

Attached hereto as Exhibit F is a principal amortization schedule to be in effect during the Permanent Period, which schedule assumes an outstanding principal balance of the Bonds of \$3,150,000 immediately following the Conversion Date. In the event that the principal amount of the Bonds outstanding immediately following the Conversion Date is less than such amount, then the Bondholder shall prepare a revised amortization schedule reflecting the actual outstanding principal amount and adjusting each principal payment on a pro rata basis to reflect such reduced principal amount.

Section 2.05. Interest on Amounts Past Due. Notwithstanding anything in this Article II to the contrary, if the Issuer shall fail to make any of the payments required to be made by it under this Bond Issuance Agreement, including, without limitation, any mandatory redemption required by Section 3.02 of this Bond Issuance Agreement, or under the Bonds, such payment shall continue as an obligation of the Issuer until the unpaid amount overdue shall have been fully paid and interest on the principal amount of the Bonds so overdue shall continue to accrue at the applicable Past Due Rate, from the date such payment was due until the date such payment is made or the date the Bonds have been repaid in full, whichever is earlier.

Section 2.06. Transfers of Bonds. The Bonds may be transferred in whole, and not in part, but only to a single Qualified Transferee that is reasonably acceptable to the Issuer, which Qualified Transferee shall execute and deliver to the Issuer a letter in the form of the Qualified Transferee letter attached hereto as Exhibit D; all of the Bonds shall be so transferred if any of the Bonds are so transferred. Successive transfers of the Bonds are permitted, subject to the limitations set forth in this Section. Notwithstanding the foregoing, the Bondholder may sell participating interests in the Bonds in accordance with applicable law.

Section 2.07. Funding Losses. As provided in the Loan Agreement, the Borrower will indemnify the Bondholder upon demand against any loss or expense, including, without limitation, reasonable attorneys' fees and expenses, which the Bondholder may sustain or incur (including, without limitation, any loss or expense sustained or incurred in obtaining, liquidating or employing deposits or other funds acquired to effect, fund or maintain the Loan and/or the Bonds) as a consequence of any failure of Borrower to make any payment when due of any amount due hereunder. Determinations by the Bondholder for purposes of this Section of the amount required to indemnify the Bondholder shall be conclusive in the absence of manifest error.

Section 2.08. Execution; Limited Obligation. (a) The Bonds shall be executed on behalf of the Issuer with the manual or facsimile signature of its Mayor and shall be acknowledged by the manual or facsimile signature of the City Clerk of the Issuer, and the seal of the Issuer shall be impressed, imprinted or reproduced thereon. In case any officer whose signature shall appear on the Bonds shall cease to be such officer before the delivery of the Bonds, such signature shall nevertheless be valid and sufficient for all purposes, the same as if he had remained in office until delivery. The Bonds may be signed on behalf of the Issuer by such

persons who, at the time of the execution of the Bonds, are duly authorized or hold the appropriate offices of the Issuer, although on the date of the Bonds such persons were not so authorized or did not hold such offices.

(b) THE BONDS AND THE INTEREST THEREON CONSTITUTE SPECIAL, LIMITED OBLIGATIONS OF THE ISSUER, PAYABLE SOLELY FROM THE PAYMENTS TO BE MADE BY THE BORROWER UNDER THE LOAN AGREEMENT OR FROM THE OTHER SOURCES SPECIFIED OR REFERRED TO IN THIS BOND ISSUANCE AGREEMENT, ALL OF WHICH ARE SPECIFICALLY ASSIGNED AND PLEDGED TO SUCH PURPOSES IN THE MANNER AND TO THE EXTENT PROVIDED HEREIN. THE BONDS AND ALL OTHER OBLIGATIONS OF THE ISSUER IN CONNECTION THEREWITH DO NOT CONSTITUTE A DEBT OF THE ISSUER, THE STATE OF ILLINOIS OR ANY POLITICAL SUBDIVISION THEREOF, AND NEITHER THE ISSUER NOR THE STATE OF ILLINOIS OR ANY POLITICAL SUBDIVISION THEREOF, SHALL BE LIABLE THEREON, NOR IN ANY EVENT SHALL THE BONDS OR OTHER OBLIGATIONS BE PAYABLE OUT OF ANY FUNDS OR PROPERTIES OTHER THAN THOSE PLEDGED UNDER THIS BOND ISSUANCE AGREEMENT. THE BONDS SHALL NOT CONSTITUTE AN INDEBTEDNESS OF THE ISSUER, THE STATE OF ILLINOIS OR ANY POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY DEBT PROVISION.

Section 2.09. Authentication. No Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this Bond Issuance Agreement unless and until a certificate of authentication on such Bond, substantially in the form herein set forth, shall have been duly executed by the Fiscal Agent, and such executed certificate of the Fiscal Agent upon a Bond shall be conclusive evidence that such Bond has been authenticated and delivered under this Bond Issuance Agreement. The Fiscal Agent's certificate of authentication on a Bond shall be deemed to have been executed by it if manually signed by an authorized signatory of the Fiscal Agent.

Section 2.10. Form of the Bonds and Temporary Bonds. (a) The Bonds, and the Fiscal Agent's certificates of authentication to be endorsed thereon, shall be in substantially the form herein set forth, with such variations, omissions and insertions as are permitted or required by this Bond Issuance Agreement. The Bonds shall provide that the principal thereof and interest thereon shall be payable only out of Revenues.

(b) A Bond may be initially issued in temporary form exchangeable for a definitive Bond when ready for delivery. Each temporary Bond shall be in the same denomination as the Bond it is issued in lieu of, and such temporary Bond may contain such reference to any of the provisions of this Bond Issuance Agreement as the Issuer may deem appropriate. Every temporary Bond shall be executed by the Issuer and shall be authenticated by the Fiscal Agent upon the same conditions, and in substantially the same manner, as the definitive Bond it is issued in lieu of. If the Issuer issues a temporary Bond in lieu of a definitive Bond, the Issuer shall execute and furnish the definitive Bond without delay, and thereupon the temporary Bond shall be surrendered for cancellation in exchange therefor at the Designated Office of the Fiscal Agent, and the Fiscal Agent shall authenticate and deliver in exchange for such temporary Bond a definitive registered Bond of the same series and maturity, and in the same denomination

bearing the same interest rate. Until so exchanged, the temporary Bond shall be entitled to the same benefits under this Bond Issuance Agreement as the definitive Bond it is issued in lieu of, but only to the extent that such temporary Bond is authenticated and delivered hereunder.

Section 2.11. Delivery of the Bonds. (a) Upon (i) receipt by the Issuer of a duly executed Initial Investor Letter from the Bondholder, (ii) the execution and delivery of this Bond Issuance Agreement, the Loan Agreement, the Bonds, the Borrower Note, the Borrower Collateral Documents and the Tax Certificate and the delivery of the Security for the Bonds, (iii) the execution, delivery and recording of the Land Use Restriction Agreement, and the receipt by the Issuer of evidence of the priority of the Land Use Restriction Agreement over the Borrower Collateral Documents, (iv) delivery by the Issuer to the Fiscal Agent of a copy of the Ordinance, certified by the Issuer to be in full force and effect, and (v) receipt by the Issuer of an opinion of Bond Counsel to the effect that the Bonds have been duly authorized and issued, and that interest thereon is excluded from gross income of the owners thereof for Federal income tax purposes, the Issuer shall execute and deliver to the Fiscal Agent and the Fiscal Agent shall authenticate the Bonds and deliver the Bonds to the Bondholder as directed by the Issuer.

(b) Advances of proceeds under the Bonds shall be paid by the Bondholder over to the Fiscal Agent as received from time to time and deposited in the Construction Fund pursuant to Article IV hereof. Promptly following the approval by the Bondholder of each written request for a disbursement of Bond proceeds in accordance with the provisions of the Loan Agreement, the Bondholder shall advance to the Fiscal Agent sufficient moneys to permit the Fiscal Agent to make the approved disbursement in question (taking into account for such purpose any available moneys in the Construction Fund that were previously advanced under paragraph (c) of this Section 2.11 and not yet disbursed).

Section 2.12. Mutilated, Lost, Stolen or Destroyed Bonds. In the event any Bond is mutilated, lost, stolen or destroyed, the Issuer may execute, and the Fiscal Agent shall authenticate and deliver, a new Bond of like date, maturity, series, interest rate and denomination as the Bond mutilated, lost, stolen or destroyed. In each such case, the applicant for a substitute Bond shall furnish to the Issuer and the Fiscal Agent such security or indemnity as may be required by them to save each of them harmless. In each case of loss, theft or destruction, the applicant shall furnish to the Issuer and the Fiscal Agent evidence to their satisfaction of the loss, theft or destruction of such Bond and of the ownership thereof, and in each case of the mutilation of any Bond, the applicant shall surrender the mutilated Bond to the Fiscal Agent. Upon the issuance of a substitute Bond, the Issuer and the Fiscal Agent may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses and fees connected therewith. In the event any Bond has matured or is about to mature and is mutilated, lost, stolen, or destroyed, the Issuer may, instead of the issuing a substitute Bond as permitted by this Section, pay or authorize the payment of the same upon satisfaction of the conditions set forth above.

Section 2.13. Bond Registrar; Registration Books; Persons Treated as Bondholder; Restrictions on Transfer. (a) The Fiscal Agent, which is hereby constituted and appointed the Bond Registrar of the Issuer, shall keep books for the registration and transfer of the Bonds, as provided in this Bond Issuance Agreement. Upon surrender for transfer of the Bonds at the Designated Office of the Fiscal Agent, duly endorsed by, or accompanied by a written instrument

or instruments of transfer in form satisfactory to the Fiscal Agent and duly executed by the registered owner or his attorney duly authorized in writing, and accompanied by a Qualified Transferee Letter executed by the party to whom the Bonds are to be transferred, the Issuer shall execute, and the Fiscal Agent shall authenticate and deliver in the name of the transferee, new Bonds of the same series, interest rates and maturities for like principal amounts. No Bond may be transferred in part, and all Bonds shall be transferred as a whole, so at all times there is but one registered owner of all of the Bonds issued and outstanding hereunder; provided that the Bondholder may, subject to applicable law, transfer participations in the Bonds. Upon the making of any such transfer, the transferor may assign to the transferee its interests in, to and under the Borrower Note and the Borrower Collateral Documents, and in the event of any such assignment, the transferor shall notify the Issuer and the Borrower of such assignment.

(b) Any exchange of a temporary Bond for a definitive Bond shall be without charge, except for the payment of any tax, fee or other governmental charge. With respect to any other exchange or transfer, the Fiscal Agent may charge a sum not exceeding the actual cost (if any) of printing new Bonds to be issued upon such exchange or transfer, together with reasonable expenses of the Fiscal Agent in connection therewith. In each case the Fiscal Agent shall require the payment by the registered owner of the Bond requesting exchange, registration or transfer, of any tax, fee or other governmental charge required to be paid with respect to such exchange, registration or transfer. All Bonds surrendered upon exchange or transfer provided for in this Bond Issuance Agreement shall be promptly cancelled by the Fiscal Agent and thereafter disposed of in accordance with Section 2.14 hereof.

(c) The Person in whose name the Bonds shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of principal thereof or interest thereon, shall be made only to or upon the order of the registered owner thereof or his legal representative, but such registration may be changed as hereinabove provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon the Bonds to the extent of the sum or sums so paid.

Section 2.14. Cancellation of Bonds. Whenever any Bond shall be delivered to the Fiscal Agent for cancellation pursuant to this Bond Issuance Agreement, upon payment of the principal and interest represented thereby, or for replacement, transfer or exchange pursuant to Section 2.13 hereof, such Bond shall be promptly cancelled and destroyed by the Fiscal Agent, and a certificate as to such cancellation and destruction shall be furnished by the Fiscal Agent to the Issuer and the Borrower.

Section 2.15. Conditions to Bondholder's Purchase of Bonds. The Bondholder's obligation to purchase and accept the delivery of the Bonds is expressly conditioned upon the following:

(a) No Event of Default or Default shall exist hereunder;

(b) The representations and warranties of the Issuer contained herein and in the Loan Agreement shall not prove to be incorrect or misleading in any material respect;

(c) The Bondholder shall have received an opinion of Bond Counsel in form acceptable to Bondholder to the effect that the interest payable on the Bonds is excludable from the Federal gross income of the Bondholder;

(d) the Bondholder shall have received all of the Borrower Collateral Documents in form acceptable to Bondholder;

(e) the conditions precedent to the first disbursement of the proceeds of the Loan set forth in Articles X and XI of the Loan Agreement have been satisfied; and

(f) the Bondholder shall have received payment of its transaction fees relating to the purchase of the Bonds equal to one percent (1.0%) of the authorized principal amount of the Bonds.

(g) Bondholder's credit committee shall have issued formal credit approval of Bondholder's purchase of the Bonds and the conditions precedent to the Bondholder's purchase of the Bonds set forth in said credit approval and the Summary of Terms and Conditions dated November 9, 2015 and accepted by the Borrower on June [8], 2016 between the Bondholder and the Borrower, as amended, shall have been met to the satisfaction of the Bondholder (or been waived by the Bondholder). The Bondholder's purchase of the Bonds shall establish conclusively that these conditions have been met.

### ARTICLE III

#### REDEMPTION OF BONDS BEFORE MATURITY

Section 3.01. Optional Redemption. The Bonds are subject to optional redemption prior to maturity on any Business Day by the Issuer pursuant to the request of the Borrower in accordance with Section 3.1(a) of the Loan Agreement, in whole or in part (and, if in part, at the direction of the Borrower as to the principal amount to be redeemed), at a redemption price of 100% of the principal amount thereof being redeemed, without premium, plus accrued interest to the date fixed for redemption. To effect such redemption, the Borrower shall give written notice to the Bondholder and the Issuer not less than 2 Business Days prior to the applicable redemption date. The Borrower may withdraw any such notice, and revoke the election made therein, by giving written notice of such withdrawal and revocation to the Bondholder and the Issuer on or before the date fixed for redemption. Any partial redemption of the Bonds shall be applied pro rata amongst all principal amortization payments, except as otherwise agreed by the Borrower and the Bondholder.

Section 3.02. Mandatory Redemption. The Bonds are subject to mandatory redemption prior to maturity on any Business Day by the Issuer in whole or in part, at a redemption price of 100% of the principal amount thereof being redeemed plus accrued interest to the date fixed for redemption, and without premium, upon the occurrence of any of the events set forth below:

(a) Within 15 days following the Completion Date, to the extent of any excess amounts on deposit in the Construction Fund or the Construction Escrow on the Completion Date which are not set aside for the payment of Costs of the Project not then due and payable (as provided in Section 9.4 of the Loan Agreement);

(b) [within \_\_\_ days following the Completion Date, in the principal amount of \$\_\_\_\_\_, [from proceeds of the \_\_\_ equity contribution made by the Limited Partner under the Limited Partnership Agreement in the amount of \$ \_\_\_\_\_, and] from \_\_\_\_\_ in the amount of \$\_\_\_\_\_];

(c) to the extent the Borrower Collateral Documents provide that the proceeds of any insurance or condemnation payment received with respect to the Project be applied to the prepayment of the Borrower Note and the redemption of Bonds;

(d) on the Conversion Date, in the principal amount of \$\_\_\_\_\_, from proceeds of the \_\_\_ equity contribution made by the Limited Partner under the Limited Partnership Agreement in the amount of \$\_\_\_\_\_, and from moneys held in the Cash Collateral Fund in the amount of \$\_\_\_\_\_ and to the extent proceeds thereof are insufficient for such purpose, from other funds provided by the Borrower or Guarantor;

(e) in whole, within 30 days following the occurrence of a Determination of Taxability.

If for any reason the redemption under (d) above does not occur because the Conversion Date conditions have not been met, all proceeds of the \_\_\_ equity contribution made by the Limited Partner under the Limited Partnership Agreement and \_\_\_ funds shall nevertheless be applied to a partial redemption of the Bonds in the amount of such contribution.

#### ARTICLE IV

#### REVENUES AND FUNDS

Section 4.01. Revenues; Payment Notations. (a) The Fiscal Agent is authorized and directed, subject to Section 7.06 of this Bond Issuance Agreement, to apply all available Revenues to the payment of the principal of and interest on the Bonds as and when received, including, without limitation, (i) any amount in the Construction Fund, the Construction Escrow or the escrow account referred to in Section 9.4 of the Loan Agreement, in either case to the extent provided in such Section; (ii) all payments specified in Section 2.2 (a) of the Loan Agreement, including, without limitation, payments on the Borrower Note and amounts applied to payment of the Borrower Note under the Borrower Collateral Documents; (iii) all prepayments specified in Article III of the Loan Agreement, including, without limitation, prepayments made on the Borrower Note; and (iv) all other moneys received by the Bondholder under and pursuant to any of the provisions of the Loan Agreement that are required or are accompanied by directions that such moneys are to be applied to the payment of the principal of and interest on the Bonds. Except as otherwise directed in Article III hereof, all Revenues shall be applied (i) first, to the payment of interest on the Bonds, and (ii) second to the payment of principal of the Bonds.

(b) Subject to Section 2.08 hereof, the Issuer hereby covenants and agrees that as long as the Bonds are outstanding it will pay, or cause to be paid, to the Bondholder, sufficient sums from Revenues promptly to meet and pay the principal of and interest on the Bonds as the

same become due and payable. Nothing herein shall be construed as requiring the Issuer to use any funds or revenues from any source other than Revenues.

(c) The Fiscal Agent shall note on the payment record attached as Schedule A to the Bonds, or in the Fiscal Agent's books and records relating to the Bonds, the date and amount of (i) each draw increasing the principal amount of the Bonds, and (ii) each payment of principal (whether at maturity or upon acceleration or prior redemption) and/or interest on the Bonds. The information so recorded shall be rebuttable presumptive evidence of the accuracy thereof. The failure to so record any such information or any error in so recording any such information shall not, however, limit or otherwise affect the obligations of the Issuer hereunder or under the Bonds to repay the principal amount thereof together with all interest accruing thereon.

Section 4.02. Creation of Construction Fund: Disbursements. (a) There is hereby created by the Issuer and ordered established with the Fiscal Agent a Fund in the name of the Issuer to be designated "City of Chicago Construction Fund (Lawn Terrace Preservation Project)" (the "Construction Fund"). Advances of Bond proceeds by the Bondholder shall be deposited in the Construction Fund; provided that advances of Bond proceeds used to pay interest on the Bonds shall be paid or credited directly to the Bondholder as payment of such interest.

(b) The Issuer hereby authorizes and directs the Fiscal Agent to use the moneys in the Construction Fund, pursuant to written requests therefor submitted by the Borrower (except as otherwise provided in Section 4.04 hereof), and approved in writing by the Bondholder, for payment of the Costs of the Project, and for payment of principal of and interest on the Bonds in accordance with Sections 3.02 and 4.01 hereof and Articles IX, X and XI of the Loan Agreement. The Fiscal Agent shall keep and maintain adequate records pertaining to the Construction Fund and all disbursements therefrom, and shall promptly, following a written request therefor, submit to the Issuer, the Borrower or the Bondholder copies of all reports, statements of receipts and disbursements and the like relating to the Construction Fund and any other funds held by the Fiscal Agent under this Bond Issuance Agreement. Moneys remaining in the Construction Fund when the Project is Complete shall be applied to redeem Bonds pursuant to Section 3.02(a) of this Bond Issuance Agreement. Disbursements may be made monthly on the first day of each month.

(c) Upon the occurrence of an Event of Default under Section 12.1(f) of the Loan Agreement, or a declaration of acceleration following the occurrence of any Event of Default hereunder, or a redemption in whole of the Bonds, any moneys remaining in the respective accounts of the Construction Fund shall be used to pay the principal and interest then due and unpaid on the Bonds.

(d) Future advances of Bond proceeds may be made to fund interest on the Bonds on each Interest Payment Date prior to the Completion Date, but only upon receipt by the Issuer and the Fiscal Agent of a certification from the Borrower that the amount so advanced represents interest chargeable to the Borrower's capital account for federal tax law purposes. Any amounts so advanced shall be applied to pay interest on the Bonds as it next comes due. Advances of Bond proceeds to pay interest on the Bonds shall not be subject to any other disbursement

requirements or conditions set forth in the Loan Agreement, except for the overall condition on the amount of total disbursements set forth in Section 9.2(b) of the Loan Agreement.

Section 4.03. Fiscal Agent's Fees, Charges and Expenses. The Fiscal Agent agrees that the Issuer shall have no liability for any fees, charges and expenses of the Fiscal Agent, and the Fiscal Agent agrees to look only to the Borrower for the payment of all reasonable fees, charges and expenses of the Fiscal Agent as provided in the Loan Agreement and in this Bond Issuance Agreement.

Section 4.04. Moneys to be Held in Trust. All moneys required to be deposited with or paid to the Fiscal Agent for the account of the Construction Fund or the escrow account referred to in Section 9.4 of the Loan Agreement under any provision of this Bond Issuance Agreement or the Loan Agreement shall be held by the Fiscal Agent in trust and applied for the purposes herein or therein specified. No Person not a party hereto shall have any rights to the money in the Construction Fund or the escrow account referred to in Section 9.4 of the Loan Agreement.

Section 4.05. Repayment of Excess Moneys. Any amounts remaining in any fund, or otherwise paid to the Fiscal Agent on behalf of the Issuer under this Bond Issuance Agreement or the Loan Agreement, after payment in full of the principal of and interest on the Bonds, the fees, charges and expenses of the Issuer and the Fiscal Agent, and all other amounts required to be paid under this Bond Issuance Agreement and the Loan Agreement shall be paid (a) first, to the Issuer to the extent of any moneys owed by the Borrower to the Issuer, and (b) second, to the Borrower.

Section 4.06. Cash Collateral Agreement. Reference is hereby made to the Cash Collateral Agreement. Moneys held under the Cash Collateral Agreement shall be applied to pay the principal of and interest on the Bonds as provided in the Cash Collateral Agreement.

## ARTICLE V

### INVESTMENT OF MONEYS

Section 5.01. Investment of Moneys. Any moneys held as part of any Account of the Construction Fund, to the extent not disbursed on the date of deposit therein, shall be invested or reinvested by the Fiscal Agent in Eligible Investments in accordance with the provisions of Section 9.6 of the Loan Agreement. The direction and written confirmation specified in Section 9.6 of the Loan Agreement shall specify to the extent applicable the issuer or obligor, the principal amount, maturity date and interest rate of each such Eligible Investment. All such Eligible Investments shall be held by or under the control of the Fiscal Agent and shall be

deemed at all times a part of such Account, and the interest accruing thereon, if any, and any profit realized from such Eligible Investments shall be credited to such Account. Any loss resulting from such investments shall be charged to such Account. The Fiscal Agent shall be entitled to rely conclusively on all written investment instructions provided by the Borrower pursuant to Section 9.6 of the Loan Agreement, and the Fiscal Agent shall have no responsibility or liability for any depreciation in the value of any investment or for any loss, direct or indirect, resulting from any investment made in accordance with such direction and written confirmation from the Borrower specified in Section 9.6 of the Loan Agreement.

Section 5.02. Investments through Fiscal Agent's Investment Department. The Fiscal Agent may make any and all investments permitted by the provisions of Sections 5.01 through its own investment department or that of an affiliate. Upon the written direction of the Borrower or the Issuer, the Fiscal Agent shall confirm in writing any investment made with the moneys in the Construction Fund. The Fiscal Agent shall answer all reasonable inquiries from the Borrower or the Issuer as to the status of moneys in each of such Fund or account. The Fiscal Agent shall file with the Issuer a copy of its statements that it delivers to the Borrower with respect to the investment of any funds held under this Bond Issuance Agreement.

## ARTICLE VI

### GENERAL COVENANTS OF ISSUER

Until payment in full of the Bonds, the Issuer covenants and agrees that each of the covenants, undertakings and agreements set forth in this Section shall be complied with:

Section 6.01. Payment of Principal and Interest. The Issuer covenants that it will promptly pay the principal of and interest on the Bonds at the place, on the dates and in the manner provided herein and in the Bonds according to the true intent and meaning hereof and thereof; provided, however, that the Bonds shall be a special, limited obligation of the Issuer payable as to principal and interest solely from the Revenues as provided in Section 2.08 of this Bond Issuance Agreement.

Section 6.02. Performance of Covenants. The Issuer covenants that it will faithfully perform at all times any and all covenants, undertakings, stipulations of and provisions applicable to the Issuer contained in this Bond Issuance Agreement and in the Bonds; provided, however, that the Issuer shall not be obligated to take any action or execute any instrument pursuant to any provision hereof until it shall have been requested to do so by the Borrower or the Bondholder, and, at the option of the Issuer, until it shall have received from the Borrower or the Bondholder assurance satisfactory to the Issuer that the Issuer shall be reimbursed for its reasonable expenses incurred or to be incurred in connection with taking such action or executing such instrument. The Issuer represents that it is duly authorized pursuant to the Ordinance to issue the Bonds, to execute this Bond Issuance Agreement, to pledge and assign the Loan Agreement, the Borrower Note and the Security for the Bonds, and the amounts payable under the Loan Agreement, the Borrower Note and the Security for the Bonds, in the manner and to the extent set forth herein; that all action on its part required for the issuance of the Bonds and the execution and delivery of this Bond Issuance Agreement has been duly and effectively taken; and that each of the Bonds in the hands of the Bondholder is and will be a valid and enforceable

obligation of the Issuer according to the terms thereof and hereof. Anything contained in this Bond Issuance Agreement to the contrary notwithstanding, it is hereby understood that none of the covenants of the Issuer contained in this Bond Issuance Agreement are intended to create a pecuniary obligation of the Issuer with respect to payment of principal of and interest on the Bonds.

Section 6.03. Assigned Rights; Instruments of Further Assurance. The Issuer represents that the pledge and assignment of the Security for the Bonds to the Bondholder hereby made is valid and lawful. The Issuer covenants that it will defend its interest in and to the Loan Agreement, the Borrower Note, the Security for the Bonds and the Revenues, and the pledge and assignment thereof to the Bondholder, against the claims and demands of all Persons whomsoever; provided, however, that all reasonable attorneys' fees and expenses incurred by the Issuer in the performance of its obligations under this covenant shall be paid by the Borrower. The Issuer covenants that it will do, execute, acknowledge and deliver or cause to be done, executed, acknowledged and delivered, such agreements supplemental hereto and such further acts, instruments and transfers as the Bondholder may reasonably require for the better assuring, transferring, conveying, pledging, assigning and confirming unto the Bondholder of the Loan Agreement, the Borrower Note, the Security for the Bonds and the Revenues, the rights pledged and assigned hereby, and the amounts pledged to the payment of the principal of and interest on the Bonds; provided, however, that the Issuer undertakes no responsibility for the preparation or filing of any such instrument or the maintenance of any security interest intended to be perfected thereby, all of which shall be the responsibility of the Bondholder and the Borrower. The Issuer covenants and agrees that, except as herein and in the Loan Agreement provided, it will not sell, convey, mortgage, encumber or otherwise dispose of any part of its interest in and to the Loan Agreement, the Borrower Note, the Security for the Bonds or the Revenues.

