Chairman Sawyer called a meeting to order at 2:09 PM. Chairman Sawyer stipulating the Committee on Health and Human Relations is called to order. Pursuant to applicable law, the Chairman had determined that an in-person meeting was not practical or prudent. Two items were presented, the first was the Monthly 45 Report for May, 2022 and the second item was calling for a subject matter hearing to provide an update on the City's actions in response to Covid-19 and vaccinations.

Chairman Sawyer had a roll call to establish a quorum.

Chairman Sawyer opened the floor for public comments. There are no public speakers at this time.

Chairman Sawyer opened the floor for the following: Chairman Sawyer stated that each member should have received an electronic copy of the Rule 45 Monthly Report for May, 2022. He asked if there were any questions or comments. There were none. The Chairman then requested a motion to approve the Rule 45 Monthly Report from May, 2022 for the Committee on Health and Human Relations. Alderwoman Harris so moved to approve the Monthly 45 Report by the same roll call vote, as was applied to determine a quorum. The motion passed.

Chairman Sawyer introduced Commissioner Arwady from the Chicago Department of Health. Dr. Arwady presented the updates for the Covid-19, Monkeypox, Covid 19 vaccines approved for children under 5, planning for the fall, and lessons learned from Covid in City's approach to community safety and behavioral health. Commissioner Dr. Arwady discussed the dashboard, local data, the importance of masking while being indoors, and vaccinations. Chairman Sawyer thanked Commissioner Arwady, and the floor was opened to questions and comments from the Committee members and non-members. Chairman thanked Dr. Arwady and requested a motion to adjourn. Vice-Chairman Cappleman moved to adjourn. No objections were heard. Meeting adjourned at 3:43 P.M.