Section 6.04. Recordation and Other Instruments. In order to perfect the security interest of the Bondholder in the Security for the Bonds, the Issuer, to the extent permitted by law, will execute such assignments, security agreements or financing statements, naming the Bondholder as assignee and pledgee of the Security for the Bonds assigned and pledged under this Bond Issuance Agreement for the payment of the principal of and interest on the Bonds and as otherwise provided herein, as the Bondholder shall reasonably request in writing, and the Borrower will cause the same to be duly filed and recorded, as the case may be, in the appropriate state and county offices as required by the provisions of the Uniform Commercial Code or other similar law as adopted in Illinois, as from time to time amended. To continue the security interest evidenced by the financing statements, the Bondholder shall file and record, or cause to be filed and recorded, such necessary continuation statements or supplements thereto and other instruments from time to time as may be required pursuant to the provisions of the said Uniform Commercial Code or other similar law to fully preserve and protect the security interest of the Bondholder in the Security for the Bonds and to perfect the lien hereof and the rights of the Bondholder hereunder. The Issuer, to the extent permitted by law, at the expense of the Borrower, shall execute and cause to be executed any and all further instruments as shall be reasonably requested in writing by the Bondholder for such protection and perfection of the interests of the Bondholder, and the Issuer or its agent shall, upon written direction from the Bondholder, file and refile or cause to be filed and refiled such instruments as shall be necessary to preserve and perfect the lien of this Bond Issuance Agreement upon the Security for the Bonds

until the principal of and interest on the Bonds issued hereunder shall have been paid or provision for payment shall be made as herein provided.

Section 6.05. Inspection of Books. The Issuer, the Fiscal Agent and the Bondholder covenant and agree that all books and documents in their possession relating to the Project and the Revenues shall at all reasonable times be open to inspection by such accountants or other agencies as the other parties may from time to time designate.

Section 6.06. Rights Under Loan Agreement. The Loan Agreement, a duly executed copy of which has been delivered to the Bondholder, sets forth the covenants and obligations of the Issuer and the Borrower, including provisions to the effect that subsequent to the issuance of the Bonds and prior to its payment in full or provision for payment thereof in accordance with the provisions hercof, the Loan Agreement may not be effectively amended, changed, modified, altered or terminated without the written consent of the Issuer and the Bondholder, and reference is hereby made to the same for a detailed statement of said covenants and obligations of the Issuer and the Borrower thereunder. The Issuer agrees that the Bondholder, in its name or in the name of the Issuer, may enforce all rights of the Issuer and all obligations of the Borrower under and pursuant to the Loan Agreement, and the Issuer will not enforce such rights and obligations itself except at the written direction of the Bondholder, in each case whether or not the Issuer is in Default hereunder; provided, however, that the foregoing shall not apply to Issuer Reserved Rights.

Section 6.07. Prohibited Activities. The Issuer covenants and agrees that it has not engaged, and will not engage, in any activities, and that it has not taken, and will not take, any action, that might result in any interest on the Bonds becoming includible in the gross income of the owner of the Bonds under Federal income tax laws.

Section 6.08. Arbitrage. The Issuer shall not take any action within its power or fail to take any action of which it has knowledge with respect to the investment of the proceeds of the Bonds, including, without limitation, moneys on deposit in any Fund or Account in connection with the Bonds, whether or not such moneys were derived from the proceeds of the sale of the Bonds or from any other sources, or with respect to the payments derived from the Borrower Note which may result in constituting the Bonds an "arbitrage bond" within the meaning of such term as used in Section 148 of the Code and the Regulations. The Issuer further covenants to create a rebate fund upon direction by the Borrower to facilitate the payment of any rebatable arbitrage that may arise.

Section 6.09. Representations of the Issuer Contained in Loan Agreement. Article V of the Loan Agreement is hereby incorporated by reference into this Bond Issuance Agreement for the benefit of the Bondholder.

## ARTICLE VII

### DEFAULT PROVISIONS AND REMEDIES OF BONDHOLDER

Section 7.01. Events of Default. Each of the following is hereby defined and declared to be and shall constitute an "Event of Default" hereunder:

(a) default in the due and punctual payment of any amount required to be paid under the Bonds or this Bond Issuance Agreement, whether by way of principal, interest or otherwise, including, without limitation, any mandatory redemption required by Section 3.02 of this Bond Issuance Agreement; provided that such default shall not constitute an Event of Default hereunder if such default is cured within five days after written notice thereof to the Issuer and the Borrower from the Bondholder; or

(b) default in the performance or observance of any other of the covenants, agreements or conditions on the part of the Issuer in this Bond Issuance Agreement or in the Bonds (and not constituting an Event of Default under any of the other provisions of this Section 7.01); provided that such default shall not constitute an Event of Default hereunder if such default is cured within 90 days after written notice thereof to the Issuer and the Borrower from the Bondholder as long as during such period the Issuer and/or the Borrower is using its best efforts to cure such default and such default can be cured in such period; or

(c) any Event of Default shall occur under the Loan Agreement, any Borrower Collateral Document or the Construction Escrow Agreement (following the expiration of applicable notice and cure periods); or

(d) any material representation or warranty made by the Issuer herein is breached or is false or misleading in any material respect, or any schedule, certificate, financial statement, report, notice or other writing furnished by the Issuer to the Bondholder is false or misleading in any material respect on the date as of which the facts therein set forth are stated or certified; or

(e) this Bond Issuance Agreement or the Bonds or any of the Borrower Collateral Documents, or any lien granted by the Borrower or the Issuer to the Bondholder, shall (except in accordance with its terms), in whole or in part, terminate, cease to be effective or cease to be the legally valid, binding and enforceable obligations of the Issuer; or the Issuer shall directly or indirectly, contest in any manner such effectiveness, validity, binding nature or enforceability.

Notwithstanding anything to the contrary contained herein, the Fiscal Agent and the Issuer hereby agree that any cure of any default made or tendered by one or more of the Borrower's partners be deemed to be a cure by the Borrower and shall be accepted or rejected on the same basis as if made or tendered by the Borrower.

Section 7.02. Acceleration. Upon the occurrence of an Event of Default hereunder and as long as such Event of Default is continuing, the Bondholder may, by notice in writing delivered to the Issuer and the Borrower, declare the entire principal amount of the Bonds then outstanding and the interest accrued thereon immediately due and payable, and such principal and interest shall thereupon become and be immediately due and payable, subject, however, to the right of the Bondholder, by written notice to the Issuer and the Borrower, to annul such declaration and rescind its effect as hereinafter provided.

Section 7.03. Other Remedies; Rights of Bondholder. (a) Upon the occurrence of an Event of Default hereunder, the Bondholder may exercise and enforce such rights as exist under the Loan Agreement and the Borrower Collateral Documents or pursue any available remedy by

suit at law or in equity or by statute to enforce the payment of the principal of and interest on the Bonds, or to enforce any obligations of the Issuer hereunder.

(b) No remedy by the terms of this Bond Issuance Agreement conferred upon or reserved to the Bondholder is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and in addition to any other remedy given to the Bondholder hereunder or now or hereafter existing at law or in equity or by statute.

(c) No delay or omission to exercise any right or power accruing upon any Event of Default hereunder shall impair any such right or power or shall be construed to be a waiver of any such Event of Default or acquiescence therein; and such right and power may be exercised from time to time as often as may be deemed expedient. No waiver of any Event of Default hereunder shall extend to or shall affect any subsequent Event of Default or shall impair any rights or remedies consequent thereon.

(d) All remedies for which provision is made in this Bond Issuance Agreement shall be available only to the extent such remedies are not prohibited by the laws of the State of Illinois, decisions of courts of the State of Illinois or any other applicable law, statute, ordinance, regulation or court decision.

Section 7.04. Appointment of Receivers. Upon the occurrence of an Event of Default hereunder, and upon the filing of a suit or other commencement of judicial proceedings to enforce the rights of the Bondholder under this Bond Issuance Agreement, the Bondholder shall be entitled, as a matter of right, to the appointment of a receiver or receivers of the Security for the Bonds and of the revenues, earnings and income thereof, pending such proceedings, with such powers as the court making such appointment shall confer.

Section 7.05. Waiver of Rights. Except as specified in Section 7.09 hereof, upon the occurrence of an Event of Default hereunder, to the extent that such rights may then lawfully be waived, neither the Issuer, nor anyone claiming through or under the Issuer, shall set up, claim, or seek to take advantage of any appraisalment, valuation, stay, extension, exemption or redemption laws now or hereafter in force, in order to prevent or hinder the enforcement of this Bond Issuance Agreement, and the Issuer, for itself and all who may claim through or under it, hereby waives, to the extent that it lawfully may do so, the benefit of all such laws.

Section 7.06. Application of Funds. All funds received by the Bondholder pursuant to any right given or action taken under the provisions of this Article, after payment of the costs and expenses of the proceedings resulting in the collection of such moneys and of the expenses, liabilities and advances incurred or made by the Bondholder or the Issuer, shall be applied to pay the principal of and interest on the Bonds on the basis set forth in Section 4.01 hereof. Notwithstanding any other provision of this Bond Issuance Agreement to the contrary, funds received by the Bondholder may be applied (a) as long as an Event of Default has not occurred and is not continuing, with respect to payments and other amounts then due under the Borrower Note, or, if all such payments and other amounts, if any, have been paid, may be applied as directed by the Borrower, and (b) if an Event of Default has occurred and is continuing, to satisfy amounts due the Bondholder as directed and in such order as determined by the Bondholder.

Section 7.07. Termination of Proceedings. In case the Bondholder shall have proceeded to enforce any right under this Bond Issuance Agreement by the appointment of a receiver or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case the Issuer, the Borrower, the Fiscal Agent and the Bondholder shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies and powers of the Bondholder shall continue as if no such proceedings had been taken.

The failure to so record any such information, or any error in so recording any such information, shall not, however, limit or otherwise affect the obligations of the Borrower hereunder or under the Borrower Note to repay the principal balance thereof together with all interest accruing thereon.

(d) *Manner of Payment.* The principal of and interest on the Borrower Note shall be payable in lawful money of the United States of America; such principal and interest shall be payable at the principal office of the Bondholder.

(e) *Return of Collateral.* Upon payment in full of the Borrower Note and termination of this Loan Agreement, the Issuer shall or shall cause the Fiscal Agent to, on a timely basis, reassign and redeliver (or cause to be reassigned and redelivered) to the Borrower, or to such Person or Persons as the Borrower shall designate, against receipt, such of the collateral (if any) assigned by the Borrower to the Issuer as shall not have been sold or otherwise applied by the Issuer pursuant to the terms hereof and as shall still be held by it or the Fiscal Agent hereunder, together with appropriate instruments of reassignment and release, including, without limitation, UCC termination statements; it shall be the obligation of the Borrower to provide all such instruments of reassignment and release. Any such reassignment shall be without recourse upon, or representation or warranty by, the Issuer, and shall be at the cost and expense of the Borrower. If a claim is made upon the Issuer (or any assignee of the Issuer, including, but not limited to, the Bondholder) at any time for recovery of any amount received by the Issuer (or such assignee) in payment of the Borrower Note, whether received from the Borrower or otherwise (a "Recovery Claim"), and should the Issuer (or such assignee) repay all or part of said amount by reason of: (i) any judgment, decree or order of any court or administrative body having jurisdiction over the Issuer or any assignee of the Issuer, or the Property of either thereof; or (ii) any settlement or compromise of any such Recovery Claim effected by the affected party with the claimant (including the Borrower), this Loan Agreement, the Borrower Collateral Documents and the Security for the Bonds shall continue in effect with respect to the amount so repaid to the same extent as if such amount had never originally been received by the Issuer or such assignee, notwithstanding any prior termination of this Loan Agreement, the return of this Loan Agreement, the Borrower Collateral Documents or any of the Security for the Bonds to the Borrower (or any designee of the Borrower), or the cancellation of the Borrower Note.

Section 2.4. Interest Rates. The interest rate per annum payable on the Borrower Note shall be equal to the interest rate payable from time to time on the Bonds as provided in Article II

of the Bond Issuance Agreement. Interest on the Borrower Note shall be payable at such times as interest is payable on the Bonds under the provisions of the Bond Issuance Agreement.

Section 2.5. Interest on Amounts Past Due. Notwithstanding anything in this Article II to the contrary, if the Borrower shall fail to make any of the payments required to be made by it under this Agreement or under the Borrower Note, including, without limitation, any mandatory prepayments required by Section 3.1(b) of this Agreement, such payments shall continue as an obligation of the Borrower until the unpaid amount so overdue shall have been fully paid, and interest on the Borrower Note shall continue to accrue from the date such payment was due until the date such payment is made or the date the Borrower Note has been repaid in full, whichever is earlier, at the applicable Past Due Rate described in Section 2.03(f) of the Bond Issuance Agreement with respect to interest on overdue payments under the Bonds.

Section 2.6. Application of Payments. All payments on account of indebtedness outstanding under the Borrower Note shall be first applied to interest on the unpaid principal balance, and the remainder to the unpaid principal balance, of the Borrower Note.

Section 2.7. Event of Default under the Bond Issuance Agreement. Upon a declaration of acceleration by the Bondholder under Section 7.02 of the Bond Issuance Agreement, an amount equal to the outstanding principal of the Borrower Note, together with accrued interest due thereon, shall become immediately due and payable hereunder, and thereafter, to the extent not previously issued, the Issuer shall be under no obligation to issue further Bonds or make further Loans (or disbursement of Loans) of the proceeds thereof.

Section 2.8. No Defense or Set-off; Unconditional Obligation. (a) The obligation of the Borrower to make the payments required to be made by it herein, the obligation of the Borrower to make the payments pursuant to the Borrower Note, and the obligation of the Borrower to perform and observe fully all other agreements, obligations and covenants on its part contained herein shall be absolute and unconditional, irrespective of any defense or any rights of set-off, recoupment, abatement or counterclaim it might otherwise have against the Issuer, the Fiscal Agent or the Bondholder.

(b) Subject to Section 14.1 hereof, the Borrower covenants and agrees with and for the express benefit of the Issuer and the Bondholder that all payments pursuant hereto and the Borrower Note shall be made by the Borrower on or before the dates the same become due, and the Borrower shall perform all of its other obligations, covenants and agreements hereunder, without notice or demand (except as provided herein), and without abatement, deduction, reduction, diminishment, waiver, abrogation, set-off, counterclaim, recoupment, defense or other modification, or any right of termination or cancellation arising from any circumstance whatsoever, whether now existing or hereafter arising, and regardless of any act of God, contingency, event or cause whatsoever, and irrespective (without limitation) of whether any portion of the Project shall have been started or completed, or whether the title to any portion of the Premises or the Project is defective or nonexistent, or whether the revenues of the Borrower are sufficient to make such payments, and notwithstanding any damage to, or loss, theft or destruction of, the Premises or the Project, or any part thereof, expiration of this Loan Agreement, any failure of consideration or frustration of purpose, the taking by eminent domain or otherwise of title to or of the right of temporary use of, all or any part of Premises or the

Project, legal curtailment of the use thereof, any assignment, novation, merger, consolidation, transfer of assets, leasing or other similar transaction of or affecting the Borrower, the Premises or the Project, whether with or without the approval of the Issuer, any change in the tax or other laws of the United States of America, the State of Illinois or any political subdivision of either thereof, any change in the Issuer's legal organization or status, or any default of the Issuer hereunder, and regardless of the invalidity of any portion of this Loan Agreement or the Bond Issuance Agreement, or any other document or instrument referred to herein or therein; and, to the extent legally permissible, the Borrower hereby waives the provisions of any statute or other law now or hereafter in effect impairing or conflicting with any of its obligations, covenants or agreements under this Loan Agreement or the Borrower Note, or which releases or purports to release the Borrower herefrom or therefrom. Nothing in this Loan Agreement shall be construed as a waiver by the Borrower of any rights or claims the Borrower may have against the Issuer under this Loan Agreement or otherwise, but any recovery upon such rights and claims shall be had from the Issuer separately, it being the intent of this Loan Agreement that, except as provided in Section 14.1 hereof, the Borrower shall be unconditionally and absolutely obligated, without right of set-off or abatement, to perform fully all of its obligations, agreements and covenants under this Loan Agreement and the Borrower Note for the benefit of the Issuer and the Bondholder.

### ARTICLE III

#### PREPAYMENT OF THE BORROWER NOTE

##### Section 3.1. Prepayment of the Borrower Note.

(a) *Optional Prepayment.* The Borrower may prepay, in whole or in part, on any Business Day, the principal amount of any Borrower Note then outstanding, at a prepayment price of 100% of the principal amount thereof being prepaid (such optional prepayments to be applied to the redemption of the Bonds as provided in Section 3.01 of the Bond Issuance Agreement).

(b) *Mandatory Prepayment.* The Borrower Note is subject to mandatory prepayment, without premium or penalty, prior to the Maturity Date on each date that the Bonds are subject to mandatory redemption pursuant to Section 3.02 of the Bond Issuance Agreement in the principal amounts specified therein.

(c) In the event of any prepayment hereunder, the Borrower shall pay to the Bondholder all accrued and unpaid interest through the date of such prepayment on the principal balance of the Borrower Note being prepaid.

Section 3.2. Surrender of Borrower Note on Prepayment. Upon any partial prepayment of the Borrower Note, the Borrower Note may, at the option of the Issuer and the Bondholder (subject to assignment as set forth in Section 4.2 hereof), be surrendered to the Borrower in exchange for a new Borrower Note, of the same series, maturity date and interest rate, and in principal amount equal to the unpaid principal balance thereof; provided that the Borrower executes such documents, instruments, certificates and agreements that the Bondholder may deem necessary or appropriate, and reimburses the Issuer and the Bondholder for any reasonable

cost or expense, including, without limitation, reasonable attorneys' fees and expenses. If the entire unpaid principal balance of the Borrower Note is prepaid, the Borrower Note shall be cancelled by the Bondholder and surrendered to the Borrower, and shall not be so exchanged.

Section 3.3. Funding Losses. Subject to Section 14.1 hereof, the Borrower hereby agrees to indemnify the Bondholder upon demand against any loss or expense that the Bondholder may sustain or incur, including, without limitation, reasonable attorneys' fees and expenses, in obtaining, liquidating or employing deposits or other funds acquired to effect, fund or maintain the Loan and/or the Bonds as a consequence of (a) any failure of the Borrower to make any payment when due of any amount due under the Borrower Note, or (b) any payment or prepayment of the Loan and/or the Bonds on a date other than the scheduled payment dates therefor. Determinations by the Bondholder, for purposes of this subsection, of the amount required to indemnify the Bondholder shall be conclusive in the absence of manifest error.

Section 3.4. Rate Management Agreements. Nothing contained in this Article III shall be construed to alter or obviate any payment obligations of the Borrower arising pursuant to any Rate Management Agreement.

#### ARTICLE IV

##### LIMITED OBLIGATION; ASSIGNMENT BY ISSUER

Section 4.1. Limited Obligation of Issuer. The obligations of the Issuer under this Loan Agreement are special, limited obligations of the Issuer, payable solely out of the Revenues. The obligations of the Issuer hereunder shall not be deemed to constitute an indebtedness or an obligation of the Issuer, the State of Illinois or any political subdivision thereof within the meaning of any constitutional limitation or statutory provision, or a charge against the credit or general taxing powers, if any, of any of them.

Section 4.2. Assignment of Issuer's Rights. As security for the payment of the Bonds, the Issuer will, pursuant to the Bond Issuance Agreement, assign and pledge to the Bondholder all of the Issuer's right, title and interest in and to this Loan Agreement and the Borrower Note, except that it will retain the Issuer Reserved Rights, but such retention by the Issuer will not limit in any way the exercise by the Bondholder of its rights hereunder, under the Bond Issuance Agreement, the Borrower Note, the Bonds and the Security for the Bonds. Notwithstanding anything herein to the contrary, the Issuer hereby directs the Borrower to make all payments under this Loan Agreement (except with respect to the Issuer Reserved Rights) and the Borrower Note directly to the Bondholder. The Borrower hereby acknowledges and consents to such pledge and assignment, and agrees to make payments directly to the Bondholder (except with respect to the Issuer Reserved Rights), without defense or set-off, recoupment or counterclaim by reason of any dispute between the Borrower on the one hand, and the Bondholder, the Fiscal Agent or the Issuer on the other hand, or otherwise. After any such assignment and pledge referenced in this Loan Agreement, the Bond Issuance Agreement, the Bonds, the Borrower Note or the Security for the Bonds, all rights, interest and benefits accruing to the Issuer under this Loan Agreement or the Borrower Note, except for the Issuer Reserved Rights, shall be assigned to and become the rights and benefits of the Bondholder. Any obligations of the Issuer as provided in the Bond Issuance Agreement, this Loan Agreement, the Bonds or the Borrower

Note shall remain the obligations of the Issuer to the extent provided herein and therein after such assignment. The Issuer agrees that the Bondholder, in its name or in the name of the Issuer, may enforce all rights of the Issuer (other than the Issuer Reserved Rights) and all obligations of the Borrower under and pursuant to the assigned documents as aforesaid, and the Issuer will not enforce such rights and obligations itself except at the written direction of the Bondholder, in each case whether or not the Issuer is in Default hereunder.

THE ISSUER MAKES NO REPRESENTATION, EITHER EXPRESS OR IMPLIED, AS TO THE CREDITWORTHINESS OR THE ABILITY OF THE BORROWER TO MAKE THE PAYMENTS DUE UNDER THIS LOAN AGREEMENT OR THE BORROWER NOTE AND DOES NOT REPRESENT OR WARRANT AS TO ANY OF THE STATEMENTS, MATERIALS (FINANCIAL OR OTHERWISE), REPRESENTATIONS OR CERTIFICATIONS FURNISHED OR TO BE MADE AND FURNISHED BY THE BORROWER IN CONNECTION WITH THE ISSUANCE, SALE, EXECUTION AND DELIVERY OF THE BONDS, OR AS TO THE CORRECTNESS, COMPLETENESS OR ACCURACY OF SUCH STATEMENTS.

proceeding, or inquiry that might give rise thereto, materially affecting the Borrower or any of its Properties, or the General Partner, before any court, Governmental Body or arbitrator. The Borrower does not know of any basis for any of the foregoing: (a) that, in any case, may materially and adversely affect the financial condition or operation of the Borrower or the General Partner; (b) that, in any case, may seek to restrain, or would otherwise have a material adverse effect on, the transactions contemplated herein; or (c) that, in any case, would affect the validity or enforceability of the Borrower Documents.

The Borrower has filed or caused to be filed all federal, state and local tax reports and returns which are required to be filed, and has paid or caused to be paid all taxes as shown on said returns or which are due or on any assessment received by it.

Section 6.8. Full Disclosure. To the best of the Borrower's knowledge after due diligence and reasonable investigation, neither this Loan Agreement nor any written statement furnished by the Borrower to the Issuer or the Bondholder in connection with the negotiation of the sale of the Bonds contains any untrue statement of a material fact or omits to state a material fact necessary to make the statements contained therein or herein not misleading. To the best of the Borrower's knowledge, the Borrower has disclosed to the Bondholder in writing all facts that might materially and adversely affect the transactions contemplated by this Loan Agreement, or that might materially and adversely affect the business, credit, operations, financial condition or prospects of the Borrower, or that might materially and adversely affect any material portion of the Borrower's Properties (including, but not limited to, the Project), or the Borrower's ability to perform its obligations under the Borrower Documents.

Section 6.9. No Defaults. To the best of the Borrower's knowledge, the Borrower is not in default in the payment or performance of any of its obligations, liabilities or indebtedness, or the performance of any mortgage, indenture, lease, contract or other agreement, instrument or undertaking to which it is a party or by which it or any of its Properties may be bound, which default would have a material and adverse effect on the business, operations, Property or condition, financial or otherwise, of the Borrower. To the best of the Borrower's knowledge, no event, act or condition exists that would constitute a Default or an Event of Default hereunder. To the best of the Borrower's knowledge, the Borrower is not in default under any order, award or decree of any court, arbitrator or Governmental Body binding upon or affecting it, or by which any of its Properties may be bound or affected, which default would have a material adverse effect on the business, operations, Property or condition, financial or otherwise, of the Borrower, and no such order, award or decree adversely affects the ability of the Borrower to carry on its business as currently conducted or the ability of it to perform its obligations under this Loan Agreement, the Borrower Note, the Borrower Collateral Documents, the Security for the Bonds and the Borrower Documents.

Section 6.10. Governmental Consent. To the best of the Borrower's knowledge, the Borrower is currently in compliance with all Government Regulations to which it is subject, and has obtained and shall continue to maintain all licenses, permits, franchises or other governmental authorizations necessary for the ownership of its Property or the conduct of its activities, non-compliance with which or failure to obtain which might materially adversely affect the ability of the Borrower to conduct its activities as currently conducted or the financial condition of the Borrower.

Section 6.12. Restrictions on the Borrower. The Borrower is not a party to any contract or agreement, or subject to any charter or other restriction, that materially and adversely affects (within the sole discretionary judgment of the Bondholder) its ability to perform its obligations under this Agreement. The Borrower is not a party, or otherwise subject, to any provision contained in any instrument evidencing Indebtedness, any agreement relating thereto or any other contract or agreement (including its Limited Partnership Agreement) that restricts or otherwise limits the incurring of the Indebtedness to be represented by the Borrower Documents. The Borrower possesses all rights and properties necessary for the conduct of its business as currently conducted and as intended to be conducted.

Section 6.13. No Conflict of Interest. No member of the governing body of the Issuer or any elected or salaried officer or official of the Issuer has any interest (financial, employment or other) in the Borrower, the Project or the transactions contemplated by the Borrower Documents.

Section 6.17. Financial Statements. All balance sheet, income statements, statements of cash flow and other financial data that have been or shall hereafter be furnished to the Bondholder for the purposes of or in connection with this Loan Agreement do and will present fairly in accordance with GAAP, consistently applied, the financial condition of the Borrower as of the dates thereof and the results of its operations for the periods covered thereby.

Section 6.18. Broker's Fees. Other than with respect to any term sheet proposal deposit and the origination fee being paid by the Borrower in connection with the purchase of the Bonds by the Bondholder, the Borrower has no obligation to any Person in respect of any finder's, broker's or similar fee in connection with the Borrower Documents.

Section 6.24. Remaking of Representations and Warranties. At the time of making of each disbursement pursuant to Section 9.3, the Borrower shall be deemed to have remade each of the representations and warranties contained in this Article VI with the same effect as though made on the date of such disbursement.

## ARTICLE VII

### COVENANTS OF BORROWER

Section 7.1. Tax-Exempt Status of the Bonds. The proceeds of the Bonds will be used in a manner consistent with the representations of the Borrower contained herein and the Tax Certificate. The Borrower shall not use the Project, or permit the Project to be used, in such a way as would result in the loss of the exclusion from gross income for Federal income tax purposes of interest on the Bonds, and will not act in any manner that would adversely affect the exclusion from gross income for Federal income tax purposes of interest on the Bonds.

Section 7.2. Taxes, Charges and Assessments. The Borrower shall pay or cause to be paid on or before the date they become due, all taxes (except taxes imposed on gross or net income), duties, charges, assessments and impositions on, or on account of, the use, occupancy or operation of the Project, and on any payments under this Loan Agreement or under the Borrower Note. The Borrower shall promptly pay when due all amounts except such as the Borrower is diligently contesting in good faith and by appropriate proceedings; provided that the Borrower has provided for and is maintaining adequate reserves with respect thereto in

accordance with GAAP or a bond or other acceptable form of security to assure payment is made.

Section 7.3. Compliance with Orders, Ordinances, Etc. The Borrower shall, at its sole cost and expense, comply with all current and future applicable Government Regulations, the failure to comply with which would materially and adversely affect the Project or the use, occupancy or condition thereof. The Borrower shall have the right to contest any such Government Regulation and, in the event of any such contest, may refrain from complying therewith during the period of such contest and any appeal therefrom; provided that it has furnished additional security satisfactory to the Bondholder for any loss or damage that the Bondholder may sustain by reason of such non-compliance.

Section 7.4. Books, Records and Inspections. The Borrower shall maintain complete and accurate books and records (including records relating to the Project), and, during reasonable times and upon reasonable notice (except upon an Event of Default when no such notice shall be required), shall permit the Issuer and the Bondholder to have full and complete access to such books and records of the Borrower, and shall permit the Issuer and the Bondholder to visit, audit, examine, copy and inspect, as applicable, the Borrower's books and records, offices, Premises and operations, at the sole cost and expense of the Borrower. The Issuer and the Bondholder have no duty to visit the Premises, to supervise or observe construction or to examine any books or records. Any site visit, observation or examination by the Issuer or the Bondholder is solely for the purpose of protecting their respective rights and interests. No site visit, observation or examination by the Issuer or the Bondholder will impose any liability on the Issuer or the Bondholder or result in a waiver of any Event of Default of the Borrower or be a representation that the Borrower is or will be in compliance with the approved Plans and Specifications for the Project, that the construction of the Project is free from defective materials or workmanship, or that the construction complies with all applicable laws, ordinance and regulations. Neither the Borrower, nor any other party, is entitled to rely on any site visit, observation or examination by the Issuer or the Bondholder. The Issuer and the Bondholder owe no duty of care to protect the Borrower or any other party against, or to inform the Borrower or any other party of, any negligent or defective design or construction of the Project or any other adverse condition affecting the Premises.

Section 7.5. Change in Nature of Operations. The Borrower shall not make any material change in the nature of its operations carried on as of the date of issuance of the Bonds unless consented to in writing by the Issuer and the Bondholder.

Section 7.6. Borrower to Maintain Existence; Consolidation or Merger. Absent the prior written consent of the Bondholder, the Borrower shall, as long as the Bonds are outstanding, maintain its existence, not dissolve, liquidate, transfer any partnership except as provided herein or other equity interest in the Borrower or otherwise dispose of all or substantially all of its assets, and not consolidate with or merge into another business entity or permit one or more other business entities to consolidate with or merge into it. Notwithstanding anything to the contrary contained herein, the Limited Partner shall be permitted to remove the General Partner and replace the General Partner with an affiliate of the Limited Partner in accordance with the Limited Partnership Agreement without the consent of the Bondholder, provided that (a) the partnership interests of any such substitute General Partner shall be subject to the Bondholder's

security interests pursuant to the terms of the Security Agreement, and (b) any such substitute General Partner shall execute any and all documents, including security agreements and financing statements, as the Bondholder may reasonably request in order to create, perfect, or continue such security interests. Notwithstanding the foregoing, the substitute General Partner shall assume all the rights and obligations of the General Partner under all of the Borrower Collateral Documents.

After all equity contributions have been made pursuant to the terms and conditions of the Limited Partnership Agreement, such Limited Partner interests shall be transferable without the consent of either the Bondholder or the Issuer. Notwithstanding the foregoing, the Limited Partner interests shall be transferable at any time without the consent of the Issuer or the Bondholder, so long as such interest is transferred to an affiliate of the Limited Partner; provided, however, that any other Limited Partner transfers prior to the payment of all the equity contributions shall require Bondholder and Issuer consent.

The Borrower shall be permitted to amend the Limited Partnership Agreement to reflect such removal and substitution of the General Partner or permitted transfer of the Limited Partner's interests without the consent of the Issuer or the Bondholder to the extent such transfer is permitted without consent as provided above.

Section 7.7. Transfer of Project. Absent the prior written consent of the Bondholder and the Issuer, the Borrower shall not sell, transfer or otherwise dispose of the Project or any portion thereof (other than sales or other dispositions of obsolete equipment or fixtures in the ordinary course of business) while the Bonds are Outstanding.

Section 7.8. Environmental Requirements; Indemnity.

(a) As between the Issuer and the Borrower, the Issuer and the Borrower agree and understand that the terms and provisions of the Environmental Indemnity Agreement shall govern all indemnifications from the Borrower to the Issuer with respect to environmental matters affecting the Project. The terms and provisions of the Environmental Indemnity Agreement are incorporated herein by this reference, mutatis mutandis, as if fully set forth herein with respect to such relationship. As such, the balance of the provisions of this Section govern only the relationship between the Borrower and the Bondholder with respect to indemnifications from the Borrower to the Bondholder with regard to environmental matters affecting the Project.

(b) For purposes of this Section 7.8, the term "Hazardous Substance" means and includes any substance, material or waste, including asbestos, petroleum and petroleum products (including crude oil), that is or becomes designated, classified or regulated as "toxic," "hazardous" or a "pollutant," or that is or becomes similarly designated, classified or regulated, under any federal, state or local law, regulation or ordinance, but does not include any such substance that is a customary and ordinary household, cleaning or office product used on the Premises by Borrower or any tenant or agent of Borrower, or customary construction materials used during the course of construction of the Project by the Borrower and its general contractor, provided such use is in accordance with applicable hazardous materials laws.

(c) Before signing this Agreement, the Borrower researched and inquired into the previous uses and owners of the Premises and obtained a Phase I environmental site assessment and other reports with respect to the environmental conditions of the Premises, copies of which have been delivered to the Bondholder. Based on that due diligence, the Borrower represents and warrants to the Bondholder that, except as the Borrower has disclosed to the Bondholder in writing and as described in the Phase I environmental site assessment, to the best of the Borrower's knowledge, (i) no Hazardous Substance has been disposed of, or released to or from, or otherwise now exists in, on, under or around, the Premises, and (ii) no aboveground or underground storage tanks are now or have ever been located on or under the Premises.

(d) The Borrower has complied, and will comply and cause all tenants and any other persons who may come upon the Premises to comply in all material respects with all federal, state and local laws, regulations and ordinances governing or applicable to Hazardous Substances ("Environmental Laws"), including those requiring disclosures to prospective and actual buyers or tenants of all or any portion of the Premises. The Borrower will not install or allow to be installed any aboveground or underground storage tanks on the Premises. The Borrower must comply with the recommendations of any qualified environmental engineer or other expert engaged by the Borrower with respect to the Premises. The Borrower must promptly notify the Bondholder in writing (i) if it knows, suspects or believes there may be any Hazardous Substance in or around any part of the Premises, any improvements constructed on the Premises, or the soil, groundwater or soil vapor on or under the Premises, or that the Borrower or the Premises may be subject to any threatened or pending investigation by any governmental agency under any law, regulation or ordinance pertaining to any Hazardous Substance, and (ii) of any claim made or threatened by any person, other than a governmental agency, against the Borrower arising out of or resulting from any Hazardous Substance being present or released in, on or around any part of the Premises, any Improvements constructed on the Premises or the soil, groundwater or soil vapor on or under the Premises (any of the matters described in clauses (i) and (ii) above a "Hazardous Substances Claim").

(e) The Bondholder, and its respective officers, employees, directors, agents, parent, subsidiary, affiliates, assignees, and any purchasers of the Premises at any foreclosure sale with respect to the Mortgage (each individually, an "Indemnified Party," and all collectively, the "Indemnified Parties"), have the right at any reasonable time and upon notice to the Borrower to enter and visit the Premises for the purposes of observing the Premises, taking and removing soil or groundwater samples and conducting tests on any part of the Premises. The Indemnified Parties have no duty, however, to visit or observe the Premises or to conduct tests, and no site visit, observation or testing by any Indemnified Party imposes any liability on any Indemnified Party. In no event will any site visit, observation or testing by any Indemnified Party be a representation that Hazardous Substances are or are not present in, on or under the Premises, or that there has been or will be compliance with any law, regulation or ordinance pertaining to Hazardous Substances or any other applicable governmental law. Neither the Borrower nor any other party is entitled to rely on any site visit, observation or testing by any Indemnified Party. The Borrower waives to the fullest extent permitted by law any such duty of care on the part of the Indemnified Parties or any other party to protect the Borrower or inform the Borrower or any other party of any Hazardous Substances or any other adverse condition affecting the Premises. Any Indemnified Party will give the Borrower reasonable notice before entering the Premises. The Indemnified Party will make reasonable efforts to avoid interfering with the Borrower's use

of the Premises in exercising any rights provided in this Section. The Borrower must pay all reasonable costs and expenses incurred by an Indemnified Party in connection with any inspection or testing conducted in accordance with this subsection if the same are performed as a result of any violation or potential violation, as determined in Bondholder's reasonable discretion, of Environmental Laws. The results of all investigations conducted and/or reports prepared by or for any Indemnified Party must at all times remain the property of the Indemnified Party, and under no circumstances will any Indemnified Party have any obligation whatsoever to disclose or otherwise make available to the Borrower or any other party the results or any other information obtained by any of them in connection with the investigations and reports. Notwithstanding the foregoing, the Indemnified Parties hereby reserve the right, and the Borrower hereby expressly authorizes any Indemnified Party, to make available to any party (including any governmental agency or authority and any prospective bidder at any foreclosure sale of the Premises with respect to the Mortgage) any and all reports, whether prepared by any Indemnified Party or prepared by the Borrower and provided to any Indemnified Party (collectively, "Environmental Reports") that any Indemnified Party may have with respect to the Premises. The Borrower consents to the Indemnified Parties' notifying any party (either as part of a notice of sale or otherwise) of the availability of any or all of the Environmental Reports and the information contained therein. The Borrower acknowledges that the Indemnified Parties cannot control or otherwise assure the truthfulness or accuracy of the Environmental Reports and that the release of the Environmental Reports, or any information contained therein, to prospective bidders at any foreclosure sale of the Premises with respect to the Mortgage may have a material and adverse effect upon the amount that a party may bid at such sale. The Borrower agrees that the Indemnified Parties have no liability whatsoever as a result of delivering any or all of the Environmental Reports or any information contained therein to any third party, and the Borrower hereby releases and forever discharges the Indemnified Parties from any and all claims, damages, or causes of action, arising out of, connected with or incidental to the Environmental Reports or the delivery thereof.

(f) The Borrower must promptly undertake any and all remedial work ("Remedial Work") in response to Hazardous Substances Claims to the extent required by governmental agency or agencies involved or as recommended by prudent business practices, if such standard requires a higher degree of remediation, and in all events to minimize any impairment to the Bondholder's security under the Borrower Collateral Documents. All Remedial Work must be conducted (i) in a diligent and timely fashion by licensed contractors acting under the supervision of a consulting environmental engineer, (ii) pursuant to a detailed written plan for the Remedial Work approved by all public or private agencies or persons with a legal or contractual right to such approval, (iii) with insurance coverage pertaining to liabilities arising out of the Remedial Work as is then customarily maintained with respect to such activities, and (iv) only following receipt of any required permits, licenses or approvals. The selection of the Remedial Work contractors and consulting environmental engineer, the contracts entered into with such parties, any disclosures to or agreements with any public or private agencies or parties relating to Remedial Work and the written plan for the Remedial Work (and any changes thereto) at the Bondholder's option, is subject to the Bondholder's prior written approval, which may not be unreasonably withheld or delayed.

(g) The obligations and rights of the parties under this Section 7.8 are secured by the Mortgage until the first to occur of full, final and indefeasible repayment of the Liabilities

or the transfer of title to all or any part of the Premises at a foreclosure sale under the Mortgage or by deed in lieu of such foreclosure (any of the foregoing transfers being referred to as a "Foreclosure Transfer"). The parties' obligations and rights under this Section 7.8 continue in full force and effect after the full and final payment of the Liabilities or a Foreclosure Transfer, as the case may be, but (i) in the case of a full and final payment of the Liabilities, the Borrower's obligations under this Section 7.8 are thereafter limited to the indemnification obligations of subsections (h) and (i) below as to Indemnified Costs (as defined below) arising out of or as a result of events prior to the full and final payment of the Liabilities, and (ii) in the case of a Foreclosure Transfer, the obligations do not include the obligation to reimburse any Indemnified Party for diminution in value of the Premises resulting from the presence of Hazardous Substances on the Premises before the date of the Foreclosure Transfer if, and to the extent that, the Indemnified Party recovers on a deficiency judgment including compensation for such diminution in value; provided, however, that nothing in this sentence impairs or limits an Indemnified Party's right to obtain a judgment in accordance with applicable law for any deficiency in recovery of all obligations that are secured by the Mortgage, subject to the provisions of Section 14.1 hereof. As used in this Section 7.8, the term "Indemnified Costs" means all actual or threatened liabilities, claims, actions, causes of action, judgments, orders, damages (including foreseeable and unforeseeable consequential damages), costs, expenses, fines, penalties and losses incurred in connection with Hazardous Substances on the Property (including sums paid in settlement of claims and all consultant, expert and reasonable legal fees and expenses of the Bondholder's counsel), including those incurred in connection with any investigation of site conditions or any clean-up, remedial, removal or restoration work (whether of the Premises or any other property), or any resulting damages, harm or injuries to the person or property of any third parties or to any natural resources.

(h) Unless due to the gross negligence or intentional misconduct of the Indemnified Parties, the Borrower shall indemnify, defend and hold the Indemnified Parties harmless for, from and against any and all Indemnified Costs directly or indirectly arising out of or resulting from any Hazardous Substance being present or released in, on or around any part of the Premises, or in the soil, groundwater or soil vapor on or under the Premises, including: (i) any claim for such Indemnified Costs asserted against any Indemnified Party by any federal, state or local governmental agency, including the United States Environmental Protection Agency and the Illinois Environmental Protection Agency, and including any claim that any Indemnified Party is liable for any such Indemnified Costs as an "owner" or "operator" of the Premises under any law relating to Hazardous Substances; (ii) any claim for such Indemnified Costs asserted against any Indemnified Party by any person other than a governmental agency, including (1) any person who may purchase or lease all or any portion of the Premises from the Borrower, from any Indemnified Party or from any other purchaser or lessee, (2) any person who may at any time have any interest in all or any portion of the Premises, (3) any person who may at any time be responsible for any clean-up costs or other Indemnified Costs relating to the Premises, and (4) any person claiming to have been injured in any way as a result of exposure to any Hazardous Substance; (iii) any Indemnified Costs incurred by any Indemnified Party in the exercise by the Indemnified Party of its rights and remedies under this Section 7.8; and (iv) any Indemnified Costs incurred by any Indemnified Party as a result of currently existing conditions in, on or around the Premises, whether known or unknown by the Borrower or the Indemnified Parties at the time this Agreement is executed, or attributable to the acts or omissions of the

Borrower, any of the Borrower's tenants, or any other person in, on or around the Premises with the consent or under the direction of the Borrower.

(i) Unless due to the gross negligence or intentional misconduct of the Indemnified Parties, upon demand by any Indemnified Party, the Borrower must defend any investigation, action or proceeding involving any Indemnified Costs that is brought or commenced against any Indemnified Party, whether alone or together with the Borrower or any other person, all at the Borrower's own cost and by counsel approved by the Indemnified Party. In the alternative, any Indemnified Party may elect to conduct its own defense at the Borrower's expense.

(j) In addition to any other rights or remedies the Bondholder may have under this Agreement, at law or in equity, upon the occurrence of an Event of Default under this Agreement, the Bondholder may do or cause to be done whatever is necessary to cause the Premises to comply with any and all laws, regulations and ordinances governing or applicable to Hazardous Substances, and any other applicable law, rule, regulation, order or agreement, and the cost thereof will become immediately due and payable upon demand by the Bondholder, and if not paid when due will accrue interest at the default rate set forth in the Bonds, until paid. The Borrower hereby acknowledges and agrees that any amounts realized by the Bondholder by reason of the following may be applied to pay the Liabilities prior to being applied to pay the Borrower's obligations to reimburse the Bondholder for costs and expenses, including those incurred by the Bondholder in enforcing its rights and remedies under the provisions of this Section 7.8: (i) any payments made pursuant to the Bonds or any of the Borrower Collateral Documents (other than payments made to the Bondholder for reimbursement of costs and expenses or for enforcement of its rights and remedies, under the provisions of this Section 7.8); (ii) any foreclosure of the Mortgage or the other documents evidencing or securing the Liabilities (including any amounts realized by reason of any credit bid in connection with any such foreclosure); (iii) any conveyance in lieu of foreclosure; (iv) any other realization upon any security for the Liabilities; (v) any recoveries against the Borrower personally (except for recoveries against the Borrower for reimbursement of costs and expenses or enforcement of the Bondholder's rights and remedies under this Section 7.8); and (vi) any recoveries against any person or entity other than the Borrower (including any guarantor) to the maximum extent permitted by applicable law.

(k) To the extent any provision of this Section 7.8 conflicts with or provides lesser protection to the Bondholder than that provided by the Environmental Indemnity Agreement, the provisions of the Environmental Indemnity Agreement shall control.

Section 7.9. Insurance. The Borrower shall at all times maintain insurance with respect to the Project as is set forth in the Mortgage.

Section 7.10. Project Budget. All Costs of the Project shall be identified by line item in the Development Cost Budget approved in writing by the Bondholder, the Bondholder's purchase of the Bond to constitute evidence that the Bondholder has approved the initial Development Cost Budget. The initial Development Cost Budget shall have a hard cost contingency line item in the minimum amount of ten percent (10%) of the hard cost amount (exclusive of profit and overhead) of the approved contract for construction of the Project

between the Borrower and a general contractor approved by the Bondholder. The initial Development Cost Budget, once so approved by the Bondholder shall not be modified or amended without the prior written approval of the Bondholder; provided, that individual line item changes in an amount not individually in excess of \$25,000 and in the aggregate not in excess of \$100,000 may be made without Bondholder approval, provided that the entire budget is "in balance" as provided in Section 7.12.

Section 7.11. Completion of Construction.

(a) The Borrower shall commence construction of the Project during or before the Closing Date, and Complete all improvements comprising the Project during or before \_\_\_\_\_ [\_\_\_ months after Closing].

(b) For purposes of this Section, the Project shall be deemed "Complete" when (a) the Project has been substantially completed in accordance with the approved Plans and Specifications therefor and all applicable laws and ordinances, as evidenced by a certification of the Borrower's design architect; (b) final lien waivers from the Borrower's General Contractor and any other contractors providing materials and labor in connection with the Project have been obtained, or the Borrower shall have deposited with the Bondholder such surety bond, cash or other security satisfactory to the Bondholder in its sole discretion to secure the payment of any unpaid claims; (c) a final certificate of occupancy (or its functional equivalent) has been issued by the City of Chicago Department of Buildings with respect to the Project; and (d) all buildings in the Project have been "placed in service" pursuant to the requirements of Section 42 of the Internal Revenue Code.

Section 7.12. Balancing. The Borrower shall maintain the sources and uses of funds for the Project "in balance." The Project is "in balance" whenever the amount of the undisbursed funds (the "Undisbursed Funds") considering all financing sources that are, in the Bondholder's reasonable judgment, available for disbursement to pay Costs of the Project are sufficient, in the Bondholder's reasonable judgment, to pay all budgeted and unpaid Costs of the Project through completion of the Project, except for developer fees. The Project is "out of balance" if and when the Bondholder in its reasonable judgment determines that the Undisbursed Funds for the Project are insufficient to pay for all Costs of the Project.

Section 7.13. Change Orders. The Borrower must obtain the Bondholder's prior written approval of any change in any work or materials for the Project (whether positive or negative) exceeding \$25,000 in amount. Also, the Borrower must obtain the Bondholder's prior written approval for any change in any work or materials if the aggregate amount of all changes (whether positive or negative) with respect to the Project will then exceed \$100,000.

Section 7.14. Covenant Against Liens. The Borrower shall not create, incur, assume or suffer to exist any lien on any portion of the Property except for Permitted Encumbrances and the Borrower must pay or otherwise discharge promptly all claims and liens for labor done and materials and services furnished in connection with the construction of the Project. The Borrower has the right to contest in good faith any claim or lien, provided that (i) it does so diligently and without prejudice to the Bondholder or delay in completing the Project by the Completion Date, (ii) it concludes such contest prior to the thirtieth (30<sup>th</sup>) day preceding the

Conversion Date, and (iii) neither the Project nor any part thereof or interest therein will be in danger of being sold, forfeited, terminated, cancelled or lost. Promptly upon the Bondholder's request, the Borrower must provide a bond, cash deposit or other security satisfactory to the Bondholder in the exercise of its reasonable judgment.

Section 7.15. Financial Statements. Within 120 days after the end of its fiscal year, the Borrower must deliver annual audited balance sheets and income statements to the Bondholder for itself, the General Partner and, until the Conversion Date, the Guarantor, together with a statement showing all changes in the financial condition of any such parties or of the Project occurring during the preceding fiscal year. On or before the twentieth (20<sup>th</sup>) day after the end of the first (1<sup>st</sup>) fiscal quarter (based on Borrower's fiscal year) after the Closing Date, Borrower shall furnish to the Bondholder, quarterly and year-to-date statements of income and expense and cash flow prepared for such quarter with respect to the Project, and a comparison of the budgeted income and expenses and the actual income and expenses for the quarter and year to date for the Project, together with a detailed explanation of any variances of more than five percent (5%) between budgeted and actual amounts for such period and year to date, and a balance sheet for such quarter for Borrower (all such statements to be prepared on an accrual basis). Also, the Borrower must deliver promptly to the Bondholder (a) monthly certified rent rolls, balance sheets and operating statements for the Project commencing thirty (30) days after the Closing Date and continuing every thirty (30) days thereafter until the Conversion Date, and (b) from and after the Conversion Date, quarterly balance sheets, operating statements and certified rent rolls for the Project within thirty (30) days after each fiscal quarter. The Borrower must also deliver copies of all federal income tax returns (including all Schedule K-1s and any information returns) filed by the Borrower, General Partner and, until the Conversion Date, the Guarantor within thirty (30) days after the filing of each such income tax or information return. Borrower shall furnish (or cause each Guarantor to furnish) to Bondholder within five (5) Business Days after request (or as soon thereafter as may be reasonably possible), such further detailed information with respect to the operation of the Project and the financial affairs of Borrower, General Partner and Guarantor as may be reasonably requested by Bondholder, including, without limitation, a leasing activity report for the Project during the prior fiscal quarter, a capital expenditure report indicating the type and amount of each capital expenditure made during the prior fiscal quarter, and verification of Guarantor's satisfaction of any of Guarantor's covenants contained in the Completion Guaranty or the Payment Guaranty. If Borrower fails to timely furnish Bondholder with any of the financial information and reports set forth in this Section 7.15 within the required time periods, Bondholder shall have the right, acting in its sole discretion, to hire a certified public accounting firm acceptable to Bondholder, to prepare such financial information and reports, on an audited basis. The costs and expenses of such accounting firm shall be paid by Borrower within five (5) Business Days after written demand from Bondholder, and, to the extent advanced by Bondholder and not reimbursed by Borrower prior to the end of such five (5) Business Day period, shall become, with interest thereon from the date advanced by Bondholder at the Past Due Rate, additional Indebtedness of Borrower secured by the Borrower Collateral Documents.

Section 7.16. Notices. The Borrower must notify the Bondholder promptly in writing of: (a) any litigation affecting the Borrower, the General Partner, the Guarantor or the Developer, the defense of which has not been tendered to and accepted by the Borrower's insurance carrier; (b) any written or oral communication the Borrower receives from any governmental, judicial or

legal authority giving notice of any claim or assertion that the Premises or the Project fails in any material respect to comply with any of any applicable law, ordinance, rule, regulation or other governmental requirements; (c) any material adverse change in the physical condition of the Project (including any damage suffered as a result of earthquakes or floods); (d) any material adverse change in financial condition or operations of the Borrower, the General Partner or the Developer; (e) any change in the ownership or control of the Borrower or any of its partners; or (f) any default by the Borrower's General Contractor or any subcontractor or material supplier for the Project.

Section 7.17. Zoning Amendments, Subdivisions, etc. The Borrower will not, without the prior written consent of the Bondholder, suffer or cause any change in zoning relating to the Premises or permit any vacation of any existing public street or alley serving the Premises or dedicate any portion of the Premises or convert any portion of the Project to condominium or cooperative ownership.

Section 7.18. Signage. Until the Project is Complete, the Borrower shall permit the Bondholder to display signage in cooperation with other Project funders in a highly visible location on the Project site.

## ARTICLE VIII

### COVENANTS OF THE ISSUER

Until the payment in full of the Bonds and the Borrower Note, and until all Liabilities are indefeasibly satisfied in full, the Issuer covenants and agrees that each of the covenants, undertakings and agreements set forth in this Section shall be complied with.

Section 8.1. Payment of Principal and Interest. The Issuer shall promptly pay the principal of and interest on the Bonds at the place, on the dates and in the manner provided in the Bond Issuance Agreement and the Bonds according to the true intent and meaning thereof; provided, however, that the Bonds shall be a special, limited obligation of the Issuer payable as to principal and interest solely from the Revenues as provided in Section 2.08 of the Bond Issuance Agreement.

Section 8.2. Borrower Note. The Issuer shall not thwart the efforts of the Borrower or the Bondholder to defend (and, upon the written request of the Bondholder, shall assist in such defense if such assistance is necessary to adequately defend the rights of the Bondholder thereunder at no cost to the Issuer) the title to the Borrower Note against all claims and demands of all Persons whomsoever, and hereby authorizes the Borrower and the Bondholder to defend, on behalf of the Issuer, all such claims and demands.

Section 8.3. Further Assurances. The Issuer shall execute, acknowledge and deliver each and every further act, deed, conveyance, transfer and assurance reasonably necessary or proper for the better assuring of the pledge and assignment to the Bondholder of this Loan Agreement, the Borrower Note and the Security for the Bonds. The Borrower agrees to pay all expenses incurred by the Issuer in connection with the performance by the Issuer of its agreements under this Section 8.3.

Section 8.4. Arbitrage. The Issuer shall not take any action within its control, or fail to take any action of which it has knowledge, with respect to the investment of the proceeds of the Bonds, including, without limitation, moneys on deposit in any Fund or Account in connection with the Bonds, whether or not such moneys were derived from the proceeds of the sale of the Bonds or from any other source, or with respect to the payments derived from the Borrower Note, which may result in constituting the Bonds "arbitrage bonds" within the meaning of Section 148 of the Code and the Regulations. The Issuer further covenants to create a rebate fund upon direction by the Borrower to facilitate the payment of any rebatable arbitrage that may arise.

Section 8.5. Recordation and Other Instruments. As provided in Section 6.04 of the Bond Issuance Agreement, in order to perfect the security interest of the Bondholder in the Security for the Bonds, the Issuer, to the extent permitted by law, will execute such assignments, security agreements or financing statements, naming the Bondholder as assignee and pledgee of the Security for the Bonds assigned and pledged under the Bond Issuance Agreement for the payment of the principal of and interest on the Bonds and as otherwise provided herein, as the Bondholder shall reasonably request in writing, and the Borrower will cause the same to be duly filed and recorded, as the case may be, in the appropriate state and county offices as required by the provisions of the Uniform Commercial Code or other similar law as adopted in Illinois, as from time to time amended. The Issuer, to the extent permitted by law, at the expense of the Borrower, shall execute and cause to be executed any and all further instruments as shall be reasonably requested in writing by the Bondholder for such protection and perfection of the interests of the Bondholder, and the Issuer or its agent shall, upon written direction from the Bondholder, file and refile or cause to be filed and refiled such instruments as shall be necessary to preserve and perfect the lien of the Bond Issuance Agreement upon the Security for the Bonds until the principal of and interest on the Bonds issued hereunder shall have been paid or provision for payment shall be made as herein provided.

Section 8.6. Assignment of Issuer's Rights. As security for the payment of the Bonds, the Issuer shall assign and pledge this Loan Agreement (except for Issuer Reserved Rights), the Borrower Note and the Security for the Bonds to the Bondholder. The Bondholder and the Borrower hereby agree to such assignment, and the Borrower agrees that it shall make payments directly to the Bondholder as herein provided, without any defense or rights of set-off whatsoever.

## ARTICLE IX

### CONSTRUCTION OF PROJECT; ISSUANCE OF BONDS

Section 9.1. Agreement to Complete Project; Application of Bond Proceeds. The Borrower shall apply the proceeds of the Bonds to the acquisition and renovation of the Project as described in Exhibit B attached hereto. The Borrower acknowledges and agrees that the disbursement of proceeds of the Bonds shall be made in the order and pursuant to the terms of the Construction Escrow Agreement. The Borrower agrees that the acquisition and renovation of the Project will at all times proceed with due diligence to completion.

Section 9.2. Agreement to Issue the Bonds. (a) In order to provide funds to make the Loan to the Borrower to pay a portion of the Costs of the Project and related expenses, but subject to the terms and conditions contained in the Bond Issuance Agreement, the Issuer agrees that it will issue, sell and cause to be delivered to the Bondholder the Bonds in the principal amount of up to \$[Principal], bearing interest and maturing as set forth in the Bond Issuance Agreement. The Issuer will deposit, or cause to be deposited, the proceeds of the Bonds advanced by the Bondholder pursuant to the Bond Issuance Agreement with the Fiscal Agent for deposit in the Construction Fund in accordance with Article IV of the Bond Issuance Agreement (except for that portion of each advance of Bond proceeds, if any, deposited in the Capitalized Interest Account, as provided therein).

(b) Notwithstanding any other provision herein to the contrary, the maximum principal amount of Bond proceeds which are advanced (and thus the maximum principal amount of Loan proceeds which are disbursed) shall not exceed the sum of (i) \_\_\_\_% of the equity contributions scheduled to be contributed by the Limited Partner of the Borrower under the Limited Partnership Agreement, (ii) \_\_\_\_% of the appraised value of the Project as completed (as set forth in the appraisal prepared for the Bondholder prior to the Closing Date), and (iii) the amount on deposit from time to time in the Cash Collateral Fund.

Section 9.3. Disbursements from the Construction Fund. Upon receipt by the Fiscal Agent of the proceeds from the sale of the Bonds as advanced by the Bondholder, the Fiscal Agent will, subject to the prior written approval of the Bondholder, disburse moneys in the Construction Fund to or on behalf of the Borrower for the following purposes, to the extent included in the related Development Cost Budget or otherwise approved by Bondholder:

(a) Payment of the initial or acceptance fee of the Fiscal Agent (if any), the fees and expenses for recording or filing any required documents or instruments by which the revenues and receipts to be derived by the Issuer pursuant to this Loan Agreement, the related Borrower Note and the Security for the Bonds are assigned and pledged as security for the related Bonds, and the fees and expenses for recording or filing any financing statements and any other documents or instruments that either the Borrower or counsel to the Issuer may deem desirable to file or record.

(b) Payment to the Borrower of such amounts as shall be necessary to reimburse the Borrower (or for the Borrower to reimburse the Developer, if applicable) in full for all advances and payments made or costs that have been or will be incurred prior to or after the delivery of the Bonds for expenditures in connection with the preparation of Plans and Specifications (including any preliminary study or planning of the Project or any aspect thereof), the acquisition and renovation of the Project and the acquisition and installation necessary to provide utility services and all real or personal properties deemed necessary in connection with the Project.

(c) Payment or reimbursement to the Borrower of all financial, legal and accounting fees and expenses (including all expenses incurred in connection with the placement of the Bonds) incurred in connection with the authorization, sale and issuance of the Bonds, the preparation of the Bond Issuance Agreement, this Loan Agreement, the Security for the Bonds,

Each of the payments referred to in this Section 9.3, other than those payments referred to in subsection (h) above, shall be made upon receipt by the Fiscal Agent of the documents and showings specified in Section 9.5 hereof.

Notwithstanding any other provision hereof or of the Bond Issuance Agreement, in the event the moneys in the Construction Fund and the Construction Escrow, together with the balance of monies that are available through the Additional Funding Sources, for payment of the Costs of the Project should not, in the Bondholder's reasonable judgment, be sufficient to pay the costs thereof in full, the Borrower agrees within ten (10) days after receipt of written notice thereof from the Bondholder to pay directly, or to deposit in the Construction Fund (or in the Construction Escrow) moneys sufficient to pay, the costs of completing the Project as may be in excess of the moneys available therefor in the Construction Fund and the Construction Escrow

and from the Additional Funding Sources. NEITHER THE ISSUER NOR THE BONDHOLDER MAKES ANY WARRANTY, EITHER EXPRESS OR IMPLIED, THAT THE MONEYS THAT WILL BE PAID INTO THE CONSTRUCTION FUND, AND THAT, UNDER THE PROVISIONS OF THIS LOAN AGREEMENT, WILL BE AVAILABLE FOR PAYMENT OF THE COSTS OF THE PROJECT RELATING TO THE PROJECT, WILL BE SUFFICIENT TO PAY ALL THE COSTS THAT WILL BE INCURRED IN THAT CONNECTION. The Borrower agrees that if it should pay or should deposit moneys in the Construction Fund or Construction Escrow for payment of any portion of the Costs of the Project pursuant to the provisions of this Section 9.3, it shall not be entitled to any reimbursement therefor from the Issuer, the Fiscal Agent or the Bondholder, nor shall it be entitled to any diminution of the amounts payable under the Borrower Note or hereunder. The Borrower hereby pledges, sets over and transfers to the Issuer and hereby grants to the Issuer a security interest and right of setoff in all rights to the proceeds in the escrow account, if any, created pursuant to Section 9.4 of this Loan Agreement.

All proceeds of the Bonds remaining in the Construction Fund or in the Construction Escrow after the Project is Complete, and after payment or provision for payment of all other items provided for in subsections (a) to (h), inclusive, of this Section 9.3, shall be used in accordance with Section 9.4 hereof.

Section 9.4. Completion of the Project. (a) Any proceeds of the Bonds (including investment proceeds) remaining in the Construction Fund or in the Construction Escrow on the date the Project is Completed and not set aside for the payment of Costs of the Project not then due and payable shall on such date be transferred to, if applicable, and placed by the Fiscal Agent in a separate escrow account and used to pay the outstanding principal balance of the Borrower Note and the corresponding redemption of the Bonds at the earliest possible redemption date, provided that, until used for such purpose, moneys on deposit in such escrow account may be invested as provided in Section 9.6 hereof, but may not be invested to produce a yield on such moneys (computed from the date the Project was completed and taking into account any investment of moneys during the period from the date the Project was Completed until such moneys were deposited in such escrow account) greater than the yield on the Bonds, all as such terms are used in and determined in accordance with Section 148(a) of the Code and the Regulations. On or after the Conversion Date, if a payment in excess of \$10,000 is made by the Fiscal Agent in accordance with this Section 9.4, the Bondholder shall recalculate the amortizing payments under the Loan based on the reduced outstanding principal, and the monthly payments of principal plus interest owed by Borrower through the term of the Loan shall be reduced accordingly.

(b) No Person not a party hereto shall have any rights to the money or other funds or assets from time to time in the Construction Fund or the escrow accounts referred to in this Section 9.4 or Section 4.02 of the Bond Issuance Agreement.

Except for Bond proceeds used to pay interest on the Bonds (for which no disbursement request shall be required), Bond proceeds shall be disbursed by the Bondholder to the Fiscal Agent for deposit in the Construction Fund upon written request, substantially in the form of Exhibit C hereto, signed by the Borrower and the Bondholder. Except to the extent that the disbursement pertains to costs of issuance of the Bonds, amounts

disbursed from the Construction Fund shall be disbursed to the escrow agent under the Construction Escrow Agreement for further disbursement as provided therein. The Bondholder's disbursement of funds to the Fiscal Agent for deposit in the Construction Fund, shall be subject to the satisfaction of the conditions set forth in Articles X and XI hereof.

Immediately following a disbursement, the Borrower covenants that written notice of the amount and date of the disbursement shall be provided to the Issuer. Such notice may be provided by an email sent to such address as the Issuer may have designated to be used for such purposes in a prior notice to the Borrower.

Section 9.6. Investment of Moneys. (a) Any moneys held as part of the Construction Fund, or the escrow accounts specified in Section 9.4 hereof, or as part of any other Fund or Account in the possession or control of the Fiscal Agent, while acting as such under the Bond Issuance Agreement, and any other moneys subject to the requirements of Section 148(a) of the Code, including any moneys that at any time shall constitute "gross proceeds" of the Bonds within the meaning of the Regulations, shall be invested, to the extent permitted by law, only in Eligible Investments.

(b) All such investments of moneys held by the Fiscal Agent as a part of the Construction Fund or the escrow accounts specified in Section 9.4 hereof or any other Fund or Account shall be made by the Fiscal Agent at the direction of the Borrower (which direction shall be either in writing or given orally and confirmed in writing). The approval of the Issuer shall not be required prior to the making of any such investment, but the Issuer reserves the right (which right is subject to assignment as set forth in Section 4.2 hereof) to disapprove in its reasonable discretion any investments or proposed investments of which it has notice. If no direction is given by the Borrower, the Issuer may direct (which right is subject to assignment as set forth in Section 4.2 hereof) the Fiscal Agent to invest in any of the Eligible Investments, and, if no direction is given, the Fiscal Agent or any affiliate thereof shall invest in no-load, open-end money market mutual funds (including those of the Fiscal Agent and its affiliates) registered under the Investment Company Act of 1940, provided that the portfolios of such funds are limited to Government Obligations and each such fund has been assigned a rating by each Rating Agency of "AAA" or "Aaa," as applicable.

(c) The Fiscal Agent may make any and all such investments through its own investment department or that of an affiliate. The investments so purchased shall be held by the Fiscal Agent and shall be deemed at all times a part of the Fund, Account or Subaccount for which the investment was made, and the interest accruing thereon and any profit realized therefrom shall be credited to such Fund, Account or Subaccount, as the case may be, and any net losses resulting from such investment shall be charged to such Fund, Account or Subaccount, as the case may be. The Fiscal Agent shall be entitled to rely conclusively on all written investment instructions provided by the Borrower pursuant to this Section 9.6, and the Fiscal Agent shall have no responsibility or liability for any depreciation in the value of any investment or for any loss, direct or indirect, resulting from any investment made in accordance with such direction and written confirmation from the Borrower specified in this Section 9.6.

(d) Notwithstanding the foregoing, moneys advanced by the Bondholder and deposited in the Construction Fund shall be immediately disbursed to the title company under the

Construction Escrow Agreement for deposit in the Construction Escrow thereunder, and shall not be invested by the Fiscal Agent.

Section 9.7. Arbitrage Covenant. The Borrower covenants with the Bondholder and the Issuer that, as long as any of the payment obligations hereunder remain unpaid, moneys on deposit in any Fund, Account or Subaccount in connection with the Bonds, whether or not such moneys were derived from the proceeds of the sale of the Bonds or from any other source, will not be used or invested at the Borrower's direction in a manner that will cause the Bonds to be "arbitrage bonds" within the meaning of Section 148(a) of the Code and the Regulations.

(g) default in the payment when due (subject to any applicable grace period), whether by acceleration or otherwise, of any other Indebtedness (in excess of \$100,000) of, or guaranteed by, the Borrower, or default in the performance or observance of any obligation or condition with respect to any such other Indebtedness if the effect of such default is to accelerate the maturity of any such Indebtedness or cause any of such Indebtedness to be prepaid, purchased or redeemed, or to permit the holder or holders thereof, or any trustee or agent for such holder or holders, to cause such Indebtedness to become due and payable, prior to its expressed maturity, or to cause such Indebtedness to be prepaid, purchased or redeemed;

(h) default in the payment when due, or in the performance or observance, of any material obligation of, or condition agreed to by, the Borrower with respect to any material purchase or lease of goods or services (except only to the extent that the Borrower is contesting the existence of any such default in good faith and by appropriate proceedings subject to applicable notice and cure provisions, if any); or

(i) there shall be entered against the Borrower one or more judgments or decrees in excess of \$100,000 in the aggregate at any one time outstanding for the Borrower, excluding those judgments or decrees (i) that shall have been stayed, vacated or bonded, (ii) for and to the extent to which the Borrower is insured and with respect to which the insurer specifically has assumed responsibility in writing, or (iii) for and to the extent to which the Borrower is otherwise indemnified if the terms of such indemnification are satisfactory to the Issuer and the Bondholder; or

(j) a payment default or a material non-payment default or event of default shall occur under any of the documents evidencing, securing or executed in connection with, any loan made by any Additional Funding Source with respect to the Project, including, without limitation, any promissory notes, mortgages or agreements containing covenants, conditions and restrictions, which default is not cured before the lapse of any applicable cure period; or

(k) a default or event of default shall occur under the Limited Partnership Agreement, the effect of which is to materially delay payment of an Limited Partner capital contribution, which delay will have a material adverse effect on the Project, which default is not cured before the lapse of any applicable cure period.

Notwithstanding anything to the contrary herein, the Bondholder hereby agrees that any cure of any default by the Borrower made or tendered by one or more of the Borrower's partners (including, without limitation, the Limited Partner) shall be deemed a cure by the Borrower and shall be accepted or rejected on the same basis as if made or tendered by the Borrower. Additionally, Bondholder agrees to standstill on its remedies discussed in Section 12.2 if and to the extent the Bondholder has not given at least fifteen (15) days' written notice to the Limited Partner of the occurrence of an Event of Default.

Section 12.2. Remedies on Default. If any one or more of the foregoing Events of Default shall occur, then the Bondholder (as assignee of the Issuer pursuant to the Bond Issuance Agreement) shall have the right, but not the obligation, and without notice, to exercise any one or more of the following rights and remedies, at any time and from time to time, singularly, successively or collectively, and in such order and when and as often as may from time to time be determined:

(a) The Bondholder may exercise any right, power or remedy permitted to it by law as a holder of the Borrower Note, including the right to declare the entire principal of and all unpaid interest accrued on the Borrower Note to be, and upon written notice to the Borrower (with a copy to the Issuer) of such declaration such Borrower Note and the unpaid accrued interest thereon shall become, due and payable, without presentment, demand or protest, all of which are hereby expressly waived. The Borrower shall forthwith pay to the Bondholder the entire principal of and interest accrued on the Borrower Note. There shall be automatically waived, rescinded and annulled such declaration of acceleration of the Borrower Note and the consequences thereof when any declaration of acceleration of the Bonds pursuant to Section 7.02 of the Bond Issuance Agreement has been waived, rescinded and annulled.

(b) The Bondholder may take whatever action at law or in equity that may appear necessary or desirable to collect the payments and other amounts then due and thereafter

to become due, or to enforce performance and observance of any obligation, agreement or covenant of the Borrower under this Loan Agreement or the other Borrower Collateral Documents.

(c) The Bondholder may direct the Fiscal Agent to withhold further disbursements of proceeds made available to the Borrower hereunder.

If the Bondholder shall have proceeded to enforce its rights under this Loan Agreement, the Borrower Note, the Borrower Collateral Documents or the Security for the Bonds, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely to the Bondholder, then and in every such case the Borrower, the Issuer and the Bondholder shall be restored, respectively, to their several positions and rights hereunder and thereunder, and all rights, remedies and powers of the Borrower, the Issuer and the Bondholder shall continue as though no such proceeding had been taken.

If there shall be pending proceedings for the bankruptcy or for the reorganization of the Borrower under the federal bankruptcy laws or any other applicable law, or in case a custodian, receiver or trustee shall have been appointed for any of the Property of the Borrower, or in the case of any other similar judicial proceedings relative to the Borrower, or to the creditors or Property of the Borrower, the Issuer and the Bondholder shall be entitled and empowered, by intervention in such proceedings or otherwise, to file and prove a claim or claims for the whole amount owing and unpaid pursuant to the Borrower Note and this Loan Agreement, and, in case of any judicial proceedings, to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Issuer and the Bondholder allowed in such judicial proceedings relative to the Borrower, its creditors or its Property, and to collect and receive any moneys or other property payable or deliverable on such claims, and to distribute the same after the deduction of its charges and expenses; and any custodian, receiver, assignee or trustee in bankruptcy or reorganization is hereby authorized to make such payments to the Issuer and the Bondholder, and to pay to the Issuer and the Bondholder any amount due it for compensation and expenses, including attorneys' and paralegals' fees, costs, disbursements and expenses incurred by it up to the date of such distribution.

Section 12.3. Right to Perform Covenants; Advances. Notwithstanding anything to the contrary contained herein, if the Borrower shall fail to make any payment or perform any act required to be made or performed by it hereunder, then and in each such case the Issuer or the Bondholder, upon not less than 15 days' prior written notice to the Borrower, may (but shall not be obligated to) remedy such failure for the account of the Borrower, and make advances for that purpose. If such failure involves, has caused or threatens to cause a condition that must, in the opinion of the Issuer or the Bondholder, be cured immediately, the Issuer or the Bondholder may remedy such failure without prior notice to the Borrower. No such performance or advance shall operate to release the Borrower from any such default and any sums so advanced shall be repayable by the Borrower on demand, and shall bear interest at the Past Due Rate. The Issuer agrees that the Bondholder, in its name or in the name of the Issuer, may enforce all rights of the Issuer and all obligations of the Borrower under and pursuant to this Loan Agreement, and the Issuer will not enforce such rights and obligations itself except at the written direction of the Bondholder, in each case whether or not the Issuer is in Default under the Bond Issuance

Agreement; provided, however, that the Issuer hereby reserves to itself the right to enforce all Issuer Reserved Rights.

Section 12.4. Costs and Expenses.

(a) The Borrower agrees to pay on demand all of the reasonable out-of-pocket costs and expenses of the Issuer (including the reasonable fees and out-of-pocket expenses of the Issuer's counsel, Bond Counsel, the Bondholder's counsel and local counsel, if any, who may be retained by said counsel) in connection with the preparation, negotiation, execution, delivery and administration of this Loan Agreement, the Borrower Note, the Borrower Collateral Documents or the Security for the Bonds and all other agreements, certificates, instruments or documents provided for herein or delivered or to be delivered hereunder or in connection herewith (including all amendments, supplements, modifications, restatements and waivers executed and delivered pursuant hereto or in connection herewith). The Borrower further agrees that the Issuer, in its sole discretion, may deduct all such unpaid amounts from the aggregate proceeds of the Borrower Note.

(b) The costs, fees, disbursements and expenses that the Issuer incurs with respect to the following shall be part of the Liabilities, payable by the Borrower on demand if, at any time after the date of this Loan Agreement, the Issuer: (i) employs counsel for advice or other representation (A) with respect to the amendment or enforcement of this Loan Agreement, the Borrower Note, the Borrower Collateral Documents or the Security for the Bonds, (B) to represent the Issuer in any work-out or any type of restructuring of the Borrower Note or the Bonds, or any litigation, contest, dispute, suit or proceeding or to commence, defend or intervene or to take any other action in or with respect to any litigation, contest, dispute, suit or proceeding (whether instituted by the Issuer, the Bondholder, the Borrower or any other Person) in any way or respect relating to this Loan Agreement, the Borrower Note, the Borrower Collateral Documents, the Security for the Bonds or the Borrower's affairs, or any collateral securing the Liabilities hereunder, or (C) to enforce any of the rights of the Issuer with respect to the Borrower; and/or (ii) seeks to enforce or enforces any of the rights and remedies of the Issuer with respect to the Borrower. Without limiting the generality of the foregoing, such expenses, costs, charges, disbursements and fees include: fees, costs, disbursements and expenses of attorneys, accountants and consultants; court costs and expenses; court reporter fees, costs and expenses; long distance telephone charges; and telegram and facsimile charges.

(c) The Borrower agrees to pay on demand, and to save and hold the Issuer harmless from all liability for, any stamp or other taxes that may be payable in connection with or related to the execution or delivery of this Loan Agreement, the Borrower Note, the Borrower Collateral Documents, the Security for the Bonds, the Bonds or of any other agreements, certificates, instruments or documents provided for herein or delivered or to be delivered hereunder or in connection herewith.

(d) All of the Borrower's obligations provided for in this Section 12.4 shall be Liabilities and shall survive repayment of the Bonds and the Borrower Note, cancellation of the Bonds and the Borrower Note, or any termination of this Loan Agreement or any related document.

Section 12.5. Exercise of Remedies. No remedy herein conferred upon or reserved to the Issuer or the Bondholder is intended to be exclusive of any other available remedy, but each and every such remedy shall be cumulative and in addition to every other remedy given under this Loan Agreement, the Borrower Note, the Borrower Collateral Documents, if any, or the Security for the Bonds, or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any Event of Default hereunder shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Issuer or the Bondholder to exercise any remedy reserved to it in this Article XII, it shall not be necessary to give any notice, other than such notice as may be herein expressly required. Such rights and remedies as are given the Issuer hereunder shall also extend to the Bondholder to the extent applicable, and the Bondholder shall be deemed a third-party beneficiary of all covenants and agreements herein contained.

Section 12.6. Default by Issuer; Limited Liability. Notwithstanding any provision or obligation to the contrary herein set forth, no provision of this Loan Agreement shall be construed so as to give rise to a pecuniary liability of the Issuer or a charge upon the general credit of the Issuer. The liability of the Issuer hereunder shall be limited to its interest in this Loan Agreement, the Borrower Note, the Borrower Collateral Documents, if any, and the Security for the Bonds, and the Lien of any judgment shall be restricted thereto. In the performance of the agreements of the Issuer herein contained, any obligation it may incur for the payment of money shall not be a debt of the Issuer, and the Issuer shall not be liable on any obligation so incurred. The Issuer does not assume general liability for the repayment of the Bonds or for the costs, fees, penalties, taxes, interest, commissions, charges, insurance or any other payments recited herein, and the Issuer shall be obligated to pay the same only out of Revenues. The Issuer shall not be required to do any act whatsoever, or exercise any diligence whatsoever, to mitigate the damages to the Borrower if an Event of Default shall occur hereunder.

Section 12.7. Application of Funds. All funds received by the Bondholder are subject to the rights given or action taken under the provisions of Article VII of the Bond Issuance Agreement. Notwithstanding any other provision of this Loan Agreement or the Bond Issuance Agreement to the contrary, funds received by the Bondholder may be applied (a) as long as an Event of Default has not occurred and is not continuing, to the payments and other amounts, if any, then due under the Borrower Note or, if all such payments and other amounts, if any, have been paid, the same may be applied as directed by the Borrower (subject to the restrictions of the Land Use Restriction Agreement and the Tax Certificate), and (b) if an Event of Default has occurred and is continuing, as directed and in such order as determined by the Bondholder.

## ARTICLE XIII

### INDEMNIFICATION

Section 13.1. Indemnification of Issuer and Fiscal Agent. (a) Except as otherwise provided below and subject to Section 14.1 hereof, the Issuer and the Fiscal Agent, and each of their officers, agents, independent contractors, employees, successors and assigns, and, in the case of the Issuer, its elected and appointed officials, past, present or future (hereinafter the

"Indemnified Persons"), shall not be liable to the Borrower for any reason. Unless caused by the gross negligence or intentional misconduct of an Indemnified Party, the Borrower shall defend, indemnify and hold the Indemnified Persons harmless from any loss, claim, damage, tax, penalty or expense (including, but not limited to, reasonable counsel fees, costs, expenses and disbursements), or liability (other than with respect to payment of the principal of or interest on the Borrower Note) of any nature due to any and all suits, actions, legal or administrative proceedings, or claims arising or resulting from, or in any way connected with: (i) the financing, installation, operation, use or maintenance of the Project; (ii) any act, failure to act, or misrepresentation by the Borrower or any partner of the Borrower, or any Person acting on behalf of, or at the direction of, the Borrower or any partner of the Borrower, in connection with the issuance, sale or delivery of the Bonds; (iii) any false or misleading representation made by the Borrower in the Borrower Documents; (iv) the breach by the Borrower of any covenant contained in the Borrower Documents, or the failure of the Borrower to fulfill any such covenant which is not cured within all applicable notice and cure periods; (v) enforcing any obligation or liability of the Borrower under this Loan Agreement, the Borrower Note, the Borrower Collateral Documents, the Security for the Bonds or the Borrower Documents, or any related agreement; (vi) taking any action requested by the Borrower; (vii) taking any action reasonably required by the Borrower Documents; or (viii) taking any action considered necessary by the Issuer or the Fiscal Agent, and which is authorized by the Borrower Documents. If any suit, action or proceeding is brought against any Indemnified Person, the interests of the Indemnified Person in that suit, action or proceeding shall be defended by counsel to the Indemnified Person or the Borrower, as the Indemnified Person shall determine. If such defense is by counsel to the Indemnified Person, the Borrower shall indemnify and hold harmless the Indemnified Person for the cost of that defense, including counsel fees, disbursements, costs and expenses. If the Indemnified Persons affected by such suit determine that the Borrower shall defend the Indemnified Persons, the Borrower shall immediately assume the defense at its own cost. Neither the Indemnified Persons nor the Borrower shall be liable for any settlement of any proceeding made without each of their consent. In no event shall the Borrower be liable to an Indemnified Person for its own willful misconduct or gross negligence.

(b) Any provision of this Loan Agreement or any other instrument or document executed and delivered in connection therewith to the contrary notwithstanding, the Issuer retains the right to enforce: (i) any applicable federal or state law or regulation or resolution of the Issuer; and (ii) any rights accorded the Issuer by federal or state law or regulation or resolution of the Issuer, and nothing in this Loan Agreement shall be construed as an express or implied waiver thereof.

(c) If the Indemnified Persons are requested by the Borrower to take any action under this Loan Agreement or any other instrument executed in connection herewith for the benefit of the Borrower, they will do so if and only if: (i) the Indemnified Persons are a necessary party to any such action; (ii) the Indemnified Persons have received specific written direction from the Borrower, as required hereunder or under any other instrument executed in connection herewith, as to the action to be taken by the Indemnified Persons; and (iii) a written agreement of indemnification and payment of costs, liabilities and expenses satisfactory to the Indemnified Persons has been executed by the Borrower prior to the taking of any such action by the Indemnified Persons.

(d) The obligations of the Borrower under this Section 13.1 shall survive any assignment or termination of this Loan Agreement and, as to the Fiscal Agent, any resignation or removal of the Fiscal Agent.

(e) Indemnification of the Issuer by the Borrower with respect to environmental matters shall be governed exclusively by the terms and provisions of the Environmental Indemnity Agreement.

#### ARTICLE XIV

#### MISCELLANEOUS

Section 14.1. Non-recourse Liability; Exceptions. Subject to the terms contained in the next succeeding paragraph, following the Conversion Date, the covenants and agreements contained in this Loan Agreement and the Borrower Note shall be non-recourse to the Borrower and all partners thereof, and in the event of a default hereunder or under any related document, the sole source of satisfaction of repayment of the amounts due to the Issuer and the Bondholder hereunder and under the Borrower Note shall be limited to the rights of the Issuer and Bondholder hereunder and under the Borrower Documents, as well as under any guarantees.

Notwithstanding the immediately preceding paragraph, nothing in this Loan Agreement, in the Borrower Note, in the Borrower Collateral Documents or in the Security for the Bonds shall limit the rights of the Issuer or the Bondholder, following any of the events hereinafter described, to take any action as may be necessary or desirable to pursue the Borrower, the General Partner, (prior to the date the Conversion Date, the Guarantor) or the Developer for any and all losses incurred by the Issuer or the Bondholder arising from (i) a material misrepresentation, fraud made in writing or misappropriation of funds by the Borrower, the General Partner, the Guarantor or the Developer; (ii) intentional or material waste to the Premises; (iii) use of proceeds of the Loan for costs other than Costs of the Project, (iv) except as may be permitted herein, any transfer of title to all or any portion of the Project without the Issuer's and the Bondholder's prior written consent; (v) the misappropriation or misapplication of insurance proceeds or condemnation awards relating to the Project by the Borrower, the General Partner or the Developer; (vi) the recovery of rents more than one-month in advance in violation of the Borrower Collateral Documents; (vii) any indemnity by the Borrower or any other party, any guaranties, completion agreements and any similar rights to payment and performance that have been or may be executed, or that have been or may be granted, by the Borrower or any other party in connection with the Loan; or (viii) the default (after expiration of any notice and cure period) by Borrower or the General Partner in the performance of their respective obligations under this Loan Agreement or the Borrower Note relating to preserving the condition of the Premises or the enforceability or priority of the Issuer's or the Bondholder's interest in the Security for the Bonds, including obligations to pay all taxes and charges that may affect or become a lien on the Premises, to maintain the Premises and all insurance in accordance with this Loan Agreement and to repay all sums advanced by Issuer or Bondholder for any such purposes.

Section 14.2. Severability. If any provision of this Loan Agreement shall be held or deemed to be, or shall, in fact, be, inoperative or unenforceable as applied in any particular case

in any jurisdiction or jurisdictions, or in all jurisdictions, or in all cases because it conflicts with any other provision or provisions hereof or any constitution, statute or rule of public policy, or for any other reason, such circumstances shall not have the effect of rendering the provision in question inoperative or unenforceable in any other case or circumstance, or of rendering any other provision or provisions herein contained invalid, inoperative or unenforceable to any extent whatsoever. The invalidity of any one or more phrases, sentences, clauses or Sections contained in this Loan Agreement shall not affect the remaining portions of this Loan Agreement, or any part thereof; provided, however, that no holding of invalidity shall require the Issuer to make any payment from any moneys other than Revenues.

Section 14.5. Counterparts. This Loan Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument; provided, however, that for purposes of perfecting a security interest in this Loan Agreement under Article 9 of the Illinois Uniform Commercial Code, only the counterpart delivered, pledged and assigned to the Bondholder shall be deemed the original.

Section 14.6. Amounts Remaining in the Bond Issuance Agreement Funds. It is agreed by the parties hereto that after payment in full of: (a) the principal of and interest on the Bonds (or provision for payment thereof having been made in accordance with the provisions of the Bond Issuance Agreement); (b) the fees, charges, disbursements, costs and expenses of the Bondholder and the Fiscal Agent in accordance with the Bond Issuance Agreement; and (c) all other amounts required to be paid under this Loan Agreement, the Borrower Note and the Bond Issuance Agreement, then any amounts remaining in any of the Funds or Accounts created under

the Bond Issuance Agreement shall be paid by the Fiscal Agent as follows: (i) first, to the Issuer to the extent of any moneys owed by the Borrower to the Issuer pursuant to the Bond Documents, and (ii) second, to the Borrower.

Section 14.7. Amendments, Changes and Modifications. Subsequent to the initial issuance of the Bonds and prior to their payment in full (or provision for payment thereof having been made in accordance with the provisions of the Bond Issuance Agreement), this Loan Agreement may not be effectively amended, changed, modified, altered or terminated without the written consent of the Bondholder and, with respect to the Issuer Reserved Rights, the Issuer.

Section 14.8. Governing Law; Jury Trial. **THE BORROWER IRREVOCABLY AGREES THAT, SUBJECT TO THE ISSUER'S SOLE AND ABSOLUTE ELECTION, ANY ACTION OR PROCEEDING IN ANY WAY, MANNER OR RESPECT ARISING OUT OF THIS LOAN AGREEMENT, THE BORROWER NOTE, THE BORROWER COLLATERAL DOCUMENTS AND THE SECURITY FOR THE BONDS, OR ANY AMENDMENT, INSTRUMENT, DOCUMENT OR AGREEMENT DELIVERED OR WHICH MAY IN THE FUTURE BE DELIVERED IN CONNECTION HEREWITH OR THEREWITH, OR ARISING FROM ANY DISPUTE OR CONTROVERSY ARISING IN CONNECTION WITH OR RELATED TO THIS LOAN AGREEMENT, THE BORROWER NOTE, THE BORROWER COLLATERAL DOCUMENTS AND THE SECURITY FOR THE BONDS, OR ANY SUCH AMENDMENT, INSTRUMENT, DOCUMENT OR AGREEMENT, SHALL BE LITIGATED ONLY IN THE COURTS HAVING SITUS WITHIN THE CITY OF CHICAGO, STATE OF ILLINOIS, AND THE BORROWER HEREBY CONSENTS AND SUBMITS TO THE JURISDICTION OF ANY LOCAL, STATE OR FEDERAL COURT LOCATED WITHIN SUCH CITY AND STATE. THE BORROWER HEREBY WAIVES ANY RIGHT IT MAY HAVE TO TRANSFER OR CHANGE THE VENUE OF ANY LITIGATION BROUGHT AGAINST IT IN ACCORDANCE WITH THIS SECTION.**

Section 14.9. Term of Loan Agreement. This Loan Agreement shall be in full force and effect from the date hereof, and shall continue in effect until the indefeasible payment in full of all Liabilities. All representations, certifications and covenants by the Borrower as to the indemnification of various parties (including, without limitation, the Issuer and the Issuer Indemnified Persons) and the payment of fees and expenses of the Issuer as described herein, and all matters affecting the tax-exempt status of the Bonds shall survive the termination of this Loan Agreement and the payment in full of the Borrower Note and the Bonds.

Section 14.10. Bond Issuance Agreement Provisions. The Bond Issuance Agreement provisions concerning the Bonds and the other matters therein are an integral part of the terms and conditions of the Loan made by the Issuer to the Borrower pursuant to this Loan Agreement, and the execution of this Loan Agreement shall constitute conclusive evidence of approval of the Bond Issuance Agreement by the Borrower to the extent it relates to the Borrower and the Project. Additionally, the Borrower agrees that, whenever the Bond Issuance Agreement by its terms imposes a duty or obligation upon the Borrower, such duty or obligation shall be binding upon the Borrower to the same extent as if the Borrower were an express party to the Bond Issuance Agreement, and the Borrower hereby agrees to carry out and perform all of its obligations under the Bond Issuance Agreement as fully as if the Borrower were a party to the Bond Issuance Agreement.

Section 14.11. Binding Effect. This Loan Agreement shall inure to the benefit of and shall be binding upon the Issuer and the Borrower, and their respective successors and assigns; subject, however, to the limitations contained in Section 4.2 hereof.

Section 14.12. Immunity of Issuer's Officers. No recourse shall be had for the payment of any principal of or interest on the Bonds, or for any obligation, covenant or agreement contained in this Loan Agreement, against any past, present or future officer, member, supervisor, director, agent or employee of the Issuer, or any successor entity, as such, either directly or through the Issuer or any such successor entity, under any rule of law or equity, statute or constitution, or by the enforcement of any assessment or penalty or otherwise, and all such liability of any such officer, member, supervisor, director, agent or employee as such is hereby expressly waived and released as a condition of, and in consideration for, the execution and delivery of this Loan Agreement.

Section 14.13. Participations. (a) The Borrower acknowledges that the Bondholder shall have the right to grant participations in the Bonds and the Borrower Note, pursuant to the Bond Issuance Agreement, all without notice to or consent from the Borrower. No holder of a participation in the Bonds or the Borrower Note shall have any rights under this Loan Agreement.

(b) The Borrower hereby consents to the disclosure of any information obtained in connection herewith by the Issuer to any Person that is a participant or potential participant pursuant to clause (a) above, it being understood that the Issuer and its assigns shall advise any such Person of its obligation to keep confidential any nonpublic information disclosed to it pursuant to this Section 14.13. The Issuer shall advise the Borrower of each Person that becomes a participant pursuant to clause (a) above.

Section 14.14. Waivers. If any agreement contained in this Loan Agreement should be breached by the Borrower and thereafter waived in writing by the Issuer or the Bondholder, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder. For any waiver hereunder to be effective, such shall be in writing and signed by an authorized representative of the party granting the waiver.

Section 14.15. Patriot Act Notification.

(a) As of the date of this Loan Agreement the Borrower is, and during the term of this Loan Agreement the Borrower shall remain, in full compliance with all the applicable laws and regulations of the United States of America that prohibit, regulate or restrict financial transactions, including, but not limited to, conducting any activity or failing to conduct any activity, if such action or inaction constitutes a money laundering crime, including any money laundering crime prohibited under the Money Laundering Control Act, 18 U. S. C. 1956, 1957, or the Bank Secrecy Act, 31 U. S. C. 5311 *et seq.* and any amendments or successors thereto and any applicable regulations promulgated thereunder.

(b) The Borrower represents and warrants that: (a) neither it, nor any of its partners, or any officer, director or employee, is named as a "Specially Designated National and Blocked Person" as designated by the United States Department of the Treasury's Office of Foreign Assets Control, or as a person, group, entity or nation designated in Presidential Executive Order 13224 as a person who commits, threatens to commit, or supports terrorism; (b) it is not owned or controlled, directly or indirectly, by the government of any country that is subject to a United States Embargo; and (c) it is not acting, directly or indirectly, for or on behalf of any person, group, entity or nation named by the United States Treasury Department as a "Specially Designated National and Blocked Person," or for or on behalf of any person, group, entity or nation designated in Presidential Executive Order 13224 as a person who commits, threatens to commit, or supports terrorism; and that it is not engaged in this transaction directly or indirectly on behalf of, or facilitating this transaction directly or indirectly on behalf of, any such person, group, entity or nation.

(c) The Borrower acknowledges that it understands and has been advised by its own legal counsel as to the requirements of the applicable laws referred to above, including the Money Laundering Control Act, 18 U. S. C. 1956, 1957, the Bank Secrecy Act, 31 U. S. C. 5311 *et seq.*, the applicable regulations promulgated thereunder, and the Foreign Assets Control Regulations, 31 C. F. R. Section 500 *et seq.*

Section 14.16. Entire Agreement. This Loan Agreement, together with the Borrower Note, the Borrower Collateral Documents, the Construction Escrow Agreement, the Security for the Bonds, the Bonds and the Bond Issuance Agreement, constitutes the entire agreement among the parties with respect to the subject matter hereof, and supersedes all written or oral understandings with respect thereto.

IN WITNESS WHEREOF, the parties have executed this instrument as of the date first above written.

*Land-Use Restriction Agreement.*

THIS LAND USE RESTRICTION AGREEMENT (this "Agreement"), entered into as of [Month 1], 2016, between the CITY OF CHICAGO, a municipal corporation and home rule unit of government duly organized and validly existing under the Constitution and laws of the State of Illinois (the "City"), and LAWN TERRACE PRESERVATION, L.P. an Illinois limited partnership (the "Borrower"),

WHEREAS, the Issuer has issued, sold and delivered its \$[Principal] Multi-Family Housing Revenue Bonds (Lawn Terrace Preservation Project) Series 2016 (the "Bonds"); and

WHEREAS, the Bonds are issued pursuant to a Bond Issuance Agreement of even date herewith (the "Bond Issuance Agreement"), among the Issuer, BMO Harris Bank N.A., as Bondholder (the "Bondholder") and BMO Harris Bank N.A., as Fiscal Agent (the "Fiscal Agent"), and the proceeds derived from the issuance and sale of the Bonds have been lent by the Issuer to the Borrower pursuant to the Loan Agreement of even date herewith (the "Loan Agreement"), between the Issuer and the Borrower to finance costs of acquisition and rehabilitation of a low-income senior housing development project consisting of approximately one hundred and two (102) residential dwelling units and certain common areas located at 3214 West 63rd Place in the City (together with all rights and interests of the Borrower in common areas in such building and on the related site, the "Units"), located on the site described in Exhibit A hereto (the "Site" and, together with the Units, the "Project"); and

WHEREAS, in order to assure the Issuer and the owners of the Bonds that interest on the Bonds will be excluded from gross income for federal income tax purposes under the Internal Revenue Code of 1986, as amended (the "Code"), and to further the public purposes of the Issuer, certain restrictions on the use and occupancy of the Project under the Code must be established;

NOW, THEREFORE, in consideration of the mutual promises and covenants hereinafter set forth, and of other good and valuable consideration, the receipt, sufficiency and adequacy of which are hereby acknowledged, the Borrower and the Issuer agree as follows:

**Section 1. Term of Restrictions.**

(a) *Occupancy Restrictions.* The term of the Occupancy Restrictions set forth in Section 3 hereof shall commence on the first day on which at least 10% of the Units are first occupied following completion of such Units and shall end on the latest of (i) the date which is 15 years after the date on which at least 50% of the Units in the Project are first occupied; (ii) the first date on which no tax-exempt note or bond (including any refunding note or bond) issued with respect to the Project is outstanding (treating, for such purpose, the Project as being financed in part by all Bonds); or (iii) the date on which any housing assistance provided with respect to the Project under Section 8 of the United States Housing Act of 1937, as amended, terminates (which period is hereinafter referred with respect to the Project as the "Qualified Project Period").

(b) *Rental Restrictions.* The Rental Restrictions with respect to the Project set forth in Section 4 hereof shall remain in effect during the Qualified Project Period.

(c) *Involuntary Loss or Substantial Destruction.* The Occupancy Restrictions set forth in Section 3 hereof, and the Rental Restrictions set forth in Section 4 hereof, shall cease to apply to the Project in the event of involuntary noncompliance caused by fire, seizure, requisition, foreclosure, transfer of title by deed in lieu of foreclosure, change in federal law or an action of a federal agency (with respect to the Project) after the date of delivery of the Bonds, which prevents the Issuer from enforcing the Occupancy Restrictions and the Rental Restrictions (with respect to the Project), or condemnation or similar event (with respect to the Project), but only if, within a reasonable time, (i) all of the Bonds are promptly retired, or amounts received as a consequence of such event are used to provide a new project which meets all of the requirements of this Agreement, which new project is subject to new restrictions substantially equivalent to those contained in this Agreement, and which is substituted in place of the Project by amendment of this Agreement; and (ii) an opinion from nationally recognized bond counsel (selected by the Issuer) is received to the effect that noncompliance with the Occupancy Restrictions and the Rental Restrictions applicable to the Project as a result of such involuntary loss or substantial destruction resulting from an unforeseen event with respect to the Project will not adversely affect the exclusion of the interest on the Bonds from the gross incomes of the owners thereof for purposes of federal income taxation; provided, however, that the preceding provisions of this paragraph shall cease to apply in the case of such involuntary noncompliance caused by foreclosure, transfer of title by deed in lieu of foreclosure or similar event if at any time during the Qualified Project Period with respect to the Project subsequent to such event the Borrower or any Affiliated Party (as hereinafter defined) obtains an ownership interest in the Project for federal income tax purposes. “**Affiliated Party**” means a person whose relationship to another person is such that (i) the relationship between such persons would result in a disallowance of losses under Section 267 or 707(b) of the Code; or (ii) such persons are members of the same controlled group of corporations (as defined in Section 1563(a) of the Code, except that “more than 50%” shall be substituted for “at least 80%” each place it appears therein).

(d) *Termination.* This Agreement shall terminate with respect to the Project upon the earliest of (i) termination of the Occupancy Restrictions and the Rental Restrictions with respect to the Project, as provided in paragraphs (a) and (b) of this Section 1; or (ii) delivery to the Issuer and the Borrower of an opinion of nationally recognized bond counsel (selected by the Issuer) to the effect that continued compliance of the Project with the Rental Restrictions and the Occupancy Restrictions applicable to the Project is not required in order for interest on the Bonds to remain excludible from gross income for federal income tax purposes.

(e) *Certification.* Upon termination of this Agreement, the Borrower and the Issuer shall execute and cause to be recorded (at the Borrower’s expense), in all offices in which this Agreement was recorded, a certificate of termination, specifying which of the restrictions contained herein has terminated.

(f) *Encumbrance of Fee.* In furtherance of enforcing compliance with the provisions of Section 142(d) of the Code and Section 1.103-8(b) of the Regulations applicable to this Agreement, unless the provisions of paragraph (c) or (d) above apply to the Project resulting in a termination of the restrictions set forth herein, such restrictions shall continue to apply to the Project following the termination of the Borrower’s or any other party’s leasehold estate therein, whether or not the Project is thereafter re-leased by the Chicago Housing Authority until

termination of the Occupancy Restrictions and the Rental Restrictions as provided in Sections 1(a) and (b).

**Section 2. Project Restrictions.** The Borrower represents, warrants and covenants that:

(a) The Borrower has reviewed the provisions of the Code and the Treasury Regulations thereunder (the "Regulations") applicable to this Agreement (including, without limitation, Section 142(d) of the Code and Section 1.103-8(b) of the Regulations) with its counsel and understands said provisions.

(b) The Project is being acquired, rehabilitated, constructed and equipped for the purpose of providing a "qualified residential rental project" (as such phrase is used in Section 142(d) of the Code) and will, during the term of the Rental Restrictions and Occupancy Restrictions hereunder applicable to the Project, continue to constitute a "qualified residential rental project" under Section 142(d) of the Code and any Regulations heretofore or hereafter promulgated thereunder and applicable thereto.

(c) Substantially all (not less than 95%) of the Project will consist of a "building or structure" (as defined in Section 1.103-8(b)(8)(iv) of the Regulations), or several proximate buildings or structures, of similar construction, each containing one or more similarly constructed residential units (as defined in Section 1.103-8(b)(8)(i) of the Regulations) located on a single tract of land or contiguous tracts of land (as defined in Section 1.103-8(b)(4)(ii)-(B) of the Regulations), which will be owned, for federal tax purposes, at all times by the same person, and financed pursuant to a common plan (within the meaning of Section 1.103-8(b)(4)(ii) of the Regulations), together with functionally related and subordinate facilities (within the meaning of Section 1.103-8(b)(4)(iii) of the Regulations). If any such building or structure contains fewer than five (5) units, no unit in such building or structure shall be Borrower-occupied.

(d) None of the Units in the Project will at any time be used on a transient basis, nor will the Project itself be used as a hotel, motel, dormitory, fraternity or sorority house, rooming house, hospital, nursing home, sanitarium, rest home or trailer park or court for use on a transient basis; (provided only that during the period of renovation of the Project, residents may occupy particular Units on a short-term basis to accommodate the renovations); nor shall any portion of the Project be operated as an assisted living facility which provides continual or frequent nursing, medical or psychiatric services; *provided, however* that nothing herein shall be understood to prohibit single room occupancy units occupied under month to month leases.

(e) Any functionally related and subordinate facilities (e.g., parking areas, swimming pools, tennis courts, etc.) which are included as part of the Project will be of a character and size commensurate with the character and size of the Project, and will be made available to all tenants in the Project on an equal basis; fees will only be charged with respect to the use thereof if the charging of fees is customary for the use of such facilities at similar residential rental properties in the surrounding area (i.e., within a one-mile radius), or, if none, then within comparable urban settings in the City of Chicago, and then only in amounts commensurate with the fees being charged at similar residential rental properties within such area. In any event, any fees charged will not be discriminatory or exclusionary as to the Qualifying Tenants (as defined in Section 3

hereof). No functionally related and subordinate facilities will be made available to persons other than tenants or their guests.

(f) Each residential unit in the Project will contain separate and complete facilities for living, sleeping, eating, cooking and sanitation for a single person or family.

(g) No portion of the Project will be used to provide any health club facility, any facility primarily used for gambling, or any store, the principal business of which is the sale of alcoholic beverages for consumption off premises, in violation of Section 147(e) of the Code.

**Section 3. Occupancy Restrictions.** The Borrower represents, warrants and covenants with respect to the Project that:

(a) Pursuant to the election of the Issuer in accordance with the provisions of Section 142(d)(1)(A) of the Code, at all times during the Qualified Project Period with respect to the Project at least 40% of the completed Units in the Project shall be continuously occupied (or treated as occupied as provided herein) or held available for occupancy by Qualifying Tenants as herein defined. For purposes of this Agreement, "Qualifying Tenants" means individuals or families whose aggregate adjusted incomes do not exceed 60% of the applicable median gross income (adjusted for family size) for the area in which the Project is located, as such income and area median gross income are determined by the Secretary of the United States Treasury in a manner consistent with determinations of income and area median gross income under Section 8 of the United States Housing Act of 1937, as amended (or, if such program is terminated, under such program as in effect immediately before such determination).

(b) Prior to the commencement of occupancy of any unit to be occupied by a Qualifying Tenant, the prospective tenant's eligibility shall be established by execution and delivery by such prospective tenant of an Income Computation and Certification in the form attached hereto as **Exhibit B** (the "Income Certification") evidencing that the aggregate adjusted income of such prospective tenant does not exceed the applicable income limit. In addition, such prospective tenant shall be required to provide whatever other information, documents or certifications are reasonably deemed necessary by the Borrower or the Issuer to substantiate the Income Certification.

(c) Not less frequently than annually, the Borrower shall determine whether the current aggregate adjusted income of each tenant occupying any unit being treated by the Borrower as occupied by a Qualifying Tenant exceeds the applicable income limit. For such purpose the Borrower shall require each such tenant to execute and deliver the Income Computation and Certification attached hereto as **Exhibit B**; *provided, however*, that for any calendar year during which no unit in the Project is occupied by a new resident who is not a Qualifying Tenant, no Income Computation and Certification for existing tenants shall be required.

(d) Any unit vacated by a Qualifying Tenant shall be treated as continuing to be occupied by such tenant until reoccupied, other than for a temporary period not to exceed 31 days, at which time the character of such unit as a unit occupied by a Qualifying Tenant shall be redetermined.

(e) If an individual's or family's income exceeds the applicable income limit as of any date of determination, the income of such individual or family shall be treated as continuing not to exceed the applicable limit, provided that the income of an individual or family did not exceed the applicable income limit upon commencement of such tenant's occupancy or as of any prior income determination, and provided, further, that if any individual's or family's income as of the most recent income determination exceeds 140% of the applicable income limit, such individual or family shall cease to qualify as a Qualifying Tenant if, prior to the next income determination of such individual or family, any unit in the Project of comparable or smaller size to such individual's or family's unit is occupied by any tenant other than a Qualifying Tenant.

(f) The lease to be utilized by the Borrower in renting any Unit in the Project to a prospective Qualifying Tenant shall provide for termination of the lease and consent by such person to eviction following 30 days' written notice, subject to applicable provisions of Illinois law (including for such purpose all applicable home rule ordinances), for any material misrepresentation made by such person with respect to the Income Certification with the effect that such tenant is not a Qualified Tenant.

(g) All Income Certifications will be maintained on file at the Project as long as any Bonds are outstanding and for five years thereafter with respect to each Qualifying Tenant who occupied a Unit in the Project during the period the restrictions hereunder are applicable, and the Borrower will, promptly upon receipt, file a copy thereof with the Issuer.

(h) On the first day of the Qualified Project Period with respect to the Project, on the fifteenth days of January, April, July and October of each year during the Qualified Project Period with respect to the Project, and within 30 days after the final day of each month in which there occurs any change in the occupancy of a Unit in the Project, the Borrower will submit to the Issuer a "Certificate of Continuing Program Compliance," in the form attached hereto as Exhibit C, executed by the Borrower with respect to the Project.

(i) The Borrower shall submit to the Secretary of the United States Treasury (at such time and in such manner as the Secretary shall prescribe) with respect to the Project an annual certification on Form 8703 as to whether the Project continues to meet the requirements of Section 142(d) of the Code. Failure to comply with such requirement may subject the Borrower to the penalty provided in Section 6652(j) of the Code.

**Section 4. Rental Restrictions.** The Borrower represents, warrants and covenants with respect to the Project that once available for occupancy, each Unit in the Project will be rented or available for rental on a continuous basis to members of the general public (other than (a) Units for resident managers or maintenance personnel, (b) Units for Qualifying Tenants as provided for in Section 3 hereof, (c) Units which may be rented to Qualifying Tenants in accordance with any HUD-approved owner preference granted in accordance with 24 CFR Section 5.655, HUD Occupancy Handbook 4350.3, and which satisfies treasury regulations 1.103-8(b) and 1.42-9, and (d) Units which may be rented under the Section 8 assistance program, which Units (subject to the Section 8 assistance program) shall be leased to eligible tenants in accordance with Section 8 requirements), subject, however, to the requirements of Section 3(a) hereof. Each Qualifying Tenant (as hereinafter defined) occupying a Unit in the Project shall be required to execute a written lease with a stated term of not less than 30 days nor more than one year.

**Section 5. Transfer Restrictions.** The Borrower covenants and agrees that no conveyance, transfer, assignment or any other disposition of title to any portion of the Project (a "Transfer") shall be made prior to the termination of the Rental Restrictions and Occupancy Restrictions hereunder with respect to the Project, unless the transferee pursuant to the Transfer assumes in writing (the "Assumption Agreement"), in a form reasonably acceptable to the Issuer, all of the executory duties and obligations hereunder of the Borrower with respect to such portion of the Project, including those contained in this Section 5, and agrees to cause any subsequent transferee to assume such duties and obligations in the event of a subsequent Transfer by the transferee prior to the termination of the Rental Restrictions and Occupancy Restrictions hereunder with respect to the Project. The Borrower shall deliver the Assumption Agreement to the Issuer at least 30 days prior to a proposed Transfer. This Section 5 shall not apply to any involuntary transfer pursuant to Section 1(c) hereof. This Section shall not be deemed to restrict the transfer of any partnership interest in the Borrower or a transfer by foreclosure or deed in lieu of foreclosure.

**Section 6. Enforcement.**

(a) The Borrower shall permit all duly authorized representatives of the Issuer to inspect any books and records of the Borrower regarding the Project and the incomes of Qualifying Tenants which pertain to compliance with the provisions of this Agreement and Section 142(d) of the Code and the regulations heretofore or hereafter promulgated thereunder.

(b) In addition to the information provided for in Section 3(i) hereof, the Borrower shall submit any other information, documents or certifications reasonably requested by the Issuer, which the Issuer deems reasonably necessary to substantiate continuing compliance with the provisions of this Agreement and Section 142(d) of the Code and the regulations heretofore or hereafter promulgated thereunder.

(c) The Issuer and the Borrower each covenants that it will not take or permit to be taken any action within its control that it knows would adversely affect the exclusion of interest on the Bonds from the gross income of the owners thereof for purposes of federal income taxation pursuant to Section 103 of the Code. Moreover, each covenants to take any lawful action within its control (including amendment of this Agreement as may be necessary in the opinion of nationally recognized bond counsel selected by the Issuer) to comply fully with all applicable rules, rulings, policies, procedures, regulations or other official statements promulgated or proposed by the Department of the Treasury or the Internal Revenue Service from time to time pertaining to obligations issued under Section 142(d) of the Code and affecting the Project.

(d) The Borrower covenants and agrees to inform the Issuer by written notice of any violation of its obligations hereunder within five days of first discovering any such violation. If any such violation is not corrected to the satisfaction of the Issuer within the period of time specified by either the Issuer, which shall be (i) the lesser of (A) 45 days after the effective date of any notice to or from the Borrower, or (B) 60 days from the date such violation would have been discovered by the Borrower by the exercise of reasonable diligence, or (ii) such longer period as may be necessary to cure such violation, provided bond counsel (selected by the Issuer) of nationally recognized standing in matters pertaining to the exclusion of interest on municipal

bonds from gross income for purposes of federal income taxation issues an opinion that such extension will not result in the loss of such exclusion of interest on the Bonds, without further notice, the Issuer shall declare a default under this Agreement effective on the date of such declaration of default, and the Issuer shall apply to any court, state or federal, for specific performance of this Agreement or an injunction against any violation of this Agreement, or any other remedies at law or in equity or any such other actions as shall be necessary or desirable so as to correct noncompliance with this Agreement.

(e) The Borrower and the Issuer each acknowledges that the primary purposes for requiring compliance with the restrictions provided in this Agreement are to preserve the exclusion of interest on the Bonds from gross income for purposes of federal income taxation, and that the Issuer, on behalf of the owners of the Bonds, who are declared to be third-party beneficiaries of this Agreement, shall be entitled for any breach of the provisions hereof, to all remedies both at law and in equity in the event of any default hereunder.

(f) In the enforcement of this Agreement, the Issuer may rely on any certificate delivered by or on behalf of the Borrower or any tenant with respect to the Project.

(g) Nothing in this Section shall preclude the Issuer from exercising any remedies it might otherwise have, by contract, statute or otherwise, upon the occurrence of any violation hereunder.

(h) Notwithstanding anything to the contrary contained herein, the Issuer hereby agrees that any cure of any default made or tendered by one or more of the Borrower's partners or Borrower's lenders shall be deemed to be a cure by the Borrower and shall be accepted or rejected on the same basis as if made or tendered by the Borrower.

**Section 7. Covenants To Run With the Land.** The Borrower hereby subjects the Project, to the covenants, reservations and restrictions set forth in this Agreement. The Issuer and the Borrower hereby declare their express intent that the covenants, reservations and restrictions set forth herein shall be deemed covenants, reservations and restrictions running with the land to the extent permitted by law, and shall pass to and be binding upon the Borrower's successors in title to the Project throughout the term of this Agreement. Each and every contract, deed, mortgage, lease or other instrument hereafter executed covering or conveying the Project, the Units or the Site, or any portion thereof or interest therein (excluding any transferee of a limited partnership interest in the Borrower), shall conclusively be held to have been executed, delivered and accepted subject to such covenants, reservations and restrictions, regardless of whether such covenants, reservations and restrictions are set forth in such contract, deed, mortgage, lease or other instrument.

**Section 8. Recording.** The Borrower shall cause this Agreement and all amendments and supplements hereto to be recorded in the conveyance and real property records of Cook County, Illinois, and in such other places as the Issuer may reasonably request. The Borrower shall pay all fees and charges incurred in connection with any such recording.

**Section 9. Agents of the Issuer.** The Issuer shall have the right to appoint agents to carry out any of its duties and obligations hereunder, and shall, upon written request, certify in writing to the other party hereto any such agency appointment.

**Section 10. No Conflict With Other Documents.** The Borrower warrants and covenants that it has not and will not execute any other agreement with provisions inconsistent or in conflict with the provisions hereof (except documents that are subordinate to the provisions hereof), and the Borrower agrees that the requirements of this Agreement are paramount and controlling as to the rights and obligations herein set forth, which supersede any other requirements in conflict herewith.

**Section 11. Interpretation.** Any capitalized terms not defined in this Agreement shall have the same meaning as terms defined in the Bond Issuance Agreement, the Loan Agreement or Section 142(d) of the Code and the regulations heretofore or hereafter promulgated thereunder.

**Section 12. Amendment.** Subject to and any restrictions set forth in the Bond Issuance Agreement, this Agreement may be amended by the parties hereto to reflect changes in Section 142(d) of the Code, the regulations hereafter promulgated thereunder and revenue rulings promulgated thereunder, or in the interpretation thereof.

**Section 13. Severability.** The invalidity of any clause, part or provision of this Agreement shall not affect the validity of the remaining portions thereof.

**Section 14. Notices.** Any notice, demand or other communication required or permitted hereunder shall be in writing and shall be deemed to have been given if and when personally delivered and receipted for, or, if sent by private courier service or sent by overnight mail service, shall be deemed to have been given if and when received (unless the addressee refuses to accept delivery, in which case it shall be deemed to have been given when first presented to the addressee for acceptance), or on the first day after being sent by telegram, or on the third day after being deposited in United States registered or certified mail, postage prepaid. Any such notice, demand or other communication shall be given as provided for in the Bond Issuance Agreement.

**Section 15. Governing Law.** This Agreement shall be construed in accordance with and governed by the laws of the State of Illinois, and where applicable, the laws of the United States of America.

**Section 16. Limited Liability of Borrower.** Notwithstanding any other provision or obligation stated in or implied by this Agreement to the contrary, any and all undertakings and agreements of the Borrower contained herein shall not (other than as expressly provided hereinafter in this paragraph) be deemed, interpreted or construed as the personal undertaking or agreement of, or as creating any personal liability upon, any past, present or future partner of the Borrower, and no recourse (other than as expressly provided hereinafter in this paragraph) shall be had against the property of the Borrower or any past, present or future partner of the Borrower, personally or individually for the performance of any undertaking, agreement or obligation, or the payment of any money, under this Agreement or any document executed or delivered by or on behalf of the Borrower pursuant hereto or in connection herewith, or for any claim based thereon. It is expressly understood and agreed that the Issuer and the registered owners of the Bonds, and their respective successors and assigns, shall have the right to sue for specific performance of this Agreement and to otherwise seek equitable relief for the

enforcement of the obligations and undertakings of the Borrower hereunder, including, without limitation, obtaining an injunction against any violation of this Agreement or the appointment of a receiver to take over and operate all or any portion of the Project in accordance with the terms of this Agreement. This Section shall survive termination of this Agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be signed and sealed by their respective, duly authorized representatives, as of the day and year first above written.

#### **ARTICLE IV - Duties and Obligations**

4.1 CIC shall execute and deliver to DPD such documents as may be required by the Corporation Counsel to evidence CIC's participation in the Program, including, but not limited to, the City's current form of Economic Disclosure Statement and an opinion of counsel in substantially the form of Exhibit A attached hereto and incorporated herein.

4.2 (a) In the Eligible TIF Area, CIC shall use Program Funds authorized by the City for the Eligible TIF Area to provide Purchase Price Assistance and Substantial Rehabilitation Assistance to a Developer for the purchase and Substantial Rehabilitation of an Eligible Multi-Family Residential Development, consistent with the provisions of this Agreement.

(b) CIC agrees that the total amount of funds available for the Program in the Eligible TIF Area shall be up to a maximum of \$500,000 and that there have been no representations, assurances or agreements that any other assistance shall be forthcoming from the City. CIC shall provide written notice to the City when the aggregate amount of Program Funds committed or paid, including Grants and administrative costs paid to or for the account of CIC pursuant to Section 6.5, equals 80% of the Program Funds authorized for the Eligible TIF Area and thereafter when the aggregate amount of Program Funds committed or paid, including Grants and administrative costs paid to or for the account of CIC pursuant to Section 6.5, equals 100% of the Program Funds authorized for the Eligible TIF Area. Program Funds are deemed committed for purposes of this Section when CIC has determined the amount of Program Funds to be the subject of a Grant and sent notice of final approval of an Application pursuant to Section 4.3(e) to an eligible Developer. No Grants shall be made or committed to be made by CIC hereunder when such commitment would result in the aggregate amount of Grants, together with all administrative costs related to such Grants paid to CIC pursuant to Section 6.5, exceeding the amounts authorized for the Eligible TIF Area. No Grants shall be made or committed to be made by CIC hereunder when such commitment occurs after the date of receipt of the notice from the City described in Section 6.2 hereof regarding the termination of this Agreement.

(c) The amount of Program Funds authorized for the Eligible TIF Area may be changed from time to time upon written notice by DPD to CIC, provided that the aggregate amount shall not exceed \$500,000 (or such other amount as the City may determine from time to time).

4.3 CIC shall manage the Program in the following manner (or as otherwise agreed to by DPD and CIC):

(a) CIC will work with DPD to provide information to potential Developers about the availability of the Program, including explaining what the Program offers and the income, property and residency requirements. Program Funds shall be available on a first-come, first-served basis.

(b) CIC shall inform potential Developers of the process and documentation that is required in order for them to both obtain a Reservation of Program Funds and to receive final approval for the Grant.

(c) Before potential Developers can be declared eligible to receive a Reservation of Program Funds, the potential Developer must complete an Application. CIC shall accept and process Applications in the following manner (or as otherwise agreed to by DPD and CIC):

(i) CIC shall make Application forms available at its main office. CIC shall make employees available in person or over the phone to answer inquiries;

(ii) Applications shall also be available by calling CIC, which will mail applications to potential applicants;

(iii) Applications must include a sworn statement of contractor and a narrative of the construction work. Attached to every application shall be a copy of an inspection report for the proposed property prepared by a licensed and bonded contractor, and any other information deemed necessary by CIC or DPD; and

(iv) All Applications shall be returned directly to CIC; the City will not accept Applications.

(v) When Applications are received by CIC, they will be time-stamped and reviewed in the order received. Applications must be complete to be reviewed. CIC shall review all Applications for eligibility, completeness and compliance with the Agreement.

(vi) For each potential Developer, CIC shall obtain title information regarding the Developer and the Multi-Family Residential Development, respectively, and shall verify that rent being charged in the building is, or will be, an Affordable Rent. CIC shall forward the name, address and Social Security number of every applicant to DPD for a scofflaw check. CIC shall perform an initial site visit to verify that the property will qualify. CIC shall approve a scope of work and shall order an appraisal for the property. CIC shall not approve any Application unless a commitment for matching funds required hereunder has been obtained by the Developer.

(vii) CIC will notify applicants if their Application has been approved or rejected. Within 10 days of approving or rejecting an Application, CIC shall notify the applicant in writing of such approval or rejection and shall provide the City with a copy of each such notice. All notices of rejection shall include the reasons for such rejection.

(viii) While Applications will be reviewed in the order of receipt, funds will be provided to Developers in the order in which the Developers meet all the requirements for funding a Grant hereunder.

(ix) If all Program funds in an Eligible TIF Area are fully reserved, CIC will establish a wait list for additional Reservations of Program Funds on a first-come, first-served basis. If a Developer does not use its reserved funds within the required time period, CIC will notify the Developer that the funds are no longer reserved and contact the next Developer on the wait list.

(d) Upon determination by CIC that a Developer is eligible to participate in the Program, CIC may provide the Developer Purchase Price Assistance and Substantial Rehabilitation Assistance, consistent with the provisions of this Agreement, in the applicable amount as set forth in subsection 4.3(e). As a condition of receiving such assistance, the Developer shall be required to establish at least 50% of the Housing Units in the Multi-Family Residential Development as Affordable Rental Housing. If the Development meets one or more of the following criteria, then CIC may provide, if approved by DPD, an amount of assistance greater than the Maximum Program Assistance:

- (i) Will provide Housing Units for Households earning up to 30 percent of the PMSA Median Income;
- (ii) Will provide Supportive Housing;
- (iii) Is located within 500 feet of a school, park, library, or church;
- (iv) Has been designated as a National or City of Chicago Historic Landmark, is listed on the National Register of Historic Places, or is orange- or red-rated in the Chicago Historic Resources Survey; or
- (v) Is located on a block where fifty percent or more of the properties are vacant or foreclosed.

(e) The amount of the Purchase Price Assistance and Substantial Rehabilitation Assistance granted to any Developer for an Eligible Multi-Family Residential Development shall be limited to no greater than 50% of the sum of the Base Purchase Price plus the cost to Substantially Rehabilitate the Eligible Multi-Family Residential Development. Grant funds awarded under this Program shall be provided on a pro-rata basis with the amount of funds required from the Developer to complete the Development.

(f) The Affordable Rental Housing required by this subsection shall continue to be affordable for a period of 15 years after the time of the issuance of the certificate of occupancy (or after the first day of the initial lease, if no such certificate is issued); provided that if a longer term is required by any other applicable law, the longer term shall apply.

(g) The rental of such Affordable Rental Housing created pursuant to this Agreement shall be made only to Households meeting the eligibility criteria.

(h) Prior to the issuance of a building permit to a Developer for any Eligible Multi-Family Residential Development, CIC shall cause a lien, regulatory agreement or similar instrument ("Recapture Mortgage") to be recorded to secure the requirements of this Agreement and the Recapture of the following amounts:

(i) Upon the rental of any Housing Unit required to be Affordable Rental Housing under this Agreement at a rental price that renders the Housing Unit not Affordable Rental Housing, or to a Household that does not meet the eligibility criteria, the Developer shall pay a fee of \$500.00 per unit per day for each day that the Developer is in noncompliance; provided that prior to the assessment of the penalty, the Developer shall have 90 days, after written notice from DPD, to cure the noncompliance. If after 90 days the Developer fails to cure the noncompliance, the fees shall be assessed from the first day of noncompliance. The 90-day time period to cure the noncompliance may be extended by DPD, for good cause.

#### 4.4 CIC shall provide the following services:

(a) Technical/Rehabilitation Services. CIC shall assist the Developer in the preparation of detailed plans and specifications for the renovation work. CIC must approve the contractor selected, which must be licensed and properly insured; in its approval, CIC shall consider the financial strength and the technical capability of the contractor. CIC shall review the contract(s)

between the Developer and the contractor(s) for the renovation work. While the Developer is not required to use Minority Business Enterprises or Women Business Enterprises for the renovation work, the City shall supply to CIC, and CIC shall make available to each Developer, a current list of contractors and subcontractors which are certified by the City as Minority Business Enterprises or Women Business Enterprises. While the requirements of Section 2-92-330 of the Municipal Code of the City of Chicago (City Resident Employment Requirement) will not apply to the renovation work done pursuant to the Program, CIC shall use its best efforts to recruit and encourage the use of qualified contractors based in Chicago (particularly in the Eligible TIF Area) for the renovation work being funded pursuant to this Agreement.

(b) Requirements for Grants for Eligible Multi-Family Residential Developments. After approving an Application, CIC shall promptly prepare and execute Grant Documents for each Grant. The Grant Documents shall require that:

(i) Program Funds finance only TIF-eligible costs; and

(ii) the Grant Funds shall not be provided unless loan proceeds or other funds from the Developer (which loans may, but shall not be required to, be made by CIC) are available to fully finance the purchase and/or rehabilitation of the Multi-Family Residential Development.

(c) Closing. CIC shall promptly close each Grant. Prior to disbursement of any Program Funds by CIC, CIC shall require each Developer to enter into the Grant Documents. The Grant Documents shall require that the renovation of the Multi-Family Residential Development commences within six months of the date on which a Grant closes. CIC shall provide in all Grant Documents that the City is a third-party beneficiary of the Grant Documents. CIC shall not close each Grant, or provide any Program Funds unless the matching funds described in subsection (b) above are available to the Developer. CIC shall not provide Program Funds to any Developer in an amount in excess of the applicable Maximum Program Assistance; provided, that the maximum amount so provided may be increased with the approval of DPD in accordance with Section 4.3(d).

(d) Disbursement of Grant Funds. The City will place the Grant funds for each Eligible TIF Area into an interest-bearing segregated or escrow account established by CIC for this purpose. Any income earned on amounts held in the account shall be used at the sole discretion of the City; (i) to make Grants hereunder, or (ii) in such other manner as the City determines. CIC shall disburse funds from this account to the City at the written request of the City if income is earned on amounts held in the account. CIC shall make any such disbursement within 30 days of its receipt of the City's request. CIC agrees that any disbursements from this account which are later determined to have been made in violation of this Agreement will be repaid to this account by CIC. Pursuant to the Grant Documents, CIC will draw funds from the segregated account as needed to pay for approved TIF-eligible costs to Developers. Prior to disbursing any funds from this account, CIC shall obtain evidence that the costs being paid for are TIF-eligible costs. Each Grant shall be accounted for separately in the records maintained by CIC.

(e) Monitoring.

(1) CIC shall specify an employee directly responsible for working on each Grant. CIC shall provide DPD with notice of the person(s) responsible for these duties and the respective Grants.

(2) If a Developer breaches any covenant or agreement under the applicable Grant Documents, CIC shall mail notice of such breach to the Developer as provided in the Grant Documents (with a copy to DPD) and shall take such further action consistent with the terms of this Agreement.

(3) CIC shall monitor the progress of the renovation work to confirm compliance with this Agreement and the Grant Documents. CIC shall make a final inspection of the renovation work at its completion to confirm compliance with this Agreement and the Grant Documents.

(f) Reporting. On a quarterly basis during the term hereof, CIC shall submit to the City a report in a form approved by DPD and containing the following information for each Grant closed during the previous quarter, and for each Developer whose Application has been approved: (i) the address of the Multi-Family Residential Development; (ii) the name and address of each Developer for such Multi-Family Residential Development; (iii) the amount of the applicable Grant and the date of the Grant; (iv) the status of the renovation work on such Multi-Family Residential Development; and (v) evidence that the maximum rental rates charged in any Multi-Family Residential Development do not exceed the maximum amount permitted under this Agreement. In addition, CIC shall also include the following in such report regarding the Program as of the end of the preceding quarter: (i) total number of matching loans approved by CIC; (ii) number of renovations in process; (iii) number of renovations completed; (iv) total amount of Grant funds disbursed hereunder, with a description to include how much was disbursed for each Multi-Family Residential Development; (v) the total amount of interest earned on Grant funds held by CIC; (vi) evidence that no disbursement would result in the funds disbursed by CIC hereunder for any Multi-Family Residential Development exceeding the applicable Maximum Program Assistance; and (vii) the total amount of fees paid to CIC pursuant to Section 6.5. At the end of every quarter, CIC shall deliver a report to the City regarding the application process and listing (A) the total number of Applications, and (B) the total dollar amount of Grants requested, along with any other information requested by the City.

(g) Marketing. CIC shall make information about the Program, including Applications, readily available to persons applying to become Developers. In connection therewith, CIC shall prepare and distribute brochures and other written materials describing the Program. CIC shall also make appropriate personnel available to speak at seminars to promote and explain the Program and shall conduct other affirmative outreach efforts (including organizing or participating in seminars, conferences and public meetings) to disseminate information about the Program to the public. CIC shall cooperate (and shall bind its contractors to cooperate) with DPD in any event which DPD may undertake to promote and explain the Program. CIC shall dedicate sufficient employee time and resources to respond promptly to inquiries from potential applicants.

4.5 The Grant Documents shall require that each rental unit in a Eligible Multi-Family Residential Development bear rents not greater than the Affordable Rent for such unit at any time during the Affordability Period.

4.6 The Grant Documents shall require that each Developer who renovates housing assisted with Program Funds maintain the premises in compliance with all State and City code requirements.

4.7 CIC shall be responsible for all actions of any agents, employees, officers of CIC performing any duties or obligations of CIC hereunder.

4.8 (a) The Program Funds to be provided to CIC hereunder by the City are a conditional grant, and the use of such funds by CIC and Developers is subject to the compliance by CIC and Developers with certain provisions of this Agreement. The Grant Documents shall provide that Program Funds provided for a Eligible Multi-Family Residential Development shall be subject to Recapture if, at any time during the Affordability Period, the requirements of Section 4.5 are not met (subject to any applicable cure periods in the Grant Documents) with respect to such unit. The amount subject to Recapture shall be calculated as follows, based on when the requirements of Section 4.5 are not met (subject to cure periods as indicated above): if the event of noncompliance takes place within the first year after the applicable Grant has been fully disbursed, then the full amount of the Grant will be subject to Recapture; on the first anniversary of the date that the applicable Grant was fully disbursed, the amount so subject to Recapture will be reduced by 1/15 of the amount of the applicable Grant; and the amount subject to Recapture will be reduced by a like amount each succeeding anniversary, so that on the fifteenth anniversary the amount subject to Recapture will be zero.

(b) Upon the occurrence of any event set forth in paragraph (a) of this Section, CIC shall immediately notify DPD of the occurrence of such event and shall take any or all necessary action to Recapture the aggregate amount of Program Funds provided to each Developer with respect to the Eligible Multi-Family Residential Development, including any late payment penalties due under any of the Grant Documents.

(c) Any monies Recaptured by CIC shall be returned to the City. Funds so recaptured with respect to any Eligible Multi-Family Residential Development may be used only with respect to costs in the tax increment financing redevelopment area in which the Eligible Multi-Family Residential Development is located.

(d) CIC shall include the provisions of this Section in the Grant Documents.

(e) The Recapture right of the City will be secured by a lien, recorded at the time the Grant Documents are signed against the real property on which each Eligible Multi-Family Residential Development is located ("Recapture Mortgage"). The lien shall be in a form acceptable to the City and will be recorded by CIC at no expense to the City. The lien will reflect that the amount subject to Recapture will decline over time.

4.9 The City authorizes CIC to act, subject to the limitations contained herein and in accordance with the provisions of this Agreement: (i) to manage and service the Grants; (ii) to enforce or to refrain from enforcing the Grant Documents for each Grant; (iii) to give consents or approvals in connection with the Grant Documents for each Grant; (iv) to take or refrain from taking any action and make any determination provided for herein or in the Grant Documents; and (v) to exercise all such powers as are incidental thereto.

4.10 In its marketing efforts regarding the Program, the City shall notify potential Program applicants that there will be a matching funds requirement (as set forth in Section 4.4(b) hereof).

#### 4.11 Insurance.

(a) CIC must provide and maintain at its own expense, except as may be otherwise provided herein, during the term of this Agreement and during the time period following expiration if CIC is

required to return and perform any of the work or services under the agreement, the insurance coverages and requirements specified below, insuring all operations related to the Agreement.

1) Workers Compensation and Employers Liability

Coverages must include the following: All premises and operations, products/completed operations and contractual liability (not to include Endorsement CG 21 39 or equivalent). The City of Chicago is to be named as an additional insured on a primary, non-contributory basis for any liability arising directly or indirectly from the work or services.

Subcontractors performing work for CIC must maintain limits of not less than \$1,000,000 with the same terms herein.

3) Automobile Liability (Primary and Umbrella)

When any motor vehicles (owned, non-owned and hired) are used in connection with work to be performed, CIC must provide Automobile Liability Insurance with limits of not less than \$1,000,000 occurrence for bodily injury and property damage. The City of Chicago is to be named as an additional insured on a primary, non-contributory basis.

4) Errors & Omissions/Professional Liability

When any Program Managers/Administrators or any other professional consultants perform work in connection with this Agreement, Professional Liability Insurance covering acts, errors, or omissions must be maintained with limits of not less than \$1,000,000. When policies are renewed or replaced, the policy retroactive date must coincide with, or precede, start of work on the Agreement. A claim-made policy which is not renewed or replaced must have an extended reporting period of two (2) years.

5) Valuable Papers

6) Blanket Crime

CIC must provide Blanket Crime coverage covering all persons handling funds under this Agreement against loss by dishonesty, robbery, burglary, theft, destruction, or disappearance, computer fraud, credit card forgery, and other related crime risks. The policy

CIC must submit evidence of insurance on the City of Chicago Insurance Certificate Form (copy attached) or equivalent prior to execution of the Agreement. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all requirements. The failure of the City to obtain certificates or other insurance evidence from CIC is not a waiver by the City of any requirements for CIC to obtain and maintain the specified coverages. CIC must advise all insurers of the Agreement provisions regarding insurance. Non-conforming insurance does not relieve CIC of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to stop work until proper evidence of insurance is provided, or the Agreement may be terminated.

The insurance must provide for sixty (60) days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

Any deductibles or self-insured retentions on referenced insurance coverages must be borne by CIC.

CIC hereby waives and agrees to require their insurers to waive their rights of subrogation against the City of Chicago, its employees, elected officials, agents, or representatives.

The coverages and limits furnished by CIC in no way limit CIC's liabilities and responsibilities specified within this Agreement or by law.

Any insurance or self-insurance programs maintained by the City of Chicago do not contribute with insurance provided by CIC under this Agreement.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

If CIC is a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

CIC must require all subcontractors to provide the insurance required herein, or CIC may provide the coverages for subcontractors. All subcontractors are subject to the same insurance requirements of CIC unless otherwise specified in this Agreement.

If CIC or subcontractor desire additional coverages, the party desiring the additional coverages is responsible for the acquisition and cost.

Notwithstanding any provision in the Agreement to the contrary, the City of Chicago Risk Management Department maintains the right to modify, delete, alter or change these requirements, and the City shall promptly notify CIC of any such changes.

#### **ARTICLE V - Events of Default; Remedies**

5.1 Events of Default Defined. The following, subject to the notice and cure provisions of Section 5.2 hereof, shall each constitute an Event of Default hereunder:

(a) any material misrepresentation, whether negligent or willful and whether in the inducement or in the performance of this Agreement, made by CIC to the City;

(b) failure by CIC to perform any of its duties or obligations under this Agreement;

(c) any change in ownership or control of CIC without prior written notification to the City;

(d) the dissolution of CIC or the entry of a decree or order for relief by a court having jurisdiction with respect to CIC in an involuntary case under the federal bankruptcy laws, as now or hereafter constituted, or any other applicable federal or state bankruptcy, insolvency or other similar law, or appointing a receiver, liquidator, assignee, custodian, trustee or sequestrator (or other similar official) of CIC or for any substantial part of the property thereof or ordering the winding-up or liquidation of the affairs of CIC and the continuance of any such decree or order unstayed and in effect for a period of 30 consecutive days;

(f) a final judgment for the payment of money in excess of \$100,000 shall be rendered by a court of competent jurisdiction against CIC, and CIC shall not discharge the same or provide for its discharge in accordance with its terms, or procure a stay of execution thereof, within 60 days from the date of entry thereof, or such longer period during which execution of such judgment shall have been stayed;

(g) default by CIC under any other agreement which CIC may currently have or may enter into with the City during the term of this Agreement; or

(h) a failure by CIC to fulfill its obligations under any Grant Documents.

5.2 Remedies. If any event referred to in Section 5.1 hereof cannot reasonably be cured within 30 days after receipt of notice given in accordance with the terms of this Agreement, or if CIC has failed, in the sole opinion of the City, to commence and continue diligent efforts to cure such event, the City may, at its sole option, declare an Event of Default hereunder. Whether to declare an Event of Default hereunder is within the sole discretion of the City and neither that decision nor the factual basis for it is subject to review or challenge under this Agreement. Written notification of, or that results in, an Event of Default, and any intention of the City to terminate this Agreement, shall be provided to CIC and such decision shall be final and effective upon receipt of such notice pursuant to Section 6.14 hereof and failure to cure within the stated applicable cure period. Upon the giving of such notice, the City may invoke any or all of the following remedies:

(a) the right to terminate this Agreement as to any or all of the services yet to be performed effective at a time specified by the City;

No delay or failure to exercise any right or power accruing upon any Event of Default shall impair any such right or power nor shall it be construed as a waiver of any Event of Default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient.

At any time during normal business hours and as often as the City may deem necessary, each Eligible Homebuyer shall make available to the City the Eligible Property and records relating to tenants of the unit, if any, in order for the City to verify compliance with this Agreement, including Section 4.5. CIC shall include this requirement in the Grant Documents.

6.7 Non-discrimination. CIC agrees it shall be an unlawful employment practice for CIC (1) to fail or refuse to hire or to discharge any individual, or otherwise to discriminate against any individual with respect to his compensation, or the terms, conditions, or privileges of his employment, because of such individual's race, color, religion, sex, age, handicap or national origin; or (2) to limit, segregate, or classify its employees or applicants for employment in any way which would deprive or tend to deprive any individual in any way of employment opportunities or otherwise adversely affect his status as an employee, because of such individual's race, color religion, sex, age, handicap or national origin.

CIC agrees to furnish and to cause each of its subcontractor(s) to furnish such reports and information as requested by the Chicago Commission on Human Relations.

6.9 Assignment. CIC may not assign, sell, transfer or delegate any of its duties or obligations under this Agreement without the prior written consent of the City. RE: Vacant Building TIF Purchase and Rehabilitation Program Agreement (the "Agreement")

Ladies and Gentlemen:

I have acted as Corporate General Counsel for Community Investment Corporation, an Illinois not-for-profit corporation ("CIC"), in connection with the execution and delivery of the Agreement by and among CIC and the City of Chicago, acting by and through its Department of Planning and Development (the "City"). CIC has requested that this opinion be furnished to the City.

In so acting as Corporate General Counsel for CIC I have examined:

- (i) an executed original of the Agreement;
- (ii) the Articles of Incorporation, including all amendments thereto, of CIC as furnished and certified by the Secretary of State of the State of Illinois;
- (iii) the Bylaws of CIC, as certified by the Secretary of CIC as of the date hereof; and
- (iv) the Certificate of Good Standing dated \_\_\_\_\_, issued by the Office of the Secretary of State of the State of Illinois, as to the good standing of CIC.

In my capacity as Corporate General Counsel, I have also examined such other documents or instruments as I have deemed relevant for the purposes of rendering the opinions hereinafter set forth.

I have also assumed, but have no reason to question, the legal capacity, authority and the genuineness of the signatures of and due and proper execution and delivery by the respective parties other than CIC which has made, executed or delivered or will make, execute and deliver the agreements and documents examined by me.

I express no opinion as to (i) the laws of any state or jurisdiction other than the State of Illinois (and any political subdivisions thereof) and the United States of America; and (ii) any matters pertaining or relating to the securities laws of the United States of America, the State of Illinois or any other state.

Based upon and subject to the assumptions and qualifications herein stated, it is my opinion that:

1. CIC is a not-for-profit corporation, duly organized and validly existing under the laws of the State of Illinois, CIC has made all filings required by the laws of the State of Illinois in respect of its formation and continuing existence, and has all requisite authority to carry on its business and to execute and deliver, and to consummate the transactions contemplated by, the Agreement.

2. The Agreement has been duly executed and delivered on behalf of CIC, and constitutes a legal, valid and binding obligation of CIC, enforceable against CIC in accordance with its terms, except to the extent that enforcement of any such terms may be limited by: (a) applicable bankruptcy, reorganization, debt arrangement, insolvency or other similar laws generally affecting creditors' rights; or (b) judicial and public policy limitations upon the enforcement of certain remedies including those which a court of equity may in its discretion decline to enforce.

3. To my knowledge, there is no action, suit or proceeding at law or in equity pending, nor threatened, against or affecting CIC, before any court or before any governmental or administrative agency, which if adversely determined could materially and adversely affect the ability of CIC to perform under the Agreement or any of its business or properties or financial or other conditions.

4. The transactions contemplated by the Agreement are governed by the laws of the State of Illinois.

5. The execution and delivery of the Agreement and the consummation of the transactions contemplated thereby will not constitute:

A. a violation or breach of (i) the Articles of Incorporation of CIC, (ii) the Bylaws of CIC, (iii) any provision of any contract or other instrument to which CIC is bound, or (iv) any order, writ, injunction, decree, statute, rule or regulation binding on CIC; or

B. a breach of any of the provisions of, or constitute a default under, or result in the creation or imposition of any lien or encumbrance upon any of the property of either CIC pursuant to, any agreement or other instrument to which CIC is a party or by which CIC is bound.

6. No action of, or filing with, any governmental or public body is required to authorize, or is otherwise required for the validity of, the execution, delivery and performance of any of the Agreement.

This opinion is furnished for your benefit and may be relied upon by you and any such other party in connection with the Agreement, but may not be delivered to or relied upon by any other person or entity without written consent from the undersigned.

Very truly yours,

---

CIC shall provide written notice to the City when the aggregate amount of Program Funds committed or paid, including Grants and administrative costs paid to or for the account of CIC pursuant to Section 6.5, equals 80% of the Program Funds authorized for the Eligible TIF Area and thereafter when the aggregate amount of Program Funds committed or paid, including Grants and administrative costs paid to or for the account of CIC pursuant to Section 6.5, equals 100% of the Program Funds authorized for the Eligible TIF Area. Program Funds are deemed committed for purposes of this Section when CIC has determined the amount of Program Funds to be the subject of a Grant and sent notice of final approval of an Application pursuant to Section 4.3(e) to an eligible Developer. No Grants shall be made or committed to be made by CIC hereunder when such commitment would result in the aggregate amount of Grants, together with all administrative costs related to such Grants paid to CIC pursuant to Section 6.5, exceeding the amounts authorized for the Eligible TIF Area. No Grants shall be made or committed to be made by CIC hereunder when such commitment occurs after the date of receipt of the notice from the City described in Section 6.2 hereof regarding the termination of this Agreement.

(c) The amount of Program Funds authorized for the Eligible TIF Area may be changed from time to time upon written notice by DPD to CIC, provided that the aggregate amount shall not exceed \$1,000,000 (or such other amount as the City may determine from time to time).

4.3 CIC shall manage the Program in the following manner (or as otherwise agreed to by DPD and CIC):

(a) CIC will work with DPD to provide information to potential Developers about the availability of the Program, including explaining what the Program offers and the income, property and residency requirements. Program Funds shall be available on a first-come, first-served basis.

(b) CIC shall inform potential Developers of the process and documentation that is required in order for them to both obtain a Reservation of Program Funds and to receive final approval for the Grant.

(c) Before potential Developers can be declared eligible to receive a Reservation of Program Funds, the potential Developer must complete an Application. CIC shall accept and process Applications in the following manner (or as otherwise agreed to by DPD and CIC):

(i) CIC shall make Application forms available at its main office. CIC shall make employees available in person or over the phone to answer inquiries;

(ii) Applications shall also be available by calling CIC, which will mail applications to potential applicants;

(iii) Applications must include a sworn statement of contractor and a narrative of the construction work. Attached to every application shall be a copy of an inspection report for the proposed property prepared by a licensed and bonded contractor, and any other information deemed necessary by CIC or DPD; and

(iv) All Applications shall be returned directly to CIC; the City will not accept Applications.

(v) When Applications are received by CIC, they will be time-stamped and reviewed in the order received. Applications must be complete to be reviewed. CIC shall review all Applications for eligibility, completeness and compliance with the Agreement.

(vi) For each potential Developer, CIC shall obtain title information regarding the Developer and the Multi-Family Residential Development, respectively, and shall verify that rent being charged in the building is, or will be, an Affordable Rent. CIC shall forward the name, address and Social Security number of every applicant to DPD for a scofflaw check. CIC shall perform an initial site visit to verify that the property will qualify. CIC shall approve a scope of work and shall order an appraisal for the property. CIC shall not approve any Application unless a commitment for matching funds required hereunder has been obtained by the Developer.

(vii) CIC will notify applicants if their Application has been approved or rejected. Within 10 days of approving or rejecting an Application, CIC shall notify the applicant in writing of such approval or rejection and shall provide the City with a copy of each such notice. All notices of rejection shall include the reasons for such rejection.

(viii) While Applications will be reviewed in the order of receipt, funds will be provided to Developers in the order in which the Developers meet all the requirements for funding a Grant hereunder.

(ix) If all Program funds in an Eligible TIF Area are fully reserved, CIC will establish a wait list for additional Reservations of Program Funds on a first-come, first-served basis. If a Developer does not use its reserved funds within the required time period, CIC will notify the Developer that the funds are no longer reserved and contact the next Developer on the wait list.

(d) Upon determination by CIC that a Developer is eligible to participate in the Program, CIC may provide the Developer Purchase Price Assistance and Substantial Rehabilitation Assistance, consistent with the provisions of this Agreement, in the applicable amount as set forth in subsection 4.3(e). As a condition of receiving such assistance, the Developer shall be required to establish at least 50% of the Housing Units in the Multi-Family Residential Development as Affordable Rental Housing. If the Development meets one or more of the following criteria, then CIC may provide, if approved by DPD, an amount of assistance greater than the Maximum Program Assistance:

- (iii) Will provide Housing Units for Households earning up to 30 percent of the PMSA Median Income;
- (iv) Will provide Supportive Housing;
- (iii) Is located within 500 feet of a school, park, library, or church;
- (iv) Has been designated as a National or City of Chicago Historic Landmark, is listed on the National Register of Historic Places, or is orange- or red-rated in the Chicago Historic Resources Survey; or
- (v) Is located on a block where fifty percent or more of the properties are vacant or foreclosed.

(e) The amount of the Purchase Price Assistance and Substantial Rehabilitation Assistance granted to any Developer for an Eligible Multi-Family Residential Development shall be limited to no greater than 50% of the sum of the Base Purchase Price plus the cost to Substantially Rehabilitate the Eligible Multi-Family Residential Development. Grant funds awarded under this Program shall be provided on a pro-rata basis with the amount of funds required from the Developer to complete the Development.

(f) The Affordable Rental Housing required by this subsection shall continue to be affordable for a period of 15 years after the time of the issuance of the certificate of occupancy (or after the first day of the initial lease, if no such certificate is issued); provided that if a longer term is required by any other applicable law, the longer term shall apply.

(g) The rental of such Affordable Rental Housing created pursuant to this Agreement shall be made only to Households meeting the eligibility criteria.

(h) Prior to the issuance of a building permit to a Developer for any Eligible Multi-Family Residential Development, CIC shall cause a lien, regulatory agreement or similar instrument ("Recapture Mortgage") to be recorded to secure the requirements of this Agreement and the Recapture of the following amounts:

(i) Upon the rental of any Housing Unit required to be Affordable Rental Housing under this Agreement at a rental price that renders the Housing Unit not Affordable Rental Housing, or to a Household that does not meet the eligibility criteria, the Developer shall pay a fee of \$500.00 per unit per day for each day that the Developer is in noncompliance, provided that prior to the assessment of the penalty, the Developer shall have 90 days, after written notice from DPD, to cure the noncompliance. If after 90 days the Developer fails to cure the noncompliance, the fees shall be assessed from the first day of noncompliance. The 90-day time period to cure the noncompliance may be extended by DPD, for good cause.

#### 4.4 CIC shall provide the following services:

(a) Technical/Rehabilitation Services. CIC shall assist the Developer in the preparation of detailed plans and specifications for the renovation work. CIC must approve the contractor selected, which must be licensed and properly insured; in its approval, CIC shall consider the financial strength and the technical capability of the contractor. CIC shall review the contract(s)

between the Developer and the contractor(s) for the renovation work. While the Developer is not required to use Minority Business Enterprises or Women Business Enterprises for the renovation work, the City shall supply to CIC, and CIC shall make available to each Developer, a current list of contractors and subcontractors which are certified by the City as Minority Business Enterprises or Women Business Enterprises. While the requirements of Section 2-92-330 of the Municipal Code of the City of Chicago (City Resident Employment Requirement) will not apply to the renovation work done pursuant to the Program, CIC shall use its best efforts to recruit and encourage the use of qualified contractors based in Chicago (particularly in the Eligible TIF Area) for the renovation work being funded pursuant to this Agreement.

(b) Requirements for Grants for Eligible Multi-Family Residential Developments. After approving an Application, CIC shall promptly prepare and execute Grant Documents for each Grant. The Grant Documents shall require that:

(i) Program Funds finance only TIF-eligible costs; and

(ii) the Grant Funds shall not be provided unless loan proceeds or other funds from the Developer (which loans may, but shall not be required to, be made by CIC) are available to fully finance the purchase and/or rehabilitation of the Multi-Family Residential Development.

(c) Closing. CIC shall promptly close each Grant. Prior to disbursement of any Program Funds by CIC, CIC shall require each Developer to enter into the Grant Documents. The Grant Documents shall require that the renovation of the Multi-Family Residential Development commences within six months of the date on which a Grant closes. CIC shall provide in all Grant Documents that the City is a third-party beneficiary of the Grant Documents. CIC shall not close each Grant, or provide any Program Funds unless the matching funds described in subsection (b) above are available to the Developer. CIC shall not provide Program Funds to any Developer in an amount in excess of the applicable Maximum Program Assistance; provided, that the maximum amount so provided may be increased with the approval of DPD in accordance with Section 4.3(d).

(d) Disbursement of Grant Funds. The City will place the Grant funds for each Eligible TIF Area into an interest-bearing segregated or escrow account established by CIC for this purpose. Any income earned on amounts held in the account shall be used at the sole discretion of the City: (i) to make Grants hereunder, or (ii) in such other manner as the City determines. CIC shall disburse funds from this account to the City at the written request of the City if income is earned on amounts held in the account. CIC shall make any such disbursement within 30 days of its receipt of the City's request. CIC agrees that any disbursements from this account which are later determined to have been made in violation of this Agreement will be repaid to this account by CIC. Pursuant to the Grant Documents, CIC will draw funds from the segregated account as needed to pay for approved TIF-eligible costs to Developers. Prior to disbursing any funds from this account, CIC shall obtain evidence that the costs being paid for are TIF-eligible costs. Each Grant shall be accounted for separately in the records maintained by CIC.

(e) Monitoring.

(1) CIC shall specify an employee directly responsible for working on each Grant. CIC shall provide DPD with notice of the person(s) responsible for these duties and the respective Grants.

(2) If a Developer breaches any covenant or agreement under the applicable Grant Documents, CIC shall mail notice of such breach to the Developer as provided in the Grant Documents (with a copy to DPD) and shall take such further action consistent with the terms of this Agreement.

(3) CIC shall monitor the progress of the renovation work to confirm compliance with this Agreement and the Grant Documents. CIC shall make a final inspection of the renovation work at its completion to confirm compliance with this Agreement and the Grant Documents.

(f) Reporting. On a quarterly basis during the term hereof, CIC shall submit to the City a report in a form approved by DPD and containing the following information for each Grant closed during the previous quarter, and for each Developer whose Application has been approved: (i) the address of the Multi-Family Residential Development; (ii) the name and address of each Developer for such Multi-Family Residential Development; (iii) the amount of the applicable Grant and the date of the Grant; (iv) the status of the renovation work on such Multi-Family Residential Development; and (v) evidence that the maximum rental rates charged in any Multi-Family Residential Development do not exceed the maximum amount permitted under this Agreement. In addition, CIC shall also include the following in such report regarding the Program as of the end of the preceding quarter: (i) total number of matching loans approved by CIC; (ii) number of renovations in process; (iii) number of renovations completed; (iv) total amount of Grant funds disbursed hereunder, with a description to include how much was disbursed for each Multi-Family Residential Development; (v) the total amount of interest earned on Grant funds held by CIC; (vi) evidence that no disbursement would result in the funds disbursed by CIC hereunder for any Multi-Family Residential Development exceeding the applicable Maximum Program Assistance; and (vii) the total amount of fees paid to CIC pursuant to Section 6.5. At the end of every quarter, CIC shall deliver a report to the City regarding the application process and listing (A) the total number of Applications, and (B) the total dollar amount of Grants requested, along with any other information requested by the City.

(g) Marketing. CIC shall make information about the Program, including Applications, readily available to persons applying to become Developers. In connection therewith, CIC shall prepare and distribute brochures and other written materials describing the Program. CIC shall also make appropriate personnel available to speak at seminars to promote and explain the Program and shall conduct other affirmative outreach efforts (including organizing or participating in seminars, conferences and public meetings) to disseminate information about the Program to the public. CIC shall cooperate (and shall bind its contractors to cooperate) with DPD in any event which DPD may undertake to promote and explain the Program. CIC shall dedicate sufficient employee time and resources to respond promptly to inquiries from potential applicants.

4.5 The Grant Documents shall require that each rental unit in a Eligible Multi-Family Residential Development bear rents not greater than the Affordable Rent for such unit at any time during the Affordability Period.

4.6 The Grant Documents shall require that each Developer who renovates housing assisted with Program Funds maintain the premises in compliance with all State and City code requirements.

4.7 CIC shall be responsible for all actions of any agents, employees, officers of CIC performing any duties or obligations of CIC hereunder.

4.8 (a) The Program Funds to be provided to CIC hereunder by the City are a conditional grant, and the use of such funds by CIC and Developers is subject to the compliance by CIC and Developers with certain provisions of this Agreement. The Grant Documents shall provide that Program Funds provided for a Eligible Multi-Family Residential Development shall be subject to Recapture if, at any time during the Affordability Period, the requirements of Section 4.5 are not met (subject to any applicable cure periods in the Grant Documents) with respect to such unit. The amount subject to Recapture shall be calculated as follows, based on when the requirements of Section 4.5 are not met (subject to cure periods as indicated above): if the event of noncompliance takes place within the first year after the applicable Grant has been fully disbursed, then the full amount of the Grant will be subject to Recapture; on the first anniversary of the date that the applicable Grant was fully disbursed, the amount so subject to Recapture will be reduced by 1/15 of the amount of the applicable Grant; and the amount subject to Recapture will be reduced by a like amount each succeeding anniversary, so that on the fifteenth anniversary the amount subject to Recapture will be zero.

(b) Upon the occurrence of any event set forth in paragraph (a) of this Section, CIC shall immediately notify DPD of the occurrence of such event and shall take any or all necessary action to Recapture the aggregate amount of Program Funds provided to each Developer with respect to the Eligible Multi-Family Residential Development, including any late payment penalties due under any of the Grant Documents.

(c) Any monies Recaptured by CIC shall be returned to the City. Funds so recaptured with respect to any Eligible Multi-Family Residential Development may be used only with respect to costs in the tax increment financing redevelopment area in which the Eligible Multi-Family Residential Development is located.

(d) CIC shall include the provisions of this Section in the Grant Documents.

(e) The Recapture right of the City will be secured by a lien, recorded at the time the Grant Documents are signed against the real property on which each Eligible Multi-Family Residential Development is located ("Recapture Mortgage"). The lien shall be in a form acceptable to the City and will be recorded by CIC at no expense to the City. The lien will reflect that the amount subject to Recapture will decline over time.

4.9 The City authorizes CIC to act, subject to the limitations contained herein and in accordance with the provisions of this Agreement: (i) to manage and service the Grants; (ii) to enforce or to refrain from enforcing the Grant Documents for each Grant; (iii) to give consents or approvals in connection with the Grant Documents for each Grant; (iv) to take or refrain from taking any action and make any determination provided for herein or in the Grant Documents; and (v) to exercise all such powers as are incidental thereto.

4.10 In its marketing efforts regarding the Program, the City shall notify potential Program applicants that there will be a matching funds requirement (as set forth in Section 4.4(b) hereof).

#### 4.11 Insurance.

(a) CIC must provide and maintain at its own expense, except as may be otherwise provided herein, during the term of this Agreement and during the time period following expiration if CIC is

required to return and perform any of the work or services under the agreement, the insurance coverages and requirements specified below, insuring all operations related to the Agreement.

1) Workers Compensation and Employers Liability

Workers Compensation Insurance, as prescribed by applicable law covering all employees who are to provide work under this Contract and Employers Liability coverage with limits of not less than \$500,000 each accident, illness or disease.

2) Commercial General Liability (Primary and Umbrella)

Commercial General Liability Insurance or equivalent with limits of not less than \$2,000,000 per occurrence for bodily injury, personal injury, and property damage liability. Coverages must include the following: All premises and operations, products/completed operations and contractual liability (not to include Endorsement CG 21 39 or equivalent). The City of Chicago is to be named as an additional insured on a primary, non-contributory basis for any liability arising directly or indirectly from the work or services.

Subcontractors performing work for CIC must maintain limits of not less than \$1,000,000 with the same terms herein.

3) Automobile Liability (Primary and Umbrella)

When any motor vehicles (owned, non-owned and hired) are used in connection with work to be performed, CIC must provide Automobile Liability Insurance with limits of not less than \$1,000,000 occurrence for bodily injury and property damage. The City of Chicago is to be named as an additional insured on a primary, non-contributory basis.

4) Errors & Omissions/Professional Liability

When any Program Managers/Administrators or any other professional consultants perform work in connection with this Agreement, Professional Liability Insurance covering acts, errors, or omissions must be maintained with limits of not less than \$1,000,000. When policies are renewed or replaced, the policy retroactive date must coincide with, or precede, start of work on the Agreement. A claim-made policy which is not renewed or replaced must have an extended reporting period of two (2) years.

5) Valuable Papers

When any media, data, records, reports, application and other documents are produced or used under this Contract, Valuable Papers Insurance must be maintained in an amount to insure against any loss whatsoever, and must have limits sufficient to pay for the re-creation and reconstruction of such records.

6) Blanket Crime

CIC must provide Blanket Crime coverage covering all persons handling funds under this Agreement against loss by dishonesty, robbery, burglary, theft, destruction, or disappearance, computer fraud, credit card forgery, and other related crime risks. The policy

limit must be written to cover losses in the amount of maximum monies/funds collected, received and in the possession of CIC at any given time.

7) Property

CIC is responsible for all loss or damage to City property at full replacement cost that results from this Agreement.

CIC is responsible for all loss or damage to personal property (including materials, equipment, tools and supplies) owned, rented or used by CIC.

b) CIC must furnish the City of Chicago, Department of Planning and Development, City Hall, Room 1006, 121 North LaSalle Street 60602, original Certificates of Insurance, or such similar evidence, to be in force on the date of this Agreement, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the term of this Agreement. CIC must submit evidence of insurance on the City of Chicago Insurance Certificate Form (copy attached) or equivalent prior to execution of the Agreement. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all requirements. The failure of the City to obtain certificates or other insurance evidence from CIC is not a waiver by the City of any requirements for CIC to obtain and maintain the specified coverages. CIC must advise all insurers of the Agreement provisions regarding insurance. Non-conforming insurance does not relieve CIC of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to stop work until proper evidence of insurance is provided, or the Agreement may be terminated.

The insurance must provide for sixty (60) days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

Any deductibles or self-insured retentions on referenced insurance coverages must be borne by CIC.

CIC hereby waives and agrees to require their insurers to waive their rights of subrogation against the City of Chicago, its employees, elected officials, agents, or representatives.

The coverages and limits furnished by CIC in no way limit CIC's liabilities and responsibilities specified within this Agreement or by law.

Any insurance or self-insurance programs maintained by the City of Chicago do not contribute with insurance provided by CIC under this Agreement.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

If CIC is a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

CIC must require all subcontractors to provide the insurance required herein, or CIC may provide the coverages for subcontractors. All subcontractors are subject to the same insurance requirements of CIC unless otherwise specified in this Agreement.

If CIC or subcontractor desire additional coverages, the party desiring the additional coverages is responsible for the acquisition and cost.

Notwithstanding any provision in the Agreement to the contrary, the City of Chicago Risk Management Department maintains the right to modify, delete, alter or change these requirements, and the City shall promptly notify CIC of any such changes.

#### **ARTICLE V - Events of Default; Remedies**

5.1 Events of Default Defined. The following, subject to the notice and cure provisions of Section 5.2 hereof, shall each constitute an Event of Default hereunder:

(a) any material misrepresentation, whether negligent or willful and whether in the inducement or in the performance of this Agreement, made by CIC to the City;

(b) failure by CIC to perform any of its duties or obligations under this Agreement;

(c) any change in ownership or control of CIC without prior written notification to the City;

(d) the dissolution of CIC or the entry of a decree or order for relief by a court having jurisdiction with respect to CIC in an involuntary case under the federal bankruptcy laws, as now or hereafter constituted, or any other applicable federal or state bankruptcy, insolvency or other similar law, or appointing a receiver, liquidator, assignee, custodian, trustee or sequestrator (or other similar official) of CIC or for any substantial part of the property thereof or ordering the winding-up or liquidation of the affairs of CIC and the continuance of any such decree or order unstayed and in effect for a period of 30 consecutive days;

(e) the commencement by CIC of a voluntary case under the federal bankruptcy laws, as now or hereafter constituted, or any other applicable federal or state bankruptcy, insolvency or other similar law, or the consent by CIC to the appointment of or taking possession by a receiver, liquidator, assignee, trustee, custodian or sequestrator (or other similar official) of CIC or of any substantial part of the property of CIC or of any royalties, revenues, rents, issues or profits therefrom, or the making by CIC of any assignment for the benefit of creditors or the failure of CIC generally to pay its respective debts as such debts become due or the taking of action by CIC in furtherance of any of the foregoing;

(f) a final judgment for the payment of money in excess of \$100,000 shall be rendered by a court of competent jurisdiction against CIC, and CIC shall not discharge the same or provide for its discharge in accordance with its terms, or procure a stay of execution thereof, within 60 days from the date of entry thereof, or such longer period during which execution of such judgment shall have been stayed;

(g) default by CIC under any other agreement which CIC may currently have or may enter into with the City during the term of this Agreement; or

- (h) a failure by CIC to fulfill its obligations under any Grant Documents.

5.2 Remedies. If any event referred to in Section 5.1 hereof cannot reasonably be cured within 30 days after receipt of notice given in accordance with the terms of this Agreement, or if CIC has failed, in the sole opinion of the City, to commence and continue diligent efforts to cure such event, the City may, at its sole option, declare an Event of Default hereunder. Whether to declare an Event of Default hereunder is within the sole discretion of the City and neither that decision nor the factual basis for it is subject to review or challenge under this Agreement. Written notification of, or that results in, an Event of Default, and any intention of the City to terminate this Agreement, shall be provided to CIC and such decision shall be final and effective upon receipt of such notice pursuant to Section 6.14 hereof and failure to cure within the stated applicable cure period. Upon the giving of such notice, the City may invoke any or all of the following remedies:

- (a) the right to terminate this Agreement as to any or all of the services yet to be performed effective at a time specified by the City;
- (b) the right of specific performance, an injunction or any other appropriate equitable remedy;
- (c) the right to money damages;
- (d) the right to withhold all or any part of the compensation of CIC hereunder; and
- (e) the right to deem CIC non-responsible in future contracts to be awarded by the City.

If the City considers it to be in its best interests, it may elect not to declare an Event of Default hereunder or to terminate this Agreement. The parties acknowledge that this provision is solely for the benefit of the City and that if the City permits CIC to continue to provide the services despite one or more Events of Default, CIC shall in no way be relieved of any of its responsibilities, duties or obligations under this Agreement nor shall the City waive or relinquish any of its rights thereby.

The remedies under the terms of this Agreement are not intended to be exclusive of any other remedies provided, but each and every such remedy shall be cumulative and shall be in addition to any other remedies, existing now or hereafter, at law, in equity or by statute. No delay or failure to exercise any right or power accruing upon any Event of Default shall impair any such right or power nor shall it be construed as a waiver of any Event of Default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient.

## **ARTICLE VI - General Provisions**

6.1 Duration of the Agreement. This Agreement shall commence on the date of execution and delivery hereof and, unless earlier terminated pursuant to this Agreement, shall terminate when the last Grant payment is made by CIC hereunder.

6.2 Termination. The City may terminate this Agreement for convenience upon thirty (30) days written notice from the City. In such event, all rights and obligations running to and from each party shall be terminated and of no further force and effect; provided that CIC shall be obligated to maintain all records and monitoring obligations with respect to any Grant made in accordance with

the terms of this Agreement for a period of five years after the date of the Grant and provided that the City pays for all grant commitments properly made up to the point of termination pursuant to this Agreement.

6.3 Indemnification. CIC shall pay, indemnify and save the City and the City's officers, employees and agents harmless of, from and against, any and all losses incurred by any such party under this Agreement and any claim brought by reason of any such loss due to CIC's negligence, bad faith or willful misconduct. In the event that any claim is brought against the City or any of the City's officers, employees or agents, by reason of any such loss, CIC, upon notice from the City, covenants to resist and defend such claim on behalf of the City and the City's officers, employees and agents.

6.4 Non-Liability of Public Officials. No official, employee or agent of the City shall be charged personally by CIC or by any assignee or subcontractor of CIC with any liability or expenses of defense or shall be held personally liable to CIC, or any assignee or subcontractor of CIC under any terms or provisions of this Agreement because of the City's execution or attempted execution hereof or because of any breach hereof.

6.5 Compensation. CIC shall not charge any Eligible Homebuyer any fees or charges for a Grant hereunder. The only compensation received by CIC for performance under this Agreement shall be in accordance with this Section 6.5, as follows:

(a) CIC shall be entitled to compensation hereunder in an amount equal to 3 percent (3%) of the aggregate Program Funds paid by the City for each Eligible Property if CIC is the senior lender or an amount equal to 5 percent (5%) if CIC is not the senior lender.

(b) The City shall not be responsible for the payment of any fees other than as set forth in this Section.

6.6 Documentation of Costs and Income: Records and Availability. All TIF-eligible costs paid from the proceeds of a Grant shall be supported by properly executed invoices, contracts or vouchers, or other official documentation evidencing in proper detail the nature and propriety of the TIF-eligible costs. All checks, invoices, contracts, vouchers, orders or other accounting documents pertaining in whole or in part to this Agreement shall be maintained by CIC and shall be clearly identified and readily accessible to the City upon written request.

CIC shall maintain records evidencing compliance with the all requirements of the Program for each Eligible Property which is the subject of a Grant, including the provisions of Section 4.5. Such records shall be maintained for a period of five years after the date of the Grant. All Grant Documents shall be held by CIC for the benefit of the City during the term of this Agreement and for five years thereafter. Upon the written request of the City, CIC shall provide the City with access to and copies of such records.

At any time during normal business hours and as often as the City may deem necessary, CIC shall make available to the City (i) all of its records with respect to matters covered by this Agreement and (ii) access to its employees who have knowledge about the matters covered by this Agreement. CIC shall permit the City to audit, examine and make excerpts or transcripts from such records, and to make copies of records relating to personnel, conditions of employment and other data covered by this Agreement.

At any time during normal business hours and as often as the City may deem necessary, each Eligible Homebuyer shall make available to the City the Eligible Property and records relating to tenants of the unit, if any, in order for the City to verify compliance with this Agreement, including Section 4.5. CIC shall include this requirement in the Grant Documents.

6.7 Non-discrimination. CIC agrees it shall be an unlawful employment practice for CIC (1) to fail or refuse to hire or to discharge any individual, or otherwise to discriminate against any individual with respect to his compensation, or the terms, conditions, or privileges of his employment, because of such individual's race, color, religion, sex, age, handicap or national origin; or (2) to limit, segregate, or classify its employees or applicants for employment in any way which would deprive or tend to deprive any individual in any way of employment opportunities or otherwise adversely affect his status as an employee, because of such individual's race, color religion, sex, age, handicap or national origin.

CIC shall comply with the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. and any rules and regulations promulgated in accordance therewith, including, but not limited to the Equal Employment Opportunity clause, 56 Ill. Admin. Code 2520 Appendix G. Furthermore, CIC shall comply with and shall cause any contractor utilized under this Agreement to comply with the Discrimination in Public Contracts Act, 775 ILCS 10/0.01, et seq.

6.8 City Requirements. CIC shall comply with the Chicago Human Rights Ordinance, ch. 2-160, Section 2-160-010 et seq. of the Chicago Municipal Code (1990); and the Chicago Fair Housing Regulations ch. 5-8, Section 5-8-010 et seq. of the Chicago Municipal Code (1990).

CIC agrees to furnish and to cause each of its subcontractor(s) to furnish such reports and information as requested by the Chicago Commission on Human Relations.

6.9 Assignment. CIC may not assign, sell, transfer or delegate any of its duties or obligations under this Agreement without the prior written consent of the City. The City may assign, sell, transfer or otherwise dispose of any of its rights hereunder, in whole or in part, without the permission of CIC.

6.10 Savings Clause. In case any provision of this Agreement is held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not be affected.

6.11 Entire Agreement. This Agreement and the incorporated Exhibits constitute the entire Agreement and may not be modified, altered or amended unless agreed to by both parties in writing. Any waiver or any provision of this Agreement must be executed in writing by the party granting the waiver and such waiver shall not affect any other rights of the party granting the waiver or act to affect any other duty or obligation of the party receiving the waiver.

6.12 Counterparts. This Agreement is composed of several identical counterparts, each to be fully executed by the parties and each to be deemed an original having identical legal effect.

6.13 Headings. The headings and titles of this Agreement are for convenience only and shall not influence the construction or interpretation of this Agreement.

6.14 Notices. Unless otherwise specified, any notice, demand or request hereunder shall be given in writing at the addresses set forth below, by any of the following means: (a) personal service; (b) electronic communications, whether by telex, telegram or telecopy; (c) overnight courier; or (d) registered or certified mail, return receipt requested.

RE: Vacant Building TIF Purchase and Rehabilitation Program Agreement (the "Agreement")

Ladies and Gentlemen:

I have acted as Corporate General Counsel for Community Investment Corporation, an Illinois not-for-profit corporation ("CIC"), in connection with the execution and delivery of the Agreement by and among CIC and the City of Chicago, acting by and through its Department of Planning and Development (the "City"). CIC has requested that this opinion be furnished to the City.

In so acting as Corporate General Counsel for CIC I have examined:

- (i) an executed original of the Agreement;
- (ii) the Articles of Incorporation, including all amendments thereto, of CIC as furnished and certified by the Secretary of State of the State of Illinois;
- (iii) the Bylaws of CIC, as certified by the Secretary of CIC as of the date hereof; and
- (iv) the Certificate of Good Standing dated \_\_\_\_\_, issued by the Office of the Secretary of State of the State of Illinois, as to the good standing of CIC.

In my capacity as Corporate General Counsel, I have also examined such other documents or instruments as I have deemed relevant for the purposes of rendering the opinions hereinafter set forth.

I have also assumed, but have no reason to question, the legal capacity, authority and the genuineness of the signatures of and due and proper execution and delivery by the

respective parties other than CIC which has made, executed or delivered or will make, execute and deliver the agreements and documents examined by me.

I express no opinion as to (i) the laws of any state or jurisdiction other than the State of Illinois (and any political subdivisions thereof) and the United States of America; and (ii) any matters pertaining or relating to the securities laws of the United States of America, the State of Illinois or any other state.

Based upon and subject to the assumptions and qualifications herein stated, it is my opinion that:

1. CIC is a not-for-profit corporation, duly organized and validly existing under the laws of the State of Illinois, CIC has made all filings required by the laws of the State of Illinois in respect of its formation and continuing existence, and has all requisite authority to carry on its business and to execute and deliver, and to consummate the transactions contemplated by, the Agreement.

2. The Agreement has been duly executed and delivered on behalf of CIC, and constitutes a legal, valid and binding obligation of CIC, enforceable against CIC in accordance with its terms, except to the extent that enforcement of any such terms may be limited by: (a) applicable bankruptcy, reorganization, debt arrangement, insolvency or other similar laws generally affecting creditors' rights; or (b) judicial and public policy limitations upon the enforcement of certain remedies including those which a court of equity may in its discretion decline to enforce.

3. To my knowledge, there is no action, suit or proceeding at law or in equity pending, nor threatened, against or affecting CIC, before any court or before any governmental or administrative agency, which if adversely determined could materially and adversely affect the ability of CIC to perform under the Agreement or any of its business or properties or financial or other conditions.

4. The transactions contemplated by the Agreement are governed by the laws of the State of Illinois.

5. The execution and delivery of the Agreement and the consummation of the transactions contemplated thereby will not constitute:

A. a violation or breach of (i) the Articles of Incorporation of CIC, (ii) the Bylaws of CIC, (iii) any provision of any contract or other instrument to which CIC is bound, or (iv) any order, writ, injunction, decree, statute, rule or regulation binding on CIC; or

B. a breach of any of the provisions of, or constitute a default under, or result in the creation or imposition of any lien or encumbrance upon any of the property of either CIC pursuant to, any agreement or other instrument to which CIC is a party or by which CIC is bound.

6. No action of, or filing with, any governmental or public body is required to authorize, or is otherwise required for the validity of, the execution, delivery and performance of any of the Agreement.

This opinion is furnished for your benefit and may be relied upon by you and any such other party in connection with the Agreement, but may not be delivered to or relied upon by any other person or entity without written consent from the undersigned.

Very truly yours,

The following is said ordinance as passed:

WHEREAS, Since 2003, Chapter 9-102 of the Municipal Code of Chicago has empowered the City to impose fines and late payment penalties for automated traffic law enforcement system violations; and

WHEREAS, Since 2012, Chapter 9-101 of the Municipal Code of Chicago has empowered the City to impose fines and late payment penalties for automated speed enforcement system violations; and

WHEREAS, The Municipal Code provided that an initial notice of violation would be sent to persons whose vehicles were detected committing an automated traffic law enforcement system violation or an automated speed enforcement system violation; and

WHEREAS, The initial notice of violation indicated that the recipient could request a hearing to contest the violation, that a failure to pay or contest the violation would result in a determination being entered against the recipient, that a failure to pay the fine in time would result in a late payment penalty being assessed in an amount up to the fine, and that any unpaid fine or penalty would constitute a debt due and owing to the City; and

WHEREAS, Prior to May 6, 2015, the Municipal Code of Chicago provided that a second notice of violation would be sent to the recipient if no response was made to first notice, although the Illinois Vehicle Code does not require the issuance of second notices in connection with these types of violations; and

WHEREAS, The Department did not issue second notices in connection with automated traffic law enforcement system violations or automated speed enforcement system violations; and

WHEREAS, Consistent with the Municipal Code of Chicago's earlier provision for a second notice of violation to be sent, the City should now send a review notice to persons who received but did not respond to an initial notice of violation; and

WHEREAS, Such additional notice should reiterate the recipient's ability to contest liability for the violation by seeking review before an administrative law officer, while also allowing any fines or late payment penalties previously assessed against, or paid by, the recipient to be confirmed if the recipient chooses not to contest his or her liability, or does not prevail before an administrative hearing officer; and

WHEREAS, As of July 1, 2012, the Municipal Code of Chicago was amended to provide the recipient of a determination of liability for an automated traffic law enforcement system violation or an automated speed enforcement system violation 25 days to pay before a late payment penalty could be imposed; and

WHEREAS, After July 1, 2012, the Department, in some cases, continued to impose a late payment penalty after 21 days, based on the prior Code; and

WHEREAS, Those persons against whom a late payment penalty was imposed after 21 days and who paid the penalty before the expiration of 25 days should be afforded the opportunity to seek a refund of that penalty; now, therefore,

*Be It Ordained by the City Council of the City of Chicago:*

### SECTION III.

(a) Review Notice. The Department is hereby authorized to, and shall, issue a review notice to any person to whom a determination of liability for a violation of Section 9-101-020 or 9-102-020 of the Code was mailed between March 23, 2010 and May 14, 2015, who did not: (i) request or receive a hearing on the violation; or (ii) pay the fine for the violation on or prior to the date the determination of liability was mailed; and as to whom liability for the violation has not been released, set aside, or extinguished. The review notice shall include:

- (1) the date and location of the violation;
- (2) the license plate number of the vehicle involved in the violation;
- (3) the Code provision violated;
- (4) the applicable fine;
- (5) a reference to the prior notice that was mailed to the Recipient;
- (6) the total amount of previously paid fine, penalty and collection fee for the violation, if any;
- (7) information about how to view photos and/or video of the violation online; and
- (8) information about how to contest the underlying violation.

A review notice may include the above information for more than one determination of liability issued to the same person. The Department shall issue all review notices within 14 months of the effective date of this ordinance.

(b) Method Of Delivery. The review notice shall be mailed to the person named in the determination of liability by first class mail, postage prepaid. The review notice shall be

mailed to the address to which the determination of liability was issued or to the most current address of the person named in the determination of liability as determined by the Department.

(c) Opportunity To Contest. A Recipient may, within 30 days from the date on which the review notice is sent, request an administrative adjudication to contest the violation based on one or more of the applicable grounds specified in Section 9-100-060 of the Code by: (1) mailing the request; (2) delivering the request in-person; or (3) filing an electronic request. Requests shall be submitted in a form or forms prescribed by the Department. A request shall be deemed timely if the request is filed or delivered, in the form and format prescribed in rules, to the address or electronic location, whichever is applicable, indicated on the notice and:

(1) if filed by mail, the request is postmarked within thirty days of the date on which the review notice is sent; or

(2) if filed electronically or in-person the request is electronically submitted or delivered in-person within thirty days of the date on which the review notice is sent.

(d) Finding. Upon receiving a Recipient's timely request for an administrative adjudication under subsection (c), above, the Department shall refer the matter to an Administrative Law Officer for an administrative correspondence hearing conducted in accordance with Section 9-100-070 of the Code or an administrative in-person hearing conducted in accordance with Section 9-100-080 of the Code, to review the specified violation, as requested by the Recipient.

(1) If upon conclusion of the hearing, the Administrative Law Officer finds that the Recipient is not liable for the violation, the Administrative Law Officer shall issue a written order vacating the prior determination of liability, and any subsequent final determination, as of the date of the hearing; and

(i) if the Recipient has previously paid a fine, late payment penalty or collection fee for the violation, the Administrative Law Officer shall enter an order directing the Comptroller to refund to the Recipient the total amount paid to the City by the Recipient for such fine, late payment penalty or collection fees; or

(ii) if the Recipient has not previously paid a fine, late payment penalty or collection fee for the violation, the Administrative Law Officer shall enter an order extinguishing any debt the Recipient owed to the City for an uncollected fine, late payment penalty or collection fee for the violation.

(2) If upon conclusion of the hearing, the Administrative Law Officer finds that the Recipient is liable for the violation, the Administrative Law Officer shall enter an order confirming liability in the total amount of the earlier fine, late payment penalty and collection fee, whether such amount was paid or unpaid. The confirmation shall be a

new and separate assessment of liability to which all previous payments made in connection with the violation shall be applied. Except as otherwise provided in Section IV of this ordinance, any amount so assessed that was not previously paid shall constitute a debt due and owing the City, which may be enforced in the manner set forth in Section 2-14-103 of the Code.

(e) Administrative Review. An Administrative Law Officer's determination of whether or not liability for a violation exists pursuant to this ordinance shall constitute a final determination for purposes of judicial review under the Illinois Administrative Review Law.

(f) No Response. If a Recipient fails to respond to the review notice, the Department shall mail a written notice to the Recipient confirming liability in the total amount of the earlier fine, late payment penalty and collection fee; whether such amount was paid or unpaid. The confirmation shall be a new and separate assessment of liability to which all previous payments made in connection with the violation shall be applied. Except as otherwise provided in Section IV of this ordinance, any amount so-assessed that was not previously-paid shall constitute a debt due and owing the City, which may be enforced in the manner set forth in Section 2-14-103 of the Code. The Department's confirmation notice issued pursuant to this subsection shall be considered to be a default order for purposes of a petition to set aside the confirmation. An Administrative Law Officer shall review a petition to set aside the Department's confirmation pursuant to Section 2-14-108 of the Code.

(g) Refund-Issuance. Upon receipt by the Department of an Administrative Law Officer's order issued pursuant to Subsection (d)(1)(i) of Section III of this ordinance and a refund application completed by the Recipient, the Comptroller shall issue a refund in the appropriate amount to the Recipient within 90 days by mail to the address provided by the Recipient.

(h) Other Outstanding Debt. Nothing provided in this ordinance shall be construed to prohibit the Comptroller from applying the amount of any refund ordered pursuant to Subsection (d)(1)(i) of Section III of this ordinance to any debt due and owing to the City due to a final determination of liability for a parking, standing, compliance, automated traffic law enforcement system, or automated speed enforcement system violation, and reduce the amount of the refund accordingly, prior to issuing a refund to the Recipient. If any refund is applied pursuant to this subsection, the Department shall notify the Recipient in writing.

(i) Other Enforcement. The City shall not consider any final determination of liability issued with respect to a violation subject to the review notice procedure set forth in this section for purposes of determining whether a vehicle is eligible for immobilization or impoundment under Section 9-100-120 of the Code, or driver's license suspension under Section 9-100-130 of the Code.

#### SECTION IV.

(a) The Department shall establish a debt relief program pursuant to this ordinance. The debt relief program shall provide for relief as provided in this ordinance only if an Eligible Debtor complies with the applicable requirements of the debt relief program during the time provided. The Department may promulgate such rules as are necessary to implement the provisions of Section IV of this ordinance.

(b) If any Eligible Debtor pays the fine for a violation subject to administrative adjudication under this ordinance and applies for a debt relief within 30 days of the issuance of a confirmation of liability on the violation, or within 30 days of the final order disposing of any timely-filed action seeking administrative or judicial review of that confirmation of liability: (1) the Department shall waive all previously-assessed late payment penalties, interest, collection fees, and collection costs for that violation; and (2) the City shall not seek civil or criminal prosecution against the Eligible Debtor for the failure to have paid fines, interest, fees, costs or penalties for that violation.

(c) If the only debt owed by an Eligible Debtor as the result of the confirmation of liability is for late payment penalties or collection fees, the Department shall automatically waive such penalties or fees.

(d) Relief shall be granted only if all of the applicable relief conditions set forth in this ordinance and any rules promulgated thereunder are satisfied by the Eligible Debtor.

#### SECTION V.

(a) For purposes of this Section V of this ordinance, "Person Eligible for Refund of a Late Payment Penalty" means any person who on or after July 1, 2012 and until May 31, 2015: (i) paid a fine for violation of Section 9-101-020 or 9-102-020 of the Code within 25 days of the determination of liability for the violation; and (ii) was charged and paid a late payment penalty for the violation.

(b) The Comptroller shall send a refund notice to a Person Eligible for Refund of a Late Payment Penalty. The notice shall specify: (i) the violation number; (ii) the violation date; (iii) the deadline for requesting a refund; and (iv) information about how to claim a refund.

(c) If a Person Eligible for Refund of a Late Payment Penalty requests a refund within 60 days of the refund notice as provided in the refund notice, the Comptroller shall refund the late payment penalty paid for the violation specified in the refund notice to the Person Eligible for Refund of a Late Payment Penalty.

SECTION VI. If there is a conflict between this ordinance and any provision of the Code, this ordinance shall prevail.

SECTION VII. This ordinance shall take effect upon passage and approval.

Whereas, The City is authorized under the provisions of the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1, et seq., as amended from time to time (the "Act"), to finance projects that eradicate blighted conditions and conservation area factors through the use of tax increment allocation financing for redevelopment projects; and

Whereas, To induce redevelopment pursuant to the Act, the City Council of the City (the "City Council") adopted the following ordinances on February 6, 2002: (1) "An ordinance of the City of Chicago, Illinois Approving a Redevelopment Plan for the 119<sup>th</sup> and Halsted Redevelopment Project Area"; (2) "An ordinance of the City of Chicago, Illinois Designating the 119<sup>th</sup> and Halsted Redevelopment Project Area as a Redevelopment Project Area Pursuant to the Tax Increment Allocation Redevelopment Act"; and (3) "An ordinance of the City of Chicago, Illinois Adopting Tax Increment Allocation Financing for the 119<sup>th</sup> and Halsted Redevelopment Project Area". The redevelopment project area referred to above is referred to herein as the "119<sup>th</sup> and Halsted TIF Area"; and

Whereas, The City, through DPD, established a TIF Neighborhood Improvement program to fund improvements to single-family residential properties in the 119<sup>th</sup> and Halsted TIF Area (the "119<sup>th</sup> and Halsted Program") up to a maximum of \$1,000,000 and, pursuant to an ordinance adopted by the City Council on March 29, 2006, entered into an agreement with NHS ("Agreement") for NHS to perform certain administrative services for the 119<sup>th</sup> and Halsted Program; and

Whereas, The City and NHS entered into a first amendment to the Agreement ("First Amendment"), which modified certain terms and conditions of the 119<sup>th</sup> and Halsted Program and which authorized NHS to continue to provide administrative services for the expanded 119<sup>th</sup> and Halsted Program; and

Whereas, The City's obligation to provide funds under the Agreement will be met through (i) incremental taxes deposited in the Special Tax Allocation Fund of the 119<sup>th</sup> and Halsted TIF Area, or (ii) any other funds legally available to the City for this purpose; and

Whereas, By an ordinance adopted by the City Council of the City on \_\_\_\_\_, 2016, the City has approved the execution and delivery of this Second Amendment to the Agreement.

Now, Therefore, In consideration of the mutual promises and covenants set forth below, the parties hereto agree as follows:

*Article I.*

*Incorporation And Recitals.*

The recitals set forth above are incorporated by reference as if fully set forth herein.

*Article II.*

*Amendments To Agreement, As Previously Amended.*

The Agreement, as previously amended by the First Amendment, is further amended as follows:

(a) Substitute the following text for the current text in Article IV, Section 4.2(a):

(a) The total amount of Program Funds shall be up to \$1,500,000. NHS shall provide written notice to the City when the aggregate amount of Program Funds committed or paid hereunder, including Grants and administrative costs paid to or for the account of NHS pursuant to Section 6.5, equals \$1,400,000 and thereafter when the amount of Program Funds committed or paid hereunder, including Grants and administrative costs paid to or for the account of NHS pursuant to Section 6.5, reaches \$1,500,000. Program Funds are deemed committed for purposes of this section when NHS has determined the amount of Program Funds to be the subject of a Grant and sent notice of final approval of an Application pursuant to Section 4.3(e) to an Eligible Homeowner. Notwithstanding the foregoing, NHS understands and agrees that the City's obligation to provide Program Funds under this Agreement is expressly conditioned upon the availability of unencumbered incremental taxes in the Special Tax Allocation Fund for the 119<sup>th</sup> and Halsted TIF Area. No Grants shall be made or committed to be made by NHS hereunder when such commitment would result in the aggregate amount of Grants, together with all administrative costs related to such Grants paid to NHS pursuant to Section 6.5, exceeding the available Program Funds in such amount as the City may determine from time to time. No Grants shall be made or committed to be made by NHS hereunder after the date of receipt of the notice from the City described in Section 6.2 hereof regarding the termination of this Agreement.

(b) Substitute the following text for the current text in Article IV, Section 4.2(b):

(b) As of the date of this Agreement, the total amount of funds available hereunder for use in the 119<sup>th</sup> and Halsted TIF Area is \$1,500,000. This amount may be changed from time to time upon written notice by DPD to NHS, provided that the aggregate amount shall not exceed \$1,500,000 (or such other amount as the City may determine from time to time).

(c) Substitute the following text for the current text in the definition of "Qualified Family":

"Qualified Family" means a family whose annual household income does not exceed 140 percent of the Median Income.

(d) Substitute the following text for the current text in the last paragraph of Article IV, Section 4.3(b):

To accommodate the possibility that additional Selected Applicants will need to be chosen from eligible Applications because some earlier Applications are not in compliance with this Agreement, or because Program Funds are still available to make Grants, NHS may establish a waiting list to be chosen by the same lottery process described above. If additional Applications are needed thereafter, then NHS will designate a time and place as set forth above to receive additional Applications.

(e) Add the following text to Article IV, Section 4.3(b):

The \$500,000 in Program Funds authorized pursuant to an ordinance adopted by the City Council on \_\_\_\_\_, 2016 shall be used to provide Grants to Eligible Homeowners who were placed on the waiting list that was generated from the Lottery conducted on June 2, 2016.

Except as set forth herein, the Agreement, as previously amended, is not further amended.

*Article IV.*

*Obligation To Provide Documents.*

NHS shall execute and deliver to DPD such documents as may be required by the Corporation Counsel of the City, including, but not limited to, the City's current form of Economic Disclosure Statement.

In Witness Whereof, The City and NHS have executed this First Amendment as of the date first set forth above.

NHS shall provide written notice to the City when the aggregate amount of Program Funds committed or paid hereunder, including Grants and administrative costs paid to or for the account of NHS pursuant to Section 6.5, equals \$5,800,000 and thereafter when the amount of Program Funds committed or paid hereunder, including Grants and administrative costs paid to or for the account of NHS pursuant to Section 6.5, reaches \$6,000,000. No Grants shall be made or committed to be made by NHS hereunder when such commitment would result in the aggregate amount of Grants, together with all administrative costs related to such Grants paid to NHS pursuant to Section 6.5, exceeding the available Program Funds in such amount as the City may determine from time to time. No Grants shall be made or committed to be made by NHS hereunder after the date of receipt of the notice from the City described in Section 6.2 hereof regarding the termination of this Agreement.

This amount may be changed from time to time upon written notice by DPD to NHS, provided that the aggregate amount shall not exceed \$6,000,000 (or such other amount as the City may determine from time to time).

(c) Substitute the following text for the current text in the definition of "Qualified Family":

"Qualified Family" means a family whose annual household income does not exceed 140 percent of the Median Income.

Except as set forth herein, the Agreement, as previously amended, is not further amended.

In Witness Whereof, The City and NHS have executed this Fourth Amendment as of the date first set forth above.

*Amendments To Agreement, As Previously Amended.*

The Agreement, as previously amended by the First Amendment and Second Amendment, is further amended as follows:

(a) Substitute the following text for the current text in Article IV, Section 4.2(a):

(a) The total amount of Program Funds shall be up to \$5,750,000. NHS shall provide written notice to the City when the aggregate amount of Program Funds committed or paid hereunder, including Grants and administrative costs paid to or for the account of NHS pursuant to Section 6.5, equals \$5,550,000 and thereafter when the amount of Program Funds committed or paid hereunder, including Grants and administrative costs paid to or for the account of NHS pursuant to Section 6.5, reaches \$5,750,000. Program Funds are deemed committed for purposes of this section when NHS has determined the amount of Program Funds to be the subject of a Grant and sent notice

of final approval of an Application pursuant to Section 4.3(e) to an Eligible Homeowner. Notwithstanding the foregoing, NHS understands and agrees that the City's obligation to provide Program Funds under this Agreement is expressly conditioned upon the availability of unencumbered incremental taxes in the Special Tax Allocation Fund for the Midwest TIF Area. No Grants shall be made or committed to be made by NHS hereunder when such commitment would result in the aggregate amount of Grants, together with all administrative costs related to such Grants paid to NHS pursuant to Section 6.5, exceeding the available Program Funds in such amount as the City may determine from time to time. No Grants shall be made or committed to be made by NHS hereunder after the date of receipt of the notice from the City described in Section 6.2 hereof regarding the termination of this Agreement.

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. The above recitals are hereby expressly incorporated as if fully set forth herein.

SECTION 2. The City hereby determines that the incentive provided by Class L is necessary for the Substantial Rehabilitation of the Project Real Estate.

SECTION 3. The City hereby expressly supports and consents to the granting of the Class L incentive. The City's support and consent to the grant of certification for the Class L incentive for the Project Real Estate is expressly conditioned upon the substantial completion of the Project as proposed by the Owner and approved by the City, both upon completion of the Substantial Rehabilitation of the Project Real Estate and during the term of the Class L incentive.

SECTION 4. The Project is anticipated to be completed by March 31, 2017. The Commissioner of DPD (the "Commissioner") or a designee of the Commissioner (together with the Commissioner, an "Authorized Officer") shall have discretion to extend the

construction completion date by issuing a written extension letter in response to a written request from the Owner. SECTION 5. The City has reviewed and hereby accepts the Landmarks Commission's written recommendation of the Project for the Class L incentive, which specifies the Project budget and proposed scope of the work, and which specifies that the Project meets or exceeds the Standards of the United States Department of the Interior for Rehabilitation, Preservation, Restoration, and Reconstruction of historic properties, a copy of which is attached hereto as Exhibit 2 and made a part hereof.

SECTION 8. The Authorized Officer is hereby authorized to approve minor changes in the scope of work and budget delineated on (Sub)Exhibits A and B to Exhibit 2 hereof, provided that changes in the Building conditions warrant such changes and will not change the suitability of the Project Real Estate for the Use (all as determined in the sole discretion of the Authorized Officer). Changes to the Project budget delineated on (Sub)Exhibit A to Exhibit 2 shall not require prior City approval provided that the Project is substantially completed in accordance with the scope of work defined in (Sub)Exhibit B to Exhibit 2 and achieves the minimum investment required for Class L eligibility.

SECTION 9. Upon request by the Owner for a final determination of the eligibility of the Project Real Estate for the Class L incentive by the Landmarks Commission pursuant to the Classification Ordinance upon completion of the Substantial Rehabilitation of the Project Real Estate, the Authorized Officer shall verify that the work performed substantially conforms to the Project approved by the City and that the Project Real Estate is eligible for the Class L incentive (the "Final Determination").

SECTION 10. Any conveyance of all or a portion of the Project Real Estate by the Owner before the Final Determination shall render the support and consent of the City for the Class L incentive set forth hereunder in connection with the Project null and void.

Any renewed support and consent of the City for the Class L incentive contemplated in connection with the Project undertaken by a successor in interest to the Owner of the Project Real Estate prior to the Final Determination shall require additional authorization by the City Council. This Section 10 shall not apply to the transfer of a beneficial interest in the Owner to Tax Credit Investors with respect to the Project, or to the transfer of a leasehold interest in the Project Real Estate to a master tenant entity owned in whole or in part by one or more Tax Credit Investors, provided that such transfers do not involve a change to the direct or indirect controlling parties of the Owner.

SECTION 11. No permit fee waiver(s) pursuant to Section 2-120-815 of the Municipal Code of Chicago from the City related to the Project Real Estate shall be granted to the Owner during the rehabilitation of the Project and prior to the expiration of the Class L incentive related to the Project Real Estate.

SECTION 12. To the extent that any ordinance, resolution, order or provision of the Municipal Code of Chicago, or part thereof, is in conflict with the provisions of this ordinance, the provisions of this ordinance shall be controlling. If any section, paragraph, clause or provision shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this ordinance.

SECTION 13. This ordinance shall be effective from and after its passage and approval.
